

# ALIEN SHOT AND KILLED

**AT MACGUIRE AIR FORCE BASE ?**

**THE STRANGE CASE OF THE MURDERED ALIEN VISITOR!**

1  
00:02:26,309 --> 00:01:01,110

[Music]

2  
00:02:31,750 --> 00:02:28,710  
greetings and salutations friends

3  
00:02:34,869 --> 00:02:31,760  
and welcome back to truth seekers where

4  
00:02:38,309 --> 00:02:34,879  
we explore some of the strangest stories

5  
00:02:40,630 --> 00:02:38,319  
on planet earth tonight of course will

6  
00:02:44,630 --> 00:02:40,640  
be no different

7  
00:02:47,670 --> 00:02:44,640  
this is a crazy story

8  
00:02:48,710 --> 00:02:47,680  
and the reason it's so crazy is because

9  
00:02:53,350 --> 00:02:48,720  
it's

10  
00:02:56,630 --> 00:02:53,360  
a story told by a very credible man

11  
00:03:00,070 --> 00:02:56,640  
oftentimes stories about ufos and aliens

12  
00:03:03,589 --> 00:03:00,080  
are told by let's just say less than

13  
00:03:03,990 --> 00:03:03,599

scrupulous people some people come

14

00:03:06,630 --> 00:03:04,000

forward

15

00:03:09,030 --> 00:03:06,640

and tell fantastic tales about flying

16

00:03:13,350 --> 00:03:09,040

saucers and alien spacecraft

17

00:03:16,309 --> 00:03:13,360

secret space programs and aliens

18

00:03:18,550 --> 00:03:16,319

but when you peel back a few layers it

19

00:03:20,869 --> 00:03:18,560

becomes very obvious

20

00:03:23,430 --> 00:03:20,879

that the story can't be true because the

21

00:03:26,470 --> 00:03:23,440

person telling this story's background

22

00:03:29,110 --> 00:03:26,480

is fake fake education

23

00:03:30,470 --> 00:03:29,120

fake claimed military credentials or

24

00:03:34,229 --> 00:03:30,480

service that they never

25

00:03:36,149 --> 00:03:34,239

actually did i can't tell you the number

26  
00:03:37,350 --> 00:03:36,159  
of times that someone has claimed to be

27  
00:03:39,030 --> 00:03:37,360  
in the military

28  
00:03:40,869 --> 00:03:39,040  
and then i looked into their background

29  
00:03:43,350 --> 00:03:40,879  
and found the proof that they were never

30  
00:03:45,030 --> 00:03:43,360  
in the military

31  
00:03:47,990 --> 00:03:45,040  
i can't tell you how many times someone

32  
00:03:51,270 --> 00:03:48,000  
has claimed to be a scientist

33  
00:03:53,030 --> 00:03:51,280  
right that worked on top secret projects

34  
00:03:54,550 --> 00:03:53,040  
involving aliens

35  
00:03:56,869 --> 00:03:54,560  
and then you check on their education

36  
00:04:00,630 --> 00:03:56,879  
and find out their entire education

37  
00:04:03,830 --> 00:04:00,640  
is fake this story

38  
00:04:06,309 --> 00:04:03,840

friends is very different and

39

00:04:07,830 --> 00:04:06,319

the reason that this story is so

40

00:04:12,949 --> 00:04:07,840

different

41

00:04:16,550 --> 00:04:12,959

is because the person telling this story

42

00:04:17,830 --> 00:04:16,560

his background is real he really was in

43

00:04:21,509 --> 00:04:17,840

the military

44

00:04:23,909 --> 00:04:21,519

he attained the rank that he mentions

45

00:04:25,670 --> 00:04:23,919

i checked into this gentleman's military

46

00:04:26,550 --> 00:04:25,680

background and found that everything

47

00:04:29,430 --> 00:04:26,560

that he claimed

48

00:04:31,670 --> 00:04:29,440

was hundred percent factually correct

49

00:04:32,230 --> 00:04:31,680

now does that mean that this story he's

50

00:04:34,310 --> 00:04:32,240

telling

51  
00:04:35,909 --> 00:04:34,320  
this strange story about an alien

52  
00:04:39,110 --> 00:04:35,919  
spacecraft

53  
00:04:42,710 --> 00:04:39,120  
and an alien does that mean that

54  
00:04:45,830 --> 00:04:42,720  
his story is true well no

55  
00:04:48,950 --> 00:04:45,840  
but the fact that his actual

56  
00:04:53,030 --> 00:04:48,960  
credentials his bonus bites can be

57  
00:04:54,230 --> 00:04:53,040  
verified certainly lends credibility to

58  
00:04:56,790 --> 00:04:54,240  
the story

59  
00:04:58,070 --> 00:04:56,800  
this is not some nutshell pretending to

60  
00:05:01,270 --> 00:04:58,080  
be a secret

61  
00:05:04,390 --> 00:05:01,280  
you know space insider who never

62  
00:05:05,029 --> 00:05:04,400  
actually was in the military as he

63  
00:05:08,950 --> 00:05:05,039

claimed

64

00:05:12,230 --> 00:05:08,960

like so many people i have seen before

65

00:05:15,830 --> 00:05:12,240

now friends this story is very different

66

00:05:19,590 --> 00:05:15,840

because the person telling the story

67

00:05:22,870 --> 00:05:19,600

is who he says he is

68

00:05:25,430 --> 00:05:22,880

is who he says he was was

69

00:05:26,950 --> 00:05:25,440

stationed at the base he claims that

70

00:05:31,830 --> 00:05:26,960

this story took place

71

00:05:35,909 --> 00:05:31,840

at i should mention that this is a very

72

00:05:39,990 --> 00:05:35,919

it's sort of a lesser known story in ufo

73

00:05:41,189 --> 00:05:40,000

uh mythology or lore and the only reason

74

00:05:43,830 --> 00:05:41,199

that i

75

00:05:45,350 --> 00:05:43,840

know so much about this particular story

76

00:05:48,230 --> 00:05:45,360

is because i had my own

77

00:05:48,950 --> 00:05:48,240

sighting as a child and that sighting

78

00:05:51,430 --> 00:05:48,960

took place

79

00:05:52,230 --> 00:05:51,440

in the woods around my parents summer

80

00:05:55,830 --> 00:05:52,240

home

81

00:05:56,870 --> 00:05:55,840

in browns mills new jersey browns mills

82

00:06:00,790 --> 00:05:56,880

new jersey is

83

00:06:04,830 --> 00:06:00,800

a sleepy small town in new jersey

84

00:06:07,830 --> 00:06:04,840

sort of surrounded by lakes and woods

85

00:06:11,510 --> 00:06:07,840

and i spent my summers there

86

00:06:14,070 --> 00:06:11,520

and it was there that i first had my own

87

00:06:17,830 --> 00:06:14,080

ufo sighting which would send me down

88

00:06:24,150 --> 00:06:20,950

really for the rest of my life

89

00:06:27,510 --> 00:06:24,160

interestingly this story takes place

90

00:06:28,790 --> 00:06:27,520

just two miles maybe two and a half

91

00:06:31,110 --> 00:06:28,800

miles

92

00:06:34,469 --> 00:06:31,120

from my original sighting but it

93

00:06:37,350 --> 00:06:34,479

happened ten years before my sighting

94

00:06:38,629 --> 00:06:37,360

i saw what can only be described as a

95

00:06:42,230 --> 00:06:38,639

flying saucer

96

00:06:45,350 --> 00:06:42,240

it was metallic it was uh

97

00:06:47,350 --> 00:06:45,360

definitely a solid craft

98

00:06:48,710 --> 00:06:47,360

and the sighting that i had took place

99

00:06:52,309 --> 00:06:48,720

in the woods

100

00:06:54,070 --> 00:06:52,319

near my parents summer home in browns

101  
00:07:00,230 --> 00:06:54,080  
mills new jersey

102  
00:07:01,110 --> 00:07:00,240  
right next to fort dix army base and

103  
00:07:04,150 --> 00:07:01,120  
maguire

104  
00:07:06,150 --> 00:07:04,160  
air force base for those that don't know

105  
00:07:08,870 --> 00:07:06,160  
maguire air force base

106  
00:07:10,390 --> 00:07:08,880  
and fort dix army base are sort of

107  
00:07:13,270 --> 00:07:10,400  
together

108  
00:07:14,070 --> 00:07:13,280  
the army base is on one side and there's

109  
00:07:16,150 --> 00:07:14,080  
this huge

110  
00:07:18,230 --> 00:07:16,160  
fence and on the other side is maguire

111  
00:07:20,550 --> 00:07:18,240  
air force base and all of the mcguire

112  
00:07:23,830 --> 00:07:20,560  
air force base runways

113  
00:07:28,070 --> 00:07:23,840

as a child my father would take me

114

00:07:30,950 --> 00:07:28,080

and there used to be before 9 11.

115

00:07:33,029 --> 00:07:30,960

there used to be the base was open it

116

00:07:33,670 --> 00:07:33,039

used to be that both bases were open you

117

00:07:37,350 --> 00:07:33,680

could drive

118

00:07:38,309 --> 00:07:37,360

through fort dix and see uh the soldiers

119

00:07:43,990 --> 00:07:38,319

training

120

00:07:44,790 --> 00:07:44,000

so there was always new recruits out

121

00:07:48,710 --> 00:07:44,800

there

122

00:07:50,390 --> 00:07:48,720

uh doing their you know basic training

123

00:07:53,830 --> 00:07:50,400

and my father would like to watch

124

00:07:56,550 --> 00:07:53,840

that but mostly my father liked to drive

125

00:07:58,150 --> 00:07:56,560

they used to have a small area where you

126

00:08:01,350 --> 00:07:58,160

could pull your car in

127

00:08:04,390 --> 00:08:01,360

and watch planes take off

128

00:08:07,510 --> 00:08:04,400

mostly it was c4 large

129

00:08:09,110 --> 00:08:07,520

transport planes never knew as a child

130

00:08:11,270 --> 00:08:09,120

where they were going or what they were

131

00:08:12,710 --> 00:08:11,280

doing but for some reason my father

132

00:08:15,110 --> 00:08:12,720

being an aviation buff

133

00:08:16,869 --> 00:08:15,120

liked to sit there and watch these

134

00:08:18,390 --> 00:08:16,879

planes take off

135

00:08:21,029 --> 00:08:18,400

occasionally we'd get to see something

136

00:08:23,029 --> 00:08:21,039

more exciting like a jet

137

00:08:24,309 --> 00:08:23,039

fighter but at the time when i was a

138

00:08:27,670 --> 00:08:24,319

child all they had was

139

00:08:31,270 --> 00:08:27,680

training uh jets f4

140

00:08:34,870 --> 00:08:31,280

phantoms uh so not exactly high tech

141

00:08:36,949 --> 00:08:34,880

for the late 1980s but still

142

00:08:39,990 --> 00:08:36,959

as a child it was fun to sit there and

143

00:08:42,389 --> 00:08:40,000

watch the planes take off and land

144

00:08:43,509 --> 00:08:42,399

my father loved to do this and would

145

00:08:46,070 --> 00:08:43,519

bore the [h\_\_h]

146

00:08:47,110 --> 00:08:46,080

out of my brother and i making us sit in

147

00:08:50,710 --> 00:08:47,120

front of the

148

00:08:51,350 --> 00:08:50,720

maguire runways for hours and hours at a

149

00:08:54,550 --> 00:08:51,360

time

150

00:08:57,350 --> 00:08:54,560

watching these planes take off and land

151  
00:08:58,230 --> 00:08:57,360  
and this just a few feet from where i

152  
00:09:00,630 --> 00:08:58,240  
used to sit

153  
00:09:01,430 --> 00:09:00,640  
and watch these airplanes take off and

154  
00:09:05,030 --> 00:09:01,440  
land is

155  
00:09:08,389 --> 00:09:05,040  
where this story of this alien

156  
00:09:10,550 --> 00:09:08,399  
allegedly took place i mentioned the

157  
00:09:11,030 --> 00:09:10,560  
person telling the story his name was

158  
00:09:18,790 --> 00:09:11,040  
major

159  
00:09:22,150 --> 00:09:18,800  
and i suppose that like me

160  
00:09:26,310 --> 00:09:22,160  
after this event took place that he was

161  
00:09:29,590 --> 00:09:26,320  
a witness to and had knowledge of he too

162  
00:09:31,190 --> 00:09:29,600  
would go down every rabbit hole he could

163  
00:09:34,070 --> 00:09:31,200

find about ufos

164

00:09:36,070 --> 00:09:34,080

aliens etc and i believe i'm not sure if

165

00:09:39,190 --> 00:09:36,080

he still is but for a time

166

00:09:41,910 --> 00:09:39,200

he was the state director of mufon

167

00:09:44,630 --> 00:09:41,920

in new jersey which is the mutual ufo

168

00:09:47,350 --> 00:09:44,640

network who studies ufo reports it's a

169

00:09:51,590 --> 00:09:47,360

civilian organization that goes out

170

00:09:53,509 --> 00:09:51,600

interviews witnesses etc

171

00:09:56,230 --> 00:09:53,519

i've always wondered after hearing this

172

00:10:00,310 --> 00:09:56,240

story if

173

00:10:02,710 --> 00:10:00,320

the let's call them entities

174

00:10:04,069 --> 00:10:02,720

and the craft that were involved in this

175

00:10:07,670 --> 00:10:04,079

story that he's

176

00:10:09,590 --> 00:10:07,680

telling where it all related to my own

177

00:10:10,710 --> 00:10:09,600

sighting which took place just a few

178

00:10:13,910 --> 00:10:10,720

miles from

179

00:10:17,350 --> 00:10:13,920

that mcguire air force base

180

00:10:20,470 --> 00:10:19,190

friends i could try to tell you the

181

00:10:24,470 --> 00:10:20,480

story but i think

182

00:10:25,430 --> 00:10:24,480

that uh yeah mr feiler would certainly

183

00:10:28,550 --> 00:10:25,440

tell the story

184

00:10:29,350 --> 00:10:28,560

better than i so for tonight i'm going

185

00:10:32,630 --> 00:10:29,360

to

186

00:10:35,670 --> 00:10:32,640

try and relax while he tells

187

00:10:39,030 --> 00:10:35,680

this incredible story

188

00:10:41,509 --> 00:10:39,040

of what amounts to an alien being shot

189

00:10:43,910 --> 00:10:41,519

killed murdered call it whatever you

190

00:10:50,470 --> 00:10:47,030

right at fort dix army base and mcguire

191

00:10:55,030 --> 00:10:52,870

i'm going to cite fair use this is a

192

00:10:57,350 --> 00:10:55,040

transformative work we are educating the

193

00:10:59,750 --> 00:10:57,360

public about this strange story about an

194

00:11:01,030 --> 00:10:59,760

alien that was allegedly shot and killed

195

00:11:05,030 --> 00:11:01,040

in new jersey

196

00:11:07,829 --> 00:11:05,040

in the late 1970s a little bit about

197

00:11:08,550 --> 00:11:07,839

mr feiler's background he was a major

198

00:11:10,949 --> 00:11:08,560

but also

199

00:11:12,550 --> 00:11:10,959

he was an intelligence officer on the

200

00:11:14,949 --> 00:11:12,560

base

201  
00:11:15,670 --> 00:11:14,959  
this meant that he was in a position to

202  
00:11:19,030 --> 00:11:15,680  
know

203  
00:11:21,750 --> 00:11:19,040  
about an event like this taking place

204  
00:11:23,829 --> 00:11:21,760  
i have verified his military credentials

205  
00:11:25,509 --> 00:11:23,839  
i had verified that he was stationed at

206  
00:11:26,949 --> 00:11:25,519  
the base at the time that this event

207  
00:11:30,230 --> 00:11:26,959  
took place

208  
00:11:32,389 --> 00:11:30,240  
and uh he was responsible for the

209  
00:11:34,470 --> 00:11:32,399  
responsibilities he mentions

210  
00:11:36,630 --> 00:11:34,480  
that he was while telling his story that

211  
00:11:39,350 --> 00:11:36,640  
much i have verified

212  
00:11:40,389 --> 00:11:39,360  
and this my friends is why this is one

213  
00:11:42,550 --> 00:11:40,399

of the good ones

214

00:11:44,230 --> 00:11:42,560

this is one of the more credible stories

215

00:11:47,190 --> 00:11:44,240

because it's being told by a credible

216

00:11:49,430 --> 00:11:47,200

person whose background can be verified

217

00:11:51,430 --> 00:11:49,440

a lot of the facts little known facts

218

00:11:53,269 --> 00:11:51,440

that he mentions in the story

219

00:11:55,110 --> 00:11:53,279

i have verified and found to be

220

00:11:58,550 --> 00:11:55,120

factually correct

221

00:12:01,430 --> 00:11:58,560

uh taking that what you will

222

00:12:02,389 --> 00:12:01,440

i uh there's also a book about this

223

00:12:05,590 --> 00:12:02,399

event

224

00:12:08,629 --> 00:12:05,600

uh which i recommend

225

00:12:12,790 --> 00:12:08,639

um so we're gonna uh we're gonna play

226

00:12:14,230 --> 00:12:12,800

a clip from a lecture that he gave where

227

00:12:16,069 --> 00:12:14,240

he tells the story

228

00:12:17,269 --> 00:12:16,079

and again we're citing fair use we're

229

00:12:19,190 --> 00:12:17,279

educating the public

230

00:12:21,430 --> 00:12:19,200

we're going to be discussing the story

231

00:12:23,829 --> 00:12:21,440

that he tells in this clip

232

00:12:25,430 --> 00:12:23,839

it's just a great story so friends

233

00:12:28,389 --> 00:12:25,440

without further ado

234

00:12:29,829 --> 00:12:28,399

we will uh i'm gonna share my screen and

235

00:12:33,269 --> 00:12:29,839

we will

236

00:12:35,750 --> 00:12:33,279

hear the story from the person uh who

237

00:12:36,629 --> 00:12:35,760

the story really originates from and

238

00:12:40,949 --> 00:12:36,639

that would be

239

00:12:44,870 --> 00:12:44,230

friends get the popcorn it's a great

240

00:12:48,150 --> 00:12:44,880

story

241

00:12:57,670 --> 00:12:48,160

you're going to enjoy this one let's

242

00:13:03,269 --> 00:12:59,590

allen i don't know if you're aware of

243

00:13:06,870 --> 00:13:03,279

this but at mcguire air force base

244

00:13:09,110 --> 00:13:06,880

is actually a combination of three bases

245

00:13:10,389 --> 00:13:09,120

it's the only base in the country i

246

00:13:13,590 --> 00:13:10,399

understand

247

00:13:17,190 --> 00:13:13,600

it's composed of army navy and air force

248

00:13:19,190 --> 00:13:17,200

fort dix is there and lakehurst

249

00:13:21,110 --> 00:13:19,200

and it pretty much takes up the whole

250

00:13:24,710 --> 00:13:21,120

central part of

251  
00:13:29,269 --> 00:13:24,720  
new jersey and

252  
00:13:32,470 --> 00:13:29,279  
in 1978 an incident happened that

253  
00:13:34,470 --> 00:13:32,480  
is important for you to know about at

254  
00:13:37,430 --> 00:13:34,480  
fort dix

255  
00:13:39,269 --> 00:13:37,440  
uh where they did army training at the

256  
00:13:43,509 --> 00:13:39,279  
time

257  
00:13:46,710 --> 00:13:43,519  
and also at lakehurst air

258  
00:13:48,150 --> 00:13:46,720  
naval air station which is part of this

259  
00:13:51,509 --> 00:13:48,160  
huge base

260  
00:13:54,470 --> 00:13:51,519  
is what most people remember is

261  
00:13:56,949 --> 00:13:54,480  
famous for the hindenburg the hindenburg

262  
00:14:00,550 --> 00:13:56,959  
blew up and crashed there

263  
00:14:04,069 --> 00:14:00,560

in 1937 but other important things

264

00:14:09,189 --> 00:14:07,269

we used to have bone mark missiles there

265

00:14:10,949 --> 00:14:09,199

and the bone mark missiles were designed

266

00:14:13,750 --> 00:14:10,959

with nuclear warheads

267

00:14:14,870 --> 00:14:13,760

and the ideas was when the soviets would

268

00:14:18,150 --> 00:14:14,880

attack us

269

00:14:20,230 --> 00:14:18,160

we shoot off these bulmark missiles

270

00:14:22,790 --> 00:14:20,240

and when they get near a soviet bomber

271

00:14:26,310 --> 00:14:22,800

they'd explode this nuclear explosion

272

00:14:28,629 --> 00:14:26,320

and knock down the soviet bombers

273

00:14:30,550 --> 00:14:28,639

unfortunately that never actually

274

00:14:32,150 --> 00:14:30,560

happened but what did happen is one of

275

00:14:35,990 --> 00:14:32,160

them blew up

276

00:14:38,150 --> 00:14:36,000

in june 7 1960

277

00:14:39,910 --> 00:14:38,160

and this is partially a nuclear

278

00:14:42,470 --> 00:14:39,920

explosion which is in the

279

00:14:44,949 --> 00:14:42,480

center of new jersey which is that the

280

00:14:48,310 --> 00:14:44,959

nuclear weapon didn't explode

281

00:14:50,870 --> 00:14:48,320

but the you know radiation

282

00:14:52,870 --> 00:14:50,880

came about and caused a lot of problems

283

00:14:55,509 --> 00:14:52,880

and this is what it looks like today

284

00:14:57,590 --> 00:14:55,519

the basic obviously closed that part of

285

00:14:59,750 --> 00:14:57,600

the base

286

00:15:01,670 --> 00:14:59,760

and uh they feel that there may be

287

00:15:04,949 --> 00:15:01,680

something just a side note there

288

00:15:07,829 --> 00:15:04,959

that area where the nuclear uh

289

00:15:09,829 --> 00:15:07,839

where the nuclear radiation event took

290

00:15:11,910 --> 00:15:09,839

place it wasn't a nuclear explosion but

291

00:15:14,710 --> 00:15:11,920

the missile exploded and you know there

292

00:15:16,710 --> 00:15:14,720

was a nuclear leak all over that area is

293

00:15:18,470 --> 00:15:16,720

it sort of cordoned off and even as a

294

00:15:21,590 --> 00:15:18,480

child i've been all over that base

295

00:15:23,670 --> 00:15:21,600

but that area was uh

296

00:15:25,430 --> 00:15:23,680

really really well protected and fenced

297

00:15:28,069 --> 00:15:25,440

off you couldn't get anywhere near that

298

00:15:31,910 --> 00:15:28,079

leakage of into the water of this

299

00:15:36,069 --> 00:15:35,430

well back at mcguire the ufos are being

300

00:15:40,389 --> 00:15:36,079

picked up

301  
00:15:42,230 --> 00:15:40,399  
by the radar and one moves into fort dix

302  
00:15:45,910 --> 00:15:42,240  
area

303  
00:15:48,870 --> 00:15:45,920  
and lands and uh there's some question

304  
00:15:50,790 --> 00:15:48,880  
exactly how the alien got out but an

305  
00:15:55,670 --> 00:15:50,800  
alien got out

306  
00:15:58,790 --> 00:15:55,680  
and the military police

307  
00:16:01,110 --> 00:15:58,800  
the army came along and spotted him and

308  
00:16:02,230 --> 00:16:01,120  
told him to stop you know to arrest him

309  
00:16:03,670 --> 00:16:02,240  
and so on

310  
00:16:07,430 --> 00:16:03,680  
and i don't know if the alien doesn't

311  
00:16:12,230 --> 00:16:07,440  
speak english or whatever but he does

312  
00:16:15,829 --> 00:16:12,240  
any case he refused to stop so the

313  
00:16:17,430 --> 00:16:15,839

army mp shot up

314

00:16:18,949 --> 00:16:17,440

and also important to note i'm not sure

315

00:16:20,230 --> 00:16:18,959

that he mentions it in this specific

316

00:16:22,389 --> 00:16:20,240

lecture but that

317

00:16:24,389 --> 00:16:22,399

the landing of the flying saucer took

318

00:16:25,829 --> 00:16:24,399

place on fort dix which is right next to

319

00:16:28,470 --> 00:16:25,839

mcguire air force base

320

00:16:30,069 --> 00:16:28,480

and the alien was running and jumped

321

00:16:33,829 --> 00:16:30,079

over the fence

322

00:16:34,870 --> 00:16:33,839

and was at the uh runway of maguire air

323

00:16:37,189 --> 00:16:34,880

force base which

324

00:16:37,990 --> 00:16:37,199

is just a hop and a skip from fort dix

325

00:16:41,430 --> 00:16:38,000

really

326

00:16:44,870 --> 00:16:41,440

well naling gets shot apparently

327

00:16:47,749 --> 00:16:44,880

doesn't like it so he starts running

328

00:16:49,509 --> 00:16:47,759

well they they alerted all the military

329

00:16:51,189 --> 00:16:49,519

police on the base they alerted the

330

00:16:54,870 --> 00:16:51,199

state police

331

00:16:57,350 --> 00:16:54,880

right next to fort dix's

332

00:16:59,189 --> 00:16:57,360

maguire air force base they alerted the

333

00:17:02,310 --> 00:16:59,199

maguire

334

00:17:06,710 --> 00:17:02,320

security police and

335

00:17:11,270 --> 00:17:06,720

not only did the policeman shoot the

336

00:17:15,750 --> 00:17:13,990

and uh but that's about all he'll say i

337

00:17:20,789 --> 00:17:15,760

never actually talked to him

338

00:17:22,710 --> 00:17:20,799

but there was a big search going on with

339

00:17:25,990 --> 00:17:22,720

dozens of people out there looking for

340

00:17:30,150 --> 00:17:26,000

them in this general area the base

341

00:17:33,669 --> 00:17:30,160

and i pick up the story

342

00:17:36,710 --> 00:17:33,679

when i talk to a security policeman

343

00:17:39,750 --> 00:17:36,720

uh jim morris

344

00:17:42,070 --> 00:17:39,760

who i just wanted to note also that uh

345

00:17:43,830 --> 00:17:42,080

the military base is huge it's the size

346

00:17:47,190 --> 00:17:43,840

of a pretty large town

347

00:17:48,870 --> 00:17:47,200

that each of them fort dix is the size

348

00:17:51,909 --> 00:17:48,880

of a pretty large town

349

00:17:52,710 --> 00:17:51,919

and there is a ton of housing units

350

00:17:54,710 --> 00:17:52,720

there

351

00:17:56,630 --> 00:17:54,720

uh for the people on the base that live

352

00:17:59,510 --> 00:17:56,640

there with their families or if they're

353

00:18:00,630 --> 00:17:59,520

single you know there's apartments and

354

00:18:03,669 --> 00:18:00,640

the same thing

355

00:18:04,310 --> 00:18:03,679

on the maguire side and both sides don't

356

00:18:06,230 --> 00:18:04,320

have

357

00:18:09,669 --> 00:18:06,240

you know there's no police there is

358

00:18:12,549 --> 00:18:09,679

military police in military uniforms

359

00:18:14,870 --> 00:18:12,559

which is you know the typical mp so this

360

00:18:18,150 --> 00:18:14,880

is what he's talking about the mps came

361

00:18:19,669 --> 00:18:18,160

and uh shot at the alien and then went

362

00:18:22,870 --> 00:18:19,679

to search for

363

00:18:25,270 --> 00:18:22,880

the alien who said that he's

364

00:18:26,789 --> 00:18:25,280

on the maguire side of the base and he

365

00:18:28,549 --> 00:18:26,799

could see all these lights of these

366

00:18:31,590 --> 00:18:28,559

people searching for the

367

00:18:34,710 --> 00:18:31,600

alien on the fort dick side well he's on

368

00:18:39,510 --> 00:18:37,590

and and as the army searches they're

369

00:18:44,150 --> 00:18:39,520

kind of like pushing that

370

00:18:47,750 --> 00:18:44,160

alien towards the maguire air force base

371

00:18:49,590 --> 00:18:47,760

and the ufos are

372

00:18:51,510 --> 00:18:49,600

buzzing the base they're very angry

373

00:18:53,669 --> 00:18:51,520

they're flying right down the runway

374

00:18:56,470 --> 00:18:53,679

at a few hundred feet and so on and

375

00:18:59,830 --> 00:18:56,480

dozens of people are seeing them

376

00:19:02,950 --> 00:18:59,840

and in his book there he does

377

00:19:06,390 --> 00:19:02,960

cite multiple witnesses seeing the ufos

378

00:19:08,950 --> 00:19:06,400

and the searchlights etc again uh

379

00:19:10,710 --> 00:19:08,960

it lends some credibility to this story

380

00:19:11,750 --> 00:19:10,720

that there's multiple witnesses to some

381

00:19:14,789 --> 00:19:11,760

of these events

382

00:19:17,990 --> 00:19:14,799

this security policeman

383

00:19:21,430 --> 00:19:18,000

from the air force

384

00:19:24,390 --> 00:19:21,440

with a state policeman find

385

00:19:26,390 --> 00:19:24,400

the alien on the end of the runway who's

386

00:19:31,029 --> 00:19:26,400

apparently

387

00:19:34,310 --> 00:19:33,350

and interestingly a couple things

388

00:19:37,430 --> 00:19:34,320

started to happen

389

00:19:40,470 --> 00:19:37,440

i within within an hour

390

00:19:41,750 --> 00:19:40,480

you know on something like 45 minutes a

391

00:19:45,909 --> 00:19:41,760

whole group

392

00:19:49,150 --> 00:19:48,470

and they take over the perimeter guard

393

00:19:51,029 --> 00:19:49,160

from this

394

00:19:55,029 --> 00:19:51,039

[Music]

395

00:19:58,630 --> 00:19:55,039

sergeant warrants and here we see

396

00:20:01,029 --> 00:19:58,640

uh as with many of both sightings

397

00:20:02,710 --> 00:20:01,039

and reports of aliens suddenly the men

398

00:20:04,789 --> 00:20:02,720

in black apparently arrive

399

00:20:06,310 --> 00:20:04,799

and cordon off the area and take over

400

00:20:09,830 --> 00:20:06,320

the investigation

401  
00:20:12,390 --> 00:20:09,840  
that's just an interesting side note

402  
00:20:14,870 --> 00:20:12,400  
i've heard of this men in black coming

403  
00:20:16,950 --> 00:20:14,880  
and cordoning off an area

404  
00:20:19,190 --> 00:20:16,960  
taking over we hear it with the

405  
00:20:22,630 --> 00:20:19,200  
kecksburg incident we hear it

406  
00:20:23,669 --> 00:20:22,640  
time and time again and they treat him

407  
00:20:26,789 --> 00:20:23,679  
rather

408  
00:20:27,510 --> 00:20:26,799  
nastily actually you know take off

409  
00:20:29,190 --> 00:20:27,520  
sunday

410  
00:20:30,950 --> 00:20:29,200  
you know you did what you're supposed to

411  
00:20:33,990 --> 00:20:30,960  
whatever but in any case they

412  
00:20:37,350 --> 00:20:34,000  
really belittled him and he felt bad

413  
00:20:40,789 --> 00:20:37,360

about it and then almost immediately

414

00:20:43,990 --> 00:20:40,799

a c-141 lands and it's from

415

00:20:48,230 --> 00:20:44,000

wright-patterson air force base

416

00:20:50,310 --> 00:20:48,240

c-140 is a very large transport plane

417

00:20:52,070 --> 00:20:50,320

and what nobody can quite figure out is

418

00:20:54,870 --> 00:20:52,080

how did

419

00:20:56,789 --> 00:20:54,880

air force know so quickly that this

420

00:20:59,669 --> 00:20:56,799

alien was shot and then he was

421

00:21:00,470 --> 00:20:59,679

you know needed to be picked up and this

422

00:21:02,789 --> 00:21:00,480

group

423

00:21:03,590 --> 00:21:02,799

come in and guard him and so on it's

424

00:21:06,149 --> 00:21:03,600

part of the

425

00:21:08,390 --> 00:21:06,159

question of you know what did the air

426

00:21:10,950 --> 00:21:08,400

force really know did they know that

427

00:21:12,710 --> 00:21:10,960

this craft was landing or what whatever

428

00:21:15,750 --> 00:21:12,720

but in any case

429

00:21:15,990 --> 00:21:15,760

the story goes uh by the way i've flew

430

00:21:19,029 --> 00:21:16,000

the

431

00:21:21,110 --> 00:21:19,039

c-141s have a couple thousand hours in

432

00:21:24,310 --> 00:21:21,120

them

433

00:21:27,190 --> 00:21:24,320

c-141 takes off and goes to uh

434

00:21:28,310 --> 00:21:27,200

wright-patterson well that morning i'm

435

00:21:30,230 --> 00:21:28,320

coming to bay

436

00:21:32,149 --> 00:21:30,240

on the base at about five o'clock in the

437

00:21:35,669 --> 00:21:32,159

morning

438

00:21:37,830 --> 00:21:35,679

and i go through

439

00:21:38,870 --> 00:21:37,840

checkpoint to get on base and they give

440

00:21:42,549 --> 00:21:38,880

you a hard time

441

00:21:45,510 --> 00:21:42,559

coming on make sure who you are etc

442

00:21:47,029 --> 00:21:45,520

it's interesting to note that according

443

00:21:50,149 --> 00:21:47,039

to mr feiler

444

00:21:53,190 --> 00:21:50,159

uh the the actual alien

445

00:21:55,750 --> 00:21:53,200

was loaded onto that transport port

446

00:21:56,390 --> 00:21:55,760

transport plane and flown to right

447

00:21:59,669 --> 00:21:56,400

patterson

448

00:22:03,110 --> 00:21:59,679

air force base which is mentioned

449

00:22:06,950 --> 00:22:03,120

in so many different alien stories from

450

00:22:10,630 --> 00:22:06,960

roswell etc as a place

451  
00:22:13,510 --> 00:22:10,640  
where alien technology or alien bodies

452  
00:22:15,270 --> 00:22:13,520  
are taken and there's all kinds of

453  
00:22:17,350 --> 00:22:15,280  
things in ufo mythology

454  
00:22:18,870 --> 00:22:17,360  
and lore about wright patterson air

455  
00:22:23,029 --> 00:22:18,880  
force base being the place

456  
00:22:24,710 --> 00:22:23,039  
where the government takes the aliens

457  
00:22:26,230 --> 00:22:24,720  
and i drove on base and i can see a

458  
00:22:27,909 --> 00:22:26,240  
bunch of red lights out on the

459  
00:22:29,669 --> 00:22:27,919  
end of the runway and i thought that

460  
00:22:33,430 --> 00:22:29,679  
perhaps there was an aircraft

461  
00:22:37,110 --> 00:22:33,440  
accident in any case i worked in this

462  
00:22:38,710 --> 00:22:37,120  
cement block building in the command

463  
00:22:46,710 --> 00:22:38,720

post

464

00:22:49,990 --> 00:22:46,720

came up to me and

465

00:22:52,950 --> 00:22:50,000

told me that uh a ufo

466

00:22:56,950 --> 00:22:52,960

were in the pattern around the base and

467

00:23:03,029 --> 00:23:00,070

this alien had been shot

468

00:23:06,549 --> 00:23:03,039

and i thought it was an alien from

469

00:23:11,430 --> 00:23:09,350

and they said no no it's not from any

470

00:23:14,470 --> 00:23:11,440

other country it's an alien

471

00:23:15,270 --> 00:23:14,480

from space and i said and we want you to

472

00:23:18,630 --> 00:23:15,280

brief

473

00:23:19,350 --> 00:23:18,640

general sadler at the eight o'clock

474

00:23:22,470 --> 00:23:19,360

briefing

475

00:23:23,510 --> 00:23:22,480

about this alien and i said you know can

476

00:23:25,590 --> 00:23:23,520

we have it here

477

00:23:26,400 --> 00:23:25,600

general sandler doesn't have a very good

478

00:23:29,270 --> 00:23:26,410

sense of humor

479

00:23:30,950 --> 00:23:29,280

[Laughter]

480

00:23:32,789 --> 00:23:30,960

so yeah so imagine being told that

481

00:23:35,029 --> 00:23:32,799

you're you're the intelligence off he's

482

00:23:37,190 --> 00:23:35,039

the intelligence officer at the base

483

00:23:38,630 --> 00:23:37,200

he gives the daily briefings to the base

484

00:23:40,390 --> 00:23:38,640

commanders

485

00:23:42,630 --> 00:23:40,400

and he's going to have to tell the base

486

00:23:43,190 --> 00:23:42,640

commanders about this incident that

487

00:23:45,669 --> 00:23:43,200

happened

488

00:23:47,350 --> 00:23:45,679

with flying saucers and an alien being

489

00:23:49,269 --> 00:23:47,360

shot and killed and then

490

00:23:51,190 --> 00:23:49,279

loaded aboard a transport plane which

491

00:23:54,950 --> 00:23:51,200

was then flown to wright patterson

492

00:23:57,909 --> 00:23:54,960

air force base uh i i could imagine

493

00:23:58,470 --> 00:23:57,919

uh him you know having some reservations

494

00:24:00,950 --> 00:23:58,480

about

495

00:24:03,110 --> 00:24:00,960

telling a general that this apparently

496

00:24:05,590 --> 00:24:03,120

happened

497

00:24:06,950 --> 00:24:05,600

i got on the phone and i started calling

498

00:24:11,110 --> 00:24:06,960

around the base you know

499

00:24:14,549 --> 00:24:11,120

radar and 438th wing command post

500

00:24:15,510 --> 00:24:14,559

and to the air police and so on but any

501  
00:24:18,470 --> 00:24:15,520  
case

502  
00:24:20,470 --> 00:24:18,480  
in the tower and they all confirm pretty

503  
00:24:23,669 --> 00:24:20,480  
much what i just told you that

504  
00:24:28,149 --> 00:24:23,679  
ufos were buzzing in the base

505  
00:24:30,630 --> 00:24:28,159  
and that they seemed to be angry at us

506  
00:24:31,990 --> 00:24:30,640  
and that this alien had been found on

507  
00:24:35,190 --> 00:24:32,000  
the end of the base and that

508  
00:24:38,070 --> 00:24:35,200  
a c-141 from wright patterson

509  
00:24:40,470 --> 00:24:38,080  
had come in to pick it up and our

510  
00:24:43,630 --> 00:24:40,480  
aircraft in the air we're seeing the

511  
00:24:45,510 --> 00:24:43,640  
141 we're seeing the ufos and

512  
00:24:47,190 --> 00:24:45,520  
interestingly enough

513  
00:24:49,750 --> 00:24:47,200

unless you're familiar with radio

514

00:24:51,430 --> 00:24:49,760

traffic i've talked to pilots who were

515

00:24:54,310 --> 00:24:51,440

in germany at the time

516

00:24:56,630 --> 00:24:54,320

and they could pick up the traffic that

517

00:24:58,789 --> 00:24:56,640

about all these reports going on

518

00:25:01,669 --> 00:24:58,799

between the planes and the towers

519

00:25:03,269 --> 00:25:01,679

talking to each other

520

00:25:06,390 --> 00:25:03,279

i'd be very interested to see if the

521

00:25:10,070 --> 00:25:06,400

radar data still exists from this event

522

00:25:12,230 --> 00:25:10,080

um i'm not sure uh that the radar data

523

00:25:15,909 --> 00:25:12,240

has ever been investigated

524

00:25:16,630 --> 00:25:15,919

located or confirmed that's just a side

525

00:25:18,870 --> 00:25:16,640

note

526

00:25:20,230 --> 00:25:18,880

as somebody that likes to investigate

527

00:25:23,190 --> 00:25:20,240

these kind of stories

528

00:25:24,230 --> 00:25:23,200

uh that's one point of my notes here to

529

00:25:26,390 --> 00:25:24,240

see

530

00:25:28,470 --> 00:25:26,400

uh if the radar data can be found to

531

00:25:32,870 --> 00:25:28,480

confirm the story

532

00:25:35,190 --> 00:25:32,880

now this shows mcguire from the air

533

00:25:37,190 --> 00:25:35,200

and i don't know if you can see in the

534

00:25:40,149 --> 00:25:37,200

uh

535

00:25:43,190 --> 00:25:40,159

lower right hand corner oh just it's

536

00:25:45,909 --> 00:25:43,200

good that he's showing this but uh

537

00:25:47,590 --> 00:25:45,919

this is one of the runways and i

538

00:25:48,630 --> 00:25:47,600

mentioned that there was a spot where

539

00:25:51,110 --> 00:25:48,640

you could pull in

540

00:25:51,830 --> 00:25:51,120

and watch the planes take off and land

541

00:25:54,789 --> 00:25:51,840

and

542

00:25:56,070 --> 00:25:54,799

it's either here or over around here

543

00:25:57,669 --> 00:25:56,080

where you could

544

00:25:59,510 --> 00:25:57,679

you know as a child my father would take

545

00:26:00,630 --> 00:25:59,520

me and we would watch the planes take

546

00:26:03,350 --> 00:26:00,640

off and land

547

00:26:05,430 --> 00:26:03,360

right from the runways is where the

548

00:26:09,269 --> 00:26:05,440

alien was found

549

00:26:11,750 --> 00:26:09,279

and up above that to the right

550

00:26:13,350 --> 00:26:11,760

is a large white area which is like a

551  
00:26:15,350 --> 00:26:13,360  
huge ramp

552  
00:26:17,190 --> 00:26:15,360  
and even though i used to fly in the

553  
00:26:18,950 --> 00:26:17,200  
maguire all the time i never really

554  
00:26:22,470 --> 00:26:18,960  
noticed that

555  
00:26:26,710 --> 00:26:22,480  
field and as the ufos are

556  
00:26:28,470 --> 00:26:26,720  
flying around they seemed very angry and

557  
00:26:29,990 --> 00:26:28,480  
appeared like they wanted to pick up

558  
00:26:32,390 --> 00:26:30,000  
their their buddy you know

559  
00:26:33,430 --> 00:26:32,400  
kind of like the marines you you grab

560  
00:26:37,110 --> 00:26:33,440  
anybody who

561  
00:26:39,590 --> 00:26:37,120  
dies and take him away

562  
00:26:40,470 --> 00:26:39,600  
well this general sandler and just

563  
00:26:42,630 --> 00:26:40,480

before i

564

00:26:44,230 --> 00:26:42,640

briefed general sandler they said don't

565

00:26:46,070 --> 00:26:44,240

brief the uh

566

00:26:47,750 --> 00:26:46,080

information to the there's like 50

567

00:26:50,149 --> 00:26:47,760

people in the command post

568

00:26:50,870 --> 00:26:50,159

don't brief it out loud to everybody

569

00:26:55,350 --> 00:26:50,880

that we'll

570

00:27:01,990 --> 00:26:59,750

and uh again some of the ufos

571

00:27:03,269 --> 00:27:02,000

these are the depictions based on what

572

00:27:06,710 --> 00:27:03,279

commander

573

00:27:08,789 --> 00:27:06,720

bethune had given me

574

00:27:10,630 --> 00:27:08,799

after my briefing which was then pretty

575

00:27:13,750 --> 00:27:10,640

much a standard briefing

576  
00:27:15,110 --> 00:27:13,760  
i went over to the photo lab and i would

577  
00:27:17,430 --> 00:27:15,120  
go over there

578  
00:27:19,750 --> 00:27:17,440  
again for all these pretty pictures

579  
00:27:22,789 --> 00:27:19,760  
every day and when i got over there

580  
00:27:24,470 --> 00:27:22,799  
they told me that they had some you know

581  
00:27:27,830 --> 00:27:24,480  
wonderful pictures

582  
00:27:30,870 --> 00:27:27,840  
could i when i look at them i had the

583  
00:27:34,710 --> 00:27:30,880  
object in my hand started to open it

584  
00:27:36,230 --> 00:27:34,720  
and the sergeant came up and grabbed the

585  
00:27:38,070 --> 00:27:36,240  
envelope away from me and he said he

586  
00:27:40,950 --> 00:27:38,080  
can't see that

587  
00:27:42,710 --> 00:27:40,960  
well what i believe was in those

588  
00:27:46,149 --> 00:27:42,720

pictures was the actual

589

00:27:47,590 --> 00:27:46,159

photos of the alien

590

00:27:49,669 --> 00:27:47,600

and isn't it interesting that this is

591

00:27:53,590 --> 00:27:49,679

the base intelligence officer

592

00:27:56,310 --> 00:27:53,600

being denied

593

00:27:57,510 --> 00:27:56,320

access to the pictures that were taken

594

00:28:00,070 --> 00:27:57,520

of this event

595

00:28:01,190 --> 00:28:00,080

i find that very interesting and we hear

596

00:28:04,470 --> 00:28:01,200

similar stories

597

00:28:06,549 --> 00:28:04,480

people being told you don't uh

598

00:28:07,990 --> 00:28:06,559

you don't have clearance you don't have

599

00:28:10,070 --> 00:28:08,000

a right to know

600

00:28:11,110 --> 00:28:10,080

uh you cannot have access to this

601  
00:28:13,510 --> 00:28:11,120  
information

602  
00:28:14,310 --> 00:28:13,520  
interesting side note but i can't prove

603  
00:28:18,389 --> 00:28:14,320  
it but

604  
00:28:20,710 --> 00:28:18,399  
but that's my indication of what it was

605  
00:28:22,870 --> 00:28:20,720  
now interestingly enough almost

606  
00:28:25,510 --> 00:28:22,880  
immediately after all this happened

607  
00:28:28,710 --> 00:28:25,520  
i don't know if the aliens can do this

608  
00:28:31,990 --> 00:28:28,720  
but we had a huge snowstorm

609  
00:28:35,110 --> 00:28:32,000  
and uh the rumor was

610  
00:28:36,789 --> 00:28:35,120  
at that point that a ufo had crashed

611  
00:28:39,510 --> 00:28:36,799  
and i went around the base with my

612  
00:28:42,549 --> 00:28:39,520  
camera which i always had

613  
00:28:44,310 --> 00:28:42,559

and this fella was guarding this large

614

00:28:47,430 --> 00:28:44,320

pile of snow

615

00:28:50,310 --> 00:28:47,440

so i don't know if that snow had

616

00:28:51,590 --> 00:28:50,320

anything under it or not but

617

00:28:59,110 --> 00:28:51,600

i thought it was interesting that

618

00:29:02,149 --> 00:28:59,120

somebody would guard a pile of snow

619

00:29:07,190 --> 00:29:02,159

well part of what happened then is the

620

00:29:11,750 --> 00:29:07,200

the security policeman who had

621

00:29:14,710 --> 00:29:11,760

seen the ufo and the alien

622

00:29:16,470 --> 00:29:14,720

were taken to wright patterson and

623

00:29:18,549 --> 00:29:16,480

aboard the plane

624

00:29:20,230 --> 00:29:18,559

their commander essentially threatened

625

00:29:23,909 --> 00:29:20,240

them not to tell any

626

00:29:26,470 --> 00:29:23,919

tell anybody about any of this story

627

00:29:27,750 --> 00:29:26,480

and they were all transferred to various

628

00:29:30,549 --> 00:29:27,760

places

629

00:29:32,230 --> 00:29:30,559

uh around the world one that sergeant

630

00:29:33,909 --> 00:29:32,240

morris for example was transferred to

631

00:29:36,149 --> 00:29:33,919

okinawa

632

00:29:37,830 --> 00:29:36,159

yeah and this is another common feature

633

00:29:38,549 --> 00:29:37,840

of some of these alien stories where

634

00:29:41,830 --> 00:29:38,559

people

635

00:29:44,950 --> 00:29:41,840

will be threatened made to sign mda's

636

00:29:47,190 --> 00:29:44,960

or transferred away from

637

00:29:48,870 --> 00:29:47,200

the base where the event took place so

638

00:29:51,350 --> 00:29:48,880

people that have knowledge of

639

00:29:53,190 --> 00:29:51,360

the event in this case there was many

640

00:29:56,070 --> 00:29:53,200

people that had knowledge of this event

641

00:29:57,990 --> 00:29:56,080

we're all scattered to the winds uh into

642

00:30:01,750 --> 00:29:58,000

different military bases

643

00:30:04,789 --> 00:30:01,760

different assignments and so on and

644

00:30:06,389 --> 00:30:04,799

those of us who were near retirement

645

00:30:09,750 --> 00:30:06,399

were retired

646

00:30:10,549 --> 00:30:09,760

those who uh the point is that anybody

647

00:30:13,430 --> 00:30:10,559

who knows

648

00:30:14,549 --> 00:30:13,440

anything about ufos and a particular

649

00:30:17,830 --> 00:30:14,559

incident

650

00:30:18,389 --> 00:30:17,840

is spread apart they don't shoot you

651  
00:30:21,590 --> 00:30:18,399  
they just

652  
00:30:22,630 --> 00:30:21,600  
send you off to some other place you

653  
00:30:26,070 --> 00:30:22,640  
know

654  
00:30:27,909 --> 00:30:26,080  
so that you can't talk about it because

655  
00:30:29,990 --> 00:30:27,919  
there's something about if you see a ufo

656  
00:30:30,549 --> 00:30:30,000  
or alien can you really believe that i'm

657  
00:30:32,710 --> 00:30:30,559  
sure

658  
00:30:34,950 --> 00:30:32,720  
all of you here have a question in your

659  
00:30:37,430 --> 00:30:34,960  
mind do they really exist

660  
00:30:39,669 --> 00:30:37,440  
so if you're not don't have the

661  
00:30:41,590 --> 00:30:39,679  
opportunity to talk to one another

662  
00:30:45,909 --> 00:30:41,600  
you just assume that well it was a case

663  
00:30:53,190 --> 00:30:49,350

well i went to the this is the

664

00:30:56,549 --> 00:30:53,200

headquarters for the military police

665

00:30:58,310 --> 00:30:56,559

and after i retired i said this story is

666

00:30:58,789 --> 00:30:58,320

kind of bugging me i want to find out

667

00:31:03,990 --> 00:30:58,799

what

668

00:31:05,909 --> 00:31:04,000

police

669

00:31:07,430 --> 00:31:05,919

people and they're they're very friendly

670

00:31:09,269 --> 00:31:07,440

and so on but they said we don't we

671

00:31:11,190 --> 00:31:09,279

don't know anything about that

672

00:31:12,950 --> 00:31:11,200

let's look at our records see if there's

673

00:31:15,990 --> 00:31:12,960

anything in the records

674

00:31:17,990 --> 00:31:16,000

well there was nothing in the records to

675

00:31:19,669 --> 00:31:18,000

indicate that an alien had been shot on

676  
00:31:23,590 --> 00:31:19,679  
the base

677  
00:31:28,470 --> 00:31:23,600  
but it did say that a team

678  
00:31:32,310 --> 00:31:28,480  
from washington dc had come in

679  
00:31:35,350 --> 00:31:32,320  
that day and conducted an exercise

680  
00:31:36,789 --> 00:31:35,360  
and that a cleanup operation was

681  
00:31:38,549 --> 00:31:36,799  
conducted

682  
00:31:40,230 --> 00:31:38,559  
that's very interesting to me so they

683  
00:31:41,990 --> 00:31:40,240  
there is records that a cleanup

684  
00:31:44,789 --> 00:31:42,000  
operation happens maybe they're

685  
00:31:45,750 --> 00:31:44,799  
cleaning up a dead alien right crazy

686  
00:31:49,590 --> 00:31:45,760  
this story is

687  
00:31:52,070 --> 00:31:49,600  
it's a great story and

688  
00:31:53,909 --> 00:31:52,080

the security police were part of this

689

00:31:57,350 --> 00:31:53,919

cleanup operation

690

00:32:03,669 --> 00:31:57,360

and this is the area where allegedly the

691

00:32:08,310 --> 00:32:06,820

alien was shot but this is very close to

692

00:32:09,750 --> 00:32:08,320

[Music]

693

00:32:11,750 --> 00:32:09,760

this other area i'll show you in a

694

00:32:12,470 --> 00:32:11,760

minute but some kind of cleanup

695

00:32:15,750 --> 00:32:12,480

operation

696

00:32:16,950 --> 00:32:15,760

went on and they closed a road on fort

697

00:32:20,070 --> 00:32:16,960

dix

698

00:32:23,269 --> 00:32:20,080

uh indicating that possibly

699

00:32:26,549 --> 00:32:23,279

a a ufo or part of it was was there

700

00:32:32,549 --> 00:32:30,070

this is a allegedly what the alien look

701  
00:32:39,110 --> 00:32:36,710  
more or less a typical gray and

702  
00:32:41,430 --> 00:32:39,120  
this is the fence that he supposedly

703  
00:32:44,470 --> 00:32:41,440  
went through

704  
00:32:45,509 --> 00:32:44,480  
on the right is fort dix on the left is

705  
00:32:49,029 --> 00:32:45,519  
uh

706  
00:32:51,029 --> 00:32:49,039  
maguire yeah and that fence is exactly

707  
00:32:53,269 --> 00:32:51,039  
what separates fort dix and maguire air

708  
00:32:54,230 --> 00:32:53,279  
force base and it was as a child i would

709  
00:32:56,070 --> 00:32:54,240  
go there

710  
00:32:57,909 --> 00:32:56,080  
and you would pull your car in in front

711  
00:32:58,950 --> 00:32:57,919  
of the fence and watch the planes take

712  
00:33:00,789 --> 00:32:58,960  
off and land

713  
00:33:02,470 --> 00:33:00,799

you'd actually be i suppose you'd

714

00:33:04,549 --> 00:33:02,480

actually be on fort dix

715

00:33:06,230 --> 00:33:04,559

because behind the fence was maguire air

716

00:33:08,149 --> 00:33:06,240

force base but the runway was right in

717

00:33:11,590 --> 00:33:08,159

front of the fence

718

00:33:15,830 --> 00:33:11,600

and right near there is this huge ramp

719

00:33:20,950 --> 00:33:15,840

where a ufo could nicely land

720

00:33:24,950 --> 00:33:22,950

and this ramp has these huge flood

721

00:33:26,070 --> 00:33:24,960

floodlights so for some reason the army

722

00:33:28,070 --> 00:33:26,080

has this

723

00:33:29,590 --> 00:33:28,080

area that they can land possibly for

724

00:33:32,789 --> 00:33:29,600

helicopters

725

00:33:34,710 --> 00:33:32,799

this is the same place seen from the air

726

00:33:38,710 --> 00:33:34,720

the white part is the

727

00:33:42,710 --> 00:33:38,720

ramp where the ufo

728

00:33:45,269 --> 00:33:42,720

allegedly crashed and uh

729

00:33:47,269 --> 00:33:45,279

the fence line here where he crossed

730

00:33:48,950 --> 00:33:47,279

over to the

731

00:33:52,149 --> 00:33:48,960

end of the runway and died it's kind of

732

00:33:53,990 --> 00:33:52,159

interesting that uh

733

00:34:00,870 --> 00:33:54,000

aliens like the air force better than

734

00:34:04,630 --> 00:34:03,269

this is a picture taken from the from

735

00:34:07,110 --> 00:34:04,640

that ramp to show you

736

00:34:10,550 --> 00:34:07,120

how how close they are and probably the

737

00:34:16,950 --> 00:34:12,310

and this is a shot from the end of the

738

00:34:25,510 --> 00:34:21,349

now part of my investigation

739

00:34:28,710 --> 00:34:25,520

i became the state director of the

740

00:34:31,589 --> 00:34:28,720

air force association i found that

741

00:34:33,030 --> 00:34:31,599

if i went and talked to military people

742

00:34:34,230 --> 00:34:33,040

and i said i'm with the air force

743

00:34:36,790 --> 00:34:34,240

association

744

00:34:37,589 --> 00:34:36,800

they talk to me very nicely if i walk in

745

00:34:41,349 --> 00:34:37,599

and say

746

00:34:44,069 --> 00:34:41,359

i'm with the euphone i'm on ufo buff

747

00:34:45,030 --> 00:34:44,079

they don't want to talk to me so i i

748

00:34:47,750 --> 00:34:45,040

found

749

00:34:48,470 --> 00:34:47,760

that by having well i'm the president of

750

00:34:50,389 --> 00:34:48,480

the uf

751

00:34:51,510 --> 00:34:50,399

air force association then they talk to

752

00:34:53,349 --> 00:34:51,520

you

753

00:34:55,909 --> 00:34:53,359

wing commanders congressmen and all the

754

00:34:58,790 --> 00:34:55,919

rest of it

755

00:35:00,310 --> 00:34:58,800

but through that i've talked to general

756

00:35:02,150 --> 00:35:00,320

young who is the

757

00:35:04,230 --> 00:35:02,160

commander of the national guard at the

758

00:35:07,190 --> 00:35:04,240

time and then own that

759

00:35:08,790 --> 00:35:07,200

one area of the base and he said he knew

760

00:35:11,349 --> 00:35:08,800

nothing about this

761

00:35:12,550 --> 00:35:11,359

and i was very depressed and i drove

762

00:35:14,230 --> 00:35:12,560

home

763

00:35:16,150 --> 00:35:14,240

and i passed through this little town of

764

00:35:20,230 --> 00:35:16,160

tabernacle and stopped

765

00:35:21,829 --> 00:35:20,240

in the local antique shop

766

00:35:24,150 --> 00:35:21,839

and i asked them do you happen to have

767

00:35:25,750 --> 00:35:24,160

any you know models of ufos or anything

768

00:35:28,829 --> 00:35:25,760

i said no

769

00:35:29,990 --> 00:35:28,839

i said i'm i'm trying to find out about

770

00:35:45,109 --> 00:35:30,000

the

771

00:35:48,630 --> 00:35:45,119

at wright patterson i said

772

00:35:50,870 --> 00:35:48,640

i said i said you know are you serious

773

00:35:52,470 --> 00:35:50,880

and his wife comes in he says oh yes i

774

00:35:54,310 --> 00:35:52,480

used to be a

775

00:35:57,829 --> 00:35:54,320

typist at wright patterson and we used

776

00:35:58,870 --> 00:35:57,839

to write up stories about

777

00:36:01,910 --> 00:35:58,880

you know the aliens and

778

00:36:05,349 --> 00:36:01,920

extraterrestrials and so on all the time

779

00:36:09,430 --> 00:36:05,359

and he said he was in a he was in an

780

00:36:11,190 --> 00:36:09,440

in osi off of special investigations

781

00:36:13,270 --> 00:36:11,200

which is like the police force the

782

00:36:16,310 --> 00:36:13,280

detectives in the military

783

00:36:18,310 --> 00:36:16,320

yeah it's interesting too the osi

784

00:36:20,630 --> 00:36:18,320

is involved in a lot of stuff involving

785

00:36:23,270 --> 00:36:20,640

aliens some

786

00:36:24,390 --> 00:36:23,280

familiar with ufo mythology and lure may

787

00:36:27,270 --> 00:36:24,400

remember

788

00:36:29,190 --> 00:36:27,280

richard doughty was from the office of

789

00:36:31,430 --> 00:36:29,200

special investigations the air force

790

00:36:34,150 --> 00:36:31,440

office of special investigations

791

00:36:35,829 --> 00:36:34,160

and then his friend called him and said

792

00:36:37,829 --> 00:36:35,839

like three o'clock in the morning wakes

793

00:36:41,349 --> 00:36:37,839

him up

794

00:36:44,310 --> 00:36:41,359

and said come over to the hanger

795

00:36:45,030 --> 00:36:44,320

8 18 f actually not a hanger but

796

00:36:48,790 --> 00:36:45,040

building

797

00:36:51,349 --> 00:36:48,800

18 f and i've got something to show you

798

00:36:53,589 --> 00:36:51,359

and he's like what he said well it's

799

00:36:56,390 --> 00:36:53,599

well worthwhile for you to come over

800

00:36:58,870 --> 00:36:56,400

well any case he goes over in the middle

801  
00:37:03,030 --> 00:36:58,880  
of the night

802  
00:37:06,230 --> 00:37:05,030  
and he's led in through the like the

803  
00:37:10,230 --> 00:37:06,240  
entrance here

804  
00:37:13,270 --> 00:37:10,240  
and comes in and he's shown an alien

805  
00:37:13,910 --> 00:37:13,280  
now the alien he saw look pretty much

806  
00:37:17,190 --> 00:37:13,920  
like

807  
00:37:20,870 --> 00:37:17,200  
you and i and this

808  
00:37:24,310 --> 00:37:20,880  
alien is from the movie

809  
00:37:27,270 --> 00:37:24,320  
hangar 18 and i encourage you to get

810  
00:37:28,870 --> 00:37:27,280  
that movie hangar 18. it's it's

811  
00:37:32,630 --> 00:37:28,880  
available

812  
00:37:35,910 --> 00:37:32,640  
and according to the producer of the

813  
00:37:36,550 --> 00:37:35,920

movie they were helped producing the

814

00:37:40,230 --> 00:37:36,560

movie

815

00:37:42,470 --> 00:37:40,240

by the government so that

816

00:37:43,990 --> 00:37:42,480

we would understand about uf hosts in

817

00:37:46,069 --> 00:37:44,000

other words

818

00:37:50,069 --> 00:37:46,079

they in a way they want us to know but

819

00:37:53,430 --> 00:37:50,079

they want the deniability factor

820

00:37:54,790 --> 00:37:53,440

and this is the ufo in the movie but

821

00:37:59,270 --> 00:37:54,800

it's similar to the one

822

00:38:02,630 --> 00:38:00,630

and i said well i'm going to write

823

00:38:05,349 --> 00:38:02,640

patterson uh

824

00:38:06,710 --> 00:38:05,359

in a couple weeks i could stop in there

825

00:38:10,470 --> 00:38:06,720

and he gave me

826

00:38:13,589 --> 00:38:10,480

directions of how i should go to find

827

00:38:14,870 --> 00:38:13,599

you know the ufo to look at so i go to

828

00:38:16,630 --> 00:38:14,880

wright patterson and i don't know if

829

00:38:19,750 --> 00:38:16,640

anyone's ever been there but it's worth

830

00:38:21,910 --> 00:38:19,760

while going because there's a big

831

00:38:23,270 --> 00:38:21,920

air force museum with just about all the

832

00:38:26,710 --> 00:38:23,280

aircraft the us

833

00:38:29,910 --> 00:38:26,720

has ever had in this museum

834

00:38:33,349 --> 00:38:29,920

and another part of the base

835

00:38:36,950 --> 00:38:33,359

they have the wright brothers

836

00:38:37,910 --> 00:38:36,960

uh monument and in a third part of the

837

00:38:39,750 --> 00:38:37,920

base

838

00:38:41,670 --> 00:38:39,760

that they still don't let you go in is

839

00:38:46,069 --> 00:38:41,680

where they keep the ufos

840

00:38:48,550 --> 00:38:46,079

at least some of them

841

00:38:50,870 --> 00:38:48,560

friends uh that's about it for the

842

00:38:54,710 --> 00:38:50,880

actual story of the

843

00:38:58,550 --> 00:38:54,720

alien shot killed murder

844

00:39:03,030 --> 00:38:58,560

i suppose at fort dix mcguire

845

00:39:06,230 --> 00:39:03,040

air force base in 1978

846

00:39:09,030 --> 00:39:06,240

i find this story to be

847

00:39:12,310 --> 00:39:09,040

really fascinating because it's told by

848

00:39:16,950 --> 00:39:14,550

so many stories are told by people who

849

00:39:18,550 --> 00:39:16,960

then you look into their background

850

00:39:20,950 --> 00:39:18,560

investigate them a little bit and find

851  
00:39:24,710 --> 00:39:20,960  
out they are not who they said they were

852  
00:39:28,230 --> 00:39:24,720  
they are not a credible

853  
00:39:29,829 --> 00:39:28,240  
someone you should trust so far i have

854  
00:39:32,950 --> 00:39:29,839  
found no reason

855  
00:39:33,589 --> 00:39:32,960  
to distrust the story being told by this

856  
00:39:37,990 --> 00:39:33,599  
major

857  
00:39:39,349 --> 00:39:38,000  
filer i for one would like to call this

858  
00:39:40,950 --> 00:39:39,359  
part one

859  
00:39:43,270 --> 00:39:40,960  
and i'm going to open a new

860  
00:39:47,190 --> 00:39:43,280  
investigation into this

861  
00:39:48,390 --> 00:39:47,200  
specific story and see if there is more

862  
00:39:51,510 --> 00:39:48,400  
corroborative

863  
00:39:55,109 --> 00:39:51,520

evidence which can be found radar tapes

864

00:40:02,390 --> 00:39:58,710

flight logs uh i'm not sure how far

865

00:40:06,150 --> 00:40:02,400

back the records would be

866

00:40:08,950 --> 00:40:06,160

capped however but

867

00:40:10,710 --> 00:40:08,960

i think it's a story worth looking

868

00:40:12,790 --> 00:40:10,720

deeper into

869

00:40:15,910 --> 00:40:12,800

and with that friends i will turn my

870

00:40:18,150 --> 00:40:15,920

full attention to the live chat

871

00:40:20,470 --> 00:40:18,160

what do you guys think of this story is

872

00:40:22,630 --> 00:40:20,480

this a credible story

873

00:40:25,670 --> 00:40:22,640

uh it's certainly a bit more credible

874

00:40:27,750 --> 00:40:25,680

than most ufo and alien stories

875

00:40:29,589 --> 00:40:27,760

just based on the fact that the person

876

00:40:32,230 --> 00:40:29,599

who's telling the story

877

00:40:33,430 --> 00:40:32,240

is who he says he is and it can be

878

00:40:37,510 --> 00:40:33,440

verified that he

879

00:40:39,270 --> 00:40:37,520

is who he says he is i've also verified

880

00:40:40,710 --> 00:40:39,280

through his military records that he was

881

00:40:44,390 --> 00:40:40,720

indeed stationed

882

00:40:46,550 --> 00:40:44,400

at mcguire as a military you know as an

883

00:40:49,670 --> 00:40:46,560

intelligence officer for the base

884

00:40:53,270 --> 00:40:49,680

at the time that this event took place

885

00:40:55,510 --> 00:40:53,280

i think that this is one of the more

886

00:40:56,790 --> 00:40:55,520

or most credible stories that i have

887

00:41:00,069 --> 00:40:56,800

come across

888

00:41:03,910 --> 00:41:00,079

in a long long time uh

889

00:41:07,829 --> 00:41:03,920

there is a little bit of

890

00:41:08,550 --> 00:41:07,839

you know my need is i'd like to see more

891

00:41:10,390 --> 00:41:08,560

data

892

00:41:12,069 --> 00:41:10,400

i'd like to see more corroborating

893

00:41:15,270 --> 00:41:12,079

witness testimony

894

00:41:17,670 --> 00:41:15,280

i'd like to see more verification

895

00:41:18,790 --> 00:41:17,680

uh to indicate that the story is indeed

896

00:41:21,910 --> 00:41:18,800

true

897

00:41:23,430 --> 00:41:21,920

so what do you guys think is this a is

898

00:41:26,710 --> 00:41:23,440

this a good story

899

00:41:29,270 --> 00:41:26,720

is this a true story

900

00:41:30,230 --> 00:41:29,280

i would like to see more evidence

901  
00:41:33,349 --> 00:41:30,240  
however

902  
00:41:37,430 --> 00:41:33,359  
i am uh

903  
00:41:40,550 --> 00:41:37,440  
i suppose i am very interested

904  
00:41:42,069 --> 00:41:40,560  
in finding out more about this specific

905  
00:41:44,550 --> 00:41:42,079  
story

906  
00:41:45,510 --> 00:41:44,560  
so many stories you can just pick apart

907  
00:41:48,710 --> 00:41:45,520  
so easily

908  
00:41:50,309 --> 00:41:48,720  
this one uh there may be some meat on

909  
00:41:55,190 --> 00:41:50,319  
the bones here

910  
00:41:58,309 --> 00:41:55,200  
and i think further investigation

911  
00:42:00,470 --> 00:41:58,319  
would be would be time well spent

912  
00:42:02,870 --> 00:42:00,480  
to try to get to the truth of the story

913  
00:42:05,910 --> 00:42:02,880

or to provide more proof

914

00:42:09,750 --> 00:42:05,920

of the story to bolster uh

915

00:42:13,030 --> 00:42:09,760

you know the claims of this major george

916

00:42:17,430 --> 00:42:14,550

let's see we're going to take questions

917

00:42:20,069 --> 00:42:17,440

and comments from the live chat

918

00:42:21,589 --> 00:42:20,079

jeanette krazenko i'm interested in more

919

00:42:24,150 --> 00:42:21,599

yes i am

920

00:42:25,829 --> 00:42:24,160

i am interested in more as well i would

921

00:42:29,109 --> 00:42:25,839

like to see much more

922

00:42:32,309 --> 00:42:29,119

uh study of this case which seems to be

923

00:42:35,190 --> 00:42:32,319

one of the lesser known cases i don't

924

00:42:35,829 --> 00:42:35,200

recall really hearing very much about

925

00:42:38,950 --> 00:42:35,839

this

926  
00:42:41,990 --> 00:42:38,960  
case

927  
00:42:44,390 --> 00:42:42,000  
is because i grew up spending summers

928  
00:42:44,870 --> 00:42:44,400  
just a few miles from that base in fact

929  
00:42:47,270 --> 00:42:44,880  
i

930  
00:42:48,950 --> 00:42:47,280  
you know you know me my brother my

931  
00:42:50,870 --> 00:42:48,960  
friends we used to ride our bikes to

932  
00:42:52,790 --> 00:42:50,880  
vortex army base and like go

933  
00:42:54,790 --> 00:42:52,800  
on the training you know they had zip

934  
00:42:56,710 --> 00:42:54,800  
lines and they had these nets that you

935  
00:42:59,990 --> 00:42:56,720  
can climb up and climb over

936  
00:43:03,510 --> 00:43:00,000  
an obstacle course so as a kid

937  
00:43:06,790 --> 00:43:03,520  
it was a fun place to go and a note

938  
00:43:10,710 --> 00:43:06,800

about the military police there

939

00:43:14,790 --> 00:43:10,720

we uh would purposefully

940

00:43:17,990 --> 00:43:14,800

go to these uh sort of uh

941

00:43:19,670 --> 00:43:18,000

training places on the base when we knew

942

00:43:22,390 --> 00:43:19,680

the shifts were changing

943

00:43:23,270 --> 00:43:22,400

we were less likely to be caught and

944

00:43:25,349 --> 00:43:23,280

told to leave

945

00:43:27,510 --> 00:43:25,359

by the military police if we went at

946

00:43:31,190 --> 00:43:27,520

certain times and after a while

947

00:43:32,870 --> 00:43:31,200

we figured out the best times to do that

948

00:43:34,710 --> 00:43:32,880

there are more witness whistleblower

949

00:43:36,710 --> 00:43:34,720

testimonies from wright patterson air

950

00:43:37,349 --> 00:43:36,720

force base in the book fifty shades of

951  
00:43:39,589 --> 00:43:37,359

grays

952  
00:43:42,470 --> 00:43:39,599

i don't know that book vanessa i will

953  
00:43:44,390 --> 00:43:42,480

have to check that one out

954  
00:43:46,390 --> 00:43:44,400

i'm always interested when i hear about

955  
00:43:54,309 --> 00:43:46,400

a good book that i don't have

956  
00:43:59,510 --> 00:43:54,319

because i've got most of them think dex

957  
00:44:03,270 --> 00:44:01,430

professor fez difficult embellished with

958  
00:44:05,190 --> 00:44:03,280

the alien angle as described here that's

959  
00:44:07,349 --> 00:44:05,200

definitely a sketch of a meta

960  
00:44:08,950 --> 00:44:07,359

a fictional alien from 1891 but

961  
00:44:11,430 --> 00:44:08,960

something seems to have happened

962  
00:44:12,069 --> 00:44:11,440

yeah there's some sort of event that led

963  
00:44:15,190 --> 00:44:12,079

to the

964

00:44:15,990 --> 00:44:15,200

this story being told i would like to

965

00:44:21,510 --> 00:44:16,000

see more

966

00:44:25,349 --> 00:44:23,190

brad gray so there must be a lot of

967

00:44:27,190 --> 00:44:25,359

witnesses with this case yes and in his

968

00:44:29,430 --> 00:44:27,200

book he named some of them

969

00:44:31,109 --> 00:44:29,440

uh which is interesting to me because it

970

00:44:33,030 --> 00:44:31,119

means that there is corroborating

971

00:44:33,670 --> 00:44:33,040

witnesses to the story that this

972

00:44:37,510 --> 00:44:33,680

gentleman

973

00:44:40,470 --> 00:44:37,520

is telling and i think

974

00:44:41,829 --> 00:44:40,480

i think that this one is worth it's

975

00:44:44,790 --> 00:44:41,839

worth the time of

976  
00:44:45,430 --> 00:44:44,800  
modern investigators to look into where

977  
00:44:49,270 --> 00:44:45,440  
so many

978  
00:44:52,309 --> 00:44:49,280  
are simply not worth the time uh

979  
00:44:54,069 --> 00:44:52,319  
to look into governor gawker why don't

980  
00:44:55,430 --> 00:44:54,079  
these guys whistle blow while serving

981  
00:44:58,790 --> 00:44:55,440  
actively

982  
00:45:01,589 --> 00:44:58,800  
there's always after they talk well

983  
00:45:03,109 --> 00:45:01,599  
you know i guess if you're if you're if

984  
00:45:03,589 --> 00:45:03,119  
you don't know military people they

985  
00:45:06,470 --> 00:45:03,599  
follow

986  
00:45:07,190 --> 00:45:06,480  
orders right they're they're trained

987  
00:45:09,109 --> 00:45:07,200  
they're

988  
00:45:10,870 --> 00:45:09,119

almost brainwashed that you just follow

989

00:45:12,309 --> 00:45:10,880

orders you don't question

990

00:45:13,910 --> 00:45:12,319

you don't question your superior

991

00:45:15,670 --> 00:45:13,920

officers you do what you're told or

992

00:45:17,990 --> 00:45:15,680

you're gonna have trouble

993

00:45:19,349 --> 00:45:18,000

uh in your career in your life there's

994

00:45:20,790 --> 00:45:19,359

lots of things they can do they can

995

00:45:21,670 --> 00:45:20,800

throw you out of the military you're

996

00:45:25,109 --> 00:45:21,680

gonna lose your

997

00:45:25,589 --> 00:45:25,119

paycheck and you know so i i think it's

998

00:45:34,950 --> 00:45:25,599

easy

999

00:45:36,230 --> 00:45:34,960

sort of judged them for keeping quiet

1000

00:45:37,829 --> 00:45:36,240

spooky says were there any other

1001  
00:45:39,190 --> 00:45:37,839  
sightings in the area around the same

1002  
00:45:41,270 --> 00:45:39,200  
time i found

1003  
00:45:43,589 --> 00:45:41,280  
mentioned of a few but i don't know that

1004  
00:45:46,150 --> 00:45:43,599  
they were related

1005  
00:45:48,069 --> 00:45:46,160  
i'm going to look deeper into those

1006  
00:45:50,309 --> 00:45:48,079  
sightings in the area and i have

1007  
00:45:52,950 --> 00:45:50,319  
mentioned previously that my own

1008  
00:45:54,150 --> 00:45:52,960  
ufo sighting took place two miles from

1009  
00:45:56,470 --> 00:45:54,160  
that runway

1010  
00:45:58,230 --> 00:45:56,480  
some ten years after this event which is

1011  
00:46:00,230 --> 00:45:58,240  
another reason why i

1012  
00:46:02,630 --> 00:46:00,240  
am very interested in this case to see

1013  
00:46:04,550 --> 00:46:02,640

if it may be related to my own sighting

1014

00:46:08,069 --> 00:46:04,560

that i had as a child

1015

00:46:11,109 --> 00:46:08,079

some two miles away from that actual

1016

00:46:14,150 --> 00:46:11,119

mcguire air force base runway

1017

00:46:16,309 --> 00:46:14,160

my my experience took place

1018

00:46:18,710 --> 00:46:16,319

just a few miles in the woods

1019

00:46:21,829 --> 00:46:18,720

surrounding maguire air force base

1020

00:46:23,030 --> 00:46:21,839

and uh when i heard of this story for

1021

00:46:25,270 --> 00:46:23,040

the first time

1022

00:46:28,069 --> 00:46:25,280

i i was kind of disappointed that it

1023

00:46:30,230 --> 00:46:28,079

happened in 1978 because my

1024

00:46:31,670 --> 00:46:30,240

my experience would have happened you

1025

00:46:35,430 --> 00:46:31,680

know in the

1026

00:46:37,990 --> 00:46:35,440

in the 80s but some 10 years after

1027

00:46:39,190 --> 00:46:38,000

this event so i don't know that mine was

1028

00:46:41,109 --> 00:46:39,200

related

1029

00:46:42,710 --> 00:46:41,119

but it always seems funny to me that

1030

00:46:45,750 --> 00:46:42,720

there's this

1031

00:46:46,470 --> 00:46:45,760

crazy story about an alien being shot

1032

00:46:50,790 --> 00:46:46,480

and killed

1033

00:46:52,309 --> 00:46:50,800

two miles from where i had my sighting

1034

00:46:53,990 --> 00:46:52,319

i find george to be extremely

1035

00:46:55,430 --> 00:46:54,000

comfortable telling his story he's not

1036

00:46:57,670 --> 00:46:55,440

hemming and hawing like most of the

1037

00:46:59,030 --> 00:46:57,680

fraud clowns on youtube yeah i think

1038

00:47:01,109 --> 00:46:59,040

he's a credible witness

1039

00:47:03,589 --> 00:47:01,119

and i'd be interested in interviewing

1040

00:47:04,069 --> 00:47:03,599

him i'm going to see if we can make that

1041

00:47:06,710 --> 00:47:04,079

happen

1042

00:47:08,069 --> 00:47:06,720

perhaps for a part two but i want to

1043

00:47:10,309 --> 00:47:08,079

spend some time

1044

00:47:11,270 --> 00:47:10,319

seeing what other evidence i can find

1045

00:47:14,150 --> 00:47:11,280

and then

1046

00:47:15,109 --> 00:47:14,160

sort of maybe i could get with him and

1047

00:47:20,390 --> 00:47:15,119

talk to him about

1048

00:47:27,910 --> 00:47:22,230

what year was this sorry i was late this

1049

00:47:29,990 --> 00:47:27,920

was in 1978 bg's it occurred in 1978

1050

00:47:31,109 --> 00:47:30,000

conor gawker i was united states marine

1051

00:47:33,510 --> 00:47:31,119

corps

1052

00:47:36,069 --> 00:47:33,520

interesting well uh gutter golfer thank

1053

00:47:38,309 --> 00:47:36,079

you for your service

1054

00:47:39,109 --> 00:47:38,319

some of us appreciate those of you who

1055

00:47:42,549 --> 00:47:39,119

actually

1056

00:47:45,030 --> 00:47:42,559

serve in the military i don't understand

1057

00:47:47,190 --> 00:47:45,040

about shooting the alien in the ufo

1058

00:47:48,390 --> 00:47:47,200

was the alien running back to his craft

1059

00:47:51,670 --> 00:47:48,400

he may have been

1060

00:47:55,589 --> 00:47:53,829

the fact that he is credible helps but

1061

00:47:58,470 --> 00:47:55,599

could have been a psy up on him

1062

00:48:00,630 --> 00:47:58,480

the base to test their reactions yeah it

1063

00:48:04,309 --> 00:48:00,640

could have been

1064

00:48:09,910 --> 00:48:07,670

let's see here what was going on in the

1065

00:48:11,030 --> 00:48:09,920

surrounding buildings state secrets that

1066

00:48:14,950 --> 00:48:11,040

sort of thing

1067

00:48:16,390 --> 00:48:14,960

well yeah you know uh maguire is mostly

1068

00:48:19,349 --> 00:48:16,400

a logistics base

1069

00:48:20,150 --> 00:48:19,359

uh as far as air force is concerned they

1070

00:48:22,710 --> 00:48:20,160

don't

1071

00:48:24,230 --> 00:48:22,720

they didn't have like fighter wings they

1072

00:48:26,309 --> 00:48:24,240

were mostly

1073

00:48:28,230 --> 00:48:26,319

to my knowledge mcguire is mostly

1074

00:48:30,710 --> 00:48:28,240

logistical and support

1075

00:48:32,549 --> 00:48:30,720

during desert storm for example they cut

1076

00:48:34,710 --> 00:48:32,559

off all access to the base

1077

00:48:36,470 --> 00:48:34,720

and civilians were no longer allowed

1078

00:48:39,190 --> 00:48:36,480

anywhere near the base because they did

1079

00:48:42,069 --> 00:48:39,200

not want terrorists or spies

1080

00:48:43,190 --> 00:48:42,079

uh telling the taliban or whoever the

1081

00:48:46,630 --> 00:48:43,200

iraqi army

1082

00:48:48,549 --> 00:48:46,640

and air force uh what was taking off and

1083

00:48:51,109 --> 00:48:48,559

landing from the base so they cut off

1084

00:48:54,150 --> 00:48:51,119

all access but during desert storm

1085

00:48:56,069 --> 00:48:54,160

i remember uh there was planes

1086

00:48:58,710 --> 00:48:56,079

taking off and landing i could hear them

1087

00:49:00,470 --> 00:48:58,720

from my parents house in browns mills

1088

00:49:02,150 --> 00:49:00,480

every two minutes it was like you could

1089

00:49:04,150 --> 00:49:02,160

hear the jet engines and

1090

00:49:05,990 --> 00:49:04,160

and the planes taking off were landing

1091

00:49:08,150 --> 00:49:06,000

and you could see them coming over our

1092

00:49:11,190 --> 00:49:08,160

house to go to air to go to the

1093

00:49:13,829 --> 00:49:11,200

landing strip it was like a parade

1094

00:49:15,030 --> 00:49:13,839

of c-130s transport planes and i think

1095

00:49:18,630 --> 00:49:15,040

they were flying

1096

00:49:22,069 --> 00:49:18,640

you know food supplies tanks jeeps

1097

00:49:25,829 --> 00:49:22,079

i don't know what all ammunition

1098

00:49:29,270 --> 00:49:27,829

more than a little bit behind keith yes

1099

00:49:31,109 --> 00:49:29,280

they follow orders it's a difficult

1100

00:49:34,630 --> 00:49:31,119

thing not to follow orders

1101  
00:49:35,750 --> 00:49:34,640  
yeah i believe that cold war times that

1102  
00:49:38,950 --> 00:49:35,760  
makes sense

1103  
00:49:40,870 --> 00:49:38,960  
yeah they follow orders but soldiers

1104  
00:49:42,390 --> 00:49:40,880  
talk especially if it's to do with an

1105  
00:49:44,150 --> 00:49:42,400  
alien yeah i would think that some

1106  
00:49:46,069 --> 00:49:44,160  
people would talk but you notice that he

1107  
00:49:47,670 --> 00:49:46,079  
said that they scattered everybody to

1108  
00:49:48,390 --> 00:49:47,680  
different bases so that they couldn't

1109  
00:49:51,990 --> 00:49:48,400  
talk

1110  
00:49:53,750 --> 00:49:52,000  
i suppose amongst themselves right

1111  
00:49:55,510 --> 00:49:53,760  
oh wow that would be epic if you get an

1112  
00:49:57,510 --> 00:49:55,520  
interview with him crossing fingers

1113  
00:49:58,549 --> 00:49:57,520

yeah he seems like a pretty good guy and

1114

00:50:00,309 --> 00:49:58,559

i think that if i

1115

00:50:03,510 --> 00:50:00,319

approach him in the right way we'll

1116

00:50:05,430 --> 00:50:03,520

probably get an interview

1117

00:50:07,430 --> 00:50:05,440

is he still alive when was that talk to

1118

00:50:08,230 --> 00:50:07,440

my knowledge he is but i have not looked

1119

00:50:11,670 --> 00:50:08,240

him up yet

1120

00:50:13,829 --> 00:50:11,680

spooky so i'm gonna do that this week uh

1121

00:50:16,150 --> 00:50:13,839

goddard gawker you guys are a class act

1122

00:50:17,750 --> 00:50:16,160

you have good people here thank you for

1123

00:50:23,829 --> 00:50:17,760

your service better walker

1124

00:50:27,589 --> 00:50:25,750

professor fed says he's thinking along

1125

00:50:29,670 --> 00:50:27,599

those lines himself

1126  
00:50:31,829 --> 00:50:29,680  
such as design the drone technology will

1127  
00:50:32,549 --> 00:50:31,839  
make future ufo investigations almost

1128  
00:50:34,309 --> 00:50:32,559  
impossible

1129  
00:50:36,790 --> 00:50:34,319  
imagine how many reports being simply

1130  
00:50:40,790 --> 00:50:36,800  
drones i totally agree with you

1131  
00:50:44,470 --> 00:50:40,800  
a lot of these sightings are absolutely

1132  
00:50:54,309 --> 00:50:44,480  
absolutely drones and

1133  
00:50:57,829 --> 00:50:54,319  
uavs unmanned aerial vehicles etc

1134  
00:50:59,589 --> 00:50:57,839  
wow that's uh post questions in all caps

1135  
00:51:01,430 --> 00:50:59,599  
help steven see yeah please guys

1136  
00:51:05,030 --> 00:51:01,440  
remember my uh

1137  
00:51:06,790 --> 00:51:05,040  
my uh vision impairment jasmine emmerich

1138  
00:51:08,710 --> 00:51:06,800

funny you lived in browns mills i lived

1139

00:51:09,430 --> 00:51:08,720

in mount holly yeah mount holly's right

1140

00:51:11,829 --> 00:51:09,440

next to

1141

00:51:13,990 --> 00:51:11,839

brown's mills actually jasmine i never

1142

00:51:17,510 --> 00:51:14,000

lived there full time my parents had

1143

00:51:19,109 --> 00:51:17,520

uh browns mills was once a summer home

1144

00:51:21,190 --> 00:51:19,119

community because of the lakes

1145

00:51:24,390 --> 00:51:21,200

surrounding there the houses

1146

00:51:27,589 --> 00:51:24,400

used to be like cottages small

1147

00:51:28,230 --> 00:51:27,599

you know two or three bedroom homes that

1148

00:51:29,910 --> 00:51:28,240

were

1149

00:51:31,430 --> 00:51:29,920

basically there so that people could

1150

00:51:34,390 --> 00:51:31,440

spend summers there i

1151  
00:51:35,430 --> 00:51:34,400  
grew up in philadelphia but every summer

1152  
00:51:37,750 --> 00:51:35,440  
my mother

1153  
00:51:39,190 --> 00:51:37,760  
would take my brother and me to browns

1154  
00:51:41,910 --> 00:51:39,200  
the house and browns mills

1155  
00:51:42,230 --> 00:51:41,920  
because there was a lake there and woods

1156  
00:51:48,390 --> 00:51:42,240  
and

1157  
00:51:50,630 --> 00:51:48,400  
there on the weekends

1158  
00:51:52,390 --> 00:51:50,640  
and spend his you know vacation weeks

1159  
00:51:53,990 --> 00:51:52,400  
there it was a great place

1160  
00:51:55,750 --> 00:51:54,000  
i had a great childhood because of

1161  
00:51:57,510 --> 00:51:55,760  
brown's mills because it's just

1162  
00:51:59,270 --> 00:51:57,520  
you know when you're a kid there's great

1163  
00:52:01,190 --> 00:51:59,280

you can go to all the lakes we had

1164

00:52:04,630 --> 00:52:01,200

canoes we went i went fishing

1165

00:52:07,030 --> 00:52:04,640

every day there's bmx bike trails all

1166

00:52:08,790 --> 00:52:07,040

through the woods and ramps and things

1167

00:52:10,549 --> 00:52:08,800

i had an amazing childhood there in

1168

00:52:11,990 --> 00:52:10,559

bronze mills it's funny to see that you

1169

00:52:18,390 --> 00:52:12,000

lived in mount holly

1170

00:52:21,589 --> 00:52:18,400

which is right next to brown's mills

1171

00:52:24,069 --> 00:52:21,599

a lot of uaps ufos are just balloons too

1172

00:52:25,270 --> 00:52:24,079

oh no the weather blew an ex explanation

1173

00:52:28,390 --> 00:52:25,280

but sometimes yeah

1174

00:52:30,150 --> 00:52:28,400

sometimes they are weather balloons

1175

00:52:32,470 --> 00:52:30,160

did he sell a lot of stuff after coming

1176

00:52:35,510 --> 00:52:32,480

out with a story could be a red flag

1177

00:52:37,270 --> 00:52:35,520

no i believe that he did not i mean he

1178

00:52:38,150 --> 00:52:37,280

wrote a book but it wasn't exactly a

1179

00:52:40,150 --> 00:52:38,160

bestseller

1180

00:52:42,230 --> 00:52:40,160

you know and this was pre i think his

1181

00:52:45,589 --> 00:52:42,240

book came out with pre-amazon time

1182

00:52:46,950 --> 00:52:45,599

so i'm not sure um that he made a ton of

1183

00:52:51,030 --> 00:52:46,960

money or anything like that

1184

00:52:54,630 --> 00:52:51,040

he did tell the story in a book um

1185

00:52:56,630 --> 00:52:54,640

yeah how fun great childhood indeed says

1186

00:52:58,069 --> 00:52:56,640

outline yeah that's why one of the

1187

00:53:00,309 --> 00:52:58,079

reasons i got a cabin

1188

00:53:02,150 --> 00:53:00,319

near lakes because i want my children to

1189

00:53:02,950 --> 00:53:02,160

have the same kind of experience growing

1190

00:53:05,510 --> 00:53:02,960

up that i did

1191

00:53:06,150 --> 00:53:05,520

and sort of get to explore the woods and

1192

00:53:09,190 --> 00:53:06,160

you know

1193

00:53:10,870 --> 00:53:09,200

as a boy hey there's a forest right next

1194

00:53:13,589 --> 00:53:10,880

to my house i can go

1195

00:53:14,069 --> 00:53:13,599

hiking in and see what's in there and it

1196

00:53:22,630 --> 00:53:14,079

was

1197

00:53:22,640 --> 00:53:30,390

yeah yeah absolutely bg's

1198

00:53:34,390 --> 00:53:33,109

so friends and you know i guess one of

1199

00:53:36,549 --> 00:53:34,400

the other things that i just wanted to

1200

00:53:39,109 --> 00:53:36,559

cover briefly is that there's all this

1201  
00:53:39,910 --> 00:53:39,119  
drama uh you know was going on in the

1202  
00:53:43,190 --> 00:53:39,920  
past week

1203  
00:53:46,710 --> 00:53:43,200  
it's like uh nasty comments in the

1204  
00:53:47,750 --> 00:53:46,720  
chat and people being extremely crazy

1205  
00:53:49,750 --> 00:53:47,760  
nasty on

1206  
00:53:51,510 --> 00:53:49,760  
on twitter to the point that i did

1207  
00:53:52,710 --> 00:53:51,520  
something i never do when i just started

1208  
00:53:54,870 --> 00:53:52,720  
blocking people

1209  
00:53:56,870 --> 00:53:54,880  
if people want to engage with me

1210  
00:53:59,030 --> 00:53:56,880  
respectfully ask me questions ask

1211  
00:54:00,790 --> 00:53:59,040  
anybody i'll answer your questions i'll

1212  
00:54:04,069 --> 00:54:00,800  
talk to you

1213  
00:54:06,950 --> 00:54:04,079

you know i guess i'm a public figure

1214

00:54:07,750 --> 00:54:06,960

but i i think it's important that if

1215

00:54:09,349 --> 00:54:07,760

we're going to present

1216

00:54:10,870 --> 00:54:09,359

this kind of information in these kind

1217

00:54:12,950 --> 00:54:10,880

of shows that people can ask me

1218

00:54:14,790 --> 00:54:12,960

questions people can disagree with me as

1219

00:54:17,109 --> 00:54:14,800

long as they do so civilly i have no

1220

00:54:20,390 --> 00:54:17,119

problem with anybody disagreeing with me

1221

00:54:23,030 --> 00:54:20,400

i know that these are

1222

00:54:24,309 --> 00:54:23,040

these strange subjects people feel very

1223

00:54:27,589 --> 00:54:24,319

passionately about

1224

00:54:30,630 --> 00:54:27,599

the believers believe that the skeptics

1225

00:54:32,630 --> 00:54:30,640

are skeptical and uh

1226

00:54:33,750 --> 00:54:32,640

i like to think that i'm somewhere in

1227

00:54:36,870 --> 00:54:33,760

between still

1228

00:54:38,710 --> 00:54:36,880

i want to believe but my point being

1229

00:54:40,390 --> 00:54:38,720

that the drama lately has gotten

1230

00:54:42,870 --> 00:54:40,400

incredibly crazy

1231

00:54:44,950 --> 00:54:42,880

and i also have been noticing that it's

1232

00:54:48,630 --> 00:54:44,960

sort of like

1233

00:54:50,950 --> 00:54:48,640

this content creator

1234

00:54:52,789 --> 00:54:50,960

against this other content creator and i

1235

00:54:54,549 --> 00:54:52,799

don't generally have a problem with

1236

00:54:57,030 --> 00:54:54,559

anyone else and i don't want to

1237

00:54:57,990 --> 00:54:57,040

so please do not involve me in your

1238

00:55:00,150 --> 00:54:58,000

drama

1239

00:55:02,069 --> 00:55:00,160

i want to focus most of my attention on

1240

00:55:05,109 --> 00:55:02,079

the show

1241

00:55:06,870 --> 00:55:05,119

and i want to not be involved in useless

1242

00:55:09,750 --> 00:55:06,880

drama that gets me nowhere

1243

00:55:11,190 --> 00:55:09,760

i've got people telling me that all

1244

00:55:14,630 --> 00:55:11,200

those nasty comments

1245

00:55:15,109 --> 00:55:14,640

are being sent by fans of this other

1246

00:55:17,190 --> 00:55:15,119

show

1247

00:55:18,309 --> 00:55:17,200

or whatever this other content creator

1248

00:55:20,390 --> 00:55:18,319

is winding up

1249

00:55:22,549 --> 00:55:20,400

their followers and sending them against

1250

00:55:25,430 --> 00:55:22,559

you because because of this or that

1251  
00:55:26,870 --> 00:55:25,440  
and like i i don't really care you know

1252  
00:55:28,309 --> 00:55:26,880  
i don't really want to get involved in

1253  
00:55:32,069 --> 00:55:28,319  
that kind of stuff

1254  
00:55:32,710 --> 00:55:32,079  
um i want to focus solely on doing good

1255  
00:55:34,789 --> 00:55:32,720  
shows

1256  
00:55:35,990 --> 00:55:34,799  
and uh you know the drama doesn't help

1257  
00:55:38,549 --> 00:55:36,000  
anything

1258  
00:55:40,710 --> 00:55:38,559  
and here is jean-claude at beyond mystic

1259  
00:55:42,710 --> 00:55:40,720  
who says hello sexy people i caught his

1260  
00:55:45,030 --> 00:55:42,720  
stream earlier today

1261  
00:55:46,470 --> 00:55:45,040  
uh who is that jenny moon john claude

1262  
00:55:49,510 --> 00:55:46,480  
that you have the psychic girl

1263  
00:55:53,190 --> 00:55:49,520

i want to see if we can get her but uh

1264

00:55:54,470 --> 00:55:53,200

maybe we can uh we can

1265

00:55:56,789 --> 00:55:54,480

that would be a that would be a good

1266

00:55:58,470 --> 00:55:56,799

show talking to uh your friend

1267

00:56:00,710 --> 00:55:58,480

that i think she's a frequent guest on

1268

00:56:03,109 --> 00:56:00,720

your show

1269

00:56:08,150 --> 00:56:03,119

yeah success to science says welcome

1270

00:56:13,750 --> 00:56:11,510

yeah so my point about all the drama is

1271

00:56:15,430 --> 00:56:13,760

listen i do appreciate if people are

1272

00:56:17,349 --> 00:56:15,440

like

1273

00:56:19,190 --> 00:56:17,359

these people are going after him and i'm

1274

00:56:21,109 --> 00:56:19,200

gonna i'm gonna help him i'll

1275

00:56:23,270 --> 00:56:21,119

defend him in the comments or the

1276

00:56:25,430 --> 00:56:23,280

threads like but i don't want you to

1277

00:56:26,710 --> 00:56:25,440

i don't want you to feed any of these

1278

00:56:28,950 --> 00:56:26,720

trolls

1279

00:56:30,630 --> 00:56:28,960

all you do when you engage with these

1280

00:56:32,470 --> 00:56:30,640

people who are attacking me

1281

00:56:34,630 --> 00:56:32,480

is give them the attention that they

1282

00:56:34,950 --> 00:56:34,640

want to get from doing that sort of

1283

00:56:38,470 --> 00:56:34,960

thing

1284

00:56:41,589 --> 00:56:38,480

so my my preferred method would be

1285

00:56:43,190 --> 00:56:41,599

just completely ignore them these kind

1286

00:56:45,670 --> 00:56:43,200

of people never

1287

00:56:47,349 --> 00:56:45,680

they never amount to much you know

1288

00:56:49,270 --> 00:56:47,359

critics

1289

00:56:50,390 --> 00:56:49,280

critique that's what they do they don't

1290

00:56:52,470 --> 00:56:50,400

create anything

1291

00:56:54,870 --> 00:56:52,480

meaningful or useful to the world they

1292

00:56:55,430 --> 00:56:54,880

do not contribute to the discussion the

1293

00:56:57,589 --> 00:56:55,440

debate

1294

00:56:58,630 --> 00:56:57,599

about these topics i don't want to get

1295

00:57:01,910 --> 00:56:58,640

involved in that

1296

00:57:03,109 --> 00:57:01,920

so while i appreciate people uh caring

1297

00:57:05,190 --> 00:57:03,119

enough about me

1298

00:57:06,470 --> 00:57:05,200

and this show that they want to defend

1299

00:57:08,150 --> 00:57:06,480

me or this show

1300

00:57:09,910 --> 00:57:08,160

please don't please don't engage with

1301  
00:57:13,589 --> 00:57:09,920  
these people just let it go

1302  
00:57:17,109 --> 00:57:13,599  
and uh you know i heard

1303  
00:57:18,630 --> 00:57:17,119  
somebody say something about uh chaos

1304  
00:57:21,829 --> 00:57:18,640  
magic and that some of these people

1305  
00:57:24,789 --> 00:57:21,839  
want they're using chaos magic to create

1306  
00:57:25,990 --> 00:57:24,799  
chaos between people and then again like

1307  
00:57:28,870 --> 00:57:26,000  
trying to create drama

1308  
00:57:30,230 --> 00:57:28,880  
between me and some other show host is

1309  
00:57:32,710 --> 00:57:30,240  
is kind of ridiculous

1310  
00:57:33,829 --> 00:57:32,720  
like i don't you know i don't have the

1311  
00:57:36,150 --> 00:57:33,839  
energy

1312  
00:57:38,710 --> 00:57:36,160  
what are we gonna do start some like

1313  
00:57:40,390 --> 00:57:38,720

howard stern radio wars you know like

1314

00:57:42,710 --> 00:57:40,400

between another show that's not going to

1315

00:57:45,670 --> 00:57:42,720

do anything for me or my show so

1316

00:57:48,630 --> 00:57:45,680

i would prefer to not deal with that and

1317

00:57:51,510 --> 00:57:48,640

john claude said uh

1318

00:57:58,069 --> 00:57:51,520

jenny moonstone she is amazing at tarot

1319

00:58:01,270 --> 00:58:00,470

professor fez if it makes you feel any

1320

00:58:03,750 --> 00:58:01,280

better

1321

00:58:05,510 --> 00:58:03,760

dolan had a stab at me in his live live

1322

00:58:07,430 --> 00:58:05,520

stream i'm so happy about that you'll

1323

00:58:09,510 --> 00:58:07,440

have to tell me that story in email what

1324

00:58:11,990 --> 00:58:09,520

was he was he responding to something

1325

00:58:18,789 --> 00:58:12,000

that you said professor fez

1326

00:58:22,309 --> 00:58:20,789

a lot of people like jenny yeah from

1327

00:58:25,430 --> 00:58:22,319

what i've heard i i like

1328

00:58:28,470 --> 00:58:25,440

but uh maybe she's a little bit too

1329

00:58:30,230 --> 00:58:28,480

woo for me but i would at least uh

1330

00:58:31,910 --> 00:58:30,240

give i would at least do a good

1331

00:58:33,349 --> 00:58:31,920

interview with her and try to learn more

1332

00:58:34,950 --> 00:58:33,359

about her

1333

00:58:36,789 --> 00:58:34,960

and uh she seems like an interesting

1334

00:58:38,309 --> 00:58:36,799

person and i love interviewing

1335

00:58:39,510 --> 00:58:38,319

interesting people that's one of my

1336

00:58:43,190 --> 00:58:39,520

favorite things

1337

00:58:47,109 --> 00:58:43,200

about this show and my previous show

1338

00:58:49,109 --> 00:58:47,119

was to get to interview amazing people

1339

00:58:51,109 --> 00:58:49,119

and i really did get to interview a lot

1340

00:58:52,870 --> 00:58:51,119

of amazing people in my previous show

1341

00:58:55,510 --> 00:58:52,880

and so far on this one as well it's

1342

00:58:57,270 --> 00:58:55,520

really cool to have that access it's

1343

00:59:00,549 --> 00:58:57,280

like using my

1344

00:59:01,430 --> 00:59:00,559

um you know using this show to get a

1345

00:59:05,510 --> 00:59:01,440

pass

1346

00:59:08,630 --> 00:59:05,520

right to talk to some amazing people

1347

00:59:11,430 --> 00:59:08,640

oh yeah uh sixth design post john clyde

1348

00:59:13,030 --> 00:59:11,440

beyond mystics youtube channel

1349

00:59:14,470 --> 00:59:13,040

you should check him out he covers a lot

1350

00:59:17,349 --> 00:59:14,480

of strange subjects too

1351  
00:59:19,030 --> 00:59:17,359  
and uh i really have been enjoying

1352  
00:59:21,670 --> 00:59:19,040  
watching some of his content

1353  
00:59:22,870 --> 00:59:21,680  
lately it's nice to find a new show that

1354  
00:59:25,109 --> 00:59:22,880  
you're not

1355  
00:59:26,549 --> 00:59:25,119  
um not that i'm sick of the shows that i

1356  
00:59:28,150 --> 00:59:26,559  
already watched but you know what i mean

1357  
00:59:29,030 --> 00:59:28,160  
you find a new show and it's something a

1358  
00:59:32,710 --> 00:59:29,040  
little different

1359  
00:59:34,710 --> 00:59:32,720  
maybe it's your junk is not his stuff is

1360  
00:59:35,510 --> 00:59:34,720  
not exactly in my wheelhouse but i'm

1361  
00:59:39,109 --> 00:59:35,520  
enjoying it

1362  
00:59:41,190 --> 00:59:39,119  
so no one is an authority

1363  
00:59:43,829 --> 00:59:41,200

on the supernatural or paranormal it is

1364

00:59:45,670 --> 00:59:43,839

all conjectured until proven

1365

00:59:46,950 --> 00:59:45,680

yeah but you know how it is like these

1366

00:59:49,430 --> 00:59:46,960

people just like to have these

1367

00:59:51,349 --> 00:59:49,440

endless debates and arguments and like

1368

00:59:52,549 --> 00:59:51,359

this person said this and this person

1369

00:59:54,789 --> 00:59:52,559

said that and like

1370

00:59:56,630 --> 00:59:54,799

i don't i don't know you know what i

1371

00:59:58,710 --> 00:59:56,640

have uh enough drama

1372

00:59:59,990 --> 00:59:58,720

you know i got away from two kids that's

1373

01:00:01,910 --> 01:00:00,000

plenty of drama for me

1374

01:00:03,190 --> 01:00:01,920

like i don't have the energy for

1375

01:00:08,470 --> 01:00:03,200

anything else

1376

01:00:14,710 --> 01:00:11,510

trying to focus mostly on the show and

1377

01:00:16,230 --> 01:00:14,720

just doing good shows and good content

1378

01:00:18,549 --> 01:00:16,240

because was that like a year and a half

1379

01:00:21,589 --> 01:00:18,559

ago i think i remember

1380

01:00:24,870 --> 01:00:21,599

oh my god you must had an epic an

1381

01:00:27,589 --> 01:00:24,880

epic interaction with with mr

1382

01:00:27,990 --> 01:00:27,599

dolan yeah and i did i did just want to

1383

01:00:31,109 --> 01:00:28,000

mention

1384

01:00:33,190 --> 01:00:31,119

that by popular demand i have this

1385

01:00:35,109 --> 01:00:33,200

sort of unfinished documentary on bob

1386

01:00:36,870 --> 01:00:35,119

lazar and there's some pieces of it that

1387

01:00:38,950 --> 01:00:36,880

i posted to the channel today

1388

01:00:42,789 --> 01:00:38,960

which got a lot of good feedback so

1389

01:00:45,750 --> 01:00:42,799

thank you guys there's a piece

1390

01:00:47,109 --> 01:00:45,760

on why the bob lazar lie detectors are

1391

01:00:49,190 --> 01:00:47,119

total [h\_\_\h]

1392

01:00:51,030 --> 01:00:49,200

and there's a piece on bob lazar's

1393

01:00:52,630 --> 01:00:51,040

educational credentials completely

1394

01:00:54,950 --> 01:00:52,640

destroyed

1395

01:00:57,109 --> 01:00:54,960

so you might want to check the channel

1396

01:00:59,829 --> 01:00:57,119

and also

1397

01:01:01,190 --> 01:00:59,839

last night we had a really big hiccup

1398

01:01:03,990 --> 01:01:01,200

with the audio

1399

01:01:04,630 --> 01:01:04,000

the mic was not on for the first like 12

1400

01:01:07,190 --> 01:01:04,640

minutes

1401  
01:01:08,230 --> 01:01:07,200  
of the stream and i had a nightmare

1402  
01:01:11,670 --> 01:01:08,240  
today

1403  
01:01:13,670 --> 01:01:11,680  
trying to download the show

1404  
01:01:15,430 --> 01:01:13,680  
cut the first 10 minutes and then

1405  
01:01:17,349 --> 01:01:15,440  
re-upload it apparently

1406  
01:01:19,349 --> 01:01:17,359  
i don't know what happened but stream

1407  
01:01:23,430 --> 01:01:19,359  
yard uh saves their

1408  
01:01:26,230 --> 01:01:23,440  
file at some weird frame rate like 30.30

1409  
01:01:27,510 --> 01:01:26,240  
and my video editing software would not

1410  
01:01:29,270 --> 01:01:27,520  
let me set it to that

1411  
01:01:30,950 --> 01:01:29,280  
so what would happen is i could cut the

1412  
01:01:33,109 --> 01:01:30,960  
10 minutes with no audio

1413  
01:01:34,230 --> 01:01:33,119

because we kind of restarted once i

1414

01:01:36,710 --> 01:01:34,240

realized the error

1415

01:01:38,789 --> 01:01:36,720

and the mic was off once the mic was on

1416

01:01:41,510 --> 01:01:38,799

we restarted it but

1417

01:01:43,270 --> 01:01:41,520

when i tried to render the file the

1418

01:01:44,150 --> 01:01:43,280

audio sync was all the way off but

1419

01:01:47,589 --> 01:01:44,160

eventually

1420

01:01:49,990 --> 01:01:47,599

download it and get it at

1421

01:01:50,950 --> 01:01:50,000

the regular 30 frames a second or

1422

01:01:53,430 --> 01:01:50,960

something

1423

01:01:54,309 --> 01:01:53,440

and we have re-uploaded yesterday's show

1424

01:01:56,789 --> 01:01:54,319

please go

1425

01:01:59,109 --> 01:01:56,799

watch it again click on it because we i

1426

01:02:02,549 --> 01:01:59,119

think it was at like 150 views

1427

01:02:03,190 --> 01:02:02,559

and now it's at like nine because i had

1428

01:02:06,630 --> 01:02:03,200

to

1429

01:02:08,549 --> 01:02:06,640

download it and fix it and re-upload it

1430

01:02:10,549 --> 01:02:08,559

i hate that i hate that because then it

1431

01:02:11,349 --> 01:02:10,559

looks like gee only 10 people watched

1432

01:02:14,390 --> 01:02:11,359

that show

1433

01:02:15,430 --> 01:02:14,400

you know so please uh you know go click

1434

01:02:19,029 --> 01:02:15,440

on that again

1435

01:02:20,630 --> 01:02:19,039

or or maybe watch it as a rerun

1436

01:02:25,270 --> 01:02:20,640

that would be great and i'm way behind

1437

01:02:28,870 --> 01:02:27,109

uh vanessa thor is asking professor

1438

01:02:30,230 --> 01:02:28,880

pheasants he reading email again last

1439

01:02:32,230 --> 01:02:30,240

night check he has a social media

1440

01:02:33,829 --> 01:02:32,240

manager do all of that for him

1441

01:02:36,069 --> 01:02:33,839

it's weird he shares her with linda

1442

01:02:38,230 --> 01:02:36,079

mullen hal yeah and i was the person

1443

01:02:41,510 --> 01:02:38,240

that discovered that because i got

1444

01:02:42,390 --> 01:02:41,520

i got emails from i sent emails to both

1445

01:02:45,349 --> 01:02:42,400

of them and i

1446

01:02:47,270 --> 01:02:45,359

i looked at the signature and i went why

1447

01:02:49,990 --> 01:02:47,280

does this name sound familiar to me

1448

01:02:52,230 --> 01:02:50,000

oh this is the same social media manager

1449

01:02:52,950 --> 01:02:52,240

that linda mullen hale uses i find that

1450

01:02:55,430 --> 01:02:52,960

funny

1451  
01:02:57,029 --> 01:02:55,440  
and that may explain why mr dolan never

1452  
01:02:58,710 --> 01:02:57,039  
goes after linda for all her

1453  
01:03:00,870 --> 01:02:58,720  
bullshittery and fairy tale

1454  
01:03:03,670 --> 01:03:00,880  
hawks during because they're buddies and

1455  
01:03:05,270 --> 01:03:03,680  
they share an employee together

1456  
01:03:07,029 --> 01:03:05,280  
if i like someone and someone else

1457  
01:03:09,029 --> 01:03:07,039  
doesn't it's not my job to defend them

1458  
01:03:11,190 --> 01:03:09,039  
people are entitled to their own opinion

1459  
01:03:13,109 --> 01:03:11,200  
yeah that's how i feel about it and you

1460  
01:03:14,789 --> 01:03:13,119  
know i'm stuck in a bad situation here

1461  
01:03:16,549 --> 01:03:14,799  
because i've got good people in the live

1462  
01:03:17,990 --> 01:03:16,559  
chat that i really like

1463  
01:03:19,750 --> 01:03:18,000

and then they're getting in fights with

1464

01:03:21,430 --> 01:03:19,760

somebody else that they don't like

1465

01:03:23,190 --> 01:03:21,440

and everybody's got it supposed to take

1466

01:03:25,829 --> 01:03:23,200

sides and i'm trying to not

1467

01:03:26,549 --> 01:03:25,839

take sides because it's just a lot of

1468

01:03:29,109 --> 01:03:26,559

drama

1469

01:03:31,270 --> 01:03:29,119

really you know mine kindly posting the

1470

01:03:33,029 --> 01:03:31,280

lazar video

1471

01:03:35,430 --> 01:03:33,039

yeah and i want to know from you guys if

1472

01:03:37,430 --> 01:03:35,440

you go and watch those lazar videos

1473

01:03:38,870 --> 01:03:37,440

let me know if you would like to see

1474

01:03:42,309 --> 01:03:38,880

more sort of

1475

01:03:44,150 --> 01:03:42,319

uh film produced content like that for

1476

01:03:46,069 --> 01:03:44,160

me that's not a live stream because i've

1477

01:03:48,470 --> 01:03:46,079

got about 10 more

1478

01:03:50,309 --> 01:03:48,480

pieces like that not necessarily about

1479

01:03:51,190 --> 01:03:50,319

bob lazar about all different things

1480

01:03:54,150 --> 01:03:51,200

that i sort of

1481

01:03:54,630 --> 01:03:54,160

was developing for different projects

1482

01:03:56,390 --> 01:03:54,640

and

1483

01:03:58,230 --> 01:03:56,400

i never really did anything with it so i

1484

01:03:59,270 --> 01:03:58,240

think yeah i might as well post some of

1485

01:04:01,510 --> 01:03:59,280

that stuff

1486

01:04:08,309 --> 01:04:01,520

some of it is pretty well produced and

1487

01:04:13,349 --> 01:04:11,670

jonah signed yeah i hear you i

1488

01:04:15,670 --> 01:04:13,359

michelle today and probably should have

1489

01:04:18,309 --> 01:04:15,680

just muted unfollowed ignored it all

1490

01:04:19,670 --> 01:04:18,319

yes lots of drama right but you know

1491

01:04:21,990 --> 01:04:19,680

what i think

1492

01:04:23,990 --> 01:04:22,000

i think that everyone is on edge right

1493

01:04:26,069 --> 01:04:24,000

now everyone is on edge because of this

1494

01:04:26,950 --> 01:04:26,079

realness stuff we're all on edge we're

1495

01:04:33,029 --> 01:04:26,960

all

1496

01:04:35,910 --> 01:04:33,039

so we don't we don't

1497

01:04:36,789 --> 01:04:35,920

really i think a lot of people are not

1498

01:04:39,430 --> 01:04:36,799

reacting

1499

01:04:40,470 --> 01:04:39,440

the best way that they could under usual

1500

01:04:42,390 --> 01:04:40,480

circumstances

1501  
01:04:44,470 --> 01:04:42,400  
because there's everybody's so stressed

1502  
01:04:48,309 --> 01:04:44,480  
out and anxiety-ridden and

1503  
01:04:49,910 --> 01:04:48,319  
you know it's terrible it's terrible

1504  
01:04:51,670 --> 01:04:49,920  
because i honestly don't remember i just

1505  
01:04:52,390 --> 01:04:51,680  
remember him going off at a person in

1506  
01:04:54,470 --> 01:04:52,400  
chat

1507  
01:04:56,150 --> 01:04:54,480  
and they just shut up and they were a

1508  
01:04:57,589 --> 01:04:56,160  
regular contributor i can't remember the

1509  
01:05:02,150 --> 01:04:57,599  
context just

1510  
01:05:06,069 --> 01:05:04,630  
i gotta i'm gonna find that clip now bgs

1511  
01:05:08,630 --> 01:05:06,079  
i wanna see that i'm gonna see richard

1512  
01:05:10,710 --> 01:05:08,640  
dolan loses [h\_\_h]

1513  
01:05:13,510 --> 01:05:10,720

because he's like always like a college

1514

01:05:16,950 --> 01:05:13,520

professor right he's always so reserved

1515

01:05:21,349 --> 01:05:16,960

and stately and sort of like

1516

01:05:24,710 --> 01:05:21,359

you know he's just he's just

1517

01:05:25,670 --> 01:05:24,720

so uh i don't know i would think that

1518

01:05:27,109 --> 01:05:25,680

he's thick skinned

1519

01:05:33,029 --> 01:05:27,119

you know he's kind of have to kind of

1520

01:05:40,309 --> 01:05:36,069

jean-claude lisa thinks drama is rude

1521

01:05:44,230 --> 01:05:42,230

professor fez says send them to me i

1522

01:05:47,430 --> 01:05:44,240

have fun with that

1523

01:05:47,990 --> 01:05:47,440

yes it has been rough to be honest yeah

1524

01:05:52,150 --> 01:05:48,000

um

1525

01:05:54,710 --> 01:05:52,160

you know and now talk about anxiety

1526

01:05:56,470 --> 01:05:54,720

um my children i have to decide about my

1527

01:05:58,230 --> 01:05:56,480

children going back to school or not and

1528

01:06:00,069 --> 01:05:58,240

my wife and i are both going back and

1529

01:06:02,069 --> 01:06:00,079

forth with it because

1530

01:06:04,069 --> 01:06:02,079

it's a terrible decision we're stuck in

1531

01:06:04,870 --> 01:06:04,079

a terrible situation because do we want

1532

01:06:07,510 --> 01:06:04,880

to send them

1533

01:06:09,589 --> 01:06:07,520

and then i think both me and my wife

1534

01:06:11,829 --> 01:06:09,599

feel the same way like if god forbid one

1535

01:06:15,029 --> 01:06:11,839

of them contracts it and gets

1536

01:06:16,630 --> 01:06:15,039

really sick or you know worse

1537

01:06:18,710 --> 01:06:16,640

we're going to feel terrible for sending

1538

01:06:21,190 --> 01:06:18,720

in school or

1539

01:06:22,309 --> 01:06:21,200

if they get it and are just a carrier

1540

01:06:24,390 --> 01:06:22,319

and they give it to

1541

01:06:26,230 --> 01:06:24,400

either me or my wife and we get really

1542

01:06:28,069 --> 01:06:26,240

sick or worse

1543

01:06:29,670 --> 01:06:28,079

each of us are going to feel terrible

1544

01:06:31,190 --> 01:06:29,680

for making the decision to send them

1545

01:06:32,950 --> 01:06:31,200

back to school

1546

01:06:34,309 --> 01:06:32,960

personally i don't think it's safe i

1547

01:06:35,910 --> 01:06:34,319

would rather if it was my decision

1548

01:06:39,349 --> 01:06:35,920

solely to make i think i would not

1549

01:06:43,990 --> 01:06:42,230

i also realized especially with my

1550

01:06:47,670 --> 01:06:44,000

autistic son zachary

1551

01:06:51,510 --> 01:06:47,680

he has been so much worse

1552

01:06:55,190 --> 01:06:51,520

uh to deal with to his behavior has gone

1553

01:06:56,549 --> 01:06:55,200

way worse way way worse since no school

1554

01:06:57,910 --> 01:06:56,559

since march

1555

01:07:00,630 --> 01:06:57,920

there's something about autistic

1556

01:07:02,309 --> 01:07:00,640

children they get used to a routine

1557

01:07:04,150 --> 01:07:02,319

you know you get on the bus at this time

1558

01:07:06,069 --> 01:07:04,160

you get off the bus you get in school

1559

01:07:08,309 --> 01:07:06,079

they do all these activities with him at

1560

01:07:11,109 --> 01:07:08,319

school there's a sensory room there for

1561

01:07:11,990 --> 01:07:11,119

sensory issues he gets back on the bus

1562

01:07:15,029 --> 01:07:12,000

he comes home

1563

01:07:17,910 --> 01:07:15,039

he has some snacks you know he was

1564

01:07:18,390 --> 01:07:17,920

much much better he was happier he

1565

01:07:20,950 --> 01:07:18,400

wasn't

1566

01:07:21,829 --> 01:07:20,960

having milk balance constantly when he

1567

01:07:24,710 --> 01:07:21,839

was in school

1568

01:07:26,069 --> 01:07:24,720

now that there's no school uh you know

1569

01:07:27,589 --> 01:07:26,079

it's like

1570

01:07:28,710 --> 01:07:27,599

we don't really know what to do with him

1571

01:07:30,710 --> 01:07:28,720

and he doesn't know what to do with

1572

01:07:33,510 --> 01:07:30,720

himself he has very few interests

1573

01:07:34,390 --> 01:07:33,520

so he's just been having meltdowns

1574

01:07:37,589 --> 01:07:34,400

constantly

1575

01:07:39,109 --> 01:07:37,599

since this all began and we both believe

1576

01:07:41,589 --> 01:07:39,119

that if he gets back into that

1577

01:07:42,230 --> 01:07:41,599

school routine that he will improve and

1578

01:07:44,710 --> 01:07:42,240

we would

1579

01:07:46,470 --> 01:07:44,720

certainly prefer that but then as far as

1580

01:07:49,349 --> 01:07:46,480

my younger son

1581

01:07:51,270 --> 01:07:49,359

i don't know we're both uh not sure

1582

01:07:53,349 --> 01:07:51,280

about that either i mean he's four and

1583

01:07:56,950 --> 01:07:53,359

he's going to like pre-k

1584

01:07:59,430 --> 01:07:56,960

um but we're not sure that it's safe

1585

01:08:00,789 --> 01:07:59,440

we're just not sure that it's safe so uh

1586

01:08:02,150 --> 01:08:00,799

it's it's going to be a terrible

1587

01:08:03,829 --> 01:08:02,160

decision

1588

01:08:05,670 --> 01:08:03,839

i almost feel like i wish i could just

1589

01:08:07,029 --> 01:08:05,680

flip a coin so i don't have to make the

1590

01:08:09,349 --> 01:08:07,039

decision

1591

01:08:12,390 --> 01:08:09,359

and yes out of mind it has been rough

1592

01:08:14,069 --> 01:08:12,400

it's been rough for a lot of people

1593

01:08:15,829 --> 01:08:14,079

all my grandkids are going to remote

1594

01:08:16,470 --> 01:08:15,839

class through the end of the year i'm so

1595

01:08:18,309 --> 01:08:16,480

glad

1596

01:08:20,390 --> 01:08:18,319

yeah that's good but you know the

1597

01:08:23,590 --> 01:08:20,400

problem is

1598

01:08:25,990 --> 01:08:23,600

here's the problem uh with our situation

1599

01:08:27,829 --> 01:08:26,000

my autistic son will not sit still in

1600

01:08:28,550 --> 01:08:27,839

front of the laptop for five minutes let

1601

01:08:31,590 --> 01:08:28,560

alone five

1602

01:08:34,789 --> 01:08:31,600

hours so that's not an option for us

1603

01:08:38,630 --> 01:08:34,799

uh will my four-year-old maybe but

1604

01:08:42,390 --> 01:08:38,640

i don't know how i as as a parent

1605

01:08:45,030 --> 01:08:42,400

i'm supposed to handle them both

1606

01:08:46,870 --> 01:08:45,040

being in online classes at the same time

1607

01:08:49,030 --> 01:08:46,880

it just i can't do it especially the

1608

01:08:50,950 --> 01:08:49,040

autistic one

1609

01:08:52,390 --> 01:08:50,960

my autistic son i would have to put him

1610

01:08:54,470 --> 01:08:52,400

on my lap and literally

1611

01:08:55,990 --> 01:08:54,480

hold him in front of the laptop and

1612

01:08:57,590 --> 01:08:56,000

eventually he would squirm out and run

1613

01:08:59,269 --> 01:08:57,600

away and i'd have to go chase him and

1614

01:09:01,590 --> 01:08:59,279

bring him back and bring him back

1615

01:09:02,309 --> 01:09:01,600

it's just so we don't really have that

1616

01:09:08,070 --> 01:09:02,319

option

1617

01:09:12,470 --> 01:09:10,470

vanessa thor says my son too he's become

1618

01:09:14,470 --> 01:09:12,480

down maybe even depressed hang in there

1619

01:09:15,189 --> 01:09:14,480

no school and special needs parenting is

1620

01:09:18,070 --> 01:09:15,199

rough

1621

01:09:19,430 --> 01:09:18,080

yes it is because and also vanessa

1622

01:09:21,990 --> 01:09:19,440

you'll be familiar with this

1623

01:09:23,749 --> 01:09:22,000

even if it's just sending in the school

1624

01:09:25,110 --> 01:09:23,759

so that you as a parent could get an

1625

01:09:30,390 --> 01:09:25,120

eight-hour break from them

1626

01:09:35,749 --> 01:09:33,510

to the basement my patience is gone

1627

01:09:36,789 --> 01:09:35,759

and when he was in school my patience

1628

01:09:39,189 --> 01:09:36,799

was very high

1629

01:09:40,709 --> 01:09:39,199

because you know i had to really deal

1630

01:09:42,870 --> 01:09:40,719

with him from three o'clock in the

1631

01:09:43,669 --> 01:09:42,880

afternoon until bedtime at nine o'clock

1632

01:09:46,149 --> 01:09:43,679

which is

1633

01:09:47,030 --> 01:09:46,159

a lot easier to do but when you have 24

1634

01:09:49,030 --> 01:09:47,040

7

1635

01:09:51,349 --> 01:09:49,040

of dealing with him and especially with

1636

01:09:54,550 --> 01:09:51,359

his lately with his meltdowns and

1637

01:09:58,310 --> 01:09:54,560

and being really nasty uh

1638

01:10:00,550 --> 01:09:58,320

yeah things get rough real fast

1639

01:10:02,070 --> 01:10:00,560

professor fez dolan i unsubscribed to

1640

01:10:03,590 --> 01:10:02,080

his channel a few months ago

1641

01:10:06,070 --> 01:10:03,600

he had the nerve at the heidelkova to

1642

01:10:07,990 --> 01:10:06,080

charge 59 for an online conference when

1643

01:10:09,910 --> 01:10:08,000

others were doing it for free

1644

01:10:12,310 --> 01:10:09,920

it's all about the benjamins jasmine

1645

01:10:15,030 --> 01:10:12,320

you gotta there's a paypal button for a

1652  
01:10:28,550 --> 01:10:26,000  
reason you bunch of leeches

1653  
01:10:30,149 --> 01:10:28,560  
you gotta donate right that's what you

1654  
01:10:33,270 --> 01:10:30,159  
gotta do

1655  
01:10:36,550 --> 01:10:33,280  
and actually i should check that

1656  
01:10:38,470 --> 01:10:36,560  
just to see i'm always like

1657  
01:10:40,390 --> 01:10:38,480  
some people are too polite some people

1658  
01:10:41,990 --> 01:10:40,400  
once in a while will donate and i'm not

1659  
01:10:42,790 --> 01:10:42,000  
checking it and then they're too polite

1660  
01:10:44,709 --> 01:10:42,800  
to say

1661  
01:10:45,990 --> 01:10:44,719  
hey dummy i donated you're supposed to

1662  
01:10:49,030 --> 01:10:46,000  
say hello or you know

1663  
01:10:52,149 --> 01:10:49,040

say whatever okay so we got no donations

1664

01:10:52,630 --> 01:10:52,159

and also uh i i wanted to just take a

1665

01:10:55,590 --> 01:10:52,640

moment

1666

01:10:58,229 --> 01:10:55,600

actually to thank the patreon supporters

1667

01:11:01,750 --> 01:10:58,239

and the people who have donated so far

1668

01:11:11,030 --> 01:11:01,760

yes out of mind money we need money

1669

01:11:11,040 --> 01:11:15,590

okay

1670

01:11:19,669 --> 01:11:17,830

and make sure you give me some money all

1673

01:11:25,830 --> 01:11:22,719

1675

01:11:30,229 --> 01:11:27,040

praise the cash

1676

01:11:34,310 --> 01:11:30,239

the money

1677

01:11:37,350 --> 01:11:34,320

leeches start hitting that donate button

1678

01:11:43,750 --> 01:11:37,360

praise the cash and praise the youtube

1679

01:11:48,630 --> 01:11:45,750

carol ugly says i was a respite care

1680

01:11:50,870 --> 01:11:48,640

worker for five years seniors need help

1681

01:11:52,870 --> 01:11:50,880

carol huntley i did lots and lots of

1682

01:11:55,910 --> 01:11:52,880

magic shows in senior homes

1683

01:11:57,750 --> 01:11:55,920

and it's funny i really was uh i was

1684

01:11:58,630 --> 01:11:57,760

doing terrible when i first started

1685

01:12:00,950 --> 01:11:58,640

doing

1686

01:12:01,910 --> 01:12:00,960

uh magic shows in senior homes because i

1687

01:12:04,070 --> 01:12:01,920

had like real

1688

01:12:05,750 --> 01:12:04,080

hard rock music and everything and it

1689

01:12:07,430 --> 01:12:05,760

was just too loud for them and they

1690

01:12:08,550 --> 01:12:07,440

didn't like the music and it was so

1691

01:12:11,030 --> 01:12:08,560

funny

1692

01:12:13,110 --> 01:12:11,040

i went in one day and i noticed that

1693

01:12:14,709 --> 01:12:13,120

they were playing frank sinatra music

1694

01:12:16,550 --> 01:12:14,719

and everybody was sort of tapping their

1695

01:12:17,750 --> 01:12:16,560

toes when i got there to set up and they

1696

01:12:20,310 --> 01:12:17,760

were having a good time listening to

1697

01:12:23,189 --> 01:12:20,320

frank sinatra so i changed all my music

1698

01:12:24,550 --> 01:12:23,199

to be music to their era and then things

1699

01:12:27,669 --> 01:12:24,560

went much better

1700

01:12:29,990 --> 01:12:27,679

uh it was like a total 180 the shows

1701

01:12:31,669 --> 01:12:30,000

you know went so well it was weird

1702

01:12:32,550 --> 01:12:31,679

though because a lot of times those

1703

01:12:35,030 --> 01:12:32,560

people would be like

1704

01:12:35,990 --> 01:12:35,040

sleeping half of them half the audience

1705

01:12:38,709 --> 01:12:36,000

would be sleeping

1706

01:12:39,590 --> 01:12:38,719

you know and uh i always felt bad about

1707

01:12:42,310 --> 01:12:39,600

that like

1708

01:12:43,910 --> 01:12:42,320

geez the audience was sleeping but the

1709

01:12:44,950 --> 01:12:43,920

the half of the audience that was awake

1710

01:12:48,630 --> 01:12:44,960

enjoyed my show

1711

01:12:50,149 --> 01:12:48,640

so you know yes and out of mind shares

1712

01:12:54,070 --> 01:12:50,159

the paypal link so we can

1713

01:12:55,630 --> 01:12:54,080

all send me you can all send me your

1714

01:12:59,110 --> 01:12:55,640

money

1715

01:13:00,790 --> 01:12:59,120

kelstrom77 fashionably late as usual

1716

01:13:02,229 --> 01:13:00,800

my son school district just announced

1717

01:13:04,550 --> 01:13:02,239

the school will be virtual again

1718

01:13:06,070 --> 01:13:04,560

and i'm so super depressed now yeah i'm

1719

01:13:07,669 --> 01:13:06,080

sorry about that culture

1720

01:13:10,310 --> 01:13:07,679

because listen it's going to be a

1721

01:13:12,709 --> 01:13:10,320

tremendous burden on parents uh

1722

01:13:13,990 --> 01:13:12,719

listen they're talking about in my state

1723

01:13:15,910 --> 01:13:14,000

of pennsylvania

1724

01:13:17,590 --> 01:13:15,920

sending child protective services to

1725

01:13:20,550 --> 01:13:17,600

your house if your child

1726

01:13:22,229 --> 01:13:20,560

is not doing the online classes or not

1727

01:13:24,470 --> 01:13:22,239

doing well

1728

01:13:26,390 --> 01:13:24,480

that is ridiculous it's ridiculous

1729

01:13:28,310 --> 01:13:26,400

what's going on and then the other thing

1730

01:13:30,950 --> 01:13:28,320

that's going on in my state which is

1731

01:13:34,550 --> 01:13:30,960

absolutely listen to this this is great

1732

01:13:37,270 --> 01:13:34,560

so in our school district

1733

01:13:38,950 --> 01:13:37,280

there i believe there was a plan that

1734

01:13:42,149 --> 01:13:38,960

there would be all shut down

1735

01:13:43,110 --> 01:13:42,159

until january and only online virtual

1736

01:13:46,390 --> 01:13:43,120

classes

1737

01:13:48,630 --> 01:13:46,400

but for those parents who need so the

1738

01:13:50,950 --> 01:13:48,640

school's not safe to open right

1739

01:13:53,030 --> 01:13:50,960

because covet but for those parents that

1740

01:13:53,910 --> 01:13:53,040

need daycare they're bringing in daycare

1741

01:13:57,189 --> 01:13:53,920

providers

1742

01:13:59,189 --> 01:13:57,199

at the same building and you can pay

1743

01:14:00,950 --> 01:13:59,199

i think it's like 250 a week to have

1744

01:14:03,750 --> 01:14:00,960

your child there

1745

01:14:05,430 --> 01:14:03,760

in a daycare situation and the daycare

1746

01:14:06,470 --> 01:14:05,440

people will help them with the online

1747

01:14:09,590 --> 01:14:06,480

classes

1748

01:14:10,229 --> 01:14:09,600

so it's not safe for the building to

1749

01:14:12,709 --> 01:14:10,239

open

1750

01:14:14,390 --> 01:14:12,719

for school but it's safe for a bunch of

1751

01:14:15,910 --> 01:14:14,400

daycare workers

1752

01:14:18,070 --> 01:14:15,920

you know and that's another issue

1753

01:14:18,790 --> 01:14:18,080

because some of these some of these

1754

01:14:21,590 --> 01:14:18,800

teachers

1755

01:14:22,709 --> 01:14:21,600

around my area are getting paid 100 000

1756

01:14:25,669 --> 01:14:22,719

a year

1757

01:14:27,270 --> 01:14:25,679

uh and they're basically going to get

1758

01:14:29,830 --> 01:14:27,280

replaced with like

1759

01:14:30,550 --> 01:14:29,840

10 an hour daycare workers watching the

1760

01:14:32,870 --> 01:14:30,560

kids

1761

01:14:34,550 --> 01:14:32,880

it's just all this stuff is unfair and i

1762

01:14:36,550 --> 01:14:34,560

don't understand any of it

1763

01:14:37,750 --> 01:14:36,560

genocide you're not elites you were a

1764

01:14:40,390 --> 01:14:37,760

worm yes

1765

01:14:40,790 --> 01:14:40,400

uh some of you leeches have upgraded

1766

01:14:42,550 --> 01:14:40,800

right

1767

01:14:45,590 --> 01:14:42,560

if you give me money you're no longer a

1768

01:14:47,030 --> 01:14:45,600

leech no you're no longer a lousy leech

1769

01:14:49,590 --> 01:14:47,040

just reaching my content

1770

01:14:51,830 --> 01:14:49,600

if you give me some money on patreon or

1771

01:14:52,709 --> 01:14:51,840

paypal you will upgrade your status with

1772

01:14:55,590 --> 01:14:52,719

me to a

1773

01:14:59,189 --> 01:14:55,600

worm right and if you give me a lot of

1774

01:15:03,669 --> 01:14:59,199

money i will upgrade you further

1775

01:15:05,430 --> 01:15:03,679

ufo gandolf is the worms unit yes

1776

01:15:06,709 --> 01:15:05,440

kell truth i work full time i don't know

1777

01:15:09,030 --> 01:15:06,719

what the heck i'm going to do

1778

01:15:10,790 --> 01:15:09,040

countries how old is your child can they

1779

01:15:12,630 --> 01:15:10,800

handle doing the online classes by

1780

01:15:13,350 --> 01:15:12,640

themselves and can they be left alone

1781

01:15:15,669 --> 01:15:13,360

for the day

1782

01:15:16,550 --> 01:15:15,679

or are you going to need some help

1783

01:15:18,149 --> 01:15:16,560

because yeah

1784

01:15:20,070 --> 01:15:18,159

it's terrible like what are we what are

1785

01:15:23,270 --> 01:15:20,080

we all supposed to do right

1786

01:15:25,030 --> 01:15:23,280

and here's another point that i i'd like

1787

01:15:25,830 --> 01:15:25,040

to make to these idiots run in the

1788

01:15:27,669 --> 01:15:25,840

school district

1789

01:15:30,229 --> 01:15:27,679

i pay something like six thousand

1790

01:15:32,310 --> 01:15:30,239

dollars a year in school taxes

1791

01:15:34,310 --> 01:15:32,320

i have not had my kids haven't had

1792

01:15:36,870 --> 01:15:34,320

school since march

1793

01:15:39,030 --> 01:15:36,880

right am i getting any money back

1794

01:15:41,189 --> 01:15:39,040

because it's all been shut down

1795

01:15:43,030 --> 01:15:41,199

no of course not they're just keeping my

1796

01:15:49,990 --> 01:15:43,040

money and not providing the services

1797

01:15:53,830 --> 01:15:52,310

professor fez she's attracted by nothing

1798

01:15:55,590 --> 01:15:53,840

against people being attractive and her

1799

01:15:57,669 --> 01:15:55,600

smart i think tracy is both not

1800

01:15:58,790 --> 01:15:57,679

i agree with everything that she says

1801

01:16:01,830 --> 01:15:58,800

yeah but dolan's white

1802

01:16:02,870 --> 01:16:01,840

come on man he hit the jackpot did you

1803

01:16:05,510 --> 01:16:02,880

see his last wife

1804

01:16:05,990 --> 01:16:05,520

oh what an upgrade that is quite an

1805

01:16:07,750 --> 01:16:06,000

upgrade

1806

01:16:09,590 --> 01:16:07,760

congratulations richard dolan you've got

1807

01:16:11,590 --> 01:16:09,600

quite an upgrade going there

1808

01:16:14,070 --> 01:16:11,600

i want a [h\_\_\h] story in order to give

1809

01:16:15,590 --> 01:16:14,080

money yeah we all need that

1810

01:16:17,510 --> 01:16:15,600

it's only been half a year but it's a

1811

01:16:19,030 --> 01:16:17,520

crucial learning point for children six

1812

01:16:20,390 --> 01:16:19,040

months can be a long time just wondering

1813

01:16:23,189 --> 01:16:20,400

how the isolation affects

1814

01:16:23,669 --> 01:16:23,199

kids yeah i wonder about that myself you

1815

01:16:25,750 --> 01:16:23,679

know

1816

01:16:27,350 --> 01:16:25,760

i mean my autistic son doesn't speak

1817

01:16:29,110 --> 01:16:27,360

very much and i'm not sure how much he

1818

01:16:29,750 --> 01:16:29,120

understands but my four-year-old sure

1819

01:16:33,510 --> 01:16:29,760

does

1820

01:16:35,590 --> 01:16:33,520

and it's been rough jeanette krasenko

1821

01:16:37,030 --> 01:16:35,600

cold hard cash silver bars gold bars

1822

01:16:40,709 --> 01:16:37,040

whatever yes we want

1823

01:16:41,990 --> 01:16:40,719

all that become a worm you dirty blood

1824

01:16:44,870 --> 01:16:42,000

sucking leeches

1825

01:16:45,910 --> 01:16:44,880

yeah get up off your asses and donate

1826

01:16:50,950 --> 01:16:45,920

vanessa thor

1827

01:16:54,870 --> 01:16:53,430

what a strange way to wake up if you're

1828

01:16:57,030 --> 01:16:54,880

waking up to me spooky

1829

01:16:58,470 --> 01:16:57,040

yeah i agree that is a very strange way

1830

01:17:00,390 --> 01:16:58,480

to wake up

1831

01:17:02,149 --> 01:17:00,400

i worked in a community aged care too

1832

01:17:03,830 --> 01:17:02,159

lots of lonely people out there

1833

01:17:06,630 --> 01:17:03,840

yeah you know i used to spend a lot of

1834

01:17:08,310 --> 01:17:06,640

time at those senior homes while i was

1835

01:17:10,310 --> 01:17:08,320

setting up or breaking down and

1836

01:17:13,110 --> 01:17:10,320

sometimes i would stay

1837

01:17:13,990 --> 01:17:13,120

and just like go have coffee with one of

1838

01:17:16,950 --> 01:17:14,000

them

1839

01:17:17,830 --> 01:17:16,960

and i and really it was with the ones

1840

01:17:19,430 --> 01:17:17,840

that i could tell

1841

01:17:20,870 --> 01:17:19,440

just needed to talk to somebody they

1842

01:17:22,470 --> 01:17:20,880

needed a friend you know

1843

01:17:24,470 --> 01:17:22,480

there's a lot of lonely people in those

1844

01:17:25,990 --> 01:17:24,480

places i always felt bad

1845

01:17:27,750 --> 01:17:26,000

my heart goes out to all of you parents

1846

01:17:29,030 --> 01:17:27,760

in this odd world we are now trying to

1847

01:17:33,270 --> 01:17:29,040

navigate yes

1848

01:17:35,350 --> 01:17:33,280

it's just a crazy time it's a crazy time

1849

01:17:37,510 --> 01:17:35,360

jasmine emmerich i've seen her talk

1850

01:17:39,430 --> 01:17:37,520

she's cold and false yeah i seen her ted

1851  
01:17:40,390 --> 01:17:39,440  
talk and she was like crying and [h\_\_h]

1852  
01:17:42,229 --> 01:17:40,400  
and i just

1853  
01:17:46,870 --> 01:17:42,239  
i turned it off i couldn't watch it i

1854  
01:17:50,070 --> 01:17:48,709  
bg's i'm really worried about my son i

1855  
01:17:51,590 --> 01:17:50,080  
think i'm going to start counseling for

1856  
01:17:53,430 --> 01:17:51,600  
him to deal with the isolation a lack of

1857  
01:17:56,630 --> 01:17:53,440  
interaction with other kids it's sad to

1858  
01:17:59,590 --> 01:17:56,640  
watch i'm sorry to hear that kel truth

1859  
01:18:00,950 --> 01:17:59,600  
yeah it's this is unprecedented times

1860  
01:18:01,430 --> 01:18:00,960  
we've never had to deal with something

1861  
01:18:03,270 --> 01:18:01,440  
like this

1862  
01:18:05,189 --> 01:18:03,280  
and the scariest part is that people are

1863  
01:18:07,910 --> 01:18:05,199

now i know

1864

01:18:09,350 --> 01:18:07,920

i i've been reading everything you know

1865

01:18:12,709 --> 01:18:09,360

coming across

1866

01:18:14,390 --> 01:18:12,719

the news and the scariest thing about

1867

01:18:16,149 --> 01:18:14,400

all of this is that there are some

1868

01:18:17,910 --> 01:18:16,159

infectious disease experts that are

1869

01:18:20,310 --> 01:18:17,920

saying that

1870

01:18:22,070 --> 01:18:20,320

don't get too comfortable right if they

1871

01:18:23,830 --> 01:18:22,080

get a coveted

1872

01:18:25,510 --> 01:18:23,840

vaccine tomorrow don't get real

1873

01:18:28,149 --> 01:18:25,520

comfortable because there's more

1874

01:18:29,110 --> 01:18:28,159

of this [h\_\_h] coming our way and that is

1875

01:18:31,110 --> 01:18:29,120

a scary thought

1876

01:18:33,189 --> 01:18:31,120

i mean what if this is just the way life

1877

01:18:35,510 --> 01:18:33,199

is going to be forever now

1878

01:18:36,390 --> 01:18:35,520

that is terrible a terrible terrible

1879

01:18:41,830 --> 01:18:36,400

thought and i

1880

01:18:43,510 --> 01:18:41,840

i really hope that doesn't happen

1881

01:18:45,189 --> 01:18:43,520

check out our ted talks can't be nice

1882

01:18:47,110 --> 01:18:45,199

for richard having so many guys trying

1883

01:18:47,990 --> 01:18:47,120

to pick up his wife though i feel for

1884

01:18:51,430 --> 01:18:48,000

him in that

1885

01:18:54,149 --> 01:18:51,440

yeah yeah he better uh

1886

01:18:55,750 --> 01:18:54,159

he better keep making those ufo dollars

1887

01:18:56,310 --> 01:18:55,760

and keep her happy that's what he's got

1888

01:18:58,390 --> 01:18:56,320

to do

1889

01:18:59,990 --> 01:18:58,400

that's why he needs money professor fez

1890

01:19:01,669 --> 01:19:00,000

that's why he needs money more than ever

1891

01:19:03,990 --> 01:19:01,679

he's got a hot wife so he's got to keep

1892

01:19:05,669 --> 01:19:04,000

happy you ain't keeping a hot wife happy

1893

01:19:08,870 --> 01:19:05,679

like that if you're broke as [h\_\_\h]

1894

01:19:10,229 --> 01:19:08,880

professor fez so you know buy his latest

1895

01:19:15,590 --> 01:19:10,239

book you bleaches

1896

01:19:18,870 --> 01:19:17,030

doane's wife used to be a member of the

1897

01:19:20,630 --> 01:19:18,880

ramp the cult he's a practicing remote

1898

01:19:21,990 --> 01:19:20,640

viewer and he's latched onto dolan spain

1899

01:19:24,390 --> 01:19:22,000

like a mock to a flame

1900

01:19:25,590 --> 01:19:24,400

not a fan yeah i i don't know if it's

1901

01:19:28,149 --> 01:19:25,600

true but i heard that

1902

01:19:30,390 --> 01:19:28,159

she met him at a ufo conference and you

1903

01:19:32,470 --> 01:19:30,400

know chatted him up and she was like

1904

01:19:33,430 --> 01:19:32,480

star struck and i don't know if that's

1905

01:19:37,430 --> 01:19:33,440

true

1906

01:19:40,229 --> 01:19:37,440

you know

1907

01:19:42,149 --> 01:19:40,239

country 77 says my son is not super it's

1908

01:19:43,910 --> 01:19:42,159

not self-motivated so i'm super worried

1909

01:19:45,590 --> 01:19:43,920

about what's going to happen this year

1910

01:19:47,189 --> 01:19:45,600

i hope he doesn't flunk out he was doing

1911

01:19:49,510 --> 01:19:47,199

so good before this yes

1912

01:19:50,390 --> 01:19:49,520

it sucks stuff well this whole thing

1913

01:19:52,790 --> 01:19:50,400

sucks

1914

01:19:55,110 --> 01:19:52,800

vanessa thor if my son wasn't doesn't

1915

01:19:56,550 --> 01:19:55,120

attend the virtual classes quads so i

1916

01:19:58,470 --> 01:19:56,560

have to attend

1917

01:19:59,669 --> 01:19:58,480

concert with him he won't be eligible to

1918

01:20:01,510 --> 01:19:59,679

return when it is safe

1919

01:20:03,510 --> 01:20:01,520

that's the situation that we're in

1920

01:20:07,430 --> 01:20:03,520

they're telling me if he doesn't

1921

01:20:09,350 --> 01:20:07,440

go back to school uh in september

1922

01:20:11,430 --> 01:20:09,360

because they want my autistic son to go

1923

01:20:13,430 --> 01:20:11,440

to school four days a week

1924

01:20:15,590 --> 01:20:13,440

and i think they're telling my wife that

1925

01:20:17,590 --> 01:20:15,600

if he doesn't return in september

1926

01:20:19,750 --> 01:20:17,600

he can't come back for the whole year

1927

01:20:23,110 --> 01:20:19,760

even you know like let's say they get

1928

01:20:25,669 --> 01:20:23,120

uh the vaccine in you know december

1929

01:20:27,669 --> 01:20:25,679

and everybody gets it uh he can't go

1930

01:20:34,070 --> 01:20:27,679

back in january which

1931

01:20:37,590 --> 01:20:35,750

chris boss has an interesting ted talk

1932

01:20:39,750 --> 01:20:37,600

about hostage negotiations

1933

01:20:41,430 --> 01:20:39,760

i have seen that ted talk i like ted

1934

01:20:48,470 --> 01:20:41,440

talks

1935

01:20:50,149 --> 01:20:48,480

y'all been wonderful good show true

1936

01:20:52,390 --> 01:20:50,159

seekers love hanging with you

1937

01:20:54,950 --> 01:20:52,400

but then call us yeah me too we're gonna

1938

01:20:57,750 --> 01:20:54,960

we're gonna cut this short soon

1939

01:20:58,830 --> 01:20:57,760

she's got her own racket going in the

1940

01:21:04,850 --> 01:20:58,840

vhs

1941

01:21:11,350 --> 01:21:09,669

[Laughter]

1942

01:21:13,270 --> 01:21:11,360

yeah i heard that too john craig's face

1943

01:21:15,590 --> 01:21:13,280

wasn't she trained by jay-z knight i

1944

01:21:17,430 --> 01:21:15,600

heard that she was and then there's a

1945

01:21:19,189 --> 01:21:17,440

there's a famous remote viewer that

1946

01:21:24,990 --> 01:21:19,199

teaches a lot of people remote viewing

1947

01:21:29,350 --> 01:21:26,870

[Laughter]

1948

01:21:31,110 --> 01:21:29,360

what the heck uh kel truth asks what the

1949

01:21:34,149 --> 01:21:31,120

heck is a ted talk ted talks

1950

01:21:36,149 --> 01:21:34,159

uh you know it gets different people to

1951

01:21:37,910 --> 01:21:36,159

give talks on different subjects

1952

01:21:39,510 --> 01:21:37,920

sometimes it's very interesting some of

1953

01:21:41,910 --> 01:21:39,520

the talks are by like

1954

01:21:43,750 --> 01:21:41,920

famous people that you might want to you

1955

01:21:47,189 --> 01:21:43,760

know listen to

1956

01:21:48,470 --> 01:21:47,199

um sometimes it's it's about there's

1957

01:21:49,990 --> 01:21:48,480

there's a lot of ted talks actually

1958

01:21:51,189 --> 01:21:50,000

about magic believe it or not they get

1959

01:21:53,189 --> 01:21:51,199

magicians once in a while

1960

01:21:55,270 --> 01:21:53,199

sort of explain the psychology of magic

1961

01:21:57,030 --> 01:21:55,280

and how it works i noticed that

1962

01:21:59,350 --> 01:21:57,040

they get a lot of self-help people like

1963

01:22:00,390 --> 01:21:59,360

tony robbins and things like that to do

1964

01:22:02,709 --> 01:22:00,400

ted talks

1965

01:22:04,629 --> 01:22:02,719

it's just uh you know it's kind of like

1966

01:22:06,390 --> 01:22:04,639

listening to a short lecture by uh

1967

01:22:10,390 --> 01:22:06,400

by somebody about certain different

1968

01:22:15,590 --> 01:22:10,400

topics i enjoy them

1969

01:22:15,600 --> 01:22:20,470

check something here

1970

01:22:25,990 --> 01:22:23,590

[Laughter]

1971

01:22:26,790 --> 01:22:26,000

tracy don't can revoke view my house

1972

01:22:31,830 --> 01:22:26,800

anytime

1973

01:22:36,070 --> 01:22:34,310

professor fez check out her fake tears

1974

01:22:39,189 --> 01:22:36,080

on ted talk it's not

1975

01:22:41,189 --> 01:22:39,199

nauseating hollywood grade [h\_\_h]

1976

01:22:42,790 --> 01:22:41,199

yeah i thought it was crocodile tears

1977

01:22:45,910 --> 01:22:42,800

myself

1978

01:22:47,510 --> 01:22:45,920

here you go there you go

1979

01:22:50,470 --> 01:22:47,520

you can check out ted talks you might

1980

01:22:56,870 --> 01:22:52,310

brad gray bridge with jiggy on that one

1981

01:23:00,550 --> 01:22:59,669

yes stanford research institute wrestle

1982

01:23:02,149 --> 01:23:00,560

target

1983

01:23:04,070 --> 01:23:02,159

which by the way has nothing to do with

1984

01:23:05,590 --> 01:23:04,080

stanford university they just named it

1985

01:23:06,870 --> 01:23:05,600

that so people would think it has

1986

01:23:09,990 --> 01:23:06,880

something to do with

1987

01:23:12,790 --> 01:23:10,000

stanford university and that is scamming

1988

01:23:16,149 --> 01:23:12,800

if you ask me that is a connie scammy

1989

01:23:19,510 --> 01:23:17,510

yes friends so actually we're going to

1990

01:23:23,110 --> 01:23:19,520

call this a quick one today where

1991

01:23:25,750 --> 01:23:23,120

we just passed an hour and 20 minutes

1992

01:23:27,270 --> 01:23:25,760

um you know this story the presentation

1993

01:23:28,870 --> 01:23:27,280

was pretty short tonight there's a lot

1994

01:23:31,750 --> 01:23:28,880

more material on this

1995

01:23:32,950 --> 01:23:31,760

new jersey alien case but i thought we

1996

01:23:35,990 --> 01:23:32,960

would save a lot of the

1997

01:23:37,669 --> 01:23:36,000

other stuff for part two most of the

1998

01:23:39,110 --> 01:23:37,679

christopher's wives are in on it and

1999

01:23:41,030 --> 01:23:39,120

their partners in crime

2000

01:23:42,390 --> 01:23:41,040

yeah because they like the money they

2001

01:23:45,830 --> 01:23:42,400

love the money

2002

01:23:48,229 --> 01:23:45,840

that's what it's all about

2003

01:23:50,390 --> 01:23:48,239

you gotta you gotta help your husband

2004

01:23:52,870 --> 01:23:50,400

get those con dollars coming in

2005

01:23:54,229 --> 01:23:52,880

keep the con dollars coming in that's

2006

01:23:55,910 --> 01:23:54,239

what you gotta do

2007

01:23:57,270 --> 01:23:55,920

if you're married to the guy right i

2008

01:24:00,390 --> 01:23:57,280

guess you gotta

2009

01:24:03,430 --> 01:24:00,400

you know you've gotta

2010

01:24:06,870 --> 01:24:03,440

you gotta help him so that you know

2011

01:24:09,830 --> 01:24:06,880

he can continue to keep the con dollars

2012

01:24:13,910 --> 01:24:11,510

yeah and now you're right i see a lot of

2013

01:24:16,629 --> 01:24:13,920

husband and wife teams whether the

2014

01:24:18,149 --> 01:24:16,639

wife is in the spotlight at all or just

2015

01:24:19,830 --> 01:24:18,159

behind the scenes like collecting the

2016

01:24:21,510 --> 01:24:19,840

money for the books at the conferences

2017

01:24:22,470 --> 01:24:21,520

and things like that running the stand

2018

01:24:26,390 --> 01:24:22,480

right cheeky

2019

01:24:31,510 --> 01:24:29,510

so friends uh i think we're gonna we're

2020

01:24:32,790 --> 01:24:31,520

gonna wrap things up here i have several

2021

01:24:34,470 --> 01:24:32,800

other things that i have to do there

2022

01:24:36,070 --> 01:24:34,480

should be a show once again tomorrow

2023

01:24:38,950 --> 01:24:36,080

night at 10 p.m

2024

01:24:40,310 --> 01:24:38,960

oh one other bit of business sarah adams

2025

01:24:41,350 --> 01:24:40,320

everybody's been asking me when that

2026

01:24:43,270 --> 01:24:41,360

interview is going to be

2027

01:24:45,669 --> 01:24:43,280

she's told me now that she just had

2028

01:24:47,590 --> 01:24:45,679

surgery and she can't even speak

2029

01:24:49,110 --> 01:24:47,600

so i don't know when she'll be able to

2030

01:24:50,790 --> 01:24:49,120

do the interview

2031

01:24:53,110 --> 01:24:50,800

take from that what you will but she

2032

01:24:55,830 --> 01:24:53,120

finally did get back to me after four

2033

01:24:58,629 --> 01:24:55,840

messages sent to her and requests for

2034

01:25:01,830 --> 01:24:58,639

doing the final interview um

2035

01:25:02,310 --> 01:25:01,840

you know i'm not sure what to think but

2036

01:25:04,390 --> 01:25:02,320

okay

2037

01:25:06,390 --> 01:25:04,400

uh i you know i can't believe her she's

2038

01:25:09,830 --> 01:25:06,400

got some medical thing going on

2039

01:25:10,950 --> 01:25:09,840

right we're gonna we're gonna just give

2040

01:25:13,189 --> 01:25:10,960

her some time

2041

01:25:15,030 --> 01:25:13,199

hopefully she'll be recouping and she'll

2042

01:25:18,390 --> 01:25:15,040

be able to

2043

01:25:19,430 --> 01:25:18,400

uh to do the interview and we'll do the

2044

01:25:25,189 --> 01:25:19,440

final

2045

01:25:27,189 --> 01:25:25,199

of the strange case of sarah adams and

2046

01:25:28,229 --> 01:25:27,199

we'll unpack everything left to unpack

2047

01:25:30,550 --> 01:25:28,239

and there is

2048

01:25:32,629 --> 01:25:30,560

quite a lot friends i think i'm gonna

2049

01:25:34,870 --> 01:25:32,639

have to go fast and furious to fit that

2050

01:25:39,350 --> 01:25:34,880

all into two hours but we'll do our very

2051

01:25:45,030 --> 01:25:42,790

okay friends so i want to thank you all

2052

01:25:47,990 --> 01:25:45,040

for joining me please do remember

2053

01:25:49,110 --> 01:25:48,000

that uh there's just there's a few ways

2054

01:25:51,510 --> 01:25:49,120

to support me

2055

01:25:53,510 --> 01:25:51,520

and uh if you like this kind of content

2056

01:25:55,830 --> 01:25:53,520

i would appreciate your support

2057

01:25:57,910 --> 01:25:55,840

there's donate buttons in the about

2058

01:26:00,629 --> 01:25:57,920

links but i'm not going to do my usual

2059

01:26:01,750 --> 01:26:00,639

begging bowl begging for money thing

2060

01:26:04,470 --> 01:26:01,760

kind of joke about

2061

01:26:06,470 --> 01:26:04,480

everybody needs money but it's true the

2062

01:26:10,229 --> 01:26:06,480

other way that you can support me

2063

01:26:12,870 --> 01:26:10,239

is to like comment

2064

01:26:14,310 --> 01:26:12,880

subscribe and share these videos with

2065

01:26:16,229 --> 01:26:14,320

your friends your family

2066

01:26:18,310 --> 01:26:16,239

post them on facebook post them on

2067

01:26:21,990 --> 01:26:18,320

twitter

2068

01:26:23,910 --> 01:26:22,000

and also you probably know some people

2069

01:26:25,590 --> 01:26:23,920

that are interested in this kind of

2070

01:26:27,110 --> 01:26:25,600

content and these kind of strange

2071

01:26:28,950 --> 01:26:27,120

mysterious subjects

2072

01:26:30,390 --> 01:26:28,960

it would be very helpful to me if you

2073

01:26:33,669 --> 01:26:30,400

could send them our

2074

01:26:36,870 --> 01:26:33,679

youtube channel link and ask them

2075

01:26:39,669 --> 01:26:36,880

to subscribe to our channel here i think

2076

01:26:41,350 --> 01:26:39,679

at last i checked we're almost halfway

2077

01:26:43,510 --> 01:26:41,360

to our big goal of a thousand

2078

01:26:44,229 --> 01:26:43,520

subscribers so that we could monetize

2079

01:26:46,629 --> 01:26:44,239

the channel

2080

01:26:48,629 --> 01:26:46,639

and take super chat donations in the

2081

01:26:50,149 --> 01:26:48,639

meantime we've got those not so super

2082

01:26:52,390 --> 01:26:50,159

chat donations

2083

01:26:54,550 --> 01:26:52,400

in the form of paypal donations and i if

2084

01:26:56,229 --> 01:26:54,560

you put a note i read off whatever you

2085

01:26:57,590 --> 01:26:56,239

put please make sure if you give a

2086

01:27:01,110 --> 01:26:57,600

donation you put your

2087

01:27:01,669 --> 01:27:01,120

chat user id because i don't want to

2088

01:27:03,830 --> 01:27:01,679

read your

2089

01:27:05,590 --> 01:27:03,840

real name on air and you probably don't

2090

01:27:08,870 --> 01:27:05,600

want me to either

2091

01:27:11,189 --> 01:27:08,880

so if you donate just put you know your

2092

01:27:12,229 --> 01:27:11,199

your chat id and then whatever you want

2093

01:27:15,270 --> 01:27:12,239

me to say

2094

01:27:17,030 --> 01:27:15,280

and i will thank you and read whatever

2095

01:27:18,550 --> 01:27:17,040

you would like me to

2096

01:27:20,229 --> 01:27:18,560

whatever message you would like there's

2097

01:27:22,310 --> 01:27:20,239

just a thing there add a note

2098

01:27:24,149 --> 01:27:22,320

you can sign up on patreon for as little

2099

01:27:27,830 --> 01:27:24,159

as a dollar a month we give out

2100

01:27:30,870 --> 01:27:27,840

a bunch of backstage goodies there

2101

01:27:33,590 --> 01:27:30,880

uh but i realize that it's a trying time

2102

01:27:35,270 --> 01:27:33,600

everybody's broke including me so if you

2103

01:27:37,669 --> 01:27:35,280

don't have a couple of bucks

2104

01:27:38,390 --> 01:27:37,679

hey it costs nothing to like comment

2105

01:27:42,470 --> 01:27:38,400

subscribe

2106

01:27:46,149 --> 01:27:42,480

share or to do me a really big favor

2107

01:27:47,669 --> 01:27:46,159

which is to send this channel to

2108

01:27:49,189 --> 01:27:47,679

all of your friends that you know who

2109

01:27:50,709 --> 01:27:49,199

like this kind of content tell them a

2110

01:27:52,470 --> 01:27:50,719

little bit about the show and ask them

2111

01:27:55,350 --> 01:27:52,480

to come and join us here

2112

01:27:57,350 --> 01:27:55,360

we would really benefit from a larger

2113

01:28:01,030 --> 01:27:57,360

audience

2114

01:28:22,760 --> 01:28:01,040

so with that friends i'm going to say

2115

01:29:20,400 --> 01:28:29,400

[Music]

2116

01:29:45,280 --> 01:29:20,410

[Applause]

2117

01:29:47,350 --> 01:29:45,290

[Music]

2118

01:30:15,540 --> 01:29:47,360

[Applause]

2119

01:30:16,540 --> 01:30:15,550

[Music]
