

Steven Cambian

1
00:02:09,669 --> 00:00:46,970

[Music]

2
00:02:14,550 --> 00:02:10,550

greetings

3
00:02:17,030 --> 00:02:14,560

and salutations friends and welcome back

4
00:02:18,229 --> 00:02:17,040

tonight i thought that we would go down

5
00:02:22,150 --> 00:02:18,239

another strange

6
00:02:24,790 --> 00:02:22,160

path last night we covered the

7
00:02:25,830 --> 00:02:24,800

alien or on the last show we covered the

8
00:02:28,949 --> 00:02:25,840

alien

9
00:02:32,949 --> 00:02:28,959

video reported to be of

10
00:02:37,670 --> 00:02:32,959

aliens that crash landed on planet earth

11
00:02:40,710 --> 00:02:37,680

around the time of roswell i suppose

12
00:02:42,309 --> 00:02:40,720

and we had this discussion is it real is

13
00:02:45,910 --> 00:02:42,319

it a hoax

14

00:02:46,710 --> 00:02:45,920

that one is sort of unproven but people

15

00:02:50,150 --> 00:02:46,720

asked

16

00:02:53,270 --> 00:02:50,160

an email after that show about some

17

00:02:55,509 --> 00:02:53,280

others some of my other favorite videos

18

00:02:57,990 --> 00:02:55,519

uh out there on the internet in

19

00:03:01,110 --> 00:02:58,000

conspiracy land that

20

00:03:02,630 --> 00:03:01,120

are supposed to be real now there's

21

00:03:04,710 --> 00:03:02,640

hundreds

22

00:03:06,229 --> 00:03:04,720

but i of course like anyone have my

23

00:03:09,670 --> 00:03:06,239

favorites

24

00:03:10,710 --> 00:03:09,680

i grew up being kind of a science nerd

25

00:03:12,630 --> 00:03:10,720

imagine that

26

00:03:14,070 --> 00:03:12,640

and building model rockets and being

27

00:03:16,790 --> 00:03:14,080

very interested in

28

00:03:17,270 --> 00:03:16,800

the moon landings and space and nasa and

29

00:03:21,670 --> 00:03:17,280

space

30

00:03:25,110 --> 00:03:21,680

history so when this one came up

31

00:03:28,309 --> 00:03:25,120

i was interested

32

00:03:34,869 --> 00:03:31,670

now the apollo program officially ended

33

00:03:38,149 --> 00:03:34,879

december 7 1972

34

00:03:38,470 --> 00:03:38,159

with the last flight which would have

35

00:03:42,470 --> 00:03:38,480

been

36

00:03:42,869 --> 00:03:42,480

apollo 17 but my friends there seems to

37

00:03:47,750 --> 00:03:42,879

be

38

00:03:49,990 --> 00:03:47,760

ample ample

39

00:03:51,190 --> 00:03:50,000

there seems to be ample stories and

40

00:03:54,869 --> 00:03:51,200

conspiracies

41

00:04:01,030 --> 00:03:57,990

one of them was

42

00:04:03,910 --> 00:04:01,040

the story of further

43

00:04:04,869 --> 00:04:03,920

apollo missions secret missions to the

44

00:04:06,869 --> 00:04:04,879

moon

45

00:04:08,789 --> 00:04:06,879

that the public was not made aware of

46

00:04:10,869 --> 00:04:08,799

and most of these conspiracies go

47

00:04:13,990 --> 00:04:10,879

something like this

48

00:04:17,830 --> 00:04:14,000

apollo 17 was not the last

49

00:04:22,310 --> 00:04:17,840

apollo mission there were several more

50

00:04:25,510 --> 00:04:22,320

that nasa flew in order to investigate

51

00:04:28,790 --> 00:04:25,520

ancient structures on the moon

52

00:04:31,830 --> 00:04:28,800

alien artifacts alien architecture or

53

00:04:34,390 --> 00:04:31,840

signs of alien created architecture

54

00:04:35,990 --> 00:04:34,400

on the moon and they could not share

55

00:04:36,310 --> 00:04:36,000

this information with the public so they

56

00:04:38,469 --> 00:04:36,320

just

57

00:04:40,550 --> 00:04:38,479

told the public that they shut down the

58

00:04:42,629 --> 00:04:40,560

apollo mission

59

00:04:44,230 --> 00:04:42,639

it's an interesting historical fact that

60

00:04:46,950 --> 00:04:44,240

one of the sources of all these

61

00:04:50,469 --> 00:04:46,960

conspiracies may have been

62

00:04:54,870 --> 00:04:50,479

that they had enough rockets to do

63

00:04:57,909 --> 00:04:54,880

more flights the saturn rocket which

64

00:05:00,950 --> 00:04:57,919

first took men to the moon is

65

00:05:04,870 --> 00:05:00,960

uh up until recently with uh some

66

00:05:08,070 --> 00:05:04,880

advancements by elon musk of spacex

67

00:05:11,670 --> 00:05:08,080

that it was the most powerful

68

00:05:14,310 --> 00:05:11,680

rocket ever made by man

69

00:05:16,790 --> 00:05:14,320

and so it seems strange given the cost

70

00:05:19,990 --> 00:05:16,800

of billions per rocket

71

00:05:21,350 --> 00:05:20,000

that the united states nasa program

72

00:05:24,870 --> 00:05:21,360

would just

73

00:05:27,749 --> 00:05:24,880

mothball them and to my knowledge

74

00:05:29,029 --> 00:05:27,759

the remaining rockets from the apollo

75

00:05:32,150 --> 00:05:29,039

program have

76

00:05:35,590 --> 00:05:32,160

to this day never been used

77

00:05:37,590 --> 00:05:35,600

i believe they still have them

78

00:05:38,710 --> 00:05:37,600

but they've never been used and at this

79

00:05:41,510 --> 00:05:38,720

point they're probably so

80

00:05:44,070 --> 00:05:41,520

old they would require a great deal of

81

00:05:47,110 --> 00:05:44,080

retrofitting or

82

00:05:49,510 --> 00:05:47,120

work to even make it

83

00:05:50,150 --> 00:05:49,520

feasible to use them again i suppose so

84

00:05:52,310 --> 00:05:50,160

that's

85

00:05:55,350 --> 00:05:52,320

billions of dollars wasted by our

86

00:05:57,430 --> 00:05:55,360

government but it's one of those

87

00:05:59,670 --> 00:05:57,440

little known facts about the apollo

88

00:06:00,950 --> 00:05:59,680

program that conspiracy theorists

89

00:06:03,270 --> 00:06:00,960

and people who come up with these

90

00:06:05,590 --> 00:06:03,280

stories use

91

00:06:06,309 --> 00:06:05,600

to i suppose make it sound more

92

00:06:08,309 --> 00:06:06,319

plausible

93

00:06:10,230 --> 00:06:08,319

because it doesn't make logical sense

94

00:06:12,870 --> 00:06:10,240

why would we just moth ball

95

00:06:14,870 --> 00:06:12,880

a bunch of billion-dollar rockets we had

96

00:06:16,550 --> 00:06:14,880

laying around at the end of the apollo

97

00:06:17,990 --> 00:06:16,560

program

98

00:06:20,390 --> 00:06:18,000

well according to some we didn't

99

00:06:23,110 --> 00:06:20,400

mothball them we used them

100

00:06:23,749 --> 00:06:23,120

to go look at those alien structures on

101
00:06:26,710 --> 00:06:23,759
the moon

102
00:06:28,950 --> 00:06:26,720
to go look at that alien architecture or

103
00:06:32,309 --> 00:06:28,960
alien artifacts

104
00:06:36,070 --> 00:06:32,319
and some even say or have

105
00:06:39,430 --> 00:06:36,080
said there was a monolith a huge

106
00:06:42,469 --> 00:06:39,440
alien mothership on the moon

107
00:06:44,710 --> 00:06:42,479
in terrible shape looking like it had

108
00:06:45,909 --> 00:06:44,720
been there for thousands and thousands

109
00:06:49,510 --> 00:06:45,919
of years

110
00:06:52,870 --> 00:06:49,520
that that alien mothership crash land

111
00:06:57,350 --> 00:06:52,880
did it have trouble and was it not able

112
00:07:05,110 --> 00:07:01,990
interesting stories but are they real

113
00:07:07,029 --> 00:07:05,120

so some time ago a video came out on the

114

00:07:10,070 --> 00:07:07,039

internet and made a huge

115

00:07:13,189 --> 00:07:10,080

sensation i would say in the conspiracy

116

00:07:15,909 --> 00:07:13,199

alien ufo world and that would be

117

00:07:17,110 --> 00:07:15,919

this video generally it's called the

118

00:07:21,670 --> 00:07:17,120

apollo 20

119

00:07:25,110 --> 00:07:21,680

1976 secret mission uh

120

00:07:28,150 --> 00:07:25,120

it shows among other things apollo

121

00:07:31,670 --> 00:07:28,160

an apollo capsule you know

122

00:07:32,070 --> 00:07:31,680

landing on the moon near what appear to

123

00:07:38,469 --> 00:07:32,080

be

124

00:07:40,469 --> 00:07:38,479

an alien spaceship but it gets more

125

00:07:41,270 --> 00:07:40,479

fantastical friends because not only do

126
00:07:44,790 --> 00:07:41,280
we see

127
00:07:48,629 --> 00:07:44,800
at the exterior of this huge behemoth

128
00:07:50,309 --> 00:07:48,639
reported mothership uh a wreckage of a

129
00:07:53,830 --> 00:07:50,319
mothership on the moon

130
00:07:57,589 --> 00:07:53,840
we get to see a strange alien creature

131
00:07:59,830 --> 00:07:57,599
that they encountered yeah it's been one

132
00:08:03,189 --> 00:07:59,840
of my favorite videos because

133
00:08:07,270 --> 00:08:03,199
uh again if it's

134
00:08:10,070 --> 00:08:07,280
real that's crazy if it's fake

135
00:08:10,390 --> 00:08:10,080
the artistry that went into making this

136
00:08:12,710 --> 00:08:10,400
is

137
00:08:13,749 --> 00:08:12,720
uh pretty amazing someone would have to

138
00:08:17,029 --> 00:08:13,759

find

139

00:08:20,710 --> 00:08:17,039

the exact cockpit of an apollo

140

00:08:22,390 --> 00:08:20,720

capsule and uh i did a little bit on

141

00:08:24,070 --> 00:08:22,400

this when it first came out and near as

142

00:08:24,790 --> 00:08:24,080

i could tell they were pretty accurate

143

00:08:26,710 --> 00:08:24,800

with what

144

00:08:27,990 --> 00:08:26,720

if it's fake what the inside of an

145

00:08:29,909 --> 00:08:28,000

apollo capsule

146

00:08:31,909 --> 00:08:29,919

actually looked like what the controls

147

00:08:33,829 --> 00:08:31,919

were what the buttons were

148

00:08:36,230 --> 00:08:33,839

where everything was what it looked like

149

00:08:38,149 --> 00:08:36,240

inside the capsule

150

00:08:39,350 --> 00:08:38,159

and also they'd have to find a great

151

00:08:42,149 --> 00:08:39,360

deal of historical

152

00:08:43,990 --> 00:08:42,159

footage to i guess flip around and

153

00:08:47,990 --> 00:08:44,000

manipulate and make it look like

154

00:08:50,150 --> 00:08:48,000

new footage taken on the moon uh

155

00:08:51,670 --> 00:08:50,160

but i will leave it up is it real is it

156

00:08:53,990 --> 00:08:51,680

fake first

157

00:08:56,070 --> 00:08:54,000

for once i wanted to leave it up to my

158

00:08:58,230 --> 00:08:56,080

audience and not

159

00:08:59,829 --> 00:08:58,240

spill the beans so soon but what we're

160

00:09:03,110 --> 00:08:59,839

going to do is

161

00:09:04,790 --> 00:09:03,120

we are going to take a look at this

162

00:09:06,710 --> 00:09:04,800

video and i found one of the higher

163

00:09:09,030 --> 00:09:06,720

quality ones there's all kinds of ones

164

00:09:12,550 --> 00:09:09,040

on the internet

165

00:09:16,470 --> 00:09:12,560

yeah and this video is uh geez it's

166

00:09:19,750 --> 00:09:16,480

9 minutes and 30 seconds long i suppose

167

00:09:21,910 --> 00:09:19,760

so but i think it's worthy of watching

168

00:09:23,430 --> 00:09:21,920

it and i'll give some commentary as we

169

00:09:26,949 --> 00:09:23,440

watch this

170

00:09:28,870 --> 00:09:26,959

uh and i'm not sure if this video is

171

00:09:30,310 --> 00:09:28,880

copyrighted i don't believe so but i'm

172

00:09:31,829 --> 00:09:30,320

still going to say fair use we're

173

00:09:33,030 --> 00:09:31,839

educating the public about moon

174

00:09:36,150 --> 00:09:33,040

conspiracies

175

00:09:39,190 --> 00:09:36,160

and uh alien

176

00:09:41,590 --> 00:09:39,200

claims about the moon and various

177

00:09:43,509 --> 00:09:41,600

conspiracy theories regarding the moon

178

00:09:45,750 --> 00:09:43,519

this being just one of them so we're

179

00:09:48,790 --> 00:09:45,760

educating the public on that subject

180

00:09:50,389 --> 00:09:48,800

i will be critiquing and uh we will be

181

00:09:54,230 --> 00:09:50,399

discussing this video

182

00:09:57,750 --> 00:09:54,240

as we watch it so this is the definition

183

00:09:58,389 --> 00:09:57,760

of fair use friends uh so i'll cite fair

184

00:10:01,590 --> 00:09:58,399

use

185

00:10:04,550 --> 00:10:01,600

and we are going to

186

00:10:05,829 --> 00:10:04,560

just give a watch to this uh to this

187

00:10:09,670 --> 00:10:05,839

strange

188

00:10:13,030 --> 00:10:09,680

video which reports to be secret footage

189

00:10:15,509 --> 00:10:13,040

of an apollo 20 mission to the moon

190

00:10:17,829 --> 00:10:15,519

to investigate alien artifacts and

191

00:10:21,030 --> 00:10:17,839

mothership and an alien

192

00:10:21,670 --> 00:10:21,040

that happened reportedly or they claim

193

00:10:24,790 --> 00:10:21,680

it happened

194

00:10:31,190 --> 00:10:24,800

in 1976 let's

195

00:10:34,949 --> 00:10:33,509

and again here we have some historical

196

00:10:38,710 --> 00:10:34,959

information this would have been on

197

00:10:40,630 --> 00:10:38,720

august 16th 1976. one thing i'd like to

198

00:10:43,509 --> 00:10:40,640

mention is that if you've ever seen go

199

00:10:44,870 --> 00:10:43,519

google the saturn v rocket launch i

200

00:10:45,430 --> 00:10:44,880

don't know how they hide that from the

201
00:10:47,590 --> 00:10:45,440
public

202
00:10:48,790 --> 00:10:47,600
but uh you know that's just a little

203
00:10:52,790 --> 00:10:48,800
known fact

204
00:10:55,590 --> 00:10:52,800
uh according to some of these conspiracy

205
00:10:57,190 --> 00:10:55,600
theorists that cling to the belief that

206
00:10:58,870 --> 00:10:57,200
these things are real these moon

207
00:11:00,550 --> 00:10:58,880
conspiracies are real there are

208
00:11:02,389 --> 00:11:00,560
alternate launch sites that they could

209
00:11:05,509 --> 00:11:02,399
have launched these rockets from and

210
00:11:06,870 --> 00:11:05,519
nobody would have noticed

211
00:11:09,350 --> 00:11:06,880
so there's the two sides of that

212
00:11:11,590 --> 00:11:09,360
argument i'm not sure what i believe

213
00:11:13,990 --> 00:11:11,600

concerning that but i think it's pretty

214

00:11:17,030 --> 00:11:14,000

hard if you go look at a saturn v rocket

215

00:11:19,509 --> 00:11:17,040

launch to conceal that from anybody in

216

00:11:21,190 --> 00:11:19,519

the area you could see it a state away

217

00:11:22,550 --> 00:11:21,200

you know i i don't understand that

218

00:11:26,310 --> 00:11:22,560

argument but okay

219

00:11:29,350 --> 00:11:26,320

so let's uh see what

220

00:11:32,069 --> 00:11:29,360

see what this video is about

221

00:11:32,790 --> 00:11:32,079

and here we see the apollo 20 according

222

00:11:39,750 --> 00:11:32,800

to this

223

00:11:43,430 --> 00:11:41,670

interestingly it looks similar to other

224

00:12:08,670 --> 00:11:43,440

nasa footage so it may be

225

00:12:08,680 --> 00:12:18,870

thank

226
00:12:22,310 --> 00:12:20,949
and i guess here we see the spacecraft

227
00:12:24,230 --> 00:12:22,320
leaving

228
00:12:25,829 --> 00:12:24,240
the earth's atmosphere and and the pool

229
00:12:27,910 --> 00:12:25,839
of earth's gravity here we see these

230
00:12:40,550 --> 00:12:27,920
shots of what

231
00:12:43,910 --> 00:12:42,870
and here we see the flag because this

232
00:12:46,470 --> 00:12:43,920
was supposed to be a

233
00:12:48,710 --> 00:12:46,480
joint mission i believe between russia

234
00:12:52,310 --> 00:12:48,720
and the united states

235
00:12:55,190 --> 00:12:52,320
and there's a view of the apollo 20

236
00:12:56,949 --> 00:12:55,200
apparent patch every mission has a patch

237
00:12:59,750 --> 00:12:56,959
this would be no different but it's

238
00:13:03,590 --> 00:12:59,760

a real patch or a fake here we see the

239

00:13:10,230 --> 00:13:07,030

i suppose looking for the landing site

240

00:13:11,110 --> 00:13:10,240

and here we see an exterior view of what

241

00:13:12,870 --> 00:13:11,120

appears to be

242

00:13:14,710 --> 00:13:12,880

[Music]

243

00:13:16,710 --> 00:13:14,720

i believe this is the spaceship

244

00:13:18,710 --> 00:13:16,720

[Music]

245

00:13:24,830 --> 00:13:18,720

reported mothership on the surface of

246

00:13:24,840 --> 00:13:31,670

[Music]

247

00:13:41,720 --> 00:13:33,509

i guess we're getting a slideshow here

248

00:13:41,730 --> 00:13:46,829

[Music]

249

00:13:50,389 --> 00:13:48,870

landing

250

00:13:54,949 --> 00:13:50,399

this looks like footage taken on the

251
00:14:04,150 --> 00:14:02,389
i don't know would be above the ship

252
00:14:06,360 --> 00:14:04,160
i there's some text that accompanies

253
00:14:14,829 --> 00:14:06,370
this we have a fantastic view over the

254
00:14:14,839 --> 00:14:28,829
artifact

255
00:14:34,949 --> 00:14:31,590
so

256
00:14:38,150 --> 00:14:34,959
suppose of this

257
00:14:42,829 --> 00:14:38,160
supposed alien spaceship is this really

258
00:14:42,839 --> 00:14:48,080
moon

259
00:14:48,090 --> 00:14:58,230
[Music]

260
00:15:07,269 --> 00:15:01,110
and here we hear one of the we see a

261
00:15:11,269 --> 00:15:09,110
calling out coordinates or you know

262
00:15:13,829 --> 00:15:11,279
their position as they're trying to

263
00:15:16,540 --> 00:15:13,839

i suppose land near or intercept this

264

00:15:20,870 --> 00:15:19,030

[Music]

265

00:15:22,550 --> 00:15:20,880

and interesting that the footage is you

266

00:15:24,470 --> 00:15:22,560

know

267

00:15:26,710 --> 00:15:24,480

grainy and hard to see that's sort of

268

00:15:30,550 --> 00:15:26,720

the hallmark of some of these things

269

00:15:41,910 --> 00:15:30,560

here we see somebody walking on the moon

270

00:15:49,269 --> 00:15:43,509

i guess he's on his way to check out the

271

00:15:53,269 --> 00:15:51,189

again more images of inside the

272

00:15:55,110 --> 00:15:53,279

spacecraft

273

00:15:56,470 --> 00:15:55,120

which i remember at the time people

274

00:15:58,629 --> 00:15:56,480

analyzed and

275

00:15:59,910 --> 00:15:58,639

and it claimed at least that they were

276

00:16:02,949 --> 00:15:59,920

genuine to

277

00:16:06,310 --> 00:16:02,959

apollo actual apollo

278

00:16:08,069 --> 00:16:06,320

uh equipment but i i don't even know how

279

00:16:09,030 --> 00:16:08,079

they would verify that but i guess if

280

00:16:25,030 --> 00:16:09,040

you're

281

00:16:28,310 --> 00:16:26,790

i remember there was arguments raging

282

00:16:30,629 --> 00:16:28,320

over these shots because

283

00:16:32,470 --> 00:16:30,639

they would confirm or deny oh and here

284

00:16:34,949 --> 00:16:32,480

we get our first view

285

00:16:35,990 --> 00:16:34,959

this is our first view of the alien

286

00:16:38,069 --> 00:16:36,000

which i always thought it was

287

00:16:39,030 --> 00:16:38,079

weird it's got like q-tips on its face i

288

00:16:42,310 --> 00:16:39,040

don't know why

289

00:16:46,629 --> 00:16:42,320

but there's like it looks something that

290

00:16:49,670 --> 00:16:48,150

but i think that's supposed to be some

291

00:16:51,189 --> 00:16:49,680

kind of a device but

292

00:16:58,949 --> 00:16:51,199

to me it looks like somebody built it

293

00:17:02,710 --> 00:17:00,389

people did all kinds of artist

294

00:17:03,350 --> 00:17:02,720

depictions of this alien like fully

295

00:17:06,789 --> 00:17:03,360

alive

296

00:17:08,230 --> 00:17:06,799

walking around sort of interesting it's

297

00:17:10,309 --> 00:17:08,240

supposed to be some kind of connection

298

00:17:13,110 --> 00:17:10,319

to the mayans

299

00:17:14,630 --> 00:17:13,120

uh or the south american tribes which

300

00:17:17,110 --> 00:17:14,640

vanished

301
00:17:19,669 --> 00:17:17,120
maybe and as a long-standing conspiracy

302
00:17:21,750 --> 00:17:19,679
that they went to the stars

303
00:17:23,669 --> 00:17:21,760
when their civilization sort of vanished

304
00:17:24,710 --> 00:17:23,679
and here we see some strange alien

305
00:17:26,390 --> 00:17:24,720
writing

306
00:17:28,309 --> 00:17:26,400
remember they're also being arguments

307
00:17:31,350 --> 00:17:28,319
about this writing is it actual real

308
00:17:33,110 --> 00:17:31,360
writing or is it just scribbling and

309
00:17:35,110 --> 00:17:33,120
i don't think that anybody ever got a

310
00:17:37,990 --> 00:17:35,120
definitive answer

311
00:17:47,110 --> 00:17:38,000
about the actual supposed alien writings

312
00:17:49,029 --> 00:17:47,120
in this film another shot of the alien i

313
00:17:52,230 --> 00:17:49,039

guess they took the

314

00:17:54,470 --> 00:17:52,240

q-tip apparatus something that looks

315

00:17:57,510 --> 00:17:54,480

like a crystal on her forehead which i

316

00:18:01,590 --> 00:17:57,520

remember thinking like

317

00:18:02,789 --> 00:18:01,600

or a third eye

318

00:18:04,390 --> 00:18:02,799

but i don't know friends does this look

319

00:18:05,830 --> 00:18:04,400

like a real alien or does this look like

320

00:18:08,549 --> 00:18:05,840

a wax

321

00:18:09,909 --> 00:18:08,559

head because we don't see much of the

322

00:18:11,270 --> 00:18:09,919

rest of the body

323

00:18:13,990 --> 00:18:11,280

you see the head and it's sort of

324

00:18:15,909 --> 00:18:14,000

wrapped like a mummy or something

325

00:18:17,830 --> 00:18:15,919

and there was all kinds of stories

326

00:18:20,470 --> 00:18:17,840

written about this that sort of like

327

00:18:22,070 --> 00:18:20,480

almost like fan fiction that people came

328

00:18:24,470 --> 00:18:22,080

up with that the aliens

329

00:18:26,630 --> 00:18:24,480

uh their life support system was failing

330

00:18:29,430 --> 00:18:26,640

so they put themselves in stasis

331

00:18:31,430 --> 00:18:29,440

in this in this spaceship and that's

332

00:18:32,390 --> 00:18:31,440

what the apparatus was and here we see

333

00:18:35,909 --> 00:18:32,400

uh

334

00:18:35,919 --> 00:18:44,230

something from the nose

335

00:18:48,390 --> 00:18:46,470

and again the uh one of the purposes of

336

00:18:50,390 --> 00:18:48,400

this mission was supposed to invest

337

00:18:52,150 --> 00:18:50,400

supposed to be to investigate this alien

338

00:18:52,630 --> 00:18:52,160

spacecraft on the moon and then bring

339

00:18:59,440 --> 00:18:52,640

back

340

00:19:03,830 --> 00:19:02,230

[Music]

341

00:19:05,510 --> 00:19:03,840

and yeah i i don't know why they would

342

00:19:08,310 --> 00:19:05,520

have footage of somebody like

343

00:19:11,110 --> 00:19:08,320

poking it but okay he's like poking it

344

00:19:12,470 --> 00:19:11,120

with some tweezers again

345

00:19:14,710 --> 00:19:12,480

it looks like they reused some of the

346

00:19:15,990 --> 00:19:14,720

same footage in this

347

00:19:17,909 --> 00:19:16,000

looks like somebody one of the

348

00:19:18,789 --> 00:19:17,919

astronauts talking about cameras or

349

00:19:26,470 --> 00:19:18,799

something like that

350

00:19:26,480 --> 00:19:35,029

oh there we see the alien again

351

00:19:40,870 --> 00:19:39,270

i don't see any nipples

352

00:19:44,310 --> 00:19:40,880

and why would they be undressing an

353

00:19:51,350 --> 00:19:44,320

alien like this seems a little creepy

354

00:19:54,230 --> 00:19:52,950

okay so they were taking things out of

355

00:19:55,350 --> 00:19:54,240

her nose now it looks like they're

356

00:20:22,549 --> 00:19:55,360

sticking something back

357

00:20:25,669 --> 00:20:23,830

one thing i remember thinking when i

358

00:20:27,029 --> 00:20:25,679

first saw this is that

359

00:20:29,909 --> 00:20:27,039

yeah they're giving you a really good

360

00:20:31,750 --> 00:20:29,919

view of the alien it's not so obscure

361

00:20:33,830 --> 00:20:31,760

usually in these videos they go out of

362

00:20:34,230 --> 00:20:33,840

their way to sort of obscure the image

363

00:20:35,830 --> 00:20:34,240

so

364

00:20:37,510 --> 00:20:35,840
you don't get a clear view of the

365

00:20:53,190 --> 00:20:37,520
details of the features

366

00:21:01,990 --> 00:20:57,270
yep and that my friends

367

00:21:05,750 --> 00:21:02,000
that my friends is the apollo 20 1976

368

00:21:09,110 --> 00:21:05,760
mission video but what do you think

369

00:21:11,510 --> 00:21:09,120
uh before we discuss

370

00:21:13,909 --> 00:21:11,520
discuss it any further i'm gonna just

371

00:21:17,510 --> 00:21:13,919
leave it up to the live chat

372

00:21:20,789 --> 00:21:17,520
is this a real video leaked

373

00:21:23,909 --> 00:21:20,799
uh about aliens on the moon or

374

00:21:27,029 --> 00:21:23,919
is this a carefully constructed hoax or

375

00:21:29,750 --> 00:21:27,039
fake what is it that you guys think

376

00:21:33,350 --> 00:21:29,760

in the live chat put it on all caps

377

00:21:36,630 --> 00:21:35,430

if you believe this video is a real

378

00:21:39,830 --> 00:21:36,640

video

379

00:21:42,149 --> 00:21:39,840

depicting a real alien please write real

380

00:21:43,990 --> 00:21:42,159

if you believe it's fake please write

381

00:21:46,870 --> 00:21:44,000

fake and we'll leave it up to the live

382

00:22:01,029 --> 00:21:46,880

chat sort of take a vote and see what do

383

00:22:04,310 --> 00:22:02,710

william pixley are we traveling among

384

00:22:06,630 --> 00:22:04,320

the stars now it's definitely possible

385

00:22:08,630 --> 00:22:06,640

the idea of a breakaway civilization

386

00:22:10,710 --> 00:22:08,640

holds serious water speculative but

387

00:22:12,230 --> 00:22:10,720

reasoned

388

00:22:16,470 --> 00:22:12,240

yeah i don't know that they would have

389

00:22:17,590 --> 00:22:16,480

the resources and everything though to

390

00:22:20,230 --> 00:22:17,600

i don't know that they would have the

391

00:22:23,510 --> 00:22:20,240

resources to hide an entire

392

00:22:25,190 --> 00:22:23,520

apollo program from the public that

393

00:22:26,549 --> 00:22:25,200

the pilot program cost billions of

394

00:22:28,470 --> 00:22:26,559

dollars so

395

00:22:30,390 --> 00:22:28,480

it would certainly cost billions of

396

00:22:33,029 --> 00:22:30,400

dollars

397

00:22:36,230 --> 00:22:33,039

to uh you know sort of keep that thing

398

00:22:39,510 --> 00:22:37,909

now let's see we'll take some thoughts

399

00:22:43,029 --> 00:22:39,520

of the audience okay

400

00:22:47,350 --> 00:22:43,039

fake fake

401

00:22:52,470 --> 00:22:47,360

fake of mine fake as [\h__\h]

402

00:22:55,590 --> 00:22:53,909

yes and william pixley says there's

403

00:22:58,230 --> 00:22:55,600

trillions missing for the department of

404

00:23:03,350 --> 00:22:58,240

defense from the department of defense

405

00:23:04,870 --> 00:23:03,360

yes so the overwhelming vote i guess in

406

00:23:05,789 --> 00:23:04,880

the live chat from everyone that i've

407

00:23:08,230 --> 00:23:05,799

seen

408

00:23:09,830 --> 00:23:08,240

jean-claude at this to beyond mystic

409

00:23:11,830 --> 00:23:09,840

yeah i stole this idea from you

410

00:23:13,110 --> 00:23:11,840

you are right junk claude i learned it

411

00:23:14,950 --> 00:23:13,120

by watching you

412

00:23:17,029 --> 00:23:14,960

yesterday i was a guest on joan claude's

413

00:23:19,909 --> 00:23:17,039

show i had a good time we talked about

414

00:23:20,710 --> 00:23:19,919

bob lazar and he had this three-point

415

00:23:23,029 --> 00:23:20,720

system where

416

00:23:24,789 --> 00:23:23,039

he would say does this point about bob

417

00:23:28,549 --> 00:23:24,799

lazar confirm

418

00:23:31,669 --> 00:23:28,559

uh bust him or is it suspect

419

00:23:35,110 --> 00:23:31,679

so you could say suspect if you like

420

00:23:37,669 --> 00:23:35,120

deviated says fake fake

421

00:23:38,950 --> 00:23:37,679

genocide says it's both it's fake and

422

00:23:48,830 --> 00:23:38,960

real

423

00:23:53,190 --> 00:23:50,710

okay

424

00:23:54,870 --> 00:23:53,200

out of my asks vanessa thor could you

425

00:23:57,190 --> 00:23:54,880

ask your grampy if this

426
00:23:59,909 --> 00:23:57,200
is fake yeah valiant thor should know if

427
00:24:05,190 --> 00:23:59,919
this is fake or not

428
00:24:15,269 --> 00:24:05,200
uh one second friends uh

429
00:24:18,789 --> 00:24:17,510
okay so to all those that voted that it

430
00:24:22,310 --> 00:24:18,799
was fake

431
00:24:24,789 --> 00:24:22,320
uh yes you are correct

432
00:24:25,350 --> 00:24:24,799
it would appear that the first apollo 20

433
00:24:28,549 --> 00:24:25,360
videos

434
00:24:30,310 --> 00:24:28,559
appeared on youtube on april fool's day

435
00:24:31,909 --> 00:24:30,320
uh yeah and that may have been a hint

436
00:24:32,549 --> 00:24:31,919
that the story was nothing more than an

437
00:24:36,870 --> 00:24:32,559
elaborate

438
00:24:40,070 --> 00:24:36,880

prank i'm reading from the wiki here

439

00:24:44,310 --> 00:24:40,080

the videos were moved then to rever.com

440

00:24:47,909 --> 00:24:45,909

despite the realistic appearance of the

441

00:24:49,510 --> 00:24:47,919

videos amateurs have easily debunked

442

00:24:51,510 --> 00:24:49,520

them on youtube and elsewhere on the

443

00:24:53,669 --> 00:24:51,520

internet

444

00:24:55,590 --> 00:24:53,679

yeah so the video included apollo flight

445

00:24:56,549 --> 00:24:55,600

plans and mission patches the launch of

446

00:24:59,110 --> 00:24:56,559

apollo

447

00:25:00,149 --> 00:24:59,120

william rutledge on the moon ruins of an

448

00:25:02,710 --> 00:25:00,159

alien spacecraft

449

00:25:03,909 --> 00:25:02,720

ruins of an alien city and the body of a

450

00:25:07,110 --> 00:25:03,919

hibernating

451
00:25:09,510 --> 00:25:07,120
female alien nicknamed the mona lisa by

452
00:25:11,750 --> 00:25:09,520
youtube viewers

453
00:25:13,029 --> 00:25:11,760
so it turns out that the creator is a

454
00:25:18,950 --> 00:25:13,039
french videographer

455
00:25:23,430 --> 00:25:21,029
the website that he put his original

456
00:25:25,430 --> 00:25:23,440
admission on need to know dot eu does

457
00:25:27,190 --> 00:25:25,440
no longer exist but through way back you

458
00:25:30,310 --> 00:25:27,200
can go to need to know dot

459
00:25:32,070 --> 00:25:30,320
eu and read all about how he created

460
00:25:33,750 --> 00:25:32,080
this

461
00:25:35,750 --> 00:25:33,760
the wiki goes on to state that like many

462
00:25:37,909 --> 00:25:35,760
hoaxes the story is a mixture of facts

463
00:25:40,070 --> 00:25:37,919

and fiction the starting point

464

00:25:41,510 --> 00:25:40,080

for our photos that nasa astronauts took

465

00:25:44,310 --> 00:25:41,520

in 1971

466

00:25:45,750 --> 00:25:44,320

while orbit during the apollo 15 mission

467

00:25:49,190 --> 00:25:45,760

so yes he used

468

00:25:52,710 --> 00:25:49,200

pre-existing material to sort of fake

469

00:25:56,630 --> 00:25:54,470

and yes the photos show what looked like

470

00:25:59,669 --> 00:25:56,640

a cigar shaped object

471

00:26:01,750 --> 00:25:59,679

resting in a lunar crater

472

00:26:03,269 --> 00:26:01,760

the hoaxer apparently used these photos

473

00:26:05,750 --> 00:26:03,279

to create the image of a

474

00:26:08,230 --> 00:26:05,760

pock marked alien spacecraft on the moon

475

00:26:11,029 --> 00:26:08,240

and nasa photos are real

476

00:26:14,070 --> 00:26:11,039

uh yeah so he added to actual real

477

00:26:18,310 --> 00:26:15,990

in truth apollo 20 was a mission that

478

00:26:19,909 --> 00:26:18,320

never flew it was one of the three lunar

479

00:26:22,230 --> 00:26:19,919

missions nasa canceled

480

00:26:23,190 --> 00:26:22,240

after congress reduced its funding

481

00:26:27,350 --> 00:26:23,200

including

482

00:26:29,669 --> 00:26:27,360

apollo missions 18 and 19. the last clue

483

00:26:33,029 --> 00:26:29,679

crude lunar mission was apollo 17

484

00:26:35,350 --> 00:26:33,039

launched in 1972.

485

00:26:36,070 --> 00:26:35,360

uh and there's some note on popular

486

00:26:37,990 --> 00:26:36,080

culture and

487

00:26:39,510 --> 00:26:38,000

historical significance the apollo 20

488

00:26:41,909 --> 00:26:39,520

hoax was discussed

489

00:26:44,070 --> 00:26:41,919

on aliens on the moon the truth exposed

490

00:26:45,590 --> 00:26:44,080

the tv documentary directed by american

491

00:26:47,909 --> 00:26:45,600

television producer robert

492

00:26:48,789 --> 00:26:47,919

kibiat which was released on july 20th

493

00:26:50,870 --> 00:26:48,799

2014

494

00:26:53,350 --> 00:26:50,880

on the sci-fi channel yeah and i

495

00:26:56,789 --> 00:26:53,360

remember seeing that and they

496

00:26:58,470 --> 00:26:56,799

don't mention that best of my knowledge

497

00:26:59,909 --> 00:26:58,480

any television show i've ever watched

498

00:27:02,710 --> 00:26:59,919

that put this in there

499

00:27:03,750 --> 00:27:02,720

there's a bunch of moon conspiracy you

500

00:27:07,269 --> 00:27:03,760

know

501
00:27:09,269 --> 00:27:07,279
uh moon conspiracy videos documentaries

502
00:27:10,789 --> 00:27:09,279
anybody that includes this they talk

503
00:27:13,669 --> 00:27:10,799
about it like it was never

504
00:27:15,590 --> 00:27:13,679
busted as a hoax so it goes out there

505
00:27:16,710 --> 00:27:15,600
into the world of disinformation

506
00:27:19,190 --> 00:27:16,720
misinformation

507
00:27:20,950 --> 00:27:19,200
fakery and fraudery that some people

508
00:27:24,310 --> 00:27:20,960
still believe

509
00:27:26,789 --> 00:27:24,320
and yes friends even today some people

510
00:27:29,830 --> 00:27:26,799
will argue with me that that video is

511
00:27:31,990 --> 00:27:29,840
actually real and the the

512
00:27:34,310 --> 00:27:32,000
admission by this person that he created

513
00:27:37,110 --> 00:27:34,320

it was just a cover story created by

514

00:27:39,909 --> 00:27:37,120

you know those men in black people are

515

00:27:43,190 --> 00:27:39,919

trying to hide the truth about aliens

516

00:27:44,149 --> 00:27:43,200

um yeah i'm really not i'm not buying

517

00:27:46,149 --> 00:27:44,159

that

518

00:27:48,070 --> 00:27:46,159

we have the person he wrote a pretty

519

00:27:50,710 --> 00:27:48,080

detailed explanation of how

520

00:27:52,630 --> 00:27:50,720

and why he created it it was like an

521

00:27:56,710 --> 00:27:52,640

artistic expression for him

522

00:27:59,029 --> 00:27:56,720

and a social experiment he wanted to see

523

00:28:00,230 --> 00:27:59,039

how easily people will be would be

524

00:28:03,350 --> 00:28:00,240

fooled

525

00:28:06,630 --> 00:28:03,360

by his uh by his work

526
00:28:08,950 --> 00:28:06,640
by his carefully crafted editing and

527
00:28:11,510 --> 00:28:08,960
manipulation of previous

528
00:28:16,870 --> 00:28:11,520
material adding the spaceship and other

529
00:28:20,149 --> 00:28:16,880
stuff to it

530
00:28:21,990 --> 00:28:20,159
uh and we'll turn our attention now i'll

531
00:28:24,870 --> 00:28:22,000
turn my attention to the live chat

532
00:28:26,950 --> 00:28:24,880
here shuttle's william pixley says

533
00:28:28,630 --> 00:28:26,960
shuttle is not for explanate exploration

534
00:28:31,750 --> 00:28:28,640
but essential services

535
00:28:33,590 --> 00:28:31,760
research pedestrian yeah

536
00:28:35,350 --> 00:28:33,600
it's not designed for long-term missions

537
00:28:38,470 --> 00:28:35,360
it's really just designed to

538
00:28:41,990 --> 00:28:38,480

you know do laps around the earth

539

00:28:43,029 --> 00:28:42,000

pretty old technology i myself have

540

00:28:45,830 --> 00:28:43,039

always wondered why

541

00:28:46,710 --> 00:28:45,840

they've never gotten past liquid rockets

542

00:28:48,789 --> 00:28:46,720

i mean

543

00:28:51,350 --> 00:28:48,799

it gets the job done but it's terribly

544

00:28:53,269 --> 00:28:51,360

inefficient and expensive

545

00:28:55,750 --> 00:28:53,279

i've always hoped that somebody would

546

00:28:57,990 --> 00:28:55,760

come up with some kind of a breakthrough

547

00:28:59,510 --> 00:28:58,000

and people have been working on things

548

00:29:02,470 --> 00:28:59,520

like solar sails and

549

00:29:02,789 --> 00:29:02,480

uh electro gravitic and ion thrusters

550

00:29:04,470 --> 00:29:02,799

yes

551
00:29:10,830 --> 00:29:04,480
ion thrusters is a real thing it's

552
00:29:10,840 --> 00:29:15,029
thing

553
00:29:19,110 --> 00:29:17,750
funny how this alien crashed ship on the

554
00:29:21,430 --> 00:29:19,120
moon looks like

555
00:29:23,350 --> 00:29:21,440
umar honest but yeah it does it looks

556
00:29:24,870 --> 00:29:23,360
like that it does look like that

557
00:29:26,630 --> 00:29:24,880
well it's a common it's like a wedge

558
00:29:28,070 --> 00:29:26,640
shape you know it's a pretty common

559
00:29:31,110 --> 00:29:28,080
shape so you never know

560
00:29:33,190 --> 00:29:31,120
you never know but i've seen that

561
00:29:34,389 --> 00:29:33,200
specific kind of shape and there's also

562
00:29:38,310 --> 00:29:34,399
like a uh

563
00:29:39,830 --> 00:29:38,320

a story of aliens on the moon

564

00:29:42,870 --> 00:29:39,840

and uh you know there's a bunch of

565

00:29:45,430 --> 00:29:42,880

different conspiracy websites where they

566

00:29:46,230 --> 00:29:45,440

you know they find something on the moon

567

00:29:49,029 --> 00:29:46,240

and they

568

00:29:49,750 --> 00:29:49,039

decide it's something that it's not i've

569

00:29:53,029 --> 00:29:49,760

seen that

570

00:29:55,029 --> 00:29:53,039

shape on the moon in more than one

571

00:29:56,630 --> 00:29:55,039

and more than one place hit the like

572

00:29:58,950 --> 00:29:56,640

button yes please be sure to like

573

00:30:00,870 --> 00:29:58,960

comment and subscribe and my thanks to

574

00:30:02,070 --> 00:30:00,880

jean-claude for a fun time on his show

575

00:30:04,070 --> 00:30:02,080

last night

576

00:30:05,909 --> 00:30:04,080

and it was nice he's got a much bigger

577

00:30:07,669 --> 00:30:05,919

channel than me it was nice that uh

578

00:30:09,029 --> 00:30:07,679

he sort of gave me a bump and helped to

579

00:30:11,590 --> 00:30:09,039

promote the channels

580

00:30:12,630 --> 00:30:11,600

here and we got a big jump up in subs

581

00:30:14,789 --> 00:30:12,640

between

582

00:30:16,470 --> 00:30:14,799

uh that appearance and tonight so thank

583

00:30:18,070 --> 00:30:16,480

you jean-claude

584

00:30:20,310 --> 00:30:18,080

please check out his channel and

585

00:30:22,630 --> 00:30:20,320

subscribe

586

00:30:24,230 --> 00:30:22,640

there is a backstory here has to be it

587

00:30:29,430 --> 00:30:24,240

is huge

588

00:30:33,590 --> 00:30:32,149

i am called pauly p great show with jc

589

00:30:35,750 --> 00:30:33,600

at beyond mystic happy to be a

590

00:30:37,510 --> 00:30:35,760

subscriber yes welcome i don't believe

591

00:30:38,549 --> 00:30:37,520

that i have seen you here before i am

592

00:30:41,590 --> 00:30:38,559

called pauly p

593

00:30:45,029 --> 00:30:41,600

and welcome new truth seeker i am called

594

00:30:46,149 --> 00:30:45,039

pauly p uh we're trying to expand and

595

00:30:49,350 --> 00:30:46,159

grow the channel

596

00:30:52,470 --> 00:30:49,360

it would be great if everybody would uh

597

00:30:54,710 --> 00:30:52,480

message dm pm email your friends that

598

00:30:57,190 --> 00:30:54,720

like this kind of content

599

00:30:58,549 --> 00:30:57,200

bg's welcomes paulie let them know that

600

00:31:04,950 --> 00:30:58,559

we are here

601
00:31:06,549 --> 00:31:04,960
genocide welcomes paulie hey

602
00:31:07,990 --> 00:31:06,559
paulie p i'm glad you're following

603
00:31:14,710 --> 00:31:08,000
steven yeah

604
00:31:17,750 --> 00:31:17,029
carol utley says john weir has wild

605
00:31:19,590 --> 00:31:17,760
stories

606
00:31:21,350 --> 00:31:19,600
of the moon yeah there's monsters

607
00:31:23,110 --> 00:31:21,360
there's there's actual according to john

608
00:31:25,509 --> 00:31:23,120
there there's actual monsters

609
00:31:27,029 --> 00:31:25,519
on the moon but of course he also fought

610
00:31:29,509 --> 00:31:27,039
monsters while he was

611
00:31:32,070 --> 00:31:29,519
in vietnam he was fighting monsters

612
00:31:33,750 --> 00:31:32,080
that's what he did in vietnam according

613
00:31:37,029 --> 00:31:33,760

to john lear so

614

00:31:39,669 --> 00:31:37,039

yeah i i'm not sure that john lear is

615

00:31:41,509 --> 00:31:39,679

yeah here john there is bat [h__h] crazy

616

00:31:42,870 --> 00:31:41,519

in my opinion of course is that a

617

00:31:46,149 --> 00:31:42,880

clinical diagnosis

618

00:31:49,190 --> 00:31:46,159

is that like a real thing he's bat [h__h]

619

00:31:51,190 --> 00:31:49,200

crazy yeah i think he's batshit crazy

620

00:31:52,630 --> 00:31:51,200

he believes that there's like thousands

621

00:31:54,230 --> 00:31:52,640

of people living on the moon

622

00:31:55,990 --> 00:31:54,240

he believes that there's thousands of

623

00:31:57,669 --> 00:31:56,000

people living on venus

624

00:31:59,669 --> 00:31:57,679

he also believes that the billy meyer

625

00:32:01,190 --> 00:31:59,679

case is 100 genuine

626
00:32:03,509 --> 00:32:01,200
even though all those spaceships were

627
00:32:04,870 --> 00:32:03,519
made out of trashcan lids and hubcaps

628
00:32:07,430 --> 00:32:04,880
okay

629
00:32:08,149 --> 00:32:07,440
yeah he's a little out there but the

630
00:32:10,230 --> 00:32:08,159
funny thing is

631
00:32:12,630 --> 00:32:10,240
is that early on in his career john lear

632
00:32:14,950 --> 00:32:12,640
was right about a lot of stuff about

633
00:32:15,830 --> 00:32:14,960
area 51 he kind of had the goods for a

634
00:32:18,149 --> 00:32:15,840
while

635
00:32:19,509 --> 00:32:18,159
and then like many he went on the god

636
00:32:22,230 --> 00:32:19,519
bless john

637
00:32:24,389 --> 00:32:22,240
john muir's tinfoil hats yeah like many

638
00:32:24,870 --> 00:32:24,399

he kind of got a little too deep in the

639

00:32:28,389 --> 00:32:24,880

woo

640

00:32:30,789 --> 00:32:28,399

craziness and i think he you know

641

00:32:33,269 --> 00:32:30,799

just went a little nutty and that's

642

00:32:35,110 --> 00:32:33,279

where we're at

643

00:32:37,590 --> 00:32:35,120

there's videos of supposed giants and

644

00:32:47,110 --> 00:32:37,600

stasis like mona lisa but they have gold

645

00:32:54,310 --> 00:32:48,870

that's not in crazy phase hey i have a

646

00:32:57,669 --> 00:32:56,149

john lear had a weird meltdown with his

647

00:33:00,149 --> 00:32:57,679

wife recently no

648

00:33:02,310 --> 00:33:00,159

weird yeah i heard that he's uh on the

649

00:33:03,909 --> 00:33:02,320

outs with his wife and living in a hotel

650

00:33:05,509 --> 00:33:03,919

or something like that

651

00:33:06,630 --> 00:33:05,519

um i could be wrong i don't know but

652

00:33:08,149 --> 00:33:06,640

i've heard that from a couple of

653

00:33:10,950 --> 00:33:08,159

different people

654

00:33:13,350 --> 00:33:10,960

yeah john lear is everyone's crazy uncle

655

00:33:17,110 --> 00:33:13,360

absolutely

656

00:33:19,029 --> 00:33:17,120

john buys meyer's bs what poor john

657

00:33:20,230 --> 00:33:19,039

jumped the shark maybe they messed with

658

00:33:22,710 --> 00:33:20,240

his brain

659

00:33:24,389 --> 00:33:22,720

yeah maybe maybe they didn't maybe they

660

00:33:25,830 --> 00:33:24,399

did mess with his brain

661

00:33:27,350 --> 00:33:25,840

but you know what friends i think what

662

00:33:28,870 --> 00:33:27,360

we're going to do is i don't know if

663

00:33:29,190 --> 00:33:28,880

anybody's going to call in but i'm going

664

00:33:34,470 --> 00:33:29,200

to

665

00:33:37,350 --> 00:33:34,480

and run the call-in bumper

666

00:33:38,789 --> 00:33:37,360

which will give me an opportunity uh to

667

00:33:40,870 --> 00:33:38,799

uh

668

00:33:41,830 --> 00:33:40,880

i gotta go and do something really quick

669

00:33:46,630 --> 00:33:41,840

as well so

670

00:33:50,070 --> 00:33:46,640

uh let me find the bumper and here we go

671

00:33:51,750 --> 00:33:50,080

uh open lines you can call in you can

672

00:33:54,470 --> 00:33:51,760

talk about this

673

00:33:56,310 --> 00:33:54,480

you can talk about any moon landing hoax

674

00:33:58,710 --> 00:33:56,320

or conspiracy you can tell us your

675

00:34:01,190 --> 00:33:58,720

personal experience we have

676

00:34:02,630 --> 00:34:01,200

uh no format for the rest of the show

677

00:34:05,590 --> 00:34:02,640

it's open lines and

678

00:34:07,830 --> 00:34:05,600

open chat discussion so i'm opening the

679

00:34:10,790 --> 00:34:07,840

phone lines

680

00:34:13,030 --> 00:34:10,800

feel free to call in and you can be a

681

00:34:20,720 --> 00:34:13,040

part of truth seekers live

682

00:34:47,700 --> 00:34:20,730

we'll be right back friends

683

00:36:16,950 --> 00:34:54,550

[Music]

684

00:36:23,349 --> 00:36:20,150

okay friends so the lines are open and

685

00:36:24,390 --> 00:36:23,359

we are here and i'm gonna uh devote my

686

00:36:34,150 --> 00:36:24,400

full attention

687

00:36:40,390 --> 00:36:37,670

okay friends uh so we have open lines

688

00:36:41,349 --> 00:36:40,400

open subjects for the rest of our stream

689

00:36:43,589 --> 00:36:41,359

here

690

00:36:45,270 --> 00:36:43,599

i was going to do totally open lines but

691

00:36:45,750 --> 00:36:45,280

i thought a short presentation might be

692

00:36:47,109 --> 00:36:45,760

good

693

00:36:49,829 --> 00:36:47,119

and it's sort of connected to

694

00:36:53,109 --> 00:36:49,839

yesterday's talk that we did

695

00:36:56,230 --> 00:36:53,119

on this uh alien

696

00:36:57,829 --> 00:36:56,240

video and it seems to me there's

697

00:37:00,550 --> 00:36:57,839

tons of this stuff out there on the

698

00:37:04,630 --> 00:37:02,710

let's see paulie pieces i had just

699

00:37:06,390 --> 00:37:04,640

watched the 2018 bob lazar movie on

700

00:37:07,270 --> 00:37:06,400

netflix about four weeks ago i have to

701
00:37:09,510 --> 00:37:07,280
say it was pretty much

702
00:37:11,349 --> 00:37:09,520
solid until last night now scratching my

703
00:37:12,550 --> 00:37:11,359
head a whole lot of evidence pointed to

704
00:37:14,390 --> 00:37:12,560
busted

705
00:37:15,829 --> 00:37:14,400
yeah i believe so and it's a shame

706
00:37:17,750 --> 00:37:15,839
because uh

707
00:37:19,829 --> 00:37:17,760
i would really like that story to be

708
00:37:21,670 --> 00:37:19,839
true you know it's just a great story

709
00:37:26,069 --> 00:37:21,680
wrote scientists

710
00:37:29,109 --> 00:37:26,079
renegade you know goes out there and uh

711
00:37:32,310 --> 00:37:29,119
works on flying saucers and then he

712
00:37:37,349 --> 00:37:32,320
comes and tells us all about it

713
00:37:40,310 --> 00:37:37,359

fiji's hey steve yes i am here

714

00:37:40,870 --> 00:37:40,320

oh there my oh different steve c there

715

00:37:44,470 --> 00:37:40,880

we go

716

00:37:47,030 --> 00:37:44,480

difference dc steve c says hi everyone

717

00:37:48,230 --> 00:37:47,040

hello steve c from another steve c i

718

00:37:51,109 --> 00:37:48,240

thought they were talking to me they

719

00:37:53,670 --> 00:37:51,119

were talking to you

720

00:37:58,790 --> 00:37:53,680

welcome steve c it's good to see you

721

00:37:58,800 --> 00:38:02,550

see if i missed

722

00:38:06,710 --> 00:38:05,349

oh people are talking about the blast

723

00:38:14,470 --> 00:38:06,720

the explosion

724

00:38:19,349 --> 00:38:17,510

deviated says that's 2700 tons of

725

00:38:22,069 --> 00:38:19,359

ammonium nitrate

726

00:38:22,710 --> 00:38:22,079

i always saw that it may i think they

727

00:38:25,750 --> 00:38:22,720

when

728

00:38:27,109 --> 00:38:25,760

happened and i think they were claiming

729

00:38:30,470 --> 00:38:27,119

that it was like a

730

00:38:35,670 --> 00:38:30,480

fireworks manufacturer maybe or

731

00:38:45,190 --> 00:38:39,030

oh yes bees said they

732

00:38:50,230 --> 00:38:48,710

yeah uh i you know ammonium nitrate is a

733

00:38:52,030 --> 00:38:50,240

common

734

00:38:53,270 --> 00:38:52,040

fertilizer and it's also highly

735

00:38:56,069 --> 00:38:53,280

explosive

736

00:38:56,550 --> 00:38:56,079

uh in you know with the right setup so

737

00:38:59,430 --> 00:38:56,560

uh

738

00:39:00,630 --> 00:38:59,440

it's very dangerous to it's very

739

00:39:03,750 --> 00:39:00,640

dangerous and that's why

740

00:39:04,870 --> 00:39:03,760

uh fertilizer is sort of on a watch list

741

00:39:09,190 --> 00:39:04,880

now

742

00:39:11,670 --> 00:39:09,200

small farm and you've got to really

743

00:39:13,589 --> 00:39:11,680

rigorously test make sure that you're

744

00:39:14,790 --> 00:39:13,599

really a farmer if you're going to buy a

745

00:39:18,950 --> 00:39:14,800

bunch of that

746

00:39:24,230 --> 00:39:18,960

use to make truck bombs and car bombs

747

00:39:28,390 --> 00:39:26,069

well brad gray says it's nitrate that

748

00:39:30,069 --> 00:39:28,400

had been held for six years yeah maybe

749

00:39:32,390 --> 00:39:30,079

they were stocking it up

750

00:39:33,990 --> 00:39:32,400

but i don't know what the target of the

751

00:39:37,990 --> 00:39:34,000

blast must have been then

752

00:39:42,150 --> 00:39:38,000

what were they targeting oh wow steve c

753

00:39:44,390 --> 00:39:42,160

says 80 dead and 4 000 injured

754

00:39:46,710 --> 00:39:44,400

that's a quite a big explosion and now

755

00:39:48,470 --> 00:39:46,720

god bless all those souls lost and

756

00:39:50,069 --> 00:39:48,480

and uh you know i'll pray for the

757

00:39:52,150 --> 00:39:50,079

injured that they recover

758

00:39:53,510 --> 00:39:52,160

i mean even psychologically recovering

759

00:39:54,390 --> 00:39:53,520

from something like that has got to be

760

00:39:56,870 --> 00:39:54,400

hell

761

00:39:58,310 --> 00:39:56,880

you know i can imagine being an

762

00:39:59,990 --> 00:39:58,320

explosion or near one like that you're

763

00:40:01,750 --> 00:40:00,000

gonna have ptsd every time you hear a

764

00:40:07,990 --> 00:40:01,760

loud noise you're gonna jump

765

00:40:13,190 --> 00:40:11,910

and bg says if they put it in our food

766

00:40:19,990 --> 00:40:13,200

what are we eating

767

00:40:23,030 --> 00:40:21,589

william pixley what is the real story

768

00:40:24,710 --> 00:40:23,040

about the moon generally what is the

769

00:40:27,190 --> 00:40:24,720

wildest rumor you think could be true

770

00:40:27,910 --> 00:40:27,200

anybody is it a creation satellite bases

771

00:40:30,870 --> 00:40:27,920

around the back

772

00:40:32,870 --> 00:40:30,880

are we visiting where i think you might

773

00:40:34,550 --> 00:40:32,880

being visited regularly

774

00:40:37,510 --> 00:40:34,560

yeah i've heard all those that the moon

775

00:40:39,190 --> 00:40:37,520

is an artificial structure

776

00:40:41,030 --> 00:40:39,200

i will have to say that it's pretty

777

00:40:42,870 --> 00:40:41,040

perfect that the moon is there

778

00:40:44,230 --> 00:40:42,880

if you really want to have a strange

779

00:40:46,309 --> 00:40:44,240

thought experiment go

780

00:40:48,150 --> 00:40:46,319

google or look up what the earth would

781

00:40:50,950 --> 00:40:48,160

be like without the moon

782

00:40:51,349 --> 00:40:50,960

it would be an entirely different place

783

00:40:53,190 --> 00:40:51,359

so

784

00:40:54,550 --> 00:40:53,200

very convenient that we have the moon

785

00:40:57,829 --> 00:40:54,560

there to regulate our

786

00:41:00,309 --> 00:40:57,839

ocean tide and it's not

787

00:41:01,270 --> 00:41:00,319

wobble through the solar system right

788

00:41:06,790 --> 00:41:01,280

it's sort of a

789

00:41:10,069 --> 00:41:06,800

uh stabilizer for the earth

790

00:41:11,510 --> 00:41:10,079

and uh really allows life on earth to

791

00:41:13,910 --> 00:41:11,520

exist the way that it does

792

00:41:15,030 --> 00:41:13,920

without the moon we would be an entirely

793

00:41:17,829 --> 00:41:15,040

uh

794

00:41:18,950 --> 00:41:17,839

entirely different place do you think

795

00:41:22,309 --> 00:41:18,960

the moon is real

796

00:41:24,870 --> 00:41:22,319

and that's from steve the man7234

797

00:41:25,430 --> 00:41:24,880

who steve the man welcome from the

798

00:41:27,190 --> 00:41:25,440

twitch

799

00:41:28,870 --> 00:41:27,200

chat i don't believe that we have seen

800

00:41:31,589 --> 00:41:28,880

you here before

801

00:41:33,349 --> 00:41:31,599

i am very uh glad to see you there in

802

00:41:35,190 --> 00:41:33,359

the twitch

803

00:41:37,430 --> 00:41:35,200

chat do i think the moon is real yeah

804

00:41:39,190 --> 00:41:37,440

there's i think it's only flat earthers

805

00:41:40,630 --> 00:41:39,200

that really believe that it's fake

806

00:41:42,710 --> 00:41:40,640

like that it's just something hung in

807

00:41:43,750 --> 00:41:42,720

the sky for us to watch i don't know why

808

00:41:45,670 --> 00:41:43,760

that would be

809

00:41:47,510 --> 00:41:45,680

yeah i believe the moon is real i have a

810

00:41:47,990 --> 00:41:47,520

telescope i can observe the moon at

811

00:41:51,349 --> 00:41:48,000

various

812

00:41:53,670 --> 00:41:51,359

phases and see the surface of the moon

813

00:41:55,670 --> 00:41:53,680

i believe that uh you know the nasa

814

00:41:57,270 --> 00:41:55,680

emissions actually happened and we went

815

00:41:59,190 --> 00:41:57,280

to the moon there is

816

00:42:00,630 --> 00:41:59,200

uh satellite imagery of the moon that

817

00:42:03,589 --> 00:42:00,640

you can view yes

818

00:42:05,910 --> 00:42:03,599

the moon is definitely real but welcome

819

00:42:07,990 --> 00:42:05,920

steve the man7234

820

00:42:09,430 --> 00:42:08,000

and thank you for being in the twitch

821

00:42:11,510 --> 00:42:09,440

chat i'm hopeful that

822

00:42:13,349 --> 00:42:11,520

more twitch users will begin finding us

823

00:42:16,870 --> 00:42:13,359

and the twitch chat will be

824

00:42:20,790 --> 00:42:16,880

as lively as the youtube chat is on most

825

00:42:27,829 --> 00:42:22,390

isn't the moon the only planet that is

826

00:42:31,750 --> 00:42:30,309

in a stationary orbit now i think there

827

00:42:35,349 --> 00:42:31,760

are other moons that orbit

828

00:42:36,790 --> 00:42:35,359

like it but uh the way that it orbits

829

00:42:39,030 --> 00:42:36,800

means we only ever see one

830

00:42:41,270 --> 00:42:39,040

face of it and that is quite unique i

831

00:42:43,349 --> 00:42:41,280

believe

832

00:42:45,270 --> 00:42:43,359

we are in more of a binary planet

833

00:42:47,349 --> 00:42:45,280

co-configuration with the moon

834

00:42:48,950 --> 00:42:47,359

yeah it is it is sort of like that i've

835

00:42:52,870 --> 00:42:48,960

heard it described that way

836

00:42:55,990 --> 00:42:55,109

deviated says and the giants live in the

837

00:43:03,910 --> 00:42:56,000

cheese

838

00:43:05,030 --> 00:43:03,920

deviated the moon is uh is a satellite

839

00:43:07,750 --> 00:43:05,040

of cheese

840

00:43:09,349 --> 00:43:07,760

william pixley contributes a quote the

841

00:43:14,069 --> 00:43:09,359

moon hurts my head

842

00:43:18,150 --> 00:43:16,150

yes uh i love looking at the moon with

843

00:43:19,349 --> 00:43:18,160

my telescope also it's the only thing in

844

00:43:21,750 --> 00:43:19,359

space i know of

845

00:43:22,390 --> 00:43:21,760

yeah brad gray i'm a big fan of the

846

00:43:24,550 --> 00:43:22,400

looking at

847

00:43:26,630 --> 00:43:24,560

the moon through telescope it's cool to

848

00:43:28,550 --> 00:43:26,640

see that you could see features on the

849

00:43:32,150 --> 00:43:28,560

moon like hills and planets

850

00:43:33,270 --> 00:43:32,160

and craters and things william pixley

851
00:43:35,589 --> 00:43:33,280
says there

852
00:43:39,990 --> 00:43:35,599
there are locked orbits yes the moon and

853
00:43:41,510 --> 00:43:40,000
the earth is in a locked orbit

854
00:43:43,190 --> 00:43:41,520
carol utley where are the pictures of

855
00:43:45,109 --> 00:43:43,200
the dark side well actually there is

856
00:43:47,349 --> 00:43:45,119
pictures of the dark side because what

857
00:43:49,670 --> 00:43:47,359
most people don't realize now is that

858
00:43:51,270 --> 00:43:49,680
the united states has a satellite going

859
00:43:53,030 --> 00:43:51,280
around the moon taking pictures the

860
00:43:56,470 --> 00:43:53,040
soviet union

861
00:43:57,670 --> 00:43:56,480
uh china and maybe even india now has a

862
00:43:59,910 --> 00:43:57,680
satellite

863
00:44:01,670 --> 00:43:59,920

going around the moon so we have gotten

864

00:44:03,910 --> 00:44:01,680

pictures of the dark side so all those

865

00:44:05,430 --> 00:44:03,920

claims of all those alien bases

866

00:44:07,510 --> 00:44:05,440

that are supposed to be on the dark side

867

00:44:11,030 --> 00:44:07,520

of the moon i don't know

868

00:44:12,950 --> 00:44:11,040

i'm not seeing uh any moon bases or

869

00:44:16,150 --> 00:44:12,960

secret alien bases

870

00:44:19,829 --> 00:44:16,160

in any pictures that i've seen and

871

00:44:23,030 --> 00:44:19,839

it's also uh not entirely

872

00:44:24,790 --> 00:44:23,040

it's also just worthy of mention that

873

00:44:28,150 --> 00:44:24,800

every every one of these guys

874

00:44:30,230 --> 00:44:28,160

like that are out there selling these

875

00:44:31,510 --> 00:44:30,240

stories about structures on the moon

876

00:44:34,710 --> 00:44:31,520

those guys always use

877

00:44:37,109 --> 00:44:34,720

1960 super grainy images

878

00:44:39,190 --> 00:44:37,119

when there are updated very good high

879

00:44:40,309 --> 00:44:39,200

quality satellite images of the moon

880

00:44:42,470 --> 00:44:40,319

available

881

00:44:43,750 --> 00:44:42,480

uh and they do that for a specific

882

00:44:47,349 --> 00:44:43,760

reason and that is

883

00:44:49,430 --> 00:44:47,359

when you get those high quality images

884

00:44:50,470 --> 00:44:49,440

you know a lot of the artifacting and

885

00:44:51,990 --> 00:44:50,480

and the

886

00:44:53,829 --> 00:44:52,000

guesswork when you're looking at

887

00:44:56,550 --> 00:44:53,839

something goes away

888

00:44:58,790 --> 00:44:56,560

oh this this big rock on the moon that

889

00:45:00,390 --> 00:44:58,800

could be a alien structure look there's

890

00:45:01,910 --> 00:45:00,400

right angles but then you get the high

891

00:45:04,150 --> 00:45:01,920

quality image and you see no

892

00:45:05,829 --> 00:45:04,160

there's it looks like near right angles

893

00:45:07,750 --> 00:45:05,839

but it's definitely a natural formation

894

00:45:09,349 --> 00:45:07,760

and just a rock

895

00:45:12,069 --> 00:45:09,359

they generally don't want you to see the

896

00:45:14,230 --> 00:45:12,079

high quality images but you can

897

00:45:18,710 --> 00:45:14,240

if you know where to look and google is

898

00:45:21,510 --> 00:45:18,720

your friend my friends

899

00:45:23,109 --> 00:45:21,520

i really dig halley's theory the hollow

900

00:45:23,670 --> 00:45:23,119

earth it's too often dismissed and

901
00:45:25,109 --> 00:45:23,680
mocked

902
00:45:27,589 --> 00:45:25,119
i don't know about the hollow earth i've

903
00:45:29,349 --> 00:45:27,599
heard those stories about admiral byrd

904
00:45:29,990 --> 00:45:29,359
and somebody else going right they go

905
00:45:31,430 --> 00:45:30,000
into the

906
00:45:33,030 --> 00:45:31,440
hollow earth and there's a whole other

907
00:45:35,430 --> 00:45:33,040
civilization down there

908
00:45:37,270 --> 00:45:35,440
inside the earth i i think it's pretty

909
00:45:39,349 --> 00:45:37,280
far-fetched

910
00:45:40,710 --> 00:45:39,359
yeah uh china have a rover on the dark

911
00:45:44,230 --> 00:45:40,720
side of the moon which is not

912
00:45:44,710 --> 00:45:44,240
technically dark no it's yeah it's dc

913
00:45:46,309 --> 00:45:44,720

it's just

914

00:45:48,390 --> 00:45:46,319

generally it's called the dark side of

915

00:45:49,910 --> 00:45:48,400

the moon because we don't get to see it

916

00:45:52,230 --> 00:45:49,920

because the way the earth and the moon

917

00:45:54,550 --> 00:45:52,240

orbit together we always see

918

00:45:58,550 --> 00:45:54,560

one side face at one side of the moon

919

00:46:02,390 --> 00:46:00,230

i believe it was china that got the dark

920

00:46:04,790 --> 00:46:02,400

side picks i think yes and i believe the

921

00:46:06,550 --> 00:46:04,800

united states followed not long after

922

00:46:10,150 --> 00:46:06,560

we can't have there's chinese people

923

00:46:12,230 --> 00:46:10,160

having a satellite and we not have one

924

00:46:13,670 --> 00:46:12,240

don craig's face says hollow earth

925

00:46:15,910 --> 00:46:13,680

stories are awesome

926
00:46:17,589 --> 00:46:15,920
fun though i don't know about it i don't

927
00:46:19,430 --> 00:46:17,599
know about uh oh

928
00:46:20,790 --> 00:46:19,440
genocide is going to start something new

929
00:46:24,710 --> 00:46:20,800
flat hollow earth

930
00:46:27,670 --> 00:46:24,720
works

931
00:46:28,710 --> 00:46:27,680
oh here we go great contribution by out

932
00:46:30,550 --> 00:46:28,720
of mind

933
00:46:33,510 --> 00:46:30,560
nasa images for the dark side of the

934
00:46:38,390 --> 00:46:36,390
yeah nasa images reveal dark side of the

935
00:46:39,510 --> 00:46:38,400
moon so yeah you can see the dark side

936
00:46:41,510 --> 00:46:39,520
of the moon and then

937
00:46:43,750 --> 00:46:41,520
the next time you hear some dumbass

938
00:46:45,510 --> 00:46:43,760

conspiracy idiot at a ufo conference

939

00:46:46,710 --> 00:46:45,520

talking about those bases on the dark

940

00:46:48,470 --> 00:46:46,720

side of the moon

941

00:46:49,990 --> 00:46:48,480

you can tell them that you got the

942

00:47:01,109 --> 00:46:50,000

images and those

943

00:47:01,119 --> 00:47:08,829

deviated corey says it's honeycombed

944

00:47:12,550 --> 00:47:11,349

earth physics.org put out a study

945

00:47:14,309 --> 00:47:12,560

proving there are structures near

946

00:47:16,069 --> 00:47:14,319

earth's core we never imagined would be

947

00:47:16,470 --> 00:47:16,079

there except for hollow earth well

948

00:47:18,870 --> 00:47:16,480

that's

949

00:47:20,549 --> 00:47:18,880

i've never heard that you got a vanessa

950

00:47:22,710 --> 00:47:20,559

thor

951
00:47:24,069 --> 00:47:22,720
and look um i just wanted to let you

952
00:47:25,349 --> 00:47:24,079
know vanessa thor

953
00:47:27,510 --> 00:47:25,359
if you're going ill in a conference

954
00:47:30,230 --> 00:47:27,520
circuit you know i gave you the idea

955
00:47:31,190 --> 00:47:30,240
so you gotta you gotta kick some money

956
00:47:32,630 --> 00:47:31,200
back

957
00:47:35,589 --> 00:47:32,640
all right you're gonna be making big

958
00:47:38,309 --> 00:47:35,599
bucks claiming your vanessa thor

959
00:47:39,829 --> 00:47:38,319
valiant thor's granddaughter you've got

960
00:47:41,589 --> 00:47:39,839
to kick some money back to me

961
00:47:50,630 --> 00:47:41,599
i can help you do research so you'll be

962
00:47:50,640 --> 00:47:54,069
yeah link

963
00:47:54,079 --> 00:47:59,270

somebody's asking you for a link

964

00:48:06,790 --> 00:48:04,470

so friends uh also just to update on the

965

00:48:08,470 --> 00:48:06,800

strange case of sarah adams i guess i

966

00:48:09,829 --> 00:48:08,480

didn't hear anything back from her about

967

00:48:11,270 --> 00:48:09,839

doing the interview so i'm going to

968

00:48:13,670 --> 00:48:11,280

email her directly

969

00:48:15,670 --> 00:48:13,680

i previously emailed her manager taj and

970

00:48:17,910 --> 00:48:15,680

he said she would get back to me and

971

00:48:20,230 --> 00:48:17,920

it's been a couple of days now nobody's

972

00:48:22,150 --> 00:48:20,240

gotten back to me

973

00:48:24,549 --> 00:48:22,160

carol utley wilcox says it's full of

974

00:48:28,470 --> 00:48:24,559

high civilizations well wilcock is an

975

00:48:30,230 --> 00:48:28,480

idiot he is an idiot wilcock is an idiot

976

00:48:33,510 --> 00:48:30,240

i thought it was interesting that i

977

00:48:36,710 --> 00:48:33,520

recently found out that uh

978

00:48:40,230 --> 00:48:36,720

einstein was supposedly only had an iq

979

00:48:42,309 --> 00:48:40,240

of just over 160. uh

980

00:48:44,870 --> 00:48:42,319

and david wilcock once claimed that he

981

00:48:47,349 --> 00:48:44,880

had 180 iq

982

00:48:48,230 --> 00:48:47,359

so david wilcock is claiming he's

983

00:48:51,349 --> 00:48:48,240

smarter

984

00:48:54,069 --> 00:48:51,359

than einstein friends

985

00:48:57,430 --> 00:48:54,079

i'm not sure what i believe but uh he's

986

00:49:00,829 --> 00:48:57,440

definitely not smarter than einstein

987

00:49:02,790 --> 00:49:00,839

oh here we go vanessa thor's got the

988

00:49:06,790 --> 00:49:02,800

goods

989

00:49:09,990 --> 00:49:06,800

unexpected widespread earth core

990

00:49:13,910 --> 00:49:10,000

show [h__h] yes shady shellcock

991

00:49:17,589 --> 00:49:13,920

david wilcock don't disparage

992

00:49:21,750 --> 00:49:17,599

idiots so yeah it's an insult to idiots

993

00:49:25,910 --> 00:49:23,510

where have the partners in slime been

994

00:49:27,670 --> 00:49:25,920

lately you know don craig's phase i'm i

995

00:49:29,750 --> 00:49:27,680

don't know because

996

00:49:30,870 --> 00:49:29,760

i think that uh especially one of those

997

00:49:34,390 --> 00:49:30,880

two clowns is

998

00:49:35,829 --> 00:49:34,400

extremely extremely toxic negative

999

00:49:38,230 --> 00:49:35,839

energy draining

1000

00:49:40,390 --> 00:49:38,240

individual and i'd like to steer clear

1001
00:49:44,069 --> 00:49:40,400
of that guy

1002
00:49:47,750 --> 00:49:44,079
just bad news and really

1003
00:49:49,670 --> 00:49:47,760
at some point karma gets to

1004
00:49:50,870 --> 00:49:49,680
everybody i like at one point i thought

1005
00:49:52,950 --> 00:49:50,880
i had to help some

1006
00:49:55,349 --> 00:49:52,960
other people probably agree with this

1007
00:49:58,790 --> 00:49:55,359
that you know karma takes too

1008
00:50:00,790 --> 00:49:58,800
long sometimes and uh

1009
00:50:02,230 --> 00:50:00,800
you know it is what it is but i think

1010
00:50:03,270 --> 00:50:02,240
that there

1011
00:50:06,309 --> 00:50:03,280
there's definitely going to be a

1012
00:50:10,230 --> 00:50:06,319
breakdown of

1013
00:50:12,390 --> 00:50:10,240

sort of the old teams at least right

1014

00:50:14,870 --> 00:50:12,400

uh the way the old teams work is not

1015

00:50:22,950 --> 00:50:14,880

gonna work any longer

1016

00:50:27,270 --> 00:50:25,030

out of mind says i noticed they were not

1017

00:50:29,990 --> 00:50:27,280

making vids also the don

1018

00:50:31,349 --> 00:50:30,000

yeah uh i guess they've been a little

1019

00:50:33,510 --> 00:50:31,359

quiet lately

1020

00:50:35,109 --> 00:50:33,520

i haven't kept up especially with corey

1021

00:50:37,510 --> 00:50:35,119

good because i really don't care about

1022

00:50:39,510 --> 00:50:37,520

anything that guy has to say

1023

00:50:40,710 --> 00:50:39,520

uh i caught something where he was

1024

00:50:42,549 --> 00:50:40,720

talking about you know again

1025

00:50:44,230 --> 00:50:42,559

getting briefings from these government

1026
00:50:46,710 --> 00:50:44,240
people he knows

1027
00:50:48,390 --> 00:50:46,720
generals and come on man generals are

1028
00:50:50,150 --> 00:50:48,400
not talking to some idiot that's been

1029
00:50:51,349 --> 00:50:50,160
talking about aliens for five years with

1030
00:50:53,750 --> 00:50:51,359
no proof

1031
00:50:55,109 --> 00:50:53,760
go ask anybody you know that's been in

1032
00:50:57,109 --> 00:50:55,119
the military generals are pretty

1033
00:50:59,829 --> 00:50:57,119
no-nonsense dudes they're not gonna

1034
00:51:00,150 --> 00:50:59,839
call this dumbass and talk about aliens

1035
00:51:08,710 --> 00:51:00,160
and

1036
00:51:11,670 --> 00:51:08,720
cue [h__h] he's just delusional

1037
00:51:13,589 --> 00:51:11,680
fiji's both versions of valiant are

1038
00:51:19,109 --> 00:51:13,599

handsome my favorite is the mega chin

1039

00:51:19,119 --> 00:51:24,950

superhero like chin

1040

00:51:28,069 --> 00:51:27,190

deviated says it's gonzales and it's

1041

00:51:32,069 --> 00:51:28,079

real

1042

00:51:38,309 --> 00:51:35,109

carol utley says all he has now is

1043

00:51:40,790 --> 00:51:38,319

seti yeah that's a sad sad

1044

00:51:41,910 --> 00:51:40,800

thing brad gray thinks he is on the way

1045

00:51:44,069 --> 00:51:41,920

out

1046

00:51:45,510 --> 00:51:44,079

well i wish a road to redemption for

1047

00:51:48,390 --> 00:51:45,520

every man

1048

00:51:49,510 --> 00:51:48,400

and uh you know i i hope especially for

1049

00:51:51,270 --> 00:51:49,520

the benefit of his

1050

00:51:52,870 --> 00:51:51,280

family and his children that he just

1051
00:51:54,710 --> 00:51:52,880
goes and gets a real job

1052
00:51:56,069 --> 00:51:54,720
and stops what he's doing and all the

1053
00:51:58,470 --> 00:51:56,079
destructive

1054
00:52:00,470 --> 00:51:58,480
behaviors surrounding his attempt to do

1055
00:52:02,470 --> 00:52:00,480
whatever he was trying to do

1056
00:52:03,990 --> 00:52:02,480
i don't know you know and it's

1057
00:52:06,630 --> 00:52:04,000
interesting that it seems like that

1058
00:52:08,069 --> 00:52:06,640
court case just drags on and drags on

1059
00:52:09,910 --> 00:52:08,079
he's gonna

1060
00:52:12,069 --> 00:52:09,920
keep dragging that thing on i guess to

1061
00:52:15,750 --> 00:52:12,079
keep taking donations i really don't

1062
00:52:20,470 --> 00:52:18,950
vanessa thor has got a good point no one

1063
00:52:21,990 --> 00:52:20,480

of importance is communicating with

1064

00:52:25,030 --> 00:52:22,000

wilcock or no good

1065

00:52:26,150 --> 00:52:25,040

no and i think that they both uh are in

1066

00:52:27,910 --> 00:52:26,160

a situation where

1067

00:52:29,670 --> 00:52:27,920

it's best for them to just shut the hell

1068

00:52:32,390 --> 00:52:29,680

up for a while i mean how much

1069

00:52:32,950 --> 00:52:32,400

[h__h] can you put out there on the

1070

00:52:35,430 --> 00:52:32,960

internet

1071

00:52:37,270 --> 00:52:35,440

in one year right and then the next year

1072

00:52:39,349 --> 00:52:37,280

you just gotta come up with a whole new

1073

00:52:42,870 --> 00:52:39,359

set of [h__h] to put out

1074

00:52:46,630 --> 00:52:42,880

it's just ridiculous i for wanted board

1075

00:52:47,589 --> 00:52:46,640

i've gotten bored of it used to be fun

1076

00:52:49,190 --> 00:52:47,599

sometimes right

1077

00:52:51,510 --> 00:52:49,200

let's check in and see what kind of

1078

00:52:52,470 --> 00:52:51,520

stupid [h__h] these two clowns are talking

1079

00:52:55,270 --> 00:52:52,480

about

1080

00:52:55,990 --> 00:52:55,280

uh it's not even fun anymore it's like

1081

00:52:57,990 --> 00:52:56,000

it feels like

1082

00:53:01,109 --> 00:52:58,000

work like really i gotta listen to four

1083

00:53:05,109 --> 00:53:01,119

hours this idiot david wilcock

1084

00:53:07,670 --> 00:53:05,119

no no friends uh i just don't think

1085

00:53:10,309 --> 00:53:07,680

i don't think that that's uh how i'd

1086

00:53:14,069 --> 00:53:10,319

prefer to spend my time

1087

00:53:17,109 --> 00:53:14,079

and i i guess i have been

1088

00:53:17,670 --> 00:53:17,119

busier than usual and when this lockdown

1089

00:53:20,470 --> 00:53:17,680

started

1090

00:53:23,349 --> 00:53:20,480

nothing to do so yeah i probably would

1091

00:53:24,950 --> 00:53:23,359

have started watching four-hour videos

1092

00:53:26,470 --> 00:53:24,960

even just for something to talk about on

1093

00:53:28,069 --> 00:53:26,480

this new show but

1094

00:53:29,589 --> 00:53:28,079

i don't think anybody wants to hear

1095

00:53:31,829 --> 00:53:29,599

about those guys either

1096

00:53:32,790 --> 00:53:31,839

you know you can sum it up and like

1097

00:53:36,150 --> 00:53:32,800

they're full of [h__h]

1098

00:53:38,150 --> 00:53:36,160

that's that's it edge of water boys just

1099

00:53:39,109 --> 00:53:38,160

got back from e city said they have tons

1100

00:53:40,710 --> 00:53:39,119

of pictures

1101
00:53:42,309 --> 00:53:40,720
yeah we're going to see lots of grainy

1102
00:53:43,990 --> 00:53:42,319
pictures of lights in the sky that

1103
00:53:45,990 --> 00:53:44,000
they're going to claim are aliens that's

1104
00:53:48,950 --> 00:53:46,000
the play that i

1105
00:53:49,829 --> 00:53:48,960
uh that i see who would ever hire him

1106
00:53:51,270 --> 00:53:49,839
vanessa thor

1107
00:53:53,109 --> 00:53:51,280
yeah well that may be one of the

1108
00:53:57,349 --> 00:53:53,119
problems there uh

1109
00:54:00,630 --> 00:53:57,359
vanessa is

1110
00:54:02,870 --> 00:54:00,640
i've worked in i t i t especially

1111
00:54:04,630 --> 00:54:02,880
you remember you're gonna have access to

1112
00:54:08,549 --> 00:54:04,640
to sensitive data

1113
00:54:11,109 --> 00:54:08,559

uh well any company's data is sensitive

1114

00:54:13,829 --> 00:54:11,119

so the issue becomes if you're going to

1115

00:54:15,349 --> 00:54:13,839

work in any it field in any company

1116

00:54:17,430 --> 00:54:15,359

they're going to look you up and see

1117

00:54:19,990 --> 00:54:17,440

what kind of person you are

1118

00:54:21,670 --> 00:54:20,000

i don't feel that anybody in the i.t

1119

00:54:24,230 --> 00:54:21,680

world would hire corey goode

1120

00:54:25,510 --> 00:54:24,240

after they google him so he can't go

1121

00:54:29,430 --> 00:54:25,520

back to that

1122

00:54:31,910 --> 00:54:29,440

kind of you know honest job

1123

00:54:34,390 --> 00:54:31,920

so that may be why we're seeing the kind

1124

00:54:37,430 --> 00:54:34,400

of behavior and desperation

1125

00:54:39,109 --> 00:54:37,440

uh apparent desperation alleged

1126

00:54:40,710 --> 00:54:39,119

desperation that's my opinion in

1127

00:54:42,470 --> 00:54:40,720

speculation but he appears to be

1128

00:54:43,109 --> 00:54:42,480

desperate to just keep the money rolling

1129

00:54:46,470 --> 00:54:43,119

in

1130

00:54:47,829 --> 00:54:46,480

whatever he has to do i will mention i

1131

00:54:51,750 --> 00:54:47,839

just saw

1132

00:54:54,630 --> 00:54:51,760

uh i saw jay weidner

1133

00:54:56,150 --> 00:54:54,640

from reality posting apparently uh

1134

00:54:59,349 --> 00:54:56,160

somebody

1135

00:55:02,230 --> 00:54:59,359

wrote the course for corey good this is

1136

00:55:05,190 --> 00:55:02,240

uh this is his claim not mine i haven't

1137

00:55:08,549 --> 00:55:05,200

verified this but jay weiner claims that

1138

00:55:09,270 --> 00:55:08,559

uh someone wrote the course that he was

1139

00:55:11,829 --> 00:55:09,280

selling for

1140

00:55:12,309 --> 00:55:11,839

for 333 dollars for him wrote the whole

1141

00:55:15,349 --> 00:55:12,319

course

1142

00:55:16,309 --> 00:55:15,359

and then they did not get paid uh if

1143

00:55:18,470 --> 00:55:16,319

that's the case

1144

00:55:20,870 --> 00:55:18,480

it's just kind of funny it's kind of

1145

00:55:21,990 --> 00:55:20,880

funny you

1146

00:55:23,589 --> 00:55:22,000

told somebody you would pay them to

1147

00:55:24,950 --> 00:55:23,599

write this course that you're claiming

1148

00:55:27,349 --> 00:55:24,960

you wrote

1149

00:55:28,710 --> 00:55:27,359

and then you sold it for 333 and you

1150

00:55:29,910 --> 00:55:28,720

didn't even pay the person that wrote

1151

00:55:34,069 --> 00:55:29,920

the course

1152

00:55:37,510 --> 00:55:34,079

but this is what we get it's greed and

1153

00:55:38,470 --> 00:55:37,520

praise the cash right by the way praise

1154

00:55:41,829 --> 00:55:38,480

the cash

1155

00:55:45,510 --> 00:55:41,839

some

1156

00:55:47,910 --> 00:55:45,520

donation here let me

1157

00:55:49,510 --> 00:55:47,920

take a look at that let's just give me a

1158

00:56:01,589 --> 00:55:49,520

moment here gonna attend to some

1159

00:56:05,750 --> 00:56:04,630

okay friends so there's a few ways to

1160

00:56:10,549 --> 00:56:05,760

support the show

1161

00:56:12,950 --> 00:56:10,559

uh financially uh and that would be

1162

00:56:13,829 --> 00:56:12,960

there's if you go to the about section

1163

00:56:15,990 --> 00:56:13,839

of our

1164

00:56:18,069 --> 00:56:16,000

youtube channel here or just the main

1165

00:56:19,829 --> 00:56:18,079

page if you go to the main page there's

1166

00:56:21,750 --> 00:56:19,839

a couple of donate buttons one is donate

1167

00:56:25,190 --> 00:56:21,760

by patreon one is donate by

1168

00:56:27,109 --> 00:56:25,200

paypal we have something here called not

1169

00:56:29,270 --> 00:56:27,119

so super chat donations

1170

00:56:31,190 --> 00:56:29,280

so you click the paypal donate button

1171

00:56:33,270 --> 00:56:31,200

and then add a note with your

1172

00:56:35,430 --> 00:56:33,280

user id and whatever you want to say and

1173

00:56:40,069 --> 00:56:35,440

i will read it aloud but

1174

00:56:43,030 --> 00:56:40,079

on august 4th we had did not do a show

1175

00:56:44,150 --> 00:56:43,040

so uh well actually this was earlier

1176

00:56:48,230 --> 00:56:44,160

today

1177

00:56:54,309 --> 00:56:52,230

anyway uh we have a kind and generous

1178

00:56:57,670 --> 00:56:54,319

ten dollar donation came in

1179

00:56:59,589 --> 00:56:57,680

from kelp truth 77 i appreciate it

1180

00:57:02,630 --> 00:56:59,599

immensely kelp truth uh

1181

00:57:06,150 --> 00:57:02,640

i really do appreciate everyone's help

1182

00:57:09,589 --> 00:57:06,160

generosity and support this keeps the

1183

00:57:11,510 --> 00:57:09,599

show rolling forward and i am in

1184

00:57:14,390 --> 00:57:11,520

an attitude of gratitude for every one

1185

00:57:17,190 --> 00:57:14,400

of you guys that are

1186

00:57:18,950 --> 00:57:17,200

contributing a few bucks because

1187

00:57:22,069 --> 00:57:18,960

everything that i've needed

1188

00:57:24,549 --> 00:57:22,079

for the show i've been able to get and

1189

00:57:25,510 --> 00:57:24,559

and uh it's really helped keep the show

1190

00:57:28,390 --> 00:57:25,520

going and

1191

00:57:30,390 --> 00:57:28,400

moving forward i guess the next big

1192

00:57:31,430 --> 00:57:30,400

upgrade for us is going to be choosing

1193

00:57:35,190 --> 00:57:31,440

and going to

1194

00:57:36,870 --> 00:57:35,200

five more uh streaming destinations and

1195

00:57:38,950 --> 00:57:36,880

again that will be taken

1196

00:57:39,910 --> 00:57:38,960

the upgrade will be another 20 a month

1197

00:57:41,510 --> 00:57:39,920

but i'm going to take it from the

1198

00:57:44,630 --> 00:57:41,520

patreon funds

1199

00:57:45,109 --> 00:57:44,640

now that we as far as gear we pretty

1200

00:57:46,789 --> 00:57:45,119

much have

1201
00:57:48,950 --> 00:57:46,799
everything that we need to keep the show

1202
00:57:50,150 --> 00:57:48,960
going unless something breaks or little

1203
00:57:53,030 --> 00:57:50,160
things but

1204
00:57:54,950 --> 00:57:53,040
so we can take the extra money from

1205
00:57:57,990 --> 00:57:54,960
patreon and uh

1206
00:58:00,069 --> 00:57:58,000
we can upgrade to five more streaming

1207
00:58:01,829 --> 00:58:00,079
locations

1208
00:58:03,990 --> 00:58:01,839
john claude asked what do you think

1209
00:58:06,230 --> 00:58:04,000
happened to tyler at secure team

1210
00:58:07,190 --> 00:58:06,240
uh first of all i'm not a fan of tyler

1211
00:58:10,150 --> 00:58:07,200
at secure team

1212
00:58:11,990 --> 00:58:10,160
one bit he's been caught over and over

1213
00:58:15,030 --> 00:58:12,000

and over again

1214

00:58:16,230 --> 00:58:15,040

making fake [h__\h] and presenting it as

1215

00:58:18,789 --> 00:58:16,240

real

1216

00:58:21,750 --> 00:58:18,799

he has literally hoaxed videos and been

1217

00:58:23,829 --> 00:58:21,760

caught hoaxing videos in various ways

1218

00:58:25,030 --> 00:58:23,839

he pretended to be like a top secret

1219

00:58:28,390 --> 00:58:25,040

government insider

1220

00:58:28,950 --> 00:58:28,400

putting a uh voice disguiser on his own

1221

00:58:32,069 --> 00:58:28,960

voice

1222

00:58:32,630 --> 00:58:32,079

and he's been caught most recently he

1223

00:58:37,750 --> 00:58:32,640

got

1224

00:58:40,150 --> 00:58:37,760

arrested for dui and then claimed that

1225

00:58:41,510 --> 00:58:40,160

you know he just woke up in his car and

1226

00:58:43,589 --> 00:58:41,520

the police were there some

1227

00:58:44,789 --> 00:58:43,599

crazy story he has not accepted

1228

00:58:47,349 --> 00:58:44,799

responsibility

1229

00:58:49,109 --> 00:58:47,359

he has not apologized i don't know that

1230

00:58:49,589 --> 00:58:49,119

he sought treatment but i hope that he

1231

00:58:53,030 --> 00:58:49,599

does

1232

00:58:56,710 --> 00:58:53,040

because uh friends if you

1233

00:58:59,829 --> 00:58:56,720

are uh engaged in

1234

00:59:03,109 --> 00:58:59,839

alcoholism enough to drink a lot

1235

00:59:04,870 --> 00:59:03,119

and get behind a vehicle or take drugs

1236

00:59:06,870 --> 00:59:04,880

and drink and get behind a vehicle then

1237

00:59:09,349 --> 00:59:06,880

you need treatment you need help

1238

00:59:10,870 --> 00:59:09,359

and so what i will say about tyler at

1239

00:59:12,549 --> 00:59:10,880

secure team is number one

1240

00:59:14,150 --> 00:59:12,559

i hope that he gets the help that he

1241

00:59:16,950 --> 00:59:14,160

desperately apparently

1242

00:59:17,990 --> 00:59:16,960

needs right now with his substance abuse

1243

00:59:20,309 --> 00:59:18,000

issues

1244

00:59:22,150 --> 00:59:20,319

um and number two i hope he stopped

1245

00:59:24,950 --> 00:59:22,160

making fake [h__h]

1246

00:59:27,589 --> 00:59:24,960

he built this huge platform you know a

1247

00:59:29,349 --> 00:59:27,599

platform that uh

1248

00:59:30,789 --> 00:59:29,359

it's got a huge reach i mean i don't

1249

00:59:33,190 --> 00:59:30,799

know if he has like a million

1250

00:59:34,789 --> 00:59:33,200

viewers or 5 million a million

1251

00:59:36,150 --> 00:59:34,799

subscribers but maybe

1252

00:59:38,390 --> 00:59:36,160

but see that's the thing if you're just

1253

00:59:39,670 --> 00:59:38,400

going to sell fake [h__h] constantly for

1254

00:59:42,549 --> 00:59:39,680

years and years and years

1255

00:59:43,990 --> 00:59:42,559

i guess you too can have that big of a a

1256

00:59:47,510 --> 00:59:44,000

subscriber base

1257

00:59:52,470 --> 00:59:47,520

um i'd rather try at least to get there

1258

00:59:55,670 --> 00:59:54,549

vanessa thor plus he has a history of

1259

00:59:58,230 --> 00:59:55,680

suiting

1260

01:00:00,549 --> 00:59:58,240

employees and employers yes uh no way

1261

01:00:02,150 --> 01:00:00,559

anyone would hire him the typical

1262

01:00:06,150 --> 01:00:02,160

background check checks that

1263

01:00:08,390 --> 01:00:06,160

and uh i worked in enough

1264

01:00:10,069 --> 01:00:08,400

enough offices and and corporate

1265

01:00:12,069 --> 01:00:10,079

environments to know

1266

01:00:14,470 --> 01:00:12,079

um that's what they're checking for when

1267

01:00:15,430 --> 01:00:14,480

you go to a company and they're doing a

1268

01:00:16,630 --> 01:00:15,440

background check

1269

01:00:18,230 --> 01:00:16,640

first they're checking to see if you

1270

01:00:19,750 --> 01:00:18,240

have a criminal record but the other

1271

01:00:21,990 --> 01:00:19,760

thing they want to know is have you ever

1272

01:00:24,470 --> 01:00:22,000

sued an employer

1273

01:00:26,150 --> 01:00:24,480

employers by and large if they do a

1274

01:00:27,109 --> 01:00:26,160

background check and find that you've

1275

01:00:29,670 --> 01:00:27,119

sued

1276

01:00:30,470 --> 01:00:29,680

an employer especially i believe in mr

1277

01:00:33,510 --> 01:00:30,480

good's case

1278

01:00:35,829 --> 01:00:33,520

this is now at least two employers

1279

01:00:37,349 --> 01:00:35,839

or former employers of of his he has

1280

01:00:39,589 --> 01:00:37,359

sued

1281

01:00:40,950 --> 01:00:39,599

good luck getting a job after that bro

1282

01:00:42,150 --> 01:00:40,960

good luck getting a job

1283

01:00:44,549 --> 01:00:42,160

because who's going to want to hire

1284

01:00:48,069 --> 01:00:44,559

somebody that

1285

01:00:52,309 --> 01:00:50,549

two of their previous employers and by

1286

01:00:52,870 --> 01:00:52,319

the way one of his previous employers

1287

01:00:56,470 --> 01:00:52,880

had to get

1288

01:00:57,750 --> 01:00:56,480

a an order of protection and restraining

1289

01:00:59,589 --> 01:00:57,760

order against him so

1290

01:01:01,109 --> 01:00:59,599

uh yeah he's gonna have a hard time

1291

01:01:05,030 --> 01:01:01,119

getting uh

1292

01:01:07,910 --> 01:01:05,040

gray

1293

01:01:10,390 --> 01:01:07,920

uh somebody could copy the donate link

1294

01:01:13,910 --> 01:01:10,400

into the live chat that would be good

1295

01:01:15,670 --> 01:01:13,920

oh there you go yeah so uh

1296

01:01:17,510 --> 01:01:15,680

yeah you just click on that donate

1297

01:01:19,589 --> 01:01:17,520

button and then add a note

1298

01:01:21,349 --> 01:01:19,599

brad gray and put everybody make sure if

1299

01:01:22,950 --> 01:01:21,359

you make a donation put your username

1300

01:01:24,470 --> 01:01:22,960

because i don't want to just get your

1301

01:01:26,870 --> 01:01:24,480

real name and

1302

01:01:28,549 --> 01:01:26,880

be uh you know reading your real name

1303

01:01:30,870 --> 01:01:28,559

out in the live chat

1304

01:01:32,950 --> 01:01:30,880

and this is uh out of mind thanks very

1305

01:01:36,829 --> 01:01:32,960

much for giving him the donate button

1306

01:01:39,670 --> 01:01:36,839

that's right brad gray send me your

1307

01:01:43,670 --> 01:01:39,680

money

1308

01:01:45,510 --> 01:01:43,680

dui and domestic violence

1309

01:01:47,589 --> 01:01:45,520

i'm not sure i think you're talking

1310

01:01:50,829 --> 01:01:47,599

about tyler yeah tyler's gotten

1311

01:01:52,549 --> 01:01:50,839

some kind of domestic violence arrest

1312

01:01:57,029 --> 01:01:52,559

before i don't know oh

1313

01:01:59,109 --> 01:01:57,039

jean-claude 2 million subscribers yeah

1314

01:02:01,829 --> 01:01:59,119

wow and i'm sure jean-claude we would

1315

01:02:03,750 --> 01:02:01,839

both like to have 2 million subscribers

1316

01:02:05,750 --> 01:02:03,760

you know at that kind of a level

1317

01:02:07,510 --> 01:02:05,760

especially in being monetized but i

1318

01:02:09,430 --> 01:02:07,520

think they keep turning his monetization

1319

01:02:11,029 --> 01:02:09,440

off and on and he cries and complains

1320

01:02:11,589 --> 01:02:11,039

every time that happens but he's been

1321

01:02:13,589 --> 01:02:11,599

caught

1322

01:02:16,470 --> 01:02:13,599

selling fake [h__h] so i don't really feel

1323

01:02:20,150 --> 01:02:18,549

yeah uh an out of mind says he used to

1324

01:02:24,710 --> 01:02:20,160

put out some things of interest i think

1325

01:02:30,630 --> 01:02:27,190

brad gray thank you out of mine i will

1326

01:02:34,470 --> 01:02:32,630

vanessa thor he even claimed the jailers

1327

01:02:37,430 --> 01:02:34,480

beat him he's such a liar

1328

01:02:39,990 --> 01:02:37,440

i'm not sure where but somewhere on uh

1329

01:02:42,470 --> 01:02:40,000

one of my computers i have the actual

1330

01:02:43,270 --> 01:02:42,480

video of him being arrested which

1331

01:02:45,990 --> 01:02:43,280

contradicts

1332

01:02:46,950 --> 01:02:46,000

everything that he said about the event

1333

01:02:48,470 --> 01:02:46,960

but uh

1334

01:02:50,230 --> 01:02:48,480

and i was gonna put it out but i just

1335

01:02:51,990 --> 01:02:50,240

decided you know it's probably not a

1336

01:02:53,589 --> 01:02:52,000

good idea to kick the guy when he's down

1337

01:02:55,670 --> 01:02:53,599

better that i pray for the guy and hope

1338

01:02:59,430 --> 01:02:55,680

the best for him and hope that he gets

1339

01:03:01,430 --> 01:02:59,440

some help that he needs you know

1340

01:03:06,789 --> 01:03:01,440

yes deviated he sued the employer who

1341

01:03:10,470 --> 01:03:08,470

brad gray says thanks out of mine i

1342

01:03:11,109 --> 01:03:10,480

struggle with the use of computers yeah

1343

01:03:13,990 --> 01:03:11,119

i would

1344

01:03:14,710 --> 01:03:14,000

i guess i do too brad gray and i'm

1345

01:03:18,069 --> 01:03:14,720

supposed to be

1346

01:03:19,510 --> 01:03:18,079

a computer expert of sorts right but uh

1347

01:03:21,190 --> 01:03:19,520

boy all day today i've been fighting

1348

01:03:24,549 --> 01:03:21,200

with linux and some

1349

01:03:27,430 --> 01:03:24,559

weird little known linux stuff and uh

1350

01:03:28,950 --> 01:03:27,440

has not been a fun day for me i know we

1351

01:03:31,990 --> 01:03:28,960

had like a

1352

01:03:33,190 --> 01:03:32,000

mini tornado here you know i was joking

1353

01:03:35,349 --> 01:03:33,200

on twitter

1354

01:03:36,789 --> 01:03:35,359

finally people are getting sick of like

1355

01:03:39,829 --> 01:03:36,799

not going out anywhere

1356

01:03:46,150 --> 01:03:44,230

and they want to go outside so

1357

01:03:47,750 --> 01:03:46,160

the tornadoes that's what we've got now

1358

01:03:49,750 --> 01:03:47,760

tornadoes here

1359

01:03:51,109 --> 01:03:49,760

so uh it was really raining like hell

1360

01:03:51,990 --> 01:03:51,119

and a lot of lightning and thunder

1361

01:03:53,750 --> 01:03:52,000

earlier

1362

01:03:55,910 --> 01:03:53,760

all the computers kept going on and off

1363

01:03:56,950 --> 01:03:55,920

in the house which is bad especially

1364

01:04:03,829 --> 01:03:56,960

when you're trying to do something like

1365

01:04:07,750 --> 01:04:05,990

oh i did not know that steve c talking

1366

01:04:10,549 --> 01:04:07,760

about tyler i assume says all his

1367

01:04:12,309 --> 01:04:10,559

content is gone from his youtube channel

1368

01:04:13,750 --> 01:04:12,319

yeah maybe his lawyer told him it's best

1369

01:04:16,630 --> 01:04:13,760

to just take all that down

1370

01:04:18,789 --> 01:04:16,640

i mean he did some stupid [h__h] like

1371

01:04:20,309 --> 01:04:18,799

basically accuse the police of setting

1372

01:04:22,390 --> 01:04:20,319

him up or something like that

1373

01:04:24,230 --> 01:04:22,400

on his channel and people grab those

1374

01:04:25,990 --> 01:04:24,240

videos if you really

1375

01:04:28,950 --> 01:04:26,000

want to watch them they're probably out

1376

01:04:31,510 --> 01:04:28,960

there but again it's like watching it

1377

01:04:32,230 --> 01:04:31,520

it's like watching a car crash you know

1378

01:04:34,309 --> 01:04:32,240

it's sad

1379

01:04:36,870 --> 01:04:34,319

and uh but people like to watch it

1380

01:04:39,190 --> 01:04:36,880

people love to watch

1381

01:04:39,990 --> 01:04:39,200

i guess they like to see somebody fall

1382

01:04:43,829 --> 01:04:40,000

especially if he's not

1383

01:04:47,270 --> 01:04:43,839

well liked and i think tyler has gotten

1384

01:04:48,870 --> 01:04:47,280

more than um his fair share of hatred

1385

01:04:51,349 --> 01:04:48,880

from the ufo community

1386

01:04:53,109 --> 01:04:51,359

and some of it i think is well deserved

1387

01:04:54,470 --> 01:04:53,119

hatred for all the fake [h__h] that he's

1388

01:04:56,950 --> 01:04:54,480

been involved in

1389

01:04:58,069 --> 01:04:56,960

and you know the thing that always gets

1390

01:05:00,390 --> 01:04:58,079

me is like he got

1391

01:05:02,549 --> 01:05:00,400

caught faking and hoaxing a bunch of

1392

01:05:05,029 --> 01:05:02,559

these videos on his website or on his

1393

01:05:07,670 --> 01:05:05,039

youtube channel and they were monetized

1394

01:05:10,470 --> 01:05:07,680

so when he gets caught faking them does

1395

01:05:12,150 --> 01:05:10,480

he give the money back

1396

01:05:13,510 --> 01:05:12,160

of course not friends of course he

1397

01:05:15,589 --> 01:05:13,520

doesn't give any of the money back he

1398

01:05:17,510 --> 01:05:15,599

just gets to keep it

1399

01:05:18,789 --> 01:05:17,520

make up some excuse and roll on with the

1400

01:05:20,549 --> 01:05:18,799

next hoax

1401

01:05:24,390 --> 01:05:20,559

and that's part of what's wrong with

1402

01:05:28,150 --> 01:05:26,789

it just seems like uh you know like i

1403

01:05:30,150 --> 01:05:28,160

said before these guys go

1404

01:05:32,789 --> 01:05:30,160

right to the edge of this is definitely

1405

01:05:34,870 --> 01:05:32,799

illegal you know

1406

01:05:36,150 --> 01:05:34,880

right to the edge go right to the edge

1407

01:05:38,309 --> 01:05:36,160

go as far as you can

1408

01:05:40,230 --> 01:05:38,319

pushing your fairy tale [h__\h] array

1409

01:05:43,430 --> 01:05:40,240

and making money off of it

1410

01:05:46,069 --> 01:05:43,440

before you get in legal trouble

1411

01:05:51,990 --> 01:05:46,079

many of them friends go right right to

1412

01:05:57,750 --> 01:05:55,270

i'm not sure what i'm dropping

1413

01:05:59,510 --> 01:05:57,760

there's a this this place is a mess i

1414

01:06:07,829 --> 01:05:59,520

really have to clean up and uh

1415

01:06:11,750 --> 01:06:09,670

waiting for the live chat to update

1416

01:06:13,750 --> 01:06:11,760

seems like quite a lag tonight between

1417

01:06:16,309 --> 01:06:13,760

my live chat i just checked the

1418

01:06:17,190 --> 01:06:16,319

the real live chat and if friends you

1419

01:06:20,230 --> 01:06:17,200

will give me

1420

01:06:23,829 --> 01:06:20,240

a moment i'm gonna check the

1421

01:06:23,839 --> 01:06:27,750

okay and then i'm gonna check the uh

1422

01:06:32,470 --> 01:06:30,829

we're just checking this the streams

1423

01:06:35,349 --> 01:06:32,480

here

1424

01:06:37,910 --> 01:06:35,359

once a while i do like to uh well once

1425

01:06:40,630 --> 01:06:37,920

during the show i just like to make sure

1426

01:06:43,430 --> 01:06:40,640

so please uh please indulge me while i

1427

01:06:48,789 --> 01:06:45,270

all everything is running as it's

1428

01:06:52,230 --> 01:06:50,710

we are checking in with our twitch

1429

01:06:55,750 --> 01:06:52,240

stream

1430

01:06:58,789 --> 01:06:55,760

and welcome to all the the new uh twitch

1431

01:07:02,309 --> 01:06:58,799

people in the twitch chat

1432

01:07:04,630 --> 01:07:02,319

and yeah we are live on twitch right now

1433

01:07:05,510 --> 01:07:04,640

and i'm just going to check facebook

1434

01:07:14,390 --> 01:07:05,520

live

1435

01:07:21,910 --> 01:07:14,400

facebook as well

1436

01:07:26,630 --> 01:07:24,950

okay vanessa thor says i liked him prior

1437

01:07:27,990 --> 01:07:26,640

i even bought a shirt a long time ago

1438

01:07:31,910 --> 01:07:28,000

but once he got caught deep

1439

01:07:31,920 --> 01:07:37,670

you gave away the shirt

1440

01:07:41,430 --> 01:07:39,829

a lot of time is very frustrating having

1441

01:07:44,309 --> 01:07:41,440

ufology as a hobby

1442

01:07:45,510 --> 01:07:44,319

yeah i would tend to agree with you uh

1443

01:07:47,910 --> 01:07:45,520

you know it seems like

1444

01:07:48,549 --> 01:07:47,920

i gotta do a lot of like digging through

1445

01:07:51,910 --> 01:07:48,559

garbage

1446

01:07:57,190 --> 01:07:53,829

we have to dig through an ocean to get a

1447

01:07:59,270 --> 01:07:57,200

drop of truth and that's unfortunate

1448

01:08:00,470 --> 01:07:59,280

it's very unfortunate we should be able

1449

01:08:02,309 --> 01:08:00,480

it shouldn't be this hard

1450

01:08:03,829 --> 01:08:02,319

but the fakers the fraudsters the

1451

01:08:06,549 --> 01:08:03,839

hoaxers they make

1452

01:08:10,150 --> 01:08:06,559

things entirely more difficult than they

1453

01:08:14,390 --> 01:08:10,160

need to be

1454

01:08:19,669 --> 01:08:16,470

eg stephen has the best laugh i'll try

1455

01:08:22,470 --> 01:08:19,679

to do it more for you bgs

1456

01:08:23,510 --> 01:08:22,480

and i think it was you right i saw a

1457

01:08:26,470 --> 01:08:23,520

post about being a

1458

01:08:28,709 --> 01:08:26,480

caretaker and uh i just want to say god

1459

01:08:31,749 --> 01:08:28,719

bless the caretakers and god bless those

1460

01:08:37,110 --> 01:08:34,229

those who have loving kindness enough to

1461

01:08:39,349 --> 01:08:37,120

help the helpless

1462

01:08:40,709 --> 01:08:39,359

it's really a thankless job i know

1463

01:08:42,870 --> 01:08:40,719

something about that

1464

01:08:46,630 --> 01:08:42,880

so you know god bless you bgs and i hope

1465

01:08:49,910 --> 01:08:48,950

paranormal jiggy is here paranormal

1466

01:08:52,149 --> 01:08:49,920

jiggy is

1467

01:08:53,829 --> 01:08:52,159

in the house and he says vanessa thor i

1468

01:08:56,149 --> 01:08:53,839

asked questions about a ufo pick he

1469

01:08:58,550 --> 01:08:56,159

posted from boston and told him

1470

01:08:59,990 --> 01:08:58,560

what it was but he kept the video up he

1471

01:09:01,829 --> 01:09:00,000

hates being called out

1472

01:09:03,269 --> 01:09:01,839

yeah i've heard that i've heard he

1473

01:09:04,950 --> 01:09:03,279

doesn't like it when you call this

1474

01:09:06,470 --> 01:09:04,960

bullshittery but what are you gonna do

1475

01:09:12,709 --> 01:09:06,480

right

1476

01:09:16,550 --> 01:09:14,950

yeah so uh friends i think we're going

1477

01:09:18,149 --> 01:09:16,560

to make it a short one tonight

1478

01:09:19,590 --> 01:09:18,159

i didn't really have very much to talk

1479

01:09:20,630 --> 01:09:19,600

about tonight but i want to start with

1480

01:09:23,430 --> 01:09:20,640

the short

1481

01:09:25,269 --> 01:09:23,440

presentation i'm trying to uh learn how

1482

01:09:26,149 --> 01:09:25,279

to do some more of that kind of stuff

1483

01:09:27,990 --> 01:09:26,159

like short

1484

01:09:29,910 --> 01:09:28,000

just do a short presentation so that we

1485

01:09:31,110 --> 01:09:29,920

don't go three hours some of these

1486

01:09:33,349 --> 01:09:31,120

subjects

1487

01:09:35,430 --> 01:09:33,359

uh you know i admittedly get a little

1488

01:09:37,910 --> 01:09:35,440

bit

1489

01:09:38,550 --> 01:09:37,920

long in the tooth i guess like i just i

1490

01:09:41,110 --> 01:09:38,560

can't

1491

01:09:42,149 --> 01:09:41,120

i gotta take this tremendous amount of

1492

01:09:43,829 --> 01:09:42,159

time to explain

1493

01:09:45,990 --> 01:09:43,839

some of these some of them are a little

1494

01:09:49,189 --> 01:09:46,000

easier to get through

1495

01:09:49,910 --> 01:09:49,199

vanessa thor says oh it was bb i'm sorry

1496

01:09:53,349 --> 01:09:49,920

bgs

1497

01:09:55,750 --> 01:09:53,359

you're right [h__h] up yeah but god bless

1498

01:10:01,430 --> 01:09:55,760

you too bgs because i'm sure

1499

01:10:08,070 --> 01:10:03,189

this little dude says as long as it's

1500

01:10:12,310 --> 01:10:10,790

yeah friend so uh you know i've been

1501

01:10:13,830 --> 01:10:12,320

thinking a lot about the show and how to

1502

01:10:17,110 --> 01:10:13,840

improve it and one of the things has got

1503

01:10:18,470 --> 01:10:17,120

to be consistency so uh

1504

01:10:20,630 --> 01:10:18,480

some of this i think are going to be a

1505

01:10:24,470 --> 01:10:20,640

little more open form and less

1506

01:10:27,030 --> 01:10:24,480

rigid so that we can it appears to me

1507

01:10:27,669 --> 01:10:27,040

that the algorithm overlords really

1508

01:10:30,470 --> 01:10:27,679

prefer

1509

01:10:31,910 --> 01:10:30,480

if you do a stream consistently at the

1510

01:10:34,870 --> 01:10:31,920

same time

1511

01:10:36,950 --> 01:10:34,880

i've talked to a few people i know much

1512

01:10:39,270 --> 01:10:36,960

more about the youtube algorithms than i

1513

01:10:40,229 --> 01:10:39,280

who all suggested yes that consistency

1514

01:10:43,110 --> 01:10:40,239

is the key so

1515

01:10:44,709 --> 01:10:43,120

we're going to try to consistently

1516

01:10:47,830 --> 01:10:44,719

stream as many

1517

01:10:50,310 --> 01:10:47,840

per week that i can reasonably do

1518

01:10:51,750 --> 01:10:50,320

uh it's just best for the growth of the

1519

01:10:53,830 --> 01:10:51,760

channel but i will say it looks like

1520

01:10:55,990 --> 01:10:53,840

things are improving with the numbers

1521

01:10:58,310 --> 01:10:56,000

which i am still trying to help but once

1522

01:11:01,189 --> 01:10:58,320

in a while you know i get the notices

1523

01:11:01,910 --> 01:11:01,199

so the subs are rising and that's a good

1524

01:11:03,750 --> 01:11:01,920

thing we've

1525

01:11:06,149 --> 01:11:03,760

expanded to twitch and that's a great

1526

01:11:12,390 --> 01:11:10,229

tomorrow friends i'm gonna do uh

1527

01:11:14,070 --> 01:11:12,400

i'm gonna do another show and that will

1528

01:11:19,669 --> 01:11:14,080

be

1529

01:11:22,630 --> 01:11:19,679

to start at 10 p.m and then all this

1530

01:11:24,870 --> 01:11:22,640

stuff starts happening like you know

1531

01:11:26,229 --> 01:11:24,880

i couldn't find the glasses today i

1532

01:11:28,310 --> 01:11:26,239

could find the uh

1533

01:11:29,750 --> 01:11:28,320

i couldn't find the headphones and and

1534

01:11:31,430 --> 01:11:29,760

the and the trailer

1535

01:11:33,350 --> 01:11:31,440

you know like the intro was playing and

1536

01:11:35,669 --> 01:11:33,360

i'm like where's everything at

1537

01:11:37,030 --> 01:11:35,679

and you know it's dark in here so i'm

1538

01:11:38,229 --> 01:11:37,040

putting the lights up and the lights

1539

01:11:40,709 --> 01:11:38,239

down

1540

01:11:42,070 --> 01:11:40,719

but uh you know we are rolling through

1541

01:11:45,270 --> 01:11:42,080

it oh and i will say

1542

01:11:47,189 --> 01:11:45,280

too uh you know what i think

1543

01:11:48,709 --> 01:11:47,199

i think i'm gonna do did you guys ever

1544

01:11:51,510 --> 01:11:48,719

see like uh

1545

01:11:53,189 --> 01:11:51,520

like jimmy kimmel get celebrities to

1546

01:11:55,510 --> 01:11:53,199

read mean tweets

1547

01:11:58,229 --> 01:11:55,520

i think that shit's funny and uh i've

1548

01:12:00,229 --> 01:11:58,239

gotten some really mean nasty emails and

1549

01:12:01,830 --> 01:12:00,239

comments on the youtube channels lately

1550

01:12:02,950 --> 01:12:01,840

so i think we're gonna do a night where

1551

01:12:05,270 --> 01:12:02,960

i just read mean

1552

01:12:07,669 --> 01:12:05,280

nasty comments and reply to them because

1553

01:12:09,830 --> 01:12:07,679

it's funny

1554

01:12:11,189 --> 01:12:09,840

all the world is a critic i you know one

1555

01:12:14,550 --> 01:12:11,199

thing i can never get over

1556

01:12:15,189 --> 01:12:14,560

is that people who are like really nasty

1557

01:12:18,470 --> 01:12:15,199

critics

1558

01:12:21,270 --> 01:12:18,480

they don't have anything to show you and

1559

01:12:22,790 --> 01:12:21,280

and this is just my general belief in

1560

01:12:25,590 --> 01:12:22,800

life like if you want to be

1561

01:12:27,430 --> 01:12:25,600

real critical somebody said somehow you

1562

01:12:30,550 --> 01:12:27,440

[h__\h] up and have a technical issue

1563

01:12:32,470 --> 01:12:30,560

on every show yeah i'm sorry

1564

01:12:34,550 --> 01:12:32,480

you know i'm human and like what do you

1565

01:12:37,750 --> 01:12:34,560

want me to do i'm hosting the show

1566

01:12:40,950 --> 01:12:37,760

i'm reading notes i'm sharing

1567

01:12:44,149 --> 01:12:40,960

data like it's not easy to do this

1568

01:12:46,229 --> 01:12:44,159

right especially all by yourself so

1569

01:12:47,910 --> 01:12:46,239

i don't know i asked him uh where was

1570

01:12:49,030 --> 01:12:47,920

his self-produced show with zero

1571

01:12:52,070 --> 01:12:49,040

technical errors

1572

01:12:52,630 --> 01:12:52,080

and you know that's where we're at

1573

01:12:55,430 --> 01:12:52,640

though

1574

01:12:58,310 --> 01:12:55,440

or that's where i'm at like if somebody

1575

01:13:02,070 --> 01:12:58,320

has young claudie has a show and uh

1576

01:13:04,870 --> 01:13:02,080

obviously doing better than our show uh

1577

01:13:06,229 --> 01:13:04,880

better numbers better subscribers maybe

1578

01:13:07,910 --> 01:13:06,239

better show

1579

01:13:10,149 --> 01:13:07,920

but he's doing some things technically

1580

01:13:12,390 --> 01:13:10,159

with the software that we use here

1581

01:13:13,910 --> 01:13:12,400

you know he's the kind of person that i

1582

01:13:15,910 --> 01:13:13,920

want criticism from

1583

01:13:17,669 --> 01:13:15,920

not somebody that doesn't have a show

1584

01:13:20,630 --> 01:13:17,679

that's just gonna be nasty

1585

01:13:21,430 --> 01:13:20,640

like okay bro so jean-claude is like

1586

01:13:23,110 --> 01:13:21,440

sharing

1587

01:13:24,950 --> 01:13:23,120

nice enough to share how to do this

1588

01:13:26,390 --> 01:13:24,960

ticker tape thing on the screen and i'm

1589

01:13:28,709 --> 01:13:26,400

gonna get that going

1590

01:13:29,910 --> 01:13:28,719

so that we'll have like uh i'll probably

1591

01:13:32,630 --> 01:13:29,920

use it to beg for money

1592

01:13:34,229 --> 01:13:32,640

you know i'm definitely going to use

1593

01:13:36,229 --> 01:13:34,239

that to beg for money and and

1594

01:13:37,350 --> 01:13:36,239

speaking of begging for money and update

1595

01:13:40,550 --> 01:13:37,360

on the

1596

01:13:44,470 --> 01:13:40,560

the uh we have plans to sell honey

1597

01:13:46,630 --> 01:13:44,480

for money raw natural organic honey

1598

01:13:48,470 --> 01:13:46,640

and so i talked to the girl at the farm

1599

01:13:50,790 --> 01:13:48,480

again today we're still going to work it

1600

01:13:54,310 --> 01:13:50,800

out but it looks like we're going to be

1601
01:13:58,830 --> 01:13:54,320
selling honey for money real soon

1602
01:14:01,669 --> 01:13:58,840
and uh so yeah i hope you will support

1603
01:14:03,669 --> 01:14:01,679
that

1604
01:14:05,669 --> 01:14:03,679
brad gray i have to admit i enjoy

1605
01:14:07,430 --> 01:14:05,679
hassling dolan subs in the comments

1606
01:14:10,149 --> 01:14:07,440
section but never get nasty

1607
01:14:12,070 --> 01:14:10,159
yeah i've noticed you're very respectful

1608
01:14:14,870 --> 01:14:12,080
you're very respectful

1609
01:14:15,430 --> 01:14:14,880
vanessa thor yes nasty tweets sheesh

1610
01:14:19,270 --> 01:14:15,440
yeah

1611
01:14:20,870 --> 01:14:19,280
know what the emails are worse than the

1612
01:14:21,350 --> 01:14:20,880
public comments because usually when

1613
01:14:23,750 --> 01:14:21,360

somebody

1614

01:14:24,390 --> 01:14:23,760

comments in public they go you know i

1615

01:14:27,590 --> 01:14:24,400

don't wanna

1616

01:14:29,990 --> 01:14:27,600

i get i've gotten some emails that were

1617

01:14:31,430 --> 01:14:30,000

oh my god they were like i cracked up

1618

01:14:35,750 --> 01:14:31,440

when i read them because

1619

01:14:37,910 --> 01:14:35,760

it was so like obviously written by

1620

01:14:39,830 --> 01:14:37,920

either one of the people that didn't

1621

01:14:40,950 --> 01:14:39,840

like some of the truth that i had to

1622

01:14:44,870 --> 01:14:40,960

share

1623

01:14:46,550 --> 01:14:44,880

or their close supporters or you know

1624

01:14:47,990 --> 01:14:46,560

maybe even significant others i don't

1625

01:14:49,910 --> 01:14:48,000

know why i thought that but i did

1626

01:14:51,669 --> 01:14:49,920

it was it felt like somebody's wife

1627

01:14:55,669 --> 01:14:51,679

coming after me in a couple of them you

1628

01:15:02,070 --> 01:14:58,390

yeah so nasty tweets we're gonna read

1629

01:15:05,189 --> 01:15:04,870

you can have a free ad on my sidebar for

1630

01:15:08,550 --> 01:15:05,199

you

1631

01:15:15,430 --> 01:15:08,560

i'll

1632

01:15:16,870 --> 01:15:15,440

it's the honey for money scam i mean uh

1633

01:15:19,910 --> 01:15:16,880

the

1634

01:15:20,870 --> 01:15:19,920

business plan no it's not it's not

1635

01:15:22,790 --> 01:15:20,880

anything like that

1636

01:15:23,990 --> 01:15:22,800

this is really good stuff and uh you

1637

01:15:26,790 --> 01:15:24,000

know i got to sell something

1638

01:15:27,590 --> 01:15:26,800

to support the show so uh i don't want

1639

01:15:31,189 --> 01:15:27,600

to support

1640

01:15:31,910 --> 01:15:31,199

colon cleanse t you don't want to get

1641

01:15:33,910 --> 01:15:31,920

the [h__\h] t

1642

01:15:35,110 --> 01:15:33,920

from me i hated hearing that commercial

1643

01:15:36,950 --> 01:15:35,120

the whole time i

1644

01:15:38,310 --> 01:15:36,960

threw the last show we're not gonna have

1645

01:15:44,070 --> 01:15:38,320

any get the [h__\h]

1646

01:15:47,750 --> 01:15:46,310

vanessa thor i get hella hate on twitter

1647

01:15:49,430 --> 01:15:47,760

i don't know what it is about me yeah i

1648

01:15:53,270 --> 01:15:49,440

see some of that stuff man you

1649

01:15:55,270 --> 01:15:53,280

get pretty heated on twitter right

1650

01:15:56,470 --> 01:15:55,280

but i guess it's because you engage with

1651

01:15:59,590 --> 01:15:56,480

a lot of people too

1652

01:16:02,950 --> 01:16:01,189

i think the more people that you're

1653

01:16:04,390 --> 01:16:02,960

engaged with have something to do with

1654

01:16:06,550 --> 01:16:04,400

it too i mean

1655

01:16:08,070 --> 01:16:06,560

i you know honestly vanessa lately i've

1656

01:16:09,430 --> 01:16:08,080

been looking at a lot of twitter feeds

1657

01:16:12,229 --> 01:16:09,440

that

1658

01:16:14,070 --> 01:16:12,239

some time ago i would be commenting on

1659

01:16:15,750 --> 01:16:14,080

and now i'm just like

1660

01:16:17,510 --> 01:16:15,760

this is going to go nowhere so i'm not

1661

01:16:18,790 --> 01:16:17,520

even going to say anything because

1662

01:16:19,990 --> 01:16:18,800

then they're going to say this and i'm

1663

01:16:20,790 --> 01:16:20,000

going to say that and we're going to be

1664

01:16:23,590 --> 01:16:20,800

here

1665

01:16:24,550 --> 01:16:23,600

back and forth on it you know 100 reply

1666

01:16:26,310 --> 01:16:24,560

twitter

1667

01:16:27,750 --> 01:16:26,320

thread for two days arguing about

1668

01:16:29,990 --> 01:16:27,760

something we'll never

1669

01:16:30,950 --> 01:16:30,000

get to you know it's funny thing about

1670

01:16:33,110 --> 01:16:30,960

these internet

1671

01:16:34,070 --> 01:16:33,120

sort of debates and arguments is like

1672

01:16:37,270 --> 01:16:34,080

you never really

1673

01:16:42,950 --> 01:16:39,350

but it is what it is sometimes it's fun

1674

01:16:47,030 --> 01:16:45,510

oh wow don craig's face i was critical

1675

01:16:49,110 --> 01:16:47,040

of dolan in the live chat and they

1676
01:16:50,070 --> 01:16:49,120
pounced on me unrelentlessly yeah i've

1677
01:16:53,189 --> 01:16:50,080
heard that

1678
01:16:56,470 --> 01:16:53,199
he can't he can't withstand any debate

1679
01:16:59,510 --> 01:16:56,480
on craig's face or criticism

1680
01:17:06,470 --> 01:17:01,669
i think bg's you met i don't do dolan

1681
01:17:09,910 --> 01:17:08,870
don craig's face twitter is rough i stay

1682
01:17:12,950 --> 01:17:09,920
away

1683
01:17:15,830 --> 01:17:12,960
yeah i i hear you you know definitely

1684
01:17:17,030 --> 01:17:15,840
it's not a good thing to uh to engage

1685
01:17:18,229 --> 01:17:17,040
with some of these people especially

1686
01:17:19,430 --> 01:17:18,239
when you know it's not going to go

1687
01:17:23,189 --> 01:17:19,440
anywhere at all

1688
01:17:25,270 --> 01:17:23,199

right i mean where's it going to go uh

1689

01:17:27,110 --> 01:17:25,280

i don't i just think lately i've been

1690

01:17:29,430 --> 01:17:27,120

thinking about this like

1691

01:17:30,950 --> 01:17:29,440

i don't think anybody on their deathbed

1692

01:17:32,229 --> 01:17:30,960

right like think about this you're on

1693

01:17:34,229 --> 01:17:32,239

your deathbed you're in your

1694

01:17:36,070 --> 01:17:34,239

your your last hour of your life and

1695

01:17:39,110 --> 01:17:36,080

you're thinking about your life

1696

01:17:39,910 --> 01:17:39,120

uh are you really gonna think you know i

1697

01:17:41,910 --> 01:17:39,920

wish i had

1698

01:17:44,790 --> 01:17:41,920

spent a lot more time arguing with

1699

01:17:46,470 --> 01:17:44,800

stupid people on the internet

1700

01:17:48,149 --> 01:17:46,480

you know like i don't think i'm going to

1701

01:17:49,830 --> 01:17:48,159

be thinking about that so

1702

01:17:52,310 --> 01:17:49,840

i'm really trying to focus my time on

1703

01:17:56,390 --> 01:17:52,320

things i want to finish before i

1704

01:17:59,189 --> 01:17:56,400

leave this mortal coil and uh

1705

01:18:00,950 --> 01:17:59,199

also too like facebook used to get me in

1706

01:18:02,790 --> 01:18:00,960

trouble mostly with family

1707

01:18:04,149 --> 01:18:02,800

like somebody in my family or extended

1708

01:18:06,070 --> 01:18:04,159

family would say something that i

1709

01:18:08,310 --> 01:18:06,080

thought was stupid and i would post

1710

01:18:09,750 --> 01:18:08,320

usually it was like a gif making fun of

1711

01:18:11,510 --> 01:18:09,760

what they said and then

1712

01:18:13,510 --> 01:18:11,520

turned into this big thing and once a

1713

01:18:14,950 --> 01:18:13,520

while somebody's like messaging my wife

1714

01:18:17,669 --> 01:18:14,960

like i can't believe your husband he's

1715

01:18:19,910 --> 01:18:17,679

such an [h__h] and you know

1716

01:18:21,189 --> 01:18:19,920

it's just so lately i just i'm just

1717

01:18:23,430 --> 01:18:21,199

going to avoid all this

1718

01:18:24,870 --> 01:18:23,440

drama i think we have enough i have

1719

01:18:33,030 --> 01:18:24,880

enough drama with uh

1720

01:18:36,790 --> 01:18:35,510

i'm catnip for angry in cell men and

1721

01:18:40,149 --> 01:18:36,800

women

1722

01:18:43,030 --> 01:18:40,159

yeah that i may do a show on in cell men

1723

01:18:45,030 --> 01:18:43,040

just because it's such a strange weird

1724

01:18:45,990 --> 01:18:45,040

subculture these guys have created for

1725

01:18:47,669 --> 01:18:46,000

themselves

1726

01:18:49,750 --> 01:18:47,679

and just the thought of that i'm

1727

01:18:52,709 --> 01:18:49,760

involuntarily celibate

1728

01:18:53,510 --> 01:18:52,719

i mean it's crazy insult stuff is crazy

1729

01:18:55,910 --> 01:18:53,520

and there's whole

1730

01:19:01,510 --> 01:18:55,920

youtube channels guys basically just

1731

01:19:04,950 --> 01:19:03,990

me either i'm absolutely annoyed and

1732

01:19:08,630 --> 01:19:04,960

bored with all

1733

01:19:12,790 --> 01:19:08,640

dolan now well yeah it's been talking

1734

01:19:16,550 --> 01:19:15,189

i think he's still pushing the wilson

1735

01:19:18,870 --> 01:19:16,560

the wilson stuff now

1736

01:19:21,430 --> 01:19:18,880

right he's get he's doing like little

1737

01:19:23,830 --> 01:19:21,440

shows in between but the wilson thing

1738

01:19:25,430 --> 01:19:23,840

that's his big that's his big story

1739

01:19:29,350 --> 01:19:25,440

right now and how that's real

1740

01:19:31,910 --> 01:19:29,360

and you know an admiral lied to everyone

1741

01:19:32,870 --> 01:19:31,920

friends i don't believe in admiral lied

1742

01:19:34,790 --> 01:19:32,880

to everyone and

1743

01:19:36,070 --> 01:19:34,800

richard dolan is right and there's a lot

1744

01:19:38,229 --> 01:19:36,080

of other stuff i

1745

01:19:39,910 --> 01:19:38,239

may do an unpack of this wilson

1746

01:19:41,270 --> 01:19:39,920

documents because there's so much to

1747

01:19:43,030 --> 01:19:41,280

prove that it's fake

1748

01:19:44,950 --> 01:19:43,040

the letter included from that one

1749

01:19:46,630 --> 01:19:44,960

gentleman he said that's not

1750

01:19:48,310 --> 01:19:46,640

that's not from me that looks like a

1751

01:19:48,630 --> 01:19:48,320

copy and paste job from somebody that

1752

01:19:51,189 --> 01:19:48,640

had

1753

01:19:53,189 --> 01:19:51,199

access to my old letters there's a lot

1754

01:19:55,189 --> 01:19:53,199

of evidence that this thing is fake but

1755

01:19:57,430 --> 01:19:55,199

uh you know people are going to argue

1756

01:19:58,790 --> 01:19:57,440

again we're just talking about this do i

1757

01:20:01,430 --> 01:19:58,800

really want to get involved in this

1758

01:20:04,149 --> 01:20:01,440

wilson documents argument

1759

01:20:06,229 --> 01:20:04,159

uh what what good would come from it

1760

01:20:07,430 --> 01:20:06,239

well maybe i could wake up some people

1761

01:20:08,950 --> 01:20:07,440

to the reality

1762

01:20:11,030 --> 01:20:08,960

that other people are pushing fairy

1763

01:20:13,990 --> 01:20:11,040

tales that would be a good benefit

1764

01:20:16,070 --> 01:20:14,000

but to me personally just going to bring

1765

01:20:17,350 --> 01:20:16,080

more haters and nasty comments these

1766

01:20:19,430 --> 01:20:17,360

people are so

1767

01:20:21,189 --> 01:20:19,440

oh my god these people are convinced

1768

01:20:24,310 --> 01:20:21,199

that wilson documents

1769

01:20:25,350 --> 01:20:24,320

are real and i'm an idiot okay all right

1770

01:20:28,550 --> 01:20:25,360

i'm an idiot

1771

01:20:30,550 --> 01:20:28,560

yeah i definitely am an idiot and

1772

01:20:32,950 --> 01:20:30,560

yeah you never know though like these

1773

01:20:37,110 --> 01:20:32,960

wilson documents

1774

01:20:40,470 --> 01:20:37,120

it's just another one of those

1775

01:20:42,229 --> 01:20:40,480

stories just like the mj12 documents

1776

01:20:45,990 --> 01:20:42,239

just like alien autopsy

1777

01:20:47,750 --> 01:20:46,000

that you don't you know it's the debate

1778

01:20:49,189 --> 01:20:47,760

and the battle over whether it's real or

1779

01:20:51,110 --> 01:20:49,199

not is probably going to rage for the

1780

01:20:53,110 --> 01:20:51,120

next couple of years until

1781

01:20:55,030 --> 01:20:53,120

super definitive proof comes out either

1782

01:20:56,229 --> 01:20:55,040

way do i believe that they're going to

1783

01:20:59,350 --> 01:20:56,239

get super definitive

1784

01:21:03,270 --> 01:20:59,360

definitive proof that it's real no

1785

01:21:06,229 --> 01:21:03,280

and another on eric davis

1786

01:21:06,870 --> 01:21:06,239

as a source friends i've been looking

1787

01:21:09,350 --> 01:21:06,880

into dr

1788

01:21:10,550 --> 01:21:09,360

eric davis and boy have i found some

1789

01:21:17,110 --> 01:21:10,560

stuff

1790

01:21:19,110 --> 01:21:17,120

he's not anyone that could be considered

1791

01:21:22,390 --> 01:21:19,120

a credible source he's not anyone

1792

01:21:25,990 --> 01:21:22,400

that should be trusted uh he's

1793

01:21:29,189 --> 01:21:26,000

just into a lot of bizarro stuff

1794

01:21:31,510 --> 01:21:29,199

does that mean that he's a liar no but

1795

01:21:33,350 --> 01:21:31,520

it might indicate that you know being

1796

01:21:36,470 --> 01:21:33,360

into all this bizarro stuff

1797

01:21:39,110 --> 01:21:36,480

a little more apt to believe in aliens

1798

01:21:42,070 --> 01:21:39,120

and flying saucers and crash retrievals

1799

01:21:43,990 --> 01:21:42,080

even if they didn't happen because he's

1800

01:21:45,350 --> 01:21:44,000

got that believing mind and that

1801

01:21:47,590 --> 01:21:45,360

confirmation bias

1802

01:21:48,709 --> 01:21:47,600

he's out there looking for proof of

1803

01:21:50,629 --> 01:21:48,719

crash retrievals

1804

01:21:52,390 --> 01:21:50,639

as if he knows they're a real thing

1805

01:21:53,590 --> 01:21:52,400

already

1806

01:22:00,629 --> 01:21:53,600

i don't know what to tell you but eric

1807

01:22:04,470 --> 01:22:02,790

don craig's face i like great cameron

1808

01:22:06,790 --> 01:22:04,480

sometimes he's got a little new age

1809

01:22:07,030 --> 01:22:06,800

lately though and man he talks fast yeah

1810

01:22:10,550 --> 01:22:07,040

i

1811

01:22:12,070 --> 01:22:10,560

the phone

1812

01:22:14,229 --> 01:22:12,080

several times i really like grant

1813

01:22:15,510 --> 01:22:14,239

cameron and i think that uh

1814

01:22:17,189 --> 01:22:15,520

he's getting a lot of flack because he's

1815

01:22:19,270 --> 01:22:17,199

trying to explore the consciousness side

1816

01:22:21,270 --> 01:22:19,280

of this stuff

1817

01:22:22,790 --> 01:22:21,280

alan a guy i worked with for five years

1818

01:22:24,790 --> 01:22:22,800

in north carolina has a pretty decent

1819

01:22:26,790 --> 01:22:24,800

website claims he is abducted

1820

01:22:30,149 --> 01:22:26,800

he was abducted young some thought he

1821

01:22:33,189 --> 01:22:30,159

was crazy not me die hard ufo guy

1822

01:22:33,750 --> 01:22:33,199

check it out yeah that would thanks uh

1823

01:22:35,350 --> 01:22:33,760

pauly p

1824

01:22:36,870 --> 01:22:35,360

that would seem like somebody that i

1825

01:22:37,270 --> 01:22:36,880

might want to interview and would be a

1826

01:22:39,830 --> 01:22:37,280

good

1827

01:22:40,950 --> 01:22:39,840

guest i'd like to get to more i'd like

1828

01:22:43,990 --> 01:22:40,960

to get to more

1829

01:22:45,750 --> 01:22:44,000

experiencers and again i've been getting

1830

01:22:48,310 --> 01:22:45,760

to more experiences based on

1831

01:22:50,070 --> 01:22:48,320

the advice of grant cameron who says in

1832

01:22:54,390 --> 01:22:50,080

order to get to the truth of this thing

1833

01:22:57,430 --> 01:22:54,400

you gotta talk to experiencers um

1834

01:23:00,070 --> 01:22:57,440

he may be right some of this may be

1835

01:23:03,270 --> 01:23:00,080

incredibly consciousness-based some of

1836

01:23:04,950 --> 01:23:03,280

the ufo phenomenon may be based on

1837

01:23:06,629 --> 01:23:04,960

our own perceptions and our own

1838

01:23:10,070 --> 01:23:06,639

consciousness

1839

01:23:10,709 --> 01:23:10,080

and that's worth exploring to me as much

1840

01:23:18,830 --> 01:23:10,719

as the

1841

01:23:18,840 --> 01:23:23,270

debate

1842

01:23:27,189 --> 01:23:25,110

well friends it's been a long day i

1843

01:23:27,910 --> 01:23:27,199

think we are going to call it a show for

1844

01:23:29,910 --> 01:23:27,920

tonight

1845

01:23:31,590 --> 01:23:29,920

i'm glad that we got a chance to spend

1846

01:23:33,750 --> 01:23:31,600

uh most of our time tonight with the

1847

01:23:36,149 --> 01:23:33,760

live chat sort of catch up give you some

1848

01:23:40,550 --> 01:23:36,159

updates let you know what's going on

1849

01:23:43,270 --> 01:23:40,560

here in uh my world

1850

01:23:44,709 --> 01:23:43,280

now uh again tomorrow night we're gonna

1851
01:23:45,990 --> 01:23:44,719
have another show that's gonna be a

1852
01:23:46,390 --> 01:23:46,000
little more structured based i'll

1853
01:23:49,910 --> 01:23:46,400
probably

1854
01:23:51,750 --> 01:23:49,920
have like an hour presentation which uh

1855
01:23:52,950 --> 01:23:51,760
well actually i don't really i'm not

1856
01:23:53,910 --> 01:23:52,960
sure

1857
01:23:55,830 --> 01:23:53,920
but it's going to be a little more

1858
01:23:57,910 --> 01:23:55,840
structured tomorrow and a little more

1859
01:23:59,669 --> 01:23:57,920
information presented something that

1860
01:24:00,070 --> 01:23:59,679
i've been working on i can't wait to

1861
01:24:04,470 --> 01:24:00,080
bring

1862
01:24:05,830 --> 01:24:04,480
to you guys so friends uh

1863
01:24:07,910 --> 01:24:05,840

i want to thank each and every one of

1864

01:24:10,709 --> 01:24:07,920

you for joining me today

1865

01:24:11,990 --> 01:24:10,719

you uh helped make the show work it's

1866

01:24:14,470 --> 01:24:12,000

truth seekers

1867

01:24:16,149 --> 01:24:14,480

and i am only one of them and you are

1868

01:24:18,550 --> 01:24:16,159

the rest of them and i'm so thankful

1869

01:24:20,229 --> 01:24:18,560

for all of you that showed up tonight to

1870

01:24:22,229 --> 01:24:20,239

do this thing with me

1871

01:24:42,830 --> 01:24:22,239

until next time friends i'm stephen

1872

01:24:42,840 --> 01:24:50,500

so

1873

01:25:41,400 --> 01:24:59,280

[Music]

1874

01:26:06,280 --> 01:25:41,410

[Applause]

1875

01:26:08,340 --> 01:26:06,290

[Music]

1876

01:26:36,530 --> 01:26:08,350

[Applause]

1877

01:26:37,530 --> 01:26:36,540

[Music]

1878

01:26:57,830 --> 01:26:37,540

[Applause]
