

1
00:02:03,190 --> 00:00:42,440
[Music]

2
00:02:08,630 --> 00:02:05,670
greetings and salutations friends

3
00:02:09,910 --> 00:02:08,640
and welcome back to truth seekers here

4
00:02:13,030 --> 00:02:09,920
on truth seekers we

5
00:02:14,309 --> 00:02:13,040
explore some of the strangest and most

6
00:02:17,589 --> 00:02:14,319
mysterious

7
00:02:19,350 --> 00:02:17,599
stories on planet earth

8
00:02:20,710 --> 00:02:19,360
and tonight of course will be no

9
00:02:23,910 --> 00:02:20,720
different

10
00:02:28,229 --> 00:02:23,920
tonight we'll be talking about the dark

11
00:02:32,790 --> 00:02:31,270
now i have sort of followed this

12
00:02:36,949 --> 00:02:32,800
conspiracy

13
00:02:40,710 --> 00:02:36,959

probably since the sts mission

14

00:02:44,790 --> 00:02:40,720
occurred which believers

15

00:02:46,949 --> 00:02:44,800
of this conspiracy believe that

16

00:02:49,110 --> 00:02:46,959
during that first mission to build the

17

00:02:52,309 --> 00:02:49,120
international space station

18

00:02:58,390 --> 00:02:52,319
this mysterious some say alien

19

00:03:04,710 --> 00:03:01,589
later nasa would claim

20

00:03:07,990 --> 00:03:04,720
that it was space debris a

21

00:03:09,589 --> 00:03:08,000
space blanket for those that are not

22

00:03:12,309 --> 00:03:09,599
aware space blanket is a

23

00:03:13,830 --> 00:03:12,319
silvery metallic sort of like those

24

00:03:17,190 --> 00:03:13,840
emergency blankets

25

00:03:21,350 --> 00:03:17,200
uh that you see people

26
00:03:24,229 --> 00:03:21,360
have in emergency preparedness kits

27
00:03:25,270 --> 00:03:24,239
looks something like that but what we

28
00:03:28,869 --> 00:03:25,280
get

29
00:03:31,670 --> 00:03:28,879
according to some analysts can't be

30
00:03:32,710 --> 00:03:31,680
it can't be there's structures shown in

31
00:03:39,030 --> 00:03:32,720
the photograph

32
00:03:40,869 --> 00:03:39,040
uh i'm unconvinced of that and so are

33
00:03:45,190 --> 00:03:40,879
most people

34
00:03:48,229 --> 00:03:45,200
especially if you do a little research

35
00:03:49,910 --> 00:03:48,239
more than anything i believe that a

36
00:03:53,509 --> 00:03:49,920
group

37
00:03:56,550 --> 00:03:53,519
that this this story is interesting

38
00:03:58,070 --> 00:03:56,560

in that through this story we can see

39

00:04:01,110 --> 00:03:58,080

how a group

40

00:04:02,309 --> 00:04:01,120

of completely unrelated events comes

41

00:04:05,350 --> 00:04:02,319

together

42

00:04:10,550 --> 00:04:05,360

to form a more

43

00:04:13,110 --> 00:04:10,560

coherent story and these

44

00:04:14,949 --> 00:04:13,120

separate events that i believe are

45

00:04:17,749 --> 00:04:14,959

completely unrelated

46

00:04:19,030 --> 00:04:17,759

uh well maybe a few of them are somewhat

47

00:04:23,590 --> 00:04:19,040

related but

48

00:04:28,150 --> 00:04:23,600

these series of events historical events

49

00:04:30,550 --> 00:04:28,160

are gathered together brought together

50

00:04:31,590 --> 00:04:30,560

people have connected those dots to

51
00:04:34,790 --> 00:04:31,600
create

52
00:04:37,990 --> 00:04:34,800
the legend or the myth of this

53
00:04:41,749 --> 00:04:38,000
black knight satellite

54
00:04:42,230 --> 00:04:41,759
uh i would love to believe that this

55
00:04:45,510 --> 00:04:42,240
story

56
00:04:48,070 --> 00:04:45,520
is true like most people uh

57
00:04:50,230 --> 00:04:48,080
i think who have an interest in aliens

58
00:04:52,710 --> 00:04:50,240
and alien visitation

59
00:04:53,990 --> 00:04:52,720
what an amazing thing that would be to

60
00:04:59,189 --> 00:04:54,000
find out that there is

61
00:05:02,469 --> 00:04:59,199
a 13 000 year old alien satellite

62
00:05:07,110 --> 00:05:02,479
circling the earth perhaps studying us

63
00:05:14,150 --> 00:05:10,390

species that created it

64

00:05:18,070 --> 00:05:14,160

it's great story but is it true

65

00:05:21,909 --> 00:05:18,080

well friends tonight i think

66

00:05:25,350 --> 00:05:21,919

we may just find out

67

00:05:28,629 --> 00:05:25,360

so there is uh a

68

00:05:31,909 --> 00:05:28,639

treasure trove of videos and

69

00:05:34,950 --> 00:05:31,919

uh podcasts about the

70

00:05:39,189 --> 00:05:34,960

the this black knight satellite

71

00:05:42,790 --> 00:05:39,199

um there is a huge amount of

72

00:05:45,110 --> 00:05:42,800

actual photographs and stories about it

73

00:05:47,590 --> 00:05:45,120

on the internet

74

00:05:49,189 --> 00:05:47,600

i'm gonna just briefly share my screen

75

00:05:51,909 --> 00:05:49,199

to show you

76
00:05:52,550 --> 00:05:51,919
some of what's out there because if you

77
00:05:58,790 --> 00:05:52,560
do

78
00:05:59,430 --> 00:05:58,800
there's plenty in that rabbit hole for

79
00:06:04,150 --> 00:05:59,440
you

80
00:06:10,309 --> 00:06:07,270
but just a quick search

81
00:06:12,309 --> 00:06:10,319
just a quick search of

82
00:06:14,550 --> 00:06:12,319
an image search of the black knight

83
00:06:19,590 --> 00:06:14,560
satellite finds you

84
00:06:22,150 --> 00:06:19,600
mostly these are images from the sts

85
00:06:23,749 --> 00:06:22,160
mission where the photographs and these

86
00:06:27,270 --> 00:06:23,759
are on nasa's website

87
00:06:29,350 --> 00:06:27,280
actually uh you you can

88
00:06:31,110 --> 00:06:29,360

you can see these photographs of the

89

00:06:32,870 --> 00:06:31,120

actual

90

00:06:35,590 --> 00:06:32,880

what was photographed that people have

91

00:06:40,469 --> 00:06:35,600

claimed is the black knight satellite

92

00:06:47,510 --> 00:06:43,510

that the more you search

93

00:06:52,309 --> 00:06:47,520

the it seems that people have taken

94

00:06:55,189 --> 00:06:52,319

the original nasa images and manipulated

95

00:06:58,629 --> 00:06:55,199

manipulated them and there are some

96

00:07:03,189 --> 00:07:01,510

may not be related and that you also get

97

00:07:04,309 --> 00:07:03,199

so you have to plow through a lot of

98

00:07:07,430 --> 00:07:04,319

different material

99

00:07:09,749 --> 00:07:07,440

and here is my favorite image of the

100

00:07:12,230 --> 00:07:09,759

black knight satellite

101
00:07:13,029 --> 00:07:12,240
but no one can show me the source of

102
00:07:15,589 --> 00:07:13,039
this image

103
00:07:16,230 --> 00:07:15,599
and tonight we're even going to see a

104
00:07:19,430 --> 00:07:16,240
video

105
00:07:21,749 --> 00:07:19,440
of this looks like a spacecraft

106
00:07:22,710 --> 00:07:21,759
not a satellite to me but someone has

107
00:07:25,430 --> 00:07:22,720
claimed that this

108
00:07:25,830 --> 00:07:25,440
is the black knight satellite and of

109
00:07:29,589 --> 00:07:25,840
course

110
00:07:33,029 --> 00:07:29,599
uh it's on newsbreak.com

111
00:07:34,230 --> 00:07:33,039
less than let's just say it's a less

112
00:07:37,510 --> 00:07:34,240
than reputable

113
00:07:39,430 --> 00:07:37,520

uh online news source newsbreak.com it's

114

00:07:41,350 --> 00:07:39,440

it's equivalent of the world weekly news

115

00:07:44,869 --> 00:07:41,360

or the national enquirer they

116

00:07:48,390 --> 00:07:44,879

post a lot of alien stories ufo stories

117

00:07:50,950 --> 00:07:48,400

um bigfoot monsters yeah

118

00:07:53,909 --> 00:07:50,960

but on their website they claim this is

119

00:07:56,629 --> 00:07:53,919

the most clearest and closest video

120

00:07:58,629 --> 00:07:56,639

of the black knight satellite the

121

00:08:01,670 --> 00:07:58,639

problem is uh

122

00:08:03,110 --> 00:08:01,680

for this image and the video that this

123

00:08:05,909 --> 00:08:03,120

image is taken from

124

00:08:06,469 --> 00:08:05,919

no one has ever been able to find the

125

00:08:09,749 --> 00:08:06,479

source

126
00:08:12,070 --> 00:08:09,759
of where that video came from

127
00:08:13,589 --> 00:08:12,080
which means with very high likelihood

128
00:08:16,629 --> 00:08:13,599
and probability that

129
00:08:19,749 --> 00:08:16,639
is a cgi created hoax

130
00:08:23,430 --> 00:08:19,759
the the problem with the black knight

131
00:08:26,469 --> 00:08:23,440
satellite pictures and claims

132
00:08:30,230 --> 00:08:26,479
is there's very little detail

133
00:08:31,909 --> 00:08:30,240
shown in in some of these actual photos

134
00:08:33,909 --> 00:08:31,919
now people have claimed to blow it up

135
00:08:35,430 --> 00:08:33,919
and found headlights i don't know what

136
00:08:36,230 --> 00:08:35,440
headlights would be doing on an alien

137
00:08:37,829 --> 00:08:36,240
satellite but

138
00:08:39,509 --> 00:08:37,839

okay that's one of their arguments

139

00:08:42,949 --> 00:08:39,519

there's headlights on it

140

00:08:42,959 --> 00:08:46,389

it can't be space junk

141

00:08:54,150 --> 00:08:50,389

now there is a very good

142

00:08:56,150 --> 00:08:54,160

sort of introduction to this black

143

00:08:59,430 --> 00:08:56,160

knight satellite

144

00:09:02,630 --> 00:08:59,440

i've been sort of going back down this

145

00:09:03,430 --> 00:09:02,640

going back down this you know rabbit

146

00:09:07,910 --> 00:09:03,440

hole

147

00:09:09,829 --> 00:09:07,920

and rediscovering videos from before

148

00:09:15,030 --> 00:09:09,839

finding new ones with people talking

149

00:09:20,070 --> 00:09:17,910

i found a very good explanation of the

150

00:09:23,350 --> 00:09:20,080

black knight satellite which presents

151

00:09:25,430 --> 00:09:23,360

each of these separate events

152

00:09:26,790 --> 00:09:25,440

that have sort of come together to

153

00:09:29,590 --> 00:09:26,800

create this

154

00:09:30,070 --> 00:09:29,600

black knight conspiracy theory and i

155

00:09:31,910 --> 00:09:30,080

thought

156

00:09:33,350 --> 00:09:31,920

he did a better job than i might and

157

00:09:37,190 --> 00:09:33,360

explaining this

158

00:09:39,350 --> 00:09:37,200

so uh we are going to uh play that video

159

00:09:41,030 --> 00:09:39,360

i'm going to cite fair use the video is

160

00:09:42,790 --> 00:09:41,040

only about five minutes long but i will

161

00:09:45,190 --> 00:09:42,800

be stopping it along the way

162

00:09:47,190 --> 00:09:45,200

for commentary and further explanation

163

00:09:49,910 --> 00:09:47,200

of the points that he is making

164

00:09:50,710 --> 00:09:49,920

um but i you know i i really thought

165

00:09:54,070 --> 00:09:50,720

that he did

166

00:09:55,910 --> 00:09:54,080

a great job on this and uh this is from

167

00:09:58,310 --> 00:09:55,920

trade the explainer

168

00:09:59,750 --> 00:09:58,320

uh which is actually a great he does a

169

00:10:02,150 --> 00:09:59,760

lot of great work

170

00:10:03,110 --> 00:10:02,160

uh on a lot of strange subjects that i

171

00:10:06,470 --> 00:10:03,120

like so

172

00:10:08,150 --> 00:10:06,480

i would highly recommend you check his

173

00:10:10,150 --> 00:10:08,160

website out but we're going to cite fair

174

00:10:13,110 --> 00:10:10,160

use uh for

175

00:10:14,069 --> 00:10:13,120

using a portion of his video on the

176

00:10:17,350 --> 00:10:14,079

black knight

177

00:10:17,990 --> 00:10:17,360

satellite uh we'll be educating the

178

00:10:19,670 --> 00:10:18,000

public about

179

00:10:21,829 --> 00:10:19,680

this conspiracy theory of the black

180

00:10:24,870 --> 00:10:21,839

knight satellite we're going to be

181

00:10:25,829 --> 00:10:24,880

uh common commenting on the contents of

182

00:10:28,310 --> 00:10:25,839

the video this

183

00:10:29,910 --> 00:10:28,320

is the definition of fair use so we're

184

00:10:33,190 --> 00:10:29,920

going to psych fair use

185

00:10:36,389 --> 00:10:33,200

and we are going gonna check out this

186

00:10:40,150 --> 00:10:39,750

and it's called cryptid profile black

187

00:10:43,430 --> 00:10:40,160

knight

188

00:10:47,269 --> 00:10:45,670

and i've cued it because the first

189

00:10:48,230 --> 00:10:47,279

portion uh

190

00:10:51,750 --> 00:10:48,240

you know i just don't want to play the

191

00:10:54,550 --> 00:10:51,760

whole thing so uh let's take a listen

192

00:10:55,590 --> 00:10:54,560

increases all these photos can be viewed

193

00:10:57,590 --> 00:10:55,600

on the nasa run

194

00:11:00,389 --> 00:10:57,600

gateway to astronaut photography of

195

00:11:01,990 --> 00:11:00,399

earth which catalogs every photo taken

196

00:11:04,150 --> 00:11:02,000

above earth's atmosphere giving their

197

00:11:05,910 --> 00:11:04,160

exact location time photo conditions and

198

00:11:07,670 --> 00:11:05,920

a brief description of the subject

199

00:11:09,990 --> 00:11:07,680

nasa's description of all these photos

200

00:11:10,470 --> 00:11:10,000

is labeled space debris which links to

201
00:11:12,790 --> 00:11:10,480
dozens

202
00:11:14,230 --> 00:11:12,800
yeah and it's interesting that nasa uh

203
00:11:17,190 --> 00:11:14,240
said that these

204
00:11:18,790 --> 00:11:17,200
these so-called uh alien satellite

205
00:11:21,750 --> 00:11:18,800
images

206
00:11:22,949 --> 00:11:21,760
these were space debris more

207
00:11:25,990 --> 00:11:22,959
specifically

208
00:11:28,550 --> 00:11:26,000
there was a space blanket that got out

209
00:11:30,470 --> 00:11:28,560
i why astronauts are throwing space

210
00:11:32,310 --> 00:11:30,480
blankets out their windows or

211
00:11:34,150 --> 00:11:32,320
cargo i don't know i don't know how the

212
00:11:35,670 --> 00:11:34,160
space blanket got out of the space

213
00:11:39,750 --> 00:11:35,680

shuttle but it did

214

00:11:42,630 --> 00:11:39,760

and they're calling it a space blanket

215

00:11:43,670 --> 00:11:42,640

and i have to say that originally when

216

00:11:45,829 --> 00:11:43,680

this

217

00:11:47,910 --> 00:11:45,839

when these pictures broke they were all

218

00:11:50,150 --> 00:11:47,920

over the early early internet i think it

219

00:11:53,110 --> 00:11:50,160

was 2003 maybe

220

00:11:55,430 --> 00:11:53,120

right just like you got to go on aol to

221

00:11:58,790 --> 00:11:55,440

see them you know

222

00:12:01,350 --> 00:11:58,800

anyway uh i remember getting high-res

223

00:12:02,470 --> 00:12:01,360

versions of the of the images from

224

00:12:04,710 --> 00:12:02,480

nasa's website

225

00:12:06,069 --> 00:12:04,720

even trying to blow them up myself and i

226

00:12:08,310 --> 00:12:06,079

at first i said

227

00:12:09,590 --> 00:12:08,320

there's no way that this is a space

228

00:12:12,470 --> 00:12:09,600

blanket there's no

229

00:12:13,430 --> 00:12:12,480

way it's a blanket that is a structured

230

00:12:17,269 --> 00:12:13,440

craft

231

00:12:19,190 --> 00:12:17,279

or some sort of solid

232

00:12:21,030 --> 00:12:19,200

large metal object it can't just be a

233

00:12:25,110 --> 00:12:21,040

little space blanket floating around

234

00:12:27,829 --> 00:12:25,120

space later we may see the proof of how

235

00:12:28,310 --> 00:12:27,839

just how wrong i was in that fir and i

236

00:12:32,790 --> 00:12:28,320

was

237

00:12:35,030 --> 00:12:32,800

lots of other examples of trash and

238

00:12:36,389 --> 00:12:35,040

man-made materials discarded on nasa

239

00:12:39,350 --> 00:12:36,399

missions into space

240

00:12:40,710 --> 00:12:39,360

hardly a ufo or alien vehicle now i know

241

00:12:41,269 --> 00:12:40,720

what all you conspiracy theorists are

242

00:12:42,389 --> 00:12:41,279

gonna say

243

00:12:44,550 --> 00:12:42,399

the government is trying to hide

244

00:12:46,829 --> 00:12:44,560

evidence of the existence of aliens

245

00:12:48,310 --> 00:12:46,839

so okay then let's further examine the

246

00:12:50,870 --> 00:12:48,320

sts-88 mission

247

00:12:51,990 --> 00:12:50,880

and not just take nasa's word for it now

248

00:12:53,509 --> 00:12:52,000

it's important to remember

249

00:12:55,190 --> 00:12:53,519

that it is extremely common for

250

00:12:56,230 --> 00:12:55,200

astronauts during missions to either

251
00:12:58,710 --> 00:12:56,240
intentionally or

252
00:13:00,150 --> 00:12:58,720
accidentally discard man-made materials

253
00:13:02,949 --> 00:13:00,160
taken aboard the mission

254
00:13:04,710 --> 00:13:02,959
into the vacuum of space yeah i i think

255
00:13:08,870 --> 00:13:04,720
they should be more careful

256
00:13:11,750 --> 00:13:08,880
and here's why for those that don't know

257
00:13:13,829 --> 00:13:11,760
let's say for an example a astronaut was

258
00:13:16,629 --> 00:13:13,839
working on a satellite in space

259
00:13:17,590 --> 00:13:16,639
and he had a wrench and he dropped the

260
00:13:25,030 --> 00:13:17,600
wrench

261
00:13:27,110 --> 00:13:25,040
could destroy a spacecraft

262
00:13:28,550 --> 00:13:27,120
they start orbiting the earth at

263
00:13:30,710 --> 00:13:28,560

incredible velocities

264

00:13:31,590 --> 00:13:30,720

and they could destroy a spacecraft so i

265

00:13:34,629 --> 00:13:31,600

for one

266

00:13:37,670 --> 00:13:34,639

or satellite or a space station

267

00:13:41,030 --> 00:13:37,680

a pebble a pebble

268

00:13:43,670 --> 00:13:41,040

going that fast could just could rupture

269

00:13:46,069 --> 00:13:43,680

uh the the hull integrity and create

270

00:13:49,670 --> 00:13:46,079

massive massive problems

271

00:13:50,629 --> 00:13:49,680

so imagine something like a wrench right

272

00:13:53,310 --> 00:13:50,639

i think they should be a little more

273

00:13:54,790 --> 00:13:53,320

careful just a side note in fact on the

274

00:13:56,710 --> 00:13:54,800

sts-88 mission

275

00:13:58,710 --> 00:13:56,720

several objects were lost both

276

00:14:01,590 --> 00:13:58,720

intentionally and accidentally

277

00:14:02,389 --> 00:14:01,600

one such object was this an insulation

278

00:14:04,310 --> 00:14:02,399

blanket

279

00:14:05,590 --> 00:14:04,320

which is used to cover bare metal areas

280

00:14:07,990 --> 00:14:05,600

on the outside of the ship

281

00:14:09,670 --> 00:14:08,000

and stop heat leaks into outer space

282

00:14:10,629 --> 00:14:09,680

they are highly reflective and fold up

283

00:14:11,509 --> 00:14:10,639

when they are put into storage

284

00:14:12,870 --> 00:14:11,519

compartments

285

00:14:15,269 --> 00:14:12,880

all characteristics common of the

286

00:14:15,990 --> 00:14:15,279

subject in the photo at one point during

287

00:14:17,750 --> 00:14:16,000

this particular

288

00:14:19,030 --> 00:14:17,760

mission astronauts need to secure them

289

00:14:20,389 --> 00:14:19,040

on the outside of the ship

290

00:14:22,310 --> 00:14:20,399

during such an action one of these

291

00:14:24,470 --> 00:14:22,320

installation blankets became untethered

292

00:14:27,350 --> 00:14:24,480

and drifted off into space

293

00:14:28,310 --> 00:14:27,360

he dropped his space blanket insulation

294

00:14:29,990 --> 00:14:28,320

blanket whatever

295

00:14:31,990 --> 00:14:30,000

two videos exist which record this

296

00:14:34,069 --> 00:14:32,000

incident on the exact day

297

00:14:35,990 --> 00:14:34,079

and time which the black knight photos

298

00:14:39,990 --> 00:14:36,000

were taken during both

299

00:14:43,269 --> 00:14:40,000

is very important uh the video

300

00:14:45,670 --> 00:14:43,279

of these space blankets being

301
00:14:47,030 --> 00:14:45,680
released by accident of the space

302
00:14:49,189 --> 00:14:47,040
blanket it was one

303
00:14:50,150 --> 00:14:49,199
being released by accident were recorded

304
00:14:52,790 --> 00:14:50,160
at the exact

305
00:14:54,389 --> 00:14:52,800
time and date that the photographs the

306
00:14:57,829 --> 00:14:54,399
still photographs were

307
00:14:58,550 --> 00:14:57,839
taken of the alleged black knight

308
00:15:00,230 --> 00:14:58,560
satellite

309
00:15:02,389 --> 00:15:00,240
videos one can see the insulation

310
00:15:03,750 --> 00:15:02,399
blanket tumbling and rolling into space

311
00:15:07,670 --> 00:15:03,760
gleaming in the sunlight

312
00:15:10,949 --> 00:15:07,680
resembling the black knight well exactly

313
00:15:12,949 --> 00:15:10,959

yeah and here we see uh you know let's

314

00:15:14,870 --> 00:15:12,959

let's look at that again we're going to

315

00:15:17,509 --> 00:15:14,880

see this space

316

00:15:18,470 --> 00:15:17,519

and at one point it looks very very

317

00:15:21,509 --> 00:15:18,480

similar

318

00:15:23,910 --> 00:15:21,519

almost exact to the still photographs

319

00:15:25,829 --> 00:15:23,920

that exist of the alleged black knight

320

00:15:27,910 --> 00:15:25,839

satellite blanket tumbling and rolling

321

00:15:50,550 --> 00:15:27,920

into space gleaming in the sunlight

322

00:15:55,590 --> 00:15:52,470

one of those thermal covers got away

323

00:15:57,189 --> 00:15:55,600

from you

324

00:15:59,189 --> 00:15:57,199

and if that still doesn't convince you

325

00:15:59,670 --> 00:15:59,199

an individual by the name of ectoplasm

326
00:16:01,350 --> 00:15:59,680
eight

327
00:16:03,350 --> 00:16:01,360
was able to point out the black knight

328
00:16:04,629 --> 00:16:03,360
object possessed the exact same cuts

329
00:16:06,550 --> 00:16:04,639
creases and tears

330
00:16:07,749 --> 00:16:06,560
that the insulation blanket lost during

331
00:16:09,430 --> 00:16:07,759
the mission beared

332
00:16:10,949 --> 00:16:09,440
i for one think it's extremely safe to

333
00:16:12,389 --> 00:16:10,959
say that the black knight satellite has

334
00:16:14,150 --> 00:16:12,399
been thoroughly debunked

335
00:16:15,590 --> 00:16:14,160
it clearly was an insulation blanket

336
00:16:16,310 --> 00:16:15,600
that was accidentally lost during the

337
00:16:17,990 --> 00:16:16,320
mission

338
00:16:19,749 --> 00:16:18,000

this is an opinion shared by countless

339

00:16:21,829 --> 00:16:19,759

other skeptics as well as nasa

340

00:16:23,829 --> 00:16:21,839

itself now the mythology and legends

341

00:16:26,230 --> 00:16:23,839

surrounding the image claiming it is 13

342

00:16:28,069 --> 00:16:26,240

000 years old or nikola tesla received a

343

00:16:29,670 --> 00:16:28,079

transmission from it are all lies and

344

00:16:31,110 --> 00:16:29,680

myths created by conspiracy theorists

345

00:16:32,710 --> 00:16:31,120

wanting to fool somebody who hasn't

346

00:16:34,470 --> 00:16:32,720

taken the time to do some research and

347

00:16:36,949 --> 00:16:34,480

fact check them

348

00:16:37,990 --> 00:16:36,959

yeah god forbid that somebody actually

349

00:16:42,150 --> 00:16:38,000

go to the

350

00:16:45,670 --> 00:16:42,160

original source of the images and again

351

00:16:47,590 --> 00:16:45,680

there has been uh

352

00:16:48,710 --> 00:16:47,600

there has been a whole bunch of

353

00:16:51,110 --> 00:16:48,720

different events

354

00:16:53,269 --> 00:16:51,120

from nikola tesla getting radio

355

00:16:55,350 --> 00:16:53,279

transmissions and people said

356

00:16:58,629 --> 00:16:55,360

it had to come from the black knight set

357

00:17:02,230 --> 00:16:58,639

how how do you make that leap that jump

358

00:17:03,910 --> 00:17:02,240

that this had to come from uh you know

359

00:17:06,789 --> 00:17:03,920

that nikola tesla was receiving

360

00:17:08,630 --> 00:17:06,799

transmissions from outer space

361

00:17:10,069 --> 00:17:08,640

further there was a ham radio operator

362

00:17:13,750 --> 00:17:10,079

who claimed at one point

363

00:17:15,510 --> 00:17:13,760

uh i believe it was in the early 1960s

364

00:17:18,710 --> 00:17:15,520

this is how long this

365

00:17:20,870 --> 00:17:18,720

this uh myth or legend of this

366

00:17:23,270 --> 00:17:20,880

black knight satellite dark knight

367

00:17:26,549 --> 00:17:23,280

satellite has been going

368

00:17:29,590 --> 00:17:26,559

uh yeah um

369

00:17:32,549 --> 00:17:29,600

i don't i don't

370

00:17:34,230 --> 00:17:32,559

buy it i just don't buy it it's like

371

00:17:36,950 --> 00:17:34,240

they strung together

372

00:17:39,990 --> 00:17:36,960

all kinds of different uh all kinds of

373

00:17:46,789 --> 00:17:43,830

theories happenings historical events

374

00:17:47,669 --> 00:17:46,799

in order to create the illusion of this

375

00:17:49,190 --> 00:17:47,679

being real

376

00:17:51,029 --> 00:17:49,200

which makes me kind of sad when i see

377

00:17:52,470 --> 00:17:51,039

channels like danger dolan spreading

378

00:17:53,990 --> 00:17:52,480

horribly inaccurate and false

379

00:17:55,590 --> 00:17:54,000

information regarding the photo

380

00:17:57,669 --> 00:17:55,600

instead of recognizing that as the

381

00:17:58,390 --> 00:17:57,679

boring and rather anticlimactic truth it

382

00:18:00,150 --> 00:17:58,400

is

383

00:18:02,789 --> 00:18:00,160

myself included wanted it to turn out to

384

00:18:04,950 --> 00:18:02,799

be true and

385

00:18:05,990 --> 00:18:04,960

yeah so now remember the famous

386

00:18:07,909 --> 00:18:06,000

satellite where

387

00:18:09,990 --> 00:18:07,919

the famous photo of the black knight

388

00:18:13,430 --> 00:18:10,000

satellite where it really looks

389

00:18:16,630 --> 00:18:13,440

like a more solid metallic object

390

00:18:19,029 --> 00:18:16,640

um there are other pictures where it

391

00:18:20,710 --> 00:18:19,039

really really resembles this thermal

392

00:18:23,590 --> 00:18:20,720

insulation blanket

393

00:18:24,230 --> 00:18:23,600

much more closely than the pictures but

394

00:18:25,909 --> 00:18:24,240

of course

395

00:18:27,909 --> 00:18:25,919

they're gonna they're gonna pick the

396

00:18:29,590 --> 00:18:27,919

best picture out of the bunch that looks

397

00:18:32,950 --> 00:18:29,600

like what they believe

398

00:18:33,990 --> 00:18:32,960

the black knight satellite is or should

399

00:18:37,510 --> 00:18:34,000

be

400

00:18:40,710 --> 00:18:37,520

and uh yeah i i

401
00:18:42,230 --> 00:18:40,720
i don't find that a coincidence you know

402
00:18:44,710 --> 00:18:42,240
they pick the best

403
00:18:46,789 --> 00:18:44,720
picture to represent what they think it

404
00:18:48,390 --> 00:18:46,799
is i have to admit the photos are truly

405
00:18:50,710 --> 00:18:48,400
awesome looking in my opinion resembling

406
00:18:51,430 --> 00:18:50,720
the monolith from 2001 space odyssey but

407
00:18:54,830 --> 00:18:51,440
nonetheless

408
00:19:01,510 --> 00:18:57,990
evidence yes and here is the most famous

409
00:19:05,110 --> 00:19:01,520
photo of the apparent black knight

410
00:19:09,350 --> 00:19:07,270
one can imagine that in the vacuum of

411
00:19:09,669 --> 00:19:09,360
space that thermal insulation blanket is

412
00:19:12,870 --> 00:19:09,679
just

413
00:19:15,029 --> 00:19:12,880

tumbling around and uh yeah

414

00:19:16,789 --> 00:19:15,039

that looks like that looks like a

415

00:19:19,830 --> 00:19:16,799

spacecraft it looks like

416

00:19:24,870 --> 00:19:19,840

a manufactured large

417

00:19:28,150 --> 00:19:24,880

metallic object off in the distance

418

00:19:30,230 --> 00:19:28,160

yeah but what if well this guy is rather

419

00:19:32,470 --> 00:19:30,240

difficult to do a what-if section on

420

00:19:33,990 --> 00:19:32,480

as very few organisms can exist in the

421

00:19:35,350 --> 00:19:34,000

void of space and definitely not for

422

00:19:36,950 --> 00:19:35,360

extended periods of time

423

00:19:38,470 --> 00:19:36,960

especially ones larger than the water

424

00:19:40,150 --> 00:19:38,480

bear and furthermore

425

00:19:42,390 --> 00:19:40,160

the body plan seems rather unfit to

426

00:19:43,909 --> 00:19:42,400

travel in a vacuum in a low basically to

427

00:19:45,350 --> 00:19:43,919

zero gravity condition

428

00:19:47,110 --> 00:19:45,360

now i'm going to take some time to talk

429

00:19:48,470 --> 00:19:47,120

about space fauna because i like talking

430

00:19:51,110 --> 00:19:48,480

about spacecraft the problem

431

00:19:52,549 --> 00:19:51,120

oh yeah so we're gonna we're gonna kill

432

00:19:56,310 --> 00:19:52,559

this one

433

00:19:58,390 --> 00:19:56,320

now i uh neglected to

434

00:19:59,510 --> 00:19:58,400

play another and we're going to play one

435

00:20:02,950 --> 00:19:59,520

more video

436

00:20:04,549 --> 00:20:02,960

of um sort of an explanation of how

437

00:20:08,390 --> 00:20:04,559

these different

438

00:20:11,430 --> 00:20:08,400

historical events were

439

00:20:14,789 --> 00:20:11,440

combined really to create

440

00:20:15,830 --> 00:20:14,799

the illusion again of this black knight

441

00:20:18,390 --> 00:20:15,840

satellite

442

00:20:21,350 --> 00:20:18,400

it's it's like stringing together it's

443

00:20:22,710 --> 00:20:21,360

like stringing together

444

00:20:24,950 --> 00:20:22,720

many different things that are

445

00:20:27,029 --> 00:20:24,960

completely unrelated and somehow getting

446

00:20:28,390 --> 00:20:27,039

to the conclusion that you want

447

00:20:30,470 --> 00:20:28,400

and this is how some of these

448

00:20:32,549 --> 00:20:30,480

conspiracies work they don't go

449

00:20:34,070 --> 00:20:32,559

looking for evidence and then make a

450

00:20:37,510 --> 00:20:34,080

determination once they see

451
00:20:40,870 --> 00:20:37,520
all of the evidence they form their

452
00:20:42,390 --> 00:20:40,880
you know opinion first and then

453
00:20:44,710 --> 00:20:42,400
they go looking for evidence that

454
00:20:47,990 --> 00:20:44,720
supports the opinion they already have

455
00:20:51,750 --> 00:20:48,000
that this thing is real somebody else

456
00:20:54,070 --> 00:20:51,760
did uh there's a channel called grunge

457
00:20:55,270 --> 00:20:54,080
and they did an excellent explanation of

458
00:20:56,230 --> 00:20:55,280
the mystery of the black knight

459
00:20:59,110 --> 00:20:56,240
satellite

460
00:21:01,430 --> 00:20:59,120
and from a historical perspective it is

461
00:21:01,990 --> 00:21:01,440
a better job again than i could do so i

462
00:21:06,630 --> 00:21:02,000
thought we would

463
00:21:10,789 --> 00:21:09,350

this is uh fair use we're going to be

464

00:21:12,149 --> 00:21:10,799

sharing this video

465

00:21:14,390 --> 00:21:12,159

but we're going to be discussing its

466

00:21:16,390 --> 00:21:14,400

contents and it's historical

467

00:21:18,549 --> 00:21:16,400

significance we're educating the public

468

00:21:19,909 --> 00:21:18,559

about the mystery of the black knight

469

00:21:22,549 --> 00:21:19,919

satellite this is

470

00:21:24,390 --> 00:21:22,559

the textbook definition of fair use so

471

00:21:28,149 --> 00:21:24,400

we're going to cite fair use

472

00:21:32,149 --> 00:21:28,159

when we play this

473

00:21:32,789 --> 00:21:32,159

specific video and again this is from

474

00:21:37,110 --> 00:21:32,799

the channel

475

00:21:37,120 --> 00:21:48,070

and let's see if we can get this going

476

00:21:48,080 --> 00:21:52,630

oh wait a second sorry friends

477

00:21:56,830 --> 00:21:54,870

i wasn't sure i got the audio let me try

478

00:22:00,230 --> 00:21:56,840

that again make sure that i get the

479

00:22:03,830 --> 00:22:01,909

getting better now i'm realizing my

480

00:22:05,430 --> 00:22:03,840

mistakes before they go on for 20

481

00:22:07,110 --> 00:22:05,440

minutes and then somebody and then i

482

00:22:08,710 --> 00:22:07,120

notice in the live chat that we don't

483

00:22:11,270 --> 00:22:08,720

have the audio so

484

00:22:15,830 --> 00:22:11,280

let's call that progress friends let's

485

00:22:19,350 --> 00:22:17,669

okay lots of people believe in the

486

00:22:20,950 --> 00:22:19,360

abstract theory of alien life

487

00:22:23,029 --> 00:22:20,960

but some people believe aliens have not

488

00:22:24,950 --> 00:22:23,039

only visited earth they actually placed

489

00:22:26,630 --> 00:22:24,960

a mysterious device into orbit above our

490

00:22:28,070 --> 00:22:26,640

planet thousands of years ago

491

00:22:30,070 --> 00:22:28,080

that they used to communicate with

492

00:22:31,669 --> 00:22:30,080

humanity sounds crazy

493

00:22:33,510 --> 00:22:31,679

here's a look at the mystery of the

494

00:22:36,549 --> 00:22:33,520

black knight satellite

495

00:22:38,470 --> 00:22:36,559

yeah and i'm not sure how how did they

496

00:22:41,110 --> 00:22:38,480

determine that it was 13 000

497

00:22:43,270 --> 00:22:41,120

years old but that figure that this

498

00:22:46,710 --> 00:22:43,280

thing is 13 000 years old

499

00:22:48,630 --> 00:22:46,720

has been uh just

500

00:22:50,870 --> 00:22:48,640

thrown out there like it's a factual

501
00:22:52,870 --> 00:22:50,880
statement or somebody somehow determined

502
00:22:54,390 --> 00:22:52,880
that with science and math that it was

503
00:22:56,950 --> 00:22:54,400
13 000 years old there's no

504
00:22:59,510 --> 00:22:56,960
evidence that it's any number of years

505
00:23:02,390 --> 00:22:59,520
old we don't we just don't know

506
00:23:04,310 --> 00:23:02,400
first sighting in 1954 the new york

507
00:23:05,270 --> 00:23:04,320
times ran an article saying that dr

508
00:23:07,110 --> 00:23:05,280
lincoln lapaz

509
00:23:09,270 --> 00:23:07,120
had discovered two satellites orbiting

510
00:23:11,990 --> 00:23:09,280
the earth the reason this was news

511
00:23:13,270 --> 00:23:12,000
in 1954 no country had managed to launch

512
00:23:15,029 --> 00:23:13,280
any satellites yet

513
00:23:16,470 --> 00:23:15,039

whatever la paz saw it was enough to

514

00:23:18,149 --> 00:23:16,480

worry the pentagon for a while that the

515

00:23:18,950 --> 00:23:18,159

russians might have beaten america into

516

00:23:21,350 --> 00:23:18,960

space

517

00:23:22,230 --> 00:23:21,360

lapaz later said he made it all up this

518

00:23:24,630 --> 00:23:22,240

was the uh

519

00:23:26,310 --> 00:23:24,640

height of the cold war and again the

520

00:23:29,510 --> 00:23:26,320

person that originally

521

00:23:30,549 --> 00:23:29,520

claimed to cite this object in in the

522

00:23:33,590 --> 00:23:30,559

50s

523

00:23:35,350 --> 00:23:33,600

later said that he made it up i don't

524

00:23:36,710 --> 00:23:35,360

know why somebody would do that but okay

525

00:23:38,789 --> 00:23:36,720

but this

526

00:23:40,789 --> 00:23:38,799

the fact that this gentleman later said

527

00:23:44,070 --> 00:23:40,799

that he made it all up

528

00:23:46,630 --> 00:23:44,080

uh gets left out of the story

529

00:23:48,549 --> 00:23:46,640

people cite him as the you know as

530

00:23:49,990 --> 00:23:48,559

citing this mysterious object and the

531

00:23:51,510 --> 00:23:50,000

united states was very concerned

532

00:23:53,669 --> 00:23:51,520

about it because it could have been a

533

00:23:55,350 --> 00:23:53,679

soviet satellite but nobody had

534

00:23:58,230 --> 00:23:55,360

satellites yet

535

00:23:59,350 --> 00:23:58,240

but the fact that he later recanted and

536

00:24:01,750 --> 00:23:59,360

said that he made it

537

00:24:03,510 --> 00:24:01,760

he made the sighting up for one reason

538

00:24:06,470 --> 00:24:03,520

or another he made the sighting up

539

00:24:06,789 --> 00:24:06,480

gets cut from the story they they you

540

00:24:08,470 --> 00:24:06,799

know

541

00:24:09,909 --> 00:24:08,480

you have to selectively edit your

542

00:24:11,590 --> 00:24:09,919

conspiracy theory

543

00:24:13,190 --> 00:24:11,600

so if you have evidence that supports

544

00:24:15,350 --> 00:24:13,200

it's real great

545

00:24:16,470 --> 00:24:15,360

if that witness later recanted and said

546

00:24:18,310 --> 00:24:16,480

that he made it up

547

00:24:20,630 --> 00:24:18,320

you you just leave that part out of the

548

00:24:21,990 --> 00:24:20,640

story while the army said no such

549

00:24:23,669 --> 00:24:22,000

satellites existed

550

00:24:25,750 --> 00:24:23,679

still many people believed the

551
00:24:27,190 --> 00:24:25,760
satellites were there and they were made

552
00:24:30,310 --> 00:24:27,200
by aliens

553
00:24:31,909 --> 00:24:30,320
the tesla connection nikola tesla is the

554
00:24:33,750 --> 00:24:31,919
internet's favorite scientist and is

555
00:24:35,350 --> 00:24:33,760
famous for lots of other things too

556
00:24:36,950 --> 00:24:35,360
like inventing the tesla coil his

557
00:24:38,549 --> 00:24:36,960
dislike of women and his strange

558
00:24:40,630 --> 00:24:38,559
obsession with pigeons

559
00:24:41,990 --> 00:24:40,640
yeah and i just want to mention if

560
00:24:45,269 --> 00:24:42,000
you're going to

561
00:24:46,070 --> 00:24:45,279
create a conspiracy theory if at all

562
00:24:48,230 --> 00:24:46,080
possible

563
00:24:49,430 --> 00:24:48,240

it's very important that you tie in

564

00:24:52,390 --> 00:24:49,440

nikola tesla

565

00:24:53,750 --> 00:24:52,400

to your conspiracy theory so that's why

566

00:24:56,549 --> 00:24:53,760

ufos fly

567

00:24:58,789 --> 00:24:56,559

you know with electric propulsion that

568

00:24:59,510 --> 00:24:58,799

has something to do with tesla coils

569

00:25:01,669 --> 00:24:59,520

right

570

00:25:03,269 --> 00:25:01,679

you've got to throw in some nikola tesla

571

00:25:05,830 --> 00:25:03,279

into your conspiracy

572

00:25:07,669 --> 00:25:05,840

it really does help make that conspiracy

573

00:25:10,070 --> 00:25:07,679

much more believable

574

00:25:11,430 --> 00:25:10,080

for some reason i don't know why but

575

00:25:15,510 --> 00:25:11,440

many many conspiracies

576

00:25:17,430 --> 00:25:15,520

try and do tie nikola tesla in somehow

577

00:25:19,510 --> 00:25:17,440

in 1899 though he made his most

578

00:25:21,909 --> 00:25:19,520

controversial discovery when he claimed

579

00:25:22,789 --> 00:25:21,919

to have received an electric signal sent

580

00:25:24,310 --> 00:25:22,799

by aliens

581

00:25:25,990 --> 00:25:24,320

he even published an article for

582

00:25:27,430 --> 00:25:26,000

collier's weekly subtly titled

583

00:25:29,510 --> 00:25:27,440

talking with the planets where he

584

00:25:31,350 --> 00:25:29,520

theorized the signal was from mars

585

00:25:33,190 --> 00:25:31,360

modern conspiracy theorists however

586

00:25:34,549 --> 00:25:33,200

believe tesla was actually intercepting

587

00:25:35,669 --> 00:25:34,559

a message from the black knight

588

00:25:38,549 --> 00:25:35,679

satellite

589

00:25:40,149 --> 00:25:38,559

yeah so tesla himself believed that the

590

00:25:42,470 --> 00:25:40,159

radio signals

591

00:25:43,750 --> 00:25:42,480

that he was somehow receiving were from

592

00:25:46,149 --> 00:25:43,760

the planet mars

593

00:25:48,310 --> 00:25:46,159

or another planet in the solar system he

594

00:25:50,390 --> 00:25:48,320

never said anything about it

595

00:25:51,510 --> 00:25:50,400

an alien satellite being the source of

596

00:25:53,750 --> 00:25:51,520

them but

597

00:25:55,110 --> 00:25:53,760

that did not stop conspiracy theorists

598

00:25:59,029 --> 00:25:55,120

from saying no no

599

00:26:00,710 --> 00:25:59,039

it was those those those

600

00:26:02,390 --> 00:26:00,720

signals he was receiving they weren't

601
00:26:03,830 --> 00:26:02,400
coming from mars they were coming from

602
00:26:08,390 --> 00:26:03,840
the black knight satellite

603
00:26:11,269 --> 00:26:08,400
somehow okay the next communication

604
00:26:13,029 --> 00:26:11,279
according to vice in 1927 a norwegian

605
00:26:14,549 --> 00:26:13,039
engineer named jurgen halls was

606
00:26:16,230 --> 00:26:14,559
listening to radio signals when he

607
00:26:16,710 --> 00:26:16,240
noticed that some of them had a strange

608
00:26:18,470 --> 00:26:16,720
echo

609
00:26:20,390 --> 00:26:18,480
despite turning to other physicists for

610
00:26:22,390 --> 00:26:20,400
help halls could never explain these

611
00:26:25,110 --> 00:26:22,400
long-delayed radio echoes but some

612
00:26:27,350 --> 00:26:25,120
believe the answer is pretty obvious

613
00:26:30,149 --> 00:26:27,360

space race sighting by the end of the

614

00:26:32,710 --> 00:26:30,159

1950s the space race was in full swing

615

00:26:33,909 --> 00:26:32,720

and both the u.s and ussr had managed to

616

00:26:35,590 --> 00:26:33,919

put satellites in orbit

617

00:26:38,230 --> 00:26:35,600

but according to one thing i always

618

00:26:41,750 --> 00:26:38,240

found curious about this whole

619

00:26:44,310 --> 00:26:41,760

uh this whole story is that

620

00:26:45,990 --> 00:26:44,320

during the height of the cold war in the

621

00:26:48,870 --> 00:26:46,000

50s the 60s and

622

00:26:51,669 --> 00:26:48,880

even into the 70s the united states was

623

00:26:54,870 --> 00:26:51,679

absolutely paranoid about what

624

00:26:57,990 --> 00:26:54,880

what capabilities the soviets had

625

00:27:01,510 --> 00:26:58,000

in space if there was

626

00:27:03,669 --> 00:27:01,520

any type of satellite up there um

627

00:27:05,110 --> 00:27:03,679

i believe that the the united states

628

00:27:08,470 --> 00:27:05,120

would have the resources

629

00:27:11,830 --> 00:27:08,480

to locate it and find it

630

00:27:13,110 --> 00:27:11,840

study it and figure out if it was soviet

631

00:27:17,029 --> 00:27:13,120

or something else

632

00:27:20,470 --> 00:27:17,039

that's never happened and in the 1950s

633

00:27:22,470 --> 00:27:20,480

that's when the first satellites human

634

00:27:24,389 --> 00:27:22,480

satellites were launched sputnik

635

00:27:25,750 --> 00:27:24,399

and then the united states followed soon

636

00:27:28,710 --> 00:27:25,760

thereafter

637

00:27:29,190 --> 00:27:28,720

um so there was very little orbiting the

638

00:27:32,830 --> 00:27:29,200

earth

639

00:27:37,110 --> 00:27:32,840

if there was some kind of huge

640

00:27:38,710 --> 00:27:37,120

satellite that is orbiting the earth

641

00:27:40,389 --> 00:27:38,720

we would have seen it somebody would

642

00:27:43,590 --> 00:27:40,399

have seen it and again

643

00:27:45,190 --> 00:27:43,600

this conspiracy theory basically if you

644

00:27:47,350 --> 00:27:45,200

believe this conspiracy theory

645

00:27:48,549 --> 00:27:47,360

you have to believe that every

646

00:27:51,190 --> 00:27:48,559

astronomer

647

00:27:52,149 --> 00:27:51,200

on planet earth is lying and they know

648

00:27:55,269 --> 00:27:52,159

it's up there but

649

00:27:57,909 --> 00:27:55,279

they're hiding it most uh

650

00:27:59,029 --> 00:27:57,919

astronomical telescopes even consumer

651
00:28:01,350 --> 00:27:59,039
grade telescopes

652
00:28:02,789 --> 00:28:01,360
should be enough to locate this

653
00:28:05,990 --> 00:28:02,799
satellite especially because

654
00:28:07,190 --> 00:28:06,000
it is in the opposite orbit in other

655
00:28:10,230 --> 00:28:07,200
words it orbits

656
00:28:12,070 --> 00:28:10,240
the earth the opposite way

657
00:28:13,990 --> 00:28:12,080
that every other satellite orbits the

658
00:28:17,029 --> 00:28:14,000
earth should be easy to spot

659
00:28:19,830 --> 00:28:17,039
but nobody can show me pictures

660
00:28:21,190 --> 00:28:19,840
of an astronomer's telescope taking

661
00:28:24,470 --> 00:28:21,200
pictures of this thing

662
00:28:25,110 --> 00:28:24,480
or finding it in its orbit nobody can

663
00:28:28,549 --> 00:28:25,120

show me that

664

00:28:29,990 --> 00:28:28,559

skeptoid on february 11 1960 a radar

665

00:28:31,990 --> 00:28:30,000

used by the us navy picked

666

00:28:33,990 --> 00:28:32,000

up the presence of a strange dark

667

00:28:35,029 --> 00:28:34,000

tumbling object that didn't belong to

668

00:28:36,789 --> 00:28:35,039

either country

669

00:28:38,310 --> 00:28:36,799

americans freaked out worried that it

670

00:28:39,990 --> 00:28:38,320

was a new soviet satellite

671

00:28:41,909 --> 00:28:40,000

but time magazine announced it was just

672

00:28:44,230 --> 00:28:41,919

an innocent piece of space junk

673

00:28:46,230 --> 00:28:44,240

however thanks to declassified documents

674

00:28:48,070 --> 00:28:46,240

we now know that it was a cover-up as it

675

00:28:49,669 --> 00:28:48,080

was actually an american spy satellite

676

00:28:51,430 --> 00:28:49,679

doing reconnaissance on russia

677

00:28:52,789 --> 00:28:51,440

but is that just another layer to the

678

00:28:53,830 --> 00:28:52,799

deeper cover-up of the black knight

679

00:28:57,590 --> 00:28:53,840

satellite

680

00:28:59,510 --> 00:28:57,600

hmm yeah could be that's another part of

681

00:29:00,870 --> 00:28:59,520

this conspiracy theory

682

00:29:02,549 --> 00:29:00,880

you have to believe that the united

683

00:29:05,029 --> 00:29:02,559

states government

684

00:29:06,070 --> 00:29:05,039

nasa everybody is trying to cover this

685

00:29:08,630 --> 00:29:06,080

thing up

686

00:29:10,549 --> 00:29:08,640

and i would just like to submit for your

687

00:29:12,310 --> 00:29:10,559

consideration for what purpose

688

00:29:13,830 --> 00:29:12,320

what purpose would they be covering it

689

00:29:16,950 --> 00:29:13,840

up i i don't

690

00:29:18,710 --> 00:29:16,960

i don't know the lost tape

691

00:29:20,950 --> 00:29:18,720

even the french managed to get in on the

692

00:29:22,950 --> 00:29:20,960

conspiracy action in 1961

693

00:29:24,070 --> 00:29:22,960

a scientist named jacques valet made a

694

00:29:26,070 --> 00:29:24,080

startling discovery

695

00:29:27,750 --> 00:29:26,080

there was a bright unidentified object

696

00:29:29,029 --> 00:29:27,760

in retrograde meaning it was moving in

697

00:29:29,830 --> 00:29:29,039

the opposite direction of earth's

698

00:29:31,350 --> 00:29:29,840

rotation

699

00:29:33,750 --> 00:29:31,360

the technology to put satellites in

700

00:29:35,990 --> 00:29:33,760

retrograde is available to humanity now

701
00:29:37,430 --> 00:29:36,000
but didn't exist at the time when valet

702
00:29:37,830 --> 00:29:37,440
showed a recording of his findings

703
00:29:39,909 --> 00:29:37,840
though

704
00:29:41,190 --> 00:29:39,919
his superior confiscated the tape and

705
00:29:43,590 --> 00:29:41,200
erased the footage

706
00:29:44,710 --> 00:29:43,600
nobody knows why but i would like to

707
00:29:48,070 --> 00:29:44,720
talk

708
00:29:50,149 --> 00:29:48,080
to him about that tape

709
00:29:52,549 --> 00:29:50,159
this is again another part of this

710
00:29:54,549 --> 00:29:52,559
conspiracy well jacques valet got

711
00:29:56,710 --> 00:29:54,559
tape of it but they confiscated and

712
00:29:59,830 --> 00:29:56,720
destroyed the tape

713
00:30:01,909 --> 00:29:59,840

again a convenient excuse for why we

714

00:30:02,389 --> 00:30:01,919

can't see the tape that he apparently

715

00:30:05,350 --> 00:30:02,399

took

716

00:30:05,909 --> 00:30:05,360

i don't know i haven't done adequate

717

00:30:09,190 --> 00:30:05,919

research

718

00:30:12,149 --> 00:30:09,200

into his claims and if he you know

719

00:30:13,190 --> 00:30:12,159

ever recanted his claims or changed his

720

00:30:15,110 --> 00:30:13,200

story

721

00:30:17,110 --> 00:30:15,120

i just don't know some people believe

722

00:30:18,710 --> 00:30:17,120

it's because the lost tape showed proof

723

00:30:19,510 --> 00:30:18,720

of the existence of the black knight

724

00:30:23,410 --> 00:30:19,520

satellite

725

00:30:30,070 --> 00:30:23,420

or maybe

726

00:30:33,830 --> 00:30:32,149

an astronaut's alleged sighting here's

727

00:30:36,389 --> 00:30:33,840

another one that kills me

728

00:30:38,710 --> 00:30:36,399

you know people claim that an astronaut

729

00:30:41,590 --> 00:30:38,720

saw it on a space flight

730

00:30:42,230 --> 00:30:41,600

but uh well we'll let him tell that part

731

00:30:44,389 --> 00:30:42,240

of the story

732

00:30:46,070 --> 00:30:44,399

mercury 7 astronaut gordon cooper would

733

00:30:48,230 --> 00:30:46,080

seem to be a reliable source

734

00:30:49,909 --> 00:30:48,240

so many conspiracy theorists put great

735

00:30:51,510 --> 00:30:49,919

stock in the rumor that cooper saw the

736

00:30:52,230 --> 00:30:51,520

black knight satellite while orbiting

737

00:30:54,389 --> 00:30:52,240

the earth

738

00:30:56,149 --> 00:30:54,399

allegedly up to 100 more people on earth

739

00:30:57,990 --> 00:30:56,159

even saw the satellite on their radar

740

00:31:00,149 --> 00:30:58,000

while tracking cooper's flight

741

00:31:02,070 --> 00:31:00,159

one problem though according to skeptoid

742

00:31:03,990 --> 00:31:02,080

cooper was adamant that his sighting of

743

00:31:07,350 --> 00:31:04,000

the black knight was made up by ufo

744

00:31:10,470 --> 00:31:07,360

fanatics so what's the truth

745

00:31:12,630 --> 00:31:10,480

yeah gordon cooper later said that he

746

00:31:14,310 --> 00:31:12,640

never saw something that people

747

00:31:15,590 --> 00:31:14,320

described as the black knight satellite

748

00:31:18,310 --> 00:31:15,600

saw something

749

00:31:20,789 --> 00:31:18,320

i'm sure that he saw different objects

750

00:31:23,269 --> 00:31:20,799

while he was on space flights but

751

00:31:24,870 --> 00:31:23,279

again this is the this is the

752

00:31:27,430 --> 00:31:24,880

combination

753

00:31:29,350 --> 00:31:27,440

of many different historical things

754

00:31:31,590 --> 00:31:29,360

coming together to try to make this

755

00:31:33,430 --> 00:31:31,600

to desperately i believe trying to make

756

00:31:36,470 --> 00:31:33,440

this story float

757

00:31:40,630 --> 00:31:36,480

and so far i think if you look into

758

00:31:43,110 --> 00:31:40,640

each of these separate historical events

759

00:31:45,269 --> 00:31:43,120

the stories begin sinking quickly the

760

00:31:47,990 --> 00:31:45,279

aliens know for sure

761

00:31:48,950 --> 00:31:48,000

the people of epsilon buotus in the

762

00:31:50,789 --> 00:31:48,960

1970s

763

00:31:52,630 --> 00:31:50,799

science fiction author duncan london

764

00:31:54,470 --> 00:31:52,640

took those radio echoes jurgen halls

765

00:31:55,830 --> 00:31:54,480

discovered in the 1920s and mapped them

766

00:31:57,430 --> 00:31:55,840

against constellations

767

00:31:59,269 --> 00:31:57,440

he concluded that the signals were from

768

00:32:01,029 --> 00:31:59,279

the star epsilon buotis

769

00:32:02,389 --> 00:32:01,039

and claimed the decoded message said

770

00:32:05,190 --> 00:32:02,399

this our home is

771

00:32:07,190 --> 00:32:05,200

epsilon buotus which is a double star we

772

00:32:09,269 --> 00:32:07,200

live on the sixth planet of seven

773

00:32:10,389 --> 00:32:09,279

check that the sixth of seven counting

774

00:32:13,190 --> 00:32:10,399

outwards from the sun

775

00:32:14,950 --> 00:32:13,200

which is the larger of the two stars and

776

00:32:18,149 --> 00:32:14,960

i just wanted to mention

777

00:32:19,110 --> 00:32:18,159

i'm not sure how you get from radio

778

00:32:22,789 --> 00:32:19,120

signals

779

00:32:25,590 --> 00:32:22,799

to suddenly decoding a message in

780

00:32:26,830 --> 00:32:25,600

english or any human language how would

781

00:32:31,350 --> 00:32:26,840

they know our language

782

00:32:33,269 --> 00:32:31,360

enough to communicate in our language

783

00:32:35,029 --> 00:32:33,279

so that seemed a little hokey to me i

784

00:32:35,430 --> 00:32:35,039

remember hearing about this when i was

785

00:32:38,870 --> 00:32:35,440

first

786

00:32:40,710 --> 00:32:38,880

interested in this probably around 2003

787

00:32:43,590 --> 00:32:40,720

when those photographs first hit

788

00:32:46,470 --> 00:32:43,600

and again i was pretty convinced because

789

00:32:49,110 --> 00:32:46,480

most of the websites most of the

790

00:32:50,789 --> 00:32:49,120

web pages at the time that were citing

791

00:32:53,669 --> 00:32:50,799

this as proof

792

00:32:54,870 --> 00:32:53,679

of the black knight satellite left out

793

00:33:00,549 --> 00:32:54,880

an important part of

794

00:33:04,389 --> 00:33:02,549

data point let's call this a data point

795

00:33:05,190 --> 00:33:04,399

this gentleman is one data point in the

796

00:33:07,269 --> 00:33:05,200

story

797

00:33:09,430 --> 00:33:07,279

so they included the data point that he

798

00:33:11,509 --> 00:33:09,440

decoded the signals and it said

799

00:33:13,190 --> 00:33:11,519

this our home is epsilon buddhist which

800

00:33:13,990 --> 00:33:13,200

is a double star we live in the sixth

801
00:33:15,669 --> 00:33:14,000
planet of seven

802
00:33:17,430 --> 00:33:15,679
check that the sixth of seven counting

803
00:33:19,830 --> 00:33:17,440
outwards from the sun which is the

804
00:33:22,549 --> 00:33:19,840
larger of the two stars

805
00:33:23,190 --> 00:33:22,559
um you know and it's interesting that

806
00:33:25,110 --> 00:33:23,200
today

807
00:33:26,950 --> 00:33:25,120
with the kepler satellite we could go

808
00:33:29,990 --> 00:33:26,960
and check epsilon buddhists

809
00:33:32,149 --> 00:33:30,000
to see if uh it is a double star i'm not

810
00:33:33,750 --> 00:33:32,159
sure if it is or isn't i haven't

811
00:33:35,269 --> 00:33:33,760
looked into this specifically but we

812
00:33:37,909 --> 00:33:35,279
could see

813
00:33:39,509 --> 00:33:37,919

if there's seven planets there today we

814

00:33:43,029 --> 00:33:39,519

could prove or disprove this

815

00:33:46,149 --> 00:33:43,039

as being completely factually possible

816

00:33:48,950 --> 00:33:46,159

or being complete [h__h] i wish

817

00:33:50,470 --> 00:33:48,960

that the people at nasa would get i wish

818

00:33:53,909 --> 00:33:50,480

they had one guy there

819

00:33:57,590 --> 00:33:53,919

that just monitored weird conspiracies

820

00:33:59,430 --> 00:33:57,600

right and used the the planet hunting

821

00:33:59,750 --> 00:33:59,440

satellites to find out if people are

822

00:34:01,590 --> 00:33:59,760

full

823

00:34:03,430 --> 00:34:01,600

[h__h] or not because here's one example

824

00:34:04,870 --> 00:34:03,440

where they could go and find out if

825

00:34:07,509 --> 00:34:04,880

there really is

826

00:34:09,669 --> 00:34:07,519

seven planets around this epsilon

827

00:34:12,069 --> 00:34:09,679

buddhist and if it's a double star

828

00:34:13,349 --> 00:34:12,079

system or not and additionally they

829

00:34:16,389 --> 00:34:13,359

could also

830

00:34:17,829 --> 00:34:16,399

you know go check zeta reticuli and see

831

00:34:20,389 --> 00:34:17,839

if there could be habitable planets

832

00:34:22,950 --> 00:34:20,399

there because so many alien conspiracies

833

00:34:25,510 --> 00:34:22,960

say that these gray aliens are from

834

00:34:25,990 --> 00:34:25,520

you know zeta reticuli wouldn't it be

835

00:34:27,909 --> 00:34:26,000

nice

836

00:34:29,829 --> 00:34:27,919

if we could have scientific verification

837

00:34:31,829 --> 00:34:29,839

that yeah there could be some

838

00:34:33,829 --> 00:34:31,839

you know inhabitable planets there or

839

00:34:36,869 --> 00:34:33,839

not

840

00:34:38,069 --> 00:34:36,879

so i always wished that nasa had sort of

841

00:34:40,149 --> 00:34:38,079

a weird desk guy

842

00:34:42,069 --> 00:34:40,159

whose job it was to look into this stuff

843

00:34:43,990 --> 00:34:42,079

and like say no no we checked with our

844

00:34:46,149 --> 00:34:44,000

satellites there's no planets

845

00:34:47,990 --> 00:34:46,159

there's only one or two planets around

846

00:34:50,869 --> 00:34:48,000

epsilon buddhists and it's not a double

847

00:34:51,909 --> 00:34:50,879

star or whatever so that we could put

848

00:34:55,510 --> 00:34:51,919

this

849

00:34:57,109 --> 00:34:55,520

whole story to rest as being fake right

850

00:34:59,190 --> 00:34:57,119

but instead we get the conspiracy

851
00:35:02,310 --> 00:34:59,200
theorists citing this is

852
00:35:03,349 --> 00:35:02,320
absolute proof somehow our sixth planet

853
00:35:05,750 --> 00:35:03,359
has one moon

854
00:35:07,510 --> 00:35:05,760
our fourth planet has three our first

855
00:35:09,910 --> 00:35:07,520
and third planet each have one

856
00:35:11,589 --> 00:35:09,920
our probe is in the orbit of your moon

857
00:35:13,270 --> 00:35:11,599
london later withdrew his claims

858
00:35:14,870 --> 00:35:13,280
but theorists believe the mention of a

859
00:35:16,470 --> 00:35:14,880
probe orbiting the moon is

860
00:35:18,310 --> 00:35:16,480
actually talking about the black knight

861
00:35:20,950 --> 00:35:18,320
satellite orbiting earth

862
00:35:22,310 --> 00:35:20,960
recent sightings yeah and this gentleman

863
00:35:25,430 --> 00:35:22,320

later said

864

00:35:27,349 --> 00:35:25,440

that what he did to decode this message

865

00:35:32,310 --> 00:35:27,359

was not scientific

866

00:35:34,630 --> 00:35:32,320

and uh he totally recanted his

867

00:35:36,710 --> 00:35:34,640

i guess statements that he had decoded

868

00:35:39,510 --> 00:35:36,720

this message and here's what it said

869

00:35:40,550 --> 00:35:39,520

so and again on every one of the web

870

00:35:41,910 --> 00:35:40,560

pages

871

00:35:44,069 --> 00:35:41,920

that was talking about the black knight

872

00:35:45,990 --> 00:35:44,079

satellite in 2003 they would mention

873

00:35:48,870 --> 00:35:46,000

this person decoding these

874

00:35:50,390 --> 00:35:48,880

these signals and what they said but

875

00:35:53,270 --> 00:35:50,400

they would always leave out

876

00:35:54,870 --> 00:35:53,280

that he later again recant it just like

877

00:35:57,430 --> 00:35:54,880

the person that

878

00:35:58,870 --> 00:35:57,440

apparently cited the black knight this

879

00:36:01,109 --> 00:35:58,880

person

880

00:36:02,790 --> 00:36:01,119

who was a science fiction writer by the

881

00:36:05,510 --> 00:36:02,800

way

882

00:36:07,990 --> 00:36:05,520

later said what i did was not at all

883

00:36:11,030 --> 00:36:08,000

scientific i don't stand by my original

884

00:36:12,790 --> 00:36:11,040

statements or the that the translation

885

00:36:15,829 --> 00:36:12,800

is at all accurate

886

00:36:18,950 --> 00:36:15,839

i'd like to get a hold of these uh

887

00:36:21,910 --> 00:36:18,960

of these signals that he

888

00:36:23,829 --> 00:36:21,920

apparently somehow decoded find out how

889

00:36:27,030 --> 00:36:23,839

you decode alien signals

890

00:36:29,589 --> 00:36:27,040

and see what i could see from the actual

891

00:36:31,349 --> 00:36:29,599

data of these things but i have been

892

00:36:34,230 --> 00:36:31,359

unable to find

893

00:36:34,950 --> 00:36:34,240

any of this recorded data of these

894

00:36:37,829 --> 00:36:34,960

signals

895

00:36:39,349 --> 00:36:37,839

somehow 1998 the crew of space shuttle

896

00:36:41,270 --> 00:36:39,359

endeavour photographed something in

897

00:36:42,950 --> 00:36:41,280

orbit that looked very similar to other

898

00:36:43,589 --> 00:36:42,960

images of the alleged black knight

899

00:36:45,109 --> 00:36:43,599

satellite

900

00:36:46,630 --> 00:36:45,119

however it was concluded that it was

901
00:36:47,750 --> 00:36:46,640
probably just a thermal blanket that had

902
00:36:49,829 --> 00:36:47,760
been lost in space

903
00:36:51,670 --> 00:36:49,839
in 2015 there were at least two

904
00:36:53,109 --> 00:36:51,680
sightings including an object passing in

905
00:36:54,870 --> 00:36:53,119
front of the moon and footage of the

906
00:36:55,750 --> 00:36:54,880
satellite hovering over florida before

907
00:36:58,069 --> 00:36:55,760
disappearing

908
00:36:59,990 --> 00:36:58,079
and in april 2017 there was footage

909
00:37:01,589 --> 00:37:00,000
released to tabloids that supposedly

910
00:37:03,430 --> 00:37:01,599
showed an illuminati rocket

911
00:37:05,030 --> 00:37:03,440
blowing up the black knight satellite

912
00:37:07,030 --> 00:37:05,040
the jury is still out on this one

913
00:37:09,670 --> 00:37:07,040

oh that's another one if you're gonna

914

00:37:11,190 --> 00:37:09,680

have if you're gonna have a conspiracy

915

00:37:13,750 --> 00:37:11,200

and you want it to be believable you

916

00:37:14,950 --> 00:37:13,760

gotta you gotta weave in the illuminati

917

00:37:17,349 --> 00:37:14,960

into this thing

918

00:37:19,030 --> 00:37:17,359

but one thing is for sure if that rocket

919

00:37:20,630 --> 00:37:19,040

was fired by the person who actually

920

00:37:22,150 --> 00:37:20,640

killed jfk

921

00:37:23,829 --> 00:37:22,160

we could finally be close to getting

922

00:37:25,589 --> 00:37:23,839

some real answers

923

00:37:27,670 --> 00:37:25,599

thanks for watching click the ground

924

00:37:31,750 --> 00:37:27,680

yeah so uh

925

00:37:36,150 --> 00:37:31,760

there we have it friends i uh

926

00:37:38,950 --> 00:37:36,160

i did have i did have a few other things

927

00:37:40,230 --> 00:37:38,960

but you know i really think that oh you

928

00:37:42,069 --> 00:37:40,240

know what i do have one more

929

00:37:44,550 --> 00:37:42,079

important one that i want to present

930

00:37:48,470 --> 00:37:44,560

because uh

931

00:37:51,589 --> 00:37:48,480

it's important that you also

932

00:37:54,950 --> 00:37:51,599

that we also realize

933

00:37:58,230 --> 00:37:54,960

that people just like to fool people

934

00:38:01,990 --> 00:37:58,240

right people just like to

935

00:38:05,910 --> 00:38:02,000

create artificial evidence

936

00:38:08,950 --> 00:38:05,920

and you know i believe the best

937

00:38:12,550 --> 00:38:08,960

artificial evidence that i found

938

00:38:14,230 --> 00:38:12,560

is again on uh there's a website called

939

00:38:18,230 --> 00:38:14,240

ufo footage.uk

940

00:38:21,349 --> 00:38:18,240

and they have a ton a ton of ufo

941

00:38:26,470 --> 00:38:21,359

related footage and things like that

942

00:38:31,430 --> 00:38:29,670

i'm going to uh i'm going to show you

943

00:38:31,990 --> 00:38:31,440

one more video and again we're going to

944

00:38:33,990 --> 00:38:32,000

cite fair

945

00:38:35,510 --> 00:38:34,000

use i don't know if this is a

946

00:38:38,950 --> 00:38:35,520

copyrighted fake

947

00:38:41,030 --> 00:38:38,960

video but you know just to be safe

948

00:38:43,510 --> 00:38:41,040

we're educating the public about this

949

00:38:46,950 --> 00:38:43,520

black knight satellite

950

00:38:50,870 --> 00:38:46,960

and so uh i believe

951
00:38:53,190 --> 00:38:50,880
that this is fair use

952
00:38:54,550 --> 00:38:53,200
and let's see if we can play this and

953
00:38:57,270 --> 00:38:54,560
again i

954
00:38:58,630 --> 00:38:57,280
try when this i remember when this video

955
00:39:00,950 --> 00:38:58,640
came out

956
00:39:02,310 --> 00:39:00,960
uh and start making the rounds i try to

957
00:39:04,870 --> 00:39:02,320
find some sourcing

958
00:39:06,310 --> 00:39:04,880
for it some information about where the

959
00:39:08,069 --> 00:39:06,320
video was taken

960
00:39:09,670 --> 00:39:08,079
what it was it take it had to be taken

961
00:39:12,950 --> 00:39:09,680
from a spacecraft right

962
00:39:15,430 --> 00:39:12,960
so how many people were in space um

963
00:39:16,150 --> 00:39:15,440

but we don't ever get to any source

964

00:39:18,710 --> 00:39:16,160

material

965

00:39:19,750 --> 00:39:18,720

that we can verify as real or true or

966

00:39:21,750 --> 00:39:19,760

correct

967

00:39:23,190 --> 00:39:21,760

and i think it's interesting that this

968

00:39:25,190 --> 00:39:23,200

video shows

969

00:39:26,790 --> 00:39:25,200

an incredible amount more detail than

970

00:39:32,790 --> 00:39:26,800

the space blanket photos

971

00:39:38,150 --> 00:39:34,790

and here we can see this definitely

972

00:39:42,069 --> 00:39:38,160

appears a lot more structured right

973

00:39:44,069 --> 00:39:42,079

it appears to be a lot more

974

00:39:45,109 --> 00:39:44,079

look this thing looks like a spacecraft

975

00:39:47,510 --> 00:39:45,119

or something looks like

976
00:39:52,870 --> 00:39:47,520
engines or nozzles here maybe some kind

977
00:39:59,589 --> 00:39:56,870
let's just watch it one more time

978
00:40:01,910 --> 00:39:59,599
this looks a hell of a lot more

979
00:40:03,829 --> 00:40:01,920
convincing than the space blanket videos

980
00:40:07,270 --> 00:40:03,839
or space blanket photos

981
00:40:10,630 --> 00:40:07,280
right but again no one can ever

982
00:40:11,750 --> 00:40:10,640
show me the the source of this actual

983
00:40:13,829 --> 00:40:11,760
video

984
00:40:15,829 --> 00:40:13,839
right and it looks like there's a

985
00:40:20,550 --> 00:40:15,839
something flying across the

986
00:40:25,750 --> 00:40:23,589
tr3b right i've seen somebody say that

987
00:40:30,150 --> 00:40:25,760
was a tr-3b

988
00:40:32,630 --> 00:40:30,160

there we go so yeah we bring together

989

00:40:33,190 --> 00:40:32,640

all kinds of different things we throw

990

00:40:35,270 --> 00:40:33,200

in

991

00:40:38,550 --> 00:40:35,280

some fake evidence that somebody just

992

00:40:40,150 --> 00:40:38,560

created to fool people i suppose

993

00:40:42,470 --> 00:40:40,160

and all of these different historical

994

00:40:45,670 --> 00:40:42,480

events all converge

995

00:40:50,950 --> 00:40:45,680

right and we somehow

996

00:40:57,190 --> 00:40:54,630

i'm a somewhat believable story

997

00:40:58,710 --> 00:40:57,200

out of the combination of all of these

998

00:41:01,030 --> 00:40:58,720

different events

999

00:41:02,790 --> 00:41:01,040

all this so-called evidence i mean i

1000

00:41:03,589 --> 00:41:02,800

think it's interesting that two of the

1001

00:41:06,069 --> 00:41:03,599

people that

1002

00:41:07,589 --> 00:41:06,079

everyone cites as evidence totally went

1003

00:41:08,390 --> 00:41:07,599

back on what they originally said and

1004

00:41:11,589 --> 00:41:08,400

said no

1005

00:41:13,750 --> 00:41:11,599

uh i made it up or

1006

00:41:14,630 --> 00:41:13,760

i didn't use good science and i don't

1007

00:41:17,910 --> 00:41:14,640

stand by

1008

00:41:21,109 --> 00:41:17,920

what i said previously it's just

1009

00:41:22,309 --> 00:41:21,119

you just don't know and you know there

1010

00:41:28,710 --> 00:41:22,319

is a

1011

00:41:29,670 --> 00:41:28,720

of information um i'm gonna i'm gonna

1012

00:41:36,550 --> 00:41:29,680

share one more

1013

00:41:40,710 --> 00:41:38,230

yes and this article is called the black

1014

00:41:42,630 --> 00:41:40,720

knight satellite a hodgepodge of alien

1015

00:41:45,349 --> 00:41:42,640

conspiracy theories

1016

00:41:46,309 --> 00:41:45,359

which uh i think is really is really

1017

00:41:49,430 --> 00:41:46,319

interesting

1018

00:41:51,190 --> 00:41:49,440

and this is from space.com space

1019

00:41:52,950 --> 00:41:51,200

mysteries for decades different

1020

00:41:55,349 --> 00:41:52,960

discoveries have been linked to a single

1021

00:41:56,630 --> 00:41:55,359

possible spacecraft of extraterrestrial

1022

00:41:57,990 --> 00:41:56,640

origin

1023

00:41:59,430 --> 00:41:58,000

sometimes the introduction of a news

1024

00:42:00,790 --> 00:41:59,440

report will stop you in the tracks

1025

00:42:02,390 --> 00:42:00,800

forcing you to re-read

1026

00:42:03,829 --> 00:42:02,400

in fear you didn't quite grasp the point

1027

00:42:06,230 --> 00:42:03,839

the first time that was certainly the

1028

00:42:09,670 --> 00:42:06,240

case when mail online published a story

1029

00:42:11,190 --> 00:42:09,680

on march 21st 2017 an alien satellite

1030

00:42:13,349 --> 00:42:11,200

set up more than twelve thousand years

1031

00:42:14,870 --> 00:42:13,359

ago to spy on humans has been shot down

1032

00:42:17,910 --> 00:42:14,880

by elite soldiers from

1033

00:42:20,630 --> 00:42:17,920

the illuminati ufo from the illuminati

1034

00:42:24,790 --> 00:42:20,640

ufo hunters claim

1035

00:42:26,710 --> 00:42:24,800

wow it's been 120 years since

1036

00:42:28,230 --> 00:42:26,720

conspiracists believe the existence of

1037

00:42:29,829 --> 00:42:28,240

black knight was recorded

1038

00:42:31,670 --> 00:42:29,839

those who subscribed to the theory lay

1039

00:42:34,550 --> 00:42:31,680

claim of an extraterrestrial spacecraft

1040

00:42:37,190 --> 00:42:34,560

in near polar orbit of the earth

1041

00:42:37,829 --> 00:42:37,200

again this satellite supposedly goes the

1042

00:42:40,309 --> 00:42:37,839

opposite

1043

00:42:42,550 --> 00:42:40,319

rotation of the earth which is the

1044

00:42:45,270 --> 00:42:42,560

opposite way that every other satellite

1045

00:42:45,670 --> 00:42:45,280

operates well they although they draw

1046

00:42:47,510 --> 00:42:45,680

upon

1047

00:42:49,990 --> 00:42:47,520

evidence so disparate that it's not

1048

00:42:51,430 --> 00:42:50,000

entirely clear why people link them

1049

00:42:53,109 --> 00:42:51,440

what they amount to whoever is an

1050

00:42:54,950 --> 00:42:53,119

intriguing set of ingredients that taken

1051
00:42:57,510 --> 00:42:54,960
together caused people to scream

1052
00:42:58,550 --> 00:42:57,520
loud about potential cover-ups by nasa

1053
00:43:00,390 --> 00:42:58,560
and the government

1054
00:43:01,589 --> 00:43:00,400
in that sense it is a legend that

1055
00:43:05,670 --> 00:43:01,599
refuses to go

1056
00:43:08,870 --> 00:43:05,680
away the photo evidence that isn't

1057
00:43:14,710 --> 00:43:08,880
evidence here we see a breakdown of the

1058
00:43:19,190 --> 00:43:16,710
yeah and and we have the story of the

1059
00:43:21,589 --> 00:43:19,200
space blanket getting away

1060
00:43:23,190 --> 00:43:21,599
and here we see this is another thing

1061
00:43:26,470 --> 00:43:23,200
that drives me crazy

1062
00:43:28,390 --> 00:43:26,480
this is an artist's rendition of this

1063
00:43:30,710 --> 00:43:28,400

black knight satellite and notice that

1064

00:43:33,910 --> 00:43:30,720

we could see all kinds of you know

1065

00:43:36,950 --> 00:43:33,920

kinds of structures uh

1066

00:43:37,750 --> 00:43:36,960

astronaut debris right but then we get a

1067

00:43:38,950 --> 00:43:37,760

picture

1068

00:43:41,109 --> 00:43:38,960

and this is the kind of stuff that

1069

00:43:44,470 --> 00:43:41,119

people will repost as real

1070

00:43:45,990 --> 00:43:44,480

like there have been so many times when

1071

00:43:48,550 --> 00:43:46,000

i saw somebody

1072

00:43:49,589 --> 00:43:48,560

who used a photograph which was heavily

1073

00:43:51,990 --> 00:43:49,599

manipulated

1074

00:43:53,190 --> 00:43:52,000

of the black knight satellite or just a

1075

00:43:54,870 --> 00:43:53,200

straight-up artist

1076

00:43:56,390 --> 00:43:54,880

rendering of the black knight satellite

1077

00:44:00,150 --> 00:43:56,400

that wasn't a real photo

1078

00:44:02,309 --> 00:44:00,160

and posting it as a real photo

1079

00:44:03,990 --> 00:44:02,319

this kind of stuff kind of drives me a

1080

00:44:05,190 --> 00:44:04,000

little bit nuts when i see people

1081

00:44:09,829 --> 00:44:05,200

posting that stuff

1082

00:44:14,550 --> 00:44:09,839

as actual you know as actual evidence

1083

00:44:18,230 --> 00:44:16,390

so but it is what it is friends people

1084

00:44:21,670 --> 00:44:18,240

are going to post

1085

00:44:24,230 --> 00:44:21,680

you know things that don't have a basis

1086

00:44:25,190 --> 00:44:24,240

in reality people are going to post

1087

00:44:29,030 --> 00:44:25,200

things like that

1088

00:44:31,349 --> 00:44:29,040

and uh i guess it's up to us to

1089

00:44:32,790 --> 00:44:31,359

look a little deeper right to look into

1090

00:44:35,510 --> 00:44:32,800

into these things

1091

00:44:36,870 --> 00:44:35,520

and decide for ourselves whether people

1092

00:44:39,750 --> 00:44:36,880

whether it's a real photo

1093

00:44:40,230 --> 00:44:39,760

or if it's a 3d render that some artist

1094

00:44:41,990 --> 00:44:40,240

did

1095

00:44:44,870 --> 00:44:42,000

who happens to be a fan of this

1096

00:44:47,109 --> 00:44:44,880

particular conspiracy theory

1097

00:44:47,910 --> 00:44:47,119

well and well friends i think this is

1098

00:44:50,069 --> 00:44:47,920

about

1099

00:44:51,990 --> 00:44:50,079

what i have to present for our

1100

00:44:53,990 --> 00:44:52,000

presentation tonight

1101
00:44:56,230 --> 00:44:54,000
but what do you think about the black

1102
00:44:59,510 --> 00:44:56,240
knight satellite i'm anxious

1103
00:45:03,589 --> 00:44:59,520
to turn my total attention to the

1104
00:45:07,670 --> 00:45:06,550
i uh i would love to believe this story

1105
00:45:09,990 --> 00:45:07,680
is true right

1106
00:45:10,790 --> 00:45:10,000
that's cool story there's an alien

1107
00:45:13,910 --> 00:45:10,800
satellite

1108
00:45:15,910 --> 00:45:13,920
in space right and uh that's

1109
00:45:18,550 --> 00:45:15,920
it's just a cool story an alien

1110
00:45:20,710 --> 00:45:18,560
satellite in space and again

1111
00:45:21,750 --> 00:45:20,720
how did they get that was put here 13

1112
00:45:23,349 --> 00:45:21,760
000 years ago

1113
00:45:24,790 --> 00:45:23,359

i mean it's just like they just made up

1114

00:45:27,910 --> 00:45:24,800

that factoid but

1115

00:45:30,870 --> 00:45:27,920

you know still

1116

00:45:31,349 --> 00:45:30,880

a black knight satellite sounds like a

1117

00:45:34,390 --> 00:45:31,359

cool

1118

00:45:35,910 --> 00:45:34,400

kind of james bond story to me right it

1119

00:45:38,069 --> 00:45:35,920

could be part of the secret space

1120

00:45:40,309 --> 00:45:38,079

program maybe that's a secret satellite

1121

00:45:43,190 --> 00:45:40,319

nobody's supposed to know about

1122

00:45:44,710 --> 00:45:43,200

maybe it's got space based weapons on it

1123

00:45:48,309 --> 00:45:44,720

it was put there by

1124

00:45:51,670 --> 00:45:48,319

you know some government of the earth

1125

00:45:53,109 --> 00:45:51,680

either the russians or the united states

1126
00:45:56,069 --> 00:45:53,119
and that's why people aren't allowed to

1127
00:45:59,510 --> 00:45:56,079
know the truth about that satellite

1128
00:46:00,309 --> 00:45:59,520
i have heard uh many many different

1129
00:46:02,710 --> 00:46:00,319
explanations

1130
00:46:04,309 --> 00:46:02,720
for this black knight satellite but

1131
00:46:07,589 --> 00:46:04,319
unfortunately this is one

1132
00:46:11,349 --> 00:46:07,599
that i you know could it be true

1133
00:46:14,150 --> 00:46:11,359
i guess maybe but the likelihood

1134
00:46:15,270 --> 00:46:14,160
i think of it being true is pretty low

1135
00:46:17,510 --> 00:46:15,280
considering

1136
00:46:18,470 --> 00:46:17,520
the low level of actual evidence that

1137
00:46:24,790 --> 00:46:18,480
people

1138
00:46:27,990 --> 00:46:24,800

seem to be determined to string together

1139

00:46:30,710 --> 00:46:28,000

just to try to sell this story

1140

00:46:31,910 --> 00:46:30,720

and we have seen many ufo profiteers

1141

00:46:33,990 --> 00:46:31,920

selling this story

1142

00:46:35,670 --> 00:46:34,000

doesn't matter that nasa said it was a

1143

00:46:37,349 --> 00:46:35,680

space blanket doesn't matter

1144

00:46:39,109 --> 00:46:37,359

that we can prove that a space blanket

1145

00:46:41,030 --> 00:46:39,119

got away

1146

00:46:42,630 --> 00:46:41,040

the same day and time that the pictures

1147

00:46:43,990 --> 00:46:42,640

that everybody's saying is this black

1148

00:46:47,030 --> 00:46:44,000

knight satellite doesn't matter

1149

00:46:49,270 --> 00:46:47,040

doesn't matter don't bother me

1150

00:46:50,470 --> 00:46:49,280

with the facts my mind is already made

1151

00:46:52,470 --> 00:46:50,480

up

1152

00:46:54,230 --> 00:46:52,480

this is definitely a problem it's

1153

00:46:56,470 --> 00:46:54,240

definitely a problem

1154

00:47:00,309 --> 00:46:56,480

uh that seems to happen in the so-called

1155

00:47:03,670 --> 00:47:03,109

all right so i'm gonna turn my attention

1156

00:47:07,589 --> 00:47:03,680

uh

1157

00:47:12,550 --> 00:47:09,990

kb says i feel like i'm not alone when i

1158

00:47:14,790 --> 00:47:12,560

say i would sleep much better if i just

1159

00:47:16,069 --> 00:47:14,800

knew the truth about everything why why

1160

00:47:19,030 --> 00:47:16,079

why can't we know

1161

00:47:19,510 --> 00:47:19,040

yeah these sometimes i can't sleep and i

1162

00:47:21,990 --> 00:47:19,520

sit

1163

00:47:23,030 --> 00:47:22,000

and i lay in bed and think of some of

1164

00:47:25,990 --> 00:47:23,040

these

1165

00:47:28,549 --> 00:47:26,000

stories which i'm into which many of

1166

00:47:33,109 --> 00:47:28,559

which cannot be proven or disproven

1167

00:47:36,950 --> 00:47:33,119

right so you know kind of is what it is

1168

00:47:39,589 --> 00:47:36,960

one second friends oh and i just wanted

1169

00:47:43,510 --> 00:47:39,599

to mention that tonight's show is for

1170

00:47:46,870 --> 00:47:43,520

an old friend of mine um and that friend

1171

00:47:51,190 --> 00:47:46,880

reminded me he asked me to do a show on

1172

00:47:55,190 --> 00:47:53,430

uh and and that friend of mine his name

1173

00:47:58,230 --> 00:47:55,200

is tom creery

1174

00:47:59,190 --> 00:47:58,240

and uh tom ran a bbs a long time ago

1175

00:48:02,309 --> 00:47:59,200

back in the day

1176

00:48:03,910 --> 00:48:02,319

uh i when i was a teenager really but

1177

00:48:06,150 --> 00:48:03,920

and he was much older than me but i hung

1178

00:48:07,510 --> 00:48:06,160

out with him and uh we would like build

1179

00:48:10,150 --> 00:48:07,520

computers and

1180

00:48:11,589 --> 00:48:10,160

trade modems and things and we both had

1181

00:48:14,470 --> 00:48:11,599

bulletin board systems

1182

00:48:15,589 --> 00:48:14,480

this was uh you know a bulletin board

1183

00:48:17,030 --> 00:48:15,599

system was basically

1184

00:48:19,430 --> 00:48:17,040

a home-based computer that you could

1185

00:48:22,309 --> 00:48:19,440

call into with your modem

1186

00:48:24,069 --> 00:48:22,319

this was before the internet took off

1187

00:48:27,270 --> 00:48:24,079

everything was much more local

1188

00:48:28,790 --> 00:48:27,280

anyway he ran a bbs so did i um

1189

00:48:31,109 --> 00:48:28,800

i think this was called like a realm of

1190

00:48:34,069 --> 00:48:31,119

hellfire or something like that

1191

00:48:34,950 --> 00:48:34,079

but anyway tonight's show is for him

1192

00:48:36,870 --> 00:48:34,960

because

1193

00:48:38,230 --> 00:48:36,880

he asked me are you going to do a show

1194

00:48:39,829 --> 00:48:38,240

about the black knight satellite and i

1195

00:48:43,109 --> 00:48:39,839

said yeah i've already got one

1196

00:48:45,510 --> 00:48:43,119

i got a folder of links and things

1197

00:48:47,270 --> 00:48:45,520

i have one ready to go i just haven't

1198

00:48:50,470 --> 00:48:47,280

gotten to that story yet

1199

00:48:53,270 --> 00:48:50,480

so for an old friend i

1200

00:48:54,150 --> 00:48:53,280

uh took this story and jumped it to the

1201

00:48:57,670 --> 00:48:54,160

front of the line

1202

00:49:00,150 --> 00:48:57,680

so that he could get uh to watch

1203

00:49:03,430 --> 00:49:00,160

what he wanted to see me do a show about

1204

00:49:05,750 --> 00:49:03,440

this black knight satellites

1205

00:49:08,150 --> 00:49:05,760

did you see the pepsi commercial it was

1206

00:49:09,510 --> 00:49:08,160

big budget had usher do a song was weird

1207

00:49:12,870 --> 00:49:09,520

at the time for

1208

00:49:21,510 --> 00:49:12,880

commercial rap to randomly come out no

1209

00:49:28,829 --> 00:49:25,430

looks as if 50 50 in my humble opinion

1210

00:49:31,670 --> 00:49:28,839

our mind says i remember that commercial

1211

00:49:35,030 --> 00:49:31,680

jiggy

1212

00:49:37,349 --> 00:49:35,040

i did not know that keith heismeier

1213

00:49:38,309 --> 00:49:37,359

says cory good mentions this too claims

1214

00:49:40,069 --> 00:49:38,319

it was boarded

1215

00:49:41,829 --> 00:49:40,079

yeah because cory good likes to take

1216

00:49:44,390 --> 00:49:41,839

existing ufo

1217

00:49:45,589 --> 00:49:44,400

alien mythology and weave it into his

1218

00:49:47,750 --> 00:49:45,599

own bullshittery

1219

00:49:49,270 --> 00:49:47,760

i've seen him do it time and time and

1220

00:49:52,549 --> 00:49:49,280

time again

1221

00:49:54,069 --> 00:49:52,559

and keith heismeier i'm not sure that i

1222

00:49:54,549 --> 00:49:54,079

i don't believe that i've seen you here

1223

00:49:57,510 --> 00:49:54,559

before

1224

00:49:59,510 --> 00:49:57,520

if you are new then welcome friend

1225

00:50:03,030 --> 00:49:59,520

welcome fellow truthseeker

1226

00:50:04,230 --> 00:50:03,040

uh i am only one of them now we have a

1227

00:50:06,470 --> 00:50:04,240

great group here

1228

00:50:08,390 --> 00:50:06,480

i hope that you will subscribe to our

1229

00:50:09,990 --> 00:50:08,400

channel i'd like to see you back again

1230

00:50:12,470 --> 00:50:10,000

if you're interested in this kind of

1231

00:50:13,190 --> 00:50:12,480

content then you have found a good place

1232

00:50:16,630 --> 00:50:13,200

to come

1233

00:50:20,470 --> 00:50:16,640

and explore those topics welcome keith

1234

00:50:23,910 --> 00:50:20,480

heisemeyer william pixley

1235

00:50:25,190 --> 00:50:23,920

oh boy man pics you're gonna give me a

1236

00:50:27,589 --> 00:50:25,200

migraine dude

1237

00:50:29,349 --> 00:50:27,599

because it doesn't matter you with you

1238

00:50:31,430 --> 00:50:29,359

it doesn't matter what evidence i

1239

00:50:34,230 --> 00:50:31,440

show that it's fake you've got to come

1240

00:50:37,349 --> 00:50:34,240

in and say no it exists

1241

00:50:38,069 --> 00:50:37,359

it exists yeah it may but i guess you

1242

00:50:40,069 --> 00:50:38,079

say

1243

00:50:41,109 --> 00:50:40,079

the satellite exists what it is who the

1244

00:50:45,829 --> 00:50:41,119

hell knows

1245

00:50:51,510 --> 00:50:47,750

out of mind says of course not so good

1246

00:50:55,109 --> 00:50:53,190

and you know i found another story

1247

00:50:56,790 --> 00:50:55,119

that's funny and i think fake and that

1248

00:50:59,430 --> 00:50:56,800

is the story of the roswell

1249

00:51:00,230 --> 00:50:59,440

rock and i believe that was on ancient

1250

00:51:03,510 --> 00:51:00,240

aliens

1251
00:51:06,069 --> 00:51:03,520
and we have both david wilcock

1252
00:51:06,790 --> 00:51:06,079
and linda mullen howe supporting that

1253
00:51:08,710 --> 00:51:06,800
story

1254
00:51:10,950 --> 00:51:08,720
in the in the clips that i found about

1255
00:51:11,589 --> 00:51:10,960
the roswell rock which was like a rock

1256
00:51:14,390 --> 00:51:11,599
somebody found

1257
00:51:16,549 --> 00:51:14,400
roswell with some symbols on it and

1258
00:51:17,349 --> 00:51:16,559
those symbols match to crop circle in

1259
00:51:20,710 --> 00:51:17,359
england

1260
00:51:30,390 --> 00:51:20,720
it must be aliens bro we may do a story

1261
00:51:34,230 --> 00:51:33,430
mario heat the black knight satellite is

1262
00:51:36,950 --> 00:51:34,240
a dildo

1263
00:51:39,109 --> 00:51:36,960

detection device from outer space let's

1264

00:51:41,589 --> 00:51:39,119

hope that david wilcock has

1265

00:51:43,030 --> 00:51:41,599

access to it then because so far david

1266

00:51:46,230 --> 00:51:43,040

wilcock has not found

1267

00:51:49,510 --> 00:51:46,240

any of the dildos none of them

1268

00:51:50,150 --> 00:51:49,520

none of them carol utley she's behind a

1269

00:51:52,150 --> 00:51:50,160

paywall

1270

00:51:53,589 --> 00:51:52,160

too yeah of course you got to put it

1271

00:51:55,349 --> 00:51:53,599

behind a paywall man

1272

00:51:57,670 --> 00:51:55,359

i should have put tonight's show behind

1273

00:52:01,109 --> 00:51:57,680

a pay wall and just said it was real

1274

00:52:05,349 --> 00:52:03,430

william pixley says if i'm giving you a

1275

00:52:06,549 --> 00:52:05,359

migraine i consider my work done no

1276

00:52:08,069 --> 00:52:06,559

you're not truly

1277

00:52:09,829 --> 00:52:08,079

it's a figure of speech you're not

1278

00:52:11,990 --> 00:52:09,839

really giving me a migraine my children

1279

00:52:13,829 --> 00:52:12,000

give me migraines

1280

00:52:15,430 --> 00:52:13,839

you have a long way to go before you're

1281

00:52:16,950 --> 00:52:15,440

causing migraines i have a big

1282

00:52:19,510 --> 00:52:16,960

tolerance to headaches because i have

1283

00:52:23,510 --> 00:52:19,520

two children so my tolerance towards

1284

00:52:28,069 --> 00:52:26,390

deviant says big old bag of dildos yes

1285

00:52:31,430 --> 00:52:28,079

friends and please

1286

00:52:34,069 --> 00:52:31,440

continue to hashtag you know number sign

1287

00:52:36,870 --> 00:52:34,079

david wilcock dildo seeker whenever you

1288

00:52:39,430 --> 00:52:36,880

post about it

1289

00:52:40,950 --> 00:52:39,440

dan hogan david wilcock and daniel

1290

00:52:42,870 --> 00:52:40,960

brinkley will be doing a three-part

1291

00:52:44,470 --> 00:52:42,880

series aboard the black knight satellite

1292

00:52:47,190 --> 00:52:44,480

for only 99

1293

00:52:49,109 --> 00:52:47,200

yeah put that [h__h] behind a paywall man

1294

00:52:50,470 --> 00:52:49,119

yeah he's got that backdrop that looks

1295

00:52:52,549 --> 00:52:50,480

like earth right

1296

00:52:54,390 --> 00:52:52,559

it's probably like a ten dollar amazon

1297

00:52:55,589 --> 00:52:54,400

backdrop but he says it's a spaceship he

1298

00:52:57,349 --> 00:52:55,599

could use that same

1299

00:52:58,950 --> 00:52:57,359

backdrop just put some more black in the

1300

00:53:02,790 --> 00:52:58,960

backdrop right and say we're

1301
00:53:04,390 --> 00:53:02,800
we're live on the black knight satellite

1302
00:53:05,990 --> 00:53:04,400
william pixley says i need to work

1303
00:53:07,990 --> 00:53:06,000
harder then yet please don't i have

1304
00:53:11,589 --> 00:53:08,000
enough stress and anxiety in my life oh

1305
00:53:18,870 --> 00:53:15,670
how do i how do i approach this subject

1306
00:53:19,589 --> 00:53:18,880
and and do it justice i i don't know

1307
00:53:22,870 --> 00:53:19,599
that i can

1308
00:53:23,990 --> 00:53:22,880
quickly but i'm going to try um people

1309
00:53:27,270 --> 00:53:24,000
are really

1310
00:53:29,349 --> 00:53:27,280
sending me a lot of messages saying

1311
00:53:31,349 --> 00:53:29,359
how dare you attack these people they're

1312
00:53:35,990 --> 00:53:31,359
just trying to make a living

1313
00:53:38,150 --> 00:53:36,000

uh to which i will reply uh

1314

00:53:39,829 --> 00:53:38,160

and really they're upset because i'm

1315

00:53:42,150 --> 00:53:39,839

going after people that are selling fake

1316

00:53:44,549 --> 00:53:42,160

stories to people for money

1317

00:53:45,270 --> 00:53:44,559

and listen i get it people need to make

1318

00:53:47,910 --> 00:53:45,280

a living

1319

00:53:49,349 --> 00:53:47,920

okay but when you come at me and say

1320

00:53:51,750 --> 00:53:49,359

they're just trying to make a living

1321

00:53:53,910 --> 00:53:51,760

they're making a living selling fake

1322

00:53:56,230 --> 00:53:53,920

[h__h] to stupid people they're taking

1323

00:53:57,349 --> 00:53:56,240

advantage of people selling them fake

1324

00:54:00,390 --> 00:53:57,359

stories

1325

00:54:03,430 --> 00:54:00,400

i find that more morally and ethically

1326

00:54:05,670 --> 00:54:03,440

and maybe legally wrong if you don't

1327

00:54:07,510 --> 00:54:05,680

then we'll agree to disagree but i'm a

1328

00:54:08,950 --> 00:54:07,520

way out to go after people that are

1329

00:54:10,230 --> 00:54:08,960

selling fake [h__h]

1330

00:54:12,069 --> 00:54:10,240

if they're gonna be out there selling

1331

00:54:12,549 --> 00:54:12,079

fake [h__h] they have to be willing to

1332

00:54:15,030 --> 00:54:12,559

take

1333

00:54:16,069 --> 00:54:15,040

criticism from someone like me and if

1334

00:54:18,790 --> 00:54:16,079

they're not

1335

00:54:20,069 --> 00:54:18,800

they're [h__h] cowards so don't come at

1336

00:54:21,910 --> 00:54:20,079

me with this they're just making a

1337

00:54:23,670 --> 00:54:21,920

living how dare you attack these people

1338

00:54:25,270 --> 00:54:23,680

they're just trying to make a living

1339

00:54:27,430 --> 00:54:25,280

there's other ways to make a living

1340

00:54:28,870 --> 00:54:27,440

besides selling people fake [h__h] and

1341

00:54:32,069 --> 00:54:28,880

fake stories

1342

00:54:32,710 --> 00:54:32,079

and i should be allowed to show people

1343

00:54:35,030 --> 00:54:32,720

the proof

1344

00:54:36,390 --> 00:54:35,040

that they're selling fake stories

1345

00:54:39,990 --> 00:54:36,400

without getting

1346

00:54:40,309 --> 00:54:40,000

you know i don't want to say gang stalks

1347

00:54:42,309 --> 00:54:40,319

but

1348

00:54:44,230 --> 00:54:42,319

there's a lot of messages in my inbox

1349

00:54:47,270 --> 00:54:44,240

people pissed off at me

1350

00:54:49,990 --> 00:54:47,280

uh about the dolan show about david

1351
00:54:50,630 --> 00:54:50,000
wilcock he's a spiritual guru how dare

1352
00:54:57,510 --> 00:54:50,640
you

1353
00:54:59,510 --> 00:54:57,520
passionate they're gonna

1354
00:55:00,630 --> 00:54:59,520
people are passionate people they're

1355
00:55:03,190 --> 00:55:00,640
going to

1356
00:55:05,430 --> 00:55:03,200
i guess i i gotta learn to expect that

1357
00:55:07,670 --> 00:55:05,440
some people are gonna push back

1358
00:55:08,470 --> 00:55:07,680
when i say somebody that is one of their

1359
00:55:13,349 --> 00:55:08,480
heroes is

1360
00:55:17,670 --> 00:55:14,870
these people some of these people that

1361
00:55:20,470 --> 00:55:17,680
are coming after me are willing to just

1362
00:55:21,109 --> 00:55:20,480
straight ignore facts so that they can

1363
00:55:24,549 --> 00:55:21,119

continue

1364

00:55:26,789 --> 00:55:24,559

in their delusion in in and belief

1365

00:55:27,829 --> 00:55:26,799

in things like the wilson documents are

1366

00:55:29,990 --> 00:55:27,839

real

1367

00:55:31,910 --> 00:55:30,000

oh and i just wanted to mention that i

1368

00:55:34,309 --> 00:55:31,920

was not going to do a show on the wilson

1369

00:55:36,230 --> 00:55:34,319

documents but due to the overwhelming

1370

00:55:37,910 --> 00:55:36,240

number of stupid people

1371

00:55:40,390 --> 00:55:37,920

that are claiming i don't know what i'm

1372

00:55:42,870 --> 00:55:40,400

talking about i didn't do any research

1373

00:55:43,990 --> 00:55:42,880

i you know i'm an idiot the wilson

1374

00:55:47,109 --> 00:55:44,000

documents are 100

1375

00:55:48,950 --> 00:55:47,119

real okay okay great

1376
00:55:50,789 --> 00:55:48,960
then i'll show my evidence that they're

1377
00:55:52,069 --> 00:55:50,799
100 [h__h] fake

1378
00:55:53,910 --> 00:55:52,079
and then you can come back to me with

1379
00:55:55,670 --> 00:55:53,920
your [h__h] but don't come back to me

1380
00:55:56,150 --> 00:55:55,680
with personal attacks don't come back to

1381
00:55:59,910 --> 00:55:56,160
me

1382
00:56:01,750 --> 00:55:59,920
with any anything other than

1383
00:56:03,109 --> 00:56:01,760
proving the facts that i will present

1384
00:56:05,990 --> 00:56:03,119
about the wilson documents

1385
00:56:07,510 --> 00:56:06,000
as being factually incorrect if i'm

1386
00:56:08,870 --> 00:56:07,520
factually incorrect in the evidence that

1387
00:56:11,829 --> 00:56:08,880
i will present

1388
00:56:13,670 --> 00:56:11,839

have at me go ahead but don't [\h__\h]

1389

00:56:16,630 --> 00:56:13,680

come at me with personal attacks

1390

00:56:18,230 --> 00:56:16,640

don't ignore the facts this is what some

1391

00:56:20,870 --> 00:56:18,240

of these people do

1392

00:56:22,630 --> 00:56:20,880

i present all these facts right in the

1393

00:56:23,510 --> 00:56:22,640

dolan show about the cia deafbed

1394

00:56:26,069 --> 00:56:23,520

confession

1395

00:56:27,190 --> 00:56:26,079

there was so many data points right like

1396

00:56:29,510 --> 00:56:27,200

30 or 40

1397

00:56:30,230 --> 00:56:29,520

data points of historical facts and

1398

00:56:32,630 --> 00:56:30,240

evidence

1399

00:56:34,950 --> 00:56:32,640

that dispute everything that this fake

1400

00:56:36,150 --> 00:56:34,960

cia guy was saying as being factually

1401
00:56:38,069 --> 00:56:36,160
correct

1402
00:56:40,309 --> 00:56:38,079
and everybody that came after me about

1403
00:56:40,870 --> 00:56:40,319
that show totally ignored all those

1404
00:56:43,109 --> 00:56:40,880
facts

1405
00:56:44,309 --> 00:56:43,119
and just told me i'm an [h__h] you wear

1406
00:56:46,549 --> 00:56:44,319
sunglasses

1407
00:56:48,230 --> 00:56:46,559
take those glasses off you dumb [h__h]

1408
00:56:49,430 --> 00:56:48,240
like these are the emails i'm getting

1409
00:56:52,069 --> 00:56:49,440
and by the way again

1410
00:56:52,710 --> 00:56:52,079
i have a paralyzed eye so i'm i'm

1411
00:56:54,789 --> 00:56:52,720
wearing the

1412
00:56:56,069 --> 00:56:54,799
i wear these glasses for medical reasons

1413
00:56:59,190 --> 00:56:56,079

right

1414

00:57:01,589 --> 00:56:59,200

okay you can't if you can't if they

1415

00:57:02,309 --> 00:57:01,599

cannot dispute the facts i present they

1416

00:57:05,270 --> 00:57:02,319

just

1417

00:57:06,950 --> 00:57:05,280

go right to personal attacks and again

1418

00:57:09,109 --> 00:57:06,960

if somebody is going to tell me

1419

00:57:10,630 --> 00:57:09,119

that it's okay to sell fake [h__h] to make

1420

00:57:14,309 --> 00:57:10,640

money

1421

00:57:15,349 --> 00:57:14,319

i i disagree and oh they're not hurting

1422

00:57:17,990 --> 00:57:15,359

anybody

1423

00:57:19,510 --> 00:57:18,000

ah they're stealing money from people

1424

00:57:20,150 --> 00:57:19,520

claiming that the information that they

1425

00:57:23,270 --> 00:57:20,160

possess

1426

00:57:25,030 --> 00:57:23,280

is factual and genuine and real

1427

00:57:27,190 --> 00:57:25,040

and then they take people's money and

1428

00:57:28,470 --> 00:57:27,200

then you find out that their stories are

1429

00:57:31,510 --> 00:57:28,480

total

1430

00:57:33,030 --> 00:57:31,520

[h__\h] nonsense bullshittery

1431

00:57:34,549 --> 00:57:33,040

i have a problem with that and if you

1432

00:57:36,069 --> 00:57:34,559

don't we'll agree to disagree

1433

00:57:37,829 --> 00:57:36,079

if you think people should be able to to

1434

00:57:39,829 --> 00:57:37,839

sell people fake stories

1435

00:57:40,950 --> 00:57:39,839

and make money from fake stories they

1436

00:57:42,789 --> 00:57:40,960

claim are real

1437

00:57:44,150 --> 00:57:42,799

all these people you think they should

1438

00:57:46,150 --> 00:57:44,160

be able to do that

1439

00:57:48,309 --> 00:57:46,160

then [h__h] you i don't think that should

1440

00:57:50,390 --> 00:57:48,319

be i don't think it should be legal

1441

00:57:51,990 --> 00:57:50,400

i think some of these people should face

1442

00:57:53,750 --> 00:57:52,000

like a jury

1443

00:57:55,430 --> 00:57:53,760

should look at what they've been doing

1444

00:57:58,870 --> 00:57:55,440

and say gee

1445

00:58:04,870 --> 00:58:02,230

here's an example for those people

1446

00:58:07,750 --> 00:58:04,880

that need you know need me to make this

1447

00:58:10,950 --> 00:58:07,760

simpler for you to understand

1448

00:58:13,030 --> 00:58:10,960

if i sell you something and i tell you

1449

00:58:14,870 --> 00:58:13,040

this is a real diamond

1450

00:58:16,950 --> 00:58:14,880

and then you purchase the diamond and

1451
00:58:18,630 --> 00:58:16,960
you find out that that diamond that i

1452
00:58:21,270 --> 00:58:18,640
claimed was a real diamond

1453
00:58:23,109 --> 00:58:21,280
was fake that would be a criminal act on

1454
00:58:25,510 --> 00:58:23,119
my part

1455
00:58:26,549 --> 00:58:25,520
but somehow people presenting

1456
00:58:29,349 --> 00:58:26,559
information as

1457
00:58:30,630 --> 00:58:29,359
real and factual and taking people's

1458
00:58:33,109 --> 00:58:30,640
money

1459
00:58:35,510 --> 00:58:33,119
when it's not real or factual it's fake

1460
00:58:38,069 --> 00:58:35,520
is somehow not a criminal act

1461
00:58:39,670 --> 00:58:38,079
or like i keep saying it goes right to

1462
00:58:42,150 --> 00:58:39,680
the edge of legality

1463
00:58:42,789 --> 00:58:42,160

go right to that line that gray line

1464

00:58:45,109 --> 00:58:42,799

right

1465

00:58:45,910 --> 00:58:45,119

stay in the gray don't get don't go all

1466

00:58:48,470 --> 00:58:45,920

the way in the black

1467

00:58:49,910 --> 00:58:48,480

go as gray as you can right up to the

1468

00:58:52,390 --> 00:58:49,920

line where you're going to suffer some

1469

00:58:54,230 --> 00:58:52,400

legal problems from doing this [\h__\h]

1470

00:59:00,950 --> 00:58:54,240

and that my friends is what i feel most

1471

00:59:07,670 --> 00:59:03,990

and we can always count on william

1472

00:59:09,670 --> 00:59:07,680

pixley to tell me i'm wrong uh you claim

1473

00:59:11,510 --> 00:59:09,680

folks are selling fake [\h__\h] some are but

1474

00:59:13,190 --> 00:59:11,520

some are not this is a tough ass field

1475

00:59:15,430 --> 00:59:13,200

the government is controlling the info

1476

00:59:17,349 --> 00:59:15,440

and they don't want their game known

1477

00:59:18,870 --> 00:59:17,359

yeah the men in black william pixley

1478

00:59:20,230 --> 00:59:18,880

they're trying to prevent that alien

1479

00:59:24,309 --> 00:59:20,240

disclosure

1480

00:59:26,950 --> 00:59:24,319

yeah jeanette krazenko that's craziness

1481

00:59:28,150 --> 00:59:26,960

truth seekers yeah it is it's definitely

1482

00:59:31,430 --> 00:59:28,160

crazy

1483

00:59:34,309 --> 00:59:31,440

um i'm going to

1484

00:59:36,069 --> 00:59:34,319

forgo my usual begging bowl spiel and

1485

00:59:37,990 --> 00:59:36,079

begging for money but let you know that

1486

00:59:40,470 --> 00:59:38,000

there is a paypal donate button

1487

00:59:41,430 --> 00:59:40,480

on the about page of our youtube channel

1488

00:59:48,470 --> 00:59:41,440

here

1489

00:59:48,789 --> 00:59:48,480

by patreon and patreon is a dollar the

1490

00:59:52,630 --> 00:59:48,799

month

1491

00:59:55,750 --> 00:59:52,640

donation by paypal

1492

00:59:57,589 --> 00:59:55,760

and just add the note and put your user

1493

00:59:59,349 --> 00:59:57,599

id in the live chat in the note and

1494

01:00:02,069 --> 00:59:59,359

whatever you want me to read online and

1495

01:00:03,589 --> 01:00:02,079

i on the show and i will do that and

1496

01:00:06,549 --> 01:00:03,599

thank everyone for their

1497

01:00:07,750 --> 01:00:06,559

kind and generous financial support that

1498

01:00:09,829 --> 01:00:07,760

is keeping the show

1499

01:00:11,510 --> 01:00:09,839

rolling here we're hoping that we're

1500

01:00:13,829 --> 01:00:11,520

going to upgrade to the pro version of

1501

01:00:16,309 --> 01:00:13,839

streamyard soon and then we're gonna add

1502

01:00:17,430 --> 01:00:16,319

five more destinations right now we're

1503

01:00:22,470 --> 01:00:17,440

streaming on twitch

1504

01:00:26,950 --> 01:00:24,470

oh boy we're gonna start a debate dan

1505

01:00:28,230 --> 01:00:26,960

hogan who do you believe is not selling

1506

01:00:31,190 --> 01:00:28,240

fake [h__\h]

1507

01:00:31,670 --> 01:00:31,200

uh well that question is for picks but

1508

01:00:34,950 --> 01:00:31,680

you

1509

01:00:37,910 --> 01:00:34,960

listen i neglected to mention somebody

1510

01:00:41,030 --> 01:00:37,920

that i should mention

1511

01:00:43,190 --> 01:00:41,040

um a few people ask me well who's

1512

01:00:45,109 --> 01:00:43,200

information source that you actually

1513

01:00:46,789 --> 01:00:45,119

trust about all this stuff

1514

01:00:48,470 --> 01:00:46,799

and i had to think long and hard and

1515

01:00:50,390 --> 01:00:48,480

there are very few

1516

01:00:51,990 --> 01:00:50,400

but one person who i think does

1517

01:00:55,430 --> 01:00:52,000

excellent fact-based

1518

01:00:57,430 --> 01:00:55,440

investigative work and is not

1519

01:00:59,670 --> 01:00:57,440

biased one way or the other he wants to

1520

01:01:01,030 --> 01:00:59,680

get to the truth is john greenwald from

1521

01:01:03,030 --> 01:01:01,040

the black vault

1522

01:01:04,230 --> 01:01:03,040

i've been very impressed with him since

1523

01:01:07,510 --> 01:01:04,240

i was 15.

1524

01:01:10,390 --> 01:01:07,520

we're about the same age he started this

1525

01:01:12,069 --> 01:01:10,400

website when he was like 15 years old

1526

01:01:14,309 --> 01:01:12,079

and i remember

1527

01:01:15,990 --> 01:01:14,319

first hearing about the black ball years

1528

01:01:18,470 --> 01:01:16,000

and years ago

1529

01:01:19,430 --> 01:01:18,480

and wow isn't that a cool idea he's

1530

01:01:21,190 --> 01:01:19,440

going to get

1531

01:01:22,470 --> 01:01:21,200

secret government documents and put them

1532

01:01:25,109 --> 01:01:22,480

all in one place

1533

01:01:26,549 --> 01:01:25,119

but besides his foia work and his work

1534

01:01:29,589 --> 01:01:26,559

on exposing government

1535

01:01:30,710 --> 01:01:29,599

corruption and secrecy just his general

1536

01:01:33,750 --> 01:01:30,720

way of doing things

1537

01:01:36,470 --> 01:01:33,760

is very organized very uh

1538

01:01:37,430 --> 01:01:36,480

very fact based and he doesn't care

1539

01:01:39,430 --> 01:01:37,440

honestly i don't

1540

01:01:40,950 --> 01:01:39,440

i don't know him well but i kind of get

1541

01:01:41,670 --> 01:01:40,960

the impression from him that he doesn't

1542

01:01:44,230 --> 01:01:41,680

care

1543

01:01:46,390 --> 01:01:44,240

if the story is true or false he just

1544

01:01:48,710 --> 01:01:46,400

wants to get to the bottom line of it

1545

01:01:50,630 --> 01:01:48,720

and he does very good work i would

1546

01:01:54,150 --> 01:01:50,640

suggest that you check him out

1547

01:01:55,990 --> 01:01:54,160

and support him for his good work

1548

01:01:58,150 --> 01:01:56,000

how come nobody ever comes back and says

1549

01:01:59,190 --> 01:01:58,160

i was wrong the government doesn't have

1550

01:02:02,069 --> 01:01:59,200

to control it

1551
01:02:03,270 --> 01:02:02,079
people believe anything yeah yeah people

1552
01:02:05,589 --> 01:02:03,280
do believe

1553
01:02:07,109 --> 01:02:05,599
anything and out of mind was kind enough

1554
01:02:09,990 --> 01:02:07,119
to copy my paypal

1555
01:02:10,710 --> 01:02:10,000
you can click on that link and send me

1556
01:02:17,750 --> 01:02:10,720
some money

1557
01:02:22,950 --> 01:02:21,029
okay let's see here william pixley says

1558
01:02:24,950 --> 01:02:22,960
my point of skepticism is easy

1559
01:02:25,990 --> 01:02:24,960
understanding discerning the truth from

1560
01:02:29,349 --> 01:02:26,000
what we think we know

1561
01:02:31,190 --> 01:02:29,359
isn't yeah listen i will give you i

1562
01:02:35,829 --> 01:02:31,200
will give you that it's not an easy

1563
01:02:37,510 --> 01:02:35,839

field this there's so much

1564

01:02:39,029 --> 01:02:37,520

there's so much out there so much

1565

01:02:41,589 --> 01:02:39,039

information out there that

1566

01:02:42,230 --> 01:02:41,599

even digesting it becomes a bit of a

1567

01:02:47,510 --> 01:02:42,240

problem

1568

01:02:49,670 --> 01:02:47,520

and out of mind again

1569

01:02:50,870 --> 01:02:49,680

kindly supporting me by posting my

1570

01:02:53,910 --> 01:02:50,880

patreon and there

1571

01:02:54,789 --> 01:02:53,920

at patreon you could get we do a monthly

1572

01:02:57,670 --> 01:02:54,799

audio journal

1573

01:03:00,069 --> 01:02:57,680

this month for sure i am releasing the

1574

01:03:02,309 --> 01:03:00,079

last of the mind hack demos and the

1575

01:03:05,750 --> 01:03:02,319

patreon supporters will then

1576

01:03:07,990 --> 01:03:05,760

be given uh the entire mindhack system

1577

01:03:10,549 --> 01:03:08,000

will then be put back together

1578

01:03:11,190 --> 01:03:10,559

and free for all patreon supporters this

1579

01:03:16,069 --> 01:03:11,200

will be

1580

01:03:19,190 --> 01:03:16,079

believe for 49

1581

01:03:21,349 --> 01:03:19,200

yes i too will have a course um but

1582

01:03:23,109 --> 01:03:21,359

if you're already a patreon supporter

1583

01:03:25,349 --> 01:03:23,119

and you're just paying a dollar a month

1584

01:03:26,950 --> 01:03:25,359

you get the whole thing for free and the

1585

01:03:29,670 --> 01:03:26,960

patreon supporters have gotten

1586

01:03:31,589 --> 01:03:29,680

pieces of that project the entire time

1587

01:03:32,549 --> 01:03:31,599

it's been being produced that's what the

1588

01:03:35,990 --> 01:03:32,559

backstage pass

1589

01:03:39,029 --> 01:03:36,000

gets you that plus an audio journal and

1590

01:03:43,029 --> 01:03:41,029

i think dolan is real and serious person

1591

01:03:44,870 --> 01:03:43,039

i also believe the same about greer but

1592

01:03:46,789 --> 01:03:44,880

his blue stuff is indeed will be that

1593

01:03:50,870 --> 01:03:46,799

doesn't dismiss the monster country

1594

01:03:53,829 --> 01:03:50,880

oh man picks oh man well

1595

01:03:55,190 --> 01:03:53,839

i know i i i don't i don't really want

1596

01:03:58,630 --> 01:03:55,200

to argue with you today so

1597

01:04:00,710 --> 01:03:58,640

i'm gonna say stay tuned for more about

1598

01:04:01,910 --> 01:04:00,720

steven greer and stay tuned for more

1599

01:04:09,910 --> 01:04:01,920

about richard dolan

1600

01:04:14,470 --> 01:04:12,390

okay let's see i don't like greenwald if

1601
01:04:16,309 --> 01:04:14,480
he's so good why has he promoted jordan

1602
01:04:17,430 --> 01:04:16,319
saylor when he was investigating the q

1603
01:04:20,230 --> 01:04:17,440
anon he could find

1604
01:04:21,910 --> 01:04:20,240
info about sather involved in doxgate

1605
01:04:24,230 --> 01:04:21,920
haven't talked to him about that but if

1606
01:04:26,470 --> 01:04:24,240
he's investigating q anon

1607
01:04:27,349 --> 01:04:26,480
uh say there is one of the leading q

1608
01:04:29,190 --> 01:04:27,359
anon

1609
01:04:30,710 --> 01:04:29,200
sort of personalities so i don't blame

1610
01:04:32,870 --> 01:04:30,720
him one bit for interviewing him

1611
01:04:34,069 --> 01:04:32,880
did he promote him i don't think he

1612
01:04:36,230 --> 01:04:34,079
promoted him i think he

1613
01:04:38,390 --> 01:04:36,240

interviewed him and there's a difference

1614

01:04:40,230 --> 01:04:38,400

i've interviewed many people that i do

1615

01:04:41,910 --> 01:04:40,240

not promote or support what they're

1616

01:04:43,510 --> 01:04:41,920

saying but i still wanted an interview

1617

01:04:44,630 --> 01:04:43,520

for various reasons

1618

01:04:47,190 --> 01:04:44,640

so i think we have to give them the

1619

01:04:50,789 --> 01:04:47,200

benefit of the doubt on that

1620

01:04:52,390 --> 01:04:50,799

great point jasmine true fact jasmine

1621

01:04:54,309 --> 01:04:52,400

yeah i mean i have to look at it

1622

01:04:57,670 --> 01:04:54,319

look i i didn't watch that interview

1623

01:04:59,270 --> 01:04:57,680

because i can't stand jordan stay there

1624

01:05:01,190 --> 01:04:59,280

there's a reason we have lemon laws so

1625

01:05:02,789 --> 01:05:01,200

people can't sell crappy cars last i

1626
01:05:03,829 --> 01:05:02,799
checked we are a nation of laws whether

1627
01:05:06,829 --> 01:05:03,839
they get followed

1628
01:05:09,190 --> 01:05:06,839
is another topic absolutely do people

1629
01:05:12,390 --> 01:05:09,200
follow do people follow the laws

1630
01:05:13,430 --> 01:05:12,400
i i do not know you know generally i

1631
01:05:16,470 --> 01:05:13,440
think people do

1632
01:05:17,670 --> 01:05:16,480
but if you know human nature here's the

1633
01:05:19,670 --> 01:05:17,680
thing about human nature

1634
01:05:21,910 --> 01:05:19,680
and and i think it applies to these ufo

1635
01:05:23,109 --> 01:05:21,920
hucksters selling these fake stories

1636
01:05:24,549 --> 01:05:23,119
it's just human nature

1637
01:05:26,870 --> 01:05:24,559
if you think you could get away with

1638
01:05:28,309 --> 01:05:26,880

something you you try it right

1639

01:05:29,990 --> 01:05:28,319

you remember when you're a kid and like

1640

01:05:31,109 --> 01:05:30,000

mom's not paying attention the cookie

1641

01:05:32,549 --> 01:05:31,119

jar is right there

1642

01:05:34,630 --> 01:05:32,559

i think i can go in there and grab some

1643

01:05:35,589 --> 01:05:34,640

cookies before she notices you know it's

1644

01:05:37,510 --> 01:05:35,599

human nature

1645

01:05:39,349 --> 01:05:37,520

try to get away with what you can and i

1646

01:05:40,950 --> 01:05:39,359

think these people all

1647

01:05:45,190 --> 01:05:40,960

are trying to get away with everything

1648

01:05:48,150 --> 01:05:46,710

and friends if anybody does give a

1649

01:05:49,829 --> 01:05:48,160

donation i'm going to ask you that

1650

01:05:51,990 --> 01:05:49,839

please kindly mention it in the live

1651

01:05:53,510 --> 01:05:52,000

chat in all caps so that i know a

1652

01:05:54,150 --> 01:05:53,520

donation came in because i have the

1653

01:05:57,029 --> 01:05:54,160

paypal

1654

01:05:59,829 --> 01:05:57,039

up but sometimes i forget to keep

1655

01:06:03,670 --> 01:05:59,839

hitting refresh or whatever so

1656

01:06:04,309 --> 01:06:03,680

and uh yeah you can also bump up your

1657

01:06:07,510 --> 01:06:04,319

donation

1658

01:06:09,910 --> 01:06:07,520

amount

1659

01:06:11,589 --> 01:06:09,920

deviated thank you for that yes you can

1660

01:06:13,910 --> 01:06:11,599

give me you can forget about just giving

1661

01:06:17,990 --> 01:06:13,920

me a dollar you could give me 800

1662

01:06:20,309 --> 01:06:18,000

a month or whatever whatever you feel

1663

01:06:22,630 --> 01:06:20,319

jasmine emmerich no he promoted him i'm

1664

01:06:24,549 --> 01:06:22,640

not aware of that jasmine so please

1665

01:06:25,990 --> 01:06:24,559

dm on twitter and let me know exactly

1666

01:06:27,670 --> 01:06:26,000

what you're talking about or why you

1667

01:06:30,630 --> 01:06:27,680

find fault with what he did because

1668

01:06:32,630 --> 01:06:30,640

by and large i i really think that he

1669

01:06:34,710 --> 01:06:32,640

does good work look at the stuff he's

1670

01:06:36,630 --> 01:06:34,720

looking into look at all he has looked

1671

01:06:40,789 --> 01:06:36,640

into for tsa and

1672

01:06:42,630 --> 01:06:40,799

elizondo right he's gotten actual

1673

01:06:43,990 --> 01:06:42,640

you know people from the pentagon to

1674

01:06:45,829 --> 01:06:44,000

comment on things i

1675

01:06:47,589 --> 01:06:45,839

wish that i had i don't know how but he

1676

01:06:49,029 --> 01:06:47,599

does have a lot of clout with government

1677

01:06:51,589 --> 01:06:49,039

types they know who he is

1678

01:06:53,510 --> 01:06:51,599

because his years of filing these foia

1679

01:06:55,430 --> 01:06:53,520

requests are like oh this is that guy

1680

01:06:56,789 --> 01:06:55,440

from that black vault site

1681

01:06:58,870 --> 01:06:56,799

and they know they're going to have to

1682

01:07:01,270 --> 01:06:58,880

deal with him me i don't have

1683

01:07:02,950 --> 01:07:01,280

i guess the leverage to get comment from

1684

01:07:05,430 --> 01:07:02,960

some of these people i try

1685

01:07:07,430 --> 01:07:05,440

right hit the like button please yes

1686

01:07:08,390 --> 01:07:07,440

carol utley please do hit the like

1687

01:07:10,150 --> 01:07:08,400

button

1688

01:07:11,910 --> 01:07:10,160

another way that you can support me i

1689

01:07:13,670 --> 01:07:11,920

know funds are tight for everybody they

1690

01:07:15,829 --> 01:07:13,680

sure are for me which is why i'm here

1691

01:07:17,910 --> 01:07:15,839

with my begging bowl out

1692

01:07:19,430 --> 01:07:17,920

uh every marketable skill that i have is

1693

01:07:21,589 --> 01:07:19,440

really off the table

1694

01:07:24,390 --> 01:07:21,599

trying to make money in this weird new

1695

01:07:26,870 --> 01:07:24,400

world and work from home

1696

01:07:28,150 --> 01:07:26,880

so this is what i'm attempting here and

1697

01:07:31,029 --> 01:07:28,160

so far uh

1698

01:07:32,789 --> 01:07:31,039

you know i've been very fortunate that

1699

01:07:34,789 --> 01:07:32,799

you guys have really helped me a lot and

1700

01:07:36,069 --> 01:07:34,799

i appreciate it but if you don't have a

1701

01:07:37,829 --> 01:07:36,079

few bucks

1702

01:07:39,270 --> 01:07:37,839

i understand the other way that you

1703

01:07:41,430 --> 01:07:39,280

could support me is to like

1704

01:07:43,829 --> 01:07:41,440

comment and subscribe and share this

1705

01:07:46,309 --> 01:07:43,839

video on social media

1706

01:07:46,870 --> 01:07:46,319

other thing that i'm asking everybody to

1707

01:07:48,789 --> 01:07:46,880

do is

1708

01:07:50,150 --> 01:07:48,799

everybody here in the live chat or

1709

01:07:53,510 --> 01:07:50,160

everybody watching this

1710

01:07:55,349 --> 01:07:53,520

you're interested in this you for sure

1711

01:07:56,950 --> 01:07:55,359

have a few friends that are also

1712

01:08:00,710 --> 01:07:56,960

interested in these kind of

1713

01:08:03,589 --> 01:08:00,720

topics so please do copy my

1714

01:08:04,390 --> 01:08:03,599

channel address on youtube and email it

1715

01:08:06,950 --> 01:08:04,400

dm it

1716

01:08:07,589 --> 01:08:06,960

pm it on facebook post it on social

1717

01:08:09,589 --> 01:08:07,599

media and

1718

01:08:11,670 --> 01:08:09,599

ask your friends to subscribe we really

1719

01:08:14,150 --> 01:08:11,680

need to get the subscriber count

1720

01:08:15,750 --> 01:08:14,160

up william pixley stephen i love you man

1721

01:08:17,590 --> 01:08:15,760

seriously about your dismissal of dull

1722

01:08:18,950 --> 01:08:17,600

and grier even given their missteps is

1723

01:08:20,470 --> 01:08:18,960

just lame you need to see the big

1724

01:08:23,110 --> 01:08:20,480

picture not everyone gets

1725

01:08:25,829 --> 01:08:23,120

everything right all right uh fix i'm

1726

01:08:29,110 --> 01:08:25,839

gonna do this quickly

1727

01:08:31,990 --> 01:08:29,120

steven grier promoted a video where he

1728

01:08:33,990 --> 01:08:32,000

said that he was calling in alien

1729

01:08:35,590 --> 01:08:34,000

spacecraft right and he charged people

1730

01:08:36,229 --> 01:08:35,600

money for this event and it can be

1731

01:08:39,590 --> 01:08:36,239

proven

1732

01:08:41,829 --> 01:08:39,600

that there was military exercises

1733

01:08:42,950 --> 01:08:41,839

right in that area where he made that

1734

01:08:45,590 --> 01:08:42,960

video

1735

01:08:47,269 --> 01:08:45,600

where flares were being dropped right

1736

01:08:50,470 --> 01:08:47,279

that's one

1737

01:08:51,189 --> 01:08:50,480

i'll just give you one dolan i'll give

1738

01:08:53,430 --> 01:08:51,199

you two

1739

01:08:55,749 --> 01:08:53,440

quickly dolan supported the roswell

1740

01:08:57,349 --> 01:08:55,759

slides he promoted the roswell slides he

1741

01:09:00,709 --> 01:08:57,359

helped sell that hoax

1742

01:09:03,349 --> 01:09:00,719

that's one number two the cia death bed

1743

01:09:04,709 --> 01:09:03,359

information death bed confession we can

1744

01:09:07,030 --> 01:09:04,719

pick that apart and prove that's

1745

01:09:10,709 --> 01:09:07,040

completely and totally fake

1746

01:09:12,870 --> 01:09:10,719

there are more examples with dolan but

1747

01:09:14,789 --> 01:09:12,880

i don't want to go too far into that

1748

01:09:17,430 --> 01:09:14,799

dolan has time and time again

1749

01:09:18,229 --> 01:09:17,440

tried to profit from selling fake [h__\h]

1750

01:09:21,110 --> 01:09:18,239

does he

1751

01:09:22,950 --> 01:09:21,120

did he know this stuff was fake i think

1752

01:09:25,590 --> 01:09:22,960

he did in a few cases

1753

01:09:27,829 --> 01:09:25,600

uh let's just say a mutual friend told

1754

01:09:29,349 --> 01:09:27,839

me that he knew for a fact that that cia

1755

01:09:31,990 --> 01:09:29,359

guy was fake

1756

01:09:32,550 --> 01:09:32,000

after the video was made right after the

1757

01:09:35,510 --> 01:09:32,560

interview

1758

01:09:36,950 --> 01:09:35,520

and apparently he told jeremy corbell uh

1759

01:09:37,910 --> 01:09:36,960

i don't think i want to be involved in

1760

01:09:39,910 --> 01:09:37,920

this project

1761

01:09:41,110 --> 01:09:39,920

uh if we can't verify this man's

1762

01:09:43,189 --> 01:09:41,120

military and

1763

01:09:44,630 --> 01:09:43,199

and claims of being employed by the cia

1764

01:09:46,789 --> 01:09:44,640

there's no value in this

1765

01:09:48,070 --> 01:09:46,799

and i don't want you know i don't really

1766

01:09:50,229 --> 01:09:48,080

want to be involved

1767

01:09:51,510 --> 01:09:50,239

in this and corbell ran with the story

1768

01:09:53,749 --> 01:09:51,520

anyway

1769

01:09:54,709 --> 01:09:53,759

he's got legal means to force that down

1770

01:10:00,149 --> 01:09:54,719

if he wants to

1771

01:10:01,430 --> 01:10:00,159

divorce himself from participation in

1772

01:10:03,510 --> 01:10:01,440

that hoax

1773

01:10:05,990 --> 01:10:03,520

he can force corbell to take that down

1774

01:10:07,669 --> 01:10:06,000

he hasn't

1775

01:10:10,709 --> 01:10:07,679

hit the thumbs up on the video please

1776

01:10:12,390 --> 01:10:10,719

guys yes please do

1777

01:10:13,910 --> 01:10:12,400

i'll send you the green world say their

1778

01:10:16,870 --> 01:10:13,920

twitter thread

1779

01:10:18,870 --> 01:10:16,880

if it has hasn't been removed yeah

1780

01:10:20,310 --> 01:10:18,880

please do

1781

01:10:21,990 --> 01:10:20,320

yeah i remember though that people were

1782

01:10:23,510 --> 01:10:22,000

pissed off at him for having say they're

1783

01:10:27,270 --> 01:10:23,520

on a show or something like that

1784

01:10:31,350 --> 01:10:29,590

i'm i'm still just wondering how grier

1785

01:10:32,149 --> 01:10:31,360

has gotten away with it for so long if

1786

01:10:33,590 --> 01:10:32,159

he's wrong

1787

01:10:35,110 --> 01:10:33,600

in everything that he says i'm not

1788

01:10:36,950 --> 01:10:35,120

saying he's wrong in everything that he

1789

01:10:37,590 --> 01:10:36,960

says but he's wrong in a lot of things

1790

01:10:39,510 --> 01:10:37,600

that he says

1791

01:10:40,950 --> 01:10:39,520

oh yeah that's another one william

1792

01:10:42,550 --> 01:10:40,960

pixley we'll give you two for stephen

1793

01:10:45,990 --> 01:10:42,560

greer he claimed that he

1794

01:10:46,950 --> 01:10:46,000

briefed a cia director the cia director

1795

01:10:49,430 --> 01:10:46,960

later said

1796

01:10:50,550 --> 01:10:49,440

no i sat at a dinner with him and his

1797

01:10:54,630 --> 01:10:50,560

wife

1798

01:10:57,270 --> 01:10:54,640

table at a social event we didn't really

1799

01:10:59,189 --> 01:10:57,280

talk about ufos i didn't get an actual

1800

01:11:01,669 --> 01:10:59,199

formal briefing from him

1801
01:11:03,750 --> 01:11:01,679
ever ever and by the way it's john

1802
01:11:04,550 --> 01:11:03,760
greenwald who found that information on

1803
01:11:08,630 --> 01:11:04,560
greer

1804
01:11:11,510 --> 01:11:08,640
so he lied about briefing a cia

1805
01:11:11,990 --> 01:11:11,520
director of cia and kell truth how does

1806
01:11:15,030 --> 01:11:12,000
he get away

1807
01:11:16,630 --> 01:11:15,040
with it i i don't know uh i think like i

1808
01:11:20,709 --> 01:11:16,640
said these guys go right to the gray

1809
01:11:23,430 --> 01:11:21,990
what's that i tried to give you a

1810
01:11:23,990 --> 01:11:23,440
hundred dollars a month but you wouldn't

1811
01:11:26,630 --> 01:11:24,000
let me

1812
01:11:28,470 --> 01:11:26,640
oh pics i will let you give me a hundred

1813
01:11:30,070 --> 01:11:28,480

dollars i will let you give me as much

1814

01:11:33,189 --> 01:11:30,080

money as you can give me

1815

01:11:34,149 --> 01:11:33,199

i am broke as [h__h] right now just trying

1816

01:11:37,430 --> 01:11:34,159

to scrape by

1817

01:11:39,910 --> 01:11:37,440

and survive to the next month

1818

01:11:40,470 --> 01:11:39,920

he's even backpedaled on elizondo in my

1819

01:11:42,390 --> 01:11:40,480

opinion

1820

01:11:45,430 --> 01:11:42,400

yeah maybe i'm maybe i'm wrong then

1821

01:11:48,070 --> 01:11:45,440

maybe i'm not keeping up as much as i

1822

01:11:49,110 --> 01:11:48,080

uh don't send cambia money he'll waste

1823

01:11:51,270 --> 01:11:49,120

on dildos no

1824

01:11:52,790 --> 01:11:51,280

i purchased dildos from some money that

1825

01:11:54,790 --> 01:11:52,800

i had saved for

1826

01:11:56,790 --> 01:11:54,800

something else i don't use any of the

1827

01:11:59,430 --> 01:11:56,800

show's money to purchase dildos

1828

01:12:01,350 --> 01:11:59,440

um you know but that may change it

1829

01:12:03,110 --> 01:12:01,360

depends i mean if we're swimming in cash

1830

01:12:04,470 --> 01:12:03,120

why not buy some more dildos for david

1831

01:12:07,990 --> 01:12:04,480

wilcock right

1832

01:12:10,950 --> 01:12:08,000

why not my friends think

1833

01:12:12,950 --> 01:12:10,960

i'm nuts yeah hell truth greer has

1834

01:12:15,350 --> 01:12:12,960

assembled over a thousand oh come on

1835

01:12:16,630 --> 01:12:15,360

it's to speak their truth to dismiss him

1836

01:12:19,669 --> 01:12:16,640

disclosure is just dumb

1837

01:12:21,669 --> 01:12:19,679

where's the thousand really a thousand

1838

01:12:23,430 --> 01:12:21,679

william pixelly that's a bold side like a

1839

01:12:24,950 --> 01:12:23,440

list can you give me the list of all

1840

01:12:26,709 --> 01:12:24,960

thousand people this is the kind of

1841

01:12:28,709 --> 01:12:26,719

stuff that people say about him

1842

01:12:29,750 --> 01:12:28,719

this is his propaganda that you're

1843

01:12:33,430 --> 01:12:29,760

regurgitating

1844

01:12:37,510 --> 01:12:35,350

so now you believe the government weak

1845

01:12:39,189 --> 01:12:37,520

sometimes i do

1846

01:12:41,270 --> 01:12:39,199

regarding these topics my friends will

1847

01:12:44,709 --> 01:12:41,280

think the same of me

1848

01:12:47,270 --> 01:12:44,719

dan hogan yeah everybody thinks i'm a

1849

01:12:48,470 --> 01:12:47,280

little nuts too 1954 ufo researcher

1850

01:12:50,070 --> 01:12:48,480

donald kehoe

1851

01:12:51,590 --> 01:12:50,080

told newspapers that the united states

1852

01:12:53,189 --> 01:12:51,600

air force had reported that two

1853

01:12:54,229 --> 01:12:53,199

satellites orbiting earth have been

1854

01:12:56,950 --> 01:12:54,239

detected

1855

01:12:58,149 --> 01:12:56,960

thank you melissa and i i don't if you

1856

01:13:01,350 --> 01:12:58,159

could send me

1857

01:13:01,750 --> 01:13:01,360

truthseekers gmail.com if you could send

1858

01:13:04,070 --> 01:13:01,760

me

1859

01:13:05,669 --> 01:13:04,080

that article that you're citing i would

1860

01:13:07,510 --> 01:13:05,679

very much like to see it and

1861

01:13:09,510 --> 01:13:07,520

i don't believe that i have seen you

1862

01:13:12,149 --> 01:13:09,520

here before melissa

1863

01:13:13,510 --> 01:13:12,159

welcome welcome to our group here if you

1864

01:13:15,750 --> 01:13:13,520

like topics like this

1865

01:13:17,510 --> 01:13:15,760

you have failed a good place and a good

1866

01:13:19,510 --> 01:13:17,520

group and i hope you will subscribe and

1867

01:13:22,709 --> 01:13:19,520

i hope that i see you here again

1868

01:13:23,270 --> 01:13:22,719

welcome melisa is that is that how you

1869

01:13:27,430 --> 01:13:23,280

say it

1870

01:13:35,750 --> 01:13:32,950

looks more like melissa

1871

01:13:37,350 --> 01:13:35,760

i said there have been missteps yeah

1872

01:13:38,950 --> 01:13:37,360

yeah but how many do you give them pics

1873

01:13:40,070 --> 01:13:38,960

how many times do you catch them lying

1874

01:13:41,510 --> 01:13:40,080

before you say

1875

01:13:43,590 --> 01:13:41,520

i'm not gonna listen to anything this

1876

01:13:45,430 --> 01:13:43,600

liar says right when i was a kid i would

1877

01:13:47,350 --> 01:13:45,440

give every friend of mine one

1878

01:13:49,990 --> 01:13:47,360

right when i was a kid remember that

1879

01:13:52,310 --> 01:13:50,000

like you know your friend told you that

1880

01:13:53,110 --> 01:13:52,320

you know whatever some kind of tall tale

1881

01:13:54,950 --> 01:13:53,120

and you go

1882

01:13:56,550 --> 01:13:54,960

you find out it's [h__h] you give him

1883

01:13:58,790 --> 01:13:56,560

one but if you get if he does it again

1884

01:14:00,630 --> 01:13:58,800

you go ah this guy's full of [h__h]

1885

01:14:02,709 --> 01:14:00,640

so that's kind of where i'm at picks i'm

1886

01:14:04,950 --> 01:14:02,719

like i i've seen them lie

1887

01:14:06,870 --> 01:14:04,960

and sell fake [h__h] so many times that

1888

01:14:09,910 --> 01:14:06,880

i'm just not interested anymore and what

1889

01:14:13,189 --> 01:14:11,669

yes at the same time no country had the

1890

01:14:15,590 --> 01:14:13,199

technology to launch a satellite

1891

01:14:17,430 --> 01:14:15,600

except you have ssr working on a secret

1892

01:14:19,350 --> 01:14:17,440

project to deliver sputnik

1893

01:14:21,110 --> 01:14:19,360

yeah i believe that i saw some mention

1894

01:14:24,310 --> 01:14:21,120

of there being

1895

01:14:26,310 --> 01:14:24,320

uh some sort of

1896

01:14:28,709 --> 01:14:26,320

two i believe said yeah two satellites

1897

01:14:31,990 --> 01:14:28,719

orbiting earth had been detected

1898

01:14:34,630 --> 01:14:32,000

um whether they were actual

1899

01:14:35,590 --> 01:14:34,640

technological man-made satellites they

1900

01:14:39,510 --> 01:14:35,600

could have been

1901

01:14:41,590 --> 01:14:39,520

uh meteors or rocks you know asteroids

1902

01:14:43,189 --> 01:14:41,600

that somehow came into earth's orbit and

1903

01:14:46,070 --> 01:14:43,199

were and were

1904

01:14:48,149 --> 01:14:46,080

orbiting we really i don't know but

1905

01:14:50,070 --> 01:14:48,159

that's an interesting part of this black

1906

01:14:52,709 --> 01:14:50,080

knight satellite story that people

1907

01:14:54,390 --> 01:14:52,719

definitely have latched on to grier is a

1908

01:14:55,990 --> 01:14:54,400

joke so is dolan the moment you charge

1909

01:14:58,550 --> 01:14:56,000

money for a seminar of nothing

1910

01:15:00,550 --> 01:14:58,560

you're a joke yeah i agree with that

1911

01:15:02,229 --> 01:15:00,560

grier is besties with a rockefeller so

1912

01:15:03,830 --> 01:15:02,239

he's not to be trusted in my mind but

1913

01:15:05,750 --> 01:15:03,840

that's just me

1914

01:15:07,590 --> 01:15:05,760

maybe i think i'm a little crazy at

1915

01:15:09,189 --> 01:15:07,600

times too jasmine but i just love this

1916

01:15:11,750 --> 01:15:09,199

stuff so much i

1917

01:15:13,910 --> 01:15:11,760

as much as i bust balls on so much of

1918

01:15:16,149 --> 01:15:13,920

this stuff being fake i can't help it

1919

01:15:17,189 --> 01:15:16,159

i gotta i gotta keep looking into it

1920

01:15:18,870 --> 01:15:17,199

because

1921

01:15:20,709 --> 01:15:18,880

some of this stuff is fascinating to me

1922

01:15:23,189 --> 01:15:20,719

some of this stuff is is a great

1923

01:15:26,709 --> 01:15:23,199

mystery and who doesn't love a great

1924

01:15:30,550 --> 01:15:29,189

no no i do not think dolan put him out

1925

01:15:32,149 --> 01:15:30,560

knowing his credibility can be

1926

01:15:33,669 --> 01:15:32,159

undermined come on man the deathbed

1927

01:15:35,750 --> 01:15:33,679

confession was a huge misstep

1928

01:15:36,950 --> 01:15:35,760

agreed for once i agree with william

1929

01:15:38,790 --> 01:15:36,960

pixley

1930

01:15:40,709 --> 01:15:38,800

taking part in that cia deathbed

1931

01:15:42,790 --> 01:15:40,719

confession was a huge

1932

01:15:43,830 --> 01:15:42,800

huge misstep especially after being

1933

01:15:45,430 --> 01:15:43,840

caught

1934

01:15:48,390 --> 01:15:45,440

being involved in another hoax the

1935

01:15:51,110 --> 01:15:48,400

roswell slide so that's two hoaxes

1936

01:15:53,270 --> 01:15:51,120

that he's been involved in right now two

1937

01:15:56,310 --> 01:15:53,280

maybe three if we count bob lazar

1938

01:15:58,950 --> 01:15:56,320

but the jury's still out people still

1939

01:16:00,550 --> 01:15:58,960

believe that he may be real no i don't

1940

01:16:02,470 --> 01:16:00,560

think so

1941

01:16:06,550 --> 01:16:02,480

hell grier had logan paul learning about

1942

01:16:08,470 --> 01:16:06,560

his latest bsc5 what have grier and

1943

01:16:10,229 --> 01:16:08,480

dolan done for disclosure nothing we are

1944

01:16:12,390 --> 01:16:10,239

no closer we are not closer to

1945

01:16:14,630 --> 01:16:12,400

disclosure than we were 20 years ago

1946

01:16:16,070 --> 01:16:14,640

i agree with mario heat on that point i

1947

01:16:19,189 --> 01:16:16,080

don't think we're any closer to any kind

1948

01:16:24,550 --> 01:16:22,390

wow i'm way behind guys so i'm gonna

1949

01:16:25,990 --> 01:16:24,560

melissa hi there darling did not see you

1950

01:16:28,709 --> 01:16:26,000

there hope you are well

1951

01:16:30,790 --> 01:16:28,719

also see uh melissa you have friends

1952

01:16:33,830 --> 01:16:30,800

here already i think which is

1953

01:16:35,750 --> 01:16:33,840

a good thing uh i'm glad to see new

1954

01:16:38,070 --> 01:16:35,760

people starting to find us

1955

01:16:39,990 --> 01:16:38,080

woolsey is lying his ass oh that's it

1956

01:16:43,590 --> 01:16:40,000

yeah so is admiral wilson

1957

01:16:46,229 --> 01:16:43,600

pixley admiral wilson's lying too

1958

01:16:47,750 --> 01:16:46,239

right the government they just lie of

1959

01:16:47,990 --> 01:16:47,760

course the government lies sometimes

1960

01:16:50,470 --> 01:16:48,000

right

1961

01:16:51,350 --> 01:16:50,480

but come on man you're gonna ignore

1962

01:16:52,790 --> 01:16:51,360

evidence then

1963

01:16:55,990 --> 01:16:52,800

you have to if you want to believe

1964

01:16:58,870 --> 01:16:56,000

stephen greer about you know

1965

01:17:00,229 --> 01:16:58,880

briefing that guy then you have to deny

1966

01:17:03,189 --> 01:17:00,239

a factual statement

1967

01:17:04,310 --> 01:17:03,199

from that gentleman and you have to yeah

1968

01:17:05,910 --> 01:17:04,320

you have to do what you're doing and

1969

01:17:09,750 --> 01:17:05,920

claim he's lying about it

1970

01:17:10,550 --> 01:17:09,760

sure you know i was joking about the

1971

01:17:12,390 --> 01:17:10,560

money you know

1972

01:17:14,390 --> 01:17:12,400

no problem mary i know you're joking

1973

01:17:16,630 --> 01:17:14,400

it's fine more than a thousand

1974

01:17:18,149 --> 01:17:16,640

terrible fail stephen okay send me the

1975

01:17:19,510 --> 01:17:18,159

list i want a thousand names william

1976

01:17:21,510 --> 01:17:19,520

pixley there's your homework and we'll

1977

01:17:24,390 --> 01:17:21,520

start batting them out one by one

1978

01:17:25,030 --> 01:17:24,400

right boy what kind of content could you

1979

01:17:28,470 --> 01:17:25,040

give me

1980

01:17:29,990 --> 01:17:28,480

thousand people right we'll go through

1981

01:17:31,750 --> 01:17:30,000

their stories one by one there's a

1982

01:17:34,310 --> 01:17:31,760

thousand shows there maybe

1983

01:17:35,510 --> 01:17:34,320

do i want that list [h__h] yeah william

1984

01:17:39,189 --> 01:17:35,520

send me the list

1985

01:17:40,310 --> 01:17:39,199

right and hey william pixley not to be

1986

01:17:41,990 --> 01:17:40,320

an [h__h]

1987

01:17:45,189 --> 01:17:42,000

but you know who some of the people on

1988

01:17:48,709 --> 01:17:45,199

that list of a thousand are

1989

01:17:51,830 --> 01:17:48,719

do you know clifford stone

1990

01:17:53,110 --> 01:17:51,840

right you know that guy worked on alien

1991

01:17:56,870 --> 01:17:53,120

crash retrievals

1992

01:17:58,630 --> 01:17:56,880

right was a sergeant in the army right

1993

01:18:00,390 --> 01:17:58,640

go look up what that guy's talking about

1994

01:18:02,470 --> 01:18:00,400

now he's talking about having

1995

01:18:04,310 --> 01:18:02,480

superpowers now so not only did he

1996

01:18:06,550 --> 01:18:04,320

interface with aliens

1997

01:18:09,030 --> 01:18:06,560

years later he decided he has psychic

1998

01:18:11,990 --> 01:18:09,040

superpowers and past lives and all kinds

1999

01:18:18,070 --> 01:18:14,790

bullshittery that's the quality of some

2000

01:18:20,070 --> 01:18:18,080

of his so-called witnesses man

2001

01:18:21,110 --> 01:18:20,080

and that guy's story sounds real great

2002

01:18:23,910 --> 01:18:21,120

until

2003

01:18:24,550 --> 01:18:23,920

you see what he goes off and talks about

2004

01:18:27,030 --> 01:18:24,560

later

2005

01:18:28,229 --> 01:18:27,040

when people tire of his first story you

2006

01:18:29,910 --> 01:18:28,239

know

2007

01:18:31,270 --> 01:18:29,920

participating in a crash retrieval

2008

01:18:33,590 --> 01:18:31,280

program

2009

01:18:35,590 --> 01:18:33,600

melissa out of mind some stuff coming my

2010

01:18:38,550 --> 01:18:35,600

way but safe and cool for now hope you

2011

01:18:43,270 --> 01:18:41,270

yeah i hope out of mind and melissa are

2012

01:18:46,470 --> 01:18:43,280

both doing well

2013

01:18:51,110 --> 01:18:49,030

stephen stroke stephen's struggling to

2014

01:18:53,350 --> 01:18:51,120

stay relevant career logan paul learns

2015

01:18:55,750 --> 01:18:53,360

about a miraculous ce5 healing

2016

01:18:57,030 --> 01:18:55,760

yeah some of this stuff is just over the

2017

01:18:58,950 --> 01:18:57,040

top ridiculous

2018

01:19:00,950 --> 01:18:58,960

uh i am a thousand levels above top

2019

01:19:02,070 --> 01:19:00,960

secret i have spoken to generals from

2020

01:19:04,390 --> 01:19:02,080

russia

2021

01:19:05,910 --> 01:19:04,400

north korea and mars believe me i'm just

2022

01:19:06,709 --> 01:19:05,920

like greer and i'm telling you he's

2023

01:19:10,470 --> 01:19:06,719

lying

2024

01:19:11,910 --> 01:19:10,480

yeah it could could be could be

2025

01:19:13,270 --> 01:19:11,920

jiggy said it best the other night if

2026

01:19:14,709 --> 01:19:13,280

these people really had the truth they

2027

01:19:16,229 --> 01:19:14,719

wouldn't be hustling on a conference

2028

01:19:18,070 --> 01:19:16,239

scene these guys would be zillionaires

2029

01:19:20,709 --> 01:19:18,080

and we would have disclosure already

2030

01:19:22,950 --> 01:19:20,719

good point excellent point and uh jiggy

2031

01:19:26,390 --> 01:19:22,960

is often correct in his

2032

01:19:28,790 --> 01:19:26,400

uh in his analysis of some of these

2033

01:19:33,350 --> 01:19:31,510

maria alyssa my my niece's name is

2034

01:19:36,149 --> 01:19:33,360

alyssa i've always liked that name

2035

01:19:38,790 --> 01:19:36,159

maria elisa and and that's a good way to

2036

01:19:41,590 --> 01:19:38,800

put a user id together right that's like

2037

01:19:42,229 --> 01:19:41,600

both your names slapped together i like

2038

01:19:44,870 --> 01:19:42,239

that

2039

01:19:45,910 --> 01:19:44,880

i like both the name maria my mother's

2040

01:19:48,870 --> 01:19:45,920

name was mary

2041

01:19:51,750 --> 01:19:48,880

and i had an aunt maria uh and i have a

2042

01:19:54,790 --> 01:19:51,760

niece named alyssa

2043

01:19:57,350 --> 01:19:54,800

so it's melissa then

2044

01:19:59,590 --> 01:19:57,360

which is kind of like the name melissa

2045

01:20:03,189 --> 01:19:59,600

just spelled way weird

2046

01:20:04,630 --> 01:20:03,199

anyway welcome melissa good to have you

2047

01:20:06,550 --> 01:20:04,640

here

2048

01:20:08,229 --> 01:20:06,560

hey pix i didn't say i didn't believe

2049

01:20:09,830 --> 01:20:08,239

grier i was just wondering how he gets

2050

01:20:11,669 --> 01:20:09,840

away with it if he's wrong i've watched

2051

01:20:14,790 --> 01:20:11,679

everything there is to watch

2052

01:20:16,709 --> 01:20:14,800

grier has done yeah you know

2053

01:20:20,950 --> 01:20:16,719

i i don't know i don't know how some of

2054

01:20:23,110 --> 01:20:20,960

this works oh friends i am way behind

2055

01:20:25,110 --> 01:20:23,120

okay the tiny alien quartz thing greer

2056

01:20:28,870 --> 01:20:25,120

and emery tried to sell

2057

01:20:31,030 --> 01:20:28,880

lost me on both of them yeah me too

2058

01:20:33,030 --> 01:20:31,040

they were selling that [h__h] for years

2059

01:20:34,629 --> 01:20:33,040

grier made millions off of that in the

2060

01:20:37,990 --> 01:20:34,639

form of this documentary

2061

01:20:40,550 --> 01:20:38,000

right and just

2062

01:20:41,510 --> 01:20:40,560

by coincidence right they start doing

2063

01:20:43,669 --> 01:20:41,520

all the dna

2064

01:20:45,350 --> 01:20:43,679

as that movie ends and we don't get any

2065

01:20:47,750 --> 01:20:45,360

of the actual results

2066

01:20:49,510 --> 01:20:47,760

until after the movie comes out are you

2067

01:20:50,709 --> 01:20:49,520

[h__h] kidding me stephen greer that's

2068

01:20:52,629 --> 01:20:50,719

a coincidence

2069

01:20:54,390 --> 01:20:52,639

you make a documentary about this fake

2070

01:20:56,629 --> 01:20:54,400

alien that you have but you don't put

2071

01:20:58,390 --> 01:20:56,639

the dna results in the [h__h] movie

2072

01:21:00,629 --> 01:20:58,400

you know why because there's no [h__h]

2073

01:21:01,669 --> 01:21:00,639

movie when we find out that it's just a

2074

01:21:03,430 --> 01:21:01,679

human

2075

01:21:05,030 --> 01:21:03,440

and it's not an alien there's no [h__h]

2076

01:21:06,470 --> 01:21:05,040

movie there's no millions to be made

2077

01:21:08,470 --> 01:21:06,480

selling this fake alien

2078

01:21:10,149 --> 01:21:08,480

if you let people know the truth i think

2079

01:21:11,510 --> 01:21:10,159

he rushed that thing out

2080

01:21:15,110 --> 01:21:11,520

knowing that the results were going to

2081

01:21:20,310 --> 01:21:15,120

come back and prove that it was a human

2082

01:21:21,990 --> 01:21:20,320

lost yes not the length denial

2083

01:21:24,149 --> 01:21:22,000

my jury is still on career with my

2084

01:21:26,229 --> 01:21:24,159

newfound healthy skepticism

2085

01:21:28,149 --> 01:21:26,239

i don't know what i think anymore yeah

2086

01:21:28,950 --> 01:21:28,159

it's very common where did the tiny

2087

01:21:30,550 --> 01:21:28,960

alien go

2088

01:21:32,149 --> 01:21:30,560

i'm not quite sure i think it's still in

2089

01:21:35,110 --> 01:21:32,159

greer's possession though

2090

01:21:36,790 --> 01:21:35,120

uh i could be wrong the fact that you're

2091

01:21:38,870 --> 01:21:36,800

open to change is everything yeah you

2092

01:21:41,510 --> 01:21:38,880

have to at least be willing to consider

2093

01:21:44,470 --> 01:21:41,520

that you're wrong and these people are

2094

01:21:45,990 --> 01:21:44,480

telling you fake [h__h] it just

2095

01:21:47,750 --> 01:21:46,000

disappeared yeah we haven't heard

2096

01:21:48,470 --> 01:21:47,760

anything about it since the news that it

2097

01:21:51,350 --> 01:21:48,480

was just an

2098

01:21:53,030 --> 01:21:51,360

alien or excuse me just a human when the

2099

01:21:54,870 --> 01:21:53,040

dna results came back

2100

01:21:56,390 --> 01:21:54,880

we haven't heard anything about it funny

2101
01:21:58,470 --> 01:21:56,400
that uh we have

2102
01:22:00,229 --> 01:21:58,480
steven grier though claiming that it's

2103
01:22:02,790 --> 01:22:00,239
also kind of conspiracy

2104
01:22:03,750 --> 01:22:02,800
to hide the truth about aliens bro you

2105
01:22:05,350 --> 01:22:03,760
know

2106
01:22:06,390 --> 01:22:05,360
when you're caught selling fake [h__h]

2107
01:22:07,990 --> 01:22:06,400
that's what you got to do you got to

2108
01:22:09,830 --> 01:22:08,000
pull out the men in black or claim it's

2109
01:22:12,790 --> 01:22:09,840
a conspiracy and a cover-up that's what

2110
01:22:14,870 --> 01:22:12,800
you got to do those are the two moves

2111
01:22:16,629 --> 01:22:14,880
the fact people want to just dump on

2112
01:22:18,070 --> 01:22:16,639
everyone who has invested serious

2113
01:22:19,590 --> 01:22:18,080

professional rep et cetera to bring

2114

01:22:21,270 --> 01:22:19,600

forward the truth wherever it may be is

2115

01:22:21,990 --> 01:22:21,280

precisely why i defend the folks who

2116

01:22:25,110 --> 01:22:22,000

play out

2117

01:22:28,390 --> 01:22:25,120

critically important ground yeah

2118

01:22:30,790 --> 01:22:28,400

well probably in a landfill

2119

01:22:32,229 --> 01:22:30,800

yeah the topic is fascinating and for me

2120

01:22:33,430 --> 01:22:32,239

there's a place where maybe i want this

2121

01:22:36,070 --> 01:22:33,440

stuff to be true

2122

01:22:36,830 --> 01:22:36,080

but i won't naively believe yeah that's

2123

01:22:39,030 --> 01:22:36,840

kind of how i

2124

01:22:40,950 --> 01:22:39,040

am william pixley named one universal

2125

01:22:42,229 --> 01:22:40,960

life changing truth grier has provided

2126

01:22:44,310 --> 01:22:42,239

with his professional rep

2127

01:22:46,870 --> 01:22:44,320

and yes and let me remind you william

2128

01:22:48,629 --> 01:22:46,880

pixley he's made millions so far at this

2129

01:22:51,590 --> 01:22:48,639

as many times as he's been wrong he's

2130

01:22:54,149 --> 01:22:51,600

still made millions

2131

01:22:55,189 --> 01:22:54,159

wilson is lying oh here we go wilson's

2132

01:22:56,950 --> 01:22:55,199

lying

2133

01:22:59,350 --> 01:22:56,960

i'm not ignoring the evidence yes you

2134

01:23:01,030 --> 01:22:59,360

are if you're claiming wilson is lying

2135

01:23:02,950 --> 01:23:01,040

about the wills and documents you're

2136

01:23:04,709 --> 01:23:02,960

ignoring the evidence here's the

2137

01:23:07,430 --> 01:23:04,719

evidence

2138

01:23:10,149 --> 01:23:07,440

admiral wilson says this is a work of

2139

01:23:12,550 --> 01:23:10,159

fiction this meeting never took place

2140

01:23:13,669 --> 01:23:12,560

so that's a factual statement from this

2141

01:23:15,669 --> 01:23:13,679

man if you're

2142

01:23:17,189 --> 01:23:15,679

ignoring the evidence you're ignoring

2143

01:23:21,189 --> 01:23:17,199

his factual statements yes you're

2144

01:23:23,189 --> 01:23:21,199

ignoring the evidence

2145

01:23:24,310 --> 01:23:23,199

david wilcock was at careers disclosure

2146

01:23:27,189 --> 01:23:24,320

event yeah

2147

01:23:27,990 --> 01:23:27,199

uh he loves to he loves to throw that in

2148

01:23:30,709 --> 01:23:28,000

and mention that

2149

01:23:31,669 --> 01:23:30,719

constantly invested serious money on a

2150

01:23:33,430 --> 01:23:31,679

pyramid scheme

2151
01:23:35,830 --> 01:23:33,440
conference paywall you mean yeah it

2152
01:23:38,070 --> 01:23:35,840
could be

2153
01:23:39,110 --> 01:23:38,080
i trust the 1000 people plus who have

2154
01:23:40,470 --> 01:23:39,120
spoken up then

2155
01:23:42,470 --> 01:23:40,480
the no offense picks then you're a

2156
01:23:44,470 --> 01:23:42,480
little stupid because go look up

2157
01:23:45,510 --> 01:23:44,480
look i gave you one go look up clifford

2158
01:23:47,669 --> 01:23:45,520
stone

2159
01:23:49,350 --> 01:23:47,679
come back after you've digested

2160
01:23:52,070 --> 01:23:49,360
everything that he's talked about

2161
01:23:53,270 --> 01:23:52,080
right come back and tell me that that is

2162
01:23:55,189 --> 01:23:53,280
a credible witness

2163
01:23:57,030 --> 01:23:55,199

you're [\h__\h] kidding me you're [\h__\h]

2164

01:24:00,629 --> 01:23:57,040

kidding me right you're just [\h__\h]

2165

01:24:04,229 --> 01:24:01,910

who the [\h__\h] is going to remember

2166

01:24:05,669 --> 01:24:04,239

anything grier did legacy or not or the

2167

01:24:09,350 --> 01:24:05,679

serious movie

2168

01:24:11,590 --> 01:24:09,360

okay there yeah i kind of agree with you

2169

01:24:13,750 --> 01:24:11,600

let's see picture walking on a document

2170

01:24:15,830 --> 01:24:13,760

step right into the ocean no longer on

2171

01:24:18,870 --> 01:24:15,840

two feet and solid ground

2172

01:24:21,910 --> 01:24:18,880

yeah look i like i like picks

2173

01:24:23,750 --> 01:24:21,920

he's a good guy he's after the truth but

2174

01:24:25,750 --> 01:24:23,760

he's a little too believing yet

2175

01:24:27,430 --> 01:24:25,760

he's still a little too believable right

2176

01:24:29,189 --> 01:24:27,440

and i've been there i've been there i

2177

01:24:31,669 --> 01:24:29,199

used to defend these guys

2178

01:24:32,790 --> 01:24:31,679

i used to argue with my friends who said

2179

01:24:35,510 --> 01:24:32,800

they were fake

2180

01:24:37,350 --> 01:24:35,520

you don't know you you just can't handle

2181

01:24:38,790 --> 01:24:37,360

the truth right

2182

01:24:40,870 --> 01:24:38,800

jeanette the only thing i believe is we

2183

01:24:41,990 --> 01:24:40,880

are alone i am weighing all the info

2184

01:24:44,390 --> 01:24:42,000

that comes down the pipe

2185

01:24:46,070 --> 01:24:44,400

well i that i see there we go we have a

2186

01:24:49,030 --> 01:24:46,080

point where we agree

2187

01:24:51,590 --> 01:24:49,040

and that is what uh breeds better brings

2188

01:24:53,510 --> 01:24:51,600

better understanding between friends

2189

01:24:55,189 --> 01:24:53,520

we have some common ground there i

2190

01:24:57,030 --> 01:24:55,199

believe we are not alone

2191

01:25:00,149 --> 01:24:57,040

uh it just would be a tremendous waste

2192

01:25:02,229 --> 01:25:00,159

of space um

2193

01:25:04,470 --> 01:25:02,239

where is the four-year-old 10 inch human

2194

01:25:07,910 --> 01:25:04,480

yeah i don't know nobody knows

2195

01:25:10,950 --> 01:25:07,920

you say he makes millions prove it

2196

01:25:11,430 --> 01:25:10,960

picks go look up the crowd funding he

2197

01:25:14,149 --> 01:25:11,440

did

2198

01:25:15,030 --> 01:25:14,159

crowdfunding for both of his last movies

2199

01:25:17,669 --> 01:25:15,040

right

2200

01:25:20,629 --> 01:25:17,679

each of the crowd funding was more than

2201

01:25:24,390 --> 01:25:20,639

a million dollars for both movies

2202

01:25:25,590 --> 01:25:24,400

right did it cost a million plus to make

2203

01:25:28,390 --> 01:25:25,600

each of those movies

2204

01:25:29,430 --> 01:25:28,400

a [h__h] course not it cost a tenth of

2205

01:25:32,149 --> 01:25:29,440

what he collected

2206

01:25:33,189 --> 01:25:32,159

maximum maximum he spent a hundred

2207

01:25:35,189 --> 01:25:33,199

thousand dollars

2208

01:25:38,830 --> 01:25:35,199

on each of those movies and that's if he

2209

01:25:41,590 --> 01:25:38,840

hired hollywood's best video editors

2210

01:25:45,750 --> 01:25:41,600

cinematographers sound design people

2211

01:25:47,669 --> 01:25:45,760

musicians right 3d effects guys

2212

01:25:49,510 --> 01:25:47,679

maybe maybe he spent a hundred thousand

2213

01:25:51,910 --> 01:25:49,520

dollars so he pocketed

2214

01:25:52,790 --> 01:25:51,920

at least nine hundred thousand dollars i

2215

01:25:54,950 --> 01:25:52,800

believe

2216

01:25:56,950 --> 01:25:54,960

from each of those movies so yeah he's

2217

01:25:58,870 --> 01:25:56,960

making millions

2218

01:26:00,310 --> 01:25:58,880

to believe wilson given the reality of

2219

01:26:02,149 --> 01:26:00,320

how seriously the government seeks to

2220

01:26:04,790 --> 01:26:02,159

squelch this whole matter is sad

2221

01:26:05,990 --> 01:26:04,800

sorry uh i believe him what pressures

2222

01:26:10,470 --> 01:26:06,000

are being put on wilson

2223

01:26:12,070 --> 01:26:10,480

yeah none no he's retired

2224

01:26:14,790 --> 01:26:12,080

stephen you have said you believe we are

2225

01:26:16,790 --> 01:26:14,800

not alone yeah i do believe that

2226

01:26:17,910 --> 01:26:16,800

william do you have an insider info we

2227

01:26:20,950 --> 01:26:17,920

don't

2228

01:26:23,590 --> 01:26:20,960

i i may

2229

01:26:25,430 --> 01:26:23,600

oh and there's jean-claude james gillian

2230

01:26:27,030 --> 01:26:25,440

at he said he has very very low opinion

2231

01:26:29,030 --> 01:26:27,040

of grier something about young boys

2232

01:26:31,510 --> 01:26:29,040

james said during a conference whoa

2233

01:26:33,430 --> 01:26:31,520

i gotta hear that and john clyde you're

2234

01:26:36,149 --> 01:26:33,440

a little late can i get you anything

2235

01:26:37,910 --> 01:26:36,159

you know like a [h__h] watch maybe no

2236

01:26:39,270 --> 01:26:37,920

i'm kidding you're probably streaming

2237

01:26:41,270 --> 01:26:39,280

right

2238

01:26:42,390 --> 01:26:41,280

uh i gotta catch up with your show when

2239

01:26:43,990 --> 01:26:42,400

i get a chance

2240

01:26:45,750 --> 01:26:44,000

and thank you for having me on as a

2241

01:26:48,790 --> 01:26:45,760

guest i got a lot of good feedback

2242

01:26:50,070 --> 01:26:48,800

a few people sent me links to your show

2243

01:26:51,110 --> 01:26:50,080

and said i didn't know you were going to

2244

01:26:52,790 --> 01:26:51,120

be on

2245

01:26:54,310 --> 01:26:52,800

jean claude's show and i didn't even

2246

01:26:55,990 --> 01:26:54,320

know that they watched you so

2247

01:26:58,310 --> 01:26:56,000

we have friends of comet apparently and

2248

01:26:59,590 --> 01:26:58,320

that's good i've donated money to all

2249

01:27:01,830 --> 01:26:59,600

those guys over the years

2250

01:27:02,629 --> 01:27:01,840

me too read their books only to discover

2251

01:27:10,470 --> 01:27:02,639

they just

2252

01:27:16,550 --> 01:27:13,750

all right here we go fix prove it

2253

01:27:16,950 --> 01:27:16,560

you don't know what the finances of the

2254

01:27:18,950 --> 01:27:16,960

film

2255

01:27:20,629 --> 01:27:18,960

are you are spewing nonsense here it's

2256

01:27:23,990 --> 01:27:20,639

informed speculation

2257

01:27:25,030 --> 01:27:24,000

uh do you know that i for a time was a

2258

01:27:27,270 --> 01:27:25,040

video editor

2259

01:27:29,189 --> 01:27:27,280

did you know that did you know i was a

2260

01:27:30,870 --> 01:27:29,199

video editor and i know what it takes to

2261

01:27:33,990 --> 01:27:30,880

produce a film

2262

01:27:37,510 --> 01:27:34,000

right i was an actor in a bunch of

2263

01:27:38,790 --> 01:27:37,520

let's just say less than successful

2264

01:27:41,270 --> 01:27:38,800

horror movies

2265

01:27:42,629 --> 01:27:41,280

i know something about making films i

2266

01:27:44,550 --> 01:27:42,639

know something about making

2267

01:27:46,310 --> 01:27:44,560

documentaries have several friends

2268

01:27:48,070 --> 01:27:46,320

who worked for pbs creating

2269

01:27:50,149 --> 01:27:48,080

documentaries you can look at the

2270

01:27:52,790 --> 01:27:50,159

production value of his films and

2271

01:27:53,830 --> 01:27:52,800

no he did not spend a million dollars on

2272

01:27:56,870 --> 01:27:53,840

either of those films

2273

01:27:59,030 --> 01:27:56,880

i'd bet my house on it can i prove it

2274

01:28:00,870 --> 01:27:59,040

maybe i don't know maybe we'll look into

2275

01:28:01,590 --> 01:28:00,880

those crowd-funded things and show

2276

01:28:03,910 --> 01:28:01,600

everyone

2277

01:28:07,669 --> 01:28:03,920

how just how much money he collected

2278

01:28:11,030 --> 01:28:09,590

william pixley stop capping for the

2279

01:28:15,590 --> 01:28:11,040

fraud yeah man

2280

01:28:17,110 --> 01:28:15,600

you know it's not look it's not personal

2281

01:28:18,950 --> 01:28:17,120

gillian is one of the most prolific

2282

01:28:20,629 --> 01:28:18,960

frauds in the community yeah and he's

2283

01:28:21,990 --> 01:28:20,639

got a problem with women apparently too

2284

01:28:24,550 --> 01:28:22,000

for so for him to be

2285

01:28:26,070 --> 01:28:24,560

claiming somebody's got sexual identity

2286

01:28:29,270 --> 01:28:26,080

problems or whatever

2287

01:28:30,870 --> 01:28:29,280

is is a problem it's a real problem

2288

01:28:33,669 --> 01:28:30,880

i listen away all the info i'm not an

2289

01:28:35,750 --> 01:28:33,679

insider but i'm a damn fine analyst

2290

01:28:37,910 --> 01:28:35,760

but you're misinformed about a lot of

2291

01:28:39,910 --> 01:28:37,920

things

2292

01:28:41,669 --> 01:28:39,920

that's my personal belief and we'll

2293

01:28:44,790 --> 01:28:41,679

agree to disagree

2294

01:28:48,070 --> 01:28:44,800

what pixley don't tell me who to cap for

2295

01:28:50,470 --> 01:28:48,080

thanks oh boy

2296

01:28:51,590 --> 01:28:50,480

oh boy it's getting heated in the live

2297

01:28:53,669 --> 01:28:51,600

chat tonight

2298

01:28:55,189 --> 01:28:53,679

see everybody's very passionate about

2299

01:28:56,550 --> 01:28:55,199

these subjects which is one of the

2300

01:28:58,470 --> 01:28:56,560

reasons why i like this

2301
01:29:00,550 --> 01:28:58,480
kind of subject because people are very

2302
01:29:03,830 --> 01:29:00,560
passionate in their beliefs

2303
01:29:10,470 --> 01:29:07,510
so am i calm down yeah get a grip

2304
01:29:12,070 --> 01:29:10,480
mario oh boy friends what are you what

2305
01:29:16,070 --> 01:29:12,080
are we gonna do

2306
01:29:22,470 --> 01:29:19,990
one second friends oh

2307
01:29:24,550 --> 01:29:22,480
i'm getting uh i'm getting summoned by

2308
01:29:27,750 --> 01:29:24,560
my wife

2309
01:29:30,390 --> 01:29:27,760
so we are going to uh

2310
01:29:32,070 --> 01:29:30,400
i think we are going to wrap things up

2311
01:29:34,310 --> 01:29:32,080
here for tonight's show

2312
01:29:35,110 --> 01:29:34,320
i want to thank oh wait before i do that

2313
01:29:38,870 --> 01:29:35,120

i gotta

2314

01:29:41,510 --> 01:29:38,880

if uh

2315

01:29:43,750 --> 01:29:41,520

anybody sent a paypal donation and i

2316

01:29:45,669 --> 01:29:43,760

don't believe that we did get any paypal

2317

01:29:49,830 --> 01:29:45,679

donations tonight so

2318

01:29:51,669 --> 01:29:49,840

uh there's okay so there's that

2319

01:29:53,110 --> 01:29:51,679

um i do wanna welcome there's been

2320

01:29:54,790 --> 01:29:53,120

several a few

2321

01:29:56,629 --> 01:29:54,800

people that have joined patreon in the

2322

01:29:59,189 --> 01:29:56,639

past week or two

2323

01:30:00,390 --> 01:29:59,199

um i'm gonna have to check on that and

2324

01:30:04,550 --> 01:30:00,400

thank you guys

2325

01:30:06,390 --> 01:30:04,560

tomorrow uh yeah the boss has spoken you

2326

01:30:10,550 --> 01:30:06,400

have no idea you must be married

2327

01:30:13,590 --> 01:30:10,560

john claude right okay good show

2328

01:30:15,189 --> 01:30:13,600

good discussion night all yeah so have

2329

01:30:18,709 --> 01:30:15,199

an awesome week everyone

2330

01:30:22,070 --> 01:30:18,719

so friends on that note i am going to

2331

01:30:22,550 --> 01:30:22,080

sign off for the night i do want to

2332

01:30:25,669 --> 01:30:22,560

thank

2333

01:30:26,070 --> 01:30:25,679

each and every one of you uh for joining

2334

01:30:30,149 --> 01:30:26,080

me

2335

01:30:33,350 --> 01:30:30,159

plural i can't do this alone

2336

01:30:35,510 --> 01:30:33,360

i need you here with me to

2337

01:30:36,950 --> 01:30:35,520

complete the journey with me we're all

2338

01:30:38,310 --> 01:30:36,960

in this together trying to find the

2339

01:30:41,669 --> 01:30:38,320

truth behind

2340

01:30:45,189 --> 01:30:41,679

these strange subjects and

2341

01:30:47,590 --> 01:30:45,199

uh we will continue to move forward

2342

01:30:49,669 --> 01:30:47,600

move ahead doing just that there should

2343

01:30:51,990 --> 01:30:49,679

be another show at 10 p.m tomorrow

2344

01:30:53,669 --> 01:30:52,000

night i'm trying very hard to keep up

2345

01:30:56,870 --> 01:30:53,679

with the consistency

2346

01:30:58,310 --> 01:30:56,880

to uh to stay in the good graces of the

2347

01:31:00,870 --> 01:30:58,320

algorithm god that i

2348

01:31:02,470 --> 01:31:00,880

worship praise be to the youtube

2349

01:31:04,470 --> 01:31:02,480

algorithm

2350

01:31:05,910 --> 01:31:04,480

we need more subs we need to be higher

2351

01:31:08,229 --> 01:31:05,920

in the search engines

2352

01:31:09,430 --> 01:31:08,239

praise be to the youtube algorithm

2353

01:31:12,709 --> 01:31:09,440

please

2354

01:31:15,030 --> 01:31:12,719

find favor in our little show here

2355

01:31:15,990 --> 01:31:15,040

and help us to move up in the search

2356

01:31:19,030 --> 01:31:16,000

engine help us

2357

01:31:21,990 --> 01:31:19,040

to find more subscribers praise the

2358

01:31:25,510 --> 01:31:22,000

youtube algorithm

2359

01:31:26,390 --> 01:31:25,520

that's my life now uh you know i'm not

2360

01:31:28,310 --> 01:31:26,400

sure

2361

01:31:30,310 --> 01:31:28,320

if it would help to pray to the youtube

2362

01:31:32,950 --> 01:31:30,320

algorithm but at this point i'm willing

2363

01:31:35,270 --> 01:31:32,960

to give it a try

2364

01:31:36,229 --> 01:31:35,280

and with that friends i will sign off

2365

01:31:37,750 --> 01:31:36,239

for the night

2366

01:31:39,990 --> 01:31:37,760

so thank you all for joining me very

2367

01:31:43,669 --> 01:31:40,000

much please join me again tomorrow night

2368

01:31:45,830 --> 01:31:43,679

around 10 p.m for another show

2369

01:31:46,790 --> 01:31:45,840

until next time friends i'm stephen

2370

01:32:02,660 --> 01:31:46,800

campion

2371

01:33:09,070 --> 01:32:41,760

[Music]

2372

01:33:16,030 --> 01:33:09,080

so

2373

01:33:20,950 --> 01:33:18,180

[Music]
