## EPISODE 7

**Hunting ghosts with  
Rachel E. Hoffman of  
PARANORMAL XPEDITIONS!**

1  
00:02:26,520 --> 00:00:56,560

[Music]

2  
00:02:34,390 --> 00:02:30,220

greetings friends we are live on truth

3  
00:02:39,099 --> 00:02:34,400

seekers this is episode 7 ghost hunting

4  
00:02:41,140 --> 00:02:39,109

with Rachel e hoffman it's funny how

5  
00:02:42,819 --> 00:02:41,150

things work I just happen to be

6  
00:02:44,229 --> 00:02:42,829

scrolling through Facebook and for one

7  
00:02:47,649 --> 00:02:44,239

reason or another I found something

8  
00:02:50,709 --> 00:02:47,659

called paranormal expeditions some time

9  
00:02:52,989 --> 00:02:50,719

ago sounded good to me so I clicked on

10  
00:02:56,589 --> 00:02:52,999

it and what I found was this interesting

11  
00:03:00,580 --> 00:02:56,599

girl who runs around investigating

12  
00:03:03,520 --> 00:03:00,590

haunted locations her content is just

13  
00:03:06,129 --> 00:03:03,530

interesting to me because she brings in

14

00:03:08,289 --> 00:03:06,139

a lot of history and tells the

15

00:03:11,289 --> 00:03:08,299

historical side of who lived there who

16

00:03:13,420 --> 00:03:11,299

the ghosts may be and sometimes she's in

17

00:03:15,670 --> 00:03:13,430

these beautiful Victorian locations

18

00:03:17,470 --> 00:03:15,680

sometimes she's in places that look like

19

00:03:20,500 --> 00:03:17,480

no one's lived there for a hundred years

20

00:03:23,379 --> 00:03:20,510

and her falling apart there's something

21

00:03:25,689 --> 00:03:23,389

interesting about that voyeur thing just

22

00:03:28,240 --> 00:03:25,699

like being able to look in to this

23

00:03:29,619 --> 00:03:28,250

girl's world has been a guilty pleasure

24

00:03:33,270 --> 00:03:29,629

in mine and I've been keeping up with

25

00:03:36,039 --> 00:03:33,280

her through Facebook before I forget I

26

00:03:39,069 --> 00:03:36,049

just wanted to make sure that I share

27

00:03:40,990 --> 00:03:39,079

this sometimes I get a little busy

28

00:03:42,909 --> 00:03:41,000

during the show with all you guys in a

29

00:03:48,520 --> 00:03:42,919

live chat and everything else going on

30

00:03:52,240 --> 00:03:48,530

and of course it's not gonna let me

31

00:03:53,890 --> 00:03:52,250

share it now I'll come back to that let

32

00:04:02,580 --> 00:03:53,900

me see here actually I'll do it through

33

00:04:13,750 --> 00:04:10,870

one second folks before I forget it okay

34

00:04:18,569 --> 00:04:13,760

here we go let me just get back to this

35

00:04:25,409 --> 00:04:18,579

I wanted to share her Facebook page

36

00:04:32,590 --> 00:04:30,400

so that you guys too can visit her

37

00:04:35,020 --> 00:04:32,600

Facebook page make sure you like her

38

00:04:37,420 --> 00:04:35,030

Facebook page if you like anything

39

00:04:39,430 --> 00:04:37,430

paranormal ghosts related you want to

40

00:04:42,340 --> 00:04:39,440

make sure that you like her Facebook

41

00:04:44,110 --> 00:04:42,350

page because I for one I can't tell you

42

00:04:46,210 --> 00:04:44,120

how much I enjoyed watching her go and

43

00:04:48,700 --> 00:04:46,220

check into these haunted places and

44

00:04:50,530 --> 00:04:48,710

she's doing a rare thing nail which is

45

00:04:51,760 --> 00:04:50,540

field investigations you know a lot of

46

00:04:54,460 --> 00:04:51,770

people call themselves a paranormal

47

00:04:55,840 --> 00:04:54,470

investigator and they sit on the

48

00:04:58,990 --> 00:04:55,850

Internet

49

00:05:02,080 --> 00:04:59,000

she is at the location checking on the

50

00:05:05,800 --> 00:05:02,090

stories interviewing witnesses it is

51  
00:05:08,200 --> 00:05:05,810  
amazing and I think that you guys would

52  
00:05:11,380 --> 00:05:08,210  
really enjoy supporting her so check out

53  
00:05:14,500 --> 00:05:11,390  
her Facebook page we have it up on the

54  
00:05:16,960 --> 00:05:14,510  
screen here and we're gonna come back

55  
00:05:19,840 --> 00:05:16,970  
and without any further ado we're gonna

56  
00:05:23,500 --> 00:05:19,850  
bring in our guest tonight Rachel

57  
00:05:24,580 --> 00:05:23,510  
Hoffman I've got a ton of see here I've

58  
00:05:26,710 --> 00:05:24,590  
got some notes

59  
00:05:28,900 --> 00:05:26,720  
I've actually got notes here in

60  
00:05:32,380 --> 00:05:28,910  
questions I'll try not to get

61  
00:05:35,710 --> 00:05:32,390  
sidetracked and folks let's welcome

62  
00:05:41,260 --> 00:05:35,720  
Rachel Hoffman hi Rachel

63  
00:05:42,790 --> 00:05:41,270

hi thank you for having me I can't tell

64

00:05:44,680 --> 00:05:42,800

you how happy I am to finally get to

65

00:05:47,560 --> 00:05:44,690

talk to you I've got a lot of questions

66

00:05:54,010 --> 00:05:47,570

but the first question that I had was oh

67

00:05:56,740 --> 00:05:54,020

you're in your bus yeah that's the other

68

00:05:58,629 --> 00:05:56,750

girl I have this cabin and my second

69

00:06:01,029 --> 00:05:58,639

choice before building the cabin was to

70

00:06:03,010 --> 00:06:01,039

convert a school bus rachel has this

71

00:06:05,830 --> 00:06:03,020

awesome school bus that she converted

72

00:06:06,310 --> 00:06:05,840

little by little and also shared that

73

00:06:10,510 --> 00:06:06,320

journey

74

00:06:12,250 --> 00:06:10,520

Rachel thank you yeah it's been it's

75

00:06:14,500 --> 00:06:12,260

still a journey it's still going on I'm

76

00:06:16,180 --> 00:06:14,510

still you know the electric and the

77

00:06:19,420 --> 00:06:16,190

plumbing and stuff and

78

00:06:21,550 --> 00:06:19,430

a lot goes into it yeah I filed a lot of

79

00:06:24,580 --> 00:06:21,560

school Facebook pages so I know what

80

00:06:26,350 --> 00:06:24,590

kind of work that is the other big

81

00:06:31,210 --> 00:06:26,360

question that I wanted to have for you

82

00:06:33,610 --> 00:06:31,220

was let me see oh there we go that's

83

00:06:34,090 --> 00:06:33,620

probably better and I could see you much

84

00:06:37,240 --> 00:06:34,100

better

85

00:06:40,540 --> 00:06:37,250

hi so how did you get into all this

86

00:06:42,850 --> 00:06:40,550

ghost hunting stuff and when did you

87

00:06:44,950 --> 00:06:42,860

start and what because you're like

88

00:06:47,500 --> 00:06:44,960

obsessed with this stuff like I'm

89

00:06:49,930 --> 00:06:47,510

obsessed with certain things right yeah

90

00:06:51,760 --> 00:06:49,940

absolutely yeah I feel like I was I mean

91

00:06:54,670 --> 00:06:51,770

people say they're born into things and

92

00:06:57,640 --> 00:06:54,680

I think sometimes we are you know our

93

00:06:59,290 --> 00:06:57,650

fate twists in different ways but I had

94

00:07:08,410 --> 00:06:59,300

an imaginary friend when I was younger

95

00:07:10,540 --> 00:07:08,420

and her name was Maybelle but she hadn't

96

00:07:12,400 --> 00:07:10,550

of me this is an amazing story so she

97

00:07:14,920 --> 00:07:12,410

had an imaginary friend when she was

98

00:07:16,390 --> 00:07:14,930

younger go ahead and reach oh so I had

99

00:07:18,820 --> 00:07:16,400

an imaginary friend and her name was

100

00:07:21,520 --> 00:07:18,830

Maybelle and when I got a little bit

101  
00:07:24,340 --> 00:07:21,530  
older we actually found her tombstone in

102  
00:07:26,380 --> 00:07:24,350  
my yard and we had to scrape the moss

103  
00:07:28,780 --> 00:07:26,390  
off of it and my family was like how did

104  
00:07:31,120 --> 00:07:28,790  
you know her name was Maybelle because

105  
00:07:32,740 --> 00:07:31,130  
it was underneath you know the heavy

106  
00:07:35,770 --> 00:07:32,750  
moss that we scrape off pretty much

107  
00:07:38,350 --> 00:07:35,780  
every year but my imaginary friend was

108  
00:07:39,370 --> 00:07:38,360  
actually buried in my yard that is a

109  
00:07:41,890 --> 00:07:39,380  
little scary

110  
00:07:44,200 --> 00:07:41,900  
we're in parents freaked out did they

111  
00:07:46,780 --> 00:07:44,210  
think maybe you'd solve it you know

112  
00:07:49,720 --> 00:07:46,790  
somehow saw the gravestone earlier cuz I

113  
00:07:52,150 --> 00:07:49,730

she's got pictures of the gravestone and

114

00:07:53,470 --> 00:07:52,160

her dad your dad was into this stuff too

115

00:07:55,000 --> 00:07:53,480

right so maybe he kind of got you

116

00:07:57,700 --> 00:07:55,010

started off you seem like a cool guy

117

00:08:00,240 --> 00:07:57,710

he's like charging crystals in his front

118

00:08:05,470 --> 00:08:00,250

yard and sorry he's a little new agey

119

00:08:06,850 --> 00:08:05,480

but cool yeah definitely it's just it's

120

00:08:09,400 --> 00:08:06,860

something that we've always done and

121

00:08:11,530 --> 00:08:09,410

we're Native American so we have a bunch

122

00:08:13,240 --> 00:08:11,540

of totem poles in our yard a lot of

123

00:08:15,760 --> 00:08:13,250

overgrowth in our yard as you may have

124

00:08:17,590 --> 00:08:15,770

seen so ever the we were the only ones

125

00:08:19,390 --> 00:08:17,600

who ever lived there so it was very like

126

00:08:22,060 --> 00:08:19,400

almost virgin ground from the time that

127

00:08:25,120 --> 00:08:22,070

Maybelle was buried over there so we're

128

00:08:27,430 --> 00:08:25,130

like her adopted family oh you know

129

00:08:29,140 --> 00:08:27,440

before I forget to Rachel this is

130

00:08:29,390 --> 00:08:29,150

totally unrelated to your appearance but

131

00:08:34,490 --> 00:08:29,400

the

132

00:08:36,500 --> 00:08:34,500

yesterday we did this kind of strange

133

00:08:39,140 --> 00:08:36,510

show and everybody's been joking all day

134

00:08:41,029 --> 00:08:39,150

on Twitter related to that show and just

135

00:08:42,589 --> 00:08:41,039

out of respect for my guests that I see

136

00:08:44,900 --> 00:08:42,599

people in the live chat nobody's done it

137

00:08:46,550 --> 00:08:44,910

yet but please guys no jokes about the

138

00:08:47,690 --> 00:08:46,560

subject matter yesterday or anything

139

00:08:49,970 --> 00:08:47,700

we've been joking about on Twitter

140

00:08:51,560 --> 00:08:49,980

because you know she's a female guest

141

00:08:53,360 --> 00:08:51,570

and I don't know if she'll get the joke

142

00:08:56,810 --> 00:08:53,370

or understand what it's about the after

143

00:08:59,269 --> 00:08:56,820

day so I wanted to ask you about this

144

00:09:01,340 --> 00:08:59,279

Victorian house which is the last sort

145

00:09:03,230 --> 00:09:01,350

of thing on your Facebook you've been

146

00:09:04,550 --> 00:09:03,240

there like 10 times can you tell us a

147

00:09:06,410 --> 00:09:04,560

little bit about that house and its

148

00:09:08,840 --> 00:09:06,420

history and why you keep going back

149

00:09:11,390 --> 00:09:08,850

there that house is absolutely

150

00:09:13,670 --> 00:09:11,400

enchanting I have been there through

151

00:09:16,190 --> 00:09:13,680

projects helping the the roof stay on

152

00:09:18,380 --> 00:09:16,200

and intact throughout the years I've

153

00:09:21,260 --> 00:09:18,390

tried to lend myself back to the

154

00:09:23,390 --> 00:09:21,270

paranormal and kind of go and do these

155

00:09:25,490 --> 00:09:23,400

lectures and give all the proceeds back

156

00:09:28,579 --> 00:09:25,500

to the Historical Society or to the

157

00:09:30,890 --> 00:09:28,589

locations and the Victorian mansion has

158

00:09:33,890 --> 00:09:30,900

always been high on my list of things to

159

00:09:35,840 --> 00:09:33,900

do it was on my bucket list initially

160

00:09:38,930 --> 00:09:35,850

and I felt totally blessed that I was

161

00:09:41,540 --> 00:09:38,940

able to go in and when I went in it I

162

00:09:43,579 --> 00:09:41,550

was surrounded by all females and I had

163

00:09:44,960 --> 00:09:43,589

done a few productions now that haven't

164

00:09:47,900 --> 00:09:44,970

really made it to fruition over the

165

00:09:49,400 --> 00:09:47,910

years stories about Maybelle and

166

00:09:51,650 --> 00:09:49,410

different things like that that have

167

00:09:54,590 --> 00:09:51,660

been recorded and one of the sessions

168

00:09:56,210 --> 00:09:54,600

were actually recorded there so I got to

169

00:09:58,730 --> 00:09:56,220

meet the ladies and we have a really

170

00:10:01,460 --> 00:09:58,740

tight bond after all these years and

171

00:10:03,500 --> 00:10:01,470

I've watched the house be developed in

172

00:10:05,120 --> 00:10:03,510

the accurate direction to keep it

173

00:10:08,360 --> 00:10:05,130

growing and turn it into a

174

00:10:11,720 --> 00:10:08,370

bed-and-breakfast shortly and each room

175

00:10:13,640 --> 00:10:11,730

is so amazing I hope that each person

176

00:10:15,079 --> 00:10:13,650

that you know wants that and that's on

177

00:10:17,660 --> 00:10:15,089

the bucket list gets a chance to go

178

00:10:19,550 --> 00:10:17,670

there it's just incredible yeah it's

179

00:10:22,220 --> 00:10:19,560

like it's like a Victorian house that

180

00:10:23,870 --> 00:10:22,230

they are fully restored right like piece

181

00:10:25,130 --> 00:10:23,880

by piece like every room looks like it's

182

00:10:28,130 --> 00:10:25,140

out of the 1800s

183

00:10:31,699 --> 00:10:28,140

yeah and they did an amazing job you

184

00:10:33,590 --> 00:10:31,709

know restoration is never easy getting

185

00:10:36,560 --> 00:10:33,600

things back to looking like they're from

186

00:10:39,350 --> 00:10:36,570

early 1900s can be a difficult process

187

00:10:41,569 --> 00:10:39,360

and they did smashing it's just

188

00:10:41,910 --> 00:10:41,579

beautiful and can you tell us a little

189

00:10:44,730 --> 00:10:41,920

bit

190

00:10:47,600 --> 00:10:44,740

about the ghost activity there each and

191

00:10:49,829 --> 00:10:47,610

every room has its own enchanted story

192

00:10:51,600 --> 00:10:49,839

there was a man that actually

193

00:10:55,560 --> 00:10:51,610

spontaneously combusted in one of the

194

00:10:57,360 --> 00:10:55,570

rooms and we are yeah it was you can

195

00:10:58,500 --> 00:10:57,370

smell the burning I mean when you get in

196

00:11:01,620 --> 00:10:58,510

there and you really get in the

197

00:11:04,050 --> 00:11:01,630

environment you get in the in the you

198

00:11:07,500 --> 00:11:04,060

know each room you can actually kind of

199

00:11:09,629 --> 00:11:07,510

relive the past and it comes alive in

200

00:11:12,590 --> 00:11:09,639

all your senses you can see it you can

201  
00:11:15,480 --> 00:11:12,600  
smell it hear it feel it you know so

202  
00:11:17,790 --> 00:11:15,490  
each room has its own little kind of

203  
00:11:20,879 --> 00:11:17,800  
component the Burning Man was one room

204  
00:11:23,879 --> 00:11:20,889  
the basement the pelvis of a young girl

205  
00:11:27,480 --> 00:11:23,889  
was found in the in the lower chimney

206  
00:11:28,769 --> 00:11:27,490  
area the skeletal remains right yeah and

207  
00:11:30,449 --> 00:11:28,779  
they knew it was a fan heard somebody

208  
00:11:31,889 --> 00:11:30,459  
asked you in that video right they knew

209  
00:11:34,530 --> 00:11:31,899  
it was a female because the pelvic bone

210  
00:11:37,769 --> 00:11:34,540  
is different in a woman I learned

211  
00:11:42,840 --> 00:11:37,779  
something I know a little bit more

212  
00:11:44,670 --> 00:11:42,850  
forensic science and what else is going

213  
00:11:46,680 --> 00:11:44,680

on in there you said every room has

214

00:11:49,710 --> 00:11:46,690

something weird right yeah every room

215

00:11:51,269 --> 00:11:49,720

has something weird and there was a room

216

00:11:53,370 --> 00:11:51,279

that was meant for the children that was

217

00:11:55,170 --> 00:11:53,380

a nursery that was later you know kind

218

00:11:56,460 --> 00:11:55,180

of renovated and me and my sister were

219

00:11:58,710 --> 00:11:56,470

in there and she was six months pregnant

220

00:12:01,139 --> 00:11:58,720

and the doll that didn't talk actually

221

00:12:04,380 --> 00:12:01,149

said mama when she picked it up so and

222

00:12:06,810 --> 00:12:04,390

she's a skeptic so she was thrown for a

223

00:12:09,000 --> 00:12:06,820

loop I'm not a fan of creepy dolls I

224

00:12:12,810 --> 00:12:09,010

don't like creepy dolls definitely not

225

00:12:15,269 --> 00:12:12,820

not on your list do you think it's past

226

00:12:16,740 --> 00:12:15,279

residents of the house that is the ghost

227

00:12:18,150 --> 00:12:16,750

activity and that's really a big

228

00:12:19,829 --> 00:12:18,160

question I was going to ask you you you

229

00:12:23,340 --> 00:12:19,839

or one of the people that believe that

230

00:12:24,240 --> 00:12:23,350

ghosts are departed human spirits right

231

00:12:26,280 --> 00:12:24,250

that may be right

232

00:12:29,040 --> 00:12:26,290

I believe that ghosts are made of their

233

00:12:31,230 --> 00:12:29,050

own kind of DNA I I'm actually writing a

234

00:12:33,780 --> 00:12:31,240

book on quantum physics that's related

235

00:12:36,150 --> 00:12:33,790

closely to why we are able to see this

236

00:12:39,210 --> 00:12:36,160

kind of unresolved matter that is a

237

00:12:41,370 --> 00:12:39,220

ghost we're not able to indefinitely say

238

00:12:45,180 --> 00:12:41,380

what it is but we can definitely say

239

00:12:48,240 --> 00:12:45,190

that it's material of some kind Wow and

240

00:12:50,280 --> 00:12:48,250

I wanted to ask you what do you think

241

00:12:52,439 --> 00:12:50,290

I've read a lot about some of these

242

00:12:54,710 --> 00:12:52,449

haunted houses that the activity is not

243

00:12:56,900 --> 00:12:54,720

human spirits what demon activity

244

00:12:59,720 --> 00:12:56,910

have you run into that much cuz that's

245

00:13:01,850 --> 00:12:59,730

Terry got that stuff this guy grew up

246

00:13:05,470 --> 00:13:01,860

and like The Exorcist scared me so much

247

00:13:08,840 --> 00:13:05,480

like and all this demonic possession and

248

00:13:10,670 --> 00:13:08,850

oppressed houses I grew up with with a

249

00:13:13,249 --> 00:13:10,680

friend whose father was a Christian

250

00:13:14,569 --> 00:13:13,259

minister he swore that the parsonage or

251  
00:13:17,480 --> 00:13:14,579  
the house that the minister at that

252  
00:13:19,309 --> 00:13:17,490  
church stayed in was oppressed not

253  
00:13:20,869 --> 00:13:19,319  
possessed but oppressed by demons

254  
00:13:22,220 --> 00:13:20,879  
because there was some kind of activity

255  
00:13:24,590 --> 00:13:22,230  
going on in the house that they couldn't

256  
00:13:27,470 --> 00:13:24,600  
explain knocking in shadows and

257  
00:13:28,759 --> 00:13:27,480  
weirdness I know is that too it's funny

258  
00:13:30,860 --> 00:13:28,769  
that you say that but a lot of people

259  
00:13:33,079 --> 00:13:30,870  
that are on the Bible Belt seem to

260  
00:13:36,379 --> 00:13:33,089  
experience a lot more demonic activity

261  
00:13:38,480 --> 00:13:36,389  
but a lot of people also ask ghosts

262  
00:13:40,220 --> 00:13:38,490  
throw things break things to make

263  
00:13:42,170 --> 00:13:40,230

themselves known and then as soon as

264

00:13:50,809 --> 00:13:42,180

they do they're like oh my god even so I

265

00:13:53,150 --> 00:13:50,819

mean it gets thrown it doesn't make it a

266

00:13:56,179 --> 00:13:53,160

demon necessarily but I have seen

267

00:13:58,069 --> 00:13:56,189

different activity you know burn marks

268

00:14:01,160 --> 00:13:58,079

on people that are scratches that seem

269

00:14:03,860 --> 00:14:01,170

to come from the inside out injuries on

270

00:14:05,809 --> 00:14:03,870

children that's very common and I can

271

00:14:07,309 --> 00:14:05,819

see that you know there's bite marks

272

00:14:11,269 --> 00:14:07,319

that are from like what looks like a

273

00:14:13,400 --> 00:14:11,279

small child we've uncovered what seems

274

00:14:16,699 --> 00:14:13,410

to be demonic activity that disguises

275

00:14:21,350 --> 00:14:16,709

itself as a child so giggling laughing

276

00:14:22,910 --> 00:14:21,360

you know sure yeah bring you in and

277

00:14:25,129 --> 00:14:22,920

you've seen this kind of telekinetic

278

00:14:27,920 --> 00:14:25,139

stuff from across the room and kind of

279

00:14:31,009 --> 00:14:27,930

weirdness like that I have seen a lot of

280

00:14:33,230 --> 00:14:31,019

activity that can't be explained and

281

00:14:36,170 --> 00:14:33,240

fortunately I always have some kind of a

282

00:14:38,449 --> 00:14:36,180

camera crew or some kind of equipment

283

00:14:41,569 --> 00:14:38,459

running when this is going on so I have

284

00:14:46,100 --> 00:14:41,579

you know 13 years of heavily validated

285

00:14:48,410 --> 00:14:46,110

experiences Wow and as you believe that

286

00:14:51,319 --> 00:14:48,420

you've encountered some activity that

287

00:14:54,049 --> 00:14:51,329

was demonic and not human to see spirits

288

00:14:57,350 --> 00:14:54,059

and and how do you as how do you as an

289

00:14:59,269 --> 00:14:57,360

investigator know the difference I can

290

00:15:01,699 --> 00:14:59,279

definitely feel a difference when I

291

00:15:05,269 --> 00:15:01,709

enter into a house that potentially has

292

00:15:08,420 --> 00:15:05,279

something deeper going on

293

00:15:11,239 --> 00:15:08,430

noticed that the energy is it could be

294

00:15:13,189 --> 00:15:11,249

freezing cold or very high it always

295

00:15:15,619 --> 00:15:13,199

maintains an uncomfortable level when

296

00:15:18,319 --> 00:15:15,629

it's something that's not human

297

00:15:20,179 --> 00:15:18,329

lorraine warren a predecessor of ours

298

00:15:23,299 --> 00:15:20,189

and a paranormal used to call it inhuman

299

00:15:25,249 --> 00:15:23,309

and that was her word for it and so a

300

00:15:27,860 --> 00:15:25,259

lot of us have adapted that and it makes

301  
00:15:29,449 --> 00:15:27,870  
sense because these beings were never

302  
00:15:32,299 --> 00:15:29,459  
born they never lived and they never

303  
00:15:34,489 --> 00:15:32,309  
died they just existed it in almost a

304  
00:15:37,879 --> 00:15:34,499  
different realm so they weren't human

305  
00:15:40,189 --> 00:15:37,889  
ever okay so they were never incarnate

306  
00:15:42,049 --> 00:15:40,199  
in spirits but you know how I read

307  
00:15:45,499 --> 00:15:42,059  
somewhere that like some of these

308  
00:15:51,499 --> 00:15:45,509  
demonic entities will pretend to be a

309  
00:15:54,319 --> 00:15:51,509  
deceased human yeah people I have seen

310  
00:15:56,119 --> 00:15:54,329  
especially with Ouija boards a lot of

311  
00:15:59,179 --> 00:15:56,129  
people don't do the proper procedure to

312  
00:16:01,939 --> 00:15:59,189  
open and close and they open a doorway

313  
00:16:04,910 --> 00:16:01,949

and I do hear a lot of feedback coming

314

00:16:09,110 --> 00:16:04,920

back that you know was something dark

315

00:16:11,600 --> 00:16:09,120

pretending to be their Aunt Martha yeah

316

00:16:14,660 --> 00:16:11,610

it can be pretty bad and you mentioned

317

00:16:17,929 --> 00:16:14,670

that Lorraine person is that conjuring

318

00:16:19,579 --> 00:16:17,939

yes she's the main character but she was

319

00:16:22,490 --> 00:16:19,589

the one that was the stories were

320

00:16:25,100 --> 00:16:22,500

written after and yeah like an

321

00:16:28,369 --> 00:16:25,110

interesting lady I have a couple of

322

00:16:30,499 --> 00:16:28,379

books either mention her or talk about

323

00:16:32,629 --> 00:16:30,509

some stuff that she was involved in with

324

00:16:34,100 --> 00:16:32,639

her husband and they both investigate

325

00:16:36,799 --> 00:16:34,110

this stuff and they kept like haunted

326

00:16:39,829 --> 00:16:36,809

objects in their house that's right I'm

327

00:16:41,960 --> 00:16:39,839

crazy yeah she was I mean she was

328

00:16:43,490 --> 00:16:41,970

amazing Edie Edie Lorraine Warren I've

329

00:16:45,559 --> 00:16:43,500

investigated with her and I've had the

330

00:16:48,650 --> 00:16:45,569

pleasure of being in her home and in the

331

00:16:50,240 --> 00:16:48,660

occult museum with the and bailed off so

332

00:16:53,329 --> 00:16:50,250

that was when it was a full working

333

00:16:55,189 --> 00:16:53,339

museum and I have several pieces I'm

334

00:16:57,079 --> 00:16:55,199

nice allow us to go through and film and

335

00:16:58,730 --> 00:16:57,089

everything else so I was extremely

336

00:17:00,559 --> 00:16:58,740

fortunate at the time because I know

337

00:17:02,840 --> 00:17:00,569

that they've cut off that activity since

338

00:17:06,139 --> 00:17:02,850

then it was in Connecticut and she used

339

00:17:11,389 --> 00:17:06,149

to bring us over to Ed's grave and the

340

00:17:14,360 --> 00:17:11,399

Stephanies cemetery and we actually

341

00:17:17,689 --> 00:17:14,370

caught orbs with her and and Ed in the

342

00:17:18,540 --> 00:17:17,699

picture and it was like I used to print

343

00:17:20,280 --> 00:17:18,550

them every year and go

344

00:17:22,260 --> 00:17:20,290

I can give them to her and have a

345

00:17:31,830 --> 00:17:22,270

spaghetti dinner with her and it was all

346

00:17:34,650 --> 00:17:31,840

very normal yeah I'm wondering now did

347

00:17:36,240 --> 00:17:34,660

you talk to her about this you know I

348

00:17:38,340 --> 00:17:36,250

think it's a honey in Connecticut and

349

00:17:39,870 --> 00:17:38,350

Annabelle did she feel Azure accurate

350

00:17:42,930 --> 00:17:39,880

depictions or did they just Hollywood

351  
00:17:46,950 --> 00:17:42,940  
the story up too much because I love

352  
00:17:49,470 --> 00:17:46,960  
this so I agree yeah and they are

353  
00:17:52,020 --> 00:17:49,480  
I have live interviews with her where

354  
00:17:54,090 --> 00:17:52,030  
I'm asking her basically a week after

355  
00:17:55,620 --> 00:17:54,100  
the Annabelle movie was released before

356  
00:17:58,380 --> 00:17:55,630  
they even realized they were doing the

357  
00:18:00,600 --> 00:17:58,390  
next movie oh there I think it was the

358  
00:18:02,120 --> 00:18:00,610  
conjuring first before they realized

359  
00:18:04,860 --> 00:18:02,130  
that they were releasing the next movie

360  
00:18:07,710 --> 00:18:04,870  
she actually had done an interview with

361  
00:18:10,050 --> 00:18:07,720  
me only like a week after it had been

362  
00:18:12,960 --> 00:18:10,060  
let out and she let out two parts of the

363  
00:18:15,420 --> 00:18:12,970

story he wasn't supposed to and but she

364

00:18:17,310 --> 00:18:15,430

also did say other than the the stairs

365

00:18:19,320 --> 00:18:17,320

where she's falling down the stairs that

366

00:18:33,630 --> 00:18:19,330

that spiral stair obviously she couldn't

367

00:18:36,150 --> 00:18:33,640

fall 17 stories and laughter or right

368

00:18:41,010 --> 00:18:36,160

now the Annabelle doll is on tour with

369

00:18:44,130 --> 00:18:41,020

Tony Sparrow the her suicide sure her

370

00:18:47,580 --> 00:18:44,140

son-in-law yes so he's been married to

371

00:18:49,470 --> 00:18:47,590

her daughter for quite some time and so

372

00:18:52,050 --> 00:18:49,480

now he kind of carries on the legend and

373

00:18:56,730 --> 00:18:52,060

lets people see it and view her and tell

374

00:19:00,180 --> 00:18:56,740

the story yeah I don't know that is just

375

00:19:02,250 --> 00:19:00,190

a creepy the whole story is crazy and so

376

00:19:04,380 --> 00:19:02,260

do you believe that that a spirit or

377

00:19:07,350 --> 00:19:04,390

demon can possess an object like a doll

378

00:19:09,150 --> 00:19:07,360

or like a did it box that's another

379

00:19:12,300 --> 00:19:09,160

story that I think I'm gonna do because

380

00:19:14,550 --> 00:19:12,310

that's amazing story I do believe that

381

00:19:17,780 --> 00:19:14,560

we can actually put life into something

382

00:19:21,090 --> 00:19:17,790

by loving it so I'm a big believer in

383

00:19:24,240 --> 00:19:21,100

like the an inanimate object having life

384

00:19:26,460 --> 00:19:24,250

only because we're able to for example

385

00:19:28,530 --> 00:19:26,470

if you ever had a necklace from your

386

00:19:30,420 --> 00:19:28,540

grandmother and you lost it and suddenly

387

00:19:32,280 --> 00:19:30,430

the necklace found you again it's

388

00:19:32,520 --> 00:19:32,290

because the object actually knows that

389

00:19:35,910 --> 00:19:32,530

it

390

00:19:37,710 --> 00:19:35,920

to you so I do believe that we can love

391

00:19:39,510 --> 00:19:37,720

something and cherish something enough

392

00:19:41,700 --> 00:19:39,520

to actually almost breathe a heartbeat

393

00:19:43,470 --> 00:19:41,710

into it I know that I've lost things

394

00:19:49,970 --> 00:19:43,480

that mean something to me and it like

395

00:19:55,100 --> 00:19:52,440

yeah it can be common with cars it can

396

00:19:57,330 --> 00:19:55,110

be common with you know and I see people

397

00:20:00,030 --> 00:19:57,340

vehicles oh no that's fine

398

00:20:03,750 --> 00:20:00,040

I see people want their vehicles I see

399

00:20:05,430 --> 00:20:03,760

people hunt their jewelry pawn things

400

00:20:09,990 --> 00:20:05,440

that meant something them hunter houses

401  
00:20:11,370 --> 00:20:10,000  
houses are just a big object well I have

402  
00:20:13,170 --> 00:20:11,380  
a question here that's kind of a weird

403  
00:20:15,780 --> 00:20:13,180  
one I always see you go into these

404  
00:20:17,970 --> 00:20:15,790  
houses like totally welcoming all this

405  
00:20:21,270 --> 00:20:17,980  
experiences like you're just fearless

406  
00:20:23,790 --> 00:20:21,280  
and I got to tell you that some of those

407  
00:20:25,470 --> 00:20:23,800  
places and things that you experience I

408  
00:20:27,930 --> 00:20:25,480  
think I would turn around and run to the

409  
00:20:29,550 --> 00:20:27,940  
car as their everything and I want to

410  
00:20:32,220 --> 00:20:29,560  
know has there ever been one where you

411  
00:20:33,720 --> 00:20:32,230  
went I'm getting out of here the only

412  
00:20:35,430 --> 00:20:33,730  
ones that I've ever gotten out of there

413  
00:20:39,270 --> 00:20:35,440

was when I ran into like homeless people

414

00:20:42,360 --> 00:20:39,280

or rain or tree yeah so like the living

415

00:20:44,340 --> 00:20:42,370

scare me more than the dead but yeah

416

00:20:46,290 --> 00:20:44,350

it's funny when I was a kid growing up

417

00:20:47,940 --> 00:20:46,300

there was this big huge abandoned church

418

00:20:49,830 --> 00:20:47,950

and it's been abandoned the roof was

419

00:20:52,620 --> 00:20:49,840

caving in and like us kids you still

420

00:20:54,690 --> 00:20:52,630

like rip the wood out of the like

421

00:20:56,370 --> 00:20:54,700

basement windows and get in there with

422

00:20:57,990 --> 00:20:56,380

flashlights and like there's a homeless

423

00:21:00,210 --> 00:20:58,000

guy in there and me and this girl were

424

00:21:04,740 --> 00:21:00,220

in there these pigeons flew we ran out

425

00:21:07,200 --> 00:21:04,750

of there yeah yeah I'll never forget the

426

00:21:09,120 --> 00:21:07,210

pigeons flying in this big chapel and

427

00:21:10,920 --> 00:21:09,130

they'd scared the crap out of both of us

428

00:21:12,720 --> 00:21:10,930

you know we got out of there but then we

429

00:21:14,610 --> 00:21:12,730

were in the other part of the church and

430

00:21:16,560 --> 00:21:14,620

there was a homeless guy sleeping in one

431

00:21:19,650 --> 00:21:16,570

of the rooms or something and we weren't

432

00:21:22,080 --> 00:21:19,660

expecting a human you know so we got out

433

00:21:24,060 --> 00:21:22,090

of there right away that can be pretty

434

00:21:25,530 --> 00:21:24,070

scary you know you want to be on guard

435

00:21:28,530 --> 00:21:25,540

stuff like that and I go into a lot of

436

00:21:31,290 --> 00:21:28,540

these places by myself completely so I

437

00:21:33,330 --> 00:21:31,300

do it for the experience and also for

438

00:21:35,460 --> 00:21:33,340

the activity and also it's hard to pin

439

00:21:37,230 --> 00:21:35,470

people down to get them to go to these

440

00:21:40,490 --> 00:21:37,240

abandoned places with me they're like

441

00:21:42,590 --> 00:21:40,500

hell no yeah I don't know

442

00:21:45,080 --> 00:21:42,600

I'm very intrigued by what you do but I

443

00:21:46,730 --> 00:21:45,090

don't think I want to go with you notice

444

00:21:48,680 --> 00:21:46,740

creepier places you've been you've been

445

00:21:50,810 --> 00:21:48,690

to some places that look like you know

446

00:21:53,390 --> 00:21:50,820

totally abandoned and beaten down and

447

00:21:55,730 --> 00:21:53,400

run down the do you just kind of follow

448

00:21:57,620 --> 00:21:55,740

leads that people give you for places to

449

00:21:59,930 --> 00:21:57,630

go check it out or work and see what it

450

00:22:02,390 --> 00:21:59,940

what's going on there yeah there been

451  
00:22:03,620 --> 00:22:02,400  
times that I have done that I've been

452  
00:22:05,660 --> 00:22:03,630  
invited to a lot of places for

453  
00:22:07,670 --> 00:22:05,670  
charitable causes after I was on the

454  
00:22:09,920 --> 00:22:07,680  
Travel Channel I got really lucky and

455  
00:22:13,430 --> 00:22:09,930  
had a lot of people reach out to me and

456  
00:22:15,440 --> 00:22:13,440  
ask me to come do lectures or you know

457  
00:22:17,270 --> 00:22:15,450  
do little things for their for their

458  
00:22:20,350 --> 00:22:17,280  
building and their location and so when

459  
00:22:26,480 --> 00:22:20,360  
I did they gave me access afterwards so

460  
00:22:29,120 --> 00:22:26,490  
yeah tours and kind of have like you

461  
00:22:31,340 --> 00:22:29,130  
know free run of the place and it's been

462  
00:22:34,490 --> 00:22:31,350  
amazing so a lot of opportunities did

463  
00:22:38,180 --> 00:22:34,500

open up to me going into places really

464

00:22:39,350 --> 00:22:38,190

hard to have people like rationalize

465

00:22:49,130 --> 00:22:39,360

with you when you're saying hey I want

466

00:22:53,480 --> 00:22:49,140

to come in into a cosign yeah so now I

467

00:22:54,950 --> 00:22:53,490

say I want to do a historical research

468

00:22:57,320 --> 00:22:54,960

on your building more than anything so

469

00:22:59,900 --> 00:22:57,330

that they're not spooked out by the

470

00:23:03,290 --> 00:22:59,910

activity possibly and then or whatever

471

00:23:07,580 --> 00:23:03,300

you catch you catch yeah I have another

472

00:23:09,320 --> 00:23:07,590

question here I I ordered like about

473

00:23:11,090 --> 00:23:09,330

restless spirits and do you think that

474

00:23:13,340 --> 00:23:11,100

some of these some of this activity is

475

00:23:15,410 --> 00:23:13,350

restless spirits that maybe didn't

476

00:23:17,090 --> 00:23:15,420

finish something or they they haven't I

477

00:23:19,160 --> 00:23:17,100

mean is that the belief that you

478

00:23:22,580 --> 00:23:19,170

subscribe to that ghosts or sort of

479

00:23:24,110 --> 00:23:22,590

earthbound and trapped here between one

480

00:23:26,540 --> 00:23:24,120

ground in the next door what do you

481

00:23:29,950 --> 00:23:26,550

think about this are there restless

482

00:23:33,260 --> 00:23:29,960

spirits waiting waiting on earth still I

483

00:23:35,180 --> 00:23:33,270

actually have a unique perspective on

484

00:23:37,460 --> 00:23:35,190

that but I just think I don't really

485

00:23:39,320 --> 00:23:37,470

believe necessarily that were ever stuck

486

00:23:41,120 --> 00:23:39,330

here actually my grandmother passed away

487

00:23:43,130 --> 00:23:41,130

I think she like went to Saturn she was

488

00:23:45,080 --> 00:23:43,140

I was kind of like trying to see what

489

00:23:47,780 --> 00:23:45,090

she saw but we're not really earthbound

490

00:23:50,090 --> 00:23:47,790

at all really were we're only bound by

491

00:23:52,019 --> 00:23:50,100

what we believe you know like a lot of

492

00:23:53,909 --> 00:23:52,029

people think that you have to die

493

00:23:56,099 --> 00:23:53,919

somewhere to haunt that place but the

494

00:23:57,779 --> 00:23:56,109

fact is that you're free your spirit is

495

00:24:00,629 --> 00:23:57,789

finally free you're no longer bound to

496

00:24:02,789 --> 00:24:00,639

this meatsuit and you can kind of bounce

497

00:24:05,399 --> 00:24:02,799

from place to place we're not really you

498

00:24:07,979 --> 00:24:05,409

know stuck anywhere I do believe in

499

00:24:09,899 --> 00:24:07,989

there's a star in the universe when

500

00:24:12,779 --> 00:24:09,909

someone gets murdered or when someone is

501  
00:24:16,560 --> 00:24:12,789  
taken quickly a car accident unexpected

502  
00:24:17,909 --> 00:24:16,570  
death that there are times where they'll

503  
00:24:20,249 --> 00:24:17,919  
go back to the same place at 3 o'clock

504  
00:24:23,489 --> 00:24:20,259  
every day and their spirit will be

505  
00:24:25,889 --> 00:24:23,499  
present the sound of their death will be

506  
00:24:28,320 --> 00:24:25,899  
in the air but it's really not them as

507  
00:24:36,109 --> 00:24:28,330  
an intelligent spirit it's more residual

508  
00:24:38,909 --> 00:24:36,119  
like that's what we heard that before

509  
00:24:41,279 --> 00:24:38,919  
and the spirits that I run into like

510  
00:24:42,749 --> 00:24:41,289  
Maybelle she's intelligent she was three

511  
00:24:44,909 --> 00:24:42,759  
years five months and eight days old

512  
00:24:47,159 --> 00:24:44,919  
according to her tombstone but she's

513  
00:24:49,200 --> 00:24:47,169

mature now and I can talk to her and she

514

00:24:51,149 --> 00:24:49,210

actually has conversations with me so

515

00:24:53,269 --> 00:24:51,159

she actually is intelligent and grew up

516

00:24:55,950 --> 00:24:53,279

a little bit whereas some of these

517

00:24:59,639 --> 00:24:55,960

spirits that I run into are more that

518

00:25:01,499 --> 00:24:59,649

echo that you you know describe and it's

519

00:25:03,299 --> 00:25:01,509

just like walking through a spiderweb

520

00:25:05,759 --> 00:25:03,309

you know like you just happen to walk

521

00:25:07,409 --> 00:25:05,769

through that space and catch that

522

00:25:10,320 --> 00:25:07,419

activity during that point

523

00:25:11,759 --> 00:25:10,330

oh and that leads me to another question

524

00:25:13,709 --> 00:25:11,769

I had in my listing you set me up

525

00:25:15,779 --> 00:25:13,719

perfectly for it I wanted to ask you if

526

00:25:17,609 --> 00:25:15,789

you still talk to this imaginary friend

527

00:25:19,680 --> 00:25:17,619

and what's that like now that you know

528

00:25:23,369 --> 00:25:19,690

that she's deceased spirit like how do

529

00:25:25,109 --> 00:25:23,379

you how do you I don't know deal with

530

00:25:26,729 --> 00:25:25,119

that a brain like that you had an

531

00:25:28,469 --> 00:25:26,739

imaginary friend yeah I know it's a

532

00:25:34,680 --> 00:25:28,479

deceased spirit you're able to speak to

533

00:25:36,479 --> 00:25:34,690

her communicate with her I was 30 years

534

00:25:39,209 --> 00:25:36,489

old the first time that I held a digital

535

00:25:40,979 --> 00:25:39,219

recorder and actually used it and she

536

00:25:42,690 --> 00:25:40,989

was the first voice that came through

537

00:25:45,509 --> 00:25:42,700

she was you know and I recognized the

538

00:25:48,930 --> 00:25:45,519

voice from my childhood so you've got

539

00:25:50,579 --> 00:25:48,940

some EVPs yes if you still have any kind

540

00:25:53,639 --> 00:25:50,589

of sentiment to me I played on my show I

541

00:25:55,739 --> 00:25:53,649

was no EVPs but remember one of my

542

00:25:57,719 --> 00:25:55,749

research projects lately

543

00:25:59,940 --> 00:25:57,729

I'm not sure though some of that stuff

544

00:26:02,610 --> 00:25:59,950

seems like it's baby monitors

545

00:26:05,190 --> 00:26:02,620

walkie talkies you know also there's a

546

00:26:06,389 --> 00:26:05,200

method and audio I became like I don't

547

00:26:08,639 --> 00:26:06,399

know if there's really an expert in the

548

00:26:11,100 --> 00:26:08,649

field or not but I learned through an

549

00:26:12,600 --> 00:26:11,110

expert um that there are ways that you

550

00:26:14,279 --> 00:26:12,610

do it you can't really walk around with

551  
00:26:16,710 --> 00:26:14,289  
your audio recorder because you catch a

552  
00:26:18,629 --> 00:26:16,720  
lot of it from your jeans and you know

553  
00:26:21,690 --> 00:26:18,639  
I've heard people like actually pretend

554  
00:26:24,000 --> 00:26:21,700  
to make up like words you know and I

555  
00:26:26,759 --> 00:26:24,010  
just don't buy into it that much until

556  
00:26:28,289 --> 00:26:26,769  
you put your recorder down you can say

557  
00:26:30,360 --> 00:26:28,299  
you know which room you're in hi I'm at

558  
00:26:32,399 --> 00:26:30,370  
the Victorian mansion I'm in room 1 you

559  
00:26:33,960 --> 00:26:32,409  
put your recorder down so there's a way

560  
00:26:35,250 --> 00:26:33,970  
to do it and then you run it for five

561  
00:26:36,899 --> 00:26:35,260  
minutes and then you play it back

562  
00:26:40,860 --> 00:26:36,909  
immediately it's called a first session

563  
00:26:42,120 --> 00:26:40,870

and it allows you the most accurate you

564

00:26:43,590 --> 00:26:42,130

know because you remember every little

565

00:26:45,090 --> 00:26:43,600

detail of where you were if somebody

566

00:26:48,090 --> 00:26:45,100

walked behind you if somebody coughed

567

00:26:49,889 --> 00:26:48,100

you're very much in the moment well and

568

00:26:52,019 --> 00:26:49,899

so do you think that some of these

569

00:26:53,430 --> 00:26:52,029

ghosts or entities are able to what do

570

00:26:55,500 --> 00:26:53,440

they do to get their voice on there

571

00:26:57,389 --> 00:26:55,510

manipulate the electromagnetic magnetic

572

00:26:59,610 --> 00:26:57,399

spectrum somehow or manipulate the

573

00:27:02,779 --> 00:26:59,620

recorder or actually create an audible

574

00:27:05,789 --> 00:27:02,789

sound that is actually being recorded

575

00:27:07,379 --> 00:27:05,799

I've actually heard tricks before and

576

00:27:09,570 --> 00:27:07,389

the unique thing that we can do now is

577

00:27:11,279 --> 00:27:09,580

we can stretch out the audio so I've

578

00:27:13,259 --> 00:27:11,289

actually heard like running water and

579

00:27:15,990 --> 00:27:13,269

when I stretch out the audio it's like

580

00:27:18,470 --> 00:27:16,000

hey Jack hey Jack it's me like I mean

581

00:27:23,610 --> 00:27:18,480

it's a whole huge sentence that you know

582

00:27:25,590 --> 00:27:23,620

yeah it's huge like so they are working

583

00:27:28,320 --> 00:27:25,600

at a very much higher speed and higher

584

00:27:30,659 --> 00:27:28,330

level than we are and if you're able to

585

00:27:32,850 --> 00:27:30,669

view your audio instead of just listen

586

00:27:34,350 --> 00:27:32,860

to it you can see the sound waves you'll

587

00:27:36,539 --> 00:27:34,360

notice that there are times whether be a

588

00:27:39,060 --> 00:27:36,549

little hiccup that you didn't hear that

589

00:27:40,889 --> 00:27:39,070

you're not reacting and if you go down

590

00:27:43,289 --> 00:27:40,899

you like kind of quarantine it and

591

00:27:44,730 --> 00:27:43,299

stretch it out you start to realize

592

00:27:47,970 --> 00:27:44,740

there's a whole sentence inside that

593

00:27:49,620 --> 00:27:47,980

little blip well that's creepy did you

594

00:27:51,389 --> 00:27:49,630

like you like find this stuff later

595

00:27:52,860 --> 00:27:51,399

unless you do that first session where

596

00:27:54,690 --> 00:27:52,870

you find out right away right because I

597

00:27:56,460 --> 00:27:54,700

know somebody that did these EVPs and he

598

00:27:57,389 --> 00:27:56,470

would take hours and hours of this stuff

599

00:28:00,810 --> 00:27:57,399

and then take it back

600

00:28:02,399 --> 00:28:00,820

and analyze it later you know right and

601  
00:28:04,470 --> 00:28:02,409  
people do that and that's smarter to do

602  
00:28:06,060 --> 00:28:04,480  
just in case that there's that one jump

603  
00:28:08,369 --> 00:28:06,070  
scare at that moment where somebody's

604  
00:28:11,580 --> 00:28:08,379  
like hey I heard that at that moment the

605  
00:28:13,580 --> 00:28:11,590  
problem with hours of audio is if you do

606  
00:28:15,950 --> 00:28:13,590  
an 8 hour

607  
00:28:18,529 --> 00:28:15,960  
somewhere that's hours and hours to

608  
00:28:20,029 --> 00:28:18,539  
review that's really it's a whole you

609  
00:28:23,440 --> 00:28:20,039  
know you can only do so much before you

610  
00:28:26,480 --> 00:28:23,450  
start getting like tunnel vision I do I

611  
00:28:28,820 --> 00:28:26,490  
was a musician and ran a studio so I

612  
00:28:31,100 --> 00:28:28,830  
agree with you except in my case it was

613  
00:28:32,960 --> 00:28:31,110

it was trying to mix terrible punk rock

614

00:28:35,810 --> 00:28:32,970

bands to sounds list for eight hours at

615

00:28:39,769 --> 00:28:35,820

a time why am i why am i singing out of

616

00:28:41,990 --> 00:28:39,779

key because you did bro you know yeah so

617

00:28:43,850 --> 00:28:42,000

I have a question from the audience that

618

00:28:47,090 --> 00:28:43,860

I think is a great one and this is from

619

00:28:49,310 --> 00:28:47,100

super v-front chat she says has she had

620

00:28:54,710 --> 00:28:49,320

a spirit or strangeness attached to her

621

00:28:57,710 --> 00:28:54,720

after leaving and if so from where yes

622

00:29:00,289 --> 00:28:57,720

so I have had quite a few of those

623

00:29:02,180 --> 00:29:00,299

we called them paranormal hangovers when

624

00:29:05,060 --> 00:29:02,190

we get them and they come from different

625

00:29:08,630 --> 00:29:05,070

locations but I would say the the worst

626  
00:29:10,700 --> 00:29:08,640  
one that I had was I was the only team

627  
00:29:13,580 --> 00:29:10,710  
to investigate James Whitey Bulger

628  
00:29:15,919 --> 00:29:13,590  
x-bar' if I'm in the old triple O's and

629  
00:29:19,010 --> 00:29:15,929  
he was the second most wanted criminal

630  
00:29:21,200 --> 00:29:19,020  
in America at the time when I did it and

631  
00:29:22,909 --> 00:29:21,210  
when I went downstairs I noticed that

632  
00:29:25,269 --> 00:29:22,919  
there was this face of a little boy that

633  
00:29:27,710 --> 00:29:25,279  
looked mummified in the corner and

634  
00:29:29,409 --> 00:29:27,720  
instead of when the lights trick your

635  
00:29:31,610 --> 00:29:29,419  
eye instead of it becoming like

636  
00:29:33,769 --> 00:29:31,620  
something that was an object it became

637  
00:29:35,720 --> 00:29:33,779  
more and more real and it looked like a

638  
00:29:38,269 --> 00:29:35,730

three-year-old boy and there was rumors

639

00:29:40,310 --> 00:29:38,279

that he had had younger children there

640

00:29:42,049 --> 00:29:40,320

that he had murdered there was 26 bodies

641

00:29:44,480 --> 00:29:42,059

that were that were put through this

642

00:29:46,669 --> 00:29:44,490

basement area and I believe that he was

643

00:29:50,299 --> 00:29:46,679

one of them and I had a three-year-old

644

00:29:52,669 --> 00:29:50,309

at the time and so that both haunted me

645

00:29:55,510 --> 00:29:52,679

physically and mentally and I actually

646

00:29:57,889 --> 00:29:55,520

got physically ill leaving the place

647

00:30:00,169 --> 00:29:57,899

yeah and it was it was my one and only

648

00:30:02,060 --> 00:30:00,179

time where I actually physically vomited

649

00:30:04,820 --> 00:30:02,070

and got sick from this apparition

650

00:30:07,490 --> 00:30:04,830

showing itself to me I think it was both

651  
00:30:12,260 --> 00:30:07,500  
because I knew the truth these are true

652  
00:30:15,049 --> 00:30:12,270  
crime stories yeah it was a bad person

653  
00:30:16,820 --> 00:30:15,059  
man he killed a lot of people it has to

654  
00:30:18,649 --> 00:30:16,830  
be some kind of dark energy around him

655  
00:30:21,680 --> 00:30:18,659  
or his spirit if it's hanging around I

656  
00:30:24,230 --> 00:30:21,690  
think he was alive at the time oh he

657  
00:30:25,950 --> 00:30:24,240  
already still want to pray he was yeah

658  
00:30:28,090 --> 00:30:25,960  
well no he's dead

659  
00:30:29,890 --> 00:30:28,100  
okay he was alive at the time people

660  
00:30:31,720 --> 00:30:29,900  
people were actually like calling me

661  
00:30:33,700 --> 00:30:31,730  
crazy cuz the Winter Hill Gang is down

662  
00:30:36,100 --> 00:30:33,710  
there and you know we were kind of like

663  
00:30:41,740 --> 00:30:36,110

going down there filming and making a

664

00:30:44,890 --> 00:30:41,750

really huge fuss over yeah you are

665

00:30:48,340 --> 00:30:44,900

fearless like hanging out with some

666

00:30:49,900 --> 00:30:48,350

mobsters and some demons and ghosts we

667

00:30:51,880 --> 00:30:49,910

have another question from the live chat

668

00:30:55,200 --> 00:30:51,890

Rachel hi I don't know what this is

669

00:30:58,690 --> 00:30:55,210

have you ever heard the parting music I

670

00:31:01,180 --> 00:30:58,700

don't don't know what that is exactly

671

00:31:04,240 --> 00:31:01,190

but I can assume maybe like as we're

672

00:31:06,400 --> 00:31:04,250

leaving a place I haven't really hard

673

00:31:08,080 --> 00:31:06,410

parting music I don't know if I'm using

674

00:31:10,780 --> 00:31:08,090

this in the right context so excuse me

675

00:31:12,940 --> 00:31:10,790

but when I'm leaving a place I do notice

676  
00:31:15,550 --> 00:31:12,950  
that sometimes the levels of activity on

677  
00:31:17,080 --> 00:31:15,560  
my equipment will spike kind of it'll be

678  
00:31:19,300 --> 00:31:17,090  
quiet the whole time and then we'll get

679  
00:31:20,950 --> 00:31:19,310  
ready to leave and pack up and all of a

680  
00:31:23,380 --> 00:31:20,960  
sudden things will start spiking up

681  
00:31:25,000 --> 00:31:23,390  
because you know then I want us to leave

682  
00:31:28,300 --> 00:31:25,010  
they want us to stay where we are and

683  
00:31:31,270 --> 00:31:28,310  
still come you know enjoy the space but

684  
00:31:35,410 --> 00:31:31,280  
as far as music I'm not sure I've heard

685  
00:31:36,820 --> 00:31:35,420  
that yeah I've not heard of that but the

686  
00:31:41,260 --> 00:31:36,830  
other and I have another question for

687  
00:31:43,810 --> 00:31:41,270  
you is what the magnetic I'm sorry

688  
00:31:46,510 --> 00:31:43,820

magnetic anomalies because I've read

689

00:31:49,090 --> 00:31:46,520

that in a lot of these places if you

690

00:31:51,280 --> 00:31:49,100

take like a magnetometer in to one of

691

00:31:53,770 --> 00:31:51,290

these hard locations they go crazy and

692

00:31:56,710 --> 00:31:53,780

there are some scientific evidence that

693

00:31:58,450 --> 00:31:56,720

suggests that magnetic waves can affect

694

00:32:00,570 --> 00:31:58,460

the human brain and even cause

695

00:32:03,070 --> 00:32:00,580

hallucinations auditory or visual

696

00:32:04,660 --> 00:32:03,080

hallucinations so do you think that may

697

00:32:06,340 --> 00:32:04,670

be an explanation for some of this

698

00:32:10,330 --> 00:32:06,350

activity that people see there could

699

00:32:14,020 --> 00:32:10,340

just be magnetic I don't know waves or

700

00:32:15,490 --> 00:32:14,030

radiation interference I think that

701

00:32:17,530 --> 00:32:15,500

there is a lot of times that these

702

00:32:19,720 --> 00:32:17,540

things can be debunked through different

703

00:32:22,830 --> 00:32:19,730

situations like that I know that I

704

00:32:28,630 --> 00:32:22,840

caught Morse code on my equipment before

705

00:32:29,860 --> 00:32:28,640

so we have a naval ship but it just

706

00:32:31,450 --> 00:32:29,870

happened to be something that was

707

00:32:33,070 --> 00:32:31,460

beeping through the air and here I

708

00:32:35,330 --> 00:32:33,080

thought the naval ship was coming alive

709

00:32:39,200 --> 00:32:35,340

you know

710

00:32:40,970 --> 00:32:39,210

the truth is we have a very sensitive we

711

00:32:43,850 --> 00:32:40,980

have a very sensitive system and I have

712

00:32:46,970 --> 00:32:43,860

heard that the magnet the magnetic force

713

00:32:49,489 --> 00:32:46,980

will cause you know for example if I

714

00:32:51,019 --> 00:32:49,499

threw my my equipment together and I ran

715

00:32:52,700 --> 00:32:51,029

it over a boiler the equipment's going

716

00:32:55,549 --> 00:32:52,710

to go off because that's its own source

717

00:32:57,049 --> 00:32:55,559

of energy and so sometimes we're able to

718

00:32:59,149 --> 00:32:57,059

trick ourselves into believing there's

719

00:33:01,249 --> 00:32:59,159

more energy I've been in a field

720

00:33:02,419 --> 00:33:01,259

thinking that there was nothing and

721

00:33:04,129 --> 00:33:02,429

didn't realize there was towers all

722

00:33:07,129 --> 00:33:04,139

around me my equipment was going crazy I

723

00:33:10,070 --> 00:33:07,139

was like oh my god cell phone tower

724

00:33:11,659 --> 00:33:10,080

interference yeah definitely so there's

725

00:33:14,090 --> 00:33:11,669

all kinds of interference like that

726

00:33:16,940 --> 00:33:14,100

that's absolute truth debunking it and

727

00:33:19,279 --> 00:33:16,950

seeing if it happens the same each and

728

00:33:20,989 --> 00:33:19,289

every time you know making sure that you

729

00:33:23,119 --> 00:33:20,999

do it again and again see if your get

730

00:33:24,789 --> 00:33:23,129

the same read you know that's the way

731

00:33:28,999 --> 00:33:24,799

that you can tell if the interference is

732

00:33:30,830 --> 00:33:29,009

you know substantial okay another

733

00:33:32,480 --> 00:33:30,840

question here do you believe that people

734

00:33:35,810 --> 00:33:32,490

can communicate with their dead

735

00:33:38,450 --> 00:33:35,820

relatives in one form or another I think

736

00:33:41,090 --> 00:33:38,460

so I think if anybody can or wants to

737

00:33:42,499 --> 00:33:41,100

communicate with you it would be a blood

738

00:33:45,980 --> 00:33:42,509

relative especially somebody that's

739

00:33:48,070 --> 00:33:45,990

close to you I know that there are times

740

00:33:51,560 --> 00:33:48,080

where people will write to me and ask me

741

00:33:53,359 --> 00:33:51,570

you know how they would know if their

742

00:33:55,730 --> 00:33:53,369

loved one made it to the other side and

743

00:33:59,090 --> 00:33:55,740

I'll always tell them to ask out loud

744

00:34:00,830 --> 00:33:59,100

for a sign to say you know what please

745

00:34:02,600 --> 00:34:00,840

give me a sign and you'll know the sign

746

00:34:04,909 --> 00:34:02,610

sometimes it's butterflies flashing

747

00:34:07,549 --> 00:34:04,919

lights a feather a heart shape you know

748

00:34:09,050 --> 00:34:07,559

whatever you held like whatever you held

749

00:34:11,510 --> 00:34:09,060

special with that person that you lost

750

00:34:13,280 --> 00:34:11,520

they'll give you the sign to let you

751

00:34:14,899 --> 00:34:13,290

know that they made it and not just

752

00:34:16,460 --> 00:34:14,909

whine but once you realize the signs

753

00:34:19,190 --> 00:34:16,470

you'll start seeing them again and again

754

00:34:23,000 --> 00:34:19,200

if it adds a level of comfort to know

755

00:34:24,559 --> 00:34:23,010

that they're still with you well I want

756

00:34:25,159 --> 00:34:24,569

to ask you about some of your future

757

00:34:26,930 --> 00:34:25,169

plans

758

00:34:28,970 --> 00:34:26,940

I mentioned your bus and how you were

759

00:34:31,159 --> 00:34:28,980

converting this bus is that gonna be

760

00:34:33,200 --> 00:34:31,169

like like the scooby doo van for you

761

00:34:36,020 --> 00:34:33,210

you're gonna like pop in the mystery

762

00:34:38,359 --> 00:34:36,030

where I get and go to add some ghosts

763

00:34:40,940 --> 00:34:38,369

and demons because I think that's

764

00:34:44,569 --> 00:34:40,950

awesome and I'll send you some Scooby

765

00:34:46,490 --> 00:34:44,579

Snacks just you're gonna go all over the

766

00:34:47,560 --> 00:34:46,500

country in that thing aren't here yeah

767

00:34:49,990 --> 00:34:47,570

I'm ready

768

00:34:52,629 --> 00:34:50,000

I'm gonna do about 20 trips a year once

769

00:34:54,669 --> 00:34:52,639

everything's kind of bolted down I'm

770

00:34:56,680 --> 00:34:54,679

getting the electric paneling going I'm

771

00:34:58,630 --> 00:34:56,690

constantly pretty much moving it around

772

00:35:00,660 --> 00:34:58,640

to make sure that it's not gonna fly all

773

00:35:04,060 --> 00:35:00,670

over the place when I take a longer trip

774

00:35:09,790 --> 00:35:04,070

keeping it kind of up to standard it's a

775

00:35:12,400 --> 00:35:09,800

diesel engine they never die changing

776

00:35:14,290 --> 00:35:12,410

oil they never got there it's definitely

777

00:35:17,770 --> 00:35:14,300

a hardcore little special bus I'm very

778

00:35:19,930 --> 00:35:17,780

blessed to have have come upon this deal

779

00:35:21,370 --> 00:35:19,940

and I welcomed a few other people to the

780

00:35:23,500 --> 00:35:21,380

Schooley community since I've gotten

781

00:35:25,960 --> 00:35:23,510

this bus they love it I mean it's

782

00:35:27,910 --> 00:35:25,970

cheaper than an RV you can insulate it

783

00:35:30,609 --> 00:35:27,920

and decorate it however you want so it's

784

00:35:32,980 --> 00:35:30,619

it's amazing and I do intend on using it

785

00:35:34,420 --> 00:35:32,990

for the paranormal it's gonna have a

786

00:35:39,000 --> 00:35:34,430

little bit of magic stuff in it anyway

787

00:35:42,400 --> 00:35:39,010

because you know I'm all about that yeah

788

00:35:43,950 --> 00:35:42,410

I had like deja vu at my cabin because

789

00:35:46,090 --> 00:35:43,960

you were put a floor down and I remember

790

00:35:48,430 --> 00:35:46,100

learning like tongue-and-groove floors

791

00:35:50,260 --> 00:35:48,440

and trying to put walls up and like my

792

00:35:52,240 --> 00:35:50,270

cabin is this huge project is going to

793

00:35:58,030 --> 00:35:52,250

be going for another year probably but

794

00:35:59,830 --> 00:35:58,040

slowly but surely we have another yeah

795

00:36:01,870 --> 00:35:59,840

I'm enjoying myself we have another

796

00:36:04,180 --> 00:36:01,880

question from live chat from Ricci who

797

00:36:06,010 --> 00:36:04,190

says I like to talk to dead loved ones

798

00:36:09,730 --> 00:36:06,020

with a Ouija board does Rachael use

799

00:36:12,070 --> 00:36:09,740

Ouija boards at all I do I do I love

800

00:36:15,220 --> 00:36:12,080

them I know that in the paranormal it's

801  
00:36:18,700 --> 00:36:15,230  
like a huge thing but movies sometimes

802  
00:36:20,530 --> 00:36:18,710  
will scare people and we think that we G

803  
00:36:21,910 --> 00:36:20,540  
boards are gonna blow up and do this but

804  
00:36:23,890 --> 00:36:21,920  
really they're no different than any

805  
00:36:27,010 --> 00:36:23,900  
other equipment we're using mal meters

806  
00:36:29,680 --> 00:36:27,020  
habla tsa's we're using pendulums old

807  
00:36:31,420 --> 00:36:29,690  
age and New Age equipment I like to use

808  
00:36:33,550 --> 00:36:31,430  
Ouija boards by myself because I feel

809  
00:36:36,580 --> 00:36:33,560  
like it's very for show sometimes and I

810  
00:36:39,370 --> 00:36:36,590  
enjoy just getting the answers from my

811  
00:36:43,030 --> 00:36:39,380  
pendulum or Ouija board on my own so I

812  
00:36:45,220 --> 00:36:43,040  
communicate with people I use a pendulum

813  
00:36:48,580 --> 00:36:45,230

- I've seen I've seen somebody do that I

814

00:36:51,250 --> 00:36:48,590

saw some demonstrations that I was not

815

00:36:53,500 --> 00:36:51,260

entirely convinced but pretty curious

816

00:36:56,680 --> 00:36:53,510

about like the fact that you could use a

817

00:36:58,720 --> 00:36:56,690

pendulum to sort of do divination or

818

00:37:00,670 --> 00:36:58,730

communicate with the spirits right and

819

00:37:00,980 --> 00:37:00,680

some people use it every day they it's

820

00:37:02,540 --> 00:37:00,990

called

821

00:37:04,040 --> 00:37:02,550

crying and what they do is they don't

822

00:37:05,720 --> 00:37:04,050

even get up out of bed before they ask

823

00:37:08,930 --> 00:37:05,730

the pendulum what they should do next

824

00:37:11,600 --> 00:37:08,940

and so it's a huge you know it's a huge

825

00:37:13,970 --> 00:37:11,610

thing I'm a witch and so I use those old

826

00:37:16,820 --> 00:37:13,980

age things to kind of bring about the

827

00:37:18,440 --> 00:37:16,830

the beginning of my investigation I

828

00:37:20,810 --> 00:37:18,450

always started out with the pendulum and

829

00:37:23,540 --> 00:37:20,820

old age stuff and you know lots of

830

00:37:26,960 --> 00:37:23,550

candles and asking for the space to open

831

00:37:29,000 --> 00:37:26,970

up and it's a respect thing Wow and we

832

00:37:31,940 --> 00:37:29,010

have a question again from Supervia funk

833

00:37:34,130 --> 00:37:31,950

at she saw your tattoo and asked if she

834

00:37:36,320 --> 00:37:34,140

First Nations and I believe you said you

835

00:37:37,910 --> 00:37:36,330

were Native American but can you can you

836

00:37:42,140 --> 00:37:37,920

unpack that a little bit and explain

837

00:37:45,410 --> 00:37:42,150

that your yeah yes absolutely I am

838

00:37:47,090 --> 00:37:45,420

Native American this is my I I want to

839

00:37:48,230 --> 00:37:47,100

call it my grandmother I never saw an

840

00:37:51,200 --> 00:37:48,240

actual picture of her my

841

00:37:53,000 --> 00:37:51,210

great-grandmother beautiful thank you so

842

00:37:55,130 --> 00:37:53,010

I went to the artist and I asked him to

843

00:37:56,450 --> 00:37:55,140

kind of draw something that was in that

844

00:38:00,890 --> 00:37:56,460

realm

845

00:38:03,320 --> 00:38:00,900

I'm Lipan Apache and so I'm I think like

846

00:38:06,070 --> 00:38:03,330

20 25 miles outside of the Mexican

847

00:38:09,200 --> 00:38:06,080

border in Texas is where my people are

848

00:38:11,359 --> 00:38:09,210

originated from and we made our way up

849

00:38:13,370 --> 00:38:11,369

here to the upstate New York area and

850

00:38:16,520 --> 00:38:13,380

that's actually where my family stayed

851

00:38:19,400 --> 00:38:16,530

this entire time throughout the course

852

00:38:21,950 --> 00:38:19,410

of life but we live very much the Native

853

00:38:24,980 --> 00:38:21,960

American lifestyle my dad carves totem

854

00:38:26,630 --> 00:38:24,990

poles from scratch and we I grew up

855

00:38:30,140 --> 00:38:26,640

without electricity and running water

856

00:38:33,470 --> 00:38:30,150

and we were very salt-of-the-earth type

857

00:38:36,740 --> 00:38:33,480

of people and still are no running water

858

00:38:39,410 --> 00:38:36,750

Wow so yeah you had an outhouse and like

859

00:38:46,730 --> 00:38:39,420

a dry cabin that kind of thing um it was

860

00:38:49,400 --> 00:38:46,740

a creek well we call it a creek Jersey

861

00:38:50,930 --> 00:38:49,410

and before it had running water we just

862

00:38:53,930 --> 00:38:50,940

have to go down to the creek to get our

863

00:38:56,390 --> 00:38:53,940

bath every night getting there to bar

864

00:38:58,310 --> 00:38:56,400

soap and go at it you know yeah and I

865

00:39:00,859 --> 00:38:58,320

remember boiled the water you know like

866

00:39:02,599 --> 00:39:00,869

we had we had hot baths then we thought

867

00:39:04,250 --> 00:39:02,609

that was very luxury it was a very

868

00:39:05,770 --> 00:39:04,260

luxury thing for us I thought they were

869

00:39:08,240 --> 00:39:05,780

rich you know like they had so many

870

00:39:10,880 --> 00:39:08,250

beautiful things so many stones and

871

00:39:13,550 --> 00:39:10,890

shells and perfect things and I had no

872

00:39:15,080 --> 00:39:13,560

idea I know nothing

873

00:39:16,790 --> 00:39:15,090

well you know when you grow up with

874

00:39:18,860 --> 00:39:16,800

something you don't know that somebody I

875

00:39:20,300 --> 00:39:18,870

remember let go and you know I grew up

876

00:39:22,010 --> 00:39:20,310

kind of poor and then I got a little

877

00:39:23,720 --> 00:39:22,020

older and like going to see some of

878

00:39:25,250 --> 00:39:23,730

these houses up in the suburbs where

879

00:39:27,200 --> 00:39:25,260

they had like eight bedrooms and a pool

880

00:39:30,680 --> 00:39:27,210

I was like damn these people are rich

881

00:39:32,300 --> 00:39:30,690

you know in the other side yeah

882

00:39:34,760 --> 00:39:32,310

absolutely and the more I saw I was like

883

00:39:36,830 --> 00:39:34,770

wow I was completely blown away by CDs

884

00:39:39,200 --> 00:39:36,840

and all the rest of that kind of fun

885

00:39:44,750 --> 00:39:39,210

stuff like technology just these people

886

00:39:46,730 --> 00:39:44,760

got electricity it was like you know

887

00:39:52,760 --> 00:39:46,740

like they were delivered from space or

888

00:39:55,130 --> 00:39:52,770

something but and yeah my grandmother

889

00:39:58,310 --> 00:39:55,140

was born in 1919 so a lot of stuff we

890

00:40:00,500 --> 00:39:58,320

had we we had from back in that era and

891

00:40:02,420 --> 00:40:00,510

it I mean I wish I still had that kind

892

00:40:04,790 --> 00:40:02,430

of stuff especially living in a bus you

893

00:40:06,890 --> 00:40:04,800

know what I mean you realize you know

894

00:40:09,290 --> 00:40:06,900

I'm getting back to that kind of living

895

00:40:11,150 --> 00:40:09,300

like my cabin is slowly getting I just

896

00:40:14,870 --> 00:40:11,160

got a shower it built it out of rocks

897

00:40:17,750 --> 00:40:14,880

but it's a shower and like every little

898

00:40:19,880 --> 00:40:17,760

luxury there like turn being able to use

899

00:40:21,620 --> 00:40:19,890

water for the sink with an RV pump

900

00:40:23,630 --> 00:40:21,630

that's how I did yeah with the tank are

901  
00:40:26,240 --> 00:40:23,640  
like oh my God thank God I don't have to

902  
00:40:28,760 --> 00:40:26,250  
go outside to wash dishes but one of the

903  
00:40:30,830 --> 00:40:28,770  
things the cabin taught me is how little

904  
00:40:32,480 --> 00:40:30,840  
do we need to be happy because when I

905  
00:40:35,750 --> 00:40:32,490  
started there I had gas lamps no

906  
00:40:37,790 --> 00:40:35,760  
electric no lights you know and we're

907  
00:40:43,490 --> 00:40:37,800  
slowly we got Internet there now so we

908  
00:40:45,320 --> 00:40:43,500  
feel like wow yeah and I had a comment

909  
00:40:47,720 --> 00:40:45,330  
from Ricci in the live chat which is a

910  
00:40:50,900 --> 00:40:47,730  
funny one rape she says she is a nice

911  
00:40:53,510 --> 00:40:50,910  
witch yes she's a good witch no I gotta

912  
00:40:56,090 --> 00:40:53,520  
tell you friends when any female tells

913  
00:40:59,240 --> 00:40:56,100

me she's a witch I try to stay on her

914

00:41:02,510 --> 00:40:59,250

good side that's the case because I knew

915

00:41:07,070 --> 00:41:02,520

a vengeful one when I was growing up and

916

00:41:08,930 --> 00:41:07,080

a vengeful nasty one Oh start that way

917

00:41:11,360 --> 00:41:08,940

but she became that way and ever since

918

00:41:13,190 --> 00:41:11,370

then if a woman tell I don't make fun of

919

00:41:14,780 --> 00:41:13,200

which you know sometimes people will say

920

00:41:18,050 --> 00:41:14,790

they're a witch and people kind of you

921

00:41:19,280 --> 00:41:18,060

know joke about yeah she's yeah no no

922

00:41:21,170 --> 00:41:19,290

I'm totally respectful

923

00:41:25,829 --> 00:41:21,180

good for you for your beliefs please

924

00:41:28,109 --> 00:41:25,839

don't ask me see I'm from Salem area

925

00:41:30,390 --> 00:41:28,119

that's cool yes so we are all witches

926

00:41:32,249 --> 00:41:30,400

male/female like everybody really it's a

927

00:41:34,380 --> 00:41:32,259

very common thing and it's funny because

928

00:41:36,029 --> 00:41:34,390

I'll walk through Salem sometimes now

929

00:41:37,950 --> 00:41:36,039

I'm like traveling around the East Coast

930

00:41:39,690 --> 00:41:37,960

but you know there are times where I'll

931

00:41:41,219 --> 00:41:39,700

just you know be walking through there

932

00:41:44,130 --> 00:41:41,229

grab my crystals doing my normal thing

933

00:41:46,259 --> 00:41:44,140

grabbing my candles and stuff and people

934

00:41:48,660 --> 00:41:46,269

will run up to me that are from Salem

935

00:41:50,339 --> 00:41:48,670

and they'll be like are you a witch like

936

00:41:51,839 --> 00:41:50,349

it's an immediate thing and I think you

937

00:41:53,849 --> 00:41:51,849

know even if I'm not wearing anything

938

00:41:56,400 --> 00:41:53,859

discernible I'm just walking around

939

00:41:58,019 --> 00:41:56,410

regular t-shirt and jeans people catch

940

00:42:02,069 --> 00:41:58,029

the vibe and they understand they know I

941

00:42:04,559 --> 00:42:02,079

think it's really a vibe oh this is

942

00:42:06,719 --> 00:42:04,569

another great question from ramsey does

943

00:42:08,880 --> 00:42:06,729

Rachael combine her witchcraft magic

944

00:42:12,719 --> 00:42:08,890

with Native American spirituality or

945

00:42:15,599 --> 00:42:12,729

does she keep it separate I do happen to

946

00:42:17,880 --> 00:42:15,609

do both only because sage is such a

947

00:42:19,529 --> 00:42:17,890

great tool in the environment of the

948

00:42:21,749 --> 00:42:19,539

paranormal especially when you're trying

949

00:42:23,489 --> 00:42:21,759

to charge good energy and it is

950

00:42:24,839 --> 00:42:23,499

something very familiar to me at the end

951  
00:42:27,209 --> 00:42:24,849  
of the investigation

952  
00:42:30,180 --> 00:42:27,219  
not every the location lets you burn

953  
00:42:34,229 --> 00:42:30,190  
sage so we sometimes do like a condensed

954  
00:42:37,109 --> 00:42:34,239  
spray or I have lots of different sages

955  
00:42:39,989 --> 00:42:37,119  
and I always use stage at the end of

956  
00:42:41,370 --> 00:42:39,999  
investigation it's funny because all my

957  
00:42:43,799 --> 00:42:41,380  
witch friends that I just went to the

958  
00:42:45,509 --> 00:42:43,809  
Victorian mansion with gave me gifts

959  
00:42:48,120 --> 00:42:45,519  
that I'm taking pictures of later I set

960  
00:42:51,660 --> 00:42:48,130  
it up on my altar of stage wrapped and

961  
00:42:55,319 --> 00:42:51,670  
roses sweetgrass different feather fans

962  
00:42:57,359 --> 00:42:55,329  
to use to brush over people to rate of

963  
00:43:00,650 --> 00:42:57,369

negative energy and that's what you're

964

00:43:03,779 --> 00:43:00,660

supposed to do when you burn sage right

965

00:43:06,059 --> 00:43:03,789

yeah it does that by charging positive

966

00:43:07,410 --> 00:43:06,069

ions in the air so it actually and

967

00:43:17,339 --> 00:43:07,420

that's actually the truth like

968

00:43:20,309 --> 00:43:17,349

scientifically proven Wow people yeah I

969

00:43:21,779 --> 00:43:20,319

mean I do it I try to do if somebody's

970

00:43:23,670 --> 00:43:21,789

doing something negative I really just

971

00:43:25,529 --> 00:43:23,680

do more binding than anything like find

972

00:43:27,599 --> 00:43:25,539

their you know bind their bad habits and

973

00:43:28,950 --> 00:43:27,609

bind their bad stuff but if somebody's

974

00:43:30,900 --> 00:43:28,960

around me and they feel like something's

975

00:43:33,180 --> 00:43:30,910

attached to them and they want to have

976

00:43:34,799 --> 00:43:33,190

sage run over them I know a lot of

977

00:43:38,160 --> 00:43:34,809

people that just they love it they love

978

00:43:39,689 --> 00:43:38,170

the feeling of it and you know we have

979

00:43:41,489 --> 00:43:39,699

another great quote

980

00:43:44,279 --> 00:43:41,499

let me get this one up here if this is

981

00:43:45,749 --> 00:43:44,289

from Becca Smith but I don't think that

982

00:43:48,089 --> 00:43:45,759

I've seen you here before welcome to

983

00:43:49,890 --> 00:43:48,099

truth seekers have you ever seen images

984

00:43:53,609 --> 00:43:49,900

that weren't really there and felt they

985

00:43:55,649 --> 00:43:53,619

were supernatural not connected to any

986

00:44:00,299 --> 00:43:55,659

other spirit activity do you believe

987

00:44:02,849 --> 00:44:00,309

this can be a negative omen well I have

988

00:44:05,579 --> 00:44:02,859

lots of paranormal equipment running at

989

00:44:07,890 --> 00:44:05,589

the same time and sometimes we have

990

00:44:10,380 --> 00:44:07,900

different thermal images that'll show up

991

00:44:14,339 --> 00:44:10,390

and I did have a thermal image that I

992

00:44:16,890 --> 00:44:14,349

took 9 snapshots and it looked like to

993

00:44:18,779 --> 00:44:16,900

me what what we was a ghost

994

00:44:20,939 --> 00:44:18,789

it was completely void of color and

995

00:44:22,739 --> 00:44:20,949

completely blue I don't think he was

996

00:44:24,299 --> 00:44:22,749

negative I actually think the opposite

997

00:44:27,299 --> 00:44:24,309

he was there guarding the building and

998

00:44:29,279 --> 00:44:27,309

when he realized we were taking pictures

999

00:44:31,259 --> 00:44:29,289

of him and I was snapping shots of him

1000

00:44:32,519 --> 00:44:31,269

with the thermal camera he actually

1001

00:44:41,909 --> 00:44:32,529

reacted and ran away

1002

00:44:45,029 --> 00:44:41,919

so yeah BIOS my ghost story metal

1003

00:44:46,709 --> 00:44:45,039

burning townhall you can actually see

1004

00:44:48,179 --> 00:44:46,719

him it's almost like a moving video

1005

00:44:51,149 --> 00:44:48,189

because I snapped it so close together

1006

00:44:54,329 --> 00:44:51,159

and it shows the time frame and you can

1007

00:44:56,549 --> 00:44:54,339

see him reacting movin yeah it's amazing

1008

00:44:59,399 --> 00:44:56,559

and thermal images are the most highly

1009

00:45:02,759 --> 00:44:59,409

regarded paranormal evidence out there

1010

00:45:06,929 --> 00:45:02,769

in the field it can be faked we have

1011

00:45:08,579 --> 00:45:06,939

another this is ready a real classy

1012

00:45:12,179 --> 00:45:08,589

brandy come to my show

1013

00:45:15,359 --> 00:45:12,189

real classy bro this is not a dating

1014

00:45:17,069 --> 00:45:15,369

game show I live here Salem is Rachel

1015

00:45:18,380 --> 00:45:17,079

you somebody can't blame a guy for

1016

00:45:21,779 --> 00:45:18,390

trying

1017

00:45:24,209 --> 00:45:21,789

he says I live near Salem is Rachel

1018

00:45:29,029 --> 00:45:24,219

single or married to some powerful

1019

00:45:33,509 --> 00:45:29,039

sorcerer Brandon

1020

00:45:36,239 --> 00:45:33,519

no I'm not married so oh I didn't know

1021

00:45:42,449 --> 00:45:36,249

if you were single though um I am

1022

00:45:49,919 --> 00:45:42,459

actually dating someone okay there you

1023

00:45:51,660 --> 00:45:49,929

go that's what I thought yeah okay yeah

1024

00:45:55,770 --> 00:45:51,670

Brandon young still throwing your coffee

1025

00:46:01,650 --> 00:45:58,950

here MC says I can't burn actual sage

1026  
00:46:03,299 --> 00:46:01,660  
smudge sticks because of Toby but I burn

1027  
00:46:05,339 --> 00:46:03,309  
white sage in an incense burner that

1028  
00:46:11,160 --> 00:46:05,349  
Toby can't knock over I think it works

1029  
00:46:13,640 --> 00:46:11,170  
the same it's Toby a cat or is Toby a

1030  
00:46:16,109 --> 00:46:13,650  
cat or a child

1031  
00:46:18,150 --> 00:46:16,119  
either way it's smart to keep that away

1032  
00:46:21,180 --> 00:46:18,160  
from Toby if Toby's gonna knock it over

1033  
00:46:23,490 --> 00:46:21,190  
I've seen people I have the cages for

1034  
00:46:26,430 --> 00:46:23,500  
the four incense so I just put the small

1035  
00:46:29,370 --> 00:46:26,440  
cones in signs inside and that was an

1036  
00:46:31,140 --> 00:46:29,380  
altar boy these little cones of incense

1037  
00:46:33,480 --> 00:46:31,150  
and you put it inside and you gotta walk

1038  
00:46:35,069 --> 00:46:33,490

with it in front of the priest and you

1039

00:46:37,230 --> 00:46:35,079

know you gotta be careful with those

1040

00:46:40,589 --> 00:46:37,240

priests while you're walking in front of

1041

00:46:43,740 --> 00:46:40,599

them oh my gosh

1042

00:46:45,630 --> 00:46:43,750

so I had some other questions but I

1043

00:46:47,490 --> 00:46:45,640

don't want to keep you too long so I'm

1044

00:46:49,890 --> 00:46:47,500

trying to get to like you know I haven't

1045

00:46:52,980 --> 00:46:49,900

an order of that I thought of importance

1046

00:46:56,130 --> 00:46:52,990

I asked you about your future plans you

1047

00:46:57,240 --> 00:46:56,140

I just got casted in a movie can you

1048

00:46:59,760 --> 00:46:57,250

tell us about that because that's

1049

00:47:01,650 --> 00:46:59,770

exciting I like to already posted some

1050

00:47:02,430 --> 00:47:01,660

you don't have waste any time you're

1051

00:47:04,559 --> 00:47:02,440

like postman

1052

00:47:07,980 --> 00:47:04,569

I was that like a costume shot from your

1053

00:47:11,520 --> 00:47:07,990

the movie uh Kirsten no I just got my

1054

00:47:13,260 --> 00:47:11,530

costume kind of like the run down

1055

00:47:16,380 --> 00:47:13,270

yesterday by email so I thought it'd be

1056

00:47:18,900 --> 00:47:16,390

fun little teaser to show the stockings

1057

00:47:20,579 --> 00:47:18,910

and stuff like that I can't buy not sure

1058

00:47:22,109 --> 00:47:20,589

how much detail I can go into as far as

1059

00:47:25,289 --> 00:47:22,119

the character and things like that but

1060

00:47:27,780 --> 00:47:25,299

the movie is axe to grind and I'm very

1061

00:47:29,730 --> 00:47:27,790

excited and humbled to be a part of it

1062

00:47:33,089 --> 00:47:29,740

and to have been asked to be a part of

1063

00:47:36,329 --> 00:47:33,099

it so the producer actually found me on

1064

00:47:38,130 --> 00:47:36,339

Facebook and I it was it was just one of

1065

00:47:41,400 --> 00:47:38,140

those things I was just so honored to

1066

00:47:42,990 --> 00:47:41,410

have been asked at all and when he

1067

00:47:45,750 --> 00:47:43,000

approached me we have been talking for

1068

00:47:48,599 --> 00:47:45,760

some time and he went over some of my

1069

00:47:51,750 --> 00:47:48,609

paranormal videos and you know I been in

1070

00:47:53,700 --> 00:47:51,760

a few movies well in one movie the

1071

00:47:57,809 --> 00:47:53,710

Ghostbusters and on television a few

1072

00:47:59,160 --> 00:47:57,819

times but most of my experiences the one

1073

00:48:01,890 --> 00:47:59,170

with the girls the reboot

1074

00:48:03,070 --> 00:48:01,900

yes okay and they're gonna watch it

1075

00:48:06,430 --> 00:48:03,080

again

1076

00:48:08,320 --> 00:48:06,440

where you're at I'm in it a lot so they

1077

00:48:13,030 --> 00:48:08,330

asked me to come back like 14 times

1078

00:48:14,740 --> 00:48:13,040

Wow I'm sure that I saw it but I kind of

1079

00:48:17,110 --> 00:48:14,750

fell asleep through it wasn't it yeah

1080

00:48:18,820 --> 00:48:17,120

you know wasn't a huge fan of that one

1081

00:48:21,280 --> 00:48:18,830

but I hear that reboot their rebooting

1082

00:48:24,250 --> 00:48:21,290

it again yeah I'm really excited about

1083

00:48:28,170 --> 00:48:24,260

the reboot to be honest like it I saw it

1084

00:48:29,470 --> 00:48:28,180

I I can't let cried when I saw yeah

1085

00:48:31,930 --> 00:48:29,480

right

1086

00:48:35,020 --> 00:48:31,940

oh my god I got emotional I was like oh

1087

00:48:39,400 --> 00:48:35,030

my god just like I remembered all these

1088

00:48:45,790 --> 00:48:39,410

years I hope they bring back the Stay

1089

00:48:48,370 --> 00:48:45,800

Puft Marshmallow Man so I had minimal

1090

00:48:57,720 --> 00:48:48,380

acting experience but he had seen some

1091

00:49:03,460 --> 00:49:01,600

I had one guy that kept telling me to do

1092

00:49:05,290 --> 00:49:03,470

the same line over and over and over

1093

00:49:06,670 --> 00:49:05,300

again for like four hours I felt

1094

00:49:09,040 --> 00:49:06,680

terrible I don't know what the guy

1095

00:49:15,310 --> 00:49:09,050

wanted I tried it it was terrible

1096

00:49:17,110 --> 00:49:15,320

terrible experience there's a control

1097

00:49:19,750 --> 00:49:17,120

freak and he wanted a certain perfect

1098

00:49:21,550 --> 00:49:19,760

way and then eventually even other

1099

00:49:23,350 --> 00:49:21,560

people on the set were telling it's it's

1100

00:49:25,540 --> 00:49:23,360

no different from the last night you

1101  
00:49:29,620 --> 00:49:25,550  
know the last time you said it I was

1102  
00:49:31,720 --> 00:49:29,630  
very I was very impressed with my scene

1103  
00:49:34,090 --> 00:49:31,730  
that I had been given so I'm very

1104  
00:49:37,210 --> 00:49:34,100  
excited I can't share too much but I was

1105  
00:49:39,370 --> 00:49:37,220  
very excited about the opportunity and

1106  
00:49:41,440 --> 00:49:39,380  
you know the whole thing and it's just a

1107  
00:49:44,230 --> 00:49:41,450  
totally different vibe than I've ever

1108  
00:49:47,820 --> 00:49:44,240  
done and I'm 40 years old so this is a

1109  
00:49:50,530 --> 00:49:47,830  
really exciting thing for me wow yeah

1110  
00:49:52,420 --> 00:49:50,540  
listen friends and watch if you have

1111  
00:49:56,920 --> 00:49:52,430  
questions for Rachel put them in all

1112  
00:49:59,800 --> 00:49:56,930  
caps all caps this way I know that the

1113  
00:50:01,960 --> 00:49:59,810

question for Rachel I also want to ask

1114

00:50:03,400 --> 00:50:01,970

you about the Dybbuk box because that's

1115

00:50:05,200 --> 00:50:03,410

what I might interest do you know very

1116

00:50:07,330 --> 00:50:05,210

much about this Dybbuk box do you think

1117

00:50:10,600 --> 00:50:07,340

this is a true story or is this some

1118

00:50:13,150 --> 00:50:10,610

made-up legend I think that a lot of

1119

00:50:15,940 --> 00:50:13,160

people like to add lore to the equipment

1120

00:50:16,930 --> 00:50:15,950

you know we have to remind ourselves

1121

00:50:20,020 --> 00:50:16,940

that

1122

00:50:22,120 --> 00:50:20,030

paranormal have been experiencing things

1123

00:50:24,309 --> 00:50:22,130

through microwaves like through willow

1124

00:50:27,210 --> 00:50:24,319

trees through small things that weren't

1125

00:50:30,010 --> 00:50:27,220

meant for the the programming and the

1126

00:50:32,710 --> 00:50:30,020

communication with go so I do lend

1127

00:50:34,210 --> 00:50:32,720

credibility to the Dybbuk box but a lot

1128

00:50:37,690 --> 00:50:34,220

of people are trying to make it like

1129

00:50:39,849 --> 00:50:37,700

Pandora's Box like it's you know it's

1130

00:50:41,980 --> 00:50:39,859

the the biggest thing and everybody's

1131

00:50:45,550 --> 00:50:41,990

trying to make it this big demonic thing

1132

00:50:48,490 --> 00:50:45,560

I haven't had that experience so I can't

1133

00:50:50,020 --> 00:50:48,500

say for sure but I know that just like

1134

00:50:54,870 --> 00:50:50,030

the Ouija board sometimes people like to

1135

00:50:57,250 --> 00:50:54,880

play up these pieces of equipment yeah

1136

00:50:59,140 --> 00:50:57,260

there's something about that story that

1137

00:51:01,059 --> 00:50:59,150

I just love because it's got a

1138

00:51:03,460 --> 00:51:01,069

connection to the Kabbalah and the

1139

00:51:05,109 --> 00:51:03,470

Jewish mysticism you know which is

1140

00:51:07,210 --> 00:51:05,119

always interesting to me things like the

1141

00:51:10,780 --> 00:51:07,220

golem and and now this Dybbuk box

1142

00:51:12,220 --> 00:51:10,790

because everybody that has this for

1143

00:51:15,220 --> 00:51:12,230

those who don't know the divet box look

1144

00:51:17,349 --> 00:51:15,230

it up everybody that got this box went

1145

00:51:19,300 --> 00:51:17,359

through like all kinds of paranormal

1146

00:51:21,609 --> 00:51:19,310

crazy activity before giving it to the

1147

00:51:24,640 --> 00:51:21,619

next person or selling it to the next

1148

00:51:27,190 --> 00:51:24,650

person and apparently the story is that

1149

00:51:29,770 --> 00:51:27,200

it has something to do with these women

1150

00:51:31,300 --> 00:51:29,780

that were oppressed or maybe abused and

1151

00:51:33,579 --> 00:51:31,310

they put all this negative energy to

1152

00:51:36,400 --> 00:51:33,589

create this entity to get revenge on

1153

00:51:41,140 --> 00:51:36,410

people so that's the origin of this

1154

00:51:44,260 --> 00:51:41,150

story okay somebody said you look

1155

00:51:48,609 --> 00:51:44,270

fantastic for 40 I think Bri God what

1156

00:51:51,130 --> 00:51:48,619

yeah I think I mean she says I am afraid

1157

00:51:53,020 --> 00:51:51,140

of the Dybbuk box zak bagans says it is

1158

00:51:55,900 --> 00:51:53,030

the most awful thing I can come here to

1159

00:51:57,250 --> 00:51:55,910

look at it a nasty thing yeah I don't

1160

00:51:59,410 --> 00:51:57,260

know it's just one of those great

1161

00:52:01,150 --> 00:51:59,420

stories so what what do you think was

1162

00:52:03,309 --> 00:52:01,160

the most haunted location that you've

1163

00:52:06,640 --> 00:52:03,319

ever been and why did you did you

1164

00:52:10,210 --> 00:52:06,650

consider it that my I feel like it

1165

00:52:15,630 --> 00:52:10,220

changes every time but um let's see hmm

1166

00:52:18,819 --> 00:52:15,640

I have so many cheese oh boy on spot

1167

00:52:21,790 --> 00:52:18,829

right so you know what I'll do I'll tell

1168

00:52:23,800 --> 00:52:21,800

you the story about Fall River that is a

1169

00:52:25,750 --> 00:52:23,810

story that was really close to me and a

1170

00:52:28,089 --> 00:52:25,760

lot of people spend four hours to 14

1171

00:52:30,110 --> 00:52:28,099

hours on investigation and I spent 60

1172

00:52:33,890 --> 00:52:30,120

days on investigation

1173

00:52:36,080 --> 00:52:33,900

well you're pretty thorough and fearless

1174

00:52:40,010 --> 00:52:36,090

and fine I find a haunted house I'm

1175

00:52:42,020 --> 00:52:40,020

going there with you and I went there

1176

00:52:44,660 --> 00:52:42,030

and I made connections with these women

1177

00:52:47,930 --> 00:52:44,670

and the scariest part was that they they

1178

00:52:50,240 --> 00:52:47,940

were dealing with an unsolved murder so

1179

00:52:52,100 --> 00:52:50,250

these women there were 17 bodies found

1180

00:52:54,020 --> 00:52:52,110

in the Fall River Massachusetts area

1181

00:52:57,610 --> 00:52:54,030

there were the New Bedford Highway

1182

00:53:00,620 --> 00:52:57,620

killings and I did this whole entire

1183

00:53:02,800 --> 00:53:00,630

docu-series on it and it actually won a

1184

00:53:05,500 --> 00:53:02,810

Chicago paranormal Film Festival Award

1185

00:53:07,820 --> 00:53:05,510

because the young ladies had actually

1186

00:53:10,100 --> 00:53:07,830

identified their killer to me a year

1187

00:53:14,240 --> 00:53:10,110

before the police had forensic ly proven

1188

00:53:17,480 --> 00:53:14,250

that that was who killed them yeah it

1189

00:53:19,220 --> 00:53:17,490

was amazing I sold the movie only so a

1190

00:53:20,870 --> 00:53:19,230

lot of people didn't have access to it

1191

00:53:22,430 --> 00:53:20,880

but I plan on letting it out because I

1192

00:53:25,580 --> 00:53:22,440

think it's so important that these girls

1193

00:53:28,130 --> 00:53:25,590

have a voice and they're heard initially

1194

00:53:30,380 --> 00:53:28,140

I was trying to produce funding for

1195

00:53:31,730 --> 00:53:30,390

future projects and it really worked

1196

00:53:34,490 --> 00:53:31,740

great because everybody was really

1197

00:53:36,440 --> 00:53:34,500

excited for the production and it wound

1198

00:53:41,330 --> 00:53:36,450

up playing in the Somerville theater for

1199

00:53:43,100 --> 00:53:41,340

like 30 days or so and um you know a few

1200

00:53:45,860 --> 00:53:43,110

of the family members had gotten hold me

1201  
00:53:47,690 --> 00:53:45,870  
and the sheriff that found their the

1202  
00:53:49,280 --> 00:53:47,700  
ladies bodies I gotten told me and we

1203  
00:53:51,530 --> 00:53:49,290  
work together throughout the remainder

1204  
00:53:54,680 --> 00:53:51,540  
of the summer on the project and I felt

1205  
00:53:55,670 --> 00:53:54,690  
so close to them and it was really scary

1206  
00:53:57,680 --> 00:53:55,680  
what happened to them and it was really

1207  
00:54:00,200 --> 00:53:57,690  
scary that it went unsolved that long

1208  
00:54:01,970 --> 00:54:00,210  
yes you said there were 17 victims so it

1209  
00:54:04,550 --> 00:54:01,980  
was a serial killer I'm assuming right

1210  
00:54:07,730 --> 00:54:04,560  
yeah and it was they were prostitutes so

1211  
00:54:09,440 --> 00:54:07,740  
a lot of people didn't feel yeah yeah

1212  
00:54:11,150 --> 00:54:09,450  
it's you know the funding wasn't there

1213  
00:54:13,490 --> 00:54:11,160

to check and see forensic ly who

1214

00:54:15,140 --> 00:54:13,500

murdered them until you know more and

1215

00:54:16,940 --> 00:54:15,150

more people are talking about it and it

1216

00:54:19,100 --> 00:54:16,950

was just sad that you know it wasn't

1217

00:54:22,010 --> 00:54:19,110

funded and some someone must have heard

1218

00:54:25,220 --> 00:54:22,020

about it and took up the cause for the

1219

00:54:27,110 --> 00:54:25,230

right reasons and you know it's 20 years

1220

00:54:29,360 --> 00:54:27,120

passed and the person was already passed

1221

00:54:32,000 --> 00:54:29,370

away but you know it helps the families

1222

00:54:33,230 --> 00:54:32,010

to lay to rest yeah cuz at least I know

1223

00:54:35,570 --> 00:54:33,240

what happened you know well at least

1224

00:54:37,700 --> 00:54:35,580

they know that this was the killer and

1225

00:54:40,900 --> 00:54:37,710

this is more than likely what happened

1226

00:54:43,990 --> 00:54:40,910

right Wow

1227

00:54:46,090 --> 00:54:44,000

so what's your future plans then you're

1228

00:54:47,710 --> 00:54:46,100

gonna besides the movie and traveling

1229

00:54:50,770 --> 00:54:47,720

around in the bus what are you going to

1230

00:54:53,500 --> 00:54:50,780

be up to so I have my cheat sheet over

1231

00:54:55,450 --> 00:54:53,510

here have you got a whole like she's a

1232

00:54:57,280 --> 00:54:55,460

busy lady that's why I'd listen thank

1233

00:54:59,020 --> 00:54:57,290

you so much for doing this because I'm

1234

00:55:00,340 --> 00:54:59,030

having you know this is a new show for

1235

00:55:02,320 --> 00:55:00,350

me and I know the numbers may not be

1236

00:55:03,940 --> 00:55:02,330

great but we're still know I'm really

1237

00:55:07,240 --> 00:55:03,950

excited thank you for having I'm so

1238

00:55:09,370 --> 00:55:07,250

excited so I have some stuff coming up I

1239

00:55:13,060 --> 00:55:09,380

am officially changing my name at this

1240

00:55:15,210 --> 00:55:13,070

point to Rachel Hoffman yes I redid the

1241

00:55:20,410 --> 00:55:15,220

graphics just for her today because

1242

00:55:21,790 --> 00:55:20,420

today's your new birthday 20 and next

1243

00:55:25,510 --> 00:55:21,800

year I'm going to say happy birthday

1244

00:55:28,620 --> 00:55:25,520

Rachel Hoffman my official announcement

1245

00:55:35,140 --> 00:55:32,500

exclusive we love this and so my next

1246

00:55:38,560 --> 00:55:35,150

appearances will be Gettysburg July 24

1247

00:55:41,680 --> 00:55:38,570

through 26 it's the the Gettysburg bash

1248

00:55:42,970 --> 00:55:41,690

and we filled with well I don't know if

1249

00:55:44,230 --> 00:55:42,980

they approve the lectures this year so

1250

00:55:48,180 --> 00:55:44,240

don't quote me on that but we'll be

1251  
00:55:50,370 --> 00:55:48,190  
doing ghost hunts and tables and kind of

1252  
00:55:55,690 --> 00:55:50,380  
Pennsylvania I'm a Mormon

1253  
00:55:56,650 --> 00:55:55,700  
well it's a ride but it's doable yeah

1254  
00:55:58,540 --> 00:55:56,660  
absolutely

1255  
00:56:00,970 --> 00:55:58,550  
and the next one is the Plymouth Parekh

1256  
00:56:02,980 --> 00:56:00,980  
on September 25th route 27

1257  
00:56:05,950 --> 00:56:02,990  
run by Sam ball true says author of 13

1258  
00:56:08,320 --> 00:56:05,960  
Mohamad and a slew of other amazing

1259  
00:56:11,640 --> 00:56:08,330  
books in the paranormal I'm in seven

1260  
00:56:14,470 --> 00:56:11,650  
chapters of the 13 most haunted and

1261  
00:56:17,530 --> 00:56:14,480  
after that will be the Salem Con April

1262  
00:56:20,860 --> 00:56:17,540  
20-21 which is a beloved event and this

1263  
00:56:22,870 --> 00:56:20,870

is run by Mark every a good friend of

1264

00:56:24,820 --> 00:56:22,880

mine and we always have a blast down

1265

00:56:26,530 --> 00:56:24,830

there so I always encourage people to

1266

00:56:29,110 --> 00:56:26,540

keep checking back to get the tickets

1267

00:56:30,700 --> 00:56:29,120

because we do sell out and the hotels

1268

00:56:32,740 --> 00:56:30,710

sell out I think that Gettysburg is

1269

00:56:34,660 --> 00:56:32,750

completely sold out but you can always

1270

00:56:37,600 --> 00:56:34,670

check for day tickets and day spots and

1271

00:56:39,700 --> 00:56:37,610

check back with us and I just wanted to

1272

00:56:42,130 --> 00:56:39,710

chime in with the axe to grind and I'll

1273

00:56:44,980 --> 00:56:42,140

be working with Debbie Roshan and stormy

1274

00:56:49,330 --> 00:56:44,990

Daniels in the up-and-coming axe to

1275

00:56:51,220 --> 00:56:49,340

grind movie funny is that somebody said

1276  
00:56:53,590 --> 00:56:51,230  
on Twitter when they when they heard

1277  
00:56:55,600 --> 00:56:53,600  
that you were all tonight somebody

1278  
00:56:57,220 --> 00:56:55,610  
said on Twitter that stormy Daniels is

1279  
00:56:58,930 --> 00:56:57,230  
going to have her own ghost show and I

1280  
00:57:01,450 --> 00:56:58,940  
should get her as a guest and then they

1281  
00:57:03,010 --> 00:57:01,460  
said oh maybe I should delete my tweet

1282  
00:57:04,660 --> 00:57:03,020  
and I said I don't think Rachel would

1283  
00:57:06,340 --> 00:57:04,670  
mind and now I just found out that

1284  
00:57:07,990 --> 00:57:06,350  
you're working with her on a movie so I

1285  
00:57:12,610 --> 00:57:08,000  
guess you don't mind people mention it

1286  
00:57:14,500 --> 00:57:12,620  
stormy absolutely that's that's weird

1287  
00:57:16,840 --> 00:57:14,510  
that that happened it's funny that you

1288  
00:57:18,790 --> 00:57:16,850

should say that because I found out that

1289

00:57:21,610 --> 00:57:18,800

there's a few haunted locations that

1290

00:57:23,350 --> 00:57:21,620

were going to be at together over the

1291

00:57:26,110 --> 00:57:23,360

week that I am in Oklahoma

1292

00:57:28,360 --> 00:57:26,120

filming with her and I was gonna say to

1293

00:57:31,810 --> 00:57:28,370

her like hey do you don't think I'm a

1294

00:57:36,430 --> 00:57:31,820

dork really investigate go suit me so

1295

00:57:39,400 --> 00:57:36,440

thank you yeah the awkward silence is

1296

00:57:41,110 --> 00:57:39,410

broken no I love other girls that go

1297

00:57:43,200 --> 00:57:41,120

sign and I always encourage women in the

1298

00:57:45,580 --> 00:57:43,210

field to please there's not enough of us

1299

00:57:48,220 --> 00:57:45,590

we need more girl power

1300

00:57:51,070 --> 00:57:48,230

yeah because it seems to be like a

1301  
00:57:52,390 --> 00:57:51,080  
pretty male-dominated field oh yeah oh

1302  
00:57:54,640 --> 00:57:52,400  
yeah and the girls oh we always have so

1303  
00:57:56,680 --> 00:57:54,650  
much fun together we try to twin up

1304  
00:57:58,240 --> 00:57:56,690  
you'll see at the Gettysburg event if

1305  
00:58:00,880 --> 00:57:58,250  
you follow the page throughout the

1306  
00:58:01,750 --> 00:58:00,890  
course of the next month a lot of girl

1307  
00:58:04,240 --> 00:58:01,760  
power in there

1308  
00:58:08,260 --> 00:58:04,250  
we love females and I always love to see

1309  
00:58:10,570 --> 00:58:08,270  
new faces in the paranormal directly

1310  
00:58:12,010 --> 00:58:10,580  
pimple-faced guy like search for ghosts

1311  
00:58:13,420 --> 00:58:12,020  
if I could be watching you or stormy

1312  
00:58:15,900 --> 00:58:13,430  
Danielle so you get my player

1313  
00:58:20,170 --> 00:58:15,910

oh thanks maybe you'll watch us together

1314

00:58:22,690 --> 00:58:20,180

yeah yeah and there was something else

1315

00:58:24,400 --> 00:58:22,700

that I wanted to ask about hold on I'm

1316

00:58:26,440 --> 00:58:24,410

sorry I'm trying to read this live chat

1317

00:58:30,370 --> 00:58:26,450

and I'm Way behind here but I don't want

1318

00:58:34,150 --> 00:58:30,380

to keep you for too long guess I was

1319

00:58:36,790 --> 00:58:34,160

gonna ask you about let's see oh I'm

1320

00:58:38,560 --> 00:58:36,800

sorry to fix my notes here no I think I

1321

00:58:40,870 --> 00:58:38,570

think I covered most of what I really

1322

00:58:42,790 --> 00:58:40,880

want to cover it and especially your

1323

00:58:44,920 --> 00:58:42,800

about this bus that you've been building

1324

00:58:46,960 --> 00:58:44,930

that's amazing and you are you doing

1325

00:58:49,420 --> 00:58:46,970

that work yourself or you've got a lot

1326

00:58:51,190 --> 00:58:49,430

of friends helping you my friends are

1327

00:58:53,800 --> 00:58:51,200

like they keep me alive they keep me

1328

00:58:55,600 --> 00:58:53,810

going I have a friend that's a carpenter

1329

00:58:57,550 --> 00:58:55,610

that helped me really lay everything out

1330

00:58:59,470 --> 00:58:57,560

and I did a lot of it you could

1331

00:59:01,150 --> 00:58:59,480

definitely tell it's done buy me a house

1332

00:59:03,130 --> 00:59:01,160

run to you through all the mistakes and

1333

00:59:05,830 --> 00:59:03,140

everything I'm very humble about my

1334

00:59:07,269 --> 00:59:05,840

mistakes you know I have a couple

1335

00:59:10,059 --> 00:59:07,279

chopped up pieces here and

1336

00:59:12,489 --> 00:59:10,069

it is a labor of love mostly on my end

1337

00:59:15,189 --> 00:59:12,499

but I ask people before I put in floors

1338

00:59:18,509 --> 00:59:15,199

and electric wiring and stuff because I

1339

00:59:21,459 --> 00:59:18,519

don't want to burn my Schooley down oh

1340

00:59:23,859 --> 00:59:21,469

yeah it says I'm gonna hang with great

1341

00:59:27,939 --> 00:59:23,869

tunes for me they seem so much more fun

1342

00:59:28,599 --> 00:59:27,949

than the other ghost guys that was a

1343

00:59:32,199 --> 00:59:28,609

question

1344

00:59:33,880 --> 00:59:32,209

now I know I skipped it here I want to

1345

00:59:36,459 --> 00:59:33,890

ask you about these ghost shows because

1346

00:59:38,349 --> 00:59:36,469

you know I started trying to watch that

1347

00:59:40,749 --> 00:59:38,359

a lot of these different ghost hunting

1348

00:59:42,759 --> 00:59:40,759

shows and I don't know I came away with

1349

00:59:44,410 --> 00:59:42,769

like if nothing happens they don't have

1350

00:59:46,269 --> 00:59:44,420

a show and it seems like every little

1351  
00:59:48,249 --> 00:59:46,279  
bump in the night every little thing

1352  
00:59:51,099 --> 00:59:48,259  
they just automatically attribute it to

1353  
00:59:54,370 --> 00:59:51,109  
ghost activity and I've seen that you

1354  
00:59:56,380 --> 00:59:54,380  
don't really seem to push that we've got

1355  
00:59:58,059 --> 00:59:56,390  
to have some activity like you go to a

1356  
01:00:00,459 --> 00:59:58,069  
place and if there's no activity there's

1357  
01:00:01,630 --> 01:00:00,469  
no activity pretty honest what do you

1358  
01:00:04,089 --> 01:00:01,640  
think about some of these ghost shows

1359  
01:00:06,359 --> 01:00:04,099  
and are they just pushing sort of fake

1360  
01:00:09,309 --> 01:00:06,369  
woo to keep an audience sometimes I

1361  
01:00:11,709 --> 01:00:09,319  
think that I think we could all say that

1362  
01:00:14,469 --> 01:00:11,719  
you know after a while of being on TV

1363  
01:00:17,170 --> 01:00:14,479

and 20 episodes go by people are gonna

1364

01:00:19,930 --> 01:00:17,180

expect something and it's really I mean

1365

01:00:21,430 --> 01:00:19,940

I can understand how much pressure it

1366

01:00:25,569 --> 01:00:21,440

would be to keep the audience

1367

01:00:27,249 --> 01:00:25,579

entertained and to continue to I really

1368

01:00:31,180 --> 01:00:27,259

have a really lot of good luck with

1369

01:00:32,499 --> 01:00:31,190

little things and but driving home the

1370

01:00:34,509 --> 01:00:32,509

fact that something doesn't always

1371

01:00:35,499 --> 01:00:34,519

happen on these investigations is really

1372

01:00:38,589 --> 01:00:35,509

really important

1373

01:00:40,359 --> 01:00:38,599

I'll be doing lectures and people will

1374

01:00:42,549 --> 01:00:40,369

be like on a haunted location be like I

1375

01:00:45,939 --> 01:00:42,559

demand a ghost to come and I'm like do

1376

01:00:47,199 --> 01:00:45,949

you normally see goes like no and I'm

1377

01:00:49,719 --> 01:00:47,209

like you're probably not gonna see one

1378

01:00:54,269 --> 01:00:49,729

on a 30 minute tour with me this is not

1379

01:00:57,279 --> 01:00:54,279

McDonald's you know the ghost yeah

1380

01:00:59,859 --> 01:00:57,289

that's kind of like there's actually UFO

1381

01:01:01,749 --> 01:00:59,869

places that's like they pretty much

1382

01:01:03,759 --> 01:01:01,759

promise you the world and then you go

1383

01:01:07,749 --> 01:01:03,769

there and you just see a little light in

1384

01:01:10,539 --> 01:01:07,759

the sky and oh yeah mothers happen yes

1385

01:01:13,329 --> 01:01:10,549

it's just just make them write a

1386

01:01:16,180 --> 01:01:13,339

disclaimer on all my all my ghost hunts

1387

01:01:18,339 --> 01:01:16,190

now like this this buying a tour does

1388

01:01:19,089 --> 01:01:18,349

not guarantee a ghost that's just part

1389

01:01:22,749 --> 01:01:19,099

of it like

1390

01:01:29,680 --> 01:01:22,759

you know you can't expect that dude to

1391

01:01:31,719 --> 01:01:29,690

dress up for you or some projectors I've

1392

01:01:33,460 --> 01:01:31,729

done some incredibly cool ghost stuff

1393

01:01:35,859 --> 01:01:33,470

with projectors I used to be really into

1394

01:01:37,930 --> 01:01:35,869

that I should send you a video yeah I'd

1395

01:01:41,799 --> 01:01:37,940

love that I want to say that he's

1396

01:01:43,870 --> 01:01:41,809

talking about okay well I don't want to

1397

01:01:45,789 --> 01:01:43,880

keep you any longer because I know

1398

01:01:47,769 --> 01:01:45,799

you're a busy lady and I can't get late

1399

01:01:49,180 --> 01:01:47,779

tonight and your bus there it's so cool

1400

01:01:50,890 --> 01:01:49,190

to connect with you and thank you so

1401

01:01:53,380 --> 01:01:50,900

much for doing this I hope that you'll

1402

01:01:55,029 --> 01:01:53,390

come back here and give us an update on

1403

01:01:57,400 --> 01:01:55,039

what's going on because we could use a

1404

01:01:59,979 --> 01:01:57,410

resident ghost expert here on our show

1405

01:02:00,969 --> 01:01:59,989

we've got UFO experts and some other

1406

01:02:03,400 --> 01:02:00,979

experts

1407

01:02:05,469 --> 01:02:03,410

I'd love to consider you a friend that

1408

01:02:08,380 --> 01:02:05,479

would be a great thing for for me and

1409

01:02:10,779 --> 01:02:08,390

for our show I would love that thank you

1410

01:02:12,759 --> 01:02:10,789

I'm honored all right we'll be in touch

1411

01:02:15,130 --> 01:02:12,769

Rachel and good luck with all of your

1412

01:02:16,089 --> 01:02:15,140

future projects thank you so much thank

1413

01:02:17,710 --> 01:02:16,099

you for having me

1414

01:02:20,799 --> 01:02:17,720

all right thanks for e to you have a

1415

01:02:24,880 --> 01:02:20,809

good evening Peter - thank you all right

1416

01:02:28,660 --> 01:02:24,890

what a fun conversation friends tonight

1417

01:02:32,319 --> 01:02:28,670

was a selfish endeavor because I really

1418

01:02:34,329 --> 01:02:32,329

just wanted to sort of connect with this

1419

01:02:36,459 --> 01:02:34,339

person that I've been watching for quite

1420

01:02:39,249 --> 01:02:36,469

a while now and it was an interesting

1421

01:02:40,870 --> 01:02:39,259

conversation now I'm gonna turn my

1422

01:02:42,849 --> 01:02:40,880

attention to the live chat if you guys

1423

01:02:46,299 --> 01:02:42,859

have any comments or questions for me

1424

01:02:50,049 --> 01:02:46,309

before we wrap things up here and I just

1425

01:02:53,890 --> 01:02:50,059

want to mention you hear that no more

1426

01:02:56,170 --> 01:02:53,900

squeaking lights so thank you Mary oh he

1427

01:02:58,509 --> 01:02:56,180

you were right those lights were very

1428

01:03:01,599 --> 01:02:58,519

squeaky I'm talking about these lights

1429

01:03:03,940 --> 01:03:01,609

here these weird sort of watery lights

1430

01:03:06,609 --> 01:03:03,950

they're cool though and I really like

1431

01:03:09,789 --> 01:03:06,619

him and I wanted to still use them so

1432

01:03:11,769 --> 01:03:09,799

today I spent quite a long time taking

1433

01:03:18,279 --> 01:03:11,779

these things all apart and boiling every

1434

01:03:20,079 --> 01:03:18,289

moving part on them and I think that we

1435

01:03:22,599 --> 01:03:20,089

solved the problem there's no squeaking

1436

01:03:25,690 --> 01:03:22,609

now you may still hear this doll hung

1437

01:03:27,009 --> 01:03:25,700

from the Fremmen motors nothing I can do

1438

01:03:28,959 --> 01:03:27,019

about that maybe I could try wrapping

1439

01:03:31,059 --> 01:03:28,969

some it's lazy Rihanna but I think we've

1440

01:03:32,580 --> 01:03:31,069

solved that problem so little by little

1441

01:03:35,670 --> 01:03:32,590

these little

1442

01:03:38,130 --> 01:03:35,680

ethical hang-ups are being taken care of

1443

01:03:39,810 --> 01:03:38,140

and I want to thank you guys I'm sorry I

1444

01:03:42,450 --> 01:03:39,820

forgot all about what we were talking

1445

01:03:45,270 --> 01:03:42,460

about yesterday and I had a mini panic

1446

01:03:47,850 --> 01:03:45,280

attack when I realized that we're gonna

1447

01:03:50,070 --> 01:03:47,860

be having a female guest on tonight that

1448

01:03:51,600 --> 01:03:50,080

by the way I don't you know you guys

1449

01:03:53,850 --> 01:03:51,610

know this is the first time that I've

1450

01:03:57,150 --> 01:03:53,860

ever talked to Rachel and I didn't want

1451

01:03:59,850 --> 01:03:57,160

the live chats get bombed with comments

1452

01:04:02,550 --> 01:03:59,860

about yesterday's show and dildo seeking

1453

01:04:05,040 --> 01:04:02,560

and David Wilcock and so thank you guys

1454

01:04:06,990 --> 01:04:05,050

for not doing that because listen I can

1455

01:04:09,030 --> 01:04:07,000

tell now that she's pretty chill and I

1456

01:04:10,620 --> 01:04:09,040

could explain to her why people are

1457

01:04:12,330 --> 01:04:10,630

making those kind of comments in the

1458

01:04:15,570 --> 01:04:12,340

live chat but she isn't no walking in

1459

01:04:16,590 --> 01:04:15,580

here so for all she knows you know it

1460

01:04:19,740 --> 01:04:16,600

just could've been it could have been

1461

01:04:23,130 --> 01:04:19,750

pretty awkward now if you guys want to

1462

01:04:27,480 --> 01:04:23,140

make comments about dildo seeking you

1463

01:04:30,120 --> 01:04:27,490

have my blessing to do so and I'm gonna

1464

01:04:34,410 --> 01:04:30,130

turn my attention here back to you guys

1465

01:04:36,720 --> 01:04:34,420

in the live chat yeah here we go

1466

01:04:38,820 --> 01:04:36,730

they're got Rick Vaughn hen will exclude

1467

01:04:40,800 --> 01:04:38,830

her now that rachel has left can we

1468

01:04:42,510 --> 01:04:40,810

mention to dildos yeah you can mention a

1469

01:04:44,250 --> 01:04:42,520

dildos all you want I just didn't want

1470

01:04:46,200 --> 01:04:44,260

her to get the wrong idea and think that

1471

01:04:49,020 --> 01:04:46,210

any of those comments were directed

1472

01:04:51,420 --> 01:04:49,030

towards her you know we have to be

1473

01:04:53,100 --> 01:04:51,430

respectful well to all guests we have to

1474

01:04:55,980 --> 01:04:53,110

be respectful but especially to one that

1475

01:04:59,490 --> 01:04:55,990

I don't know very well like that's the

1476

01:05:05,040 --> 01:04:59,500

first time I talked to her and super

1477

01:05:08,390 --> 01:05:05,050

greasy I like this program good I'm

1478

01:05:11,400 --> 01:05:08,400

spewing I missed the start be jeez oh

1479

01:05:13,410 --> 01:05:11,410

and Brandon young I was just teasing bro

1480

01:05:17,100 --> 01:05:13,420

I can't blame it I can't blame a brother

1481

01:05:25,410 --> 01:05:17,110

for trying man god bless that girl's

1482

01:05:29,220 --> 01:05:25,420

boyfriend right okay let's see Nicholas

1483

01:05:32,220 --> 01:05:29,230

Krupa says hi Steven any movement up dwz

1484

01:05:36,230 --> 01:05:32,230

alley I'm not sure what you mean by

1485

01:05:39,390 --> 01:05:36,240

movement I am preparing for the

1486

01:05:40,880 --> 01:05:39,400

challenge that we laid out still it will

1487

01:05:44,480 --> 01:05:40,890

have more on that in

1488

01:05:46,370 --> 01:05:44,490

next week or so I'm also preparing sort

1489

01:05:49,070 --> 01:05:46,380

of a special report on this dannion

1490

01:05:52,040 --> 01:05:49,080

brinkley i'm going to do a quick show

1491

01:05:55,070 --> 01:05:52,050

hopefully quick show maybe tomorrow

1492

01:05:59,170 --> 01:05:55,080

that's going to just detail what I think

1493

01:06:03,670 --> 01:05:59,180

of David Wilcock new partner in slime or

1494

01:06:06,590 --> 01:06:03,680

grifter partner this dannion brinkley

1495

01:06:08,870 --> 01:06:06,600

and what i find may be surprising to

1496

01:06:11,360 --> 01:06:08,880

some people do I think that dannion

1497

01:06:12,920 --> 01:06:11,370

brinkley really died four times and had

1498

01:06:15,980 --> 01:06:12,930

a near-death experience and came back

1499

01:06:18,830 --> 01:06:15,990

each time and by the way just a

1500

01:06:22,160 --> 01:06:18,840

correction yesterday's show or I'm sorry

1501  
01:06:24,740 --> 01:06:22,170  
oh my last show wasn't yesterday I said

1502  
01:06:27,500 --> 01:06:24,750  
that he died five times that is

1503  
01:06:29,480 --> 01:06:27,510  
inaccurate so here's the correction we

1504  
01:06:33,620 --> 01:06:29,490  
want to be respectful even to the people

1505  
01:06:37,700 --> 01:06:33,630  
that we really don't believe he did not

1506  
01:06:40,490 --> 01:06:37,710  
die five times friends he died four

1507  
01:06:43,700 --> 01:06:40,500  
times and call it a coincidence or not

1508  
01:06:45,170 --> 01:06:43,710  
but he's written four books one for each

1509  
01:06:47,330 --> 01:06:45,180  
of the times he died and had a

1510  
01:06:52,060 --> 01:06:47,340  
near-death experience I find that

1511  
01:06:54,920 --> 01:06:52,070  
somewhat suspect very much suspect

1512  
01:07:00,620 --> 01:06:54,930  
Nicholas Krupa's he just had to he just

1513  
01:07:03,410 --> 01:07:00,630

wanted to say dildos yeah okay let's see

1514

01:07:05,450 --> 01:07:03,420

six designs I have an idea

1515

01:07:07,550 --> 01:07:05,460

on something to do with the buried

1516

01:07:10,160 --> 01:07:07,560

treasure hopefully as fun as I think I

1517

01:07:12,710 --> 01:07:10,170

will submit my entry sometime soon yeah

1518

01:07:15,560 --> 01:07:12,720

we would love to see that that would be

1519

01:07:17,030 --> 01:07:15,570

a good thing to see so I gotta tell you

1520

01:07:19,910 --> 01:07:17,040

friends I don't know why but I was

1521

01:07:22,390 --> 01:07:19,920

really nervous starting the show I think

1522

01:07:25,120 --> 01:07:22,400

because things were last-minute like

1523

01:07:28,220 --> 01:07:25,130

just one of those days where like that

1524

01:07:30,260 --> 01:07:28,230

like the backdrop was giving me trouble

1525

01:07:33,380 --> 01:07:30,270

two minutes before we went live and I'm

1526

01:07:36,830 --> 01:07:33,390

trying to tack it up and you know I

1527

01:07:39,350 --> 01:07:36,840

forgot I actually forgot the phone today

1528

01:07:41,390 --> 01:07:39,360

which is a whole another area of my

1529

01:07:43,970 --> 01:07:41,400

house so we're gonna skip the call-in

1530

01:07:46,550 --> 01:07:43,980

line today I think it was good

1531

01:07:48,470 --> 01:07:46,560

Phillip Blair says David Brinkley is

1532

01:07:49,610 --> 01:07:48,480

more interesting to be honest I haven't

1533

01:07:52,010 --> 01:07:49,620

been watching

1534

01:07:54,450 --> 01:07:52,020

they will [h\_\_\h] what I've seen you guys

1535

01:07:57,490 --> 01:07:54,460

reviewing him

1536

01:07:59,620 --> 01:07:57,500

okay David Wilcock said he died four

1537

01:08:01,200 --> 01:07:59,630

times then David Wilcock said he died

1538

01:08:06,760 --> 01:08:01,210

five same chef

1539

01:08:08,950 --> 01:08:06,770

yeah the okok is kind of yeah he

1540

01:08:11,530 --> 01:08:08,960

contradicts himself all the time and I

1541

01:08:16,510 --> 01:08:11,540

love by the way shout out the CW chatter

1542

01:08:18,970 --> 01:08:16,520

I have been watchin CW chinnners takedown

1543

01:08:22,150 --> 01:08:18,980

out over analysis of his latest videos

1544

01:08:24,760 --> 01:08:22,160

and God bless CW chatter because he

1545

01:08:27,430 --> 01:08:24,770

watches a four-hour David Wilcock video

1546

01:08:30,849 --> 01:08:27,440

so I don't have to I can just listen to

1547

01:08:32,590 --> 01:08:30,859

his analysis and I love this lie man

1548

01:08:34,420 --> 01:08:32,600

I've got a blank on what he calls it but

1549

01:08:36,789 --> 01:08:34,430

this thing that David Wilcock does where

1550

01:08:39,249 --> 01:08:36,799

he mentions a factual thing and then

1551

01:08:41,860 --> 01:08:39,259

later it's like the lie the circle back

1552

01:08:44,260 --> 01:08:41,870

line maneuver he'll mention some factual

1553

01:08:46,360 --> 01:08:44,270

and I never realized this but CEO

1554

01:08:48,190 --> 01:08:46,370

retainer is dead on if you watch David

1555

01:08:49,749 --> 01:08:48,200

woke up he'll mention some factual on

1556

01:08:52,570 --> 01:08:49,759

site a good source that's an actual

1557

01:08:54,670 --> 01:08:52,580

factual statement and then later he'll

1558

01:08:58,030 --> 01:08:54,680

mention that again and throw a lie in

1559

01:08:59,890 --> 01:08:58,040

there and he does it constantly it's

1560

01:09:01,959 --> 01:08:59,900

gonna be a lot harder to keep going with

1561

01:09:06,940 --> 01:09:01,969

these with these life vests with people

1562

01:09:11,890 --> 01:09:06,950

AC WH an ER given the analysis PG says

1563

01:09:19,209 --> 01:09:11,900

David Wilcock is a dildo yes he just

1564

01:09:21,610 --> 01:09:19,219

maybe he's gonna die soon well he's

1565

01:09:24,760 --> 01:09:21,620

gonna die one more time to milk it yeah

1566

01:09:27,970 --> 01:09:24,770

maybe right super goof on cat I think

1567

01:09:30,579 --> 01:09:27,980

that this he's gonna die any minute now

1568

01:09:32,890 --> 01:09:30,589

think of DWS is a setup

1569

01:09:34,510 --> 01:09:32,900

that's my theory I could be wrong but I

1570

01:09:36,430 --> 01:09:34,520

think they're setting him up so they can

1571

01:09:39,760 --> 01:09:36,440

write a new book he's gonna die for a

1572

01:09:42,610 --> 01:09:39,770

fifth time just so he has material to

1573

01:09:44,410 --> 01:09:42,620

write a new book and I just wanted to

1574

01:09:48,160 --> 01:09:44,420

mention that I agree with a few other

1575

01:09:50,349 --> 01:09:48,170

people like what oh let's say that a

1576

01:09:52,660 --> 01:09:50,359

hundred percent of everything dannion

1577

01:09:56,260 --> 01:09:52,670

brinkley ever said was true that he died

1578

01:09:59,800 --> 01:09:56,270

five times he's had five or four times

1579

01:10:02,260 --> 01:09:59,810

same fine he's died four times he's had

1580

01:10:04,930 --> 01:10:02,270

four near-death experiences and come

1581

01:10:06,130 --> 01:10:04,940

back from them okay let's take that all

1582

01:10:10,420 --> 01:10:06,140

as act absolute

1583

01:10:14,140 --> 01:10:10,430

fact well then why should we listen to

1584

01:10:17,980 --> 01:10:14,150

him about anything to do with Roswell or

1585

01:10:21,790 --> 01:10:17,990

light bodies near as I can recall he is

1586

01:10:25,030 --> 01:10:21,800

not an expert in his a tantric Buddhism

1587

01:10:28,000 --> 01:10:25,040

or Buddhism in general to be teaching

1588

01:10:29,770 --> 01:10:28,010

people about light bodies and isn't it

1589

01:10:32,140 --> 01:10:29,780

interesting friends that David Wilcock

1590

01:10:34,630 --> 01:10:32,150

here's what I believe he does he has a

1591

01:10:36,940 --> 01:10:34,640

deck of cards and uh you know on the one

1592

01:10:38,800 --> 01:10:36,950

side is the back of the card is just

1593

01:10:40,750 --> 01:10:38,810

like a playing card just the face of him

1594

01:10:43,600 --> 01:10:40,760

you know and the front of the card is

1595

01:10:46,450 --> 01:10:43,610

black and what he does is got 52 cards

1596

01:10:51,150 --> 01:10:46,460

and he writes things on each card like

1597

01:10:54,580 --> 01:10:51,160

mass arrests you know like light bodies

1598

01:10:57,100 --> 01:10:54,590

ascension and he just puts these cards

1599

01:10:59,560 --> 01:10:57,110

52 of them in a deck and when he needs

1600

01:11:02,410 --> 01:10:59,570

to do a show he just gets out that deck

1601  
01:11:03,430 --> 01:11:02,420  
of cards and lazy out cards right random

1602  
01:11:06,130 --> 01:11:03,440  
[h\_\_\h]

1603  
01:11:09,910 --> 01:11:06,140  
oh he's circling back to late bodies

1604  
01:11:12,520 --> 01:11:09,920  
David Wilcock you dumbass super smooth

1605  
01:11:14,620 --> 01:11:12,530  
deluxe you've already done the light

1606  
01:11:16,360 --> 01:11:14,630  
bodies and nothing happened we were

1607  
01:11:18,760 --> 01:11:16,370  
supposed to get the light bodies in the

1608  
01:11:21,220 --> 01:11:18,770  
year 2000 that's what you predicted we'd

1609  
01:11:23,560 --> 01:11:21,230  
all get these superpowers we didn't get

1610  
01:11:25,600 --> 01:11:23,570  
any superpowers David woke up because

1611  
01:11:28,150 --> 01:11:25,610  
you were wrong because you're stupid and

1612  
01:11:30,730 --> 01:11:28,160  
you just make [h\_\_\h] up didn't happen in

1613  
01:11:33,070 --> 01:11:30,740

the year 2000 isn't gonna happen in the

1614

01:11:36,310 --> 01:11:33,080

and again he circled back to light

1615

01:11:38,350 --> 01:11:36,320

bodies in 2012 well oh we're all gonna

1616

01:11:42,490 --> 01:11:38,360

send that's what the prophecy is all

1617

01:11:46,360 --> 01:11:42,500

about 2012 are and he strung together so

1618

01:11:50,820 --> 01:11:46,370

much separate nonsense the blue star

1619

01:11:54,960 --> 01:11:50,830

Hopi prophecy the Mayans and his own

1620

01:11:59,710 --> 01:11:54,970

flawed not flawed completely wrong

1621

01:12:02,650 --> 01:11:59,720

interpretation of light bodies from

1622

01:12:04,300 --> 01:12:02,660

Buddhism he strung all this crap

1623

01:12:07,170 --> 01:12:04,310

together decided we were all going to

1624

01:12:09,850 --> 01:12:07,180

get light bodies and super powers and

1625

01:12:11,860 --> 01:12:09,860

telekinesis and mind-reading and

1626

01:12:15,640 --> 01:12:11,870

levitation would be as common as

1627

01:12:18,310 --> 01:12:15,650

breathing didn't happen in 2012 you dumb

1628

01:12:20,170 --> 01:12:18,320

ass David Wilcock and now he's come back

1629

01:12:24,040 --> 01:12:20,180

now he's come back to the light bodies

1630

01:12:25,720 --> 01:12:24,050

friends he is desperate for new material

1631

01:12:28,210 --> 01:12:25,730

he has no material

1632

01:12:30,430 --> 01:12:28,220

he's not getting briefings he's not he

1633

01:12:32,860 --> 01:12:30,440

doesn't Intel every time I hear him say

1634

01:12:34,840 --> 01:12:32,870

I've got some new Intel you don't have

1635

01:12:37,330 --> 01:12:34,850

Intel and you sure don't have any

1636

01:12:47,700 --> 01:12:37,340

intelligence despite the fact that you

1637

01:12:52,120 --> 01:12:50,530

design I like the backdrop you got

1638

01:12:54,610 --> 01:12:52,130

totally fits you dude

1639

01:12:57,190 --> 01:12:54,620

you know what success I looked for

1640

01:12:58,930 --> 01:12:57,200

backdrops for literally every night for

1641

01:13:01,090 --> 01:12:58,940

a week and I kept going through put in

1642

01:13:03,550 --> 01:13:01,100

different search terms and Amazon and I

1643

01:13:05,410 --> 01:13:03,560

found this one and I went that's it

1644

01:13:07,840 --> 01:13:05,420

like I didn't know what I was looking

1645

01:13:10,480 --> 01:13:07,850

for but as soon as I saw this one I went

1646

01:13:12,460 --> 01:13:10,490

that's it and I got another one which is

1647

01:13:14,140 --> 01:13:12,470

sort of like a space scene that I kind

1648

01:13:17,320 --> 01:13:14,150

of like and I'm gonna be using that one

1649

01:13:18,700 --> 01:13:17,330

at the cabin but part of me doesn't want

1650

01:13:20,860 --> 01:13:18,710

to put a backdrop up at the cabin

1651

01:13:24,850 --> 01:13:20,870

because I worked for a year on those

1652

01:13:28,690 --> 01:13:24,860

walls and you know and besides it's kind

1653

01:13:30,670 --> 01:13:28,700

of a novelty like you know I'm at I'm at

1654

01:13:33,880 --> 01:13:30,680

a cabin doing a livestream show so I

1655

01:13:38,950 --> 01:13:33,890

might just leave the cabin backdrop be

1656

01:13:40,440 --> 01:13:38,960

the Gavin right Phil Blair it looks like

1657

01:13:42,580 --> 01:13:40,450

you're hiding out in an aquarium

1658

01:13:45,790 --> 01:13:42,590

after-hours yeah it looks like I could

1659

01:13:48,310 --> 01:13:45,800

be swimming in here I like it I like it

1660

01:13:49,330 --> 01:13:48,320

Oh solar Marshall is here shout out the

1661

01:13:51,010 --> 01:13:49,340

Solar Marshall

1662

01:13:52,510 --> 01:13:51,020

how could none of you know about

1663

01:13:54,340 --> 01:13:52,520

Brinkley I thought I've got him since

1664

01:13:57,010 --> 01:13:54,350

the 80s he was on unsolved mysteries

1665

01:13:59,890 --> 01:13:57,020

with Robert Stack why is he with David

1666

01:14:03,490 --> 01:13:59,900

Wilcox oh that that's a great point

1667

01:14:06,400 --> 01:14:03,500

so I'm Marshall why is David Wilcox

1668

01:14:09,910 --> 01:14:06,410

suddenly got a new let's just call a

1669

01:14:12,130 --> 01:14:09,920

presenting partner folks there's a

1670

01:14:14,710 --> 01:14:12,140

reason that this guy dannion brinkley

1671

01:14:16,990 --> 01:14:14,720

suddenly showed up in david wilcock and

1672

01:14:19,000 --> 01:14:17,000

it's all up and david wilcock [h\_\_h]

1673

01:14:21,010 --> 01:14:19,010

living in his house I don't know

1674

01:14:24,250 --> 01:14:21,020

according then walk off he's dying and

1675

01:14:28,880 --> 01:14:24,260

Elizabeth and him are helping the guy

1676

01:14:31,370 --> 01:14:28,890

you know I guess die okay

1677

01:14:34,400 --> 01:14:31,380

looks I don't know if that's true or not

1678

01:14:37,670 --> 01:14:34,410

that he's dying but based on every other

1679

01:14:40,550 --> 01:14:37,680

time that David Wilcock has lied to me

1680

01:14:42,350 --> 01:14:40,560

no one could blame me for assuming that

1681

01:14:47,630 --> 01:14:42,360

David Wilcock is lying about this

1682

01:14:49,070 --> 01:14:47,640

dannion brinkley being terminally ill do

1683

01:14:50,960 --> 01:14:49,080

we still have time to buy bury and

1684

01:14:52,940 --> 01:14:50,970

document film our own dildos for DW

1685

01:14:55,460 --> 01:14:52,950

finding yes I'm not going to put a time

1686

01:14:58,520 --> 01:14:55,470

limit on my viewers who are burying

1687

01:15:00,590 --> 01:14:58,530

dildos for David Wilcock but there are

1688

01:15:03,200 --> 01:15:00,600

some new rules and I'm gonna talk about

1689

01:15:06,680 --> 01:15:03,210

them here if you're gonna bury one you

1690

01:15:10,100 --> 01:15:06,690

have to email me at truth seekers show

1691

01:15:12,560 --> 01:15:10,110

at gmail.com then I'm going to give you

1692

01:15:14,600 --> 01:15:12,570

a special code and you have to write

1693

01:15:16,820 --> 01:15:14,610

that code on a piece of paper and put it

1694

01:15:19,730 --> 01:15:16,830

in your box of dildos this is just to

1695

01:15:21,470 --> 01:15:19,740

prevent slimeball David Wilcock from you

1696

01:15:23,840 --> 01:15:21,480

know saying that he found a bunch of

1697

01:15:27,050 --> 01:15:23,850

dildos that have nothing to do with my

1698

01:15:30,200 --> 01:15:27,060

viewers and you know I don't know if he

1699

01:15:32,300 --> 01:15:30,210

would do that but I don't want any

1700

01:15:34,610 --> 01:15:32,310

possibility that there could be trickery

1701

01:15:36,110 --> 01:15:34,620

or somebody claimed you know he can't be

1702

01:15:38,870 --> 01:15:36,120

claiming that he's just finding random

1703

01:15:41,240 --> 01:15:38,880

dildos he's got to find dildos that my

1704

01:15:44,290 --> 01:15:41,250

viewers buried in their secret locations

1705

01:15:48,530 --> 01:15:44,300

so email me through the Seekers show and

1706

01:15:53,780 --> 01:15:48,540

it's not truth seekers show it's TR u th

1707

01:15:58,130 --> 01:15:53,790

SE e ke r sh o w one word @ gmail.com

1708

01:16:00,490 --> 01:15:58,140

I'll give you the super-secret David

1709

01:16:04,250 --> 01:16:00,500

Wilcock box of dildos challenge code and

1710

01:16:07,460 --> 01:16:04,260

you've got to put that in when you bury

1711

01:16:09,470 --> 01:16:07,470

your dildo this way if David Wilcock

1712

01:16:11,840 --> 01:16:09,480

finds that dildo he'll be able to give

1713

01:16:14,600 --> 01:16:11,850

me the code and we can check it on my

1714

01:16:17,570 --> 01:16:14,610

spreadsheet and determine that yes he

1715

01:16:19,460 --> 01:16:17,580

found one of the dildos though I think

1716

01:16:22,430 --> 01:16:19,470

he's gonna find a single dildo let alone

1717

01:16:24,860 --> 01:16:22,440

my tremendous huge treasure box full of

1718

01:16:27,440 --> 01:16:24,870

dildos absolutely not folks he's not

1719

01:16:30,290 --> 01:16:27,450

gonna find [h\_\_h] because he's a dumb ass

1720

01:16:34,190 --> 01:16:30,300

idiot he's not a psychic he's he's not

1721

01:16:36,770 --> 01:16:34,200

channelling gods like Rob he doesn't

1722

01:16:38,990 --> 01:16:36,780

have government insiders his friends

1723

01:16:41,300 --> 01:16:39,000

don't really talk to aliens

1724

01:16:45,190 --> 01:16:41,310

in their own imaginations just like

1725

01:16:48,380 --> 01:16:45,200

David Wilcock friends he's not under KC

1726

01:16:51,890 --> 01:16:48,390

reincarnated but if he is find a box of

1727

01:16:55,340 --> 01:16:51,900

dildos you dumbass all this [h\_\_h] you've

1728

01:16:58,730 --> 01:16:55,350

been spewing for 25 years and you can't

1729

01:16:59,630 --> 01:16:58,740

find a single box of dildos that

1730

01:17:01,760 --> 01:16:59,640

somebody buried

1731

01:17:03,500 --> 01:17:01,770

what good are your superpowers if you

1732

01:17:05,120 --> 01:17:03,510

can't tell where people are burying

1733

01:17:08,360 --> 01:17:05,130

dildos just for you

1734

01:17:11,390 --> 01:17:08,370

David Wilcock you dumb ass oh and that's

1735

01:17:13,370 --> 01:17:11,400

another thing listen I'm not complaining

1736

01:17:16,040 --> 01:17:13,380

because I'm happy for everybody that has

1737

01:17:20,330 --> 01:17:16,050

posted anything about the David Wilcock

1738

01:17:22,670 --> 01:17:20,340

box of dildos challenge but a lot of

1739

01:17:25,940 --> 01:17:22,680

people are posting and not hash tagging

1740

01:17:27,890 --> 01:17:25,950

it so please and then I'm retweeting

1741

01:17:29,630 --> 01:17:27,900

what they you know gonna try to retweet

1742

01:17:31,400 --> 01:17:29,640

what people tweet about the David

1743

01:17:33,530 --> 01:17:31,410

Wilcock box until those challenges and

1744

01:17:35,090 --> 01:17:33,540

then hashtag it myself but it would be

1745

01:17:37,220 --> 01:17:35,100

much better if you're gonna post

1746

01:17:39,050 --> 01:17:37,230

something you just want a hashtag and

1747

01:17:41,240 --> 01:17:39,060

that would be the number sign and then

1748

01:17:44,600 --> 01:17:41,250

his name David Wilcock and then dildo

1749

01:17:47,210 --> 01:17:44,610

seeker all one-word David Wilcock dildo

1750

01:17:49,400 --> 01:17:47,220

secret David Wilcock you're the dildo

1751

01:17:53,270 --> 01:17:49,410

secret nail I'm the truth seeker David

1752

01:17:55,400 --> 01:17:53,280

Wilcock you're a dildo seeker let's

1753

01:17:58,970 --> 01:17:55,410

light him up friends let's light him up

1754

01:18:01,220 --> 01:17:58,980

oh and I did tagged his live chat and I

1755

01:18:05,200 --> 01:18:01,230

just want to say that uh you know this

1756

01:18:07,730 --> 01:18:05,210

first of all this whole experiment is

1757

01:18:09,590 --> 01:18:07,740

ridiculous somebody sent me an email and

1758

01:18:13,250 --> 01:18:09,600

said Steve I like your show but this is

1759

01:18:15,830 --> 01:18:13,260

kind of ridiculous you're right Barry

1760

01:18:19,310 --> 01:18:15,840

and dildos for a fake psychic define is

1761

01:18:21,350 --> 01:18:19,320

stupid it's ridiculous but it's equally

1762

01:18:23,570 --> 01:18:21,360

ridiculous that this [h\_\_h] has been

1763

01:18:26,270 --> 01:18:23,580

allowed to go on the internet telling

1764

01:18:28,190 --> 01:18:26,280

fairy tales for 25 years and somehow

1765

01:18:30,020 --> 01:18:28,200

able to buy himself million-dollar

1766

01:18:34,490 --> 01:18:30,030

mansions and hundred thousand dollar

1767

01:18:36,200 --> 01:18:34,500

cars it's ridiculous and so was our

1768

01:18:38,930 --> 01:18:36,210

dildo challenge I'm not gonna apologize

1769

01:18:41,480 --> 01:18:38,940

for our dildo challenge being ridiculous

1770

01:18:43,700 --> 01:18:41,490

David Wilcock [h\_\_h] and fairytales

1771

01:18:47,090 --> 01:18:43,710

are ridiculous the number of times he's

1772

01:18:49,550 --> 01:18:47,100

been caught lying is ridiculous the fact

1773

01:18:52,609 --> 01:18:49,560

that he will not address real criticism

1774

01:18:55,489 --> 01:18:52,619

about his financial matters of

1775

01:18:57,500 --> 01:18:55,499

now all of this shady financial dealings

1776

01:18:59,270 --> 01:18:57,510

that he's been involved in why won't you

1777

01:19:01,219 --> 01:18:59,280

answer questions he won't answer

1778

01:19:02,810 --> 01:19:01,229

questions because he doesn't want to he

1779

01:19:08,830 --> 01:19:02,820

doesn't want people to know the truth

1780

01:19:11,899 --> 01:19:10,009

okay

1781

01:19:13,729 --> 01:19:11,909

DW his own words he wants to milk

1782

01:19:15,560 --> 01:19:13,739

Brinkley before he died yeah this

1783

01:19:20,029 --> 01:19:15,570

dumbass got caught saying we're gonna

1784

01:19:23,319 --> 01:19:20,039

milk this and also there's it's in the

1785

01:19:26,299 --> 01:19:23,329

marketing materials for his new course

1786

01:19:28,549 --> 01:19:26,309

dannion brinkley may die but don't worry

1787

01:19:29,330 --> 01:19:28,559

we've pre-recorded so you'll still get

1788

01:19:31,759 --> 01:19:29,340

your money's worth

1789

01:19:34,459 --> 01:19:31,769

it's he worried about his friend dying

1790

01:19:37,969 --> 01:19:34,469

or is he worried about selling another

1791

01:19:40,899 --> 01:19:37,979

[h\_\_h] course to another crop of

1792

01:19:43,819 --> 01:19:40,909

stupid hopeless people that believe

1793

01:19:46,069 --> 01:19:43,829

anything that he says I don't know about

1794

01:19:47,719 --> 01:19:46,079

you but if I had a close friend that

1795

01:19:50,089 --> 01:19:47,729

I've known for 20 years that was dying

1796

01:19:52,429 --> 01:19:50,099

living in my house the last thing I

1797

01:19:54,919 --> 01:19:52,439

would be doing is trying to sell [h\_\_h]

1798

01:19:57,229 --> 01:19:54,929

related to my dying friend I would be

1799

01:20:00,169 --> 01:19:57,239

caring for an attending and spending

1800

01:20:02,689 --> 01:20:00,179

every moment I could with my dying

1801  
01:20:05,449 --> 01:20:02,699  
friend but that's just me and you know

1802  
01:20:07,909 --> 01:20:05,459  
what I think this is hysterical I'm not

1803  
01:20:10,520 --> 01:20:07,919  
a love and light person I'm not a

1804  
01:20:12,379 --> 01:20:10,530  
spiritual guru but I think most people

1805  
01:20:14,389 --> 01:20:12,389  
would agree with me that having a

1806  
01:20:16,879 --> 01:20:14,399  
terminally ill patient live with you and

1807  
01:20:19,069 --> 01:20:16,889  
trying to sell some [\h\_\_\h] before he dies

1808  
01:20:20,989 --> 01:20:19,079  
hurry up and sell some [\h\_\_\h] while my

1809  
01:20:24,339 --> 01:20:20,999  
terminal patients living with you before

1810  
01:20:27,109 --> 01:20:24,349  
he dies that makes you a disgusting

1811  
01:20:30,080 --> 01:20:27,119  
filthy evil human being

1812  
01:20:34,459 --> 01:20:30,090  
David Wilcock nobody would do that

1813  
01:20:37,069 --> 01:20:34,469

except you you greedy stupid man

1814

01:20:39,080 --> 01:20:37,079

that's how greedy he is well this guy's

1815

01:20:41,239 --> 01:20:39,090

dying we might as well will we might as

1816

01:20:47,540 --> 01:20:41,249

well milk it while he's living here sell

1817

01:20:50,719 --> 01:20:47,550

a new course BG CW is a great sport he

1818

01:20:52,549 --> 01:20:50,729

read my super chat about Jason quit oh I

1819

01:20:55,159 --> 01:20:52,559

didn't think about that yeah I should go

1820

01:20:58,009 --> 01:20:55,169

in there at super Chatham I think I did

1821

01:21:00,500 --> 01:20:58,019

do one but he missed it because he was

1822

01:21:02,750 --> 01:21:00,510

talking at the time and it was race

1823

01:21:06,150 --> 01:21:02,760

Pookie said something greater than

1824

01:21:08,940 --> 01:21:06,160

something else so I put Jason quit great

1825

01:21:10,590 --> 01:21:08,950

than CW chanter but he missed it damn it

1826  
01:21:12,390 --> 01:21:10,600  
maybe I'll do it as a super chat he has

1827  
01:21:15,120 --> 01:21:12,400  
to read it hahaha

1828  
01:21:16,620 --> 01:21:15,130  
oh yeah he wants to milk it he

1829  
01:21:18,390 --> 01:21:16,630  
definitely wants to milk it he just

1830  
01:21:22,280 --> 01:21:18,400  
repeats the same things and goes off on

1831  
01:21:27,690 --> 01:21:22,290  
a tangent way too often oh dear

1832  
01:21:31,050 --> 01:21:27,700  
yeah I'm Way behind guys quilts was super

1833  
01:21:33,810 --> 01:21:31,060  
view fun cat quilts quilts I did not know

1834  
01:21:35,790 --> 01:21:33,820  
that they that uh Jason quit made quilts

1835  
01:21:37,620 --> 01:21:35,800  
and I started to talk to him about super

1836  
01:21:40,920 --> 01:21:37,630  
bee he makes quilts that's what he does

1837  
01:21:43,410 --> 01:21:40,930  
that's just like wow that's like a dude

1838  
01:21:46,680 --> 01:21:43,420

knitting a man making quilts I'm sorry

1839

01:21:50,070 --> 01:21:46,690

Jason quit you're already Canadian right

1840

01:21:53,100 --> 01:21:50,080

so that like pegs a few points off of

1841

01:21:55,950 --> 01:21:53,110

your manliness scale being Canadian cuz

1842

01:21:57,110 --> 01:21:55,960

you're too polite but come on Jason quit

1843

01:22:03,410 --> 01:21:57,120

you make quilts

1844

01:22:07,350 --> 01:22:03,420

he's a dildo maybe now I understand why

1845

01:22:08,550 --> 01:22:07,360

CW channa doesn't understand DISA quit I

1846

01:22:10,500 --> 01:22:08,560

don't understand some of the stuff he

1847

01:22:13,230 --> 01:22:10,510

does either Brad grey work in plastic

1848

01:22:16,440 --> 01:22:13,240

factor in m82 huge dildos one black one

1849

01:22:19,740 --> 01:22:16,450

white but the white is not the most of

1850

01:22:21,600 --> 01:22:19,750

wearing in colors Wow Brad grey send me

1851  
01:22:23,730 --> 01:22:21,610  
or tweet me a picture of those dildos

1852  
01:22:25,880 --> 01:22:23,740  
have you actually made two huge dildos

1853  
01:22:29,610 --> 01:22:25,890  
that would be awesome

1854  
01:22:32,040 --> 01:22:29,620  
good call super v6 designs out of the

1855  
01:22:34,620 --> 01:22:32,050  
six designs at all you guys here be jeez

1856  
01:22:36,420 --> 01:22:34,630  
I heard a lil nineties art bell show

1857  
01:22:38,910 --> 01:22:36,430  
yeah I've heard of dannion brinkley

1858  
01:22:42,390 --> 01:22:38,920  
before on something and I think it was

1859  
01:22:44,190 --> 01:22:42,400  
either unsolved mysteries for got there

1860  
01:22:46,170 --> 01:22:44,200  
was a shown it can't remember blanking

1861  
01:22:48,240 --> 01:22:46,180  
on the name of it oh the outer limits

1862  
01:22:50,730 --> 01:22:48,250  
maybe or something like that where they

1863  
01:22:52,740 --> 01:22:50,740

did all paranormal stories and dannion

1864

01:22:54,780 --> 01:22:52,750

brinkley story about dying and waking up

1865

01:22:56,850 --> 01:22:54,790

in the morgue who's in there I'm gonna

1866

01:22:58,680 --> 01:22:56,860

try to find that for my special report

1867

01:23:00,060 --> 01:22:58,690

on dannion brinkley there's a movie

1868

01:23:02,310 --> 01:23:00,070

called dead zone with Christopher Walken

1869

01:23:04,470 --> 01:23:02,320

it's very similar the Brinkley's story

1870

01:23:07,410 --> 01:23:04,480

frankly maintains the event happens in

1871

01:23:09,660 --> 01:23:07,420

1975 yes and not coincidentally to come

1872

01:23:13,320 --> 01:23:09,670

20 years to tell the story which doesn't

1873

01:23:15,450 --> 01:23:13,330

really I don't know if if I had some

1874

01:23:17,940 --> 01:23:15,460

incredible prophecies to share with

1875

01:23:19,589 --> 01:23:17,950

humankind that I got from God and the

1876  
01:23:21,569 --> 01:23:19,599  
angels through a near-death experience

1877  
01:23:24,080 --> 01:23:21,579  
I don't think I'd wait 20 years to write

1878  
01:23:26,550 --> 01:23:24,090  
it down but hey you know that's just me

1879  
01:23:29,220 --> 01:23:26,560  
the best lie is the one that's mostly

1880  
01:23:31,740 --> 01:23:29,230  
truth I agree with you ream see I wish I

1881  
01:23:33,600 --> 01:23:31,750  
had a light body but I just keep keep

1882  
01:23:37,770 --> 01:23:33,610  
getting wings that you know what Reem

1883  
01:23:40,410 --> 01:23:37,780  
see I lost 45 pounds that won't go and

1884  
01:23:42,810 --> 01:23:40,420  
uh boy ask anybody that's ever lost like

1885  
01:23:44,970 --> 01:23:42,820  
40 or 50 pounds it's not easy it took a

1886  
01:23:46,979 --> 01:23:44,980  
lot of consistent effort and dieting and

1887  
01:23:47,520 --> 01:23:46,989  
switching the light beer and here's what

1888  
01:23:50,580 --> 01:23:47,530

happened

1889

01:23:51,930 --> 01:23:50,590

I started getting too complacent is that

1890

01:23:53,550 --> 01:23:51,940

the right word I started getting too

1891

01:23:54,899 --> 01:23:53,560

comfortable with the fact that I would

1892

01:23:57,000 --> 01:23:54,909

keep the weight off so I switched back

1893

01:23:58,589 --> 01:23:57,010

to real beer and that was a stupid idea

1894

01:24:00,689 --> 01:23:58,599

because now I'm starting to creep up a

1895

01:24:03,149 --> 01:24:00,699

few pounds gonna have to go back to the

1896

01:24:04,859 --> 01:24:03,159

light beer David Wilcock is so boring

1897

01:24:07,410 --> 01:24:04,869

and such a hoax or why do people bother

1898

01:24:09,180 --> 01:24:07,420

even talking about him because it's fun

1899

01:24:10,950 --> 01:24:09,190

solar Marshall and it's easy

1900

01:24:13,890 --> 01:24:10,960

he makes if you're somebody that likes

1901

01:24:16,310 --> 01:24:13,900

to catch these frauds and lies he makes

1902

01:24:18,540 --> 01:24:16,320

your life really easy

1903

01:24:20,370 --> 01:24:18,550

DW there was very little truth he could

1904

01:24:25,200 --> 01:24:20,380

figure out most of it was just made-up

1905

01:24:27,600 --> 01:24:25,210

BS what a turd I agree tibetan rainbow

1906

01:24:30,030 --> 01:24:27,610

body was studied by david wilcock he's

1907

01:24:31,709 --> 01:24:30,040

wore the work father Francis T so made

1908

01:24:34,520 --> 01:24:31,719

it really weird and passed it off as a

1909

01:24:36,780 --> 01:24:34,530

zone it would not surprise me

1910

01:24:40,589 --> 01:24:36,790

some people are passionate because they

1911

01:24:43,709 --> 01:24:40,599

have been burned by the guy and/or the

1912

01:24:45,800 --> 01:24:43,719

grit yeah yeah I you know I thought of

1913

01:24:48,750 --> 01:24:45,810

something really funny was just like

1914

01:24:51,390 --> 01:24:48,760

hello this is his book the source field

1915

01:24:53,010 --> 01:24:51,400

investigations I think and that book is

1916

01:24:56,760 --> 01:24:53,020

filled with stories about Pete Peterson

1917

01:24:58,560 --> 01:24:56,770

and quite honestly I thought that David

1918

01:25:01,649 --> 01:24:58,570

Wilcox should be forced to give me my

1919

01:25:04,350 --> 01:25:01,659

money back for that book and because the

1920

01:25:07,109 --> 01:25:04,360

book is filled with lies from proven now

1921

01:25:09,689 --> 01:25:07,119

I've proven that Pete Peterson lied

1922

01:25:11,100 --> 01:25:09,699

about his entire background he wasn't

1923

01:25:12,569 --> 01:25:11,110

you know I'm we're not gonna go over to

1924

01:25:16,560 --> 01:25:12,579

get him Pete Peterson had this biography

1925

01:25:18,780 --> 01:25:16,570

full of all of these bragging claims one

1926

01:25:21,689 --> 01:25:18,790

of the minute is you've any one the

1927

01:25:23,189 --> 01:25:21,699

Russian Order of Lenin award folks you

1928

01:25:25,439 --> 01:25:23,199

can look that up that was a lie

1929

01:25:27,899 --> 01:25:25,449

everything in pete peterson's biography

1930

01:25:31,500 --> 01:25:27,909

is a lie so if David Wilcock writes a

1931

01:25:33,299 --> 01:25:31,510

book that he says isn't is fat not

1932

01:25:35,640 --> 01:25:33,309

saying this is a fictional book he's

1933

01:25:37,680 --> 01:25:35,650

saying these are all real stories and we

1934

01:25:40,459 --> 01:25:37,690

can prove that the guy that's telling

1935

01:25:44,370 --> 01:25:40,469

all these stories Pete Peterson is a

1936

01:25:45,750 --> 01:25:44,380

fraud then I think David Wilcox enough

1937

01:25:48,680 --> 01:25:45,760

to give all the money back from that

1938

01:25:51,149 --> 01:25:48,690

book for lies from a lying fake

1939

01:25:53,100 --> 01:25:51,159

so-called government insider that never

1940

01:25:55,109 --> 01:25:53,110

worked for the government can and and

1941

01:25:57,509 --> 01:25:55,119

David Wilcock you can't prove you ever

1942

01:25:59,069 --> 01:25:57,519

work for the government you dumb ass and

1943

01:26:01,379 --> 01:25:59,079

one of your videos you said Pete

1944

01:26:05,450 --> 01:26:01,389

Peterson is the only person that ever

1945

01:26:08,009 --> 01:26:05,460

worked for the CIA the NSA and the DIA

1946

01:26:12,209 --> 01:26:08,019

dummies dummies

1947

01:26:14,370 --> 01:26:12,219

David loka you are you claim you're some

1948

01:26:17,009 --> 01:26:14,380

great researcher a second-grader

1949

01:26:18,779 --> 01:26:17,019

can go to those websites and believe it

1950

01:26:21,240 --> 01:26:18,789

or not folks you can verify employment

1951

01:26:24,120 --> 01:26:21,250

and look as long as the person is not in

1952

01:26:26,459 --> 01:26:24,130

an active undercover position they will

1953

01:26:29,910 --> 01:26:26,469

verify employment if somebody works to

1954

01:26:31,470 --> 01:26:29,920

CIA a good dia or the NSA yes folks you

1955

01:26:33,479 --> 01:26:31,480

can do it and I did it in the case of

1956

01:26:36,000 --> 01:26:33,489

Pete Peterson didn't work in any of

1957

01:26:37,620 --> 01:26:36,010

those three agencies so there you go

1958

01:26:40,439 --> 01:26:37,630

David Wilkins it's just one of your lies

1959

01:26:43,259 --> 01:26:40,449

I busted you on and it was easy it was

1960

01:26:46,529 --> 01:26:43,269

so easy three emails three phone calls

1961

01:26:48,600 --> 01:26:46,539

maybe six emails six phone calls and I

1962

01:26:51,299 --> 01:26:48,610

proved that you just lied through your

1963

01:26:53,669 --> 01:26:51,309

teeth in a video sponsored by your

1964

01:26:56,549 --> 01:26:53,679

charitable organization so you've got a

1965

01:26:58,770 --> 01:26:56,559

charitable organization that you're

1966

01:27:01,680 --> 01:26:58,780

paying yourself out of to create these

1967

01:27:05,939 --> 01:27:01,690

videos and in the videos you are lying

1968

01:27:07,709 --> 01:27:05,949

through your teeth to people so you want

1969

01:27:10,049 --> 01:27:07,719

people to donate to your foundation so

1970

01:27:11,939 --> 01:27:10,059

you can pay yourself to create videos

1971

01:27:14,370 --> 01:27:11,949

where you can lie through your teeth to

1972

01:27:21,000 --> 01:27:14,380

people it's ridiculous David Wilcock and

1973

01:27:22,410 --> 01:27:21,010

so are you dr. death convinced a hundred

1974

01:27:24,000 --> 01:27:22,420

plus people to commit suicide using

1975

01:27:26,729 --> 01:27:24,010

Brinkley's white light it's bliss

1976

01:27:29,640 --> 01:27:26,739

euphoria yes angel story I did not hear

1977

01:27:33,379 --> 01:27:29,650

that you're gonna have to explain that

1978

01:27:35,459 --> 01:27:33,389

one to me on Twitter in Apia a DM

1979

01:27:39,569 --> 01:27:35,469

Supervia I'd love to hear more about

1980

01:27:42,299 --> 01:27:39,579

that but you have a link to her channel

1981

01:27:44,510 --> 01:27:42,309

site just a thought unless she wants

1982

01:27:46,640 --> 01:27:44,520

privacy kind of thing No

1983

01:27:58,220 --> 01:27:46,650

most of her stuff she posts on Facebook

1984

01:28:00,710 --> 01:27:58,230

and I'll post the link here hold on okay

1985

01:28:03,920 --> 01:28:00,720

folks let me get this up here and we see

1986

01:28:06,400 --> 01:28:03,930

her in this shot like I said today it

1987

01:28:10,280 --> 01:28:06,410

was like a guilty pleasure cuz I got to

1988

01:28:12,260 --> 01:28:10,290

I got to talk to somebody that I've been

1989

01:28:14,120 --> 01:28:12,270

we're really kind of watching from the

1990

01:28:15,830 --> 01:28:14,130

sidelines for a long time and it was

1991

01:28:18,620 --> 01:28:15,840

interesting to get to do that and put

1992

01:28:20,240 --> 01:28:18,630

you know a voice in more of a face to

1993

01:28:22,160 --> 01:28:20,250

her name and and get to know her a

1994

01:28:26,360 --> 01:28:22,170

little bit it was fun and you know

1995

01:28:29,900 --> 01:28:26,370

friends that's more of what I should be

1996

01:28:32,600 --> 01:28:29,910

1997

01:28:34,220 --> 01:28:32,610

posting these videos which are like

2028

01:29:51,110 --> 01:29:47,880

walkthroughs of these haunted locations

2029

01:29:57,650 --> 01:29:51,120

it's so much fun watching her I really

2030

01:30:06,420 --> 01:30:02,310

yeah so we shared that Cory good have

2031

01:30:08,640 --> 01:30:06,430

jumped DW doesn't get a pass with me

2032

01:30:10,440 --> 01:30:08,650

that's for sure he's a con artists the

2033

01:30:16,020 --> 01:30:10,450

more people we can enlighten the better

2034

01:30:18,780 --> 01:30:16,030

I agree yeah you guys need new material

2035

01:30:20,640 --> 01:30:18,790

we've got the Sarah Adams investigation

2036

01:30:27,260 --> 01:30:20,650

still ongoing oh I wanted to mention

2037

01:30:29,490 --> 01:30:27,270

about that so we're gonna I'm gonna man

2038

01:30:30,930 --> 01:30:29,500

let me see you guys are going to stick

2039

01:30:33,740 --> 01:30:30,940

around for a little while so here's what

2040

01:30:36,450 --> 01:30:33,750

I gotta do I have to take a short break

2041

01:30:41,940 --> 01:30:36,460

but when I get back what we're going to

2042

01:30:43,560 --> 01:30:41,950

do is we are going to give you an update

2043

01:30:46,080 --> 01:30:43,570

on the strange case of Sarah Adams

2044

01:30:50,850 --> 01:30:46,090

things have to be pushed back and there

2045

01:30:53,460 --> 01:30:50,860

is a reason for that listen things are

2046

01:30:55,460 --> 01:30:53,470

unavoidable but I mean and there's a few

2047

01:30:57,810 --> 01:30:55,470

things in relation to the Sarah Adams

2048

01:30:59,640 --> 01:30:57,820

strange case of Sarah Adams that I'd

2049

01:31:01,200 --> 01:30:59,650

like to update everybody on and this is

2050

01:31:02,850 --> 01:31:01,210

really kind of important so we're going

2051  
01:31:04,740 --> 01:31:02,860  
to take a short break so I can attend to

2052  
01:31:06,390 --> 01:31:04,750  
something very quickly so I going to be

2053  
01:31:07,680 --> 01:31:06,400  
a minute or two and then I'm going to be

2054  
01:31:13,940 --> 01:31:07,690  
right back and we'll do that

2055  
01:31:56,609 --> 01:31:23,540  
[Music]

2056  
01:32:00,660 --> 01:31:56,619  
okay friends and we are back what I was

2057  
01:32:02,129 --> 01:32:00,670  
quick I don't know if that I think

2058  
01:32:05,340 --> 01:32:02,139  
that's supposed to fade slowly not

2059  
01:32:07,229 --> 01:32:05,350  
jumped so quickly okay so let me get

2060  
01:32:11,040 --> 01:32:07,239  
back to the live chat and then we're

2061  
01:32:14,520 --> 01:32:11,050  
gonna we're gonna talk about the Strange

2062  
01:32:19,140 --> 01:32:14,530  
Case of Sarah Adams for a bit so first

2063  
01:32:22,040 --> 01:32:19,150

of all I just want to say that like let

2064

01:32:27,479 --> 01:32:23,790

things take time

2065

01:32:28,649 --> 01:32:27,489

and you know that saying like life is

2066

01:32:31,649 --> 01:32:28,659

what happens when you're busy making

2067

01:32:36,000 --> 01:32:31,659

plans here's what I planned I planned on

2068

01:32:38,250 --> 01:32:36,010

doing one show with that girl and abiram

2069

01:32:40,350 --> 01:32:38,260

interviewer talk about whatever is going

2070

01:32:44,570 --> 01:32:40,360

on with her

2071

01:32:46,740 --> 01:32:44,580

her psychic powers her abilities but

2072

01:32:50,669 --> 01:32:46,750

when you get into this girl

2073

01:32:53,459 --> 01:32:50,679

there's just if I want to do a good job

2074

01:32:56,189 --> 01:32:53,469

I can't do it in one shot so I said well

2075

01:32:58,950 --> 01:32:56,199

do I'll talk about the strange

2076

01:33:01,590 --> 01:32:58,960

experience that I had with her for one

2077

01:33:05,070 --> 01:33:01,600

show that I'll bring her on but then we

2078

01:33:09,709 --> 01:33:05,080

get into a lot of a lot of things happen

2079

01:33:17,939 --> 01:33:09,719

so far I've had two more sessions with

2080

01:33:20,209 --> 01:33:17,949

Sarah Adams so you know I don't want to

2081

01:33:24,209 --> 01:33:20,219

get into the specifics of the actual

2082

01:33:25,020 --> 01:33:24,219

sessions that I had with her but here's

2083

01:33:28,410 --> 01:33:25,030

what I'm gonna say

2084

01:33:30,390 --> 01:33:28,420

I also she kept talking about how she

2085

01:33:33,810 --> 01:33:30,400

helps a lot of terminally ill patients

2086

01:33:36,600 --> 01:33:33,820

and things like that does a lot of does

2087

01:33:39,649 --> 01:33:36,610

a lot of you know work to help people

2088

01:33:43,260 --> 01:33:39,659

who are transitioning between you know

2089

01:33:45,180 --> 01:33:43,270

that are terminal so I wanted to see

2090

01:33:47,520 --> 01:33:45,190

what that experience is like for a

2091

01:33:49,080 --> 01:33:47,530

terminally ill patient so we've

2092

01:33:52,399 --> 01:33:49,090

connected her with somebody that I know

2093

01:33:55,709 --> 01:33:52,409

who has an inoperable condition and

2094

01:33:58,709 --> 01:33:55,719

honestly they really have only so long

2095

01:34:00,240 --> 01:33:58,719

to live I thought that would be an

2096

01:34:01,729 --> 01:34:00,250

interesting thing and we could share

2097

01:34:03,200 --> 01:34:01,739

that

2098

01:34:06,440 --> 01:34:03,210

sort of experience with the audience

2099

01:34:11,110 --> 01:34:06,450

what is it like for her an intuitive

2100

01:34:13,790 --> 01:34:11,120

healer who works on Aras and chakras and

2101  
01:34:17,510 --> 01:34:13,800  
you know she thinks that she can heal

2102  
01:34:18,680 --> 01:34:17,520  
people through energy what is that

2103  
01:34:21,050 --> 01:34:18,690  
experience going to be like for a

2104  
01:34:23,900 --> 01:34:21,060  
terminally ill patient is will they find

2105  
01:34:27,530 --> 01:34:23,910  
the experience of these sessions with

2106  
01:34:29,630 --> 01:34:27,540  
her to be beneficial so for that and and

2107  
01:34:31,640 --> 01:34:29,640  
the reason that all of these things

2108  
01:34:34,610 --> 01:34:31,650  
happened with these two additional

2109  
01:34:37,190 --> 01:34:34,620  
sessions that I've had with her since

2110  
01:34:40,690 --> 01:34:37,200  
the first one her and I have had a

2111  
01:34:43,070 --> 01:34:40,700  
couple of really long conversations and

2112  
01:34:46,100 --> 01:34:43,080  
it's a lot there's just too much to

2113  
01:34:47,690 --> 01:34:46,110

unpack so she's gonna be doing hopefully

2114

01:34:49,280 --> 01:34:47,700

if all goes well she's gonna be doing

2115

01:34:54,800 --> 01:34:49,290

this session with this terminally ill

2116

01:34:56,600 --> 01:34:54,810

patient on Friday it's scheduled I think

2117

01:34:59,060 --> 01:34:56,610

it'll go off without a problem both

2118

01:35:01,580 --> 01:34:59,070

sides you know or we're okay here's the

2119

01:35:03,590 --> 01:35:01,590

date time she's just got to call him do

2120

01:35:06,830 --> 01:35:03,600

the session she does most of her

2121

01:35:09,260 --> 01:35:06,840

sessions over the phone and after that

2122

01:35:11,270 --> 01:35:09,270

I'm gonna come back to the strange case

2123

01:35:13,790 --> 01:35:11,280

of Sarah Adams were gonna discuss the

2124

01:35:20,209 --> 01:35:13,800

two additional sessions that I've had

2125

01:35:23,750 --> 01:35:20,219

with her since since the first one but

2126  
01:35:26,810 --> 01:35:23,760  
we're gonna talk about so let's just say

2127  
01:35:28,400 --> 01:35:26,820  
revelations that I had we're gonna talk

2128  
01:35:32,800 --> 01:35:28,410  
about some of the information that I

2129  
01:35:35,000 --> 01:35:32,810  
found on her concerning her history and

2130  
01:35:38,150 --> 01:35:35,010  
friends you're not gonna want to miss it

2131  
01:35:42,620 --> 01:35:38,160  
then people are asking a lot of

2132  
01:35:44,810 --> 01:35:42,630  
questions too about people are sending

2133  
01:35:47,959 --> 01:35:44,820  
me information she's selling homeopathic

2134  
01:35:50,140 --> 01:35:47,969  
remedies and that's illegal people are

2135  
01:35:52,850 --> 01:35:50,150  
saying she's selling healing sessions

2136  
01:35:56,660 --> 01:35:52,860  
for people with corona that might not be

2137  
01:35:59,090 --> 01:35:56,670  
legal you know I don't know but uh you

2138  
01:36:02,060 --> 01:35:59,100

know I thought it would be good to talk

2139

01:36:05,630 --> 01:36:02,070

to her manager this guy Tosh for two

2140

01:36:08,930 --> 01:36:05,640

reasons first this guy seems incredibly

2141

01:36:11,930 --> 01:36:08,940

devoted to her I mean devoted you know

2142

01:36:13,520 --> 01:36:11,940

he runs you her YouTube channel and I

2143

01:36:14,660 --> 01:36:13,530

think her websites and all this other

2144

01:36:19,460 --> 01:36:14,670

stuff

2145

01:36:22,670 --> 01:36:19,470

as I grew as I found out recently he

2146

01:36:25,550 --> 01:36:22,680

also does her scheduling and certainly

2147

01:36:28,100 --> 01:36:25,560

her manager would be able to answer some

2148

01:36:31,310 --> 01:36:28,110

questions about some of that homeopathic

2149

01:36:34,430 --> 01:36:31,320

remedies and is she doing healing

2150

01:36:36,710 --> 01:36:34,440

services for people with corona and so

2151  
01:36:38,630 --> 01:36:36,720  
we're gonna have him on and interview

2152  
01:36:40,610 --> 01:36:38,640  
him and then we're gonna interview Sara

2153  
01:36:42,800 --> 01:36:40,620  
and hopefully we'll be able to wrap up

2154  
01:36:44,990 --> 01:36:42,810  
this strange case of Sarah Adams we're

2155  
01:36:47,240 --> 01:36:45,000  
also going to talk to that terminally

2156  
01:36:50,090 --> 01:36:47,250  
ill patient that she's going to give the

2157  
01:36:52,790 --> 01:36:50,100  
sessions to let's see six is designed II

2158  
01:36:54,380 --> 01:36:52,800  
know James don't honey Twitter had a bit

2159  
01:36:57,530 --> 01:36:54,390  
of a conversation with edge of blunders

2160  
01:36:59,300 --> 01:36:57,540  
and chasity he said to me I will stand

2161  
01:37:02,090 --> 01:36:59,310  
by it if we were wrong we aren't afraid

2162  
01:37:04,160 --> 01:37:02,100  
to say we were wrong unlike others is he

2163  
01:37:06,560 --> 01:37:04,170

going to say he's wrong about what is he

2164

01:37:11,540 --> 01:37:06,570

gonna say he's wrong about though oh the

2165

01:37:14,540 --> 01:37:11,550

yeah Australian trip in that yeah was it

2166

01:37:16,820 --> 01:37:14,550

Peter Slattery they can never tell the

2167

01:37:19,730 --> 01:37:16,830

truth for the life of them they line you

2168

01:37:21,620 --> 01:37:19,740

for the percent of the time yeah those

2169

01:37:23,750 --> 01:37:21,630

guys I don't know what to tell your

2170

01:37:26,710 --> 01:37:23,760

friends I can't watch them I think

2171

01:37:29,660 --> 01:37:26,720

they're like it's too it's too

2172

01:37:31,550 --> 01:37:29,670

manufactured and to propaganda fake for

2173

01:37:34,420 --> 01:37:31,560

me especially when you know that they're

2174

01:37:37,640 --> 01:37:34,430

being financed by a multi-million dollar

2175

01:37:40,160 --> 01:37:37,650

religious organization in one form or

2176  
01:37:43,340 --> 01:37:40,170  
another that's why I believe that might

2177  
01:37:45,500 --> 01:37:43,350  
be speculation but there's there was a

2178  
01:37:47,810 --> 01:37:45,510  
good amount of supportive evidence that

2179  
01:37:53,600 --> 01:37:47,820  
I would be reasonable in my conclusions

2180  
01:37:55,430 --> 01:37:53,610  
of that right so you know coming up

2181  
01:37:59,180 --> 01:37:55,440  
we're going to continue to unpack the

2182  
01:38:02,420 --> 01:37:59,190  
strange case of Sarah Adams we've got an

2183  
01:38:05,480 --> 01:38:02,430  
analysis of some opinion Brinkley's

2184  
01:38:10,270 --> 01:38:05,490  
claims and we are going to do an update

2185  
01:38:19,880 --> 01:38:13,220  
challenges and quit Jason quit is going

2186  
01:38:22,820 --> 01:38:19,890  
to be back to do we're doing a show on

2187  
01:38:24,590 --> 01:38:22,830  
the Japanese suicide forest it's kind of

2188  
01:38:27,110 --> 01:38:24,600

Japanese name I'm blanking on right now

2189

01:38:27,649 --> 01:38:27,120

just Google Japanese suicide forest if

2190

01:38:30,709 --> 01:38:27,659

you want to know

2191

01:38:34,520 --> 01:38:30,719

what I'm talking about it is an amazing

2192

01:38:36,830 --> 01:38:34,530

story that I can't wait to bring you

2193

01:38:39,229 --> 01:38:36,840

well just as luck would have it since

2194

01:38:42,350 --> 01:38:39,239

deep Jason quit is involved in all kinds

2195

01:38:44,989 --> 01:38:42,360

of paranormal stuff maybe it's because

2196

01:38:46,520 --> 01:38:44,999

he's an interdimensional time traveler I

2197

01:38:48,109 --> 01:38:46,530

don't know but if there's something

2198

01:38:50,390 --> 01:38:48,119

paranormal he ends up there

2199

01:38:52,759 --> 01:38:50,400

Jason quit spent some actual time in

2200

01:38:54,169 --> 01:38:52,769

this Japanese suicide forest and I

2201

01:38:56,000 --> 01:38:54,179

thought that's great

2202

01:38:57,890 --> 01:38:56,010

we got it we had a person that's been

2203

01:39:00,290 --> 01:38:57,900

there on the ground and witnessed this

2204

01:39:02,149 --> 01:39:00,300

place and he's got some crazy stories

2205

01:39:05,239 --> 01:39:02,159

about that place so we're gonna bring

2206

01:39:06,290 --> 01:39:05,249

him on it's also gonna show on the

2207

01:39:08,989 --> 01:39:06,300

calendar

2208

01:39:11,149 --> 01:39:08,999

incident we're developing and we have a

2209

01:39:15,640 --> 01:39:11,159

show on EVPs we're trying to get off the

2210

01:39:22,100 --> 01:39:15,650

ground and a few others in the pipeline

2211

01:39:29,060 --> 01:39:22,110

BG's whoo-who-who-who ream see yeah Jason

2212

01:39:31,279 --> 01:39:29,070

quit there you go just leaves the

2213

01:39:33,319 --> 01:39:31,289

Jasmine emmerich it was so studious and

2214

01:39:35,870 --> 01:39:33,329

knowledgeable I'm so glad which sees in

2215

01:39:37,580 --> 01:39:35,880

live chats I know like blankets up or

2216

01:39:44,959 --> 01:39:37,590

say something stupid she'll be there to

2217

01:39:46,339 --> 01:39:44,969

correct me ow king of Gaara I think I'm

2218

01:39:48,739 --> 01:39:46,349

gonna have to find a pronunciation guide

2219

01:39:50,659 --> 01:39:48,749

for sure but before I do that show oh

2220

01:39:55,370 --> 01:39:50,669

and six does design yes so this is

2221

01:39:56,689 --> 01:39:55,380

pretty famous place yeah so if you guys

2222

01:39:59,089 --> 01:39:56,699

have any additional questions or

2223

01:40:02,719 --> 01:39:59,099

comments oh wait a minute

2224

01:40:05,569 --> 01:40:02,729

there you go there's apparently movies

2225

01:40:07,489 --> 01:40:05,579

about that place a few of them yeah but

2226

01:40:09,409 --> 01:40:07,499

I think those are fictional movies but

2227

01:40:11,899 --> 01:40:09,419

still fun nonetheless and I want to try

2228

01:40:15,679 --> 01:40:11,909

to watch those I found them I think I

2229

01:40:17,569 --> 01:40:15,689

feel - I would try to check those out

2230

01:40:20,330 --> 01:40:17,579

before I do the show because it's

2231

01:40:23,179 --> 01:40:20,340

interesting the cultural context you

2232

01:40:24,500 --> 01:40:23,189

know these people have had as well so if

2233

01:40:28,489 --> 01:40:24,510

you have any additional questions or

2234

01:40:30,859 --> 01:40:28,499

comments please do put them in all caps

2235

01:40:34,850 --> 01:40:30,869

for me otherwise we're going to wrap

2236

01:40:40,139 --> 01:40:34,860

things up here in just a bit I just want

2237

01:40:48,750 --> 01:40:40,149

to get this okay

2238

01:40:51,209 --> 01:40:48,760

and there we go Oh what just happened oh

2239

01:40:53,469 --> 01:40:51,219

there we go

2240

01:40:59,830 --> 01:40:53,479

yeah sorry friends I get a little lost

2241

01:41:02,169 --> 01:40:59,840

here I you know I started to stream and

2242

01:41:04,029 --> 01:41:02,179

I just happen to have like a brand new

2243

01:41:08,069 --> 01:41:04,039

Windows 10 laptop so that's what I'm

2244

01:41:10,389 --> 01:41:08,079

using and I can't tell you out I forgot

2245

01:41:12,549 --> 01:41:10,399

what it's like to have to work on

2246

01:41:16,449 --> 01:41:12,559

Windows it's terrible I can't wait to

2247

01:41:18,099 --> 01:41:16,459

move to my Linux system and luckily the

2248

01:41:20,020 --> 01:41:18,109

software we used for the show is all

2249

01:41:21,689 --> 01:41:20,030

cloud-based or work from any browser so

2250

01:41:24,639 --> 01:41:21,699

I'm not gonna be forced to use this

2251  
01:41:35,879 --> 01:41:24,649  
shitshow operating system windows for

2252  
01:41:44,500 --> 01:41:41,889  
on this zukie gasps any more bear

2253  
01:41:46,929 --> 01:41:44,510  
sightings at the cabin yet SPG's and I

2254  
01:41:48,909 --> 01:41:46,939  
have a video this time but I for some

2255  
01:41:50,859 --> 01:41:48,919  
reason I couldn't post it to Twitter I'm

2256  
01:41:53,830 --> 01:41:50,869  
gonna figure it out and and then I'm

2257  
01:41:56,919 --> 01:41:53,840  
gonna be posting it to Twitter well

2258  
01:41:58,599 --> 01:41:56,929  
friends we are coming up on an hour and

2259  
01:42:01,599 --> 01:41:58,609  
45 minutes so I think we're gonna call

2260  
01:42:03,399 --> 01:42:01,609  
it a night for tonight tomorrow I'm

2261  
01:42:07,389 --> 01:42:03,409  
hopefully going to be doing the show on

2262  
01:42:08,469 --> 01:42:07,399  
doing another show at 10:30 p.m. but I'm

2263  
01:42:10,779 --> 01:42:08,479

like trying to do so a little

2264

01:42:12,219 --> 01:42:10,789

differently and do it during the day I'm

2265

01:42:13,569 --> 01:42:12,229

not sure how could have an idea that

2266

01:42:17,020 --> 01:42:13,579

could because I'm gonna have the kids

2267

01:42:20,919 --> 01:42:17,030

here and that might be you know that

2268

01:42:22,659 --> 01:42:20,929

might be a problem but it's it's worth

2269

01:42:26,069 --> 01:42:22,669

trying because if I could do a show in a

2270

01:42:28,119 --> 01:42:26,079

day oh here we go

2271

01:42:29,679 --> 01:42:28,129

also known as the sea of trees is a

2272

01:42:31,810 --> 01:42:29,689

forest on the north western flank of

2273

01:42:34,270 --> 01:42:31,820

Japan's Mount Fuji thriving 130 square

2274

01:42:37,089 --> 01:42:34,280

kilometres of hardened lava laid down by

2275

01:42:44,080 --> 01:42:37,099

the last major eruption of Mount Fuji in

2276

01:42:45,819 --> 01:42:44,090

1864 yes and most interesting for our

2277

01:42:49,589 --> 01:42:45,829

purposes it's called the suicide forest

2278

01:42:51,759 --> 01:42:49,599

and people go there and kill themselves

2279

01:42:52,930 --> 01:42:51,769

people go there and kill themselves so

2280

01:42:56,770 --> 01:42:52,940

much in fact

2281

01:43:00,100 --> 01:42:56,780

that the government has hired counselors

2282

01:43:02,680 --> 01:43:00,110

there's counselors that the the Japanese

2283

01:43:04,930 --> 01:43:02,690

government has counselors that patrol

2284

01:43:07,330 --> 01:43:04,940

the forest and try to talk people out of

2285

01:43:10,360 --> 01:43:07,340

killing themselves not only that but the

2286

01:43:12,880 --> 01:43:10,370

Japanese government also has a team not

2287

01:43:16,000 --> 01:43:12,890

one person not two people a team of

2288

01:43:18,340 --> 01:43:16,010

people in their employ there they're

2289

01:43:21,910 --> 01:43:18,350

paid by the Japanese government whose

2290

01:43:25,870 --> 01:43:21,920

sole responsibility is removing bodies

2291

01:43:28,240 --> 01:43:25,880

from this forest folks that's how many

2292

01:43:30,400 --> 01:43:28,250

people go to this Japanese force to kill

2293

01:43:35,320 --> 01:43:30,410

themselves that the government had to

2294

01:43:37,209 --> 01:43:35,330

hire an entire team a team folks it

2295

01:43:39,490 --> 01:43:37,219

takes a team of people to go through

2296

01:43:43,120 --> 01:43:39,500

that forest and carry the dead bodies

2297

01:43:44,830 --> 01:43:43,130

out and most of the deaths are by

2298

01:43:48,240 --> 01:43:44,840

hanging so some of the bodies aren't

2299

01:43:52,959 --> 01:43:48,250

found right away it's just a great story

2300

01:43:55,530 --> 01:43:52,969

okay six is design a clinics install

2301

01:43:57,820 --> 01:43:55,540

many use it for clandestine operations

2302

01:43:59,500 --> 01:43:57,830

most of my stuff is on windows yeah

2303

01:44:01,689 --> 01:43:59,510

windows are just easy if you need to get

2304

01:44:05,800 --> 01:44:01,699

worked on Kali Linux very useful I know

2305

01:44:17,200 --> 01:44:05,810

all about Kali Linux actually 1996 is

2306

01:44:19,660 --> 01:44:17,210

designs Network testing is that the

2307

01:44:21,070 --> 01:44:19,670

forest with the dolls now that the BG's

2308

01:44:27,270 --> 01:44:21,080

that's the forest where all these people

2309

01:44:31,419 --> 01:44:29,529

sounds like a Phil Blair sounds like the

2310

01:44:33,399 --> 01:44:31,429

Golden Gate Bridge yeah and there ain't

2311

01:44:36,489 --> 01:44:33,409

no reason that some of these places are

2312

01:44:38,139 --> 01:44:36,499

such hotspots or for people to commit

2313

01:44:40,179 --> 01:44:38,149

suicide and maybe there's some kind of

2314

01:44:43,000 --> 01:44:40,189

dark energy at that location some kind

2315

01:44:45,159 --> 01:44:43,010

of nexus of dark energy that causes

2316

01:44:49,509 --> 01:44:45,169

either draws already depress people

2317

01:44:51,580 --> 01:44:49,519

there or somehow affects people can you

2318

01:44:53,850 --> 01:44:51,590

proof your cabin like electric fence or

2319

01:44:56,409 --> 01:44:53,860

something yeah we're looking into it

2320

01:44:58,540 --> 01:44:56,419

mostly I'm going to try bear deterrence

2321

01:45:00,790 --> 01:44:58,550

which I believe as I've already

2322

01:45:02,529 --> 01:45:00,800

mentioned is wolf urine and the fact

2323

01:45:05,290 --> 01:45:02,539

that I have to pay money for wolf urine

2324

01:45:08,139 --> 01:45:05,300

to keep the bears away it's just kind of

2325

01:45:09,969 --> 01:45:08,149

funny to me they sell you this big thing

2326  
01:45:13,080 --> 01:45:09,979  
of wolf urine and you sprinkle it around

2327  
01:45:17,229 --> 01:45:13,090  
your property lines and the Bears are

2328  
01:45:19,569 --> 01:45:17,239  
really really afraid of the Wolves when

2329  
01:45:21,339 --> 01:45:19,579  
they smell that they stay pretty far

2330  
01:45:23,259 --> 01:45:21,349  
away or some told I don't know how

2331  
01:45:25,449 --> 01:45:23,269  
effective it is that's what we're we

2332  
01:45:27,699 --> 01:45:25,459  
maybe trying I have young children at

2333  
01:45:29,409 --> 01:45:27,709  
the cabin so of course a bunch of bears

2334  
01:45:33,339 --> 01:45:29,419  
riding around is a little concerning to

2335  
01:45:38,229 --> 01:45:33,349  
me I saw one last two week or last week

2336  
01:45:39,549 --> 01:45:38,239  
at the cabin but I thought they nailed

2337  
01:45:41,500 --> 01:45:39,559  
the house to the trees in the suicide

2338  
01:45:43,330 --> 01:45:41,510

force you may be right be jeez I'll look

2339

01:45:45,040 --> 01:45:43,340  
into that we'll unpack that on the

2340

01:45:46,179 --> 01:45:45,050  
actual show with Jason quit we'll be

2341

01:45:49,569 --> 01:45:46,189  
able to ask you some quick cuz he's

2342

01:45:52,239 --> 01:45:49,579  
actually been there I think there was a

2343

01:45:54,250 --> 01:45:52,249  
lure associated I think for real

2344

01:45:55,899 --> 01:45:54,260  
there could be local legends and other

2345

01:45:59,709 --> 01:45:55,909  
things that are contributing to the

2346

01:46:01,509 --> 01:45:59,719  
story but you never know well friends

2347

01:46:04,989 --> 01:46:01,519  
it's been a long day for me I want to

2348

01:46:07,629 --> 01:46:04,999  
thank each and every one of you for

2349

01:46:12,189 --> 01:46:07,639  
joining us today it was really fun to

2350

01:46:18,779 --> 01:46:12,199  
talk to this to talk to this Rachel who

2351

01:46:23,619 --> 01:46:18,789

I've been following for a long time so

2352

01:46:26,319 --> 01:46:23,629

friends thanks for joining me you know

2353

01:46:29,500 --> 01:46:26,329

I'm still on the fence I'm not sure that

2354

01:46:31,479 --> 01:46:29,510

I believe in ghosts I'm really not sure

2355

01:46:36,200 --> 01:46:31,489

that I believe in ghosts but one thing

2356

01:46:42,930 --> 01:46:36,210

that I'm sure I believe friends is this

2357

01:46:46,500 --> 01:46:42,940

the ghosts of the past speak they speak

2358

01:46:48,780 --> 01:46:46,510

if we're willing to listen so until next

2359

01:46:51,900 --> 01:46:48,790

time friends I'm Stephen cambian

2360

01:46:53,580 --> 01:46:51,910

reminding you and I'm still not sure I

2361

01:46:55,950 --> 01:46:53,590

believe in ghosts but one thing I'm

2362

01:46:59,760 --> 01:46:55,960

definitely sure of is that the ghosts of

2363

01:47:10,220 --> 01:46:59,770

the past speak to all those willing to
