

# Truth Seekers

JAN HARZAN  
EXECUTIVE DIRECTOR OF MUFON

**ARRESTED!**

HARZAN SOLICITED SEXUAL ACTIVITY FROM  
A DETECTIVE HE BELIEVED WAS  
A 13 YEAR OLD GIRL.

MUTUAL UFO NETWORK MEMBERS :

MUTUAL UFO NETWORK BOARD OF DIRECTORS?

MUFON REMOVES JAN HARZAN.

**IS THE TROUBLED UFO ORGANIZATION FOLDING?**

UNSURPRISINGLY - CONSPIRACY THEORIES ALREADY EMERGING.

1  
00:02:05,190 --> 00:00:45,090

[Music]

2  
00:02:09,669 --> 00:02:05,910  
greetings

3  
00:02:13,110 --> 00:02:09,679  
and salutations friends and welcome back

4  
00:02:17,589 --> 00:02:13,120  
to truth seekers we are live

5  
00:02:20,150 --> 00:02:17,599  
and uh as sort of a change of pace

6  
00:02:21,270 --> 00:02:20,160  
i actually was able to begin a few

7  
00:02:23,190 --> 00:02:21,280  
minutes early

8  
00:02:24,309 --> 00:02:23,200  
for the last couple of nights it has

9  
00:02:27,350 --> 00:02:24,319  
been a

10  
00:02:31,110 --> 00:02:27,360  
sort of strange shuffle with things

11  
00:02:35,190 --> 00:02:31,120  
not working with like uh one night

12  
00:02:37,910 --> 00:02:35,200  
my recent show is like the backdrop fell

13  
00:02:39,750 --> 00:02:37,920

uh like one minute before show time and

14

00:02:41,830 --> 00:02:39,760

i'm like frantically china

15

00:02:44,390 --> 00:02:41,840

so tonight i was a little ahead of the

16

00:02:48,070 --> 00:02:44,400

game we're three or four minutes early

17

00:02:50,150 --> 00:02:48,080

miracle of miracles and

18

00:02:51,830 --> 00:02:50,160

things are good because i feel a little

19

00:02:52,949 --> 00:02:51,840

less stressed today than i did at the

20

00:02:54,949 --> 00:02:52,959

start of the

21

00:02:56,949 --> 00:02:54,959

bunch of the last shows because of all

22

00:02:58,149 --> 00:02:56,959

this technical nonsense that's been

23

00:03:02,229 --> 00:02:58,159

going on

24

00:03:03,990 --> 00:03:02,239

that we are slowly fixing and working on

25

00:03:05,589 --> 00:03:04,000

i will turn my attention to the live

26

00:03:06,390 --> 00:03:05,599

chat we're going to give people a few

27

00:03:08,710 --> 00:03:06,400

minutes to come

28

00:03:10,229 --> 00:03:08,720

funneling in that's something else we're

29

00:03:19,190 --> 00:03:10,239

going to try

30

00:03:21,190 --> 00:03:19,200

not jump right into the subject for each

31

00:03:23,670 --> 00:03:21,200

right as soon as the stream begins

32

00:03:25,670 --> 00:03:23,680

because it appears to me uh just from

33

00:03:29,190 --> 00:03:25,680

watching the numbers that

34

00:03:31,030 --> 00:03:29,200

it takes 10 or 15 sometimes 20 minutes

35

00:03:31,990 --> 00:03:31,040

or a half hour before the room really

36

00:03:34,949 --> 00:03:32,000

fills up

37

00:03:35,589 --> 00:03:34,959

and then people start you know they miss

38

00:03:38,550 --> 00:03:35,599

the first

39

00:03:40,149 --> 00:03:38,560

half or so i think it's a better idea

40

00:03:43,830 --> 00:03:40,159

that we just go to the live

41

00:03:46,229 --> 00:03:43,840

chat and we uh welcome everyone

42

00:03:47,910 --> 00:03:46,239

oh here i see uh we're going to give

43

00:03:50,070 --> 00:03:47,920

some shout outs now we see

44

00:03:51,030 --> 00:03:50,080

paranormal jiggy in the hood from

45

00:03:53,509 --> 00:03:51,040

paranormal hood

46

00:03:55,110 --> 00:03:53,519

always welcome here rick von himlich

47

00:03:57,110 --> 00:03:55,120

splooner you know what rick that's

48

00:03:57,750 --> 00:03:57,120

getting easier every time i have to say

49

00:03:59,990 --> 00:03:57,760

it

50

00:04:05,910 --> 00:04:00,000

jonah side shout out to jonas side shout

51  
00:04:11,830 --> 00:04:09,350  
genocide is here jasmine emrick is here

52  
00:04:13,429 --> 00:04:11,840  
shout out to jasmine emmerich dan hogan

53  
00:04:19,590 --> 00:04:13,439  
is here

54  
00:04:22,230 --> 00:04:19,600  
mark not sure but he may be australian

55  
00:04:23,990 --> 00:04:22,240  
and be probably using good day everyone

56  
00:04:26,390 --> 00:04:24,000  
as a comment right

57  
00:04:31,749 --> 00:04:26,400  
mark are you i believe you are

58  
00:04:35,670 --> 00:04:34,629  
dobromiya reynav says greetings and

59  
00:04:40,629 --> 00:04:35,680  
salutations

60  
00:04:42,390 --> 00:04:40,639  
and dan hogan says i missed the show

61  
00:04:43,030 --> 00:04:42,400  
last night was going to watch the replay

62  
00:04:44,390 --> 00:04:43,040  
tonight

63  
00:04:46,550 --> 00:04:44,400

then i saw there was a new episode

64

00:04:48,629 --> 00:04:46,560

tonight i'll never catch up

65

00:04:51,189 --> 00:04:48,639

that's kind of yeah that's my strategy

66

00:04:54,550 --> 00:04:51,199

dan i want to give everybody plenty

67

00:04:55,670 --> 00:04:54,560

of material plenty of stuff that they

68

00:04:58,230 --> 00:04:55,680

have to catch up on

69

00:05:00,070 --> 00:04:58,240

in as far as what's going on here at

70

00:05:03,110 --> 00:05:00,080

truth seekers

71

00:05:05,270 --> 00:05:03,120

i'd say that uh i just want to

72

00:05:08,710 --> 00:05:05,280

mention you know last night's show we

73

00:05:11,270 --> 00:05:08,720

did this sort of uh

74

00:05:12,870 --> 00:05:11,280

unpacking of the strange case of sarah

75

00:05:16,230 --> 00:05:12,880

adams and all day

76

00:05:18,070 --> 00:05:16,240

i've been getting messages from uh

77

00:05:20,070 --> 00:05:18,080

not from people angry at me just from

78

00:05:22,390 --> 00:05:20,080

people telling me how wrong i am

79

00:05:24,629 --> 00:05:22,400

because they got sessions with the sarah

80

00:05:26,950 --> 00:05:24,639

adams and they were very happy

81

00:05:28,070 --> 00:05:26,960

and they told me all about many of them

82

00:05:32,070 --> 00:05:28,080

told me about their

83

00:05:35,749 --> 00:05:32,080

experience with her and how positive

84

00:05:38,070 --> 00:05:35,759

it was so

85

00:05:39,670 --> 00:05:38,080

you know i'm still kind of at an impasse

86

00:05:41,510 --> 00:05:39,680

because i'm not

87

00:05:44,230 --> 00:05:41,520

i'm not convinced at all that she has

88

00:05:47,430 --> 00:05:44,240

any kind of psychic or superpowers

89

00:05:49,430 --> 00:05:47,440

um and we just i just

90

00:05:51,430 --> 00:05:49,440

there's so many gray areas with what she

91

00:05:52,710 --> 00:05:51,440

does that i feel kind of strange about

92

00:05:54,469 --> 00:05:52,720

the whole thing

93

00:05:56,629 --> 00:05:54,479

but we'll see where it goes i'm going to

94

00:05:59,189 --> 00:05:56,639

continue to do some more background

95

00:06:00,309 --> 00:05:59,199

work and looking into things and you

96

00:06:01,110 --> 00:06:00,319

know we're finally going to get the

97

00:06:03,909 --> 00:06:01,120

interview and

98

00:06:04,710 --> 00:06:03,919

talk to her directly i've been taking

99

00:06:07,029 --> 00:06:04,720

note of

100

00:06:08,870 --> 00:06:07,039

important questions somebody last night

101  
00:06:10,950 --> 00:06:08,880  
mentioned what is her blood type that's

102  
00:06:12,790 --> 00:06:10,960  
at the top of my list to ask her

103  
00:06:14,230 --> 00:06:12,800  
because a lot of people think she may be

104  
00:06:16,309 --> 00:06:14,240  
what is that blood type that means you

105  
00:06:17,590 --> 00:06:16,319  
might be an alien i don't know is it rh

106  
00:06:24,469 --> 00:06:17,600  
negative or

107  
00:06:30,309 --> 00:06:27,909  
okay mark tarana says yes he's from

108  
00:06:32,830 --> 00:06:30,319  
sydney australia welcome then my friend

109  
00:06:38,629 --> 00:06:32,840  
from down

110  
00:06:42,469 --> 00:06:40,790  
genocide says i got psychic reading from

111  
00:06:44,230 --> 00:06:42,479  
stephen campion but luckily i'm not

112  
00:06:44,710 --> 00:06:44,240  
cursed no i didn't pull the curse scam

113  
00:06:47,029 --> 00:06:44,720

on you

114

00:06:49,589 --> 00:06:47,039

i didn't ask you for 300 to light some

115

00:06:53,110 --> 00:06:49,599

candles and clear the curse

116

00:06:55,990 --> 00:06:53,120

and jeanette kurzenko is here

117

00:06:56,390 --> 00:06:56,000

she says she cannot stay 100 but will be

118

00:07:00,830 --> 00:06:56,400

in

119

00:07:00,840 --> 00:07:06,629

great so

120

00:07:18,390 --> 00:07:09,909

one second friends i am going to get

121

00:07:34,150 --> 00:07:31,430

retrieve a few things

122

00:07:36,469 --> 00:07:34,160

okay friends so tonight we are going to

123

00:07:40,390 --> 00:07:36,479

be talking about the recent arrests

124

00:07:42,830 --> 00:07:40,400

of mufon executive director for those

125

00:07:45,749 --> 00:07:42,840

that don't know mufon is the mutual ufo

126

00:07:48,070 --> 00:07:45,759

network which among ufo and conspiracy

127

00:07:51,510 --> 00:07:48,080

people is very very well known

128

00:07:53,350 --> 00:07:51,520

but i think that most regular people

129

00:07:56,710 --> 00:07:53,360

wouldn't even know what mufon is

130

00:07:59,909 --> 00:07:56,720

if you ask them so

131

00:08:01,029 --> 00:07:59,919

you know it seems to me like ufo twitter

132

00:08:04,230 --> 00:08:01,039

and all of these people

133

00:08:08,070 --> 00:08:04,240

are sort of exploding over uh

134

00:08:10,710 --> 00:08:08,080

the arrest of mr jan harzan

135

00:08:11,430 --> 00:08:10,720

and i find that curious because outside

136

00:08:14,950 --> 00:08:11,440

of us

137

00:08:17,270 --> 00:08:14,960

ufo circles you know quite honestly

138

00:08:18,390 --> 00:08:17,280

i think that most people don't really

139

00:08:23,270 --> 00:08:18,400

know

140

00:08:25,670 --> 00:08:23,280

who mufon is mufon is mutual ufo network

141

00:08:26,629 --> 00:08:25,680

and they are a civilian not

142

00:08:29,990 --> 00:08:26,639

government-based

143

00:08:33,269 --> 00:08:30,000

organization which investigates ufo

144

00:08:36,630 --> 00:08:33,279

sightings and reports

145

00:08:40,469 --> 00:08:36,640

additionally they are also

146

00:08:44,630 --> 00:08:40,479

in the entertainment business and

147

00:08:47,509 --> 00:08:44,640

have a media company which produces

148

00:08:49,750 --> 00:08:47,519

besides a television show which was on

149

00:08:54,150 --> 00:08:49,760

the history channel called hanger one

150

00:08:56,790 --> 00:08:54,160

also produces ufo conferences

151  
00:08:59,670 --> 00:08:56,800  
secret space conferences and other

152  
00:09:03,030 --> 00:08:59,680  
entertainment events

153  
00:09:04,150 --> 00:09:03,040  
i've always kind of thought that it was

154  
00:09:07,590 --> 00:09:04,160  
kind of strange

155  
00:09:10,949 --> 00:09:07,600  
right that this supposedly

156  
00:09:14,230 --> 00:09:10,959  
scientific organization also dabbles in

157  
00:09:16,790 --> 00:09:14,240  
basically selling ufo [h\_\_h]

158  
00:09:17,670 --> 00:09:16,800  
that's the polite way to put it besides

159  
00:09:20,949 --> 00:09:17,680  
being a

160  
00:09:21,990 --> 00:09:20,959  
supposed non-profit organization and

161  
00:09:23,350 --> 00:09:22,000  
we're going to look into that

162  
00:09:25,509 --> 00:09:23,360  
a little bit tonight folks because i

163  
00:09:27,430 --> 00:09:25,519

found some interesting things that

164

00:09:28,790 --> 00:09:27,440

i've never seen anybody share and

165

00:09:30,949 --> 00:09:28,800

tonight we're going to share them

166

00:09:32,870 --> 00:09:30,959

because [h\_\_h] mufon right in their eyes

167

00:09:34,550 --> 00:09:32,880

that's why that's right you heard me say

168

00:09:36,230 --> 00:09:34,560

it move on [h\_\_h] you

169

00:09:38,310 --> 00:09:36,240

right in your eyes hey every board

170

00:09:40,310 --> 00:09:38,320

member from mufad are you watching this

171

00:09:41,990 --> 00:09:40,320

[h\_\_h] you right in your eyes too you

172

00:09:45,590 --> 00:09:42,000

[h\_\_h]

173

00:09:48,470 --> 00:09:45,600

today the mufan okay so

174

00:09:50,230 --> 00:09:48,480

let's just get to the to the timeline uh

175

00:09:53,350 --> 00:09:50,240

about 11 or 12 days ago

176

00:09:59,269 --> 00:09:53,360

mr jan harzan was

177

00:09:59,279 --> 00:10:02,630

let's see

178

00:10:06,870 --> 00:10:05,430

on july 3 detectives contacted a male by

179

00:10:09,269 --> 00:10:06,880

the name of jan harzan

180

00:10:11,350 --> 00:10:09,279

after harzian solicited sexual activity

181

00:10:13,350 --> 00:10:11,360

from a detective that he believed was a

182

00:10:15,350 --> 00:10:13,360

13 year old girl

183

00:10:17,430 --> 00:10:15,360

the suspect solicited the minor to me

184

00:10:18,310 --> 00:10:17,440

for the purpose of engaging in sexual

185

00:10:20,310 --> 00:10:18,320

activity

186

00:10:21,670 --> 00:10:20,320

and when the suspect agreed to meet the

187

00:10:24,150 --> 00:10:21,680

supposed minor

188

00:10:27,269 --> 00:10:24,160

detectives were there to take him into

189

00:10:30,389 --> 00:10:29,590

it's like to catch a predator except

190

00:10:33,350 --> 00:10:30,399

with cops

191

00:10:34,150 --> 00:10:33,360

instead of chris hanson [h\_\_h] jan horizon

192

00:10:37,990 --> 00:10:34,160

you got

193

00:10:41,190 --> 00:10:38,000

pops dude listen and so

194

00:10:42,150 --> 00:10:41,200

the the news of this uh didn't really

195

00:10:44,470 --> 00:10:42,160

hit

196

00:10:46,470 --> 00:10:44,480

and for quite some time this happened on

197

00:10:49,509 --> 00:10:46,480

july 3rd that he was actually

198

00:10:50,949 --> 00:10:49,519

arrested mufon didn't make a statement

199

00:10:52,710 --> 00:10:50,959

on july 3rd

200

00:10:54,069 --> 00:10:52,720

mufon didn't make a statement on july

201

00:10:58,150 --> 00:10:54,079

4th july 5th

202

00:11:00,790 --> 00:10:58,160

july 6 july 7th wow

203

00:11:02,069 --> 00:11:00,800

i gotta say that it took quite some time

204

00:11:04,150 --> 00:11:02,079

for mufon to make

205

00:11:06,230 --> 00:11:04,160

any kind of a statement or take any

206

00:11:07,990 --> 00:11:06,240

action against their executive director

207

00:11:09,750 --> 00:11:08,000

who was arrested for a child-related

208

00:11:12,790 --> 00:11:09,760

sexual offense

209

00:11:14,230 --> 00:11:12,800

that my friends is [h\_\_h] terrible

210

00:11:16,550 --> 00:11:14,240

and they should all every one of those

211

00:11:18,230 --> 00:11:16,560

people should be ashamed of themselves

212

00:11:20,150 --> 00:11:18,240

especially if they knew but we're going

213

00:11:22,069 --> 00:11:20,160

to unpack some of that

214

00:11:23,910 --> 00:11:22,079

i've seen various reports on twitter and

215

00:11:25,750 --> 00:11:23,920

let's call it ufo twitter because that's

216

00:11:27,430 --> 00:11:25,760

what it is this isn't real twitter

217

00:11:29,509 --> 00:11:27,440

this is the alternate universe where

218

00:11:31,670 --> 00:11:29,519

univer where ufos are real and all these

219

00:11:32,550 --> 00:11:31,680

people get together to argue endlessly

220

00:11:36,230 --> 00:11:32,560

about

221

00:11:37,030 --> 00:11:36,240

ufo stuff but on ufo twitter i saw

222

00:11:40,150 --> 00:11:37,040

various

223

00:11:41,990 --> 00:11:40,160

people say that or at least claim and i

224

00:11:45,269 --> 00:11:42,000

can't verify their claims that mr

225

00:11:46,310 --> 00:11:45,279

jan harzan did not notify mufon of his

226  
00:11:48,710 --> 00:11:46,320  
arrest

227  
00:11:50,870 --> 00:11:48,720  
and mufa the mufan board of directors

228  
00:11:54,470 --> 00:11:50,880  
found out the same way

229  
00:11:58,230 --> 00:11:54,480  
that everyone else did which was

230  
00:12:01,670 --> 00:11:58,240  
through a facebook post uh posted by

231  
00:12:04,069 --> 00:12:01,680  
let's say the huntington beach police

232  
00:12:07,110 --> 00:12:04,079  
department

233  
00:12:08,629 --> 00:12:07,120  
and uh that sort of made the rounds and

234  
00:12:11,910 --> 00:12:08,639  
i got that

235  
00:12:12,949 --> 00:12:11,920  
somebody somehow posted that sent this

236  
00:12:16,389 --> 00:12:12,959  
article to me

237  
00:12:17,190 --> 00:12:16,399  
mere minutes friends after was posted on

238  
00:12:19,990 --> 00:12:17,200

facebook

239

00:12:20,870 --> 00:12:20,000

mere minutes and i found that a little

240

00:12:23,430 --> 00:12:20,880

curious

241

00:12:25,110 --> 00:12:23,440

it's as if somebody might have known

242

00:12:26,949 --> 00:12:25,120

that that article was going to be posted

243

00:12:27,910 --> 00:12:26,959

and got a list of people who cover these

244

00:12:30,150 --> 00:12:27,920

topics

245

00:12:31,350 --> 00:12:30,160

but hey here we are in conspiracy land

246

00:12:33,350 --> 00:12:31,360

here's mine

247

00:12:35,030 --> 00:12:33,360

somebody may have known that that post

248

00:12:37,350 --> 00:12:35,040

was going up in advance somebody from

249

00:12:40,550 --> 00:12:37,360

the ufo world the ufo community

250

00:12:43,670 --> 00:12:40,560

and i got an anonymous email

251  
00:12:48,230 --> 00:12:43,680  
uh some minutes directly

252  
00:12:50,230 --> 00:12:48,240  
after some minutes directly after that

253  
00:12:57,350 --> 00:12:50,240  
was

254  
00:12:58,310 --> 00:12:57,360  
uh like i said in my teaser for tonight

255  
00:13:02,710 --> 00:12:58,320  
the cons

256  
00:13:05,030 --> 00:13:02,720  
surrounding this event of

257  
00:13:06,310 --> 00:13:05,040  
the biggest ufo organization's executive

258  
00:13:08,629 --> 00:13:06,320  
director getting popped for a

259  
00:13:11,030 --> 00:13:08,639  
child-related sexual offense

260  
00:13:13,269 --> 00:13:11,040  
it's already exploding friends into

261  
00:13:16,870 --> 00:13:13,279  
various conspiracy theories

262  
00:13:18,470 --> 00:13:16,880  
and speculation wild speculation

263  
00:13:19,990 --> 00:13:18,480

and we're going to get into some of that

264

00:13:22,230 --> 00:13:20,000

but i think it important

265

00:13:23,030 --> 00:13:22,240

first that uh i i'm going to share with

266

00:13:25,910 --> 00:13:23,040

you the original

267

00:13:27,750 --> 00:13:25,920

article that was sent to me anonymously

268

00:13:30,310 --> 00:13:27,760

to my email

269

00:13:32,230 --> 00:13:30,320

and like i said it was sent probably

270

00:13:34,470 --> 00:13:32,240

mere minutes after the huntington

271

00:13:36,550 --> 00:13:34,480

beach police department posted it which

272

00:13:38,310 --> 00:13:36,560

i found odd and i you know what i also

273

00:13:40,230 --> 00:13:38,320

found odd

274

00:13:41,750 --> 00:13:40,240

is that i sort of got interrogated a

275

00:13:45,350 --> 00:13:41,760

little bit

276

00:13:47,269 --> 00:13:45,360

as to how i came across that facebook

277

00:13:48,069 --> 00:13:47,279

post because it doesn't mention in the

278

00:13:52,230 --> 00:13:48,079

facebook post

279

00:13:53,910 --> 00:13:52,240

that he is has any relation to ufos

280

00:13:55,430 --> 00:13:53,920

somebody sent it to me anonymously

281

00:13:57,030 --> 00:13:55,440

there's your answer

282

00:13:59,189 --> 00:13:57,040

conspiracy world so this is from the

283

00:14:02,629 --> 00:13:59,199

huntington beach police department

284

00:14:04,230 --> 00:14:02,639

uh facebook post in the past two weeks

285

00:14:05,750 --> 00:14:04,240

detectives from huntington beach police

286

00:14:07,670 --> 00:14:05,760

department special

287

00:14:09,269 --> 00:14:07,680

enforcement bureau have arrested two

288

00:14:11,269 --> 00:14:09,279

suspects on two separate incidents

289

00:14:12,629 --> 00:14:11,279

involving online crimes against children

290

00:14:14,230 --> 00:14:12,639

and i read this part already but we'll

291

00:14:15,829 --> 00:14:14,240

read it again on july 3 detectives

292

00:14:16,870 --> 00:14:15,839

contacted a male by the name of jan

293

00:14:19,430 --> 00:14:16,880

arzan

294

00:14:21,509 --> 00:14:19,440

after harzian solicited sexual activity

295

00:14:23,430 --> 00:14:21,519

from a detective that he believed was a

296

00:14:25,590 --> 00:14:23,440

13 year old girl

297

00:14:26,470 --> 00:14:25,600

the suspect solicited the minor to meet

298

00:14:28,829 --> 00:14:26,480

for a

299

00:14:33,030 --> 00:14:28,839

for the purpose of engaging in sexual

300

00:14:36,790 --> 00:14:34,790

and when the suspect agreed to meet the

301  
00:14:39,269 --> 00:14:36,800  
supposed minor detectives were there

302  
00:14:40,629 --> 00:14:39,279  
to take him into custody so it sounds

303  
00:14:42,389 --> 00:14:40,639  
like he showed up to meet

304  
00:14:45,110 --> 00:14:42,399  
a 13 year old girl for the purposes of

305  
00:14:46,949 --> 00:14:45,120  
having sex having talked about it online

306  
00:14:48,389 --> 00:14:46,959  
oh and i've got more bad news for you

307  
00:14:51,910 --> 00:14:48,399  
move on

308  
00:14:54,069 --> 00:14:51,920  
i'm not sure if you realize this but the

309  
00:14:55,509 --> 00:14:54,079  
chat logs of your former executive

310  
00:14:58,629 --> 00:14:55,519  
director soliciting

311  
00:14:59,670 --> 00:14:58,639  
uh little girls for sex are going to be

312  
00:15:01,509 --> 00:14:59,680  
public

313  
00:15:03,110 --> 00:15:01,519

just break i'm just just letting you

314

00:15:06,230 --> 00:15:03,120

know they're going to be public

315

00:15:08,389 --> 00:15:06,240

and you know a lot of people

316

00:15:09,590 --> 00:15:08,399

including me are going to get them and

317

00:15:13,030 --> 00:15:09,600

we're going to

318

00:15:14,790 --> 00:15:13,040

share them with our viewers

319

00:15:16,710 --> 00:15:14,800

because people need to know what your

320

00:15:18,230 --> 00:15:16,720

executive director was talking to a 13

321

00:15:20,310 --> 00:15:18,240

year old girl about

322

00:15:22,389 --> 00:15:20,320

so if you think that the [h\_\_\h] storm is

323

00:15:25,509 --> 00:15:22,399

bad now mufon [h\_\_\h]

324

00:15:26,550 --> 00:15:25,519

it's only just beginning and if i say

325

00:15:29,829 --> 00:15:26,560

i'm gleeful

326

00:15:31,430 --> 00:15:29,839

or happy about this i'm not but

327

00:15:33,189 --> 00:15:31,440

here's what i'm going to say about mufon

328

00:15:34,230 --> 00:15:33,199

mufon's supposed to be a scientific

329

00:15:36,710 --> 00:15:34,240

organization

330

00:15:39,030 --> 00:15:36,720

it's not mufon's supposed to be

331

00:15:41,670 --> 00:15:39,040

dedicated to all kinds of altruistic

332

00:15:43,749 --> 00:15:41,680

ends like bringing about ufo disclosure

333

00:15:46,470 --> 00:15:43,759

and finding the truth about aliens and

334

00:15:47,350 --> 00:15:46,480

all manner of non-sensory you know what

335

00:15:53,990 --> 00:15:47,360

they are

336

00:15:55,829 --> 00:15:54,000

that is run on the backs of ufo dorks

337

00:15:58,710 --> 00:15:55,839

that's how mufon works for people that

338

00:16:00,870 --> 00:15:58,720

don't know the lower rung of mufon is

339

00:16:02,310 --> 00:16:00,880

all these ufo dorks

340

00:16:05,670 --> 00:16:02,320

by the way i don't mean that in the

341

00:16:08,790 --> 00:16:05,680

derogatory sense i'm a ufo dork

342

00:16:11,749 --> 00:16:08,800

so i'm gonna stop

343

00:16:12,470 --> 00:16:11,759

sharing that one second so what happens

344

00:16:15,749 --> 00:16:12,480

is

345

00:16:18,069 --> 00:16:15,759

if you are a you know if you are

346

00:16:19,110 --> 00:16:18,079

interested in ufos they're gonna recruit

347

00:16:23,350 --> 00:16:19,120

you

348

00:16:25,509 --> 00:16:23,360

have attempted to recruit me

349

00:16:27,350 --> 00:16:25,519

into this organization probably five

350

00:16:29,430 --> 00:16:27,360

separate times and i always got this

351

00:16:31,030 --> 00:16:29,440

hard sell about what a great field

352

00:16:32,629 --> 00:16:31,040

investigator i could be with a little

353

00:16:33,749 --> 00:16:32,639

bit of training that they could provide

354

00:16:35,590 --> 00:16:33,759

and help

355

00:16:37,030 --> 00:16:35,600

folks i know people who signed up they

356

00:16:39,910 --> 00:16:37,040

don't give you any training

357

00:16:41,430 --> 00:16:39,920

nothing barely any training right you

358

00:16:43,829 --> 00:16:41,440

pay your money

359

00:16:44,710 --> 00:16:43,839

they sort of give you some kind of

360

00:16:47,269 --> 00:16:44,720

half-assed

361

00:16:49,910 --> 00:16:47,279

class or source materials for how to be

362

00:16:51,670 --> 00:16:49,920

a ufo investigator field investigator

363

00:16:54,710 --> 00:16:51,680

and then they throw you out there

364

00:16:55,430 --> 00:16:54,720

good luck right oh and they also give

365

00:16:57,030 --> 00:16:55,440

you this real

366

00:16:58,550 --> 00:16:57,040

nice certificate that you can put on

367

00:17:00,230 --> 00:16:58,560

hang on your wall and impress your

368

00:17:01,990 --> 00:17:00,240

stupid friends with for your

369

00:17:03,990 --> 00:17:02,000

100 or a couple hundred dollars being a

370

00:17:06,630 --> 00:17:04,000

mufon member that says you're

371

00:17:07,270 --> 00:17:06,640

a ufo field investigator and i got to

372

00:17:09,750 --> 00:17:07,280

tell you

373

00:17:10,630 --> 00:17:09,760

that two bucks will buy a cup of coffee

374

00:17:13,909 --> 00:17:10,640

it doesn't mean

375

00:17:16,150 --> 00:17:13,919

print this

376

00:17:17,429 --> 00:17:16,160

[\h\_\_\h] paper out and say you're a

377

00:17:20,949 --> 00:17:17,439

field investigator

378

00:17:21,829 --> 00:17:20,959

it doesn't mean [\h\_\_\h] so mufon takes all

379

00:17:24,230 --> 00:17:21,839

of this money

380

00:17:26,309 --> 00:17:24,240

incredible amounts of money friends

381

00:17:28,549 --> 00:17:26,319

hundreds of thousands of dollars from

382

00:17:29,510 --> 00:17:28,559

all these ufo dorks get funneled into

383

00:17:32,070 --> 00:17:29,520

mufon

384

00:17:32,950 --> 00:17:32,080

and then what do they do with it we

385

00:17:36,390 --> 00:17:32,960

don't know

386

00:17:37,830 --> 00:17:36,400

do you know what they do with it

387

00:17:40,789 --> 00:17:37,840

i don't know what they do with all that

388

00:17:42,230 --> 00:17:40,799

money at the start television shows like

389

00:17:45,350 --> 00:17:42,240

hanger one

390

00:17:47,990 --> 00:17:45,360

oh but that's a separate company

391

00:17:49,190 --> 00:17:48,000

the structure of mufon actually is that

392

00:17:52,789 --> 00:17:49,200

it is a

393

00:17:54,710 --> 00:17:52,799

non-profit organization somehow they are

394

00:17:57,590 --> 00:17:54,720

collecting hundreds of thousands of

395

00:18:00,549 --> 00:17:57,600

dollars from ufo dorks across the world

396

00:18:01,590 --> 00:18:00,559

and they are using that money for god

397

00:18:03,669 --> 00:18:01,600

knows what

398

00:18:05,830 --> 00:18:03,679

and they don't have to pay taxes on it

399

00:18:08,470 --> 00:18:05,840

because they're a non-profit

400

00:18:09,750 --> 00:18:08,480

i believe they have a separate entity

401  
00:18:13,350 --> 00:18:09,760  
that is not

402  
00:18:14,070 --> 00:18:13,360  
the 501 c 3 mufon organization which is

403  
00:18:17,909 --> 00:18:14,080  
a separate

404  
00:18:19,990 --> 00:18:17,919  
entity and is a for-profit venture

405  
00:18:21,430 --> 00:18:20,000  
i don't understand how those two can

406  
00:18:25,270 --> 00:18:21,440  
co-exist like this

407  
00:18:29,750 --> 00:18:25,280  
but they do it's amazing friends

408  
00:18:31,669 --> 00:18:29,760  
so ufo twitter and and you know

409  
00:18:33,669 --> 00:18:31,679  
everybody in conspiracy land everything

410  
00:18:34,789 --> 00:18:33,679  
sort of erupted when the news got out

411  
00:18:39,270 --> 00:18:34,799  
about this

412  
00:18:41,350 --> 00:18:39,280  
and uh ufo twitter is just

413  
00:18:43,350 --> 00:18:41,360

blew up with people like making fun of

414

00:18:44,390 --> 00:18:43,360

mufon with people making fun of this jan

415

00:18:47,990 --> 00:18:44,400

harzan

416

00:18:49,510 --> 00:18:48,000

and rightly so the guy you got caught

417

00:18:53,430 --> 00:18:49,520

dude you got

418

00:18:55,750 --> 00:18:53,440

caught badly and you made the entire or

419

00:18:57,870 --> 00:18:55,760

yourself and the entire organization

420

00:19:01,909 --> 00:18:57,880

look like a bunch of [h\_\_h]

421

00:19:04,950 --> 00:19:01,919

congratulations i just don't get it

422

00:19:08,070 --> 00:19:04,960

i just i just don't get it and

423

00:19:11,110 --> 00:19:08,080

uh you know it's funny the first major

424

00:19:13,669 --> 00:19:11,120

uh the first major publication

425

00:19:14,950 --> 00:19:13,679

or you know i was looking around to see

426

00:19:17,270 --> 00:19:14,960

if this is going to get in the

427

00:19:18,150 --> 00:19:17,280

in the actual mainstream news and yes

428

00:19:22,830 --> 00:19:18,160

and no

429

00:19:30,230 --> 00:19:27,110

really not really

430

00:19:31,669 --> 00:19:30,240

we have an article from vice

431

00:19:33,270 --> 00:19:31,679

i'm not sure if i would consider that

432

00:19:35,029 --> 00:19:33,280

mainstream but

433

00:19:36,630 --> 00:19:35,039

you know i don't know head of major

434

00:19:38,710 --> 00:19:36,640

organization arrested on child

435

00:19:41,510 --> 00:19:38,720

solicitation charges and this is

436

00:19:43,110 --> 00:19:41,520

mj binnias of course who writes about

437

00:19:45,669 --> 00:19:43,120

all things strange for uh

438

00:19:47,990 --> 00:19:45,679

you know he's basically like the ufo guy

439

00:19:50,630 --> 00:19:48,000

and the weird desk for vice

440

00:19:51,990 --> 00:19:50,640

yeah jan harzan head of mutual ufo

441

00:19:53,750 --> 00:19:52,000

network was arrested july

442

00:19:55,190 --> 00:19:53,760

3 and is accused of soliciting sexual

443

00:19:58,789 --> 00:19:55,200

activity from a detective he believed

444

00:20:01,830 --> 00:20:01,270

mutual ufo network one of the oldest ufo

445

00:20:03,590 --> 00:20:01,840

research

446

00:20:05,430 --> 00:20:03,600

organizations in the united states has

447

00:20:06,710 --> 00:20:05,440

been arrested on charges of soliciting a

448

00:20:09,350 --> 00:20:06,720

minor

449

00:20:11,430 --> 00:20:09,360

we've been through this in recent years

450

00:20:13,909 --> 00:20:11,440

the ufo research world has been flooded

451  
00:20:15,990 --> 00:20:13,919  
with pizzagate-esque allegations falsely

452  
00:20:18,230 --> 00:20:16,000  
linking scientific and government elites

453  
00:20:20,230 --> 00:20:18,240  
to the occult sexual abuse of children

454  
00:20:23,430 --> 00:20:20,240  
and accusing the government of releasing

455  
00:20:25,350 --> 00:20:23,440  
ufo videos to cover up pedophile rings

456  
00:20:27,270 --> 00:20:25,360  
horizon arrest is almost certain to

457  
00:20:28,870 --> 00:20:27,280  
reignite those controversies yeah like i

458  
00:20:32,070 --> 00:20:28,880  
said they're already starting

459  
00:20:32,870 --> 00:20:32,080  
people are already making up conspiracy

460  
00:20:36,149 --> 00:20:32,880  
theories about

461  
00:20:37,510 --> 00:20:36,159  
you know why he was really arrested

462  
00:20:39,190 --> 00:20:37,520  
court records show that horizon was

463  
00:20:41,029 --> 00:20:39,200

arrested on charges of communicating

464

00:20:43,029 --> 00:20:41,039

with the minor with intent to engage in

465

00:20:44,070 --> 00:20:43,039

a lewd act as well as arranging a

466

00:20:47,510 --> 00:20:44,080

meeting

467

00:20:49,190 --> 00:20:47,520

to engage with a lewd act with a minor

468

00:20:51,430 --> 00:20:49,200

in public

469

00:20:53,830 --> 00:20:51,440

tarzan mufon and the huntington beach

470

00:20:55,750 --> 00:20:53,840

police department did not immediately

471

00:21:00,149 --> 00:20:55,760

you know they didn't give him back over

472

00:21:03,750 --> 00:21:01,830

and we've been over what he actually did

473

00:21:05,190 --> 00:21:03,760

apparently he got you know he thought he

474

00:21:06,710 --> 00:21:05,200

was talking to a 13 year old girl trying

475

00:21:09,029 --> 00:21:06,720

to arrange to have sex or

476

00:21:10,470 --> 00:21:09,039

do some kind of sex act on the girl

477

00:21:16,070 --> 00:21:10,480

showed up to meet the girl and

478

00:21:17,750 --> 00:21:16,080

detectives were there to meet him

479

00:21:19,190 --> 00:21:17,760

harzing was arrested for multiple

480

00:21:19,750 --> 00:21:19,200

felonies and transported to hunting

481

00:21:24,390 --> 00:21:19,760

beach

482

00:21:27,350 --> 00:21:24,400

specifically targeting minor females

483

00:21:29,270 --> 00:21:27,360

online the police department wrote

484

00:21:29,990 --> 00:21:29,280

mufon's role in the ufo world is massive

485

00:21:32,390 --> 00:21:30,000

the organization

486

00:21:33,270 --> 00:21:32,400

was founded in 1969 in quincy illinois

487

00:21:36,470 --> 00:21:33,280

to track

488

00:21:38,470 --> 00:21:36,480

citizen sightings of usa ufos they

489

00:21:42,830 --> 00:21:38,480

claim the whole the world's largest and

490

00:21:45,750 --> 00:21:42,840

most detailed database of ufo sightings

491

00:21:46,470 --> 00:21:45,760

yeah and this talks about some of the

492

00:21:48,789 --> 00:21:46,480

history

493

00:21:50,789 --> 00:21:48,799

i have to say john ventry was a guest

494

00:21:51,990 --> 00:21:50,799

twice on my previous show and then he

495

00:21:54,789 --> 00:21:52,000

wanted to

496

00:21:55,430 --> 00:21:54,799

keep coming on my show but then i'm like

497

00:21:56,870 --> 00:21:55,440

uh

498

00:21:59,270 --> 00:21:56,880

john i think you better deal with your

499

00:21:59,990 --> 00:21:59,280

pr uh stuff and he's like oh it'll blow

500

00:22:02,470 --> 00:22:00,000

over i'm like

501  
00:22:03,990 --> 00:22:02,480  
okay john but i you know i'm i'm sorry

502  
00:22:07,270 --> 00:22:04,000  
i'm not gonna

503  
00:22:08,870 --> 00:22:07,280  
involved with you until you apologize or

504  
00:22:11,830 --> 00:22:08,880  
you do something or you know

505  
00:22:14,230 --> 00:22:11,840  
i don't know what's going on but uh in

506  
00:22:15,669 --> 00:22:14,240  
2018 a former murph on state director

507  
00:22:18,070 --> 00:22:15,679  
and that's the person i was just talking

508  
00:22:19,909 --> 00:22:18,080  
about john ventry uh made racist

509  
00:22:21,669 --> 00:22:19,919  
comments about african americans on his

510  
00:22:23,270 --> 00:22:21,679  
personal facebook page stating that

511  
00:22:24,630 --> 00:22:23,280  
white americans were experiencing a

512  
00:22:27,669 --> 00:22:24,640  
white genocide

513  
00:22:29,669 --> 00:22:27,679

jan harzan did not condemn ventri

514

00:22:31,750 --> 00:22:29,679

right but instead expressed his concern

515

00:22:33,350 --> 00:22:31,760

for the new social media world we now

516

00:22:35,830 --> 00:22:33,360

live in and stated everyone should

517

00:22:37,590 --> 00:22:35,840

engage in open dialogue by writing

518

00:22:38,870 --> 00:22:37,600

there is no justice and hate no matter

519

00:22:41,750 --> 00:22:38,880

what side of the fence

520

00:22:43,590 --> 00:22:41,760

you are on on that we can agree mufon

521

00:22:46,710 --> 00:22:43,600

eventually withdrew harzian's comments

522

00:22:48,950 --> 00:22:46,720

from its website inventory was removed

523

00:22:51,270 --> 00:22:48,960

from his position and by the way john

524

00:22:53,430 --> 00:22:51,280

ventry is the state director

525

00:22:54,950 --> 00:22:53,440

for mufon in the state of pennsylvania

526

00:22:56,789 --> 00:22:54,960

where i live

527

00:22:58,230 --> 00:22:56,799

uh arzan's comments from its website

528

00:22:59,270 --> 00:22:58,240

inventory was removed from his position

529

00:23:03,029 --> 00:22:59,280

when public

530

00:23:05,029 --> 00:23:03,039

pressure mounted last month

531

00:23:06,870 --> 00:23:05,039

ken pfeiffer head of mufon rhode island

532

00:23:08,390 --> 00:23:06,880

posted racist memes and comments on

533

00:23:09,510 --> 00:23:08,400

facebook during the height of the black

534

00:23:13,190 --> 00:23:09,520

lives matter

535

00:23:14,789 --> 00:23:13,200

protests and i guess he wrote holy [h\_\_h]

536

00:23:16,470 --> 00:23:14,799

i would have picked their cotton for

537

00:23:17,110 --> 00:23:16,480

them if i had thought it would end this

538

00:23:20,149 --> 00:23:17,120

blm

539

00:23:22,950 --> 00:23:20,159

racist madness

540

00:23:24,710 --> 00:23:22,960

wow chris cogwell mufon's former

541

00:23:26,710 --> 00:23:24,720

director of research who left because of

542

00:23:28,470 --> 00:23:26,720

what he said was racist cultures at the

543

00:23:30,710 --> 00:23:28,480

organization said the main leadership

544

00:23:32,310 --> 00:23:30,720

levels of mufon

545

00:23:34,470 --> 00:23:32,320

have been problematic for a number of

546

00:23:36,390 --> 00:23:34,480

years and provides essentially nothing

547

00:23:38,230 --> 00:23:36,400

to the individual chapters which are for

548

00:23:41,590 --> 00:23:38,240

the most part run by decent intelligent

549

00:23:43,029 --> 00:23:41,600

caring members of their communities

550

00:23:44,710 --> 00:23:43,039

although everyone is entitled to the

551  
00:23:45,350 --> 00:23:44,720  
assumption of innocence until proven

552  
00:23:47,430 --> 00:23:45,360  
guilty

553  
00:23:48,470 --> 00:23:47,440  
this is a heinous charge i cannot

554  
00:23:50,549 --> 00:23:48,480  
foresee any

555  
00:23:52,310 --> 00:23:50,559  
possibility of move fund continuing but

556  
00:23:54,470 --> 00:23:52,320  
hope the individual chapters can put

557  
00:23:56,390 --> 00:23:54,480  
their time and energy into

558  
00:23:57,909 --> 00:23:56,400  
an organization that will benefit them

559  
00:24:01,430 --> 00:23:57,919  
as much as they benefit

560  
00:24:04,630 --> 00:24:01,440  
it yeah so here we go the

561  
00:24:07,510 --> 00:24:04,640  
the mass exodus i uh

562  
00:24:07,750 --> 00:24:07,520  
i'm telling you it's coming friends or

563  
00:24:11,909 --> 00:24:07,760

the

564

00:24:14,470 --> 00:24:11,919

stop kicking up money

565

00:24:16,149 --> 00:24:14,480

to mufon who does nothing they do

566

00:24:17,190 --> 00:24:16,159

nothing for the local chapters they take

567

00:24:19,430 --> 00:24:17,200

their money

568

00:24:21,190 --> 00:24:19,440

that's it that's all you get friends

569

00:24:26,470 --> 00:24:21,200

send us your money

570

00:24:30,149 --> 00:24:28,470

okay so and then there was an update

571

00:24:31,510 --> 00:24:30,159

later in the day in a statement

572

00:24:33,110 --> 00:24:31,520

to motherboard mufon's board of

573

00:24:34,710 --> 00:24:33,120

directors said that harzan has been

574

00:24:37,110 --> 00:24:34,720

permanently removed as executive

575

00:24:39,029 --> 00:24:37,120

director of the organization

576

00:24:41,430 --> 00:24:39,039

this is a statement from mufon which i

577

00:24:43,590 --> 00:24:41,440

find funny mufon you cowards

578

00:24:44,470 --> 00:24:43,600

you border director a bunch of cowards

579

00:24:46,630 --> 00:24:44,480

right

580

00:24:47,669 --> 00:24:46,640

you did not in this statement condemn

581

00:24:51,110 --> 00:24:47,679

his actions

582

00:24:52,310 --> 00:24:51,120

you didn't there's no maya culpa here

583

00:24:54,789 --> 00:24:52,320

it's like well

584

00:24:56,630 --> 00:24:54,799

we got rid of him so here's the actual

585

00:24:57,350 --> 00:24:56,640

statement in light of recent events jan

586

00:24:59,430 --> 00:24:57,360

horizon

587

00:25:01,269 --> 00:24:59,440

in light of recent events yeah the fact

588

00:25:03,269 --> 00:25:01,279

that your executive director got popped

589

00:25:03,830 --> 00:25:03,279

for soliciting sex from a 13 year old

590

00:25:07,110 --> 00:25:03,840

girl

591

00:25:09,190 --> 00:25:07,120

that was the recent event you [h\_\_\h]

592

00:25:10,950 --> 00:25:09,200

dan harzan has been permanently removed

593

00:25:13,990 --> 00:25:10,960

as the executive director of

594

00:25:15,909 --> 00:25:14,000

mutual ufo network mufa effective

595

00:25:18,149 --> 00:25:15,919

immediately he will no longer serve any

596

00:25:19,990 --> 00:25:18,159

role in the organization

597

00:25:22,230 --> 00:25:20,000

they go on to say that david mcdonald

598

00:25:24,549 --> 00:25:22,240

executive director emeritus

599

00:25:25,750 --> 00:25:24,559

he was the predecessor to jan harzan and

600

00:25:27,669 --> 00:25:25,760

served for two years

601  
00:25:29,430 --> 00:25:27,679  
before jan harzan and a member of the

602  
00:25:31,110 --> 00:25:29,440  
mufon board of directors will now assume

603  
00:25:33,430 --> 00:25:31,120  
the duties of executive

604  
00:25:34,230 --> 00:25:33,440  
director mufon remains committed to its

605  
00:25:36,230 --> 00:25:34,240  
core mission

606  
00:25:38,070 --> 00:25:36,240  
the study of ufos for the benefit of

607  
00:25:39,750 --> 00:25:38,080  
humanity

608  
00:25:41,669 --> 00:25:39,760  
you know i don't think your executive

609  
00:25:42,310 --> 00:25:41,679  
director trying to diddle a 13 year old

610  
00:25:44,870 --> 00:25:42,320  
girl

611  
00:25:48,070 --> 00:25:44,880  
really benefits humanity you [h\_\_h]

612  
00:25:58,070 --> 00:25:50,070  
this mission is greater than any one

613  
00:26:00,470 --> 00:25:58,080

person or member of mufon

614

00:26:02,070 --> 00:26:00,480

so in other words if we have if if the

615

00:26:03,830 --> 00:26:02,080

head of our entire organization is a

616

00:26:05,990 --> 00:26:03,840

complete and total slime ball

617

00:26:08,070 --> 00:26:06,000

trying to [h\_\_\h] 13 year old girls on the

618

00:26:10,630 --> 00:26:08,080

sly don't hold it against us

619

00:26:12,149 --> 00:26:10,640

love this statement who wrote this [h\_\_\h]

620

00:26:13,590 --> 00:26:12,159

who wrote this [h\_\_\h] for you're supposed

621

00:26:15,750 --> 00:26:13,600

to have intelligent people

622

00:26:17,669 --> 00:26:15,760

in your organization you dumbasses this

623

00:26:19,909 --> 00:26:17,679

is terrible this is a [h\_\_\h]

624

00:26:21,510 --> 00:26:19,919

terrible statement you did not condemn

625

00:26:23,510 --> 00:26:21,520

his actions

626

00:26:25,830 --> 00:26:23,520

you did not say anything about the

627

00:26:27,750 --> 00:26:25,840

plight of sex abuse victims

628

00:26:28,870 --> 00:26:27,760

underage sex abuse victims or anything

629

00:26:31,110 --> 00:26:28,880

like that

630

00:26:31,990 --> 00:26:31,120

you didn't condemn his actions you

631

00:26:35,269 --> 00:26:32,000

didn't

632

00:26:37,029 --> 00:26:35,279

address what he did at all

633

00:26:39,830 --> 00:26:37,039

this statement is to you guys should go

634

00:26:44,310 --> 00:26:39,840

to a pr firm you [h\_\_\h]

635

00:26:49,590 --> 00:26:47,750

okay and uh greater than any one person

636

00:26:51,350 --> 00:26:49,600

or member of mufon and supersedes all

637

00:26:52,870 --> 00:26:51,360

other considerations we will continue to

638

00:26:58,230 --> 00:26:52,880

move forward and focus on

639

00:27:03,669 --> 00:27:01,350

most people involved in ufos agree

640

00:27:05,430 --> 00:27:03,679

that this statement is a joke it's a

641

00:27:05,990 --> 00:27:05,440

joke friends they didn't acknowledge

642

00:27:14,630 --> 00:27:06,000

what the guy

643

00:27:19,269 --> 00:27:17,510

okay so you know sorry i'm a little

644

00:27:20,870 --> 00:27:19,279

behind friends i'm gonna catch up here

645

00:27:23,750 --> 00:27:20,880

to live chat

646

00:27:24,149 --> 00:27:23,760

oh wait a minute oh the comment of the

647

00:27:27,430 --> 00:27:24,159

night

648

00:27:30,870 --> 00:27:27,440

goes to super v fun cat not only

649

00:27:34,070 --> 00:27:30,880

was jan tarzan arrested

650

00:27:35,909 --> 00:27:34,080

for trying to diddle 13 year old girls

651  
00:27:37,990 --> 00:27:35,919  
arrange sex with 13 year old girl to

652  
00:27:39,669 --> 00:27:38,000  
meet them to have sex with them

653  
00:27:41,510 --> 00:27:39,679  
that's what he was arrested for but he

654  
00:27:44,710 --> 00:27:41,520  
was actually arrested

655  
00:27:46,870 --> 00:27:44,720  
in a mufon shirt

656  
00:27:48,310 --> 00:27:46,880  
which is crazy to me it's absolutely

657  
00:27:51,669 --> 00:27:48,320  
crazy to me

658  
00:27:53,590 --> 00:27:51,679  
uh hold on one second so when they

659  
00:27:56,870 --> 00:27:53,600  
arrested the guy

660  
00:28:00,830 --> 00:27:56,880  
he was wearing i believe we believe

661  
00:28:03,510 --> 00:28:00,840  
let's just say we believe he was wearing

662  
00:28:17,350 --> 00:28:03,520  
a

663  
00:28:21,669 --> 00:28:17,360

mufon shirt

664

00:28:24,310 --> 00:28:21,679

was arrested

665

00:28:25,830 --> 00:28:24,320

and we're going to show that here oh i

666

00:28:26,630 --> 00:28:25,840

can't get him both up on the screen at

667

00:28:29,990 --> 00:28:26,640

this well maybe

668

00:28:31,750 --> 00:28:30,000

no i can't okay so here's the shirt that

669

00:28:32,149 --> 00:28:31,760

he was arrested in and notice it's a

670

00:28:34,070 --> 00:28:32,159

blue

671

00:28:36,389 --> 00:28:34,080

polo shirt it's got a white stripe

672

00:28:38,149 --> 00:28:36,399

around the collar

673

00:28:39,750 --> 00:28:38,159

now we can't be a hundred percent sure

674

00:28:41,190 --> 00:28:39,760

that this is his muffin field

675

00:28:43,510 --> 00:28:41,200

investigator shirt

676

00:28:45,510 --> 00:28:43,520

maybe he was out investigating some ufos

677

00:28:46,310 --> 00:28:45,520

in between trying to [h\_\_h] 13 year old

678

00:28:50,149 --> 00:28:46,320

girls

679

00:28:50,710 --> 00:28:50,159

i don't know uh but he had a ufo shirt

680

00:28:57,990 --> 00:28:50,720

on

681

00:28:59,510 --> 00:28:58,000

this is his mug shot

682

00:29:01,029 --> 00:28:59,520

it would have been taken directly after

683

00:29:04,070 --> 00:29:01,039

his arrest maybe an

684

00:29:05,350 --> 00:29:04,080

hour maybe less maybe a few hours after

685

00:29:08,230 --> 00:29:05,360

his arrest

686

00:29:10,470 --> 00:29:08,240

he's got the mufan shirt on so can we

687

00:29:13,350 --> 00:29:10,480

assume that he wore a mufon shirt

688

00:29:14,070 --> 00:29:13,360

to go try to meet and [h\_\_h] a 13 year old

689

00:29:16,549 --> 00:29:14,080

girl

690

00:29:18,230 --> 00:29:16,559

this is [h\_\_h] disgusting mufon and you

691

00:29:19,909 --> 00:29:18,240

should do something about this

692

00:29:21,669 --> 00:29:19,919

more than you did your half-assed

693

00:29:25,029 --> 00:29:21,679

statement oh but uh

694

00:29:27,029 --> 00:29:25,039

let's take a look so so that remember

695

00:29:28,710 --> 00:29:27,039

that shirt with that white

696

00:29:30,389 --> 00:29:28,720

thing around the collar because we're

697

00:29:32,070 --> 00:29:30,399

pretty sure we have the evidence that he

698

00:29:33,909 --> 00:29:32,080

was wearing a mufon shirt when he went

699

00:29:36,230 --> 00:29:33,919

to try to diddle this 13 year old what

700

00:29:39,269 --> 00:29:36,240

he thought was a 13 year old girl

701

00:29:39,279 --> 00:29:44,149

all right now let me share the actual

702

00:29:50,950 --> 00:29:47,830

now let me share the actual

703

00:29:53,269 --> 00:29:50,960

this is a mufon field investigator

704

00:29:54,549 --> 00:29:53,279

polo and it's so funny because it says

705

00:29:56,070 --> 00:29:54,559

right on their website

706

00:29:57,590 --> 00:29:56,080

please don't order this shirt unless

707

00:29:59,430 --> 00:29:57,600

you're an official mufon field

708

00:30:03,269 --> 00:29:59,440

investigator which i guess

709

00:30:04,630 --> 00:30:03,279

jan hurzan was so not only did he wear

710

00:30:07,029 --> 00:30:04,640

this shirt when he was going to

711

00:30:08,950 --> 00:30:07,039

investigate ufos and aliens bro

712

00:30:11,029 --> 00:30:08,960

he also wear this shirt to impress the

713

00:30:12,310 --> 00:30:11,039

13 year old girls he was going to try to

714

00:30:16,230 --> 00:30:12,320

[h\_\_\h]

715

00:30:18,470 --> 00:30:16,240

ridiculous so look

716

00:30:20,070 --> 00:30:18,480

it's got the same thing with the same

717

00:30:22,310 --> 00:30:20,080

white collar here man

718

00:30:24,230 --> 00:30:22,320

i think he was wearing a muffin shirt

719

00:30:25,269 --> 00:30:24,240

when he went to try to [h\_\_\h] a 13 year

720

00:30:28,549 --> 00:30:25,279

old girl

721

00:30:32,230 --> 00:30:28,559

and that is pathetic

722

00:30:32,950 --> 00:30:32,240

but funny too mufon uh you should make a

723

00:30:35,190 --> 00:30:32,960

statement

724

00:30:35,990 --> 00:30:35,200

was he or was he not wearing a mufon

725

00:30:38,710 --> 00:30:36,000

shirt when he went

726

00:30:40,230 --> 00:30:38,720

to try to have illegal sex with an

727

00:30:42,549 --> 00:30:40,240

underage girl

728

00:30:44,549 --> 00:30:42,559

that's a valid question and you guys you

729

00:30:46,389 --> 00:30:44,559

dumb [h\_\_h] should have to answer it

730

00:30:47,190 --> 00:30:46,399

you don't get to just squirm away from

731

00:30:50,070 --> 00:30:47,200

this [h\_\_h]

732

00:30:54,950 --> 00:30:50,080

and not answer questions about that's

733

00:30:59,430 --> 00:30:58,310

okay so yeah super v fun cat you're

734

00:31:01,590 --> 00:30:59,440

absolutely right

735

00:31:02,710 --> 00:31:01,600

and i found that great i found that on

736

00:31:05,750 --> 00:31:02,720

twitter of course

737

00:31:09,190 --> 00:31:05,760

like he apparently he was using

738

00:31:12,470 --> 00:31:09,200

mufon to try to impress little girls

739

00:31:13,430 --> 00:31:12,480

look i studied ufos little girl you want

740

00:31:15,350 --> 00:31:13,440

some candy

741

00:31:16,470 --> 00:31:15,360

this whole story is ridiculous and

742

00:31:18,470 --> 00:31:16,480

disgusting and

743

00:31:22,549 --> 00:31:18,480

it turns my stomach it absolutely turns

744

00:31:29,269 --> 00:31:25,990

so yeah he was arrested in a

745

00:31:32,149 --> 00:31:29,279

in a mufon shirt imagine that

746

00:31:35,909 --> 00:31:32,159

oh sorry friends the live chat gets

747

00:31:40,710 --> 00:31:37,830

william pixley says apparently he was

748

00:31:43,269 --> 00:31:40,720

doing a special field investigation

749

00:31:45,029 --> 00:31:43,279

yeah yeah apparently he was doing a

750

00:31:47,909 --> 00:31:45,039

special field investigation

751  
00:31:48,789 --> 00:31:47,919  
casper says i'm sorry cooper says

752  
00:31:56,710 --> 00:31:48,799  
disgusting

753  
00:32:03,990 --> 00:31:59,110  
superview funkat says cause what team

754  
00:32:07,990 --> 00:32:06,149  
okay and william pixley makes a good

755  
00:32:09,110 --> 00:32:08,000  
point likely brad freaks don't get

756  
00:32:10,710 --> 00:32:09,120  
caught the first time

757  
00:32:12,310 --> 00:32:10,720  
yeah and that's just the point where

758  
00:32:15,269 --> 00:32:12,320  
everybody's going well you know

759  
00:32:15,669 --> 00:32:15,279  
he's innocent until proven guilty okay

760  
00:32:19,430 --> 00:32:15,679  
but

761  
00:32:20,549 --> 00:32:19,440  
here's the deal you this is not his

762  
00:32:22,710 --> 00:32:20,559  
first rodeo

763  
00:32:25,190 --> 00:32:22,720

um that's that's just my opinion that's

764

00:32:26,549 --> 00:32:25,200

speculation i'm a right to that opinion

765

00:32:28,389 --> 00:32:26,559

and speculation

766

00:32:29,669 --> 00:32:28,399

you don't just wake up one day and

767

00:32:32,630 --> 00:32:29,679

suddenly decide

768

00:32:34,630 --> 00:32:32,640

i mean you know i'm gonna solicit a 13

769

00:32:37,190 --> 00:32:34,640

year old girl for sex

770

00:32:39,190 --> 00:32:37,200

today and it just so happens that you

771

00:32:40,389 --> 00:32:39,200

get stuck in a sting the first time you

772

00:32:41,590 --> 00:32:40,399

ever tried that

773

00:32:42,789 --> 00:32:41,600

i don't believe that i don't believe

774

00:32:43,909 --> 00:32:42,799

this was the first time he's done

775

00:32:46,470 --> 00:32:43,919

something like that

776

00:32:46,950 --> 00:32:46,480

and there may be additional charges

777

00:32:49,190 --> 00:32:46,960

filed

778

00:32:50,789 --> 00:32:49,200

because he may have some victims out

779

00:32:52,630 --> 00:32:50,799

there that when they hear that he was

780

00:32:54,310 --> 00:32:52,640

arrested for hurting somebody else they

781

00:32:55,590 --> 00:32:54,320

may step forward again this is all

782

00:32:59,110 --> 00:32:55,600

opinion speculation

783

00:33:05,590 --> 00:33:02,470

brad gray well we all know what happens

784

00:33:06,789 --> 00:33:05,600

to sex offenders in prison yeah i don't

785

00:33:10,710 --> 00:33:06,799

think that they have a

786

00:33:12,870 --> 00:33:10,720

fiji says natural justice

787

00:33:15,990 --> 00:33:12,880

yeah i do not think that they have a

788

00:33:21,029 --> 00:33:16,000

good time in prison you know

789

00:33:25,830 --> 00:33:24,630

i i forgot to uh one second friends i

790

00:33:27,590 --> 00:33:25,840

have to remember this

791

00:33:29,509 --> 00:33:27,600

there's all this new stuff friends that

792

00:33:32,149 --> 00:33:29,519

i have to remember like uh

793

00:33:34,789 --> 00:33:32,159

we have this paypal now where i can you

794

00:33:37,190 --> 00:33:34,799

know grub for money

795

00:33:50,830 --> 00:33:37,200

but i have to i have to be logged into

796

00:33:50,840 --> 00:33:57,269

okay

797

00:34:06,870 --> 00:33:59,509

and there's one thing that i have to do

798

00:34:09,589 --> 00:34:06,880

here friends

799

00:34:10,710 --> 00:34:09,599

so while i'm doing this what do you guys

800

00:34:12,149 --> 00:34:10,720

think in the live chat

801  
00:34:13,750 --> 00:34:12,159  
what did you think when you heard this

802  
00:34:15,669 --> 00:34:13,760  
guy got arrested do you think he's

803  
00:34:18,550 --> 00:34:15,679  
guilty do you think mufon

804  
00:34:20,149 --> 00:34:18,560  
handled this well or do you think mufon

805  
00:34:21,990 --> 00:34:20,159  
handled this badly

806  
00:34:23,669 --> 00:34:22,000  
what do you think of the history of

807  
00:34:28,230 --> 00:34:23,679  
racism sexism

808  
00:34:31,349 --> 00:34:28,240  
and uh i hear that they are very

809  
00:34:32,950 --> 00:34:31,359  
oh how do you say this prejudice towards

810  
00:34:35,510 --> 00:34:32,960  
transgender people

811  
00:34:38,869 --> 00:34:35,520  
and transsexual people for some reason

812  
00:34:42,149 --> 00:34:41,109  
and i've heard that from multiple people

813  
00:34:44,790 --> 00:34:42,159

so i

814

00:35:04,470 --> 00:34:44,800

i'm sorry but i tend to believe it like

815

00:35:10,150 --> 00:35:07,750

so do you guys think that you know

816

00:35:12,870 --> 00:35:10,160

mufon is going to survive or do you

817

00:35:21,030 --> 00:35:17,510

or do you think that mufon is going to

818

00:35:22,790 --> 00:35:21,040

morph into something new because i

819

00:35:24,550 --> 00:35:22,800

believe it might morph into something

820

00:35:25,510 --> 00:35:24,560

new i don't

821

00:35:28,230 --> 00:35:25,520

i don't know how they're going to

822

00:35:31,750 --> 00:35:28,240

survive this kind of pr nightmare

823

00:35:35,109 --> 00:35:31,760

because they've had a bunch of peed out

824

00:35:37,030 --> 00:35:35,119

a bunch of pr nightmares lately between

825

00:35:39,030 --> 00:35:37,040

they've had two separate events where

826  
00:35:41,829 --> 00:35:39,040  
people were saying really terrible

827  
00:35:42,950 --> 00:35:41,839  
racist things and you know they barely

828  
00:35:44,390 --> 00:35:42,960  
addressed each

829  
00:35:46,069 --> 00:35:44,400  
those things each time they didn't

830  
00:35:49,510 --> 00:35:46,079  
condemn racism they didn't

831  
00:35:53,910 --> 00:35:49,520  
you know it was not

832  
00:35:56,790 --> 00:35:53,920  
not at all handled well so

833  
00:35:58,230 --> 00:35:56,800  
i talked to a few people that are mufon

834  
00:35:59,670 --> 00:35:58,240  
members today who just told me they're

835  
00:36:00,150 --> 00:35:59,680  
quitting and they don't care to join

836  
00:36:03,510 --> 00:36:00,160  
another

837  
00:36:05,349 --> 00:36:03,520  
organization most of the people

838  
00:36:10,470 --> 00:36:05,359

that i know that have joined mufon were

839

00:36:15,990 --> 00:36:12,710

which was us you know a piece of paper

840

00:36:19,109 --> 00:36:17,589

william pixley says i think the

841

00:36:22,470 --> 00:36:19,119

statement was normal frankly

842

00:36:24,550 --> 00:36:22,480

mufon was already weak as a kitten as

843

00:36:26,310 --> 00:36:24,560

an exo community standard despite its

844

00:36:29,190 --> 00:36:26,320

length of operations yeah

845

00:36:29,670 --> 00:36:29,200

and bg says racist as hell yeah i've

846

00:36:33,030 --> 00:36:29,680

heard

847

00:36:36,390 --> 00:36:33,040

these people

848

00:36:40,710 --> 00:36:36,400

are very racist uh

849

00:36:43,750 --> 00:36:40,720

and you know

850

00:36:44,710 --> 00:36:43,760

it's just it's just a shame that an

851  
00:36:47,589 --> 00:36:44,720  
organization

852  
00:36:49,430 --> 00:36:47,599  
is able to uh i don't know survive in

853  
00:36:52,150 --> 00:36:49,440  
today's world being that kind of

854  
00:36:52,870 --> 00:36:52,160  
overtly racist and not caring what

855  
00:36:55,990 --> 00:36:52,880  
people think

856  
00:36:57,829 --> 00:36:56,000  
you know it seems like they seems like

857  
00:37:00,710 --> 00:36:57,839  
they have very little regard for

858  
00:37:01,270 --> 00:37:00,720  
racial sensitivity or any of that kind

859  
00:37:03,670 --> 00:37:01,280  
of stuff

860  
00:37:05,270 --> 00:37:03,680  
that and look you know this is the world

861  
00:37:08,390 --> 00:37:05,280  
we live in now you have to be very

862  
00:37:11,829 --> 00:37:08,400  
sensitive to people rest

863  
00:37:13,910 --> 00:37:11,839

in peace mufon mufan will go forward for

864

00:37:16,150 --> 00:37:13,920

the 65 and up crowd who don't care about

865

00:37:18,470 --> 00:37:16,160

racism and pedos

866

00:37:20,790 --> 00:37:18,480

yeah you mean like the rg bunker crowd

867

00:37:24,630 --> 00:37:23,109

yeah it might continue but it's going to

868

00:37:27,750 --> 00:37:24,640

be greatly diminished

869

00:37:29,270 --> 00:37:27,760

uh and jasmine emmerich chimes in and

870

00:37:31,109 --> 00:37:29,280

says one i find it

871

00:37:32,550 --> 00:37:31,119

unlikely that on his first attempt to

872

00:37:34,630 --> 00:37:32,560

elicit sex asked with the

873

00:37:36,390 --> 00:37:34,640

underage girl it leads to arrest they

874

00:37:38,790 --> 00:37:36,400

had cause to watch him

875

00:37:40,470 --> 00:37:38,800

two i find it hard to believe mufon that

876

00:37:41,829 --> 00:37:40,480

or just heard of it with the vice

877

00:37:44,550 --> 00:37:41,839

article

878

00:37:45,190 --> 00:37:44,560

yeah well i don't know from i've heard

879

00:37:47,430 --> 00:37:45,200

i've got

880

00:37:50,310 --> 00:37:47,440

a couple different people one close to

881

00:37:52,150 --> 00:37:50,320

the board of directors who told me they

882

00:37:53,430 --> 00:37:52,160

that nobody on the board knew that jane

883

00:37:55,670 --> 00:37:53,440

harzone didn't

884

00:37:56,790 --> 00:37:55,680

inform them of his arrest maybe he's

885

00:37:58,870 --> 00:37:56,800

still in prison and

886

00:38:00,470 --> 00:37:58,880

he's not able to call anybody and say

887

00:38:02,069 --> 00:38:00,480

hey i just got popped for trying to bang

888

00:38:03,829 --> 00:38:02,079

a 13 year old girl

889

00:38:05,190 --> 00:38:03,839

you might want to take me off the mufon

890

00:38:07,910 --> 00:38:05,200

website before the

891

00:38:09,829 --> 00:38:07,920

storm hits or whatever and by the way

892

00:38:11,670 --> 00:38:09,839

i'm not sure if he still is but they

893

00:38:14,150 --> 00:38:11,680

made a statement removing him

894

00:38:15,109 --> 00:38:14,160

as the executive director but as of a

895

00:38:17,430 --> 00:38:15,119

little maybe an

896

00:38:18,470 --> 00:38:17,440

hour or two ago he's still listed on

897

00:38:20,069 --> 00:38:18,480

their website

898

00:38:21,750 --> 00:38:20,079

as the executive director and they give

899

00:38:23,190 --> 00:38:21,760

his bio but they leave out the part

900

00:38:24,870 --> 00:38:23,200

where he just got arrested

901  
00:38:27,670 --> 00:38:24,880  
for trying to you know have sex with an

902  
00:38:34,150 --> 00:38:32,150  
and that's where we're at friends except

903  
00:38:36,390 --> 00:38:34,160  
i couldn't let it go i couldn't let it

904  
00:38:38,710 --> 00:38:36,400  
go at just

905  
00:38:39,750 --> 00:38:38,720  
i don't like this organization for very

906  
00:38:42,069 --> 00:38:39,760  
listen i don't like them

907  
00:38:43,750 --> 00:38:42,079  
for various reasons i don't really need

908  
00:38:45,589 --> 00:38:43,760  
to go into details of any

909  
00:38:46,870 --> 00:38:45,599  
personal interactions i may have had

910  
00:38:49,990 --> 00:38:46,880  
with mufon people

911  
00:38:53,190 --> 00:38:50,000  
and i have i don't need to go

912  
00:38:57,190 --> 00:38:53,200  
out and discuss how someone sent me

913  
00:38:58,710 --> 00:38:57,200

nasty really really nasty insulting

914

00:39:01,829 --> 00:38:58,720

emails telling me that

915

00:39:04,870 --> 00:39:01,839

i'm wrong with what ufology you know i

916

00:39:06,950 --> 00:39:04,880

i think wait you are everything wrong

917

00:39:09,990 --> 00:39:06,960

with ufology

918

00:39:12,829 --> 00:39:10,000

that came to me from a mufon

919

00:39:13,990 --> 00:39:12,839

let's just say a high-ranking mufon

920

00:39:15,349 --> 00:39:14,000

person

921

00:39:17,349 --> 00:39:15,359

and i'm not going to go any further than

922

00:39:19,910 --> 00:39:17,359

that i had said some

923

00:39:21,670 --> 00:39:19,920

things that the move fund board of

924

00:39:24,069 --> 00:39:21,680

directors and executive

925

00:39:26,069 --> 00:39:24,079

whatever executive jerk off that tries

926

00:39:29,990 --> 00:39:26,079

to [\h\_\_\h] little girls

927

00:39:33,270 --> 00:39:30,000

uh found fault with on my previous show

928

00:39:36,150 --> 00:39:33,280

and so i got these a

929

00:39:37,990 --> 00:39:36,160

series of emails telling me that

930

00:39:41,510 --> 00:39:38,000

everything is wrong with ufology

931

00:39:44,630 --> 00:39:41,520

that i'm terrible as a investigator

932

00:39:45,750 --> 00:39:44,640

just on and on and on and on and i would

933

00:39:47,510 --> 00:39:45,760

just like to say

934

00:39:48,790 --> 00:39:47,520

they said i was a terrible investigator

935

00:39:49,190 --> 00:39:48,800

they said that i was everything that was

936

00:39:51,349 --> 00:39:49,200

wrong

937

00:39:53,109 --> 00:39:51,359

with ufology they said that i didn't

938

00:39:55,510 --> 00:39:53,119

deserve to have a show

939

00:39:57,430 --> 00:39:55,520

they said i was terrible at doing a show

940

00:39:59,670 --> 00:39:57,440

that i was horrible for the field of

941

00:40:00,310 --> 00:39:59,680

ufos that i wasn't doing any good for

942

00:40:02,950 --> 00:40:00,320

the field

943

00:40:03,990 --> 00:40:02,960

field of ufos and i just want to say all

944

00:40:06,150 --> 00:40:04,000

that may be true

945

00:40:07,430 --> 00:40:06,160

but i never try to [h\_\_\h] a 13 year old

946

00:40:09,750 --> 00:40:07,440

girl you [h\_\_\h]

947

00:40:12,069 --> 00:40:09,760

so [h\_\_\h] you right in your eyes [h\_\_\h] you

948

00:40:15,829 --> 00:40:12,079

right now i suck a dick you mufon

949

00:40:17,270 --> 00:40:15,839

[h\_\_\h] now

950

00:40:19,349 --> 00:40:17,280

now that i've gotten that out of my

951  
00:40:21,270 --> 00:40:19,359  
system i feel a little better now

952  
00:40:23,829 --> 00:40:21,280  
because i think that's a valid point

953  
00:40:25,829 --> 00:40:23,839  
right i may be an [h\_\_\h] but i'm not an

954  
00:40:26,710 --> 00:40:25,839  
[h\_\_\h] out there trying to [h\_\_\h] 13 year

955  
00:40:29,910 --> 00:40:26,720  
old girls

956  
00:40:32,470 --> 00:40:29,920  
like your lord and master you bunch of

957  
00:40:36,829 --> 00:40:32,480  
ufo dork [h\_\_\h]

958  
00:40:38,069 --> 00:40:36,839  
so now you know today or yesterday when

959  
00:40:42,550 --> 00:40:38,079  
i

960  
00:40:44,150 --> 00:40:42,560  
me wonder

961  
00:40:46,390 --> 00:40:44,160  
and having tangled a little bit

962  
00:40:49,109 --> 00:40:46,400  
previously with some of these [h\_\_\h]

963  
00:40:51,990 --> 00:40:49,119

i looked them up some time ago and i

964

00:40:55,670 --> 00:40:52,000

found some shocking things about mufon

965

00:40:59,589 --> 00:40:55,680

insofar as their financial dealings so

966

00:41:00,790 --> 00:40:59,599

i went to my files guess what i found

967

00:41:03,510 --> 00:41:00,800

well actually i didn't have this in a

968

00:41:06,630 --> 00:41:03,520

file i had it in a folder of links

969

00:41:07,670 --> 00:41:06,640

but it really shed some light on what it

970

00:41:12,390 --> 00:41:07,680

is that mufon

971

00:41:17,910 --> 00:41:12,400

actually does and so we're gonna

972

00:41:21,349 --> 00:41:17,920

we're gonna try to share this here

973

00:41:24,790 --> 00:41:21,359

yeah there we go

974

00:41:28,069 --> 00:41:24,800

here's what we have here now remember

975

00:41:29,670 --> 00:41:28,079

uh mufon claims to be a non-profit

976  
00:41:33,829 --> 00:41:29,680  
organization

977  
00:41:35,829 --> 00:41:33,839  
and so because they're a

978  
00:41:36,870 --> 00:41:35,839  
non-profit organization every year they

979  
00:41:39,589 --> 00:41:36,880  
have to file

980  
00:41:40,710 --> 00:41:39,599  
something called a you know what i'm

981  
00:41:42,069 --> 00:41:40,720  
going to try to download because i might

982  
00:41:45,750 --> 00:41:42,079  
be able to get it

983  
00:41:46,829 --> 00:41:45,760  
the screen unless i don't have a pdf

984  
00:41:49,589 --> 00:41:46,839  
here

985  
00:41:53,109 --> 00:41:49,599  
viewer

986  
00:41:53,990 --> 00:41:53,119  
no that's no better hold on we'll go

987  
00:41:57,349 --> 00:41:54,000  
back here

988  
00:41:58,390 --> 00:41:57,359

okay so it's interesting it's

989

00:42:01,589 --> 00:41:58,400

interesting to me

990

00:42:05,109 --> 00:42:01,599

what this 994 reveals

991

00:42:09,430 --> 00:42:05,119

here we can see contributions

992

00:42:12,150 --> 00:42:09,440

and grants now this is for the year 2018

993

00:42:13,109 --> 00:42:12,160

they received in contributions remember

994

00:42:15,270 --> 00:42:13,119

this is tax

995

00:42:16,390 --> 00:42:15,280

free contributions they don't have to

996

00:42:20,069 --> 00:42:16,400

pay taxes on

997

00:42:21,829 --> 00:42:20,079

any of this money in contributions and

998

00:42:23,190 --> 00:42:21,839

i believe when you become a member and

999

00:42:24,550 --> 00:42:23,200

you pay your money for that

1000

00:42:26,550 --> 00:42:24,560

certificate they give you they count

1001

00:42:29,270 --> 00:42:26,560

that as contributions

1002

00:42:31,069 --> 00:42:29,280

you're contributing so contributions and

1003

00:42:34,390 --> 00:42:31,079

grants

1004

00:42:37,510 --> 00:42:34,400

290 thousand dollars

1005

00:42:41,349 --> 00:42:37,520

is that 869 dollars

1006

00:42:42,950 --> 00:42:41,359

well 290 000

1007

00:42:49,190 --> 00:42:42,960

wow let me see if i can make this a

1008

00:42:49,200 --> 00:42:55,750

yeah 290 869

1009

00:42:55,760 --> 00:43:01,190

wow it's a lot of money to take in

1010

00:43:01,200 --> 00:43:06,309

grants and similar amounts paid

1011

00:43:10,710 --> 00:43:08,150

okay so that's a separate that's a

1012

00:43:14,390 --> 00:43:10,720

separate item

1013

00:43:16,390 --> 00:43:14,400

so in donations they took in 290 000

1014

00:43:17,910 --> 00:43:16,400

program service revenue and i'm not an

1015

00:43:19,309 --> 00:43:17,920

accountant i don't know what that really

1016

00:43:23,829 --> 00:43:19,319

is 120

1017

00:43:26,470 --> 00:43:23,839

756 other revenue 110

1018

00:43:29,349 --> 00:43:26,480

940 now that could be because they sell

1019

00:43:32,630 --> 00:43:29,359

all kinds of crap t-shirts mugs you know

1020

00:43:37,030 --> 00:43:32,640

um yeah so their total revenue

1021

00:43:40,790 --> 00:43:37,040

for 2018 to 2019 was 522

1022

00:43:43,109 --> 00:43:40,800

500 and is that 65

1023

00:43:45,030 --> 00:43:43,119

friends that's a lot of chatter it's a

1024

00:43:45,829 --> 00:43:45,040

lot of money it's over half a million

1025

00:43:48,390 --> 00:43:45,839

dollars

1026  
00:43:49,910 --> 00:43:48,400  
that this company is taking in they're

1027  
00:43:52,950 --> 00:43:49,920  
taking in

1028  
00:43:55,109 --> 00:43:52,960  
over a half a million dollars what do

1029  
00:43:57,430 --> 00:43:55,119  
they do with all that money

1030  
00:43:59,270 --> 00:43:57,440  
i don't know do you know nobody knows

1031  
00:44:02,470 --> 00:43:59,280  
what they do with all their money

1032  
00:44:05,589 --> 00:44:02,480  
but i had heard rumors for a long time

1033  
00:44:07,109 --> 00:44:05,599  
that uh jan harzan was paid a huge

1034  
00:44:07,510 --> 00:44:07,119  
amount of money and he's one of the only

1035  
00:44:09,750 --> 00:44:07,520  
people

1036  
00:44:10,550 --> 00:44:09,760  
pulling a full-time salary now i have to

1037  
00:44:12,390 --> 00:44:10,560  
say

1038  
00:44:13,589 --> 00:44:12,400

uh i don't know if that's true so i'm

1039

00:44:14,230 --> 00:44:13,599

going to put this in the form of a

1040

00:44:17,190 --> 00:44:14,240

question

1041

00:44:17,589 --> 00:44:17,200

move on board of directors uh it looks

1042

00:44:19,990 --> 00:44:17,599

like

1043

00:44:22,069 --> 00:44:20,000

from here the salaries and other

1044

00:44:23,670 --> 00:44:22,079

compensation is a hundred and eighty

1045

00:44:24,950 --> 00:44:23,680

three thousand four hundred and seventy

1046

00:44:29,270 --> 00:44:24,960

one dollars

1047

00:44:31,910 --> 00:44:29,280

who are you people paying 183

1048

00:44:33,030 --> 00:44:31,920

thousand dollars to are you is it just

1049

00:44:34,630 --> 00:44:33,040

jan harzan

1050

00:44:36,470 --> 00:44:34,640

that actually gets a paycheck or are

1051  
00:44:37,829 --> 00:44:36,480  
there other people that get a paycheck

1052  
00:44:40,550 --> 00:44:37,839  
and can we get a breakdown or a

1053  
00:44:42,950 --> 00:44:40,560  
spreadsheet of that i'd like to see that

1054  
00:44:45,750 --> 00:44:42,960  
and you're a public organization i don't

1055  
00:44:48,069 --> 00:44:45,760  
think that it's in your best interest

1056  
00:44:49,430 --> 00:44:48,079  
and you're a non-profit organization so

1057  
00:44:51,510 --> 00:44:49,440  
i don't think it's in your best interest

1058  
00:44:54,150 --> 00:44:51,520  
to not answer questions

1059  
00:44:56,790 --> 00:44:54,160  
so so that's my second first question

1060  
00:44:59,510 --> 00:44:56,800  
from mufon board of directors is

1061  
00:45:00,870 --> 00:44:59,520  
was jan harzan wearing a mufon shirt

1062  
00:45:02,790 --> 00:45:00,880  
when he went to solicit

1063  
00:45:04,150 --> 00:45:02,800

sex from who he thought was a 13 year

1064

00:45:05,990 --> 00:45:04,160

old girl

1065

00:45:07,829 --> 00:45:06,000

was he wearing a mufon field

1066

00:45:11,030 --> 00:45:07,839

investigator shirt my second question is

1067

00:45:11,750 --> 00:45:11,040

who's getting paid 183 thousand 471

1068

00:45:13,510 --> 00:45:11,760

dollars

1069

00:45:16,870 --> 00:45:13,520

can we see a breakdown of that that's my

1070

00:45:20,950 --> 00:45:16,880

second question for mufon

1071

00:45:27,950 --> 00:45:20,960

wow and here we go other expenses

1072

00:45:38,309 --> 00:45:33,190

353 thousand dollars 754 dollars

1073

00:45:40,710 --> 00:45:38,319

wow friends i don't understand that

1074

00:45:42,710 --> 00:45:40,720

oh no that's other expenses i'm sorry

1075

00:45:46,309 --> 00:45:42,720

okay so we have other expenses

1076  
00:45:49,670 --> 00:45:46,319  
is 354 248 dollars

1077  
00:45:51,829 --> 00:45:49,680  
so they paid 154 000 i'm sorry

1078  
00:45:53,829 --> 00:45:51,839  
i'm on the wrong column here we go 183

1079  
00:45:57,030 --> 00:45:53,839  
471 in salary

1080  
00:45:57,589 --> 00:45:57,040  
and then other expenses 353 thousand

1081  
00:45:59,510 --> 00:45:57,599  
dollars

1082  
00:46:00,630 --> 00:45:59,520  
in other expenses we don't get to see

1083  
00:46:03,670 --> 00:46:00,640  
the detail of that

1084  
00:46:04,710 --> 00:46:03,680  
i'd kind of like to see what you spent

1085  
00:46:07,910 --> 00:46:04,720  
353

1086  
00:46:11,349 --> 00:46:07,920  
000 on total expenses

1087  
00:46:14,630 --> 00:46:11,359  
for the year 537 thousand

1088  
00:46:15,430 --> 00:46:14,640

225 dollars now i'm no accountant or no

1089

00:46:18,390 --> 00:46:15,440

math whiz

1090

00:46:20,430 --> 00:46:18,400

but if the contributions if they took in

1091

00:46:21,589 --> 00:46:20,440

the total revenue that they took in was

1092

00:46:25,150 --> 00:46:21,599

522

1093

00:46:28,470 --> 00:46:25,160

000 how could they spend

1094

00:46:30,710 --> 00:46:28,480

537 000.

1095

00:46:32,230 --> 00:46:30,720

something doesn't add up there mufon

1096

00:46:33,589 --> 00:46:32,240

dworks what's going on

1097

00:46:36,150 --> 00:46:33,599

why are you spending more money than

1098

00:46:39,270 --> 00:46:36,160

you're taking in and what the hell

1099

00:46:41,670 --> 00:46:39,280

did you spend a half a million dollar

1100

00:46:44,150 --> 00:46:41,680

well we could see 183 000 went to

1101  
00:46:45,430 --> 00:46:44,160  
salaries but what happened to the rest

1102  
00:46:47,750 --> 00:46:45,440  
i guess the rest of that money is the

1103  
00:46:51,030 --> 00:46:47,760  
353 thousand dollars

1104  
00:46:54,710 --> 00:46:51,040  
that is a lot of cheddar bro

1105  
00:46:56,390 --> 00:46:54,720  
that is a lot of money and

1106  
00:46:57,990 --> 00:46:56,400  
here we got a bunch of boring stuff i

1107  
00:46:59,750 --> 00:46:58,000  
think there is no more

1108  
00:47:02,150 --> 00:46:59,760  
real relevant information maybe there's

1109  
00:47:04,950 --> 00:47:02,160  
a final breakdown at the end of this

1110  
00:47:06,309 --> 00:47:04,960  
no no that's all the relevant

1111  
00:47:07,589 --> 00:47:06,319  
information that we've already talked

1112  
00:47:08,710 --> 00:47:07,599  
about oh there's a whole bunch more

1113  
00:47:12,470 --> 00:47:08,720

stuff here

1114

00:47:16,309 --> 00:47:12,480

oh so they do give a breakdown

1115

00:47:18,309 --> 00:47:16,319

benefits paid to for members

1116

00:47:19,589 --> 00:47:18,319

eighty nine thousand dollars benefits

1117

00:47:21,510 --> 00:47:19,599

paid to or

1118

00:47:23,430 --> 00:47:21,520

four members compensation of current

1119

00:47:26,230 --> 00:47:23,440

officers directors trustees and key

1120

00:47:30,230 --> 00:47:28,470

is that sixty nine thousand dollars and

1121

00:47:32,549 --> 00:47:30,240

then we have other salaries of wages

1122

00:47:34,230 --> 00:47:32,559

seventy five thousand dollars

1123

00:47:36,150 --> 00:47:34,240

they paid thirty eight thousand dollars

1124

00:47:36,790 --> 00:47:36,160

in payroll taxes wow that seems high to

1125

00:47:40,390 --> 00:47:36,800

me but

1126

00:47:42,790 --> 00:47:40,400

i'm not an accountant uh here we go

1127

00:47:43,910 --> 00:47:42,800

advertising and promotion they spent 30

1128

00:47:49,670 --> 00:47:43,920

almost 38

1129

00:47:54,549 --> 00:47:52,870

wow twelve thousand four hundred dollars

1130

00:47:56,950 --> 00:47:54,559

worth of office expenses

1131

00:47:58,150 --> 00:47:56,960

dude that's a lot of printer paper holy

1132

00:48:00,470 --> 00:47:58,160

[h\_\_\h]

1133

00:48:01,190 --> 00:48:00,480

information technology they spent

1134

00:48:03,990 --> 00:48:01,200

sixteen

1135

00:48:05,430 --> 00:48:04,000

thousand dollars i i'm a computer guy

1136

00:48:07,349 --> 00:48:05,440

i'd love to see what you got

1137

00:48:08,470 --> 00:48:07,359

computer-wise for sixteen thousand

1138

00:48:10,710 --> 00:48:08,480

dollars

1139

00:48:12,470 --> 00:48:10,720

who occupancy i guess that's rent

1140

00:48:12,870 --> 00:48:12,480

nineteen thousand dollars they spent

1141

00:48:15,990 --> 00:48:12,880

seven

1142

00:48:18,710 --> 00:48:16,000

thousand dollars on travel but yet

1143

00:48:20,710 --> 00:48:18,720

the local people in local move funds do

1144

00:48:22,390 --> 00:48:20,720

not get reimbursed for travel expenses

1145

00:48:24,309 --> 00:48:22,400

as far as i could tell but i guess jan

1146

00:48:24,630 --> 00:48:24,319

horizon gets to fly wherever he wants

1147

00:48:27,829 --> 00:48:24,640

and

1148

00:48:30,190 --> 00:48:27,839

he can charge mufon for it wow

1149

00:48:31,430 --> 00:48:30,200

seven thousand dollars is insurance

1150

00:48:33,990 --> 00:48:31,440

merchandise

1151  
00:48:35,750 --> 00:48:34,000  
service charge eleven thousand dollars

1152  
00:48:38,309 --> 00:48:35,760  
journal printing and posting

1153  
00:48:41,030 --> 00:48:38,319  
thirty two thousand dollars seven

1154  
00:48:43,910 --> 00:48:41,040  
hundred and sixty nine dollars

1155  
00:48:45,589 --> 00:48:43,920  
wow friends i don't know what to say uh

1156  
00:48:48,549 --> 00:48:45,599  
but that's where your money goes

1157  
00:48:49,910 --> 00:48:48,559  
friends so before you shell out your

1158  
00:48:51,510 --> 00:48:49,920  
hard-earned money to join an

1159  
00:48:53,829 --> 00:48:51,520  
organization like mufon

1160  
00:48:55,030 --> 00:48:53,839  
ask to see it's called a 990 form and

1161  
00:48:56,950 --> 00:48:55,040  
then you'll be able to see

1162  
00:48:59,030 --> 00:48:56,960  
where are they spending the money and

1163  
00:49:01,430 --> 00:48:59,040

what are they doing with all that money

1164

00:49:03,109 --> 00:49:01,440

apparently they took in more than a half

1165

00:49:04,630 --> 00:49:03,119

a million dollars and then they spent

1166

00:49:05,910 --> 00:49:04,640

twenty thousand dollars more than they

1167

00:49:07,750 --> 00:49:05,920

took in

1168

00:49:09,589 --> 00:49:07,760

i don't know how that math works but

1169

00:49:12,870 --> 00:49:09,599

okay

1170

00:49:16,790 --> 00:49:12,880

so what do you guys think oh

1171

00:49:18,470 --> 00:49:16,800

paranormal jiggy the racism is blatant

1172

00:49:20,870 --> 00:49:18,480

in all fields of the paranormal crypto

1173

00:49:22,470 --> 00:49:20,880

ufo aliens ghosts in the wool community

1174

00:49:25,750 --> 00:49:22,480

it's baffling the stuff i've seen and

1175

00:49:29,190 --> 00:49:27,750

super v fun cat i quit when the head of

1176

00:49:31,190 --> 00:49:29,200

my local

1177

00:49:33,109 --> 00:49:31,200

mufon refused to join me in writing a

1178

00:49:33,829 --> 00:49:33,119

complaint about other directors making

1179

00:49:36,470 --> 00:49:33,839

biggest

1180

00:49:36,870 --> 00:49:36,480

racist posts publicly yeah you know

1181

00:49:39,910 --> 00:49:36,880

what's

1182

00:49:44,150 --> 00:49:39,920

amazing to me is that i know

1183

00:49:45,510 --> 00:49:44,160

oh bgs is right jiggy was right chicky

1184

00:49:50,549 --> 00:49:45,520

was right

1185

00:49:52,470 --> 00:49:50,559

trusting jiggy when he says some [h\_\_\h]

1186

00:49:53,670 --> 00:49:52,480

i'm gonna pay attention i'm sorry if i

1187

00:49:55,750 --> 00:49:53,680

didn't before jiggy

1188

00:49:57,670 --> 00:49:55,760

you deserve some respect because you

1189

00:49:59,270 --> 00:49:57,680

keep making these calls

1190

00:50:01,270 --> 00:49:59,280

and it's funny because it seems like he

1191

00:50:02,950 --> 00:50:01,280

makes these calls like right before some

1192

00:50:05,990 --> 00:50:02,960

big [h\_\_\h] happens

1193

00:50:07,430 --> 00:50:06,000

beginning to wonder about that dude

1194

00:50:09,430 --> 00:50:07,440

maybe i should start smoking what he's

1195

00:50:12,630 --> 00:50:09,440

smoking maybe he's got some

1196

00:50:14,390 --> 00:50:12,640

you know plant-based super powers

1197

00:50:16,790 --> 00:50:14,400

and he can tell what's going to happen i

1198

00:50:20,150 --> 00:50:16,800

don't know i don't know

1199

00:50:20,870 --> 00:50:20,160

it's crazy so i thought it would be fun

1200

00:50:22,950 --> 00:50:20,880

to show

1201

00:50:24,309 --> 00:50:22,960

uh what kind of money these this

1202

00:50:25,910 --> 00:50:24,319

organization takes in

1203

00:50:27,510 --> 00:50:25,920

and what they do with it because we

1204

00:50:29,270 --> 00:50:27,520

could tell that from the 990 form it

1205

00:50:29,990 --> 00:50:29,280

seems like to me they waste a lot of it

1206

00:50:33,589 --> 00:50:30,000

who's

1207

00:50:35,270 --> 00:50:33,599

they spent 38 000 on advertising

1208

00:50:37,349 --> 00:50:35,280

and you know i have to say that mufon is

1209

00:50:40,309 --> 00:50:37,359

an older crowd like if i

1210

00:50:41,750 --> 00:50:40,319

i went to one of the local pa meetings

1211

00:50:43,190 --> 00:50:41,760

just to see what it was about it was a

1212

00:50:45,349 --> 00:50:43,200

bunch of old dudes sitting around

1213

00:50:48,470 --> 00:50:45,359

talking about roswell mostly

1214

00:50:49,510 --> 00:50:48,480

and uh yeah so i guess they're spending

1215

00:50:51,030 --> 00:50:49,520

that much money because they're

1216

00:50:53,030 --> 00:50:51,040

advertising in like

1217

00:50:54,069 --> 00:50:53,040

physical old magazines you know paper

1218

00:50:56,630 --> 00:50:54,079

magazines remember

1219

00:50:58,390 --> 00:50:56,640

them i don't know why they could be

1220

00:50:59,510 --> 00:50:58,400

spending that much money on advertising

1221

00:51:03,030 --> 00:50:59,520

but apparently they

1222

00:51:04,870 --> 00:51:03,040

are okay so i gotta do something real

1223

00:51:06,069 --> 00:51:04,880

quick here just to attend to some

1224

00:51:09,349 --> 00:51:06,079

business

1225

00:51:13,030 --> 00:51:09,359

if i can find it damn

1226

00:51:13,040 --> 00:51:17,910

okay wait a second here we're gonna

1227

00:51:17,920 --> 00:51:24,630

why is this not working okay here we go

1228

00:51:31,270 --> 00:51:27,750

okay so i had mentioned

1229

00:51:34,710 --> 00:51:31,280

i had mentioned yesterday that uh

1230

00:51:38,150 --> 00:51:34,720

we're going to have a sort of way

1231

00:51:40,150 --> 00:51:38,160

i don't want to call it around the uh

1232

00:51:41,990 --> 00:51:40,160

around the fact that we can't take super

1233

00:51:44,470 --> 00:51:42,000

chat donations in that

1234

00:51:45,430 --> 00:51:44,480

you can go straight to the channel and

1235

00:51:48,630 --> 00:51:45,440

there is now

1236

00:51:53,349 --> 00:51:48,640

a paypal donate button

1237

00:51:55,589 --> 00:51:53,359

uh so you would be able to

1238

00:51:57,030 --> 00:51:55,599

make a one-time donation a lot of people

1239

00:51:59,510 --> 00:51:57,040

said you know

1240

00:52:00,710 --> 00:51:59,520

uh they weren't sure that they wanted to

1241

00:52:02,470 --> 00:52:00,720

sign up for

1242

00:52:04,069 --> 00:52:02,480

all i had previously was patreon but

1243

00:52:05,910 --> 00:52:04,079

patreon is recurring donation which

1244

00:52:06,630 --> 00:52:05,920

means if you sign up with patreon for a

1245

00:52:10,870 --> 00:52:06,640

dollar

1246

00:52:14,950 --> 00:52:10,880

know times are very tough

1247

00:52:16,790 --> 00:52:14,960

and so uh you know i understand

1248

00:52:17,990 --> 00:52:16,800

if people don't have the dollar every

1249

00:52:19,829 --> 00:52:18,000

month but if you'd like to make a

1250

00:52:22,630 --> 00:52:19,839

one-time donation

1251  
00:52:24,630 --> 00:52:22,640  
uh we have a way for you to do that now

1252  
00:52:26,069 --> 00:52:24,640  
so this is me getting my begging bowl

1253  
00:52:30,470 --> 00:52:26,079  
out

1254  
00:52:32,950 --> 00:52:30,480  
uh no application here we go

1255  
00:52:35,109 --> 00:52:32,960  
that's what it says your generate your

1256  
00:52:37,829 --> 00:52:35,119  
generosity makes all of this possible

1257  
00:52:40,230 --> 00:52:37,839  
thank you and so you can send a paypal

1258  
00:52:42,390 --> 00:52:40,240  
to truthseekershow.gmail.com

1259  
00:52:44,150 --> 00:52:42,400  
make sure you add a note after you put

1260  
00:52:46,150 --> 00:52:44,160  
the amount in it'll say add note you

1261  
00:52:48,230 --> 00:52:46,160  
want to say yes add new and

1262  
00:52:50,230 --> 00:52:48,240  
make sure you put your user id from the

1263  
00:52:50,790 --> 00:52:50,240

live chat because sometimes i might get

1264

00:52:52,230 --> 00:52:50,800

a name

1265

00:52:53,829 --> 00:52:52,240

like your real name and you don't want

1266

00:52:58,549 --> 00:52:53,839

me reading that on the air

1267

00:53:00,950 --> 00:52:58,559

so put in the note you know for example

1268

00:53:02,069 --> 00:53:00,960

paranormal hood jiggy and then what you

1269

00:53:05,109 --> 00:53:02,079

want to say

1270

00:53:07,910 --> 00:53:05,119

like smoke all day

1271

00:53:10,630 --> 00:53:07,920

and then that's what i will rapidly put

1272

00:53:13,349 --> 00:53:10,640

up on the screen so if we get a donation

1273

00:53:14,470 --> 00:53:13,359

and actually i'm one behind because uh i

1274

00:53:17,589 --> 00:53:14,480

guess

1275

00:53:19,510 --> 00:53:17,599

i did this late in the show yesterday

1276

00:53:20,950 --> 00:53:19,520

and somebody donated and i did not

1277

00:53:22,470 --> 00:53:20,960

either i didn't realize it i didn't

1278

00:53:25,030 --> 00:53:22,480

check the time stamp

1279

00:53:26,630 --> 00:53:25,040

so either i did not realize it or they

1280

00:53:27,670 --> 00:53:26,640

did it after the show and you can do

1281

00:53:30,309 --> 00:53:27,680

that as well

1282

00:53:31,670 --> 00:53:30,319

but everybody that donates every single

1283

00:53:33,270 --> 00:53:31,680

person that donates no matter what you

1284

00:53:37,109 --> 00:53:33,280

donate will be

1285

00:53:37,829 --> 00:53:37,119

uh will be recognized so yesterday we

1286

00:53:45,109 --> 00:53:37,839

did have

1287

00:53:51,270 --> 00:53:45,119

a donator why can't i find this now

1288

00:53:57,349 --> 00:53:56,150

ah i'm having trouble friends

1289

00:53:59,589 --> 00:53:57,359

all right let me see i'm going to do

1290

00:54:01,589 --> 00:53:59,599

this

1291

00:54:04,950 --> 00:54:01,599

for some reason stream yard is not

1292

00:54:08,630 --> 00:54:04,960

seeing oh there it is there we go

1293

00:54:10,309 --> 00:54:08,640

okay so yesterday we had uh a donation

1294

00:54:12,950 --> 00:54:10,319

from bgs god bless

1295

00:54:13,430 --> 00:54:12,960

bgs i truly appreciate it you made my

1296

00:54:15,910 --> 00:54:13,440

day

1297

00:54:18,470 --> 00:54:15,920

because at least i knew seeing your ten

1298

00:54:21,030 --> 00:54:18,480

dollar your kind ten dollar donation

1299

00:54:22,710 --> 00:54:21,040

that the donation system was now working

1300

00:54:23,030 --> 00:54:22,720

i'm sorry that i didn't get to share

1301

00:54:26,309 --> 00:54:23,040

this

1302

00:54:27,829 --> 00:54:26,319

on yesterday's show please forgive me

1303

00:54:29,750 --> 00:54:27,839

and this is what i'm going to say to

1304

00:54:31,510 --> 00:54:29,760

everyone that's going to donate if i

1305

00:54:34,150 --> 00:54:31,520

happen to miss you

1306

00:54:35,910 --> 00:54:34,160

because things happen and just give me

1307

00:54:37,829 --> 00:54:35,920

until the next show and i will make sure

1308

00:54:39,910 --> 00:54:37,839

to recognize your kindness and donation

1309

00:54:41,829 --> 00:54:39,920

so bg's donated ten dollars

1310

00:54:43,829 --> 00:54:41,839

gave a donation and said stephen love

1311

00:54:48,230 --> 00:54:43,839

your work thank you bgs

1312

00:54:49,510 --> 00:54:48,240

and thank you thank you as well bgs i

1313

00:54:51,190 --> 00:54:49,520

really appreciate it and like i said

1314

00:54:54,069 --> 00:54:51,200

that was great because

1315

00:54:54,630 --> 00:54:54,079

then i knew i knew that that this thing

1316

00:54:58,230 --> 00:54:54,640

worked

1317

00:55:00,390 --> 00:54:58,240

right so i'll just put that back

1318

00:55:01,589 --> 00:55:00,400

on this i'll just put my bagging bowl

1319

00:55:07,270 --> 00:55:01,599

back on the screen for

1320

00:55:10,309 --> 00:55:07,280

one more second here

1321

00:55:12,390 --> 00:55:10,319

okay there we go so this is the paypal

1322

00:55:15,670 --> 00:55:12,400

address it's just truthfreaker show

1323

00:55:16,950 --> 00:55:15,680

at gmail.com i'll monitor the the paypal

1324

00:55:18,950 --> 00:55:16,960

so if i see one coming in

1325

00:55:20,069 --> 00:55:18,960

i'll i'll do what you just saw that i

1326

00:55:22,549 --> 00:55:20,079

did for bg's

1327

00:55:24,150 --> 00:55:22,559

and recognize and print your statement

1328

00:55:27,190 --> 00:55:24,160

we're calling this the

1329

00:55:28,950 --> 00:55:27,200

not so super chat donations

1330

00:55:31,109 --> 00:55:28,960

until we can get the super chat

1331

00:55:32,549 --> 00:55:31,119

donations also if you want to make it

1332

00:55:33,990 --> 00:55:32,559

really easy for yourself

1333

00:55:36,230 --> 00:55:34,000

all you got to do is click off of the

1334

00:55:37,990 --> 00:55:36,240

video and go to my main channel

1335

00:55:39,750 --> 00:55:38,000

and if you do go to my main channel

1336

00:55:41,270 --> 00:55:39,760

you'll see up in the upper right corner

1337

00:55:43,589 --> 00:55:41,280

is a little paypal donut

1338

00:55:44,950 --> 00:55:43,599

donate button and you can use that and

1339

00:55:48,069 --> 00:55:44,960

it'll take you right to

1340

00:55:54,230 --> 00:55:48,079

donating and uh okay so that's my

1341

00:55:54,240 --> 00:55:58,150

oh now i am way behind here

1342

00:55:58,160 --> 00:56:01,190

okay

1343

00:56:12,710 --> 00:56:04,230

genocide says bgs is the awesomeness

1344

00:56:16,549 --> 00:56:14,870

a few years back nori resigned the

1345

00:56:17,910 --> 00:56:16,559

contract for 2 million a year and don't

1346

00:56:22,150 --> 00:56:17,920

forget the paranormal

1347

00:56:24,150 --> 00:56:22,160

dating site i don't even know

1348

00:56:25,589 --> 00:56:24,160

oh somebody mentioned that nori was a

1349

00:56:27,190 --> 00:56:25,599

nuisance i would listen to him every

1350

00:56:29,030 --> 00:56:27,200

single night for years

1351

00:56:31,030 --> 00:56:29,040

yeah i never i'm not a fan of george

1352

00:56:32,789 --> 00:56:31,040

nori you know god bless him but

1353

00:56:34,870 --> 00:56:32,799

i don't really i don't really like

1354

00:56:36,309 --> 00:56:34,880

george nori i don't know how he ended up

1355

00:56:38,150 --> 00:56:36,319

with that job

1356

00:56:39,829 --> 00:56:38,160

because nobody i know really likes him

1357

00:56:42,230 --> 00:56:39,839

or likes to listen to him

1358

00:56:44,069 --> 00:56:42,240

i don't get how the heck litka is so

1359

00:56:45,750 --> 00:56:44,079

popular when i've never known anyone who

1360

00:56:47,109 --> 00:56:45,760

enjoyed his show people love the art

1361

00:56:50,870 --> 00:56:47,119

bell and love jimmy

1362

00:56:52,630 --> 00:56:50,880

but no love for george yeah

1363

00:56:54,230 --> 00:56:52,640

i i don't know anybody that really

1364

00:56:56,549 --> 00:56:54,240

enjoys him

1365

00:56:58,069 --> 00:56:56,559

yeah success design says thumbs up if

1366

00:57:00,710 --> 00:56:58,079

you haven't already

1367

00:57:07,030 --> 00:57:00,720

absolutely and you know i gotta check

1368

00:57:07,040 --> 00:57:10,549

i'm gonna check on the

1369

00:57:18,549 --> 00:57:15,510

wow wow we got zero thumbs down so far

1370

00:57:19,589 --> 00:57:18,559

i'm i'm kind of surprised i always think

1371

00:57:21,589 --> 00:57:19,599

it's funny when people

1372

00:57:22,630 --> 00:57:21,599

are thumbs downing it before it even

1373

00:57:24,789 --> 00:57:22,640

starts

1374

00:57:26,470 --> 00:57:24,799

or you know yesterday they thumbs down

1375

00:57:29,190 --> 00:57:26,480

before it even started and i was like

1376

00:57:31,270 --> 00:57:29,200

wow really

1377

00:57:32,470 --> 00:57:31,280

today we didn't get a thumbs down yet

1378

00:57:34,870 --> 00:57:32,480

i'm sure we will

1379

00:57:36,150 --> 00:57:34,880

just hold on george nori is going to

1380

00:57:37,589 --> 00:57:36,160

come here and thumbs down my video

1381

00:57:39,030 --> 00:57:37,599

because they say i don't like his radio

1382

00:57:43,750 --> 00:57:39,040

show

1383

00:57:50,150 --> 00:57:47,589

we got issues enabler i kind of let

1384

00:57:52,230 --> 00:57:50,160

i was not a fan of jimmy church i kind

1385

00:57:54,309 --> 00:57:52,240

of let it go

1386

00:57:55,670 --> 00:57:54,319

twirly totally missed the show i lost

1387

00:57:56,549 --> 00:57:55,680

complete interest and then they added

1388

00:57:58,549 --> 00:57:56,559

molten hell

1389

00:58:00,470 --> 00:57:58,559

that was even worse yeah it's like

1390

00:58:02,470 --> 00:58:00,480

throwing gasoline on a fire

1391

00:58:03,750 --> 00:58:02,480

like gee this show has no credibility

1392

00:58:05,349 --> 00:58:03,760

and it kind of sucks

1393

00:58:06,870 --> 00:58:05,359

what can we do to make it worse let's

1394

00:58:07,990 --> 00:58:06,880

get linda molten how to give some

1395

00:58:11,349 --> 00:58:08,000

special reports

1396

00:58:14,950 --> 00:58:11,359

right that is crazy absolutely crazy

1397

00:58:17,990 --> 00:58:17,430

pg says can't do george jimmy way better

1398

00:58:19,910 --> 00:58:18,000

i don't know

1399

00:58:21,829 --> 00:58:19,920

uh bgs i'm not going to say anything

1400

00:58:23,750 --> 00:58:21,839

about jimmy's church other than this i

1401  
00:58:25,430 --> 00:58:23,760  
try to listen to it sometimes especially

1402  
00:58:27,430 --> 00:58:25,440  
when a friend of mine is a guest

1403  
00:58:28,870 --> 00:58:27,440  
or something like that but i can't sit

1404  
00:58:31,510 --> 00:58:28,880  
through all the ads it's like

1405  
00:58:32,309 --> 00:58:31,520  
every five minutes he's selling selling

1406  
00:58:34,390 --> 00:58:32,319  
some [h\_\_\h]

1407  
00:58:35,750 --> 00:58:34,400  
maybe i gotta start selling some coffee

1408  
00:58:37,589 --> 00:58:35,760  
right

1409  
00:58:38,789 --> 00:58:37,599  
you think i could get away with selling

1410  
00:58:40,549 --> 00:58:38,799  
crack legally

1411  
00:58:42,549 --> 00:58:40,559  
like we'll call it truth seekers brand

1412  
00:58:43,510 --> 00:58:42,559  
crack right and we'll sell you like the

1413  
00:58:47,190 --> 00:58:43,520

glass tube

1414

00:58:49,030 --> 00:58:47,200

and some rocks of crack see aliens bro

1415

00:58:52,710 --> 00:58:49,040

like i gotta come up with some

1416

00:58:56,150 --> 00:58:54,230

don't decide well you haven't mentioned

1417

00:58:58,230 --> 00:58:56,160

dw dildo box yet

1418

00:59:00,630 --> 00:58:58,240

we're waiting to see what happens i'm

1419

00:59:03,190 --> 00:59:00,640

kind of waiting on a few things i'm i've

1420

00:59:05,430 --> 00:59:03,200

some people i'm people have sent me more

1421

00:59:06,309 --> 00:59:05,440

pictures i've gotten some more pictures

1422

00:59:09,670 --> 00:59:06,319

and some more

1423

00:59:11,589 --> 00:59:09,680

uh you know like uh

1424

00:59:13,430 --> 00:59:11,599

people signing up to bury the single

1425

00:59:15,670 --> 00:59:13,440

dildos we're gonna do an update about it

1426

00:59:17,270 --> 00:59:15,680

soon

1427

00:59:21,589 --> 00:59:17,280

church's show has gotten much better in

1428

00:59:21,599 --> 00:59:35,829

sell cracked wallpaper

1429

00:59:40,230 --> 00:59:38,230

jimmy is just nori with the cool voice

1430

00:59:43,349 --> 00:59:40,240

yeah maybe a cooler voice

1431

00:59:44,789 --> 00:59:43,359

and you know yesterday i somehow forgot

1432

00:59:48,230 --> 00:59:44,799

this so before i forget

1433

00:59:53,030 --> 00:59:48,240

we are going to open the phone lines

1434

00:59:55,109 --> 00:59:53,040

let me check it first here i always like

1435

00:59:56,069 --> 00:59:55,119

all right it should it should be working

1436

01:00:04,069 --> 00:59:56,079

i'm gonna

1437

01:00:06,549 --> 01:00:04,079

here's what i will do we are going to

1438

01:00:07,270 --> 01:00:06,559

uh play the phone line bumper and open

1439

01:00:09,190 --> 01:00:07,280

the phone line

1440

01:00:10,950 --> 01:00:09,200

so if you want to call in and comment on

1441

01:00:13,349 --> 01:00:10,960

this mufon story

1442

01:00:15,270 --> 01:00:13,359

if you want to tell us your ufo story

1443

01:00:16,789 --> 01:00:15,280

your paranormal story did you see a

1444

01:00:19,430 --> 01:00:16,799

ghost did you see bigfoot

1445

01:00:21,190 --> 01:00:19,440

some kind of cryptid creature were you

1446

01:00:23,430 --> 01:00:21,200

possessed by a demon

1447

01:00:24,470 --> 01:00:23,440

were you abducted by aliens we'd like to

1448

01:00:26,710 --> 01:00:24,480

hear from you

1449

01:00:27,589 --> 01:00:26,720

or any strange story that you'd like to

1450

01:00:30,630 --> 01:00:27,599

share on

1451

01:00:31,270 --> 01:00:30,640

air here on truth seekers live now's the

1452

01:00:33,670 --> 01:00:31,280

time

1453

01:00:34,470 --> 01:00:33,680

we are opening the phone lines so we'll

1454

01:00:41,940 --> 01:00:34,480

be right

1455

01:01:08,560 --> 01:00:41,950

back friends

1456

01:02:37,430 --> 01:01:24,800

[Music]

1457

01:02:42,230 --> 01:02:39,829

and we are back here on truth seekers

1458

01:02:44,549 --> 01:02:42,240

live so the phone lines are now open

1459

01:02:45,670 --> 01:02:44,559

anybody can call in if they choose to

1460

01:02:51,029 --> 01:02:45,680

otherwise we will

1461

01:02:55,910 --> 01:02:54,069

six design with some help out in the

1462

01:02:59,549 --> 01:02:55,920

live chat you can call steve

1463

01:03:04,309 --> 01:03:00,870

267-482-0612

1464

01:03:09,270 --> 01:03:07,589

be here call her no call you know

1465

01:03:11,990 --> 01:03:09,280

sometimes this thing is hit or miss the

1466

01:03:14,390 --> 01:03:12,000

first couple of times we tried this

1467

01:03:16,789 --> 01:03:14,400

i got like eight voicemails which meant

1468

01:03:18,789 --> 01:03:16,799

while one caller was on with us live

1469

01:03:20,470 --> 01:03:18,799

eight other people called in and

1470

01:03:22,069 --> 01:03:20,480

couldn't get through because it's one at

1471

01:03:23,589 --> 01:03:22,079

a time if you do get voicemail that

1472

01:03:24,549 --> 01:03:23,599

means somebody's on the line you can try

1473

01:03:31,349 --> 01:03:24,559

back

1474

01:03:33,910 --> 01:03:31,359

monitor what's going on in the show um

1475

01:03:35,910 --> 01:03:33,920

yeah jean-claude at beyond mystic

1476

01:03:37,990 --> 01:03:35,920

jean-claude has got a great show and i

1477

01:03:41,190 --> 01:03:38,000

checked it out and i'm a seinfeld fan

1478

01:03:42,470 --> 01:03:41,200

and uh he is free to put uh oh wait a

1479

01:03:44,150 --> 01:03:42,480

minute i don't know that you can

1480

01:03:49,349 --> 01:03:44,160

hold on one second john claude i'm going

1481

01:03:54,069 --> 01:03:52,230

here we go so john claude you are now a

1482

01:03:56,309 --> 01:03:54,079

moderator in the chat you can post a

1483

01:03:58,630 --> 01:03:56,319

link if you like to your show

1484

01:03:59,430 --> 01:03:58,640

which i checked a few of them out today

1485

01:04:01,910 --> 01:03:59,440

and i

1486

01:04:03,750 --> 01:04:01,920

had a good time doing that i think

1487

01:04:05,430 --> 01:04:03,760

anybody that enjoys my show would enjoy

1488

01:04:07,430 --> 01:04:05,440

his as well

1489

01:04:08,789 --> 01:04:07,440

he talks about some interesting topics

1490

01:04:10,390 --> 01:04:08,799

and uh

1491

01:04:12,390 --> 01:04:10,400

you know if you just want to have a good

1492

01:04:13,750 --> 01:04:12,400

time in a live chat too he has a good

1493

01:04:16,230 --> 01:04:13,760

lively one

1494

01:04:18,390 --> 01:04:16,240

i missed the live chats but i uh caught

1495

01:04:20,470 --> 01:04:18,400

a couple of his replays today

1496

01:04:22,309 --> 01:04:20,480

and i met i'm we're going to arrange for

1497

01:04:24,390 --> 01:04:22,319

me to be a guest on his show i'm not

1498

01:04:26,470 --> 01:04:24,400

sure yet what we're going to talk about

1499

01:04:27,589 --> 01:04:26,480

claude we can talk about whatever you

1500

01:04:29,510 --> 01:04:27,599

like really

1501

01:04:33,829 --> 01:04:29,520

jimmy doesn't do negativity i've only

1502

01:04:38,829 --> 01:04:37,109

yeah and john claude says excited to

1503

01:04:41,910 --> 01:04:38,839

have you on

1504

01:04:44,470 --> 01:04:41,920

soon oh yeah

1505

01:04:46,710 --> 01:04:44,480

if you're going to call and you're from

1506

01:04:50,069 --> 01:04:46,720

australia you have to tell zero zero one

1507

01:04:52,230 --> 01:04:50,079

one one plus my number

1508

01:04:53,829 --> 01:04:52,240

so that would be the way to get through

1509

01:04:58,230 --> 01:04:53,839

internationally

1510

01:05:00,630 --> 01:04:58,240

if you are an international caller

1511

01:05:01,349 --> 01:05:00,640

and sixth design with some help again

1512

01:05:04,150 --> 01:05:01,359

he's a good

1513

01:05:04,870 --> 01:05:04,160

chat room moderator thank you six design

1514

01:05:08,069 --> 01:05:04,880

posted

1515

01:05:09,670 --> 01:05:08,079

the link to john claudé at the on mystic

1516

01:05:10,309 --> 01:05:09,680

youtube channel which you guys should

1517

01:05:13,510 --> 01:05:10,319

check out

1518

01:05:13,520 --> 01:05:25,190

here we go

1519

01:05:30,870 --> 01:05:28,710

one second hello this is steven

1520

01:05:34,390 --> 01:05:30,880

you're calling truth seekers who are you

1521

01:05:34,400 --> 01:05:40,470

hello hi who's this

1522

01:05:46,230 --> 01:05:43,190

um is this steven cambrian yeah you're

1523

01:05:49,430 --> 01:05:46,240

live on truth seekers who's this

1524

01:05:49,440 --> 01:05:52,789

this is who

1525

01:06:02,950 --> 01:05:58,390

this is welcome did you find the dildos

1526

01:06:04,510 --> 01:06:02,960

yeah yeah i'm closing in on the dildo

1527

01:06:06,870 --> 01:06:04,520

i don't think i think you've

1528

01:06:09,190 --> 01:06:06,880

misrepresented yourself because dildo

1529

01:06:11,750 --> 01:06:09,200

seeking contact

1530

01:06:17,589 --> 01:06:11,760

no this is an honest challenge man you

1531

01:06:23,750 --> 01:06:20,630

a david snail now yes no

1532

01:06:28,470 --> 01:06:23,760

black tailbone and this and elizabeth

1533

01:06:35,430 --> 01:06:31,990

many moons and me and danny

1534

01:06:35,910 --> 01:06:35,440

he almost died again he almost died

1535

01:06:38,230 --> 01:06:35,920

again

1536

01:06:40,069 --> 01:06:38,240

really he's upset about the dildo

1537

01:06:42,309 --> 01:06:40,079

challenge

1538

01:06:43,750 --> 01:06:42,319

he died again thinking about the dildos

1539

01:06:45,750 --> 01:06:43,760

and we're gonna even

1540

01:06:47,270 --> 01:06:45,760

care about it all over our next live

1541

01:06:51,109 --> 01:06:47,280

stream which is

1542

01:06:53,190 --> 01:06:51,119

next something and uh but anyway

1543

01:06:54,950 --> 01:06:53,200

i will when i take them ten grand from

1544

01:06:58,390 --> 01:06:54,960

you you sucker

1545

01:06:58,630 --> 01:06:58,400

i'm gonna use those dildos and i'll give

1546

01:07:02,630 --> 01:06:58,640

them

1547

01:07:07,510 --> 01:07:05,029

oh you heard here first friends i don't

1548

01:07:09,510 --> 01:07:07,520

know that this is really david wilcock

1549

01:07:12,630 --> 01:07:09,520

calling but if it is

1550

01:07:14,789 --> 01:07:12,640

c.w chander's got a gift of many dildos

1551  
01:07:16,710 --> 01:07:14,799  
coming his way soon courtesy of david

1552  
01:07:19,349 --> 01:07:16,720  
wilcock and the david wilcock box of

1553  
01:07:25,270 --> 01:07:19,359  
dildos challenge

1554  
01:07:29,109 --> 01:07:28,710  
anything else mr wilcock i like to say

1555  
01:07:31,990 --> 01:07:29,119  
john

1556  
01:07:37,510 --> 01:07:32,000  
amazon is a great guy and i love steven

1557  
01:07:42,789 --> 01:07:40,870  
oh my god well it was nice

1558  
01:07:44,309 --> 01:07:42,799  
it was nice hearing from you david i

1559  
01:07:48,150 --> 01:07:44,319  
think you better get busy

1560  
01:07:52,069 --> 01:07:50,789  
that's good okay stephen all right

1561  
01:07:55,430 --> 01:07:52,079  
thanks mr wilcock

1562  
01:07:56,390 --> 01:07:55,440  
good luck finding those boxes of i'll

1563  
01:07:59,750 --> 01:07:56,400

keep dildos

1564

01:08:03,349 --> 01:08:01,990

well friends there you go you never know

1565

01:08:05,910 --> 01:08:03,359

who's going to call

1566

01:08:08,230 --> 01:08:05,920

apparently mr wilcock is pissed off

1567

01:08:08,789 --> 01:08:08,240

about the david wilcock box of dildos

1568

01:08:10,950 --> 01:08:08,799

challenge

1569

01:08:12,789 --> 01:08:10,960

i noticed the phone beeped a few times

1570

01:08:14,789 --> 01:08:12,799

while we were on the line with the last

1571

01:08:15,829 --> 01:08:14,799

caller that means that somebody else was

1572

01:08:17,910 --> 01:08:15,839

calling in

1573

01:08:19,510 --> 01:08:17,920

but got dumped to voicemail now the

1574

01:08:21,749 --> 01:08:19,520

phone lines are open again if you want

1575

01:08:23,910 --> 01:08:21,759

to try to call in

1576

01:08:26,149 --> 01:08:23,920

and whoever did that you kind of made my

1577

01:08:29,829 --> 01:08:26,159

day that was funny i appreciate it

1578

01:08:31,590 --> 01:08:29,839

uh that you uh understand the humor of

1579

01:08:35,189 --> 01:08:31,600

the david wilcock

1580

01:08:37,669 --> 01:08:35,199

huge boxer dildos challenge

1581

01:08:39,590 --> 01:08:37,679

yeah and then in bringly almost daniel

1582

01:08:43,030 --> 01:08:39,600

brinkley almost died again he got so

1583

01:08:46,470 --> 01:08:43,040

upset about the box of dildos challenge

1584

01:08:48,789 --> 01:08:46,480

oh yeah and six design nice call yeah

1585

01:08:50,950 --> 01:08:48,799

that's my favorite call we've had so far

1586

01:08:54,070 --> 01:08:50,960

that was the best one yet

1587

01:08:56,630 --> 01:08:54,080

absolutely no

1588

01:08:58,470 --> 01:08:56,640

laurie i'm sorry laurie says i'm

1589

01:09:01,269 --> 01:08:58,480

listening on my deck hoping my neighbors

1590

01:09:03,349 --> 01:09:01,279

aren't hearing about the dildos

1591

01:09:05,669 --> 01:09:03,359

yeah you know what's funny is i did the

1592

01:09:06,149 --> 01:09:05,679

david wilcox challenge and i was yelling

1593

01:09:08,630 --> 01:09:06,159

about

1594

01:09:11,749 --> 01:09:08,640

dildos for like an hour straight and you

1595

01:09:14,470 --> 01:09:11,759

know you gotta find this box

1596

01:09:15,349 --> 01:09:14,480

of you know what and you know and i

1597

01:09:17,430 --> 01:09:15,359

didn't realize

1598

01:09:19,110 --> 01:09:17,440

i didn't give like a disclaimer and a

1599

01:09:20,870 --> 01:09:19,120

couple of people sent me messages like

1600

01:09:22,950 --> 01:09:20,880

thanks bro i was at work and my

1601  
01:09:25,189 --> 01:09:22,960  
computer's blasting

1602  
01:09:26,229 --> 01:09:25,199  
you gotta find this box of dildos and my

1603  
01:09:30,470 --> 01:09:26,239  
boss heard it

1604  
01:09:34,789 --> 01:09:32,950  
okay there used to be a way to enable or

1605  
01:09:36,390 --> 01:09:34,799  
disable call waiting so it doesn't go to

1606  
01:09:39,590 --> 01:09:36,400  
voicemail without notification

1607  
01:09:41,590 --> 01:09:39,600  
someone is calling yeah i don't know

1608  
01:09:44,229 --> 01:09:41,600  
success this is working and i don't want

1609  
01:09:47,749 --> 01:09:44,239  
to really over complicate things i just

1610  
01:09:49,749 --> 01:09:47,759  
figured uh yeah with a number

1611  
01:09:51,749 --> 01:09:49,759  
or something yeah but i just figured

1612  
01:09:52,630 --> 01:09:51,759  
it's kind of working now the way that it

1613  
01:09:58,550 --> 01:09:52,640

is

1614

01:10:00,149 --> 01:09:58,560

just have people just i'm just going to

1615

01:10:02,790 --> 01:10:00,159

tell people hey if

1616

01:10:04,310 --> 01:10:02,800

if you get voicemail and it's a pretty

1617

01:10:05,830 --> 01:10:04,320

generic voicemail i gotta record a

1618

01:10:08,149 --> 01:10:05,840

greeting and all that stuff but if you

1619

01:10:13,350 --> 01:10:08,159

happen to get voicemail that just means

1620

01:10:18,950 --> 01:10:16,310

and by the way i think i may know who

1621

01:10:20,709 --> 01:10:18,960

our david wilcock caller

1622

01:10:21,990 --> 01:10:20,719

may have been and i'm going to contact

1623

01:10:25,750 --> 01:10:22,000

them later

1624

01:10:28,229 --> 01:10:25,760

uh because that was probably brilliant

1625

01:10:29,270 --> 01:10:28,239

and i'd like to know who would actually

1626

01:10:34,310 --> 01:10:29,280

well

1627

01:10:39,030 --> 01:10:37,350

so we're gonna we're gonna

1628

01:10:40,630 --> 01:10:39,040

focus on the live chat for the next

1629

01:10:43,510 --> 01:10:40,640

little while

1630

01:10:44,870 --> 01:10:43,520

uh while we either wait for a caller or

1631

01:10:46,550 --> 01:10:44,880

you know i don't really have another

1632

01:10:48,950 --> 01:10:46,560

topic so

1633

01:10:50,070 --> 01:10:48,960

um i just thought tonight we would

1634

01:10:53,350 --> 01:10:50,080

quickly cover this

1635

01:10:56,149 --> 01:10:53,360

um mufon guy

1636

01:10:58,070 --> 01:10:56,159

and you know all that's i feel is wrong

1637

01:10:59,669 --> 01:10:58,080

with mufon

1638

01:11:01,590 --> 01:10:59,679

you know i found a couple of other

1639

01:11:04,950 --> 01:11:01,600  
articles that really

1640

01:11:06,550 --> 01:11:04,960  
highlighted the racist atmosphere there

1641

01:11:08,470 --> 01:11:06,560  
there was a story printed in the

1642

01:11:12,790 --> 01:11:08,480  
guardian you can look it up just

1643

01:11:13,990 --> 01:11:12,800  
google the guardian mufon racism

1644

01:11:16,229 --> 01:11:14,000  
that's a great thing for your

1645

01:11:17,990 --> 01:11:16,239  
organization it's a great keyword by the

1646

01:11:20,229 --> 01:11:18,000  
way mufon you [h\_\_h]

1647

01:11:25,030 --> 01:11:20,239  
to have your organization associated

1648

01:11:30,709 --> 01:11:28,070  
pardon me for sneezing i think that was

1649

01:11:33,110 --> 01:11:30,719  
a dust knee is not a ronan's knee so

1650

01:11:34,950 --> 01:11:33,120  
you know i have to say since this rota

1651

01:11:36,470 --> 01:11:34,960

stuff started every time i sneeze or

1652

01:11:37,350 --> 01:11:36,480

like i get a little tickle in my throat

1653

01:11:44,310 --> 01:11:37,360

i start going

1654

01:11:44,320 --> 01:11:47,590

truth seekers

1655

01:11:52,310 --> 01:11:50,950

excuse me there we go i think that was

1656

01:11:54,870 --> 01:11:52,320

the last one

1657

01:11:56,070 --> 01:11:54,880

hopefully stream yard can add call in

1658

01:11:57,910 --> 01:11:56,080

option yeah that would be a little

1659

01:11:59,270 --> 01:11:57,920

cleaner i i can talk to you off air

1660

01:12:01,030 --> 01:11:59,280

about the way that i do it it's

1661

01:12:03,189 --> 01:12:01,040

well i can talk to you on air it's not

1662

01:12:04,390 --> 01:12:03,199

really rocket science i just sign up for

1663

01:12:07,189 --> 01:12:04,400

a google

1664

01:12:08,229 --> 01:12:07,199

voice number and i have it forwarded to

1665

01:12:10,149 --> 01:12:08,239

one of my extra

1666

01:12:11,750 --> 01:12:10,159

i have an extra cell phone for work or

1667

01:12:14,149 --> 01:12:11,760

you know whatever i used to

1668

01:12:16,149 --> 01:12:14,159

and it just forwards to that and i can

1669

01:12:19,110 --> 01:12:16,159

turn the forwarding on or off

1670

01:12:20,630 --> 01:12:19,120

so otherwise people watch the replays

1671

01:12:22,950 --> 01:12:20,640

and they don't realize that

1672

01:12:24,470 --> 01:12:22,960

you can't call in on a replay and the

1673

01:12:26,790 --> 01:12:24,480

phone rang non-stop

1674

01:12:28,310 --> 01:12:26,800

for like a few days but i can turn the

1675

01:12:30,470 --> 01:12:28,320

forwarding on and off

1676

01:12:31,669 --> 01:12:30,480

and so right before i go live if we're

1677

01:12:33,350 --> 01:12:31,679

going to use the phone line i

1678

01:12:35,430 --> 01:12:33,360

i turn the forwarding on and then after

1679

01:12:37,030 --> 01:12:35,440

the show ends i turn the forwarding off

1680

01:12:39,350 --> 01:12:37,040

and it's really just a cell phone and i

1681

01:12:41,270 --> 01:12:39,360

put it next to the microphone

1682

01:12:45,750 --> 01:12:41,280

it's pretty understandable most of the

1683

01:12:49,430 --> 01:12:47,430

i've always had great respect for mufon

1684

01:12:50,709 --> 01:12:49,440

i was not aware until today the racist

1685

01:12:52,390 --> 01:12:50,719

issues in the past and of course not

1686

01:12:53,669 --> 01:12:52,400

aware of the latest allegations about

1687

01:12:58,470 --> 01:12:53,679

the solicitation

1688

01:13:02,470 --> 01:13:00,229

you know and uh also i just wanted to

1689

01:13:04,950 --> 01:13:02,480

mention on the subject of the donations

1690

01:13:06,310 --> 01:13:04,960

and uh patreon you can go to patreon and

1691

01:13:07,189 --> 01:13:06,320

support me you can give a one-time

1692

01:13:08,790 --> 01:13:07,199

donation

1693

01:13:10,790 --> 01:13:08,800

i'm trying to make the show at least

1694

01:13:13,110 --> 01:13:10,800

self-sufficient what does that mean

1695

01:13:14,870 --> 01:13:13,120

that means if i need a new microphone

1696

01:13:18,070 --> 01:13:14,880

and by the way i do

1697

01:13:19,910 --> 01:13:18,080

as soon as july is over with and i get

1698

01:13:20,870 --> 01:13:19,920

the paypal for this month i'm going to

1699

01:13:23,189 --> 01:13:20,880

order a good

1700

01:13:25,189 --> 01:13:23,199

much better microphone and it's going to

1701

01:13:28,470 --> 01:13:25,199

be from the patreon money

1702

01:13:31,350 --> 01:13:28,480

solely and then

1703

01:13:32,390 --> 01:13:31,360

we need a usb powered hub here because

1704

01:13:35,510 --> 01:13:32,400

i'm powering these

1705

01:13:37,990 --> 01:13:35,520

lights and a microphone and a uh

1706

01:13:38,709 --> 01:13:38,000

and the webcam all from this laptop and

1707

01:13:41,590 --> 01:13:38,719

for

1708

01:13:42,310 --> 01:13:41,600

some reason sometimes the laptop's fine

1709

01:13:45,430 --> 01:13:42,320

with that

1710

01:13:47,750 --> 01:13:45,440

and sometimes the laptop's like too much

1711

01:13:49,430 --> 01:13:47,760

power and then stuff stops working like

1712

01:13:52,229 --> 01:13:49,440

all of a sudden you get these notices

1713

01:13:53,990 --> 01:13:52,239

you know microphone disconnected webcam

1714

01:13:55,430 --> 01:13:54,000

disconnected no webcam

1715

01:13:57,030 --> 01:13:55,440

and that's not good especially when

1716

01:13:58,550 --> 01:13:57,040

you're doing a live show because it

1717

01:14:00,470 --> 01:13:58,560

makes me a little nervous like

1718

01:14:02,550 --> 01:14:00,480

usually it happens right before i start

1719

01:14:04,790 --> 01:14:02,560

and then i you know

1720

01:14:06,390 --> 01:14:04,800

gotta plug and unplug so anyway we're

1721

01:14:08,390 --> 01:14:06,400

getting a powered usb hub

1722

01:14:09,750 --> 01:14:08,400

and that powered usb hub is gonna be

1723

01:14:14,229 --> 01:14:09,760

courtesy of spudwife

1724

01:14:17,990 --> 01:14:14,239

and uh

1725

01:14:20,870 --> 01:14:18,000

and also bg's with her kind 10 donation

1726

01:14:23,030 --> 01:14:20,880

it's you know just important to me i

1727

01:14:24,310 --> 01:14:23,040

mean that you that usb hub is like 20

1728

01:14:25,910 --> 01:14:24,320

but it's just important to me that the

1729

01:14:26,950 --> 01:14:25,920

show is self-sufficient and what do i

1730

01:14:28,950 --> 01:14:26,960

mean by that

1731

01:14:30,630 --> 01:14:28,960

i don't really care at this moment that

1732

01:14:32,950 --> 01:14:30,640

to make any money for me

1733

01:14:34,790 --> 01:14:32,960

i just care that the the show expenses

1734

01:14:35,110 --> 01:14:34,800

and equipment that we need little things

1735

01:14:38,229 --> 01:14:35,120

like

1736

01:14:40,870 --> 01:14:38,239

usb hubs or a microphone is covered by

1737

01:14:43,270 --> 01:14:40,880

the patreon and the donations everything

1738

01:14:45,590 --> 01:14:43,280

else is gravy and the stream yard i pay

1739

01:14:47,030 --> 01:14:45,600

uh 25 a month for that comes straight

1740

01:14:49,430 --> 01:14:47,040

out of the patreon

1741

01:14:51,270 --> 01:14:49,440

and is supported by you guys so

1742

01:14:53,910 --> 01:14:51,280

everything for the show the lights

1743

01:14:54,630 --> 01:14:53,920

the microphone the webcams everything

1744

01:14:57,910 --> 01:14:54,640

came from

1745

01:14:59,510 --> 01:14:57,920

uh you supporters so thank you so much

1746

01:15:01,350 --> 01:14:59,520

really from the bottom of my heart it's

1747

01:15:03,510 --> 01:15:01,360

nice to be able to do this show and it

1748

01:15:06,070 --> 01:15:03,520

at least it doesn't cost my family any

1749

01:15:10,149 --> 01:15:06,080

money because right now i'm broke

1750

01:15:11,830 --> 01:15:10,159

like broke broke

1751

01:15:13,750 --> 01:15:11,840

craig's face the racism is horrible

1752

01:15:14,790 --> 01:15:13,760

they've been straying from scientific

1753

01:15:16,310 --> 01:15:14,800

study they claim

1754

01:15:18,790 --> 01:15:16,320

in their mission statement for a long

1755

01:15:21,750 --> 01:15:18,800

time now i lost all respect

1756

01:15:22,149 --> 01:15:21,760

for mufon any respect that i did have at

1757

01:15:24,070 --> 01:15:22,159

that

1758

01:15:25,189 --> 01:15:24,080

point i probably had some respect for

1759

01:15:26,790 --> 01:15:25,199

them because i knew a lot of friends

1760

01:15:28,070 --> 01:15:26,800

that were really into ufos that were

1761

01:15:31,110 --> 01:15:28,080

part of mufon

1762

01:15:33,669 --> 01:15:31,120

and uh before john ventry went off

1763

01:15:34,790 --> 01:15:33,679

on his racist rants i would consider him

1764

01:15:36,470 --> 01:15:34,800

sort of a friend

1765

01:15:37,830 --> 01:15:36,480

or more of an acquaintance but maybe a

1766

01:15:39,430 --> 01:15:37,840

friend i don't know he was on my show a

1767

01:15:40,390 --> 01:15:39,440

few times and we talked on the phone

1768

01:15:43,030 --> 01:15:40,400

about

1769

01:15:43,430 --> 01:15:43,040

a lot of different subjects mostly ufo

1770

01:15:45,110 --> 01:15:43,440

stuff

1771

01:15:46,470 --> 01:15:45,120

and he would call me up when he had some

1772

01:15:50,070 --> 01:15:46,480

interesting case and

1773

01:15:53,510 --> 01:15:50,080

you know uh but then what was it

1774

01:15:54,630 --> 01:15:53,520

was it the 26th i think it was the 2017

1775

01:15:57,030 --> 01:15:54,640

mufon

1776

01:15:58,790 --> 01:15:57,040

ufo conference was on the secret space

1777

01:16:01,669 --> 01:15:58,800

program and they booked

1778

01:16:03,590 --> 01:16:01,679

william tompkins you know that old guy

1779

01:16:05,590 --> 01:16:03,600

that talks to those hot alien chicks

1780

01:16:05,990 --> 01:16:05,600

that always wear mini skirts and sat on

1781

01:16:09,270 --> 01:16:06,000

his lap

1782

01:16:12,310 --> 01:16:09,280

a lot that's scientific

1783

01:16:14,390 --> 01:16:12,320

they booked andrew basago for those that

1784

01:16:15,669 --> 01:16:14,400

don't know andrew pisago claimed to take

1785

01:16:19,910 --> 01:16:15,679

a teleport

1786

01:16:20,870 --> 01:16:19,920

system to mars with a young barack obama

1787

01:16:23,669 --> 01:16:20,880

yeah

1788

01:16:26,390 --> 01:16:23,679

does he have any proof of any of that no

1789

01:16:28,310 --> 01:16:26,400

not one bit

1790

01:16:29,830 --> 01:16:28,320

they also had corey goode at the same

1791

01:16:32,390 --> 01:16:29,840

conference

1792

01:16:34,709 --> 01:16:32,400

and cory good one of corey good's

1793

01:16:36,709 --> 01:16:34,719

partners in slime michael sala

1794

01:16:38,950 --> 01:16:36,719

who just regurgitates everything that

1795

01:16:40,790 --> 01:16:38,960

corey good says in a different form

1796

01:16:43,270 --> 01:16:40,800

you know cory good says something on a

1797

01:16:43,910 --> 01:16:43,280

video michael sila writes an article

1798

01:16:47,189 --> 01:16:43,920

about it

1799

01:16:50,470 --> 01:16:47,199

he's supposed to be an exo politics

1800

01:16:52,950 --> 01:16:50,480

uh pioneer okay

1801  
01:16:54,550 --> 01:16:52,960  
uh that that was the joke that was the

1802  
01:16:55,189 --> 01:16:54,560  
biggest joke of a conference that i've

1803  
01:16:57,590 --> 01:16:55,199  
ever heard

1804  
01:16:59,110 --> 01:16:57,600  
and but they also had richard dolan you

1805  
01:17:01,189 --> 01:16:59,120  
know to add some credibility and richard

1806  
01:17:02,870 --> 01:17:01,199  
dolan to his credit ripped them a new

1807  
01:17:04,149 --> 01:17:02,880  
[h\_\_\h] for having all these people that

1808  
01:17:06,550 --> 01:17:04,159  
are just telling stories that can

1809  
01:17:12,310 --> 01:17:06,560  
neither be proven or disproven

1810  
01:17:17,910 --> 01:17:15,510  
yeah reem c he look up 2017

1811  
01:17:20,709 --> 01:17:17,920  
secret space conference there's corey

1812  
01:17:24,790 --> 01:17:20,719  
good michael sala andrew pisago

1813  
01:17:26,870 --> 01:17:24,800

william tompkins uh it was a joke

1814

01:17:30,709 --> 01:17:26,880

it was a whole joke mark toronto yes the

1815

01:17:33,030 --> 01:17:30,719

mars jump room with andrew basaga

1816

01:17:34,550 --> 01:17:33,040

and jiggy to his credit says i have been

1817

01:17:36,310 --> 01:17:34,560

calling the racism out since i first

1818

01:17:38,149 --> 01:17:36,320

started years ago people have labeled me

1819

01:17:41,110 --> 01:17:38,159

an angry scary black guy

1820

01:17:41,910 --> 01:17:41,120

until they found out i was right it has

1821

01:17:43,750 --> 01:17:41,920

no place in

1822

01:17:45,990 --> 01:17:43,760

any of this i don't think you're too big

1823

01:17:47,750 --> 01:17:46,000

of an angry scary black man jiggy

1824

01:17:49,189 --> 01:17:47,760

i think you and you and i would be cool

1825

01:17:51,750 --> 01:17:49,199

friends and uh

1826

01:17:52,550 --> 01:17:51,760

i'm not scared of you one bit well a

1827

01:17:54,470 --> 01:17:52,560

little bit

1828

01:17:55,669 --> 01:17:54,480

you could probably beat my ass so i'm

1829

01:17:58,390 --> 01:17:55,679

gonna be nice to you

1830

01:17:59,030 --> 01:17:58,400

but i agree i've seen jiggy calling out

1831

01:18:05,990 --> 01:17:59,040

racist

1832

01:18:07,990 --> 01:18:06,000

things or

1833

01:18:09,990 --> 01:18:08,000

doing racist things and then he kind of

1834

01:18:10,630 --> 01:18:10,000

got labeled like oh he's an angry black

1835

01:18:13,030 --> 01:18:10,640

man

1836

01:18:13,990 --> 01:18:13,040

don't be so angry he has a right to be

1837

01:18:18,070 --> 01:18:14,000

angry

1838

01:18:20,310 --> 01:18:18,080

he's you people are [h\_\_h] you know

1839

01:18:21,990 --> 01:18:20,320

jean-claude yes richard dolan did a

1840

01:18:23,110 --> 01:18:22,000

great job on that one yeah i was going

1841

01:18:26,550 --> 01:18:23,120

to play the clip but

1842

01:18:28,550 --> 01:18:26,560

essentially it's just him saying

1843

01:18:30,070 --> 01:18:28,560

nobody there's no secret that i disagree

1844

01:18:31,350 --> 01:18:30,080

with most of the people on this panel

1845

01:18:33,510 --> 01:18:31,360

there's a lot of information being

1846

01:18:35,430 --> 01:18:33,520

presented at this conference that i

1847

01:18:37,350 --> 01:18:35,440

don't believe is factually correct or

1848

01:18:39,430 --> 01:18:37,360

has any basis in reality or something

1849

01:18:43,669 --> 01:18:39,440

like that it was a really good rip on

1850

01:18:45,830 --> 01:18:43,679

on those frauds oh here we go assistant

1851  
01:18:47,750 --> 01:18:45,840  
design contributes link and screenshot

1852  
01:18:49,669 --> 01:18:47,760  
of jan harzan arrest log

1853  
01:18:50,790 --> 01:18:49,679  
huntington police department so you too

1854  
01:18:54,070 --> 01:18:50,800  
can go

1855  
01:18:55,110 --> 01:18:54,080  
check it out and see more details on the

1856  
01:19:00,950 --> 01:18:55,120  
stunning arrest

1857  
01:19:04,550 --> 01:19:03,110  
yeah and i mentioned previously that uh

1858  
01:19:06,310 --> 01:19:04,560  
you know somebody

1859  
01:19:07,910 --> 01:19:06,320  
within that organization really took me

1860  
01:19:09,830 --> 01:19:07,920  
to task on some things i said on a

1861  
01:19:12,550 --> 01:19:09,840  
previous show

1862  
01:19:14,550 --> 01:19:12,560  
and i'm gonna to i'm gonna recount what

1863  
01:19:17,830 --> 01:19:14,560

i said on my previous show because

1864

01:19:19,510 --> 01:19:17,840

it's very relevant here

1865

01:19:22,070 --> 01:19:19,520

man i'm gonna blank on the guy's name

1866

01:19:24,229 --> 01:19:22,080

but there was a

1867

01:19:26,149 --> 01:19:24,239

a ufo investigator that was a member of

1868

01:19:29,110 --> 01:19:26,159

mufon and he went out

1869

01:19:30,870 --> 01:19:29,120

on a field investigation some people saw

1870

01:19:34,950 --> 01:19:30,880

some ufos

1871

01:19:37,750 --> 01:19:34,960

and the ufo dropped some kind of

1872

01:19:38,630 --> 01:19:37,760

liquid metal molten metal you know it

1873

01:19:42,070 --> 01:19:38,640

was like hot

1874

01:19:45,750 --> 01:19:42,080

and then so he collected samples of that

1875

01:19:49,110 --> 01:19:45,760

molten metal that this ufo dropped

1876

01:19:50,470 --> 01:19:49,120

very excited he called the executive or

1877

01:19:52,310 --> 01:19:50,480

board members and said

1878

01:19:54,070 --> 01:19:52,320

uh you know i have this amazing case

1879

01:19:54,790 --> 01:19:54,080

these people were eyewitnesses to this

1880

01:19:57,990 --> 01:19:54,800

ufo and

1881

01:20:01,030 --> 01:19:58,000

dropped this material i have samples

1882

01:20:03,110 --> 01:20:01,040

you know hey uh what are we gonna do

1883

01:20:06,629 --> 01:20:03,120

about having it analyzed

1884

01:20:08,550 --> 01:20:06,639

they had zero interest zero interest my

1885

01:20:10,790 --> 01:20:08,560

friends in analyzing metal

1886

01:20:12,470 --> 01:20:10,800

that this guy collected being a mufon

1887

01:20:15,669 --> 01:20:12,480

member and field investigator that this

1888

01:20:17,910 --> 01:20:15,679

ufo had apparently dropped

1889

01:20:19,350 --> 01:20:17,920

and i gotta say isn't there mission

1890

01:20:20,709 --> 01:20:19,360

purpose so this is what i said in my

1891

01:20:21,990 --> 01:20:20,719

previous show you're supposed to be a

1892

01:20:24,470 --> 01:20:22,000

scientific organization

1893

01:20:25,750 --> 01:20:24,480

out to get us the truth about ufos

1894

01:20:27,030 --> 01:20:25,760

that's amazing you've got an

1895

01:20:29,669 --> 01:20:27,040

investigator out there in the field

1896

01:20:31,750 --> 01:20:29,679

collected some unknown metal samples

1897

01:20:32,870 --> 01:20:31,760

and he wants to have them analyzed and i

1898

01:20:35,030 --> 01:20:32,880

think the issue was

1899

01:20:36,709 --> 01:20:35,040

they told him we don't have it in our

1900

01:20:40,790 --> 01:20:36,719

budget

1901

01:20:43,110 --> 01:20:40,800

don't know how they don't have a few

1902

01:20:44,950 --> 01:20:43,120

thousand dollars to get to the ufo truth

1903

01:20:46,149 --> 01:20:44,960

right what if that was alien medals and

1904

01:20:49,030 --> 01:20:46,159

they could prove it

1905

01:20:50,629 --> 01:20:49,040

they're just going to ignore that this

1906

01:20:52,629 --> 01:20:50,639

it doesn't make any sense folks

1907

01:20:56,550 --> 01:20:52,639

it makes no sense so you know i said

1908

01:21:01,669 --> 01:20:59,510

i'll just say a very high ranking member

1909

01:21:05,270 --> 01:21:01,679

of mufon reached out to me in email

1910

01:21:07,510 --> 01:21:05,280

and it quickly evolved into like uh

1911

01:21:08,950 --> 01:21:07,520

an argument you know where i was told

1912

01:21:10,870 --> 01:21:08,960

all kinds of uh you know

1913

01:21:12,390 --> 01:21:10,880

they were just very negative like they

1914

01:21:13,669 --> 01:21:12,400

wanted me to retract my statement they

1915

01:21:20,550 --> 01:21:13,679

want me to apologize

1916

01:21:27,270 --> 01:21:23,350

william pixley the angel here no i think

1917

01:21:37,830 --> 01:21:31,590

bg says that they have a healthy budget

1918

01:21:41,430 --> 01:21:39,669

the tampa mufa meetings attendings were

1919

01:21:43,590 --> 01:21:41,440

talking about floating out of body

1920

01:21:45,990 --> 01:21:43,600

meeting jesus

1921

01:21:47,669 --> 01:21:46,000

had squawking metal boxes with signaled

1922

01:21:51,510 --> 01:21:47,679

aliens we're listening to our meeting

1923

01:21:53,910 --> 01:21:51,520

greer discipline disciples pushing ce5

1924

01:21:55,430 --> 01:21:53,920

yeah i'm sure it's a mixed bag of nut

1925

01:21:58,070 --> 01:21:55,440

nutters and weirdos and

1926

01:22:00,310 --> 01:21:58,080

crazy people and people that are pretty

1927

01:22:02,550 --> 01:22:00,320

grounded and seriously into the topic of

1928

01:22:07,750 --> 01:22:02,560

ufos but you do always get

1929

01:22:11,430 --> 01:22:09,910

jiggy almost everyone i've met over the

1930

01:22:13,030 --> 01:22:11,440

years will tell you i'm cool most of the

1931

01:22:14,470 --> 01:22:13,040

people we call out liked me until

1932

01:22:15,910 --> 01:22:14,480

questions were asked

1933

01:22:20,149 --> 01:22:15,920

smoke drank and party and hung out with

1934

01:22:25,110 --> 01:22:23,110

okay let me see stan freeman was a poor

1935

01:22:26,470 --> 01:22:25,120

member of mufon wasn't he am i mistaken

1936

01:22:28,229 --> 01:22:26,480

i always believed mr freeman was a

1937

01:22:29,830 --> 01:22:28,239

legitimate and well-meaning investigator

1938

01:22:31,510 --> 01:22:29,840

yeah i was sort of friends with stan

1939

01:22:33,430 --> 01:22:31,520

and i don't know that he was in mufon he

1940

01:22:34,149 --> 01:22:33,440

never mentioned anything about mufon to

1941

01:22:36,149 --> 01:22:34,159

me

1942

01:22:37,830 --> 01:22:36,159

but i could be mistaken i've talked to

1943

01:22:38,390 --> 01:22:37,840

him many times on a phone a few times a

1944

01:22:41,030 --> 01:22:38,400

week

1945

01:22:42,070 --> 01:22:41,040

probably for the last uh two years of

1946

01:22:45,030 --> 01:22:42,080

his life we talked

1947

01:22:46,470 --> 01:22:45,040

a few times a week on the phone and uh

1948

01:22:50,390 --> 01:22:46,480

we never talked about mufon

1949

01:22:54,550 --> 01:22:52,390

laurie says i had a strange ufo signing

1950

01:22:56,629 --> 01:22:54,560

years ago and considered reporting it

1951

01:22:57,750 --> 01:22:56,639

to mufon but was worried i'd end up with

1952

01:23:02,870 --> 01:22:57,760

some weirdo

1953

01:23:05,430 --> 01:23:02,880

mentioned that

1954

01:23:06,390 --> 01:23:05,440

here's one of the other things again i'm

1955

01:23:09,430 --> 01:23:06,400

doing this from

1956

01:23:11,350 --> 01:23:09,440

memory so if i'm incorrect mufon is free

1957

01:23:14,470 --> 01:23:11,360

to reach out to me via email

1958

01:23:17,910 --> 01:23:14,480

and correct me but some time ago

1959

01:23:20,070 --> 01:23:17,920

mufon decided to sell access to all

1960

01:23:24,070 --> 01:23:20,080

their files and give

1961

01:23:27,910 --> 01:23:24,080

the reports to bigelow

1962

01:23:29,510 --> 01:23:27,920

at bigelow airspace aerospace

1963

01:23:30,950 --> 01:23:29,520

so they basically sold out all their

1964

01:23:32,870 --> 01:23:30,960

members and all their members are

1965

01:23:33,990 --> 01:23:32,880

running around writing these ufo reports

1966

01:23:36,149 --> 01:23:34,000

and they're handing them over

1967

01:23:38,390 --> 01:23:36,159

a non-profit organization is handing

1968

01:23:41,189 --> 01:23:38,400

those reports over to a for-profit

1969

01:23:43,510 --> 01:23:41,199

entity in the form of bigelow aerospace

1970

01:23:44,470 --> 01:23:43,520

because bob bigelow is a billionaire

1971

01:23:46,709 --> 01:23:44,480

with an intense

1972

01:23:49,750 --> 01:23:46,719

interest in ufos and he wanted first

1973

01:23:51,510 --> 01:23:49,760

access to those files

1974

01:23:52,870 --> 01:23:51,520

a lot of people found that fishy

1975

01:23:56,070 --> 01:23:52,880

especially because

1976

01:23:58,229 --> 01:23:56,080

i believe that when witnesses to these

1977

01:23:59,750 --> 01:23:58,239

ufo events are interviewed by the field

1978

01:24:03,030 --> 01:23:59,760

investigators they are promised

1979

01:24:05,270 --> 01:24:03,040

anonymity so there was a huge back

1980

01:24:06,070 --> 01:24:05,280

you know maybe thousands or tens of

1981

01:24:08,790 --> 01:24:06,080

thousands of

1982

01:24:10,550 --> 01:24:08,800

case reports where people may have been

1983

01:24:13,030 --> 01:24:10,560

promised anonymity

1984

01:24:13,990 --> 01:24:13,040

and then their files were handed over to

1985

01:24:16,149 --> 01:24:14,000

a third party

1986

01:24:18,229 --> 01:24:16,159

after that promise of you know

1987

01:24:21,910 --> 01:24:18,239

confidentiality was given

1988

01:24:23,750 --> 01:24:21,920

i could be mistaken uh but

1989

01:24:25,510 --> 01:24:23,760

there was a big controversy about it

1990

01:24:28,709 --> 01:24:25,520

people can look look it up

1991

01:24:30,149 --> 01:24:28,719

yeah here we go i am correct uh didn't

1992

01:24:32,229 --> 01:24:30,159

mufon sell

1993

01:24:34,149 --> 01:24:32,239

their citing files to bigelow yes they

1994

01:24:40,310 --> 01:24:34,159

did in one form or another they sold

1995

01:24:44,950 --> 01:24:42,390

okay lovelies i am back and we are glad

1996

01:24:50,550 --> 01:24:44,960

to have you back

1997

01:24:55,270 --> 01:24:53,270

here we go sixth design again with

1998

01:24:57,990 --> 01:24:55,280

another find inside robert bigelow's

1999

01:25:03,510 --> 01:24:58,000

decades-long obsession with ufos and

2000

01:25:09,590 --> 01:25:05,910

wired news excellent article i remember

2001

01:25:13,830 --> 01:25:11,910

sixth design also post there's a stan

2002

01:25:15,030 --> 01:25:13,840

friedman's wikipedia page may shed some

2003

01:25:15,750 --> 01:25:15,040

light on whether he was a member of

2004

01:25:17,750 --> 01:25:15,760

mufon

2005

01:25:19,750 --> 01:25:17,760

i don't i'm not sure that he was or

2006

01:25:21,189 --> 01:25:19,760

wasn't he never mentioned it to me so he

2007

01:25:21,910 --> 01:25:21,199

must not have been very excited about

2008

01:25:24,629 --> 01:25:21,920

mufon

2009

01:25:26,070 --> 01:25:24,639

because we talked about tons of

2010

01:25:27,590 --> 01:25:26,080

different subjects and he never brought

2011

01:25:30,709 --> 01:25:27,600

mufon up to me

2012

01:25:31,510 --> 01:25:30,719

um and uh yeah and i never brought mufon

2013

01:25:34,550 --> 01:25:31,520

up to him

2014

01:25:38,950 --> 01:25:36,310

mark tarana asked did you read my mind

2015

01:25:42,310 --> 01:25:38,960

not this time mark toronto no

2016

01:25:44,870 --> 01:25:42,320

no not this time yeah so

2017

01:25:46,790 --> 01:25:44,880

here we are and the head of the largest

2018

01:25:49,669 --> 01:25:46,800

ufo organization in the world

2019

01:25:51,510 --> 01:25:49,679

was arrested for soliciting sex with a

2020

01:25:53,030 --> 01:25:51,520

13 year old girl

2021

01:25:55,990 --> 01:25:53,040

this is the world that we live in now

2022

01:25:56,870 --> 01:25:56,000

friends but i do have to say on a

2023

01:26:00,070 --> 01:25:56,880

positive note

2024

01:26:01,350 --> 01:26:00,080

at least he got identified and fired

2025

01:26:04,390 --> 01:26:01,360

very quickly

2026

01:26:07,430 --> 01:26:04,400

i uh had some experience with

2027

01:26:09,910 --> 01:26:07,440

let's just say an organization

2028

01:26:11,510 --> 01:26:09,920

where a member of their of this

2029

01:26:13,510 --> 01:26:11,520

organization that i was in

2030

01:26:15,510 --> 01:26:13,520

got arrested for child-related sexual

2031

01:26:18,550 --> 01:26:15,520

offenses now this is 10

2032

01:26:20,709 --> 01:26:18,560

or so years ago and uh

2033

01:26:22,390 --> 01:26:20,719

there was two choices i guess the two

2034

01:26:24,629 --> 01:26:22,400

choices were to

2035

01:26:27,189 --> 01:26:24,639

immediately condemn that person that was

2036

01:26:30,149 --> 01:26:27,199

a member of this organization i was in

2037

01:26:30,870 --> 01:26:30,159

and tell me how to resign or you know he

2038

01:26:32,310 --> 01:26:30,880

had to

2039

01:26:34,830 --> 01:26:32,320

no longer be part of the organization

2040

01:26:38,229 --> 01:26:34,840

kick them out

2041

01:26:41,030 --> 01:26:38,239

or or they could cover it up

2042

01:26:43,270 --> 01:26:41,040

and in the organization i was in they

2043

01:26:45,189 --> 01:26:43,280

chose to cover it up

2044

01:26:46,629 --> 01:26:45,199

and someday i'm going to tell that whole

2045

01:26:47,110 --> 01:26:46,639

story i could write a book about it

2046

01:26:50,229 --> 01:26:47,120

because

2047

01:26:52,229 --> 01:26:50,239

it involved a children's entertainer

2048

01:26:53,590 --> 01:26:52,239

that got arrested for child-related

2049

01:26:57,750 --> 01:26:53,600

sexual offenses

2050

01:27:01,350 --> 01:26:57,760

and then the organization

2051

01:27:03,669 --> 01:27:01,360

that we were both part of covered up

2052

01:27:05,510 --> 01:27:03,679

his conviction he was convicted he pled

2053

01:27:07,750 --> 01:27:05,520

guilty to those child-related sexual

2054

01:27:09,350 --> 01:27:07,760

offenses and then immediately

2055

01:27:11,350 --> 01:27:09,360

just decided he was going to go do

2056

01:27:14,229 --> 01:27:11,360

children's birthday parties again right

2057

01:27:15,750 --> 01:27:14,239

after he got let out on probation

2058

01:27:17,430 --> 01:27:15,760

and yeah he slipped through the cracks

2059

01:27:19,189 --> 01:27:17,440

of the system

2060

01:27:20,629 --> 01:27:19,199

they assumed that he would never work

2061

01:27:22,470 --> 01:27:20,639

around children because if you work

2062

01:27:25,590 --> 01:27:22,480

around children your background checks

2063

01:27:28,149 --> 01:27:25,600

but not if you're self-employed so

2064

01:27:29,189 --> 01:27:28,159

you know it was a big controversy and i

2065

01:27:30,709 --> 01:27:29,199

kind of got

2066

01:27:33,110 --> 01:27:30,719

in the middle of it and blew the whistle

2067

01:27:34,629 --> 01:27:33,120

on this and i was shocked and amazed

2068

01:27:36,950 --> 01:27:34,639

that a national

2069

01:27:37,669 --> 01:27:36,960

and even an international organization

2070

01:27:39,750 --> 01:27:37,679

would

2071

01:27:41,750 --> 01:27:39,760

willingly and deliberately cover up the

2072

01:27:42,629 --> 01:27:41,760

conviction of a child-related sexual

2073

01:27:46,229 --> 01:27:42,639

offender and

2074

01:27:47,669 --> 01:27:46,239

even help him get shows again doing

2075

01:27:50,310 --> 01:27:47,679

shows for children

2076

01:27:51,030 --> 01:27:50,320

that was the world that we lived in 10

2077

01:27:52,950 --> 01:27:51,040

years ago

2078

01:27:54,550 --> 01:27:52,960

where that kind of stuff happened and it

2079

01:27:57,669 --> 01:27:54,560

was totally possible even

2080

01:28:00,950 --> 01:27:57,679

probable that prominent organizations

2081

01:28:02,790 --> 01:28:00,960

in order to you know save their public

2082

01:28:04,310 --> 01:28:02,800

face which is covered up when something

2083

01:28:05,669 --> 01:28:04,320

like that happened we've seen it happen

2084

01:28:07,110 --> 01:28:05,679

with the catholic church

2085

01:28:10,629 --> 01:28:07,120

it's happened with the boy scouts of

2086

01:28:12,629 --> 01:28:10,639

america it's happened with

2087

01:28:14,310 --> 01:28:12,639

the jehovah witnesses it's happened with

2088

01:28:15,590 --> 01:28:14,320

many organizations they just rather

2089

01:28:18,070 --> 01:28:15,600

cover it up

2090

01:28:19,510 --> 01:28:18,080

then they don't look bad but then more

2091

01:28:22,070 --> 01:28:19,520

children get hurt

2092

01:28:22,870 --> 01:28:22,080

so if nothing else about today i can say

2093

01:28:26,470 --> 01:28:22,880

that

2094

01:28:27,990 --> 01:28:26,480

because now

2095

01:28:30,229 --> 01:28:28,000

it appears that when something like that

2096

01:28:32,550 --> 01:28:30,239

happens there is no covering it up

2097

01:28:33,590 --> 01:28:32,560

thank god for the internet and freedom

2098

01:28:35,189 --> 01:28:33,600

of information

2099

01:28:37,510 --> 01:28:35,199

and all of those things because these

2100

01:28:39,189 --> 01:28:37,520

monsters should be identified

2101  
01:28:48,310 --> 01:28:39,199  
and they should be removed from our

2102  
01:28:52,790 --> 01:28:50,790  
there there is ufo seekers by the way

2103  
01:28:55,350 --> 01:28:52,800  
ufo seekers is one of the good guys

2104  
01:28:56,229 --> 01:28:55,360  
shout out to ufo seekers facebook posts

2105  
01:28:58,470 --> 01:28:56,239  
on sales

2106  
01:28:59,590 --> 01:28:58,480  
of mufon files you too can read all

2107  
01:29:02,070 --> 01:28:59,600  
about how

2108  
01:29:04,470 --> 01:29:02,080  
this nonprofit organization sold all

2109  
01:29:07,750 --> 01:29:04,480  
their files to a for-profit entity

2110  
01:29:10,229 --> 01:29:07,760  
in the form of bigelow aerospace

2111  
01:29:11,910 --> 01:29:10,239  
ridiculous and they never apologize to

2112  
01:29:13,510 --> 01:29:11,920  
my knowledge they didn't apologize for

2113  
01:29:16,149 --> 01:29:13,520

that or the confidentiality of the

2114

01:29:23,990 --> 01:29:16,159

people in the reports was not protected

2115

01:29:27,990 --> 01:29:24,000

this is a big problem it's a big problem

2116

01:29:31,350 --> 01:29:28,000

okay which leads me up to my follow-up

2117

01:29:35,590 --> 01:29:31,360

question is what do we really know

2118

01:29:40,950 --> 01:29:37,669

i can trust my experiences i can't prove

2119

01:29:42,310 --> 01:29:40,960

anything i just know what i know

2120

01:29:45,350 --> 01:29:42,320

oh i missed your first one pics i'm

2121

01:29:48,229 --> 01:29:45,360

sorry seems to me there is

2122

01:29:48,550 --> 01:29:48,239

seems there is next to no one folks

2123

01:29:51,830 --> 01:29:48,560

think

2124

01:29:58,310 --> 01:29:51,840

is reliable these days so yes yeah sadly

2125

01:30:01,910 --> 01:30:00,390

jeanette krazenko with a great point

2126  
01:30:03,750 --> 01:30:01,920  
just look at the catholic church and the

2127  
01:30:05,510 --> 01:30:03,760  
legionnaires

2128  
01:30:09,110 --> 01:30:05,520  
and i have to say jeanette i grew up

2129  
01:30:12,310 --> 01:30:09,120  
catholic i was even an altar boy

2130  
01:30:15,750 --> 01:30:12,320  
and thank god nothing happened to me

2131  
01:30:17,830 --> 01:30:15,760  
but i know someone

2132  
01:30:19,669 --> 01:30:17,840  
not so fortunate who i went to school

2133  
01:30:22,390 --> 01:30:19,679  
with at my church

2134  
01:30:23,830 --> 01:30:22,400  
and years later the priest that was

2135  
01:30:27,430 --> 01:30:23,840  
involved in that incident

2136  
01:30:29,669 --> 01:30:27,440  
and by the way totally

2137  
01:30:31,510 --> 01:30:29,679  
they totally chastised the sexual abuse

2138  
01:30:33,270 --> 01:30:31,520

victim in that case

2139

01:30:34,629 --> 01:30:33,280

told him that he was making things up

2140

01:30:37,430 --> 01:30:34,639

and telling stories about

2141

01:30:39,030 --> 01:30:37,440

poor father touch a kitty and i don't

2142

01:30:42,629 --> 01:30:39,040

want to say the guy's name

2143

01:30:44,550 --> 01:30:42,639

and uh you know years and years later

2144

01:30:45,750 --> 01:30:44,560

that priest was moved to a different

2145

01:30:49,030 --> 01:30:45,760

parish

2146

01:30:52,390 --> 01:30:49,040

and he got arrested for uh

2147

01:30:53,830 --> 01:30:52,400

child sexual abuse of a minor a male

2148

01:30:55,910 --> 01:30:53,840

minor again

2149

01:30:57,430 --> 01:30:55,920

so there's been warning signs of this

2150

01:31:05,590 --> 01:30:57,440

stuff and

2151

01:31:08,790 --> 01:31:07,110

laurie says william pixley i don't

2152

01:31:09,990 --> 01:31:08,800

really trust anyone anymore but dolan

2153

01:31:11,669 --> 01:31:10,000

has done a pretty good job over the

2154

01:31:13,750 --> 01:31:11,679

years and i also like what's his name

2155

01:31:16,070 --> 01:31:13,760

black wall john greenwald yes john

2156

01:31:18,390 --> 01:31:16,080

greenwald i am i like john greenwald

2157

01:31:19,990 --> 01:31:18,400

and i i still like richard dolan i just

2158

01:31:20,870 --> 01:31:20,000

disagree with richard dolan about a

2159

01:31:23,990 --> 01:31:20,880

great

2160

01:31:26,470 --> 01:31:24,000

many things and uh that may have

2161

01:31:28,550 --> 01:31:26,480

something to do with why

2162

01:31:30,070 --> 01:31:28,560

you know i stood up and cheered when he

2163

01:31:31,830 --> 01:31:30,080

was at that conference with these fake

2164

01:31:33,510 --> 01:31:31,840

fraud storytelling [h\_\_h] artists and

2165

01:31:35,350 --> 01:31:33,520

he stood up and said this is wrong

2166

01:31:36,790 --> 01:31:35,360

these people can't prove anything this

2167

01:31:38,310 --> 01:31:36,800

is not going to move the ball forward

2168

01:31:40,310 --> 01:31:38,320

this isn't science

2169

01:31:41,430 --> 01:31:40,320

none of these fake stories can be either

2170

01:31:44,310 --> 01:31:41,440

proven false or

2171

01:31:44,790 --> 01:31:44,320

true it does nothing for the debate that

2172

01:31:46,790 --> 01:31:44,800

you have

2173

01:31:47,910 --> 01:31:46,800

information that you can't even use

2174

01:31:51,110 --> 01:31:47,920

because it's not

2175

01:31:52,390 --> 01:31:51,120

verifiable as either true or false so i

2176  
01:31:53,830 --> 01:31:52,400  
stood up and cheered for him at that

2177  
01:31:56,709 --> 01:31:53,840  
time

2178  
01:31:58,149 --> 01:31:56,719  
but you know you look a little deeper

2179  
01:32:00,070 --> 01:31:58,159  
and you go well what's the difference

2180  
01:32:00,950 --> 01:32:00,080  
richard dolan between these guys selling

2181  
01:32:02,950 --> 01:32:00,960  
fairy tales

2182  
01:32:04,870 --> 01:32:02,960  
and you richard dolan because yes

2183  
01:32:06,310 --> 01:32:04,880  
richard dolan has sold some fairy tales

2184  
01:32:08,550 --> 01:32:06,320  
of his own

2185  
01:32:10,149 --> 01:32:08,560  
uh and you know i guess it's just a

2186  
01:32:12,229 --> 01:32:10,159  
matter of degrees

2187  
01:32:13,830 --> 01:32:12,239  
right like how bad are they selling

2188  
01:32:16,149 --> 01:32:13,840

[h\_\_h] are they just

2189

01:32:17,990 --> 01:32:16,159

you know are they selling mostly truth

2190

01:32:18,790 --> 01:32:18,000

and peppering in a little [h\_\_h] when

2191

01:32:21,830 --> 01:32:18,800

they don't have

2192

01:32:22,310 --> 01:32:21,840

much good uh content to share with

2193

01:32:23,590 --> 01:32:22,320

people

2194

01:32:25,350 --> 01:32:23,600

because they gotta keep pumping the

2195

01:32:27,430 --> 01:32:25,360

content out or

2196

01:32:29,030 --> 01:32:27,440

are they selling [h\_\_h] nearly full

2197

01:32:30,310 --> 01:32:29,040

time and everything they sell is

2198

01:32:31,430 --> 01:32:30,320

[h\_\_h] i mean that's what we're

2199

01:32:33,350 --> 01:32:31,440

getting to

2200

01:32:34,709 --> 01:32:33,360

we gotta have a [h\_\_h] scale for these

2201

01:32:37,270 --> 01:32:34,719

guys so that we can

2202

01:32:39,030 --> 01:32:37,280

wade through and tell you know and i

2203

01:32:40,629 --> 01:32:39,040

guess we're gonna just accept the guys

2204

01:32:41,669 --> 01:32:40,639

that are selling the least amount of

2205

01:32:44,070 --> 01:32:41,679

[h\_\_\h]

2206

01:32:47,669 --> 01:32:44,080

that we can tolerate i i don't know

2207

01:32:49,669 --> 01:32:47,679

anymore i just don't know anymore

2208

01:32:51,830 --> 01:32:49,679

don craig's phase this is something i

2209

01:32:53,270 --> 01:32:51,840

completely and totally agree with

2210

01:32:55,830 --> 01:32:53,280

i am sick of having to sit through the

2211

01:32:57,030 --> 01:32:55,840

wilcox goods visagos romanex etc it's

2212

01:32:58,950 --> 01:32:57,040

like being punished for having an

2213

01:33:00,950 --> 01:32:58,960

interest in ufology

2214

01:33:02,629 --> 01:33:00,960

greenwald is good though he's been doing

2215

01:33:05,750 --> 01:33:02,639

this since he was 15 years old

2216

01:33:08,310 --> 01:33:05,760

yeah and uh a good job that he does of

2217

01:33:09,990 --> 01:33:08,320

it too

2218

01:33:11,350 --> 01:33:10,000

william pixley says i would also

2219

01:33:13,510 --> 01:33:11,360

certainly know that consciousness

2220

01:33:14,629 --> 01:33:13,520

has a big part of whatever the weird

2221

01:33:17,189 --> 01:33:14,639

stuff is yeah

2222

01:33:19,350 --> 01:33:17,199

and you are i believe that consciousness

2223

01:33:21,590 --> 01:33:19,360

has a huge part to play in this

2224

01:33:23,189 --> 01:33:21,600

and this hugely unexplored area of the

2225

01:33:26,709 --> 01:33:23,199

phenomenon that should be

2226

01:33:30,070 --> 01:33:28,390

sixth design i grew up among many

2227

01:33:33,030 --> 01:33:30,080

religions now consider myself

2228

01:33:38,390 --> 01:33:33,040

agnostic i guess that's what ends up

2229

01:33:41,510 --> 01:33:40,550

the don craze phase i was an altar boy

2230

01:33:44,390 --> 01:33:41,520

in 1983

2231

01:33:48,070 --> 01:33:44,400

in 1985 i might have been an altar boy

2232

01:33:53,669 --> 01:33:51,669

gee from like 1982 to 1988

2233

01:33:56,229 --> 01:33:53,679

like a long time i was an altar boy and

2234

01:33:57,990 --> 01:33:56,239

they tried to he sent me to the cemetery

2235

01:34:00,149 --> 01:33:58,000

not cemetery that would have been a bad

2236

01:34:01,830 --> 01:34:00,159

thing this well was still a bad thing

2237

01:34:03,750 --> 01:34:01,840

they sent me to the seminary

2238

01:34:05,990 --> 01:34:03,760

which is the place where priests you

2239

01:34:07,430 --> 01:34:06,000

know go to school and are trained to

2240

01:34:10,550 --> 01:34:07,440

become priests

2241

01:34:13,590 --> 01:34:10,560

and try to convert me and brainwash me

2242

01:34:15,910 --> 01:34:13,600

into becoming a priest

2243

01:34:16,709 --> 01:34:15,920

uh that monogamy thing was it you know

2244

01:34:22,709 --> 01:34:16,719

it says

2245

01:34:26,070 --> 01:34:24,629

looks like ufo seekers has a multiple

2246

01:34:27,750 --> 01:34:26,080

level paywall

2247

01:34:30,390 --> 01:34:27,760

yeah i really don't know what his

2248

01:34:31,590 --> 01:34:30,400

financial stuff is about but everybody's

2249

01:34:33,430 --> 01:34:31,600

trying to make a living out there we

2250

01:34:34,149 --> 01:34:33,440

shouldn't fault anybody for having a pay

2251

01:34:37,270 --> 01:34:34,159

wall

2252

01:34:38,709 --> 01:34:37,280

after all uh i'm begging for donations

2253

01:34:40,550 --> 01:34:38,719

and patreon as well

2254

01:34:42,629 --> 01:34:40,560

we're all doing that everybody's got to

2255

01:34:45,189 --> 01:34:42,639

have that side hustle or

2256

01:34:45,990 --> 01:34:45,199

you know it's a tough world out there so

2257

01:34:49,189 --> 01:34:46,000

i've got my

2258

01:34:50,390 --> 01:34:49,199

begging bowl out i really cannot blame

2259

01:34:56,390 --> 01:34:50,400

anyone else

2260

01:35:14,550 --> 01:35:01,350

i am going to oh

2261

01:35:19,270 --> 01:35:14,560

here we go we have a donation

2262

01:35:25,669 --> 01:35:22,470

because uh they did not add a note

2263

01:35:28,709 --> 01:35:25,679

this late this last donation

2264

01:35:30,709 --> 01:35:28,719

um so if they could let

2265

01:35:32,470 --> 01:35:30,719

if anybody in the lie anybody who's in

2266

01:35:35,030 --> 01:35:32,480

the live chat could you let me know

2267

01:35:35,990 --> 01:35:35,040

somebody gave a 25 donation but i don't

2268

01:35:38,149 --> 01:35:36,000

want to

2269

01:35:39,270 --> 01:35:38,159

write or say the name that i got through

2270

01:35:42,229 --> 01:35:39,280

paypal

2271

01:35:48,790 --> 01:35:42,239

so somebody just gave a 25 dollar

2272

01:35:54,149 --> 01:35:51,990

brimsty just let me know if that was you

2273

01:35:56,149 --> 01:35:54,159

it was reemsty okay all right great so

2274

01:36:06,709 --> 01:35:56,159

give me one second

2275

01:36:10,629 --> 01:36:09,189

one second here friends we want to make

2276

01:36:13,189 --> 01:36:10,639

sure that we recognize

2277

01:36:15,990 --> 01:36:13,199

each and every person that is going to

2278

01:36:21,669 --> 01:36:16,000

donate to the send me your money fund

2279

01:36:21,679 --> 01:36:32,390

okay one second

2280

01:36:39,270 --> 01:36:36,870

okay now we're gonna come back here

2281

01:36:40,790 --> 01:36:39,280

and share this let's make sure that we

2282

01:36:44,470 --> 01:36:40,800

get this right

2283

01:36:47,510 --> 01:36:44,480

a big thank you big thank you

2284

01:36:50,629 --> 01:36:47,520

to reem c

2285

01:36:51,669 --> 01:36:50,639

here we are this is our not so super

2286

01:36:53,990 --> 01:36:51,679

chat

2287

01:36:55,669 --> 01:36:54,000

donation system but we want to recognize

2288

01:36:57,669 --> 01:36:55,679

each and every person that donates you

2289

01:37:01,030 --> 01:36:57,679

can donate a truth seekers

2290

01:37:02,629 --> 01:37:01,040

show at gmail.com you can send a paypal

2291

01:37:04,470 --> 01:37:02,639

or you can go to our main channel

2292

01:37:06,790 --> 01:37:04,480

and click the paypal donate button so

2293

01:37:10,070 --> 01:37:06,800

reemsie with a big 25

2294

01:37:13,430 --> 01:37:10,080

donation a record so far thank you

2295

01:37:15,830 --> 01:37:13,440

reemsy god bless you we truly

2296

01:37:17,350 --> 01:37:15,840

and sincerely appreciate your help and

2297

01:37:20,390 --> 01:37:17,360

kind assistance to keep

2298

01:37:21,669 --> 01:37:20,400

us creating this kind of content and to

2299

01:37:25,990 --> 01:37:21,679

keep the show

2300

01:37:29,030 --> 01:37:26,000

moving forward i am especially grateful

2301

01:37:31,270 --> 01:37:29,040

for you guys who are trusting in this

2302

01:37:33,189 --> 01:37:31,280

sort of uh ramshackle system that we

2303

01:37:35,030 --> 01:37:33,199

have developed to take donations until

2304

01:37:37,350 --> 01:37:35,040

we can use the more

2305

01:37:39,590 --> 01:37:37,360

normal means and we'll be able to do

2306

01:37:40,390 --> 01:37:39,600

that as long as we pass the subscriber

2307

01:37:43,430 --> 01:37:40,400

threshold

2308

01:37:46,310 --> 01:37:43,440

and are able to do that so thank you

2309

01:37:49,350 --> 01:37:46,320

reemsey we sincerely appreciate

2310

01:37:52,550 --> 01:37:49,360

uh all of that

2311

01:37:54,149 --> 01:37:52,560

love that you sent and i'll put your

2312

01:37:55,590 --> 01:37:54,159

i watch the show all the time says the

2313

01:37:56,790 --> 01:37:55,600

least i could do to contribute when i

2314

01:37:59,750 --> 01:37:56,800

have something extra

2315

01:38:00,229 --> 01:37:59,760

thank you reem sy we truly appreciate it

2316

01:38:03,270 --> 01:38:00,239

i

2317

01:38:06,310 --> 01:38:03,280

and uh

2318

01:38:08,550 --> 01:38:06,320

i'm always glad to see you here

2319

01:38:09,910 --> 01:38:08,560

and yes reem see i donated truth seekers

2320

01:38:11,590 --> 01:38:09,920

yes you did and we want to make sure

2321

01:38:13,270 --> 01:38:11,600

that we take the time to recognize

2322

01:38:16,310 --> 01:38:13,280

everyone that donates

2323

01:38:18,950 --> 01:38:16,320

um i'm glad that i uh

2324

01:38:20,550 --> 01:38:18,960

was able to catch that because i almost

2325

01:38:24,950 --> 01:38:20,560

forgot to check

2326

01:38:29,510 --> 01:38:26,790

i'm gonna go into my email for

2327

01:38:29,990 --> 01:38:29,520

truthseeker show gmail.com because that

2328

01:38:31,990 --> 01:38:30,000

will give

2329

01:38:35,270 --> 01:38:32,000

me a notification and that's what i

2330

01:38:39,350 --> 01:38:35,280

missed yeah here we go

2331

01:38:41,030 --> 01:38:39,360

yeah i missed your i missed the email

2332

01:38:42,950 --> 01:38:41,040

so i'm going to have email alerts from

2333

01:38:45,350 --> 01:38:42,960

now on so that i do not miss

2334

01:38:47,350 --> 01:38:45,360

any of the donations i sincerely

2335

01:38:48,550 --> 01:38:47,360

appreciate it reemsey and anybody else

2336

01:38:51,750 --> 01:38:48,560

that's donating

2337

01:38:53,430 --> 01:38:51,760

we're going to try something new here

2338

01:38:56,070 --> 01:38:53,440

so next month i'm going to get a new

2339

01:38:56,629 --> 01:38:56,080

microphone the one that i have is fine i

2340

01:38:58,470 --> 01:38:56,639

thought but

2341

01:38:59,910 --> 01:38:58,480

if if there's a guest with a really

2342

01:39:02,470 --> 01:38:59,920

expensive mic

2343

01:39:03,590 --> 01:39:02,480

it sounds shitty compared to the guests

2344

01:39:05,750 --> 01:39:03,600

so to fix that

2345

01:39:07,270 --> 01:39:05,760

thanks jason quit [ʌ\_\_ʌ] you jason quit

2346

01:39:08,629 --> 01:39:07,280

jason quit had to come on my show with a

2347

01:39:10,550 --> 01:39:08,639

really expensive mic

2348

01:39:12,070 --> 01:39:10,560

and sound super crystal clear while

2349

01:39:14,310 --> 01:39:12,080

apparently i sounded all

2350

01:39:16,390 --> 01:39:14,320

muddy and shitty so thanks jason quit

2351

01:39:18,149 --> 01:39:16,400

now i have to buy another microphone

2352

01:39:19,430 --> 01:39:18,159

uh but maybe we should have that here

2353

01:39:22,709 --> 01:39:19,440

anyway

2354

01:39:23,910 --> 01:39:22,719

um so next month as soon as the month

2355

01:39:27,030 --> 01:39:23,920

turns over

2356

01:39:29,430 --> 01:39:27,040

i'm waiting for that you know

2357

01:39:30,149 --> 01:39:29,440

next payout to buy the microphone but

2358

01:39:32,310 --> 01:39:30,159

then

2359

01:39:33,830 --> 01:39:32,320

a few other things a usb hub which i'm

2360

01:39:36,229 --> 01:39:33,840

already ordering

2361

01:39:37,990 --> 01:39:36,239

to cut down on the power situation

2362

01:39:38,830 --> 01:39:38,000

problems that should fix it i'm sure it

2363

01:39:41,750 --> 01:39:38,840

will

2364

01:39:42,950 --> 01:39:41,760

and the next thing that i would like to

2365

01:39:46,310 --> 01:39:42,960

do is i'm going to purchase

2366

01:39:47,750 --> 01:39:46,320

a few more inexpensive i found some

2367

01:39:49,510 --> 01:39:47,760

inexpensive webcams

2368

01:39:51,990 --> 01:39:49,520

that a friend of mine showed me that are

2369

01:39:55,350 --> 01:39:52,000

just almost as high quality as this

2370

01:39:57,189 --> 01:39:55,360

very expensive logitech uh webcam

2371

01:39:58,950 --> 01:39:57,199

and the thing is stream yard only allows

2372

01:40:01,189 --> 01:39:58,960

720 so

2373

01:40:03,109 --> 01:40:01,199

you don't even need a super expensive

2374

01:40:04,709 --> 01:40:03,119

webcam but what we're going to do

2375

01:40:06,629 --> 01:40:04,719

is we're going to get a couple of other

2376

01:40:10,070 --> 01:40:06,639

webcams and then we're going to do

2377

01:40:13,590 --> 01:40:10,080

multiple camera angles and we might do

2378

01:40:16,870 --> 01:40:13,600

even you know like a huge wide shot

2379

01:40:19,350 --> 01:40:16,880

so that you can see the whole studio

2380

01:40:20,790 --> 01:40:19,360

maybe a close-up camera we're always

2381

01:40:21,430 --> 01:40:20,800

trying to improve the system here and

2382

01:40:25,109 --> 01:40:21,440

you guys

2383

01:40:25,119 --> 01:40:30,870

genocide quit yeah

2384

01:40:34,830 --> 01:40:32,870

n6 design something else that could help

2385

01:40:36,070 --> 01:40:34,840

true seekers to share links on his

2386

01:40:39,109 --> 01:40:36,080

twitter

2387

01:40:41,109 --> 01:40:39,119

yes absolutely share links share

2388

01:40:42,149 --> 01:40:41,119

the links to the show share the links to

2389

01:40:43,510 --> 01:40:42,159

the channel

2390

01:40:45,030 --> 01:40:43,520

if you know somebody that likes this

2391

01:40:46,950 --> 01:40:45,040

kind of content you can really help us

2392

01:40:49,990 --> 01:40:46,960

just send them an email send them a dm

2393

01:40:52,149 --> 01:40:50,000

on twitter send them a pm on facebook

2394

01:40:54,149 --> 01:40:52,159

or put it on their wall you got to check

2395

01:40:56,470 --> 01:40:54,159

this channel out you would like it

2396

01:40:58,870 --> 01:40:56,480

and please subscribe we really need to

2397

01:41:01,430 --> 01:40:58,880

get the sub count up

2398

01:41:03,590 --> 01:41:01,440

who is this jason quit i heard the name

2399

01:41:04,070 --> 01:41:03,600

before but not familiar jason quit is a

2400

01:41:06,070 --> 01:41:04,080

sort of

2401  
01:41:07,750 --> 01:41:06,080  
fixture on jimmy church's radio show

2402  
01:41:09,830 --> 01:41:07,760  
lately he is a

2403  
01:41:10,950 --> 01:41:09,840  
person who wrote a book about his

2404  
01:41:14,470 --> 01:41:10,960  
experiences

2405  
01:41:17,510 --> 01:41:14,480  
and that experience is kind of like

2406  
01:41:17,990 --> 01:41:17,520  
uh what is the book called something

2407  
01:41:20,390 --> 01:41:18,000  
about

2408  
01:41:21,590 --> 01:41:20,400  
multi-dimensional multi-dimensional time

2409  
01:41:23,750 --> 01:41:21,600  
traveler

2410  
01:41:25,189 --> 01:41:23,760  
and he's got a lot of interesting uh

2411  
01:41:28,470 --> 01:41:25,199  
he's just a conspiracy

2412  
01:41:30,070 --> 01:41:28,480  
theory ufo alien consciousness kind of

2413  
01:41:32,790 --> 01:41:30,080

guy

2414

01:41:33,510 --> 01:41:32,800

i've done my previous radio show uh he

2415

01:41:35,430 --> 01:41:33,520

was on that

2416

01:41:37,109 --> 01:41:35,440

and he was on the first episode of truth

2417

01:41:39,590 --> 01:41:37,119

seekers if you want to see jason quit

2418

01:41:40,310 --> 01:41:39,600

don craig's fees look for the first

2419

01:41:42,870 --> 01:41:40,320

episode

2420

01:41:43,669 --> 01:41:42,880

of of this new show truth seekers uh

2421

01:41:45,590 --> 01:41:43,679

because he

2422

01:41:46,709 --> 01:41:45,600

was with me to talk about the hairy man

2423

01:41:48,229 --> 01:41:46,719

of alaska

2424

01:41:49,350 --> 01:41:48,239

he didn't get into his experience as

2425

01:41:50,229 --> 01:41:49,360

much but that'll give you a good

2426

01:41:52,070 --> 01:41:50,239

introduction

2427

01:41:54,709 --> 01:41:52,080

and jason's kind of a weird guy because

2428

01:41:56,310 --> 01:41:54,719

he's at the epicenter of all this stuff

2429

01:41:58,149 --> 01:41:56,320

like i mentioned that we're going to do

2430

01:41:59,590 --> 01:41:58,159

a show on the japanese suicide forest

2431

01:42:01,990 --> 01:41:59,600

and he pm

2432

01:42:03,750 --> 01:42:02,000

dm all these pictures of him at the

2433

01:42:05,270 --> 01:42:03,760

japanese suicide forest so he's going to

2434

01:42:06,310 --> 01:42:05,280

come on the show again to talk about

2435

01:42:07,910 --> 01:42:06,320

that

2436

01:42:09,669 --> 01:42:07,920

if there's a bigfoot sighting he's

2437

01:42:10,470 --> 01:42:09,679

around it for some reason i don't know

2438

01:42:12,149 --> 01:42:10,480

he just

2439

01:42:14,149 --> 01:42:12,159

maybe he is a multi-dimensional time

2440

01:42:15,990 --> 01:42:14,159

traveler because he finds himself

2441

01:42:18,629 --> 01:42:16,000

at the epicenter of all these strange

2442

01:42:22,470 --> 01:42:20,550

uh yes forbidden knowledge is the formal

2443

01:42:24,070 --> 01:42:22,480

title of the first jason quit book

2444

01:42:27,590 --> 01:42:24,080

and i highly recommend it it's a good

2445

01:42:32,229 --> 01:42:29,590

crazy got it we'll listen right after

2446

01:42:35,830 --> 01:42:34,310

jason's book joseph codes is pretty

2447

01:42:40,830 --> 01:42:35,840

amazing too

2448

01:42:46,790 --> 01:42:43,510

well jason quit is bigfoot

2449

01:42:52,470 --> 01:42:49,910

jason quit youtube channel is there

2450

01:42:54,550 --> 01:42:52,480

and there's a link just my last show

2451

01:42:56,070 --> 01:42:54,560

with uh with jason quit

2452

01:42:57,750 --> 01:42:56,080

jason quit is like my brother from

2453

01:42:59,830 --> 01:42:57,760

another mother he and i have so many

2454

01:43:01,669 --> 01:42:59,840

similar interests that it's scary

2455

01:43:03,270 --> 01:43:01,679

we both like synthesizers we grew up

2456

01:43:03,910 --> 01:43:03,280

listening to the same kind of music we

2457

01:43:06,070 --> 01:43:03,920

even went to

2458

01:43:07,270 --> 01:43:06,080

like all a lot of the same concerts but

2459

01:43:09,510 --> 01:43:07,280

in different cities

2460

01:43:11,109 --> 01:43:09,520

you know what i mean like we both could

2461

01:43:13,350 --> 01:43:11,119

recall like km fdm

2462

01:43:15,510 --> 01:43:13,360

from this year and things like that

2463

01:43:18,070 --> 01:43:15,520

skinny puppy

2464

01:43:19,510 --> 01:43:18,080

uh nine inch nails we both grew up with

2465

01:43:23,350 --> 01:43:19,520

the same kind of music

2466

01:43:26,790 --> 01:43:23,360

good guy yeah so friends

2467

01:43:27,270 --> 01:43:26,800

uh we're approaching an hour and 45

2468

01:43:29,910 --> 01:43:27,280

minutes

2469

01:43:30,950 --> 01:43:29,920

i think that we did what we could for

2470

01:43:33,109 --> 01:43:30,960

today

2471

01:43:34,709 --> 01:43:33,119

uh i wanted to mention somebody asked me

2472

01:43:37,830 --> 01:43:34,719

about the show schedule

2473

01:43:41,030 --> 01:43:37,840

and uh here's the deal we don't have one

2474

01:43:43,910 --> 01:43:41,040

i would like to have a schedule

2475

01:43:46,470 --> 01:43:43,920

but uh there's a lot of things going on

2476

01:43:49,270 --> 01:43:46,480

i never know quite what is happening

2477

01:43:50,550 --> 01:43:49,280

until the time comes so even like last

2478

01:43:51,270 --> 01:43:50,560

night i said there shouldn't be a show

2479

01:43:54,229 --> 01:43:51,280

tomorrow

2480

01:43:56,070 --> 01:43:54,239

i didn't know if there could be um i'm

2481

01:43:56,950 --> 01:43:56,080

going to call what we do no schedule and

2482

01:43:59,750 --> 01:43:56,960

rocking

2483

01:44:01,350 --> 01:43:59,760

which means uh i i don't really have a

2484

01:44:03,750 --> 01:44:01,360

schedule but i'm going to try

2485

01:44:04,709 --> 01:44:03,760

to do as many quality shows each week

2486

01:44:07,030 --> 01:44:04,719

that i can

2487

01:44:08,790 --> 01:44:07,040

what do i mean by that if i have a

2488

01:44:10,470 --> 01:44:08,800

subject that i've researched that i've

2489

01:44:12,470 --> 01:44:10,480

looked into sufficiently that i can

2490

01:44:13,590 --> 01:44:12,480

speak intelligently about and bring to

2491

01:44:16,709 --> 01:44:13,600

you guys

2492

01:44:18,390 --> 01:44:16,719

and do it in a good way i'm going to go

2493

01:44:20,870 --> 01:44:18,400

live and do the show

2494

01:44:23,270 --> 01:44:20,880

if i don't have something well prepared

2495

01:44:25,910 --> 01:44:23,280

i don't want to do the show

2496

01:44:27,830 --> 01:44:25,920

i'm not criticizing or critiquing other

2497

01:44:30,310 --> 01:44:27,840

content creators but i seem to see

2498

01:44:31,910 --> 01:44:30,320

a lot of people that i follow that

2499

01:44:33,990 --> 01:44:31,920

they're kind of like hit or miss

2500

01:44:35,750 --> 01:44:34,000

it's like when you tune in sometimes

2501

01:44:37,030 --> 01:44:35,760

they did their homework

2502

01:44:39,109 --> 01:44:37,040

you know you could tell they did their

2503

01:44:40,870 --> 01:44:39,119

homework and they're prepared to do a

2504

01:44:42,229 --> 01:44:40,880

good show and to show people some cool

2505

01:44:44,709 --> 01:44:42,239

stuff

2506

01:44:46,070 --> 01:44:44,719

and sometimes it's like well i just need

2507

01:44:48,629 --> 01:44:46,080

to stream so i'm just gonna

2508

01:44:49,270 --> 01:44:48,639

go live and wing it and talk about

2509

01:44:50,870 --> 01:44:49,280

whatever

2510

01:44:53,270 --> 01:44:50,880

and those shows to me are not as

2511

01:44:55,430 --> 01:44:53,280

appealing that's just my personal

2512

01:44:56,550 --> 01:44:55,440

that's just my personal way of doing it

2513

01:44:58,229 --> 01:44:56,560

i would prefer

2514

01:45:00,310 --> 01:44:58,239

a little more a little more structure

2515

01:45:03,030 --> 01:45:00,320

and a little more

2516

01:45:04,229 --> 01:45:03,040

homework being done so that i can speak

2517

01:45:11,430 --> 01:45:04,239

intelligently

2518

01:45:13,109 --> 01:45:11,440

the subject is and bring my viewers a

2519

01:45:16,470 --> 01:45:13,119

good show

2520

01:45:23,430 --> 01:45:16,480

so friends uh yeah bg says go with the

2521

01:45:29,270 --> 01:45:26,470

and stephen you should get a q h

2522

01:45:35,430 --> 01:45:29,280

ht session and report yeah that would be

2523

01:45:38,390 --> 01:45:36,870

personally i think my best stuff is

2524

01:45:39,830 --> 01:45:38,400

pre-recorded stuff i don't feel

2525

01:45:41,109 --> 01:45:39,840

comfortable live as much you know what

2526

01:45:43,430 --> 01:45:41,119

six's design everybody

2527

01:45:44,629 --> 01:45:43,440

knows i've said this a few times when i

2528

01:45:47,990 --> 01:45:44,639

started this show

2529

01:45:49,350 --> 01:45:48,000

i was terrified

2530

01:45:51,189 --> 01:45:49,360

because i was so used to this

2531

01:45:54,310 --> 01:45:51,199

pre-recorded radio show where

2532

01:45:56,550 --> 01:45:54,320

really nothing can go wrong it's hell

2533

01:45:58,070 --> 01:45:56,560

to do all that editing and production

2534

01:45:59,510 --> 01:45:58,080

and get it done in time

2535

01:46:03,109 --> 01:45:59,520

to hand it in and there were nights

2536

01:46:05,109 --> 01:46:03,119

where like i had a deadline of like

2537

01:46:06,470 --> 01:46:05,119

midnight or something and i would be

2538

01:46:09,270 --> 01:46:06,480

like 11 40

2539

01:46:10,149 --> 01:46:09,280

uploading the show for that week it was

2540

01:46:11,990 --> 01:46:10,159

rough

2541

01:46:14,070 --> 01:46:12,000

but i have to say this live format that

2542

01:46:16,470 --> 01:46:14,080

i was so um

2543

01:46:17,669 --> 01:46:16,480

apprehensive about and so anxiety

2544

01:46:19,910 --> 01:46:17,679

written about

2545

01:46:22,070 --> 01:46:19,920

you know it's starting that anxiety

2546

01:46:24,229 --> 01:46:22,080

level is starting to go down

2547

01:46:25,990 --> 01:46:24,239

uh like i said we're gonna do this show

2548

01:46:26,950 --> 01:46:26,000

here and i call it warts and all what

2549

01:46:29,990 --> 01:46:26,960

does that mean

2550

01:46:31,590 --> 01:46:30,000

that means things may happen uh the

2551

01:46:33,430 --> 01:46:31,600

screen may go bright blank

2552

01:46:34,550 --> 01:46:33,440

there may not be audio when i go to play

2553

01:46:37,109 --> 01:46:34,560

something because i keep forgetting to

2554

01:46:40,229 --> 01:46:37,119

click that stupid check box and like

2555

01:46:41,830 --> 01:46:40,239

you know the lights go in and out things

2556

01:46:43,350 --> 01:46:41,840

squeak

2557

01:46:45,590 --> 01:46:43,360

all kinds of things can happen because

2558

01:46:47,189 --> 01:46:45,600

you're live but

2559

01:46:48,709 --> 01:46:47,199

the best that you could do if you're

2560

01:46:49,510 --> 01:46:48,719

running a show like this is to try to

2561

01:46:52,470 --> 01:46:49,520

minimize

2562

01:46:54,310 --> 01:46:52,480

the problems and just deal with them and

2563

01:46:55,990 --> 01:46:54,320

also roll with the punches which means

2564

01:46:58,229 --> 01:46:56,000

if something goes wrong you just gotta

2565

01:47:00,709 --> 01:46:58,239

adapt and overcome and i'm getting

2566

01:47:03,590 --> 01:47:00,719

very comfortable with this pg says love

2567

01:47:09,270 --> 01:47:06,790

yeah william pixley uh william pixley

2568

01:47:10,310 --> 01:47:09,280

says live free form is 100 times better

2569

01:47:12,950 --> 01:47:10,320

for so many reasons

2570

01:47:14,550 --> 01:47:12,960

uh here's what i will say but when i did

2571

01:47:17,990 --> 01:47:14,560

the radio show i had to spend

2572

01:47:19,910 --> 01:47:18,000

all of this time it took a tremendous

2573

01:47:21,990 --> 01:47:19,920

amount more time because

2574

01:47:23,830 --> 01:47:22,000

a lot of times okay let's say it was a

2575

01:47:25,669 --> 01:47:23,840

two-hour show if i had a guest that

2576

01:47:27,030 --> 01:47:25,679

means i had to interview a guest for at

2577

01:47:28,790 --> 01:47:27,040

least an hour and a half

2578

01:47:31,030 --> 01:47:28,800

so i'd have to call the guest before the

2579

01:47:32,629 --> 01:47:31,040

show interview the guest for

2580

01:47:34,070 --> 01:47:32,639

an hour and a half then i have to pull

2581

01:47:37,109 --> 01:47:34,080

that audio into

2582

01:47:37,750 --> 01:47:37,119

like a template that we made in an audio

2583

01:47:39,669 --> 01:47:37,760

editor

2584

01:47:41,510 --> 01:47:39,679

then we have the intro and then we have

2585

01:47:43,590 --> 01:47:41,520

the commercials

2586

01:47:44,709 --> 01:47:43,600

slapped in between and somehow you gotta

2587

01:47:46,950 --> 01:47:44,719

cut up the interview

2588

01:47:48,790 --> 01:47:46,960

and then the outro music and all this

2589

01:47:50,149 --> 01:47:48,800

stuff and then you gotta mix it and then

2590

01:47:51,910 --> 01:47:50,159

you gotta master it

2591

01:47:53,750 --> 01:47:51,920

and then i would have to upload it to

2592

01:47:56,149 --> 01:47:53,760

the radio uh

2593

01:47:57,590 --> 01:47:56,159

you know to the the network which was

2594

01:48:01,669 --> 01:47:57,600

the fringe fm

2595

01:48:04,470 --> 01:48:01,679

and uh then i had to make a video

2596

01:48:05,109 --> 01:48:04,480

to put on youtube and then we were doing

2597

01:48:07,270 --> 01:48:05,119

like live

2598

01:48:08,310 --> 01:48:07,280

premieres but to make the video for

2599

01:48:11,750 --> 01:48:08,320

youtube took an

2600

01:48:12,390 --> 01:48:11,760

hour to you know and to render it upload

2601  
01:48:15,590 --> 01:48:12,400  
it

2602  
01:48:18,310 --> 01:48:15,600  
hour show

2603  
01:48:18,790 --> 01:48:18,320  
this format is so much easier for me

2604  
01:48:20,790 --> 01:48:18,800  
because

2605  
01:48:22,470 --> 01:48:20,800  
honestly like i said things are going to

2606  
01:48:22,870 --> 01:48:22,480  
go wrong things are not going to work

2607  
01:48:24,870 --> 01:48:22,880  
right

2608  
01:48:27,350 --> 01:48:24,880  
but i'm learning to just let things go

2609  
01:48:30,070 --> 01:48:27,360  
like i'm not going to edit anything

2610  
01:48:30,709 --> 01:48:30,080  
anymore warps and all if something goes

2611  
01:48:31,669 --> 01:48:30,719  
wrong

2612  
01:48:33,109 --> 01:48:31,679  
you're going gonna have to forgive me

2613  
01:48:35,350 --> 01:48:33,119

for that we'll try to do better next

2614

01:48:38,470 --> 01:48:35,360

time but here i go live

2615

01:48:41,590 --> 01:48:38,480

i am well prepared i do the show

2616

01:48:44,070 --> 01:48:41,600

and then it's when the stream ends uh

2617

01:48:46,070 --> 01:48:44,080

now it was taking like 12 hours now it's

2618

01:48:47,750 --> 01:48:46,080

an hour maybe or even less

2619

01:48:49,830 --> 01:48:47,760

now i don't know if youtube's catching

2620

01:48:51,350 --> 01:48:49,840

up or something and the show appears on

2621

01:48:52,950 --> 01:48:51,360

the channel and it's there and i don't

2622

01:48:54,790 --> 01:48:52,960

have to edit anything i don't have to

2623

01:48:55,750 --> 01:48:54,800

upload something separately make another

2624

01:48:57,910 --> 01:48:55,760

video

2625

01:48:59,189 --> 01:48:57,920

you know it's just a much better format

2626

01:49:03,189 --> 01:48:59,199

for pumping out

2627

01:49:06,390 --> 01:49:05,109

john claude says i prefer live streaming

2628

01:49:07,510 --> 01:49:06,400

i don't have time for all the post

2629

01:49:09,590 --> 01:49:07,520

editing yeah it was

2630

01:49:10,709 --> 01:49:09,600

i didn't realize how much time i spent

2631

01:49:13,270 --> 01:49:10,719

doing editing

2632

01:49:14,950 --> 01:49:13,280

until that responsibility was gone for

2633

01:49:16,629 --> 01:49:14,960

my life and i gotta say i love the

2634

01:49:19,830 --> 01:49:16,639

freedom and the power of this

2635

01:49:22,790 --> 01:49:19,840

william pixley research and go

2636

01:49:23,189 --> 01:49:22,800

phil blair late as usual fashionably

2637

01:49:27,030 --> 01:49:23,199

late

2638

01:49:29,510 --> 01:49:27,040

good evening friends and he says here i

2639

01:49:35,270 --> 01:49:29,520

go live

2640

01:49:41,589 --> 01:49:39,189

again i would say friends that uh

2641

01:49:43,189 --> 01:49:41,599

i'm not sure about shows for the next

2642

01:49:44,310 --> 01:49:43,199

several nights because i'm going to be

2643

01:49:48,149 --> 01:49:44,320

heading to the cabin

2644

01:49:51,669 --> 01:49:48,159

with my kids and my wife if there's time

2645

01:49:54,550 --> 01:49:51,679

i may do a few streams between

2646

01:49:57,109 --> 01:49:54,560

tomorrow night and sunday night it just

2647

01:49:57,669 --> 01:49:57,119

depends on how things work out with the

2648

01:49:59,510 --> 01:49:57,679

kids

2649

01:50:01,350 --> 01:49:59,520

if they're going to sleep at night you

2650

01:50:03,830 --> 01:50:01,360

know if they go to sleep then maybe i'll

2651

01:50:06,229 --> 01:50:03,840

get a chance to do a show i'm taking

2652

01:50:07,669 --> 01:50:06,239

uh material with me just in case i have

2653

01:50:10,629 --> 01:50:07,679

time and i would really like to do a

2654

01:50:14,070 --> 01:50:10,639

stream for uh

2655

01:50:15,030 --> 01:50:14,080

like a big fire behind me i have a whole

2656

01:50:17,109 --> 01:50:15,040

lot of this

2657

01:50:18,950 --> 01:50:17,119

crap around the cabin and we have to

2658

01:50:20,149 --> 01:50:18,960

burn stuff to get rid of it

2659

01:50:22,310 --> 01:50:20,159

that's the only way to get rid of some

2660

01:50:25,109 --> 01:50:22,320

things you know scrap wood and damn

2661

01:50:26,950 --> 01:50:25,119

trees and so i think we're going to do

2662

01:50:28,790 --> 01:50:26,960

sort of a bonfire behind me

2663

01:50:30,790 --> 01:50:28,800

during a stream at the cabin i thought

2664

01:50:32,550 --> 01:50:30,800

that would be fun and give me an excuse

2665

01:50:35,030 --> 01:50:32,560

to have a bonfire because who doesn't

2666

01:50:37,350 --> 01:50:35,040

like a bonfire

2667

01:50:39,109 --> 01:50:37,360

so friends i want to thank each and

2668

01:50:40,790 --> 01:50:39,119

every one of you for joining me

2669

01:50:42,629 --> 01:50:40,800

remind you that you can find me on

2670

01:50:44,229 --> 01:50:42,639

patreon if you want to support the show

2671

01:50:46,390 --> 01:50:44,239

for as little as a dollar a month just

2672

01:50:49,030 --> 01:50:46,400

search by my name stevencambian

2673

01:50:49,430 --> 01:50:49,040

or you can go to our main channel here

2674

01:50:53,270 --> 01:50:49,440

uh

2675

01:50:55,589 --> 01:50:53,280

which is youtube backslash c backslash

2676  
01:50:56,470 --> 01:50:55,599  
truthseeker show and there's a paypal

2677  
01:50:58,070 --> 01:50:56,480  
donate button

2678  
01:51:00,470 --> 01:50:58,080  
if you want to give me some money oh

2679  
01:51:04,709 --> 01:51:00,480  
before i before i end here let's make

2680  
01:51:07,430 --> 01:51:06,149  
yeah i just want to make sure that we

2681  
01:51:08,629 --> 01:51:07,440  
didn't have any other donations because

2682  
01:51:10,790 --> 01:51:08,639  
i don't want to not

2683  
01:51:12,870 --> 01:51:10,800  
uh recognize somebody it looks like

2684  
01:51:16,709 --> 01:51:12,880  
that's we're good for the donations for

2685  
01:51:23,109 --> 01:51:20,310  
and for from uh and thank you uh

2686  
01:51:24,470 --> 01:51:23,119  
rimsey sincerely from the bottom of my

2687  
01:51:26,870 --> 01:51:24,480  
heart for your kindness and your

2688  
01:51:27,910 --> 01:51:26,880

generosity and your continued support of

2689

01:51:31,350 --> 01:51:27,920

the show

2690

01:51:33,109 --> 01:51:31,360

going uh

2691

01:51:34,709 --> 01:51:33,119

we're getting some new equipment i'm

2692

01:51:36,390 --> 01:51:34,719

even thinking i'll do an accounting

2693

01:51:38,070 --> 01:51:36,400

report so i can show everybody that

2694

01:51:38,470 --> 01:51:38,080

every gun that we take in here is going

2695

01:51:40,709 --> 01:51:38,480

back

2696

01:51:42,229 --> 01:51:40,719

into the show to try to improve it to

2697

01:51:45,669 --> 01:51:42,239

try to make it better

2698

01:51:47,189 --> 01:51:45,679

and you know for us to try to continue

2699

01:51:49,270 --> 01:51:47,199

moving forward here

2700

01:51:50,870 --> 01:51:49,280

we've got a lot of great shows coming up

2701

01:51:53,990 --> 01:51:50,880

including another

2702

01:51:56,390 --> 01:51:54,000

appearance by jason quit

2703

01:51:57,270 --> 01:51:56,400

uh we've got a show coming up with dan

2704

01:52:00,390 --> 01:51:57,280

hogan

2705

01:52:03,270 --> 01:52:00,400

about evps and i'm working on the evp

2706

01:52:05,030 --> 01:52:03,280

files i'll let you know how that goes

2707

01:52:06,870 --> 01:52:05,040

and uh hopefully we're still going to

2708

01:52:09,109 --> 01:52:06,880

have the interview with

2709

01:52:10,870 --> 01:52:09,119

sarah adams to conclude the strange case

2710

01:52:11,990 --> 01:52:10,880

of sarah adams and there's going to be a

2711

01:52:14,390 --> 01:52:12,000

few surprises

2712

01:52:16,390 --> 01:52:14,400

to conclude the end of the strange case

2713

01:52:19,030 --> 01:52:16,400

of sarah adams

2714

01:52:19,750 --> 01:52:19,040

so friends until next time i'm stephen

2715

01:52:48,090 --> 01:52:19,760

cambion

2716

01:53:38,830 --> 01:53:02,890

[Music]

2717

01:53:43,360 --> 01:53:38,840

[Applause]

2718

01:54:04,590 --> 01:54:02,610

[Music]

2719

01:54:32,780 --> 01:54:04,600

[Applause]

2720

01:54:33,770 --> 01:54:32,790

[Music]

2721

01:54:55,830 --> 01:54:33,780

[Applause]
