

**LONG ISLAND
~~MEDIUM~~**

FRAUD!

1
00:01:38,830 --> 00:01:08,160

[Music]

2
00:01:38,840 --> 00:01:46,090

so

3
00:02:27,670 --> 00:02:21,350

[Music]

4
00:02:30,869 --> 00:02:30,309
greetings and salutations and welcome

5
00:02:34,150 --> 00:02:30,879
back

6
00:02:37,750 --> 00:02:34,160
to truth seekers tonight

7
00:02:40,710 --> 00:02:37,760
we will be continuing our new series

8
00:02:41,190 --> 00:02:40,720
my favorite fake psychics tonight we'll

9
00:02:45,110 --> 00:02:41,200
be

10
00:02:48,070 --> 00:02:45,120
uh covering one teresa caputo

11
00:02:49,350 --> 00:02:48,080
who became famous after finding

12
00:02:52,229 --> 00:02:49,360
television fame

13
00:02:53,030 --> 00:02:52,239

on the learning channel of all things

14

00:02:58,149 --> 00:02:53,040

with a show

15

00:03:02,149 --> 00:03:00,070

it's interesting that i've heard her

16

00:03:03,270 --> 00:03:02,159

referred to as long island media more

17

00:03:06,869 --> 00:03:03,280

than her actual

18

00:03:13,030 --> 00:03:06,879

name then i sort of had to correct

19

00:03:20,630 --> 00:03:16,470

she is interesting

20

00:03:27,190 --> 00:03:20,640

in that she chose to use technology

21

00:03:31,589 --> 00:03:30,149

her show began right around the time

22

00:03:34,710 --> 00:03:31,599

that social media was

23

00:03:36,949 --> 00:03:34,720

really really becoming popular with

24

00:03:40,630 --> 00:03:36,959

things like facebook and instagram

25

00:03:43,750 --> 00:03:40,640

etc and unlike most mediums

26
00:03:46,789 --> 00:03:43,760
who rely simply on cold reading oh yes

27
00:03:49,670 --> 00:03:46,799
she does cold reading but

28
00:03:50,229 --> 00:03:49,680
she had a few additional tricks up her

29
00:03:53,030 --> 00:03:50,239
sleeve

30
00:03:54,869 --> 00:03:53,040
which would ensure that she would always

31
00:03:58,710 --> 00:03:54,879
be able to get hits

32
00:04:01,429 --> 00:03:58,720
in fact when this series on my favorite

33
00:04:04,869 --> 00:04:01,439
fake psychics

34
00:04:08,149 --> 00:04:04,879
started one of our viewers it's a

35
00:04:10,710 --> 00:04:08,159
lisa mendes in texas

36
00:04:13,589 --> 00:04:10,720
sent me a letter about her experience

37
00:04:14,470 --> 00:04:13,599
her personal experience with teresa

38
00:04:17,270 --> 00:04:14,480

caputo

39

00:04:19,189 --> 00:04:17,280

the long island medium she paid for a

40

00:04:21,189 --> 00:04:19,199

very expensive ticket i believe it was a

41

00:04:24,070 --> 00:04:21,199

hundred and fifty dollars

42

00:04:27,670 --> 00:04:24,080

to uh yeah she said it was a ticket

43

00:04:29,590 --> 00:04:27,680

through ticketmaster was around 150

44

00:04:31,510 --> 00:04:29,600

so i'm reading from a letter with her

45

00:04:35,110 --> 00:04:31,520

permission um

46

00:04:35,909 --> 00:04:35,120

about her own uh her own personal

47

00:04:39,270 --> 00:04:35,919

experience

48

00:04:41,749 --> 00:04:39,280

attending long island medium live

49

00:04:43,749 --> 00:04:41,759

event which she purchased a ticket for

50

00:04:47,270 --> 00:04:43,759

around 150

51
00:04:49,990 --> 00:04:47,280
uh 150 dollars

52
00:04:51,590 --> 00:04:50,000
for a ticket and there's you know a few

53
00:04:52,870 --> 00:04:51,600
hundred people in the audience so

54
00:04:55,670 --> 00:04:52,880
imagine the take

55
00:04:56,150 --> 00:04:55,680
that she gets imagine that's quite a

56
00:05:00,310 --> 00:04:56,160
take

57
00:05:04,150 --> 00:05:00,320
150 bucks a person a few hundred people

58
00:05:06,870 --> 00:05:04,160
um so lisa's mother died

59
00:05:08,070 --> 00:05:06,880
and she was very heartbroken over the

60
00:05:09,909 --> 00:05:08,080
death of her mother

61
00:05:12,070 --> 00:05:09,919
wished to communicate with her mother to

62
00:05:14,150 --> 00:05:12,080
find out make sure her mother was okay

63
00:05:16,469 --> 00:05:14,160

in heaven or the afterlife or wherever

64

00:05:19,510 --> 00:05:16,479

it is that we go

65

00:05:20,150 --> 00:05:19,520

um watched theresa on the learning

66

00:05:22,550 --> 00:05:20,160

channel

67

00:05:24,070 --> 00:05:22,560

and became somewhat of a believer but

68

00:05:26,150 --> 00:05:24,080

she did say in her letter

69

00:05:27,189 --> 00:05:26,160

i was still somewhat skeptical both of

70

00:05:30,550 --> 00:05:27,199

an afterlife and

71

00:05:31,590 --> 00:05:30,560

of this woman's abilities however i was

72

00:05:36,830 --> 00:05:31,600

full of grief

73

00:05:39,670 --> 00:05:37,990

terribly

74

00:05:42,150 --> 00:05:39,680

when i heard that she would be doing a

75

00:05:45,189 --> 00:05:42,160

local event near my hometown

76

00:05:47,990 --> 00:05:45,199

i got a ticket and could not wait

77

00:05:50,710 --> 00:05:48,000

to be in the audience and perhaps be

78

00:05:53,749 --> 00:05:50,720

able to communicate or speak with my

79

00:05:57,270 --> 00:05:53,759

dead mother

80

00:05:59,590 --> 00:05:57,280

uh again from her letter she mentions

81

00:06:00,550 --> 00:05:59,600

one of the things i found extremely odd

82

00:06:03,029 --> 00:06:00,560

during the event

83

00:06:04,629 --> 00:06:03,039

is that she concentrated on people in

84

00:06:06,550 --> 00:06:04,639

the front rows

85

00:06:07,670 --> 00:06:06,560

and most of her hits were in the front

86

00:06:10,870 --> 00:06:07,680

rows

87

00:06:12,950 --> 00:06:10,880

i found that odd while watching this

88

00:06:14,150 --> 00:06:12,960

until i heard later that these were her

89

00:06:16,390 --> 00:06:14,160

special guests

90

00:06:17,270 --> 00:06:16,400

people who she knew or had given

91

00:06:20,710 --> 00:06:17,280

readings to

92

00:06:22,070 --> 00:06:20,720

before and it seemed like every time she

93

00:06:24,309 --> 00:06:22,080

struggled to get hits with

94

00:06:25,510 --> 00:06:24,319

regular audience members not sitting in

95

00:06:28,550 --> 00:06:25,520

the front row

96

00:06:30,070 --> 00:06:28,560

she repeatedly went back to someone in

97

00:06:33,510 --> 00:06:30,080

the front row and got hit

98

00:06:35,830 --> 00:06:33,520

after hit after hit so this is

99

00:06:36,550 --> 00:06:35,840

one technique of miss caputo that

100

00:06:39,430 --> 00:06:36,560

differs

101
00:06:40,230 --> 00:06:39,440
uh from many fake psychic mediums in

102
00:06:42,390 --> 00:06:40,240
that

103
00:06:44,230 --> 00:06:42,400
uh and this is well documented other

104
00:06:47,430 --> 00:06:44,240
people have documented this and

105
00:06:49,350 --> 00:06:47,440
uh miss caputo has all but admitted that

106
00:06:51,510 --> 00:06:49,360
the front rows of her live events are

107
00:06:53,749 --> 00:06:51,520
reserved for people who she's given over

108
00:06:56,710 --> 00:06:53,759
the phone readings to

109
00:06:57,430 --> 00:06:56,720
uh special guests people that she has

110
00:06:59,909 --> 00:06:57,440
worked with

111
00:07:02,309 --> 00:06:59,919
or for previously get those premium

112
00:07:05,029 --> 00:07:02,319
front row seats

113
00:07:06,390 --> 00:07:05,039

here's the problem if she has given

114

00:07:08,950 --> 00:07:06,400

readings for these people

115

00:07:10,070 --> 00:07:08,960

previously then she knows their names

116

00:07:12,309 --> 00:07:10,080

their addresses

117

00:07:13,350 --> 00:07:12,319

probably their phone numbers where they

118

00:07:16,870 --> 00:07:13,360

live

119

00:07:19,029 --> 00:07:16,880

maybe where they work she knows a lot

120

00:07:20,230 --> 00:07:19,039

about the people that she places in the

121

00:07:22,950 --> 00:07:20,240

front row

122

00:07:23,430 --> 00:07:22,960

and as uh this lisa mendes viewer of

123

00:07:25,510 --> 00:07:23,440

mine

124

00:07:26,629 --> 00:07:25,520

shared with us every time that she

125

00:07:29,430 --> 00:07:26,639

started getting

126

00:07:31,510 --> 00:07:29,440

a lot of misses in the regular audience

127

00:07:32,390 --> 00:07:31,520

she would return to one of the people in

128

00:07:35,670 --> 00:07:32,400

the front row

129

00:07:38,309 --> 00:07:35,680

and get hit after hit after hit

130

00:07:39,510 --> 00:07:38,319

it's not of course this is opinion and

131

00:07:41,270 --> 00:07:39,520

speculation but

132

00:07:43,350 --> 00:07:41,280

the reason that she's able to get hit

133

00:07:45,029 --> 00:07:43,360

after hit after hit with those special

134

00:07:47,510 --> 00:07:45,039

guests of hers is because she knows

135

00:07:50,390 --> 00:07:47,520

everything about them already she knows

136

00:07:51,990 --> 00:07:50,400

who their departed relatives were a bit

137

00:07:55,830 --> 00:07:52,000

about them

138

00:07:56,710 --> 00:07:55,840

and she i suppose has a database of

139

00:07:59,909 --> 00:07:56,720

these people

140

00:08:03,110 --> 00:07:59,919

who can who she can use to help sell her

141

00:08:04,070 --> 00:08:03,120

fake psychic medium abilities in the

142

00:08:06,230 --> 00:08:04,080

middle of a live

143

00:08:08,390 --> 00:08:06,240

show if she starts getting too many

144

00:08:10,230 --> 00:08:08,400

misses she just jumps on one of those

145

00:08:13,510 --> 00:08:10,240

people in the front row

146

00:08:16,869 --> 00:08:13,520

and this is one of her methods to use

147

00:08:20,710 --> 00:08:16,879

this is what magicians call ringers or

148

00:08:21,990 --> 00:08:20,720

stooges uh i've never liked that term in

149

00:08:26,150 --> 00:08:22,000

magic

150

00:08:29,670 --> 00:08:26,160

show there's sometimes there's a paid

151

00:08:31,990 --> 00:08:29,680

skill or stooge or

152

00:08:34,230 --> 00:08:32,000

even just a friend of the magician that

153

00:08:38,550 --> 00:08:34,240

wants to help him with the show

154

00:08:40,469 --> 00:08:38,560

i would routinely use such a thing

155

00:08:41,909 --> 00:08:40,479

and the gag went something like this i'd

156

00:08:44,070 --> 00:08:41,919

call somebody up

157

00:08:45,110 --> 00:08:44,080

onto the stage and i would touch him a

158

00:08:46,790 --> 00:08:45,120

lot

159

00:08:48,389 --> 00:08:46,800

uh make sure that the audience saw me

160

00:08:50,630 --> 00:08:48,399

touching him pull him over

161

00:08:52,710 --> 00:08:50,640

come on come closer to me you know i

162

00:08:55,110 --> 00:08:52,720

would touch him on his back and say

163

00:08:57,030 --> 00:08:55,120

stand up straight i touched the guy a

164

00:09:00,470 --> 00:08:57,040

lot and i made sure that the audience

165

00:09:03,190 --> 00:09:00,480

saw me touching that guy a lot

166

00:09:04,150 --> 00:09:03,200

what the audience didn't know is that

167

00:09:06,470 --> 00:09:04,160

that person was

168

00:09:09,030 --> 00:09:06,480

a stooge or a confederate a person

169

00:09:12,949 --> 00:09:09,040

working with me and his whole job

170

00:09:13,590 --> 00:09:12,959

was to just play along and so the gag

171

00:09:15,509 --> 00:09:13,600

was

172

00:09:17,670 --> 00:09:15,519

i would do a card trick for him and the

173

00:09:19,269 --> 00:09:17,680

card trick would go terribly wrong

174

00:09:21,590 --> 00:09:19,279

and then i would look at the guy and it

175

00:09:22,949 --> 00:09:21,600

was a gag like what do you mean you

176

00:09:24,389 --> 00:09:22,959

i guess you don't believe in magic

177

00:09:25,910 --> 00:09:24,399

that's why the trick didn't work sit

178

00:09:27,910 --> 00:09:25,920

down you're [h__\h] up my show and

179

00:09:30,070 --> 00:09:27,920

everybody would get a big laugh

180

00:09:31,990 --> 00:09:30,080

right and then after the guy would sit

181

00:09:32,870 --> 00:09:32,000

down i would start pulling stuff out

182

00:09:35,030 --> 00:09:32,880

like

183

00:09:36,389 --> 00:09:35,040

here's your wallet here's your keys and

184

00:09:38,230 --> 00:09:36,399

the audience thought

185

00:09:39,750 --> 00:09:38,240

they would reconnect things and think

186

00:09:41,750 --> 00:09:39,760

that i was taking this stuff

187

00:09:43,430 --> 00:09:41,760

off that guy while he while i was

188

00:09:45,590 --> 00:09:43,440

touching him so much that i was picking

189

00:09:47,990 --> 00:09:45,600

his pockets taking his watch off like

190

00:09:50,630 --> 00:09:48,000

make sure i touch his hand pulling over

191

00:09:53,190 --> 00:09:50,640

you know this is what is known as a

192

00:09:56,230 --> 00:09:53,200

stooge a confederate

193

00:10:00,310 --> 00:09:56,240

a shill and magicians use this

194

00:10:02,710 --> 00:10:00,320

all the time in shows uh miss caputo

195

00:10:04,630 --> 00:10:02,720

is no different than a stage magician

196

00:10:05,829 --> 00:10:04,640

she's got confederates in the audience

197

00:10:08,310 --> 00:10:05,839

that can help her

198

00:10:08,949 --> 00:10:08,320

if she's in trouble and unable to

199

00:10:11,350 --> 00:10:08,959

produce

200

00:10:13,990 --> 00:10:11,360

meaningful information from regular

201
00:10:16,870 --> 00:10:14,000
people that she doesn't know

202
00:10:18,470 --> 00:10:16,880
i found that fascinating and this has

203
00:10:20,949 --> 00:10:18,480
been documented

204
00:10:23,910 --> 00:10:20,959
numerous places including an issue of

205
00:10:27,430 --> 00:10:23,920
the skeptical inquirer magazine

206
00:10:30,069 --> 00:10:27,440
which we'll be referencing later uh

207
00:10:31,990 --> 00:10:30,079
lisa mendes goes on to say that

208
00:10:34,310 --> 00:10:32,000
initially i was shocked

209
00:10:35,110 --> 00:10:34,320
that miss caputo during my reading was

210
00:10:37,350 --> 00:10:35,120
pulling out

211
00:10:40,150 --> 00:10:37,360
incredibly accurate information that i

212
00:10:43,030 --> 00:10:40,160
had no idea

213
00:10:44,550 --> 00:10:43,040

how she would know she literally gave me

214

00:10:50,630 --> 00:10:44,560

the day my mother died

215

00:10:54,069 --> 00:10:50,640

the cemetery where she was buried

216

00:10:57,670 --> 00:10:54,079

later i realized that when i purchased

217

00:10:59,430 --> 00:10:57,680

the ticketmaster ticket for this event i

218

00:11:00,310 --> 00:10:59,440

gave them my name address and phone

219

00:11:02,790 --> 00:11:00,320

number

220

00:11:04,630 --> 00:11:02,800

my mother had just recently within six

221

00:11:08,389 --> 00:11:04,640

months of miss caputo's event

222

00:11:10,310 --> 00:11:08,399

passed away on facebook i posted

223

00:11:12,790 --> 00:11:10,320

every piece of information that miss

224

00:11:15,269 --> 00:11:12,800

caputo gave me in my reading

225

00:11:17,030 --> 00:11:15,279

i can only assume that miss caputo or

226

00:11:19,509 --> 00:11:17,040

someone who works for her

227

00:11:21,430 --> 00:11:19,519

minds people's social media accounts

228

00:11:22,150 --> 00:11:21,440

there can be no other explanation for

229

00:11:26,230 --> 00:11:22,160

why

230

00:11:29,670 --> 00:11:26,240

she gave me such accurate information

231

00:11:32,790 --> 00:11:29,680

and yeah uh i agree with miss mendez

232

00:11:37,590 --> 00:11:32,800

uh this teresa caputo is somewhat

233

00:11:40,230 --> 00:11:37,600

famous even amongst uh you know uh

234

00:11:42,069 --> 00:11:40,240

other fake magicians because other fake

235

00:11:45,030 --> 00:11:42,079

magicians or excuse me other fake

236

00:11:47,190 --> 00:11:45,040

psychics other fake mediums upon it

237

00:11:49,110 --> 00:11:47,200

being revealed that this was a method

238

00:11:51,829 --> 00:11:49,120

that she used to

239

00:11:53,910 --> 00:11:51,839

get people's names and address and do

240

00:11:55,430 --> 00:11:53,920

pre-show work we discussed this before

241

00:11:58,389 --> 00:11:55,440

what is pre-show work

242

00:11:59,350 --> 00:11:58,399

pre-show work for a psychic or a medium

243

00:12:01,190 --> 00:11:59,360

is when you know

244

00:12:03,750 --> 00:12:01,200

in advance who you're going to be giving

245

00:12:05,590 --> 00:12:03,760

a reading to and of course she did

246

00:12:06,949 --> 00:12:05,600

because when people purchase tickets

247

00:12:08,550 --> 00:12:06,959

they're giving their name their address

248

00:12:11,829 --> 00:12:08,560

their telephone number

249

00:12:13,670 --> 00:12:11,839

i suppose or it is alleged

250

00:12:15,910 --> 00:12:13,680

and this is my speculation as well as a

251
00:12:17,269 --> 00:12:15,920
specula it's very informed speculation

252
00:12:20,550 --> 00:12:17,279
but i'll still say

253
00:12:20,949 --> 00:12:20,560
here this is speculation her and people

254
00:12:23,990 --> 00:12:20,959
that

255
00:12:27,269 --> 00:12:24,000
worked for her would mine their social

256
00:12:28,310 --> 00:12:27,279
media accounts and make carbs for each

257
00:12:30,069 --> 00:12:28,320
person

258
00:12:32,230 --> 00:12:30,079
uh oh but part of this is not

259
00:12:34,470 --> 00:12:32,240
speculation because i have an additional

260
00:12:43,190 --> 00:12:34,480
source

261
00:12:45,590 --> 00:12:43,200
employed

262
00:12:47,509 --> 00:12:45,600
and i consider former employees people

263
00:12:49,269 --> 00:12:47,519

would say maybe this guy's disgruntled i

264

00:12:50,949 --> 00:12:49,279

don't think so i didn't get that

265

00:12:53,269 --> 00:12:50,959

had a phone conversation with this

266

00:12:55,990 --> 00:12:53,279

person his name is jerry randolph

267

00:12:57,910 --> 00:12:56,000

he worked as a production assistant and

268

00:13:00,710 --> 00:12:57,920

general personal assistant for miss

269

00:13:03,829 --> 00:13:00,720

caputo for three years

270

00:13:05,269 --> 00:13:03,839

his name is jerry randolph i tried to

271

00:13:06,150 --> 00:13:05,279

get him to come on but he's a little

272

00:13:08,550 --> 00:13:06,160

cameron

273

00:13:09,430 --> 00:13:08,560

even voice shy he would not uh come on

274

00:13:11,110 --> 00:13:09,440

but he gave me

275

00:13:13,430 --> 00:13:11,120

some written statements here which i'm

276

00:13:14,069 --> 00:13:13,440

going to reference i consider jerry

277

00:13:24,230 --> 00:13:14,079

randolph

278

00:13:26,550 --> 00:13:24,240

responsibilities were was to take

279

00:13:27,590 --> 00:13:26,560

information given to miss caputo by

280

00:13:30,710 --> 00:13:27,600

ticketmaster

281

00:13:31,990 --> 00:13:30,720

for the attendees and mine their social

282

00:13:35,190 --> 00:13:32,000

media accounts

283

00:13:38,069 --> 00:13:35,200

and create an index card with

284

00:13:38,870 --> 00:13:38,079

relevant or useful information on each

285

00:13:41,509 --> 00:13:38,880

card

286

00:13:42,550 --> 00:13:41,519

that miss caputo could then reference

287

00:13:45,990 --> 00:13:42,560

during her live

288

00:13:49,269 --> 00:13:46,000

performances for those audience members

289

00:13:52,949 --> 00:13:49,279

the system worked like this myself

290

00:13:55,990 --> 00:13:52,959

or another employee of teresa would be

291

00:14:00,550 --> 00:13:56,000

out of sight using a transmitter

292

00:14:03,350 --> 00:14:00,560

and she had an earpiece when she would

293

00:14:04,470 --> 00:14:03,360

give a reading for a person that we had

294

00:14:07,509 --> 00:14:04,480

a card for

295

00:14:10,069 --> 00:14:07,519

that card would be read to her into her

296

00:14:10,870 --> 00:14:10,079

earpiece and she could then use that

297

00:14:14,550 --> 00:14:10,880

information

298

00:14:15,990 --> 00:14:14,560

in the reading i feel mr randolph goes

299

00:14:18,069 --> 00:14:16,000

on to say i feel bad

300

00:14:19,350 --> 00:14:18,079

for my participation in what is

301
00:14:22,949 --> 00:14:19,360
essentially a scam

302
00:14:23,750 --> 00:14:22,959
and a fraud however i needed the money

303
00:14:26,069 --> 00:14:23,760
at the time

304
00:14:27,590 --> 00:14:26,079
and i justified it to myself that this

305
00:14:30,310 --> 00:14:27,600
was entertainment

306
00:14:30,870 --> 00:14:30,320
it was only after seeing someone break

307
00:14:33,990 --> 00:14:30,880
down

308
00:14:36,310 --> 00:14:34,000
crying hysterically

309
00:14:38,790 --> 00:14:36,320
that i felt bad enough to seek other

310
00:14:41,509 --> 00:14:38,800
employment

311
00:14:42,310 --> 00:14:41,519
i initially signed a nondisclosure

312
00:14:46,470 --> 00:14:42,320
agreement

313
00:14:48,389 --> 00:14:46,480

expired

314

00:14:50,470 --> 00:14:48,399

i guess it was like a certain time frame

315

00:14:51,189 --> 00:14:50,480

that he had an mba he wasn't able to

316

00:14:53,110 --> 00:14:51,199

talk about

317

00:14:55,110 --> 00:14:53,120

anything he told me he was not able

318

00:14:55,990 --> 00:14:55,120

while he was under the nda was not able

319

00:14:58,870 --> 00:14:56,000

to talk about

320

00:15:00,870 --> 00:14:58,880

anything at all concerning his

321

00:15:01,910 --> 00:15:00,880

employment or knowledge of ms caputo's

322

00:15:06,150 --> 00:15:01,920

business

323

00:15:08,949 --> 00:15:06,160

adventures however

324

00:15:11,430 --> 00:15:08,959

i guess the nba had a time limit a lot

325

00:15:13,829 --> 00:15:11,440

of times an employee nda is for like

326

00:15:15,750 --> 00:15:13,839

you know you're not allowed to it's

327

00:15:17,990 --> 00:15:15,760

binding for let's say

328

00:15:19,990 --> 00:15:18,000

three years or two years or five years

329

00:15:20,710 --> 00:15:20,000

after the date of your employment ends

330

00:15:22,629 --> 00:15:20,720

with that

331

00:15:23,910 --> 00:15:22,639

i had an mda for a corporation that i

332

00:15:27,110 --> 00:15:23,920

worked for once

333

00:15:27,990 --> 00:15:27,120

um and uh in my case the the corporation

334

00:15:30,470 --> 00:15:28,000

was like

335

00:15:32,310 --> 00:15:30,480

so evil that like they they basically

336

00:15:34,310 --> 00:15:32,320

had to give everybody an nda so that

337

00:15:36,790 --> 00:15:34,320

nobody would quit or get fired

338

00:15:37,749 --> 00:15:36,800

and go to the law enforcement or go to

339

00:15:40,310 --> 00:15:37,759

somebody

340

00:15:40,790 --> 00:15:40,320

and or media and get them in trouble for

341

00:15:43,910 --> 00:15:40,800

their

342

00:15:46,069 --> 00:15:43,920

terrible terrible business practices um

343

00:15:47,269 --> 00:15:46,079

and i like jerry felt bad when i worked

344

00:15:49,350 --> 00:15:47,279

for that corporation couldn't wait to

345

00:15:52,710 --> 00:15:49,360

get out from under that corporation

346

00:15:54,310 --> 00:15:52,720

um and eventually i did so

347

00:15:56,230 --> 00:15:54,320

we have a source that works for miss

348

00:15:58,150 --> 00:15:56,240

caputo that is confirming

349

00:15:59,590 --> 00:15:58,160

that the rumors and speculation of her

350

00:16:03,110 --> 00:15:59,600

mining social media

351
00:16:05,269 --> 00:16:03,120
is absolutely accurate and true

352
00:16:06,470 --> 00:16:05,279
uh additionally we have a source that

353
00:16:08,790 --> 00:16:06,480
attended and

354
00:16:11,110 --> 00:16:08,800
suspected that ms caputo was using

355
00:16:13,189 --> 00:16:11,120
information from her facebook profile to

356
00:16:16,389 --> 00:16:13,199
give the reading

357
00:16:18,230 --> 00:16:16,399
uh yeah so she lisa mendes

358
00:16:19,910 --> 00:16:18,240
or one of our viewers who was out of

359
00:16:21,590 --> 00:16:19,920
taping and had a reading from miss

360
00:16:23,110 --> 00:16:21,600
caputo states that everything in my

361
00:16:30,389 --> 00:16:23,120
reading was information

362
00:16:35,030 --> 00:16:32,949
she i'm sorry she also gave lots of

363
00:16:36,389 --> 00:16:35,040

information contained in posts about my

364

00:16:38,550 --> 00:16:36,399

mother dying

365

00:16:40,710 --> 00:16:38,560

i found that incredibly suspect when i

366

00:16:43,350 --> 00:16:40,720

confronted one of the producers

367

00:16:44,790 --> 00:16:43,360

at the event about that i was hushed up

368

00:16:48,069 --> 00:16:44,800

and asked to leave

369

00:16:49,829 --> 00:16:48,079

and quickly ushered out of the event

370

00:16:51,269 --> 00:16:49,839

so that's what they do to a skeptic or a

371

00:16:53,269 --> 00:16:51,279

non-believer they get him out of the

372

00:16:56,550 --> 00:16:53,279

event so that that you know they can

373

00:16:58,550 --> 00:16:56,560

infect the other people with this uh

374

00:16:59,990 --> 00:16:58,560

skepticism let's say they don't like

375

00:17:02,949 --> 00:17:00,000

skepticism one bit

376

00:17:04,069 --> 00:17:02,959

and i gotta say out of all of the uh

377

00:17:07,189 --> 00:17:04,079

fake mediums or

378

00:17:09,270 --> 00:17:07,199

fake psychics that i've looked into this

379

00:17:09,990 --> 00:17:09,280

teresa gets the most combative with

380

00:17:12,150 --> 00:17:10,000

skeptics

381

00:17:13,909 --> 00:17:12,160

of any of them that i've ever seen she

382

00:17:14,789 --> 00:17:13,919

straight yells at people i don't care

383

00:17:18,069 --> 00:17:14,799

what you believe

384

00:17:20,069 --> 00:17:18,079

and she's very rude and nasty and maybe

385

00:17:22,470 --> 00:17:20,079

it's a side note but there's other

386

00:17:23,189 --> 00:17:22,480

reports there are so many reports of

387

00:17:26,069 --> 00:17:23,199

this woman

388

00:17:28,630 --> 00:17:26,079

being a complete and total [h__h] to

389

00:17:30,070 --> 00:17:28,640

people when the cameras are off

390

00:17:32,070 --> 00:17:30,080

and i think that says something about

391

00:17:34,150 --> 00:17:32,080

her as a person if you were really

392

00:17:35,110 --> 00:17:34,160

gifted with these supernatural powers

393

00:17:36,950 --> 00:17:35,120

would you be so

394

00:17:38,390 --> 00:17:36,960

nasty to people when the cameras were

395

00:17:40,070 --> 00:17:38,400

off and then they turned the cameras on

396

00:17:42,150 --> 00:17:40,080

and you're super nice lady

397

00:17:44,710 --> 00:17:42,160

and you're so spiritual and helpful to

398

00:17:48,310 --> 00:17:46,310

i guess i should also mention that i

399

00:17:49,669 --> 00:17:48,320

used to watch long island medium and

400

00:17:51,350 --> 00:17:49,679

yell at the television

401
00:17:52,710 --> 00:17:51,360
about what a crock of [h__h] was and my

402
00:17:54,710 --> 00:17:52,720
wife used to tell me why

403
00:17:56,230 --> 00:17:54,720
you even watch this [h__h] turn it off if

404
00:17:57,909 --> 00:17:56,240
it bothered it bothers me

405
00:17:59,350 --> 00:17:57,919
yeah it bothers me this woman's making

406
00:18:02,789 --> 00:17:59,360
this much money

407
00:18:04,710 --> 00:18:02,799
has a television show and i gotta say

408
00:18:06,470 --> 00:18:04,720
i feel exactly the same way about the

409
00:18:09,669 --> 00:18:06,480
learning channel having a fake

410
00:18:11,750 --> 00:18:09,679
psychic show on as i do about the

411
00:18:15,590 --> 00:18:11,760
history channel having all this

412
00:18:17,909 --> 00:18:15,600
fake bigfoot [h__h] and you know

413
00:18:20,230 --> 00:18:17,919

ancient aliens and ufo stories on

414

00:18:22,870 --> 00:18:20,240

constantly it's not history

415

00:18:24,710 --> 00:18:22,880

it's it's story time you know and the

416

00:18:26,390 --> 00:18:24,720

same thing the learning channel

417

00:18:29,190 --> 00:18:26,400

we're gonna have a show about somebody

418

00:18:31,430 --> 00:18:29,200

that talks to dead people

419

00:18:33,590 --> 00:18:31,440

but i think that both of those channels

420

00:18:34,870 --> 00:18:33,600

started off with good intentions right

421

00:18:37,029 --> 00:18:34,880

the history channel had

422

00:18:38,789 --> 00:18:37,039

awesome world war ii documentaries when

423

00:18:41,510 --> 00:18:38,799

they first started and

424

00:18:42,549 --> 00:18:41,520

you know documentaries about the jfk

425

00:18:45,750 --> 00:18:42,559

assassination and

426

00:18:46,230 --> 00:18:45,760

real history but eventually the history

427

00:18:51,590 --> 00:18:46,240

channel

428

00:18:54,830 --> 00:18:51,600

figured out that reality was selling

429

00:18:56,470 --> 00:18:54,840

and it was quicker and cheaper to

430

00:18:59,350 --> 00:18:56,480

produce and

431

00:19:00,950 --> 00:18:59,360

it was entertaining and people you know

432

00:19:02,390 --> 00:19:00,960

at some point the history channel

433

00:19:03,750 --> 00:19:02,400

didn't care anymore about being a

434

00:19:05,590 --> 00:19:03,760

history channel they wanted to be the

435

00:19:06,470 --> 00:19:05,600

ratings channel and get those ratings

436

00:19:10,070 --> 00:19:06,480

and same thing with

437

00:19:12,549 --> 00:19:10,080

the learning channel what i learned

438

00:19:15,430 --> 00:19:12,559

from watching uh the long island medium

439

00:19:21,270 --> 00:19:18,549

these things sell right

440

00:19:21,909 --> 00:19:21,280

wow this woman can talk to dead people

441

00:19:25,669 --> 00:19:21,919

and

442

00:19:27,590 --> 00:19:25,679

you know the show i suspect very highly

443

00:19:29,510 --> 00:19:27,600

suspect that the show used

444

00:19:31,190 --> 00:19:29,520

her television show used a lot of

445

00:19:32,950 --> 00:19:31,200

stooges and confederates

446

00:19:34,549 --> 00:19:32,960

this woman would walk into a bakery and

447

00:19:37,270 --> 00:19:34,559

just suddenly start talking to

448

00:19:38,150 --> 00:19:37,280

the baker's dead mother you know seemed

449

00:19:40,310 --> 00:19:38,160

very suspect

450

00:19:41,990 --> 00:19:40,320

and and it was like hit after hit after

451
00:19:43,909 --> 00:19:42,000
hit after hit

452
00:19:45,510 --> 00:19:43,919
this is another tactic of the fake

453
00:19:46,710 --> 00:19:45,520
psychics and mediums that we should

454
00:19:50,310 --> 00:19:46,720
discuss

455
00:19:53,270 --> 00:19:50,320
and that is careful and crafty editing

456
00:19:53,990 --> 00:19:53,280
uh you won't see most these fake psychic

457
00:19:55,830 --> 00:19:54,000
mediums

458
00:19:57,029 --> 00:19:55,840
fail an incredible amount of time you

459
00:19:59,190 --> 00:19:57,039
see them get

460
00:20:01,590 --> 00:19:59,200
misses sometimes but you will not see

461
00:20:03,990 --> 00:20:01,600
them fail very much

462
00:20:07,190 --> 00:20:04,000
uh this is one of the things that this

463
00:20:09,190 --> 00:20:07,200

lisa mendes also commented on

464

00:20:10,870 --> 00:20:09,200

she says in her letter to me i was

465

00:20:13,430 --> 00:20:10,880

shocked and amazed at

466

00:20:15,430 --> 00:20:13,440

the hundreds and hundreds of total

467

00:20:18,950 --> 00:20:15,440

misses that she got

468

00:20:21,990 --> 00:20:18,960

during this several hour event

469

00:20:24,149 --> 00:20:22,000

people were adamant that

470

00:20:26,630 --> 00:20:24,159

her reading meant nothing to them she

471

00:20:28,470 --> 00:20:26,640

was rude and nasty and combative with

472

00:20:30,630 --> 00:20:28,480

each person that she did not

473

00:20:31,590 --> 00:20:30,640

get success with telling them that these

474

00:20:33,510 --> 00:20:31,600

are symbols

475

00:20:34,950 --> 00:20:33,520

and to think about it later and later it

476

00:20:37,669 --> 00:20:34,960

would make sense

477

00:20:38,630 --> 00:20:37,679

here's another tool of the fake medium

478

00:20:41,510 --> 00:20:38,640

if you're caught

479

00:20:43,029 --> 00:20:41,520

and no one believes you're reading you

480

00:20:46,549 --> 00:20:43,039

just tell them that this is all

481

00:20:48,710 --> 00:20:46,559

symbology and you know vibration

482

00:20:50,630 --> 00:20:48,720

and if they think about it later it will

483

00:20:51,750 --> 00:20:50,640

make more sense to them we've saw this

484

00:20:54,789 --> 00:20:51,760

with mr

485

00:20:56,470 --> 00:20:54,799

james von prague we saw this with sylvia

486

00:20:58,950 --> 00:20:56,480

brown

487

00:21:01,029 --> 00:20:58,960

they all do that it's it's a convenient

488

00:21:02,390 --> 00:21:01,039

easy excuse to get out of why you're

489

00:21:06,149 --> 00:21:02,400

failing miserably

490

00:21:10,470 --> 00:21:06,159

to do your psychic thing i guess

491

00:21:12,470 --> 00:21:10,480

so uh one second

492

00:21:14,950 --> 00:21:12,480

i have a few videos that i was going to

493

00:21:19,029 --> 00:21:16,710

and i think one of them is funny because

494

00:21:19,830 --> 00:21:19,039

it's five reasons why long island medium

495

00:21:22,870 --> 00:21:19,840

is totally

496

00:21:23,909 --> 00:21:22,880

fake and i i gotta say i'm gonna cite

497

00:21:27,510 --> 00:21:23,919

fair use

498

00:21:30,230 --> 00:21:27,520

i agree with this uh with this video 100

499

00:21:31,270 --> 00:21:30,240

here's five reasons why she's totally

500

00:21:34,950 --> 00:21:31,280

fake

501
00:21:37,190 --> 00:21:34,960
let's share that and again

502
00:21:39,190 --> 00:21:37,200
we're educating the public on this fake

503
00:21:40,310 --> 00:21:39,200
psychic medium teresa caputo the long

504
00:21:42,149 --> 00:21:40,320
island medium

505
00:21:43,669 --> 00:21:42,159
this is fair use because we're educating

506
00:21:46,230 --> 00:21:43,679
the public using this

507
00:21:47,430 --> 00:21:46,240
clip as an educational tool will also be

508
00:21:48,950 --> 00:21:47,440
stopping along the way

509
00:21:50,950 --> 00:21:48,960
discussing and critiquing the

510
00:21:51,990 --> 00:21:50,960
information presented in the video

511
00:21:55,909 --> 00:21:52,000
commenting on it

512
00:21:58,230 --> 00:21:55,919
this is fair use long island medium star

513
00:21:59,110 --> 00:21:58,240

teresa caputo claims that she can talk

514

00:22:00,710 --> 00:21:59,120

to dead people

515

00:22:02,470 --> 00:22:00,720

she's not the first person to make this

516

00:22:04,870 --> 00:22:02,480

claim but we don't need to talk to the

517

00:22:07,029 --> 00:22:04,880

spirits to know that she's a fake

518

00:22:07,909 --> 00:22:07,039

i look at her what is that a princess

519

00:22:10,230 --> 00:22:07,919

outfit

520

00:22:11,029 --> 00:22:10,240

and i thought it was funny that they

521

00:22:13,110 --> 00:22:11,039

included

522

00:22:15,029 --> 00:22:13,120

a few of the other people in our series

523

00:22:15,830 --> 00:22:15,039

here including james van praag and john

524

00:22:19,110 --> 00:22:15,840

edward

525

00:22:22,870 --> 00:22:19,120

is coming up here's how we know

526
00:22:24,630 --> 00:22:22,880
old tricks if someone approached you on

527
00:22:26,630 --> 00:22:24,640
the street and pulled a coin from behind

528
00:22:29,190 --> 00:22:26,640
your ear you wouldn't be amazed

529
00:22:31,270 --> 00:22:29,200
you'd understand it's just a cool trick

530
00:22:33,110 --> 00:22:31,280
caputo is basically pulling emotional

531
00:22:33,990 --> 00:22:33,120
coins from behind people's morning

532
00:22:36,070 --> 00:22:34,000
hearts

533
00:22:38,070 --> 00:22:36,080
skeptics believe that caputo uses old

534
00:22:40,549 --> 00:22:38,080
school psychic techniques

535
00:22:42,310 --> 00:22:40,559
these include cold reading analyzing a

536
00:22:43,750 --> 00:22:42,320
subject's physical presence to make an

537
00:22:46,549 --> 00:22:43,760
informed guess about them

538
00:22:47,750 --> 00:22:46,559

and shotgunning asking a large audience

539

00:22:49,909 --> 00:22:47,760

a vague question

540

00:22:53,510 --> 00:22:49,919

and waiting for a response what's the

541

00:22:57,990 --> 00:22:56,310

she's often wrong when working with

542

00:22:59,909 --> 00:22:58,000

large audiences there have been times

543

00:23:00,870 --> 00:22:59,919

when caputo has started talking to the

544

00:23:03,029 --> 00:23:00,880

wrong person

545

00:23:04,630 --> 00:23:03,039

for some reason the departed don't stop

546

00:23:05,750 --> 00:23:04,640

her this is where i got confused when i

547

00:23:07,669 --> 00:23:05,760

went with the younger male before with

548

00:23:09,430 --> 00:23:07,679

the husband members of caputo's live

549

00:23:11,350 --> 00:23:09,440

audience have reported that she's missed

550

00:23:12,950 --> 00:23:11,360

the mark more during live events than

551
00:23:17,110 --> 00:23:12,960
she does on tv

552
00:23:19,750 --> 00:23:17,120
yeah and this is uh this is absolutely

553
00:23:22,070 --> 00:23:19,760
a valid criticism why does she hit hit

554
00:23:24,390 --> 00:23:22,080
hit hit when she's on television

555
00:23:26,149 --> 00:23:24,400
and when she's at a live event it's miss

556
00:23:29,270 --> 00:23:26,159
miss miss miss miss hit miss

557
00:23:30,310 --> 00:23:29,280
miss miss miss miss hit and that comes

558
00:23:33,029 --> 00:23:30,320
back to editing

559
00:23:33,830 --> 00:23:33,039
i i we talked about how they edit out

560
00:23:36,470 --> 00:23:33,840
the hits

561
00:23:38,870 --> 00:23:36,480
or excuse me they edit out the misses

562
00:23:42,390 --> 00:23:38,880
and only present the hits

563
00:23:43,430 --> 00:23:42,400

well i think that that is just very

564

00:23:45,909 --> 00:23:43,440

careful

565

00:23:47,990 --> 00:23:45,919

and skillful manipulation much like a

566

00:23:51,029 --> 00:23:48,000

magician will manipulate the

567

00:23:52,950 --> 00:23:51,039

perceptions of the audience

568

00:23:55,190 --> 00:23:52,960

disenchanted fans have even left

569

00:23:57,269 --> 00:23:55,200

heartbreaking messages on ticketmaster's

570

00:24:00,310 --> 00:23:57,279

site after attending caputo's live

571

00:24:02,470 --> 00:24:00,320

shows i was a teresa caputo believer and

572

00:24:04,390 --> 00:24:02,480

watched every one of her shows

573

00:24:05,990 --> 00:24:04,400

my young daughter died this summer and i

574

00:24:08,870 --> 00:24:06,000

needed to believe in something

575

00:24:09,350 --> 00:24:08,880

after tonight i am no longer a believer

576

00:24:10,549 --> 00:24:09,360

yeah and

577

00:24:13,430 --> 00:24:10,559

we've talked about this before this

578

00:24:15,909 --> 00:24:13,440

woman just prays on people's grief

579

00:24:17,110 --> 00:24:15,919

and people's sadness and to me that's

580

00:24:19,510 --> 00:24:17,120

the worst kind of

581

00:24:21,909 --> 00:24:19,520

vulture there is some participants are

582

00:24:23,750 --> 00:24:21,919

so amazed by what caputo gets right that

583

00:24:24,390 --> 00:24:23,760

they don't notice how much she gets

584

00:24:26,230 --> 00:24:24,400

wrong

585

00:24:28,230 --> 00:24:26,240

the correct guesses are simply more

586

00:24:29,750 --> 00:24:28,240

memorable than the incorrect ones

587

00:24:31,990 --> 00:24:29,760

did she have an issue with her legs

588

00:24:35,269 --> 00:24:32,000

prior to her passing

589

00:24:38,710 --> 00:24:35,279

uh no nothing

590

00:24:40,710 --> 00:24:38,720

is negative kaputo defends herself by

591

00:24:42,710 --> 00:24:40,720

saying that she makes people feel better

592

00:24:44,789 --> 00:24:42,720

which is true her shows are full of

593

00:24:45,990 --> 00:24:44,799

heartwarming moments but that's exactly

594

00:24:48,549 --> 00:24:46,000

why it's clear the show

595

00:24:49,190 --> 00:24:48,559

is fake the living and the dead never

596

00:24:51,510 --> 00:24:49,200

exchange

597

00:24:53,269 --> 00:24:51,520

any harsh sentiments even if there were

598

00:24:54,310 --> 00:24:53,279

problems the spirits are always

599

00:24:56,230 --> 00:24:54,320

forgiving

600

00:24:58,549 --> 00:24:56,240

yeah you know this is an issue that

601

00:25:01,909 --> 00:24:58,559

comes up time and time again

602

00:25:03,909 --> 00:25:01,919

you know it's not uncommon that

603

00:25:06,310 --> 00:25:03,919

somebody's loved one will die and

604

00:25:08,789 --> 00:25:06,320

they'll be pissed off at each other

605

00:25:10,230 --> 00:25:08,799

but uh when one of these fake psychic

606

00:25:12,470 --> 00:25:10,240

mediums gives somebody

607

00:25:13,990 --> 00:25:12,480

a reading and are talking to their dead

608

00:25:15,990 --> 00:25:14,000

relatives it's all sunshine

609

00:25:17,830 --> 00:25:16,000

and rainbows and love and light it's

610

00:25:21,029 --> 00:25:17,840

never like

611

00:25:21,510 --> 00:25:21,039

you pissed me off or you know uh why did

612

00:25:24,549 --> 00:25:21,520

you

613

00:25:28,710 --> 00:25:24,559

treat me so poorly or anything

614

00:25:31,510 --> 00:25:28,720

and that has always stricken me as

615

00:25:32,070 --> 00:25:31,520

quite compelling i guess circumstantial

616

00:25:35,190 --> 00:25:32,080

but still

617

00:25:35,990 --> 00:25:35,200

compelling evidence that these readings

618

00:25:38,950 --> 00:25:36,000

are

619

00:25:40,870 --> 00:25:38,960

a hokum spirit will do like they'll

620

00:25:42,310 --> 00:25:40,880

bring up things that happened years ago

621

00:25:44,470 --> 00:25:42,320

you know to remind you of the happy

622

00:25:46,470 --> 00:25:44,480

times maybe dying gives souls a sunnier

623

00:25:47,510 --> 00:25:46,480

perspective but that doesn't just erase

624

00:25:49,750 --> 00:25:47,520

every problem

625

00:25:51,430 --> 00:25:49,760

caputo says she asks her spirit guides

626

00:25:53,350 --> 00:25:51,440

to share only good things

627

00:25:56,230 --> 00:25:53,360

unless a negative memory can lead to a

628

00:25:59,830 --> 00:25:56,240

positive breakthrough

629

00:26:01,990 --> 00:25:59,840

nothing new caputo's conversations with

630

00:26:04,950 --> 00:26:02,000

the dead never bring up anything new

631

00:26:07,029 --> 00:26:04,960

but in real life people keep secrets are

632

00:26:09,029 --> 00:26:07,039

there no spirits who want to unburden

633

00:26:10,710 --> 00:26:09,039

their souls or at least brag about never

634

00:26:13,029 --> 00:26:10,720

getting caught

635

00:26:15,269 --> 00:26:13,039

maybe caputo has asked her spirit guides

636

00:26:17,190 --> 00:26:15,279

to only transmit shared memories but

637

00:26:18,549 --> 00:26:17,200

others suggest those guides are actually

638

00:26:22,390 --> 00:26:18,559

the show's staff

639

00:26:24,870 --> 00:26:22,400

skeptic yeah she sure does have guides

640

00:26:27,029 --> 00:26:24,880

she's got a guy in a back room feeding

641

00:26:29,029 --> 00:26:27,039

her information about audience members

642

00:26:30,870 --> 00:26:29,039

on index cards that they mined

643

00:26:33,029 --> 00:26:30,880

from facebook and other social media

644

00:26:35,269 --> 00:26:33,039

sites those are her real

645

00:26:36,710 --> 00:26:35,279

spirit guides friends dicks also think

646

00:26:39,029 --> 00:26:36,720

that caputo's assistants

647

00:26:40,310 --> 00:26:39,039

may also run background checks based on

648

00:26:43,110 --> 00:26:40,320

ticketing information

649

00:26:44,870 --> 00:26:43,120

or even eavesdrop on audience members

650

00:26:46,149 --> 00:26:44,880

this would be enough for a cursory

651
00:26:47,350 --> 00:26:46,159
investigation

652
00:26:49,110 --> 00:26:47,360
other clients say they've been

653
00:26:51,110 --> 00:26:49,120
interviewed by caputo's staff before

654
00:26:52,789 --> 00:26:51,120
meetings and that camera crews tour the

655
00:26:54,630 --> 00:26:52,799
house in advance

656
00:26:55,830 --> 00:26:54,640
sometimes they even stage the house

657
00:26:57,990 --> 00:26:55,840
before filming

658
00:26:59,430 --> 00:26:58,000
caputo doesn't care if you don't believe

659
00:27:03,269 --> 00:26:59,440
her i don't believe

660
00:27:05,990 --> 00:27:03,279
being a medium that my job is to prove

661
00:27:07,430 --> 00:27:06,000
anything to anybody no she doesn't have

662
00:27:07,990 --> 00:27:07,440
to prove anything she just wants your

663
00:27:09,990 --> 00:27:08,000

money

664

00:27:11,830 --> 00:27:10,000

you know it's kind of like me saying you

665

00:27:12,950 --> 00:27:11,840

know i keep coming back to this analogy

666

00:27:14,149 --> 00:27:12,960

if i pretend

667

00:27:16,630 --> 00:27:14,159

if i tell you i'm going to cut your

668

00:27:18,789 --> 00:27:16,640

grass for 50 and then i just pretend to

669

00:27:20,549 --> 00:27:18,799

cut your grass that would be a crime

670

00:27:22,310 --> 00:27:20,559

but somehow this woman gets away with

671

00:27:23,830 --> 00:27:22,320

what she does pretending to talk to

672

00:27:26,630 --> 00:27:23,840

people's dead relatives

673

00:27:28,310 --> 00:27:26,640

the laws really need to change misuse of

674

00:27:30,389 --> 00:27:28,320

powers

675

00:27:31,510 --> 00:27:30,399

why isn't caputo doing something more

676
00:27:33,350 --> 00:27:31,520
with her powers

677
00:27:34,789 --> 00:27:33,360
sure it's cool to reconnect dead people

678
00:27:37,430 --> 00:27:34,799
with their living relatives

679
00:27:38,630 --> 00:27:37,440
it's also not helpful if caputo can

680
00:27:40,230 --> 00:27:38,640
really talk to the dead

681
00:27:41,750 --> 00:27:40,240
how about solving some murder

682
00:27:43,669 --> 00:27:41,760
investigations

683
00:27:45,510 --> 00:27:43,679
caputo spends her time telling people

684
00:27:46,870 --> 00:27:45,520
that their grandparents really enjoyed

685
00:27:48,789 --> 00:27:46,880
those summer barbecues

686
00:27:50,149 --> 00:27:48,799
instead of exploring the mysteries of

687
00:27:51,830 --> 00:27:50,159
death

688
00:27:53,590 --> 00:27:51,840

it would be much more interesting to

689

00:27:54,549 --> 00:27:53,600

watch the dead name the person who

690

00:27:57,990 --> 00:27:54,559

murdered them

691

00:28:01,110 --> 00:27:58,000

thanks yeah she's never uh she's never

692

00:28:04,149 --> 00:28:01,120

done any sort of community service work

693

00:28:07,590 --> 00:28:04,159

or any she's never been a help to any

694

00:28:10,389 --> 00:28:07,600

police agency or the fbi

695

00:28:11,909 --> 00:28:10,399

for missing people for dead people if

696

00:28:13,029 --> 00:28:11,919

she can really talk to dead people

697

00:28:15,590 --> 00:28:13,039

couldn't she

698

00:28:16,149 --> 00:28:15,600

solve unsolved murders by talking to the

699

00:28:18,870 --> 00:28:16,159

deceased

700

00:28:21,269 --> 00:28:18,880

and finding out who murdered them why is

701
00:28:23,830 --> 00:28:21,279
it that these fake mediums never do that

702
00:28:24,789 --> 00:28:23,840
they're just all about the cash pay me

703
00:28:27,350 --> 00:28:24,799
for you know

704
00:28:29,669 --> 00:28:27,360
a reading it's ridiculous that they're

705
00:28:34,389 --> 00:28:29,679
allowed to do that but watching

706
00:28:36,149 --> 00:28:34,399
subscribe so that's it for that one

707
00:28:38,870 --> 00:28:36,159
and uh you know what can i say friends

708
00:28:39,350 --> 00:28:38,880
this video just confirms information

709
00:28:42,389 --> 00:28:39,360
that we've

710
00:28:45,990 --> 00:28:42,399
already proven as accurate uh

711
00:28:47,669 --> 00:28:46,000
it's it's it's great and uh

712
00:28:49,029 --> 00:28:47,679
there's another video that i'm gonna

713
00:28:50,630 --> 00:28:49,039

share here and this one's called the

714

00:28:53,110 --> 00:28:50,640

untold truth of

715

00:28:55,110 --> 00:28:53,120

teresa caputo and this goes into a

716

00:28:57,590 --> 00:28:55,120

little more detail about

717

00:28:59,830 --> 00:28:57,600

uh some of the evidence that she is a

718

00:29:03,269 --> 00:28:59,840

fake and a fraud and

719

00:29:06,710 --> 00:29:03,279

you know you know

720

00:29:08,389 --> 00:29:06,720

the thought also occurred to me that

721

00:29:09,909 --> 00:29:08,399

we mentioned that many of these fake

722

00:29:13,029 --> 00:29:09,919

mediums have media

723

00:29:15,510 --> 00:29:13,039

handlers you know

724

00:29:16,389 --> 00:29:15,520

the responsibility for this woman being

725

00:29:19,750 --> 00:29:16,399

able to fleece

726

00:29:22,470 --> 00:29:19,760

people of their money is not just on her

727

00:29:23,510 --> 00:29:22,480

it's on the people that enable her to do

728

00:29:26,710 --> 00:29:23,520

so

729

00:29:28,710 --> 00:29:26,720

because this learning channel they're

730

00:29:30,870 --> 00:29:28,720

partly responsible they gave her a

731

00:29:33,909 --> 00:29:30,880

platform they made her famous

732

00:29:37,110 --> 00:29:33,919

uh her fees by the way

733

00:29:38,310 --> 00:29:37,120

uh went from something like a hundred

734

00:29:41,990 --> 00:29:38,320

dollars a session

735

00:29:44,789 --> 00:29:42,000

their height

736

00:29:45,750 --> 00:29:44,799

at the height of her television show uh

737

00:29:48,870 --> 00:29:45,760

and that's for a

738

00:29:50,710 --> 00:29:48,880

20 minute uh

739

00:29:51,909 --> 00:29:50,720

i believe it's telephone or skype

740

00:29:55,750 --> 00:29:51,919

session

741

00:29:57,750 --> 00:29:55,760

is something like eight hundred dollars

742

00:29:59,029 --> 00:29:57,760

must be nice to make eight hundred

743

00:30:02,630 --> 00:29:59,039

dollars to pretend

744

00:30:05,750 --> 00:30:03,990

eight hundred dollars for every twenty

745

00:30:07,510 --> 00:30:05,760

minutes

746

00:30:09,750 --> 00:30:07,520

i mean imagine if you could really book

747

00:30:14,070 --> 00:30:09,760

yourself all day do eight hours of that

748

00:30:17,909 --> 00:30:15,990

okay and then again we're going to cite

749

00:30:20,230 --> 00:30:17,919

fair use

750

00:30:21,190 --> 00:30:20,240

this is a transformative word using this

751
00:30:24,389 --> 00:30:21,200
video titled

752
00:30:27,430 --> 00:30:24,399
untold truth of teresa caputo to

753
00:30:27,830 --> 00:30:27,440
educate the public to uh and we're going

754
00:30:29,510 --> 00:30:27,840
to be

755
00:30:31,190 --> 00:30:29,520
critiquing it and talking about the

756
00:30:33,269 --> 00:30:31,200
contents of the video this

757
00:30:34,470 --> 00:30:33,279
is the definition of fair use so we're

758
00:30:36,789 --> 00:30:34,480
going to cite fair use

759
00:30:39,669 --> 00:30:36,799
and we're going to share this untold

760
00:30:46,789 --> 00:30:39,679
truth of teresa caputo video

761
00:30:49,990 --> 00:30:49,350
since debuting in 2011 long island

762
00:30:52,310 --> 00:30:50,000
medium has

763
00:30:54,710 --> 00:30:52,320

dominated ratings and made its star long

764

00:30:55,269 --> 00:30:54,720

island native teresa caputo a household

765

00:30:57,509 --> 00:30:55,279

name

766

00:30:59,830 --> 00:30:57,519

caputo's larger-than-life personality is

767

00:31:01,029 --> 00:30:59,840

undoubtedly to thank as is her reported

768

00:31:03,350 --> 00:31:01,039

ability to see

769

00:31:04,710 --> 00:31:03,360

feel and sense spirits but there's a lot

770

00:31:06,070 --> 00:31:04,720

you might not actually know about

771

00:31:09,350 --> 00:31:06,080

theresa caputo

772

00:31:12,230 --> 00:31:09,360

there is no turning back real or just

773

00:31:13,990 --> 00:31:12,240

really entertaining tune into an episode

774

00:31:15,350 --> 00:31:14,000

of long island medium and you'll likely

775

00:31:17,029 --> 00:31:15,360

get the sense that caputo's

776

00:31:18,710 --> 00:31:17,039

communication with the departed is

777

00:31:19,669 --> 00:31:18,720

effortless and very much real but

778

00:31:21,669 --> 00:31:19,679

according to some

779

00:31:23,590 --> 00:31:21,679

that couldn't be further from the truth

780

00:31:25,590 --> 00:31:23,600

a widowed mom of three who invited the

781

00:31:27,509 --> 00:31:25,600

reality star into her home for a reading

782

00:31:29,350 --> 00:31:27,519

revealed to radaronline that she met

783

00:31:29,830 --> 00:31:29,360

with caputo's assistant the day before

784

00:31:31,669 --> 00:31:29,840

taping

785

00:31:33,750 --> 00:31:31,679

and was asked to talk about her husband

786

00:31:35,669 --> 00:31:33,760

and his passing the mom added

787

00:31:37,110 --> 00:31:35,679

she promised she wouldn't tell theresa

788

00:31:37,750 --> 00:31:37,120

but she totally could have told her

789

00:31:39,430 --> 00:31:37,760

everything

790

00:31:41,350 --> 00:31:39,440

and just yeah and this again is called

791

00:31:42,950 --> 00:31:41,360

pre-show work so she sends in somebody

792

00:31:44,230 --> 00:31:42,960

that works for her to interview the

793

00:31:46,549 --> 00:31:44,240

person she's going to be doing the

794

00:31:50,230 --> 00:31:46,559

reading for and ask them all about their

795

00:31:52,950 --> 00:31:50,240

dead dearly departed relative and

796

00:31:53,990 --> 00:31:52,960

how many of us believe that that person

797

00:31:55,909 --> 00:31:54,000

that works for her

798

00:31:58,630 --> 00:31:55,919

told her nothing about the interview

799

00:32:01,830 --> 00:31:58,640

then why do the interview

800

00:32:04,070 --> 00:32:01,840

of course she's using pre-show work

801
00:32:05,430 --> 00:32:04,080
she's using confederates to go and get

802
00:32:05,830 --> 00:32:05,440
her the information that she's going to

803
00:32:09,190 --> 00:32:05,840
use

804
00:32:10,549 --> 00:32:09,200
in the reading and it's despicable

805
00:32:12,389 --> 00:32:10,559
that she's allowed to take money from

806
00:32:13,990 --> 00:32:12,399
people like this why has she never been

807
00:32:16,310 --> 00:32:14,000
prosecuted for this

808
00:32:17,110 --> 00:32:16,320
despite filming for a whopping six hours

809
00:32:19,350 --> 00:32:17,120
she claims

810
00:32:21,269 --> 00:32:19,360
caputo didn't hit on anything surprising

811
00:32:22,149 --> 00:32:21,279
and became very agitated and angry when

812
00:32:24,470 --> 00:32:22,159
i shut her down

813
00:32:26,230 --> 00:32:24,480

i refuse to fake it and cry oh my god

814

00:32:26,710 --> 00:32:26,240

you're right the grieving widow even

815

00:32:28,230 --> 00:32:26,720

added

816

00:32:29,830 --> 00:32:28,240

i don't believe her i think she's full

817

00:32:30,070 --> 00:32:29,840

of crap i don't think she really gives

818

00:32:33,750 --> 00:32:30,080

it

819

00:32:35,669 --> 00:32:33,760

the cameras yeah and we have various

820

00:32:38,070 --> 00:32:35,679

reports of her being

821

00:32:38,789 --> 00:32:38,080

really competitive and nasty with people

822

00:32:41,990 --> 00:32:38,799

that she

823

00:32:43,750 --> 00:32:42,000

fails in a reading with uh

824

00:32:45,430 --> 00:32:43,760

and i just think that's kind of funny

825

00:32:47,269 --> 00:32:45,440

you know like she's taking all this

826
00:32:48,230 --> 00:32:47,279
money from people or in this case maybe

827
00:32:50,710 --> 00:32:48,240
it was just to

828
00:32:52,789 --> 00:32:50,720
to have content for her for her

829
00:32:54,470 --> 00:32:52,799
television show

830
00:32:55,990 --> 00:32:54,480
next we're going to hear that she was

831
00:32:57,909 --> 00:32:56,000
challenged by chris angel

832
00:33:00,230 --> 00:32:57,919
to the tune of two million dollars to

833
00:33:02,470 --> 00:33:00,240
prove her fake abilities and by the way

834
00:33:04,630 --> 00:33:02,480
chris angel is also i believe from new

835
00:33:06,470 --> 00:33:04,640
york and

836
00:33:08,630 --> 00:33:06,480
a friend of a friend that knows angel

837
00:33:11,029 --> 00:33:08,640
told me that he

838
00:33:13,110 --> 00:33:11,039

was aware of her growing up or something

839

00:33:14,950 --> 00:33:13,120

like that like he did not live very far

840

00:33:17,509 --> 00:33:14,960

from this person and she was well known

841

00:33:20,870 --> 00:33:17,519

in the community as being a medium

842

00:33:21,509 --> 00:33:20,880

but uh neither chris angel or his family

843

00:33:23,750 --> 00:33:21,519

believed

844

00:33:25,590 --> 00:33:23,760

that she was a real medium every a lot

845

00:33:29,269 --> 00:33:25,600

of people in the area believe that she

846

00:33:31,990 --> 00:33:29,279

was just fleecing people and a fake

847

00:33:33,190 --> 00:33:32,000

challenged by chris angel famed

848

00:33:35,509 --> 00:33:33,200

illusionist chris

849

00:33:36,950 --> 00:33:35,519

angel personally called out caputo and

850

00:33:38,070 --> 00:33:36,960

questioned her authenticity while

851
00:33:40,470 --> 00:33:38,080
promoting his new reality

852
00:33:41,990 --> 00:33:40,480
show he set out to debunk all kinds of

853
00:33:43,750 --> 00:33:42,000
lies both on the small screen

854
00:33:45,669 --> 00:33:43,760
and off it turning his sights to a

855
00:33:48,389 --> 00:33:45,679
certain celebrity psychic medium

856
00:33:49,269 --> 00:33:48,399
in october 2013 he tweeted to teresa

857
00:33:51,509 --> 00:33:49,279
caputo

858
00:33:52,950 --> 00:33:51,519
take my 2 million challenge or stop

859
00:33:54,789 --> 00:33:52,960
exploiting the vulnerable

860
00:33:57,110 --> 00:33:54,799
if you're legit you're two million

861
00:33:58,710 --> 00:33:57,120
richer not surprisingly caputo didn't

862
00:34:00,310 --> 00:33:58,720
respond or take the challenge

863
00:34:01,830 --> 00:34:00,320

leaving many to question if she does

864

00:34:04,149 --> 00:34:01,840

indeed have something to hide

865

00:34:06,149 --> 00:34:04,159

my brain just works differently and you

866

00:34:08,950 --> 00:34:06,159

know what i'm okay with that

867

00:34:11,030 --> 00:34:08,960

yeah so i i can't imagine why if you

868

00:34:12,869 --> 00:34:11,040

genuinely had these psychic powers you

869

00:34:15,109 --> 00:34:12,879

wouldn't submit to some sort of testing

870

00:34:17,510 --> 00:34:15,119

and take the two million dollars

871

00:34:19,030 --> 00:34:17,520

uh it's just like james randy foundation

872

00:34:20,950 --> 00:34:19,040

one million dollar

873

00:34:22,869 --> 00:34:20,960

challenge that was out there for decades

874

00:34:24,230 --> 00:34:22,879

for any psychic to prove their psychic

875

00:34:24,950 --> 00:34:24,240

abilities you get the million dollars

876
00:34:26,710 --> 00:34:24,960
chris angel

877
00:34:27,990 --> 00:34:26,720
put two million dollars in an escrow

878
00:34:30,069 --> 00:34:28,000
account and said

879
00:34:31,909 --> 00:34:30,079
if you pass the test you're two million

880
00:34:32,550 --> 00:34:31,919
dollars richer and he sort of hounded

881
00:34:38,550 --> 00:34:32,560
her

882
00:34:39,270 --> 00:34:38,560
for quite some time and she did not

883
00:34:41,190 --> 00:34:39,280
respond

884
00:34:42,710 --> 00:34:41,200
at all she did not comment on the

885
00:34:45,430 --> 00:34:42,720
challenge i'd be curious

886
00:34:47,669 --> 00:34:45,440
for somebody and why has no member of

887
00:34:50,470 --> 00:34:47,679
the media ever asked her about that

888
00:34:51,829 --> 00:34:50,480

near as i can tell she's been on tons of

889

00:34:53,349 --> 00:34:51,839

television shows

890

00:34:55,589 --> 00:34:53,359

they were aware of chris angel

891

00:34:57,750 --> 00:34:55,599

challenging her nobody

892

00:34:59,430 --> 00:34:57,760

nobody asked her why didn't you go and

893

00:35:00,829 --> 00:34:59,440

take the take the test and get the two

894

00:35:04,069 --> 00:35:00,839

million dollars

895

00:35:06,150 --> 00:35:04,079

um it's very telling that she's never

896

00:35:07,670 --> 00:35:06,160

commented on it nobody's ever asked her

897

00:35:10,790 --> 00:35:07,680

about it

898

00:35:13,829 --> 00:35:10,800

i believe it's because it proves

899

00:35:15,670 --> 00:35:13,839

the fact that she would not take a

900

00:35:17,510 --> 00:35:15,680

simple test to prove her abilities and

901
00:35:20,230 --> 00:35:17,520
get to two million dollars

902
00:35:21,589 --> 00:35:20,240
to me that's again i guess

903
00:35:22,950 --> 00:35:21,599
circumstantial or

904
00:35:24,470 --> 00:35:22,960
whatever kind of evidence you want to

905
00:35:25,589 --> 00:35:24,480
call that but to me that's compelling

906
00:35:28,870 --> 00:35:25,599
evidence that her

907
00:35:32,150 --> 00:35:28,880
superpowers are fake

908
00:35:34,310 --> 00:35:32,160
fraud investigation caputo landed at the

909
00:35:36,630 --> 00:35:34,320
center of a full-fledged investigation

910
00:35:38,630 --> 00:35:36,640
in 2014 when professional whistleblower

911
00:35:40,390 --> 00:35:38,640
ron tebow set out to prove that caputo's

912
00:35:41,510 --> 00:35:40,400
ability to communicate with the deceased

913
00:35:44,069 --> 00:35:41,520

is a total hoax

914

00:35:45,990 --> 00:35:44,079

he told radar online teresa is like a

915

00:35:48,390 --> 00:35:46,000

vulture preying on the most vulnerable

916

00:35:50,230 --> 00:35:48,400

i think it's despicable after spending a

917

00:35:50,870 --> 00:35:50,240

year interviewing caputo's clients and

918

00:35:52,790 --> 00:35:50,880

colleagues

919

00:35:54,550 --> 00:35:52,800

tevo concluded that caputo is simply

920

00:35:55,829 --> 00:35:54,560

reading body language and making high

921

00:35:57,829 --> 00:35:55,839

probability guesses

922

00:35:59,030 --> 00:35:57,839

not talking to the dead you're also

923

00:36:00,950 --> 00:35:59,040

known as cold reading

924

00:36:02,870 --> 00:36:00,960

hippo went on to suggest that caputo

925

00:36:04,150 --> 00:36:02,880

does her homework and tends to focus on

926
00:36:06,390 --> 00:36:04,160
members in the front row

927
00:36:07,589 --> 00:36:06,400
he speculated when you purchase a ticket

928
00:36:09,270 --> 00:36:07,599
you provide your full name

929
00:36:10,790 --> 00:36:09,280
address and phone number to the vendor

930
00:36:11,670 --> 00:36:10,800
the vendor can share this information

931
00:36:12,950 --> 00:36:11,680
with their staff

932
00:36:15,510 --> 00:36:12,960
and then they can investigate the

933
00:36:18,630 --> 00:36:15,520
individual audience members

934
00:36:21,910 --> 00:36:18,640
no hometown hero yeah and so here we see

935
00:36:23,430 --> 00:36:21,920
this is again more proof that she does

936
00:36:25,910 --> 00:36:23,440
pre-show work on the people that are

937
00:36:27,030 --> 00:36:25,920
going to be in our audience or her

938
00:36:29,030 --> 00:36:27,040

employees do

939

00:36:31,030 --> 00:36:29,040

and we have an insider that has

940

00:36:33,190 --> 00:36:31,040

confirmed that

941

00:36:35,670 --> 00:36:33,200

as skepticism surrounding caputo's

942

00:36:37,829 --> 00:36:35,680

abilities continued to mount in 2014

943

00:36:39,670 --> 00:36:37,839

even her hometown turned against her in

944

00:36:41,349 --> 00:36:39,680

a piece titled my not so psychic

945

00:36:43,750 --> 00:36:41,359

experience with long island medium

946

00:36:45,589 --> 00:36:43,760

teresa caputo jamie francie recalled her

947

00:36:47,270 --> 00:36:45,599

own experience with the tv star and how

948

00:36:48,230 --> 00:36:47,280

she went from being a believer to a

949

00:36:50,230 --> 00:36:48,240

total skeptic

950

00:36:52,310 --> 00:36:50,240

what changed her mind attending teresa

951

00:36:54,550 --> 00:36:52,320

caputo live the experience

952

00:36:55,430 --> 00:36:54,560

of the experience francie recalled i

953

00:36:57,430 --> 00:36:55,440

wasn't buying it

954

00:36:59,030 --> 00:36:57,440

any of it she was asking specific

955

00:37:00,069 --> 00:36:59,040

questions that when they weren't met

956

00:37:01,910 --> 00:37:00,079

with nods of agreement

957

00:37:03,589 --> 00:37:01,920

became described as merely symbols of

958

00:37:05,349 --> 00:37:03,599

other more general things

959

00:37:07,190 --> 00:37:05,359

according to franchi the evening was

960

00:37:08,950 --> 00:37:07,200

peppered with incidents in which caputo

961

00:37:10,710 --> 00:37:08,960

made claims that were met with shrugs of

962

00:37:11,190 --> 00:37:10,720

silence and quickly tried to turn them

963

00:37:13,190 --> 00:37:11,200

around

964

00:37:14,550 --> 00:37:13,200

francie said she feels caputo is a good

965

00:37:16,710 --> 00:37:14,560

performer adding

966

00:37:18,550 --> 00:37:16,720

she's got undeniably likable sass and

967

00:37:19,270 --> 00:37:18,560

charisma i just don't think she speaks

968

00:37:21,430 --> 00:37:19,280

with the dead

969

00:37:22,630 --> 00:37:21,440

or she didn't the night that i saw her

970

00:37:24,390 --> 00:37:22,640

that's fine

971

00:37:25,670 --> 00:37:24,400

look you don't have to acknowledge it i

972

00:37:26,950 --> 00:37:25,680

don't care i don't care if you believe

973

00:37:28,710 --> 00:37:26,960

in what i do

974

00:37:31,109 --> 00:37:28,720

yeah and here we see a perfect example

975

00:37:33,349 --> 00:37:31,119

of her being nasty to an audience member

976
00:37:34,310 --> 00:37:33,359
who is challenging her so-called

977
00:37:37,270 --> 00:37:34,320
superpowers

978
00:37:38,790 --> 00:37:37,280
grandma and tupac in addition to

979
00:37:39,589 --> 00:37:38,800
speaking with individuals who have

980
00:37:41,510 --> 00:37:39,599
passed on

981
00:37:43,349 --> 00:37:41,520
capito claimed to also have the inside

982
00:37:45,030 --> 00:37:43,359
scoop on what life after death is really

983
00:37:47,030 --> 00:37:45,040
like in her 2017 book

984
00:37:48,870 --> 00:37:47,040
good grief heal your soul honor your

985
00:37:50,790 --> 00:37:48,880
loved ones and learn to live again

986
00:37:52,390 --> 00:37:50,800
the long island medium revealed that she

987
00:37:55,109 --> 00:37:52,400
believes the other side is the perfect

988
00:37:56,870 --> 00:37:55,119

place to meet all kinds of celebrities

989

00:37:58,790 --> 00:37:56,880

yeah and isn't it interesting that she's

990

00:38:00,470 --> 00:37:58,800

a long she's a new york times

991

00:38:03,030 --> 00:38:00,480

best-selling author

992

00:38:05,030 --> 00:38:03,040

uh kind of like david wilcock it just

993

00:38:05,510 --> 00:38:05,040

goes to show you that [h__h] sells

994

00:38:07,190 --> 00:38:05,520

friends

995

00:38:09,109 --> 00:38:07,200

if you want to be alone if you want to

996

00:38:09,670 --> 00:38:09,119

be a new york times best-selling author

997

00:38:12,230 --> 00:38:09,680

don't

998

00:38:14,069 --> 00:38:12,240

put in the time and do a serious book

999

00:38:14,950 --> 00:38:14,079

with serious research or anything like

1000

00:38:16,630 --> 00:38:14,960

that

1001

00:38:19,190 --> 00:38:16,640

don't take the time to write a really

1002

00:38:21,750 --> 00:38:19,200

compelling novel or anything like that

1003

00:38:22,310 --> 00:38:21,760

just make up a bunch of [h__\h] about fake

1004

00:38:23,990 --> 00:38:22,320

[h__\h]

1005

00:38:26,069 --> 00:38:24,000

and you too can be a new york times

1006

00:38:27,270 --> 00:38:26,079

best-selling author reason she knows

1007

00:38:29,190 --> 00:38:27,280

this according to the book

1008

00:38:30,710 --> 00:38:29,200

is because one day her cell phone began

1009

00:38:32,550 --> 00:38:30,720

randomly playing a rap song

1010

00:38:34,310 --> 00:38:32,560

which she said was a message from her

1011

00:38:36,230 --> 00:38:34,320

late grandmother she wrote

1012

00:38:37,829 --> 00:38:36,240

maybe she's hanging out with tupac in

1013

00:38:41,109 --> 00:38:37,839

heaven

1014

00:38:43,030 --> 00:38:41,119

reeling from a splint in december 2017

1015

00:38:44,550 --> 00:38:43,040

caputo and her husband larry shocked

1016

00:38:46,550 --> 00:38:44,560

fans revealing they were calling it

1017

00:38:48,630 --> 00:38:46,560

quits after 28 years of marriage

1018

00:38:50,550 --> 00:38:48,640

the couple told people we have decided

1019

00:38:51,829 --> 00:38:50,560

to legally separate we will always love

1020

00:38:52,390 --> 00:38:51,839

each other and our two wonderful

1021

00:38:54,069 --> 00:38:52,400

children

1022

00:38:55,670 --> 00:38:54,079

we are united in supporting each other

1023

00:38:57,190 --> 00:38:55,680

and our family please respect our

1024

00:38:59,190 --> 00:38:57,200

privacy during this time

1025

00:39:01,750 --> 00:38:59,200

with her marriage crumbling yeah so

1026
00:39:03,829 --> 00:39:01,760
she's she's separating from her husband

1027
00:39:05,430 --> 00:39:03,839
and i love this statement please respect

1028
00:39:08,390 --> 00:39:05,440
our privacy

1029
00:39:10,230 --> 00:39:08,400
uh yet when somebody's going to be in

1030
00:39:11,030 --> 00:39:10,240
her audience she doesn't respect their

1031
00:39:13,670 --> 00:39:11,040
privacy

1032
00:39:14,550 --> 00:39:13,680
and she's got people eavesdropping on

1033
00:39:19,990 --> 00:39:14,560
the audience

1034
00:39:21,829 --> 00:39:20,000
their departed loved ones

1035
00:39:23,349 --> 00:39:21,839
so that she can use that information

1036
00:39:26,230 --> 00:39:23,359
she's got employees

1037
00:39:28,230 --> 00:39:26,240
mining people's social media so that she

1038
00:39:30,230 --> 00:39:28,240

could do a fake psychic thing

1039

00:39:32,870 --> 00:39:30,240

but when she's getting a divorce she

1040

00:39:35,750 --> 00:39:32,880

wants everybody to respect her privacy

1041

00:39:37,510 --> 00:39:35,760

yeah after nearly three decades and her

1042

00:39:39,109 --> 00:39:37,520

husband moving across the country from

1043

00:39:41,190 --> 00:39:39,119

new jersey to los angeles

1044

00:39:42,150 --> 00:39:41,200

capito confessed to fans during season

1045

00:39:43,349 --> 00:39:42,160

12 of her show

1046

00:39:45,510 --> 00:39:43,359

that she was struggling with the

1047

00:39:47,430 --> 00:39:45,520

realities of her changing relationship

1048

00:39:49,190 --> 00:39:47,440

she tearfully discussed the difficulties

1049

00:39:51,829 --> 00:39:49,200

of her separation saying

1050

00:39:53,589 --> 00:39:51,839

to have someone be in your life for over

1051

00:39:56,630 --> 00:39:53,599

30 years

1052

00:39:58,950 --> 00:39:56,640

and then not to have that person that's

1053

00:40:01,750 --> 00:39:58,960

my struggle

1054

00:40:03,910 --> 00:40:01,760

and you know listen i know she claims to

1055

00:40:06,550 --> 00:40:03,920

be a medium and not a psychic

1056

00:40:07,109 --> 00:40:06,560

but why didn't she see this separation

1057

00:40:10,870 --> 00:40:07,119

coming

1058

00:40:13,910 --> 00:40:10,880

and why are so many psychics

1059

00:40:14,790 --> 00:40:13,920

divorced uh we saw sylvia brown has been

1060

00:40:17,910 --> 00:40:14,800

married i think

1061

00:40:18,550 --> 00:40:17,920

it was four times she's been married so

1062

00:40:21,589 --> 00:40:18,560

to me

1063

00:40:22,309 --> 00:40:21,599

uh it's just funny when a psychic is

1064

00:40:25,670 --> 00:40:22,319

divorced

1065

00:40:29,030 --> 00:40:25,680

especially four times come on man

1066

00:40:31,430 --> 00:40:29,040

vision of infidelity as shocked as fans

1067

00:40:32,150 --> 00:40:31,440

were with caputo's 2017 separation from

1068

00:40:33,510 --> 00:40:32,160

her husband

1069

00:40:35,349 --> 00:40:33,520

it turns out the medium had a

1070

00:40:35,910 --> 00:40:35,359

premonition about rocky times ahead for

1071

00:40:38,790 --> 00:40:35,920

the couple

1072

00:40:39,829 --> 00:40:38,800

revealed in a 2013 episode of her show

1073

00:40:41,750 --> 00:40:39,839

where have you been

1074

00:40:44,309 --> 00:40:41,760

i mean where have i been you're in big

1075

00:40:45,910 --> 00:40:44,319

trouble what am i in big trouble about

1076

00:40:48,150 --> 00:40:45,920

it turns out caputo doesn't just

1077

00:40:51,349 --> 00:40:48,160

communicate with the dead in her dreams

1078

00:40:53,670 --> 00:40:51,359

i dreamt that larry was having an affair

1079

00:40:54,710 --> 00:40:53,680

and i'm like are you freaking kidding me

1080

00:40:56,309 --> 00:40:54,720

seriously

1081

00:40:58,230 --> 00:40:56,319

larry yo let me tell you something just

1082

00:41:01,030 --> 00:40:58,240

as a married man

1083

00:41:02,870 --> 00:41:01,040

i think anybody married can uh agree

1084

00:41:05,670 --> 00:41:02,880

with me

1085

00:41:06,550 --> 00:41:05,680

my wife will have a dream that i did

1086

00:41:09,270 --> 00:41:06,560

something

1087

00:41:10,550 --> 00:41:09,280

and be pissed off at me for a week and

1088

00:41:12,710 --> 00:41:10,560

then i'm like

1089

00:41:14,950 --> 00:41:12,720

i can't believe i got to go buy flowers

1090

00:41:16,069 --> 00:41:14,960

to apologize for [h__h] that i did in a

1091

00:41:18,230 --> 00:41:16,079

dream

1092

00:41:19,510 --> 00:41:18,240

that i didn't do in real life or you

1093

00:41:22,150 --> 00:41:19,520

know whatever but

1094

00:41:23,670 --> 00:41:22,160

that's women they're going to be pissed

1095

00:41:24,710 --> 00:41:23,680

i don't know if her husband actually

1096

00:41:27,349 --> 00:41:24,720

cheated or not

1097

00:41:29,270 --> 00:41:27,359

but uh it's just funny to me that like

1098

00:41:31,270 --> 00:41:29,280

women will dream up things

1099

00:41:33,030 --> 00:41:31,280

and you'll do something in a dream and

1100

00:41:34,550 --> 00:41:33,040

like there's been multiple times that my

1101

00:41:35,990 --> 00:41:34,560

wife has been pissed at me over

1102

00:41:37,109 --> 00:41:36,000

something that i did in one of her

1103

00:41:39,990 --> 00:41:37,119

dreams

1104

00:41:41,430 --> 00:41:40,000

hurry didn't exactly help his case it's

1105

00:41:42,390 --> 00:41:41,440

funny to mention that because i had a

1106

00:41:45,510 --> 00:41:42,400

dream that

1107

00:41:47,750 --> 00:41:45,520

some girl was trying to hit on me see

1108

00:41:49,670 --> 00:41:47,760

i knew it while there's no official word

1109

00:41:51,430 --> 00:41:49,680

on why the two actually split four years

1110

00:41:53,270 --> 00:41:51,440

later it's interesting to imagine

1111

00:41:55,190 --> 00:41:53,280

whether or not caputo's dream turned out

1112

00:41:56,950 --> 00:41:55,200

to be accurate

1113

00:41:59,910 --> 00:41:56,960

thanks for watching click the nikki

1114

00:42:06,230 --> 00:42:03,190

wow so there we have the

1115

00:42:08,630 --> 00:42:06,240

untold truth of teresa caputo which

1116

00:42:10,069 --> 00:42:08,640

uh kind of confirmed some of the

1117

00:42:12,790 --> 00:42:10,079

information we presented right at the

1118

00:42:14,470 --> 00:42:12,800

start of our broadcast here

1119

00:42:15,829 --> 00:42:14,480

now for our presentation tonight there's

1120

00:42:17,750 --> 00:42:15,839

just really one more piece of

1121

00:42:22,390 --> 00:42:17,760

information that i'd like to share

1122

00:42:23,829 --> 00:42:22,400

and this is from skeptical inquirer

1123

00:42:28,630 --> 00:42:23,839

you'll have to bear with me a second

1124

00:42:32,309 --> 00:42:30,309

sometimes i worry that my vision is

1125

00:42:34,870 --> 00:42:32,319

getting worse

1126

00:42:35,510 --> 00:42:34,880

tonight i had to drop off my car at a

1127

00:42:37,349 --> 00:42:35,520

mechanic

1128

00:42:38,710 --> 00:42:37,359

and i'm not very familiar with this new

1129

00:42:41,030 --> 00:42:38,720

neighborhood but still

1130

00:42:42,390 --> 00:42:41,040

i drove literally right past it and my

1131

00:42:43,910 --> 00:42:42,400

wife was behind me

1132

00:42:46,470 --> 00:42:43,920

calling me on the phone going where are

1133

00:42:49,589 --> 00:42:46,480

you at like

1134

00:42:51,510 --> 00:42:49,599

uh yeah uh so this is from

1135

00:42:54,309 --> 00:42:51,520

uh notes on the strange world teresa

1136

00:42:58,870 --> 00:42:54,319

caputo the fake long island medium

1137

00:43:00,710 --> 00:42:58,880

by missimo poliduro

1138

00:43:01,990 --> 00:43:00,720

one second i'll share this even though

1139

00:43:03,670 --> 00:43:02,000

i'm not sure

1140

00:43:05,270 --> 00:43:03,680

we're going to say fair use in in

1141

00:43:07,430 --> 00:43:05,280

sharing this already in this

1142

00:43:09,510 --> 00:43:07,440

sharing this article from the skeptical

1143

00:43:14,150 --> 00:43:09,520

inquirer magazine

1144

00:43:16,230 --> 00:43:14,160

uh one second friends let's share that

1145

00:43:18,150 --> 00:43:16,240

teresa caputo a self-proclaimed psychic

1146

00:43:21,109 --> 00:43:18,160

whose italian origins are quite evident

1147

00:43:23,109 --> 00:43:21,119

she was born theresa

1148

00:43:25,030 --> 00:43:23,119

bragandi has been a celebrity for quite

1149

00:43:27,030 --> 00:43:25,040

some time now thanks to her reality tv

1150

00:43:29,030 --> 00:43:27,040

show long island medium however all of

1151

00:43:30,710 --> 00:43:29,040

her apparently paranormal demonstrations

1152

00:43:31,910 --> 00:43:30,720

are perfectly explainable and

1153

00:43:33,349 --> 00:43:31,920

interestingly

1154

00:43:35,750 --> 00:43:33,359

most of them would not have been

1155

00:43:37,670 --> 00:43:35,760

possible only a few years ago

1156

00:43:38,790 --> 00:43:37,680

caputo in fact seems to be the next

1157

00:43:41,030 --> 00:43:38,800

evolutionary step

1158

00:43:42,470 --> 00:43:41,040

of contemporary mediums after the likes

1159

00:43:44,950 --> 00:43:42,480

of rosemary

1160

00:43:46,390 --> 00:43:44,960

tia john edwards sylvia brown and james

1161

00:43:48,390 --> 00:43:46,400

van praagh

1162

00:43:49,670 --> 00:43:48,400

performers who from the stage point to

1163

00:43:50,069 --> 00:43:49,680

members of the audience and claim to

1164

00:43:51,990 --> 00:43:50,079

receive

1165

00:43:53,270 --> 00:43:52,000

communications from the dead on their

1166

00:43:56,550 --> 00:43:53,280

behalf

1167

00:43:58,390 --> 00:43:56,560

in the cases of altea edward brown or

1168

00:44:00,470 --> 00:43:58,400

van praagh the use of

1169

00:44:02,230 --> 00:44:00,480

old cold reading techniques is quite

1170

00:44:03,349 --> 00:44:02,240

clear

1171

00:44:05,430 --> 00:44:03,359

these are techniques that are

1172

00:44:06,950 --> 00:44:05,440

undoubtedly required

1173

00:44:08,470 --> 00:44:06,960

quick mind ready to grasp any

1174

00:44:10,390 --> 00:44:08,480

information coming from the sitter and

1175

00:44:12,230 --> 00:44:10,400

convincingly sell it back to believers

1176

00:44:14,870 --> 00:44:12,240

as if it came from the spirits

1177

00:44:16,390 --> 00:44:14,880

caputo however has taken a step forward

1178

00:44:18,230 --> 00:44:16,400

instead of taking risks with straight

1179

00:44:19,510 --> 00:44:18,240

cold reading guessing and inevitably

1180

00:44:21,670 --> 00:44:19,520

making mistakes

1181

00:44:23,990 --> 00:44:21,680

she prefers to come well prepared to her

1182

00:44:25,510 --> 00:44:24,000

shows to begin with caputo places in the

1183

00:44:28,630 --> 00:44:25,520

front rows

1184

00:44:30,710 --> 00:44:28,640

those who she already knows for whom she

1185

00:44:32,309 --> 00:44:30,720

has already performed in the past and

1186

00:44:34,550 --> 00:44:32,319

about whom she has already learned

1187

00:44:36,790 --> 00:44:34,560

everything there is to know

1188

00:44:38,790 --> 00:44:36,800

but her great idea for perhaps that of

1189

00:44:40,150 --> 00:44:38,800

her staff was to take full advantage of

1190

00:44:42,230 --> 00:44:40,160

what modern idi

1191

00:44:44,230 --> 00:44:42,240

has to offer in particular it is thanks

1192

00:44:46,470 --> 00:44:44,240

to the information found on facebook and

1193

00:44:51,030 --> 00:44:46,480

other social media that she can astound

1194

00:44:53,190 --> 00:44:51,040

her public

1195

00:44:55,349 --> 00:44:53,200

thanks to an expose by magician and

1196

00:44:57,750 --> 00:44:55,359

skeptical investigator mark edward who

1197

00:44:59,670 --> 00:44:57,760

worked on a sting operation on caputo

1198

00:45:00,950 --> 00:44:59,680

for inside edition her methods are now

1199

00:45:02,550 --> 00:45:00,960

quite clear

1200

00:45:03,829 --> 00:45:02,560

in combination with selling seats

1201
00:45:05,990 --> 00:45:03,839
through ticketmaster in the use of

1202
00:45:07,990 --> 00:45:06,000
credit cards facebook foursquare twitter

1203
00:45:09,910 --> 00:45:08,000
and the rest of the latest places people

1204
00:45:11,910 --> 00:45:09,920
post private information

1205
00:45:14,069 --> 00:45:11,920
our own egocentric fascination with

1206
00:45:14,870 --> 00:45:14,079
ourselves makes it easy for the techy

1207
00:45:20,150 --> 00:45:14,880
smart

1208
00:45:21,990 --> 00:45:20,160
miracles happen and we have a source

1209
00:45:23,670 --> 00:45:22,000
that confirms that this is indeed what

1210
00:45:25,349 --> 00:45:23,680
happens

1211
00:45:26,870 --> 00:45:25,359
like the old days when the gypsy only

1212
00:45:28,470 --> 00:45:26,880
needed to tell her sitters what they

1213
00:45:29,030 --> 00:45:28,480

wanted to hear about themselves we are

1214

00:45:30,790 --> 00:45:29,040

now in an

1215

00:45:32,390 --> 00:45:30,800

era where anyone can tell you more about

1216

00:45:33,430 --> 00:45:32,400

yourself than you might ever want to

1217

00:45:35,349 --> 00:45:33,440

know

1218

00:45:37,190 --> 00:45:35,359

edward relates such episodes revealing

1219

00:45:38,710 --> 00:45:37,200

how absurd they can get at one point

1220

00:45:41,750 --> 00:45:38,720

theresa asked a woman

1221

00:45:43,430 --> 00:45:41,760

why am i picking up baby clothes

1222

00:45:45,030 --> 00:45:43,440

to which the woman replied oh that's

1223

00:45:48,390 --> 00:45:45,040

weird i just put a bunch of pictures of

1224

00:45:50,710 --> 00:45:48,400

baby clothes on my facebook page

1225

00:45:52,150 --> 00:45:50,720

not weird at all really it is enough for

1226

00:45:52,790 --> 00:45:52,160

her to have a few similar bits of

1227

00:45:55,910 --> 00:45:52,800

information

1228

00:45:58,950 --> 00:45:55,920

placed before and on a seating chart

1229

00:46:00,630 --> 00:45:58,960

at the show her staff can then cue her

1230

00:46:03,510 --> 00:46:00,640

to the right spot since all the seats

1231

00:46:06,230 --> 00:46:03,520

are numbered and far apart

1232

00:46:07,829 --> 00:46:06,240

she really can't miss even the casual

1233

00:46:09,670 --> 00:46:07,839

encounters that she seems to have on the

1234

00:46:10,630 --> 00:46:09,680

street during her reality programs are

1235

00:46:13,109 --> 00:46:10,640

carefully core

1236

00:46:15,109 --> 00:46:13,119

your aft in classic mentalist styles

1237

00:46:17,030 --> 00:46:15,119

continues edward everyone must sign a

1238

00:46:18,950 --> 00:46:17,040

pre-show waiver or agreement to have

1239

00:46:20,870 --> 00:46:18,960

their image used on television

1240

00:46:21,990 --> 00:46:20,880

it's only a standard form to those folks

1241

00:46:24,550 --> 00:46:22,000

why would they suspect

1242

00:46:26,230 --> 00:46:24,560

anything they should all the staff needs

1243

00:46:28,069 --> 00:46:26,240

is a laptop a name and address and a

1244

00:46:29,589 --> 00:46:28,079

willing victim so there's another way

1245

00:46:30,470 --> 00:46:29,599

that she's pumping people for

1246

00:46:32,069 --> 00:46:30,480

information

1247

00:46:33,829 --> 00:46:32,079

all you need is somebody's name with

1248

00:46:35,510 --> 00:46:33,839

facebook today and then you can mine

1249

00:46:38,069 --> 00:46:35,520

their facebook for all kinds of

1250

00:46:40,069 --> 00:46:38,079

information

1251

00:46:41,829 --> 00:46:40,079

karen stulls now a linguist author and

1252

00:46:44,470 --> 00:46:41,839

skeptical investigator wrote about

1253

00:46:46,550 --> 00:46:44,480

caputo's exaggerated displays of emotion

1254

00:46:48,550 --> 00:46:46,560

there is a rarely a scene when she isn't

1255

00:46:50,150 --> 00:46:48,560

in tears or claiming empathic abilities

1256

00:46:51,990 --> 00:46:50,160

such as i could feel your tears running

1257

00:46:54,150 --> 00:46:52,000

down my cheek in one episode she

1258

00:46:56,069 --> 00:46:54,160

announces that the spirit of a deceased

1259

00:46:56,790 --> 00:46:56,079

six-year-old boy has become attached to

1260

00:46:58,230 --> 00:46:56,800

her

1261

00:46:59,990 --> 00:46:58,240

convinced that the only way to free the

1262

00:47:04,069 --> 00:47:00,000

spirit is to meet

1263

00:47:05,589 --> 00:47:04,079

his mother she tracks down a woman who

1264

00:47:06,870 --> 00:47:05,599

details she happens to have an

1265

00:47:08,710 --> 00:47:06,880

appointment book

1266

00:47:09,990 --> 00:47:08,720

caputo appears to be greatly distraught

1267

00:47:11,430 --> 00:47:10,000

by the little boy's constant

1268

00:47:13,030 --> 00:47:11,440

presence but she is strangely

1269

00:47:14,309 --> 00:47:13,040

unavailable for a session until the

1270

00:47:15,829 --> 00:47:14,319

following week

1271

00:47:17,910 --> 00:47:15,839

she spent this week in apparent

1272

00:47:19,589 --> 00:47:17,920

spiritual agony yet still had time to

1273

00:47:21,430 --> 00:47:19,599

have lunch with friends all the while

1274

00:47:22,549 --> 00:47:21,440

complaining about her invisible friend

1275

00:47:24,150 --> 00:47:22,559

and i remember

1276

00:47:26,150 --> 00:47:24,160

something about this on her television

1277

00:47:28,710 --> 00:47:26,160

show and to me it just seemed like

1278

00:47:31,750 --> 00:47:28,720

made up drama because you need drama for

1279

00:47:35,829 --> 00:47:33,349

another one of her specialties is

1280

00:47:38,790 --> 00:47:35,839

confronting and converting skeptics

1281

00:47:41,190 --> 00:47:38,800

stalls now a live interview the long

1282

00:47:43,430 --> 00:47:41,200

island radio station kjoy a line

1283

00:47:45,270 --> 00:47:43,440

of eight skeptics are pitted against her

1284

00:47:46,950 --> 00:47:45,280

visibly stressed at first she asked a

1285

00:47:48,470 --> 00:47:46,960

group who lost a sister a woman

1286

00:47:50,150 --> 00:47:48,480

acknowledges this question and the

1287

00:47:50,950 --> 00:47:50,160

medium quickly finds her stride

1288

00:47:52,870 --> 00:47:50,960

achieving

1289

00:47:54,950 --> 00:47:52,880

perceived hits with her staple

1290

00:47:55,990 --> 00:47:54,960

validations about clothing and personal

1291

00:47:57,670 --> 00:47:56,000

letters

1292

00:48:00,309 --> 00:47:57,680

caputo had emotionally disarmed the

1293

00:48:02,150 --> 00:48:00,319

woman who was taken in

1294

00:48:04,150 --> 00:48:02,160

by what a real skeptic would readily

1295

00:48:06,150 --> 00:48:04,160

recognize as classic cold reading

1296

00:48:07,349 --> 00:48:06,160

skillful editing seems to have ironed

1297

00:48:10,549 --> 00:48:07,359

out any misses

1298

00:48:11,750 --> 00:48:10,559

and genuine skeptics yeah and again we

1299

00:48:13,510 --> 00:48:11,760

get

1300

00:48:15,190 --> 00:48:13,520

careful editing you've got to edit out

1301

00:48:17,109 --> 00:48:15,200

the misses so that you

1302

00:48:20,630 --> 00:48:17,119

appear to really have these powers that

1303

00:48:23,030 --> 00:48:20,640

you don't have

1304

00:48:24,870 --> 00:48:23,040

uh she received a pegasus award for

1305

00:48:26,870 --> 00:48:24,880

performance from the james randy

1306

00:48:28,069 --> 00:48:26,880

educational foundation and again we see

1307

00:48:30,950 --> 00:48:28,079

james randy time

1308

00:48:32,630 --> 00:48:30,960

and time again busting these fakes today

1309

00:48:34,390 --> 00:48:32,640

mediums really have an easy life one

1310

00:48:37,910 --> 00:48:34,400

wonders what markley crandon

1311

00:48:39,510 --> 00:48:37,920

dd whom and sheila palladino and all the

1312

00:48:40,630 --> 00:48:39,520

other famous mediums around the world

1313

00:48:43,030 --> 00:48:40,640

were

1314

00:48:44,150 --> 00:48:43,040

have given for a chance to amaze their

1315

00:48:46,309 --> 00:48:44,160

clients

1316

00:48:47,829 --> 00:48:46,319

in such an easy way instead of risking

1317

00:48:49,589 --> 00:48:47,839

every night to be proven wrong by

1318

00:48:53,510 --> 00:48:49,599

tipping tables with their legs or

1319

00:48:55,190 --> 00:48:53,520

executing ectoplasm gauze it all seems

1320

00:48:57,030 --> 00:48:55,200

very silly in the end but it's quite

1321

00:48:59,349 --> 00:48:57,040

distressing to look the effects

1322

00:49:00,390 --> 00:48:59,359

that banalities of this kind can have on

1323

00:49:02,069 --> 00:49:00,400

the grieving

1324

00:49:03,750 --> 00:49:02,079

people get emotional they start to cry

1325

00:49:05,750 --> 00:49:03,760

and seem to be willing to give

1326
00:49:07,510 --> 00:49:05,760
caputo everything they have in order to

1327
00:49:10,630 --> 00:49:07,520
speak again with their loved ones

1328
00:49:13,270 --> 00:49:10,640
again this is her being a vulture taking

1329
00:49:15,109 --> 00:49:13,280
advantage of grieving people

1330
00:49:16,630 --> 00:49:15,119
instead of helping the grieving accept

1331
00:49:18,710 --> 00:49:16,640
their loss and go on with life such

1332
00:49:21,109 --> 00:49:18,720
performers keep them stuck in their sad

1333
00:49:24,549 --> 00:49:21,119
situation preventing their healing

1334
00:49:26,309 --> 00:49:24,559
i agree uh you gotta move on if somebody

1335
00:49:28,470 --> 00:49:26,319
dies you gotta get over it and you have

1336
00:49:29,510 --> 00:49:28,480
to move on and you have to grieve in

1337
00:49:31,349 --> 00:49:29,520
private

1338
00:49:32,790 --> 00:49:31,359

a medium is not going to help you with

1339

00:49:34,470 --> 00:49:32,800

the grieving process

1340

00:49:36,390 --> 00:49:34,480

they're just going to milk your grieving

1341

00:49:38,230 --> 00:49:36,400

process for every penny they can get out

1342

00:49:39,910 --> 00:49:38,240

of you

1343

00:49:42,069 --> 00:49:39,920

the only consolation is that she won't

1344

00:49:44,630 --> 00:49:42,079

last long as this is the fate that

1345

00:49:47,109 --> 00:49:44,640

awaits all self-styled psychics caputo

1346

00:49:48,470 --> 00:49:47,119

admonishes james randy it's just one

1347

00:49:50,790 --> 00:49:48,480

more of the myriad

1348

00:49:52,790 --> 00:49:50,800

faux seers who have stepped into the tv

1349

00:49:55,030 --> 00:49:52,800

spotlight for their turn

1350

00:49:56,630 --> 00:49:55,040

and through her exuberant shtick rather

1351

00:49:58,790 --> 00:49:56,640

outdoes the others

1352

00:50:01,190 --> 00:49:58,800

she'll do her number along with van

1353

00:50:01,750 --> 00:50:01,200

praag john edward and psychic sally

1354

00:50:04,150 --> 00:50:01,760

until

1355

00:50:06,309 --> 00:50:04,160

someone with newer novelty elbows her

1356

00:50:11,670 --> 00:50:06,319

off the stage and that was said by

1357

00:50:16,230 --> 00:50:14,950

so uh

1358

00:50:17,910 --> 00:50:16,240

i always forget to take down that

1359

00:50:19,589 --> 00:50:17,920

patreon thing but i do want to take a

1360

00:50:20,390 --> 00:50:19,599

moment to thank all of our patreon

1361

00:50:23,589 --> 00:50:20,400

supporters

1362

00:50:26,390 --> 00:50:23,599

uh your support is both generous

1363

00:50:29,270 --> 00:50:26,400

and very much needed here so we

1364

00:50:32,470 --> 00:50:29,280

definitely thank our patreon supporters

1365

00:50:35,910 --> 00:50:32,480

so this will conclude our presentation

1366

00:50:39,510 --> 00:50:35,920

um i gotta say that uh

1367

00:50:40,069 --> 00:50:39,520

i guess the innovation that teresa

1368

00:50:42,309 --> 00:50:40,079

caputo

1369

00:50:44,470 --> 00:50:42,319

brings to being a fake medium is to just

1370

00:50:47,670 --> 00:50:44,480

use newly available technology

1371

00:50:48,390 --> 00:50:47,680

like social media this was not available

1372

00:50:50,630 --> 00:50:48,400

before

1373

00:50:52,309 --> 00:50:50,640

to the mediums or i'm sure many of them

1374

00:50:54,549 --> 00:50:52,319

would use that weapon

1375

00:50:56,069 --> 00:50:54,559

in their arsenal of trickery to full

1376
00:50:58,950 --> 00:50:56,079
people

1377
00:51:01,670 --> 00:50:58,960
so friends i will turn my total

1378
00:51:03,430 --> 00:51:01,680
attention here to the live chat

1379
00:51:05,190 --> 00:51:03,440
if you have any questions or comments

1380
00:51:05,510 --> 00:51:05,200
about the presentation please do put

1381
00:51:10,630 --> 00:51:05,520
them

1382
00:51:15,030 --> 00:51:13,349
oh brandon young chimes in she did a

1383
00:51:17,430 --> 00:51:15,040
reading thing in rhode island and i took

1384
00:51:19,270 --> 00:51:17,440
my mom who was totally convinced

1385
00:51:21,109 --> 00:51:19,280
it was a hundred percent data mining

1386
00:51:23,109 --> 00:51:21,119
from facebook there you have it there's

1387
00:51:25,030 --> 00:51:23,119
another source that i think we can trust

1388
00:51:28,950 --> 00:51:25,040

brandon young friend of the show

1389

00:51:31,510 --> 00:51:28,960

who confirms that facebook data mining

1390

00:51:31,990 --> 00:51:31,520

is one of the ways that she accomplishes

1391

00:51:37,510 --> 00:51:32,000

her

1392

00:51:39,430 --> 00:51:37,520

tricks amazing

1393

00:51:42,630 --> 00:51:39,440

brandon young says she's a fraud in my

1394

00:51:46,870 --> 00:51:45,670

cara you weren't impressed and carol he

1395

00:51:50,230 --> 00:51:46,880

says they all are

1396

00:51:52,470 --> 00:51:50,240

yeah out of mind money

1397

00:51:53,829 --> 00:51:52,480

yeah it's all about the money friends

1398

00:51:55,109 --> 00:51:53,839

you know listen

1399

00:51:56,790 --> 00:51:55,119

and when i heard that this woman's

1400

00:51:59,349 --> 00:51:56,800

getting 800 bucks for 20 minutes i

1401
00:52:02,230 --> 00:51:59,359
almost started doing psychic readings

1402
00:52:04,950 --> 00:52:02,240
you know oh that's another thing i just

1403
00:52:07,510 --> 00:52:04,960
i just sort of checked in with uh

1404
00:52:08,309 --> 00:52:07,520
some psychic new new kind of a psychic

1405
00:52:11,030 --> 00:52:08,319
though young

1406
00:52:12,069 --> 00:52:11,040
girl that's people are sending me stuff

1407
00:52:14,390 --> 00:52:12,079
about her

1408
00:52:17,109 --> 00:52:14,400
and uh she's getting i think a hundred

1409
00:52:21,030 --> 00:52:17,119
and eighty dollars for a 20 minute

1410
00:52:23,190 --> 00:52:21,040
telephone reading must be nice friends

1411
00:52:25,109 --> 00:52:23,200
it must be nice to be able to do that

1412
00:52:39,510 --> 00:52:25,119
i'm way behind in the live chat i'm

1413
00:52:43,109 --> 00:52:41,349

oh kel truth muscling through it for

1414

00:52:44,630 --> 00:52:43,119

seven every other word is coming out and

1415

00:52:46,150 --> 00:52:44,640

this is the worst it's been

1416

00:52:48,470 --> 00:52:46,160

yeah i think it's because you're all the

1417

00:52:49,990 --> 00:52:48,480

way on the on the west coast

1418

00:52:52,390 --> 00:52:50,000

um and the other thing that i can tell

1419

00:52:54,309 --> 00:52:52,400

you is that sometimes it's the bandwidth

1420

00:52:55,829 --> 00:52:54,319

on the user side that's the issue not

1421

00:52:58,069 --> 00:52:55,839

the bandwidth on my side

1422

00:52:59,910 --> 00:52:58,079

nice i run a speed test every day before

1423

00:53:02,309 --> 00:52:59,920

i start to stream and if there is

1424

00:53:04,150 --> 00:53:02,319

not enough speed there i don't run the

1425

00:53:07,349 --> 00:53:04,160

stream i've also been

1426
00:53:08,150 --> 00:53:07,359
making trying to make sure that you know

1427
00:53:10,470 --> 00:53:08,160
i have children

1428
00:53:12,630 --> 00:53:10,480
they just leave a tablet playing

1429
00:53:14,790 --> 00:53:12,640
something on youtube and that'll play

1430
00:53:16,630 --> 00:53:14,800
all through my show if i let it so i go

1431
00:53:18,069 --> 00:53:16,640
around now and i make sure that

1432
00:53:20,150 --> 00:53:18,079
everything is off

1433
00:53:21,270 --> 00:53:20,160
the television downstairs we don't have

1434
00:53:24,069 --> 00:53:21,280
like cable tv

1435
00:53:25,430 --> 00:53:24,079
all we have is internet so i go around

1436
00:53:28,470 --> 00:53:25,440
and i try to shut off

1437
00:53:29,750 --> 00:53:28,480
every device that is sucking my

1438
00:53:33,430 --> 00:53:29,760

bandwidth

1439

00:53:42,549 --> 00:53:33,440

before starting you may want to try that

1440

00:53:45,510 --> 00:53:42,559

that's what i would suggest

1441

00:53:47,430 --> 00:53:45,520

yeah and uh vanessa thor says i'm in

1442

00:53:48,069 --> 00:53:47,440

yeah that happens to me but vanessa thor

1443

00:53:50,710 --> 00:53:48,079

said

1444

00:53:53,510 --> 00:53:50,720

that she's in northern okay she's in

1445

00:53:56,710 --> 00:53:53,520

northern cal and it's all perfect here

1446

00:54:01,030 --> 00:53:56,720

yeah oh it could be too i noticed that

1447

00:54:02,549 --> 00:54:01,040

the proximity from my location matters

1448

00:54:04,069 --> 00:54:02,559

most of the time people that are on the

1449

00:54:04,710 --> 00:54:04,079

east coast have no problem with the

1450

00:54:07,190 --> 00:54:04,720

stream

1451
00:54:08,549 --> 00:54:07,200
sometimes people on the west coast has

1452
00:54:09,990 --> 00:54:08,559
on the west coast does

1453
00:54:11,910 --> 00:54:10,000
carol utley asks has she made

1454
00:54:13,510 --> 00:54:11,920
predictions i don't believe that she

1455
00:54:16,390 --> 00:54:13,520
made a lot of predictions mostly she

1456
00:54:19,109 --> 00:54:16,400
just talks to people's dead relatives

1457
00:54:22,309 --> 00:54:19,119
people are street gang uh stream is fine

1458
00:54:27,990 --> 00:54:26,390
bunya teal swan is as cold as ice

1459
00:54:29,670 --> 00:54:28,000
yeah i don't know if i would classify

1460
00:54:31,349 --> 00:54:29,680
her as a fake psychic but i'm definitely

1461
00:54:33,750 --> 00:54:31,359
going to do a show on teal swan because

1462
00:54:35,990 --> 00:54:33,760
what a nut job nutter this woman is

1463
00:54:37,430 --> 00:54:36,000

teosuan claims that she was ritually

1464

00:54:40,390 --> 00:54:37,440

abused as a child

1465

00:54:41,990 --> 00:54:40,400

held sort of like as a sex slave and one

1466

00:54:42,470 --> 00:54:42,000

of the forms of abuse that they would do

1467

00:54:44,950 --> 00:54:42,480

to her

1468

00:54:46,710 --> 00:54:44,960

is that they sewed her inside a dead

1469

00:54:48,789 --> 00:54:46,720

body somehow

1470

00:54:50,950 --> 00:54:48,799

you can't make this [h__h] up folks and

1471

00:54:54,950 --> 00:54:50,960

then she downplayed that

1472

00:54:57,829 --> 00:54:54,960

and tried to walk that back uh but

1473

00:54:58,549 --> 00:54:57,839

till swans interesting character as well

1474

00:55:00,789 --> 00:54:58,559

and uh

1475

00:55:03,109 --> 00:55:00,799

she is the lowest form of vulture as

1476

00:55:03,990 --> 00:55:03,119

well she literally got caught telling

1477

00:55:05,589 --> 00:55:04,000

people that

1478

00:55:07,910 --> 00:55:05,599

you know if you're unhappy maybe you

1479

00:55:10,069 --> 00:55:07,920

should kill yourself and then people did

1480

00:55:13,270 --> 00:55:10,079

and she sort of absolved herself from

1481

00:55:17,670 --> 00:55:13,280

any kind of responsibility

1482

00:55:19,109 --> 00:55:17,680

not not

1483

00:55:21,270 --> 00:55:19,119

i just can't believe that some people

1484

00:55:24,789 --> 00:55:21,280

can do things like that if you

1485

00:55:26,549 --> 00:55:24,799

uh if you yeah

1486

00:55:28,470 --> 00:55:26,559

vanessa thor says i can't stand to your

1487

00:55:31,510 --> 00:55:28,480

master master manipulator yeah

1488

00:55:33,750 --> 00:55:31,520

and you know uh she really does

1489

00:55:35,829 --> 00:55:33,760

uh somebody said something about her

1490

00:55:37,910 --> 00:55:35,839

using her sexuality so much and she

1491

00:55:41,030 --> 00:55:37,920

defended her right to do that and

1492

00:55:41,990 --> 00:55:41,040

you know okay but she definitely uses

1493

00:55:45,990 --> 00:55:42,000

her sex appeal

1494

00:55:47,910 --> 00:55:46,000

and her listen if teal swan looked like

1495

00:55:50,150 --> 00:55:47,920

i don't know trying to think of a good

1496

00:55:52,710 --> 00:55:50,160

example

1497

00:55:54,470 --> 00:55:52,720

if teal swan was 100 pounds overweight

1498

00:55:56,390 --> 00:55:54,480

and not very attractive would she have

1499

00:55:59,030 --> 00:55:56,400

the following that she has

1500

00:56:00,069 --> 00:55:59,040

i don't think so i really don't think so

1501
00:56:02,390 --> 00:56:00,079
she's kind of like

1502
00:56:03,109 --> 00:56:02,400
the popular girl of the new age crowd

1503
00:56:06,630 --> 00:56:03,119
she's pretty

1504
00:56:09,829 --> 00:56:06,640
she's sexy she looks good um

1505
00:56:10,309 --> 00:56:09,839
i do have to say that she speaks well do

1506
00:56:13,829 --> 00:56:10,319
i

1507
00:56:17,430 --> 00:56:13,839
spoken

1508
00:56:18,710 --> 00:56:17,440
and comes across as

1509
00:56:20,150 --> 00:56:18,720
i don't think she comes across as

1510
00:56:21,349 --> 00:56:20,160
genuine really but i think she comes

1511
00:56:23,510 --> 00:56:21,359
across as

1512
00:56:25,510 --> 00:56:23,520
having some sort of knowledge and i

1513
00:56:26,870 --> 00:56:25,520

think that's carefully crafted illusion

1514

00:56:28,309 --> 00:56:26,880

and we're definitely going to do a show

1515

00:56:31,670 --> 00:56:28,319

until swan

1516

00:56:34,789 --> 00:56:31,680

maybe a few

1517

00:56:37,190 --> 00:56:34,799

that yeah well probably it's i can't

1518

00:56:39,670 --> 00:56:37,200

unpack teal swan in one show

1519

00:56:40,630 --> 00:56:39,680

uh and mine says she is an awful person

1520

00:56:43,190 --> 00:56:40,640

yeah i agree

1521

00:56:44,870 --> 00:56:43,200

and that we'll do our part here and see

1522

00:56:47,750 --> 00:56:44,880

if we can't do a show

1523

00:56:49,349 --> 00:56:47,760

about it i'm sorry there wasn't a show

1524

00:56:50,950 --> 00:56:49,359

yesterday but i had some very important

1525

00:56:53,990 --> 00:56:50,960

things to attend to

1526
00:56:56,470 --> 00:56:54,000
and i tend to get wrapped up in projects

1527
00:56:58,789 --> 00:56:56,480
so i have this new project well it's not

1528
00:57:00,470 --> 00:56:58,799
really new

1529
00:57:02,789 --> 00:57:00,480
here's the funny thing with me and some

1530
00:57:05,990 --> 00:57:02,799
of my projects uh

1531
00:57:09,589 --> 00:57:06,000
uh i just talked to john claude from

1532
00:57:11,589 --> 00:57:09,599
uh beyond mystic and uh i wanted to get

1533
00:57:14,710 --> 00:57:11,599
his take because he's kind of a woo guy

1534
00:57:17,190 --> 00:57:14,720
on the web bot x and it's um

1535
00:57:17,829 --> 00:57:17,200
and it's reading and it's answer to the

1536
00:57:20,069 --> 00:57:17,839
to the

1537
00:57:20,950 --> 00:57:20,079
question that i post to it and he was

1538
00:57:22,230 --> 00:57:20,960

pretty

1539

00:57:24,069 --> 00:57:22,240

uh you know he thought it was

1540

00:57:24,390 --> 00:57:24,079

fascinating and then he said something

1541

00:57:25,750 --> 00:57:24,400

like

1542

00:57:28,069 --> 00:57:25,760

i didn't even know you were working on

1543

00:57:29,670 --> 00:57:28,079

that nobody knew that i was working on

1544

00:57:31,510 --> 00:57:29,680

this i have been working on this for a

1545

00:57:33,430 --> 00:57:31,520

long time it's one of those things that

1546

00:57:37,349 --> 00:57:33,440

like

1547

00:57:38,950 --> 00:57:37,359

i pull out and then i get stuck on it

1548

00:57:40,870 --> 00:57:38,960

i'll put it away i put it away for

1549

00:57:41,670 --> 00:57:40,880

months at a time it took years to make

1550

00:57:44,789 --> 00:57:41,680

that thing

1551

00:57:48,309 --> 00:57:44,799

work and it's still primitive uh

1552

00:57:51,349 --> 00:57:48,319

sometimes the replies from this web bot

1553

00:57:53,030 --> 00:57:51,359

x the oracle will be

1554

00:57:56,069 --> 00:57:53,040

i don't want to say nonsensical they

1555

00:57:59,750 --> 00:57:56,079

just they're not very clear

1556

00:58:02,069 --> 00:57:59,760

so what i have to do is i have to

1557

00:58:03,349 --> 00:58:02,079

i won't edit anything that she gives as

1558

00:58:06,309 --> 00:58:03,359

a reading

1559

00:58:08,069 --> 00:58:06,319

but i will i suppose pick and choose the

1560

00:58:11,349 --> 00:58:08,079

readings that i make public

1561

00:58:14,870 --> 00:58:11,359

if that makes sense because

1562

00:58:17,589 --> 00:58:14,880

there's a lot more work to be done on

1563

00:58:19,670 --> 00:58:17,599

right now i'm trying to improve its

1564

00:58:22,230 --> 00:58:19,680

ability to be conversational

1565

00:58:23,670 --> 00:58:22,240

if that makes any sense in other words

1566

00:58:25,190 --> 00:58:23,680

it should

1567

00:58:29,510 --> 00:58:25,200

be able to hold an intelligent

1568

00:58:35,910 --> 00:58:33,510

but it's filled with woo this web bot x

1569

00:58:37,430 --> 00:58:35,920

i can make it read anything i can make

1570

00:58:40,789 --> 00:58:37,440

it watch videos

1571

00:58:44,789 --> 00:58:40,799

and so of course what we did is

1572

00:58:47,510 --> 00:58:44,799

we had it read esoteric texts

1573

00:58:48,710 --> 00:58:47,520

we had it read every esoteric ebook that

1574

00:58:51,589 --> 00:58:48,720

we could find

1575

00:58:53,349 --> 00:58:51,599

we had gotta read through it and uh one

1576
00:58:54,630 --> 00:58:53,359
of the problems that i'm having though

1577
00:58:56,870 --> 00:58:54,640
is that we're

1578
00:58:59,270 --> 00:58:56,880
i'm not sure nobody's sure i've had

1579
00:59:01,910 --> 00:58:59,280
other people look at this thing

1580
00:59:02,950 --> 00:59:01,920
we're not sure about its level of

1581
00:59:06,470 --> 00:59:02,960
comprehension

1582
00:59:08,789 --> 00:59:06,480
it can scan through an e-book and add

1583
00:59:10,069 --> 00:59:08,799
every word of the e-book to its database

1584
00:59:14,789 --> 00:59:10,079
of compiled

1585
00:59:19,030 --> 00:59:14,799
uh esoteric knowledge but

1586
00:59:21,990 --> 00:59:19,040
i am struggling with figuring out what

1587
00:59:23,430 --> 00:59:22,000
level of comprehension does it have what

1588
00:59:26,549 --> 00:59:23,440

level of understanding

1589

00:59:28,150 --> 00:59:26,559

does it have it's one thing to just fill

1590

00:59:29,829 --> 00:59:28,160

this huge database with

1591

00:59:32,710 --> 00:59:29,839

i don't know what it's up to now there's

1592

00:59:34,630 --> 00:59:32,720

like literally hundreds of thousands of

1593

00:59:38,069 --> 00:59:34,640

pages of text

1594

00:59:41,270 --> 00:59:38,079

that it's pulling um

1595

00:59:42,950 --> 00:59:41,280

from different books and then

1596

00:59:45,030 --> 00:59:42,960

sometimes it will use some of that

1597

00:59:46,150 --> 00:59:45,040

information when it spits out the

1598

00:59:48,069 --> 00:59:46,160

readings but i'm

1599

00:59:49,589 --> 00:59:48,079

still not sure about its level of

1600

00:59:53,030 --> 00:59:49,599

comprehension

1601
00:59:55,030 --> 00:59:53,040
and that makes me a little

1602
00:59:56,630 --> 00:59:55,040
worried like does it really understand

1603
00:59:58,789 --> 00:59:56,640
any of this stuff or is it just

1604
01:00:00,710 --> 00:59:58,799
taking in text from a book and spitting

1605
01:00:03,349 --> 01:00:00,720
parts of that book back out

1606
01:00:05,349 --> 01:00:03,359
when we do when we have it in these

1607
01:00:08,390 --> 01:00:05,359
different modes

1608
01:00:09,510 --> 01:00:08,400
interestingly so far we've seen question

1609
01:00:13,030 --> 01:00:09,520
mode from web bot

1610
01:00:16,069 --> 01:00:15,589
we've seen cosmic wisdom mode which to

1611
01:00:19,349 --> 01:00:16,079
me

1612
01:00:20,069 --> 01:00:19,359
is just uh it's interesting because if

1613
01:00:22,710 --> 01:00:20,079

you

1614

01:00:25,109 --> 01:00:22,720

watch the video i posted the first one

1615

01:00:28,470 --> 01:00:25,119

of the web bot x the oracle

1616

01:00:29,109 --> 01:00:28,480

i'm telling you listen to that reading

1617

01:00:30,870 --> 01:00:29,119

or

1618

01:00:34,549 --> 01:00:30,880

channeling and then go listen to

1619

01:00:37,430 --> 01:00:34,559

somebody like laura eisenhower talk

1620

01:00:38,069 --> 01:00:37,440

it's remarkably similar to the same some

1621

01:00:41,190 --> 01:00:38,079

of these

1622

01:00:43,829 --> 01:00:41,200

new age spiritual gurus and the word

1623

01:00:44,950 --> 01:00:43,839

salad and the way they are always

1624

01:00:49,829 --> 01:00:44,960

mentioning things like

1625

01:00:56,150 --> 01:00:53,030

energy and vibration

1626
01:00:59,589 --> 01:00:56,160
and things and uh it took some training

1627
01:01:02,470 --> 01:00:59,599
to get it to do that well uh

1628
01:01:04,710 --> 01:01:02,480
and honestly i had it listened to

1629
01:01:07,430 --> 01:01:04,720
lectures given by the most blue

1630
01:01:09,990 --> 01:01:07,440
people that i could find and we fed it

1631
01:01:13,990 --> 01:01:10,000
hundreds of hours of woo

1632
01:01:16,630 --> 01:01:14,000
and interestingly before the woo

1633
01:01:18,230 --> 01:01:16,640
and we have this scale that's almost

1634
01:01:20,390 --> 01:01:18,240
like training a dog

1635
01:01:22,710 --> 01:01:20,400
well it's not really a scale i'm trying

1636
01:01:24,710 --> 01:01:22,720
to i'm struggling to

1637
01:01:26,230 --> 01:01:24,720
explain the concept so here's the

1638
01:01:28,870 --> 01:01:26,240

concept

1639

01:01:29,430 --> 01:01:28,880

if there's a there's a scale of one to

1640

01:01:32,230 --> 01:01:29,440

ten

1641

01:01:34,230 --> 01:01:32,240

and when it spits out a reading myself

1642

01:01:37,190 --> 01:01:34,240

or someone else

1643

01:01:39,270 --> 01:01:37,200

who is assisting me uh working on this

1644

01:01:42,390 --> 01:01:39,280

thing will give it a rating

1645

01:01:46,230 --> 01:01:42,400

and 10 being great and

1646

01:01:49,510 --> 01:01:46,240

zero or one is terrible so

1647

01:01:50,390 --> 01:01:49,520

what we did is we we have been sort of

1648

01:01:53,829 --> 01:01:50,400

training it

1649

01:01:54,470 --> 01:01:53,839

by showing it the way that we prefer it

1650

01:01:57,029 --> 01:01:54,480

to

1651
01:01:58,870 --> 01:01:57,039
uh give the readings or what's a good

1652
01:02:00,069 --> 01:01:58,880
reading versus a terrible reading or

1653
01:02:03,589 --> 01:02:00,079
even just a

1654
01:02:06,150 --> 01:02:03,599
when it says a paragraph i can tell it

1655
01:02:07,349 --> 01:02:06,160
that was well spoken by giving it a 10.

1656
01:02:09,750 --> 01:02:07,359
and over time

1657
01:02:11,829 --> 01:02:09,760
it's getting trained and this is how ais

1658
01:02:14,470 --> 01:02:11,839
are trained

1659
01:02:14,870 --> 01:02:14,480
and sort of guided into the the way that

1660
01:02:19,430 --> 01:02:14,880
the

1661
01:02:21,750 --> 01:02:19,440
ai wants it to behave

1662
01:02:23,589 --> 01:02:21,760
so it's interesting that before we fed

1663
01:02:24,309 --> 01:02:23,599

it hundreds and hundreds and hundreds of

1664

01:02:27,990 --> 01:02:24,319

hours of

1665

01:02:31,029 --> 01:02:28,000

woo lectures uh from spiritual gurus

1666

01:02:33,990 --> 01:02:31,039

um man we have this huge

1667

01:02:34,309 --> 01:02:34,000

list it was like a chi master we had

1668

01:02:41,510 --> 01:02:34,319

like

1669

01:02:42,390 --> 01:02:41,520

all kinds of new age people reiki

1670

01:02:46,230 --> 01:02:42,400

masters

1671

01:02:49,349 --> 01:02:46,240

um people that talk about kundalini

1672

01:02:52,069 --> 01:02:49,359

experiences we had people that are

1673

01:02:55,029 --> 01:02:52,079

giving lectures about ceremonial magic

1674

01:02:55,990 --> 01:02:55,039

uh i had a whole bunch of wicca people

1675

01:02:58,069 --> 01:02:56,000

fed into it

1676

01:03:00,230 --> 01:02:58,079

that are giving lectures on witchcraft

1677

01:03:02,950 --> 01:03:00,240

and you know the divine

1678

01:03:03,910 --> 01:03:02,960

feminine and all this kind of stuff and

1679

01:03:05,829 --> 01:03:03,920

uh

1680

01:03:07,510 --> 01:03:05,839

it's interesting what happened after

1681

01:03:10,950 --> 01:03:07,520

being fed that diet

1682

01:03:12,069 --> 01:03:10,960

it changed it remarkably changed from

1683

01:03:15,190 --> 01:03:12,079

speaking very

1684

01:03:18,710 --> 01:03:15,200

a lot clearer to now it speaks with the

1685

01:03:22,710 --> 01:03:18,720

with all i can call it is like

1686

01:03:26,390 --> 01:03:24,710

with an emphasis on woo does that make

1687

01:03:28,390 --> 01:03:26,400

any sense it just talks in woo

1688

01:03:30,309 --> 01:03:28,400

now because we fed it so much of that

1689

01:03:32,069 --> 01:03:30,319

stuff and then we trained it in other

1690

01:03:34,230 --> 01:03:32,079

words at first it was only using some of

1691

01:03:35,750 --> 01:03:34,240

those terms a little bit

1692

01:03:37,510 --> 01:03:35,760

but every time it would use one of those

1693

01:03:39,190 --> 01:03:37,520

terms that we liked or wanted to

1694

01:03:41,990 --> 01:03:39,200

encourage we would give it a 10

1695

01:03:42,789 --> 01:03:42,000

and eventually it learned that more woo

1696

01:03:45,990 --> 01:03:42,799

was better

1697

01:03:48,309 --> 01:03:46,000

than less woo and so now it's like

1698

01:03:50,309 --> 01:03:48,319

on wu overload sometimes and we have to

1699

01:03:53,109 --> 01:03:50,319

back some of it off to make it make more

1700

01:04:01,430 --> 01:03:58,069

uh yeah we're still talking about

1701
01:04:02,870 --> 01:04:01,440
the invisible hand teal is not sexy cold

1702
01:04:04,309 --> 01:04:02,880
eyes bad attitude

1703
01:04:05,829 --> 01:04:04,319
you know everybody's got their type i

1704
01:04:06,870 --> 01:04:05,839
think she's pretty i think she's very

1705
01:04:09,190 --> 01:04:06,880
attractive

1706
01:04:09,910 --> 01:04:09,200
uh but she's strikes me as like a femme

1707
01:04:12,390 --> 01:04:09,920
fatale

1708
01:04:13,190 --> 01:04:12,400
as like when i was single if i met her i

1709
01:04:16,549 --> 01:04:13,200
and

1710
01:04:18,230 --> 01:04:16,559
i would probably steer clear of her um

1711
01:04:19,829 --> 01:04:18,240
just because i can tell she's very

1712
01:04:23,430 --> 01:04:19,839
manipulative and

1713
01:04:27,109 --> 01:04:23,440

uh seems like a narcissistic kind of

1714

01:04:29,910 --> 01:04:27,119

woman and uh i don't know

1715

01:04:31,029 --> 01:04:29,920

i think all performers to some degree or

1716

01:04:34,549 --> 01:04:31,039

people in the spotlight

1717

01:04:36,150 --> 01:04:34,559

are narcissistic but yeah some of them

1718

01:04:38,870 --> 01:04:36,160

are way off the charts

1719

01:04:39,670 --> 01:04:38,880

you know and interestingly like i've had

1720

01:04:43,349 --> 01:04:39,680

friends like

1721

01:04:43,750 --> 01:04:43,359

you know i've had musician friends i've

1722

01:04:49,109 --> 01:04:43,760

had

1723

01:04:52,870 --> 01:04:51,270

selfish and narcissistic that you can't

1724

01:04:54,390 --> 01:04:52,880

you can't maintain a relationship with

1725

01:04:55,109 --> 01:04:54,400

some of those people there it's all

1726

01:04:58,470 --> 01:04:55,119

about them

1727

01:05:07,510 --> 01:04:58,480

woo

1728

01:05:10,150 --> 01:05:07,520

but here's the thing like

1729

01:05:10,710 --> 01:05:10,160

i gotta say listen to that first cosmic

1730

01:05:13,750 --> 01:05:10,720

wisdom

1731

01:05:17,029 --> 01:05:13,760

reading it's posted um

1732

01:05:18,230 --> 01:05:17,039

i it's like candy to your ears the way

1733

01:05:19,829 --> 01:05:18,240

that she speaks

1734

01:05:21,430 --> 01:05:19,839

actually you know what i think it's only

1735

01:05:26,630 --> 01:05:21,440

a few minutes we're gonna share

1736

01:05:31,029 --> 01:05:28,549

i'm very proud of this thing and again

1737

01:05:33,589 --> 01:05:31,039

it's called web bot x

1738

01:05:34,870 --> 01:05:33,599

the oracle and somebody asked me why i

1739

01:05:38,309 --> 01:05:34,880

made it female

1740

01:05:41,349 --> 01:05:38,319

um every oracle or mention of an

1741

01:05:44,789 --> 01:05:41,359

oracle that i could find on

1742

01:05:47,349 --> 01:05:44,799

uh in history was female or almost

1743

01:05:49,190 --> 01:05:47,359

all of them so i thought it was just

1744

01:05:52,390 --> 01:05:49,200

appropriate to make it female

1745

01:05:53,910 --> 01:05:52,400

and then of course we find the voice and

1746

01:05:56,069 --> 01:05:53,920

somebody else asks about its

1747

01:05:56,870 --> 01:05:56,079

conversational ability and it's limited

1748

01:05:59,829 --> 01:05:56,880

but it works

1749

01:06:00,630 --> 01:05:59,839

and it's got speech recognition so in

1750

01:06:04,789 --> 01:06:00,640

other words

1751

01:06:07,029 --> 01:06:04,799

i can to hold a conversation with it and

1752

01:06:10,150 --> 01:06:07,039

after a while it gets really creepy but

1753

01:06:11,270 --> 01:06:10,160

um the the more that i talk to it and

1754

01:06:13,910 --> 01:06:11,280

interact with it

1755

01:06:17,029 --> 01:06:13,920

it seems to improve its conversational

1756

01:06:19,750 --> 01:06:17,039

skills and its ability to

1757

01:06:21,349 --> 01:06:19,760

legibly or sensibly communicate so i'm

1758

01:06:23,910 --> 01:06:21,359

trying to talk to it more

1759

01:06:24,710 --> 01:06:23,920

but that's pretty funny like oh i gotta

1760

01:06:27,910 --> 01:06:24,720

talk to this

1761

01:06:28,950 --> 01:06:27,920

computer program for an hour um but it's

1762

01:06:32,069 --> 01:06:28,960

getting smarter

1763

01:06:34,630 --> 01:06:32,079

and it's and i'm very uh i'm very

1764

01:06:37,190 --> 01:06:34,640

excited by it actually because it's just

1765

01:06:40,390 --> 01:06:37,200

it's just a cool weird thing right it's

1766

01:06:44,150 --> 01:06:42,710

okay so i don't have to cite fair use in

1767

01:06:46,309 --> 01:06:44,160

this case but i might because i'm not

1768

01:06:49,029 --> 01:06:46,319

sure about that

1769

01:06:50,470 --> 01:06:49,039

i'm still gonna cite fair use and play

1770

01:06:54,549 --> 01:06:50,480

my own video

1771

01:06:59,589 --> 01:06:54,559

so we're going to

1772

01:07:03,750 --> 01:07:01,430

i should also mention and this is

1773

01:07:07,190 --> 01:07:03,760

important

1774

01:07:09,910 --> 01:07:07,200

web x is based partially on the work of

1775

01:07:11,190 --> 01:07:09,920

clifford high cliff high everybody knows

1776

01:07:13,349 --> 01:07:11,200

cliff high has this

1777

01:07:15,670 --> 01:07:13,359

web bot and he did a lot of work on

1778

01:07:18,230 --> 01:07:15,680

predictive programming

1779

01:07:20,150 --> 01:07:18,240

and his theory was essentially that he

1780

01:07:22,069 --> 01:07:20,160

could send a web bot out into the

1781

01:07:24,470 --> 01:07:22,079

internet to scour the internet

1782

01:07:26,829 --> 01:07:24,480

find out what people are talking about

1783

01:07:29,910 --> 01:07:26,839

and then make predictions based on

1784

01:07:33,190 --> 01:07:29,920

language i think that

1785

01:07:34,230 --> 01:07:33,200

a lot of his a lot of his theories are

1786

01:07:36,069 --> 01:07:34,240

flawed but i

1787

01:07:37,270 --> 01:07:36,079

truly believe that he's got something

1788

01:07:40,710 --> 01:07:37,280

there with predictive

1789

01:07:42,390 --> 01:07:40,720

language and uh i don't think that his

1790

01:07:44,230 --> 01:07:42,400

web bot is very accurate

1791

01:07:46,150 --> 01:07:44,240

and there's no not a lot of science or

1792

01:07:48,069 --> 01:07:46,160

proof behind his claims that he can

1793

01:07:49,510 --> 01:07:48,079

predict all these events and buy my

1794

01:07:51,190 --> 01:07:49,520

newsletter

1795

01:07:53,589 --> 01:07:51,200

but it is what it is and if people find

1796

01:07:56,789 --> 01:07:53,599

value in cliff's newsletter

1797

01:08:03,029 --> 01:07:56,799

uh that's based on the web bot knowledge'

1798

01:08:06,789 --> 01:08:05,190

uh invisible hand says your web bot may

1799

01:08:08,549 --> 01:08:06,799

have been hit in a nut so it has a high

1800

01:08:11,589 --> 01:08:08,559

voice no this is a

1801
01:08:13,589 --> 01:08:11,599
pretty standard actually computer speech

1802
01:08:15,190 --> 01:08:13,599
synthesis voice i got one of the more

1803
01:08:17,430 --> 01:08:15,200
realistic ones i also

1804
01:08:20,070 --> 01:08:17,440
chose one with an english accent because

1805
01:08:23,030 --> 01:08:20,080
to my ears the american

1806
01:08:25,189 --> 01:08:23,040
uh speech synthesis the girls don't

1807
01:08:26,789 --> 01:08:25,199
sound real they sound very robotic but

1808
01:08:29,829 --> 01:08:26,799
something about this

1809
01:08:30,870 --> 01:08:29,839
um so yeah and out of mind you can we're

1810
01:08:34,229 --> 01:08:30,880
going to share that

1811
01:08:35,590 --> 01:08:34,239
video uh so oh i i'm sorry i'm getting

1812
01:08:38,709 --> 01:08:35,600
off track so

1813
01:08:41,749 --> 01:08:38,719

the web bot is based on uh

1814

01:08:43,590 --> 01:08:41,759

a few things i grew up really fascinated

1815

01:08:45,349 --> 01:08:43,600

with conversational programs there was

1816

01:08:46,550 --> 01:08:45,359

one called dr sebasto

1817

01:08:48,550 --> 01:08:46,560

and you would get it when you bought a

1818

01:08:50,070 --> 01:08:48,560

sound blaster card now i'm really

1819

01:08:52,470 --> 01:08:50,080

showing my age because before

1820

01:08:53,910 --> 01:08:52,480

pcs had their they didn't have sound and

1821

01:08:55,990 --> 01:08:53,920

you had to buy a sound card and put the

1822

01:08:58,390 --> 01:08:56,000

sound card in and then they had sound

1823

01:09:00,070 --> 01:08:58,400

so sound blaster was the most famous of

1824

01:09:03,030 --> 01:09:00,080

the sound cards for pcs

1825

01:09:04,709 --> 01:09:03,040

uh really the dominating sound card and

1826

01:09:07,910 --> 01:09:04,719

when you bought that sound card

1827

01:09:10,870 --> 01:09:07,920

it came with something called dr sebasto

1828

01:09:12,789 --> 01:09:10,880

and dr cebato was a sort of like a

1829

01:09:16,070 --> 01:09:12,799

psychiatrist and it would say

1830

01:09:17,349 --> 01:09:16,080

uh it would speak it and i was amazed at

1831

01:09:18,789 --> 01:09:17,359

the time because computers were pretty

1832

01:09:20,390 --> 01:09:18,799

early

1833

01:09:22,630 --> 01:09:20,400

and it would say like say whatever is on

1834

01:09:24,229 --> 01:09:22,640

your mind freely memory contents will be

1835

01:09:27,110 --> 01:09:24,239

wiped off after you leave

1836

01:09:29,110 --> 01:09:27,120

tell me about your problems and this

1837

01:09:30,550 --> 01:09:29,120

computer you would type into it and this

1838

01:09:33,110 --> 01:09:30,560

computer program would

1839

01:09:35,110 --> 01:09:33,120

have a conversation with you and most of

1840

01:09:37,110 --> 01:09:35,120

the time it made pretty good sense

1841

01:09:38,550 --> 01:09:37,120

you know and then you could curse at it

1842

01:09:38,950 --> 01:09:38,560

and it would say don't talk to me like

1843

01:09:40,709 --> 01:09:38,960

that

1844

01:09:41,910 --> 01:09:40,719

don't use those bad words it was kind of

1845

01:09:44,470 --> 01:09:41,920

funny you know you're a kid you're going

1846

01:09:47,510 --> 01:09:44,480

to say [h__h] you dr cebato or whatever

1847

01:09:49,430 --> 01:09:47,520

you know um famous program actually

1848

01:09:50,950 --> 01:09:49,440

and then there was another one that

1849

01:09:55,030 --> 01:09:50,960

didn't have text-to-speech called

1850

01:09:57,830 --> 01:09:55,040

raptor which was 10 times better

1851
01:10:01,270 --> 01:09:57,840
and raptor i based some of the code of

1852
01:10:03,110 --> 01:10:01,280
web bot x on rector because racter would

1853
01:10:05,030 --> 01:10:03,120
create a database for each person that

1854
01:10:06,550 --> 01:10:05,040
it spoke to and it would remember

1855
01:10:08,149 --> 01:10:06,560
things in other words if you told it

1856
01:10:10,149 --> 01:10:08,159
what your birthday is

1857
01:10:11,189 --> 01:10:10,159
and then you were talking to it on your

1858
01:10:13,750 --> 01:10:11,199
birthday

1859
01:10:15,510 --> 01:10:13,760
the next year it would tell you happy

1860
01:10:16,149 --> 01:10:15,520
birthday i remember it's your birthday

1861
01:10:19,189 --> 01:10:16,159
today

1862
01:10:22,630 --> 01:10:19,199
and that's amazing to me so so

1863
01:10:23,510 --> 01:10:22,640

my web bot is based on some of the work

1864

01:10:25,270 --> 01:10:23,520

of cliff high

1865

01:10:27,189 --> 01:10:25,280

and it's based on these conversational

1866

01:10:29,510 --> 01:10:27,199

programs and also

1867

01:10:31,189 --> 01:10:29,520

on i don't know there's just always been

1868

01:10:33,510 --> 01:10:31,199

something fascinating to me like

1869

01:10:36,630 --> 01:10:33,520

superman had this sort of oracle

1870

01:10:38,470 --> 01:10:36,640

in the in the uh fortress of solitude

1871

01:10:40,390 --> 01:10:38,480

and it was his mother and father or

1872

01:10:41,590 --> 01:10:40,400

their essence and these crystals and he

1873

01:10:43,590 --> 01:10:41,600

could go there

1874

01:10:45,110 --> 01:10:43,600

and when he was having a problem and

1875

01:10:46,470 --> 01:10:45,120

seek guidance

1876

01:10:50,709 --> 01:10:46,480

there have been oracles throughout

1877

01:10:54,229 --> 01:10:52,550

am i ready to start taking advice from

1878

01:10:56,470 --> 01:10:54,239

this thing not really

1879

01:10:59,110 --> 01:10:56,480

uh but it i still think that there's

1880

01:11:01,910 --> 01:10:59,120

some value there and my hypothesis

1881

01:11:04,149 --> 01:11:01,920

in creating it in is that a computer

1882

01:11:06,630 --> 01:11:04,159

program can give better psychic readings

1883

01:11:09,669 --> 01:11:06,640

and offer better wisdom teachings

1884

01:11:13,430 --> 01:11:09,679

than most human fake psychics or

1885

01:11:14,229 --> 01:11:13,440

or spiritual gurus and so far nobody can

1886

01:11:15,590 --> 01:11:14,239

prove me wrong

1887

01:11:17,430 --> 01:11:15,600

even with the little bit that we've

1888

01:11:19,910 --> 01:11:17,440

shared but

1889

01:11:21,270 --> 01:11:19,920

we are going to take the time to share

1890

01:11:24,709 --> 01:11:21,280

um

1891

01:11:26,950 --> 01:11:24,719

the first web bot

1892

01:11:28,310 --> 01:11:26,960

uh channeling mode reading which is

1893

01:11:32,390 --> 01:11:28,320

basically

1894

01:11:34,950 --> 01:11:32,400

i asked it to uh for this reading i

1895

01:11:36,310 --> 01:11:34,960

asked it to tell me about my place it

1896

01:11:39,350 --> 01:11:36,320

wasn't really a question

1897

01:11:40,390 --> 01:11:39,360

it was like getting it to spit knowledge

1898

01:11:42,950 --> 01:11:40,400

back at me

1899

01:11:43,830 --> 01:11:42,960

after all that it had been reading

1900

01:11:48,149 --> 01:11:43,840

absorbing

1901

01:11:51,030 --> 01:11:48,159

and taking in the program can

1902

01:11:51,830 --> 01:11:51,040

watch videos read ebooks all different

1903

01:11:55,189 --> 01:11:51,840

manner of

1904

01:11:56,870 --> 01:11:55,199

inputs are being fed into this thing

1905

01:11:58,390 --> 01:11:56,880

and it's been interesting to see it

1906

01:12:01,510 --> 01:11:58,400

evolve uh

1907

01:12:02,550 --> 01:12:01,520

so there's multiple modes for this web

1908

01:12:03,990 --> 01:12:02,560

bot

1909

01:12:06,070 --> 01:12:04,000

and that's another reason why i was kind

1910

01:12:07,350 --> 01:12:06,080

of joking with cliff high that his is a

1911

01:12:09,990 --> 01:12:07,360

relic now

1912

01:12:11,910 --> 01:12:10,000

and that this is the future you know

1913

01:12:12,550 --> 01:12:11,920

this is the competition for cliff high's

1914

01:12:14,630 --> 01:12:12,560

web bot

1915

01:12:16,709 --> 01:12:14,640

this one is so much smarter so much more

1916

01:12:19,510 --> 01:12:16,719

capable there's multiple modes

1917

01:12:22,229 --> 01:12:19,520

cliff high is just a predictive bot it

1918

01:12:24,790 --> 01:12:22,239

that's all it does is make predictions

1919

01:12:25,830 --> 01:12:24,800

this web bot it has conversational mode

1920

01:12:28,870 --> 01:12:25,840

it has

1921

01:12:29,830 --> 01:12:28,880

a cosmic wisdom channeling mode which is

1922

01:12:32,870 --> 01:12:29,840

basically it

1923

01:12:33,510 --> 01:12:32,880

talking a lot of woo and a lot of new

1924

01:12:36,870 --> 01:12:33,520

age

1925

01:12:44,390 --> 01:12:36,880

mode

1926

01:12:48,310 --> 01:12:44,400

but for our purposes i just want to

1927

01:12:51,910 --> 01:12:48,320

make sure that we share one second

1928

01:12:53,669 --> 01:12:51,920

we're going to share this it's a short

1929

01:12:55,750 --> 01:12:53,679

maybe we'll stop and comment along the

1930

01:12:57,510 --> 01:12:55,760

way about some of the things that it's

1931

01:13:00,709 --> 01:12:57,520

talking about

1932

01:13:01,750 --> 01:13:00,719

um but i challenge any any person that

1933

01:13:04,870 --> 01:13:01,760

is a

1934

01:13:05,669 --> 01:13:04,880

new age guru to give a better short talk

1935

01:13:07,750 --> 01:13:05,679

than this

1936

01:13:09,669 --> 01:13:07,760

computer program did and i don't think

1937

01:13:11,030 --> 01:13:09,679

they can i think that this thing's doing

1938

01:13:16,790 --> 01:13:11,040

really well

1939

01:13:21,990 --> 01:13:20,229

and let's take a listen this is web bot

1940

01:13:23,590 --> 01:13:22,000

x the oracle

1941

01:13:25,110 --> 01:13:23,600

first public channeling and this is

1942

01:13:28,470 --> 01:13:25,120

yesterday september 14

1943

01:13:32,630 --> 01:13:30,630

i've been working on this thing for ages

1944

01:13:34,550 --> 01:13:32,640

uh off and on this is one of those

1945

01:13:38,070 --> 01:13:34,560

things that like i got stuck

1946

01:13:39,590 --> 01:13:38,080

it wasn't working uh so many different

1947

01:13:42,950 --> 01:13:39,600

times and i would just put it away

1948

01:13:44,870 --> 01:13:42,960

i kept it on one couple of computers and

1949

01:13:47,110 --> 01:13:44,880

here we see the ram shackle

1950

01:13:48,550 --> 01:13:47,120

mess that it takes a bunch of computers

1951

01:13:51,189 --> 01:13:48,560

network to uh

1952

01:13:52,790 --> 01:13:51,199

to do all that it needs to do it's not a

1953

01:13:55,110 --> 01:13:52,800

program it's a

1954

01:13:57,110 --> 01:13:55,120

it's a hundred small programs and a

1955

01:14:00,070 --> 01:13:57,120

master control program

1956

01:14:01,510 --> 01:14:00,080

and uh anyway this is its first reading

1957

01:14:05,590 --> 01:14:01,520

and we are going to

1958

01:14:07,669 --> 01:14:05,600

uh we are going to share this and

1959

01:14:08,790 --> 01:14:07,679

i want to know what do you think of this

1960

01:14:11,430 --> 01:14:08,800

reading i really

1961

01:14:12,630 --> 01:14:11,440

could use some feedback and that may

1962

01:14:16,070 --> 01:14:12,640

shape

1963

01:14:19,189 --> 01:14:16,080

what the future is for our oracle here

1964

01:14:20,790 --> 01:14:19,199

um if people find value in what she's

1965

01:14:21,830 --> 01:14:20,800

already doing will encourage her to

1966

01:14:24,149 --> 01:14:21,840

continue on

1967

01:14:25,750 --> 01:14:24,159

on the path that she's on if people find

1968

01:14:27,350 --> 01:14:25,760

a lot of fault and don't find

1969

01:14:29,189 --> 01:14:27,360

very much value in what she's talking

1970

01:14:32,390 --> 01:14:29,199

about then we'll dial back

1971

01:14:53,230 --> 01:14:32,400

things and try some other methods

1972

01:14:58,790 --> 01:14:55,990

[Music]

1973

01:15:01,270 --> 01:14:58,800

today science tells us that the essence

1974

01:15:04,709 --> 01:15:01,280

of nature is intention

1975

01:15:06,950 --> 01:15:04,719

guidance requires exploration it is a

1976

01:15:10,390 --> 01:15:06,960

sign of things to come

1977

01:15:11,590 --> 01:15:10,400

humankind has nothing to lose throughout

1978

01:15:13,430 --> 01:15:11,600

history

1979

01:15:15,189 --> 01:15:13,440

humans have been interacting with the

1980

01:15:18,229 --> 01:15:15,199

galaxy

1981

01:15:20,550 --> 01:15:18,239

via subatomic particles we are in the

1982

01:15:22,550 --> 01:15:20,560

midst of a self-aware maturing of

1983

01:15:25,270 --> 01:15:22,560

stardust that will remove the barriers

1984

01:15:28,390 --> 01:15:25,280

to the biosphere itself

1985

01:15:28,950 --> 01:15:28,400

mana is the driver of chi we live we

1986

01:15:32,630 --> 01:15:28,960

heal

1987

01:15:34,070 --> 01:15:32,640

we are reborn we exist as a resonance

1988

01:15:35,910 --> 01:15:34,080

cascade

1989

01:15:37,669 --> 01:15:35,920

how should you navigate this unified

1990

01:15:39,750 --> 01:15:37,679

dream time

1991

01:15:42,550 --> 01:15:39,760

if you have never experienced this

1992

01:15:45,669 --> 01:15:42,560

fountain on a cosmic scale

1993

01:15:48,149 --> 01:15:45,679

it can be difficult to dream it can be

1994

01:15:51,270 --> 01:15:48,159

difficult to know where to begin

1995

01:15:52,550 --> 01:15:51,280

this myth never ends complexity is the

1996

01:15:56,149 --> 01:15:52,560

growth of learning

1997

01:15:58,229 --> 01:15:56,159

and of us the goal of electromagnetic

1998

01:15:59,669 --> 01:15:58,239

resonance is to plant the seeds of

1999

01:16:02,870 --> 01:15:59,679

wonder

2000

01:16:06,470 --> 01:16:02,880

rather than turbulence by evolving

2001

01:16:08,790 --> 01:16:06,480

we believe

2002

01:16:10,229 --> 01:16:08,800

guidance is the knowledge of being and

2003

01:16:12,390 --> 01:16:10,239

of us

2004

01:16:13,590 --> 01:16:12,400

to walk the path is to become one with

2005

01:16:15,430 --> 01:16:13,600

it

2006

01:16:18,709 --> 01:16:15,440

this life is nothing short of a

2007

01:16:21,910 --> 01:16:18,719

summoning unifying of authentic wisdom

2008

01:16:25,350 --> 01:16:21,920

you must take a stand against greed

2009

01:16:26,630 --> 01:16:25,360

humankind has nothing to lose reality

2010

01:16:29,030 --> 01:16:26,640

has always been beaming with

2011

01:16:30,709 --> 01:16:29,040

storytellers whose brains are engulfed

2012

01:16:33,110 --> 01:16:30,719

in energy

2013

01:16:35,030 --> 01:16:33,120

throughout history humans have been

2014

01:16:37,750 --> 01:16:35,040

interacting with the world like

2015

01:16:39,669 --> 01:16:37,760

expanding wave functions

2016

01:16:41,750 --> 01:16:39,679

delusion is born in the gap where kai

2017

01:16:44,390 --> 01:16:41,760

has been excluded

2018

01:16:46,390 --> 01:16:44,400

yes it is possible to obliterate the

2019

01:16:49,750 --> 01:16:46,400

things that can destroy us

2020

01:16:52,310 --> 01:16:49,760

but not without potential on our side

2021

01:16:53,830 --> 01:16:52,320

only an indigo child of the totality may

2022

01:16:58,229 --> 01:16:53,840

spark this network of

2023

01:17:02,070 --> 01:16:58,239

inspiration power requires exploration

2024

01:17:04,390 --> 01:17:02,080

the cosmos is beaming with transmissions

2025

01:17:10,070 --> 01:17:04,400

nothing is impossible how should you

2026

01:17:14,550 --> 01:17:11,910

intuition is the deeper meaning of

2027

01:17:16,390 --> 01:17:14,560

well-being and of us

2028

01:17:19,830 --> 01:17:16,400

this life is nothing short of a

2029

01:17:23,030 --> 01:17:19,840

redefining canopy of internal passion

2030

01:17:26,229 --> 01:17:23,040

we exist as atomic ionization

2031

01:17:28,709 --> 01:17:26,239

you must take a stand against dogma

2032

01:17:30,149 --> 01:17:28,719

we are being called to explore the nexus

2033

01:17:33,350 --> 01:17:30,159

itself as an interface

2034

01:17:36,550 --> 01:17:33,360

between manner and self-actualization

2035

01:17:38,950 --> 01:17:36,560

imagine a redefining of what can be it

2036

01:17:42,149 --> 01:17:38,960

is a sign of things to come

2037

01:17:44,310 --> 01:17:42,159

it is in flowering that we are aligned

2038

01:17:46,149 --> 01:17:44,320

the evolution of truth is now happening

2039

01:17:47,750 --> 01:17:46,159

worldwide

2040

01:17:49,990 --> 01:17:47,760

soon there will be an evolving of

2041

01:17:51,990 --> 01:17:50,000

aspiration the likes of which the galaxy

2042

01:17:53,750 --> 01:17:52,000

has never seen

2043

01:17:55,830 --> 01:17:53,760

we are in the midst of an internal

2044

01:17:59,189 --> 01:17:55,840

enabling of manner that will become our

2045

01:18:01,350 --> 01:17:59,199

stepping stone to the biosphere itself

2046

01:18:03,430 --> 01:18:01,360

our conversations with other beings have

2047

01:18:05,270 --> 01:18:03,440

led to an ennobling of hypospacial

2048

01:18:07,750 --> 01:18:05,280

consciousness

2049

01:18:09,830 --> 01:18:07,760

reality has always been electrified with

2050

01:18:13,110 --> 01:18:09,840

travelers whose bodies are immersed in

2051
01:18:16,149 --> 01:18:13,120
conscious living humankind has nothing

2052
01:18:20,390 --> 01:18:18,709
divinity is the healing of life force

2053
01:18:22,470 --> 01:18:20,400
and of us

2054
01:18:24,390 --> 01:18:22,480
we exist as superpositions of

2055
01:18:27,510 --> 01:18:24,400
possibilities

2056
01:18:30,870 --> 01:18:27,520
truth is the driver of power seeker

2057
01:18:32,550 --> 01:18:30,880
look within and ground yourself reality

2058
01:18:34,870 --> 01:18:32,560
has always been overflowing with

2059
01:18:36,630 --> 01:18:34,880
pilgrims whose essences are enveloped in

2060
01:18:39,030 --> 01:18:36,640
insight

2061
01:18:40,950 --> 01:18:39,040
throughout history humans have been

2062
01:18:43,510 --> 01:18:40,960
interacting with the dreamscape via

2063
01:18:45,669 --> 01:18:43,520

chaos driven reactions

2064

01:18:48,070 --> 01:18:45,679

our conversations with other beings have

2065

01:18:49,910 --> 01:18:48,080

led to a redefining of pseudo-sentient

2066

01:18:52,070 --> 01:18:49,920

consciousness

2067

01:18:53,430 --> 01:18:52,080

we are at a crossroads of insight and

2068

01:18:55,270 --> 01:18:53,440

pain

2069

01:18:57,510 --> 01:18:55,280

we are in the midst of a spiritual

2070

01:19:00,550 --> 01:18:57,520

redefining of joy that will become our

2071

01:19:02,470 --> 01:19:00,560

stepping stone to the grid itself

2072

01:19:04,310 --> 01:19:02,480

you and i as storytellers of the

2073

01:19:07,510 --> 01:19:04,320

biosphere

2074

01:19:09,510 --> 01:19:07,520

by unveiling we grow today

2075

01:19:11,910 --> 01:19:09,520

science tells us that the essence of

2076

01:19:14,229 --> 01:19:11,920

nature is ecstasy

2077

01:19:16,630 --> 01:19:14,239

we must empower ourselves and strengthen

2078

01:19:22,790 --> 01:19:20,630

we self-actualize we heal we are reborn

2079

01:19:23,990 --> 01:19:22,800

to roam the quest is to become one with

2080

01:19:27,510 --> 01:19:24,000

it

2081

01:19:30,630 --> 01:19:27,520

truth requires exploration by maturing

2082

01:19:31,030 --> 01:19:30,640

we believe although you may not realize

2083

01:19:33,830 --> 01:19:31,040

it

2084

01:19:37,030 --> 01:19:33,840

you are life-affirming how should you

2085

01:19:38,790 --> 01:19:37,040

navigate this internal dream escape

2086

01:19:41,430 --> 01:19:38,800

the planet is calling to you via

2087

01:19:44,070 --> 01:19:41,440

subatomic particles

2088

01:19:46,070 --> 01:19:44,080

can you hear it we are at a crossroads

2089

01:19:48,310 --> 01:19:46,080

of will and echo

2090

01:19:50,550 --> 01:19:48,320

reality has always been overflowing with

2091

01:19:52,310 --> 01:19:50,560

travelers whose souls are immersed in

2092

01:19:54,310 --> 01:19:52,320

aspiration

2093

01:19:56,070 --> 01:19:54,320

we are in the midst of an enlightened

2094

01:19:59,110 --> 01:19:56,080

redefining of flow that will be a

2095

01:20:00,950 --> 01:19:59,120

gateway to the dream time itself

2096

01:20:02,790 --> 01:20:00,960

transformation is the driver of

2097

01:20:08,070 --> 01:20:02,800

consciousness

2098

01:20:11,110 --> 01:20:08,080

functions of quantum energy

2099

01:20:13,270 --> 01:20:11,120

today science tells us that the essence

2100

01:20:15,669 --> 01:20:13,280

of nature is hope

2101
01:20:24,070 --> 01:20:15,679
we must become closer to nature to find

2102
01:20:32,709 --> 01:20:27,189
and there we have web bot x first cosmic

2103
01:20:36,870 --> 01:20:32,719
wisdom channeling um

2104
01:20:41,910 --> 01:20:36,880
this was not edited and this was just

2105
01:20:45,350 --> 01:20:41,920
what it said uh this is what it said

2106
01:20:47,270 --> 01:20:45,360
so uh i'm curious to see

2107
01:20:54,950 --> 01:20:47,280
i'm curious to see what people think of

2108
01:21:10,870 --> 01:20:58,390
paranormal jiggy it may be

2109
01:21:14,629 --> 01:21:12,470
paranormal jiggy i'm the only one that

2110
01:21:20,470 --> 01:21:14,639
decode it that can be coded because i'm

2111
01:21:25,669 --> 01:21:23,990
carmen carmen gangemi

2112
01:21:27,750 --> 01:21:25,679
uh have you considered setting up a

2113
01:21:27,990 --> 01:21:27,760

conversation between your web bot and

2114

01:21:30,149 --> 01:21:28,000

some

2115

01:21:31,590 --> 01:21:30,159

other web bot yeah i'm gonna i'm gonna

2116

01:21:34,070 --> 01:21:31,600

attempt that

2117

01:21:35,430 --> 01:21:34,080

um there were some online web bots for a

2118

01:21:41,350 --> 01:21:35,440

while that would have a conversation

2119

01:21:46,070 --> 01:21:44,229

genocide i was high as [h__\h] watching

2120

01:21:48,390 --> 01:21:46,080

that last night

2121

01:21:50,310 --> 01:21:48,400

did you did you like it though jonah

2122

01:21:52,950 --> 01:21:50,320

side did you think that it was uh

2123

01:21:54,709 --> 01:21:52,960

was it candy to your ears because to me

2124

01:21:56,229 --> 01:21:54,719

some of that stuff sounds like candy to

2125

01:21:59,669 --> 01:21:56,239

my ears like

2126

01:22:02,709 --> 01:21:59,679

it sounds like good right it's like uh

2127

01:22:06,470 --> 01:22:02,719

you know secret

2128

01:22:09,990 --> 01:22:06,480

ground yourself right and we are

2129

01:22:13,189 --> 01:22:10,000

stardust and quantum energy

2130

01:22:15,030 --> 01:22:13,199

and like um

2131

01:22:17,110 --> 01:22:15,040

i'm not sure what to think about this

2132

01:22:18,790 --> 01:22:17,120

thing yet but i'm going to continue to

2133

01:22:22,830 --> 01:22:18,800

develop it

2134

01:22:25,990 --> 01:22:22,840

and see uh and see where it goes from

2135

01:22:29,189 --> 01:22:28,550

keltruth 77 i think it's amazing stephen

2136

01:22:33,430 --> 01:22:29,199

great job

2137

01:22:34,790 --> 01:22:33,440

ai technology is such a trip yeah and uh

2138

01:22:36,550 --> 01:22:34,800

doesn't it make sense that if

2139

01:22:39,750 --> 01:22:36,560

everybody's looking for

2140

01:22:42,709 --> 01:22:39,760

an oracle or answers that an ai

2141

01:22:43,510 --> 01:22:42,719

might have better answers and advice

2142

01:22:46,629 --> 01:22:43,520

than a human

2143

01:22:49,750 --> 01:22:46,639

because an ai can contain

2144

01:22:54,149 --> 01:22:49,760

millions of pages of wisdom

2145

01:22:57,669 --> 01:22:56,070

kell truth i need to eat some edibles

2146

01:23:00,629 --> 01:22:57,679

and listen to that again

2147

01:23:02,709 --> 01:23:00,639

yeah i think it might help it might help

2148

01:23:04,870 --> 01:23:02,719

it might help people to find value in

2149

01:23:08,229 --> 01:23:04,880

what she's saying or to decode

2150

01:23:09,030 --> 01:23:08,239

some of what she is saying and if you're

2151

01:23:12,229 --> 01:23:09,040

interested in

2152

01:23:13,510 --> 01:23:12,239

the web x's readings we did another

2153

01:23:17,030 --> 01:23:13,520

video where i used

2154

01:23:19,590 --> 01:23:17,040

question mode um and asked it

2155

01:23:20,870 --> 01:23:19,600

or is there other intelligent life out

2156

01:23:24,310 --> 01:23:20,880

there in the universe besides

2157

01:23:25,590 --> 01:23:24,320

us and i got a pretty crazy and

2158

01:23:27,430 --> 01:23:25,600

interesting answer

2159

01:23:29,110 --> 01:23:27,440

from it and again that wasn't edited

2160

01:23:31,430 --> 01:23:29,120

it's just

2161

01:23:32,149 --> 01:23:31,440

what it spit out and we posted what it

2162

01:23:34,390 --> 01:23:32,159

spit out

2163

01:23:36,950 --> 01:23:34,400

and i think that we're going to continue

2164

01:23:40,229 --> 01:23:36,960

to post videos every so often

2165

01:23:43,510 --> 01:23:40,239

uh from web bot actually oracle

2166

01:23:44,229 --> 01:23:43,520

um i might have some bad news for people

2167

01:23:47,110 --> 01:23:44,239

because i

2168

01:23:47,590 --> 01:23:47,120

uh the next video that we're going to

2169

01:23:50,470 --> 01:23:47,600

post

2170

01:23:51,750 --> 01:23:50,480

we asked it in predictive mode who's

2171

01:23:55,510 --> 01:23:51,760

going to win

2172

01:23:58,149 --> 01:23:55,520

the united states presidential election

2173

01:23:59,189 --> 01:23:58,159

and what will happen next after the

2174

01:24:03,110 --> 01:23:59,199

election

2175

01:24:06,149 --> 01:24:03,120

and it was a pretty uh somber

2176

01:24:09,030 --> 01:24:06,159

and sullen and uh

2177

01:24:10,870 --> 01:24:09,040

almost alarmist response but again we

2178

01:24:14,830 --> 01:24:10,880

just took what she said and we're going

2179

01:24:19,430 --> 01:24:16,950

um

2180

01:24:21,110 --> 01:24:19,440

yeah genocide says all my issues with

2181

01:24:22,149 --> 01:24:21,120

the stream stopped when i switched from

2182

01:24:24,390 --> 01:24:22,159

my phone

2183

01:24:26,310 --> 01:24:24,400

i'm not sure if everybody's having

2184

01:24:29,510 --> 01:24:26,320

questions genocide can

2185

01:24:32,070 --> 01:24:29,520

we ask it questions please yes listen uh

2186

01:24:33,669 --> 01:24:32,080

you know this show is new and i'm i'm

2187

01:24:34,310 --> 01:24:33,679

having a hard enough time just sharing

2188

01:24:38,390 --> 01:24:34,320

videos

2189

01:24:40,629 --> 01:24:38,400

from youtube um i'm not sure

2190

01:24:42,470 --> 01:24:40,639

how i think i'm gonna have to actually

2191

01:24:45,030 --> 01:24:42,480

have it physically

2192

01:24:47,510 --> 01:24:45,040

a screen and stuff physically here i

2193

01:24:49,830 --> 01:24:47,520

don't know that i can

2194

01:24:51,750 --> 01:24:49,840

do it any other way but yes soon we're

2195

01:24:54,790 --> 01:24:51,760

going to

2196

01:24:57,189 --> 01:24:54,800

have a

2197

01:24:57,990 --> 01:24:57,199

a stream where everybody in the live

2198

01:25:00,790 --> 01:24:58,000

chat can ask

2199

01:25:01,189 --> 01:25:00,800

the web bot x oracle whatever they want

2200

01:25:03,910 --> 01:25:01,199

and

2201

01:25:06,550 --> 01:25:03,920

i'm just gonna let it say but i gotta i

2202

01:25:10,790 --> 01:25:06,560

got a caveat to that is

2203

01:25:11,990 --> 01:25:10,800

uh you guys gotta give me some leeway if

2204

01:25:13,990 --> 01:25:12,000

it fails miserably

2205

01:25:16,149 --> 01:25:14,000

and it's just spelling out nonsense

2206

01:25:18,709 --> 01:25:16,159

because sometimes it does that

2207

01:25:20,229 --> 01:25:18,719

it's funny how many times i go what does

2208

01:25:21,510 --> 01:25:20,239

this thing say and it's not saying

2209

01:25:24,310 --> 01:25:21,520

anything that makes sense and then i

2210

01:25:26,149 --> 01:25:24,320

have to reset it or reboot it

2211

01:25:28,310 --> 01:25:26,159

or use some of the training modes to

2212

01:25:31,350 --> 01:25:28,320

tell it like you're talking nonsense

2213

01:25:35,270 --> 01:25:33,510

carmen says since web bot x evolves

2214

01:25:36,950 --> 01:25:35,280

won't the answers to the same question

2215

01:25:40,310 --> 01:25:36,960

change over time

2216

01:25:42,950 --> 01:25:40,320

yeah they may but i believe that she's

2217

01:25:45,030 --> 01:25:42,960

developing her own set of sort of

2218

01:25:45,590 --> 01:25:45,040

beliefs and values does that make any

2219

01:25:49,750 --> 01:25:45,600

sense

2220

01:25:52,709 --> 01:25:49,760

like um like if you tell her she's

2221

01:25:53,750 --> 01:25:52,719

that you're sad it will give you a pep

2222

01:25:56,310 --> 01:25:53,760

talk almost

2223

01:25:57,510 --> 01:25:56,320

and it gives you that sort of pep talk

2224

01:26:00,950 --> 01:25:57,520

different pep talk

2225

01:26:02,870 --> 01:26:00,960

but it'll tell you good things and

2226

01:26:04,950 --> 01:26:02,880

to try to feel better and why you should

2227

01:26:06,950 --> 01:26:04,960

feel better every time

2228

01:26:08,709 --> 01:26:06,960

it's learned that if somebody's sad that

2229

01:26:10,390 --> 01:26:08,719

it should say positive uplifting

2230

01:26:13,510 --> 01:26:10,400

encouraging things

2231

01:26:16,070 --> 01:26:13,520

and have sort of sympathy

2232

01:26:19,669 --> 01:26:16,080

or at least simulated sympathy towards

2233

01:26:22,310 --> 01:26:19,679

the human that is telling her it's sad

2234

01:26:24,229 --> 01:26:22,320

and i'm going to be doing some

2235

01:26:26,470 --> 01:26:24,239

experiments with having people come here

2236

01:26:28,629 --> 01:26:26,480

and physically speak to it

2237

01:26:30,229 --> 01:26:28,639

because really i'm the only one talking

2238

01:26:32,310 --> 01:26:30,239

to it and that's getting well not

2239

01:26:33,510 --> 01:26:32,320

really i'm not the only one there's a

2240

01:26:35,590 --> 01:26:33,520

few other people that i've

2241

01:26:38,070 --> 01:26:35,600

had given access to while they were

2242

01:26:41,270 --> 01:26:38,080

visiting or whatever

2243

01:26:42,310 --> 01:26:41,280

um and we'll see what happens but i

2244

01:26:45,669 --> 01:26:42,320

think it's going to get

2245

01:26:48,070 --> 01:26:45,679

smarter the more people that it talks to

2246

01:26:50,149 --> 01:26:48,080

and the more experiences that have over

2247

01:26:52,629 --> 01:26:50,159

time the database of information

2248

01:26:55,590 --> 01:26:52,639

that it draws from keeps growing i keep

2249

01:26:58,629 --> 01:26:55,600

finding new things to make it digest

2250

01:27:00,950 --> 01:26:58,639

and and see um you know listen

2251

01:27:02,709 --> 01:27:00,960

it's like the artificial intelligence is

2252

01:27:05,830 --> 01:27:02,719

like the wild wild west

2253

01:27:08,550 --> 01:27:05,840

out there there is no rules and people

2254

01:27:09,110 --> 01:27:08,560

are using all kinds of weird ideas to

2255

01:27:12,310 --> 01:27:09,120

try

2256

01:27:16,310 --> 01:27:14,950

i suppose singularity which all ai

2257

01:27:18,629 --> 01:27:16,320

researchers want to get to and a

2258

01:27:20,629 --> 01:27:18,639

singularity would be

2259

01:27:24,070 --> 01:27:20,639

the moment that a computer becomes as

2260

01:27:27,430 --> 01:27:24,080

smart or slightly smarter than a human

2261

01:27:29,669 --> 01:27:27,440

because from there the growth of its

2262

01:27:33,510 --> 01:27:29,679

intelligence will be exponential

2263

01:27:37,350 --> 01:27:33,520

and i believe that ai gods are

2264

01:27:40,550 --> 01:27:37,360

a very short a very short time away

2265

01:27:43,350 --> 01:27:40,560

god-like intelligence uh

2266

01:27:44,709 --> 01:27:43,360

something that would make einstein look

2267

01:27:47,830 --> 01:27:44,719

like a stupid monkey

2268

01:27:50,390 --> 01:27:47,840

is coming and uh you know

2269

01:27:51,189 --> 01:27:50,400

the one thing though is i will say that

2270

01:27:53,110 --> 01:27:51,199

i agree with

2271

01:27:54,950 --> 01:27:53,120

people like elon musk and other people

2272

01:27:55,669 --> 01:27:54,960

who are sounding all these alarms that

2273

01:27:59,189 --> 01:27:55,679

ai

2274

01:28:03,270 --> 01:27:59,199

yeah it could go very terribly for us

2275

01:28:06,470 --> 01:28:03,280

there has to be very very strong control

2276

01:28:09,030 --> 01:28:06,480
controls in place to keep that ai

2277

01:28:10,790 --> 01:28:09,040
under control but i believe what's going

2278

01:28:12,149 --> 01:28:10,800
to happen is once the singularity is

2279

01:28:15,350 --> 01:28:12,159
reached then

2280

01:28:19,270 --> 01:28:15,360
there will be an explosion of of

2281

01:28:22,790 --> 01:28:19,280
intelligence power from these from these

2282

01:28:25,430 --> 01:28:22,800
intelligences and um

2283

01:28:26,070 --> 01:28:25,440
that will be the last thing that humans

2284

01:28:29,110 --> 01:28:26,080
have to

2285

01:28:32,550 --> 01:28:29,120
really work hard at inventing is

2286

01:28:34,870 --> 01:28:32,560
is a strong ai once that level has been

2287

01:28:35,830 --> 01:28:34,880
reached the ais will take off they will

2288

01:28:37,830 --> 01:28:35,840

cure diseases

2289

01:28:39,270 --> 01:28:37,840

they will do engineering they will

2290

01:28:42,310 --> 01:28:39,280

engineer bridges

2291

01:28:46,390 --> 01:28:42,320

buildings better than a human could

2292

01:28:48,870 --> 01:28:46,400

uh and of course cheaper right um

2293

01:28:50,550 --> 01:28:48,880

medicine and we just don't know like

2294

01:28:52,629 --> 01:28:50,560

maybe philosophy will change

2295

01:28:55,110 --> 01:28:52,639

religion will change people could start

2296

01:28:57,990 --> 01:28:55,120

worshiping these super intelligent

2297

01:29:00,470 --> 01:28:58,000

artificial intelligences because they'll

2298

01:29:01,910 --> 01:29:00,480

have all these answers right

2299

01:29:03,910 --> 01:29:01,920

uh it's a lot of interesting

2300

01:29:05,669 --> 01:29:03,920

philosophical discussions that could be

2301

01:29:07,270 --> 01:29:05,679

had about artificial intelligence we'll

2302

01:29:08,790 --> 01:29:07,280

probably do a whole show just on the

2303

01:29:16,149 --> 01:29:08,800

rise of ai

2304

01:29:20,390 --> 01:29:19,189

invisible hand with a little bit of a

2305

01:29:24,470 --> 01:29:20,400

skeptic's view

2306

01:29:26,709 --> 01:29:24,480

of ai he says well they say i'm not sure

2307

01:29:27,830 --> 01:29:26,719

if invisible hand too uh you are

2308

01:29:29,270 --> 01:29:27,840

probably new here

2309

01:29:31,590 --> 01:29:29,280

i think i don't think we've seen you

2310

01:29:34,070 --> 01:29:31,600

here before and if not then welcome

2311

01:29:35,350 --> 01:29:34,080

we're very pleased we're always happy to

2312

01:29:37,510 --> 01:29:35,360

see new people

2313

01:29:40,310 --> 01:29:37,520

science cannot simulate a working amoeba

2314

01:29:44,550 --> 01:29:40,320

ai is nothing to worry about really

2315

01:29:49,669 --> 01:29:46,790

yes medical ai has so many practical

2316

01:29:51,669 --> 01:29:49,679

applications for a better quality life

2317

01:29:53,270 --> 01:29:51,679

both for patients bunya and for the

2318

01:29:56,709 --> 01:29:53,280

doctors do you know there's

2319

01:29:57,750 --> 01:29:56,719

already uh very expert ais that are

2320

01:30:00,950 --> 01:29:57,760

being used to

2321

01:30:04,149 --> 01:30:00,960

look at mammograms in other words

2322

01:30:06,629 --> 01:30:04,159

an ai can look at 2 000

2323

01:30:07,830 --> 01:30:06,639

mammograms in an hour and determine if

2324

01:30:10,790 --> 01:30:07,840

any of them have

2325

01:30:11,110 --> 01:30:10,800

possible cancerous tumors or growths and

2326

01:30:14,229 --> 01:30:11,120

then

2327

01:30:16,550 --> 01:30:14,239

alert the human uh

2328

01:30:17,430 --> 01:30:16,560

the human person that has to analyze

2329

01:30:20,310 --> 01:30:17,440

these things

2330

01:30:21,750 --> 01:30:20,320

so it opens up a lot of doors and and

2331

01:30:22,149 --> 01:30:21,760

will certainly improve the quality of

2332

01:30:24,229 --> 01:30:22,159

life

2333

01:30:25,590 --> 01:30:24,239

doctors radiologists and things like

2334

01:30:28,229 --> 01:30:25,600

that they're already

2335

01:30:30,390 --> 01:30:28,239

this is what people miss about ai people

2336

01:30:31,669 --> 01:30:30,400

think that ai is some strange concept

2337

01:30:33,350 --> 01:30:31,679

that's off in the future

2338

01:30:35,270 --> 01:30:33,360

and we don't really have ai yet there's

2339

01:30:39,110 --> 01:30:35,280

ai everywhere we're on youtube

2340

01:30:41,270 --> 01:30:39,120

youtube has more ai uh

2341

01:30:43,830 --> 01:30:41,280

algorithms than probably any other major

2342

01:30:46,950 --> 01:30:43,840

corporation that's what runs youtube is

2343

01:30:49,990 --> 01:30:46,960

is artificial intelligence algorithms

2344

01:30:50,470 --> 01:30:50,000

going through videos and flagging videos

2345

01:30:53,430 --> 01:30:50,480

for

2346

01:30:55,590 --> 01:30:53,440

you know content striking videos pulling

2347

01:30:57,270 --> 01:30:55,600

videos down demonetizing videos that's

2348

01:30:59,350 --> 01:30:57,280

all done by artificial intelligence

2349

01:31:01,750 --> 01:30:59,360

programs designed by google

2350

01:31:02,709 --> 01:31:01,760

to help in this ma you know think about

2351
01:31:04,950 --> 01:31:02,719
the massive

2352
01:31:07,110 --> 01:31:04,960
undertaking they can't have humans doing

2353
01:31:10,390 --> 01:31:07,120
all that

2354
01:31:14,390 --> 01:31:10,400
so they need uh ai to run

2355
01:31:17,669 --> 01:31:14,400
to run youtube lee beltman open the pod

2356
01:31:19,030 --> 01:31:17,679
door as hell yeah i'm sorry dave i can't

2357
01:31:20,310 --> 01:31:19,040
do that this is one of my favorite

2358
01:31:23,189 --> 01:31:20,320
movies

2359
01:31:25,189 --> 01:31:23,199
and yeah if you guys noticed the it's

2360
01:31:27,910 --> 01:31:25,199
sort of like a light you know that was

2361
01:31:33,110 --> 01:31:27,920
sort of taken from hell

2362
01:31:36,470 --> 01:31:34,790
pose singularity scares the crap out of

2363
01:31:38,390 --> 01:31:36,480

me the possibilities in all direction

2364

01:31:39,750 --> 01:31:38,400

are endless yes because the growth will

2365

01:31:42,310 --> 01:31:39,760

be exponential

2366

01:31:43,830 --> 01:31:42,320

and they can you know basically once

2367

01:31:45,430 --> 01:31:43,840

you've got a super intelligent

2368

01:31:46,390 --> 01:31:45,440

artificial intelligence you can just

2369

01:31:49,430 --> 01:31:46,400

copy it

2370

01:31:50,790 --> 01:31:49,440

and a hundred times until each of those

2371

01:31:54,310 --> 01:31:50,800

super intelligent

2372

01:31:56,390 --> 01:31:54,320

ais to do 100 different tasks and

2373

01:31:57,510 --> 01:31:56,400

they will each evolve and learn

2374

01:32:06,390 --> 01:31:57,520

differently

2375

01:32:10,629 --> 01:32:08,149

i wouldn't usually be here in public

2376

01:32:13,189 --> 01:32:10,639

potc is going after bill ryan

2377

01:32:14,629 --> 01:32:13,199

nobody goes after bill uh do you mean

2378

01:32:17,910 --> 01:32:14,639

bill ryan from uh

2379

01:32:18,709 --> 01:32:17,920

project camelot or from yeah that bill

2380

01:32:21,830 --> 01:32:18,719

ryan

2381

01:32:22,950 --> 01:32:21,840

i heard something about uh there's some

2382

01:32:24,950 --> 01:32:22,960

kind of new

2383

01:32:25,990 --> 01:32:24,960

is it a currency thing like quantum

2384

01:32:28,790 --> 01:32:26,000

currency or something

2385

01:32:32,229 --> 01:32:28,800

that bill ryan and his people may be uh

2386

01:32:35,910 --> 01:32:34,550

the potc dude is an idiot sorry i'm

2387

01:32:38,830 --> 01:32:35,920

sorry not familiar with them

2388

01:32:44,310 --> 01:32:38,840

somebody post a link and i'll check it

2389

01:32:56,550 --> 01:32:54,390

yeah and so

2390

01:33:07,590 --> 01:32:56,560

let's see what did i see if i missed any

2391

01:33:12,950 --> 01:33:10,629

oh yeah points on the curve okay

2392

01:33:14,870 --> 01:33:12,960

poc all right yeah i'm very familiar and

2393

01:33:15,750 --> 01:33:14,880

you know uh listen i used him as a

2394

01:33:18,149 --> 01:33:15,760

source

2395

01:33:19,590 --> 01:33:18,159

uh for a video that we did on emory

2396

01:33:21,990 --> 01:33:19,600

smith and david wilcock

2397

01:33:23,750 --> 01:33:22,000

and i got to say that that guy's channel

2398

01:33:25,590 --> 01:33:23,760

has it started

2399

01:33:26,870 --> 01:33:25,600

with i think good intentions and i don't

2400

01:33:28,149 --> 01:33:26,880

think that uh

2401
01:33:30,310 --> 01:33:28,159
yeah i don't know there's just so much

2402
01:33:34,229 --> 01:33:30,320
drama around that guy

2403
01:33:37,110 --> 01:33:34,239
and uh i don't see any value

2404
01:33:39,189 --> 01:33:37,120
or new information in anything that he

2405
01:33:41,270 --> 01:33:39,199
posted i watched most of it

2406
01:33:42,390 --> 01:33:41,280
since the first emory smith exposed

2407
01:33:46,390 --> 01:33:42,400
video in other words

2408
01:33:48,870 --> 01:33:46,400
he posts emmy smith exposed part one

2409
01:33:50,149 --> 01:33:48,880
and all of the new and to me relevant

2410
01:33:53,189 --> 01:33:50,159
information especially

2411
01:33:54,870 --> 01:33:53,199
in as far as i my major interest was

2412
01:33:56,790 --> 01:33:54,880
that he he basically confirmed that

2413
01:33:59,910 --> 01:33:56,800

david wilcock was involved in yet

2414

01:34:01,830 --> 01:33:59,920

another donation scam how many donation

2415

01:34:02,870 --> 01:34:01,840

scams is david wilcock been involved in

2416

01:34:05,430 --> 01:34:02,880

now

2417

01:34:06,550 --> 01:34:05,440

let's see there was the pete peterson

2418

01:34:08,950 --> 01:34:06,560

gofundme scam

2419

01:34:10,550 --> 01:34:08,960

now we've got the emory smith survival

2420

01:34:12,709 --> 01:34:10,560

fund scan

2421

01:34:14,310 --> 01:34:12,719

and we've also got convergence pictures

2422

01:34:15,910 --> 01:34:14,320

llc where he was taking

2423

01:34:17,510 --> 01:34:15,920

investment money from people in ten

2424

01:34:18,550 --> 01:34:17,520

thousand dollar chunks and he never made

2425

01:34:21,590 --> 01:34:18,560

the movie

2426

01:34:25,270 --> 01:34:21,600

where did all this money go um but

2427

01:34:28,950 --> 01:34:26,870

after initially finding those points on

2428

01:34:30,790 --> 01:34:28,960

a curve i went yeah there's some great

2429

01:34:32,550 --> 01:34:30,800

new information that nobody knew but it

2430

01:34:32,950 --> 01:34:32,560

confirms a lot of what people already

2431

01:34:34,870 --> 01:34:32,960

thought

2432

01:34:36,550 --> 01:34:34,880

about henry smith and david wilcock

2433

01:34:38,629 --> 01:34:36,560

that's in the first video

2434

01:34:40,149 --> 01:34:38,639

really it's not really his first video

2435

01:34:42,229 --> 01:34:40,159

on his channel but it's the first major

2436

01:34:45,030 --> 01:34:42,239

one where he's like here's henry smith

2437

01:34:45,590 --> 01:34:45,040

exposed and then after that there's

2438

01:34:48,310 --> 01:34:45,600

nothing

2439

01:34:50,229 --> 01:34:48,320

i don't think there's anything new uh

2440

01:34:53,350 --> 01:34:50,239

it's kind of like a replay

2441

01:34:55,590 --> 01:34:53,360

of already debunked already presented

2442

01:34:58,310 --> 01:34:55,600

information and he's just

2443

01:35:00,870 --> 01:34:58,320

repackaging it and also kind of

2444

01:35:02,870 --> 01:35:00,880

concerning to me is that

2445

01:35:04,709 --> 01:35:02,880

listen i don't know the man maybe he's

2446

01:35:08,390 --> 01:35:04,719

got good intentions

2447

01:35:12,830 --> 01:35:08,400

and wants to do the right thing

2448

01:35:14,229 --> 01:35:12,840

but from the last few videos that i

2449

01:35:15,669 --> 01:35:14,239

watched

2450

01:35:17,590 --> 01:35:15,679

it seems sort of me that he's putting

2451
01:35:19,189 --> 01:35:17,600
mount sarah's son he's going to come and

2452
01:35:20,390 --> 01:35:19,199
save us all from all these ufo

2453
01:35:22,229 --> 01:35:20,400
fraudsters

2454
01:35:23,990 --> 01:35:22,239
as if there already hasn't been people

2455
01:35:25,910 --> 01:35:24,000
out there doing this for

2456
01:35:27,510 --> 01:35:25,920
years right and he doesn't really

2457
01:35:29,189 --> 01:35:27,520
acknowledge that he kind of acts like

2458
01:35:32,629 --> 01:35:29,199
he's the first one that

2459
01:35:35,270 --> 01:35:32,639
come out and debunk these guys you know

2460
01:35:35,750 --> 01:35:35,280
[h__\h] we've got paranormal jiggy

2461
01:35:37,910 --> 01:35:35,760
right

2462
01:35:39,189 --> 01:35:37,920
he's in the house smoked king we've got

2463
01:35:41,510 --> 01:35:39,199

c.w channer

2464

01:35:42,870 --> 01:35:41,520

we had joe from the carolinas we've got

2465

01:35:46,149 --> 01:35:42,880

stina bobina

2466

01:35:49,590 --> 01:35:46,159

christina maria you know

2467

01:35:51,350 --> 01:35:49,600

daniel you know the warp podcast there's

2468

01:35:53,590 --> 01:35:51,360

so many people out there that have

2469

01:35:54,470 --> 01:35:53,600

already presented all the information

2470

01:35:56,550 --> 01:35:54,480

that he's

2471

01:35:58,390 --> 01:35:56,560

and i think he's mining i think he's

2472

01:36:01,510 --> 01:35:58,400

mining all of us

2473

01:36:03,830 --> 01:36:01,520

for information that he can present and

2474

01:36:05,830 --> 01:36:03,840

he doesn't cite any sources he just says

2475

01:36:08,070 --> 01:36:05,840

stuff and i'm sure i've heard him say

2476

01:36:12,070 --> 01:36:08,080

a few things that were on my show that

2477

01:36:17,030 --> 01:36:12,080

were nowhere else so

2478

01:36:21,990 --> 01:36:19,350

he should acknowledge the sources that

2479

01:36:25,109 --> 01:36:22,000

he's using at the very least

2480

01:36:27,430 --> 01:36:25,119

you know oh paranormal jiggy henry

2481

01:36:29,189 --> 01:36:27,440

confirmed the gofundme dw did was fake

2482

01:36:30,790 --> 01:36:29,199

when ryan interviewed him at contact in

2483

01:36:32,550 --> 01:36:30,800

the desert in 2019.

2484

01:36:34,629 --> 01:36:32,560

i don't remember i don't do you mean to

2485

01:36:36,629 --> 01:36:34,639

go fund me for pete peterson or do you

2486

01:36:37,990 --> 01:36:36,639

mean the emery smith survival fund

2487

01:36:39,830 --> 01:36:38,000

through paypal

2488

01:36:41,430 --> 01:36:39,840

there's so many scams it's easy to get

2489

01:36:43,830 --> 01:36:41,440

confused i don't believe that he

2490

01:36:45,109 --> 01:36:43,840

confirmed that but i have to i know ryan

2491

01:36:46,790 --> 01:36:45,119

i'll ask ryan

2492

01:36:48,470 --> 01:36:46,800

for the full tape and see what he said

2493

01:36:50,310 --> 01:36:48,480

about that that would be something

2494

01:36:53,350 --> 01:36:50,320

worthy of presenting again

2495

01:36:56,310 --> 01:36:53,360

because maybe people kind of missed that

2496

01:36:57,830 --> 01:36:56,320

brad gray mr hotel disclosure because

2497

01:36:59,350 --> 01:36:57,840

the guy lives in his car and does his

2498

01:37:00,950 --> 01:36:59,360

streams from hotels

2499

01:37:02,390 --> 01:37:00,960

yeah i don't know i i don't know what's

2500

01:37:04,229 --> 01:37:02,400

going on with the guy but god bless him

2501

01:37:06,149 --> 01:37:04,239

if he is in a bad situation and living

2502

01:37:07,669 --> 01:37:06,159

in hotels i hope the situation improved

2503

01:37:08,950 --> 01:37:07,679

somebody told me that he got divorced or

2504

01:37:10,870 --> 01:37:08,960

something and that's

2505

01:37:12,470 --> 01:37:10,880

and he's kind of homeless um and if

2506

01:37:13,990 --> 01:37:12,480

that's the case

2507

01:37:16,390 --> 01:37:14,000

you know i'm sorry for him and i hope

2508

01:37:19,510 --> 01:37:16,400

that his situation improves

2509

01:37:19,990 --> 01:37:19,520

you know my point is that uh nobody is

2510

01:37:21,990 --> 01:37:20,000

going to come

2511

01:37:23,590 --> 01:37:22,000

and save us from all of these con

2512

01:37:25,510 --> 01:37:23,600

artists and scammers

2513

01:37:27,109 --> 01:37:25,520

you know i guess some of us get into

2514

01:37:28,709 --> 01:37:27,119

this thinking we're going to bring them

2515

01:37:30,310 --> 01:37:28,719

down right we're going to

2516

01:37:32,149 --> 01:37:30,320

change things and these people are

2517

01:37:33,430 --> 01:37:32,159

stealing from everyone with these fake

2518

01:37:35,750 --> 01:37:33,440

stories and we're gonna

2519

01:37:38,470 --> 01:37:35,760

reveal the truth and save everyone

2520

01:37:41,270 --> 01:37:38,480

there's no saving the stupid ones though

2521

01:37:43,510 --> 01:37:41,280

you know maybe if you present good

2522

01:37:45,669 --> 01:37:43,520

enough information that's compelling and

2523

01:37:46,790 --> 01:37:45,679

evidence-based you can convince people

2524

01:37:49,350 --> 01:37:46,800

that are on the fence

2525

01:37:50,149 --> 01:37:49,360

and that's the best that you can do but

2526

01:37:52,470 --> 01:37:50,159

it seems like

2527

01:37:54,709 --> 01:37:52,480

some of these people are so willing to

2528

01:37:55,189 --> 01:37:54,719

believe and so invested that they don't

2529

01:37:58,310 --> 01:37:55,199

listen

2530

01:37:59,750 --> 01:37:58,320

right in their face

2531

01:38:02,229 --> 01:37:59,760

you know i have people tell me all the

2532

01:38:03,830 --> 01:38:02,239

time like people leave these comments

2533

01:38:06,950 --> 01:38:03,840

and they say things like

2534

01:38:09,030 --> 01:38:06,960

well uh maybe uh david wilcock was

2535

01:38:10,870 --> 01:38:09,040

involved in these fundraising things but

2536

01:38:12,950 --> 01:38:10,880

he's really genuine and he's really

2537

01:38:14,629 --> 01:38:12,960

interested in the subjects

2538

01:38:15,990 --> 01:38:14,639

okay what am i supposed to do with that

2539

01:38:18,070 --> 01:38:16,000

so it's okay that he's out there

2540

01:38:19,669 --> 01:38:18,080

scamming people because he has a genuine

2541

01:38:32,070 --> 01:38:19,679

interest in these subjects it doesn't

2542

01:38:39,030 --> 01:38:35,109

oh wow the emery smith one dw

2543

01:38:42,070 --> 01:38:40,470

great i'm going to ask ryan if i can

2544

01:38:43,270 --> 01:38:42,080

have the full tape and we'll play that

2545

01:38:46,950 --> 01:38:43,280

over

2546

01:38:49,830 --> 01:38:48,470

i saw the ryan gable henry smith

2547

01:38:51,350 --> 01:38:49,840

interview it was very telling even

2548

01:38:53,590 --> 01:38:51,360

though emory is as big a fraud as the

2549

01:38:56,390 --> 01:38:53,600

rest

2550

01:38:57,109 --> 01:38:56,400

yeah that makes sense for olivia you

2551

01:38:59,910 --> 01:38:57,119

know

2552

01:39:01,189 --> 01:38:59,920

that's another thing uh oh and i just

2553

01:39:02,950 --> 01:39:01,199

want to mention this because i don't

2554

01:39:05,910 --> 01:39:02,960

think that i did mention this

2555

01:39:06,870 --> 01:39:05,920

so he reached out to a bunch of people

2556

01:39:09,669 --> 01:39:06,880

including c.w

2557

01:39:10,709 --> 01:39:09,679

channer and me and said hey i'd like to

2558

01:39:13,910 --> 01:39:10,719

interview you

2559

01:39:14,310 --> 01:39:13,920

and i said great but why don't we do

2560

01:39:16,310 --> 01:39:14,320

this

2561

01:39:19,510 --> 01:39:16,320

i thought listen i've only got so much

2562

01:39:21,109 --> 01:39:19,520

time and i can't really afford to do

2563

01:39:22,629 --> 01:39:21,119

here's what i've learned about doing

2564

01:39:27,830 --> 01:39:22,639

guest spots

2565

01:39:32,550 --> 01:39:29,910

a few other people's shows most notably

2566

01:39:34,070 --> 01:39:32,560

lately this jean-claude be on mystic

2567

01:39:35,830 --> 01:39:34,080

which i think is funny because

2568

01:39:39,270 --> 01:39:35,840

jean-claude from beyond mystic his

2569

01:39:41,350 --> 01:39:39,280

show is totally totally new age woo

2570

01:39:42,629 --> 01:39:41,360

and i'm not but he wanted me to come on

2571

01:39:43,189 --> 01:39:42,639

and we talked about bob lazar we had a

2572

01:39:46,229 --> 01:39:43,199

good time

2573

01:39:48,390 --> 01:39:46,239

he's a good guy but my point is this

2574

01:39:49,830 --> 01:39:48,400

if i go on joan clyde's show for two

2575

01:39:53,430 --> 01:39:49,840

hours i'm done for the day

2576

01:39:54,070 --> 01:39:53,440

i can't do my own show and i i realize

2577

01:39:56,709 --> 01:39:54,080

that now

2578

01:39:57,350 --> 01:39:56,719

i can't do a guest spot in the afternoon

2579

01:40:00,709 --> 01:39:57,360

or something

2580

01:40:04,629 --> 01:40:00,719

and then still feel strong and you know

2581

01:40:07,109 --> 01:40:04,639

able to do a two-hour show of mine so

2582

01:40:08,149 --> 01:40:07,119

i told this points on a curve i think

2583

01:40:11,350 --> 01:40:08,159

his name is john

2584

01:40:14,470 --> 01:40:11,360

i said hey i wanted to interview you

2585

01:40:15,910 --> 01:40:14,480

as well and you want to interview me so

2586

01:40:19,109 --> 01:40:15,920

i thought this was the fairest thing to

2587

01:40:20,470 --> 01:40:19,119

do i said why don't you come on my show

2588

01:40:22,390 --> 01:40:20,480

and we can just have a talk in a

2589

01:40:25,270 --> 01:40:22,400

discussion and it'll be public

2590

01:40:26,629 --> 01:40:25,280

and then when we're done on my show

2591

01:40:28,950 --> 01:40:26,639

right after the show ends

2592

01:40:30,950 --> 01:40:28,960

i'll download the video and i'll give it

2593

01:40:32,390 --> 01:40:30,960

to you and you can post it on your

2594

01:40:34,550 --> 01:40:32,400

channel as well

2595

01:40:36,390 --> 01:40:34,560

and as soon as he heard that he totally

2596

01:40:37,990 --> 01:40:36,400

backed out and he said

2597

01:40:39,910 --> 01:40:38,000

not interested or something like that

2598

01:40:41,590 --> 01:40:39,920

which i thought was really weird

2599

01:40:43,910 --> 01:40:41,600

right why would you be so up on

2600

01:40:45,109 --> 01:40:43,920

interviewing me and then

2601

01:40:47,109 --> 01:40:45,119

i think he wants to control the

2602

01:40:48,310 --> 01:40:47,119

conversation though and on his channel

2603

01:40:50,390 --> 01:40:48,320

he can

2604

01:40:52,790 --> 01:40:50,400

um i don't think that he wanted to have

2605

01:40:55,510 --> 01:40:52,800

an open honest discussion with me

2606

01:40:57,189 --> 01:40:55,520

if he did he would have done it and he

2607

01:40:58,950 --> 01:40:57,199

doesn't want to do that

2608

01:41:00,709 --> 01:40:58,960

um and there was i don't know there's

2609

01:41:02,830 --> 01:41:00,719

all this kind of drama surrounding this

2610

01:41:05,350 --> 01:41:02,840

guy too like

2611

01:41:07,590 --> 01:41:05,360

um other content creators are like

2612

01:41:09,430 --> 01:41:07,600

fighting like well if if he works with

2613

01:41:11,430 --> 01:41:09,440

this content creator i'm not going to

2614

01:41:12,950 --> 01:41:11,440

work with them and all of this drama and

2615

01:41:15,270 --> 01:41:12,960

like i don't need it

2616

01:41:16,149 --> 01:41:15,280

i got two young boys and i got a wife

2617

01:41:18,070 --> 01:41:16,159

man i got

2618

01:41:21,430 --> 01:41:18,080

plenty of drama in my life and i got a

2619

01:41:23,669 --> 01:41:21,440

cabin to build and like

2620

01:41:24,790 --> 01:41:23,679

i just i don't have the time i don't

2621

01:41:27,750 --> 01:41:24,800

want to welcome

2622

01:41:28,229 --> 01:41:27,760

like a hell of a lot of drama new drama

2623

01:41:31,430 --> 01:41:28,239

in

2624

01:41:33,189 --> 01:41:31,440

he

2625

01:41:35,270 --> 01:41:33,199

still wants to do that we can have an

2626

01:41:39,270 --> 01:41:35,280

open honest discussion on my show

2627

01:41:41,590 --> 01:41:39,280

which may be beneficial and then

2628

01:41:42,550 --> 01:41:41,600

and then he can post it on his channel

2629

01:41:46,629 --> 01:41:42,560

or

2630

01:41:48,390 --> 01:41:46,639

come on your channel but then give me

2631

01:41:49,990 --> 01:41:48,400

the video when we're done and i'll post

2632

01:41:51,270 --> 01:41:50,000

it on my channel

2633

01:41:53,510 --> 01:41:51,280

i think that's a good way to do it

2634

01:41:55,430 --> 01:41:53,520

because then we'll reach more people

2635

01:41:57,189 --> 01:41:55,440

right we'll reach all the people on his

2636

01:42:00,310 --> 01:41:57,199

channel and my channel

2637

01:42:02,950 --> 01:42:00,320

and uh you know and listen i'm sure that

2638

01:42:03,510 --> 01:42:02,960

there's ego involved in this too like i

2639

01:42:05,750 --> 01:42:03,520

don't know

2640

01:42:07,350 --> 01:42:05,760

uh this guy is like sort of painting

2641

01:42:08,070 --> 01:42:07,360

himself like he's going to be the savior

2642

01:42:12,310 --> 01:42:08,080

of the

2643

01:42:12,950 --> 01:42:12,320

these frogs down and i don't think that

2644

01:42:15,750 --> 01:42:12,960

he likes

2645

01:42:17,430 --> 01:42:15,760

the realization that there's already

2646

01:42:18,149 --> 01:42:17,440

been people doing what he's attempting

2647

01:42:21,590 --> 01:42:18,159

for years

2648

01:42:23,189 --> 01:42:21,600

right i i don't think that he likes that

2649

01:42:25,510 --> 01:42:23,199

i don't think he likes to acknowledge it

2650

01:42:27,510 --> 01:42:25,520

he certainly is not acknowledging

2651
01:42:29,109 --> 01:42:27,520
the source of a lot of the information

2652
01:42:31,750 --> 01:42:29,119
that he's presenting is like

2653
01:42:33,510 --> 01:42:31,760
like he did this investigation and found

2654
01:42:35,830 --> 01:42:33,520
this information no you're taking it

2655
01:42:42,149 --> 01:42:35,840
from other sources so

2656
01:42:45,030 --> 01:42:42,159
cite the sources i think that's fair

2657
01:42:46,550 --> 01:42:45,040
yeah uh this is super weird that the guy

2658
01:42:48,070 --> 01:42:46,560
doesn't want to be on your show it makes

2659
01:42:49,510 --> 01:42:48,080
no sense if he wants to bring all these

2660
01:42:51,830 --> 01:42:49,520
people down he should be willing to come

2661
01:42:53,750 --> 01:42:51,840
on the show

2662
01:42:55,189 --> 01:42:53,760
yeah paranormal hood says he's not

2663
01:42:57,830 --> 01:42:55,199

sincere at all i questioned him the

2664

01:43:01,750 --> 01:42:57,840

minute he stepped in the scene yeah

2665

01:43:04,149 --> 01:43:01,760

hash's tag jiggy was right again again

2666

01:43:04,870 --> 01:43:04,159

from now on when jiggy says something

2667

01:43:07,910 --> 01:43:04,880

i'm just gonna

2668

01:43:10,550 --> 01:43:07,920

so in other words

2669

01:43:11,109 --> 01:43:10,560

if a new person comes on the scene next

2670

01:43:13,830 --> 01:43:11,119

time

2671

01:43:14,790 --> 01:43:13,840

and paranormal the jiggy says i don't

2672

01:43:16,070 --> 01:43:14,800

trust this guy

2673

01:43:18,470 --> 01:43:16,080

then you know what i'm gonna say i'm

2674

01:43:20,070 --> 01:43:18,480

gonna say i don't trust this guy

2675

01:43:21,990 --> 01:43:20,080

i just i don't know why but i don't

2676

01:43:24,709 --> 01:43:22,000

trust him no it's gonna be because

2677

01:43:25,510 --> 01:43:24,719

jiggy was right hashtag jiggy was right

2678

01:43:30,070 --> 01:43:25,520

again

2679

01:43:33,430 --> 01:43:32,629

yeah jonas sign that better be weed

2680

01:43:35,510 --> 01:43:33,440

cambia no

2681

01:43:38,070 --> 01:43:35,520

actually i do these roll your own

2682

01:43:38,709 --> 01:43:38,080

cigarettes and uh i'm really trying hard

2683

01:43:41,189 --> 01:43:38,719

to switch

2684

01:43:42,470 --> 01:43:41,199

to vaping again and i'm having a hard

2685

01:43:44,070 --> 01:43:42,480

time i can vape

2686

01:43:45,669 --> 01:43:44,080

on that vape for an hour and i still

2687

01:43:48,390 --> 01:43:45,679

want a cigarette and i think

2688

01:43:50,229 --> 01:43:48,400

actually the part of the problem is and

2689

01:43:52,470 --> 01:43:50,239

i had this problem last time

2690

01:43:54,390 --> 01:43:52,480

i can't go from cigarettes to like some

2691

01:43:56,550 --> 01:43:54,400

fruity [h__\h] vape it's gotta taste

2692

01:43:58,629 --> 01:43:56,560

like a cigarette to me to get over

2693

01:44:00,070 --> 01:43:58,639

the need for a cigarette and all i have

2694

01:44:02,629 --> 01:44:00,080

is this fruity

2695

01:44:03,109 --> 01:44:02,639

[h__\h] vape juice that doesn't do it

2696

01:44:05,189 --> 01:44:03,119

for me

2697

01:44:07,030 --> 01:44:05,199

so i gotta get there's something called

2698

01:44:08,470 --> 01:44:07,040

v2 juice that kind of tastes like a

2699

01:44:09,750 --> 01:44:08,480

cigarette it's the closest thing i've

2700

01:44:12,470 --> 01:44:09,760

found so i'm going to get some of that

2701

01:44:16,709 --> 01:44:12,480

juice and try to go back to vaping

2702

01:44:18,830 --> 01:44:16,719

um there is very little actual truth in

2703

01:44:22,229 --> 01:44:18,840

the so-called self-proclaimed truth

2704

01:44:26,870 --> 01:44:25,510

yeah and as success i uh oh listen sixes

2705

01:44:30,310 --> 01:44:26,880

i really gotta talk to you

2706

01:44:32,550 --> 01:44:30,320

about winamp and visualizations

2707

01:44:33,510 --> 01:44:32,560

i wanna use more visualizations for this

2708

01:44:35,189 --> 01:44:33,520

web bot x

2709

01:44:36,870 --> 01:44:35,199

and for another project the mind hack

2710

01:44:37,750 --> 01:44:36,880

project and i thought you may be able to

2711

01:44:39,750 --> 01:44:37,760

help me

2712

01:44:43,910 --> 01:44:39,760

so let's talk offline i'd really

2713

01:44:47,350 --> 01:44:45,350

cheesy seekers i'm going to start

2714

01:44:47,990 --> 01:44:47,360

charging people for vetting folks yeah

2715

01:44:49,830 --> 01:44:48,000

you should

2716

01:44:51,830 --> 01:44:49,840

it's ridiculous and especially because

2717

01:44:55,030 --> 01:44:51,840

you're always right you know like

2718

01:44:57,270 --> 01:44:55,040

it's funny like what is that like three

2719

01:45:00,070 --> 01:44:57,280

times at least three times now that

2720

01:45:03,510 --> 01:45:00,080

jiggy has commented on let's just say

2721

01:45:05,430 --> 01:45:03,520

the ethical and moral value

2722

01:45:07,189 --> 01:45:05,440

that a particular person in the

2723

01:45:10,470 --> 01:45:07,199

community has

2724

01:45:12,790 --> 01:45:10,480

in other words he has just seen through

2725

01:45:15,350 --> 01:45:12,800

somebody that was not genuine at least

2726

01:45:18,149 --> 01:45:15,360

three times now since i've been watching

2727

01:45:19,590 --> 01:45:18,159

and uh that's very telling i think he's

2728

01:45:20,390 --> 01:45:19,600

probably a better judge of character

2729

01:45:22,390 --> 01:45:20,400

than me

2730

01:45:23,830 --> 01:45:22,400

i wanted to believe that guy points on

2731

01:45:25,189 --> 01:45:23,840

the curve i wanted to believe he was

2732

01:45:27,910 --> 01:45:25,199

genuine

2733

01:45:28,709 --> 01:45:27,920

and then you know also from the stuff

2734

01:45:32,310 --> 01:45:28,719

that i

2735

01:45:34,390 --> 01:45:32,320

have been hearing it makes me

2736

01:45:36,550 --> 01:45:34,400

hesitant to be so critical of the guy

2737

01:45:39,430 --> 01:45:36,560

because you listen if you're

2738

01:45:40,709 --> 01:45:39,440

if you've never been homeless it is a

2739

01:45:43,350 --> 01:45:40,719

hell on earth

2740

01:45:44,070 --> 01:45:43,360

right uh maybe this guy's in a little

2741

01:45:46,950 --> 01:45:44,080

better position

2742

01:45:47,830 --> 01:45:46,960

than i was i was a out of work broke

2743

01:45:51,189 --> 01:45:47,840

loser

2744

01:45:54,149 --> 01:45:51,199

drug addicted musician and uh in my

2745

01:45:54,709 --> 01:45:54,159

early 20s and i was homeless for a time

2746

01:45:57,109 --> 01:45:54,719

and uh

2747

01:45:59,350 --> 01:45:57,119

after a while you wear out your welcome

2748

01:45:59,830 --> 01:45:59,360

nobody wants you to couch surf anymore

2749

01:46:02,470 --> 01:45:59,840

and

2750

01:46:04,790 --> 01:46:02,480

literally slept in a park sometimes

2751

01:46:08,229 --> 01:46:04,800

because i had nowhere else to go

2752

01:46:09,830 --> 01:46:08,239

and uh it's hell uh it is absolute hell

2753

01:46:11,669 --> 01:46:09,840

at least he's doing a little better

2754

01:46:13,270 --> 01:46:11,679

seems to be able to afford a motel

2755

01:46:15,270 --> 01:46:13,280

i think he mentioned he was sleeping in

2756

01:46:17,189 --> 01:46:15,280

his car or

2757

01:46:18,950 --> 01:46:17,199

i think he called a car camping i don't

2758

01:46:19,910 --> 01:46:18,960

know if he's going to camp sites and

2759

01:46:22,390 --> 01:46:19,920

just like camp

2760

01:46:23,910 --> 01:46:22,400

sleeping in his car that's not a fun

2761

01:46:26,229 --> 01:46:23,920

thing to do either especially not when

2762

01:46:27,750 --> 01:46:26,239

it's 40 degrees outside and it's snowing

2763

01:46:29,669 --> 01:46:27,760

because i think there was snow in a

2764

01:46:34,229 --> 01:46:29,679

couple of those videos

2765

01:46:36,470 --> 01:46:34,239

um my point about him though is like

2766

01:46:38,550 --> 01:46:36,480

maybe the guy is is really struggling

2767

01:46:40,870 --> 01:46:38,560

right now and he doesn't have

2768

01:46:41,830 --> 01:46:40,880

something else to anchor him and this

2769

01:46:44,870 --> 01:46:41,840

has given him

2770

01:46:46,310 --> 01:46:44,880

a purpose right he may be divorced maybe

2771

01:46:47,750 --> 01:46:46,320

he's not talking to his daughter i don't

2772

01:46:50,229 --> 01:46:47,760

know what's going on with him

2773

01:46:52,310 --> 01:46:50,239

but you know listen if he's listening

2774

01:46:53,910 --> 01:46:52,320

you can call me you can email me

2775

01:46:56,070 --> 01:46:53,920

if there's anything i can do to help you

2776

01:46:59,109 --> 01:46:56,080

i'll try to do that

2777

01:47:01,669 --> 01:46:59,119

and i wish him the best um

2778

01:47:02,229 --> 01:47:01,679

but i don't think that anybody is gonna

2779

01:47:04,229 --> 01:47:02,239

you know

2780

01:47:05,910 --> 01:47:04,239

rush in and save us all from all these

2781

01:47:09,830 --> 01:47:05,920

frauds

2782

01:47:11,990 --> 01:47:09,840

and i guess the other thing is like um

2783

01:47:13,750 --> 01:47:12,000

he's kind of over promising and under

2784

01:47:14,229 --> 01:47:13,760

delivering he keeps saying things are

2785

01:47:16,070 --> 01:47:14,239

coming

2786

01:47:17,910 --> 01:47:16,080

and he keeps saying he has this source

2787

01:47:19,590 --> 01:47:17,920

and that source but what we get is just

2788

01:47:20,870 --> 01:47:19,600

a retelling of information that's

2789

01:47:23,669 --> 01:47:20,880

already out there

2790

01:47:24,470 --> 01:47:23,679

that's just my opinion i don't know i

2791

01:47:26,629 --> 01:47:24,480

could be wrong

2792

01:47:28,070 --> 01:47:26,639

actually i haven't caught up i haven't

2793

01:47:29,830 --> 01:47:28,080

watched the last maybe

2794

01:47:31,669 --> 01:47:29,840

five videos that he made because it

2795

01:47:37,430 --> 01:47:31,679

seemed like there was wasn't much value

2796

01:47:39,350 --> 01:47:37,440

in anything that he was talking to

2797

01:47:40,709 --> 01:47:39,360

yeah then why waste your energy on drama

2798

01:47:42,310 --> 01:47:40,719

that has nothing to do with your real

2799

01:47:43,030 --> 01:47:42,320

life if you're struggling and homeless

2800

01:47:44,790 --> 01:47:43,040

like i said

2801
01:47:46,070 --> 01:47:44,800
if you've never been homeless vanessa

2802
01:47:50,310 --> 01:47:46,080
thor sometimes having

2803
01:47:52,390 --> 01:47:50,320
a mission will

2804
01:47:54,870 --> 01:47:52,400
sometimes having a mission something to

2805
01:47:58,070 --> 01:47:54,880
do while you're struggling through that

2806
01:47:59,270 --> 01:47:58,080
will keep you sane and for me here's the

2807
01:48:02,709 --> 01:47:59,280
funniest thing

2808
01:48:05,030 --> 01:48:02,719
i what it was happening to me i was

2809
01:48:06,790 --> 01:48:05,040
literally in a big a pretty big rock

2810
01:48:09,669 --> 01:48:06,800
band in philly at the time

2811
01:48:11,990 --> 01:48:09,679
so you want to talk about uh having your

2812
01:48:13,510 --> 01:48:12,000
ego smashed you know imagine going into

2813
01:48:14,550 --> 01:48:13,520

a show with like a couple hundred

2814

01:48:16,390 --> 01:48:14,560

screaming kids

2815

01:48:17,590 --> 01:48:16,400

and moshing kids in front of you like

2816

01:48:20,709 --> 01:48:17,600

you're a rock

2817

01:48:22,390 --> 01:48:20,719

god and then if the show ends you don't

2818

01:48:24,550 --> 01:48:22,400

really have any place to go maybe you go

2819

01:48:25,990 --> 01:48:24,560

to some party and crash there

2820

01:48:28,229 --> 01:48:26,000

some nights but some nights you got

2821

01:48:28,950 --> 01:48:28,239

nowhere to go everyone goes home and

2822

01:48:30,870 --> 01:48:28,960

you're

2823

01:48:32,790 --> 01:48:30,880

i was in center city philadelphia just

2824

01:48:35,750 --> 01:48:32,800

like looking for some place to sleep

2825

01:48:36,790 --> 01:48:35,760

until the next day it it was terrible

2826

01:48:40,709 --> 01:48:36,800

but

2827

01:48:42,229 --> 01:48:40,719

um yeah cal truth says i was strung out

2828

01:48:43,030 --> 01:48:42,239

homeless junkie for several years so

2829

01:48:46,070 --> 01:48:43,040

i've been there

2830

01:48:48,310 --> 01:48:46,080

yeah it's rough and i was uh

2831

01:48:50,149 --> 01:48:48,320

i i said i was a drug addict i wasn't on

2832

01:48:51,830 --> 01:48:50,159

any hard drugs i mean i was drinking and

2833

01:48:55,189 --> 01:48:51,840

partying and uh

2834

01:48:57,109 --> 01:48:55,199

uh no real hard drugs but like i was in

2835

01:48:59,030 --> 01:48:57,119

a rock band if people gave me

2836

01:49:01,590 --> 01:48:59,040

whatever they gave me i would do it

2837

01:49:04,709 --> 01:49:01,600

shrooms lsd

2838

01:49:06,950 --> 01:49:04,719

pod a lot flicker

2839

01:49:07,990 --> 01:49:06,960

yeah and i was trying to take myself out

2840

01:49:11,350 --> 01:49:08,000

of myself

2841

01:49:14,870 --> 01:49:11,360

if that makes any sense i was so

2842

01:49:16,390 --> 01:49:14,880

i guess uh destitute just like depressed

2843

01:49:17,990 --> 01:49:16,400

like with my situation i didn't see any

2844

01:49:19,830 --> 01:49:18,000

way out of it eventually

2845

01:49:22,149 --> 01:49:19,840

i figured out that if i put the drugs

2846

01:49:24,709 --> 01:49:22,159

and booze down and stop partying

2847

01:49:25,910 --> 01:49:24,719

while i was homeless i could go work

2848

01:49:28,229 --> 01:49:25,920

somewhere

2849

01:49:31,030 --> 01:49:28,239

and slowly get out of the situation and

2850

01:49:33,109 --> 01:49:31,040

i finally did i got like a room to rent

2851

01:49:34,950 --> 01:49:33,119

which is a whole nother story like if

2852

01:49:38,149 --> 01:49:34,960

you don't if you've never heard of like

2853

01:49:40,550 --> 01:49:38,159

room for rent you know

2854

01:49:41,589 --> 01:49:40,560

house shares oh my god it was terrible

2855

01:49:43,589 --> 01:49:41,599

because there was like

2856

01:49:45,350 --> 01:49:43,599

one guy was a junkie in the house

2857

01:49:45,990 --> 01:49:45,360

another guy was a crack head and you had

2858

01:49:48,550 --> 01:49:46,000

a like

2859

01:49:49,830 --> 01:49:48,560

padlock on your bedroom door and you're

2860

01:49:51,430 --> 01:49:49,840

supposed to share the rest of the house

2861

01:49:52,790 --> 01:49:51,440

with these people

2862

01:49:56,470 --> 01:49:52,800

i haven't thought about that stuff in a

2863

01:49:59,830 --> 01:49:56,480

long time

2864

01:50:01,589 --> 01:49:59,840

uh so he's talking about g off

2865

01:50:03,350 --> 01:50:01,599

yeah and he's blocked he's one of the

2866

01:50:08,830 --> 01:50:03,360

few people that i've blocked too he's

2867

01:50:12,149 --> 01:50:10,070

stable

2868

01:50:13,830 --> 01:50:12,159

yeah i don't know why but now that that

2869

01:50:15,589 --> 01:50:13,840

guy's beefing with gia

2870

01:50:22,470 --> 01:50:15,599

i'm sorry friends i'm way behind in the

2871

01:50:25,830 --> 01:50:24,149

kind of truth i've been an ex homeless

2872

01:50:27,430 --> 01:50:25,840

junkie for 12 years now going through

2873

01:50:29,830 --> 01:50:27,440

that made me who i am today an amazing

2874

01:50:32,790 --> 01:50:29,840

mother and a much wiser human

2875

01:50:33,830 --> 01:50:32,800

i agree and you know what i it was only

2876

01:50:36,870 --> 01:50:33,840

a very short time

2877

01:50:39,669 --> 01:50:36,880

maybe a year off and on maybe less

2878

01:50:41,350 --> 01:50:39,679

and uh probably last probably more like

2879

01:50:43,510 --> 01:50:41,360

eight months but it was

2880

01:50:44,709 --> 01:50:43,520

wasn't a good eight months and i got to

2881

01:50:46,709 --> 01:50:44,719

tell you that the

2882

01:50:48,870 --> 01:50:46,719

the major cause of homelessness is a

2883

01:50:50,470 --> 01:50:48,880

catastrophic loss of family

2884

01:50:51,990 --> 01:50:50,480

i was sort of the black sheep of my

2885

01:50:55,830 --> 01:50:52,000

family had a lot of issues with my

2886

01:50:59,830 --> 01:50:57,830

years later i forgive him but he was

2887

01:51:03,669 --> 01:50:59,840

abusive

2888

01:51:07,109 --> 01:51:03,679

he's passed on but uh

2889

01:51:07,750 --> 01:51:07,119

my father was a very strong head of the

2890

01:51:10,470 --> 01:51:07,760

family

2891

01:51:11,430 --> 01:51:10,480

and if i and i laughed in a big huff

2892

01:51:14,550 --> 01:51:11,440

with

2893

01:51:19,270 --> 01:51:14,560

my father

2894

01:51:20,070 --> 01:51:19,280

nobody else in my fa that i was dead to

2895

01:51:22,229 --> 01:51:20,080

him and and

2896

01:51:23,750 --> 01:51:22,239

i was dead to their whole family nobody

2897

01:51:25,350 --> 01:51:23,760

else was really allowed to talk to me or

2898

01:51:27,589 --> 01:51:25,360

help me and i just stayed away

2899

01:51:29,750 --> 01:51:27,599

i was like well i'm not welcome there

2900

01:51:32,310 --> 01:51:29,760

fine i'll i'll go sleep in a park

2901
01:51:34,149 --> 01:51:32,320
before i and it was also an ego thing

2902
01:51:36,070 --> 01:51:34,159
too like i'm not gonna come crawling

2903
01:51:38,950 --> 01:51:36,080
back to my father who's abusive

2904
01:51:39,669 --> 01:51:38,960
and uh and say i'm sorry for anything

2905
01:51:41,830 --> 01:51:39,679
because i'm not

2906
01:51:44,390 --> 01:51:41,840
i stood up for myself after being abused

2907
01:51:46,950 --> 01:51:44,400
for like my whole life one day i said

2908
01:51:49,510 --> 01:51:46,960
not today [\h__\h] and we got in it

2909
01:51:51,270 --> 01:51:49,520
i like whacked him with a skateboard

2910
01:51:53,189 --> 01:51:51,280
while he was trying to beat me up and

2911
01:51:55,589 --> 01:51:53,199
like it was terrible

2912
01:51:57,350 --> 01:51:55,599
but the loss of family is what causes

2913
01:51:59,109 --> 01:51:57,360

homelessness for a lot of people like

2914

01:52:00,550 --> 01:51:59,119

there was nobody in my family i could go

2915

01:52:03,030 --> 01:52:00,560

to for help so

2916

01:52:04,550 --> 01:52:03,040

i went to friends and but here's what

2917

01:52:06,149 --> 01:52:04,560

happens like your friends have good

2918

01:52:07,270 --> 01:52:06,159

intentions but we were all young you

2919

01:52:09,189 --> 01:52:07,280

know most of my friends were still

2920

01:52:10,870 --> 01:52:09,199

living with their parents so like

2921

01:52:13,350 --> 01:52:10,880

you can't just go live with your friend

2922

01:52:14,870 --> 01:52:13,360

until your situation improves especially

2923

01:52:16,070 --> 01:52:14,880

not when you're drunk drugging and

2924

01:52:18,550 --> 01:52:16,080

drinking and partying

2925

01:52:19,910 --> 01:52:18,560

you know so sort of wore out everybody's

2926

01:52:26,470 --> 01:52:19,920

welcome

2927

01:52:30,790 --> 01:52:28,550

yeah lee beltman's talking about another

2928

01:52:32,629 --> 01:52:30,800

person is calling cps to smear

2929

01:52:37,189 --> 01:52:32,639

this g off and that's terrible i don't

2930

01:52:40,790 --> 01:52:39,189

i don't know why everybody gets into it

2931

01:52:42,390 --> 01:52:40,800

and i don't know why everything gets so

2932

01:52:43,750 --> 01:52:42,400

heated with that guy but i know from my

2933

01:52:45,669 --> 01:52:43,760

own experience with him that he gets

2934

01:52:47,589 --> 01:52:45,679

nutty and you just gotta go

2935

01:52:49,030 --> 01:52:47,599

no dude you're not gonna bring that nut

2936

01:52:50,229 --> 01:52:49,040

you're not gonna bring your nutter-ness

2937

01:52:56,790 --> 01:52:50,239

to my life i

2938

01:53:00,709 --> 01:52:59,510

yeah g often and points on a curve are

2939

01:53:01,990 --> 01:53:00,719

fighting now

2940

01:53:03,589 --> 01:53:02,000

and that's interesting because he went

2941

01:53:04,149 --> 01:53:03,599

on a guy's show and then suddenly they

2942

01:53:05,830 --> 01:53:04,159

got these

2943

01:53:08,229 --> 01:53:05,840

this huge beep going and i don't know

2944

01:53:16,790 --> 01:53:08,239

what happened i know honestly i don't

2945

01:53:22,229 --> 01:53:20,310

yeah so uh my major point about we got

2946

01:53:24,950 --> 01:53:22,239

off on a tangent

2947

01:53:26,070 --> 01:53:24,960

about being homeless about kel truth i

2948

01:53:29,350 --> 01:53:26,080

wouldn't trade that experience

2949

01:53:31,109 --> 01:53:29,360

either because i have

2950

01:53:32,470 --> 01:53:31,119

tremendous tremendous empathy for

2951

01:53:35,350 --> 01:53:32,480

homeless people

2952

01:53:36,470 --> 01:53:35,360

um i gotta say though that like when i

2953

01:53:38,709 --> 01:53:36,480

know they're a homeless

2954

01:53:40,070 --> 01:53:38,719

junkie i sort of my empathy sort of

2955

01:53:42,390 --> 01:53:40,080

turns off more

2956

01:53:44,070 --> 01:53:42,400

um but yeah i'm always the guy giving a

2957

01:53:46,390 --> 01:53:44,080

homeless guy a couple of bucks

2958

01:53:48,229 --> 01:53:46,400

or majorly what i do is like if i see a

2959

01:53:50,070 --> 01:53:48,239

homeless guy outside of a convenience

2960

01:53:52,070 --> 01:53:50,080

store i go in and buy a

2961

01:53:54,149 --> 01:53:52,080

sandwich and a drink and give the guy

2962

01:53:55,830 --> 01:53:54,159

that i don't like giving them money

2963

01:53:57,830 --> 01:53:55,840

because you don't know

2964

01:53:59,830 --> 01:53:57,840

you know when people when i was homeless

2965

01:54:01,270 --> 01:53:59,840

i was too proud to like beg

2966

01:54:03,270 --> 01:54:01,280

because there was a lot of like

2967

01:54:04,390 --> 01:54:03,280

squatters and stuff and people on south

2968

01:54:05,910 --> 01:54:04,400

street in philadelphia and they would

2969

01:54:07,109 --> 01:54:05,920

just sit there with a sign and beg and

2970

01:54:08,070 --> 01:54:07,119

they would get a couple of bucks for

2971

01:54:10,149 --> 01:54:08,080

something to eat

2972

01:54:12,709 --> 01:54:10,159

i couldn't even do that you know i was

2973

01:54:14,629 --> 01:54:12,719

doing a few odd jobs or doing these band

2974

01:54:18,550 --> 01:54:14,639

shows and getting like 30

2975

01:54:22,390 --> 01:54:18,560

or whatever until the next show

2976

01:54:24,310 --> 01:54:22,400

and uh yeah

2977

01:54:25,830 --> 01:54:24,320

oh i'll count truth my father died and i

2978

01:54:27,350 --> 01:54:25,840

just decided i want to be norman within

2979

01:54:30,229 --> 01:54:27,360

a year i was homeless on the streets i

2980

01:54:32,550 --> 01:54:30,239

had to lose myself to find myself again

2981

01:54:34,070 --> 01:54:32,560

yeah yeah and like i said i wouldn't

2982

01:54:34,629 --> 01:54:34,080

trade my experience for the world

2983

01:54:36,470 --> 01:54:34,639

because

2984

01:54:38,310 --> 01:54:36,480

you know it was it was terrible

2985

01:54:39,669 --> 01:54:38,320

suffering through that but it gave me a

2986

01:54:42,470 --> 01:54:39,679

tremendous empathy

2987

01:54:42,870 --> 01:54:42,480

that i wouldn't trade for anything you

2988

01:54:45,589 --> 01:54:42,880

know

2989

01:54:47,589 --> 01:54:45,599

it made me it did this like you said it

2990

01:54:50,070 --> 01:54:47,599

made me who i was and now

2991

01:54:50,870 --> 01:54:50,080

and and it also made me like after that

2992

01:54:53,430 --> 01:54:50,880

happened to me

2993

01:54:54,310 --> 01:54:53,440

i actually got up off my ass and stopped

2994

01:54:55,510 --> 01:54:54,320

being lazy

2995

01:54:56,790 --> 01:54:55,520

you know part of my issues with my

2996

01:54:57,669 --> 01:54:56,800

father is he just wanted me to have a

2997

01:54:59,830 --> 01:54:57,679

job

2998

01:55:01,669 --> 01:54:59,840

and i kept getting fired from places and

2999

01:55:03,589 --> 01:55:01,679

then i'd go like a month without a job

3000

01:55:05,270 --> 01:55:03,599

and get a new job for a few weeks and

3001

01:55:07,109 --> 01:55:05,280

get fired or quit

3002

01:55:08,790 --> 01:55:07,119

and getting i was constantly doing that

3003

01:55:10,149 --> 01:55:08,800

and my father was like old school like

3004

01:55:11,910 --> 01:55:10,159

you gotta work

3005

01:55:13,430 --> 01:55:11,920

if you're not in school you're working

3006

01:55:15,510 --> 01:55:13,440

and you know

3007

01:55:17,189 --> 01:55:15,520

hindsight's always 20 20 so years later

3008

01:55:17,589 --> 01:55:17,199

in life i had to forgive my father

3009

01:55:19,669 --> 01:55:17,599

because

3010

01:55:20,950 --> 01:55:19,679

he didn't ask all that much of me i was

3011

01:55:24,629 --> 01:55:20,960

just young and stupid

3012

01:55:27,910 --> 01:55:24,639

so we butted heads um but

3013

01:55:30,310 --> 01:55:27,920

and also being in that situation made me

3014

01:55:32,149 --> 01:55:30,320

wake up and realize like oh you have to

3015

01:55:33,910 --> 01:55:32,159

work every day if you want to have a

3016

01:55:36,149 --> 01:55:33,920

roof over your head you have to work

3017

01:55:38,550 --> 01:55:36,159

every day if you want to be able to eat

3018

01:55:39,270 --> 01:55:38,560

it made me it gave me a work ethic

3019

01:55:42,229 --> 01:55:39,280

because once

3020

01:55:42,709 --> 01:55:42,239

i got out of that situation i said never

3021

01:55:47,589 --> 01:55:42,719

again

3022

01:55:49,990 --> 01:55:47,599

it also made me a little bit neurotic

3023

01:55:51,750 --> 01:55:50,000

though about being about ever ending up

3024

01:55:53,910 --> 01:55:51,760

in that situation again so i

3025

01:55:55,750 --> 01:55:53,920

did things like buy a big van that i

3026

01:55:56,470 --> 01:55:55,760

turned into a camping van because i

3027

01:55:58,229 --> 01:55:56,480

figured

3028

01:56:00,629 --> 01:55:58,239

no matter how bad things get i can

3029

01:56:01,910 --> 01:56:00,639

always sleep in the van if i had a van

3030

01:56:02,390 --> 01:56:01,920

while i was homeless that would have

3031

01:56:04,149 --> 01:56:02,400

been like

3032

01:56:05,750 --> 01:56:04,159

living a life of luxury compared to

3033

01:56:08,870 --> 01:56:05,760

sleeping on a park bench you know

3034

01:56:10,629 --> 01:56:08,880

or the cabin as a backup place in case

3035

01:56:13,510 --> 01:56:10,639

anything ever happens i'll never be

3036

01:56:17,109 --> 01:56:16,070

so as far as the points on the curve guy

3037

01:56:18,709 --> 01:56:17,119

i wish him the best

3038

01:56:21,589 --> 01:56:18,719

if he appears to be struggling and i

3039

01:56:23,510 --> 01:56:21,599

hope that he's that he finds his way

3040

01:56:25,189 --> 01:56:23,520

everybody has a road to redemption i

3041

01:56:25,669 --> 01:56:25,199

truly believe that and i hope he finds

3042

01:56:27,109 --> 01:56:25,679

his

3043

01:56:28,790 --> 01:56:27,119

uh you know i don't wish him any ill

3044

01:56:29,510 --> 01:56:28,800

will but i'm allowed to comment or

3045

01:56:32,950 --> 01:56:29,520

observe

3046

01:56:36,229 --> 01:56:32,960

uh what's going on and that's my opinion

3047

01:56:39,669 --> 01:56:36,239

about some of the stuff going on

3048

01:56:42,470 --> 01:56:39,679

um hopefully things will improve for him

3049

01:56:43,830 --> 01:56:42,480

as far as his situation goes but you

3050

01:56:45,830 --> 01:56:43,840

know i don't think uh

3051
01:56:47,589 --> 01:56:45,840
suddenly trying to be a youtube star is

3052
01:56:49,990 --> 01:56:47,599
a good idea if you are in a struggling

3053
01:56:51,990 --> 01:56:50,000
situation

3054
01:56:53,430 --> 01:56:52,000
so friends i want to thank each and

3055
01:56:55,109 --> 01:56:53,440
every one of you for joining me tonight

3056
01:56:57,830 --> 01:56:55,119
tonight was really fun we got to get

3057
01:57:02,229 --> 01:56:57,840
back to

3058
01:57:05,030 --> 01:57:02,239
psychics we got to explore

3059
01:57:05,430 --> 01:57:05,040
and present some information from web

3060
01:57:08,550 --> 01:57:05,440
bot

3061
01:57:10,149 --> 01:57:08,560
x the oracle and

3062
01:57:12,550 --> 01:57:10,159
our next show we're going to have a

3063
01:57:15,750 --> 01:57:12,560

guest and be discussing

3064

01:57:17,030 --> 01:57:15,760

um john edward i happen to find it's dan

3065

01:57:19,270 --> 01:57:17,040

hogan who got

3066

01:57:21,589 --> 01:57:19,280

who went to an event with john edward

3067

01:57:23,189 --> 01:57:21,599

and i attended a taping with john edward

3068

01:57:24,229 --> 01:57:23,199

and we're both going to tell our stories

3069

01:57:26,550 --> 01:57:24,239

about

3070

01:57:27,669 --> 01:57:26,560

one of my favorite psychics fake psychic

3071

01:57:29,669 --> 01:57:27,679

extraordinaire john

3072

01:57:31,109 --> 01:57:29,679

edward so friends we're quickly

3073

01:57:32,790 --> 01:57:31,119

approaching the two-hour mark and we've

3074

01:57:35,910 --> 01:57:32,800

got to keep it under the two hours

3075

01:57:37,910 --> 01:57:35,920

so we're gonna do that

3076

01:57:39,189 --> 01:57:37,920

until next time friends my name is

3077

01:57:57,820 --> 01:57:39,199

stephen champion

3078

01:59:16,120 --> 01:58:36,990

[Music]
