

1  
00:02:06,230 --> 00:00:34,580

[Music]

2  
00:02:12,630 --> 00:02:09,430

we are live

3  
00:02:16,309 --> 00:02:12,640

at the apocalypse cabin greetings and

4  
00:02:19,910 --> 00:02:16,319

salutations friends and welcome back

5  
00:02:22,949 --> 00:02:19,920

to truth seekers usually

6  
00:02:26,309 --> 00:02:22,959

we explore some of the strangest and

7  
00:02:29,030 --> 00:02:26,319

most mysterious stories on planet earth

8  
00:02:30,790 --> 00:02:29,040

but lately i've been thinking that

9  
00:02:33,589 --> 00:02:30,800

current events

10  
00:02:35,830 --> 00:02:33,599

have been the strangest and most

11  
00:02:39,830 --> 00:02:35,840

mysterious thing

12  
00:02:41,430 --> 00:02:39,840

lately some time ago

13  
00:02:43,430 --> 00:02:41,440

while living in a major city

14

00:02:46,949 --> 00:02:43,440

philadelphia

15

00:02:50,150 --> 00:02:46,959

i began to see signs

16

00:02:54,390 --> 00:02:50,160

of let's just say an

17

00:02:59,670 --> 00:02:54,400

uneasiness in the citizenry

18

00:03:02,830 --> 00:02:59,680

citizenry of the major city i lived in

19

00:03:04,710 --> 00:03:02,840

seemed to me that it wouldn't take much

20

00:03:10,149 --> 00:03:04,720

for

21

00:03:19,190 --> 00:03:14,229

let's just say disruption

22

00:03:20,869 --> 00:03:19,200

in our usual lives

23

00:03:22,309 --> 00:03:20,879

i'm not quite sure why but i began to

24

00:03:24,869 --> 00:03:22,319

worry about this

25

00:03:26,390 --> 00:03:24,879

as the crime rate in our local area of

26

00:03:28,710 --> 00:03:26,400

the city

27

00:03:30,949 --> 00:03:28,720

the neighborhood that i lived in started

28

00:03:34,630 --> 00:03:30,959

steadily rising

29

00:03:37,990 --> 00:03:34,640

and i don't mean just thefts i mean

30

00:03:41,030 --> 00:03:38,000

murders and violent crime and rapes

31

00:03:44,830 --> 00:03:41,040

and carjackings

32

00:03:46,710 --> 00:03:44,840

and shootings and all manner of scary

33

00:03:48,710 --> 00:03:46,720

things

34

00:03:50,630 --> 00:03:48,720

now i thought i'd live in the city my

35

00:03:54,470 --> 00:03:50,640

entire life

36

00:03:58,869 --> 00:03:56,869

i grew up in a city it was what i was

37

00:04:02,070 --> 00:03:58,879

used to

38

00:04:05,670 --> 00:04:02,080

it was what i was comfortable with but

39

00:04:07,589 --> 00:04:05,680

having started a family i couldn't look

40

00:04:10,869 --> 00:04:07,599

at my children

41

00:04:14,309 --> 00:04:10,879

playing outside and

42

00:04:16,310 --> 00:04:14,319

feel good about where

43

00:04:18,390 --> 00:04:16,320

where i was living where i was raising

44

00:04:20,949 --> 00:04:18,400

them

45

00:04:22,150 --> 00:04:20,959

it just didn't feel good that i have

46

00:04:26,310 --> 00:04:22,160

these

47

00:04:29,189 --> 00:04:26,320

innocent impressionable children

48

00:04:29,749 --> 00:04:29,199

and the area where we're living is

49

00:04:33,830 --> 00:04:29,759

becoming

50

00:04:39,189 --> 00:04:37,110

so i you know i had a lot

51  
00:04:40,390 --> 00:04:39,199  
invested in our property in the city i

52  
00:04:48,390 --> 00:04:40,400  
had a big

53  
00:04:51,110 --> 00:04:48,400  
the city

54  
00:04:52,710 --> 00:04:51,120  
and a recording studio next to the house

55  
00:04:56,790 --> 00:04:52,720  
which i slowly built

56  
00:04:59,590 --> 00:04:56,800  
over time in a separate building

57  
00:05:00,310 --> 00:04:59,600  
um and a big driveway a four-car

58  
00:05:03,749 --> 00:05:00,320  
driveway

59  
00:05:07,029 --> 00:05:03,759  
yeah

60  
00:05:07,350 --> 00:05:07,039  
um so it turned out that people still

61  
00:05:11,590 --> 00:05:07,360  
saw

62  
00:05:14,629 --> 00:05:11,600  
value in that real estate uh people that

63  
00:05:16,310 --> 00:05:14,639

like me just think they're gonna live in

64

00:05:19,749 --> 00:05:16,320

the city forever

65

00:05:21,350 --> 00:05:19,759

so we sold everything and moved to the

66

00:05:26,150 --> 00:05:21,360

suburbs

67

00:05:29,590 --> 00:05:26,160

and for a time i felt better

68

00:05:32,870 --> 00:05:29,600

at my new house uh you can do

69

00:05:35,430 --> 00:05:32,880

things i could never do in the city like

70

00:05:37,350 --> 00:05:35,440

leave your car door unlocked and nobody

71

00:05:41,350 --> 00:05:37,360

would mess with your car at night

72

00:05:43,830 --> 00:05:41,360

right it's the little things that matter

73

00:05:45,749 --> 00:05:43,840

in fact i uh it didn't take long and my

74

00:05:47,189 --> 00:05:45,759

wife started to joke oh my god you're

75

00:05:50,550 --> 00:05:47,199

turning suburban because

76

00:05:53,350 --> 00:05:50,560

she had found that i left my car

77

00:05:53,909 --> 00:05:53,360

open and left my wallet and my cell

78

00:05:57,749 --> 00:05:53,919

phone

79

00:05:59,350 --> 00:05:57,759

in the passenger side seat

80

00:06:01,670 --> 00:05:59,360

this is something you could never do in

81

00:06:03,189 --> 00:06:01,680

the city even if your car was locked

82

00:06:04,070 --> 00:06:03,199

somebody would break your window and

83

00:06:07,909 --> 00:06:04,080

take that

84

00:06:11,430 --> 00:06:07,919

in a matter of hours so

85

00:06:17,189 --> 00:06:11,440

things had improved and my uneasiness

86

00:06:23,029 --> 00:06:20,390

premonition maybe that i had that things

87

00:06:24,710 --> 00:06:23,039

in the city would not be good and that i

88

00:06:27,909 --> 00:06:24,720

had to get out you know

89

00:06:31,590 --> 00:06:27,919

i strongly felt that so that

90

00:06:34,550 --> 00:06:31,600

moving gave me for a time

91

00:06:35,350 --> 00:06:34,560

a sense of peace and i became more

92

00:06:39,029 --> 00:06:35,360

relaxed

93

00:06:42,070 --> 00:06:39,039

less stressed out city stress

94

00:06:43,909 --> 00:06:42,080

is something that people that don't

95

00:06:46,309 --> 00:06:43,919

have never lived in a major city it's

96

00:06:48,950 --> 00:06:46,319

hard to even explain it but city stress

97

00:06:49,909 --> 00:06:48,960

is things like somebody parking in your

98

00:06:52,710 --> 00:06:49,919

driveway

99

00:06:53,749 --> 00:06:52,720

and blocking your car almost every day

100

00:06:55,749 --> 00:06:53,759

and you gotta go

101

00:06:58,550 --> 00:06:55,759

and find whose car is blocking your

102

00:07:00,790 --> 00:06:58,560

driveway so you can go to work that day

103

00:07:02,950 --> 00:07:00,800

and it happened all the time all the

104

00:07:06,629 --> 00:07:02,960

time this happened to me in the city

105

00:07:08,950 --> 00:07:06,639

or gee uh

106

00:07:10,230 --> 00:07:08,960

somebody broke my window to steal the

107

00:07:13,189 --> 00:07:10,240

cds i left

108

00:07:14,070 --> 00:07:13,199

on the passenger seat and now i have to

109

00:07:16,230 --> 00:07:14,080

go

110

00:07:17,510 --> 00:07:16,240

and you know spend a hundred dollars to

111

00:07:22,710 --> 00:07:17,520

get my

112

00:07:25,110 --> 00:07:22,720

window replaced these city stresses

113

00:07:26,870 --> 00:07:25,120

accumulated in me over time and there's

114

00:07:27,830 --> 00:07:26,880

so many more examples that i could give

115

00:07:30,710 --> 00:07:27,840

you from

116

00:07:32,469 --> 00:07:30,720

you know your neighbor blasting terrible

117

00:07:33,830 --> 00:07:32,479

music until three o'clock in the morning

118

00:07:35,990 --> 00:07:33,840

and by the way that's the neighbor that

119

00:07:38,469 --> 00:07:36,000

you share a wall with

120

00:07:40,469 --> 00:07:38,479

to uh one of the other things that was

121

00:07:43,749 --> 00:07:40,479

funny is that we had a neighbor

122

00:07:46,790 --> 00:07:43,759

that for years years

123

00:07:48,550 --> 00:07:46,800

there was somebody banging sawing and

124

00:07:50,230 --> 00:07:48,560

doing something i guess she was getting

125

00:07:52,070 --> 00:07:50,240

her house remodeled

126

00:07:53,510 --> 00:07:52,080

but it was only on the weekends it was

127

00:07:55,270 --> 00:07:53,520

like she hired a guy

128

00:07:57,029 --> 00:07:55,280

who was moonlighting like he worked all

129

00:07:59,430 --> 00:07:57,039

week and then he would come to her house

130

00:08:02,230 --> 00:07:59,440

and work on her house on the weekends

131

00:08:03,670 --> 00:08:02,240

so we would work all week and then

132

00:08:06,550 --> 00:08:03,680

finally it's the weekend

133

00:08:09,029 --> 00:08:06,560

maybe we can relax at home but we can't

134

00:08:13,189 --> 00:08:09,039

because they're sawing banging

135

00:08:15,189 --> 00:08:13,199

all day all night 12 hours a day

136

00:08:16,790 --> 00:08:15,199

and that was for like a year and a half

137

00:08:18,309 --> 00:08:16,800

this is the kind of city stresses that

138

00:08:19,909 --> 00:08:18,319

i'm talking about

139

00:08:22,629 --> 00:08:19,919

and a lot of this comes from everybody

140

00:08:24,790 --> 00:08:22,639

being too closely packed in together

141

00:08:26,629 --> 00:08:24,800

that's the way a city works look at new

142

00:08:28,550 --> 00:08:26,639

york it's crazy

143

00:08:30,070 --> 00:08:28,560

that you know you got a hundred story

144

00:08:33,909 --> 00:08:30,080

buildings and people are just

145

00:08:41,589 --> 00:08:37,350

uh this my friends is not

146

00:08:44,949 --> 00:08:41,599

a natural way for a human being to live

147

00:08:48,790 --> 00:08:44,959

it's just my opinion having done it

148

00:08:52,230 --> 00:08:48,800

i don't think it was natural and i was

149

00:08:54,550 --> 00:08:52,240

glad to get out of the city

150

00:08:55,430 --> 00:08:54,560

for a time i began relaxing a little

151  
00:08:58,470 --> 00:08:55,440  
more

152  
00:09:00,550 --> 00:08:58,480  
and my guard really did come down

153  
00:09:02,470 --> 00:09:00,560  
and it was amazing to me being a

154  
00:09:04,870 --> 00:09:02,480  
hardened city person who was used to

155  
00:09:05,350 --> 00:09:04,880  
arguing over things like parking spots

156  
00:09:08,150 --> 00:09:05,360  
and

157  
00:09:10,230 --> 00:09:08,160  
get out of my driveway you [\h\_\_\h] don't

158  
00:09:11,910 --> 00:09:10,240  
park there again

159  
00:09:13,269 --> 00:09:11,920  
it was interesting for me to see how

160  
00:09:16,389 --> 00:09:13,279  
quickly

161  
00:09:18,790 --> 00:09:16,399  
i became much more of a relaxed person

162  
00:09:20,630 --> 00:09:18,800  
i didn't have to nobody ever blocks my

163  
00:09:22,710 --> 00:09:20,640

driveway at my new house

164

00:09:24,150 --> 00:09:22,720

which by the way is a four-car driveway

165

00:09:27,990 --> 00:09:24,160

by chance

166

00:09:28,790 --> 00:09:28,000

uh but that's because everybody else

167

00:09:30,949 --> 00:09:28,800

around me

168

00:09:32,230 --> 00:09:30,959

has the same four-car driveway they

169

00:09:34,630 --> 00:09:32,240

don't need to

170

00:09:36,310 --> 00:09:34,640

you know park in your driveway and

171

00:09:39,829 --> 00:09:36,320

everyone is a bit more spread

172

00:09:41,430 --> 00:09:39,839

out in the suburbs so yeah i let my

173

00:09:42,949 --> 00:09:41,440

guard down

174

00:09:44,870 --> 00:09:42,959

and i started becoming more and more

175

00:09:48,230 --> 00:09:44,880

relaxed

176  
00:09:50,630 --> 00:09:48,240  
and then covet hit and my anxiety level

177  
00:09:52,710 --> 00:09:50,640  
went through the roof literally through

178  
00:09:54,949 --> 00:09:52,720  
the roof

179  
00:09:57,110 --> 00:09:54,959  
i have a son who has asthma i have some

180  
00:09:58,790 --> 00:09:57,120  
pre-existent medical conditions which

181  
00:10:01,829 --> 00:09:58,800  
cause me to uh

182  
00:10:02,870 --> 00:10:01,839  
be a high risk you know or i would be i

183  
00:10:06,630 --> 00:10:02,880  
suppose consider

184  
00:10:08,949 --> 00:10:06,640  
high risk for serious complications

185  
00:10:10,550 --> 00:10:08,959  
if i should contract this terrible

186  
00:10:12,630 --> 00:10:10,560  
covid19

187  
00:10:13,750 --> 00:10:12,640  
and plus my son has got asthma i have

188  
00:10:17,110 --> 00:10:13,760

another child

189

00:10:20,470 --> 00:10:17,120  
of course you know and uh

190

00:10:23,430 --> 00:10:20,480  
boy it it really scared me and i

191

00:10:25,030 --> 00:10:23,440  
shut myself in pretty good being

192

00:10:28,550 --> 00:10:25,040  
naturally the kind of like

193

00:10:29,190 --> 00:10:28,560  
kind of like a stay-at-home person like

194

00:10:31,030 --> 00:10:29,200  
i'm not

195

00:10:32,630 --> 00:10:31,040  
i used to when i was younger i went out

196

00:10:35,670 --> 00:10:32,640  
all the time i mean i even ran a

197

00:10:38,870 --> 00:10:35,680  
nightclub for a time

198

00:10:41,430 --> 00:10:38,880  
but now i would much prefer

199

00:10:42,470 --> 00:10:41,440  
to just stay home anyway but this cabin

200

00:10:46,710 --> 00:10:42,480  
thing forced me

201  
00:10:48,630 --> 00:10:46,720  
into just self-isolation you know

202  
00:10:50,230 --> 00:10:48,640  
i was there with my family but that was

203  
00:10:52,870 --> 00:10:50,240  
it and

204  
00:10:54,870 --> 00:10:52,880  
it's interesting how covid changed the

205  
00:10:58,230 --> 00:10:54,880  
family dynamics my

206  
00:11:00,230 --> 00:10:58,240  
my wife was incredibly close

207  
00:11:01,910 --> 00:11:00,240  
is incredibly close to her mother and

208  
00:11:05,430 --> 00:11:01,920  
her brothers and sisters

209  
00:11:08,550 --> 00:11:05,440  
for 87 days i think

210  
00:11:12,230 --> 00:11:08,560  
my wife did not visit her mother or

211  
00:11:14,630 --> 00:11:12,240  
her family at all now the only places we

212  
00:11:15,670 --> 00:11:14,640  
went or the supermarket and i went to

213  
00:11:18,230 --> 00:11:15,680

lowe's

214

00:11:19,030 --> 00:11:18,240

to get materials here for the cabin

215

00:11:24,790 --> 00:11:19,040

that's it

216

00:11:32,630 --> 00:11:29,430

and it's interesting that the

217

00:11:33,509 --> 00:11:32,640

neighborhood the neighborhood i

218

00:11:35,350 --> 00:11:33,519

mentioned

219

00:11:37,430 --> 00:11:35,360

where the crime rate started going

220

00:11:39,509 --> 00:11:37,440

through the roof and i had to get out of

221

00:11:41,509 --> 00:11:39,519

and get my family out of

222

00:11:43,030 --> 00:11:41,519

i watched on television on my birthday

223

00:11:46,630 --> 00:11:43,040

this year

224

00:11:49,269 --> 00:11:46,640

i watched my neighborhood burn

225

00:11:50,389 --> 00:11:49,279

on my birthday that was the neighborhood

226

00:11:51,190 --> 00:11:50,399

that i grew up in that was a

227

00:11:53,590 --> 00:11:51,200

neighborhood my

228

00:11:55,590 --> 00:11:53,600

my house was in that we just had just

229

00:11:57,829 --> 00:11:55,600

moved from

230

00:12:00,069 --> 00:11:57,839

and it was a sad thing to see that level

231

00:12:03,670 --> 00:12:00,079

of lawlessness

232

00:12:07,110 --> 00:12:03,680

that level of anarchy i mean people

233

00:12:09,190 --> 00:12:07,120

were literally just burning storefronts

234

00:12:10,949 --> 00:12:09,200

smashing through windows grabbing

235

00:12:13,990 --> 00:12:10,959

whatever they could

236

00:12:17,030 --> 00:12:14,000

and looting everything

237

00:12:19,269 --> 00:12:17,040

most of the stores in the area

238

00:12:20,790 --> 00:12:19,279

of that neighborhood were all looted a

239

00:12:24,389 --> 00:12:20,800

few survived

240

00:12:25,509 --> 00:12:24,399

due to private security uh with long

241

00:12:28,389 --> 00:12:25,519

guns

242

00:12:30,230 --> 00:12:28,399

like there was a few i believe target

243

00:12:33,190 --> 00:12:30,240

and a few other of the more

244

00:12:33,829 --> 00:12:33,200

target walmart uh home depot and a few

245

00:12:37,509 --> 00:12:33,839

of the other

246

00:12:39,910 --> 00:12:37,519

big box stores um

247

00:12:41,829 --> 00:12:39,920

armed security guards and a gaggle of

248

00:12:44,870 --> 00:12:41,839

them to stand in front of the building

249

00:12:45,430 --> 00:12:44,880

with guns and make sure that nobody did

250

00:12:49,110 --> 00:12:45,440

that

251  
00:12:53,509 --> 00:12:50,829  
and since i've mentioned the big box

252  
00:12:55,430 --> 00:12:53,519  
stores

253  
00:12:56,710 --> 00:12:55,440  
i just don't understand i don't

254  
00:12:58,310 --> 00:12:56,720  
understand the lockdown

255  
00:12:59,910 --> 00:12:58,320  
i don't understand the quarantine i

256  
00:13:01,590 --> 00:12:59,920  
don't understand how it's safe to go to

257  
00:13:04,870 --> 00:13:01,600  
walmart home depot

258  
00:13:07,670 --> 00:13:04,880  
or target but it's not safe to go to my

259  
00:13:11,110 --> 00:13:07,680  
local barber shop

260  
00:13:11,590 --> 00:13:11,120  
i've had coveted hair for 90 days or

261  
00:13:14,949 --> 00:13:11,600  
more

262  
00:13:19,430 --> 00:13:14,959  
right i'm cutting my own hair it's not

263  
00:13:24,949 --> 00:13:22,389

the local businesses are all being

264

00:13:27,829 --> 00:13:24,959

decimated and destroyed

265

00:13:28,870 --> 00:13:27,839

in our country right now every local

266

00:13:32,069 --> 00:13:28,880

business

267

00:13:35,590 --> 00:13:32,079

every sole propriety you know

268

00:13:38,069 --> 00:13:35,600

the small not corporately owned i mean

269

00:13:47,110 --> 00:13:41,350

mom and pop shops you know

270

00:13:47,120 --> 00:13:53,990

the captain's comic shop

271

00:14:01,189 --> 00:13:57,990

jenny's beauty salon down the street

272

00:14:04,550 --> 00:14:01,199

they just have to close for three

273

00:14:07,269 --> 00:14:04,560

four five months who knows

274

00:14:12,150 --> 00:14:07,279

and hope that they can still somehow

275

00:14:18,310 --> 00:14:15,509

but yet the big box big huge

276

00:14:21,590 --> 00:14:18,320

corporations

277

00:14:26,310 --> 00:14:21,600

for them business is booming because

278

00:14:28,069 --> 00:14:26,320

every local competition that they have

279

00:14:31,590 --> 00:14:28,079

has just been completely and totally

280

00:14:33,430 --> 00:14:31,600

stamped out by our government

281

00:14:34,949 --> 00:14:33,440

i find that more than a little bit

282

00:14:38,389 --> 00:14:34,959

suspect i find it

283

00:14:39,750 --> 00:14:38,399

more than a little bit suspect but i

284

00:14:43,030 --> 00:14:39,760

don't want to get into

285

00:14:46,150 --> 00:14:43,040

uh conspiracies

286

00:14:50,310 --> 00:14:46,160

involving our current health crisis

287

00:14:55,189 --> 00:14:50,320

it's just not a good idea to go there uh

288

00:14:57,509 --> 00:14:55,199

but here's what i'll say if the dials

289

00:15:00,150 --> 00:14:57,519

of what just happened what we all just

290

00:15:03,430 --> 00:15:00,160

went through and are still going through

291

00:15:06,230 --> 00:15:03,440

if the dials of this

292

00:15:07,189 --> 00:15:06,240

whole situation were turned just a

293

00:15:13,350 --> 00:15:07,199

little bit worse

294

00:15:17,829 --> 00:15:13,360

just a little bit we could have seen

295

00:15:20,629 --> 00:15:17,839

we could have seen massive massive

296

00:15:21,590 --> 00:15:20,639

anarchy that would make what we just

297

00:15:24,790 --> 00:15:21,600

went through

298

00:15:32,069 --> 00:15:28,949

and here's why if just a few more

299

00:15:34,069 --> 00:15:32,079

meat plants food processing plants

300

00:15:36,870 --> 00:15:34,079

had to shut down due to health concerns

301  
00:15:38,310 --> 00:15:36,880  
or due to high infection rates or due to

302  
00:15:39,910 --> 00:15:38,320  
too many people getting sick and not

303  
00:15:42,949 --> 00:15:39,920  
enough people on the line to produce

304  
00:15:49,749 --> 00:15:46,150  
what about there could be an outbreak

305  
00:15:58,230 --> 00:15:49,759  
amongst transportation workers who bring

306  
00:16:02,150 --> 00:16:00,710  
health care workers more health care

307  
00:16:04,470 --> 00:16:02,160  
workers could have gotten sick

308  
00:16:06,949 --> 00:16:04,480  
and there would be less qualified health

309  
00:16:09,590 --> 00:16:06,959  
care workers to take care of those who

310  
00:16:12,069 --> 00:16:09,600  
were going to the hospital going to

311  
00:16:16,310 --> 00:16:12,079  
emergency rooms with covert symptoms

312  
00:16:23,509 --> 00:16:20,389  
there is a smorgasbord

313  
00:16:27,670 --> 00:16:23,519

of things that could have happened if

314

00:16:31,670 --> 00:16:27,680

the situation if the dials of this

315

00:16:35,110 --> 00:16:31,680

whole event just turned a little

316

00:16:35,990 --> 00:16:35,120

worse a little bit worse right as bad as

317

00:16:40,069 --> 00:16:36,000

all this was

318

00:16:42,550 --> 00:16:40,079

it could have been much much worse

319

00:16:43,910 --> 00:16:42,560

here's the deal and people don't realize

320

00:16:48,470 --> 00:16:43,920

this

321

00:16:50,710 --> 00:16:48,480

live very comfortable lives where we can

322

00:16:54,230 --> 00:16:50,720

go to the store and buy whatever we want

323

00:16:57,350 --> 00:16:54,240

usually during the

324

00:17:00,550 --> 00:16:57,360

the crisis here the health crisis we saw

325

00:17:02,829 --> 00:17:00,560

just how fragile that system is because

326

00:17:04,870 --> 00:17:02,839

suddenly there were things like meat

327

00:17:09,189 --> 00:17:04,880

shortages

328

00:17:11,270 --> 00:17:09,199

you couldn't buy yeast anywhere anywhere

329

00:17:12,549 --> 00:17:11,280

not at walmart not your local

330

00:17:17,829 --> 00:17:12,559

supermarket

331

00:17:26,630 --> 00:17:22,789

that struck me as uh strange

332

00:17:28,870 --> 00:17:26,640

why would the major ingredient

333

00:17:30,390 --> 00:17:28,880

the one of two or three major

334

00:17:35,430 --> 00:17:30,400

ingredients to make

335

00:17:41,909 --> 00:17:38,549

and i saw other signs that i didn't like

336

00:17:45,029 --> 00:17:41,919

during this crisis which was

337

00:17:48,950 --> 00:17:45,039

walmart and home depot

338

00:17:52,390 --> 00:17:48,960

for a time in many states sectioned off

339

00:17:53,510 --> 00:17:52,400

the garden section and you were unable

340

00:17:57,270 --> 00:17:53,520

to buy

341

00:18:01,029 --> 00:17:57,280

seeds that struck me as

342

00:18:03,190 --> 00:18:01,039

more than a little strange but again

343

00:18:05,029 --> 00:18:03,200

not to go too far into any conspiracy

344

00:18:07,430 --> 00:18:05,039

theory surrounding

345

00:18:08,710 --> 00:18:07,440

current events these are just things

346

00:18:13,029 --> 00:18:08,720

that i noticed

347

00:18:16,390 --> 00:18:14,710

i mentioned that i was getting very

348

00:18:23,430 --> 00:18:16,400

comfortable

349

00:18:26,710 --> 00:18:23,440

big huge house

350

00:18:28,630 --> 00:18:26,720

nice yard suburban life

351

00:18:31,669 --> 00:18:28,640

and then this cobot thing hit and all

352

00:18:39,669 --> 00:18:35,430

signs started appearing

353

00:18:41,110 --> 00:18:39,679

to me and i became increasingly worried

354

00:18:44,230 --> 00:18:41,120

again

355

00:18:47,990 --> 00:18:44,240

that things could turn

356

00:18:54,230 --> 00:18:51,430

here's one scenario if

357

00:18:55,990 --> 00:18:54,240

if there's a food shortage there is only

358

00:18:59,430 --> 00:18:56,000

three days worth of food in

359

00:19:02,310 --> 00:18:59,440

a supermarket on average they have

360

00:19:03,029 --> 00:19:02,320

18 wheeler trucks delivering food every

361

00:19:06,150 --> 00:19:03,039

day

362

00:19:09,110 --> 00:19:06,160

to them to these supermarkets to these

363

00:19:12,950 --> 00:19:09,120

walmart super centers

364

00:19:18,789 --> 00:19:16,390

if there is a further breakdown

365

00:19:19,990 --> 00:19:18,799

in our system and we've all seen through

366

00:19:23,029 --> 00:19:20,000

this system how

367

00:19:27,190 --> 00:19:23,039

just how fragile this whole

368

00:19:29,990 --> 00:19:27,200

house of cards is if there is

369

00:19:30,549 --> 00:19:30,000

problems with either the food processing

370

00:19:33,669 --> 00:19:30,559

plants

371

00:19:34,310 --> 00:19:33,679

or the transportation companies that

372

00:19:37,669 --> 00:19:34,320

move

373

00:19:38,710 --> 00:19:37,679

all of this food that would be a huge

374

00:19:42,470 --> 00:19:38,720

problem

375

00:19:46,070 --> 00:19:42,480

did you see the lawlessness the anarchy

376

00:19:50,230 --> 00:19:46,080

and the writing and the looting

377

00:19:53,190 --> 00:19:50,240

right what if that was

378

00:19:54,870 --> 00:19:53,200

started happening because there was no

379

00:19:58,630 --> 00:19:54,880

food

380

00:20:02,630 --> 00:20:00,549

we can quickly see how that could turn

381

00:20:07,669 --> 00:20:02,640

ugly

382

00:20:11,110 --> 00:20:07,679

hunger could cause anarchy very quickly

383

00:20:14,630 --> 00:20:11,120

hunger will break down

384

00:20:18,390 --> 00:20:14,640

every societal norm

385

00:20:21,669 --> 00:20:18,400

uh every accepted

386

00:20:25,350 --> 00:20:21,679

way of behavior in our society

387

00:20:28,070 --> 00:20:25,360

is destroyed by someone

388

00:20:29,990 --> 00:20:28,080

who is very hungry who has a family that

389

00:20:36,789 --> 00:20:30,000

is very hungry

390

00:20:41,669 --> 00:20:39,830

so i began to think

391

00:20:43,830 --> 00:20:41,679

it's great to be here in the suburbs

392

00:20:46,149 --> 00:20:43,840

because if there is

393

00:20:47,190 --> 00:20:46,159

large-scale rioting and looting or food

394

00:20:49,750 --> 00:20:47,200

shortages

395

00:20:50,390 --> 00:20:49,760

the major chaos the major anarchy the

396

00:20:53,029 --> 00:20:50,400

major

397

00:20:54,390 --> 00:20:53,039

problems are going to be in the cities

398

00:20:57,350 --> 00:20:54,400

first

399

00:20:58,549 --> 00:20:57,360

that population density with only a few

400

00:21:02,310 --> 00:20:58,559

days of food for

401  
00:21:05,430 --> 00:21:02,320  
everyone in that major city could cause

402  
00:21:08,950 --> 00:21:05,440  
a tremendous problem it could erupt

403  
00:21:11,190 --> 00:21:08,960  
very easily into total chaos

404  
00:21:13,190 --> 00:21:11,200  
murder in the streets over a loaf of

405  
00:21:16,470 --> 00:21:13,200  
bread

406  
00:21:20,310 --> 00:21:16,480  
now if i sound alarmist i apologized

407  
00:21:24,470 --> 00:21:20,320  
this is after all just my thinking

408  
00:21:26,310 --> 00:21:24,480  
you may disagree and think everything

409  
00:21:27,830 --> 00:21:26,320  
you know everybody if there's a food

410  
00:21:29,990 --> 00:21:27,840  
shortage we'll just come together

411  
00:21:33,029 --> 00:21:30,000  
share food with each other and sing

412  
00:21:35,350 --> 00:21:33,039  
kumbaya around a campfire

413  
00:21:38,549 --> 00:21:35,360

i don't think that's the way humans work

414

00:21:43,909 --> 00:21:41,830

one of the other signs one of the other

415

00:21:47,430 --> 00:21:43,919

signs

416

00:21:51,510 --> 00:21:47,440

that more chaos may be on

417

00:21:53,830 --> 00:21:51,520

the way for us is

418

00:21:55,669 --> 00:21:53,840

the mass exodus right now from the

419

00:21:57,750 --> 00:21:55,679

cities

420

00:21:59,510 --> 00:21:57,760

and none of the media is really

421

00:22:02,230 --> 00:21:59,520

reporting on this

422

00:22:03,590 --> 00:22:02,240

or they're just glancing over it you

423

00:22:06,630 --> 00:22:03,600

know

424

00:22:08,630 --> 00:22:06,640

mentioning it by the way

425

00:22:09,750 --> 00:22:08,640

the upper east side of manhattan is down

426  
00:22:13,750 --> 00:22:09,760  
to 30 percent

427  
00:22:16,549 --> 00:22:13,760  
of its previous since covet started

428  
00:22:17,029 --> 00:22:16,559  
and most of those wealthy people have

429  
00:22:20,230 --> 00:22:17,039  
moved

430  
00:22:24,470 --> 00:22:20,240  
to their house in the hamptons full time

431  
00:22:28,070 --> 00:22:26,230  
is that a coincidence that people with

432  
00:22:31,590 --> 00:22:28,080  
means money and opportunity

433  
00:22:33,190 --> 00:22:31,600  
are rushing out of the cities or do they

434  
00:22:38,470 --> 00:22:33,200  
know something that us

435  
00:22:42,149 --> 00:22:41,510  
maybe more chaos is coming i hope i'm

436  
00:22:46,070 --> 00:22:42,159  
wrong

437  
00:22:49,430 --> 00:22:46,080  
but in the event that more chaos is

438  
00:22:54,149 --> 00:22:51,830

i wanted to have a clear conscience in

439

00:22:59,590 --> 00:22:54,159

knowing that i at least spoke up and

440

00:23:02,710 --> 00:22:59,600

tried to give a warning

441

00:23:06,710 --> 00:23:02,720

and if i'm wrong people can laugh at me

442

00:23:12,789 --> 00:23:09,990

i believe that some

443

00:23:14,870 --> 00:23:12,799

more chaos and chaotic events are coming

444

00:23:18,070 --> 00:23:14,880

our way

445

00:23:21,430 --> 00:23:18,080

before this [h\_\_h] show called 2020 is

446

00:23:28,310 --> 00:23:24,710

there is also more signs

447

00:23:31,590 --> 00:23:28,320

of chaos to come or at least more signs

448

00:23:36,230 --> 00:23:34,470

let's call it fear there is tremendous

449

00:23:39,510 --> 00:23:36,240

fear about future events

450

00:23:41,350 --> 00:23:39,520

in our collective consciousness right

451  
00:23:44,470 --> 00:23:41,360  
now

452  
00:23:46,710 --> 00:23:44,480  
that may be causing some of this

453  
00:23:48,390 --> 00:23:46,720  
mass exists from the cities people feel

454  
00:23:51,590 --> 00:23:48,400  
safer

455  
00:23:56,789 --> 00:23:51,600  
somewhere else off in the woods

456  
00:24:04,230 --> 00:24:00,390  
i for one am thankful to have this cabin

457  
00:24:09,909 --> 00:24:04,240  
which i built to have a place

458  
00:24:17,750 --> 00:24:15,190  
it is entirely possible

459  
00:24:18,950 --> 00:24:17,760  
that when these elections happen that

460  
00:24:22,070 --> 00:24:18,960  
neither side

461  
00:24:25,190 --> 00:24:22,080  
will accept the results

462  
00:24:29,430 --> 00:24:25,200  
if that happens we could see more mass

463  
00:24:31,190 --> 00:24:29,440

rioting looting vehicles on fire

464

00:24:34,870 --> 00:24:31,200

vehicles being flipped over

465

00:24:40,549 --> 00:24:34,880

chaos anarchy tear gas riot gear police

466

00:24:44,390 --> 00:24:43,430

if the election results either way

467

00:24:49,350 --> 00:24:44,400

either way

468

00:24:53,029 --> 00:24:49,360

if if the democrats win all these

469

00:24:55,190 --> 00:24:53,039

trump supporting people are not going to

470

00:24:56,390 --> 00:24:55,200

go away quietly they're going to claim

471

00:25:00,149 --> 00:24:56,400

election fraud

472

00:25:01,430 --> 00:25:00,159

and all kinds of things and conversely

473

00:25:03,990 --> 00:25:01,440

if trump wins

474

00:25:05,029 --> 00:25:04,000

i think it's it might be worse because

475

00:25:08,070 --> 00:25:05,039

what we're seeing

476  
00:25:11,669 --> 00:25:08,080  
from a lot of rioting and looting is

477  
00:25:13,830 --> 00:25:11,679  
really the more liberal side of people

478  
00:25:15,590 --> 00:25:13,840  
that are doing the writing the looting

479  
00:25:18,470 --> 00:25:15,600  
you know the anarchy

480  
00:25:20,789 --> 00:25:18,480  
taking over part of a city claiming it

481  
00:25:24,549 --> 00:25:20,799  
as their own

482  
00:25:26,390 --> 00:25:24,559  
we may see chaos that makes what we've

483  
00:25:30,630 --> 00:25:26,400  
just been through look like nothing

484  
00:25:33,269 --> 00:25:30,640  
and it may go on and on and on

485  
00:25:34,630 --> 00:25:33,279  
for these reasons i recommend that

486  
00:25:37,350 --> 00:25:34,640  
everyone that i know

487  
00:25:38,470 --> 00:25:37,360  
especially if you live in a major city

488  
00:25:42,149 --> 00:25:38,480

find a place

489

00:25:45,269 --> 00:25:42,159

that you can go in the event

490

00:25:47,269 --> 00:25:45,279

of turmoil in the event of

491

00:25:50,149 --> 00:25:47,279

murder in the streets and it just not

492

00:25:51,590 --> 00:25:50,159

being a safe place

493

00:25:53,669 --> 00:25:51,600

i heard from friends in my old

494

00:25:55,269 --> 00:25:53,679

neighborhood my

495

00:25:57,269 --> 00:25:55,279

neighborhood in philadelphia when that

496

00:25:58,310 --> 00:25:57,279

rioting looting and burning of buildings

497

00:26:00,310 --> 00:25:58,320

was going on

498

00:26:01,350 --> 00:26:00,320

realized that people were in their

499

00:26:04,070 --> 00:26:01,360

houses

500

00:26:05,430 --> 00:26:04,080

with all the doors locked looking out

501  
00:26:08,149 --> 00:26:05,440  
their window

502  
00:26:09,990 --> 00:26:08,159  
scared to death because there was

503  
00:26:12,070 --> 00:26:10,000  
reports on facebook

504  
00:26:13,190 --> 00:26:12,080  
that okay we've cleaned out all the

505  
00:26:15,110 --> 00:26:13,200  
stores

506  
00:26:17,190 --> 00:26:15,120  
now let's go get these people's houses

507  
00:26:18,630 --> 00:26:17,200  
next they all got money and big screen

508  
00:26:20,549 --> 00:26:18,640  
tvs

509  
00:26:21,830 --> 00:26:20,559  
just regular working people neighborhood

510  
00:26:22,789 --> 00:26:21,840  
but this is what people were saying on

511  
00:26:26,149 --> 00:26:22,799  
facebook and

512  
00:26:27,590 --> 00:26:26,159  
i know neighbors and friends family who

513  
00:26:29,430 --> 00:26:27,600

were in their houses

514

00:26:30,630 --> 00:26:29,440

terrified hearing these reports on

515

00:26:32,870 --> 00:26:30,640

facebook

516

00:26:34,710 --> 00:26:32,880

people were posting we've got the stores

517

00:26:37,269 --> 00:26:34,720

let's get in their homes next and take

518

00:26:40,549 --> 00:26:39,909

didn't happen uh a few break-ins were

519

00:26:44,149 --> 00:26:40,559

attempted

520

00:26:47,190 --> 00:26:44,159

and thwarted but it could have

521

00:26:49,430 --> 00:26:47,200

easily spread to people's houses

522

00:26:50,710 --> 00:26:49,440

so if you live in the city i would

523

00:26:54,070 --> 00:26:50,720

suggest that you find

524

00:26:54,950 --> 00:26:54,080

an alternate location prepper people

525

00:26:58,149 --> 00:26:54,960

call it a bug

526

00:27:00,070 --> 00:26:58,159

out location i'm i'm not believe it or

527

00:27:01,990 --> 00:27:00,080

not i don't consider myself a prepper

528

00:27:03,830 --> 00:27:02,000

or anything like that i'm just concerned

529

00:27:04,950 --> 00:27:03,840

with current events and want to keep my

530

00:27:07,269 --> 00:27:04,960

family safe

531

00:27:08,710 --> 00:27:07,279

and make sure they will be fed and

532

00:27:11,990 --> 00:27:08,720

secure

533

00:27:14,310 --> 00:27:12,000

no matter what comes next um but

534

00:27:15,029 --> 00:27:14,320

yeah it's commonly called a bug out

535

00:27:17,990 --> 00:27:15,039

location

536

00:27:18,630 --> 00:27:18,000

ours is here we have this really nice

537

00:27:24,310 --> 00:27:18,640

cabin

538

00:27:27,830 --> 00:27:26,470

just with you know local materials it's

539

00:27:30,549 --> 00:27:27,840

all this is

540

00:27:31,350 --> 00:27:30,559

all heated by wood this cabin so we have

541

00:27:34,950 --> 00:27:31,360

a wood stove

542

00:27:39,350 --> 00:27:34,960

over here

543

00:27:46,230 --> 00:27:43,669

i'm not sure what i can tell you

544

00:27:47,669 --> 00:27:46,240

if you don't have a place a safe place

545

00:27:49,590 --> 00:27:47,679

off in the country somewhere

546

00:27:50,950 --> 00:27:49,600

out of the city and even out of the

547

00:27:53,669 --> 00:27:50,960

suburbs you know

548

00:27:55,269 --> 00:27:53,679

i'm living in the suburbs now but also i

549

00:27:56,870 --> 00:27:55,279

was talking about the lawlessness in the

550

00:28:00,070 --> 00:27:56,880

cities

551

00:28:03,669 --> 00:28:00,080

if if it if it pops off really badly

552

00:28:05,830 --> 00:28:03,679

in the cities they're going to come to

553

00:28:06,230 --> 00:28:05,840

the suburbs next we saw a little bit of

554

00:28:08,630 --> 00:28:06,240

that

555

00:28:10,470 --> 00:28:08,640

in my area because some of these groups

556

00:28:12,149 --> 00:28:10,480

that had raided and looted

557

00:28:14,149 --> 00:28:12,159

the stores and some of the stores in

558

00:28:16,470 --> 00:28:14,159

philadelphia were planning

559

00:28:19,110 --> 00:28:16,480

protests in our local area and things

560

00:28:19,120 --> 00:28:22,310

but long story short

561

00:28:26,310 --> 00:28:23,909

the people in that area were going to

562

00:28:28,230 --> 00:28:26,320

stand there with guns and not allow any

563

00:28:31,510 --> 00:28:28,240

damage to come to the stores

564

00:28:34,070 --> 00:28:31,520

suddenly the protests were cancelled

565

00:28:34,710 --> 00:28:34,080

and there was chatter on social media

566

00:28:35,909 --> 00:28:34,720

like

567

00:28:37,830 --> 00:28:35,919

they're not going to let us loot up

568

00:28:41,430 --> 00:28:37,840

there which i found

569

00:28:41,909 --> 00:28:41,440

i found very interesting so but my point

570

00:28:44,070 --> 00:28:41,919

is

571

00:28:45,110 --> 00:28:44,080

if things pop off and get terrible in

572

00:28:46,870 --> 00:28:45,120

the cities

573

00:28:48,549 --> 00:28:46,880

it's gonna spill over right into the

574

00:28:50,549 --> 00:28:48,559

suburbs next they're gonna loot

575

00:28:53,029 --> 00:28:50,559

all of the stores in the city where

576

00:28:54,630 --> 00:28:53,039

there's nothing left to gain in the city

577

00:28:55,430 --> 00:28:54,640

or if there's a food shortage people

578

00:28:57,190 --> 00:28:55,440

will lose

579

00:28:58,630 --> 00:28:57,200

every place that has food in the city

580

00:28:59,909 --> 00:28:58,640

and once that runs out

581

00:29:02,389 --> 00:28:59,919

they're going to start going over the

582

00:29:05,990 --> 00:29:02,399

suburbs rooting

583

00:29:07,909 --> 00:29:06,000

looting stealing and it may not just be

584

00:29:11,029 --> 00:29:07,919

businesses they may be going house to

585

00:29:13,750 --> 00:29:11,039

house for all we know that could happen

586

00:29:14,389 --> 00:29:13,760

for this reason i think the safest place

587

00:29:17,750 --> 00:29:14,399

to be

588

00:29:20,230 --> 00:29:17,760

in the event of large-scale turmoil

589

00:29:20,950 --> 00:29:20,240

going forward is someplace out in the

590

00:29:23,990 --> 00:29:20,960

mountains

591

00:29:24,389 --> 00:29:24,000

out in the woods out in the country out

592

00:29:27,190 --> 00:29:24,399

in

593

00:29:28,950 --> 00:29:27,200

you know the farm area of your state

594

00:29:31,590 --> 00:29:28,960

wherever that would be

595

00:29:33,029 --> 00:29:31,600

because people will be so far spread out

596

00:29:34,310 --> 00:29:33,039

it will be difficult

597

00:29:37,510 --> 00:29:34,320

it's going to be very difficult for

598

00:29:39,990 --> 00:29:37,520

anybody to get to you from a major city

599

00:29:43,029 --> 00:29:40,000

first of all or from the suburbs even

600

00:29:46,149 --> 00:29:43,039

at least in our situation here it is

601  
00:29:50,310 --> 00:29:46,159  
so i have a safe place to go

602  
00:29:53,590 --> 00:29:52,630  
i for one am glad that i have one and i

603  
00:29:56,870 --> 00:29:53,600  
hope that you do

604  
00:30:01,830 --> 00:29:59,590  
some things that you should have light

605  
00:30:05,190 --> 00:30:01,840  
sources

606  
00:30:08,470 --> 00:30:05,200  
we have uh oil lamps here

607  
00:30:10,950 --> 00:30:08,480  
in the event of power failure we have a

608  
00:30:12,710 --> 00:30:10,960  
small solar system that i've been

609  
00:30:14,789 --> 00:30:12,720  
experimenting with that we could use in

610  
00:30:18,549 --> 00:30:14,799  
the event of a power failure

611  
00:30:22,070 --> 00:30:18,559  
we have uh and that has 12 volt lights

612  
00:30:26,310 --> 00:30:22,080  
this cabin is wired for 12 volts and 120

613  
00:30:29,590 --> 00:30:26,320

volts so we have uh you know i can

614

00:30:31,350 --> 00:30:29,600

i can hook a car battery up to the

615

00:30:33,590 --> 00:30:31,360

lighting system in here and run the

616

00:30:35,669 --> 00:30:33,600

lights for days

617

00:30:37,750 --> 00:30:35,679

they're very energy efficient but you

618

00:30:41,909 --> 00:30:37,760

should have candles you should have

619

00:30:43,190 --> 00:30:41,919

some oil lamps we have those here um

620

00:30:46,789 --> 00:30:43,200

you should have electric lights

621

00:30:48,630 --> 00:30:46,799

flashlights you're going to need light

622

00:30:49,830 --> 00:30:48,640

you oh you're always going to need light

623

00:30:51,830 --> 00:30:49,840

make sure you have plenty of light

624

00:30:53,110 --> 00:30:51,840

source the secondary thing that i think

625

00:30:55,110 --> 00:30:53,120

is most important is

626

00:30:56,950 --> 00:30:55,120

a heat source especially if you live in

627

00:30:58,470 --> 00:30:56,960

a climate where it gets cold

628

00:30:59,990 --> 00:30:58,480

we have plenty of heat sources here in

629

00:31:03,190 --> 00:31:00,000

the form of wood burning stoves

630

00:31:04,070 --> 00:31:03,200

i highly recommend them because they're

631

00:31:08,310 --> 00:31:04,080

so versatile

632

00:31:10,470 --> 00:31:08,320

they're so easy to use and easy to

633

00:31:11,669 --> 00:31:10,480

fuel if especially if you're anywhere

634

00:31:13,990 --> 00:31:11,679

near the woods

635

00:31:14,950 --> 00:31:14,000

and i am there's there's just wood

636

00:31:17,430 --> 00:31:14,960

everywhere

637

00:31:18,789 --> 00:31:17,440

you'll never be cold well you might be

638

00:31:19,430 --> 00:31:18,799

cold if you run out of firewood and

639

00:31:21,990 --> 00:31:19,440

you're outside

640

00:31:22,710 --> 00:31:22,000

chopping wood like i was this winter but

641

00:31:25,269 --> 00:31:22,720

you know

642

00:31:26,310 --> 00:31:25,279

my point is you have a good a good way

643

00:31:35,590 --> 00:31:26,320

to keep your family

644

00:31:37,110 --> 00:31:35,600

and i think it really

645

00:31:38,630 --> 00:31:37,120

i always feel like it is a man's

646

00:31:41,350 --> 00:31:38,640

responsibility to make sure

647

00:31:42,470 --> 00:31:41,360

that everybody's warm and and uh and

648

00:31:45,590 --> 00:31:42,480

safe

649

00:31:47,350 --> 00:31:45,600

and so i for one i love wood stoves they

650

00:31:49,350 --> 00:31:47,360

give me a comforting feeling

651  
00:31:51,110 --> 00:31:49,360  
you know and they and they make me feel

652  
00:31:54,149 --> 00:31:51,120  
like a good provider

653  
00:31:56,630 --> 00:31:54,159  
at home we have a wood stove in the

654  
00:31:58,310 --> 00:31:56,640  
fireplace a wood stove with a blower

655  
00:31:59,990 --> 00:31:58,320  
and you know the whole family comes and

656  
00:32:02,310 --> 00:32:00,000  
we gather around the fire and sit

657  
00:32:04,549 --> 00:32:02,320  
there and it's in the middle cold

658  
00:32:06,870 --> 00:32:04,559  
freezing winter it's awesome

659  
00:32:09,590 --> 00:32:06,880  
and it makes me feel good that i can

660  
00:32:11,909 --> 00:32:09,600  
keep my family warm and safe

661  
00:32:12,789 --> 00:32:11,919  
and uh just something i wanted to share

662  
00:32:15,669 --> 00:32:12,799  
wood stove is an

663  
00:32:18,070 --> 00:32:15,679

absolute necessity in the event of the

664

00:32:21,350 --> 00:32:18,080

apocalypse you're gonna want one

665

00:32:21,909 --> 00:32:21,360

and you can get a very cheap one and uh

666

00:32:25,750 --> 00:32:21,919

yeah

667

00:32:27,990 --> 00:32:25,760

they're the range anywhere from you know

668

00:32:29,509 --> 00:32:28,000

a hundred dollars to like thousands of

669

00:32:33,509 --> 00:32:29,519

dollars

670

00:32:36,710 --> 00:32:33,519

um you're gonna want

671

00:32:38,389 --> 00:32:36,720

stored food i would recommend that you

672

00:32:41,990 --> 00:32:38,399

have six months of food

673

00:32:44,630 --> 00:32:42,000

available to you and buy storable

674

00:32:45,509 --> 00:32:44,640

food i don't mean you know fresh meat

675

00:32:47,509 --> 00:32:45,519

and produce

676  
00:32:50,070 --> 00:32:47,519  
that's not going to help you in a

677  
00:32:52,789 --> 00:32:50,080  
long-term situation i mean things like

678  
00:32:53,990 --> 00:32:52,799  
50-pound bags of rice 50-pound bags of

679  
00:32:57,590 --> 00:32:54,000  
beans

680  
00:32:59,830 --> 00:32:57,600  
50-pound bags of flour bulk items

681  
00:33:01,509 --> 00:32:59,840  
that you can use to survive in the event

682  
00:33:03,669 --> 00:33:01,519  
of a food shortage or

683  
00:33:04,950 --> 00:33:03,679  
something else you're going to need a

684  
00:33:09,029 --> 00:33:04,960  
water source

685  
00:33:11,990 --> 00:33:09,039  
i'm very fortunate in that we have a

686  
00:33:12,710 --> 00:33:12,000  
community well here which is clean and

687  
00:33:16,710 --> 00:33:12,720  
tested

688  
00:33:19,830 --> 00:33:16,720

and safe clean drinking water

689

00:33:21,830 --> 00:33:19,840

um failing that i have several

690

00:33:23,350 --> 00:33:21,840

neighbors here who have their own wells

691

00:33:25,509 --> 00:33:23,360

on their property

692

00:33:27,350 --> 00:33:25,519

and i know them well enough to know that

693

00:33:29,830 --> 00:33:27,360

if my family was here and

694

00:33:30,549 --> 00:33:29,840

you know it was like a [h\_\_h] hit the fan

695

00:33:32,789 --> 00:33:30,559

and i'm

696

00:33:33,909 --> 00:33:32,799

now living here with my family they they

697

00:33:36,549 --> 00:33:33,919

would help me and

698

00:33:38,389 --> 00:33:36,559

help me to get water besides that we

699

00:33:39,830 --> 00:33:38,399

have several water filtration systems

700

00:33:43,990 --> 00:33:39,840

here i could go

701  
00:33:47,029 --> 00:33:44,000  
literally get water from a puddle of mud

702  
00:33:50,389 --> 00:33:47,039  
and it would be filtered down to

703  
00:33:52,149 --> 00:33:50,399  
safe clean drinking water i recommend a

704  
00:33:55,269 --> 00:33:52,159  
berkey filter

705  
00:33:56,310 --> 00:33:55,279  
so these are some things that you're

706  
00:33:59,029 --> 00:33:56,320  
going to need

707  
00:34:01,190 --> 00:33:59,039  
now once the bare necessities of life in

708  
00:34:04,389 --> 00:34:01,200  
your apocalypse cabin are handled

709  
00:34:05,509 --> 00:34:04,399  
like light source a heat source a food

710  
00:34:10,149 --> 00:34:05,519  
source

711  
00:34:11,109 --> 00:34:10,159  
also be good but i mentioned i have they

712  
00:34:14,149 --> 00:34:11,119  
sell very small

713  
00:34:15,109 --> 00:34:14,159

solar power setups um some of them are

714

00:34:17,190 --> 00:34:15,119

called like solar

715

00:34:19,030 --> 00:34:17,200

generator or portable solar generator

716

00:34:22,230 --> 00:34:19,040

and they'll come with a solar panel

717

00:34:24,230 --> 00:34:22,240

and a box with the battery in it and

718

00:34:26,149 --> 00:34:24,240

inverter so you can plug in like a

719

00:34:29,270 --> 00:34:26,159

laptop or small

720

00:34:31,990 --> 00:34:29,280

low wattage devices

721

00:34:35,750 --> 00:34:32,000

we have a big inverter here than these

722

00:34:38,550 --> 00:34:35,760

huge golf cart batteries

723

00:34:39,589 --> 00:34:38,560

so power is good to have so that you can

724

00:34:44,230 --> 00:34:39,599

still maintain

725

00:34:46,550 --> 00:34:44,240

some level of sanity you know

726  
00:34:48,389 --> 00:34:46,560  
maybe doing things like watching movies

727  
00:34:52,389 --> 00:34:48,399  
once in a while

728  
00:34:54,389 --> 00:34:52,399  
would be good and you never know

729  
00:34:55,430 --> 00:34:54,399  
if there's a big societal breakdown what

730  
00:34:57,109 --> 00:34:55,440  
could happen

731  
00:34:59,589 --> 00:34:57,119  
there could be no internet there could

732  
00:35:02,870 --> 00:34:59,599  
be no power there could be no

733  
00:35:06,550 --> 00:35:02,880  
public utilities water sewer

734  
00:35:09,270 --> 00:35:06,560  
here we have a composting toilet

735  
00:35:10,950 --> 00:35:09,280  
which sounds strange but it's much

736  
00:35:11,910 --> 00:35:10,960  
better than any other system that i have

737  
00:35:15,349 --> 00:35:11,920  
found

738  
00:35:17,829 --> 00:35:15,359

for sort of off-grid living

739

00:35:19,670 --> 00:35:17,839

it's a strange thing it separates one

740

00:35:22,150 --> 00:35:19,680

and two

741

00:35:23,670 --> 00:35:22,160

you get a tank for one and then two goes

742

00:35:26,790 --> 00:35:23,680

into this big drum

743

00:35:30,790 --> 00:35:26,800

which gets spun with cedar shady cedar

744

00:35:33,510 --> 00:35:30,800

shavings and uh yeah and eventually

745

00:35:34,630 --> 00:35:33,520

the one just breaks down into dirt just

746

00:35:37,670 --> 00:35:34,640

dirt

747

00:35:40,790 --> 00:35:37,680

uh or compost

748

00:35:42,870 --> 00:35:40,800

so that's a way of managing that but

749

00:35:43,589 --> 00:35:42,880

what i'm saying is after the necessities

750

00:35:44,870 --> 00:35:43,599

are handled

751  
00:35:47,829 --> 00:35:44,880  
for everything that you're going to need

752  
00:35:51,430 --> 00:35:47,839  
i highly recommend that you have a big

753  
00:35:54,870 --> 00:35:51,440  
huge bookshelf full of books

754  
00:35:57,349 --> 00:35:54,880  
in the event that there's a

755  
00:35:59,349 --> 00:35:57,359  
major breakdown of things you're going

756  
00:36:02,310 --> 00:35:59,359  
to be bored of [h\_\_h]

757  
00:36:03,589 --> 00:36:02,320  
you're going to need something to do

758  
00:36:06,390 --> 00:36:03,599  
you're going to want

759  
00:36:07,510 --> 00:36:06,400  
some form of entertainment too and i for

760  
00:36:10,069 --> 00:36:07,520  
one think books

761  
00:36:12,470 --> 00:36:10,079  
can me i could stay busy with a huge

762  
00:36:14,790 --> 00:36:12,480  
bookshelf full of books for

763  
00:36:16,150 --> 00:36:14,800

for as long as it took me to read them

764

00:36:18,310 --> 00:36:16,160

all you know

765

00:36:20,150 --> 00:36:18,320

so i have a big bookshelf full of books

766

00:36:21,030 --> 00:36:20,160

i mentioned watching movies once in a

767

00:36:22,790 --> 00:36:21,040

while

768

00:36:25,349 --> 00:36:22,800

i think the cabin here is a good place

769

00:36:27,270 --> 00:36:25,359

to go store old physical medium

770

00:36:29,270 --> 00:36:27,280

none of us need physical medium anymore

771

00:36:30,150 --> 00:36:29,280

right you don't need cds you don't need

772

00:36:32,630 --> 00:36:30,160

dvds

773

00:36:34,310 --> 00:36:32,640

everything is streaming now but those

774

00:36:36,630 --> 00:36:34,320

old things may come in handy

775

00:36:38,230 --> 00:36:36,640

in the event of a terrible situation

776

00:36:40,550 --> 00:36:38,240

like a societal breakdown

777

00:36:42,310 --> 00:36:40,560

and and the apocalypse happening you're

778

00:36:43,589 --> 00:36:42,320

going to want to watch a movie once in a

779

00:36:45,750 --> 00:36:43,599

while you're going to want to listen to

780

00:36:48,710 --> 00:36:45,760

some music

781

00:36:49,750 --> 00:36:48,720

radio may no longer function but one of

782

00:36:52,950 --> 00:36:49,760

the things that i recommend

783

00:36:55,670 --> 00:36:52,960

is a good radio

784

00:36:57,990 --> 00:36:55,680

radio should stay on i guess if the

785

00:36:59,589 --> 00:36:58,000

power stays on

786

00:37:01,270 --> 00:36:59,599

there would be at least some radio

787

00:37:03,270 --> 00:37:01,280

station still operating

788

00:37:04,790 --> 00:37:03,280

but you can't depend on that anything

789

00:37:08,069 --> 00:37:04,800

could happen so i would have

790

00:37:12,230 --> 00:37:08,079

cds records tapes whatever you want and

791

00:37:16,470 --> 00:37:13,430

i'm trying to think of a few other

792

00:37:18,150 --> 00:37:16,480

things i would recommend uh

793

00:37:19,829 --> 00:37:18,160

i can't really think off the top of my

794

00:37:21,670 --> 00:37:19,839

head oh you're gonna have to

795

00:37:23,589 --> 00:37:21,680

have plenty of sources for fire you're

796

00:37:26,870 --> 00:37:23,599

going to need fire in your life

797

00:37:28,069 --> 00:37:26,880

we're going to all if this things go the

798

00:37:30,470 --> 00:37:28,079

way that i think

799

00:37:31,910 --> 00:37:30,480

we're all going to have to learn to

800

00:37:34,150 --> 00:37:31,920

become better friends with this thing

801  
00:37:36,310 --> 00:37:34,160  
called fire

802  
00:37:37,270 --> 00:37:36,320  
you're going to need to start fires cook

803  
00:37:40,390 --> 00:37:37,280  
on fires

804  
00:37:42,230 --> 00:37:40,400  
uh yeah so make sure that you have an

805  
00:37:46,870 --> 00:37:42,240  
ample supply of matches

806  
00:37:49,829 --> 00:37:46,880  
lighters barbecue grill lighters

807  
00:37:51,589 --> 00:37:49,839  
propane is another big deal if you can

808  
00:37:54,310 --> 00:37:51,599  
get a propane burner and

809  
00:37:57,270 --> 00:37:54,320  
some of those propane tanks that may

810  
00:38:00,950 --> 00:37:58,870  
but i recommend that you learn to cook

811  
00:38:02,630 --> 00:38:00,960  
on a wood fire because

812  
00:38:04,470 --> 00:38:02,640  
propane is going to run out and you're

813  
00:38:06,390 --> 00:38:04,480

not going to be able to use propane

814

00:38:07,750 --> 00:38:06,400

but propane can also come in handy as a

815

00:38:10,630 --> 00:38:07,760

backup heat source

816

00:38:11,430 --> 00:38:10,640

we have a propane fireplace here and i

817

00:38:13,190 --> 00:38:11,440

have a big

818

00:38:16,790 --> 00:38:13,200

big tank outside for the propane

819

00:38:20,069 --> 00:38:18,950

that is really just for backup for me if

820

00:38:24,069 --> 00:38:20,079

i come here

821

00:38:25,910 --> 00:38:24,079

and let's say i mean let's say a storm

822

00:38:27,510 --> 00:38:25,920

knocks the stove pipe down and i can't

823

00:38:29,349 --> 00:38:27,520

use the wood stove then i have the

824

00:38:31,990 --> 00:38:29,359

propane stove for backup until we can

825

00:38:33,430 --> 00:38:32,000

fix that or get it working or but

826

00:38:35,109 --> 00:38:33,440

generally we don't have any problems

827

00:38:37,589 --> 00:38:35,119

it's also good

828

00:38:39,190 --> 00:38:37,599

the propane the propane fireplace that

829

00:38:41,750 --> 00:38:39,200

we have

830

00:38:43,670 --> 00:38:41,760

excuse me friends is also good because

831

00:38:45,670 --> 00:38:43,680

if i come here and it's freezing cold

832

00:38:47,349 --> 00:38:45,680

the wood stove takes an hour or two to

833

00:38:49,349 --> 00:38:47,359

heat this place up

834

00:38:51,109 --> 00:38:49,359

if it's especially if it's 10 outside it

835

00:38:54,870 --> 00:38:51,119

might take three four hours so

836

00:38:57,510 --> 00:38:54,880

the propane fireplace boom instant warm

837

00:38:58,829 --> 00:38:57,520

i would recommend some kind of propane

838

00:39:00,470 --> 00:38:58,839

heater there's something called a little

839

00:39:03,670 --> 00:39:00,480

buddy

840

00:39:07,030 --> 00:39:03,680

that's good but again wood fire

841

00:39:11,109 --> 00:39:07,040

is much better to cook on wood

842

00:39:13,510 --> 00:39:11,119

wood heat source is much more dependable

843

00:39:14,550 --> 00:39:13,520

in a bad situation because you can

844

00:39:18,230 --> 00:39:14,560

always find wood

845

00:39:19,990 --> 00:39:18,240

you may not be able to find propane if

846

00:39:23,829 --> 00:39:20,000

the worst happens all the stores will be

847

00:39:31,990 --> 00:39:28,550

so friends am i

848

00:39:35,910 --> 00:39:32,000

just uh a little paranoid

849

00:39:38,950 --> 00:39:35,920

you know i used to have a friend who uh

850

00:39:40,069 --> 00:39:38,960

he smoked a lot and uh one of our mutual

851

00:39:42,870 --> 00:39:40,079

friends

852

00:39:44,150 --> 00:39:42,880

and i were with him and and my mutual

853

00:39:45,910 --> 00:39:44,160

friend said to him you know you're

854

00:39:47,990 --> 00:39:45,920

really really paranoid

855

00:39:49,030 --> 00:39:48,000

and he said but that's okay bro cause

856

00:39:51,910 --> 00:39:49,040

paranoia

857

00:39:53,109 --> 00:39:51,920

is just heightened awareness and that

858

00:39:55,349 --> 00:39:53,119

always stuck with me

859

00:39:57,030 --> 00:39:55,359

when i think am i being paranoid about

860

00:40:00,710 --> 00:39:57,040

this or

861

00:40:03,349 --> 00:40:00,720

perhaps is my awareness just heightened

862

00:40:04,390 --> 00:40:03,359

maybe i'm just on edge and i'm fearing

863

00:40:07,430 --> 00:40:04,400

the worst

864

00:40:09,109 --> 00:40:07,440

having been through this [\h\_\_\h] storm so

865

00:40:12,710 --> 00:40:09,119

far

866

00:40:14,230 --> 00:40:12,720

things it's it seemed for a while like

867

00:40:16,630 --> 00:40:14,240

all right things are getting better i'm

868

00:40:17,510 --> 00:40:16,640

gonna open it up this quarantines are

869

00:40:19,750 --> 00:40:17,520

gonna be over

870

00:40:21,589 --> 00:40:19,760

oh [\h\_\_\h] now they're closing everything

871

00:40:24,230 --> 00:40:21,599

back down because they're spiking

872

00:40:25,190 --> 00:40:24,240

spikes and cases and now and there's

873

00:40:26,790 --> 00:40:25,200

other signs

874

00:40:28,390 --> 00:40:26,800

friends that things are going to get

875

00:40:31,910 --> 00:40:28,400

crazy

876

00:40:35,430 --> 00:40:31,920

i just read that a mayor

877

00:40:35,990 --> 00:40:35,440

isn't a mayor in california is arresting

878

00:40:39,910 --> 00:40:36,000

people

879

00:40:43,270 --> 00:40:39,920

for having gatherings at their houses

880

00:40:45,470 --> 00:40:43,280

that's crazy and we've seen a lot more

881

00:40:47,829 --> 00:40:45,480

examples of this kind of strange

882

00:40:51,030 --> 00:40:47,839

authoritarianism

883

00:40:52,470 --> 00:40:51,040

do do does anybody naive enough to think

884

00:40:54,390 --> 00:40:52,480

they're just going to give all this

885

00:40:57,430 --> 00:40:54,400

power back

886

00:40:58,870 --> 00:40:57,440

after this vaccine i guess is developed

887

00:41:02,630 --> 00:40:58,880

and available

888

00:41:07,750 --> 00:41:02,640

or are we heading towards

889

00:41:11,510 --> 00:41:07,760

literally a georgia or you know 1984

890

00:41:15,349 --> 00:41:14,230

i'd like to think that i'm not crazy i'd

891

00:41:16,870 --> 00:41:15,359

like to think

892

00:41:18,390 --> 00:41:16,880

maybe i'm being a little paranoid but

893

00:41:22,069 --> 00:41:18,400

it's best to plan ahead

894

00:41:24,870 --> 00:41:22,079

it's best to do the things

895

00:41:26,630 --> 00:41:24,880

i need to do to take care of my family

896

00:41:30,710 --> 00:41:26,640

to be sure that my children

897

00:41:34,069 --> 00:41:30,720

and my wife will be safe in the event of

898

00:41:36,470 --> 00:41:34,079

a societal breakdown that i feel may be

899

00:41:38,630 --> 00:41:36,480

coming one other thing that i'd just

900

00:41:41,670 --> 00:41:38,640

like to mention is that there

901  
00:41:43,910 --> 00:41:41,680  
i do check in with some like prepper

902  
00:41:45,990 --> 00:41:43,920  
youtube channels because they are

903  
00:41:49,190 --> 00:41:46,000  
interested in some of the

904  
00:41:49,589 --> 00:41:49,200  
you know camping gear and same things

905  
00:41:54,150 --> 00:41:49,599  
that i

906  
00:41:59,750 --> 00:41:57,349  
i have seen uh

907  
00:42:01,430 --> 00:41:59,760  
a great deal of concern among these

908  
00:42:03,670 --> 00:42:01,440  
prepper people that something

909  
00:42:04,710 --> 00:42:03,680  
big is coming and maybe that has

910  
00:42:06,790 --> 00:42:04,720  
influenced me

911  
00:42:08,790 --> 00:42:06,800  
and created more fear in me that i

912  
00:42:11,349 --> 00:42:08,800  
better make sure the cabin's well

913  
00:42:16,790 --> 00:42:11,359

stocked up just in case

914

00:42:18,470 --> 00:42:16,800

and so here i am at the apocalypse cabin

915

00:42:21,030 --> 00:42:18,480

today i'm supposed to be doing some work

916

00:42:23,750 --> 00:42:21,040

outside but it rained on and off all day

917

00:42:27,990 --> 00:42:23,760

so i did some other things inside the

918

00:42:34,870 --> 00:42:32,390

i can tell you that maybe just maybe

919

00:42:35,670 --> 00:42:34,880

having this cabin gives me a form of

920

00:42:38,790 --> 00:42:35,680

comfort

921

00:42:41,829 --> 00:42:38,800

as a man because i know

922

00:42:42,630 --> 00:42:41,839

if the worst ever comes i can bring my

923

00:42:45,750 --> 00:42:42,640

family here and

924

00:42:47,670 --> 00:42:45,760

they'll be safe and

925

00:42:49,030 --> 00:42:47,680

there's plenty of protein walking around

926  
00:42:51,430 --> 00:42:49,040  
here in these woods

927  
00:42:53,190 --> 00:42:51,440  
around the cabin my family would not be

928  
00:42:57,430 --> 00:42:53,200  
hungry

929  
00:43:00,550 --> 00:42:57,440  
no matter what comes i would see to that

930  
00:43:01,589 --> 00:43:00,560  
so maybe it just gives me comfort to

931  
00:43:06,390 --> 00:43:01,599  
have the cabin

932  
00:43:09,829 --> 00:43:06,400  
just in case you know a wiser man

933  
00:43:15,190 --> 00:43:13,349  
now what's gonna say is i i just

934  
00:43:17,190 --> 00:43:15,200  
don't want to feel paranoid but i feel

935  
00:43:19,430 --> 00:43:17,200  
like i have been seeing these warning

936  
00:43:24,309 --> 00:43:19,440  
signs for some time

937  
00:43:25,589 --> 00:43:24,319  
and feeling like i better react to those

938  
00:43:27,349 --> 00:43:25,599

warning signs

939

00:43:28,950 --> 00:43:27,359

because how am i going to feel as a

940

00:43:32,390 --> 00:43:28,960

father and as a man if i

941

00:43:34,630 --> 00:43:32,400

don't do something now seeing warning

942

00:43:38,150 --> 00:43:34,640

signs left and right

943

00:43:43,670 --> 00:43:40,870

for ignoring those warning signs if they

944

00:43:47,910 --> 00:43:43,680

are indeed warning signs

945

00:43:50,790 --> 00:43:47,920

and a wiser man than me trent rezner

946

00:43:52,069 --> 00:43:50,800

once said in a song some say it was a

947

00:43:54,950 --> 00:43:52,079

warning

948

00:43:56,069 --> 00:43:54,960

some say it was a sign but it was up to

949

00:44:00,390 --> 00:43:56,079

us

950

00:44:03,670 --> 00:44:02,550

and with that friends i will turn my

951  
00:44:07,670 --> 00:44:03,680  
full attention to

952  
00:44:12,069 --> 00:44:10,470  
and i'm sorry if this i'm sorry if this

953  
00:44:15,109 --> 00:44:12,079  
whole thing comes off as one big

954  
00:44:17,190 --> 00:44:15,119  
downer but here's the deal and and

955  
00:44:18,309 --> 00:44:17,200  
i feel this way very strongly honest to

956  
00:44:23,030 --> 00:44:18,319  
god

957  
00:44:25,270 --> 00:44:23,040  
if something bad happens

958  
00:44:26,870 --> 00:44:25,280  
if there is a major event societal

959  
00:44:29,670 --> 00:44:26,880  
breakdown

960  
00:44:30,870 --> 00:44:29,680  
anything like that happens i would have

961  
00:44:34,870 --> 00:44:30,880  
a clear conscience

962  
00:44:38,069 --> 00:44:34,880  
and say i i put my thoughts out there

963  
00:44:40,710 --> 00:44:38,079

and i i think that people should prepare

964

00:44:42,470 --> 00:44:40,720

just in case and you know what can't

965

00:44:43,030 --> 00:44:42,480

hurt to have those things around that i

966

00:44:45,109 --> 00:44:43,040

mentioned

967

00:44:46,710 --> 00:44:45,119

right if if you're going to stay in

968

00:44:49,270 --> 00:44:46,720

place where you're at you should have

969

00:44:52,470 --> 00:44:49,280

some of those things

970

00:44:55,589 --> 00:44:52,480

so uh

971

00:44:58,630 --> 00:44:55,599

you know it's good to have those things

972

00:45:00,950 --> 00:44:58,640

and i'll feel good later knowing that i

973

00:45:03,190 --> 00:45:00,960

maybe opened some people's eyes and got

974

00:45:12,790 --> 00:45:03,200

them to be better prepared for what may

975

00:45:16,390 --> 00:45:14,710

okay friends so i'm going to turn my

976

00:45:18,470 --> 00:45:16,400

total attention to the live chat if you

977

00:45:21,589 --> 00:45:18,480

have any questions for me

978

00:45:24,710 --> 00:45:21,599

ufo not says nice words steve

979

00:45:26,309 --> 00:45:24,720

yeah you know i didn't know

980

00:45:31,270 --> 00:45:26,319

this has been on my to-do list for a

981

00:45:31,280 --> 00:45:40,870

not quite sure how to approach that

982

00:45:46,870 --> 00:45:44,309

i am called pauly p mentions nin nine

983

00:45:49,829 --> 00:45:46,880

inch nails yes

984

00:45:50,470 --> 00:45:49,839

trent resner is a poet and a prophet

985

00:45:56,950 --> 00:45:50,480

maybe

986

00:46:00,069 --> 00:45:58,790

oh i'm sorry i wanted to get this one

987

00:46:02,309 --> 00:46:00,079

reem see they are putting

988

00:46:03,109 --> 00:46:02,319

angry pills in the water i think yeah

989

00:46:10,790 --> 00:46:03,119

people are

990

00:46:10,800 --> 00:46:16,309

it's a rare thing in ufo yeah

991

00:46:20,069 --> 00:46:19,750

genocide with some wisdom of his own who

992

00:46:23,990 --> 00:46:20,079

says

993

00:46:28,069 --> 00:46:24,000

expect the best prepare for the worst

994

00:46:32,309 --> 00:46:28,079

yes i uh i have

995

00:46:34,950 --> 00:46:32,319

expected the worst but

996

00:46:36,470 --> 00:46:34,960

i feel better being prepared you know i

997

00:46:40,870 --> 00:46:36,480

think

998

00:46:44,870 --> 00:46:40,880

place made me feel good because

999

00:46:48,069 --> 00:46:44,880

you know i started building this

1000

00:46:51,030 --> 00:46:48,079

place a year two year and a half

1001  
00:46:52,630 --> 00:46:51,040  
at least i guess two years before the

1002  
00:46:54,710 --> 00:46:52,640  
covet thing hit

1003  
00:46:56,870 --> 00:46:54,720  
but while i'm building it i was thinking

1004  
00:46:59,030 --> 00:46:56,880  
like if if something bad happens this

1005  
00:47:01,109 --> 00:46:59,040  
would be a great place for my family and

1006  
00:47:02,950 --> 00:47:01,119  
i'm so grateful and i'm so thankful that

1007  
00:47:03,349 --> 00:47:02,960  
i can have this place to keep my family

1008  
00:47:07,510 --> 00:47:03,359  
safe

1009  
00:47:13,030 --> 00:47:10,790  
chaos or societal issue you know

1010  
00:47:14,150 --> 00:47:13,040  
the us is approaching critical mass

1011  
00:47:16,630 --> 00:47:14,160  
robin eagle song

1012  
00:47:17,510 --> 00:47:16,640  
i agree with you i think we're building

1013  
00:47:19,910 --> 00:47:17,520

steam

1014

00:47:21,270 --> 00:47:19,920

and what happens when it you know when

1015

00:47:24,470 --> 00:47:21,280

the steam keeps building

1016

00:47:32,470 --> 00:47:24,480

it's got it's got to explode eventually

1017

00:47:36,710 --> 00:47:34,630

it would not take much for things to pop

1018

00:47:39,190 --> 00:47:36,720

off

1019

00:47:40,870 --> 00:47:39,200

would love to see how you constructed

1020

00:47:44,549 --> 00:47:40,880

your cabin you mentioned

1021

00:47:46,630 --> 00:47:44,559

a wood cord style yeah uh

1022

00:47:48,630 --> 00:47:46,640

what i did is called cordwood masonry

1023

00:47:51,349 --> 00:47:48,640

here i'll i'll show you some more

1024

00:47:52,549 --> 00:47:51,359

more of the cabin here you can see this

1025

00:47:55,670 --> 00:47:52,559

is all

1026

00:47:57,990 --> 00:47:55,680

a typical log cabin is built uh

1027

00:47:59,829 --> 00:47:58,000

you know with the logs going

1028

00:48:02,230 --> 00:47:59,839

horizontally

1029

00:48:03,430 --> 00:48:02,240

but this construction method is called

1030

00:48:07,190 --> 00:48:03,440

corkwood masonry

1031

00:48:09,990 --> 00:48:07,200

and the uh the logs are put

1032

00:48:11,190 --> 00:48:10,000

you know vertically and the reason that

1033

00:48:15,910 --> 00:48:11,200

i chose this

1034

00:48:19,510 --> 00:48:15,920

method of construction is because um

1035

00:48:23,190 --> 00:48:21,349

building the log cabins that you see

1036

00:48:24,870 --> 00:48:23,200

like if you google log cabin you see

1037

00:48:26,630 --> 00:48:24,880

that typical log cabin with the logs

1038

00:48:29,990 --> 00:48:26,640

stacked on top of one another and

1039

00:48:31,270 --> 00:48:30,000

and they're notched you know can it be

1040

00:48:34,630 --> 00:48:31,280

done by one man

1041

00:48:37,510 --> 00:48:34,640

yes uh but it's incredibly difficult

1042

00:48:37,910 --> 00:48:37,520

this is much easier for one guy to do

1043

00:48:40,950 --> 00:48:37,920

those

1044

00:48:43,270 --> 00:48:40,960

need

1045

00:48:45,030 --> 00:48:43,280

four or five guys once you get high to

1046

00:48:48,069 --> 00:48:45,040

keep getting them up

1047

00:48:49,270 --> 00:48:48,079

and stacking them you could do it alone

1048

00:48:52,470 --> 00:48:49,280

if you have a crane or

1049

00:48:55,670 --> 00:48:52,480

anyway so for this for this cabin

1050

00:48:58,230 --> 00:48:55,680

i chose to uh to use something called

1051  
00:48:59,990 --> 00:48:58,240  
cordwood masonry which is basically

1052  
00:49:02,470 --> 00:49:00,000  
you're building walls but instead of

1053  
00:49:04,470 --> 00:49:02,480  
using bricks you're using logs

1054  
00:49:06,470 --> 00:49:04,480  
and that's the gist of it it worked out

1055  
00:49:08,069 --> 00:49:06,480  
really well i was able to do the whole

1056  
00:49:11,589 --> 00:49:08,079  
project myself

1057  
00:49:13,270 --> 00:49:11,599  
i had no help well my neighbor my one

1058  
00:49:16,150 --> 00:49:13,280  
neighbor

1059  
00:49:16,870 --> 00:49:16,160  
kind guy real nice guy hi matt if you're

1060  
00:49:19,910 --> 00:49:16,880  
watching

1061  
00:49:21,510 --> 00:49:19,920  
he uh would see me slowing down because

1062  
00:49:23,670 --> 00:49:21,520  
i was running out of wood

1063  
00:49:25,109 --> 00:49:23,680

you know i had these stacks of these two

1064

00:49:28,630 --> 00:49:25,119

foot thick

1065

00:49:31,109 --> 00:49:28,640

logs and so but

1066

00:49:32,950 --> 00:49:31,119

i kept running out you know and he would

1067

00:49:35,829 --> 00:49:32,960

see that i was running out

1068

00:49:37,270 --> 00:49:35,839

and he would just go over to his huge

1069

00:49:39,589 --> 00:49:37,280

wood pile

1070

00:49:40,470 --> 00:49:39,599

uh he has these huge logs stacked around

1071

00:49:42,710 --> 00:49:40,480

his property

1072

00:49:44,150 --> 00:49:42,720

that he gets i think from from work you

1073

00:49:45,589 --> 00:49:44,160

know when they cut trees down he takes

1074

00:49:46,790 --> 00:49:45,599

him home in a dump truck

1075

00:49:49,030 --> 00:49:46,800

anyway he would go over there and he

1076  
00:49:50,390 --> 00:49:49,040  
would chop me up like a couple of days

1077  
00:49:53,349 --> 00:49:50,400  
worth of logs work

1078  
00:49:54,870 --> 00:49:53,359  
and drop it off but other than that i

1079  
00:49:58,870 --> 00:49:54,880  
built the entire cabin

1080  
00:50:02,549 --> 00:49:58,880  
here myself which is kind of crazy but

1081  
00:50:03,990 --> 00:50:02,559  
i'm proud of that let's see philip blair

1082  
00:50:06,069 --> 00:50:04,000  
every good american will

1083  
00:50:07,910 --> 00:50:06,079  
wholeheartedly accept the will of the

1084  
00:50:08,950 --> 00:50:07,920  
people governor dewey republican

1085  
00:50:13,109 --> 00:50:08,960  
candidate for press

1086  
00:50:16,790 --> 00:50:13,119  
after losing 19

1087  
00:50:19,990 --> 00:50:16,800  
mail in vote losing 1944 mail-in vote

1088  
00:50:21,750 --> 00:50:20,000

okay i didn't vote for trump or

1089

00:50:23,190 --> 00:50:21,760

hillary voted libertarian but i was

1090

00:50:25,430 --> 00:50:23,200

excited that trump won because i thought

1091

00:50:29,030 --> 00:50:25,440

he might be interesting instead

1092

00:50:32,069 --> 00:50:29,040

he's just second rate hitler oh no reebz

1093

00:50:34,230 --> 00:50:32,079

yeah he may be i i

1094

00:50:35,109 --> 00:50:34,240

heard somewhere that he used to like

1095

00:50:36,790 --> 00:50:35,119

mine conf

1096

00:50:38,710 --> 00:50:36,800

and he kept it in the nightstand but i

1097

00:50:39,349 --> 00:50:38,720

think that was one of his ex-wives that

1098

00:50:42,549 --> 00:50:39,359

said that

1099

00:50:49,670 --> 00:50:42,559

so um yeah

1100

00:50:53,990 --> 00:50:51,990

grab an eagle song it's never ever been

1101  
00:50:59,349 --> 00:50:54,000  
the will of the people

1102  
00:51:03,990 --> 00:51:02,069  
so yeah and i'm sorry tonight's kind of

1103  
00:51:05,670 --> 00:51:04,000  
a downer right like

1104  
00:51:07,349 --> 00:51:05,680  
we had a lot of good we had a lot of

1105  
00:51:09,430 --> 00:51:07,359  
good fun last night though

1106  
00:51:11,430 --> 00:51:09,440  
last night was fun thank you guys for

1107  
00:51:13,109 --> 00:51:11,440  
helping me to do that

1108  
00:51:14,870 --> 00:51:13,119  
and i think that video is going to get

1109  
00:51:18,470 --> 00:51:14,880  
quite a lot of

1110  
00:51:23,349 --> 00:51:21,670  
okay let me see no one you know how do

1111  
00:51:26,630 --> 00:51:23,359  
those logs hold up with rock

1112  
00:51:28,710 --> 00:51:26,640  
are they cedar or cypress

1113  
00:51:31,510 --> 00:51:28,720

no uh well actually some of them are

1114

00:51:33,910 --> 00:51:31,520

cedar but a very small percentage

1115

00:51:35,349 --> 00:51:33,920

here's the thing everybody thinks oh

1116

00:51:38,790 --> 00:51:35,359

that's going to rot

1117

00:51:42,390 --> 00:51:40,950

there are cabins built this way in

1118

00:51:44,950 --> 00:51:42,400

europa that are

1119

00:51:45,829 --> 00:51:44,960

2 000 years old or i'm sorry a thousand

1120

00:51:47,109 --> 00:51:45,839

years old

1121

00:51:50,549 --> 00:51:47,119

and they're still good they're not

1122

00:51:53,589 --> 00:51:50,559

rotted this cabin is made from a mix of

1123

00:51:57,829 --> 00:51:53,599

beech birch cherry

1124

00:51:59,990 --> 00:51:57,839

some cedar uh some pine

1125

00:52:02,630 --> 00:52:00,000

i'm trying to think of anything else i'm

1126  
00:52:04,230 --> 00:52:02,640  
sure there's a few other types of trees

1127  
00:52:05,910 --> 00:52:04,240  
so basically what i did is i went

1128  
00:52:09,270 --> 00:52:05,920  
through my land and i chopped down

1129  
00:52:11,270 --> 00:52:09,280  
every standing dead tree and then uh

1130  
00:52:13,190 --> 00:52:11,280  
what we also picked out of the woods

1131  
00:52:14,470 --> 00:52:13,200  
here like ever there was a bunch of

1132  
00:52:16,309 --> 00:52:14,480  
trees that had fallen

1133  
00:52:17,910 --> 00:52:16,319  
and were laying there so any wood that

1134  
00:52:18,549 --> 00:52:17,920  
we could salvage from that we chopped

1135  
00:52:21,190 --> 00:52:18,559  
them up

1136  
00:52:23,190 --> 00:52:21,200  
and brought them back here the thing is

1137  
00:52:25,589 --> 00:52:23,200  
it doesn't rot though the key to this

1138  
00:52:26,710 --> 00:52:25,599

is that there has to be you don't want

1139

00:52:29,109 --> 00:52:26,720

water

1140

00:52:30,150 --> 00:52:29,119

coming down the side of the wall of this

1141

00:52:32,870 --> 00:52:30,160

kind of a wall

1142

00:52:33,990 --> 00:52:32,880

so the outside walls have to have a big

1143

00:52:36,710 --> 00:52:34,000

overhang

1144

00:52:37,430 --> 00:52:36,720

so and and mine do well the front

1145

00:52:39,190 --> 00:52:37,440

doesn't yet

1146

00:52:40,950 --> 00:52:39,200

but it will there's going to be a

1147

00:52:43,270 --> 00:52:40,960

covered front porch so i haven't gotten

1148

00:52:45,589 --> 00:52:43,280

that far yet but the side is a big

1149

00:52:47,829 --> 00:52:45,599

there's a big overhang it's like two and

1150

00:52:50,710 --> 00:52:47,839

a half feet overhang

1151  
00:52:51,990 --> 00:52:50,720  
and that keeps all of the water from

1152  
00:52:55,190 --> 00:52:52,000  
going down that

1153  
00:53:01,349 --> 00:52:58,230  
they don't rot and the good news is

1154  
00:53:02,230 --> 00:53:01,359  
should if for example one of the logs

1155  
00:53:04,309 --> 00:53:02,240  
rots

1156  
00:53:05,430 --> 00:53:04,319  
in this whole thing you get a

1157  
00:53:07,990 --> 00:53:05,440  
sledgehammer and

1158  
00:53:09,109 --> 00:53:08,000  
knock that log out and you find a

1159  
00:53:11,910 --> 00:53:09,119  
similar

1160  
00:53:12,630 --> 00:53:11,920  
sized log and you replace it mortar

1161  
00:53:14,549 --> 00:53:12,640  
around the

1162  
00:53:16,390 --> 00:53:14,559  
the edges in the front the back again

1163  
00:53:17,910 --> 00:53:16,400

and you're good so it's easy to fix if

1164

00:53:26,829 --> 00:53:17,920

there is rock but there should never be

1165

00:53:30,870 --> 00:53:28,309

okay there's

1166

00:53:38,710 --> 00:53:30,880

questions or comments for me put them in

1167

00:53:57,430 --> 00:53:41,990

reemsey says vote satan 2020 why choose a

1168

00:54:01,030 --> 00:53:59,109

pauly p which guy is that because i

1169

00:54:03,109 --> 00:54:01,040

follow many of those kind of guys

1170

00:54:04,069 --> 00:54:03,119

it could be uh one of a few people i'm

1171

00:54:06,950 --> 00:54:04,079

thinking of

1172

00:54:08,829 --> 00:54:06,960

but my favorites are my self-reliance uh

1173

00:54:09,990 --> 00:54:08,839

there's a gentleman named boss of the

1174

00:54:13,430 --> 00:54:10,000

swamp

1175

00:54:13,990 --> 00:54:13,440

that's his channel uh i like wrangle

1176

00:54:16,950 --> 00:54:14,000

star

1177

00:54:17,910 --> 00:54:16,960

but uh i don't know lately that guy's

1178

00:54:20,870 --> 00:54:17,920

doing a lot of like

1179

00:54:22,630 --> 00:54:20,880

everything is click bait like oh my god

1180

00:54:23,109 --> 00:54:22,640

this happened is in the title and then

1181

00:54:26,870 --> 00:54:23,119

his

1182

00:54:28,950 --> 00:54:26,880

to do with what what's going on but he's

1183

00:54:31,109 --> 00:54:28,960

got great information tool reviews

1184

00:54:33,589 --> 00:54:31,119

so yeah i love channels where they're

1185

00:54:37,109 --> 00:54:33,599

like building cabins and homesteads and

1186

00:54:41,030 --> 00:54:39,030

phil blair how do we know when to become

1187

00:54:43,670 --> 00:54:41,040

hysterical

1188

00:54:44,950 --> 00:54:43,680

i would think that if you see if you

1189

00:54:48,309 --> 00:54:44,960

start seeing

1190

00:54:51,510 --> 00:54:48,319

writing and looting of food stores

1191

00:54:54,069 --> 00:54:51,520

uh you know there's a problem you know

1192

00:54:56,390 --> 00:54:54,079

there's going to be a problem

1193

00:54:57,750 --> 00:54:56,400

satan stole that political slogan slogan

1194

00:55:03,270 --> 00:54:57,760

from cthulhu

1195

00:55:03,280 --> 00:55:09,910

yeah could be

1196

00:55:13,750 --> 00:55:12,230

yeah so it rained on and off here all

1197

00:55:15,430 --> 00:55:13,760

day and like i was kind of pissed

1198

00:55:16,950 --> 00:55:15,440

because i had some things to do outside

1199

00:55:19,670 --> 00:55:16,960

that i really wanted to get to

1200

00:55:20,789 --> 00:55:19,680

my children are not here this weekend

1201  
00:55:23,030 --> 00:55:20,799  
because

1202  
00:55:24,549 --> 00:55:23,040  
that's another thing they they shut down

1203  
00:55:27,589 --> 00:55:24,559  
every lake

1204  
00:55:30,309 --> 00:55:27,599  
within a 45-minute drive of the cabin

1205  
00:55:31,750 --> 00:55:30,319  
so all the state parks closed all the

1206  
00:55:33,190 --> 00:55:31,760  
lakes

1207  
00:55:34,789 --> 00:55:33,200  
and i believe they're saying it's

1208  
00:55:37,910 --> 00:55:34,799  
because of bacteria levels

1209  
00:55:40,630 --> 00:55:37,920  
but other people have told me

1210  
00:55:42,150 --> 00:55:40,640  
uh that they thought there was too many

1211  
00:55:43,430 --> 00:55:42,160  
some of the state officials were there

1212  
00:55:45,270 --> 00:55:43,440  
and they thought that there was way too

1213  
00:55:47,589 --> 00:55:45,280

many people at some of the state parks

1214

00:55:49,910 --> 00:55:47,599

or closing them all down

1215

00:55:52,069 --> 00:55:49,920

if the lakes are closed the state parks

1216

00:55:55,750 --> 00:55:52,079

see very little traffic maybe people go

1217

00:55:59,829 --> 00:55:55,760

into some of the hiking trails but

1218

00:56:01,349 --> 00:55:59,839

okay let's see top five bullshitters in

1219

00:56:03,910 --> 00:56:01,359

the ufo scene

1220

00:56:04,549 --> 00:56:03,920

gee now i think you can know who i would

1221

00:56:07,510 --> 00:56:04,559

pick

1222

00:56:09,670 --> 00:56:07,520

dominic corey good and david wilcock are

1223

00:56:12,470 --> 00:56:09,680

at the very top of the list

1224

00:56:13,510 --> 00:56:12,480

followed very closely by let's see

1225

00:56:16,870 --> 00:56:13,520

stephen greer

1226

00:56:18,470 --> 00:56:16,880

that would be number three uh oh

1227

00:56:20,309 --> 00:56:18,480

no wait number three would probably be

1228

00:56:23,750 --> 00:56:20,319

this peter slattery guy

1229

00:56:25,430 --> 00:56:23,760

and then number four would be stephen

1230

00:56:27,910 --> 00:56:25,440

greer

1231

00:56:33,829 --> 00:56:27,920

who would i pick for number five maybe

1232

00:56:37,270 --> 00:56:35,349

do you have any type of insulation in

1233

00:56:38,870 --> 00:56:37,280

the ceiling or under the floor for added

1234

00:56:41,910 --> 00:56:38,880

r value

1235

00:56:45,109 --> 00:56:41,920

dan hogan uh

1236

00:56:47,030 --> 00:56:45,119

no actually this room has a stone floor

1237

00:56:48,870 --> 00:56:47,040

that's right on the ground

1238

00:56:50,789 --> 00:56:48,880

it was a stone you know there's they're

1239

00:56:53,190 --> 00:56:50,799

big thick stones

1240

00:56:55,270 --> 00:56:53,200

but that was put right on the ground and

1241

00:56:57,109 --> 00:56:55,280

cement between them so there's no

1242

00:56:58,390 --> 00:56:57,119

insulation whatsoever under a stone

1243

00:57:00,630 --> 00:56:58,400

floor

1244

00:57:02,309 --> 00:57:00,640

i thought about like digging it out and

1245

00:57:03,990 --> 00:57:02,319

putting insulation in and then

1246

00:57:07,030 --> 00:57:04,000

putting wood down and putting the stone

1247

00:57:10,069 --> 00:57:07,040

on top but everybody up here

1248

00:57:11,829 --> 00:57:10,079

a few of my neighbors that i know here

1249

00:57:13,109 --> 00:57:11,839

looked at it and they were like no you

1250

00:57:14,390 --> 00:57:13,119

don't want to do that just put it right

1251  
00:57:17,190 --> 00:57:14,400  
on the ground

1252  
00:57:17,589 --> 00:57:17,200  
uh it's going to be cold no matter what

1253  
00:57:20,870 --> 00:57:17,599  
so

1254  
00:57:22,870 --> 00:57:20,880  
uh yeah and uh the other room this the

1255  
00:57:25,430 --> 00:57:22,880  
floor is not insulated under it

1256  
00:57:26,150 --> 00:57:25,440  
um and i wish that it was because that

1257  
00:57:29,349 --> 00:57:26,160  
floor gets

1258  
00:57:31,430 --> 00:57:29,359  
pretty cold it's a wood floor

1259  
00:57:32,630 --> 00:57:31,440  
and the ceiling we do have insulation

1260  
00:57:35,270 --> 00:57:32,640  
though we have plenty of

1261  
00:57:39,750 --> 00:57:35,280  
it's r20 insulation in the ceiling and i

1262  
00:57:43,430 --> 00:57:41,349  
no matter who wins the election in

1263  
00:57:45,109 --> 00:57:43,440

november there is going to be riots and

1264

00:57:47,109 --> 00:57:45,119

mass rejection of the result from both

1265

00:57:49,349 --> 00:57:47,119

sides it's a scary time over there

1266

00:57:50,950 --> 00:57:49,359

steve ronin yes i truly believe that

1267

00:57:54,150 --> 00:57:50,960

there's going to be mass rioting

1268

00:57:56,549 --> 00:57:54,160

over over the over the elections

1269

00:57:57,430 --> 00:57:56,559

and it's easy to see i mean look at the

1270

00:57:59,670 --> 00:57:57,440

look at how

1271

00:58:01,510 --> 00:57:59,680

crazy everyone is and like look at you

1272

00:58:03,190 --> 00:58:01,520

know on your facebook feed your twitter

1273

00:58:05,190 --> 00:58:03,200

feed there are people that spend

1274

00:58:06,549 --> 00:58:05,200

eight hours a day arguing with other

1275

00:58:10,069 --> 00:58:06,559

people

1276  
00:58:10,710 --> 00:58:10,079  
over who's whose candidate is the least

1277  
00:58:14,710 --> 00:58:10,720  
evil

1278  
00:58:16,230 --> 00:58:14,720  
right like to me it's a joke we have to

1279  
00:58:18,710 --> 00:58:16,240  
pick a lesser of two evils

1280  
00:58:20,309 --> 00:58:18,720  
so we have to choose between we

1281  
00:58:20,950 --> 00:58:20,319  
basically right now we have to choose

1282  
00:58:24,309 --> 00:58:20,960  
between

1283  
00:58:27,829 --> 00:58:24,319  
a [h\_\_h] crazy narcissistic

1284  
00:58:30,870 --> 00:58:27,839  
idiot former reality star

1285  
00:58:33,190 --> 00:58:30,880  
uh or we have to pick between

1286  
00:58:34,630 --> 00:58:33,200  
a man that basically has dementia and

1287  
00:58:36,390 --> 00:58:34,640  
can't even speak straight

1288  
00:58:38,549 --> 00:58:36,400

those are those are our [h\_\_\h] choices

1289

00:58:39,430 --> 00:58:38,559

this is the best america has to offer

1290

00:58:42,150 --> 00:58:39,440

friends

1291

00:58:42,630 --> 00:58:42,160

this is the best america has to offer

1292

00:58:47,190 --> 00:58:42,640

it's

1293

00:59:05,030 --> 00:58:49,990

i love that crazy laugh yeah people keep

1294

00:59:06,789 --> 00:59:05,040

saying that i only laugh more

1295

00:59:08,309 --> 00:59:06,799

alaska builder he started in his 50s

1296

00:59:09,589 --> 00:59:08,319

somewhere in the 60s lived there until

1297

00:59:11,030 --> 00:59:09,599

his 90s

1298

00:59:12,230 --> 00:59:11,040

can't remember his name he recorded some

1299

00:59:14,069 --> 00:59:12,240

of his work with eight millimeter

1300

00:59:15,750 --> 00:59:14,079

there's a documentary on it

1301

00:59:17,270 --> 00:59:15,760

pauly p you're thinking of dick

1302

00:59:19,589 --> 00:59:17,280

prenick

1303

00:59:21,750 --> 00:59:19,599

and i have that documentary and he was a

1304

00:59:24,789 --> 00:59:21,760

big inspiration for me building a cabin

1305

00:59:26,710 --> 00:59:24,799

and ask anybody that's built a cabin

1306

00:59:28,150 --> 00:59:26,720

they were partially inspired by that

1307

00:59:30,829 --> 00:59:28,160

gentleman dick princey and

1308

00:59:32,950 --> 00:59:30,839

god bless him he's passed away but he

1309

00:59:34,870 --> 00:59:32,960

inspired

1310

00:59:36,390 --> 00:59:34,880

probably tens of thousands of people go

1311

00:59:40,150 --> 00:59:36,400

out in the woods and build a cabin

1312

00:59:40,789 --> 00:59:40,160

with his sharing and he shared that

1313

00:59:44,069 --> 00:59:40,799

before

1314

00:59:45,190 --> 00:59:44,079

you know this was so long ago he shared

1315

00:59:47,990 --> 00:59:45,200

his life like that

1316

00:59:48,710 --> 00:59:48,000

before youtube before television shows

1317

00:59:50,950 --> 00:59:48,720

even really

1318

00:59:53,109 --> 00:59:50,960

we're getting into this stuff so yeah he

1319

00:59:53,910 --> 00:59:53,119

produced a documentary like my life in

1320

00:59:57,910 --> 00:59:53,920

alaska

1321

01:00:00,470 --> 00:59:57,920

and it was a lot of wildlife uh you know

1322

01:00:01,270 --> 01:00:00,480

videos and videos of him how he built

1323

01:00:02,870 --> 01:00:01,280

his cabin

1324

01:00:03,910 --> 01:00:02,880

it's a great it's great if you're

1325

01:00:05,750 --> 01:00:03,920

interested in that kind of thing i

1326

01:00:09,109 --> 01:00:05,760

highly recommend dick prenicky

1327

01:00:11,030 --> 01:00:09,119

and you can watch most of it on youtube

1328

01:00:13,030 --> 01:00:11,040

steve ronan everyone is so angry and

1329

01:00:14,230 --> 01:00:13,040

aggressive it seems yeah it seems to be

1330

01:00:17,349 --> 01:00:14,240

an uptick in

1331

01:00:18,870 --> 01:00:17,359

in crime as well and but you know

1332

01:00:20,870 --> 01:00:18,880

what do you think's gonna happen when

1333

01:00:21,750 --> 01:00:20,880

you take away people's money for six

1334

01:00:25,349 --> 01:00:21,760

months

1335

01:00:26,950 --> 01:00:25,359

make them shutter their businesses for

1336

01:00:27,430 --> 01:00:26,960

six months people are going to be pissed

1337

01:00:30,069 --> 01:00:27,440

off

1338

01:00:31,910 --> 01:00:30,079

and not in a very good mood you know i

1339

01:00:34,309 --> 01:00:31,920

know people that are in

1340

01:00:36,150 --> 01:00:34,319

much i you know i was complaining myself

1341

01:00:39,990 --> 01:00:36,160

that like this thing destroyed my

1342

01:00:43,750 --> 01:00:40,000

business and i have no i had no finances

1343

01:00:45,589 --> 01:00:43,760

for like 90 days right and uh

1344

01:00:46,870 --> 01:00:45,599

how terrible that is but i know people

1345

01:00:48,950 --> 01:00:46,880

in even worse condition

1346

01:00:51,030 --> 01:00:48,960

because maybe they don't have they're

1347

01:00:53,430 --> 01:00:51,040

not blessed to have like a great wife

1348

01:00:57,030 --> 01:00:53,440

like me who has a great job and

1349

01:00:57,430 --> 01:00:57,040

you know so they don't have somebody to

1350

01:01:00,390 --> 01:00:57,440

work

1351  
01:01:01,829 --> 01:01:00,400  
as partners with and shit's worse even

1352  
01:01:04,069 --> 01:01:01,839  
worse for them because they're all

1353  
01:01:05,670 --> 01:01:04,079  
by themselves with no money trying to

1354  
01:01:11,589 --> 01:01:05,680  
survive through this [h\_\_h]

1355  
01:01:13,270 --> 01:01:11,599  
it's it's it's a [h\_\_h] show

1356  
01:01:20,470 --> 01:01:13,280  
okay buying an administration will be

1357  
01:01:24,950 --> 01:01:22,870  
you depend on well water yeah he may be

1358  
01:01:26,349 --> 01:01:24,960  
better for cannabis i don't know

1359  
01:01:27,990 --> 01:01:26,359  
i don't think trump is very

1360  
01:01:30,150 --> 01:01:28,000  
anti-cannabis i don't

1361  
01:01:32,069 --> 01:01:30,160  
but he's he's definitely kind of

1362  
01:01:33,109 --> 01:01:32,079  
anti-alcohol because his brother was an

1363  
01:01:35,190 --> 01:01:33,119

alcoholic and

1364

01:01:37,430 --> 01:01:35,200

i believe his father may have had some

1365

01:01:39,109 --> 01:01:37,440

alcoholic tendencies i don't know

1366

01:01:41,109 --> 01:01:39,119

i'm actually so glad i don't like trump

1367

01:01:42,870 --> 01:01:41,119

anymore all he does is make promises to

1368

01:01:45,109 --> 01:01:42,880

his base but never does anything good

1369

01:01:48,150 --> 01:01:45,119

for all americans

1370

01:01:49,430 --> 01:01:48,160

yeah i kind of think the whole stimulus

1371

01:01:51,750 --> 01:01:49,440

thing is a joke

1372

01:01:52,870 --> 01:01:51,760

you know i i haven't had income for 90

1373

01:01:54,549 --> 01:01:52,880

days i got 12

1374

01:01:56,549 --> 01:01:54,559

hundred dollars from the government

1375

01:01:57,109 --> 01:01:56,559

other countries are giving people like

1376

01:02:00,630 --> 01:01:57,119

80

1377

01:02:02,789 --> 01:02:00,640

of their paycheck until this is all over

1378

01:02:04,150 --> 01:02:02,799

our country [h\_\_h] you hope you don't

1379

01:02:11,589 --> 01:02:04,160

starve [h\_\_h]

1380

01:02:17,589 --> 01:02:14,309

voted for abortions 52 times i wasn't

1381

01:02:22,549 --> 01:02:20,150

you mean he voted for legislation that

1382

01:02:23,109 --> 01:02:22,559

supports abortions 52 times i think

1383

01:02:29,109 --> 01:02:23,119

that's what

1384

01:02:37,510 --> 01:02:34,870

an administration yeah oh

1385

01:02:38,789 --> 01:02:37,520

mark tarana i'm sorry mr comment i'm i'm

1386

01:02:41,190 --> 01:02:38,799

catching back up here

1387

01:02:42,309 --> 01:02:41,200

regardless of who wins soros has rioters

1388

01:02:43,750 --> 01:02:42,319

ready and willing

1389

01:02:45,430 --> 01:02:43,760

you know i don't know that i've ever

1390

01:02:49,109 --> 01:02:45,440

believed that soros i've

1391

01:02:50,630 --> 01:02:49,119

seen stuff online that people claim he's

1392

01:02:53,270 --> 01:02:50,640

funding rioters

1393

01:02:54,069 --> 01:02:53,280

and protesters but i i don't know if

1394

01:02:56,630 --> 01:02:54,079

that's real

1395

01:02:59,990 --> 01:02:56,640

martial is that really real that he pays

1396

01:03:02,230 --> 01:03:00,000

protesters and people to riot

1397

01:03:11,109 --> 01:03:02,240

never looked into the soros conspiracies

1398

01:03:14,230 --> 01:03:12,870

no one you know i agree with you

1399

01:03:15,990 --> 01:03:14,240

politicians in general don't give a

1400

01:03:17,670 --> 01:03:16,000

rat's ass about the people they're there

1401  
01:03:18,309 --> 01:03:17,680  
to make things good for big corporate

1402  
01:03:20,150 --> 01:03:18,319  
entities

1403  
01:03:21,670 --> 01:03:20,160  
that i agree with not small business or

1404  
01:03:23,349 --> 01:03:21,680  
the public yeah

1405  
01:03:24,789 --> 01:03:23,359  
our government just [h\_\_\h] every small

1406  
01:03:27,430 --> 01:03:24,799  
business owner in the country

1407  
01:03:28,549 --> 01:03:27,440  
[h\_\_\h] them to the nines dude [h\_\_\h]

1408  
01:03:30,230 --> 01:03:28,559  
them right in their ass

1409  
01:03:33,029 --> 01:03:30,240  
every small business owner just got

1410  
01:03:36,150 --> 01:03:33,039  
[h\_\_\h] royally by our government

1411  
01:03:37,990 --> 01:03:36,160  
and since the big corporations own all

1412  
01:03:43,589 --> 01:03:38,000  
those politicians they were allowed to

1413  
01:03:47,190 --> 01:03:45,349

okay let's see trump appointed the most

1414

01:03:48,870 --> 01:03:47,200

any cannabis member of the u.s senators

1415

01:03:50,470 --> 01:03:48,880

is attorney general jeff sessions

1416

01:03:51,829 --> 01:03:50,480

oh i didn't know that stephen miller is

1417

01:03:56,230 --> 01:03:51,839

in the inner circle there's some heavy

1418

01:04:02,630 --> 01:03:59,670

yeah those damn kids smoke pot and

1419

01:04:05,109 --> 01:04:02,640

they smoke pot and protest [h\_\_h] pot

1420

01:04:08,950 --> 01:04:07,349

maybe i am voting for giant meteors and

1421

01:04:10,069 --> 01:04:08,960

let's start over yeah maybe it's the

1422

01:04:14,069 --> 01:04:10,079

roach's turn

1423

01:04:22,789 --> 01:04:14,079

someday we'll be in the history books

1424

01:04:27,349 --> 01:04:24,549

mark toronto and the random piles of

1425

01:04:32,309 --> 01:04:27,359

bricks will be in place yeah i saw those

1426

01:04:35,029 --> 01:04:32,319

i saw those pile of bricks and i saw

1427

01:04:36,870 --> 01:04:35,039

piles of bricks in philadelphia where

1428

01:04:37,349 --> 01:04:36,880

that that was the city that i moved out

1429

01:04:46,870 --> 01:04:37,359

of

1430

01:04:49,190 --> 01:04:46,880

people to realize that the only

1431

01:04:58,150 --> 01:04:49,200

electorates vote in the president so all

1432

01:05:01,349 --> 01:04:59,670

dan hogan didn't trump sign the farm

1433

01:05:01,990 --> 01:05:01,359

bill which legalized the production of

1434

01:05:03,910 --> 01:05:02,000

hemp again

1435

01:05:07,029 --> 01:05:03,920

i believe that he did yes and i believe

1436

01:05:10,789 --> 01:05:07,039

hemp is again legal to produce

1437

01:05:13,430 --> 01:05:10,799

um and we see like uh

1438

01:05:14,950 --> 01:05:13,440

i don't know in my state uh it's it's

1439

01:05:17,990 --> 01:05:14,960

it's only legal for medical

1440

01:05:19,990 --> 01:05:18,000

users but

1441

01:05:22,150 --> 01:05:20,000

when they first said you can get a

1442

01:05:24,870 --> 01:05:22,160

medical card and go to a dispensary

1443

01:05:26,069 --> 01:05:24,880

it was very difficult to get a doctor to

1444

01:05:29,270 --> 01:05:26,079

approve you

1445

01:05:32,710 --> 01:05:29,280

um and you had to really have a serious

1446

01:05:34,630 --> 01:05:32,720

issue but now it seems like

1447

01:05:36,230 --> 01:05:34,640

it's getting to be the point of just

1448

01:05:37,670 --> 01:05:36,240

like california where there's tons of

1449

01:05:39,430 --> 01:05:37,680

these doctors you go to them and you

1450

01:05:40,549 --> 01:05:39,440

tell them anything and they stamp you

1451

01:05:43,029 --> 01:05:40,559

and you go

1452

01:05:44,870 --> 01:05:43,039

you go on your merry way you can legally

1453

01:05:46,230 --> 01:05:44,880

purchase marijuana at the dispensaries

1454

01:05:49,510 --> 01:05:46,240

for your

1455

01:05:51,990 --> 01:05:49,520

medical needs yes your medical needs

1456

01:05:53,670 --> 01:05:52,000

it's i call it sideways legalization

1457

01:05:54,069 --> 01:05:53,680

that's what i call it and they want the

1458

01:05:55,829 --> 01:05:54,079

uh

1459

01:05:57,589 --> 01:05:55,839

they want the tax revenue and they want

1460

01:06:01,029 --> 01:05:57,599

it tightly controlled

1461

01:06:04,470 --> 01:06:01,039

um i think the states which have

1462

01:06:05,349 --> 01:06:04,480

legalized recreationally things are a

1463

01:06:10,789 --> 01:06:05,359

little different

1464

01:06:14,150 --> 01:06:12,309

steve ronan i don't understand the

1465

01:06:16,230 --> 01:06:14,160

electoral college thing me neither it

1466

01:06:17,910 --> 01:06:16,240

seems to me to be a way that

1467

01:06:20,230 --> 01:06:17,920

somebody with a lot of money and power

1468

01:06:23,589 --> 01:06:20,240

can rig the thing their way

1469

01:06:25,270 --> 01:06:23,599

uh you know yes preemptsy no one

1470

01:06:27,270 --> 01:06:25,280

does i don't understand it either i

1471

01:06:28,150 --> 01:06:27,280

don't i don't understand these super

1472

01:06:31,589 --> 01:06:28,160

delegates

1473

01:06:33,829 --> 01:06:31,599

and how like uh they can vote against

1474

01:06:36,789 --> 01:06:33,839

the popular vote

1475

01:06:38,630 --> 01:06:36,799

and their candidate can win the state

1476

01:06:40,390 --> 01:06:38,640

when the popular vote says no

1477

01:06:42,150 --> 01:06:40,400

we don't want that person the super

1478

01:06:45,750 --> 01:06:42,160

delegate can stand up and say

1479

01:06:46,069 --> 01:06:45,760

uh these these electoral college votes

1480

01:06:49,190 --> 01:06:46,079

go

1481

01:06:55,349 --> 01:06:49,200

to the other candidate it doesn't

1482

01:06:58,950 --> 01:06:57,589

yes stephen rhoden they try to teach us

1483

01:07:01,109 --> 01:06:58,960

in school

1484

01:07:02,549 --> 01:07:01,119

how it works but it's very confusing and

1485

01:07:04,470 --> 01:07:02,559

i don't think most people really

1486

01:07:06,789 --> 01:07:04,480

understand how it works we don't know

1487

01:07:09,109 --> 01:07:06,799

we don't know just just go and vote so

1488

01:07:11,829 --> 01:07:09,119

you can feel like you did something

1489

01:07:12,789 --> 01:07:11,839

i am very fond of george carlin who used

1490

01:07:14,630 --> 01:07:12,799

to say

1491

01:07:16,150 --> 01:07:14,640

that the politicians are put there to

1492

01:07:18,470 --> 01:07:16,160

give you the illusion

1493

01:07:19,829 --> 01:07:18,480

of choice you think you have a choice

1494

01:07:23,510 --> 01:07:19,839

you have no choice

1495

01:07:25,750 --> 01:07:23,520

the government

1496

01:07:27,990 --> 01:07:25,760

that's that's what it is that's

1497

01:07:29,029 --> 01:07:28,000

basically the world we live in the

1498

01:07:31,430 --> 01:07:29,039

corporations

1499

01:07:32,309 --> 01:07:31,440

have long since owned the senate the

1500

01:07:36,470 --> 01:07:32,319

congress

1501

01:07:38,549 --> 01:07:36,480

probably the president the judges

1502

01:07:47,510 --> 01:07:38,559

they own it all it's a big club and you

1503

01:07:51,029 --> 01:07:48,870

i think we just need to paint some

1504

01:07:52,549 --> 01:07:51,039

psychedelics oh i'm sorry we just need

1505

01:07:53,750 --> 01:07:52,559

to paint some psychedelic stuff on the

1506

01:07:56,390 --> 01:07:53,760

side of a bunch of vans and

1507

01:07:58,789 --> 01:07:56,400

rvs smoke drink be merry and slide in

1508

01:08:02,549 --> 01:07:58,799

the mud when we can crank some champs

1509

01:08:04,069 --> 01:08:02,559

on multi-synced bluetooth speakers yeah

1510

01:08:05,750 --> 01:08:04,079

that would be a fun thing to do during

1511

01:08:08,950 --> 01:08:05,760

the apocalypse i

1512

01:08:12,470 --> 01:08:10,789

hillary clinton won the popular vote by

1513

01:08:24,470 --> 01:08:12,480

2.5 million votes

1514

01:08:26,149 --> 01:08:24,480

but trump won yeah

1515

01:08:27,189 --> 01:08:26,159

phil blair says hemp looks like cannabis

1516

01:08:28,550 --> 01:08:27,199

and the federal government still

1517

01:08:30,070 --> 01:08:28,560

schedules cannabis as being more

1518

01:08:31,510 --> 01:08:30,080

dangerous than meth

1519

01:08:33,749 --> 01:08:31,520

any president can change that with an

1520

01:08:36,470 --> 01:08:33,759

executive order still waiting yeah i was

1521

01:08:38,630 --> 01:08:36,480

hopeful that they would change it

1522

01:08:40,309 --> 01:08:38,640

they actually rewrote the text about 37

1523

01:08:42,149 --> 01:08:40,319

years ago now people are [h\_\_h]

1524

01:08:43,910 --> 01:08:42,159

clueless

1525

01:08:45,430 --> 01:08:43,920

yeah i don't know how it works and i

1526

01:08:47,590 --> 01:08:45,440

don't know how you can win the popular

1527

01:08:48,950 --> 01:08:47,600

vote and lose still lose the election

1528

01:08:51,990 --> 01:08:48,960

i think they should just make it the

1529

01:08:57,990 --> 01:08:52,000

popular vote wins that's my opinion

1530

01:09:02,229 --> 01:09:00,070

dan hogan watching this live chat and

1531

01:09:04,229 --> 01:09:02,239

seeing people have disagreements without

1532

01:09:05,669 --> 01:09:04,239

[h\_\_\h] on each other still makes me

1533

01:09:08,789 --> 01:09:05,679

have hope for humanity

1534

01:09:10,709 --> 01:09:08,799

i agree with you mr hogan yeah it's a

1535

01:09:11,829 --> 01:09:10,719

listen friends it's it's great it's okay

1536

01:09:13,349 --> 01:09:11,839

to disagree

1537

01:09:15,189 --> 01:09:13,359

let's have a discussion let's have a

1538

01:09:17,349 --> 01:09:15,199

debate but

1539

01:09:19,189 --> 01:09:17,359

especially i see on facebook and twitter

1540

01:09:20,709 --> 01:09:19,199

like these people are vicious when they

1541

01:09:23,590 --> 01:09:20,719

go after each other about

1542

01:09:25,269 --> 01:09:23,600

well who's the it's basically a contest

1543

01:09:28,309 --> 01:09:25,279

of who's the bigger criminal

1544

01:09:29,669 --> 01:09:28,319

well biden and his son stole all this

1545

01:09:34,789 --> 01:09:29,679

money in ukraine

1546

01:09:36,149 --> 01:09:34,799

and okay and then trump and his family

1547

01:09:40,390 --> 01:09:36,159

how many times have trump declared

1548

01:09:43,430 --> 01:09:40,400

bankruptcy right and i got to say this

1549

01:09:44,709 --> 01:09:43,440

i for a time worked in a in a company

1550

01:09:47,590 --> 01:09:44,719

where it was my job

1551

01:09:49,189 --> 01:09:47,600

to i had a call and collect money from

1552

01:09:51,829 --> 01:09:49,199

the vendors that owed

1553

01:09:52,470 --> 01:09:51,839

our company money and the trump

1554

01:09:54,950 --> 01:09:52,480

companies

1555

01:09:56,630 --> 01:09:54,960

were the [h\_\_\h] worst the [h\_\_\h] worst

1556

01:09:59,990 --> 01:09:56,640

every time i had a call

1557

01:10:02,149 --> 01:10:00,000

a trump owned company they purchased

1558

01:10:03,430 --> 01:10:02,159

from my the company i worked for like

1559

01:10:05,990 --> 01:10:03,440

restaurant

1560

01:10:07,830 --> 01:10:06,000

equipment and supplies you know all that

1561

01:10:10,310 --> 01:10:07,840

[h\_\_\h] you don't think about like straws

1562

01:10:13,189 --> 01:10:10,320

and napkins and all that dumb [h\_\_\h]

1563

01:10:14,070 --> 01:10:13,199

anyway the trump companies were the

1564

01:10:17,270 --> 01:10:14,080

worst man

1565

01:10:20,709 --> 01:10:17,280

the worst and

1566

01:10:22,070 --> 01:10:20,719

the own like the ceo the cfo

1567

01:10:24,390 --> 01:10:22,080

the chief financial officer of the

1568

01:10:25,350 --> 01:10:24,400

company i worked for would be calling me

1569

01:10:28,229 --> 01:10:25,360

in her office

1570

01:10:29,830 --> 01:10:28,239

constantly telling me like they just you

1571

01:10:30,149 --> 01:10:29,840

just shipped ten thousand dollars to

1572

01:10:31,590 --> 01:10:30,159

them

1573

01:10:33,189 --> 01:10:31,600

they're never gonna [h\_\_h] pay us

1574

01:10:33,990 --> 01:10:33,199

they're gonna make us wait six months i

1575

01:10:37,350 --> 01:10:34,000

didn't know

1576

01:10:39,430 --> 01:10:37,360

what you know uh so

1577

01:10:41,110 --> 01:10:39,440

and anyway i had to chase the trump the

1578

01:10:43,669 --> 01:10:41,120

trump

1579

01:10:45,270 --> 01:10:43,679

it was the casinos in atlantic city that

1580

01:10:47,750 --> 01:10:45,280

we're buying from the company i worked

1581

01:10:51,510 --> 01:10:50,229

you you just you had to beg them and beg

1582

01:10:53,189 --> 01:10:51,520

them to get paid i don't know how

1583

01:10:55,430 --> 01:10:53,199

anybody runs a business like that and

1584

01:10:57,990 --> 01:10:55,440

still pretends to be some great

1585

01:10:59,669 --> 01:10:58,000

crack businessman right like my

1586

01:11:01,350 --> 01:10:59,679

company's very successful why don't you

1587

01:11:02,870 --> 01:11:01,360

pay your vendors then

1588

01:11:04,950 --> 01:11:02,880

right why don't you pay those people

1589

01:11:06,950 --> 01:11:04,960

that helps you build the freaking trump

1590

01:11:09,990 --> 01:11:06,960

tower and build those casinos

1591

01:11:12,470 --> 01:11:10,000

he stiffes everybody he can and that's

1592

01:11:13,430 --> 01:11:12,480

listen that's not being a tough business

1593

01:11:17,110 --> 01:11:13,440

person that's being an

1594

01:11:19,669 --> 01:11:17,120

[h\_\_h] in my view but hey

1595

01:11:21,830 --> 01:11:19,679

everybody knew listen i am not a trump

1596

01:11:23,669 --> 01:11:21,840

supporter but i will say i am thoroughly

1597

01:11:24,709 --> 01:11:23,679

entertained by some of the [h\_\_h] that he

1598

01:11:26,470 --> 01:11:24,719

does

1599

01:11:27,910 --> 01:11:26,480

he's the most entertaining president i

1600

01:11:30,950 --> 01:11:27,920

can remember in a long time

1601  
01:11:33,510 --> 01:11:30,960  
he says the stupidest [h\_\_h] you know

1602  
01:11:35,110 --> 01:11:33,520  
and uh this is the world we live in the

1603  
01:11:37,110 --> 01:11:35,120  
leader of the [h\_\_h] free world thinks

1604  
01:11:38,950 --> 01:11:37,120  
that you can inject disinfectant into

1605  
01:11:42,229 --> 01:11:38,960  
yourself to kill a virus

1606  
01:11:44,149 --> 01:11:42,239  
right or use light maybe we could jam

1607  
01:11:45,510 --> 01:11:44,159  
and ultraviolet light up our asses to

1608  
01:11:49,350 --> 01:11:45,520  
get rid of covid

1609  
01:11:52,149 --> 01:11:49,360  
it's [h\_\_h] he's a [h\_\_h] reality star

1610  
01:11:54,709 --> 01:11:52,159  
idiot and he's running our [h\_\_h] he's

1611  
01:11:56,630 --> 01:11:54,719  
running our whole country

1612  
01:11:58,070 --> 01:11:56,640  
some may argue he's running it into the

1613  
01:12:00,229 --> 01:11:58,080

ground i don't

1614

01:12:02,470 --> 01:12:00,239

i don't know you know what that's tough

1615

01:12:12,310 --> 01:12:02,480

job i i don't i wouldn't

1616

01:12:15,830 --> 01:12:14,149

okay friends so any questions or

1617

01:12:18,470 --> 01:12:15,840

comments for me please put them in the

1618

01:12:22,310 --> 01:12:18,480

live chat

1619

01:12:24,390 --> 01:12:22,320

oh uh

1620

01:12:26,149 --> 01:12:24,400

paranormal hood live radio is here and i

1621

01:12:28,709 --> 01:12:26,159

believe that is smoke king

1622

01:12:29,750 --> 01:12:28,719

so welcome smoke king good to see you

1623

01:12:31,750 --> 01:12:29,760

we're talking about real

1624

01:12:33,030 --> 01:12:31,760

cheerful stuff here tonight like

1625

01:12:35,910 --> 01:12:33,040

depending

1626  
01:12:37,590 --> 01:12:35,920  
what may be the impending apocalypse

1627  
01:12:39,990 --> 01:12:37,600  
coming our way

1628  
01:12:43,030 --> 01:12:40,000  
but i hope i'm wrong i i truly hope that

1629  
01:12:46,790 --> 01:12:45,030  
mark tarana says come on illuminati

1630  
01:12:49,030 --> 01:12:46,800  
bring him on the alien invasion

1631  
01:12:51,430 --> 01:12:49,040  
covert is boring yeah you know what i

1632  
01:12:52,709 --> 01:12:51,440  
just had we just had [h\_\_h] tornadoes

1633  
01:12:53,990 --> 01:12:52,719  
right or hurricane

1634  
01:12:56,390 --> 01:12:54,000  
i'm not sure if it was a hurricane or a

1635  
01:12:57,110 --> 01:12:56,400  
tornado one of those two but i it was

1636  
01:13:00,070 --> 01:12:57,120  
really

1637  
01:13:01,590 --> 01:13:00,080  
a bad bad storm and uh you know i blew

1638  
01:13:04,070 --> 01:13:01,600

it off because i'm just like

1639

01:13:05,990 --> 01:13:04,080

[h\_\_h] tornado whatever you know all

1640

01:13:07,990 --> 01:13:06,000

this covet shit's going on and then

1641

01:13:09,430 --> 01:13:08,000

you know your phone starts going off

1642

01:13:12,470 --> 01:13:09,440

with that emergency alert

1643

01:13:15,510 --> 01:13:12,480

[h\_\_h] and i'm like [h\_\_h]

1644

01:13:18,790 --> 01:13:15,520

it's a [h\_\_h] tornado whatever

1645

01:13:20,390 --> 01:13:18,800

it was a [h\_\_h] tornado and uh

1646

01:13:22,390 --> 01:13:20,400

you know there was downed trees in my

1647

01:13:23,830 --> 01:13:22,400

neighborhood and it looked like a

1648

01:13:26,790 --> 01:13:23,840

waterfall coming down

1649

01:13:28,950 --> 01:13:26,800

we have these big windows in the front

1650

01:13:30,790 --> 01:13:28,960

it looked like a waterfall coming down

1651

01:13:33,669 --> 01:13:30,800

these big bow windows

1652

01:13:34,790 --> 01:13:33,679

for hours and hours it was and and uh

1653

01:13:37,350 --> 01:13:34,800

the power kept going

1654

01:13:39,510 --> 01:13:37,360

on and off in my house it was pretty

1655

01:13:42,470 --> 01:13:39,520

funny

1656

01:13:43,189 --> 01:13:42,480

dan hogan i still haven't watched last

1657

01:13:45,430 --> 01:13:43,199

night's show

1658

01:13:46,310 --> 01:13:45,440

did david wilcock make a special

1659

01:13:48,470 --> 01:13:46,320

appearance

1660

01:13:49,350 --> 01:13:48,480

oh yeah for legal reasons i have to say

1661

01:13:52,870 --> 01:13:49,360

this

1662

01:13:56,149 --> 01:13:52,880

david wilcock did not appear on my show

1663

01:13:57,270 --> 01:13:56,159

david wilcox appeared on my show david

1664

01:13:59,590 --> 01:13:57,280

wilcox

1665

01:14:00,550 --> 01:13:59,600

very similar he looks just like him i

1666

01:14:03,990 --> 01:14:00,560

don't know but

1667

01:14:05,830 --> 01:14:04,000

no it wasn't the actual david wilcock it

1668

01:14:07,910 --> 01:14:05,840

was david wilcox

1669

01:14:12,830 --> 01:14:07,920

at any time in that stream that i said

1670

01:14:12,840 --> 01:14:18,709

wilcox

1671

01:14:23,189 --> 01:14:21,110

with australia the usa is our daddy and

1672

01:14:25,910 --> 01:14:23,199

england is our mummy

1673

01:14:30,870 --> 01:14:25,920

yeah australia is a cool place you guys

1674

01:14:36,630 --> 01:14:34,070

brad gray we are too s stan scared to

1675

01:14:38,390 --> 01:14:36,640

leave the nest genocide says dan go

1676

01:14:40,550 --> 01:14:38,400

watch now we will wait

1677

01:14:42,470 --> 01:14:40,560

i i don't think i'm doing a stream that

1678

01:14:45,669 --> 01:14:42,480

long friends

1679

01:14:47,110 --> 01:14:45,679

yeah yeah so things are going good here

1680

01:14:49,030 --> 01:14:47,120

at the cabin one of the other things i

1681

01:14:51,510 --> 01:14:49,040

should mention is that

1682

01:14:53,510 --> 01:14:51,520

i'm building a greenhouse on the south

1683

01:14:56,630 --> 01:14:53,520

facing side of the cabin

1684

01:14:58,470 --> 01:14:56,640

and i'm doing that for a few reasons one

1685

01:15:00,310 --> 01:14:58,480

the winner here is very very long and

1686

01:15:03,590 --> 01:15:00,320

that may help grow some

1687

01:15:07,830 --> 01:15:03,600

crops uh you know i could easily grow

1688

01:15:12,229 --> 01:15:10,149

and i could do that most of the months

1689

01:15:12,630 --> 01:15:12,239

of the year probably without any heat

1690

01:15:15,990 --> 01:15:12,640

source

1691

01:15:19,669 --> 01:15:16,000

just just a

1692

01:15:22,470 --> 01:15:19,679

thermal oven that that will become

1693

01:15:22,790 --> 01:15:22,480

and the other reason that i'm doing that

1694

01:15:24,950 --> 01:15:22,800

is

1695

01:15:26,229 --> 01:15:24,960

i'm stealing the design of earthship

1696

01:15:29,030 --> 01:15:26,239

house

1697

01:15:30,229 --> 01:15:29,040

they have big glass you know in the

1698

01:15:32,229 --> 01:15:30,239

front

1699

01:15:34,709 --> 01:15:32,239

and they face the building south facing

1700

01:15:35,270 --> 01:15:34,719

my building is not facing south facing

1701

01:15:37,590 --> 01:15:35,280

but

1702

01:15:39,510 --> 01:15:37,600

i can put a greenhouse on the

1703

01:15:42,229 --> 01:15:39,520

south-facing wall

1704

01:15:43,189 --> 01:15:42,239

and then hopefully when it's winter it

1705

01:15:45,110 --> 01:15:43,199

will be

1706

01:15:47,110 --> 01:15:45,120

very warm in there even in the middle of

1707

01:15:49,110 --> 01:15:47,120

winter and i can open the door between

1708

01:15:52,229 --> 01:15:49,120

the cabin and the greenhouse

1709

01:15:53,910 --> 01:15:52,239

and let all that hot air in it should

1710

01:15:56,229 --> 01:15:53,920

cut down on the amount of firewood that

1711

01:15:58,310 --> 01:15:56,239

we need to burn here or propane

1712

01:16:00,070 --> 01:15:58,320

at least in half at least that's what

1713

01:16:00,550 --> 01:16:00,080

i'm told by somebody that did a similar

1714

01:16:05,189 --> 01:16:00,560

project

1715

01:16:08,709 --> 01:16:06,950

brad gray yeah we cool but our

1716

01:16:09,750 --> 01:16:08,719

politicians suck yeah well like i said

1717

01:16:11,830 --> 01:16:09,760

before

1718

01:16:13,750 --> 01:16:11,840

seems like uh politicians suck

1719

01:16:15,910 --> 01:16:13,760

everywhere so at least it's not just the

1720

01:16:18,950 --> 01:16:15,920

united states that

1721

01:16:20,470 --> 01:16:18,960

that these idiots are in charge because

1722

01:16:22,390 --> 01:16:20,480

literally that's what i feel like i feel

1723

01:16:24,630 --> 01:16:22,400

like that like the lunatics are running

1724

01:16:27,990 --> 01:16:24,640

the asylum that's what we have

1725

01:16:31,030 --> 01:16:28,000

we have idiots and lunatics

1726

01:16:33,590 --> 01:16:31,040

you know but i i will say as far as

1727

01:16:34,070 --> 01:16:33,600

president trump i i wish for the best

1728

01:16:36,790 --> 01:16:34,080

outcome

1729

01:16:37,270 --> 01:16:36,800

i do i'd like i think he's a [h\_\_h]

1730

01:16:39,030 --> 01:16:37,280

idiot

1731

01:16:40,950 --> 01:16:39,040

and i think he's made a lot of stupid

1732

01:16:41,910 --> 01:16:40,960

decisions but i just hope the best for

1733

01:16:45,430 --> 01:16:41,920

our country

1734

01:16:48,070 --> 01:16:45,440

you know um it's it's really

1735

01:16:49,270 --> 01:16:48,080

it's a scary time to live but i kind of

1736

01:16:51,750 --> 01:16:49,280

feel like what

1737

01:16:53,270 --> 01:16:51,760

you know we're it's it's us to blame

1738

01:16:54,950 --> 01:16:53,280

well really it's the people who voted

1739

01:16:57,110 --> 01:16:54,960

for trump to blame

1740

01:16:58,310 --> 01:16:57,120

but i don't know what does everybody

1741

01:16:59,990 --> 01:16:58,320

think would be

1742

01:17:01,590 --> 01:17:00,000

would would anything be any different

1743

01:17:04,709 --> 01:17:01,600

right now if hillary clinton

1744

01:17:05,590 --> 01:17:04,719

was the president i don't think so i i

1745

01:17:14,870 --> 01:17:05,600

think

1746

01:17:17,910 --> 01:17:16,630

mark taranis says in australia we have

1747

01:17:19,430 --> 01:17:17,920

the same issue as the u.s

1748

01:17:21,110 --> 01:17:19,440

during the election we also have the

1749

01:17:22,229 --> 01:17:21,120

choice between a douche and a turd

1750

01:17:24,550 --> 01:17:22,239

sandwich yeah

1751

01:17:27,189 --> 01:17:24,560

pick the lesser of the two evils here

1752

01:17:29,350 --> 01:17:27,199

who's who's the stupider one right

1753

01:17:32,390 --> 01:17:29,360

the prime minister of new zealand seems

1754

01:17:34,870 --> 01:17:32,400

cool yeah you know i've noticed that the

1755

01:17:35,590 --> 01:17:34,880

leadership in europe i tend to like

1756

01:17:38,550 --> 01:17:35,600

better

1757

01:17:42,149 --> 01:17:38,560

and and in the in the scandinavian

1758

01:17:43,430 --> 01:17:42,159

countries like denmark iceland

1759

01:17:45,750 --> 01:17:43,440

they seem like they know what they're

1760

01:17:47,350 --> 01:17:45,760

doing and they actually seem like they

1761

01:17:48,310 --> 01:17:47,360

care about the people that they

1762

01:17:49,750 --> 01:17:48,320

represent

1763

01:17:52,550 --> 01:17:49,760

and that they're supposed to be the

1764

01:17:53,910 --> 01:17:52,560

leading you know supposed to be leading

1765

01:17:55,910 --> 01:17:53,920

there's something about this all these

1766

01:17:57,669 --> 01:17:55,920

scandinavian countries too

1767

01:17:59,750 --> 01:17:57,679

with their social programs that's just

1768

01:18:00,790 --> 01:17:59,760

amazing like yeah they pay more in taxes

1769

01:18:01,910 --> 01:18:00,800

but they don't have to worry about

1770

01:18:03,750 --> 01:18:01,920

health care

1771

01:18:05,990 --> 01:18:03,760

some of them some of those countries

1772

01:18:08,229 --> 01:18:06,000

don't even like

1773

01:18:09,669 --> 01:18:08,239

whatever your hobby is they help pay for

1774

01:18:13,030 --> 01:18:09,679

it like if you want to go

1775

01:18:14,630 --> 01:18:13,040

build you know model airplanes there's a

1776

01:18:16,630 --> 01:18:14,640

place that you can go and the government

1777

01:18:18,550 --> 01:18:16,640

sort of helps fund that

1778

01:18:19,669 --> 01:18:18,560

you know you want to play chess there's

1779

01:18:22,070 --> 01:18:19,679

chess houses and

1780

01:18:23,189 --> 01:18:22,080

it's just a different kind of society

1781

01:18:24,870 --> 01:18:23,199

they have over there

1782

01:18:27,830 --> 01:18:24,880

and it seems like they actually care

1783

01:18:31,350 --> 01:18:27,840

about their people here

1784

01:18:34,229 --> 01:18:31,360

it's it's it's doggy dog capitalist

1785

01:18:36,149 --> 01:18:34,239

fight for your life do everything you

1786

01:18:36,709 --> 01:18:36,159

got to do work two jobs to try to get

1787

01:18:39,430 --> 01:18:36,719

ahead

1788

01:18:41,030 --> 01:18:39,440

you know it's doggy dog gear in the

1789

01:18:43,430 --> 01:18:41,040

united states

1790

01:18:45,030 --> 01:18:43,440

that's the shady side of capitalism that

1791

01:18:46,709 --> 01:18:45,040

we don't really

1792

01:18:49,830 --> 01:18:46,719

you know everybody everybody that i know

1793

01:18:53,110 --> 01:18:49,840

that's like rah-rah yeah

1794

01:18:54,950 --> 01:18:53,120

[h\_\_h] socialism you know uh

1795

01:18:57,189 --> 01:18:54,960

we're capitalists capitalism works

1796

01:19:00,550 --> 01:18:57,199

socialism never works well

1797

01:19:02,070 --> 01:19:00,560

it works in some countries and uh this

1798

01:19:03,990 --> 01:19:02,080

this whole capitalist society is

1799

01:19:07,189 --> 01:19:04,000

basically like more for me

1800

01:19:08,550 --> 01:19:07,199

less for him [h\_\_h] him you know and and

1801

01:19:10,310 --> 01:19:08,560

that's the world that we

1802

01:19:11,750 --> 01:19:10,320

have we live in here in the united

1803

01:19:14,870 --> 01:19:11,760

states it's not

1804

01:19:17,669 --> 01:19:14,880

that [h\_\_h] that we were that [h\_\_h]

1805

01:19:21,350 --> 01:19:17,679

propaganda that we were taught in school

1806

01:19:22,070 --> 01:19:21,360

is not real and again to quote uh george

1807

01:19:24,070 --> 01:19:22,080

carlin

1808

01:19:25,510 --> 01:19:24,080

it's called the american dream because

1809

01:19:29,510 --> 01:19:25,520

you got to be asleep

1810

01:19:32,470 --> 01:19:29,520

to believe it and i believe that

1811

01:19:32,950 --> 01:19:32,480

it's ridiculous here then you know i

1812

01:19:36,470 --> 01:19:32,960

listen

1813

01:19:37,189 --> 01:19:36,480

i don't think let me ask a question to

1814

01:19:40,149 --> 01:19:37,199

the live chat

1815

01:19:41,669 --> 01:19:40,159

is it possible to become a millionaire

1816

01:19:44,709 --> 01:19:41,679

and

1817

01:19:47,910 --> 01:19:44,719

without

1818

01:19:50,390 --> 01:19:47,920

ever cheating someone ripping somebody

1819

01:19:55,030 --> 01:19:50,400

off or hurting somebody else

1820

01:19:57,189 --> 01:19:55,040

in order to get there and number two

1821

01:19:58,950 --> 01:19:57,199

is it possible to become a billionaire

1822

01:20:01,990 --> 01:19:58,960

without exploiting

1823

01:20:05,030 --> 01:20:02,000

workers without ripping anybody off

1824

01:20:06,870 --> 01:20:05,040

without cheating anybody out of money

1825

01:20:08,070 --> 01:20:06,880

is it possible to become a billionaire

1826

01:20:10,790 --> 01:20:08,080

completely morally

1827

01:20:13,830 --> 01:20:10,800

and ethically without hurting anyone

1828

01:20:16,229 --> 01:20:13,840

else or cheating anyone else

1829

01:20:17,590 --> 01:20:16,239

i don't think it is i don't maybe the

1830

01:20:18,310 --> 01:20:17,600

millionaire maybe you could do the

1831

01:20:20,310 --> 01:20:18,320

millionaire

1832

01:20:21,910 --> 01:20:20,320

if you were really a good person and you

1833

01:20:24,470 --> 01:20:21,920

really tried hard not to

1834

01:20:25,189 --> 01:20:24,480

[h\_\_\h] with anybody else on your way up

1835

01:20:27,669 --> 01:20:25,199

maybe

1836

01:20:28,390 --> 01:20:27,679

but to become a [h\_\_\h] billionaire you

1837

01:20:31,750 --> 01:20:28,400

got to [h\_\_\h]

1838

01:20:33,590 --> 01:20:31,760

everybody you listen and you know it

1839

01:20:35,510 --> 01:20:33,600

drives me crazy

1840

01:20:37,030 --> 01:20:35,520

that some of these people are venerated

1841

01:20:40,390 --> 01:20:37,040

like heroes

1842

01:20:41,270 --> 01:20:40,400

steve jobs steve jobs oh he changed the

1843

01:20:44,830 --> 01:20:41,280

world

1844

01:20:45,990 --> 01:20:44,840

he's such a hero and he was a

1845

01:20:48,390 --> 01:20:46,000

billionaire

1846

01:20:51,590 --> 01:20:48,400

what people don't talk about is the

1847

01:20:54,629 --> 01:20:51,600

child slaves that made those products

1848

01:20:55,030 --> 01:20:54,639

and apple knew friends apple knew apple

1849

01:20:57,110 --> 01:20:55,040

knew

1850

01:20:59,030 --> 01:20:57,120

there's child slave labor over there

1851  
01:20:59,590 --> 01:20:59,040  
soldering those boards together as fast

1852  
01:21:02,470 --> 01:20:59,600  
as they

1853  
01:21:03,910 --> 01:21:02,480  
as we could sell them they knew but

1854  
01:21:05,669 --> 01:21:03,920  
that's capitalism

1855  
01:21:07,430 --> 01:21:05,679  
[h\_\_\h] these people we're going to take

1856  
01:21:09,990 --> 01:21:07,440  
advantage of them [h\_\_\h] them

1857  
01:21:11,910 --> 01:21:10,000  
and i'm going to make [h\_\_\h] tons of money

1858  
01:21:13,510 --> 01:21:11,920  
that's capitalism in a nutshell at least

1859  
01:21:16,149 --> 01:21:13,520  
the way i've seen it work in the united

1860  
01:21:21,270 --> 01:21:19,110  
reemsey says millionaire yes i'm sorry

1861  
01:21:23,669 --> 01:21:21,280  
reemsey says millionaire yes

1862  
01:21:28,629 --> 01:21:23,679  
easy billionaire probably not yeah i

1863  
01:21:30,629 --> 01:21:28,639

would agree with that

1864

01:21:31,990 --> 01:21:30,639

genocide sports music actors

1865

01:21:35,030 --> 01:21:32,000

millionaires yeah well

1866

01:21:39,830 --> 01:21:35,040

they probably didn't hurt anybody to get

1867

01:21:43,830 --> 01:21:42,070

oh yeah paul mccartney is a billionaire

1868

01:21:45,350 --> 01:21:43,840

he is the only one i can think of yeah

1869

01:21:47,189 --> 01:21:45,360

he probably never

1870

01:21:50,149 --> 01:21:47,199

really [h\_\_\h] anybody over or hurt

1871

01:21:52,470 --> 01:21:50,159

anybody to gain his billionaire status

1872

01:21:54,550 --> 01:21:52,480

but most people

1873

01:21:58,310 --> 01:21:54,560

i would think that they have to do

1874

01:22:02,629 --> 01:22:00,470

morally and ethically questionable

1875

01:22:06,149 --> 01:22:02,639

things to get to that finish line

1876

01:22:08,070 --> 01:22:06,159

and you know i saw this um i saw this

1877

01:22:10,149 --> 01:22:08,080

meme that i thought was funny it's like

1878

01:22:12,550 --> 01:22:10,159

no more billionaires once you get to

1879

01:22:14,149 --> 01:22:12,560

that 99999 we just give you a plaque

1880

01:22:16,950 --> 01:22:14,159

that says you won

1881

01:22:18,629 --> 01:22:16,960

capitalism and any more money that you

1882

01:22:20,470 --> 01:22:18,639

make for the rest of your life just goes

1883

01:22:21,189 --> 01:22:20,480

to the homeless people or something

1884

01:22:23,189 --> 01:22:21,199

right

1885

01:22:24,390 --> 01:22:23,199

that would be the fair thing to do and i

1886

01:22:27,830 --> 01:22:24,400

also see

1887

01:22:31,110 --> 01:22:27,840

you know i see this stuff around like

1888

01:22:33,910 --> 01:22:31,120

jeff bezos right he's a

1889

01:22:35,590 --> 01:22:33,920

the richest man in the world like

1890

01:22:38,550 --> 01:22:35,600

couldn't he do something about world

1891

01:22:40,870 --> 01:22:38,560

hunger couldn't he do something about

1892

01:22:41,590 --> 01:22:40,880

homeless veterans if i had that kind of

1893

01:22:43,510 --> 01:22:41,600

money

1894

01:22:44,870 --> 01:22:43,520

i would be running around the world

1895

01:22:48,390 --> 01:22:44,880

fixing [h\_\_\h]

1896

01:22:51,430 --> 01:22:48,400

right if i had billions

1897

01:22:52,870 --> 01:22:51,440

and we we just don't see it really we

1898

01:22:54,709 --> 01:22:52,880

you know i mean i guess there's some

1899

01:22:56,149 --> 01:22:54,719

notable examples of some people that

1900

01:22:57,990 --> 01:22:56,159

become billionaires and then given a lot

1901

01:22:59,830 --> 01:22:58,000

to charity or try to do something good

1902

01:23:03,270 --> 01:22:59,840

with the money but

1903

01:23:06,950 --> 01:23:04,950

dan hogan they did take advantage of

1904

01:23:08,550 --> 01:23:06,960

child labor and paying low wages but

1905

01:23:11,030 --> 01:23:08,560

ultimately china allowed that

1906

01:23:13,110 --> 01:23:11,040

child china's rules of doing business in

1907

01:23:16,629 --> 01:23:13,120

their country are ridiculous

1908

01:23:20,229 --> 01:23:16,639

yeah but listen uh then if it's

1909

01:23:22,950 --> 01:23:20,239

if it's legal but it's still unethical

1910

01:23:24,709 --> 01:23:22,960

should you do it you know and the

1911

01:23:27,669 --> 01:23:24,719

arguments that these

1912

01:23:30,310 --> 01:23:27,679

capitalists supporting people make the

1913

01:23:32,629 --> 01:23:30,320

the arguments go something like this

1914

01:23:33,430 --> 01:23:32,639

well we didn't want to move our our

1915

01:23:35,510 --> 01:23:33,440

production

1916

01:23:37,110 --> 01:23:35,520

plant from the united states and

1917

01:23:38,790 --> 01:23:37,120

manufacture in china but

1918

01:23:40,229 --> 01:23:38,800

all of our competition is doing it so we

1919

01:23:42,629 --> 01:23:40,239

had to

1920

01:23:44,550 --> 01:23:42,639

to stay competitive and you know for the

1921

01:23:49,270 --> 01:23:44,560

benefit of our shareholders

1922

01:23:51,750 --> 01:23:49,280

it's it's it's a it's a morally

1923

01:23:53,510 --> 01:23:51,760

reprehensible argument to make that you

1924

01:23:55,590 --> 01:23:53,520

just had to [h\_\_h] everybody over because

1925

01:23:58,709 --> 01:23:55,600

everybody else is doing it

1926

01:24:01,350 --> 01:23:58,719

you know i don't know i may face

1927

01:24:01,750 --> 01:24:01,360

some of these problems myself uh i'm

1928

01:24:05,110 --> 01:24:01,760

still

1929

01:24:08,229 --> 01:24:05,120

working on my computer prototype and i'm

1930

01:24:10,470 --> 01:24:08,239

determined though that i i won't have

1931

01:24:12,550 --> 01:24:10,480

child slave labor making my products

1932

01:24:14,310 --> 01:24:12,560

except for my son who i'm going to force

1933

01:24:16,629 --> 01:24:14,320

to sit there with a [h\_\_h]

1934

01:24:17,590 --> 01:24:16,639

solder that board i got orders to fill

1935

01:24:25,110 --> 01:24:17,600

son

1936

01:24:28,830 --> 01:24:27,110

i have no idea what to think about elon

1937

01:24:30,070 --> 01:24:28,840

he seems cool but then the look of a

1938

01:24:35,510 --> 01:24:30,080

person

1939

01:24:37,110 --> 01:24:35,520

yeah i don't know i'm a fan of elon musk

1940

01:24:39,830 --> 01:24:37,120

just because i'm a science nerd and i

1941

01:24:42,310 --> 01:24:39,840

think that guy's doing incredible stuff

1942

01:24:43,430 --> 01:24:42,320

you know if i could change places with

1943

01:24:44,950 --> 01:24:43,440

one guy for a day

1944

01:24:50,790 --> 01:24:44,960

it might be him just to see what his

1945

01:24:56,229 --> 01:24:52,229

robert eagle song says something's

1946

01:25:00,390 --> 01:24:59,189

yeah i don't know seems like he seems a

1947

01:25:02,950 --> 01:25:00,400

little quirky but

1948

01:25:04,870 --> 01:25:02,960

isn't every brilliant man a little

1949

01:25:06,629 --> 01:25:04,880

quirky

1950

01:25:08,629 --> 01:25:06,639

uh he's rich enough too by the way that

1951

01:25:17,430 --> 01:25:08,639

you don't call him strange

1952

01:25:24,229 --> 01:25:19,910

bought and sold by the globalists are

1953

01:25:28,629 --> 01:25:25,270

i didn't know that he was bought and

1954

01:25:33,669 --> 01:25:28,639

sold by the globalist but he may be

1955

01:25:40,390 --> 01:25:36,790

all geniuses are weird dudes yeah

1956

01:25:42,629 --> 01:25:40,400

i think uh i think being

1957

01:25:44,229 --> 01:25:42,639

incredibly mentally gifted comes with

1958

01:25:46,390 --> 01:25:44,239

some um

1959

01:25:48,390 --> 01:25:46,400

let's say less than spectacular side

1960

01:25:49,990 --> 01:25:48,400

effects right

1961

01:25:51,910 --> 01:25:50,000

everyone i've known that was extremely

1962

01:25:59,669 --> 01:25:51,920

brilliant was extremely

1963

01:26:02,870 --> 01:26:01,110

bernie sanders wanted employees at

1964

01:26:04,629 --> 01:26:02,880

disneyland to earn a living wage

1965

01:26:09,189 --> 01:26:04,639

and not live in their cars that's still

1966

01:26:11,270 --> 01:26:09,199

capitalist just not vulture capitalism

1967

01:26:13,110 --> 01:26:11,280

true seekers and good on you robin eagle

1968

01:26:14,950 --> 01:26:13,120

song yeah i mean that's another thing we

1969

01:26:17,590 --> 01:26:14,960

have

1970

01:26:19,750 --> 01:26:17,600

how much money does the ceo of disney

1971

01:26:21,990 --> 01:26:19,760

make

1972

01:26:23,030 --> 01:26:22,000

how does that person sleep at night

1973

01:26:25,590 --> 01:26:23,040

knowing

1974

01:26:28,310 --> 01:26:25,600

that they're paying slave wages at their

1975

01:26:29,830 --> 01:26:28,320

at their amusement parks to the

1976

01:26:31,830 --> 01:26:29,840

to the to the people that are actually

1977

01:26:33,750 --> 01:26:31,840

doing the work to generate all that

1978

01:26:35,750 --> 01:26:33,760

revenue

1979

01:26:37,030 --> 01:26:35,760

it's just not fair and you're right

1980

01:26:38,629 --> 01:26:37,040

there i guess

1981

01:26:40,390 --> 01:26:38,639

listen you're right there is a

1982

01:26:43,750 --> 01:26:40,400

difference between capitalism

1983

01:26:46,070 --> 01:26:43,760

and and vulture capitalism vulture

1984

01:26:48,550 --> 01:26:46,080

capitalism is the problem

1985

01:26:49,590 --> 01:26:48,560

but the other problem is that it seems

1986

01:26:52,070 --> 01:26:49,600

like there's not

1987

01:26:53,830 --> 01:26:52,080

much true capitalism left in the world

1988

01:26:56,070 --> 01:26:53,840

and everybody

1989

01:26:57,430 --> 01:26:56,080

it seems to me since the 80s at least

1990

01:27:00,709 --> 01:26:57,440

have gone over to

1991

01:27:04,950 --> 01:27:00,719

the the vulture capitalist

1992

01:27:06,870 --> 01:27:04,960

side of of doing business

1993

01:27:09,430 --> 01:27:06,880

there are individuals who never felt the

1994

01:27:15,590 --> 01:27:09,440

same after the berlin wall came down

1995

01:27:19,350 --> 01:27:17,669

uh robin eagle song says launching all

1996

01:27:20,870 --> 01:27:19,360

those satellites

1997

01:27:23,030 --> 01:27:20,880

to bring internet to the furthest

1998

01:27:26,470 --> 01:27:23,040

reaches of the globe

1999

01:27:28,390 --> 01:27:26,480

truth seekers just why yeah

2000

01:27:30,229 --> 01:27:28,400

i don't know but the micro satellites

2001

01:27:33,350 --> 01:27:30,239

are a big new business

2002

01:27:34,229 --> 01:27:33,360

look up micro satellites they're they're

2003

01:27:38,070 --> 01:27:34,239

going to be the future

2004

01:27:39,830 --> 01:27:38,080

micro satellites mark toronto i'm a

2005

01:27:41,669 --> 01:27:39,840

qualified electronic tech with 30 years

2006

01:27:42,390 --> 01:27:41,679

experience i'll solder your boards great

2007

01:27:43,990 --> 01:27:42,400

mark

2008

01:27:45,910 --> 01:27:44,000

you just volunteered you don't know what

2009

01:27:49,189 --> 01:27:45,920

you're in for dude you do not know what

2010

01:27:54,709 --> 01:27:52,229

okay musk launched 50 plus again today

2011

01:27:56,149 --> 01:27:54,719

people should be freaking out but meh

2012

01:27:58,709 --> 01:27:56,159

right under the radar

2013

01:28:00,629 --> 01:27:58,719

well again our mind you may have

2014

01:28:02,629 --> 01:28:00,639

launched 50 satellites but that sounds

2015

01:28:05,270 --> 01:28:02,639

deceptive when you hear

2016

01:28:06,870 --> 01:28:05,280

that elon musk launched 50 satellites

2017

01:28:08,709 --> 01:28:06,880

you go wow

2018

01:28:10,390 --> 01:28:08,719

it's a lot of satellites to launch in

2019

01:28:11,590 --> 01:28:10,400

one day what are all those satellites

2020

01:28:13,910 --> 01:28:11,600

for well

2021

01:28:15,590 --> 01:28:13,920

again look up micro satellites that's

2022

01:28:18,709 --> 01:28:15,600

what he's launching these things are

2023

01:28:21,910 --> 01:28:18,719

like the size of shoe boxes

2024

01:28:24,470 --> 01:28:21,920

and they're very advanced

2025

01:28:26,390 --> 01:28:24,480

new type of satellites that will have

2026

01:28:29,590 --> 01:28:26,400

various capabilities that

2027

01:28:31,910 --> 01:28:29,600

some of these old huge you know

2028

01:28:33,110 --> 01:28:31,920

satellites the size of a volkswagen bus

2029

01:28:34,790 --> 01:28:33,120

used to do

2030

01:28:36,310 --> 01:28:34,800

these new micro satellites can do the

2031

01:28:37,910 --> 01:28:36,320

same things and

2032

01:28:39,510 --> 01:28:37,920

you know they're the size of a shoe box

2033

01:28:41,590 --> 01:28:39,520

or some i've seen even like half the

2034

01:28:45,350 --> 01:28:41,600

size of a shoe box

2035

01:28:50,709 --> 01:28:45,360

so 50 of those not such a big deal i

2036

01:28:54,310 --> 01:28:52,709

reemsey says i hope those satellites

2037

01:28:56,709 --> 01:28:54,320

improve my internet

2038

01:28:57,510 --> 01:28:56,719

yeah who cares what other side effects

2039

01:28:59,430 --> 01:28:57,520

rheem see

2040

01:29:01,030 --> 01:28:59,440

it could be mass surveillance satellites

2041

01:29:01,350 --> 01:29:01,040

but as long as your internet is better

2042

01:29:03,590 --> 01:29:01,360

right

2043

01:29:08,149 --> 01:29:03,600

[h\_\_h] the rest of the world who cares who

2044

01:29:12,950 --> 01:29:11,510

yep yeah i'm not i'm not i'm not big

2045

01:29:15,430 --> 01:29:12,960

into the

2046

01:29:17,110 --> 01:29:15,440

i don't know i don't worry very much

2047

01:29:18,470 --> 01:29:17,120

about all these satellites being

2048

01:29:20,870 --> 01:29:18,480

launched because it's kind of like

2049

01:29:22,390 --> 01:29:20,880

there's nothing i can do about it i'm

2050

01:29:24,550 --> 01:29:22,400

not sure what they're doing up there

2051

01:29:26,229 --> 01:29:24,560

with all those satellites but

2052

01:29:36,070 --> 01:29:26,239

there's nothing i can do about it

2053

01:29:41,030 --> 01:29:39,110

fred gray i believe the children are our

2054

01:29:41,910 --> 01:29:41,040

future teach them well let them lead the

2055

01:29:45,110 --> 01:29:41,920

way

2056

01:29:51,590 --> 01:29:45,120

boy that was in every dance that i went

2057

01:29:55,270 --> 01:29:53,590

stephen if the apocalypse does happen

2058

01:29:57,430 --> 01:29:55,280

can we come and crash at the cabin

2059

01:29:58,470 --> 01:29:57,440

asking for about 30 friends i don't know

2060

01:30:00,629 --> 01:29:58,480

dan hogan

2061

01:30:02,470 --> 01:30:00,639

we'll see i i don't think i can

2062

01:30:04,229 --> 01:30:02,480

accommodate 30 people but i may

2063

01:30:06,709 --> 01:30:04,239

accommodate a couple of people with the

2064

01:30:10,149 --> 01:30:06,719

right skill set that can help

2065

01:30:19,030 --> 01:30:10,159

around here kb yeah we want

2066

01:30:23,189 --> 01:30:21,669

rheem c says i am pleased to let them

2067

01:30:24,870 --> 01:30:23,199

watch me whack off

2068

01:30:31,510 --> 01:30:24,880

if i could play games and watch movies

2069

01:30:36,629 --> 01:30:35,430

john ditto steve ronan i know why can't

2070

01:30:38,470 --> 01:30:36,639

bill gates if he is

2071

01:30:40,070 --> 01:30:38,480

honest in trying to help africa just

2072

01:30:41,189 --> 01:30:40,080

build up their economy to the standard

2073

01:30:43,030 --> 01:30:41,199

of near

2074

01:30:44,629 --> 01:30:43,040

enough to our worlds there's so many

2075

01:30:45,669 --> 01:30:44,639

billionaires now that they could do it

2076

01:30:47,830 --> 01:30:45,679

yeah they could

2077

01:30:49,590 --> 01:30:47,840

you know i guess require it's gonna it

2078

01:30:52,310 --> 01:30:49,600

would require a great deal of

2079

01:30:54,310 --> 01:30:52,320

sacrifice and and coordination and

2080

01:30:55,830 --> 01:30:54,320

cooperation but

2081

01:30:57,750 --> 01:30:55,840

i don't know i just see that amount of

2082

01:30:59,350 --> 01:30:57,760

money is and maybe i'm wrong but

2083

01:31:01,350 --> 01:30:59,360

because i i've never had that kind of

2084

01:31:01,990 --> 01:31:01,360

money but i just see these people with

2085

01:31:06,629 --> 01:31:02,000

this massive

2086

01:31:09,590 --> 01:31:06,639

amounts of money and i wonder why they

2087

01:31:10,790 --> 01:31:09,600

i don't know maybe uh they're just not

2088

01:31:12,390 --> 01:31:10,800

generous people

2089

01:31:13,750 --> 01:31:12,400

right i don't maybe you don't get to be

2090

01:31:15,110 --> 01:31:13,760

a billionaire if you're a generous

2091

01:31:16,629 --> 01:31:15,120

person

2092

01:31:25,350 --> 01:31:16,639

me if i had that kind of money i'd be

2093

01:31:29,669 --> 01:31:27,110

these schools have endowments as well as

2094

01:31:32,070 --> 01:31:29,679

the church there's money just have to

2095

01:31:32,709 --> 01:31:32,080

unearth the foundations harboring it

2096

01:31:34,149 --> 01:31:32,719

yeah

2097

01:31:35,830 --> 01:31:34,159

you could be right because i think a lot

2098

01:31:37,990 --> 01:31:35,840

of some of these billionaires give a lot

2099

01:31:43,189 --> 01:31:38,000

of money to charities so

2100

01:31:46,950 --> 01:31:45,189

so friends i see we're in about an hour

2101  
01:31:48,709 --> 01:31:46,960  
and a half and i have some other things

2102  
01:31:50,390 --> 01:31:48,719  
to do this evening

2103  
01:31:51,990 --> 01:31:50,400  
so i think we're going to call it a

2104  
01:31:55,990 --> 01:31:52,000  
quick one tonight

2105  
01:31:57,110 --> 01:31:56,000  
and i should be back tomorrow night with

2106  
01:32:00,390 --> 01:31:57,120  
another show

2107  
01:32:04,870 --> 01:32:00,400  
with a more usual topic for our show

2108  
01:32:06,390 --> 01:32:04,880  
i'll just say that but i wanted to

2109  
01:32:08,709 --> 01:32:06,400  
this has been on my list of things to

2110  
01:32:13,510 --> 01:32:08,719  
talk about for quite some time

2111  
01:32:16,629 --> 01:32:13,520  
i thought why not

2112  
01:32:17,270 --> 01:32:16,639  
give sort of a heads up to people who

2113  
01:32:19,510 --> 01:32:17,280

may not

2114

01:32:20,870 --> 01:32:19,520

have thought about some of these things

2115

01:32:24,709 --> 01:32:20,880

and the possibilities

2116

01:32:26,550 --> 01:32:24,719

of some sort of major event

2117

01:32:27,750 --> 01:32:26,560

changing our lives even more in the

2118

01:32:30,870 --> 01:32:27,760

coming months

2119

01:32:33,270 --> 01:32:30,880

and again it's my hope that i'm wrong

2120

01:32:34,950 --> 01:32:33,280

uh and if i am wrong well i'm just gonna

2121

01:32:36,390 --> 01:32:34,960

have some extra food and supplies at the

2122

01:32:39,910 --> 01:32:36,400

cabin for a while

2123

01:32:41,910 --> 01:32:39,920

which is never a bad thing so friends

2124

01:32:44,229 --> 01:32:41,920

until next time

2125

01:32:45,750 --> 01:32:44,239

straight from the apocalypse cabin my

2126

01:33:11,950 --> 01:32:45,760

name is stephen campion

2127

01:34:02,920 --> 01:33:20,720

[Music]

2128

01:34:27,840 --> 01:34:02,930

[Applause]

2129

01:34:29,890 --> 01:34:27,850

[Music]

2130

01:34:58,080 --> 01:34:29,900

[Applause]

2131

01:34:59,100 --> 01:34:58,090

[Music]
