

Aokigahara Forest

1
00:02:25,190 --> 00:01:04,290

[Music]

2
00:02:29,510 --> 00:02:27,430

greetings and salutations friends and

3
00:02:31,910 --> 00:02:29,520

welcome back to truth seekers

4
00:02:33,750 --> 00:02:31,920

where we explore some of the strangest

5
00:02:36,470 --> 00:02:33,760

and most mysterious stories

6
00:02:38,790 --> 00:02:36,480

on planet earth tonight we're going to

7
00:02:41,990 --> 00:02:38,800

be starting a new series

8
00:02:45,030 --> 00:02:42,000

that is centered around the world's

9
00:02:48,550 --> 00:02:45,040

most mysterious places

10
00:02:52,710 --> 00:02:48,560

i could think of no better place than

11
00:02:57,509 --> 00:02:52,720

japan's legendary suicide forest

12
00:03:01,190 --> 00:02:57,519

it's actually named akigahara

13
00:03:03,830 --> 00:03:01,200

it is in japan and it is

14

00:03:06,390 --> 00:03:03,840

commonly referred to as japan's suicide

15

00:03:10,070 --> 00:03:06,400

forest because of the number of people

16

00:03:15,350 --> 00:03:10,080

who go into this forest to

17

00:03:18,309 --> 00:03:15,360

commit suicide strangely

18

00:03:20,390 --> 00:03:18,319

the japanese government even has people

19

00:03:23,110 --> 00:03:20,400

whose full-time job it is

20

00:03:24,949 --> 00:03:23,120

to go into the forest and council people

21

00:03:28,550 --> 00:03:24,959

who are there

22

00:03:31,589 --> 00:03:28,560

to commit suicide there are

23

00:03:32,789 --> 00:03:31,599

also employees whose job it is to remove

24

00:03:35,270 --> 00:03:32,799

the corpses

25

00:03:36,949 --> 00:03:35,280

of people who were successful in their

26

00:03:40,949 --> 00:03:36,959

suicide attempts

27

00:03:42,630 --> 00:03:40,959

in this forest i'm fascinated by this

28

00:03:46,229 --> 00:03:42,640

forest and there's also

29

00:03:48,630 --> 00:03:46,239

a lot of strange anomalies cell phones

30

00:03:52,390 --> 00:03:48,640

stop working while you're in there

31

00:03:55,110 --> 00:03:52,400

uh gps signals

32

00:03:56,550 --> 00:03:55,120

don't exist or get lost once you enter

33

00:03:59,670 --> 00:03:56,560

the forest

34

00:04:03,910 --> 00:03:59,680

there are strange scientific

35

00:04:06,789 --> 00:04:03,920

anomalies all around and in this forest

36

00:04:07,429 --> 00:04:06,799

what is it about this mysterious place

37

00:04:10,550 --> 00:04:07,439

that

38

00:04:11,750 --> 00:04:10,560

draws so many despondent or depressed

39

00:04:16,069 --> 00:04:11,760

people

40

00:04:21,110 --> 00:04:16,079

into the forest to take their own lives

41

00:04:23,590 --> 00:04:21,120

oh now i'm getting a message oh listen

42

00:04:24,390 --> 00:04:23,600

friends we were gonna do this show some

43

00:04:27,909 --> 00:04:24,400

time ago

44

00:04:29,990 --> 00:04:27,919

uh with one jason quit but being that he

45

00:04:31,030 --> 00:04:30,000

how he's a multi-dimensional time

46

00:04:33,430 --> 00:04:31,040

traveler

47

00:04:35,990 --> 00:04:33,440

i guess he was off in another dimension

48

00:04:37,830 --> 00:04:36,000

and he forgot about me in the show

49

00:04:40,950 --> 00:04:37,840

that we're doing tonight for some three

50

00:04:44,310 --> 00:04:40,960

weeks and i just got a message from him

51

00:04:49,430 --> 00:04:47,430

let me just copy him the link

52

00:04:51,350 --> 00:04:49,440

this is uh one of the great parts about

53

00:04:52,310 --> 00:04:51,360

having a live show is that once in a

54

00:04:55,350 --> 00:04:52,320

while

55

00:04:57,350 --> 00:04:55,360

uh we can have a surprise guest jason

56

00:05:00,150 --> 00:04:57,360

quit was actually our first guest

57

00:05:01,110 --> 00:05:00,160

on our very first episode of the show so

58

00:05:03,350 --> 00:05:01,120

i suppose

59

00:05:04,150 --> 00:05:03,360

it's just kind of fitting that we can

60

00:05:05,749 --> 00:05:04,160

welcome him

61

00:05:07,590 --> 00:05:05,759

the reason that i wanted to do this show

62

00:05:10,629 --> 00:05:07,600

with him is because he's actually been

63

00:05:13,670 --> 00:05:10,639

to this place and seen it for himself

64

00:05:16,310 --> 00:05:13,680

it's a crazy story i uh

65

00:05:18,150 --> 00:05:16,320

wanted to get his input because he's

66

00:05:18,950 --> 00:05:18,160

actually an eyewitness to this place

67

00:05:21,670 --> 00:05:18,960

he's been there

68

00:05:22,070 --> 00:05:21,680

in person and i don't know anybody else

69

00:05:24,150 --> 00:05:22,080

it's

70

00:05:26,150 --> 00:05:24,160

always strange to me that jason quit is

71

00:05:28,870 --> 00:05:26,160

somehow at the epicenter of

72

00:05:31,510 --> 00:05:28,880

all kinds of strange paranormal things

73

00:05:34,390 --> 00:05:31,520

like this suicide forest

74

00:05:35,270 --> 00:05:34,400

one second here we go jason jason is

75

00:05:39,909 --> 00:05:35,280

here

76

00:05:43,029 --> 00:05:41,350

do you want me to change that or do you

77

00:05:46,150 --> 00:05:43,039

like is that what you want to be called

78

00:05:48,790 --> 00:05:46,160

jason q now just for this show

79

00:05:50,550 --> 00:05:48,800

just for this show oh i think that

80

00:05:53,029 --> 00:05:50,560

steinberg guy might be pissed off with

81

00:05:56,230 --> 00:05:53,039

you isn't he supposed to be cute

82

00:05:58,390 --> 00:05:56,240

well you know my last name is quit and

83

00:05:59,510 --> 00:05:58,400

you know okay i've had that initial

84

00:06:01,749 --> 00:05:59,520

since i was born

85

00:06:02,550 --> 00:06:01,759

yeah so you've been really busy did you

86

00:06:04,550 --> 00:06:02,560

you became an

87

00:06:07,430 --> 00:06:04,560

honest man and like got a real job or

88

00:06:09,990 --> 00:06:07,440

something right

89

00:06:12,390 --> 00:06:10,000

i mean i've i've always had a job

90

00:06:14,950 --> 00:06:12,400

outside of this but like a real job

91

00:06:15,830 --> 00:06:14,960

like a real nine to five in an office

92

00:06:17,830 --> 00:06:15,840

like a real job

93

00:06:19,590 --> 00:06:17,840

not a real job he's usually working uh

94

00:06:20,309 --> 00:06:19,600

with graphic design and some projects

95

00:06:22,150 --> 00:06:20,319

and video

96

00:06:24,309 --> 00:06:22,160

and sound but i know you've been very

97

00:06:25,990 --> 00:06:24,319

busy and you've been invisible i thought

98

00:06:28,870 --> 00:06:26,000

you were off in another dimension

99

00:06:30,710 --> 00:06:28,880

that was my guess yes i wore another

100

00:06:33,110 --> 00:06:30,720

timeline

101
00:06:34,710 --> 00:06:33,120
yes i took on a real nine to five job so

102
00:06:37,270 --> 00:06:34,720
that's why i've

103
00:06:37,990 --> 00:06:37,280
not been really seen out in the

104
00:06:39,590 --> 00:06:38,000
community

105
00:06:43,189 --> 00:06:39,600
too much well it was nice that you

106
00:06:44,790 --> 00:06:43,199
messed me last minute here

107
00:06:46,710 --> 00:06:44,800
i've been putting off the show and i

108
00:06:48,150 --> 00:06:46,720
went well he's busy i'll do it myself

109
00:06:51,350 --> 00:06:48,160
but it's cool that you're here

110
00:06:51,830 --> 00:06:51,360
listen thank you so what what why were

111
00:06:55,830 --> 00:06:51,840
you

112
00:06:58,070 --> 00:06:55,840
there or how what were the circumstances

113
00:07:01,110 --> 00:06:58,080

did you just purposefully go there

114

00:07:03,749 --> 00:07:01,120

no no uh well first of all i love japan

115

00:07:05,189 --> 00:07:03,759

and the culture of the people i've

116

00:07:06,469 --> 00:07:05,199

basically spent about a year of my

117

00:07:09,430 --> 00:07:06,479

entire life

118

00:07:10,870 --> 00:07:09,440

uh living in japan so i started to get a

119

00:07:13,110 --> 00:07:10,880

little accustomed

120

00:07:14,870 --> 00:07:13,120

to the culture there and i i would say

121

00:07:16,070 --> 00:07:14,880

japan is like a second home to me i love

122

00:07:19,430 --> 00:07:16,080

it there

123

00:07:23,189 --> 00:07:19,440

and i have a friend who lives not

124

00:07:25,909 --> 00:07:23,199

near mount fuji and he is a hiker

125

00:07:27,110 --> 00:07:25,919

he loves hiking so one of the first

126

00:07:30,230 --> 00:07:27,120

times i was there

127

00:07:32,950 --> 00:07:30,240

he's like okay let's go hiking around uh

128

00:07:35,510 --> 00:07:32,960

there's a lot of trails around mount

129

00:07:39,270 --> 00:07:36,790

and so you didn't know what you were

130

00:07:40,870 --> 00:07:39,280

getting into at first i did not know

131

00:07:43,270 --> 00:07:40,880

what i was getting into i just thought i

132

00:07:46,950 --> 00:07:43,280

was going for a nice hike

133

00:07:48,869 --> 00:07:46,960

and we're going through the forest and

134

00:07:50,869 --> 00:07:48,879

it was it was not a really good day it

135

00:07:53,270 --> 00:07:50,879

was very foggy out

136

00:07:54,070 --> 00:07:53,280

so you couldn't actually see 10 feet

137

00:07:57,510 --> 00:07:54,080

ahead of you

138

00:08:00,230 --> 00:07:57,520

it was like the movie the mist right

139

00:08:00,950 --> 00:08:00,240

so so we're walking through this very

140

00:08:04,550 --> 00:08:00,960

eerie

141

00:08:07,350 --> 00:08:04,560

almost like a in a fantasy movie

142

00:08:09,510 --> 00:08:07,360

walking through this forest and he just

143

00:08:12,070 --> 00:08:09,520

happens to mention to me

144

00:08:13,990 --> 00:08:12,080

you know these trails uh at the base of

145

00:08:17,510 --> 00:08:14,000

mount fuji this is considered

146

00:08:19,430 --> 00:08:17,520

uh suicide forest where we're hiking

147

00:08:21,350 --> 00:08:19,440

great it's drop just dropped it on me

148

00:08:23,430 --> 00:08:21,360

right sounds like a fun

149

00:08:25,029 --> 00:08:23,440

outing for the day we're gonna go hiking

150

00:08:27,589 --> 00:08:25,039

in a suicide forest

151

00:08:28,790 --> 00:08:27,599

yes in the middle of a foreign country

152

00:08:31,670 --> 00:08:28,800

exactly and

153

00:08:32,070 --> 00:08:31,680

what see i've heard about suicide forest

154

00:08:35,509 --> 00:08:32,080

but

155

00:08:36,630 --> 00:08:35,519

um i didn't understand exactly where it

156

00:08:38,389 --> 00:08:36,640

was

157

00:08:40,149 --> 00:08:38,399

and you have to understand mount fuji

158

00:08:43,350 --> 00:08:40,159

itself is so

159

00:08:44,470 --> 00:08:43,360

massive it's like an entire it's bigger

160

00:08:46,230 --> 00:08:44,480

than a city

161

00:08:48,310 --> 00:08:46,240

it's like everest or something it's huge

162

00:08:50,389 --> 00:08:48,320

right it's huge

163

00:08:52,710 --> 00:08:50,399

and um just to give you an example of

164

00:08:54,470 --> 00:08:52,720

how huge this is

165

00:08:56,310 --> 00:08:54,480

just to get to the base of the mountain

166

00:08:59,750 --> 00:08:56,320

where you start hiking

167

00:09:02,790 --> 00:08:59,760

you have to drive up the mountain by car

168

00:09:06,829 --> 00:09:02,800

about 30 to 40 minutes up the mountain

169

00:09:08,790 --> 00:09:06,839

oh yeah then you go and you buy a bus

170

00:09:10,550 --> 00:09:08,800

ticket

171

00:09:12,870 --> 00:09:10,560

just to get to the base of this thing

172

00:09:15,910 --> 00:09:12,880

right that that's right and then the bus

173

00:09:17,269 --> 00:09:15,920

up the mountain is about 30 minutes so

174

00:09:17,829 --> 00:09:17,279

you're in it about an hour you're

175

00:09:20,389 --> 00:09:17,839

driving

176

00:09:21,990 --> 00:09:20,399

up the mountain for about an hour just

177

00:09:23,829 --> 00:09:22,000

to get to the place where the tourists

178

00:09:26,470 --> 00:09:23,839

go where you start to hike up

179

00:09:28,470 --> 00:09:26,480

uh the mount fuji trails which is

180

00:09:32,710 --> 00:09:28,480

absolutely beautiful

181

00:09:34,870 --> 00:09:32,720

but around the base of mount fuji

182

00:09:36,070 --> 00:09:34,880

is a massive forest it's beautiful

183

00:09:39,829 --> 00:09:36,080

nature there it's really

184

00:09:40,870 --> 00:09:39,839

stunning and there are trails and

185

00:09:45,990 --> 00:09:40,880

tourist sites

186

00:09:49,269 --> 00:09:46,000

all around the base of that mountain and

187

00:09:52,230 --> 00:09:49,279

people use those trails

188

00:09:53,190 --> 00:09:52,240

as a place to go if they want to commit

189

00:09:55,509 --> 00:09:53,200

suicide

190

00:09:57,350 --> 00:09:55,519

so it's not a very specific area it's

191

00:09:59,269 --> 00:09:57,360

not a very specific trail there are more

192

00:10:02,069 --> 00:09:59,279

popular sites

193

00:10:04,230 --> 00:10:02,079

but people go in anywhere around the

194

00:10:07,269 --> 00:10:04,240

base of this mountain

195

00:10:10,310 --> 00:10:07,279

so it's a very large area yeah and you

196

00:10:13,430 --> 00:10:10,320

sent me some really eerie pictures

197

00:10:15,590 --> 00:10:13,440

and one of them is really kind of sad uh

198

00:10:16,710 --> 00:10:15,600

i'm gonna i'm gonna share my screen here

199

00:10:18,470 --> 00:10:16,720

this is just uh

200

00:10:20,230 --> 00:10:18,480

let me share my screen so i can show

201
00:10:21,670 --> 00:10:20,240
people and you can explain what

202
00:10:23,590 --> 00:10:21,680
because when you told me what this one

203
00:10:26,630 --> 00:10:23,600
picture was i was just sad

204
00:10:31,509 --> 00:10:26,640
it's just really sad one second

205
00:10:36,389 --> 00:10:34,550
okay so this is the picture that i

206
00:10:37,670 --> 00:10:36,399
thought was incredibly sad we see some

207
00:10:39,990 --> 00:10:37,680
shoes here

208
00:10:41,910 --> 00:10:40,000
being left right in front of a trail can

209
00:10:44,790 --> 00:10:41,920
you explain what that's about

210
00:10:47,030 --> 00:10:44,800
for my viewers yes uh well this is

211
00:10:49,509 --> 00:10:47,040
actually near a tourist site

212
00:10:50,790 --> 00:10:49,519
called the ice caves and this is at the

213
00:10:53,269 --> 00:10:50,800

base of mount fuji

214

00:10:54,150 --> 00:10:53,279

and you go into the forest and you

215

00:10:55,750 --> 00:10:54,160

actually pay

216

00:10:57,350 --> 00:10:55,760

i don't remember how much it was it was

217

00:10:58,230 --> 00:10:57,360

pretty inexpensive maybe like two or

218

00:11:01,430 --> 00:10:58,240

three dollars

219

00:11:03,750 --> 00:11:01,440

u.s and you could actually go

220

00:11:04,630 --> 00:11:03,760

into the forest to these underground

221

00:11:08,870 --> 00:11:04,640

caves

222

00:11:12,310 --> 00:11:10,550

and this was a parking lot that we

223

00:11:14,310 --> 00:11:12,320

parked into and there was a couple

224

00:11:15,829 --> 00:11:14,320

entrances into the forest in that

225

00:11:17,910 --> 00:11:15,839

parking lot

226

00:11:20,389 --> 00:11:17,920

and so we parked the car and get out and

227

00:11:23,829 --> 00:11:20,399

i looked down in front of the car

228

00:11:26,310 --> 00:11:23,839

and there's a pair of women's shoes and

229

00:11:28,550 --> 00:11:26,320

i'll tell you i'm just i was very naive

230

00:11:30,550 --> 00:11:28,560

at the time i didn't understand it

231

00:11:33,430 --> 00:11:30,560

and i went to my japanese friend and i

232

00:11:36,630 --> 00:11:33,440

said somebody left their shoes there

233

00:11:38,470 --> 00:11:36,640

at the entrance to that trail and he

234

00:11:41,590 --> 00:11:38,480

looked at me and he just said

235

00:11:44,550 --> 00:11:41,600

he goes no when people go

236

00:11:45,190 --> 00:11:44,560

to commit suicide they'll leave their

237

00:11:47,269 --> 00:11:45,200

shoes

238

00:11:48,790 --> 00:11:47,279

at the entrance where they go into so

239

00:11:51,030 --> 00:11:48,800

someone will know

240

00:11:52,069 --> 00:11:51,040

that there is a body waiting for them

241

00:11:54,949 --> 00:11:52,079

down that trail

242

00:11:55,350 --> 00:11:54,959

yeah that's really sad that's really sad

243

00:11:58,870 --> 00:11:55,360

so

244

00:12:01,750 --> 00:11:58,880

there when you guys were there

245

00:12:03,910 --> 00:12:01,760

absolutely because this you know this is

246

00:12:05,910 --> 00:12:03,920

your fresh pair of shoes

247

00:12:07,350 --> 00:12:05,920

completely fresh people come and and

248

00:12:09,509 --> 00:12:07,360

look for these things so these are

249

00:12:12,310 --> 00:12:09,519

signs that somebody's in there

250

00:12:16,069 --> 00:12:14,790

another thing that you see in there

251

00:12:21,269 --> 00:12:16,079

which i did see

252

00:12:23,350 --> 00:12:21,279

um they take string with them

253

00:12:24,949 --> 00:12:23,360

uh it's very straight they take strings

254

00:12:26,949 --> 00:12:24,959

so some of them

255

00:12:29,110 --> 00:12:26,959

when they go into these trails they'll

256

00:12:32,310 --> 00:12:29,120

actually tie string up

257

00:12:34,629 --> 00:12:32,320

to the trees as they go into the forest

258

00:12:36,550 --> 00:12:34,639

so somebody has a somebody has a guide

259

00:12:39,269 --> 00:12:36,560

to find them in their body

260

00:12:41,750 --> 00:12:39,279

that's right that's right so you'll see

261

00:12:43,269 --> 00:12:41,760

this equally disturbing and scary so

262

00:12:44,550 --> 00:12:43,279

anytime you see string you're going to

263

00:12:45,829 --> 00:12:44,560

know that somebody put that there right

264

00:12:48,310 --> 00:12:45,839

before they kill themselves

265

00:12:49,430 --> 00:12:48,320

most people hang themselves there right

266

00:12:52,870 --> 00:12:49,440

from a tree

267

00:12:56,870 --> 00:12:52,880

yes i fortunately i didn't see

268

00:12:58,870 --> 00:12:56,880

anything like that um but

269

00:13:01,269 --> 00:12:58,880

the the thing that really blew my mind

270

00:13:01,829 --> 00:13:01,279

about this is this was next to a tourist

271

00:13:04,230 --> 00:13:01,839

site

272

00:13:05,990 --> 00:13:04,240

where there's tons of children so this

273

00:13:07,829 --> 00:13:06,000

is a parking lot entrance

274

00:13:09,110 --> 00:13:07,839

next to a tourist site by the base of

275

00:13:11,430 --> 00:13:09,120

the mountain

276

00:13:12,389 --> 00:13:11,440

and uh what my friend was telling me is

277

00:13:14,230 --> 00:13:12,399

that um

278

00:13:17,030 --> 00:13:14,240

there are so many different entrances to

279

00:13:19,430 --> 00:13:17,040

this forest that people choose

280

00:13:20,310 --> 00:13:19,440

but uh this is a very popular one

281

00:13:23,350 --> 00:13:20,320

because

282

00:13:26,550 --> 00:13:23,360

there's so many families and people here

283

00:13:28,310 --> 00:13:26,560

that they can find them very easily

284

00:13:29,990 --> 00:13:28,320

well here and here's some other pictures

285

00:13:33,110 --> 00:13:30,000

here that you shared with me that are

286

00:13:37,670 --> 00:13:33,120

equally just eerie just

287

00:13:40,949 --> 00:13:37,680

eerie this looks like looking up a hill

288

00:13:41,910 --> 00:13:40,959

no um there are caves oh it's okay so i

289

00:13:44,069 --> 00:13:41,920

was actually

290

00:13:45,829 --> 00:13:44,079

walking down into a cave and that's the

291

00:13:47,110 --> 00:13:45,839

forest above my head

292

00:13:49,670 --> 00:13:47,120

so it's like you're going into the

293

00:13:52,710 --> 00:13:49,680

underworld of this forest

294

00:13:53,350 --> 00:13:52,720

uh this forest is actually really

295

00:13:55,509 --> 00:13:53,360

incredible

296

00:13:56,710 --> 00:13:55,519

it's it's an active volcano it's a it's

297

00:13:58,550 --> 00:13:56,720

a volcano

298

00:13:59,750 --> 00:13:58,560

yeah i've read that the the floor of

299

00:14:01,990 --> 00:13:59,760

this entire forest

300

00:14:03,269 --> 00:14:02,000

is volcanic rock so you can't really dig

301
00:14:05,990 --> 00:14:03,279
into it

302
00:14:07,910 --> 00:14:06,000
yes it's very uh interesting the whole

303
00:14:12,069 --> 00:14:07,920
layout of this forest

304
00:14:15,509 --> 00:14:12,079
and there's geothermal vents

305
00:14:18,150 --> 00:14:15,519
and hot springs all through this forest

306
00:14:19,910 --> 00:14:18,160
so oh so it's an active volcano still

307
00:14:22,150 --> 00:14:19,920
it's still somewhat active right

308
00:14:22,949 --> 00:14:22,160
oh yeah so you can walk in the forest

309
00:14:26,389 --> 00:14:22,959
and you'll see

310
00:14:28,870 --> 00:14:26,399
like steam coming up from the ground

311
00:14:31,910 --> 00:14:28,880
well that's and it's a suicide forest

312
00:14:34,949 --> 00:14:31,920
that's really really kind of scary

313
00:14:36,550 --> 00:14:34,959

it is very dense it's very scary and

314

00:14:39,110 --> 00:14:36,560

the thing that's interesting is because

315

00:14:41,590 --> 00:14:39,120

of the volcanic minerals and the active

316

00:14:44,629 --> 00:14:41,600

mag was it the active volcanic flow

317

00:14:49,590 --> 00:14:44,639

underneath this mountain um

318

00:14:52,310 --> 00:14:49,600

you get intense geomagnetic anomalies

319

00:14:53,990 --> 00:14:52,320

so uh if you have a compass out you

320

00:14:56,069 --> 00:14:54,000

could be walking and the compass just

321

00:14:58,230 --> 00:14:56,079

changes direction

322

00:15:00,310 --> 00:14:58,240

you know yeah that's a little weird that

323

00:15:02,949 --> 00:15:00,320

is definitely weird i've read about this

324

00:15:03,910 --> 00:15:02,959

there's a lot of magnetic anomalies all

325

00:15:06,389 --> 00:15:03,920

around this and

326

00:15:07,829 --> 00:15:06,399

do you think that's caused by i thought

327

00:15:08,629 --> 00:15:07,839

people were claiming that's caused by

328

00:15:10,389 --> 00:15:08,639

some kind of

329

00:15:12,230 --> 00:15:10,399

paranormal activity you think it's just

330

00:15:12,870 --> 00:15:12,240

because of the magnetic or because of

331

00:15:17,350 --> 00:15:12,880

the

332

00:15:19,590 --> 00:15:17,360

maybe it's iron or something

333

00:15:20,870 --> 00:15:19,600

oh it's a hundred percent because it's a

334

00:15:22,870 --> 00:15:20,880

volcano

335

00:15:25,110 --> 00:15:22,880

because of the rich metals in that

336

00:15:29,269 --> 00:15:25,120

ground and because the flow of the

337

00:15:31,189 --> 00:15:29,279

the magma underneath this earth

338

00:15:34,230 --> 00:15:31,199

it creates all sorts of magnetic

339

00:15:36,230 --> 00:15:34,240

anomalies that can be measured

340

00:15:37,590 --> 00:15:36,240

it messes with gps it messes with

341

00:15:39,189 --> 00:15:37,600

satellites or

342

00:15:41,829 --> 00:15:39,199

i'm sorry it messes with cell phones

343

00:15:43,670 --> 00:15:41,839

i've heard that batteries just

344

00:15:46,069 --> 00:15:43,680

maybe that part is paranormal i've heard

345

00:15:48,470 --> 00:15:46,079

that like cell phone batteries die

346

00:15:50,389 --> 00:15:48,480

camera batteries die when you walk into

347

00:15:52,949 --> 00:15:50,399

this forest like electronics stop

348

00:15:53,749 --> 00:15:52,959

working batteries die that's really

349

00:15:55,829 --> 00:15:53,759

strange

350

00:15:57,189 --> 00:15:55,839

and there's lots of active hot springs

351

00:15:59,829 --> 00:15:57,199

there i actually

352

00:16:00,949 --> 00:15:59,839

uh been to one with monica it was it was

353

00:16:03,269 --> 00:16:00,959

beautiful

354

00:16:05,110 --> 00:16:03,279

very hot hot water comes out of this

355

00:16:08,550 --> 00:16:05,120

ground

356

00:16:12,069 --> 00:16:08,560

but this magnetic anomaly

357

00:16:13,350 --> 00:16:12,079

um i believe because i i actually felt

358

00:16:15,189 --> 00:16:13,360

it afterwards

359

00:16:16,949 --> 00:16:15,199

there was some type of noticeable effect

360

00:16:20,150 --> 00:16:16,959

that it does cause

361

00:16:21,590 --> 00:16:20,160

issues with our brains well it's pretty

362

00:16:23,590 --> 00:16:21,600

well known isn't it well known that

363

00:16:25,829 --> 00:16:23,600

magnetic fields can cause

364

00:16:27,590 --> 00:16:25,839

you know hallucinations auditory and

365

00:16:30,150 --> 00:16:27,600

visual or just

366

00:16:32,069 --> 00:16:30,160

vision impairment it can cause balance

367

00:16:34,470 --> 00:16:32,079

problems if the magnetic fields are

368

00:16:35,990 --> 00:16:34,480

strong enough so maybe that's

369

00:16:37,910 --> 00:16:36,000

something to do with some of these

370

00:16:39,590 --> 00:16:37,920

strange effects in there that people

371

00:16:41,110 --> 00:16:39,600

feel i've heard that people feel these

372

00:16:41,910 --> 00:16:41,120

strange effects did you feel that way

373

00:16:45,269 --> 00:16:41,920

when you were there

374

00:16:48,829 --> 00:16:45,279

i i did i had a very strange sensation

375

00:16:52,150 --> 00:16:48,839

um i felt like heat in my body and on my

376

00:16:53,350 --> 00:16:52,160

skin and then even days afterwards even

377

00:16:56,069 --> 00:16:53,360

like a week

378

00:16:56,550 --> 00:16:56,079

after being there it was like i felt my

379

00:17:00,550 --> 00:16:56,560

ear

380

00:17:03,269 --> 00:17:00,560

was like very hot

381

00:17:05,590 --> 00:17:03,279

like you got a sunburn or something

382

00:17:08,470 --> 00:17:05,600

that's very just kept burning for a week

383

00:17:11,669 --> 00:17:08,480

um and i did have let's say like some

384

00:17:14,949 --> 00:17:11,679

psychic experiences like enhance dreams

385

00:17:17,590 --> 00:17:14,959

uh things like that um afterwards

386

00:17:17,990 --> 00:17:17,600

and i just felt generally weird and they

387

00:17:21,669 --> 00:17:18,000

actually

388

00:17:24,390 --> 00:17:21,679

tell you that spending time

389

00:17:26,069 --> 00:17:24,400

in this area could actually make you go

390

00:17:27,990 --> 00:17:26,079

crazy

391

00:17:29,990 --> 00:17:28,000

yeah the magnetic fields could mess with

392

00:17:33,350 --> 00:17:30,000

your brain i guess right

393

00:17:35,110 --> 00:17:33,360

yes so there is something there

394

00:17:36,630 --> 00:17:35,120

um you know we can call it paranormal

395

00:17:39,669 --> 00:17:36,640

but i really think that

396

00:17:42,789 --> 00:17:39,679

uh just the earth itself there

397

00:17:44,950 --> 00:17:42,799

is very unique and it can cause

398

00:17:45,990 --> 00:17:44,960

issues uh with altered states of

399

00:17:49,029 --> 00:17:46,000

consciousness hearing

400

00:17:52,630 --> 00:17:49,039

voices uh time slips

401
00:17:54,549 --> 00:17:52,640
uh getting lost disoriented um you hear

402
00:17:55,750 --> 00:17:54,559
stories of people going into the forest

403
00:17:58,830 --> 00:17:55,760
and actually being called

404
00:18:00,230 --> 00:17:58,840
into the forest yeah that's odd

405
00:18:04,630 --> 00:18:00,240
especially

406
00:18:08,070 --> 00:18:04,640
pictures here that you sent me

407
00:18:11,990 --> 00:18:08,080
uh this one or one more picture here

408
00:18:15,510 --> 00:18:12,000
this is just showing you uh very scary

409
00:18:16,789 --> 00:18:15,520
yeah very dense yeah so and everything

410
00:18:18,630 --> 00:18:16,799
looks the same

411
00:18:19,909 --> 00:18:18,640
this is the strange thing it's like you

412
00:18:23,270 --> 00:18:19,919
can walk for an hour

413
00:18:24,230 --> 00:18:23,280

and it still looks like this easy to get

414

00:18:26,870 --> 00:18:24,240

lost in there

415

00:18:27,430 --> 00:18:26,880

right very easy to get lost so that's

416

00:18:29,430 --> 00:18:27,440

why

417

00:18:31,750 --> 00:18:29,440

i believe they take this the string as

418

00:18:34,230 --> 00:18:31,760

well so you know people could find

419

00:18:35,430 --> 00:18:34,240

them if they want to be found and it's

420

00:18:39,110 --> 00:18:35,440

very sad

421

00:18:41,350 --> 00:18:39,120

um you know i was hearing stories

422

00:18:43,110 --> 00:18:41,360

there is a very long history of people

423

00:18:44,630 --> 00:18:43,120

going into this forest it's not a new

424

00:18:47,909 --> 00:18:44,640

thing

425

00:18:48,549 --> 00:18:47,919

even hundreds of years ago during like

426

00:18:52,310 --> 00:18:48,559

strife

427

00:18:55,510 --> 00:18:52,320

famine wartime

428

00:18:56,310 --> 00:18:55,520

when people were sick or elderly a lot

429

00:18:59,350 --> 00:18:56,320

of them

430

00:19:00,630 --> 00:18:59,360

decided just to walk into that forest

431

00:19:03,110 --> 00:19:00,640

they don't want to be a burden to the

432

00:19:05,590 --> 00:19:03,120

rest of their tribe or family i've read

433

00:19:06,150 --> 00:19:05,600

stories about that too really really

434

00:19:09,909 --> 00:19:06,160

this is

435

00:19:11,669 --> 00:19:09,919

just this kind of strange strange place

436

00:19:13,510 --> 00:19:11,679

one of the most mysterious i wanted to

437

00:19:15,510 --> 00:19:13,520

do this series on mysterious places and

438

00:19:16,789 --> 00:19:15,520

this was top of my list because it's so

439

00:19:19,350 --> 00:19:16,799

fascinating

440

00:19:19,909 --> 00:19:19,360

and also i think that like you're saying

441

00:19:22,870 --> 00:19:19,919

with this

442

00:19:24,950 --> 00:19:22,880

molten magma under the ground could be

443

00:19:27,909 --> 00:19:24,960

causing all these magnetic

444

00:19:29,190 --> 00:19:27,919

you know uh anomalies which could be the

445

00:19:30,630 --> 00:19:29,200

cause of something do you think people

446

00:19:32,310 --> 00:19:30,640

go there with the

447

00:19:34,150 --> 00:19:32,320

intention though to kill themselves or

448

00:19:36,549 --> 00:19:34,160

do they get in there and then make that

449

00:19:38,390 --> 00:19:36,559

decision or i guess maybe it's a mix

450

00:19:39,590 --> 00:19:38,400

and what are the japanese people that

451
00:19:41,430 --> 00:19:39,600
you talk to

452
00:19:43,990 --> 00:19:41,440
what what is their attitude towards this

453
00:19:48,390 --> 00:19:46,310
um i would say it's pretty benign they

454
00:19:51,669 --> 00:19:48,400
are very aware of it

455
00:19:54,789 --> 00:19:51,679
sometimes people will go into the forest

456
00:19:57,029 --> 00:19:54,799
to contemplate suicide so they'll just

457
00:19:58,390 --> 00:19:57,039
go and they'll sit in the forest and

458
00:20:01,270 --> 00:19:58,400
you know a lot of times they'll actually

459
00:20:04,950 --> 00:20:01,280
leave they'll come back out

460
00:20:08,549 --> 00:20:04,960
with wanting to live a better life

461
00:20:10,070 --> 00:20:08,559
but what i noticed is um

462
00:20:13,029 --> 00:20:10,080
when you're living in the cities of

463
00:20:14,950 --> 00:20:13,039

tokyo or like the big mega cities in

464

00:20:17,990 --> 00:20:14,960

japan

465

00:20:21,909 --> 00:20:18,000

um people are very

466

00:20:25,990 --> 00:20:21,919

isolated in this technological

467

00:20:30,230 --> 00:20:26,000

you know mass population density world

468

00:20:34,310 --> 00:20:30,240

i feel like a lot of them are lonely

469

00:20:36,710 --> 00:20:34,320

a lot of them have a disconnection

470

00:20:37,510 --> 00:20:36,720

many of them really believe their

471

00:20:40,230 --> 00:20:37,520

identity

472

00:20:41,909 --> 00:20:40,240

is their job they work not nine to five

473

00:20:43,669 --> 00:20:41,919

they work from like

474

00:20:45,750 --> 00:20:43,679

six in the morning till ten at night

475

00:20:47,669 --> 00:20:45,760

like yeah that's part of asian culture

476

00:20:49,270 --> 00:20:47,679

i i worked for a chinese man once and

477

00:20:50,630 --> 00:20:49,280

that was the hardest boss i ever had

478

00:20:52,390 --> 00:20:50,640

because he just expected me to work

479

00:20:54,710 --> 00:20:52,400

14-hour days every day

480

00:20:56,310 --> 00:20:54,720

and like somebody else that worked there

481

00:20:57,990 --> 00:20:56,320

was american like me

482

00:20:59,669 --> 00:20:58,000

and basically he was older than me and

483

00:21:00,630 --> 00:20:59,679

he had a complaint to the owner of the

484

00:21:03,430 --> 00:21:00,640

company like listen

485

00:21:05,430 --> 00:21:03,440

you can't work american people like you

486

00:21:07,190 --> 00:21:05,440

work asian people we're just not used to

487

00:21:08,230 --> 00:21:07,200

that we're not built for that we we do

488

00:21:10,310 --> 00:21:08,240

eight and we're done

489

00:21:11,430 --> 00:21:10,320

you know and he would work six days a

490

00:21:13,510 --> 00:21:11,440

week

491

00:21:14,710 --> 00:21:13,520

15 hours a day and expect everybody if

492

00:21:16,390 --> 00:21:14,720

something didn't get done

493

00:21:18,230 --> 00:21:16,400

you're not going you're not going away

494

00:21:20,470 --> 00:21:18,240

for the weekend you're coming in here

495

00:21:20,870 --> 00:21:20,480

saturday at 6 a.m and getting this order

496

00:21:22,710 --> 00:21:20,880

done

497

00:21:24,950 --> 00:21:22,720

you know that's their culture it's just

498

00:21:27,029 --> 00:21:24,960

work work work work work

499

00:21:28,310 --> 00:21:27,039

it is and it really blew me away like i

500

00:21:30,789 --> 00:21:28,320

have friends that work in

501
00:21:32,230 --> 00:21:30,799
corporate offices there and you know

502
00:21:33,190 --> 00:21:32,240
they would work all day and then we

503
00:21:37,110 --> 00:21:33,200
would go out

504
00:21:41,830 --> 00:21:39,909
and you know we would drink and have fun

505
00:21:43,430 --> 00:21:41,840
and then they'll be like oh it's uh

506
00:21:45,029 --> 00:21:43,440
it's 11 o'clock at night i got to go

507
00:21:46,789 --> 00:21:45,039
back to the office to finish up the

508
00:21:50,149 --> 00:21:46,799
things for tomorrow

509
00:21:53,350 --> 00:21:50,159
yeah yeah you know so it's it is

510
00:21:53,990 --> 00:21:53,360
kind of uh their culture um you think it

511
00:21:56,070 --> 00:21:54,000
burns so

512
00:21:57,830 --> 00:21:56,080
i think it burns a lot of the mail right

513
00:21:59,990 --> 00:21:57,840

and maybe they have psychological issues

514

00:22:02,070 --> 00:22:00,000

and there's a higher suicide rate among

515

00:22:03,029 --> 00:22:02,080

among some asian populations because of

516

00:22:05,830 --> 00:22:03,039

that work

517

00:22:06,710 --> 00:22:05,840

life balance is missing yeah and because

518

00:22:08,549 --> 00:22:06,720

of the pressure

519

00:22:10,630 --> 00:22:08,559

i see a lot of stress and pressure

520

00:22:13,750 --> 00:22:10,640

associated with job in their place

521

00:22:17,430 --> 00:22:13,760

in society and

522

00:22:19,830 --> 00:22:17,440

um it's it's sad there was um

523

00:22:23,029 --> 00:22:19,840

i'll have to find this link to you but

524

00:22:26,070 --> 00:22:23,039

what i found very sad was

525

00:22:26,950 --> 00:22:26,080

because this is such a huge problem in

526

00:22:30,549 --> 00:22:26,960

japan

527

00:22:33,590 --> 00:22:30,559

they've created these holographic

528

00:22:36,549 --> 00:22:33,600

almost like ai girlfriends and wives

529

00:22:37,830 --> 00:22:36,559

friends yeah yes and they they're like

530

00:22:40,549 --> 00:22:37,840

in these little glass

531

00:22:41,909 --> 00:22:40,559

things like a tinkerbelle type of thing

532

00:22:43,990 --> 00:22:41,919

and i've seen that and it's

533

00:22:45,430 --> 00:22:44,000

a little creepy and people are marrying

534

00:22:48,630 --> 00:22:45,440

those things

535

00:22:51,190 --> 00:22:48,640

they they call you they send you texts

536

00:22:51,830 --> 00:22:51,200

they know when you're coming home like

537

00:22:54,070 --> 00:22:51,840

the thing

538

00:22:55,990 --> 00:22:54,080

talks to you all day long that's a

539

00:22:57,990 --> 00:22:56,000

little weird yeah

540

00:22:59,029 --> 00:22:58,000

it's yeah they look like japanese

541

00:23:00,870 --> 00:22:59,039

dynamite girls

542

00:23:03,430 --> 00:23:00,880

right they're like sort of pretty

543

00:23:05,750 --> 00:23:03,440

japanese anime girls and they have an ai

544

00:23:07,510 --> 00:23:05,760

and they get to know their owner and

545

00:23:08,789 --> 00:23:07,520

they get smarter all you know

546

00:23:10,310 --> 00:23:08,799

me with computer science i'm always

547

00:23:10,870 --> 00:23:10,320

reading about stuff like this so these

548

00:23:13,590 --> 00:23:10,880

things get

549

00:23:13,990 --> 00:23:13,600

smarter the longer you interact with

550

00:23:17,669 --> 00:23:14,000

them

551
00:23:19,830 --> 00:23:17,679
music you like

552
00:23:22,149 --> 00:23:19,840
movies you like and they become a

553
00:23:25,110 --> 00:23:22,159
companion an artificial one of course

554
00:23:26,149 --> 00:23:25,120
but and guys are marrying them in japan

555
00:23:29,830 --> 00:23:26,159
which is

556
00:23:31,190 --> 00:23:29,840
bizarre well it's not bizarro when you

557
00:23:34,630 --> 00:23:31,200
start to like live in that

558
00:23:37,190 --> 00:23:34,640
society and see that um

559
00:23:39,350 --> 00:23:37,200
there's no friends a lot of people are

560
00:23:40,870 --> 00:23:39,360
very alone and they live in very small

561
00:23:43,830 --> 00:23:40,880
confined spaces

562
00:23:44,549 --> 00:23:43,840
little apartments yeah little apartments

563
00:23:47,830 --> 00:23:44,559

so they come

564

00:23:50,950 --> 00:23:47,840

home to very little so

565

00:23:52,070 --> 00:23:50,960

it adds a lot of depression in that

566

00:23:54,950 --> 00:23:52,080

society

567

00:23:55,590 --> 00:23:54,960

so that's what they've created to to try

568

00:23:58,630 --> 00:23:55,600

to help

569

00:24:01,190 --> 00:23:58,640

these people through the loneliness

570

00:24:01,830 --> 00:24:01,200

plus the culture you know it's very rich

571

00:24:06,149 --> 00:24:01,840

in

572

00:24:08,470 --> 00:24:06,159

like honor and respect and

573

00:24:09,190 --> 00:24:08,480

but sometimes it could be uh quite a

574

00:24:12,630 --> 00:24:09,200

harsh

575

00:24:15,510 --> 00:24:12,640

society it's it's it's very cold so yeah

576

00:24:17,269 --> 00:24:15,520

outsider yeah i could definitely see

577

00:24:20,549 --> 00:24:17,279

that

578

00:24:22,230 --> 00:24:20,559

and so you spent how how long did you

579

00:24:23,269 --> 00:24:22,240

actually spend in the forest how much

580

00:24:25,830 --> 00:24:23,279

time did you spend

581

00:24:26,390 --> 00:24:25,840

actually in this suicide forest well

582

00:24:29,830 --> 00:24:26,400

when we

583

00:24:33,669 --> 00:24:29,840

hiked mount fuji it was the entire day

584

00:24:36,230 --> 00:24:33,679

okay um the hike would be a couple hours

585

00:24:38,789 --> 00:24:36,240

like to go through the base

586

00:24:39,830 --> 00:24:38,799

um so i didn't spend that much time

587

00:24:42,149 --> 00:24:39,840

there i've been there

588

00:24:43,750 --> 00:24:42,159

in two separate occasions did you have

589

00:24:45,430 --> 00:24:43,760

any did you feel like killing yourself

590

00:24:47,590 --> 00:24:45,440

at all while you were there

591

00:24:48,870 --> 00:24:47,600

no no i actually felt relaxed or

592

00:24:51,990 --> 00:24:48,880

anything you just felt

593

00:24:53,350 --> 00:24:52,000

strange i i just felt strange afterwards

594

00:24:56,390 --> 00:24:53,360

but i was actually really

595

00:24:58,710 --> 00:24:56,400

um kind of excited to you know

596

00:25:00,230 --> 00:24:58,720

seeing mount fuji as uh quite an amazing

597

00:25:03,909 --> 00:25:00,240

thing and

598

00:25:06,710 --> 00:25:03,919

actually we climbed mount fuji

599

00:25:09,110 --> 00:25:06,720

around this time last august eighth a

600

00:25:11,190 --> 00:25:09,120

year ago

601
00:25:12,789 --> 00:25:11,200
and the crazy thing is is that because

602
00:25:16,070 --> 00:25:12,799
of the shutdown

603
00:25:18,149 --> 00:25:16,080
i pro probably would have been uh

604
00:25:19,190 --> 00:25:18,159
there for a month in february and i

605
00:25:20,549 --> 00:25:19,200
would have probably been there in a

606
00:25:22,310 --> 00:25:20,559
month in july

607
00:25:26,070 --> 00:25:22,320
i brought you how to cut that short

608
00:25:29,510 --> 00:25:26,080
right oh yeah yeah i cancelled um

609
00:25:31,669 --> 00:25:29,520
basically every every one everything

610
00:25:33,190 --> 00:25:31,679
yeah i've canceled my entire life and

611
00:25:35,750 --> 00:25:33,200
started over from scratch

612
00:25:37,269 --> 00:25:35,760
and all of my plans for this 2020 year

613
00:25:39,269 --> 00:25:37,279

were just completely

614

00:25:41,190 --> 00:25:39,279

scrapped but the good news is i had the

615

00:25:42,149 --> 00:25:41,200

time to do other things like start this

616

00:25:43,750 --> 00:25:42,159

show and

617

00:25:45,510 --> 00:25:43,760

you gotta do something with your time

618

00:25:48,549 --> 00:25:45,520

you know i think a lot of people are

619

00:25:50,070 --> 00:25:48,559

depressed and uh everybody's having a

620

00:25:51,750 --> 00:25:50,080

rough time and you gotta find something

621

00:25:53,269 --> 00:25:51,760

to focus on other than the [h__h] show

622

00:25:56,149 --> 00:25:53,279

that we're living through

623

00:25:57,430 --> 00:25:56,159

you know and you know what i just just i

624

00:26:02,070 --> 00:25:57,440

remembered something

625

00:26:05,669 --> 00:26:02,080

and i think it's a it's a good point um

626

00:26:07,350 --> 00:26:05,679

i believe that these magnetic anomalies

627

00:26:09,110 --> 00:26:07,360

especially in the suicide forest in

628

00:26:12,310 --> 00:26:09,120

mount fuji

629

00:26:15,110 --> 00:26:12,320

um it brings up

630

00:26:17,350 --> 00:26:15,120

a lot of our demons you know what i mean

631

00:26:19,909 --> 00:26:17,360

it affects people psychologically

632

00:26:21,830 --> 00:26:19,919

so if you're like uh really holding on

633

00:26:24,070 --> 00:26:21,840

to a lot of negative things

634

00:26:25,029 --> 00:26:24,080

or have a lot of secrets in the closet

635

00:26:27,590 --> 00:26:25,039

basically

636

00:26:28,630 --> 00:26:27,600

a lot of regrets guilt depression things

637

00:26:31,590 --> 00:26:28,640

like that

638

00:26:33,590 --> 00:26:31,600

when you enter areas that are high in

639

00:26:35,590 --> 00:26:33,600

these magnetic anomalies

640

00:26:36,950 --> 00:26:35,600

it actually pushes them right to the

641

00:26:39,590 --> 00:26:36,960

surface

642

00:26:40,789 --> 00:26:39,600

so if somebody is not stable yeah you

643

00:26:42,310 --> 00:26:40,799

don't want to be there if you're not

644

00:26:43,669 --> 00:26:42,320

psychologically very stable

645

00:26:45,909 --> 00:26:43,679

lucky for you and i guess your

646

00:26:47,750 --> 00:26:45,919

girlfriend you guys were both feeling

647

00:26:49,830 --> 00:26:47,760

fine before you went in and it didn't

648

00:26:50,950 --> 00:26:49,840

affect you in that matter at least right

649

00:26:52,390 --> 00:26:50,960

wife wife

650

00:26:54,070 --> 00:26:52,400

i'm sorry why don't you always think

651
00:26:55,510 --> 00:26:54,080
it's your girlfriend i always think it's

652
00:26:55,990 --> 00:26:55,520
your girlfriend for some reason i'm

653
00:26:59,350 --> 00:26:56,000
sorry

654
00:27:00,070 --> 00:26:59,360
i apologize to your wife she was she was

655
00:27:04,230 --> 00:27:00,080
in there and

656
00:27:06,310 --> 00:27:04,240
yeah we were all just happy just to be

657
00:27:07,750 --> 00:27:06,320
on mount fuji and exploring we went into

658
00:27:10,549 --> 00:27:07,760
the ice caves there

659
00:27:12,149 --> 00:27:10,559
and we saw a couple other um interesting

660
00:27:13,430 --> 00:27:12,159
tourist attractions

661
00:27:15,029 --> 00:27:13,440
i don't remember what the other ones

662
00:27:16,710 --> 00:27:15,039
were but i think they were mostly these

663
00:27:19,269 --> 00:27:16,720

underground caves

664

00:27:20,470 --> 00:27:19,279

um amazing that's amazing life

665

00:27:22,310 --> 00:27:20,480

experience i definitely want to see

666

00:27:25,669 --> 00:27:22,320

mount fuji someday

667

00:27:28,950 --> 00:27:25,679

yes and once you add that other

668

00:27:29,990 --> 00:27:28,960

element to it of that this is the place

669

00:27:34,710 --> 00:27:30,000

where people go

670

00:27:37,909 --> 00:27:34,720

to end their lives um

671

00:27:40,389 --> 00:27:37,919

i it's strange because you actually get

672

00:27:42,070 --> 00:27:40,399

you have more respect for them you have

673

00:27:43,750 --> 00:27:42,080

more respect for their culture more

674

00:27:46,870 --> 00:27:43,760

respect for that area

675

00:27:48,710 --> 00:27:46,880

that it is a sacred piece of land it's

676

00:27:52,310 --> 00:27:48,720

more than just a tourist site it's

677

00:27:53,510 --> 00:27:52,320

um there is a power force there that is

678

00:27:56,310 --> 00:27:53,520

supernatural

679

00:27:58,870 --> 00:27:56,320

and you have to go with honor and

680

00:28:01,990 --> 00:27:58,880

respect just like that culture

681

00:28:04,630 --> 00:28:02,000

um so

682

00:28:06,149 --> 00:28:04,640

which was cred very lightly i'm glad

683

00:28:06,470 --> 00:28:06,159

that we got to talk to you because it's

684

00:28:08,070 --> 00:28:06,480

what

685

00:28:09,750 --> 00:28:08,080

you know i could read a bunch of

686

00:28:11,110 --> 00:28:09,760

articles from the internet about this

687

00:28:12,549 --> 00:28:11,120

thing but having somebody that's

688

00:28:15,510 --> 00:28:12,559

actually been there is much more

689

00:28:17,430 --> 00:28:15,520

valuable to share with our viewers here

690

00:28:20,710 --> 00:28:17,440

and i was just going to mention

691

00:28:22,549 --> 00:28:20,720

that you know jason's very busy and has

692

00:28:23,110 --> 00:28:22,559

a lot of stuff to do so he's got to pop

693

00:28:24,950 --> 00:28:23,120

right out

694

00:28:27,190 --> 00:28:24,960

if anybody has any quick questions for

695

00:28:29,590 --> 00:28:27,200

him in the live chat about this suicide

696

00:28:31,510 --> 00:28:29,600

forest please put them in all caps

697

00:28:34,070 --> 00:28:31,520

and uh maybe we'll get him to answer

698

00:28:35,750 --> 00:28:34,080

just a few questions before he bails

699

00:28:38,230 --> 00:28:35,760

and we might not see him again for six

700

00:28:41,510 --> 00:28:38,240

months and if that's the case you know

701
00:28:44,149 --> 00:28:41,520
by the way i need music you know mr quit

702
00:28:45,350 --> 00:28:44,159
mr quit is uh i haven't been able to

703
00:28:48,470 --> 00:28:45,360
even touch

704
00:28:50,310 --> 00:28:48,480
my music in a long long time

705
00:28:51,590 --> 00:28:50,320
wow oh that's really soon but that's

706
00:28:53,269 --> 00:28:51,600
unfortunate yeah i

707
00:28:55,269 --> 00:28:53,279
i recently have been trying to play

708
00:28:56,149 --> 00:28:55,279
guitar again and i'm failing miserably

709
00:28:58,230 --> 00:28:56,159
at it

710
00:29:00,710 --> 00:28:58,240
so uh then i started looking into you

711
00:29:02,470 --> 00:29:00,720
know they have this vstis now that are

712
00:29:03,830 --> 00:29:02,480
pretty convincing but i couldn't get

713
00:29:05,909 --> 00:29:03,840

those working right

714

00:29:07,190 --> 00:29:05,919

or you know figure those out so i'm back

715

00:29:09,269 --> 00:29:07,200

to practicing again

716

00:29:10,710 --> 00:29:09,279

there's no way around it you gotta just

717

00:29:13,110 --> 00:29:10,720

practice to be able

718

00:29:14,230 --> 00:29:13,120

to do decent guitar tracks recording

719

00:29:16,549 --> 00:29:14,240

wise

720

00:29:18,789 --> 00:29:16,559

so friends any questions any questions

721

00:29:19,510 --> 00:29:18,799

for jason quit about the suicide forest

722

00:29:23,590 --> 00:29:19,520

please put them in

723

00:29:26,310 --> 00:29:23,600

all caps uh otherwise i guess you know

724

00:29:28,070 --> 00:29:26,320

we'll let you roll out of here i'd like

725

00:29:29,110 --> 00:29:28,080

to say hello to everybody in the live

726

00:29:32,310 --> 00:29:29,120

chat

727

00:29:34,630 --> 00:29:32,320

some familiar faces yeah here we have uh

728

00:29:36,630 --> 00:29:34,640

professor fez lee veltman is here shout

729

00:29:39,350 --> 00:29:36,640

out to jeanette cruzenko

730

00:29:42,230 --> 00:29:39,360

uh william pixley is here paranormal but

731

00:29:46,149 --> 00:29:42,240

jiggy i saw celtrus77

732

00:29:49,990 --> 00:29:46,159

uh let me see bunya is here

733

00:29:52,870 --> 00:29:50,000

out of mind is here as always

734

00:29:55,909 --> 00:29:52,880

i don't know keith hassmeyer carol utley

735

00:29:58,870 --> 00:29:55,919

is here shout out to them

736

00:29:59,750 --> 00:29:58,880

yeah okay here we do have a question

737

00:30:02,950 --> 00:29:59,760

from paranormal

738

00:30:04,630 --> 00:30:02,960

g i didn't know jason was a weed smoker

739

00:30:06,310 --> 00:30:04,640

we could have got high together in cali

740

00:30:07,909 --> 00:30:06,320

no can you explain to them what it is

741

00:30:08,950 --> 00:30:07,919

that you're doing there because it's not

742

00:30:12,710 --> 00:30:08,960

weak

743

00:30:15,990 --> 00:30:12,720

i am not smoking weed i'm smoking a uh

744

00:30:18,789 --> 00:30:16,000

a mix of sacred herbs from ontario

745

00:30:21,269 --> 00:30:18,799

we call it kaniknek i want you to send

746

00:30:23,590 --> 00:30:21,279

me some of this i want to try this

747

00:30:25,430 --> 00:30:23,600

um i usually smoke it when we're talking

748

00:30:27,590 --> 00:30:25,440

about some pretty creepy things

749

00:30:28,870 --> 00:30:27,600

because it's you smoke it every time

750

00:30:31,029 --> 00:30:28,880

you're on my show

751

00:30:32,149 --> 00:30:31,039

oh but the last time the last time we

752

00:30:33,590 --> 00:30:32,159

were talking about the hairy man of

753

00:30:35,350 --> 00:30:33,600

alaska so yeah

754

00:30:36,630 --> 00:30:35,360

oh this is an excellent question that i

755

00:30:38,310 --> 00:30:36,640

completely concur

756

00:30:40,230 --> 00:30:38,320

jason do you agree that the product

757

00:30:44,310 --> 00:30:40,240

called canadian bacon is in fact just a

758

00:30:47,909 --> 00:30:46,549

it's not baking my face quick it's fake

759

00:30:50,149 --> 00:30:47,919

baking

760

00:30:52,389 --> 00:30:50,159

it's not baked it's like a it's like a

761

00:30:54,950 --> 00:30:52,399

cold cut slice of ham

762

00:30:57,509 --> 00:30:54,960

that has like cornmeal around it and

763

00:30:59,590 --> 00:30:57,519

it's usually served with breakfast

764

00:31:01,990 --> 00:30:59,600

and you could have that and bacon with

765

00:31:06,070 --> 00:31:04,149

that's the only way i would want to eat

766

00:31:06,470 --> 00:31:06,080

it if there was a side of bacon with the

767

00:31:08,870 --> 00:31:06,480

fake

768

00:31:09,509 --> 00:31:08,880

canadian bacon so yeah i was a padded

769

00:31:11,190 --> 00:31:09,519

one

770

00:31:12,789 --> 00:31:11,200

and i didn't know but they just say

771

00:31:14,630 --> 00:31:12,799

bacon on the men don't they just say

772

00:31:15,350 --> 00:31:14,640

bacon they don't say canadian bacon on

773

00:31:17,750 --> 00:31:15,360

the menu

774

00:31:19,029 --> 00:31:17,760

so i got like eggs and bacon and they

775

00:31:20,950 --> 00:31:19,039

brought me that i was like what the hell

776

00:31:22,870 --> 00:31:20,960

is this this isn't bacon

777

00:31:24,070 --> 00:31:22,880

but i'm american so i just went i'll

778

00:31:27,029 --> 00:31:24,080

just eat it you know

779

00:31:29,029 --> 00:31:27,039

it was fine it's just not bacon you have

780

00:31:32,630 --> 00:31:29,039

to eat it with eggs benedict

781

00:31:36,389 --> 00:31:34,630

good to see you again jason quit yeah

782

00:31:38,149 --> 00:31:36,399

he's out from under his rock but he's

783

00:31:38,549 --> 00:31:38,159

going right back to his rock right

784

00:31:40,389 --> 00:31:38,559

you're

785

00:31:41,830 --> 00:31:40,399

so busy it is because it is past my

786

00:31:44,630 --> 00:31:41,840

bedtime already

787

00:31:46,230 --> 00:31:44,640

yeah well we're gonna have to go back

788

00:31:50,149 --> 00:31:46,240

but to go back uh

789

00:31:53,430 --> 00:31:50,159

to paranormal hood um

790

00:31:54,230 --> 00:31:53,440

it's a it's a medicine and same with

791

00:31:58,549 --> 00:31:54,240

cannabis

792

00:32:01,909 --> 00:31:58,559

it is a as a powerful spirit plant

793

00:32:05,190 --> 00:32:01,919

and um it's something that i've

794

00:32:07,750 --> 00:32:05,200

connected with um

795

00:32:09,110 --> 00:32:07,760

since high school you gotta send me a

796

00:32:10,870 --> 00:32:09,120

link to where you can buy

797

00:32:12,870 --> 00:32:10,880

that or you gotta send me some i wanna

798

00:32:16,389 --> 00:32:12,880

try this i definitely wanna write it

799

00:32:20,230 --> 00:32:16,399

it's called connect yes but

800

00:32:20,710 --> 00:32:20,240

um i didn't buy this it was gifted to me

801
00:32:22,470 --> 00:32:20,720
by

802
00:32:24,549 --> 00:32:22,480
shamans who are actually out in the

803
00:32:26,149 --> 00:32:24,559
field gathering this and that's what

804
00:32:27,029 --> 00:32:26,159
kaneknik means is actually means

805
00:32:31,350 --> 00:32:27,039
gathering

806
00:32:33,190 --> 00:32:31,360
put it in there

807
00:32:34,710 --> 00:32:33,200
and interesting yeah i definitely want

808
00:32:36,870 --> 00:32:34,720
to try this well i want to thank you

809
00:32:40,070 --> 00:32:36,880
jason quit for giving us

810
00:32:42,149 --> 00:32:40,080
an eye a first hand eyewitness account

811
00:32:43,430 --> 00:32:42,159
of this japanese suicide force because

812
00:32:45,430 --> 00:32:43,440
it's so much better than just

813
00:32:47,430 --> 00:32:45,440

reading stuff off the internet about it

814

00:32:48,950 --> 00:32:47,440

and trying to tell the story of it

815

00:32:50,870 --> 00:32:48,960

it's it's so much better that we got to

816

00:32:51,669 --> 00:32:50,880

talk to you thank you for being the

817

00:32:53,430 --> 00:32:51,679

first

818

00:32:55,269 --> 00:32:53,440

return guest on our show you did the

819

00:32:57,190 --> 00:32:55,279

very first true seekers thank you for

820

00:32:58,950 --> 00:32:57,200

doing that and and you're back again and

821

00:33:01,750 --> 00:32:58,960

hopefully we will see you

822

00:33:03,029 --> 00:33:01,760

uh sooner rather than later but i wish

823

00:33:04,230 --> 00:33:03,039

you the best of luck with your

824

00:33:06,549 --> 00:33:04,240

i know you're busy with all these

825

00:33:08,149 --> 00:33:06,559

projects now

826

00:33:10,549 --> 00:33:08,159

because they're very busy right let's

827

00:33:12,789 --> 00:33:10,559

stay busy especially right now

828

00:33:14,870 --> 00:33:12,799

exactly all right well listen goodbye

829

00:33:15,830 --> 00:33:14,880

everyone and uh thanks for hearing my

830

00:33:18,950 --> 00:33:15,840

story

831

00:33:21,350 --> 00:33:18,960

excellent thank you good night jason

832

00:33:22,950 --> 00:33:21,360

tell your wife i said hi not your

833

00:33:25,509 --> 00:33:22,960

girlfriend why do i always say that

834

00:33:27,190 --> 00:33:25,519

i always call her his girlfriend and i

835

00:33:29,509 --> 00:33:27,200

know my wife would be pissed if somebody

836

00:33:31,190 --> 00:33:29,519

said girlfriend instead of wife you know

837

00:33:33,110 --> 00:33:31,200

you get that ring you got you got to

838

00:33:33,990 --> 00:33:33,120

have that level of respect so i

839

00:33:37,350 --> 00:33:34,000

apologize

840

00:33:38,470 --> 00:33:37,360

to jason quit's lovely beautiful wife

841

00:33:40,549 --> 00:33:38,480

i don't know what the hell she's doing

842

00:33:42,470 --> 00:33:40,559

with him because oh man it's like one of

843

00:33:45,590 --> 00:33:42,480

these things is not like the other

844

00:33:47,590 --> 00:33:45,600

i don't know how he landed her because

845

00:33:48,710 --> 00:33:47,600

he's probably the world's luckiest man

846

00:33:50,950 --> 00:33:48,720

from what i've seen

847

00:33:52,389 --> 00:33:50,960

i just i just think that i don't know i

848

00:33:54,549 --> 00:33:52,399

don't know how that worked out

849

00:33:55,430 --> 00:33:54,559

but uh yeah maybe it's a sparkling

850

00:33:58,549 --> 00:33:55,440

personality

851
00:34:01,269 --> 00:33:58,559
i don't know so friends

852
00:34:02,549 --> 00:34:01,279
uh i'm gonna our presentation's pretty

853
00:34:05,669 --> 00:34:02,559
short tonight

854
00:34:07,750 --> 00:34:05,679
i do have some other uh stuff

855
00:34:09,109 --> 00:34:07,760
on this suicide forest that we can talk

856
00:34:11,909 --> 00:34:09,119
about

857
00:34:14,629 --> 00:34:11,919
uh and that is uh you know again just

858
00:34:18,710 --> 00:34:14,639
some stuff that i found on the internet

859
00:34:21,750 --> 00:34:18,720
uh it's referred to uh the suicide

860
00:34:24,629 --> 00:34:21,760
forest uh because it is the most popular

861
00:34:28,470 --> 00:34:24,639
site for suicide in all of japan

862
00:34:30,470 --> 00:34:28,480
in 2003 105 bodies were found dead in

863
00:34:33,190 --> 00:34:30,480

the forest exceeding the previous record

864

00:34:35,990 --> 00:34:33,200
of 78 in 2002

865

00:34:37,829 --> 00:34:36,000
in 2010 police recorded more than 200

866

00:34:40,790 --> 00:34:37,839
people having attempted suicide in the

867

00:34:43,909 --> 00:34:40,800
forest of whom 54 completed the actual

868

00:34:44,389 --> 00:34:43,919
act suicides are said to increase during

869

00:34:46,869 --> 00:34:44,399
march

870

00:34:47,990 --> 00:34:46,879
the end of the fiscal year in japan as

871

00:34:49,750 --> 00:34:48,000
of 2011

872

00:34:51,270 --> 00:34:49,760
the most common means of suicide in the

873

00:34:54,470 --> 00:34:51,280
forest were hanging

874

00:34:56,230 --> 00:34:54,480
or drug overdose in recent years local

875

00:34:58,710 --> 00:34:56,240
officials have stopped publicizing the

876

00:35:01,750 --> 00:34:58,720

numbers in an attempt to decrease

877

00:35:04,069 --> 00:35:01,760

the forest association with suicide

878

00:35:05,190 --> 00:35:04,079

this rate of suicide has led officials

879

00:35:07,270 --> 00:35:05,200

to place a sign

880

00:35:09,270 --> 00:35:07,280

at the forced entry urging suicidal

881

00:35:10,630 --> 00:35:09,280

visitors to seek help and not take their

882

00:35:12,710 --> 00:35:10,640

own lives

883

00:35:15,829 --> 00:35:12,720

annual body searches have been conducted

884

00:35:19,910 --> 00:35:15,839

by police volunteers and journalists

885

00:35:23,990 --> 00:35:21,430

the site's popularity has been

886

00:35:27,589 --> 00:35:24,000

attributed to

887

00:35:30,790 --> 00:35:27,599

psychio matsumu's 1961 novel

888

00:35:32,150 --> 00:35:30,800

nami noto tower of waves however the

889

00:35:33,910 --> 00:35:32,160

history of suicide

890

00:35:35,990 --> 00:35:33,920

in this force predates the novel's

891

00:35:38,950 --> 00:35:36,000

publication and the place has long been

892

00:35:42,150 --> 00:35:38,960

associated with death

893

00:35:45,270 --> 00:35:44,150

yes suicide may have been practiced

894

00:35:47,589 --> 00:35:45,280

there

895

00:35:48,390 --> 00:35:47,599

into the 19th century and the forest is

896

00:35:51,750 --> 00:35:48,400

repeatedly

897

00:35:57,829 --> 00:35:51,760

haunted by uh the yuri

898

00:36:01,670 --> 00:36:00,870

and of course this has been uh covered

899

00:36:07,109 --> 00:36:01,680

in

900

00:36:09,670 --> 00:36:07,119

and manga films literature music

901
00:36:12,230 --> 00:36:09,680
and video games it was the subject of a

902
00:36:13,990 --> 00:36:12,240
bbc radio 4 production first broadcast

903
00:36:16,069 --> 00:36:14,000
10th of september 2018

904
00:36:18,230 --> 00:36:16,079
in which four poets traveled to the

905
00:36:21,349 --> 00:36:18,240
forest to write and record poetry

906
00:36:24,470 --> 00:36:21,359
in the forest that's a little creepy an

907
00:36:27,430 --> 00:36:24,480
american playwright of japanese ancestry

908
00:36:27,829 --> 00:36:27,440
christine haruna lee wrote and stage of

909
00:36:30,069 --> 00:36:27,839
play

910
00:36:31,109 --> 00:36:30,079
suicide forest in new york city in march

911
00:36:33,190 --> 00:36:31,119
of 2019

912
00:36:34,310 --> 00:36:33,200
and addressed suicide in america and

913
00:36:38,230 --> 00:36:34,320

japan

914

00:36:40,710 --> 00:36:38,240
referencing the akigara forest

915

00:36:43,349 --> 00:36:40,720
in 2015 there was a film the sea of

916

00:36:47,109 --> 00:36:43,359
trees with matthew mcconaughey

917

00:36:50,630 --> 00:36:47,119
ken watsonville and naomi watts

918

00:36:52,230 --> 00:36:50,640
and also tells a story of uh

919

00:36:55,190 --> 00:36:52,240
and it tells a story happening in the

920

00:37:00,230 --> 00:36:55,200
forest the rap collective

921

00:37:03,510 --> 00:37:00,240
uh ale boys takes its name from

922

00:37:07,190 --> 00:37:03,520
aki boys takes its name from akiyagara

923

00:37:10,069 --> 00:37:07,200
so an interesting and mysterious place

924

00:37:11,349 --> 00:37:10,079
i believe that uh those magnetic

925

00:37:14,550 --> 00:37:11,359
anomalies

926

00:37:16,630 --> 00:37:14,560

really are contributing to the effects

927

00:37:17,030 --> 00:37:16,640

that people are feeling once they are in

928

00:37:20,310 --> 00:37:17,040

this

929

00:37:23,349 --> 00:37:20,320

forest it's interesting that uh

930

00:37:25,589 --> 00:37:23,359

magnetic anomalies are known to cause

931

00:37:27,190 --> 00:37:25,599

strange effects in human brains so i

932

00:37:31,750 --> 00:37:27,200

don't think it's any

933

00:37:34,310 --> 00:37:31,760

coincidence that these

934

00:37:36,230 --> 00:37:34,320

strange effects are felt by people i've

935

00:37:39,430 --> 00:37:36,240

read numerous accounts besides

936

00:37:42,710 --> 00:37:39,440

jason's of people feeling uh a

937

00:37:45,430 --> 00:37:42,720

strange kind of way once they've entered

938

00:37:47,430 --> 00:37:45,440

into the forest

939

00:37:48,630 --> 00:37:47,440

just a strange and mysterious place and

940

00:37:50,870 --> 00:37:48,640

i wonder why

941

00:37:52,710 --> 00:37:50,880

do so many people choose to go there to

942

00:37:55,990 --> 00:37:52,720

kill themselves

943

00:37:56,630 --> 00:37:56,000

why there of all places in japan why not

944

00:38:03,270 --> 00:37:56,640

at home

945

00:38:07,109 --> 00:38:05,430

this strange mysterious forest

946

00:38:09,670 --> 00:38:07,119

paranormal jiggy

947

00:38:10,950 --> 00:38:09,680

with a good a good comment yeah it makes

948

00:38:13,109 --> 00:38:10,960

sense what if it was actually

949

00:38:14,310 --> 00:38:13,119

serial killers truth seekers could be

950

00:38:16,630 --> 00:38:14,320

but i think that

951
00:38:18,310 --> 00:38:16,640
japan like us does autopsies of

952
00:38:20,710 --> 00:38:18,320
suspicious deaths

953
00:38:22,790 --> 00:38:20,720
so unless the serial killer is gonna

954
00:38:26,069 --> 00:38:22,800
like drug somebody to death

955
00:38:29,430 --> 00:38:26,079
or uh hang them from a tree

956
00:38:31,270 --> 00:38:29,440
uh i guess yeah but it could be i mean

957
00:38:32,470 --> 00:38:31,280
for all we know it's like the world's

958
00:38:34,550 --> 00:38:32,480
most prolific

959
00:38:36,390 --> 00:38:34,560
serial killer is in japan grabbing

960
00:38:38,870 --> 00:38:36,400
people that are hiking or walking

961
00:38:41,829 --> 00:38:38,880
through and deciding to kill them

962
00:38:43,190 --> 00:38:41,839
that is very very strange and uh an

963
00:38:46,710 --> 00:38:43,200

interesting

964

00:38:49,750 --> 00:38:46,720

jiggy

965

00:38:50,150 --> 00:38:49,760

out of mind is sharing my paypal yes you

966

00:38:53,349 --> 00:38:50,160

too

967

00:38:56,230 --> 00:38:53,359

friends can donate a few dollars to

968

00:38:56,950 --> 00:38:56,240

help the show along any help is

969

00:39:00,950 --> 00:38:56,960

sincerely

970

00:39:01,990 --> 00:39:00,960

appreciated i have all but decided that

971

00:39:08,390 --> 00:39:02,000

uh

972

00:39:09,670 --> 00:39:08,400

we broadcast and i do all the research

973

00:39:11,829 --> 00:39:09,680

for the show

974

00:39:12,710 --> 00:39:11,839

and i do all the video editing and the

975

00:39:15,270 --> 00:39:12,720

music

976
00:39:16,310 --> 00:39:15,280
and audio editing pretty much everything

977
00:39:19,430 --> 00:39:16,320
is done here from

978
00:39:20,550 --> 00:39:19,440
this tiny little office in my house and

979
00:39:23,349 --> 00:39:20,560
uh

980
00:39:25,030 --> 00:39:23,359
and contemplating moving we have a guest

981
00:39:26,790 --> 00:39:25,040
room that has been unfinished

982
00:39:29,109 --> 00:39:26,800
since we moved here two years ago

983
00:39:29,829 --> 00:39:29,119
there's probably twice the size of this

984
00:39:32,950 --> 00:39:29,839
room

985
00:39:33,349 --> 00:39:32,960
contemplating moving moving our show

986
00:39:36,950 --> 00:39:33,359
there

987
00:39:41,349 --> 00:39:36,960
to have more room we may

988
00:39:44,069 --> 00:39:41,359

we may actually do that and that may be

989

00:39:45,910 --> 00:39:44,079

a way that we can grow because i can

990

00:39:48,470 --> 00:39:45,920

have multiple sets there

991

00:39:49,190 --> 00:39:48,480

besides just this you know we have this

992

00:39:51,270 --> 00:39:49,200

looks

993

00:39:53,030 --> 00:39:51,280

bigger than it is it's just a little

994

00:39:54,790 --> 00:39:53,040

backdrop and it's very you know i have

995

00:39:56,470 --> 00:39:54,800

to keep the cameras cropped

996

00:39:58,310 --> 00:39:56,480

pretty tight i would much prefer

997

00:39:59,910 --> 00:39:58,320

something where i could be like shown

998

00:40:01,829 --> 00:39:59,920

sitting at a desk from a distance

999

00:40:03,030 --> 00:40:01,839

sometimes and i don't know so we're

1000

00:40:06,710 --> 00:40:03,040

working on

1001
00:40:10,470 --> 00:40:06,720
maybe moving to a larger studio area to

1002
00:40:12,550 --> 00:40:10,480
do the show

1003
00:40:13,990 --> 00:40:12,560
so friends if you have any questions or

1004
00:40:16,150 --> 00:40:14,000
comments for me

1005
00:40:18,550 --> 00:40:16,160
in the live chat please put them in all

1006
00:40:22,150 --> 00:40:18,560
caps and i would be happy to answer

1007
00:40:25,030 --> 00:40:22,160
any questions that you have um

1008
00:40:26,069 --> 00:40:25,040
i guess we're going to do sort of uh you

1009
00:40:27,990 --> 00:40:26,079
know

1010
00:40:29,190 --> 00:40:28,000
sometimes we don't have a lot of time

1011
00:40:31,349 --> 00:40:29,200
for the live chat

1012
00:40:32,309 --> 00:40:31,359
and uh you know we kind of ran through

1013
00:40:35,670 --> 00:40:32,319

an hour or hour

1014

00:40:38,150 --> 00:40:35,680

20 long 20 minute long presentation

1015

00:40:40,550 --> 00:40:38,160

and then really we have a two-hour limit

1016

00:40:43,190 --> 00:40:40,560

because of youtube streaming limits

1017

00:40:45,510 --> 00:40:43,200

and things like that so tonight for once

1018

00:40:49,030 --> 00:40:45,520

we're way ahead of the game

1019

00:40:50,790 --> 00:40:49,040

and uh we should be able to uh

1020

00:40:54,230 --> 00:40:50,800

give much more attention to the live

1021

00:40:58,309 --> 00:40:56,630

i have to find it but the phone is

1022

00:41:01,109 --> 00:40:58,319

around here somewhere

1023

00:41:01,829 --> 00:41:01,119

but we have not had oh here it is we

1024

00:41:05,670 --> 00:41:01,839

have not had

1025

00:41:08,710 --> 00:41:05,680

open phone lines for quite some time

1026
00:41:10,550 --> 00:41:08,720
so i'm going to play the uh opening the

1027
00:41:11,270 --> 00:41:10,560
phone lines bumper if anybody would like

1028
00:41:14,470 --> 00:41:11,280
to call

1029
00:41:16,950 --> 00:41:14,480
in uh they can do so uh

1030
00:41:17,750 --> 00:41:16,960
friends you can call in and talk to us

1031
00:41:19,670 --> 00:41:17,760
especially

1032
00:41:21,190 --> 00:41:19,680
uh interested in anybody calling and

1033
00:41:23,109 --> 00:41:21,200
it's actually been to this japanese

1034
00:41:25,190 --> 00:41:23,119
suicide forest which is our

1035
00:41:27,270 --> 00:41:25,200
topic for this evening but if you have

1036
00:41:29,510 --> 00:41:27,280
any story you'd like to share about a

1037
00:41:32,550 --> 00:41:29,520
paranormal experience you had

1038
00:41:35,030 --> 00:41:32,560

seen some ghosts saw ufo were abducted

1039

00:41:37,910 --> 00:41:35,040

by aliens any strange

1040

00:41:39,670 --> 00:41:37,920

or paranormal experience that you have

1041

00:41:42,069 --> 00:41:39,680

we like it when our viewers

1042

00:41:43,430 --> 00:41:42,079

call in and share their experiences and

1043

00:41:46,309 --> 00:41:43,440

you too can do that

1044

00:41:47,750 --> 00:41:46,319

all are welcome here so we're going to

1045

00:41:49,270 --> 00:41:47,760

open the phone lines friends

1046

00:41:51,109 --> 00:41:49,280

for the first we haven't done this in

1047

00:41:52,710 --> 00:41:51,119

quite a long time so we're going to open

1048

00:41:53,750 --> 00:41:52,720

the phone lines if anybody would like to

1049

00:41:57,589 --> 00:41:53,760

call in

1050

00:41:59,829 --> 00:41:57,599

uh please do so and we're going to play

1051
00:42:02,550 --> 00:41:59,839
this bumper here to open the phone lines

1052
00:42:04,150 --> 00:42:02,560
the number will be listed

1053
00:42:05,910 --> 00:42:04,160
let's open the phone lines friends so

1054
00:42:07,349 --> 00:42:05,920
we're gonna have open lines for the rest

1055
00:42:18,360 --> 00:42:07,359
of the show

1056
00:44:10,710 --> 00:42:41,620
[Music]

1057
00:44:13,910 --> 00:44:13,510
and we are back friends and the lines

1058
00:44:16,630 --> 00:44:13,920
are

1059
00:44:17,430 --> 00:44:16,640
open i'm gonna turn my attention back to

1060
00:44:19,349 --> 00:44:17,440
the live chat

1061
00:44:20,829 --> 00:44:19,359
um and just a bit of business to get out

1062
00:44:24,309 --> 00:44:20,839
of the way

1063
00:44:27,349 --> 00:44:24,319

um i started to realize

1064

00:44:30,230 --> 00:44:27,359

um that i have an incredible

1065

00:44:31,990 --> 00:44:30,240

backlog of shows planned uh for our show

1066

00:44:35,750 --> 00:44:32,000

here

1067

00:44:36,550 --> 00:44:35,760

and i uh realized that it's to take me

1068

00:44:38,150 --> 00:44:36,560

uh

1069

00:44:40,950 --> 00:44:38,160

quite a long time to get through them

1070

00:44:43,430 --> 00:44:40,960

all if we stay with the

1071

00:44:45,270 --> 00:44:43,440

current i guess four shows a week which

1072

00:44:47,670 --> 00:44:45,280

i've committed to so i'm willing to do

1073

00:44:49,910 --> 00:44:47,680

more but the only way to really do that

1074

00:44:51,109 --> 00:44:49,920

i suppose is to start doing some daytime

1075

00:44:53,750 --> 00:44:51,119

streams

1076
00:44:54,630 --> 00:44:53,760
and i'm curious would you be available

1077
00:44:58,550 --> 00:44:54,640
and interested

1078
00:45:00,790 --> 00:44:58,560
in uh taking part in a daytime stream

1079
00:45:02,550 --> 00:45:00,800
you know like sometime in the afternoon

1080
00:45:05,990 --> 00:45:02,560
maybe at like

1081
00:45:07,829 --> 00:45:06,000
1 or 2 p.m i'm not a morning person so

1082
00:45:10,470 --> 00:45:07,839
that would probably be

1083
00:45:12,790 --> 00:45:10,480
the uh the only time that i would have

1084
00:45:13,030 --> 00:45:12,800
available to do a daytime stream would

1085
00:45:15,910 --> 00:45:13,040
be

1086
00:45:16,790 --> 00:45:15,920
one or two p.m i would like to at least

1087
00:45:19,030 --> 00:45:16,800
try

1088
00:45:20,230 --> 00:45:19,040

to get through this some of this

1089

00:45:22,870 --> 00:45:20,240

tremendous backlog

1090

00:45:23,589 --> 00:45:22,880

i was going through i have a folder you

1091

00:45:25,589 --> 00:45:23,599

know

1092

00:45:27,349 --> 00:45:25,599

called truth seekers on this main

1093

00:45:32,309 --> 00:45:27,359

computer here

1094

00:45:36,790 --> 00:45:32,319

and uh i suppose

1095

00:45:39,829 --> 00:45:36,800

i uh i suppose that

1096

00:45:40,630 --> 00:45:39,839

i start to realize just how many shows

1097

00:45:43,670 --> 00:45:40,640

that i have

1098

00:45:46,150 --> 00:45:43,680

sort of prepped and loaded to go

1099

00:45:47,510 --> 00:45:46,160

and uh i'm anxious to get through some

1100

00:45:49,349 --> 00:45:47,520

of them because there's just some

1101

00:45:52,150 --> 00:45:49,359

incredible stories

1102

00:45:53,430 --> 00:45:52,160

that i have planned to share with you

1103

00:45:56,950 --> 00:45:53,440

and

1104

00:45:59,190 --> 00:45:56,960

it appears to me that uh

1105

00:45:59,990 --> 00:45:59,200

i would like it when somebody finds the

1106

00:46:03,430 --> 00:46:00,000

youtube channel

1107

00:46:06,390 --> 00:46:03,440

that there is much more material

1108

00:46:07,990 --> 00:46:06,400

many more shows there to show sort of

1109

00:46:11,030 --> 00:46:08,000

the breadth and scope

1110

00:46:11,990 --> 00:46:11,040

of the things that we cover here but the

1111

00:46:16,230 --> 00:46:12,000

midnight hour

1112

00:46:17,990 --> 00:46:16,240

largely focused only on ufos really

1113

00:46:20,069 --> 00:46:18,000

i mean we did a few other shows but

1114

00:46:22,230 --> 00:46:20,079

mostly it focused on ufos

1115

00:46:23,750 --> 00:46:22,240

this show i think we're kind of casting

1116

00:46:26,950 --> 00:46:23,760

a little bit of a wider net

1117

00:46:28,870 --> 00:46:26,960

and we're covering a lot of different

1118

00:46:31,030 --> 00:46:28,880

strange and mysterious subjects

1119

00:46:32,390 --> 00:46:31,040

i just i guess i got burned out of the

1120

00:46:34,390 --> 00:46:32,400

ufo thing and

1121

00:46:35,990 --> 00:46:34,400

wanted to cover a lot of other strange

1122

00:46:38,710 --> 00:46:36,000

mysterious subjects

1123

00:46:40,309 --> 00:46:38,720

so let me know in the live chat if you

1124

00:46:42,630 --> 00:46:40,319

would actually be interested in the

1125

00:46:45,190 --> 00:46:42,640

daytime show some people

1126

00:46:46,470 --> 00:46:45,200

maybe they work late uh or you know they

1127

00:46:48,710 --> 00:46:46,480

have to go to bed early and it's

1128

00:46:51,750 --> 00:46:48,720

difficult i've heard a few people say

1129

00:46:53,829 --> 00:46:51,760

i'm too old to stay up to

1130

00:46:55,270 --> 00:46:53,839

to catch your shows live so i catch them

1131

00:46:57,030 --> 00:46:55,280

on the repeat maybe

1132

00:46:59,430 --> 00:46:57,040

more people would be available during

1133

00:47:05,270 --> 00:46:59,440

the day

1134

00:47:10,790 --> 00:47:07,829

keith has buyer says sure yeah so maybe

1135

00:47:13,510 --> 00:47:10,800

we'll try to do that

1136

00:47:15,670 --> 00:47:13,520

maybe we will try the uh maybe we will

1137

00:47:18,150 --> 00:47:15,680

try the

1138

00:47:19,990 --> 00:47:18,160

the daytime a daytime show and just see

1139

00:47:21,829 --> 00:47:20,000

how it goes if we get the same

1140

00:47:23,750 --> 00:47:21,839

sort of participation level i don't see

1141

00:47:24,549 --> 00:47:23,760

any reason why i couldn't do it a day

1142

00:47:27,829 --> 00:47:24,559

show

1143

00:47:29,829 --> 00:47:27,839

once in a while out of mind says i would

1144

00:47:31,750 --> 00:47:29,839

be available most days

1145

00:47:33,349 --> 00:47:31,760

good good yeah and we're definitely

1146

00:47:36,309 --> 00:47:33,359

going to give it a shot because i've got

1147

00:47:38,549 --> 00:47:36,319

a bunch of shows locked and loaded

1148

00:47:39,510 --> 00:47:38,559

oh bunya says it's 1 p.m here in

1149

00:47:41,910 --> 00:47:39,520

australia

1150

00:47:44,390 --> 00:47:41,920

yeah so i guess they are daytime shows

1151
00:47:45,270 --> 00:47:44,400
for some people we're worldwide i always

1152
00:47:49,750 --> 00:47:45,280
forget that

1153
00:47:52,710 --> 00:47:49,760
time zone difference i have a friend

1154
00:47:53,829 --> 00:47:52,720
who lives in china uh he's an american

1155
00:47:56,390 --> 00:47:53,839
living in china

1156
00:47:58,150 --> 00:47:56,400
and uh i can't remember what the time

1157
00:47:58,630 --> 00:47:58,160
zone it's crazy difference though like

1158
00:48:00,230 --> 00:47:58,640
that

1159
00:48:02,230 --> 00:48:00,240
it's like you know it's the middle of

1160
00:48:05,750 --> 00:48:02,240
the day when i'm streaming

1161
00:48:07,190 --> 00:48:05,760
and and he catches it in the morning i

1162
00:48:14,309 --> 00:48:07,200
think like 10 a.m

1163
00:48:18,790 --> 00:48:15,910

spooky says i should be a guest and talk

1164

00:48:22,150 --> 00:48:18,800

about being spooky

1165

00:48:30,390 --> 00:48:26,549

uh yeah

1166

00:48:32,390 --> 00:48:30,400

yeah so uh i think we'll be moving to

1167

00:48:35,589 --> 00:48:32,400

uh i think we'll be moving to doing some

1168

00:48:39,030 --> 00:48:35,599

daytime streams just so i can try to

1169

00:48:41,109 --> 00:48:39,040

try to take advantage of the i i really

1170

00:48:42,870 --> 00:48:41,119

am kind of proud of the job that i did

1171

00:48:43,670 --> 00:48:42,880

prepping some of the shows because i

1172

00:48:45,510 --> 00:48:43,680

have

1173

00:48:47,510 --> 00:48:45,520

you know basically like a folder and

1174

00:48:50,309 --> 00:48:47,520

each folder has things to share

1175

00:48:51,589 --> 00:48:50,319

things to talk about for each subject

1176

00:48:54,710 --> 00:48:51,599

and

1177

00:48:56,150 --> 00:48:54,720

you know those are the

1178

00:48:58,549 --> 00:48:56,160

they're locked and loaded and they're

1179

00:49:02,309 --> 00:48:58,559

ready to go and i don't see

1180

00:49:05,510 --> 00:49:02,319

a reason to not start pumping them out

1181

00:49:08,710 --> 00:49:05,520

at a faster rate i think that may help

1182

00:49:09,510 --> 00:49:08,720

grow the channel as well i've noticed

1183

00:49:11,990 --> 00:49:09,520

that

1184

00:49:13,030 --> 00:49:12,000

if i take like this last week i took a

1185

00:49:15,750 --> 00:49:13,040

few days off

1186

00:49:16,150 --> 00:49:15,760

for the weekend you know i had a i had a

1187

00:49:18,069 --> 00:49:16,160

full

1188

00:49:20,470 --> 00:49:18,079

cabin we had like five guests or

1189

00:49:24,069 --> 00:49:20,480

something at the cabin over last weekend

1190

00:49:25,430 --> 00:49:24,079

really no way for me to do a do a show

1191

00:49:27,109 --> 00:49:25,440

you know there's only two rooms in the

1192

00:49:27,670 --> 00:49:27,119

cabin and there was people everywhere

1193

00:49:29,990 --> 00:49:27,680

and uh

1194

00:49:31,910 --> 00:49:30,000

even outside i tried to get the wi-fi

1195

00:49:34,470 --> 00:49:31,920

wouldn't reach to the back of the cabin

1196

00:49:35,670 --> 00:49:34,480

so but i noticed that when i take days

1197

00:49:39,270 --> 00:49:35,680

off especially three

1198

00:49:39,910 --> 00:49:39,280

four days off in a row the numbers just

1199

00:49:42,470 --> 00:49:39,920

don't move

1200

00:49:43,349 --> 00:49:42,480

the subs don't go up nothing really

1201
00:49:45,829 --> 00:49:43,359
changes

1202
00:49:48,150 --> 00:49:45,839
but if i'm doing these shows every day

1203
00:49:51,270 --> 00:49:48,160
consistently it seems like you know

1204
00:49:52,870 --> 00:49:51,280
you can see maybe it's the subject

1205
00:49:53,670 --> 00:49:52,880
matter that i'm covering that night and

1206
00:49:55,670 --> 00:49:53,680
somebody goes

1207
00:49:57,670 --> 00:49:55,680
finds us because the subject matter and

1208
00:50:00,309 --> 00:49:57,680
then subscribes

1209
00:50:01,190 --> 00:50:00,319
it just appears to me that the the more

1210
00:50:03,030 --> 00:50:01,200
that we

1211
00:50:04,630 --> 00:50:03,040
pump out the shows the quicker the

1212
00:50:07,030 --> 00:50:04,640
numbers are rising

1213
00:50:08,710 --> 00:50:07,040

and i don't want to get complacent and

1214

00:50:12,390 --> 00:50:08,720

start um

1215

00:50:14,549 --> 00:50:12,400

you know taking too many days off

1216

00:50:15,910 --> 00:50:14,559

hail the mighty youtube algorithm it

1217

00:50:18,230 --> 00:50:15,920

wants consistency

1218

00:50:19,030 --> 00:50:18,240

it demands your attention and if you

1219

00:50:22,309 --> 00:50:19,040

give it to it

1220

00:50:23,349 --> 00:50:22,319

it will reward you i think so yeah we

1221

00:50:26,390 --> 00:50:23,359

may be

1222

00:50:27,750 --> 00:50:26,400

increasing our output here to try to

1223

00:50:30,150 --> 00:50:27,760

increase the numbers

1224

00:50:31,910 --> 00:50:30,160

cal truth says it's 7 50 p.m here in

1225

00:50:33,750 --> 00:50:31,920

cali so your shows are always during

1226

00:50:35,589 --> 00:50:33,760

dinner and grocery shopping and all that

1227

00:50:37,190 --> 00:50:35,599

but i make it work and thank you for

1228

00:50:39,349 --> 00:50:37,200

being here and thank you for making

1229

00:50:41,510 --> 00:50:39,359

it work actually i think if we if we

1230

00:50:43,910 --> 00:50:41,520

stream at one or two

1231

00:50:45,270 --> 00:50:43,920

uh that would be like 11 a.m or so you

1232

00:50:49,109 --> 00:50:45,280

know 10 11

1233

00:50:52,829 --> 00:50:49,119

a.m your time three hours behind right

1234

00:50:58,390 --> 00:50:52,839

you're on the west coast kelp 37 i

1235

00:50:58,400 --> 00:51:03,589

okay let's see

1236

00:51:06,710 --> 00:51:05,990

keith housemeyer says i went through

1237

00:51:09,510 --> 00:51:06,720

withdrawal

1238

00:51:11,349 --> 00:51:09,520

over the weekend yeah i'm glad thank you

1239

00:51:11,750 --> 00:51:11,359

that makes me feel good but you know the

1240

00:51:13,190 --> 00:51:11,760

other

1241

00:51:14,790 --> 00:51:13,200

i guess the flip side of the coin is

1242

00:51:17,349 --> 00:51:14,800

that i don't want to just

1243

00:51:18,150 --> 00:51:17,359

overload everyone with way too much you

1244

00:51:19,990 --> 00:51:18,160

know

1245

00:51:21,670 --> 00:51:20,000

new shows constantly and then people

1246

00:51:25,270 --> 00:51:21,680

will have a hard time keeping up

1247

00:51:27,430 --> 00:51:25,280

if they want to watch everyone you just

1248

00:51:29,190 --> 00:51:27,440

you know don't know bg says the same

1249

00:51:29,670 --> 00:51:29,200

thing i miss the shows over the weekend

1250

00:51:31,190 --> 00:51:29,680

too

1251
00:51:33,589 --> 00:51:31,200
thank you that makes me feel good that

1252
00:51:35,349 --> 00:51:33,599
you guys miss me when i'm gone you know

1253
00:51:37,190 --> 00:51:35,359
there's an old saying in show business

1254
00:51:41,589 --> 00:51:37,200
always leave them wanting more

1255
00:51:45,990 --> 00:51:43,349
good on your keith are you all right

1256
00:51:48,630 --> 00:51:46,000
bunya actually uh

1257
00:51:50,870 --> 00:51:48,640
bunya reminded me uh i think bunya

1258
00:51:52,950 --> 00:51:50,880
didn't you study theology

1259
00:51:54,790 --> 00:51:52,960
bunya asked yesterday if i would be

1260
00:51:57,990 --> 00:51:54,800
interested in covering

1261
00:52:00,470 --> 00:51:58,000
catholic mysteries christian mysteries

1262
00:52:01,829 --> 00:52:00,480
and catholic mysteries uh specifically

1263
00:52:05,030 --> 00:52:01,839

things like

1264

00:52:07,750 --> 00:52:05,040

fatima our lady of lourdes

1265

00:52:09,829 --> 00:52:07,760

and sort of the catholic sort of

1266

00:52:11,349 --> 00:52:09,839

paranormal side of things and one of my

1267

00:52:14,710 --> 00:52:11,359

favorite stories is padre

1268

00:52:15,109 --> 00:52:14,720

pio so buna today i prepped the show

1269

00:52:17,589 --> 00:52:15,119

for

1270

00:52:19,030 --> 00:52:17,599

padre pio and we almost i was almost

1271

00:52:20,630 --> 00:52:19,040

going to do it tonight but i think i

1272

00:52:24,230 --> 00:52:20,640

need a little more time

1273

00:52:26,470 --> 00:52:24,240

uh to gather you know source material

1274

00:52:28,390 --> 00:52:26,480

padre pio is an amazing story for those

1275

00:52:31,270 --> 00:52:28,400

that don't know padre pio

1276
00:52:32,390 --> 00:52:31,280
um had what's called a catholicism the

1277
00:52:35,670 --> 00:52:32,400
stigmata

1278
00:52:42,470 --> 00:52:39,109
at one point in his life he got the

1279
00:52:44,870 --> 00:52:42,480
crucifixion scars of of the christ

1280
00:52:46,150 --> 00:52:44,880
on his body and they would bleed at

1281
00:52:49,510 --> 00:52:46,160
certain times and

1282
00:52:53,270 --> 00:52:49,520
strange strange thing this stigmata is

1283
00:52:55,510 --> 00:52:53,280
but padre pio uh

1284
00:52:57,349 --> 00:52:55,520
it's just it's just an incredible story

1285
00:52:58,630 --> 00:52:57,359
padre pio could talk to demons and

1286
00:53:01,990 --> 00:52:58,640
angels

1287
00:53:04,069 --> 00:53:02,000
he could heal the sick it's

1288
00:53:05,829 --> 00:53:04,079

padre pio is an amazing story and i

1289

00:53:06,309 --> 00:53:05,839

can't wait to bring it to you so bunya

1290

00:53:08,150 --> 00:53:06,319

yeah

1291

00:53:10,470 --> 00:53:08,160

i am gonna bring you bring us some

1292

00:53:14,230 --> 00:53:10,480

catholic some catholic

1293

00:53:16,309 --> 00:53:14,240

mysteries and also uh i've always been

1294

00:53:19,750 --> 00:53:16,319

fascinated with the catholic

1295

00:53:22,230 --> 00:53:19,760

uh the whole catholic thing about saints

1296

00:53:24,390 --> 00:53:22,240

and their bodies not decomposing

1297

00:53:25,750 --> 00:53:24,400

uh incorruptibility so we're gonna do a

1298

00:53:29,109 --> 00:53:25,760

show on saints

1299

00:53:29,829 --> 00:53:29,119

whose bodies do not do not rot for some

1300

00:53:31,670 --> 00:53:29,839

reason

1301

00:53:33,750 --> 00:53:31,680

that's one of the qualifiers for

1302

00:53:36,150 --> 00:53:33,760

becoming a saint in the catholic church

1303

00:53:36,870 --> 00:53:36,160

is that your body is incorruptable which

1304

00:53:39,750 --> 00:53:36,880

means

1305

00:53:41,990 --> 00:53:39,760

after the saint dies their body does not

1306

00:53:45,510 --> 00:53:42,000

decay or rot like a normal human

1307

00:53:46,309 --> 00:53:45,520

body would some say that's because they

1308

00:53:48,950 --> 00:53:46,319

have the

1309

00:53:49,910 --> 00:53:48,960

touch of god or you know so that their

1310

00:53:53,030 --> 00:53:49,920

body

1311

00:53:55,030 --> 00:53:53,040

is still i guess

1312

00:53:57,349 --> 00:53:55,040

there for the second coming when they

1313

00:54:01,670 --> 00:53:57,359

rise again

1314

00:54:03,750 --> 00:54:01,680

it's it's a strange and mysterious thing

1315

00:54:04,950 --> 00:54:03,760

bunny says cool thanks steve i love all

1316

00:54:08,069 --> 00:54:04,960

that stuff too

1317

00:54:10,630 --> 00:54:08,079

yeah yeah and he says that my mom

1318

00:54:12,790 --> 00:54:10,640

loved padre pio yeah most catholics are

1319

00:54:14,710 --> 00:54:12,800

very are familiar with padre pio

1320

00:54:17,750 --> 00:54:14,720

people who aren't catholic maybe not so

1321

00:54:20,470 --> 00:54:17,760

much but he was very interesting man

1322

00:54:22,309 --> 00:54:20,480

and uh professor fez says he looked like

1323

00:54:23,990 --> 00:54:22,319

obi-wan kenobi yeah he did

1324

00:54:26,549 --> 00:54:24,000

he actually did look like he looks like

1325

00:54:28,390 --> 00:54:26,559

an old wizard right

1326

00:54:30,230 --> 00:54:28,400

and uh that's one of the interesting

1327

00:54:32,230 --> 00:54:30,240

stories that we have coming up and we

1328

00:54:35,589 --> 00:54:32,240

have many more to come

1329

00:54:38,150 --> 00:54:35,599

i think so uh

1330

00:54:40,470 --> 00:54:38,160

jason albert says baltic sea anomalies

1331

00:54:41,990 --> 00:54:40,480

that's on my list jason albert i will do

1332

00:54:44,309 --> 00:54:42,000

that one just for you soon

1333

00:54:46,150 --> 00:54:44,319

we'll we'll and listen if i've

1334

00:54:47,750 --> 00:54:46,160

already got a show locked and loaded and

1335

00:54:49,030 --> 00:54:47,760

somebody mentions that they'd like to

1336

00:54:52,470 --> 00:54:49,040

see a show about that

1337

00:54:54,549 --> 00:54:52,480

i will move the order in other words

1338

00:54:56,470 --> 00:54:54,559

jason albert just asked about baltic sea

1339

00:55:01,270 --> 00:54:56,480

anomalies i'm gonna make a note right

1340

00:55:05,910 --> 00:55:03,430

and jason albert just for you the baltic

1341

00:55:06,950 --> 00:55:05,920

sea anomaly show i was already planning

1342

00:55:10,789 --> 00:55:06,960

is getting

1343

00:55:12,710 --> 00:55:10,799

the line so

1344

00:55:14,470 --> 00:55:12,720

i want to make the viewers here happy so

1345

00:55:16,789 --> 00:55:14,480

if you want to see a certain show

1346

00:55:19,270 --> 00:55:16,799

to write it in in the live chat or a

1347

00:55:21,589 --> 00:55:19,280

certain topic covered

1348

00:55:23,670 --> 00:55:21,599

please write it in in the live chat and

1349

00:55:24,470 --> 00:55:23,680

if if i don't have it i'll put it on my

1350

00:55:26,630 --> 00:55:24,480

list and if i

1351

00:55:28,230 --> 00:55:26,640

already have it on my list i'll bump up

1352

00:55:31,270 --> 00:55:28,240

that show that you want to see

1353

00:55:34,390 --> 00:55:31,280

to the front of the lines

1354

00:55:36,150 --> 00:55:34,400

these shows will be super cool yeah i

1355

00:55:39,030 --> 00:55:36,160

think that we've got a lot of cool stuff

1356

00:55:40,069 --> 00:55:39,040

planned and things continue to improve

1357

00:55:43,430 --> 00:55:40,079

here

1358

00:55:46,870 --> 00:55:43,440

uh i'm thankful to see uh

1359

00:55:49,030 --> 00:55:46,880

you know to see growth to see

1360

00:55:50,870 --> 00:55:49,040

i've been using the analogy that every

1361

00:55:53,990 --> 00:55:50,880

day i come here and i water

1362

00:55:56,630 --> 00:55:54,000

my garden and that garden is going to

1363

00:56:00,789 --> 00:55:56,640

grow and it's continuing to grow so

1364

00:56:06,710 --> 00:56:04,870

i'm often just blown away by the support

1365

00:56:08,789 --> 00:56:06,720

that we're getting and gaining and

1366

00:56:09,990 --> 00:56:08,799

it feels like we're uh really gaining

1367

00:56:11,829 --> 00:56:10,000

steam here

1368

00:56:13,829 --> 00:56:11,839

which is good because you know you can

1369

00:56:15,990 --> 00:56:13,839

get very discouraged when those numbers

1370

00:56:18,870 --> 00:56:16,000

don't move

1371

00:56:20,069 --> 00:56:18,880

you know i mean uh i don't really i

1372

00:56:22,309 --> 00:56:20,079

think i would do this

1373

00:56:23,990 --> 00:56:22,319

even if only one person was watching you

1374

00:56:27,430 --> 00:56:24,000

know but

1375

00:56:30,789 --> 00:56:27,440

uh i think that uh

1376

00:56:33,829 --> 00:56:30,799

you know it is nice to get gain a larger

1377

00:56:35,430 --> 00:56:33,839

audience bunya says they say padre pio

1378

00:56:37,750 --> 00:56:35,440

and maliki martin were privy to the

1379

00:56:39,829 --> 00:56:37,760

third secret of fatima i have heard that

1380

00:56:43,349 --> 00:56:39,839

i heard that mother uh

1381

00:56:45,349 --> 00:56:43,359

that that nun involved with uh

1382

00:56:47,430 --> 00:56:45,359

involved with that had a special

1383

00:56:49,349 --> 00:56:47,440

relationship with padre pio they were

1384

00:56:51,270 --> 00:56:49,359

very close friends so she may have

1385

00:56:52,309 --> 00:56:51,280

shared the third secret of fatima and

1386

00:56:54,630 --> 00:56:52,319

there's a whole

1387

00:56:56,710 --> 00:56:54,640

bunion i can do a whole show just on the

1388

00:56:58,470 --> 00:56:56,720

conspiracy surrounding the third secret

1389

00:57:01,270 --> 00:56:58,480

of fatima

1390

00:57:03,190 --> 00:57:01,280

that's a whole show for those that don't

1391

00:57:04,870 --> 00:57:03,200

know there was

1392

00:57:06,309 --> 00:57:04,880

sort of three messages that were

1393

00:57:07,910 --> 00:57:06,319

delivered uh

1394

00:57:09,430 --> 00:57:07,920

through this little girl who later

1395

00:57:11,670 --> 00:57:09,440

became a nun when that

1396

00:57:14,710 --> 00:57:11,680

she you know the blessed mary appeared

1397

00:57:17,990 --> 00:57:14,720

to them at fatima her and her sisters

1398

00:57:20,950 --> 00:57:18,000

uh her other two sisters passed away

1399

00:57:23,109 --> 00:57:20,960

but she survived to be a very old woman

1400

00:57:25,270 --> 00:57:23,119

and the third secret of fatima was

1401
00:57:27,109 --> 00:57:25,280
supposed to be opened at a certain time

1402
00:57:29,270 --> 00:57:27,119
according to the blessed mother

1403
00:57:30,230 --> 00:57:29,280
the pope for one reason or another chose

1404
00:57:32,789 --> 00:57:30,240
at the time

1405
00:57:35,270 --> 00:57:32,799
chose not to share it with the public

1406
00:57:37,430 --> 00:57:35,280
later when the third secret was revealed

1407
00:57:39,430 --> 00:57:37,440
it didn't make any sense and there was

1408
00:57:40,069 --> 00:57:39,440
and there's been all kinds of conspiracy

1409
00:57:43,990 --> 00:57:40,079
theories

1410
00:57:45,670 --> 00:57:44,000
about um about what the third secret

1411
00:57:46,950 --> 00:57:45,680
really was and people claimed that the

1412
00:57:48,630 --> 00:57:46,960
catholics lied

1413
00:57:50,630 --> 00:57:48,640

the pope lied about what the third

1414

00:57:53,109 --> 00:57:50,640

secret was it couldn't have been what

1415

00:57:57,190 --> 00:57:53,119

these uh what they said it was when it

1416

00:58:03,190 --> 00:57:59,670

martin claimed to be but swore he would

1417

00:58:08,150 --> 00:58:06,309

horrible hairy toes i don't believe that

1418

00:58:10,150 --> 00:58:08,160

we have seen you here before

1419

00:58:12,470 --> 00:58:10,160

and if you are new then welcome to our

1420

00:58:15,829 --> 00:58:12,480

little spot on the internet here

1421

00:58:19,190 --> 00:58:15,839

i'm glad to see uh some new faces

1422

00:58:22,230 --> 00:58:19,200

and new people here in the live chat

1423

00:58:23,990 --> 00:58:22,240

welcome horrible hairy toes with an

1424

00:58:25,750 --> 00:58:24,000

excellent comment yeah i believe that

1425

00:58:27,589 --> 00:58:25,760

malicky martin did claim

1426

00:58:28,870 --> 00:58:27,599

that he knew it but he swore he would

1427

00:58:31,270 --> 00:58:28,880

never reveal it

1428

00:58:32,789 --> 00:58:31,280

which is strange because the catholic

1429

00:58:34,470 --> 00:58:32,799

church revealed it but

1430

00:58:35,990 --> 00:58:34,480

that's more indication that what the

1431

00:58:39,190 --> 00:58:36,000

catholic church revealed was

1432

00:58:42,950 --> 00:58:39,200

not was not the

1433

00:58:46,390 --> 00:58:42,960

uh was not the actual secret

1434

00:58:48,630 --> 00:58:46,400

and it's also says martin saw the letter

1435

00:58:49,589 --> 00:58:48,640

yeah tell truth have you ever heard of a

1436

00:58:52,069 --> 00:58:49,599

show called

1437

00:58:53,349 --> 00:58:52,079

channeling eric no but i'll check it out

1438

00:58:56,710 --> 00:58:53,359

because

1439

00:58:58,549 --> 00:58:56,720

uh sounds like a cool topic

1440

00:58:59,910 --> 00:58:58,559

yes an outline says please click the

1441

00:59:02,950 --> 00:58:59,920

thumbs sub

1442

00:59:04,309 --> 00:59:02,960

and share absolutely there's a few ways

1443

00:59:06,630 --> 00:59:04,319

you can support

1444

00:59:10,230 --> 00:59:08,160

way is by

and really all we ask is a dollar a

1452

00:59:27,670 --> 00:59:25,599

month but it's a dollar a month or more

1453

00:59:28,789 --> 00:59:27,680

and but i realized you know times are

1454

00:59:30,630 --> 00:59:28,799

tough

1455

00:59:32,549 --> 00:59:30,640

i don't blame anybody for not having a

1487

01:00:35,910 --> 01:00:34,160

jean-claude i i had to mention to you

1488

01:00:36,549 --> 01:00:35,920

that that legal letter that we talked

1489

01:00:39,109 --> 01:00:36,559

about

1490

01:00:41,190 --> 01:00:39,119

is now two for two i have now sent that

1491

01:00:43,270 --> 01:00:41,200

off to another copyright claimant i

1492

01:00:46,470 --> 01:00:43,280

believe it was national geographic

1493

01:00:48,549 --> 01:00:46,480

claimed copyright on a very short clip a

1494

01:00:49,990 --> 01:00:48,559

minute and 30 second clip that we shared

1495

01:00:51,910 --> 01:00:50,000

citing fair use

1496

01:00:53,589 --> 01:00:51,920

i copied that legal letter to youtube

1497

01:00:54,230 --> 01:00:53,599

and they dropped their copyright claim

1498

01:00:57,030 --> 01:00:54,240

right away

1499

01:00:58,870 --> 01:00:57,040

so that is a very valuable thing to have

1500

01:01:03,510 --> 01:00:58,880

in case you ever

1501

01:01:04,950 --> 01:01:03,520

it was revealed

1502

01:01:07,270 --> 01:01:04,960

keith i think you're referring to the

1503

01:01:08,549 --> 01:01:07,280

third secret of fatima and yes it was

1504

01:01:10,549 --> 01:01:08,559

but we don't know

1505

01:01:12,390 --> 01:01:10,559

there's all kinds of conspiracies that

1506

01:01:16,630 --> 01:01:12,400

that wasn't really the secret

1507

01:01:16,640 --> 01:01:21,829

yeah we really don't know

1508

01:01:25,750 --> 01:01:23,910

it is said sister lucia may be an

1509

01:01:28,069 --> 01:01:25,760

imposter yeah there's something there's

1510

01:01:29,829 --> 01:01:28,079

like i said i can do an entire show just

1511

01:01:32,390 --> 01:01:29,839

around the conspiracies

1512

01:01:32,950 --> 01:01:32,400

around the third secret of fatima let

1513

01:01:36,150 --> 01:01:32,960

alone

1514

01:01:38,390 --> 01:01:36,160

the whole fatima event which is

1515

01:01:40,470 --> 01:01:38,400

crazy in and of itself and i grew up

1516

01:01:45,589 --> 01:01:40,480

catholic so we got to hear these stories

1517

01:01:49,829 --> 01:01:47,510

all of these kind of catholic stories of

1518

01:01:53,030 --> 01:01:49,839

catholic mysterious or paranormal

1519

01:01:57,029 --> 01:01:53,040

events like fatima or lady of woodward's

1520

01:02:00,470 --> 01:01:57,039

you know uh miracles um

1521

01:02:02,630 --> 01:02:00,480

saints these sort of strange

1522

01:02:03,829 --> 01:02:02,640

supernatural events that were involved

1523

01:02:06,630 --> 01:02:03,839

with catholicism

1524

01:02:07,510 --> 01:02:06,640

and isn't it strange how the catholic

1525

01:02:10,870 --> 01:02:07,520

church really

1526

01:02:12,309 --> 01:02:10,880

really uh goes after anything paranormal

1527

01:02:14,069 --> 01:02:12,319

yet they have their own set of

1528

01:02:15,750 --> 01:02:14,079

paranormal events that you're allowed to

1529

01:02:17,750 --> 01:02:15,760

believe in because they say it's okay

1530

01:02:18,230 --> 01:02:17,760

it's from god and not from satan the

1531

01:02:24,230 --> 01:02:18,240

devil

1532

01:02:27,589 --> 01:02:26,069

uh kel truth is saying good night she's

1533

01:02:28,470 --> 01:02:27,599

gonna spend some quality time with her

1534

01:02:37,349 --> 01:02:28,480

son

1535

01:02:43,510 --> 01:02:41,029

professor fez it wasn't the pope refused

1536

01:02:45,910 --> 01:02:43,520

to reveal it thinking it was a hoax

1537

01:02:47,430 --> 01:02:45,920

yeah majorly the conspiracy around the

1538

01:02:49,349 --> 01:02:47,440

third secret of fatima is that the

1539

01:02:50,710 --> 01:02:49,359

catholic church didn't reveal it at the

1540

01:02:53,589 --> 01:02:50,720

time that the blessed mary

1541

01:02:55,510 --> 01:02:53,599

instructed them to which if you ask me

1542

01:02:56,870 --> 01:02:55,520

is probably not a good idea to go

1543

01:02:59,589 --> 01:02:56,880

against the will of the

1544

01:03:01,349 --> 01:02:59,599

of the blessed mary but you know i don't

1545

01:03:03,589 --> 01:03:01,359

know

1546

01:03:04,549 --> 01:03:03,599

the general conspiracy is that they did

1547

01:03:06,230 --> 01:03:04,559

and it's not a con

1548

01:03:08,150 --> 01:03:06,240

this part's not a conspiracy they did

1549

01:03:10,069 --> 01:03:08,160

not reveal the third secret of fatima

1550

01:03:11,349 --> 01:03:10,079

when the mother blessed mary instructed

1551

01:03:14,470 --> 01:03:11,359

them to do so

1552

01:03:16,309 --> 01:03:14,480

at a certain date they held it back

1553

01:03:18,309 --> 01:03:16,319

and then many years later they did

1554

01:03:21,109 --> 01:03:18,319

release it and everybody

1555

01:03:23,109 --> 01:03:21,119

once the third secret was revealed when

1556

01:03:25,109 --> 01:03:23,119

why didn't you release this this is

1557

01:03:27,829 --> 01:03:25,119

just not controversial this is kind of

1558

01:03:30,069 --> 01:03:27,839

weird so the conspiracy theory started

1559

01:03:32,069 --> 01:03:30,079

that they replaced the third secret with

1560

01:03:33,990 --> 01:03:32,079

a fake third secret and the real third

1561

01:03:37,430 --> 01:03:34,000

secret was about this or that

1562

01:03:44,630 --> 01:03:37,440

and it's really uh it's really a strange

1563

01:03:49,910 --> 01:03:44,640

story in and of itself

1564

01:03:54,870 --> 01:03:51,750

people are talking about he who shall

1565

01:03:57,430 --> 01:03:54,880

not be named in the live chat

1566

01:04:00,950 --> 01:03:57,440

i don't even like to use that person's

1567

01:04:03,349 --> 01:04:00,960

name guys because it's like

1568

01:04:05,750 --> 01:04:03,359

i don't know maybe like bloody mary you

1569

01:04:09,270 --> 01:04:05,760

know if you say his name he'll show up

1570

01:04:09,280 --> 01:04:13,910

yeah so uh

1571

01:04:17,750 --> 01:04:17,109

oh here we go janet krazenko maliki

1572

01:04:21,430 --> 01:04:17,760

martin's

1573

01:04:24,789 --> 01:04:21,440

radio shows are on youtube maliki

1574

01:04:27,270 --> 01:04:24,799

martin archives yeah i'm

1575

01:04:28,870 --> 01:04:27,280

you know that there's that book of his

1576

01:04:31,349 --> 01:04:28,880

it's really really interesting i'm going

1577

01:04:34,470 --> 01:04:31,359

to do a review of that on the show

1578

01:04:37,750 --> 01:04:34,480

maliki uh really

1579

01:04:39,670 --> 01:04:37,760

is an amazing character as well

1580

01:04:41,029 --> 01:04:39,680

and bunny says maliki did some good

1581

01:04:43,109 --> 01:04:41,039

shows

1582

01:04:45,349 --> 01:04:43,119

on coast to coast yeah i listened to

1583

01:04:47,510 --> 01:04:45,359

those

1584

01:04:49,430 --> 01:04:47,520

out of mind again i don't want to put

1585

01:04:52,710 --> 01:04:49,440

your comment up on the screen but yeah

1586

01:04:55,190 --> 01:04:52,720

yeah yeah you know

1587

01:04:57,910 --> 01:04:55,200

why not going after everybody else you

1588

01:05:02,230 --> 01:04:57,920

know why should i be any different

1589

01:05:03,829 --> 01:05:02,240

um got enough drama in my life right now

1590

01:05:06,230 --> 01:05:03,839

but i guess the good news is we're

1591

01:05:08,390 --> 01:05:06,240

talking about all this twitter drama and

1592

01:05:10,390 --> 01:05:08,400

people fighting over nonsense yesterday

1593

01:05:10,710 --> 01:05:10,400

it seems like that's kind of calmed down

1594

01:05:12,230 --> 01:05:10,720

and

1595

01:05:14,710 --> 01:05:12,240

i've made my piece with it people are

1596

01:05:16,150 --> 01:05:14,720

going to talk uh people are gonna

1597

01:05:18,390 --> 01:05:16,160

you know you gotta remember that we're

1598

01:05:20,870 --> 01:05:18,400

in conspiracy land so like

1599

01:05:22,069 --> 01:05:20,880

okay here's the deal so like apparently

1600

01:05:24,390 --> 01:05:22,079

a bunch of people were

1601
01:05:26,789 --> 01:05:24,400
thumbs down in my videos before the

1602
01:05:29,190 --> 01:05:26,799
stream even started so then other people

1603
01:05:31,029 --> 01:05:29,200
said there's like a conspiracy against

1604
01:05:33,190 --> 01:05:31,039
steve's show and these people are

1605
01:05:35,029 --> 01:05:33,200
conspiring against him and

1606
01:05:36,549 --> 01:05:35,039
they're winding up people and they were

1607
01:05:39,349 --> 01:05:36,559
blaming some other

1608
01:05:40,309 --> 01:05:39,359
show host or some other content producer

1609
01:05:43,349 --> 01:05:40,319
and like there's

1610
01:05:45,910 --> 01:05:43,359
all this drama but luckily i think that

1611
01:05:47,990 --> 01:05:45,920
that's behind us now and we can focus on

1612
01:05:49,029 --> 01:05:48,000
better things because it's all nonsense

1613
01:05:50,950 --> 01:05:49,039

and

1614

01:05:52,230 --> 01:05:50,960

there's no value in that there's really

1615

01:05:55,190 --> 01:05:52,240

no value in

1616

01:05:56,309 --> 01:05:55,200

you know you know arguing with people or

1617

01:05:58,630 --> 01:05:56,319

fighting with people

1618

01:05:59,910 --> 01:05:58,640

my attitude is like this if you don't

1619

01:06:01,910 --> 01:05:59,920

like the show

1620

01:06:02,950 --> 01:06:01,920

click off but you know but i do think

1621

01:06:04,870 --> 01:06:02,960

it's funny i

1622

01:06:06,150 --> 01:06:04,880

love i think it's funny when the show

1623

01:06:08,549 --> 01:06:06,160

gets like seven

1624

01:06:10,950 --> 01:06:08,559

or three or four i don't know how many i

1625

01:06:13,750 --> 01:06:10,960

think that the highest was seven

1626
01:06:15,589 --> 01:06:13,760
we had like seven thumbs down while the

1627
01:06:17,910 --> 01:06:15,599
stream was waiting to start

1628
01:06:19,990 --> 01:06:17,920
you know and and that i think is

1629
01:06:22,549 --> 01:06:20,000
hysterical like you didn't even wait to

1630
01:06:27,750 --> 01:06:22,559
see the show before you decided i suck

1631
01:06:32,549 --> 01:06:30,549
jason albert all your content is awesome

1632
01:06:35,029 --> 01:06:32,559
i love it steve especially the cabin

1633
01:06:37,349 --> 01:06:35,039
yeah jason albert i was going to

1634
01:06:40,549 --> 01:06:37,359
i almost had to flip a coin because i'd

1635
01:06:42,470 --> 01:06:40,559
really really like to start a channel

1636
01:06:43,589 --> 01:06:42,480
sort of documenting me building that

1637
01:06:46,789 --> 01:06:43,599
cabin but i

1638
01:06:48,470 --> 01:06:46,799

you know uh didn't start at the

1639

01:06:50,150 --> 01:06:48,480

beginning so i think that's kind of a

1640

01:06:51,910 --> 01:06:50,160

problem and and i was going to do like

1641

01:06:53,910 --> 01:06:51,920

an off-grid channel like how do you

1642

01:06:55,510 --> 01:06:53,920

you know connect the sink when you don't

1643

01:06:57,750 --> 01:06:55,520

have any water

1644

01:06:58,630 --> 01:06:57,760

lines coming in you know how do you deal

1645

01:07:01,589 --> 01:06:58,640

with uh

1646

01:07:02,470 --> 01:07:01,599

power generation and rain water

1647

01:07:04,470 --> 01:07:02,480

collection and

1648

01:07:05,589 --> 01:07:04,480

because i'm fascinated with all that

1649

01:07:08,630 --> 01:07:05,599

stuff but

1650

01:07:10,309 --> 01:07:08,640

uh in the end this show one over i only

1651
01:07:14,630 --> 01:07:10,319
have time to do one youtube channel i

1652
01:07:19,910 --> 01:07:14,640
don't have time for multiples so

1653
01:07:24,789 --> 01:07:22,470
jeanette kuzenko why would anyone thumbs

1654
01:07:27,670 --> 01:07:24,799
down this show well

1655
01:07:29,589 --> 01:07:27,680
it would appear oh i went all blurry

1656
01:07:32,950 --> 01:07:29,599
like bigfoot for a second there

1657
01:07:34,150 --> 01:07:32,960
uh it would appear that some people

1658
01:07:37,430 --> 01:07:34,160
don't like

1659
01:07:39,190 --> 01:07:37,440
when you when you show

1660
01:07:42,230 --> 01:07:39,200
factual evidence that some of their

1661
01:07:45,910 --> 01:07:42,240
heroes are selling fake stories and

1662
01:07:48,150 --> 01:07:45,920
interestingly these people they never

1663
01:07:49,829 --> 01:07:48,160

all this drama and people attacking my

1664

01:07:53,109 --> 01:07:49,839

show or attacking me personally

1665

01:07:55,510 --> 01:07:53,119

they never proved me wrong on the facts

1666

01:07:56,710 --> 01:07:55,520

i presented they just went after me like

1667

01:07:59,109 --> 01:07:56,720

you're an [h__h] you

1668

01:08:00,309 --> 01:07:59,119

suck your show sucks look your numbers

1669

01:08:02,630 --> 01:08:00,319

are terrible

1670

01:08:03,510 --> 01:08:02,640

nobody watches you all this [h__h] but

1671

01:08:05,750 --> 01:08:03,520

they never go

1672

01:08:07,270 --> 01:08:05,760

to the facts that i present just once

1673

01:08:09,029 --> 01:08:07,280

i'd like them to go

1674

01:08:10,870 --> 01:08:09,039

you said this about this person and

1675

01:08:11,349 --> 01:08:10,880

that's factually not correct and here's

1676

01:08:13,510 --> 01:08:11,359

why

1677

01:08:15,589 --> 01:08:13,520

nobody ever does that because i have

1678

01:08:16,229 --> 01:08:15,599

facts in hand before putting my mouth in

1679

01:08:18,309 --> 01:08:16,239

gear

1680

01:08:20,550 --> 01:08:18,319

usually i try to make it a policy to do

1681

01:08:22,550 --> 01:08:20,560

that they don't attack the facts we

1682

01:08:23,669 --> 01:08:22,560

present they don't attack the evidence i

1683

01:08:26,149 --> 01:08:23,679

present they attack

1684

01:08:27,910 --> 01:08:26,159

me and that's because they can't

1685

01:08:29,030 --> 01:08:27,920

generally attack the facts i present

1686

01:08:30,709 --> 01:08:29,040

because they're facts and they're

1687

01:08:32,309 --> 01:08:30,719

correct

1688

01:08:34,070 --> 01:08:32,319

and spooky wait the truth or community

1689

01:08:39,110 --> 01:08:34,080

is full of paranoid people

1690

01:08:41,910 --> 01:08:39,120

yeah imagine that imagine that

1691

01:08:42,390 --> 01:08:41,920

yeah i think some of them take angry

1692

01:08:45,510 --> 01:08:42,400

pills

1693

01:08:46,789 --> 01:08:45,520

yeah people are very upset when you you

1694

01:08:50,070 --> 01:08:46,799

know look i get it

1695

01:08:52,550 --> 01:08:50,080

if you love a certain uh let's just say

1696

01:08:54,229 --> 01:08:52,560

figure in this ufology movement or

1697

01:08:56,470 --> 01:08:54,239

disclosure movement

1698

01:08:57,990 --> 01:08:56,480

and then some guy comes along and shows

1699

01:09:01,110 --> 01:08:58,000

you that they're selling fake

1700

01:09:03,189 --> 01:09:01,120

[h__\h] and you love that person

1701

01:09:04,550 --> 01:09:03,199

you're gonna be pissed at the guy that's

1702

01:09:05,349 --> 01:09:04,560

showing everybody that they're selling

1703

01:09:07,430 --> 01:09:05,359

fake [h__\h]

1704

01:09:09,349 --> 01:09:07,440

you know so but i'm kind of okay with it

1705

01:09:10,630 --> 01:09:09,359

it's just i decided it comes with the

1706

01:09:13,510 --> 01:09:10,640

territory

1707

01:09:15,590 --> 01:09:13,520

um and i'm gonna just keep rolling along

1708

01:09:17,110 --> 01:09:15,600

doing what we do here

1709

01:09:18,950 --> 01:09:17,120

some people may have given you a thumbs

1710

01:09:21,269 --> 01:09:18,960

down because adam line and jeanette are

1711

01:09:22,550 --> 01:09:21,279

so sassy yeah i'm gonna blame that

1712

01:09:23,510 --> 01:09:22,560

that's what i'm gonna do from that one

1713

01:09:26,630 --> 01:09:23,520

you know what

1714

01:09:27,990 --> 01:09:26,640

uh out of mine internet it's your fault

1715

01:09:29,749 --> 01:09:28,000

it's your fault that people are thumbs

1716

01:09:31,590 --> 01:09:29,759

down in this [h__h] and you better do

1717

01:09:34,229 --> 01:09:31,600

something to help improve the situation

1718

01:09:35,829 --> 01:09:34,239

it's that's what you got to do friends

1719

01:09:37,110 --> 01:09:35,839

if you can't explain it just blame

1720

01:09:42,870 --> 01:09:37,120

somebody else for it

1721

01:09:42,880 --> 01:09:49,990

okay let me see

1722

01:09:53,269 --> 01:09:51,910

any more comments here i'm trying to

1723

01:09:56,390 --> 01:09:53,279

catch up here going through

1724

01:10:00,470 --> 01:09:56,400

your comments if you have any questions

1725

01:10:07,030 --> 01:10:05,189

oh my kill the messenger

1726

01:10:08,390 --> 01:10:07,040

can't kill the message kill the

1727

01:10:10,149 --> 01:10:08,400

messenger and that

1728

01:10:13,590 --> 01:10:10,159

is really exactly what i think is

1729

01:10:15,430 --> 01:10:13,600

happening and i listen i

1730

01:10:17,430 --> 01:10:15,440

talked to somebody about this today and

1731

01:10:18,790 --> 01:10:17,440

uh you know who was kind of like going

1732

01:10:20,790 --> 01:10:18,800

hey i'm not

1733

01:10:22,630 --> 01:10:20,800

a part of any of this conspiracy against

1734

01:10:23,669 --> 01:10:22,640

and i go yeah i know people are just

1735

01:10:27,669 --> 01:10:23,679

[h__\h] crazy

1736

01:10:29,510 --> 01:10:27,679

seeing [h__\h] that's not there connecting

1737

01:10:32,870 --> 01:10:29,520

dots that shouldn't be connected

1738

01:10:36,470 --> 01:10:32,880

it's crazy and so you know

1739

01:10:39,030 --> 01:10:36,480

uh but it is what it is like

1740

01:10:41,189 --> 01:10:39,040

i i don't know i told that person and i

1741

01:10:42,950 --> 01:10:41,199

tell everybody i'm not gonna

1742

01:10:44,870 --> 01:10:42,960

gonna try to not become involved in that

1743

01:10:45,750 --> 01:10:44,880

stuff and just focus on doing good shows

1744

01:10:47,750 --> 01:10:45,760

you're never

1745

01:10:50,310 --> 01:10:47,760

people are never going to be absolutely

1746

01:10:52,790 --> 01:10:50,320

happy all the time with anything you do

1747

01:10:53,430 --> 01:10:52,800

and i know you know i've done so many

1748

01:10:56,070 --> 01:10:53,440

creative

1749

01:10:57,750 --> 01:10:56,080

and you know listen i'm proud of almost

1750

01:10:57,990 --> 01:10:57,760

everything that i've done creatively in

1751

01:11:00,550 --> 01:10:58,000

my

1752

01:11:02,310 --> 01:11:00,560

life i had a vision to do something

1753

01:11:04,709 --> 01:11:02,320

whether it was an album or

1754

01:11:06,550 --> 01:11:04,719

an illusion show whatever i decided i

1755

01:11:08,709 --> 01:11:06,560

was going to do creatively

1756

01:11:10,709 --> 01:11:08,719

and look it takes passion and power and

1757

01:11:14,149 --> 01:11:10,719

dedication a lot of personal

1758

01:11:15,910 --> 01:11:14,159

sacrifice and power to do that thing i

1759

01:11:18,390 --> 01:11:15,920

have never regretted anything that i've

1760

01:11:20,709 --> 01:11:18,400

ever done i've done my very best to

1761

01:11:22,070 --> 01:11:20,719

bring those visions into reality to

1762

01:11:24,870 --> 01:11:22,080

manifest them

1763

01:11:26,870 --> 01:11:24,880

into the real world some people have

1764

01:11:29,750 --> 01:11:26,880

zero ability to do that and they

1765

01:11:33,030 --> 01:11:29,760

hate people that do you know it just

1766

01:11:37,270 --> 01:11:35,110

out of mine says no it's jason's fault

1767

01:11:39,430 --> 01:11:37,280

yeah i'm gonna start blaming jason for

1768

01:11:41,590 --> 01:11:39,440

[h__\h] just around my house like

1769

01:11:42,950 --> 01:11:41,600

cut the grass i was gonna cut the grass

1770

01:11:44,550 --> 01:11:42,960

but then i got kidnapped by an

1771

01:11:45,590 --> 01:11:44,560

interdimensional time traveler named

1772

01:11:47,189 --> 01:11:45,600

jason quit

1773

01:11:52,070 --> 01:11:47,199

and took me to another dimension so i

1774

01:11:56,390 --> 01:11:54,630

it's paranoid jiggy it's all noise yeah

1775

01:11:58,149 --> 01:11:56,400

and you were involved in some of this

1776

01:12:01,030 --> 01:11:58,159

back and forth [h__\h] and like

1777

01:12:02,950 --> 01:12:01,040

well you said jiggy said this and you

1778

01:12:05,030 --> 01:12:02,960

you know it's all nonsense

1779

01:12:05,990 --> 01:12:05,040

it's all noise and nonsense jiggy and i

1780

01:12:10,070 --> 01:12:06,000

just

1781

01:12:15,750 --> 01:12:13,990

yeah yeah and and she's kind of like

1782

01:12:19,030 --> 01:12:15,760

you're like a really upfront

1783

01:12:20,229 --> 01:12:19,040

you just you're not like i think part of

1784

01:12:22,390 --> 01:12:20,239

the problem is that a lot of these

1785

01:12:24,070 --> 01:12:22,400

people are like back and forth in dms

1786

01:12:25,030 --> 01:12:24,080

and pms and now they're like i think

1787

01:12:27,830 --> 01:12:25,040

some people are like

1788

01:12:28,790 --> 01:12:27,840

threatening to publish the dms and pm's

1789

01:12:31,030 --> 01:12:28,800

and all this [\h__\h]

1790

01:12:32,229 --> 01:12:31,040

and you know they're like playing

1791

01:12:34,149 --> 01:12:32,239

chicken with each other

1792

01:12:35,910 --> 01:12:34,159

i'm gonna publish the [\h__\h] that you said

1793

01:12:37,830 --> 01:12:35,920

well then i'll publish the [\h__\h] that

1794

01:12:39,430 --> 01:12:37,840

uses like it's all just ridiculous and

1795

01:12:40,630 --> 01:12:39,440

at least judy i will say is pretty

1796

01:12:42,310 --> 01:12:40,640

upfront person

1797

01:12:44,229 --> 01:12:42,320

what he's not going to say something in

1798

01:12:45,510 --> 01:12:44,239

a dm or a pm that he wouldn't say

1799

01:12:47,910 --> 01:12:45,520

publicly

1800

01:12:49,669 --> 01:12:47,920

out loud to whoever's listening you know

1801

01:12:52,149 --> 01:12:49,679

that's kind of the way that i am

1802

01:12:53,590 --> 01:12:52,159

i don't know but it is what it is

1803

01:12:55,590 --> 01:12:53,600

friends

1804

01:12:59,430 --> 01:12:55,600

saying we have some comments already on

1805

01:13:03,830 --> 01:13:01,910

yeah i said we're gonna do a whole show

1806

01:13:09,110 --> 01:13:03,840

look here here we go with these mean

1807

01:13:14,709 --> 01:13:12,149

i published this uh bob lazar's

1808

01:13:18,070 --> 01:13:14,719

educational credentials destroyed

1809

01:13:20,950 --> 01:13:18,080

it is filled with it's got to be

1810

01:13:21,750 --> 01:13:20,960

30 to 50 data points proving that bob

1811

01:13:24,229 --> 01:13:21,760

lazar

1812

01:13:26,470 --> 01:13:24,239

lied and completely and totally made up

1813

01:13:27,910 --> 01:13:26,480

his entire educational credentials right

1814

01:13:31,030 --> 01:13:27,920

and here's some of the comments that

1815

01:13:34,149 --> 01:13:31,040

we're getting on that video

1816

01:13:35,990 --> 01:13:34,159

again they're not attacking the 30 to 50

1817

01:13:37,350 --> 01:13:36,000

data points that we present that are

1818

01:13:39,910 --> 01:13:37,360

factually correct

1819

01:13:41,750 --> 01:13:39,920

because they can't and they're facts and

1820

01:13:43,189 --> 01:13:41,760

they're factually correct so here's the

1821

01:13:45,430 --> 01:13:43,199

comments we're getting

1822

01:13:46,950 --> 01:13:45,440

truth seekers wow you're among the

1823

01:13:49,110 --> 01:13:46,960

morons

1824

01:13:50,470 --> 01:13:49,120

okay kill the messenger because you

1825

01:13:53,590 --> 01:13:50,480

don't like the message there's

1826

01:13:55,990 --> 01:13:53,600

30 to 50 data points in that

1827

01:13:56,790 --> 01:13:56,000

short video that video is 11 minutes

1828

01:13:59,270 --> 01:13:56,800

long

1829

01:14:00,310 --> 01:13:59,280

there's probably closer to 50. i haven't

1830

01:14:03,590 --> 01:14:00,320

counted them

1831

01:14:05,750 --> 01:14:03,600

but there's probably 50 data points

1832

01:14:07,750 --> 01:14:05,760

proving that bob lazar is a complete and

1833

01:14:09,910 --> 01:14:07,760

total liar about his education

1834

01:14:11,750 --> 01:14:09,920

do they go after those data points and

1835

01:14:15,030 --> 01:14:11,760

prove my data and research

1836

01:14:17,270 --> 01:14:15,040

wrong of course not they just say wow

1837

01:14:19,110 --> 01:14:17,280

you're among the morons here's another

1838

01:14:21,430 --> 01:14:19,120

one

1839

01:14:23,590 --> 01:14:21,440

lame arguments across the board i will

1840

01:14:25,430 --> 01:14:23,600

debate anyone who thinks he is lying

1841

01:14:26,870 --> 01:14:25,440

list your best arguments here and why

1842

01:14:28,550 --> 01:14:26,880

you think he's lying

1843

01:14:30,870 --> 01:14:28,560

what is your best evidence well actually

1844

01:14:33,510 --> 01:14:30,880

that's not so bad i guess

1845

01:14:35,350 --> 01:14:33,520

but do i am i really going to debate

1846

01:14:38,149 --> 01:14:35,360

somebody who thinks he's not lying

1847

01:14:39,030 --> 01:14:38,159

and how am i supposed to listen there's

1848

01:14:41,189 --> 01:14:39,040

so much

1849

01:14:43,270 --> 01:14:41,199

data and evidence and proof that bob

1850

01:14:44,070 --> 01:14:43,280

lazor is lying i can't type it out in

1851

01:14:46,709 --> 01:14:44,080

the youtube

1852

01:14:48,229 --> 01:14:46,719

comment reply i just can't do that so

1853

01:14:49,110 --> 01:14:48,239

actually i'm just going to address him

1854

01:14:51,910 --> 01:14:49,120

here

1855

01:14:53,430 --> 01:14:51,920

m b you made this comment laying

1856

01:14:54,950 --> 01:14:53,440

arguments across the board i will debate

1857

01:14:56,870 --> 01:14:54,960

anyone who thinks he's lying list your

1858

01:14:58,790 --> 01:14:56,880

best arguments here why you think he is

1859

01:15:01,669 --> 01:14:58,800

lying what's your best evidence

1860

01:15:02,390 --> 01:15:01,679

you've got 50 data points right there in

1861

01:15:05,510 --> 01:15:02,400

that video

1862

01:15:06,550 --> 01:15:05,520

mb so if you want to debate on those you

1863

01:15:09,110 --> 01:15:06,560

have to prove

1864

01:15:10,229 --> 01:15:09,120

50 data points or so i don't know the

1865

01:15:13,030 --> 01:15:10,239

exact number

1866

01:15:14,390 --> 01:15:13,040

in that bob lazar's educational claims

1867

01:15:17,189 --> 01:15:14,400

destroyed video

1868

01:15:19,030 --> 01:15:17,199

take all those data points every every

1869

01:15:21,110 --> 01:15:19,040

factual statement made in there

1870

01:15:22,149 --> 01:15:21,120

by all those people that contributed to

1871

01:15:25,030 --> 01:15:22,159

that video

1872

01:15:25,990 --> 01:15:25,040

including stan friedman linda mullen hal

1873

01:15:28,630 --> 01:15:26,000

um

1874

01:15:30,550 --> 01:15:28,640

we have michael schratt george knapp and

1875

01:15:33,669 --> 01:15:30,560

bob lazar himself

1876

01:15:35,750 --> 01:15:33,679

you can show me

1877

01:15:37,110 --> 01:15:35,760

where all those data points are

1878

01:15:39,830 --> 01:15:37,120

factually not correct

1879

01:15:40,950 --> 01:15:39,840

in that video you want a debate fine

1880

01:15:43,189 --> 01:15:40,960

there's your start

1881

01:15:44,630 --> 01:15:43,199

show me where all those data points are

1882

01:15:47,590 --> 01:15:44,640

wrong his education

1883

01:15:48,070 --> 01:15:47,600

is a fraud he started the story with his

1884

01:15:50,390 --> 01:15:48,080

fake

1885

01:15:52,149 --> 01:15:50,400

claimed educational credentials let me

1886

01:15:54,470 --> 01:15:52,159

ask everybody a question

1887

01:15:56,790 --> 01:15:54,480

if somebody starts telling you a story

1888

01:15:59,430 --> 01:15:56,800

and in the first line of their story

1889

01:16:00,790 --> 01:15:59,440

you know they lied through their teeth

1890

01:16:03,270 --> 01:16:00,800

are you going to believe

1891

01:16:04,310 --> 01:16:03,280

anything else they say for the rest of

1892

01:16:06,070 --> 01:16:04,320

that story

1893

01:16:07,510 --> 01:16:06,080

especially when the claims get more and

1894

01:16:10,630 --> 01:16:07,520

more fantastic

1895

01:16:11,830 --> 01:16:10,640

you can't even the guy can't even verify

1896

01:16:17,350 --> 01:16:11,840

his education

1897

01:16:22,310 --> 01:16:20,709

professor fez can you do a simon dan

1898

01:16:23,990 --> 01:16:22,320

response to comments video

1899

01:16:25,510 --> 01:16:24,000

i'm not sure what you mean professor fez

1900

01:16:26,470 --> 01:16:25,520

but if you explain it and it's something

1901

01:16:30,310 --> 01:16:26,480

that i can do

1902

01:16:33,430 --> 01:16:30,320

i want to make everybody happy uh

1903

01:16:34,709 --> 01:16:33,440

so you know please please do let me know

1904

01:16:39,510 --> 01:16:34,719

what you mean by that

1905

01:16:41,430 --> 01:16:39,520

cy man band do you mean dan banker

1906

01:16:44,070 --> 01:16:41,440

responds to comments you know i don't

1907

01:16:44,709 --> 01:16:44,080

know spooky it's all stupid i refuse to

1908

01:16:46,950 --> 01:16:44,719

get any

1909

01:16:48,950 --> 01:16:46,960

involved anymore i think spooky means

1910

01:16:50,870 --> 01:16:48,960

about all the drama

1911

01:16:52,630 --> 01:16:50,880

yeah but uh you know and then the other

1912

01:16:54,630 --> 01:16:52,640

comment that i'm getting constantly is

1913

01:16:56,870 --> 01:16:54,640

you look stupid with those glasses

1914

01:16:58,630 --> 01:16:56,880

again i have third nerve palsy it's from

1915

01:16:59,510 --> 01:16:58,640

a brain aneurysm i'm sorry if you don't

1916

01:17:03,110 --> 01:16:59,520

like the glasses

1917

01:17:06,550 --> 01:17:03,120

it's this or a pirate patch so and again

1918

01:17:08,149 --> 01:17:06,560

go if you don't like the if you don't

1919

01:17:10,550 --> 01:17:08,159

like my show just click off of it

1920

01:17:12,070 --> 01:17:10,560

though there's thousands of other shows

1921

01:17:15,590 --> 01:17:12,080

you know

1922

01:17:20,470 --> 01:17:18,709

yeah back to the so about that suicide

1923

01:17:22,149 --> 01:17:20,480

for us actually jean-claude we had

1924

01:17:24,630 --> 01:17:22,159

somebody that has been there in person

1925

01:17:28,229 --> 01:17:24,640

tonight in the form of jason quit

1926

01:17:30,229 --> 01:17:28,239

uh and he told some

1927

01:17:32,709 --> 01:17:30,239

amazing stories about actually visiting

1928

01:17:36,709 --> 01:17:32,719

this japanese suicide forest you can

1929

01:17:39,270 --> 01:17:36,719

uh sort of uh you can sort of

1930

01:17:41,590 --> 01:17:39,280

i guess rewind later to catch up on that

1931

01:17:43,669 --> 01:17:41,600

we did a very short presentation tonight

1932

01:17:46,550 --> 01:17:43,679

jason albert you will never make

1933

01:17:53,830 --> 01:17:51,270

no absolutely not absolutely not

1934

01:17:54,310 --> 01:17:53,840

she's telling the [h__h] off stephen yeah

1935

01:17:57,350 --> 01:17:54,320

you know

1936

01:17:59,110 --> 01:17:57,360

i listen do you see me smiling bgs when

1937

01:18:01,510 --> 01:17:59,120

i get these comments i just laugh

1938

01:18:02,310 --> 01:18:01,520

because again they're not attacking the

1939

01:18:03,830 --> 01:18:02,320

evidence

1940

01:18:05,669 --> 01:18:03,840

they're attacking me you know you're

1941

01:18:07,750 --> 01:18:05,679

gonna call me a [h__h] but you can't

1942

01:18:14,149 --> 01:18:07,760

refute the facts we presented then maybe

1943

01:18:14,159 --> 01:18:17,990

bg's judging judges

1944

01:18:22,630 --> 01:18:21,030

yeah keith

1945

01:18:24,470 --> 01:18:22,640

hassemeyer i would like to see some

1946

01:18:25,430 --> 01:18:24,480

pirate patches you know what i may

1947

01:18:28,790 --> 01:18:25,440

switch to one

1948

01:18:30,950 --> 01:18:28,800

um for some shows because there are some

1949

01:18:35,110 --> 01:18:30,960

shows when i have to read a lot more

1950

01:18:37,510 --> 01:18:35,120

and i have stuff i don't like to

1951

01:18:38,550 --> 01:18:37,520

as far as research materials go i like

1952

01:18:44,229 --> 01:18:38,560

to go to books

1953

01:18:44,709 --> 01:18:44,239

a lot of things you know you can't just

1954

01:18:46,470 --> 01:18:44,719

find

1955

01:18:47,990 --> 01:18:46,480

everything on the internet sometimes

1956

01:18:49,990 --> 01:18:48,000

things are just in books and they're not

1957

01:18:50,870 --> 01:18:50,000

on the internet so i have books where i

1958

01:18:53,990 --> 01:18:50,880

have

1959

01:18:56,790 --> 01:18:54,000

highlighted it's very

1960

01:18:58,630 --> 01:18:56,800

difficult for me to read small printed

1961

01:19:01,430 --> 01:18:58,640

text with these glasses on

1962

01:19:03,669 --> 01:19:01,440

so it's either you know copy it with a

1963

01:19:05,910 --> 01:19:03,679

copier and blow it up so that my vision

1964

01:19:07,270 --> 01:19:05,920

impairment doesn't or

1965

01:19:09,110 --> 01:19:07,280

you know all these things i have to do

1966

01:19:10,950 --> 01:19:09,120

so i can read from the books easier

1967

01:19:12,470 --> 01:19:10,960

or i just wear the pirate patch so for

1968

01:19:14,149 --> 01:19:12,480

some of those shows coming up

1969

01:19:18,229 --> 01:19:14,159

yeah you may get the pirate patch

1970

01:19:22,070 --> 01:19:21,189

genocide i vote eye patches eye patches

1971

01:19:23,910 --> 01:19:22,080

are cool

1972

01:19:26,149 --> 01:19:23,920

yeah and it could be like that uh is

1973

01:19:26,950 --> 01:19:26,159

that one senator is it dan crenshaw

1974

01:19:29,189 --> 01:19:26,960

maybe

1975

01:19:30,950 --> 01:19:29,199

he's got a pirate patch and he's got

1976

01:19:32,149 --> 01:19:30,960

different you know like sometimes he has

1977

01:19:35,270 --> 01:19:32,159

an american flag

1978

01:19:37,830 --> 01:19:35,280

sometimes he has don't tread on me flag

1979

01:19:39,110 --> 01:19:37,840

or you know some other symbol and he's

1980

01:19:41,669 --> 01:19:39,120

and i think they're magnetic

1981

01:19:45,510 --> 01:19:41,679

and he changes them fire patches are

1982

01:19:50,550 --> 01:19:48,830

yeah play the ball not the person

1983

01:19:56,550 --> 01:19:50,560

absolutely

1984

01:20:00,149 --> 01:19:58,470

the glasses make you extra cool with

1985

01:20:01,910 --> 01:20:00,159

x-ray [h__h] vision yeah

1986

01:20:03,270 --> 01:20:01,920

maybe that's what these are maybe these

1987

01:20:04,950 --> 01:20:03,280

people don't understand but these are

1988

01:20:06,790 --> 01:20:04,960

x-ray [\h__\h] glasses and

1989

01:20:08,470 --> 01:20:06,800

allow me to see through ufo and

1990

01:20:11,990 --> 01:20:08,480

paranormal [\h__\h]

1991

01:20:14,070 --> 01:20:12,000

better than a normal human could

1992

01:20:15,750 --> 01:20:14,080

oh he loved the wilcock mask too yeah

1993

01:20:17,350 --> 01:20:15,760

bts i worked hard on that you know how

1994

01:20:18,790 --> 01:20:17,360

hard it was to do that on a budget or

1995

01:20:20,310 --> 01:20:18,800

nothing i'm like how the hell am i going

1996

01:20:22,470 --> 01:20:20,320

to do this on a budget of nothing

1997

01:20:24,229 --> 01:20:22,480

thank god i found something off the

1998

01:20:26,870 --> 01:20:24,239

shelf which could be modified and then

1999

01:20:30,149 --> 01:20:26,880

we adapted and overcome right bgs that's

2000

01:20:30,159 --> 01:20:36,070

oh let's see got to head to the store

2001

01:20:39,270 --> 01:20:38,790

gotta head to the store frogs need food

2002

01:20:45,189 --> 01:20:39,280

uh

2003

01:20:49,510 --> 01:20:47,350

gutter gulker says maybe dolan sells

2004

01:20:51,350 --> 01:20:49,520

paranormal eye patches yeah maybe he

2005

01:20:53,189 --> 01:20:51,360

does you never know he sells all this

2006

01:20:55,270 --> 01:20:53,199

other [h__h] with his name slapped on

2007

01:20:57,830 --> 01:20:55,280

it maybe i can get a richard dolan

2008

01:20:58,790 --> 01:20:57,840

eye patch right oh my god that's

2009

01:21:00,070 --> 01:20:58,800

actually funny

2010

01:21:02,149 --> 01:21:00,080

you know what i could do i could wear

2011

01:21:03,270 --> 01:21:02,159

the eye patch but i could print out like

2012

01:21:05,910 --> 01:21:03,280

pictures of people

2013

01:21:07,350 --> 01:21:05,920

like and if i'm if i'm spitting venom

2014

01:21:09,430 --> 01:21:07,360

you know like

2015

01:21:11,910 --> 01:21:09,440

spitting venom at like david wilcock

2016

01:21:14,070 --> 01:21:11,920

we'll put we'll put a david wolcott

2017

01:21:16,229 --> 01:21:14,080

picture of his face on my eye patch and

2018

01:21:18,550 --> 01:21:16,239

if it's if it's doling that night we'll

2019

01:21:21,830 --> 01:21:18,560

put a picture of dolan on the eye patch

2020

01:21:25,510 --> 01:21:24,310

will [h__\h] mask was epic funny yeah uh

2021

01:21:27,270 --> 01:21:25,520

david wilcox may be

2022

01:21:29,030 --> 01:21:27,280

appearing on our show again i've done

2023

01:21:31,830 --> 01:21:29,040

some testing trying to figure out how i

2024

01:21:35,430 --> 01:21:31,840

can interview david wilcox live

2025

01:21:37,350 --> 01:21:35,440

and well let's just say

2026

01:21:38,470 --> 01:21:37,360

i've figured out how i can interview

2027

01:21:40,070 --> 01:21:38,480

david wilcox

2028

01:21:41,750 --> 01:21:40,080

and we're going to be presenting that

2029

01:21:44,790 --> 01:21:41,760

soon

2030

01:21:45,590 --> 01:21:44,800

okay what's up with sarah adams part

2031

01:21:48,870 --> 01:21:45,600

three

2032

01:21:51,110 --> 01:21:48,880

uh i emailed i messaged

2033

01:21:52,229 --> 01:21:51,120

sarah adams four or five times she never

2034

01:21:54,550 --> 01:21:52,239

got back to me

2035

01:21:56,709 --> 01:21:54,560

until yesterday and yesterday she told

2036

01:21:59,990 --> 01:21:56,719

me that she recently had surgery and she

2037

01:22:03,030 --> 01:22:00,000

can't even talk so she wants to i guess

2038

01:22:04,149 --> 01:22:03,040

of course delay doing the uh doing the

2039

01:22:05,990 --> 01:22:04,159

interview

2040

01:22:07,430 --> 01:22:06,000

um you know and i can't blame her if

2041

01:22:08,310 --> 01:22:07,440

she's got some kind of medical issue

2042

01:22:09,910 --> 01:22:08,320

going on

2043

01:22:11,350 --> 01:22:09,920

okay well you know i'm just going to

2044

01:22:13,030 --> 01:22:11,360

leave her alone for a few weeks got

2045

01:22:15,110 --> 01:22:13,040

plenty of other shows to do

2046

01:22:17,110 --> 01:22:15,120

but eventually i'm going to do that with

2047

01:22:18,870 --> 01:22:17,120

her without her participation i'm going

2048

01:22:20,550 --> 01:22:18,880

to give her a few more weeks and see how

2049

01:22:21,350 --> 01:22:20,560

she's feeling if she's up to doing the

2050

01:22:23,510 --> 01:22:21,360

interview

2051
01:22:26,629 --> 01:22:23,520
hopefully we'll be able to conclude that

2052
01:22:29,910 --> 01:22:28,709
yeah friends so uh you know tonight was

2053
01:22:31,830 --> 01:22:29,920
a little bit of a shorter

2054
01:22:33,350 --> 01:22:31,840
presentation and i guess a little bit of

2055
01:22:35,430 --> 01:22:33,360
a shorter of a show

2056
01:22:37,110 --> 01:22:35,440
but that's okay i don't want to just

2057
01:22:40,629 --> 01:22:37,120
fill the show for two hours

2058
01:22:44,390 --> 01:22:40,639
uh if there's not material to do that

2059
01:22:46,709 --> 01:22:44,400
you know uh kb

2060
01:22:48,310 --> 01:22:46,719
yeah i i probably agree with you but i

2061
01:22:48,870 --> 01:22:48,320
don't want to be nasty if she's actually

2062
01:22:50,709 --> 01:22:48,880
having

2063
01:22:52,229 --> 01:22:50,719

medical issues god bless her i hope

2064

01:22:55,030 --> 01:22:52,239

she's feeling better

2065

01:22:55,750 --> 01:22:55,040

and and you know can do the interview

2066

01:22:57,350 --> 01:22:55,760

eventually

2067

01:22:59,350 --> 01:22:57,360

it's you know she doesn't have any

2068

01:23:01,910 --> 01:22:59,360

obligation to do the interview but

2069

01:23:02,870 --> 01:23:01,920

uh she agreed to it originally so we'll

2070

01:23:05,910 --> 01:23:02,880

see if she's not

2071

01:23:06,629 --> 01:23:05,920

feeling better in the next few weeks um

2072

01:23:08,870 --> 01:23:06,639

hopefully

2073

01:23:10,870 --> 01:23:08,880

and be up to doing part three that's

2074

01:23:12,790 --> 01:23:10,880

probably the most requested thing from

2075

01:23:13,830 --> 01:23:12,800

viewers is people want to see this part

2076

01:23:17,110 --> 01:23:13,840

three

2077

01:23:20,870 --> 01:23:17,120

uh and see what it is that she's up to

2078

01:23:23,350 --> 01:23:20,880

you know or see see what the conclusion

2079

01:23:26,149 --> 01:23:23,360

of the investigation into the strange

2080

01:23:28,229 --> 01:23:26,159

case of sarah adams is going to be

2081

01:23:29,590 --> 01:23:28,239

i have a lot of material to cover you

2082

01:23:34,870 --> 01:23:29,600

know on her

2083

01:23:37,669 --> 01:23:34,880

and and sort of making a conclusion so

2084

01:23:38,470 --> 01:23:37,679

baz is here i'm not sure that i've seen

2085

01:23:41,830 --> 01:23:38,480

you here

2086

01:23:43,510 --> 01:23:41,840

before baz and if not welcome uh

2087

01:23:45,910 --> 01:23:43,520

if you like these sort of strange and

2088

01:23:47,990 --> 01:23:45,920

mysterious topics you have found a good

2089

01:23:48,709 --> 01:23:48,000

place to visit and a good group of

2090

01:23:52,149 --> 01:23:48,719

people

2091

01:23:55,030 --> 01:23:52,159

to hang out with welcome to baz

2092

01:23:57,189 --> 01:23:55,040

if you have not already please do like

2093

01:23:57,510 --> 01:23:57,199

comment and subscribe we'd like to see

2094

01:24:02,390 --> 01:23:57,520

you

2095

01:24:04,550 --> 01:24:02,400

right at the end of the broadcast

2096

01:24:06,310 --> 01:24:04,560

but that's what replays are for and

2097

01:24:08,229 --> 01:24:06,320

please check out the rest of the shows

2098

01:24:09,510 --> 01:24:08,239

on our channel if you like this kind of

2099

01:24:13,270 --> 01:24:09,520

material

2100

01:24:16,149 --> 01:24:13,280

you may enjoy some of our previous shows

2101

01:24:18,229 --> 01:24:16,159

uh yeah first time he says first timer

2102

01:24:20,629 --> 01:24:18,239

thank you yeah welcome bass good to see

2103

01:24:22,629 --> 01:24:20,639

i'm always glad to see a few new faces

2104

01:24:23,669 --> 01:24:22,639

ever it seems like every show we see a

2105

01:24:25,750 --> 01:24:23,679

few new

2106

01:24:27,270 --> 01:24:25,760

faces in the live chat and i'm even

2107

01:24:30,470 --> 01:24:27,280

happier when i see them

2108

01:24:33,430 --> 01:24:30,480

return for uh you know a second

2109

01:24:35,270 --> 01:24:33,440

dose of truth seekers so welcome

2110

01:24:39,030 --> 01:24:35,280

first-timer bads

2111

01:24:41,350 --> 01:24:39,040

we are glad that you have found us here

2112

01:24:43,270 --> 01:24:41,360

so friends like i was saying you know

2113

01:24:44,070 --> 01:24:43,280

some of the shows i also decided that

2114

01:24:45,830 --> 01:24:44,080

you know if we're

2115

01:24:47,590 --> 01:24:45,840

if we don't there's not like a ton of

2116

01:24:49,669 --> 01:24:47,600

material to cover we don't need to do

2117

01:24:51,910 --> 01:24:49,679

the full two hours we'll just

2118

01:24:53,430 --> 01:24:51,920

call it a night at you know whatever

2119

01:24:56,149 --> 01:24:53,440

time we wrap up on

2120

01:24:57,990 --> 01:24:56,159

i wanted to spend more time talking to

2121

01:24:59,590 --> 01:24:58,000

you guys there in the live chat today

2122

01:25:00,390 --> 01:24:59,600

because like i said sometimes i feel

2123

01:25:03,990 --> 01:25:00,400

like gee

2124

01:25:05,990 --> 01:25:04,000

uh we're not i'm not giving enough time

2125

01:25:09,189 --> 01:25:06,000

to the live chat because we go over

2126

01:25:11,270 --> 01:25:09,199

on some of the presentations you know uh

2127

01:25:13,590 --> 01:25:11,280

some of them are that's just the way it

2128

01:25:16,870 --> 01:25:13,600

goes um

2129

01:25:18,470 --> 01:25:16,880

so i guess what i we're gonna

2130

01:25:20,070 --> 01:25:18,480

we're gonna wrap things up here i want

2131

01:25:22,709 --> 01:25:20,080

to thank my surprise

2132

01:25:23,189 --> 01:25:22,719

guest tonight i had no idea that he was

2133

01:25:26,229 --> 01:25:23,199

gonna

2134

01:25:28,229 --> 01:25:26,239

luckily through

2135

01:25:30,550 --> 01:25:28,239

this this technology is amazing he

2136

01:25:32,390 --> 01:25:30,560

messed me on twitter and says hey

2137

01:25:34,070 --> 01:25:32,400

i can join the show if you want for a

2138

01:25:36,070 --> 01:25:34,080

little while i you know

2139

01:25:37,990 --> 01:25:36,080

great so i sent him a link and he pops

2140

01:25:38,709 --> 01:25:38,000

right in here didn't know that was going

2141

01:25:40,550 --> 01:25:38,719

to happen

2142

01:25:43,030 --> 01:25:40,560

i just wanted to get this show off my

2143

01:25:45,990 --> 01:25:43,040

to-do list we've been putting it off

2144

01:25:46,629 --> 01:25:46,000

while um while waiting for him to have

2145

01:25:48,550 --> 01:25:46,639

the time

2146

01:25:50,790 --> 01:25:48,560

he's very busy and i really appreciate

2147

01:25:52,229 --> 01:25:50,800

that he noticed that we were doing the

2148

01:25:54,550 --> 01:25:52,239

show on that and said

2149

01:25:56,550 --> 01:25:54,560

let me message steve and pop in and i'm

2150

01:25:58,310 --> 01:25:56,560

so glad that i had my twitter up so that

2151
01:26:01,350 --> 01:25:58,320
i got that message because sometimes i

2152
01:26:05,189 --> 01:26:01,360
just don't monitor that very well

2153
01:26:08,550 --> 01:26:07,510
i gotta say uh jason's a good guy and

2154
01:26:10,390 --> 01:26:08,560
i'm glad to

2155
01:26:12,550 --> 01:26:10,400
call him hopefully a friend of the show

2156
01:26:16,070 --> 01:26:12,560
we hope to have him back soon

2157
01:26:18,709 --> 01:26:16,080
uh sooner rather than later you know

2158
01:26:19,590 --> 01:26:18,719
but we've all sort of gotten different

2159
01:26:22,229 --> 01:26:19,600
priorities

2160
01:26:23,910 --> 01:26:22,239
i suppose now a lot of us have different

2161
01:26:26,470 --> 01:26:23,920
priorities now and his is

2162
01:26:27,590 --> 01:26:26,480
focused on this uh sort of day job that

2163
01:26:30,629 --> 01:26:27,600

he's been doing

2164

01:26:31,270 --> 01:26:30,639

uh i wish him the best of luck and

2165

01:26:33,189 --> 01:26:31,280

success

2166

01:26:34,390 --> 01:26:33,199

in all his future endeavors i'm glad

2167

01:26:36,709 --> 01:26:34,400

that we could get him to pop

2168

01:26:39,189 --> 01:26:36,719

in here that was awesome and unexpected

2169

01:26:40,950 --> 01:26:39,199

so i got so happy when he said he would

2170

01:26:41,350 --> 01:26:40,960

he could come in because i went great i

2171

01:26:43,350 --> 01:26:41,360

could

2172

01:26:45,510 --> 01:26:43,360

i wanted him because he's an eyewitness

2173

01:26:47,189 --> 01:26:45,520

to this japanese suicide forest

2174

01:26:49,189 --> 01:26:47,199

he's been there that's so much better

2175

01:26:50,229 --> 01:26:49,199

than just telling people the story about

2176

01:26:51,830 --> 01:26:50,239

it here's an eyewitness

2177

01:26:53,830 --> 01:26:51,840

and we were able to bring that to you

2178

01:27:03,189 --> 01:26:53,840

guys our viewers and what an

2179

01:27:06,870 --> 01:27:05,510

oh yes jean-claude makes an excellent

2180

01:27:08,550 --> 01:27:06,880

point would it be possible for you to

2181

01:27:10,070 --> 01:27:08,560

post your live stream notices a few days

2182

01:27:11,590 --> 01:27:10,080

in advance also write the date in your

2183

01:27:13,270 --> 01:27:11,600

movie posters

2184

01:27:14,950 --> 01:27:13,280

helps people arrange their schedules

2185

01:27:16,149 --> 01:27:14,960

good suggestion and i'm going to try

2186

01:27:18,550 --> 01:27:16,159

that but honestly

2187

01:27:20,629 --> 01:27:18,560

i saw yours and it looks confusing to me

2188

01:27:23,910 --> 01:27:20,639

like you have all these live streams

2189

01:27:25,590 --> 01:27:23,920

planned on your show and then

2190

01:27:27,270 --> 01:27:25,600

i don't know uh what happens if you

2191

01:27:28,629 --> 01:27:27,280

gotta reboot your well i guess you can

2192

01:27:30,790 --> 01:27:28,639

get back into stream yard and they're

2193

01:27:32,470 --> 01:27:30,800

still there right but you schedule yours

2194

01:27:33,270 --> 01:27:32,480

and they're already on your channel so

2195

01:27:35,110 --> 01:27:33,280

yeah maybe

2196

01:27:36,390 --> 01:27:35,120

you know what john claude i'm gonna try

2197

01:27:39,350 --> 01:27:36,400

that going forward

2198

01:27:39,669 --> 01:27:39,360

i can't do it right away but next week

2199

01:27:41,830 --> 01:27:39,679

all

2200

01:27:42,870 --> 01:27:41,840

next week's shows i'm going to put on

2201

01:27:44,950 --> 01:27:42,880

the channel

2202

01:27:47,350 --> 01:27:44,960

and i'll put in the description the time

2203

01:27:48,310 --> 01:27:47,360

they will be and i will put the time on

2204

01:27:50,629 --> 01:27:48,320

the

2205

01:27:52,390 --> 01:27:50,639

thumbnail right that's a very good

2206

01:27:55,030 --> 01:27:52,400

suggestion joe claude and i

2207

01:27:55,910 --> 01:27:55,040

uh appreciate the value of your advice

2208

01:27:58,550 --> 01:27:55,920

and experience

2209

01:27:58,950 --> 01:27:58,560

because i don't know john clyde i was i

2210

01:28:00,629 --> 01:27:58,960

think

2211

01:28:03,189 --> 01:28:00,639

then you have like you're like 200

2212

01:28:06,470 --> 01:28:03,199

people uh in your live chats

2213

01:28:08,550 --> 01:28:06,480

right or more so uh amazing

2214

01:28:09,669 --> 01:28:08,560

to yeah i will follow your advice

2215

01:28:11,750 --> 01:28:09,679

absolutely you know

2216

01:28:14,070 --> 01:28:11,760

you do you know how to do this better

2217

01:28:15,830 --> 01:28:14,080

than i know how to do this jason i'm or

2218

01:28:17,189 --> 01:28:15,840

jean-claude i'm flying by the seat of my

2219

01:28:18,229 --> 01:28:17,199

pants i have no idea what i'm doing i

2220

01:28:20,470 --> 01:28:18,239

just

2221

01:28:22,149 --> 01:28:20,480

you know do what i think is best do the

2222

01:28:24,070 --> 01:28:22,159

best that i think i can do

2223

01:28:25,990 --> 01:28:24,080

didn't think to schedule them in advance

2224

01:28:28,149 --> 01:28:26,000

until i saw your channel and all those

2225

01:28:32,229 --> 01:28:28,159

live streams you have scheduled

2226

01:28:34,390 --> 01:28:32,239

could be a good good time keith

2227

01:28:35,910 --> 01:28:34,400

hasmeyer says tomorrow is one hour later

2228

01:28:40,070 --> 01:28:35,920

right yes

2229

01:28:41,350 --> 01:28:40,080

uh on thursday we do a show at 11 p.m so

2230

01:28:42,629 --> 01:28:41,360

tomorrow night's show is going to be at

2231

01:28:45,750 --> 01:28:42,639

11 p.m

2232

01:28:47,510 --> 01:28:45,760

but i may do it early stream and the 11

2233

01:28:49,350 --> 01:28:47,520

we're definitely doing the 11 p.m show

2234

01:28:51,189 --> 01:28:49,360

tomorrow night but there may be two

2235

01:28:52,870 --> 01:28:51,199

shows tomorrow i may try to do the

2236

01:28:55,110 --> 01:28:52,880

daytime show

2237

01:28:56,629 --> 01:28:55,120

uh and then do the 11 p.m show really

2238

01:29:01,350 --> 01:28:56,639

depends because i also have to cut the

2239

01:29:06,950 --> 01:29:04,149

i have a lot of things on my list well

2240

01:29:09,189 --> 01:29:06,960

it's really my wife's list but you know

2241

01:29:10,310 --> 01:29:09,199

no i have a lot of things i've got some

2242

01:29:11,830 --> 01:29:10,320

yard work and some

2243

01:29:14,709 --> 01:29:11,840

other stuff that i got to do tomorrow

2244

01:29:17,030 --> 01:29:14,719

and i gotta run some errands and things

2245

01:29:17,910 --> 01:29:17,040

get some gas for the ride on tractor to

2246

01:29:19,910 --> 01:29:17,920

cut

2247

01:29:21,270 --> 01:29:19,920

the grass and do all this stuff but i'm

2248

01:29:21,990 --> 01:29:21,280

hoping that i'm gonna get that done

2249

01:29:24,229 --> 01:29:22,000

pretty quickly

2250

01:29:25,910 --> 01:29:24,239

and still have time to do i'm going to

2251

01:29:27,990 --> 01:29:25,920

try this doing a day stream

2252

01:29:30,070 --> 01:29:28,000

but we're definitely going to be on 11

2253

01:29:33,430 --> 01:29:30,080
