1
00:02:16,790 --> 00:00:52,860

[Music]

2
00:02:22,229 --> 00:02:20,229
greetings and salutations friends

3
00:02:24,630 --> 00:02:22,239
just a little technical difficulties to

4
00:02:29,350 --> 00:02:24,640
start the show with

5
00:02:32,630 --> 00:02:31,990
one fret one second friends i'm getting

6
00:02:36,710 --> 00:02:32,640
it

7
00:02:39,750 --> 00:02:36,720
echo here

8
00:02:41,270 --> 00:02:39,760
there we go now i got rid of it

9
00:02:42,949 --> 00:02:41,280
first of all i was getting an echo and

10
00:02:45,270 --> 00:02:42,959
second of all my headphones

11
00:02:47,430 --> 00:02:45,280
fell apart right as i was supposed to

12
00:02:50,390 --> 00:02:47,440
begin tonight's broadcast

13
00:02:51,830 --> 00:02:50,400

but friends uh this is what happens with

14

00:02:53,670 --> 00:02:51,840

the live show and if that's the worst

15

00:02:54,869 --> 00:02:53,680

thing that happens tonight then i will

16

00:02:57,990 --> 00:02:54,879

take it

17

00:03:01,670 --> 00:02:58,000

so tonight

18

00:03:05,589 --> 00:03:01,680

we are going to explore this thing

19

00:03:08,710 --> 00:03:05,599

this thing called the vimanas

20

00:03:12,070 --> 00:03:08,720

and it's really

21

00:03:15,190 --> 00:03:12,080

a mysterious thing are there truly

22

00:03:17,750 --> 00:03:15,200

ancient vedic texts that describe

23

00:03:18,949 --> 00:03:17,760

flying machines very advanced flying

24

00:03:22,710 --> 00:03:18,959

machines

25

00:03:26,630 --> 00:03:22,720

that are thousands of years old

26

00:03:29,750 --> 00:03:26,640

and what about the sources of these

27

00:03:33,190 --> 00:03:29,760

stories friends

28

00:03:33,830 --> 00:03:33,200

this one is one that bothers me i have

29

00:03:37,350 --> 00:03:33,840

seen

30

00:03:39,190 --> 00:03:37,360

people use completely and totally

31

00:03:41,509 --> 00:03:39,200

factually inaccurate statements

32

00:03:45,350 --> 00:03:41,519

regarding these vamanas

33

00:03:48,789 --> 00:03:45,360

on television shows in documentaries

34

00:03:51,509 --> 00:03:48,799

in live lectures at ufo conferences

35

00:03:53,750 --> 00:03:51,519

people mentioned vimanas all the time

36

00:03:56,149 --> 00:03:53,760

and how

37

00:03:57,429 --> 00:03:56,159

the description of these ancient flying

38

00:04:00,949 --> 00:03:57,439

machines

39

00:04:03,190 --> 00:04:00,959

was in vedic texts that are

40

00:04:05,509 --> 00:04:03,200

thousands and thousands of years old how

41

00:04:10,630 --> 00:04:05,519

could they have known about these

42

00:04:12,789 --> 00:04:10,640

about flying machines 10 000 years ago

43

00:04:14,869 --> 00:04:12,799

yeah that would be a great mystery how

44

00:04:15,270 --> 00:04:14,879

could people know about flying machines

45

00:04:18,390 --> 00:04:15,280

10

46

00:04:25,430 --> 00:04:22,870

well friends like many

47

00:04:28,790 --> 00:04:25,440

of these mysterious stories once you

48

00:04:33,350 --> 00:04:28,800

begin to peel back the layers

49

00:04:35,990 --> 00:04:33,360

of the story and educate yourself

50

00:04:38,310 --> 00:04:36,000

as to their apparent source material

51

00:04:41,270 --> 00:04:38,320

that people are citing

52

00:04:42,230 --> 00:04:41,280

and i have to say this is one that i

53

00:04:45,270 --> 00:04:42,240

fell for

54

00:04:48,310 --> 00:04:45,280

hook line and sinker because

55

00:04:51,350 --> 00:04:48,320

people make statements as if they are

56

00:04:51,749 --> 00:04:51,360

factual people say things like this is

57

00:04:57,030 --> 00:04:51,759

from

58

00:05:00,629 --> 00:04:57,040

a vedic text that's 10 000 years old

59

00:05:02,310 --> 00:05:00,639

but are they accurate with their source

60

00:05:08,150 --> 00:05:02,320

material

61

00:05:11,350 --> 00:05:10,390

and a big shout out to jonasside who is

62

00:05:13,909 --> 00:05:11,360

in the live chat

63

00:05:16,629 --> 00:05:13,919

and says hello from twitch since i i had

64

00:05:19,670 --> 00:05:16,639

to sign up just to follow you stephen

65

00:05:21,909 --> 00:05:19,680

thank you very much i appreciate it i

66

00:05:23,990 --> 00:05:21,919

appreciate it genocide and i should

67

00:05:26,390 --> 00:05:24,000

mention before we proceed

68

00:05:28,070 --> 00:05:26,400

yesterday i said something i was

69

00:05:30,550 --> 00:05:28,080

misinformed

70

00:05:32,230 --> 00:05:30,560

twitch requires 50 followers before

71

00:05:33,029 --> 00:05:32,240

people are allowed to throw twitch money

72

00:05:35,830 --> 00:05:33,039

at me and

73

00:05:36,950 --> 00:05:35,840

i think we're at 12 or something now so

74

00:05:39,110 --> 00:05:36,960

there's

75

00:05:40,469 --> 00:05:39,120

more work to do to grow the twitch

76

00:05:44,550 --> 00:05:40,479

stream so that

77

00:05:48,070 --> 00:05:44,560

people can throw money at me on twitch

78

00:05:50,629 --> 00:05:48,080

now just some shout outs i see spudwife

79

00:05:52,310 --> 00:05:50,639

in the live chat william pixley shout

80

00:05:54,469 --> 00:05:52,320

out to sixisdesign

81

00:05:55,350 --> 00:05:54,479

who is here shout out to paranormal good

82

00:05:58,309 --> 00:05:55,360

live radio

83

00:05:59,430 --> 00:05:58,319

we've got smoke king uh shout out to

84

00:06:01,990 --> 00:05:59,440

genocide

85

00:06:05,670 --> 00:06:02,000

shout out to keith heisemeyer keith i'm

86

00:06:08,790 --> 00:06:07,270

oh yeah i believe that i have seen you

87

00:06:13,510 --> 00:06:08,800

here before but welcome

88

00:06:17,189 --> 00:06:15,830

rick von himmler splunker is here in the

89

00:06:20,550 --> 00:06:17,199

live chat plan d

90

00:06:24,550 --> 00:06:20,560

is here in the live chat we have

91

00:06:27,270 --> 00:06:24,560

let's see caltruth77

92

00:06:27,830 --> 00:06:27,280

is actually on time for once did you get

93

00:06:30,950 --> 00:06:27,840

a watch

94

00:06:34,790 --> 00:06:30,960

kell truth new clock maybe

95

00:06:38,150 --> 00:06:34,800

and uh another thing worthy to mention

96

00:06:40,550 --> 00:06:38,160

is mostly

97

00:06:41,670 --> 00:06:40,560

we do our streams at about 10 p.m

98

00:06:43,670 --> 00:06:41,680

usually

99

00:06:45,110 --> 00:06:43,680

but i decided that on thursday i don't

100

00:06:46,950 --> 00:06:45,120

want to step on my friends

101
00:06:49,029 --> 00:06:46,960
from paranormal hood and i know one

102
00:06:51,510 --> 00:06:49,039
other person

103
00:06:53,270 --> 00:06:51,520
who i don't know very well but i know

104
00:06:57,110 --> 00:06:53,280
somebody else that's doing a show

105
00:06:59,430 --> 00:06:57,120
on similar topics and they're

106
00:07:00,710 --> 00:06:59,440
still streaming at 10 pm so i decided

107
00:07:04,629 --> 00:07:00,720
that on thursday nights

108
00:07:07,990 --> 00:07:04,639
i will push back the stream to 11 pm

109
00:07:10,550 --> 00:07:08,000
and that should continue going forward

110
00:07:11,990 --> 00:07:10,560
so i wasn't sure that i wanted to have a

111
00:07:15,510 --> 00:07:12,000
schedule but we will

112
00:07:21,189 --> 00:07:15,520
we will be monday through wednesday

113
00:07:23,510 --> 00:07:21,199

on at 10 p.m and thursday on at 11 p.m

114

00:07:24,309 --> 00:07:23,520

so i'm committing to at least four shows

115

00:07:27,589 --> 00:07:24,319

a week

116

00:07:30,710 --> 00:07:27,599

for the foreseeable future now

117

00:07:32,629 --> 00:07:30,720

things happen uh life gets in the way i

118

00:07:35,589 --> 00:07:32,639

have two children and beautiful wife

119

00:07:37,589 --> 00:07:35,599

that sometimes require me to say the

120

00:07:38,070 --> 00:07:37,599

hell with this for tonight i have other

121

00:07:42,309 --> 00:07:38,080

important

122

00:07:44,150 --> 00:07:42,319

i'm sure all of you especially if you

123

00:07:47,189 --> 00:07:44,160

too have a family will understand

124

00:07:50,550 --> 00:07:47,199

that i i'm i'm

125

00:07:52,950 --> 00:07:50,560

committing but i'm saying hey i uh

126

00:07:53,909 --> 00:07:52,960

reserve the right to you know take a

127

00:07:58,070 --> 00:07:53,919

night off

128

00:08:01,110 --> 00:07:58,080

uh if if the need arises however i

129

00:08:03,350 --> 00:08:01,120

will still do four uh

130

00:08:05,270 --> 00:08:03,360

streams a week i believe we have

131

00:08:07,749 --> 00:08:05,280

sufficient material to continue like

132

00:08:11,430 --> 00:08:07,759

that for some time

133

00:08:14,550 --> 00:08:11,440

so back to the v manas

134

00:08:18,070 --> 00:08:14,560

i first heard about the vamanas

135

00:08:21,270 --> 00:08:18,080

um in a book

136

00:08:23,029 --> 00:08:21,280

by david i always get his name wrong

137

00:08:24,550 --> 00:08:23,039

he was one of the stars of ancient

138

00:08:28,070 --> 00:08:24,560

aliens david hatcher

139

00:08:29,589 --> 00:08:28,080

childress i think his name is and i was

140

00:08:31,830 --> 00:08:29,599

completely and totally hooked and

141

00:08:35,829 --> 00:08:31,840

fascinated he wrote a

142

00:08:38,230 --> 00:08:35,839

book which heavily featured v-manas

143

00:08:40,709 --> 00:08:38,240

and it was just an incredible and

144

00:08:41,509 --> 00:08:40,719

mysterious subject to me how could these

145

00:08:43,909 --> 00:08:41,519

people 10

146

00:08:45,990 --> 00:08:43,919

000 years ago make these drawings of

147

00:08:48,230 --> 00:08:46,000

these really

148

00:08:49,430 --> 00:08:48,240

crazy flying machines and they had

149

00:08:54,070 --> 00:08:49,440

things that

150

00:08:57,509 --> 00:08:54,080

it seemed uh were in other

151

00:09:01,269 --> 00:08:57,519

portions or stories in ufo

152

00:09:04,230 --> 00:09:01,279

lure or mythology like mercury

153

00:09:05,910 --> 00:09:04,240

spinning mercury was the power source or

154

00:09:15,670 --> 00:09:05,920

the

155

00:09:18,630 --> 00:09:15,680

now here is where things get

156

00:09:20,230 --> 00:09:18,640

i guess educational for those of us who

157

00:09:21,509 --> 00:09:20,240

are interested in finding the truth

158

00:09:23,990 --> 00:09:21,519

behind these stories

159

00:09:25,829 --> 00:09:24,000

and don't just want to hear a good story

160

00:09:29,190 --> 00:09:25,839

someone is telling us is true

161

00:09:32,310 --> 00:09:29,200

if it's not i

162

00:09:33,910 --> 00:09:32,320

have an interest in buddhism and i have

163

00:09:37,190 --> 00:09:33,920

an interest in

164

00:09:40,070 --> 00:09:37,200

hinduism as well so

165

00:09:42,230 --> 00:09:40,080

i have done things like i was going to

166

00:09:44,389 --> 00:09:42,240

say read the bhagavad gita

167

00:09:46,070 --> 00:09:44,399

and the vedic text but it would be more

168

00:09:50,230 --> 00:09:46,080

accurate to say that i

169

00:09:53,030 --> 00:09:50,240

try i really tried to get through

170

00:09:54,389 --> 00:09:53,040

some of these ancient vedic texts and

171

00:09:57,509 --> 00:09:54,399

the bhagavad-gita

172

00:10:00,790 --> 00:09:57,519

and other hindu uh

173

00:10:03,430 --> 00:10:00,800

scriptures ancient writings

174

00:10:03,990 --> 00:10:03,440

because i'm always looking for ancient

175

00:10:05,910 --> 00:10:04,000

wisdom

176

00:10:07,990 --> 00:10:05,920

right isn't it great when you get a book

177

00:10:09,990 --> 00:10:08,000

that's and there just seems to be

178

00:10:10,790 --> 00:10:10,000

something amazing to me about getting a

179

00:10:12,870 --> 00:10:10,800

book

180

00:10:13,910 --> 00:10:12,880

that is thousands of years old that was

181

00:10:16,949 --> 00:10:13,920

written by someone

182

00:10:18,230 --> 00:10:16,959

thousands of years ago it's sort of like

183

00:10:21,030 --> 00:10:18,240

getting a passport

184

00:10:22,870 --> 00:10:21,040

your own personal time machine see how

185

00:10:26,069 --> 00:10:22,880

another human

186

00:10:27,670 --> 00:10:26,079

much like you thought about things like

187

00:10:31,350 --> 00:10:27,680

spirituality

188

00:10:33,350 --> 00:10:31,360

god or gods it's just an interest of

189

00:10:36,550 --> 00:10:33,360

mine

190

00:10:39,670 --> 00:10:36,560

so when i started

191

00:10:41,430 --> 00:10:39,680

reading the actual vedic text and the

192

00:10:46,389 --> 00:10:41,440

bhagavad gita

193

00:10:48,470 --> 00:10:46,399

uh sure there's uh some mention of

194

00:10:50,550 --> 00:10:48,480

i would i would call them flying

195

00:10:54,949 --> 00:10:50,560

chariots that the gods had

196

00:10:59,030 --> 00:10:54,959

but these were always had wheels

197

00:11:02,230 --> 00:10:59,040

and were uh were propelled or driven

198

00:11:03,670 --> 00:11:02,240

by horses which i suppose are flying

199

00:11:07,110 --> 00:11:03,680

horses because these

200

00:11:10,550 --> 00:11:07,120

things flew the

201
00:11:11,910 --> 00:11:10,560
perhaps the original right chariots of

202
00:11:14,949 --> 00:11:11,920
the gods

203
00:11:18,069 --> 00:11:14,959
oh but that's a whole other show friends

204
00:11:21,269 --> 00:11:18,079
so yeah there is some mention

205
00:11:24,710 --> 00:11:21,279
there is some things in the vedic texts

206
00:11:28,949 --> 00:11:24,720
about gods

207
00:11:33,190 --> 00:11:28,959
flying through the air on these chariots

208
00:11:36,949 --> 00:11:33,200
but they bore little if any resemblance

209
00:11:40,550 --> 00:11:36,959
to these incredible

210
00:11:42,630 --> 00:11:40,560
mechanical looking machines that were on

211
00:11:43,190 --> 00:11:42,640
all these documentaries and television

212
00:11:47,750 --> 00:11:43,200
shows

213
00:11:51,110 --> 00:11:47,760

and in david hatcher children's book

214

00:11:53,670 --> 00:11:51,120

and i wondered why

215

00:11:55,350 --> 00:11:53,680

so i began to do more research into

216

00:11:57,350 --> 00:11:55,360

where are they getting this stuff from

217

00:12:05,110 --> 00:11:57,360

because it's not in any ancient

218

00:12:05,120 --> 00:12:09,430

pardon me friends so

219

00:12:15,190 --> 00:12:13,509

what kind of got blurry there for a

220

00:12:18,550 --> 00:12:15,200

while

221

00:12:22,069 --> 00:12:18,560

so uh yeah i began to wonder about this

222

00:12:23,910 --> 00:12:22,079

why is it that that they say that these

223

00:12:26,310 --> 00:12:23,920

things are in these vedic texts and i

224

00:12:28,069 --> 00:12:26,320

can't find them anywhere

225

00:12:31,030 --> 00:12:28,079

do they have different vedic texts than

226

00:12:35,110 --> 00:12:31,040

me turns out they do

227

00:12:36,870 --> 00:12:35,120

uh so first friends we're sure

228

00:12:38,550 --> 00:12:36,880

i want to do a pretty short presentation

229

00:12:39,269 --> 00:12:38,560

on this tonight and leave more time for

230

00:12:42,790 --> 00:12:39,279

discussion

231

00:12:43,030 --> 00:12:42,800

of these things and but i think this is

232

00:12:49,430 --> 00:12:43,040

an

233

00:12:52,230 --> 00:12:49,440

look at how do these people

234

00:12:53,350 --> 00:12:52,240

make these statements as if they're

235

00:12:56,870 --> 00:12:53,360

factual

236

00:12:57,910 --> 00:12:56,880

when they're not how are things confused

237

00:13:00,870 --> 00:12:57,920

and conflated

238

00:13:02,150 --> 00:13:00,880

and mixed together to form the illusion

239

00:13:05,670 --> 00:13:02,160

of a true story

240

00:13:07,990 --> 00:13:05,680

when they're not first to begin our

241

00:13:11,190 --> 00:13:08,000

presentation i thought i would play you

242

00:13:13,910 --> 00:13:11,200

an excellent introduction to bimanas

243

00:13:14,870 --> 00:13:13,920

which perfectly illustrates my point

244

00:13:17,670 --> 00:13:14,880

about

245

00:13:18,949 --> 00:13:17,680

people mixing things up people making

246

00:13:21,269 --> 00:13:18,959

factual statements

247

00:13:23,030 --> 00:13:21,279

or people making statements as if they

248

00:13:26,470 --> 00:13:23,040

were factual

249

00:13:29,030 --> 00:13:26,480

when uh now their

250

00:13:30,710 --> 00:13:29,040

facts are completely and totally wrong

251
00:13:32,069 --> 00:13:30,720
and they just say these things like

252
00:13:33,910 --> 00:13:32,079
they're an authority

253
00:13:35,430 --> 00:13:33,920
right like they did their research and

254
00:13:37,509 --> 00:13:35,440
they have proof that

255
00:13:39,110 --> 00:13:37,519
what they're saying is accurate but it's

256
00:13:42,310 --> 00:13:39,120
not

257
00:13:43,269 --> 00:13:42,320
so i thought i would begin i thought it

258
00:13:46,629 --> 00:13:43,279
would begin

259
00:13:50,069 --> 00:13:46,639
with a short uh sort of introduction

260
00:13:52,150 --> 00:13:50,079
to the vimanas and this video i found

261
00:13:53,350 --> 00:13:52,160
i will say this it's very artistically

262
00:13:55,750 --> 00:13:53,360
done somebody used

263
00:13:56,470 --> 00:13:55,760

really nice computer generated graphics

264

00:13:58,710 --> 00:13:56,480

to show

265

00:14:00,150 --> 00:13:58,720

these flying machines flying and things

266

00:14:02,550 --> 00:14:00,160

like that

267

00:14:03,350 --> 00:14:02,560

and this telling of the story of the

268

00:14:06,389 --> 00:14:03,360

vimanas

269

00:14:08,470 --> 00:14:06,399

goes incredibly similar

270

00:14:10,710 --> 00:14:08,480

to other telling of the story of the

271

00:14:13,990 --> 00:14:10,720

vimanas that i have seen on television

272

00:14:17,110 --> 00:14:14,000

on documentaries in ufo conferences in

273

00:14:19,269 --> 00:14:17,120

books it's very similar so for our

274

00:14:21,670 --> 00:14:19,279

purposes of displaying

275

00:14:24,310 --> 00:14:21,680

how the story of the vimanas is usually

276

00:14:27,590 --> 00:14:25,829

i'm going to be sharing a video we're

277

00:14:30,230 --> 00:14:27,600

going to be citing

278

00:14:30,870 --> 00:14:30,240

fair use because we are educating the

279

00:14:34,470 --> 00:14:30,880

public

280

00:14:39,189 --> 00:14:34,480

about the models and

281

00:14:42,069 --> 00:14:39,199

about how these stories get generated

282

00:14:43,670 --> 00:14:42,079

about these things called v manas these

283

00:14:47,509 --> 00:14:43,680

ancient

284

00:14:50,870 --> 00:14:49,670

so i found this video and it's called

285

00:14:53,910 --> 00:14:50,880

vimana's ancient

286

00:14:55,670 --> 00:14:53,920

aircraft and it's by aircraft

287

00:14:57,670 --> 00:14:55,680

technologies

288

00:15:00,310 --> 00:14:57,680

uh youtube channel which i thought was

289

00:15:03,910 --> 00:15:00,320

kind of funny that they got it so wrong

290

00:15:05,829 --> 00:15:03,920

but it is what it is friends right so um

291

00:15:07,990 --> 00:15:05,839

i'm going to cite fair use we're going

292

00:15:09,990 --> 00:15:08,000

to play this video it's a pretty short

293

00:15:13,030 --> 00:15:10,000

video actually i think it's uh

294

00:15:14,949 --> 00:15:13,040

it's only two minutes and 25 seconds but

295

00:15:17,110 --> 00:15:14,959

uh so we're gonna play this video

296

00:15:19,110 --> 00:15:17,120

probably in its entirety

297

00:15:21,030 --> 00:15:19,120

and then we will and then i'll have a

298

00:15:24,829 --> 00:15:21,040

few things to unpack

299

00:15:29,590 --> 00:15:24,839

as we uh after we watch this short

300

00:15:37,030 --> 00:15:31,749

and again this is called limanas ancient

301

00:15:41,430 --> 00:15:40,069

and as i recall okay let's go right to

302

00:15:44,470 --> 00:15:41,440

the beginning here

303

00:15:48,230 --> 00:15:44,480

there we go vermonters

304

00:15:50,870 --> 00:15:48,240

verdict text dating back to 16 000 bc oh

305

00:15:52,790 --> 00:15:50,880

i'm sorry i have to stop it already he

306

00:15:55,350 --> 00:15:52,800

said that vumanas were mentioned

307

00:15:57,189 --> 00:15:55,360

in vedic texts dating back to sixteen

308

00:16:00,470 --> 00:15:57,199

thousand bc

309

00:16:03,590 --> 00:16:00,480

uh there's a huge problem so we open

310

00:16:04,150 --> 00:16:03,600

he opens the video about vimanas with a

311

00:16:07,110 --> 00:16:04,160

complete

312

00:16:07,670 --> 00:16:07,120

and total factually inaccurate statement

313

00:16:11,829 --> 00:16:07,680

friends

314

00:16:12,790 --> 00:16:11,839

there are no vedic texts that are 16 000

315

00:16:16,230 --> 00:16:12,800

years old

316

00:16:16,870 --> 00:16:16,240

the oldest vedic text that i was able to

317

00:16:20,230 --> 00:16:16,880

find

318

00:16:23,509 --> 00:16:20,240

i believe is from 2000 bc

319

00:16:24,230 --> 00:16:23,519

that would mean it would be 4 000 years

320

00:16:27,670 --> 00:16:24,240

old

321

00:16:30,550 --> 00:16:27,680

one

322

00:16:31,910 --> 00:16:30,560

does not mention vimanas so this person

323

00:16:35,590 --> 00:16:31,920

is opening a video

324

00:16:38,629 --> 00:16:35,600

saying that vimanas are from

325

00:16:42,389 --> 00:16:38,639

16 000 year old vedic text

326

00:16:46,389 --> 00:16:42,399

uh there's no such thing as a certified

327

00:16:49,670 --> 00:16:46,399

verifiable 16 000 year old vedic text

328

00:16:52,550 --> 00:16:49,680

further there is no

329

00:16:53,030 --> 00:16:52,560

written anything that is certifiable to

330

00:16:56,629 --> 00:16:53,040

be

331

00:17:00,470 --> 00:16:56,639

16 000 years old period

332

00:17:02,870 --> 00:17:00,480

so just the in the very first sentence

333

00:17:03,749 --> 00:17:02,880

of this video is a complete and total

334

00:17:06,309 --> 00:17:03,759

lie

335

00:17:06,870 --> 00:17:06,319

there are no vedic texts that are 16 000

336

00:17:10,069 --> 00:17:06,880

years old

337

00:17:12,949 --> 00:17:10,079

in fact there are no written anything

338

00:17:13,669 --> 00:17:12,959

written anything that we have that's

339

00:17:16,870 --> 00:17:13,679

that we can

340

00:17:18,309 --> 00:17:16,880

prove is 16 000 years old

341

00:17:21,510 --> 00:17:18,319

the rest of this i'm not really going to

342

00:17:23,510 --> 00:17:21,520

interrupt because it's kind of just uh

343

00:17:25,110 --> 00:17:23,520

it's kind of just fun to watch with some

344

00:17:26,309 --> 00:17:25,120

computer generated graphics of these

345

00:17:28,950 --> 00:17:26,319

viewmodels

346

00:17:30,150 --> 00:17:28,960

uh they're supposed to be again ancient

347

00:17:32,390 --> 00:17:30,160

flying machines

348

00:17:34,310 --> 00:17:32,400

but this person says we're in sixteen

349

00:17:36,870 --> 00:17:34,320

thousand year old vedic texts

350

00:17:38,150 --> 00:17:36,880

even though they weren't but okay uh

351

00:17:40,150 --> 00:17:38,160

let's watch the rest here

352

00:17:42,710 --> 00:17:40,160

talks about indian civilizations having

353

00:17:44,630 --> 00:17:42,720

access to flying machines called vimanas

354

00:17:46,470 --> 00:17:44,640

brahmonica shastra a segment in the

355

00:17:47,830 --> 00:17:46,480

verdict text details about how these

356

00:17:49,669 --> 00:17:47,840

machines were made

357

00:17:51,350 --> 00:17:49,679

it also contains instructions on the

358

00:17:54,789 --> 00:17:51,360

opera you mentioned the demonic

359

00:17:58,390 --> 00:17:54,799

ashastra that's very important

360

00:18:01,270 --> 00:17:58,400

and we'll see why later so he opens

361

00:18:02,230 --> 00:18:01,280

this with saying this was from a 16 000

362

00:18:04,390 --> 00:18:02,240

year old

363

00:18:05,909 --> 00:18:04,400

vedic text and then he mentioned the

364

00:18:08,789 --> 00:18:05,919

monika sastra

365

00:18:10,150 --> 00:18:08,799

which from all my research efforts the

366

00:18:13,270 --> 00:18:10,160

earliest record of

367

00:18:14,390 --> 00:18:13,280

the monika shastra which is what all of

368

00:18:19,029 --> 00:18:14,400

these things were

369

00:18:22,630 --> 00:18:19,039

came from uh is really the 1950s

370

00:18:25,350 --> 00:18:22,640

but some claim that the earliest uh

371

00:18:28,549 --> 00:18:25,360

that there was record of this book the

372

00:18:29,750 --> 00:18:28,559

monika shastra was 1918. i don't believe

373

00:18:32,470 --> 00:18:29,760

it's 1918

374

00:18:33,510 --> 00:18:32,480

i believe it's from the 1950s that's my

375

00:18:35,350 --> 00:18:33,520

personal belief

376

00:18:37,029 --> 00:18:35,360

having done a great deal of research on

377

00:18:39,590 --> 00:18:37,039

that book

378

00:18:40,150 --> 00:18:39,600

but the important part is that these

379

00:18:43,510 --> 00:18:40,160

people

380

00:18:48,070 --> 00:18:43,520

mix up actual ancient vedic texts

381

00:18:52,230 --> 00:18:48,080

with this vermonica sastra which is from

382

00:18:55,590 --> 00:18:52,240

either the 1918 either from 1918

383

00:18:57,669 --> 00:18:55,600

or from the 1950s let's continue

384

00:19:00,070 --> 00:18:57,679

operation of the aircraft

385

00:19:02,150 --> 00:19:00,080

in the book technology of gods david

386

00:19:02,789 --> 00:19:02,160

hatcher childress explains how the manas

387

00:19:04,310 --> 00:19:02,799

function

388

00:19:06,789 --> 00:19:04,320

with the creation of vortex with

389

00:19:08,950 --> 00:19:06,799

gyroscopic formation of mercury

390

00:19:10,150 --> 00:19:08,960

according to these sanskrit texts humans

391

00:19:12,150 --> 00:19:10,160

would have been constructed out of

392

00:19:14,150 --> 00:19:12,160

allies of gold and iron

393

00:19:15,270 --> 00:19:14,160

these texts describe humanas as gleaming

394

00:19:17,110 --> 00:19:15,280

flying machines

395

00:19:18,470 --> 00:19:17,120

often as a double-deck aircraft with

396

00:19:21,990 --> 00:19:18,480

potholes and a dome

397

00:19:25,430 --> 00:19:24,789

yes and it's very important that you

398

00:19:28,150 --> 00:19:25,440

realize

399

00:19:29,750 --> 00:19:28,160

that it's always flying saucer people

400

00:19:31,990 --> 00:19:29,760

that are bringing up these viewmodels

401
00:19:35,029 --> 00:19:32,000
i've never heard a hindu scholar

402
00:19:37,270 --> 00:19:35,039
or an indian history professor talk

403
00:19:40,470 --> 00:19:37,280
about these vimanas as being real

404
00:19:42,230 --> 00:19:40,480
it's only ufo people that bring these up

405
00:19:43,510 --> 00:19:42,240
and talk about them and their possible

406
00:19:47,350 --> 00:19:43,520
relation to

407
00:19:47,360 --> 00:19:54,549
here we see a depiction of these kimonos

408
00:20:17,350 --> 00:19:57,350
while flapping wings yeah that looks

409
00:20:20,549 --> 00:20:18,870
i just want to stop this for a moment to

410
00:20:22,149 --> 00:20:20,559
mention that for hundreds of years

411
00:20:24,870 --> 00:20:22,159
people tried to make

412
00:20:25,990 --> 00:20:24,880
uh flying machines with flapping wings

413
00:20:27,430 --> 00:20:26,000

none of them worked

414

00:20:29,190 --> 00:20:27,440

none of them but we're supposed to

415

00:20:39,520 --> 00:20:29,200

believe that this one does

416

00:20:54,950 --> 00:20:52,240

[Music]

417

00:20:57,590 --> 00:20:54,960

and here we're seeing some of the

418

00:20:59,510 --> 00:20:57,600

different vimana models

419

00:21:01,110 --> 00:20:59,520

and again every one of these is in the

420

00:21:04,710 --> 00:21:01,120

monica sastra

421

00:21:09,029 --> 00:21:04,720

from either 1918 or the 1950s

422

00:21:12,230 --> 00:21:09,039

none of these drawings are in

423

00:21:13,669 --> 00:21:12,240

actual ancient vedic texts none of them

424

00:21:16,310 --> 00:21:13,679

and here we're just seeing i guess how

425

00:21:17,909 --> 00:21:16,320

he built the cgi models

426
00:21:19,669 --> 00:21:17,919
i'll give them this it's very this is

427
00:21:23,029 --> 00:21:19,679
very artistically done

428
00:21:29,430 --> 00:21:23,039
i like it it looks nice

429
00:21:38,470 --> 00:21:32,470
so that's about it friends uh

430
00:21:43,029 --> 00:21:41,270
i i don't know how else i can explain it

431
00:21:46,230 --> 00:21:43,039
except to say this

432
00:21:48,789 --> 00:21:46,240
every single person who

433
00:21:49,590 --> 00:21:48,799
talks about these vimanas always says

434
00:21:53,190 --> 00:21:49,600
that they're from

435
00:21:56,390 --> 00:21:53,200
thousands of years old vedic texts

436
00:21:58,549 --> 00:21:56,400
and they're not they're just not every

437
00:22:00,950 --> 00:21:58,559
one of these uh

438
00:22:02,230 --> 00:22:00,960

the mana ma people have made models of

439

00:22:05,909 --> 00:22:02,240

them people have

440

00:22:08,230 --> 00:22:05,919

uh done computer generated uh

441

00:22:10,149 --> 00:22:08,240

you know renderings of them every one of

442

00:22:13,430 --> 00:22:10,159

them is from the vermonica

443

00:22:17,510 --> 00:22:13,440

sastra none of them are from the

444

00:22:19,510 --> 00:22:17,520

actual ancient vedic texts none of them

445

00:22:21,590 --> 00:22:19,520

and i think that's very important

446

00:22:22,789 --> 00:22:21,600

because we can get some education into

447

00:22:25,990 --> 00:22:22,799

how these

448

00:22:29,029 --> 00:22:26,000

sort of hoaxed fake stories take off

449

00:22:31,750 --> 00:22:29,039

they take a little bit of actual history

450

00:22:32,950 --> 00:22:31,760

like vedic ancient vedic texts are there

451
00:22:36,310 --> 00:22:32,960
ancient vedic texts

452
00:22:39,029 --> 00:22:36,320
sure uh but most of them only date back

453
00:22:42,070 --> 00:22:39,039
to a few thousand years bc

454
00:22:44,870 --> 00:22:42,080
not 10 000 years not 16

455
00:22:45,430 --> 00:22:44,880
000 years old and again they make these

456
00:22:49,190 --> 00:22:45,440
statements

457
00:22:55,270 --> 00:22:52,950
i uh disagree i disagree

458
00:22:57,669 --> 00:22:55,280
that uh saying these are from thousands

459
00:23:00,789 --> 00:22:57,679
of years old vedic texts

460
00:23:02,549 --> 00:23:00,799
uh is an accurate statement and further

461
00:23:04,070 --> 00:23:02,559
it should be known that the monika

462
00:23:08,070 --> 00:23:04,080
shastra

463
00:23:10,230 --> 00:23:08,080

is a channeled book somebody channeled

464

00:23:11,830 --> 00:23:10,240

that book the vermonica shastra and all

465

00:23:15,029 --> 00:23:11,840

those drawings

466

00:23:17,270 --> 00:23:15,039

uh and we'll go into more detail and

467

00:23:21,190 --> 00:23:17,280

unpack that a little bit

468

00:23:23,190 --> 00:23:21,200

um but i thought it would be good if we

469

00:23:26,470 --> 00:23:23,200

uh

470

00:23:30,710 --> 00:23:26,480

if we do sort of a

471

00:23:32,789 --> 00:23:30,720

uh a look into the biggest

472

00:23:35,190 --> 00:23:32,799

guilty party here of pushing these

473

00:23:37,990 --> 00:23:35,200

vimanas and that would be

474

00:23:39,750 --> 00:23:38,000

uh ancient aliens the television show

475

00:23:41,110 --> 00:23:39,760

because we've got that george guy with

476

00:23:44,230 --> 00:23:41,120

the strange hair

477

00:23:46,710 --> 00:23:44,240

he's always pushing the manas i can

478

00:23:50,230 --> 00:23:46,720

never say his last name so forgive me uh

479

00:23:51,830 --> 00:23:50,240

big hair ancient aliens guy george

480

00:23:54,070 --> 00:23:51,840

you guys know what i'm talking about and

481

00:23:56,789 --> 00:23:54,080

uh david hatcher childress

482

00:23:57,190 --> 00:23:56,799

is another one uh he's written books on

483

00:24:00,470 --> 00:23:57,200

these

484

00:24:03,750 --> 00:24:00,480

things claiming all kinds of claims he's

485

00:24:03,990 --> 00:24:03,760

david hatcher childress also completely

486

00:24:07,990 --> 00:24:04,000

and

487

00:24:09,830 --> 00:24:08,000

totally mistranslated actual vedic texts

488

00:24:11,590 --> 00:24:09,840

to just say whatever he wanted them to

489

00:24:14,789 --> 00:24:11,600

say to support his

490

00:24:18,630 --> 00:24:14,799

vimanas are ancient flying machines

491

00:24:21,029 --> 00:24:18,640

theories and that is disingenuous

492

00:24:21,909 --> 00:24:21,039

at best and and at worst it's very

493

00:24:25,190 --> 00:24:21,919

dishonest

494

00:24:26,149 --> 00:24:25,200

to just completely and totally destroy a

495

00:24:28,870 --> 00:24:26,159

translation

496

00:24:29,669 --> 00:24:28,880

of what may be a holy scripture to some

497

00:24:32,470 --> 00:24:29,679

people

498

00:24:34,630 --> 00:24:32,480

depending on their religious leanings

499

00:24:35,269 --> 00:24:34,640

just completely take that and destroy

500

00:24:39,510 --> 00:24:35,279

that

501
00:24:42,390 --> 00:24:39,520
and hey we're gonna say it says this

502
00:24:43,269 --> 00:24:42,400
when it doesn't say that it's crazy that

503
00:24:46,710 --> 00:24:43,279
these people

504
00:24:49,990 --> 00:24:46,720
they just get away with it um

505
00:24:53,350 --> 00:24:50,000
but i thought we could share one more uh

506
00:24:58,070 --> 00:24:53,360
well really i have two more and and uh

507
00:25:01,190 --> 00:25:00,710
total lack of factual evidence that

508
00:25:04,870 --> 00:25:01,200
ancient

509
00:25:07,909 --> 00:25:04,880
aliens uh presents through

510
00:25:10,070 --> 00:25:07,919
most of their shows are filled with

511
00:25:12,710 --> 00:25:10,080
fabrications half truths

512
00:25:13,269 --> 00:25:12,720
you know five percent truth and 95 let's

513
00:25:16,230 --> 00:25:13,279

make this

514

00:25:17,990 --> 00:25:16,240

up um there's a site called ancient

515

00:25:20,070 --> 00:25:18,000

aliens debunked

516

00:25:21,269 --> 00:25:20,080

it's excellent because it goes through

517

00:25:24,310 --> 00:25:21,279

ancient aliens

518

00:25:27,269 --> 00:25:24,320

stuff uh point by point

519

00:25:28,950 --> 00:25:27,279

proving that they're so fast and loose

520

00:25:31,510 --> 00:25:28,960

with the facts

521

00:25:33,269 --> 00:25:31,520

i was actually shocked when i first

522

00:25:36,549 --> 00:25:33,279

found all the evidence that

523

00:25:37,350 --> 00:25:36,559

of just how much ancient aliens lies to

524

00:25:39,110 --> 00:25:37,360

people

525

00:25:40,830 --> 00:25:39,120

i couldn't believe it i'm like this is

526
00:25:44,149 --> 00:25:40,840
on the history channel this is

527
00:25:46,149 --> 00:25:44,159
crazy it's it's absolutely

528
00:25:48,230 --> 00:25:46,159
crazy that something on something called

529
00:25:49,430 --> 00:25:48,240
the history channel is just completely

530
00:25:54,710 --> 00:25:49,440
making [h__h] up

531
00:25:56,870 --> 00:25:54,720
that's the world we live in friends and

532
00:25:58,310 --> 00:25:56,880
you just don't even know what to believe

533
00:26:01,830 --> 00:25:58,320
anymore

534
00:26:05,669 --> 00:26:01,840
but uh i thought we could play

535
00:26:07,909 --> 00:26:05,679
a a video from this person who created

536
00:26:10,149 --> 00:26:07,919
the website ancient aliens debunked

537
00:26:11,350 --> 00:26:10,159
because he can explain some of this much

538
00:26:13,750 --> 00:26:11,360

better than me

539

00:26:15,430 --> 00:26:13,760

i'm glad i for what i'm glad that i

540

00:26:17,430 --> 00:26:15,440

found his website

541

00:26:19,750 --> 00:26:17,440

and found the truth behind some of this

542

00:26:22,390 --> 00:26:19,760

stuff and it's kind of shocking

543

00:26:23,029 --> 00:26:22,400

actually how just how terribly they lie

544

00:26:26,310 --> 00:26:23,039

to people

545

00:26:28,149 --> 00:26:26,320

on the show ancient aliens but uh

546

00:26:29,909 --> 00:26:28,159

when you consider one of the producers

547

00:26:32,870 --> 00:26:29,919

was david wilcock

548

00:26:34,789 --> 00:26:32,880

it's no surprise to me that that show is

549

00:26:36,789 --> 00:26:34,799

filled with lies fabrications half

550

00:26:38,549 --> 00:26:36,799

truths and total [h__h]

551
00:26:40,950 --> 00:26:38,559
uh consider the source one of the

552
00:26:44,630 --> 00:26:40,960
producers is david wilcock or was

553
00:26:45,590 --> 00:26:44,640
right so uh and we all know how factual

554
00:26:49,590 --> 00:26:45,600
his information

555
00:26:54,230 --> 00:26:49,600
is uh

556
00:26:59,269 --> 00:26:56,710
let me get this up and for this one i

557
00:27:00,549 --> 00:26:59,279
again i have to cite fair use fair use

558
00:27:03,590 --> 00:27:00,559
we're educating the public

559
00:27:06,070 --> 00:27:03,600
because uh history channel i'm told

560
00:27:07,190 --> 00:27:06,080
does not like people sharing their clips

561
00:27:08,470 --> 00:27:07,200
and calling them out for their

562
00:27:11,430 --> 00:27:08,480
bullshittery

563
00:27:12,549 --> 00:27:11,440

so i want to tell you anyone from uh

564

00:27:15,269 --> 00:27:12,559

that organization

565

00:27:16,070 --> 00:27:15,279

we are educating the public we will be

566

00:27:19,110 --> 00:27:16,080

critiquing

567

00:27:22,630 --> 00:27:19,120

and uh criticizing you as

568

00:27:23,830 --> 00:27:22,640

a as an organization for flat out lying

569

00:27:26,789 --> 00:27:23,840

to people

570

00:27:27,909 --> 00:27:26,799

i i have that right it's my freedom of

571

00:27:31,110 --> 00:27:27,919

speech

572

00:27:32,710 --> 00:27:31,120

uh to to do that and to educate the

573

00:27:33,590 --> 00:27:32,720

public that you've been lying to them

574

00:27:35,750 --> 00:27:33,600

for how many

575

00:27:36,630 --> 00:27:35,760

ancient alien seasons now is it up to

576
00:27:39,269 --> 00:27:36,640
like 10

577
00:27:40,470 --> 00:27:39,279
14 i don't know how many years that show

578
00:27:43,830 --> 00:27:40,480
has been on

579
00:27:46,870 --> 00:27:43,840
um i'm citing fair use

580
00:27:47,510 --> 00:27:46,880
do not copy strike me copyright strike

581
00:27:50,070 --> 00:27:47,520
me

582
00:27:51,990 --> 00:27:50,080
or i will challenge you legally i have

583
00:27:53,110 --> 00:27:52,000
the right to do this and actually we're

584
00:27:56,470 --> 00:27:53,120
playing clips from

585
00:27:58,149 --> 00:27:56,480
ancient aliens debunked.com but he took

586
00:27:59,430 --> 00:27:58,159
the history channel clips and put it in

587
00:28:02,710 --> 00:27:59,440
his own video

588
00:28:05,830 --> 00:28:02,720

but still just a fair warning to

589

00:28:06,710 --> 00:28:05,840

the history channel to ancient aliens uh

590

00:28:09,029 --> 00:28:06,720

producers

591

00:28:10,230 --> 00:28:09,039

or whoever is involved with that if you

592

00:28:12,389 --> 00:28:10,240

copyright strike me

593

00:28:13,590 --> 00:28:12,399

i will legally challenge your right to

594

00:28:17,110 --> 00:28:13,600

do that this

595

00:28:19,510 --> 00:28:17,120

is the technical definition of fair use

596

00:28:21,510 --> 00:28:19,520

and we are going to share this in the

597

00:28:23,750 --> 00:28:21,520

spirit of fair use and educating the

598

00:28:27,830 --> 00:28:23,760

public

599

00:28:35,110 --> 00:28:27,840

okay so this is titled

600

00:28:39,190 --> 00:28:37,990

is the book that's from you know the

601
00:28:41,669 --> 00:28:39,200
1900s

602
00:28:42,549 --> 00:28:41,679
that these people keep claiming are is

603
00:28:45,669 --> 00:28:42,559
an ancient

604
00:28:47,510 --> 00:28:45,679
vedic text when it's not uh

605
00:28:48,789 --> 00:28:47,520
so this video is going to be a little

606
00:28:51,350 --> 00:28:48,799
long we might skip ancient

607
00:28:53,190 --> 00:28:51,360
sanskrit texts dating back as far as

608
00:28:58,630 --> 00:28:53,200
6000 bc

609
00:29:00,389 --> 00:28:58,640
that are six thousand years old they're

610
00:29:01,430 --> 00:29:00,399
just no vedic texts that are six

611
00:29:04,789 --> 00:29:01,440
thousand years old

612
00:29:06,630 --> 00:29:04,799
there might not be written texts

613
00:29:09,029 --> 00:29:06,640

that are known to be six thousand years

614

00:29:10,230 --> 00:29:09,039

old at all let alone vedic texts that

615

00:29:12,310 --> 00:29:10,240

mention these vamanas

616

00:29:13,510 --> 00:29:12,320

again completely and totally factually

617

00:29:16,230 --> 00:29:13,520

inaccurate statement

618

00:29:17,990 --> 00:29:16,240

right at the beginning of the story wow

619

00:29:20,950 --> 00:29:18,000

6000 bc

620

00:29:22,389 --> 00:29:20,960

really in reality the oldest of these

621

00:29:26,070 --> 00:29:22,399

texts would be the vitas

622

00:29:28,789 --> 00:29:26,080

which date to between 500 and 1500 bc

623

00:29:29,269 --> 00:29:28,799

ancient aliens just adds another 5 000

624

00:29:31,350 --> 00:29:29,279

years

625

00:29:33,510 --> 00:29:31,360

as if no one would notice they're

626
00:29:34,549 --> 00:29:33,520
actually even contradicting themselves

627
00:29:36,230 --> 00:29:34,559
with this date

628
00:29:38,470 --> 00:29:36,240
because in another episode they

629
00:29:39,990 --> 00:29:38,480
correctly state that the oldest writings

630
00:29:42,389 --> 00:29:40,000
in the world are the sumerian

631
00:29:44,630 --> 00:29:42,399
tablets the oldest of which date to

632
00:29:47,750 --> 00:29:44,640
about 4000 bc

633
00:29:52,870 --> 00:29:47,760
so yeah the oldest written known written

634
00:29:55,029 --> 00:29:52,880
anything is this sumerian text 4000 bc

635
00:29:56,389 --> 00:29:55,039
there's no you know they contradict

636
00:29:58,310 --> 00:29:56,399
themselves

637
00:29:59,990 --> 00:29:58,320
it's it's amazing why are they now

638
00:30:02,630 --> 00:30:00,000

saying that there are some writings

639

00:30:03,590 --> 00:30:02,640

2 000 years older than the oldest

640

00:30:06,149 --> 00:30:03,600

writings

641

00:30:06,710 --> 00:30:06,159

i don't think anyone knows describe in

642

00:30:09,510 --> 00:30:06,720

varying

643

00:30:11,510 --> 00:30:09,520

but vivid detail flying machines called

644

00:30:19,110 --> 00:30:11,520

vimanas

645

00:30:21,350 --> 00:30:19,120

powered by some jet engines

646

00:30:22,549 --> 00:30:21,360

this seems to be true just enough to say

647

00:30:24,470 --> 00:30:22,559

they're not actually powered

648

00:30:25,990 --> 00:30:24,480

they're not all claimed to be powered by

649

00:30:26,630 --> 00:30:26,000

jet engines some are claimed to be

650

00:30:30,070 --> 00:30:26,640

powered by

651
00:30:32,310 --> 00:30:30,080
generators what kind of generators

652
00:30:33,350 --> 00:30:32,320
your guess is as good as mine these

653
00:30:35,990 --> 00:30:33,360
drawings

654
00:30:37,590 --> 00:30:36,000
are nonsensical if you take them to an

655
00:30:39,510 --> 00:30:37,600
aeronautics engineer

656
00:30:42,070 --> 00:30:39,520
he will tell you all of these drawings

657
00:30:44,149 --> 00:30:42,080
wouldn't fly they're nonsensical

658
00:30:45,990 --> 00:30:44,159
they don't make any sense you can't just

659
00:30:48,230 --> 00:30:46,000
you know spin mercury

660
00:30:49,029 --> 00:30:48,240
you know in a ball and and make

661
00:30:52,389 --> 00:30:49,039
something

662
00:30:53,029 --> 00:30:52,399
lighter than air and float um but it is

663
00:30:56,230 --> 00:30:53,039

what it is

664

00:30:57,909 --> 00:30:56,240

uh and others claim uh

665

00:30:59,669 --> 00:30:57,919

that they're jet engines because of the

666

00:31:02,870 --> 00:30:59,679

description you know thunderous

667

00:31:04,230 --> 00:31:02,880

uh you know it's like thunder coming out

668

00:31:07,029 --> 00:31:04,240

of these things

669

00:31:09,990 --> 00:31:07,039

well that could easily be just a

670

00:31:12,789 --> 00:31:10,000

mythological text describing you know

671

00:31:14,230 --> 00:31:12,799

again a chariot of a god and those

672

00:31:16,950 --> 00:31:14,240

chariots

673

00:31:18,070 --> 00:31:16,960

had wheels and were driven by flying

674

00:31:20,230 --> 00:31:18,080

horses

675

00:31:22,230 --> 00:31:20,240

so somehow they conflate the two here

676
00:31:25,350 --> 00:31:22,240
but okay

677
00:31:28,630 --> 00:31:25,360
because all the description

678
00:31:32,389 --> 00:31:28,640
of the flight behavior elephants

679
00:31:35,750 --> 00:31:32,399
ran away in panic

680
00:31:36,310 --> 00:31:35,760
grass was thrown out because there was a

681
00:31:40,710 --> 00:31:36,320
lot of

682
00:31:42,470 --> 00:31:40,720
pressure from behind those vimanas

683
00:31:46,149 --> 00:31:42,480
so that we can say this is the

684
00:31:48,549 --> 00:31:46,159
description of the spaceship

685
00:31:49,590 --> 00:31:48,559
so wait first he said it was first he

686
00:31:51,430 --> 00:31:49,600
said they were

687
00:31:53,430 --> 00:31:51,440
airplanes now he's saying it's a

688
00:31:56,470 --> 00:31:53,440

spaceship

689

00:31:59,269 --> 00:31:56,480

which one is it dude is it is it

690

00:31:59,990 --> 00:31:59,279

flying you know is it an airplane with a

691

00:32:01,590 --> 00:32:00,000

jet engine

692

00:32:03,990 --> 00:32:01,600

or is it a rocket ship that's a

693

00:32:07,590 --> 00:32:04,000

spaceship he just

694

00:32:14,389 --> 00:32:07,600

said they were both in one two sentences

695

00:32:16,950 --> 00:32:14,399

this does not make any sense

696

00:32:18,310 --> 00:32:16,960

the word vimana literally means having

697

00:32:20,950 --> 00:32:18,320

been measured out

698

00:32:23,029 --> 00:32:20,960

and it was related to the king's palaces

699

00:32:24,310 --> 00:32:23,039

and was referring to their intricate

700

00:32:26,549 --> 00:32:24,320

construction

701

00:32:28,950 --> 00:32:26,559

later on as a result the word became

702

00:32:31,110 --> 00:32:28,960

synonymous with palaces in general

703

00:32:33,830 --> 00:32:31,120

and because of that it was used to refer

704

00:32:36,630 --> 00:32:33,840

to the palaces of the gods as well

705

00:32:38,870 --> 00:32:36,640

and yes so even the word vimana does not

706

00:32:42,630 --> 00:32:38,880

mean flying machine

707

00:32:45,909 --> 00:32:42,640

it does not that word is related to

708

00:32:49,509 --> 00:32:45,919

the ornamental palaces of

709

00:32:53,909 --> 00:32:51,669

yes these palaces of the gods were in

710

00:32:55,509 --> 00:32:53,919

the heavens and they could fly

711

00:32:57,269 --> 00:32:55,519

but as we look into this it will be

712

00:32:57,830 --> 00:32:57,279

clear that some of the vamanas of the

713

00:33:00,549 --> 00:32:57,840

gods

714

00:33:03,269 --> 00:33:00,559

really were huge palaces with gardens

715

00:33:05,430 --> 00:33:03,279

and terraces and golden staircases

716

00:33:08,310 --> 00:33:05,440

then because the palaces of the gods

717

00:33:10,310 --> 00:33:08,320

flew the word gradually became used for

718

00:33:11,350 --> 00:33:10,320

anything that could fly either in

719

00:33:14,070 --> 00:33:11,360

mythology or

720

00:33:14,710 --> 00:33:14,080

in reality so understanding the palace

721

00:33:17,110 --> 00:33:14,720

concept

722

00:33:19,029 --> 00:33:17,120

in the development of the word vamaana is

723

00:33:19,909 --> 00:33:19,039

helpful in understanding what we will be

724

00:33:21,509 --> 00:33:19,919

looking at

725

00:33:23,669 --> 00:33:21,519

but before we look into the there's a

726

00:33:27,029 --> 00:33:23,679

big difference between a flying

727

00:33:30,710 --> 00:33:27,039

palace of a god and a jet

728

00:33:32,549 --> 00:33:30,720

or a spacecraft but they just conflate

729

00:33:34,070 --> 00:33:32,559

things they take a word that doesn't

730

00:33:37,269 --> 00:33:34,080

mean what they say it means

731

00:33:39,269 --> 00:33:37,279

and use it to their own ends

732

00:33:40,710 --> 00:33:39,279

the real descriptions of the manas in

733

00:33:43,269 --> 00:33:40,720

the vedic text

734

00:33:45,269 --> 00:33:43,279

we must first examine a fake text

735

00:33:46,870 --> 00:33:45,279

because oh and here we go this is going

736

00:33:50,870 --> 00:33:46,880

to explain

737

00:33:53,750 --> 00:33:50,880

the monika sastra which is where

738

00:33:55,269 --> 00:33:53,760

this is the source of all of this

739

00:33:57,430 --> 00:33:55,279

nonsense

740

00:33:59,830 --> 00:33:57,440

about vimana's being ancient flying

741

00:34:03,269 --> 00:33:59,840

machines and again

742

00:34:04,630 --> 00:34:03,279

this was a channeled work and again we

743

00:34:07,430 --> 00:34:04,640

have here

744

00:34:08,230 --> 00:34:07,440

god i'm gonna kill this person's name

745

00:34:11,990 --> 00:34:08,240

panda

746

00:34:15,750 --> 00:34:12,000

subaraya sastry

747

00:34:19,109 --> 00:34:15,760

okay uh channeled this

748

00:34:20,310 --> 00:34:19,119

this is all channeled so the vimanas

749

00:34:24,190 --> 00:34:20,320

that we see on ancient

750

00:34:27,669 --> 00:34:24,200

aliens or is it uh maharishi

751

00:34:31,109 --> 00:34:27,679

badarabwaz the monica shastra

752

00:34:34,149 --> 00:34:31,119

or science of aeronautics yeah

753

00:34:39,030 --> 00:34:34,159

and there are various

754

00:34:42,790 --> 00:34:39,040

descriptions that this is from 1954

755

00:34:44,790 --> 00:34:42,800

the first mention of this so every time

756

00:34:46,629 --> 00:34:44,800

one of these idiots on ancient aliens

757

00:34:49,030 --> 00:34:46,639

says that these romanans are from

758

00:34:50,470 --> 00:34:49,040

ancient vedic text they're completely

759

00:34:54,149 --> 00:34:50,480

and totally wrong

760

00:34:56,950 --> 00:34:54,159

they're taking we can show you um

761

00:34:58,630 --> 00:34:56,960

i have the pdf of this we can show you

762

00:35:01,109 --> 00:34:58,640

the drawings of everything

763

00:35:02,150 --> 00:35:01,119

that they're showing on ancient aliens

764

00:35:05,670 --> 00:35:02,160

is in this

765

00:35:09,990 --> 00:35:05,680

book this uh

766

00:35:12,550 --> 00:35:10,000

this channeled work from the 1950s

767

00:35:14,230 --> 00:35:12,560

i will give them some people claim

768

00:35:17,030 --> 00:35:14,240

without evidence of proof that i have

769

00:35:18,310 --> 00:35:17,040

been able to locate that it's from 1918.

770

00:35:22,310 --> 00:35:18,320

i don't believe that i believe it is

771

00:35:25,270 --> 00:35:22,320

from the 1950s uh in 1918 the science of

772

00:35:27,910 --> 00:35:25,280

airplanes was way too young and the

773

00:35:31,510 --> 00:35:27,920

science of any kind of flying machines

774

00:35:33,349 --> 00:35:31,520

was in its infancy so

775

00:35:34,870 --> 00:35:33,359

i'm more apt to believe that it came

776

00:35:37,510 --> 00:35:34,880

from the 1950s

777

00:35:38,950 --> 00:35:37,520

but here we'll hear an explanation uh

778

00:35:41,349 --> 00:35:38,960

about this

779

00:35:43,109 --> 00:35:41,359

book and how they conflate this book

780

00:35:45,430 --> 00:35:43,119

with actual ancient

781

00:35:48,150 --> 00:35:45,440

vedic texts almost everything that

782

00:35:50,950 --> 00:35:48,160

ancient aliens says about vamanas

783

00:35:52,630 --> 00:35:50,960

comes from a totally bogus text called

784

00:35:54,630 --> 00:35:52,640

the vu monika sastra

785

00:35:56,870 --> 00:35:54,640

although mainstream historians believe

786

00:35:59,190 --> 00:35:56,880

the vimana texts are myths

787

00:36:00,390 --> 00:35:59,200

many of the documents contain passages

788

00:36:02,950 --> 00:36:00,400

that seem to describe

789

00:36:04,310 --> 00:36:02,960

modern machinery and technology the

790

00:36:07,349 --> 00:36:04,320

vivani kashastra

791

00:36:08,470 --> 00:36:07,359

goes into metals that are used in these

792

00:36:11,190 --> 00:36:08,480

craft

793

00:36:12,390 --> 00:36:11,200

it talks about electricity and power

794

00:36:14,470 --> 00:36:12,400

sources

795

00:36:16,310 --> 00:36:14,480

it talks about the pilots and the

796

00:36:18,870 --> 00:36:16,320

clothing they have to wear

797

00:36:20,550 --> 00:36:18,880

it talks about the food that they eat it

798

00:36:23,270 --> 00:36:20,560

talks even about the weapons

799

00:36:24,870 --> 00:36:23,280

that are kept on these airships and it

800

00:36:27,510 --> 00:36:24,880

indeed does talk about some of those

801
00:36:29,990 --> 00:36:27,520
things but it's a book from the 1950s

802
00:36:31,270 --> 00:36:30,000
or maybe at the earliest if you believe

803
00:36:34,550 --> 00:36:31,280
some people

804
00:36:37,430 --> 00:36:34,560
1918. the flight manuals

805
00:36:39,349 --> 00:36:37,440
of the bimanas are quite similar to the

806
00:36:41,990 --> 00:36:39,359
flight manuals you find

807
00:36:42,950 --> 00:36:42,000
in the modern passenger flight business

808
00:36:45,829 --> 00:36:42,960
or

809
00:36:48,150 --> 00:36:45,839
when you go to the military jet engines

810
00:36:48,630 --> 00:36:48,160
of course they have also flight menus

811
00:36:51,990 --> 00:36:48,640
because

812
00:36:55,430 --> 00:36:52,000
it's necessary for a pilot to

813
00:36:56,390 --> 00:36:55,440

get knowledge about his plane he wanted

814

00:37:00,310 --> 00:36:56,400

to fly with

815

00:37:02,310 --> 00:37:00,320

yes so there is a flight manuals for

816

00:37:03,589 --> 00:37:02,320

aircraft that most aeronautical

817

00:37:06,230 --> 00:37:03,599

engineers would look at

818

00:37:07,750 --> 00:37:06,240

and say this won't fly but okay there's

819

00:37:10,390 --> 00:37:07,760

flight manuals for these things

820

00:37:12,790 --> 00:37:10,400

included in this bogus book the

821

00:37:13,349 --> 00:37:12,800

vehmonica sastra is not an actual

822

00:37:17,109 --> 00:37:13,359

ancient

823

00:37:18,790 --> 00:37:17,119

text it was channeled or dictated to the

824

00:37:22,150 --> 00:37:18,800

author from the spirit world

825

00:37:24,470 --> 00:37:22,160

in 1918. okay

826

00:37:26,870 --> 00:37:24,480

dictated the text claimed to be an

827

00:37:28,790 --> 00:37:26,880

ancient seer named bharad bada

828

00:37:29,990 --> 00:37:28,800

who is prominent in some ancient

829

00:37:31,829 --> 00:37:30,000

writings so

830

00:37:33,589 --> 00:37:31,839

i guess that's what's supposed to give

831

00:37:35,670 --> 00:37:33,599

this text credibility

832

00:37:36,710 --> 00:37:35,680

that is the idea that the ghost of

833

00:37:39,270 --> 00:37:36,720

someone ancient

834

00:37:39,910 --> 00:37:39,280

supposedly dictated it but they're not

835

00:37:41,670 --> 00:37:39,920

even sure

836

00:37:43,670 --> 00:37:41,680

that version of the story is true

837

00:37:45,589 --> 00:37:43,680

because the first mention of any of this

838

00:37:47,910 --> 00:37:45,599

is in 1952

839

00:37:50,390 --> 00:37:47,920

by the guy who supposedly found and

840

00:37:52,470 --> 00:37:50,400

translated the text from 1918

841

00:37:54,310 --> 00:37:52,480

so as far as anyone knows he could have

842

00:37:56,790 --> 00:37:54,320

made the whole channeled by a famous

843

00:38:00,150 --> 00:37:56,800

ghost story up in 1952

844

00:38:02,829 --> 00:38:00,160

the text itself i'm not able to find any

845

00:38:04,150 --> 00:38:02,839

proof that this book was available or at

846

00:38:07,670 --> 00:38:04,160

all uh

847

00:38:08,950 --> 00:38:07,680

talked about in 1918 the first mention

848

00:38:12,470 --> 00:38:08,960

of the book that i find

849

00:38:15,030 --> 00:38:12,480

is in the 1950s so

850

00:38:16,790 --> 00:38:15,040

i agree with this gentleman here from

851

00:38:18,630 --> 00:38:16,800

ancient aliens debunked.com

852

00:38:20,390 --> 00:38:18,640

in that the person that translated to

853

00:38:22,069 --> 00:38:20,400

english and sold the book

854

00:38:23,430 --> 00:38:22,079

of course there's money involved with

855

00:38:25,829 --> 00:38:23,440

this fake book

856

00:38:28,230 --> 00:38:25,839

uh may have just made up the story about

857

00:38:30,470 --> 00:38:28,240

it being channeled in 1918.

858

00:38:32,069 --> 00:38:30,480

i can't find a book that the book was

859

00:38:35,510 --> 00:38:32,079

available for for purchase

860

00:38:37,990 --> 00:38:35,520

until the later in the 1950s

861

00:38:40,550 --> 00:38:38,000

elf reads like a technical manual

862

00:38:41,589 --> 00:38:40,560

describing the details of how vamanas

863

00:38:43,750 --> 00:38:41,599

operated

864

00:38:45,510 --> 00:38:43,760

it includes the description of what must

865

00:38:45,990 --> 00:38:45,520

have sounded like a really technical

866

00:38:50,310 --> 00:38:46,000

idea

867

00:38:52,950 --> 00:38:50,320

in 1918 or 1952 called a mercury vortex

868

00:38:55,030 --> 00:38:52,960

engine ancient alien spends a huge

869

00:38:57,829 --> 00:38:55,040

amount of time talking about this idea

870

00:38:59,190 --> 00:38:57,839

the monika shastra or science of

871

00:39:01,430 --> 00:38:59,200

aeronautics

872

00:39:02,310 --> 00:39:01,440

indicates vimana's used a propulsion

873

00:39:04,150 --> 00:39:02,320

system here

874

00:39:06,230 --> 00:39:04,160

they're showing uh they're showing

875

00:39:08,790 --> 00:39:06,240

something that's not this is not in the

876

00:39:11,990 --> 00:39:08,800

demonica sastra but they're showing this

877

00:39:13,990 --> 00:39:12,000

as if it is in the vehicle again

878

00:39:15,910 --> 00:39:14,000

just fast and loose with the facts throw

879

00:39:16,310 --> 00:39:15,920

in a picture of a flying saucer say it's

880

00:39:19,510 --> 00:39:16,320

from the

881

00:39:21,349 --> 00:39:19,520

monica shastra it's not based on a

882

00:39:26,150 --> 00:39:21,359

combination of gyroscopes

883

00:39:29,030 --> 00:39:26,160

electricity and mercury is this possible

884

00:39:30,230 --> 00:39:29,040

mercury isn't unusual again this is is

885

00:39:32,630 --> 00:39:30,240

another illustration

886

00:39:33,430 --> 00:39:32,640

that i do not believe is in is in the

887

00:39:36,630 --> 00:39:33,440

vermonica

888

00:39:40,710 --> 00:39:36,640

full element mercury is metal

889

00:39:44,390 --> 00:39:40,720

it's also a liquid and

890

00:39:46,870 --> 00:39:44,400

uh is a conductor of electricity

891

00:39:49,349 --> 00:39:46,880

the ve monica sastra suggests vimanas

892

00:39:51,750 --> 00:39:49,359

were powered by several gyroscopes

893

00:39:52,500 --> 00:39:51,760

placed inside a sealed liquid mercury

894

00:39:54,470 --> 00:39:52,510

vortex

895

00:39:55,910 --> 00:39:54,480

[Music]

896

00:39:57,750 --> 00:39:55,920

and it's interesting that you know what

897

00:40:01,030 --> 00:39:57,760

else used a sealed

898

00:40:03,910 --> 00:40:01,040

liquid mercury vortex engine was

899

00:40:05,589 --> 00:40:03,920

the nazi bell i don't think that's a

900

00:40:08,710 --> 00:40:05,599

coincidence but

901
00:40:11,910 --> 00:40:08,720
it is what it is so you got to pull in

902
00:40:13,430 --> 00:40:11,920
uh some ufo it's already accepted ufo

903
00:40:16,470 --> 00:40:13,440
mythology

904
00:40:19,589 --> 00:40:16,480
into your you know

905
00:40:22,829 --> 00:40:19,599
story you're trying to sell

906
00:40:26,950 --> 00:40:22,839
one of the texts talks about

907
00:40:30,069 --> 00:40:26,960
mercury rotating and

908
00:40:33,109 --> 00:40:30,079
driving some sort of a powerful wind

909
00:40:35,589 --> 00:40:33,119
or a windmill effect and again

910
00:40:36,309 --> 00:40:35,599
none of this is in the actual demonic

911
00:40:39,109 --> 00:40:36,319
shastra

912
00:40:41,349 --> 00:40:39,119
this is just some illustration that

913
00:40:44,390 --> 00:40:41,359

they're showing on the screen

914

00:40:46,309 --> 00:40:44,400

again they're mixing

915

00:40:47,910 --> 00:40:46,319

all these different data points that

916

00:40:48,230 --> 00:40:47,920

have nothing to do with each other this

917

00:40:52,870 --> 00:40:48,240

has

918

00:40:55,910 --> 00:40:52,880

and the information that it presents

919

00:40:57,430 --> 00:40:55,920

it's just looks good let's put this up

920

00:41:00,710 --> 00:40:57,440

on the screen

921

00:41:01,750 --> 00:41:00,720

that might be some sort of what we call

922

00:41:04,230 --> 00:41:01,760

a flying wheel

923

00:41:05,829 --> 00:41:04,240

energy storage where you have a spinning

924

00:41:07,910 --> 00:41:05,839

disc and then you extract

925

00:41:09,190 --> 00:41:07,920

energy from it slowly that would be the

926

00:41:11,589 --> 00:41:09,200

one that's not in the book

927

00:41:13,270 --> 00:41:11,599

and then that could be used to drive

928

00:41:16,069 --> 00:41:13,280

some sort of a propeller

929

00:41:17,829 --> 00:41:16,079

or what we call a ducted fan some of the

930

00:41:19,270 --> 00:41:17,839

other things that this text describes

931

00:41:21,910 --> 00:41:19,280

are equally scientific

932

00:41:22,550 --> 00:41:21,920

sounding it even includes very technical

933

00:41:24,390 --> 00:41:22,560

drawings

934

00:41:26,150 --> 00:41:24,400

of the things that it's talking about

935

00:41:28,470 --> 00:41:26,160

but when you look closer at all this

936

00:41:30,069 --> 00:41:28,480

it becomes does that look like i don't

937

00:41:31,430 --> 00:41:30,079

know does that look like something that

938

00:41:34,790 --> 00:41:31,440

would actually fly

939

00:41:36,870 --> 00:41:34,800

this thing right here

940

00:41:39,030 --> 00:41:36,880

i i don't know friends i don't know

941

00:41:41,430 --> 00:41:39,040

comes obvious that it is physically

942

00:41:42,630 --> 00:41:41,440

impossible for any of these craft to get

943

00:41:45,750 --> 00:41:42,640

off the ground

944

00:41:47,670 --> 00:41:45,760

in fact 20 years later in 1974

945

00:41:49,510 --> 00:41:47,680

a study was done on the texts and the

946

00:41:51,589 --> 00:41:49,520

drawings by the aeronautical and

947

00:41:52,950 --> 00:41:51,599

mechanical institute of science in

948

00:41:54,950 --> 00:41:52,960

banglador india

949

00:41:56,790 --> 00:41:54,960

i will quote will hunt an american

950

00:41:59,750 --> 00:41:56,800

freelance writer based in india for a

951
00:42:03,270 --> 00:41:59,760
description of how that study came out

952
00:42:05,030 --> 00:42:03,280
every single engineer

953
00:42:07,190 --> 00:42:05,040
that has looked at these drawings every

954
00:42:10,309 --> 00:42:07,200
single aeronautical

955
00:42:12,230 --> 00:42:10,319
engineer or expert or aircraft expert

956
00:42:14,710 --> 00:42:12,240
that has looked these drawings

957
00:42:15,589 --> 00:42:14,720
every one of them have said this

958
00:42:20,630 --> 00:42:15,599
wouldn't fly

959
00:42:22,470 --> 00:42:20,640
this is garbage but it is what it is

960
00:42:24,630 --> 00:42:22,480
quote as thoroughly as it had been

961
00:42:25,829 --> 00:42:24,640
written the committee just as thoroughly

962
00:42:27,910 --> 00:42:25,839
dismantled the study

963
00:42:29,990 --> 00:42:27,920

in an essay called a critical study of

964

00:42:31,990 --> 00:42:30,000

the work of the monika shastra

965

00:42:33,030 --> 00:42:32,000

they question whether the author whoever

966

00:42:36,069 --> 00:42:33,040

that may have been

967

00:42:37,270 --> 00:42:36,079

had any grasp of basic physics chemistry

968

00:42:39,430 --> 00:42:37,280

and electricity

969

00:42:41,510 --> 00:42:39,440

not to mention the quote disciplines of

970

00:42:42,309 --> 00:42:41,520

aeronautics aerodynamics aeronautical

971

00:42:44,309 --> 00:42:42,319

structures

972

00:42:45,349 --> 00:42:44,319

propulsive devices materials and

973

00:42:47,510 --> 00:42:45,359

metallurgy

974

00:42:49,589 --> 00:42:47,520

their conclusion quote none of the

975

00:42:50,550 --> 00:42:49,599

planes has properties or capabilities of

976
00:42:52,550 --> 00:42:50,560
being flown

977
00:42:54,069 --> 00:42:52,560
the geometries are unimaginably

978
00:42:54,870 --> 00:42:54,079
horrendous from the point of view of

979
00:42:57,910 --> 00:42:54,880
flying

980
00:42:58,550 --> 00:42:57,920
and the principles of it's important

981
00:43:02,309 --> 00:42:58,560
that we

982
00:43:03,910 --> 00:43:02,319
uh remember this craft because we're

983
00:43:06,150 --> 00:43:03,920
going to show another clip that's just

984
00:43:08,470 --> 00:43:06,160
hysterical from ancient aliens

985
00:43:09,670 --> 00:43:08,480
remember that top one friends propulsion

986
00:43:13,109 --> 00:43:09,680
make them resist

987
00:43:15,430 --> 00:43:13,119
rather than assist flying another writer

988
00:43:16,150 --> 00:43:15,440

jb hare writing for the sacred text

989

00:43:17,670 --> 00:43:16,160

archive

990

00:43:19,430 --> 00:43:17,680

said the following of the craft in the

991

00:43:21,510 --> 00:43:19,440

vermonica shastra quote

992

00:43:23,190 --> 00:43:21,520

they are absurdly non-aerodynamic

993

00:43:26,150 --> 00:43:23,200

brutalist wedding cakes

994

00:43:27,589 --> 00:43:26,160

with minarets huge ornithopter wings and

995

00:43:29,589 --> 00:43:27,599

dinky propellers

996

00:43:31,109 --> 00:43:29,599

i have a feeling that even though ninety

997

00:43:33,510 --> 00:43:31,119

percent of the information

998

00:43:34,950 --> 00:43:33,520

that ancient aliens presents on vamanas

999

00:43:36,870 --> 00:43:34,960

comes from this text

1000

00:43:38,470 --> 00:43:36,880

they realize that it has been thoroughly

1001

00:43:40,790 --> 00:43:38,480

discredited and so

1002

00:43:42,710 --> 00:43:40,800

in an odd twist after spending five

1003

00:43:44,870 --> 00:43:42,720

minutes on how great the idea of a

1004

00:43:46,630 --> 00:43:44,880

mercury vortex engine would be

1005

00:43:49,030 --> 00:43:46,640

they then let everyone know that the

1006

00:43:50,710 --> 00:43:49,040

idea wouldn't actually work

1007

00:43:52,230 --> 00:43:50,720

they stopped short however of saying

1008

00:43:52,950 --> 00:43:52,240

that there's anything wrong with this

1009

00:43:54,550 --> 00:43:52,960

text

1010

00:43:56,470 --> 00:43:54,560

they just say that there may have been a

1011

00:43:57,510 --> 00:43:56,480

problem with the translation of a word

1012

00:44:01,589 --> 00:43:57,520

or two

1013

00:44:04,230 --> 00:44:01,599

yeah uh let's that's another thing

1014

00:44:05,510 --> 00:44:04,240

these people like david hatcher

1015

00:44:08,230 --> 00:44:05,520

childress

1016

00:44:09,510 --> 00:44:08,240

you're telling us that this these things

1017

00:44:11,030 --> 00:44:09,520

could fly

1018

00:44:12,870 --> 00:44:11,040

and you've got all the technical

1019

00:44:14,309 --> 00:44:12,880

drawings right you've got the

1020

00:44:16,069 --> 00:44:14,319

description of how they work

1021

00:44:18,069 --> 00:44:16,079

david hatcher children's can you make

1022

00:44:21,510 --> 00:44:18,079

one so that we can see them

1023

00:44:22,069 --> 00:44:21,520

actually fly of course not and why can't

1024

00:44:23,670 --> 00:44:22,079

he do that

1025

00:44:25,990 --> 00:44:23,680

well there could have been problems in

1026

00:44:27,829 --> 00:44:26,000

the translation and maybe we don't

1027

00:44:30,069 --> 00:44:27,839

maybe it's not mercury it could be some

1028

00:44:32,150 --> 00:44:30,079

other liquid metal we get excuses for

1029

00:44:35,349 --> 00:44:32,160

why they can't duplicate these things

1030

00:44:40,150 --> 00:44:35,359

no one friends will ever duplicate these

1031

00:44:44,390 --> 00:44:43,109

flywheel energy storage systems however

1032

00:44:47,510 --> 00:44:44,400

tend to lose power

1033

00:44:51,030 --> 00:44:47,520

quickly to navigate across space

1034

00:44:53,109 --> 00:44:51,040

its size would have to be enormous

1035

00:44:55,430 --> 00:44:53,119

it's it's not at all clear that this

1036

00:44:57,829 --> 00:44:55,440

would be a practical device

1037

00:44:59,270 --> 00:44:57,839

now maybe the people were trying to

1038

00:45:01,750 --> 00:44:59,280

describe

1039

00:45:03,510 --> 00:45:01,760

something that kind of looked like this

1040

00:45:05,109 --> 00:45:03,520

to them it might not have actually been

1041

00:45:08,150 --> 00:45:05,119

mercury it might have been

1042

00:45:11,510 --> 00:45:08,160

some other liquid the mercury

1043

00:45:14,710 --> 00:45:11,520

vortex engine is perhaps

1044

00:45:15,829 --> 00:45:14,720

a failure in the translation uh yeah

1045

00:45:18,950 --> 00:45:15,839

there we have it

1046

00:45:21,190 --> 00:45:18,960

maybe a failure in the translation yeah

1047

00:45:22,550 --> 00:45:21,200

maybe the guy who channeled this

1048

00:45:30,550 --> 00:45:22,560

[h__\h]

1049

00:45:33,750 --> 00:45:30,560

because the vortex

1050

00:45:36,630 --> 00:45:33,760

is not a material quite suitable

1051
00:45:38,710 --> 00:45:36,640
to a jet engine so let's move on to the

1052
00:45:41,430 --> 00:45:38,720
mentions of the manas in the actual

1053
00:45:43,750 --> 00:45:41,440
ancient vedic texts so as i've already

1054
00:45:44,790 --> 00:45:43,760
mentioned the word vamana came to mean

1055
00:45:49,990 --> 00:45:44,800
palace

1056
00:45:51,990 --> 00:45:50,000
was usually capable of flying around

1057
00:45:53,750 --> 00:45:52,000
when we look at the development of the

1058
00:45:56,470 --> 00:45:53,760
manas chronologically

1059
00:45:57,910 --> 00:45:56,480
the mystery surrounding them vanishes

1060
00:45:59,990 --> 00:45:57,920
first of all they were not even

1061
00:46:01,990 --> 00:46:00,000
mentioned in the earlier texts

1062
00:46:03,670 --> 00:46:02,000
and when they finally were mentioned the

1063
00:46:04,309 --> 00:46:03,680

next thousand years of their being

1064

00:46:06,950 --> 00:46:04,319

mentioned

1065

00:46:08,069 --> 00:46:06,960

always here friends this is the

1066

00:46:11,430 --> 00:46:08,079

depiction of

1067

00:46:14,950 --> 00:46:11,440

the mana described in actual vedic

1068

00:46:17,910 --> 00:46:14,960

texts and again they always were

1069

00:46:19,190 --> 00:46:17,920

chariot like they had wheels and they

1070

00:46:23,270 --> 00:46:19,200

were propelled

1071

00:46:26,950 --> 00:46:23,280

by flying horses they bore

1072

00:46:28,950 --> 00:46:26,960

zero zero resemblance to modern flying

1073

00:46:31,589 --> 00:46:28,960

machines and especially

1074

00:46:32,470 --> 00:46:31,599

zero resemblance to modern flying

1075

00:46:36,470 --> 00:46:32,480

saucers

1076

00:46:39,430 --> 00:46:36,480

or ufos this included them having wheels

1077

00:46:41,190 --> 00:46:39,440

and being drawn by horses not exactly a

1078

00:46:44,150 --> 00:46:41,200

mercury vortex engine

1079

00:46:45,109 --> 00:46:44,160

then around 500 bc the chariots lose

1080

00:46:47,589 --> 00:46:45,119

their horses

1081

00:46:49,750 --> 00:46:47,599

and are depicted as flying on their own

1082

00:46:51,829 --> 00:46:49,760

jason colovito says the following about

1083

00:46:52,790 --> 00:46:51,839

the first mentions of vamanas without

1084

00:46:54,950 --> 00:46:52,800

horses

1085

00:46:56,950 --> 00:46:54,960

quote the very first of these is the

1086

00:46:57,910 --> 00:46:56,960

flying chariot of the earthly king

1087

00:47:00,230 --> 00:46:57,920

ravana

1088

00:47:02,950 --> 00:47:00,240

called pushpaka by the time of the

1089

00:47:05,510 --> 00:47:02,960

mahabharata circa 400 bce

1090

00:47:07,349 --> 00:47:05,520

these flying chariots had grown in size

1091

00:47:09,430 --> 00:47:07,359

one was now described as 12

1092

00:47:10,950 --> 00:47:09,440

cubits in circumference but they never

1093

00:47:13,510 --> 00:47:10,960

lost their large wheels

1094

00:47:15,589 --> 00:47:13,520

that marked them as derived from earthly

1095

00:47:18,950 --> 00:47:15,599

horse-drawn chariots

1096

00:47:22,150 --> 00:47:18,960

yeah so again they're mixing

1097

00:47:26,390 --> 00:47:22,160

an actual historical

1098

00:47:26,710 --> 00:47:26,400

you know fact that is what a vamana look

1099

00:47:29,190 --> 00:47:26,720

like

1100

00:47:29,990 --> 00:47:29,200

according to actual vedic text and again

1101

00:47:33,349 --> 00:47:30,000

they're not

1102

00:47:35,190 --> 00:47:33,359

mentioned in 6 000 year old vedic texts

1103

00:47:36,870 --> 00:47:35,200

because there are no 6 000 year old

1104

00:47:37,670 --> 00:47:36,880

vedic text they're mentioned in text

1105

00:47:41,190 --> 00:47:37,680

from about

1106

00:47:44,790 --> 00:47:41,200

500 bc they lost the horses

1107

00:47:48,309 --> 00:47:44,800

and uh sort of became flying palaces

1108

00:47:51,670 --> 00:47:48,319

of the gods again not

1109

00:47:52,230 --> 00:47:51,680

they were zero resemblance to the stuff

1110

00:47:55,349 --> 00:47:52,240

mentioned

1111

00:47:56,390 --> 00:47:55,359

in the uh vermonica sastra this

1112

00:47:59,270 --> 00:47:56,400

channeled work

1113

00:47:59,829 --> 00:47:59,280

from the 1950s it's also interesting to

1114

00:48:02,549 --> 00:47:59,839

see

1115

00:48:03,349 --> 00:48:02,559

that ancient astronaut theorists have to

1116

00:48:05,430 --> 00:48:03,359

distort

1117

00:48:06,549 --> 00:48:05,440

the actual descriptions of the manas in

1118

00:48:08,870 --> 00:48:06,559

the vedic text

1119

00:48:09,829 --> 00:48:08,880

in order to make them sound like ufos

1120

00:48:11,510 --> 00:48:09,839

for example

1121

00:48:13,430 --> 00:48:11,520

the following is a quote from david

1122

00:48:15,589 --> 00:48:13,440

childress's book where he's supposed to

1123

00:48:17,910 --> 00:48:15,599

be quoting a description of a vamana

1124

00:48:19,750 --> 00:48:17,920

from an ancient text we'll read what he

1125

00:48:21,910 --> 00:48:19,760

tells his readers what it says

1126
00:48:23,990 --> 00:48:21,920
and then we will read the actual ancient

1127
00:48:25,990 --> 00:48:24,000
text and note the differences

1128
00:48:27,829 --> 00:48:26,000
first let's hear childress's version

1129
00:48:30,470 --> 00:48:27,839
quote when morning dawned

1130
00:48:32,549 --> 00:48:30,480
rama taking the celestial car pushpaka

1131
00:48:35,270 --> 00:48:32,559
had sent to him by the patient

1132
00:48:36,150 --> 00:48:35,280
stood ready to depart self-propelled was

1133
00:48:38,630 --> 00:48:36,160
that car

1134
00:48:40,470 --> 00:48:38,640
it was large and finely painted it had

1135
00:48:41,270 --> 00:48:40,480
two stories and many chambers with

1136
00:48:43,829 --> 00:48:41,280
windows

1137
00:48:45,990 --> 00:48:43,839
and was draped with flags and banners it

1138
00:48:46,870 --> 00:48:46,000

gave forth a melodious sound as it

1139

00:48:49,510 --> 00:48:46,880

coursed along

1140

00:48:51,670 --> 00:48:49,520

its airy way it sounds like flying

1141

00:48:54,950 --> 00:48:51,680

palace of a god to me

1142

00:48:57,190 --> 00:48:54,960

but is his translation correct

1143

00:48:59,430 --> 00:48:57,200

or they just make it up to fit his

1144

00:49:00,870 --> 00:48:59,440

narrative and now here's what the actual

1145

00:49:03,430 --> 00:49:00,880

ramayana says

1146

00:49:05,190 --> 00:49:03,440

quote and the mighty monkey ascended the

1147

00:49:08,069 --> 00:49:05,200

splendid car pushpaka

1148

00:49:09,270 --> 00:49:08,079

containing figures of wolves made of

1149

00:49:12,390 --> 00:49:09,280

kart swara

1150

00:49:13,349 --> 00:49:12,400

and hiranya graced with ranges of goodly

1151

00:49:15,589 --> 00:49:13,359

pillars

1152

00:49:17,510 --> 00:49:15,599

as if blazing in splendor throughout

1153

00:49:18,390 --> 00:49:17,520

garnished with narrow secret rooms and

1154

00:49:20,549 --> 00:49:18,400

saloons

1155

00:49:21,670 --> 00:49:20,559

piercing the heavens and resembling meru

1156

00:49:24,390 --> 00:49:21,680

ur mandara

1157

00:49:25,190 --> 00:49:24,400

and like unto the flaming sun skillfully

1158

00:49:27,990 --> 00:49:25,200

reared by vic

1159

00:49:30,390 --> 00:49:28,000

walk arma with golden staircases and

1160

00:49:32,870 --> 00:49:30,400

graceful and grand raised seats

1161

00:49:33,510 --> 00:49:32,880

rows of golden and crystal windows and

1162

00:49:36,150 --> 00:49:33,520

again

1163

00:49:37,510 --> 00:49:36,160

this is a description of a flying palace

1164

00:49:41,270 --> 00:49:37,520

of a god

1165

00:49:42,710 --> 00:49:41,280

this bears zero resemblance to a modern

1166

00:49:44,950 --> 00:49:42,720

flying machine

1167

00:49:46,150 --> 00:49:44,960

and even less resemblance to a modern

1168

00:49:48,549 --> 00:49:46,160

ufo

1169

00:49:49,349 --> 00:49:48,559

and daze is composed of sapphires

1170

00:49:51,990 --> 00:49:49,359

emeralds

1171

00:49:53,510 --> 00:49:52,000

and other superb gems embellished with

1172

00:49:56,870 --> 00:49:53,520

noble vidrumas

1173

00:49:59,670 --> 00:49:56,880

costly stones and round pearls and also

1174

00:50:00,309 --> 00:49:59,680

with plastered terraces pasted with red

1175

00:50:02,230 --> 00:50:00,319

sandal

1176

00:50:03,349 --> 00:50:02,240

like unto gold and furnished with the

1177

00:50:05,349 --> 00:50:03,359

sacred aroma

1178

00:50:07,190 --> 00:50:05,359

and resembling the sun new risen

1179

00:50:08,870 --> 00:50:07,200

calavito says of this quote

1180

00:50:10,950 --> 00:50:08,880

elsewhere it is described as being

1181

00:50:12,390 --> 00:50:10,960

filled with fruit trees and sometimes is

1182

00:50:14,710 --> 00:50:12,400

drawn by geese

1183

00:50:16,390 --> 00:50:14,720

do you know many ufos with plastered

1184

00:50:18,790 --> 00:50:16,400

terraces and red paint

1185

00:50:20,069 --> 00:50:18,800

in summary most of what ancient aliens

1186

00:50:22,710 --> 00:50:20,079

uses on this point

1187

00:50:23,589 --> 00:50:22,720

is from a bogus 20th century channeled

1188

00:50:25,750 --> 00:50:23,599

text

1189

00:50:26,710 --> 00:50:25,760

which they dishonestly present as an

1190

00:50:29,109 --> 00:50:26,720

ancient text

1191

00:50:29,829 --> 00:50:29,119

yeah i have a real problem with channel

1192

00:50:32,470 --> 00:50:29,839

information

1193

00:50:35,270 --> 00:50:32,480

in general i don't find very much value

1194

00:50:38,230 --> 00:50:35,280

in channeled information

1195

00:50:39,030 --> 00:50:38,240

but it is very very dishonest of them to

1196

00:50:43,030 --> 00:50:39,040

conflate

1197

00:50:46,790 --> 00:50:43,040

this book from 1950s with actual

1198

00:50:47,829 --> 00:50:46,800

vedic texts and again i have a problem

1199

00:50:50,309 --> 00:50:47,839

with that because the

1200

00:50:51,109 --> 00:50:50,319

actual vedic texts have some spiritual

1201
00:50:56,069 --> 00:50:51,119
value

1202
00:50:59,910 --> 00:50:56,079
to you know people of the hindu faith

1203
00:51:00,230 --> 00:50:59,920
and doing that and mixing these things

1204
00:51:02,150 --> 00:51:00,240
up

1205
00:51:03,670 --> 00:51:02,160
it's just not right it's just not right

1206
00:51:05,510 --> 00:51:03,680
to do that you and it

1207
00:51:07,109 --> 00:51:05,520
and it's on the history channel of all

1208
00:51:09,510 --> 00:51:07,119
things right

1209
00:51:10,549 --> 00:51:09,520
way to go history channel you totally

1210
00:51:12,950 --> 00:51:10,559
destroyed

1211
00:51:14,630 --> 00:51:12,960
actual history here and presented

1212
00:51:17,750 --> 00:51:14,640
totally fake history

1213
00:51:19,510 --> 00:51:17,760

with these fake stories and even the

1214

00:51:21,589 --> 00:51:19,520

real descriptions of vamanas

1215

00:51:23,270 --> 00:51:21,599

get some tweaking by them in order to

1216

00:51:25,510 --> 00:51:23,280

make it sound like a ufo

1217

00:51:26,950 --> 00:51:25,520

the development of the idea of the manas

1218

00:51:29,670 --> 00:51:26,960

in hindu mythology

1219

00:51:30,549 --> 00:51:29,680

can be traced easily and it loses all of

1220

00:51:32,870 --> 00:51:30,559

its intrigue

1221

00:51:35,190 --> 00:51:32,880

for the ancient astronaut theorists when

1222

00:51:39,270 --> 00:51:35,200

you do that

1223

00:51:43,670 --> 00:51:39,280

yeah so i don't know what to say friends

1224

00:51:48,150 --> 00:51:46,870

we have uh we have one more thing that i

1225

00:51:50,630 --> 00:51:48,160

wanted to show

1226

00:51:51,990 --> 00:51:50,640

uh and again uh we're gonna cite fair

1227

00:51:55,430 --> 00:51:52,000

use fair use again

1228

00:51:58,710 --> 00:51:55,440

ancient aliens uh producers uh

1229

00:52:02,829 --> 00:51:58,720

you know the owner of that show whatever

1230

00:52:04,069 --> 00:52:02,839

i'm told like to copyright strike people

1231

00:52:05,670 --> 00:52:04,079

who

1232

00:52:08,390 --> 00:52:05,680

challenge the narratives that they

1233

00:52:11,109 --> 00:52:08,400

present on their television show

1234

00:52:12,630 --> 00:52:11,119

we are educating the public about these

1235

00:52:14,230 --> 00:52:12,640

things called vimanas

1236

00:52:15,670 --> 00:52:14,240

we're educating the public about the

1237

00:52:18,790 --> 00:52:15,680

false claims that

1238

00:52:20,790 --> 00:52:18,800

have been made on ancient aliens and

1239

00:52:22,069 --> 00:52:20,800

on the history channel show the ancient

1240

00:52:25,670 --> 00:52:22,079

aliens

1241

00:52:27,190 --> 00:52:25,680

this is fair use i should be allowed to

1242

00:52:29,349 --> 00:52:27,200

play clips from your show

1243

00:52:31,910 --> 00:52:29,359

and then critique them pick them apart

1244

00:52:32,470 --> 00:52:31,920

and show people actual factual evidence

1245

00:52:34,710 --> 00:52:32,480

that

1246

00:52:37,829 --> 00:52:34,720

the people on this ancient alien show

1247

00:52:40,069 --> 00:52:37,839

are just straight lying to people

1248

00:52:41,589 --> 00:52:40,079

so with that i'm going to again cite

1249

00:52:44,710 --> 00:52:41,599

fair use and we're going to play one

1250

00:52:47,190 --> 00:52:44,720

final clip for my presentation tonight

1251
00:52:48,549 --> 00:52:47,200
where they make a model of this of one

1252
00:52:50,549 --> 00:52:48,559
of these things

1253
00:52:52,790 --> 00:52:50,559
and again make completely and totally

1254
00:52:55,030 --> 00:52:52,800
factually inaccurate statements about

1255
00:52:56,390 --> 00:52:55,040
where they got the information to make

1256
00:52:57,990 --> 00:52:56,400
the model from

1257
00:53:00,390 --> 00:52:58,000
i believe in this clip they claim it's

1258
00:53:03,670 --> 00:53:00,400
from thousand-year-old vedic text

1259
00:53:06,309 --> 00:53:03,680
and again it's straight out of

1260
00:53:09,270 --> 00:53:06,319
the vermonica shastra from the book from

1261
00:53:12,630 --> 00:53:09,280
the 1950s that was channeled and

1262
00:53:16,230 --> 00:53:12,640
more or less proven bogus it is not

1263
00:53:19,750 --> 00:53:16,240

it is not an ancient vedic text at all

1264

00:53:23,030 --> 00:53:22,150

flying machine they make a model of came

1265

00:53:26,150 --> 00:53:23,040

straight out of the

1266

00:53:26,710 --> 00:53:26,160

monika shastra it did not come from any

1267

00:53:28,950 --> 00:53:26,720

ancient

1268

00:53:30,630 --> 00:53:28,960

vedic text but that won't stop them from

1269

00:53:32,150 --> 00:53:30,640

claiming that it did

1270

00:53:34,470 --> 00:53:32,160

sounds like a better story if you say

1271

00:53:36,390 --> 00:53:34,480

it's from a thousands of year old vedic

1272

00:53:39,670 --> 00:53:36,400

texts right

1273

00:53:43,109 --> 00:53:39,680

amazing that they can do this okay

1274

00:53:45,829 --> 00:53:43,119

let's see here i don't

1275

00:53:47,430 --> 00:53:45,839

know if this yeah wait let me get this

1276

00:53:50,069 --> 00:53:47,440

get this cued up

1277

00:53:50,470 --> 00:53:50,079

because this one's got to skip the ads

1278

00:53:51,750 --> 00:53:50,480

here

1279

00:53:54,870 --> 00:53:51,760

we don't ever want to play other

1280

00:53:58,630 --> 00:53:57,190

okay here this is great so this is about

1281

00:54:00,069 --> 00:53:58,640

a four minute video clip we'll be

1282

00:54:04,309 --> 00:54:00,079

stopping it along the way to

1283

00:54:07,510 --> 00:54:04,319

uh to comment on it and to critique

1284

00:54:08,390 --> 00:54:07,520

the uh to critique the accuracy of the

1285

00:54:11,430 --> 00:54:08,400

information

1286

00:54:14,150 --> 00:54:11,440

that they are presenting here let's

1287

00:54:15,670 --> 00:54:14,160

watch this clip friends this will be the

1288

00:54:17,910 --> 00:54:15,680

last one in my presentation and then

1289

00:54:20,549 --> 00:54:17,920

we'll get right to the live chat

1290

00:54:21,109 --> 00:54:20,559

but i had to play this one just to show

1291

00:54:23,190 --> 00:54:21,119

you

1292

00:54:24,309 --> 00:54:23,200

this is how fast and loose the ancient

1293

00:54:27,030 --> 00:54:24,319

aliens people

1294

00:54:29,030 --> 00:54:27,040

are with the facts university of

1295

00:54:34,470 --> 00:54:29,040

california at irvine

1296

00:54:39,510 --> 00:54:37,349

aerospace engineer travis taylor has

1297

00:54:41,750 --> 00:54:39,520

obtained a model of an aircraft

1298

00:54:43,670 --> 00:54:41,760

whose design specifications are based

1299

00:54:45,910 --> 00:54:43,680

solely on information gleaned

1300

00:54:47,750 --> 00:54:45,920

from ancient indian texts that are

1301
00:54:48,470 --> 00:54:47,760
believed to have been formally set to

1302
00:54:53,030 --> 00:54:48,480
writing

1303
00:54:56,069 --> 00:54:53,040
in 500 bc again this

1304
00:54:58,069 --> 00:54:56,079
flying device did you hear that the

1305
00:55:01,109 --> 00:54:58,079
designs were taken from an ancient

1306
00:55:02,549 --> 00:55:01,119
vedic text from 500 bc no friends i'm

1307
00:55:04,630 --> 00:55:02,559
going to show you exactly what the

1308
00:55:06,230 --> 00:55:04,640
source of these drawings were that they

1309
00:55:09,190 --> 00:55:06,240
used to create this model

1310
00:55:10,710 --> 00:55:09,200
and again it's from the monica shastra

1311
00:55:13,750 --> 00:55:10,720
from the 1950s

1312
00:55:17,030 --> 00:55:13,760
it is not from any text in the that

1313
00:55:18,950 --> 00:55:17,040

that is v 500 bc

1314

00:55:22,789 --> 00:55:18,960

that is a completely and totally

1315

00:55:25,990 --> 00:55:24,950

he is going to subject it to wind tunnel

1316

00:55:28,470 --> 00:55:26,000

analysis

1317

00:55:31,430 --> 00:55:28,480

to determine if it is a viable flying

1318

00:55:35,829 --> 00:55:34,390

so explain to me what we've set up here

1319

00:55:38,630 --> 00:55:35,839

with that wind tunnel

1320

00:55:39,190 --> 00:55:38,640

okay so this is our aerospace vehicle

1321

00:55:41,349 --> 00:55:39,200

model

1322

00:55:42,950 --> 00:55:41,359

it's connected to this boom the armature

1323

00:55:44,710 --> 00:55:42,960

has a force gauge on it

1324

00:55:46,789 --> 00:55:44,720

we're gonna have airflow go past it at

1325

00:55:48,950 --> 00:55:46,799

about 50 miles per hour or so

1326
00:55:50,870 --> 00:55:48,960
and then we're going to measure forces

1327
00:55:53,430 --> 00:55:50,880
against it to determine if uh

1328
00:55:55,430 --> 00:55:53,440
if it's going to fly or not and so what

1329
00:55:57,990 --> 00:55:55,440
are the signs that you're looking

1330
00:55:59,510 --> 00:55:58,000
for in order to one of the things that

1331
00:56:00,069 --> 00:55:59,520
bothered me about this is i'd like to

1332
00:56:02,390 --> 00:56:00,079
see

1333
00:56:03,670 --> 00:56:02,400
someone else recreate this if you'll

1334
00:56:07,030 --> 00:56:03,680
notice

1335
00:56:09,270 --> 00:56:07,040
that the model or the model of the

1336
00:56:10,309 --> 00:56:09,280
mana right there's a bunch of different

1337
00:56:13,430 --> 00:56:10,319
vimanas in this

1338
00:56:15,750 --> 00:56:13,440

vermonicus shastra book

1339

00:56:18,390 --> 00:56:15,760

the one that they choose looks

1340

00:56:19,990 --> 00:56:18,400

suspiciously to me like a blimp or a

1341

00:56:22,630 --> 00:56:20,000

dirigible

1342

00:56:23,670 --> 00:56:22,640

and there's no wings there's no tailwind

1343

00:56:28,390 --> 00:56:23,680

there's no

1344

00:56:30,309 --> 00:56:28,400

surfaces

1345

00:56:32,710 --> 00:56:30,319

it looks like a blimp with a propeller

1346

00:56:35,829 --> 00:56:32,720

at the front of it right

1347

00:56:37,430 --> 00:56:35,839

how the hell this is supposed to fly and

1348

00:56:40,630 --> 00:56:37,440

they imply that it could

1349

00:56:42,630 --> 00:56:40,640

in this in this section of ancient

1350

00:56:45,349 --> 00:56:42,640

aliens

1351

00:56:47,030 --> 00:56:45,359

i just i i i want to see somebody else

1352

00:56:48,150 --> 00:56:47,040

do it that is not associated with

1353

00:56:50,150 --> 00:56:48,160

ancient aliens

1354

00:56:51,589 --> 00:56:50,160

determine whether this is in fact

1355

00:56:53,829 --> 00:56:51,599

aerodynamically sound

1356

00:56:54,789 --> 00:56:53,839

right so we're going to measure the

1357

00:56:58,230 --> 00:56:54,799

normal force

1358

00:56:59,750 --> 00:56:58,240

it starts to move up then that'll be

1359

00:57:00,309 --> 00:56:59,760

exciting because it's actually going to

1360

00:57:01,990 --> 00:57:00,319

be

1361

00:57:03,829 --> 00:57:02,000

rising and that's how you get flight you

1362

00:57:05,670 --> 00:57:03,839

know airplane turns up and starts to

1363

00:57:06,789 --> 00:57:05,680

move it's because it's getting lift

1364

00:57:09,109 --> 00:57:06,799

the other thing is i don't want to see

1365

00:57:10,950 --> 00:57:09,119

it going real bad side to side

1366

00:57:12,549 --> 00:57:10,960

or or real bad chatter up and down

1367

00:57:14,069 --> 00:57:12,559

because that would mean it's unstable

1368

00:57:15,510 --> 00:57:14,079

all right well let's do it let's fire

1369

00:57:17,690 --> 00:57:15,520

her up and see what happens yeah let's

1370

00:57:23,910 --> 00:57:17,700

do it

1371

00:57:27,030 --> 00:57:25,670

the flow's coming up so here we're going

1372

00:57:29,510 --> 00:57:27,040

to see the wind tunnel test

1373

00:57:31,510 --> 00:57:29,520

and again yeah does this look like

1374

00:57:34,470 --> 00:57:31,520

something that would fly

1375

00:57:36,630 --> 00:57:34,480

uh with no wings oh it does have a tail

1376

00:57:38,870 --> 00:57:36,640

wing of sorts but it's got a little tiny

1377

00:57:40,710 --> 00:57:38,880

propeller on the front of it

1378

00:57:42,789 --> 00:57:40,720

this does not look like a lifting body

1379

00:57:44,390 --> 00:57:42,799

to me but i'm not an aeronautics

1380

00:57:46,150 --> 00:57:44,400

engineer and this guy

1381

00:57:47,990 --> 00:57:46,160

that's being paid by ancient aliens to

1382

00:57:52,309 --> 00:57:48,000

do this test is

1383

00:57:55,030 --> 00:57:52,319

so it is what it is friends speed

1384

00:57:55,990 --> 00:57:55,040

while being subjected to 50 mile an hour

1385

00:57:58,710 --> 00:57:56,000

winds

1386

00:57:59,750 --> 00:57:58,720

the crab exhibits a slight lift upwards

1387

00:58:05,109 --> 00:57:59,760

yet remains

1388

00:58:08,549 --> 00:58:06,950

sensors record the measurements of

1389

00:58:11,349 --> 00:58:08,559

various forces

1390

00:58:12,950 --> 00:58:11,359

as well as torque and pitch to determine

1391

00:58:23,670 --> 00:58:12,960

just how aerodynamic

1392

00:58:27,109 --> 00:58:23,680

the body is it looks very stable

1393

00:58:29,349 --> 00:58:27,119

all right so let's look at the results

1394

00:58:30,789 --> 00:58:29,359

so what happened during the test was the

1395

00:58:32,870 --> 00:58:30,799

normal force

1396

00:58:34,390 --> 00:58:32,880

which is where we measured the lift it

1397

00:58:37,510 --> 00:58:34,400

was positive between

1398

00:58:39,430 --> 00:58:37,520

0.03 and 0.06 pounds of force that means

1399

00:58:41,349 --> 00:58:39,440

we were measuring lift

1400

00:58:42,710 --> 00:58:41,359

yes but i checked in with someone who

1401
00:58:43,990 --> 00:58:42,720
knows a lot more about these type of

1402
00:58:46,150 --> 00:58:44,000
tests than me

1403
00:58:48,150 --> 00:58:46,160
and they say that it is a minuscule

1404
00:58:49,990 --> 00:58:48,160
miniscule amount of actual

1405
00:58:51,829 --> 00:58:50,000
lift that this thing is supposedly

1406
00:58:54,470 --> 00:58:51,839
exhibiting in a wind tunnel

1407
00:58:55,349 --> 00:58:54,480
would it be enough for that to fly i'm

1408
00:58:57,990 --> 00:58:55,359
told no

1409
00:58:58,710 --> 00:58:58,000
but again i'm not a an aeronautics

1410
00:59:00,549 --> 00:58:58,720
engineer

1411
00:59:01,750 --> 00:59:00,559
and one thing i wanted to mention is in

1412
00:59:05,190 --> 00:59:01,760
another test

1413
00:59:08,470 --> 00:59:05,200

ancient aliens took a model uh

1414

00:59:11,510 --> 00:59:08,480

from made a

1415

00:59:13,750 --> 00:59:11,520

model from a uh

1416

00:59:15,430 --> 00:59:13,760

a trinket of sorts that's very famous

1417

00:59:18,230 --> 00:59:15,440

that was found in an ancient

1418

00:59:20,390 --> 00:59:18,240

egyptian tomb i believe and that they

1419

00:59:22,309 --> 00:59:20,400

slapped a propeller on a model airplane

1420

00:59:23,510 --> 00:59:22,319

propeller and that thing flew but that

1421

00:59:27,190 --> 00:59:23,520

looked a lot like an

1422

00:59:29,270 --> 00:59:27,200

airplane so i'm left wondering

1423

00:59:30,870 --> 00:59:29,280

and that test was done before this one i

1424

00:59:32,870 --> 00:59:30,880

checked uh

1425

00:59:35,270 --> 00:59:32,880

why didn't they slap an engine on that

1426

00:59:37,510 --> 00:59:35,280

thing and show us it actually flying

1427

00:59:38,470 --> 00:59:37,520

and my guess is they tried that and it

1428

00:59:41,190 --> 00:59:38,480

wouldn't fly

1429

00:59:41,589 --> 00:59:41,200

but that's just my opinion speculation

1430

00:59:44,230 --> 00:59:41,599

so

1431

00:59:46,230 --> 00:59:44,240

our vehicle in the wind tunnel

1432

00:59:46,630 --> 00:59:46,240

experiment was showing positive lift

1433

00:59:49,430 --> 00:59:46,640

like an

1434

00:59:50,789 --> 00:59:49,440

aircraft would did you expect these

1435

00:59:53,990 --> 00:59:50,799

results from a shape

1436

00:59:55,750 --> 00:59:54,000

that's like that well the shape looks

1437

00:59:56,789 --> 00:59:55,760

like a lifting body to me but you never

1438

00:59:57,670 --> 00:59:56,799

know until you actually do the

1439

01:00:00,870 --> 00:59:57,680

experiment

1440

01:00:02,870 --> 01:00:00,880

that says it is so

1441

01:00:04,470 --> 01:00:02,880

that's the exciting part and what do you

1442

01:00:06,950 --> 01:00:04,480

say to anyone

1443

01:00:09,510 --> 01:00:06,960

who questions the idea that this

1444

01:00:13,109 --> 01:00:09,520

information has been taken from a text

1445

01:00:17,750 --> 01:00:13,119

that's at least 1 800 years old

1446

01:00:21,030 --> 01:00:17,760

and again we're going to show you that

1447

01:00:23,990 --> 01:00:21,040

model was made from drawings

1448

01:00:24,710 --> 01:00:24,000

from the monica shastra which was from

1449

01:00:30,150 --> 01:00:24,720

19

1450

01:00:33,750 --> 01:00:30,160

1800 years old

1451

01:00:36,470 --> 01:00:33,760

and and uh george mr hayer over here

1452

01:00:37,349 --> 01:00:36,480

is fast and loose with the facts like

1453

01:00:39,510 --> 01:00:37,359

everybody

1454

01:00:41,030 --> 01:00:39,520

on ancient aliens is and i just don't

1455

01:00:44,150 --> 01:00:41,040

get it don't they have

1456

01:00:45,190 --> 01:00:44,160

fact checkers on a major television show

1457

01:00:47,829 --> 01:00:45,200

with a budget

1458

01:00:48,230 --> 01:00:47,839

that can go to him and say you can't say

1459

01:00:54,470 --> 01:00:48,240

that

1460

01:00:55,109 --> 01:00:54,480

at all it's not actually accurate at all

1461

01:00:57,470 --> 01:00:55,119

this

1462

01:00:59,589 --> 01:00:57,480

model is not made from a text that's

1463

01:01:01,270 --> 01:00:59,599

1800 years old

1464

01:01:02,950 --> 01:01:01,280

there's no way and we're going to unpack

1465

01:01:04,710 --> 01:01:02,960

that i'm going to show you exactly where

1466

01:01:05,349 --> 01:01:04,720

they got the drawings to make that model

1467

01:01:08,470 --> 01:01:05,359

from

1468

01:01:10,309 --> 01:01:08,480

1950s

1469

01:01:11,750 --> 01:01:10,319

the only thing you can say is we

1470

01:01:14,549 --> 01:01:11,760

performed a

1471

01:01:15,589 --> 01:01:14,559

good scientific experiment and the

1472

01:01:18,950 --> 01:01:15,599

results were

1473

01:01:22,069 --> 01:01:18,960

that the shape made from those texts

1474

01:01:23,270 --> 01:01:22,079

is a viable aerodynamic structure and i

1475

01:01:26,470 --> 01:01:23,280

would like this

1476

01:01:29,589 --> 01:01:26,480

engineer to

1477

01:01:32,710 --> 01:01:29,599

show me a working flying model of it

1478

01:01:34,549 --> 01:01:32,720

he can't and he won't the the only way

1479

01:01:35,190 --> 01:01:34,559

that i could see that specific model

1480

01:01:38,390 --> 01:01:35,200

flying

1481

01:01:41,430 --> 01:01:38,400

is if it was a dirigible

1482

01:01:42,870 --> 01:01:41,440

or a blip and yeah if it was filled with

1483

01:01:46,069 --> 01:01:42,880

helium that shape

1484

01:01:49,829 --> 01:01:46,079

right a big helium bag or you know

1485

01:01:53,349 --> 01:01:49,839

a lighter than aircraft like a blimp

1486

01:01:55,750 --> 01:01:53,359

or a zeppelin a dirigible yeah

1487

01:01:58,309 --> 01:01:55,760

that would fly if anything will fly if

1488

01:02:01,270 --> 01:01:58,319

you fill it with enough helium right

1489

01:02:01,670 --> 01:02:01,280

and you have a power source in which to

1490

01:02:05,829 --> 01:02:01,680

uh

1491

01:02:06,470 --> 01:02:05,839

propel it in that way yes that would fly

1492

01:02:10,230 --> 01:02:06,480

but

1493

01:02:12,230 --> 01:02:10,240

uh it would not it would not fly

1494

01:02:13,270 --> 01:02:12,240

otherwise it just would not fly

1495

01:02:15,029 --> 01:02:13,280

otherwise

1496

01:02:18,870 --> 01:02:15,039

now just bear with me friends because

1497

01:02:27,109 --> 01:02:23,750

my pdf file here of the monika sastra

1498

01:02:28,549 --> 01:02:27,119

and show you where they got that yeah

1499

01:02:30,309 --> 01:02:28,559

here we are right here

1500

01:02:32,630 --> 01:02:30,319

i'm going to share my screen and show

1501

01:02:36,549 --> 01:02:32,640

you uh it's on page nine

1502

01:02:39,270 --> 01:02:36,559

of the monika shastra and you can google

1503

01:02:41,109 --> 01:02:39,280

the monika shastra pdf and get this

1504

01:02:43,589 --> 01:02:41,119

completely and totally free

1505

01:02:45,029 --> 01:02:43,599

and you too can look on page 9 and see

1506

01:02:47,190 --> 01:02:45,039

where they got that model

1507

01:02:48,710 --> 01:02:47,200

and right now we're going to do that i'm

1508

01:02:51,910 --> 01:02:48,720

going to show you that

1509

01:02:55,190 --> 01:02:51,920

no it did not come from an 18

1510

01:02:57,109 --> 01:02:55,200

100 year old text george hayer it came

1511

01:02:58,950 --> 01:02:57,119

from the vermonica shastra from the

1512

01:03:03,109 --> 01:02:58,960

1950s

1513

01:03:06,710 --> 01:03:03,119

and here we are friends

1514

01:03:09,029 --> 01:03:06,720

this is where they got the model from

1515

01:03:10,549 --> 01:03:09,039

we can see it's got the propeller it's

1516

01:03:12,710 --> 01:03:10,559

got the little tail fin

1517

01:03:13,829 --> 01:03:12,720

it's exactly shaped just like their

1518

01:03:18,470 --> 01:03:13,839

model

1519

01:03:21,430 --> 01:03:18,480

uh they can't show me an 1800 year old

1520

01:03:22,789 --> 01:03:21,440

vedic text that has this drawing in it

1521

01:03:25,910 --> 01:03:22,799

they just can't do that

1522

01:03:28,630 --> 01:03:25,920

because it doesn't exist uh and

1523

01:03:29,589 --> 01:03:28,640

this is what we get we get the

1524

01:03:31,430 --> 01:03:29,599

conflation

1525

01:03:33,430 --> 01:03:31,440

the mixing of all of these different

1526

01:03:36,710 --> 01:03:33,440

stories together

1527

01:03:37,910 --> 01:03:36,720

uh to create a narrative that they

1528

01:03:39,670 --> 01:03:37,920

already believe

1529

01:03:41,190 --> 01:03:39,680

and this is how some of these people

1530

01:03:46,789 --> 01:03:41,200

operate they

1531

01:03:50,710 --> 01:03:48,870

they have an idea in mind and then they

1532

01:03:51,829 --> 01:03:50,720

go look for evidence that will support

1533

01:03:54,870 --> 01:03:51,839

the idea

1534

01:03:59,750 --> 01:03:54,880

that they've already got in mind this

1535

01:04:03,029 --> 01:03:59,760

friends is from the

1536

01:04:03,270 --> 01:04:03,039

and it's from the 1950s this is not from

1537

01:04:06,710 --> 01:04:03,280

an

1538

01:04:07,829 --> 01:04:06,720

1800 year old text i don't know how they

1539

01:04:09,670 --> 01:04:07,839

get away with that

1540

01:04:11,589 --> 01:04:09,680

especially on something on the history

1541

01:04:13,990 --> 01:04:11,599

channel but we all know

1542

01:04:15,589 --> 01:04:14,000

that the history channel i don't know

1543

01:04:17,029 --> 01:04:15,599

you know i guess when i was younger

1544

01:04:20,789 --> 01:04:17,039

growing up and i first

1545

01:04:23,190 --> 01:04:20,799

when i remember first getting cable

1546

01:04:24,630 --> 01:04:23,200

when uh i first saw the history channel

1547

01:04:26,710 --> 01:04:24,640

i i liked it because

1548

01:04:28,630 --> 01:04:26,720

i like history so i would watch all

1549

01:04:29,270 --> 01:04:28,640

these world war two documentaries and

1550

01:04:36,950 --> 01:04:29,280

some

1551

01:04:39,029 --> 01:04:36,960

figured out that to get ratings

1552

01:04:40,470 --> 01:04:39,039

they had to play real fast and loose

1553

01:04:43,750 --> 01:04:40,480

with anything that was

1554

01:04:44,630 --> 01:04:43,760

actually historically factual in order

1555

01:04:47,029 --> 01:04:44,640

to get views

1556

01:04:49,029 --> 01:04:47,039

ratings and they just started selling

1557

01:04:51,990 --> 01:04:49,039

these fairy tales

1558

01:04:53,589 --> 01:04:52,000

i also uh you know we're gonna go back

1559

01:04:55,589 --> 01:04:53,599

to uh

1560

01:04:57,510 --> 01:04:55,599

i don't get that bigger again here we go

1561

01:05:00,950 --> 01:04:57,520

we're going to go back to this bigger

1562

01:05:04,150 --> 01:05:00,960

and i'm going to uh

1563

01:05:07,190 --> 01:05:04,160

let me see if i can't get this

1564

01:05:10,309 --> 01:05:07,200

a little bit bigger well

1565

01:05:13,589 --> 01:05:10,319

yes i can there we go okay

1566

01:05:14,150 --> 01:05:13,599

so here is the monica shastra and here

1567

01:05:16,470 --> 01:05:14,160

is

1568

01:05:18,630 --> 01:05:16,480

uh you know some of the so-called flying

1569

01:05:21,270 --> 01:05:18,640

machines

1570

01:05:22,789 --> 01:05:21,280

and we have one with two floors and look

1571

01:05:26,470 --> 01:05:22,799

look at the detail on this

1572

01:05:31,670 --> 01:05:26,480

electric power generator second floor

1573

01:05:33,270 --> 01:05:31,680

first floor pinion toothed wheel

1574

01:05:35,349 --> 01:05:33,280

does that look like something that would

1575

01:05:38,150 --> 01:05:35,359

fly i don't i don't think so

1576

01:05:39,589 --> 01:05:38,160

and here's another one and again

1577

01:05:41,270 --> 01:05:39,599

everything that ancient aliens talks

1578

01:05:44,789 --> 01:05:41,280

about it comes from this

1579

01:05:46,309 --> 01:05:44,799

book from the 1950s it does not come

1580

01:05:48,390 --> 01:05:46,319

from

1581

01:05:50,390 --> 01:05:48,400

ancient vedic text that's completely and

1582

01:05:51,270 --> 01:05:50,400

totally factually inaccurate statement

1583

01:05:54,630 --> 01:05:51,280

and

1584

01:05:57,349 --> 01:05:54,640

just to be fair i have seen

1585

01:05:59,670 --> 01:05:57,359

a hundred people make similar claims

1586

01:06:02,230 --> 01:05:59,680

about these vimanas i've heard people at

1587

01:06:04,230 --> 01:06:02,240

ufo conferences that were giving

1588

01:06:05,349 --> 01:06:04,240

lectures and by the way these were some

1589

01:06:09,109 --> 01:06:05,359

highly paid

1590

01:06:11,109 --> 01:06:09,119

lecturers that tell the same fairy tale

1591

01:06:12,870 --> 01:06:11,119

they talk about the vimanas and how they

1592

01:06:15,990 --> 01:06:12,880

were in thousands of year old

1593

01:06:16,710 --> 01:06:16,000

ancient texts uh look at this jet is

1594

01:06:19,109 --> 01:06:16,720

that

1595

01:06:21,109 --> 01:06:19,119

it's like a ornicopter too it has flying

1596

01:06:24,789 --> 01:06:21,119

wings and by the way no

1597

01:06:26,470 --> 01:06:24,799

none no device with flapping wings

1598

01:06:28,069 --> 01:06:26,480

has ever been made to fly to my

1599

01:06:31,670 --> 01:06:28,079

knowledge not one

1600

01:06:33,750 --> 01:06:31,680

uh of any size anyway

1601
01:06:35,190 --> 01:06:33,760
i remember having a flapping wings there

1602
01:06:37,589 --> 01:06:35,200
was these flapping wings

1603
01:06:39,430 --> 01:06:37,599
toys that were like birds that you wound

1604
01:06:42,230 --> 01:06:39,440
up when i was a kid

1605
01:06:44,390 --> 01:06:42,240
those were fun those actually could fly

1606
01:06:46,870 --> 01:06:44,400
for a little while and then they

1607
01:06:49,029 --> 01:06:46,880
they broke almost instantly right they

1608
01:06:50,789 --> 01:06:49,039
used to get so pissed because um

1609
01:06:52,789 --> 01:06:50,799
those were kind of expensive toys and i

1610
01:06:55,430 --> 01:06:52,799
liked flying things so i would

1611
01:06:56,950 --> 01:06:55,440
you know get my uh couple of bucks

1612
01:06:58,710 --> 01:06:56,960
allowance or you know i

1613
01:07:00,309 --> 01:06:58,720

for a time i was cutting grass when i

1614

01:07:01,990 --> 01:07:00,319

was a child and i would go to the toy

1615

01:07:03,349 --> 01:07:02,000

store with some of that money and buy

1616

01:07:04,390 --> 01:07:03,359

things like that it would instantly

1617

01:07:07,670 --> 01:07:04,400

break

1618

01:07:09,109 --> 01:07:07,680

here we see another one of the vumanas

1619

01:07:11,270 --> 01:07:09,119

with wings and a tail

1620

01:07:12,870 --> 01:07:11,280

this one looks a little more aerodynamic

1621

01:07:14,230 --> 01:07:12,880

i have to say this one i think could

1622

01:07:16,549 --> 01:07:14,240

probably fly if you

1623

01:07:17,910 --> 01:07:16,559

if you uh took this shape and you

1624

01:07:19,510 --> 01:07:17,920

slapped a

1625

01:07:21,829 --> 01:07:19,520

model airplane propeller on the front of

1626

01:07:23,589 --> 01:07:21,839

it i bet you that one would fly

1627

01:07:24,870 --> 01:07:23,599

looks a little more aerodynamic than

1628

01:07:27,670 --> 01:07:24,880

some of this stuff

1629

01:07:29,670 --> 01:07:27,680

now i wanted to just read you some of

1630

01:07:32,549 --> 01:07:29,680

the

1631

01:07:35,109 --> 01:07:32,559

science or so-called science presented

1632

01:07:38,069 --> 01:07:35,119

in this monica shastra book

1633

01:07:40,230 --> 01:07:38,079

because once we start reading some of

1634

01:07:42,390 --> 01:07:40,240

the science explanations of so-called

1635

01:07:44,390 --> 01:07:42,400

science in this book it gets

1636

01:07:46,230 --> 01:07:44,400

really clear that this book is a bunch

1637

01:07:49,589 --> 01:07:46,240

of channeled nonsense

1638

01:07:51,109 --> 01:07:49,599

literally a bunch of channel nonsense

1639

01:07:53,589 --> 01:07:51,119

but i have to say this book is still

1640

01:07:57,589 --> 01:07:53,599

kind of fun to read i'll give him that

1641

01:08:01,750 --> 01:07:57,599

and here's some explanation of the text

1642

01:08:07,910 --> 01:08:06,390

okay construct aeroplanes of various

1643

01:08:14,549 --> 01:08:07,920

patterns

1644

01:08:19,510 --> 01:08:17,590

okay so here's here's one

1645

01:08:21,110 --> 01:08:19,520

point from the science explanation of

1646

01:08:24,070 --> 01:08:21,120

the science of how these

1647

01:08:24,630 --> 01:08:24,080

uh vumanas work by attracting the 13

1648

01:08:27,829 --> 01:08:24,640

kinds

1649

01:08:30,070 --> 01:08:27,839

of karaska force mentioned in i'm sorry

1650

01:08:33,990 --> 01:08:30,080

karaka

1651
01:08:35,829 --> 01:08:34,000
karana applying snow surcharged air and

1652
01:08:36,789 --> 01:08:35,839
projecting it through the air conveying

1653
01:08:39,829 --> 01:08:36,799
tube

1654
01:08:42,149 --> 01:08:39,839
to the push pin pendulum mirrors

1655
01:08:42,870 --> 01:08:42,159
in the front right side of the mana and

1656
01:08:46,070 --> 01:08:42,880
focusing

1657
01:08:48,309 --> 01:08:46,080
on it the beam

1658
01:08:50,829 --> 01:08:48,319
a heavenly damsel the decked with

1659
01:08:54,149 --> 01:08:50,839
flowers and jewels will appear to

1660
01:08:56,550 --> 01:08:54,159
onlookers of the vimana

1661
01:08:58,229 --> 01:08:56,560
that's the science of some of these the

1662
01:09:02,229 --> 01:08:58,239
models

1663
01:09:04,870 --> 01:09:02,239

okay oh this is great point number 19

1664

01:09:06,789 --> 01:09:04,880

terra by mixing with ethereal force 10

1665

01:09:09,269 --> 01:09:06,799

parts of air forte

1666

01:09:10,309 --> 01:09:09,279

seven parts of water force and 16 parts

1667

01:09:12,309 --> 01:09:10,319

of solar glow

1668

01:09:14,229 --> 01:09:12,319

and projecting it by means of star-faced

1669

01:09:15,030 --> 01:09:14,239

mirror through the frontal tube of the

1670

01:09:17,430 --> 01:09:15,040

vumana

1671

01:09:19,030 --> 01:09:17,440

the appearance of a star-spangled sky is

1672

01:09:21,910 --> 01:09:19,040

created

1673

01:09:23,510 --> 01:09:21,920

great okay uh i'm not even going to try

1674

01:09:25,590 --> 01:09:23,520

to pronounce the beginning here of

1675

01:09:26,630 --> 01:09:25,600

number 20 but by concentrating the air

1676
01:09:29,269 --> 01:09:26,640
force in the seven

1677
01:09:32,070 --> 01:09:29,279
tubes of the mana and turning the switch

1678
01:09:35,749 --> 01:09:32,080
produce as stated in the

1679
01:09:37,990 --> 01:09:35,759
uh shabda

1680
01:09:39,829 --> 01:09:38,000
a crescendo of thunderous din which

1681
01:09:40,229 --> 01:09:39,839
stuns people and makes them quake with

1682
01:09:44,709 --> 01:09:40,239
fear

1683
01:09:48,149 --> 01:09:44,719
and become insensible okay

1684
01:09:49,990 --> 01:09:48,159
number 23 chapala on sighting an enemy

1685
01:09:51,430 --> 01:09:50,000
plane by turning the switch in the force

1686
01:09:55,990 --> 01:09:51,440
center in the middle section of the

1687
01:09:57,990 --> 01:09:56,000
mana a 4087 revolutions an

1688
01:10:01,430 --> 01:09:58,000

hour atmospheric wave speed will be

1689

01:10:03,430 --> 01:10:01,440

generated and shake up the enemy plane

1690

01:10:05,990 --> 01:10:03,440

this is the science of vimanas according

1691

01:10:09,590 --> 01:10:06,000

to this channeled work

1692

01:10:12,709 --> 01:10:09,600

oh here's a great one jalada rupa

1693

01:10:16,390 --> 01:10:12,719

by mixing pomegranate juice vilva

1694

01:10:19,910 --> 01:10:16,400

or bale oil copper salt kitchen smoke

1695

01:10:22,550 --> 01:10:19,920

grenita and google liquid mustard powder

1696

01:10:25,830 --> 01:10:22,560

and fish scale

1697

01:10:27,910 --> 01:10:25,840

deck oceans and adding seashell and rock

1698

01:10:28,790 --> 01:10:27,920

salt powder and collecting smoke of the

1699

01:10:30,950 --> 01:10:28,800

same solution

1700

01:10:32,310 --> 01:10:30,960

and spreading it with solar heat

1701

01:10:34,310 --> 01:10:32,320

enveloping the cover

1702

01:10:36,070 --> 01:10:34,320

the motto will have the appearance of a

1703

01:10:39,350 --> 01:10:36,080

cloud

1704

01:10:40,310 --> 01:10:39,360

okay and this is the kind of science

1705

01:10:43,510 --> 01:10:40,320

that we get

1706

01:10:44,390 --> 01:10:43,520

from this work the monika shastra and

1707

01:10:47,510 --> 01:10:44,400

again friends

1708

01:10:48,310 --> 01:10:47,520

if you would like to read this just

1709

01:10:51,590 --> 01:10:48,320

search for

1710

01:10:53,030 --> 01:10:51,600

monica shastra uh and you know

1711

01:10:55,510 --> 01:10:53,040

i'll try to put a link in the

1712

01:10:59,590 --> 01:10:55,520

description of the video here

1713

01:11:02,790 --> 01:10:59,600

i found it very easily a free pdf

1714

01:11:05,830 --> 01:11:02,800

so it's amazing friends how these

1715

01:11:07,830 --> 01:11:05,840

stories can just be generated by

1716

01:11:09,590 --> 01:11:07,840

playing fast and loose with the facts

1717

01:11:11,669 --> 01:11:09,600

mixing up things

1718

01:11:12,709 --> 01:11:11,679

that have nothing to do with one another

1719

01:11:14,870 --> 01:11:12,719

really i mean

1720

01:11:16,390 --> 01:11:14,880

i don't think this monica shastra book

1721

01:11:19,590 --> 01:11:16,400

from the 1950s has

1722

01:11:21,830 --> 01:11:19,600

anything to do with actual ancient

1723

01:11:22,630 --> 01:11:21,840

vedic text but that won't stop people

1724

01:11:25,350 --> 01:11:22,640

from telling you

1725

01:11:26,870 --> 01:11:25,360

about those vimanas in those ancient

1726

01:11:28,229 --> 01:11:26,880

texts

1727

01:11:31,750 --> 01:11:28,239

didn't come from the ancient text it

1728

01:11:33,430 --> 01:11:31,760

came from a channeled book in the 1950s

1729

01:11:35,030 --> 01:11:33,440

and uh it sort of drives me a little

1730

01:11:38,310 --> 01:11:35,040

crazy

1731

01:11:41,990 --> 01:11:38,320

number of people

1732

01:11:43,830 --> 01:11:42,000

uh that have uh you know

1733

01:11:45,350 --> 01:11:43,840

told these stories as if they were

1734

01:11:48,390 --> 01:11:45,360

factually correct

1735

01:11:49,030 --> 01:11:48,400

and they're just not i would really

1736

01:11:51,430 --> 01:11:49,040

truly

1737

01:11:52,149 --> 01:11:51,440

uh you know this is again one of those

1738

01:11:54,630 --> 01:11:52,159

stories where

1739

01:11:56,790 --> 01:11:54,640

would i like to be to be true hell yeah

1740

01:11:57,590 --> 01:11:56,800

this sounds cool these ancient indian

1741

01:11:59,750 --> 01:11:57,600

people

1742

01:12:01,189 --> 01:11:59,760

somehow figured out anti-gravity and

1743

01:12:03,110 --> 01:12:01,199

powered flight

1744

01:12:05,030 --> 01:12:03,120

thousands of years before the wright

1745

01:12:06,709 --> 01:12:05,040

brothers would i want to live in that

1746

01:12:10,709 --> 01:12:06,719

kind of world hell yeah

1747

01:12:12,550 --> 01:12:10,719

that would be cool but it's not reality

1748

01:12:13,990 --> 01:12:12,560

it's not the reality that we actually

1749

01:12:17,750 --> 01:12:14,000

live in and

1750

01:12:19,750 --> 01:12:17,760

uh yeah and you know honestly when i

1751

01:12:21,830 --> 01:12:19,760

learned the truth behind these vimanas i

1752

01:12:22,709 --> 01:12:21,840

was kind of disappointed and upset

1753

01:12:25,430 --> 01:12:22,719

because

1754

01:12:25,750 --> 01:12:25,440

i really loved the stories and about

1755

01:12:28,790 --> 01:12:25,760

them

1756

01:12:29,669 --> 01:12:28,800

in this david childress had hatcher's

1757

01:12:31,590 --> 01:12:29,679

book

1758

01:12:33,430 --> 01:12:31,600

uh the one mentioned about anti-gravity

1759

01:12:37,270 --> 01:12:33,440

i actually have and he

1760

01:12:39,910 --> 01:12:37,280

he shows a lot of uh information about

1761

01:12:40,550 --> 01:12:39,920

these vimanas and it's stuff i wanted to

1762

01:12:43,510 --> 01:12:40,560

believe

1763

01:12:44,870 --> 01:12:43,520

so it was to me this is a great story oh

1764

01:12:47,590 --> 01:12:44,880

my god there's these

1765

01:12:49,350 --> 01:12:47,600

ancient texts and this guy david patrick

1766

01:12:51,270 --> 01:12:49,360

childress is telling me all about these

1767

01:12:51,830 --> 01:12:51,280

ancient texts and these ancient flying

1768

01:12:54,149 --> 01:12:51,840

machines

1769

01:12:55,510 --> 01:12:54,159

there's actual evidence david hatcher

1770

01:12:58,630 --> 01:12:55,520

childress says these are from

1771

01:13:02,070 --> 01:12:58,640

thousands of year old vedic texts uh

1772

01:13:04,630 --> 01:13:02,080

no they're not that no no the manas

1773

01:13:06,550 --> 01:13:04,640

that all these ancient alien theorists

1774

01:13:08,229 --> 01:13:06,560

ufo people

1775

01:13:10,149 --> 01:13:08,239

actually mentioned again are from the

1776

01:13:13,510 --> 01:13:10,159

vermonica shastra which is from

1777

01:13:17,510 --> 01:13:13,520

the 1950s it's uh

1778

01:13:18,229 --> 01:13:17,520

sad when an illusion a pretty it's a

1779

01:13:21,430 --> 01:13:18,239

great

1780

01:13:24,709 --> 01:13:21,440

it's a pretty it's a beautiful illusion

1781

01:13:26,790 --> 01:13:24,719

and like any illusion i know a thing or

1782

01:13:29,910 --> 01:13:26,800

two about illusions

1783

01:13:32,310 --> 01:13:29,920

uh illusions can be

1784

01:13:34,149 --> 01:13:32,320

breathtaking they can be beautiful they

1785

01:13:38,149 --> 01:13:34,159

can be intriguing

1786

01:13:41,270 --> 01:13:38,159

but the problem with illusions is that

1787

01:13:42,470 --> 01:13:41,280

they fade they fade you cannot keep an

1788

01:13:45,189 --> 01:13:42,480

illusion up

1789

01:13:45,990 --> 01:13:45,199

forever eventually the illusion will

1790

01:13:49,750 --> 01:13:46,000

fade

1791

01:13:53,030 --> 01:13:49,760

actually

1792

01:13:56,229 --> 01:13:53,040

looked into and tried to find these uh

1793

01:13:58,229 --> 01:13:56,239

vimanas in actual ancient vedic text and

1794

01:14:00,470 --> 01:13:58,239

wondered why am i not finding any of

1795

01:14:01,990 --> 01:14:00,480

these drawings that i keep saying

1796

01:14:03,669 --> 01:14:02,000

well there's a reason for that francis

1797

01:14:06,470 --> 01:14:03,679

because they don't exist in

1798

01:14:09,830 --> 01:14:06,480

ancient vedic text they only exist in a

1799

01:14:11,990 --> 01:14:09,840

channeled book from the 1950s

1800

01:14:14,070 --> 01:14:12,000

so friends with that i'm going to turn

1801

01:14:15,910 --> 01:14:14,080

my total attention to the live chat i'm

1802

01:14:19,350 --> 01:14:15,920

sorry to go so long we went a little

1803

01:14:21,669 --> 01:14:19,360

longer than i usually would um but i

1804

01:14:23,189 --> 01:14:21,679

wanted to be sure to cover this subject

1805

01:14:26,070 --> 01:14:23,199

adequately

1806

01:14:28,229 --> 01:14:26,080

this is another one of those i gotta get

1807

01:14:30,390 --> 01:14:28,239

this off my list of things to do

1808

01:14:33,189 --> 01:14:30,400

for quite some time now i wanted to do a

1809

01:14:36,390 --> 01:14:33,199

show on this just to inform the public

1810

01:14:38,229 --> 01:14:36,400

that this is this is a fairy tale

1811

01:14:39,990 --> 01:14:38,239

this the story of the ramanas are

1812

01:14:42,310 --> 01:14:40,000

largely fairy tales

1813

01:14:43,110 --> 01:14:42,320

and you know anybody that wants to argue

1814

01:14:45,669 --> 01:14:43,120

with me

1815

01:14:46,870 --> 01:14:45,679

here's what i'll say you go get the

1816

01:14:49,270 --> 01:14:46,880

monika shastra

1817

01:14:51,510 --> 01:14:49,280

so all the drawings are in there right

1818

01:14:54,390 --> 01:14:51,520

the breakdown of how the science of each

1819

01:14:57,910 --> 01:14:54,400

one of these things works is in there

1820

01:15:01,270 --> 01:14:57,920

make a model and videotape yourself

1821

01:15:04,229 --> 01:15:01,280

flying that model and send it to me

1822

01:15:05,750 --> 01:15:04,239

and i will eat my words right uh do i

1823

01:15:08,870 --> 01:15:05,760

think that's going to happen

1824

01:15:10,950 --> 01:15:08,880

[h__\h] no uh but you know

1825

01:15:12,870 --> 01:15:10,960

i we've opened the possibility that some

1826

01:15:14,390 --> 01:15:12,880

of those things could actually fly

1827

01:15:16,070 --> 01:15:14,400

told you a few of them look pretty

1828

01:15:17,750 --> 01:15:16,080

aerodynamically sound

1829

01:15:20,149 --> 01:15:17,760

and i bet you there's at least a few

1830

01:15:23,350 --> 01:15:20,159

that if you made a model airplane

1831

01:15:23,830 --> 01:15:23,360

sort of you know a phone model and slap

1832

01:15:26,870 --> 01:15:23,840

the model

1833

01:15:28,390 --> 01:15:26,880

airplane engine on the front of it some

1834

01:15:31,110 --> 01:15:28,400

of them may actually fly

1835

01:15:33,510 --> 01:15:31,120

but doesn't mean that they're from

1836

01:15:36,709 --> 01:15:33,520

thousands of year old vedic text it

1837

01:15:39,350 --> 01:15:36,719

means that from a channel book from 1954

1838

01:15:41,669 --> 01:15:39,360

when uh you know flying machines were

1839

01:15:43,830 --> 01:15:41,679

very well known and understood

1840

01:15:46,470 --> 01:15:43,840

but it is what it is friends it is what

1841

01:15:50,070 --> 01:15:48,149

okay so if anybody has any comments or

1842

01:15:52,630 --> 01:15:50,080

questions for me

1843

01:15:53,910 --> 01:15:52,640

please do put them in all capital

1844

01:15:57,110 --> 01:15:53,920

letters

1845

01:15:58,790 --> 01:15:57,120

i happen to have lost my

1846

01:16:00,709 --> 01:15:58,800

phone we were going to open the phone

1847

01:16:04,149 --> 01:16:00,719

lines tonight but i think it's already

1848

01:16:07,110 --> 01:16:04,159

already pretty far behind so uh we may

1849

01:16:08,550 --> 01:16:07,120

not do that let's see if i can't find

1850

01:16:11,189 --> 01:16:08,560

something else i lost

1851

01:16:12,470 --> 01:16:11,199

one second friends i really have to

1852

01:16:15,590 --> 01:16:12,480

clean my office here

1853

01:16:18,149 --> 01:16:15,600

uh office slash studio

1854

01:16:20,149 --> 01:16:18,159

my uh this is the one room of the house

1855

01:16:21,669 --> 01:16:20,159

that my wife refuses to clean

1856

01:16:23,430 --> 01:16:21,679

uh and i don't blame her we have a

1857

01:16:25,430 --> 01:16:23,440

pretty big house and uh

1858

01:16:26,470 --> 01:16:25,440

it would take a full-time person just to

1859

01:16:29,030 --> 01:16:26,480

clean up

1860

01:16:30,550 --> 01:16:29,040

i'm a slob i'm a terrible terrible slob

1861

01:16:31,189 --> 01:16:30,560

god bless my wife for having to deal

1862

01:16:32,709 --> 01:16:31,199

with me

1863

01:16:39,110 --> 01:16:32,719

and then she's got two children on top

1864

01:16:43,430 --> 01:16:41,750

carol utley why would oppenheimer quote

1865

01:16:45,350 --> 01:16:43,440

now in the destroyer of worlds he

1866

01:16:47,910 --> 01:16:45,360

believed in all india sanskrit

1867

01:16:49,350 --> 01:16:47,920

teachings you know i think that i'm not

1868

01:16:52,550 --> 01:16:49,360

sure that that's a proper

1869

01:16:53,590 --> 01:16:52,560

translation or it's incomplete like

1870

01:16:55,110 --> 01:16:53,600

that's only one

1871

01:16:56,630 --> 01:16:55,120

sentence and there's several more

1872

01:16:58,470 --> 01:16:56,640

sentences

1873

01:17:00,229 --> 01:16:58,480

uh now i am the destroyer of worlds

1874

01:17:02,229 --> 01:17:00,239

though it does seem appropriate for

1875

01:17:04,550 --> 01:17:02,239

someone inventing a

1876

01:17:05,750 --> 01:17:04,560

bomb that could literally destroy a

1877

01:17:09,830 --> 01:17:05,760

planet if

1878

01:17:11,110 --> 01:17:09,840

big enough william pixley says with

1879

01:17:14,149 --> 01:17:11,120

enough propulsion almost

1880

01:17:16,550 --> 01:17:14,159

anything can fly uh william pixley

1881

01:17:17,590 --> 01:17:16,560

i totally completely and totally agree

1882

01:17:19,750 --> 01:17:17,600

with you

1883

01:17:21,030 --> 01:17:19,760

i built model rockets when i was a kid

1884

01:17:23,750 --> 01:17:21,040

and i got to tell you

1885

01:17:25,030 --> 01:17:23,760

uh if you want to have some fun sometime

1886

01:17:27,590 --> 01:17:25,040

uh

1887

01:17:28,149 --> 01:17:27,600

there's something called rocket candy

1888

01:17:31,110 --> 01:17:28,159

and it's

1889

01:17:32,790 --> 01:17:31,120

uh it's it's rocket model rocket engines

1890

01:17:36,070 --> 01:17:32,800

basically made from

1891

01:17:39,830 --> 01:17:36,080

uh stump remover and

1892

01:17:41,590 --> 01:17:39,840

powdered sugar right uh and i discovered

1893

01:17:44,070 --> 01:17:41,600

how to make rocket engines when i was a

1894

01:17:46,149 --> 01:17:44,080

kid out of this uh

1895

01:17:48,070 --> 01:17:46,159

uh you know i can't remember the

1896

01:17:50,229 --> 01:17:48,080

chemical name but it's it's in stump

1897

01:17:53,830 --> 01:17:50,239

remover that you can get at home depot

1898

01:17:55,430 --> 01:17:53,840

um anyway i made these huge mono rocket

1899

01:17:56,830 --> 01:17:55,440

engines and i started slapping them on

1900

01:18:00,550 --> 01:17:56,840

anything i could

1901

01:18:04,229 --> 01:18:00,560

skateboards you know uh r2d2 models

1902

01:18:08,790 --> 01:18:04,239

we shot one r2d2 model up in the sky

1903

01:18:11,270 --> 01:18:08,800

yeah paranormal jiggy i won a magic show

1904

01:18:12,390 --> 01:18:11,280

uh yeah listen you mentioned that and

1905

01:18:14,790 --> 01:18:12,400

one of the things

1906

01:18:16,709 --> 01:18:14,800

jiggy it's all my list of things to do

1907

01:18:21,030 --> 01:18:16,719

but there's problems here

1908

01:18:23,189 --> 01:18:21,040

uh first of all i used to do magic shows

1909

01:18:25,430 --> 01:18:23,199

it's called a stand-up show and the

1910

01:18:28,310 --> 01:18:25,440

stand-up show would be

1911

01:18:29,350 --> 01:18:28,320

you know me on a small even a small tiny

1912

01:18:32,310 --> 01:18:29,360

stage

1913

01:18:32,950 --> 01:18:32,320

i have to figure out how to do it uh i

1914

01:18:35,110 --> 01:18:32,960

have a

1915

01:18:36,709 --> 01:18:35,120

spare guest room and i think i have some

1916

01:18:40,229 --> 01:18:36,719

old backdrops and yeah

1917

01:18:40,950 --> 01:18:40,239

i think for one night we would we will

1918

01:18:42,870 --> 01:18:40,960

do that

1919

01:18:44,950 --> 01:18:42,880

i can do but i don't want to do like an

1920

01:18:46,229 --> 01:18:44,960

hour show because it's way too long

1921

01:18:48,470 --> 01:18:46,239

i also thought it would be a good

1922

01:18:51,270 --> 01:18:48,480

opportunity to show you guys

1923

01:18:51,590 --> 01:18:51,280

some of my old mentalist tricks if you

1924

01:18:54,229 --> 01:18:51,600

like

1925

01:18:55,750 --> 01:18:54,239

psychic phenomenon people being able to

1926

01:18:57,830 --> 01:18:55,760

bend metal with their minds

1927

01:19:00,470 --> 01:18:57,840

people being able to control your mind

1928

01:19:02,709 --> 01:19:00,480

people being able to read your mind

1929

01:19:04,390 --> 01:19:02,719

i think that you guys would enjoy seeing

1930

01:19:07,270 --> 01:19:04,400

me do some of that stuff

1931

01:19:08,950 --> 01:19:07,280

haven't done it in quite a while and the

1932

01:19:11,510 --> 01:19:08,960

other problem right now is just

1933

01:19:12,870 --> 01:19:11,520

heat and temperature my house does not

1934

01:19:14,790 --> 01:19:12,880

have central air

1935

01:19:16,790 --> 01:19:14,800

and so i'm always fighting that in order

1936

01:19:18,630 --> 01:19:16,800

to do a magic show i really need a

1937

01:19:23,270 --> 01:19:18,640

jacket

1938

01:19:23,910 --> 01:19:23,280

a reason for that there's all these

1939

01:19:25,590 --> 01:19:23,920

pockets

1940

01:19:27,350 --> 01:19:25,600

and you know i have a card trick here

1941

01:19:29,350 --> 01:19:27,360

and this trick here and this trick

1942

01:19:30,630 --> 01:19:29,360

so i need the jacket there's a few

1943

01:19:32,390 --> 01:19:30,640

things preventing me

1944

01:19:33,830 --> 01:19:32,400

i promise i'm going to try to get

1945

01:19:36,149 --> 01:19:33,840

something like that together

1946

01:19:36,950 --> 01:19:36,159

just for you guys and maybe we'll make

1947

01:19:39,990 --> 01:19:36,960

it

1948

01:19:41,750 --> 01:19:40,000

uh we'll do that as a celebration of a

1949

01:19:44,790 --> 01:19:41,760

milestone of the show

1950

01:19:47,030 --> 01:19:44,800

we're just about uh actually i'm gonna

1951

01:19:49,590 --> 01:19:47,040

i'm gonna check right now i thought we

1952

01:19:51,830 --> 01:19:49,600

might hit a milestone today and i uh

1953

01:19:52,950 --> 01:19:51,840

somebody else told me i have not been

1954

01:19:54,790 --> 01:19:52,960

watching

1955

01:19:57,270 --> 01:19:54,800

the actual numbers because i'm trying to

1956

01:19:59,270 --> 01:19:57,280

ignore the numbers and just concentrate

1957

01:20:01,669 --> 01:19:59,280

on doing good shows

1958

01:20:02,630 --> 01:20:01,679

no we're just okay so we're just shy

1959

01:20:05,990 --> 01:20:02,640

right now of 10

1960

01:20:08,310 --> 01:20:06,000

000 views uh maybe

1961

01:20:09,590 --> 01:20:08,320

uh as a celebration of fifteen or twenty

1962

01:20:11,910 --> 01:20:09,600

thousand views

1963

01:20:13,510 --> 01:20:11,920

uh we're gonna do a magic and mentalism

1964

01:20:19,430 --> 01:20:13,520

show yes

1965

01:20:21,830 --> 01:20:19,440

vanessa thor magic magic yeah you guys

1966

01:20:23,669 --> 01:20:21,840

brad gray says the indian government

1967

01:20:25,350 --> 01:20:23,679

scientists check it out and came to the

1968

01:20:28,070 --> 01:20:25,360

conclusion they are not real yeah

1969

01:20:32,390 --> 01:20:28,080

basically any aeronautics engineer

1970

01:20:34,390 --> 01:20:32,400

and i know one uh i know someone who

1971

01:20:36,709 --> 01:20:34,400

works for boeing actually i asked him to

1972

01:20:38,149 --> 01:20:36,719

look at these drawings and he said

1973

01:20:39,910 --> 01:20:38,159

this is nonsense you know this is

1974

01:20:40,229 --> 01:20:39,920

nonsense right and i said oh yeah i'm

1975

01:20:41,750 --> 01:20:40,239

just

1976

01:20:43,510 --> 01:20:41,760

i don't know i'm not an aeronautics

1977

01:20:44,790 --> 01:20:43,520

engineer oh but by the way he did agree

1978

01:20:47,990 --> 01:20:44,800

with me he said

1979

01:20:51,189 --> 01:20:48,000

a few of these that more resemble actual

1980

01:20:53,910 --> 01:20:51,199

planes may work if you you know slap

1981

01:20:55,669 --> 01:20:53,920

an engine in them sure but some of those

1982

01:20:56,390 --> 01:20:55,679

ones that look like wedding cakes and

1983

01:20:58,790 --> 01:20:56,400

stuff like

1984

01:21:02,709 --> 01:20:58,800

you know these multi-story crazy things

1985

01:21:05,430 --> 01:21:02,719

no those things are not going to fly

1986

01:21:07,270 --> 01:21:05,440

flying cell phones well really bad one

1987

01:21:08,790 --> 01:21:07,280

yeah if you slap enough propulsion on

1988

01:21:10,310 --> 01:21:08,800

something you slap a big enough rocket

1989

01:21:11,910 --> 01:21:10,320

engine i learned that when i was a kid

1990

01:21:12,310 --> 01:21:11,920

if you slap a big enough rocket engine

1991

01:21:15,669 --> 01:21:12,320

on

1992

01:21:16,950 --> 01:21:15,679

anything will fly we uh

1993

01:21:19,350 --> 01:21:16,960

i don't know we used to just find like

1994

01:21:22,709 --> 01:21:19,360

old toys like we would take like an old

1995

01:21:23,990 --> 01:21:22,719

uh x-wing fighter toy right like an old

1996

01:21:26,950 --> 01:21:24,000

star wars

1997

01:21:27,350 --> 01:21:26,960

uh one time we did a tie fighter we just

1998

01:21:29,510 --> 01:21:27,360

slap

1999

01:21:31,350 --> 01:21:29,520

a rocket engine on the bottom of it duct

2000

01:21:34,470 --> 01:21:31,360

tape it together you know

2001
01:21:35,990 --> 01:21:34,480
light off this rocket engine and run and

2002
01:21:37,590 --> 01:21:36,000
these things would fly and i was

2003
01:21:38,870 --> 01:21:37,600
fascinated with that kind of stuff and i

2004
01:21:41,510 --> 01:21:38,880
was always trying to build bigger and

2005
01:21:43,430 --> 01:21:41,520
better rocket engines

2006
01:21:45,350 --> 01:21:43,440
i jokingly thought that i could build a

2007
01:21:47,990 --> 01:21:45,360
big enough rocket engine to actually get

2008
01:21:50,950 --> 01:21:48,000
me into space and it's interesting

2009
01:21:52,950 --> 01:21:50,960
there is someone attempting to use the

2010
01:21:54,470 --> 01:21:52,960
same kind of that they're called rocket

2011
01:21:57,510 --> 01:21:54,480
candy engines look it up

2012
01:22:00,070 --> 01:21:57,520
rocket candy rocket engines

2013
01:22:01,830 --> 01:22:00,080

there is somebody a group of people i

2014

01:22:04,550 --> 01:22:01,840

believe actually trying to build

2015

01:22:05,030 --> 01:22:04,560

a rocket that will propel someone all

2016

01:22:08,310 --> 01:22:05,040

the way

2017

01:22:10,790 --> 01:22:08,320

actually into orbit again out of this

2018

01:22:11,430 --> 01:22:10,800

rocket candy and that's amazing to me

2019

01:22:16,870 --> 01:22:11,440

because that i

2020

01:22:20,550 --> 01:22:18,950

john claude beyond mystic yeah listen i

2021

01:22:21,189 --> 01:22:20,560

don't want to celebrate too early we're

2022

01:22:23,189 --> 01:22:21,199

at ninth

2023

01:22:25,430 --> 01:22:23,199

we're just under ten thousand right like

2024

01:22:27,590 --> 01:22:25,440

96 9 700 views

2025

01:22:28,629 --> 01:22:27,600

it's still a great milestone and i'm

2026

01:22:30,550 --> 01:22:28,639

sure

2027

01:22:31,990 --> 01:22:30,560

if not after this show sometimes

2028

01:22:32,790 --> 01:22:32,000

tomorrow we'll hit the ten thousand

2029

01:22:35,189 --> 01:22:32,800

views

2030

01:22:36,950 --> 01:22:35,199

thank you jean-claude to be on mystic

2031

01:22:37,990 --> 01:22:36,960

congratulations thank you for being

2032

01:22:41,030 --> 01:22:38,000

there

2033

01:22:42,709 --> 01:22:41,040

uh yes you would

2034

01:22:44,310 --> 01:22:42,719

have to custom build the model so the

2035

01:22:48,870 --> 01:22:44,320

physics are proper just shaping them

2036

01:22:55,669 --> 01:22:53,350

you are probably right well

2037

01:22:57,270 --> 01:22:55,679

i do have a bit of business that we will

2038

01:22:59,430 --> 01:22:57,280

take care of in a moment

2039

01:23:02,149 --> 01:22:59,440

but let's take some more comments and

2040

01:23:06,550 --> 01:23:04,790

dark ravens says sexist now you have

2041

01:23:07,669 --> 01:23:06,560

some new schematics yeah get to work

2042

01:23:10,709 --> 01:23:07,679

six's designs

2043

01:23:13,270 --> 01:23:10,719

i want to see one of these [h__h] fly i

2044

01:23:14,629 --> 01:23:13,280

like the one that looks like bird wings

2045

01:23:15,990 --> 01:23:14,639

i may build that one

2046

01:23:17,990 --> 01:23:16,000

and we'll you know maybe we could do a

2047

01:23:19,590 --> 01:23:18,000

part two on this and i will build that

2048

01:23:21,830 --> 01:23:19,600

and see if it will fly

2049

01:23:24,070 --> 01:23:21,840

that one i think would fly i really

2050

01:23:27,510 --> 01:23:24,080

really think it would be fly

2051

01:23:28,470 --> 01:23:27,520

uh-oh db8 it says fire up those bot

2052

01:23:31,830 --> 01:23:28,480

viewers

2053

01:23:34,709 --> 01:23:31,840

uh no we will never use bots here and

2054

01:23:36,070 --> 01:23:34,719

by the way boy i don't i don't know if i

2055

01:23:39,990 --> 01:23:36,080

should even mention this but

2056

01:23:43,350 --> 01:23:40,000

someone on my old channel not me a guest

2057

01:23:44,870 --> 01:23:43,360

used bots on their in other words

2058

01:23:46,790 --> 01:23:44,880

they were on my show i guess they

2059

01:23:48,229 --> 01:23:46,800

weren't happy with the organic numbers

2060

01:23:52,310 --> 01:23:48,239

that my show generated

2061

01:23:55,510 --> 01:23:52,320

so they did send bots to my channel

2062

01:23:58,229 --> 01:23:55,520

and that friends can result in

2063

01:23:59,430 --> 01:23:58,239

invalid click activity and you lose your

2064

01:24:02,550 --> 01:23:59,440

monetization

2065

01:24:05,270 --> 01:24:02,560

i am absolutely against bots

2066

01:24:06,229 --> 01:24:05,280

and uh yeah i will never have that guest

2067

01:24:09,270 --> 01:24:06,239

again

2068

01:24:11,110 --> 01:24:09,280

uh i don't want somebody using bots on

2069

01:24:11,910 --> 01:24:11,120

my channel i'd rather have real organic

2070

01:24:13,350 --> 01:24:11,920

views

2071

01:24:16,470 --> 01:24:13,360

i'm not sure i'm the one to do that i

2072

01:24:19,750 --> 01:24:16,480

could probably fake it though

2073

01:24:22,550 --> 01:24:19,760

william pixley i knew that was coming

2074

01:24:27,510 --> 01:24:22,560

okay you can make anything fly i have

2075

01:24:31,030 --> 01:24:29,030

part of the mile high club i haven't

2076

01:24:33,189 --> 01:24:31,040

heard of the moon club

2077

01:24:34,149 --> 01:24:33,199

oh here you go six design how to make

2078

01:24:36,870 --> 01:24:34,159

sugar rockets

2079

01:24:38,790 --> 01:24:36,880

i was obsessed with this as a kid and

2080

01:24:41,189 --> 01:24:38,800

you know why

2081

01:24:43,189 --> 01:24:41,199

my dad was kind of a hoarder of things

2082

01:24:46,790 --> 01:24:43,199

right

2083

01:24:48,070 --> 01:24:46,800

my dad is uh was kind of guy that had a

2084

01:24:50,070 --> 01:24:48,080

garage with like

2085

01:24:51,990 --> 01:24:50,080

a thousand shelves and he saved

2086

01:24:52,709 --> 01:24:52,000

everything and i don't know where but he

2087

01:24:55,990 --> 01:24:52,719

got

2088

01:24:57,750 --> 01:24:56,000

tons of jars of stump remover

2089

01:24:59,350 --> 01:24:57,760

and that has the chemical in it to make

2090

01:25:01,189 --> 01:24:59,360

these sugar rockets and i knew that he

2091

01:25:02,470 --> 01:25:01,199

had tons of it in the garage and

2092

01:25:03,990 --> 01:25:02,480

i could go to the store and get powdered

2093

01:25:05,430 --> 01:25:04,000

sugar or tell my mom to get powdered

2094

01:25:07,270 --> 01:25:05,440

sugar that's all you need

2095

01:25:09,430 --> 01:25:07,280

stump remover powdered sugar and you

2096

01:25:11,669 --> 01:25:09,440

need a heat source to mix it up

2097

01:25:12,870 --> 01:25:11,679

and you too can make mono rocket engines

2098

01:25:16,550 --> 01:25:12,880

i made a ton of them

2099

01:25:18,550 --> 01:25:16,560

as a kid bg's check twitch i'm here

2100

01:25:20,790 --> 01:25:18,560

bg's with the first comment from the

2101

01:25:23,030 --> 01:25:20,800

twitch chat tonight thank you for

2102

01:25:24,950 --> 01:25:23,040

being there i'm sure it must be a little

2103

01:25:26,070 --> 01:25:24,960

boring over there not many people there

2104

01:25:28,390 --> 01:25:26,080

but thank you for

2105

01:25:30,229 --> 01:25:28,400

being one of the people in the twitch

2106

01:25:31,110 --> 01:25:30,239

chat maybe we could get the twitch chat

2107

01:25:33,189 --> 01:25:31,120

going

2108

01:25:34,149 --> 01:25:33,199

yes bg's is holding the fourth down in

2109

01:25:37,350 --> 01:25:34,159

the twitch

2110

01:25:40,149 --> 01:25:37,360

chat which i am highly appreciative of

2111

01:25:41,030 --> 01:25:40,159

oh look you can do cool emojis at from

2112

01:25:43,830 --> 01:25:41,040

the twitch chat

2113

01:25:45,590 --> 01:25:43,840

that's pretty cool i did not know that

2114

01:25:47,590 --> 01:25:45,600

nice to know

2115

01:25:49,590 --> 01:25:47,600

jeanette kurzenko is here shout out to

2116

01:25:51,430 --> 01:25:49,600

jeanette kurzenko

2117

01:25:53,110 --> 01:25:51,440

six's design i can probably make it

2118

01:25:54,629 --> 01:25:53,120

happen but i can also say that physics

2119

01:25:58,310 --> 01:25:54,639

will only be emulated or

2120

01:26:02,629 --> 01:26:00,310

mario heat release the box let's hope it

2121

01:26:05,110 --> 01:26:02,639

doesn't come to me having to release the

2122

01:26:11,910 --> 01:26:09,669

bg says hello from the twitch chat

2123

01:26:12,950 --> 01:26:11,920

deviated says edge of wonder never uses

2124

01:26:15,189 --> 01:26:12,960

bots

2125

01:26:16,550 --> 01:26:15,199

of course they [h__\h] do of course they

2126

01:26:19,830 --> 01:26:16,560

do they are

2127

01:26:21,430 --> 01:26:19,840

bought at the wazoo i do i believe that

2128

01:26:23,669 --> 01:26:21,440

thousands and thousands of people want

2129

01:26:26,629 --> 01:26:23,679

to show up and watch those two idiots

2130

01:26:29,510 --> 01:26:26,639

not really no no i really don't believe

2131

01:26:32,950 --> 01:26:31,189

this fixed design the engines are

2132

01:26:34,709 --> 01:26:32,960

expensive uh

2133

01:26:36,870 --> 01:26:34,719

fun but expensive deep class engines

2134

01:26:40,229 --> 01:26:36,880

were my favorite 12 gram thrust wow

2135

01:26:42,470 --> 01:26:40,239

yeah if i purchased uh model rocket

2136

01:26:43,030 --> 01:26:42,480

engines i would always buy the d-class

2137

01:26:45,990 --> 01:26:43,040

when

2138

01:26:48,709 --> 01:26:46,000

kids you could buy them i don't think

2139

01:26:52,070 --> 01:26:48,719

you can buy d-class engines anymore

2140

01:26:53,750 --> 01:26:52,080

my uh son is four years old and he likes

2141

01:26:54,390 --> 01:26:53,760

to build things don't like to build

2142

01:26:56,149 --> 01:26:54,400

things

2143

01:26:58,470 --> 01:26:56,159

i'm gonna get back into my rockets

2144

01:27:01,189 --> 01:26:58,480

because i have an excuse to with my son

2145

01:27:02,950 --> 01:27:01,199

uh so we'll try to get him a kit and but

2146

01:27:05,030 --> 01:27:02,960

i think you need a lice

2147

01:27:06,470 --> 01:27:05,040

literally you need a license to buy

2148

01:27:08,950 --> 01:27:06,480

d-class engines or

2149

01:27:10,070 --> 01:27:08,960

more powerful engines i used to get the

2150

01:27:12,470 --> 01:27:10,080

d-class engines

2151
01:27:13,910 --> 01:27:12,480
and the model rockets like from toys r

2152
01:27:15,350 --> 01:27:13,920
us and you build them you paint them and

2153
01:27:16,629 --> 01:27:15,360
then you get that little launcher with a

2154
01:27:20,229 --> 01:27:16,639
9-volt battery

2155
01:27:22,310 --> 01:27:20,239
it was good fun and you know what

2156
01:27:24,709 --> 01:27:22,320
later in life i had a corporate job that

2157
01:27:27,830 --> 01:27:24,719
i hated i sat in a cubicle for 15

2158
01:27:28,629 --> 01:27:27,840
hours a day some days and uh every once

2159
01:27:30,629 --> 01:27:28,639
in a while

2160
01:27:32,629 --> 01:27:30,639
i would take a sanity day and i would go

2161
01:27:34,229 --> 01:27:32,639
shoot off my rockets just by myself i

2162
01:27:35,669 --> 01:27:34,239
didn't have kids at the time i felt a

2163
01:27:38,149 --> 01:27:35,679

little dorky doing that

2164

01:27:39,030 --> 01:27:38,159

but there's something about that model

2165

01:27:41,189 --> 01:27:39,040

rocket

2166

01:27:42,550 --> 01:27:41,199

shooting off right it's just like a

2167

01:27:45,510 --> 01:27:42,560

tremendous release

2168

01:27:45,990 --> 01:27:45,520

feels good and i would go uh take a

2169

01:27:47,990 --> 01:27:46,000

sanity

2170

01:27:50,070 --> 01:27:48,000

day for my corporate cubicle job that

2171

01:27:50,709 --> 01:27:50,080

was killing my soul and go shoot off

2172

01:27:52,870 --> 01:27:50,719

rockets

2173

01:27:54,550 --> 01:27:52,880

right and then the funniest thing is is

2174

01:27:57,510 --> 01:27:54,560

like i literally got caught

2175

01:27:59,350 --> 01:27:57,520

doing that i got caught calling out sick

2176

01:28:02,070 --> 01:27:59,360

and then somebody saw me in a park

2177

01:28:03,510 --> 01:28:02,080

near my house shooting off these rockets

2178

01:28:05,430 --> 01:28:03,520

and told my boss

2179

01:28:06,709 --> 01:28:05,440

right and then my boss called me in his

2180

01:28:07,990 --> 01:28:06,719

office and said

2181

01:28:09,510 --> 01:28:08,000

what's this [h__h] i heard you were

2182

01:28:10,550 --> 01:28:09,520

shooting off rockets yesterday you told

2183

01:28:13,430 --> 01:28:10,560

me you were sick

2184

01:28:13,990 --> 01:28:13,440

and i was busted so you know i saw the

2185

01:28:16,310 --> 01:28:14,000

person

2186

01:28:17,830 --> 01:28:16,320

from my job who saw me so i couldn't do

2187

01:28:20,390 --> 01:28:17,840

anything other than

2188

01:28:21,910 --> 01:28:20,400

tell me i told my post of truth i'm like

2189

01:28:23,830 --> 01:28:21,920

every once in a while i need a sanity

2190

01:28:25,830 --> 01:28:23,840

day i'll tell you the truth i i

2191

01:28:27,110 --> 01:28:25,840

i just didn't i didn't feel good later

2192

01:28:29,830 --> 01:28:27,120

in the day i started feeling better and

2193

01:28:31,750 --> 01:28:29,840

i went and shut off my rockets yes i did

2194

01:28:33,750 --> 01:28:31,760

and then the funny thing is is he wanted

2195

01:28:36,310 --> 01:28:33,760

to come and see the rockets which is

2196

01:28:39,669 --> 01:28:38,790

can't get anything that goes bang in oz

2197

01:28:45,750 --> 01:28:39,679

yeah

2198

01:28:51,430 --> 01:28:48,790

yes and uh getting back

2199

01:28:53,669 --> 01:28:51,440

into model rockets as an adult i learned

2200

01:28:55,590 --> 01:28:53,679

that like i went to the hobby store

2201

01:28:57,430 --> 01:28:55,600

to buy them and i'm like can i get some

2202

01:28:58,950 --> 01:28:57,440

model d engines do you guys i don't see

2203

01:28:59,510 --> 01:28:58,960

them here and the guy at the hobby store

2204

01:29:00,870 --> 01:28:59,520

was like

2205

01:29:03,189 --> 01:29:00,880

yeah you can't you haven't been able to

2206

01:29:05,110 --> 01:29:03,199

buy those in years you know

2207

01:29:06,229 --> 01:29:05,120

so then i went back to the candy the

2208

01:29:08,950 --> 01:29:06,239

rocket candy

2209

01:29:10,790 --> 01:29:08,960

and made my own that were much stronger

2210

01:29:12,470 --> 01:29:10,800

you put a bunch that rocket candy in

2211

01:29:15,189 --> 01:29:12,480

like a toilet paper roll

2212

01:29:15,990 --> 01:29:15,199

it's much more powerful than a than a uh

2213

01:29:19,030 --> 01:29:16,000

than a model d

2214

01:29:20,709 --> 01:29:19,040

engine that you purchase

2215

01:29:22,390 --> 01:29:20,719

but i do have to say that i like to

2216

01:29:24,070 --> 01:29:22,400

purchase model rocket engines because

2217

01:29:25,990 --> 01:29:24,080

they were much more reliable

2218

01:29:27,189 --> 01:29:26,000

sometimes with the rocket candy you just

2219

01:29:29,270 --> 01:29:27,199

don't get the mix right

2220

01:29:30,470 --> 01:29:29,280

something doesn't go well and it barely

2221

01:29:32,229 --> 01:29:30,480

it barely has

2222

01:29:34,470 --> 01:29:32,239

any thrust you would have some duds in

2223

01:29:35,910 --> 01:29:34,480

there yes an out of mind is kindly

2224

01:29:38,470 --> 01:29:35,920

sharing the twitch

2225

01:29:40,070 --> 01:29:38,480

the new twitch channel that we have if

2226

01:29:41,990 --> 01:29:40,080

everyone could go over there

2227

01:29:43,189 --> 01:29:42,000

even if you don't have a twitch account

2228

01:29:46,629 --> 01:29:43,199

sign up

2229

01:29:47,110 --> 01:29:46,639

and uh become a follower follow me on

2230

01:29:50,950 --> 01:29:47,120

twitch

2231

01:29:52,950 --> 01:29:50,960

because we only need like 38 or 37

2232

01:29:55,669 --> 01:29:52,960

more followers on twitch and i can take

2233

01:29:58,790 --> 01:29:55,679

some twitch dollars which would be great

2234

01:30:01,870 --> 01:29:58,800

uh i'd appreciate that i can't buy

2235

01:30:05,270 --> 01:30:01,880

anything that goes bang yes

2236

01:30:05,990 --> 01:30:05,280

mismc91 found it nice to see you there in

2237

01:30:09,350 --> 01:30:06,000

the twitch live

2238

01:30:11,189 --> 01:30:09,360

chat welcome msmc91 i'm not sure we've

2239

01:30:12,390 --> 01:30:11,199

seen you here before or maybe that's a

2240

01:30:14,310 --> 01:30:12,400

different user id

2241

01:30:15,910 --> 01:30:14,320

you have a different twitch id maybe let

2242

01:30:17,110 --> 01:30:15,920

me know in the live chat if you have a

2243

01:30:20,229 --> 01:30:17,120

different user

2244

01:30:23,270 --> 01:30:20,239

id in the youtube chat otherwise

2245

01:30:26,149 --> 01:30:23,280

welcome msmc 91 glad

2246

01:30:27,110 --> 01:30:26,159

that you found us and are helping to get

2247

01:30:30,310 --> 01:30:27,120

our live

2248

01:30:32,310 --> 01:30:30,320

chat going in the twitch stream

2249

01:30:33,830 --> 01:30:32,320

oh yeah adrenaline rush is 10 years old

2250

01:30:35,669 --> 01:30:33,840

you don't forget it i will always love

2251

01:30:36,550 --> 01:30:35,679

aircraft yeah it's fun too you get to

2252

01:30:41,910 --> 01:30:36,560

build them

2253

01:30:46,830 --> 01:30:44,550

what a prick the person who dab you in

2254

01:30:49,910 --> 01:30:48,149

okay

2255

01:30:51,590 --> 01:30:49,920

what a [\h__\h] hater to snitch to the

2256

01:30:53,910 --> 01:30:51,600

ball i know right i know

2257

01:30:55,830 --> 01:30:53,920

you know how that's that's listen

2258

01:30:57,750 --> 01:30:55,840

corporate jobs are like high school

2259

01:30:59,830 --> 01:30:57,760

everybody rats on everybody else to get

2260

01:31:03,030 --> 01:30:59,840

some brownie points with the boss

2261

01:31:04,790 --> 01:31:03,040

you know i hated working in offices i

2262

01:31:07,030 --> 01:31:04,800

really hated it and i worked on a bunch

2263

01:31:10,070 --> 01:31:07,040

of cubicle farms i really did

2264

01:31:12,709 --> 01:31:10,080

uh the the one

2265

01:31:14,149 --> 01:31:12,719

overwhelming selling point my wife and i

2266

01:31:15,110 --> 01:31:14,159

had to have a discussion about my

2267

01:31:17,350 --> 01:31:15,120

autistic son

2268

01:31:19,270 --> 01:31:17,360

knowing and realizing eventually that he

2269

01:31:22,229 --> 01:31:19,280

would need a full-time caregiver

2270

01:31:24,709 --> 01:31:22,239

he could not you know you couldn't leave

2271

01:31:27,910 --> 01:31:24,719

him with like a babysitter a daycare

2272

01:31:29,430 --> 01:31:27,920

no no way so one of us had to stay at

2273

01:31:31,350 --> 01:31:29,440

home to take care of him

2274

01:31:33,270 --> 01:31:31,360

i think that's what put me over the edge

2275

01:31:35,910 --> 01:31:33,280

it was like i really don't want to be

2276

01:31:36,870 --> 01:31:35,920

a stay-at-home dad but then i thought

2277

01:31:41,270 --> 01:31:36,880

about

2278

01:31:43,669 --> 01:31:41,280

have to sit in a cubicle again

2279

01:31:45,910 --> 01:31:43,679

right and that that did it for me that

2280

01:31:48,229 --> 01:31:45,920

and i had grand plans

2281

01:31:49,669 --> 01:31:48,239

of starting a business which by the way

2282

01:31:51,830 --> 01:31:49,679

i failed miserably

2283

01:31:53,270 --> 01:31:51,840

at my own business well not not

2284

01:31:56,470 --> 01:31:53,280

incredibly miserably but

2285

01:31:58,870 --> 01:31:56,480

yeah i wasn't it didn't go as planned so

2286

01:32:00,790 --> 01:31:58,880

majorly i just became a stay-at-home dad

2287

01:32:03,189 --> 01:32:00,800

i made extra money wherever i could but

2288

01:32:05,590 --> 01:32:03,199

now things are starting to change

2289

01:32:07,430 --> 01:32:05,600

all this coca time has been good for me

2290

01:32:09,830 --> 01:32:07,440

and i'm refocusing my

2291

01:32:11,510 --> 01:32:09,840

original business plan which was to make

2292

01:32:14,470 --> 01:32:11,520

cool computer stuff

2293

01:32:15,350 --> 01:32:14,480

not to fix uh people's laptops but to

2294

01:32:18,390 --> 01:32:15,360

make my own

2295

01:32:20,550 --> 01:32:18,400

operating system

2296

01:32:22,709 --> 01:32:20,560

and i'm having a great time there's no

2297

01:32:26,149 --> 01:32:22,719

revenue coming in from the business

2298

01:32:28,070 --> 01:32:26,159

or very little or almost none uh but

2299

01:32:29,910 --> 01:32:28,080

i'm forging ahead and we're going to

2300

01:32:32,310 --> 01:32:29,920

make this new kind of computer

2301

01:32:33,590 --> 01:32:32,320

if nobody buys it that's not my fault i

2302

01:32:36,149 --> 01:32:33,600

will do

2303

01:32:38,070 --> 01:32:36,159

my duty to the university i'm telling

2304

01:32:40,390 --> 01:32:38,080

you the universe wanted me

2305

01:32:41,590 --> 01:32:40,400

forever i believe the universe wanted me

2306

01:32:43,430 --> 01:32:41,600

to make this

2307

01:32:45,510 --> 01:32:43,440

strange kind of computer that i'm going

2308

01:32:48,229 --> 01:32:45,520

to make and i'm going to do it

2309

01:32:49,669 --> 01:32:48,239

and and then i will feel like i have uh

2310

01:32:52,550 --> 01:32:49,679

oh it's me mario he

2311

01:32:56,149 --> 01:32:52,560

okay mario thank you for finding us over

2312

01:32:59,430 --> 01:32:58,310

bg says hey mario we have way better

2313

01:33:02,629 --> 01:32:59,440

emojis here

2314

01:33:06,870 --> 01:33:02,639

yes yes we do

2315

01:33:08,070 --> 01:33:06,880

jinx brad six design says hey i will see

2316

01:33:10,550 --> 01:33:08,080

if my kerbal space

2317

01:33:11,350 --> 01:33:10,560

program flying turkey up totally funny

2318

01:33:14,629 --> 01:33:11,360

be right back

2319

01:33:17,189 --> 01:33:14,639

six is i i saw that game right

2320

01:33:19,110 --> 01:33:17,199

and i wanted to try to play it but i

2321

01:33:19,669 --> 01:33:19,120

couldn't figure it out so you gotta get

2322

01:33:22,470 --> 01:33:19,679

with me

2323

01:33:24,790 --> 01:33:22,480

and tell me am i just [h__h] well i

2324

01:33:27,750 --> 01:33:24,800

shouldn't use that word am i just stupid

2325

01:33:28,070 --> 01:33:27,760

uh apologize for using that word uh it's

2326

01:33:31,590 --> 01:33:28,080

it's

2327

01:33:34,870 --> 01:33:31,600

word i try to just

2328

01:33:37,110 --> 01:33:34,880

strike it from my vocabulary but uh

2329

01:33:38,629 --> 01:33:37,120

yeah i must be stupid couldn't figure

2330

01:33:41,669 --> 01:33:38,639

out how to play that game

2331

01:33:42,470 --> 01:33:41,679

yeah bg's got look at that look at that

2332

01:33:46,470 --> 01:33:42,480

emoji

2333

01:33:50,870 --> 01:33:49,189

yeah the all-seeing eye now everybody's

2334

01:33:51,750 --> 01:33:50,880

trying out the emojis in the twitch

2335

01:33:55,590 --> 01:33:51,760

channel we might

2336

01:33:58,470 --> 01:33:55,600

get a lot more people interested in

2337

01:34:02,830 --> 01:33:58,480

the the live chat in twitch because they

2338

01:34:07,510 --> 01:34:06,149

yeah oh out of mind purple sky says

2339

01:34:09,669 --> 01:34:07,520

hello

2340

01:34:11,910 --> 01:34:09,679

twitchers and that would be i believe

2341

01:34:14,709 --> 01:34:11,920

out of mind from our usual live chat

2342

01:34:16,390 --> 01:34:14,719

has also found the twitch chat can

2343

01:34:18,229 --> 01:34:16,400

somebody over in the twitch chat tell me

2344

01:34:18,629 --> 01:34:18,239

how many people are over in the twitch

2345

01:34:20,709 --> 01:34:18,639

chat

2346

01:34:22,390 --> 01:34:20,719

or you know what i'm gonna try to i'm

2347

01:34:25,590 --> 01:34:22,400

gonna try to take a look myself

2348

01:34:27,830 --> 01:34:25,600

switch and it's twitch.tv backslash

2349

01:34:29,350 --> 01:34:27,840

truth seeker show if you too want to

2350

01:34:32,390 --> 01:34:29,360

check out this

2351

01:34:36,149 --> 01:34:32,400

uh twitch stream that we have going now

2352

01:34:39,430 --> 01:34:36,159

and uh it's always

2353

01:34:40,310 --> 01:34:39,440

yeah ice dark ravens is over there bg's

2354

01:34:42,950 --> 01:34:40,320

is over there

2355

01:34:46,149 --> 01:34:42,960

i don't know how how does it tell me how

2356

01:34:49,189 --> 01:34:46,159

many people are watching

2357

01:34:55,669 --> 01:34:52,790

does tell me plus one follower

2358

01:34:57,350 --> 01:34:55,679

twitter sounds like druggies i'm reading

2359

01:34:59,750 --> 01:34:57,360

some of the stuff in the live chat i see

2360

01:35:01,350 --> 01:34:59,760

bg's in the live chat i see mario key in

2361

01:35:02,709 --> 01:35:01,360

the live chat looks like we have two or

2362

01:35:05,030 --> 01:35:02,719

three people

2363

01:35:06,310 --> 01:35:05,040

in the live chat but it's good to see

2364

01:35:07,990 --> 01:35:06,320

and you know what i will say about

2365

01:35:11,990 --> 01:35:08,000

twitch which is a little

2366

01:35:14,870 --> 01:35:12,000

uh surprising to me i found that

2367

01:35:16,390 --> 01:35:14,880

uh twitch is kind of cool like i'm just

2368

01:35:17,990 --> 01:35:16,400

learning it but they have all these

2369

01:35:20,229 --> 01:35:18,000

milestones and they're always kind of

2370

01:35:22,149 --> 01:35:20,239

like congratulating you like hey you've

2371

01:35:24,149 --> 01:35:22,159

streamed this many hours you've reached

2372

01:35:26,390 --> 01:35:24,159

a milestone and it's much

2373

01:35:29,109 --> 01:35:26,400

it seems much like they're really trying

2374

01:35:31,669 --> 01:35:29,119

to encourage you to improve your

2375

01:35:32,229 --> 01:35:31,679

twitch uh channel to improve your twitch

2376

01:35:35,189 --> 01:35:32,239

stream

2377

01:35:37,109 --> 01:35:35,199

so far i am really enjoying twitch i

2378

01:35:38,229 --> 01:35:37,119

didn't think that i would and i dread it

2379

01:35:40,070 --> 01:35:38,239

like i have a friend

2380

01:35:41,270 --> 01:35:40,080

that streams on twitch he doesn't have a

2381

01:35:43,430 --> 01:35:41,280

job

2382

01:35:45,030 --> 01:35:43,440

uh he just streams video games and he's

2383

01:35:45,830 --> 01:35:45,040

been telling me for a year and a half

2384

01:35:47,590 --> 01:35:45,840

you gotta do

2385

01:35:48,950 --> 01:35:47,600

you gotta stream on twitch and i was i

2386

01:35:51,830 --> 01:35:48,960

looked at it and i went no

2387

01:35:56,229 --> 01:35:51,840

this seems so alien to me but uh little

2388

01:35:58,229 --> 01:35:56,239

by little we're learning about it kerbal

2389

01:36:01,669 --> 01:35:58,239

space program flying turkey

2390

01:36:05,189 --> 01:36:01,679

oh my gosh yeah anything anything will

2391

01:36:09,430 --> 01:36:08,310

oh it doesn't start at time about one

2392

01:36:12,149 --> 01:36:09,440

hour in

2393

01:36:16,950 --> 01:36:12,159

yeah yeah sorry i i don't know i'll have

2394

01:36:23,510 --> 01:36:19,669

oh if you if you hover over the screen

2395

01:36:24,950 --> 01:36:23,520

it'll superimpose some of your stats

2396

01:36:27,430 --> 01:36:24,960

oh you know what i might not even be

2397

01:36:31,270 --> 01:36:27,440

logged in that's probably the problem

2398

01:36:32,310 --> 01:36:31,280

oh no i am logged in it says online

2399

01:36:35,750 --> 01:36:32,320

right now

2400

01:36:37,510 --> 01:36:35,760

uh i see that people oh i see that

2401

01:36:41,750 --> 01:36:37,520

there's four people

2402

01:36:44,709 --> 01:36:41,760

in a live chat five people watching

2403

01:36:45,990 --> 01:36:44,719

and a few people in the live chat yeah

2404

01:36:47,030 --> 01:36:46,000

so now i guess we're gonna have a

2405

01:36:49,030 --> 01:36:47,040

competition for

2406

01:36:50,310 --> 01:36:49,040

which live chat everybody wants to join

2407

01:36:51,510 --> 01:36:50,320

but it's good to have options if

2408

01:36:53,830 --> 01:36:51,520

everybody decides

2409

01:36:55,030 --> 01:36:53,840

listen i get the live chat comments no

2410

01:36:57,669 --> 01:36:55,040

matter where they come from

2411

01:36:59,430 --> 01:36:57,679

facebook twitch or youtube so if

2412

01:37:02,629 --> 01:36:59,440

everybody decides hey we wanna

2413

01:37:04,709 --> 01:37:02,639

we wanna stream we wanna stream we wanna

2414

01:37:06,950 --> 01:37:04,719

be in the live chat over at twitch

2415

01:37:08,390 --> 01:37:06,960

maybe that'll become a thing who knows

2416

01:37:11,350 --> 01:37:08,400

uh but i'd

2417

01:37:11,669 --> 01:37:11,360

really like to see if we can have a good

2418

01:37:14,790 --> 01:37:11,679

uh

2419

01:37:17,510 --> 01:37:14,800

robust amount of live chatters in both

2420

01:37:20,870 --> 01:37:17,520

of the twitch in both the twitch stream

2421

01:37:22,629 --> 01:37:20,880

and the youtube stream

2422

01:37:24,149 --> 01:37:22,639

paranormal jiggy says the more places

2423

01:37:25,830 --> 01:37:24,159

you stream the better different people

2424

01:37:28,390 --> 01:37:25,840

enjoy different platforms

2425

01:37:30,070 --> 01:37:28,400

yeah i agree with you and also listen i

2426

01:37:32,229 --> 01:37:30,080

was already paying for

2427

01:37:33,669 --> 01:37:32,239

uh stream yard and i was only streaming

2428

01:37:35,830 --> 01:37:33,679

to two locations

2429

01:37:37,910 --> 01:37:35,840

because that's all they let me uh when i

2430

01:37:40,790 --> 01:37:37,920

first purchased this stream yard

2431

01:37:42,550 --> 01:37:40,800

it was like oh uh you can stream to two

2432

01:37:44,709 --> 01:37:42,560

locations for this

2433

01:37:46,310 --> 01:37:44,719

amount of money that we're charging you

2434

01:37:48,229 --> 01:37:46,320

then streamyard

2435

01:37:50,149 --> 01:37:48,239

did some upgrades and they decided you

2436

01:37:51,430 --> 01:37:50,159

can stream to one additional location

2437

01:37:53,990 --> 01:37:51,440

for no additional charge

2438

01:37:55,830 --> 01:37:54,000

so sure i'm gonna pick one and uh i

2439

01:37:59,350 --> 01:37:55,840

thought that the best one

2440

01:38:01,350 --> 01:37:59,360

would be twitch so uh that's what we did

2441

01:38:01,990 --> 01:38:01,360

we started the twitch stream and so far

2442

01:38:04,870 --> 01:38:02,000

it's going pretty

2443

01:38:05,830 --> 01:38:04,880

good i mean the reviews aren't great

2444

01:38:07,830 --> 01:38:05,840

there yet but

2445

01:38:10,310 --> 01:38:07,840

it's going to take time for twitch

2446

01:38:12,149 --> 01:38:10,320

people to find me there

2447

01:38:14,149 --> 01:38:12,159

i do have a few friends that have twitch

2448

01:38:15,830 --> 01:38:14,159

accounts which i emailed and they became

2449

01:38:18,790 --> 01:38:15,840

followers well that's another thing i

2450

01:38:22,149 --> 01:38:18,800

want to see if we can uh

2451

01:38:24,950 --> 01:38:22,159

we can see i don't know how to see a

2452

01:38:29,590 --> 01:38:24,960

number of followers

2453

01:38:29,600 --> 01:38:33,910

you know i'm not i'm not a

2454

01:38:33,920 --> 01:38:39,350

yeah i'm terrible at twitch so far

2455

01:38:42,790 --> 01:38:42,229

oh it gives me the breakdown of the of

2456

01:38:47,350 --> 01:38:42,800

who's

2457

01:38:51,030 --> 01:38:47,360

that and you can go through and like

2458

01:38:51,040 --> 01:38:54,629

let me see if we can't

2459

01:39:01,669 --> 01:38:59,270

yeah so i need 37 or 36 more followers

2460

01:39:03,510 --> 01:39:01,679

before we could take some twitch money

2461

01:39:04,950 --> 01:39:03,520

and uh it's better than needing a

2462

01:39:06,550 --> 01:39:04,960

thousand like youtube

2463

01:39:08,709 --> 01:39:06,560

uh we're doing good with that we're

2464

01:39:10,390 --> 01:39:08,719

almost halfway through my

2465

01:39:11,990 --> 01:39:10,400

original goal to get the thousand

2466

01:39:13,750 --> 01:39:12,000

subscribers of youtube

2467

01:39:15,590 --> 01:39:13,760

uh i'm sure we'll hit some more

2468

01:39:18,070 --> 01:39:15,600

milestones soon and we will have a

2469

01:39:21,430 --> 01:39:18,080

reason to celebrate those milestones

2470

01:39:23,510 --> 01:39:21,440

it's the little things i mentioned

2471

01:39:24,629 --> 01:39:23,520

you know every day i have to show up and

2472

01:39:27,189 --> 01:39:24,639

water this garden

2473

01:39:28,790 --> 01:39:27,199

that's how you make a garden grow you

2474

01:39:30,149 --> 01:39:28,800

gotta can

2475

01:39:32,390 --> 01:39:30,159

give some project that you're doing

2476

01:39:36,390 --> 01:39:32,400

consistent effort consistent

2477

01:39:40,310 --> 01:39:36,400

um interest right and uh

2478

01:39:42,390 --> 01:39:40,320

yeah you definitely need that uh

2479

01:39:43,750 --> 01:39:42,400

to in order to grow something that

2480

01:39:46,310 --> 01:39:43,760

you're trying to do

2481

01:39:48,709 --> 01:39:46,320

let's see if we can't get the lights a

2482

01:39:52,070 --> 01:39:48,719

little better in here there we go

2483

01:39:53,510 --> 01:39:52,080

because i have uh wait

2484

01:39:55,109 --> 01:39:53,520

you know maybe i'll do this another

2485

01:39:57,590 --> 01:39:55,119

night because i don't

2486

01:39:58,790 --> 01:39:57,600

even know how to do this oh here we go

2487

01:40:00,870 --> 01:39:58,800

so uh

2488

01:40:03,030 --> 01:40:00,880

we're looking for products right

2489

01:40:05,750 --> 01:40:03,040

products to sell

2490

01:40:06,229 --> 01:40:05,760

and so uh i found something that i

2491

01:40:08,149 --> 01:40:06,239

thought

2492

01:40:10,709 --> 01:40:08,159

some of my viewers may be interested in

2493

01:40:14,149 --> 01:40:10,719

and this is something that is new to me

2494

01:40:18,229 --> 01:40:14,159

but i know a a cbd

2495

01:40:23,189 --> 01:40:18,239

flower farm by chance

2496

01:40:26,950 --> 01:40:23,199

and uh this is um this is their product

2497

01:40:30,229 --> 01:40:26,960

and uh this is cbd flower

2498

01:40:33,350 --> 01:40:30,239

uh it is non psychoactive

2499

01:40:35,590 --> 01:40:33,360

it is a cbd flower

2500

01:40:36,629 --> 01:40:35,600

which means uh this one is one of their

2501
01:40:39,910 --> 01:40:36,639
strains

2502
01:40:43,350 --> 01:40:39,920
called silver thunder and this

2503
01:40:44,790 --> 01:40:43,360
is a cbd flower

2504
01:40:46,390 --> 01:40:44,800
and what does that mean that means that

2505
01:40:50,229 --> 01:40:46,400
it is highly

2506
01:40:52,470 --> 01:40:50,239
uh concentrated cbd flowers

2507
01:40:54,629 --> 01:40:52,480
take one out just so you can see these

2508
01:40:57,109 --> 01:40:54,639
come in a nice glass jar this is the

2509
01:41:01,189 --> 01:40:57,119
seven grand variety

2510
01:41:04,390 --> 01:41:01,199
and it's it's seven grams of cbd flour

2511
01:41:05,430 --> 01:41:04,400
see if we can't ge i'm sorry this is

2512
01:41:07,750 --> 01:41:05,440
kind of last minute

2513
01:41:08,470 --> 01:41:07,760

i just wanted to see if there is

2514

01:41:11,910 --> 01:41:08,480

interest

2515

01:41:14,950 --> 01:41:11,920

and it looks like uh

2516

01:41:16,790 --> 01:41:14,960

what you would expect uh cannabis

2517

01:41:20,070 --> 01:41:16,800

flowers to look like

2518

01:41:23,350 --> 01:41:20,080

it smells it smells wonderful it smells

2519

01:41:26,470 --> 01:41:23,360

like it smells like

2520

01:41:29,910 --> 01:41:26,480

whatever cannabis flowers

2521

01:41:32,870 --> 01:41:29,920

you're used to the same kind of aroma

2522

01:41:34,149 --> 01:41:32,880

this one has really musky earthy smell

2523

01:41:36,709 --> 01:41:34,159

to it and again this is

2524

01:41:38,550 --> 01:41:36,719

uh this is the their variety called

2525

01:41:42,550 --> 01:41:38,560

silver thunder

2526

01:41:43,350 --> 01:41:42,560

um and this is completely and totally

2527

01:41:46,709 --> 01:41:43,360

legal

2528

01:41:49,189 --> 01:41:46,719

um because there is no thc well i

2529

01:41:53,030 --> 01:41:49,199

shouldn't say that there's 0.3

2530

01:41:56,070 --> 01:41:53,040

thc but if you're looking for flower

2531

01:41:56,790 --> 01:41:56,080

to have the psychoactive high this is

2532

01:42:01,830 --> 01:41:56,800

not

2533

01:42:04,629 --> 01:42:01,840

like cbd oil

2534

01:42:08,870 --> 01:42:04,639

and you haven't tried smoking cbd

2535

01:42:11,910 --> 01:42:08,880

flowers or vaporizing cbd flowers

2536

01:42:13,510 --> 01:42:11,920

i don't want to sell i don't sell

2537

01:42:15,910 --> 01:42:13,520

tea that makes you [h__h] yourself that

2538

01:42:17,510 --> 01:42:15,920

was one of my big advertisers on my

2539

01:42:20,070 --> 01:42:17,520

previous show

2540

01:42:21,910 --> 01:42:20,080

and yeah you can go get the tea but

2541

01:42:25,830 --> 01:42:21,920

you're not gonna get it from me

2542

01:42:28,950 --> 01:42:25,840

so i'm actively looking for products

2543

01:42:32,550 --> 01:42:28,960

where we can make commercials and

2544

01:42:34,629 --> 01:42:32,560

we can maybe generate some additional

2545

01:42:37,669 --> 01:42:34,639

revenue for the show

2546

01:42:40,550 --> 01:42:37,679

i want to know and please

2547

01:42:42,870 --> 01:42:40,560

tell me in the live chat if you would be

2548

01:42:45,830 --> 01:42:42,880

interested in a product like this

2549

01:42:46,950 --> 01:42:45,840

that we would offer here on our show

2550

01:42:49,189 --> 01:42:46,960

because if so

2551
01:42:51,510 --> 01:42:49,199
i'm gonna make that happen but i don't

2552
01:42:53,990 --> 01:42:51,520
want to

2553
01:42:55,510 --> 01:42:54,000
you know go invest in some kind of

2554
01:42:57,350 --> 01:42:55,520
products like this

2555
01:42:58,870 --> 01:42:57,360
and then they send a shelf here forever

2556
01:43:02,310 --> 01:42:58,880
and nobody wants them

2557
01:43:06,070 --> 01:43:02,320
now this seven grand variety

2558
01:43:10,310 --> 01:43:06,080
again this is 17.8 percent

2559
01:43:13,270 --> 01:43:10,320
cbd so and i've tried this

2560
01:43:14,390 --> 01:43:13,280
and here's what i'll say i highly

2561
01:43:18,229 --> 01:43:14,400
recommend this

2562
01:43:18,550 --> 01:43:18,239
for bedtime uh that's my experience with

2563
01:43:21,189 --> 01:43:18,560

it

2564

01:43:22,229 --> 01:43:21,199

this is not going to give you that

2565

01:43:25,430 --> 01:43:22,239

active

2566

01:43:26,310 --> 01:43:25,440

you know speedy kind of uh if you're

2567

01:43:29,830 --> 01:43:26,320

used to

2568

01:43:32,629 --> 01:43:29,840

thc flower cannabis flower but

2569

01:43:34,310 --> 01:43:32,639

i feel like i was surprised actually i

2570

01:43:35,270 --> 01:43:34,320

didn't think that this would do much for

2571

01:43:38,390 --> 01:43:35,280

me

2572

01:43:41,590 --> 01:43:38,400

um but i found this is it's

2573

01:43:45,109 --> 01:43:41,600

really nice just sort of relaxing right

2574

01:43:47,430 --> 01:43:45,119

it gives you sort of a calming

2575

01:43:48,870 --> 01:43:47,440

it feels to me like it it releases

2576

01:43:51,030 --> 01:43:48,880

tension from your body

2577

01:43:53,189 --> 01:43:51,040

this is my personal experience yours may

2578

01:43:56,390 --> 01:43:53,199

vary

2579

01:43:59,510 --> 01:43:56,400

but i want to sell something that people

2580

01:44:00,470 --> 01:43:59,520

can actually benefit from there's all

2581

01:44:02,950 --> 01:44:00,480

kinds of

2582

01:44:03,750 --> 01:44:02,960

websites i'm not going to make any

2583

01:44:06,790 --> 01:44:03,760

claims

2584

01:44:07,830 --> 01:44:06,800

i'm just going to say i enjoy this so

2585

01:44:10,390 --> 01:44:07,840

far

2586

01:44:11,830 --> 01:44:10,400

this is my actually this is my this is

2587

01:44:15,669 --> 01:44:11,840

the second one

2588

01:44:17,189 --> 01:44:15,679

uh so i enjoy this and i think that you

2589

01:44:19,030 --> 01:44:17,199

may enjoy it too

2590

01:44:20,709 --> 01:44:19,040

is there interest in this kind of a

2591

01:44:23,910 --> 01:44:20,719

product if we were to

2592

01:44:26,950 --> 01:44:23,920

offer it on the show

2593

01:44:27,990 --> 01:44:26,960

let me know if you guys think you would

2594

01:44:31,350 --> 01:44:28,000

be interested in this

2595

01:44:34,390 --> 01:44:31,360

and again this is a 7 gram

2596

01:44:37,590 --> 01:44:34,400

variety and this would be i

2597

01:44:40,709 --> 01:44:37,600

think it re the retail is like 55

2598

01:44:42,149 --> 01:44:40,719

for this and uh that's quite a supply i

2599

01:44:43,109 --> 01:44:42,159

don't know how long it would take me to

2600

01:44:44,950 --> 01:44:43,119

go through this

2601
01:44:46,310 --> 01:44:44,960
i guess it depends on how often you use

2602
01:44:49,990 --> 01:44:46,320
it um

2603
01:44:51,590 --> 01:44:50,000
but i have been uh pleasantly surprised

2604
01:44:52,629 --> 01:44:51,600
at how much i enjoyed this i thought it

2605
01:44:56,390 --> 01:44:52,639
was going to be like

2606
01:44:58,310 --> 01:44:56,400
decaf coffee for me right i that's the

2607
01:44:59,590 --> 01:44:58,320
that's the thought i had i thought this

2608
01:45:03,430 --> 01:44:59,600
is going to be like decaf

2609
01:45:03,990 --> 01:45:03,440
coffee or like uh you know or like diet

2610
01:45:06,310 --> 01:45:04,000
soda

2611
01:45:08,870 --> 01:45:06,320
you know like well it's kind of like

2612
01:45:10,950 --> 01:45:08,880
what you know but it's missing something

2613
01:45:13,430 --> 01:45:10,960

but no actually i was pleasantly

2614

01:45:18,310 --> 01:45:13,440

surprised

2615

01:45:19,590 --> 01:45:18,320

bg's have to go guys much love yeah

2616

01:45:22,149 --> 01:45:19,600

cbd is something they should have

2617

01:45:22,709 --> 01:45:22,159

legalized long ago yeah i agree with you

2618

01:45:26,310 --> 01:45:22,719

sixes

2619

01:45:29,750 --> 01:45:26,320

uh it gives you as far as the effects

2620

01:45:31,750 --> 01:45:29,760

i mean uh i was surprised and uh it's

2621

01:45:34,870 --> 01:45:31,760

it's a mild effect it's not very

2622

01:45:37,030 --> 01:45:34,880

it's it's not a super super powerful

2623

01:45:37,910 --> 01:45:37,040

you know knock you on your ass kind of

2624

01:45:41,510 --> 01:45:37,920

effect just

2625

01:45:46,470 --> 01:45:44,310

just just like i i feel like this is

2626

01:45:49,350 --> 01:45:46,480

good for just when you want to just

2627

01:45:52,950 --> 01:45:49,360

unwind and relax and and but still be

2628

01:45:56,470 --> 01:45:54,709

mario heat wants me to sell canadian

2629

01:45:59,350 --> 01:45:56,480

bacon

2630

01:45:59,910 --> 01:45:59,360

oh my god look at his avatar mario heat

2631

01:46:01,910 --> 01:45:59,920

really

2632

01:46:03,510 --> 01:46:01,920

you're putting that avatar you're making

2633

01:46:06,870 --> 01:46:03,520

i just i just put

2634

01:46:10,229 --> 01:46:06,880

that avatar on my show thanks mario heat

2635

01:46:13,510 --> 01:46:10,239

thanks barry great great

2636

01:46:14,950 --> 01:46:13,520

just great oh out of mind says i would

2637

01:46:16,550 --> 01:46:14,960

be interested in helping you promote it

2638

01:46:19,590 --> 01:46:16,560

i made cbd thc

2639

01:46:21,510 --> 01:46:19,600

products so no need for hemp bud for me

2640

01:46:23,430 --> 01:46:21,520

yeah maybe you can talk to me off air

2641

01:46:26,390 --> 01:46:23,440

out of mine about providing me with some

2642

01:46:27,109 --> 01:46:26,400

cbd products but no thc products we only

2643

01:46:36,709 --> 01:46:27,119

want

2644

01:46:44,709 --> 01:46:36,719

[h__\h] bacon

2645

01:46:48,070 --> 01:46:47,189

yeah i came from a generation error of

2646

01:46:51,910 --> 01:46:48,080

lids this

2647

01:46:54,550 --> 01:46:51,920

gen z herb is too damn strong yeah

2648

01:46:55,910 --> 01:46:54,560

you know also i should mention i i'm a

2649

01:46:58,390 --> 01:46:55,920

big supporter of medical

2650

01:46:59,910 --> 01:46:58,400

cannabis and uh i gotta say that my

2651

01:47:03,030 --> 01:46:59,920

state is really

2652

01:47:07,189 --> 01:47:03,040

just just royally stupid

2653

01:47:10,790 --> 01:47:07,199

um let me see what's today's date uh

2654

01:47:12,390 --> 01:47:10,800

today's august 14. so in my state

2655

01:47:13,350 --> 01:47:12,400

pennsylvania they give you a medical

2656

01:47:14,870 --> 01:47:13,360

marijuana card

2657

01:47:16,390 --> 01:47:14,880

and you need that card to get into the

2658

01:47:19,350 --> 01:47:16,400

dispensary if the card is not

2659

01:47:21,910 --> 01:47:19,360

active or a good card they won't let you

2660

01:47:25,189 --> 01:47:21,920

in any dispensary to buy your medicine

2661

01:47:28,470 --> 01:47:25,199

so my card expired yesterday

2662

01:47:29,590 --> 01:47:28,480

august 13th but several days before

2663

01:47:31,189 --> 01:47:29,600

august 13th

2664

01:47:33,430 --> 01:47:31,199
earlier in the week i went to the

2665

01:47:37,510 --> 01:47:33,440
dispensary and my card was

2666

01:47:40,790 --> 01:47:37,520
now listed as inactive so uh

2667

01:47:42,950 --> 01:47:40,800
yeah i had a uh once a year you have to

2668

01:47:46,870 --> 01:47:42,960
get re-certified so i had to go

2669

01:47:48,950 --> 01:47:46,880
back to a doctor and you know

2670

01:47:51,030 --> 01:47:48,960
the doctor has to determine that your

2671

01:47:53,189 --> 01:47:51,040
medical condition still warrants it

2672

01:47:54,390 --> 01:47:53,199
and they sort of evaluate how you're

2673

01:47:58,070 --> 01:47:54,400
doing on

2674

01:48:00,950 --> 01:47:58,080
the medical uh medical cannabis

2675

01:48:01,590 --> 01:48:00,960
instead of your previous treatments in

2676

01:48:05,430 --> 01:48:01,600

my case

2677

01:48:08,709 --> 01:48:05,440

my previous treatments were

2678

01:48:10,390 --> 01:48:08,719

over-the-counter pain meds that had to

2679

01:48:13,189 --> 01:48:10,400

be taken so often

2680

01:48:14,629 --> 01:48:13,199

they were destroying my stomach and

2681

01:48:16,870 --> 01:48:14,639

various doctors over the years have

2682

01:48:20,229 --> 01:48:16,880

prescribed for me

2683

01:48:23,430 --> 01:48:20,239

tylenol codeine percocets perkadan

2684

01:48:25,350 --> 01:48:23,440

all manner of opioids uh which

2685

01:48:26,629 --> 01:48:25,360

you can't people can't function on those

2686

01:48:29,430 --> 01:48:26,639

things

2687

01:48:30,790 --> 01:48:29,440

so in my case it's been very beneficial

2688

01:48:33,830 --> 01:48:30,800

the good news is uh

2689

01:48:36,870 --> 01:48:33,840

i had my doctor's appointment today

2690

01:48:38,470 --> 01:48:36,880

i gave my state the money and now i just

2691

01:48:42,149 --> 01:48:38,480

have to wait

2692

01:48:46,709 --> 01:48:44,310

and i can again get the medicine that i

2693

01:48:48,790 --> 01:48:46,719

need and unfortunately for me i was

2694

01:48:50,149 --> 01:48:48,800

this week completely and totally out of

2695

01:48:53,109 --> 01:48:50,159

medicine when i went to

2696

01:48:54,070 --> 01:48:53,119

restock and they wouldn't let me in

2697

01:48:56,470 --> 01:48:54,080

which is

2698

01:48:58,149 --> 01:48:56,480

you know i have a big problem with the

2699

01:49:01,669 --> 01:48:58,159

government telling me what medicine

2700

01:49:04,870 --> 01:49:01,679

i can and can't buy um it's it's my

2701

01:49:08,310 --> 01:49:04,880

health not theirs um and you know

2702

01:49:11,510 --> 01:49:08,320

luckily my doctor agrees with me uh

2703

01:49:12,390 --> 01:49:11,520

and i wasn't you know proved approved

2704

01:49:14,550 --> 01:49:12,400

again

2705

01:49:16,709 --> 01:49:14,560

but uh now it's just the government red

2706

01:49:20,149 --> 01:49:16,719

tape until i get a new card because my

2707

01:49:23,430 --> 01:49:20,159

card is now expired as of yesterday

2708

01:49:25,750 --> 01:49:23,440

uh so well earlier today

2709

01:49:27,589 --> 01:49:25,760

geez it's getting very late here friends

2710

01:49:32,550 --> 01:49:27,599

and we're reaching the two hour mark so

2711

01:49:36,149 --> 01:49:34,310

a lid is all herb you can fit on a

2712

01:49:36,870 --> 01:49:36,159

coffee can lid for ten dollars it was

2713

01:49:38,790 --> 01:49:36,880

very weak

2714

01:49:41,109 --> 01:49:38,800

yeah honestly some of this stuff is way

2715

01:49:42,550 --> 01:49:41,119

too strong for me deviated i go for the

2716

01:49:45,030 --> 01:49:42,560

lowest um

2717

01:49:45,990 --> 01:49:45,040

and luckily for me it's the cheapest i

2718

01:49:49,669 --> 01:49:46,000

go for the

2719

01:49:52,629 --> 01:49:49,679

of thc

2720

01:49:54,550 --> 01:49:52,639

or whatever and and and even that's a

2721

01:49:56,629 --> 01:49:54,560

little too strong for me it's not like

2722

01:49:59,109 --> 01:49:56,639

the stuff that we had maybe when we were

2723

01:50:02,149 --> 01:49:59,119

kids when we were very young

2724

01:50:04,629 --> 01:50:02,159

you know they're really pumping out high

2725

01:50:05,589 --> 01:50:04,639

high percentage thc and all of this

2726

01:50:09,510 --> 01:50:05,599

stuff

2727

01:50:14,709 --> 01:50:12,950

see your pics goodnight picks

2728

01:50:17,030 --> 01:50:14,719

how much do you get in a lid i'm

2729

01:50:25,990 --> 01:50:17,040

australian yeah i'm not sure

2730

01:50:29,669 --> 01:50:27,830

jeanette cruzenko you lost me i've

2731

01:50:31,350 --> 01:50:29,679

helped name new stuff but you got me on

2732

01:50:34,790 --> 01:50:31,360

that one

2733

01:50:36,709 --> 01:50:34,800

yes well friends uh i think that we are

2734

01:50:39,830 --> 01:50:36,719

going to wrap things up here

2735

01:50:41,030 --> 01:50:39,840

i will skip my usual begging bowl and

2736

01:50:43,430 --> 01:50:41,040

begging for money

2737

01:50:44,310 --> 01:50:43,440

but if you do want to donate there is an

2738

01:50:47,030 --> 01:50:44,320

about button

2739

01:50:48,470 --> 01:50:47,040

on my youtube channel and you can click

2740

01:50:51,510 --> 01:50:48,480

the paypal donate button

2741

01:50:52,149 --> 01:50:51,520

or click the paypal patreon donate

2742

01:50:53,910 --> 01:50:52,159

button

2743

01:50:55,430 --> 01:50:53,920

the patreon is a dollar a month you get

2744

01:50:56,070 --> 01:50:55,440

all kinds of goodies and the paypal

2745

01:50:58,550 --> 01:50:56,080

button

2746

01:51:00,470 --> 01:50:58,560

is just being nice and sending me

2747

01:51:03,910 --> 01:51:00,480

whatever amount of money that you want

2748

01:51:06,310 --> 01:51:03,920

and i will read out

2749

01:51:07,910 --> 01:51:06,320

a huge thank you i want to thank

2750

01:51:08,629 --> 01:51:07,920

everybody that has already donated on

2751

01:51:11,990 --> 01:51:08,639

patreon

2752

01:51:15,669 --> 01:51:12,000

and and um and donated

2753

01:51:17,350 --> 01:51:15,679

any paypal funds i i just heard on

2754

01:51:18,870 --> 01:51:17,360

on uh paranormal hood they were

2755

01:51:21,589 --> 01:51:18,880

mentioning that certain people

2756

01:51:22,550 --> 01:51:21,599

never thank their donors i want to thank

2757

01:51:24,149 --> 01:51:22,560

my donors

2758

01:51:26,310 --> 01:51:24,159

every single show i'm going to make a

2759

01:51:27,669 --> 01:51:26,320

point to have an attitude of gratitude

2760

01:51:29,990 --> 01:51:27,679

towards all of you

2761

01:51:31,109 --> 01:51:30,000

who are helping support the show and

2762

01:51:33,589 --> 01:51:31,119

keep us moving

2763

01:51:35,750 --> 01:51:33,599

forward we must always be moving forward

2764

01:51:36,310 --> 01:51:35,760

to continue in this journey and grow the

2765

01:51:38,390 --> 01:51:36,320

show and

2766

01:51:39,510 --> 01:51:38,400

every dollar contributed really helps

2767

01:51:43,030 --> 01:51:39,520

with that

2768

01:51:44,629 --> 01:51:43,040

so you know uh i i literally would not

2769

01:51:47,189 --> 01:51:44,639

have been able to do this

2770

01:51:48,629 --> 01:51:47,199

without you guys that i donated because

2771

01:51:51,910 --> 01:51:48,639

i coveted hit

2772

01:51:54,550 --> 01:51:51,920

my income went to near nothing and

2773

01:51:55,270 --> 01:51:54,560

uh i would not have wanted to ask my

2774

01:51:57,510 --> 01:51:55,280

wife or

2775

01:51:58,870 --> 01:51:57,520

you know my family to make sacrifices so

2776

01:52:02,229 --> 01:51:58,880

that i could do this

2777

01:52:05,109 --> 01:52:02,239

but luckily i saved my patreon pennies

2778

01:52:06,550 --> 01:52:05,119

and and did a a really good job on

2779

01:52:08,709 --> 01:52:06,560

purchasing some equipment

2780

01:52:09,669 --> 01:52:08,719

and software that we needed the backdrop

2781

01:52:11,189 --> 01:52:09,679

the lights

2782

01:52:13,109 --> 01:52:11,199

everything that i use here has been

2783

01:52:16,229 --> 01:52:13,119

generously provided by you

2784

01:52:18,390 --> 01:52:16,239

the viewers and that to me

2785

01:52:19,830 --> 01:52:18,400

it really it warms my heart that people

2786

01:52:21,109 --> 01:52:19,840

care enough that they're going to help

2787

01:52:23,830 --> 01:52:21,119

me to do this

2788

01:52:24,470 --> 01:52:23,840

and all of you are helping and and all

2789

01:52:27,430 --> 01:52:24,480

of you are

2790

01:52:31,350 --> 01:52:27,440

of course a part of this journey we're

2791

01:52:33,189 --> 01:52:31,360

all going to take it together

2792

01:52:35,669 --> 01:52:33,199

success design says here the links are

2793

01:52:36,470 --> 01:52:35,679

in the about section yeah that's how you

2794

01:52:41,030 --> 01:52:36,480

find

2795

01:52:43,990 --> 01:52:41,040

a way to send me some money friends

2796

01:52:45,189 --> 01:52:44,000

so friends uh i want to thank each and

2797

01:52:47,750 --> 01:52:45,199

every one of you

2798

01:52:49,589 --> 01:52:47,760

uh truly for joining us tonight i had a

2799

01:52:51,750 --> 01:52:49,599

great time tonight i got something off

2800

01:52:54,709 --> 01:52:51,760

my list this humana show

2801
01:52:56,310 --> 01:52:54,719
has been on my list for quite a while i

2802
01:52:58,950 --> 01:52:56,320
uh

2803
01:53:01,109 --> 01:52:58,960
it angers me every time somebody does

2804
01:53:01,830 --> 01:53:01,119
this with this mana story saying they

2805
01:53:04,070 --> 01:53:01,840
came from

2806
01:53:05,589 --> 01:53:04,080
you know ten thousand year old text or

2807
01:53:06,470 --> 01:53:05,599
two thousand year old text no they

2808
01:53:09,350 --> 01:53:06,480
didn't

2809
01:53:10,950 --> 01:53:09,360
and it bothers me and i think the public

2810
01:53:13,830 --> 01:53:10,960
should be educated

2811
01:53:14,790 --> 01:53:13,840
properly about what the actual source of

2812
01:53:17,109 --> 01:53:14,800
this information

2813
01:53:17,830 --> 01:53:17,119

is it's not from thousand-year-old text

2814

01:53:21,990 --> 01:53:17,840

it's from

2815

01:53:28,310 --> 01:53:23,669

i'm glad that we could get this off our

2816

01:53:28,320 --> 01:53:34,709

okay friends so find this

2817

01:53:40,950 --> 01:53:37,910

let me find this file that i need to uh

2818

01:53:41,589 --> 01:53:40,960

to bumper out the show until next time

2819

01:53:45,589 --> 01:53:41,599

friends

2820

01:53:49,430 --> 01:53:45,599

my name is stephen campion reminding you

2821

01:53:53,030 --> 01:53:49,440

that a lie is an illusion

2822

01:53:57,990 --> 01:53:53,040

and an illusion simply cannot last

2823

01:55:28,220 --> 01:54:48,990

[Music]
