

THE BIZARRE STORY OF ALOYSHENKA...  
**MUMMIFIED RUSSIAN ALIEN?**

1  
00:01:11,900 --> 00:00:44,980  
[Music]

2  
00:01:24,830 --> 00:01:11,910  
so

3  
00:01:25,930 --> 00:01:24,840  
[Music]

4  
00:01:38,830 --> 00:01:25,940  
so

5  
00:01:46,700 --> 00:01:40,010  
do

6  
00:02:15,270 --> 00:01:56,510  
[Music]

7  
00:02:21,750 --> 00:02:18,309  
greetings and salutations we are

8  
00:02:24,869 --> 00:02:21,760  
live once again here on truth seekers

9  
00:02:27,910 --> 00:02:24,879  
tonight we're going to be exploring

10  
00:02:32,070 --> 00:02:27,920  
an incredible mystery

11  
00:02:34,630 --> 00:02:32,080  
i love a great mystery don't we all

12  
00:02:35,670 --> 00:02:34,640  
and tonight we're going to be exploring

13  
00:02:39,030 --> 00:02:35,680

an incredible

14

00:02:41,830 --> 00:02:39,040

mystery this story

15

00:02:44,070 --> 00:02:41,840

is quite possibly one of the strangest i

16

00:02:47,110 --> 00:02:44,080

have encountered

17

00:02:49,509 --> 00:02:47,120

there's a lot of twists and turns

18

00:02:50,630 --> 00:02:49,519

there's a lot of eyewitness testimony

19

00:02:54,150 --> 00:02:50,640

which makes it

20

00:02:56,710 --> 00:02:54,160

very compelling to me and it's just an

21

00:02:59,670 --> 00:02:56,720

amazing story

22

00:03:03,670 --> 00:02:59,680

this my friends is the story of baby

23

00:03:10,949 --> 00:03:07,270

this took place in russia

24

00:03:13,350 --> 00:03:10,959

and i first heard about this story

25

00:03:15,110 --> 00:03:13,360

years ago and have been fascinated with

26

00:03:18,229 --> 00:03:15,120

it ever since

27

00:03:21,990 --> 00:03:18,239

in fact i reached out to a

28

00:03:25,670 --> 00:03:22,000

ufo investigator in russia

29

00:03:27,910 --> 00:03:25,680

whose name is igor romanovsky

30

00:03:30,149 --> 00:03:27,920

to try to get additional information and

31

00:03:36,390 --> 00:03:30,159

i had corresponded with him

32

00:03:41,430 --> 00:03:38,869

to try to see if we could get additional

33

00:03:45,750 --> 00:03:41,440

information

34

00:03:52,949 --> 00:03:48,949

so as the story goes an

35

00:03:56,470 --> 00:03:52,959

elderly russian woman uh

36

00:03:59,509 --> 00:03:56,480

found what she believed to be a baby

37

00:04:00,550 --> 00:03:59,519

an abandoned baby in the forest near her

38

00:04:04,309 --> 00:04:00,560

home

39

00:04:07,509 --> 00:04:04,319

time

40

00:04:08,229 --> 00:04:07,519

uh but then was hospitalized and i

41

00:04:10,309 --> 00:04:08,239

believe

42

00:04:13,190 --> 00:04:10,319

and this i think may be relevant to the

43

00:04:16,390 --> 00:04:13,200

story she was hospitalized in a mental

44

00:04:17,349 --> 00:04:16,400

hospital because of her advanced age she

45

00:04:20,550 --> 00:04:17,359

was suffering

46

00:04:21,909 --> 00:04:20,560

some dementia things like that and while

47

00:04:24,790 --> 00:04:21,919

hospitalized she

48

00:04:25,909 --> 00:04:24,800

told the people uh you know i have a

49

00:04:28,230 --> 00:04:25,919

baby at home

50

00:04:30,790 --> 00:04:28,240

and they just thought that she was a

51

00:04:34,870 --> 00:04:30,800

little off her rocker

52

00:04:37,189 --> 00:04:34,880

uh the woman's daughter saw the baby

53

00:04:38,790 --> 00:04:37,199

as well and was terrified of it and

54

00:04:40,629 --> 00:04:38,800

while the mother was in the hospital

55

00:04:43,430 --> 00:04:40,639

went to check on the baby

56

00:04:44,550 --> 00:04:43,440

left in the apartment they called it a

57

00:04:48,950 --> 00:04:44,560

flat

58

00:04:52,070 --> 00:04:51,350

but the story gets stranger because this

59

00:04:56,070 --> 00:04:52,080

was not

60

00:04:56,950 --> 00:04:56,080

an ordinary baby by any stretch of the

61

00:05:00,550 --> 00:04:56,960

imagination

62

00:05:03,189 --> 00:05:00,560

this was not a normal baby

63

00:05:04,469 --> 00:05:03,199

there's a few possibilities here some

64

00:05:08,070 --> 00:05:04,479

people seem to think

65

00:05:10,870 --> 00:05:08,080

this baby could have been a deformed

66

00:05:11,670 --> 00:05:10,880

human because of the nuclear accidents

67

00:05:14,150 --> 00:05:11,680

that happened

68

00:05:16,469 --> 00:05:14,160

in the area the baby was discovered some

69

00:05:19,909 --> 00:05:16,479

years prior there had been

70

00:05:23,110 --> 00:05:19,919

birth defects and things of that nature

71

00:05:26,230 --> 00:05:23,120

and uh sadly it is common in

72

00:05:29,110 --> 00:05:26,240

poor russian farming communities

73

00:05:29,909 --> 00:05:29,120

that if you have a deformed baby you

74

00:05:32,390 --> 00:05:29,919

sort of

75

00:05:35,590 --> 00:05:32,400

take it somewhere and abandon it it's a

76

00:05:39,510 --> 00:05:35,600

sad thing but it does happen

77

00:05:42,070 --> 00:05:39,520

was it a human baby though

78

00:05:42,950 --> 00:05:42,080

folks this story gets stranger and

79

00:05:46,070 --> 00:05:42,960

stranger

80

00:05:47,270 --> 00:05:46,080

the more you dig into it i thought we

81

00:05:49,189 --> 00:05:47,280

would begin

82

00:05:51,270 --> 00:05:49,199

the presentation tonight with really

83

00:05:52,629 --> 00:05:51,280

what i think was the best coverage that

84

00:05:56,150 --> 00:05:52,639

i was able to find

85

00:05:58,550 --> 00:05:56,160

on this particular case and uh

86

00:06:00,230 --> 00:05:58,560

this is from quest tv if you're not

87

00:06:03,990 --> 00:06:00,240

aware of quest tv

88

00:06:04,950 --> 00:06:04,000

they do all kinds of strange stories and

89

00:06:07,749 --> 00:06:04,960

i really enjoy

90

00:06:09,189 --> 00:06:07,759

their content so you should support them

91

00:06:10,870 --> 00:06:09,199

we're going to be citing fair use

92

00:06:12,309 --> 00:06:10,880

tonight and playing some clips

93

00:06:14,469 --> 00:06:12,319

well we're going to be playing i think

94

00:06:16,629 --> 00:06:14,479

it's like a seven minute video but i'll

95

00:06:19,749 --> 00:06:16,639

be stopping it with commentary

96

00:06:22,390 --> 00:06:19,759

and comment along the way

97

00:06:24,070 --> 00:06:22,400

we are citing fair use here because we

98

00:06:27,110 --> 00:06:24,080

are using this

99

00:06:29,830 --> 00:06:27,120

uh this clip from quest tv

100

00:06:30,390 --> 00:06:29,840

to educate the public about the strange

101  
00:06:33,830 --> 00:06:30,400  
story

102  
00:06:36,469 --> 00:06:33,840  
of baby aleshenka

103  
00:06:38,070 --> 00:06:36,479  
again i will be educating the public i'm

104  
00:06:39,990 --> 00:06:38,080  
going to be critiquing and we're going

105  
00:06:41,749 --> 00:06:40,000  
to be discussing in the live chat the

106  
00:06:44,710 --> 00:06:41,759  
contents of this

107  
00:06:45,350 --> 00:06:44,720  
video clip which we will be watching

108  
00:06:49,430 --> 00:06:45,360  
together

109  
00:06:52,309 --> 00:06:49,440  
so this is fair use

110  
00:07:03,350 --> 00:06:52,319  
one second friends i have this queued up

111  
00:07:06,870 --> 00:07:03,360  
just bear with me one second

112  
00:07:10,390 --> 00:07:06,880  
okay oh

113  
00:07:14,469 --> 00:07:10,400

one second i have to

114

00:07:20,070 --> 00:07:17,909

make sure i share the audio and this is

115

00:07:23,510 --> 00:07:20,080

called the bizarre case of the mummified

116

00:07:26,710 --> 00:07:23,520

alien baby found in russia

117

00:07:27,110 --> 00:07:26,720

from their unexplained files series i

118

00:07:28,870 --> 00:07:27,120

thought

119

00:07:30,230 --> 00:07:28,880

this was the most excellent coverage

120

00:07:31,830 --> 00:07:30,240

because they speak

121

00:07:33,589 --> 00:07:31,840

you know there is the actual

122

00:07:35,270 --> 00:07:33,599

eyewitnesses and people that were

123

00:07:38,070 --> 00:07:35,280

involved in the case

124

00:07:39,510 --> 00:07:38,080

uh all through this video some of the

125

00:07:41,110 --> 00:07:39,520

secondary sources

126

00:07:43,589 --> 00:07:41,120

people have made other videos where they

127

00:07:46,790 --> 00:07:43,599

just sort of tell the story but it's not

128

00:07:47,589 --> 00:07:46,800

the first hand direct witnesses and i

129

00:07:50,070 --> 00:07:47,599

thought

130

00:07:51,350 --> 00:07:50,080

for the purposes of our show tonight i

131

00:07:53,909 --> 00:07:51,360

would rather get

132

00:07:55,510 --> 00:07:53,919

as close as to the source material the

133

00:07:57,909 --> 00:07:55,520

witnesses the eyewitnesses

134

00:07:59,430 --> 00:07:57,919

as we could possibly get so again we're

135

00:08:01,430 --> 00:07:59,440

going to cite fair use

136

00:08:02,950 --> 00:08:01,440

we're educating the public about this

137

00:08:08,309 --> 00:08:02,960

story let's

138

00:08:14,550 --> 00:08:12,230

so the first set of

139

00:08:15,749 --> 00:08:14,560

the first sequence of dna just is a

140

00:08:17,990 --> 00:08:15,759

human female

141

00:08:19,589 --> 00:08:18,000

and most likely i'm not sure they did

142

00:08:21,670 --> 00:08:19,599

additional testing but they believe that

143

00:08:25,270 --> 00:08:21,680

it belonged to the old woman

144

00:08:26,550 --> 00:08:25,280

but the second set of dna the scientists

145

00:08:29,749 --> 00:08:26,560

doing these tests

146

00:08:32,709 --> 00:08:29,759

claimed was unknown to science

147

00:08:33,269 --> 00:08:32,719

i would be very interested in seeing

148

00:08:36,870 --> 00:08:33,279

more

149

00:08:39,350 --> 00:08:36,880

on that dna sample

150

00:08:41,430 --> 00:08:39,360

but i believe at the time remember this

151  
00:08:44,389 --> 00:08:41,440  
happened in 1996

152  
00:08:45,110 --> 00:08:44,399  
dna technology may not have been up to

153  
00:08:48,870 --> 00:08:45,120  
the task

154  
00:08:53,509 --> 00:08:48,880  
of really correctly identifying

155  
00:08:56,470 --> 00:08:53,519  
uh whatever dna sequence they found

156  
00:08:57,750 --> 00:08:56,480  
but that's very tantalizing to me

157  
00:09:01,670 --> 00:08:57,760  
because there's some

158  
00:09:04,710 --> 00:09:01,680  
crazy science there saying it's dna but

159  
00:09:08,150 --> 00:09:04,720  
it's it's an unknown species to

160  
00:09:10,790 --> 00:09:08,160  
our science and remember that these

161  
00:09:13,430 --> 00:09:10,800  
dna labs have these huge databases that

162  
00:09:15,269 --> 00:09:13,440  
they run the dna sequence through

163  
00:09:16,550 --> 00:09:15,279

which generally will come back and tell

164

00:09:20,150 --> 00:09:16,560

them human

165

00:09:24,150 --> 00:09:20,160

chimpanzee you know whatever

166

00:09:24,949 --> 00:09:24,160

cal dna dog dna and it's very common

167

00:09:26,870 --> 00:09:24,959

that

168

00:09:28,870 --> 00:09:26,880

things are misidentified we see this

169

00:09:30,630 --> 00:09:28,880

with bigfoot cases all the time people

170

00:09:31,910 --> 00:09:30,640

claim it's bigfoot hairs we find out

171

00:09:35,030 --> 00:09:31,920

it's a black bear

172

00:09:36,389 --> 00:09:35,040

hair you know but in this case they were

173

00:09:40,470 --> 00:09:36,399

unable to determine

174

00:09:48,550 --> 00:09:43,590

so could allah's dna be the first ever

175

00:09:53,190 --> 00:09:51,509

very very interesting and again i

176

00:09:57,030 --> 00:09:53,200

reached out to my russian source

177

00:09:57,430 --> 00:09:57,040

who told me that he had been unable to

178

00:10:01,670 --> 00:09:57,440

get

179

00:10:05,829 --> 00:10:01,680

to more specific information about the

180

00:10:08,870 --> 00:10:05,839

dna tests uh but he and i just spoke

181

00:10:16,870 --> 00:10:13,430

and he said that he is going to

182

00:10:20,389 --> 00:10:16,880

uh try again he tried some time ago

183

00:10:22,389 --> 00:10:20,399

got nowhere looking for the dna

184

00:10:23,990 --> 00:10:22,399

he's also going to be reaching out to

185

00:10:25,190 --> 00:10:24,000

the person that did the actual

186

00:10:28,310 --> 00:10:25,200

scientific tests

187

00:10:31,670 --> 00:10:28,320

and get them in touch with us here i'm

188

00:10:34,550 --> 00:10:31,680

hoping maybe we can get an interview

189

00:10:35,670 --> 00:10:34,560

with that russian scientist because i

190

00:10:38,630 --> 00:10:35,680

for one

191

00:10:39,670 --> 00:10:38,640

i have a hundred questions for him uh

192

00:10:43,030 --> 00:10:39,680

and

193

00:10:44,470 --> 00:10:43,040

you know just

194

00:10:47,430 --> 00:10:44,480

i want to talk to the guy that did the

195

00:10:50,389 --> 00:10:47,440

dna tests i want to find out

196

00:10:51,110 --> 00:10:50,399

you know what is the details of the dna

197

00:10:55,430 --> 00:10:51,120

sequence

198

00:10:57,670 --> 00:10:55,440

look at the dna

199

00:10:58,630 --> 00:10:57,680

and see if it bears resemblance to a

200

00:11:03,110 --> 00:10:58,640

human

201  
00:11:06,710 --> 00:11:03,120  
if it bears resemblance to a monkey

202  
00:11:09,910 --> 00:11:06,720  
what what is the closest that match to

203  
00:11:11,110 --> 00:11:09,920  
the dna that they found because there

204  
00:11:13,829 --> 00:11:11,120  
have been

205  
00:11:15,670 --> 00:11:13,839  
some hoaxes where it turned out that

206  
00:11:15,990 --> 00:11:15,680  
acclaimed alien creature turned out to

207  
00:11:18,949 --> 00:11:16,000  
be

208  
00:11:22,790 --> 00:11:18,959  
a marmoset monkey and that was uh one of

209  
00:11:25,910 --> 00:11:22,800  
the hoaxes courtesy of jaime masan

210  
00:11:29,030 --> 00:11:25,920  
alien hoaxer extraordinaire

211  
00:11:29,990 --> 00:11:29,040  
so i would like to see if maybe it bears

212  
00:11:37,350 --> 00:11:30,000  
resemblance

213  
00:11:42,069 --> 00:11:40,310

oh we haven't opened the phone lines

214

00:11:44,470 --> 00:11:42,079

somebody's calling in

215

00:11:45,350 --> 00:11:44,480

but the call dropped so i'm not sure

216

00:11:48,470 --> 00:11:45,360

what that's about

217

00:11:49,910 --> 00:11:48,480

please wait until after uh presentation

218

00:11:51,430 --> 00:11:49,920

before calling

219

00:11:54,230 --> 00:11:51,440

friends i gotta remember to turn the

220

00:11:56,470 --> 00:11:54,240

phone off until we open the phone lines

221

00:11:58,629 --> 00:11:56,480

uh so yeah i'd really like to talk to

222

00:12:01,590 --> 00:11:58,639

that scientist now i found

223

00:12:02,470 --> 00:12:01,600

one other really good source material

224

00:12:04,629 --> 00:12:02,480

for seeing

225

00:12:06,230 --> 00:12:04,639

the creature because i think it's you

226

00:12:08,310 --> 00:12:06,240

know this is a strange thing

227

00:12:10,389 --> 00:12:08,320

and it's kind of like a carnival show

228

00:12:12,230 --> 00:12:10,399

right you want to see the money shot you

229

00:12:15,590 --> 00:12:12,240

want to see the creature

230

00:12:19,030 --> 00:12:15,600

and uh there are some pictures online

231

00:12:21,990 --> 00:12:19,040

but i have found some sourcing that

232

00:12:23,590 --> 00:12:22,000

show the creature better and i wanted to

233

00:12:25,910 --> 00:12:23,600

share that because it's important that

234

00:12:30,389 --> 00:12:25,920

we get a good look at this thing

235

00:12:30,399 --> 00:12:34,230

i'm going to cite fair use

236

00:12:34,240 --> 00:12:40,150

i went black for one minute okay

237

00:12:49,430 --> 00:12:41,910

i'm not sure why we went black is

238

00:12:52,790 --> 00:12:51,190

out of mind you called because it went

239

00:12:53,590 --> 00:12:52,800

black for a moment i'm not sure what

240

00:13:05,030 --> 00:12:53,600

that's about

241

00:13:05,040 --> 00:13:08,870

shut some things down

242

00:13:18,949 --> 00:13:12,310

maybe this memory yeah friends sorry

243

00:13:25,750 --> 00:13:20,710

uh jeanette cruzenko says it's the

244

00:13:29,509 --> 00:13:27,670

in that case they were given permission

245

00:13:29,829 --> 00:13:29,519

and yet it popped back up yeah it could

246

00:13:37,110 --> 00:13:29,839

be

247

00:13:38,710 --> 00:13:37,120

we once got blacked out for playing a

248

00:13:41,509 --> 00:13:38,720

clip so

249

00:13:43,269 --> 00:13:41,519

you know let's uh oh it said i broke the

250

00:13:44,230 --> 00:13:43,279

rules so yeah we got another one of

251  
00:13:47,430 --> 00:13:44,240  
those things

252  
00:13:48,069 --> 00:13:47,440  
about you know this stuff is getting

253  
00:13:51,189 --> 00:13:48,079  
ridiculous

254  
00:13:52,790 --> 00:13:51,199  
i cited fair use before we played it uh

255  
00:13:54,790 --> 00:13:52,800  
we'll be able to deal with that later

256  
00:13:58,310 --> 00:13:54,800  
friends uh

257  
00:14:01,670 --> 00:13:58,320  
so yeah

258  
00:14:01,990 --> 00:14:01,680  
ufo gandalf says you that youtube was

259  
00:14:03,990 --> 00:14:02,000  
mean

260  
00:14:05,590 --> 00:14:04,000  
to you now i'm kind of like hesitant do

261  
00:14:07,750 --> 00:14:05,600  
i want to share another clip but yeah

262  
00:14:09,750 --> 00:14:07,760  
we're gonna we're gonna roll ahead and

263  
00:14:11,990 --> 00:14:09,760

share another clip i just wanted to

264

00:14:14,389 --> 00:14:12,000

mention that these copyright claims are

265

00:14:15,590 --> 00:14:14,399

you know it's like nobody believes in

266

00:14:17,430 --> 00:14:15,600

fair use anymore

267

00:14:19,189 --> 00:14:17,440

this is a transformative work we're

268

00:14:22,230 --> 00:14:19,199

educating the public

269

00:14:23,910 --> 00:14:22,240

this is the legal definition of fair use

270

00:14:25,590 --> 00:14:23,920

we're discussing the clip that we're

271

00:14:26,710 --> 00:14:25,600

playing i stopped it every once in a

272

00:14:30,790 --> 00:14:26,720

while to comment

273

00:14:31,430 --> 00:14:30,800

or uh you know uh it is what it is

274

00:14:33,670 --> 00:14:31,440

friends

275

00:14:35,590 --> 00:14:33,680

please don't worry about that little

276

00:14:37,430 --> 00:14:35,600

hiccup let's just move forward with our

277

00:14:40,710 --> 00:14:37,440

presentation here

278

00:14:42,949 --> 00:14:40,720

and uh you know i'll probably be firing

279

00:14:48,470 --> 00:14:42,959

off another copyright claim letter

280

00:14:51,670 --> 00:14:48,480

uh after this after this story came back

281

00:14:53,590 --> 00:14:51,680

pete deeney says uh hey pete

282

00:14:55,030 --> 00:14:53,600

pete is an old friend of mine boy i

283

00:14:57,030 --> 00:14:55,040

could tell pete i could

284

00:14:59,829 --> 00:14:57,040

couldn't i tell some stories about our

285

00:15:02,870 --> 00:14:59,839

adventures in rock band land

286

00:15:05,509 --> 00:15:02,880

uh yeah one time we did

287

00:15:06,470 --> 00:15:05,519

pete pete and i were never in a band

288

00:15:09,269 --> 00:15:06,480

together but

289

00:15:11,430 --> 00:15:09,279

his band and my band would play the same

290

00:15:12,389 --> 00:15:11,440

shows together and one time we rented a

291

00:15:14,310 --> 00:15:12,399

u-haul

292

00:15:16,310 --> 00:15:14,320

and it was all of us we were like kids

293

00:15:18,230 --> 00:15:16,320

and we like four or five bands rented a

294

00:15:19,269 --> 00:15:18,240

u-haul and we put every all that [h\_\_h] in

295

00:15:21,030 --> 00:15:19,279

the back of the

296

00:15:23,030 --> 00:15:21,040

u-haul and then we all it's the middle

297

00:15:25,910 --> 00:15:23,040

of summer we all drove

298

00:15:27,910 --> 00:15:25,920

like at 40 minutes or a half hour in the

299

00:15:31,829 --> 00:15:27,920

back of a u-haul with no windows

300

00:15:34,389 --> 00:15:31,839

and i almost died i got like heat stroke

301  
00:15:36,550 --> 00:15:34,399  
it was horrible but it's good to see you

302  
00:15:39,269 --> 00:15:36,560  
pete deeney but pete

303  
00:15:40,389 --> 00:15:39,279  
is on facebook and facebook did not cut

304  
00:15:42,230 --> 00:15:40,399  
it so

305  
00:15:44,150 --> 00:15:42,240  
uh we'll see what we have to do to fix

306  
00:15:46,150 --> 00:15:44,160  
it later friends so i'm gonna

307  
00:15:48,710 --> 00:15:46,160  
cite fair use again and we're just gonna

308  
00:15:50,310 --> 00:15:48,720  
play a very short clip from this next

309  
00:15:54,230 --> 00:15:50,320  
piece

310  
00:15:58,790 --> 00:15:54,240  
uh and

311  
00:16:02,550 --> 00:16:01,829  
this is titled the baby aleshanka and it

312  
00:16:08,230 --> 00:16:02,560  
has

313  
00:16:11,670 --> 00:16:08,240

actual creature that we didn't see

314

00:16:13,749 --> 00:16:11,680

in the first bunch of clips so

315

00:16:15,110 --> 00:16:13,759

he contacted bendlin for information on

316

00:16:17,350 --> 00:16:15,120

the creature

317

00:16:19,110 --> 00:16:17,360

this prompted him to record footage of

318

00:16:21,110 --> 00:16:19,120

him inspecting the body

319

00:16:22,870 --> 00:16:21,120

it shows the body and its size in

320

00:16:25,189 --> 00:16:22,880

relation to bendland's hand

321

00:16:26,949 --> 00:16:25,199

as he moves and turns it over and from

322

00:16:29,910 --> 00:16:26,959

the manner it is observed

323

00:16:33,590 --> 00:16:29,920

we can see that no one had a clear idea

324

00:16:35,350 --> 00:16:33,600

of exactly what this small entity was

325

00:16:37,590 --> 00:16:35,360

these initial reports eventually

326

00:16:39,749 --> 00:16:37,600

generated increased media attention

327

00:16:41,990 --> 00:16:39,759

as television reporters and newspaper

328

00:16:44,629 --> 00:16:42,000

journalists began to visit karla navi to

329

00:16:47,749 --> 00:16:44,639

find out more about the kaichem alien

330

00:16:50,790 --> 00:16:47,759

yeah this uh my russian friend igor

331

00:16:51,670 --> 00:16:50,800

tells me was huge all over the

332

00:16:53,590 --> 00:16:51,680

television

333

00:16:55,269 --> 00:16:53,600

every journalist was trying to get

334

00:16:57,509 --> 00:16:55,279

interviews every journalist was trying

335

00:16:58,069 --> 00:16:57,519

to get access to the alien to film it

336

00:17:01,189 --> 00:16:58,079

and there

337

00:17:01,509 --> 00:17:01,199

is a good a good deal of photographic

338

00:17:04,710 --> 00:17:01,519

and

339

00:17:07,909 --> 00:17:04,720

filmed uh you know work filmed

340

00:17:12,069 --> 00:17:07,919

pieces showing this alien which is

341

00:17:14,630 --> 00:17:12,079

uh at least we have good photographic

342

00:17:16,630 --> 00:17:14,640

evidence of the creature and good film

343

00:17:18,549 --> 00:17:16,640

of the creature even though the body

344

00:17:20,150 --> 00:17:18,559

of the creature apparently has

345

00:17:22,069 --> 00:17:20,160

disappeared

346

00:17:24,630 --> 00:17:22,079

and it was evident that anyone who knew

347

00:17:26,870 --> 00:17:24,640

anything could be interviewed

348

00:17:28,950 --> 00:17:26,880

there are reports of locals who would

349

00:17:30,630 --> 00:17:28,960

corroborate or sell any information they

350

00:17:33,510 --> 00:17:30,640

had for a good price

351  
00:17:35,669 --> 00:17:33,520  
and many journalists slapped it up even

352  
00:17:39,430 --> 00:17:35,679  
the japanese broadcasting corporations

353  
00:17:40,950 --> 00:17:39,440  
mtv japan and azahai tv did an editorial

354  
00:17:42,789 --> 00:17:40,960  
on aliashanka

355  
00:17:44,549 --> 00:17:42,799  
and in the words of one journalist

356  
00:17:46,870 --> 00:17:44,559  
through money that's anyone who could

357  
00:17:49,350 --> 00:17:46,880  
tell them about the alien

358  
00:17:52,150 --> 00:17:49,360  
many locals even went so far as to

359  
00:17:56,310 --> 00:17:52,160  
accuse tamara junior and neil

360  
00:18:01,350 --> 00:17:58,470  
yeah so some of the locals claimed that

361  
00:18:04,230 --> 00:18:01,360  
this was a hoax

362  
00:18:06,390 --> 00:18:04,240  
that they used you know uh they some of

363  
00:18:08,549 --> 00:18:06,400

the locals claimed that the family that

364

00:18:10,230 --> 00:18:08,559

came up with this story the old woman

365

00:18:14,310 --> 00:18:10,240

and and the

366

00:18:16,150 --> 00:18:14,320

uh and the daughter-in-law made the

367

00:18:19,190 --> 00:18:16,160

story up to make money

368

00:18:21,270 --> 00:18:19,200

but igor told me that except for local

369

00:18:22,710 --> 00:18:21,280

you know except for the interviews that

370

00:18:25,110 --> 00:18:22,720

they've done about it

371

00:18:26,830 --> 00:18:25,120

which he believes they mostly were not

372

00:18:29,990 --> 00:18:26,840

paid

373

00:18:33,510 --> 00:18:30,000

for they have not really

374

00:18:36,870 --> 00:18:33,520

profited from the story uh

375

00:18:41,190 --> 00:18:36,880

so just some more information

376

00:18:44,549 --> 00:18:41,200

uh that was sort of shared with me

377

00:18:48,230 --> 00:18:44,559

by this igor pointing me into some

378

00:18:51,510 --> 00:18:48,240

good directions uh

379

00:18:53,190 --> 00:18:51,520

okay so dr arena yamaglana

380

00:18:55,270 --> 00:18:53,200

one of the initial researchers who had

381

00:18:57,909 --> 00:18:55,280

seen the body firsthand

382

00:18:59,669 --> 00:18:57,919

recanted her original 1997 statement and

383

00:19:00,470 --> 00:18:59,679

declared that there was nothing alien

384

00:19:02,630 --> 00:19:00,480

about the body

385

00:19:03,669 --> 00:19:02,640

first she said that there was that it

386

00:19:08,830 --> 00:19:03,679

was not

387

00:19:11,430 --> 00:19:08,840

a human and i believe she was a

388

00:19:13,190 --> 00:19:11,440

biologist

389

00:19:16,150 --> 00:19:13,200

okay and she said about the creature

390

00:19:18,470 --> 00:19:16,160

that however it was no hoax but a

391

00:19:21,669 --> 00:19:18,480

genuine mummified body that was once

392

00:19:22,390 --> 00:19:21,679

living tissue she found that the state

393

00:19:25,110 --> 00:19:22,400

of the body

394

00:19:25,909 --> 00:19:25,120

corroborated with numerous cases of

395

00:19:28,950 --> 00:19:25,919

miscarried

396

00:19:31,909 --> 00:19:28,960

fetuses often found within

397

00:19:32,549 --> 00:19:31,919

20 to 25 weeks of development so first

398

00:19:35,110 --> 00:19:32,559

she says

399

00:19:37,110 --> 00:19:35,120

that it's an alien later shiva cancer

400

00:19:38,870 --> 00:19:37,120

statement and says that the body

401  
00:19:41,270 --> 00:19:38,880  
the state of the body corroborated with

402  
00:19:49,590 --> 00:19:41,280  
numerous cases of miscarried fetuses

403  
00:19:53,750 --> 00:19:51,350  
this researcher also claimed that she

404  
00:19:55,990 --> 00:19:53,760  
had counted a complete human ribcage and

405  
00:19:57,990 --> 00:19:56,000  
ample shoulder girth and wrist bones and

406  
00:19:59,750 --> 00:19:58,000  
whilst indeed the head was the strangest

407  
00:20:01,510 --> 00:19:59,760  
aspect of the body she explained that it

408  
00:20:04,870 --> 00:20:01,520  
could have been incompletely formed

409  
00:20:07,270 --> 00:20:04,880  
during fetal development

410  
00:20:08,070 --> 00:20:07,280  
just an interesting part of a part of

411  
00:20:12,230 --> 00:20:08,080  
the

412  
00:20:14,549 --> 00:20:12,240  
story and in her expert opinion dr yamak

413  
00:20:17,029 --> 00:20:14,559

yamaliba stated that the body was

414

00:20:18,070 --> 00:20:17,039

deformed as a result of radioactive

415

00:20:20,549 --> 00:20:18,080

fallout which had

416

00:20:23,190 --> 00:20:20,559

enormously affected the area of kishkin

417

00:20:25,750 --> 00:20:23,200

following a nuclear disaster in 1957.

418

00:20:26,630 --> 00:20:25,760

yes and it's relevant to this story that

419

00:20:29,350 --> 00:20:26,640

there was

420

00:20:29,830 --> 00:20:29,360

a nuclear fallout incident right in this

421

00:20:33,510 --> 00:20:29,840

town

422

00:20:33,990 --> 00:20:33,520

in 1957 and yes radiation lasts that

423

00:20:35,750 --> 00:20:34,000

long

424

00:20:37,110 --> 00:20:35,760

apparently it caused very high cancer

425

00:20:39,990 --> 00:20:37,120

rates in the area and

426

00:20:42,630 --> 00:20:40,000

also a great deal of birth defects so

427

00:20:46,310 --> 00:20:42,640

this scientist is attributed

428

00:20:49,270 --> 00:20:46,320

to attributing this to

429

00:20:52,230 --> 00:20:49,280

you know a human deformed fetus that was

430

00:20:53,990 --> 00:20:52,240

caused by the radiation fallout

431

00:20:56,149 --> 00:20:54,000

she further stated that she believed the

432

00:20:58,149 --> 00:20:56,159

infant had been born prematurely

433

00:21:00,230 --> 00:20:58,159

or was likely miscarried and that the

434

00:21:01,990 --> 00:21:00,240

distraught mother might have abandoned

435

00:21:06,870 --> 00:21:02,000

it in the forest for tamara

436

00:21:10,470 --> 00:21:08,630

however one person did not agree with

437

00:21:12,310 --> 00:21:10,480

her findings and that was bendland's

438

00:21:17,430 --> 00:21:12,320

clinical assistant

439

00:21:19,270 --> 00:21:17,440

lubov rominawa

440

00:21:20,710 --> 00:21:19,280

according to her numerous children with

441

00:21:23,270 --> 00:21:20,720

deformities and premature

442

00:21:24,230 --> 00:21:23,280

birth defects were nothing compared to

443

00:21:26,789 --> 00:21:24,240

what she had seen

444

00:21:28,230 --> 00:21:26,799

in the infant's body she described that

445

00:21:31,990 --> 00:21:28,240

alashenko was simply

446

00:21:34,710 --> 00:21:32,000

not of human origin and could not

447

00:21:36,630 --> 00:21:34,720

uh could note at least 20 different

448

00:21:37,669 --> 00:21:36,640

features which she stated were not

449

00:21:40,549 --> 00:21:37,679

commonly found

450

00:21:41,990 --> 00:21:40,559

in deformed human children there were

451  
00:21:43,750 --> 00:21:42,000  
many differences in the head and there

452  
00:21:46,149 --> 00:21:43,760  
were a lot of sharp edges in the skull

453  
00:21:48,310 --> 00:21:46,159  
cavity something never found in human

454  
00:21:51,430 --> 00:21:48,320  
children's skulls she insisted that

455  
00:21:52,070 --> 00:21:51,440  
human fetuses could not live for more

456  
00:21:55,190 --> 00:21:52,080  
than a few

457  
00:21:57,110 --> 00:21:55,200  
hours once exposed and remember

458  
00:21:58,310 --> 00:21:57,120  
this is russia it's freezing cold

459  
00:22:00,870 --> 00:21:58,320  
outside

460  
00:22:02,230 --> 00:22:00,880  
uh most areas of russia it's freezing

461  
00:22:03,990 --> 00:22:02,240  
cold outside and i

462  
00:22:05,270 --> 00:22:04,000  
i agree with that that i don't think a

463  
00:22:07,909 --> 00:22:05,280

human

464

00:22:08,470 --> 00:22:07,919

baby could survive very long left in the

465

00:22:10,549 --> 00:22:08,480

woods

466

00:22:13,590 --> 00:22:10,559

out in the elements especially if it was

467

00:22:15,270 --> 00:22:13,600

born prematurely

468

00:22:16,870 --> 00:22:15,280

experts insist that al-shankar was

469

00:22:17,590 --> 00:22:16,880

nothing more than an underdeveloped

470

00:22:19,510 --> 00:22:17,600

fetus

471

00:22:20,870 --> 00:22:19,520

there is a testament from tamara junior

472

00:22:22,630 --> 00:22:20,880

that the baby was alive

473

00:22:24,630 --> 00:22:22,640

and able to consume food and

474

00:22:29,029 --> 00:22:24,640

impossibility for a human child

475

00:22:34,230 --> 00:22:32,149

so even so that uh pushed him alien was

476

00:22:35,510 --> 00:22:34,240

still making headlines in 1999 when

477

00:22:37,190 --> 00:22:35,520

tamara senior

478

00:22:38,789 --> 00:22:37,200

attempted this is the sad part of the

479

00:22:42,070 --> 00:22:38,799

story so the woman

480

00:22:45,430 --> 00:22:42,080

uh who was you know found this

481

00:22:48,549 --> 00:22:45,440

supposed or alleged alien creature was

482

00:22:50,950 --> 00:22:48,559

hospitalized in a mental hospital and in

483

00:22:52,710 --> 00:22:50,960

1999 this woman tamara senior

484

00:22:55,430 --> 00:22:52,720

attempted to flee the institution where

485

00:22:57,590 --> 00:22:55,440

she was being treated for mental illness

486

00:22:58,470 --> 00:22:57,600

on a night in september she was seen on

487

00:23:01,029 --> 00:22:58,480

a wooded road

488

00:23:01,510 --> 00:23:01,039

outside the facility attempts to hail

489

00:23:02,870 --> 00:23:01,520

her went

490

00:23:04,789 --> 00:23:02,880

unanswered when suddenly out of the

491

00:23:05,190 --> 00:23:04,799

darkness came a speeding car running

492

00:23:07,350 --> 00:23:05,200

down

493

00:23:08,470 --> 00:23:07,360

and killing the elderly woman and what

494

00:23:11,669 --> 00:23:08,480

looked

495

00:23:13,990 --> 00:23:11,679

to be a deliberate hit and run some

496

00:23:15,830 --> 00:23:14,000

conspiracy theorists suggested there was

497

00:23:17,669 --> 00:23:15,840

more to this death due to the reports

498

00:23:18,789 --> 00:23:17,679

that she was going to be placed under

499

00:23:21,350 --> 00:23:18,799

hypnosis to

500

00:23:23,830 --> 00:23:21,360

recount the entire experience of finding

501  
00:23:25,669 --> 00:23:23,840  
this creature

502  
00:23:27,590 --> 00:23:25,679  
so we're left with more questions and

503  
00:23:29,590 --> 00:23:27,600  
few answers and although the case may be

504  
00:23:30,789 --> 00:23:29,600  
closed there is a newfound appreciation

505  
00:23:33,830 --> 00:23:30,799  
for the story

506  
00:23:35,750 --> 00:23:33,840  
which now appears to grow with each

507  
00:23:39,909 --> 00:23:35,760  
recounting of the story and this

508  
00:23:42,950 --> 00:23:39,919  
we see is very common friends what was

509  
00:23:46,789 --> 00:23:42,960  
aleshenka was it truly

510  
00:23:49,990 --> 00:23:46,799  
uh you know an underdeveloped

511  
00:23:51,830 --> 00:23:50,000  
deformed human fetus a premature birth

512  
00:23:53,830 --> 00:23:51,840  
that was left out in the woods because

513  
00:23:56,310 --> 00:23:53,840

it was deformed

514

00:23:59,029 --> 00:23:56,320

was it the result of radioactive fallout

515

00:24:02,630 --> 00:23:59,039

that may have caused a human deformity

516

00:24:06,470 --> 00:24:02,640

or was a genuine

517

00:24:12,789 --> 00:24:06,480

alien being found in those

518

00:24:20,149 --> 00:24:16,789

was it perhaps an alien that had

519

00:24:23,190 --> 00:24:20,159

lost its ride home

520

00:24:24,789 --> 00:24:23,200

was it an alien that was separated from

521

00:24:28,789 --> 00:24:24,799

its

522

00:24:35,909 --> 00:24:28,799

crewmates and did they really come back

523

00:24:41,750 --> 00:24:38,950

one possibility however you know

524

00:24:42,789 --> 00:24:41,760

it should be important to this story

525

00:24:46,310 --> 00:24:42,799

that the woman that

526  
00:24:49,430 --> 00:24:46,320  
found the so-called alien baby

527  
00:24:51,590 --> 00:24:49,440  
uh again was later hospitalized for

528  
00:24:55,110 --> 00:24:51,600  
mental illness

529  
00:24:58,830 --> 00:24:55,120  
but i believe that the daughter-in-law

530  
00:25:02,390 --> 00:24:58,840  
seemed pretty lucid

531  
00:25:05,430 --> 00:25:02,400  
pretty sane to me and the daughter

532  
00:25:09,430 --> 00:25:05,440  
claimed that the baby was alive and that

533  
00:25:10,870 --> 00:25:09,440  
this elderly woman would feed it

534  
00:25:13,269 --> 00:25:10,880  
i'd be interested to see what she was

535  
00:25:15,990 --> 00:25:13,279  
feeding it and why not give

536  
00:25:16,390 --> 00:25:16,000  
what you think is a newborn baby milk

537  
00:25:19,909 --> 00:25:16,400  
right

538  
00:25:21,750 --> 00:25:19,919

why are you feeding it something else

539

00:25:26,230 --> 00:25:21,760

but apparently she was feeding it solid

540

00:25:30,230 --> 00:25:28,870

and did the russian government did they

541

00:25:34,549 --> 00:25:30,240

want to cover up

542

00:25:34,870 --> 00:25:34,559

uh there have been conspiracy theories

543

00:25:37,430 --> 00:25:34,880

and

544

00:25:39,669 --> 00:25:37,440

reports that people were threatened made

545

00:25:41,350 --> 00:25:39,679

to sign non-disclosure agreements their

546

00:25:43,590 --> 00:25:41,360

families threatened their lives

547

00:25:49,909 --> 00:25:43,600

threatened to keep quiet about the

548

00:25:56,549 --> 00:25:53,750

you know this is one of those stories

549

00:25:58,710 --> 00:25:56,559

could it be real yeah or it could be

550

00:26:01,909 --> 00:25:58,720

something as simple as a premature

551  
00:26:05,510 --> 00:26:01,919  
deformed baby left out in the woods

552  
00:26:08,789 --> 00:26:05,520  
and i find either

553  
00:26:11,909 --> 00:26:08,799  
possibility you know like a

554  
00:26:15,350 --> 00:26:11,919  
a baby left out in the woods that is a

555  
00:26:17,750 --> 00:26:15,360  
sad tragic tragic thing or

556  
00:26:20,390 --> 00:26:17,760  
if it was indeed an alien that somehow

557  
00:26:25,669 --> 00:26:20,400  
got marooned here on planet earth

558  
00:26:27,750 --> 00:26:25,679  
again that's sad and tragic

559  
00:26:29,750 --> 00:26:27,760  
the media coverage and interest in this

560  
00:26:33,350 --> 00:26:29,760  
story according to my russian

561  
00:26:35,750 --> 00:26:33,360  
uh contact has pretty much waned and no

562  
00:26:40,149 --> 00:26:35,760  
one has talked about the story

563  
00:26:42,710 --> 00:26:40,159

in quite some time the story

564

00:26:44,390 --> 00:26:42,720

he says has been met with mostly

565

00:26:47,750 --> 00:26:44,400

skepticism

566

00:26:49,590 --> 00:26:47,760

uh but there is an equal

567

00:26:51,830 --> 00:26:49,600

some would say there is an equal amount

568

00:26:52,470 --> 00:26:51,840

of credible evidence that this could not

569

00:26:57,750 --> 00:26:52,480

have been

570

00:27:00,070 --> 00:26:57,760

a human which is interesting to me

571

00:27:01,669 --> 00:27:00,080

so no one really denies that something

572

00:27:05,430 --> 00:27:01,679

was found in the forest

573

00:27:09,909 --> 00:27:07,909

and whatever it was it really touched

574

00:27:12,390 --> 00:27:09,919

the life of this elderly woman

575

00:27:14,710 --> 00:27:12,400

she believed that she treated it like

576  
00:27:18,149 --> 00:27:14,720  
her own baby

577  
00:27:23,590 --> 00:27:18,159  
and that my friends may say something

578  
00:27:28,950 --> 00:27:26,710  
something about human compassion

579  
00:27:30,310 --> 00:27:28,960  
that this woman found this deformed

580  
00:27:33,029 --> 00:27:30,320  
creature

581  
00:27:34,230 --> 00:27:33,039  
in the woods and still treated it with

582  
00:27:38,310 --> 00:27:34,240  
love and respect

583  
00:27:38,320 --> 00:27:42,070  
maybe those aliens

584  
00:27:45,269 --> 00:27:44,630  
learned something about the human race

585  
00:27:49,029 --> 00:27:45,279  
from this

586  
00:27:52,470 --> 00:27:49,039  
poor elderly woman

587  
00:27:54,789 --> 00:27:52,480  
and with that my friends we will

588  
00:27:55,669 --> 00:27:54,799

turn our total attention to the live

589

00:27:59,190 --> 00:27:55,679

chat

590

00:28:01,750 --> 00:27:59,200

uh if you have comments questions

591

00:28:03,029 --> 00:28:01,760

for me please do put them in all caps

592

00:28:05,350 --> 00:28:03,039

remember my

593

00:28:06,070 --> 00:28:05,360

vision impairment and the all caps

594

00:28:09,909 --> 00:28:06,080

really does

595

00:28:15,830 --> 00:28:13,669

pete deeney uh can you give me the other

596

00:28:17,350 --> 00:28:15,840

link i'd rather not use facebook yes

597

00:28:19,350 --> 00:28:17,360

pete if you want to come

598

00:28:21,110 --> 00:28:19,360

to you got to come to youtube if you

599

00:28:24,310 --> 00:28:21,120

look on my facebook profile

600

00:28:25,669 --> 00:28:24,320

i gave the link to the show on youtube

601  
00:28:28,630 --> 00:28:25,679  
and you can come

602  
00:28:30,389 --> 00:28:28,640  
and be involved in our live chat and

603  
00:28:33,510 --> 00:28:30,399  
discussion here and it's good to see an

604  
00:28:35,110 --> 00:28:33,520  
old rock friend of mine from ages ago i

605  
00:28:38,230 --> 00:28:35,120  
haven't seen pete in a long time i hope

606  
00:28:40,389 --> 00:28:38,240  
you and your family are doing well

607  
00:28:41,909 --> 00:28:40,399  
so you can just click on the link that i

608  
00:28:50,549 --> 00:28:41,919  
put on facebook for

609  
00:28:56,070 --> 00:28:53,909  
uh ufo gandalf says this is a good topic

610  
00:28:57,190 --> 00:28:56,080  
i was enjoying watching yes thank you

611  
00:29:00,789 --> 00:28:57,200  
ufo gandalf

612  
00:29:03,750 --> 00:29:00,799  
i uh really want to focus

613  
00:29:05,990 --> 00:29:03,760

on some of the lesser known stories that

614

00:29:09,110 --> 00:29:06,000

we don't hear very much about

615

00:29:10,230 --> 00:29:09,120

in our so-called strange land of

616

00:29:12,070 --> 00:29:10,240

conspiracyville

617

00:29:13,669 --> 00:29:12,080

ufo land whatever you want to call this

618

00:29:15,750 --> 00:29:13,679

strange community

619

00:29:16,870 --> 00:29:15,760

there are some incredible stories out

620

00:29:19,990 --> 00:29:16,880

there

621

00:29:20,950 --> 00:29:20,000

that we don't really hear much about and

622

00:29:24,310 --> 00:29:20,960

uh

623

00:29:24,830 --> 00:29:24,320

you know this one i believe is one of

624

00:29:28,310 --> 00:29:24,840

the

625

00:29:30,230 --> 00:29:28,320

great story and i have not heard very

626  
00:29:31,669 --> 00:29:30,240  
much about this story so i wanted to

627  
00:29:35,669 --> 00:29:31,679  
bring it to you guys

628  
00:29:38,310 --> 00:29:35,679  
and i did do my listen i did my best to

629  
00:29:38,870 --> 00:29:38,320  
do some of my own research but it's very

630  
00:29:41,909 --> 00:29:38,880  
difficult

631  
00:29:43,029 --> 00:29:41,919  
this being taking place in russia so i

632  
00:29:45,350 --> 00:29:43,039  
reached out to

633  
00:29:47,029 --> 00:29:45,360  
sort of a friend of a friend who's in

634  
00:29:49,350 --> 00:29:47,039  
russia and is a

635  
00:29:50,230 --> 00:29:49,360  
ufo investigator and he's written that

636  
00:29:51,669 --> 00:29:50,240  
book i believe

637  
00:29:53,590 --> 00:29:51,679  
maybe we'll have him on as a guest to

638  
00:29:57,430 --> 00:29:53,600

talk about this if

639

00:30:00,470 --> 00:29:57,440

we can find enough new information

640

00:30:00,870 --> 00:30:00,480

about this specific case we will do a

641

00:30:04,070 --> 00:30:00,880

part

642

00:30:07,029 --> 00:30:04,080

two but i can't promise anything because

643

00:30:08,950 --> 00:30:07,039

igor this russian gentleman and i talked

644

00:30:09,590 --> 00:30:08,960

about this back and forth then he's kind

645

00:30:12,070 --> 00:30:09,600

of coming up

646

00:30:12,870 --> 00:30:12,080

empty trying to dig up anything more

647

00:30:15,029 --> 00:30:12,880

than what

648

00:30:16,149 --> 00:30:15,039

is generally already out there about the

649

00:30:17,909 --> 00:30:16,159

story but he

650

00:30:19,190 --> 00:30:17,919

agrees with me that we need to get to

651

00:30:21,830 --> 00:30:19,200

the scientists

652

00:30:22,870 --> 00:30:21,840

that did the dna tests and interview

653

00:30:25,350 --> 00:30:22,880

that scientist

654

00:30:26,149 --> 00:30:25,360

and get more details about these dna

655

00:30:28,149 --> 00:30:26,159

tests

656

00:30:30,789 --> 00:30:28,159

also to find out if any samples still

657

00:30:31,269 --> 00:30:30,799

exist and might be retested with much

658

00:30:34,389 --> 00:30:31,279

more

659

00:30:36,310 --> 00:30:34,399

modern dna technology that we have today

660

00:30:38,870 --> 00:30:36,320

we should be able to get much more

661

00:30:42,630 --> 00:30:38,880

information on the dna

662

00:30:44,389 --> 00:30:42,640

uh if it can be sequenced too

663

00:30:46,070 --> 00:30:44,399

maybe it can be sequenced today and it

664

00:30:48,070 --> 00:30:46,080

couldn't be back then

665

00:30:57,830 --> 00:30:48,080

i would be very interested in speaking

666

00:31:01,350 --> 00:30:59,830

genocide i like bedtime stories fun

667

00:31:04,230 --> 00:31:01,360

channel yes and uh

668

00:31:04,789 --> 00:31:04,240

fair use i was reading from uh their

669

00:31:06,710 --> 00:31:04,799

video

670

00:31:08,950 --> 00:31:06,720

some of the some of the information

671

00:31:10,789 --> 00:31:08,960

especially about her being killed by hit

672

00:31:14,149 --> 00:31:10,799

and run that's really terrible

673

00:31:16,310 --> 00:31:14,159

it's tragic okay

674

00:31:18,070 --> 00:31:16,320

is handling it without gloves and it

675

00:31:19,830 --> 00:31:18,080

might be an it is an alien

676

00:31:21,590 --> 00:31:19,840

or it might be an alien yeah i don't

677

00:31:22,549 --> 00:31:21,600

know why you wouldn't put on gloves to

678

00:31:25,110 --> 00:31:22,559

handle something

679

00:31:26,950 --> 00:31:25,120

like a it's a biological specimen it's

680

00:31:29,190 --> 00:31:26,960

probably not a good idea

681

00:31:31,110 --> 00:31:29,200

yeah there could be there could be all

682

00:31:33,830 --> 00:31:31,120

kinds of contagions right

683

00:31:35,990 --> 00:31:33,840

there could be alien germs there could

684

00:31:38,310 --> 00:31:36,000

be alien bacteria there could be

685

00:31:39,750 --> 00:31:38,320

all manner of things on that thing i

686

00:31:45,830 --> 00:31:39,760

don't know why

687

00:31:53,909 --> 00:31:45,840

touch it without gloves that's kind of

688

00:31:58,389 --> 00:31:56,549

pete deeney says acid yeah pete on my

689

00:31:59,269 --> 00:31:58,399

other youtube channel i have the

690

00:32:02,310 --> 00:31:59,279

original

691

00:32:04,870 --> 00:32:02,320

attempt we we never really finished this

692

00:32:05,750 --> 00:32:04,880

album but i took like the rough mixes

693

00:32:07,990 --> 00:32:05,760

and put it on

694

00:32:09,509 --> 00:32:08,000

uh put it on my other youtube channel

695

00:32:11,590 --> 00:32:09,519

and that you can find just by searching

696

00:32:16,070 --> 00:32:11,600

steve cambion on

697

00:32:17,909 --> 00:32:16,080

on youtube phoebe says stephen not even

698

00:32:20,950 --> 00:32:17,919

worried

699

00:32:24,149 --> 00:32:20,960

yeah no problem yeah

700

00:32:26,389 --> 00:32:24,159

i'll just touch this thing genocide says

701  
00:32:27,269 --> 00:32:26,399  
i got two streams going he's over in the

702  
00:32:30,070 --> 00:32:27,279  
twitch chat

703  
00:32:31,669 --> 00:32:30,080  
which i like you know what i'm finding

704  
00:32:34,789 --> 00:32:31,679  
funny is that

705  
00:32:35,430 --> 00:32:34,799  
people are i could see like one show we

706  
00:32:37,590 --> 00:32:35,440  
had five

707  
00:32:39,110 --> 00:32:37,600  
people or seven people in the twitch

708  
00:32:41,350 --> 00:32:39,120  
chat and then

709  
00:32:42,549 --> 00:32:41,360  
the stream the twitch stream ends and

710  
00:32:45,269 --> 00:32:42,559  
then i look and it says

711  
00:32:46,549 --> 00:32:45,279  
zero views so i don't understand what's

712  
00:32:49,909 --> 00:32:46,559  
going on with twitch

713  
00:32:52,230 --> 00:32:49,919

uh i'm gonna have to look into that

714

00:32:54,070 --> 00:32:52,240

may i think maybe it takes quite a long

715

00:32:56,710 --> 00:32:54,080

time for them to count the views because

716

00:32:58,470 --> 00:32:56,720

then the next day it'll say 10 views or

717

00:33:03,269 --> 00:32:58,480

i don't know i don't know how any of

718

00:33:03,279 --> 00:33:08,470

oh let me get all caught up

719

00:33:12,630 --> 00:33:10,549

john claw that be on mystic makes a good

720

00:33:14,630 --> 00:33:12,640

point maybe that's why the old lady fell

721

00:33:16,389 --> 00:33:14,640

sick all of a sudden could be she there

722

00:33:21,830 --> 00:33:16,399

could have been some kind of alien

723

00:33:25,190 --> 00:33:23,509

professor fez the stretch head is where

724

00:33:26,870 --> 00:33:25,200

it was pulled out with a hoof during the

725

00:33:27,909 --> 00:33:26,880

abortion it may have lived for a little

726

00:33:30,710 --> 00:33:27,919

while

727

00:33:33,190 --> 00:33:30,720

well that's another sad possibility

728

00:33:35,669 --> 00:33:33,200

thanks professor fez

729

00:33:37,509 --> 00:33:35,679

what a downer could have been it could

730

00:33:37,990 --> 00:33:37,519

it could very well have been that some

731

00:33:40,870 --> 00:33:38,000

russian

732

00:33:41,190 --> 00:33:40,880

girl or woman went out in the woods and

733

00:33:43,909 --> 00:33:41,200

did

734

00:33:44,710 --> 00:33:43,919

her own abortion and just left the fetus

735

00:33:47,190 --> 00:33:44,720

there and it

736

00:33:48,789 --> 00:33:47,200

and it survived for a time that is

737

00:33:53,590 --> 00:33:48,799

another

738

00:33:55,590 --> 00:33:53,600

pixley what does your russian guy say

739

00:33:56,950 --> 00:33:55,600

about skinny bob he believes that it is

740

00:33:59,269 --> 00:33:56,960

a cleverly

741

00:34:00,630 --> 00:33:59,279

crafted hoax we did talk about that case

742

00:34:03,269 --> 00:34:00,640

as well

743

00:34:03,990 --> 00:34:03,279

uh but he could provide no evidence it's

744

00:34:06,950 --> 00:34:04,000

just his

745

00:34:07,990 --> 00:34:06,960

feeling that that's a cleverly crafted

746

00:34:12,230 --> 00:34:08,000

hoax

747

00:34:18,829 --> 00:34:12,240

but yeah i'm still on the fence about

748

00:34:23,589 --> 00:34:20,950

ever

749

00:34:27,030 --> 00:34:23,599

i got no notice and my sub page says the

750

00:34:32,629 --> 00:34:30,230

sorry vanessa you know

751

00:34:34,310 --> 00:34:32,639

i'm gonna start i'm gonna take i did

752

00:34:36,710 --> 00:34:34,320

some testing today i'm going to take

753

00:34:39,190 --> 00:34:36,720

john claude from beyond mystics

754

00:34:40,069 --> 00:34:39,200

advice and i'm going to schedule shows

755

00:34:42,550 --> 00:34:40,079

in advance

756

00:34:44,389 --> 00:34:42,560

and they'll be on the channel and i'll

757

00:34:45,030 --> 00:34:44,399

put in the description what time they're

758

00:34:48,950 --> 00:34:45,040

going to play

759

00:34:52,950 --> 00:34:48,960

so that everybody knows

760

00:34:56,470 --> 00:34:52,960

when when the shows happen but generally

761

00:34:57,750 --> 00:34:56,480

monday monday through wednesday we do a

762

00:35:00,150 --> 00:34:57,760

show at 10 p.m

763

00:35:02,230 --> 00:35:00,160

on thursday we do and this is today we

764

00:35:05,349 --> 00:35:02,240

do a show at 11 p.m

765

00:35:07,030 --> 00:35:05,359

so that schedule should continue but i

766

00:35:08,630 --> 00:35:07,040

am going to try to add some daytime

767

00:35:11,430 --> 00:35:08,640

streams

768

00:35:13,829 --> 00:35:11,440

and you know professor fez mentions

769

00:35:15,829 --> 00:35:13,839

there is a hole in the back of its head

770

00:35:17,589 --> 00:35:15,839

yeah it could have been you know that

771

00:35:20,790 --> 00:35:17,599

sort of

772

00:35:23,190 --> 00:35:20,800

your theory about it could have been

773

00:35:24,710 --> 00:35:23,200

a self-performed abortion with some kind

774

00:35:28,069 --> 00:35:24,720

of a coat hanger or a hook

775

00:35:37,030 --> 00:35:28,079

that's that is sad

776

00:35:40,310 --> 00:35:39,349

genocide says i was on time and i am

777

00:35:45,109 --> 00:35:40,320

high

778

00:35:46,950 --> 00:35:45,119

yeah great

779

00:35:48,710 --> 00:35:46,960

yeah so if you have any questions or

780

00:35:50,470 --> 00:35:48,720

comments for me friends please do put

781

00:35:53,589 --> 00:35:50,480

them in all caps

782

00:35:56,230 --> 00:35:53,599

uh just a note about

783

00:35:58,150 --> 00:35:56,240

uh how to support the show there's a few

784

00:35:59,510 --> 00:35:58,160

ways to support our show here if you

785

00:36:02,550 --> 00:35:59,520

like this kind of content

786

00:36:05,589 --> 00:36:02,560

want to see me continue with this show

787

00:36:07,990 --> 00:36:05,599

there's a patreon

788

00:36:10,550 --> 00:36:08,000

donate button on our about page you can

789

00:36:12,630 --> 00:36:10,560

become a patreon supporter

790

00:36:13,910 --> 00:36:12,640

and you get lots of free goodies and a

791

00:36:16,550 --> 00:36:13,920

backstage pass

792

00:36:18,150 --> 00:36:16,560

i do an audio journal every month uh

793

00:36:19,750 --> 00:36:18,160

sort of talking about what's going on

794

00:36:21,510 --> 00:36:19,760

behind the scenes with the show what's

795

00:36:23,349 --> 00:36:21,520

coming up what's good

796

00:36:25,349 --> 00:36:23,359

that's included with the patreon and

797

00:36:27,190 --> 00:36:25,359

also basically any

798

00:36:29,109 --> 00:36:27,200

project i'm working on the patreon

799

00:36:31,430 --> 00:36:29,119

people get it first i'm happy to say

800

00:36:33,750 --> 00:36:31,440

that the final mind hack demo will be

801  
00:36:35,349 --> 00:36:33,760  
delivered to my patreon supporters

802  
00:36:37,190 --> 00:36:35,359  
and at that point they'll have the

803  
00:36:39,589 --> 00:36:37,200  
entire audio of the thing

804  
00:36:40,390 --> 00:36:39,599  
but there's more to the mind hack system

805  
00:36:43,430 --> 00:36:40,400  
in the form of

806  
00:36:44,150 --> 00:36:43,440  
videos uh set to the audio that we've

807  
00:36:47,829 --> 00:36:44,160  
already

808  
00:36:49,910 --> 00:36:47,839  
got just about completed now and the

809  
00:36:52,310 --> 00:36:49,920  
mind hack system will be a commercial

810  
00:36:53,270 --> 00:36:52,320  
and retail ready product within the next

811  
00:36:57,349 --> 00:36:53,280  
month

812  
00:36:59,030 --> 00:36:57,359  
but the patreon supporters get it first

813  
00:37:01,670 --> 00:36:59,040

for those that are not familiar with the

814

00:37:04,069 --> 00:37:01,680

mindhack system it is a combination

815

00:37:05,190 --> 00:37:04,079

it's my own personal system that i've

816

00:37:07,349 --> 00:37:05,200

been developing

817

00:37:08,470 --> 00:37:07,359

quite honestly and using on myself for

818

00:37:10,630 --> 00:37:08,480

years

819

00:37:12,310 --> 00:37:10,640

it's a it's a system designed to hack

820

00:37:15,430 --> 00:37:12,320

your mind for success

821

00:37:16,790 --> 00:37:15,440

to hack your mind uh you know to prevent

822

00:37:20,310 --> 00:37:16,800

procrastination

823

00:37:23,030 --> 00:37:20,320

to make you overcome obstacles

824

00:37:25,030 --> 00:37:23,040

it's a it's a combination of binaural

825

00:37:27,910 --> 00:37:25,040

beats

826

00:37:28,870 --> 00:37:27,920

uh hypnotic inductions guided

827

00:37:32,470 --> 00:37:28,880

meditations

828

00:37:33,109 --> 00:37:32,480

and also a lot of motivational speaking

829

00:37:35,750 --> 00:37:33,119

by me

830

00:37:36,710 --> 00:37:35,760

so if you want me to like yell at you

831

00:37:39,430 --> 00:37:36,720

every morning

832

00:37:41,349 --> 00:37:39,440

to get off up off your ass and let's go

833

00:37:43,829 --> 00:37:41,359

after this dream you have

834

00:37:45,670 --> 00:37:43,839

that's kind of what that part of it is

835

00:37:46,790 --> 00:37:45,680

i'm very proud of this mind hack thing

836

00:37:48,950 --> 00:37:46,800

because

837

00:37:49,990 --> 00:37:48,960

uh i learned some time ago that these

838

00:37:53,190 --> 00:37:50,000

binaural beats

839

00:37:56,230 --> 00:37:53,200

at least for me are very very helpful

840

00:37:59,670 --> 00:37:56,240

we're including a binaural beat

841

00:38:01,349 --> 00:37:59,680

for each brainwave state and these

842

00:38:04,150 --> 00:38:01,359

binaural beats can help you

843

00:38:04,630 --> 00:38:04,160

get into either a relaxed brainwave

844

00:38:07,030 --> 00:38:04,640

state

845

00:38:08,870 --> 00:38:07,040

or you know an active concentrating

846

00:38:11,270 --> 00:38:08,880

brainwave state

847

00:38:13,430 --> 00:38:11,280

i have been using these type of things

848

00:38:15,270 --> 00:38:13,440

for years and i'm interested in human

849

00:38:19,670 --> 00:38:15,280

potential

850

00:38:21,349 --> 00:38:19,680

and sort of what

851

00:38:23,430 --> 00:38:21,359

i'm kind of interested in in the

852

00:38:23,750 --> 00:38:23,440

differences between people why is it

853

00:38:27,190 --> 00:38:23,760

that

854

00:38:32,150 --> 00:38:27,200

some people achieve amazing things right

855

00:38:35,990 --> 00:38:32,160

and other people uh just are not able to

856

00:38:37,589 --> 00:38:36,000

do anything extraordinary you know there

857

00:38:40,230 --> 00:38:37,599

are just some people that

858

00:38:41,829 --> 00:38:40,240

i feel like they have an extraordinary

859

00:38:44,390 --> 00:38:41,839

ability to manifest

860

00:38:45,349 --> 00:38:44,400

whatever it is that they want to do they

861

00:38:47,829 --> 00:38:45,359

go after it

862

00:38:48,710 --> 00:38:47,839

and they do it and i wanted to know the

863

00:38:50,710 --> 00:38:48,720

difference so

864

00:38:52,390 --> 00:38:50,720

i began studying human potential at a

865

00:38:55,030 --> 00:38:52,400

young age

866

00:38:57,190 --> 00:38:55,040

you know all of this stuff tony robbins

867

00:38:59,349 --> 00:38:57,200

personal power and les brown

868

00:39:00,390 --> 00:38:59,359

and and uh how to win friends and

869

00:39:02,790 --> 00:39:00,400

influence people

870

00:39:03,750 --> 00:39:02,800

and all this human potential stuff i've

871

00:39:05,510 --> 00:39:03,760

been interested in

872

00:39:07,030 --> 00:39:05,520

in some time and i've sort of wrapped a

873

00:39:09,430 --> 00:39:07,040

lot of that into

874

00:39:11,670 --> 00:39:09,440

this mind hack system and the system is

875

00:39:16,790 --> 00:39:11,680

designed so that you can

876

00:39:19,829 --> 00:39:16,800

take this course uh watch these videos

877

00:39:22,950 --> 00:39:19,839

uh listen to this these audio tracks

878

00:39:24,790 --> 00:39:22,960

and they will help you achieve

879

00:39:27,190 --> 00:39:24,800

whatever it is that you're trying to

880

00:39:29,270 --> 00:39:27,200

achieve i've always been very interested

881

00:39:29,829 --> 00:39:29,280

in why some people can just say they're

882

00:39:32,069 --> 00:39:29,839

going to do

883

00:39:34,230 --> 00:39:32,079

something and they do it i've done some

884

00:39:36,390 --> 00:39:34,240

crazy things in my life

885

00:39:37,510 --> 00:39:36,400

and it's it's really interesting to me

886

00:39:41,109 --> 00:39:37,520

that most often

887

00:39:42,790 --> 00:39:41,119

the people even close friends or family

888

00:39:43,829 --> 00:39:42,800

would say things to me like

889

00:39:46,069 --> 00:39:43,839

you're not going to be able to do that

890

00:39:47,030 --> 00:39:46,079

you don't know anything about that but i

891

00:39:50,950 --> 00:39:47,040

figure it out

892

00:39:53,750 --> 00:39:50,960

and i do it and i'm able to

893

00:39:54,870 --> 00:39:53,760

i really do believe i'm able to do

894

00:39:57,589 --> 00:39:54,880

things that most

895

00:39:58,069 --> 00:39:57,599

people are not able to do does that make

896

00:40:02,950 --> 00:39:58,079

me

897

00:40:05,190 --> 00:40:02,960

knowledge about

898

00:40:07,109 --> 00:40:05,200

how to overcome obstacles how to avoid

899

00:40:10,950 --> 00:40:07,119

procrastination how to

900

00:40:14,550 --> 00:40:10,960

go after those dreams that i have with

901  
00:40:18,150 --> 00:40:14,560  
gusto and passion and glory

902  
00:40:20,550 --> 00:40:18,160  
right with connection to the source

903  
00:40:22,069 --> 00:40:20,560  
anything is possible and i talk about

904  
00:40:23,750 --> 00:40:22,079  
all this in the mind hack system i'm

905  
00:40:24,710 --> 00:40:23,760  
sorry kind of veering way off course

906  
00:40:27,109 --> 00:40:24,720  
here

907  
00:40:29,349 --> 00:40:27,119  
the point is the patreon people are

908  
00:40:30,710 --> 00:40:29,359  
getting this mind hack system for free

909  
00:40:32,390 --> 00:40:30,720  
well not really free you have to pay a

910  
00:40:35,510 --> 00:40:32,400  
dollar a month or more

911  
00:40:36,390 --> 00:40:35,520  
but every time i finish a section a

912  
00:40:39,430 --> 00:40:36,400  
piece of this

913  
00:40:41,589 --> 00:40:39,440

mind hack product it goes on

914

00:40:43,670 --> 00:40:41,599

the patreon and and the patreon

915

00:40:47,510 --> 00:40:43,680

supporters get access to it

916

00:40:51,349 --> 00:40:47,520

many people are already emailing me

917

00:40:53,190 --> 00:40:51,359

uh how much they think that this course

918

00:40:55,829 --> 00:40:53,200

what kind of value they think that it

919

00:40:56,390 --> 00:40:55,839

has and how much it has helped them to

920

00:40:59,670 --> 00:40:56,400

focus

921

00:41:01,349 --> 00:40:59,680

more to be more uh passionate about

922

00:41:02,870 --> 00:41:01,359

going after those things that they're

923

00:41:05,349 --> 00:41:02,880

trying to accomplish

924

00:41:06,069 --> 00:41:05,359

and again it's just a combination of

925

00:41:09,589 --> 00:41:06,079

many different

926  
00:41:13,109 --> 00:41:09,599  
things i wondered very young

927  
00:41:15,349 --> 00:41:13,119  
i sort of developed the prototype

928  
00:41:17,349 --> 00:41:15,359  
of the system that is in really

929  
00:41:19,349 --> 00:41:17,359  
development now this mind hex system

930  
00:41:21,270 --> 00:41:19,359  
long time ago years ago i developed this

931  
00:41:22,309 --> 00:41:21,280  
system using these binaural beats and i

932  
00:41:24,470 --> 00:41:22,319  
would listen to this

933  
00:41:26,550 --> 00:41:24,480  
positive reinforcement after listening

934  
00:41:27,430 --> 00:41:26,560  
to a hypnotic induction so that it would

935  
00:41:36,710 --> 00:41:27,440  
really

936  
00:41:39,349 --> 00:41:36,720  
secret things about how to get

937  
00:41:40,150 --> 00:41:39,359  
ahead of getting at what you want to

938  
00:41:43,349 --> 00:41:40,160

manifest

939

00:41:44,950 --> 00:41:43,359

in this system and even in pieces on the

940

00:41:47,270 --> 00:41:44,960

patreon i'm getting a lot of nice

941

00:41:49,109 --> 00:41:47,280

messages about how valuable people think

942

00:41:50,710 --> 00:41:49,119

it is and i'm very excited about it

943

00:41:53,109 --> 00:41:50,720

hopefully it's going to be finished by

944

00:41:55,190 --> 00:41:53,119

next month and for sale

945

00:41:56,950 --> 00:41:55,200

here on this show will be the first

946

00:41:58,309 --> 00:41:56,960

person selling it i'm reaching out to

947

00:42:00,710 --> 00:41:58,319

some other shows

948

00:42:01,510 --> 00:42:00,720

to sort of play my commercials and drive

949

00:42:03,589 --> 00:42:01,520

people to

950

00:42:05,349 --> 00:42:03,599

purchase it but if you're a patreon

951  
00:42:07,349 --> 00:42:05,359  
supporter you get it first

952  
00:42:09,589 --> 00:42:07,359  
the other way to support me is a paypal

953  
00:42:11,270 --> 00:42:09,599  
donate button there is a paypal donate

954  
00:42:14,309 --> 00:42:11,280  
button and you too

955  
00:42:17,430 --> 00:42:14,319  
can send me your money and

956  
00:42:20,630 --> 00:42:17,440  
uh the patreon the paypal money really

957  
00:42:23,109 --> 00:42:20,640  
uh really helps because you know

958  
00:42:24,069 --> 00:42:23,119  
just things that i need i purchased from

959  
00:42:26,550 --> 00:42:24,079  
that like

960  
00:42:27,349 --> 00:42:26,560  
i purchased paint and the mask making

961  
00:42:30,470 --> 00:42:27,359  
and mask

962  
00:42:32,790 --> 00:42:30,480  
materials to do that uh

963  
00:42:35,030 --> 00:42:32,800

crazy thing we did on the david wilcox

964

00:42:35,510 --> 00:42:35,040

box of dildos challenge and i just used

965

00:42:38,309 --> 00:42:35,520

some

966

00:42:39,030 --> 00:42:38,319

of the paypal donations for that uh

967

00:42:41,190 --> 00:42:39,040

purchased

968

00:42:42,550 --> 00:42:41,200

a better microphone from the paypal

969

00:42:45,349 --> 00:42:42,560

donations

970

00:42:47,430 --> 00:42:45,359

the patreon money goes to you know i

971

00:42:48,230 --> 00:42:47,440

bought some of the webcams the backdrop

972

00:42:50,309 --> 00:42:48,240

the lighting

973

00:42:52,309 --> 00:42:50,319

everything here is viewer supported

974

00:42:52,870 --> 00:42:52,319

which i'm very proud of and i just want

975

00:42:54,230 --> 00:42:52,880

to thank

976

00:42:56,550 --> 00:42:54,240

each and every one of you who have

977

00:42:57,430 --> 00:42:56,560

either donated or become a patreon

978

00:42:59,670 --> 00:42:57,440

supporter

979

00:43:02,069 --> 00:42:59,680

it means a great deal to me that people

980

00:43:05,190 --> 00:43:02,079

value what it is that i'm doing

981

00:43:08,230 --> 00:43:05,200

because honestly after this rona hit

982

00:43:09,190 --> 00:43:08,240

i uh you know i started getting

983

00:43:12,390 --> 00:43:09,200

depressed

984

00:43:15,109 --> 00:43:12,400

i had nothing to do i have not nope

985

00:43:15,589 --> 00:43:15,119

you know all of my goals got blown to

986

00:43:18,230 --> 00:43:15,599

[h\_\_\h]

987

00:43:20,710 --> 00:43:18,240

and i was unable to do a lot of the

988

00:43:24,069 --> 00:43:20,720

things that i had planned to do

989

00:43:26,470 --> 00:43:24,079

after this runa hit so i sort of

990

00:43:27,829 --> 00:43:26,480

refocused my energy into doing this show

991

00:43:31,990 --> 00:43:27,839

which was a big

992

00:43:32,790 --> 00:43:32,000

big huge project on my to-do list but i

993

00:43:35,109 --> 00:43:32,800

could never

994

00:43:37,030 --> 00:43:35,119

get to do all that it's so much work to

995

00:43:38,870 --> 00:43:37,040

do all these videos and to do the

996

00:43:41,349 --> 00:43:38,880

research and to build a set

997

00:43:43,270 --> 00:43:41,359

and get the technical aspects working

998

00:43:45,670 --> 00:43:43,280

but since i had all this time due to the

999

00:43:46,309 --> 00:43:45,680

rona i was able to get at it and get it

1000

00:43:48,150 --> 00:43:46,319

done

1001  
00:43:49,750 --> 00:43:48,160  
and all of you helped me make this

1002  
00:43:55,910 --> 00:43:49,760  
possible you have

1003  
00:43:59,270 --> 00:43:57,750  
trump's dad was super into human

1004  
00:44:00,069 --> 00:43:59,280  
potential in the power of positive

1005  
00:44:01,910 --> 00:44:00,079  
thinking to

1006  
00:44:06,309 --> 00:44:01,920  
an addictive destructive level i have

1007  
00:44:18,150 --> 00:44:08,710  
vanessa thor says i have the power

1008  
00:44:18,160 --> 00:44:21,510  
let's see

1009  
00:44:25,589 --> 00:44:23,750  
ufo gandalf says by the power of grace

1010  
00:44:28,630 --> 00:44:25,599  
goal yeah we were uh

1011  
00:44:30,470 --> 00:44:28,640  
we were talking earlier on twitter about

1012  
00:44:32,470 --> 00:44:30,480  
he-man toys and i got to tell you i

1013  
00:44:33,030 --> 00:44:32,480

missed he-man toys i grew up with human

1014

00:44:35,910 --> 00:44:33,040

toys

1015

00:44:38,069 --> 00:44:35,920

he-man was awesome my thing kind of went

1016

00:44:39,910 --> 00:44:38,079

i went from he-man

1017

00:44:41,670 --> 00:44:39,920

well actually i guess first there was

1018

00:44:44,069 --> 00:44:41,680

star wars toys

1019

00:44:45,109 --> 00:44:44,079

then it was he-man and then it was gi

1020

00:44:48,150 --> 00:44:45,119

joe

1021

00:44:48,470 --> 00:44:48,160

and uh my mother and father like i had

1022

00:44:52,390 --> 00:44:48,480

all

1023

00:44:54,870 --> 00:44:52,400

of this stuff in boxes some of it at

1024

00:44:57,190 --> 00:44:54,880

the house that they had in jersey and it

1025

00:44:59,750 --> 00:44:57,200

all got thrown out in the trash i guess

1026

00:45:01,430 --> 00:44:59,760

and some of it at their house and you

1027

00:45:02,950 --> 00:45:01,440

know when i left home they just kind of

1028

00:45:04,470 --> 00:45:02,960

tossed everything that belonged to me

1029

00:45:07,910 --> 00:45:04,480

that i left so

1030

00:45:12,950 --> 00:45:10,630

by the power of grayskull your mind hack

1031

00:45:14,470 --> 00:45:12,960

is badass thank you vanessa i think i

1032

00:45:16,230 --> 00:45:14,480

sent you some of the files i'd

1033

00:45:17,750 --> 00:45:16,240

appreciate a testimonial that's what i

1034

00:45:19,510 --> 00:45:17,760

need from you people too i would like

1035

00:45:21,030 --> 00:45:19,520

testimonials from people

1036

00:45:24,069 --> 00:45:21,040

so even if you're not a patreon

1037

00:45:26,069 --> 00:45:24,079

supporter and i tell everybody this too

1038

00:45:27,910 --> 00:45:26,079

if you really are that interested in my

1039

00:45:28,390 --> 00:45:27,920

work and you really don't have a dollar

1040

00:45:31,270 --> 00:45:28,400

a month

1041

00:45:32,550 --> 00:45:31,280

it's rough times right now just email me

1042

00:45:35,349 --> 00:45:32,560

at truthseekershow

1043

00:45:36,150 --> 00:45:35,359

gmail.com and i'll share all the patreon

1044

00:45:39,030 --> 00:45:36,160

uh

1045

00:45:40,950 --> 00:45:39,040

benefits with you and you know hopefully

1046

00:45:43,430 --> 00:45:40,960

you can support me in another way like

1047

00:45:46,150 --> 00:45:43,440

like commenting sharing subscribing

1048

00:45:47,829 --> 00:45:46,160

sharing our videos on social media

1049

00:45:49,670 --> 00:45:47,839

and i've been telling everybody this i

1050

00:45:50,950 --> 00:45:49,680

really do think it's working because i'm

1051  
00:45:53,510 --> 00:45:50,960  
seeing the sub count jump

1052  
00:45:54,630 --> 00:45:53,520  
up as i continue in this mantra and here

1053  
00:45:56,630 --> 00:45:54,640  
is the mantra

1054  
00:45:58,630 --> 00:45:56,640  
we all know people that are interested

1055  
00:45:59,750 --> 00:45:58,640  
in these strange and mysterious subjects

1056  
00:46:01,190 --> 00:45:59,760  
besides us

1057  
00:46:03,589 --> 00:46:01,200  
i know lots of people that are

1058  
00:46:03,910 --> 00:46:03,599  
interested in this stuff you probably do

1059  
00:46:06,150 --> 00:46:03,920  
too

1060  
00:46:06,950 --> 00:46:06,160  
so i'm asking everybody please please

1061  
00:46:10,230 --> 00:46:06,960  
friends

1062  
00:46:11,910 --> 00:46:10,240  
copy the youtube

1063  
00:46:13,510 --> 00:46:11,920

channel address if somebody could put

1064

00:46:15,349 --> 00:46:13,520

that in a live chat that would make it

1065

00:46:18,630 --> 00:46:15,359

even easier for people

1066

00:46:21,030 --> 00:46:18,640

uh you just take that youtube you know

1067

00:46:22,309 --> 00:46:21,040

our channel address and email some of

1068

00:46:23,510 --> 00:46:22,319

your friends that are interested in

1069

00:46:26,950 --> 00:46:23,520

these subjects

1070

00:46:29,430 --> 00:46:26,960

dm them on twitter pm them on facebook

1071

00:46:31,270 --> 00:46:29,440

send them a message on all your social

1072

00:46:34,790 --> 00:46:31,280

media

1073

00:46:36,710 --> 00:46:34,800

try to help us to get the audience to be

1074

00:46:38,870 --> 00:46:36,720

a larger audience because we would

1075

00:46:42,150 --> 00:46:38,880

certainly benefit from a larger audience

1076

00:46:44,309 --> 00:46:42,160

and i need your help to do that

1077

00:46:46,470 --> 00:46:44,319

jeanette krazenko says praise the cash

1078

00:46:48,309 --> 00:46:46,480

yes praise the cash praise the cash

1079

00:46:49,589 --> 00:46:48,319

praise the cash you too can send me some

1080

00:46:51,270 --> 00:46:49,599

money on paypal

1081

00:46:52,710 --> 00:46:51,280

i need people to click that donate

1082

00:46:55,829 --> 00:46:52,720

button link

1083

00:46:56,710 --> 00:46:55,839

praise the cash praise the cash and

1084

00:46:59,109 --> 00:46:56,720

praise the

1085

00:47:00,870 --> 00:46:59,119

youtube algorithm too my life is being

1086

00:47:04,309 --> 00:47:00,880

decided right now by a youtube

1087

00:47:07,430 --> 00:47:04,319

algorithm the ai gods are upon us

1088

00:47:11,109 --> 00:47:07,440

friends and they are not kind gods

1089

00:47:14,150 --> 00:47:11,119

so far in my estimation

1090

00:47:17,430 --> 00:47:14,160

joe mana 8 21 is in our twitch

1091

00:47:17,910 --> 00:47:17,440

chat welcome joe mata 8 21 it is good to

1092

00:47:19,990 --> 00:47:17,920

see

1093

00:47:21,109 --> 00:47:20,000

that some people are jumping into the

1094

00:47:23,829 --> 00:47:21,119

twit uh

1095

00:47:24,630 --> 00:47:23,839

the twitch chat lately i hope that we

1096

00:47:27,670 --> 00:47:24,640

can get

1097

00:47:28,069 --> 00:47:27,680

just as good as a a great discussion

1098

00:47:30,390 --> 00:47:28,079

group

1099

00:47:31,990 --> 00:47:30,400

in the twitch chat as we already have

1100

00:47:35,030 --> 00:47:32,000

here in the

1101

00:47:37,430 --> 00:47:35,040

uh in the youtube live chat

1102

00:47:41,030 --> 00:47:37,440

nice to see you joe mata 821 you are

1103

00:47:44,549 --> 00:47:41,040

most welcome here on truth seekers

1104

00:47:46,150 --> 00:47:44,559

ufo gandolf loved his he-man

1105

00:47:47,470 --> 00:47:46,160

jeanette krazenko i'm interested in the

1106

00:47:49,430 --> 00:47:47,480

mind hack i have mastered

1107

00:47:51,109 --> 00:47:49,440

procrastination so well

1108

00:47:53,109 --> 00:47:51,119

i should probably go and try the other

1109

00:47:56,150 --> 00:47:53,119

way yeah i am a big

1110

00:47:59,670 --> 00:47:56,160

believer in do you know and

1111

00:48:01,589 --> 00:47:59,680

it's really a lot of common sense uh

1112

00:48:03,430 --> 00:48:01,599

advice that i give in this mind hack

1113

00:48:05,190 --> 00:48:03,440

system things like

1114

00:48:07,030 --> 00:48:05,200

you know do those things you really

1115

00:48:09,430 --> 00:48:07,040

don't want to do with your day

1116

00:48:10,630 --> 00:48:09,440

first you know today i had to cut the

1117

00:48:13,109 --> 00:48:10,640

grass and it's not

1118

00:48:15,190 --> 00:48:13,119

i have a ride on so it's not that hard

1119

00:48:17,270 --> 00:48:15,200

but i also had a weed whack because like

1120

00:48:18,710 --> 00:48:17,280

every two or three times i cut the grass

1121

00:48:19,589 --> 00:48:18,720

i also have to run around the weed

1122

00:48:21,670 --> 00:48:19,599

whacker

1123

00:48:23,670 --> 00:48:21,680

with all those you know with those

1124

00:48:25,430 --> 00:48:23,680

places that i can't get into with the

1125

00:48:28,150 --> 00:48:25,440

ride on because it's big

1126

00:48:28,470 --> 00:48:28,160

uh and i hate weed whacking because i

1127

00:48:31,030 --> 00:48:28,480

got

1128

00:48:32,710 --> 00:48:31,040

i only have an electric weed whacker and

1129

00:48:34,950 --> 00:48:32,720

it you know you gotta plug it in so i

1130

00:48:35,270 --> 00:48:34,960

gotta run like 100 foot cord all around

1131

00:48:38,950 --> 00:48:35,280

it's

1132

00:48:41,030 --> 00:48:38,960

such a you know i hate doing it but i

1133

00:48:42,630 --> 00:48:41,040

it's just my nature now i don't want to

1134

00:48:44,470 --> 00:48:42,640

do this let's get it done

1135

00:48:45,910 --> 00:48:44,480

let's just get it done and then we can

1136

00:48:47,349 --> 00:48:45,920

feel good about ourselves that we

1137

00:48:49,030 --> 00:48:47,359

accomplished that thing

1138

00:48:50,950 --> 00:48:49,040

especially those things that we didn't

1139

00:48:52,390 --> 00:48:50,960

want to do you know it's easy to just

1140

00:48:53,430 --> 00:48:52,400

lay on the couch and say i'll do that

1141

00:48:56,069 --> 00:48:53,440

tomorrow

1142

00:48:57,510 --> 00:48:56,079

it's difficult to develop the discipline

1143

00:48:59,270 --> 00:48:57,520

to get things done

1144

00:49:01,670 --> 00:48:59,280

and i believe that that's the difference

1145

00:49:03,349 --> 00:49:01,680

between people who really excel at life

1146

00:49:04,950 --> 00:49:03,359

and people who are sort of flailing or

1147

00:49:07,750 --> 00:49:04,960

not doing great

1148

00:49:09,910 --> 00:49:07,760

is the ability to not procrastinate to

1149

00:49:11,910 --> 00:49:09,920

go after those things

1150

00:49:13,430 --> 00:49:11,920

you know we all have responsibilities we

1151

00:49:14,150 --> 00:49:13,440

all have things we don't really want to

1152

00:49:19,589 --> 00:49:14,160

do

1153

00:49:21,510 --> 00:49:19,599

get it out of the way and then you can

1154

00:49:23,349 --> 00:49:21,520

go on with the rest of your day and

1155

00:49:25,750 --> 00:49:23,359

spend some time doing something that you

1156

00:49:27,430 --> 00:49:25,760

enjoy more

1157

00:49:29,030 --> 00:49:27,440

and jeanette i'd be happy to share it

1158

00:49:32,790 --> 00:49:29,040

with you just email me

1159

00:49:41,829 --> 00:49:32,800

at truthseekershow gmail.com

1160

00:49:45,349 --> 00:49:43,589

would love to but i can't prove anything

1161

00:49:46,069 --> 00:49:45,359

so i don't talk about the real stuff

1162

00:49:48,150 --> 00:49:46,079

i've seen

1163

00:49:52,950 --> 00:49:48,160

well i'd like to hear about that

1164

00:49:56,710 --> 00:49:55,270

so friends uh i'm not sure about

1165

00:49:59,030 --> 00:49:56,720

broadcasts

1166

00:50:01,430 --> 00:49:59,040

either tomorrow saturday or sunday we

1167

00:50:04,309 --> 00:50:01,440

may be taking a few days off

1168

00:50:06,390 --> 00:50:04,319

um i'm going to the cabin with my family

1169

00:50:08,150 --> 00:50:06,400

but we don't have any guests so it's

1170

00:50:09,910 --> 00:50:08,160

very likely that i'll be able to do a

1171

00:50:12,470 --> 00:50:09,920

few shows from the cabin

1172

00:50:13,829 --> 00:50:12,480

and again those would probably be

1173

00:50:16,230 --> 00:50:13,839

somewhere around

1174

00:50:17,190 --> 00:50:16,240

9 or 10 p.m i'm not really sure but if

1175

00:50:20,630 --> 00:50:17,200

i'm going to

1176

00:50:23,190 --> 00:50:20,640

do a live stream from the cabin i will

1177

00:50:25,109 --> 00:50:23,200

make sure that i broadcast that on

1178

00:50:26,069 --> 00:50:25,119

twitter and facebook and let everybody

1179

00:50:28,790 --> 00:50:26,079

know that we'll be

1180

00:50:30,470 --> 00:50:28,800

back over the weekend i have a lot of

1181

00:50:32,069 --> 00:50:30,480

shows prepped and planned i'm going to

1182

00:50:34,069 --> 00:50:32,079

take a folder of this stuff

1183

00:50:35,670 --> 00:50:34,079

uh sort of the and i'm also going to

1184

00:50:38,470 --> 00:50:35,680

just email myself

1185

00:50:39,430 --> 00:50:38,480

a bunch of stuff for the upcoming shows

1186

00:50:44,870 --> 00:50:39,440

i'd like to

1187

00:50:46,870 --> 00:50:44,880

uh get get some more of that stuff

1188

00:50:48,390 --> 00:50:46,880

keith hasselmeyer pay the gardner you

1189

00:50:50,630 --> 00:50:48,400

know i have

1190

00:50:52,390 --> 00:50:50,640

a woman our next door neighbor has the

1191

00:50:54,790 --> 00:50:52,400

biggest probably the biggest lawn

1192

00:50:58,790 --> 00:50:54,800

service around here

1193

00:50:59,270 --> 00:50:58,800

her housemate there also work together

1194

00:51:02,309 --> 00:50:59,280

and

1195

00:51:03,589 --> 00:51:02,319

yeah i i think that if my financial

1196

00:51:06,230 --> 00:51:03,599

condition improves

1197

00:51:06,710 --> 00:51:06,240

in the future i'm going to just pay them

1198

00:51:07,829 --> 00:51:06,720

because

1199

00:51:09,109 --> 00:51:07,839

you know they're giving me they're going

1200

00:51:11,109 --> 00:51:09,119

to give me sort of the friends and

1201  
00:51:11,670 --> 00:51:11,119  
family rate it's not very expensive and

1202  
00:51:13,910 --> 00:51:11,680  
then

1203  
00:51:15,589 --> 00:51:13,920  
it's one thing off my list i just don't

1204  
00:51:16,549 --> 00:51:15,599  
you know i won't have to worry about

1205  
00:51:22,630 --> 00:51:16,559  
that

1206  
00:51:24,150 --> 00:51:22,640  
the other part of me thinks i'm a little

1207  
00:51:26,150 --> 00:51:24,160  
too blue collar

1208  
00:51:27,510 --> 00:51:26,160  
and i don't think that's a bad thing

1209  
00:51:29,030 --> 00:51:27,520  
it's just the way that i grew up you

1210  
00:51:30,390 --> 00:51:29,040  
don't pay somebody to cut your grass you

1211  
00:51:31,349 --> 00:51:30,400  
get a lawnmower and you do it yourself

1212  
00:51:34,150 --> 00:51:31,359  
it's not that hard

1213  
00:51:35,430 --> 00:51:34,160

and you save the money for other things

1214

00:51:37,750 --> 00:51:35,440

everybody in my

1215

00:51:39,510 --> 00:51:37,760

neighborhood pay somebody i don't see

1216

00:51:41,349 --> 00:51:39,520

almost anybody cutting their own grass

1217

00:51:44,150 --> 00:51:41,359

around here i'm one of the few people

1218

00:51:45,270 --> 00:51:44,160

that i know that cuts their own grass

1219

00:51:47,990 --> 00:51:45,280

and uh

1220

00:51:49,910 --> 00:51:48,000

i i don't know like i said i just i feel

1221

00:51:51,589 --> 00:51:49,920

funny paying somebody to do that i feel

1222

00:51:52,549 --> 00:51:51,599

like that's my responsibility why am i

1223

00:51:54,470 --> 00:51:52,559

gonna

1224

00:51:56,230 --> 00:51:54,480

you know to me it seems like wasting

1225

00:51:58,710 --> 00:51:56,240

money but then

1226

00:52:00,309 --> 00:51:58,720

i think about the time saves you know

1227

00:52:01,670 --> 00:52:00,319

like i could just pay them a few bucks

1228

00:52:03,030 --> 00:52:01,680

and then i could accomplish something

1229

00:52:04,230 --> 00:52:03,040

else while they were outside cutting my

1230

00:52:06,549 --> 00:52:04,240

grass i could be in here

1231

00:52:07,270 --> 00:52:06,559

prepping another show or doing something

1232

00:52:17,030 --> 00:52:07,280

i may

1233

00:52:20,710 --> 00:52:18,870

jonah side says i have a bad case of

1234

00:52:21,670 --> 00:52:20,720

working early tomorrow so i'm out much

1235

00:52:23,349 --> 00:52:21,680

love yeah

1236

00:52:26,870 --> 00:52:23,359

good to see you though jonah side you

1237

00:52:31,589 --> 00:52:29,670

okay let's see the apocalypse cabin yes

1238

00:52:31,990 --> 00:52:31,599

we're heading to the apocalypse cabin

1239

00:52:34,790 --> 00:52:32,000

for the

1240

00:52:35,910 --> 00:52:34,800

weekend and i i can't wait to go should

1241

00:52:38,069 --> 00:52:35,920

be a little

1242

00:52:39,349 --> 00:52:38,079

more relaxing this weekend without like

1243

00:52:43,430 --> 00:52:39,359

four or five guests

1244

00:52:45,670 --> 00:52:43,440

you know i uh and and also the summer is

1245

00:52:47,190 --> 00:52:45,680

really winding down which i'm sad to see

1246

00:52:48,790 --> 00:52:47,200

because soon it's going to be freezing

1247

00:52:51,270 --> 00:52:48,800

cold at the cabin even

1248

00:52:53,270 --> 00:52:51,280

in september and october it'll be 40 at

1249

00:52:55,430 --> 00:52:53,280

night or 30 at night

1250

00:52:57,109 --> 00:52:55,440

so i'm always really sad to see the

1251  
00:52:58,870 --> 00:52:57,119  
summer go especially if you haven't if

1252  
00:53:00,309 --> 00:52:58,880  
it's really freezing cold there and i'm

1253  
00:53:03,510 --> 00:53:00,319  
not a fan of cold

1254  
00:53:06,230 --> 00:53:03,520  
temperatures or snow but i do

1255  
00:53:07,750 --> 00:53:06,240  
like the solitude and the silence there

1256  
00:53:12,829 --> 00:53:07,760  
in the winter

1257  
00:53:15,510 --> 00:53:14,230  
behold

1258  
00:53:17,349 --> 00:53:15,520  
it's trying to think if there is any

1259  
00:53:19,510 --> 00:53:17,359  
other business i'm checking to see if

1260  
00:53:21,030 --> 00:53:19,520  
there's any paypal donations and looks

1261  
00:53:26,790 --> 00:53:21,040  
like no we don't have any paypal

1262  
00:53:31,910 --> 00:53:29,829  
and that is okay so friends

1263  
00:53:33,750 --> 00:53:31,920

uh i think we're going to wrap things up

1264

00:53:35,510 --> 00:53:33,760

here there our next show

1265

00:53:37,510 --> 00:53:35,520

is something i'm really looking forward

1266

00:53:41,030 --> 00:53:37,520

to i did sort of a deep dive

1267

00:53:43,349 --> 00:53:41,040

on padre pio if you don't know who padre

1268

00:53:45,270 --> 00:53:43,359

pio is do yourself a favor and look him

1269

00:53:47,990 --> 00:53:45,280

up because we're going to do a deep dive

1270

00:53:50,230 --> 00:53:48,000

on padre pio it's an amazing story this

1271

00:53:52,549 --> 00:53:50,240

man had the stigmata he talked to demons

1272

00:53:54,309 --> 00:53:52,559

and angels he could heal people

1273

00:53:56,710 --> 00:53:54,319

even if terminal illnesses there's

1274

00:53:57,589 --> 00:53:56,720

multiple reports of him healing

1275

00:54:00,710 --> 00:53:57,599

terminally ill

1276

00:54:03,670 --> 00:54:00,720

patients and all manner of miracles

1277

00:54:04,549 --> 00:54:03,680

have been attributed to padre pio by the

1278

00:54:06,549 --> 00:54:04,559

catholic church

1279

00:54:08,390 --> 00:54:06,559

they shortly after his death canonized

1280

00:54:10,950 --> 00:54:08,400

him a saint his body

1281

00:54:11,910 --> 00:54:10,960

is incorruptible what does that mean his

1282

00:54:14,790 --> 00:54:11,920

body

1283

00:54:16,150 --> 00:54:14,800

has not decayed has not robbed it it's

1284

00:54:19,510 --> 00:54:16,160

just a great story

1285

00:54:21,349 --> 00:54:19,520

and uh we're going to get into that

1286

00:54:22,710 --> 00:54:21,359

we're going to get into that next on

1287

00:54:33,190 --> 00:54:22,720

truth seekers so please

1288

00:54:37,990 --> 00:54:37,030

and well friends i want to thank each

1289

00:54:41,030 --> 00:54:38,000

and every one of you for

1290

00:54:43,670 --> 00:54:41,040

joining us it is good to see

1291

00:54:44,470 --> 00:54:43,680

so many new faces too we saw a few new

1292

00:54:53,430 --> 00:54:44,480

people

1293

00:54:57,190 --> 00:54:53,440

which i'm always glad to see

1294

00:55:04,789 --> 00:55:02,470

i suppose we're gonna wrap the shop here

1295

00:55:07,829 --> 00:55:04,799

and until next time friends my name is

1296

00:55:26,180 --> 00:55:07,839

stephen champion

1297

00:56:44,490 --> 00:56:05,320

[Music]
