1
00:00:56,830 --> 00:00:49,430
[Music]

2
00:00:56,840 --> 00:01:04,400
so

3
00:02:10,309 --> 00:01:10,160
[Music]

4
00:02:16,390 --> 00:02:13,350
greetings and salutations

5
00:02:19,190 --> 00:02:16,400
my friends we are live here

6
00:02:20,790 --> 00:02:19,200
uh from the cabin once again i got here

7
00:02:23,270 --> 00:02:20,800
earlier tonight

8
00:02:24,150 --> 00:02:23,280
uh i wanted to start a little earlier

9
00:02:27,589 --> 00:02:24,160
tonight but

10
00:02:31,190 --> 00:02:27,599
uh we have uh

11
00:02:33,190 --> 00:02:31,200
we had all kinds of issues to get a

12
00:02:36,710 --> 00:02:33,200
microphone to work and i think

13
00:02:41,750 --> 00:02:36,720

that we are ending up going with this

14

00:02:43,509 --> 00:02:41,760

uh real tech microphone array which i

15

00:02:45,830 --> 00:02:43,519

think is the laptop's built-in

16

00:02:46,390 --> 00:02:45,840

microphone so if the sound is terrible

17

00:02:50,150 --> 00:02:46,400

tonight

18

00:02:52,949 --> 00:02:50,160

my apologies two usb microphones here

19

00:02:55,190 --> 00:02:52,959

neither of them would work uh i don't

20

00:02:59,750 --> 00:02:55,200

know why at the moment

21

00:03:01,750 --> 00:02:59,760

so technical issues aside i uh

22

00:03:04,869 --> 00:03:01,760

want to give some shout outs i see

23

00:03:07,830 --> 00:03:04,879

horrible hairy toes

24

00:03:08,390 --> 00:03:07,840

andrew vale is here jeanette krazenko

25

00:03:12,229 --> 00:03:08,400

carol

26

00:03:15,509 --> 00:03:12,239

utley out of mind i think

27

00:03:19,750 --> 00:03:15,519

who else did i see here

28

00:03:27,589 --> 00:03:22,869

and jonasside is here i saw kell truth

29

00:03:30,949 --> 00:03:27,840

and

30

00:03:33,990 --> 00:03:30,959

[Music]

31

00:03:35,750 --> 00:03:34,000

yeah so tonight i thought we would

32

00:03:39,830 --> 00:03:35,760

continue our discussion

33

00:03:42,470 --> 00:03:39,840

of my favorite fake psychics

34

00:03:43,910 --> 00:03:42,480

tonight we're talking about james van

35

00:03:46,789 --> 00:03:43,920

praagh

36

00:03:48,789 --> 00:03:46,799

james van prough was another just some

37

00:03:49,270 --> 00:03:48,799

of these guys are interesting characters

38

00:03:51,910 --> 00:03:49,280

so

39

00:03:53,830 --> 00:03:51,920

uh people shouldn't blame me for having

40

00:03:55,990 --> 00:03:53,840

an interest in looking into them or

41

00:03:56,630 --> 00:03:56,000

learning more about them and how their

42

00:04:00,149 --> 00:03:56,640

cons

43

00:04:04,149 --> 00:04:00,159

work james van uh

44

00:04:05,990 --> 00:04:04,159

started out the best thing that i could

45

00:04:06,550 --> 00:04:06,000

tell you about him is that he was a

46

00:04:09,670 --> 00:04:06,560

failed

47

00:04:11,750 --> 00:04:09,680

actor he worked for a time at

48

00:04:13,030 --> 00:04:11,760

paramount studios he hung around

49

00:04:16,469 --> 00:04:13,040

hollywood he was

50

00:04:19,270 --> 00:04:16,479

trying to be an actor for some time

51
00:04:23,430 --> 00:04:19,280
in his younger years that never worked

52
00:04:26,710 --> 00:04:26,230
a failed actor with a good education by

53
00:04:31,070 --> 00:04:26,720
the way

54
00:04:35,830 --> 00:04:31,080
he had a bachelor's degree in i believe

55
00:04:42,950 --> 00:04:38,870
so he was a very educated

56
00:04:44,790 --> 00:04:42,960
failed actor when he fell into the role

57
00:04:46,710 --> 00:04:44,800
of a lifetime

58
00:04:48,230 --> 00:04:46,720
that he would play for the rest of his

59
00:04:51,510 --> 00:04:48,240
lifetime it has

60
00:04:52,950 --> 00:04:51,520
up until now and that is the role of a

61
00:04:55,670 --> 00:04:52,960
lifetime for him he

62
00:04:56,870 --> 00:04:55,680
found the role the acting role of a

63
00:05:00,150 --> 00:04:56,880

lifetime

64

00:05:01,990 --> 00:05:00,160

which is acting like a psychic

65

00:05:03,350 --> 00:05:02,000

and a medium that can talk to dead

66

00:05:07,029 --> 00:05:03,360

people

67

00:05:11,350 --> 00:05:07,039

this is the role he fell into and it

68

00:05:15,830 --> 00:05:11,360

has been incredibly profitable for him

69

00:05:19,189 --> 00:05:15,840

uh he has written a whole bunch of books

70

00:05:20,870 --> 00:05:19,199

this man is monetized right that's the

71

00:05:24,070 --> 00:05:20,880

word for it he is

72

00:05:27,270 --> 00:05:24,080

a monetized machine he sells

73

00:05:30,070 --> 00:05:27,280

books he sells courses he sells his

74

00:05:33,189 --> 00:05:30,080

private readings

75

00:05:34,150 --> 00:05:33,199

he sort of also sells his uh guest

76

00:05:35,909 --> 00:05:34,160

appearances

77

00:05:37,270 --> 00:05:35,919

a lot of people don't know but when you

78

00:05:39,990 --> 00:05:37,280

go on like

79

00:05:42,070 --> 00:05:40,000

some television shows as a guest you can

80

00:05:44,230 --> 00:05:42,080

request to be paid

81

00:05:45,909 --> 00:05:44,240

and if the show wants you they're gonna

82

00:05:49,830 --> 00:05:45,919

pay the guest fee

83

00:05:51,110 --> 00:05:49,840

he has been on a horde of different

84

00:05:53,430 --> 00:05:51,120

television shows

85

00:05:54,469 --> 00:05:53,440

probably most notably the oprah winfrey

86

00:05:57,270 --> 00:05:54,479

show

87

00:05:59,749 --> 00:05:57,280

that i'm sure did not hurt his sales

88

00:06:01,909 --> 00:05:59,759

numbers of his books

89

00:06:03,670 --> 00:06:01,919

so it's interesting to me that these

90

00:06:07,830 --> 00:06:03,680

fake psychics fake mediums

91

00:06:11,189 --> 00:06:07,840

always have a sort of

92

00:06:13,830 --> 00:06:11,199

media personality helping them

93

00:06:16,710 --> 00:06:13,840

and enabling them to sell their [h__\h]

94

00:06:20,070 --> 00:06:18,469

i guess the television people get

95

00:06:22,790 --> 00:06:20,080

ratings out of him

96

00:06:24,629 --> 00:06:22,800

and he gets publicity out of them for

97

00:06:29,990 --> 00:06:24,639

his projects

98

00:06:34,309 --> 00:06:32,309

he was he really started his television

99

00:06:35,909 --> 00:06:34,319

career in getting most of his publicity

100

00:06:37,670 --> 00:06:35,919

from a show called

101
00:06:39,430 --> 00:06:37,680
i think it was called the other side

102
00:06:40,710 --> 00:06:39,440
which he was a frequent guest on an

103
00:06:44,309 --> 00:06:40,720
eventual like

104
00:06:47,189 --> 00:06:44,319
main guy on that show which was about

105
00:06:48,230 --> 00:06:47,199
mediums and talking to you know dead

106
00:06:50,950 --> 00:06:48,240
people

107
00:06:52,390 --> 00:06:50,960
um but i thought i'd share a few things

108
00:06:55,350 --> 00:06:52,400
uh

109
00:06:57,430 --> 00:06:55,360
that would really explain a little more

110
00:07:00,390 --> 00:06:57,440
about this gentleman

111
00:07:02,390 --> 00:07:00,400
uh one person and i want to play this

112
00:07:05,670 --> 00:07:02,400
one specifically this is from cbs

113
00:07:08,390 --> 00:07:05,680

news one person went to james james

114

00:07:10,550 --> 00:07:08,400

van praagh for a reading shortly after

115

00:07:13,189 --> 00:07:10,560

their father died and he was with cbs

116

00:07:15,510 --> 00:07:13,199

news and he was skeptical but hopeful

117

00:07:19,029 --> 00:07:15,520

that he would have a good experience

118

00:07:24,710 --> 00:07:23,430

i think we get a backstage look into

119

00:07:28,070 --> 00:07:24,720

what may be

120

00:07:29,990 --> 00:07:28,080

some of mr van praag's methods

121

00:07:31,749 --> 00:07:30,000

that he uses to convince people that

122

00:07:33,110 --> 00:07:31,759

he's a psychic or to convince people

123

00:07:36,150 --> 00:07:33,120

that he's talking to their dead

124

00:07:42,390 --> 00:07:39,909

this is what i call pre-show work

125

00:07:44,070 --> 00:07:42,400

in other words if you're a psychic and

126

00:07:46,150 --> 00:07:44,080

you know that you have to give a

127

00:07:49,029 --> 00:07:46,160

reading to this gentleman that's a

128

00:07:51,189 --> 00:07:49,039

reporter on cbs then you look him up

129

00:07:53,189 --> 00:07:51,199

you find out everything you can about

130

00:07:54,950 --> 00:07:53,199

him you pick out some obscure things

131

00:07:55,990 --> 00:07:54,960

that he would have forgotten you could

132

00:07:59,589 --> 00:07:56,000

find out

133

00:08:04,150 --> 00:07:59,599

about him on google

134

00:08:09,909 --> 00:08:07,430

this my friends is called pre-show work

135

00:08:11,909 --> 00:08:09,919

and it is a method used by almost all of

136

00:08:14,309 --> 00:08:11,919

these fake psychics if they're ever put

137

00:08:19,749 --> 00:08:14,319

in a position where they know in advance

138

00:08:23,270 --> 00:08:21,670

it used to be a lot harder for them to

139

00:08:25,029 --> 00:08:23,280

do this back in the day but

140

00:08:26,950 --> 00:08:25,039

think about all the information that's

141

00:08:29,909 --> 00:08:26,960

available to you

142

00:08:30,869 --> 00:08:29,919

available about you on the internet if i

143

00:08:34,870 --> 00:08:30,879

was to look up

144

00:08:38,070 --> 00:08:34,880

you anyone here in the live chat

145

00:08:40,149 --> 00:08:38,080

couldn't i find out some information

146

00:08:43,589 --> 00:08:40,159

that you sort of forgot you posted

147

00:08:45,269 --> 00:08:43,599

or forgot was out there in the universe

148

00:08:49,430 --> 00:08:45,279

right then it would seem like how could

149

00:08:56,389 --> 00:08:53,110

he looked it up he googled you

150

00:08:58,470 --> 00:08:56,399

uh pre-show work is very common

151

00:08:59,509 --> 00:08:58,480

uh and almost all of them that i have

152

00:09:01,190 --> 00:08:59,519

encountered do them

153

00:09:02,790 --> 00:09:01,200

if they're smart enough to some of them

154

00:09:04,470 --> 00:09:02,800

get arrogant to the point that they

155

00:09:06,550 --> 00:09:04,480

think they don't need to do

156

00:09:08,790 --> 00:09:06,560

the hot reading or need to do the

157

00:09:10,230 --> 00:09:08,800

pre-show work they can just cold read so

158

00:09:13,030 --> 00:09:10,240

good that they're going to convince the

159

00:09:15,350 --> 00:09:13,040

guy that way

160

00:09:16,310 --> 00:09:15,360

but it is what it is this is called

161

00:09:19,990 --> 00:09:16,320

pre-show work

162

00:09:21,350 --> 00:09:20,000

as i was explaining uh

163

00:09:23,110 --> 00:09:21,360

let me see now i'm trying to find the

164

00:09:25,190 --> 00:09:23,120

right tab okay

165

00:09:26,790 --> 00:09:25,200

we're going to share this and uh we're

166

00:09:29,110 --> 00:09:26,800

going to cite fair use

167

00:09:30,630 --> 00:09:29,120

this is a transformative work we're

168

00:09:33,750 --> 00:09:30,640

educating the public about

169

00:09:36,550 --> 00:09:33,760

fake psychics like james van praag

170

00:09:39,110 --> 00:09:36,560

and we'll be discussing this clip and

171

00:09:40,790 --> 00:09:39,120

stopping it along the way for commentary

172

00:09:42,310 --> 00:09:40,800

and again we're using this to educate

173

00:09:48,829 --> 00:09:42,320

the public so this

174

00:09:48,839 --> 00:09:55,269

news

175

00:10:04,230 --> 00:09:59,269

okay and the video's title can

176

00:10:05,110 --> 00:10:04,240

psychics really talk to the dead this is

177

00:10:08,230 --> 00:10:05,120

from a cbs

178

00:10:11,110 --> 00:10:08,240

news piece his name

179

00:10:12,870 --> 00:10:11,120

is james von prob and he sits atop the

180

00:10:15,430 --> 00:10:12,880

marquee of mediums

181

00:10:16,230 --> 00:10:15,440

he's been off profiled in print and on

182

00:10:18,389 --> 00:10:16,240

tv

183

00:10:20,470 --> 00:10:18,399

and has written four bestsellers about

184

00:10:23,590 --> 00:10:20,480

his work including his newest one

185

00:10:24,870 --> 00:10:23,600

growing up in heaven von prague claims

186

00:10:27,350 --> 00:10:24,880

that he's been psychic

187

00:10:28,630 --> 00:10:27,360

since he was a young boy i remember when

188

00:10:29,190 --> 00:10:28,640

i was a young kid i used to see spirits

189

00:10:30,389 --> 00:10:29,200

with time

190

00:10:32,630 --> 00:10:30,399

i used to see lights around people

191

00:10:34,710 --> 00:10:32,640

colors around people and i knew

192

00:10:36,069 --> 00:10:34,720

as a child used to see these things and

193

00:10:37,509 --> 00:10:36,079

to me i thought everybody could see them

194

00:10:39,030 --> 00:10:37,519

were we all born with a gift

195

00:10:40,710 --> 00:10:39,040

we're all born with intuition every

196

00:10:43,750 --> 00:10:40,720

single person has intuition

197

00:10:45,829 --> 00:10:43,760

so could we all learn to

198

00:10:47,590 --> 00:10:45,839

use it the way you use it some people

199

00:10:48,710 --> 00:10:47,600

are born with more sensitivity

200

00:10:50,630 --> 00:10:48,720

everybody's born with the ability to

201
00:10:51,910 --> 00:10:50,640
play the piano but not everybody's a

202
00:10:54,710 --> 00:10:51,920
concert pianist

203
00:10:55,990 --> 00:10:54,720
and james van praag would later go on to

204
00:10:58,230 --> 00:10:56,000
sell courses

205
00:10:59,670 --> 00:10:58,240
and books on how you can develop your

206
00:11:02,710 --> 00:10:59,680
psychic powers

207
00:11:04,230 --> 00:11:02,720
so uh interesting that he would

208
00:11:06,230 --> 00:11:04,240
sort of say here that some people are

209
00:11:07,509 --> 00:11:06,240
born with more than others when he's

210
00:11:11,910 --> 00:11:07,519
selling a course on

211
00:11:14,389 --> 00:11:11,920
how you can become psych i don't know

212
00:11:15,350 --> 00:11:14,399
ready von prague then demonstrated his

213
00:11:17,750 --> 00:11:15,360

virtuoso

214

00:11:19,430 --> 00:11:17,760

skills divine heavenly parent we ask

215

00:11:21,190 --> 00:11:19,440

your blessing upon this meeting today

216

00:11:23,190 --> 00:11:21,200

dear spirit friends please draw it near

217

00:11:25,670 --> 00:11:23,200

to me give us glimpses of eternity

218

00:11:26,710 --> 00:11:25,680

he began by reaching back into my

219

00:11:27,990 --> 00:11:26,720

childhood

220

00:11:30,310 --> 00:11:28,000

and when you're younger i get a lot of

221

00:11:32,310 --> 00:11:30,320

anger so as i look to you and

222

00:11:34,949 --> 00:11:32,320

make a little boy i want to make sure

223

00:11:37,829 --> 00:11:34,959

that i'm there's a sense of being wanted

224

00:11:40,150 --> 00:11:37,839

that's a generalization this is another

225

00:11:42,389 --> 00:11:40,160

tactic that all these fake psychics use

226

00:11:43,990 --> 00:11:42,399

they throw out generalized statements

227

00:11:47,670 --> 00:11:44,000

well i see you as a young boy

228

00:11:51,030 --> 00:11:47,680

and there was a lot of anger who was not

229

00:11:54,150 --> 00:11:51,040

angry as a young person you know

230

00:11:57,509 --> 00:11:54,160

and would you know susan yes

231

00:11:58,710 --> 00:11:57,519

this is your mother yes how interesting

232

00:12:01,829 --> 00:11:58,720

you're part of two families you're

233

00:12:05,670 --> 00:12:01,839

saying to me that make sense to you

234

00:12:08,870 --> 00:12:05,680

yes okay are you adopted yes

235

00:12:11,269 --> 00:12:08,880

i thought i'd been expecting that but i

236

00:12:12,870 --> 00:12:11,279

wasn't prepared for what happened next

237

00:12:14,470 --> 00:12:12,880

this man is coming close to me so i'm

238

00:12:15,829 --> 00:12:14,480

asking him as i'm talking to you

239

00:12:17,670 --> 00:12:15,839

i'm sending thoughts to him and he's

240

00:12:19,350 --> 00:12:17,680

coming in very strong was he talking

241

00:12:22,949 --> 00:12:19,360

about my father

242

00:12:24,310 --> 00:12:22,959

or was it someone else who uh if you

243

00:12:27,670 --> 00:12:24,320

know the name of uh

244

00:12:30,870 --> 00:12:27,680

i.e leonard or

245

00:12:33,350 --> 00:12:30,880

leo leah leon leon or leo leo

246

00:12:35,590 --> 00:12:33,360

something yes leah is that this is this

247

00:12:37,990 --> 00:12:35,600

man standing next to me

248

00:12:39,509 --> 00:12:38,000

leo was the name of my adoptive mother's

249

00:12:41,910 --> 00:12:39,519

longtime companion

250

00:12:43,829 --> 00:12:41,920

whom i loved as a stepfather for almost

251
00:12:47,350 --> 00:12:43,839
25 years

252
00:12:49,190 --> 00:12:47,360
leo died suddenly in 2009. i feel very

253
00:12:50,310 --> 00:12:49,200
much like he's a part of you as far as

254
00:12:51,910 --> 00:12:50,320
influencing you

255
00:12:53,590 --> 00:12:51,920
i feel very much like that it makes

256
00:12:55,110 --> 00:12:53,600
sense yes can i just tell you that he

257
00:12:56,949 --> 00:12:55,120
holds you in like a night

258
00:12:58,870 --> 00:12:56,959
you're a big boy but he's holding like a

259
00:13:00,790 --> 00:12:58,880
baby and and i see it more

260
00:13:02,150 --> 00:13:00,800
symbolic because i see more like

261
00:13:04,870 --> 00:13:02,160
nurturing you

262
00:13:06,949 --> 00:13:04,880
hearing of and thinking about leo in

263
00:13:09,509 --> 00:13:06,959

that moment was a moving

264

00:13:10,150 --> 00:13:09,519

experience for me though for a number of

265

00:13:11,670 --> 00:13:10,160

reasons

266

00:13:13,269 --> 00:13:11,680

you can imagine that many people when

267

00:13:14,069 --> 00:13:13,279

they think they're communicating with a

268

00:13:16,310 --> 00:13:14,079

dead relative

269

00:13:17,190 --> 00:13:16,320

they're going to get emotional they're

270

00:13:19,110 --> 00:13:17,200

going to be

271

00:13:21,990 --> 00:13:19,120

experiencing all the memories of that

272

00:13:23,750 --> 00:13:22,000

person they're going to be reliving

273

00:13:25,030 --> 00:13:23,760

things that they said with to that

274

00:13:26,790 --> 00:13:25,040

person things that

275

00:13:28,150 --> 00:13:26,800

happened with that person throughout

276

00:13:31,350 --> 00:13:28,160

their lifetime

277

00:13:32,069 --> 00:13:31,360

uh it's going to be emotional and these

278

00:13:34,389 --> 00:13:32,079

people

279

00:13:35,190 --> 00:13:34,399

are selling that moment they're selling

280

00:13:38,710 --> 00:13:35,200

that

281

00:13:42,629 --> 00:13:38,720

moment to grieving people since

282

00:13:44,710 --> 00:13:42,639

i was still unconvinced and had to ask

283

00:13:45,990 --> 00:13:44,720

you knew who was coming here did you did

284

00:13:48,310 --> 00:13:46,000

you google me

285

00:13:49,269 --> 00:13:48,320

and i'm sorry to say i i i honestly i

286

00:13:51,910 --> 00:13:49,279

didn't know who you were

287

00:13:53,670 --> 00:13:51,920

it wasn't the only question i'd ask or

288

00:13:56,949 --> 00:13:53,680

be left with that day

289

00:14:00,230 --> 00:13:56,959

what exactly are you seeing hmm

290

00:14:00,949 --> 00:14:00,240

it's very very fast i i see i see the

291

00:14:03,910 --> 00:14:00,959

faces

292

00:14:05,269 --> 00:14:03,920

i see but i i see it very quickly like

293

00:14:06,710 --> 00:14:05,279

like like a flesh

294

00:14:08,790 --> 00:14:06,720

i say well they're in a different

295

00:14:09,350 --> 00:14:08,800

dimension so where are they i was gonna

296

00:14:11,750 --> 00:14:09,360

stop

297

00:14:13,350 --> 00:14:11,760

i know you're gonna ask me that okay um

298

00:14:14,069 --> 00:14:13,360

so where are they it's a good question

299

00:14:16,470 --> 00:14:14,079

where are they

300

00:14:17,110 --> 00:14:16,480

well it's interdimensional so we are

301
00:14:19,910 --> 00:14:17,120
living

302
00:14:21,430 --> 00:14:19,920
in a multi-dimensional environment and

303
00:14:24,150 --> 00:14:21,440
this is a pretty common

304
00:14:25,509 --> 00:14:24,160
explanation for where the dead go they

305
00:14:27,189 --> 00:14:25,519
go to another dimension but that

306
00:14:30,150 --> 00:14:27,199
dimension is right here with us we just

307
00:14:31,430 --> 00:14:30,160
can't access it we can't see it we're

308
00:14:33,829 --> 00:14:31,440
the land of the living in the land of

309
00:14:37,430 --> 00:14:33,839
the dead are the exact same place

310
00:14:42,069 --> 00:14:37,440
just in different frequencies and

311
00:14:44,069 --> 00:14:42,079
yeah to get a sense of what was possible

312
00:14:45,509 --> 00:14:44,079
we took von prague for a walk on the

313
00:14:47,430 --> 00:14:45,519

beach near his home

314

00:14:49,590 --> 00:14:47,440

where he proceeded to approach total

315

00:14:51,990 --> 00:14:49,600

strangers your father

316

00:14:52,710 --> 00:14:52,000

and him need to come together yeah i

317

00:14:54,790 --> 00:14:52,720

don't know why

318

00:14:56,230 --> 00:14:54,800

that's they're separated too yes yeah is

319

00:14:57,110 --> 00:14:56,240

there somebody you'd like to speak to

320

00:15:00,470 --> 00:14:57,120

that's passed on

321

00:15:02,949 --> 00:15:00,480

yeah i would love to speak to my mother

322

00:15:05,030 --> 00:15:02,959

within minutes von prague said he was

323

00:15:05,990 --> 00:15:05,040

seeing both of this woman's deceased

324

00:15:07,750 --> 00:15:06,000

parents

325

00:15:09,750 --> 00:15:07,760

someone could not get to them before to

326

00:15:11,269 --> 00:15:09,760

pass over couldn't get to the mother

327

00:15:12,949 --> 00:15:11,279

before she passed over is that right

328

00:15:14,389 --> 00:15:12,959

my mother was in iran and you couldn't

329

00:15:16,069 --> 00:15:14,399

get back there in time

330

00:15:18,870 --> 00:15:16,079

and you've you've held on to this for a

331

00:15:20,949 --> 00:15:18,880

while and i want you to release it

332

00:15:22,550 --> 00:15:20,959

understand yeah release that because i

333

00:15:23,350 --> 00:15:22,560

feel your mother is very very happy with

334

00:15:24,949 --> 00:15:23,360

you

335

00:15:27,030 --> 00:15:24,959

um and doesn't that doesn't matter to

336

00:15:30,790 --> 00:15:27,040

her god bless god

337

00:15:32,870 --> 00:15:30,800

okay thank you and it all seemed so

338

00:15:33,829 --> 00:15:32,880

impressive but i couldn't help but

339

00:15:35,430 --> 00:15:33,839

notice

340

00:15:37,430 --> 00:15:35,440

many of these folks seem to be

341

00:15:40,230 --> 00:15:37,440

unknowingly participating

342

00:15:41,670 --> 00:15:40,240

in what's called a cold reading simply

343

00:15:43,749 --> 00:15:41,680

helping a medium along

344

00:15:45,590 --> 00:15:43,759

as they probe for information is there

345

00:15:48,710 --> 00:15:45,600

an attorney in the family

346

00:15:50,790 --> 00:15:48,720

yes yeah who is this my nephew okay

347

00:15:52,870 --> 00:15:50,800

i like him your father is overlooking

348

00:15:53,430 --> 00:15:52,880

over him it was as if they wanted to

349

00:15:56,310 --> 00:15:53,440

believe

350

00:15:59,269 --> 00:15:56,320

and wanted him to succeed and that he

351
00:16:01,509 --> 00:15:59,279
was dependent upon their assistance

352
00:16:02,949 --> 00:16:01,519
faith and belief i think has a lot to do

353
00:16:04,389 --> 00:16:02,959
with this people that believe

354
00:16:05,829 --> 00:16:04,399
that these people can really talk to

355
00:16:07,110 --> 00:16:05,839
their dead relatives are just going to

356
00:16:09,189 --> 00:16:07,120
believe it

357
00:16:10,629 --> 00:16:09,199
if the guy's not very accurate or things

358
00:16:13,430 --> 00:16:10,639
don't seem exactly

359
00:16:15,189 --> 00:16:13,440
right a lot of people too they feel

360
00:16:17,749 --> 00:16:15,199
pressured remember these people are

361
00:16:19,430 --> 00:16:17,759
being observed they're even being filmed

362
00:16:22,069 --> 00:16:19,440
they're not going to object too much too

363
00:16:24,470 --> 00:16:22,079

much of what this person is saying

364

00:16:25,910 --> 00:16:24,480

yeah anybody named william you know well

365

00:16:29,189 --> 00:16:25,920

yes yes

366

00:16:31,590 --> 00:16:29,199

something else

367

00:16:32,550 --> 00:16:31,600

curious transpired at one of unproud

368

00:16:35,509 --> 00:16:32,560

spirit circles

369

00:16:35,990 --> 00:16:35,519

how are you good good to see you group

370

00:16:39,430 --> 00:16:36,000

readings

371

00:16:40,870 --> 00:16:39,440

where attendees pay 100 each to speak to

372

00:16:43,829 --> 00:16:40,880

the dead close your eyes

373

00:16:44,550 --> 00:16:43,839

close your eyes and if you've uh not had

374

00:16:47,829 --> 00:16:44,560

the benefit of

375

00:16:49,269 --> 00:16:47,839

being to one of these events uh your 100

376

00:16:50,870 --> 00:16:49,279

just gets you in the door it doesn't

377

00:16:51,590 --> 00:16:50,880

guarantee that he's going to talk to

378

00:16:54,230 --> 00:16:51,600

your dead

379

00:16:56,550 --> 00:16:54,240

relatives there's uh you know sometimes

380

00:16:58,150 --> 00:16:56,560

100 200 people in the room

381

00:16:59,910 --> 00:16:58,160

you do the math of what this guy's

382

00:17:02,230 --> 00:16:59,920

making i don't know what it costs to

383

00:17:05,750 --> 00:17:02,240

rent a small room in a hotel but

384

00:17:07,750 --> 00:17:05,760

uh you know a small sort of banquet room

385

00:17:09,829 --> 00:17:07,760

which is uh what he kind of does is goes

386

00:17:10,630 --> 00:17:09,839

and rents these places hundred dollars a

387

00:17:13,029 --> 00:17:10,640

pop

388

00:17:15,350 --> 00:17:13,039

and you too can maybe talk to the dead

389

00:17:17,590 --> 00:17:15,360

if you're lucky enough that he picks

390

00:17:18,549 --> 00:17:17,600

you out of the hundreds of people in the

391

00:17:21,590 --> 00:17:18,559

audience

392

00:17:22,069 --> 00:17:21,600

just close your eyes there you go von

393

00:17:24,710 --> 00:17:22,079

prague

394

00:17:27,189 --> 00:17:24,720

often posed general questions how many

395

00:17:28,950 --> 00:17:27,199

people had dreams of their loved ones

396

00:17:31,750 --> 00:17:28,960

that were likely to resonate with at

397

00:17:33,830 --> 00:17:31,760

least one person in a large group

398

00:17:35,029 --> 00:17:33,840

does someone have a scar in the bottom

399

00:17:36,789 --> 00:17:35,039

foot

400

00:17:38,549 --> 00:17:36,799

i do thank you because your daddy is

401
00:17:40,070 --> 00:17:38,559
telling me there's a scar on your foot

402
00:17:43,350 --> 00:17:40,080
yeah did you catch that nightline

403
00:17:45,990 --> 00:17:43,360
[Laughter]

404
00:17:46,470 --> 00:17:46,000
we sure did we also noticed that von

405
00:17:48,310 --> 00:17:46,480
prague

406
00:17:50,549 --> 00:17:48,320
has also been a target of numerous

407
00:17:53,350 --> 00:17:50,559
critics and investigative reports

408
00:17:54,789 --> 00:17:53,360
including a 2020 segment which put his

409
00:17:57,909 --> 00:17:54,799
gift to the test

410
00:18:01,350 --> 00:17:57,919
a test he didn't always seem to pass

411
00:18:04,870 --> 00:18:01,360
the 2020 appearance for him was uh

412
00:18:07,110 --> 00:18:04,880
likened to uh likened to

413
00:18:08,630 --> 00:18:07,120

yuri geller's tonight show appearance

414

00:18:13,110 --> 00:18:08,640

this was a big

415

00:18:16,870 --> 00:18:13,120

prime time news you know it's 2020.

416

00:18:18,870 --> 00:18:16,880

huge ratings uh and this is back in 1998

417

00:18:21,669 --> 00:18:18,880

failed miserably with the panel of

418

00:18:22,630 --> 00:18:21,679

people that 2020 had him do the readings

419

00:18:24,710 --> 00:18:22,640

for

420

00:18:27,110 --> 00:18:24,720

uh i try to find the clip of the whole

421

00:18:29,350 --> 00:18:27,120

thing and i can't find the clip of the

422

00:18:31,270 --> 00:18:29,360

of the 2020 sequence of him failing

423

00:18:31,510 --> 00:18:31,280

miserably there's just a few moments of

424

00:18:34,549 --> 00:18:31,520

it

425

00:18:38,390 --> 00:18:34,559

in this clip but we can get a sense

426

00:18:42,710 --> 00:18:38,400

of this person's uh

427

00:18:45,909 --> 00:18:42,720

total failure here was he killed no

428

00:18:48,950 --> 00:18:45,919

um was this an accident of some sort

429

00:18:52,150 --> 00:18:48,960

uh i i don't think it was no

430

00:18:55,430 --> 00:18:52,160

was he um a shot at all of

431

00:18:57,590 --> 00:18:55,440

the gun no no every argument can be made

432

00:18:58,789 --> 00:18:57,600

right here's the excuse it's a lot

433

00:19:00,710 --> 00:18:58,799

easier for someone

434

00:19:01,909 --> 00:19:00,720

to stick to their old paradigm but their

435

00:19:03,830 --> 00:19:01,919

old way of thinking a lot

436

00:19:05,430 --> 00:19:03,840

easier than stepping outside that box

437

00:19:05,830 --> 00:19:05,440

and questioning is there life after

438

00:19:08,150 --> 00:19:05,840

death

439

00:19:09,750 --> 00:19:08,160

von prague suggested there's academic

440

00:19:12,630 --> 00:19:09,760

support for his gift

441

00:19:14,710 --> 00:19:12,640

i was once tested by a professor again

442

00:19:17,110 --> 00:19:14,720

professor gary schwartz and it was 90

443

00:19:19,590 --> 00:19:17,120

something was 93 percent accuracy 94

444

00:19:20,630 --> 00:19:19,600

accuracy of it so we tracked down dr

445

00:19:23,110 --> 00:19:20,640

gary schwartz

446

00:19:25,750 --> 00:19:23,120

a former yale tenured professor who now

447

00:19:28,950 --> 00:19:25,760

teaches at the university of arizona

448

00:19:31,029 --> 00:19:28,960

this guy is something of a believer in

449

00:19:32,630 --> 00:19:31,039

all of this phenomenon and even though

450

00:19:35,990 --> 00:19:32,640

he's a credentialed scientist

451
00:19:40,870 --> 00:19:39,270
methods are very scientific uh he's been

452
00:19:44,070 --> 00:19:40,880
involved in a lot of let's just say

453
00:19:47,750 --> 00:19:44,080
quack research i've been very impressed

454
00:19:50,630 --> 00:19:47,760
with james he is as real and

455
00:19:52,630 --> 00:19:50,640
accurate on the average among among the

456
00:19:54,390 --> 00:19:52,640
best of the mediums i've ever tested

457
00:19:56,470 --> 00:19:54,400
you're going to sit in this chair

458
00:19:57,110 --> 00:19:56,480
schwartz showed us the kind of work he

459
00:19:59,750 --> 00:19:57,120
does

460
00:20:01,190 --> 00:19:59,760
using a local medium and a subject of

461
00:20:03,350 --> 00:20:01,200
nightline's choosing

462
00:20:04,950 --> 00:20:03,360
share with us whatever you're

463
00:20:08,549 --> 00:20:04,960

experiencing right now

464

00:20:11,190 --> 00:20:08,559

i got a big fluffy dog big dog

465

00:20:12,470 --> 00:20:11,200

walking around here the results were

466

00:20:13,750 --> 00:20:12,480

underwhelming

467

00:20:16,470 --> 00:20:13,760

and you're not the one that lost the dog

468

00:20:18,230 --> 00:20:16,480

recently did you recognize the dog

469

00:20:20,149 --> 00:20:18,240

no well the dog was really distracting

470

00:20:23,029 --> 00:20:20,159

so he has to belong to somebody in here

471

00:20:23,909 --> 00:20:23,039

i was connected to the memory of the dog

472

00:20:26,310 --> 00:20:23,919

so that thought man

473

00:20:28,070 --> 00:20:26,320

oh it was just it was the scientist it

474

00:20:31,270 --> 00:20:28,080

was the dog was for him

475

00:20:34,149 --> 00:20:31,280

as for my own reading lyanna leo

476
00:20:36,310 --> 00:20:34,159
leo something i'd known there was plenty

477
00:20:38,310 --> 00:20:36,320
of information regarding my past

478
00:20:39,510 --> 00:20:38,320
readily available with a cursory

479
00:20:41,270 --> 00:20:39,520
internet search

480
00:20:43,750 --> 00:20:41,280
including an extensive interview i'd

481
00:20:46,230 --> 00:20:43,760
given to a website two years before

482
00:20:48,549 --> 00:20:46,240
one that covered every talking point of

483
00:20:49,590 --> 00:20:48,559
the reading from my dead relatives to my

484
00:20:53,190 --> 00:20:49,600
adoption

485
00:20:56,230 --> 00:20:53,200
except i thought for leo until

486
00:20:57,669 --> 00:20:56,240
i looked again upon my return home and

487
00:21:00,390 --> 00:20:57,679
there it was

488
00:21:01,590 --> 00:21:00,400

a reference to his passing able to be

489

00:21:04,230 --> 00:21:01,600

exploited

490

00:21:06,310 --> 00:21:04,240

along with all the rest and when we

491

00:21:07,029 --> 00:21:06,320

asked him to read our producer on the

492

00:21:09,909 --> 00:21:07,039

spot

493

00:21:11,350 --> 00:21:09,919

oh this is great as well i love it when

494

00:21:13,830 --> 00:21:11,360

they fail and they say

495

00:21:14,789 --> 00:21:13,840

i'm just not feeling i'm feeling weak

496

00:21:17,430 --> 00:21:14,799

today i'm not

497

00:21:19,190 --> 00:21:17,440

you know the the the vibrations are not

498

00:21:25,350 --> 00:21:19,200

coming to me

499

00:21:28,390 --> 00:21:27,510

i'm tired okay i'm not gonna i'm not

500

00:21:31,750 --> 00:21:28,400

gonna give you a clear

501
00:21:35,029 --> 00:21:31,760
quality thing so silvan prague

502
00:21:37,430 --> 00:21:35,039
failed to make a believer of me that day

503
00:21:38,630 --> 00:21:37,440
but i doubt it'll bother him do i care

504
00:21:40,470 --> 00:21:38,640
if he believe what i do

505
00:21:41,990 --> 00:21:40,480
i could care less do i care if cynics

506
00:21:44,870 --> 00:21:42,000
believe i could care less

507
00:21:45,430 --> 00:21:44,880
after all he's got plenty of those

508
00:21:48,710 --> 00:21:45,440
already

509
00:21:52,230 --> 00:21:48,720
is it fair to call you a believer now i

510
00:21:52,789 --> 00:21:52,240
i have to admit it's the truth i hope i

511
00:21:55,110 --> 00:21:52,799
can

512
00:21:56,390 --> 00:21:55,120
take this to my family and tell them

513
00:21:59,750 --> 00:21:56,400

what wow

514

00:22:03,350 --> 00:21:59,760

i am blown yeah

515

00:22:05,909 --> 00:22:03,360

so uh there's a little bit about mr van

516

00:22:12,549 --> 00:22:09,430

one second okay so

517

00:22:13,430 --> 00:22:12,559

uh what else can i tell you about mr van

518

00:22:17,029 --> 00:22:13,440

praag

519

00:22:19,590 --> 00:22:17,039

uh several people have done there is

520

00:22:20,310 --> 00:22:19,600

a uh another video we're running a

521

00:22:21,750 --> 00:22:20,320

little long

522

00:22:23,669 --> 00:22:21,760

i was going to play this other video but

523

00:22:26,070 --> 00:22:23,679

this one's really long

524

00:22:27,029 --> 00:22:26,080

uh but it's called van praag test that

525

00:22:29,590 --> 00:22:27,039

you could look it up

526

00:22:31,750 --> 00:22:29,600

on youtube and uh it's a gentleman that

527

00:22:35,990 --> 00:22:31,760

is familiar with cold reading

528

00:22:39,430 --> 00:22:36,000

hot reading and uh pre-show work

529

00:22:41,270 --> 00:22:39,440

and he paid for a very expensive session

530

00:22:42,549 --> 00:22:41,280

i think james van praag's sessions are

531

00:22:44,630 --> 00:22:42,559

500

532

00:22:46,390 --> 00:22:44,640

to get a skype session where he talks to

533

00:22:50,070 --> 00:22:46,400

your dead relatives

534

00:22:52,630 --> 00:22:50,080

and that's a 20 minute reading

535

00:22:53,430 --> 00:22:52,640

so there have been people that actually

536

00:22:56,390 --> 00:22:53,440

paid him

537

00:22:57,669 --> 00:22:56,400

and then recorded it and posted it on

538

00:23:01,430 --> 00:22:57,679

youtube

539

00:23:04,149 --> 00:23:01,440

and uh that's pretty great proof of

540

00:23:04,710 --> 00:23:04,159

the guy is just guessing literally just

541

00:23:07,990 --> 00:23:04,720

guessing

542

00:23:09,830 --> 00:23:08,000

through these readings and a few people

543

00:23:11,430 --> 00:23:09,840

have bought the readings and then taken

544

00:23:15,669 --> 00:23:11,440

him to task on youtube

545

00:23:19,669 --> 00:23:18,149

i thought we could also hear though from

546

00:23:21,830 --> 00:23:19,679

michael shermer

547

00:23:23,669 --> 00:23:21,840

a little bit about the techniques

548

00:23:25,110 --> 00:23:23,679

involved and michael shermer is a famous

549

00:23:27,430 --> 00:23:25,120

skeptic of course

550

00:23:28,549 --> 00:23:27,440

uh i think he found it that skeptic

551
00:23:31,430 --> 00:23:28,559
society or this

552
00:23:32,789 --> 00:23:31,440
yeah um any time that there's some

553
00:23:34,470 --> 00:23:32,799
bullshittery around

554
00:23:36,070 --> 00:23:34,480
sometimes you see michael shermer show

555
00:23:37,669 --> 00:23:36,080
up to show the skeptic

556
00:23:40,950 --> 00:23:37,679
side of things in the other side of the

557
00:23:44,230 --> 00:23:40,960
coin so in this instance michael shermer

558
00:23:45,909 --> 00:23:44,240
in a in a video that i found explains

559
00:23:48,390 --> 00:23:45,919
some of the methods that these fake

560
00:23:52,149 --> 00:23:48,400
psychics use and i totally agree with

561
00:23:54,470 --> 00:23:52,159
mr shermer on these uh on the methods

562
00:23:57,990 --> 00:23:54,480
that are being used here

563
00:24:00,470 --> 00:23:58,000

cold reading is uh the most common

564

00:24:01,669 --> 00:24:00,480

they also use hot reading sometimes they

565

00:24:03,990 --> 00:24:01,679

do pre-show work

566

00:24:05,909 --> 00:24:04,000

or investigate the subject before the

567

00:24:08,310 --> 00:24:05,919

reading so that they will

568

00:24:09,909 --> 00:24:08,320

be pre-loaded with some information that

569

00:24:13,350 --> 00:24:09,919

they can pump out

570

00:24:15,350 --> 00:24:13,360

in an apparently psychic way

571

00:24:17,830 --> 00:24:15,360

but we're going to cite fair use once

572

00:24:18,549 --> 00:24:17,840

again and share this this is michael

573

00:24:25,990 --> 00:24:18,559

shermer

574

00:24:26,000 --> 00:24:34,470

see if we can get this here

575

00:24:38,310 --> 00:24:36,310

okay and this is transformative work

576

00:24:41,110 --> 00:24:38,320

we're educating the public

577

00:24:41,830 --> 00:24:41,120

so we're going to cite fair use here as

578

00:24:45,110 --> 00:24:41,840

we

579

00:24:46,789 --> 00:24:45,120

uh are educating the public about fake

580

00:24:49,350 --> 00:24:46,799

psychic mr van praag

581

00:24:51,350 --> 00:24:49,360

and the methods that these fake psychics

582

00:24:51,909 --> 00:24:51,360

use we'll be discussing and critiquing

583

00:24:56,149 --> 00:24:51,919

the clip

584

00:25:02,950 --> 00:25:00,470

and this is from a e

585

00:25:05,190 --> 00:25:02,960

my wife used to call this person that's

586

00:25:06,390 --> 00:25:05,200

narrating this piece the creepy voice

587

00:25:10,470 --> 00:25:06,400

guy

588

00:25:12,470 --> 00:25:10,480

i think he was on a e and he was on like

589

00:25:14,549 --> 00:25:12,480

a bunch of different mystery shows as a

590

00:25:17,029 --> 00:25:14,559

narrator he's got a very distinctive

591

00:25:21,190 --> 00:25:18,950

can a medium like james van praag

592

00:25:24,390 --> 00:25:21,200

receive and interpret messages from

593

00:25:27,990 --> 00:25:25,909

some scientists believe that the

594

00:25:29,830 --> 00:25:28,000

techniques used by ben prague have more

595

00:25:33,430 --> 00:25:29,840

to do with his background

596

00:25:35,430 --> 00:25:33,440

than any type of psychic ability

597

00:25:36,630 --> 00:25:35,440

in my opinion james van perog is an

598

00:25:39,269 --> 00:25:36,640

actor

599

00:25:39,909 --> 00:25:39,279

who was for a long time in search of a

600

00:25:42,630 --> 00:25:39,919

role

601
00:25:44,230 --> 00:25:42,640
to play if you read his book if you read

602
00:25:45,990 --> 00:25:44,240
the interviews with him it's all there

603
00:25:47,590 --> 00:25:46,000
he grew up in the theater he worked for

604
00:25:49,909 --> 00:25:47,600
paramount studios

605
00:25:51,269 --> 00:25:49,919
he hung around hollywood types in hopes

606
00:25:53,510 --> 00:25:51,279
of finding work

607
00:25:54,630 --> 00:25:53,520
he finally found work as an actor

608
00:25:58,149 --> 00:25:54,640
playing the role

609
00:26:00,070 --> 00:25:58,159
of a medium and he's now very successful

610
00:26:01,830 --> 00:26:00,080
psychologists like michael shermer

611
00:26:03,269 --> 00:26:01,840
contend that van prague's so-called

612
00:26:05,269 --> 00:26:03,279
psychic ability

613
00:26:07,430 --> 00:26:05,279

is best understood in terms of the

614

00:26:08,710 --> 00:26:07,440

different types of readings that anyone

615

00:26:10,950 --> 00:26:08,720

could perform

616

00:26:11,990 --> 00:26:10,960

yeah so we we mentioned the different

617

00:26:14,549 --> 00:26:12,000

kind of readings

618

00:26:15,430 --> 00:26:14,559

cold readings hot readings and pre-show

619

00:26:17,190 --> 00:26:15,440

work

620

00:26:18,710 --> 00:26:17,200

cold readings are where you literally

621

00:26:20,630 --> 00:26:18,720

read somebody cold you've never

622

00:26:21,750 --> 00:26:20,640

seen them before you haven't gotten

623

00:26:23,350 --> 00:26:21,760

information on them

624

00:26:25,269 --> 00:26:23,360

and you just start throwing stuff out

625

00:26:26,310 --> 00:26:25,279

lots and lots and lots of comments and

626
00:26:29,269 --> 00:26:26,320
questions

627
00:26:30,789 --> 00:26:29,279
and the way that works is most of what

628
00:26:32,710 --> 00:26:30,799
you say are misses

629
00:26:34,310 --> 00:26:32,720
but people will remember the hits and

630
00:26:35,190 --> 00:26:34,320
forget the misses and the reason you get

631
00:26:37,830 --> 00:26:35,200
hits at all

632
00:26:39,510 --> 00:26:37,840
is through random chance a warm reading

633
00:26:39,990 --> 00:26:39,520
makes statements about people that are

634
00:26:42,630 --> 00:26:40,000
true

635
00:26:44,870 --> 00:26:42,640
for virtually everyone these are the

636
00:26:48,470 --> 00:26:44,880
generalized statements that i mentioned

637
00:26:51,510 --> 00:26:48,480
before um and i gave a

638
00:26:54,310 --> 00:26:51,520

a a reading to somebody in the live chat

639

00:26:54,630 --> 00:26:54,320

before a cold reading and they said i

640

00:26:57,269 --> 00:26:54,640

was

641

00:26:58,310 --> 00:26:57,279

like 95 accurate and these are

642

00:27:00,870 --> 00:26:58,320

statements like

643

00:27:02,390 --> 00:27:00,880

you're a kind person you're generous

644

00:27:04,070 --> 00:27:02,400

with your friends and family

645

00:27:05,590 --> 00:27:04,080

especially with those that are really in

646

00:27:07,350 --> 00:27:05,600

need and

647

00:27:09,269 --> 00:27:07,360

another technique that these people use

648

00:27:11,029 --> 00:27:09,279

is that they always

649

00:27:13,110 --> 00:27:11,039

the psychics will always if they're

650

00:27:17,110 --> 00:27:13,120

giving you a reading will always assign

651
00:27:17,669 --> 00:27:17,120
positive traits to the subject in other

652
00:27:19,190 --> 00:27:17,679
words

653
00:27:21,350 --> 00:27:19,200
just like i just said you're a very

654
00:27:23,990 --> 00:27:21,360
generous person you're kind

655
00:27:25,269 --> 00:27:24,000
even to even to people you don't know

656
00:27:27,909 --> 00:27:25,279
because who's gonna say no

657
00:27:29,590 --> 00:27:27,919
i'm not kind to strangers [h__h] strangers

658
00:27:32,710 --> 00:27:29,600
right you're just not gonna

659
00:27:34,389 --> 00:27:32,720
when somebody is giving you traits that

660
00:27:37,590 --> 00:27:34,399
are positive you're gonna

661
00:27:40,789 --> 00:27:37,600
just agree with them and that is another

662
00:27:43,269 --> 00:27:40,799
very common method assign positive

663
00:27:45,590 --> 00:27:43,279

traits to the subject make them feel

664

00:27:47,669 --> 00:27:45,600

good about themselves

665

00:27:49,510 --> 00:27:47,679

we almost all have pictures of our lost

666

00:27:51,110 --> 00:27:49,520

loved ones in the bedroom

667

00:27:53,909 --> 00:27:51,120

next to the bed on the heart of the

668

00:27:54,950 --> 00:27:53,919

fireplace on the mantel where we keep

669

00:27:57,110 --> 00:27:54,960

these sorts of

670

00:27:58,870 --> 00:27:57,120

memories so a warm reading would be to

671

00:28:00,149 --> 00:27:58,880

say something about that person

672

00:28:03,430 --> 00:28:00,159

that's true for everyone and you're

673

00:28:05,669 --> 00:28:03,440

bound to get a hit 80-90 certainty

674

00:28:08,149 --> 00:28:05,679

a hot reading is one where the medium

675

00:28:10,389 --> 00:28:08,159

actually digs into the client's past

676
00:28:12,310 --> 00:28:10,399
retrieving seemingly otherworldly

677
00:28:15,110 --> 00:28:12,320
information from earthly

678
00:28:15,510 --> 00:28:15,120
sources i've had skeptics say to me that

679
00:28:17,430 --> 00:28:15,520
or

680
00:28:18,789 --> 00:28:17,440
actually said on national television

681
00:28:19,350 --> 00:28:18,799
that i actually have a computer system

682
00:28:21,430 --> 00:28:19,360
set up

683
00:28:23,190 --> 00:28:21,440
to everyone's house in the country which

684
00:28:24,470 --> 00:28:23,200
i think is extraordinary and i think i'd

685
00:28:26,310 --> 00:28:24,480
be the first one to tell people i had

686
00:28:29,430 --> 00:28:26,320
that because i think that's incredible

687
00:28:31,990 --> 00:28:29,440
i don't go around investigating people

688
00:28:33,590 --> 00:28:32,000

information is more readily available

689

00:28:34,549 --> 00:28:33,600

than it's ever been in history so it's

690

00:28:36,789 --> 00:28:34,559

easy to do but

691

00:28:38,710 --> 00:28:36,799

but in reality i think most of the time

692

00:28:40,230 --> 00:28:38,720

most psychics don't cheat like that they

693

00:28:41,909 --> 00:28:40,240

don't have to

694

00:28:43,269 --> 00:28:41,919

you can use these other techniques quite

695

00:28:46,149 --> 00:28:43,279

successfully

696

00:28:46,470 --> 00:28:46,159

yeah so even with the preponderance with

697

00:28:50,389 --> 00:28:46,480

the

698

00:28:52,789 --> 00:28:50,399

internet

699

00:28:54,710 --> 00:28:52,799

i i think i probably agree with michael

700

00:28:56,630 --> 00:28:54,720

shermer and that most of the fake

701
00:28:59,510 --> 00:28:56,640
psychics that i've encountered were too

702
00:29:01,990 --> 00:28:59,520
arrogant to do the work

703
00:29:03,430 --> 00:29:02,000
that you need to do to really study a

704
00:29:05,190 --> 00:29:03,440
subject

705
00:29:07,029 --> 00:29:05,200
they're more concerned with quick bucks

706
00:29:07,830 --> 00:29:07,039
quick money easy money they don't want

707
00:29:09,430 --> 00:29:07,840
to do work

708
00:29:12,870 --> 00:29:09,440
so they rely on these cold reading

709
00:29:15,190 --> 00:29:12,880
techniques and things like that

710
00:29:17,350 --> 00:29:15,200
believers naturally reject such

711
00:29:19,430 --> 00:29:17,360
skeptical explanations and insist

712
00:29:23,110 --> 00:29:19,440
the skeptics are reacting to their own

713
00:29:26,149 --> 00:29:25,110

life after death makes the psychological

714

00:29:27,909 --> 00:29:26,159

and the medical community

715

00:29:29,430 --> 00:29:27,919

nervous because it's something we can't

716

00:29:32,310 --> 00:29:29,440

control measure

717

00:29:33,830 --> 00:29:32,320

touch or see and most scientists feel

718

00:29:35,669 --> 00:29:33,840

threatened they feel like a loss of

719

00:29:37,669 --> 00:29:35,679

control when you put something

720

00:29:39,990 --> 00:29:37,679

underneath them that requires a little

721

00:29:43,750 --> 00:29:40,000

bit of belief a little bit of faith plus

722

00:29:44,630 --> 00:29:43,760

some science so how could one explain

723

00:29:46,789 --> 00:29:44,640

van praag's

724

00:29:48,549 --> 00:29:46,799

supposed discovery of the brother peter

725

00:29:50,149 --> 00:29:48,559

redgrove never knew

726
00:29:54,389 --> 00:29:50,159
and the appearance of a nun who had

727
00:29:56,630 --> 00:29:54,399
abused him 30 years earlier

728
00:29:57,990 --> 00:29:56,640
i often hear stories about things that

729
00:29:59,830 --> 00:29:58,000
van prough gets

730
00:30:01,830 --> 00:29:59,840
that are just seemingly impossible that

731
00:30:04,549 --> 00:30:01,840
i can't possibly explain

732
00:30:05,750 --> 00:30:04,559
but when i whenever i see tapes of the

733
00:30:08,310 --> 00:30:05,760
whole reading

734
00:30:09,190 --> 00:30:08,320
i have never once seen something that he

735
00:30:15,029 --> 00:30:09,200
got

736
00:30:17,350 --> 00:30:15,039
conversation and the feedback

737
00:30:18,149 --> 00:30:17,360
that i can't explain through normal

738
00:30:20,789 --> 00:30:18,159

means not

739

00:30:21,669 --> 00:30:20,799

once so that tells me when i hear these

740

00:30:23,590 --> 00:30:21,679

stories

741

00:30:25,110 --> 00:30:23,600

you couldn't have possibly known that

742

00:30:26,230 --> 00:30:25,120

there's exaggeration on the part of the

743

00:30:27,830 --> 00:30:26,240

storyteller

744

00:30:29,750 --> 00:30:27,840

and when they go to see van praag almost

745

00:30:32,149 --> 00:30:29,760

everybody suspends their disbelief they

746

00:30:35,110 --> 00:30:32,159

suspend skepticism they want

747

00:30:36,710 --> 00:30:35,120

the act to be real and they are willing

748

00:30:37,909 --> 00:30:36,720

participants in that

749

00:30:40,070 --> 00:30:37,919

yeah and i would think that if you're

750

00:30:42,549 --> 00:30:40,080

paying a hundred dollars you you

751

00:30:43,590 --> 00:30:42,559

you're pretty sure you're probably a

752

00:30:45,350 --> 00:30:43,600

believer

753

00:30:47,430 --> 00:30:45,360

i don't see many skeptics paying 100

754

00:30:51,110 --> 00:30:47,440

bucks to go and laugh at this guy

755

00:30:52,950 --> 00:30:51,120

uh looks to me from a cursory

756

00:30:54,389 --> 00:30:52,960

examination at least of what i've

757

00:30:57,029 --> 00:30:54,399

observed of this person

758

00:30:59,190 --> 00:30:57,039

and his audiences are always willing

759

00:31:02,230 --> 00:30:59,200

participants

760

00:31:04,710 --> 00:31:02,240

i've never seen i've almost never seen

761

00:31:06,470 --> 00:31:04,720

anybody really challenge any of these

762

00:31:07,190 --> 00:31:06,480

mediums while they're getting a reading

763

00:31:10,549 --> 00:31:07,200

on any

764

00:31:12,710 --> 00:31:10,559

of the you know television appearances

765

00:31:14,950 --> 00:31:12,720

i've seen him do

766

00:31:17,430 --> 00:31:14,960

nobody challenges him they just uh-huh

767

00:31:19,830 --> 00:31:17,440

uh-huh they sort of go along

768

00:31:21,029 --> 00:31:19,840

and i think that believing brain and no

769

00:31:22,870 --> 00:31:21,039

discernment here

770

00:31:24,310 --> 00:31:22,880

you know they want to believe that they

771

00:31:25,750 --> 00:31:24,320

can talk to their dead relatives they

772

00:31:29,350 --> 00:31:25,760

paid the hundred dollars they're

773

00:31:31,590 --> 00:31:29,360

invested in this being real

774

00:31:32,710 --> 00:31:31,600

and now some psychologists tread the

775

00:31:34,630 --> 00:31:32,720

middle ground

776

00:31:36,470 --> 00:31:34,640

believing van praag's messages from

777

00:31:38,630 --> 00:31:36,480

beyond the grave

778

00:31:40,470 --> 00:31:38,640

should be given just as much credence as

779

00:31:44,630 --> 00:31:40,480

the advice that any of us seek from

780

00:31:46,789 --> 00:31:44,640

friends and colleagues i think

781

00:31:48,789 --> 00:31:46,799

that it's it's not a bad idea to put

782

00:31:50,470 --> 00:31:48,799

that on your plate alongside what the

783

00:31:52,310 --> 00:31:50,480

the university professors are saying and

784

00:31:54,789 --> 00:31:52,320

the nobel prize winner is saying

785

00:31:56,230 --> 00:31:54,799

and your local neighbor is saying but

786

00:31:57,509 --> 00:31:56,240

don't get overly attached to the

787

00:31:58,950 --> 00:31:57,519

channeled entity any more than getting

788

00:32:00,789 --> 00:31:58,960

attached to your neighbor or the local

789

00:32:03,669 --> 00:32:00,799

professor

790

00:32:05,430 --> 00:32:03,679

then prague agrees it offers this advice

791

00:32:08,470 --> 00:32:05,440

to those who are considering a session

792

00:32:11,669 --> 00:32:08,480

with a medium or a psychic

793

00:32:15,190 --> 00:32:11,679

everyone has to question things yes but

794

00:32:17,990 --> 00:32:15,200

don't be closed-minded be open-minded

795

00:32:20,350 --> 00:32:18,000

see that life continues on there were no

796

00:32:23,590 --> 00:32:20,360

endings only beginnings

797

00:32:29,190 --> 00:32:23,600

[Music]

798

00:32:32,710 --> 00:32:29,200

yeah so at the end of the day

799

00:32:33,430 --> 00:32:32,720

uh mr van praag he doesn't care if you

800

00:32:37,750 --> 00:32:33,440

don't believe

801
00:32:40,789 --> 00:32:37,760
in his psychic abilities

802
00:32:42,870 --> 00:32:40,799
one second i hate that

803
00:32:44,549 --> 00:32:42,880
i always stop sharing the screen and

804
00:32:46,230 --> 00:32:44,559
then some other video plays

805
00:32:48,470 --> 00:32:46,240
and it's usually like a blaring loud

806
00:32:51,669 --> 00:32:48,480
commercial so i apologize

807
00:32:54,149 --> 00:32:51,679
so i looked into

808
00:32:56,870 --> 00:32:54,159
what mr van praag has been up to lately

809
00:32:59,029 --> 00:32:56,880
and lately he's trying to sell

810
00:33:00,070 --> 00:32:59,039
sort of online courses and online

811
00:33:03,590 --> 00:33:00,080
sessions

812
00:33:05,590 --> 00:33:03,600
he's still at it and uh in 2013 i

813
00:33:08,789 --> 00:33:05,600

thought this was interesting

814

00:33:12,070 --> 00:33:08,799

mr van praagh sued his own sister

815

00:33:15,830 --> 00:33:12,080

who is also decided she's a psychic too

816

00:33:17,590 --> 00:33:15,840

uh because she stopped using her married

817

00:33:21,830 --> 00:33:17,600

name and started using

818

00:33:23,509 --> 00:33:21,840

her maiden name which is her maiden name

819

00:33:25,909 --> 00:33:23,519

you know the name that she was born with

820

00:33:28,950 --> 00:33:25,919

james but james van praagh

821

00:33:30,950 --> 00:33:28,960

apparently has trademarked his name

822

00:33:32,389 --> 00:33:30,960

and had a problem with his own sister

823

00:33:35,509 --> 00:33:32,399

using his name

824

00:33:38,149 --> 00:33:35,519

which i guess is also her name but

825

00:33:39,590 --> 00:33:38,159

she hadn't used that name in 30 or so

826
00:33:41,269 --> 00:33:39,600
years

827
00:33:43,590 --> 00:33:41,279
maybe she was trying to cheese off of

828
00:33:45,269 --> 00:33:43,600
his fame and you know

829
00:33:47,669 --> 00:33:45,279
so she changed her name to vane prague

830
00:33:51,190 --> 00:33:47,679
like his try to get more bookings

831
00:33:53,750 --> 00:33:51,200
do more readings i'm not really sure

832
00:33:55,110 --> 00:33:53,760
uh and why i don't know what kind of

833
00:33:57,110 --> 00:33:55,120
love and light

834
00:33:58,870 --> 00:33:57,120
guy that talks to dead people all day

835
00:34:02,389 --> 00:33:58,880
would sue his sister for using

836
00:34:05,990 --> 00:34:02,399
the same name as him but okay

837
00:34:09,510 --> 00:34:06,000
uh what i think i have one of his

838
00:34:12,310 --> 00:34:09,520

books which i think is just a word salad

839

00:34:13,190 --> 00:34:12,320

mess of horseshit uh and i only got

840

00:34:14,710 --> 00:34:13,200

halfway through it

841

00:34:16,389 --> 00:34:14,720

i just couldn't read the whole thing

842

00:34:19,270 --> 00:34:16,399

because it's just

843

00:34:21,109 --> 00:34:19,280

love and light and rainbows and our

844

00:34:23,750 --> 00:34:21,119

relatives are still here with us

845

00:34:24,629 --> 00:34:23,760

and nobody you know death is just a

846

00:34:26,869 --> 00:34:24,639

gateway

847

00:34:29,030 --> 00:34:26,879

to the next that you know it's just all

848

00:34:33,270 --> 00:34:29,040

of this

849

00:34:35,270 --> 00:34:33,280

happy horseshit rainbows and sunshine

850

00:34:37,030 --> 00:34:35,280

love and light nonsense that's what his

851
00:34:38,869 --> 00:34:37,040
books are uh

852
00:34:40,069 --> 00:34:38,879
near as i can tell that's one man's

853
00:34:42,470 --> 00:34:40,079
opinion and uh

854
00:34:43,510 --> 00:34:42,480
other people are free to form their own

855
00:34:46,869 --> 00:34:43,520
opinion

856
00:34:49,430 --> 00:34:46,879
i don't think that anything can be uh

857
00:34:50,629 --> 00:34:49,440
lost except for some time i guess for

858
00:34:53,030 --> 00:34:50,639
reading

859
00:34:54,389 --> 00:34:53,040
the guy's books but i don't recommend

860
00:34:55,990 --> 00:34:54,399
them uh

861
00:34:57,589 --> 00:34:56,000
i thought that he would talk about his

862
00:34:59,670 --> 00:34:57,599
superpowers more

863
00:35:01,270 --> 00:34:59,680

and i could get some insight into that

864

00:35:03,990 --> 00:35:01,280

but mostly

865

00:35:05,030 --> 00:35:04,000

it's the book that i have is just you

866

00:35:07,190 --> 00:35:05,040

know

867

00:35:08,390 --> 00:35:07,200

it's a word salad bunch of nonsense for

868

00:35:12,550 --> 00:35:08,400

grieving people

869

00:35:16,390 --> 00:35:12,560

so the guy is continually

870

00:35:17,670 --> 00:35:16,400

profiting from the grief and suffering

871

00:35:20,390 --> 00:35:17,680

of people

872

00:35:20,950 --> 00:35:20,400

and that i suppose is probably the

873

00:35:23,109 --> 00:35:20,960

biggest

874

00:35:24,150 --> 00:35:23,119

problem that i have with mediums in

875

00:35:26,390 --> 00:35:24,160

general

876

00:35:27,750 --> 00:35:26,400

is it's that that they're profiting from

877

00:35:31,270 --> 00:35:27,760

these people's grief

878

00:35:33,829 --> 00:35:31,280

and they're just pretending and uh

879

00:35:35,349 --> 00:35:33,839

you know i guess the only other

880

00:35:37,670 --> 00:35:35,359

profession where you can pretend like

881

00:35:39,670 --> 00:35:37,680

that and get paid is acting

882

00:35:40,870 --> 00:35:39,680

or being a cosmic con man right or a

883

00:35:44,630 --> 00:35:40,880

fake whistleblower

884

00:35:49,430 --> 00:35:44,640

right but that's acting too uh yeah

885

00:35:54,390 --> 00:35:49,440

so very strange

886

00:35:56,950 --> 00:35:54,400

this guy has continued to profit despite

887

00:35:59,670 --> 00:35:56,960

a number of critics really ripping him

888

00:36:02,790 --> 00:35:59,680

to shreds including michael shermer and

889

00:36:05,349 --> 00:36:02,800

james randy as well who we mentioned uh

890

00:36:06,310 --> 00:36:05,359

had a problem with rory geller and

891

00:36:10,470 --> 00:36:06,320

sylvia brown

892

00:36:13,910 --> 00:36:10,480

he also went after james van praag

893

00:36:13,920 --> 00:36:17,910

that vamp was using

894

00:36:21,109 --> 00:36:20,390

let's say little helpers out in the

895

00:36:24,470 --> 00:36:21,119

audience

896

00:36:27,750 --> 00:36:24,480

right to sort of mingle with people and

897

00:36:28,870 --> 00:36:27,760

pump them for information uh and a few

898

00:36:32,310 --> 00:36:28,880

other

899

00:36:35,829 --> 00:36:32,320

uh just sort of expose

900

00:36:38,150 --> 00:36:35,839

randy did on the

901
00:36:40,630 --> 00:36:38,160
ridiculousness of this person's claims

902
00:36:43,270 --> 00:36:40,640
of hat of talking to dead people

903
00:36:44,630 --> 00:36:43,280
uh so we'll turn our attention to the

904
00:36:46,310 --> 00:36:44,640
live chat

905
00:36:48,550 --> 00:36:46,320
we're gonna probably make this one a

906
00:36:49,589 --> 00:36:48,560
short one guys i have this whole other

907
00:36:51,270 --> 00:36:49,599
video

908
00:36:53,430 --> 00:36:51,280
but i think it's best if you're really

909
00:36:55,109 --> 00:36:53,440
interested because it's pretty long it's

910
00:36:58,230 --> 00:36:55,119
like 15 minutes long it's called

911
00:37:01,349 --> 00:36:58,240
van prague tested and that's van v

912
00:37:04,470 --> 00:37:01,359
a n prague p-r-a-a-g-h

913
00:37:06,230 --> 00:37:04,480

tested and you can see an entire session

914

00:37:09,510 --> 00:37:06,240

that he does with somebody that is

915

00:37:11,750 --> 00:37:09,520

absolute horseshit i mean absolute

916

00:37:15,109 --> 00:37:11,760

horseshit

917

00:37:21,589 --> 00:37:18,630

yeah so there we go

918

00:37:23,430 --> 00:37:21,599

so that's the last video i was going to

919

00:37:24,790 --> 00:37:23,440

play but it's like 15 minutes long we're

920

00:37:25,990 --> 00:37:24,800

running a little bit long on the

921

00:37:29,030 --> 00:37:26,000

presentation

922

00:37:30,150 --> 00:37:29,040

i wanted tonight to be uh sort of a

923

00:37:33,270 --> 00:37:30,160

quick one

924

00:37:33,990 --> 00:37:33,280

i have a great deal of work to try to do

925

00:37:36,950 --> 00:37:34,000

tomorrow

926
00:37:37,990 --> 00:37:36,960
here at the cabin we are working on the

927
00:37:41,670 --> 00:37:38,000
sun room

928
00:37:43,829 --> 00:37:41,680
uh when i say we i mean i

929
00:37:45,349 --> 00:37:43,839
me myself and i wish i had a crew here

930
00:37:49,430 --> 00:37:45,359
it would go a lot faster

931
00:37:51,589 --> 00:37:49,440
right so i have uh

932
00:37:52,950 --> 00:37:51,599
tomorrow i have to put these stone

933
00:37:57,510 --> 00:37:52,960
footers in

934
00:38:01,190 --> 00:37:57,520
and uh we have i have a plan

935
00:38:04,150 --> 00:38:01,200
and uh for actually doing this nail

936
00:38:06,230 --> 00:38:04,160
and we're using uh stone footers and

937
00:38:07,030 --> 00:38:06,240
then we're gonna have these towers going

938
00:38:09,750 --> 00:38:07,040

up

939

00:38:10,150 --> 00:38:09,760

that are like made out of firewood and

940

00:38:12,950 --> 00:38:10,160

and

941

00:38:14,230 --> 00:38:12,960

logs that'll be all cemented together

942

00:38:15,750 --> 00:38:14,240

and those

943

00:38:17,510 --> 00:38:15,760

will be sort of pillars and they're

944

00:38:18,950 --> 00:38:17,520

gonna hold everything up and hold

945

00:38:22,150 --> 00:38:18,960

everything together

946

00:38:25,190 --> 00:38:22,160

uh hopefully we get really

947

00:38:26,470 --> 00:38:25,200

tough winners here so i have to make

948

00:38:29,589 --> 00:38:26,480

sure that that

949

00:38:31,829 --> 00:38:29,599

roof is going to hold the really

950

00:38:33,270 --> 00:38:31,839

heavy snow load like it's got to be able

951
00:38:34,230 --> 00:38:33,280
to hold like three feet of snow and

952
00:38:36,630 --> 00:38:34,240
that's a lot of weight

953
00:38:38,550 --> 00:38:36,640
so we have to sort of over build

954
00:38:39,190 --> 00:38:38,560
everything here so that the snow doesn't

955
00:38:42,230 --> 00:38:39,200
knock

956
00:38:43,190 --> 00:38:42,240
everything down and you know what i'm

957
00:38:45,190 --> 00:38:43,200
gonna do friends

958
00:38:47,109 --> 00:38:45,200
i'm gonna go i'm having a really hard

959
00:38:49,430 --> 00:38:47,119
time seeing the live chat i'm on this

960
00:38:53,750 --> 00:38:49,440
laptop with a small screen

961
00:38:58,710 --> 00:38:53,760
so uh oh that's the wrong one

962
00:39:05,030 --> 00:39:02,390
just bear with me for a moment friends

963
00:39:06,710 --> 00:39:05,040

okay but i do recommend if you're

964

00:39:08,790 --> 00:39:06,720

interested in this van prague and seeing

965

00:39:09,589 --> 00:39:08,800

him fail miserably look up this video

966

00:39:25,109 --> 00:39:09,599

van praaq

967

00:39:30,550 --> 00:39:28,630

yeah and i hear the microphone now is uh

968

00:39:32,069 --> 00:39:30,560

kind of hissy and i'm sorry for that

969

00:39:35,270 --> 00:39:32,079

we're on a

970

00:39:37,030 --> 00:39:35,280

limited production here at the cabin

971

00:39:38,630 --> 00:39:37,040

everything here at the cabin's little

972

00:39:41,750 --> 00:39:38,640

crappier than home you know

973

00:39:43,910 --> 00:39:41,760

we gotta rough it a little bit

974

00:39:45,990 --> 00:39:43,920

but i wanted to go to the live chat so

975

00:39:50,230 --> 00:39:46,000

that i could

976

00:39:52,150 --> 00:39:50,240

uh i'm afraid to crash and

977

00:39:57,589 --> 00:39:52,160

stream yard otherwise okay there we go

978

00:40:00,710 --> 00:39:57,599

now i can see this i have to

979

00:40:05,990 --> 00:40:04,069

making it bigger thing i feel like an

980

00:40:08,470 --> 00:40:06,000

old man

981

00:40:09,190 --> 00:40:08,480

ah celtrus says that the live stream is

982

00:40:12,230 --> 00:40:09,200

glitching

983

00:40:15,030 --> 00:40:12,240

bad pbr street

984

00:40:17,589 --> 00:40:15,040

gang says audio and video is here keltu

985

00:40:19,750 --> 00:40:17,599

says it's cutting in and out

986

00:40:21,430 --> 00:40:19,760

yeah i apologize if that's the case for

987

00:40:23,430 --> 00:40:21,440

anyone you are all the way on the other

988

00:40:24,470 --> 00:40:23,440

side of the country from me though kel

989

00:40:27,670 --> 00:40:24,480

truth

990

00:40:29,829 --> 00:40:27,680

maybe yeah it looks

991

00:40:31,430 --> 00:40:29,839

like the stream quality is good from my

992

00:40:34,150 --> 00:40:31,440

side of things

993

00:40:38,309 --> 00:40:34,160

so i apologize if that's uh the case

994

00:40:40,870 --> 00:40:38,319

genocide says it's good here too

995

00:40:41,589 --> 00:40:40,880

i wonder can you invoke synchronicity

996

00:40:43,990 --> 00:40:41,599

think so

997

00:40:45,670 --> 00:40:44,000

bunya i i think you can welcome

998

00:40:48,710 --> 00:40:45,680

synchronicities into your life

999

00:40:50,829 --> 00:40:48,720

i don't know about invoking them or what

1000

00:40:53,589 --> 00:40:50,839

you mean by invoking that

1001

00:40:55,510 --> 00:40:53,599

them i'm going to go back to the

1002

00:40:57,670 --> 00:40:55,520

stream yard chat actually because that's

1003

00:41:01,990 --> 00:40:57,680

a little too big

1004

00:41:04,630 --> 00:41:02,000

yeah i'm afraid to move this too because

1005

00:41:23,910 --> 00:41:04,640

i have this webcam just like

1006

00:41:27,910 --> 00:41:25,990

there we go all right now i've gotten

1007

00:41:29,510 --> 00:41:27,920

back to my chat here

1008

00:41:31,030 --> 00:41:29,520

i want to be able to see if any of the

1009

00:41:34,790 --> 00:41:31,040

facebook

1010

00:41:35,589 --> 00:41:34,800

people comment uh and i don't see that

1011

00:41:38,710 --> 00:41:35,599

in the

1012

00:41:44,790 --> 00:41:42,150

carmine gangemi

1013

00:41:46,710 --> 00:41:44,800

what about remote viewing i have a

1014

00:41:48,470 --> 00:41:46,720

particular interest in remote viewing

1015

00:41:50,630 --> 00:41:48,480

and if i had to pick one

1016

00:41:52,309 --> 00:41:50,640

psychic power that i think there may be

1017

00:41:54,069 --> 00:41:52,319

something to

1018

00:41:55,829 --> 00:41:54,079

i think that remote viewing is very

1019

00:41:57,990 --> 00:41:55,839

interesting

1020

00:42:00,150 --> 00:41:58,000

do i think it's real i think it's in my

1021

00:42:03,270 --> 00:42:00,160

gray basket and the jury is still

1022

00:42:07,510 --> 00:42:05,349

here we'll put that on the screen the

1023

00:42:08,470 --> 00:42:07,520

jury is still out for me but what i will

1024

00:42:10,470 --> 00:42:08,480

say is that

1025

00:42:13,270 --> 00:42:10,480

there has been more scientific study of

1026
00:42:17,030 --> 00:42:13,280
remote viewing than most other psychic

1027
00:42:21,670 --> 00:42:17,040
phenomenon uh

1028
00:42:25,750 --> 00:42:24,309
genocide have you checked paypal lately

1029
00:42:42,829 --> 00:42:25,760
no i haven't let me

1030
00:42:42,839 --> 00:43:01,589
so

1031
00:43:01,599 --> 00:43:09,990
one second friends please bear with me

1032
00:43:28,390 --> 00:43:12,790
oh we did we did get a donation here

1033
00:43:32,790 --> 00:43:30,230
one second friends i'm having a real

1034
00:43:43,109 --> 00:43:32,800
hard time here because uh

1035
00:43:51,750 --> 00:43:47,829
okay yeah we got a donation just now

1036
00:43:54,950 --> 00:43:51,760
right yeah today's the 10th so we

1037
00:43:57,829 --> 00:43:54,960
just got a generous

1038
00:44:02,230 --> 00:43:57,839

five dollar donation let me see if they

1039

00:44:06,470 --> 00:44:05,829

okay all right well big shout out and a

1040

00:44:09,990 --> 00:44:06,480

big

1041

00:44:13,030 --> 00:44:10,000

donation

1042

00:44:15,910 --> 00:44:13,040

from genocide of five dollars

1043

00:44:18,550 --> 00:44:15,920

thank you for your continued support i

1044

00:44:21,430 --> 00:44:18,560

appreciate that immensely

1045

00:44:21,990 --> 00:44:21,440

i appreciate everyone's support i really

1046

00:44:24,550 --> 00:44:22,000

do

1047

00:44:27,430 --> 00:44:24,560

and five bucks is five bucks bro so

1048

00:44:29,030 --> 00:44:27,440

praise the cash praise the cash

1049

00:44:30,950 --> 00:44:29,040

anybody who wants to send me a paypal

1050

00:44:32,390 --> 00:44:30,960

donation there's a paypal donate button

1051

00:44:33,430 --> 00:44:32,400

and i appreciate that we're calling it

1052

00:44:37,190 --> 00:44:33,440

the not so

1053

00:44:40,390 --> 00:44:38,870

where you can support me on patreon for

1054

00:44:41,670 --> 00:44:40,400

a dollar and you get a bunch of free

1055

00:44:43,670 --> 00:44:41,680

stuff every month

1056

00:44:45,270 --> 00:44:43,680

straight from me we do an audio journal

1057

00:44:47,109 --> 00:44:45,280

every month

1058

00:44:49,430 --> 00:44:47,119

you get access to my free linux

1059

00:44:51,190 --> 00:44:49,440

operating system altos you also get the

1060

00:44:55,349 --> 00:44:51,200

mind hack demos there's going to be a

1061

00:44:59,030 --> 00:44:57,030

i'm muscling through it because i missed

1062

00:44:59,510 --> 00:44:59,040

you guys so much yeah i haven't seen you

1063

00:45:01,109 --> 00:44:59,520

around

1064

00:45:03,190 --> 00:45:01,119

kel truth i did get your message i'm

1065

00:45:05,990 --> 00:45:03,200

sorry that i didn't reply

1066

00:45:07,510 --> 00:45:06,000

listen here's my new strategy when

1067

00:45:08,230 --> 00:45:07,520

somebody from the show sends me a

1068

00:45:09,670 --> 00:45:08,240

message

1069

00:45:11,990 --> 00:45:09,680

if i want to say something but it's

1070

00:45:14,790 --> 00:45:12,000

going to take too long to type out

1071

00:45:16,150 --> 00:45:14,800

i got to save all my typing time for my

1072

00:45:18,950 --> 00:45:16,160

operating system work

1073

00:45:20,550 --> 00:45:18,960

and my computer work so i hope no one

1074

00:45:22,390 --> 00:45:20,560

will think me rude if you don't get a

1075

00:45:24,710 --> 00:45:22,400

message back from me it's just because

1076

00:45:28,069 --> 00:45:24,720

i had things that i wanted to say and i

1077

00:45:29,589 --> 00:45:28,079

thought well i'll just do it on the show

1078

00:45:31,430 --> 00:45:29,599

then i don't have to type it out you

1079

00:45:31,990 --> 00:45:31,440

know we're interactive here so couch

1080

00:45:34,309 --> 00:45:32,000

with my

1081

00:45:36,069 --> 00:45:34,319

son started school on tuesday and i have

1082

00:45:38,870 --> 00:45:36,079

been equally busy

1083

00:45:40,230 --> 00:45:38,880

uh because there's all this stuff that i

1084

00:45:41,109 --> 00:45:40,240

couldn't do the whole time that he was

1085

00:45:44,230 --> 00:45:41,119

home with me

1086

00:45:46,150 --> 00:45:44,240

remember my uh son who's actually going

1087

00:45:48,230 --> 00:45:46,160

to school is the autistic one so he

1088

00:45:49,990 --> 00:45:48,240

requires you've got to be like right on

1089

00:45:53,190 --> 00:45:50,000

top of him all day long

1090

00:45:54,790 --> 00:45:53,200

you can't do nothing so uh

1091

00:45:56,390 --> 00:45:54,800

or bad things happen like you leave

1092

00:45:58,230 --> 00:45:56,400

alone for five minutes and there's like

1093

00:45:59,670 --> 00:45:58,240

a five pound bag of flour all over the

1094

00:46:03,270 --> 00:45:59,680

kitchen or something

1095

00:46:04,710 --> 00:46:03,280

so uh so all those

1096

00:46:07,030 --> 00:46:04,720

there's a bunch of things that i've been

1097

00:46:08,950 --> 00:46:07,040

trying to get done that as soon as he

1098

00:46:10,630 --> 00:46:08,960

was in school all day i was like

1099

00:46:13,510 --> 00:46:10,640

boom let's get this some of this stuff

1100

00:46:15,829 --> 00:46:13,520

done so i've been very busy myself

1101
00:46:16,550 --> 00:46:15,839
and also trying to pump out some more

1102
00:46:19,670 --> 00:46:16,560
shows

1103
00:46:24,309 --> 00:46:22,230
so tonight's generous benefactor was

1104
00:46:27,349 --> 00:46:24,319
joan aside with a kind donation

1105
00:46:28,069 --> 00:46:27,359
of five dollars it is immensely

1106
00:46:33,030 --> 00:46:28,079
appreciated

1107
00:46:34,950 --> 00:46:33,040
every dollar helps every dollar helps

1108
00:46:36,710 --> 00:46:34,960
okay spud wife is here i didn't see you

1109
00:46:38,470 --> 00:46:36,720
earlier shout out to spudwife

1110
00:46:39,750 --> 00:46:38,480
i think once these grifters break

1111
00:46:41,829 --> 00:46:39,760
through initially and gain

1112
00:46:44,150 --> 00:46:41,839
followers they are good to go fans will

1113
00:46:45,750 --> 00:46:44,160

defend just like cg they will reinvent

1114

00:46:47,190 --> 00:46:45,760

themselves periodically so that the

1115

00:46:49,670 --> 00:46:47,200

money keeps coming

1116

00:46:50,950 --> 00:46:49,680

yeah i think that you're exactly right

1117

00:46:54,230 --> 00:46:50,960

they

1118

00:46:55,990 --> 00:46:54,240

some of them are masters at publicity i

1119

00:46:57,750 --> 00:46:56,000

think the best among these people

1120

00:46:59,589 --> 00:46:57,760

at getting himself publicity has always

1121

00:47:01,109 --> 00:46:59,599

been yuri geller because he's just come

1122

00:47:03,430 --> 00:47:01,119

up with stuff

1123

00:47:05,589 --> 00:47:03,440

and that's probably because yuri geller

1124

00:47:08,630 --> 00:47:05,599

started as a stage magician and

1125

00:47:10,390 --> 00:47:08,640

listen when i did stage magic

1126

00:47:11,990 --> 00:47:10,400

anything that you could put on a poster

1127

00:47:15,190 --> 00:47:12,000

to make yourself look huge

1128

00:47:16,870 --> 00:47:15,200

you did you know like i was the renegade

1129

00:47:19,349 --> 00:47:16,880

magician

1130

00:47:21,190 --> 00:47:19,359

and there's a funny story about that uh

1131

00:47:23,670 --> 00:47:21,200

but

1132

00:47:27,190 --> 00:47:23,680

i came up with all kinds of stuff like i

1133

00:47:30,790 --> 00:47:27,200

once got disqualified in a magic contest

1134

00:47:32,950 --> 00:47:30,800

uh among magicians and they disqualified

1135

00:47:35,270 --> 00:47:32,960

me because they were just bitter angry

1136

00:47:38,870 --> 00:47:35,280

old dudes that didn't like me

1137

00:47:41,829 --> 00:47:38,880

uh so they just i brought

1138

00:47:43,349 --> 00:47:41,839

this there was maybe i don't know 50 or

1139

00:47:45,990 --> 00:47:43,359

100 people there and

1140

00:47:48,069 --> 00:47:46,000

nobody was really getting applause at

1141

00:47:49,910 --> 00:47:48,079

this contest nobody was doing great and

1142

00:47:51,109 --> 00:47:49,920

i brought the house down with applause

1143

00:47:53,349 --> 00:47:51,119

that night

1144

00:47:55,030 --> 00:47:53,359

and they knew i won they these old

1145

00:47:59,430 --> 00:47:55,040

geezers knew i won

1146

00:48:01,270 --> 00:47:59,440

but the judges were friends with

1147

00:48:03,190 --> 00:48:01,280

one of the guys in the contest so they

1148

00:48:03,750 --> 00:48:03,200

wanted him to win and this was like an

1149

00:48:06,230 --> 00:48:03,760

old

1150

00:48:07,349 --> 00:48:06,240

guy that didn't even do magic for real

1151

00:48:11,349 --> 00:48:07,359

people he only

1152

00:48:13,349 --> 00:48:11,359

did it at the magic club he

1153

00:48:14,549 --> 00:48:13,359

had somebody pick a card and then put

1154

00:48:16,710 --> 00:48:14,559

the card back in the deck

1155

00:48:17,750 --> 00:48:16,720

and then he missed the card he missed

1156

00:48:20,069 --> 00:48:17,760

the card

1157

00:48:20,790 --> 00:48:20,079

and didn't get the guy's card and then

1158

00:48:23,349 --> 00:48:20,800

he had to go

1159

00:48:24,230 --> 00:48:23,359

under the table and like reset a trick

1160

00:48:26,069 --> 00:48:24,240

deck

1161

00:48:27,829 --> 00:48:26,079

and try to do the trick again and

1162

00:48:30,870 --> 00:48:27,839

meanwhile i did great

1163

00:48:33,589 --> 00:48:30,880

i just rocked the house and uh got

1164

00:48:35,349 --> 00:48:33,599

a huge amount of applause so the judges

1165

00:48:37,829 --> 00:48:35,359

knew they couldn't say that i

1166

00:48:39,750 --> 00:48:37,839

lost so they disqualified me for all

1167

00:48:41,270 --> 00:48:39,760

kinds of nonsense like well

1168

00:48:42,870 --> 00:48:41,280

you weren't sitting at the table and

1169

00:48:44,870 --> 00:48:42,880

this is a close-up call nobody said i

1170

00:48:46,790 --> 00:48:44,880

had to sit at a table i stood up and i

1171

00:48:50,470 --> 00:48:46,800

did my act to music

1172

00:48:52,390 --> 00:48:50,480

i didn't sit at a table uh you know

1173

00:48:54,150 --> 00:48:52,400

nobody said that you were allowed to use

1174

00:48:56,470 --> 00:48:54,160

music at this contest

1175

00:48:57,589 --> 00:48:56,480

nobody said i wasn't you know like so

1176

00:48:59,750 --> 00:48:57,599

anyway i took

1177

00:49:01,990 --> 00:48:59,760

that that i was disqualified from a

1178

00:49:05,109 --> 00:49:02,000

magic contest and i blew up these huge

1179

00:49:07,829 --> 00:49:05,119

posters that said the act of magic

1180

00:49:10,150 --> 00:49:07,839

so powerful it got stephen champion

1181

00:49:11,030 --> 00:49:10,160

disqualified from a society of american

1182

00:49:13,349 --> 00:49:11,040

magician's

1183

00:49:15,349 --> 00:49:13,359

magic contest and everybody would read

1184

00:49:18,069 --> 00:49:15,359

that poster and go like

1185

00:49:20,470 --> 00:49:18,079

wow that must be good right it got him

1186

00:49:20,790 --> 00:49:20,480

disqualified it's that powerful we gotta

1187

00:49:23,910 --> 00:49:20,800

see

1188

00:49:27,030 --> 00:49:23,920

this and i used that for publicity

1189

00:49:27,910 --> 00:49:27,040

for years my point being that guys that

1190

00:49:30,150 --> 00:49:27,920

come from magic

1191

00:49:32,710 --> 00:49:30,160

we know how to twist the facts and make

1192

00:49:34,790 --> 00:49:32,720

great posters and get hype for ourselves

1193

00:49:36,870 --> 00:49:34,800

rory geller is probably the best of

1194

00:49:37,670 --> 00:49:36,880

these frauds at getting free publicity

1195

00:49:41,109 --> 00:49:37,680

for himself

1196

00:49:44,069 --> 00:49:41,119

at really promoting himself this james

1197

00:49:47,589 --> 00:49:44,079

bond prague is a little more reserved he

1198

00:49:50,549 --> 00:49:47,599

was very lucky though because he had

1199

00:49:52,470 --> 00:49:50,559

media pumpers you like larry king and he

1200

00:49:55,430 --> 00:49:52,480

had media pumpers like uh

1201
00:49:56,630 --> 00:49:55,440
oprah winfrey he was on joy behar show

1202
00:50:00,069 --> 00:49:56,640
he was on the view

1203
00:50:00,710 --> 00:50:00,079
i think any uh television show that he

1204
00:50:03,349 --> 00:50:00,720
did

1205
00:50:04,230 --> 00:50:03,359
uh just got him more publicity and he

1206
00:50:06,390 --> 00:50:04,240
was always

1207
00:50:07,270 --> 00:50:06,400
it wasn't like he just went on the show

1208
00:50:10,309 --> 00:50:07,280
it was always like

1209
00:50:11,990 --> 00:50:10,319
buy my new book and then six months

1210
00:50:13,990 --> 00:50:12,000
later a year later

1211
00:50:15,430 --> 00:50:14,000
he's got a new book and he'd go back on

1212
00:50:19,109 --> 00:50:15,440
that show again

1213
00:50:21,190 --> 00:50:19,119

buy my new book you know and these media

1214

00:50:23,430 --> 00:50:21,200

personalities want the ratings and they

1215

00:50:24,069 --> 00:50:23,440

want the hype of having a psychic on

1216

00:50:27,109 --> 00:50:24,079

their show

1217

00:50:29,910 --> 00:50:27,119

so it's a trade-off with these people

1218

00:50:31,829 --> 00:50:29,920

they get publicity and the tv people get

1219

00:50:38,710 --> 00:50:31,839

the ratings

1220

00:50:43,349 --> 00:50:41,270

oh this is a great one oh i'm trying to

1221

00:50:45,829 --> 00:50:43,359

get to it

1222

00:50:46,710 --> 00:50:45,839

here we go if you ever wonder if there

1223

00:50:49,190 --> 00:50:46,720

is money

1224

00:50:50,230 --> 00:50:49,200

being a fake psychic just google yuri

1225

00:50:52,710 --> 00:50:50,240

geller's house

1226

00:50:54,710 --> 00:50:52,720

i agree with you he's and that's just

1227

00:50:55,910 --> 00:50:54,720

one of his houses he's got houses all

1228

00:50:58,950 --> 00:50:55,920

over the world

1229

00:51:01,910 --> 00:50:58,960

he owns an island in scotland

1230

00:51:04,230 --> 00:51:01,920

or off right off of scotland private

1231

00:51:06,950 --> 00:51:04,240

islands aren't cheap friends

1232

00:51:14,870 --> 00:51:06,960

so yeah good for rory geller man he uh

1233

00:51:18,150 --> 00:51:16,470

spud wife i am sensing you are

1234

00:51:19,589 --> 00:51:18,160

struggling right now there is a project

1235

00:51:21,510 --> 00:51:19,599

you are working on that is causing

1236

00:51:21,990 --> 00:51:21,520

stress you have a male figure that has

1237

00:51:24,390 --> 00:51:22,000

passed

1238

00:51:26,790 --> 00:51:24,400

that is with you that is helping you

1239

00:51:27,589 --> 00:51:26,800

yeah and that's all public information

1240

00:51:31,349 --> 00:51:27,599

friends

1241

00:51:37,270 --> 00:51:31,359

uh and a good example of how

1242

00:51:41,349 --> 00:51:37,280

psychic [h__h] works

1243

00:51:45,510 --> 00:51:41,359

yes and uh i've done some more work

1244

00:51:48,950 --> 00:51:45,520

uh i've done some more work on my

1245

00:51:50,549 --> 00:51:48,960

project and i don't know what

1246

00:51:52,790 --> 00:51:50,559

i was saying last night that i'm gonna

1247

00:51:54,870 --> 00:51:52,800

do a channeling session

1248

00:51:56,549 --> 00:51:54,880

and i think i'm gonna do that tomorrow

1249

00:52:01,990 --> 00:51:56,559

i've got

1250

00:52:09,109 --> 00:52:05,190

how the channeling goes can i

1251
00:52:12,790 --> 00:52:09,119
channel my higher self and can i

1252
00:52:16,309 --> 00:52:12,800
provide useful relevant information

1253
00:52:20,710 --> 00:52:16,319
by channeling my highest god-like self

1254
00:52:22,069 --> 00:52:20,720
we're gonna find out um

1255
00:52:23,750 --> 00:52:22,079
we're also doing that because we need a

1256
00:52:27,510 --> 00:52:23,760
little more woo on the channel

1257
00:52:29,990 --> 00:52:27,520
you know i'm getting complaints you know

1258
00:52:31,589 --> 00:52:30,000
we gotta we gotta pump the woo to get

1259
00:52:34,710 --> 00:52:31,599
those numbers up friends

1260
00:52:37,190 --> 00:52:34,720
so we're gonna i'm gonna do channeling

1261
00:52:38,630 --> 00:52:37,200
i don't know maybe we'll do like a uh a

1262
00:52:42,390 --> 00:52:38,640
ghost hunt next week

1263
00:52:45,109 --> 00:52:42,400

right whatever people want

1264

00:52:47,589 --> 00:52:45,119

we'll do it here we will do it so if you

1265

00:52:52,390 --> 00:52:47,599

have any questions or comments from me

1266

00:52:55,510 --> 00:52:52,400

uh carol utley channel this buddy

1267

00:52:57,190 --> 00:52:55,520

what okay maybe oh i don't i take it

1268

00:52:58,069 --> 00:52:57,200

that carol utley is not a fan of

1269

00:52:59,670 --> 00:52:58,079

channeling

1270

00:53:01,430 --> 00:52:59,680

we're gonna channel and it's going to be

1271

00:53:04,470 --> 00:53:01,440

good it's going to be great

1272

00:53:08,549 --> 00:53:07,270

i can't pray to the wou god yes please

1273

00:53:10,870 --> 00:53:08,559

will god

1274

00:53:12,150 --> 00:53:10,880

i don't care if these people are crazy

1275

00:53:14,630 --> 00:53:12,160

if they click subscribe

1276

00:53:16,470 --> 00:53:14,640

we want them praise the woo gods bring

1277

00:53:20,790 --> 00:53:16,480

them bring the woo people

1278

00:53:26,069 --> 00:53:23,990

yeah so uh tomorrow i have to uh

1279

00:53:27,270 --> 00:53:26,079

i gotta work on this i kind of work on

1280

00:53:28,950 --> 00:53:27,280

this sun room and yeah

1281

00:53:30,790 --> 00:53:28,960

it's fun life it's stress this thing

1282

00:53:32,630 --> 00:53:30,800

stressed me out it really stressed me

1283

00:53:34,390 --> 00:53:32,640

out last week but then

1284

00:53:36,150 --> 00:53:34,400

i kind of spent some time with my wife

1285

00:53:36,870 --> 00:53:36,160

and kids the lake and kind of calmed

1286

00:53:39,990 --> 00:53:36,880

down and

1287

00:53:42,390 --> 00:53:40,000

and i went over there i spent like i

1288

00:53:44,150 --> 00:53:42,400

literally spent hours in a chair just

1289

00:53:46,950 --> 00:53:44,160

sitting in front of it like looking

1290

00:53:48,470 --> 00:53:46,960

at the job site trying to put the pieces

1291

00:53:50,309 --> 00:53:48,480

together and figure out how the hell

1292

00:53:54,829 --> 00:53:50,319

this thing is getting built

1293

00:53:58,549 --> 00:53:56,069

though

1294

00:54:00,630 --> 00:53:58,559

pbr street gang i want another deep dive

1295

00:54:03,750 --> 00:54:00,640

into dolan and his [h__h]

1296

00:54:06,870 --> 00:54:03,760

uh it's on the way i have notes

1297

00:54:07,270 --> 00:54:06,880

i think i have two pages of notes uh for

1298

00:54:10,150 --> 00:54:07,280

this

1299

00:54:12,309 --> 00:54:10,160

dirt on richard dolan part two but i

1300

00:54:14,470 --> 00:54:12,319

wanted i'm always like this i always go

1301
00:54:15,910 --> 00:54:14,480
let me look into a few more things

1302
00:54:19,190 --> 00:54:15,920
before we

1303
00:54:24,630 --> 00:54:19,200
you know pull the trigger on that show

1304
00:54:26,470 --> 00:54:24,640
when you're when you're gonna go and

1305
00:54:28,630 --> 00:54:26,480
when it's somebody like richard dolan

1306
00:54:31,750 --> 00:54:28,640
who's like mr serious

1307
00:54:33,349 --> 00:54:31,760
learned academic guy right i want to

1308
00:54:36,390 --> 00:54:33,359
have my

1309
00:54:39,030 --> 00:54:36,400
t's crossed and my eyes dotted and have

1310
00:54:40,309 --> 00:54:39,040
facts in hand i don't want to go fast

1311
00:54:43,430 --> 00:54:40,319
and loose

1312
00:54:45,589 --> 00:54:43,440
uh with this subject matter like

1313
00:54:49,430 --> 00:54:45,599

you know like that we have to really

1314

00:54:51,910 --> 00:54:49,440

make sure that we do our homework

1315

00:54:52,630 --> 00:54:51,920

but the what i have so far is some

1316

00:54:55,190 --> 00:54:52,640

revealing

1317

00:54:57,430 --> 00:54:55,200

information about eric davis and why

1318

00:55:00,470 --> 00:54:57,440

nobody should trust that guy

1319

00:55:02,470 --> 00:55:00,480

or anything that he's involved in and

1320

00:55:05,030 --> 00:55:02,480

more information that would confirm that

1321

00:55:07,910 --> 00:55:05,040

the wilson documents are totally fake

1322

00:55:09,829 --> 00:55:07,920

and uh some other stuff that mr dolan

1323

00:55:10,390 --> 00:55:09,839

has been involved in that looks shady as

1324

00:55:12,950 --> 00:55:10,400

[h__\h]

1325

00:55:19,990 --> 00:55:12,960

but we'll get to that and we'll unpack

1326

00:55:21,910 --> 00:55:20,000

that on a future show

1327

00:55:23,270 --> 00:55:21,920

i just got a quick glance it was hazy

1328

00:55:27,589 --> 00:55:23,280

more of a telepathic

1329

00:55:27,990 --> 00:55:27,599

message yeah oh there we go spud wipe

1330

00:55:31,030 --> 00:55:28,000

john

1331

00:55:33,349 --> 00:55:31,040

edward long ivor they're all on my list

1332

00:55:35,750 --> 00:55:33,359

of favorite fake psychics but wife so

1333

00:55:37,750 --> 00:55:35,760

we're gonna do a show on each of them

1334

00:55:39,349 --> 00:55:37,760

each of them and i have a funny story

1335

00:55:43,990 --> 00:55:39,359

about long island medium

1336

00:55:47,910 --> 00:55:44,000

lady she's a nut she's a nutter

1337

00:55:49,109 --> 00:55:47,920

yeah so stephen it's time to put my

1338

00:55:51,030 --> 00:55:49,119

fourth grader away

1339

00:55:52,710 --> 00:55:51,040

or the tick tock gods we'll keep him up

1340

00:55:55,190 --> 00:55:52,720

all night

1341

00:55:56,069 --> 00:55:55,200

you all have an amazing night it's good

1342

00:55:57,990 --> 00:55:56,079

to be back

1343

00:56:00,950 --> 00:55:58,000

yeah it's good to have you back you have

1344

00:56:03,829 --> 00:56:00,960

a good night kill truth

1345

00:56:04,390 --> 00:56:03,839

yeah so friends we're going to call this

1346

00:56:07,750 --> 00:56:04,400

one

1347

00:56:10,870 --> 00:56:07,760

and

1348

00:56:14,069 --> 00:56:10,880

uh well i gotta clean up

1349

00:56:16,549 --> 00:56:14,079

some man-mess in here first and then i

1350

00:56:18,549 --> 00:56:16,559

gotta try to get some rest and

1351
00:56:20,870 --> 00:56:18,559
tomorrow is going to be a long day for

1352
00:56:23,270 --> 00:56:20,880
me so but we should be back with another

1353
00:56:26,710 --> 00:56:23,280
show as long as the internet gods will

1354
00:56:29,510 --> 00:56:26,720
allow and the streaming works from here

1355
00:56:29,910 --> 00:56:29,520
i'm sorry for the microphone issues i'm

1356
00:56:31,589 --> 00:56:29,920
gonna

1357
00:56:33,510 --> 00:56:31,599
try my best to get this resolved

1358
00:56:35,510 --> 00:56:33,520
tomorrow i got another usb

1359
00:56:37,270 --> 00:56:35,520
microphone somewhere in between three of

1360
00:56:39,589 --> 00:56:37,280
them one of them's gotta work

1361
00:56:41,430 --> 00:56:39,599
um i think it may have something to do

1362
00:56:43,589 --> 00:56:41,440
with the headphone jack but

1363
00:56:45,510 --> 00:56:43,599

i don't know i'll figure it out tomorrow

1364

00:56:49,030 --> 00:56:45,520

these things are going to happen

1365

00:56:51,430 --> 00:56:49,040

in any case i'm sorry that the audio is

1366

00:56:53,510 --> 00:56:51,440

hissy but it was uh

1367

00:56:55,670 --> 00:56:53,520

the only available option that was

1368

00:57:00,950 --> 00:56:55,680

getting a level for some reason

1369

00:57:04,230 --> 00:57:03,670

john claude is here he says love the log

1370

00:57:07,670 --> 00:57:04,240

cabin

1371

00:57:10,710 --> 00:57:07,680

yeah i love it too this is exactly

1372

00:57:11,990 --> 00:57:10,720

you know jean-claude i really almost

1373

00:57:14,230 --> 00:57:12,000

just went to home depot

1374

00:57:16,069 --> 00:57:14,240

and bought like you know two by fours

1375

00:57:18,309 --> 00:57:16,079

and siding and

1376

00:57:19,109 --> 00:57:18,319

i'm so glad that i didn't do that so

1377

00:57:21,510 --> 00:57:19,119

glad

1378

00:57:22,950 --> 00:57:21,520

i was cursing at that decision for a few

1379

00:57:24,630 --> 00:57:22,960

months while i was building this

1380

00:57:27,109 --> 00:57:24,640

nightmare behind me

1381

00:57:28,230 --> 00:57:27,119

but uh now that it's done it is

1382

00:57:31,750 --> 00:57:28,240

absolutely

1383

00:57:34,630 --> 00:57:31,760

uh something straight out of a dream i

1384

00:57:36,309 --> 00:57:34,640

i literally manifest this cabin right

1385

00:57:39,109 --> 00:57:36,319

out of the dream

1386

00:57:39,990 --> 00:57:39,119

and uh i got to learn a lesson in

1387

00:57:43,349 --> 00:57:40,000

manifesting

1388

00:57:44,069 --> 00:57:43,359

like look sometimes you're going to have

1389

00:57:45,670 --> 00:57:44,079

a dream

1390

00:57:47,910 --> 00:57:45,680

and it's not going to be easy to

1391

00:57:51,750 --> 00:57:47,920

manifest into the real world right

1392

00:57:55,910 --> 00:57:51,760

this was crazy this is like a year

1393

00:57:58,630 --> 00:57:55,920

of my probably a full year of weekends

1394

00:58:00,630 --> 00:57:58,640

working your ass off every day blood

1395

00:58:03,750 --> 00:58:00,640

sweat and tears though

1396

00:58:05,710 --> 00:58:03,760

pays off eventually and now i have

1397

00:58:08,309 --> 00:58:05,720

what is essentially the cabin of my

1398

00:58:10,630 --> 00:58:08,319

dreams um

1399

00:58:13,349 --> 00:58:10,640

but you know things are continuing here

1400

00:58:15,589 --> 00:58:13,359

we're building that sun room next door

1401

00:58:16,630 --> 00:58:15,599

well it's really it's like the south

1402

00:58:19,829 --> 00:58:16,640

facing wall

1403

00:58:22,069 --> 00:58:19,839

is going to be a big sun room so

1404

00:58:23,829 --> 00:58:22,079

uh if you're familiar with the concept

1405

00:58:25,910 --> 00:58:23,839

of earthship house

1406

00:58:28,150 --> 00:58:25,920

they always have a lot of glass on the

1407

00:58:30,230 --> 00:58:28,160

south facing wall and that gives free

1408

00:58:35,109 --> 00:58:30,240

thermal heat that's why we're doing that

1409

00:58:38,789 --> 00:58:37,270

oh kell truth one more thing since

1410

00:58:40,069 --> 00:58:38,799

you're on the topic you really need to

1411

00:58:42,309 --> 00:58:40,079

check

1412

00:58:43,910 --> 00:58:42,319

out the youtube channel channeling eric

1413

00:58:46,470 --> 00:58:43,920

i'm

1414

00:58:47,670 --> 00:58:46,480

dying to know what you think okay good

1415

00:58:50,870 --> 00:58:47,680

for

1416

00:58:52,789 --> 00:58:50,880

real now yeah i'll check it out sean

1417

00:58:55,589 --> 00:58:52,799

claudie can we imagine but yes

1418

00:58:56,390 --> 00:58:55,599

it's a manifest stream totally cool make

1419

00:58:59,349 --> 00:58:56,400

it so

1420

00:59:00,390 --> 00:58:59,359

yeah i mean you know the other thing

1421

00:59:02,630 --> 00:59:00,400

that i learned doing this

1422

00:59:03,990 --> 00:59:02,640

is that you can't be stopped by

1423

00:59:06,870 --> 00:59:04,000

obstacles i had so many

1424

00:59:08,710 --> 00:59:06,880

obstacles along the way like geez i

1425

00:59:10,789 --> 00:59:08,720

don't have enough vlogs

1426
00:59:11,750 --> 00:59:10,799
and i swore we had enough logs and a

1427
00:59:14,150 --> 00:59:11,760
couple of times we

1428
00:59:16,470 --> 00:59:14,160
i had to go find more building materials

1429
00:59:18,230 --> 00:59:16,480
and and both times it was like difficult

1430
00:59:18,789 --> 00:59:18,240
to get over those humps and challenges

1431
00:59:23,109 --> 00:59:18,799
and

1432
00:59:23,670 --> 00:59:23,119
was fighting the weather because you

1433
00:59:26,309 --> 00:59:23,680
can't

1434
00:59:27,910 --> 00:59:26,319
do this cement work when it's freezing

1435
00:59:29,589 --> 00:59:27,920
if the temperatures are freezing

1436
00:59:31,589 --> 00:59:29,599
the cement's not going to cure right

1437
00:59:34,789 --> 00:59:31,599
then it's going to be a mess so

1438
00:59:37,670 --> 00:59:34,799

i was fighting that i basically built

1439

00:59:38,870 --> 00:59:37,680

fires around this thing like try you

1440

00:59:42,069 --> 00:59:38,880

know like get that

1441

00:59:43,030 --> 00:59:42,079

can fire just to keep it warm when it

1442

00:59:46,309 --> 00:59:43,040

was like

1443

00:59:47,589 --> 00:59:46,319

borderline like 35 45 outside still

1444

00:59:50,870 --> 00:59:47,599

trying to do this work

1445

00:59:52,470 --> 00:59:50,880

and uh yeah but my point is you got to

1446

00:59:54,309 --> 00:59:52,480

overcome every obstacle and

1447

00:59:55,589 --> 00:59:54,319

eventually the universe just gets out of

1448

00:59:58,390 --> 00:59:55,599

your way

1449

00:59:59,910 --> 00:59:58,400

like i think when the universe realizes

1450

01:00:01,829 --> 00:59:59,920

that you're just not going to be stopped

1451

01:00:03,829 --> 01:00:01,839

it stops putting those challenges and

1452

01:00:08,390 --> 01:00:03,839

obstacles in your way

1453

01:00:08,950 --> 01:00:08,400

uh looks like lots of wheelbarrows of

1454

01:00:10,950 --> 01:00:08,960

cement

1455

01:00:12,710 --> 01:00:10,960

yeah i didn't even have a wheelbarrow i

1456

01:00:16,309 --> 01:00:12,720

had just a like a metal

1457

01:00:18,230 --> 01:00:16,319

like a metal thing and then

1458

01:00:21,190 --> 01:00:18,240

i'd say about three quarters of the way

1459

01:00:22,870 --> 01:00:21,200

through i caved my neighbor kept

1460

01:00:25,270 --> 01:00:22,880

saying i got a cement mixer what are you

1461

01:00:27,750 --> 01:00:25,280

doing bro like i'll bring it over

1462

01:00:29,349 --> 01:00:27,760

you know uh you're gonna save yourself

1463

01:00:31,030 --> 01:00:29,359

half your labor if you just

1464

01:00:32,470 --> 01:00:31,040

use the cement mixer and i kept saying

1465

01:00:34,390 --> 01:00:32,480

no because i was afraid that

1466

01:00:35,910 --> 01:00:34,400

i was gonna mess up his cement mixer or

1467

01:00:38,870 --> 01:00:35,920

break it or like

1468

01:00:39,510 --> 01:00:38,880

you know uh anyway three quarters of the

1469

01:00:42,470 --> 01:00:39,520

way through

1470

01:00:43,109 --> 01:00:42,480

we got a cement mixer from my neighbor

1471

01:00:45,589 --> 01:00:43,119

and

1472

01:00:46,789 --> 01:00:45,599

boy that made the last quarter go you

1473

01:00:48,309 --> 01:00:46,799

know like i was three quarters of the

1474

01:00:50,470 --> 01:00:48,319

way up the wall

1475

01:00:51,430 --> 01:00:50,480

i mixed all the up to three quarters of

1476

01:00:55,190 --> 01:00:51,440

the wall

1477

01:00:57,589 --> 01:00:55,200

up by hand with a hoe and a cement pail

1478

01:00:58,309 --> 01:00:57,599

but having the cement mixer really made

1479

01:01:00,390 --> 01:00:58,319

that last

1480

01:01:02,069 --> 01:01:00,400

quarter that we had to finish go so much

1481

01:01:02,870 --> 01:01:02,079

faster and i was so thankful to have

1482

01:01:05,030 --> 01:01:02,880

that thing

1483

01:01:06,470 --> 01:01:05,040

and then next time if i ever do anything

1484

01:01:08,390 --> 01:01:06,480

like this again i'm going to use the

1485

01:01:11,030 --> 01:01:08,400

cement mixer

1486

01:01:11,990 --> 01:01:11,040

part of me wanted to do and just do it

1487

01:01:14,710 --> 01:01:12,000

all by hand

1488

01:01:16,789 --> 01:01:14,720

and then but then i realized like you

1489

01:01:20,390 --> 01:01:16,799

know i wasn't cutting these logs by hand

1490

01:01:21,270 --> 01:01:20,400

we had chainsaws for that so i caved on

1491

01:01:24,230 --> 01:01:21,280

the chainsaw

1492

01:01:25,190 --> 01:01:24,240

and the cement mixer otherwise this is

1493

01:01:29,990 --> 01:01:25,200

all hand

1494

01:01:33,109 --> 01:01:31,349

you're showing a great lesson to your

1495

01:01:36,789 --> 01:01:33,119

kids man respect to you sir

1496

01:01:38,150 --> 01:01:36,799

yeah my uh my young youngest son is four

1497

01:01:38,870 --> 01:01:38,160

and he keeps saying i want to build a

1498

01:01:41,190 --> 01:01:38,880

cabin too

1499

01:01:43,190 --> 01:01:41,200

daddy i'm gonna need some tools and then

1500

01:01:45,829 --> 01:01:43,200

he goes pulling tools out and stuff

1501

01:01:47,430 --> 01:01:45,839

you know uh i think we're gonna when he

1502

01:01:49,270 --> 01:01:47,440

gets a little older i'm gonna let him

1503

01:01:51,190 --> 01:01:49,280

build a cabin here if i get to help

1504

01:01:53,589 --> 01:01:51,200

because i like building cabins it's

1505

01:01:55,510 --> 01:01:53,599

it's one of my favorite things and i

1506

01:01:57,109 --> 01:01:55,520

didn't know that so i built one

1507

01:01:59,029 --> 01:01:57,119

but i've got a lot more work to do here

1508

01:01:59,829 --> 01:01:59,039

we got to get this sunroom up and then

1509

01:02:02,870 --> 01:01:59,839

after that

1510

01:02:03,589 --> 01:02:02,880

i have i have to finish the ceilings in

1511

01:02:06,309 --> 01:02:03,599

the kitchen

1512

01:02:07,109 --> 01:02:06,319

and the bathroom needs a little bit of

1513

01:02:11,109 --> 01:02:07,119

finish work

1514

01:02:13,510 --> 01:02:11,119

and ceilings and uh

1515

01:02:14,470 --> 01:02:13,520

that should be it but then of course i'm

1516

01:02:17,190 --> 01:02:14,480

stupid so

1517

01:02:19,589 --> 01:02:17,200

after i as i finish this sunroom we're

1518

01:02:21,430 --> 01:02:19,599

going to put a front porch on because

1519

01:02:22,710 --> 01:02:21,440

you got a lot of cabin with a big front

1520

01:02:25,109 --> 01:02:22,720

porch and uh

1521

01:02:25,750 --> 01:02:25,119

we don't have one and that one it's not

1522

01:02:28,309 --> 01:02:25,760

a huge

1523

01:02:29,670 --> 01:02:28,319

project we're hugely expensive to do a

1524

01:02:33,190 --> 01:02:29,680

front porch

1525

01:02:35,190 --> 01:02:33,200

awesome and it would also give us sort

1526

01:02:36,789 --> 01:02:35,200

of an outdoor kitchen area you know you

1527

01:02:37,670 --> 01:02:36,799

could put all the grills and i have a

1528

01:02:41,430 --> 01:02:37,680

smoker

1529

01:02:45,029 --> 01:02:41,440

and i'd like to have a earthen oven

1530

01:02:47,270 --> 01:02:45,039

that would be cool so

1531

01:02:48,789 --> 01:02:47,280

the work at the apocalypse cabin

1532

01:02:52,549 --> 01:02:48,799

continues

1533

01:02:55,990 --> 01:02:52,559

i gotta say too like when i was

1534

01:02:57,750 --> 01:02:56,000

when i when i

1535

01:02:59,670 --> 01:02:57,760

was just finishing this place and

1536

01:03:01,750 --> 01:02:59,680

getting the roof on and things like

1537

01:03:04,309 --> 01:03:01,760

covid was just starting

1538

01:03:05,029 --> 01:03:04,319

and and i hate that i felt this way but

1539

01:03:06,710 --> 01:03:05,039

i was like

1540

01:03:09,109 --> 01:03:06,720

please god don't let me get this

1541

01:03:11,430 --> 01:03:09,119

terrible cover disease and die before i

1542

01:03:14,069 --> 01:03:11,440

finish this cabin like i got

1543

01:03:15,750 --> 01:03:14,079

this has just been a a bucket list goal

1544

01:03:17,190 --> 01:03:15,760

of mine for my whole life and it was

1545

01:03:18,630 --> 01:03:17,200

pissing me off like really

1546

01:03:20,789 --> 01:03:18,640

my walls are three-quarters of the way

1547

01:03:22,789 --> 01:03:20,799

up i gotta like a month

1548

01:03:24,630 --> 01:03:22,799

maybe a little more worth of weekends

1549

01:03:25,589 --> 01:03:24,640

and i can finish this thing i can't get

1550

01:03:27,990 --> 01:03:25,599

sick and die

1551

01:03:29,349 --> 01:03:28,000

right but that's also a lesson to us

1552

01:03:29,990 --> 01:03:29,359

like we've all got things that we want

1553

01:03:32,710 --> 01:03:30,000

to do don't

1554

01:03:33,750 --> 01:03:32,720

wait because you every day is a gift you

1555

01:03:35,349 --> 01:03:33,760

don't know you could

1556

01:03:36,950 --> 01:03:35,359

you could get it by a car tomorrow and

1557

01:03:40,630 --> 01:03:36,960

die you know

1558

01:03:43,990 --> 01:03:40,640

or anything could happen you know these

1559

01:03:45,430 --> 01:03:44,000

these things that we think we're always

1560

01:03:47,349 --> 01:03:45,440

going to have time for

1561

01:03:48,470 --> 01:03:47,359

we're not you've got to do the things

1562

01:03:50,470 --> 01:03:48,480

that you want to do

1563

01:03:52,309 --> 01:03:50,480

if there's especially if it's a big

1564

01:03:54,470 --> 01:03:52,319

dream of yours like this cabin has been

1565

01:03:55,990 --> 01:03:54,480

my wife knew like she knew that i always

1566

01:03:56,789 --> 01:03:56,000

wanted to do this so she was real

1567

01:03:59,349 --> 01:03:56,799

supportive

1568

01:04:01,270 --> 01:03:59,359

and uh and plus i think she knew it was

1569

01:04:01,910 --> 01:04:01,280

gonna be good for the boys man growing

1570

01:04:03,829 --> 01:04:01,920

up

1571

01:04:05,589 --> 01:04:03,839

they're gonna have a cabin to spend

1572

01:04:07,109 --> 01:04:05,599

weekends and summers at

1573

01:04:09,029 --> 01:04:07,119

it's gonna be awesome and all the

1574

01:04:12,470 --> 01:04:09,039

memories we're gonna get to make here

1575

01:04:13,510 --> 01:04:12,480

with our family so uh yeah i highly

1576

01:04:15,910 --> 01:04:13,520

recommend

1577

01:04:17,109 --> 01:04:15,920

you go build that cabin or you know

1578

01:04:20,470 --> 01:04:17,119

whatever it is that you

1579

01:04:24,309 --> 01:04:20,480

have that dream of buy that corvette uh

1580

01:04:26,309 --> 01:04:24,319

i don't know take that trip

1581

01:04:27,990 --> 01:04:26,319

a lot of people think i'll have time to

1582

01:04:29,990 --> 01:04:28,000

travel when i'm retired and then they

1583

01:04:33,589 --> 01:04:30,000

don't even make it to retirement so

1584

01:04:37,029 --> 01:04:33,599

don't wait do the things now

1585

01:04:38,870 --> 01:04:37,039

do the things now that

1586

01:04:40,470 --> 01:04:38,880

you know don't i'm a big believer in

1587

01:04:41,910 --> 01:04:40,480

that saying don't put off till tomorrow

1588

01:04:44,710 --> 01:04:41,920

what you could do today

1589

01:04:46,549 --> 01:04:44,720

um procrastinating on big things is a

1590

01:04:47,829 --> 01:04:46,559

problem that a lot of people have like

1591

01:04:49,910 --> 01:04:47,839

like i said

1592

01:04:51,589 --> 01:04:49,920

well i'll travel when i'm older when i'm

1593

01:04:54,950 --> 01:04:51,599

retired or when i

1594

01:04:56,309 --> 01:04:54,960

you know have more money or whatever it

1595

01:04:58,390 --> 01:04:56,319

is you want to do you gotta

1596

01:05:00,069 --> 01:04:58,400

just gotta find a way and convince the

1597

01:05:02,549 --> 01:05:00,079

universe that you're gonna do it so the

1598

01:05:05,190 --> 01:05:02,559

universe gets out of your way

1599

01:05:07,109 --> 01:05:05,200

well friends uh we're gonna call this

1600

01:05:10,390 --> 01:05:07,119

one a quick one for once

1601
01:05:14,069 --> 01:05:10,400
and we will be back

1602
01:05:15,190 --> 01:05:14,079
tomorrow with another show and we may

1603
01:05:18,950 --> 01:05:15,200
have a

1604
01:05:21,270 --> 01:05:18,960
special appearance by someone

1605
01:05:23,990 --> 01:05:21,280
who's a little angry about boxes of

1606
01:05:27,510 --> 01:05:24,000
dildos being buried

1607
01:05:29,750 --> 01:05:27,520
all over the world who knows

1608
01:05:31,510 --> 01:05:29,760
fun and surprises may await us this

1609
01:05:33,109 --> 01:05:31,520
weekend friends

1610
01:05:34,710 --> 01:05:33,119
so friends i want to thank you all for

1611
01:05:36,069 --> 01:05:34,720
joining me we're also going to be

1612
01:05:39,510 --> 01:05:36,079
continuing in our

1613
01:05:42,950 --> 01:05:39,520

series my favorite fake psychics

1614

01:05:45,510 --> 01:05:42,960

uh and i think we have

1615

01:05:46,549 --> 01:05:45,520

john edwards and a few others long

1616

01:05:49,990 --> 01:05:46,559

island medium

1617

01:05:51,750 --> 01:05:50,000

and a few others to go but we may

1618

01:05:53,670 --> 01:05:51,760

sort of jump around and do a show on

1619

01:05:55,910 --> 01:05:53,680

another topic and get back to this to

1620

01:05:58,150 --> 01:05:55,920

finish the series off

1621

01:06:00,630 --> 01:05:58,160

i'm fascinated by these fake psychics

1622

01:06:02,549 --> 01:06:00,640

i'm especially fascinated by how much

1623

01:06:06,230 --> 01:06:02,559

money they make selling this [h__h]

1624

01:06:11,349 --> 01:06:06,240

it is incredible very lucrative

1625

01:06:15,029 --> 01:06:13,270

i don't know i just don't feel like

1626
01:06:15,589 --> 01:06:15,039
there's value in what these people are

1627
01:06:18,309 --> 01:06:15,599
selling

1628
01:06:19,349 --> 01:06:18,319
but it is what it is and that's the

1629
01:06:21,829 --> 01:06:19,359
world we live in

1630
01:06:24,309 --> 01:06:21,839
people want to believe they want to

1631
01:06:26,470 --> 01:06:24,319
believe so desperately that they will

1632
01:06:27,349 --> 01:06:26,480
open their wallets open their purses and

1633
01:06:29,510 --> 01:06:27,359
throw money

1634
01:06:33,430 --> 01:06:29,520
at these people claiming that they can

1635
01:06:36,309 --> 01:06:33,440
talk to their dead relatives

1636
01:06:36,870 --> 01:06:36,319
as much as i have studied all of these

1637
01:06:40,150 --> 01:06:36,880
frauds

1638
01:06:43,109 --> 01:06:40,160

fakes mediums

1639

01:06:44,150 --> 01:06:43,119

psychics i have yet to find a genuine

1640

01:06:47,589 --> 01:06:44,160

one

1641

01:06:51,190 --> 01:06:47,599

who could be proven to actually

1642

01:06:52,069 --> 01:06:51,200

do what they claim to and that's a sad

1643

01:06:55,589 --> 01:06:52,079

thing

1644

01:06:58,950 --> 01:06:55,599

i would like to find one that is genuine

1645

01:07:01,990 --> 01:06:58,960

maybe someday i will but so far

1646

01:07:02,630 --> 01:07:02,000

that day hasn't come so until next time

1647

01:07:06,309 --> 01:07:02,640

friends

1648

01:07:23,730 --> 01:07:06,319

my name is stephen cambion good night

1649

01:08:41,960 --> 01:08:02,770

[Music]
