

1
00:02:06,880 --> 00:00:46,820

[Music]

2
00:02:17,060 --> 00:02:10,609

well greetings and salutations we are

3
00:02:18,650 --> 00:02:17,070

live here from the apocalypse cabin yeah

4
00:02:20,570 --> 00:02:18,660

I didn't know it was gonna be an

5
00:02:23,900 --> 00:02:20,580

apocalypse cabin when I started building

6
00:02:27,280 --> 00:02:23,910

it but here we are so tonight we're

7
00:02:30,770 --> 00:02:27,290

gonna be talking about Peter Maxwell

8
00:02:33,230 --> 00:02:30,780

Slattery if you don't know we've never

9
00:02:38,360 --> 00:02:33,240

heard of this guy you gotta do yourself

10
00:02:42,470 --> 00:02:38,370

a favor go on YouTube look him up watch

11
00:02:46,610 --> 00:02:42,480

some of this Fantasyland craziness that

12
00:02:50,060 --> 00:02:46,620

this guy puts out this guy talks to all

13
00:02:52,460 --> 00:02:50,070

kinds of aliens he's had all these alien

14

00:02:54,650 --> 00:02:52,470

experiences he has zero proof of

15

00:02:56,770 --> 00:02:54,660

anything but yet he's making an

16

00:03:00,230 --> 00:02:56,780

incredibly good living running around

17

00:03:02,780 --> 00:03:00,240

selling his alien [h__h] and I'm just

18

00:03:05,360 --> 00:03:02,790

kind of fascinated by that the fact that

19

00:03:07,400 --> 00:03:05,370

this guy's running around claiming that

20

00:03:09,770 --> 00:03:07,410

he's talking all these aliens getting

21

00:03:12,400 --> 00:03:09,780

paid to tell people his Fantasyland

22

00:03:15,560 --> 00:03:12,410

stories just kind of fascinating to me

23

00:03:22,460 --> 00:03:15,570

now this guy was from Australia actually

24

00:03:25,070 --> 00:03:22,470

and there's Daniel James the from the

25

00:03:28,699 --> 00:03:25,080

context who has the cosmic con series

26

00:03:31,130 --> 00:03:28,709

did an excellent video on this actually

27

00:03:38,360 --> 00:03:31,140

you know what I forgot I forgot to

28

00:03:44,370 --> 00:03:38,370

invite our guest let me just get over to

29

00:03:44,380 --> 00:03:54,570

and we'll get him to join our show

30

00:04:03,430 --> 00:03:59,880

otherwise let me give it to him in email

31

00:04:05,770 --> 00:04:03,440

sorry about that Daniel I'm running way

32

00:04:08,650 --> 00:04:05,780

behind schedule today because right

33

00:04:11,830 --> 00:04:08,660

before I started the stream we had all

34

00:04:15,790 --> 00:04:11,840

kinds of audio and video like the I

35

00:04:17,620 --> 00:04:15,800

think one of the USB plugs is like going

36

00:04:21,580 --> 00:04:17,630

bad because the mic keeps disconnecting

37

00:04:22,360 --> 00:04:21,590

and not being recognized so I was

38

00:04:32,080 --> 00:04:22,370

frantically

39

00:04:40,290 --> 00:04:32,090

this tech stuff right before we started

40

00:04:52,080 --> 00:04:43,810

okay sorry about that friends a little

41

00:04:57,580 --> 00:04:55,630

so there we go so now Daniel you should

42

00:05:01,900 --> 00:04:57,590

have the email you should have the link

43

00:05:03,610 --> 00:05:01,910

in your email as well as in Twitter I

44

00:05:06,190 --> 00:05:03,620

sent it to you as a DM you can just

45

00:05:13,870 --> 00:05:06,200

click on that and click allow and there

46

00:05:20,409 --> 00:05:13,880

he goes Daniel James oh I just realized

47

00:05:39,080 --> 00:05:28,179

Daniel can you hear me and I cannot hear

48

00:05:50,210 --> 00:05:46,700

all right hold on one second Daniel okay

49

00:06:00,890 --> 00:05:50,220

friends kind of plug in headphones one

50

00:06:03,980 --> 00:06:00,900

second we are usually a little more

51
00:06:05,990 --> 00:06:03,990
organized and prepared let me get these

52
00:06:07,400 --> 00:06:06,000
headphones in and see if I kept em up I

53
00:06:09,110 --> 00:06:07,410
don't know Daniel I couldn't hear you

54
00:06:10,700 --> 00:06:09,120
but I think it's just because they loop

55
00:06:33,469 --> 00:06:10,710
back or something with this streaming

56
00:06:35,810 --> 00:06:33,479
software one second there we go okay one

57
00:06:43,430 --> 00:06:35,820
second let me turn my attention to the

58
00:06:50,290 --> 00:06:43,440
live chat really fast okay so the live

59
00:06:59,740 --> 00:06:54,140
yeah there you go there's Daniel James

60
00:07:04,129 --> 00:07:02,300
well I'm sorry about this I'm trying to

61
00:07:05,600 --> 00:07:04,139
explain like right before I started

62
00:07:08,240 --> 00:07:05,610
right everything was fine

63
00:07:11,180 --> 00:07:08,250

for like the last few hours Mike's

64

00:07:12,860 --> 00:07:11,190

working cam is working right before the

65

00:07:14,990 --> 00:07:12,870

stream like something happened it had to

66

00:07:16,760 --> 00:07:15,000

be flipping USB cables I forgot the

67

00:07:18,409 --> 00:07:16,770

headphones I forgot to send you the

68

00:07:24,620 --> 00:07:18,419

invite but other than that everything's

69

00:07:26,540 --> 00:07:24,630

great yeah I'm here in the woods man I'm

70

00:07:28,760 --> 00:07:26,550

here in the woods it's been a hell of a

71

00:07:31,250 --> 00:07:28,770

day man we've had thunderstorms on and

72

00:07:33,529 --> 00:07:31,260

off all day and we're at a very high

73

00:07:36,770 --> 00:07:33,539

elevation so I love thunderstorms here

74

00:07:39,020 --> 00:07:36,780

because you get this huge thunder and

75

00:07:41,510 --> 00:07:39,030

you get bolts and bolts of lightning

76

00:07:43,969 --> 00:07:41,520

other places I've lived you see like

77

00:07:52,530 --> 00:07:43,979

flashes but you don't see the bolts here

78

00:07:57,940 --> 00:07:55,810

absolutely yeah I got a telescope here

79

00:07:59,770 --> 00:07:57,950

that we just got kind of working because

80

00:08:02,410 --> 00:07:59,780

it's great for those especially when

81

00:08:03,940 --> 00:08:02,420

it's not too cloudy so tonight I thought

82

00:08:07,930 --> 00:08:03,950

we're gonna talk about this

83

00:08:13,900 --> 00:08:11,020

you're from Australia can you tell me is

84

00:08:17,380 --> 00:08:13,910

he really popular in Australia this guy

85

00:08:19,000 --> 00:08:17,390

I can I just turn my volume up really

86

00:08:21,070 --> 00:08:19,010

loud because I saw some feedback in the

87

00:08:26,350 --> 00:08:21,080

chat guys can you hear me a little bit

88

00:08:28,570 --> 00:08:26,360

better this time okay more volume for

89

00:08:28,990 --> 00:08:28,580

Daniel yeah now it's I think it's much

90

00:08:36,310 --> 00:08:29,000

better

91

00:08:38,680 --> 00:08:36,320

okay yeah in terms of popularity I think

92

00:08:41,980 --> 00:08:38,690

I think it's fair to categorize Peter in

93

00:08:43,960 --> 00:08:41,990

the emerging field he's he certainly

94

00:08:47,620 --> 00:08:43,970

made a name for himself he's worked his

95

00:08:49,840 --> 00:08:47,630

way up and made connections with all of

96

00:08:53,410 --> 00:08:49,850

the usual suspects that we've seen on

97

00:08:56,410 --> 00:08:53,420

the circuit and he's cut himself in nice

98

00:08:58,900 --> 00:08:56,420

and tight with I guess a city james

99

00:09:01,690 --> 00:08:58,910

gilliland and there's that sort of crowd

100

00:09:02,830 --> 00:09:01,700

that that visits there so yeah look in

101
00:09:05,920 --> 00:09:02,840
terms of popularity

102
00:09:08,710 --> 00:09:05,930
I think he's what also helps in is his

103
00:09:12,430 --> 00:09:08,720
enormous catalogue of your phone videos

104
00:09:14,830 --> 00:09:12,440
and yeah lots of sightings things like

105
00:09:16,630 --> 00:09:14,840
that orbs and paranormal activity and

106
00:09:18,100 --> 00:09:16,640
all that kind of stuff and he actually

107
00:09:21,190 --> 00:09:18,110
has a bit of a background in that sort

108
00:09:23,680 --> 00:09:21,200
of more paranormal ghost hunting a kind

109
00:09:25,740 --> 00:09:23,690
of thing - interesting a very

110
00:09:28,390 --> 00:09:25,750
interesting character

111
00:09:30,580 --> 00:09:28,400
yeah I would suggest like over the last

112
00:09:32,590 --> 00:09:30,590
couple of years he certainly made it

113
00:09:35,530 --> 00:09:32,600

more of a profession than it ever has

114

00:09:37,870 --> 00:09:35,540

been but in terms of like mainstream

115

00:09:40,450 --> 00:09:37,880

popularity or breaking through to any

116

00:09:44,350 --> 00:09:40,460

sort of you know level of celebrity not

117

00:09:50,450 --> 00:09:44,360

not really at all no well and here we go

118

00:09:50,460 --> 00:10:08,220

[Music]

119

00:10:17,480 --> 00:10:14,960

hello there we go

120

00:10:19,490 --> 00:10:17,490

Aaron what I thought I was gonna have to

121

00:10:21,980 --> 00:10:19,500

take over Felice David yeah you're gonna

122

00:10:24,110 --> 00:10:21,990

have to be the host yeah I think it's

123

00:10:26,390 --> 00:10:24,120

the electrical storm here and everything

124

00:10:29,510 --> 00:10:26,400

is going a little wonky so I apologize

125

00:10:32,090 --> 00:10:29,520

friends but yeah so he's kind of like

126

00:10:34,070 --> 00:10:32,100

rolling a bunch of stuff into one like

127

00:10:37,580 --> 00:10:34,080

we've seen others do do you think that's

128

00:10:40,580 --> 00:10:37,590

to gain a wider audience absolutely I

129

00:10:44,240 --> 00:10:40,590

mean looking at that list of 80s for

130

00:10:47,240 --> 00:10:44,250

example it's kind of like the shotgun

131

00:10:50,960 --> 00:10:47,250

approach really it's it's almost like

132

00:10:53,000 --> 00:10:50,970

creating every kind of alien type from

133

00:10:56,450 --> 00:10:53,010

every story that's out of you your

134

00:10:58,220 --> 00:10:56,460

follow G and packaging it into you know

135

00:11:00,500 --> 00:10:58,230

neat parcels that may resonate with

136

00:11:02,000 --> 00:11:00,510

different people so I kind of think of

137

00:11:03,920 --> 00:11:02,010

it like that Steven it's it's like this

138

00:11:07,100 --> 00:11:03,930

shotgun approach to you I follow G is to

139

00:11:08,870 --> 00:11:07,110

you know really try and touch on the

140

00:11:10,970 --> 00:11:08,880

different themes that have been part and

141

00:11:14,120 --> 00:11:10,980

parcel of the community over the last 70

142

00:11:15,800 --> 00:11:14,130

years or so yeah it's we've seen a few

143

00:11:19,100 --> 00:11:15,810

different people they try to like roll a

144

00:11:22,820 --> 00:11:19,110

bunch of former mythology in with their

145

00:11:25,550 --> 00:11:22,830

own right and and sort of like gain a

146

00:11:27,170 --> 00:11:25,560

wider net I think they and I was also

147

00:11:29,120 --> 00:11:27,180

talking about like how you said he's got

148

00:11:30,800 --> 00:11:29,130

this kind of ghost haunting paranormal

149

00:11:33,350 --> 00:11:30,810

background too so he's trying to roll it

150

00:11:37,220 --> 00:11:33,360

all together is that like to get booked

151
00:11:38,960 --> 00:11:37,230
as much as possible yeah potentially his

152
00:11:40,880 --> 00:11:38,970
background he did start something in

153
00:11:44,540 --> 00:11:40,890
Australia called investigators for truth

154
00:11:46,940 --> 00:11:44,550
and he did sort of have a bit of a

155
00:11:49,910 --> 00:11:46,950
career as a Ghostbuster where he would

156
00:11:52,310 --> 00:11:49,920
you know have all the the gear on up for

157
00:11:54,770 --> 00:11:52,320
me with the sort of devices that they

158
00:11:56,390 --> 00:11:54,780
have but all those little readers and

159
00:12:00,110 --> 00:11:56,400
things like that I think are in houses

160
00:12:02,570 --> 00:12:00,120
with and in the region that I'm I'm from

161
00:12:04,190 --> 00:12:02,580
my hometown there's a couple of there's

162
00:12:07,820 --> 00:12:04,200
Australia's most hall of the House at

163
00:12:10,400 --> 00:12:07,830

Monte Cristo which is not too far of a

164

00:12:11,750 --> 00:12:10,410

drive from here and he said before on

165

00:12:13,730 --> 00:12:11,760

streams and things like that that he has

166

00:12:17,090 --> 00:12:13,740

some experience going to those places

167

00:12:18,440 --> 00:12:17,100

and investigating things like that so

168

00:12:20,540 --> 00:12:18,450

that that kind of paints a bit of a

169

00:12:22,730 --> 00:12:20,550

picture of his background and I try to

170

00:12:25,070 --> 00:12:22,740

make that point in the video that is

171

00:12:27,170 --> 00:12:25,080

kind of like that that chameleon kind of

172

00:12:28,050 --> 00:12:27,180

guy that really just blends into

173

00:12:35,370 --> 00:12:28,060

different

174

00:12:38,010 --> 00:12:35,380

mind as well yes yeah I'm putting this

175

00:12:40,740 --> 00:12:38,020

graphic up on the screen and folks these

176

00:12:45,510 --> 00:12:40,750

are the aliens all the aliens that

177

00:12:47,930 --> 00:12:45,520

Daniel not the oh I'm sorry Dave Maxwell

178

00:12:50,880 --> 00:12:47,940

Slattery claims he's in constant

179

00:12:53,340 --> 00:12:50,890

communication with and this is

180

00:12:56,760 --> 00:12:53,350

ridiculous I thought this guy was a goof

181

00:12:59,190 --> 00:12:56,770

I thought this guy was like goofing on

182

00:13:02,280 --> 00:12:59,200

UFO and alien people and made up this

183

00:13:05,100 --> 00:13:02,290

fake character and these fake stories to

184

00:13:08,850 --> 00:13:05,110

goof on UFO people but here in this

185

00:13:12,450 --> 00:13:08,860

graphic we have like Keanu Reeves and as

186

00:13:15,840 --> 00:13:12,460

Jesus we've got the typical Pleiadian

187

00:13:16,320 --> 00:13:15,850

sort of uh you know hot blond Nordic

188

00:13:21,300 --> 00:13:16,330

girl

189

00:13:24,300 --> 00:13:21,310

we've got et and we've got East this is

190

00:13:27,930 --> 00:13:24,310

amazing friends he talks to aliens real

191

00:13:30,270 --> 00:13:27,940

aliens that look exactly exactly like

192

00:13:33,870 --> 00:13:30,280

the aliens in Avatar it's right here on

193

00:13:36,000 --> 00:13:33,880

the graphic and then also we have this

194

00:13:38,220 --> 00:13:36,010

you know I guess he doesn't talk to blue

195

00:13:43,710 --> 00:13:38,230

bird people he talks to yellow bird

196

00:13:46,260 --> 00:13:43,720

people and also cheetah man and you know

197

00:13:48,900 --> 00:13:46,270

I don't know friends oh look there's a

198

00:13:50,790 --> 00:13:48,910

lion man as well that he's I think that

199

00:13:51,450 --> 00:13:50,800

he watched too much Thundercats when he

200

00:13:54,600 --> 00:13:51,460

was a kid

201
00:13:59,700 --> 00:13:54,610
do you know Thundercats yeah yeah

202
00:14:02,850 --> 00:13:59,710
absolutely not your cats you know you're

203
00:14:05,310 --> 00:14:02,860
talking to lion-o maybe line he knows an

204
00:14:07,350 --> 00:14:05,320
alien I don't know even the more sort of

205
00:14:08,970 --> 00:14:07,360
traditional characters they're like

206
00:14:10,890 --> 00:14:08,980
representing graves and things like that

207
00:14:12,780 --> 00:14:10,900
he's almost got every variety of a gray

208
00:14:17,460 --> 00:14:12,790
that you could you know conceivably come

209
00:14:19,140 --> 00:14:17,470
up with so yeah look I think that's a

210
00:14:21,420 --> 00:14:19,150
bit of a shotgun approach that he has

211
00:14:23,670 --> 00:14:21,430
which is to try and touch on something

212
00:14:25,680 --> 00:14:23,680
that you know maybe people have heard

213
00:14:27,540 --> 00:14:25,690

other stories and experiences from and

214

00:14:31,170 --> 00:14:27,550

he really sort of likes to tie that into

215

00:14:35,220 --> 00:14:31,180

his overall overall cast of characters

216

00:14:37,350 --> 00:14:35,230

he did say I think it's the guy on the

217

00:14:39,150 --> 00:14:37,360

bottom left the the sort of dude that

218

00:14:41,940 --> 00:14:39,160

looks like Roger from American Dad oh

219

00:14:47,040 --> 00:14:41,950

yeah

220

00:14:50,699 --> 00:14:47,050

there's one that looks like ken Reeves

221

00:14:54,090 --> 00:14:50,709

there's one it looks like the from

222

00:14:56,009 --> 00:14:54,100

American Dad yeah yeah and he says that

223

00:14:57,509 --> 00:14:56,019

and that's um it's kind of one of those

224

00:14:59,310 --> 00:14:57,519

things that I've noticed which is a bit

225

00:15:02,040 --> 00:14:59,320

of a trend as well he just kind of takes

226

00:15:04,740 --> 00:15:02,050

it to the extreme but it is a bit of a

227

00:15:08,100 --> 00:15:04,750

trend to sort of tie pop culture movies

228

00:15:09,689 --> 00:15:08,110

films that sort of things back into some

229

00:15:11,579 --> 00:15:09,699

of these experiences and stories and

230

00:15:13,230 --> 00:15:11,589

we've seen that we've with Corey and

231

00:15:18,269 --> 00:15:13,240

David and others talking about Star Wars

232

00:15:20,009 --> 00:15:18,279

and Star Trek yeah replicators yeah yeah

233

00:15:22,110 --> 00:15:20,019

I liked when Corey Goode was talking

234

00:15:24,120 --> 00:15:22,120

about repu replicators like come on dude

235

00:15:28,530 --> 00:15:24,130

well do we not think that you never

236

00:15:30,960 --> 00:15:28,540

watched Star Trek before you know with

237

00:15:33,060 --> 00:15:30,970

my videos too Steve and I kind of make

238

00:15:36,030 --> 00:15:33,070

mine not not so much for the apology

239

00:15:40,560 --> 00:15:36,040

audience or those that are kind of deep

240

00:15:43,590 --> 00:15:40,570

within but more so as a bit of a I guess

241

00:15:45,629 --> 00:15:43,600

a concise snapshot of some of these

242

00:15:47,280 --> 00:15:45,639

characters and what they put forward I'm

243

00:15:51,090 --> 00:15:47,290

not really trying to debunk them is

244

00:15:52,590 --> 00:15:51,100

another thing it's not really the effort

245

00:15:54,120 --> 00:15:52,600

that I put into these videos the effort

246

00:15:56,360 --> 00:15:54,130

is more to explain who they are what

247

00:15:58,769 --> 00:15:56,370

they're saying and that sort of thing

248

00:16:03,000 --> 00:15:58,779

and you know he's obviously got a

249

00:16:04,860 --> 00:16:03,010

fantastical story but I tell you if it's

250

00:16:07,340 --> 00:16:04,870

not too long of a story just to sort of

251
00:16:09,810 --> 00:16:07,350
recap on the way I discovered Peter I

252
00:16:11,759 --> 00:16:09,820
put out a tweet I think it might have

253
00:16:14,509 --> 00:16:11,769
been about a year ago saying you know

254
00:16:18,319 --> 00:16:14,519
who is this guy he's like the Corey good

255
00:16:20,400 --> 00:16:18,329
Australian steve-o and kind of mix and

256
00:16:21,810 --> 00:16:20,410
what am I actually you know

257
00:16:23,519 --> 00:16:21,820
umbrella-like friends from my hometown

258
00:16:27,389 --> 00:16:23,529
contacted me and said you know who that

259
00:16:30,449 --> 00:16:27,399
is Errol and I said no and hey guys

260
00:16:33,389 --> 00:16:30,459
that's P max and I said I kind of said

261
00:16:34,800 --> 00:16:33,399
who's pink actually I remember this guy

262
00:16:37,019 --> 00:16:34,810
from when I was you know young and

263
00:16:41,189 --> 00:16:37,029

growing up in the town he was a local

264

00:16:44,220 --> 00:16:41,199

rapper yeah this is a great part of the

265

00:16:46,230 --> 00:16:44,230

story so he was like our legitimate

266

00:16:48,540 --> 00:16:46,240

really trying to be a white boy rapper

267

00:16:52,350 --> 00:16:48,550

for a long time before this alien stuff

268

00:16:54,809 --> 00:16:52,360

right for sure yeah for sure and you

269

00:16:57,319 --> 00:16:54,819

know I certainly remember stories about

270

00:16:59,969 --> 00:16:57,329

growing up and on you kind of who he was

271

00:17:01,829 --> 00:16:59,979

you know the irony was that we were

272

00:17:04,079 --> 00:17:01,839

actually from the same place almost down

273

00:17:07,169 --> 00:17:04,089

to the same you know a few streets and

274

00:17:09,689 --> 00:17:07,179

things like that that we grew up in yeah

275

00:17:11,069 --> 00:17:09,699

that's a weird coincidence you look you

276

00:17:13,620 --> 00:17:11,079

start looking into this guy and then you

277

00:17:15,779 --> 00:17:13,630

find out not only do you remember him

278

00:17:18,659 --> 00:17:15,789

being a rapper when you were a kid but

279

00:17:21,449 --> 00:17:18,669

that he's from the same town right

280

00:17:23,340 --> 00:17:21,459

neighborhood even as you yeah yeah

281

00:17:25,350 --> 00:17:23,350

absolutely we're talking you know I'm my

282

00:17:27,809 --> 00:17:25,360

hometown it was a I don't live there

283

00:17:31,289 --> 00:17:27,819

anymore but my hometown is a very small

284

00:17:33,600 --> 00:17:31,299

place city of about maybe 50,000 people

285

00:17:35,519 --> 00:17:33,610

and it's a long way away from the

286

00:17:38,580 --> 00:17:35,529

biggest city so Australia's a big

287

00:17:41,009 --> 00:17:38,590

country it's it's kind of about halfway

288

00:17:43,889 --> 00:17:41,019

between Sydney Melbourne let's say and

289

00:17:46,409 --> 00:17:43,899

inland in Australia so it's a long way

290

00:17:50,310 --> 00:17:46,419

from the city so for the odds of that

291

00:17:51,659 --> 00:17:50,320

are quite quite remote but it's

292

00:17:53,399 --> 00:17:51,669

certainly tweaked my interest and then I

293

00:17:56,490 --> 00:17:53,409

went for a deep dive down the hole and I

294

00:17:59,460 --> 00:17:56,500

am I certainly spent a lot of time

295

00:18:02,100 --> 00:17:59,470

really making sure that I had had things

296

00:18:04,560 --> 00:18:02,110

accurate and since the videos come out

297

00:18:05,850 --> 00:18:04,570

I've had a I would say a lot of people

298

00:18:07,499 --> 00:18:05,860

but I've had a few people that are close

299

00:18:10,499 --> 00:18:07,509

to Peter for my friends associates

300

00:18:12,560 --> 00:18:10,509

things like that that have actually sort

301

00:18:16,680 --> 00:18:12,570

of confirmed some of the stories more

302

00:18:19,080 --> 00:18:16,690

yeah yeah so that's validating you know

303

00:18:21,930 --> 00:18:19,090

the video is an explanation of who he is

304

00:18:24,509 --> 00:18:21,940

and and how he came to be what he is and

305

00:18:26,759 --> 00:18:24,519

certainly the the patterns and the he

306

00:18:29,070 --> 00:18:26,769

can even say from his rap career you

307

00:18:30,389 --> 00:18:29,080

know certain things that he's like I

308

00:18:32,519 --> 00:18:30,399

said before a little bit of a chameleon

309

00:18:35,220 --> 00:18:32,529

type personality where he's moves in

310

00:18:36,419 --> 00:18:35,230

between crowds and things like that he's

311

00:18:38,129 --> 00:18:36,429

been known to sort of change his

312

00:18:40,440 --> 00:18:38,139

appearance quite dramatically you know

313

00:18:42,090 --> 00:18:40,450

so I remember when he was a kid he had

314

00:18:44,639 --> 00:18:42,100

these almost always the guy with the

315

00:18:47,970 --> 00:18:44,649

baseball hat on back the front things

316

00:18:50,580 --> 00:18:47,980

like that girl chairing all that kind of

317

00:18:52,470 --> 00:18:50,590

stuff and then you know I remember him a

318

00:18:55,110 --> 00:18:52,480

few years later being in the local media

319

00:18:56,899 --> 00:18:55,120

here as a as a paranormal ghost hunter

320

00:18:58,710 --> 00:18:56,909

and he had the slicked back hair and the

321

00:19:01,070 --> 00:18:58,720

spectacles on look like it's a

322

00:19:03,779 --> 00:19:01,080

completely different person you know

323

00:19:05,460 --> 00:19:03,789

yeah that's it's kinda it's really a

324

00:19:07,169 --> 00:19:05,470

weird coincidence though that he grew up

325

00:19:08,430 --> 00:19:07,179

so close to you so you're the perfect

326

00:19:10,200 --> 00:19:08,440

guy to

327

00:19:12,090 --> 00:19:10,210

do a story on him because you have more

328

00:19:13,980 --> 00:19:12,100

background than most whatever on him

329

00:19:15,660 --> 00:19:13,990

like I said when I first heard of this

330

00:19:17,610 --> 00:19:15,670

guy I listened to some of the stuff they

331

00:19:19,560 --> 00:19:17,620

said and then I saw that graphic and I

332

00:19:21,000 --> 00:19:19,570

honestly and truly I thought it was a

333

00:19:21,680 --> 00:19:21,010

goof I thought the whole thing was a

334

00:19:24,150 --> 00:19:21,690

goof

335

00:19:25,950 --> 00:19:24,160

yeah me too at first and that's what

336

00:19:28,290 --> 00:19:25,960

sort of propelled me to explore more of

337

00:19:31,470 --> 00:19:28,300

it and you know getting to the second

338

00:19:33,570 --> 00:19:31,480

part Steven by beyond you know just

339

00:19:35,220 --> 00:19:33,580

exploring his background and some of

340

00:19:39,210 --> 00:19:35,230

those similar traits that we were saying

341

00:19:42,810 --> 00:19:39,220

pop up with his stories from your follow

342

00:19:46,230 --> 00:19:42,820

gee it was it almost Coward coincided

343

00:19:48,060 --> 00:19:46,240

with an event that they had down here in

344

00:19:49,440 --> 00:19:48,070

Australia that Peter helped organize

345

00:19:52,860 --> 00:19:49,450

which was called disclosure Down Under

346

00:19:54,690 --> 00:19:52,870

and I remember that and that was a time

347

00:19:57,860 --> 00:19:54,700

where the edge of wonder boys Benham Rob

348

00:20:01,500 --> 00:19:57,870

came to australia with james gilliland

349

00:20:02,490 --> 00:20:01,510

and others and it all kind of happened

350

00:20:04,530 --> 00:20:02,500

about that time I was actually

351
00:20:07,290 --> 00:20:04,540
originally trying to have the video out

352
00:20:08,790 --> 00:20:07,300
by then but I had to kind of stop

353
00:20:10,890 --> 00:20:08,800
production because there was a few

354
00:20:14,480 --> 00:20:10,900
things that were happening that really

355
00:20:19,650 --> 00:20:17,760
we obviously had the terrible bushfires

356
00:20:23,730 --> 00:20:19,660
here in Australia which ravaged much of

357
00:20:25,830 --> 00:20:23,740
much of the country and it all sort of

358
00:20:28,380 --> 00:20:25,840
kind of coincided with the time where

359
00:20:29,730 --> 00:20:28,390
these guys were here they were saying

360
00:20:32,250 --> 00:20:29,740
that I was stopping the rain

361
00:20:34,190 --> 00:20:32,260
sorry bringing the rain and helping the

362
00:20:36,870 --> 00:20:34,200
bushfires and that sort of thing and

363
00:20:41,700 --> 00:20:36,880

Peter was making noises about his house

364

00:20:44,310 --> 00:20:41,710

having you know burnt down those so I

365

00:20:45,720 --> 00:20:44,320

kind of the the story took a little bit

366

00:20:47,970 --> 00:20:45,730

of a twist at that point where I stopped

367

00:20:50,010 --> 00:20:47,980

production and just tried to knuckle

368

00:20:52,950 --> 00:20:50,020

down and research a lot more because I

369

00:20:56,220 --> 00:20:52,960

thought okay you know maybe we can't

370

00:20:58,500 --> 00:20:56,230

prove that you know there's not a Roger

371

00:21:00,750 --> 00:20:58,510

the alien et character that's kidding

372

00:21:03,890 --> 00:21:00,760

around but what what I can certainly

373

00:21:05,940 --> 00:21:03,900

prove is that his house didn't burn down

374

00:21:08,010 --> 00:21:05,950

yes do you think that was just like a

375

00:21:09,900 --> 00:21:08,020

sympathy thing or like I don't

376

00:21:12,570 --> 00:21:09,910

understand that and then the other thing

377

00:21:15,960 --> 00:21:12,580

is the things with these rains because

378

00:21:18,180 --> 00:21:15,970

first James Gillian said like well if I

379

00:21:19,950 --> 00:21:18,190

wanted to I could bring the rains and

380

00:21:21,930 --> 00:21:19,960

stop all the fires but you have to let

381

00:21:23,850 --> 00:21:21,940

nature take its course and that's

382

00:21:25,889 --> 00:21:23,860

big [h__h] things say well these people

383

00:21:28,409 --> 00:21:25,899

are losing their homes come and like

384

00:21:31,470 --> 00:21:28,419

what that guy's a major [h__h]

385

00:21:35,159 --> 00:21:31,480

James Gillian you are an [h__h] bro and

386

00:21:37,289 --> 00:21:35,169

a class-one [h__h] like an expert-level

387

00:21:38,639 --> 00:21:37,299

[h__h] and do something like that while

388

00:21:41,820 --> 00:21:38,649

people are losing their homes and

389

00:21:43,529 --> 00:21:41,830

suffering well never brains did come and

390

00:21:46,230 --> 00:21:43,539

they sort of claim that they did it

391

00:21:47,580 --> 00:21:46,240

right where that the credit for it yeah

392

00:21:49,950 --> 00:21:47,590

for sure and I was talking a lot about

393

00:21:51,840 --> 00:21:49,960

you know these were the commas and we're

394

00:21:53,399 --> 00:21:51,850

having to deal with our karma and that

395

00:21:54,930 --> 00:21:53,409

sort of thing that's why the fires were

396

00:21:57,299 --> 00:21:54,940

happening and yeah you're absolutely

397

00:21:59,070 --> 00:21:57,309

right in the next breath 'it's yeah as

398

00:22:01,019 --> 00:21:59,080

soon as the the rain did start falling

399

00:22:02,820 --> 00:22:01,029

they were all you know claiming

400

00:22:05,730 --> 00:22:02,830

responsibility for bringing the rain so

401
00:22:09,389 --> 00:22:05,740
you know they kind of certainly pissed

402
00:22:10,619 --> 00:22:09,399
me off with you know the pain that the

403
00:22:12,570 --> 00:22:10,629
country was going through and then

404
00:22:15,210 --> 00:22:12,580
you've got these guys going around

405
00:22:18,119 --> 00:22:15,220
stopping all off at the tourist hotspots

406
00:22:19,830 --> 00:22:18,129
taking pictures and it was like we're

407
00:22:21,389 --> 00:22:19,840
having a party while it was in their

408
00:22:24,119 --> 00:22:21,399
house everybody's houses are burning

409
00:22:25,649 --> 00:22:24,129
down and they're having a party and

410
00:22:27,889 --> 00:22:25,659
wasn't that the edge of wonders

411
00:22:31,499 --> 00:22:27,899
dumbasses were in on that too right

412
00:22:32,970 --> 00:22:31,509
completely yes I the the next big thing

413
00:22:34,649 --> 00:22:32,980

there was you know the house burning

414

00:22:36,149 --> 00:22:34,659

down I could certainly do some

415

00:22:39,210 --> 00:22:36,159

investigation into that I could look

416

00:22:42,600 --> 00:22:39,220

across property records ownerships which

417

00:22:46,139 --> 00:22:42,610

I did and found out that you know there

418

00:22:47,789 --> 00:22:46,149

was no no ways house burnt down and just

419

00:22:51,060 --> 00:22:47,799

as you said like the edge of one of guys

420

00:22:53,159 --> 00:22:51,070

were in on that there was no there's a

421

00:22:55,649 --> 00:22:53,169

public post that been Chastain put out

422

00:22:58,320 --> 00:22:55,659

saying that Peter's house actually did

423

00:23:01,110 --> 00:22:58,330

burn down not you know might burn down

424

00:23:03,210 --> 00:23:01,120

not was in danger of you know in a red

425

00:23:05,940 --> 00:23:03,220

alert or anything like that he said the

426

00:23:07,529 --> 00:23:05,950

house burnt down and then I also had

427

00:23:09,600 --> 00:23:07,539

access to another private message that

428

00:23:12,389 --> 00:23:09,610

he said someone else saying you know who

429

00:23:13,799 --> 00:23:12,399

we trust Peter he's a trustworthy guy he

430

00:23:15,749 --> 00:23:13,809

wouldn't lie to us and he told us that

431

00:23:17,970 --> 00:23:15,759

the house burnt down the guy went why

432

00:23:20,730 --> 00:23:17,980

he's telling stories about talking to

433

00:23:24,180 --> 00:23:20,740

like a hundred different aliens but he's

434

00:23:27,509 --> 00:23:24,190

trustworthy and the other thing that's

435

00:23:30,180 --> 00:23:27,519

ridiculous here's what I get about like

436

00:23:33,210 --> 00:23:30,190

disclosure conferences so if you're

437

00:23:35,260 --> 00:23:33,220

really interested in in disclosure about

438

00:23:37,570 --> 00:23:35,270

aliens and UFOs and

439

00:23:40,330 --> 00:23:37,580

the government really knows why would

440

00:23:43,000 --> 00:23:40,340

you go to a conference being run by a

441

00:23:47,380 --> 00:23:43,010

former rapper who now claims he talks to

442

00:23:50,590 --> 00:23:47,390

let's see et the avatar aliens it's all

443

00:23:52,390 --> 00:23:50,600

Keanu Reeves that looks like Jesus and

444

00:23:54,190 --> 00:23:52,400

that's the first guy that's gonna bring

445

00:23:56,590 --> 00:23:54,200

you disclosure then we have these two

446

00:23:59,170 --> 00:23:56,600

clowns from edge of wonder which is

447

00:24:02,230 --> 00:23:59,180

basically a front for a Chinese cult

448

00:24:04,840 --> 00:24:02,240

that's crazy and we have James Gillian

449

00:24:07,510 --> 00:24:04,850

who swears that his ranch has some sort

450

00:24:09,700 --> 00:24:07,520

of temporal Nexus or stargates near it

451
00:24:11,890 --> 00:24:09,710
and there's all these spaceships flying

452
00:24:13,780 --> 00:24:11,900
over its we are the people that are

453
00:24:15,100 --> 00:24:13,790
going to bring us disclosure these are

454
00:24:17,050 --> 00:24:15,110
the people that were supposed to give

455
00:24:20,650 --> 00:24:17,060
like hundreds of dollars to to hear them

456
00:24:24,130 --> 00:24:20,660
talk but people do yeah look that's

457
00:24:26,560 --> 00:24:24,140
fraud as well as their claims is just so

458
00:24:29,020 --> 00:24:26,570
out there look you know I think Steven

459
00:24:31,690 --> 00:24:29,030
we try to keep him on open and in the

460
00:24:35,320 --> 00:24:31,700
video wasn't trying to even debunk those

461
00:24:37,300 --> 00:24:35,330
sorts of things yeah yeah you know you

462
00:24:38,710 --> 00:24:37,310
you really can't as I said before you

463
00:24:40,270 --> 00:24:38,720

can't prove that he didn't talk to an

464

00:24:47,080 --> 00:24:40,280

alien that looked like Roger from

465

00:24:50,020 --> 00:24:47,090

American Dad that story is true is

466

00:24:52,540 --> 00:24:50,030

extremely small right but yeah it's a

467

00:24:54,430 --> 00:24:52,550

year credit you based in this video you

468

00:24:56,830 --> 00:24:54,440

basically told the story of his

469

00:24:57,310 --> 00:24:56,840

background his history where he came

470

00:25:00,370 --> 00:24:57,320

from

471

00:25:04,540 --> 00:25:00,380

and what he's been doing and you didn't

472

00:25:06,310 --> 00:25:04,550

really try to say he's [h__\h] you know

473

00:25:08,350 --> 00:25:06,320

yeah I try not to do that with my videos

474

00:25:09,820 --> 00:25:08,360

I mean I'm sure a bit of my opinion

475

00:25:12,010 --> 00:25:09,830

comes across in them I'm not saying that

476

00:25:15,730 --> 00:25:12,020

they're completely unbiased but I do

477

00:25:17,470 --> 00:25:15,740

make them documentary style so you know

478

00:25:20,110 --> 00:25:17,480

they're the house burning thing the

479

00:25:22,740 --> 00:25:20,120

house burning down thing was the big

480

00:25:25,510 --> 00:25:22,750

subject for me to look into a latch on

481

00:25:27,700 --> 00:25:25,520

yeah because the other issue about that

482

00:25:29,920 --> 00:25:27,710

is even if that house did burn down that

483

00:25:32,290 --> 00:25:29,930

wasn't his primary residence right it

484

00:25:35,640 --> 00:25:32,300

was like a vacation cottage cabin often

485

00:25:37,720 --> 00:25:35,650

someplace yeah completely rot so

486

00:25:41,620 --> 00:25:37,730

painting actually gives away a lot of

487

00:25:43,440 --> 00:25:41,630

information in his books his books I

488

00:25:46,120 --> 00:25:43,450

won't say like they're they're not like

489

00:25:48,130 --> 00:25:46,130

hard to describe them they're more or

490

00:25:48,850 --> 00:25:48,140

less a diary of his experiences they're

491

00:25:51,850 --> 00:25:48,860

not not

492

00:25:54,160 --> 00:25:51,860

thoroughly constructed in a in a

493

00:25:56,650 --> 00:25:54,170

nonfiction you know traditional format

494

00:25:58,270 --> 00:25:56,660

they are pretty much just you know

495

00:26:00,460 --> 00:25:58,280

blurted out on his keyboard whatever

496

00:26:04,750 --> 00:26:00,470

he's you know his life story that kind

497

00:26:06,940 --> 00:26:04,760

of thing and in that he can you know

498

00:26:09,220 --> 00:26:06,950

clearly says where he was born

499

00:26:11,020 --> 00:26:09,230

talks about his parents you know gone

500

00:26:12,580 --> 00:26:11,030

through the divorce all that kind of

501
00:26:16,510 --> 00:26:12,590
thing he has a you know possibly sexual

502
00:26:19,720 --> 00:26:16,520
abuse which is terrible but one thing he

503
00:26:24,100 --> 00:26:19,730
does say is about his mother and father

504
00:26:25,930 --> 00:26:24,110
in law's cabin at a small Alpine town so

505
00:26:29,140 --> 00:26:25,940
I was able to you know not just look up

506
00:26:31,299 --> 00:26:29,150
residents that he owned or you know he's

507
00:26:34,450 --> 00:26:31,309
past living addresses from looking at

508
00:26:36,159 --> 00:26:34,460
domain names and you know doing sort of

509
00:26:39,070 --> 00:26:36,169
a deep dive and getting all the the

510
00:26:40,840 --> 00:26:39,080
facts that I could find sure but not not

511
00:26:43,870 --> 00:26:40,850
only that like so his primary residence

512
00:26:46,650 --> 00:26:43,880
or any known primary residences

513
00:26:49,090 --> 00:26:46,660

I think he's his father and he's

514

00:26:50,590 --> 00:26:49,100

mother-in-law live in another town

515

00:26:54,250 --> 00:26:50,600

completely that was well away from the

516

00:26:56,230 --> 00:26:54,260

fire so I had a really good picture of

517

00:26:57,430 --> 00:26:56,240

you know weren't worried he's primary

518

00:27:00,430 --> 00:26:57,440

residence Harry

519

00:27:01,840 --> 00:27:00,440

he has a brother it's more another small

520

00:27:05,470 --> 00:27:01,850

town called male beauty which could have

521

00:27:07,980 --> 00:27:05,480

potentially been could have potentially

522

00:27:10,810 --> 00:27:07,990

been in the fire front but I was also

523

00:27:13,020 --> 00:27:10,820

I'm a journalist here in Australia and I

524

00:27:15,870 --> 00:27:13,030

was looking at a lot of the different

525

00:27:18,610 --> 00:27:15,880

fire mappings as part of my job

526

00:27:20,500 --> 00:27:18,620

description so I had a really good idea

527

00:27:22,570 --> 00:27:20,510

of where the fires were burning when

528

00:27:25,480 --> 00:27:22,580

what impact they had how many homes

529

00:27:28,480 --> 00:27:25,490

destroyed and I was able to kind of

530

00:27:30,400 --> 00:27:28,490

surmise that this cabin which is a tiny

531

00:27:32,919 --> 00:27:30,410

cabin and what you would call the

532

00:27:36,940 --> 00:27:32,929

trailer park a caravan park we call them

533

00:27:38,470 --> 00:27:36,950

here in Australia and it was there

534

00:27:42,159 --> 00:27:38,480

wasn't a fire within a hundred

535

00:27:44,289 --> 00:27:42,169

kilometers of that place well you know

536

00:27:45,760 --> 00:27:44,299

this is not surprising though that they

537

00:27:48,070 --> 00:27:45,770

would lie about something stupid like

538

00:27:49,480 --> 00:27:48,080

that because you know if this guy's

539

00:27:51,310 --> 00:27:49,490

telling all these stories about talking

540

00:27:54,100 --> 00:27:51,320

all these aliens it's not a stretch that

541

00:27:55,960 --> 00:27:54,110

he would try to inject himself into the

542

00:27:57,850 --> 00:27:55,970

pain of the people that are losing their

543

00:28:00,370 --> 00:27:57,860

homes for some reason I don't know if

544

00:28:01,940 --> 00:28:00,380

not it for sympathy or if he's like some

545

00:28:03,470 --> 00:28:01,950

of these cosmic con men

546

00:28:06,800 --> 00:28:03,480

he would then use that to start a

547

00:28:08,570 --> 00:28:06,810

GoFundMe to benefit rebuilding his house

548

00:28:11,720 --> 00:28:08,580

when it's not really a house it's a

549

00:28:13,610 --> 00:28:11,730

cabin or you know I don't know it's just

550

00:28:15,410 --> 00:28:13,620

a crazy part of this guy's story though

551
00:28:17,030 --> 00:28:15,420
to be claiming that his house was burned

552
00:28:18,590 --> 00:28:17,040
down other people said his house burnt

553
00:28:20,620 --> 00:28:18,600
down do you believe that he told

554
00:28:23,690 --> 00:28:20,630
everybody that that his house burnt down

555
00:28:26,630 --> 00:28:23,700
well uh can any type been cheston's word

556
00:28:28,400 --> 00:28:26,640
for it I did try to quiz been on Twitter

557
00:28:30,140 --> 00:28:28,410
about that he did actually reply to me

558
00:28:32,840 --> 00:28:30,150
at one point but he avoided a couple of

559
00:28:35,990 --> 00:28:32,850
key questions yeah yeah that's what that

560
00:28:38,210 --> 00:28:36,000
dude does yeah yeah and look I was

561
00:28:40,100 --> 00:28:38,220
trying to appeal to any sort of you know

562
00:28:43,040 --> 00:28:40,110
I kind of I've always pictured Boehner's

563
00:28:45,560 --> 00:28:43,050

he Rob gives him hell on those shows

564

00:28:47,180 --> 00:28:45,570

he's just kind of the more demure

565

00:28:48,350 --> 00:28:47,190

character and I'm thinking okay well

566

00:28:49,550 --> 00:28:48,360

maybe he does have a little bit of

567

00:28:51,590 --> 00:28:49,560

authenticity there aren't giving the

568

00:28:53,660 --> 00:28:51,600

benefit of doubt yeah the other jerk-off

569

00:28:55,280 --> 00:28:53,670

blocked me instantly the first time I

570

00:28:58,820 --> 00:28:55,290

mentioned that they work for a Chinese

571

00:29:00,680 --> 00:28:58,830

cult but uh fantastic still hasn't done

572

00:29:02,300 --> 00:29:00,690

so he will because I'll ask him

573

00:29:05,600 --> 00:29:02,310

something or tweet something to add him

574

00:29:07,190 --> 00:29:05,610

eventually yeah yeah so look oh I think

575

00:29:09,190 --> 00:29:07,200

he did do that I think um the other

576

00:29:11,330 --> 00:29:09,200

thing is he's in a rap career and

577

00:29:12,980 --> 00:29:11,340

exaggeration is oh yeah you mentioned

578

00:29:14,570 --> 00:29:12,990

the rap career listen do you mind if we

579

00:29:17,510 --> 00:29:14,580

play a clip from your show

580

00:29:20,360 --> 00:29:17,520

go figure from your video you got it you

581

00:29:22,130 --> 00:29:20,370

guys got to see this so this I have a

582

00:29:24,890 --> 00:29:22,140

cue to like right before you

583

00:29:26,750 --> 00:29:24,900

you put the rap clips in so before Peter

584

00:29:30,110 --> 00:29:26,760

Slattery talked to a hundred different

585

00:29:30,890 --> 00:29:30,120

species of aliens including the avatar

586

00:29:35,180 --> 00:29:30,900

aliens

587

00:29:38,000 --> 00:29:35,190

he was pmax the rapper and Daniel found

588

00:29:39,860 --> 00:29:38,010

these clips and put him in the sort of

589

00:29:42,080 --> 00:29:39,870

documentary film that he made about this

590

00:29:44,000 --> 00:29:42,090

guy which is amazing and you should

591

00:29:47,720 --> 00:29:44,010

watch it but here we're gonna we're

592

00:29:53,290 --> 00:29:47,730

gonna do a clip of this so that we can

593

00:29:59,630 --> 00:29:56,660

okay folks get ready for pmax

594

00:30:02,720 --> 00:29:59,640

so I have it cued up here this whole

595

00:30:04,760 --> 00:30:02,730

plane rolling that's it right there I

596

00:30:06,920 --> 00:30:04,770

actually already knew of peda but not as

597

00:30:09,710 --> 00:30:06,930

Peter Maxwell Slattery the international

598

00:30:12,620 --> 00:30:09,720

best-selling author and alien contact he

599

00:30:15,110 --> 00:30:12,630

butters pmax a local rapper caught up in

600

00:30:16,030 --> 00:30:15,120

the popularization of rap music to new

601
00:31:08,780 --> 00:30:16,040
server

602
00:31:10,760 --> 00:31:08,790
in the what you good at - Armond

603
00:31:12,770 --> 00:31:10,770
payments was especially persistent in

604
00:31:14,810 --> 00:31:12,780
peddling his albums around local media

605
00:31:17,180 --> 00:31:14,820
outlets record stores doing everything

606
00:31:19,000 --> 00:31:17,190
he possibly could to get that music in

607
00:31:20,150 --> 00:31:19,010
front of the hands of potential buyers

608
00:31:23,570 --> 00:31:20,160
Wow

609
00:31:27,680 --> 00:31:23,580
so there we have daniel james finding

610
00:31:29,360 --> 00:31:27,690
the pmax clips and sharing them in his

611
00:31:30,910 --> 00:31:29,370
sort of documentary film which I thought

612
00:31:35,420 --> 00:31:30,920
was awesome

613
00:31:38,450 --> 00:31:35,430

he's PMAC [h__h] it's really ever

614

00:31:40,160 --> 00:31:38,460

blowing American gangster rap coming out

615

00:31:42,650 --> 00:31:40,170

of the mouth of an Australian who you

616

00:31:45,490 --> 00:31:42,660

know lifts up in a place where there's

617

00:31:49,880 --> 00:31:45,500

no gold chains and gangsters and guns

618

00:31:52,490 --> 00:31:49,890

against my you think that's crazy

619

00:31:55,310 --> 00:31:52,500

an Australian white boy rapper there is

620

00:31:59,810 --> 00:31:55,320

was for a time and probably still is a

621

00:32:04,610 --> 00:31:59,820

huge huge rap scene in Poland and I

622

00:32:08,150 --> 00:32:04,620

swear to God and polish rappers there's

623

00:32:10,490 --> 00:32:08,160

polish rappers that are like huge in

624

00:32:13,070 --> 00:32:10,500

Poland and other parts of Europe I I

625

00:32:15,830 --> 00:32:13,080

just can't get my brain around that pose

626
00:32:17,780 --> 00:32:15,840
rappers some of the Nordic countries are

627
00:32:21,650 --> 00:32:17,790
a little bit like that as well it's kind

628
00:32:23,060 --> 00:32:21,660
of really taken off there yeah it's it's

629
00:32:26,300 --> 00:32:23,070
interesting I mean Australia does have a

630
00:32:28,060 --> 00:32:26,310
bit of a rap scene but it's I'm not a

631
00:32:30,340 --> 00:32:28,070
fan of I just can't

632
00:32:32,680 --> 00:32:30,350
I don't like the the Australian accent

633
00:32:34,299 --> 00:32:32,690
trying to rap it really doesn't ponents

634
00:32:36,879 --> 00:32:34,309
yeah why don't they do the thing like

635
00:32:39,580 --> 00:32:36,889
you know what I don't understand people

636
00:32:42,789 --> 00:32:39,590
who are English from England with an

637
00:32:46,139 --> 00:32:42,799
English accent when they sing the accent

638
00:32:49,180 --> 00:32:46,149

goes away yeah I never understood that

639

00:32:51,279 --> 00:32:49,190

Pemex has got some older interesting

640

00:32:54,669 --> 00:32:51,289

tunes as well which I I wish I actually

641

00:32:57,190 --> 00:32:54,679

slid into the video because some of his

642

00:32:59,200 --> 00:32:57,200

older stuff is really really out there

643

00:33:02,129 --> 00:32:59,210

that there's no video clips to them but

644

00:33:05,349 --> 00:33:02,139

you can you can find him on YouTube and

645

00:33:11,049 --> 00:33:05,359

you know he talks about [h__h] wanting

646

00:33:13,599 --> 00:33:11,059

it and all this sort of stuff and you

647

00:33:16,629 --> 00:33:13,609

know like he talks about his past as a

648

00:33:18,580 --> 00:33:16,639

you know drug dealer and all this kind

649

00:33:20,700 --> 00:33:18,590

of stuff and it's just like yeah and the

650

00:33:23,019 --> 00:33:20,710

same people have growth and that but he

651

00:33:26,229 --> 00:33:23,029

isn't really that long ago that he was

652

00:33:28,210 --> 00:33:26,239

doing all this kind of stuff and in

653

00:33:30,549 --> 00:33:28,220

terms of authenticity how he can sort of

654

00:33:33,399 --> 00:33:30,559

move from being you know bragging about

655

00:33:35,529 --> 00:33:33,409

how many drugs and drinks and all that

656

00:33:36,369 --> 00:33:35,539

kind of things to being a loving light

657

00:33:39,909 --> 00:33:36,379

you know

658

00:33:42,729 --> 00:33:39,919

let's meditate and yeah it's very

659

00:33:45,609 --> 00:33:42,739

strange very strange juxtaposition yeah

660

00:33:47,409 --> 00:33:45,619

this is this part about these you know

661

00:33:49,719 --> 00:33:47,419

these UFO people being all light and

662

00:33:51,249 --> 00:33:49,729

love and meditation I really think that

663

00:33:53,259 --> 00:33:51,259

they're just trying to roll in some

664

00:33:56,589 --> 00:33:53,269

new-age people to their audience

665

00:33:57,940 --> 00:33:56,599

you know yeah yeah so I'm gonna we're

666

00:34:00,580 --> 00:33:57,950

gonna take some you want to take some

667

00:34:03,070 --> 00:34:00,590

questions from the live chat right in

668

00:34:05,739 --> 00:34:03,080

the live chat and maybe we'll play

669

00:34:08,799 --> 00:34:05,749

another we'll play another clip of your

670

00:34:11,319 --> 00:34:08,809

of your excellent excellent I like your

671

00:34:14,020 --> 00:34:11,329

stuff everyone is unique and different

672

00:34:15,490 --> 00:34:14,030

and this one was just I think you

673

00:34:18,069 --> 00:34:15,500

knocked it out of the park finding his

674

00:34:19,750 --> 00:34:18,079

rap videos and including them because it

675

00:34:22,109 --> 00:34:19,760

gives people some context about who this

676

00:34:25,539 --> 00:34:22,119

guy is that's making all these claims

677

00:34:30,129 --> 00:34:25,549

first he's trying to be a big rapper now

678

00:34:34,690 --> 00:34:30,139

he's trying to be I guess like a David

679

00:34:36,789 --> 00:34:34,700

Wilcock sort of [h__h] coxster or some

680

00:34:38,500 --> 00:34:36,799

of these other guys well it's where I

681

00:34:40,329 --> 00:34:38,510

left the video as well which is he's

682

00:34:42,309 --> 00:34:40,339

kind of Fannie's why today

683

00:34:44,609 --> 00:34:42,319

has some loose attires to quarry and

684

00:34:46,809 --> 00:34:44,619

over he was part of the cosmic secret

685

00:34:48,519 --> 00:34:46,819

film that came out or they interviewed

686

00:34:51,969 --> 00:34:48,529

him for that

687

00:34:53,559 --> 00:34:51,979

so yeah look it there's a couple of

688

00:34:56,019 --> 00:34:53,569

things that I didn't quite get into the

689

00:34:59,620 --> 00:34:56,029

video one that I found out later which I

690

00:35:02,559 --> 00:34:59,630

posted on Twitter a thread detailing one

691

00:35:04,299 --> 00:35:02,569

of the speakers burial Littleton was jus

692

00:35:07,089 --> 00:35:04,309

the speaker though disclosure down under

693

00:35:09,339 --> 00:35:07,099

event in Australia and I'll just quickly

694

00:35:12,099 --> 00:35:09,349

wrap this one up not long after he

695

00:35:15,249 --> 00:35:12,109

landed he got extremely ill and had to

696

00:35:16,779 --> 00:35:15,259

be in hospital he was in ICU almost died

697

00:35:21,459 --> 00:35:16,789

and there's a picture of him with tubes

698

00:35:23,979 --> 00:35:21,469

and everything in there and while all

699

00:35:27,849 --> 00:35:23,989

this was going on not one of those guys

700

00:35:30,190 --> 00:35:27,859

Peter been brob james gilliland those

701
00:35:34,479 --> 00:35:30,200
sorts of guys not one of them went to

702
00:35:37,079 --> 00:35:34,489
visit Peter berry in the hospital and he

703
00:35:41,349 --> 00:35:37,089
was in ICU for 11 days following his

704
00:35:43,150 --> 00:35:41,359
emergency surgery and while this was

705
00:35:46,269 --> 00:35:43,160
going on he was getting pressured by one

706
00:35:47,979 --> 00:35:46,279
of Peters mates about you know if you're

707
00:35:50,799 --> 00:35:47,989
not going to speak we need your

708
00:35:53,019 --> 00:35:50,809
insurance information so they could get

709
00:35:54,969 --> 00:35:53,029
a refund on you know travel and

710
00:35:57,579 --> 00:35:54,979
accommodation cost things like that so

711
00:35:59,400 --> 00:35:57,589
oh yeah real these guys are real loving

712
00:36:02,620 --> 00:35:59,410
light people guys dying in a hospital

713
00:36:04,749 --> 00:36:02,630

they're trying to get information from

714

00:36:07,479 --> 00:36:04,759

them so they could get their money back

715

00:36:08,859 --> 00:36:07,489

nice yeah yeah I really wish I had that

716

00:36:11,349 --> 00:36:08,869

in but I've got that out there on

717

00:36:12,789 --> 00:36:11,359

Twitter and since I sort of don't really

718

00:36:15,279 --> 00:36:12,799

want to say who they are that have

719

00:36:18,099 --> 00:36:15,289

contacted me but there's people that are

720

00:36:21,099 --> 00:36:18,109

extremely extremely extremely close to

721

00:36:23,859 --> 00:36:21,109

to Peter and they'd say this is a

722

00:36:25,479 --> 00:36:23,869

pattern of behaviour of you know even

723

00:36:27,430 --> 00:36:25,489

sort of him attaching himself to

724

00:36:28,870 --> 00:36:27,440

different people and kind of leaving

725

00:36:31,180 --> 00:36:28,880

when all the money's drained and then

726

00:36:33,789 --> 00:36:31,190

moving on to the next person so you know

727

00:36:35,829 --> 00:36:33,799

unfortunately for Barry he was part of

728

00:36:37,509 --> 00:36:35,839

Peters early career he and Peter had

729

00:36:40,420 --> 00:36:37,519

something called the Peter Maxwell

730

00:36:41,950 --> 00:36:40,430

Slattery show on YouTube you can find

731

00:36:44,410 --> 00:36:41,960

some of those old episodes where someone

732

00:36:46,770 --> 00:36:44,420

has re uploaded them but I couldn't find

733

00:36:48,870 --> 00:36:46,780

the original Channel

734

00:36:50,940 --> 00:36:48,880

but that you know Barry was a big part

735

00:36:53,490 --> 00:36:50,950

of Peters only sort of branch into the

736

00:36:55,800 --> 00:36:53,500

u.s. and contacts and things like that

737

00:36:58,490 --> 00:36:55,810

don't mean you know only in contacts I

738

00:37:02,460 --> 00:36:58,500

mean getting contacts within this scene

739

00:37:04,560 --> 00:37:02,470

and Barry I guess is not as useful to

740

00:37:06,780 --> 00:37:04,570

him now that he's got his own edge of

741

00:37:08,850 --> 00:37:06,790

wonder show and he's made contacts with

742

00:37:11,460 --> 00:37:08,860

James and you know and all these other

743

00:37:13,050 --> 00:37:11,470

guys Cory good Jordans hey there Jordan

744

00:37:14,370 --> 00:37:13,060

how could I leave Jordan out before

745

00:37:20,040 --> 00:37:14,380

we're talking about all these guys and I

746

00:37:24,300 --> 00:37:20,050

left Jordan say there yeah that guy

747

00:37:27,510 --> 00:37:24,310

anyway yeah that guy I listen I you know

748

00:37:29,190 --> 00:37:27,520

I have an autistic son and so for no

749

00:37:29,760 --> 00:37:29,200

other reason I mean I just think he's a

750

00:37:34,950 --> 00:37:29,770

douchebag

751
00:37:37,700 --> 00:37:34,960
multiple reasons but one of them is his

752
00:37:41,250 --> 00:37:37,710
promotion of this thing called MMS and

753
00:37:45,900 --> 00:37:41,260
his speaking at autism conferences

754
00:37:47,850 --> 00:37:45,910
because what is this qualification for

755
00:37:49,980 --> 00:37:47,860
speaking at an autism conference does he

756
00:37:53,490 --> 00:37:49,990
have an autistic relative I don't think

757
00:37:56,490 --> 00:37:53,500
so it doesn't yeah yeah that's what's

758
00:37:59,520 --> 00:37:56,500
gonna say he once listen Daniel he once

759
00:38:02,960 --> 00:37:59,530
made smoothies for an autistic child out

760
00:38:05,700 --> 00:38:02,970
a week term at a health food store and

761
00:38:09,240 --> 00:38:05,710
this somehow qualifies him to be an

762
00:38:12,320 --> 00:38:09,250
expert on autism I've always said this

763
00:38:14,910 --> 00:38:12,330

about him and and I mean it sincerely

764

00:38:17,190 --> 00:38:14,920

mr. seder if you really want to learn

765

00:38:20,070 --> 00:38:17,200

about autism you can come and be my

766

00:38:22,530 --> 00:38:20,080

guest for a week and and help me take

767

00:38:24,750 --> 00:38:22,540

care of my autistic son before you shoot

768

00:38:27,480 --> 00:38:24,760

your stupid mouth off about autism at

769

00:38:30,300 --> 00:38:27,490

least have some experience with those

770

00:38:32,340 --> 00:38:30,310

effective an MMS is not a cure for

771

00:38:34,980 --> 00:38:32,350

autism and so many children have been

772

00:38:38,610 --> 00:38:34,990

harmed by idiots like him running around

773

00:38:42,720 --> 00:38:38,620

saying that MMS is effective in treating

774

00:38:45,270 --> 00:38:42,730

autism yeah for sure yeah I did say a

775

00:38:46,890 --> 00:38:45,280

lot of those videos as well from I think

776

00:38:48,270 --> 00:38:46,900

the autism one conference that he went

777

00:38:51,150 --> 00:38:48,280

to and the things that he was saying and

778

00:38:54,540 --> 00:38:51,160

you know like Jordan recently has come

779

00:38:57,130 --> 00:38:54,550

out and been against quite against Corey

780

00:39:00,069 --> 00:38:57,140

I guess publicly more than David but

781

00:39:02,740 --> 00:39:00,079

you know it's a little bit like I can't

782

00:39:04,450 --> 00:39:02,750

even resonate with that because for so

783

00:39:06,309 --> 00:39:04,460

long he had the opportunity if he saw

784

00:39:08,620 --> 00:39:06,319

problems with their character or their

785

00:39:12,250 --> 00:39:08,630

actions to speak up and do something

786

00:39:13,750 --> 00:39:12,260

about it and now now that it's got a

787

00:39:17,410 --> 00:39:13,760

separate relationship he wants to [h__\h]

788

00:39:20,230 --> 00:39:17,420

all over Cory you know that's just its

789

00:39:22,240 --> 00:39:20,240

weak and the berry little and thing is a

790

00:39:23,829 --> 00:39:22,250

little bit like that as well you know

791

00:39:25,380 --> 00:39:23,839

where's the strength of character for

792

00:39:28,329 --> 00:39:25,390

one of these guys to understand that

793

00:39:31,359 --> 00:39:28,339

someone has been in hospital and in a

794

00:39:33,339 --> 00:39:31,369

life-threatening situation yeah it's not

795

00:39:36,430 --> 00:39:33,349

just a business decision it's human

796

00:39:38,079 --> 00:39:36,440

ethical decision to go on support like I

797

00:39:40,180 --> 00:39:38,089

felt really bad like I don't know how

798

00:39:41,799 --> 00:39:40,190

much of that berry at all and I'm not

799

00:39:42,970 --> 00:39:41,809

see I saw the pit I felt bad for him

800

00:39:45,609 --> 00:39:42,980

just seeing the pictures of him in the

801
00:39:47,740 --> 00:39:45,619
hospital because I had brain surgery

802
00:39:49,150 --> 00:39:47,750
once and it reminded me of that like

803
00:39:51,279 --> 00:39:49,160
whatever was going on with him was

804
00:39:53,620 --> 00:39:51,289
something serious because he was in the

805
00:39:55,990 --> 00:39:53,630
hospital in ICU all hooked up to

806
00:39:56,769 --> 00:39:56,000
everything and they don't do that unless

807
00:39:58,809 --> 00:39:56,779
they have to

808
00:40:01,059 --> 00:39:58,819
so something you know something had to

809
00:40:04,180 --> 00:40:01,069
be seriously wrong with that guy and for

810
00:40:05,829 --> 00:40:04,190
these jerk-offs to be not even visit him

811
00:40:07,359 --> 00:40:05,839
he's a speaker at your conference you

812
00:40:09,309 --> 00:40:07,369
don't even visit them and Slattery add

813
00:40:12,099 --> 00:40:09,319

this long-standing relationship with

814

00:40:14,849 --> 00:40:12,109

this guy yeah completely is probably one

815

00:40:17,140 --> 00:40:14,859

of these first bigger names that he not

816

00:40:20,980 --> 00:40:17,150

talking to but obviously not big enough

817

00:40:23,859 --> 00:40:20,990

now you know like I just think as well

818

00:40:25,269 --> 00:40:23,869

like I'm not pushing Barry's messages or

819

00:40:27,220 --> 00:40:25,279

what the content he puts out I don't

820

00:40:29,079 --> 00:40:27,230

really know what he does as far as

821

00:40:31,029 --> 00:40:29,089

that's concerned but I tell you what I

822

00:40:33,819 --> 00:40:31,039

live in Melbourne and I was in the same

823

00:40:35,200 --> 00:40:33,829

city and if I want to know you know like

824

00:40:38,559 --> 00:40:35,210

who's emerging it yourself you're in a

825

00:40:40,569 --> 00:40:38,569

different country yeah you get all this

826
00:40:42,670 --> 00:40:40,579
like and you haven't got your family and

827
00:40:44,410 --> 00:40:42,680
friends to come and hurt you and take

828
00:40:45,759 --> 00:40:44,420
care in hospital not saying I would have

829
00:40:48,819 --> 00:40:45,769
done that but I certainly would have

830
00:40:51,039 --> 00:40:48,829
paid anyone a visit from this community

831
00:40:54,549 --> 00:40:51,049
who had been through something like that

832
00:40:58,029 --> 00:40:54,559
just to you know say can I help like and

833
00:41:00,009 --> 00:40:58,039
the fact that these guys anyway I'm

834
00:41:02,470 --> 00:41:00,019
getting a little bit too in the weeds

835
00:41:05,019 --> 00:41:02,480
with it but it is a family yeah yeah

836
00:41:06,640 --> 00:41:05,029
it's kind of its kind of just it kind of

837
00:41:08,380 --> 00:41:06,650
pulls the wool back from your eyes

838
00:41:10,900 --> 00:41:08,390

though about these fake love and light

839

00:41:12,990 --> 00:41:10,910

[h__\h] and what the reality is

840

00:41:16,930 --> 00:41:13,000

all money and it's all about the money

841

00:41:19,059 --> 00:41:16,940

yeah yeah and now we see this whole team

842

00:41:22,359 --> 00:41:19,069

like you were mentioning Jordan say

843

00:41:24,250 --> 00:41:22,369

there is now trash and good and oh it's

844

00:41:27,940 --> 00:41:24,260

great like the whole team is breaking up

845

00:41:29,140 --> 00:41:27,950

now yeah I find it really hard to like I

846

00:41:30,789 --> 00:41:29,150

couldn't find empathy with a lot of

847

00:41:33,130 --> 00:41:30,799

people but I find it really hard to be

848

00:41:35,559 --> 00:41:33,140

sorry for you know those guys who are

849

00:41:37,029 --> 00:41:35,569

having the issues with Corey now are the

850

00:41:39,190 --> 00:41:37,039

former associates and partners because

851

00:41:41,260 --> 00:41:39,200

in a lot of ways they all have their

852

00:41:43,210 --> 00:41:41,270

chance to stand up and say something

853

00:41:45,250 --> 00:41:43,220

before now and they chose not to because

854

00:41:47,020 --> 00:41:45,260

they were getting financially rewarded

855

00:41:49,329 --> 00:41:47,030

for it so yeah they were benefiting he

856

00:41:51,460 --> 00:41:49,339

was these people were all benefiting

857

00:41:53,430 --> 00:41:51,470

from Corey Goode and his fairy tales and

858

00:41:55,990 --> 00:41:53,440

as soon as they couldn't benefit anymore

859

00:41:57,849 --> 00:41:56,000

everybody's jumping ship you know you

860

00:41:59,770 --> 00:41:57,859

know I don't know what to deal with the

861

00:42:02,740 --> 00:41:59,780

drama with him sue and everybody is all

862

00:42:05,799 --> 00:42:02,750

about but it looks it just smacks of

863

00:42:08,589 --> 00:42:05,809

desperation to me and greed it's all

864

00:42:13,690 --> 00:42:08,599

about money it is all about the money

865

00:42:15,579 --> 00:42:13,700

that is absolutely official yep so what

866

00:42:16,839 --> 00:42:15,589

do you what do you see is next for this

867

00:42:18,579 --> 00:42:16,849

guys you're just going to be making the

868

00:42:20,380 --> 00:42:18,589

rounds in the circuit trying to sell

869

00:42:23,079 --> 00:42:20,390

more books and more [h__h] and more

870

00:42:24,730 --> 00:42:23,089

documentaries and yeah I think it will

871

00:42:27,960 --> 00:42:24,740

keep going I think the interesting thing

872

00:42:30,220 --> 00:42:27,970

is along the lines of you know the the

873

00:42:33,010 --> 00:42:30,230

disputes going on I guess is the way to

874

00:42:35,380 --> 00:42:33,020

frame it between Corey David and the

875

00:42:37,660 --> 00:42:35,390

others Roger and all the rest of those

876

00:42:39,970 --> 00:42:37,670

guys who got their lawsuits on one

877

00:42:42,940 --> 00:42:39,980

another but they've made they're really

878

00:42:45,400 --> 00:42:42,950

on their bubble quite small and for

879

00:42:47,680 --> 00:42:45,410

Peter you know he's got his series on

880

00:42:49,599 --> 00:42:47,690

edge of Wonder and he's moved you know

881

00:42:51,609 --> 00:42:49,609

into a closer relationship where they're

882

00:42:54,880 --> 00:42:51,619

using edge of wonder as the vehicle but

883

00:42:56,710 --> 00:42:54,890

the other interesting thing is he's if

884

00:42:58,630 --> 00:42:56,720

he's getting in tighter with these guys

885

00:43:01,240 --> 00:42:58,640

these guys have burnt all their bridges

886

00:43:03,549 --> 00:43:01,250

you know the vans that burnt guy a

887

00:43:06,430 --> 00:43:03,559

relationship all those things that

888

00:43:09,730 --> 00:43:06,440

created and made them those pants and in

889

00:43:10,990 --> 00:43:09,740

those outlets they don't really have

890

00:43:13,960 --> 00:43:11,000

anymore so they're having to do it

891

00:43:16,599 --> 00:43:13,970

themselves and now that they're at the

892

00:43:20,349 --> 00:43:16,609

point where they're they're fighting

893

00:43:22,720 --> 00:43:20,359

with each other I don't see a legitimate

894

00:43:23,859 --> 00:43:22,730

platform for someone who's gotten in so

895

00:43:27,519 --> 00:43:23,869

tight with them too

896

00:43:29,890 --> 00:43:27,529

to really excel in so for Peter I think

897

00:43:32,680 --> 00:43:29,900

you know someone like him who's on the

898

00:43:35,559 --> 00:43:32,690

outs outer limits of that Friendship

899

00:43:40,809 --> 00:43:35,569

Circle I guess actually I can't call it

900

00:43:42,450 --> 00:43:40,819

a friendship so or that clique of he's

901
00:43:44,680 --> 00:43:42,460
got a decision to make I guess which is

902
00:43:46,589 --> 00:43:44,690
does it want to be a little bit more

903
00:43:49,470 --> 00:43:46,599
mainstream or does he want to keep

904
00:43:53,039 --> 00:43:49,480
pushing these relationships because I

905
00:43:55,299 --> 00:43:53,049
think it's it's not gonna end well with

906
00:43:58,779 --> 00:43:55,309
anything associated with the quarry in

907
00:44:00,400 --> 00:43:58,789
particular yeah you know I somebody sent

908
00:44:02,499 --> 00:44:00,410
me the link to this latest video and he

909
00:44:05,049 --> 00:44:02,509
said something in there like oh oh these

910
00:44:07,289 --> 00:44:05,059
all these critic stops because now they

911
00:44:12,160 --> 00:44:07,299
know the feds are involved first of all

912
00:44:15,910 --> 00:44:12,170
listen maybe people stop covering quarry

913
00:44:18,329 --> 00:44:15,920

good because it's he's just not worth it

914

00:44:21,039 --> 00:44:18,339

he's just not worth it it's not worth

915

00:44:22,509 --> 00:44:21,049

you know I don't know I think the guy's

916

00:44:25,029 --> 00:44:22,519

a psychopath and you don't want to

917

00:44:27,519 --> 00:44:25,039

invite a psychopath into your life so

918

00:44:31,870 --> 00:44:27,529

you know for me and others like some

919

00:44:33,370 --> 00:44:31,880

people just said now he you know I sort

920

00:44:36,190 --> 00:44:33,380

of did a few shows on him and that's

921

00:44:38,319 --> 00:44:36,200

enough like if people are stupid off to

922

00:44:39,989 --> 00:44:38,329

give that guy money or become involved

923

00:44:41,200 --> 00:44:39,999

with him in any kind of business

924

00:44:43,630 --> 00:44:41,210

relationship

925

00:44:45,700 --> 00:44:43,640

good luck that's all I can tell you you

926
00:44:47,380 --> 00:44:45,710
know good luck what well it's yeah

927
00:44:49,529 --> 00:44:47,390
outside of any of his you know

928
00:44:52,450 --> 00:44:49,539
fantastical stories or any of that um

929
00:44:55,089 --> 00:44:52,460
there is Corey Goode the the personality

930
00:44:57,700 --> 00:44:55,099
and he's not he's not a great person I

931
00:45:00,279 --> 00:44:57,710
think it's it's it's quite obvious to

932
00:45:02,470 --> 00:45:00,289
see and yeah like I mean you can even

933
00:45:04,870 --> 00:45:02,480
just look at his trail of burnt

934
00:45:08,410 --> 00:45:04,880
relationships throughout the years like

935
00:45:10,499 --> 00:45:08,420
if you want to get in in babe Rebecca be

936
00:45:15,640 --> 00:45:10,509
very concerned about your mental

937
00:45:20,229 --> 00:45:15,650
capacity yeah yeah yeah it's interesting

938
00:45:22,329 --> 00:45:20,239

though that uh I guess he's Peter Couri

939

00:45:24,150 --> 00:45:22,339

good must be okay with Peter Slattery

940

00:45:27,670 --> 00:45:24,160

which is weird because he generally

941

00:45:30,400 --> 00:45:27,680

doesn't like another guy cheese and on

942

00:45:32,920 --> 00:45:30,410

his gig and Slattery's telling very

943

00:45:35,710 --> 00:45:32,930

similar stories there's a blue sphere it

944

00:45:36,940 --> 00:45:35,720

takes me to the aliens this is Corey

945

00:45:39,280 --> 00:45:36,950

goods materials

946

00:45:41,980 --> 00:45:39,290

I found that interesting he's got IP

947

00:45:43,690 --> 00:45:41,990

this is my intellectual property and

948

00:45:46,540 --> 00:45:43,700

nobody's allowed to tell similar stories

949

00:45:48,819 --> 00:45:46,550

or I'll sue them but he's given Peter

950

00:45:51,430 --> 00:45:48,829

Slattery a pass on a lot of things and

951
00:45:55,089 --> 00:45:51,440
Latin Peter Slattery sort of benefit

952
00:45:56,230 --> 00:45:55,099
from his weirdo clique of UFO nuts that

953
00:45:58,780 --> 00:45:56,240
are selling [h__h]

954
00:45:59,890 --> 00:45:58,790
it's he'll be a man and the edge of

955
00:46:01,630 --> 00:45:59,900
Wonder Boys

956
00:46:03,040 --> 00:46:01,640
yeah it's oh it's a really good point

957
00:46:05,140 --> 00:46:03,050
like I did know I said I was actually

958
00:46:06,579 --> 00:46:05,150
gonna end off the video that way but you

959
00:46:08,950 --> 00:46:06,589
know I was so delighted in a production

960
00:46:10,630 --> 00:46:08,960
and spent so much time and already you

961
00:46:13,960 --> 00:46:10,640
ideally I would have ended that video

962
00:46:16,900 --> 00:46:13,970
with the kind of I guess a supercut of

963
00:46:18,910 --> 00:46:16,910

all the similar things that Peter and

964

00:46:22,839 --> 00:46:18,920

Cory have said like as you said they're

965

00:46:25,120 --> 00:46:22,849

the blue spheres of light those kinds of

966

00:46:27,760 --> 00:46:25,130

you know taking them away to have these

967

00:46:31,079 --> 00:46:27,770

outing experiences there's more than

968

00:46:35,290 --> 00:46:31,089

just that there's a lot of exams or a

969

00:46:36,609 --> 00:46:35,300

brush over stories that they've got and

970

00:46:39,010 --> 00:46:36,619

look I don't know how well they are

971

00:46:40,480 --> 00:46:39,020

associated apart from the fact like they

972

00:46:43,990 --> 00:46:40,490

must be associated somewhat because

973

00:46:45,849 --> 00:46:44,000

Peter was in the cosmic secret but also

974

00:46:47,349 --> 00:46:45,859

other you know in my research I've come

975

00:46:49,839 --> 00:46:47,359

across videos of them they have been

976
00:46:52,000 --> 00:46:49,849
together at a SETI and another event so

977
00:46:54,309 --> 00:46:52,010
they they do have a I guess a corny

978
00:46:56,920 --> 00:46:54,319
relationship but yeah you're right like

979
00:46:59,050 --> 00:46:56,930
it I guess there must be something in it

980
00:47:00,190 --> 00:46:59,060
for Cory because why else would he do

981
00:47:02,260 --> 00:47:00,200
that he's as you say he's very

982
00:47:04,930 --> 00:47:02,270
aggressive and on the front foot with

983
00:47:10,240 --> 00:47:04,940
anyone trying to you know touch on his

984
00:47:12,010 --> 00:47:10,250
little IP yeah which is ridiculous in

985
00:47:13,589 --> 00:47:12,020
and of itself because if you're telling

986
00:47:16,690 --> 00:47:13,599
what it's supposed to be a true story

987
00:47:18,309 --> 00:47:16,700
you can't copyright that you can't you

988
00:47:20,260 --> 00:47:18,319

know and he's tried with all these

989

00:47:23,230 --> 00:47:20,270

trademarks and everything it's just

990

00:47:25,300 --> 00:47:23,240

ridiculous yeah it's it dumps the [h__h]

991

00:47:26,650 --> 00:47:25,310

are you gonna do some lucky like you

992

00:47:29,230 --> 00:47:26,660

said you know I don't know whether it's

993

00:47:32,200 --> 00:47:29,240

worth all covering the blow-by-blow but

994

00:47:33,910 --> 00:47:32,210

sometimes it's an attack to see what

995

00:47:36,430 --> 00:47:33,920

he's up to like that video that he put

996

00:47:40,270 --> 00:47:36,440

out the other day from the cave yeah

997

00:47:42,760 --> 00:47:40,280

he's pretty eager to like oh my god yeah

998

00:47:43,990 --> 00:47:42,770

just the one talks to like I'd I'd be

999

00:47:47,500 --> 00:47:44,000

really interested in a body language

1000

00:47:49,210 --> 00:47:47,510

expert to sort of watch him and sort of

1001
00:47:50,240 --> 00:47:49,220
see what they take is I mean you

1002
00:47:51,830 --> 00:47:50,250
mentioned before or lucky

1003
00:47:53,360 --> 00:47:51,840
comes across as a bit of a psychopath I

1004
00:47:55,610 --> 00:47:53,370
think obviously there are some

1005
00:47:57,860 --> 00:47:55,620
tendencies that he's got but I'd really

1006
00:48:00,110 --> 00:47:57,870
love to see what an expert says about

1007
00:48:03,560 --> 00:48:00,120
someone like that because yeah just the

1008
00:48:06,770 --> 00:48:03,570
way even says hello it creeps me yeah

1009
00:48:09,500 --> 00:48:06,780
hello yeah

1010
00:48:11,570 --> 00:48:09,510
man he'll be interesting to see what

1011
00:48:14,690 --> 00:48:11,580
pans out with all these stupid lawsuits

1012
00:48:17,420 --> 00:48:14,700
because you know and what gets me most

1013
00:48:19,520 --> 00:48:17,430

about him is all these claims that the

1014

00:48:22,430 --> 00:48:19,530

state police are involved the feds are

1015

00:48:24,740 --> 00:48:22,440

now involved and he he has no proof of

1016

00:48:27,020 --> 00:48:24,750

any of that that anybody's being

1017

00:48:28,970 --> 00:48:27,030

criminally investigated if you ask me

1018

00:48:32,450 --> 00:48:28,980

there's a higher likelihood that he is

1019

00:48:33,950 --> 00:48:32,460

than any of his critics you know Cory

1020

00:48:36,260 --> 00:48:33,960

goods made these arguments that he whose

1021

00:48:38,690 --> 00:48:36,270

cyberstalked and all this stuff and it's

1022

00:48:41,090 --> 00:48:38,700

just read it's all ridiculous if you're

1023

00:48:43,100 --> 00:48:41,100

gonna go on the internet and tell all

1024

00:48:45,470 --> 00:48:43,110

these ridiculous stories that you talk

1025

00:48:47,120 --> 00:48:45,480

to aliens and all this [h__\h] they're

1026
00:48:49,520 --> 00:48:47,130
not allowed to go on my youtube channel

1027
00:48:51,470 --> 00:48:49,530
and tell people what you're saying and

1028
00:48:53,960 --> 00:48:51,480
why I think it's [h__\h] you can't sue

1029
00:48:56,000 --> 00:48:53,970
me for that well they've taken the point

1030
00:48:57,950 --> 00:48:56,010
where their public figures at this point

1031
00:49:02,210 --> 00:48:57,960
they've been on you know broadcast

1032
00:49:05,390 --> 00:49:02,220
television shows you know series they've

1033
00:49:07,040 --> 00:49:05,400
put themselves online you know and I

1034
00:49:09,110 --> 00:49:07,050
know it's a bit of a story for Cory

1035
00:49:11,030 --> 00:49:09,120
before that he says I didn't didn't

1036
00:49:13,670 --> 00:49:11,040
really put myself out there I was outed

1037
00:49:15,500 --> 00:49:13,680
but you know we all know from looking

1038
00:49:18,110 --> 00:49:15,510

back at his project Avalon threads that

1039

00:49:20,210 --> 00:49:18,120

this was something he was pursuing he

1040

00:49:21,830 --> 00:49:20,220

was actively working on pulling it all

1041

00:49:24,890 --> 00:49:21,840

together to be able to put himself out

1042

00:49:28,190 --> 00:49:24,900

there as some sort of identity that

1043

00:49:29,570 --> 00:49:28,200

could profit from events and videos and

1044

00:49:31,340 --> 00:49:29,580

he certainly did that you know there is

1045

00:49:34,370 --> 00:49:31,350

a lot of people that have fallen freeze

1046

00:49:36,920 --> 00:49:34,380

his front and sent him money and now

1047

00:49:38,810 --> 00:49:36,930

he's got he's you know legal I can't

1048

00:49:41,540 --> 00:49:38,820

remember than a librarian leaves send me

1049

00:49:44,000 --> 00:49:41,550

money send me money so that when

1050

00:49:46,550 --> 00:49:44,010

somebody says that my alien stories on

1051

00:49:48,560 --> 00:49:46,560

the Internet are true I can sue them

1052

00:49:51,650 --> 00:49:48,570

with the money that you send me that's

1053

00:49:55,130 --> 00:49:51,660

the gist of his [h__h] legal fund

1054

00:49:57,470 --> 00:49:55,140

nonsense but still people keep giving

1055

00:49:59,870 --> 00:49:57,480

and I don't think he's gonna stop until

1056

00:50:02,870 --> 00:49:59,880

it's you know he's either drained

1057

00:50:03,550 --> 00:50:02,880

financially or or worse I don't know and

1058

00:50:05,260 --> 00:50:03,560

like they think

1059

00:50:08,500 --> 00:50:05,270

I think the money's got to be drying up

1060

00:50:10,660 --> 00:50:08,510

see if if the if the money wasn't trying

1061

00:50:12,220 --> 00:50:10,670

up those guys would have rolled on

1062

00:50:15,010 --> 00:50:12,230

together and there wouldn't be all of

1063

00:50:17,650 --> 00:50:15,020

this backbiting between his business

1064

00:50:20,980 --> 00:50:17,660

partners and him and all this nonsense

1065

00:50:22,270 --> 00:50:20,990

the money's drying up mmm and looked and

1066

00:50:24,910 --> 00:50:22,280

that's interesting too because he's

1067

00:50:27,460 --> 00:50:24,920

talked about his war chest

1068

00:50:30,280 --> 00:50:27,470

you know his legal funds and all this

1069

00:50:32,650 --> 00:50:30,290

kind of thing so really interesting

1070

00:50:34,180 --> 00:50:32,660

developments sir with corian yeah for

1071

00:50:37,450 --> 00:50:34,190

Peter I don't know how that all Goff his

1072

00:50:39,310 --> 00:50:37,460

tidies he's hitched his wagon tightly to

1073

00:50:44,710 --> 00:50:39,320

the quarry good train because it's it's

1074

00:50:47,410 --> 00:50:44,720

been off the tracks for sure yeah yeah

1075

00:50:49,540 --> 00:50:47,420

it's it's fun to watch it's kind of fun

1076

00:50:51,520 --> 00:50:49,550

to watch and see you know I I don't

1077

00:50:53,320 --> 00:50:51,530

really want to cover him but I got a

1078

00:50:57,670 --> 00:50:53,330

check in once in a while and see what's

1079

00:50:59,470 --> 00:50:57,680

going on and crazy land yeah look if the

1080

00:51:00,910 --> 00:50:59,480

aliens are looking down on us Dave is

1081

00:51:03,160 --> 00:51:00,920

entertainment we're looking at Corey

1082

00:51:06,640 --> 00:51:03,170

good for entertainment because yeah it's

1083

00:51:08,350 --> 00:51:06,650

a bit of a cow crashing so listen if

1084

00:51:12,280 --> 00:51:08,360

anybody in the live chat if you have a

1085

00:51:14,380 --> 00:51:12,290

question for Daniel just put it in all

1086

00:51:17,320 --> 00:51:14,390

caps and I will get it on the screen and

1087

00:51:19,690 --> 00:51:17,330

read it for you and I want to thank

1088

00:51:21,280 --> 00:51:19,700

Daniel for coming on here I wanted to

1089

00:51:24,880 --> 00:51:21,290

have him as a guest on my radio show

1090

00:51:27,610 --> 00:51:24,890

just never never worked out yeah no it's

1091

00:51:29,200 --> 00:51:27,620

great to be unstable like I am it's been

1092

00:51:31,810 --> 00:51:29,210

a bit difficult for me like I've had

1093

00:51:33,970 --> 00:51:31,820

other priorities over the last you know

1094

00:51:35,950 --> 00:51:33,980

year or so with work and changes and

1095

00:51:37,500 --> 00:51:35,960

moving and all kinds of different stuff

1096

00:51:40,030 --> 00:51:37,510

but it's it's great to be here now and

1097

00:51:41,830 --> 00:51:40,040

yeah I'm just glad my microphone works

1098

00:51:48,010 --> 00:51:41,840

now because I had to record that last

1099

00:51:50,620 --> 00:51:48,020

video on my iPhone so yeah I've been

1100

00:51:53,830 --> 00:51:50,630

like yeah I didn't realize that my mics

1101
00:51:57,640 --> 00:51:53,840
were shitty until somebody it was Jason

1102
00:52:01,720 --> 00:51:57,650
quit [h__h] you Jason quit and Jason quit

1103
00:52:03,550 --> 00:52:01,730
it's costing me money because I I

1104
00:52:05,530 --> 00:52:03,560
thought the mic sounded pretty good and

1105
00:52:07,030 --> 00:52:05,540
it was fine it was good enough it's not

1106
00:52:10,330 --> 00:52:07,040
super expensive the one that I'm using

1107
00:52:12,700 --> 00:52:10,340
now and but then Jason quit came on with

1108
00:52:15,370 --> 00:52:12,710
a really expensive mic and he sounded

1109
00:52:16,800 --> 00:52:15,380
like super crystal clear and beautiful

1110
00:52:20,850 --> 00:52:16,810
and I sound

1111
00:52:23,160 --> 00:52:20,860
money as [h__h] since no I [h__h] you Jason

1112
00:52:25,320 --> 00:52:23,170
quit now I buy a new microphone just

1113
00:52:30,150 --> 00:52:25,330

because of you you [h__h]

1114

00:52:31,980 --> 00:52:30,160

now I know like w:6 he's an [h__h] yeah

1115

00:52:34,080 --> 00:52:31,990

I like Jason he's great to talk to so

1116

00:52:35,850 --> 00:52:34,090

yeah he's a good guy and we have you

1117

00:52:38,220 --> 00:52:35,860

know what's weird is that we have such

1118

00:52:41,340 --> 00:52:38,230

similar interests in stuff in

1119

00:52:43,740 --> 00:52:41,350

synthesizers and music and similar taste

1120

00:52:45,600 --> 00:52:43,750

in music we've listened to the same

1121

00:52:48,480 --> 00:52:45,610

bands growing up he's like my brother

1122

00:52:49,770 --> 00:52:48,490

from another mother you know that's

1123

00:52:51,270 --> 00:52:49,780

that's a good thing in this community

1124

00:52:53,220 --> 00:52:51,280

too he's just finding different people

1125

00:52:55,910 --> 00:52:53,230

that you know he probably never would

1126

00:52:58,350 --> 00:52:55,920

have talked to in other circumstances

1127

00:52:59,490 --> 00:52:58,360

yeah everybody we're told me to become

1128

00:53:01,290 --> 00:52:59,500

really good friends with the

1129

00:53:04,970 --> 00:53:01,300

interdimensional time traveler from

1130

00:53:08,310 --> 00:53:04,980

Canada before I actually did you know

1131

00:53:10,050 --> 00:53:08,320

yeah official I mean you know look at

1132

00:53:12,120 --> 00:53:10,060

this is not something I would have even

1133

00:53:15,360 --> 00:53:12,130

pictured myself even kind of looking

1134

00:53:16,980 --> 00:53:15,370

into or exploring as a subject I'm

1135

00:53:19,050 --> 00:53:16,990

probably a little bit different in that

1136

00:53:21,030 --> 00:53:19,060

regard from from most people that find

1137

00:53:25,440 --> 00:53:21,040

their way to this kind of community is

1138

00:53:27,630 --> 00:53:25,450

that people have experiences or a keen

1139

00:53:30,570 --> 00:53:27,640

interest since when though yeah for me

1140

00:53:33,660 --> 00:53:30,580

it's different like I was actually

1141

00:53:35,070 --> 00:53:33,670

spending some time in hospital probably

1142

00:53:38,880 --> 00:53:35,080

a few years ago now a couple of years

1143

00:53:40,230 --> 00:53:38,890

ago and I was in there for like a couple

1144

00:53:43,820 --> 00:53:40,240

of months and I was having a lot of

1145

00:53:46,140 --> 00:53:43,830

scans and treatment done on my brain and

1146

00:53:47,220 --> 00:53:46,150

that's what really stirred my interest

1147

00:53:49,140 --> 00:53:47,230

that's how I discovered this sort of

1148

00:53:52,470 --> 00:53:49,150

rabbit hole is I remember I was talking

1149

00:53:53,520 --> 00:53:52,480

to my innate suitors and every time he

1150

00:53:55,700 --> 00:53:53,530

would put me under he would say

1151

00:53:58,860 --> 00:53:55,710

something like go to sleep young man and

1152

00:54:01,470 --> 00:53:58,870

and then like as I was sort of drifting

1153

00:54:03,720 --> 00:54:01,480

off into anesthesia land it would say oh

1154

00:54:05,190 --> 00:54:03,730

it's not actually asleep though we we

1155

00:54:07,560 --> 00:54:05,200

don't really know is sort of too much

1156

00:54:08,910 --> 00:54:07,570

about how it works and I was like

1157

00:54:11,370 --> 00:54:08,920

freaking out at that point I could feel

1158

00:54:15,090 --> 00:54:11,380

my consciousness slipping away from you

1159

00:54:18,290 --> 00:54:15,100

you know I I one of my biggest fears

1160

00:54:21,090 --> 00:54:18,300

about death actually is that death is

1161

00:54:23,760 --> 00:54:21,100

what you go through when you're in estes

1162

00:54:25,680 --> 00:54:23,770

when you put under because i've been put

1163

00:54:28,080 --> 00:54:25,690

under a few times and it just feels like

1164

00:54:30,359 --> 00:54:28,090

a [h__h] off switch and then your

1165

00:54:32,279 --> 00:54:30,369

consciousness is gone you don't

1166

00:54:35,670 --> 00:54:32,289

have any recollection you don't have any

1167

00:54:37,859 --> 00:54:35,680

dreams it's likely total black nothing

1168

00:54:40,949 --> 00:54:37,869

that's my biggest fear about that having

1169

00:54:43,049 --> 00:54:40,959

been anesthetized a few times I hate

1170

00:54:44,640 --> 00:54:43,059

that feeling and when they told me they

1171

00:54:46,769 --> 00:54:44,650

had to do it the last time I was like oh

1172

00:54:49,049 --> 00:54:46,779

no can't you do it with local no we

1173

00:54:52,920 --> 00:54:49,059

can't you have to be under all [h__h] now

1174

00:54:54,390 --> 00:54:52,930

I go through that mini yeah yeah I was

1175

00:54:56,729 --> 00:54:54,400

having that experience probably on a

1176

00:54:58,709 --> 00:54:56,739

daily basis for a while and while I was

1177

00:55:03,299 --> 00:54:58,719

having me test tests and things done the

1178

00:55:04,979 --> 00:55:03,309

procedures done and that kind of is what

1179

00:55:07,140 --> 00:55:04,989

prompted me like I remember like the

1180

00:55:09,150 --> 00:55:07,150

later that afternoon when I came to I

1181

00:55:10,650 --> 00:55:09,160

started looking up videos about

1182

00:55:14,609 --> 00:55:10,660

consciousness and research and

1183

00:55:16,229 --> 00:55:14,619

consciousness that's exactly that's my

1184

00:55:19,799 --> 00:55:16,239

first sort of trip down that rabbit hole

1185

00:55:21,239 --> 00:55:19,809

to now looking at these guys because you

1186

00:55:22,799 --> 00:55:21,249

know it started out where as I was

1187

00:55:24,329 --> 00:55:22,809

watching a lot of documentaries and

1188

00:55:26,459 --> 00:55:24,339

things like that in my spare time in the

1189

00:55:28,769 --> 00:55:26,469

hospital I never would have had time or

1190

00:55:32,130 --> 00:55:28,779

thought to look this up in my real life

1191

00:55:35,429 --> 00:55:32,140

yeah yeah you know well I've got about

1192

00:55:37,650 --> 00:55:35,439

300 hours to kill so that's 300

1193

00:55:40,039 --> 00:55:37,660

documentaries like I've been through a

1194

00:55:43,049 --> 00:55:40,049

similar kind of thing when I had this

1195

00:55:45,539 --> 00:55:43,059

brain thing myself it was like okay

1196

00:55:48,390 --> 00:55:45,549

we're sending no from the hospital after

1197

00:55:50,009 --> 00:55:48,400

you've been in here for like months but

1198

00:55:52,140 --> 00:55:50,019

you can't do anything you can go home

1199

00:55:54,569 --> 00:55:52,150

but you can't do anything you just have

1200

00:55:57,029 --> 00:55:54,579

to sit in the bed for a month and heal

1201

00:55:58,559 --> 00:55:57,039

yeah yeah I did the same that's funny I

1202

00:56:00,479 --> 00:55:58,569

did the same kind of thing and it was

1203

00:56:03,809 --> 00:56:00,489

like well now I could look down all

1204

00:56:05,339 --> 00:56:03,819

these different yeah well yeah like I I

1205

00:56:08,130 --> 00:56:05,349

started looking at all this stuff and

1206

00:56:10,589 --> 00:56:08,140

then found I think David Wilcock first

1207

00:56:12,329 --> 00:56:10,599

and that led me to Corey Goode and Emery

1208

00:56:14,549 --> 00:56:12,339

Smith and I was like oh my god this is a

1209

00:56:15,660 --> 00:56:14,559

great story like someone should tell

1210

00:56:18,719 --> 00:56:15,670

this and then I found your channel

1211

00:56:20,519 --> 00:56:18,729

actually stayed midnight our CW you Joe

1212

00:56:22,019 --> 00:56:20,529

from the Carolinas and I watched all of

1213

00:56:24,299 --> 00:56:22,029

that content I was like okay there is

1214

00:56:27,359 --> 00:56:24,309

people calling it out and pointing out

1215

00:56:29,699 --> 00:56:27,369

some of the inconsistencies and the that

1216

00:56:30,929 --> 00:56:29,709

kind of thing and all I wanted to do at

1217

00:56:32,999 --> 00:56:30,939

that point is I pulled out a notebook

1218

00:56:35,789 --> 00:56:33,009

and I started writing the whole story

1219

00:56:37,949 --> 00:56:35,799

down well I need to put this in a neat

1220

00:56:40,349 --> 00:56:37,959

parcel and put this out there for each

1221

00:56:42,359 --> 00:56:40,359

of these people so that other people who

1222

00:56:43,680 --> 00:56:42,369

would not necessarily find this subject

1223

00:56:45,300 --> 00:56:43,690

or not necessarily how

1224

00:56:47,309 --> 00:56:45,310

and interest in the subject they would

1225

00:56:48,930 --> 00:56:47,319

find what's going on because it's just

1226

00:56:51,809 --> 00:56:48,940

like cooking internet stuff I like that

1227

00:56:53,640 --> 00:56:51,819

as well yeah yeah that's kind of what

1228

00:56:55,559 --> 00:56:53,650

that's kind of what I want my new show

1229

00:56:58,020 --> 00:56:55,569

we're gonna be covering just some of the

1230

00:56:59,819 --> 00:56:58,030

strangest stories on the Internet we

1231

00:57:02,670 --> 00:56:59,829

just did this Dybbuk box thing which was

1232

00:57:05,030 --> 00:57:02,680

fun cuz that's a great story and uh yeah

1233

00:57:08,339 --> 00:57:05,040

anything strange unusual or mysterious

1234

00:57:11,309 --> 00:57:08,349

we want to be looking into Phillip Blair

1235

00:57:16,260 --> 00:57:11,319

wants me to say ask Daniel James to rap

1236

00:57:18,839 --> 00:57:16,270

or sing a song for us Phillip

1237

00:57:21,829 --> 00:57:18,849

man I can't I can't sing unfortunately

1238

00:57:24,390 --> 00:57:21,839

um I'm a guitarist and I play bass in

1239

00:57:26,160 --> 00:57:24,400

like it's just a friendship and really

1240

00:57:29,309 --> 00:57:26,170

we played a couple of gigs around town

1241

00:57:32,160 --> 00:57:29,319

things like that but yeah like I played

1242

00:57:34,050 --> 00:57:32,170

guitar my whole life but I can't sing in

1243

00:57:36,270 --> 00:57:34,060

it's just don't worry about it I had a

1244

00:57:38,430 --> 00:57:36,280

guy in a decade-long career as a rock

1245

00:57:41,970 --> 00:57:38,440

singer and I can't sing worth it

1246

00:57:44,010 --> 00:57:41,980

nobody listened to me I'm like playing

1247

00:57:45,750 --> 00:57:44,020

every instrument I was [h__h] terrible

1248

00:57:48,300 --> 00:57:45,760

I'm like well I'm just gonna be the

1249

00:57:51,240 --> 00:57:48,310

singer then because I think what started

1250

00:57:53,520 --> 00:57:51,250

it for me was like I I saw some band

1251
00:57:55,290 --> 00:57:53,530
where the singer was so [h__\h] bad that

1252
00:57:57,870 --> 00:57:55,300
I went there's no way I can't be better

1253
00:58:00,839 --> 00:57:57,880
than that guy

1254
00:58:02,400 --> 00:58:00,849
that's hilarious yeah man I love to sing

1255
00:58:04,260 --> 00:58:02,410
that's probably one of the things if I

1256
00:58:07,140 --> 00:58:04,270
could change I would love to be able to

1257
00:58:09,180 --> 00:58:07,150
sing because it's just so cool when you

1258
00:58:12,510 --> 00:58:09,190
can jam and have a bit of a sing on the

1259
00:58:14,430 --> 00:58:12,520
guitar and yeah yeah better I got better

1260
00:58:16,260 --> 00:58:14,440
with time and eventually I got a real

1261
00:58:18,990 --> 00:58:16,270
vocal teacher who taught me how to sing

1262
00:58:20,130 --> 00:58:19,000
in harmonies and do my own the best

1263
00:58:23,190 --> 00:58:20,140

thing that ever happened to me as a

1264

00:58:25,410 --> 00:58:23,200

singer is that this teacher recognized

1265

00:58:27,900 --> 00:58:25,420

that I could be good and helped me get

1266

00:58:30,599 --> 00:58:27,910

better and taught me to do like my own

1267

00:58:32,640 --> 00:58:30,609

backing vocals because somehow every

1268

00:58:34,710 --> 00:58:32,650

band I was in every guy in the band

1269

00:58:36,630 --> 00:58:34,720

refused to do backing vocals so in the

1270

00:58:39,839 --> 00:58:36,640

studio if you could sing the harmonies

1271

00:58:41,339 --> 00:58:39,849

and and do other backing vocals your

1272

00:58:44,700 --> 00:58:41,349

records came out much better so

1273

00:58:46,620 --> 00:58:44,710

eventually I got better yeah yeah oh no

1274

00:58:47,940 --> 00:58:46,630

no no how can I say you know it's a

1275

00:58:50,670 --> 00:58:47,950

skill that can be learned but I think

1276

00:58:52,490 --> 00:58:50,680

some people just have that amazing range

1277

00:58:55,140 --> 00:58:52,500

and tonality in their voice and

1278

00:58:57,450 --> 00:58:55,150

unfortunately I'm stuck with a very

1279

00:58:59,790 --> 00:58:57,460

ordinary Australian voice so I think

1280

00:59:03,660 --> 00:58:59,800

I think you're fine to get a good radio

1281

00:59:06,390 --> 00:59:03,670

voice - so you're still doing that work

1282

00:59:09,480 --> 00:59:06,400

podcast right well yeah it's been on

1283

00:59:11,460 --> 00:59:09,490

hold for a few different reasons none of

1284

00:59:13,770 --> 00:59:11,470

that a statements fault they're all mine

1285

00:59:16,079 --> 00:59:13,780

I want to move it to a bit of a live

1286

00:59:18,930 --> 00:59:16,089

format maybe we do some pre-recorded

1287

00:59:20,010 --> 00:59:18,940

stuff with stainless steel and obviously

1288

00:59:22,290 --> 00:59:20,020

she's still a co-host

1289

00:59:26,309 --> 00:59:22,300

whatever it just got interrupted for me

1290

00:59:27,720 --> 00:59:26,319

with work and changes and moving and all

1291

00:59:31,710 --> 00:59:27,730

that kind of stuff and I'm like I'm not

1292

00:59:33,960 --> 00:59:31,720

in a position where I have a dedicated

1293

00:59:38,430 --> 00:59:33,970

space or time or equipment to be able to

1294

00:59:40,650 --> 00:59:38,440

do it and that's changing hopefully soon

1295

00:59:43,290 --> 00:59:40,660

but like you know for instance I know

1296

00:59:45,930 --> 00:59:43,300

something about that listen I don't I

1297

00:59:49,140 --> 00:59:45,940

keep asking my wife to explain this to

1298

00:59:53,430 --> 00:59:49,150

me we have like a 3,800 square foot

1299

00:59:56,640 --> 00:59:53,440

house right a 3,800 square foot house I

1300

00:59:59,670 --> 00:59:56,650

can't find one quiet part in that entire

1301

01:00:01,140 --> 00:59:59,680

house like we I give up then I got two

1302

01:00:03,839 --> 01:00:01,150

children running around screaming it

1303

01:00:06,260 --> 01:00:03,849

sounds like a herd of elephants so yeah

1304

01:00:09,240 --> 01:00:06,270

that's why I'm doing most of this show

1305

01:00:12,270 --> 01:00:09,250

any time after they're sleeping that's

1306

01:00:13,470 --> 01:00:12,280

the only safe time and even that's not

1307

01:00:14,039 --> 01:00:13,480

good cuz sometimes they just wake up

1308

01:00:15,839 --> 01:00:14,049

screaming

1309

01:00:18,450 --> 01:00:15,849

so yeah you gotta have a place you gotta

1310

01:00:22,319 --> 01:00:18,460

have a room for it that you can use that

1311

01:00:25,620 --> 01:00:22,329

works the a spot on my way I'm actually

1312

01:00:28,500 --> 01:00:25,630

looking at a new house myself which is

1313

01:00:30,990 --> 01:00:28,510

one of the main things is like apart

1314

01:00:32,339 --> 01:00:31,000

from I work from home near mostly and I

1315

01:00:35,579 --> 01:00:32,349

run my own business as well maybe

1316

01:00:38,220 --> 01:00:35,589

business but I need my own office space

1317

01:00:40,500 --> 01:00:38,230

and what I'm thinking of doing is just

1318

01:00:42,900 --> 01:00:40,510

kind of gathering all my audio studio

1319

01:00:44,609 --> 01:00:42,910

gear my guitars and all that kind of all

1320

01:00:46,440 --> 01:00:44,619

my stuff and put it in a room where I

1321

01:00:49,260 --> 01:00:46,450

can just yeah lock the door and it can

1322

01:00:51,270 --> 01:00:49,270

be soundproof enough to not wake up

1323

01:00:52,920 --> 01:00:51,280

anyone or anything like that because

1324

01:00:55,740 --> 01:00:52,930

like I've got a family that kind of

1325

01:00:59,549 --> 01:00:55,750

thing yeah yeah you know what I do I

1326

01:01:01,950 --> 01:00:59,559

wanna spread rumor out I come here I

1327

01:01:03,599 --> 01:01:01,960

came here and record but I really have

1328

01:01:06,089 --> 01:01:03,609

to record something this is where I do

1329

01:01:08,370 --> 01:01:06,099

it here at the cabin because there's no

1330

01:01:10,049 --> 01:01:08,380

you know if there's no children here

1331

01:01:11,040 --> 01:01:10,059

like sometimes they come here myself and

1332

01:01:13,350 --> 01:01:11,050

just get work

1333

01:01:15,090 --> 01:01:13,360

because it's quiet and you you're not

1334

01:01:16,980 --> 01:01:15,100

and I'm certainly not disturbing anybody

1335

01:01:19,860 --> 01:01:16,990

else especially some of these like

1336

01:01:21,810 --> 01:01:19,870

screamo rock tracks I feel funny with

1337

01:01:24,120 --> 01:01:21,820

neighbors at my other house yeah you

1338

01:01:27,690 --> 01:01:24,130

know like three o'clock in the morning

1339

01:01:29,310 --> 01:01:27,700

I'm screaming my head off man on even to

1340

01:01:32,370 --> 01:01:29,320

convey the cabins they've that's what I

1341

01:01:34,590 --> 01:01:32,380

mean yeah you got listen isn't land in

1342

01:01:35,460 --> 01:01:34,600

the middle of nowhere in Australia is

1343

01:01:39,420 --> 01:01:35,470

super cheap

1344

01:01:41,190 --> 01:01:39,430

yeah for sure I mean yeah I live in

1345

01:01:43,800 --> 01:01:41,200

Melbourne as I said the lands not

1346

01:01:46,110 --> 01:01:43,810

necessarily cheap there you know outside

1347

01:01:47,400 --> 01:01:46,120

of no right yeah I recommend it to

1348

01:01:49,470 --> 01:01:47,410

everybody I tell everybody the same

1349

01:01:51,900 --> 01:01:49,480

thing here's what you do you go buy the

1350

01:01:53,730 --> 01:01:51,910

cheapest plot of land that you could buy

1351

01:01:55,500 --> 01:01:53,740

even if it's only like an acre that's

1352

01:01:59,220 --> 01:01:55,510

all I have here but I'm still surrounded

1353

01:02:02,250 --> 01:01:59,230

by the woods and just do it just figure

1354

01:02:04,080 --> 01:02:02,260

it out you can convert a school bus you

1355

01:02:05,820 --> 01:02:04,090

can get a shipping container and turn it

1356

01:02:08,220 --> 01:02:05,830

into a cab and you can build a cabin

1357

01:02:11,580 --> 01:02:08,230

from woggs whatever you want to do but

1358

01:02:12,180 --> 01:02:11,590

it's gonna be awesome and you're gonna

1359

01:02:15,720 --> 01:02:12,190

love it

1360

01:02:17,910 --> 01:02:15,730

do it there are places like more sort of

1361

01:02:20,490 --> 01:02:17,920

inland like Australia's a country it's

1362

01:02:23,700 --> 01:02:20,500

quite it's a desert country really so

1363

01:02:26,280 --> 01:02:23,710

the coastal areas of you know the I

1364

01:02:28,110 --> 01:02:26,290

guess the most beautiful places in the

1365

01:02:30,570 --> 01:02:28,120

country like if you you can buy a lay in

1366

01:02:31,620 --> 01:02:30,580

for like a dollar in in the middle of

1367

01:02:33,960 --> 01:02:31,630

Australia in the middle of the desert

1368

01:02:36,900 --> 01:02:33,970

you know but it's not gonna be great

1369

01:02:39,030 --> 01:02:36,910

there was a while there for probably

1370

01:02:41,760 --> 01:02:39,040

about 20 years ago or a little bit more

1371

01:02:44,160 --> 01:02:41,770

that you could actually buy really cheap

1372

01:02:46,080 --> 01:02:44,170

land in Tasmania which is little island

1373

01:02:48,960 --> 01:02:46,090

at the bottom of the country I've I

1374

01:02:51,870 --> 01:02:48,970

would love to own cabinets as many it's

1375

01:02:53,910 --> 01:02:51,880

a beautiful place it's it's so pretty

1376

01:02:55,650 --> 01:02:53,920

yeah I would have loved to have gone in

1377

01:02:57,390 --> 01:02:55,660

on that early but I think all of a

1378

01:02:59,280 --> 01:02:57,400

sudden many people caught on to that

1379

01:03:00,360 --> 01:02:59,290

because it's quite it's quite different

1380

01:03:02,550 --> 01:03:00,370

to the rest of Australia so it's

1381

01:03:05,040 --> 01:03:02,560

opposite of America things that are

1382

01:03:07,950 --> 01:03:05,050

further down south in this country are

1383

01:03:10,260 --> 01:03:07,960

you know more cooler climate and things

1384

01:03:12,420 --> 01:03:10,270

at the top of the country are the more

1385

01:03:19,980 --> 01:03:12,430

tropical that's where all the crocodiles

1386

01:03:23,230 --> 01:03:19,990

and yeah not where I'm not where I am

1387

01:03:25,810 --> 01:03:23,240

Melvin's I guess a lot

1388

01:03:31,840 --> 01:03:25,820

yeah like any any probably transient

1389

01:03:34,000 --> 01:03:31,850

city in America sir he was asking does

1390

01:03:36,670 --> 01:03:34,010

Daniel do any harmony at all choirs use

1391

01:03:38,500 --> 01:03:36,680

it to block out but not so good voices

1392

01:03:42,070 --> 01:03:38,510

with the better and more powerful ones

1393

01:03:47,620 --> 01:03:42,080

yeah I do that myself maybe we should do

1394

01:03:49,620 --> 01:03:47,630

that jiggy we'll do a collab yeah well

1395

01:03:53,500 --> 01:03:49,630

they'll put out some sort of you know

1396

01:03:56,080 --> 01:03:53,510

baits together that'd be funny do an

1397

01:04:00,640 --> 01:03:56,090

album and to raise money for something

1398

01:04:03,220 --> 01:04:00,650

legal fun Jonah sides ask me what bands

1399

01:04:05,290 --> 01:04:03,230

I've been in I was in the first band I

1400

01:04:07,210 --> 01:04:05,300

was in was in Philadelphia well the firt

1401

01:04:09,790 --> 01:04:07,220

but I was in a bunch of little punk rock

1402

01:04:11,020 --> 01:04:09,800

bands it didn't matter and tried to but

1403

01:04:12,610 --> 01:04:11,030

we never got to the point of playing

1404

01:04:14,020 --> 01:04:12,620

shows the first band that I was in that

1405

01:04:17,350 --> 01:04:14,030

really played a lot of shows was called

1406

01:04:20,020 --> 01:04:17,360

acid but that was an acronym for another

1407

01:04:24,310 --> 01:04:20,030

crying darkness and it was kind of like

1408

01:04:27,190 --> 01:04:24,320

I don't know gothic punk rock and then

1409

01:04:30,370 --> 01:04:27,200

later I started my own group or I

1410

01:04:32,590 --> 01:04:30,380

started something called haywire which

1411

01:04:37,000 --> 01:04:32,600

was like really electronic and

1412

01:04:38,500 --> 01:04:37,010

industrial and heavy guitars and now I'm

1413

01:04:40,360 --> 01:04:38,510

doing this project called dreams in the

1414

01:04:42,790 --> 01:04:40,370

dark and dreams in the dark is really

1415

01:04:45,880 --> 01:04:42,800

just me and a lot of computers and

1416

01:04:50,410 --> 01:04:45,890

synthesizers noise yeah I love that

1417

01:04:53,110 --> 01:04:50,420

stall as well yeah sort of really love

1418

01:04:55,180 --> 01:04:53,120

like industrial music trends a ton of

1419

01:04:57,190 --> 01:04:55,190

stuff like I was my biggest he was my

1420

01:05:00,460 --> 01:04:57,200

biggest hero grown-up probably still is

1421

01:05:02,620 --> 01:05:00,470

that guy is amazing and when I first

1422

01:05:03,520 --> 01:05:02,630

found him I was trying to do what he was

1423

01:05:05,770 --> 01:05:03,530

doing

1424

01:05:07,480 --> 01:05:05,780

I was one of the first people I knew

1425

01:05:09,730 --> 01:05:07,490

that was making music on computers and

1426

01:05:11,050 --> 01:05:09,740

then somebody gave me pretty hate

1427

01:05:12,910 --> 01:05:11,060

machine and said you got to hear this

1428

01:05:15,160 --> 01:05:12,920

one-man band guy doing everything was

1429

01:05:16,540 --> 01:05:15,170

synthesized and I was blown away and a

1430

01:05:18,940 --> 01:05:16,550

little pissed off because I was like

1431

01:05:21,220 --> 01:05:18,950

damn I'm not the only guy doing this or

1432

01:05:24,040 --> 01:05:21,230

trying to be a one guy army with

1433

01:05:28,540 --> 01:05:24,050

computers but it was cool and he's him

1434

01:05:31,030 --> 01:05:28,550

kfdm that kind of thing somebody will

1435

01:05:32,980 --> 01:05:31,040

somebody's asking who is I'm sorry the

1436

01:05:35,540 --> 01:05:32,990

Don crazed face says who is going to be

1437

01:05:37,730 --> 01:05:35,550

the subject of Daniels next video I've

1438

01:05:40,850 --> 01:05:37,740

ten comments in the past he's hoping for

1439

01:05:43,780 --> 01:05:40,860

edge of wonder guys yeah look that

1440

01:05:46,760 --> 01:05:43,790

shouldn't be it certainly be on the list

1441

01:05:49,310 --> 01:05:46,770

yeah I've talked to a couple of people

1442

01:05:52,580 --> 01:05:49,320

about how I might take the next

1443

01:05:54,380 --> 01:05:52,590

direction for the next one I guess

1444

01:05:56,300 --> 01:05:54,390

there's some obvious candidates like

1445

01:06:00,890 --> 01:05:56,310

I've really like to do one on Emory

1446

01:06:02,840 --> 01:06:00,900

Smith I think those sorts of guys you

1447

01:06:04,310 --> 01:06:02,850

know there's probably a list of about 10

1448

01:06:09,980 --> 01:06:04,320

people that I've got that could easily

1449

01:06:11,810 --> 01:06:09,990

have a cosmic Contin I just wonder if I

1450

01:06:13,880 --> 01:06:11,820

take something into a bit of a different

1451

01:06:16,370 --> 01:06:13,890

realm like it lately Stephen I've been

1452

01:06:18,590 --> 01:06:16,380

really closely following I guess the

1453

01:06:20,870 --> 01:06:18,600

more nuts and bolts your follow G

1454

01:06:22,550 --> 01:06:20,880

community and I find them really

1455

01:06:25,000 --> 01:06:22,560

fascinating because I hadn't really

1456

01:06:29,780 --> 01:06:25,010

ducked my head into their territory

1457

01:06:31,910 --> 01:06:29,790

before or too deeply I guess but what I

1458

01:06:35,240 --> 01:06:31,920

kind of find is a lot of parallels

1459

01:06:39,100 --> 01:06:35,250

between new ages and those guys whereas

1460

01:06:41,450 --> 01:06:39,110

you know that they really sort of do

1461

01:06:43,070 --> 01:06:41,460

approach their research and

1462

01:06:45,230 --> 01:06:43,080

investigation from a point of view of

1463

01:06:47,270 --> 01:06:45,240

trying to validate what they already

1464

01:06:49,610 --> 01:06:47,280

might believe it's kind of like the the

1465

01:06:51,800 --> 01:06:49,620

Fox Mulder I want to believe syndrome

1466

01:06:53,870 --> 01:06:51,810

yeah so I already they already have a

1467

01:06:55,610 --> 01:06:53,880

conclusion before they finish yeah

1468

01:06:57,110 --> 01:06:55,620

Eiling the evidence they're just trying

1469

01:06:58,730 --> 01:06:57,120

to find evidence to support their

1470

01:07:01,100 --> 01:06:58,740

conclusion that they've already got I

1471

01:07:03,260 --> 01:07:01,110

found that to be my experience and it's

1472

01:07:05,420 --> 01:07:03,270

also I think a lot of those guys are

1473

01:07:07,820 --> 01:07:05,430

somewhat disingenuous because they kind

1474

01:07:09,680 --> 01:07:07,830

of like put themselves out there as the

1475

01:07:12,710 --> 01:07:09,690

more serious side of this thing and

1476

01:07:15,680 --> 01:07:12,720

we're about evidence and and documents

1477

01:07:17,480 --> 01:07:15,690

and and you know science and this and

1478

01:07:20,000 --> 01:07:17,490

that but really they're they're no

1479

01:07:23,330 --> 01:07:20,010

better than some of these really out

1480

01:07:26,420 --> 01:07:23,340

there extreme storytellers but yeah it's

1481

01:07:28,940 --> 01:07:26,430

packaged like it's got more science and

1482

01:07:30,950 --> 01:07:28,950

evidence behind it as we've seen it as

1483

01:07:35,960 --> 01:07:30,960

stuff over and over again like oh the

1484

01:07:39,170 --> 01:07:35,970

Wilson documents or you know yeah yeah

1485

01:07:41,570 --> 01:07:39,180

the Wilson Divus likes and those kinds

1486

01:07:44,120 --> 01:07:41,580

of things are really really listening to

1487

01:07:45,170 --> 01:07:44,130

deep dive into and just some of the

1488

01:07:46,250 --> 01:07:45,180

people behind them and the things that

1489

01:07:48,800 --> 01:07:46,260

they say like I've been really

1490

01:07:54,170 --> 01:07:48,810

interested in rich Dolan

1491

01:07:56,240 --> 01:07:54,180

has he's very vocal in calling people

1492

01:07:58,280 --> 01:07:56,250

pigheaded for not believing what he's

1493

01:07:59,410 --> 01:07:58,290

believing but at the end of the day a

1494

01:08:01,250 --> 01:07:59,420

lot of these things are just

1495

01:08:04,220 --> 01:08:01,260

conversations that they're basing a lot

1496

01:08:06,890 --> 01:08:04,230

of their you know facts on of things

1497

01:08:08,990 --> 01:08:06,900

like crash retrievals and all kinds of

1498

01:08:10,400 --> 01:08:09,000

stuff like that so I find that whole

1499

01:08:12,710 --> 01:08:10,410

sort of scene really interesting I'd

1500

01:08:15,860 --> 01:08:12,720

like to cover maybe one of them but

1501
01:08:17,329 --> 01:08:15,870
maybe the whole scene but at the same

1502
01:08:31,579 --> 01:08:17,339
time I know I'd get a lot of backlash

1503
01:08:34,640 --> 01:08:31,589
for that because it is video dummies

1504
01:08:36,470 --> 01:08:34,650
well I was surprised use I'm surprised

1505
01:08:38,090 --> 01:08:36,480
when I did the David Icke video I did

1506
01:08:40,010 --> 01:08:38,100
get a lot of kickback on that one I

1507
01:08:42,740 --> 01:08:40,020
thought well you know the guy that talks

1508
01:08:45,170 --> 01:08:42,750
about reptilians and things isn't isn't

1509
01:08:46,870 --> 01:08:45,180
the most you know sort of traditional

1510
01:08:49,490 --> 01:08:46,880
thing that I thought people would

1511
01:08:50,870 --> 01:08:49,500
objectify you know profile D story but I

1512
01:08:52,460 --> 01:08:50,880
certainly didn't get that with him and

1513
01:08:54,740 --> 01:08:52,470

look I'm not afraid of that I just I

1514

01:08:57,800 --> 01:08:54,750

don't want to sort of damage the wider

1515

01:08:58,910 --> 01:08:57,810

series as well I want to give people you

1516

01:09:00,829 --> 01:08:58,920

know they have a certain expectation

1517

01:09:02,599 --> 01:09:00,839

when they watch one of those videos what

1518

01:09:05,269 --> 01:09:02,609

it what its gonna be and I feel the

1519

01:09:08,420 --> 01:09:05,279

players having the chat Jones go in yet

1520

01:09:10,249 --> 01:09:08,430

definitely on the list yeah I just

1521

01:09:12,800 --> 01:09:10,259

realized I put it up and then I forgot

1522

01:09:13,400 --> 01:09:12,810

to ask you so yeah James Gillian is on

1523

01:09:16,999 --> 01:09:13,410

the list

1524

01:09:19,519 --> 01:09:17,009

I shot I got some good sources for you

1525

01:09:22,610 --> 01:09:19,529

that may shed some light on the light

1526

01:09:24,860 --> 01:09:22,620

shows that happen above his place I will

1527

01:09:26,920 --> 01:09:24,870

try to get you in touch with them oh and

1528

01:09:30,470 --> 01:09:26,930

I will say this what someone who's

1529

01:09:33,860 --> 01:09:30,480

expose I should say extremely close to

1530

01:09:36,740 --> 01:09:33,870

Peter Maxwell Slattery confirmed to me

1531

01:09:40,010 --> 01:09:36,750

that the majority of the sightings that

1532

01:09:43,400 --> 01:09:40,020

he puts forward and captures on film

1533

01:09:45,320 --> 01:09:43,410

satellites and they said that right

1534

01:09:47,210 --> 01:09:45,330

there in a position to absolutely 100%

1535

01:09:49,099 --> 01:09:47,220

now again I can't say who they are are

1536

01:09:51,950 --> 01:09:49,109

just now but I found that really

1537

01:09:56,510 --> 01:09:51,960

interesting because James stop it don't

1538

01:09:58,970 --> 01:09:56,520

ruin the con bro [\h__\h] satellite Daniel

1539

01:10:01,220 --> 01:09:58,980

James it's a mother ship way high up in

1540

01:10:02,600 --> 01:10:01,230

the sky well I think it's a combination

1541

01:10:03,890 --> 01:10:02,610

of things that's best my

1542

01:10:06,050 --> 01:10:03,900

opinion I think it's a combination of

1543

01:10:08,629 --> 01:10:06,060

things like I think because I do say

1544

01:10:09,800 --> 01:10:08,639

things about you know we use the

1545

01:10:12,250 --> 01:10:09,810

satellite tracker so how could it

1546

01:10:14,780 --> 01:10:12,260

possibly be that I think maybe they have

1547

01:10:17,149 --> 01:10:14,790

you know a different sort of range of

1548

01:10:18,560 --> 01:10:17,159

little tricks that they do to to make

1549

01:10:20,600 --> 01:10:18,570

them happen or you know like even

1550

01:10:22,790 --> 01:10:20,610

talking to other people people say that

1551

01:10:23,930 --> 01:10:22,800

you know they could be the orbs and

1552

01:10:25,879 --> 01:10:23,940

things like that could be a natural

1553

01:10:29,180 --> 01:10:25,889

phenomenon with in certain types of

1554

01:10:30,320 --> 01:10:29,190

regions and yeah I'm convinced that a

1555

01:10:32,120 --> 01:10:30,330

lot of the stuff that he's showing

1556

01:10:33,890 --> 01:10:32,130

people are satellites having talked to

1557

01:10:36,680 --> 01:10:33,900

firsthand witnesses that were there I

1558

01:10:39,590 --> 01:10:36,690

talked to one who told me that he was so

1559

01:10:42,320 --> 01:10:39,600

kept checking his watch kept checking

1560

01:10:43,189 --> 01:10:42,330

his watch then suddenly he's like I can

1561

01:10:45,290 --> 01:10:43,199

feel the energy

1562

01:10:47,479 --> 01:10:45,300

opening they've opened a gate and a

1563

01:10:49,820 --> 01:10:47,489

motherships gonna be coming right above

1564

01:10:52,070 --> 01:10:49,830

us any any minute now and he's looking

1565

01:10:55,340 --> 01:10:52,080

at his watch while he's saying this and

1566

01:10:58,220 --> 01:10:55,350

a few minutes later they see just a

1567

01:11:00,379 --> 01:10:58,230

light small tiny light way high up in

1568

01:11:03,260 --> 01:11:00,389

the sky crossing over his property

1569

01:11:05,450 --> 01:11:03,270

that's a satellite friends that's not a

1570

01:11:07,189 --> 01:11:05,460

mothership it's a satellite and the

1571

01:11:09,169 --> 01:11:07,199

reason he's checking his watch is cuz he

1572

01:11:11,870 --> 01:11:09,179

knows that satellites coming over at a

1573

01:11:13,640 --> 01:11:11,880

certain time paid it does the same thing

1574

01:11:15,830 --> 01:11:13,650

where he often talks about it

1575

01:11:18,140 --> 01:11:15,840

he gets an agitated feeling you know he

1576

01:11:20,120 --> 01:11:18,150

might be inside eating with his family

1577

01:11:21,410 --> 01:11:20,130

or friends things like that he just has

1578

01:11:22,850 --> 01:11:21,420

this feeling where he has to go outside

1579

01:11:26,240 --> 01:11:22,860

because he knows there's going to be a

1580

01:11:28,310 --> 01:11:26,250

constant yeah I think a lot of these

1581

01:11:29,500 --> 01:11:28,320

guys you just they got that satellite

1582

01:11:35,629 --> 01:11:29,510

map they know

1583

01:11:37,490 --> 01:11:35,639

yeah official official yeah don crazy

1584

01:11:38,840 --> 01:11:37,500

face says some might not like this but I

1585

01:11:40,850 --> 01:11:38,850

have problems with Richard Dolan

1586

01:11:43,580 --> 01:11:40,860

sometimes remote viewing for example

1587

01:11:45,740 --> 01:11:43,590

yeah listen I've said it before i'ma say

1588

01:11:48,919 --> 01:11:45,750

it again Richard Dolan schtick is that

1589

01:11:51,770 --> 01:11:48,929

he's a serious scientific guy and it's a

1590

01:11:54,800 --> 01:11:51,780

stick he's been involved in a bunch of

1591

01:11:56,689 --> 01:11:54,810

hoaxes and he tries to just downplay it

1592

01:11:58,910 --> 01:11:56,699

later like he's been involved with this

1593

01:12:01,310 --> 01:11:58,920

rise Roswell slides that was a complete

1594

01:12:02,330 --> 01:12:01,320

total fraud and a hoax run by Jaime

1595

01:12:04,820 --> 01:12:02,340

Messiah and his buddy

1596

01:12:06,770 --> 01:12:04,830

then he distanced himself from that and

1597

01:12:09,410 --> 01:12:06,780

then Richard Dolan is also involved in

1598

01:12:10,790 --> 01:12:09,420

the CIA a deathbed confession guy who

1599

01:12:13,490 --> 01:12:10,800

never worked for the CIA

1600

01:12:16,370 --> 01:12:13,500

he worked at a supermarket and nanny

1601
01:12:18,470 --> 01:12:16,380
tries to distance himself from that and

1602
01:12:21,229 --> 01:12:18,480
yeah there's problems with all these

1603
01:12:23,149 --> 01:12:21,239
guys Steven gray is got a lot of you

1604
01:12:25,790 --> 01:12:23,159
know sort of issues in the past filled

1605
01:12:27,200 --> 01:12:25,800
with some of those sort of same concerns

1606
01:12:29,780 --> 01:12:27,210
as well that are a little bit more

1607
01:12:31,160 --> 01:12:29,790
woowoo then you know they put across as

1608
01:12:33,200 --> 01:12:31,170
you say and these guys put themselves

1609
01:12:34,820 --> 01:12:33,210
across of you know coming out from a

1610
01:12:38,450 --> 01:12:34,830
very serious point of view where authors

1611
01:12:41,959 --> 01:12:38,460
or you know Steven uses he's you know

1612
01:12:44,720 --> 01:12:41,969
his medical doctorate as a I guess

1613
01:12:47,740 --> 01:12:44,730

assignable Authority as well yeah and

1614

01:12:49,910 --> 01:12:47,750

that guy is an expert somehow at raising

1615

01:12:53,030 --> 01:12:49,920

ridiculous amounts of money that he

1616

01:12:57,550 --> 01:12:53,040

keeps listen I don't understand how this

1617

01:13:01,459 --> 01:12:57,560

works but he does a crowdfunding

1618

01:13:04,520 --> 01:13:01,469

fundraiser to make a movie he raises

1619

01:13:06,680 --> 01:13:04,530

three million dollars to make this

1620

01:13:09,680 --> 01:13:06,690

documentary and I gotta tell you friends

1621

01:13:12,500 --> 01:13:09,690

I was so curious I went to a friend that

1622

01:13:15,229 --> 01:13:12,510

for God's honest truth has produced a

1623

01:13:18,439 --> 01:13:15,239

lot of documentaries for PBS and I said

1624

01:13:20,180 --> 01:13:18,449

what does it cost to produce you know

1625

01:13:22,310 --> 01:13:20,190

let's say an hour and a half long

1626

01:13:25,790 --> 01:13:22,320

documentary 90-minute documentary and he

1627

01:13:27,620 --> 01:13:25,800

said I don't know depends on you know a

1628

01:13:29,330 --> 01:13:27,630

lot of different factors and I said well

1629

01:13:30,020 --> 01:13:29,340

what if I had some money and I wanted to

1630

01:13:31,910 --> 01:13:30,030

do a 90 minute

1631

01:13:33,950 --> 01:13:31,920

look what's a good number and he said I

1632

01:13:37,399 --> 01:13:33,960

don't know if even if you have to pay

1633

01:13:40,669 --> 01:13:37,409

for hotels and some equipment a

1634

01:13:42,260 --> 01:13:40,679

cameraman maybe ten thousand dollars to

1635

01:13:43,700 --> 01:13:42,270

produce a 90 minute you know ten

1636

01:13:45,709 --> 01:13:43,710

thousand dollars you can produce a

1637

01:13:48,229 --> 01:13:45,719

90-minute documentary it's not rocket

1638

01:13:50,030 --> 01:13:48,239

science somehow Steven Greer gets three

1639

01:13:52,669 --> 01:13:50,040

million dollars handed to him to make a

1640

01:13:54,530 --> 01:13:52,679

documentary he makes a documentary

1641

01:13:56,930 --> 01:13:54,540

I guess he pockets the rest of the money

1642

01:14:00,290 --> 01:13:56,940

and then he sells the rights to that

1643

01:14:02,410 --> 01:14:00,300

documentary to Netflix and all this

1644

01:14:04,340 --> 01:14:02,420

different stuff so he is making

1645

01:14:07,010 --> 01:14:04,350

ridiculous amounts of money somehow

1646

01:14:09,320 --> 01:14:07,020

Steven Greer the bid statement you don't

1647

01:14:13,820 --> 01:14:09,330

understand that was filmed in the where

1648

01:14:15,260 --> 01:14:13,830

the Batcave was filled and yeah you got

1649

01:14:17,240 --> 01:14:15,270

to have this high production value you

1650

01:14:19,790 --> 01:14:17,250

like you know if you make a documentary

1651

01:14:21,290 --> 01:14:19,800

maybe you should travel to Antarctica to

1652

01:14:24,770 --> 01:14:21,300

film that or something like that and

1653

01:14:26,689 --> 01:14:24,780

just you know raise money for that it's

1654

01:14:28,520 --> 01:14:26,699

just ridiculous the exact kind gets away

1655

01:14:30,230 --> 01:14:28,530

with that like I don't understand how

1656

01:14:32,570 --> 01:14:30,240

people just throwing money out

1657

01:14:35,270 --> 01:14:32,580

like that he's got this and he's had

1658

01:14:38,240 --> 01:14:35,280

this Atacama humanoid that was a total

1659

01:14:41,390 --> 01:14:38,250

hoax yeah I sup four years total hoax

1660

01:14:43,730 --> 01:14:41,400

and instead if the DNA comes back that

1661

01:14:46,430 --> 01:14:43,740

it's human I'll accept that DNA came

1662

01:14:48,590 --> 01:14:46,440

back that it's human fetus know that the

1663

01:14:51,140 --> 01:14:48,600

CIA got to them the men in black must

1664

01:14:53,240 --> 01:14:51,150

have got to them any you said in his

1665

01:14:55,390 --> 01:14:53,250

latest documentary like since it's been

1666

01:14:59,000 --> 01:14:55,400

proven you know that it's not

1667

01:15:01,550 --> 01:14:59,010

extraterrestrial so you know where's the

1668

01:15:03,050 --> 01:15:01,560

credibility in that I guess at the point

1669

01:15:04,940 --> 01:15:03,060

that I'm coming to is I want to kind of

1670

01:15:07,490 --> 01:15:04,950

explore what is the difference between a

1671

01:15:10,310 --> 01:15:07,500

cosmic calm who is putting forward you

1672

01:15:11,930 --> 01:15:10,320

know fantastical stories versus these

1673

01:15:14,060 --> 01:15:11,940

guys in the nuts and bolts community

1674

01:15:16,210 --> 01:15:14,070

because I'm not trying to downplay or

1675

01:15:18,800 --> 01:15:16,220

dismiss anyone's experiences or beliefs

1676

01:15:22,190 --> 01:15:18,810

but a lot of those patterns are quite

1677

01:15:24,800 --> 01:15:22,200

similar you know they are in a sense

1678

01:15:28,790 --> 01:15:24,810

profiting from it it's a business it's a

1679

01:15:31,970 --> 01:15:28,800

career no so what what's the real

1680

01:15:33,620 --> 01:15:31,980

difference I mean just watching what's

1681

01:15:35,360 --> 01:15:33,630

been unfolding on Twitter with a lot of

1682

01:15:39,410 --> 01:15:35,370

these guys as well like your folk Joe

1683

01:15:41,090 --> 01:15:39,420

and the black vault and yeah yeah

1684

01:15:44,570 --> 01:15:41,100

there's this kind of whole other

1685

01:15:46,160 --> 01:15:44,580

community that's runs in parallel to the

1686

01:15:47,990 --> 01:15:46,170

cosmic concert anyway look that's

1687

01:15:50,120 --> 01:15:48,000

something I'm interested in looking at I

1688

01:15:53,600 --> 01:15:50,130

just got to make sure it's it fits

1689

01:15:55,240 --> 01:15:53,610

within the the I guess prescription of

1690

01:15:57,680 --> 01:15:55,250

the video series that have been doing

1691

01:16:00,560 --> 01:15:57,690

yeah I think that would be a good avenue

1692

01:16:01,970 --> 01:16:00,570

to explore for you again if anybody has

1693

01:16:05,510 --> 01:16:01,980

any questions for Daniel and the live

1694

01:16:07,550 --> 01:16:05,520

chat just put them in all caps o6s

1695

01:16:10,070 --> 01:16:07,560

design just put up Stephen careers IMDB

1696

01:16:12,470 --> 01:16:10,080

page that's great so you could see all

1697

01:16:14,960 --> 01:16:12,480

these movies that he's made and still

1698

01:16:20,260 --> 01:16:14,970

hasn't brought us any proof of any of

1699

01:16:22,760 --> 01:16:20,270

this [h__h] that he talks about Fischer

1700

01:16:24,530 --> 01:16:22,770

I'll probably have to duck off in maybe

1701

01:16:26,120 --> 01:16:24,540

in the next ten minutes oh sorry yeah no

1702

01:16:27,860 --> 01:16:26,130

no we're gonna wrap it up here then

1703

01:16:31,040 --> 01:16:27,870

that's fine man I don't want to keep you

1704

01:16:33,500 --> 01:16:31,050

too long no no problem I'd like to to

1705

01:16:35,980 --> 01:16:33,510

channel not actually but unfortunately

1706

01:16:38,030 --> 01:16:35,990

I've got to start some working about

1707

01:16:40,340 --> 01:16:38,040

yeah half an hour or something like that

1708

01:16:42,960 --> 01:16:40,350

so yeah that's fine absolutely I

1709

01:16:45,960 --> 01:16:42,970

appreciate you doing this and you know

1710

01:16:47,700 --> 01:16:45,970

do it again I think it would be fun yeah

1711

01:16:50,660 --> 01:16:47,710

for sure anytime there and yeah when I

1712

01:16:53,790 --> 01:16:50,670

get more set up than having you know

1713

01:16:56,460 --> 01:16:53,800

microphone jerry-rigged in a spare

1714

01:16:58,800 --> 01:16:56,470

bedroom I can we can talk more often to

1715

01:17:00,900 --> 01:16:58,810

you it's been fun okay awesome

1716

01:17:03,540 --> 01:17:00,910

well I'm gonna I'm gonna I'm gonna say

1717

01:17:05,520 --> 01:17:03,550

my goodbyes and we'll be in touch I

1718

01:17:07,860 --> 01:17:05,530

might have some info for you if you're

1719

01:17:11,340 --> 01:17:07,870

gonna do a story on the East SETI ranch

1720

01:17:13,410 --> 01:17:11,350

that you'll like but you'll absolutely

1721

01:17:15,540 --> 01:17:13,420

like to share alright thanks Daniel and

1722

01:17:16,980 --> 01:17:15,550

listen I'm gonna somebody in the lab

1730

01:17:34,230 --> 01:17:32,800

really a great thing in this little

1731

01:17:36,420 --> 01:17:34,240

corner of the infinite to that you can

1732

01:17:38,670 --> 01:17:36,430

go from stream to stream and see these

1733

01:17:40,680 --> 01:17:38,680

same people pop up you know really good

1734

01:17:42,510 --> 01:17:40,690

bunch of people so shout out to you guys

1735

01:17:43,500 --> 01:17:42,520

and have a good night over there in

1736

01:17:45,360 --> 01:17:43,510

americaland

1737

01:17:49,320 --> 01:17:45,370

alright thanks Daniel you have a good

1738

01:17:52,230 --> 01:17:49,330

night cheese bye bye bye all right

1739

01:17:55,110 --> 01:17:52,240

so that's Daniel James and again I've

1740

01:17:57,060 --> 01:17:55,120

been saying like selfishly I'm using the

1741

01:17:58,760 --> 01:17:57,070

show as an excuse to catch up with some

1742

01:18:01,020 --> 01:17:58,770

people that I just like to talk to

1743

01:18:03,150 --> 01:18:01,030

selfishly and see what they're up to and

1744

01:18:05,040 --> 01:18:03,160

what they're working on and Daniel James

1745

01:18:08,880 --> 01:18:05,050

is one of those guys does great video

1746

01:18:13,740 --> 01:18:08,890

editing and great videos turn my

1747

01:18:15,930 --> 01:18:13,750

attention to the live chat now Grier

1748

01:18:19,110 --> 01:18:15,940

made approximately 250,000 dollars at a

1749

01:18:21,840 --> 01:18:19,120

country then after the drift of the

1750

01:18:24,600 --> 01:18:21,850

ufologists made 1.2 million one year

1751

01:18:26,310 --> 01:18:24,610

yeah he is quite possibly Steven Greer

1752

01:18:30,060 --> 01:18:26,320

is quite possibly the most financially

1753

01:18:33,600 --> 01:18:30,070

successful UFO guy in the history of UFO

1754

01:18:36,060 --> 01:18:33,610

guys I don't understand how he's able to

1755

01:18:37,770 --> 01:18:36,070

make that level of money considering the

1756

01:18:39,180 --> 01:18:37,780

[h__h] eree that he's been pushing for

1757

01:18:40,770 --> 01:18:39,190

20 plus years

1758

01:18:43,110 --> 01:18:40,780

and how many times he's been caught

1759

01:18:45,180 --> 01:18:43,120

straight lying or using stuff like a

1760

01:18:47,850 --> 01:18:45,190

picture of a moth and saying it's an

1761

01:18:51,480 --> 01:18:47,860

alien interdimensional being during one

1762

01:18:56,060 --> 01:18:51,490

of his you know ce-5 sessions that

1763

01:18:59,300 --> 01:18:56,070

everybody saw or flies

1764

01:19:01,220 --> 01:18:59,310

let's see one of the videos I'm pretty

1765

01:19:05,960 --> 01:19:01,230

sure was Flair's but that's just my

1766

01:19:13,670 --> 01:19:05,970

opinion I don't have any belief or

1767

01:19:16,130 --> 01:19:13,680

respect in dr. Steven Greer Brad gray

1768

01:19:19,760 --> 01:19:16,140

says hey Daniel as an Aussie must be a

1769

01:19:23,180 --> 01:19:19,770

legend yeah I'm taking that that Brad

1770

01:19:25,010 --> 01:19:23,190

grey is also from Australia correct

1771

01:19:26,840 --> 01:19:25,020

Don craze phase I don't think I've seen

1772

01:19:28,490 --> 01:19:26,850

you here before welcome Don Chris phase

1773

01:19:30,920 --> 01:19:28,500

if you like this kind of talk and

1774

01:19:32,750 --> 01:19:30,930

comment or this kind of content please

1775

01:19:35,240 --> 01:19:32,760

do subscribe and I hope to see here

1776

01:19:37,700 --> 01:19:35,250

again nice to see you here and Don

1777

01:19:40,580 --> 01:19:37,710

crazed face says correct he was in the

1778

01:19:48,640 --> 01:19:40,590

ER yes dr. Steven Greer was an ER doctor

1779

01:19:56,480 --> 01:19:52,750

Aloha Brad grey if you want to find this

1780

01:19:59,210 --> 01:19:56,490

full video on this Peter Slattery that

1781

01:20:02,060 --> 01:19:59,220

Daniel produced it's great just search

1782

01:20:03,980 --> 01:20:02,070

on youtube for Peter Slattery the

1783

01:20:05,750 --> 01:20:03,990

context and it'll come up it's like

1784

01:20:08,060 --> 01:20:05,760

three or four videos down from the top

1785

01:20:10,130 --> 01:20:08,070

somehow still which is crazy

1786

01:20:12,140 --> 01:20:10,140

welcome to the YouTube algorithm where

1787

01:20:14,960 --> 01:20:12,150

even if you search on pretty exact

1788

01:20:18,740 --> 01:20:14,970

search terms you still don't get what

1789

01:20:22,430 --> 01:20:18,750

you're looking for or you know it the

1790

01:20:23,960 --> 01:20:22,440

the smaller independent channels all get

1791

01:20:26,320 --> 01:20:23,970

pushed down to the bottom of the search

1792

01:20:29,120 --> 01:20:26,330

some help

1793

01:20:34,040 --> 01:20:29,130

Grier is buddies with David Rothschild

1794

01:20:36,170 --> 01:20:34,050

so that may explain it yeah I'm

1795

01:20:39,710 --> 01:20:36,180

surprised he netted 1.2 million to him

1796

01:20:41,660 --> 01:20:39,720

that is pretty nutty how just how not

1797

01:20:45,590 --> 01:20:41,670

sure that I understand how my friends

1798

01:20:47,510 --> 01:20:45,600

not sure I understand how myself I don't

1799

01:20:49,790 --> 01:20:47,520

and listen I don't understand how this

1800

01:20:53,060 --> 01:20:49,800

model of making documentaries works like

1801

01:20:55,490 --> 01:20:53,070

excuse me all my fans but I need to make

1802

01:20:57,470 --> 01:20:55,500

a new documentary everybody please give

1803

01:21:00,800 --> 01:20:57,480

me money and then you raise three

1804

01:21:02,450 --> 01:21:00,810

million dollars right I could be wrong

1805

01:21:04,520 --> 01:21:02,460

on the number it was at least a million

1806

01:21:07,670 --> 01:21:04,530

I'm sure I haven't looked at this in a

1807

01:21:09,409 --> 01:21:07,680

while but he crowdfunded a huge amount

1808

01:21:12,409 --> 01:21:09,419

of money to make that last

1809

01:21:21,459 --> 01:21:12,419

movie I don't understand that I just

1810

01:21:28,850 --> 01:21:25,129

yeah he organized the National Press

1811

01:21:31,069 --> 01:21:28,860

Club he has an app for sale yes and

1812

01:21:32,959 --> 01:21:31,079

that's another thing if you listen if

1813

01:21:34,310 --> 01:21:32,969

you had the secret to how you can

1814

01:21:37,219 --> 01:21:34,320

contact aliens

1815

01:21:38,770 --> 01:21:37,229

now you can initiate peaceful contact

1816

01:21:41,439 --> 01:21:38,780

between humans and extraterrestrials

1817

01:21:45,129 --> 01:21:41,449

would you be selling it in the App Store

1818

01:21:48,679 --> 01:21:45,139

or would you give that information away

1819

01:21:51,229 --> 01:21:48,689

you gotta buy it the c-5 thing it's in

1820

01:21:55,219 --> 01:21:51,239

the App Store I think it's in Google

1821

01:21:57,020 --> 01:21:55,229

Play Store and Apple yeah fill player

1822

01:21:59,589 --> 01:21:57,030

says I haven't bought it I wanted to buy

1823

01:22:02,000 --> 01:21:59,599

it to try it just to see if it was truly

1824

01:22:04,129 --> 01:22:02,010

the bullshitter II that I think it is

1825

01:22:06,589 --> 01:22:04,139

you know it's it's a lot of this stuff

1826

01:22:08,719 --> 01:22:06,599

with the CD 5 I feel that it's just like

1827

01:22:10,699 --> 01:22:08,729

the power of suggestion you know like oh

1828

01:22:13,580 --> 01:22:10,709

let's meditate we're gonna see something

1829

01:22:17,449 --> 01:22:13,590

in the sky and then magically yeah you

1830

01:22:19,040 --> 01:22:17,459

see something in the sky there's lots of

1831

01:22:23,330 --> 01:22:19,050

stuff in the sky friends doesn't mean

1832

01:22:27,409 --> 01:22:23,340

it's aliens so I think what we're gonna

1833

01:22:30,830 --> 01:22:27,419

do here friends is I'm gonna play the I

1834

01:22:33,139 --> 01:22:30,840

have to take a short break here so but

1835

01:22:35,149 --> 01:22:33,149

I'm gonna play the I'm gonna play the

1836

01:22:37,159 --> 01:22:35,159

bumper to open the phone lines anybody

1837

01:22:38,629 --> 01:22:37,169

doesn't want to call in you're free to

1838

01:22:41,359 --> 01:22:38,639

do so you'll be calling me here at the

1839

01:22:43,250 --> 01:22:41,369

apocalypse cabin I'm not quite sure how

1840

01:22:45,109 --> 01:22:43,260

great that phone's gonna work up here

1841

01:22:47,569 --> 01:22:45,119

but I think it worked here last time so

1842

01:22:50,569 --> 01:22:47,579

we should be okay if you want to call in

1843

01:22:52,969 --> 01:22:50,579

tell me you're strange or paranormal

1844

01:22:55,729 --> 01:22:52,979

related story or any story really we're

1845

01:22:59,149 --> 01:22:55,739

pretty open lunch here you can call in

1846

01:23:01,699 --> 01:22:59,159

and you can be live here on

1847

01:23:06,529 --> 01:23:01,709

truth-seekers with your host here that

1848

01:23:10,939 --> 01:23:06,539

would be me Steven cambium and so we're

1849

01:23:14,120 --> 01:23:10,949

gonna open the phone lines and then

1850

01:23:21,470 --> 01:23:14,130

we'll return to the live chat we'll be

1851

01:25:15,630 --> 01:23:48,430

[Music]

1852

01:25:23,140 --> 01:25:20,050

and we are back friends I managed to fit

1853

01:25:26,320 --> 01:25:23,150

in what I needed to hurry up and run and

1854

01:25:29,070 --> 01:25:26,330

get which was the phone I keep doing

1855

01:25:32,170 --> 01:25:29,080

this thing we're like I leave the phone

1856

01:25:33,760 --> 01:25:32,180

in like a hole it's worse at home cuz I

1857

01:25:36,310 --> 01:25:33,770

got a huge chance to leave it like in

1858

01:25:38,410 --> 01:25:36,320

the garage and I'm way on the other side

1859

01:25:39,880 --> 01:25:38,420

of the house and I'm in the middle of

1860

01:25:41,230 --> 01:25:39,890

the show and I realized where I left the

1861

01:25:43,600 --> 01:25:41,240

phone so I did the same kind of thing

1862

01:25:45,400 --> 01:25:43,610

here but we've got the phone if anybody

1863

01:25:46,870 --> 01:25:45,410

does want to call in otherwise I'm just

1864

01:25:51,610 --> 01:25:46,880

going to turn my attention to you guys

1865

01:25:55,030 --> 01:25:51,620

in the live chat and we have c5 contact

1866

01:25:57,820 --> 01:25:55,040

for net 995 yeah you got to pay \$10 if

1867

01:25:59,740 --> 01:25:57,830

you want to if you if you want to talk

1868

01:26:02,020 --> 01:25:59,750

to aliens you can it's just you gotta

1869

01:26:03,880 --> 01:26:02,030

buy the app first you've got to buy the

1870

01:26:07,960 --> 01:26:03,890

app first Steven Greer says you have to

1871

01:26:09,790 --> 01:26:07,970

buy the app \$10 you know I think I'm

1872

01:26:11,830 --> 01:26:09,800

gonna buy it and I'm gonna review it and

1873

01:26:15,240 --> 01:26:11,840

we're gonna have a good time doing it

1874

01:26:18,850 --> 01:26:15,250

it's gonna be worth the \$10 to get a

1875

01:26:20,980 --> 01:26:18,860

great subject like that like I'll I will

1876

01:26:23,290 --> 01:26:20,990

honestly I'll buy it and I will follow

1877

01:26:26,230 --> 01:26:23,300

the instructions perfectly and see if we

1878

01:26:32,740 --> 01:26:26,240

see any alien spacecraft were aliens

1879

01:26:39,729 --> 01:26:32,750

coming yes ce-5 995 you two can talk to

1880

01:26:45,310 --> 01:26:42,370

Don craze phase you are my new best

1881

01:26:48,549 --> 01:26:45,320

friend bro I knew that there was some

1882

01:26:52,750 --> 01:26:48,559

connection to Greer and UFOs that were

1883

01:26:55,149 --> 01:26:52,760

flares and Don crazed face has that info

1884

01:26:58,959 --> 01:26:55,159

I just blanked on it

1885

01:27:01,149 --> 01:26:58,969

donc crazed face says look up Vero Beach

1886

01:27:04,270 --> 01:27:01,159

Greer UFOs the flares were part of the

1887

01:27:07,750 --> 01:27:04,280

military exercise named Computex I live

1888

01:27:10,959 --> 01:27:07,760

here in Vero Beach so I call him an

1889

01:27:13,689 --> 01:27:10,969

expert witness those videos where Greer

1890

01:27:16,089 --> 01:27:13,699

is claiming yes this is the phone line

1891

01:27:20,429 --> 01:27:16,099

thank you Adam I these videos where

1892

01:27:23,979 --> 01:27:20,439

Greer is claiming that he used his his

1893

01:27:26,770 --> 01:27:23,989

superpowers and ce-5 protocols to

1894

01:27:30,189 --> 01:27:26,780

connect with aliens and tell them to

1895

01:27:32,109 --> 01:27:30,199

appear their starships no friends that

1896

01:27:33,910 --> 01:27:32,119

was a military exercise going on in the

1897

01:27:37,929 --> 01:27:33,920

area where the military were dropping

1898

01:27:42,669 --> 01:27:37,939

flares ridiculous this guy gets away

1899

01:27:45,729 --> 01:27:42,679

with it out of mind says you should call

1900

01:27:47,979 --> 01:27:45,739

and Don yeah you're welcome to if you

1901

01:27:49,270 --> 01:27:47,989

would like to tell us the story tell us

1902

01:27:52,629 --> 01:27:49,280

a little more about that if you know any

1903

01:27:55,270 --> 01:27:52,639

more about the flares your laugh cracks

1904

01:27:57,339 --> 01:27:55,280

me up Stephen yeah I you know what it's

1905

01:27:58,989 --> 01:27:57,349

I used to have it it used to be worse

1906

01:28:01,140 --> 01:27:58,999

man I used to have like a snort laughs I

1907

01:28:09,279 --> 01:28:01,150

got a conscious we say don't don't snort

1908

01:28:13,239 --> 01:28:09,289

I'll do it yeah you guys post in like

1909

01:28:15,310 --> 01:28:13,249

the posting like the links to his stuff

1910

01:28:17,080 --> 01:28:15,320

ill player I think Greer had honest

1911

01:28:18,989 --> 01:28:17,090

intentions in late 90s as kind of

1912

01:28:22,569 --> 01:28:18,999

succumb to fame and money along the way

1913

01:28:25,540 --> 01:28:22,579

kind of like Linda moan hell yeah I

1914

01:28:28,629 --> 01:28:25,550

think that a lot of these guys have good

1915

01:28:31,299 --> 01:28:28,639

intentions when they start and a genuine

1916

01:28:34,419 --> 01:28:31,309

interest and a genuine desire to find

1917

01:28:35,979 --> 01:28:34,429

the truth but I think the money and the

1918

01:28:39,489 --> 01:28:35,989

fame definitely gets in the way of

1919

01:28:40,719 --> 01:28:39,499

things and you know I've seen it time

1920

01:28:43,540 --> 01:28:40,729

and time again with some of these guys

1921

01:28:47,739 --> 01:28:43,550

it's like their first theirs they seem

1922

01:28:50,560 --> 01:28:47,749

very rational and more grounded and not

1923

01:28:51,910 --> 01:28:50,570

so fantastical or not so out there and

1924

01:28:54,130 --> 01:28:51,920

as time goes

1925

01:28:55,480 --> 01:28:54,140

the longer the guys involved in this

1926

01:28:57,370 --> 01:28:55,490

stuff he's gotta come up with new

1927

01:29:00,460 --> 01:28:57,380

material a new material a new material

1928

01:29:05,710 --> 01:29:00,470

so the guys get whackier and whackier I

1929

01:29:10,090 --> 01:29:05,720

call it UFO disease you know super V fun

1930

01:29:11,830 --> 01:29:10,100

cat hey Greer's okay with laser pointers

1931

01:29:13,570 --> 01:29:11,840

it's BSC v is supposed to be

1932

01:29:18,930 --> 01:29:13,580

consciousness lasers to have four should

1933

01:29:22,300 --> 01:29:18,940

be pointless Blair says call male yes

1934

01:29:23,770 --> 01:29:22,310

this man claims he can summon aliens oh

1935

01:29:31,030 --> 01:29:23,780

gosh

1936

01:29:33,040 --> 01:29:31,040

yeah you can just channel yeah I guess

1937

01:29:36,070 --> 01:29:33,050

it's no way contacting the alien Stephen

1938

01:29:38,410 --> 01:29:36,080

Girgis steroids from benevolent et Cie

1939

01:29:40,210 --> 01:29:38,420

Thomas bill I don't know if he's worried

1940

01:29:43,290 --> 01:29:40,220

it up he looks kind of roided-up for an

1941

01:29:51,990 --> 01:29:43,300

old dude though he might be I don't know

1942

01:30:01,930 --> 01:29:52,000

buy an app yeah hello hottie and Hogan

1943

01:30:05,140 --> 01:30:01,940

yeah and this reminds me Daniel Hogan I

1944

01:30:06,940 --> 01:30:05,150

got your message on Twitter I'm gonna be

1945

01:30:09,160 --> 01:30:06,950

doing a show within I've been coming up

1946

01:30:13,210 --> 01:30:09,170

based on this EVP investigation that he

1947

01:30:15,520 --> 01:30:13,220

did and here's he asked me earlier did I

1948

01:30:17,320 --> 01:30:15,530

get into the files that he sent me and

1949

01:30:20,320 --> 01:30:17,330

what did I think and I didn't get a

1950

01:30:21,160 --> 01:30:20,330

chance to reply yet and so I'll do it

1951

01:30:23,920 --> 01:30:21,170

here

1952

01:30:25,870 --> 01:30:23,930

you know Hogan its you got some cool

1953

01:30:28,000 --> 01:30:25,880

stuff there and I was very interested

1954

01:30:30,430 --> 01:30:28,010

and I think it's very compelling I have

1955

01:30:32,520 --> 01:30:30,440

to do some more work on the audio files

1956

01:30:35,170 --> 01:30:32,530

to try to clean some parts up and

1957

01:30:37,150 --> 01:30:35,180

isolate those and let's just call them

1958

01:30:39,370 --> 01:30:37,160

anomalies for now or the voices and

1959

01:30:41,380 --> 01:30:39,380

things I think it's pretty interesting

1960

01:30:43,690 --> 01:30:41,390

stuff that you've got captured there

1961

01:30:45,370 --> 01:30:43,700

though and we're gonna fully unpack that

1962

01:30:46,780 --> 01:30:45,380

on the show and have you own as a guest

1963

01:30:48,370 --> 01:30:46,790

to talk about how you recorded this

1964

01:30:52,870 --> 01:30:48,380

stuff what kind of methods are you using

1965

01:30:55,300 --> 01:30:52,880

to do the EVP sessions and we'll show

1966

01:30:57,910 --> 01:30:55,310

everybody what you found with this EVP

1967

01:31:01,640 --> 01:30:57,920

session and group of files that you have

1968

01:31:08,879 --> 01:31:06,270

supervisee fun cat HGH is so mainstream

1969

01:31:12,560 --> 01:31:08,889

yeah yeah human growth hormone and so

1970

01:31:18,720 --> 01:31:12,570

let's just alone is using it mm-hmm yeah

1971

01:31:21,570 --> 01:31:18,730

I heard from someone that I used to work

1972

01:31:25,649 --> 01:31:21,580

with actually that's an MMA fighter that

1973

01:31:29,430 --> 01:31:25,659

HDH is game-changing if you want muscle

1974

01:31:33,450 --> 01:31:29,440

and power I don't know if he's on it but

1975

01:31:35,370 --> 01:31:33,460

he just was telling me about that making

1976

01:31:37,700 --> 01:31:35,380

basically making you Superman especially

1977

01:31:39,899 --> 01:31:37,710

if you're a little older of a man and

1978

01:31:42,540 --> 01:31:39,909

your growth hormone levels are going

1979

01:31:44,520 --> 01:31:42,550

down it makes it harder for you I don't

1980

01:31:49,709 --> 01:31:44,530

know makes it harder for you to build

1981

01:31:51,510 --> 01:31:49,719

muscle I think you see that color then

1982

01:31:56,780 --> 01:31:51,520

someone asks if it's just a clear but

1983

01:31:59,340 --> 01:31:56,790

Greer replies oh no no ha ha ha

1984

01:32:01,560 --> 01:31:59,350

Florida man lost at sea for 14 days

1985

01:32:03,990 --> 01:32:01,570

claims he was assaulted by a mermaid

1986

01:32:07,379 --> 01:32:04,000

okay Phil Claire we're gonna check that

1987

01:32:09,770 --> 01:32:07,389

story out I've never heard did he get

1988

01:32:15,890 --> 01:32:09,780

raped by a mermaid that's pretty crazy

1989

01:32:18,300 --> 01:32:15,900

half fish woman say hi Phil Blair says

1990

01:32:19,860 --> 01:32:18,310

Don crazy face Grier could get in

1991

01:32:22,290 --> 01:32:19,870

serious trouble if he's pointing lasers

1992

01:32:24,479 --> 01:32:22,300

at planes yeah it's a stupid thing to do

1993

01:32:27,689 --> 01:32:24,489

you know point a laser gun up you don't

1994

01:32:32,220 --> 01:32:27,699

point a laser even a laser pointer up in

1995

01:32:33,840 --> 01:32:32,230

the sky you could really cause havoc

1996

01:32:41,669 --> 01:32:33,850

with the plane if that goes in the

1997

01:32:44,010 --> 01:32:41,679

pilots eyes or whatever yeah I'm not a

1998

01:32:47,040 --> 01:32:44,020

fan of Greer I'm not a fan of many of

1999

01:32:50,399 --> 01:32:47,050

these guys and I followed a lot of them

2000

01:32:54,379 --> 01:32:50,409

for years and years and years before

2001

01:32:58,169 --> 01:32:54,389

finally just deciding that you know

2002

01:33:00,479 --> 01:32:58,179

majorly I would say do I believe that

2003

01:33:02,669 --> 01:33:00,489

there's aliens absolutely do I believe

2004

01:33:04,740 --> 01:33:02,679

they're visiting us I don't think there

2005

01:33:09,850 --> 01:33:04,750

is credible scientific evidence of that

2006

01:33:15,230 --> 01:33:12,140

all right friends well we've got no

2007

01:33:16,640 --> 01:33:15,240

callers and we're going at just about an

2008

01:33:18,860 --> 01:33:16,650

hour and a half so I think we're gonna

2009

01:33:21,830 --> 01:33:18,870

wrap things up here at the apocalypse

2010

01:33:23,930 --> 01:33:21,840

cabin I got a bunch of stuff that I'm

2011

01:33:26,390 --> 01:33:23,940

still trying to do tonight and I have an

2012

01:33:28,790 --> 01:33:26,400

early morning tomorrow because we have

2013

01:33:30,740 --> 01:33:28,800

this sort of meeting once a year arc

2014

01:33:33,650 --> 01:33:30,750

local community here and I kind of have

2015

01:33:36,800 --> 01:33:33,660

to go to that for various reasons and

2016

01:33:38,720 --> 01:33:36,810

that one of which is to try to explain

2017

01:33:41,690 --> 01:33:38,730

why I didn't finish this basketball

2018

01:33:47,720 --> 01:33:41,700

court project that I started let me tell

2019

01:33:50,450 --> 01:33:47,730

you you can't rebuild a basketball court

2020

01:33:54,410 --> 01:33:50,460

with no money and and so that became

2021

01:33:55,940 --> 01:33:54,420

sort of an impossible mission yeah and

2022

01:33:59,660 --> 01:33:55,950

that's more I have to go to this meeting

2023

01:34:00,290 --> 01:33:59,670

I try to work I try to do a lot of work

2024

01:34:03,590 --> 01:34:00,300

today

2025

01:34:04,430 --> 01:34:03,600

around the cabin but it rained like how

2026

01:34:06,530 --> 01:34:04,440

all day

2027

01:34:08,720 --> 01:34:06,540

and it's kind of stuck inside the cabin

2028

01:34:13,760 --> 01:34:08,730

so I started working on my wife's list

2029

01:34:16,240 --> 01:34:13,770

oh yeah my wife like little things like

2030

01:34:19,760 --> 01:34:16,250

a sticky door like a door that sticks

2031

01:34:22,970 --> 01:34:19,770

really I don't know if they bother her

2032

01:34:25,460 --> 01:34:22,980

so I had to take this whole door apart

2033

01:34:27,920 --> 01:34:25,470

and take it off and cut the bottom of it

2034

01:34:29,690 --> 01:34:27,930

and put it back and now instead of

2035

01:34:31,850 --> 01:34:29,700

sticking at the bottom it's sticking at

2036

01:34:35,090 --> 01:34:31,860

the side now so I have to go take that

2037

01:34:36,620 --> 01:34:35,100

apart and try to fix that next I don't

2038

01:34:42,230 --> 01:34:36,630

know what I'm gonna do get the sand

2039

01:34:44,090 --> 01:34:42,240

around I guess it's a you know okay

2040

01:34:45,530 --> 01:34:44,100

let's see Phil Claire he described in

2041

01:34:47,240 --> 01:34:45,540

graphic detail how he was forced at

2042

01:34:50,680 --> 01:34:47,250

before oral sex with a fish like

2043

01:34:53,840 --> 01:34:50,690

genitals of these aquatic creatures not

2044

01:34:57,200 --> 01:34:53,850

only onto the women but also onto the

2045

01:34:58,880 --> 01:34:57,210

men he got gang-raped by mermaids Phil

2046

01:35:06,920 --> 01:34:58,890

player you got to send me the link to

2047

01:35:11,460 --> 01:35:09,510

and the guy was happy to find his

2048

01:35:14,760 --> 01:35:11,470

brother alive after he'd been raped by

2049

01:35:17,210 --> 01:35:14,770

mermaids it's a strange world out there

2050

01:35:23,670 --> 01:35:21,900

yeah so friends without further ado I'm

2051

01:35:25,590 --> 01:35:23,680

gonna wrap things up here I want to

2052

01:35:27,630 --> 01:35:25,600

thank my guests tonight Daniel James if

2053

01:35:29,640 --> 01:35:27,640

somebody could put his YouTube channel

2054

01:35:31,880 --> 01:35:29,650

into the live chat I would appreciate

2055

01:35:36,320 --> 01:35:31,890

that you guys should all subscribe and

2056

01:35:40,380 --> 01:35:36,330

please do like comment and subscribe on

2057

01:35:44,070 --> 01:35:40,390

my stuff we're trying to increase our

2058

01:35:47,790 --> 01:35:44,080

subscribers here so if you could take

2059

01:35:50,160 --> 01:35:47,800

the link email a few friends or DM it to

2060

01:35:52,050 --> 01:35:50,170

a few people on Twitter and let them

2061

01:35:56,729 --> 01:35:52,060

know about our show I would sincerely

2062

01:35:58,550 --> 01:35:56,739

appreciate that so they are Suckerfish

2063

01:36:01,830 --> 01:35:58,560

oh boy

2064

01:36:05,460 --> 01:36:01,840

who do you recommend Steve Don craze

2065

01:36:09,780 --> 01:36:05,470

phase you know I still read up on all

2066

01:36:14,460 --> 01:36:09,790

these guys I'm just kind of I don't know

2067

01:36:18,060 --> 01:36:14,470

like just burn out of a lot of this

2068

01:36:19,740 --> 01:36:18,070

stuff because it always seems to end all

2069

01:36:22,650 --> 01:36:19,750

the rabbit holes every one of these guys

2070

01:36:25,080 --> 01:36:22,660

they all seem to end the same way you

2071

01:36:28,160 --> 01:36:25,090

get into a guy and even the guys that

2072

01:36:32,760 --> 01:36:28,170

seem very science-based and

2073

01:36:37,680 --> 01:36:32,770

evidence-based and genuine eventually

2074

01:36:40,500 --> 01:36:37,690

they get into the whoo and fakery fraud

2075

01:36:42,840 --> 01:36:40,510

re and hoaxes re and that's when I

2076
01:36:44,729 --> 01:36:42,850
stopped paying attention to them because

2077
01:36:47,340 --> 01:36:44,739
I know they're not genuine and it seems

2078
01:36:49,140 --> 01:36:47,350
like it's all of them you know I don't

2079
01:36:51,479 --> 01:36:49,150
know any of them that I truly believe

2080
01:36:53,460 --> 01:36:51,489
are genuine do I believe that some

2081
01:36:55,470 --> 01:36:53,470
people into this stuff have good

2082
01:36:57,510 --> 01:36:55,480
intentions absolutely and there are

2083
01:37:00,390 --> 01:36:57,520
still good people out there fighting the

2084
01:37:02,610 --> 01:37:00,400
good fight trying to find the truth

2085
01:37:04,080 --> 01:37:02,620
behind this stuff and that's obviously

2086
01:37:06,780 --> 01:37:04,090
what we all want we want to find the

2087
01:37:10,040 --> 01:37:06,790
truth behind this stuff so there are

2088
01:37:13,740 --> 01:37:10,050

some good guys out there still but I'm I

2089

01:37:15,600 --> 01:37:13,750

guess I'm just tired of the same cycle

2090

01:37:18,720 --> 01:37:15,610

happening over and over each time that I

2091

01:37:20,080 --> 01:37:18,730

get into one guy eventually you get to

2092

01:37:22,540 --> 01:37:20,090

the part where you

2093

01:37:24,490 --> 01:37:22,550

have that turn where you go this guy's

2094

01:37:25,450 --> 01:37:24,500

full of [h__\h] damn it I thought he had

2095

01:37:33,700 --> 01:37:25,460

some good information

2096

01:37:36,490 --> 01:37:33,710

no he's full [h__\h] alright friends like I

2097

01:37:39,420 --> 01:37:36,500

said I have a long long I'm gonna have

2098

01:37:42,490 --> 01:37:39,430

an early morning tomorrow and a long

2099

01:37:43,240 --> 01:37:42,500

night tonight probably because I don't

2100

01:37:46,840 --> 01:37:43,250

sleep much

2101

01:37:48,430 --> 01:37:46,850

wake up early in the morning so I'm

2102

01:37:50,380 --> 01:37:48,440

hoping to do some things for a few hours

2103

01:37:52,350 --> 01:37:50,390

and then feel tired enough that I can

2104

01:37:56,230 --> 01:37:52,360

catch three or four hours before this

2105

01:38:04,870 --> 01:37:56,240

cabin meeting that the community meeting

2106

01:38:06,700 --> 01:38:04,880

here okay friends so we're gonna call it

2107

01:38:08,560 --> 01:38:06,710

we're gonna call it a night here at the

2108

01:38:10,470 --> 01:38:08,570

apocalypse cabin I want to thank each

2109

01:38:14,290 --> 01:38:10,480

and every one of you for joining me and

2110

01:38:15,730 --> 01:38:14,300

I hope to see you here next time I'm not

2111

01:38:18,940 --> 01:38:15,740

sure if I'm gonna do a show tomorrow

2112

01:38:21,190 --> 01:38:18,950

night but I think I will it's not

2113

01:38:24,160 --> 01:38:21,200

raining like hell I've been trying to do

2114

01:38:25,600 --> 01:38:24,170

this figure out and I have figured it

2115

01:38:30,730 --> 01:38:25,610

out I've been trying to figure out how

2116

01:38:32,380 --> 01:38:30,740

can i stream outside by the campfire

2117

01:38:34,210 --> 01:38:32,390

because I thought that would be cool and

2118

01:38:37,150 --> 01:38:34,220

we can do like a we'll do it like a

2119

01:38:39,790 --> 01:38:37,160

fireside chat ask me anything

2120

01:38:41,830 --> 01:38:39,800

open lines and we'll see what happens

2121

01:38:44,080 --> 01:38:41,840

maybe if it's not raining tomorrow folks

2122

01:38:47,770 --> 01:38:44,090

I'd like to do that tomorrow around 10

2123

01:38:53,690 --> 01:38:47,780

p.m. so until next time folks I'm

2124

01:40:23,840 --> 01:39:44,670
