

1
00:01:24,830 --> 00:00:16,240
[Music]

2
00:01:41,980 --> 00:01:27,020
so

3
00:01:41,990 --> 00:02:48,390
[Music]

4
00:02:53,030 --> 00:02:51,990
there we go greetings and salutations

5
00:02:57,509 --> 00:02:53,040
friends

6
00:03:03,430 --> 00:03:00,630
now tonight i thought we would do

7
00:03:04,630 --> 00:03:03,440
a strange one and go down a rabbit hole

8
00:03:07,350 --> 00:03:04,640
i haven't been down

9
00:03:08,309 --> 00:03:07,360
for quite some time see i grew up

10
00:03:11,830 --> 00:03:08,319
catholic

11
00:03:15,430 --> 00:03:11,840
strong belief

12
00:03:21,430 --> 00:03:15,440
in the dark forces

13
00:03:26,390 --> 00:03:23,750

i remember being a catholic school

14

00:03:30,470 --> 00:03:26,400

curious kid and learning about

15

00:03:33,110 --> 00:03:30,480

the battle of the angels in which

16

00:03:36,630 --> 00:03:33,120

many angels rebelled against the one

17

00:03:40,949 --> 00:03:38,949

and what happened next according to

18

00:03:43,589 --> 00:03:40,959

christian faith

19

00:03:44,710 --> 00:03:43,599

is that those fallen angels became the

20

00:03:48,070 --> 00:03:44,720

demons

21

00:03:52,869 --> 00:03:48,080

the dark forces against god

22

00:03:57,429 --> 00:03:54,550

i wasn't sure what to believe and i

23

00:03:59,589 --> 00:03:57,439

asked probably more questions than i was

24

00:04:03,509 --> 00:03:59,599

supposed to

25

00:04:09,830 --> 00:04:05,429

the priests really didn't want to

26

00:04:14,149 --> 00:04:12,070

things got stranger when i got a little

27

00:04:15,750 --> 00:04:14,159

older and started doing research of my

28

00:04:20,150 --> 00:04:15,760

own

29

00:04:23,350 --> 00:04:20,160

into demons and demonology

30

00:04:25,030 --> 00:04:23,360

i was surprised to discover that many

31

00:04:28,150 --> 00:04:25,040

faiths

32

00:04:28,950 --> 00:04:28,160

theologians and scholars studied these

33

00:04:37,189 --> 00:04:28,960

things

34

00:04:40,790 --> 00:04:37,199

even found their names their attributes

35

00:04:44,070 --> 00:04:40,800

and more the amount of information

36

00:04:48,070 --> 00:04:44,080

out there about demons is tremendous

37

00:04:52,710 --> 00:04:51,030

but after years of studying these things

38

00:04:56,070 --> 00:04:52,720

i was still left

39

00:04:59,830 --> 00:04:56,080

not really knowing are demons real

40

00:05:04,230 --> 00:04:59,840

or are they a conjured fantasy

41

00:05:06,790 --> 00:05:04,240

from us these clever humans

42

00:05:08,870 --> 00:05:06,800

i'm still not sure what to believe but

43

00:05:09,350 --> 00:05:08,880

further study into the subject of demons

44

00:05:14,070 --> 00:05:09,360

of course

45

00:05:17,830 --> 00:05:14,080

gets you to the subject of exorcisms

46

00:05:21,990 --> 00:05:17,840

friends it's an amazing and terrifying

47

00:05:25,350 --> 00:05:22,000

thing to realize that demons

48

00:05:31,909 --> 00:05:25,360

actual demons dark spirits

49

00:05:36,390 --> 00:05:34,390

all throughout history recorded history

50

00:05:42,629 --> 00:05:36,400

there are accounts

51
00:05:51,110 --> 00:05:47,110
in most major faiths there are demons

52
00:05:54,550 --> 00:05:51,120
sure they go by different names and

53
00:05:55,830 --> 00:05:54,560
different ideas i suppose about their

54
00:05:59,189 --> 00:05:55,840
nature

55
00:06:01,990 --> 00:05:59,199
we have the arabic the jinns

56
00:06:02,710 --> 00:06:02,000
we have the christian and christian

57
00:06:06,790 --> 00:06:02,720
beliefs

58
00:06:11,749 --> 00:06:06,800
of devils or demons unclean spirits

59
00:06:16,309 --> 00:06:13,430
and friends i always found it

60
00:06:19,430 --> 00:06:16,319
fascinating that

61
00:06:20,150 --> 00:06:19,440
the gods of the old religions always

62
00:06:23,029 --> 00:06:20,160
become

63
00:06:26,150 --> 00:06:23,039

the devils or demons of the new religion

64

00:06:29,189 --> 00:06:26,160

that takes prominence

65

00:06:32,830 --> 00:06:29,199

the best example of that i believe

66

00:06:34,710 --> 00:06:32,840

is lucifer the roman god a bringer of

67

00:06:36,710 --> 00:06:34,720

light

68

00:06:38,309 --> 00:06:36,720

when christianity began to spread and

69

00:06:38,950 --> 00:06:38,319

really take hold as the prominent

70

00:06:42,150 --> 00:06:38,960

religion

71

00:06:43,990 --> 00:06:42,160

suddenly lucifer a roman

72

00:06:45,430 --> 00:06:44,000

god who was supposed to be the bringer

73

00:06:49,270 --> 00:06:45,440

of light became

74

00:06:51,830 --> 00:06:49,280

a symbol of evil a symbol

75

00:06:55,830 --> 00:06:51,840

of those fallen angels that rebelled

76

00:06:59,990 --> 00:06:58,140

it's all a little confusing to

77

00:07:03,189 --> 00:07:00,000

[Music]

78

00:07:05,029 --> 00:07:03,199

most people i don't believe that i've

79

00:07:07,510 --> 00:07:05,039

ever gotten a biblical scholar

80

00:07:08,309 --> 00:07:07,520

a theologian a priest a reverend a

81

00:07:11,430 --> 00:07:08,319

minister

82

00:07:13,189 --> 00:07:11,440

to adequately explain to me exactly how

83

00:07:14,710 --> 00:07:13,199

a roman god who is the bringer of

84

00:07:17,430 --> 00:07:14,720

knowledge and light

85

00:07:18,629 --> 00:07:17,440

suddenly becomes a symbol of evil and is

86

00:07:30,070 --> 00:07:18,639

now

87

00:07:32,710 --> 00:07:30,080

things

88

00:07:35,029 --> 00:07:32,720

i i suppose have to do with monotheism

89

00:07:38,629 --> 00:07:35,039

versus polytheism

90

00:07:41,909 --> 00:07:38,639

but still it's strange to me

91

00:07:44,629 --> 00:07:41,919

it's very strange how this all somehow

92

00:07:46,710 --> 00:07:44,639

worked out

93

00:07:47,670 --> 00:07:46,720

later i got interested in actual

94

00:07:50,710 --> 00:07:47,680

possessions

95

00:07:53,670 --> 00:07:50,720

and being a young curious catholic boy

96

00:07:54,710 --> 00:07:53,680

i was able to actually get a hold of the

97

00:08:01,350 --> 00:07:54,720

roman

98

00:08:03,430 --> 00:08:01,360

and see exactly the prayers and

99

00:08:05,189 --> 00:08:03,440

sequences of things that the roman

100

00:08:09,110 --> 00:08:05,199

catholic exorcists use

101
00:08:11,029 --> 00:08:09,120
to drive these demons out

102
00:08:13,110 --> 00:08:11,039
anyone uh if you're interested you can

103
00:08:15,990 --> 00:08:13,120
look up the roman rites

104
00:08:17,430 --> 00:08:16,000
and i believe you can find a text files

105
00:08:20,629 --> 00:08:17,440
or pdf online

106
00:08:24,070 --> 00:08:20,639
of the actual it's sort of the manual

107
00:08:27,270 --> 00:08:24,080
for catholic priests uh who are engaging

108
00:08:28,230 --> 00:08:27,280
with these unclean demons devils evil

109
00:08:31,350 --> 00:08:28,240
spirits

110
00:08:38,550 --> 00:08:35,509
return them back to where they came

111
00:08:40,550 --> 00:08:38,560
how to drive them back

112
00:08:42,389 --> 00:08:40,560
it's a it's an interesting read if

113
00:08:45,829 --> 00:08:42,399

you're interested in

114

00:08:52,870 --> 00:08:45,839

actual real exorcisms as opposed to

115

00:08:58,949 --> 00:08:55,590

okay friends so we're going to continue

116

00:09:01,110 --> 00:08:58,959

our discussion in just a moment but

117

00:09:02,389 --> 00:09:01,120

i have to take a break so we're going to

118

00:09:05,430 --> 00:09:02,399

play

119

00:09:08,550 --> 00:09:05,440

uh we're going to open the phone lines

120

00:09:23,870 --> 00:09:08,560

while i take a short break and we'll be

121

00:11:12,310 --> 00:09:42,480

[Music]

122

00:11:16,710 --> 00:11:15,030

and there we are we are back i apologize

123

00:11:19,670 --> 00:11:16,720

friends sometimes i forget that

124

00:11:20,150 --> 00:11:19,680

uh some of these glasses i can not see

125

00:11:22,870 --> 00:11:20,160

through

126

00:11:23,190 --> 00:11:22,880

well at all and these get all fogged up

127

00:11:26,949 --> 00:11:23,200

so

128

00:11:29,110 --> 00:11:26,959

i was literally running blind there

129

00:11:30,389 --> 00:11:29,120

trying to figure out how i'm going to

130

00:11:33,030 --> 00:11:30,399

run all this stuff

131

00:11:35,350 --> 00:11:33,040

without being able to see anything but

132

00:11:37,910 --> 00:11:35,360

it is what it is we adapt and overcome

133

00:11:38,389 --> 00:11:37,920

so thank you for indulging me on a short

134

00:11:41,110 --> 00:11:38,399

break

135

00:11:42,310 --> 00:11:41,120

first let's turn our attention to the

136

00:11:45,030 --> 00:11:42,320

live chat

137

00:11:46,790 --> 00:11:45,040

give some shout outs i see out of mind

138

00:11:48,870 --> 00:11:46,800

shout out to out of mind carol utley

139

00:11:51,110 --> 00:11:48,880

jonas side the don craze phase

140

00:11:53,110 --> 00:11:51,120

kali armstrong welcome colleen armstrong

141

00:11:54,710 --> 00:11:53,120

lee veltman is here

142

00:11:58,949 --> 00:11:54,720

wow lee did you put down the cue

143

00:11:58,959 --> 00:12:03,590

jonas side is here

144

00:12:03,600 --> 00:12:14,790

let me see

145

00:12:18,310 --> 00:12:16,710

i didn't want to say that wrong sorry

146

00:12:21,670 --> 00:12:18,320

there friend

147

00:12:24,790 --> 00:12:21,680

uh is here as well

148

00:12:28,629 --> 00:12:24,800

kb is here from texas

149

00:12:32,069 --> 00:12:28,639

all the way from texas welcome kb

150

00:12:36,150 --> 00:12:32,079

and you see did i see everyone

151

00:12:38,870 --> 00:12:36,160

i think so and friends so

152

00:12:40,389 --> 00:12:38,880

i've been interested in demons and

153

00:12:43,430 --> 00:12:40,399

demonology

154

00:12:47,670 --> 00:12:43,440

probably since catholic school i mean

155

00:12:49,430 --> 00:12:47,680

uh i remember being very curious and

156

00:12:51,990 --> 00:12:49,440

asking the priests a lot of questions

157

00:12:53,750 --> 00:12:52,000

to the point where they were wondering

158

00:12:54,949 --> 00:12:53,760

why i was so interested in demons and

159

00:12:58,550 --> 00:12:54,959

devils

160

00:13:02,230 --> 00:12:58,560

call me a curious young boy i guess

161

00:13:03,030 --> 00:13:02,240

so i originally started studying these

162

00:13:05,110 --> 00:13:03,040

things

163

00:13:06,069 --> 00:13:05,120

mostly because the priests wouldn't

164

00:13:10,150 --> 00:13:06,079

really help

165

00:13:13,829 --> 00:13:10,160

me with my curiosity about them

166

00:13:17,430 --> 00:13:13,839

and you know we see this exorcism

167

00:13:20,069 --> 00:13:17,440

is the the the actual

168

00:13:21,110 --> 00:13:20,079

amount of exorcisms this is an

169

00:13:24,710 --> 00:13:21,120

interesting note

170

00:13:28,150 --> 00:13:24,720

are rising rapidly uh throughout

171

00:13:31,670 --> 00:13:28,160

the world especially in south america

172

00:13:32,710 --> 00:13:31,680

a few other places and i wonder why that

173

00:13:35,430 --> 00:13:32,720

is

174

00:13:37,670 --> 00:13:35,440

are there more demons invading human

175

00:13:39,990 --> 00:13:37,680

hosts

176

00:13:41,350 --> 00:13:40,000

even the catholic church lately who

177

00:13:44,870 --> 00:13:41,360

usually downplays

178

00:13:48,550 --> 00:13:44,880

the right of catholic exorcism has been

179

00:13:51,829 --> 00:13:48,560

sort of pumping and admitting

180

00:13:53,030 --> 00:13:51,839

you know pumping exorcist uh exorcisms

181

00:13:55,990 --> 00:13:53,040

and admitting

182

00:13:57,910 --> 00:13:56,000

that they have more priests now whose

183

00:14:00,710 --> 00:13:57,920

sole responsibility is to

184

00:14:02,389 --> 00:14:00,720

exercise demons than ever before in

185

00:14:05,350 --> 00:14:02,399

their history

186

00:14:06,230 --> 00:14:05,360

this is what i'm hearing and that is a

187

00:14:09,110 --> 00:14:06,240

strange

188

00:14:10,470 --> 00:14:09,120

thing why is that why are exorcisms on

189

00:14:12,230 --> 00:14:10,480

the rise

190

00:14:13,590 --> 00:14:12,240

i would think that with our advancements

191

00:14:15,269 --> 00:14:13,600

in science we would

192

00:14:17,590 --> 00:14:15,279

learn to recognize a lot of these

193

00:14:18,150 --> 00:14:17,600

people's conditions as mental conditions

194

00:14:21,750 --> 00:14:18,160

and not

195

00:14:22,470 --> 00:14:21,760

truly some paranormal or supernatural

196

00:14:25,910 --> 00:14:22,480

event

197

00:14:29,590 --> 00:14:25,920

like a demon possessing them

198

00:14:31,189 --> 00:14:29,600

but despite the rise in science and

199

00:14:32,790 --> 00:14:31,199

understanding of the human mind and

200

00:14:36,150 --> 00:14:32,800

mental illnesses

201
00:14:38,790 --> 00:14:36,160
exorcisms lately friends are on the rise

202
00:14:39,350 --> 00:14:38,800
and it's not just the catholics there

203
00:14:42,829 --> 00:14:39,360
have been

204
00:14:45,350 --> 00:14:42,839
a tremendous explosion of

205
00:14:48,389 --> 00:14:45,360
fundamentalists

206
00:14:52,949 --> 00:14:48,399
protestant christian ministers who

207
00:14:55,189 --> 00:14:52,959
are really pushing exorcisms and

208
00:14:56,389 --> 00:14:55,199
it's sort of turned into a cottage

209
00:14:59,430 --> 00:14:56,399
industry for some

210
00:15:02,389 --> 00:14:59,440
they hold these events where you too can

211
00:15:05,509 --> 00:15:02,399
come and have your demons exercised for

212
00:15:06,470 --> 00:15:05,519
a couple of bucks i'm not sure uh we're

213
00:15:08,710 --> 00:15:06,480

going to actually

214

00:15:09,670 --> 00:15:08,720

get into unpacking what some of these

215

00:15:12,150 --> 00:15:09,680

people charge

216

00:15:12,790 --> 00:15:12,160

for this service which i i just don't

217

00:15:15,030 --> 00:15:12,800

understand

218

00:15:16,389 --> 00:15:15,040

charging somebody money to exercise

219

00:15:18,790 --> 00:15:16,399

their demons

220

00:15:21,110 --> 00:15:18,800

right when you think that if they're

221

00:15:22,790 --> 00:15:21,120

being tormented and possessed by a demon

222

00:15:25,189 --> 00:15:22,800

you would want to help them and not just

223

00:15:26,470 --> 00:15:25,199

be thinking about your pocketbook

224

00:15:28,310 --> 00:15:26,480

these are some of the things that make

225

00:15:32,150 --> 00:15:28,320

me shake my head and wonder

226

00:15:34,790 --> 00:15:32,160

is some of this real or are some people

227

00:15:38,470 --> 00:15:34,800

just profiting from you know people's

228

00:15:42,550 --> 00:15:40,790

one thing of note which is very

229

00:15:46,150 --> 00:15:42,560

important is that

230

00:15:48,230 --> 00:15:46,160

uh at least catholics have a very strict

231

00:15:50,150 --> 00:15:48,240

policy you know first they have to

232

00:15:50,870 --> 00:15:50,160

eliminate mental illness then they have

233

00:15:52,870 --> 00:15:50,880

to

234

00:15:55,430 --> 00:15:52,880

basically eliminate all possibilities

235

00:15:58,230 --> 00:15:55,440

they're also for a catholic priest to

236

00:15:59,269 --> 00:15:58,240

get approval to exercise a demon from a

237

00:16:01,269 --> 00:15:59,279

person

238

00:16:02,470 --> 00:16:01,279

there has to be the approval of the

239

00:16:04,949 --> 00:16:02,480

local bishop

240

00:16:07,189 --> 00:16:04,959

who will evaluate the case on its merits

241

00:16:09,110 --> 00:16:07,199

and decide if it's a genuine exorcism

242

00:16:10,870 --> 00:16:09,120

or excuse me if it's a genuine case of

243

00:16:13,910 --> 00:16:10,880

demon possession or

244

00:16:17,269 --> 00:16:13,920

something much less you know

245

00:16:20,629 --> 00:16:19,829

interestingly uh one of the things for

246

00:16:23,030 --> 00:16:20,639

catholics

247

00:16:24,710 --> 00:16:23,040

is there has to be actual evidence of

248

00:16:28,790 --> 00:16:24,720

supernatural

249

00:16:30,870 --> 00:16:28,800

activity you know there has to be

250

00:16:32,629 --> 00:16:30,880

the person for example if they spoke

251
00:16:33,350 --> 00:16:32,639
languages that they were never familiar

252
00:16:35,509 --> 00:16:33,360
with

253
00:16:39,509 --> 00:16:35,519
while in the throes of this demon

254
00:16:43,749 --> 00:16:42,949
for knowledge or precognition knowing

255
00:16:46,790 --> 00:16:43,759
psychically

256
00:16:47,829 --> 00:16:46,800
for example what the priest's mother's

257
00:16:50,790 --> 00:16:47,839
name is

258
00:16:52,550 --> 00:16:50,800
is actually one of the proverbs if that

259
00:16:55,509 --> 00:16:52,560
if the person is truly possessed then

260
00:16:57,990 --> 00:16:55,519
the demon has some supernatural ability

261
00:16:58,790 --> 00:16:58,000
to know things about the priest and the

262
00:17:02,389 --> 00:16:58,800
person

263
00:17:04,870 --> 00:17:02,399

the exorcist that no one should know

264

00:17:06,069 --> 00:17:04,880

the person shouldn't know these things

265

00:17:08,789 --> 00:17:06,079

and we find

266

00:17:11,350 --> 00:17:08,799

evidence of priests sort of being

267

00:17:12,949 --> 00:17:11,360

manipulated by these demonic forces

268

00:17:16,230 --> 00:17:12,959

based on their knowledge of

269

00:17:19,350 --> 00:17:16,240

say their childhood you know or

270

00:17:22,870 --> 00:17:19,360

past traumas and even mocking them

271

00:17:25,909 --> 00:17:24,870

but my point being that the catholics

272

00:17:29,029 --> 00:17:25,919

are very

273

00:17:31,270 --> 00:17:29,039

i think careful in

274

00:17:32,789 --> 00:17:31,280

diagnosing when someone is actually

275

00:17:36,230 --> 00:17:32,799

possessed by a demon

276

00:17:37,830 --> 00:17:36,240

others seem to be not so concerned with

277

00:17:40,390 --> 00:17:37,840

whether the person is actually possessed

278

00:17:43,669 --> 00:17:40,400

or just a little crazy delusional

279

00:17:44,470 --> 00:17:43,679

wishful thinking i mean i have watched

280

00:17:48,310 --> 00:17:44,480

many of these

281

00:17:51,350 --> 00:17:48,320

uh protestant uh sort of

282

00:17:53,190 --> 00:17:51,360

revivals where they get gather all these

283

00:17:55,110 --> 00:17:53,200

people and perform exorcism after

284

00:17:56,470 --> 00:17:55,120

exorcism after exorcism and many of the

285

00:17:58,630 --> 00:17:56,480

people involved

286

00:18:00,070 --> 00:17:58,640

will be interviewed and and they

287

00:18:01,830 --> 00:18:00,080

basically blame the demon

288

00:18:03,590 --> 00:18:01,840

for everything that is wrong in their

289

00:18:06,630 --> 00:18:03,600

life you know

290

00:18:07,990 --> 00:18:06,640

everything and so part of me thinks that

291

00:18:10,230 --> 00:18:08,000

some of this is just wishful

292

00:18:11,510 --> 00:18:10,240

thinking is it wishful thinking if i

293

00:18:13,190 --> 00:18:11,520

just go to this minister and he

294

00:18:16,630 --> 00:18:13,200

exercises my demons

295

00:18:19,990 --> 00:18:16,640

i will then uh you know be

296

00:18:21,909 --> 00:18:20,000

able to move on with my life get over

297

00:18:24,630 --> 00:18:21,919

these terrible things in my life that

298

00:18:25,990 --> 00:18:24,640

i've been blaming this demon for

299

00:18:27,830 --> 00:18:26,000

i'm not sure how this works

300

00:18:29,430 --> 00:18:27,840

psychologically but there seems to be a

301

00:18:32,950 --> 00:18:29,440

lot of psychology at play

302

00:18:36,549 --> 00:18:32,960

in some of these cases still

303

00:18:38,070 --> 00:18:36,559

there are terrifying cases that i can't

304

00:18:40,150 --> 00:18:38,080

explain as anything else

305

00:18:41,270 --> 00:18:40,160

other than this person has been

306

00:18:44,310 --> 00:18:41,280

possessed by

307

00:18:47,909 --> 00:18:44,320

a demon i want to play

308

00:18:52,470 --> 00:18:50,870

from this this is called the devil and

309

00:18:56,150 --> 00:18:52,480

father amorth

310

00:18:58,630 --> 00:18:56,160

and it's exorcism caught on film scene

311

00:18:59,990 --> 00:18:58,640

um and there's a i think there's a film

312

00:19:03,110 --> 00:19:00,000

like exorcism call

313

00:19:04,310 --> 00:19:03,120

exorcisms caught on film and this is one

314

00:19:08,150 --> 00:19:04,320

of those

315

00:19:10,150 --> 00:19:08,160

and it is uh it's really it's absolutely

316

00:19:12,150 --> 00:19:10,160

it's really absolutely terrifying i want

317

00:19:13,110 --> 00:19:12,160

you to pay special note to this woman's

318

00:19:15,750 --> 00:19:13,120

voice

319

00:19:17,510 --> 00:19:15,760

in this uh clip that we're gonna play

320

00:19:18,789 --> 00:19:17,520

now i don't know if they added some kind

321

00:19:20,789 --> 00:19:18,799

of effects to her voice

322

00:19:22,950 --> 00:19:20,799

i don't think they did and if they

323

00:19:25,590 --> 00:19:22,960

didn't it makes this clip

324

00:19:26,710 --> 00:19:25,600

terrifying because no person's voice

325

00:19:30,150 --> 00:19:26,720

should be able to do that

326

00:19:30,630 --> 00:19:30,160

naturally um yeah and it's just one of

327

00:19:33,909 --> 00:19:30,640

those

328

00:19:35,750 --> 00:19:33,919

scary things uh

329

00:19:38,310 --> 00:19:35,760

i'm stupid and watch stuff like this

330

00:19:39,190 --> 00:19:38,320

late at night you know during a

331

00:19:43,029 --> 00:19:39,200

thunderstorm

332

00:19:45,510 --> 00:19:43,039

and wonder why i can't sleep but

333

00:19:46,230 --> 00:19:45,520

it's kind of uh it's kind of fun to be

334

00:19:48,390 --> 00:19:46,240

afraid

335

00:19:50,830 --> 00:19:48,400

right it's fun to be scared that's why

336

00:19:52,230 --> 00:19:50,840

haunted houses are so popular that's why

337

00:19:54,470 --> 00:19:52,240

people

338

00:19:56,150 --> 00:19:54,480

are always interested in scary stories

339

00:19:59,270 --> 00:19:56,160

right horror stories

340

00:20:01,669 --> 00:19:59,280

ghost stories but this

341

00:20:03,590 --> 00:20:01,679

is a step beyond a ghost story this is a

342

00:20:07,750 --> 00:20:03,600

step beyond a fictional

343

00:20:11,029 --> 00:20:07,760

movie or you know a fictional work

344

00:20:14,070 --> 00:20:11,039

because this friends is reported to be

345

00:20:16,630 --> 00:20:14,080

a real demon inside a real woman being

346

00:20:17,590 --> 00:20:16,640

exercised by a real catholic priest and

347

00:20:20,950 --> 00:20:17,600

exorcist uh

348

00:20:25,430 --> 00:20:20,960

and father amorth uh

349

00:20:29,990 --> 00:20:25,440

he's uh he's kind of famous famous

350

00:20:31,990 --> 00:20:30,000

um as an exorcist a catholic exorcist

351

00:20:34,470 --> 00:20:32,000

i guess he's well known to people that

352

00:20:35,750 --> 00:20:34,480

are interested in demons and exercising

353

00:20:37,909 --> 00:20:35,760

them

354

00:20:39,270 --> 00:20:37,919

so uh we're going to play a clip from

355

00:20:41,990 --> 00:20:39,280

that

356

00:20:42,950 --> 00:20:42,000

because uh oh it's about to get creepy

357

00:20:44,710 --> 00:20:42,960

in here friends

358

00:20:46,230 --> 00:20:44,720

and it's considered it's about to get

359

00:20:53,110 --> 00:20:46,240

creepy let's uh

360

00:20:57,830 --> 00:20:55,590

there we go let's get a little more

361

00:21:00,149 --> 00:20:57,840

creepy

362

00:21:01,510 --> 00:21:00,159

i'd also like to mention that tonight

363

00:21:03,750 --> 00:21:01,520

we've got lasers

364

00:21:05,830 --> 00:21:03,760

kind of hard to see but there's some

365

00:21:07,669 --> 00:21:05,840

weird laser effects that we've finally

366

00:21:10,310 --> 00:21:07,679

gotten working now

367

00:21:11,350 --> 00:21:10,320

i'm hoping to make them a little more

368

00:21:13,990 --> 00:21:11,360

visible

369

00:21:15,029 --> 00:21:14,000

didn't have time to really set but let's

370

00:21:19,669 --> 00:21:15,039

take a look at this

371

00:21:22,950 --> 00:21:19,679

catholic exorcism

372

00:21:23,590 --> 00:21:22,960

because friends i i this one scared me

373

00:21:25,669 --> 00:21:23,600

this one

374

00:21:26,710 --> 00:21:25,679

made me go i had to watch this a bunch

375

00:21:31,029 --> 00:21:26,720

of times because

376

00:21:34,149 --> 00:21:31,039

it's it's pretty compelling okay

377

00:21:35,830 --> 00:21:34,159

and uh i just want to say that this is a

378

00:21:38,310 --> 00:21:35,840

transformative work we're educating the

379

00:21:40,549 --> 00:21:38,320

public about demons and demon possession

380

00:21:41,590 --> 00:21:40,559

and exorcisms and the catholic right of

381

00:21:43,590 --> 00:21:41,600

exorcism

382

00:21:46,070 --> 00:21:43,600

therefore this is fair use we're going

383

00:21:48,070 --> 00:21:46,080

to be critiquing and discussing

384

00:21:50,630 --> 00:21:48,080

the contents of the video and again

385

00:21:55,190 --> 00:21:50,640

using it for educational purposes

386

00:21:55,200 --> 00:22:23,010

okay friends let's

387

00:22:23,020 --> 00:22:28,789

[Applause]

388

00:22:34,310 --> 00:22:31,990

as i mentioned this woman's voice is

389

00:22:36,230 --> 00:22:34,320

doing things that to my ears i don't

390

00:22:38,789 --> 00:22:36,240

know it just doesn't sound

391

00:22:41,110 --> 00:22:38,799

human to me it sounds more than human it

392

00:22:42,710 --> 00:22:41,120

sounds like somebody put some kind of

393

00:22:44,549 --> 00:22:42,720

effects on her voice

394

00:22:45,990 --> 00:22:44,559

i don't know that they did for this clip

395

00:22:47,510 --> 00:22:46,000

i'd like to

396

00:22:49,750 --> 00:22:47,520

interview somebody that was in on

397

00:22:52,149 --> 00:22:49,760

creating this or filming it

398

00:22:53,190 --> 00:22:52,159

to verify that they did or did not in

399

00:22:54,710 --> 00:22:53,200

post-production

400

00:22:58,149 --> 00:22:54,720

adds some kind of effect to her voice

401
00:23:06,830 --> 00:22:58,159
because it's it's really a terrifying

402
00:23:06,840 --> 00:23:20,830
via

403
00:23:20,840 --> 00:23:24,950
foreign

404
00:23:28,710 --> 00:23:27,510
so the priest is commanding the spirit

405
00:23:31,110 --> 00:23:28,720
the evil spirit to

406
00:23:33,110 --> 00:23:31,120
depart and he and the demon is replying

407
00:23:36,310 --> 00:23:33,120
no screaming no

408
00:23:37,190 --> 00:23:36,320
and uh again it looks like it's taking a

409
00:23:39,350 --> 00:23:37,200
few

410
00:23:41,110 --> 00:23:39,360
pretty big men to hold her down while

411
00:23:43,350 --> 00:23:41,120
this is taking place which is another

412
00:23:46,070 --> 00:23:43,360
common trait of exorcisms

413
00:23:53,580 --> 00:23:46,080

people being exercise display what some

414

00:23:53,590 --> 00:24:06,020

[Applause]

415

00:24:06,030 --> 00:24:17,269

[Music]

416

00:24:22,390 --> 00:24:20,470

the demon is saying we are armies armies

417

00:24:24,070 --> 00:24:22,400

another common trait of demonic

418

00:24:27,269 --> 00:24:24,080

possession is that

419

00:24:30,470 --> 00:24:27,279

an entire legion of demons will

420

00:24:32,390 --> 00:24:30,480

be possessing the human host or

421

00:24:34,549 --> 00:24:32,400

at least the demon speaking through the

422

00:24:35,510 --> 00:24:34,559

human host claims that a legion of

423

00:24:38,149 --> 00:24:35,520

demons

424

00:24:40,070 --> 00:24:38,159

who are we we are legion we are armies

425

00:24:43,029 --> 00:24:40,080

this is a very common trait of

426

00:24:45,430 --> 00:24:43,039

i've seen this in many many uh different

427

00:24:45,990 --> 00:24:45,440

cases of exorcism that the demon claims

428

00:24:47,990 --> 00:24:46,000

that we are

429

00:25:19,029 --> 00:24:48,000

a legion we are this demon we are that

430

00:25:24,149 --> 00:25:21,909

yeah and friends uh this kind of goes on

431

00:25:27,269 --> 00:25:24,159

and on and on

432

00:25:28,950 --> 00:25:27,279

with the priests commanding her you you

433

00:25:50,789 --> 00:25:28,960

know commanding the demon to

434

00:25:55,029 --> 00:25:53,029

another thing i'd like to mention about

435

00:25:58,870 --> 00:25:55,039

at least the catholic right of

436

00:26:03,110 --> 00:25:58,880

demon exorcism is that

437

00:26:04,710 --> 00:26:03,120

the exorcist the exorcism can go on for

438

00:26:05,990 --> 00:26:04,720

days and days and days and take many

439

00:26:08,149 --> 00:26:06,000

many sessions many many

440

00:26:09,269 --> 00:26:08,159

hours what we're seeing is very short

441

00:26:11,830 --> 00:26:09,279

clip probably

442

00:26:12,630 --> 00:26:11,840

a short clip that shows the most

443

00:26:15,990 --> 00:26:12,640

activity

444

00:26:18,310 --> 00:26:16,000

from the uh from the supposed demon

445

00:26:19,909 --> 00:26:18,320

but these things go on for hours and

446

00:26:21,029 --> 00:26:19,919

hours and hours i found supportive

447

00:26:23,750 --> 00:26:21,039

evidence that many

448

00:26:25,510 --> 00:26:23,760

priests or exorcists will go do an eight

449

00:26:26,549 --> 00:26:25,520

hour or ten hour prayer session just

450

00:26:28,470 --> 00:26:26,559

like this

451
00:26:29,990 --> 00:26:28,480
over a person until they're completely

452
00:26:32,230 --> 00:26:30,000
and totally exhausted

453
00:26:33,269 --> 00:26:32,240
and then sort of quit for the day if it

454
00:26:36,830 --> 00:26:33,279
if it has not

455
00:26:52,470 --> 00:26:36,840
been successful and start again the next

456
00:26:59,750 --> 00:26:56,549
okay let's drop out of that

457
00:27:00,310 --> 00:26:59,760
so you know uh according to uh some

458
00:27:02,710 --> 00:27:00,320
other

459
00:27:04,789 --> 00:27:02,720
sources that i found this person this

460
00:27:08,070 --> 00:27:04,799
girl in this uh

461
00:27:11,269 --> 00:27:08,080
in this exorcism has had

462
00:27:12,789 --> 00:27:11,279
uh this father do 10 exorcisms before

463
00:27:15,110 --> 00:27:12,799

she finally

464

00:27:16,789 --> 00:27:15,120

was alleviated of the demon and the

465

00:27:18,950 --> 00:27:16,799

demon did not return

466

00:27:20,310 --> 00:27:18,960

there was some early exorcisms and then

467

00:27:23,590 --> 00:27:20,320

the demon would return

468

00:27:26,310 --> 00:27:23,600

sometime later but i believe to the best

469

00:27:30,310 --> 00:27:26,320

of my knowledge

470

00:27:33,190 --> 00:27:30,320

this poor girl is now demon free

471

00:27:34,710 --> 00:27:33,200

now i mentioned the proliferation of

472

00:27:37,029 --> 00:27:34,720

protestant

473

00:27:38,549 --> 00:27:37,039

sort of non-denominational christian

474

00:27:40,950 --> 00:27:38,559

they like to include

475

00:27:43,669 --> 00:27:40,960

everybody you know it's just kind of

476

00:27:46,870 --> 00:27:43,679

almost like made up churches somehow

477

00:27:47,269 --> 00:27:46,880

uh are going around doing these demon uh

478

00:27:52,149 --> 00:27:47,279

you know

479

00:27:54,710 --> 00:27:52,159

doing these events where you can be

480

00:27:56,389 --> 00:27:54,720

exercised of your demons and probably

481

00:28:01,669 --> 00:27:56,399

the

482

00:28:05,110 --> 00:28:04,310

is a particular person that i found some

483

00:28:08,710 --> 00:28:05,120

time ago

484

00:28:12,230 --> 00:28:08,720

and some of those uh

485

00:28:14,070 --> 00:28:12,240

some of those clips

486

00:28:15,590 --> 00:28:14,080

of him performing these exorcisms are

487

00:28:16,789 --> 00:28:15,600

kind of ridiculous there's just a room

488

00:28:17,990 --> 00:28:16,799

full of people there's somebody

489

00:28:20,070 --> 00:28:18,000

screaming that they're

490

00:28:21,269 --> 00:28:20,080

they're possessed and no i won't go and

491

00:28:23,510 --> 00:28:21,279

he's going

492

00:28:24,549 --> 00:28:23,520

jesus commands you and one of the things

493

00:28:27,830 --> 00:28:24,559

about this uh

494

00:28:29,909 --> 00:28:27,840

reverend bob larsen that is

495

00:28:31,430 --> 00:28:29,919

of important note is that not only has

496

00:28:34,710 --> 00:28:31,440

this been a business for him

497

00:28:36,470 --> 00:28:34,720

i suppose um it's become

498

00:28:38,470 --> 00:28:36,480

sort of a family business and i believe

499

00:28:41,350 --> 00:28:38,480

his daughters his three daughters

500

00:28:42,470 --> 00:28:41,360

also are involved in demon possession

501
00:28:45,029 --> 00:28:42,480
somehow

502
00:28:46,549 --> 00:28:45,039
and i don't know how i feel about i

503
00:28:47,510 --> 00:28:46,559
don't know how i feel about a whole

504
00:28:49,669 --> 00:28:47,520
family of

505
00:28:51,269 --> 00:28:49,679
demon exercisers running around taking

506
00:28:52,389 --> 00:28:51,279
money from people to exercise their

507
00:28:54,710 --> 00:28:52,399
demons

508
00:28:56,710 --> 00:28:54,720
but it you know it sort of is what it is

509
00:28:58,470 --> 00:28:56,720
so i found a clip that was relevant to

510
00:29:00,870 --> 00:28:58,480
bob larsen because

511
00:29:02,389 --> 00:29:00,880
uh he was on anderson cooper's like

512
00:29:03,430 --> 00:29:02,399
daytime show i don't know if anderson

513
00:29:05,350 --> 00:29:03,440

cooper's still trying to be

514

00:29:07,110 --> 00:29:05,360

oprah and do a daytime show but he did

515

00:29:09,269 --> 00:29:07,120

for some time and he had this

516

00:29:11,269 --> 00:29:09,279

reverend bob larsen on his show we're

517

00:29:13,430 --> 00:29:11,279

gonna cite fair use fair use we'll be

518

00:29:15,350 --> 00:29:13,440

discussing and educating the public

519

00:29:17,830 --> 00:29:15,360

we'll be discussing the contents of this

520

00:29:19,830 --> 00:29:17,840

clip and critiquing

521

00:29:22,149 --> 00:29:19,840

we will be educating the public this is

522

00:29:23,909 --> 00:29:22,159

the definition of fair use so i'm going

523

00:29:27,830 --> 00:29:23,919

to say fair use

524

00:29:30,870 --> 00:29:27,840

and let's see if we can't share that

525

00:29:34,549 --> 00:29:32,389

okay and this clip is called how much

526

00:29:37,269 --> 00:29:34,559

does an exorcism cost

527

00:29:37,750 --> 00:29:37,279

because i think it's important that we

528

00:29:40,950 --> 00:29:37,760

sort of

529

00:29:42,549 --> 00:29:40,960

unpack how much this guy is getting paid

530

00:29:45,269 --> 00:29:42,559

to do this

531

00:29:46,630 --> 00:29:45,279

because you know i just keep coming back

532

00:29:48,310 --> 00:29:46,640

to this if somebody's really possessed

533

00:29:49,830 --> 00:29:48,320

by demons are you going to be holding

534

00:29:51,190 --> 00:29:49,840

the collection plate out while you're

535

00:29:52,549 --> 00:29:51,200

getting rid of their demons or are you

536

00:29:56,310 --> 00:29:52,559

going to help them

537

00:29:59,110 --> 00:29:56,320

doesn't make much sense to me and so

538

00:29:59,990 --> 00:29:59,120

listen i grew up catholic and i've read

539

00:30:03,350 --> 00:30:00,000

the roman

540

00:30:05,830 --> 00:30:03,360

catholic rituals that are involved with

541

00:30:07,990 --> 00:30:05,840

exorcism it's a very serious thing

542

00:30:09,590 --> 00:30:08,000

it's not a pt barnum event where

543

00:30:11,909 --> 00:30:09,600

everybody comes and watches

544

00:30:13,269 --> 00:30:11,919

demons be exercised it's a private thing

545

00:30:15,029 --> 00:30:13,279

and

546

00:30:16,870 --> 00:30:15,039

for once in my life i'm gonna side with

547

00:30:18,549 --> 00:30:16,880

the catholics you know i like to joke

548

00:30:20,870 --> 00:30:18,559

that i'm a recovering catholic i haven't

549

00:30:23,990 --> 00:30:20,880

been catholic for a long long time

550

00:30:25,590 --> 00:30:24,000

uh but in this case i

551
00:30:28,149 --> 00:30:25,600
think that the catholics are a little

552
00:30:30,389 --> 00:30:28,159
more credible when it comes to exorcisms

553
00:30:32,470 --> 00:30:30,399
so let's uh take a listen here you've

554
00:30:34,310 --> 00:30:32,480
been around for a moment friends

555
00:30:36,230 --> 00:30:34,320
oh you're getting paid and he's trying

556
00:30:39,029 --> 00:30:36,240
to justify with travel expenses

557
00:30:40,310 --> 00:30:39,039
uh okay new friends can find out if

558
00:30:41,990 --> 00:30:40,320
you're possessed by a demon for just

559
00:30:43,830 --> 00:30:42,000
9.95

560
00:30:45,080 --> 00:30:43,840
please include a self-addressed stamped

561
00:30:47,669 --> 00:30:45,090
envelope

562
00:30:50,950 --> 00:30:47,679
[Applause]

563
00:30:52,950 --> 00:30:50,960

yeah so bob larsen is perhaps the most

564

00:30:55,590 --> 00:30:52,960

famous and then

565

00:30:56,149 --> 00:30:55,600

boy things get even stranger from here

566

00:30:59,430 --> 00:30:56,159

because

567

00:30:59,830 --> 00:30:59,440

uh you know i found another one with

568

00:31:03,990 --> 00:30:59,840

like

569

00:31:07,509 --> 00:31:04,000

teenage girls deciding

570

00:31:08,950 --> 00:31:07,519

that they're going to be exorcists and

571

00:31:11,830 --> 00:31:08,960

fight demons

572

00:31:12,789 --> 00:31:11,840

which this thing has very i don't know

573

00:31:15,509 --> 00:31:12,799

uh

574

00:31:17,110 --> 00:31:15,519

buffy the vampire slayer feel to it it's

575

00:31:20,389 --> 00:31:17,120

really ridiculous

576

00:31:21,350 --> 00:31:20,399

and i don't know why somebody would

577

00:31:25,350 --> 00:31:21,360

actually go to

578

00:31:27,509 --> 00:31:25,360

a i don't know why somebody would go to

579

00:31:29,029 --> 00:31:27,519

a teenage girl if they thought they were

580

00:31:31,269 --> 00:31:29,039

truly possessed for help with their

581

00:31:33,669 --> 00:31:31,279

demon possession but okay

582

00:31:34,630 --> 00:31:33,679

um so again we're gonna share one more

583

00:31:37,750 --> 00:31:34,640

clip

584

00:31:41,029 --> 00:31:37,760

and uh this is um

585

00:31:43,750 --> 00:31:41,039

this is from abc news and uh

586

00:31:45,750 --> 00:31:43,760

george stephanopoulos i think uh did a

587

00:31:46,870 --> 00:31:45,760

story on these teen girls perform

588

00:31:50,470 --> 00:31:46,880

exorcisms young

589

00:31:53,669 --> 00:31:50,480

texas exorcists trained to fight demons

590

00:31:55,350 --> 00:31:53,679

it's it's kind of ridiculous but it's

591

00:31:58,389 --> 00:31:55,360

part of the story right

592

00:32:01,590 --> 00:31:58,399

why are demon possession

593

00:32:02,870 --> 00:32:01,600

cases rising and why is there so many

594

00:32:04,230 --> 00:32:02,880

people popping out

595

00:32:07,190 --> 00:32:04,240

of the woodwork saying that they're

596

00:32:10,230 --> 00:32:07,200

going to become exorcists too

597

00:32:11,029 --> 00:32:10,240

it's definitely strange let's uh play

598

00:32:15,509 --> 00:32:11,039

the clip

599

00:32:19,269 --> 00:32:15,519

see where we're at

600

00:32:20,789 --> 00:32:19,279

okay and again i'm going to cite fair

601
00:32:22,950 --> 00:32:20,799
use where educating the public about

602
00:32:25,509 --> 00:32:22,960
demons and demon possession

603
00:32:26,389 --> 00:32:25,519
and the right of exorcism and the rise

604
00:32:27,990 --> 00:32:26,399
of even

605
00:32:29,909 --> 00:32:28,000
something like teenage girls claiming

606
00:32:31,430 --> 00:32:29,919
that they are now exorcists

607
00:32:33,590 --> 00:32:31,440
i'm going to say we are back now with

608
00:32:34,230 --> 00:32:33,600
those real life charlie's angels young

609
00:32:35,750 --> 00:32:34,240
women

610
00:32:37,990 --> 00:32:35,760
who believe they are fighting real

611
00:32:39,029 --> 00:32:38,000
demons by performing exorcisms

612
00:32:40,950 --> 00:32:39,039
they're actually graduates of an

613
00:32:42,230 --> 00:32:40,960

exorcism school run by a texas preacher

614

00:32:43,750 --> 00:32:42,240

one of a growing number of quote

615

00:32:45,509 --> 00:32:43,760

deliverance ministries

616

00:32:46,789 --> 00:32:45,519

that are causing controversy in many

617

00:32:51,029 --> 00:32:46,799

parts of the country

618

00:32:55,669 --> 00:32:53,830

they're black belts in karate they're

619

00:32:59,830 --> 00:32:55,679

ace horseback riders

620

00:33:01,750 --> 00:32:59,840

and they're also demon fighters

621

00:33:03,830 --> 00:33:01,760

yeah these three girls are going to

622

00:33:05,430 --> 00:33:03,840

fight your demons

623

00:33:07,269 --> 00:33:05,440

i kind of think these girls watch too

624

00:33:12,789 --> 00:33:07,279

much buffy the vampire slayer that's

625

00:33:16,389 --> 00:33:14,950

we're just normal girls who do something

626

00:33:18,710 --> 00:33:16,399

extraordinary for god

627

00:33:21,110 --> 00:33:18,720

the leader of the pack brynn they call

628

00:33:23,509 --> 00:33:21,120

her the enforcer she's 17

629

00:33:24,470 --> 00:33:23,519

homeschooled and a regular on the beauty

630

00:33:26,630 --> 00:33:24,480

pageant circuit

631

00:33:27,990 --> 00:33:26,640

then there's savannah the compassionate

632

00:33:30,470 --> 00:33:28,000

one she's 20

633

00:33:31,350 --> 00:33:30,480

a college student and she likes to shop

634

00:33:33,269 --> 00:33:31,360

and finally

635

00:33:35,269 --> 00:33:33,279

tess the middleman because she can do

636

00:33:38,310 --> 00:33:35,279

both good cop and bad cop

637

00:33:40,230 --> 00:33:38,320

she's 17 and she performs in musicals

638

00:33:41,909 --> 00:33:40,240

what do you say to people who just don't

639

00:33:43,990 --> 00:33:41,919

believe this stuff at all

640

00:33:45,750 --> 00:33:44,000

after seeing an actual exorcism in

641

00:33:47,269 --> 00:33:45,760

person led by us

642

00:33:49,430 --> 00:33:47,279

you will walk away with no doubts

643

00:33:50,950 --> 00:33:49,440

whatsoever their teacher is brynn's

644

00:33:52,630 --> 00:33:50,960

father bob larson

645

00:33:55,110 --> 00:33:52,640

who says he's been an actor and as i

646

00:33:55,990 --> 00:33:55,120

mentioned this bob larson found a really

647

00:33:59,830 --> 00:33:56,000

good

648

00:34:01,909 --> 00:33:59,840

training his daughters to also be

649

00:34:05,830 --> 00:34:01,919

exorcists

650

00:34:09,190 --> 00:34:05,840

and this guy really is the pt barnum of

651
00:34:12,389 --> 00:34:09,200
the exorcism crowd somehow this guy

652
00:34:14,230 --> 00:34:12,399
uh you know he's

653
00:34:15,510 --> 00:34:14,240
he's great at getting publicity for

654
00:34:19,270 --> 00:34:15,520
himself

655
00:34:22,550 --> 00:34:19,280
and uh has been for quite some time

656
00:34:23,190 --> 00:34:22,560
exorcists for 30 years and claims demons

657
00:34:25,430 --> 00:34:23,200
are much

658
00:34:26,790 --> 00:34:25,440
more common than many people think i

659
00:34:28,550 --> 00:34:26,800
know it sounds controversial

660
00:34:30,230 --> 00:34:28,560
but maybe half the population of the

661
00:34:32,470 --> 00:34:30,240
world yes

662
00:34:33,349 --> 00:34:32,480
this woman's name is gina it's her first

663
00:34:36,389 --> 00:34:33,359

exorcism

664

00:34:38,550 --> 00:34:36,399

the girls summon the demon within her

665

00:34:39,669 --> 00:34:38,560

and then the demon apparently takes over

666

00:34:42,629 --> 00:34:39,679

gina's body and

667

00:34:43,190 --> 00:34:42,639

speaks i receive but isn't it possible

668

00:34:44,550 --> 00:34:43,200

that if

669

00:34:45,990 --> 00:34:44,560

people are coming to you and they happen

670

00:34:46,950 --> 00:34:46,000

to be mentally ill and you're giving

671

00:34:49,669 --> 00:34:46,960

them an exorcism

672

00:34:50,149 --> 00:34:49,679

that maybe you're making them worse no

673

00:34:53,990 --> 00:34:50,159

we do

674

00:34:56,470 --> 00:34:54,000

no of course not of course not but

675

00:34:58,630 --> 00:34:56,480

i i i think it's very irresponsible of

676

00:35:02,150 --> 00:34:58,640

this gentleman to let his daughters

677

00:35:04,069 --> 00:35:02,160

pretend to exercise demons from people

678

00:35:05,990 --> 00:35:04,079

i i just think it's irresponsible as a

679

00:35:07,510 --> 00:35:06,000

parent do this under dad's supervision

680

00:35:09,990 --> 00:35:07,520

we never do it alone

681

00:35:11,109 --> 00:35:10,000

but her dad bob larson has been accused

682

00:35:13,349 --> 00:35:11,119

of being a fraud

683

00:35:14,870 --> 00:35:13,359

the argument i would imagine is this

684

00:35:15,510 --> 00:35:14,880

guy's taking money from people who

685

00:35:17,349 --> 00:35:15,520

really need

686

00:35:19,750 --> 00:35:17,359

psychiatric help and he's charging the

687

00:35:23,030 --> 00:35:19,760

money to perform these bogus

688

00:35:27,430 --> 00:35:23,040

why now wait a minute wait a minute

689

00:35:28,829 --> 00:35:27,440

nothing fast so is anybody who has a

690

00:35:33,030 --> 00:35:28,839

responsible

691

00:35:37,430 --> 00:35:35,589

and we have to fund what we do whatever

692

00:35:39,109 --> 00:35:37,440

you think of what bob larsen and his

693

00:35:42,150 --> 00:35:39,119

young proteges are doing

694

00:35:42,630 --> 00:35:42,160

see i believe in one god we may be about

695

00:35:44,950 --> 00:35:42,640

to see

696

00:35:45,829 --> 00:35:44,960

much more of them larsen says he's

697

00:35:49,109 --> 00:35:45,839

currently weighing

698

00:35:51,430 --> 00:35:49,119

several offers for new reality shows

699

00:35:53,750 --> 00:35:51,440

starring the girls for good morning

700

00:35:55,589 --> 00:35:53,760

america dan harris abc news

701
00:35:57,109 --> 00:35:55,599
phoenix yeah should have seen that one

702
00:35:59,670 --> 00:35:57,119
coming and you can find a lot more about

703
00:36:02,790 --> 00:35:59,680
yeah we're going to get a talk we're

704
00:36:06,069 --> 00:36:02,800
going to get a reality show

705
00:36:07,750 --> 00:36:06,079
so friends it is what it is i i also

706
00:36:11,109 --> 00:36:07,760
found some

707
00:36:14,390 --> 00:36:11,119
a lot of information about how to know

708
00:36:16,550 --> 00:36:14,400
uh that you are possessed or not i have

709
00:36:18,630 --> 00:36:16,560
here in april 2015 the vatican

710
00:36:20,470 --> 00:36:18,640
congregation for the clergy

711
00:36:21,990 --> 00:36:20,480
of the sacros institute hosted a

712
00:36:25,829 --> 00:36:22,000
seminar at rome's

713
00:36:27,430 --> 00:36:25,839

regina apostolism uh apostolarium

714

00:36:28,950 --> 00:36:27,440

university specifically aimed at

715

00:36:30,310 --> 00:36:28,960

training priests and lay people in

716

00:36:32,069 --> 00:36:30,320

spotting the differences between

717

00:36:34,630 --> 00:36:32,079

psychological problems and demonic

718

00:36:36,069 --> 00:36:34,640

possessions

719

00:36:37,589 --> 00:36:36,079

the conference included interventions

720

00:36:39,510 --> 00:36:37,599

from a wide range of experts in the

721

00:36:40,550 --> 00:36:39,520

field of exorcism including practicing

722

00:36:43,349 --> 00:36:40,560

exorcists

723

00:36:44,390 --> 00:36:43,359

medical professionals psychologists

724

00:36:47,430 --> 00:36:44,400

lawyers

725

00:36:50,550 --> 00:36:47,440

and theologians so in

726
00:36:53,190 --> 00:36:50,560
as early as 2015 they had a conference

727
00:36:55,109 --> 00:36:53,200
just to train more priests in the

728
00:36:57,109 --> 00:36:55,119
catholic rite of exorcism as i said

729
00:36:59,670 --> 00:36:57,119
there's been an increase

730
00:37:00,230 --> 00:36:59,680
i guess sort of demand for for these

731
00:37:06,829 --> 00:37:00,240
kind of

732
00:37:06,839 --> 00:37:10,069
especially

733
00:37:15,270 --> 00:37:13,349
yeah so here i have uh

734
00:37:17,270 --> 00:37:15,280
the catechism offers further guidance on

735
00:37:19,510 --> 00:37:17,280
how to avoid demonic activity anything

736
00:37:21,270 --> 00:37:19,520
that involves recourse to satan demons

737
00:37:22,069 --> 00:37:21,280
or the attempts to conjure the dead or

738
00:37:25,190 --> 00:37:22,079

reveal future

739

00:37:26,790 --> 00:37:25,200

events is to be rejected this is

740

00:37:27,750 --> 00:37:26,800

something i remember from catholic faith

741

00:37:29,750 --> 00:37:27,760

growing up

742

00:37:32,230 --> 00:37:29,760

uh it is against the catholic faith of

743

00:37:33,030 --> 00:37:32,240

course to do many of these things and

744

00:37:36,069 --> 00:37:33,040

they believe that it

745

00:37:40,870 --> 00:37:36,079

invites demonic forces into your life

746

00:37:43,349 --> 00:37:40,880

which could begin with there's also uh

747

00:37:44,550 --> 00:37:43,359

besides possession there's oppression if

748

00:37:47,829 --> 00:37:44,560

you uh

749

00:37:49,430 --> 00:37:47,839

engage in these dangerous activities

750

00:37:51,670 --> 00:37:49,440

let me see consulting horoscopes

751
00:37:53,510 --> 00:37:51,680
astrology palm reading interpretation of

752
00:37:54,950 --> 00:37:53,520
omens and lots the phenomenon of

753
00:37:57,829 --> 00:37:54,960
clairvoyance

754
00:37:58,870 --> 00:37:57,839
the recourse to mediums all conceal a

755
00:38:02,550 --> 00:37:58,880
desire for power

756
00:38:05,430 --> 00:38:02,560
over time history and in the last

757
00:38:07,750 --> 00:38:05,440
analysis other human beings as well wish

758
00:38:09,750 --> 00:38:07,760
to consolidate hidden powers

759
00:38:13,030 --> 00:38:09,760
they contradict the honor respect and

760
00:38:16,390 --> 00:38:13,040
loving fear that we owe to god alone

761
00:38:17,670 --> 00:38:16,400
so according to probably christians too

762
00:38:20,630 --> 00:38:17,680
most christians that i know

763
00:38:21,910 --> 00:38:20,640

all these things are could be inviting

764

00:38:25,270 --> 00:38:21,920

demonic possession

765

00:38:28,710 --> 00:38:25,280

into your life and this can cause

766

00:38:30,470 --> 00:38:28,720

uh you know this is inviting demonic

767

00:38:31,750 --> 00:38:30,480

activity into your life and this could

768

00:38:35,349 --> 00:38:31,760

cause both oppression

769

00:38:36,230 --> 00:38:35,359

and possession but as a young rebellious

770

00:38:39,750 --> 00:38:36,240

child

771

00:38:41,270 --> 00:38:39,760

i love that stuff right

772

00:38:43,270 --> 00:38:41,280

yeah i'm gonna play with the ouija board

773

00:38:44,390 --> 00:38:43,280

yeah i'm gonna buy some tarot cards it's

774

00:38:47,190 --> 00:38:44,400

a local mall

775

00:38:49,030 --> 00:38:47,200

and see if i can tell the future yeah

776

00:38:52,790 --> 00:38:49,040

i'm going to read some books about

777

00:38:56,630 --> 00:38:52,800

magic and conjuring dead spirits

778

00:38:58,310 --> 00:38:56,640

communicating with the dead i

779

00:39:00,710 --> 00:38:58,320

experimented with lots of that stuff

780

00:39:03,030 --> 00:39:00,720

never felt any demon's presence

781

00:39:04,790 --> 00:39:03,040

but it is what it is that's part of the

782

00:39:07,670 --> 00:39:04,800

belief structure

783

00:39:09,430 --> 00:39:07,680

and the priests especially like i i

784

00:39:10,390 --> 00:39:09,440

mentioned a few times before i had been

785

00:39:13,990 --> 00:39:10,400

caught

786

00:39:16,150 --> 00:39:14,000

uh sort of playing with these things

787

00:39:18,390 --> 00:39:16,160

by my family and my father made me go to

788

00:39:21,190 --> 00:39:18,400

classes i had to go

789

00:39:22,870 --> 00:39:21,200

you know i had to go deal with these

790

00:39:25,190 --> 00:39:22,880

priests

791

00:39:26,710 --> 00:39:25,200

who gave me counseling sessions on why

792

00:39:28,630 --> 00:39:26,720

it's so dangerous to be involved in

793

00:39:31,190 --> 00:39:28,640

these things

794

00:39:32,710 --> 00:39:31,200

so without any further ado my friends

795

00:39:33,829 --> 00:39:32,720

we're going to turn our total attention

796

00:39:36,790 --> 00:39:33,839

to the live chat

797

00:39:37,990 --> 00:39:36,800

sorry to go that's about all i have for

798

00:39:41,109 --> 00:39:38,000

our presentation

799

00:39:44,390 --> 00:39:41,119

other than uh there

800

00:39:45,910 --> 00:39:44,400

is a great deal of other than to say

801
00:39:49,589 --> 00:39:45,920
that there is a great deal

802
00:39:50,950 --> 00:39:49,599
of material that you can study on demons

803
00:39:56,230 --> 00:39:50,960
demonology

804
00:39:58,870 --> 00:39:56,240
and the right of exorcism um

805
00:39:59,430 --> 00:39:58,880
it's interesting it's interesting that

806
00:40:03,109 --> 00:39:59,440
the

807
00:40:05,589 --> 00:40:03,119
exorcism

808
00:40:06,230 --> 00:40:05,599
and uh that involves the debit which we

809
00:40:09,750 --> 00:40:06,240
covered

810
00:40:12,950 --> 00:40:09,760
previously the uh the muslims have

811
00:40:15,910 --> 00:40:12,960
a sort of form of exorcism that involves

812
00:40:17,430 --> 00:40:15,920
casting unclean or demon spirits out of

813
00:40:19,990 --> 00:40:17,440

a human host

814

00:40:21,829 --> 00:40:20,000

the christians and catholics of course

815

00:40:24,870 --> 00:40:21,839

do as well

816

00:40:28,230 --> 00:40:24,880

um but we find

817

00:40:31,109 --> 00:40:28,240

we also find mention of uh

818

00:40:33,190 --> 00:40:31,119

spirits possessing a human in many other

819

00:40:35,349 --> 00:40:33,200

cultures religions

820

00:40:38,710 --> 00:40:35,359

and it seems to be a universally held

821

00:40:41,750 --> 00:40:38,720

truth that

822

00:40:45,030 --> 00:40:41,760

other entities can possess

823

00:40:47,510 --> 00:40:45,040

and uh possess a human host

824

00:40:48,710 --> 00:40:47,520

channeling may be considered a form of

825

00:40:52,309 --> 00:40:48,720

possession

826

00:40:53,030 --> 00:40:52,319

a spirit or entity will possess a human

827

00:40:54,710 --> 00:40:53,040

host and then

828

00:40:56,230 --> 00:40:54,720

information is channeled through the

829

00:40:58,870 --> 00:40:56,240

human host

830

00:41:00,630 --> 00:40:58,880

uh not a real big believer in channeling

831

00:41:02,950 --> 00:41:00,640

or channeled information

832

00:41:04,790 --> 00:41:02,960

but that could be considered too a form

833

00:41:07,589 --> 00:41:04,800

of human possession

834

00:41:09,750 --> 00:41:07,599

so if you're interested in uh demons

835

00:41:11,750 --> 00:41:09,760

demonology and especially exorcism there

836

00:41:14,630 --> 00:41:11,760

is a great deal of information

837

00:41:16,390 --> 00:41:14,640

to be had maybe we'll do a part two

838

00:41:19,510 --> 00:41:16,400

about this subject talking about

839

00:41:20,390 --> 00:41:19,520

specific cases i have a lot of

840

00:41:24,309 --> 00:41:20,400

information

841

00:41:27,430 --> 00:41:24,319

on the young boy who was possessed

842

00:41:30,150 --> 00:41:27,440

that the the hollywood movie

843

00:41:32,470 --> 00:41:30,160

the exorcist was actually based on and

844

00:41:35,430 --> 00:41:32,480

it's a terrifying tale

845

00:41:37,109 --> 00:41:35,440

of this young boy being literally

846

00:41:39,349 --> 00:41:37,119

tortured by demons for

847

00:41:40,870 --> 00:41:39,359

years until sufficient help could be

848

00:41:44,630 --> 00:41:40,880

found to free him from

849

00:41:47,910 --> 00:41:44,640

those demons it's the real life

850

00:41:49,910 --> 00:41:47,920

it's the real life story of the exorcism

851
00:41:50,630 --> 00:41:49,920
and who among us has not watched the

852
00:41:52,790 --> 00:41:50,640
exorcism

853
00:41:55,190 --> 00:41:52,800
and been terrified right it's a

854
00:41:59,030 --> 00:41:55,200
terrifying movie it is a

855
00:42:01,750 --> 00:41:59,040
uh probably because of the

856
00:42:02,069 --> 00:42:01,760
basis of reality and the real stories

857
00:42:05,910 --> 00:42:02,079
about

858
00:42:07,990 --> 00:42:05,920
exorcism it makes it more terrifying

859
00:42:08,950 --> 00:42:08,000
well friends let's uh turn our attention

860
00:42:13,750 --> 00:42:08,960
to the live chat

861
00:42:16,470 --> 00:42:13,760
if you have any questions comments um

862
00:42:18,309 --> 00:42:16,480
please put them in all caps and if

863
00:42:21,349 --> 00:42:18,319

anybody would like to call in

864

00:42:23,270 --> 00:42:21,359

uh yeah and uh

865

00:42:24,630 --> 00:42:23,280

don craig's face says wilcock is

866

00:42:28,710 --> 00:42:24,640

possessed by ra

867

00:42:39,349 --> 00:42:28,720

yeah he's he's somehow possessed by a

868

00:42:39,359 --> 00:42:42,630

now friends uh

869

00:42:46,950 --> 00:42:44,790

let me see i just watched a documentary

870

00:42:48,790 --> 00:42:46,960

on bashar narrated by james woods you

871

00:42:50,470 --> 00:42:48,800

know i want to see that don craig's face

872

00:42:55,349 --> 00:42:50,480

i have not seen that yet

873

00:42:58,790 --> 00:42:57,109

one second let me just adjust things

874

00:43:00,390 --> 00:42:58,800

because i don't like

875

00:43:08,309 --> 00:43:00,400

i don't like my mug being covered by

876

00:43:12,870 --> 00:43:11,270

okay let's see good comment here kb my

877

00:43:14,630 --> 00:43:12,880

dad suffered from manic bipolar

878

00:43:16,710 --> 00:43:14,640

depression was in and out of insane

879

00:43:18,069 --> 00:43:16,720

asylums the day he committed suicide the

880

00:43:19,829 --> 00:43:18,079

whites of his eyes were yellow and he

881

00:43:23,510 --> 00:43:19,839

was speaking in tongues

882

00:43:25,750 --> 00:43:23,520

kb that is a terrifying story i'm sorry

883

00:43:26,870 --> 00:43:25,760

about your father if you would like to i

884

00:43:30,150 --> 00:43:26,880

would love to hear that

885

00:43:32,630 --> 00:43:30,160

the whole story sometime

886

00:43:34,790 --> 00:43:32,640

that would be uh you know i understand

887

00:43:38,630 --> 00:43:34,800

it's pretty personal though

888

00:43:44,870 --> 00:43:42,069

the soundtrack was cool yes

889

00:43:46,150 --> 00:43:44,880

definitely saw that movie in high school

890

00:43:47,670 --> 00:43:46,160

and didn't sleep for the rest of my

891

00:43:48,150 --> 00:43:47,680

teenage years unless the light was on

892

00:43:50,309 --> 00:43:48,160

hello

893

00:43:52,150 --> 00:43:50,319

c cabot i don't believe that we have

894

00:43:54,790 --> 00:43:52,160

seen you here before

895

00:43:55,910 --> 00:43:54,800

and if not welcome welcome to truth

896

00:43:57,750 --> 00:43:55,920

seekers

897

00:43:59,270 --> 00:43:57,760

i hope that if you like this kind of

898

00:44:01,349 --> 00:43:59,280

content you will like

899

00:44:02,790 --> 00:44:01,359

comment and especially subscribe and hit

900

00:44:04,470 --> 00:44:02,800

that notification bell we're really

901
00:44:07,270 --> 00:44:04,480
trying to grow the audience

902
00:44:09,190 --> 00:44:07,280
so welcome uh new live chat member see

903
00:44:12,069 --> 00:44:09,200
cabot

904
00:44:13,510 --> 00:44:12,079
um i always gotta forget that i'm

905
00:44:15,589 --> 00:44:13,520
supposed to do this begging for money

906
00:44:17,829 --> 00:44:15,599
pitch every time we do a show

907
00:44:18,790 --> 00:44:17,839
and uh i'm gonna do the quick version

908
00:44:21,349 --> 00:44:18,800
there's and

909
00:44:22,630 --> 00:44:21,359
i also have some news so there is two

910
00:44:24,550 --> 00:44:22,640
ways to support

911
00:44:26,069 --> 00:44:24,560
the show here financially and we could

912
00:44:28,309 --> 00:44:26,079
really use your support

913
00:44:29,349 --> 00:44:28,319

the first way is to donate on patreon

914

00:44:32,390 --> 00:44:29,359

it's just a dollar

915

00:44:33,270 --> 00:44:32,400

and we give sort of a backstage pass

916

00:44:36,630 --> 00:44:33,280

this month's

917

00:44:38,470 --> 00:44:36,640

benefits included sort of an audio file

918

00:44:39,990 --> 00:44:38,480

announcement of this incredible computer

919

00:44:43,270 --> 00:44:40,000

that i'm working on

920

00:44:46,630 --> 00:44:43,280

and also uh some information about

921

00:44:48,790 --> 00:44:46,640

alt o s and i do it daily or

922

00:44:50,950 --> 00:44:48,800

excuse me i do a monthly journal just

923

00:44:52,309 --> 00:44:50,960

about the show what's going on backstage

924

00:44:54,150 --> 00:44:52,319

what i'm working on

925

00:44:56,790 --> 00:44:54,160

and the patreon people get to hear all

926
00:44:58,470 --> 00:44:56,800
of that um

927
00:45:00,150 --> 00:44:58,480
if anybody has any suggestions for other

928
00:45:00,710 --> 00:45:00,160
gifts that i could give the patreon

929
00:45:02,870 --> 00:45:00,720
people

930
00:45:04,069 --> 00:45:02,880
to entice them to give me their monthly

931
00:45:05,829 --> 00:45:04,079
dollar i'm all

932
00:45:08,309 --> 00:45:05,839
ears the other way to support me is

933
00:45:09,030 --> 00:45:08,319
there is a paypal donation button on the

934
00:45:11,270 --> 00:45:09,040
channel

935
00:45:12,710 --> 00:45:11,280
uh just go to the about section and

936
00:45:15,109 --> 00:45:12,720
there is a

937
00:45:17,030 --> 00:45:15,119
way for you to donate a one-time

938
00:45:19,829 --> 00:45:17,040

donation by paypal

939

00:45:20,550 --> 00:45:19,839

and we don't have super chat donations

940

00:45:22,309 --> 00:45:20,560

here so

941

00:45:24,550 --> 00:45:22,319

we're using that and i call it the not

942

00:45:26,069 --> 00:45:24,560

so super chat donations

943

00:45:28,790 --> 00:45:26,079

i'm still trying to figure out a way to

944

00:45:30,309 --> 00:45:28,800

get the to get somebody's message

945

00:45:31,990 --> 00:45:30,319

up on the screen but if you donate it

946

00:45:35,030 --> 00:45:32,000

this is very important please make

947

00:45:35,589 --> 00:45:35,040

sure that you put your add a note add

948

00:45:37,990 --> 00:45:35,599

comment

949

00:45:39,510 --> 00:45:38,000

and put your name that you use in the

950

00:45:41,030 --> 00:45:39,520

live chat because a lot of these paypal

951
00:45:41,990 --> 00:45:41,040
donations are giving me people's real

952
00:45:44,150 --> 00:45:42,000
names i don't want to

953
00:45:45,030 --> 00:45:44,160
call out your real name i will call your

954
00:45:47,430 --> 00:45:45,040
name in the chat

955
00:45:49,109 --> 00:45:47,440
if you include it in the note and you

956
00:45:51,030 --> 00:45:49,119
can write whatever you like and i will

957
00:45:52,470 --> 00:45:51,040
read it on our show here

958
00:45:54,790 --> 00:45:52,480
hopefully soon we'll have a way to

959
00:45:56,390 --> 00:45:54,800
rapidly display these comments

960
00:45:58,150 --> 00:45:56,400
from the paypal donations up on the

961
00:46:01,430 --> 00:45:58,160
screen very big

962
00:46:03,349 --> 00:46:01,440
i do want to thank uh immensely we had

963
00:46:05,670 --> 00:46:03,359

also again i'm still trying to find this

964

00:46:09,510 --> 00:46:05,680

person on july 28th somebody

965

00:46:11,910 --> 00:46:09,520

donated five dollars to me uh and i

966

00:46:14,390 --> 00:46:11,920

again they gave me it's like their real

967

00:46:16,470 --> 00:46:14,400

name in the paypal uh so

968

00:46:18,230 --> 00:46:16,480

if you donated five dollars please let

969

00:46:21,589 --> 00:46:18,240

me know that that was you

970

00:46:24,309 --> 00:46:21,599

and then give me your live chat

971

00:46:25,750 --> 00:46:24,319

user id and i will thank you very much

972

00:46:28,150 --> 00:46:25,760

so this unknown person

973

00:46:29,829 --> 00:46:28,160

actually i thank them three or four

974

00:46:31,910 --> 00:46:29,839

times thank you very much but you should

975

00:46:34,069 --> 00:46:31,920

be recognized for your kind donation let

976

00:46:35,349 --> 00:46:34,079

me know who did that on july 28th

977

00:46:37,750 --> 00:46:35,359

now there was another five dollar

978

00:46:39,670 --> 00:46:37,760

donation from brandon young

979

00:46:41,190 --> 00:46:39,680

this is a different donation so it was

980

00:46:42,390 --> 00:46:41,200

not brandon young but thank brandon

981

00:46:45,109 --> 00:46:42,400

young very much

982

00:46:46,550 --> 00:46:45,119

and we have had donations from reem c

983

00:46:48,950 --> 00:46:46,560

this month

984

00:46:50,550 --> 00:46:48,960

and from bgs as well they all have my

985

00:46:52,790 --> 00:46:50,560

sincere thanks and

986

00:46:56,470 --> 00:46:52,800

my attitude of gratitude for them

987

00:47:00,150 --> 00:46:56,480

helping us to grow the show now

988

00:47:01,589 --> 00:47:00,160

uh let's see okay so uh that's how you

989

00:47:03,910 --> 00:47:01,599

can give me a few bucks

990

00:47:05,750 --> 00:47:03,920

to keep the show running now there's

991

00:47:07,430 --> 00:47:05,760

good news this month

992

00:47:08,870 --> 00:47:07,440

uh first of all we've gotten this

993

00:47:11,750 --> 00:47:08,880

multi-camera setup

994

00:47:13,190 --> 00:47:11,760

working which is great it's little a

995

00:47:16,470 --> 00:47:13,200

little better than one

996

00:47:19,109 --> 00:47:16,480

camera the other thing is that as of

997

00:47:21,670 --> 00:47:19,119

today we have upgraded the microphone

998

00:47:22,470 --> 00:47:21,680

and i think it is sounding much much

999

00:47:25,190 --> 00:47:22,480

better

1000

00:47:26,710 --> 00:47:25,200

and again uh both the extra webcams to

1001

00:47:29,990 --> 00:47:26,720

do the multi-camera setup

1002

00:47:33,109 --> 00:47:30,000

and the new microphone was supplied

1003

00:47:33,910 --> 00:47:33,119

generously by the patreon people and by

1004

00:47:36,790 --> 00:47:33,920

the people

1005

00:47:37,349 --> 00:47:36,800

donating the paypal donations so every

1006

00:47:39,510 --> 00:47:37,359

bit of

1007

00:47:41,349 --> 00:47:39,520

money that we get really goes back into

1008

00:47:43,270 --> 00:47:41,359

the show for improvements we'd like to

1009

00:47:46,150 --> 00:47:43,280

make we're reaching the point where

1010

00:47:47,750 --> 00:47:46,160

uh there's not much left to do uh you

1011

00:47:49,990 --> 00:47:47,760

know there's always improvements to be

1012

00:47:51,670 --> 00:47:50,000

made but i just want to thank you guys

1013

00:47:53,109 --> 00:47:51,680

every single one of you uh who are

1014

00:47:55,510 --> 00:47:53,119

donating on patreon

1015

00:47:56,950 --> 00:47:55,520

you have my sincere gratitude because i

1016

00:47:57,270 --> 00:47:56,960

would not have been able to get this

1017

00:47:59,190 --> 00:47:57,280

show

1018

00:48:01,109 --> 00:47:59,200

up and running and all this stuff

1019

00:48:04,829 --> 00:48:01,119

working without your help

1020

00:48:07,510 --> 00:48:04,839

and kind assistance it is appreciated

1021

00:48:09,750 --> 00:48:07,520

immensely

1022

00:48:11,990 --> 00:48:09,760

okay let's go back to live chat

1023

00:48:12,710 --> 00:48:12,000

catholicism is bad sometimes but not all

1024

00:48:14,630 --> 00:48:12,720

bad people

1025

00:48:16,549 --> 00:48:14,640

some beautiful folk happy enough to give

1026
00:48:17,430 --> 00:48:16,559
you a buck a month stephen excellent

1027
00:48:20,069 --> 00:48:17,440
channel

1028
00:48:21,910 --> 00:48:20,079
let me know yeah kali i don't know if

1029
00:48:23,630 --> 00:48:21,920
you're already a patreon

1030
00:48:26,630 --> 00:48:23,640
supporter but if not you just go to

1031
00:48:28,630 --> 00:48:26,640
patreon.com backslashstevencambian

1032
00:48:31,109 --> 00:48:28,640
or you can uh somebody can put the

1033
00:48:31,750 --> 00:48:31,119
patreon if somebody can put the patreon

1034
00:48:33,510 --> 00:48:31,760
address

1035
00:48:34,870 --> 00:48:33,520
in the in the live chat i would

1036
00:48:36,309 --> 00:48:34,880
appreciate it

1037
00:48:37,829 --> 00:48:36,319
hold on one second friends it's

1038
00:48:39,109 --> 00:48:37,839

appropriate that we're talking about

1039

00:48:42,309 --> 00:48:39,119

demons because it's

1040

00:48:43,750 --> 00:48:42,319

hot as hell in here and uh

1041

00:48:45,510 --> 00:48:43,760

again we're struggling with this air

1042

00:48:48,069 --> 00:48:45,520

conditioner issue there's really nothing

1043

00:48:49,910 --> 00:48:48,079

i can do except suffer through it

1044

00:48:52,630 --> 00:48:49,920

for the next i don't know two or three

1045

00:48:55,190 --> 00:48:52,640

weeks probably

1046

00:48:56,069 --> 00:48:55,200

but it is what it is just little hurdles

1047

00:48:59,190 --> 00:48:56,079

in the way

1048

00:49:01,109 --> 00:48:59,200

really yeah and here's the live call in

1049

00:49:02,069 --> 00:49:01,119

line if anybody would like to call into

1050

00:49:04,390 --> 00:49:02,079

the show

1051
00:49:06,230 --> 00:49:04,400
we have sort of ramshackle system but

1052
00:49:08,069 --> 00:49:06,240
you sh people should be able to hear you

1053
00:49:08,870 --> 00:49:08,079
if you call in and we want to discuss

1054
00:49:12,470 --> 00:49:08,880
this

1055
00:49:14,150 --> 00:49:12,480
we've discussed previously or you want

1056
00:49:16,470 --> 00:49:14,160
to tell your own story about your

1057
00:49:21,030 --> 00:49:16,480
supernatural

1058
00:49:24,309 --> 00:49:23,670
okay let's see what's the difference

1059
00:49:26,069 --> 00:49:24,319
between

1060
00:49:27,990 --> 00:49:26,079
possession and other worldly spirits

1061
00:49:29,270 --> 00:49:28,000
doing a walk-in i don't believe in satan

1062
00:49:30,870 --> 00:49:29,280
but do you believe

1063
00:49:32,309 --> 00:49:30,880

spiritual beings we don't understand

1064

00:49:35,510 --> 00:49:32,319

could walk in enter

1065

00:49:36,710 --> 00:49:35,520

into our dimension uh william pixley

1066

00:49:39,670 --> 00:49:36,720

anything is possible

1067

00:49:41,109 --> 00:49:39,680

i i i really don't know i've heard a lot

1068

00:49:44,309 --> 00:49:41,119

of talk about

1069

00:49:46,069 --> 00:49:44,319

other dimensional beings um

1070

00:49:48,870 --> 00:49:46,079

jason quit talks about other dimensional

1071

00:49:51,030 --> 00:49:48,880

beings which may be demons or maybe

1072

00:49:53,670 --> 00:49:51,040

something else entirely we just don't

1073

00:49:55,589 --> 00:49:53,680

know it's a great great mystery

1074

00:49:57,190 --> 00:49:55,599

and thanks to out of mind here here is

1075

00:49:59,270 --> 00:49:57,200

the patreon uh kali

1076

00:50:01,190 --> 00:49:59,280

armstrong it's right in the live chat

1077

00:50:03,109 --> 00:50:01,200

there you can click on it and add your

1078

00:50:04,549 --> 00:50:03,119

dollar of support we don't have tiers

1079

00:50:07,349 --> 00:50:04,559

with my patreon

1080

00:50:09,030 --> 00:50:07,359

um everybody just gets everything for

1081

00:50:10,470 --> 00:50:09,040

the dollar but it's dollar minimum you

1082

00:50:12,309 --> 00:50:10,480

can give me ten dollars a month you can

1083

00:50:14,230 --> 00:50:12,319

give me ten thousand dollars a month

1084

00:50:15,829 --> 00:50:14,240

if you really liked the show that would

1085

00:50:18,309 --> 00:50:15,839

be great right

1086

00:50:19,109 --> 00:50:18,319

uh but i appreciate every single person

1087

00:50:21,430 --> 00:50:19,119

giving a dollar

1088

00:50:22,790 --> 00:50:21,440

or more it's really left up to you but

1089

00:50:24,630 --> 00:50:22,800

the minimum buy-in

1090

00:50:26,069 --> 00:50:24,640

to get the benefits is a dollar there

1091

00:50:29,430 --> 00:50:26,079

was two posts last month

1092

00:50:33,030 --> 00:50:29,440

to patreon one was this announcement of

1093

00:50:34,630 --> 00:50:33,040

uh one was the announcement of this

1094

00:50:38,069 --> 00:50:34,640

computer and by the way

1095

00:50:39,430 --> 00:50:38,079

if you guys will indulge me i i cannot

1096

00:50:41,670 --> 00:50:39,440

believe that this

1097

00:50:42,870 --> 00:50:41,680

is actually real it's out of my

1098

00:50:46,230 --> 00:50:42,880

imagination

1099

00:50:49,030 --> 00:50:46,240

and it's in the real world and uh

1100

00:50:49,829 --> 00:50:49,040

what friends what an amazing thing that

1101
00:50:52,790 --> 00:50:49,839
is

1102
00:50:53,990 --> 00:50:52,800
that it's out of my imagination and it

1103
00:50:57,109 --> 00:50:54,000
is in the real

1104
00:50:57,589 --> 00:50:57,119
world uh this computer project that i've

1105
00:51:00,790 --> 00:50:57,599
been

1106
00:51:04,309 --> 00:51:00,800
trying to i don't know i uh

1107
00:51:06,870 --> 00:51:04,319
got this idea as a child and it involved

1108
00:51:08,950 --> 00:51:06,880
massive it involved a computer with a

1109
00:51:12,630 --> 00:51:08,960
lot of coprocessors

1110
00:51:17,190 --> 00:51:12,640
to take the main load off of the main

1111
00:51:20,630 --> 00:51:17,200
cpu the law

1112
00:51:23,510 --> 00:51:20,640
of the general law

1113
00:51:24,549 --> 00:51:23,520

that uh or belief that computers double

1114

00:51:28,630 --> 00:51:24,559

in power

1115

00:51:31,190 --> 00:51:28,640

every year uh is reaching its end

1116

00:51:32,549 --> 00:51:31,200

in other words the gravy train is almost

1117

00:51:35,270 --> 00:51:32,559

over

1118

00:51:36,549 --> 00:51:35,280

uh it's not going to be able to continue

1119

00:51:38,950 --> 00:51:36,559

we're not going to be able to continue

1120

00:51:42,470 --> 00:51:38,960

to make processors twice as fast

1121

00:51:45,670 --> 00:51:42,480

every year that is ending

1122

00:51:47,349 --> 00:51:45,680

so the only route forward is massive

1123

00:51:49,109 --> 00:51:47,359

co-processors

1124

00:51:50,870 --> 00:51:49,119

so friends i've been developing this

1125

00:51:54,470 --> 00:51:50,880

idea for some time

1126

00:51:57,750 --> 00:51:54,480

um i'm gonna i'm going to take

1127

00:52:01,510 --> 00:51:57,760

a little victory lap right and celebrate

1128

00:52:03,109 --> 00:52:01,520

that uh the progress that i've made

1129

00:52:07,030 --> 00:52:03,119

towards that dream

1130

00:52:08,950 --> 00:52:07,040

to build this crazy

1131

00:52:10,230 --> 00:52:08,960

i don't call it a new kind of a computer

1132

00:52:12,630 --> 00:52:10,240

but it's

1133

00:52:13,990 --> 00:52:12,640

it's an innovative thing and i'm very

1134

00:52:15,990 --> 00:52:14,000

proud of the progress

1135

00:52:17,589 --> 00:52:16,000

made so far i just started really

1136

00:52:19,109 --> 00:52:17,599

getting serious about working on this

1137

00:52:21,750 --> 00:52:19,119

thing again it's been an off-again

1138

00:52:25,109 --> 00:52:21,760

on-again passion for some time

1139

00:52:28,470 --> 00:52:25,119

but here we are friends

1140

00:52:31,270 --> 00:52:28,480

let me see this

1141

00:52:33,589 --> 00:52:31,280

is my company spectral international's

1142

00:52:37,510 --> 00:52:33,599

first prototype

1143

00:52:41,750 --> 00:52:37,520

now uh we've got the form down and

1144

00:52:44,390 --> 00:52:41,760

it is interesting it is an all-in-one

1145

00:52:45,190 --> 00:52:44,400

wedge-shaped design the keyboard is

1146

00:52:48,950 --> 00:52:45,200

attached

1147

00:52:51,030 --> 00:52:48,960

to the case everything is all in one box

1148

00:52:53,030 --> 00:52:51,040

which may be familiar to some people who

1149

00:52:55,990 --> 00:52:53,040

grew up with computers like that

1150

00:52:56,390 --> 00:52:56,000

the other thing uh of note is that right

1151
00:52:59,030 --> 00:52:56,400
under

1152
00:53:00,230 --> 00:52:59,040
the main keyboard there is a keyboard

1153
00:53:04,309 --> 00:53:00,240
garage

1154
00:53:06,309 --> 00:53:04,319
for a secondary keyboard and mouse combo

1155
00:53:08,470 --> 00:53:06,319
which is wireless that sort of slides

1156
00:53:11,829 --> 00:53:08,480
underneath this

1157
00:53:13,349 --> 00:53:11,839
and what can i say folks uh

1158
00:53:15,430 --> 00:53:13,359
i guess i could read the announcement

1159
00:53:18,470 --> 00:53:15,440
spectral international's first computer

1160
00:53:20,150 --> 00:53:18,480
prototype codenamed the one here's a

1161
00:53:20,870 --> 00:53:20,160
first look at the first prototype the

1162
00:53:22,549 --> 00:53:20,880
one

1163
00:53:24,230 --> 00:53:22,559

this is a proof of concept machine we

1164

00:53:25,990 --> 00:53:24,240

are still developing some custom parts

1165

00:53:27,990 --> 00:53:26,000

and internal components still i am

1166

00:53:30,630 --> 00:53:28,000

beyond pleased at how it came out so

1167

00:53:31,510 --> 00:53:30,640

far so there's a world premiere the

1168

00:53:35,270 --> 00:53:31,520

first look of

1169

00:53:37,430 --> 00:53:35,280

my company's computer prototype the one

1170

00:53:38,870 --> 00:53:37,440

and that is just a code name it's not

1171

00:53:40,150 --> 00:53:38,880

going to be the retail name of the

1172

00:53:42,309 --> 00:53:40,160

product but

1173

00:53:44,390 --> 00:53:42,319

it is what it is friends i'm just happy

1174

00:53:47,030 --> 00:53:44,400

that this thing is out of my imagination

1175

00:53:48,870 --> 00:53:47,040

and it's into the real world lots more

1176

00:53:50,950 --> 00:53:48,880

work to be done to make all the internal

1177

00:53:52,470 --> 00:53:50,960

components work the way that they should

1178

00:53:54,470 --> 00:53:52,480

but i'm confident that we're going to be

1179

00:53:55,030 --> 00:53:54,480

able to do that and what an amazing

1180

00:53:58,790 --> 00:53:55,040

thing

1181

00:54:01,109 --> 00:53:58,800

that is so the patreon people got

1182

00:54:02,870 --> 00:54:01,119

a backstage look into that computer that

1183

00:54:06,150 --> 00:54:02,880

i've been

1184

00:54:08,150 --> 00:54:06,160

pounding away on sort of uh it's

1185

00:54:10,309 --> 00:54:08,160

sort of a mini lecture about how this

1186

00:54:12,470 --> 00:54:10,319

computer works and why it's so much

1187

00:54:14,309 --> 00:54:12,480

more advanced and better than your

1188

00:54:17,349 --> 00:54:14,319

average windows or

1189

00:54:19,270 --> 00:54:17,359

mac pc um and you know we'll see where

1190

00:54:21,190 --> 00:54:19,280

the road takes me on that but i'm just

1191

00:54:22,710 --> 00:54:21,200

pleased that it's not going to be just a

1192

00:54:25,349 --> 00:54:22,720

dream anymore

1193

00:54:28,309 --> 00:54:25,359

that's manifested right into reality

1194

00:54:34,950 --> 00:54:28,319

through hard work and determination

1195

00:54:34,960 --> 00:54:40,549

okay let's see

1196

00:54:45,190 --> 00:54:43,349

okay bunya says when i was studying

1197

00:54:48,150 --> 00:54:45,200

theology i stayed away from those people

1198

00:54:49,430 --> 00:54:48,160

pastoral care was stronger than exorcism

1199

00:54:51,109 --> 00:54:49,440

yeah i've heard

1200

00:54:52,549 --> 00:54:51,119

similar things from people that are

1201

00:54:55,829 --> 00:54:52,559

religious scholars that

1202

00:54:58,870 --> 00:54:55,839

uh you know an exorcism is kind of like

1203

00:55:00,789 --> 00:54:58,880

surgery when you're terminal the better

1204

00:55:02,069 --> 00:55:00,799

thing to do would be to have a spiritual

1205

00:55:05,109 --> 00:55:02,079

practice and

1206

00:55:06,069 --> 00:55:05,119

and have a good pastor to guide you away

1207

00:55:07,910 --> 00:55:06,079

from

1208

00:55:09,430 --> 00:55:07,920

that sort of dark energy so that it

1209

00:55:12,870 --> 00:55:09,440

doesn't infect your life

1210

00:55:15,670 --> 00:55:12,880

maybe right okay

1211

00:55:17,430 --> 00:55:15,680

friends uh not sure what else is going

1212

00:55:21,030 --> 00:55:17,440

on in live chat i haven't had one

1213

00:55:21,040 --> 00:55:25,510

i guess you're talking about demons

1214

00:55:32,549 --> 00:55:27,589

that sounds scary i was looking up a

1215

00:55:32,559 --> 00:55:37,750

well here we go

1216

00:55:41,430 --> 00:55:39,990

feeling good dr david e burns empathy

1217

00:55:42,789 --> 00:55:41,440

does it really make a difference an

1218

00:55:45,190 --> 00:55:42,799

effective way to help someone who's

1219

00:55:49,270 --> 00:55:45,200

having schizophrenic visions that may be

1220

00:56:00,150 --> 00:55:49,280

a uh a good that may be a better idea

1221

00:56:03,510 --> 00:56:02,230

so any comments or questions for me

1222

00:56:06,390 --> 00:56:03,520

please put in the la

1223

00:56:07,670 --> 00:56:06,400

put them in all caps it's a podcast for

1224

00:56:09,589 --> 00:56:07,680

professionals and people just wanting

1225

00:56:11,510 --> 00:56:09,599

evidence-based self-help

1226

00:56:12,950 --> 00:56:11,520

i found it for post-traumatic stress

1227

00:56:16,069 --> 00:56:12,960

disorder david d burns

1228

00:56:17,829 --> 00:56:16,079

also has a very helpful ted talk i will

1229

00:56:22,630 --> 00:56:17,839

check that out phil blair that's good to

1230

00:56:27,349 --> 00:56:26,069

kell truth is here she says hi hi kel

1231

00:56:29,990 --> 00:56:27,359

truth

1232

00:56:30,789 --> 00:56:30,000

fashionably late again fashionably late

1233

00:56:33,990 --> 00:56:30,799

to the party

1234

00:56:34,390 --> 00:56:34,000

again kell truth but i'm so happy that

1235

00:56:41,190 --> 00:56:34,400

you

1236

00:56:44,470 --> 00:56:43,349

i'm gonna try not to i'm not gonna i'm

1237

00:56:46,710 --> 00:56:44,480

gonna try not to melt

1238

00:56:47,910 --> 00:56:46,720

in here as we're talking about demons

1239

00:56:49,510 --> 00:56:47,920

and exorcisms

1240

00:56:53,589 --> 00:56:49,520

and i'm in a room that's hotter than

1241

00:56:53,599 --> 00:56:57,510

hey and dan hogan is here

1242

00:57:02,309 --> 00:57:00,950

he says steven howe how what

1243

00:57:09,190 --> 00:57:02,319

dan hogan i'm not sure what you're

1244

00:57:12,470 --> 00:57:10,710

i'm going to take a moment friends just

1245

00:57:14,710 --> 00:57:12,480

to check on the uh

1246

00:57:15,910 --> 00:57:14,720

on the twitch stream make sure that's

1247

00:57:18,870 --> 00:57:15,920

actually going

1248

00:57:20,470 --> 00:57:18,880

um for those that don't know we began uh

1249

00:57:24,829 --> 00:57:20,480

streaming our show

1250

00:57:27,910 --> 00:57:26,150

www.twitch.tv

1251
00:57:29,589 --> 00:57:27,920
truthseeker show if somebody could put

1252
00:57:30,549 --> 00:57:29,599
that in the live chat that would be very

1253
00:57:33,670 --> 00:57:30,559
helpful

1254
00:57:34,069 --> 00:57:33,680
if you're not already uh please follow

1255
00:57:37,990 --> 00:57:34,079
us

1256
00:57:40,069 --> 00:57:38,000
on uh twitch now

1257
00:57:42,150 --> 00:57:40,079
and i'm checking that and it looks like

1258
00:57:43,510 --> 00:57:42,160
we are up and running there

1259
00:57:46,150 --> 00:57:43,520
we're definitely up and running on

1260
00:57:47,829 --> 00:57:46,160
facebook and now i'm checking uh we're

1261
00:57:51,349 --> 00:57:47,839
definitely up and running on

1262
00:57:55,109 --> 00:57:51,359
youtube and now i'm gonna check facebook

1263
00:57:57,670 --> 00:57:55,119

as well

1264

00:57:59,349 --> 00:57:57,680

look like it was earlier i always like

1265

00:58:00,230 --> 00:57:59,359

to check though to make sure something's

1266

00:58:03,109 --> 00:58:00,240

not wrong

1267

00:58:04,549 --> 00:58:03,119

you know i guess i have trust issues yes

1268

00:58:07,670 --> 00:58:04,559

we are up

1269

00:58:10,630 --> 00:58:07,680

live

1270

00:58:12,710 --> 00:58:10,640

and i'm with quite a few more viewers

1271

00:58:16,309 --> 00:58:12,720

than recently welcome to

1272

00:58:16,630 --> 00:58:16,319

uh facebook live viewers if you like you

1273

00:58:19,670 --> 00:58:16,640

can

1274

00:58:20,789 --> 00:58:19,680

comment uh on the video and i will get

1275

00:58:23,270 --> 00:58:20,799

your comment and

1276

00:58:25,109 --> 00:58:23,280

and uh if you have a question or comment

1277

00:58:27,670 --> 00:58:25,119

put it up on the screen

1278

00:58:28,470 --> 00:58:27,680

and we'll all share in your question uh

1279

00:58:29,670 --> 00:58:28,480

because these

1280

00:58:31,430 --> 00:58:29,680

different chat rooms don't

1281

00:58:32,230 --> 00:58:31,440

intercommunicate but if i grab the

1282

00:58:35,510 --> 00:58:32,240

comment

1283

00:58:41,190 --> 00:58:39,510

we will see we will all see it

1284

00:58:42,630 --> 00:58:41,200

okay let's see how long do you think it

1285

00:58:44,230 --> 00:58:42,640

will be until you have a computer that

1286

00:58:47,430 --> 00:58:44,240

you can sell retail

1287

00:58:50,150 --> 00:58:47,440

um dan hogan i this is

1288

00:58:50,950 --> 00:58:50,160

all uncharted territory for me uh here's

1289

00:58:53,030 --> 00:58:50,960

what i'm going to say

1290

00:58:54,150 --> 00:58:53,040

i think that for the next six months

1291

00:58:56,630 --> 00:58:54,160

we're going to have

1292

00:58:58,069 --> 00:58:56,640

really killer technology demonstrator

1293

00:58:59,670 --> 00:58:58,079

it's generally called in the computer

1294

00:59:01,109 --> 00:58:59,680

industry it's a proof of concept

1295

00:59:03,349 --> 00:59:01,119

prototype which you can show to

1296

00:59:05,349 --> 00:59:03,359

investors to uh

1297

00:59:07,109 --> 00:59:05,359

you know potential distributors

1298

00:59:07,750 --> 00:59:07,119

potential business partners that will

1299

00:59:10,549 --> 00:59:07,760

help you

1300

00:59:12,390 --> 00:59:10,559

manufacture or distribute it um that's

1301
00:59:14,630 --> 00:59:12,400
what my focus is going to be on is just

1302
00:59:16,630 --> 00:59:14,640
get these prototypes ready so that

1303
00:59:19,030 --> 00:59:16,640
um you know the other stuff will work

1304
00:59:22,950 --> 00:59:19,040
itself out

1305
00:59:25,430 --> 00:59:22,960
but i would like it to be distributed um

1306
00:59:27,030 --> 00:59:25,440
it's actually on this computer i see it

1307
00:59:28,950 --> 00:59:27,040
going one of two ways either it's going

1308
00:59:30,309 --> 00:59:28,960
to be a very niche kind of a computer

1309
00:59:33,109 --> 00:59:30,319
that only nerves

1310
00:59:34,630 --> 00:59:33,119
and really really dedicated computer

1311
00:59:36,870 --> 00:59:34,640
fans are going to know about

1312
00:59:37,750 --> 00:59:36,880
or buy right so it'll be a very small

1313
00:59:40,549 --> 00:59:37,760

market

1314

00:59:41,190 --> 00:59:40,559

or we're going to figure out how to how

1315

00:59:43,670 --> 00:59:41,200

to really

1316

00:59:45,030 --> 00:59:43,680

mass manufacture and produce this thing

1317

00:59:47,430 --> 00:59:45,040

and it's going to be

1318

00:59:48,789 --> 00:59:47,440

everywhere i'd like it to be in places

1319

00:59:51,750 --> 00:59:48,799

like walmart or

1320

00:59:53,430 --> 00:59:51,760

you know best buy right alongside an

1321

00:59:56,549 --> 00:59:53,440

imac or windows pc that

1322

00:59:57,750 --> 00:59:56,559

people could buy but that is quite a

1323

00:59:59,510 --> 00:59:57,760

lofty ambition

1324

01:00:01,750 --> 00:59:59,520

and there's many steps to making that

1325

01:00:04,789 --> 01:00:01,760

happen is it possible

1326

01:00:05,589 --> 01:00:04,799

i believe it is uh is it probable i'm

1327

01:00:08,390 --> 01:00:05,599

not sure

1328

01:00:10,069 --> 01:00:08,400

you know i uh i'm a terrible i'm not a

1329

01:00:11,430 --> 01:00:10,079

great business person i'm a great

1330

01:00:12,870 --> 01:00:11,440

creative thinker

1331

01:00:15,829 --> 01:00:12,880

when it comes to the business side of

1332

01:00:19,190 --> 01:00:15,839

things i may bring in help to make

1333

01:00:20,710 --> 01:00:19,200

some of that stuff happen phil blair

1334

01:00:21,190 --> 01:00:20,720

thank you so much i definitely suffer

1335

01:00:23,910 --> 01:00:21,200

from

1336

01:00:25,910 --> 01:00:23,920

ptsd i'm 30 so it happened only half my

1337

01:00:28,230 --> 01:00:25,920

life ago but it affects everything i do

1338

01:00:29,190 --> 01:00:28,240

never saw help i don't want to be on

1339

01:00:31,510 --> 01:00:29,200

pills

1340

01:00:33,190 --> 01:00:31,520

you know kb it's probably better that

1341

01:00:34,069 --> 01:00:33,200

you've suffered through and not been on

1342

01:00:37,190 --> 01:00:34,079

pills

1343

01:00:40,390 --> 01:00:37,200

because that a lot of

1344

01:00:42,710 --> 01:00:40,400

a lot of psychotherapy drugs they just

1345

01:00:44,150 --> 01:00:42,720

mask the problem right they mask the

1346

01:00:46,549 --> 01:00:44,160

symptoms

1347

01:00:48,710 --> 01:00:46,559

but you don't you're just

1348

01:00:50,630 --> 01:00:48,720

self-medicating and you don't get to the

1349

01:00:52,630 --> 01:00:50,640

root of the problem

1350

01:00:53,670 --> 01:00:52,640

my opinion i'm not a psychiatrist or

1351

01:00:57,030 --> 01:00:53,680

psychologist but

1352

01:00:59,030 --> 01:00:57,040

i i'm generally against any of those

1353

01:01:00,150 --> 01:00:59,040

uh any of those kind of drugs

1354

01:01:02,470 --> 01:01:00,160

antidepressants

1355

01:01:04,870 --> 01:01:02,480

or you know except in extreme cases

1356

01:01:06,390 --> 01:01:04,880

where it's obvious you need that

1357

01:01:09,109 --> 01:01:06,400

but i think we live in an over

1358

01:01:11,750 --> 01:01:09,119

prescribed society for sure

1359

01:01:13,030 --> 01:01:11,760

uh you know depressed just take a pill

1360

01:01:15,270 --> 01:01:13,040

you'll be fine

1361

01:01:16,549 --> 01:01:15,280

uh i think you gotta attack the root

1362

01:01:18,870 --> 01:01:16,559

cause of your depression

1363

01:01:21,109 --> 01:01:18,880

that's just my opinion pills may not

1364

01:01:23,589 --> 01:01:21,119

help most people

1365

01:01:25,430 --> 01:01:23,599

but i guess it will make people uh make

1366

01:01:28,309 --> 01:01:25,440

people able to

1367

01:01:30,630 --> 01:01:28,319

function until they get more help phil

1368

01:01:33,829 --> 01:01:30,640

blair you're welcome i hope it helps

1369

01:01:35,510 --> 01:01:33,839

kba university study gave people dr

1370

01:01:37,270 --> 01:01:35,520

david d byrne's book feeling good

1371

01:01:38,870 --> 01:01:37,280

instead of pills like prozac people who

1372

01:01:40,950 --> 01:01:38,880

read the book had more improvements than

1373

01:01:42,230 --> 01:01:40,960

those on the pills phil blair i need

1374

01:01:44,710 --> 01:01:42,240

this feeling good book

1375

01:01:45,349 --> 01:01:44,720

in my life i love stuff like that and if

1376

01:01:51,430 --> 01:01:45,359

it helps

1377

01:01:55,349 --> 01:01:53,990

ufo gandalf is here shout out to ufo

1378

01:02:02,950 --> 01:01:55,359

gandalf

1379

01:02:06,630 --> 01:02:04,470

oh let's see here this is a great

1380

01:02:07,670 --> 01:02:06,640

comment carl gustav young was a

1381

01:02:09,430 --> 01:02:07,680

brilliant christian

1382

01:02:10,870 --> 01:02:09,440

psychologist and never dabbled in

1383

01:02:13,750 --> 01:02:10,880

exorcism he was all

1384

01:02:15,589 --> 01:02:13,760

cbt closest he got to demons was

1385

01:02:17,510 --> 01:02:15,599

exploring archetypes

1386

01:02:18,630 --> 01:02:17,520

yeah i think that a lot of psychologists

1387

01:02:21,510 --> 01:02:18,640

sort of uh

1388

01:02:22,069 --> 01:02:21,520

have at least an interest in in exorcism

1389

01:02:23,349 --> 01:02:22,079

and how

1390

01:02:26,150 --> 01:02:23,359

because they're so interested in how the

1391

01:02:29,270 --> 01:02:26,160

mind works right

1392

01:02:31,109 --> 01:02:29,280

i uh i think there's two you know

1393

01:02:32,549 --> 01:02:31,119

if you're really interested in human

1394

01:02:33,829 --> 01:02:32,559

psychology then

1395

01:02:35,109 --> 01:02:33,839

something like demons and demon

1396

01:02:36,789 --> 01:02:35,119

possession would certainly be of

1397

01:02:40,309 --> 01:02:36,799

interest

1398

01:02:42,390 --> 01:02:40,319

and certainly uh i've seen examples of

1399

01:02:43,029 --> 01:02:42,400

some psychiatrists and psychologists who

1400

01:02:46,309 --> 01:02:43,039

have studied

1401

01:02:48,549 --> 01:02:46,319

demon possession and exorcism to try to

1402

01:02:49,510 --> 01:02:48,559

understand is it really supernatural is

1403

01:02:52,630 --> 01:02:49,520

this a

1404

01:02:54,390 --> 01:02:52,640

condition of the human mind uh

1405

01:03:02,390 --> 01:02:54,400

you know there's a lot of mysteries to

1406

01:03:04,150 --> 01:03:02,400

unpack with this stuff

1407

01:03:05,910 --> 01:03:04,160

genocide not sure what this is about but

1408

01:03:07,349 --> 01:03:05,920

i can get a gift card ducks i know a guy

1409

01:03:14,390 --> 01:03:07,359

in denver and make a great christmas

1410

01:03:18,150 --> 01:03:16,950

okay b says buying it now phillip thank

1411

01:03:22,710 --> 01:03:18,160

you

1412

01:03:24,390 --> 01:03:22,720

know if that's

1413

01:03:27,829 --> 01:03:24,400

if that's helpful to your situation i'd

1414

01:03:32,549 --> 01:03:27,839

be very interested in hearing it

1415

01:03:38,150 --> 01:03:36,309

from the brahmir raynov

1416

01:03:39,750 --> 01:03:38,160

and i'm guessing you're a russian dub

1417

01:03:42,710 --> 01:03:39,760

romney

1418

01:03:44,950 --> 01:03:42,720

wait am i saying that right gob ramir

1419

01:03:47,510 --> 01:03:44,960

the brahmir

1420

01:03:48,870 --> 01:03:47,520

am i saying that right to brahmir i want

1421

01:03:52,390 --> 01:03:48,880

to be sure that i say it right

1422

01:03:54,230 --> 01:03:52,400

the brahmir yes christian doctrine

1423

01:03:56,309 --> 01:03:54,240

considered epilepsy as possession by

1424

01:03:57,670 --> 01:03:56,319

evil spirits and patients were treated

1425

01:04:00,630 --> 01:03:57,680

with exorcism

1426

01:04:02,950 --> 01:04:00,640

that was true uh for some time and it's

1427

01:04:05,510 --> 01:04:02,960

but it's no longer true now they

1428

01:04:06,710 --> 01:04:05,520

obviously they accept uh you know

1429

01:04:09,829 --> 01:04:06,720

medical professionals

1430

01:04:12,230 --> 01:04:09,839

opinion that somebody's got um

1431

01:04:12,950 --> 01:04:12,240

somebody's got epilepsy rather than a

1432

01:04:23,990 --> 01:04:12,960

demon

1433

01:04:28,630 --> 01:04:24,000

folklore

1434

01:04:32,309 --> 01:04:31,510

mario he came in if you could possess

1435

01:04:35,270 --> 01:04:32,319

one person

1436

01:04:36,950 --> 01:04:35,280

who would it be and why is it cw chair

1437

01:04:38,470 --> 01:04:36,960

uh that's an interesting question i

1438

01:04:40,069 --> 01:04:38,480

don't think he'd behind my list of

1439

01:04:42,549 --> 01:04:40,079

people to possess

1440

01:04:44,470 --> 01:04:42,559

um i'm not sure who i would possess if i

1441

01:04:47,270 --> 01:04:44,480

could

1442

01:04:49,670 --> 01:04:47,280

i think i would like to definitely live

1443

01:04:52,390 --> 01:04:49,680

a day in the life of elon musk though

1444

01:04:54,630 --> 01:04:52,400

that would be uh that would really be

1445

01:04:55,510 --> 01:04:54,640

somebody that i guess if i could spend a

1446

01:04:58,470 --> 01:04:55,520

day in his life

1447

01:04:59,349 --> 01:04:58,480

just living his life for one day through

1448

01:05:02,950 --> 01:04:59,359

possessing him

1449

01:05:05,510 --> 01:05:02,960

i'd be i'd sign up for that

1450

01:05:06,710 --> 01:05:05,520

oh let's see william pixley i'm trying

1451

01:05:09,029 --> 01:05:06,720

to give you some cash but

1452

01:05:10,309 --> 01:05:09,039

patreon is being of [\h__\h] get the book

1453

01:05:12,630 --> 01:05:10,319

a month and then try to make

1454

01:05:14,230 --> 01:05:12,640

a lump donation but can't see where to

1455

01:05:15,589 --> 01:05:14,240

do it william pixley

1456

01:05:17,589 --> 01:05:15,599

the better thing to do if you want to

1457

01:05:19,029 --> 01:05:17,599

make a lump donation and we love lump

1458

01:05:21,990 --> 01:05:19,039

donations pics so

1459

01:05:24,069 --> 01:05:22,000

your our best friend is to go to the

1460

01:05:25,829 --> 01:05:24,079

main channel can somebody put the paypal

1461

01:05:27,430 --> 01:05:25,839

donate button in the live chat for

1462

01:05:30,230 --> 01:05:27,440

william pixley

1463

01:05:31,750 --> 01:05:30,240

paypal donut button uh donate button you

1464

01:05:33,589 --> 01:05:31,760

don't get donuts

1465

01:05:37,510 --> 01:05:33,599

it's a donation hold on one second let

1466

01:05:39,750 --> 01:05:37,520

me see if i can't get it

1467

01:05:41,750 --> 01:05:39,760

i'm gonna copy the the paypal donate

1468

01:05:43,349 --> 01:05:41,760

button if you have a paypal account

1469

01:05:44,870 --> 01:05:43,359

that's probably the best way to make a

1470

01:05:50,950 --> 01:05:44,880

one-time donation

1471

01:05:54,630 --> 01:05:50,960

let me get you that let me get you that

1472

01:05:56,710 --> 01:05:54,640

okay copy link

1473

01:05:58,150 --> 01:05:56,720

here we go pics i'm putting the paypal

1474

01:06:00,630 --> 01:05:58,160

donate that's

1475

01:06:02,309 --> 01:06:00,640

i'm not sure about the oh why is that

1476

01:06:04,309 --> 01:06:02,319

not working

1477

01:06:06,150 --> 01:06:04,319

i got a link that's like eight pages

1478

01:06:08,069 --> 01:06:06,160

long let me tr i gotta click on the link

1479

01:06:10,950 --> 01:06:08,079

first one second here we're trying to

1480

01:06:17,270 --> 01:06:10,960

get your money picked so yeah i'll uh

1481

01:06:22,789 --> 01:06:20,470

i'm gonna turn the twitch off all right

1482

01:06:25,990 --> 01:06:22,799

here we go

1483

01:06:30,829 --> 01:06:26,000

now i think i got it i hope i i hope so

1484

01:06:34,789 --> 01:06:31,990

donation

1485

01:06:35,750 --> 01:06:34,799

pick says if he can't get donate if he

1486

01:06:42,549 --> 01:06:35,760

can't get

1487

01:06:48,789 --> 01:06:45,670

okay out of mind just beat me to it but

1488

01:06:52,630 --> 01:06:48,799

both out of mind pix and myself have

1489

01:06:56,150 --> 01:06:52,640

copied the paypal donate button

1490

01:06:58,230 --> 01:06:56,160

uh you just you just click on that

1491

01:06:59,430 --> 01:06:58,240

and it will allow you to donate a lump

1492

01:07:03,270 --> 01:06:59,440

sum and we like

1493

01:07:07,029 --> 01:07:03,280

big lump sums right like

1494

01:07:09,510 --> 01:07:07,039

you know buy a new house lump sums buy a

1495

01:07:11,430 --> 01:07:09,520

new car lump sums

1496

01:07:13,029 --> 01:07:11,440

that's kind of miracle i'm looking for

1497

01:07:16,309 --> 01:07:13,039

picks

1498

01:07:16,789 --> 01:07:16,319

but we will take any amount yes we will

1499

01:07:20,309 --> 01:07:16,799

take

1500

01:07:24,950 --> 01:07:20,319

any amount okay i think

1501

01:07:30,710 --> 01:07:27,990

uh okay let me let me look at this

1502

01:07:31,190 --> 01:07:30,720

somebody just donated five dollars so

1503

01:07:35,349 --> 01:07:31,200

let's

1504

01:07:41,829 --> 01:07:38,470

okay jonah side thank you

1505

01:07:44,390 --> 01:07:41,839

immensely thank you kindly for your kind

1506

01:07:47,029 --> 01:07:44,400

and generous five dollar donation

1507

01:07:48,630 --> 01:07:47,039

again uh jonas i did it right when you

1508

01:07:50,150 --> 01:07:48,640

make a donation it's going to give me a

1509

01:07:51,990 --> 01:07:50,160

real name and i don't want your real

1510

01:07:54,630 --> 01:07:52,000

name and probably you don't want me

1511

01:07:56,710 --> 01:07:54,640

telling people your real name so add the

1512

01:07:59,670 --> 01:07:56,720

note like jonas i did

1513

01:08:01,829 --> 01:07:59,680

and genocide wrote genocide look it's

1514

01:08:04,789 --> 01:08:01,839

easy to donate even i can do it

1515

01:08:06,309 --> 01:08:04,799

great channel thank you immensely

1516

01:08:09,029 --> 01:08:06,319

genocide

1517

01:08:10,950 --> 01:08:09,039

your kindness and support incredibly

1518

01:08:14,710 --> 01:08:10,960

incredibly

1519

01:08:18,309 --> 01:08:14,720

appreciated and william picks you too

1520

01:08:18,950 --> 01:08:18,319

can uh can donate just follow the paypal

1521

01:08:22,229 --> 01:08:18,960

donate

1522

01:08:28,229 --> 01:08:25,749

and jonaside is the uh

1523

01:08:29,669 --> 01:08:28,239

is the first person to donate today on

1524

01:08:35,030 --> 01:08:29,679

august 1st

1525

01:08:41,430 --> 01:08:39,189

okay let's see

1526

01:08:43,990 --> 01:08:41,440

uh jeannette krasenko i want to donate

1527

01:08:46,229 --> 01:08:44,000

but no paypal

1528

01:08:48,870 --> 01:08:46,239

yeah i i think that uh you can get a

1529

01:08:51,910 --> 01:08:48,880

paypal gift card

1530

01:08:52,390 --> 01:08:51,920

at walmart i know somebody that uh gets

1531

01:08:54,630 --> 01:08:52,400

paypal

1532

01:08:55,430 --> 01:08:54,640

gift cards and then uses those to donate

1533

01:08:57,349 --> 01:08:55,440

to people's channel

1534

01:08:59,669 --> 01:08:57,359

i don't know i don't know how that works

1535

01:09:01,590 --> 01:08:59,679

really william pixley

1536

01:09:02,950 --> 01:09:01,600

bursting my bubble saying don't get your

1537

01:09:07,510 --> 01:09:02,960

hopes up

1538

01:09:09,349 --> 01:09:07,520

can i get like i don't know

1539

01:09:11,349 --> 01:09:09,359

if i can't get a new house or a new car

1540

01:09:16,550 --> 01:09:11,359

out of you uh you know

1541

01:09:21,430 --> 01:09:19,189

is bob the exorcist from the church of

1542

01:09:25,990 --> 01:09:21,440

the sub genius yeah that guy is bob

1543

01:09:31,110 --> 01:09:29,030

nice john and kelly says

1544

01:09:32,870 --> 01:09:31,120

if we are talking about seeing demons or

1545

01:09:33,189 --> 01:09:32,880

spirits and if those people are truly

1546

01:09:35,189 --> 01:09:33,199

give

1547

01:09:36,390 --> 01:09:35,199

or crazy my son at age six revealed to

1548

01:09:38,070 --> 01:09:36,400

me that he could see

1549

01:09:39,510 --> 01:09:38,080

all of it and not for a second do i

1550

01:09:42,470 --> 01:09:39,520

think he's crazy

1551

01:09:43,349 --> 01:09:42,480

this is a real thing yeah i i definitely

1552

01:09:46,309 --> 01:09:43,359

agree with you that

1553

01:09:47,030 --> 01:09:46,319

demons are a real thing um do i

1554

01:09:50,630 --> 01:09:47,040

understand

1555

01:09:53,669 --> 01:09:50,640

their nature what they truly are no

1556

01:09:54,950 --> 01:09:53,679

it's a mystery demons are a mystery and

1557

01:09:57,430 --> 01:09:54,960

uh

1558

01:09:59,350 --> 01:09:57,440

you know maybe sometimes i think that we

1559

01:10:02,550 --> 01:09:59,360

lowly naked apes you know

1560

01:10:03,750 --> 01:10:02,560

i mean all we are is is glorified

1561

01:10:05,189 --> 01:10:03,760

monkeys

1562

01:10:07,189 --> 01:10:05,199

i don't think that we've developed

1563

01:10:09,270 --> 01:10:07,199

enough intellectual capacity to

1564

01:10:10,709 --> 01:10:09,280

understand the nature of reality enough

1565

01:10:13,750 --> 01:10:10,719

to understand what demons

1566

01:10:17,189 --> 01:10:13,760

truly are but

1567

01:10:21,510 --> 01:10:17,199

you know i'd like to understand them

1568

01:10:25,189 --> 01:10:23,430

genocide says you're welcome it's

1569

01:10:27,750 --> 01:10:25,199

private plane money

1570

01:10:29,350 --> 01:10:27,760

man a five dollar airplane i'm not sure

1571

01:10:32,550 --> 01:10:29,360

that i would feel good

1572

01:10:35,189 --> 01:10:32,560

but you know maybe we'll throw in uh

1573

01:10:36,390 --> 01:10:35,199

pix's generous donation and that will

1574

01:10:39,430 --> 01:10:36,400

allow us to

1575

01:10:41,910 --> 01:10:39,440

have a uh an airplane that won't kill me

1576

01:10:42,470 --> 01:10:41,920

private plane that would be nice but

1577

01:10:44,149 --> 01:10:42,480

really

1578

01:10:47,590 --> 01:10:44,159

in the middle of this coded stuff like

1579

01:10:53,350 --> 01:10:51,270

okay and pics i see your generous

1580

01:10:54,709 --> 01:10:53,360

donation and listen friends i'm sorry

1581

01:10:55,669 --> 01:10:54,719

that i don't have the graphic thing

1582

01:10:57,910 --> 01:10:55,679

worked out i

1583

01:10:59,189 --> 01:10:57,920

promise the next show i'm gonna do a

1584

01:11:02,390 --> 01:10:59,199

graphic and thank

1585

01:11:04,310 --> 01:11:02,400

everybody that donated uh so far

1586

01:11:06,149 --> 01:11:04,320

with their donation amount and a big

1587

01:11:09,350 --> 01:11:06,159

thank you and also

1588

01:11:11,990 --> 01:11:09,360

um yeah and this is uh

1589

01:11:13,990 --> 01:11:12,000

this is a ten dollar generous donation

1590

01:11:14,790 --> 01:11:14,000

donated by william pixley who did not

1591

01:11:17,750 --> 01:11:14,800

include a note

1592

01:11:19,030 --> 01:11:17,760

but luckily i'm getting his his name is

1593

01:11:23,510 --> 01:11:19,040

pixley

1594

01:11:24,070 --> 01:11:23,520

so uh thank you kindly for your generous

1595

01:11:26,870 --> 01:11:24,080

10

1596

01:11:28,070 --> 01:11:26,880

donation um you know i'm not even sure

1597

01:11:29,750 --> 01:11:28,080

what we're going to be doing with some

1598

01:11:31,990 --> 01:11:29,760

of the money but i would like to

1599

01:11:34,149 --> 01:11:32,000

mention that i think it's twenty dollars

1600

01:11:37,189 --> 01:11:34,159

more a month to upgrade to the

1601
01:11:38,870 --> 01:11:37,199
pro version of the software now and now

1602
01:11:41,189 --> 01:11:38,880
they just got 1080p

1603
01:11:41,990 --> 01:11:41,199
working so it used to be even if you

1604
01:11:44,390 --> 01:11:42,000
have 1080p

1605
01:11:45,750 --> 01:11:44,400
cameras and i do you're only getting

1606
01:11:47,750 --> 01:11:45,760
720p

1607
01:11:49,669 --> 01:11:47,760
um and that that is because the software

1608
01:11:50,950 --> 01:11:49,679
stream yard is cloud-based service and i

1609
01:11:51,830 --> 01:11:50,960
guess it's too much bandwidth

1610
01:11:53,750 --> 01:11:51,840
everybody's

1611
01:11:56,950 --> 01:11:53,760
making two-hour shows so they cut it to

1612
01:11:58,630 --> 01:11:56,960
720 they've just increased it to 1080p

1613
01:12:00,149 --> 01:11:58,640

and boy i think the show would look

1614

01:12:02,390 --> 01:12:00,159

great in 1080p

1615

01:12:03,669 --> 01:12:02,400

i've got good 1080p cameras but we have

1616

01:12:05,669 --> 01:12:03,679

to upgrade the software

1617

01:12:08,390 --> 01:12:05,679

we may be doing that next month the

1618

01:12:10,630 --> 01:12:08,400

other great news is that

1619

01:12:12,950 --> 01:12:10,640

if i do upgrade the software we can add

1620

01:12:13,830 --> 01:12:12,960

five more destinations so we've already

1621

01:12:17,350 --> 01:12:13,840

got youtube

1622

01:12:18,070 --> 01:12:17,360

we've got um facebook live and now

1623

01:12:20,470 --> 01:12:18,080

twitch

1624

01:12:21,669 --> 01:12:20,480

we can start adding things you know

1625

01:12:23,669 --> 01:12:21,679

bitshoot periscope

1626
01:12:25,270 --> 01:12:23,679
vimeo i don't even know where else we

1627
01:12:26,470 --> 01:12:25,280
could spread the show but i would

1628
01:12:28,630 --> 01:12:26,480
i think that's where we're going to be

1629
01:12:30,310 --> 01:12:28,640
going from here because equipment and

1630
01:12:31,990 --> 01:12:30,320
gear wise we now have

1631
01:12:34,790 --> 01:12:32,000
basically everything that we need to run

1632
01:12:36,709 --> 01:12:34,800
the show um but your couple of dollars

1633
01:12:38,390 --> 01:12:36,719
does help everybody because

1634
01:12:41,270 --> 01:12:38,400
there's always something like i need a

1635
01:12:41,750 --> 01:12:41,280
microphone adapter i need a webcam stand

1636
01:12:44,149 --> 01:12:41,760
i need

1637
01:12:45,189 --> 01:12:44,159
and it's like these all these 20 parts

1638
01:12:46,870 --> 01:12:45,199

they add up

1639

01:12:48,390 --> 01:12:46,880

so i use the paypal and the patreon

1640

01:12:53,270 --> 01:12:48,400

money for that and i am

1641

01:12:56,950 --> 01:12:55,270

oh kell truth talking about his son he's

1642

01:12:58,550 --> 01:12:56,960

now almost 10 and stopped about six

1643

01:13:00,470 --> 01:12:58,560

months ago he started blocking it out

1644

01:13:05,510 --> 01:13:00,480

but was doing amazing and tripping

1645

01:13:08,229 --> 01:13:05,520

things for us for several years

1646

01:13:10,470 --> 01:13:08,239

yeah friends that is uh that is very

1647

01:13:12,310 --> 01:13:10,480

trippy

1648

01:13:16,390 --> 01:13:12,320

carol utley chimes in and says the

1649

01:13:21,350 --> 01:13:19,270

oh philip blair finding another great

1650

01:13:22,630 --> 01:13:21,360

resource you unzip your body and they

1651

01:13:24,950 --> 01:13:22,640

slide right in

1652

01:13:25,830 --> 01:13:24,960

who do possession and gender performance

1653

01:13:27,830 --> 01:13:25,840

oh

1654

01:13:29,350 --> 01:13:27,840

you know what folklore i forgot all

1655

01:13:33,350 --> 01:13:29,360

about

1656

01:13:37,110 --> 01:13:33,360

voodoo uh in voodoo the witch doctors

1657

01:13:40,390 --> 01:13:37,120

will welcome a demon

1658

01:13:41,990 --> 01:13:40,400

a spirit a god it's really i believe

1659

01:13:45,110 --> 01:13:42,000

it's their voodoo gods

1660

01:13:47,110 --> 01:13:45,120

will possess the witch doctor

1661

01:13:49,270 --> 01:13:47,120

they work themselves up into a frenzy

1662

01:13:51,270 --> 01:13:49,280

they become possessed

1663

01:13:52,470 --> 01:13:51,280

they are welcoming the spirit this is

1664

01:13:56,149 --> 01:13:52,480

another voodoo

1665

01:13:58,149 --> 01:13:56,159

is filled with tales of possession

1666

01:13:59,590 --> 01:13:58,159

the practitioners welcome though in

1667

01:14:02,310 --> 01:13:59,600

their case the

1668

01:14:10,310 --> 01:14:02,320

possession they believe that it's a god

1669

01:14:10,320 --> 01:14:13,590

okay

1670

01:14:17,350 --> 01:14:15,110

well friends i'm not quite sure where to

1671

01:14:19,669 --> 01:14:17,360

go from here we're reaching the hour and

1672

01:14:22,149 --> 01:14:19,679

15 minute mark and we may call this one

1673

01:14:23,510 --> 01:14:22,159

a short one i've got a few more things

1674

01:14:26,229 --> 01:14:23,520

to try to uh get

1675

01:14:28,550 --> 01:14:26,239

accomplished today before bedding down

1676

01:14:31,030 --> 01:14:28,560

after a long day

1677

01:14:31,910 --> 01:14:31,040

oh bunya i saw a demon in the mirror

1678

01:14:33,910 --> 01:14:31,920

whilst tripping

1679

01:14:35,030 --> 01:14:33,920

it was cold and had a cruel smile and

1680

01:14:37,270 --> 01:14:35,040

that was long ago

1681

01:14:38,070 --> 01:14:37,280

and i don't think it was really a demon

1682

01:14:40,310 --> 01:14:38,080

no

1683

01:14:42,229 --> 01:14:40,320

it might have been the acid you were on

1684

01:14:45,350 --> 01:14:42,239

yeah i've never uh

1685

01:14:46,310 --> 01:14:45,360

i've never seen demons or devils while i

1686

01:14:49,270 --> 01:14:46,320

was tripping on

1687

01:14:51,110 --> 01:14:49,280

anything thankfully because that's a

1688

01:14:51,910 --> 01:14:51,120

kind of a dark place that i'd rather not

1689

01:14:54,830 --> 01:14:51,920

go

1690

01:14:56,870 --> 01:14:54,840

while i'm you know on mind altering

1691

01:14:59,430 --> 01:14:56,880

substances

1692

01:15:01,110 --> 01:14:59,440

yeah and uh i guess i'm still itching a

1693

01:15:03,189 --> 01:15:01,120

little bit here from all this terrible

1694

01:15:04,790 --> 01:15:03,199

sunburn but my wife kindly found me some

1695

01:15:08,790 --> 01:15:04,800

kind of weird lotion and

1696

01:15:13,430 --> 01:15:11,430

okay let's see stephen you should have

1697

01:15:13,750 --> 01:15:13,440

sam shadow on he knows a lot about this

1698

01:15:15,189 --> 01:15:13,760

stuff

1699

01:15:17,430 --> 01:15:15,199

yeah get me in touch with them i would

1700

01:15:19,910 --> 01:15:17,440

be happy to

1701

01:15:24,550 --> 01:15:19,920

talk to that person absolutely happy to

1702

01:15:26,630 --> 01:15:24,560

talk to that person

1703

01:15:29,750 --> 01:15:26,640

yeah and again i'm still looking for the

1704

01:15:31,990 --> 01:15:29,760

july 28th five dollar donator

1705

01:15:34,229 --> 01:15:32,000

um and if you know what i'm going to say

1706

01:15:37,430 --> 01:15:34,239

their first name is ryan

1707

01:15:38,709 --> 01:15:37,440

so ryan thank you kindly for your five

1708

01:15:42,390 --> 01:15:38,719

dollar donation if you

1709

01:15:43,350 --> 01:15:42,400

let me know what your live chat ideas we

1710

01:15:45,590 --> 01:15:43,360

will thank you

1711

01:15:46,550 --> 01:15:45,600

in that way as well but i just want to

1712

01:15:48,390 --> 01:15:46,560

acknowledge you

1713

01:15:50,070 --> 01:15:48,400

i keep on trying to find out who you

1714

01:15:51,189 --> 01:15:50,080

were because i kind of missed that one

1715

01:15:55,910 --> 01:15:51,199

i'm gonna have to watch it

1716

01:16:04,830 --> 01:15:58,709

okay i've seen a few things on some

1717

01:16:09,430 --> 01:16:06,790

yeah bunya says an

1718

01:16:11,750 --> 01:16:09,440

archetype perhaps yeah it could be you

1719

01:16:16,390 --> 01:16:11,760

never know what these things are

1720

01:16:20,470 --> 01:16:18,470

okay lee veltman i know a little about

1721

01:16:22,310 --> 01:16:20,480

new religious movements and cults myself

1722

01:16:22,709 --> 01:16:22,320

besides knowing way too much about the q

1723

01:16:24,070 --> 01:16:22,719

and

1724

01:16:26,229 --> 01:16:24,080

larp i can't believe you're still

1725

01:16:27,750 --> 01:16:26,239

following that lima biltman you know

1726

01:16:29,590 --> 01:16:27,760

i don't think that when you're on your

1727

01:16:31,990 --> 01:16:29,600

deathbed you're going to be thinking

1728

01:16:34,870 --> 01:16:32,000

you know i wish i had spent more time

1729

01:16:37,030 --> 01:16:34,880

reading about q stuff

1730

01:16:38,470 --> 01:16:37,040

but i guess we're all guilty we all have

1731

01:16:40,390 --> 01:16:38,480

our guilty pleasures and i feel like

1732

01:16:42,950 --> 01:16:40,400

that's your guilty pleasure right

1733

01:16:44,149 --> 01:16:42,960

like you you follow it because it's so

1734

01:16:47,110 --> 01:16:44,159

unbelievable that these

1735

01:16:48,790 --> 01:16:47,120

stupid idiots believe this [h__h] that's

1736

01:16:49,350 --> 01:16:48,800

kind of how i feel about cue stuff once

1737

01:16:51,430 --> 01:16:49,360

in a while

1738

01:16:53,430 --> 01:16:51,440

i'll read about some of that just to see

1739

01:16:57,510 --> 01:16:53,440

like really these people believe this

1740

01:17:03,270 --> 01:17:00,830

so yeah friends i'm not a cute not a cue

1741

01:17:05,510 --> 01:17:03,280

uh an iq fan

1742

01:17:07,430 --> 01:17:05,520

phil blair again talking about voodoo

1743

01:17:08,630 --> 01:17:07,440

the frenzy dancing must require a lot of

1744

01:17:10,790 --> 01:17:08,640

heavy breath work

1745

01:17:12,229 --> 01:17:10,800

truth seekers dr stanislav groff

1746

01:17:12,709 --> 01:17:12,239

developed a breathwork technique to

1747

01:17:15,910 --> 01:17:12,719

induce

1748

01:17:16,390 --> 01:17:15,920

a psychedelic state to help his patients

1749

01:17:19,669 --> 01:17:16,400

after

1750

01:17:21,910 --> 01:17:19,679

lsd was outlawed wow you can get into a

1751

01:17:24,229 --> 01:17:21,920

psychedelic state just by breathing

1752

01:17:26,149 --> 01:17:24,239

i could have saved so much money on acid

1753

01:17:31,990 --> 01:17:26,159

and mushrooms when i was growing up if i

1754

01:17:40,950 --> 01:17:34,550

uh out of mind it's fun to poke sticks

1755

01:17:44,950 --> 01:17:42,950

lsd is back in the doctor's office once

1756

01:17:48,310 --> 01:17:44,960

again it was a long hiatus you know

1757

01:17:49,430 --> 01:17:48,320

uh i'm not so sure about lsd and its

1758

01:17:52,550 --> 01:17:49,440

medical

1759

01:17:53,270 --> 01:17:52,560

uh worth or you know i'm sure some

1760

01:17:55,510 --> 01:17:53,280

people

1761

01:17:56,950 --> 01:17:55,520

i've heard that lsd is used in terminal

1762

01:17:59,189 --> 01:17:56,960

patients and it helps them

1763

01:18:00,229 --> 01:17:59,199

immensely get over the depression about

1764

01:18:02,630 --> 01:18:00,239

dying and just

1765

01:18:04,790 --> 01:18:02,640

accept it uh that's an interesting

1766

01:18:07,110 --> 01:18:04,800

medical use for lsd

1767

01:18:09,270 --> 01:18:07,120

but uh more than lsd i've heard of the

1768

01:18:11,270 --> 01:18:09,280

medical benefits of a hiawasca

1769

01:18:13,510 --> 01:18:11,280

i know somebody personally who's been

1770

01:18:15,830 --> 01:18:13,520

through like three or four rehabs

1771

01:18:18,070 --> 01:18:15,840

um you know this guy just wrecked his

1772

01:18:19,590 --> 01:18:18,080

life for like 30 years he was a heroin

1773

01:18:22,310 --> 01:18:19,600

addict could never stop

1774

01:18:23,830 --> 01:18:22,320

he would go to uh you know rehab he

1775

01:18:25,030 --> 01:18:23,840

would be fine for a few months and then

1776

01:18:26,950 --> 01:18:25,040

he would be right back

1777

01:18:28,310 --> 01:18:26,960

you know shooting up heroin and just

1778

01:18:31,189 --> 01:18:28,320

destroying his life

1779

01:18:34,229 --> 01:18:31,199

destroyed his family he went down to

1780

01:18:36,390 --> 01:18:34,239

south america and did that ayahuasca

1781

01:18:38,149 --> 01:18:36,400

with a shaman and he never touched drugs

1782

01:18:39,830 --> 01:18:38,159

again there's something about ayahuasca

1783

01:18:41,030 --> 01:18:39,840

that makes you realize how much you're

1784

01:18:42,870 --> 01:18:41,040

hurting everyone else

1785

01:18:44,550 --> 01:18:42,880

and it increases your empathy towards

1786

01:18:46,950 --> 01:18:44,560

people

1787

01:18:53,990 --> 01:18:46,960

yeah these things have benefits right

1788

01:18:56,070 --> 01:18:54,000

definitely have benefits

1789

01:19:04,149 --> 01:18:56,080

william pixley says kell truth stay away

1790

01:19:09,910 --> 01:19:06,709

out of mine just mentions austin is q

1791

01:19:13,910 --> 01:19:09,920

and we see them lose it

1792

01:19:14,870 --> 01:19:13,920

yeah i followed q at first but nothing

1793

01:19:17,189 --> 01:19:14,880

happened and nothing

1794

01:19:18,870 --> 01:19:17,199

happened anymore see where i'm going

1795

01:19:20,550 --> 01:19:18,880

yeah as soon as the first

1796

01:19:22,149 --> 01:19:20,560

prediction which was like hillary

1797

01:19:24,070 --> 01:19:22,159

clinton's getting arrested this week

1798

01:19:25,430 --> 01:19:24,080

didn't pan out i just stopped listening

1799

01:19:27,030 --> 01:19:25,440

like this is [h__h] this is just

1800

01:19:30,470 --> 01:19:27,040

somebody making [h__h] up

1801

01:19:32,470 --> 01:19:30,480

it doesn't have any value you know

1802

01:19:33,990 --> 01:19:32,480

jeanette krazenko my neighbor saw death

1803

01:19:35,750 --> 01:19:34,000

at the door he literally was on his

1804

01:19:36,070 --> 01:19:35,760

deathbed made his wife cover the windows

1805

01:19:39,110 --> 01:19:36,080

with

1806

01:19:41,510 --> 01:19:39,120

paper ah is that so his soul wouldn't

1807

01:19:44,070 --> 01:19:41,520

escape or i don't know that's weird i've

1808

01:19:47,910 --> 01:19:44,080

heard similar stuff about that

1809

01:19:50,870 --> 01:19:47,920

uh when it comes to mirrors

1810

01:19:52,709 --> 01:19:50,880

why those are my favorite yeah whippets

1811

01:19:54,630 --> 01:19:52,719

gotta love whippets

1812

01:19:57,590 --> 01:19:54,640

my kids love that whipped cream so uh

1813

01:19:59,510 --> 01:19:57,600

you know when the can is done

1814

01:20:04,709 --> 01:19:59,520

you don't want to waste it you don't

1815

01:20:07,990 --> 01:20:04,719

waste it

1816

01:20:09,430 --> 01:20:08,000

circada 3301 is where you're supposed to

1817

01:20:12,149 --> 01:20:09,440

start

1818

01:20:17,030 --> 01:20:12,159

yeah i don't know about that lee beltman

1819

01:20:20,870 --> 01:20:18,790

so friends if you have questions or

1820

01:20:22,870 --> 01:20:20,880

comments uh

1821

01:20:24,390 --> 01:20:22,880

or you would like to call in the call-in

1822

01:20:26,950 --> 01:20:24,400

line is still open

1823

01:20:27,990 --> 01:20:26,960

you may retire that seems like uh oh

1824

01:20:31,350 --> 01:20:28,000

actually

1825

01:20:33,030 --> 01:20:31,360

yesterday i didn't have the ringer on so

1826

01:20:35,270 --> 01:20:33,040

we did get a few calls and i didn't have

1827

01:20:36,709 --> 01:20:35,280

the ringer on because i'm stupid and

1828

01:20:38,550 --> 01:20:36,719

you know there's too much there's too

1829

01:20:40,070 --> 01:20:38,560

many balls to juggle here friends i've

1830

01:20:42,790 --> 01:20:40,080

got to like work lights

1831

01:20:43,189 --> 01:20:42,800

work the computer i need a producer

1832

01:20:44,709 --> 01:20:43,199

right

1833

01:20:47,910 --> 01:20:44,719

to just do everything for me so i can

1834

01:20:47,920 --> 01:20:51,590

but it is what it is

1835

01:20:55,750 --> 01:20:54,229

people who folklara says yup people

1836

01:20:57,110 --> 01:20:55,760

who've recovered from cancer but can't

1837

01:20:58,629 --> 01:20:57,120

get on with their life because all they

1838

01:21:00,629 --> 01:20:58,639

think about is the cancer coming back

1839

01:21:02,790 --> 01:21:00,639

psychedelics help them too

1840

01:21:03,910 --> 01:21:02,800

yeah i guess it just helps you open your

1841

01:21:05,750 --> 01:21:03,920

mind and realize

1842

01:21:07,910 --> 01:21:05,760

you know this too shall pass i don't

1843

01:21:14,149 --> 01:21:07,920

know great for post traumatic stress

1844

01:21:16,390 --> 01:21:14,159

disorder i have heard that

1845

01:21:17,430 --> 01:21:16,400

about liz kralken in the matrix shady

1846

01:21:19,430 --> 01:21:17,440

grove and

1847

01:21:27,189 --> 01:21:19,440

now out of the shadows is interesting to

1848

01:21:30,629 --> 01:21:29,590

kp well you have a wife don't you yeah

1849

01:21:32,870 --> 01:21:30,639

but kb

1850

01:21:34,629 --> 01:21:32,880

she uh she takes care of the children

1851

01:21:36,790 --> 01:21:34,639

why i do this and that's her way of

1852

01:21:38,950 --> 01:21:36,800

contributing i couldn't have her

1853

01:21:41,430 --> 01:21:38,960

here pushing buttons those kids would

1854

01:21:43,590 --> 01:21:41,440

destroy our house

1855

01:21:44,629 --> 01:21:43,600

they really would you know i have a four

1856

01:21:46,229 --> 01:21:44,639

and an eight-year-old but the

1857

01:21:48,070 --> 01:21:46,239

eight-year-old is autistic and he's

1858

01:21:50,470 --> 01:21:48,080

just like a two-year-old toddler like we

1859

01:21:52,790 --> 01:21:50,480

have everything locked down the cabinets

1860

01:21:54,310 --> 01:21:52,800

you know he gets into everything you

1861

01:21:56,629 --> 01:21:54,320

leave alone for five minutes and you're

1862

01:21:59,750 --> 01:21:56,639

cleaning the five pound bag of flour

1863

01:22:03,830 --> 01:21:59,760

off of the floor you know

1864

01:22:09,590 --> 01:22:07,750

i saw isaiah priest with phoenix enigma

1865

01:22:11,030 --> 01:22:09,600

talking to cappy's parents about the

1866

01:22:14,870 --> 01:22:11,040

latest larp

1867

01:22:18,790 --> 01:22:17,990

kb says i know i know i was messing oops

1868

01:22:23,750 --> 01:22:18,800

sorry

1869

01:22:27,189 --> 01:22:25,510

kell truth i got some edibles for the

1870

01:22:28,709 --> 01:22:27,199

first time recently and those seem to be

1871

01:22:30,390 --> 01:22:28,719

really helping with my pain as well as

1872

01:22:31,030 --> 01:22:30,400

the [h__\h] and crazies in the world i

1873

01:22:33,510 --> 01:22:31,040

wait

1874

01:22:34,629 --> 01:22:33,520

i walk right by them and i'm good kel

1875

01:22:37,910 --> 01:22:34,639

truth are you

1876
01:22:40,550 --> 01:22:37,920
are you eating indica uh edibles though

1877
01:22:44,149 --> 01:22:40,560
or sativa edibles i'm curious

1878
01:22:45,750 --> 01:22:44,159
um because yeah i kind of think like

1879
01:22:47,830 --> 01:22:45,760
dealing with the [h__h] of the world

1880
01:22:50,070 --> 01:22:47,840
if you were if you eat a few edibles

1881
01:22:53,270 --> 01:22:50,080
you'd be kind of calm and relaxed right

1882
01:22:55,430 --> 01:22:53,280
but i think the uh you know

1883
01:22:56,950 --> 01:22:55,440
the indica is what you want if you just

1884
01:22:59,990 --> 01:22:56,960
want to be calm and relaxed

1885
01:23:02,070 --> 01:23:00,000
the sativa uh you know sort of uppity

1886
01:23:03,030 --> 01:23:02,080
um and i'm not quite sure that that

1887
01:23:05,110 --> 01:23:03,040
would be helpful

1888
01:23:06,470 --> 01:23:05,120

you know because you'd be like kind of

1889

01:23:08,709 --> 01:23:06,480

speeding some of those

1890

01:23:09,669 --> 01:23:08,719

some of the uh sativa really kind of

1891

01:23:11,110 --> 01:23:09,679

speeds you up

1892

01:23:13,270 --> 01:23:11,120

and i don't think that would be helpful

1893

01:23:15,590 --> 01:23:13,280

if you're trying to uh relax and avoid

1894

01:23:17,590 --> 01:23:15,600

[h__\h]

1895

01:23:18,950 --> 01:23:17,600

jeannette krazenko i like the call-in

1896

01:23:21,110 --> 01:23:18,960

feature yeah i

1897

01:23:22,629 --> 01:23:21,120

i thought it was a good idea it's hit or

1898

01:23:24,310 --> 01:23:22,639

miss though sometimes people want to

1899

01:23:25,030 --> 01:23:24,320

call in and sometimes people don't i'm

1900

01:23:26,550 --> 01:23:25,040

good with both

1901

01:23:30,070 --> 01:23:26,560

we can just dedicate our attention to

1902

01:23:33,750 --> 01:23:31,590

phil blair who knew after all these

1903

01:23:34,709 --> 01:23:33,760

years jfk jr is back and he's a complete

1904

01:23:38,070 --> 01:23:34,719

nut bird

1905

01:23:42,790 --> 01:23:38,080

yeah i've heard that story too

1906

01:23:47,430 --> 01:23:44,390

yeah sativa makes some people more

1907

01:23:52,390 --> 01:23:50,950

yeah it definitely could oh uh and i do

1908

01:23:53,910 --> 01:23:52,400

want to mention and somebody

1909

01:23:56,229 --> 01:23:53,920

sent me a really nasty email about

1910

01:23:58,629 --> 01:23:56,239

smoking and when it's here i know it's

1911

01:24:01,830 --> 01:23:58,639

terrible habit it's terrible

1912

01:24:03,189 --> 01:24:01,840

and uh for years i quit smoking and just

1913

01:24:05,510 --> 01:24:03,199

baked and i don't know what happened but

1914

01:24:09,110 --> 01:24:05,520

i went back to tobacco because i'm dumb

1915

01:24:12,070 --> 01:24:09,120

and uh today i gathered up all this old

1916

01:24:14,550 --> 01:24:12,080

i had a huge collection of vapes vape

1917

01:24:15,910 --> 01:24:14,560

pens vape batteries vape cartridges

1918

01:24:18,149 --> 01:24:15,920

all that stuff and i'm going to be

1919

01:24:20,950 --> 01:24:18,159

giving a serious try at trying to

1920

01:24:21,510 --> 01:24:20,960

switch back to vapes because at least

1921

01:24:28,229 --> 01:24:21,520

that's

1922

01:24:31,590 --> 01:24:29,750

i was told it was a blend i don't know

1923

01:24:32,310 --> 01:24:31,600

much about edibles because i'm old

1924

01:24:34,709 --> 01:24:32,320

school

1925

01:24:35,910 --> 01:24:34,719

yeah i mean when i was growing up we

1926

01:24:38,229 --> 01:24:35,920

didn't have edibles

1927

01:24:40,470 --> 01:24:38,239

i think though i did go to a party when

1928

01:24:42,870 --> 01:24:40,480

uh i was in one of my rock bands i'm

1929

01:24:45,189 --> 01:24:42,880

sure i did where there was uh

1930

01:24:46,790 --> 01:24:45,199

there was brownies that somebody made

1931

01:24:49,669 --> 01:24:46,800

with with pot butter

1932

01:24:51,990 --> 01:24:49,679

and they were delicious and it was quite

1933

01:24:54,470 --> 01:24:52,000

a good time i think i ate like

1934

01:24:56,470 --> 01:24:54,480

three or four of these brownies and then

1935

01:25:00,229 --> 01:24:56,480

drank on top of it

1936

01:25:05,669 --> 01:25:03,590

interestingly i don't think that they

1937

01:25:09,830 --> 01:25:05,679

have edibles at the dispensaries where i

1938

01:25:14,470 --> 01:25:12,550

at least i haven't seen edibles you know

1939

01:25:16,709 --> 01:25:14,480

i've seen online like people going into

1940

01:25:19,270 --> 01:25:16,719

the dispensaries and they get like

1941

01:25:19,910 --> 01:25:19,280

edible gummy bears and stuff i've never

1942

01:25:22,149 --> 01:25:19,920

seen that

1943

01:25:27,430 --> 01:25:22,159

at the dispensaries it's just vapes and

1944

01:25:29,030 --> 01:25:27,440

and flour

1945

01:25:30,629 --> 01:25:29,040

out of mind i have a great way to quit i

1946

01:25:32,550 --> 01:25:30,639

will send it to you on facebook i have

1947

01:25:34,310 --> 01:25:32,560

been tobacco free since last october was

1948

01:25:35,669 --> 01:25:34,320

a lifetime smoker out of mind i would

1949

01:25:37,510 --> 01:25:35,679

love to see that i would

1950

01:25:38,950 --> 01:25:37,520

love any help that you can give me

1951

01:25:39,990 --> 01:25:38,960

because that's one thing i got to get

1952

01:25:42,709 --> 01:25:40,000

off my bad habit

1953

01:25:43,510 --> 01:25:42,719

list especially with this respiratory

1954

01:25:45,669 --> 01:25:43,520

illness i

1955

01:25:46,550 --> 01:25:45,679

when this covered thing started in march

1956

01:25:48,390 --> 01:25:46,560

i said

1957

01:25:49,750 --> 01:25:48,400

that's it i'm quitting smoking and here

1958

01:25:51,830 --> 01:25:49,760

we are in august

1959

01:25:53,830 --> 01:25:51,840

and i still haven't done it yet for my

1960

01:25:55,350 --> 01:25:53,840

health and especially in the middle of

1961

01:25:57,270 --> 01:25:55,360

this covet thing it's a respiratory

1962

01:25:58,950 --> 01:25:57,280

illness killing people after all

1963

01:26:01,189 --> 01:25:58,960

and smokers are having a hard time with

1964

01:26:04,229 --> 01:26:01,199

it so it's really a good time to try

1965

01:26:07,350 --> 01:26:05,990

thanks for the edible advice everyone

1966

01:26:07,990 --> 01:26:07,360

mine are gummy bears i get them

1967

01:26:11,110 --> 01:26:08,000

delivered

1968

01:26:12,950 --> 01:26:11,120

oh my god that's awesome i eat

1969

01:26:15,270 --> 01:26:12,960

edible before playing in my punk rock

1970

01:26:16,149 --> 01:26:15,280

days i stopped mid song to watch plane

1971

01:26:17,990 --> 01:26:16,159

fly by

1972

01:26:19,590 --> 01:26:18,000

i did something like that jonas side but

1973

01:26:23,350 --> 01:26:19,600

it was on um

1974

01:26:24,709 --> 01:26:23,360

it was on these uh lsd tabs is

1975

01:26:26,709 --> 01:26:24,719

people remember when you would get that

1976

01:26:28,950 --> 01:26:26,719

little it was like a

1977

01:26:30,390 --> 01:26:28,960

like a quarter of a stamp you know and i

1978

01:26:32,149 --> 01:26:30,400

guess they would put a drop

1979

01:26:36,229 --> 01:26:32,159

of lsd on it and you would put it under

1980

01:26:37,189 --> 01:26:36,239

your tongue i did a show once uh it did

1981

01:26:41,110 --> 01:26:37,199

not go well

1982

01:26:43,750 --> 01:26:41,120

balls

1983

01:26:44,390 --> 01:26:43,760

and i couldn't remember the words and i

1984

01:26:46,390 --> 01:26:44,400

was like

1985

01:26:47,669 --> 01:26:46,400

looking around in this huge audience

1986

01:26:50,470 --> 01:26:47,679

well it wasn't really huge it was like

1987

01:26:51,669 --> 01:26:50,480

maybe 100 people but still 100 people

1988

01:26:53,750 --> 01:26:51,679

when you're tripping face

1989

01:26:56,229 --> 01:26:53,760

and it's dark and there's a band playing

1990

01:26:58,950 --> 01:26:56,239

behind you it was not a good time

1991

01:27:02,830 --> 01:26:58,960

and i never did that again ever never

1992

01:27:02,840 --> 01:27:09,430

ever

1993

01:27:12,310 --> 01:27:10,790

yeah do they still have those places

1994

01:27:14,470 --> 01:27:12,320

where you can go and buy have to buy

1995

01:27:16,550 --> 01:27:14,480

alcohol yes we have a state store system

1996

01:27:18,070 --> 01:27:16,560

you can't buy alcohol anywhere else

1997

01:27:22,149 --> 01:27:18,080

anywhere else

1998

01:27:26,470 --> 01:27:22,159

oh and we have a the guy

1999

01:27:29,669 --> 01:27:26,480

let me see the [h__h] i'm nose

2000

01:27:32,310 --> 01:27:29,679

shut it down 64.

2001

01:27:33,110 --> 01:27:32,320

thank you for being in our twitch live

2002

01:27:34,310 --> 01:27:33,120

chat

2003

01:27:37,750 --> 01:27:34,320

what are your thoughts on the current

2004

01:27:40,070 --> 01:27:37,760

communist takeover the west the rise of

2005

01:27:42,470 --> 01:27:40,080

j i d f paid chills on twitch and the

2006

01:27:44,310 --> 01:27:42,480

rise of neo marxist jewish supremacists

2007

01:27:47,669 --> 01:27:44,320

and anti

2008

01:27:49,189 --> 01:27:47,679

boy angloism

2009

01:27:51,030 --> 01:27:49,199

i don't know what to tell you about any

2010

01:27:52,629 --> 01:27:51,040

of that uh

2011

01:27:54,390 --> 01:27:52,639

my thoughts on the current communists

2012

01:27:55,830 --> 01:27:54,400

take over the west i don't really think

2013

01:27:58,870 --> 01:27:55,840

that the communists are taking over the

2014

01:28:02,070 --> 01:27:58,880

west i think that socialism

2015

01:28:05,030 --> 01:28:02,080

a lot of people want socialism uh and

2016

01:28:07,189 --> 01:28:05,040

i think that's a reaction to the current

2017

01:28:09,189 --> 01:28:07,199

corrupt system where the rich get richer

2018

01:28:11,110 --> 01:28:09,199

and the poor keep getting poorer

2019

01:28:12,790 --> 01:28:11,120

what do you think is going to happen let

2020

01:28:15,910 --> 01:28:12,800

me see the rise of j

2021

01:28:17,590 --> 01:28:15,920

i f paid chills on twitch uh i just

2022

01:28:19,669 --> 01:28:17,600

joined twitch don't know anything about

2023

01:28:20,870 --> 01:28:19,679

paid shills on twitch so i i'm not gonna

2024

01:28:22,790 --> 01:28:20,880

comment on that

2025

01:28:26,390 --> 01:28:22,800

let me see the rise of neo-marxist

2026

01:28:28,149 --> 01:28:26,400

jewish supremacists and anti-anglo-ism

2027

01:28:29,430 --> 01:28:28,159

i don't know if you mean like anti-white

2028

01:28:31,510 --> 01:28:29,440

sentiment but

2029

01:28:33,110 --> 01:28:31,520

i mean yeah we're seeing that a little

2030

01:28:34,470 --> 01:28:33,120

bit i i know i

2031

01:28:35,910 --> 01:28:34,480

don't really pay attention to those

2032

01:28:38,310 --> 01:28:35,920

things i'm sorry i can't be more help

2033

01:28:41,590 --> 01:28:38,320

but thank you for being in our

2034

01:28:44,550 --> 01:28:41,600

uh in our live chat um

2035

01:28:46,229 --> 01:28:44,560

courtesy of our new twitch screen stream

2036

01:28:48,390 --> 01:28:46,239

please do follow us on twitch

2037

01:28:50,470 --> 01:28:48,400

and come over to the youtube channel and

2038

01:28:51,750 --> 01:28:50,480

follow us uh you know subscribe to the

2039

01:28:53,510 --> 01:28:51,760

youtube channel as well

2040

01:28:55,750 --> 01:28:53,520

we're trying to grow our subscriber base

2041

01:28:57,590 --> 01:28:55,760

on youtube i would appreciate your help

2042

01:28:59,510 --> 01:28:57,600

if you like this kind of talking content

2043

01:29:02,629 --> 01:28:59,520

you would probably like our show

2044

01:29:06,629 --> 01:29:02,639

so welcome new user

2045

01:29:10,149 --> 01:29:09,110

good to know that's what we all are here

2046

01:29:11,430 --> 01:29:10,159

we're all here

2047

01:29:14,470 --> 01:29:11,440

looking for the truth behind some of

2048

01:29:16,229 --> 01:29:14,480

these stories in 1968 rfk on national

2049

01:29:17,990 --> 01:29:16,239

television pointed out that cannabis was

2050

01:29:20,709 --> 01:29:18,000

relatively harmless especially compared

2051
01:29:24,149 --> 01:29:20,719
to substances like tobacco cigarettes

2052
01:29:26,950 --> 01:29:24,159
he was killed and nixon went to war

2053
01:29:29,030 --> 01:29:26,960
went to the war on drugs crazy yeah i

2054
01:29:32,390 --> 01:29:29,040
believe that

2055
01:29:34,229 --> 01:29:32,400
cpt oh

2056
01:29:36,870 --> 01:29:34,239
paranormal jiggy is that colored people

2057
01:29:41,590 --> 01:29:39,910
colored people time i love that concept

2058
01:29:43,669 --> 01:29:41,600
man we should do like a comedy sketch

2059
01:29:45,910 --> 01:29:43,679
about colored people time like

2060
01:29:47,750 --> 01:29:45,920
you know you can't you can't you can't

2061
01:29:49,750 --> 01:29:47,760
make jokes about race though anymore

2062
01:29:53,110 --> 01:29:49,760
jiggy because you'll get in trouble but

2063
01:29:53,910 --> 01:29:53,120

it would be fun out of mine i do smoke

2064

01:29:58,629 --> 01:29:53,920

still jeanette

2065

01:30:00,470 --> 01:29:58,639

just not tobacco yeah good to know

2066

01:30:02,229 --> 01:30:00,480

yeah i used to have a friend and he used

2067

01:30:03,830 --> 01:30:02,239

to bug me every time i smoked

2068

01:30:05,110 --> 01:30:03,840

tobacco you know he'd be like why are

2069

01:30:07,270 --> 01:30:05,120

you smoking that it doesn't do anything

2070

01:30:10,950 --> 01:30:07,280

for you maybe smoking this huge

2071

01:30:14,070 --> 01:30:12,470

washington state was like that state

2072

01:30:15,270 --> 01:30:14,080

stores but now grocery stores sell

2073

01:30:17,350 --> 01:30:15,280

liquor so much easier

2074

01:30:18,709 --> 01:30:17,360

i don't drink much anymore yeah i think

2075

01:30:22,629 --> 01:30:18,719

they should open it up

2076

01:30:25,510 --> 01:30:22,639

and here my friends is the twitch uh

2077

01:30:26,950 --> 01:30:25,520

out of mind kind was kind enough to copy

2078

01:30:33,830 --> 01:30:26,960

the twitch

2079

01:30:35,350 --> 01:30:33,840

www.twitch.tv backslash truth seeker

2080

01:30:37,189 --> 01:30:35,360

show please follow us over there if

2081

01:30:40,310 --> 01:30:37,199

you're a member of twitch

2082

01:30:41,990 --> 01:30:40,320

uh that would be excellent lee veltman

2083

01:30:44,229 --> 01:30:42,000

that was more dragging than

2084

01:30:45,990 --> 01:30:44,239

trolling twitchers are an interesting

2085

01:30:48,310 --> 01:30:46,000

group yeah i don't know what

2086

01:30:50,709 --> 01:30:48,320

that was pretty deep first question that

2087

01:30:52,310 --> 01:30:50,719

was probably this uh

2088

01:30:54,070 --> 01:30:52,320

first question from the twitch chat

2089

01:30:56,390 --> 01:30:54,080

tonight and i'm not really monitoring

2090

01:30:59,030 --> 01:30:56,400

the twitch chat i probably should

2091

01:31:01,110 --> 01:30:59,040

um to see what's going on over there but

2092

01:31:03,590 --> 01:31:01,120

i do get all the comments

2093

01:31:05,189 --> 01:31:03,600

uh in the twitch stream you know in the

2094

01:31:10,870 --> 01:31:05,199

twitch chat come to me

2095

01:31:10,880 --> 01:31:14,830

philip don't smoke clover man

2096

01:31:19,430 --> 01:31:18,310

yeah i was in a lot of rock bands and

2097

01:31:22,709 --> 01:31:19,440

goth bands and

2098

01:31:24,310 --> 01:31:22,719

industrial sort of bands and boy uh

2099

01:31:26,149 --> 01:31:24,320

there were so many girls that smoked

2100

01:31:29,350 --> 01:31:26,159

those closed cigarettes and i

2101
01:31:30,070 --> 01:31:29,360
never i never bought a pack of those but

2102
01:31:33,110 --> 01:31:30,080
i would borrow

2103
01:31:36,149 --> 01:31:33,120
one once in a while i missed that

2104
01:31:37,590 --> 01:31:36,159
yeah kell truth we got a package the

2105
01:31:39,110 --> 01:31:37,600
other day and it turns out that my mom

2106
01:31:42,149 --> 01:31:39,120
accidentally ordered tommy

2107
01:31:43,110 --> 01:31:42,159
chung cbd oil and she was like oops so

2108
01:31:45,510 --> 01:31:43,120
how do we use it

2109
01:31:46,870 --> 01:31:45,520
advice any advice i'm not very familiar

2110
01:31:48,709 --> 01:31:46,880
with cbd oil though

2111
01:31:51,270 --> 01:31:48,719
i will say that my autistic child has

2112
01:31:53,110 --> 01:31:51,280
begun taking cbd oil

2113
01:31:55,430 --> 01:31:53,120

we're not sure how effective it is yeah

2114

01:31:57,510 --> 01:31:55,440

we're still trying to evaluate that

2115

01:31:58,870 --> 01:31:57,520

but i believe that it has a calming

2116

01:32:02,070 --> 01:31:58,880

effect

2117

01:32:05,830 --> 01:32:02,080

um if taken in the right dosages

2118

01:32:07,750 --> 01:32:05,840

it will leave your slight muscle aches

2119

01:32:09,350 --> 01:32:07,760

and pain it'll take away some of the

2120

01:32:11,270 --> 01:32:09,360

tension in your muscles

2121

01:32:12,550 --> 01:32:11,280

there's a lot of great benefits to cbd

2122

01:32:13,910 --> 01:32:12,560

oil

2123

01:32:15,750 --> 01:32:13,920

and that's one of the things that i

2124

01:32:21,110 --> 01:32:15,760

might want to sell on my show

2125

01:32:25,030 --> 01:32:23,270

uh dan hogan do you have a chance to dig

2126
01:32:25,510 --> 01:32:25,040
more into those evps i sent you i'm

2127
01:32:27,510 --> 01:32:25,520
really

2128
01:32:29,430 --> 01:32:27,520
looking forward to hearing them with the

2129
01:32:30,070 --> 01:32:29,440
isolated audio yes i'll get with you

2130
01:32:32,310 --> 01:32:30,080
offline

2131
01:32:33,830 --> 01:32:32,320
i'm ready to do the show with you so you

2132
01:32:34,790 --> 01:32:33,840
gotta pick a day how about you pick a

2133
01:32:37,990 --> 01:32:34,800
day next week

2134
01:32:40,550 --> 01:32:38,000
right um monday through thursday

2135
01:32:41,590 --> 01:32:40,560
and let me know and then i'll bring you

2136
01:32:44,149 --> 01:32:41,600
on the show

2137
01:32:45,830 --> 01:32:44,159
and you got a webcam and a mic or if you

2138
01:32:48,070 --> 01:32:45,840

just even have a microphone

2139

01:32:50,229 --> 01:32:48,080

or just your phone even you could come

2140

01:32:52,149 --> 01:32:50,239

and be a guest on the show

2141

01:32:54,709 --> 01:32:52,159

and we'll listen to them together we'll

2142

01:32:55,990 --> 01:32:54,719

do sort of a world premiere of your evps

2143

01:32:58,629 --> 01:32:56,000

which i think you're going to be

2144

01:33:00,709 --> 01:32:58,639

surprised i was at the content once it's

2145

01:33:02,629 --> 01:33:00,719

isolated and really worked on

2146

01:33:04,709 --> 01:33:02,639

and i've done most of the work we've

2147

01:33:05,750 --> 01:33:04,719

just got to get a date and time for us

2148

01:33:09,270 --> 01:33:05,760

to do the show

2149

01:33:11,270 --> 01:33:09,280

so you let me know never heard of a

2150

01:33:13,830 --> 01:33:11,280

closed cigarette yeah it's like

2151
01:33:15,350 --> 01:33:13,840
spicy philip where it tastes like

2152
01:33:22,470 --> 01:33:15,360
christmas sort of it's

2153
01:33:24,470 --> 01:33:22,480
weird clothes are weird

2154
01:33:27,189 --> 01:33:24,480
closed cigarettes are very popular in

2155
01:33:30,709 --> 01:33:27,199
indonesia

2156
01:33:32,709 --> 01:33:30,719
i did not know that genocide uh says do

2157
01:33:34,310 --> 01:33:32,719
a dropper under the tongue i do one in

2158
01:33:35,669 --> 01:33:34,320
the morning every morning jonas

2159
01:33:38,629 --> 01:33:35,679
what do you think that does for you

2160
01:33:41,590 --> 01:33:38,639
doing that shot of cbd oil every morning

2161
01:33:43,189 --> 01:33:41,600
why do you do that every day um and what

2162
01:33:48,830 --> 01:33:43,199
kind of effects are you getting from it

2163
01:33:48,840 --> 01:34:02,830

well

2164

01:34:02,840 --> 01:34:07,510

okay

2165

01:34:11,590 --> 01:34:09,110

william pixley mentions the kind that

2166

01:34:13,910 --> 01:34:11,600

keeps the active cannabis yes some cbd

2167

01:34:14,790 --> 01:34:13,920

oil does have active cannabis i believe

2168

01:34:20,390 --> 01:34:14,800

but most of it

2169

01:34:23,669 --> 01:34:22,070

clothes will aggravate high blood

2170

01:34:26,709 --> 01:34:23,679

pressure but get

2171

01:34:28,229 --> 01:34:26,719

will get you rushed yeah i'm sure

2172

01:34:30,470 --> 01:34:28,239

they're not good for you they're no

2173

01:34:32,229 --> 01:34:30,480

better for you than tobacco cigarettes

2174

01:34:35,830 --> 01:34:32,239

and i think there's some tobacco

2175

01:34:38,870 --> 01:34:37,430

i know because one of the times i try to

2176
01:34:40,550 --> 01:34:38,880
quit smoking i try to smoke

2177
01:34:42,629 --> 01:34:40,560
clove cigarettes because i thought well

2178
01:34:44,390 --> 01:34:42,639
it's not a cigarette yeah it is

2179
01:34:50,550 --> 01:34:44,400
it's still most of them still have

2180
01:34:53,590 --> 01:34:52,709
genocide says the cbd oil he takes every

2181
01:34:55,669 --> 01:34:53,600
morning helps with

2182
01:34:57,030 --> 01:34:55,679
everyday pain and my mental attitude a

2183
01:34:59,109 --> 01:34:57,040
lot well

2184
01:35:01,590 --> 01:34:59,119
i need all the brain power i can get for

2185
01:35:03,990 --> 01:35:01,600
working on this computer so uh i may try

2186
01:35:05,830 --> 01:35:04,000
the cbd oil myself

2187
01:35:08,070 --> 01:35:05,840
yes what does that do for you does it

2188
01:35:10,470 --> 01:35:08,080

just relax you we have two bottles yes

2189

01:35:12,149 --> 01:35:10,480

uh relaxes you it helps according to

2190

01:35:17,270 --> 01:35:12,159

genocide helps with everyday pain

2191

01:35:21,109 --> 01:35:19,510

yes uh lee dalton mentioned charlotte's

2192

01:35:23,750 --> 01:35:21,119

web that's where we got

2193

01:35:25,189 --> 01:35:23,760

our cbd oil from my son i haven't tried

2194

01:35:27,109 --> 01:35:25,199

it yet myself

2195

01:35:30,550 --> 01:35:27,119

but maybe i'll do that and report back

2196

01:35:35,830 --> 01:35:33,830

huh close cigarettes are tobacco soaked

2197

01:35:36,310 --> 01:35:35,840

in a clove mixture i did not know that

2198

01:35:38,229 --> 01:35:36,320

see

2199

01:35:41,109 --> 01:35:38,239

well i i was sure there was tobacco in

2200

01:35:47,109 --> 01:35:44,149

bunya says cbd oil made me a bit jumpy

2201

01:35:49,669 --> 01:35:47,119

i only tried it twice yeah i have not

2202

01:35:52,790 --> 01:35:49,679

tried cbd oil yet

2203

01:35:55,990 --> 01:35:54,790

culture says great thanks for all the

2204

01:35:58,229 --> 01:35:56,000

advice tonight everyone

2205

01:35:59,910 --> 01:35:58,239

yeah it's good to have people that have

2206

01:36:00,629 --> 01:35:59,920

an experience with what you're working

2207

01:36:03,109 --> 01:36:00,639

on

2208

01:36:06,310 --> 01:36:03,119

to see you know how is it that they're

2209

01:36:10,070 --> 01:36:09,350

how is it you know that you can proceed

2210

01:36:12,550 --> 01:36:10,080

with

2211

01:36:13,109 --> 01:36:12,560

trying that stuff and what benefits you

2212

01:36:14,790 --> 01:36:13,119

to do

2213

01:36:16,709 --> 01:36:14,800

other people it's just good to share

2214

01:36:19,830 --> 01:36:16,719

right it's definitely good to share

2215

01:36:26,070 --> 01:36:19,840

so you get to see other people's

2216

01:36:30,870 --> 01:36:29,189

there we go yeah so uh

2217

01:36:33,189 --> 01:36:30,880

i guess we tried some new stuff with the

2218

01:36:34,470 --> 01:36:33,199

lighting tonight this laser thing needs

2219

01:36:38,470 --> 01:36:34,480

to be a little

2220

01:36:40,790 --> 01:36:38,480

clearer and better able to be seen

2221

01:36:42,629 --> 01:36:40,800

so i'm going to work on that and but we

2222

01:36:44,550 --> 01:36:42,639

have our new microphone which i want to

2223

01:36:45,030 --> 01:36:44,560

thank everybody on the patreon and

2224

01:36:47,350 --> 01:36:45,040

everybody

2225

01:36:48,149 --> 01:36:47,360

giving these donations we got quite a

2226

01:36:50,310 --> 01:36:48,159

great

2227

01:36:51,750 --> 01:36:50,320

condenser microphone and it came with

2228

01:36:55,109 --> 01:36:51,760

the stand and everything

2229

01:36:58,070 --> 01:36:55,119

which is great it's right you know

2230

01:36:59,510 --> 01:36:58,080

well i can't really show it it's right

2231

01:37:02,790 --> 01:36:59,520

on the side here

2232

01:37:07,189 --> 01:37:02,800

uh i want to pull it over even but

2233

01:37:08,550 --> 01:37:07,199

yeah i'm afraid things will get screwed

2234

01:37:09,109 --> 01:37:08,560

up if i try to do that i'll show a

2235

01:37:11,830 --> 01:37:09,119

picture

2236

01:37:12,550 --> 01:37:11,840

or something tomorrow so tomorrow night

2237

01:37:15,590 --> 01:37:12,560

i'd like to do

2238

01:37:18,709 --> 01:37:15,600

just open lines and uh

2239

01:37:21,830 --> 01:37:18,719

ask me anything i think because i've got

2240

01:37:22,550 --> 01:37:21,840

some other shows with definite subject

2241

01:37:25,830 --> 01:37:22,560

matter and

2242

01:37:28,550 --> 01:37:25,840

uh you know a subject but i i'm a little

2243

01:37:31,270 --> 01:37:28,560

behind and

2244

01:37:33,030 --> 01:37:31,280

i tend to like go okay i've researched

2245

01:37:35,510 --> 01:37:33,040

this topic this show's ready to go

2246

01:37:36,950 --> 01:37:35,520

and then i put the notes away and then i

2247

01:37:39,189 --> 01:37:36,960

think of other things

2248

01:37:40,229 --> 01:37:39,199

and i'm like no i gotta go look into

2249

01:37:43,030 --> 01:37:40,239

this and this and this

2250

01:37:44,550 --> 01:37:43,040

before i'll call that one ready so yeah

2251
01:37:45,830 --> 01:37:44,560
we have a bunch of shows that i guess

2252
01:37:47,750 --> 01:37:45,840
are ready but i'd like a little more

2253
01:37:47,990 --> 01:37:47,760
time to research some more stuff about

2254
01:37:51,590 --> 01:37:48,000
each

2255
01:37:53,669 --> 01:37:51,600
topic let me see i also gave my

2256
01:37:53,990 --> 01:37:53,679
thirteen-year-old dog cbd lifesaver for

2257
01:37:58,390 --> 01:37:54,000
him

2258
01:37:59,750 --> 01:37:58,400
i had a malamute husky that had that

2259
01:38:02,070 --> 01:37:59,760
happen to him and it's

2260
01:38:05,270 --> 01:38:02,080
heartbreaking when a dog loses its legs

2261
01:38:10,550 --> 01:38:07,990
popular in australia let me see duvet

2262
01:38:12,310 --> 01:38:10,560
syndrome is you want a mixture of

2263
01:38:15,750 --> 01:38:12,320

cannabinoid oils depending on your

2264

01:38:19,750 --> 01:38:17,590

phil blair says lasers make me think of

2265

01:38:23,270 --> 01:38:19,760

bob lazar as i call him

2266

01:38:26,709 --> 01:38:23,280

laser bob pew pew yeah this one's cool

2267

01:38:29,030 --> 01:38:26,719

this is a i learned to make these

2268

01:38:30,550 --> 01:38:29,040

uh let me see if we can get it there we

2269

01:38:33,910 --> 01:38:30,560

go that's better

2270

01:38:37,430 --> 01:38:33,920

uh i learned to make these some time ago

2271

01:38:41,270 --> 01:38:37,440

and uh it's basically like

2272

01:38:44,550 --> 01:38:41,280

a piece of decorative glass

2273

01:38:46,950 --> 01:38:44,560

let me lower this let me lower the light

2274

01:38:51,030 --> 01:38:46,960

levels so you can definitely see it

2275

01:38:54,390 --> 01:38:51,040

yeah that's creepy so this is like uh

2276

01:38:57,350 --> 01:38:54,400

you know some decorative glass

2277

01:39:00,709 --> 01:38:57,360

and a laser diode and it makes really

2278

01:39:02,870 --> 01:39:00,719

amazing interesting patterns

2279

01:39:03,830 --> 01:39:02,880

i think we could definitely get away

2280

01:39:06,870 --> 01:39:03,840

with like a

2281

01:39:10,229 --> 01:39:06,880

very uh a more powerful one

2282

01:39:12,790 --> 01:39:10,239

or we need you know five of these

2283

01:39:13,510 --> 01:39:12,800

but i used to make weird laser displays

2284

01:39:15,990 --> 01:39:13,520

and stuff

2285

01:39:17,990 --> 01:39:16,000

and i wanted i'd like to i was kind of

2286

01:39:20,070 --> 01:39:18,000

going through my garage going i know i

2287

01:39:23,270 --> 01:39:20,080

got one of these weird laser lights

2288

01:39:24,870 --> 01:39:23,280

right and you know uh

2289

01:39:30,629 --> 01:39:24,880

i think it's cool it adds a nice

2290

01:39:38,229 --> 01:39:35,830

okay kb do the next sarah r adams show

2291

01:39:39,910 --> 01:39:38,239

i have to email her and schedule the

2292

01:39:41,830 --> 01:39:39,920

interview and then we'll just be waiting

2293

01:39:44,470 --> 01:39:41,840

on her

2294

01:39:46,950 --> 01:39:44,480

i haven't been in touch with them and so

2295

01:39:49,990 --> 01:39:46,960

i don't really know what's going on

2296

01:39:51,350 --> 01:39:50,000

uh with getting that final interview but

2297

01:39:54,870 --> 01:39:51,360

we'll see what happens i'm

2298

01:39:56,149 --> 01:39:54,880

i'm still i'm pretty sure that she's

2299

01:40:01,990 --> 01:39:56,159

still gonna do the interview

2300

01:40:08,070 --> 01:40:04,790

okay i'm gonna put this thing put this

2301

01:40:11,830 --> 01:40:08,080

thing back down

2302

01:40:16,229 --> 01:40:15,270

trying to try not to blow anything up

2303

01:40:19,030 --> 01:40:16,239

here

2304

01:40:20,470 --> 01:40:19,040

we have this real ram shackle system i

2305

01:40:26,950 --> 01:40:20,480

don't know if maybe

2306

01:40:33,430 --> 01:40:30,229

yeah that helps a little bit i guess

2307

01:40:33,440 --> 01:40:38,310

there we go then we're

2308

01:40:43,830 --> 01:40:41,750

pretty uh pretty little lit

2309

01:40:45,030 --> 01:40:43,840

but it makes sense for the creepy topic

2310

01:40:48,550 --> 01:40:45,040

that we've had tonight

2311

01:40:53,750 --> 01:40:49,910

yeah we're gonna put that up a little

2312

01:40:58,070 --> 01:40:55,830

yeah we've got a lot of a lot of new

2313

01:41:00,310 --> 01:40:58,080

stuff coming up i'd like to uh

2314

01:41:01,109 --> 01:41:00,320

i'd like to get into a lot of different

2315

01:41:04,070 --> 01:41:01,119

topics

2316

01:41:10,149 --> 01:41:04,080

there's so much out there to explore and

2317

01:41:14,229 --> 01:41:12,310

kb she won't reply back you've already

2318

01:41:15,350 --> 01:41:14,239

pissed her off no i didn't send a

2319

01:41:17,270 --> 01:41:15,360

message yet

2320

01:41:19,270 --> 01:41:17,280

actually so we're going to give her an

2321

01:41:21,270 --> 01:41:19,280

opportunity

2322

01:41:23,189 --> 01:41:21,280

i will be busy tomorrow hope i can catch

2323

01:41:27,910 --> 01:41:23,199

part of the show

2324

01:41:29,189 --> 01:41:27,920

yeah carrie so very i love this topic

2325

01:41:30,950 --> 01:41:29,199

i'm back at the beginning watching it

2326

01:41:32,390 --> 01:41:30,960

two times i believe demons are the souls

2327

01:41:33,990 --> 01:41:32,400

of the nephilim

2328

01:41:35,510 --> 01:41:34,000

i don't believe that humans get stuck

2329

01:41:38,390 --> 01:41:35,520

here if there's an

2330

01:41:40,149 --> 01:41:38,400

entity it's demonic you may be right

2331

01:41:42,629 --> 01:41:40,159

carry so very and uh

2332

01:41:45,350 --> 01:41:42,639

welcome to truth seekers i don't believe

2333

01:41:47,910 --> 01:41:45,360

that we have seen you here before

2334

01:41:50,149 --> 01:41:47,920

if you like content like this about

2335

01:41:52,149 --> 01:41:50,159

subject strange mysterious subjects

2336

01:41:53,910 --> 01:41:52,159

please do subscribe to our channel we're

2337

01:41:55,109 --> 01:41:53,920

really trying to grow the channel and

2338

01:41:57,510 --> 01:41:55,119

your subscription

2339

01:41:59,350 --> 01:41:57,520

could really help us to spread the word

2340

01:42:01,350 --> 01:41:59,360

about our show

2341

01:42:03,430 --> 01:42:01,360

please like comment and subscribe and

2342

01:42:05,830 --> 01:42:03,440

welcome carrie silvery to

2343

01:42:06,709 --> 01:42:05,840

truth seekers welcome fellow truth

2344

01:42:10,070 --> 01:42:06,719

seeker

2345

01:42:11,350 --> 01:42:10,080

we are glad you found us please do

2346

01:42:14,790 --> 01:42:11,360

subscribe

2347

01:42:18,390 --> 01:42:14,800

and as far as your comment i am a big

2348

01:42:20,070 --> 01:42:18,400

fan a group catholic of uh you know

2349

01:42:21,669 --> 01:42:20,080

all those stories in the bible of the

2350

01:42:24,550 --> 01:42:21,679

giants and nephilim

2351
01:42:25,590 --> 01:42:24,560
and um you know it's just fascinating

2352
01:42:28,310 --> 01:42:25,600
that uh

2353
01:42:28,629 --> 01:42:28,320
maybe demons or fallen angels interbred

2354
01:42:32,390 --> 01:42:28,639
with

2355
01:42:35,910 --> 01:42:32,400
humans uh and

2356
01:42:39,109 --> 01:42:35,920
created a super a race of super humans

2357
01:42:42,390 --> 01:42:39,119
right of giants basically

2358
01:42:45,990 --> 01:42:42,400
of half god half human

2359
01:42:49,270 --> 01:42:46,000
or somewhere in between the

2360
01:42:50,229 --> 01:42:49,280
you know the giants of the bible and the

2361
01:42:53,910 --> 01:42:50,239
nephilim

2362
01:42:57,430 --> 01:42:53,920
are just amazing and interesting to me

2363
01:42:59,669 --> 01:42:57,440

it probably always will be so thanks for

2364

01:43:02,950 --> 01:42:59,679

finding us carrie silvery

2365

01:43:05,350 --> 01:43:02,960

uh and i guess you know lee veltman so

2366

01:43:06,709 --> 01:43:05,360

uh you're in good company probably other

2367

01:43:08,310 --> 01:43:06,719

people that you know may

2368

01:43:14,149 --> 01:43:08,320

frequent the show we'd like to see you

2369

01:43:19,910 --> 01:43:17,350

one second friends i'm just gonna attend

2370

01:43:22,950 --> 01:43:19,920

to some business here

2371

01:43:27,510 --> 01:43:26,070

i'm checking the uh i'm checking the

2372

01:43:29,430 --> 01:43:27,520

paypal to make sure that we haven't

2373

01:43:31,910 --> 01:43:29,440

gotten any additional donations i don't

2374

01:43:34,070 --> 01:43:31,920

see any so tonight's donations

2375

01:43:35,669 --> 01:43:34,080

uh were joanaside with a kind five

2376

01:43:37,590 --> 01:43:35,679

dollar donation thank you

2377

01:43:39,189 --> 01:43:37,600

very much we appreciate your generosity

2378

01:43:41,350 --> 01:43:39,199

and support of the show

2379

01:43:42,629 --> 01:43:41,360

and william pixley with a kind donation

2380

01:43:44,470 --> 01:43:42,639

of ten dollars

2381

01:43:45,669 --> 01:43:44,480

again thank you william pixley we

2382

01:43:49,430 --> 01:43:45,679

appreciate it

2383

01:43:51,750 --> 01:43:49,440

we appreciate your support of the show

2384

01:43:53,669 --> 01:43:51,760

uh you guys are helping to keep the

2385

01:43:55,430 --> 01:43:53,679

lights on to keep the show moving

2386

01:43:57,990 --> 01:43:55,440

forward and expanding and

2387

01:43:59,830 --> 01:43:58,000

growing and uh you know all of the

2388

01:44:02,310 --> 01:43:59,840

equipment that i need is

2389

01:44:03,109 --> 01:44:02,320

basically being provided by you guys so

2390

01:44:04,790 --> 01:44:03,119

i am

2391

01:44:07,910 --> 01:44:04,800

so grateful to all of you who are

2392

01:44:14,229 --> 01:44:12,310

so friends uh we're approaching an hour

2393

01:44:16,310 --> 01:44:14,239

and 45 minutes and i thought this was

2394

01:44:18,629 --> 01:44:16,320

going to be a quick one

2395

01:44:19,350 --> 01:44:18,639

i appreciate everybody who joined us

2396

01:44:21,510 --> 01:44:19,360

tonight

2397

01:44:22,709 --> 01:44:21,520

tomorrow there should be another show at

2398

01:44:24,149 --> 01:44:22,719

10 p.m of course

2399

01:44:26,390 --> 01:44:24,159

these things are always tentative

2400

01:44:27,990 --> 01:44:26,400

because things happen but i'm planning

2401

01:44:30,870 --> 01:44:28,000

to do a show tomorrow at 10 p.m

2402

01:44:31,990 --> 01:44:30,880

as well and that's going to be unless i

2403

01:44:33,910 --> 01:44:32,000

come up with

2404

01:44:35,430 --> 01:44:33,920

finish some work on some of the research

2405

01:44:38,870 --> 01:44:35,440

that i have ahead of me

2406

01:44:41,510 --> 01:44:38,880

tomorrow's show is going to be a ask me

2407

01:44:43,510 --> 01:44:41,520

anything open lines open topic and we

2408

01:44:45,430 --> 01:44:43,520

can talk about whatever you guys in the

2409

01:44:47,270 --> 01:44:45,440

live chat want to talk about

2410

01:44:49,830 --> 01:44:47,280

i like to do that once in a while so

2411

01:44:53,109 --> 01:44:49,840

that things aren't always so structured

2412

01:44:55,350 --> 01:44:53,119

uh and give an opportunity for this

2413

01:44:56,950 --> 01:44:55,360

great interaction that we can all have

2414

01:44:59,590 --> 01:44:56,960

in the live chat

2415

01:45:00,790 --> 01:44:59,600

it's a big party and we all get to take

2416

01:45:03,109 --> 01:45:00,800

part in it

2417

01:45:04,629 --> 01:45:03,119

especially when we don't have a topic uh

2418

01:45:07,590 --> 01:45:04,639

so sort of the live chat

2419

01:45:08,550 --> 01:45:07,600

guys that you know where the show goes

2420

01:45:11,270 --> 01:45:08,560

and you never know

2421

01:45:12,870 --> 01:45:11,280

people can call in on the calling line

2422

01:45:13,350 --> 01:45:12,880

people can ask questions in the live

2423

01:45:18,709 --> 01:45:13,360

chat

2424

01:45:22,790 --> 01:45:20,709

jonas i heard this crash over here i bet

2425

01:45:27,109 --> 01:45:22,800

that was a demon no that was my

2426

01:45:30,310 --> 01:45:27,119

um this was my terrible attempt at a

2427

01:45:32,390 --> 01:45:30,320

temporary webcam stand that fell over

2428

01:45:35,510 --> 01:45:32,400

because it's like stuff piled on top of

2429

01:45:37,750 --> 01:45:35,520

other stuff you know you don't get to

2430

01:45:40,229 --> 01:45:37,760

see what i see here but it's a huge

2431

01:45:41,750 --> 01:45:40,239

mess the show looks good right the show

2432

01:45:45,350 --> 01:45:41,760

definitely looks good

2433

01:45:53,350 --> 01:45:45,360

but boy it's a big mess it's a big mess

2434

01:45:56,709 --> 01:45:55,109

bunya says when i used to talk with

2435

01:45:58,229 --> 01:45:56,719

clients in patrol care and the person

2436

01:45:59,990 --> 01:45:58,239

was acting heavy

2437

01:46:01,669 --> 01:46:00,000

i would say the first line of serenity

2438

01:46:02,550 --> 01:46:01,679

prayer to myself and magically the mood

2439

01:46:05,030 --> 01:46:02,560

would change

2440

01:46:07,030 --> 01:46:05,040

to sanity every time i'm i like the

2441

01:46:11,030 --> 01:46:07,040

sanity prayer

2442

01:46:12,629 --> 01:46:11,040

yeah because sometimes you really do

2443

01:46:15,109 --> 01:46:12,639

sometimes you really do but you have to

2444

01:46:17,669 --> 01:46:15,119

learn to accept things you cannot change

2445

01:46:18,229 --> 01:46:17,679

and i like many humans fail miserably at

2446

01:46:20,790 --> 01:46:18,239

that

2447

01:46:21,590 --> 01:46:20,800

sometimes i don't like i don't like to

2448

01:46:23,590 --> 01:46:21,600

uh

2449

01:46:24,870 --> 01:46:23,600

admit when i don't have the power to

2450

01:46:27,189 --> 01:46:24,880

change something

2451

01:46:28,629 --> 01:46:27,199

and the serenity prayer certainly uh

2452

01:46:40,310 --> 01:46:28,639

touches on that

2453

01:46:42,310 --> 01:46:40,320

we all have to learn those things

2454

01:46:44,390 --> 01:46:42,320

kb thank you once again for the advice

2455

01:46:46,470 --> 01:46:44,400

at a point in my life where i need it

2456

01:46:49,990 --> 01:46:46,480

good i'm glad that you feel like uh that

2457

01:46:53,189 --> 01:46:51,750

good show stephen thanks hope you all

2458

01:46:54,870 --> 01:46:53,199

have a good night day

2459

01:46:57,270 --> 01:46:54,880

yeah we're wrapping things up here

2460

01:46:58,550 --> 01:46:57,280

friends it seems like uh

2461

01:47:01,270 --> 01:46:58,560

you know we're gonna go just a little

2462

01:47:03,350 --> 01:47:01,280

bit longer uh we don't want to go over

2463

01:47:04,149 --> 01:47:03,360

two hours again that's our new rule

2464

01:47:07,109 --> 01:47:04,159

because of the

2465

01:47:08,149 --> 01:47:07,119

uh terrible facebook algorithm and what

2466

01:47:11,189 --> 01:47:08,159

happens

2467

01:47:15,030 --> 01:47:11,199

if you go over to if you go over to

2468

01:47:22,310 --> 01:47:15,040

it gets crazy so

2469

01:47:24,310 --> 01:47:22,320

yeah then we have uh

2470

01:47:25,830 --> 01:47:24,320

don craig's phase only being here a

2471

01:47:27,030 --> 01:47:25,840

couple of months now and not hearing

2472

01:47:28,550 --> 01:47:27,040

about it for tomorrow

2473

01:47:30,390 --> 01:47:28,560

i'm curious what this crowd thanks for

2474

01:47:32,149 --> 01:47:30,400

the crop circle phenomenon

2475

01:47:33,430 --> 01:47:32,159

yes don craig's face i would like to

2476

01:47:34,870 --> 01:47:33,440

have barbara lamb

2477

01:47:36,470 --> 01:47:34,880

she was a guest on my previous show the

2478

01:47:37,750 --> 01:47:36,480

midnight hour i'd like to do a show on

2479

01:47:39,430 --> 01:47:37,760

crop circles

2480

01:47:41,669 --> 01:47:39,440

i think it's pretty fascinating

2481

01:47:43,270 --> 01:47:41,679

especially the scientific evidence that

2482

01:47:46,629 --> 01:47:43,280

comes out of the so-called

2483

01:47:51,430 --> 01:47:46,639

genuine crop circles uh magnetic

2484

01:47:53,750 --> 01:47:51,440

magnetic anomalies and things like that

2485

01:47:57,510 --> 01:47:53,760

what are your thoughts on exorcism being

2486

01:47:59,590 --> 01:47:57,520

open to lay people by the vatican

2487

01:48:01,669 --> 01:47:59,600

yeah i mean it usually is lay people

2488

01:48:03,830 --> 01:48:01,679

that are getting exercised and then the

2489

01:48:04,790 --> 01:48:03,840

the catholic church will get a priest

2490

01:48:08,229 --> 01:48:04,800

for that

2491

01:48:11,590 --> 01:48:08,239

for those people to uh you know

2492

01:48:13,669 --> 01:48:11,600

sort of help them with their

2493

01:48:14,870 --> 01:48:13,679

help them with their demon problems

2494

01:48:16,790 --> 01:48:14,880

right

2495

01:48:18,310 --> 01:48:16,800

they gotta they have to be helped with

2496

01:48:20,310 --> 01:48:18,320

their demon problems

2497

01:48:21,750 --> 01:48:20,320

so usually a priest is assigned to help

2498

01:48:25,350 --> 01:48:21,760

them

2499

01:48:28,470 --> 01:48:25,360

i guess you know get unpossessed

2500

01:48:29,910 --> 01:48:28,480

and it is open uh to any person in the

2501

01:48:32,950 --> 01:48:29,920

catholic faith

2502

01:48:33,910 --> 01:48:32,960

but again the the catholics evaluate and

2503

01:48:37,669 --> 01:48:33,920

sort of

2504

01:48:41,430 --> 01:48:39,430

they determine if it's a genuine case of

2505

01:48:43,830 --> 01:48:41,440

possession or some other

2506

01:48:45,590 --> 01:48:43,840

something else and if it is a genuine

2507

01:48:46,550 --> 01:48:45,600

case of possession then they assign a

2508

01:48:48,870 --> 01:48:46,560

priest

2509

01:48:49,669 --> 01:48:48,880

the local bishop has to sign off and

2510

01:48:51,750 --> 01:48:49,679

give the

2511

01:48:53,910 --> 01:48:51,760

the priest the exorcist permission to

2512

01:48:54,870 --> 01:48:53,920

perform the right of exorcism on that

2513

01:48:57,270 --> 01:48:54,880

individual

2514

01:48:58,870 --> 01:48:57,280

but it is open to you know everyone in

2515

01:48:59,990 --> 01:48:58,880

the catholic faith that feels they're

2516

01:49:07,590 --> 01:49:00,000

afflicted by demons

2517

01:49:11,590 --> 01:49:09,350

angela y davis had a good take on the

2518

01:49:13,189 --> 01:49:11,600

serenity prayer i am no longer accepting

2519

01:49:16,310 --> 01:49:13,199

the things i cannot change

2520

01:49:17,270 --> 01:49:16,320

yeah you never know right uh whatever

2521

01:49:19,750 --> 01:49:17,280

works for people

2522

01:49:21,270 --> 01:49:19,760

i i believe in the jeet kune do of

2523

01:49:23,270 --> 01:49:21,280

spirituality and that is

2524

01:49:24,629 --> 01:49:23,280

take what works for you and leave behind

2525

01:49:26,229 --> 01:49:24,639

the rest if something works for you it

2526

01:49:29,669 --> 01:49:26,239

doesn't matter where it's from

2527

01:49:31,350 --> 01:49:29,679

do it i did a final paper presentation

2528

01:49:32,950 --> 01:49:31,360

on crop circles in college in my

2529

01:49:34,709 --> 01:49:32,960

astronomy class i know about the moon

2530

01:49:36,550 --> 01:49:34,719

would be a great topic hey kell truth

2531

01:49:38,149 --> 01:49:36,560

why don't you come and be a guest

2532

01:49:41,270 --> 01:49:38,159

and then we could do that i would like

2533

01:49:45,750 --> 01:49:43,990

carries ovarian exorcism can be done by

2534

01:49:47,430 --> 01:49:45,760

anyone the messiah gave us that power

2535

01:49:49,350 --> 01:49:47,440

but your faith in what you're doing

2536

01:49:51,189 --> 01:49:49,360

decides if you're successful yeah i've

2537

01:49:54,070 --> 01:49:51,199

heard that that any christian

2538

01:49:54,870 --> 01:49:54,080

can uh just as jesus gave the power of

2539

01:49:57,510 --> 01:49:54,880

exorcism

2540

01:50:01,030 --> 01:49:57,520

over through the holy spirit the power

2541

01:50:03,030 --> 01:50:01,040

of the holy spirit to his apostles

2542

01:50:05,750 --> 01:50:03,040

apparently any christian has the power

2543

01:50:08,629 --> 01:50:05,760

over these demons to exercise them

2544

01:50:10,149 --> 01:50:08,639

but i have not explored that myself

2545

01:50:12,070 --> 01:50:10,159

there is some amazing video of crop

2546

01:50:12,550 --> 01:50:12,080

circles being formed orbs cruising

2547

01:50:14,709 --> 01:50:12,560

around

2548

01:50:15,830 --> 01:50:14,719

i'm i'm pretty sure that was proven to

2549

01:50:17,830 --> 01:50:15,840

be fake uh

2550

01:50:19,270 --> 01:50:17,840

william pixley but it's it is a nice

2551
01:50:21,030 --> 01:50:19,280
video

2552
01:50:23,030 --> 01:50:21,040
yes william pixley some of those designs

2553
01:50:25,109 --> 01:50:23,040
are not made by two guys with roping

2554
01:50:28,149 --> 01:50:25,119
boards that i definitely agree with

2555
01:50:31,830 --> 01:50:29,830
out of mind says i am changing the

2556
01:50:33,350 --> 01:50:31,840
things i cannot accept good for you out

2557
01:50:35,030 --> 01:50:33,360
of mind

2558
01:50:36,870 --> 01:50:35,040
okay i'm more scared of priests than

2559
01:50:38,709 --> 01:50:36,880
demons just saying because it's true

2560
01:50:39,910 --> 01:50:38,719
and nuns too yeah i was terrified of

2561
01:50:42,390 --> 01:50:39,920
some of them growing up

2562
01:50:45,669 --> 01:50:42,400
you never know right terrified of some

2563
01:50:49,990 --> 01:50:49,109

one second friends just gonna check that

2564

01:50:51,430 --> 01:50:50,000

paypal again

2565

01:50:54,310 --> 01:50:51,440

make sure we don't have anybody else to

2566

01:50:58,390 --> 01:50:54,320

thank for a kind or generous donation

2567

01:51:00,310 --> 01:50:58,400

but yeah okay so we have thanked william

2568

01:51:01,430 --> 01:51:00,320

pixley for his kind ten dollar donation

2569

01:51:03,910 --> 01:51:01,440

we have

2570

01:51:06,790 --> 01:51:03,920

thank genocide for their kind five

2571

01:51:07,589 --> 01:51:06,800

dollar donation we definitely appreciate

2572

01:51:10,629 --> 01:51:07,599

it you guys

2573

01:51:16,790 --> 01:51:10,639

are awesome uh

2574

01:51:20,390 --> 01:51:19,270

just one more check i'm just doing one

2575

01:51:23,109 --> 01:51:20,400

last check into

2576

01:51:24,470 --> 01:51:23,119

each of the streams to make sure to make

2577

01:51:26,149 --> 01:51:24,480

sure that

2578

01:51:28,149 --> 01:51:26,159

uh everything is working as it's

2579

01:51:29,669 --> 01:51:28,159

supposed to be sometimes i get a little

2580

01:51:31,990 --> 01:51:29,679

lost in the show and then i don't

2581

01:51:37,270 --> 01:51:32,000

realize that one of the streams is down

2582

01:51:46,830 --> 01:51:39,589

sort of uh reminding myself that i need

2583

01:51:46,840 --> 01:51:51,189

okay

2584

01:51:56,390 --> 01:51:53,350

so friends uh tomorrow like i said we

2585

01:52:02,709 --> 01:51:59,910

uh we should have another show

2586

01:52:04,470 --> 01:52:02,719

tomorrow night i didn't get to go to the

2587

01:52:06,470 --> 01:52:04,480

cabin this weekend because

2588

01:52:08,629 --> 01:52:06,480

not only is the pool closed there but

2589

01:52:09,669 --> 01:52:08,639

now the the state parks are all closing

2590

01:52:12,709 --> 01:52:09,679

the lakes

2591

01:52:14,870 --> 01:52:12,719

which is uh which is terrible because

2592

01:52:16,790 --> 01:52:14,880

that means you know it's it's really hot

2593

01:52:18,310 --> 01:52:16,800

there and there's not much to do with

2594

01:52:18,709 --> 01:52:18,320

the cabin other than walk around in the

2595

01:52:20,310 --> 01:52:18,719

woods

2596

01:52:31,030 --> 01:52:20,320

so we're going to start hiking that's

2597

01:52:31,040 --> 01:52:38,470

one second

2598

01:52:41,830 --> 01:52:39,750

so friends i think we're gonna wrap

2599

01:52:43,910 --> 01:52:41,840

things up here i appreciate

2600

01:52:45,669 --> 01:52:43,920

everybody for coming tonight and we want

2601
01:52:47,830 --> 01:52:45,679
to make sure we stay under that two-hour

2602
01:52:51,109 --> 01:52:47,840
limit and we're rapidly approaching it

2603
01:52:53,109 --> 01:52:51,119
so friends i want to thank each and

2604
01:52:54,870 --> 01:52:53,119
every one of you for joining us

2605
01:52:57,589 --> 01:52:54,880
uh and welcome you to come back tomorrow

2606
01:52:59,830 --> 01:52:57,599
night at 10 p.m we'll be doing sort of

2607
01:53:01,510 --> 01:52:59,840
either we'll get a topic together

2608
01:53:04,149 --> 01:53:01,520
depends on how my day goes

2609
01:53:05,189 --> 01:53:04,159
or we're going to be doing an open lines

2610
01:53:08,709 --> 01:53:05,199
sort of

2611
01:53:11,830 --> 01:53:08,719
you know uh ending

2612
01:53:12,790 --> 01:53:11,840
really open lines sort of show where

2613
01:53:15,830 --> 01:53:12,800

everybody can call

2614

01:53:17,830 --> 01:53:15,840

in everybody can uh you know

2615

01:53:19,830 --> 01:53:17,840

participate and we'll have just an open

2616

01:53:25,270 --> 01:53:19,840

discussion i like those

2617

01:53:27,830 --> 01:53:25,280

um i think you guys do too so friends

2618

01:53:28,470 --> 01:53:27,840

until next time friends my name's steven

2619

01:53:31,270 --> 01:53:28,480

cambion

2620

01:53:32,629 --> 01:53:31,280

reminding you that the truth doesn't

2621

01:53:40,390 --> 01:53:32,639

cost anything

2622

01:53:42,550 --> 01:53:40,400

but a lie could cost you everything

2623

01:53:45,109 --> 01:53:42,560

thanks every one of us every one of you

2624

01:53:49,430 --> 01:53:45,119

guys for joining us

2625

01:53:56,500 --> 01:53:52,830

and now i'm signing off good night

2626

01:55:26,690 --> 01:54:47,500

[Music]
