

A red, muscular, hairy ape-like creature stands in a forest. The creature has a very muscular build, with a prominent chest and thick, shaggy fur. It has a somewhat human-like face with a wide, toothy grin. The creature is standing on all fours, with its arms slightly out to the sides. The background is a dark, dense forest with green foliage and a dark sky. The overall style is reminiscent of a comic book illustration.

**THE MYSTERY APEMAN...**

**GRANG PENDEK**

00:01:12,970 --> 00:00:41,280  
[Music]

2  
00:01:25,440 --> 00:01:12,980  
so

3  
00:02:01,190 --> 00:01:49,830  
[Music]

4  
00:02:04,870 --> 00:02:03,270  
welcome back my friends to truth seekers

5  
00:02:07,030 --> 00:02:04,880  
where we explore some of the

6  
00:02:07,990 --> 00:02:07,040  
strangest and most mysterious stories on

7  
00:02:09,669 --> 00:02:08,000  
planet earth

8  
00:02:11,910 --> 00:02:09,679  
tonight we'll be discussing the

9  
00:02:14,949 --> 00:02:11,920  
mysterious and legendary iran

10  
00:02:18,550 --> 00:02:14,959  
pending which is said to be

11  
00:02:21,510 --> 00:02:18,560  
an unknown species of ape man

12  
00:02:22,390 --> 00:02:21,520  
perhaps related to the legendary bigfoot

13  
00:02:25,589 --> 00:02:22,400

or yeti

14

00:02:28,630 --> 00:02:25,599

or sasquatch interestingly

15

00:02:31,430 --> 00:02:28,640

this eighth man

16

00:02:32,470 --> 00:02:31,440

is has been reported for thousands of

17

00:02:36,949 --> 00:02:32,480

years

18

00:02:41,110 --> 00:02:36,959

in sumatra and indonesia

19

00:02:44,229 --> 00:02:41,120

what that means is to me

20

00:02:48,070 --> 00:02:44,239

it means that it's interesting because

21

00:02:53,350 --> 00:02:51,350

native to indonesia and sumatra that is

22

00:02:54,949 --> 00:02:53,360

their native lands

23

00:02:56,550 --> 00:02:54,959

so i've always thought that the

24

00:03:00,470 --> 00:02:56,560

orangupendik might be

25

00:03:03,110 --> 00:03:00,480

a misidentified orangutan

26

00:03:04,390 --> 00:03:03,120

when people see these things walking

27

00:03:09,990 --> 00:03:04,400

upright in the forest

28

00:03:12,309 --> 00:03:10,000

it may be a unknown species of orangutan

29

00:03:13,670 --> 00:03:12,319

or excuse me it may simply be an

30

00:03:17,670 --> 00:03:13,680

orangutan

31

00:03:20,790 --> 00:03:17,680

who is walking upright and

32

00:03:22,790 --> 00:03:20,800

this has always fascinated me

33

00:03:24,470 --> 00:03:22,800

are people really seeing an unknown

34

00:03:27,270 --> 00:03:24,480

species of ape man

35

00:03:29,990 --> 00:03:27,280

the missing link a bigfoot like creature

36

00:03:33,350 --> 00:03:30,000

that walks upright like a human

37

00:03:36,470 --> 00:03:33,360

people have often said that uh

38

00:03:39,110 --> 00:03:36,480

they also rank pendick has

39

00:03:40,149 --> 00:03:39,120

different facial features it has very

40

00:03:42,710 --> 00:03:40,159

human-like

41

00:03:44,390 --> 00:03:42,720

facial features which i've always found

42

00:03:46,309 --> 00:03:44,400

fascinating

43

00:03:47,509 --> 00:03:46,319

i suppose that many people have seen

44

00:03:51,430 --> 00:03:47,519

these things very

45

00:03:54,789 --> 00:03:51,440

up close which uh

46

00:03:57,270 --> 00:03:54,799

really uh is fascinating

47

00:03:58,630 --> 00:03:57,280

people claim that they have a much more

48

00:04:05,750 --> 00:03:58,640

human-like

49

00:04:06,710 --> 00:04:05,760

less hairy uh slimmer nose and a much

50

00:04:09,670 --> 00:04:06,720

more human-like

51  
00:04:11,750 --> 00:04:09,680  
appearance so the three possibilities

52  
00:04:14,710 --> 00:04:11,760  
with the legendary

53  
00:04:15,110 --> 00:04:14,720  
myth or mystery of the iran appendix is

54  
00:04:18,349 --> 00:04:15,120  
that

55  
00:04:20,710 --> 00:04:18,359  
it is either a someone simply

56  
00:04:23,830 --> 00:04:20,720  
misidentifying an orangutan

57  
00:04:26,790 --> 00:04:23,840  
as uh as you know an

58  
00:04:27,189 --> 00:04:26,800  
unknown ape or unknown ape-like species

59  
00:04:30,629 --> 00:04:27,199  
or

60  
00:04:34,790 --> 00:04:30,639  
that it is actually an

61  
00:04:36,710 --> 00:04:34,800  
unknown ape man the third possibility is

62  
00:04:40,070 --> 00:04:36,720  
that it could very well be

63  
00:04:40,950 --> 00:04:40,080

an unknown subspecies or different

64

00:04:44,150 --> 00:04:40,960

species

65

00:04:44,950 --> 00:04:44,160

of an orangutan it's interesting to note

66

00:04:48,950 --> 00:04:44,960

that as earl

67

00:04:51,110 --> 00:04:48,960

as recently as 2017 and an entirely new

68

00:04:55,110 --> 00:04:51,120

species of great ape

69

00:04:56,310 --> 00:04:55,120

was discovered and that was in sumatra

70

00:04:59,670 --> 00:04:56,320

and that is called

71

00:05:04,310 --> 00:04:59,680

a tapanuli orangutan uh

72

00:05:07,670 --> 00:05:04,320

they look to me very similar to uh

73

00:05:09,590 --> 00:05:07,680

the orangutans that i grew up seeing but

74

00:05:11,110 --> 00:05:09,600

there are some distinct differences and

75

00:05:14,230 --> 00:05:11,120

it's interesting

76

00:05:17,749 --> 00:05:14,240

that an entire population of great ape

77

00:05:20,469 --> 00:05:17,759

has gone undiscovered until as recently

78

00:05:22,790 --> 00:05:20,479

as 2017

79

00:05:24,629 --> 00:05:22,800

for those uh skeptics who think there

80

00:05:26,310 --> 00:05:24,639

can't be something as large as a

81

00:05:27,749 --> 00:05:26,320

population of great apes out there

82

00:05:30,710 --> 00:05:27,759

that's undiscovered

83

00:05:33,189 --> 00:05:30,720

uh we have that example of an actual

84

00:05:33,710 --> 00:05:33,199

orangutan species that was undiscovered

85

00:05:37,189 --> 00:05:33,720

until

86

00:05:39,510 --> 00:05:37,199

2017 and also

87

00:05:41,110 --> 00:05:39,520

recently there have been a species

88

00:05:44,870 --> 00:05:41,120

called the billy ape

89

00:05:47,029 --> 00:05:44,880

uh which is basically a giant chimpanzee

90

00:05:48,070 --> 00:05:47,039

in that case it is a considered a

91

00:05:52,390 --> 00:05:48,080

subspecies

92

00:05:55,670 --> 00:05:52,400

of the main you know species of

93

00:05:58,070 --> 00:05:55,680

chimpanzees but there are distinct

94

00:05:59,110 --> 00:05:58,080

differences those billy apes that have

95

00:06:02,469 --> 00:05:59,120

been discovered

96

00:06:05,749 --> 00:06:02,479

you know in the early 2000s i believe

97

00:06:07,510 --> 00:06:05,759

those are huge in comparison to a

98

00:06:09,749 --> 00:06:07,520

regular chimpanzee and there was an

99

00:06:11,110 --> 00:06:09,759

entire population of them discovered in

100

00:06:15,830 --> 00:06:11,120

the congo

101  
00:06:22,870 --> 00:06:19,510  
so i wanted to see if uh these may be

102  
00:06:26,309 --> 00:06:22,880  
misidentified orangutans that are simply

103  
00:06:30,390 --> 00:06:26,319  
walking upright i found an example of

104  
00:06:33,430 --> 00:06:30,400  
uh the of an actual

105  
00:06:36,950 --> 00:06:33,440  
uh from a clip of orangutan island

106  
00:06:37,590 --> 00:06:36,960  
of orangutans walking upright and we're

107  
00:06:40,870 --> 00:06:37,600  
going to

108  
00:06:43,909 --> 00:06:40,880  
cite fair use we're educating the public

109  
00:06:46,070 --> 00:06:43,919  
let us take a look at this clip

110  
00:06:48,950 --> 00:06:46,080  
and watch what it looks like when you

111  
00:06:52,230 --> 00:06:48,960  
see an actual orangutan

112  
00:06:55,670 --> 00:06:52,240  
walking upright looks very similar

113  
00:06:57,670 --> 00:06:55,680

or could look very similar to uh

114

00:06:58,790 --> 00:06:57,680

what people are describing as the orang

115

00:07:02,950 --> 00:06:58,800

pendic

116

00:07:04,870 --> 00:07:02,960

let's take a watch friends jewels

117

00:07:08,070 --> 00:07:04,880

probably because of the influence of

118

00:07:10,150 --> 00:07:08,080

upright walking humans

119

00:07:12,320 --> 00:07:10,160

sometimes they knuckle walk like their

120

00:07:13,589 --> 00:07:12,330

chimpanzee cousins

121

00:07:16,070 --> 00:07:13,599

[Music]

122

00:07:17,790 --> 00:07:16,080

from time to time they walk upright like

123

00:07:26,790 --> 00:07:17,800

the humans who raise them

124

00:07:31,110 --> 00:07:28,950

and that looks a little freaky

125

00:07:31,749 --> 00:07:31,120

eight-year-old yayan is a particularly

126

00:07:36,309 --> 00:07:31,759

competent

127

00:07:40,070 --> 00:07:38,390

yayan arrived at the nyaru mantang

128

00:07:42,150 --> 00:07:40,080

orangutan rescue project

129

00:07:43,510 --> 00:07:42,160

after living as a family pet for two

130

00:07:45,670 --> 00:07:43,520

years

131

00:07:47,589 --> 00:07:45,680

she grew up imitating humans instead of

132

00:07:49,029 --> 00:07:47,599

her real mom

133

00:07:51,189 --> 00:07:49,039

it's interesting to note that many

134

00:07:54,390 --> 00:07:51,199

people take great apes as pets

135

00:07:57,189 --> 00:07:54,400

until they reach maturity

136

00:07:59,510 --> 00:07:57,199

or get too large because they are very

137

00:08:00,550 --> 00:07:59,520

very strong and powerful and they do not

138

00:08:03,990 --> 00:08:00,560

make good pets

139

00:08:05,589 --> 00:08:04,000

after they're a baby uh there's various

140

00:08:09,430 --> 00:08:05,599

examples of that most notably with

141

00:08:12,030 --> 00:08:11,110

she likes to get in a little quality

142

00:08:13,589 --> 00:08:12,040

power walking

143

00:08:21,749 --> 00:08:13,599

[Music]

144

00:08:24,950 --> 00:08:22,950

okay friends we're going to stop it

145

00:08:28,070 --> 00:08:24,960

there i just wanted to show

146

00:08:29,830 --> 00:08:28,080

a working example of what it looks like

147

00:08:32,630 --> 00:08:29,840

when an orangutan

148

00:08:33,509 --> 00:08:32,640

is walking upright and to me that looks

149

00:08:37,190 --> 00:08:33,519

uh

150

00:08:39,829 --> 00:08:37,200

particularly mysterious if i saw that

151  
00:08:41,190 --> 00:08:39,839  
thing walking upright like a person

152  
00:08:44,310 --> 00:08:41,200  
especially from a distance

153  
00:08:46,790 --> 00:08:44,320  
i might believe that i saw some unknown

154  
00:08:48,389 --> 00:08:46,800  
ape man or some mysterious creature

155  
00:08:50,710 --> 00:08:48,399  
instead of

156  
00:08:52,949 --> 00:08:50,720  
a very well known great ape the

157  
00:08:56,389 --> 00:08:52,959  
orangutan

158  
00:08:57,430 --> 00:08:56,399  
okay so i have an additional clip i'm

159  
00:08:59,590 --> 00:08:57,440  
going to uh

160  
00:09:00,550 --> 00:08:59,600  
site fair use and this is from nat geo

161  
00:09:02,870 --> 00:09:00,560  
tv

162  
00:09:04,150 --> 00:09:02,880  
uh and this is a person being

163  
00:09:07,430 --> 00:09:04,160

interviewed

164

00:09:09,910 --> 00:09:07,440

uh who was an eyewitness a local man who

165

00:09:13,350 --> 00:09:09,920

was an eyewitness to

166

00:09:16,470 --> 00:09:13,360

the iran pending it's very

167

00:09:19,030 --> 00:09:16,480

uh it's a mysterious thing this man

168

00:09:19,590 --> 00:09:19,040

basically claims that the arang that the

169

00:09:22,710 --> 00:09:19,600

arang

170

00:09:25,030 --> 00:09:22,720

pendick broke in his home to steal sugar

171

00:09:27,269 --> 00:09:25,040

and we have an interview with him that i

172

00:09:30,150 --> 00:09:27,279

found that i thought was very relevant

173

00:09:30,710 --> 00:09:30,160

so that we could see and hear from an

174

00:09:34,310 --> 00:09:30,720

actual

175

00:09:35,910 --> 00:09:34,320

eyewitness to the legendary iran pending

176  
00:09:37,509 --> 00:09:35,920  
again i'm going to cite fair use we're

177  
00:09:38,310 --> 00:09:37,519  
educating the public about this

178  
00:09:40,550 --> 00:09:38,320  
mysterious

179  
00:09:41,350 --> 00:09:40,560  
rank pending we'll be discussing the

180  
00:09:43,910 --> 00:09:41,360  
clip

181  
00:09:44,470 --> 00:09:43,920  
uh so uh again i'm going to cite fair

182  
00:09:47,350 --> 00:09:44,480  
use

183  
00:09:47,990 --> 00:09:47,360  
this is from thatgeo.com and this is an

184  
00:09:51,590 --> 00:09:48,000  
eight-man

185  
00:09:53,829 --> 00:09:51,600  
home invasion if you thought regular

186  
00:09:54,630 --> 00:09:53,839  
home invasions were scary imagine an ape

187  
00:09:57,350 --> 00:09:54,640  
man

188  
00:10:00,550 --> 00:09:57,360

breaking into your house uh let's watch

189

00:10:00,560 --> 00:10:16,870

i've gotta queued up here

190

00:10:19,590 --> 00:10:18,230

not only has he heard about the animal

191

00:10:21,030 --> 00:10:19,600

but he said in the ten years that he's

192

00:10:26,310 --> 00:10:21,040

lived here he's seen it twice when you

193

00:10:30,310 --> 00:10:28,710

wow so he's saying that the animal

194

00:10:32,870 --> 00:10:30,320

actually broke in

195

00:10:37,750 --> 00:10:32,880

right out of here and came in and i was

196

00:10:40,870 --> 00:10:39,269

i was saying that he got a really good

197

00:10:42,069 --> 00:10:40,880

look at the animal because when he heard

198

00:10:44,829 --> 00:10:42,079

something out here he

199

00:10:46,150 --> 00:10:44,839

you know kind of shined a flashlight on

200

00:10:47,509 --> 00:10:46,160

it

201  
00:10:51,110 --> 00:10:47,519  
you know i just wanted to mention though

202  
00:10:54,470 --> 00:10:51,120  
that he's in orangutan

203  
00:10:57,190 --> 00:10:54,480  
you know in in a place where there are

204  
00:10:58,870 --> 00:10:57,200  
uh you know a really good population of

205  
00:11:01,030 --> 00:10:58,880  
orangutans so again

206  
00:11:02,790 --> 00:11:01,040  
i still think that many people may be

207  
00:11:05,670 --> 00:11:02,800  
seeing regular orangutans

208  
00:11:07,509 --> 00:11:05,680  
and are mistaking them for something

209  
00:11:13,990 --> 00:11:07,519  
much more mysterious

210  
00:11:15,590 --> 00:11:14,000  
uh but let's continue

211  
00:11:25,509 --> 00:11:15,600  
what was it like when you saw it what

212  
00:11:28,790 --> 00:11:27,350  
so he's saying that uh when he first saw

213  
00:11:30,310 --> 00:11:28,800

it he jumped up he grabbed the spear he

214

00:11:31,890 --> 00:11:30,320

held it pointed it at the animal and the

215

00:11:34,389 --> 00:11:31,900

animal just took off and ran away

216

00:11:36,230 --> 00:11:34,399

[Music]

217

00:11:38,069 --> 00:11:36,240

it's really interesting to me that this

218

00:11:39,110 --> 00:11:38,079

creature would um first of all break

219

00:11:40,230 --> 00:11:39,120

into someone's house when there are

220

00:11:42,630 --> 00:11:40,240

people in here

221

00:11:44,870 --> 00:11:42,640

i mean most animals that i know of are

222

00:11:46,470 --> 00:11:44,880

trying to avoid humans at all cost

223

00:11:48,630 --> 00:11:46,480

and uh the other thing that really is

224

00:11:51,269 --> 00:11:48,640

striking is that it was at night

225

00:11:52,310 --> 00:11:51,279

um there's really no primates that i can

226

00:11:54,230 --> 00:11:52,320

think of

227

00:11:55,910 --> 00:11:54,240

certainly not around here and definitely

228

00:11:56,949 --> 00:11:55,920

none of the great apes that are active

229

00:11:58,550 --> 00:11:56,959

at night

230

00:12:00,470 --> 00:11:58,560

so what did it look like i just wanted

231

00:12:02,150 --> 00:12:00,480

to mention it could be that

232

00:12:04,389 --> 00:12:02,160

you know i'm experiencing some things at

233

00:12:06,470 --> 00:12:04,399

my cabin that don't make sense from a

234

00:12:07,590 --> 00:12:06,480

normal animal perspective like the deer

235

00:12:10,069 --> 00:12:07,600

will just walk

236

00:12:11,910 --> 00:12:10,079

right next to you the deer at my cabin

237

00:12:12,949 --> 00:12:11,920

will walk right up to you that is not a

238

00:12:16,310 --> 00:12:12,959

normal thing that an

239

00:12:18,389 --> 00:12:16,320

animal will do but maybe these creatures

240

00:12:21,430 --> 00:12:18,399

have become accustomed to

241

00:12:29,750 --> 00:12:21,440

humans and also realize that humans are

242

00:12:33,430 --> 00:12:32,389

very strong very strong wow he's saying

243

00:12:35,110 --> 00:12:33,440

that it's a

244

00:12:37,269 --> 00:12:35,120

very broad really you know kind of a

245

00:12:39,110 --> 00:12:37,279

wide strong looking animal but uh but

246

00:12:41,430 --> 00:12:39,120

short he's describing it as being

247

00:12:42,150 --> 00:12:41,440

just under about a meter tall so about

248

00:12:50,790 --> 00:12:42,160

three feet

249

00:12:54,230 --> 00:12:52,629

he's describing this animal as uh as

250

00:12:56,230 --> 00:12:54,240

walking on two legs he's saying that

251

00:12:57,910 --> 00:12:56,240

it's hands don't touch the floor

252

00:13:00,310 --> 00:12:57,920

i have some uh yeah and that's

253

00:13:04,150 --> 00:13:00,320

interesting because an orangutan

254

00:13:06,550 --> 00:13:04,160

usually they they walk on fours you know

255

00:13:11,430 --> 00:13:06,560

some colors in here could you show me

256

00:13:15,670 --> 00:13:14,389

oh very interesting all right tara

257

00:13:17,509 --> 00:13:15,680

makassi thank you

258

00:13:23,269 --> 00:13:17,519

does the does the face look like a ring

259

00:13:26,150 --> 00:13:24,550

so he's saying that the the face of the

260

00:13:26,550 --> 00:13:26,160

gibbon is a little bit like a ring pin

261

00:13:28,870 --> 00:13:26,560

deck

262

00:13:30,550 --> 00:13:28,880

but um it's much more pointed he said a

263

00:13:33,350 --> 00:13:30,560

ring pin deck is flatter and

264

00:13:34,790 --> 00:13:33,360

a lot more human-like does this face

265

00:13:36,870 --> 00:13:34,800

look more like a ring pin deck

266

00:13:41,829 --> 00:13:36,880

with uh with how flat it is and with the

267

00:13:45,110 --> 00:13:43,750

all right so he says uh you know it's

268

00:13:45,829 --> 00:13:45,120

getting getting a little bit closer

269

00:13:48,710 --> 00:13:45,839

there

270

00:13:50,230 --> 00:13:48,720

but the nose is nothing like uh the nose

271

00:13:51,910 --> 00:13:50,240

of a gorilla

272

00:13:54,389 --> 00:13:51,920

yeah normally they're described as

273

00:13:56,069 --> 00:13:54,399

having a thin nose like a person

274

00:13:59,350 --> 00:13:56,079

those of a ring pin deck is much more

275

00:14:03,829 --> 00:14:02,470

wow yeah that really gives me a very

276

00:14:04,710 --> 00:14:03,839

good description of this creature that

277

00:14:06,069 --> 00:14:04,720

he saw

278

00:14:07,670 --> 00:14:06,079

in the things that he's saying about the

279

00:14:08,310 --> 00:14:07,680

way that it carries itself and the way

280

00:14:11,350 --> 00:14:08,320

that the face

281

00:14:14,470 --> 00:14:11,360

looks it sounds like just a complete mix

282

00:14:15,350 --> 00:14:14,480

between great apes and humans which is

283

00:14:18,629 --> 00:14:15,360

so exciting

284

00:14:22,069 --> 00:14:18,639

and so unusual yeah very interesting

285

00:14:25,590 --> 00:14:22,079

uh that we have firsthand reports

286

00:14:27,509 --> 00:14:25,600

uh from the locals and there are many

287

00:14:29,030 --> 00:14:27,519

first-hand reports of locals who claim

288

00:14:32,629 --> 00:14:29,040

to have seen this

289

00:14:35,990 --> 00:14:32,639

iran pending several times

290

00:14:37,430 --> 00:14:36,000

really is an interesting thing

291

00:14:40,310 --> 00:14:37,440

the other thing that always strikes me

292

00:14:40,550 --> 00:14:40,320

is that i would think that the locals

293

00:14:43,590 --> 00:14:40,560

are

294

00:14:44,710 --> 00:14:43,600

used to seeing orangutans and would be

295

00:14:47,910 --> 00:14:44,720

able to just know

296

00:14:51,030 --> 00:14:47,920

that's an orangutan i mean it's like uh

297

00:14:52,470 --> 00:14:51,040

you know it's a very common thing in

298

00:14:55,910 --> 00:14:52,480

that area to see

299

00:14:59,590 --> 00:14:55,920

and uh you know even a troop

300

00:15:03,030 --> 00:14:59,600

or a group of orangutans uh you know

301  
00:15:06,310 --> 00:15:03,040  
moving together so

302  
00:15:08,629 --> 00:15:06,320  
the fact that someone who

303  
00:15:10,310 --> 00:15:08,639  
is used to seeing orangutans wouldn't

304  
00:15:13,030 --> 00:15:10,320  
know the difference between

305  
00:15:14,310 --> 00:15:13,040  
an orangutan and this so-called iran

306  
00:15:17,350 --> 00:15:14,320  
appendix

307  
00:15:19,110 --> 00:15:17,360  
it makes me very curious i would think

308  
00:15:22,069 --> 00:15:19,120  
that they would know the difference

309  
00:15:22,790 --> 00:15:22,079  
between a regular orangutan and

310  
00:15:26,150 --> 00:15:22,800  
something

311  
00:15:31,670 --> 00:15:26,160  
mysterious

312  
00:15:37,910 --> 00:15:35,430  
now i have another clip that is from uh

313  
00:15:40,230 --> 00:15:37,920

looks like uh discovery canada and this

314

00:15:42,150 --> 00:15:40,240

is about explorer adam davies

315

00:15:43,350 --> 00:15:42,160

if you watch a lot of documentaries

316

00:15:46,629 --> 00:15:43,360

about weird things

317

00:15:48,790 --> 00:15:46,639

and i do uh like bigfoot and

318

00:15:52,470 --> 00:15:48,800

cryptid creatures you might recognize

319

00:15:55,670 --> 00:15:52,480

this gentleman adam davies

320

00:15:57,749 --> 00:15:55,680

he is traveled uh the world

321

00:15:59,509 --> 00:15:57,759

uh looking for cryptic creatures he's

322

00:16:00,710 --> 00:15:59,519

been everywhere from south america

323

00:16:04,310 --> 00:16:00,720

looking for

324

00:16:05,350 --> 00:16:04,320

uh surviving dinosaurs people claim to

325

00:16:08,550 --> 00:16:05,360

see

326  
00:16:09,189 --> 00:16:08,560  
to sumatra in indonesia looking for this

327  
00:16:11,030 --> 00:16:09,199  
iran

328  
00:16:12,710 --> 00:16:11,040  
pending but his particular interest i

329  
00:16:16,230 --> 00:16:12,720  
believe really has been

330  
00:16:21,110 --> 00:16:16,240  
focused a lot on this rang pending

331  
00:16:24,389 --> 00:16:21,120  
so uh yeah we are going to cite fair use

332  
00:16:27,749 --> 00:16:24,399  
and again play this clip

333  
00:16:29,749 --> 00:16:27,759  
and again this is from uh it's ranked

334  
00:16:31,670 --> 00:16:29,759  
daily planet is the title of the video

335  
00:16:34,829 --> 00:16:31,680  
it's from discovery canada

336  
00:16:37,269 --> 00:16:34,839  
which is an educational

337  
00:16:38,389 --> 00:16:37,279  
educational channel i believe and i

338  
00:16:39,829 --> 00:16:38,399

don't

339

00:16:41,749 --> 00:16:39,839

think they would mind but i'm still

340

00:16:43,749 --> 00:16:41,759

going to cite fair use we'll be using

341

00:16:46,949 --> 00:16:43,759

this clip to educate the public

342

00:16:49,509 --> 00:16:46,959

and we'll be discussing the clip uh

343

00:16:50,949 --> 00:16:49,519

as we watch this i just wanted people to

344

00:16:53,189 --> 00:16:50,959

see what goes into

345

00:16:54,790 --> 00:16:53,199

some of these people that go and hunt

346

00:16:55,509 --> 00:16:54,800

these things some of these people that

347

00:16:58,470 --> 00:16:55,519

go out

348

00:16:59,670 --> 00:16:58,480

into the real world imagine that

349

00:17:02,230 --> 00:16:59,680

research

350

00:17:03,269 --> 00:17:02,240

by more than just the internet to his

351  
00:17:06,470 --> 00:17:03,279  
credit

352  
00:17:07,350 --> 00:17:06,480  
this person adam davies has made a

353  
00:17:09,429 --> 00:17:07,360  
career of

354  
00:17:11,189 --> 00:17:09,439  
actually going out into the field and

355  
00:17:12,870 --> 00:17:11,199  
looking for these things of trying to

356  
00:17:15,110 --> 00:17:12,880  
document them of trying to find

357  
00:17:16,230 --> 00:17:15,120  
proof of them so again we're going to

358  
00:17:19,669 --> 00:17:16,240  
cite fair use

359  
00:17:23,029 --> 00:17:19,679  
and we are going to uh take a look

360  
00:17:25,590 --> 00:17:23,039  
at what it takes to find

361  
00:17:29,590 --> 00:17:25,600  
these cryptid creatures let's watch

362  
00:17:32,950 --> 00:17:32,470  
one of the most significant discoveries

363  
00:17:37,029 --> 00:17:32,960

since

364

00:17:39,669 --> 00:17:37,039

the moon landing this is adam davies

365

00:17:40,549 --> 00:17:39,679

a cryptozoologist on a mission to prove

366

00:17:43,190 --> 00:17:40,559

that we don't know

367

00:17:44,870 --> 00:17:43,200

everything that's out there and i travel

368

00:17:45,750 --> 00:17:44,880

all over the world looking for unknown

369

00:17:48,230 --> 00:17:45,760

species

370

00:17:49,750 --> 00:17:48,240

so from the congo jungle looking for

371

00:17:52,150 --> 00:17:49,760

potential dinosaurs

372

00:17:53,750 --> 00:17:52,160

to mountains looking for yeti in nepal

373

00:17:55,029 --> 00:17:53,760

to here in california looking for the

374

00:17:57,430 --> 00:17:55,039

hodge monster

375

00:17:59,990 --> 00:17:57,440

and i try and find credible scientific

376

00:18:02,150 --> 00:18:00,000

evidence that these creatures exist

377

00:18:03,590 --> 00:18:02,160

as intrigue and i just wanted to mention

378

00:18:05,430 --> 00:18:03,600

that i've

379

00:18:07,510 --> 00:18:05,440

heard people make fun of this gentleman

380

00:18:08,789 --> 00:18:07,520

a lot you know he's going out there

381

00:18:09,990 --> 00:18:08,799

looking for these things that don't

382

00:18:12,390 --> 00:18:10,000

exist people say

383

00:18:14,390 --> 00:18:12,400

and other things but i think you got to

384

00:18:16,150 --> 00:18:14,400

give the guy credit because unlike a lot

385

00:18:18,310 --> 00:18:16,160

of people who do their research

386

00:18:19,750 --> 00:18:18,320

uh you know their armchair research in

387

00:18:21,190 --> 00:18:19,760

the comfort of their home

388

00:18:23,510 --> 00:18:21,200

and if it's not on the internet they

389

00:18:24,390 --> 00:18:23,520

can't find it at least he's out there in

390

00:18:25,990 --> 00:18:24,400

the real world

391

00:18:28,230 --> 00:18:26,000

trying to find the evidence of these

392

00:18:30,549 --> 00:18:28,240

things and prove or disprove them

393

00:18:33,110 --> 00:18:30,559

speaking as they are there's one

394

00:18:35,590 --> 00:18:33,120

creature that has had a hold on adam for

395

00:18:38,950 --> 00:18:35,600

years

396

00:18:42,710 --> 00:18:38,960

nope not king kong it's

397

00:18:44,470 --> 00:18:42,720

much much smaller

398

00:18:46,789 --> 00:18:44,480

what's so fascinating about the iran

399

00:18:47,590 --> 00:18:46,799

pandey is the mystery of exactly what it

400

00:18:48,870 --> 00:18:47,600

is

401  
00:18:50,950 --> 00:18:48,880  
people have been talking about the

402  
00:18:53,830 --> 00:18:50,960  
existence of the orangutan deck

403  
00:18:55,750 --> 00:18:53,840  
right back as far as marco polo the

404  
00:18:55,990 --> 00:18:55,760  
orang peng deck is often described as

405  
00:18:59,750 --> 00:18:56,000  
being

406  
00:19:00,710 --> 00:18:59,760  
about five foot to five and a half feet

407  
00:19:03,909 --> 00:19:00,720  
tall

408  
00:19:06,470 --> 00:19:03,919  
it's a small bipedal primate

409  
00:19:09,110 --> 00:19:06,480  
it's described as having a large torso

410  
00:19:12,230 --> 00:19:09,120  
with the physiology of a chimpanzee

411  
00:19:14,789 --> 00:19:12,240  
it ranges in colour from dark hair

412  
00:19:16,310 --> 00:19:14,799  
on its back to a lighter honey colored

413  
00:19:18,470 --> 00:19:16,320

it's an omnivorous

414

00:19:20,390 --> 00:19:18,480

opportunistic feeder so what i yeah

415

00:19:21,029 --> 00:19:20,400

opportunistic fear there are various

416

00:19:23,110 --> 00:19:21,039

reports

417

00:19:24,150 --> 00:19:23,120

of one of these creatures entering

418

00:19:28,789 --> 00:19:24,160

village

419

00:19:31,830 --> 00:19:28,799

found multiple sources

420

00:19:34,070 --> 00:19:31,840

of reports of the uranus pen deck

421

00:19:35,830 --> 00:19:34,080

sort of raiding a village and getting

422

00:19:38,549 --> 00:19:35,840

away with whatever food it could

423

00:19:39,830 --> 00:19:38,559

from the local humans which may explain

424

00:19:42,789 --> 00:19:39,840

many of these sightings

425

00:19:44,789 --> 00:19:42,799

perhaps they are opportunistic feeders

426  
00:19:47,029 --> 00:19:44,799  
they've learned that humans have food

427  
00:19:49,270 --> 00:19:47,039  
and they can go and take food from

428  
00:19:51,029 --> 00:19:49,280  
humans so if there is not a lot of fruit

429  
00:19:53,110 --> 00:19:51,039  
in the forest at that time or they're

430  
00:19:54,870 --> 00:19:53,120  
not finding a lot of food sources

431  
00:19:57,350 --> 00:19:54,880  
it's very common to hear reports of an

432  
00:20:00,070 --> 00:19:57,360  
orangutan coming into a human village

433  
00:20:02,950 --> 00:20:00,080  
and taking food i mean by that is that

434  
00:20:05,270 --> 00:20:02,960  
it snacks as it moves through the forest

435  
00:20:06,390 --> 00:20:05,280  
but what really strikes people at two

436  
00:20:08,630 --> 00:20:06,400  
particular things

437  
00:20:09,909 --> 00:20:08,640  
first of all the human-like face and

438  
00:20:13,350 --> 00:20:09,919

most particularly

439

00:20:15,830 --> 00:20:13,360

the fact that it walks like a map

440

00:20:16,549 --> 00:20:15,840

adam knows this thanks to this massive

441

00:20:18,710 --> 00:20:16,559

collection

442

00:20:20,310 --> 00:20:18,720

of footprint castings what's unique

443

00:20:22,630 --> 00:20:20,320

about this well it

444

00:20:24,310 --> 00:20:22,640

it's very different to say a human foot

445

00:20:26,310 --> 00:20:24,320

or an orangufoot

446

00:20:28,630 --> 00:20:26,320

humans and orangutans for example have

447

00:20:30,070 --> 00:20:28,640

very long toes in contrast to the short

448

00:20:33,830 --> 00:20:30,080

toes of this creature

449

00:20:37,110 --> 00:20:33,840

the big toe is divergent that's away

450

00:20:38,950 --> 00:20:37,120

from the main body of the foot in fact

451  
00:20:40,230 --> 00:20:38,960  
this particular cast has actual leaf

452  
00:20:42,950 --> 00:20:40,240  
prints on it

453  
00:20:44,230 --> 00:20:42,960  
to keep a grip on this arang reality

454  
00:20:46,950 --> 00:20:44,240  
he's tried to travel

455  
00:20:48,230 --> 00:20:46,960  
in their footsteps yeah i just wanted to

456  
00:20:50,149 --> 00:20:48,240  
mention that i've seen a separate

457  
00:20:51,830 --> 00:20:50,159  
documentary with this gentleman

458  
00:20:53,270 --> 00:20:51,840  
where a primatologist looks at his

459  
00:20:56,630 --> 00:20:53,280  
castings and

460  
00:20:58,950 --> 00:20:56,640  
said uh that there were anatomical

461  
00:20:59,430 --> 00:20:58,960  
features that would be very difficult to

462  
00:21:01,590 --> 00:20:59,440  
fake

463  
00:21:04,070 --> 00:21:01,600

in a in a footprint if you were going to

464

00:21:07,029 --> 00:21:04,080

try to hoax a footprint from this thing

465

00:21:08,070 --> 00:21:07,039

the divergent toe does not exist it

466

00:21:10,950 --> 00:21:08,080

doesn't match

467

00:21:12,950 --> 00:21:10,960

an actual orangutan which kind of blows

468

00:21:15,430 --> 00:21:12,960

my theory that these are misidentified

469

00:21:16,950 --> 00:21:15,440

orangutan sightings

470

00:21:19,110 --> 00:21:16,960

but it is what it is we have

471

00:21:21,430 --> 00:21:19,120

primatologists that have studied his

472

00:21:22,230 --> 00:21:21,440

his so-called footprint evidence and

473

00:21:25,110 --> 00:21:22,240

said

474

00:21:27,110 --> 00:21:25,120

these appear to be real these appear to

475

00:21:30,470 --> 00:21:27,120

be footprints made by a real

476  
00:21:30,950 --> 00:21:30,480  
animal there's there's ridges and other

477  
00:21:33,669 --> 00:21:30,960  
things

478  
00:21:36,470 --> 00:21:33,679  
on the casks that are very very would be

479  
00:21:38,630 --> 00:21:36,480  
very very difficult to fake

480  
00:21:40,630 --> 00:21:38,640  
i've been on expeditions and

481  
00:21:41,830 --> 00:21:40,640  
investigations to indonesia some eight

482  
00:21:44,070 --> 00:21:41,840  
times now

483  
00:21:45,669 --> 00:21:44,080  
i've not personally seen one i've been

484  
00:21:47,669 --> 00:21:45,679  
very close to one

485  
00:21:49,909 --> 00:21:47,679  
i was with four people in the jungle and

486  
00:21:52,070 --> 00:21:49,919  
we heard a rustling noise in the jungle

487  
00:21:53,590 --> 00:21:52,080  
and two of us split one way and two of

488  
00:21:55,350 --> 00:21:53,600

us split the other

489

00:21:57,990 --> 00:21:55,360

and the two guys that were there they

490

00:21:59,750 --> 00:21:58,000

actually saw it they described how the

491

00:22:01,430 --> 00:21:59,760

orangutan deck had pushed itself up

492

00:22:01,909 --> 00:22:01,440

against the tree and its eyes were like

493

00:22:03,190 --> 00:22:01,919

that

494

00:22:05,270 --> 00:22:03,200

moving away first of all it tried to

495

00:22:07,590 --> 00:22:05,280

camouflage itself against the tree

496

00:22:08,310 --> 00:22:07,600

and then as they were looking at it it

497

00:22:11,669 --> 00:22:08,320

shut off

498

00:22:13,029 --> 00:22:11,679

very quickly still that's not enough for

499

00:22:14,630 --> 00:22:13,039

the skeptics

500

00:22:16,390 --> 00:22:14,640

i can understand that people might be

501  
00:22:19,190 --> 00:22:16,400  
skeptical about this

502  
00:22:20,390 --> 00:22:19,200  
you can be skeptical i am not presenting

503  
00:22:22,870 --> 00:22:20,400  
hypotheses

504  
00:22:24,310 --> 00:22:22,880  
without tangible scientific evidence

505  
00:22:25,190 --> 00:22:24,320  
it's important that we have critical

506  
00:22:26,549 --> 00:22:25,200  
analysis

507  
00:22:27,990 --> 00:22:26,559  
yeah and i just wanted to mention that

508  
00:22:29,270 --> 00:22:28,000  
this gentleman has the largest

509  
00:22:32,789 --> 00:22:29,280  
collection of a rank

510  
00:22:35,830 --> 00:22:32,799  
of barang pendic so-called

511  
00:22:36,950 --> 00:22:35,840  
track evidence of anyone in the world i

512  
00:22:39,590 --> 00:22:36,960  
guess he's done more

513  
00:22:39,990 --> 00:22:39,600

work in the field so he's been able to

514

00:22:41,669 --> 00:22:40,000

collect

515

00:22:43,190 --> 00:22:41,679

more than any other person that i'm

516

00:22:45,270 --> 00:22:43,200

aware of

517

00:22:46,310 --> 00:22:45,280

it's also interesting to note that the

518

00:22:49,190 --> 00:22:46,320

tracks that he

519

00:22:50,149 --> 00:22:49,200

collects sort of match each other they

520

00:22:52,630 --> 00:22:50,159

have similar

521

00:22:55,190 --> 00:22:52,640

features they're not just you know

522

00:22:57,190 --> 00:22:55,200

misidentified other animal prince

523

00:22:59,029 --> 00:22:57,200

and to me that's very compelling why is

524

00:23:02,789 --> 00:22:59,039

he able to find

525

00:23:06,230 --> 00:23:02,799

similar prints of an unknown ape species

526  
00:23:07,990 --> 00:23:06,240  
in this area uh so often and why does he

527  
00:23:08,390 --> 00:23:08,000  
have such a large collection of them and

528  
00:23:10,950 --> 00:23:08,400  
they

529  
00:23:12,310 --> 00:23:10,960  
somewhat anatomically match or very

530  
00:23:15,909 --> 00:23:12,320  
closely match

531  
00:23:17,990 --> 00:23:15,919  
each other and he's getting closer

532  
00:23:19,750 --> 00:23:18,000  
we found some hairs which were

533  
00:23:22,470 --> 00:23:19,760  
potentially from the orang pen deck

534  
00:23:23,350 --> 00:23:22,480  
we looked at the hair structures and

535  
00:23:26,230 --> 00:23:23,360  
what he did was

536  
00:23:27,990 --> 00:23:26,240  
is compared the hair with all the known

537  
00:23:30,230 --> 00:23:28,000  
species that are indigenous to that

538  
00:23:31,990 --> 00:23:30,240

particular area and some ones that are

539

00:23:35,029 --> 00:23:32,000

he concluded that was from an unknown

540

00:23:36,549 --> 00:23:35,039

species we were not able to extract dna

541

00:23:38,549 --> 00:23:36,559

from those particular hair samples

542

00:23:41,430 --> 00:23:38,559

unfortunately

543

00:23:42,630 --> 00:23:41,440

but hopefully we'll be able to do that

544

00:23:45,190 --> 00:23:42,640

again in the future

545

00:23:45,750 --> 00:23:45,200

i'd be very interested in seeing a dna

546

00:23:47,830 --> 00:23:45,760

study

547

00:23:48,789 --> 00:23:47,840

if they can get a hair and actually

548

00:23:52,950 --> 00:23:48,799

extract

549

00:23:55,590 --> 00:23:52,960

dna evidence i mean if they could

550

00:23:56,549 --> 00:23:55,600

go through the dna if they could extract

551  
00:23:58,310 --> 00:23:56,559  
the dna from

552  
00:23:59,990 --> 00:23:58,320  
a hair sample that's supposed to be from

553  
00:24:01,669 --> 00:24:00,000  
an orangupendix they should be able to

554  
00:24:04,390 --> 00:24:01,679  
compare it to all known

555  
00:24:06,149 --> 00:24:04,400  
ape species and to humans and see the

556  
00:24:09,350 --> 00:24:06,159  
differences in the genomes

557  
00:24:11,590 --> 00:24:09,360  
and chromosomes etc

558  
00:24:12,470 --> 00:24:11,600  
adam will not give up on the arang

559  
00:24:14,870 --> 00:24:12,480  
pendek

560  
00:24:15,990 --> 00:24:14,880  
he knows it's just one of the many

561  
00:24:18,070 --> 00:24:16,000  
creatures out there

562  
00:24:19,750 --> 00:24:18,080  
so far we've got prince we've got hair

563  
00:24:22,789 --> 00:24:19,760

that's been looked at for the structure

564

00:24:25,029 --> 00:24:22,799

but we haven't yet got um significant

565

00:24:25,909 --> 00:24:25,039

quantities of dna where we can analyze

566

00:24:28,470 --> 00:24:25,919

that properly

567

00:24:29,990 --> 00:24:28,480

so what i'm after ideally is the dna i

568

00:24:33,110 --> 00:24:30,000

think that's the most important thing

569

00:24:34,950 --> 00:24:33,120

and maybe some good visual shots as well

570

00:24:36,950 --> 00:24:34,960

what i think i've done with my research

571

00:24:39,830 --> 00:24:36,960

and the research of competence others

572

00:24:41,510 --> 00:24:39,840

before me is to push the story forward

573

00:24:44,830 --> 00:24:41,520

yeah it seems to me that there is

574

00:24:48,149 --> 00:24:44,840

a real sort of shortage of actual

575

00:24:50,070 --> 00:24:48,159

video uh or photographic evidence of

576

00:24:50,950 --> 00:24:50,080

this arrangement whereas with the

577

00:24:54,070 --> 00:24:50,960

bigfoot

578

00:24:57,029 --> 00:24:54,080

and sasquatch and even yeti and other

579

00:24:58,830 --> 00:24:57,039

you know the skunk ape and other ape-man

580

00:25:01,750 --> 00:24:58,840

species we have a lot more

581

00:25:03,269 --> 00:25:01,760

photographic i'll say alleged

582

00:25:05,590 --> 00:25:03,279

photographic evidence

583

00:25:06,870 --> 00:25:05,600

a lot of it is hoaxed however there's a

584

00:25:08,549 --> 00:25:06,880

shortage you won't find

585

00:25:11,269 --> 00:25:08,559

pictures of an iran pending that

586

00:25:13,350 --> 00:25:11,279

somebody took very hopeful that one day

587

00:25:15,190 --> 00:25:13,360

i'll be involved in some way about

588

00:25:16,789 --> 00:25:15,200

proving these things existence

589

00:25:19,029 --> 00:25:16,799

i just have to keep my fingers crossed

590

00:25:21,029 --> 00:25:19,039

and i hope i'm working

591

00:25:22,470 --> 00:25:21,039

yeah and i for one wish that gentleman

592

00:25:25,750 --> 00:25:22,480

the best of luck because

593

00:25:27,590 --> 00:25:25,760

so it's got to be it's got to be sort of

594

00:25:28,070 --> 00:25:27,600

a fool's mission to go out there and try

595

00:25:31,269 --> 00:25:28,080

to find

596

00:25:33,909 --> 00:25:31,279

these things people uh you know have

597

00:25:36,390 --> 00:25:33,919

made fun of this gentleman and

598

00:25:37,830 --> 00:25:36,400

yeah it's a shame but you know the guy's

599

00:25:39,029 --> 00:25:37,840

very passionate i'll give him that

600

00:25:41,269 --> 00:25:39,039

because i've seen him on

601  
00:25:42,070 --> 00:25:41,279  
many different documentaries he sort of

602  
00:25:45,430 --> 00:25:42,080  
did a lecture

603  
00:25:45,830 --> 00:25:45,440  
tour or several lecture tours uh you

604  
00:25:49,909 --> 00:25:45,840  
know

605  
00:25:53,590 --> 00:25:49,919  
at bigfoot sort of conferences and

606  
00:25:56,390 --> 00:25:53,600  
you know the uh he sort of does that

607  
00:25:58,070 --> 00:25:56,400  
uh here's a weird lecture about a very

608  
00:25:59,750 --> 00:25:58,080  
strange subject and you've got to give

609  
00:26:00,710 --> 00:25:59,760  
the guy credit for actually going out

610  
00:26:03,669 --> 00:26:00,720  
there

611  
00:26:05,750 --> 00:26:03,679  
uh i'm i'm supposing at his own expense

612  
00:26:08,950 --> 00:26:05,760  
looking for this thing the iran

613  
00:26:11,590 --> 00:26:08,960

pending so

614

00:26:13,990 --> 00:26:11,600

i have one last clip to share friends

615

00:26:17,110 --> 00:26:14,000

and that would be the money shot

616

00:26:18,230 --> 00:26:17,120

some time ago uh a video was posted on

617

00:26:21,269 --> 00:26:18,240

the internet

618

00:26:22,870 --> 00:26:21,279

and the cryptozoology sort of community

619

00:26:25,909 --> 00:26:22,880

went crazy

620

00:26:29,029 --> 00:26:25,919

and uh very excited about this video

621

00:26:32,549 --> 00:26:29,039

claiming that it was a rang pending

622

00:26:35,029 --> 00:26:32,559

uh i'm unconvinced and but still

623

00:26:36,390 --> 00:26:35,039

i thought it'd be very relevant to see

624

00:26:38,390 --> 00:26:36,400

what is perhaps

625

00:26:39,669 --> 00:26:38,400

what people claim is the best

626

00:26:42,789 --> 00:26:39,679

photographic film

627

00:26:45,669 --> 00:26:42,799

evidence of an orang pendic

628

00:26:46,549 --> 00:26:45,679

this clip is not very well known i have

629

00:26:49,750 --> 00:26:46,559

not seen

630

00:26:52,950 --> 00:26:49,760

this clip many places just

631

00:26:56,070 --> 00:26:52,960

really bigfoot websites

632

00:26:59,350 --> 00:26:56,080

and places where people are very uh

633

00:27:01,750 --> 00:26:59,360

sort of plugged in to encrypted

634

00:27:05,029 --> 00:27:01,760

creatures have i seen this

635

00:27:06,230 --> 00:27:05,039

and it's just interesting this was

636

00:27:10,390 --> 00:27:06,240

posted in march

637

00:27:14,070 --> 00:27:10,400

22nd 2017 near as i can tell

638

00:27:17,190 --> 00:27:14,080

uh let me queue it up and this is

639

00:27:20,950 --> 00:27:17,200

supposedly taken in indonesia

640

00:27:23,029 --> 00:27:20,960

uh by some people who were biking

641

00:27:24,070 --> 00:27:23,039

it's a really strange clip but we're

642

00:27:27,110 --> 00:27:24,080

going to uh

643

00:27:28,789 --> 00:27:27,120

we're going to cite fair use i'm not

644

00:27:31,590 --> 00:27:28,799

sure if it's copyrighted but

645

00:27:33,110 --> 00:27:31,600

again we're citing fair use we're

646

00:27:35,590 --> 00:27:33,120

educating the public about this

647

00:27:37,669 --> 00:27:35,600

mysterious creature the arank pendic

648

00:27:38,870 --> 00:27:37,679

we'll be discussing the clip and also

649

00:27:42,070 --> 00:27:38,880

i'm going to show

650

00:27:46,149 --> 00:27:42,080

some stills that i took from

651  
00:27:48,310 --> 00:27:46,159  
uh this this film i did some work on

652  
00:27:51,909 --> 00:27:48,320  
trying to take stills of the creature

653  
00:27:54,950 --> 00:27:51,919  
and zoom in and enhance it um

654  
00:27:57,190 --> 00:27:54,960  
i'm not an expert at that but i did my

655  
00:27:59,830 --> 00:27:57,200  
best to see if i could show my viewers

656  
00:28:00,870 --> 00:27:59,840  
a little clearer image of the actual

657  
00:28:02,710 --> 00:28:00,880  
creature

658  
00:28:05,269 --> 00:28:02,720  
it's very difficult to see in this and

659  
00:28:08,310 --> 00:28:05,279  
it's very small in a huge frame

660  
00:28:09,990 --> 00:28:08,320  
you know but i wanted to do my due

661  
00:28:12,070 --> 00:28:10,000  
diligence to see if i could bring

662  
00:28:13,909 --> 00:28:12,080  
out a little more detail of the creature

663  
00:28:16,230 --> 00:28:13,919

to see if we could

664

00:28:17,110 --> 00:28:16,240

you know see if we could if we could

665

00:28:20,310 --> 00:28:17,120

really

666

00:28:22,070 --> 00:28:20,320

get to see the creature in more detail

667

00:28:23,669 --> 00:28:22,080

so again i'm going to cite fair use this

668

00:28:25,830 --> 00:28:23,679

will be our last clip but then i have

669

00:28:28,389 --> 00:28:25,840

one other piece to show you which is the

670

00:28:30,470 --> 00:28:28,399

enhanced photo and maybe we could take a

671

00:28:31,750 --> 00:28:30,480

look at the uh

672

00:28:33,590 --> 00:28:31,760

i'm not sure it's going to work but i

673

00:28:35,510 --> 00:28:33,600

have the video loaded into a video

674

00:28:36,870 --> 00:28:35,520

editor where we can look at this thing

675

00:28:40,149 --> 00:28:36,880

frame by frame

676

00:28:42,070 --> 00:28:40,159

it's very interesting film uh and uh

677

00:28:43,909 --> 00:28:42,080

it's one of those what did i just see

678

00:28:44,470 --> 00:28:43,919

you know you see some of these weird

679

00:28:46,710 --> 00:28:44,480

things

680

00:28:47,669 --> 00:28:46,720

on the internet and you go what is it

681

00:28:49,990 --> 00:28:47,679

that i just saw

682

00:28:51,110 --> 00:28:50,000

this is kind of strange this is kind of

683

00:28:54,789 --> 00:28:51,120

crazy

684

00:28:57,190 --> 00:28:54,799

uh so we're going to cite fair use and

685

00:28:58,710 --> 00:28:57,200

this is from actually from i believe

686

00:29:01,430 --> 00:28:58,720

it's like a photographer

687

00:29:02,230 --> 00:29:01,440

in indonesia called fredography is who

688

00:29:07,269 --> 00:29:02,240

got

689

00:29:09,669 --> 00:29:07,279

footage from someone else and posted it

690

00:29:11,350 --> 00:29:09,679

um but again we're going to cite fair

691

00:29:12,870 --> 00:29:11,360

use we're educating the public about

692

00:29:14,389 --> 00:29:12,880

this mysterious creature this is

693

00:29:17,029 --> 00:29:14,399

supposed to be

694

00:29:18,470 --> 00:29:17,039

a film of the actual rank pendick

695

00:29:21,750 --> 00:29:18,480

running

696

00:29:25,190 --> 00:29:21,760

these bikers

697

00:29:29,750 --> 00:29:25,200

and then running into some tall

698

00:29:31,990 --> 00:29:29,760

grass so let's

699

00:29:33,269 --> 00:29:32,000

let's see the money shot friends let's

700

00:29:40,410 --> 00:29:33,279

look at this and it's

701  
00:29:44,789 --> 00:29:42,470

[Music]

702  
00:29:45,909 --> 00:29:44,799  
which i believe is indonesian but they

703  
00:29:48,950 --> 00:29:45,919  
definitely mentioned

704  
00:29:52,230 --> 00:29:48,960  
this is a rank pendick uh

705  
00:30:01,110 --> 00:29:52,240  
yeah so let's see the money shot friends

706  
00:30:04,549 --> 00:30:03,190  
i'm gonna play this uninterrupted we're

707  
00:30:08,710 --> 00:30:04,559  
gonna be able to

708  
00:30:12,230 --> 00:30:08,720  
dissect it a little more

709  
00:30:13,669 --> 00:30:12,240  
you see creature running away

710  
00:30:17,909 --> 00:30:13,679  
somebody decides they're going to chase

711  
00:30:23,029 --> 00:30:19,269  
and there the creature ran into the

712  
00:30:25,190 --> 00:30:23,039  
woods ran into these tall grasses

713  
00:30:27,190 --> 00:30:25,200

and the rest of the clip is the rest of

714

00:30:29,909 --> 00:30:27,200

the bikers arriving

715

00:30:34,830 --> 00:30:29,919

and they go looking for this thing and

716

00:30:37,750 --> 00:30:36,389

anything

717

00:30:39,590 --> 00:30:37,760

we're going to play this whole clip one

718

00:30:41,430 --> 00:30:39,600

more time

719

00:30:43,510 --> 00:30:41,440

again fair use we're educating the

720

00:30:45,269 --> 00:30:43,520

public about this iran appendix this

721

00:30:46,870 --> 00:30:45,279

mysterious creature

722

00:30:51,190 --> 00:30:46,880

here is running away it's interesting to

723

00:30:52,630 --> 00:30:51,200

note it's carrying a spear

724

00:30:58,950 --> 00:30:52,640

and again this gentleman decides he's

725

00:31:08,950 --> 00:31:02,230

and here we have it friends is this

726  
00:31:12,710 --> 00:31:10,389  
and here again they're going to go into

727  
00:31:14,310 --> 00:31:12,720  
the reeds here and look for this

728  
00:31:18,149 --> 00:31:14,320  
creature

729  
00:31:21,750 --> 00:31:18,159  
they don't find anything

730  
00:31:25,430 --> 00:31:21,760  
very interesting very interesting clip

731  
00:31:29,830 --> 00:31:25,440  
um i wanted to see if i could

732  
00:31:31,590 --> 00:31:29,840  
uh if i could isolate the creature

733  
00:31:34,070 --> 00:31:31,600  
you know i'm not an expert at this but i

734  
00:31:35,430 --> 00:31:34,080  
tried my best i'm not quite sure

735  
00:31:39,909 --> 00:31:35,440  
if this is going to work but we're going

736  
00:31:47,110 --> 00:31:42,950  
and no it's not letting me share

737  
00:31:53,430 --> 00:31:47,120  
an image viewer sure why

738  
00:31:59,350 --> 00:31:56,789

all right well what we're going to do is

739

00:32:01,509 --> 00:31:59,360

instead we're going to share my video

740

00:32:04,149 --> 00:32:01,519

editor if it lets me

741

00:32:05,190 --> 00:32:04,159

and there we go and here we can see

742

00:32:11,509 --> 00:32:05,200

perhaps

743

00:32:17,830 --> 00:32:14,630

okay so here we can go

744

00:32:23,350 --> 00:32:17,840

and look at this

745

00:32:27,110 --> 00:32:25,430

and again it's it's difficult to see the

746

00:32:30,789 --> 00:32:27,120

creature the sun is in the

747

00:32:32,789 --> 00:32:30,799

in the foreground there in the front

748

00:32:34,710 --> 00:32:32,799

it's somewhat obscuring the creature

749

00:32:36,870 --> 00:32:34,720

which uh

750

00:32:38,630 --> 00:32:36,880

which gives me pause because if you're

751  
00:32:40,549 --> 00:32:38,640  
going to fake something you want to

752  
00:32:41,990 --> 00:32:40,559  
you definitely want to obscure the view

753  
00:32:46,070 --> 00:32:42,000  
of it and here

754  
00:32:48,389 --> 00:32:46,080  
as he turns the corner again we're gonna

755  
00:32:50,310 --> 00:32:48,399  
i'm just advancing this frame by frame

756  
00:32:53,990 --> 00:32:50,320  
so that maybe we can get a better look

757  
00:33:01,590 --> 00:32:57,350  
as he turns the corner

758  
00:33:09,029 --> 00:33:04,230  
and again it looks like a little

759  
00:33:16,789 --> 00:33:13,830  
now i know one way that we could uh

760  
00:33:19,990 --> 00:33:16,799  
sort of uh we're going to zoom in on

761  
00:33:24,149 --> 00:33:21,669  
and again the creature is going to run

762  
00:33:26,710 --> 00:33:24,159  
and then it goes into these

763  
00:33:27,990 --> 00:33:26,720

tall grass and i want you to take

764

00:33:29,750 --> 00:33:28,000

particular note of something when it

765

00:33:31,190 --> 00:33:29,760

goes into the grass it appears that the

766

00:33:36,230 --> 00:33:31,200

grass does not move

767

00:33:39,430 --> 00:33:36,240

at all which that's problematic for me

768

00:33:41,830 --> 00:33:39,440

again i'll back that up you see when the

769

00:33:43,990 --> 00:33:41,840

creature goes into the grass

770

00:33:45,830 --> 00:33:44,000

there appears to be no movement of the

771

00:33:47,990 --> 00:33:45,840

grass he just

772

00:33:49,110 --> 00:33:48,000

it just disappears right into the grass

773

00:33:52,789 --> 00:33:49,120

that's there

774

00:33:55,110 --> 00:33:52,799

that to me it's green cgi or digitally

775

00:33:56,630 --> 00:33:55,120

created and there's some other

776

00:34:04,789 --> 00:33:56,640

indicators that that may

777

00:34:04,799 --> 00:34:09,030

stop sharing

778

00:34:13,589 --> 00:34:11,510

there we go uh there's one other way

779

00:34:17,510 --> 00:34:13,599

that i can try to play these uh

780

00:34:21,349 --> 00:34:20,310

i sent myself for some reason streamyard

781

00:34:24,869 --> 00:34:21,359

does not let

782

00:34:28,869 --> 00:34:24,879

like you uh sharing

783

00:34:31,909 --> 00:34:28,879

some apps it just won't let you so uh

784

00:34:34,869 --> 00:34:31,919

knowing that i took the time to to email

785

00:34:37,990 --> 00:34:34,879

myself this so we could at least

786

00:34:40,149 --> 00:34:38,000

look at it from my from a browser tab

787

00:34:41,750 --> 00:34:40,159

streamer has no problem sharing browser

788

00:34:54,710 --> 00:34:41,760

tabs so let's

789

00:34:54,720 --> 00:35:00,710

one second

790

00:35:05,670 --> 00:35:03,589

make sure i'm getting the right one

791

00:35:06,710 --> 00:35:05,680

right appendix zoom screenshots here we

792

00:35:09,030 --> 00:35:06,720

are

793

00:35:10,230 --> 00:35:09,040

and you know i did the best i could

794

00:35:13,349 --> 00:35:10,240

basically i took

795

00:35:14,550 --> 00:35:13,359

the uh i just there's not much there's

796

00:35:16,390 --> 00:35:14,560

not many pixels

797

00:35:18,710 --> 00:35:16,400

in this video it's not very high quality

798

00:35:21,510 --> 00:35:18,720

so i took some shots

799

00:35:23,190 --> 00:35:21,520

and zoomed in and then tried to alter

800

00:35:26,069 --> 00:35:23,200

the contrast

801  
00:35:27,750 --> 00:35:26,079  
uh so that you know we could get a

802  
00:35:30,470 --> 00:35:27,760  
better view

803  
00:35:32,630 --> 00:35:30,480  
of the actual creature that we see in

804  
00:35:36,870 --> 00:35:32,640  
there and here is one

805  
00:35:39,990 --> 00:35:36,880  
uh one of those shots i'm not quite sure

806  
00:35:41,190 --> 00:35:40,000  
how well you could see this let's try to

807  
00:35:44,230 --> 00:35:41,200  
zoom in

808  
00:35:46,230 --> 00:35:44,240  
there we are there's really no

809  
00:35:49,109 --> 00:35:46,240  
definition to the creature which

810  
00:35:49,430 --> 00:35:49,119  
again gives me and here we see the spear

811  
00:35:53,670 --> 00:35:49,440  
it's

812  
00:35:55,670 --> 00:35:53,680  
with a spear

813  
00:35:57,910 --> 00:35:55,680

it looks to me like it has a loincloth

814

00:35:59,190 --> 00:35:57,920

on which seems funny to me and ape would

815

00:36:01,270 --> 00:35:59,200

not be wearing

816

00:36:03,430 --> 00:36:01,280

an unknown species of ape would most

817

00:36:04,950 --> 00:36:03,440

likely not be wearing a loincloth at

818

00:36:06,870 --> 00:36:04,960

least i don't think so

819

00:36:09,030 --> 00:36:06,880

it looks to me like a person a small

820

00:36:11,510 --> 00:36:09,040

person or maybe a child but

821

00:36:13,190 --> 00:36:11,520

it doesn't look like a furry ape to me

822

00:36:14,790 --> 00:36:13,200

and here's another shot again we see the

823

00:36:17,750 --> 00:36:14,800

spear

824

00:36:19,589 --> 00:36:17,760

and here is a shot of it going into yeah

825

00:36:22,870 --> 00:36:19,599

that was kind of really difficult to see

826

00:36:25,750 --> 00:36:22,880

so that's really no help so it may be

827

00:36:27,270 --> 00:36:25,760

that my own uh you know skills that

828

00:36:30,150 --> 00:36:27,280

doing this sort of thing are

829

00:36:31,670 --> 00:36:30,160

really lacking it's first it's been a

830

00:36:32,150 --> 00:36:31,680

while since i'm trying to do something

831

00:36:34,069 --> 00:36:32,160

like this

832

00:36:35,349 --> 00:36:34,079

given a little more time i was rushing

833

00:36:36,950 --> 00:36:35,359

today to try to

834

00:36:38,390 --> 00:36:36,960

you know bring out more detail in the

835

00:36:41,750 --> 00:36:38,400

creature

836

00:36:43,990 --> 00:36:41,760

i would if i had to guess i would say

837

00:36:46,950 --> 00:36:44,000

that this was done with cgi

838

00:36:48,310 --> 00:36:46,960

uh there's no definition in the creature

839

00:36:50,470 --> 00:36:48,320

there's no

840

00:36:51,829 --> 00:36:50,480

the shadows and the lighting seem to be

841

00:36:55,430 --> 00:36:51,839

off to me

842

00:36:57,270 --> 00:36:55,440

it does not appear to be you know and

843

00:36:58,870 --> 00:36:57,280

it appears to me that it's like

844

00:37:04,470 --> 00:36:58,880

purposefully done

845

00:37:07,510 --> 00:37:04,480

obscure the view

846

00:37:10,069 --> 00:37:07,520

of the person watching you know and that

847

00:37:12,950 --> 00:37:10,079

is a hallmark of a hoax

848

00:37:15,910 --> 00:37:12,960

usually that is a hallmark of the hoax

849

00:37:20,390 --> 00:37:15,920

so friends this will conclude my

850

00:37:23,109 --> 00:37:20,400

short presentation on iran pending

851

00:37:23,589 --> 00:37:23,119

i want to know what you think is the

852

00:37:27,430 --> 00:37:23,599

iran

853

00:37:30,790 --> 00:37:27,440

pending a real actual living breathing

854

00:37:33,990 --> 00:37:30,800

creature and undiscovered man-like

855

00:37:38,630 --> 00:37:34,000

ape in indonesia and sumatra is it

856

00:37:42,310 --> 00:37:38,640

a simply a misidentified orangutan

857

00:37:45,109 --> 00:37:42,320

or is it perhaps something

858

00:37:47,910 --> 00:37:45,119

in between could it be an unknown

859

00:37:49,990 --> 00:37:47,920

species of orangutan

860

00:37:52,550 --> 00:37:50,000

as far as this video that's purported to

861

00:37:55,990 --> 00:37:52,560

be an arang pendick

862

00:38:01,829 --> 00:37:56,000

i that i don't buy that i just

863

00:38:05,109 --> 00:38:02,950

yeah so we're going to take some

864

00:38:08,390 --> 00:38:05,119

questions and comments from

865

00:38:12,790 --> 00:38:10,550

from the live chat i will turn my full

866

00:38:16,390 --> 00:38:12,800

attention to the live chat

867

00:38:18,790 --> 00:38:16,400

uh let's see looks human to me yes casey

868

00:38:22,069 --> 00:38:18,800

that in that video it looks it looks

869

00:38:26,230 --> 00:38:24,630

professor says it needs benny hill music

870

00:38:28,069 --> 00:38:26,240

that might help that might have helped

871

00:38:30,230 --> 00:38:28,079

professor pheasant welcome i'm glad that

872

00:38:32,790 --> 00:38:30,240

you found us here in the live chat

873

00:38:33,670 --> 00:38:32,800

professor fez made me feel much better

874

00:38:35,990 --> 00:38:33,680

today because

875

00:38:37,109 --> 00:38:36,000

instead of getting slammed all day with

876

00:38:39,670 --> 00:38:37,119

nasty

877

00:38:41,030 --> 00:38:39,680

uh comments uh professor fez and a few

878

00:38:43,510 --> 00:38:41,040

others today have been leaving very

879

00:38:45,829 --> 00:38:43,520

support comments on our youtube channel

880

00:38:47,910 --> 00:38:45,839

which was nice to see today for a change

881

00:38:50,550 --> 00:38:47,920

of pace thank you professor fez much

882

00:38:52,470 --> 00:38:50,560

appreciated and he presented some

883

00:38:55,109 --> 00:38:52,480

great information in the youtube

884

00:38:59,349 --> 00:38:56,950

rick von himmler spooner when it turns

885

00:39:01,750 --> 00:38:59,359

the corner are the shadows consistent

886

00:39:02,950 --> 00:39:01,760

with before it turns no uh that's what i

887

00:39:04,630 --> 00:39:02,960

said there's a

888

00:39:07,510 --> 00:39:04,640

problem with the shadows with the

889

00:39:10,630 --> 00:39:07,520

lighting it's like the same

890

00:39:14,390 --> 00:39:10,640

through the whole thing uh it didn't

891

00:39:17,589 --> 00:39:14,400

look like the subject

892

00:39:21,190 --> 00:39:17,599

being photographed was was

893

00:39:23,589 --> 00:39:21,200

properly casting shadows

894

00:39:24,230 --> 00:39:23,599

in that bright sun behind it in front of

895

00:39:26,950 --> 00:39:24,240

it

896

00:39:27,990 --> 00:39:26,960

there would be shadows and i looked at

897

00:39:32,550 --> 00:39:28,000

this

898

00:39:34,950 --> 00:39:32,560

for hour today at least trying to

899

00:39:36,550 --> 00:39:34,960

what was my best guess and my best guess

900

00:39:38,550 --> 00:39:36,560

uh having had some experience with

901  
00:39:41,589 --> 00:39:38,560  
computer generated graphics

902  
00:39:42,470 --> 00:39:41,599  
and creature effects cgi creatures is

903  
00:39:45,910 --> 00:39:42,480  
that

904  
00:39:49,030 --> 00:39:45,920  
somebody did the footage of these

905  
00:39:49,750 --> 00:39:49,040  
motorcycle people and then added that in

906  
00:39:52,870 --> 00:39:49,760  
post

907  
00:39:55,829 --> 00:39:52,880  
that's what it appears to be for me

908  
00:39:57,670 --> 00:39:55,839  
casey palermo you did well from my view

909  
00:40:00,630 --> 00:39:57,680  
thank you very much casey i appreciate

910  
00:40:03,829 --> 00:40:00,640  
it i appreciate it very much

911  
00:40:06,230 --> 00:40:03,839  
roy sinclair says he agrees

912  
00:40:07,190 --> 00:40:06,240  
genocide thinks most likely a subspecies

913  
00:40:08,870 --> 00:40:07,200

of orangutan

914

00:40:12,950 --> 00:40:08,880

yeah i was surprised to find that we

915

00:40:19,030 --> 00:40:16,470

happen newly orangutan was discovered

916

00:40:21,750 --> 00:40:19,040

as recently as 200 well really confirmed

917

00:40:23,270 --> 00:40:21,760

in 2017 when they did the dna studies

918

00:40:26,470 --> 00:40:23,280

and studied some corpses

919

00:40:28,710 --> 00:40:26,480

of this new type of orangutan so

920

00:40:30,069 --> 00:40:28,720

could a rank appendix be simply a new

921

00:40:33,270 --> 00:40:30,079

type of undiscovered

922

00:40:36,069 --> 00:40:33,280

orangutan i think that's a very likely

923

00:40:40,150 --> 00:40:36,079

explanation and could also explain why

924

00:40:47,990 --> 00:40:44,069

horrendous rcs scorpius yeah

925

00:40:49,829 --> 00:40:48,000

yeah it could be kb would that monkey

926  
00:40:51,910 --> 00:40:49,839  
pump his arms up and down in a human

927  
00:40:54,710 --> 00:40:51,920  
running form i thought monkeys ran with

928  
00:40:56,309 --> 00:40:54,720  
their arms flailing around yeah maybe

929  
00:40:58,150 --> 00:40:56,319  
that's another good point i did not

930  
00:40:59,990 --> 00:40:58,160  
think of that roy sinclair says it's

931  
00:41:02,710 --> 00:41:00,000  
crude cgi

932  
00:41:04,630 --> 00:41:02,720  
i tend to agree with you mr sinclair and

933  
00:41:05,670 --> 00:41:04,640  
welcome i'm not sure that i've seen you

934  
00:41:07,990 --> 00:41:05,680  
here before

935  
00:41:10,230 --> 00:41:08,000  
if you like uh strange and mysterious

936  
00:41:13,349 --> 00:41:10,240  
stories and content like this then you

937  
00:41:15,030 --> 00:41:13,359  
found a good place welcome to our little

938  
00:41:17,510 --> 00:41:15,040

spot on the internet

939

00:41:18,309 --> 00:41:17,520

i hope that you will subscribe and i

940

00:41:21,910 --> 00:41:18,319

welcome you

941

00:41:23,750 --> 00:41:21,920

i hope that we will see you again

942

00:41:25,510 --> 00:41:23,760

professor fez says cheers the pleasure

943

00:41:27,829 --> 00:41:25,520

is all yours a truly life-changing

944

00:41:30,870 --> 00:41:27,839

moment for you

945

00:41:33,109 --> 00:41:30,880

yes yes absolutely so

946

00:41:34,870 --> 00:41:33,119

you know today i intend it to be a short

947

00:41:36,870 --> 00:41:34,880

show i really apologize for those

948

00:41:38,470 --> 00:41:36,880

technical errors at the start what we're

949

00:41:42,069 --> 00:41:38,480

gonna do is just

950

00:41:44,630 --> 00:41:42,079

i'll take this video and i will

951  
00:41:47,030 --> 00:41:44,640  
fix the beginning somehow and we will

952  
00:41:48,470 --> 00:41:47,040  
re-upload it so that we can just kind of

953  
00:41:50,550 --> 00:41:48,480  
move along

954  
00:41:51,510 --> 00:41:50,560  
now i have one more thing to add to my

955  
00:41:54,150 --> 00:41:51,520  
checklist which

956  
00:41:54,950 --> 00:41:54,160  
is to always check that the audio levels

957  
00:41:57,990 --> 00:41:54,960  
are correct

958  
00:41:58,550 --> 00:41:58,000  
before starting a show so for about 10

959  
00:42:00,470 --> 00:41:58,560  
minutes

960  
00:42:02,309 --> 00:42:00,480  
i was in the beginning of the broadcast

961  
00:42:04,470 --> 00:42:02,319  
i was talking to myself and people were

962  
00:42:05,990 --> 00:42:04,480  
calling me on our call in line

963  
00:42:08,390 --> 00:42:06,000

which i was complaining about why is

964

00:42:09,910 --> 00:42:08,400

everybody calling on the calling line

965

00:42:11,430 --> 00:42:09,920

uh thank you very much for trying to

966

00:42:14,870 --> 00:42:11,440

alert me of those technical

967

00:42:15,990 --> 00:42:14,880

issues i uh didn't realize that there

968

00:42:19,430 --> 00:42:16,000

was no

969

00:42:20,950 --> 00:42:19,440

my mic was dead and so uh yeah i

970

00:42:22,870 --> 00:42:20,960

talked for 10 minutes in the beginning

971

00:42:25,670 --> 00:42:22,880

of this video uh

972

00:42:27,030 --> 00:42:25,680

with no audio so i apologize for that

973

00:42:29,190 --> 00:42:27,040

again

974

00:42:31,030 --> 00:42:29,200

this is a live show these things happen

975

00:42:32,150 --> 00:42:31,040

you gotta roll with the punches i'm sure

976

00:42:34,630 --> 00:42:32,160

that i can fix this

977

00:42:35,349 --> 00:42:34,640

we can just take the video i will put a

978

00:42:37,190 --> 00:42:35,359

new intro

979

00:42:38,950 --> 00:42:37,200

on it and we will start from where i

980

00:42:40,790 --> 00:42:38,960

said hey we'll start over

981

00:42:42,390 --> 00:42:40,800

may have missed a few things that i can

982

00:42:45,589 --> 00:42:42,400

uh sort of

983

00:42:47,109 --> 00:42:45,599

cut in there and fix and that's not a

984

00:42:49,270 --> 00:42:47,119

problem but thank you for those who

985

00:42:52,230 --> 00:42:49,280

cared enough to try to help me

986

00:42:54,309 --> 00:42:52,240

uh you know not talk to myself in

987

00:42:58,390 --> 00:42:54,319

silence for 10 minutes

988

00:42:58,950 --> 00:42:58,400

much appreciated kevin uh keith i'm

989

00:43:00,630 --> 00:42:58,960

sorry

990

00:43:02,550 --> 00:43:00,640

heismeyer said i thought the same thing

991

00:43:04,710 --> 00:43:02,560

about the lying cloth yeah it's very

992

00:43:06,710 --> 00:43:04,720

it's very clear that it has some kind of

993

00:43:10,150 --> 00:43:06,720

loin cloth on itself

994

00:43:12,470 --> 00:43:10,160

uh so i'm not buying that video

995

00:43:13,829 --> 00:43:12,480

being ever and a rank pen deck not one

996

00:43:16,550 --> 00:43:13,839

bit or any kind of ape

997

00:43:18,069 --> 00:43:16,560

it looks to me like either a child or

998

00:43:19,910 --> 00:43:18,079

more likely cgi

999

00:43:21,349 --> 00:43:19,920

because of a lack of detail it looks

1000

00:43:24,470 --> 00:43:21,359

like a like a quick

1001  
00:43:26,390 --> 00:43:24,480  
render to me it looks like an incomplete

1002  
00:43:28,470 --> 00:43:26,400  
somebody didn't put a lot of detail in

1003  
00:43:30,710 --> 00:43:28,480  
it and usually when that's done

1004  
00:43:32,230 --> 00:43:30,720  
when they purposefully do not include a

1005  
00:43:35,430 --> 00:43:32,240  
lot of detail

1006  
00:43:37,510 --> 00:43:35,440  
in a video the creature is obscured

1007  
00:43:38,630 --> 00:43:37,520  
kind of blurry hard to see there's a

1008  
00:43:41,829 --> 00:43:38,640  
reason for that

1009  
00:43:45,270 --> 00:43:41,839  
and that is a hoax

1010  
00:43:47,190 --> 00:43:45,280  
kb comments humans have learned to pump

1011  
00:43:48,870 --> 00:43:47,200  
their arms because it makes them faster

1012  
00:43:50,790 --> 00:43:48,880  
humans don't need to be faster except

1013  
00:43:53,270 --> 00:43:50,800

for a foot race monkeys don't need to

1014

00:43:56,710 --> 00:43:53,280

pump their arms to race

1015

00:43:58,470 --> 00:43:56,720

interesting out of mind it's all good

1016

00:44:00,230 --> 00:43:58,480

yeah thank you for trying to save me

1017

00:44:01,670 --> 00:44:00,240

there out of mine and i'm sorry

1018

00:44:03,829 --> 00:44:01,680

i was complaining i'm like why is

1019

00:44:05,510 --> 00:44:03,839

everybody calling in on the calling line

1020

00:44:07,430 --> 00:44:05,520

i didn't open the lines and it kept

1021

00:44:09,589 --> 00:44:07,440

beeping and beeping and beeping

1022

00:44:12,069 --> 00:44:09,599

finally thanks to my wife she came in

1023

00:44:14,470 --> 00:44:12,079

and she said there's no audio dummy

1024

00:44:18,390 --> 00:44:14,480

and i went oh my god and that's why

1025

00:44:22,230 --> 00:44:18,400

everybody's calling so thank you guys

1026

00:44:24,309 --> 00:44:22,240

and also uh oh mine says hi roy

1027

00:44:25,270 --> 00:44:24,319

jonas light says ship happens yeah

1028

00:44:26,390 --> 00:44:25,280

absolutely

1029

00:44:28,790 --> 00:44:26,400

things like this are just going to

1030

00:44:30,550 --> 00:44:28,800

happen it's a live show luckily

1031

00:44:32,950 --> 00:44:30,560

i was you know thank you guys for

1032

00:44:34,630 --> 00:44:32,960

indulging me i was able to just we'll

1033

00:44:36,069 --> 00:44:34,640

just start again

1034

00:44:37,670 --> 00:44:36,079

uh from the beginning of the

1035

00:44:39,910 --> 00:44:37,680

presentation more or less

1036

00:44:40,790 --> 00:44:39,920

uh luckily i didn't go for an hour

1037

00:44:43,910 --> 00:44:40,800

talking

1038

00:44:45,990 --> 00:44:43,920

with nobody hearing me um we'll fix it

1039

00:44:47,910 --> 00:44:46,000

it's not a big deal it's just one more

1040

00:44:48,630 --> 00:44:47,920

thing on my to-do list for tomorrow or

1041

00:44:51,109 --> 00:44:48,640

whatever

1042

00:44:53,190 --> 00:44:51,119

and i had a lot planned already but i'll

1043

00:44:54,309 --> 00:44:53,200

do that first and fix the show and

1044

00:44:57,270 --> 00:44:54,319

upload it

1045

00:44:59,109 --> 00:44:57,280

and then uh we'll go from there not a

1046

00:45:02,230 --> 00:44:59,119

big deal

1047

00:45:06,309 --> 00:45:02,240

so uh it's important uh

1048

00:45:08,069 --> 00:45:06,319

too that i just mentioned uh we do

1049

00:45:09,670 --> 00:45:08,079

have some business to get out of the way

1050

00:45:10,630 --> 00:45:09,680

there's two things that i think are

1051  
00:45:13,109 --> 00:45:10,640  
important

1052  
00:45:13,829 --> 00:45:13,119  
milestones really and you need to be

1053  
00:45:21,430 --> 00:45:13,839  
able to

1054  
00:45:22,230 --> 00:45:21,440  
celebrate little milestones and i want

1055  
00:45:25,349 --> 00:45:22,240  
to

1056  
00:45:27,670 --> 00:45:25,359  
acknowledge and uh be sure that we

1057  
00:45:28,630 --> 00:45:27,680  
definitely acknowledge those little

1058  
00:45:32,470 --> 00:45:28,640  
victories

1059  
00:45:35,829 --> 00:45:32,480  
important to acknowledge

1060  
00:45:39,190 --> 00:45:35,839  
and to recognize so uh

1061  
00:45:39,750 --> 00:45:39,200  
let me see if i can do this yeah here we

1062  
00:45:42,790 --> 00:45:39,760  
go i

1063  
00:45:45,430 --> 00:45:42,800

posted this on my twitter earlier we

1064

00:45:46,230 --> 00:45:45,440

reached a milestone i think on sunday

1065

00:45:49,510 --> 00:45:46,240

and that is

1066

00:45:50,230 --> 00:45:49,520

that we as a show have now passed over

1067

00:45:53,670 --> 00:45:50,240

10 000

1068

00:45:56,550 --> 00:45:53,680

views uh and i want to thank our patreon

1069

00:45:59,589 --> 00:45:56,560

supporters donors and friends

1070

00:46:01,670 --> 00:45:59,599

already past 10 000 shows and daniel

1071

00:46:03,109 --> 00:46:01,680

hogan's commenting looking for a free

1072

00:46:04,870 --> 00:46:03,119

magic show i'm not sure

1073

00:46:06,630 --> 00:46:04,880

daniel hogan maybe i'll wait till we do

1074

00:46:10,630 --> 00:46:06,640

a hundred thousand views

1075

00:46:13,270 --> 00:46:10,640

promise you daniel hogan i will do

1076  
00:46:16,390 --> 00:46:13,280  
a magic show right here on this show

1077  
00:46:19,109 --> 00:46:16,400  
that maz says great news

1078  
00:46:21,270 --> 00:46:19,119  
yeah so it's it's it's really nice that

1079  
00:46:23,109 --> 00:46:21,280  
we have passed over 10 000 views

1080  
00:46:25,270 --> 00:46:23,119  
i was happy to see that and then

1081  
00:46:26,150 --> 00:46:25,280  
actually i realized that we probably

1082  
00:46:29,750 --> 00:46:26,160  
passed over 10

1083  
00:46:30,309 --> 00:46:29,760  
000 views last week because there's 30

1084  
00:46:33,349 --> 00:46:30,319  
shows

1085  
00:46:36,550 --> 00:46:33,359  
and every one of the facebook uh streams

1086  
00:46:39,270 --> 00:46:36,560  
gets over 100 or 150 views so

1087  
00:46:41,270 --> 00:46:39,280  
we're actually way behind we probably

1088  
00:46:41,990 --> 00:46:41,280

passed 10 000 views a week or two ago

1089

00:46:44,309 --> 00:46:42,000

but according

1090

00:46:45,990 --> 00:46:44,319

to these are the youtube views or over

1091

00:46:49,270 --> 00:46:46,000

10 000 views i think

1092

00:46:51,990 --> 00:46:49,280

10 5 or 10 7 the last i looked

1093

00:46:54,829 --> 00:46:52,000

don't quote me on that and then one

1094

00:46:58,390 --> 00:46:54,839

other piece of business

1095

00:47:01,990 --> 00:46:58,400

i uh have to thank a viewer

1096

00:47:02,790 --> 00:47:02,000

uh but he they do not want me to mention

1097

00:47:05,750 --> 00:47:02,800

their name

1098

00:47:06,550 --> 00:47:05,760

or uh reveal their identity or you know

1099

00:47:09,270 --> 00:47:06,560

they don't want

1100

00:47:10,069 --> 00:47:09,280

credit for helping me but i'm still

1101  
00:47:13,270 --> 00:47:10,079  
going to thank

1102  
00:47:16,630 --> 00:47:13,280  
them uh we'll call them lawyer

1103  
00:47:19,190 --> 00:47:16,640  
x there is a um

1104  
00:47:20,470 --> 00:47:19,200  
a an attorney who happens to do

1105  
00:47:24,150 --> 00:47:20,480  
copyright law

1106  
00:47:26,230 --> 00:47:24,160  
who watches my show and said hey

1107  
00:47:28,309 --> 00:47:26,240  
you know if you have problems with uh

1108  
00:47:30,390 --> 00:47:28,319  
copyrights and copyright strikes these

1109  
00:47:32,470 --> 00:47:30,400  
big corporations try to bully you

1110  
00:47:33,750 --> 00:47:32,480  
it would be good if you could take some

1111  
00:47:35,990 --> 00:47:33,760  
help from me

1112  
00:47:38,150 --> 00:47:36,000  
i can give you a form letter when you

1113  
00:47:41,589 --> 00:47:38,160

have to file disputes that's very very

1114

00:47:44,309 --> 00:47:41,599

effective and so again that's another

1115

00:47:45,109 --> 00:47:44,319

thing i just want to recognize and

1116

00:47:48,150 --> 00:47:45,119

celebrate

1117

00:47:49,190 --> 00:47:48,160

because especially the large media

1118

00:47:51,829 --> 00:47:49,200

corporations

1119

00:47:54,069 --> 00:47:51,839

they basically can file you can use a

1120

00:47:56,230 --> 00:47:54,079

one minute or two minute clip

1121

00:47:57,349 --> 00:47:56,240

and they can bully you and copyright

1122

00:47:59,990 --> 00:47:57,359

strike you and

1123

00:48:02,309 --> 00:48:00,000

have your video taken down or unviewable

1124

00:48:05,430 --> 00:48:02,319

in certain countries or they can slap

1125

00:48:07,190 --> 00:48:05,440

ads all over my show and they're going

1126  
00:48:08,390 --> 00:48:07,200  
to get the revenue from it which i don't

1127  
00:48:10,470 --> 00:48:08,400  
believe is fair

1128  
00:48:12,230 --> 00:48:10,480  
i always cite fair use but some of these

1129  
00:48:14,230 --> 00:48:12,240  
companies don't care if you cite fair

1130  
00:48:17,109 --> 00:48:14,240  
use and they try to bully youtube

1131  
00:48:19,589 --> 00:48:17,119  
into getting their way this indeed

1132  
00:48:23,670 --> 00:48:19,599  
happened with our last show

1133  
00:48:27,109 --> 00:48:23,680  
from i believe last thursday on the

1134  
00:48:28,069 --> 00:48:27,119  
the show that we did on v manas in that

1135  
00:48:31,270 --> 00:48:28,079  
show i used

1136  
00:48:32,710 --> 00:48:31,280  
two clips from a e networks which owns

1137  
00:48:34,790 --> 00:48:32,720  
the history channel and

1138  
00:48:36,390 --> 00:48:34,800

the show ancient aliens which the clips

1139

00:48:39,270 --> 00:48:36,400

were taken from

1140

00:48:40,470 --> 00:48:39,280

uh they nearly immediately after the

1141

00:48:43,030 --> 00:48:40,480

video was posted

1142

00:48:43,829 --> 00:48:43,040

filed a copyright claim and had my video

1143

00:48:46,150 --> 00:48:43,839

taken down

1144

00:48:47,589 --> 00:48:46,160

in this huge list of countries not the

1145

00:48:49,349 --> 00:48:47,599

united states strangely

1146

00:48:52,390 --> 00:48:49,359

strangely but in like 100 other

1147

00:48:55,750 --> 00:48:52,400

countries people couldn't see the video

1148

00:48:58,069 --> 00:48:55,760

i reached out to this copyright

1149

00:48:58,870 --> 00:48:58,079

attorney who is a viewer and supporter

1150

00:49:00,549 --> 00:48:58,880

of ours and

1151

00:49:02,870 --> 00:49:00,559

doesn't want to be named and they helped

1152

00:49:06,150 --> 00:49:02,880

me file a copyright

1153

00:49:09,030 --> 00:49:06,160

claim dispute citing fair use

1154

00:49:09,670 --> 00:49:09,040

they gave me a really well written legal

1155

00:49:12,710 --> 00:49:09,680

letter

1156

00:49:14,790 --> 00:49:12,720

which sort of pushes these

1157

00:49:17,109 --> 00:49:14,800

large corporations into a corner that

1158

00:49:18,069 --> 00:49:17,119

they have to allow fair use that's the

1159

00:49:20,390 --> 00:49:18,079

law

1160

00:49:22,870 --> 00:49:20,400

uh so they gave me this form letter and

1161

00:49:25,349 --> 00:49:22,880

i could sort of fill in the blanks

1162

00:49:26,230 --> 00:49:25,359

we use literally a two-minute clip and a

1163

00:49:27,829 --> 00:49:26,240

three-minute clip

1164

00:49:30,150 --> 00:49:27,839

and we stopped it every once in a while

1165

00:49:31,750 --> 00:49:30,160

and i talked along those clips so it's a

1166

00:49:33,750 --> 00:49:31,760

transformative work number one and

1167

00:49:36,790 --> 00:49:33,760

number two is fair use

1168

00:49:38,150 --> 00:49:36,800

um but the good news is and i really

1169

00:49:41,670 --> 00:49:38,160

believe it's thanks to

1170

00:49:45,270 --> 00:49:41,680

this kind viewer who helped me uh

1171

00:49:48,630 --> 00:49:45,280

we were able to win the

1172

00:49:52,710 --> 00:49:48,640

win the dispute uh and youtube

1173

00:49:55,190 --> 00:49:52,720

sent us this let's see uh

1174

00:49:56,230 --> 00:49:55,200

youtube sent us this notice hi truth

1175

00:49:58,870 --> 00:49:56,240

seekers good news

1176  
00:50:00,710 --> 00:49:58,880  
after reviewing your dispute a a a e

1177  
00:50:01,750 --> 00:50:00,720  
networks has decided to release their

1178  
00:50:04,069 --> 00:50:01,760  
copyright claim

1179  
00:50:06,150 --> 00:50:04,079  
on your youtube video and that was for

1180  
00:50:08,549 --> 00:50:06,160  
truth seekers episode 30 the mystery of

1181  
00:50:11,589 --> 00:50:08,559  
nimana's flying machines in the

1182  
00:50:13,910 --> 00:50:11,599  
monica shastra and friends i just

1183  
00:50:15,349 --> 00:50:13,920  
want to mention oh let me do this so

1184  
00:50:16,390 --> 00:50:15,359  
that maybe we could see it a little

1185  
00:50:27,510 --> 00:50:16,400  
better

1186  
00:50:29,910 --> 00:50:27,520  
i just want to make sure that i

1187  
00:50:33,510 --> 00:50:29,920  
mentioned that

1188  
00:50:37,030 --> 00:50:33,520

these major this a e uh

1189

00:50:38,790 --> 00:50:37,040

network funds ancient aliens they profit

1190

00:50:40,950 --> 00:50:38,800

from ancient aliens who play

1191

00:50:41,990 --> 00:50:40,960

very fast and loose with the facts they

1192

00:50:45,030 --> 00:50:42,000

just make up

1193

00:50:47,910 --> 00:50:45,040

facts they're not accurate facts

1194

00:50:48,390 --> 00:50:47,920

they sure as hell don't jive with actual

1195

00:50:51,589 --> 00:50:48,400

real

1196

00:50:53,030 --> 00:50:51,599

historical history or historical facts

1197

00:50:55,750 --> 00:50:53,040

and evidence

1198

00:50:57,670 --> 00:50:55,760

they make things up ancient aliens just

1199

00:51:00,470 --> 00:50:57,680

makes up things like hey

1200

00:51:01,109 --> 00:51:00,480

uh this was from a six thousand year old

1201

00:51:03,829 --> 00:51:01,119

uh

1202

00:51:05,910 --> 00:51:03,839

vedic text and there's no such thing as

1203

00:51:09,750 --> 00:51:05,920

a six thousand year old vedic text

1204

00:51:12,870 --> 00:51:09,760

they don't exist so i think it's

1205

00:51:15,910 --> 00:51:12,880

it's very important that we be

1206

00:51:16,549 --> 00:51:15,920

allowed to inform the public you know

1207

00:51:18,470 --> 00:51:16,559

it's not

1208

00:51:20,150 --> 00:51:18,480

fair for them to copyright strike me

1209

00:51:21,829 --> 00:51:20,160

when i'm trying to educate the public

1210

00:51:24,309 --> 00:51:21,839

especially when we've got them dead to

1211

00:51:27,829 --> 00:51:24,319

rights lying and we can prove it

1212

00:51:29,030 --> 00:51:27,839

so luckily we were able to dispute the

1213

00:51:32,069 --> 00:51:29,040

copyright claim

1214

00:51:34,309 --> 00:51:32,079

and a e networks has decided to release

1215

00:51:36,710 --> 00:51:34,319

the copyright claim

1216

00:51:38,710 --> 00:51:36,720

i believe that if they decided to not

1217

00:51:40,150 --> 00:51:38,720

release it then youtube would have had

1218

00:51:42,069 --> 00:51:40,160

to make the ultimate decision

1219

00:51:43,750 --> 00:51:42,079

and i'm informed from this copyright

1220

00:51:45,270 --> 00:51:43,760

attorney that youtube

1221

00:51:47,349 --> 00:51:45,280

more than likely would have signed it

1222

00:51:50,870 --> 00:51:47,359

with us but it's easier

1223

00:51:54,549 --> 00:51:50,880

uh that a e network's lawyers um

1224

00:51:56,870 --> 00:51:54,559

reviewed our our you know dispute

1225

00:51:58,390 --> 00:51:56,880

uh and since it was written very well in

1226  
00:52:01,510 --> 00:51:58,400  
a legalese manner

1227  
00:52:02,630 --> 00:52:01,520  
we win so that's a little another little

1228  
00:52:04,230 --> 00:52:02,640  
milestone

1229  
00:52:06,150 --> 00:52:04,240  
i have said it previously and i'm going

1230  
00:52:08,710 --> 00:52:06,160  
to say it again to anyone

1231  
00:52:09,990 --> 00:52:08,720  
we reserve the right to use clips from

1232  
00:52:12,710 --> 00:52:10,000  
anything

1233  
00:52:13,349 --> 00:52:12,720  
as long as we are doing it in the in the

1234  
00:52:17,109 --> 00:52:13,359  
legal

1235  
00:52:19,030 --> 00:52:17,119  
way with fair use and fair use law

1236  
00:52:21,109 --> 00:52:19,040  
the laws concerning fair use are very

1237  
00:52:22,870 --> 00:52:21,119  
clear if i take a few minute clip from

1238  
00:52:24,950 --> 00:52:22,880

something and i'm using it to educate

1239

00:52:28,309 --> 00:52:24,960

the public discussing it critiquing it

1240

00:52:32,150 --> 00:52:28,319

we're allowed to use a copyrighted clip

1241

00:52:34,630 --> 00:52:32,160

and i'm thankful especially in this case

1242

00:52:36,950 --> 00:52:34,640

we used clips where ancient aliens the

1243

00:52:37,910 --> 00:52:36,960

television show was straight lying to

1244

00:52:40,309 --> 00:52:37,920

the public

1245

00:52:42,150 --> 00:52:40,319

making up facts that don't exist saying

1246

00:52:43,349 --> 00:52:42,160

there was six thousand years old old

1247

00:52:45,910 --> 00:52:43,359

vedic texts

1248

00:52:47,829 --> 00:52:45,920

that don't exist when it was from a book

1249

00:52:49,670 --> 00:52:47,839

from 1952

1250

00:52:50,870 --> 00:52:49,680

we should be allowed to tell people the

1251

00:52:52,390 --> 00:52:50,880

truth about that

1252

00:52:54,630 --> 00:52:52,400

we should be allowed to use a clip to

1253

00:52:57,670 --> 00:52:54,640

show them lying and then catch them

1254

00:53:00,230 --> 00:52:57,680

lying and show people the actual truth

1255

00:53:01,750 --> 00:53:00,240

and thankfully thanks to a kind viewer

1256

00:53:04,150 --> 00:53:01,760

who helped me with

1257

00:53:05,510 --> 00:53:04,160

writing these disputes we were able to

1258

00:53:07,910 --> 00:53:05,520

do that so

1259

00:53:10,630 --> 00:53:07,920

uh thank you mystery lawyer who does not

1260

00:53:12,230 --> 00:53:10,640

want to be named

1261

00:53:16,790 --> 00:53:12,240

and so friends i'll turn my attention

1262

00:53:21,670 --> 00:53:19,510

uh keith meyer says that letter from

1263

00:53:23,670 --> 00:53:21,680

youtube is probably a canned letter from

1264

00:53:25,589 --> 00:53:23,680

them yeah i don't get to see what they

1265

00:53:26,150 --> 00:53:25,599

actually said i just know that they told

1266

00:53:28,470 --> 00:53:26,160

youtube

1267

00:53:29,990 --> 00:53:28,480

okay we'll release our copyright claim

1268

00:53:32,950 --> 00:53:30,000

on this particular

1269

00:53:34,230 --> 00:53:32,960

work genocide says awesome you got that

1270

00:53:36,790 --> 00:53:34,240

taken care of

1271

00:53:38,309 --> 00:53:36,800

yes awesome christian claire says well

1272

00:53:41,349 --> 00:53:38,319

done

1273

00:53:41,990 --> 00:53:41,359

and that of mine says congrats steven

1274

00:53:48,790 --> 00:53:42,000

winning

1275

00:53:53,430 --> 00:53:51,349

yeah it's just good that we're look

1276

00:53:54,390 --> 00:53:53,440

especially if we catch them lying

1277

00:53:56,069 --> 00:53:54,400

through their teeth

1278

00:53:57,750 --> 00:53:56,079

we should be able to show the clip of

1279

00:53:59,270 --> 00:53:57,760

them lying through their teeth and then

1280

00:54:01,030 --> 00:53:59,280

show people why they're lying through

1281

00:54:02,870 --> 00:54:01,040

their teeth i feel very strongly about

1282

00:54:04,630 --> 00:54:02,880

that and it's very cowardly of them to

1283

00:54:05,910 --> 00:54:04,640

try to stop people from doing that

1284

00:54:08,230 --> 00:54:05,920

luckily they

1285

00:54:10,230 --> 00:54:08,240

uh you know were backed right up once

1286

00:54:12,710 --> 00:54:10,240

they got the letter from me

1287

00:54:13,589 --> 00:54:12,720

uh which i have to say i'm proud of

1288

00:54:16,870 --> 00:54:13,599

because it's

1289

00:54:19,109 --> 00:54:16,880

just incredibly well written you know uh

1290

00:54:19,990 --> 00:54:19,119

two-page legal letter citing all the

1291

00:54:22,710 --> 00:54:20,000

reasons why

1292

00:54:26,470 --> 00:54:22,720

we're allowed to use that clip so it's

1293

00:54:31,349 --> 00:54:26,480

just good that we're able to do that

1294

00:54:34,470 --> 00:54:31,359

and there is i suppose a final bit of

1295

00:54:36,950 --> 00:54:34,480

business i mentioned that uh we

1296

00:54:38,150 --> 00:54:36,960

are going to start giving gifts away for

1297

00:54:41,270 --> 00:54:38,160

people who are making

1298

00:54:44,150 --> 00:54:41,280

donations and i mentioned

1299

00:54:45,990 --> 00:54:44,160

that my spiritual practice has taken me

1300

00:54:49,270 --> 00:54:46,000

back to my childhood

1301

00:54:52,230 --> 00:54:49,280

i grew up catholic and the nuns

1302

00:54:53,190 --> 00:54:52,240

in catholic school would often take us

1303

00:54:56,470 --> 00:54:53,200

to a chapel

1304

00:54:58,230 --> 00:54:56,480

or even to the big church and uh make us

1305

00:55:00,870 --> 00:54:58,240

as a class kneel and

1306

00:55:02,710 --> 00:55:00,880

pray the rosary and i have not been

1307

00:55:04,150 --> 00:55:02,720

catholic for some time but i'm returning

1308

00:55:07,910 --> 00:55:04,160

to some spiritual practice

1309

00:55:09,030 --> 00:55:07,920

so i begin again begun to again pray the

1310

00:55:11,589 --> 00:55:09,040

rosary

1311

00:55:12,789 --> 00:55:11,599

i find this to be very meditative and

1312

00:55:15,510 --> 00:55:12,799

comforting

1313

00:55:18,470 --> 00:55:15,520

maybe it's the nostalgia of it maybe it

1314

00:55:23,349 --> 00:55:22,390

the senses more senses being engaged

1315

00:55:24,870 --> 00:55:23,359

while you're praying

1316

00:55:26,950 --> 00:55:24,880

because you're holding the beads you

1317

00:55:29,750 --> 00:55:26,960

keep moving on the beads

1318

00:55:31,670 --> 00:55:29,760

it's very meditative and i find it to be

1319

00:55:33,589 --> 00:55:31,680

a thing of comfort especially now when

1320

00:55:34,390 --> 00:55:33,599

we all need comfort and i wanted to

1321

00:55:37,109 --> 00:55:34,400

thank

1322

00:55:37,510 --> 00:55:37,119

uh many of the people who are donating

1323

00:55:41,349 --> 00:55:37,520

so

1324

00:55:45,190 --> 00:55:41,359

makes a 20

1325

00:55:47,190 --> 00:55:45,200

or a better donation i have rosaries

1326

00:55:48,870 --> 00:55:47,200

so if you make a donation there is a

1327

00:55:51,990 --> 00:55:48,880

paypal donate button

1328

00:55:53,510 --> 00:55:52,000

on our about page if you make a donation

1329

00:55:56,069 --> 00:55:53,520

we're going to be giving

1330

00:55:57,750 --> 00:55:56,079

these very nice rosaries which i am

1331

00:56:01,030 --> 00:55:57,760

using myself

1332

00:56:03,190 --> 00:56:01,040

these are not plastic these are wooden

1333

00:56:04,390 --> 00:56:03,200

i believe they're handmade but i can't

1334

00:56:07,910 --> 00:56:04,400

be sure

1335

00:56:10,950 --> 00:56:07,920

uh very nice rosaries um

1336

00:56:11,349 --> 00:56:10,960

with wooden beads and i'm not sure what

1337

00:56:14,630 --> 00:56:11,359

the

1338

00:56:16,870 --> 00:56:14,640

it's not metal it's some sort of uh

1339

00:56:17,750 --> 00:56:16,880

you know string or rope i think it's

1340

00:56:20,390 --> 00:56:17,760

cotton

1341

00:56:20,950 --> 00:56:20,400

but they feel very nice in your hands

1342

00:56:24,150 --> 00:56:20,960

and

1343

00:56:26,470 --> 00:56:24,160

uh i have been begun to

1344

00:56:28,470 --> 00:56:26,480

i have begun to use these again there's

1345

00:56:32,870 --> 00:56:28,480

very nice jesus on these

1346

00:56:35,750 --> 00:56:32,880

uh crucifix and if you need a guide

1347

00:56:37,750 --> 00:56:35,760

i'll be including a one sheet guide as a

1348

00:56:38,549 --> 00:56:37,760

present for those who are making a

1349

00:56:41,910 --> 00:56:38,559

donation

1350

00:56:43,910 --> 00:56:41,920

to our truth seeker show here we'll be

1351  
00:56:46,549 --> 00:56:43,920  
giving you one of these so if you make a

1352  
00:56:48,230 --> 00:56:46,559  
donation put your address your shipping

1353  
00:56:50,230 --> 00:56:48,240  
address in the note line

1354  
00:56:51,349 --> 00:56:50,240  
and and i'm going to ask i guess for a

1355  
00:56:54,470 --> 00:56:51,359  
donation of 20

1356  
00:56:55,750 --> 00:56:54,480  
or more you get these this free gifts

1357  
00:56:56,549 --> 00:56:55,760  
we're going to have some other free

1358  
00:56:58,789 --> 00:56:56,559  
gifts

1359  
00:57:00,710 --> 00:56:58,799  
i'm waiting for some things to come uh

1360  
00:57:02,470 --> 00:57:00,720  
somebody mentioned mood rings yeah

1361  
00:57:04,069 --> 00:57:02,480  
i got mood rings on the way but they're

1362  
00:57:04,950 --> 00:57:04,079  
coming from china and it's taking

1363  
00:57:07,589 --> 00:57:04,960

forever

1364

00:57:08,069 --> 00:57:07,599

and those mood rings will be for like a

1365

00:57:10,549 --> 00:57:08,079

you know

1366

00:57:12,069 --> 00:57:10,559

ten dollar donation i don't know and

1367

00:57:15,109 --> 00:57:12,079

then i'm working very hard

1368

00:57:18,950 --> 00:57:17,589

i'm working very hard on these other

1369

00:57:22,950 --> 00:57:18,960

gifts which would be

1370

00:57:26,150 --> 00:57:22,960

uh we're gonna have replica element 115

1371

00:57:28,870 --> 00:57:26,160

triangles that glow in the dark

1372

00:57:30,390 --> 00:57:28,880

can't beat that so if you make a

1373

00:57:31,670 --> 00:57:30,400

donation i don't know that's going to be

1374

00:57:32,630 --> 00:57:31,680

a little more because i have to hand

1375

00:57:34,390 --> 00:57:32,640

make those

1376

00:57:36,710 --> 00:57:34,400

but they came out great we're still

1377

00:57:38,390 --> 00:57:36,720

working on them i'll have some to show

1378

00:57:40,150 --> 00:57:38,400

in the next couple of days

1379

00:57:42,630 --> 00:57:40,160

and as far as the rosaries actually we

1380

00:57:45,750 --> 00:57:42,640

have two different kinds due to a mix-up

1381

00:57:46,549 --> 00:57:45,760

trying to get good quality rosaries i

1382

00:57:48,630 --> 00:57:46,559

have these

1383

00:57:50,560 --> 00:57:48,640

that i showed these are the wooden ones

1384

00:57:51,589 --> 00:57:50,570

which are very very nice

1385

00:57:56,150 --> 00:57:51,599

[Music]

1386

00:57:56,950 --> 00:57:56,160

and these i it's my personal preference

1387

00:57:59,589 --> 00:57:56,960

i don't know

1388

00:58:01,510 --> 00:57:59,599

uh why i think because they're made from

1389

00:58:02,710 --> 00:58:01,520

wood which is a natural material and

1390

00:58:04,710 --> 00:58:02,720

maybe this string

1391

00:58:06,870 --> 00:58:04,720

between the beads is cotton and again

1392

00:58:09,990 --> 00:58:06,880

that's a natural material i just prefer

1393

00:58:11,430 --> 00:58:10,000

these um but we have these other type of

1394

00:58:15,270 --> 00:58:11,440

rosaries

1395

00:58:18,150 --> 00:58:15,280

and these come with a blessed mary case

1396

00:58:18,470 --> 00:58:18,160

so these come in a case i guess two if

1397

00:58:23,510 --> 00:58:18,480

you

1398

00:58:26,150 --> 00:58:23,520

wood

1399

00:58:27,829 --> 00:58:26,160

rosary or the rosary with the case and

1400

00:58:31,190 --> 00:58:27,839

these are very nice too

1401

00:58:33,510 --> 00:58:31,200

i was i think these are equally

1402

00:58:36,230 --> 00:58:33,520

nice it's just my personal preference

1403

00:58:39,270 --> 00:58:36,240

and these i believe are wood beads

1404

00:58:39,990 --> 00:58:39,280

um and they have metal chain between

1405

00:58:43,349 --> 00:58:40,000

them

1406

00:58:45,750 --> 00:58:43,359

and this one has um in in this

1407

00:58:47,109 --> 00:58:45,760

part it has oh you can't see that that

1408

00:58:49,430 --> 00:58:47,119

has

1409

00:58:50,470 --> 00:58:49,440

the blessed mother you know here we're

1410

00:58:53,510 --> 00:58:50,480

going to try to get

1411

00:58:54,870 --> 00:58:53,520

let's see if we can see if you can't

1412

00:58:56,870 --> 00:58:54,880

raise that

1413

00:58:59,829 --> 00:58:56,880

let me check my mic again because i just

1414

00:59:06,549 --> 00:59:03,670

check one okay good i'm trying to

1415

00:59:08,630 --> 00:59:06,559

not have any more big issues oh wait

1416

00:59:12,470 --> 00:59:08,640

here we go

1417

00:59:15,990 --> 00:59:12,480

we'll get that light a little better

1418

00:59:16,950 --> 00:59:16,000

there we go so these have a signal of

1419

00:59:20,630 --> 00:59:16,960

the

1420

00:59:23,670 --> 00:59:20,640

backwards here

1421

00:59:27,190 --> 00:59:23,680

there's the blessed mother on here and

1422

00:59:30,390 --> 00:59:27,200

this is smaller but equally nice

1423

00:59:32,150 --> 00:59:30,400

jesus on the crucifix and again it's a

1424

00:59:33,670 --> 00:59:32,160

standard rosary

1425

00:59:35,510 --> 00:59:33,680

a little different than the other ones

1426

00:59:37,829 --> 00:59:35,520

but if you prefer one of the case

1427

00:59:39,750 --> 00:59:37,839

again we'll be giving these away as well

1428

00:59:41,349 --> 00:59:39,760

and maybe if i run out of the wood ones

1429

00:59:43,109 --> 00:59:41,359

you're gonna have to accept this one i

1430

00:59:46,150 --> 00:59:43,119

hope everybody doesn't mind

1431

00:59:48,390 --> 00:59:46,160

and they come with this really nice case

1432

00:59:51,109 --> 00:59:48,400

with the blessed mother on the case

1433

00:59:52,470 --> 00:59:51,119

it's nice to keep it in um i wish i had

1434

00:59:56,069 --> 00:59:52,480

cases for the wood ones

1435

00:59:59,109 --> 00:59:56,079

i prefer the wood ones so for uh

1436

01:00:00,950 --> 00:59:59,119

for any anyone who is interested in

1437

01:00:02,870 --> 01:00:00,960

helping our show you get a free gift

1438

01:00:04,870 --> 01:00:02,880

from me in the form of a rosary and we

1439

01:00:07,190 --> 01:00:04,880

have a very good question here

1440

01:00:09,030 --> 01:00:07,200

from kelp 77 do you have to be catholic

1441

01:00:12,549 --> 01:00:09,040

to use a rosary

1442

01:00:15,109 --> 01:00:12,559

i think you better ask a priest i'm

1443

01:00:16,789 --> 01:00:15,119

not an expert i will say this i'm a

1444

01:00:20,069 --> 01:00:16,799

recovering catholic

1445

01:00:23,109 --> 01:00:20,079

um i use it i

1446

01:00:25,430 --> 01:00:23,119

find it very comforting in fact i find

1447

01:00:29,109 --> 01:00:25,440

it to be one of the most comforting

1448

01:00:31,030 --> 01:00:29,119

spiritual practices that i had lately

1449

01:00:32,630 --> 01:00:31,040

there's something about the meditative

1450

01:00:34,630 --> 01:00:32,640

practice of praying

1451

01:00:37,190 --> 01:00:34,640

and going down that going down those

1452

01:00:40,950 --> 01:00:37,200

beads feeling the beads in your hand

1453

01:00:43,270 --> 01:00:40,960

it sort of helps me at least to focus

1454

01:00:45,349 --> 01:00:43,280

i don't think god would fault anyone for

1455

01:00:45,990 --> 01:00:45,359

not being catholic and praying a rosary

1456

01:00:48,470 --> 01:00:46,000

nor would

1457

01:00:49,990 --> 01:00:48,480

jesus or the blessed mother so actually

1458

01:00:51,670 --> 01:00:50,000

tell truth i'm going to say no

1459

01:00:53,990 --> 01:00:51,680

you don't have to be catholic to use a

1460

01:00:57,270 --> 01:00:54,000

rosary um

1461

01:01:00,870 --> 01:00:57,280

i i find it to be very beneficial for my

1462

01:01:03,190 --> 01:01:00,880

uh spiritual practice

1463

01:01:03,990 --> 01:01:03,200

professor fez says whatever helps you

1464

01:01:07,430 --> 01:01:04,000

yeah i

1465

01:01:08,470 --> 01:01:07,440

uh people sometimes ask me about my

1466

01:01:10,630 --> 01:01:08,480

religion and

1467

01:01:11,750 --> 01:01:10,640

generally i say i'm a buddhist and also

1468

01:01:14,230 --> 01:01:11,760

a christian

1469

01:01:15,910 --> 01:01:14,240

and that being a buddhist has made me a

1470

01:01:18,630 --> 01:01:15,920

better christian and being a christian

1471

01:01:21,750 --> 01:01:18,640

has made me a better buddhist

1472

01:01:25,349 --> 01:01:21,760

those are my major two things however

1473

01:01:29,510 --> 01:01:25,359

i like to say that i am also a fan of

1474

01:01:31,750 --> 01:01:29,520

bruce lee and i uh agree with the jeep

1475

01:01:32,309 --> 01:01:31,760

kundo philosophy which is to take what

1476

01:01:36,069 --> 01:01:32,319

works

1477

01:01:38,710 --> 01:01:36,079

and discard the rest so i'm no longer

1478

01:01:41,510 --> 01:01:38,720

catholic i'm christian now

1479

01:01:42,470 --> 01:01:41,520

and most protestant christians do not

1480

01:01:44,549 --> 01:01:42,480

pray the rosary

1481

01:01:46,230 --> 01:01:44,559

but i do and i don't think that any

1482

01:01:47,109 --> 01:01:46,240

christian minister that i know would

1483

01:01:50,470 --> 01:01:47,119

fault me for

1484

01:01:53,750 --> 01:01:53,270

yeah i think it's a very beneficial

1485

01:01:57,109 --> 01:01:53,760

thing

1486

01:01:58,789 --> 01:01:57,119

meditative to have those beads in your

1487

01:02:00,630 --> 01:01:58,799

hand and i kind of i don't know why but

1488

01:02:01,510 --> 01:02:00,640

i noticed i kind of rock while i'm

1489

01:02:03,430 --> 01:02:01,520

praying

1490

01:02:04,789 --> 01:02:03,440

it helps me to focus and i have these

1491

01:02:06,789 --> 01:02:04,799

beads in my hand

1492

01:02:08,390 --> 01:02:06,799

which guides the prayers and there's a

1493

01:02:11,750 --> 01:02:08,400

list of prayers

1494

01:02:13,270 --> 01:02:11,760

um mostly it's the our father and

1495

01:02:15,829 --> 01:02:13,280

mostly it's how mary's that you're

1496

01:02:18,470 --> 01:02:15,839

saying you know you say the ten

1497

01:02:19,990 --> 01:02:18,480

i'm going to include a guide for how to

1498

01:02:23,270 --> 01:02:20,000

pray the rosary and there's guides

1499

01:02:25,589 --> 01:02:23,280

online if you're not familiar with uh

1500

01:02:26,549 --> 01:02:25,599

if you're not familiar with how to pray

1501

01:02:28,470 --> 01:02:26,559

the rosary

1502

01:02:30,470 --> 01:02:28,480

it's very easy to learn you can learn in

1503

01:02:33,349 --> 01:02:30,480

just a few minutes and be often praying

1504

01:02:38,549 --> 01:02:36,390

let me see jean claude is here and john

1505

01:02:39,750 --> 01:02:38,559

claude from beyond mystic says i want an

1506

01:02:41,349 --> 01:02:39,760

element 115.

1507

01:02:42,950 --> 01:02:41,359

you know what and john claude i will

1508

01:02:44,309 --> 01:02:42,960

send you one as a gift uh

1509

01:02:47,109 --> 01:02:44,319

and you don't have to donate anything

1510

01:02:49,750 --> 01:02:47,119

because you're a poor struggling artist

1511

01:02:51,190 --> 01:02:49,760

and show hosts like me so uh you get a

1512

01:02:52,630 --> 01:02:51,200

free one as soon as they're done you'll

1513

01:02:56,470 --> 01:02:52,640

get one of the first ones

1514

01:03:00,710 --> 01:02:58,789

kb almost made a very ugly joke about

1515

01:03:02,069 --> 01:03:00,720

beads and david wilcock yeah these are

1516

01:03:04,630 --> 01:03:02,079

not those kind of beads

1517

01:03:05,829 --> 01:03:04,640

these are these are much better and you

1518

01:03:10,470 --> 01:03:05,839

know

1519

01:03:13,029 --> 01:03:10,480

went looking for rosaries and it's funny

1520

01:03:15,270 --> 01:03:13,039

i found those rosaries that they gave me

1521

01:03:16,069 --> 01:03:15,280

as a child which i always hated because

1522

01:03:18,870 --> 01:03:16,079

it was like real

1523

01:03:19,349 --> 01:03:18,880

cheap string and plastic beads and they

1524

01:03:22,150 --> 01:03:19,359

were real

1525

01:03:22,630 --> 01:03:22,160

cheap and there's something weird to me

1526  
01:03:24,870 --> 01:03:22,640  
about

1527  
01:03:25,910 --> 01:03:24,880  
having what is supposed to be a holy

1528  
01:03:28,230 --> 01:03:25,920  
item a

1529  
01:03:29,510 --> 01:03:28,240  
prayer item you know an item that helps

1530  
01:03:31,750 --> 01:03:29,520  
you pray

1531  
01:03:33,670 --> 01:03:31,760  
made of plastic i don't like i don't

1532  
01:03:36,710 --> 01:03:33,680  
like the artificial materials

1533  
01:03:38,549 --> 01:03:36,720  
um i found these uh the wood ones which

1534  
01:03:40,950 --> 01:03:38,559  
are my favorite so far

1535  
01:03:41,910 --> 01:03:40,960  
because uh you know it's all natural

1536  
01:03:44,069 --> 01:03:41,920  
materials

1537  
01:03:46,390 --> 01:03:44,079  
there's something about this being made

1538  
01:03:50,069 --> 01:03:46,400

of wood and this reminds me of

1539

01:03:52,630 --> 01:03:50,079

franciscan priests there's an order

1540

01:03:55,190 --> 01:03:52,640

the franciscan order of catholic priests

1541

01:03:57,190 --> 01:03:55,200

they always had rosaries like this

1542

01:03:59,349 --> 01:03:57,200

so again this sort of comforting to me

1543

01:04:01,270 --> 01:03:59,359

it reminds me of my childhood

1544

01:04:02,549 --> 01:04:01,280

those franciscan priests were often the

1545

01:04:05,750 --> 01:04:02,559

most dedicated

1546

01:04:09,190 --> 01:04:05,760

and sort of fire and brimstone

1547

01:04:11,109 --> 01:04:09,200

scary but still i they were recognized

1548

01:04:12,870 --> 01:04:11,119

when i was a child by all of us kids as

1549

01:04:14,789 --> 01:04:12,880

being sort of uh

1550

01:04:16,390 --> 01:04:14,799

more priestly of a priest than the

1551  
01:04:18,549 --> 01:04:16,400  
regular priests

1552  
01:04:20,150 --> 01:04:18,559  
you know who were the black they were

1553  
01:04:21,910 --> 01:04:20,160  
the brown robes

1554  
01:04:23,910 --> 01:04:21,920  
it's just a different order of priests

1555  
01:04:27,190 --> 01:04:23,920  
but uh

1556  
01:04:29,190 --> 01:04:27,200  
uh yeah i don't know why but they always

1557  
01:04:31,829 --> 01:04:29,200  
had a wood rosary like this

1558  
01:04:32,950 --> 01:04:31,839  
and they would keep it at their at their

1559  
01:04:34,549 --> 01:04:32,960  
belt i believe

1560  
01:04:36,549 --> 01:04:34,559  
like right at their belt they would keep

1561  
01:04:39,029 --> 01:04:36,559  
it so you could see uh and it

1562  
01:04:41,270 --> 01:04:39,039  
sort of matched their robes and this one

1563  
01:04:42,549 --> 01:04:41,280

may be related to that i'm really not

1564

01:04:45,270 --> 01:04:42,559

sure

1565

01:04:47,349 --> 01:04:45,280

but that's one of my favorite uh

1566

01:04:51,029 --> 01:04:47,359

favorite things

1567

01:04:52,069 --> 01:04:51,039

right now listen it is a very trying

1568

01:04:53,910 --> 01:04:52,079

time right now

1569

01:04:55,349 --> 01:04:53,920

and everybody's looking for something to

1570

01:04:58,470 --> 01:04:55,359

sort of ground them

1571

01:05:00,470 --> 01:04:58,480

to comfort them to make them feel better

1572

01:05:01,589 --> 01:05:00,480

i don't know why but going back to

1573

01:05:05,510 --> 01:05:01,599

praying the rosaries

1574

01:05:09,349 --> 01:05:05,520

has made me feel better and

1575

01:05:12,630 --> 01:05:09,359

i i think it might help anyone really

1576

01:05:14,470 --> 01:05:12,640

looking for uh looking for

1577

01:05:17,190 --> 01:05:14,480

some form of comfort or spiritual

1578

01:05:20,390 --> 01:05:18,630

kell truth says my life has been

1579

01:05:21,910 --> 01:05:20,400

extremely stressful lately and i really

1580

01:05:23,109 --> 01:05:21,920

need an outlet prayer kind of sounds

1581

01:05:25,029 --> 01:05:23,119

like a good option i tried

1582

01:05:26,309 --> 01:05:25,039

and impulse no it does make me hungry

1583

01:05:29,109 --> 01:05:26,319

and tired

1584

01:05:30,069 --> 01:05:29,119

yeah i don't i don't know i think that

1585

01:05:32,390 --> 01:05:30,079

like i said if

1586

01:05:34,870 --> 01:05:32,400

you give it a try it might it might make

1587

01:05:37,510 --> 01:05:34,880

you feel better

1588

01:05:39,029 --> 01:05:37,520

you know uh it certainly has made me

1589

01:05:41,270 --> 01:05:39,039

feel better

1590

01:05:46,549 --> 01:05:41,280

kp says no keith will be respectful to

1591

01:05:51,750 --> 01:05:49,510

as what professor fez has has will with

1592

01:05:54,390 --> 01:05:51,760

beads the wrong kind that is yes

1593

01:05:56,230 --> 01:05:54,400

you have to see my uh david wilcock ten

1594

01:05:58,069 --> 01:05:56,240

thousand dollar challenge there's parts

1595

01:05:59,990 --> 01:05:58,079

one and two professor fez and you're

1596

01:06:00,789 --> 01:06:00,000

late to the party but i'm so glad you're

1597

01:06:03,750 --> 01:06:00,799

here

1598

01:06:04,309 --> 01:06:03,760

uh i gotta say professor fez posted all

1599

01:06:07,109 --> 01:06:04,319

of this

1600

01:06:08,870 --> 01:06:07,119

incredible research about grey aliens

1601  
01:06:11,029 --> 01:06:08,880  
and some other things on our channel

1602  
01:06:13,190 --> 01:06:11,039  
today which i'm happy to see

1603  
01:06:14,710 --> 01:06:13,200  
and i may be using some of that in our

1604  
01:06:16,710 --> 01:06:14,720  
upcoming show about

1605  
01:06:18,630 --> 01:06:16,720  
we're going to do a whole show on the

1606  
01:06:19,589 --> 01:06:18,640  
mystery of the gray aliens why is

1607  
01:06:22,230 --> 01:06:19,599  
everybody seeing these

1608  
01:06:22,710 --> 01:06:22,240  
aliens and they're all alike it's always

1609  
01:06:26,069 --> 01:06:22,720  
been

1610  
01:06:28,789 --> 01:06:26,079  
uh strange to me royce sinclair says

1611  
01:06:29,190 --> 01:06:28,799  
rosary envy yeah these are nice you know

1612  
01:06:36,789 --> 01:06:29,200  
i

1613  
01:06:38,950 --> 01:06:36,799

and as far as the bob lazar element 115

1614

01:06:41,029 --> 01:06:38,960

gifts that we'll be giving out for

1615

01:06:43,670 --> 01:06:41,039

anybody that makes a donation

1616

01:06:45,589 --> 01:06:43,680

those are going to be done soon and the

1617

01:06:46,069 --> 01:06:45,599

funny thing about that is that the

1618

01:06:48,150 --> 01:06:46,079

actual

1619

01:06:49,190 --> 01:06:48,160

glow-in-the-dark paint that i'm using to

1620

01:06:52,630 --> 01:06:49,200

make those

1621

01:06:54,870 --> 01:06:52,640

came from bob lazar's business bob lazar

1622

01:06:56,390 --> 01:06:54,880

uh as much as i beat him up and think

1623

01:06:58,549 --> 01:06:56,400

he's a fraud

1624

01:07:00,710 --> 01:06:58,559

fairy tale huckster telling his flying

1625

01:07:01,750 --> 01:07:00,720

saucer stories his business happens to

1626

01:07:04,950 --> 01:07:01,760

sell the best

1627

01:07:06,789 --> 01:07:04,960

glowing dark paint anywhere it's

1628

01:07:08,470 --> 01:07:06,799

it's probably twice or three times

1629

01:07:09,829 --> 01:07:08,480

brighter than any other glow-in-the-dark

1630

01:07:11,750 --> 01:07:09,839

paint you'll get

1631

01:07:13,349 --> 01:07:11,760

i don't know how he does that where he

1632

01:07:15,750 --> 01:07:13,359

gets it but uh

1633

01:07:16,789 --> 01:07:15,760

and it's also interesting to note that

1634

01:07:18,950 --> 01:07:16,799

in the magic

1635

01:07:20,390 --> 01:07:18,960

and special effects industry it's well

1636

01:07:21,349 --> 01:07:20,400

known that the best glow in the dark

1637

01:07:24,230 --> 01:07:21,359

paint comes from

1638

01:07:26,069 --> 01:07:24,240

united nuclear uh take from that what

1639

01:07:29,029 --> 01:07:26,079

you will but i think it's funny that i'm

1640

01:07:31,029 --> 01:07:29,039

gonna be making element 115 replicas

1641

01:07:34,710 --> 01:07:31,039

uh with glowing dark paint from his

1642

01:07:38,549 --> 01:07:37,910

kb says because what is from the earth

1643

01:07:41,270 --> 01:07:38,559

anything

1644

01:07:44,390 --> 01:07:41,280

earthly brings peace to most yeah i'm

1645

01:07:46,470 --> 01:07:44,400

learning that at my cabin

1646

01:07:49,109 --> 01:07:46,480

bunia says i don't want the rosary i

1647

01:07:52,630 --> 01:07:49,119

want rosemary

1648

01:07:55,109 --> 01:07:52,640

i don't know i don't know uh

1649

01:07:56,069 --> 01:07:55,119

how i would get you some rosemary bunya

1650

01:08:00,069 --> 01:07:56,079

i don't even know where to get

1651

01:08:03,510 --> 01:08:01,910

roy sinclair any response from dolan

1652

01:08:06,470 --> 01:08:03,520

anthony ripped into shred steven

1653

01:08:07,589 --> 01:08:06,480

zero absolutely zero i'm not you know

1654

01:08:10,390 --> 01:08:07,599

he's a big fish

1655

01:08:12,870 --> 01:08:10,400

and uh i'm a little fish in a big pond

1656

01:08:15,910 --> 01:08:12,880

and he's a big fish in a little pond

1657

01:08:17,189 --> 01:08:15,920

so i don't think that he feels any i

1658

01:08:19,590 --> 01:08:17,199

don't think that he feels any

1659

01:08:23,349 --> 01:08:19,600

responsibility to answer his critics

1660

01:08:26,630 --> 01:08:23,359

um but you know as far as mr dolan goes

1661

01:08:28,709 --> 01:08:26,640

it's going to get worse for him because

1662

01:08:30,550 --> 01:08:28,719

i'm doing a deep dive on these wilson

1663

01:08:32,950 --> 01:08:30,560

documents and when i'm done

1664

01:08:34,390 --> 01:08:32,960

uh mr dolan you're going to look like an

1665

01:08:36,229 --> 01:08:34,400

even bigger ass clown

1666

01:08:38,229 --> 01:08:36,239

when i do my show on the wilson

1667

01:08:39,910 --> 01:08:38,239

documents and how fake they are

1668

01:08:41,349 --> 01:08:39,920

it's not going to go well for you and

1669

01:08:43,269 --> 01:08:41,359

you keep posting this [h\_\_h]

1670

01:08:45,110 --> 01:08:43,279

keep monetizing more and more videos

1671

01:08:47,189 --> 01:08:45,120

about these wilson documents it's very

1672

01:08:49,749 --> 01:08:47,199

disrespectful for him to do that

1673

01:08:51,990 --> 01:08:49,759

because he's basically calling an

1674

01:08:55,030 --> 01:08:52,000

admiral a united states admiral

1675

01:08:57,269 --> 01:08:55,040

a liar which is ridiculous so

1676

01:08:59,510 --> 01:08:57,279

we've got an awful lot of stuff about

1677

01:09:01,269 --> 01:08:59,520

the wilson documents and some research

1678

01:09:03,440 --> 01:09:01,279

into eric davis in particular that

1679

01:09:05,189 --> 01:09:03,450

people are going to find interesting

1680

01:09:07,189 --> 01:09:05,199

[Music]

1681

01:09:09,110 --> 01:09:07,199

i think that it's going to be it's not

1682

01:09:11,430 --> 01:09:09,120

going to go well for mr dolan

1683

01:09:13,189 --> 01:09:11,440

he should just apologize to admiral

1684

01:09:15,430 --> 01:09:13,199

wilson and move on

1685

01:09:16,789 --> 01:09:15,440

if he doubles down he's going to regret

1686

01:09:18,550 --> 01:09:16,799

it because

1687

01:09:19,910 --> 01:09:18,560

i'm not even done yet i'm not even done

1688

01:09:20,789 --> 01:09:19,920

yet i've got another week's worth of

1689

01:09:23,749 --> 01:09:20,799

work to do

1690

01:09:25,669 --> 01:09:23,759

i gotta listen to his five-hour streams

1691

01:09:27,189 --> 01:09:25,679

uh one more time i listen to the one

1692

01:09:29,990 --> 01:09:27,199

five-hour stream where he's trying to

1693

01:09:32,070 --> 01:09:30,000

convince everybody why they're not fake

1694

01:09:33,349 --> 01:09:32,080

listen if it takes you five hours to

1695

01:09:36,630 --> 01:09:33,359

convince people

1696

01:09:39,669 --> 01:09:36,640

why something's not fake it's fake okay

1697

01:09:40,149 --> 01:09:39,679

mr dolan if you can't convince me that

1698

01:09:43,189 --> 01:09:40,159

it's not

1699

01:09:44,470 --> 01:09:43,199

fake in 20 minutes then it's fake you

1700

01:09:47,430 --> 01:09:44,480

know

1701

01:09:48,070 --> 01:09:47,440

grasping at straws for five hours and

1702

01:09:49,990 --> 01:09:48,080

monetize

1703

01:09:52,789 --> 01:09:50,000

stream where you're making money off of

1704

01:09:54,870 --> 01:09:52,799

another yet another hoax mr dolan

1705

01:09:56,470 --> 01:09:54,880

it's not gonna go well for you this is

1706

01:09:58,950 --> 01:09:56,480

not gonna go well for you

1707

01:10:00,229 --> 01:09:58,960

i mentioned our chess game i've only had

1708

01:10:03,430 --> 01:10:00,239

the opening move

1709

01:10:05,430 --> 01:10:03,440

already people's eyes are opening

1710

01:10:07,430 --> 01:10:05,440

and people are starting to realize that

1711

01:10:08,870 --> 01:10:07,440

you sell fairy tales you're no better

1712

01:10:09,830 --> 01:10:08,880

than any of the other fairy tale

1713

01:10:15,350 --> 01:10:09,840

hucksters

1714

01:10:18,630 --> 01:10:17,110

professor fez can you confirm that you

1715

01:10:20,310 --> 01:10:18,640

are a clone of jeremy the alien

1716

01:10:20,709 --> 01:10:20,320

scientist and christopher walken you

1717

01:10:24,070 --> 01:10:20,719

know

1718

01:10:27,990 --> 01:10:24,080

i i kind of resemble uh i would i would

1719

01:10:29,430 --> 01:10:28,000

take that you know uh yeah jeremy rises

1720

01:10:31,430 --> 01:10:29,440

is a decent looking guy i don't mind

1721

01:10:32,870 --> 01:10:31,440

being compared to him

1722

01:10:34,870 --> 01:10:32,880

and christopher walken that would be

1723

01:10:38,149 --> 01:10:34,880

kind of a strange strange mix

1724

01:10:40,229 --> 01:10:38,159

right vanessa thor is here he might

1725

01:10:43,350 --> 01:10:40,239

challenge you to a fight like he did cw

1726

01:10:45,030 --> 01:10:43,360

brooklyn style yeah well mr dolan uh you

1727

01:10:47,350 --> 01:10:45,040

may have grown up in brooklyn but i grew

1728

01:10:49,590 --> 01:10:47,360

up on the mean streets of philadelphia

1729

01:10:50,870 --> 01:10:49,600

kensington in fact look it up that's

1730

01:10:54,149 --> 01:10:50,880

where i grew up

1731

01:10:57,430 --> 01:10:55,910

but that would be funny if he wanted to

1732

01:10:59,590 --> 01:10:57,440

do it for terry i would do it i would

1733

01:11:01,750 --> 01:10:59,600

totally do it we could do a cage fight

1734

01:11:02,870 --> 01:11:01,760

richard me and you give all the money to

1735

01:11:05,350 --> 01:11:02,880

like a veteran's

1736

01:11:06,310 --> 01:11:05,360

home or charity i'll do it come on

1737

01:11:11,430 --> 01:11:06,320

richard dalton

1738

01:11:15,510 --> 01:11:13,590

professor fez late to this party we've

1739

01:11:15,990 --> 01:11:15,520

been on the radio for years i can tell

1740

01:11:19,430 --> 01:11:16,000

that

1741

01:11:21,430 --> 01:11:19,440

uh about because of your comments mr fez

1742

01:11:23,030 --> 01:11:21,440

professor fez i can tell that you've

1743

01:11:25,110 --> 01:11:23,040

been in this rodeo for years

1744

01:11:26,229 --> 01:11:25,120

based on the depth of your knowledge and

1745

01:11:28,229 --> 01:11:26,239

research that you

1746

01:11:29,990 --> 01:11:28,239

already posted today and i was really

1747

01:11:31,110 --> 01:11:30,000

thankful to see that

1748

01:11:32,709 --> 01:11:31,120

friends i've been getting pretty

1749

01:11:34,149 --> 01:11:32,719

discouraged because people are posting

1750

01:11:36,790 --> 01:11:34,159

real nasty

1751

01:11:39,110 --> 01:11:36,800

nasty stuff you know and i have to read

1752

01:11:40,310 --> 01:11:39,120

it or reply to it but today was nice

1753

01:11:41,990 --> 01:11:40,320

because professor

1754

01:11:43,669 --> 01:11:42,000

fez and a few other people were posting

1755

01:11:47,990 --> 01:11:43,679

very supportive comments

1756

01:11:50,310 --> 01:11:48,000

uh yeah oh here we go

1757

01:11:51,910 --> 01:11:50,320

vanessa thor thank you steven that is my

1758

01:11:53,510 --> 01:11:51,920

opinion as well i'm not comfortable

1759

01:11:55,510 --> 01:11:53,520

listening to dolan anymore because he's

1760

01:11:56,709 --> 01:11:55,520

calling admiral wilson a liar

1761

01:11:58,950 --> 01:11:56,719

yeah i think it's incredibly

1762

01:12:00,709 --> 01:11:58,960

disrespectful of him to go off and try

1763

01:12:02,470 --> 01:12:00,719

to make money off this story

1764

01:12:04,470 --> 01:12:02,480

continue to try to make money off this

1765

01:12:05,830 --> 01:12:04,480

story even after the person mentioned in

1766

01:12:09,590 --> 01:12:05,840

the documents said

1767

01:12:11,990 --> 01:12:09,600

quote this is a work of fiction unquote

1768

01:12:13,990 --> 01:12:12,000

it's ridiculous it's ridiculous and you

1769

01:12:16,630 --> 01:12:14,000

know it says a lot about his character

1770

01:12:17,830 --> 01:12:16,640

the admiral says it's a work of fiction

1771

01:12:21,350 --> 01:12:17,840

he won't let it go

1772

01:12:23,430 --> 01:12:21,360

it looks like an [h\_\_\h] now

1773

01:12:24,950 --> 01:12:23,440

if he just apologizes and let's go he's

1774

01:12:26,550 --> 01:12:24,960

going to look like an [h\_\_\h]

1775

01:12:29,430 --> 01:12:26,560

because he called it the ufo league of

1776

01:12:31,350 --> 01:12:29,440

the century really mr dolan a hoax

1777

01:12:33,189 --> 01:12:31,360

that the admiral mentioned in those

1778

01:12:35,669 --> 01:12:33,199

documents says is a work of fiction

1779

01:12:37,510 --> 01:12:35,679

is the ufo leak of the century maybe it

1780

01:12:38,390 --> 01:12:37,520

is because that's the best evidence that

1781

01:12:41,270 --> 01:12:38,400

you have

1782

01:12:43,110 --> 01:12:41,280

flimsy [h\_\_\h] it's [h\_\_\h] it's

1783

01:12:45,990 --> 01:12:43,120

[h\_\_\h] it's not real

1784

01:12:46,790 --> 01:12:46,000

richard dolan wake up maybe a remote

1785

01:12:48,790 --> 01:12:46,800

viewing wife

1786

01:12:53,270 --> 01:12:48,800

can go back in time and prove to you

1787

01:12:56,870 --> 01:12:54,709

it's a shame it used to be a breath of

1788

01:12:57,350 --> 01:12:56,880

fresh air i agree i used to be a big fan

1789

01:13:04,470 --> 01:12:57,360

of his

1790

01:13:07,270 --> 01:13:04,480

i'm sorry friends i'm way behind in the

1791

01:13:09,350 --> 01:13:07,280

way behind pbr street [\h\_\_\h] street gang

1792

01:13:11,430 --> 01:13:09,360

good i want to hear your expert day

1793

01:13:13,910 --> 01:13:11,440

of the eric davis notes and golden lies

1794

01:13:16,950 --> 01:13:13,920

wait wait for it pbr street gang

1795

01:13:18,070 --> 01:13:16,960

it's going to be a barn it's going to be

1796

01:13:19,990 --> 01:13:18,080

a barn burner

1797

01:13:21,990 --> 01:13:20,000

it is going to be good i found stuff

1798

01:13:23,990 --> 01:13:22,000

that i've never seen anybody find

1799

01:13:25,430 --> 01:13:24,000

i found a lot of stuff on eric davis

1800

01:13:27,830 --> 01:13:25,440

that is just

1801

01:13:29,430 --> 01:13:27,840

gold absolute gold and people are

1802

01:13:31,830 --> 01:13:29,440

contributing more to me

1803

01:13:33,990 --> 01:13:31,840

remember it is not pbr street gang if

1804

01:13:36,870 --> 01:13:34,000

you if anybody has any good stuff

1805

01:13:37,830 --> 01:13:36,880

on either eric davis or these wilson

1806

01:13:40,229 --> 01:13:37,840

documents

1807

01:13:41,910 --> 01:13:40,239

the truth though you know uh you can

1808

01:13:44,070 --> 01:13:41,920

email me at truthseekershow

1809

01:13:45,350 --> 01:13:44,080

gmail.com it's a collective effort here

1810

01:13:47,430 --> 01:13:45,360

and people are contributing

1811

01:13:49,430 --> 01:13:47,440

all kinds of good stuff that would

1812

01:13:53,750 --> 01:13:49,440

indicate that richard dolan

1813

01:13:58,950 --> 01:13:53,760

is way off in fairy tale land

1814

01:14:02,709 --> 01:14:00,550

if dolan is full of it what does that

1815

01:14:04,550 --> 01:14:02,719

say about dark journalist i always like

1816

01:14:06,070 --> 01:14:04,560

him but he does take dolan very

1817

01:14:08,630 --> 01:14:06,080

seriously i think that

1818

01:14:09,910 --> 01:14:08,640

uh dark journalist is still on the fan

1819

01:14:12,310 --> 01:14:09,920

train for him and

1820

01:14:14,310 --> 01:14:12,320

you know god bless him i'm i got off the

1821

01:14:17,270 --> 01:14:14,320

richard dolan fan train

1822

01:14:19,430 --> 01:14:17,280

you know professor fez yeah that's one

1823

01:14:22,390 --> 01:14:19,440

of the data points professor fez

1824

01:14:25,030 --> 01:14:22,400

oh gave me an incredible data point and

1825

01:14:27,189 --> 01:14:25,040

i can't wait to share it with you all

1826

01:14:28,390 --> 01:14:27,199

it is ridiculous it's absolutely

1827

01:14:30,550 --> 01:14:28,400

ridiculous

1828

01:14:32,950 --> 01:14:30,560

uh some of the claims that eric davis

1829

01:14:36,550 --> 01:14:32,960

has made can easily be shown to be

1830

01:14:38,790 --> 01:14:36,560

absolute fairy tale [h\_\_\h] nonsense

1831

01:14:40,709 --> 01:14:38,800

and uh thank you very much for that uh

1832

01:14:43,030 --> 01:14:40,719

professor fez if you have more

1833

01:14:44,070 --> 01:14:43,040

on mr davis please do email me at

1834

01:14:46,709 --> 01:14:44,080

truthseekershow

1835

01:14:48,470 --> 01:14:46,719

gmail.com i would much appreciate your

1836

01:14:49,189 --> 01:14:48,480

help and assistance based on what i've

1837

01:14:51,910 --> 01:14:49,199

seen

1838

01:14:52,229 --> 01:14:51,920

you have some great stuff to share and i

1839

01:14:54,709 --> 01:14:52,239

would

1840

01:14:57,270 --> 01:14:54,719

be happy to include it and credit you

1841

01:15:00,470 --> 01:14:57,280

for your excellent assistance

1842

01:15:03,189 --> 01:15:00,480

dildo sword fight uh oh

1843

01:15:06,550 --> 01:15:03,199

oh my god it's edgar casey in the twitch

1844

01:15:11,910 --> 01:15:09,030

mismc 91 i believe we've seen you here

1845

01:15:14,149 --> 01:15:11,920

before i'm glad to see you back here

1846

01:15:17,189 --> 01:15:14,159

great we have paranormal jiggy says have

1847

01:15:21,510 --> 01:15:19,430

i can't dance j i'm a white dude i just

1848

01:15:23,750 --> 01:15:21,520

i just can't dance you know i remember

1849

01:15:24,870 --> 01:15:23,760

it was funny like going to those dances

1850

01:15:26,790 --> 01:15:24,880

when you were a kid

1851

01:15:28,070 --> 01:15:26,800

i went because i was interested in girls

1852

01:15:29,990 --> 01:15:28,080

it was a good opportunity to try to meet

1853

01:15:30,870 --> 01:15:30,000

girls i only did the slow dances that's

1854

01:15:33,430 --> 01:15:30,880

all i could do

1855

01:15:35,189 --> 01:15:33,440

couldn't dance you know not even those

1856

01:15:37,110 --> 01:15:35,199

like you know electric slide or any of

1857

01:15:38,630 --> 01:15:37,120

that [h\_\_h] couldn't do any of it i'm just

1858

01:15:40,149 --> 01:15:38,640

too terrible with a white guy can't

1859

01:15:41,669 --> 01:15:40,159

dance so

1860

01:15:43,590 --> 01:15:41,679

you paranormal genie you've heard white

1861

01:15:47,430 --> 01:15:43,600

man can't jump it's true

1862

01:15:49,510 --> 01:15:47,440

we can't i'm 6'4 i can't dunk can't dunk

1863

01:15:51,189 --> 01:15:49,520

uh i just fixed the basketball court at

1864

01:15:54,229 --> 01:15:51,199

the campground

1865

01:15:55,990 --> 01:15:54,239

the cabin now i'm going to try i'm going

1866

01:15:58,709 --> 01:15:56,000

to try to dunk again

1867

01:15:59,430 --> 01:15:58,719

it's an unfulfilled wish of my life to

1868

01:16:02,390 --> 01:15:59,440

be able to dunk

1869

01:16:03,669 --> 01:16:02,400

could never do it and i'm 6'4 6'5 with

1870

01:16:05,910 --> 01:16:03,679

good sneakers on

1871

01:16:09,350 --> 01:16:05,920

still can't dunk and i certainly cannot

1872

01:16:17,590 --> 01:16:12,149

okay everybody say hello to jiggy yeah

1873

01:16:22,070 --> 01:16:20,229

to be fair yeah okay you want to play

1874

01:16:23,350 --> 01:16:22,080

the devil's advocate i'll give you that

1875

01:16:25,910 --> 01:16:23,360

it's hardly beyond the realms of

1876

01:16:28,950 --> 01:16:25,920

possibility for wilson to be lying

1877

01:16:29,350 --> 01:16:28,960

uh yes but if it was only listen if it

1878

01:16:34,630 --> 01:16:29,360

was

1879

01:16:36,630 --> 01:16:34,640

point that i'm going to present

1880

01:16:38,790 --> 01:16:36,640

if that's all i had was wilson saying

1881

01:16:41,590 --> 01:16:38,800

these were a work of fiction

1882

01:16:42,390 --> 01:16:41,600

i wouldn't be so adamant that those are

1883

01:16:45,350 --> 01:16:42,400

fake

1884

01:16:48,310 --> 01:16:45,360

there are going to be a treasure trove

1885

01:16:51,350 --> 01:16:48,320

of data points to smack

1886

01:16:53,510 --> 01:16:51,360

over the head of idiot richard dolan

1887

01:16:55,189 --> 01:16:53,520

i'm gonna smack him down like he's never

1888

01:16:57,350 --> 01:16:55,199

been smacked down before

1889

01:16:58,790 --> 01:16:57,360

and everyone's gonna hear about it

1890

01:17:00,470 --> 01:16:58,800

everybody's gonna see all these data

1891

01:17:02,870 --> 01:17:00,480

points and know that he's just out there

1892

01:17:04,950 --> 01:17:02,880

selling fairy tales so go ahead richard

1893

01:17:07,350 --> 01:17:04,960

dolan keep selling your fairy tales

1894

01:17:09,189 --> 01:17:07,360

if it was just admiral wilson saying it

1895

01:17:11,110 --> 01:17:09,199

was fiction i'd let it go

1896

01:17:12,870 --> 01:17:11,120

i'd say yeah maybe he's lying the

1897

01:17:14,390 --> 01:17:12,880

document's even safe he's ever asked

1898

01:17:14,950 --> 01:17:14,400

about that's convenient the documents

1899

01:17:16,950 --> 01:17:14,960

say

1900

01:17:18,950 --> 01:17:16,960

if i'm ever asked about this i will deny

1901

01:17:22,470 --> 01:17:18,960

this meeting ever happened

1902

01:17:26,870 --> 01:17:24,870

eric the weasel davis oh yeah you have

1903

01:17:28,310 --> 01:17:26,880

no idea some of the things that i found

1904

01:17:31,430 --> 01:17:28,320

about him vanessa

1905

01:17:32,790 --> 01:17:31,440

thor it's gonna be a fun night i'm gonna

1906

01:17:34,390 --> 01:17:32,800

you know what and i'm gonna

1907

01:17:36,870 --> 01:17:34,400

i'm gonna do something that i don't

1908

01:17:39,189 --> 01:17:36,880

usually do i'm going to

1909

01:17:40,630 --> 01:17:39,199

uh set a date for it very soon i want to

1910

01:17:42,470 --> 01:17:40,640

get a little further through the

1911

01:17:43,990 --> 01:17:42,480

research that i have to do and if you

1912

01:17:46,070 --> 01:17:44,000

guys have been following me for a long

1913

01:17:47,750 --> 01:17:46,080

time thought that i presented a hell of

1914

01:17:49,430 --> 01:17:47,760

a lot of data and proof

1915

01:17:51,830 --> 01:17:49,440

on something like the pete peterson

1916

01:17:54,229 --> 01:17:51,840

investigation this is going to

1917

01:17:54,870 --> 01:17:54,239

make that look like you know grade

1918

01:17:57,270 --> 01:17:54,880

school

1919

01:17:59,510 --> 01:17:57,280

research i've done a good job and i'm

1920

01:18:01,510 --> 01:17:59,520

but i'm still hungry you know i want to

1921

01:18:04,950 --> 01:18:01,520

continue to look

1922

01:18:06,790 --> 01:18:04,960

no stone uncovered we are going to look

1923

01:18:08,390 --> 01:18:06,800

everywhere we're going to find every bit

1924

01:18:09,669 --> 01:18:08,400

of evidence that we can and we're going

1925

01:18:12,070 --> 01:18:09,679

to present it all

1926

01:18:13,750 --> 01:18:12,080

and then richard dolan is once again

1927

01:18:18,709 --> 01:18:13,760

going to have to choose to either ignore

1928

01:18:25,270 --> 01:18:22,229

more davis [h\_\_h] yes pbr street gang

1929

01:18:28,630 --> 01:18:25,280

he seems to be filled with it

1930

01:18:29,910 --> 01:18:28,640

oh i'm mario heat okay all right mario

1931

01:18:32,390 --> 01:18:29,920

well it's good that you're in the twitch

1932

01:18:34,149 --> 01:18:32,400

chat uh you know holding that down

1933

01:18:35,590 --> 01:18:34,159

probably by yourself over there sorry if

1934

01:18:36,630 --> 01:18:35,600

you're feeling lonely we're still trying

1935

01:18:39,510 --> 01:18:36,640

to get the twitch chat

1936

01:18:39,990 --> 01:18:39,520

going if you guys uh don't already have

1937

01:18:43,910 --> 01:18:40,000

a

1938

01:18:47,030 --> 01:18:43,920

follow truthseeker show

1939

01:18:51,270 --> 01:18:47,040

uh it's twitch.tv backslash truthseeker

1940

01:18:55,750 --> 01:18:54,149

professor fez it took me two minutes and

1941

01:18:57,830 --> 01:18:55,760

dylan couldn't find it in 20 years

1942

01:19:03,510 --> 01:18:57,840

boulder dash yeah you win professor

1943

01:19:07,430 --> 01:19:06,229

i love watching bad dancers dance oh my

1944

01:19:10,310 --> 01:19:07,440

god i love it

1945

01:19:11,750 --> 01:19:10,320

yeah i like some of those people that

1946

01:19:13,270 --> 01:19:11,760

can't dance with the [h\_\_h] that go on

1947

01:19:17,430 --> 01:19:13,280

ellen and are forced to for a few

1948

01:19:20,870 --> 01:19:20,149

yes pbr i don't want to tip my hat but i

1949

01:19:22,950 --> 01:19:20,880

have more

1950

01:19:24,390 --> 01:19:22,960

there's there's more substantial proof

1951

01:19:27,110 --> 01:19:24,400

that proves that not only

1952

01:19:27,669 --> 01:19:27,120

was he not in las vegas he couldn't have

1953

01:19:33,990 --> 01:19:27,679

been

1954

01:19:38,870 --> 01:19:34,000

uh and we may get to see some of that

1955

01:19:41,990 --> 01:19:40,310

rory i considered that but i have to

1956

01:19:44,310 --> 01:19:42,000

remain silent on the docks until after

1957

01:19:48,310 --> 01:19:44,320

he retired and only davis financially

1958

01:19:51,750 --> 01:19:49,910

even if wilson is a liar i'm not

1959

01:19:53,110 --> 01:19:51,760

comfortable accusing him no it's not

1960

01:19:54,709 --> 01:19:53,120

really right to accuse him of that

1961

01:19:56,630 --> 01:19:54,719

because he's a he's united states

1962

01:20:01,669 --> 01:19:56,640

admiral he deserves at least

1963

01:20:05,030 --> 01:20:03,669

mario he says yep holding down the fort

1964

01:20:07,430 --> 01:20:05,040

with edgar casey

1965

01:20:09,110 --> 01:20:07,440

and oh but genocide has joined you over

1966

01:20:13,910 --> 01:20:09,120

in the twitch chat and he says hi

1967

01:20:18,310 --> 01:20:16,229

vanessa sworth thor is talking about

1968

01:20:20,470 --> 01:20:18,320

eric davis and says doesn't he look like

1969

01:20:24,629 --> 01:20:20,480

a weasel pbr a cute weasel

1970

01:20:29,270 --> 01:20:26,070

he doesn't deepen i said who would

1971

01:20:34,310 --> 01:20:31,910

well i think after you see some of the

1972

01:20:36,790 --> 01:20:34,320

data that i've dug up on mr davis

1973

01:20:38,149 --> 01:20:36,800

uh even fewer people will believe him

1974

01:20:41,510 --> 01:20:38,159

and again this is

1975

01:20:42,470 --> 01:20:41,520

this is it's always tied somehow to have

1976

01:20:44,310 --> 01:20:42,480

put off

1977

01:20:46,149 --> 01:20:44,320

there's a lot of connections there help

1978

01:20:48,070 --> 01:20:46,159

put off in tsa

1979

01:20:49,510 --> 01:20:48,080

they're always hyping this stuff up and

1980

01:20:51,750 --> 01:20:49,520

trying to profit from it

1981

01:20:53,350 --> 01:20:51,760

and they never get to the port they

1982

01:20:54,550 --> 01:20:53,360

never get to the part where they show us

1983

01:20:57,910 --> 01:20:54,560

the goods the proof

1984

01:21:00,950 --> 01:20:57,920

never and they never will

1985

01:21:02,229 --> 01:21:00,960

so you know it is what it is friends uh

1986

01:21:03,990 --> 01:21:02,239

you know i know i have a lot of work

1987

01:21:05,590 --> 01:21:04,000

ahead of me i joke

1988

01:21:07,430 --> 01:21:05,600

before that if you're gonna try to take

1989

01:21:09,510 --> 01:21:07,440

down a giant make sure you have

1990

01:21:10,870 --> 01:21:09,520

uh bring a lot of really big rocks with

1991

01:21:13,110 --> 01:21:10,880

you and i'm gonna be

1992

01:21:14,070 --> 01:21:13,120

bringing every rock that i can find with

1993

01:21:15,750 --> 01:21:14,080

me to

1994

01:21:17,669 --> 01:21:15,760

show people the truth behind these

1995

01:21:20,709 --> 01:21:17,679

documents and how these idiot

1996

01:21:22,550 --> 01:21:20,719

profiteer ufo profiteers continue to try

1997

01:21:25,830 --> 01:21:22,560

to profit from fake stories

1998

01:21:28,709 --> 01:21:25,840

it's fake stories and listen i will say

1999

01:21:29,590 --> 01:21:28,719

at the very best these wilson documents

2000

01:21:32,149 --> 01:21:29,600

will go down

2001

01:21:32,870 --> 01:21:32,159

exactly like the mj 12 documents will go

2002

01:21:34,550 --> 01:21:32,880

down

2003

01:21:37,110 --> 01:21:34,560

people are going to argue about them for

2004

01:21:39,750 --> 01:21:37,120

10 years and no one will ever

2005

01:21:41,350 --> 01:21:39,760

really definitively prove or disprove

2006

01:21:43,270 --> 01:21:41,360

them there are some of the wilson

2007

01:21:45,030 --> 01:21:43,280

or some of the mj12 documents are

2008

01:21:47,430 --> 01:21:45,040

absolutely proven to be fake and

2009

01:21:48,870 --> 01:21:47,440

fabrications but the originals

2010

01:21:50,550 --> 01:21:48,880

there's still people who believe that

2011

01:21:53,510 --> 01:21:50,560

those are real

2012

01:21:55,030 --> 01:21:53,520

or the cop out they're based on real

2013

01:21:57,350 --> 01:21:55,040

information but they're not real

2014

01:22:00,950 --> 01:21:57,360

documents

2015

01:22:02,550 --> 01:22:00,960

uh yeah somehow it seems that way more

2016

01:22:03,350 --> 01:22:02,560

people believe the weasel over the

2017

01:22:07,910 --> 01:22:03,360

admiral

2018

01:22:08,229 --> 01:22:07,920

yeah professor fez says that he looks

2019

01:22:11,590 --> 01:22:08,239

like

2020

01:22:13,510 --> 01:22:11,600

mourn from deep space nine

2021

01:22:15,669 --> 01:22:13,520

brad gray so admiral wilson definitely

2022

01:22:16,470 --> 01:22:15,679

denied the docs yes brad gray he said

2023

01:22:21,510 --> 01:22:16,480

that they are

2024

01:22:24,629 --> 01:22:23,430

i'd really like to uh present some of

2025

01:22:27,110 --> 01:22:24,639

the stuff that uh

2026

01:22:28,229 --> 01:22:27,120

john greenwald over at uh the black

2027

01:22:30,149 --> 01:22:28,239

vault found

2028

01:22:31,750 --> 01:22:30,159

which was really funny in that the

2029

01:22:33,830 --> 01:22:31,760

wilson documents are written in

2030

01:22:35,510 --> 01:22:33,840

screenplay format

2031

01:22:39,750 --> 01:22:35,520

how convenient they were written in

2032

01:22:41,430 --> 01:22:39,760

screenplay format

2033

01:22:42,950 --> 01:22:41,440

and you know it's it's really

2034

01:22:46,870 --> 01:22:42,960

interesting to me that

2035

01:22:48,310 --> 01:22:46,880

you know what richard dolan keeps saying

2036

01:22:50,629 --> 01:22:48,320

that he was first showing a page of

2037

01:22:52,950 --> 01:22:50,639

these documents in 2006 but he can't

2038

01:22:54,629 --> 01:22:52,960

tell us who showed him those documents

2039

01:22:56,390 --> 01:22:54,639

because he promised them that they want

2040

01:22:58,470 --> 01:22:56,400

that he wouldn't reveal their

2041

01:22:59,590 --> 01:22:58,480

you know identity and then he brings on

2042

01:23:02,070 --> 01:22:59,600

what is it mr

2043

01:23:02,870 --> 01:23:02,080

x is his excellent source that comes on

2044

01:23:05,750 --> 01:23:02,880

with him

2045

01:23:08,229 --> 01:23:05,760

and for five hours tries to you know

2046

01:23:10,070 --> 01:23:08,239

prove to everyone why they're real

2047

01:23:11,910 --> 01:23:10,080

and the evidence is so weak they're just

2048

01:23:12,470 --> 01:23:11,920

connecting all kinds of dots that don't

2049

01:23:15,590 --> 01:23:12,480

really

2050

01:23:18,229 --> 01:23:15,600

you know just connect the dots you know

2051

01:23:23,110 --> 01:23:18,239

uh it's it's really sad it's really sad

2052

01:23:26,629 --> 01:23:25,110

i thought davis i thought wilson told

2053

01:23:29,910 --> 01:23:26,639

davis he would deny any knowledge of it

2054

01:23:31,990 --> 01:23:29,920

if it became public uh yeah he's

2055

01:23:33,750 --> 01:23:32,000

but did wilson really say that or did

2056

01:23:34,470 --> 01:23:33,760

someone who was writing these wilson

2057

01:23:42,229 --> 01:23:34,480

documents

2058

01:23:46,470 --> 01:23:44,550

yes pbr street gangs so we all believe

2059

01:23:46,870 --> 01:23:46,480

in the bs and davis notes but don't

2060

01:23:48,390 --> 01:23:46,880

believe

2061

01:23:51,430 --> 01:23:48,400

admiral wilson when he says they are

2062

01:23:55,270 --> 01:23:54,870

pbr street gang mr x for [h\_\_h] sake

2063

01:23:57,430 --> 01:23:55,280

yeah

2064

01:23:59,510 --> 01:23:57,440

that's the quality of richard dolan you

2065

01:24:01,270 --> 01:23:59,520

know oh and he gave some x place well

2066

01:24:02,550 --> 01:24:01,280

you know he wants he wants to remain

2067

01:24:05,430 --> 01:24:02,560

anonymous uh

2068

01:24:06,229 --> 01:24:05,440

you know because people are nasty uh

2069

01:24:10,390 --> 01:24:06,239

yeah

2070

01:24:12,149 --> 01:24:10,400

okay in this all community it seems to

2071

01:24:14,830 --> 01:24:12,159

me more people believe the weasel over

2072

01:24:16,070 --> 01:24:14,840

admiral that is with help from dolan and

2073

01:24:20,550 --> 01:24:16,080

ttsapr

2074

01:24:22,790 --> 01:24:20,560

yes i wonder if mr x is david wilcock he

2075

01:24:24,550 --> 01:24:22,800

is the insider's insider no completely

2076

01:24:27,830 --> 01:24:24,560

different voice diction

2077

01:24:30,629 --> 01:24:27,840

and manner of speaking couldn't be mr

2078

01:24:32,390 --> 01:24:30,639

wilcox he's too busy everybody knows

2079

01:24:33,990 --> 01:24:32,400

that mr wilcock doesn't have time to do

2080

01:24:35,750 --> 01:24:34,000

a five hour stream with richard dolan

2081

01:24:37,750 --> 01:24:35,760

because he's too busy every day

2082

01:24:39,830 --> 01:24:37,760

looking for my huge box of dildos

2083

01:24:42,830 --> 01:24:39,840

culture and by the way

2084

01:24:44,310 --> 01:24:42,840

uh today let's just do a check is august

2085

01:24:47,830 --> 01:24:44,320

17th

2086

01:24:49,350 --> 01:24:47,840

i originally buried the huge box of

2087

01:24:53,189 --> 01:24:49,360

dildos for him on july

2088

01:24:56,390 --> 01:24:53,199

1st 2020 so that means yet

2089

01:24:59,430 --> 01:24:56,400

the 31 days in july david wilcock was

2090

01:25:00,870 --> 01:24:59,440

unable to locate that huge box of dildos

2091

01:25:03,669 --> 01:25:00,880

and so far

2092

01:25:05,830 --> 01:25:03,679

we are up to 17 days of august so he's

2093

01:25:09,110 --> 01:25:05,840

had 31.41

2094

01:25:11,830 --> 01:25:09,120

g like 48 49 days now

2095

01:25:13,750 --> 01:25:11,840

david wilcock has had to find the big

2096

01:25:16,229 --> 01:25:13,760

huge box of dildos

2097

01:25:17,590 --> 01:25:16,239

so far he has not found found a big huge

2098

01:25:20,709 --> 01:25:17,600

box of dildos there

2099

01:25:22,629 --> 01:25:20,719

are about 15 single

2100

01:25:24,310 --> 01:25:22,639

dildos buried all over the world there's

2101

01:25:26,229 --> 01:25:24,320

one in japan there's one in china

2102

01:25:26,870 --> 01:25:26,239

there's one in south america there's

2103

01:25:31,030 --> 01:25:26,880

several

2104

01:25:33,669 --> 01:25:31,040

canada

2105

01:25:35,110 --> 01:25:33,679

uh there's one in england even i believe

2106

01:25:37,590 --> 01:25:35,120

there's one in scotland

2107

01:25:39,030 --> 01:25:37,600

now he's been unable to find any of the

2108

01:25:41,590 --> 01:25:39,040

dildos there's several

2109

01:25:43,830 --> 01:25:41,600

in different spots in europe he's been

2110

01:25:44,550 --> 01:25:43,840

unable to find any of the single dildos

2111

01:25:47,510 --> 01:25:44,560

or

2112

01:25:53,590 --> 01:25:47,520

the big huge grand prize box of dildos

2113

01:25:58,229 --> 01:25:56,149

yes professor fez i wouldn't waste my

2114

01:25:59,990 --> 01:25:58,239

staff's time to go looking wilson said

2115

01:26:02,070 --> 01:26:00,000

that in 2004

2116

01:26:03,510 --> 01:26:02,080

but people still keep citing him as some

2117

01:26:05,669 --> 01:26:03,520

guy that was interested and went

2118

01:26:08,390 --> 01:26:05,679

trying to find the ufo truth and even he

2119

01:26:10,550 --> 01:26:08,400

said i wouldn't waste my staff's time

2120

01:26:14,390 --> 01:26:10,560

to go looking that was admiral wilson in

2121

01:26:17,430 --> 01:26:16,229

yeah this is why he's doubled down and

2122

01:26:18,950 --> 01:26:17,440

he can't just

2123

01:26:20,470 --> 01:26:18,960

admit that he was wrong because he's

2124

01:26:21,669 --> 01:26:20,480

going to look like an [h\_\_h]

2125

01:26:23,430 --> 01:26:21,679

but he's going to look like a bigger

2126  
01:26:24,790 --> 01:26:23,440  
[h\_\_h] if he keeps doubling down on

2127  
01:26:27,270 --> 01:26:24,800  
this [h\_\_h]

2128  
01:26:29,590 --> 01:26:27,280  
don't announce the document he started

2129  
01:26:30,870 --> 01:26:29,600  
he started by saying this is it folks

2130  
01:26:37,270 --> 01:26:30,880  
this is disclosure

2131  
01:26:39,350 --> 01:26:37,280  
wrong voice and clear mr x is english

2132  
01:26:40,790 --> 01:26:39,360  
i don't believe so he sounded southern

2133  
01:26:48,830 --> 01:26:40,800  
somewhat southern to me

2134  
01:26:51,350 --> 01:26:49,990  
wrong

2135  
01:26:52,790 --> 01:26:51,360  
yes because if you were lying about a

2136  
01:26:54,470 --> 01:26:52,800  
public figures quote the best way to

2137  
01:26:58,310 --> 01:26:54,480  
cover your bases is to include that they

2138  
01:26:58,320 --> 01:27:06,390

it gives you a it gives you an app right

2139

01:27:09,990 --> 01:27:08,790

mr x is probably the paranormal lawyer

2140

01:27:14,070 --> 01:27:10,000

who have hosts

2141

01:27:17,189 --> 01:27:14,080

sor on sundays uh pbr street gang please

2142

01:27:18,950 --> 01:27:17,199

email me or post in the live chat the

2143

01:27:20,790 --> 01:27:18,960

link to that show if you could because

2144

01:27:23,350 --> 01:27:20,800

i'd like to compare their voices maybe

2145

01:27:24,709 --> 01:27:23,360

we can get to the bottom of who mr x is

2146

01:27:27,030 --> 01:27:24,719

wouldn't that be fun

2147

01:27:30,950 --> 01:27:27,040

and we can take that [h\_\_h] anonymous

2148

01:27:36,149 --> 01:27:34,149

mr x is tim mcmillan i gotta hear tim

2149

01:27:36,709 --> 01:27:36,159

mcmillan's voice now and maybe i'll be

2150

01:27:40,070 --> 01:27:36,719

able to

2151

01:27:41,430 --> 01:27:40,080

uh to tell i'm very good with uh

2152

01:27:44,149 --> 01:27:41,440

you know i spent a lifetime as a

2153

01:27:47,189 --> 01:27:44,159

musician i'm very very good

2154

01:27:49,750 --> 01:27:47,199

uh with with audio and matching voices

2155

01:27:51,189 --> 01:27:49,760

so we might be able to determine who mr

2156

01:27:52,470 --> 01:27:51,199

x actually is

2157

01:27:55,590 --> 01:27:52,480

and that would be good that would be a

2158

01:27:59,830 --> 01:27:57,830

okay bleach saw says donald trump and

2159

01:28:01,590 --> 01:27:59,840

joe biden are so stupid can't even vote

2160

01:28:02,149 --> 01:28:01,600

on either and feel good about it what do

2161

01:28:05,189 --> 01:28:02,159

you think

2162

01:28:06,629 --> 01:28:05,199

about this and welcome bleach there's a

2163

01:28:09,830 --> 01:28:06,639

bleach sauce

2164

01:28:12,550 --> 01:28:09,840

in the in the actual twitch chat

2165

01:28:14,149 --> 01:28:12,560

welcome uh i believe you are a new

2166

01:28:14,709 --> 01:28:14,159

participant i have not seen you here

2167

01:28:17,990 --> 01:28:14,719

before

2168

01:28:20,149 --> 01:28:18,000

welcome i'm glad that you found us uh

2169

01:28:23,910 --> 01:28:20,159

here's what i'll say about politics

2170

01:28:25,910 --> 01:28:23,920

it's uh it's a quote from george carlin

2171

01:28:27,189 --> 01:28:25,920

they call it the american dream because

2172

01:28:30,149 --> 01:28:27,199

you have to be sleeping

2173

01:28:31,430 --> 01:28:30,159

to believe it uh i think that our

2174

01:28:34,070 --> 01:28:31,440

country is a joke

2175

01:28:35,110 --> 01:28:34,080

it's not what they taught us in school

2176

01:28:38,149 --> 01:28:35,120

it's one big

2177

01:28:40,709 --> 01:28:38,159

corporation controlled

2178

01:28:42,070 --> 01:28:40,719

[h\_\_\h] show and i for one choose to not

2179

01:28:44,070 --> 01:28:42,080

participate i refuse

2180

01:28:45,350 --> 01:28:44,080

to choose the lesser of two evils both

2181

01:28:47,590 --> 01:28:45,360

of these people

2182

01:28:49,270 --> 01:28:47,600

are incredibly flawed candidates and if

2183

01:28:51,030 --> 01:28:49,280

that is the best that we have in our

2184

01:28:53,510 --> 01:28:51,040

country to lead us

2185

01:28:54,470 --> 01:28:53,520

uh that says a lot about how shitty our

2186

01:28:56,870 --> 01:28:54,480

country actually

2187

01:28:57,590 --> 01:28:56,880

is and i won't be voting this time

2188

01:28:59,990 --> 01:28:57,600

around

2189

01:29:04,709 --> 01:29:00,000

uh you know i'm just not going to

2190

01:29:07,990 --> 01:29:06,550

vanessa thor says someday many people

2191

01:29:09,830 --> 01:29:08,000

are going to discover build

2192

01:29:11,669 --> 01:29:09,840

dildos across the globe and think it's

2193

01:29:16,070 --> 01:29:11,679

some satanic sex ritual

2194

01:29:19,270 --> 01:29:17,830

where is the evidence for a large ape we

2195

01:29:20,470 --> 01:29:19,280

would have found it already right well

2196

01:29:22,709 --> 01:29:20,480

bleach loss if you

2197

01:29:24,709 --> 01:29:22,719

if you rewind and go through the

2198

01:29:28,669 --> 01:29:24,719

presentation i presented tonight

2199

01:29:29,830 --> 01:29:28,679

we found that as as uh as recently as

2200

01:29:32,629 --> 01:29:29,840

2017

2201  
01:29:33,750 --> 01:29:32,639  
an entirely new species of orangutan was

2202  
01:29:36,870 --> 01:29:33,760  
discovered

2203  
01:29:37,590 --> 01:29:36,880  
uh in a significant population so

2204  
01:29:40,790 --> 01:29:37,600  
they're still

2205  
01:29:43,910 --> 01:29:40,800  
large apes being discovered uh even as

2206  
01:29:47,030 --> 01:29:43,920  
recently as 2017 there's also the

2207  
01:29:48,149 --> 01:29:47,040  
bilby ape which is the giant chimpanzees

2208  
01:29:51,510 --> 01:29:48,159  
that were discovered maybe

2209  
01:29:54,550 --> 01:29:51,520  
10 or 15 i think 10 or so years ago

2210  
01:29:56,070 --> 01:29:54,560  
which is subspecies of chimpanzees that

2211  
01:29:58,310 --> 01:29:56,080  
were never known to exist

2212  
01:29:59,110 --> 01:29:58,320  
up until about 10 years ago so believe

2213  
01:30:00,950 --> 01:29:59,120

it or not

2214

01:30:03,510 --> 01:30:00,960

large primates are still being

2215

01:30:05,510 --> 01:30:03,520

discovered that were previously unknown

2216

01:30:06,550 --> 01:30:05,520

which means that things like bigfoot

2217

01:30:09,910 --> 01:30:06,560

yeti

2218

01:30:12,229 --> 01:30:09,920

uh the florida scum skunk ape

2219

01:30:12,950 --> 01:30:12,239

and the iran pending tonight's show

2220

01:30:15,669 --> 01:30:12,960

subject

2221

01:30:19,430 --> 01:30:15,679

may still be discovered they may be real

2222

01:30:23,750 --> 01:30:21,430

boy sinclair should be easy comparing

2223

01:30:26,870 --> 01:30:23,760

voices it's it's harder than you think

2224

01:30:29,270 --> 01:30:26,880

but uh i'm willing to give it a go if

2225

01:30:30,550 --> 01:30:29,280

we can get some likely candidates so

2226

01:30:32,149 --> 01:30:30,560

people know who the like

2227

01:30:34,149 --> 01:30:32,159

we've heard that it's a lawyer that

2228

01:30:35,990 --> 01:30:34,159

hosts a show paranormal lawyer that

2229

01:30:37,030 --> 01:30:36,000

hosts the show we've heard it maybe tim

2230

01:30:38,709 --> 01:30:37,040

mcmillan

2231

01:30:40,629 --> 01:30:38,719

we're going to see if we can't get voice

2232

01:30:41,830 --> 01:30:40,639

samples from all of the suspects and

2233

01:30:46,390 --> 01:30:41,840

compare them to

2234

01:30:48,709 --> 01:30:46,400

mr x on richard dallin's show

2235

01:30:49,910 --> 01:30:48,719

english people always mimic americans by

2236

01:30:57,030 --> 01:30:49,920

sounding southern

2237

01:31:00,629 --> 01:30:59,030

conspiracy says word on the street is

2238

01:31:02,470 --> 01:31:00,639

david chilcock is saying he doesn't need

2239

01:31:04,790 --> 01:31:02,480

any dildos as long as corey good for

2240

01:31:08,149 --> 01:31:04,800

nothing has his back

2241

01:31:11,590 --> 01:31:08,159

oh boy oh

2242

01:31:14,709 --> 01:31:11,600

boy greer is creepy

2243

01:31:15,430 --> 01:31:14,719

seems aggro yeah he's kind of creepy

2244

01:31:18,470 --> 01:31:15,440

that guy

2245

01:31:21,350 --> 01:31:18,480

he's definitely kind of creepy those

2246

01:31:24,390 --> 01:31:21,360

tight jeans professor

2247

01:31:27,350 --> 01:31:24,400

oh no yeah

2248

01:31:29,030 --> 01:31:27,360

mario heat says trump is a large ape

2249

01:31:31,750 --> 01:31:29,040

quite possibly

2250

01:31:32,629 --> 01:31:31,760

uh then somebody like offered somebody

2251

01:31:35,110 --> 01:31:32,639

offered to

2252

01:31:36,709 --> 01:31:35,120

like give money to his favorite charity

2253

01:31:39,830 --> 01:31:36,719

if he could prove that he was not

2254

01:31:42,870 --> 01:31:39,840

fathered by an orangutan

2255

01:31:46,470 --> 01:31:42,880

speaking of orangutans that orange hair

2256

01:31:48,950 --> 01:31:46,480

and that orange face oh geez

2257

01:31:50,629 --> 01:31:48,960

pbr street gang says not him no way

2258

01:31:52,070 --> 01:31:50,639

maybe we'll take him off our list pvr

2259

01:31:53,830 --> 01:31:52,080

street gang

2260

01:31:56,070 --> 01:31:53,840

and vanessa thor greer looks like an

2261

01:31:59,510 --> 01:31:56,080

alien maybe he's a hybrid

2262

01:32:00,550 --> 01:31:59,520

so does jack ma not familiar with that

2263

01:32:02,229 --> 01:32:00,560

person but

2264

01:32:04,070 --> 01:32:02,239

yeah he does look a little strange

2265

01:32:06,470 --> 01:32:04,080

especially the balder that he gets

2266

01:32:07,590 --> 01:32:06,480

his head's real big you know maybe he's

2267

01:32:13,830 --> 01:32:07,600

a

2268

01:32:15,590 --> 01:32:13,840

know friends you never know

2269

01:32:18,149 --> 01:32:15,600

but we have vanessa thor in our live

2270

01:32:24,870 --> 01:32:18,159

chat who is an actual fullbright alien

2271

01:32:33,990 --> 01:32:30,149

interesting

2272

01:32:37,189 --> 01:32:36,070

so friends uh i think we're gonna wrap

2273

01:32:38,629 --> 01:32:37,199

things up here

2274

01:32:41,189 --> 01:32:38,639

i have a bunch of other stuff that i

2275

01:32:43,910 --> 01:32:41,199

have to try to do

2276

01:32:46,149 --> 01:32:43,920

before uh before getting some

2277

01:32:48,950 --> 01:32:46,159

much-needed rest tonight

2278

01:32:49,830 --> 01:32:48,960

i do sincerely apologize for the uh for

2279

01:32:51,110 --> 01:32:49,840

the technical

2280

01:32:52,950 --> 01:32:51,120

difficulties at the beginning of the

2281

01:32:54,070 --> 01:32:52,960

show and i want to thank once again

2282

01:32:56,790 --> 01:32:54,080

those people who are trying to

2283

01:32:58,229 --> 01:32:56,800

call me next time that happens i'll know

2284

01:33:00,390 --> 01:32:58,239

to just answer the phone

2285

01:33:02,310 --> 01:33:00,400

because somebody's trying to alert me of

2286

01:33:03,990 --> 01:33:02,320

something stupid happening like

2287

01:33:06,070 --> 01:33:04,000

there being no microphone for the first

2288

01:33:08,390 --> 01:33:06,080

10 minutes of the show but like i said

2289

01:33:10,950 --> 01:33:08,400

i'm gonna fix it tomorrow i'll just

2290

01:33:12,470 --> 01:33:10,960

i'm going to download my software lets

2291

01:33:13,750 --> 01:33:12,480

me download each show so i'm going to

2292

01:33:15,590 --> 01:33:13,760

download the show

2293

01:33:18,149 --> 01:33:15,600

i'll cut out the part where there was no

2294

01:33:20,070 --> 01:33:18,159

audio and then upload it to youtube

2295

01:33:21,590 --> 01:33:20,080

and i might even do that tonight just so

2296

01:33:22,550 --> 01:33:21,600

that i get it out of the way and it's

2297

01:33:25,830 --> 01:33:22,560

done

2298

01:33:27,669 --> 01:33:25,840

you know i think um you know

2299

01:33:28,870 --> 01:33:27,679

out of mind says nice show stephen thank

2300

01:33:30,790 --> 01:33:28,880

you i have

2301  
01:33:33,270 --> 01:33:30,800  
100 more in a folder we're just going to

2302  
01:33:34,470 --> 01:33:33,280  
keep quite honestly friends what we're

2303  
01:33:37,189 --> 01:33:34,480  
doing here

2304  
01:33:39,350 --> 01:33:37,199  
right now is we're going through all of

2305  
01:33:40,790 --> 01:33:39,360  
my favorite conspiracy land stories that

2306  
01:33:43,270 --> 01:33:40,800  
i grew up with

2307  
01:33:45,110 --> 01:33:43,280  
um and it's fun for me because i get to

2308  
01:33:47,430 --> 01:33:45,120  
sort of check back in with them see if

2309  
01:33:50,629 --> 01:33:47,440  
there's been new evidence or new

2310  
01:33:52,310 --> 01:33:50,639  
uh you know new parts of the story

2311  
01:33:54,070 --> 01:33:52,320  
uh there's tons of new parts of the

2312  
01:33:56,790 --> 01:33:54,080  
dybbuk box story

2313  
01:33:57,990 --> 01:33:56,800

a few new tidbits uh of this orange

2314

01:34:01,990 --> 01:33:58,000

pendant like the

2315

01:34:03,430 --> 01:34:02,000

uh you know uh tapanuli orangutan that

2316

01:34:10,229 --> 01:34:03,440

was discovered

2317

01:34:13,830 --> 01:34:12,310

and mario he says great show minus the

2318

01:34:16,950 --> 01:34:13,840

beginning

2319

01:34:18,629 --> 01:34:16,960

all right mario he uh yeah man i'm doing

2320

01:34:19,510 --> 01:34:18,639

my best here like i said it's a live

2321

01:34:21,590 --> 01:34:19,520

show

2322

01:34:23,750 --> 01:34:21,600

you know i have to learn to just laugh

2323

01:34:26,870 --> 01:34:23,760

off these things roll with the punches

2324

01:34:28,950 --> 01:34:26,880

keep going keep moving forward i think

2325

01:34:30,950 --> 01:34:28,960

that we're doing very good lately

2326

01:34:32,070 --> 01:34:30,960

with on a lot of different fronts and i

2327

01:34:35,669 --> 01:34:32,080

wanted to also mention

2328

01:34:37,910 --> 01:34:35,679

that next um the next big upgrade for us

2329

01:34:39,110 --> 01:34:37,920

is going to be to be moving we're going

2330

01:34:42,229 --> 01:34:39,120

to be moving

2331

01:34:44,390 --> 01:34:42,239

to uh five

2332

01:34:45,430 --> 01:34:44,400

more streaming destinations so right now

2333

01:34:48,870 --> 01:34:45,440

we're streaming to

2334

01:34:50,629 --> 01:34:48,880

youtube twitch and uh facebook live

2335

01:34:52,390 --> 01:34:50,639

we're going to be adding

2336

01:34:54,390 --> 01:34:52,400

five more destinations soon we're going

2337

01:34:56,070 --> 01:34:54,400

to be upgrading the software to allow

2338

01:34:58,149 --> 01:34:56,080

for those five more destinations if

2339

01:34:58,470 --> 01:34:58,159

anybody has any suggestions i'm thinking

2340

01:35:01,669 --> 01:34:58,480

bit

2341

01:35:03,590 --> 01:35:01,679

shoot a few others somebody told was

2342

01:35:05,669 --> 01:35:03,600

talking to me about periscope and a few

2343

01:35:07,510 --> 01:35:05,679

others i'm not sure what's out there

2344

01:35:09,030 --> 01:35:07,520

what the other alternatives are but we

2345

01:35:10,070 --> 01:35:09,040

want to spread the show as much as

2346

01:35:13,030 --> 01:35:10,080

possible

2347

01:35:15,030 --> 01:35:13,040

so we will soon be doing that and also

2348

01:35:18,390 --> 01:35:15,040

on the

2349

01:35:21,590 --> 01:35:18,400

the uh subscriber front we are up to

2350

01:35:22,790 --> 01:35:21,600

like 439 subscribers which is great

2351

01:35:25,430 --> 01:35:22,800

which means we're almost

2352

01:35:27,350 --> 01:35:25,440

halfway to my original goal is to get to

2353

01:35:29,590 --> 01:35:27,360

the 1000 subscribers

2354

01:35:31,030 --> 01:35:29,600

which will then allow us to uh be

2355

01:35:33,590 --> 01:35:31,040

monetized

2356

01:35:35,030 --> 01:35:33,600

you know get a few ad pennies and also

2357

01:35:36,790 --> 01:35:35,040

most importantly

2358

01:35:39,109 --> 01:35:36,800

we'll be able to accept super chat

2359

01:35:41,350 --> 01:35:39,119

donations in the meantime we can accept

2360

01:35:43,430 --> 01:35:41,360

what i call not so super chat donations

2361

01:35:45,830 --> 01:35:43,440

if you make a paypal donation

2362

01:35:47,030 --> 01:35:45,840

you add a note with your user id and i

2363

01:35:49,590 --> 01:35:47,040

read it online

2364

01:35:50,390 --> 01:35:49,600

and that is in the about section just

2365

01:35:54,229 --> 01:35:50,400

click on

2366

01:35:56,310 --> 01:35:54,239

donate by paypal or you can also

2367

01:35:57,510 --> 01:35:56,320

become a patreon supporter that is a

2368

01:35:59,910 --> 01:35:57,520

dollar or more

2369

01:36:01,270 --> 01:35:59,920

every month um and i noticed that

2370

01:36:03,669 --> 01:36:01,280

somebody just became a

2371

01:36:05,109 --> 01:36:03,679

seven dollar a month patreon supporter

2372

01:36:06,629 --> 01:36:05,119

so thank you to that person

2373

01:36:08,310 --> 01:36:06,639

i don't want to read out the name that

2374

01:36:09,350 --> 01:36:08,320

patreon gives me because it may be your

2375

01:36:10,950 --> 01:36:09,360

real name

2376

01:36:12,629 --> 01:36:10,960

but they're gonna know who they are

2377

01:36:13,910 --> 01:36:12,639

thank them very much and thank

2378

01:36:15,990 --> 01:36:13,920

each and every one of you who has

2379

01:36:17,350 --> 01:36:16,000

donated anything thank you so much to

2380

01:36:20,229 --> 01:36:17,360

the patreon supporters

2381

01:36:21,669 --> 01:36:20,239

you are enabling our show to continue

2382

01:36:25,030 --> 01:36:21,679

moving forward

2383

01:36:26,629 --> 01:36:25,040

and uh it's

2384

01:36:28,390 --> 01:36:26,639

you know the show's gonna continue to

2385

01:36:30,629 --> 01:36:28,400

grow i keep saying this every day i'm

2386

01:36:33,990 --> 01:36:30,639

coming here and watering this garden

2387

01:36:36,070 --> 01:36:34,000

and this garden will grow that's the key

2388

01:36:37,270 --> 01:36:36,080

you just gotta give consistent effort

2389

01:36:39,510 --> 01:36:37,280

continue to

2390

01:36:41,910 --> 01:36:39,520

put a little bit of work in a little bit

2391

01:36:44,390 --> 01:36:41,920

at a time whatever you can afford

2392

01:36:46,870 --> 01:36:44,400

uh whatever time you have and i'm

2393

01:36:50,470 --> 01:36:46,880

willing to do it i'm here i've got very

2394

01:36:53,350 --> 01:36:50,480

little other things going on um so

2395

01:36:55,109 --> 01:36:53,360

yeah professor fez says don't get

2396

01:36:56,790 --> 01:36:55,119

emotionally invested have fun with it

2397

01:36:58,629 --> 01:36:56,800

yeah that's what i'm trying to do

2398

01:37:01,990 --> 01:36:58,639

you know some of those uh shows where

2399

01:37:04,070 --> 01:37:02,000

i'm like going after frauds it gets

2400

01:37:07,270 --> 01:37:04,080

kind of negative and heated you know i'm

2401

01:37:09,910 --> 01:37:07,280

gonna try to keep it fun

2402

01:37:11,590 --> 01:37:09,920

pbr straight bang yeah i worked at nbc

2403

01:37:13,430 --> 01:37:11,600

just move on after [\h\_\_\h] up yeah

2404

01:37:14,870 --> 01:37:13,440

absolutely that's what you gotta do

2405

01:37:16,870 --> 01:37:14,880

you just gotta roll with the punches

2406

01:37:18,070 --> 01:37:16,880

things happen i've seen stuff on live tv

2407

01:37:21,750 --> 01:37:18,080

that makes tonight look

2408

01:37:22,390 --> 01:37:21,760

like nothing you know leave elven i have

2409

01:37:25,510 --> 01:37:22,400

to watch

2410

01:37:27,109 --> 01:37:25,520

late as usual

2411

01:37:30,149 --> 01:37:27,119

yeah skip the first 10 minutes because

2412

01:37:32,390 --> 01:37:30,159

my mic was off i'm an idiot

2413

01:37:34,070 --> 01:37:32,400

but luckily i just kind of started over

2414

01:37:35,030 --> 01:37:34,080

so skip the part of the beginning with

2415

01:37:37,430 --> 01:37:35,040

no audio

2416

01:37:38,629 --> 01:37:37,440

i will be uploading a fixed version of

2417

01:37:41,189 --> 01:37:38,639

this video

2418

01:37:43,030 --> 01:37:41,199

soon voice and clear where do you find

2419

01:37:45,109 --> 01:37:43,040

the motivation stephen well

2420

01:37:47,030 --> 01:37:45,119

i'm very passionate about these subjects

2421

01:37:47,990 --> 01:37:47,040

and i have always been since i was a

2422

01:37:50,550 --> 01:37:48,000

child i loved

2423

01:37:51,990 --> 01:37:50,560

all these stories i loved those time

2424

01:37:53,669 --> 01:37:52,000

life books when you

2425

01:37:55,350 --> 01:37:53,679

you know when we were a kid there was no

2426

01:37:58,070 --> 01:37:55,360

youtube there was when i was

2427

01:37:59,510 --> 01:37:58,080

a young child especially there was no

2428

01:38:00,790 --> 01:37:59,520

youtube there was no

2429

01:38:03,189 --> 01:38:00,800

you know once a while there'd be a

2430

01:38:05,109 --> 01:38:03,199

documentary on tv about aliens or

2431

01:38:06,709 --> 01:38:05,119

bigfoot when i would watch those my

2432

01:38:07,910 --> 01:38:06,719

father was somewhat interested in this

2433

01:38:12,070 --> 01:38:07,920

kind of stuff

2434

01:38:14,790 --> 01:38:12,080

i'd read sci-fi magazines about

2435

01:38:16,470 --> 01:38:14,800

flying saucers and the time life books

2436

01:38:18,870 --> 01:38:16,480

you'd get a mystery every month

2437

01:38:20,470 --> 01:38:18,880

my dad had uh signed up for those i

2438

01:38:22,470 --> 01:38:20,480

loved those when i was a kid i'm just

2439

01:38:24,149 --> 01:38:22,480

very passionate about this stuff

2440

01:38:27,030 --> 01:38:24,159

and i want to get to the truth of some

2441

01:38:30,229 --> 01:38:27,040

of these stories that's my motivation

2442

01:38:31,030 --> 01:38:30,239

is this real or is this you know uh just

2443

01:38:34,470 --> 01:38:31,040

a myth

2444

01:38:37,350 --> 01:38:34,480

just a a story you know

2445

01:38:38,390 --> 01:38:37,360

uh yeah so and as far as motivation i

2446

01:38:41,109 --> 01:38:38,400

have uh

2447

01:38:43,270 --> 01:38:41,119

i don't know i i just i feel very driven

2448

01:38:43,750 --> 01:38:43,280

to do this when the this covet thing hit

2449

01:38:46,070 --> 01:38:43,760

i had

2450

01:38:46,790 --> 01:38:46,080

nothing going on my business is in the

2451

01:38:49,030 --> 01:38:46,800

crapper

2452

01:38:50,310 --> 01:38:49,040

can't go outside got nothing else to do

2453

01:38:52,550 --> 01:38:50,320

so i said let me

2454

01:38:53,590 --> 01:38:52,560

now while i have this time sitting here

2455

01:38:57,030 --> 01:38:53,600

in my house

2456

01:38:58,229 --> 01:38:57,040

let me take the time to do that which i

2457

01:39:01,750 --> 01:38:58,239

need to do

2458

01:39:04,629 --> 01:39:01,760

in order to uh you know in order to

2459

01:39:06,390 --> 01:39:04,639

make this happen i may not have been

2460

01:39:09,510 --> 01:39:06,400

able to do this otherwise so

2461

01:39:11,830 --> 01:39:09,520

there's a silver you know lining

2462

01:39:13,109 --> 01:39:11,840

in every cloud and my silver lining for

2463

01:39:15,510 --> 01:39:13,119

this copic

2464

01:39:16,870 --> 01:39:15,520

quarantine crap show has been that i've

2465

01:39:19,270 --> 01:39:16,880

been able to do this

2466

01:39:19,910 --> 01:39:19,280

with all of you and i'm very grateful

2467

01:39:21,590 --> 01:39:19,920

for that

2468

01:39:23,430 --> 01:39:21,600

and again i just want to thank everybody

2469

01:39:25,510 --> 01:39:23,440

that has supported me

2470

01:39:26,709 --> 01:39:25,520

in any way the other way that everybody

2471

01:39:29,510 --> 01:39:26,719

can support me is we

2472

01:39:30,229 --> 01:39:29,520

all know other people that are just as

2473

01:39:32,790 --> 01:39:30,239

into these

2474

01:39:34,629 --> 01:39:32,800

strange subjects as us so i would ask

2475

01:39:35,750 --> 01:39:34,639

that if you do know somebody please

2476

01:39:37,750 --> 01:39:35,760

email them the

2477

01:39:39,430 --> 01:39:37,760

channel link here and tell them that

2478

01:39:40,229 --> 01:39:39,440

they should subscribe that they would

2479

01:39:44,149 --> 01:39:40,239

probably

2480

01:39:46,629 --> 01:39:44,159

enjoy enjoy this show

2481

01:39:47,350 --> 01:39:46,639

really trying to increase our subscriber

2482

01:39:49,109 --> 01:39:47,360

base

2483

01:39:51,189 --> 01:39:49,119

so there's other ways to support me make

2484

01:39:53,109 --> 01:39:51,199

sure you like comment and subscribe

2485

01:39:55,910 --> 01:39:53,119

i understand that times are really rough

2486

01:39:57,830 --> 01:39:55,920

right now if you don't have a few bucks

2487

01:39:59,750 --> 01:39:57,840

i understand that a lot of people can't

2488

01:40:01,470 --> 01:39:59,760

afford to give me a one-time donation on

2489

01:40:05,430 --> 01:40:01,480

paypal or give me

2490

01:40:08,870 --> 01:40:05,440

a monthly donation on patreon

2491

01:40:11,510 --> 01:40:08,880

i absolutely understand that

2492

01:40:13,189 --> 01:40:11,520

you can support me in other ways by like

2493

01:40:15,990 --> 01:40:13,199

commenting subscribing

2494

01:40:17,830 --> 01:40:16,000

sharing each video on social media uh

2495

01:40:19,750 --> 01:40:17,840

like out of mind has a whole website and

2496

01:40:23,189 --> 01:40:19,760

she shares every one of my videos so

2497

01:40:25,030 --> 01:40:23,199

again thank you to out of mind uh

2498

01:40:26,550 --> 01:40:25,040

and well that's another thing we

2499

01:40:28,390 --> 01:40:26,560

probably hit the ten thousand views a

2500

01:40:30,390 --> 01:40:28,400

lot sooner because uh

2501

01:40:32,790 --> 01:40:30,400

external links for some reason youtube

2502

01:40:34,470 --> 01:40:32,800

is not counting and out of mind can show

2503

01:40:35,270 --> 01:40:34,480

like that she posts one of my shows and

2504

01:40:36,870 --> 01:40:35,280

it gets

2505

01:40:38,390 --> 01:40:36,880

you know two or three hundred views that

2506

01:40:40,310 --> 01:40:38,400

don't register on youtube

2507

01:40:42,149 --> 01:40:40,320

so thank her for that because then i get

2508

01:40:43,750 --> 01:40:42,159

some indication that there's other

2509

01:40:47,350 --> 01:40:43,760

outlets where people are watching and

2510

01:40:49,590 --> 01:40:47,360

i'm not even getting the credit for them

2511

01:40:50,950 --> 01:40:49,600

oh that's an excellent question bunya

2512

01:40:53,910 --> 01:40:50,960

and it's on my list

2513

01:40:55,510 --> 01:40:53,920

actually i have uh bunya says would you

2514

01:40:57,590 --> 01:40:55,520

be interested in investigating catholic

2515

01:41:00,950 --> 01:40:57,600

miracle events like fatima

2516

01:41:04,709 --> 01:41:00,960

lords etc absolutely and uh also

2517

01:41:07,830 --> 01:41:04,719

uh padre pio the stigmata

2518

01:41:10,709 --> 01:41:07,840

and uh many many other catholic

2519

01:41:11,109 --> 01:41:10,719

uh you know we have saint john newman we

2520

01:41:13,910 --> 01:41:11,119

have

2521

01:41:16,310 --> 01:41:13,920

uh the whole deal about incorruptible

2522

01:41:17,030 --> 01:41:16,320

bodies and saints i want to do a show on

2523

01:41:19,669 --> 01:41:17,040

i have

2524

01:41:22,790 --> 01:41:19,679

probably five or six shows centered

2525

01:41:25,350 --> 01:41:22,800

around catholicism and catholic miracles

2526

01:41:27,109 --> 01:41:25,360

uh the papacy many things funny i grew

2527

01:41:28,629 --> 01:41:27,119

up catholic i happened to be very

2528

01:41:29,510 --> 01:41:28,639

knowledgeable on those subjects and i

2529

01:41:32,950 --> 01:41:29,520

thought

2530

01:41:35,030 --> 01:41:32,960

that it would be a good thing to share

2531

01:41:36,950 --> 01:41:35,040

pbr street gang says i just shared on

2532

01:41:39,510 --> 01:41:36,960

twitter thank you very much pbr street

2533

01:41:41,270 --> 01:41:39,520

gang i sincerely appreciate it

2534

01:41:43,109 --> 01:41:41,280

well friends again i apologize for the

2535

01:41:44,070 --> 01:41:43,119

technical issues thank you all for

2536

01:41:46,470 --> 01:41:44,080

understanding

2537

01:41:48,229 --> 01:41:46,480

i'm going to fix that it's not a big

2538

01:41:48,950 --> 01:41:48,239

deal it's just one more hurdle to

2539

01:41:51,990 --> 01:41:48,960

overcome

2540

01:41:53,990 --> 01:41:52,000

on our road to success here

2541

01:41:55,270 --> 01:41:54,000

which i'm fine with you got to be able

2542

01:41:57,669 --> 01:41:55,280

to overcome obstacles

2543

01:41:59,430 --> 01:41:57,679

if you're going to win so friends uh

2544

01:42:01,510 --> 01:41:59,440

we're coming up on the

2545

01:42:03,590 --> 01:42:01,520

two-hour mark and youtube hates when we

2546

01:42:05,270 --> 01:42:03,600

hit the two-hour mark or go over it so

2547

01:42:07,590 --> 01:42:05,280

we're gonna have to cut things

2548

01:42:09,590 --> 01:42:07,600

short here i want to thank each and

2549

01:42:12,390 --> 01:42:09,600

every one of you for joining us

2550

01:42:13,590 --> 01:42:12,400

and uh there should be a show tomorrow

2551  
01:42:16,149 --> 01:42:13,600  
night please to

2552  
01:42:19,109 --> 01:42:16,159  
join us again at 10 p.m tomorrow night

2553  
01:42:22,149 --> 01:42:19,119  
10 p.m eastern standard time for another

2554  
01:42:24,470 --> 01:42:22,159  
exciting edition of truth seekers

2555  
01:42:26,790 --> 01:42:24,480  
thank you all of you fellow truth

2556  
01:42:29,430 --> 01:42:26,800  
seekers for joining us for taking part

2557  
01:42:30,470 --> 01:42:29,440  
it is a collective effort i cannot do

2558  
01:42:32,629 --> 01:42:30,480  
this alone

2559  
01:42:34,709 --> 01:42:32,639  
i need you here with me to take this

2560  
01:42:51,320 --> 01:42:34,719  
journey

2561  
01:42:51,330 --> 01:43:22,830  
[Music]

2562  
01:43:22,840 --> 01:43:30,440  
so

2563  
01:44:09,610 --> 01:43:37,970

[Music]
