

1
00:00:02,900 --> 00:00:28,830
[Music]

2
00:00:28,840 --> 00:00:32,370
so

3
00:02:03,270 --> 00:01:34,090
[Music]

4
00:02:06,630 --> 00:02:05,749
greetings and salutations friends and

5
00:02:09,749 --> 00:02:06,640
welcome back

6
00:02:10,869 --> 00:02:09,759
to truth seekers tonight we're going to

7
00:02:15,030 --> 00:02:10,879
be exploring

8
00:02:19,110 --> 00:02:15,040
another strange and mysterious story

9
00:02:21,670 --> 00:02:19,120
and that would be the bosnian pyramids

10
00:02:23,350 --> 00:02:21,680
for those that don't know about the

11
00:02:26,630 --> 00:02:23,360
bosnian periods

12
00:02:34,070 --> 00:02:30,630
in about 2005 a story

13
00:02:37,830 --> 00:02:34,080

broke and i remember it being all over

14

00:02:42,229 --> 00:02:37,840

the internet about

15

00:02:45,430 --> 00:02:42,239

some apparent pyramids in bosnia

16

00:02:47,430 --> 00:02:45,440

now first to me these

17

00:02:50,309 --> 00:02:47,440

while bearing some resemblance to

18

00:02:54,630 --> 00:02:50,319

pyramids looked like

19

00:02:57,990 --> 00:02:54,640

natural formations to me

20

00:03:01,110 --> 00:02:58,000

but i looked a little deeper into it and

21

00:03:04,470 --> 00:03:01,120

the story no matter what you believe is

22

00:03:05,509 --> 00:03:04,480

a mystery are these natural formations

23

00:03:08,710 --> 00:03:05,519

just hills

24

00:03:11,990 --> 00:03:08,720

that resemble pyramids or

25

00:03:15,509 --> 00:03:12,000

were they man-made structures that

26

00:03:18,390 --> 00:03:15,519

had been lost to time covered over by

27

00:03:20,869 --> 00:03:18,400

dirt and sediment throughout the

28

00:03:26,229 --> 00:03:20,879

centuries

29

00:03:29,509 --> 00:03:28,789

it's a great mystery friends and tonight

30

00:03:33,990 --> 00:03:29,519

we're gonna

31

00:03:39,430 --> 00:03:36,550

okay first i'll turn my attention to the

32

00:03:44,830 --> 00:03:39,440

live chat and give some shout outs here

33

00:03:47,430 --> 00:03:44,840

we have bg's carol utley genocide

34

00:03:50,869 --> 00:03:47,440

uh and dan

35

00:03:54,869 --> 00:03:50,879

hogan uh that i see

36

00:03:57,910 --> 00:03:57,190

also not quite sure tonight we're

37

00:04:02,869 --> 00:03:57,920

supposed to be

38

00:04:06,149 --> 00:04:02,879

our first stream to twitch

39

00:04:09,670 --> 00:04:06,159

uh and it appears that they got

40

00:04:15,190 --> 00:04:13,270

of our show

41

00:04:16,629 --> 00:04:15,200

i don't understand what's going on with

42

00:04:18,310 --> 00:04:16,639

twitch uh

43

00:04:19,670 --> 00:04:18,320

i guess we're gonna have some issues to

44

00:04:22,710 --> 00:04:19,680

work out with it

45

00:04:23,350 --> 00:04:22,720

uh oh no uh it's saying that we're live

46

00:04:27,110 --> 00:04:23,360

now

47

00:04:29,270 --> 00:04:27,120

but oh i have to start watching it

48

00:04:32,550 --> 00:04:29,280

so friends please forgive me because i'm

49

00:04:37,749 --> 00:04:36,390

oh yeah so yeah good it appears my

50

00:04:39,670 --> 00:04:37,759

friends that tonight

51
00:04:41,189 --> 00:04:39,680
is the first broadcast where we are

52
00:04:44,790 --> 00:04:41,199
streaming live

53
00:04:47,350 --> 00:04:44,800
on facebook live youtube and now

54
00:04:48,550 --> 00:04:47,360
also twitch so if you do have a twitch

55
00:04:52,150 --> 00:04:48,560
account please go

56
00:04:55,030 --> 00:04:52,160
and follow me there uh

57
00:04:55,749 --> 00:04:55,040
that would be awesome and it's twitch.tv

58
00:04:59,350 --> 00:04:55,759
backslash

59
00:05:00,629 --> 00:04:59,360
truth seeker show i meant to make a

60
00:05:03,830 --> 00:05:00,639
graphic for this but

61
00:05:07,110 --> 00:05:03,840
i haven't gotten to it quite yet

62
00:05:09,029 --> 00:05:07,120
but that's some extremely good news that

63
00:05:11,350 --> 00:05:09,039

means we have one more destination one

64

00:05:16,150 --> 00:05:11,360

more way for people to find us

65

00:05:22,070 --> 00:05:19,830

uh here we have uh brian cannot tell who

66

00:05:23,909 --> 00:05:22,080

says shalom blessings everyone

67

00:05:26,150 --> 00:05:23,919

brian i'm not sure that i've seen you in

68

00:05:29,350 --> 00:05:26,160

the live chat before if you are new

69

00:05:32,550 --> 00:05:29,360

and you like uh these kind of

70

00:05:35,110 --> 00:05:32,560

content mysterious subjects conspiracies

71

00:05:37,430 --> 00:05:35,120

ufos cryptic creatures please do

72

00:05:38,950 --> 00:05:37,440

subscribe to our channel we're trying to

73

00:05:42,310 --> 00:05:38,960

grow our audience

74

00:05:45,189 --> 00:05:42,320

and i would immensely appreciate

75

00:05:46,710 --> 00:05:45,199

uh your kindness to be a new subscriber

76

00:05:49,270 --> 00:05:46,720

welcome

77

00:05:52,150 --> 00:05:49,280

so you know i first heard the story of

78

00:05:54,469 --> 00:05:52,160

the bosnian pyramids some time ago

79

00:05:55,510 --> 00:05:54,479

probably when it first hit and i'm going

80

00:05:57,909 --> 00:05:55,520

to just

81

00:05:59,029 --> 00:05:57,919

share my uh i'm just going to share a

82

00:06:01,749 --> 00:05:59,039

browser tab

83

00:06:03,350 --> 00:06:01,759

searching images for bosnian pyramids so

84

00:06:06,710 --> 00:06:03,360

you guys

85

00:06:10,309 --> 00:06:06,720

will be able to see why did that happen

86

00:06:13,909 --> 00:06:12,230

i want you guys to be able to see what

87

00:06:17,029 --> 00:06:13,919

it is that i'm talking about

88

00:06:19,909 --> 00:06:17,039

hear what you think are these

89

00:06:20,790 --> 00:06:19,919

actually ancient pyramids that have been

90

00:06:23,749 --> 00:06:20,800

covered over

91

00:06:24,790 --> 00:06:23,759

somehow with sediment and plant life

92

00:06:28,710 --> 00:06:24,800

through the ages

93

00:06:32,070 --> 00:06:28,720

or are these a naturally

94

00:06:36,150 --> 00:06:32,080

occurring phenomenon let's

95

00:06:40,870 --> 00:06:36,160

uh take a look at my bosnian pyramids

96

00:06:45,590 --> 00:06:43,990

here we can see why

97

00:06:47,350 --> 00:06:45,600

some people believe that these are

98

00:06:49,510 --> 00:06:47,360

actual pyramids so this is an

99

00:06:51,029 --> 00:06:49,520

artist's depiction here with uh

100

00:06:54,230 --> 00:06:51,039

something added there

101
00:06:57,430 --> 00:06:54,240
but yeah

102
00:07:00,309 --> 00:06:57,440
some of the mysteries here are

103
00:07:01,670 --> 00:07:00,319
i don't i'm not sure if i believe some

104
00:07:01,990 --> 00:07:01,680
of the claims that are being made

105
00:07:05,510 --> 00:07:02,000
because

106
00:07:09,189 --> 00:07:05,520
there's an incredible amount of claims

107
00:07:12,950 --> 00:07:09,199
that have been made and uh here we see

108
00:07:15,350 --> 00:07:12,960
dr sam seymour osmanovic phd

109
00:07:15,990 --> 00:07:15,360
who is the person responsible for really

110
00:07:18,870 --> 00:07:16,000
bringing us

111
00:07:20,150 --> 00:07:18,880
the story of the bosnian pyramids now

112
00:07:23,510 --> 00:07:20,160
look at that

113
00:07:26,629 --> 00:07:23,520

and of course they're not just one

114

00:07:28,230 --> 00:07:26,639

there are multiple of these mounds that

115

00:07:31,589 --> 00:07:28,240

this gentleman

116

00:07:33,749 --> 00:07:31,599

claims are very old

117

00:07:35,430 --> 00:07:33,759

pyramidal structures uh that have been

118

00:07:37,909 --> 00:07:35,440

obscured through history

119

00:07:40,710 --> 00:07:37,919

and here we see uh from one of the

120

00:07:44,070 --> 00:07:40,720

original newspaper articles 30 000 year

121

00:07:46,550 --> 00:07:44,080

old bosnian pyramid of the sun

122

00:07:47,189 --> 00:07:46,560

because civilization only began 10 000

123

00:07:49,189 --> 00:07:47,199

years ago

124

00:07:51,430 --> 00:07:49,199

and again that was one of the headlines

125

00:07:54,390 --> 00:07:51,440

that i remember seeing pyramid found in

126

00:07:59,749 --> 00:07:58,629

and this is an artist's depiction of

127

00:08:01,589 --> 00:07:59,759

what he believes

128

00:08:03,029 --> 00:08:01,599

it looks like underneath the dirt the

129

00:08:06,550 --> 00:08:03,039

sediment the rocks

130

00:08:09,990 --> 00:08:06,560

the plant life um which is

131

00:08:13,589 --> 00:08:10,000

basically a lot like a mexican step

132

00:08:17,029 --> 00:08:13,599

pyramid or the egyptian stepped pyramid

133

00:08:22,309 --> 00:08:17,039

now i wanted to mention

134

00:08:29,510 --> 00:08:26,150

uh he emigrated to the united states uh

135

00:08:33,190 --> 00:08:29,520

during the bosnian war

136

00:08:33,190 --> 00:08:33,200

um but

137

00:08:36,790 --> 00:08:34,709

one of the things i find interesting is

138

00:08:38,149 --> 00:08:36,800

that this man is making a great deal of

139

00:08:40,149 --> 00:08:38,159

archaeological

140

00:08:42,149 --> 00:08:40,159

claims of all these discoveries and he's

141

00:08:43,829 --> 00:08:42,159

not an archaeologist

142

00:08:45,750 --> 00:08:43,839

uh not to say you need to be an

143

00:08:46,870 --> 00:08:45,760

archaeologist to make archaeological

144

00:08:49,590 --> 00:08:46,880

discoveries but

145

00:08:50,710 --> 00:08:49,600

i would think that it helps uh he's not

146

00:08:54,630 --> 00:08:50,720

an archaeologist

147

00:08:56,310 --> 00:08:54,640

he had a job as a marketing assistant

148

00:08:58,470 --> 00:08:56,320

for a company that produced parts for

149

00:09:01,590 --> 00:08:58,480

oil and gas wells and later he formed

150

00:09:03,670 --> 00:09:01,600

his own manufacturing company

151
00:09:05,910 --> 00:09:03,680
and he actually has a master's degree in

152
00:09:06,949 --> 00:09:05,920
international economics and politics of

153
00:09:09,829 --> 00:09:06,959
all things

154
00:09:10,470 --> 00:09:09,839
how that qualifies him to uh sort of go

155
00:09:12,870 --> 00:09:10,480
up against

156
00:09:14,070 --> 00:09:12,880
all the experts in the actual field of

157
00:09:17,350 --> 00:09:14,080
archaeology

158
00:09:19,990 --> 00:09:17,360
there are archaeologists i'm not sure uh

159
00:09:22,949 --> 00:09:20,000
and he has barbed back and forth with

160
00:09:23,829 --> 00:09:22,959
real archaeologists over his claims uh

161
00:09:27,269 --> 00:09:23,839
since

162
00:09:30,949 --> 00:09:27,279
you know like i said around 2005

163
00:09:32,550 --> 00:09:30,959

his credibility uh and his claims have

164

00:09:36,070 --> 00:09:32,560

come under

165

00:09:39,829 --> 00:09:36,080

probably uh universal mockery

166

00:09:43,190 --> 00:09:39,839

and you know condemnation by actual

167

00:09:45,030 --> 00:09:43,200

respected archaeologists um

168

00:09:47,269 --> 00:09:45,040

you know they believe that these are

169

00:09:51,269 --> 00:09:47,279

just natural formations

170

00:09:52,790 --> 00:09:51,279

and that there is absolutely nothing to

171

00:09:55,030 --> 00:09:52,800

his claim

172

00:09:56,550 --> 00:09:55,040

and it's important to note that this is

173

00:10:00,790 --> 00:09:56,560

uh the town of

174

00:10:04,069 --> 00:10:00,800

the sacco northwest of sarajevo

175

00:10:06,069 --> 00:10:04,079

and until they got this bosnian

176
00:10:07,430 --> 00:10:06,079
pyramid of the sun thing though and they

177
00:10:10,389 --> 00:10:07,440
had zero

178
00:10:12,069 --> 00:10:10,399
tourism nobody visited that town just a

179
00:10:16,389 --> 00:10:12,079
little sleepy town

180
00:10:18,630 --> 00:10:16,399
you know in bosnia near sarajevo

181
00:10:20,630 --> 00:10:18,640
uh which would be you know a much larger

182
00:10:23,430 --> 00:10:20,640
place that people do visit

183
00:10:25,750 --> 00:10:23,440
um one of the interesting things about

184
00:10:27,269 --> 00:10:25,760
this case is that once these claims

185
00:10:31,269 --> 00:10:27,279
started to be made

186
00:10:35,509 --> 00:10:31,279
the town got all in on it with this

187
00:10:38,230 --> 00:10:35,519
uh mr osmanagic

188
00:10:40,069 --> 00:10:38,240

they got behind it a hundred percent

189

00:10:41,110 --> 00:10:40,079

they started bringing school children

190

00:10:42,630 --> 00:10:41,120

there to tours

191

00:10:44,310 --> 00:10:42,640

and they would tell the school children

192

00:10:47,670 --> 00:10:44,320

this is a pyramid

193

00:10:50,949 --> 00:10:47,680

this is real this is part of your

194

00:10:52,630 --> 00:10:50,959

grand bosnian heritage our ancestors

195

00:10:54,230 --> 00:10:52,640

were amazing people and they created

196

00:10:57,670 --> 00:10:54,240

these pyramids

197

00:11:01,030 --> 00:10:57,680

um i'm not sure

198

00:11:03,190 --> 00:11:01,040

that i'm buying it uh but there's been

199

00:11:04,230 --> 00:11:03,200

some really interesting discoveries that

200

00:11:07,990 --> 00:11:04,240

this person

201
00:11:11,590 --> 00:11:08,000
uh azmanajik has made to his credit

202
00:11:13,430 --> 00:11:11,600
and with each little crumb he sort of

203
00:11:18,550 --> 00:11:13,440
tries to continue

204
00:11:18,560 --> 00:11:24,230
yeah so uh

205
00:11:30,949 --> 00:11:28,310
yeah in 2007 uh they set up a foundation

206
00:11:32,470 --> 00:11:30,959
uh with osmanagic to support excavation

207
00:11:34,069 --> 00:11:32,480
on the hills

208
00:11:36,310 --> 00:11:34,079
and you can see some videos where

209
00:11:38,470 --> 00:11:36,320
there's like tons of townspeople and

210
00:11:39,750 --> 00:11:38,480
stuff helping him dig this thing up and

211
00:11:42,949 --> 00:11:39,760
try to get to the proof

212
00:11:44,150 --> 00:11:42,959
right so far the proof has been very

213
00:11:47,509 --> 00:11:44,160

light

214

00:11:47,750 --> 00:11:47,519

they found some artificial concrete sort

215

00:11:51,030 --> 00:11:47,760

of

216

00:11:53,190 --> 00:11:51,040

roadways um that

217

00:11:54,150 --> 00:11:53,200

yeah those were man-made they had to be

218

00:11:56,550 --> 00:11:54,160

because somebody

219

00:11:57,990 --> 00:11:56,560

poured blocks of concrete and laid out

220

00:12:01,350 --> 00:11:58,000

blocks of concrete

221

00:12:03,269 --> 00:12:01,360

around the base of this thing which

222

00:12:05,110 --> 00:12:03,279

i find very compelling and very

223

00:12:06,069 --> 00:12:05,120

interesting is that proof that it's a

224

00:12:10,389 --> 00:12:06,079

pyramid

225

00:12:12,550 --> 00:12:10,399

no i don't know

226

00:12:14,550 --> 00:12:12,560

i have mentioned here that in an article

227

00:12:17,750 --> 00:12:14,560

uh of archaeology

228

00:12:18,069 --> 00:12:17,760

magazine beth campshore refused refers

229

00:12:21,350 --> 00:12:18,079

to

230

00:12:23,350 --> 00:12:21,360

osmona book the world of the maya

231

00:12:24,949 --> 00:12:23,360

which suggests that the maya here's

232

00:12:26,949 --> 00:12:24,959

where we get into the crazy

233

00:12:29,509 --> 00:12:26,959

were descendants of aliens from the

234

00:12:31,829 --> 00:12:29,519

pleiades by way of atlantis

235

00:12:33,910 --> 00:12:31,839

as manager wrote in his book where

236

00:12:35,990 --> 00:12:33,920

perhaps those who were

237

00:12:38,069 --> 00:12:36,000

ready picked up in spaceships by their

238

00:12:39,829 --> 00:12:38,079

mentors from the pleiades star cluster

239

00:12:41,750 --> 00:12:39,839

where perhaps they joined the lords of

240

00:12:45,430 --> 00:12:41,760

the galaxy and in pods of light

241

00:12:47,670 --> 00:12:45,440

set off on a journey with no return

242

00:12:49,590 --> 00:12:47,680

wow and he has a theory that maya should

243

00:12:51,110 --> 00:12:49,600

be considered watchmakers of the cosmos

244

00:12:53,910 --> 00:12:51,120

whose mission it is to ingest

245

00:12:55,670 --> 00:12:53,920

the earthly frequency and bring it into

246

00:12:56,629 --> 00:12:55,680

accordance with the vibrations of our

247

00:12:58,870 --> 00:12:56,639

sun

248

00:12:59,990 --> 00:12:58,880

so i guess what you get with this

249

00:13:03,990 --> 00:13:00,000

bosnian pyramid

250

00:13:07,670 --> 00:13:04,000

story is not just as managing

251
00:13:09,750 --> 00:13:07,680
making a claim about these

252
00:13:11,750 --> 00:13:09,760
are not artificial structures and that

253
00:13:12,389 --> 00:13:11,760
these are pyramids you also get him

254
00:13:15,670 --> 00:13:12,399
making

255
00:13:19,509 --> 00:13:15,680
rather fantastical claims about other

256
00:13:21,350 --> 00:13:19,519
historical events and i'm not quite sure

257
00:13:24,949 --> 00:13:21,360
i'm convinced

258
00:13:26,389 --> 00:13:24,959
and uh you know he also uh wrote in one

259
00:13:29,509 --> 00:13:26,399
book that i have of his

260
00:13:30,629 --> 00:13:29,519
uh that hitler and all the nazi high

261
00:13:34,069 --> 00:13:30,639
command

262
00:13:36,870 --> 00:13:34,079
escaped in uh in super

263
00:13:38,389 --> 00:13:36,880

secret flying craft to antarctica to a

264

00:13:40,389 --> 00:13:38,399

base in antarctica

265

00:13:42,150 --> 00:13:40,399

which they had developed in case of

266

00:13:44,710 --> 00:13:42,160

emergency

267

00:13:46,069 --> 00:13:44,720

you know the claims get pretty grand

268

00:13:48,629 --> 00:13:46,079

with this gentleman

269

00:13:50,550 --> 00:13:48,639

but i'm still fascinated by what he has

270

00:13:53,110 --> 00:13:50,560

found there at the site

271

00:13:54,310 --> 00:13:53,120

uh they are digging and digging and

272

00:13:57,670 --> 00:13:54,320

digging

273

00:13:59,670 --> 00:13:57,680

and they have been for years so far

274

00:14:00,550 --> 00:13:59,680

though i think the proof is pretty light

275

00:14:03,189 --> 00:14:00,560

you know they

276
00:14:04,389 --> 00:14:03,199
have found some artificial concrete sort

277
00:14:06,389 --> 00:14:04,399
of roadways

278
00:14:07,430 --> 00:14:06,399
look like roadways to me not sure what

279
00:14:09,590 --> 00:14:07,440
they are

280
00:14:12,389 --> 00:14:09,600
around the base of this biggest one

281
00:14:14,230 --> 00:14:12,399
which he named the pyramid of the sun

282
00:14:16,150 --> 00:14:14,240
which doesn't have any relation to the

283
00:14:17,189 --> 00:14:16,160
real pyramid of the sun that's in south

284
00:14:21,110 --> 00:14:17,199
america

285
00:14:22,710 --> 00:14:21,120
but yeah you know uh i guess

286
00:14:24,550 --> 00:14:22,720
and there's several other pyramids that

287
00:14:25,750 --> 00:14:24,560
he's named the pyramid of the dragon the

288
00:14:28,710 --> 00:14:25,760

pyramid of the moon

289

00:14:29,110 --> 00:14:28,720

i think there's a pyramid of love maybe

290

00:14:35,269 --> 00:14:29,120

i'm

291

00:14:35,279 --> 00:14:38,790

now in addition to

292

00:14:45,990 --> 00:14:42,629

in addition to the concrete

293

00:14:50,790 --> 00:14:46,000

he's also claimed to discover tunnels

294

00:14:54,629 --> 00:14:50,800

that were built and again i'm going to

295

00:14:58,790 --> 00:14:54,639

just show you what is supposed to be

296

00:15:02,150 --> 00:14:58,800

a wall of

297

00:15:03,990 --> 00:15:02,160

one of these things and yeah it looks

298

00:15:06,710 --> 00:15:04,000

like somebody stacks stones

299

00:15:07,030 --> 00:15:06,720

to make a wall inside these tunnels that

300

00:15:10,629 --> 00:15:07,040

they're

301
00:15:11,430 --> 00:15:10,639
excavating there does appear to be some

302
00:15:14,710 --> 00:15:11,440
evidence that

303
00:15:18,629 --> 00:15:14,720
some person or persons were

304
00:15:21,750 --> 00:15:18,639
stacking stones to make a wall inside

305
00:15:24,389 --> 00:15:21,760
this structure which is according to

306
00:15:28,470 --> 00:15:24,399
this man's claims osmotics claims a

307
00:15:29,910 --> 00:15:28,480
an actual 30 000 year old pyramid

308
00:15:34,150 --> 00:15:29,920
some of the other interesting things

309
00:15:38,629 --> 00:15:36,629
little cracked pieces of pottery and

310
00:15:40,550 --> 00:15:38,639
things like that there has not been a

311
00:15:42,069 --> 00:15:40,560
major

312
00:15:44,949 --> 00:15:42,079
discoveries there other than the

313
00:15:48,629 --> 00:15:44,959

concrete they're digging these tunnels

314

00:15:51,350 --> 00:15:48,639

uh inside this thing which he claims are

315

00:15:52,310 --> 00:15:51,360

uh you know hundreds and hundreds of

316

00:15:55,430 --> 00:15:52,320

feet

317

00:15:57,509 --> 00:15:55,440

long these tunnels but uh he has not

318

00:15:59,030 --> 00:15:57,519

even speculated himself what the purpose

319

00:16:03,350 --> 00:15:59,040

of these tunnels inside

320

00:16:05,430 --> 00:16:03,360

these uh alleged pyramids would be

321

00:16:06,870 --> 00:16:05,440

so i thought we could take a look at one

322

00:16:09,350 --> 00:16:06,880

video and i'm going to claim

323

00:16:11,749 --> 00:16:09,360

uh fair use we are educating the public

324

00:16:12,470 --> 00:16:11,759

on this subject so we are playing a clip

325

00:16:16,389 --> 00:16:12,480

from

326

00:16:19,430 --> 00:16:16,399

a video which we will be uh

327

00:16:21,269 --> 00:16:19,440

using as an educational tool and we are

328

00:16:21,990 --> 00:16:21,279

also going to be critiquing and

329

00:16:25,590 --> 00:16:22,000

commenting

330

00:16:27,350 --> 00:16:25,600

on this clip so i say fair use this is a

331

00:16:31,189 --> 00:16:27,360

transformative work

332

00:16:33,749 --> 00:16:31,199

uh let's take a look

333

00:16:36,870 --> 00:16:33,759

and remember to share audio i always got

334

00:16:38,949 --> 00:16:36,880

to do that

335

00:16:48,310 --> 00:16:38,959

okay and this video is titled hill in

336

00:16:55,990 --> 00:16:49,749

and i kind of have this queued up

337

00:17:00,150 --> 00:16:57,749

of course some people want to see some

338

00:17:01,590 --> 00:17:00,160

obvious facts and that's exactly what

339

00:17:04,069 --> 00:17:01,600

you are going to do

340

00:17:05,189 --> 00:17:04,079

within next 200 days we are going to

341

00:17:09,350 --> 00:17:05,199

uncover

342

00:17:12,150 --> 00:17:09,360

10 big sections 20 meters by 50 meters

343

00:17:13,990 --> 00:17:12,160

so people will be able to clearly see

344

00:17:14,549 --> 00:17:14,000

the steps of the pyramids the stone

345

00:17:16,789 --> 00:17:14,559

blocks

346

00:17:18,470 --> 00:17:16,799

and the stone plates yeah and i just

347

00:17:20,470 --> 00:17:18,480

wanted to mention that this

348

00:17:22,949 --> 00:17:20,480

video was taken some time ago i believe

349

00:17:24,789 --> 00:17:22,959

it was in 2015 when he was claiming that

350

00:17:26,710 --> 00:17:24,799

they were doing an excavation and you'd

351

00:17:28,710 --> 00:17:26,720

soon be able to see the steps

352

00:17:30,710 --> 00:17:28,720

at the base of the pyramid to my

353

00:17:32,230 --> 00:17:30,720

knowledge he has never produced that

354

00:17:34,470 --> 00:17:32,240

evidence but he made

355

00:17:36,150 --> 00:17:34,480

claims that he they were doing these

356

00:17:38,150 --> 00:17:36,160

excavations and everybody would soon be

357

00:17:41,430 --> 00:17:38,160

able to see the steps

358

00:17:42,870 --> 00:17:41,440

uh for some time and

359

00:17:45,190 --> 00:17:42,880

honestly i don't believe he ever

360

00:17:47,029 --> 00:17:45,200

delivered on those claims

361

00:17:48,789 --> 00:17:47,039

uh but i remember people that were

362

00:17:50,070 --> 00:17:48,799

really believers in this story were very

363

00:17:51,990 --> 00:17:50,080

excited because soon we're going to get

364

00:17:53,909 --> 00:17:52,000

to see the steps of this thing

365

00:17:56,870 --> 00:17:53,919

or were there steps in front of it

366

00:18:02,710 --> 00:17:58,830

here's one of these tunnels that they're

367

00:18:05,830 --> 00:18:05,110

and again the town itself is funding a

368

00:18:07,430 --> 00:18:05,840

lot of this

369

00:18:10,150 --> 00:18:07,440

work that this gentleman is doing

370

00:18:13,510 --> 00:18:10,160

because i suppose because it's bringing

371

00:18:14,549 --> 00:18:13,520

huge amounts of tourism into into the

372

00:18:16,870 --> 00:18:14,559

area

373

00:18:17,750 --> 00:18:16,880

where they had no tourists before

374

00:18:22,870 --> 00:18:17,760

suddenly now

375

00:18:25,990 --> 00:18:24,470

and these are some of the rocks that

376

00:18:28,549 --> 00:18:26,000

they're pulling out

377

00:18:29,750 --> 00:18:28,559

and again here we see he's got an

378

00:18:31,750 --> 00:18:29,760

audience

379

00:18:33,669 --> 00:18:31,760

and he is somewhat of a celebrity i'm

380

00:18:35,830 --> 00:18:33,679

told throughout all of bosnia when

381

00:18:43,590 --> 00:18:35,840

people see him they want his autograph

382

00:18:45,750 --> 00:18:43,600

uh you know

383

00:18:47,510 --> 00:18:45,760

and i suppose it's not just the pyramid

384

00:18:49,590 --> 00:18:47,520

itself they're digging

385

00:18:51,590 --> 00:18:49,600

all around this thing to try to find

386

00:18:53,430 --> 00:18:51,600

evidence to support this man's claims

387

00:18:54,630 --> 00:18:53,440

that this is a pyramid and there was an

388

00:18:58,310 --> 00:18:54,640

ancient

389

00:19:05,029 --> 00:18:58,320

that

390

00:19:09,110 --> 00:19:06,470

and most of these i believe are

391

00:19:10,230 --> 00:19:09,120

townspeople volunteers and people being

392

00:19:12,070 --> 00:19:10,240

paid uh

393

00:19:17,510 --> 00:19:12,080

somewhat some of them are being paid by

394

00:19:21,430 --> 00:19:19,510

and i believe they are doing like grid

395

00:19:28,310 --> 00:19:21,440

pattern archaeological digs trying to

396

00:19:33,430 --> 00:19:29,669

and here we see some more evidence of

397

00:19:36,630 --> 00:19:33,440

the concrete blocks

398

00:19:44,789 --> 00:19:36,640

and a wide shot here where we can see it

399

00:19:49,029 --> 00:19:47,350

i think we're going to skip ahead here

400

00:19:52,390 --> 00:19:49,039

and here is the depiction

401
00:19:59,750 --> 00:19:52,400
of the what they believe is underneath

402
00:20:06,070 --> 00:20:02,789
now and again

403
00:20:08,230 --> 00:20:06,080
there has been shops all put around

404
00:20:09,270 --> 00:20:08,240
this thing so that tourists can buy

405
00:20:12,950 --> 00:20:09,280
stuff

406
00:20:14,470 --> 00:20:12,960
related to the pyramid uh like this

407
00:20:17,110 --> 00:20:14,480
which is a depiction of what they

408
00:20:17,830 --> 00:20:17,120
believe it is underneath all the dirt

409
00:20:20,149 --> 00:20:17,840
and plants

410
00:20:22,789 --> 00:20:20,159
and things like that and here is even a

411
00:20:25,830 --> 00:20:22,799
3d model i want to show everyone

412
00:20:33,110 --> 00:20:25,840
virtual visualization of the bosnian

413
00:20:38,549 --> 00:20:36,870

yeah friends i'm not sure how he knows

414

00:20:41,430 --> 00:20:38,559

that's what it looks like underneath all

415

00:20:44,549 --> 00:20:41,440

that sediment rocks dirt

416

00:20:47,990 --> 00:20:44,559

i'm not sure on what basis

417

00:20:49,669 --> 00:20:48,000

this model is being has been created it

418

00:20:52,870 --> 00:20:49,679

might be pure speculation

419

00:20:56,710 --> 00:20:52,880

and nothing more so

420

00:21:00,149 --> 00:20:56,720

what we get friends is sort of

421

00:21:08,470 --> 00:21:05,270

grandeur right this amazing civilization

422

00:21:11,350 --> 00:21:08,480

let's see 30 000 years ago created these

423

00:21:14,149 --> 00:21:11,360

artificial structures these pyramids

424

00:21:15,190 --> 00:21:14,159

now there's one other video where he uh

425

00:21:16,710 --> 00:21:15,200

and i wanted to play

426

00:21:18,230 --> 00:21:16,720

a clip of and again i'm going to cite

427

00:21:21,909 --> 00:21:18,240

fair use

428

00:21:23,190 --> 00:21:21,919

and in this next one he

429

00:21:25,190 --> 00:21:23,200

talks a little more and you hear him

430

00:21:31,110 --> 00:21:25,200

talk more about his claims

431

00:21:33,510 --> 00:21:31,120

of the actual pyramidal structure

432

00:21:34,710 --> 00:21:33,520

and this video is titled explorer claims

433

00:21:40,549 --> 00:21:34,720

evidence of period

434

00:21:43,909 --> 00:21:41,990

and if anybody is hearing a child

435

00:21:47,830 --> 00:21:43,919

screaming that would be my child

436

00:21:47,840 --> 00:21:52,630

then the front oh one second

437

00:21:58,549 --> 00:21:56,830

oh yeah let me get back to the story

438

00:22:00,470 --> 00:21:58,559

friends

439

00:22:01,990 --> 00:22:00,480

and again uh where this is

440

00:22:03,350 --> 00:22:02,000

transformative work we're educating the

441

00:22:05,350 --> 00:22:03,360

public we're going to be critiquing and

442

00:22:08,149 --> 00:22:05,360

discussing this video clip so i cite

443

00:22:11,990 --> 00:22:11,029

we're in the front of the first european

444

00:22:13,190 --> 00:22:12,000

pyramid

445

00:22:16,149 --> 00:22:13,200

i mean we are talking about the

446

00:22:19,350 --> 00:22:16,159

monumental dimensions of this pyramid

447

00:22:19,830 --> 00:22:19,360

and uh so far the geology geological

448

00:22:21,990 --> 00:22:19,840

data

449

00:22:23,029 --> 00:22:22,000

are showing us that this pyramid is all

450

00:22:25,510 --> 00:22:23,039

between 10

451
00:22:26,870 --> 00:22:25,520
and 20 000 years so i would say that

452
00:22:29,909 --> 00:22:26,880
this finding

453
00:22:35,590 --> 00:22:29,919
will have to rewrite the whole

454
00:22:40,789 --> 00:22:37,430
yeah and i just wanted to say i suppose

455
00:22:42,390 --> 00:22:40,799
it would rewrite european history

456
00:22:44,149 --> 00:22:42,400
but it's no surprise that most

457
00:22:45,669 --> 00:22:44,159
mainstream archaeologists think that

458
00:22:48,470 --> 00:22:45,679
this is just

459
00:22:49,750 --> 00:22:48,480
um but there's absolutely nothing to

460
00:22:54,390 --> 00:22:49,760
this and that is

461
00:22:57,430 --> 00:22:54,400
just a natural

462
00:22:59,190 --> 00:22:57,440
you know natural formation

463
00:23:00,470 --> 00:22:59,200

and i believe that the term for that

464

00:23:03,350 --> 00:23:00,480

kind of formation is called

465

00:23:03,909 --> 00:23:03,360

flat iron in geological terms and there

466

00:23:06,470 --> 00:23:03,919

are flat

467

00:23:06,950 --> 00:23:06,480

irons uh in the southwest of the united

468

00:23:08,950 --> 00:23:06,960

states

469

00:23:10,310 --> 00:23:08,960

in south america all over the world

470

00:23:12,549 --> 00:23:10,320

really

471

00:23:14,549 --> 00:23:12,559

there's a twin pair in russia that are

472

00:23:17,190 --> 00:23:14,559

very interesting that i found that again

473

00:23:18,310 --> 00:23:17,200

people are claiming maybe pyramids it's

474

00:23:21,990 --> 00:23:18,320

very common for these

475

00:23:24,070 --> 00:23:22,000

uh natural structures

476
00:23:26,549 --> 00:23:24,080
for people to look at them and see what

477
00:23:28,710 --> 00:23:26,559
they want to see i suppose and if they

478
00:23:29,669 --> 00:23:28,720
i gotta say this bosnian pyramid though

479
00:23:31,430 --> 00:23:29,679
it really does

480
00:23:34,630 --> 00:23:31,440
look like a pyramid with a bunch of

481
00:23:36,870 --> 00:23:34,640
plant growth over it and things it looks

482
00:23:37,750 --> 00:23:36,880
man-made in a certain sense it looks

483
00:23:39,430 --> 00:23:37,760
like

484
00:23:41,269 --> 00:23:39,440
you know there's right angles and things

485
00:23:44,070 --> 00:23:41,279
like that that you generally don't see

486
00:23:44,549 --> 00:23:44,080
in regular geological formations now

487
00:23:47,029 --> 00:23:44,559
when we

488
00:23:47,909 --> 00:23:47,039

we can see the first results then you

489

00:23:51,750 --> 00:23:47,919

can see the

490

00:23:54,070 --> 00:23:51,760

the first proof that the sandstones

491

00:23:55,110 --> 00:23:54,080

cover the whole immediate area which is

492

00:23:56,310 --> 00:23:55,120

in front of us

493

00:23:58,310 --> 00:23:56,320

and now we are talking about the

494

00:24:01,510 --> 00:23:58,320

dimensions which are 40

495

00:24:05,029 --> 00:24:01,520

uh 40 meters by 250 meters

496

00:24:06,549 --> 00:24:05,039

obviously there men made now according

497

00:24:10,230 --> 00:24:06,559

to the buzz in history

498

00:24:13,029 --> 00:24:10,240

there is not such a construction fee

499

00:24:14,470 --> 00:24:13,039

that they did 800 years ago or 500 and i

500

00:24:18,310 --> 00:24:14,480

also wanted to mention that

501
00:24:18,630 --> 00:24:18,320
the claims he claims that the concrete

502
00:24:22,310 --> 00:24:18,640
was

503
00:24:24,870 --> 00:24:22,320
analyzed uh by you know uh

504
00:24:26,710 --> 00:24:24,880
scientists and that the the concrete the

505
00:24:27,350 --> 00:24:26,720
artificial concrete that he found that

506
00:24:29,430 --> 00:24:27,360
made

507
00:24:31,110 --> 00:24:29,440
this base that he's talking about i

508
00:24:31,750 --> 00:24:31,120
thought it was a road but i guess yeah

509
00:24:34,310 --> 00:24:31,760
it could be

510
00:24:34,870 --> 00:24:34,320
you know like a courtyard in front of

511
00:24:37,909 --> 00:24:34,880
the thing

512
00:24:40,070 --> 00:24:37,919
i don't know but that is

513
00:24:41,510 --> 00:24:40,080

something like eight times stronger than

514

00:24:44,070 --> 00:24:41,520

modern concrete which

515

00:24:45,190 --> 00:24:44,080

i think is a crazy claim how could how

516

00:24:47,990 --> 00:24:45,200

would somebody 30

517

00:24:50,070 --> 00:24:48,000

000 years ago make concrete eight times

518

00:24:51,990 --> 00:24:50,080

stronger than what we have today

519

00:24:54,070 --> 00:24:52,000

uh but it is what it is some of these

520

00:24:55,909 --> 00:24:54,080

fantastical claims and again i haven't

521

00:24:57,590 --> 00:24:55,919

seen the scientific data for

522

00:24:59,269 --> 00:24:57,600

any of the claims that this gentleman is

523

00:25:00,710 --> 00:24:59,279

making we don't know if he's

524

00:25:02,390 --> 00:25:00,720

being a little fast and loose with some

525

00:25:05,269 --> 00:25:02,400

of these claims but

526
00:25:06,710 --> 00:25:05,279
years ago or 2 000 years ago obviously

527
00:25:09,029 --> 00:25:06,720
we are talking about the super

528
00:25:12,830 --> 00:25:09,039
civilizations which existed

529
00:25:12,840 --> 00:25:20,789
how

530
00:25:24,549 --> 00:25:22,630
now from that angle friends it just

531
00:25:25,830 --> 00:25:24,559
looks like a hill to me it doesn't look

532
00:25:28,149 --> 00:25:25,840
like anything special

533
00:25:30,390 --> 00:25:28,159
but from some of the it just i think

534
00:25:31,990 --> 00:25:30,400
that it depends on which way you take

535
00:25:33,830 --> 00:25:32,000
the picture which side of it

536
00:25:36,070 --> 00:25:33,840
you know i think that one of the other

537
00:25:36,710 --> 00:25:36,080
sides looks much more man-made than this

538
00:25:42,470 --> 00:25:36,720

one that we're

539

00:25:45,669 --> 00:25:42,480

seeing here

540

00:25:50,789 --> 00:25:45,679

oh okay friends

541

00:26:06,789 --> 00:25:54,470

is that a man-made structure is it real

542

00:26:10,149 --> 00:26:08,950

yeah and i found another video like a

543

00:26:12,230 --> 00:26:10,159

tourist

544

00:26:15,110 --> 00:26:12,240

visiting but and there's some more

545

00:26:18,549 --> 00:26:15,120

source material that i found

546

00:26:21,830 --> 00:26:18,559

um boy generally

547

00:26:27,350 --> 00:26:21,840

if you look this up you you find

548

00:26:32,950 --> 00:26:27,360

hoards of actual archaeologists

549

00:26:37,350 --> 00:26:35,909

and uh meanwhile some people like

550

00:26:41,190 --> 00:26:37,360

there's a sarajevo

551
00:26:44,310 --> 00:26:41,200
historian his name is salmidian

552
00:26:46,070 --> 00:26:44,320
mesovich he says i have colleagues who

553
00:26:47,029 --> 00:26:46,080
have gone into silence over these

554
00:26:48,710 --> 00:26:47,039
pyramids

555
00:26:50,230 --> 00:26:48,720
because the attacks are constant and

556
00:26:52,390 --> 00:26:50,240
very terrible

557
00:26:53,430 --> 00:26:52,400
and he's from the university of sarajevo

558
00:26:57,750 --> 00:26:53,440
he is an

559
00:27:00,630 --> 00:26:57,760
historian some bosnian scholars

560
00:27:02,310 --> 00:27:00,640
uh and this is from smithsonian magazine

561
00:27:03,029 --> 00:27:02,320
some bosnian scholars have publicly

562
00:27:06,310 --> 00:27:03,039
opposed

563
00:27:09,029 --> 00:27:06,320

this managex project in april

564

00:27:10,870 --> 00:27:09,039

2010 21 historians geologists and

565

00:27:13,029 --> 00:27:10,880

archaeologists signed a letter published

566

00:27:15,029 --> 00:27:13,039

in several bosnian newspapers describing

567

00:27:15,590 --> 00:27:15,039

the excavations as amateurish and

568

00:27:18,310 --> 00:27:15,600

lacking

569

00:27:20,630 --> 00:27:18,320

in proper scientific supervision someone

570

00:27:23,269 --> 00:27:20,640

on local television to debate

571

00:27:25,990 --> 00:27:23,279

osmanovic bosnian nationalists

572

00:27:28,149 --> 00:27:26,000

retaliated denouncing pyramid opponents

573

00:27:30,230 --> 00:27:28,159

as corrupt harassing them with emails

574

00:27:32,789 --> 00:27:30,240

etc so this kind of hot button

575

00:27:34,389 --> 00:27:32,799

issue there um but i got the sense from

576

00:27:34,789 --> 00:27:34,399

everything that i looked into that most

577

00:27:37,269 --> 00:27:34,799

people

578

00:27:39,590 --> 00:27:37,279

in that area really support him because

579

00:27:42,310 --> 00:27:39,600

it's bringing a lot of money

580

00:27:43,830 --> 00:27:42,320

uh a lot of money and a lot of tourists

581

00:27:48,230 --> 00:27:43,840

to that town and they

582

00:27:50,630 --> 00:27:48,240

had nothing going on before then

583

00:27:52,389 --> 00:27:50,640

and from the smithsonian chris critics

584

00:27:55,430 --> 00:27:52,399

contend that the project not only saw

585

00:27:57,029 --> 00:27:55,440

these bosnian science but also soaks up

586

00:27:58,789 --> 00:27:57,039

scarce resources

587

00:28:03,510 --> 00:27:58,799

as manager says this foundation has

588

00:28:06,630 --> 00:28:03,520

received over 1 million dollars

589

00:28:08,549 --> 00:28:06,640

to study the pyramid meanwhile the

590

00:28:10,230 --> 00:28:08,559

national museum in sarajevo has

591

00:28:12,549 --> 00:28:10,240

struggled to find sufficient funds to

592

00:28:14,149 --> 00:28:12,559

repair wartime damage and safeguard its

593

00:28:15,990 --> 00:28:14,159

collection which includes more than 2

594

00:28:18,950 --> 00:28:16,000

million archaeological artifacts

595

00:28:20,470 --> 00:28:18,960

and hundreds of thousands of books so i

596

00:28:22,149 --> 00:28:20,480

guess we can imagine that the real

597

00:28:23,669 --> 00:28:22,159

historians and archaeologists are kind

598

00:28:24,789 --> 00:28:23,679

of pissed off because this guy's getting

599

00:28:26,149 --> 00:28:24,799

millions and

600

00:28:29,029 --> 00:28:26,159

he's getting hundred thousand dollar

601
00:28:31,190 --> 00:28:29,039
donations i saw mention of a 240 000

602
00:28:33,029 --> 00:28:31,200
dollar donation towards his research of

603
00:28:36,389 --> 00:28:33,039
this thing and meanwhile they don't have

604
00:28:42,470 --> 00:28:39,430
yeah so the kind of debate goes on

605
00:28:45,990 --> 00:28:42,480
between the actual historians and

606
00:28:48,710 --> 00:28:46,000
and others uh like osmotic

607
00:28:50,870 --> 00:28:48,720
and his supporters who really think i

608
00:28:53,110 --> 00:28:50,880
gotta say this guy has dedicated years

609
00:28:56,710 --> 00:28:53,120
and years of his life to this thing

610
00:28:59,830 --> 00:28:56,720
and i'm not sure if he's right but

611
00:29:00,630 --> 00:28:59,840
you to respect the guy's ability to

612
00:29:02,710 --> 00:29:00,640
continue

613
00:29:05,990 --> 00:29:02,720

working on something no matter what kind

614

00:29:07,350 --> 00:29:06,000

of criticism he's getting

615

00:29:10,630 --> 00:29:07,360

so we're going to turn our total

616

00:29:15,430 --> 00:29:10,640

attention to the live chat

617

00:29:15,440 --> 00:29:20,470

let me get some comments up here

618

00:29:24,470 --> 00:29:23,190

10 000 if you believe young earth

619

00:29:27,830 --> 00:29:24,480

evidence to me says much

620

00:29:31,909 --> 00:29:27,840

older do you mean how long we've been

621

00:29:34,230 --> 00:29:31,919

civilized or had civilization

622

00:29:35,750 --> 00:29:34,240

and yes genocide i think graham hancock

623

00:29:36,310 --> 00:29:35,760

doesn't believe they are pyramids no

624

00:29:38,549 --> 00:29:36,320

grand

625

00:29:40,389 --> 00:29:38,559

hancock doesn't but one of the things

626

00:29:42,549 --> 00:29:40,399

that this

627

00:29:44,789 --> 00:29:42,559

whole thing made me think about is

628

00:29:47,110 --> 00:29:44,799

graham hancock and the dating of the

629

00:29:49,350 --> 00:29:47,120

sphinx

630

00:29:51,269 --> 00:29:49,360

he got attacked viciously for even

631

00:29:52,870 --> 00:29:51,279

suggesting that the sphinx was older

632

00:29:54,630 --> 00:29:52,880

than originally thought

633

00:29:55,990 --> 00:29:54,640

and there's more and more evidence of

634

00:29:58,230 --> 00:29:56,000

that coming out and

635

00:30:00,149 --> 00:29:58,240

again he was attacked viciously by

636

00:30:01,190 --> 00:30:00,159

mainstream archaeology so i think we

637

00:30:05,110 --> 00:30:01,200

have to be careful

638

00:30:08,549 --> 00:30:05,120

to just say this person is an expert

639

00:30:11,990 --> 00:30:08,559

and this is this is

640

00:30:14,789 --> 00:30:12,000

you know their word is

641

00:30:15,909 --> 00:30:14,799

is the end it's not the end sometimes

642

00:30:17,110 --> 00:30:15,919

it's just the beginning of the

643

00:30:19,350 --> 00:30:17,120

discussion

644

00:30:20,149 --> 00:30:19,360

if there's evidence to support to

645

00:30:22,630 --> 00:30:20,159

support it

646

00:30:23,350 --> 00:30:22,640

whether you like it or not uh you have

647

00:30:27,430 --> 00:30:23,360

to

648

00:30:28,710 --> 00:30:27,440

investigate it and maybe accept it if

649

00:30:33,430 --> 00:30:28,720

it's correct

650

00:30:35,909 --> 00:30:33,440

so you know this guy may

651
00:30:37,350 --> 00:30:35,919
be on to something but here's another

652
00:30:40,470 --> 00:30:37,360
thing i will say

653
00:30:43,110 --> 00:30:40,480
um you know we

654
00:30:49,190 --> 00:30:43,120
we looked at some of these pictures let

655
00:30:49,200 --> 00:30:54,230
oh there we go

656
00:30:57,909 --> 00:30:56,710
yeah so i mean one of the questions that

657
00:31:00,470 --> 00:30:57,919
i would have is that

658
00:31:01,190 --> 00:31:00,480
look let's take the take a look at this

659
00:31:03,350 --> 00:31:01,200
thing

660
00:31:04,310 --> 00:31:03,360
from a distance here let's find a better

661
00:31:07,669 --> 00:31:04,320
shot

662
00:31:10,549 --> 00:31:07,679
know listen

663
00:31:11,430 --> 00:31:10,559

if this is really a pyramid i mean how

664

00:31:15,190 --> 00:31:11,440

much

665

00:31:18,789 --> 00:31:15,200

how many feet can that the layer of dirt

666

00:31:22,470 --> 00:31:18,799

sediment and plant growth and everything

667

00:31:25,590 --> 00:31:22,480

be you know two feet

668

00:31:26,070 --> 00:31:25,600

five feet ten feet maybe so you know

669

00:31:29,669 --> 00:31:26,080

they've had

670

00:31:31,990 --> 00:31:29,679

years to to do to to do the research

671

00:31:33,590 --> 00:31:32,000

why aren't they just digging down to

672

00:31:36,630 --> 00:31:33,600

where the stone begins

673

00:31:38,230 --> 00:31:36,640

of the so-called pyramid they have not

674

00:31:41,590 --> 00:31:38,240

done that yet

675

00:31:43,430 --> 00:31:41,600

and uh i have a feeling they never will

676
00:31:45,110 --> 00:31:43,440
that seems very suspect to me if you're

677
00:31:46,149 --> 00:31:45,120
really claiming there's a pyramid under

678
00:31:48,950 --> 00:31:46,159
there

679
00:31:49,909 --> 00:31:48,960
then start digging it out show us the

680
00:31:53,190 --> 00:31:49,919
rock face

681
00:31:55,590 --> 00:31:53,200
show us the stones that are stacked

682
00:31:56,389 --> 00:31:55,600
to make this thing to make this

683
00:31:59,509 --> 00:31:56,399
artificial

684
00:32:01,110 --> 00:31:59,519
structure you know

685
00:32:02,710 --> 00:32:01,120
some of the other evidence that he cites

686
00:32:05,350 --> 00:32:02,720
like it's it's

687
00:32:07,590 --> 00:32:05,360
it's oriented perfect north you know

688
00:32:09,190 --> 00:32:07,600

sacred geometry

689

00:32:10,789 --> 00:32:09,200

you know i don't know that that's

690

00:32:12,549 --> 00:32:10,799

evidence that could be a coincidence

691

00:32:15,990 --> 00:32:12,559

that a natural formation just

692

00:32:19,669 --> 00:32:16,000

points you know north

693

00:32:22,470 --> 00:32:19,679

not sure what to think about this story

694

00:32:23,350 --> 00:32:22,480

but like many stories like this i would

695

00:32:27,669 --> 00:32:23,360

like to believe

696

00:32:29,029 --> 00:32:27,679

yes william pixley this

697

00:32:32,870 --> 00:32:29,039

this guy's been working on this thing

698

00:32:36,470 --> 00:32:34,789

yeah and wasn't he going to do a lidar

699

00:32:38,310 --> 00:32:36,480

scan i heard something about that but i

700

00:32:40,789 --> 00:32:38,320

never saw the scans

701
00:32:43,029 --> 00:32:40,799
because lidar would and and carol he

702
00:32:43,830 --> 00:32:43,039
says liar yes because lidar would show

703
00:32:51,750 --> 00:32:43,840
if there was

704
00:32:54,830 --> 00:32:53,190
yes william pixley the fact that he

705
00:32:55,990 --> 00:32:54,840
hasn't done a lidar yet makes me

706
00:32:59,350 --> 00:32:56,000
skeptical

707
00:33:03,430 --> 00:33:01,830
the bosnian pyramid does not look like

708
00:33:05,430 --> 00:33:03,440
the ones in china though no i think the

709
00:33:07,350 --> 00:33:05,440
ones in china look better right genocide

710
00:33:09,110 --> 00:33:07,360
i definitely think

711
00:33:12,470 --> 00:33:09,120
they look better william pixley the

712
00:33:15,590 --> 00:33:12,480
mainstream crowd rejects him out of hand

713
00:33:26,230 --> 00:33:15,600

genocide jury is out for me

714

00:33:26,240 --> 00:33:30,070

okay

715

00:33:33,590 --> 00:33:32,310

jeanette korsenko i remember when they

716

00:33:34,710 --> 00:33:33,600

were looking for workers

717

00:33:36,549 --> 00:33:34,720

and i thought this would be an

718

00:33:38,230 --> 00:33:36,559

interesting project yeah apparently you

719

00:33:41,029 --> 00:33:38,240

can go volunteer

720

00:33:42,230 --> 00:33:41,039

and uh i know somebody who at least

721

00:33:45,269 --> 00:33:42,240

visited it

722

00:33:47,190 --> 00:33:45,279

in person they didn't volunteer but uh

723

00:33:49,110 --> 00:33:47,200

they hung around a lot and watched these

724

00:33:52,310 --> 00:33:49,120

people digging up stuff

725

00:33:54,870 --> 00:33:52,320

all around the complex of this thing and

726

00:33:56,630 --> 00:33:54,880

uh you know he told me that they didn't

727

00:34:04,230 --> 00:33:56,640

find anything of value or

728

00:34:08,149 --> 00:34:05,990

according to sumerian texts there were

729

00:34:10,470 --> 00:34:08,159

several pyramids built as long

730

00:34:11,190 --> 00:34:10,480

as a hundred thousand years ago yeah

731

00:34:17,750 --> 00:34:11,200

that could be

732

00:34:19,750 --> 00:34:17,760

i have heard similar stories and i

733

00:34:20,950 --> 00:34:19,760

want to believe that i don't believe in

734

00:34:24,069 --> 00:34:20,960

the

735

00:34:26,389 --> 00:34:24,079

is

736

00:34:27,669 --> 00:34:26,399

really we've only had civilization for

737

00:34:30,869 --> 00:34:27,679

10 000 years

738

00:34:33,349 --> 00:34:30,879

i think that's a pretty

739

00:34:35,669 --> 00:34:33,359

i just don't believe that just 10 000

740

00:34:41,750 --> 00:34:35,679

years that would be like

741

00:34:46,869 --> 00:34:45,109

i i think that humanity has been around

742

00:34:49,750 --> 00:34:46,879

in one form or another

743

00:34:50,230 --> 00:34:49,760

for you know quite a lot longer than

744

00:34:52,629 --> 00:34:50,240

that

745

00:34:54,310 --> 00:34:52,639

but i guess it's because of our history

746

00:34:55,669 --> 00:34:54,320

right we've only got so much written

747

00:35:02,470 --> 00:34:55,679

history

748

00:35:05,829 --> 00:35:02,480

but they're always finding more

749

00:35:08,630 --> 00:35:05,839

jean-claude hello sexy people hi all

750

00:35:10,310 --> 00:35:08,640

i'm late to the party typical woman kel

751
00:35:11,430 --> 00:35:10,320
truth right you gotta be you gotta be

752
00:35:14,310 --> 00:35:11,440
fashionably late

753
00:35:15,190 --> 00:35:14,320
so people miss you and notice you're not

754
00:35:17,589 --> 00:35:15,200
here

755
00:35:19,589 --> 00:35:17,599
and then are happy when you do show up

756
00:35:21,430 --> 00:35:19,599
what is the topic tonight the topic is

757
00:35:24,390 --> 00:35:21,440
the bosnian pyramids

758
00:35:26,310 --> 00:35:24,400
and i guess you're gonna have to rewind

759
00:35:30,150 --> 00:35:26,320
if you'd like to see

760
00:35:32,870 --> 00:35:30,160
uh what's going on with that

761
00:35:33,510 --> 00:35:32,880
folks if you uh give me a moment i'm

762
00:35:35,270 --> 00:35:33,520
going to put a

763
00:35:37,030 --> 00:35:35,280

comment up on the screen because i just

764

00:35:42,630 --> 00:35:37,040

noticed something

765

00:35:48,390 --> 00:35:45,670

so tonight is our first stream on twitch

766

00:35:49,190 --> 00:35:48,400

and i'm noticing something strange on

767

00:35:51,349 --> 00:35:49,200

twitch

768

00:35:52,630 --> 00:35:51,359

i can put your comments up on the screen

769

00:35:56,550 --> 00:35:52,640

but

770

00:35:59,109 --> 00:35:56,560

uh the your avatars do not

771

00:36:00,150 --> 00:35:59,119

show up there and up on twitch it's just

772

00:36:05,349 --> 00:36:00,160

like a

773

00:36:11,510 --> 00:36:08,470

and uh hello to any twitch viewers

774

00:36:14,230 --> 00:36:11,520

this is our first stream to twitch

775

00:36:14,630 --> 00:36:14,240

uh i don't see anybody in the twitch

776

00:36:16,310 --> 00:36:14,640

chat

777

00:36:17,990 --> 00:36:16,320

which makes sense because i created the

778

00:36:20,390 --> 00:36:18,000

twitch account about

779

00:36:22,790 --> 00:36:20,400

three hours ago i don't believe that we

780

00:36:25,270 --> 00:36:22,800

have any followers on twitch yet but i

781

00:36:27,589 --> 00:36:25,280

you know we have the ability to go to

782

00:36:29,990 --> 00:36:27,599

that extra

783

00:36:37,270 --> 00:36:30,000

destination so we're going to use it and

784

00:36:40,710 --> 00:36:39,430

martin r i want the key the secret i'm

785

00:36:42,230 --> 00:36:40,720

not sure i've seen you hear it before

786

00:36:44,470 --> 00:36:42,240

martin r but if you like mysterious

787

00:36:46,230 --> 00:36:44,480

subjects conspiracies ufos cryptic

788

00:36:48,230 --> 00:36:46,240

creatures bigfoot

789

00:36:50,069 --> 00:36:48,240

strange mysterious stories please do

790

00:36:55,510 --> 00:36:50,079

subscribe

791

00:37:00,069 --> 00:36:55,520

we would very much appreciate it

792

00:37:03,190 --> 00:37:00,079

same gray circle here on youtube really

793

00:37:06,550 --> 00:37:03,200

wow that's weird let me let me see that

794

00:37:12,870 --> 00:37:09,750

that is odd

795

00:37:15,510 --> 00:37:12,880

okay yeah and the only thing that

796

00:37:16,069 --> 00:37:15,520

changed is we added a third destination

797

00:37:17,990 --> 00:37:16,079

which is

798

00:37:19,670 --> 00:37:18,000

uh twitch so i'm gonna have to get with

799

00:37:21,030 --> 00:37:19,680

the streamyard people and find out why

800

00:37:24,310 --> 00:37:21,040

that's happening

801
00:37:24,320 --> 00:37:31,910
william pixley says twitch it people

802
00:37:31,920 --> 00:37:41,270
twitch cycles yeah

803
00:37:47,990 --> 00:37:44,470
done sir yeah i don't know why that

804
00:37:51,270 --> 00:37:48,000
thing with the gray is happening but uh

805
00:37:52,710 --> 00:37:51,280
i apologize for that friends i will hope

806
00:37:54,150 --> 00:37:52,720
that

807
00:37:56,950 --> 00:37:54,160
someone at streamyard will know why

808
00:37:58,630 --> 00:37:56,960
that's happening and help me to fix it

809
00:38:01,109 --> 00:37:58,640
i can't imagine that just because we're

810
00:38:04,710 --> 00:38:01,119
streaming at twitch now we can't use

811
00:38:06,390 --> 00:38:04,720
anybody's avatars anymore

812
00:38:08,950 --> 00:38:06,400
uh oh and i just wanted to mention that

813
00:38:10,950 --> 00:38:08,960

somebody uh

814

00:38:13,270 --> 00:38:10,960

you know these comments in the youtube i

815

00:38:16,310 --> 00:38:13,280

try not to let anything bother me but uh

816

00:38:18,230 --> 00:38:16,320

somebody said uh take those glasses off

817

00:38:20,710 --> 00:38:18,240

you santa look like a [h__h]

818

00:38:21,670 --> 00:38:20,720

sorry just my opinion uh and i just want

819

00:38:23,910 --> 00:38:21,680

to remind everyone

820

00:38:25,750 --> 00:38:23,920

that i wear the glasses because i have a

821

00:38:29,109 --> 00:38:25,760

paralyzed right eye

822

00:38:30,630 --> 00:38:29,119

and uh and he called me a [h__h] too so

823

00:38:32,150 --> 00:38:30,640

honestly i think if you're making fun of

824

00:38:34,230 --> 00:38:32,160

somebody who has you know

825

00:38:35,670 --> 00:38:34,240

a physical disability and has to wear

826

00:38:38,390 --> 00:38:35,680

glasses

827

00:38:40,150 --> 00:38:38,400

uh if you're making fun of somebody like

828

00:38:43,430 --> 00:38:40,160

that then you're the [ʌ__ʌ] but

829

00:38:44,950 --> 00:38:43,440

just so you know really uh don't attack

830

00:38:46,069 --> 00:38:44,960

me for wearing glasses all the time

831

00:38:46,950 --> 00:38:46,079

because you don't know what it's like to

832

00:38:49,510 --> 00:38:46,960

live with that kind of

833

00:38:50,950 --> 00:38:49,520

thing and it's it's really a necessity

834

00:38:53,910 --> 00:38:50,960

for me to be able to do this

835

00:38:55,030 --> 00:38:53,920

otherwise my eyes get kind of wonky i'll

836

00:38:56,710 --> 00:38:55,040

have lazy eye

837

00:38:58,470 --> 00:38:56,720

when i will be looking at the camera the

838

00:39:01,430 --> 00:38:58,480

other eye will be looking somewhere else

839

00:39:01,910 --> 00:39:01,440

it's very distracting and martin are

840

00:39:08,870 --> 00:39:01,920

ignore

841

00:39:12,390 --> 00:39:11,990

well william pixley yeah i see your you

842

00:39:15,589 --> 00:39:12,400

guys

843

00:39:17,589 --> 00:39:15,599

i see your avatars on my screen

844

00:39:18,710 --> 00:39:17,599

but for some reason yeah in the live

845

00:39:23,510 --> 00:39:18,720

chat we have

846

00:39:23,520 --> 00:39:27,190

i don't know why that is friends

847

00:39:31,750 --> 00:39:30,069

i wanted to you know i kind of want to

848

00:39:33,589 --> 00:39:31,760

end the twitch stream to see if that

849

00:39:35,030 --> 00:39:33,599

fixes it because i don't understand why

850

00:39:36,390 --> 00:39:35,040

that would be but

851

00:39:40,710 --> 00:39:36,400

you know it is what it is friends like i

852

00:39:44,710 --> 00:39:42,310

oh william pixley trying to start

853

00:39:47,190 --> 00:39:44,720

trouble so has corbell called you yet no

854

00:39:48,790 --> 00:39:47,200

my phone uh has not been ringing very

855

00:39:51,270 --> 00:39:48,800

much

856

00:39:53,829 --> 00:39:51,280

nobody uh from their camps called me bob

857

00:39:59,589 --> 00:39:53,839

lazar didn't call me back either

858

00:40:03,829 --> 00:40:02,630

i see the avatars in a youtube chat yeah

859

00:40:07,349 --> 00:40:03,839

but if you put

860

00:40:12,790 --> 00:40:11,109

when you put the when i put the

861

00:40:15,109 --> 00:40:12,800

comments on the screen you don't see

862

00:40:16,710 --> 00:40:15,119

anybody's avatar even on youtube chat

863

00:40:18,230 --> 00:40:16,720

let me check

864

00:40:19,910 --> 00:40:18,240

just bear with me friends i'm gonna have

865

00:40:21,270 --> 00:40:19,920

to check here with uh

866

00:40:23,030 --> 00:40:21,280

i'm gonna have to check with facebook

867

00:40:24,150 --> 00:40:23,040

live and see if that same thing is

868

00:40:32,470 --> 00:40:24,160

happening with facebook

869

00:40:38,870 --> 00:40:34,470

uh let me get over to my facebook here

870

00:40:42,630 --> 00:40:38,880

we'll take a look

871

00:40:45,349 --> 00:40:42,640

yeah yeah now

872

00:40:45,750 --> 00:40:45,359

same thing on uh same thing on youtube

873

00:40:49,030 --> 00:40:45,760

or

874

00:40:51,349 --> 00:40:49,040

put the comments up on the screen we

875

00:40:54,470 --> 00:40:51,359

only see the uh

876

00:40:55,589 --> 00:40:54,480

comments and the name not the avatar so

877

00:40:58,470 --> 00:40:55,599

friends we're just gonna have to deal

878

00:41:01,750 --> 00:40:58,480

with that for now and we will uh

879

00:41:02,150 --> 00:41:01,760

we will try to fix that for the next

880

00:41:03,750 --> 00:41:02,160

show

881

00:41:05,670 --> 00:41:03,760

truth seekers stephen what are your

882

00:41:07,109 --> 00:41:05,680

thought on the claim that negative ions

883

00:41:09,190 --> 00:41:07,119

are through the roof and have healing

884

00:41:10,150 --> 00:41:09,200

properties at bosnian pyramids sorry i

885

00:41:11,270 --> 00:41:10,160

missed the beginning of the show if

886

00:41:13,030 --> 00:41:11,280

you're already covered

887

00:41:14,309 --> 00:41:13,040

no jean-claude i'm glad you brought it

888

00:41:17,430 --> 00:41:14,319

up there has been

889

00:41:17,910 --> 00:41:17,440

an incredible amount of claims uh by

890

00:41:22,069 --> 00:41:17,920

this

891

00:41:24,710 --> 00:41:22,079

uh asmanovic character about

892

00:41:25,510 --> 00:41:24,720

uh magnetic readings about energy

893

00:41:29,990 --> 00:41:25,520

readings

894

00:41:33,109 --> 00:41:30,000

about all manner of things really um

895

00:41:33,510 --> 00:41:33,119

which i find strange and uh it seems

896

00:41:36,069 --> 00:41:33,520

like

897

00:41:37,829 --> 00:41:36,079

some of those claims okay but where's

898

00:41:38,710 --> 00:41:37,839

the evidence and it seems like we never

899

00:41:41,190 --> 00:41:38,720

get to see

900

00:41:44,230 --> 00:41:41,200

i think he made some claims about scalar

901
00:41:46,470 --> 00:41:44,240
waves at the top of the pyramid that go

902
00:41:49,430 --> 00:41:46,480
uh faster than the speed of light and

903
00:41:52,470 --> 00:41:49,440
can allow for inter-dimensional

904
00:41:53,109 --> 00:41:52,480
inter-dimensional communication and he

905
00:41:58,309 --> 00:41:53,119
also

906
00:42:03,589 --> 00:42:01,030
let's see he it's it's important to note

907
00:42:05,829 --> 00:42:03,599
that he's also like an ancient aliens

908
00:42:06,630 --> 00:42:05,839
theorists so he believes that aliens

909
00:42:09,190 --> 00:42:06,640
created

910
00:42:09,990 --> 00:42:09,200
humans you know kind of the zechariah

911
00:42:13,270 --> 00:42:10,000
sitchin

912
00:42:18,710 --> 00:42:13,280
uh kind of stories right and

913
00:42:22,470 --> 00:42:21,030

oh christ here we got another comment on

914

00:42:25,190 --> 00:42:22,480

youtube

915

00:42:25,829 --> 00:42:25,200

lose the shades it's ridiculous hiding

916

00:42:29,910 --> 00:42:25,839

your eyes

917

00:42:31,190 --> 00:42:29,920

is suspect and these are all comments on

918

00:42:34,150 --> 00:42:31,200

that richard dolan show

919

00:42:34,790 --> 00:42:34,160

so you know i find it great that these

920

00:42:39,750 --> 00:42:34,800

clowns

921

00:42:41,270 --> 00:42:39,760

attack the evidence we presented in that

922

00:42:42,470 --> 00:42:41,280

show so they're just gonna attack me

923

00:42:45,430 --> 00:42:42,480

personally

924

00:42:46,470 --> 00:42:45,440

for wearing sunglasses uh when i have a

925

00:42:49,510 --> 00:42:46,480

paralyzed eye

926

00:42:50,870 --> 00:42:49,520

you [h__h] you're an [h__h]

927

00:42:52,470 --> 00:42:50,880

that's all i'm gonna say you're an

928

00:42:54,150 --> 00:42:52,480

[h__h] if you're attacking me for

929

00:42:55,750 --> 00:42:54,160

wearing sunglasses and i have a

930

00:42:56,790 --> 00:42:55,760

paralyzed eye do you want to see my

931

00:42:59,990 --> 00:42:56,800

medical records you

932

00:43:03,190 --> 00:43:01,430

but you know i try not to let these

933

00:43:06,470 --> 00:43:03,200

things bother me i really do

934

00:43:08,870 --> 00:43:06,480

but what it's ever i think that's the

935

00:43:12,790 --> 00:43:08,880

third comment to take off the sunglasses

936

00:43:15,270 --> 00:43:12,800

on the richard dolan video

937

00:43:17,349 --> 00:43:15,280

yes uh jean-claude at beyond mystic says

938

00:43:17,910 --> 00:43:17,359

yes he said scalar was also happening

939

00:43:21,270 --> 00:43:17,920

between

940

00:43:22,630 --> 00:43:21,280

the three tops the other scalar waves

941

00:43:24,470 --> 00:43:22,640

bouncing back and forth between the

942

00:43:26,390 --> 00:43:24,480

three tops of these pyramids now

943

00:43:28,069 --> 00:43:26,400

i don't know if any real scientist has

944

00:43:30,390 --> 00:43:28,079

looked into his kind of

945

00:43:31,990 --> 00:43:30,400

strange energy claims he's also making a

946

00:43:35,750 --> 00:43:32,000

lot of claims about

947

00:43:38,710 --> 00:43:35,760

some kind of uh let me see there is

948

00:43:39,430 --> 00:43:38,720

crystalline structures throughout the

949

00:43:42,150 --> 00:43:39,440

innards

950

00:43:45,829 --> 00:43:42,160

of this pyramid that they're discovering

951
00:43:47,910 --> 00:43:45,839
and the crystalline structures were not

952
00:43:50,230 --> 00:43:47,920
natural crystals in other words somebody

953
00:43:51,030 --> 00:43:50,240
created some kind of crystal material

954
00:43:54,710 --> 00:43:51,040
and put it

955
00:43:56,870 --> 00:43:54,720
inside these pyramids again

956
00:43:58,150 --> 00:43:56,880
i think he's always light on proof but

957
00:44:01,990 --> 00:43:58,160
always very high

958
00:44:04,150 --> 00:44:02,000
on uh on making

959
00:44:05,829 --> 00:44:04,160
really bolster his claims about these

960
00:44:09,109 --> 00:44:05,839
things so

961
00:44:11,430 --> 00:44:09,119
it is what it is i'm i would lean

962
00:44:13,750 --> 00:44:11,440
towards this as a natural structure

963
00:44:15,510 --> 00:44:13,760

and uh i have one of this gentleman's

964

00:44:18,550 --> 00:44:15,520

books i have

965

00:44:21,190 --> 00:44:18,560

uh you know been through

966

00:44:21,990 --> 00:44:21,200

most of what he calls evidence but it

967

00:44:25,190 --> 00:44:22,000

doesn't seem like

968

00:44:28,230 --> 00:44:25,200

you ever get like the scientific reports

969

00:44:30,230 --> 00:44:28,240

of a real scientist finding these

970

00:44:31,270 --> 00:44:30,240

magnetic anomalies or crystalline

971

00:44:33,510 --> 00:44:31,280

structures or

972

00:44:35,750 --> 00:44:33,520

scalar waves you just get him claiming

973

00:44:38,069 --> 00:44:35,760

this stuff

974

00:44:38,950 --> 00:44:38,079

hale says keep the shades yes i believe

975

00:44:41,349 --> 00:44:38,960

that i will

976
00:44:43,589 --> 00:44:41,359
the context they have a paralyzed brain

977
00:44:49,270 --> 00:44:43,599
steven yeah i got away with just an eye

978
00:44:55,670 --> 00:44:53,430
conspiracy i hope i'm saying that right

979
00:44:56,790 --> 00:44:55,680
you have no need to explain to anyone

980
00:45:01,349 --> 00:44:56,800
truth seekers

981
00:45:04,390 --> 00:45:01,359
and if the idiots yes absolutely

982
00:45:05,750 --> 00:45:04,400
yes uh brian cannot tell be nice to see

983
00:45:08,150 --> 00:45:05,760
actual readings and how they are

984
00:45:10,150 --> 00:45:08,160
measured

985
00:45:11,829 --> 00:45:10,160
david hale you're a computer science guy

986
00:45:14,950 --> 00:45:11,839
you should know what scalar waves are

987
00:45:16,550 --> 00:45:14,960
look it up it's a physics thing

988
00:45:18,230 --> 00:45:16,560

i don't understand scalar waves very

989

00:45:21,270 --> 00:45:18,240

much but it's an interesting

990

00:45:21,589 --> 00:45:21,280

uh it's an interesting scientific kind

991

00:45:25,190 --> 00:45:21,599

of

992

00:45:27,829 --> 00:45:25,200

the spooky effect

993

00:45:29,030 --> 00:45:27,839

from einstein and some of the quantum

994

00:45:31,670 --> 00:45:29,040

physics stuff there

995

00:45:33,109 --> 00:45:31,680

apparently scalar waves go faster than

996

00:45:35,349 --> 00:45:33,119

the speed of light somehow and they're

997

00:45:38,950 --> 00:45:35,359

not sure they understand how

998

00:45:42,630 --> 00:45:38,960

uh and have many other strange

999

00:45:45,030 --> 00:45:42,640

strange strange properties

1000

00:45:45,670 --> 00:45:45,040

and brian cannot tell says the court

1001
00:45:53,109 --> 00:45:45,680
rocks

1002
00:45:56,790 --> 00:45:55,270
your earlier vid calling out more

1003
00:45:58,870 --> 00:45:56,800
required yeah

1004
00:46:00,550 --> 00:45:58,880
martin i try to do those shows as much

1005
00:46:01,430 --> 00:46:00,560
as possible but they tend to be very

1006
00:46:03,910 --> 00:46:01,440
taxing

1007
00:46:04,870 --> 00:46:03,920
because it's not just all the research

1008
00:46:06,470 --> 00:46:04,880
you know if you're gonna

1009
00:46:07,910 --> 00:46:06,480
if you're gonna go talking trash like

1010
00:46:09,270 --> 00:46:07,920
that about somebody you gotta dot your

1011
00:46:11,829 --> 00:46:09,280
eyes and cross your t's and make sure

1012
00:46:13,910 --> 00:46:11,839
that your research is really really good

1013
00:46:15,190 --> 00:46:13,920

but the other issue is that then every

1014

00:46:16,390 --> 00:46:15,200

time i do one of those shows i got to

1015

00:46:19,109 --> 00:46:16,400

deal with this like

1016

00:46:19,750 --> 00:46:19,119

flood of nasty comments and sometimes

1017

00:46:22,390 --> 00:46:19,760

i'm like

1018

00:46:24,390 --> 00:46:22,400

is it really worth it david hale

1019

00:46:26,390 --> 00:46:24,400

tachyons are faster than light yeah and

1020

00:46:28,150 --> 00:46:26,400

that's why star trek uses tachyon

1021

00:46:30,390 --> 00:46:28,160

so much right if you watch star trek

1022

00:46:32,390 --> 00:46:30,400

they talk about tachyons all the time

1023

00:46:33,589 --> 00:46:32,400

there's a tachyon emission and then they

1024

00:46:37,349 --> 00:46:33,599

find like a wormhole

1025

00:46:41,349 --> 00:46:39,670

yes william pixley after 20 years and a

1026

00:46:47,109 --> 00:46:41,359

million bucks the fact that this still

1027

00:46:50,069 --> 00:46:48,550

kell truth i have to say good night to

1028

00:46:51,430 --> 00:46:50,079

you but i'm having a surprise fun night

1029

00:46:54,630 --> 00:46:51,440

for my son so i have to go

1030

00:46:56,950 --> 00:46:54,640

bye kell truth hope you have a good time

1031

00:46:58,390 --> 00:46:56,960

and yes definitely a tunnel system seems

1032

00:46:59,670 --> 00:46:58,400

like that could have been done any time

1033

00:47:03,190 --> 00:46:59,680

in the past yeah i mean

1034

00:47:04,870 --> 00:47:03,200

any curious culture right could have saw

1035

00:47:07,109 --> 00:47:04,880

that hill and said hey let's dig some

1036

00:47:09,990 --> 00:47:07,119

tunnels into the side of that hill

1037

00:47:10,550 --> 00:47:10,000

it could have been used to store things

1038

00:47:12,630 --> 00:47:10,560

like a

1039

00:47:13,589 --> 00:47:12,640

root cellar i don't know there could be

1040

00:47:18,150 --> 00:47:13,599

a hundred

1041

00:47:19,750 --> 00:47:18,160

there's tunnels inside this hill

1042

00:47:24,630 --> 00:47:19,760

that have nothing to do with it being a

1043

00:47:26,870 --> 00:47:24,640

pyramid but you know

1044

00:47:28,950 --> 00:47:26,880

okay the avatars are back now here on

1045

00:47:31,270 --> 00:47:28,960

youtube did you change any settings oh

1046

00:47:33,430 --> 00:47:31,280

yeah i see they were back thanks

1047

00:47:34,790 --> 00:47:33,440

no jean-claude i did not change any

1048

00:47:37,829 --> 00:47:34,800

settings so

1049

00:47:39,349 --> 00:47:37,839

uh luckily i know someone at streamyard

1050

00:47:41,270 --> 00:47:39,359

who i can contact

1051

00:47:43,190 --> 00:47:41,280

and they're very good uh with getting

1052

00:47:45,589 --> 00:47:43,200

back to you and and saying okay this is

1053

00:47:47,190 --> 00:47:45,599

why that happened i'm sure they know

1054

00:47:48,710 --> 00:47:47,200

or this has been an issue for somebody

1055

00:47:50,790 --> 00:47:48,720

besides me

1056

00:47:53,030 --> 00:47:50,800

may have had something to do with twitch

1057

00:47:54,390 --> 00:47:53,040

and uh oh while we're at it i'm gonna

1058

00:47:59,829 --> 00:47:54,400

look over at twitch

1059

00:48:03,670 --> 00:48:01,750

which is great so now everything seems

1060

00:48:05,430 --> 00:48:03,680

to be working whatever was going on i

1061

00:48:06,790 --> 00:48:05,440

guess it worked itself out

1062

00:48:08,710 --> 00:48:06,800

you know i'm glad i didn't end the

1063

00:48:10,390 --> 00:48:08,720

twitch stream

1064

00:48:12,069 --> 00:48:10,400

and i just wanted to mention i don't

1065

00:48:13,190 --> 00:48:12,079

know very much about twitch i have a

1066

00:48:16,230 --> 00:48:13,200

friend

1067

00:48:19,349 --> 00:48:16,240

don't have jobs they've

1068

00:48:21,829 --> 00:48:19,359

their full-time jobs are to twitch

1069

00:48:23,109 --> 00:48:21,839

stream themselves on twitch playing

1070

00:48:25,430 --> 00:48:23,119

video games

1071

00:48:28,470 --> 00:48:25,440

which i think what a dream job right if

1072

00:48:31,349 --> 00:48:28,480

i can get that gig

1073

00:48:33,109 --> 00:48:31,359

and i watched uh i was at one of these

1074

00:48:34,950 --> 00:48:33,119

friends houses while he was actually

1075

00:48:36,549 --> 00:48:34,960

doing a stream and i was kind of amazed

1076
00:48:37,190 --> 00:48:36,559
at how much money people were throwing

1077
00:48:40,630 --> 00:48:37,200
at him

1078
00:48:43,750 --> 00:48:40,640
and he was playing uh call of duty

1079
00:48:46,710 --> 00:48:43,760
um and uh you know

1080
00:48:48,150 --> 00:48:46,720
must i think that twitch is mostly right

1081
00:48:49,990 --> 00:48:48,160
isn't twitch mostly like people

1082
00:48:51,829 --> 00:48:50,000
streaming video games but there are

1083
00:48:53,510 --> 00:48:51,839
i found that there are some paranormal

1084
00:48:56,390 --> 00:48:53,520
shows on there not many

1085
00:48:57,990 --> 00:48:56,400
so i thought uh we can we can go to

1086
00:49:01,109 --> 00:48:58,000
another destination

1087
00:49:01,990 --> 00:49:01,119
let's uh let's see if we can get a

1088
00:49:04,790 --> 00:49:02,000

twitch stream

1089

00:49:06,390 --> 00:49:04,800

going because that would be you know

1090

00:49:09,510 --> 00:49:06,400

that would be beneficial

1091

00:49:11,270 --> 00:49:09,520

and also we're going to have to do some

1092

00:49:12,549 --> 00:49:11,280

kind of analysis of the numbers here

1093

00:49:13,589 --> 00:49:12,559

because

1094

00:49:15,829 --> 00:49:13,599

you know when i start getting

1095

00:49:18,150 --> 00:49:15,839

discouraged then i realize things like

1096

00:49:19,349 --> 00:49:18,160

i'm not counting the facebook live

1097

00:49:21,510 --> 00:49:19,359

numbers

1098

00:49:22,630 --> 00:49:21,520

um and sometimes there's significant

1099

00:49:25,109 --> 00:49:22,640

people on facebook

1100

00:49:26,230 --> 00:49:25,119

okay we have five people on that's not

1101

00:49:29,270 --> 00:49:26,240

very significant but

1102

00:49:30,069 --> 00:49:29,280

you know after the stream on facebook

1103

00:49:31,589 --> 00:49:30,079

please

1104

00:49:33,990 --> 00:49:31,599

i don't know if it's accurate but it'll

1105

00:49:34,309 --> 00:49:34,000

say like 125 views or something like

1106

00:49:37,109 --> 00:49:34,319

that

1107

00:49:38,309 --> 00:49:37,119

after a day or so so i don't know how to

1108

00:49:39,670 --> 00:49:38,319

deal with the numbers

1109

00:49:41,910 --> 00:49:39,680

i'm just going to keep my head down and

1110

00:49:45,430 --> 00:49:41,920

not worry about the numbers for a while

1111

00:49:48,069 --> 00:49:45,440

but the numbers friends that if we get

1112

00:49:48,549 --> 00:49:48,079

if we decide we're going to run ads at

1113

00:49:50,390 --> 00:49:48,559

all

1114

00:49:51,910 --> 00:49:50,400

and if we do it'll be pretty sparingly

1115

00:49:53,750 --> 00:49:51,920

but you know

1116

00:49:55,510 --> 00:49:53,760

for ad purposes you have to be able to

1117

00:49:58,710 --> 00:49:55,520

show the advertisers numbers so

1118

00:50:00,470 --> 00:49:58,720

i guess i'm going to figure it out truth

1119

00:50:01,589 --> 00:50:00,480

pisses people off the more you speak it

1120

00:50:03,270 --> 00:50:01,599

the more they hate it

1121

00:50:04,710 --> 00:50:03,280

and you don't go into their level just

1122

00:50:06,390 --> 00:50:04,720

ignore and they go away

1123

00:50:08,069 --> 00:50:06,400

those that receive truth will always

1124

00:50:11,270 --> 00:50:08,079

have your back yeah and

1125

00:50:14,470 --> 00:50:11,280

by the way i don't

1126

00:50:17,510 --> 00:50:14,480

i have to consider the source so

1127

00:50:20,470 --> 00:50:17,520

this is very important like let's say

1128

00:50:21,990 --> 00:50:20,480

a very educated person came to me and

1129

00:50:25,349 --> 00:50:22,000

told me that your facts are

1130

00:50:27,670 --> 00:50:25,359

and evidence are wrong and here's why

1131

00:50:28,470 --> 00:50:27,680

bring it bring it i'm great with that

1132

00:50:30,309 --> 00:50:28,480

i'm fine with

1133

00:50:32,069 --> 00:50:30,319

opening a debate with we'll have a

1134

00:50:33,750 --> 00:50:32,079

discussion about it you can show me your

1135

00:50:36,309 --> 00:50:33,760

evidence i'll show you mine

1136

00:50:37,430 --> 00:50:36,319

i'm fine with that but when these dumb

1137

00:50:40,150 --> 00:50:37,440

idiots

1138

00:50:40,790 --> 00:50:40,160

just attack me for like something

1139

00:50:43,430 --> 00:50:40,800

physical

1140

00:50:43,990 --> 00:50:43,440

right like okay i'm wearing sunglasses

1141

00:50:48,230 --> 00:50:44,000

or

1142

00:50:49,109 --> 00:50:48,240

whatever uh and then oh the one guy i

1143

00:50:50,950 --> 00:50:49,119

like looked

1144

00:50:52,230 --> 00:50:50,960

on his youtube channel and he doesn't

1145

00:50:55,030 --> 00:50:52,240

have any of his own content

1146

00:50:56,630 --> 00:50:55,040

of course he's telling me my show sucks

1147

00:50:59,190 --> 00:50:56,640

uh doesn't have his own show

1148

00:51:01,190 --> 00:50:59,200

you know listen it's always the guy that

1149

00:51:02,950 --> 00:51:01,200

hasn't done what you did didn't have the

1150

00:51:05,109 --> 00:51:02,960

balls to do with you did

1151
00:51:07,270 --> 00:51:05,119
that wants to be an [h__h] of a critic

1152
00:51:08,870 --> 00:51:07,280
i've lived with this kind of stuff my

1153
00:51:11,990 --> 00:51:08,880
whole life

1154
00:51:16,790 --> 00:51:14,309
i looked at that one guy's youtube

1155
00:51:20,150 --> 00:51:16,800
channel and has got a ufo playlist

1156
00:51:23,670 --> 00:51:20,160
and it's filled with like pete peterson

1157
00:51:27,750 --> 00:51:23,680
carrie cassidy dan burrish

1158
00:51:29,990 --> 00:51:27,760
right stan romanek he even had a video

1159
00:51:32,309 --> 00:51:30,000
from stan romanek in his playlist

1160
00:51:33,829 --> 00:51:32,319
you know the guy that got busted for

1161
00:51:36,069 --> 00:51:33,839
kitty porn

1162
00:51:38,309 --> 00:51:36,079
and sean david morton the guy that got

1163
00:51:41,190 --> 00:51:38,319

busted for ripping all these people off

1164

00:51:43,270 --> 00:51:41,200

so he's got criminals in his youtube

1165

00:51:46,549 --> 00:51:43,280

playlist and he's telling me how much i

1166

00:51:48,829 --> 00:51:46,559

suck at research or whatever

1167

00:51:52,790 --> 00:51:48,839

you know you gotta consider the source

1168

00:52:04,230 --> 00:51:54,950

twitch and d live gamers but they play

1169

00:52:07,990 --> 00:52:06,470

david hale who by the way david hale is

1170

00:52:09,910 --> 00:52:08,000

an old magician friend of mine

1171

00:52:11,430 --> 00:52:09,920

i don't want to make he's an old friend

1172

00:52:13,030 --> 00:52:11,440

of mine i don't want to say he's an old

1173

00:52:14,630 --> 00:52:13,040

magician

1174

00:52:16,710 --> 00:52:14,640

he uh says you're welcome about the

1175

00:52:18,950 --> 00:52:16,720

avatars magic is fun

1176
00:52:20,069 --> 00:52:18,960
yeah he's gonna take cred that's that's

1177
00:52:22,150 --> 00:52:20,079
a magician trick

1178
00:52:23,990 --> 00:52:22,160
if something happens you take credit

1179
00:52:24,790 --> 00:52:24,000
right david hill that's what you got to

1180
00:52:30,790 --> 00:52:24,800
do

1181
00:52:34,790 --> 00:52:32,549
i'm not sure what this means martin r

1182
00:52:38,230 --> 00:52:34,800
says take the dime

1183
00:52:44,829 --> 00:52:38,240
take the time see what you get for a

1184
00:52:48,549 --> 00:52:47,030
okay

1185
00:52:50,470 --> 00:52:48,559
i'm maybe you're referring to twitch

1186
00:52:52,790 --> 00:52:50,480
take the time to do the twitch stream

1187
00:52:54,549 --> 00:52:52,800
you know and let me check on that looks

1188
00:52:57,750 --> 00:52:54,559

like it's still up

1189

00:52:59,750 --> 00:52:57,760

but i don't know that anybody not one

1190

00:53:01,270 --> 00:52:59,760

person is watching on twitch but again

1191

00:53:03,349 --> 00:53:01,280

we haven't done anything to actually

1192

00:53:04,790 --> 00:53:03,359

develop a following on twitch so for now

1193

00:53:06,870 --> 00:53:04,800

we're just going to be dumping our show

1194

00:53:09,829 --> 00:53:06,880

there whether they like it or not

1195

00:53:11,910 --> 00:53:09,839

and that's kind of what i decided to do

1196

00:53:15,190 --> 00:53:11,920

out of mind says hello steven

1197

00:53:18,470 --> 00:53:15,200

and then says hi everyone sorry i'm late

1198

00:53:22,309 --> 00:53:18,480

and here we go with these lights again

1199

00:53:28,150 --> 00:53:25,990

i just wanted to mention uh

1200

00:53:30,069 --> 00:53:28,160

yesterday we had several paypal

1201

00:53:31,910 --> 00:53:30,079

donations you can go to my main channel

1202

00:53:34,549 --> 00:53:31,920

and just click about and there's donate

1203

00:53:38,630 --> 00:53:34,559

by paypal or donate on patreon

1204

00:53:42,069 --> 00:53:38,640

um yesterday we had several people

1205

00:53:42,950 --> 00:53:42,079

uh reemsey made a donation brandon young

1206

00:53:47,030 --> 00:53:42,960

made a donation

1207

00:53:49,270 --> 00:53:47,040

but here's the deal

1208

00:53:50,870 --> 00:53:49,280

uh please if you made that five dollar

1209

00:53:53,430 --> 00:53:50,880

donation and you're not reemsey or

1210

00:53:55,589 --> 00:53:53,440

brandon young and you're here today

1211

00:53:56,549 --> 00:53:55,599

please let me know because the danger

1212

00:53:59,510 --> 00:53:56,559

here is

1213

00:54:01,270 --> 00:53:59,520

in the pay pal people are not putting if

1214

00:54:04,470 --> 00:54:01,280

you give me a paypal donation please

1215

00:54:06,069 --> 00:54:04,480

put your user name in the live chat

1216

00:54:07,589 --> 00:54:06,079

on your paypal donation there's a little

1217

00:54:10,470 --> 00:54:07,599

thing called add note

1218

00:54:11,829 --> 00:54:10,480

so for example you could if it was

1219

00:54:15,510 --> 00:54:11,839

william pixley

1220

00:54:17,670 --> 00:54:15,520

and then a space

1221

00:54:19,190 --> 00:54:17,680

whatever you want me to read or say

1222

00:54:20,230 --> 00:54:19,200

whatever you'd like me to share on the

1223

00:54:22,870 --> 00:54:20,240

show

1224

00:54:24,470 --> 00:54:22,880

if you don't put your user id i'm kind

1225

00:54:26,630 --> 00:54:24,480

of hesitant to

1226

00:54:27,990 --> 00:54:26,640

share because i think i'm getting this

1227

00:54:30,069 --> 00:54:28,000

person's real name

1228

00:54:31,270 --> 00:54:30,079

and i don't want to read their real name

1229

00:54:33,349 --> 00:54:31,280

so somebody

1230

00:54:37,109 --> 00:54:33,359

i owe somebody a thank you for a five

1231

00:54:44,390 --> 00:54:41,270

i would appreciate absolutely

1232

00:54:46,789 --> 00:54:44,400

could put your user id

1233

00:54:48,150 --> 00:54:46,799

because then i won't feel like you know

1234

00:54:50,150 --> 00:54:48,160

what i mean guys like i don't want to

1235

00:54:53,190 --> 00:54:50,160

just be reading off people's real names

1236

00:54:56,710 --> 00:54:53,200

they may not want their real name

1237

00:54:59,589 --> 00:54:56,720

uh read off on the air and uh

1238

00:55:00,390 --> 00:54:59,599

just one other thing friends i'm going

1239

00:55:04,150 --> 00:55:00,400

to

1240

00:55:07,510 --> 00:55:04,160

donation comes in

1241

00:55:10,069 --> 00:55:07,520

and i'm sorry but we uh

1242

00:55:11,510 --> 00:55:10,079

don't have really this system for

1243

00:55:13,030 --> 00:55:11,520

putting it up on the screen i said i was

1244

00:55:14,870 --> 00:55:13,040

gonna make a graphic i keep forgetting

1245

00:55:19,430 --> 00:55:14,880

to do that

1246

00:55:21,430 --> 00:55:19,440

let's see if we can get in here

1247

00:55:23,510 --> 00:55:21,440

ah it's giving me a security challenge

1248

00:55:26,309 --> 00:55:23,520

oh wait that's just i'm not a robot

1249

00:55:27,990 --> 00:55:26,319

yeah i thought it was gonna do that but

1250

00:55:29,109 --> 00:55:28,000

you know once in a while it does that

1251
00:55:32,150 --> 00:55:29,119
like

1252
00:55:34,230 --> 00:55:32,160
uh you know you gotta enter a code that

1253
00:55:36,630 --> 00:55:34,240
they text you or something like that yes

1254
00:55:39,670 --> 00:55:36,640
so there was

1255
00:55:40,950 --> 00:55:39,680
july 28th which is yesterday we had a

1256
00:55:42,549 --> 00:55:40,960
donation from reem sy

1257
00:55:44,789 --> 00:55:42,559
thank you very much reem see god bless

1258
00:55:46,390 --> 00:55:44,799
you for your kind ten dollar donation

1259
00:55:48,390 --> 00:55:46,400
then we had a donation from brandon

1260
00:55:49,990 --> 00:55:48,400
young of five dollars thank you very

1261
00:55:52,470 --> 00:55:50,000
much brandon young

1262
00:55:53,030 --> 00:55:52,480
i appreciate it immensely god bless you

1263
00:55:55,589 --> 00:55:53,040

for your

1264

00:55:57,670 --> 00:55:55,599

kindness your support your generosity

1265

00:55:58,870 --> 00:55:57,680

and then we had another five dollar

1266

00:56:00,710 --> 00:55:58,880

donation and again

1267

00:56:02,630 --> 00:56:00,720

i have here in front of me what i think

1268

00:56:05,190 --> 00:56:02,640

is somebody's real name

1269

00:56:06,069 --> 00:56:05,200

and so i'm not going to read that off

1270

00:56:08,069 --> 00:56:06,079

until

1271

00:56:09,349 --> 00:56:08,079

they let me know and they may not be

1272

00:56:11,430 --> 00:56:09,359

here tonight so

1273

00:56:13,190 --> 00:56:11,440

if that's the case then i'll just keep

1274

00:56:16,630 --> 00:56:13,200

asking who gave me

1275

00:56:18,549 --> 00:56:16,640

uh brian

1276

00:56:20,069 --> 00:56:18,559

who gave me i'll just keep asking who

1277

00:56:22,309 --> 00:56:20,079

gave me that five dollar donation

1278

00:56:26,390 --> 00:56:22,319

yesterday until i find out who it is

1279

00:56:28,549 --> 00:56:26,400

and can uh con can tell them

1280

00:56:30,309 --> 00:56:28,559

can you drop the twitch link in here

1281

00:56:36,950 --> 00:56:30,319

yeah i can

1282

00:56:43,510 --> 00:56:40,470

it's twitch.tv backslash

1283

00:56:44,870 --> 00:56:43,520

truth seeker show

1284

00:56:46,549 --> 00:56:44,880

he said i think that's it let me make

1285

00:56:49,910 --> 00:56:46,559

sure before i send it to you

1286

00:56:53,190 --> 00:56:49,920

yeah that's it it's twitch.tv backslash

1287

00:56:55,270 --> 00:56:53,200

truth seeker show and i'm going to put

1288

00:57:00,150 --> 00:56:55,280

that in the live chat

1289

00:57:09,190 --> 00:57:00,160

uh so yeah you should be able to

1290

00:57:13,750 --> 00:57:11,750

no no it's got to be ht hold on one

1291

00:57:14,870 --> 00:57:13,760

second

1292

00:57:17,430 --> 00:57:14,880

you know what i'm just gonna do it

1293

00:57:19,589 --> 00:57:17,440

without that it seems like that

1294

00:57:23,829 --> 00:57:19,599

the best way to go about it let's see

1295

00:57:27,349 --> 00:57:26,630

yeah this should work now there we go

1296

00:57:30,870 --> 00:57:27,359

now we got the

1297

00:57:32,260 --> 00:57:30,880

proper link and thanks to out of mind is

1298

00:57:37,109 --> 00:57:32,270

pumping the patreon

1299

00:57:41,589 --> 00:57:39,990

yeah this is my patreon and really we

1300

00:57:43,589 --> 00:57:41,599

only charge a dollar a month on our

1301

00:57:46,870 --> 00:57:43,599

patreon i don't have any tiers so

1302

00:57:48,630 --> 00:57:46,880

if you want to really help me either way

1303

00:57:51,030 --> 00:57:48,640

the paypal donations is kind of like a

1304

00:57:52,549 --> 00:57:51,040

one-time donation you can write in

1305

00:57:54,390 --> 00:57:52,559

when you make the paypal donation

1306

00:57:55,270 --> 00:57:54,400

there's a add a note so you put your

1307

00:57:57,670 --> 00:57:55,280

user id

1308

00:57:59,349 --> 00:57:57,680

whatever you want to say or share and i

1309

00:58:02,309 --> 00:57:59,359

will say and share that and

1310

00:58:04,309 --> 00:58:02,319

thank you profusely because uh every

1311

00:58:06,870 --> 00:58:04,319

little bit helps here to keep us

1312

00:58:08,549 --> 00:58:06,880

keep things going david hale absolutely

1313

00:58:10,470 --> 00:58:08,559

can you prove that i didn't restore your

1314

00:58:20,829 --> 00:58:10,480

avatars no i can't

1315

00:58:23,829 --> 00:58:22,549

okay

1316

00:58:25,910 --> 00:58:23,839

martin r i'm not sure what you're

1317

00:58:29,589 --> 00:58:25,920

talking about

1318

00:58:32,309 --> 00:58:29,599

uh i i i really don't know you know like

1319

00:58:33,990 --> 00:58:32,319

money u.s to help us spread out one by

1320

00:58:37,109 --> 00:58:34,000

one will give us clout

1321

00:58:38,309 --> 00:58:37,119

i don't know are you talking in codes

1322

00:58:40,230 --> 00:58:38,319

so what do you guys think of this

1323

00:58:41,750 --> 00:58:40,240

bosnian pyramid do you think this is a

1324

00:58:44,230 --> 00:58:41,760

real

1325

00:58:44,950 --> 00:58:44,240

pyramid that has been lost to history or

1326

00:58:48,069 --> 00:58:44,960

do you think

1327

00:58:49,589 --> 00:58:48,079

this clever marketing guy just decided

1328

00:58:51,430 --> 00:58:49,599

it was a pyramid so that he could make

1329

00:58:52,870 --> 00:58:51,440

tons of money i mean

1330

00:58:54,789 --> 00:58:52,880

he's in charge of a million dollar

1331

00:58:59,430 --> 00:58:54,799

foundation now with this thing

1332

00:59:05,910 --> 00:59:02,710

and the town has got a booming

1333

00:59:07,430 --> 00:59:05,920

tourist-based economy over this so we

1334

00:59:10,870 --> 00:59:07,440

can imagine why

1335

00:59:14,230 --> 00:59:10,880

they're so supportive of this man uh

1336

00:59:17,109 --> 00:59:14,240

this man osman jic's efforts

1337

00:59:17,750 --> 00:59:17,119

to continue to study this pyramid

1338

00:59:19,670 --> 00:59:17,760

because

1339

00:59:21,670 --> 00:59:19,680

until definitive proof is found that

1340

00:59:23,270 --> 00:59:21,680

it's all bs

1341

00:59:25,030 --> 00:59:23,280

people are gonna keep wanting to go

1342

00:59:28,710 --> 00:59:25,040

visit it

1343

00:59:32,549 --> 00:59:28,720

and you never know you never know

1344

00:59:35,670 --> 00:59:32,559

he may he may indeed

1345

00:59:36,710 --> 00:59:35,680

find the smoking gun proof right and and

1346

00:59:38,789 --> 00:59:36,720

if he does

1347

00:59:40,630 --> 00:59:38,799

i would i would like that i would like

1348

00:59:41,510 --> 00:59:40,640

for this guy because he spent 20 years

1349

00:59:47,190 --> 00:59:41,520

of his life

1350

00:59:49,030 --> 00:59:47,200

claiming this thing was pyramid right

1351
00:59:51,030 --> 00:59:49,040
has the bosnian government allow full

1352
00:59:51,670 --> 00:59:51,040
excavation of the site now i believe

1353
00:59:53,829 --> 00:59:51,680
that they

1354
00:59:55,109 --> 00:59:53,839
can dig wherever they want it seemed to

1355
00:59:56,470 --> 00:59:55,119
me from all the videos

1356
00:59:59,030 --> 00:59:56,480
and pictures that i saw that they're

1357
00:59:59,510 --> 00:59:59,040
digging inside it they're digging around

1358
01:00:05,109 --> 00:59:59,520
it

1359
01:00:05,119 --> 01:00:11,589
lord or says not yet so we don't know

1360
01:00:16,069 --> 01:00:15,030
brian can i tell thank you brian cannot

1361
01:00:19,670 --> 01:00:16,079
tell

1362
01:00:24,069 --> 01:00:19,680
first

1363
01:00:26,470 --> 01:00:24,079

brian cannot tell

1364

01:00:27,270 --> 01:00:26,480

and thank you immensely he went over to

1365

01:00:30,789 --> 01:00:27,280

twitch

1366

01:00:33,030 --> 01:00:30,799

so that he can pass the link out for us

1367

01:00:34,710 --> 01:00:33,040

and uh and brian can't tell says

1368

01:00:38,230 --> 01:00:34,720

actually less delay here

1369

01:00:39,270 --> 01:00:38,240

yeah you never know maybe uh twitch has

1370

01:00:44,950 --> 01:00:39,280

better

1371

01:00:45,910 --> 01:00:44,960

to accept the stream i really i really

1372

01:00:49,109 --> 01:00:45,920

don't know

1373

01:00:50,470 --> 01:00:49,119

but i gotta tell you uh you know i'm

1374

01:00:52,789 --> 01:00:50,480

very impressed with some of this

1375

01:00:54,710 --> 01:00:52,799

technology because

1376

01:00:56,870 --> 01:00:54,720

i used to do this radio show it was

1377

01:00:59,430 --> 01:00:56,880

pre-recorded and it took so much

1378

01:01:01,910 --> 01:00:59,440

time and energy to edit this whole thing

1379

01:01:03,589 --> 01:01:01,920

together and do all this stuff and

1380

01:01:06,710 --> 01:01:03,599

this live streaming is great we're going

1381

01:01:08,950 --> 01:01:06,720

out to three major platforms facebook

1382

01:01:10,230 --> 01:01:08,960

youtube and twitch all at once and i

1383

01:01:10,710 --> 01:01:10,240

don't have to do anything i click a

1384

01:01:12,950 --> 01:01:10,720

button

1385

01:01:14,069 --> 01:01:12,960

to add that destination i mean i signed

1386

01:01:16,549 --> 01:01:14,079

up for a twitch account but

1387

01:01:17,430 --> 01:01:16,559

you know what i mean guys it's like it's

1388

01:01:21,430 --> 01:01:17,440

just great

1389

01:01:22,870 --> 01:01:21,440

will help us grow the show because maybe

1390

01:01:24,789 --> 01:01:22,880

some people

1391

01:01:25,990 --> 01:01:24,799

a lot of people just watching things on

1392

01:01:29,589 --> 01:01:26,000

twitch

1393

01:01:30,950 --> 01:01:29,599

uh i hear uh from people that i know

1394

01:01:33,190 --> 01:01:30,960

they're really into twitch that they

1395

01:01:34,069 --> 01:01:33,200

spend a lot of time just watching stuff

1396

01:01:36,950 --> 01:01:34,079

on twitch

1397

01:01:37,349 --> 01:01:36,960

and less time watching stuff on youtube

1398

01:01:40,150 --> 01:01:37,359

you know

1399

01:01:41,990 --> 01:01:40,160

it's the new emerging platform i'd like

1400

01:01:42,710 --> 01:01:42,000

to also get on bit shoot and a few

1401

01:01:46,069 --> 01:01:42,720

others

1402

01:01:47,430 --> 01:01:46,079

i think um and again that would all be

1403

01:01:49,349 --> 01:01:47,440

to prove

1404

01:01:50,630 --> 01:01:49,359

or that would all be to build and grow

1405

01:01:52,549 --> 01:01:50,640

our audience

1406

01:01:54,309 --> 01:01:52,559

william pixley says lidar will prove it

1407

01:01:56,150 --> 01:01:54,319

all the fact that he hasn't done it

1408

01:01:58,150 --> 01:01:56,160

and has the money it's likely to scan

1409

01:02:00,549 --> 01:01:58,160

the community wants to support

1410

01:02:05,109 --> 01:02:00,559

milk maybe yeah maybe milk them for more

1411

01:02:10,230 --> 01:02:06,950

yeah and this says can't post comments

1412

01:02:12,710 --> 01:02:10,240

to some destinations so i'm not sure

1413

01:02:14,789 --> 01:02:12,720

oh yeah i see brian cannot tell in our

1414

01:02:15,270 --> 01:02:14,799

twitch chat and i see me in our twitch

1415

01:02:17,510 --> 01:02:15,280

chat

1416

01:02:20,710 --> 01:02:17,520

i think they mean i can't post comments

1417

01:02:21,190 --> 01:02:20,720

to uh facebook because on facebook it's

1418

01:02:23,349 --> 01:02:21,200

just

1419

01:02:25,349 --> 01:02:23,359

a facebook live and the comment you know

1420

01:02:26,150 --> 01:02:25,359

you don't there's no chat room on the

1421

01:02:29,190 --> 01:02:26,160

facebook live

1422

01:02:29,510 --> 01:02:29,200

it's uh just comments and just so you

1423

01:02:32,470 --> 01:02:29,520

know

1424

01:02:32,870 --> 01:02:32,480

if you guys do want to watch on facebook

1425

01:02:34,870 --> 01:02:32,880

your

1426

01:02:37,270 --> 01:02:34,880

comment if you comment on the facebook

1427

01:02:38,069 --> 01:02:37,280

live video i'll see it here in my live

1428

01:02:42,789 --> 01:02:38,079

chat

1429

01:02:46,829 --> 01:02:42,799

will not see it

1430

01:02:48,549 --> 01:02:46,839

each pla you know it doesn't i see it

1431

01:02:50,230 --> 01:02:48,559

all

1432

01:02:53,750 --> 01:02:50,240

yeah it doesn't trans it doesn't

1433

01:02:56,870 --> 01:02:53,760

transfer back and forth to the others

1434

01:02:59,190 --> 01:02:56,880

so i think uh pix is right

1435

01:03:00,950 --> 01:02:59,200

in that if this was a real thing and

1436

01:03:02,549 --> 01:03:00,960

he's got all this money he could lie to

1437

01:03:04,789 --> 01:03:02,559

our that thing tomorrow

1438

01:03:06,309 --> 01:03:04,799

and we'd be able to really see what's

1439

01:03:07,829 --> 01:03:06,319

underneath there

1440

01:03:09,829 --> 01:03:07,839

and yeah it picks the fact that he

1441

01:03:13,829 --> 01:03:09,839

hasn't done it is a little bit

1442

01:03:13,839 --> 01:03:18,950

and here i'm going to put

1443

01:03:25,510 --> 01:03:22,390

here we go so here is the here is the

1444

01:03:29,270 --> 01:03:25,520

truth seekers twitch channel it's

1445

01:03:32,710 --> 01:03:29,280

twitch tv backslash truth seekers

1446

01:03:34,230 --> 01:03:32,720

or truth seeker show

1447

01:03:35,589 --> 01:03:34,240

so if you do have a twitch account it

1448

01:03:37,270 --> 01:03:35,599

would be great if you followed me there

1449

01:03:40,230 --> 01:03:37,280

so we can start building that up

1450

01:03:43,829 --> 01:03:40,240

and uh you know i'm still looking into

1451

01:03:47,270 --> 01:03:43,839

twitch still have a lot to explore

1452

01:03:49,510 --> 01:03:47,280

you know what what can be done on twitch

1453

01:03:51,430 --> 01:03:49,520

that maybe can't you know i'm sure that

1454

01:03:55,910 --> 01:03:51,440

each platform has its advantages and

1455

01:03:59,430 --> 01:03:57,589

and friends i think we're gonna we're

1456

01:04:02,470 --> 01:03:59,440

gonna make this a short one tonight

1457

01:04:04,230 --> 01:04:02,480

but yesterday's was the longest

1458

01:04:05,910 --> 01:04:04,240

and i oh i also wanted to mention and

1459

01:04:06,789 --> 01:04:05,920

get that piece of business out of the

1460

01:04:10,470 --> 01:04:06,799

way

1461

01:04:11,990 --> 01:04:10,480

um uh yesterday we did a three hour

1462

01:04:13,750 --> 01:04:12,000

stream it's the first time we did a

1463

01:04:17,190 --> 01:04:13,760

three hour stream

1464

01:04:20,630 --> 01:04:17,200

and youtube did not like that one bit

1465

01:04:23,750 --> 01:04:20,640

apparently uh it cut off the first hour

1466

01:04:25,270 --> 01:04:23,760

of the of the show and then everybody

1467

01:04:25,990 --> 01:04:25,280

was going why is it starting right in

1468

01:04:28,630 --> 01:04:26,000

the middle or

1469

01:04:29,750 --> 01:04:28,640

what's going on so i had to mark that

1470

01:04:31,510 --> 01:04:29,760

video private

1471

01:04:33,270 --> 01:04:31,520

which i hate to do because people are

1472

01:04:35,190 --> 01:04:33,280

already commenting and thumbs upping

1473

01:04:38,549 --> 01:04:35,200

so if you did comment and thumbs up

1474

01:04:40,710 --> 01:04:38,559

yesterday on the video

1475

01:04:42,789 --> 01:04:40,720

it would be great if you went to the new

1476

01:04:44,309 --> 01:04:42,799

one that i uploaded

1477

01:04:45,990 --> 01:04:44,319

here's what i do friends right at the

1478

01:04:47,670 --> 01:04:46,000

end of each broadcast

1479

01:04:49,750 --> 01:04:47,680

the software here lets me download a

1480

01:04:52,069 --> 01:04:49,760

copy of the show so i download a copy of

1481

01:04:53,589 --> 01:04:52,079

the show and i copy it to a file server

1482

01:04:53,990 --> 01:04:53,599

that i have here just in case something

1483

01:04:56,390 --> 01:04:54,000

like that

1484

01:04:58,309 --> 01:04:56,400

happens so it's not a huge issue i

1485

01:05:00,870 --> 01:04:58,319

uploaded a new version

1486

01:05:02,150 --> 01:05:00,880

um and youtube took that just fine but

1487

01:05:03,990 --> 01:05:02,160

something about doing a three hour

1488

01:05:05,430 --> 01:05:04,000

stream that cut you off in an hour and

1489

01:05:08,470 --> 01:05:05,440

59 minutes

1490

01:05:09,510 --> 01:05:08,480

and then i'm told in a few hours it

1491

01:05:11,430 --> 01:05:09,520

should process

1492

01:05:12,630 --> 01:05:11,440

the rest of the video and it should be

1493

01:05:14,549 --> 01:05:12,640

there but

1494

01:05:15,910 --> 01:05:14,559

uh last i checked which was about an

1495

01:05:20,309 --> 01:05:15,920

hour ago

1496

01:05:22,230 --> 01:05:20,319

it still was only playing two hours

1497

01:05:23,750 --> 01:05:22,240

john claude last night was a marathon

1498

01:05:25,430 --> 01:05:23,760

yeah some nights we just

1499

01:05:27,349 --> 01:05:25,440

unload like that john claude it depends

1500

01:05:29,270 --> 01:05:27,359

on what we have oh and i did get your

1501

01:05:30,870 --> 01:05:29,280

email i didn't reply to you so i can

1502

01:05:34,069 --> 01:05:30,880

reply right here

1503

01:05:37,190 --> 01:05:34,079

uh i cannot do friday i can do next

1504

01:05:39,109 --> 01:05:37,200

monday tuesday wednesday thursday

1505

01:05:40,789 --> 01:05:39,119

and at eight o'clock will be fine for me

1506

01:05:42,390 --> 01:05:40,799

but i can only go like an hour and a

1507

01:05:44,630 --> 01:05:42,400

half because then i'll probably have to

1508

01:05:45,990 --> 01:05:44,640

hop off of your stream and get onto my

1509

01:05:48,230 --> 01:05:46,000

own

1510

01:05:50,069 --> 01:05:48,240

so if those days will work for you

1511

01:06:00,870 --> 01:05:50,079

monday tuesday wednesday thursday

1512

01:06:04,309 --> 01:06:02,470

i don't know what martin is talking

1513

01:06:07,990 --> 01:06:04,319

about let's see what

1514

01:06:09,990 --> 01:06:08,000

spread the word you tubs my herd honesty

1515

01:06:10,870 --> 01:06:10,000

is the best policy kudos true secrets

1516

01:06:18,630 --> 01:06:10,880

for making

1517

01:06:20,230 --> 01:06:18,640

tubers understand yeah maybe

1518

01:06:21,910 --> 01:06:20,240

okay it might take a day or two to

1519

01:06:23,430 --> 01:06:21,920

resolve between stream yard and youtube

1520

01:06:25,109 --> 01:06:23,440

for the big files well i'm content to

1521

01:06:27,910 --> 01:06:25,119

just leave the new copy of the video

1522

01:06:28,390 --> 01:06:27,920

up lose it sucks because that video

1523

01:06:31,349 --> 01:06:28,400

already

1524

01:06:31,990 --> 01:06:31,359

i think it was at like two like 300

1525

01:06:35,109 --> 01:06:32,000

views

1526

01:06:36,549 --> 01:06:35,119

when i took it down okay so

1527

01:06:38,630 --> 01:06:36,559

we lose those views and now it looks

1528

01:06:40,230 --> 01:06:38,640

like nobody cares and it's funny like

1529

01:06:41,670 --> 01:06:40,240

some of the critics are even commenting

1530

01:06:41,990 --> 01:06:41,680

like you don't even have any views on

1531

01:06:49,670 --> 01:06:42,000

this

1532

01:06:51,190 --> 01:06:49,680

only allowing two hours

1533

01:06:52,789 --> 01:06:51,200

yeah i'm gonna have to keep that in mind

1534

01:06:53,589 --> 01:06:52,799

just to prevent problems going forward

1535

01:06:56,309 --> 01:06:53,599

we're probably

1536

01:06:58,069 --> 01:06:56,319

gonna not do those three hour marathons

1537

01:06:59,670 --> 01:06:58,079

it's just that that was so much ground

1538

01:07:03,190 --> 01:06:59,680

to cover yesterday and i kept trying to

1539

01:07:05,430 --> 01:07:03,200

plow through it and then i need to uh

1540

01:07:06,470 --> 01:07:05,440

oh you're doing long streams too it

1541

01:07:10,150 --> 01:07:06,480

happens to me a lot

1542

01:07:12,069 --> 01:07:10,160

he says john claude and uh jean-claude i

1543

01:07:12,870 --> 01:07:12,079

watched a few more of your videos today

1544

01:07:14,710 --> 01:07:12,880

actually

1545

01:07:16,150 --> 01:07:14,720

i gotta watch children for 10 hours a

1546

01:07:19,430 --> 01:07:16,160

day

1547

01:07:23,589 --> 01:07:19,440

and so uh 10 or 12 i don't know

1548

01:07:25,750 --> 01:07:23,599

so so in order to keep my sanity

1549

01:07:27,349 --> 01:07:25,760

i have to block out all the mickey mail

1550

01:07:29,270 --> 01:07:27,359

[h__\h] and terrible music

1551

01:07:31,430 --> 01:07:29,280

i have one son that plays like really

1552

01:07:33,910 --> 01:07:31,440

terrible pop music all day

1553

01:07:35,349 --> 01:07:33,920

uh britney spears and backstreet boys

1554

01:07:36,870 --> 01:07:35,359

and all this kind of crap he's eight

1555

01:07:37,750 --> 01:07:36,880

years old i don't know why he likes that

1556

01:07:40,390 --> 01:07:37,760

but he does

1557

01:07:41,750 --> 01:07:40,400

or he's starting to do country music now

1558

01:07:43,829 --> 01:07:41,760

and then the other one is always

1559

01:07:44,950 --> 01:07:43,839

blasting like mickey mouse cartoons so

1560

01:07:48,789 --> 01:07:44,960

to keep myself sane

1561

01:07:51,349 --> 01:07:48,799

i put on headphones and i blast whatever

1562

01:07:52,069 --> 01:07:51,359

streams talk radio something like that

1563

01:07:55,349 --> 01:07:52,079

so

1564

01:07:57,750 --> 01:07:55,359

thanks for helping me keep keep things

1565

01:07:58,390 --> 01:07:57,760

sane janette kriszenko says it was

1566

01:07:59,990 --> 01:07:58,400

interesting it

1567

01:08:01,589 --> 01:08:00,000

typically takes longer to render and

1568

01:08:06,390 --> 01:08:01,599

only shows the last two hours of the

1569

01:08:13,510 --> 01:08:08,870

yeah brian cannot tell says not always

1570

01:08:20,709 --> 01:08:14,950

jean claude yes email me back to

1571

01:08:24,630 --> 01:08:22,950

now talk truth and don't take ad breaks

1572

01:08:30,149 --> 01:08:24,640

platform dives you're not cold

1573

01:08:35,910 --> 01:08:34,229

did you watch the jay weiner one not yet

1574

01:08:37,990 --> 01:08:35,920

but i know jay weiner a little bit so

1575

01:08:39,110 --> 01:08:38,000

i'll i'll have to watch that one

1576

01:08:41,590 --> 01:08:39,120

i didn't know that you had him as a

1577

01:08:42,149 --> 01:08:41,600

guest i talked to him about being a

1578

01:08:43,990 --> 01:08:42,159

guest

1579

01:08:45,430 --> 01:08:44,000

here but we haven't really worked it out

1580

01:08:46,470 --> 01:08:45,440

he's a little busy with like legal

1581

01:08:49,510 --> 01:08:46,480

troubles

1582

01:08:53,189 --> 01:08:49,520

from a cosmic con man you know so

1583

01:08:54,709 --> 01:08:53,199

uh and i think he's kind of like uh

1584

01:08:56,630 --> 01:08:54,719

i don't know he and i disagree on a lot

1585

01:08:57,990 --> 01:08:56,640

of stuff like the moon landings jokes

1586

01:09:01,269 --> 01:08:58,000

stuff and

1587

01:09:04,470 --> 01:09:01,279

you know uh but i like him i

1588

01:09:09,030 --> 01:09:04,480

i like him as a person i guess uh

1589

01:09:13,189 --> 01:09:11,189

well friends uh like i said i think

1590

01:09:14,550 --> 01:09:13,199

we're going to make this one a short one

1591

01:09:15,910 --> 01:09:14,560

because i have some other things that i

1592

01:09:16,550 --> 01:09:15,920

have to finish tonight i'm going to be

1593

01:09:18,950 --> 01:09:16,560

finishing an

1594

01:09:20,309 --> 01:09:18,960

audio journal right now after the stream

1595

01:09:21,189 --> 01:09:20,319

that's going to be for patreon

1596

01:09:22,870 --> 01:09:21,199

supporters

1597

01:09:25,189 --> 01:09:22,880

and for those who don't know if you give

1598

01:09:26,789 --> 01:09:25,199

me the dollar a month on patreon you get

1599

01:09:29,349 --> 01:09:26,799

an audio journal every month it talks

1600

01:09:31,030 --> 01:09:29,359

about upcoming projects upcoming shows

1601
01:09:33,510 --> 01:09:31,040
and really just kind of a personal

1602
01:09:35,430 --> 01:09:33,520
backstage look into what's going on here

1603
01:09:37,349 --> 01:09:35,440
i did some more work today i should

1604
01:09:38,630 --> 01:09:37,359
mention on the multi-camera setup it's

1605
01:09:40,950 --> 01:09:38,640
going to be a little i had to order

1606
01:09:42,229 --> 01:09:40,960
another stand and some parts and you

1607
01:09:44,309 --> 01:09:42,239
know

1608
01:09:45,749 --> 01:09:44,319
the story of my life is i always need a

1609
01:09:47,990 --> 01:09:45,759
20 part around here

1610
01:09:49,749 --> 01:09:48,000
it doesn't matter if it's like a usb hub

1611
01:09:52,709 --> 01:09:49,759
a webcam mail

1612
01:09:53,269 --> 01:09:52,719
a microphone pop filter it's like every

1613
01:09:56,310 --> 01:09:53,279

i just

1614

01:09:58,310 --> 01:09:56,320

can't get over like i need another 20

1615

01:10:00,070 --> 01:09:58,320

part another 20 part so thank you for

1616

01:10:00,950 --> 01:10:00,080

the donations because i'm using the

1617

01:10:02,630 --> 01:10:00,960

paypal

1618

01:10:05,030 --> 01:10:02,640

and patreon money to purchase all of

1619

01:10:06,950 --> 01:10:05,040

these little things

1620

01:10:09,030 --> 01:10:06,960

guttergawker who's back it's good to see

1621

01:10:11,270 --> 01:10:09,040

you back under gawker hello again good

1622

01:10:13,350 --> 01:10:11,280

show stephen

1623

01:10:14,709 --> 01:10:13,360

out of mind jiggy was right yeah he

1624

01:10:19,430 --> 01:10:14,719

probably was

1625

01:10:19,830 --> 01:10:19,440

right about a lot of things he's got

1626

01:10:25,990 --> 01:10:19,840

good

1627

01:10:29,189 --> 01:10:28,470

he's got a lot of uh he's got a lot of

1628

01:10:31,430 --> 01:10:29,199

insight

1629

01:10:33,910 --> 01:10:31,440

i think into some of those people have

1630

01:10:36,070 --> 01:10:33,920

an awesome week everyone

1631

01:10:37,990 --> 01:10:36,080

yeah i'm gonna be uh returning to the

1632

01:10:39,189 --> 01:10:38,000

cabin uh

1633

01:10:41,510 --> 01:10:39,199

actually i think we're not gonna leave

1634

01:10:43,830 --> 01:10:41,520

until friday morning so tomorrow night

1635

01:10:44,709 --> 01:10:43,840

we're gonna do another show and i

1636

01:10:46,550 --> 01:10:44,719

haven't picked

1637

01:10:48,390 --> 01:10:46,560

tomorrow's topic but like i said i have

1638

01:10:50,870 --> 01:10:48,400

this folder like tonight

1639

01:10:51,830 --> 01:10:50,880

just all filled with stuff about each

1640

01:10:54,229 --> 01:10:51,840

topic

1641

01:10:55,270 --> 01:10:54,239

and more mysterious subjects are on

1642

01:10:57,110 --> 01:10:55,280

their way

1643

01:10:58,870 --> 01:10:57,120

i'm also going to reach out to the sarah

1644

01:10:59,350 --> 01:10:58,880

adams and see if we can't schedule that

1645

01:11:01,270 --> 01:10:59,360

final

1646

01:11:02,550 --> 01:11:01,280

interview because people are asking me

1647

01:11:06,790 --> 01:11:02,560

about that uh

1648

01:11:09,110 --> 01:11:06,800

we've got a show on the cash landrum ufo

1649

01:11:12,310 --> 01:11:09,120

incident we've got a show on

1650

01:11:15,830 --> 01:11:12,320

evps coming up and a few other things

1651
01:11:20,390 --> 01:11:15,840
and some surprises some cool surprises

1652
01:11:23,189 --> 01:11:20,400
i'm going to be doing uh

1653
01:11:24,070 --> 01:11:23,199
david wilcock and a box of dildos part

1654
01:11:25,430 --> 01:11:24,080
two

1655
01:11:27,270 --> 01:11:25,440
and that one friends you're not going to

1656
01:11:30,310 --> 01:11:27,280
want to miss because uh

1657
01:11:32,790 --> 01:11:30,320
if you like hearings

1658
01:11:34,149 --> 01:11:32,800
if you like sort of making fun of some

1659
01:11:37,669 --> 01:11:34,159
of these cosmic con men

1660
01:11:41,510 --> 01:11:37,679
like david wilcock you're gonna enjoy

1661
01:11:43,990 --> 01:11:41,520
uh you're gonna enjoy david wilcock and

1662
01:11:45,910 --> 01:11:44,000
a box of dildos part two

1663
01:11:48,870 --> 01:11:45,920

and again if anybody would like to

1664

01:11:52,310 --> 01:11:48,880

become a david wolcup

1665

01:11:54,790 --> 01:11:52,320

dildo helper david wilcock box of dildos

1666

01:11:55,910 --> 01:11:54,800

challenge dildo helper you just email me

1667

01:11:57,990 --> 01:11:55,920

at truthseekershow

1668

01:11:59,430 --> 01:11:58,000

gmail.com again you can go to the about

1669

01:12:00,550 --> 01:11:59,440

page here and it gives you the email

1670

01:12:02,709 --> 01:12:00,560

address

1671

01:12:04,709 --> 01:12:02,719

and i give you a super secret dildo

1672

01:12:06,709 --> 01:12:04,719

helper code that you include when you

1673

01:12:09,750 --> 01:12:06,719

bury your dildo for david wilcock

1674

01:12:12,070 --> 01:12:09,760

and then you become part of

1675

01:12:13,110 --> 01:12:12,080

history because friends all over the

1676

01:12:15,030 --> 01:12:13,120

world

1677

01:12:17,189 --> 01:12:15,040

people are burying dildos for david

1678

01:12:18,229 --> 01:12:17,199

wilcock to find with his super psychic

1679

01:12:20,470 --> 01:12:18,239

powers

1680

01:12:22,390 --> 01:12:20,480

and you know his channeling abilities

1681

01:12:23,590 --> 01:12:22,400

his top secret insiders his alien

1682

01:12:27,189 --> 01:12:23,600

friends

1683

01:12:30,790 --> 01:12:27,199

now

1684

01:12:31,510 --> 01:12:30,800

july 29th he has failed miserably for 29

1685

01:12:33,830 --> 01:12:31,520

days

1686

01:12:35,350 --> 01:12:33,840

he hasn't found a huge box of dildos

1687

01:12:37,430 --> 01:12:35,360

that i buried for him

1688

01:12:38,550 --> 01:12:37,440

with the strap on the anal beads and the

1689

01:12:40,630 --> 01:12:38,560

three tubes of

1690

01:12:43,910 --> 01:12:40,640

high quality anal lube that we included

1691

01:12:46,390 --> 01:12:43,920

for him hasn't found those yet

1692

01:12:48,550 --> 01:12:46,400

and he has not even found us any of the

1693

01:12:49,110 --> 01:12:48,560

single dildos that people are helping me

1694

01:12:51,830 --> 01:12:49,120

bury

1695

01:12:53,510 --> 01:12:51,840

all over the world for him to find and i

1696

01:12:55,030 --> 01:12:53,520

gotta say that the more people that

1697

01:12:56,630 --> 01:12:55,040

barry dill does for him

1698

01:12:58,470 --> 01:12:56,640

the more it becomes apparent that his

1699

01:13:00,950 --> 01:12:58,480

superpowers are [h__h]

1700

01:13:02,870 --> 01:13:00,960

that all of his claims are [h__h]

1701

01:13:04,550 --> 01:13:02,880

because if he had these superpowers if

1702

01:13:05,830 --> 01:13:04,560

he talk to aliens if you had friends to

1703

01:13:08,070 --> 01:13:05,840

talk to aliens

1704

01:13:09,830 --> 01:13:08,080

he'd be able to find at least a couple

1705

01:13:10,149 --> 01:13:09,840

of these dildos that people are burying

1706

01:13:13,750 --> 01:13:10,159

for

1707

01:13:14,470 --> 01:13:13,760

so far he's batting zero we are on day

1708

01:13:17,030 --> 01:13:14,480

29

1709

01:13:18,070 --> 01:13:17,040

of the david wilcock ten thousand dollar

1710

01:13:21,110 --> 01:13:18,080

box of dildos

1711

01:13:24,070 --> 01:13:21,120

challenge and so far david wilcock

1712

01:13:27,189 --> 01:13:24,080

you're batting zero

1713

01:13:28,950 --> 01:13:27,199

so friends on that note i think we are

1714

01:13:31,030 --> 01:13:28,960

going to wrap things up here and call in

1715

01:13:32,229 --> 01:13:31,040

a short one for once especially since

1716

01:13:36,470 --> 01:13:32,239

yesterday we had a

1717

01:13:36,480 --> 01:13:39,750

okay

1718

01:13:43,350 --> 01:13:41,270

so i want to thank each and every one of

1719

01:13:43,750 --> 01:13:43,360

you for joining us please remember to

1720

01:13:45,830 --> 01:13:43,760

like

1721

01:13:47,910 --> 01:13:45,840

comment and subscribe oh one more time

1722

01:13:49,510 --> 01:13:47,920

i'll check the uh

1723

01:13:52,950 --> 01:13:49,520

i just want to check one thing here

1724

01:13:57,430 --> 01:13:54,709

yeah i just checked the donations so we

1725

01:14:00,470 --> 01:13:57,440

didn't get any tonight no money no honey

1726

01:14:01,430 --> 01:14:00,480

for me tonight but uh i love all you

1727

01:14:05,430 --> 01:14:01,440

guys anyway

1728

01:14:07,750 --> 01:14:05,440

it's rough out there so uh you know

1729

01:14:09,750 --> 01:14:07,760

everybody that's already contributed or

1730

01:14:11,750 --> 01:14:09,760

or is a patreon supporter

1731

01:14:13,350 --> 01:14:11,760

you have my immense gratitude i

1732

01:14:17,750 --> 01:14:13,360

sincerely appreciate it

1733

01:14:21,030 --> 01:14:17,760

we're going to be uh transferring to

1734

01:14:23,110 --> 01:14:21,040

the multi-camera setup soon and

1735

01:14:24,950 --> 01:14:23,120

now we're streaming on twitch and we're

1736

01:14:32,550 --> 01:14:24,960

just going to keep

1737

01:14:37,510 --> 01:14:32,560

the show spread the show

1738

01:14:40,390 --> 01:14:37,520

expand our audience and keep going

1739

01:14:42,070 --> 01:14:40,400

through these strange mysterious stories

1740

01:14:45,110 --> 01:14:42,080

i've got hundreds friends i've got

1741

01:14:48,790 --> 01:14:45,120

hundreds of stories and

1742

01:14:49,350 --> 01:14:48,800

uh show shows planned i can keep doing

1743

01:14:52,870 --> 01:14:49,360

this

1744

01:14:54,310 --> 01:14:52,880

i hope that you keep coming to watch and

1745

01:14:56,550 --> 01:14:54,320

listen to me do it

1746

01:14:58,149 --> 01:14:56,560

i'm tremendously grateful for all of you

1747

01:15:00,390 --> 01:14:58,159

guys that are participating that are

1748

01:15:02,149 --> 01:15:00,400

supporting me by retweeting and liking

1749

01:15:03,750 --> 01:15:02,159

and commenting and sharing and maybe

1750

01:15:05,910 --> 01:15:03,760

donating a few bucks

1751

01:15:06,950 --> 01:15:05,920

it really does matter and it really

1752

01:15:09,030 --> 01:15:06,960

keeps me

1753

01:15:10,390 --> 01:15:09,040

uh working harder and harder to improve

1754

01:15:13,270 --> 01:15:10,400

the show

1755

01:15:15,189 --> 01:15:13,280

so on that note until next time friends

1756

01:15:34,610 --> 01:15:15,199

my name is steven cambion

1757

01:16:32,270 --> 01:15:41,290

[Music]

1758

01:16:57,150 --> 01:16:32,280

[Applause]

1759

01:16:59,220 --> 01:16:57,160

[Music]

1760

01:17:27,410 --> 01:16:59,230

[Applause]

1761

01:17:28,410 --> 01:17:27,420

[Music]

1762

01:17:49,830 --> 01:17:28,420

[Applause]
