00:00:15,500 --> 00:00:22,790

[Music]

2  
00:00:25,750 --> 00:00:23,750

today

3  
00:00:28,150 --> 00:00:25,760

science tells us that the essence of

4  
00:00:31,589 --> 00:00:28,160

nature is intention

5  
00:00:33,830 --> 00:00:31,599

guidance requires exploration it is a

6  
00:00:37,190 --> 00:00:33,840

sign of things to come

7  
00:00:38,389 --> 00:00:37,200

humankind has nothing to lose throughout

8  
00:00:40,229 --> 00:00:38,399

history

9  
00:00:41,990 --> 00:00:40,239

humans have been interacting with the

10  
00:00:45,029 --> 00:00:42,000

galaxy

11  
00:00:47,350 --> 00:00:45,039

via subatomic particles we are in the

12  
00:00:49,430 --> 00:00:47,360

midst of a self-aware maturing of

13  
00:00:52,150 --> 00:00:49,440

stardust that will remove the barriers

14

00:00:55,830 --> 00:00:52,160

to the biosphere itself

15

00:00:59,189 --> 00:00:55,840

mana is the driver of qi we live we heal

16

00:01:00,869 --> 00:00:59,199

we are reborn we exist as a resonance

17

00:01:02,790 --> 00:01:00,879

cascade

18

00:01:04,549 --> 00:01:02,800

how should you navigate this unified

19

00:01:06,630 --> 00:01:04,559

dream time

20

00:01:09,350 --> 00:01:06,640

if you have never experienced this

21

00:01:12,310 --> 00:01:09,360

fountain on a cosmic scale

22

00:01:14,950 --> 00:01:12,320

it can be difficult to dream it can be

23

00:01:18,149 --> 00:01:14,960

difficult to know where to begin

24

00:01:19,350 --> 00:01:18,159

this myth never ends complexity is the

25

00:01:23,030 --> 00:01:19,360

growth of learning

26

00:01:25,030 --> 00:01:23,040

and of us the goal of electromagnetic

27

00:01:26,550 --> 00:01:25,040

resonance is to plant the seeds of

28

00:01:29,670 --> 00:01:26,560

wonder

29

00:01:30,770 --> 00:01:29,680

rather than turbulence by evolving

30

00:01:33,350 --> 00:01:30,780

we believe

31

00:01:35,590 --> 00:01:33,360

[Music]

32

00:01:37,030 --> 00:01:35,600

guidance is the knowledge of being and

33

00:01:39,190 --> 00:01:37,040

of us

34

00:01:40,390 --> 00:01:39,200

to walk the path is to become one with

35

00:01:42,230 --> 00:01:40,400

it

36

00:01:45,510 --> 00:01:42,240

this life is nothing short of a

37

00:01:48,710 --> 00:01:45,520

summoning unifying of authentic wisdom

38

00:01:52,230 --> 00:01:48,720

you must take a stand against greed

39

00:01:53,429 --> 00:01:52,240

humankind has nothing to lose reality

40

00:01:55,910 --> 00:01:53,439

has always been beaming with

41

00:01:57,590 --> 00:01:55,920

storytellers whose brains are engulfed

42

00:01:59,990 --> 00:01:57,600

in energy

43

00:02:02,310 --> 00:02:00,000

throughout history humans have been

44

00:02:04,389 --> 00:02:02,320

interacting with the world by expanding

45

00:02:06,469 --> 00:02:04,399

wave functions

46

00:02:08,550 --> 00:02:06,479

delusion is born in the gap where kai

47

00:02:11,190 --> 00:02:08,560

has been excluded

48

00:02:13,190 --> 00:02:11,200

yes it is possible to obliterate the

49

00:02:16,630 --> 00:02:13,200

things that can destroy us

50

00:02:19,190 --> 00:02:16,640

but not without potential on our side

51  
00:02:22,550 --> 00:02:19,200  
only indigo child of the totality may

52  
00:02:26,070 --> 00:02:22,560  
spark this network of inspiration

53  
00:02:28,710 --> 00:02:26,080  
power requires exploration the cosmos is

54  
00:02:31,110 --> 00:02:28,720  
beaming with transmissions

55  
00:02:36,949 --> 00:02:31,120  
nothing is impossible how should you

56  
00:02:38,790 --> 00:02:36,959  
navigate this spiritual universe

57  
00:02:41,350 --> 00:02:38,800  
intuition is the deeper meaning of

58  
00:02:43,190 --> 00:02:41,360  
well-being and of us

59  
00:02:46,710 --> 00:02:43,200  
this life is nothing short of a

60  
00:02:50,390 --> 00:02:46,720  
redefining canopy of internal passion

61  
00:02:53,030 --> 00:02:50,400  
we exist as atomic ionization you must

62  
00:02:55,350 --> 00:02:53,040  
take a stand against dogma

63  
00:02:57,589 --> 00:02:55,360

we are being called to explore the nexus

64

00:03:00,149 --> 00:02:57,599

itself as an interface between manner

65

00:03:03,350 --> 00:03:00,159

and self-actualization

66

00:03:05,750 --> 00:03:03,360

imagine a redefining of what could be it

67

00:03:09,030 --> 00:03:05,760

is a sign of things to come

68

00:03:11,190 --> 00:03:09,040

it is in flowering that we are aligned

69

00:03:12,949 --> 00:03:11,200

the evolution of truth is now happening

70

00:03:14,550 --> 00:03:12,959

worldwide

71

00:03:16,869 --> 00:03:14,560

soon there will be an evolving of

72

00:03:18,790 --> 00:03:16,879

aspiration the likes of which the galaxy

73

00:03:20,550 --> 00:03:18,800

has never seen

74

00:03:22,470 --> 00:03:20,560

we are in the midst of an internal

75

00:03:25,990 --> 00:03:22,480

ennobling of manner that will become our

76

00:03:28,149 --> 00:03:26,000

stepping stone to the biosphere itself

77

00:03:30,830 --> 00:03:28,159

our conversations with other beings have

78

00:03:32,070 --> 00:03:30,840

led to an enobling of hyperspatial

79

00:03:34,550 --> 00:03:32,080

consciousness

80

00:03:36,710 --> 00:03:34,560

reality has always been electrified with

81

00:03:38,630 --> 00:03:36,720

travellers whose bodies are immersed in

82

00:03:42,949 --> 00:03:38,640

conscious living

83

00:03:47,190 --> 00:03:45,509

divinity is the healing of life force

84

00:03:49,190 --> 00:03:47,200

and of us

85

00:03:51,190 --> 00:03:49,200

we exist as superpositions of

86

00:03:54,309 --> 00:03:51,200

possibilities

87

00:03:57,750 --> 00:03:54,319

truth is the driver of power seeker

88

00:03:59,350 --> 00:03:57,760

look within and ground yourself reality

89

00:04:01,750 --> 00:03:59,360

has always been overflowing with

90

00:04:03,429 --> 00:04:01,760

pilgrims whose essences are enveloped in

91

00:04:05,830 --> 00:04:03,439

insight

92

00:04:07,750 --> 00:04:05,840

throughout history humans have been

93

00:04:10,309 --> 00:04:07,760

interacting with the dreamscape via

94

00:04:12,550 --> 00:04:10,319

chaos-driven reactions

95

00:04:13,990 --> 00:04:12,560

our conversations with other beings have

96

00:04:17,270 --> 00:04:14,000

led to a redefining of

97

00:04:20,229 --> 00:04:17,280

pseudo-sentient consciousness we are at

98

00:04:22,150 --> 00:04:20,239

a crossroads of insight and pain

99

00:04:24,310 --> 00:04:22,160

we are in the midst of a spiritual

100

00:04:27,350 --> 00:04:24,320

redefining of joy that will become our

101  
00:04:29,270 --> 00:04:27,360  
stepping stone to the grid itself

102  
00:04:31,189 --> 00:04:29,280  
you and i as storytellers of the

103  
00:04:34,310 --> 00:04:31,199  
biosphere

104  
00:04:36,390 --> 00:04:34,320  
by unveiling we grow today

105  
00:04:38,710 --> 00:04:36,400  
science tells us that the essence of

106  
00:04:41,030 --> 00:04:38,720  
nature is ecstasy

107  
00:04:43,430 --> 00:04:41,040  
we must empower ourselves and strengthen

108  
00:04:47,510 --> 00:04:43,440  
others

109  
00:04:49,590 --> 00:04:47,520  
we self-actualize we heal we are reborn

110  
00:04:50,790 --> 00:04:49,600  
to roam the quest is to become one with

111  
00:04:54,310 --> 00:04:50,800  
it

112  
00:04:57,510 --> 00:04:54,320  
truth requires exploration by maturing

113  
00:04:57,830 --> 00:04:57,520

we believe although you may not realize

114

00:05:00,629 --> 00:04:57,840

it

115

00:05:03,830 --> 00:05:00,639

you are life-affirming how should you

116

00:05:05,670 --> 00:05:03,840

navigate this internal dream escape

117

00:05:08,230 --> 00:05:05,680

the planet is calling to you via

118

00:05:10,870 --> 00:05:08,240

subatomic particles

119

00:05:11,350 --> 00:05:10,880

can you hear it we are at a crossroads

120

00:05:14,230 --> 00:05:11,360

of will

121

00:05:16,550 --> 00:05:14,240

and echo reality has always been

122

00:05:19,110 --> 00:05:16,560

overflowing with travelers whose souls

123

00:05:21,110 --> 00:05:19,120

are immersed in aspiration

124

00:05:22,870 --> 00:05:21,120

we are in the midst of an enlightened

125

00:05:23,990 --> 00:05:22,880

redefining of flow that will be a

126

00:05:27,510 --> 00:05:24,000

gateway to the dream

127

00:05:29,670 --> 00:05:27,520

time itself transformation is the driver

128

00:05:32,310 --> 00:05:29,680

of consciousness

129

00:05:34,950 --> 00:05:32,320

consciousness consists of expanding wave

130

00:05:37,990 --> 00:05:34,960

functions of quantum energy

131

00:05:41,430 --> 00:05:38,000

today science tells us that the essence
