

25 00:27:41

1
00:02:03,429 --> 00:00:43,530

[Music]

2
00:02:07,670 --> 00:02:04,149
greetings

3
00:02:10,469 --> 00:02:07,680
and salutations friends and welcome back

4
00:02:11,670 --> 00:02:10,479
to truth seekers where we explore some

5
00:02:14,949 --> 00:02:11,680
of the strangest

6
00:02:16,790 --> 00:02:14,959
and most mysterious stories out there

7
00:02:19,190 --> 00:02:16,800
tonight i thought we would talk about

8
00:02:21,030 --> 00:02:19,200
one of my favorite videos on the

9
00:02:23,110 --> 00:02:21,040
internet somebody asked me recently of

10
00:02:25,830 --> 00:02:23,120
all the ufo videos and

11
00:02:27,030 --> 00:02:25,840
alien videos and bigfoot videos what's

12
00:02:30,070 --> 00:02:27,040
your favorite video

13
00:02:31,910 --> 00:02:30,080

on youtube and i thought about it for a

14

00:02:32,710 --> 00:02:31,920

while and i decided that it would have

15

00:02:35,990 --> 00:02:32,720

to

16

00:02:40,309 --> 00:02:36,000

skinny bob

17

00:02:43,190 --> 00:02:40,319

alien footage and related releases

18

00:02:43,509 --> 00:02:43,200

now for those that don't know i believe

19

00:02:47,309 --> 00:02:43,519

it

20

00:02:50,550 --> 00:02:47,319

began uh april 13

21

00:02:54,470 --> 00:02:50,560

2011 someone began

22

00:02:57,910 --> 00:02:54,480

uploading some very strange

23

00:03:01,910 --> 00:02:57,920

videos to youtube they looked

24

00:03:05,270 --> 00:03:01,920

as if they were historical footage

25

00:03:08,630 --> 00:03:05,280

footage from perhaps the 1940s

26
00:03:10,070 --> 00:03:08,640
or maybe even 30s based on the train

27
00:03:13,509 --> 00:03:10,080
that was shown in the video

28
00:03:22,070 --> 00:03:17,190
but is it real

29
00:03:24,550 --> 00:03:22,080
is it really what it looks like which is

30
00:03:25,830 --> 00:03:24,560
a video footage of a flying saucer and

31
00:03:29,430 --> 00:03:25,840
then video footage

32
00:03:32,149 --> 00:03:29,440
of actual alien creatures

33
00:03:32,550 --> 00:03:32,159
regardless of whether you believe it is

34
00:03:35,670 --> 00:03:32,560
fake

35
00:03:37,190 --> 00:03:35,680
or real i have to say that the person

36
00:03:39,350 --> 00:03:37,200
who created this

37
00:03:41,270 --> 00:03:39,360
it's extremely well done whether it's

38
00:03:43,910 --> 00:03:41,280

fake or real

39

00:03:45,509 --> 00:03:43,920

it's extremely well done if it's real

40

00:03:48,630 --> 00:03:45,519

it's amazing

41

00:03:50,789 --> 00:03:48,640

but if it's fake the artistry and

42

00:03:52,309 --> 00:03:50,799

attention to detail that went into

43

00:03:56,630 --> 00:03:52,319

making this thing

44

00:04:00,550 --> 00:03:56,640

is impressive really impressive

45

00:04:02,789 --> 00:04:00,560

so i thought uh there's really four

46

00:04:03,589 --> 00:04:02,799

clips but the the most famous clip is

47

00:04:06,550 --> 00:04:03,599

the clip with

48

00:04:07,350 --> 00:04:06,560

uh the aliens specifically someone

49

00:04:10,309 --> 00:04:07,360

somehow

50

00:04:11,429 --> 00:04:10,319

the alien got named skinny bob in this

51

00:04:13,270 --> 00:04:11,439

uh

52

00:04:15,429 --> 00:04:13,280

and and sort of made the rounds

53

00:04:16,949 --> 00:04:15,439

throughout ufo conspiracy land and

54

00:04:18,310 --> 00:04:16,959

everyone was talking about this for

55

00:04:19,749 --> 00:04:18,320

quite some time

56

00:04:22,069 --> 00:04:19,759

eventually i think the story kind of

57

00:04:23,189 --> 00:04:22,079

died out because no one could prove it

58

00:04:25,749 --> 00:04:23,199

was true

59

00:04:28,469 --> 00:04:25,759

and conversely no one could prove that

60

00:04:31,990 --> 00:04:28,479

it was fake

61

00:04:35,030 --> 00:04:32,000

and the originator of the

62

00:04:37,749 --> 00:04:35,040

the originator of the actual video

63

00:04:38,870 --> 00:04:37,759

if it was created by for example a

64

00:04:41,670 --> 00:04:38,880

puppeteer

65

00:04:42,710 --> 00:04:41,680

or a cgi artist or a creature effects

66

00:04:45,270 --> 00:04:42,720

designer

67

00:04:46,950 --> 00:04:45,280

has never come forward to claim credit

68

00:04:49,749 --> 00:04:46,960

for his work

69

00:04:51,110 --> 00:04:49,759

which is always not really sit well with

70

00:04:54,629 --> 00:04:51,120

me because it's

71

00:04:57,430 --> 00:04:54,639

such a viral crazy

72

00:04:59,189 --> 00:04:57,440

a lot of attention this thing got it's

73

00:05:00,870 --> 00:04:59,199

hard for me to imagine somebody just

74

00:05:03,270 --> 00:05:00,880

sitting in the background and

75

00:05:04,150 --> 00:05:03,280

not stepping forward and saying yeah you

76

00:05:06,310 --> 00:05:04,160

know that

77

00:05:08,230 --> 00:05:06,320

those videos that got millions of views

78

00:05:09,029 --> 00:05:08,240

i'm the guy who created them and here's

79

00:05:12,550 --> 00:05:09,039

how

80

00:05:16,150 --> 00:05:12,560

generally with a lot of these videos

81

00:05:19,189 --> 00:05:16,160

that's what happens we get to see later

82

00:05:21,270 --> 00:05:19,199

how it was created who was involved in

83

00:05:24,390 --> 00:05:21,280

the creation of it

84

00:05:25,270 --> 00:05:24,400

and usually we get some education into

85

00:05:28,550 --> 00:05:25,280

what went into

86

00:05:30,150 --> 00:05:28,560

creating this great hoax if it is indeed

87

00:05:33,749 --> 00:05:30,160

a hoax

88

00:05:36,790 --> 00:05:33,759

now uh i just wanted to mention that

89

00:05:38,550 --> 00:05:36,800

a few people sent me this video

90

00:05:40,070 --> 00:05:38,560

of the alien when it came out because

91

00:05:42,870 --> 00:05:40,080

they knew that i was uh

92

00:05:44,230 --> 00:05:42,880

into puppets and puppetry especially

93

00:05:48,469 --> 00:05:44,240

making puppets

94

00:05:50,950 --> 00:05:48,479

and puppetry on film um

95

00:05:53,670 --> 00:05:50,960

and i you know people like ask me is

96

00:05:56,629 --> 00:05:53,680

that do you think it's a puppet and uh

97

00:05:57,350 --> 00:05:56,639

i have done pretty extensive work in

98

00:06:00,790 --> 00:05:57,360

puppets

99

00:06:01,990 --> 00:06:00,800

on film call it a crazy hobby i don't

100

00:06:03,830 --> 00:06:02,000

know why

101
00:06:06,469 --> 00:06:03,840
for magic shows i was using these

102
00:06:08,070 --> 00:06:06,479
puppets for a long time

103
00:06:09,670 --> 00:06:08,080
that were really like modified

104
00:06:12,710 --> 00:06:09,680
ventriloquist

105
00:06:14,390 --> 00:06:12,720
puppets but uh we did some different

106
00:06:16,790 --> 00:06:14,400
kind of things that people usually do

107
00:06:18,950 --> 00:06:16,800
with ventriloquism puppets and

108
00:06:20,550 --> 00:06:18,960
i got an education into how to film

109
00:06:21,990 --> 00:06:20,560
puppets how to make them look more

110
00:06:24,710 --> 00:06:22,000
realistic

111
00:06:26,150 --> 00:06:24,720
i had puppets with moving eyes blinkers

112
00:06:29,510 --> 00:06:26,160
um

113
00:06:31,909 --> 00:06:29,520

all the most advanced you know

114

00:06:32,870 --> 00:06:31,919

kind of puppets that can be created we

115

00:06:34,710 --> 00:06:32,880

did

116

00:06:37,189 --> 00:06:34,720

i wanted them to be as realistic as

117

00:06:39,430 --> 00:06:37,199

possible but

118

00:06:41,189 --> 00:06:39,440

from what i know about puppets and the

119

00:06:43,749 --> 00:06:41,199

the art the state of the art with

120

00:06:47,510 --> 00:06:43,759

puppetry even if you get into

121

00:06:48,150 --> 00:06:47,520

uh animatronics and using lots of servos

122

00:06:51,350 --> 00:06:48,160

and electric

123

00:06:54,469 --> 00:06:51,360

motors and solenoids

124

00:06:57,110 --> 00:06:54,479

to move things the level of detail

125

00:06:57,909 --> 00:06:57,120

in this video uh i've watched it many

126

00:07:02,150 --> 00:06:57,919

many times

127

00:07:04,710 --> 00:07:02,160

it the one thing i will say is that the

128

00:07:05,589 --> 00:07:04,720

alien shown in this video is not a

129

00:07:10,469 --> 00:07:05,599

puppet

130

00:07:15,589 --> 00:07:13,589

let's say computer enhanced through cgi

131

00:07:19,189 --> 00:07:15,599

effects

132

00:07:22,550 --> 00:07:19,199

the blinking in the in the

133

00:07:25,029 --> 00:07:22,560

video is way too realistic

134

00:07:26,309 --> 00:07:25,039

blinkers on puppets don't look that

135

00:07:29,350 --> 00:07:26,319

realistic

136

00:07:30,070 --> 00:07:29,360

so uh i guess without further ado i

137

00:07:33,189 --> 00:07:30,080

think

138

00:07:36,710 --> 00:07:33,199

without any more delay we should

139

00:07:39,830 --> 00:07:36,720

uh we should give the

140

00:07:42,870 --> 00:07:39,840

give the video a watch but first i will

141

00:07:44,790 --> 00:07:42,880

check in with the live chat super v fun

142

00:07:51,189 --> 00:07:44,800

cat is here

143

00:07:59,589 --> 00:07:55,270

and hello yeah genocide says hello to

144

00:08:01,430 --> 00:07:59,599

vanessa hello to vanessa thor

145

00:08:03,430 --> 00:08:01,440

super be fun cat comments skinny bob

146

00:08:06,309 --> 00:08:03,440

looks so similar to crowley's

147

00:08:07,670 --> 00:08:06,319

lamb demon alien thing yes i had thought

148

00:08:10,950 --> 00:08:07,680

that as well

149

00:08:14,550 --> 00:08:10,960

and shout out to kb

150

00:08:14,869 --> 00:08:14,560

kb is back for another round of mystery

151
00:08:16,950 --> 00:08:14,879
with

152
00:08:18,150 --> 00:08:16,960
us here at truth seekers good to see you

153
00:08:21,350 --> 00:08:18,160
back here kb

154
00:08:23,110 --> 00:08:21,360
nice to see you back and out of mind is

155
00:08:26,150 --> 00:08:23,120
here shout out to out of mind who

156
00:08:29,670 --> 00:08:26,160
is being very helpful in her moderate

157
00:08:32,149 --> 00:08:29,680
in the moderation here to uh

158
00:08:33,509 --> 00:08:32,159
provide the twitch link you too can

159
00:08:36,709 --> 00:08:33,519
follow us on twitch

160
00:08:38,389 --> 00:08:36,719
planet lupa is here hey everybody kind

161
00:08:40,550 --> 00:08:38,399
of very early morning from me

162
00:08:42,550 --> 00:08:40,560
to you there in the evening love the

163
00:08:49,990 --> 00:08:42,560

show thank you for your kindness

164

00:08:50,000 --> 00:08:57,350

rick von himlek spooner is here

165

00:09:01,350 --> 00:09:00,150

yes and uh one second friends there's

166

00:09:07,750 --> 00:09:01,360

one thing i wanted to

167

00:09:14,790 --> 00:09:11,350

okay so we had a mystery of our own

168

00:09:15,590 --> 00:09:14,800

on our hands about who donated on july

169

00:09:19,190 --> 00:09:15,600

28th

170

00:09:21,190 --> 00:09:19,200

the mystery five dollar donation um

171

00:09:22,949 --> 00:09:21,200

because i didn't want to just read that

172

00:09:23,910 --> 00:09:22,959

person's real name from the paypal

173

00:09:25,990 --> 00:09:23,920

donations

174

00:09:27,269 --> 00:09:26,000

so i kept saying who did that who did

175

00:09:30,710 --> 00:09:27,279

that and we found out

176

00:09:33,829 --> 00:09:30,720

it was ryan morphy richards

177

00:09:36,710 --> 00:09:33,839

uh donated a generous

178

00:09:38,310 --> 00:09:36,720

donation of five dollars on july 28th i

179

00:09:38,870 --> 00:09:38,320

want to thank you from the bottom of my

180

00:09:40,710 --> 00:09:38,880

heart

181

00:09:42,470 --> 00:09:40,720

every little bit helps keep the show

182

00:09:44,630 --> 00:09:42,480

flowing and going

183

00:09:45,750 --> 00:09:44,640

and your kindness and generosity and

184

00:09:48,790 --> 00:09:45,760

support of the show

185

00:09:51,190 --> 00:09:48,800

is much appreciated god bless you ryan

186

00:09:51,750 --> 00:09:51,200

morphy richards for your kindness and

187

00:09:55,430 --> 00:09:51,760

support

188

00:09:58,949 --> 00:09:57,110

and for those that don't know you can go

189

00:10:01,030 --> 00:09:58,959

to my about page and

190

00:10:02,389 --> 00:10:01,040

make a donation if you like this kind of

191

00:10:04,710 --> 00:10:02,399

content you want to see the show

192

00:10:07,829 --> 00:10:04,720

continue to expand and grow

193

00:10:10,230 --> 00:10:07,839

uh your financial support would be much

194

00:10:12,550 --> 00:10:10,240

appreciated there's also my patreon

195

00:10:13,110 --> 00:10:12,560

which was a little as a dollar a month

196

00:10:16,470 --> 00:10:13,120

you too

197

00:10:17,990 --> 00:10:16,480

can support our show here and if you go

198

00:10:20,230 --> 00:10:18,000

to the about page

199

00:10:22,150 --> 00:10:20,240

in uh if you just go to my channel go to

200

00:10:23,829 --> 00:10:22,160

the about page both those donate links

201
00:10:28,230 --> 00:10:23,839
are there

202
00:10:30,310 --> 00:10:28,240
before i forget i will put up

203
00:10:31,750 --> 00:10:30,320
i will put paypal up just in case any

204
00:10:33,670 --> 00:10:31,760
donations come in

205
00:10:35,430 --> 00:10:33,680
this is called the not so super chat

206
00:10:36,710 --> 00:10:35,440
donation so what happens if you make a

207
00:10:39,350 --> 00:10:36,720
donation

208
00:10:40,389 --> 00:10:39,360
there's a spot where you can add a note

209
00:10:44,470 --> 00:10:40,399
just add a note

210
00:10:45,990 --> 00:10:44,480
put your user id or you know handle here

211
00:10:48,310 --> 00:10:46,000
in the live chat what your name

212
00:10:49,350 --> 00:10:48,320
is and then whatever message you'd like

213
00:10:52,550 --> 00:10:49,360

to share

214

00:10:53,509 --> 00:10:52,560

with the audience or for me to read live

215

00:10:55,750 --> 00:10:53,519

on air

216

00:10:57,350 --> 00:10:55,760

uh and that's how that works it's our

217

00:11:01,190 --> 00:10:57,360

not so super chat

218

00:11:02,150 --> 00:11:01,200

donations until we can do the super chat

219

00:11:03,990 --> 00:11:02,160

donation so

220

00:11:06,230 --> 00:11:04,000

yeah without any more delay let's just

221

00:11:09,190 --> 00:11:06,240

watch this crazy video because

222

00:11:09,910 --> 00:11:09,200

this video uh oh it's just one of my

223

00:11:14,230 --> 00:11:09,920

favorites

224

00:11:19,509 --> 00:11:14,240

friends here let's uh

225

00:11:24,550 --> 00:11:22,150

oh yeah and there's this one i found the

226

00:11:27,430 --> 00:11:24,560

title says skinny bob alien footage

227

00:11:28,550 --> 00:11:27,440

footage from the 1950s confirmed to be

228

00:11:31,750 --> 00:11:28,560

real by

229

00:11:32,389 --> 00:11:31,760

rick dodie i'm not sure if rick dodi is

230

00:11:57,430 --> 00:11:32,399

a

231

00:12:01,030 --> 00:11:57,440

sound on this i don't believe

232

00:12:03,110 --> 00:12:01,040

so some type of flying saucer ufo

233

00:12:07,350 --> 00:12:03,120

and it's being taken i believe it out of

234

00:12:07,360 --> 00:12:12,710

or footage of a ufo

235

00:12:12,720 --> 00:12:20,389

and here we see our first alien

236

00:12:33,590 --> 00:12:24,230

maybe a mangled alien

237

00:12:33,600 --> 00:13:04,829

and here is skinny bob himself

238

00:13:04,839 --> 00:13:10,870

so

239

00:13:10,880 --> 00:13:16,710

and here we see a bunch of them

240

00:13:16,720 --> 00:13:22,150

and that my friends is

241

00:13:25,990 --> 00:13:24,310

there's four of the skinny bob videos

242

00:13:29,190 --> 00:13:26,000

that my friends is the most

243

00:13:31,110 --> 00:13:29,200

famous the most famous one uh because it

244

00:13:33,190 --> 00:13:31,120

shows the actual alien they were

245

00:13:34,389 --> 00:13:33,200

they were cut up into four separate

246

00:13:37,670 --> 00:13:34,399

videos

247

00:13:41,509 --> 00:13:37,680

somehow on the original channels

248

00:13:44,310 --> 00:13:41,519

that uploaded them um

249

00:13:46,069 --> 00:13:44,320

you know and i thought there's somebody

250

00:13:48,550 --> 00:13:46,079

that did an excellent breakdown of

251
00:13:50,069 --> 00:13:48,560
of the timeline and i was going to

252
00:13:52,069 --> 00:13:50,079
present the timeline and then

253
00:13:53,750 --> 00:13:52,079
uh you know i found this so this would

254
00:13:56,150 --> 00:13:53,760
be uh

255
00:13:57,590 --> 00:13:56,160
and again uh for that first video i

256
00:14:01,509 --> 00:13:57,600
don't think it's copyrighted but

257
00:14:03,590 --> 00:14:01,519
we're still saying fair use fair use uh

258
00:14:04,870 --> 00:14:03,600
it's kind of hard to copyright i guess a

259
00:14:08,550 --> 00:14:04,880
leaked

260
00:14:11,509 --> 00:14:08,560
elite top secret

261
00:14:11,829 --> 00:14:11,519
video of an alien and a flying saucer i

262
00:14:13,750 --> 00:14:11,839
don't

263
00:14:14,949 --> 00:14:13,760

think it's copyrighted but fair use fair

264

00:14:18,150 --> 00:14:14,959

use and

265

00:14:19,670 --> 00:14:18,160

on the next uh clip we're going to play

266

00:14:21,030 --> 00:14:19,680

again i'm going to cite fair use we're

267

00:14:22,790 --> 00:14:21,040

educating the public we're going to be

268

00:14:24,069 --> 00:14:22,800

talking about and discussing the next

269

00:14:27,590 --> 00:14:24,079

video clip

270

00:14:30,150 --> 00:14:27,600

and this is from objects unknown

271

00:14:30,629 --> 00:14:30,160

and it's bill's channel which i have

272

00:14:33,269 --> 00:14:30,639

seen

273

00:14:35,910 --> 00:14:33,279

a bunch of times before he's got quite a

274

00:14:38,310 --> 00:14:35,920

subscriber base does some good shows

275

00:14:39,590 --> 00:14:38,320

he did an excellent presentation on this

276

00:14:42,389 --> 00:14:39,600

skinny bob

277

00:14:44,150 --> 00:14:42,399

uh video and the series of videos i'm

278

00:14:46,949 --> 00:14:44,160

specifically interested in in

279

00:14:47,670 --> 00:14:46,959

educating you guys and everyone really

280

00:14:50,230 --> 00:14:47,680

with

281

00:14:51,110 --> 00:14:50,240

the timeline of the the history of this

282

00:14:53,189 --> 00:14:51,120

thing so

283

00:14:55,990 --> 00:14:53,199

again we're going to cite fair use and

284

00:15:00,710 --> 00:14:57,750

make sure i share the audio because this

285

00:15:03,110 --> 00:15:00,720

guy's definitely talking

286

00:15:03,990 --> 00:15:03,120

okay and again we're going to cite fair

287

00:15:05,829 --> 00:15:04,000

use for

288

00:15:07,430 --> 00:15:05,839

uh using this clip we're going to be

289

00:15:09,430 --> 00:15:07,440

educating in

290

00:15:11,269 --> 00:15:09,440

the public and discussing and critiquing

291

00:15:11,990 --> 00:15:11,279

the clip using it for educational

292

00:15:15,829 --> 00:15:12,000

purposes

293

00:15:18,389 --> 00:15:15,839

fair use i have this sort of queued up

294

00:15:20,069 --> 00:15:18,399

to when he begins to break down a series

295

00:15:22,150 --> 00:15:20,079

of events that

296

00:15:23,829 --> 00:15:22,160

led to these four videos being posted

297

00:15:27,750 --> 00:15:23,839

four episode

298

00:15:32,629 --> 00:15:27,760

news release basically starting on april

299

00:15:35,749 --> 00:15:32,639

13 2011. it appears to show

300

00:15:36,949 --> 00:15:35,759

a video clip package from probably the

301

00:15:40,230 --> 00:15:36,959

1940s

302

00:15:43,350 --> 00:15:40,240

50s 60s apparently what you see

303

00:15:45,509 --> 00:15:43,360

is a ufo coming in over a city

304

00:15:47,430 --> 00:15:45,519

and whoever's got the video camera out

305

00:15:49,350 --> 00:15:47,440

appears to be up in the air

306

00:15:51,430 --> 00:15:49,360

what you then see is some kind of an

307

00:15:55,110 --> 00:15:51,440

actual event

308

00:15:58,629 --> 00:15:55,120

crash landing i'm not sure quite sure

309

00:16:01,269 --> 00:15:58,639

you see aliens they're clearly aliens

310

00:16:03,269 --> 00:16:01,279

they don't seem to be any kind of uh

311

00:16:05,189 --> 00:16:03,279

fake aliens right off the bat

312

00:16:07,030 --> 00:16:05,199

so you want to you know you get pulled

313

00:16:08,790 --> 00:16:07,040

into the story right away

314

00:16:11,269 --> 00:16:08,800

yeah i remember when i first saw this

315

00:16:13,269 --> 00:16:11,279

and i got i got sucked right in

316

00:16:14,470 --> 00:16:13,279

like oh my god there's a flying saucer

317

00:16:17,350 --> 00:16:14,480

it looks like something

318

00:16:18,790 --> 00:16:17,360

it looks like a crash or something or a

319

00:16:21,829 --> 00:16:18,800

landing of some sort

320

00:16:23,350 --> 00:16:21,839

and then we see the aliens crazy there

321

00:16:26,230 --> 00:16:23,360

appears to be some kind of

322

00:16:28,710 --> 00:16:26,240

a recovery of aliens maybe even some

323

00:16:30,790 --> 00:16:28,720

kind of medical procedure being done

324

00:16:33,030 --> 00:16:30,800

and then it's sort of left just like

325

00:16:35,749 --> 00:16:33,040

that you don't know what to think

326

00:16:36,389 --> 00:16:35,759

then on may 1st the big video is

327

00:16:38,150 --> 00:16:36,399

released

328

00:16:39,670 --> 00:16:38,160

yes so the first video was sort of a

329

00:16:41,030 --> 00:16:39,680

teaser and it's funny to me that there's

330

00:16:43,509 --> 00:16:41,040

only

331

00:16:44,710 --> 00:16:43,519

literally a few minutes a few minutes of

332

00:16:46,710 --> 00:16:44,720

this footage

333

00:16:48,949 --> 00:16:46,720

but for some reason whoever uploaded it

334

00:16:51,110 --> 00:16:48,959

to youtube chose to upload it in

335

00:16:52,230 --> 00:16:51,120

you know 20 second segments or something

336

00:16:54,550 --> 00:16:52,240

like that to really

337

00:16:57,110 --> 00:16:54,560

stretch it out and i guess get people's

338

00:16:58,949 --> 00:16:57,120

anticipation and excitement built

339

00:17:01,269 --> 00:16:58,959

i'm not sure but on may 1st we get the

340

00:17:04,549 --> 00:17:01,279

second video that dropped to the same

341

00:17:07,669 --> 00:17:04,559

youtube channel it is a close-up

342

00:17:08,630 --> 00:17:07,679

of the skinny bob creature first of all

343

00:17:11,270 --> 00:17:08,640

what we see

344

00:17:13,429 --> 00:17:11,280

what appears to be i don't know what to

345

00:17:16,549 --> 00:17:13,439

call it basically it's a it's like a um

346

00:17:18,789 --> 00:17:16,559

an interview with the alien uh he's not

347

00:17:20,309 --> 00:17:18,799

really speaking but he's definitely

348

00:17:23,669 --> 00:17:20,319

gesturing to whoever

349

00:17:25,510 --> 00:17:23,679

is in in the room with him or her uh

350

00:17:27,750 --> 00:17:25,520

big i just wanted to mention that i

351
00:17:29,750 --> 00:17:27,760
don't know i thought when i watched this

352
00:17:31,669 --> 00:17:29,760
video that he was working some kind of

353
00:17:33,270 --> 00:17:31,679
switches and machinery or something it

354
00:17:35,350 --> 00:17:33,280
looks like he keeps reaching out

355
00:17:37,669 --> 00:17:35,360
and he's looking in something and doing

356
00:17:42,390 --> 00:17:37,679
something maybe assembling something

357
00:17:47,430 --> 00:17:43,909
and i also wanted to mention from this

358
00:17:49,350 --> 00:17:47,440
angle we could see sort of a close-up

359
00:17:50,470 --> 00:17:49,360
there's a few possibilities for what

360
00:17:52,789 --> 00:17:50,480
this is

361
00:17:53,990 --> 00:17:52,799
and the possibilities are really that

362
00:17:55,669 --> 00:17:54,000
it's a puppet

363
00:17:57,430 --> 00:17:55,679

that's the first possibility the second

364

00:18:01,350 --> 00:17:57,440

possibility is this is all

365

00:18:03,190 --> 00:18:01,360

computer generated images and effects

366

00:18:05,510 --> 00:18:03,200

uh the third possibility that i've heard

367

00:18:10,390 --> 00:18:05,520

people mention is that this could be

368

00:18:13,510 --> 00:18:12,789

but you're based on this head and

369

00:18:15,990 --> 00:18:13,520

everything

370

00:18:17,750 --> 00:18:16,000

that would have to be one hell of a hell

371

00:18:21,830 --> 00:18:17,760

of a prosthetic

372

00:18:25,029 --> 00:18:21,840

um or maybe a life-like movable mask

373

00:18:27,669 --> 00:18:25,039

but we don't see the mouth move so

374

00:18:28,549 --> 00:18:27,679

uh for all we know it's it's some sort

375

00:18:30,789 --> 00:18:28,559

of

376

00:18:31,909 --> 00:18:30,799

latex prosthetic that still allows the

377

00:18:35,270 --> 00:18:31,919

wearer to blink

378

00:18:37,110 --> 00:18:35,280

that's a possibility uh and of course

379

00:18:38,230 --> 00:18:37,120

the fourth possibility is that it's an

380

00:18:41,990 --> 00:18:38,240

alien

381

00:18:43,909 --> 00:18:42,000

who knows cranial head the eyes

382

00:18:45,190 --> 00:18:43,919

that classically have been associated

383

00:18:46,630 --> 00:18:45,200

with aliens

384

00:18:48,470 --> 00:18:46,640

what's really interesting though is that

385

00:18:50,549 --> 00:18:48,480

we hear the sound of the projector

386

00:18:53,990 --> 00:18:50,559

playing in the background

387

00:18:55,590 --> 00:18:54,000

no uh that's stupid the original videos

388

00:18:58,950 --> 00:18:55,600

which

389

00:18:59,830 --> 00:18:58,960

were posted they had this guy is saying

390

00:19:03,430 --> 00:18:59,840

it's the sound

391

00:19:04,630 --> 00:19:03,440

of the video projector like a film

392

00:19:07,830 --> 00:19:04,640

projector and no

393

00:19:11,110 --> 00:19:07,840

it's not i took apart the audio and

394

00:19:14,870 --> 00:19:11,120

i could clearly see loop points

395

00:19:16,710 --> 00:19:14,880

so that means that the audio was added

396

00:19:18,549 --> 00:19:16,720

it was a sound effect of a film

397

00:19:22,230 --> 00:19:18,559

projector that was added

398

00:19:24,310 --> 00:19:22,240

on top of the video which

399

00:19:25,990 --> 00:19:24,320

made me sad because then i knew that

400

00:19:28,230 --> 00:19:26,000

this was somehow

401
00:19:30,710 --> 00:19:28,240
at least partially manipulated why would

402
00:19:37,029 --> 00:19:30,720
somebody add a film projector

403
00:19:43,150 --> 00:19:39,110
so it appears that whoever released this

404
00:19:46,190 --> 00:19:43,160
video and by the way it was released by

405
00:19:48,070 --> 00:19:46,200
ivan0135 no one really knows who

406
00:19:50,630 --> 00:19:48,080
ivan0135 is

407
00:19:52,230 --> 00:19:50,640
he only released or she only released or

408
00:19:54,789 --> 00:19:52,240
they only released

409
00:19:55,669 --> 00:19:54,799
four videos this is the second one in

410
00:19:59,110 --> 00:19:55,679
the series so

411
00:20:01,190 --> 00:19:59,120
may 1 this appears yeah so

412
00:20:02,549 --> 00:20:01,200
the the user that originally uploaded

413
00:20:04,870 --> 00:20:02,559

these on their channel

414

00:20:06,470 --> 00:20:04,880

they only have those videos they never

415

00:20:08,470 --> 00:20:06,480

followed up with more

416

00:20:10,630 --> 00:20:08,480

nobody ever found out who the uploader

417

00:20:14,390 --> 00:20:10,640

was or their real identity

418

00:20:17,270 --> 00:20:14,400

so it's it's a great mystery still today

419

00:20:18,870 --> 00:20:17,280

and the alien clearly looks to be

420

00:20:21,029 --> 00:20:18,880

extremely realistic

421

00:20:22,870 --> 00:20:21,039

you see the eyes of blinking in a way

422

00:20:25,830 --> 00:20:22,880

that looks like it could well be real

423

00:20:26,870 --> 00:20:25,840

i mean if it's fake whoever faked it

424

00:20:29,669 --> 00:20:26,880

went through the pain

425

00:20:31,990 --> 00:20:29,679

of basically aging footage or making

426

00:20:34,070 --> 00:20:32,000

footage look like it's really old

427

00:20:35,909 --> 00:20:34,080

has a lot you know sound over an old

428

00:20:39,110 --> 00:20:35,919

projector in the background

429

00:20:41,510 --> 00:20:39,120

and then apparently an alien with very

430

00:20:43,510 --> 00:20:41,520

very natural things occurring the the

431

00:20:44,950 --> 00:20:43,520

way the skin

432

00:20:47,029 --> 00:20:44,960

yeah one of the things i noticed is that

433

00:20:49,830 --> 00:20:47,039

we see brown movements

434

00:20:51,510 --> 00:20:49,840

up here uh throughout the video as well

435

00:20:55,029 --> 00:20:51,520

as the blinking

436

00:20:57,669 --> 00:20:55,039

you also it really looks

437

00:20:59,270 --> 00:20:57,679

pretty natural and realistic why would

438

00:21:00,950 --> 00:20:59,280

there be brown movement up here if it

439

00:21:01,590 --> 00:21:00,960

was a puppet you probably wouldn't

440

00:21:04,789 --> 00:21:01,600

include

441

00:21:06,710 --> 00:21:04,799

brown movement in a puppet uh cgi

442

00:21:07,909 --> 00:21:06,720

maybe if it was a prosthetic that would

443

00:21:10,789 --> 00:21:07,919

be a difficult thing

444

00:21:11,669 --> 00:21:10,799

to you know you need like air pumps and

445

00:21:14,710 --> 00:21:11,679

pressure

446

00:21:17,350 --> 00:21:14,720

you know maybe hydraulic i don't know to

447

00:21:19,190 --> 00:21:17,360

move around the brows while this alien

448

00:21:21,909 --> 00:21:19,200

is looking around

449

00:21:22,470 --> 00:21:21,919

it's a if it's fake it's it's really

450

00:21:28,149 --> 00:21:22,480

well

451
00:21:29,510 --> 00:21:28,159
uh appears around the eyes when the

452
00:21:31,110 --> 00:21:29,520
blinking is occurring

453
00:21:32,789 --> 00:21:31,120
some people on the internet have pointed

454
00:21:34,310 --> 00:21:32,799
out it looks very realistic

455
00:21:35,990 --> 00:21:34,320
other people pointed out it could be

456
00:21:36,230 --> 00:21:36,000
fake let me tell you something if this

457
00:21:39,190 --> 00:21:36,240
is

458
00:21:39,909 --> 00:21:39,200
fake it's an extremely extremely good

459
00:21:42,310 --> 00:21:39,919
job

460
00:21:43,669 --> 00:21:42,320
and i i compare that to a video that

461
00:21:46,149 --> 00:21:43,679
i'll mention in a minute

462
00:21:46,870 --> 00:21:46,159
but i gotta tell you it's an extremely

463
00:21:49,510 --> 00:21:46,880

extremely

464

00:21:51,190 --> 00:21:49,520

believable scene yeah and i agree with

465

00:21:52,950 --> 00:21:51,200

this gentleman that it's extremely

466

00:21:55,990 --> 00:21:52,960

believable

467

00:21:58,470 --> 00:21:56,000

it's probably the best on

468

00:21:59,510 --> 00:21:58,480

it's probably the best video of an alien

469

00:22:02,950 --> 00:21:59,520

that i've ever seen

470

00:22:05,029 --> 00:22:02,960

that was not yet proven to be fake

471

00:22:06,070 --> 00:22:05,039

it's been a series of alien videos that

472

00:22:08,149 --> 00:22:06,080

came out that were

473

00:22:09,750 --> 00:22:08,159

later proven to be hoaxes and those did

474

00:22:12,310 --> 00:22:09,760

not look this good

475

00:22:13,270 --> 00:22:12,320

none of them did this one sort of stands

476
00:22:15,990 --> 00:22:13,280
alone

477
00:22:17,590 --> 00:22:16,000
you see the alien from a profile shot

478
00:22:19,669 --> 00:22:17,600
and then you see the alien some sort of

479
00:22:20,870 --> 00:22:19,679
like a mug shot or some kind of way the

480
00:22:22,789 --> 00:22:20,880
military might

481
00:22:24,310 --> 00:22:22,799
you know document the alien the way it

482
00:22:25,990 --> 00:22:24,320
looks full frontal

483
00:22:28,070 --> 00:22:26,000
you know looking at the aliens straight

484
00:22:32,789 --> 00:22:28,080
up straight on

485
00:22:35,510 --> 00:22:32,799
so then on may 8th whoever ivan0135

486
00:22:37,830 --> 00:22:35,520
is he puts out or she puts out or they

487
00:22:38,390 --> 00:22:37,840
put out some kind of a message to the

488
00:22:40,630 --> 00:22:38,400

internet

489

00:22:42,390 --> 00:22:40,640

saying hey look you might be critiquing

490

00:22:44,470 --> 00:22:42,400

us basically paraphrasing

491

00:22:45,430 --> 00:22:44,480

but you'll never figure this out

492

00:22:47,830 --> 00:22:45,440

basically

493

00:22:49,350 --> 00:22:47,840

we yeah the material isn't this is the

494

00:22:50,789 --> 00:22:49,360

message the material is an edited

495

00:22:52,470 --> 00:22:50,799

compilation of the documents that we

496

00:22:53,990 --> 00:22:52,480

have your opinion

497

00:22:55,590 --> 00:22:54,000

and the conclusion you draw from this

498

00:22:56,870 --> 00:22:55,600

material do not depend on us

499

00:23:02,070 --> 00:22:56,880

maybe you are looking in the wrong

500

00:23:04,870 --> 00:23:03,430

you are the ones who reject this

501

00:23:06,310 --> 00:23:04,880

material and there we see a

502

00:23:09,110 --> 00:23:06,320

three-fingered hand

503

00:23:09,669 --> 00:23:09,120

which i guess is uh the alien's hand it

504

00:23:11,350 --> 00:23:09,679

looked

505

00:23:13,430 --> 00:23:11,360

like three-fingered in the video they

506

00:23:14,789 --> 00:23:13,440

are you know in control of the material

507

00:23:18,230 --> 00:23:14,799

is the implication

508

00:23:20,310 --> 00:23:18,240

uh there is no tv show film

509

00:23:21,669 --> 00:23:20,320

any kind of you know entertainment uh

510

00:23:23,430 --> 00:23:21,679

product associated with this

511

00:23:25,190 --> 00:23:23,440

you could really connect to it and

512

00:23:27,029 --> 00:23:25,200

really puts the yeah and i

513

00:23:28,549 --> 00:23:27,039

that was my original thought too when i

514

00:23:30,470 --> 00:23:28,559

first saw this video i thought that it

515

00:23:33,190 --> 00:23:30,480

was pulled from a movie

516

00:23:35,029 --> 00:23:33,200

and then manipulated and i have and no

517

00:23:37,270 --> 00:23:35,039

one has been able to prove that that

518

00:23:39,190 --> 00:23:37,280

is the case we cannot find this source

519

00:23:42,870 --> 00:23:39,200

material anywhere else

520

00:23:45,990 --> 00:23:42,880

in uh either fictional material ufo

521

00:23:48,549 --> 00:23:46,000

documentaries there was a pretty famous

522

00:23:49,750 --> 00:23:48,559

uh another hoaxed video that was

523

00:23:53,029 --> 00:23:49,760

reported to be like

524

00:23:54,789 --> 00:23:53,039

army people grabbing uh aliens from a

525

00:23:57,990 --> 00:23:54,799

crash site and throwing them on a gurney

526
00:24:01,110 --> 00:23:58,000
that was proven to be from the roswell

527
00:24:03,190 --> 00:24:01,120
hollywood movie later and that

528
00:24:04,149 --> 00:24:03,200
really uh made the rounds for a long

529
00:24:06,310 --> 00:24:04,159
time like see

530
00:24:08,549 --> 00:24:06,320
look that's that's the army grabbing

531
00:24:10,310 --> 00:24:08,559
those roswell aliens and it turned out

532
00:24:11,510 --> 00:24:10,320
to be just taken from a movie and then

533
00:24:14,070 --> 00:24:11,520
manipulate it

534
00:24:15,909 --> 00:24:14,080
word out there in more ways you know you

535
00:24:16,710 --> 00:24:15,919
guys are being more skeptical than you

536
00:24:18,789 --> 00:24:16,720
need to be

537
00:24:19,830 --> 00:24:18,799
this is a real disclosure this is

538
00:24:21,990 --> 00:24:19,840

disclosure

539

00:24:24,470 --> 00:24:22,000

so that's the implication of this of the

540

00:24:27,909 --> 00:24:24,480

three sequences that we've seen so far

541

00:24:30,870 --> 00:24:27,919

april 13 may 1 and may 8.

542

00:24:31,350 --> 00:24:30,880

and then on may 17th may 17th we get the

543

00:24:35,190 --> 00:24:31,360

shots

544

00:24:38,070 --> 00:24:35,200

of the sort of crash i suppose

545

00:24:38,950 --> 00:24:38,080

and the multiple alien shots and i have

546

00:24:41,510 --> 00:24:38,960

to say that

547

00:24:42,470 --> 00:24:41,520

this looks a little a lot more blurred

548

00:24:44,870 --> 00:24:42,480

less clear

549

00:24:47,190 --> 00:24:44,880

and the aliens when they show multiple

550

00:24:50,630 --> 00:24:47,200

aliens seemed a lot less

551
00:24:52,149 --> 00:24:50,640
detailed um and that of course is

552
00:24:53,909 --> 00:24:52,159
suspect as well how come when you're

553
00:24:54,950 --> 00:24:53,919
showing a single alien there's all this

554
00:24:56,710 --> 00:24:54,960
incredible

555
00:24:58,310 --> 00:24:56,720
clarity in detail when you're showing

556
00:25:01,510 --> 00:24:58,320
them multiple aliens

557
00:25:03,830 --> 00:25:01,520
it's grainy it's blurred out and

558
00:25:08,070 --> 00:25:03,840
uh it's hard to see the details of the

559
00:25:13,909 --> 00:25:11,110
there appears to be this incredible

560
00:25:15,909 --> 00:25:13,919
family vacation video that's released

561
00:25:18,070 --> 00:25:15,919
that's right now the story is

562
00:25:18,950 --> 00:25:18,080
that the military was involved in some

563
00:25:23,590 --> 00:25:18,960

kind of

564

00:25:26,630 --> 00:25:23,600

interaction with these alien beings

565

00:25:28,710 --> 00:25:26,640

but apparently in 1961 and apparently

566

00:25:30,310 --> 00:25:28,720

these videos go from or these films go

567

00:25:33,669 --> 00:25:30,320

from 1942

568

00:25:35,669 --> 00:25:33,679

to 1961 whatever that means but this

569

00:25:38,149 --> 00:25:35,679

event on this particular last

570

00:25:41,430 --> 00:25:38,159

fourth tape uh appears to be what

571

00:25:43,110 --> 00:25:41,440

they're calling a family vacation

572

00:25:44,710 --> 00:25:43,120

and the family vacation involves

573

00:25:46,789 --> 00:25:44,720

apparently uh

574

00:25:48,390 --> 00:25:46,799

a secret video that was filmed by

575

00:25:50,230 --> 00:25:48,400

military officers

576
00:25:52,230 --> 00:25:50,240
who weren't really allowed to be filming

577
00:25:54,070 --> 00:25:52,240
these aliens apparently they had

578
00:25:56,710 --> 00:25:54,080
secretly had a camera

579
00:25:57,909 --> 00:25:56,720
brought to the scene against the treaty

580
00:26:00,549 --> 00:25:57,919
against the treaty's

581
00:26:02,390 --> 00:26:00,559
um mandates and basically they filmed

582
00:26:05,669 --> 00:26:02,400
these aliens moving around

583
00:26:07,590 --> 00:26:05,679
now look again in this footage the

584
00:26:10,950 --> 00:26:07,600
aliens features are very blurry

585
00:26:11,909 --> 00:26:10,960
very obscured very uh grainy which i

586
00:26:14,310 --> 00:26:11,919
find suspect

587
00:26:16,070 --> 00:26:14,320
again why when we see the single alien

588
00:26:18,310 --> 00:26:16,080

is the footage so good and when we see

589

00:26:21,510 --> 00:26:18,320

these multiple aliens walking around

590

00:26:23,269 --> 00:26:21,520

it gets uh significantly deteriorated

591

00:26:24,549 --> 00:26:23,279

they call it a family vacation maybe

592

00:26:26,710 --> 00:26:24,559

that's a bit of a joke

593

00:26:28,070 --> 00:26:26,720

i don't know but it's very interesting

594

00:26:31,029 --> 00:26:28,080

how it kind of

595

00:26:33,190 --> 00:26:31,039

ends on this event where the military

596

00:26:34,950 --> 00:26:33,200

apparently broke the rules

597

00:26:37,110 --> 00:26:34,960

and they had to revise the treaty

598

00:26:39,590 --> 00:26:37,120

according to

599

00:26:41,350 --> 00:26:39,600

one ivan five apparently that there is

600

00:26:41,590 --> 00:26:41,360

some sort of a uh you know breaking of

601
00:26:47,350 --> 00:26:41,600
the

602
00:26:49,909 --> 00:26:47,360
interactions for all we know

603
00:26:52,710 --> 00:26:49,919
yeah so that's an excellent sort of

604
00:26:55,909 --> 00:26:52,720
breakdown of the history of

605
00:27:01,029 --> 00:26:55,919
you know when the videos were posted

606
00:27:08,549 --> 00:27:06,230
i uh was gonna show

607
00:27:10,710 --> 00:27:08,559
if you'll indulge me for a moment just

608
00:27:20,950 --> 00:27:10,720
to show people

609
00:27:22,870 --> 00:27:20,960
uh let me see one second

610
00:27:24,789 --> 00:27:22,880
a second i'm gonna have to find this

611
00:27:33,430 --> 00:27:24,799
really quickly friends please bear with

612
00:27:37,510 --> 00:27:36,549
okay go to my old youtube channel and

613
00:27:40,310 --> 00:27:37,520

pull out

614

00:27:41,510 --> 00:27:40,320

a really old video that i produced quite

615

00:27:45,750 --> 00:27:41,520

a long time ago but

616

00:27:48,870 --> 00:27:45,760

i i just wanted to show this to show

617

00:27:51,990 --> 00:27:48,880

some that i have uh more than

618

00:27:57,269 --> 00:27:52,000

some familiarity with puppets and

619

00:28:04,710 --> 00:28:02,630

okay one second

620

00:28:06,470 --> 00:28:04,720

you know a lot of people that are very

621

00:28:07,269 --> 00:28:06,480

skeptical of this video have said it's a

622

00:28:10,389 --> 00:28:07,279

puppet they're all

623

00:28:12,630 --> 00:28:10,399

they're just puppets and uh i disagree

624

00:28:13,830 --> 00:28:12,640

i know a lot of people that uh work with

625

00:28:16,710 --> 00:28:13,840

puppets on film

626

00:28:18,789 --> 00:28:16,720

too besides my own experience with them

627

00:28:23,190 --> 00:28:18,799

and

628

00:28:27,190 --> 00:28:23,200

uh what can i tell you friends it's

629

00:28:30,870 --> 00:28:30,149

it's very difficult it's nearly

630

00:28:34,310 --> 00:28:30,880

impossible

631

00:28:38,310 --> 00:28:36,389

to believe that these are these are

632

00:28:40,950 --> 00:28:38,320

puppets in the video

633

00:28:42,789 --> 00:28:40,960

and you know i like to depend on people

634

00:28:44,310 --> 00:28:42,799

who have actual experience when they

635

00:28:46,149 --> 00:28:44,320

make statements

636

00:28:48,230 --> 00:28:46,159

somebody saying it's a puppet when they

637

00:28:49,190 --> 00:28:48,240

don't have any experience with puppet

638

00:28:51,669 --> 00:28:49,200

work especially

639

00:28:52,389 --> 00:28:51,679

creating puppet work on film really

640

00:28:54,950 --> 00:28:52,399

shouldn't be

641

00:28:57,110 --> 00:28:54,960

uh you know putting their mouth in gear

642

00:29:00,230 --> 00:28:57,120

if they don't have the facts

643

00:29:06,470 --> 00:29:00,240

i talked to um

644

00:29:11,430 --> 00:29:08,630

well i talked to somebody that's well

645

00:29:13,110 --> 00:29:11,440

known for puppets he worked for a time

646

00:29:14,470 --> 00:29:13,120

for kevin smith if you ever saw the

647

00:29:16,389 --> 00:29:14,480

buddy christ statue

648

00:29:17,830 --> 00:29:16,399

he created it he's a friend of mine he

649

00:29:19,990 --> 00:29:17,840

does special effects

650

00:29:21,590 --> 00:29:20,000

we talked about this video he mentioned

651
00:29:23,110 --> 00:29:21,600
my own puppet work and he said your

652
00:29:24,389 --> 00:29:23,120
puppet works pretty good could you do

653
00:29:26,710 --> 00:29:24,399
that and i said no

654
00:29:28,470 --> 00:29:26,720
and then i said your puppet work is

655
00:29:29,110 --> 00:29:28,480
better than mine could you do that and

656
00:29:32,230 --> 00:29:29,120
he said

657
00:29:33,430 --> 00:29:32,240
no so it is what it is but i wanted to

658
00:29:36,149 --> 00:29:33,440
just show

659
00:29:36,710 --> 00:29:36,159
um i want to show some of my old puppet

660
00:29:38,789 --> 00:29:36,720
work

661
00:29:39,990 --> 00:29:38,799
just so that people know that when i say

662
00:29:43,029 --> 00:29:40,000
it's not a puppet i

663
00:29:45,029 --> 00:29:43,039

do know something about

664

00:29:47,029 --> 00:29:45,039

uh i definitely know something about

665

00:29:49,269 --> 00:29:47,039

putting puppets on film

666

00:29:50,070 --> 00:29:49,279

this is an old magic video of mine that

667

00:29:53,269 --> 00:29:50,080

was on

668

00:29:55,350 --> 00:29:53,279

mine tv in philadelphia long time ago

669

00:29:56,389 --> 00:29:55,360

there was uh something called mind tv in

670

00:29:58,549 --> 00:29:56,399

philadelphia

671

00:29:59,669 --> 00:29:58,559

public access and i was one of the early

672

00:30:03,430 --> 00:29:59,679

people

673

00:30:06,470 --> 00:30:03,440

um doing a show about magic and

674

00:30:11,170 --> 00:30:06,480

all matter of weirdness really

675

00:30:15,190 --> 00:30:11,180

uh so let's take a watch of this

676

00:30:18,630 --> 00:30:15,200

[Music]

677

00:30:21,350 --> 00:30:18,640

welcome back to the lost world of magic

678

00:30:22,470 --> 00:30:21,360

in this warehouse get away from the rest

679

00:30:24,710 --> 00:30:22,480

of the world

680

00:30:27,190 --> 00:30:24,720

cambium has collected some of the

681

00:30:30,470 --> 00:30:27,200

greatest secrets of magic

682

00:30:31,990 --> 00:30:30,480

these secrets of magic he has been

683

00:30:35,110 --> 00:30:32,000

selecting them

684

00:30:39,350 --> 00:30:35,120

for many many years

685

00:30:42,389 --> 00:30:39,360

this search it seems never ends

686

00:30:46,149 --> 00:30:42,399

sometimes when a magician dies

687

00:30:49,269 --> 00:30:46,159

some of their illusions can look here

688

00:30:51,029 --> 00:30:49,279

some secrets are too important to let

689

00:30:54,070 --> 00:30:51,039

just die

690

00:30:57,190 --> 00:30:54,080

by keeping them here we keep them

691

00:31:00,149 --> 00:30:57,200

alive and so nearly wait

692

00:31:02,630 --> 00:31:00,159

until the right place and the right time

693

00:31:06,149 --> 00:31:02,640

this is how the magic of the past

694

00:31:14,389 --> 00:31:10,870

yeah so just to display i i did a lot of

695

00:31:16,149 --> 00:31:14,399

stuff with puppets on film and uh

696

00:31:17,509 --> 00:31:16,159

got pretty good at it that's just a

697

00:31:19,750 --> 00:31:17,519

that's an actual

698

00:31:21,990 --> 00:31:19,760

pretty early example i have a lot better

699

00:31:24,549 --> 00:31:22,000

puppet work

700

00:31:25,669 --> 00:31:24,559

but uh i don't i didn't have videos

701
00:31:27,669 --> 00:31:25,679

handy

702
00:31:28,710 --> 00:31:27,679

my point is that when people say it's a

703
00:31:30,470 --> 00:31:28,720

puppet go

704
00:31:31,990 --> 00:31:30,480

talk to people who know something about

705
00:31:35,110 --> 00:31:32,000

puppets i don't believe

706
00:31:37,029 --> 00:31:35,120

it's a puppet most people that know

707
00:31:37,430 --> 00:31:37,039

anything about puppets and puppeteering

708
00:31:40,310 --> 00:31:37,440

and

709
00:31:41,029 --> 00:31:40,320

especially putting puppets on film would

710
00:31:44,230 --> 00:31:41,039

disagree

711
00:31:46,230 --> 00:31:44,240

that it is a puppet okay so i'm gonna

712
00:31:48,630 --> 00:31:46,240

cite fair use for one more

713
00:31:50,230 --> 00:31:48,640

just one more piece friends one more

714

00:31:53,190 --> 00:31:50,240

piece and that is

715

00:31:54,470 --> 00:31:53,200

we have a comment on this video and it's

716

00:31:57,509 --> 00:31:54,480

it's significance

717

00:32:01,029 --> 00:31:57,519

whether it's real or not from nick

718

00:32:02,710 --> 00:32:01,039

pope actually and i thought that he made

719

00:32:07,830 --> 00:32:02,720

some great points

720

00:32:11,350 --> 00:32:07,840

about this uh about this

721

00:32:12,389 --> 00:32:11,360

series of videos so we're going to cite

722

00:32:15,110 --> 00:32:12,399

fair use

723

00:32:17,110 --> 00:32:15,120

we're educating the public on these

724

00:32:18,149 --> 00:32:17,120

series of videos called the skinny bob

725

00:32:21,190 --> 00:32:18,159

videos

726
00:32:21,750 --> 00:32:21,200
we will be discussing what mr pope has

727
00:32:24,789 --> 00:32:21,760
to say

728
00:32:25,430 --> 00:32:24,799
in the following clip this is fair use

729
00:32:27,750 --> 00:32:25,440
it's

730
00:32:30,070 --> 00:32:27,760
the definition of fair use so we're

731
00:32:34,789 --> 00:32:30,080
going to cite fair use and use

732
00:32:34,799 --> 00:32:40,710
okay one second friends

733
00:32:46,310 --> 00:32:44,470
alien life does it exist and if so has

734
00:32:48,149 --> 00:32:46,320
it ever visited earth

735
00:32:50,549 --> 00:32:48,159
these are questions humans have been

736
00:32:52,549 --> 00:32:50,559
hoping to answer for years

737
00:32:55,190 --> 00:32:52,559
the latest claim of proof has appeared

738
00:32:56,870 --> 00:32:55,200

on youtube claiming to be leaked footage

739

00:32:59,909 --> 00:32:56,880
of an extraterrestrial being

740

00:33:01,669 --> 00:32:59,919
interrogated over 50 years ago

741

00:33:03,669 --> 00:33:01,679
we asked nick pope who used to

742

00:33:04,630 --> 00:33:03,679
investigate ufos for the ministry of

743

00:33:07,430 --> 00:33:04,640
defense

744

00:33:08,549 --> 00:33:07,440
what he thinks of this sensational video

745

00:33:10,870 --> 00:33:08,559
for those who don't know

746

00:33:12,070 --> 00:33:10,880
nick pope was once the person that was

747

00:33:15,190 --> 00:33:12,080
sort of in charge of

748

00:33:15,909 --> 00:33:15,200
england's program to study ufos of

749

00:33:18,149 --> 00:33:15,919
course

750

00:33:20,549 --> 00:33:18,159
lately i've heard some things that that

751
00:33:21,750 --> 00:33:20,559
may or may not be very accurate but nick

752
00:33:25,990 --> 00:33:21,760
pope is a fixture

753
00:33:32,149 --> 00:33:29,750
and uh you know has done lectures in

754
00:33:33,269 --> 00:33:32,159
the conference circuit for a decade

755
00:33:36,870 --> 00:33:33,279
based on his uh

756
00:33:40,870 --> 00:33:38,549
the english equivalent of the department

757
00:33:42,789 --> 00:33:40,880
of defense

758
00:33:44,389 --> 00:33:42,799
this is one of the better fakes that

759
00:33:46,870 --> 00:33:44,399
i've seen um

760
00:33:47,830 --> 00:33:46,880
looking at the skills of of the the

761
00:33:49,990 --> 00:33:47,840
filmmaker

762
00:33:52,389 --> 00:33:50,000
i think it's it's a nice piece of work

763
00:33:54,310 --> 00:33:52,399

it's well put together

764

00:33:56,789 --> 00:33:54,320

the black and white imagery is a nice

765

00:33:57,830 --> 00:33:56,799

touch because it plays into that whole

766

00:33:59,269 --> 00:33:57,840

idea that this

767

00:34:01,190 --> 00:33:59,279

might be something that's been in the

768

00:34:04,830 --> 00:34:01,200

government vaults for a while might even

769

00:34:05,990 --> 00:34:04,840

relate to roswell the holy grail of

770

00:34:07,990 --> 00:34:06,000

ufology

771

00:34:10,230 --> 00:34:08,000

yeah and it's interesting i've mentioned

772

00:34:12,790 --> 00:34:10,240

this before that many hoaxes

773

00:34:13,430 --> 00:34:12,800

sort of tack on to an already believed

774

00:34:16,710 --> 00:34:13,440

event

775

00:34:19,190 --> 00:34:16,720

in ufo mythology or lore and certainly

776

00:34:19,829 --> 00:34:19,200

roswell is one of the most famous ufo

777

00:34:23,030 --> 00:34:19,839

events

778

00:34:24,950 --> 00:34:23,040

and stories and roswell is generally

779

00:34:26,149 --> 00:34:24,960

believed by most people who believe in

780

00:34:28,470 --> 00:34:26,159

aliens and the government

781

00:34:29,270 --> 00:34:28,480

cover up so interesting that they tack

782

00:34:32,829 --> 00:34:29,280

on to

783

00:34:35,270 --> 00:34:32,839

roswell and sort of try to make that

784

00:34:37,270 --> 00:34:35,280

connection

785

00:34:39,589 --> 00:34:37,280

people i think have a number of

786

00:34:40,790 --> 00:34:39,599

different motivations for creating

787

00:34:43,030 --> 00:34:40,800

something like this

788

00:34:44,230 --> 00:34:43,040

and it's clearly an exceptional piece of

789

00:34:47,270 --> 00:34:44,240

work and some

790

00:34:48,069 --> 00:34:47,280

cgi filmmakers actually use something

791

00:34:50,869 --> 00:34:48,079

like this to

792

00:34:52,149 --> 00:34:50,879

showcase their skills yeah that i would

793

00:34:56,869 --> 00:34:52,159

agree with however most

794

00:35:00,630 --> 00:34:56,879

cgi artists or filmmakers the time

795

00:35:02,230 --> 00:35:00,640

you know i am not a cgi person but i

796

00:35:05,750 --> 00:35:02,240

know enough about cgi

797

00:35:07,670 --> 00:35:05,760

and blender and a lot of 3d rendered

798

00:35:12,790 --> 00:35:07,680

animation software that

799

00:35:16,630 --> 00:35:12,800

to do this level of of a cgi creature

800

00:35:18,950 --> 00:35:16,640

would be probably hundreds of hours so

801
00:35:21,430 --> 00:35:18,960
i've always wondered why that person put

802
00:35:22,630 --> 00:35:21,440
so much work into this if it is fake and

803
00:35:24,630 --> 00:35:22,640
never

804
00:35:26,870 --> 00:35:24,640
stood up and came forward to take the

805
00:35:30,069 --> 00:35:26,880
credit for it one of the other reasons

806
00:35:32,470 --> 00:35:30,079
why people are hoax is simply the joy of

807
00:35:33,589 --> 00:35:32,480
putting one over on someone never ever

808
00:35:35,990 --> 00:35:33,599
underestimate

809
00:35:37,030 --> 00:35:36,000
the appeal that that has the interesting

810
00:35:39,030 --> 00:35:37,040
thing is this video

811
00:35:40,950 --> 00:35:39,040
yeah i would say that for many hoaxers

812
00:35:43,430 --> 00:35:40,960
it's kind of a game like see how smart i

813
00:35:45,589 --> 00:35:43,440

am i can fool all these people

814

00:35:46,630 --> 00:35:45,599

could be isn't going to change anyone's

815

00:35:49,030 --> 00:35:46,640

mind

816

00:35:50,310 --> 00:35:49,040

believers will go on believing skeptics

817

00:35:51,510 --> 00:35:50,320

will go on thinking it's a load of

818

00:35:53,430 --> 00:35:51,520

nonsense

819

00:35:54,870 --> 00:35:53,440

if anything a film like this is going to

820

00:35:58,109 --> 00:35:54,880

polarize people's

821

00:36:00,470 --> 00:35:58,119

beliefs those who believe in ufos and

822

00:36:01,910 --> 00:36:00,480

extraterrestrials will say this proves

823

00:36:03,589 --> 00:36:01,920

my point i was right all along

824

00:36:05,589 --> 00:36:03,599

skeptics are going to say it's such an

825

00:36:07,990 --> 00:36:05,599

obvious fake if that's all you've got

826
00:36:08,710 --> 00:36:08,000
just proves it's nonsense yeah and that

827
00:36:11,109 --> 00:36:08,720
i agree with

828
00:36:11,990 --> 00:36:11,119
i think that most ufo believers that

829
00:36:14,790 --> 00:36:12,000
i've talked to

830
00:36:17,829 --> 00:36:14,800
think this video is real people who are

831
00:36:20,870 --> 00:36:17,839
let's just say the true believers

832
00:36:23,030 --> 00:36:20,880
and people who are not believers

833
00:36:25,510 --> 00:36:23,040
in ufos and aliens and the whole

834
00:36:27,589 --> 00:36:25,520
government covered it up

835
00:36:29,829 --> 00:36:27,599
those people generally think that this

836
00:36:33,430 --> 00:36:29,839
is fake so

837
00:36:37,270 --> 00:36:33,440
has this moved the debate forward at all

838
00:36:40,069 --> 00:36:37,280

no and uh again this does not

839

00:36:40,550 --> 00:36:40,079

pass the test of falsifiability meaning

840

00:36:43,349 --> 00:36:40,560

it can

841

00:36:45,030 --> 00:36:43,359

this can neither be proven to be true

842

00:36:47,589 --> 00:36:45,040

nor proven to be fake

843

00:36:49,109 --> 00:36:47,599

so to me it has very little evidentiary

844

00:36:52,150 --> 00:36:49,119

value

845

00:36:52,870 --> 00:36:52,160

uh but yet you know it's definitely had

846

00:36:55,190 --> 00:36:52,880

a cultural

847

00:36:56,630 --> 00:36:55,200

impact and significance especially in

848

00:36:59,510 --> 00:36:56,640

the ufo community

849

00:37:00,069 --> 00:36:59,520

most people are aware of this video and

850

00:37:01,910 --> 00:37:00,079

uh

851
00:37:03,349 --> 00:37:01,920
and most people have an opinion on it

852
00:37:06,470 --> 00:37:03,359
whether it is real or

853
00:37:08,790 --> 00:37:06,480
fake and i've seen debates rage

854
00:37:10,870 --> 00:37:08,800
on like above top secret and avalon

855
00:37:11,829 --> 00:37:10,880
forums and other places that talk about

856
00:37:19,349 --> 00:37:11,839
this stuff

857
00:37:23,030 --> 00:37:22,710
a film like this ends up as being not

858
00:37:25,589 --> 00:37:23,040
just

859
00:37:27,430 --> 00:37:25,599
interesting from a cultural and

860
00:37:30,630 --> 00:37:27,440
sociological point of view

861
00:37:33,910 --> 00:37:30,640
but i think it's it's something that um

862
00:37:36,390 --> 00:37:33,920
will end up being used as ammunition

863
00:37:38,630 --> 00:37:36,400

in this ongoing dog fight between the

864

00:37:42,230 --> 00:37:38,640

skeptics and the believers

865

00:37:45,750 --> 00:37:42,240

yeah exactly so it just becomes

866

00:37:50,069 --> 00:37:45,760

it just becomes fodder for debate on

867

00:37:52,470 --> 00:37:50,079

you know uh on websites you know those

868

00:37:53,910 --> 00:37:52,480

like this just becomes another story for

869

00:37:57,190 --> 00:37:53,920

people to argue about and

870

00:38:00,390 --> 00:37:57,200

endlessly on ufo twitter or

871

00:38:02,790 --> 00:38:00,400

you know uh

872

00:38:06,950 --> 00:38:02,800

on message forums i've seen people

873

00:38:15,030 --> 00:38:10,870

the debate never ends on this video

874

00:38:17,670 --> 00:38:15,040

so where are we at with this

875

00:38:18,550 --> 00:38:17,680

well we're at an impasse because i'd

876

00:38:22,630 --> 00:38:18,560

like to prove

877

00:38:25,030 --> 00:38:22,640

it was fake

878

00:38:26,630 --> 00:38:25,040

so i can put it in one bin or the other

879

00:38:31,109 --> 00:38:26,640

but i can

880

00:38:35,030 --> 00:38:31,119

so this video this series of videos

881

00:38:38,150 --> 00:38:35,040

stays in my gray bin maybe it's real

882

00:38:40,550 --> 00:38:38,160

maybe it's fake maybe someday

883

00:38:42,230 --> 00:38:40,560

the person that created it would step

884

00:38:44,390 --> 00:38:42,240

forward to take credit and we could all

885

00:38:46,790 --> 00:38:44,400

know

886

00:38:47,430 --> 00:38:46,800

that it was fake or that it was real now

887

00:38:51,910 --> 00:38:47,440

i mentioned

888

00:38:55,829 --> 00:38:51,920

there's just a few possibilities here uh

889

00:38:59,990 --> 00:38:55,839

that it is a puppet i don't believe that

890

00:39:01,589 --> 00:39:00,000

that it is a child in prosthetics

891

00:39:03,270 --> 00:39:01,599

i'm not sure i believe that based on

892

00:39:04,870 --> 00:39:03,280

looking at this alien

893

00:39:07,030 --> 00:39:04,880

would have to be one hell of a creature

894

00:39:09,589 --> 00:39:07,040

designer prosthetics maker

895

00:39:10,390 --> 00:39:09,599

especially to make those brows move when

896

00:39:13,510 --> 00:39:10,400

the eyes

897

00:39:14,230 --> 00:39:13,520

open and close so i'm not sure that i

898

00:39:17,990 --> 00:39:14,240

believe that

899

00:39:21,190 --> 00:39:18,000

the third explanation is it could be

900

00:39:23,430 --> 00:39:21,200

a cgi created

901
00:39:24,950 --> 00:39:23,440
animated creature but that would take

902
00:39:26,630 --> 00:39:24,960
hundreds of hours for somebody to

903
00:39:27,430 --> 00:39:26,640
animate this thing and then they'd have

904
00:39:30,790 --> 00:39:27,440
to

905
00:39:33,030 --> 00:39:30,800
uh you know give it that aged film

906
00:39:34,950 --> 00:39:33,040
black and white treatment and that would

907
00:39:36,390 --> 00:39:34,960
take a lot of computer rendering time

908
00:39:39,589 --> 00:39:36,400
etc

909
00:39:41,270 --> 00:39:39,599
uh so you know if it's a hoax of course

910
00:39:43,030 --> 00:39:41,280
the last possibility is that it's an

911
00:39:44,390 --> 00:39:43,040
alien the other possibility that i

912
00:39:45,190 --> 00:39:44,400
thought about is that it could be a

913
00:39:48,069 --> 00:39:45,200

puppet

914

00:39:48,950 --> 00:39:48,079

which was then later manipulated uh

915

00:39:51,589 --> 00:39:48,960

through

916

00:39:53,430 --> 00:39:51,599

digital effects and animation effects

917

00:39:53,990 --> 00:39:53,440

you know you could have had a static

918

00:39:56,790 --> 00:39:54,000

puppet

919

00:39:57,750 --> 00:39:56,800

without any movement in the actual video

920

00:39:59,829 --> 00:39:57,760

footage and then

921

00:40:01,750 --> 00:39:59,839

the eye movement and brown movement

922

00:40:03,910 --> 00:40:01,760

could have been added

923

00:40:05,190 --> 00:40:03,920

uh through digital effects and computer

924

00:40:07,510 --> 00:40:05,200

animation sort of

925

00:40:08,870 --> 00:40:07,520

taking a puppet and enhancing it i've

926

00:40:11,910 --> 00:40:08,880

done some things like that

927

00:40:14,150 --> 00:40:11,920

kind of like that puppet piece that you

928

00:40:16,870 --> 00:40:14,160

saw that i played earlier of mine

929

00:40:17,990 --> 00:40:16,880

later i learned that i could take the

930

00:40:19,589 --> 00:40:18,000

footage of the puppet

931

00:40:21,910 --> 00:40:19,599

and then i could make him blink

932

00:40:22,550 --> 00:40:21,920

digitally where i can make his eyebrows

933

00:40:25,670 --> 00:40:22,560

raise

934

00:40:25,990 --> 00:40:25,680

or different effects of the face that

935

00:40:28,710 --> 00:40:26,000

the

936

00:40:29,829 --> 00:40:28,720

actual puppet didn't have i could do in

937

00:40:31,510 --> 00:40:29,839

post

938

00:40:32,950 --> 00:40:31,520

with some digital effects software and

939

00:40:35,750 --> 00:40:32,960

animation software

940

00:40:38,790 --> 00:40:35,760

that's another possibility and of course

941

00:40:42,390 --> 00:40:38,800

it's possible that it's a real alien

942

00:40:42,870 --> 00:40:42,400

so friends what do you think is this a

943

00:40:46,470 --> 00:40:42,880

real

944

00:40:49,589 --> 00:40:46,480

alien or is this a hoax

945

00:40:50,470 --> 00:40:49,599

is this a fake i am going to turn my

946

00:40:53,510 --> 00:40:50,480

completeness well

947

00:40:57,109 --> 00:40:53,520

i'm way behind here sorry friends

948

00:41:00,630 --> 00:40:57,119

i'm going to uh turn my total attention

949

00:41:04,630 --> 00:41:03,109

the fact that you can't dismiss it is in

950

00:41:05,270 --> 00:41:04,640

itself pretty cool the way the dude

951
00:41:06,950 --> 00:41:05,280
moves just

952
00:41:08,630 --> 00:41:06,960
reeks of real to me yeah i've heard

953
00:41:10,309 --> 00:41:08,640
people say that the thinness and shape

954
00:41:11,030 --> 00:41:10,319
of the body is interesting the skinny

955
00:41:13,990 --> 00:41:11,040
aspect

956
00:41:15,190 --> 00:41:14,000
absolutely brian cannot tell over there

957
00:41:17,030 --> 00:41:15,200
in the twitch chat

958
00:41:18,470 --> 00:41:17,040
you know i hope we get some more twitch

959
00:41:20,950 --> 00:41:18,480
users because

960
00:41:23,349 --> 00:41:20,960
i think brian cannot tell is over there

961
00:41:25,270 --> 00:41:23,359
by himself sometimes but thank you for

962
00:41:27,109 --> 00:41:25,280
helping to get our twitch chat going

963
00:41:29,670 --> 00:41:27,119

brian cannot tell

964

00:41:32,309 --> 00:41:29,680

there was a long version in an interview

965

00:41:35,990 --> 00:41:32,319

with alien and autopsy photos

966

00:41:39,430 --> 00:41:37,910

rick von himlich splunker says i think

967

00:41:41,430 --> 00:41:39,440

it was created by someone who was not

968

00:41:43,190 --> 00:41:41,440

invested in a topic and he created over

969

00:41:44,790 --> 00:41:43,200

the course of studying a degree in 3d

970

00:41:48,069 --> 00:41:44,800

digital animation

971

00:41:51,430 --> 00:41:48,079

could be could be but somebody knew

972

00:41:53,109 --> 00:41:51,440

at least enough about the roswell aliens

973

00:41:54,870 --> 00:41:53,119

and what they were supposed

974

00:41:57,670 --> 00:41:54,880

to look like to create a pretty

975

00:41:59,270 --> 00:41:57,680

convincing fake if it is fake

976

00:42:01,270 --> 00:41:59,280

i think it's okay to back burner and not

977

00:42:03,109 --> 00:42:01,280

be sure about things to be in a place

978

00:42:04,470 --> 00:42:03,119

where both things could be true however

979

00:42:08,630 --> 00:42:04,480

i need more to believe

980

00:42:11,670 --> 00:42:08,640

yeah i'm i'm obviously i'm

981

00:42:15,510 --> 00:42:11,680

i'm more on the side of this is fake

982

00:42:17,750 --> 00:42:15,520

until proof emerges this is supposedly

983

00:42:20,470 --> 00:42:17,760

from the 50s 60s right released in the

984

00:42:22,550 --> 00:42:20,480

80s no it was released in 2011 but yeah

985

00:42:29,190 --> 00:42:22,560

it's supposed to be from the 40s

986

00:42:33,349 --> 00:42:30,950

but is that software as old as the

987

00:42:35,430 --> 00:42:33,359

footage uh yeah there was cgi software

988

00:42:36,390 --> 00:42:35,440

in 2011 that you could do something like

989

00:42:38,150 --> 00:42:36,400

this with

990

00:42:39,589 --> 00:42:38,160

the computers were much less powerful

991

00:42:41,510 --> 00:42:39,599

and it would have taken a lot more

992

00:42:44,670 --> 00:42:41,520

rendering time than it would today but

993

00:42:49,270 --> 00:42:44,680

it could have been done in 2011 or

994

00:42:52,069 --> 00:42:50,550

it is possible that it could have been a

995

00:42:53,349 --> 00:42:52,079

rendering for a video game that was in

996

00:42:55,109 --> 00:42:53,359

production but never made it to

997

00:42:57,270 --> 00:42:55,119

completion it looks very similar to

998

00:42:59,190 --> 00:42:57,280

silent hill from the late 1990s

999

00:43:01,030 --> 00:42:59,200

yeah i'll have to look that up rick you

1000

00:43:05,030 --> 00:43:01,040

could be right

1001
00:43:07,270 --> 00:43:05,040
yeah amazing it's still amazing footage

1002
00:43:07,990 --> 00:43:07,280
though it's one of my favorite videos to

1003
00:43:11,589 --> 00:43:08,000
look at

1004
00:43:13,670 --> 00:43:11,599
i of all of the ufo and alien videos out

1005
00:43:15,589 --> 00:43:13,680
there this one to me is the best and

1006
00:43:24,829 --> 00:43:15,599
most convincing

1007
00:43:24,839 --> 00:43:28,470
convinced

1008
00:43:32,390 --> 00:43:30,550
who i did not know this the video was

1009
00:43:34,230 --> 00:43:32,400
discussed in the community by several

1010
00:43:36,309 --> 00:43:34,240
reputable people just prior to its

1011
00:43:38,710 --> 00:43:36,319
belief release many believe it was a red

1012
00:43:41,030 --> 00:43:38,720
herring to try

1013
00:43:42,550 --> 00:43:41,040

to head off some real ones that were

1014

00:43:45,910 --> 00:43:42,560

stolen then

1015

00:43:50,150 --> 00:43:45,920

could be right it could be that it yeah

1016

00:43:53,750 --> 00:43:52,309

the russian providence lens credence

1017

00:43:54,230 --> 00:43:53,760

actually they don't seek to cover the

1018

00:43:57,910 --> 00:43:54,240

e.t

1019

00:43:59,910 --> 00:43:57,920

thing up well i don't know about that

1020

00:44:01,990 --> 00:43:59,920

you know russia has its own area of 51

1021

00:44:03,910 --> 00:44:02,000

and stories of crash

1022

00:44:05,190 --> 00:44:03,920

alien craft that were recovered just

1023

00:44:07,990 --> 00:44:05,200

like we do

1024

00:44:09,910 --> 00:44:08,000

so i don't know that they're any honest

1025

00:44:14,870 --> 00:44:09,920

more honest with their citizens than we

1026

00:44:20,309 --> 00:44:18,230

i think this way released before 2011.

1027

00:44:21,270 --> 00:44:20,319

william pixley we just played a video

1028

00:44:24,309 --> 00:44:21,280

earlier

1029

00:44:25,510 --> 00:44:24,319

that said it was released in 2011. i

1030

00:44:27,270 --> 00:44:25,520

have notes

1031

00:44:29,589 --> 00:44:27,280

uh previous notes that said it was

1032

00:44:30,550 --> 00:44:29,599

released in 2011. that was the first

1033

00:44:33,990 --> 00:44:30,560

time that it was seen

1034

00:44:35,510 --> 00:44:34,000

in 2011 was it made before then

1035

00:44:38,150 --> 00:44:35,520

probably it's supposed to be from the

1036

00:44:40,069 --> 00:44:38,160

1940s or even if somebody was creating a

1037

00:44:42,390 --> 00:44:40,079

hoax it was probably made in

1038

00:44:43,750 --> 00:44:42,400

it could have been made anytime but 2009

1039

00:44:51,109 --> 00:44:43,760

2010

1040

00:44:54,230 --> 00:44:51,119

and then uploaded on 2011.

1041

00:44:55,910 --> 00:44:54,240

yeah it came out in 2011 near as i could

1042

00:44:59,030 --> 00:44:55,920

tell

1043

00:45:02,710 --> 00:44:59,040

yeah and rick vaughn hitler splunker

1044

00:45:04,630 --> 00:45:02,720

he concurs it came out 2011 i believe

1045

00:45:06,470 --> 00:45:04,640

don craig's phase is a great one for

1046

00:45:09,190 --> 00:45:06,480

discussion but like steven says

1047

00:45:10,870 --> 00:45:09,200

needs to be a no until more information

1048

00:45:14,950 --> 00:45:10,880

yeah

1049

00:45:18,470 --> 00:45:14,960

suspect you know

1050

00:45:21,109 --> 00:45:18,480

it's just not it's not

1051
00:45:21,910 --> 00:45:21,119
it's not proof of anything because if

1052
00:45:23,670 --> 00:45:21,920
you know if

1053
00:45:25,990 --> 00:45:23,680
somebody could come forward and say

1054
00:45:29,190 --> 00:45:26,000
here's where the video was taken here

1055
00:45:32,150 --> 00:45:29,200
here's who took the video here's who

1056
00:45:32,630 --> 00:45:32,160
i guess stole it from some classified

1057
00:45:35,829 --> 00:45:32,640
vault

1058
00:45:37,109 --> 00:45:35,839
somewhere uh but like most of these

1059
00:45:40,069 --> 00:45:37,119
things we find

1060
00:45:40,470 --> 00:45:40,079
that we just don't get the proof or if

1061
00:45:44,710 --> 00:45:40,480
you

1062
00:45:46,470 --> 00:45:44,720
know it's some anonymous source or

1063
00:45:49,670 --> 00:45:46,480

somebody like that with a

1064

00:45:52,710 --> 00:45:49,680

you know behind a shade with their voice

1065

00:45:55,750 --> 00:45:52,720

you know disguised which isn't

1066

00:45:57,430 --> 00:45:55,760

a reputable or believable source you

1067

00:46:01,190 --> 00:45:57,440

just never know with these things

1068

00:46:04,710 --> 00:46:01,200

you never know

1069

00:46:08,470 --> 00:46:06,390

i must be mandela on this because i

1070

00:46:08,950 --> 00:46:08,480

think it was earlier like the mid 90s

1071

00:46:12,630 --> 00:46:08,960

you

1072

00:46:15,030 --> 00:46:12,640

may be can some people

1073

00:46:16,950 --> 00:46:15,040

may be confusing this video with the

1074

00:46:19,910 --> 00:46:16,960

alien interview

1075

00:46:21,910 --> 00:46:19,920

video with victor which was released in

1076

00:46:24,069 --> 00:46:21,920

the 1990s and i did a

1077

00:46:25,190 --> 00:46:24,079

completely total debunk that and that we

1078

00:46:28,150 --> 00:46:25,200

can prove is fake

1079

00:46:28,710 --> 00:46:28,160

with really good sources i started on

1080

00:46:32,550 --> 00:46:28,720

this stuff

1081

00:46:35,990 --> 00:46:32,560

in 1994.

1082

00:46:37,190 --> 00:46:36,000

johnnyvirio i like i like that you call

1083

00:46:40,309 --> 00:46:37,200

it how it is

1084

00:46:43,349 --> 00:46:40,319

thanks john uh yeah

1085

00:46:44,870 --> 00:46:43,359

welcome to our live chat john please do

1086

00:46:48,230 --> 00:46:44,880

subscribe if you like this kind of

1087

00:46:50,470 --> 00:46:48,240

content if you have not done so already

1088

00:46:52,230 --> 00:46:50,480

dream c they don't look like welcome to

1089

00:46:52,790 --> 00:46:52,240

the chat room see it's good to see you

1090

00:46:54,630 --> 00:46:52,800

here

1091

00:46:56,630 --> 00:46:54,640

i missed your last few shows you must

1092

00:46:57,990 --> 00:46:56,640

have been you know you must be a busy

1093

00:46:59,829 --> 00:46:58,000

guy

1094

00:47:02,390 --> 00:46:59,839

they don't look like cgi to me if they

1095

00:47:06,069 --> 00:47:02,400

are cgi it is better than a lot of cgi

1096

00:47:09,670 --> 00:47:06,079

ic and movies yeah i will agree with you

1097

00:47:14,150 --> 00:47:09,680

if it's cgi it's extremely well done

1098

00:47:17,030 --> 00:47:14,160

cgi creature what does stewart's

1099

00:47:18,710 --> 00:47:17,040

ferglov think of this i don't know don't

1100

00:47:19,109 --> 00:47:18,720

know william pixley maybe you can email

1101

00:47:22,390 --> 00:47:19,119

him and

1102

00:47:24,710 --> 00:47:22,400

let us all know it's let a battle angel

1103

00:47:26,390 --> 00:47:24,720

level cgi for sure if the cgi is ahead

1104

00:47:29,829 --> 00:47:26,400

of its time yeah especially for being

1105

00:47:32,549 --> 00:47:29,839

released in 2011 there's

1106

00:47:33,589 --> 00:47:32,559

here's what i remember about 2011 you

1107

00:47:38,790 --> 00:47:33,599

could do

1108

00:47:40,630 --> 00:47:38,800

really high quality digital renderings

1109

00:47:43,510 --> 00:47:40,640

but it took forever like i

1110

00:47:44,790 --> 00:47:43,520

used to have a secondary computer that i

1111

00:47:46,710 --> 00:47:44,800

would copy video

1112

00:47:48,630 --> 00:47:46,720

projects over to and it would still go

1113

00:47:49,990 --> 00:47:48,640

for days sometimes like to produce an

1114

00:47:53,430 --> 00:47:50,000

hour and a half

1115

00:47:54,069 --> 00:47:53,440

hd video would take a day like 24 hours

1116

00:47:55,750 --> 00:47:54,079

of that thing

1117

00:47:57,990 --> 00:47:55,760

chugging away and then sometimes the

1118

00:48:00,230 --> 00:47:58,000

computer would overheat and turn off in

1119

00:48:02,309 --> 00:48:00,240

the middle of the render

1120

00:48:04,549 --> 00:48:02,319

it was like the stone age for digital

1121

00:48:06,710 --> 00:48:04,559

projects now we have much more powerful

1122

00:48:08,790 --> 00:48:06,720

capable computers

1123

00:48:10,710 --> 00:48:08,800

so yeah it's impressive that he created

1124

00:48:13,750 --> 00:48:10,720

this with the technology of those days

1125

00:48:16,069 --> 00:48:13,760

if he if somebody indeed did

1126

00:48:18,150 --> 00:48:16,079

going to convention and seminars yes

1127

00:48:19,990 --> 00:48:18,160

interview an autopsy then this video is

1128

00:48:23,030 --> 00:48:20,000

all in a string

1129

00:48:25,109 --> 00:48:23,040

yeah similar to those but different the

1130

00:48:26,230 --> 00:48:25,119

problem is the whole ufo community is

1131

00:48:28,390 --> 00:48:26,240

polluted

1132

00:48:30,470 --> 00:48:28,400

welcome jasmine emmerich who comments

1133

00:48:32,829 --> 00:48:30,480

the problem is the whole ufo community

1134

00:48:35,829 --> 00:48:32,839

is polluted i often ask myself why

1135

00:48:37,109 --> 00:48:35,839

would what would i consider proof of

1136

00:48:39,510 --> 00:48:37,119

alien visitation

1137

00:48:40,390 --> 00:48:39,520

alien technology and aliens living among

1138

00:48:42,470 --> 00:48:40,400

us

1139

00:48:43,750 --> 00:48:42,480

yeah i want to see the aliens i want to

1140

00:48:46,549 --> 00:48:43,760

talk to them

1141

00:48:48,069 --> 00:48:46,559

i want to interview them uh and if you

1142

00:48:51,270 --> 00:48:48,079

have alien technology

1143

00:48:53,190 --> 00:48:51,280

i want you know as a real and actual

1144

00:48:54,150 --> 00:48:53,200

scientist to look at it and say yeah

1145

00:48:57,190 --> 00:48:54,160

this is definitely

1146

00:48:58,950 --> 00:48:57,200

alien technology the the other problem

1147

00:49:00,390 --> 00:48:58,960

with the ufo community is that people

1148

00:49:02,470 --> 00:49:00,400

just make statements as if they're

1149

00:49:06,710 --> 00:49:02,480

factual like we have alien

1150

00:49:08,549 --> 00:49:06,720

crash retrieval metals arts parts

1151
00:49:10,230 --> 00:49:08,559
were thoroughly debunked and if that's

1152
00:49:12,870 --> 00:49:10,240
what tsa is claiming

1153
00:49:15,190 --> 00:49:12,880
is alien materials that they have it's

1154
00:49:17,109 --> 00:49:15,200
just ridiculous

1155
00:49:19,030 --> 00:49:17,119
if they're making money deals based on

1156
00:49:20,790 --> 00:49:19,040
arts parts

1157
00:49:22,710 --> 00:49:20,800
that should be a fraud charge because

1158
00:49:24,309 --> 00:49:22,720
arch parts have been thoroughly debunked

1159
00:49:26,230 --> 00:49:24,319
even art bell

1160
00:49:27,910 --> 00:49:26,240
told linda molten hale that they were

1161
00:49:29,990 --> 00:49:27,920
fakes

1162
00:49:31,589 --> 00:49:30,000
and that there was nothing extraordinary

1163
00:49:33,109 --> 00:49:31,599

about the metals

1164

00:49:35,190 --> 00:49:33,119
but you know people make these

1165

00:49:36,950 --> 00:49:35,200
statements as if it's factual

1166

00:49:39,190 --> 00:49:36,960
i guess it's that whole thing like if

1167

00:49:42,549 --> 00:49:39,200
you repeat a lie enough times people

1168

00:49:42,559 --> 00:49:46,150
swerd is the word

1169

00:49:50,150 --> 00:49:48,630
he knows the russian et file top to

1170

00:49:52,230 --> 00:49:50,160
bottom yeah i'd be interested to see

1171

00:49:54,150 --> 00:49:52,240
what he thinks about this pics

1172

00:49:56,230 --> 00:49:54,160
because yeah he's definitely an expert

1173

00:50:00,630 --> 00:49:56,240
when it comes to

1174

00:50:02,230 --> 00:50:00,640
program and ufos

1175

00:50:06,950 --> 00:50:02,240
sure he would definitely be considered

1176
00:50:10,829 --> 00:50:08,870
so any questions or comments for me

1177
00:50:13,349 --> 00:50:10,839
please put in all

1178
00:50:15,349 --> 00:50:13,359
caps otherwise friends uh

1179
00:50:17,030 --> 00:50:15,359
it's been a long day and we will

1180
00:50:19,030 --> 00:50:17,040
probably be wrapping things up

1181
00:50:20,630 --> 00:50:19,040
pretty early tonight i'm sorry for the

1182
00:50:24,549 --> 00:50:20,640
late start we had some

1183
00:50:27,270 --> 00:50:24,559
technical fun issues here and uh

1184
00:50:28,150 --> 00:50:27,280
yeah i was dealing with uh i was hacking

1185
00:50:31,430 --> 00:50:28,160
away on this

1186
00:50:37,750 --> 00:50:31,440
computer prototype all day and uh

1187
00:50:41,430 --> 00:50:40,309
carol utley says i'm afraid howell tends

1188
00:50:46,150 --> 00:50:41,440

to believe a lot

1189

00:50:48,710 --> 00:50:46,160

yeah you know some people are just

1190

00:50:49,510 --> 00:50:48,720

i i i don't understand some of these

1191

00:50:50,950 --> 00:50:49,520

people that

1192

00:50:52,870 --> 00:50:50,960

go out on the internet and they just

1193

00:50:53,510 --> 00:50:52,880

believe anything and bring their viewers

1194

00:50:56,710 --> 00:50:53,520

anything

1195

00:50:57,670 --> 00:50:56,720

i don't know jasmine emmerich similarly

1196

00:50:59,190 --> 00:50:57,680

eric davis

1197

00:51:00,710 --> 00:50:59,200

talking about this alleged crash

1198

00:51:01,670 --> 00:51:00,720

retrieval just because he said so

1199

00:51:04,069 --> 00:51:01,680

doesn't mean it's true

1200

00:51:05,430 --> 00:51:04,079

i need more proof desmond emerick you

1201
00:51:07,829 --> 00:51:05,440
may be interested to know

1202
00:51:08,630 --> 00:51:07,839
that eric davis i'm doing research on

1203
00:51:10,230 --> 00:51:08,640
him

1204
00:51:11,990 --> 00:51:10,240
and i'm going to present my findings

1205
00:51:12,870 --> 00:51:12,000
soon and i think there's going to be a

1206
00:51:15,750 --> 00:51:12,880
lot of

1207
00:51:16,549 --> 00:51:15,760
pissed off disappointed people when we

1208
00:51:18,470 --> 00:51:16,559
hear about

1209
00:51:21,430 --> 00:51:18,480
some of the things that have happened in

1210
00:51:22,470 --> 00:51:21,440
mr eric dr eric davis's background

1211
00:51:24,950 --> 00:51:22,480
basically

1212
00:51:26,710 --> 00:51:24,960
he was panned as a crackpot by the air

1213
00:51:28,790 --> 00:51:26,720

force long time ago

1214

00:51:31,270 --> 00:51:28,800

uh for some projects that he was

1215

00:51:32,790 --> 00:51:31,280

involved in and some bolsterous claims

1216

00:51:36,309 --> 00:51:32,800

that he was making

1217

00:51:37,270 --> 00:51:36,319

uh maybe 20 years ago with regard to

1218

00:51:40,790 --> 00:51:37,280

projects he was

1219

00:51:43,430 --> 00:51:40,800

involved in seems to me that he

1220

00:51:44,230 --> 00:51:43,440

likes to stretch the truth a great deal

1221

00:51:46,870 --> 00:51:44,240

and i

1222

00:51:47,910 --> 00:51:46,880

for one do not trust him any longer as a

1223

00:51:51,109 --> 00:51:47,920

source

1224

00:51:53,190 --> 00:51:51,119

uh that may change we'll see

1225

00:51:54,950 --> 00:51:53,200

and you know again i'm one of those

1226
00:51:56,390 --> 00:51:54,960
people like great you got alien crash

1227
00:51:58,390 --> 00:51:56,400
retrieval

1228
00:51:59,670 --> 00:51:58,400
let's see it let's see it but we don't

1229
00:52:01,430 --> 00:51:59,680
see it and how come

1230
00:52:02,710 --> 00:52:01,440
everybody involved in this new york

1231
00:52:04,870 --> 00:52:02,720
times thing is

1232
00:52:06,710 --> 00:52:04,880
either directly or or indirectly

1233
00:52:08,390 --> 00:52:06,720
connected to tsa

1234
00:52:10,549 --> 00:52:08,400
it's like the new york somebody at the

1235
00:52:13,349 --> 00:52:10,559
new york times is like tsa's

1236
00:52:15,109 --> 00:52:13,359
propaganda arm right and helping them

1237
00:52:17,750 --> 00:52:15,119
get investment money and helping them

1238
00:52:21,349 --> 00:52:17,760

get publicity for what they're doing

1239

00:52:24,950 --> 00:52:21,359

seems to me like one big money grab

1240

00:52:26,309 --> 00:52:24,960

and again you know we talked about this

1241

00:52:28,630 --> 00:52:26,319

before but like people

1242

00:52:30,470 --> 00:52:28,640

citing eric davis as proof that bob

1243

00:52:31,990 --> 00:52:30,480

lazar is telling the truth is a joke

1244

00:52:32,870 --> 00:52:32,000

because eric davis said that he was a

1245

00:52:34,870 --> 00:52:32,880

fraud

1246

00:52:35,910 --> 00:52:34,880

you can't do that but these people are

1247

00:52:37,829 --> 00:52:35,920

doing it it's just

1248

00:52:39,829 --> 00:52:37,839

they just keep repeating these lies

1249

00:52:43,190 --> 00:52:39,839

right and i love how

1250

00:52:45,430 --> 00:52:43,200

the believers are are taking texts

1251
00:52:47,030 --> 00:52:45,440
from the original article which was then

1252
00:52:49,430 --> 00:52:47,040
castrated and they made all these

1253
00:52:52,150 --> 00:52:49,440
retractions but people are still

1254
00:52:53,750 --> 00:52:52,160
using lines from the retracted part of

1255
00:52:56,710 --> 00:52:53,760
the article they had to back

1256
00:52:57,430 --> 00:52:56,720
things up harry reid said hey i never

1257
00:52:59,990 --> 00:52:57,440
said that

1258
00:53:02,309 --> 00:53:00,000
how do you run with the story in the new

1259
00:53:04,069 --> 00:53:02,319
york times quoting a senator

1260
00:53:05,510 --> 00:53:04,079
and then the senator later comes out and

1261
00:53:08,390 --> 00:53:05,520
says excuse me

1262
00:53:10,470 --> 00:53:08,400
uh i didn't say any of this [h__h] about

1263
00:53:11,030 --> 00:53:10,480

off-world vehicles i i didn't say any of

1264

00:53:12,790 --> 00:53:11,040

this [h__h]

1265

00:53:14,549 --> 00:53:12,800

and then they had to pull that statement

1266

00:53:16,950 --> 00:53:14,559

out of the article

1267

00:53:19,030 --> 00:53:16,960

and and and people are still quoting

1268

00:53:21,430 --> 00:53:19,040

harry reid is saying that when harry

1269

00:53:23,750 --> 00:53:21,440

reid himself says excuse me

1270

00:53:25,750 --> 00:53:23,760

i didn't say that i didn't say those

1271

00:53:27,349 --> 00:53:25,760

lines that they attributed to me

1272

00:53:29,109 --> 00:53:27,359

and posted in this new york times

1273

00:53:30,870 --> 00:53:29,119

article i didn't say that

1274

00:53:32,390 --> 00:53:30,880

but people on youtube twitter are still

1275

00:53:33,829 --> 00:53:32,400

running around and

1276

00:53:35,670 --> 00:53:33,839

and i guess the story is going to be

1277

00:53:38,230 --> 00:53:35,680

that harry reid's lying now like he

1278

00:53:41,030 --> 00:53:38,240

didn't mean to spill the beans

1279

00:53:42,870 --> 00:53:41,040

it's ridiculous good point it's like

1280

00:53:44,710 --> 00:53:42,880

ttsa is writing the articles and new

1281

00:53:47,990 --> 00:53:44,720

york times is publishing it

1282

00:53:51,190 --> 00:53:48,000

unreviewed yeah it appears to me that

1283

00:53:52,549 --> 00:53:51,200

how how the hell do you get a look uh

1284

00:53:55,750 --> 00:53:52,559

jasmine emerick

1285

00:53:56,309 --> 00:53:55,760

you're a journalist right more so than

1286

00:53:58,470 --> 00:53:56,319

me

1287

00:53:59,670 --> 00:53:58,480

i don't consider myself a journalist but

1288

00:54:01,990 --> 00:53:59,680

even i

1289

00:54:03,910 --> 00:54:02,000

before quoting someone would double

1290

00:54:06,230 --> 00:54:03,920

check with them and say excuse me

1291

00:54:07,349 --> 00:54:06,240

i'm going to quote you said this is that

1292

00:54:10,390 --> 00:54:07,359

okay

1293

00:54:12,790 --> 00:54:10,400

how the hell on god's green earth

1294

00:54:14,390 --> 00:54:12,800

do you get to the level of being a new

1295

00:54:17,109 --> 00:54:14,400

york times

1296

00:54:19,829 --> 00:54:17,119

journalist a columnist for the new york

1297

00:54:23,030 --> 00:54:19,839

times and you didn't check the quotes

1298

00:54:26,470 --> 00:54:23,040

before you published an article to

1299

00:54:28,630 --> 00:54:26,480

millions of people it's it's amateur

1300

00:54:30,549 --> 00:54:28,640

hour clowns use [h__\h]

1301

00:54:36,230 --> 00:54:30,559

then and they're they have no

1302

00:54:39,750 --> 00:54:37,990

reemsey would it be implied if i were to

1303

00:54:42,390 --> 00:54:39,760

ask you about the current situation on

1304

00:54:44,549 --> 00:54:42,400

the anteatery front i have no idea what

1305

00:54:46,870 --> 00:54:44,559

you guys are talking about over there

1306

00:54:48,630 --> 00:54:46,880

william pixley senator reid didn't say

1307

00:54:49,910 --> 00:54:48,640

what you were indicating he said there

1308

00:54:52,150 --> 00:54:49,920

is a phenom and we didn't

1309

00:54:53,430 --> 00:54:52,160

know what it is new york time come on

1310

00:54:55,430 --> 00:54:53,440

pics he

1311

00:54:58,309 --> 00:54:55,440

said i didn't say what they originally

1312

00:55:01,349 --> 00:54:58,319

said in the article

1313

00:55:03,190 --> 00:55:01,359

that's what he said he said i didn't say

1314

00:55:13,589 --> 00:55:03,200

that

1315

00:55:13,599 --> 00:55:17,750

and yeah he did make sort of a

1316

00:55:22,309 --> 00:55:20,950

a statement

1317

00:55:28,150 --> 00:55:22,319

and now i'm not going to be able to find

1318

00:55:31,510 --> 00:55:29,670

uh i'm not going to be able to fight

1319

00:55:33,430 --> 00:55:31,520

they definitely made a retraction picks

1320

00:55:37,910 --> 00:55:33,440

i'll i'll find it and send it to you off

1321

00:55:39,510 --> 00:55:37,920

off the air i found a lot of bogus clips

1322

00:55:41,829 --> 00:55:39,520

and videos come from little known

1323

00:55:44,230 --> 00:55:41,839

foreign films and projects yep

1324

00:55:45,430 --> 00:55:44,240

welcome paranormal jiggy you may be

1325

00:55:48,470 --> 00:55:45,440

right this could be

1326

00:55:51,270 --> 00:55:48,480

some little known you know

1327

00:55:51,990 --> 00:55:51,280

film about aliens from bosnia or you

1328

00:55:55,270 --> 00:55:52,000

know

1329

00:55:57,910 --> 00:55:55,280

romania or some little european

1330

00:55:59,190 --> 00:55:57,920

country or india or someplace that

1331

00:56:01,589 --> 00:55:59,200

nobody has

1332

00:56:02,870 --> 00:56:01,599

seen maybe it was like taken from a

1333

00:56:06,230 --> 00:56:02,880

b-movie

1334

00:56:07,829 --> 00:56:06,240

foreign film we just don't know he did

1335

00:56:09,910 --> 00:56:07,839

step back from the

1336

00:56:12,950 --> 00:56:09,920

definitive assertion we got a ship don't

1337

00:56:15,190 --> 00:56:12,960

disagree there yeah well they basically

1338

00:56:16,870 --> 00:56:15,200

had him saying that we had a spaceship

1339

00:56:19,430 --> 00:56:16,880

and then they had to pull back and say

1340

00:56:21,670 --> 00:56:19,440

oh he didn't say that because he said he

1341

00:56:23,270 --> 00:56:21,680

didn't say it

1342

00:56:24,870 --> 00:56:23,280

not a journalist just try to look at

1343

00:56:29,030 --> 00:56:24,880

things realistically agree with you

1344

00:56:32,710 --> 00:56:30,789

brian cannot tell the whole object of

1345

00:56:34,630 --> 00:56:32,720

this is to discredit the ufo community

1346

00:56:37,510 --> 00:56:34,640

and further censor than that it's all

1347

00:56:38,230 --> 00:56:37,520

set up yeah it may be jasmine emerick i

1348

00:56:41,109 --> 00:56:38,240

want to believe

1349

00:56:42,630 --> 00:56:41,119

me too i'm just like fox mulder and i

1350

00:56:44,069 --> 00:56:42,640

even bought the poster it's over there

1351

00:56:45,589 --> 00:56:44,079

on my door my office

1352

00:56:47,670 --> 00:56:45,599

door every time i walk in and out of

1353

00:56:50,630 --> 00:56:47,680

this office i see that

1354

00:56:51,190 --> 00:56:50,640

i want to believe they don't make it

1355

00:56:54,870 --> 00:56:51,200

easy

1356

00:56:55,510 --> 00:56:54,880

right and it seems like it's easier to

1357

00:56:58,069 --> 00:56:55,520

believe

1358

00:56:59,750 --> 00:56:58,079

when you live in this in your own

1359

00:57:03,270 --> 00:56:59,760

believing mind

1360

00:57:05,030 --> 00:57:03,280

and your confirmation bias and

1361

00:57:06,309 --> 00:57:05,040

it's like bedtime stories it's

1362

00:57:08,710 --> 00:57:06,319

comforting right

1363

00:57:11,109 --> 00:57:08,720

oh yeah those aliens bro they came here

1364

00:57:14,470 --> 00:57:11,119

they're gonna help the human race

1365

00:57:16,870 --> 00:57:14,480

oh you know they're going to help the

1366

00:57:19,829 --> 00:57:16,880

human race

1367

00:57:21,430 --> 00:57:19,839

reem c rick von himlik splunker they are

1368

00:57:23,109 --> 00:57:21,440

very distracted right now by the

1369

00:57:24,470 --> 00:57:23,119

upcoming nominating convention in

1370

00:57:25,190 --> 00:57:24,480

nashville where they will set their

1371

00:57:30,390 --> 00:57:25,200

agenda of

1372

00:57:33,750 --> 00:57:32,549

yes he took issue with the notion there

1373

00:57:35,430 --> 00:57:33,760

was a ship hardware

1374

00:57:38,150 --> 00:57:35,440

yet because he doesn't know there was

1375

00:57:40,789 --> 00:57:38,160

hardware nobody knows there's hardware

1376

00:57:43,589 --> 00:57:40,799

we got one guy dr eric davis who

1377

00:57:45,829 --> 00:57:43,599

was basically called a kook by the u.s

1378

00:57:47,750 --> 00:57:45,839

air force 20 years before this

1379

00:57:49,990 --> 00:57:47,760

and we've got the goods on that we'll be

1380

00:57:52,789 --> 00:57:50,000

sharing it soon

1381

00:57:54,390 --> 00:57:52,799

brad gray is here good day truthers good

1382

00:57:57,990 --> 00:57:54,400

to see you back brad gray

1383

00:58:00,549 --> 00:57:58,000

always good to see you brad gray says i

1384

00:58:02,470 --> 00:58:00,559

have the poster as well

1385

00:58:03,990 --> 00:58:02,480

i think we all got that poster at one

1386

00:58:05,829 --> 00:58:04,000

time or another

1387

00:58:07,030 --> 00:58:05,839

rick vaughn hamlet splunk indeed there

1388

00:58:08,870 --> 00:58:07,040

may be enforcing

1389

00:58:10,870 --> 00:58:08,880

important functions to be completed

1390

00:58:14,549 --> 00:58:10,880

without intrusion

1391

00:58:16,870 --> 00:58:14,559

very well could be william pixley they

1392

00:58:18,390 --> 00:58:16,880

do not make it easy this is by design

1393

00:58:20,069 --> 00:58:18,400

you mean they don't make it easy to

1394

00:58:23,750 --> 00:58:20,079

believe in this stuff

1395

00:58:26,549 --> 00:58:23,760

i'm not so sure about that but

1396

00:58:28,470 --> 00:58:26,559

uh what doesn't make it easy is that

1397

00:58:31,589 --> 00:58:28,480

that

1398

00:58:32,150 --> 00:58:31,599

for every let's let's just do some math

1399

00:58:34,710 --> 00:58:32,160

here

1400

00:58:35,589 --> 00:58:34,720

and this is just off the top of my head

1401

00:58:38,710 --> 00:58:35,599

it's my opinion

1402

00:58:41,750 --> 00:58:38,720

and speculation out of a hundred stories

1403

00:58:44,230 --> 00:58:41,760

about aliens not let's say about a

1404

00:58:46,549 --> 00:58:44,240

hundred stories about alien spacecraft

1405

00:58:48,470 --> 00:58:46,559

and aliens right

1406

00:58:50,230 --> 00:58:48,480

or a hundred people telling stories

1407

00:58:53,430 --> 00:58:50,240

about alien spacecraft

1408

00:58:55,829 --> 00:58:53,440

and aliens how many out of those hundred

1409

00:58:59,030 --> 00:58:55,839

stories can you definitively prove

1410

00:59:01,030 --> 00:58:59,040

as a true story with facts evidence

1411

00:59:02,789 --> 00:59:01,040

and and i mean overwhelming facts and

1412

00:59:06,470 --> 00:59:02,799

evidence to the you know

1413

00:59:08,710 --> 00:59:06,480

let's say beyond a reasonable doubt

1414

00:59:09,990 --> 00:59:08,720

evidence that it's real how many out of

1415

00:59:13,829 --> 00:59:10,000

100 cases

1416

00:59:17,589 --> 00:59:13,839

would you say because i'd say three

1417

00:59:19,990 --> 00:59:17,599

two maybe one out of a hundred and

1418

00:59:22,150 --> 00:59:20,000

the problem becomes that you have to

1419

00:59:23,670 --> 00:59:22,160

plow through 100 fake stories to get to

1420

00:59:26,069 --> 00:59:23,680

one that may be real

1421

00:59:27,109 --> 00:59:26,079

and even those they may be real but you

1422

00:59:29,430 --> 00:59:27,119

can't prove they're real

1423

00:59:31,430 --> 00:59:29,440

but you couldn't prove they were fake

1424

00:59:33,349 --> 00:59:31,440

and that's the rabbit hole that we've

1425

00:59:36,390 --> 00:59:33,359

been going down

1426

00:59:38,309 --> 00:59:36,400

kid with this stuff

1427

00:59:40,309 --> 00:59:38,319

the ufo community usually discredits

1428

00:59:42,230 --> 00:59:40,319

itself yeah we've got

1429

00:59:44,230 --> 00:59:42,240

you know we've got people you know like

1430

00:59:45,910 --> 00:59:44,240

wendell stevens who turns out to be a

1431

00:59:47,990 --> 00:59:45,920

convicted child molester we've got

1432

00:59:49,589 --> 00:59:48,000

people like stan romanek who turns out

1433

00:59:52,309 --> 00:59:49,599

to be a kiddie porn

1434

00:59:54,150 --> 00:59:52,319

fan right we've got people like sean

1435

00:59:57,109 --> 00:59:54,160

david morton who

1436

00:59:59,349 --> 00:59:57,119

basically stole all of these old

1437

01:00:02,470 --> 00:59:59,359

people's retirement money

1438

01:00:04,150 --> 01:00:02,480

and spent it all right claiming that he

1439

01:00:06,950 --> 01:00:04,160

was a psychic

1440

01:00:08,950 --> 01:00:06,960

uh we've got i don't know this jan

1441

01:00:09,829 --> 01:00:08,960

harzan he just got popped for trying to

1442

01:00:12,549 --> 01:00:09,839

have sex with

1443

01:00:17,270 --> 01:00:12,559

what he thought was an underage girl and

1444

01:00:20,950 --> 01:00:19,430

for decades we just want the truth and

1445

01:00:24,470 --> 01:00:20,960

you can't handle the truth

1446

01:00:25,829 --> 01:00:24,480

yeah man it's been a long day i agree

1447

01:00:28,470 --> 01:00:25,839

with you carol

1448

01:00:31,750 --> 01:00:28,480

definitely and jasmine emerick is

1449

01:00:36,549 --> 01:00:35,190

correct they do and don't they want

1450

01:00:39,349 --> 01:00:36,559

there to be a cloud

1451

01:00:41,109 --> 01:00:39,359

yeah i've often thought that whoever if

1452

01:00:44,549 --> 01:00:41,119

there is a cover-up they want

1453

01:00:46,470 --> 01:00:44,559

to money the waters and

1454

01:00:48,470 --> 01:00:46,480

i don't know the more i think about all

1455

01:00:49,670 --> 01:00:48,480

this ufo stuff the more that i think

1456

01:00:54,150 --> 01:00:49,680

that it's

1457

01:00:56,230 --> 01:00:54,160

really um really

1458

01:00:58,150 --> 01:00:56,240

the government putting these some of

1459

01:01:01,510 --> 01:00:58,160

these stories out there

1460

01:01:02,309 --> 01:01:01,520

to hide the top secret research they're

1461

01:01:04,230 --> 01:01:02,319

really doing

1462

01:01:05,430 --> 01:01:04,240

if people think it's aliens get

1463

01:01:08,789 --> 01:01:05,440

ridiculed

1464

01:01:10,150 --> 01:01:08,799

for it uh then you might not get to the

1465

01:01:12,549 --> 01:01:10,160

truth of what they really

1466

01:01:14,710 --> 01:01:12,559

have which is probably exotic propulsion

1467

01:01:17,109 --> 01:01:14,720

drones and stealth blimps and a lot of

1468

01:01:19,190 --> 01:01:17,119

things like that

1469

01:01:23,430 --> 01:01:19,200

they control all information getting out

1470

01:01:26,870 --> 01:01:25,109

if you have a real story your opinion is

1471

01:01:27,589 --> 01:01:26,880

crazy and life is disrupted so you don't

1472

01:01:29,190 --> 01:01:27,599

want to

1473

01:01:31,109 --> 01:01:29,200

yeah a lot of people with real stories

1474

01:01:35,589 --> 01:01:31,119

probably don't want to don't want the

1475

01:01:37,510 --> 01:01:35,599

the uh don't want the ridicule

1476

01:01:39,270 --> 01:01:37,520

i grew up on the lake michigan triangle

1477

01:01:40,710 --> 01:01:39,280

hot spots seeing stuff myself there is

1478

01:01:42,230 --> 01:01:40,720

definitely something to believe in

1479

01:01:43,750 --> 01:01:42,240

discernment will hopefully lead us to

1480

01:01:45,589 --> 01:01:43,760

the truth without being fooled

1481

01:01:47,829 --> 01:01:45,599

conned yeah and that is always the

1482

01:01:49,829 --> 01:01:47,839

danger

1483

01:01:52,069 --> 01:01:49,839

roswell is a perfect example of a ufo

1484

01:01:54,549 --> 01:01:52,079

story with hundreds of testimony

1485

01:01:56,630 --> 01:01:54,559

yeah but even that like i was once i

1486

01:01:58,470 --> 01:01:56,640

read don schmidt's books and i was like

1487

01:01:59,990 --> 01:01:58,480

this is great don schmidt claims that he

1488

01:02:02,789 --> 01:02:00,000

can tell us who

1489

01:02:04,390 --> 01:02:02,799

retrieved the bodies who loaded them in

1490

01:02:06,870 --> 01:02:04,400

the trucks who loaded the

1491

01:02:08,150 --> 01:02:06,880

bodies in a crate who flew the bodies to

1492

01:02:11,109 --> 01:02:08,160

wright patterson

1493

01:02:11,589 --> 01:02:11,119

and he's got names and dates and stories

1494

01:02:14,069 --> 01:02:11,599

but

1495

01:02:16,309 --> 01:02:14,079

then you get to uh somebody like cal

1496

01:02:17,270 --> 01:02:16,319

course book who picks apart those people

1497

01:02:19,990 --> 01:02:17,280

and their stories

1498

01:02:21,109 --> 01:02:20,000

and you are left again not knowing what

1499

01:02:23,029 --> 01:02:21,119

to believe

1500

01:02:27,750 --> 01:02:23,039

we are not alone full stop on that i

1501

01:02:31,029 --> 01:02:29,190

i would say it's closer to sifting

1502

01:02:32,710 --> 01:02:31,039

through 500 pieces of junk and finding

1503

01:02:34,230 --> 01:02:32,720

one piece of valuable or useful

1504

01:02:37,589 --> 01:02:34,240

information yeah that's

1505

01:02:38,710 --> 01:02:37,599

that's basically where i'm at bunya is

1506

01:02:41,029 --> 01:02:38,720

here and says hello

1507

01:02:42,549 --> 01:02:41,039

everyone welcome back bunya it is good

1508

01:02:49,990 --> 01:02:42,559

to see you here

1509

01:02:50,000 --> 01:02:55,430

just because i can

1510

01:03:04,390 --> 01:03:00,710

there we go winding down here so

1511

01:03:07,910 --> 01:03:06,870

and let's see brad gray says if a ufo

1512

01:03:11,029 --> 01:03:07,920

lands in public

1513

01:03:12,470 --> 01:03:11,039

and there it is then i will believe well

1514

01:03:15,829 --> 01:03:12,480

i saw one myself

1515

01:03:18,150 --> 01:03:15,839

uh when i was a child and i will

1516

01:03:21,190 --> 01:03:18,160

always want to know and always wonder

1517

01:03:23,029 --> 01:03:21,200

what that thing i saw was and that's

1518

01:03:25,430 --> 01:03:23,039

you know what started me down the rabbit

1519

01:03:26,710 --> 01:03:25,440

hole i wanted to know what it is that i

1520

01:03:31,270 --> 01:03:26,720

saw

1521

01:03:33,029 --> 01:03:31,280

i wanted to know i have to know

1522

01:03:35,190 --> 01:03:33,039

green sea i would not believe in ufos

1523

01:03:35,990 --> 01:03:35,200

flying saucers etc if i had not seen one

1524

01:03:37,670 --> 01:03:36,000

myself

1525

01:03:39,670 --> 01:03:37,680

i don't know what it was and i don't

1526

01:03:41,910 --> 01:03:39,680

know if it was an alien craft but it was

1527

01:03:44,549 --> 01:03:41,920

strange and i never figured it out

1528

01:03:45,430 --> 01:03:44,559

yeah i had a similar experience reempsy

1529

01:03:47,349 --> 01:03:45,440

and uh

1530

01:03:48,470 --> 01:03:47,359

i tell the whole story if anybody is

1531

01:03:50,710 --> 01:03:48,480

interested in my

1532

01:03:53,270 --> 01:03:50,720

ufo story it's called encounter in the

1533

01:03:59,910 --> 01:03:53,280

forest and it's on my old

1534

01:04:04,150 --> 01:04:02,230

a truer statement about the ufo field i

1535

01:04:06,549 --> 01:04:04,160

have never seen brian cannot tell who

1536

01:04:07,829 --> 01:04:06,559

says swim through a sewer for a teaspoon

1537

01:04:11,349 --> 01:04:07,839

full of truth

1538

01:04:14,150 --> 01:04:11,359

that is the ufo uh situation

1539

01:04:15,910 --> 01:04:14,160

is in the rickbind hamlet's moon or what

1540

01:04:17,990 --> 01:04:15,920

multiple video angles yeah we

1541

01:04:19,510 --> 01:04:18,000

moved to a three-camera setup but

1542

01:04:21,670 --> 01:04:19,520

unfortunately

1543

01:04:23,190 --> 01:04:21,680

tonight we're only going to be using i

1544

01:04:25,190 --> 01:04:23,200

don't know pop that

1545

01:04:26,390 --> 01:04:25,200

this camera does not do well with low

1546

01:04:29,270 --> 01:04:26,400

light

1547

01:04:31,270 --> 01:04:29,280

um so we have a multi-camera set up now

1548

01:04:32,630 --> 01:04:31,280

rick von himmler splunker and that is

1549

01:04:36,309 --> 01:04:32,640

something that you guys

1550

01:04:38,390 --> 01:04:36,319

in the patreon support and uh the people

1551

01:04:40,549 --> 01:04:38,400

making paypal donations

1552

01:04:41,990 --> 01:04:40,559

generously gave me a few bucks and i

1553

01:04:44,549 --> 01:04:42,000

bought a couple of additional

1554

01:04:45,589 --> 01:04:44,559

webcams so that we can do multiple

1555

01:04:48,069 --> 01:04:45,599

camera angles

1556

01:04:49,670 --> 01:04:48,079

looks much better with multiple camera

1557

01:04:51,430 --> 01:04:49,680

angles

1558

01:04:54,150 --> 01:04:51,440

the filter of what we're given has been

1559

01:04:56,309 --> 01:04:54,160

100 government controlled that paradigm

1560

01:04:57,990 --> 01:04:56,319

is now pretty dark pretty blown apart

1561

01:05:01,349 --> 01:04:58,000

the number of credible people testifying

1562

01:05:04,309 --> 01:05:01,359

to the evidence is overwhelming

1563

01:05:05,910 --> 01:05:04,319

disclosure project alone come on william

1564

01:05:08,789 --> 01:05:05,920

pixley stephen greer

1565

01:05:10,470 --> 01:05:08,799

is not somebody that you can trust cal

1566

01:05:13,510 --> 01:05:10,480

truth once again

1567

01:05:14,230 --> 01:05:13,520

fashionably late as always yes but we

1568

01:05:17,829 --> 01:05:14,240

are

1569

01:05:20,950 --> 01:05:17,839

grace us

1570

01:05:21,589 --> 01:05:20,960

with your wonderful presence here once

1571

01:05:26,309 --> 01:05:21,599

again

1572

01:05:27,829 --> 01:05:26,319

welcome to the show caltruth77

1573

01:05:31,750 --> 01:05:27,839

and uh you won't be a woman if you

1574

01:05:33,430 --> 01:05:31,760

weren't you know fashionably late right

1575

01:05:38,470 --> 01:05:33,440

jasmine emmerich says cool rheem see

1576

01:05:42,710 --> 01:05:41,029

reamsie talking about his experience

1577

01:05:44,150 --> 01:05:42,720

says jasmine emerick it was a weird

1578

01:05:45,670 --> 01:05:44,160

orange ball and it was moving in a

1579

01:05:47,029 --> 01:05:45,680

strange way it was not a plane or

1580

01:05:50,549 --> 01:05:47,039

helicopter or a star

1581

01:05:53,589 --> 01:05:50,559

that is all i know about what i saw

1582

01:05:55,270 --> 01:05:53,599

yeah mine was definitely a metal it was

1583

01:05:56,950 --> 01:05:55,280

it was a craft made of metal i didn't

1584

01:05:57,910 --> 01:05:56,960

just see a light in the sky i seen this

1585

01:06:00,950 --> 01:05:57,920

thing right above

1586

01:06:03,750 --> 01:06:00,960

me at the treetop level uh while i was

1587

01:06:08,549 --> 01:06:06,150

the don craze phase i have to agree with

1588

01:06:10,150 --> 01:06:08,559

you don't care about stephen greer's face

1589

01:06:13,190 --> 01:06:10,160

not to be trusted at all

1590

01:06:15,910 --> 01:06:13,200

yeah and uh boy

1591

01:06:18,390 --> 01:06:15,920

i've got some stuff on stephen grier

1592

01:06:19,670 --> 01:06:18,400

that relates to these wilson documents

1593

01:06:22,309 --> 01:06:19,680

that everybody's getting so

1594

01:06:23,109 --> 01:06:22,319

excited about even though they're fake

1595

01:06:25,270 --> 01:06:23,119

uh

1596

01:06:26,390 --> 01:06:25,280

and that may shed some light on why the

1597

01:06:29,990 --> 01:06:26,400

wilson documents

1598

01:06:32,549 --> 01:06:30,000

cannot be trusted anybody ever noticed

1599

01:06:34,230 --> 01:06:32,559

that we're not allowed to know who

1600

01:06:36,150 --> 01:06:34,240

bought the documents from edgar

1601

01:06:38,870 --> 01:06:36,160

mittell's estate

1602

01:06:40,309 --> 01:06:38,880

uh friends there may be a reason why

1603

01:06:42,390 --> 01:06:40,319

nobody wants us to know

1604

01:06:50,309 --> 01:06:42,400

who the original purchaser of those

1605

01:06:54,789 --> 01:06:52,470

okay reem c i do believe that people are

1606

01:07:03,029 --> 01:06:54,799

having experiences thank you for sharing

1607

01:07:07,109 --> 01:07:05,270

don't agree at don craze the woo stuff

1608

01:07:10,549 --> 01:07:07,119

is a bit off-putting

1609

01:07:14,069 --> 01:07:12,950

i think that uh stephen grier's filled

1610

01:07:15,670 --> 01:07:14,079

with woo stuff

1611

01:07:17,910 --> 01:07:15,680

william pixley the guy thinks he can

1612

01:07:20,789 --> 01:07:17,920

meditate and call spaceships

1613

01:07:21,829 --> 01:07:20,799

to come visit him that's woo that's a

1614

01:07:24,309 --> 01:07:21,839

lot of woo

1615

01:07:28,630 --> 01:07:24,319

lots of woo steven greer has lots of woo

1616

01:07:30,950 --> 01:07:28,640

william pixley

1617

01:07:32,950 --> 01:07:30,960

stephen greer is his rick ron hamlet

1618

01:07:34,630 --> 01:07:32,960

splunker says stephen greer is a stage

1619

01:07:36,150 --> 01:07:34,640

five creeper not that it has anything to

1620

01:07:39,109 --> 01:07:36,160

do with his work just a casual

1621

01:07:42,470 --> 01:07:41,029

green c does have a video jasmine

1622

01:07:45,750 --> 01:07:42,480

emmerich yes it is somewhere

1623

01:07:46,230 --> 01:07:45,760

on my channel i you should post the link

1624

01:07:48,309 --> 01:07:46,240

in the

1625

01:07:52,549 --> 01:07:48,319

live chat room see i'd like to see i'd

1626

01:08:02,470 --> 01:07:54,789

reem see i like wu stuff the more woo

1627

01:08:08,390 --> 01:08:05,510

close family friend uh no

1628

01:08:12,390 --> 01:08:08,400

pics i don't think so but time will tell

1629

01:08:16,390 --> 01:08:14,390

in saint croix on a dock a bright red

1630

01:08:17,110 --> 01:08:16,400

light came straight down 500 feet from

1631

01:08:19,030 --> 01:08:17,120

the dock

1632

01:08:20,550 --> 01:08:19,040

dropped six blue lighted balls in the

1633

01:08:26,709 --> 01:08:20,560

ocean and shot straight back

1634

01:08:29,990 --> 01:08:29,030

jasmine emmerich i like my ufology with

1635

01:08:33,349 --> 01:08:30,000

a dash of woo

1636

01:08:35,110 --> 01:08:33,359

and without conspiracy yeah

1637

01:08:36,870 --> 01:08:35,120

yeah there's all flavors there's all

1638

01:08:39,910 --> 01:08:36,880

flavors out there for you

1639

01:08:42,950 --> 01:08:39,920

so you can you can get the woo

1640

01:08:45,269 --> 01:08:42,960

or not get the woo you could get the

1641

01:08:47,030 --> 01:08:45,279

the conspiracy side of it the government

1642

01:08:49,829 --> 01:08:47,040

cover-up the men in black

1643

01:08:51,269 --> 01:08:49,839

there's a whole menu of ufo stories out

1644

01:09:03,510 --> 01:08:51,279

there

1645

01:09:05,590 --> 01:09:03,520

so friends yeah i think we're gonna call

1646

01:09:07,749 --> 01:09:05,600

this one a quick one because uh

1647

01:09:09,829 --> 01:09:07,759

you know this was not a big topic

1648

01:09:11,430 --> 01:09:09,839

tonight this was just a little one

1649

01:09:13,910 --> 01:09:11,440

so for some of the shows we're not going

1650

01:09:17,430 --> 01:09:13,920

to do the full two hours we'll just go

1651
01:09:20,149 --> 01:09:17,440
you know until it feels about right

1652
01:09:21,749 --> 01:09:20,159
i don't want to overstay my welcome you

1653
01:09:22,309 --> 01:09:21,759
know there's an old saying in show

1654
01:09:25,510 --> 01:09:22,319
business

1655
01:09:27,669 --> 01:09:25,520
always leave them wanting more and uh

1656
01:09:29,430 --> 01:09:27,679
when you do like a three-hour stream or

1657
01:09:31,030 --> 01:09:29,440
two-hour stream every day

1658
01:09:33,110 --> 01:09:31,040
maybe some people can't really get

1659
01:09:35,749 --> 01:09:33,120
caught up and reamsi posts

1660
01:09:38,709 --> 01:09:35,759
his ufo experience video you can hear

1661
01:09:40,789 --> 01:09:38,719
all about reemsey's ufo experience i will

1662
01:09:42,870 --> 01:09:40,799
watch that as soon as the show's over

1663
01:09:43,910 --> 01:09:42,880

and maybe reemsey you would be willing to

1664

01:09:46,149 --> 01:09:43,920

come on my show

1665

01:09:47,829 --> 01:09:46,159

and tell the story and be a guest

1666

01:09:49,110 --> 01:09:47,839

because i probably will have lots of

1667

01:09:53,669 --> 01:09:49,120

questions for you

1668

01:09:57,430 --> 01:09:55,510

william pixley says there is woo in this

1669

01:10:01,430 --> 01:09:57,440

reality folks it's why

1670

01:10:05,430 --> 01:10:03,830

cal truth well i'm glad i got to at

1671

01:10:07,110 --> 01:10:05,440

least say hi to everyone yeah and that's

1672

01:10:09,430 --> 01:10:07,120

what replays are for you can

1673

01:10:11,189 --> 01:10:09,440

uh see the short presentation that i

1674

01:10:12,149 --> 01:10:11,199

gave tonight it was about 40 minutes

1675

01:10:16,870 --> 01:10:12,159

tonight actually

1676

01:10:19,750 --> 01:10:16,880

that's all uh on this skinny bob video

1677

01:10:21,030 --> 01:10:19,760

william pixley 351 subscribers things

1678

01:10:23,669 --> 01:10:21,040

are moving up nice

1679

01:10:25,430 --> 01:10:23,679

yeah i'm i'm very pleased i'm not

1680

01:10:26,950 --> 01:10:25,440

looking

1681

01:10:27,990 --> 01:10:26,960

i keep telling myself i'm not going to

1682

01:10:29,030 --> 01:10:28,000

look at the numbers i'm not going to

1683

01:10:31,030 --> 01:10:29,040

worry about the numbers i'm just going

1684

01:10:32,950 --> 01:10:31,040

to keep doing shows keep doing shows

1685

01:10:34,950 --> 01:10:32,960

trying to do quality shows we've done

1686

01:10:38,229 --> 01:10:34,960

things to improve things here

1687

01:10:41,189 --> 01:10:38,239

uh the audio is so much better now my

1688

01:10:43,030 --> 01:10:41,199

sincere gratitude and thanks to everyone

1689

01:10:46,870 --> 01:10:43,040

who

1690

01:10:49,990 --> 01:10:46,880

gave a donation because

1691

01:10:51,669 --> 01:10:50,000

i just pulled that money out last week

1692

01:10:53,830 --> 01:10:51,679

and i've been saving up the patreon

1693

01:10:55,110 --> 01:10:53,840

pennies because i know like you know 40

1694

01:10:56,550 --> 01:10:55,120

bucks a month isn't going to cover all

1695

01:10:59,270 --> 01:10:56,560

this equipment so i

1696

01:11:00,070 --> 01:10:59,280

just didn't take it out for a few months

1697

01:11:02,790 --> 01:11:00,080

and then

1698

01:11:03,669 --> 01:11:02,800

last week we took uh whatever was there

1699

01:11:06,790 --> 01:11:03,679

out

1700

01:11:09,030 --> 01:11:06,800

and we got a couple of uh odds and ends

1701
01:11:11,110 --> 01:11:09,040
we got a brand new microphone that's

1702
01:11:11,669 --> 01:11:11,120
this great condenser microphone that i

1703
01:11:14,229 --> 01:11:11,679
found

1704
01:11:14,709 --> 01:11:14,239
that uh i did lots of research to try to

1705
01:11:16,310 --> 01:11:14,719
get

1706
01:11:18,550 --> 01:11:16,320
the most bang for the buck out of the

1707
01:11:20,709 --> 01:11:18,560
microphone the show sounds very

1708
01:11:23,030 --> 01:11:20,719
so much better now and it's all thanks

1709
01:11:24,149 --> 01:11:23,040
to you guys that have been donating and

1710
01:11:27,110 --> 01:11:24,159
the patreon

1711
01:11:27,590 --> 01:11:27,120
supporters as well uh in fact everything

1712
01:11:30,070 --> 01:11:27,600
here

1713
01:11:31,430 --> 01:11:30,080

all the webcams the backdrop the lights

1714

01:11:32,709 --> 01:11:31,440

the microphone

1715

01:11:34,229 --> 01:11:32,719

everything that i'm using with the

1716

01:11:35,990 --> 01:11:34,239

exception of the computer which was kind

1717

01:11:39,750 --> 01:11:36,000

of donated as well

1718

01:11:43,669 --> 01:11:39,760

um everything here was provided

1719

01:11:45,430 --> 01:11:43,679

for me generously by you supporters so

1720

01:11:47,590 --> 01:11:45,440

you have my gratitude i definitely have

1721

01:11:49,990 --> 01:11:47,600

an attitude of gratitude every day i

1722

01:11:51,350 --> 01:11:50,000

sit down here to do some work to prepare

1723

01:11:54,229 --> 01:11:51,360

for the shows

1724

01:11:55,990 --> 01:11:54,239

and i smile to myself knowing that

1725

01:12:06,070 --> 01:11:56,000

somebody out there likes what i'm doing

1726

01:12:10,550 --> 01:12:07,830

don craigs william pixley have you

1727

01:12:12,790 --> 01:12:10,560

watched the vero beach greer video

1728

01:12:14,630 --> 01:12:12,800

yeah because don craig's face correct me

1729

01:12:18,310 --> 01:12:14,640

if i'm wrong but it isn't

1730

01:12:20,709 --> 01:12:18,320

the vero beach greer video where they

1731

01:12:22,070 --> 01:12:20,719

show some fireballs up in the sky and

1732

01:12:25,750 --> 01:12:22,080

greer claimed that

1733

01:12:27,430 --> 01:12:25,760

he meditated he he meditated those

1734

01:12:30,550 --> 01:12:27,440

aliens up and got those

1735

01:12:32,390 --> 01:12:30,560

alien spacecraft to communicate right he

1736

01:12:34,070 --> 01:12:32,400

got those alien spacecraft to come and

1737

01:12:38,149 --> 01:12:34,080

visit him and then it turned out

1738

01:12:39,189 --> 01:12:38,159

that there was flare military exercises

1739

01:12:41,990 --> 01:12:39,199

happening

1740

01:12:42,790 --> 01:12:42,000

at the exact same time that greer was

1741

01:12:45,830 --> 01:12:42,800

apparently

1742

01:12:47,750 --> 01:12:45,840

calling aliens down bro so i called

1743

01:12:49,390 --> 01:12:47,760

[h__\h] on stephen grier he's been

1744

01:12:50,870 --> 01:12:49,400

caught so many times he got called this

1745

01:12:54,550 --> 01:12:50,880

anakama

1746

01:12:57,510 --> 01:12:54,560

whatever the fake alien baby alien

1747

01:12:59,270 --> 01:12:57,520

it turned out to be a human fetus and he

1748

01:13:00,310 --> 01:12:59,280

still won't let that go claiming there's

1749

01:13:02,390 --> 01:13:00,320

a cover up now

1750

01:13:03,990 --> 01:13:02,400

and it's really an alien come on man and

1751

01:13:06,950 --> 01:13:04,000

he made millions off of that

1752

01:13:07,910 --> 01:13:06,960

movie and he still keeps going he's been

1753

01:13:09,750 --> 01:13:07,920

caught

1754

01:13:11,910 --> 01:13:09,760

taking pictures of moths claiming that

1755

01:13:16,470 --> 01:13:11,920

they were alien entities that they

1756

01:13:21,910 --> 01:13:19,910

okay william pixley i get grier has a

1757

01:13:23,750 --> 01:13:21,920

certain creep factor that said i do not

1758

01:13:25,910 --> 01:13:23,760

think he's foolcraft i just don't too

1759

01:13:31,030 --> 01:13:25,920

many serious people have testified

1760

01:13:34,390 --> 01:13:32,709

rick vaughn hamlet splunker does the

1761

01:13:35,669 --> 01:13:34,400

dildos come from the patreon money

1762

01:13:38,550 --> 01:13:35,679

unfortunately not

1763

01:13:40,310 --> 01:13:38,560

that buying a whole bunch of dildos to

1764

01:13:41,430 --> 01:13:40,320

fill a big box turns out to be a lot

1765

01:13:43,669 --> 01:13:41,440

more expensive

1766

01:13:45,669 --> 01:13:43,679

than patreon and paypal donations would

1767

01:13:46,550 --> 01:13:45,679

allow for so i took that out of my own

1768

01:13:48,709 --> 01:13:46,560

pocket

1769

01:13:51,270 --> 01:13:48,719

try explaining that one to your wife

1770

01:13:54,310 --> 01:13:51,280

honey did you just spend 130

1771

01:13:57,270 --> 01:13:54,320

on dildos yeah

1772

01:13:58,790 --> 01:13:57,280

and i hope i don't have to explain why i

1773

01:14:03,590 --> 01:13:58,800

just bought 130

1774

01:14:03,600 --> 01:14:07,189

okay

1775

01:14:11,430 --> 01:14:08,870

i think he's exploring the consciousness

1776

01:14:13,189 --> 01:14:11,440

side in this always kind of opaque

1777

01:14:14,950 --> 01:14:13,199

even when he gets caught in lies you

1778

01:14:18,229 --> 01:14:14,960

know he said that he

1779

01:14:18,950 --> 01:14:18,239

briefed woolsey who was a department of

1780

01:14:21,750 --> 01:14:18,960

defense

1781

01:14:23,669 --> 01:14:21,760

person i think he was like somebody in

1782

01:14:25,110 --> 01:14:23,679

the department of defense or a cia

1783

01:14:27,350 --> 01:14:25,120

person and he claimed he

1784

01:14:28,950 --> 01:14:27,360

briefed that person and then that person

1785

01:14:29,590 --> 01:14:28,960

said i don't know what he's talking

1786

01:14:37,669 --> 01:14:29,600

about

1787

01:14:41,030 --> 01:14:39,189

okay you're right william pixley the

1788

01:14:42,709 --> 01:14:41,040

anaconda is not a fetus

1789

01:14:45,430 --> 01:14:42,719

the bone analysis said it was around

1790

01:14:48,470 --> 01:14:45,440

four years old i misspoke

1791

01:14:51,750 --> 01:14:48,480

it's still human

1792

01:14:55,350 --> 01:14:51,760

they did the dna tests it's human it's a

1793

01:15:02,229 --> 01:14:55,360

human it's a deformed human

1794

01:15:05,910 --> 01:15:03,590

and actually i think there are

1795

01:15:09,590 --> 01:15:05,920

conflicting reports about

1796

01:15:16,310 --> 01:15:09,600

uh how old that

1797

01:15:23,110 --> 01:15:18,790

jeanette krazenko oh my goodness you're

1798

01:15:26,950 --> 01:15:25,430

rick funny looks lunar from your

1799

01:15:28,709 --> 01:15:26,960

personal collection then no

1800

01:15:30,630 --> 01:15:28,719

rick rotten hamlet splitter i do not

1801

01:15:32,790 --> 01:15:30,640

have a personal collection of dildos i

1802

01:15:34,149 --> 01:15:32,800

had to acquire the dildos just to do the

1803

01:15:41,350 --> 01:15:34,159

david wilcock

1804

01:15:44,790 --> 01:15:43,030

oh yeah he was the head of the cia

1805

01:15:46,870 --> 01:15:44,800

wolves each yeah of course

1806

01:15:48,709 --> 01:15:46,880

picks he changed his story no he didn't

1807

01:15:51,590 --> 01:15:48,719

change his story

1808

01:15:53,510 --> 01:15:51,600

listen go talk to john greenwald from

1809

01:15:54,550 --> 01:15:53,520

the black vault he was working on a show

1810

01:15:57,189 --> 01:15:54,560

for the history channel

1811

01:15:57,990 --> 01:15:57,199

and he sent a letter to woolsey to

1812

01:15:59,750 --> 01:15:58,000

verify

1813

01:16:02,470 --> 01:15:59,760

greer's claim that he had been briefed

1814

01:16:04,550 --> 01:16:02,480

about ufos and alien crash retrievals

1815

01:16:05,830 --> 01:16:04,560

by stephen greer the disclosure project

1816

01:16:08,310 --> 01:16:05,840

and woolsey said

1817

01:16:09,110 --> 01:16:08,320

it never happened i was at a social

1818

01:16:11,030 --> 01:16:09,120

event

1819

01:16:12,229 --> 01:16:11,040

i might have been sitting near him at

1820

01:16:15,030 --> 01:16:12,239

this social event

1821

01:16:15,510 --> 01:16:15,040

we didn't talk about any of this stuff

1822

01:16:17,350 --> 01:16:15,520

so

1823

01:16:18,550 --> 01:16:17,360

you know he's fast and loose with the

1824

01:16:20,950 --> 01:16:18,560

facts like he sits

1825

01:16:22,630 --> 01:16:20,960

at he's at some social event and he

1826
01:16:24,870 --> 01:16:22,640
meets woolsey and then all of a sudden

1827
01:16:26,630 --> 01:16:24,880
he's saying he's briefing woolsey

1828
01:16:29,110 --> 01:16:26,640
there's no proof that he briefed woolsey

1829
01:16:32,709 --> 01:16:29,120
if the guy who's he's saying was briefed

1830
01:16:34,550 --> 01:16:32,719
says no it never happened you can't

1831
01:16:36,229 --> 01:16:34,560
say the guy changed the story he's

1832
01:16:37,350 --> 01:16:36,239
covering it up no

1833
01:16:40,390 --> 01:16:37,360
the same thing with these wilson

1834
01:16:44,310 --> 01:16:42,630
yeah woolsey wrote an official letter

1835
01:16:44,870 --> 01:16:44,320
with other people at the dinner they

1836
01:16:47,270 --> 01:16:44,880
attended

1837
01:16:47,990 --> 01:16:47,280
denying debriefing called their dinner

1838
01:16:49,830 --> 01:16:48,000

talk polite

1839

01:16:51,110 --> 01:16:49,840
conversation they had a dinner

1840

01:16:53,510 --> 01:16:51,120
conversation

1841

01:16:54,950 --> 01:16:53,520
william pixley they did not talk about

1842

01:16:57,350 --> 01:16:54,960
aliens and

1843

01:16:59,110 --> 01:16:57,360
flying saucers but that hasn't stopped

1844

01:17:01,590 --> 01:16:59,120
stephen grier from cashing in

1845

01:17:05,669 --> 01:17:01,600
saying that he briefed a cia director no

1846

01:17:10,709 --> 01:17:08,390
okay there are others who attest see

1847

01:17:12,870 --> 01:17:10,719
this is the debate you get into

1848

01:17:14,390 --> 01:17:12,880
what others what others matter when the

1849

01:17:17,590 --> 01:17:14,400
man himself said no

1850

01:17:19,590 --> 01:17:17,600
this never happened

1851
01:17:20,709 --> 01:17:19,600
what stephen grier's assistant is going

1852
01:17:22,310 --> 01:17:20,719
to say it happened

1853
01:17:24,390 --> 01:17:22,320
steven grier's wife who was at that

1854
01:17:28,470 --> 01:17:24,400
dinner with him is going to say yeah

1855
01:17:30,950 --> 01:17:28,480
my husband briefed them no no you can't

1856
01:17:32,950 --> 01:17:30,960
you can't this is the believing mind

1857
01:17:33,750 --> 01:17:32,960
this is your confirmation bias william

1858
01:17:36,390 --> 01:17:33,760
pixley

1859
01:17:37,350 --> 01:17:36,400
if you're willing to just deny a factual

1860
01:17:39,750 --> 01:17:37,360
statement from

1861
01:17:41,430 --> 01:17:39,760
woolsey who says this never happened

1862
01:17:43,430 --> 01:17:41,440
then i can't help you

1863
01:17:45,350 --> 01:17:43,440

you get it you're grasping for straws

1864

01:17:47,590 --> 01:17:45,360

you want so desperately to believe that

1865

01:17:49,110 --> 01:17:47,600

stephen greer really did brief the cia

1866

01:17:50,470 --> 01:17:49,120

disinformation agent

1867

01:17:52,229 --> 01:17:50,480

that you're willing to come up with

1868

01:17:55,189 --> 01:17:52,239

these

1869

01:17:56,070 --> 01:17:55,199

explanations that are far-fetched at

1870

01:17:59,430 --> 01:17:56,080

best

1871

01:18:01,510 --> 01:17:59,440

for why woolsey would lie

1872

01:18:03,590 --> 01:18:01,520

right and and people are doing the same

1873

01:18:05,990 --> 01:18:03,600

thing with this admiral wilson the

1874

01:18:08,070 --> 01:18:06,000

admiral wilson guy comes down and says

1875

01:18:09,030 --> 01:18:08,080

this is fiction and people are still

1876

01:18:11,189 --> 01:18:09,040

arguing no

1877

01:18:15,910 --> 01:18:11,199

he's lying of course he's lying it's all

1878

01:18:21,990 --> 01:18:19,270

there's no there there yes

1879

01:18:23,750 --> 01:18:22,000

brian cannot tell saul grier to

1880

01:18:26,390 --> 01:18:23,760

convention years ago he came across

1881

01:18:28,950 --> 01:18:26,400

as a barnum very cultish with yes men

1882

01:18:31,110 --> 01:18:28,960

yeah he's the pt barnum of ufology but

1883

01:18:32,630 --> 01:18:31,120

he is also the most financially

1884

01:18:35,510 --> 01:18:32,640

successful

1885

01:18:36,950 --> 01:18:35,520

guy in ufology if you look up some of

1886

01:18:38,950 --> 01:18:36,960

the stuff with his movies

1887

01:18:39,990 --> 01:18:38,960

i don't understand how this works he

1888

01:18:43,270 --> 01:18:40,000

doesn't he does

1889

01:18:46,070 --> 01:18:43,280

a fundraiser to make the movie gets

1890

01:18:48,709 --> 01:18:46,080

millions of dollars to make the movie

1891

01:18:49,430 --> 01:18:48,719

and then he sells the movie on netflix

1892

01:18:51,590 --> 01:18:49,440

how does that

1893

01:18:53,350 --> 01:18:51,600

work i don't understand it doesn't cost

1894

01:18:54,310 --> 01:18:53,360

millions of dollars to make a modern

1895

01:18:56,709 --> 01:18:54,320

documentary

1896

01:18:57,830 --> 01:18:56,719

at the very best even if you paid a good

1897

01:19:00,229 --> 01:18:57,840

video editor

1898

01:19:01,590 --> 01:19:00,239

you paid for stock footage you paid

1899

01:19:03,510 --> 01:19:01,600

people to be in interviews

1900

01:19:05,910 --> 01:19:03,520

you're talking ten or twenty thousand

1901

01:19:08,550 --> 01:19:05,920

dollars to make a decent

1902

01:19:10,229 --> 01:19:08,560

broadcast quality documentary today

1903

01:19:11,270 --> 01:19:10,239

where does all that money go that he

1904

01:19:13,990 --> 01:19:11,280

collects

1905

01:19:23,270 --> 01:19:14,000

i don't know someday we're gonna look

1906

01:19:26,310 --> 01:19:23,280

into all that money

1907

01:19:27,830 --> 01:19:26,320

yeah pics we're gonna just agree we are

1908

01:19:30,950 --> 01:19:27,840

going to agree

1909

01:19:32,070 --> 01:19:30,960

to disagree because it's gonna take us

1910

01:19:33,990 --> 01:19:32,080

nowhere you're gonna

1911

01:19:43,030 --> 01:19:34,000

you're gonna say this i'm gonna say that

1912

01:19:46,390 --> 01:19:44,550

i wonder why the government doesn't have

1913

01:19:47,830 --> 01:19:46,400

people like grier wilcock

1914

01:19:49,990 --> 01:19:47,840

up for fraud i guess it's just

1915

01:19:52,630 --> 01:19:50,000

considered entertainment yeah i guess

1916

01:19:53,189 --> 01:19:52,640

so and several of them i think should

1917

01:19:55,750 --> 01:19:53,199

have been

1918

01:19:57,669 --> 01:19:55,760

you know stephen grier's entire inner

1919

01:19:59,669 --> 01:19:57,679

circle left him a couple years back over

1920

01:20:00,070 --> 01:19:59,679

greer and money improprieties yeah

1921

01:20:03,270 --> 01:20:00,080

there's

1922

01:20:06,790 --> 01:20:03,280

millions of he's got millions of dollars

1923

01:20:08,709 --> 01:20:06,800

in ufo believers sending him money

1924

01:20:10,229 --> 01:20:08,719

and here's another thing about stephen

1925

01:20:12,870 --> 01:20:10,239

greer that's ridiculous

1926

01:20:13,750 --> 01:20:12,880

he claims to have this ce5 protocol

1927

01:20:16,229 --> 01:20:13,760

which is a way

1928

01:20:18,790 --> 01:20:16,239

of communicating with aliens and flying

1929

01:20:20,310 --> 01:20:18,800

saucers and getting them you meditate

1930

01:20:22,790 --> 01:20:20,320

and then the aliens and the flying

1931

01:20:24,870 --> 01:20:22,800

saucers come and visit you

1932

01:20:26,629 --> 01:20:24,880

friends if that was real it would be one

1933

01:20:29,669 --> 01:20:26,639

of the greatest human discoveries

1934

01:20:33,030 --> 01:20:29,679

on earth or

1935

01:20:35,110 --> 01:20:33,040

you could make an itunes app

1936

01:20:37,189 --> 01:20:35,120

right you can make it you can make it an

1937

01:20:38,310 --> 01:20:37,199

iphone app and an android app that

1938

01:20:41,030 --> 01:20:38,320

people have to buy

1939

01:20:42,070 --> 01:20:41,040

for twenty dollars to do this it's

1940

01:20:46,070 --> 01:20:42,080

ridiculous

1941

01:20:47,270 --> 01:20:46,080

you if it's real why are you trying to

1942

01:20:49,189 --> 01:20:47,280

profit from it

1943

01:20:50,470 --> 01:20:49,199

shouldn't everybody on earth be able to

1944

01:20:53,510 --> 01:20:50,480

communicate and

1945

01:20:59,669 --> 01:20:53,520

call in those aliens or is he only

1946

01:21:03,750 --> 01:21:01,990

yeah yeah they owe a debt to greer even

1947

01:21:05,270 --> 01:21:03,760

if he's dripping woo and a bit creepy

1948

01:21:07,350 --> 01:21:05,280

the guy could have to be a raging

1949

01:21:09,430 --> 01:21:07,360

sociopath to stick his head

1950

01:21:11,350 --> 01:21:09,440

in this news we disagree yeah and we

1951

01:21:12,870 --> 01:21:11,360

will continue to disagree

1952

01:21:15,510 --> 01:21:12,880

where can i see the stuff you have on

1953

01:21:17,110 --> 01:21:15,520

grier well i have never done a show on

1954

01:21:19,030 --> 01:21:17,120

grier but based on uh

1955

01:21:21,350 --> 01:21:19,040

a lot of things lately i think that's

1956

01:21:23,430 --> 01:21:21,360

going to be coming up but

1957

01:21:25,350 --> 01:21:23,440

grier is one of those people like the

1958

01:21:28,629 --> 01:21:25,360

the show that we did on bob lazar

1959

01:21:29,590 --> 01:21:28,639

or the show that we did on uh on richard

1960

01:21:31,750 --> 01:21:29,600

dolan where

1961

01:21:33,990 --> 01:21:31,760

you know the guys got millions of

1962

01:21:35,669 --> 01:21:34,000

dollars and i can't go off half cocked

1963

01:21:36,629 --> 01:21:35,679

without proof of what i will be

1964

01:21:38,470 --> 01:21:36,639

presenting so

1965

01:21:40,950 --> 01:21:38,480

i'm gonna have to really do a lot of

1966

01:21:44,629 --> 01:21:40,960

research and cover my

1967

01:21:45,990 --> 01:21:44,639

you know cross my t's and dot my eyes

1968

01:21:47,669 --> 01:21:46,000

when it comes to somebody like him

1969

01:21:48,310 --> 01:21:47,679

because i've heard that he throws around

1970

01:21:54,070 --> 01:21:48,320

uh

1971

01:21:57,910 --> 01:21:54,080

we've got to be very careful if we do a

1972

01:22:01,510 --> 01:21:59,669

grier was great at the national press

1973

01:22:03,350 --> 01:22:01,520

club event in the late 90s something

1974

01:22:08,310 --> 01:22:03,360

corrupted him since then

1975

01:22:11,590 --> 01:22:09,830

jasmine emery does anyone try to

1976

01:22:13,270 --> 01:22:11,600

meditate to call the aliens i have it

1977

01:22:13,830 --> 01:22:13,280

didn't work yeah me too and it didn't

1978

01:22:18,390 --> 01:22:13,840

work

1979

01:22:22,709 --> 01:22:20,470

his films are crowdfunded what is wrong

1980

01:22:26,149 --> 01:22:22,719

with that william pixley here's what's

1981

01:22:28,870 --> 01:22:26,159

wrong with that when you crowdfund

1982

01:22:30,790 --> 01:22:28,880

and collect millions of dollars and then

1983

01:22:32,310 --> 01:22:30,800

you create a documentary with those

1984

01:22:34,950 --> 01:22:32,320

millions of dollars

1985

01:22:36,709 --> 01:22:34,960

that perhaps cost twenty thousand

1986

01:22:38,390 --> 01:22:36,719

dollars in total to make

1987

01:22:40,390 --> 01:22:38,400

what happens to the rest of that money

1988

01:22:42,149 --> 01:22:40,400

does he just keep all that money

1989

01:22:44,310 --> 01:22:42,159

and he's done this multiple times he

1990

01:22:45,189 --> 01:22:44,320

collected millions to create one of

1991

01:22:47,510 --> 01:22:45,199

those

1992

01:22:49,430 --> 01:22:47,520

and then he did you know again like a 20

1993

01:22:51,669 --> 01:22:49,440

000 video

1994

01:22:53,510 --> 01:22:51,679

okay and then he sold that on netflix

1995

01:22:55,110 --> 01:22:53,520

kept all those millions of dollars and

1996

01:22:57,189 --> 01:22:55,120

then he did another crowd funding and

1997

01:23:00,390 --> 01:22:57,199

collected millions of dollars again or

1998

01:23:01,990 --> 01:23:00,400

at million at least both times

1999

01:23:04,470 --> 01:23:02,000

all that money's got to go somewhere

2000

01:23:07,030 --> 01:23:04,480

william pixley and it went right in his

2001

01:23:08,629 --> 01:23:07,040

pocket it didn't go into the documentary

2002

01:23:09,990 --> 01:23:08,639

you don't cl how does he collect

2003

01:23:11,110 --> 01:23:10,000

millions of dollars to make a

2004

01:23:14,550 --> 01:23:11,120

documentary

2005

01:23:16,070 --> 01:23:14,560

ever created if he's going to spend all

2006

01:23:18,709 --> 01:23:16,080

that money on the documentary

2007

01:23:19,990 --> 01:23:18,719

but he doesn't he spends what everybody

2008

01:23:21,910 --> 01:23:20,000

spends the least amount

2009

01:23:23,270 --> 01:23:21,920

you can to make it broadcast quality and

2010

01:23:25,270 --> 01:23:23,280

really good quality

2011

01:23:26,870 --> 01:23:25,280

you know transitions and titles and

2012

01:23:29,910 --> 01:23:26,880

music and stuff like that

2013

01:23:31,189 --> 01:23:29,920

i mean i could be wrong but there's no

2014

01:23:33,750 --> 01:23:31,199

way

2015

01:23:35,430 --> 01:23:33,760

maybe maybe maybe and this is a stretch

2016

01:23:37,910 --> 01:23:35,440

he spent a hundred thousand dollars on

2017

01:23:40,229 --> 01:23:37,920

each film and that's if he's hiring

2018

01:23:42,149 --> 01:23:40,239

very expensive video editors producers

2019

01:23:44,470 --> 01:23:42,159

productions assistant cameramen

2020

01:23:45,189 --> 01:23:44,480

maybe maybe he spent a hundred thousand

2021

01:23:46,390 --> 01:23:45,199

dollars

2022

01:23:50,629 --> 01:23:46,400

what did he do with the other nine

2023

01:23:50,639 --> 01:23:54,950

greer wants to be one with the aliens

2024

01:23:59,030 --> 01:23:57,110

yeah reem see it i don't know much about

2025

01:24:02,790 --> 01:23:59,040

greer at all i was in early

2026

01:24:05,189 --> 01:24:02,800

you know before he's like a lot of guys

2027

01:24:06,390 --> 01:24:05,199

when i first found him years many years

2028

01:24:09,270 --> 01:24:06,400

ago i was like wow

2029

01:24:10,950 --> 01:24:09,280

a doctor you know and he has got facts

2030

01:24:12,629 --> 01:24:10,960

and evidence but then when you start

2031

01:24:14,470 --> 01:24:12,639

looking into his so-called facts and

2032

01:24:19,590 --> 01:24:14,480

evidence it turns out to be [h__h]

2033

01:24:23,510 --> 01:24:21,510

bunya i have tried to invoke demons

2034

01:24:24,950 --> 01:24:23,520

jasmine they ignored me

2035

01:24:27,110 --> 01:24:24,960

you never know they could be one in the

2036

01:24:30,070 --> 01:24:27,120

same aliens and demons might be the same

2037

01:24:31,910 --> 01:24:30,080

thing for all we know

2038

01:24:33,830 --> 01:24:31,920

grier's biggest shortcoming on substance

2039

01:24:36,310 --> 01:24:33,840

is saying that all t e t's are both

2040

01:24:36,870 --> 01:24:36,320

are benevolent yeah i believe that that

2041

01:24:38,870 --> 01:24:36,880

is

2042

01:24:40,950 --> 01:24:38,880

a very irresponsible statement how do

2043

01:24:42,870 --> 01:24:40,960

you paint with such a broad brush how

2044

01:24:45,189 --> 01:24:42,880

does he know all ets have been

2045

01:24:46,629 --> 01:24:45,199

benevolent it's like saying all you know

2046

01:24:48,310 --> 01:24:46,639

americans are benevolent

2047

01:24:49,750 --> 01:24:48,320

there's no way there's good and bad in

2048

01:24:52,310 --> 01:24:49,760

all people and i believe that that would

2049

01:24:54,790 --> 01:24:52,320

be reflected in any alien species

2050

01:24:55,510 --> 01:24:54,800

some alien species may be beneficial

2051
01:24:57,590 --> 01:24:55,520
maybe

2052
01:24:59,590 --> 01:24:57,600
uh benevolent but there's got to be

2053
01:25:01,510 --> 01:24:59,600
malevolent ones that just go around

2054
01:25:03,270 --> 01:25:01,520
destroying things and taking whatever

2055
01:25:03,990 --> 01:25:03,280
they want resource wise from other

2056
01:25:07,830 --> 01:25:04,000
species

2057
01:25:11,430 --> 01:25:09,510
what about the movie phenomenon when

2058
01:25:16,390 --> 01:25:11,440
does that come out

2059
01:25:21,430 --> 01:25:19,590
i like your tenacity debate is good yeah

2060
01:25:23,189 --> 01:25:21,440
grier's time skill and talent are being

2061
01:25:25,990 --> 01:25:23,199
mismanaged she would be a better

2062
01:25:27,669 --> 01:25:26,000
asset back in the er yeah i believe that

2063
01:25:29,189 --> 01:25:27,679

agreed rick

2064

01:25:30,950 --> 01:25:29,199

let's see you're correct for arguments

2065

01:25:33,669 --> 01:25:30,960

purposes ask him to address your

2066

01:25:33,990 --> 01:25:33,679

search he likes to do interviews you

2067

01:25:36,629 --> 01:25:34,000

know

2068

01:25:38,229 --> 01:25:36,639

listen i said this i think you said you

2069

01:25:39,830 --> 01:25:38,239

know somebody that could get to him and

2070

01:25:41,270 --> 01:25:39,840

see if i can get an interview he's not

2071

01:25:42,629 --> 01:25:41,280

going to do an interview with me

2072

01:25:44,470 --> 01:25:42,639

he's not going to do an interview and

2073

01:25:46,470 --> 01:25:44,480

he's especially not going to do an

2074

01:25:47,430 --> 01:25:46,480

interview if he knows that i've got all

2075

01:25:49,189 --> 01:25:47,440

this proof

2076

01:25:50,709 --> 01:25:49,199

that he's been faking and fraud and

2077

01:25:52,709 --> 01:25:50,719

stuff for

2078

01:25:53,990 --> 01:25:52,719

years now he's not going to want to do

2079

01:25:56,390 --> 01:25:54,000

an interview with me

2080

01:25:58,149 --> 01:25:56,400

he only does softball interviews go

2081

01:26:01,030 --> 01:25:58,159

check i've never

2082

01:26:02,310 --> 01:26:01,040

one time the only person that ever and

2083

01:26:05,030 --> 01:26:02,320

this is a funny story

2084

01:26:06,709 --> 01:26:05,040

you guys can look this up the only time

2085

01:26:09,270 --> 01:26:06,719

that somebody's been really pushy with

2086

01:26:11,350 --> 01:26:09,280

him it was carrie cassidy

2087

01:26:13,350 --> 01:26:11,360

and carrie cassidy was basically yelling

2088

01:26:15,750 --> 01:26:13,360

at him for claiming that all

2089

01:26:17,189 --> 01:26:15,760

aliens were benevolent and telling him

2090

01:26:20,550 --> 01:26:17,199

that he was irresponsible

2091

01:26:22,870 --> 01:26:20,560

and it's a funny interview but yeah uh

2092

01:26:24,870 --> 01:26:22,880

he does only does softball interviews he

2093

01:26:26,550 --> 01:26:24,880

will not come on a show like mine where

2094

01:26:27,990 --> 01:26:26,560

we're gonna ask hard-hitting questions

2095

01:26:31,350 --> 01:26:28,000

and actually ask him

2096

01:26:33,750 --> 01:26:31,360

you know important you know

2097

01:26:35,590 --> 01:26:33,760

listen i i think that's a valid question

2098

01:26:37,430 --> 01:26:35,600

like how much did you really spend on

2099

01:26:39,110 --> 01:26:37,440

these documentaries that you collected a

2100

01:26:41,350 --> 01:26:39,120

million i believe it's like a million

2101
01:26:43,030 --> 01:26:41,360
dollars each he crowdfunded each he got

2102
01:26:44,310 --> 01:26:43,040
a million dollars to create each of the

2103
01:26:48,390 --> 01:26:44,320
movies

2104
01:26:50,629 --> 01:26:48,400
and you know then he goes on and profits

2105
01:26:51,189 --> 01:26:50,639
more by selling the movie to netflix

2106
01:26:52,790 --> 01:26:51,199
right

2107
01:26:55,030 --> 01:26:52,800
i think how it works is that the people

2108
01:26:57,189 --> 01:26:55,040
at crowdfunding get a free copy

2109
01:26:58,790 --> 01:26:57,199
but everybody else you know you gotta

2110
01:27:02,550 --> 01:26:58,800
pay for netflix or hulu

2111
01:27:04,950 --> 01:27:02,560
to get to watch his stuff i don't know

2112
01:27:06,229 --> 01:27:04,960
and i just wanted to say that the latest

2113
01:27:08,709 --> 01:27:06,239

movie of his

2114

01:27:11,270 --> 01:27:08,719

it's the first sentence the narrator

2115

01:27:13,110 --> 01:27:11,280

says i don't recall offhand is a lie

2116

01:27:15,510 --> 01:27:13,120

but it was something like the government

2117

01:27:17,350 --> 01:27:15,520

has admitted that aliens are visiting us

2118

01:27:20,470 --> 01:27:17,360

the government never admitted that

2119

01:27:23,830 --> 01:27:20,480

and for him to start the movie on a lie

2120

01:27:26,310 --> 01:27:23,840

speaks volumes about the credibility of

2121

01:27:27,430 --> 01:27:26,320

the rest of the information in the dvd

2122

01:27:29,910 --> 01:27:27,440

or the movie

2123

01:27:32,070 --> 01:27:29,920

the first sentence opens with a complete

2124

01:27:36,070 --> 01:27:32,080

and totally inaccurate

2125

01:27:38,550 --> 01:27:36,080

factually inaccurate statement that

2126
01:27:39,270 --> 01:27:38,560
aliens the government has admitted that

2127
01:27:41,830 --> 01:27:39,280
aliens

2128
01:27:43,430 --> 01:27:41,840
have visited us no show me where the

2129
01:27:45,110 --> 01:27:43,440
government admitted that it's never

2130
01:27:45,510 --> 01:27:45,120
happened how do you open a movie with

2131
01:27:50,310 --> 01:27:45,520
that

2132
01:27:53,189 --> 01:27:51,669
so the reason i've asked i watch all

2133
01:27:54,870 --> 01:27:53,199
career stuff it's all very convincing

2134
01:27:56,390 --> 01:27:54,880
especially the false flag stuff a lot of

2135
01:27:58,149 --> 01:27:56,400
this stuff makes sense to me

2136
01:27:59,990 --> 01:27:58,159
but i'm here to learn and be skeptical

2137
01:28:02,629 --> 01:28:00,000
yes kell truth i believe that

2138
01:28:03,189 --> 01:28:02,639

uh yeah he talks about false flag events

2139

01:28:05,669 --> 01:28:03,199

because

2140

01:28:08,310 --> 01:28:05,679

you know what false flag events happen

2141

01:28:08,950 --> 01:28:08,320

he he basically throws in some factually

2142

01:28:12,149 --> 01:28:08,960

accurate

2143

01:28:14,310 --> 01:28:12,159

historical you know historically

2144

01:28:16,070 --> 01:28:14,320

significant points to try to prove the

2145

01:28:18,470 --> 01:28:16,080

rest of his points which are all

2146

01:28:20,229 --> 01:28:18,480

bunco we're gonna do you know what i'd

2147

01:28:21,270 --> 01:28:20,239

commit to it right now i'm gonna commit

2148

01:28:23,110 --> 01:28:21,280

to it right now

2149

01:28:24,950 --> 01:28:23,120

we're gonna do we did the dirt on

2150

01:28:28,229 --> 01:28:24,960

richard dolan let's be fair

2151

01:28:31,270 --> 01:28:28,239

we'll do the dirt on stephen grier uh

2152

01:28:32,629 --> 01:28:31,280

i got a bunch i've got three folders of

2153

01:28:33,910 --> 01:28:32,639

stuff on stephen greer

2154

01:28:38,390 --> 01:28:33,920

i was going to do a show on him on the

2155

01:28:49,030 --> 01:28:40,310

yes a documentary that cost one million

2156

01:28:51,669 --> 01:28:50,229

there are over a thousand people with

2157

01:28:52,950 --> 01:28:51,679

serious credentials that have stood up

2158

01:28:54,870 --> 01:28:52,960

to tell their stories and demand the

2159

01:28:57,270 --> 01:28:54,880

government comes clean

2160

01:28:58,709 --> 01:28:57,280

you may be right you know i really

2161

01:29:01,510 --> 01:28:58,719

thought that that disclosure

2162

01:29:03,030 --> 01:29:01,520

uh event that he held in 2001 was going

2163

01:29:05,510 --> 01:29:03,040

to take legs

2164

01:29:06,149 --> 01:29:05,520

uh he claims that 911 happened right

2165

01:29:07,910 --> 01:29:06,159

after that

2166

01:29:09,350 --> 01:29:07,920

and just took the wind out of the sales

2167

01:29:11,750 --> 01:29:09,360

of that thing and

2168

01:29:13,189 --> 01:29:11,760

for all i know he's right but seems like

2169

01:29:15,430 --> 01:29:13,199

a convenient excuse

2170

01:29:16,870 --> 01:29:15,440

he's been taking people's money for

2171

01:29:18,629 --> 01:29:16,880

years promising he's going to bring

2172

01:29:21,750 --> 01:29:18,639

about disclosure he's one of the

2173

01:29:22,310 --> 01:29:21,760

ufo messiahs you know there's a few of

2174

01:29:24,310 --> 01:29:22,320

them

2175

01:29:25,750 --> 01:29:24,320

there's grant cameron talks about this

2176
01:29:27,669 --> 01:29:25,760
and it's an excellent point that there

2177
01:29:29,270 --> 01:29:27,679
are these ufo messiahs there are people

2178
01:29:32,149 --> 01:29:29,280
like

2179
01:29:33,430 --> 01:29:32,159
stephen greer who think it's their place

2180
01:29:34,390 --> 01:29:33,440
in the world

2181
01:29:37,510 --> 01:29:34,400
that they're going to bring about

2182
01:29:41,110 --> 01:29:37,520
disclosure right

2183
01:29:42,870 --> 01:29:41,120
we have people like tom delong from tcsa

2184
01:29:45,350 --> 01:29:42,880
he's another one of the ufo messiahs

2185
01:29:47,990 --> 01:29:45,360
he's going to bring about disclosure

2186
01:29:49,270 --> 01:29:48,000
uh there's a lot of ufo messiahs running

2187
01:29:49,990 --> 01:29:49,280
around promising they're going to bring

2188
01:29:52,229 --> 01:29:50,000

disclosure

2189

01:29:53,830 --> 01:29:52,239

and they're all collecting money all of

2190

01:29:56,870 --> 01:29:53,840

them every single one of them

2191

01:29:58,070 --> 01:29:56,880

all of them and you know one of them

2192

01:30:01,030 --> 01:29:58,080

that i used to really have a lot of

2193

01:30:04,390 --> 01:30:01,040

respect for that i've been

2194

01:30:06,550 --> 01:30:04,400

kind of very leery of lately

2195

01:30:08,550 --> 01:30:06,560

right is steven bassett he's another one

2196

01:30:09,830 --> 01:30:08,560

of the ufo messiahs he's going to bring

2197

01:30:11,990 --> 01:30:09,840

about disclosure

2198

01:30:13,750 --> 01:30:12,000

and you know i liked a lot of what he

2199

01:30:14,229 --> 01:30:13,760

talked about and i got to interview him

2200

01:30:16,550 --> 01:30:14,239

once

2201

01:30:18,390 --> 01:30:16,560

and what happened was he gave a great

2202

01:30:19,350 --> 01:30:18,400

interview and i was like this is a great

2203

01:30:23,430 --> 01:30:19,360

interview

2204

01:30:25,270 --> 01:30:23,440

did this big pitch begging for money

2205

01:30:27,189 --> 01:30:25,280

so that he could bring us disclosure and

2206

01:30:27,910 --> 01:30:27,199

that killed it for me it killed it for

2207

01:30:30,629 --> 01:30:27,920

me

2208

01:30:31,110 --> 01:30:30,639

and yeah look i guess maybe he does good

2209

01:30:32,950 --> 01:30:31,120

work

2210

01:30:34,709 --> 01:30:32,960

i don't know exactly what he does but he

2211

01:30:36,070 --> 01:30:34,719

goes to washington and tries to talk to

2212

01:30:37,910 --> 01:30:36,080

senators and

2213

01:30:39,910 --> 01:30:37,920

and congress people and push the

2214

01:30:42,310 --> 01:30:39,920

disclosure thing

2215

01:30:44,149 --> 01:30:42,320

but and i guess yeah he's got to pay for

2216

01:30:45,910 --> 01:30:44,159

his expenses but it just turned me off

2217

01:30:47,750 --> 01:30:45,920

that he did this huge pitch like if i

2218

01:30:50,070 --> 01:30:47,760

could get ten thousand dollars

2219

01:30:52,229 --> 01:30:50,080

i could spend i don't know if he was

2220

01:30:54,149 --> 01:30:52,239

asking for ten thousand dollars maybe

2221

01:30:56,310 --> 01:30:54,159

uh but his point was if he could get you

2222

01:30:57,750 --> 01:30:56,320

know a bunch of thousands of dollars he

2223

01:30:59,910 --> 01:30:57,760

could go to washington again

2224

01:31:01,270 --> 01:30:59,920

and really push the issue and really and

2225

01:31:04,149 --> 01:31:01,280

really move the dial

2226
01:31:04,390 --> 01:31:04,159
and all these guys promising disclosure

2227
01:31:07,270 --> 01:31:04,400
are

2228
01:31:08,149 --> 01:31:07,280
all collecting money every single one of

2229
01:31:11,750 --> 01:31:08,159
them

2230
01:31:16,709 --> 01:31:14,390
yeah i agree with you i guess bassett is

2231
01:31:17,750 --> 01:31:16,719
trying to be the ufo lobbyist of record

2232
01:31:21,750 --> 01:31:17,760
he's got to eat

2233
01:31:22,629 --> 01:31:21,760
yeah well or he could get a day job and

2234
01:31:24,629 --> 01:31:22,639
do that

2235
01:31:30,229 --> 01:31:24,639
part-time if he feels that passionate

2236
01:31:32,070 --> 01:31:30,239
about it

2237
01:31:33,910 --> 01:31:32,080
i've never heard that kell truth i'm

2238
01:31:35,350 --> 01:31:33,920

gonna have to look this story up greer

2239

01:31:37,189 --> 01:31:35,360

said the phoenix lights happened because

2240

01:31:39,990 --> 01:31:37,199

he was in phoenix that night

2241

01:31:41,669 --> 01:31:40,000

and it was a ce5 that created that event

2242

01:31:43,669 --> 01:31:41,679

yeah that's

2243

01:31:45,110 --> 01:31:43,679

also what magicians do when something

2244

01:31:47,350 --> 01:31:45,120

happens you take the credit

2245

01:31:48,470 --> 01:31:47,360

right kind of like those [h__h] over

2246

01:31:51,669 --> 01:31:48,480

there in australia

2247

01:31:53,990 --> 01:31:51,679

remember that like wow if we got a lot

2248

01:31:55,830 --> 01:31:54,000

of rain that could put the fires out

2249

01:31:58,310 --> 01:31:55,840

and we should call up the rain and then

2250

01:32:00,950 --> 01:31:58,320

rains came and some idiots

2251
01:32:01,430 --> 01:32:00,960
took credit for you know bringing the

2252
01:32:03,350 --> 01:32:01,440
rain

2253
01:32:07,590 --> 01:32:03,360
and and putting out the australian

2254
01:32:11,350 --> 01:32:09,430
yes jasmine emerick makes an excellent

2255
01:32:11,990 --> 01:32:11,360
point i love the way their disclosure is

2256
01:32:14,870 --> 01:32:12,000
behind pay

2257
01:32:16,229 --> 01:32:14,880
walls it's like selling jesus christ

2258
01:32:19,590 --> 01:32:16,239
message oh wait

2259
01:32:21,669 --> 01:32:19,600
yeah it's a lot like religion right

2260
01:32:24,709 --> 01:32:21,679
yeah and it's funny that you mentioned

2261
01:32:26,390 --> 01:32:24,719
uh showing jesus christ message because

2262
01:32:27,910 --> 01:32:26,400
i was desmond emerick i was trying to

2263
01:32:29,910 --> 01:32:27,920

think of nice gifts

2264

01:32:31,590 --> 01:32:29,920

uh little gifts that i could give to

2265

01:32:33,350 --> 01:32:31,600

people that are making donations and i

2266

01:32:34,310 --> 01:32:33,360

have a friend that does sort of import

2267

01:32:36,070 --> 01:32:34,320

export and he

2268

01:32:38,229 --> 01:32:36,080

found me a bunch of different stuff and

2269

01:32:40,950 --> 01:32:38,239

one of them one of those gifts

2270

01:32:42,790 --> 01:32:40,960

i think you know in the next week or two

2271

01:32:45,830 --> 01:32:42,800

we're going to start offering some gifts

2272

01:32:47,110 --> 01:32:45,840

if you give a paypal donation and one of

2273

01:32:50,470 --> 01:32:47,120

those things is going to be

2274

01:32:53,830 --> 01:32:50,480

these really nice wooden rosaries i uh

2275

01:32:54,229 --> 01:32:53,840

i always thought it was i always thought

2276

01:32:56,149 --> 01:32:54,239

it's

2277

01:32:57,669 --> 01:32:56,159

like weird that they give you something

2278

01:33:00,229 --> 01:32:57,679

that's supposed to be holy

2279

01:33:01,590 --> 01:33:00,239

like a rosary and it's made out of

2280

01:33:04,229 --> 01:33:01,600

plastic

2281

01:33:05,910 --> 01:33:04,239

you know like i guess does it still work

2282

01:33:07,750 --> 01:33:05,920

can you still pray the rosary with it

2283

01:33:08,950 --> 01:33:07,760

yeah but it seems funny to me that this

2284

01:33:12,149 --> 01:33:08,960

is supposed to be a sacred

2285

01:33:13,910 --> 01:33:12,159

object and it's made out of plastic so

2286

01:33:15,910 --> 01:33:13,920

uh anyway we have these

2287

01:33:17,510 --> 01:33:15,920

really really nice really beautiful

2288

01:33:20,470 --> 01:33:17,520

wooden roses

2289

01:33:21,270 --> 01:33:20,480

on the way and those will be uh offered

2290

01:33:23,510 --> 01:33:21,280

for

2291

01:33:24,629 --> 01:33:23,520

a gift that i could give back to some of

2292

01:33:28,870 --> 01:33:24,639

my viewers

2293

01:33:32,229 --> 01:33:31,030

william pixley the phoenix lights are an

2294

01:33:35,669 --> 01:33:32,239

amazing event

2295

01:33:36,550 --> 01:33:35,679

yes they are yeah nice jazz memory says

2296

01:33:39,270 --> 01:33:36,560

yeah i know

2297

01:33:40,149 --> 01:33:39,280

we got a bunch of other little things

2298

01:33:41,830 --> 01:33:40,159

just to

2299

01:33:43,510 --> 01:33:41,840

just so that i you know if you give a

2300

01:33:45,030 --> 01:33:43,520

donation like

2301

01:33:47,350 --> 01:33:45,040

i guess for the rosaries like if you

2302

01:33:49,350 --> 01:33:47,360

give a 20 donation then

2303

01:33:53,350 --> 01:33:49,360

that week i'll mail you one of these

2304

01:33:57,350 --> 01:33:56,149

i've been getting back into some sort of

2305

01:33:59,990 --> 01:33:57,360

spiritual practice

2306

01:34:01,030 --> 01:34:00,000

i should also mention that i've been

2307

01:34:03,590 --> 01:34:01,040

trying

2308

01:34:05,030 --> 01:34:03,600

c.w chatter's commonwealth chanting and

2309

01:34:08,470 --> 01:34:05,040

i'm gonna do a whole show

2310

01:34:09,750 --> 01:34:08,480

on his commonwealth chanting uh because

2311

01:34:12,709 --> 01:34:09,760

i think it's interesting

2312

01:34:14,070 --> 01:34:12,719

and do i did i find it beneficial so far

2313

01:34:17,030 --> 01:34:14,080

i think it is beneficial

2314

01:34:19,110 --> 01:34:17,040

it forces me uh see every channers

2315

01:34:23,990 --> 01:34:19,120

commonwealth chances spiritual texts

2316

01:34:27,030 --> 01:34:24,000

every day and if left to my own

2317

01:34:29,750 --> 01:34:27,040

sort of you know devices i won't do that

2318

01:34:31,590 --> 01:34:29,760

i won't spend a few minutes every day

2319

01:34:34,629 --> 01:34:31,600

reading spiritual texts

2320

01:34:36,470 --> 01:34:34,639

i just won't do it uh and this

2321

01:34:37,990 --> 01:34:36,480

system that he had developed sort of

2322

01:34:41,350 --> 01:34:38,000

forces me

2323

01:34:43,430 --> 01:34:41,360

take the time to you know

2324

01:34:45,669 --> 01:34:43,440

take the time give some attention to

2325

01:34:47,590 --> 01:34:45,679

your spirituality every day and read

2326

01:34:53,830 --> 01:34:47,600

some spiritual texts i think it's

2327

01:34:57,510 --> 01:34:55,750

william pixley that's a good promotion

2328

01:34:59,910 --> 01:34:57,520

stephen yeah and i thought

2329

01:35:01,350 --> 01:34:59,920

just so we could be all inclusive uh we

2330

01:35:02,790 --> 01:35:01,360

could have prayer beads from other

2331

01:35:04,470 --> 01:35:02,800

religions as well

2332

01:35:06,390 --> 01:35:04,480

and people could tell me you know if

2333

01:35:08,709 --> 01:35:06,400

they want the jewish prayer beads if

2334

01:35:12,310 --> 01:35:08,719

they want the rosary or they want

2335

01:35:15,510 --> 01:35:12,320

you know there's there's many different

2336

01:35:19,030 --> 01:35:15,520

versions of prayer beads and i like

2337

01:35:19,669 --> 01:35:19,040

all of them carol utley i'd like a

2338

01:35:21,590 --> 01:35:19,679

t-shirt

2339

01:35:24,550 --> 01:35:21,600

truth seekers yeah i'm gonna work on

2340

01:35:27,669 --> 01:35:24,560

that there is a way that in the uh

2341

01:35:30,390 --> 01:35:27,679

in the youtube channel itself

2342

01:35:31,669 --> 01:35:30,400

you could very easily i'm told from a

2343

01:35:33,990 --> 01:35:31,679

friend that does it

2344

01:35:35,350 --> 01:35:34,000

there's a company that will sort of drop

2345

01:35:37,109 --> 01:35:35,360

ship everything for you

2346

01:35:38,870 --> 01:35:37,119

and you get a cut of it and they get a

2347

01:35:39,510 --> 01:35:38,880

cut of it i'm going to set that up and

2348

01:35:42,229 --> 01:35:39,520

everybody

2349

01:35:43,109 --> 01:35:42,239

who wants a truth seeker sure can order

2350

01:35:45,910 --> 01:35:43,119

one soon

2351

01:35:46,629 --> 01:35:45,920

i gotta make it a point to get that done

2352

01:35:48,870 --> 01:35:46,639

because

2353

01:35:50,070 --> 01:35:48,880

yeah then i could be like richard dolan

2354

01:35:53,430 --> 01:35:50,080

and you two could buy

2355

01:35:55,109 --> 01:35:53,440

uh stephen campion truth seekers coffee

2356

01:35:57,669 --> 01:35:55,119

mug

2357

01:35:58,709 --> 01:35:57,679

whatever we have to do and also i just

2358

01:36:01,990 --> 01:35:58,719

wanted to ask

2359

01:36:03,750 --> 01:36:02,000

if anybody is interested in this i know

2360

01:36:07,109 --> 01:36:03,760

somebody who produces

2361

01:36:10,149 --> 01:36:07,119

the best organic real

2362

01:36:10,870 --> 01:36:10,159

raw honey uh that you'll ever have in

2363

01:36:14,470 --> 01:36:10,880

your life

2364

01:36:15,669 --> 01:36:14,480

it is amazing um they do it by planting

2365

01:36:18,790 --> 01:36:15,679

wildflowers

2366

01:36:20,229 --> 01:36:18,800

all around the um around the hive setup

2367

01:36:23,510 --> 01:36:20,239

that they have

2368

01:36:25,430 --> 01:36:23,520

and uh you know

2369

01:36:26,709 --> 01:36:25,440

i'm looking for something to sell to

2370

01:36:29,109 --> 01:36:26,719

help support the show

2371

01:36:29,990 --> 01:36:29,119

if you guys think that selling honey

2372

01:36:32,870 --> 01:36:30,000

would be something

2373

01:36:34,470 --> 01:36:32,880

you know like it's a little weird yeah

2374

01:36:35,510 --> 01:36:34,480

but i think that a lot of people who

2375

01:36:38,709 --> 01:36:35,520

listen to my show

2376

01:36:41,910 --> 01:36:38,719

maybe health conscious and into

2377

01:36:44,149 --> 01:36:41,920

organic things like raw honey it's just

2378

01:36:45,830 --> 01:36:44,159

awesome i've been having it in my tea

2379

01:36:50,149 --> 01:36:45,840

and i use it to make

2380

01:36:52,870 --> 01:36:50,159

uh my favorite uh side dish for dinners

2381

01:36:54,629 --> 01:36:52,880

is honey glazed carrots and that's super

2382

01:36:55,430 --> 01:36:54,639

simple to do you throw these carrots in

2383

01:36:57,510 --> 01:36:55,440

a pot

2384

01:36:59,669 --> 01:36:57,520

with some water you boil them you drain

2385

01:37:00,229 --> 01:36:59,679

it and then it's just a teaspoon of this

2386

01:37:02,950 --> 01:37:00,239

honey

2387

01:37:04,830 --> 01:37:02,960

and a couple of pats of butter mix it up

2388

01:37:09,669 --> 01:37:04,840

it's

2389

01:37:14,310 --> 01:37:11,270

jasmine emerick my religious text of

2390

01:37:16,550 --> 01:37:14,320

late has been gnostic

2391

01:37:19,990 --> 01:37:16,560

carol utley remember mood rings hell

2392

01:37:22,070 --> 01:37:20,000

yeah i'm gonna get us some move rings

2393

01:37:23,109 --> 01:37:22,080

excellent suggestion carol hutley maybe

2394

01:37:25,830 --> 01:37:23,119

for like a 10

2395

01:37:26,390 --> 01:37:25,840

donation you get i'll mail you a mood

2396

01:37:32,149 --> 01:37:26,400

ring

2397

01:37:35,430 --> 01:37:34,229

food seekers branded harmonicas we're

2398

01:37:36,950 --> 01:37:35,440

going to turn into kiss we're going to

2399

01:37:43,430 --> 01:37:36,960

have truth seekers

2400

01:37:47,030 --> 01:37:45,990

sell your butt off just make sure how

2401

01:37:50,149 --> 01:37:47,040

you do so

2402

01:37:52,070 --> 01:37:50,159

trash ux not sure

2403

01:37:54,149 --> 01:37:52,080

oh where we got one vote for the honey

2404

01:37:56,790 --> 01:37:54,159

my mom loves honey but you should

2405

01:37:58,070 --> 01:37:56,800

sell the cbd oil too i'd buy both you

2406

01:38:00,709 --> 01:37:58,080

know we're gonna get a storefront

2407

01:38:04,790 --> 01:38:00,719

together because

2408

01:38:05,350 --> 01:38:04,800

listen uh the covet thing destroyed my

2409

01:38:09,270 --> 01:38:05,360

business

2410

01:38:12,709 --> 01:38:09,280

and uh it's i'm not sure if it's sad but

2411

01:38:14,790 --> 01:38:12,719

really this is one of the major this is

2412

01:38:16,470 --> 01:38:14,800

one of the things that i have right now

2413

01:38:19,109 --> 01:38:16,480

is a show you know

2414

01:38:21,430 --> 01:38:19,119

and everybody else has all these

2415

01:38:24,470 --> 01:38:21,440

commercials and they sell this crap

2416

01:38:26,870 --> 01:38:24,480

but here's what i'm gonna say

2417

01:38:28,830 --> 01:38:26,880

manuka honey is good from new zealand

2418

01:38:30,470 --> 01:38:28,840

here's what i'm gonna say about selling

2419

01:38:33,590 --> 01:38:30,480

products

2420

01:38:35,910 --> 01:38:33,600

you've got to pay the bills right so if

2421

01:38:36,790 --> 01:38:35,920

selling some products or offering free

2422

01:38:38,790 --> 01:38:36,800

gifts to get

2423

01:38:40,550 --> 01:38:38,800

different size donations i think we're

2424

01:38:41,750 --> 01:38:40,560

going to do some things like that too

2425

01:38:43,990 --> 01:38:41,760

so some of the things are going to be

2426

01:38:45,510 --> 01:38:44,000

like if you give a 20 donation

2427

01:38:47,430 --> 01:38:45,520

i'm gonna mail you one of these really

2428

01:38:51,510 --> 01:38:47,440

nice handmade wooden

2429

01:38:53,270 --> 01:38:51,520

uh wooden rosaries uh

2430

01:38:55,590 --> 01:38:53,280

but we may have commercials and sell

2431

01:38:57,109 --> 01:38:55,600

things like the honey or the cbd oil

2432

01:38:59,350 --> 01:38:57,119

that's a good suggestion

2433

01:39:01,510 --> 01:38:59,360

maybe the mood ring will be another gift

2434

01:39:05,030 --> 01:39:01,520

for making a donation

2435

01:39:08,550 --> 01:39:05,040

but here's the thing i i gotta

2436

01:39:12,229 --> 01:39:11,430

on my previous show i did not get the

2437

01:39:14,390 --> 01:39:12,239

right to

2438

01:39:15,270 --> 01:39:14,400

say no to a commercial does that make

2439

01:39:17,669 --> 01:39:15,280

sense

2440

01:39:18,870 --> 01:39:17,679

so in other words if the distributor of

2441

01:39:21,669 --> 01:39:18,880

the show

2442

01:39:22,629 --> 01:39:21,679

said hey uh we're going to have you

2443

01:39:29,350 --> 01:39:22,639

hawking

2444

01:39:32,470 --> 01:39:29,360

colon cleanse constantly i had

2445

01:39:34,390 --> 01:39:32,480

no absolutely no right to say no i don't

2446

01:39:37,109 --> 01:39:34,400

want somebody advertising

2447

01:39:37,830 --> 01:39:37,119

talking about cleanse your colon get t

2448

01:39:39,990 --> 01:39:37,840

you know

2449

01:39:41,990 --> 01:39:40,000

i hated that every time i heard it i

2450

01:39:42,950 --> 01:39:42,000

cringed i'm like oh my god people were

2451
01:39:46,709 --> 01:39:42,960

buying

2452
01:39:49,910 --> 01:39:46,719

diuretics a diuretic t

2453
01:39:53,590 --> 01:39:49,920

to cleanse their colon from my show

2454
01:39:54,629 --> 01:39:53,600

i hated that and but i didn't have the

2455
01:39:57,189 --> 01:39:54,639

right to say no

2456
01:39:57,669 --> 01:39:57,199

right because this distributor has to

2457
01:39:59,750 --> 01:39:57,679

get

2458
01:40:01,270 --> 01:39:59,760

a few bucks for doing the distribution

2459
01:40:04,390 --> 01:40:01,280

whatever

2460
01:40:04,950 --> 01:40:04,400

i refuse to have any product here that i

2461
01:40:07,990 --> 01:40:04,960

will not

2462
01:40:09,990 --> 01:40:08,000

personally endorse or use myself

2463
01:40:11,830 --> 01:40:10,000

and that's a good thing so at least

2464

01:40:14,390 --> 01:40:11,840

being independent now i have

2465

01:40:15,189 --> 01:40:14,400

control of that and nobody can force me

2466

01:40:18,629 --> 01:40:15,199

to

2467

01:40:20,709 --> 01:40:18,639

[h__\h] tea

2468

01:40:22,390 --> 01:40:20,719

i'm sorry i don't want to sell tea that

2469

01:40:24,070 --> 01:40:22,400

makes you [h__\h] like crazy

2470

01:40:26,310 --> 01:40:24,080

i just don't want to do it i'm not going

2471

01:40:27,669 --> 01:40:26,320

to do it so we may start selling some

2472

01:40:28,870 --> 01:40:27,679

products here but

2473

01:40:32,149 --> 01:40:28,880

they're not going to be anything i don't

2474

01:40:36,550 --> 01:40:35,030

oh jonah side with another excellent

2475

01:40:39,430 --> 01:40:36,560

suggestion

2476
01:40:40,550 --> 01:40:39,440
bandanas but of course truth seekers

2477
01:40:42,870 --> 01:40:40,560
dildos

2478
01:40:45,109 --> 01:40:42,880
man now i gotta go research how do you

2479
01:40:46,709 --> 01:40:45,119
custom print on top of dildos because we

2480
01:40:49,270 --> 01:40:46,719
could put the truth seekers logo right

2481
01:40:54,470 --> 01:40:49,280
down the dildo joan aside

2482
01:40:54,480 --> 01:40:59,430
oh my goodness john

2483
01:41:04,550 --> 01:41:01,590
sians are possibly authors of the dead

2484
01:41:06,229 --> 01:41:04,560
sea scrolls

2485
01:41:08,870 --> 01:41:06,239
william pixley sir you're going to sell

2486
01:41:11,030 --> 01:41:08,880
cheese no but

2487
01:41:11,990 --> 01:41:11,040
i'm going to go talk to the honey girl

2488
01:41:13,669 --> 01:41:12,000

and uh

2489

01:41:15,750 --> 01:41:13,679

here's what i think the honey is going

2490

01:41:16,870 --> 01:41:15,760

to work like this i think that i'm going

2491

01:41:18,870 --> 01:41:16,880

to take the orders

2492

01:41:21,350 --> 01:41:18,880

by my paypal and then forward them to

2493

01:41:21,990 --> 01:41:21,360

her and she's just gonna drop ship it to

2494

01:41:24,629 --> 01:41:22,000

you

2495

01:41:25,350 --> 01:41:24,639

because i'm not sure how to store all

2496

01:41:28,629 --> 01:41:25,360

that honey

2497

01:41:29,109 --> 01:41:28,639

and like you know like and i got kids

2498

01:41:31,430 --> 01:41:29,119

man

2499

01:41:32,390 --> 01:41:31,440

if my kids get a hold of like a bunch of

2500

01:41:34,870 --> 01:41:32,400

jars of honey

2501

01:41:36,629 --> 01:41:34,880

it's not going to go well so but we're

2502

01:41:39,430 --> 01:41:36,639

going to work that out

2503

01:41:41,590 --> 01:41:39,440

bandanas are a decent idea reem see i

2504

01:41:44,709 --> 01:41:41,600

like tea i like herbal tea

2505

01:41:46,310 --> 01:41:44,719

reem i don't like [h__h] tea the colon

2506

01:41:48,470 --> 01:41:46,320

cleanse tea and i hated their

2507

01:41:50,870 --> 01:41:48,480

commercials because it was always like

2508

01:41:52,310 --> 01:41:50,880

clench a colon change your life you know

2509

01:41:56,629 --> 01:41:52,320

it was such

2510

01:42:01,350 --> 01:41:58,709

and i had to listen to it hundreds of

2511

01:42:02,950 --> 01:42:01,360

times because you know editing like okay

2512

01:42:05,830 --> 01:42:02,960

put the commercials in

2513

01:42:06,470 --> 01:42:05,840

and then play oh god to get the t [h__h]

2514

01:42:08,470 --> 01:42:06,480

you know

2515

01:42:10,149 --> 01:42:08,480

yeah i have no problem with the cbd oil

2516

01:42:13,590 --> 01:42:10,159

ones but uh

2517

01:42:15,830 --> 01:42:13,600

i didn't like to get the tea sleepy

2518

01:42:18,229 --> 01:42:15,840

tea with honey yeah i like that

2519

01:42:21,270 --> 01:42:18,239

sleepytime tea this celestial seasons

2520

01:42:22,470 --> 01:42:21,280

sleepytime tea that stuff's just

2521

01:42:24,229 --> 01:42:22,480

delicious and it's

2522

01:42:26,950 --> 01:42:24,239

kind of something about herbal tea it's

2523

01:42:29,350 --> 01:42:26,960

like comforting right

2524

01:42:30,550 --> 01:42:29,360

yeah maybe we'll sell herbal tea so now

2525

01:42:33,350 --> 01:42:30,560

i gotta go look up

2526

01:42:33,990 --> 01:42:33,360

mood rings and custom printed dildos

2527

01:42:39,669 --> 01:42:34,000

thanks

2528

01:42:41,189 --> 01:42:39,679

friends uh we're reaching an hour and 45

2529

01:42:43,270 --> 01:42:41,199

minutes and i think that

2530

01:42:44,790 --> 01:42:43,280

now would be a good time to wrap things

2531

01:42:47,830 --> 01:42:44,800

up i definitely want to

2532

01:42:49,990 --> 01:42:47,840

let me just check this paypal make sure

2533

01:42:53,510 --> 01:42:50,000

we don't have any donations to shout out

2534

01:42:56,149 --> 01:42:53,520

tonight no we don't

2535

01:42:57,510 --> 01:42:56,159

no honey no money tonight but it's all

2536

01:43:02,070 --> 01:42:57,520

good friends we keep

2537

01:43:05,189 --> 01:43:02,080

moving forward i uh am

2538

01:43:06,629 --> 01:43:05,199

really appreciative of everybody that

2539

01:43:11,910 --> 01:43:06,639

has been supporting the show

2540

01:43:15,430 --> 01:43:13,830

please do know that one of the best ways

2541

01:43:17,270 --> 01:43:15,440

that you can support me right now

2542

01:43:18,870 --> 01:43:17,280

is to try to help me get the subscriber

2543

01:43:20,709 --> 01:43:18,880

count up so if you know somebody that

2544

01:43:21,270 --> 01:43:20,719

likes the kind of subjects that we cover

2545

01:43:22,950 --> 01:43:21,280

and

2546

01:43:24,870 --> 01:43:22,960

most of you in the live chat probably

2547

01:43:26,950 --> 01:43:24,880

have many friends that do

2548

01:43:29,189 --> 01:43:26,960

uh send them a message send them an

2549

01:43:30,709 --> 01:43:29,199

email say hey this new show is on and

2550

01:43:33,030 --> 01:43:30,719

you would probably like it

2551

01:43:43,350 --> 01:43:33,040

go subscribe check it out i would

2552

01:43:46,790 --> 01:43:45,990

kb i am vicariously searching for peppa

2553

01:43:51,350 --> 01:43:46,800

pig

2554

01:43:53,510 --> 01:43:51,360

four-year-old plays that constantly

2555

01:43:54,390 --> 01:43:53,520

i hate it i hate it and then you know

2556

01:43:58,310 --> 01:43:54,400

what he does

2557

01:44:01,750 --> 01:43:58,320

he leaves it on right he leaves on

2558

01:44:02,790 --> 01:44:01,760

he'll leave on peppa pig and they walk

2559

01:44:05,109 --> 01:44:02,800

away from the tv

2560

01:44:07,189 --> 01:44:05,119

and i'm like in the kitchen listening to

2561

01:44:08,550 --> 01:44:07,199

peppa pig screaming

2562

01:44:11,350 --> 01:44:08,560

and i don't know that he hasn't even

2563

01:44:17,189 --> 01:44:11,360

been watching it for a half hour

2564

01:44:22,070 --> 01:44:20,070

yes friends so we're going to wrap

2565

01:44:23,830 --> 01:44:22,080

things up here i want to thank each and

2566

01:44:25,590 --> 01:44:23,840

every one of you for joining me tonight

2567

01:44:27,270 --> 01:44:25,600

i almost didn't do the show tonight

2568

01:44:28,470 --> 01:44:27,280

because we had some technical issues but

2569

01:44:30,629 --> 01:44:28,480

i'm glad we worked it out

2570

01:44:31,510 --> 01:44:30,639

i'm sorry it was a little late tonight

2571

01:44:35,109 --> 01:44:31,520

um

2572

01:44:38,470 --> 01:44:35,119

yeah friends until next time until

2573

01:44:38,870 --> 01:44:38,480

next time i believe that there will be a

2574

01:44:42,070 --> 01:44:38,880

show

2575

01:44:43,910 --> 01:44:42,080

tomorrow night at 10 p.m i am going to

2576

01:44:46,470 --> 01:44:43,920

try something crazy this week

2577

01:44:48,070 --> 01:44:46,480

and i'm going to try to do a show i'm

2578

01:44:50,470 --> 01:44:48,080

going to try to do five shows next

2579

01:44:51,990 --> 01:44:50,480

week that may or may not be possible we

2580

01:44:54,070 --> 01:44:52,000

may be going to the cabin

2581

01:44:56,070 --> 01:44:54,080

and here's the deal when i'm at the

2582

01:44:58,870 --> 01:44:56,080

cabin now my wife is bringing

2583

01:45:01,189 --> 01:44:58,880

guests and there's guests in the trailer

2584

01:45:03,189 --> 01:45:01,199

so i can't use that to stream

2585

01:45:04,790 --> 01:45:03,199

my mother-in-law is in the cabin as well

2586

01:45:07,750 --> 01:45:04,800

with the children and my wife

2587

01:45:09,270 --> 01:45:07,760

and there's really only two rooms and i

2588

01:45:10,790 --> 01:45:09,280

don't know if we'll be able to do a show

2589

01:45:13,590 --> 01:45:10,800

maybe i could do it outside but then i

2590

01:45:16,790 --> 01:45:13,600

got to worry about bears

2591

01:45:17,430 --> 01:45:16,800

so yeah you know i'm doing my best to

2592

01:45:22,550 --> 01:45:17,440

try to

2593

01:45:26,070 --> 01:45:22,560

sometimes that's not always possible

2594

01:45:27,750 --> 01:45:26,080

but until next time folks my name is

2595

01:45:54,970 --> 01:45:27,760

stephen cambion

2596

01:46:45,950 --> 01:46:03,740

[Music]

2597

01:47:10,840 --> 01:46:45,960

[Applause]

2598

01:47:12,900 --> 01:47:10,850

[Music]

2599

01:47:41,090 --> 01:47:12,910

[Applause]

2600

01:47:42,090 --> 01:47:41,100

[Music]

2601

01:48:01,830 --> 01:47:42,100

[Applause]
