

1
00:02:09,109 --> 00:00:48,180

[Music]

2
00:02:12,229 --> 00:02:11,510

greetings and salutations friends and

3
00:02:14,630 --> 00:02:12,239

welcome back

4
00:02:16,229 --> 00:02:14,640

to truth seekers we are once again

5
00:02:19,270 --> 00:02:16,239

broadcasting live

6
00:02:22,150 --> 00:02:19,280

from the apocalypse cabin

7
00:02:22,710 --> 00:02:22,160

you know i don't want to get negative

8
00:02:24,550 --> 00:02:22,720

but

9
00:02:26,390 --> 00:02:24,560

some people talk about broadcasting from

10
00:02:28,630 --> 00:02:26,400

a bunker when they're really in some

11
00:02:31,030 --> 00:02:28,640

bedroom

12
00:02:33,110 --> 00:02:31,040

uh i got a real bunker these are two

13
00:02:35,750 --> 00:02:33,120

foot thick walls

14

00:02:37,190 --> 00:02:35,760

uh but in any case we are live from the

15

00:02:39,910 --> 00:02:37,200

apocalypse cabin

16

00:02:40,710 --> 00:02:39,920

and uh tonight we're gonna be i hope

17

00:02:44,070 --> 00:02:40,720

wrapping up

18

00:02:46,790 --> 00:02:44,080

our series of my favorite fake psychics

19

00:02:48,710 --> 00:02:46,800

as much fun as as it has been i think

20

00:02:50,390 --> 00:02:48,720

the response was not quite what i

21

00:02:52,150 --> 00:02:50,400

imagined i thought that people would be

22

00:02:54,470 --> 00:02:52,160

a little more interested in hearing the

23

00:02:56,630 --> 00:02:54,480

secrets behind these fake psychics

24

00:02:59,430 --> 00:02:56,640

but it seems like after you explain

25

00:03:02,470 --> 00:02:59,440

one's methods the rest of them are just

26

00:03:06,470 --> 00:03:02,480

very similar a little bit of off take

27

00:03:08,949 --> 00:03:06,480

each has to their methodology

28

00:03:10,790 --> 00:03:08,959

so not much interest there but i still

29

00:03:12,309 --> 00:03:10,800

wanted to conclude the series with one

30

00:03:14,550 --> 00:03:12,319

of my favorites john

31

00:03:15,990 --> 00:03:14,560

edward for those that don't know or

32

00:03:18,630 --> 00:03:16,000

remember john edward

33

00:03:19,830 --> 00:03:18,640

rose to huge international fame with a

34

00:03:23,110 --> 00:03:19,840

television show

35

00:03:24,949 --> 00:03:23,120

crossing over where he would talk to

36

00:03:28,309 --> 00:03:24,959

people's dead relatives

37

00:03:31,270 --> 00:03:28,319

he's written books given courses

38

00:03:31,990 --> 00:03:31,280

on how you too can become a medium and

39

00:03:36,550 --> 00:03:32,000

talk to dead

40

00:03:39,350 --> 00:03:36,560

people uh not sure what mr edward

41

00:03:40,470 --> 00:03:39,360

has been up to lately i think he fell

42

00:03:43,110 --> 00:03:40,480

off the radar

43

00:03:43,990 --> 00:03:43,120

and the gravy train dried up for mr

44

00:03:47,350 --> 00:03:44,000

edward

45

00:03:50,470 --> 00:03:47,360

but i wanted to uh unpack a story

46

00:03:53,350 --> 00:03:50,480

about when i saw a taping of uh

47

00:03:55,429 --> 00:03:53,360

john edwards show which may explain how

48

00:03:57,589 --> 00:03:55,439

he's able to get all of these tremendous

49

00:04:01,350 --> 00:03:57,599

hits on his television show

50

00:04:02,070 --> 00:04:01,360

um but i also uh wanted to find anybody

51

00:04:06,070 --> 00:04:02,080

else that

52

00:04:08,309 --> 00:04:06,080

had a a similar experience or had some

53

00:04:09,509 --> 00:04:08,319

personal knowledge of an encounter with

54

00:04:12,470 --> 00:04:09,519

mr edward and we

55

00:04:14,550 --> 00:04:12,480

found our friend dan hogan you may

56

00:04:17,590 --> 00:04:14,560

remember dan hogan uh

57

00:04:18,629 --> 00:04:17,600

sort of ghost hunting guy that helped us

58

00:04:21,670 --> 00:04:18,639

with this evp

59

00:04:22,069 --> 00:04:21,680

show and uh we're gonna bring mr hogan

60

00:04:25,110 --> 00:04:22,079

in

61

00:04:29,030 --> 00:04:25,120

and and hear his story of john edward

62

00:04:31,430 --> 00:04:29,040

uh let's here we go

63

00:04:32,629 --> 00:04:31,440

there's mr hogan how are we doing how

64

00:04:35,590 --> 00:04:32,639

are you doing dan

65

00:04:36,629 --> 00:04:35,600

i'm doing good dan is an er you're is

66

00:04:39,670 --> 00:04:36,639

that your first child

67

00:04:41,110 --> 00:04:39,680

right no this is actually my third child

68

00:04:43,270 --> 00:04:41,120

third child okay but he's a very

69

00:04:46,390 --> 00:04:43,280

concerned father because we had to work

70

00:04:47,830 --> 00:04:46,400

out the show in between his baby's

71

00:04:50,150 --> 00:04:47,840

feeding schedule

72

00:04:52,629 --> 00:04:50,160

which i totally remember man you can't

73

00:04:55,189 --> 00:04:52,639

miss a scheduled feeding so

74

00:04:56,870 --> 00:04:55,199

so listen dan first thing i thought we

75

00:04:58,629 --> 00:04:56,880

would do is watch this really funny

76

00:05:00,469 --> 00:04:58,639

video that i found because it explains

77

00:05:02,150 --> 00:05:00,479

most of what anybody needs to know about

78

00:05:04,870 --> 00:05:02,160

john edward

79

00:05:06,790 --> 00:05:04,880

first of all the guy uses cold reading

80

00:05:07,749 --> 00:05:06,800

and he's not even a very good cold

81

00:05:10,390 --> 00:05:07,759

reader he's

82

00:05:11,990 --> 00:05:10,400

just average at it and i believe that he

83

00:05:14,390 --> 00:05:12,000

uses a few other

84

00:05:16,790 --> 00:05:14,400

uh techniques which you may be able to

85

00:05:19,830 --> 00:05:16,800

fill us in on

86

00:05:21,830 --> 00:05:19,840

so but first let's share this this i'm

87

00:05:24,390 --> 00:05:21,840

gonna cite fair use we're educating the

88

00:05:28,230 --> 00:05:24,400

public about fake psychics and mediums

89

00:05:30,790 --> 00:05:28,240

and specifically john edward

90

00:05:32,790 --> 00:05:30,800

and we're gonna uh be commenting

91

00:05:34,469 --> 00:05:32,800

critiquing and educating the public so

92

00:05:38,230 --> 00:05:34,479

this is fair use

93

00:05:40,550 --> 00:05:38,240

sharing this sharing this video which is

94

00:05:44,710 --> 00:05:40,560

titled john edward crossing over

95

00:05:46,790 --> 00:05:44,720

the line false hope and fraud

96

00:05:49,110 --> 00:05:46,800

and uh you know i haven't thought about

97

00:05:49,749 --> 00:05:49,120

south park for a while but the intro to

98

00:05:52,710 --> 00:05:49,759

this

99

00:05:54,310 --> 00:05:52,720

made me laugh and i think explains most

100

00:05:56,790 --> 00:05:54,320

of what you need to know about

101
00:05:57,670 --> 00:05:56,800
our fake psychic medium friend john

102
00:06:00,710 --> 00:05:57,680
edward

103
00:06:02,629 --> 00:06:00,720
uh so let's take uh let's

104
00:06:04,390 --> 00:06:02,639
this is gonna be a fun show let's start

105
00:06:07,189 --> 00:06:04,400
it off in a fun way

106
00:06:10,790 --> 00:06:07,199
because how what's more fun than south

107
00:06:12,790 --> 00:06:10,800
park making fun of this clown right

108
00:06:15,510 --> 00:06:12,800
john edwards you are a liar you are a

109
00:06:17,749 --> 00:06:15,520
fake and you are the biggest douche ever

110
00:06:19,430 --> 00:06:17,759
everyone is positive and gives them hope

111
00:06:20,710 --> 00:06:19,440
how does that make me a douche

112
00:06:22,070 --> 00:06:20,720
because the big questions in life are

113
00:06:23,510 --> 00:06:22,080

tough why are we here where are we from

114

00:06:25,110 --> 00:06:23,520

where are we going but if people believe

115

00:06:26,469 --> 00:06:25,120

in [\h__\h] douche liars like you we're

116

00:06:27,189 --> 00:06:26,479

never going to find the real answer to

117

00:06:28,550 --> 00:06:27,199

those questions

118

00:06:32,830 --> 00:06:28,560

you aren't just lying you're slowing

119

00:06:32,840 --> 00:06:37,749

douche

120

00:06:40,230 --> 00:06:38,950

it's a trick you do and i need you to

121

00:06:41,670 --> 00:06:40,240

just let my friend kyle know that so he

122

00:06:43,110 --> 00:06:41,680

can go on with his life

123

00:06:44,950 --> 00:06:43,120

right to be skeptical i really hear

124

00:06:46,469 --> 00:06:44,960

voices in my head yes we all hear voices

125

00:06:47,830 --> 00:06:46,479

in our heads it's called intuition

126

00:06:49,430 --> 00:06:47,840

get over yourself and tell my friend

127

00:06:51,110 --> 00:06:49,440

it's just for fun look what i do doesn't

128

00:06:52,390 --> 00:06:51,120

hurt anybody i give people closure and

129

00:06:53,990 --> 00:06:52,400

help them cope with life

130

00:06:55,430 --> 00:06:54,000

no you give them false hope and a belief

131

00:06:56,150 --> 00:06:55,440

in something that isn't real but i'm a

132

00:06:58,390 --> 00:06:56,160

psychic

133

00:06:59,749 --> 00:06:58,400

no dude you're a douche i'm not a dude

134

00:07:00,550 --> 00:06:59,759

what if i really believe dead people

135

00:07:02,629 --> 00:07:00,560

talk to me

136

00:07:03,990 --> 00:07:02,639

then you're a stupid douche when you

137

00:07:05,589 --> 00:07:04,000

understand the process

138

00:07:07,110 --> 00:07:05,599

but if you're looking for a reading to

139

00:07:10,150 --> 00:07:07,120

fix your grief

140

00:07:11,430 --> 00:07:10,160

it does not the john edwards show is not

141

00:07:12,950 --> 00:07:11,440

liable for opinions and materials given

142

00:07:14,870 --> 00:07:12,960

for entertainment purposes only

143

00:07:16,150 --> 00:07:14,880

so i want to be very very clear it's

144

00:07:17,990 --> 00:07:16,160

entertainment purposes

145

00:07:19,670 --> 00:07:18,000

i'm ready to go there's a younger male

146

00:07:21,189 --> 00:07:19,680

energy in this section that make me feel

147

00:07:22,230 --> 00:07:21,199

like this would be son nephew grandson

148

00:07:24,230 --> 00:07:22,240

there is a cancer

149

00:07:25,909 --> 00:07:24,240

connection that comes up here this makes

150

00:07:27,589 --> 00:07:25,919

sense

151
00:07:29,350 --> 00:07:27,599
yeah cancer is the second leading cause

152
00:07:32,550 --> 00:07:29,360
of death way to go out on ellen

153
00:07:33,909 --> 00:07:32,560
there john what a douche where's robert

154
00:07:35,670 --> 00:07:33,919
robbie rob where's the

155
00:07:36,950 --> 00:07:35,680
i'm sensing an a does your name begin

156
00:07:40,230 --> 00:07:36,960
with an a no

157
00:07:43,110 --> 00:07:40,240
a b now c d e f g h i j

158
00:07:43,510 --> 00:07:43,120
k l m n o p p peter my name's peter is

159
00:07:47,830 --> 00:07:43,520
your name

160
00:07:49,510 --> 00:07:47,840
peter wow you are some kind of sorcerer

161
00:07:51,670 --> 00:07:49,520
like you guys over here the four of you

162
00:07:54,790 --> 00:07:51,680
all together the three of you okay

163
00:07:57,830 --> 00:07:54,800

robert my father passed yes okay cancer

164

00:08:00,629 --> 00:07:57,840

no where's the bone

165

00:08:01,749 --> 00:08:00,639

too is my grandfather and his mom

166

00:08:02,710 --> 00:08:01,759

somebody had something affected their

167

00:08:09,670 --> 00:08:02,720

bone

168

00:08:11,110 --> 00:08:09,680

and pass from that yes

169

00:08:13,110 --> 00:08:11,120

she's making me feel like when she

170

00:08:14,469 --> 00:08:13,120

passes she passes either around or on a

171

00:08:16,070 --> 00:08:14,479

governmental holiday

172

00:08:20,469 --> 00:08:16,080

or something that would be celebratory

173

00:08:24,550 --> 00:08:22,869

so pretty much any time of the year yeah

174

00:08:28,309 --> 00:08:24,560

way to go with the generalization

175

00:08:30,469 --> 00:08:28,319

um my american flag

176

00:08:31,670 --> 00:08:30,479

so when i see the flag yeah when i see

177

00:08:33,029 --> 00:08:31,680

that it lets me know that we're talking

178

00:08:35,670 --> 00:08:33,039

about like either july

179

00:08:36,630 --> 00:08:35,680

11th yeah it's july 4th veterans day

180

00:08:38,949 --> 00:08:36,640

memorial day

181

00:08:41,350 --> 00:08:38,959

did he pass in the september 11th yes

182

00:08:43,190 --> 00:08:41,360

simon your dad is robert we we

183

00:08:45,430 --> 00:08:43,200

already addressed that are you the baby

184

00:08:47,350 --> 00:08:45,440

girl of the family

185

00:08:49,350 --> 00:08:47,360

okay he's making me feel like you're the

186

00:08:52,310 --> 00:08:49,360

baby girl yeah wrong again

187

00:08:54,150 --> 00:08:52,320

so this this is just one of the and this

188

00:08:55,910 --> 00:08:54,160

is a reading that he let go

189

00:08:57,990 --> 00:08:55,920

on his show so imagine how bad the

190

00:09:00,710 --> 00:08:58,000

readings are that he edits out

191

00:09:02,470 --> 00:09:00,720

how bad those are we'll unpack more and

192

00:09:04,790 --> 00:09:02,480

hear more about that in a bit

193

00:09:06,470 --> 00:09:04,800

i do i did want to just stop this every

194

00:09:08,070 --> 00:09:06,480

so often so that we don't get the

195

00:09:10,630 --> 00:09:08,080

dreaded black screen

196

00:09:11,750 --> 00:09:10,640

policy violation from youtube somehow

197

00:09:13,910 --> 00:09:11,760

people can

198

00:09:15,829 --> 00:09:13,920

do watch parties watching whole movies

199

00:09:18,150 --> 00:09:15,839

and not get that but we get it when we

200

00:09:19,829 --> 00:09:18,160

don't stop a video every so often

201

00:09:21,590 --> 00:09:19,839

it is what it is friends that's how it's

202

00:09:22,070 --> 00:09:21,600

come across to me he's also making me

203

00:09:23,269 --> 00:09:22,080

feel like

204

00:09:25,190 --> 00:09:23,279

is his mother still here he's telling me

205

00:09:26,389 --> 00:09:25,200

to acknowledge his mom yes we need to

206

00:09:27,110 --> 00:09:26,399

make sure that his mom knows that he

207

00:09:30,470 --> 00:09:27,120

came through

208

00:09:33,990 --> 00:09:30,480

she needs a big hug okay no questions no

209

00:09:37,750 --> 00:09:36,710

captain obvious he strikes again i

210

00:09:39,110 --> 00:09:37,760

always say that

211

00:09:40,870 --> 00:09:39,120

as mom there's no greater loss than the

212

00:09:41,590 --> 00:09:40,880

loss of a child don't lose sight of that

213

00:09:45,110 --> 00:09:41,600

there's a feeling

214

00:09:47,110 --> 00:09:45,120

okay now you talked to him that day

215

00:09:48,230 --> 00:09:47,120

i yes i did what i don't understand

216

00:09:50,230 --> 00:09:48,240

though is from him

217

00:09:51,829 --> 00:09:50,240

is he's doing something very different

218

00:09:53,590 --> 00:09:51,839

for me than i think the norm would be

219

00:09:56,230 --> 00:09:53,600

for what he would do

220

00:09:57,430 --> 00:09:56,240

so if he normally did abc as a

221

00:09:59,509 --> 00:09:57,440

firefighter

222

00:10:01,670 --> 00:09:59,519

that day he did one two three in

223

00:10:03,670 --> 00:10:01,680

addition to abc it's his first day back

224

00:10:05,590 --> 00:10:03,680

to work after surgery

225

00:10:07,670 --> 00:10:05,600

okay and he was working a different

226

00:10:08,150 --> 00:10:07,680

firehouse because my feeling is that he

227

00:10:13,590 --> 00:10:08,160

wasn't

228

00:10:16,710 --> 00:10:13,600

normally would be doing

229

00:10:18,150 --> 00:10:16,720

right okay and do you have two boys i do

230

00:10:20,550 --> 00:10:18,160

now yes my

231

00:10:21,750 --> 00:10:20,560

young son passed away last year he's

232

00:10:24,870 --> 00:10:21,760

telling me to talk about

233

00:10:28,150 --> 00:10:26,389

why isn't the dead son talking so you

234

00:10:30,310 --> 00:10:28,160

lost your son after your husband

235

00:10:32,150 --> 00:10:30,320

yes that's his son as well i had three

236

00:10:36,069 --> 00:10:32,160

sons right but one of them has passed

237

00:10:38,949 --> 00:10:36,079

yes after him yes

238

00:10:39,670 --> 00:10:38,959

so it's your brother who passed yeah

239

00:10:41,750 --> 00:10:39,680

it's so funny

240

00:10:43,110 --> 00:10:41,760

it's like they don't want to talk about

241

00:10:45,990 --> 00:10:43,120

it

242

00:10:46,710 --> 00:10:46,000

was he killed just yes or no as best as

243

00:10:49,829 --> 00:10:46,720

you can no

244

00:10:51,990 --> 00:10:49,839

what i'm being shown again and fast

245

00:10:53,350 --> 00:10:52,000

and not an illness that's why i said is

246

00:10:54,389 --> 00:10:53,360

he being killed it's was he killed and

247

00:10:55,750 --> 00:10:54,399

the reason why i said that is

248

00:10:57,430 --> 00:10:55,760

he's not taking the responsibility on

249

00:10:58,949 --> 00:10:57,440

for how he got there so

250

00:11:00,069 --> 00:10:58,959

if he's not taking on responsibility my

251

00:11:01,350 --> 00:11:00,079

immediate feeling would be well

252

00:11:02,630 --> 00:11:01,360

something had to happen to him

253

00:11:03,750 --> 00:11:02,640

and you're saying no so clearly he had

254

00:11:04,550 --> 00:11:03,760

to be involved in his own passing for

255

00:11:06,550 --> 00:11:04,560

what you're saying

256

00:11:07,910 --> 00:11:06,560

but um he's not yeah and they all do

257

00:11:11,190 --> 00:11:07,920

this they backpedal

258

00:11:13,190 --> 00:11:11,200

and make excuses when they fail

259

00:11:15,110 --> 00:11:13,200

cold reading i suppose is the way that a

260

00:11:16,550 --> 00:11:15,120

complete stranger can seemingly tell you

261

00:11:17,990 --> 00:11:16,560

everything about yourself without

262

00:11:19,750 --> 00:11:18,000

without being psychic

263

00:11:21,269 --> 00:11:19,760

and without knowing anything about you

264

00:11:22,949 --> 00:11:21,279

uh i thought this video was

265

00:11:24,389 --> 00:11:22,959

also appropriate because a lot of people

266

00:11:27,030 --> 00:11:24,399

have mentioned darren brown to me i'm

267

00:11:28,870 --> 00:11:27,040

a former magician so i'm very familiar

268

00:11:29,670 --> 00:11:28,880

with darren brown he is probably the

269

00:11:32,870 --> 00:11:29,680

world's leading

270

00:11:36,470 --> 00:11:32,880

mentalist or mental magician uh

271

00:11:38,870 --> 00:11:36,480

just a tremendous talent um in essence

272

00:11:39,829 --> 00:11:38,880

the cold reader or psychic is supplying

273

00:11:41,350 --> 00:11:39,839

a lot of words

274

00:11:43,269 --> 00:11:41,360

and you as the sitter the other person

275

00:11:45,430 --> 00:11:43,279

is supplying the meaning to those words

276

00:11:46,949 --> 00:11:45,440

um and it relies on a lot of techniques

277

00:11:49,430 --> 00:11:46,959

it's not really

278

00:11:50,389 --> 00:11:49,440

a question of forensic body reading and

279

00:11:51,590 --> 00:11:50,399

the sort of things that

280

00:11:53,590 --> 00:11:51,600

people might it's not really normally

281

00:11:56,629 --> 00:11:53,600

even even that clever

282

00:11:57,910 --> 00:11:56,639

there are linguistic tricks which uh

283

00:12:00,470 --> 00:11:57,920

unless you're aware of them are very

284

00:12:02,550 --> 00:12:00,480

easy to fall for

285

00:12:04,310 --> 00:12:02,560

and those tricks can give the impression

286

00:12:07,509 --> 00:12:04,320

that the person knows everything about

287

00:12:09,750 --> 00:12:07,519

your character or might

288

00:12:10,870 --> 00:12:09,760

refer to facts and things from your life

289

00:12:12,470 --> 00:12:10,880

okay i'm gonna pretend that a dead

290

00:12:15,190 --> 00:12:12,480

person is talking to me about you okay

291

00:12:16,470 --> 00:12:15,200

okay watch kyle it's an older man

292

00:12:18,550 --> 00:12:16,480

someone very close to you

293

00:12:20,150 --> 00:12:18,560

my father does this month november hold

294

00:12:22,470 --> 00:12:20,160

a special significance

295

00:12:24,150 --> 00:12:22,480

my birthday's in november right because

296

00:12:26,230 --> 00:12:24,160

he's saying tell her happy birthday

297

00:12:27,269 --> 00:12:26,240

oh my god the kyle you're probably with

298

00:12:28,550 --> 00:12:27,279

something really boring

299

00:12:29,910 --> 00:12:28,560

the man be betting that based on this

300

00:12:31,350 --> 00:12:29,920

woman's age her father is most likely

301

00:12:32,710 --> 00:12:31,360

dead but if her father wasn't dead i

302

00:12:33,670 --> 00:12:32,720

could still say it was some other older

303

00:12:35,990 --> 00:12:33,680

man

304

00:12:37,110 --> 00:12:36,000

her birthday was in november i didn't i

305

00:12:38,310 --> 00:12:37,120

just asked her if november meant

306

00:12:39,829 --> 00:12:38,320

anything her father could have died in

307

00:12:41,190 --> 00:12:39,839

november or thanksgiving could have been

308

00:12:42,949 --> 00:12:41,200

really special for them but i go with

309

00:12:44,710 --> 00:12:42,959

the birthday and validate it now as if i

310

00:12:45,590 --> 00:12:44,720

knew by saying he wishes you a happy

311

00:12:49,350 --> 00:12:45,600

birthday

312

00:12:52,470 --> 00:12:51,670

honey stop worrying about the money oh

313

00:12:54,069 --> 00:12:52,480

my god

314

00:12:56,069 --> 00:12:54,079

my sister and i have been fighting over

315

00:12:57,350 --> 00:12:56,079

as inhabitants that's amazing

316

00:12:58,629 --> 00:12:57,360

no it isn't when a father dies

317

00:12:59,829 --> 00:12:58,639

inheritance is usually an issue and

318

00:13:00,870 --> 00:12:59,839

money is something everyone worries

319

00:13:03,269 --> 00:13:00,880

about

320

00:13:04,069 --> 00:13:03,279

the only problem i guess i have is that

321

00:13:08,230 --> 00:13:04,079

you know if

322

00:13:10,310 --> 00:13:08,240

if god somebody who passed on in my life

323

00:13:13,190 --> 00:13:10,320

wanted to talk to me why wouldn't they

324

00:13:14,550 --> 00:13:13,200

come directly to me why would i need you

325

00:13:16,230 --> 00:13:14,560

that's a great question i actually think

326

00:13:16,790 --> 00:13:16,240

they do and one of my one of my things

327

00:13:18,150 --> 00:13:16,800

you know

328

00:13:20,230 --> 00:13:18,160

when i was a kid and i started doing

329

00:13:20,949 --> 00:13:20,240

this 25 years ago my grandmother would

330

00:13:22,790 --> 00:13:20,959

hear me say

331

00:13:24,069 --> 00:13:22,800

to my clients you know you don't need me

332

00:13:25,190 --> 00:13:24,079

if you pay attention to the energy

333

00:13:26,870 --> 00:13:25,200

that's around you you'll be able to

334

00:13:28,470 --> 00:13:26,880

recognize the signs and symbols

335

00:13:29,910 --> 00:13:28,480

of how your family communicates with you

336

00:13:31,030 --> 00:13:29,920

and then these people would leave and my

337

00:13:32,470 --> 00:13:31,040

grandmother go

338

00:13:33,829 --> 00:13:32,480

what are you telling people stuff like

339

00:13:34,629 --> 00:13:33,839

that for you're not going to have any

340

00:13:36,389 --> 00:13:34,639

business

341

00:13:37,910 --> 00:13:36,399

and i'm like listen it's not about

342

00:13:41,509 --> 00:13:37,920

business it's about teaching

343

00:13:46,710 --> 00:13:45,189

50 to 800 and yes look i've read all

344

00:13:47,750 --> 00:13:46,720

your critics i read the new york times

345

00:13:49,910 --> 00:13:47,760

magazine i read

346

00:13:51,829 --> 00:13:49,920

the whole dateline the thing time

347

00:13:53,750 --> 00:13:51,839

accusing you of using these very

348

00:13:55,350 --> 00:13:53,760

you know a cold read where you can read

349

00:13:56,629 --> 00:13:55,360

people i've been able to read people my

350

00:13:58,230 --> 00:13:56,639

entire life because i've interviewed

351

00:14:01,110 --> 00:13:58,240

people now for 20 some odd years

352

00:14:03,350 --> 00:14:01,120

okay so you can read people that way or

353

00:14:04,310 --> 00:14:03,360

houdini used to have microphones and he

354

00:14:06,069 --> 00:14:04,320

would pick up

355

00:14:07,509 --> 00:14:06,079

stories and then he'd seem like a genius

356

00:14:09,189 --> 00:14:07,519

i know exactly what you're thinking but

357

00:14:11,189 --> 00:14:09,199

meanwhile they had picked it up earlier

358

00:14:13,269 --> 00:14:11,199

so there are techniques that hucksters

359

00:14:14,870 --> 00:14:13,279

and and fraud people use you're saying

360

00:14:18,470 --> 00:14:14,880

you never use that

361

00:14:19,750 --> 00:14:18,480

never no actually look kyle

362

00:14:21,430 --> 00:14:19,760

is on the internet i think john edward

363

00:14:23,030 --> 00:14:21,440

has the entire studio wired to hear what

364

00:14:24,790 --> 00:14:23,040

people are talking about before the show

365

00:14:26,230 --> 00:14:24,800

and he pays actors to be planned in the

366

00:14:27,910 --> 00:14:26,240

audience you're just jealous he's a

367

00:14:30,150 --> 00:14:27,920

better psychic than you

368

00:14:32,470 --> 00:14:30,160

right let me ask you this did you in

369

00:14:33,829 --> 00:14:32,480

your show do you edit out parts no it

370

00:14:36,150 --> 00:14:33,839

doesn't make you look good as

371

00:14:37,269 --> 00:14:36,160

as time magazine you can literally call

372

00:14:38,230 --> 00:14:37,279

i tell you but

373

00:14:39,750 --> 00:14:38,240

i'm saying you could literally speak to

374

00:14:40,629 --> 00:14:39,760

me you read the piece that said that you

375

00:14:43,829 --> 00:14:40,639

do oh

376
00:14:45,670 --> 00:14:43,839
absolutely you don't do that they edited

377
00:14:47,189 --> 00:14:45,680
for time people edit for time but if

378
00:14:48,629 --> 00:14:47,199
they took things out that were

379
00:14:50,230 --> 00:14:48,639
inaccurate they took out things that

380
00:14:52,629 --> 00:14:50,240
were more accurate

381
00:14:55,509 --> 00:14:52,639
oh man i can't believe i got fooled by

382
00:14:58,069 --> 00:14:56,710
they must edit the shows down on

383
00:14:59,350 --> 00:14:58,079
television to only show him getting

384
00:15:00,389 --> 00:14:59,360
mostly right answers

385
00:15:01,910 --> 00:15:00,399
at first i thought you were all just

386
00:15:03,030 --> 00:15:01,920
stupid listen to this douche's advice

387
00:15:04,710 --> 00:15:03,040
but now i understand that you're all

388
00:15:06,069 --> 00:15:04,720

here because you're scared you're scared

389

00:15:07,509 --> 00:15:06,079

of death and he offers you some kind of

390

00:15:08,870 --> 00:15:07,519

understanding

391

00:15:10,550 --> 00:15:08,880

you won't want to believe in it so much

392

00:15:11,350 --> 00:15:10,560

i know you do you find comfort in the

393

00:15:12,550 --> 00:15:11,360

thought that your loved ones are

394

00:15:13,350 --> 00:15:12,560

floating around trying to talk to you

395

00:15:15,189 --> 00:15:13,360

but think about it

396

00:15:16,629 --> 00:15:15,199

is that really what you want to just be

397

00:15:17,860 --> 00:15:16,639

floating around after you die having to

398

00:15:19,269 --> 00:15:17,870

talk to this [h__\h]

399

00:15:20,710 --> 00:15:19,279

[Music]

400

00:15:23,269 --> 00:15:20,720

we need to recognize this stuff for what

401
00:15:25,829 --> 00:15:23,279
it is magic tricks

402
00:15:26,310 --> 00:15:25,839
we offer a million dollar prize to any

403
00:15:30,790 --> 00:15:26,320
person

404
00:15:32,310 --> 00:15:30,800
any paranormal alcohol or supernatural

405
00:15:34,710 --> 00:15:32,320
event of any kind

406
00:15:36,230 --> 00:15:34,720
under proper observing conditions it's

407
00:15:39,269 --> 00:15:36,240
that simple

408
00:15:41,590 --> 00:15:39,279
yeah so there we have it we have south

409
00:15:43,430 --> 00:15:41,600
park explaining to us the douche that

410
00:15:48,470 --> 00:15:43,440
john edward is

411
00:15:51,749 --> 00:15:48,480
and by the way one second friends

412
00:15:53,430 --> 00:15:51,759
okay so in the in the interview uh in

413
00:15:56,310 --> 00:15:53,440

the fox news interview he's

414

00:15:57,189 --> 00:15:56,320

he basically danced around do they edit

415

00:16:04,790 --> 00:15:57,199

the

416

00:16:07,030 --> 00:16:04,800

just edit it for time

417

00:16:08,790 --> 00:16:07,040

friends i was a personal witness to a

418

00:16:12,470 --> 00:16:08,800

taping and i

419

00:16:16,150 --> 00:16:12,480

tell you absolutely true

420

00:16:18,550 --> 00:16:16,160

he edits out all or most of the misses

421

00:16:19,430 --> 00:16:18,560

but dan hogan you got to see him in a

422

00:16:24,069 --> 00:16:19,440

different sort of

423

00:16:25,590 --> 00:16:24,079

taping for his television show

424

00:16:27,590 --> 00:16:25,600

and i know that you're pressed for time

425

00:16:30,389 --> 00:16:27,600

with that baby

426

00:16:30,949 --> 00:16:30,399

so why don't you tell us your story of

427

00:16:32,790 --> 00:16:30,959

of

428

00:16:33,990 --> 00:16:32,800

how you encountered john edward what

429

00:16:36,230 --> 00:16:34,000

were your thoughts what were your

430

00:16:37,590 --> 00:16:36,240

impressions and what was the takeaway

431

00:16:39,110 --> 00:16:37,600

when you were when you were done with

432

00:16:42,790 --> 00:16:39,120

this experience

433

00:16:43,509 --> 00:16:42,800

seeing him live so yeah like you said i

434

00:16:45,509 --> 00:16:43,519

saw him

435

00:16:46,629 --> 00:16:45,519

i guess in sort of a different capacity

436

00:16:48,790 --> 00:16:46,639

than what you did

437

00:16:50,069 --> 00:16:48,800

um we actually me and my dad actually

438

00:16:53,509 --> 00:16:50,079

went to see him

439

00:16:54,550 --> 00:16:53,519

back at the end of 2017. uh he was

440

00:16:57,350 --> 00:16:54,560

coming through

441

00:16:58,310 --> 00:16:57,360

cincinnati and it was part of his like

442

00:17:01,509 --> 00:16:58,320

2017

443

00:17:03,749 --> 00:17:01,519

psychic tour that he was doing so we

444

00:17:05,110 --> 00:17:03,759

we go down they had it at a at a hotel

445

00:17:07,350 --> 00:17:05,120

it's like the marriott

446

00:17:08,870 --> 00:17:07,360

and uh tickets were like a hundred

447

00:17:11,510 --> 00:17:08,880

dollars a pop

448

00:17:12,949 --> 00:17:11,520

so me and my dad go in and it's in like

449

00:17:16,390 --> 00:17:12,959

this massive

450

00:17:17,590 --> 00:17:16,400

you know like meeting banquet hall area

451
00:17:19,990 --> 00:17:17,600
and i would guess that there was

452
00:17:22,069 --> 00:17:20,000
probably 200 people in this room i mean

453
00:17:25,189 --> 00:17:22,079
that was a pretty that's a pretty close

454
00:17:27,270 --> 00:17:25,199
guess and um you know starts out

455
00:17:29,510 --> 00:17:27,280
his sister actually came out who i don't

456
00:17:31,669 --> 00:17:29,520
know if his sister was like his business

457
00:17:32,470 --> 00:17:31,679
man like his you know his manager or she

458
00:17:33,830 --> 00:17:32,480
was

459
00:17:35,270 --> 00:17:33,840
you know just like working on the tour

460
00:17:37,029 --> 00:17:35,280
with them but she comes out and she kind

461
00:17:38,390 --> 00:17:37,039
of goes over like you know

462
00:17:40,150 --> 00:17:38,400
their family kind of like a family

463
00:17:41,669 --> 00:17:40,160

history and like her brother and like

464

00:17:44,310 --> 00:17:41,679

you know when he started developing

465

00:17:47,110 --> 00:17:44,320

these you know abilities and whatnot

466

00:17:47,830 --> 00:17:47,120

and um she talks for like 15 or 20

467

00:17:50,150 --> 00:17:47,840

minutes

468

00:17:51,350 --> 00:17:50,160

you know introduces him and then he

469

00:17:54,070 --> 00:17:51,360

comes out and he starts

470

00:17:54,870 --> 00:17:54,080

he starts the reading and uh he was like

471

00:17:56,549 --> 00:17:54,880

you know the

472

00:17:59,029 --> 00:17:56,559

the people that he was like picking out

473

00:18:00,950 --> 00:17:59,039

like obviously like you said i think he

474

00:18:02,630 --> 00:18:00,960

some of the some of the stuff he uses

475

00:18:04,310 --> 00:18:02,640

you know he throws out sort of vague

476

00:18:05,430 --> 00:18:04,320

questions and just general statements

477

00:18:06,870 --> 00:18:05,440

and then people

478

00:18:08,710 --> 00:18:06,880

you know if they feel like that's

479

00:18:09,750 --> 00:18:08,720

something that that works with them they

480

00:18:10,549 --> 00:18:09,760

you know they would raise their hand or

481

00:18:12,950 --> 00:18:10,559

whatever

482

00:18:14,710 --> 00:18:12,960

and this i think the the total time he

483

00:18:16,789 --> 00:18:14,720

was doing this was probably

484

00:18:18,470 --> 00:18:16,799

i don't know hour 15 minutes it was

485

00:18:21,430 --> 00:18:18,480

close to an hour and a half

486

00:18:22,390 --> 00:18:21,440

and um you know the the take away that i

487

00:18:24,070 --> 00:18:22,400

got from it

488

00:18:26,070 --> 00:18:24,080

i mean being given the fact that it was

489

00:18:27,830 --> 00:18:26,080

a massive room and there's that many

490

00:18:29,430 --> 00:18:27,840

people in there

491

00:18:31,750 --> 00:18:29,440

i kind of got the feeling that these

492

00:18:34,310 --> 00:18:31,760

people that he hit on were

493

00:18:36,150 --> 00:18:34,320

were like paid actors students that you

494

00:18:38,070 --> 00:18:36,160

know they were stooges yeah and

495

00:18:39,830 --> 00:18:38,080

he you know they were he you know they'd

496

00:18:42,230 --> 00:18:39,840

already gone over this stuff

497

00:18:43,590 --> 00:18:42,240

beforehand so when you know when he

498

00:18:45,750 --> 00:18:43,600

calls them out or when they raise their

499

00:18:47,750 --> 00:18:45,760

hand and he does his whole spiel

500

00:18:49,590 --> 00:18:47,760

it it sounds more believable because i

501
00:18:50,230 --> 00:18:49,600
think that it was like rehearsed or they

502
00:18:51,909 --> 00:18:50,240
had already

503
00:18:53,510 --> 00:18:51,919
they had some kind of script i think

504
00:18:56,710 --> 00:18:53,520
that they were following

505
00:18:59,190 --> 00:18:56,720
and um you know it's it's

506
00:19:00,310 --> 00:18:59,200
i don't know i mean i think my my

507
00:19:01,750 --> 00:19:00,320
thought on it was

508
00:19:02,870 --> 00:19:01,760
you know and you've touched on this and

509
00:19:04,390 --> 00:19:02,880
these other shows that you've done

510
00:19:07,110 --> 00:19:04,400
talking about these other

511
00:19:08,950 --> 00:19:07,120
you know psychics is they're really just

512
00:19:11,270 --> 00:19:08,960
feeding off of people's

513
00:19:12,710 --> 00:19:11,280

you know emotions and people get wrapped

514

00:19:13,830 --> 00:19:12,720

up in this stuff and i guess you know in

515

00:19:16,230 --> 00:19:13,840

a way

516

00:19:17,270 --> 00:19:16,240

um i guess me and my dad were sort of in

517

00:19:20,390 --> 00:19:17,280

that same

518

00:19:23,190 --> 00:19:20,400

um

519

00:19:23,830 --> 00:19:23,200

so it's just it's sad that you know he's

520

00:19:25,909 --> 00:19:23,840

100

521

00:19:27,669 --> 00:19:25,919

a pop for 200 people i mean that's big

522

00:19:29,430 --> 00:19:27,679

money and he does this

523

00:19:30,470 --> 00:19:29,440

you know how many times a week all over

524

00:19:31,510 --> 00:19:30,480

the country for a whole year i mean

525

00:19:33,830 --> 00:19:31,520

that's big dollars

526

00:19:35,029 --> 00:19:33,840

that we're talking about yeah it's a

527

00:19:37,909 --> 00:19:35,039

huge amount of money and

528

00:19:39,190 --> 00:19:37,919

now you mentioned his family i did some

529

00:19:41,590 --> 00:19:39,200

checking and and

530

00:19:42,630 --> 00:19:41,600

the best that i can tell is that mr john

531

00:19:45,430 --> 00:19:42,640

edward came from

532

00:19:46,070 --> 00:19:45,440

basically what many would consider a

533

00:19:49,190 --> 00:19:46,080

gypsy

534

00:19:52,710 --> 00:19:49,200

family of psych and and they're psychics

535

00:19:56,390 --> 00:19:52,720

you know like grand mom is psychic

536

00:19:58,070 --> 00:19:56,400

you know uh the sister reads tarot cards

537

00:20:00,710 --> 00:19:58,080

and is some kind of other psychic but

538

00:20:01,590 --> 00:20:00,720

not a medium but the medium job is john

539

00:20:03,750 --> 00:20:01,600

edward

540

00:20:04,870 --> 00:20:03,760

in the family and when he rose to

541

00:20:07,350 --> 00:20:04,880

prominence they

542

00:20:08,870 --> 00:20:07,360

all sort of helped him with the grift

543

00:20:10,310 --> 00:20:08,880

that's the sense that i got

544

00:20:11,669 --> 00:20:10,320

and i know the sister that you're

545

00:20:13,110 --> 00:20:11,679

talking about because she was at the

546

00:20:14,950 --> 00:20:13,120

taping that i was at

547

00:20:16,390 --> 00:20:14,960

okay for his television show and she's

548

00:20:19,510 --> 00:20:16,400

sort of like a handler

549

00:20:22,549 --> 00:20:19,520

for him sort of like a uh uh

550

00:20:24,070 --> 00:20:22,559

an opening act you might say right yep

551

00:20:24,870 --> 00:20:24,080

that's the impression that i got from

552

00:20:26,149 --> 00:20:24,880

her

553

00:20:27,750 --> 00:20:26,159

i don't really remember because like i

554

00:20:29,190 --> 00:20:27,760

said this was this was like almost three

555

00:20:31,110 --> 00:20:29,200

years ago now so i mean

556

00:20:32,549 --> 00:20:31,120

parts of like parts of that are sort of

557

00:20:33,909 --> 00:20:32,559

you know vague a little bit but

558

00:20:35,350 --> 00:20:33,919

i don't remember them going in or at

559

00:20:37,350 --> 00:20:35,360

least her specifically i don't remember

560

00:20:40,310 --> 00:20:37,360

her specifically going into

561

00:20:41,990 --> 00:20:40,320

you know like a family history of you

562

00:20:43,990 --> 00:20:42,000

know mediums or anything like that it

563

00:20:46,230 --> 00:20:44,000

was more like about him

564

00:20:47,990 --> 00:20:46,240

and when like as a child when he started

565

00:20:50,390 --> 00:20:48,000

talking to dead people and how

566

00:20:51,590 --> 00:20:50,400

the family reacted to it and it was sort

567

00:20:54,390 --> 00:20:51,600

of her

568

00:20:55,190 --> 00:20:54,400

her take on like what he you know who he

569

00:20:56,549 --> 00:20:55,200

was as a

570

00:20:58,950 --> 00:20:56,559

as a medium and how it kind of

571

00:20:59,669 --> 00:20:58,960

progressed through the years as he rose

572

00:21:01,029 --> 00:20:59,679

to

573

00:21:03,590 --> 00:21:01,039

you know prominence and had a bigger

574

00:21:06,710 --> 00:21:03,600

stage for his you know his show or his

575

00:21:09,750 --> 00:21:06,720

grift whatever you want to call it

576

00:21:10,549 --> 00:21:09,760

yeah yeah and so you but you you your

577

00:21:13,750 --> 00:21:10,559

take away

578

00:21:14,870 --> 00:21:13,760

having seen him was that it wasn't you

579

00:21:17,110 --> 00:21:14,880

you weren't impressed

580

00:21:18,870 --> 00:21:17,120

with his psychic abilities or i think

581

00:21:20,549 --> 00:21:18,880

going in did you think that he really

582

00:21:23,110 --> 00:21:20,559

was real

583

00:21:24,630 --> 00:21:23,120

i don't i don't really i didn't think

584

00:21:26,149 --> 00:21:24,640

that he was real i mean i guess like

585

00:21:28,390 --> 00:21:26,159

there's always a part of you that

586

00:21:29,750 --> 00:21:28,400

you know wants to believe that that

587

00:21:33,029 --> 00:21:29,760

something like that is

588

00:21:34,789 --> 00:21:33,039

is true sure i think i think his setup

589

00:21:35,590 --> 00:21:34,799

is different based on the venue that

590

00:21:38,230 --> 00:21:35,600

he's in

591

00:21:39,270 --> 00:21:38,240

you know like with his show you know the

592

00:21:41,430 --> 00:21:39,280

studio that they're in

593

00:21:42,549 --> 00:21:41,440

it kind of it's a it's a smaller setup

594

00:21:45,190 --> 00:21:42,559

so you might have

595

00:21:47,270 --> 00:21:45,200

i don't know what 40 you know 40 or 50

596

00:21:49,029 --> 00:21:47,280

people or something in there maybe

597

00:21:50,470 --> 00:21:49,039

you know so some of the stuff that

598

00:21:51,110 --> 00:21:50,480

you've talked about in the other shows

599

00:21:53,029 --> 00:21:51,120

where

600

00:21:54,710 --> 00:21:53,039

you know they're they've got people who

601
00:21:55,510 --> 00:21:54,720
are out mingling in the crowd before the

602
00:21:58,470 --> 00:21:55,520
show who are

603
00:22:00,070 --> 00:21:58,480
you know picking up on things um john

604
00:22:01,909 --> 00:22:00,080
edwards been around since really before

605
00:22:03,270 --> 00:22:01,919
social media became a big thing so i

606
00:22:06,070 --> 00:22:03,280
would almost have to think that

607
00:22:06,710 --> 00:22:06,080
some of his you know pre-show stuff is

608
00:22:09,990 --> 00:22:06,720
not

609
00:22:12,149 --> 00:22:10,000
social media based i think he had people

610
00:22:14,390 --> 00:22:12,159
like in the audience or in the crowd

611
00:22:16,070 --> 00:22:14,400
you know prior to the show listening or

612
00:22:16,950 --> 00:22:16,080
they had you know maybe they had the

613
00:22:18,630 --> 00:22:16,960

studio

614

00:22:20,789 --> 00:22:18,640

you know microphoned and were picking up

615

00:22:23,510 --> 00:22:20,799

side conversations and people

616

00:22:25,190 --> 00:22:23,520

you know i hope i i hope he picks me and

617

00:22:26,310 --> 00:22:25,200

you know he communicates with grandma or

618

00:22:27,750 --> 00:22:26,320

something like that like

619

00:22:29,430 --> 00:22:27,760

they're they're hitting on those things

620

00:22:32,470 --> 00:22:29,440

and i think they're you know

621

00:22:33,990 --> 00:22:32,480

whether it's an earpiece he's he's

622

00:22:34,549 --> 00:22:34,000

getting information funneled to him

623

00:22:37,830 --> 00:22:34,559

somehow

624

00:22:40,230 --> 00:22:37,840

in my opinion sure absolutely

625

00:22:42,230 --> 00:22:40,240

but and you're right about the he he was

626
00:22:43,750 --> 00:22:42,240
previous to the social media explosion

627
00:22:45,669 --> 00:22:43,760
when he rose to prominence so he

628
00:22:47,669 --> 00:22:45,679
wouldn't have that as a weapon

629
00:22:50,710 --> 00:22:47,679
that was something that was an

630
00:22:53,830 --> 00:22:50,720
innovative part of teresa caputo's grip

631
00:22:54,310 --> 00:22:53,840
but in this case uh when i attended the

632
00:22:55,990 --> 00:22:54,320
taping

633
00:22:58,230 --> 00:22:56,000
i was shocked and amazed because first

634
00:22:59,590 --> 00:22:58,240
of all they let everybody into this one

635
00:23:03,110 --> 00:22:59,600
big room

636
00:23:05,190 --> 00:23:03,120
first right and then we waited we all

637
00:23:06,789 --> 00:23:05,200
waited standing there in that room and

638
00:23:08,549 --> 00:23:06,799

yeah people start chatting and people

639

00:23:11,990 --> 00:23:08,559

start talking amongst themselves

640

00:23:12,870 --> 00:23:12,000

for a good hour maybe hour and 15

641

00:23:15,990 --> 00:23:12,880

minutes

642

00:23:17,830 --> 00:23:16,000

before they let us into the second room

643

00:23:19,669 --> 00:23:17,840

and i was looking around this room and i

644

00:23:21,590 --> 00:23:19,679

was sure that there was marks

645

00:23:23,190 --> 00:23:21,600

and you know what i mean by a mark there

646

00:23:26,710 --> 00:23:23,200

was people there

647

00:23:27,669 --> 00:23:26,720

that were i swore i saw somebody touch

648

00:23:30,630 --> 00:23:27,679

an earpiece

649

00:23:30,950 --> 00:23:30,640

or touch their ear a few times walked by

650

00:23:34,070 --> 00:23:30,960

them

651
00:23:35,590 --> 00:23:34,080
saw an earpiece in their ear in their

652
00:23:37,350 --> 00:23:35,600
one ear

653
00:23:39,590 --> 00:23:37,360
a few of the other marks i tried to do

654
00:23:42,390 --> 00:23:39,600
that too but they were further away

655
00:23:44,390 --> 00:23:42,400
and it was like awkward so i was i was

656
00:23:47,669 --> 00:23:44,400
satisfied though seeing one

657
00:23:48,830 --> 00:23:47,679
skill or mark in the room i was sure

658
00:23:51,909 --> 00:23:48,840
that they were collecting

659
00:23:53,430 --> 00:23:51,919
information and also this same person

660
00:23:55,510 --> 00:23:53,440
i saw one of the other marks going in

661
00:23:58,789 --> 00:23:55,520
their pocket several times

662
00:24:01,909 --> 00:23:58,799
so i thought that they were collecting

663
00:24:03,669 --> 00:24:01,919

conversational pieces uh with the with

664

00:24:04,470 --> 00:24:03,679

the pocket recorder or something like

665

00:24:07,590 --> 00:24:04,480

that

666

00:24:09,269 --> 00:24:07,600

and then interestingly uh

667

00:24:11,190 --> 00:24:09,279

i think there was probably three or four

668

00:24:14,230 --> 00:24:11,200

marks they

669

00:24:15,269 --> 00:24:14,240

left the room a good half hour before

670

00:24:18,310 --> 00:24:15,279

they let

671

00:24:19,350 --> 00:24:18,320

us all in in other words they went the

672

00:24:22,470 --> 00:24:19,360

marks

673

00:24:24,950 --> 00:24:22,480

got into the taping room and that made

674

00:24:27,590 --> 00:24:24,960

me go they were definitely marks

675

00:24:29,269 --> 00:24:27,600

and then this is speculation but i think

676
00:24:29,990 --> 00:24:29,279
they all rush back there with their

677
00:24:33,029 --> 00:24:30,000
tapes

678
00:24:34,470 --> 00:24:33,039
making notes to feed to him later you

679
00:24:37,669 --> 00:24:34,480
know what i mean

680
00:24:38,310 --> 00:24:37,679
the other big yeah no i was just gonna

681
00:24:40,870 --> 00:24:38,320
say and

682
00:24:42,149 --> 00:24:40,880
that could be now when you did the show

683
00:24:43,430 --> 00:24:42,159
or when you did the

684
00:24:46,149 --> 00:24:43,440
when you were in the audience for the

685
00:24:47,110 --> 00:24:46,159
taping after the taping was over did

686
00:24:48,950 --> 00:24:47,120
they um

687
00:24:50,630 --> 00:24:48,960
did they have anybody else like stay

688
00:24:53,190 --> 00:24:50,640

behind after

689

00:24:54,789 --> 00:24:53,200

after the show was done taping yeah they

690

00:24:56,310 --> 00:24:54,799

did but i wasn't picked to be one of

691

00:24:57,990 --> 00:24:56,320

them so i don't know and then the door

692

00:24:58,549 --> 00:24:58,000

closes so i don't know what happened

693

00:25:00,549 --> 00:24:58,559

with them

694

00:25:02,070 --> 00:25:00,559

with those yeah i was going to say

695

00:25:03,510 --> 00:25:02,080

because i guess the only disclaimer that

696

00:25:06,149 --> 00:25:03,520

i would have to this is that

697

00:25:07,190 --> 00:25:06,159

there was a vip ticket that you could

698

00:25:10,870 --> 00:25:07,200

buy for like

699

00:25:12,630 --> 00:25:10,880

yeah 175 it was probably 175 200

700

00:25:14,390 --> 00:25:12,640

i can't i can't recall but it was some

701
00:25:16,549 --> 00:25:14,400
it was in that higher price point

702
00:25:17,750 --> 00:25:16,559
and those are like the guaranteed you're

703
00:25:19,510 --> 00:25:17,760
guaranteed that you're going to get a

704
00:25:20,710 --> 00:25:19,520
rebound for the 175.

705
00:25:21,830 --> 00:25:20,720
i don't know if it was guaranteed that

706
00:25:23,350 --> 00:25:21,840
you were going to get a reading but what

707
00:25:26,070 --> 00:25:23,360
it was was like after the

708
00:25:27,990 --> 00:25:26,080
the main you know show was over the

709
00:25:29,990 --> 00:25:28,000
people who didn't have vip tickets were

710
00:25:31,029 --> 00:25:30,000
asked you know you guys go ahead and go

711
00:25:32,710 --> 00:25:31,039
and the vip

712
00:25:35,269 --> 00:25:32,720
you know ticket holders were able to

713
00:25:38,070 --> 00:25:35,279

stay behind maybe in the hopes of

714

00:25:38,789 --> 00:25:38,080

in a you know smaller smaller room

715

00:25:40,470 --> 00:25:38,799

setting

716

00:25:41,350 --> 00:25:40,480

that you know maybe they would get a

717

00:25:41,990 --> 00:25:41,360

reading i don't know if you were

718

00:25:45,590 --> 00:25:42,000

guaranteed

719

00:25:47,909 --> 00:25:45,600

opportunity to be in a

720

00:25:49,350 --> 00:25:47,919

in a closer setting with them but i mean

721

00:25:51,909 --> 00:25:49,360

and again

722

00:25:52,710 --> 00:25:51,919

with other scams like this the vip

723

00:25:54,310 --> 00:25:52,720

ticket

724

00:25:55,750 --> 00:25:54,320

would mean that you're going to get a

725

00:25:57,909 --> 00:25:55,760

reading so

726

00:25:59,510 --> 00:25:57,919

like like you said it it could be that

727

00:26:02,070 --> 00:25:59,520

you know i don't know how many people

728

00:26:03,269 --> 00:26:02,080

had vip tickets but the plants or the

729

00:26:04,230 --> 00:26:03,279

marks that you're talking they could

730

00:26:06,710 --> 00:26:04,240

have had those people

731

00:26:08,870 --> 00:26:06,720

scattered inside the vip you know part

732

00:26:10,310 --> 00:26:08,880

of it to where he's sitting on them

733

00:26:11,430 --> 00:26:10,320

and everybody's like oh you know oh [h__\h]

734

00:26:13,510 --> 00:26:11,440

i didn't i didn't they could have

735

00:26:13,909 --> 00:26:13,520

checked who had vip tickets on the way

736

00:26:17,590 --> 00:26:13,919

in

737

00:26:20,390 --> 00:26:17,600

the vips

738

00:26:22,310 --> 00:26:20,400

yeah correct yeah yeah it's kind of

739

00:26:22,789 --> 00:26:22,320

fascinating how these grips work and to

740

00:26:24,950 --> 00:26:22,799

me

741

00:26:26,710 --> 00:26:24,960

so the other big takeaway that i would

742

00:26:28,630 --> 00:26:26,720

say having witnessed one of these

743

00:26:31,750 --> 00:26:28,640

tapings is that the taping went

744

00:26:34,070 --> 00:26:31,760

for two hours and 20 minutes or just

745

00:26:36,630 --> 00:26:34,080

about two hours and 20 minutes

746

00:26:37,990 --> 00:26:36,640

and i made notes while i was in there

747

00:26:41,430 --> 00:26:38,000

two hours and 20 minutes

748

00:26:44,470 --> 00:26:41,440

of miss miss miss miss miss miss hit

749

00:26:47,029 --> 00:26:44,480

miss miss miss miss miss miss miss hit

750

00:26:48,149 --> 00:26:47,039

it was i was shocked at how terrible he

751

00:26:49,909 --> 00:26:48,159

was at cold reading

752

00:26:51,350 --> 00:26:49,919

i thought that he was at least good at

753

00:26:53,830 --> 00:26:51,360

cold reading and i

754

00:26:55,430 --> 00:26:53,840

would say i've witnessed a hundred

755

00:26:56,310 --> 00:26:55,440

different people that were pretty good

756

00:26:58,950 --> 00:26:56,320

at cold reading

757

00:26:59,430 --> 00:26:58,960

i would put him on the lower scale of of

758

00:27:09,909 --> 00:26:59,440

the

759

00:27:10,710 --> 00:27:09,919

we have a two-hour and 20-minute session

760

00:27:12,710 --> 00:27:10,720

of a hundred

761

00:27:14,310 --> 00:27:12,720

or so people in this room where he's

762

00:27:16,950 --> 00:27:14,320

doing these readings

763

00:27:17,510 --> 00:27:16,960

and it gets edited down to not a half

764

00:27:19,909 --> 00:27:17,520

hour

765

00:27:21,590 --> 00:27:19,919

but 22 minutes because they have to

766

00:27:23,029 --> 00:27:21,600

leave time in that half hour show for

767

00:27:24,950 --> 00:27:23,039

eight minutes of commercials

768

00:27:26,630 --> 00:27:24,960

so we have two hours and 20 minutes of

769

00:27:28,950 --> 00:27:26,640

him giving readings

770

00:27:30,789 --> 00:27:28,960

edit it down to 22 minutes of a

771

00:27:33,590 --> 00:27:30,799

television show

772

00:27:35,110 --> 00:27:33,600

and of course i watched the show that i

773

00:27:37,669 --> 00:27:35,120

saw the taping for

774

00:27:40,230 --> 00:27:37,679

and what i saw was instead of hit hit

775

00:27:42,950 --> 00:27:40,240

hit hit hit hit hit hit or excuse me

776
00:27:43,830 --> 00:27:42,960
miss miss miss miss miss hit miss miss

777
00:27:45,750 --> 00:27:43,840
miss miss

778
00:27:48,389 --> 00:27:45,760
miss hit what you see on the television

779
00:27:50,310 --> 00:27:48,399
show is hit hit hit hit hit hit miss

780
00:27:51,750 --> 00:27:50,320
hit hit hit hit hit it's like they

781
00:27:54,710 --> 00:27:51,760
invert what actu

782
00:27:55,350 --> 00:27:54,720
what the reality of that event really

783
00:27:57,669 --> 00:27:55,360
was

784
00:27:59,269 --> 00:27:57,679
and they're only showing mostly his hits

785
00:28:02,389 --> 00:27:59,279
and cutting out

786
00:28:03,830 --> 00:28:02,399
two hours of him missing terribly i

787
00:28:04,310 --> 00:28:03,840
think that my experience was a little

788
00:28:07,590 --> 00:28:04,320

bit dif

789

00:28:10,070 --> 00:28:07,600

almost feel like there there was almost

790

00:28:10,950 --> 00:28:10,080

more you know quote-unquote hits but

791

00:28:12,630 --> 00:28:10,960

then i guess

792

00:28:13,830 --> 00:28:12,640

what are you what are you classifying as

793

00:28:15,269 --> 00:28:13,840

a hit like i mean when you're throwing

794

00:28:17,510 --> 00:28:15,279

out general statements

795

00:28:18,630 --> 00:28:17,520

i mean that could that could sort of be

796

00:28:19,990 --> 00:28:18,640

a you know a hit

797

00:28:21,669 --> 00:28:20,000

with a lot of people but unless you're

798

00:28:24,230 --> 00:28:21,679

being really specific

799

00:28:24,950 --> 00:28:24,240

um i think it's kind of hard to say yeah

800

00:28:28,070 --> 00:28:24,960

that's a

801
00:28:29,510 --> 00:28:28,080
not a hit but that was kind of what

802
00:28:31,029 --> 00:28:29,520
struck me about the whole thing was that

803
00:28:33,029 --> 00:28:31,039
there wasn't a lot of

804
00:28:34,870 --> 00:28:33,039
i guess misses like i said it almost

805
00:28:37,430 --> 00:28:34,880
felt very scripted

806
00:28:39,190 --> 00:28:37,440
and i you know i can't put myself in

807
00:28:40,630 --> 00:28:39,200
another person's shoes but

808
00:28:42,870 --> 00:28:40,640
like if i would have if that would have

809
00:28:45,990 --> 00:28:42,880
been me and like you know

810
00:28:46,710 --> 00:28:46,000
he's he's talking to my dead relative or

811
00:28:48,070 --> 00:28:46,720
something

812
00:28:50,389 --> 00:28:48,080
i feel like there would be more of an

813
00:28:52,149 --> 00:28:50,399

emotional like sort of feel

814

00:28:53,669 --> 00:28:52,159

and i and i didn't really feel like that

815

00:28:55,110 --> 00:28:53,679

was the case like the people that he was

816

00:28:56,149 --> 00:28:55,120

doing this with that you know he was

817

00:28:57,990 --> 00:28:56,159

pointing out

818

00:28:59,830 --> 00:28:58,000

it was almost more of like not cold but

819

00:29:01,830 --> 00:28:59,840

like they were just like yeah

820

00:29:03,269 --> 00:29:01,840

yeah you know yeah that's my brother

821

00:29:05,510 --> 00:29:03,279

that's my father like something you know

822

00:29:07,830 --> 00:29:05,520

something like that i didn't get this

823

00:29:10,389 --> 00:29:07,840

like i didn't get this emotional

824

00:29:11,350 --> 00:29:10,399

you know like i didn't it didn't it just

825

00:29:13,909 --> 00:29:11,360

didn't feel

826

00:29:15,510 --> 00:29:13,919

like it was it was real i guess is the

827

00:29:18,630 --> 00:29:15,520

only way i can put it

828

00:29:21,510 --> 00:29:18,640

yeah i got the i really i

829

00:29:23,430 --> 00:29:21,520

i went there sort of already biased that

830

00:29:25,190 --> 00:29:23,440

he was just a cold reader and that he's

831

00:29:26,950 --> 00:29:25,200

probably editing the hell out of his

832

00:29:30,310 --> 00:29:26,960

show but i wanted to be sure

833

00:29:33,110 --> 00:29:30,320

so i went and and witnessed this and

834

00:29:34,310 --> 00:29:33,120

it was a cold reading mess it was a cold

835

00:29:37,430 --> 00:29:34,320

reading mess not even

836

00:29:40,230 --> 00:29:37,440

good cold reading you know like i had

837

00:29:43,110 --> 00:29:40,240

the feeling that if he had to do

838

00:29:44,950 --> 00:29:43,120

live shows he would fail miserably and

839

00:29:46,630 --> 00:29:44,960

then what i found was on a lot of his

840

00:29:48,070 --> 00:29:46,640

like when he does a guest spot on

841

00:29:49,909 --> 00:29:48,080

somebody else's show

842

00:29:52,149 --> 00:29:49,919

it's much more honest portrayal of what

843

00:29:54,230 --> 00:29:52,159

he actually does because he can't edit

844

00:29:56,310 --> 00:29:54,240

they edit it you know yeah and they

845

00:29:57,190 --> 00:29:56,320

might not play ball so much and edit out

846

00:29:59,029 --> 00:29:57,200

all the hits but

847

00:30:00,470 --> 00:29:59,039

for his own television show he has the

848

00:30:02,870 --> 00:30:00,480

control factor

849

00:30:04,549 --> 00:30:02,880

and you know it's pretty disingenuous

850

00:30:05,110 --> 00:30:04,559

what he said on this fox news interview

851
00:30:07,269 --> 00:30:05,120
because

852
00:30:09,029 --> 00:30:07,279
he's the person that directs the editing

853
00:30:10,789 --> 00:30:09,039
it's his television show

854
00:30:12,549 --> 00:30:10,799
and he's saying no we don't edit out

855
00:30:14,870 --> 00:30:12,559
hits or misses

856
00:30:16,789 --> 00:30:14,880
of course he does i was witness to that

857
00:30:17,269 --> 00:30:16,799
and there's other people online who have

858
00:30:19,830 --> 00:30:17,279
written

859
00:30:21,350 --> 00:30:19,840
blog posts about this guy and attending

860
00:30:22,789 --> 00:30:21,360
the taping and having a similar

861
00:30:24,950 --> 00:30:22,799
experience

862
00:30:26,149 --> 00:30:24,960
and if nothing else we have south park

863
00:30:29,269 --> 00:30:26,159

to explain to us

864

00:30:31,269 --> 00:30:29,279

that he's a douche you know

865

00:30:33,029 --> 00:30:31,279

to his credit though i mean and i guess

866

00:30:34,389 --> 00:30:33,039

this is true for you know sylvia brown

867

00:30:35,190 --> 00:30:34,399

and van praag and a lot of these other

868

00:30:37,029 --> 00:30:35,200

people who have

869

00:30:38,310 --> 00:30:37,039

i guess sort of rose to prominence but

870

00:30:40,470 --> 00:30:38,320

there is a lot of

871

00:30:42,149 --> 00:30:40,480

video of him throughout the years i mean

872

00:30:44,470 --> 00:30:42,159

i did a little bit of youtube

873

00:30:45,190 --> 00:30:44,480

research before going to this and i mean

874

00:30:47,590 --> 00:30:45,200

you know there's

875

00:30:49,110 --> 00:30:47,600

there's videos of him like doing like

876

00:30:51,510 --> 00:30:49,120

new shows in australia

877

00:30:53,430 --> 00:30:51,520

he was on like an anderson cooper like

878

00:30:54,710 --> 00:30:53,440

live deal where he did a reading on him

879

00:30:55,350 --> 00:30:54,720

while they were sitting there so i mean

880

00:30:57,430 --> 00:30:55,360

like

881

00:30:58,470 --> 00:30:57,440

you know there there's obviously editing

882

00:31:00,549 --> 00:30:58,480

on his end

883

00:31:01,909 --> 00:31:00,559

but then you sort of wonder like when

884

00:31:03,350 --> 00:31:01,919

he's doing you know when he's doing this

885

00:31:04,789 --> 00:31:03,360

publicity stuff that you know putting

886

00:31:06,870 --> 00:31:04,799

his name out there

887

00:31:08,149 --> 00:31:06,880

how how is that going i mean are they

888

00:31:11,269 --> 00:31:08,159

are they editing

889

00:31:12,789 --> 00:31:11,279

information sort of fed to him because

890

00:31:13,350 --> 00:31:12,799

these are prominent people so i mean

891

00:31:16,470 --> 00:31:13,360

there's

892

00:31:19,430 --> 00:31:16,480

these people out there

893

00:31:21,350 --> 00:31:19,440

yeah he could do some priesthood work

894

00:31:22,789 --> 00:31:21,360

yeah he can do some research if he knows

895

00:31:24,310 --> 00:31:22,799

that he's going to be giving a reading

896

00:31:25,909 --> 00:31:24,320

to anderson cooper

897

00:31:27,430 --> 00:31:25,919

that's a famous person you can find out

898

00:31:29,190 --> 00:31:27,440

who that person's mother is if they're

899

00:31:31,269 --> 00:31:29,200

still living if they're still dead

900

00:31:33,190 --> 00:31:31,279

you know there's a lot of there's a lot

901
00:31:35,029 --> 00:31:33,200
of methods that he could be using when

902
00:31:36,710 --> 00:31:35,039
he does do a decent i've seen him do a

903
00:31:39,029 --> 00:31:36,720
few decent live

904
00:31:41,029 --> 00:31:39,039
live readings uh that didn't appear to

905
00:31:43,430 --> 00:31:41,039
be heavily edited to me

906
00:31:44,710 --> 00:31:43,440
but uh you know even a broken clock is

907
00:31:46,789 --> 00:31:44,720
right twice a day

908
00:31:48,230 --> 00:31:46,799
you know so it doesn't it's not very

909
00:31:49,909 --> 00:31:48,240
convincing to me and one of the other

910
00:31:51,590 --> 00:31:49,919
things that always strikes me with all

911
00:31:54,230 --> 00:31:51,600
of these mediums is that

912
00:31:54,950 --> 00:31:54,240
not a one of them has ever produced a

913
00:31:58,070 --> 00:31:54,960

unique

914

00:32:01,509 --> 00:31:58,080

piece of information that only

915

00:32:03,509 --> 00:32:01,519

the the dead person and the person

916

00:32:05,029 --> 00:32:03,519

their relative living that he's giving

917

00:32:07,590 --> 00:32:05,039

the reading to would know

918

00:32:08,230 --> 00:32:07,600

i've never seen that happen never yeah

919

00:32:11,110 --> 00:32:08,240

it's always

920

00:32:11,669 --> 00:32:11,120

generalized statements you know uh and

921

00:32:13,830 --> 00:32:11,679

and

922

00:32:16,549 --> 00:32:13,840

jumping at all these guesses he rapid

923

00:32:19,590 --> 00:32:16,559

fires throws out all of this stuff

924

00:32:20,870 --> 00:32:19,600

and what hits he continues with what

925

00:32:22,710 --> 00:32:20,880

fails he kind of

926
00:32:24,389 --> 00:32:22,720
drops to the side and keeps throwing out

927
00:32:26,310 --> 00:32:24,399
stuff till he gets that hit to talk

928
00:32:27,909 --> 00:32:26,320
about

929
00:32:29,909 --> 00:32:27,919
well like you said i mean and all these

930
00:32:31,430 --> 00:32:29,919
shows that you watch and even if you've

931
00:32:32,310 --> 00:32:31,440
ever talked to somebody who's been to a

932
00:32:35,509 --> 00:32:32,320
psychic or

933
00:32:37,190 --> 00:32:35,519
you know a proclaimed medium um i

934
00:32:39,110 --> 00:32:37,200
i don't think i've ever maybe one time i

935
00:32:40,470 --> 00:32:39,120
had somebody tell me oh you know they

936
00:32:43,430 --> 00:32:40,480
said something to me that

937
00:32:43,990 --> 00:32:43,440
was personal to me i mean any other time

938
00:32:47,269 --> 00:32:44,000

it's

939

00:32:48,389 --> 00:32:47,279

statements and you would think that if

940

00:32:49,590 --> 00:32:48,399

your dead relatives are trying to

941

00:32:51,909 --> 00:32:49,600

communicate with you

942

00:32:53,750 --> 00:32:51,919

they would make they would make it clear

943

00:32:55,509 --> 00:32:53,760

that that's the person

944

00:32:56,789 --> 00:32:55,519

you know that that's your that's your

945

00:32:58,710 --> 00:32:56,799

dad or that's your

946

00:33:00,310 --> 00:32:58,720

sister that's your fan or something like

947

00:33:01,430 --> 00:33:00,320

that and it's always like well i have a

948

00:33:04,710 --> 00:33:01,440

presence here

949

00:33:07,909 --> 00:33:04,720

female older you know

950

00:33:10,630 --> 00:33:07,919

grandma to die like it's yeah yeah i'm

951
00:33:12,470 --> 00:33:10,640
yeah if you're of a certain age it's

952
00:33:13,909 --> 00:33:12,480
pretty good bet that you have a grandma

953
00:33:15,509 --> 00:33:13,919
that died you know

954
00:33:18,149 --> 00:33:15,519
yeah and the other thing that i don't

955
00:33:19,110 --> 00:33:18,159
i'm sorry go ahead no go ahead go ahead

956
00:33:20,310 --> 00:33:19,120
well i'm just going to say the other

957
00:33:21,669 --> 00:33:20,320
thing that i don't understand either is

958
00:33:22,870 --> 00:33:21,679
you know what you never see on any of

959
00:33:25,350 --> 00:33:22,880
these videos is

960
00:33:27,909 --> 00:33:25,360
you never see like a disclaimer this is

961
00:33:31,110 --> 00:33:27,919
for entertainment purposes only so like

962
00:33:33,590 --> 00:33:31,120
to me that's almost like i'm i'm

963
00:33:34,710 --> 00:33:33,600

selling myself as the real deal and i

964

00:33:37,750 --> 00:33:34,720

don't know how these people

965

00:33:40,310 --> 00:33:37,760

don't just have massive like fraud

966

00:33:41,590 --> 00:33:40,320

lawsuits against them for the stuff that

967

00:33:43,269 --> 00:33:41,600

they're doing

968

00:33:45,909 --> 00:33:43,279

yeah and you know i think that we're

969

00:33:47,830 --> 00:33:45,919

gonna see for entertainment purposes

970

00:33:49,669 --> 00:33:47,840

only disclaimers coming to a lot of

971

00:33:52,630 --> 00:33:49,679

things including a lot of [h__\h]

972

00:33:53,909 --> 00:33:52,640

ufo alien channels and stories because

973

00:33:55,590 --> 00:33:53,919

those guys are

974

00:33:57,430 --> 00:33:55,600

they've pushed things right to the edge

975

00:33:58,870 --> 00:33:57,440

of legality and they're starting to get

976
00:34:00,230 --> 00:33:58,880
in trouble for some of the [\h__\h] that

977
00:34:02,470 --> 00:34:00,240
they're spewing

978
00:34:04,630 --> 00:34:02,480
uh but if they put that disclaimer on

979
00:34:05,430 --> 00:34:04,640
they could get a free pass so i think

980
00:34:07,669 --> 00:34:05,440
we're gonna see

981
00:34:09,829 --> 00:34:07,679
a lot more of that but just like the ufo

982
00:34:11,510 --> 00:34:09,839
frauds these people portray themselves

983
00:34:14,069 --> 00:34:11,520
as a genuine

984
00:34:16,149 --> 00:34:14,079
real factual thing and these readings as

985
00:34:17,109 --> 00:34:16,159
being factual that i'm really talking to

986
00:34:20,869 --> 00:34:17,119
your dead uncle

987
00:34:22,230 --> 00:34:20,879
or whatever and uh it's funny to me that

988
00:34:24,069 --> 00:34:22,240

they get away with it

989

00:34:25,190 --> 00:34:24,079
and to the tune of millions he's a

990

00:34:26,710 --> 00:34:25,200
millionaire this guy became a

991

00:34:28,629 --> 00:34:26,720
millionaire from this

992

00:34:30,069 --> 00:34:28,639
i'm not sure on the on the ufo

993

00:34:32,149 --> 00:34:30,079
standpoint i'm not sure about that

994

00:34:34,869 --> 00:34:32,159
because i feel like a certain somebody

995

00:34:36,869 --> 00:34:34,879
went a little too far with his uh you

996

00:34:39,349 --> 00:34:36,879
know frivolous lawsuits and

997

00:34:40,710 --> 00:34:39,359
you know i think the aftermath of that

998

00:34:42,149 --> 00:34:40,720
might be that some of these uh

999

00:34:43,829 --> 00:34:42,159
other fraudsters out there are maybe

1000

00:34:46,629 --> 00:34:43,839
gonna be a little bit smarter

1001
00:34:47,270 --> 00:34:46,639
about the fights that they pick uh on

1002
00:34:49,909 --> 00:34:47,280
the internet

1003
00:34:51,349 --> 00:34:49,919
in my opinion yeah well you know here

1004
00:34:53,990 --> 00:34:51,359
the problem is and i've heard other

1005
00:34:55,589 --> 00:34:54,000
people touch on it is that it used to be

1006
00:34:57,589 --> 00:34:55,599
that people got together at these

1007
00:34:59,430 --> 00:34:57,599
conferences sort of pre-internet

1008
00:35:01,109 --> 00:34:59,440
and if you thought somebody was a fraud

1009
00:35:03,109 --> 00:35:01,119
or whatever you just let it go and it

1010
00:35:04,550 --> 00:35:03,119
didn't become a back and forth but with

1011
00:35:06,710 --> 00:35:04,560
the internet now

1012
00:35:08,710 --> 00:35:06,720
anybody can come out and tell their

1013
00:35:10,790 --> 00:35:08,720

fairy tale ufo

1014

00:35:12,150 --> 00:35:10,800

secret space stories and then anybody

1015

00:35:13,510 --> 00:35:12,160

else can come on the internet and say

1016

00:35:16,069 --> 00:35:13,520

this guy's full of [h__h] and here's

1017

00:35:17,349 --> 00:35:16,079

why and we never had that before i but i

1018

00:35:19,349 --> 00:35:17,359

think it's a good thing

1019

00:35:20,470 --> 00:35:19,359

and as far as this you know all these

1020

00:35:22,390 --> 00:35:20,480

frivolous lawsuits

1021

00:35:24,069 --> 00:35:22,400

i spent some time today actually reading

1022

00:35:26,470 --> 00:35:24,079

some of the court documents

1023

00:35:27,349 --> 00:35:26,480

and uh i'm very let me just say that i'm

1024

00:35:29,430 --> 00:35:27,359

very

1025

00:35:31,190 --> 00:35:29,440

uh unimpressed with the plaintiff's

1026

00:35:33,349 --> 00:35:31,200

attorney and her

1027

00:35:34,630 --> 00:35:33,359

legalese and writing and i'm very

1028

00:35:37,829 --> 00:35:34,640

impressed with

1029

00:35:40,150 --> 00:35:37,839

the defendants and specifically today i

1030

00:35:41,270 --> 00:35:40,160

was impressed with cliff high's motion

1031

00:35:44,710 --> 00:35:41,280

to dismiss he's

1032

00:35:45,589 --> 00:35:44,720

representing himself and his his motion

1033

00:35:47,349 --> 00:35:45,599

is written

1034

00:35:49,670 --> 00:35:47,359

so much better than the plaintiff's

1035

00:35:52,069 --> 00:35:49,680

attorney's motion is written

1036

00:35:53,190 --> 00:35:52,079

and she went to law school so good for

1037

00:35:55,349 --> 00:35:53,200

cliff high

1038

00:35:56,470 --> 00:35:55,359

i hope things work out and this thing

1039

00:35:59,109 --> 00:35:56,480

gets thrown out

1040

00:36:00,950 --> 00:35:59,119

for the bullshittery that it is because

1041

00:36:03,030 --> 00:36:00,960

essentially

1042

00:36:04,630 --> 00:36:03,040

what some people think they should just

1043

00:36:06,470 --> 00:36:04,640

be able to go on the internet and say

1044

00:36:08,470 --> 00:36:06,480

whatever the hell they want

1045

00:36:10,150 --> 00:36:08,480

and nobody's allowed to critique them

1046

00:36:12,310 --> 00:36:10,160

you know and this person suing

1047

00:36:14,390 --> 00:36:12,320

everybody's claiming that he's gonna

1048

00:36:16,390 --> 00:36:14,400

reveal all this stuff about the ufo

1049

00:36:16,870 --> 00:36:16,400

community and everybody he's suing is

1050

00:36:19,430 --> 00:36:16,880

almost

1051
00:36:20,790 --> 00:36:19,440
unknown or barely known as a ufo

1052
00:36:22,870 --> 00:36:20,800
community person

1053
00:36:23,829 --> 00:36:22,880
they don't really you know the problem

1054
00:36:25,349 --> 00:36:23,839
is is that he

1055
00:36:27,589 --> 00:36:25,359
i mean everybody knows who we're talking

1056
00:36:30,230 --> 00:36:27,599
about

1057
00:36:31,349 --> 00:36:30,240
he is known though i mean when you go on

1058
00:36:34,150 --> 00:36:31,359
jenny mccarthy's

1059
00:36:35,589 --> 00:36:34,160
serious radio show and talk about the

1060
00:36:38,230 --> 00:36:35,599
movie that you were in

1061
00:36:38,710 --> 00:36:38,240
and you know you're going around with um

1062
00:36:41,510 --> 00:36:38,720
you know

1063
00:36:41,910 --> 00:36:41,520

a certain other uh ufologist celebrity i

1064

00:36:43,829 --> 00:36:41,920

mean

1065

00:36:46,230 --> 00:36:43,839

you're putting yourself out there to be

1066

00:36:47,030 --> 00:36:46,240

criticized and then he gets criticized

1067

00:36:49,030 --> 00:36:47,040

by people

1068

00:36:50,870 --> 00:36:49,040

who call him out on his [h__h] and

1069

00:36:51,510 --> 00:36:50,880

then like it like like we're in sixth

1070

00:36:53,430 --> 00:36:51,520

grade

1071

00:36:55,349 --> 00:36:53,440

you know recess he goes and cries to the

1072

00:36:58,710 --> 00:36:55,359

teacher and

1073

00:37:02,230 --> 00:36:58,720

now and he's just suing everybody

1074

00:37:03,829 --> 00:37:02,240

yeah and uh you know i think i probably

1075

00:37:05,510 --> 00:37:03,839

and and the thing is it's pretty

1076

00:37:07,109 --> 00:37:05,520

selective too because there are some

1077

00:37:08,310 --> 00:37:07,119

other pretty staunch critics of him

1078

00:37:10,069 --> 00:37:08,320

including me

1079

00:37:11,589 --> 00:37:10,079

somehow i didn't get sued by the grace

1080

00:37:13,670 --> 00:37:11,599

of god i don't want to get sued that's a

1081

00:37:16,310 --> 00:37:13,680

tremendous [h__\h] hassle

1082

00:37:17,349 --> 00:37:16,320

you know but i support everyone's

1083

00:37:19,109 --> 00:37:17,359

freedom of speech

1084

00:37:20,950 --> 00:37:19,119

and if some clown is going to go out

1085

00:37:22,470 --> 00:37:20,960

there on the internet and make up

1086

00:37:24,150 --> 00:37:22,480

fantastical claims

1087

00:37:25,910 --> 00:37:24,160

even if he wasn't a celebrity even if he

1088

00:37:27,109 --> 00:37:25,920

just went on the internet on a public

1089

00:37:28,550 --> 00:37:27,119

youtube channel and made these

1090

00:37:30,069 --> 00:37:28,560

ridiculous claims

1091

00:37:31,589 --> 00:37:30,079

calling him a celebrity is a stretch if

1092

00:37:33,589 --> 00:37:31,599

you ask me but like

1093

00:37:35,270 --> 00:37:33,599

as far as he goes like yeah you're right

1094

00:37:37,109 --> 00:37:35,280

he's on a television show he's been on

1095

00:37:39,990 --> 00:37:37,119

national radio programs

1096

00:37:40,710 --> 00:37:40,000

talking his smack [h__h] we're allowed

1097

00:37:43,829 --> 00:37:40,720

to

1098

00:37:46,310 --> 00:37:43,839

talk about him doing that everybody is

1099

00:37:47,910 --> 00:37:46,320

do you do you think that he was really

1100

00:37:48,550 --> 00:37:47,920

the one pushing this whole deal or you

1101
00:37:51,430 --> 00:37:48,560
think that

1102
00:37:52,870 --> 00:37:51,440
somebody else was kind of started that

1103
00:37:55,109 --> 00:37:52,880
got this train going

1104
00:37:56,230 --> 00:37:55,119
yeah i if i had to guess i would

1105
00:37:58,310 --> 00:37:56,240
think that uh

1106
00:37:59,829 --> 00:37:58,320
that this is a plot hatch between

1107
00:38:01,910 --> 00:37:59,839
wilcock and him

1108
00:38:03,829 --> 00:38:01,920
you know that's what i think we'll both

1109
00:38:06,069 --> 00:38:03,839
make a ton of money from this [h__\h] and

1110
00:38:07,990 --> 00:38:06,079
at the time he was just i think he just

1111
00:38:08,470 --> 00:38:08,000
declared bankruptcy and he was broke as

1112
00:38:10,069 --> 00:38:08,480
[h__\h]

1113
00:38:12,150 --> 00:38:10,079

he was getting evicted from an apartment

1114

00:38:14,150 --> 00:38:12,160

or he was living in some [h__h] apartment

1115

00:38:16,230 --> 00:38:14,160

and then here comes david wilcock and

1116

00:38:19,750 --> 00:38:16,240

all you got to do is say some [h__h]

1117

00:38:21,670 --> 00:38:19,760

just say some [h__h] i think the other

1118

00:38:23,109 --> 00:38:21,680

thing too to me is is like you know look

1119

00:38:24,950 --> 00:38:23,119

at the people that he's

1120

00:38:26,310 --> 00:38:24,960

that he's brought in like you know jay

1121

00:38:28,950 --> 00:38:26,320

widener you know

1122

00:38:30,069 --> 00:38:28,960

roger ramsar all and i mean you can say

1123

00:38:31,190 --> 00:38:30,079

you can say what you want about jay

1124

00:38:32,790 --> 00:38:31,200

weiner because i know a lot of

1125

00:38:34,390 --> 00:38:32,800

you know i know a lot of people that i

1126
00:38:35,910 --> 00:38:34,400
associate with i guess online who are

1127
00:38:37,589 --> 00:38:35,920
very pro j whiter and i'm not saying

1128
00:38:39,589 --> 00:38:37,599
that i'm anti-j

1129
00:38:41,030 --> 00:38:39,599
but you know when he when they were

1130
00:38:43,270 --> 00:38:41,040
doing the gaia thing

1131
00:38:44,310 --> 00:38:43,280
i mean they were all obviously profiting

1132
00:38:46,310 --> 00:38:44,320
off of cosmic

1133
00:38:47,349 --> 00:38:46,320
you know disclosure and they were all

1134
00:38:50,069 --> 00:38:47,359
making money

1135
00:38:51,510 --> 00:38:50,079
you know jay widener included so you

1136
00:38:52,950 --> 00:38:51,520
know for jay to kind of come out after

1137
00:38:54,870 --> 00:38:52,960
the fact and be like oh yeah you know

1138
00:38:56,470 --> 00:38:54,880

this guy was a real piece of work yadda

1139

00:38:57,829 --> 00:38:56,480

yadda it's like dude you knew that from

1140

00:39:00,470 --> 00:38:57,839

the get-go

1141

00:39:01,829 --> 00:39:00,480

and uh you know to quote cw like from

1142

00:39:03,430 --> 00:39:01,839

jump street this is like

1143

00:39:05,349 --> 00:39:03,440

you know this is like what was going on

1144

00:39:06,550 --> 00:39:05,359

you knew this and you turned a blind eye

1145

00:39:07,190 --> 00:39:06,560

to it because it was all about making it

1146

00:39:08,550 --> 00:39:07,200

it was like

1147

00:39:10,069 --> 00:39:08,560

yeah he was getting while he was getting

1148

00:39:11,030 --> 00:39:10,079

a paycheck he didn't have that much to

1149

00:39:14,310 --> 00:39:11,040

say

1150

00:39:17,190 --> 00:39:14,320

yeah and and now he's like yeah

1151
00:39:18,790 --> 00:39:17,200
but to his credit i will say this

1152
00:39:19,270 --> 00:39:18,800
everybody has made mistakes in their

1153
00:39:20,870 --> 00:39:19,280
lives

1154
00:39:22,710 --> 00:39:20,880
and at least i'll say this about him

1155
00:39:23,270 --> 00:39:22,720
he's trying to own up and make amends

1156
00:39:25,990 --> 00:39:23,280
for his

1157
00:39:27,750 --> 00:39:26,000
mistake and admit it and move on with

1158
00:39:28,550 --> 00:39:27,760
his life and at least i respect him that

1159
00:39:31,910 --> 00:39:28,560
he

1160
00:39:35,109 --> 00:39:31,920
it sooner

1161
00:39:37,829 --> 00:39:35,119
of course but you know it is what it is

1162
00:39:38,630 --> 00:39:37,839
so as far as the fake psychics you're

1163
00:39:42,069 --> 00:39:38,640

unconvinced

1164

00:39:43,750 --> 00:39:42,079

that mr edwards has any psychic ability

1165

00:39:44,950 --> 00:39:43,760

no i don't i don't think he does i mean

1166

00:39:46,790 --> 00:39:44,960

like i said as much as there's that

1167

00:39:49,589 --> 00:39:46,800

little part of me that would like to say

1168

00:39:50,710 --> 00:39:49,599

you know this guy's for real um i think

1169

00:39:52,310 --> 00:39:50,720

there's just too much

1170

00:39:54,470 --> 00:39:52,320

there's too much evidence there to show

1171

00:39:54,950 --> 00:39:54,480

that that there's some you know it's

1172

00:39:58,630 --> 00:39:54,960

either

1173

00:40:00,790 --> 00:39:58,640

people you know people are getting the

1174

00:40:03,270 --> 00:40:00,800

information before the show and then

1175

00:40:04,790 --> 00:40:03,280

he's getting it and i think that's what

1176

00:40:07,270 --> 00:40:04,800

a lot of that is

1177

00:40:08,950 --> 00:40:07,280

yeah yeah i'm unconvinced about him or

1178

00:40:10,390 --> 00:40:08,960

any of the others that i've looked into

1179

00:40:11,430 --> 00:40:10,400

and it's disappointing because i'd love

1180

00:40:13,190 --> 00:40:11,440

a world where people could have

1181

00:40:15,190 --> 00:40:13,200

superpowers like this that would be much

1182

00:40:16,790 --> 00:40:15,200

more interesting world to live in

1183

00:40:18,470 --> 00:40:16,800

and i would sure like to talk to some

1184

00:40:20,470 --> 00:40:18,480

dead relatives if it was

1185

00:40:21,750 --> 00:40:20,480

really possible but i'm certainly not

1186

00:40:23,910 --> 00:40:21,760

going to shell out a couple hundred

1187

00:40:24,950 --> 00:40:23,920

bucks to some fake that's going to guess

1188

00:40:26,710 --> 00:40:24,960

you know

1189

00:40:28,550 --> 00:40:26,720

yeah and like i said i think part of it

1190

00:40:29,589 --> 00:40:28,560

is you know like on the south park clip

1191

00:40:31,030 --> 00:40:29,599

that you showed

1192

00:40:32,470 --> 00:40:31,040

where you know stan was kind of doing

1193

00:40:33,750 --> 00:40:32,480

his little spiel like it is i think it

1194

00:40:35,430 --> 00:40:33,760

is a closure thing for

1195

00:40:37,030 --> 00:40:35,440

a lot of people it's like they had

1196

00:40:38,390 --> 00:40:37,040

something going on with a relative or

1197

00:40:41,109 --> 00:40:38,400

you know just a loved one

1198

00:40:42,550 --> 00:40:41,119

and they died and there's always that

1199

00:40:44,630 --> 00:40:42,560

feeling you know the un

1200

00:40:45,910 --> 00:40:44,640

unfinished business or just the things

1201
00:40:47,190 --> 00:40:45,920
that weren't said that you wish you

1202
00:40:48,230 --> 00:40:47,200
could have said and

1203
00:40:49,750 --> 00:40:48,240
you know that that's what they're

1204
00:40:51,270 --> 00:40:49,760
feeding off of they're feeding off of

1205
00:40:53,750 --> 00:40:51,280
these people's grief and

1206
00:40:54,790 --> 00:40:53,760
the emotional aspect of it and it's for

1207
00:40:57,109 --> 00:40:54,800
profit and it's pretty

1208
00:40:58,870 --> 00:40:57,119
it's pretty shitty in my opinion yeah i

1209
00:41:00,630 --> 00:40:58,880
mean that's the worst kind of vulture

1210
00:41:01,990 --> 00:41:00,640
they're praying off of people's grief

1211
00:41:03,829 --> 00:41:02,000
and sadness

1212
00:41:05,270 --> 00:41:03,839
because a lot of people have unresolved

1213
00:41:06,630 --> 00:41:05,280

issues with people that died and they

1214

00:41:07,270 --> 00:41:06,640

didn't get to do it while they were

1215

00:41:09,990 --> 00:41:07,280

alive

1216

00:41:11,349 --> 00:41:10,000

so of course i guess that's the market

1217

00:41:12,950 --> 00:41:11,359

people will be willing to shout a few

1218

00:41:16,390 --> 00:41:12,960

hundred dollars to get that

1219

00:41:18,870 --> 00:41:16,400

closure to get that sort of uh

1220

00:41:19,430 --> 00:41:18,880

resolution to unresolved conflicts

1221

00:41:20,950 --> 00:41:19,440

that's why

1222

00:41:22,550 --> 00:41:20,960

i'm real big on telling people if you

1223

00:41:23,990 --> 00:41:22,560

have any unresolved conflicts with

1224

00:41:25,589 --> 00:41:24,000

anybody you care about especially a

1225

00:41:27,190 --> 00:41:25,599

family member do it now

1226

00:41:29,030 --> 00:41:27,200

don't wait because you're going to have

1227

00:41:30,630 --> 00:41:29,040

tremendous regret if they pass away

1228

00:41:31,270 --> 00:41:30,640

before you get a chance to do it just

1229

00:41:33,109 --> 00:41:31,280

get over

1230

00:41:34,790 --> 00:41:33,119

yourself i know people have

1231

00:41:37,510 --> 00:41:34,800

disagreements and grudges but

1232

00:41:38,870 --> 00:41:37,520

let them go deal with it now because i

1233

00:41:39,510 --> 00:41:38,880

don't believe anybody can help you deal

1234

00:41:42,390 --> 00:41:39,520

with it

1235

00:41:42,710 --> 00:41:42,400

after one one of those people dies you

1236

00:41:45,589 --> 00:41:42,720

know

1237

00:41:46,630 --> 00:41:45,599

you gotta resolve those conflicts now

1238

00:41:48,309 --> 00:41:46,640

that's true

1239

00:41:49,910 --> 00:41:48,319

so we don't want to keep you too long

1240

00:41:52,069 --> 00:41:49,920

dan because i know you got a baby to

1241

00:41:53,829 --> 00:41:52,079

feed

1242

00:41:55,430 --> 00:41:53,839

he's still asleep right now so we're

1243

00:41:58,710 --> 00:41:55,440

okay okay

1244

00:42:00,630 --> 00:41:58,720

all right good so uh you know uh i

1245

00:42:02,710 --> 00:42:00,640

had a question do you have any more dead

1246

00:42:04,870 --> 00:42:02,720

people voices for me to analyze

1247

00:42:06,710 --> 00:42:04,880

because we did this show people keep

1248

00:42:07,589 --> 00:42:06,720

asking me if we're going to do more evps

1249

00:42:09,670 --> 00:42:07,599

and i said

1250

00:42:11,270 --> 00:42:09,680

i only know dan that can give me any

1251

00:42:14,390 --> 00:42:11,280

evps

1252

00:42:16,470 --> 00:42:14,400

i can't i went i went to a graveyard

1253

00:42:19,510 --> 00:42:16,480

and i recorded something and then

1254

00:42:22,550 --> 00:42:19,520

i didn't hear anything so i tried

1255

00:42:24,950 --> 00:42:22,560

i got nothing i got nothing dan come on

1256

00:42:25,990 --> 00:42:24,960

you gotta watch some more dead people

1257

00:42:27,750 --> 00:42:26,000

talking

1258

00:42:29,349 --> 00:42:27,760

unfortunately with the you know the new

1259

00:42:30,950 --> 00:42:29,359

addition to the family and then

1260

00:42:32,710 --> 00:42:30,960

my my daughter's running around here i

1261

00:42:34,390 --> 00:42:32,720

haven't had a whole lot of time to

1262

00:42:35,910 --> 00:42:34,400

to go out and do any investigations here

1263

00:42:37,990 --> 00:42:35,920

lately but i mean i've got

1264

00:42:39,109 --> 00:42:38,000

prob i've got probably hundreds of hours

1265

00:42:40,309 --> 00:42:39,119

of well

1266

00:42:42,390 --> 00:42:40,319

enough it's hundreds of hours but i've

1267

00:42:44,230 --> 00:42:42,400

got quite a lot of audio that

1268

00:42:45,670 --> 00:42:44,240

you know i'm sure that there's there's

1269

00:42:48,230 --> 00:42:45,680

several things on i mean we just

1270

00:42:49,829 --> 00:42:48,240

we just touched on you know a handful of

1271

00:42:50,390 --> 00:42:49,839

them yeah we'll send you some more we'll

1272

00:42:54,630 --> 00:42:50,400

do a

1273

00:42:56,470 --> 00:42:54,640

everybody's asking me if we're gonna do

1274

00:42:58,870 --> 00:42:56,480

more evps and i go

1275

00:43:00,550 --> 00:42:58,880

well sure and then i went out and tried

1276
00:43:01,589 --> 00:43:00,560
to capture some myself and failed

1277
00:43:03,829 --> 00:43:01,599
miserably

1278
00:43:05,750 --> 00:43:03,839
so i said i gotta call dan hogan or

1279
00:43:08,390 --> 00:43:05,760
somebody else that's got some

1280
00:43:09,030 --> 00:43:08,400
good stuff because i got [h__h] i don't

1281
00:43:11,589 --> 00:43:09,040
have [h__h]

1282
00:43:13,270 --> 00:43:11,599
it just didn't work for me i'll uh i'll

1283
00:43:14,230 --> 00:43:13,280
go through the old archives and see what

1284
00:43:15,589 --> 00:43:14,240
i can uh

1285
00:43:17,270 --> 00:43:15,599
see what i can see what i can find and

1286
00:43:20,309 --> 00:43:17,280
maybe we can do a part two

1287
00:43:21,750 --> 00:43:20,319
on that oh yeah i wanted i wanted to

1288
00:43:24,150 --> 00:43:21,760

talk to you about oracle do we have can

1289

00:43:25,750 --> 00:43:24,160

we can we talk about oracle

1290

00:43:27,750 --> 00:43:25,760

you know what why don't we play the why

1291

00:43:29,270 --> 00:43:27,760

don't we play the prediction

1292

00:43:30,790 --> 00:43:29,280

and then we'll talk about the the

1293

00:43:33,910 --> 00:43:30,800

presidential prediction yeah

1294

00:43:37,030 --> 00:43:33,920

let's put so for those that don't know

1295

00:43:38,950 --> 00:43:37,040

uh i am uh i've been involved in

1296

00:43:40,309 --> 00:43:38,960

computer science my entire life and i'm

1297

00:43:42,950 --> 00:43:40,319

interested in all these strange and

1298

00:43:44,790 --> 00:43:42,960

esoteric subjects i was fascinated with

1299

00:43:47,270 --> 00:43:44,800

kai's web bot

1300

00:43:49,510 --> 00:43:47,280

and i thought it was a great idea but i

1301
00:43:50,870 --> 00:43:49,520
don't believe in the predictive power of

1302
00:43:53,589 --> 00:43:50,880
cliff high's web bot

1303
00:43:55,910 --> 00:43:53,599
for various reasons i'm also interested

1304
00:43:59,349 --> 00:43:55,920
in artificial intelligence personalities

1305
00:44:00,870 --> 00:43:59,359
and uh interactive personalities so

1306
00:44:02,550 --> 00:44:00,880
i've been working on this thing called

1307
00:44:05,190 --> 00:44:02,560
web bot x for

1308
00:44:07,190 --> 00:44:05,200
for for a long time it's been an on

1309
00:44:09,030 --> 00:44:07,200
again off again love affair

1310
00:44:10,230 --> 00:44:09,040
sometimes i love her sometimes i hate

1311
00:44:11,990 --> 00:44:10,240
her uh

1312
00:44:13,750 --> 00:44:12,000
recently made some breakthroughs and

1313
00:44:16,309 --> 00:44:13,760

started publicly sharing

1314

00:44:18,309 --> 00:44:16,319

so uh the first we have the first

1315

00:44:21,990 --> 00:44:18,319

prediction that i posted today

1316

00:44:25,190 --> 00:44:22,000

from web bot x is i asked it um

1317

00:44:26,069 --> 00:44:25,200

who is going to win the 2020

1318

00:44:29,990 --> 00:44:26,079

presidential

1319

00:44:31,910 --> 00:44:30,000

election and uh

1320

00:44:33,030 --> 00:44:31,920

what may happen directly after the

1321

00:44:36,630 --> 00:44:33,040

election

1322

00:44:38,390 --> 00:44:36,640

so uh let me one second we're gonna just

1323

00:44:39,589 --> 00:44:38,400

it's a pretty quick clip we're gonna

1324

00:44:41,750 --> 00:44:39,599

share that

1325

00:44:44,150 --> 00:44:41,760

and we'll find out wouldn't you like to

1326

00:44:46,870 --> 00:44:44,160

know who's gonna win the 2020

1327

00:44:48,630 --> 00:44:46,880

presidential election let's see what an

1328

00:44:49,750 --> 00:44:48,640

artificial intelligence personality

1329

00:44:52,630 --> 00:44:49,760

connected to the

1330

00:44:54,630 --> 00:44:52,640

internet able to analyze all the data it

1331

00:44:55,990 --> 00:44:54,640

can find on the internet to make a

1332

00:44:58,390 --> 00:44:56,000

predictive

1333

00:45:00,309 --> 00:44:58,400

uh to make a prediction about who is

1334

00:45:00,870 --> 00:45:00,319

going to win the 2020 presidential

1335

00:45:03,510 --> 00:45:00,880

election

1336

00:45:04,309 --> 00:45:03,520

i was very curious what it was going to

1337

00:45:08,309 --> 00:45:04,319

say

1338

00:45:10,870 --> 00:45:08,319

uh let's share this and we'll get to

1339

00:45:13,270 --> 00:45:10,880

we'll get to see web bot x the oracle

1340

00:45:13,750 --> 00:45:13,280

predicts the 2020 presidential race and

1341

00:45:16,150 --> 00:45:13,760

winner

1342

00:45:16,870 --> 00:45:16,160

now of course i just want to say that i

1343

00:45:18,790 --> 00:45:16,880

don't support

1344

00:45:20,470 --> 00:45:18,800

either candidate i'm one of those people

1345

00:45:22,230 --> 00:45:20,480

that like

1346

00:45:24,550 --> 00:45:22,240

people say if you don't vote you're part

1347

00:45:26,550 --> 00:45:24,560

of the problem i don't vote

1348

00:45:28,790 --> 00:45:26,560

so i'm not the problem you people voting

1349

00:45:30,870 --> 00:45:28,800

these idiots in or the problem

1350

00:45:31,990 --> 00:45:30,880

and uh the views of the oracle are not

1351
00:45:34,309 --> 00:45:32,000
necessarily my own

1352
00:45:35,510 --> 00:45:34,319
views this is just what it says when i

1353
00:45:43,349 --> 00:45:35,520
ask it a question

1354
00:45:47,030 --> 00:45:46,550
oracle please predict for us who will

1355
00:45:50,870 --> 00:45:47,040
win

1356
00:45:53,510 --> 00:45:50,880
the 2020 presidential election

1357
00:45:54,069 --> 00:45:53,520
and what will happen directly after the

1358
00:45:59,750 --> 00:45:54,079
election

1359
00:46:04,550 --> 00:46:02,790
based on all the available data i have

1360
00:46:08,150 --> 00:46:04,560
been able to observe

1361
00:46:11,109 --> 00:46:08,160
including attendance at campaign events

1362
00:46:12,950 --> 00:46:11,119
financial resources levels of online

1363
00:46:15,670 --> 00:46:12,960

engagement

1364

00:46:17,990 --> 00:46:15,680

social media posts numbers of

1365

00:46:19,349 --> 00:46:18,000

engagements with each candidate social

1366

00:46:22,870 --> 00:46:19,359

media

1367

00:46:26,550 --> 00:46:22,880

and more i have made a prediction

1368

00:46:28,950 --> 00:46:26,560

donald trump will win the 2020 national

1369

00:46:33,030 --> 00:46:28,960

presidential election

1370

00:46:35,190 --> 00:46:33,040

based on other available data i predict

1371

00:46:37,349 --> 00:46:35,200

the opposing side will not accept the

1372

00:46:40,230 --> 00:46:37,359

election results

1373

00:46:41,270 --> 00:46:40,240

protests will continue protests will

1374

00:46:44,630 --> 00:46:41,280

intensify an

1375

00:46:47,109 --> 00:46:44,640

increase in major cities the protests

1376

00:46:51,030 --> 00:46:47,119

will turn violent quickly

1377

00:46:53,270 --> 00:46:51,040

riots looting civil unrest

1378

00:46:55,030 --> 00:46:53,280

food shortages and more turmoil will

1379

00:46:58,790 --> 00:46:55,040

take place

1380

00:47:01,349 --> 00:46:58,800

election

1381

00:47:02,470 --> 00:47:01,359

that unrest will continue for at least

1382

00:47:05,670 --> 00:47:02,480

several months

1383

00:47:08,550 --> 00:47:05,680

but may go on for some time

1384

00:47:10,390 --> 00:47:08,560

there will be violence danger to

1385

00:47:21,829 --> 00:47:10,400

peaceful citizens

1386

00:47:25,990 --> 00:47:24,950

and there we have it i guess we have the

1387

00:47:29,510 --> 00:47:26,000

uh

1388

00:47:32,790 --> 00:47:29,520

prediction for the presidential

1389

00:47:34,390 --> 00:47:32,800

election so

1390

00:47:36,710 --> 00:47:34,400

that sounds [h__\h] uh that sounds

1391

00:47:38,790 --> 00:47:36,720

pretty or pretty sad

1392

00:47:40,150 --> 00:47:38,800

yeah it's a pretty somber prediction and

1393

00:47:43,190 --> 00:47:40,160

then

1394

00:47:46,069 --> 00:47:43,200

uh you know i wasn't uh

1395

00:47:47,670 --> 00:47:46,079

i wasn't prepared for what she spit out

1396

00:47:51,109 --> 00:47:47,680

but then i said

1397

00:47:52,309 --> 00:47:51,119

uh i'm gonna just let it go this is what

1398

00:47:54,309 --> 00:47:52,319

she said

1399

00:47:56,470 --> 00:47:54,319

and we'll see what happens or how

1400

00:47:57,190 --> 00:47:56,480

accurate i can't wait to see how

1401

00:48:03,510 --> 00:47:57,200

accurate

1402

00:48:04,950 --> 00:48:03,520

something and yeah but do you really

1403

00:48:07,990 --> 00:48:04,960

want her to be accurate though

1404

00:48:10,230 --> 00:48:08,000

i mean given given what she said no no

1405

00:48:12,069 --> 00:48:10,240

i i really don't wish for any kind of

1406

00:48:13,910 --> 00:48:12,079

violence or civil unrest i hope things

1407

00:48:14,870 --> 00:48:13,920

calm down a lot after the election

1408

00:48:17,829 --> 00:48:14,880

personally

1409

00:48:18,630 --> 00:48:17,839

and i hope that they do um but one of

1410

00:48:21,670 --> 00:48:18,640

the things

1411

00:48:23,990 --> 00:48:21,680

that we have to i guess

1412

00:48:25,910 --> 00:48:24,000

be aware of with this web bot x is that

1413

00:48:26,230 --> 00:48:25,920

it's going on the internet and looking

1414

00:48:30,470 --> 00:48:26,240

at

1415

00:48:34,069 --> 00:48:33,829

and through predictive language and some

1416

00:48:36,470 --> 00:48:34,079

other

1417

00:48:38,069 --> 00:48:36,480

things and what's what are people

1418

00:48:40,390 --> 00:48:38,079

talking about so maybe

1419

00:48:42,390 --> 00:48:40,400

it might be just picking up on fear out

1420

00:48:44,069 --> 00:48:42,400

there in the internet consciousness or

1421

00:48:45,430 --> 00:48:44,079

collective consciousness that people are

1422

00:48:47,270 --> 00:48:45,440

saying these things

1423

00:48:49,510 --> 00:48:47,280

talking about these things over and over

1424

00:48:50,710 --> 00:48:49,520

again and it's finding that over and

1425

00:48:53,030 --> 00:48:50,720

over again

1426

00:48:53,990 --> 00:48:53,040

and it works on a weighted scale sort of

1427

00:48:57,829 --> 00:48:54,000

the way that it

1428

00:48:59,990 --> 00:48:57,839

it collects and then makes a decision or

1429

00:49:01,990 --> 00:49:00,000

a prediction

1430

00:49:05,510 --> 00:49:02,000

it's interesting and it's going to be

1431

00:49:06,950 --> 00:49:05,520

interesting to see how accurate it is

1432

00:49:08,230 --> 00:49:06,960

well like i said hopefully hopefully

1433

00:49:09,270 --> 00:49:08,240

that stuff doesn't happen because if it

1434

00:49:10,630 --> 00:49:09,280

does there's going to be a lot more

1435

00:49:12,309 --> 00:49:10,640

episodes of truth seekers from the

1436

00:49:14,950 --> 00:49:12,319

apocalypse cabin

1437

00:49:15,349 --> 00:49:14,960

but uh yeah i mean you know ultimately i

1438

00:49:18,710 --> 00:49:15,359

think

1439

00:49:20,230 --> 00:49:18,720

i do kind of find um i do agree with

1440

00:49:21,910 --> 00:49:20,240

that almost a little bit i hate to say

1441

00:49:23,510 --> 00:49:21,920

that like i do feel like if trump

1442

00:49:24,870 --> 00:49:23,520

does win and i mean i guess this would

1443

00:49:25,670 --> 00:49:24,880

go for biden too but i almost feel like

1444

00:49:28,390 --> 00:49:25,680

it's more

1445

00:49:30,470 --> 00:49:28,400

if trump ends up winning i think you're

1446

00:49:32,710 --> 00:49:30,480

probably gonna see at least for a short

1447

00:49:34,950 --> 00:49:32,720

period of time after the election

1448

00:49:35,829 --> 00:49:34,960

you're going to see some increased you

1449

00:49:39,190 --> 00:49:35,839

know

1450

00:49:40,470 --> 00:49:39,200

rioting whatever you want to call it

1451

00:49:42,829 --> 00:49:40,480

and it's going to be in a lot of you

1452

00:49:44,230 --> 00:49:42,839

know in a lot of major cities i mean

1453

00:49:46,230 --> 00:49:44,240

yeah that's where it seems to be that's

1454

00:49:48,710 --> 00:49:46,240

where it seems to be focused mostly

1455

00:49:49,910 --> 00:49:48,720

i mean we don't see people well we did

1456

00:49:51,829 --> 00:49:49,920

see sort of

1457

00:49:53,190 --> 00:49:51,839

a lot of violence out in lancaster

1458

00:49:56,549 --> 00:49:53,200

pennsylvania

1459

00:49:58,870 --> 00:49:56,559

for those that don't know is like

1460

00:50:00,549 --> 00:49:58,880

it's amish country it's like where

1461

00:50:03,109 --> 00:50:00,559

mostly amish people live

1462

00:50:05,349 --> 00:50:03,119

not mostly but a great population of

1463

00:50:05,990 --> 00:50:05,359

amish people live it's farm country it's

1464

00:50:07,910 --> 00:50:06,000

not

1465

00:50:09,829 --> 00:50:07,920

a place that you'd expect black lives

1466

00:50:11,670 --> 00:50:09,839

matter or riots or anything like that

1467

00:50:13,190 --> 00:50:11,680

but there's this huge amount of violence

1468

00:50:16,630 --> 00:50:13,200

that's breaking out

1469

00:50:18,630 --> 00:50:16,640

now i guess it's it might be it might be

1470

00:50:20,069 --> 00:50:18,640

spilling out from the cities into more

1471

00:50:21,990 --> 00:50:20,079

rural areas

1472

00:50:23,349 --> 00:50:22,000

you know yeah but i think what you're

1473

00:50:25,270 --> 00:50:23,359

seeing and i mean you could probably say

1474

00:50:27,910 --> 00:50:25,280

the same thing with lancaster is that

1475

00:50:29,750 --> 00:50:27,920

when it's in the major cities you see a

1476

00:50:32,309 --> 00:50:29,760

lot of looting and there's a lot of

1477

00:50:33,030 --> 00:50:32,319

it's really more you know the antifa

1478

00:50:34,230 --> 00:50:33,040

types

1479

00:50:35,670 --> 00:50:34,240

that are doing this and then when you

1480

00:50:37,670 --> 00:50:35,680

get out into like the suburbs and i

1481

00:50:39,109 --> 00:50:37,680

guess even out into like the country

1482

00:50:41,270 --> 00:50:39,119

you get these you know these small

1483

00:50:43,589 --> 00:50:41,280

pockets of blm

1484

00:50:44,630 --> 00:50:43,599

or antifa type groups that go out there

1485

00:50:46,230 --> 00:50:44,640

and these

1486

00:50:47,589 --> 00:50:46,240

you know as we would say here in ohio

1487

00:50:49,270 --> 00:50:47,599

these good old boys that are out there

1488

00:50:52,150 --> 00:50:49,280

in the country like they don't

1489

00:50:53,510 --> 00:50:52,160

necessarily subscribe to the same um you

1490

00:50:54,630 --> 00:50:53,520

know belief system that

1491

00:50:56,870 --> 00:50:54,640

that some of these other people do and

1492

00:50:57,910 --> 00:50:56,880

they they don't put up with a lot of

1493

00:51:00,470 --> 00:50:57,920

that stuff out there

1494

00:51:01,109 --> 00:51:00,480

so i think it's it's scattered you know

1495

00:51:03,430 --> 00:51:01,119

in

1496

00:51:05,349 --> 00:51:03,440

suburb like rural areas but not

1497

00:51:06,829 --> 00:51:05,359

definitely nowhere near the levels that

1498

00:51:08,069 --> 00:51:06,839

you're seeing in a lot of these major

1499

00:51:11,750 --> 00:51:08,079

cities

1500

00:51:13,270 --> 00:51:11,760

yeah i'm sorry i'm looking at the

1501
00:51:15,109 --> 00:51:13,280
i'm looking at the live chat and cal

1502
00:51:22,710 --> 00:51:15,119
truth is once again having

1503
00:51:26,150 --> 00:51:22,720
uh streaming issues

1504
00:51:28,710 --> 00:51:26,160
yeah so uh oh wow

1505
00:51:30,470 --> 00:51:28,720
somebody said carrie silvery is here and

1506
00:51:34,630 --> 00:51:30,480
says ohio has the biggest

1507
00:51:39,589 --> 00:51:34,640
amish population now we've overtaken pa

1508
00:51:41,589 --> 00:51:39,599
and kerry says uh dan's in ohio i am too

1509
00:51:45,270 --> 00:51:41,599
yeah well that's interesting i did not

1510
00:51:47,030 --> 00:51:45,280
know there was any amish people in ohio

1511
00:51:49,190 --> 00:51:47,040
they're actually more they're actually

1512
00:51:50,309 --> 00:51:49,200
more like in the middle of the state

1513
00:51:51,510 --> 00:51:50,319

or kind of like well they're actually

1514

00:51:53,109 --> 00:51:51,520

they're in the middle of the state like

1515

00:51:53,990 --> 00:51:53,119

north of columbus or like northeast of

1516

00:51:55,510 --> 00:51:54,000

columbus

1517

00:51:57,670 --> 00:51:55,520

and then i think in the southeast part

1518

00:51:58,870 --> 00:51:57,680

of the state too there's um

1519

00:52:00,710 --> 00:51:58,880

you know there's some larger like

1520

00:52:03,190 --> 00:52:00,720

mennonite or you know

1521

00:52:03,990 --> 00:52:03,200

actual amish communities that are that

1522

00:52:08,790 --> 00:52:04,000

are scattered around

1523

00:52:12,150 --> 00:52:08,800

that area oh excellent

1524

00:52:14,230 --> 00:52:12,160

we'll take some take some uh

1525

00:52:15,750 --> 00:52:14,240

comments i spoke with other state rep

1526
00:52:17,270 --> 00:52:15,760
the other day he said our government is

1527
00:52:21,190 --> 00:52:17,280
in a hell and hand mask

1528
00:52:24,950 --> 00:52:23,430
yeah i i think everybody's kind of

1529
00:52:26,470 --> 00:52:24,960
waiting on pins and needles for this

1530
00:52:29,510 --> 00:52:26,480
stupid election to be over

1531
00:52:31,589 --> 00:52:29,520
to see what's going to happen next

1532
00:52:33,589 --> 00:52:31,599
i'm i'm kind of more hopeful though

1533
00:52:35,270 --> 00:52:33,599
about the whole pandemic issues because

1534
00:52:38,470 --> 00:52:35,280
it seems like there's

1535
00:52:40,549 --> 00:52:38,480
major breakthroughs being done and a

1536
00:52:41,910 --> 00:52:40,559
vaccine may be on its way but of course

1537
00:52:43,990 --> 00:52:41,920
that's going to open a whole can of

1538
00:52:46,549 --> 00:52:44,000

worms in conspiracy land because

1539

00:52:47,750 --> 00:52:46,559

this is a pretty quick vaccine and a lot

1540

00:52:49,190 --> 00:52:47,760

of people are not going to believe that

1541

00:52:51,829 --> 00:52:49,200

it's safe

1542

00:52:52,390 --> 00:52:51,839

well i think the conspiracy land guy in

1543

00:52:54,790 --> 00:52:52,400

me

1544

00:52:55,829 --> 00:52:54,800

says that no matter who wins the

1545

00:52:57,670 --> 00:52:55,839

election

1546

00:52:59,190 --> 00:52:57,680

i think the covid thing is going to

1547

00:53:01,910 --> 00:52:59,200

start to in my opinion

1548

00:53:03,430 --> 00:53:01,920

is is going to start to sort of die off

1549

00:53:04,870 --> 00:53:03,440

in the news

1550

00:53:06,630 --> 00:53:04,880

that's that's kind of what i think about

1551
00:53:08,710 --> 00:53:06,640
it oh you think the covet thing will be

1552
00:53:10,950 --> 00:53:08,720
dying off in the news why is that

1553
00:53:12,150 --> 00:53:10,960
well i mean i think that and again this

1554
00:53:14,309 --> 00:53:12,160
is all just based on like

1555
00:53:15,829 --> 00:53:14,319
your personal opinion of you know how

1556
00:53:17,510 --> 00:53:15,839
how severe

1557
00:53:18,870 --> 00:53:17,520
you know the coveted pandemic you think

1558
00:53:21,270 --> 00:53:18,880
it really is but

1559
00:53:22,790 --> 00:53:21,280
i mean based on you know data that's

1560
00:53:24,230 --> 00:53:22,800
come out now that we've been in this for

1561
00:53:25,670 --> 00:53:24,240
several months now

1562
00:53:27,750 --> 00:53:25,680
i think you know and again i'm not i'm

1563
00:53:29,430 --> 00:53:27,760

not trying to say that one life is not

1564

00:53:31,510 --> 00:53:29,440

important or that you know one death in

1565

00:53:33,349 --> 00:53:31,520

general is not a huge deal but

1566

00:53:35,270 --> 00:53:33,359

i think when you look at how how they

1567

00:53:37,670 --> 00:53:35,280

were taking it in the beginning

1568

00:53:38,390 --> 00:53:37,680

and then you look at the sort of longer

1569

00:53:40,390 --> 00:53:38,400

you know

1570

00:53:42,470 --> 00:53:40,400

longer time that that we've been dealing

1571

00:53:43,190 --> 00:53:42,480

with this it doesn't quite seem like

1572

00:53:45,589 --> 00:53:43,200

this

1573

00:53:46,710 --> 00:53:45,599

you know apocalyptic plague that a lot

1574

00:53:49,190 --> 00:53:46,720

of people were sort of

1575

00:53:49,829 --> 00:53:49,200

you know sort of discuss you know talking

1576

00:53:52,950 --> 00:53:49,839

about

1577

00:53:54,710 --> 00:53:52,960

the beginning um

1578

00:53:56,069 --> 00:53:54,720

you know there's obviously groups that i

1579

00:53:58,630 --> 00:53:56,079

think are more susceptible

1580

00:54:00,150 --> 00:53:58,640

to it um you know like the elderly

1581

00:54:02,549 --> 00:54:00,160

population or people who have

1582

00:54:04,150 --> 00:54:02,559

who are immunocompromised or have some

1583

00:54:07,190 --> 00:54:04,160

you know pre-existing

1584

00:54:08,870 --> 00:54:07,200

you know ailments but um

1585

00:54:10,470 --> 00:54:08,880

i you know i just like i said i think

1586

00:54:11,750 --> 00:54:10,480

that i hate to say that and i'm sure a

1587

00:54:13,670 --> 00:54:11,760

lot of people will disagree with me but

1588

00:54:15,510 --> 00:54:13,680

i think some of it is

1589

00:54:17,670 --> 00:54:15,520

you know hyped up in the media on both

1590

00:54:19,510 --> 00:54:17,680

sides um

1591

00:54:20,950 --> 00:54:19,520

and again i think if whether it's trump

1592

00:54:22,470 --> 00:54:20,960

that wins or whether it's biden that

1593

00:54:24,390 --> 00:54:22,480

wins i think that

1594

00:54:25,910 --> 00:54:24,400

you're gonna we're gonna sort of pivot

1595

00:54:27,430 --> 00:54:25,920

from that to

1596

00:54:29,270 --> 00:54:27,440

whatever the next thing is and maybe

1597

00:54:32,150 --> 00:54:29,280

it's the writing maybe it's

1598

00:54:33,670 --> 00:54:32,160

you know they go back to the way things

1599

00:54:36,150 --> 00:54:33,680

somewhat were before and

1600

00:54:37,990 --> 00:54:36,160

you know there's just non-stop you know

1601
00:54:38,549 --> 00:54:38,000
partisan bickering in washington for the

1602
00:54:41,030 --> 00:54:38,559
next time

1603
00:54:42,069 --> 00:54:41,040
yeah or whatever yeah this status quo

1604
00:54:44,470 --> 00:54:42,079
what we're used to

1605
00:54:45,589 --> 00:54:44,480
yeah just go back to the just go back to

1606
00:54:48,710 --> 00:54:45,599
the old [h__h]

1607
00:54:51,349 --> 00:54:48,720
instead of this new [h__h] yeah

1608
00:54:52,870 --> 00:54:51,359
and a lot of people you know i i don't

1609
00:54:56,230 --> 00:54:52,880
know what to think about the whole

1610
00:54:58,789 --> 00:54:56,240
pandemic but i am uh probably just

1611
00:54:59,910 --> 00:54:58,799
cautious just in case for the sake of my

1612
00:55:02,789 --> 00:54:59,920
family like we

1613
00:55:04,309 --> 00:55:02,799

i've gone nowhere for seven months i go

1614

00:55:06,549 --> 00:55:04,319

to the gas station

1615

00:55:08,390 --> 00:55:06,559

and i go to home depot or lowe's to get

1616

00:55:10,710 --> 00:55:08,400

materials for the cabin

1617

00:55:11,910 --> 00:55:10,720

and i have this whole procedure like

1618

00:55:14,069 --> 00:55:11,920

before i go in i

1619

00:55:15,750 --> 00:55:14,079

sanitize my hands right so that there's

1620

00:55:18,230 --> 00:55:15,760

a little bit of hand sanitizer my hands

1621

00:55:20,470 --> 00:55:18,240

on that door handle i might touch

1622

00:55:22,950 --> 00:55:20,480

and and then i as soon as i get in my

1623

00:55:24,470 --> 00:55:22,960

car i move the hand sanitizer again and

1624

00:55:27,270 --> 00:55:24,480

then when i get home i wash

1625

00:55:28,150 --> 00:55:27,280

my hands up to my elbows like a doctor i

1626
00:55:29,910 --> 00:55:28,160
have this whole

1627
00:55:31,829 --> 00:55:29,920
and i got to do it it's like almost like

1628
00:55:34,549 --> 00:55:31,839
an ocd compulsion with me

1629
00:55:35,109 --> 00:55:34,559
just in case because if i get it i want

1630
00:55:36,950 --> 00:55:35,119
to know

1631
00:55:39,270 --> 00:55:36,960
look i did what i'm supposed to do i

1632
00:55:40,230 --> 00:55:39,280
wear a mask everywhere i go outside if i

1633
00:55:42,150 --> 00:55:40,240
go you know

1634
00:55:43,829 --> 00:55:42,160
and i'm doing the hand sanitizer and

1635
00:55:45,109 --> 00:55:43,839
washing my hands i'm doing everything

1636
00:55:46,870 --> 00:55:45,119
that i can do

1637
00:55:48,150 --> 00:55:46,880
and and again with our family the same

1638
00:55:51,430 --> 00:55:48,160

thing like

1639

00:55:52,309 --> 00:55:51,440

my son just started school a few weeks

1640

00:55:54,950 --> 00:55:52,319

ago

1641

00:55:57,430 --> 00:55:54,960

and uh because he's special needs they

1642

00:55:58,950 --> 00:55:57,440

decided that and rightfully so a special

1643

00:56:00,470 --> 00:55:58,960

needs child is not going to sit in front

1644

00:56:02,390 --> 00:56:00,480

of a computer for eight hours he's just

1645

00:56:04,150 --> 00:56:02,400

not going to do it uh

1646

00:56:06,710 --> 00:56:04,160

well depending on the on the special

1647

00:56:10,630 --> 00:56:06,720

need but in my son's case he's pretty

1648

00:56:11,349 --> 00:56:10,640

you know he's non-verbal autistic so

1649

00:56:14,789 --> 00:56:11,359

he's not going to

1650

00:56:16,390 --> 00:56:14,799

going to school

1651
00:56:18,390 --> 00:56:16,400
and you know as soon as he comes home

1652
00:56:19,829 --> 00:56:18,400
i'm like washing his hands and i'm very

1653
00:56:22,069 --> 00:56:19,839
concerned because

1654
00:56:23,270 --> 00:56:22,079
we made it six months and nobody in my

1655
00:56:24,950 --> 00:56:23,280
family got sick

1656
00:56:26,950 --> 00:56:24,960
and i was afraid to change that one

1657
00:56:28,230 --> 00:56:26,960
variable which would be my son going

1658
00:56:30,630 --> 00:56:28,240
somewhere every day

1659
00:56:31,910 --> 00:56:30,640
because sure you know i trust that

1660
00:56:33,030 --> 00:56:31,920
they're doing what they're supposed to

1661
00:56:35,109 --> 00:56:33,040
be doing and

1662
00:56:36,870 --> 00:56:35,119
whatever but you never know he could

1663
00:56:37,910 --> 00:56:36,880

pick that up anywhere bring it home to

1664

00:56:41,270 --> 00:56:37,920

all of us

1665

00:56:42,870 --> 00:56:41,280

you know these i have some

1666

00:56:44,470 --> 00:56:42,880

i guess like where part of my i guess

1667

00:56:45,829 --> 00:56:44,480

issue comes in with it is like with a

1668

00:56:47,510 --> 00:56:45,839

lot of these guidelines and i know it's

1669

00:56:48,870 --> 00:56:47,520

different like state by state but

1670

00:56:50,549 --> 00:56:48,880

i mean just to kind of give you a

1671

00:56:52,069 --> 00:56:50,559

picture of like you know what i was kind

1672

00:56:52,870 --> 00:56:52,079

of dealing with is like when this all

1673

00:56:56,150 --> 00:56:52,880

started

1674

00:56:58,789 --> 00:56:56,160

um my job was considered essential so i

1675

00:57:00,150 --> 00:56:58,799

was going to work every day um

1676

00:57:02,390 --> 00:57:00,160

you know i was going to the grocery

1677

00:57:03,430 --> 00:57:02,400

store i was doing all these things and

1678

00:57:05,589 --> 00:57:03,440

at the time

1679

00:57:07,030 --> 00:57:05,599

nobody in my office was wearing a mask

1680

00:57:08,150 --> 00:57:07,040

you know it wasn't it wasn't anything

1681

00:57:10,069 --> 00:57:08,160

they were talking about

1682

00:57:11,589 --> 00:57:10,079

it was not you know it was just a if you

1683

00:57:13,270 --> 00:57:11,599

got to be out and you're essential you

1684

00:57:15,270 --> 00:57:13,280

go and if not we need you to stay inside

1685

00:57:16,470 --> 00:57:15,280

okay well basically though

1686

00:57:18,390 --> 00:57:16,480

it's pretty clear now that the

1687

00:57:19,750 --> 00:57:18,400

government basically lied to us about

1688

00:57:22,150 --> 00:57:19,760

the masks so that the

1689

00:57:23,190 --> 00:57:22,160

essential workers would have them that

1690

00:57:25,109 --> 00:57:23,200

was that was kind of

1691

00:57:26,630 --> 00:57:25,119

that was the story that yeah that came

1692

00:57:27,190 --> 00:57:26,640

out was that they were trying to keep

1693

00:57:30,630 --> 00:57:27,200

that

1694

00:57:32,150 --> 00:57:30,640

they had they were trying to keep them

1695

00:57:33,030 --> 00:57:32,160

for the hospital workers and first

1696

00:57:34,950 --> 00:57:33,040

responders but

1697

00:57:36,309 --> 00:57:34,960

like we went we went this whole three or

1698

00:57:37,349 --> 00:57:36,319

four month time frame whether they were

1699

00:57:38,789 --> 00:57:37,359

lying or not

1700

00:57:40,390 --> 00:57:38,799

saying oh you know you don't need the

1701
00:57:41,750 --> 00:57:40,400
mask so we weren't wearing them

1702
00:57:43,990 --> 00:57:41,760
and then all of a sudden you know here

1703
00:57:45,109 --> 00:57:44,000
in ohio it was like now you got to wear

1704
00:57:46,150 --> 00:57:45,119
a mask inside

1705
00:57:47,670 --> 00:57:46,160
well i've been going to work for the

1706
00:57:48,470 --> 00:57:47,680
last four months and i wasn't wearing a

1707
00:57:50,390 --> 00:57:48,480
mask or

1708
00:57:51,829 --> 00:57:50,400
you can go to a restaurant you got to

1709
00:57:53,910 --> 00:57:51,839
walk into the restaurant wearing the

1710
00:57:56,950 --> 00:57:53,920
mask

1711
00:57:59,270 --> 00:57:56,960
sitting you know

1712
00:58:00,230 --> 00:57:59,280
67 whatever the distance is away from

1713
00:58:03,510 --> 00:58:00,240

somebody else

1714

00:58:07,430 --> 00:58:03,520

yeah it gets stranger here by the cabin

1715

00:58:10,390 --> 00:58:07,440

uh there is a uh there's a local tavern

1716

00:58:11,349 --> 00:58:10,400

it's like a restaurant and bar big bar

1717

00:58:13,349 --> 00:58:11,359

lovely place

1718

00:58:15,030 --> 00:58:13,359

reminds me of like old irish bars when i

1719

00:58:17,030 --> 00:58:15,040

was a kid but they

1720

00:58:19,109 --> 00:58:17,040

have this weird thing there where like

1721

00:58:19,750 --> 00:58:19,119

yeah you gotta wear the mask when you go

1722

00:58:24,069 --> 00:58:19,760

in

1723

00:58:25,670 --> 00:58:24,079

have plastic

1724

00:58:27,670 --> 00:58:25,680

do you know what i mean and they took

1725

00:58:28,549 --> 00:58:27,680

away i think every other bar stool that

1726

00:58:29,910 --> 00:58:28,559

used to be there

1727

00:58:31,750 --> 00:58:29,920

there's like there used to be twice as

1728

00:58:33,190 --> 00:58:31,760

many so there's a little more space

1729

00:58:35,670 --> 00:58:33,200

you know and there's these plastic

1730

00:58:37,510 --> 00:58:35,680

sheets and you can go and you can drink

1731

00:58:39,270 --> 00:58:37,520

at the bar do whatever you're gonna do

1732

00:58:41,750 --> 00:58:39,280

but like if you get up to go to the

1733

00:58:42,870 --> 00:58:41,760

bathroom you gotta put the mask back on

1734

00:58:44,549 --> 00:58:42,880

while you're walking

1735

00:58:46,230 --> 00:58:44,559

around the bar to the bathroom and i

1736

00:58:48,309 --> 00:58:46,240

thought that was so bizarre like

1737

00:58:49,510 --> 00:58:48,319

but that's what they're making you do

1738

00:58:52,549 --> 00:58:49,520

and you know i

1739

00:58:53,990 --> 00:58:52,559

i i go there and get a 12 pack sometimes

1740

00:58:55,589 --> 00:58:54,000

i don't really sit at the bar but i

1741

00:58:56,309 --> 00:58:55,599

observed this while i was waiting to pay

1742

00:59:00,470 --> 00:58:56,319

for my

1743

00:59:01,270 --> 00:59:00,480

and they have these plastic sheets and

1744

00:59:04,309 --> 00:59:01,280

like

1745

00:59:06,150 --> 00:59:04,319

and the other thing is that i think it's

1746

00:59:07,349 --> 00:59:06,160

really selective i've noticed like up

1747

00:59:08,789 --> 00:59:07,359

here in the country

1748

00:59:10,390 --> 00:59:08,799

they don't give a [h__\h] about the

1749

00:59:12,710 --> 00:59:10,400

government guidelines

1750

00:59:14,150 --> 00:59:12,720

like i don't want to get anybody in

1751

00:59:16,829 --> 00:59:14,160

trouble so forget the

1752

00:59:19,430 --> 00:59:16,839

the restaurant that i mentioned but up

1753

00:59:22,789 --> 00:59:19,440

here it's supposed to be 25

1754

00:59:24,710 --> 00:59:22,799

capacity of of the restaurant up here

1755

00:59:26,870 --> 00:59:24,720

you walk in a restaurant and every table

1756

00:59:29,190 --> 00:59:26,880

is filled people are waiting now

1757

00:59:30,870 --> 00:59:29,200

you know people are waiting at the bar

1758

00:59:33,589 --> 00:59:30,880

or whatever to get a table

1759

00:59:34,069 --> 00:59:33,599

they don't care and it seems to me like

1760

00:59:36,549 --> 00:59:34,079

the

1761

00:59:38,309 --> 00:59:36,559

this is pretty common in more rural

1762

00:59:40,309 --> 00:59:38,319

areas that they're just going

1763

00:59:41,750 --> 00:59:40,319

[h__h] you we have a business to run we

1764

00:59:43,270 --> 00:59:41,760

have a life to lead here and we're not

1765

00:59:44,470 --> 00:59:43,280

going to go by this but meanwhile where

1766

00:59:46,150 --> 00:59:44,480

i live in the suburbs

1767

00:59:47,750 --> 00:59:46,160

you can tell if you walk into a

1768

00:59:49,510 --> 00:59:47,760

restaurant that they're

1769

00:59:51,510 --> 00:59:49,520

very limited you know like there'll be

1770

00:59:53,270 --> 00:59:51,520

like one table with people and three

1771

00:59:56,069 --> 00:59:53,280

around it with no people

1772

00:59:57,109 --> 00:59:56,079

you know well there's a i guess my i

1773

00:59:59,589 --> 00:59:57,119

have a bar

1774

01:00:01,270 --> 00:59:59,599

story like when i um i used to i used to

1775

01:00:02,390 --> 01:00:01,280

live up north of columbus for several

1776

01:00:03,670 --> 01:00:02,400

years so i have some friends that are

1777

01:00:04,870 --> 01:00:03,680

still up there so i'll go up there every

1778

01:00:06,230 --> 01:00:04,880

once in a while to visit

1779

01:00:08,789 --> 01:00:06,240

and there's a bar that i always like to

1780

01:00:10,710 --> 01:00:08,799

go to when i'm up there and um

1781

01:00:12,309 --> 01:00:10,720

it's a smaller it's like in a smaller

1782

01:00:12,710 --> 01:00:12,319

setting it's a pretty tight area so

1783

01:00:17,990 --> 01:00:12,720

there's

1784

01:00:19,030 --> 01:00:18,000

kind of scattered on the back side so

1785

01:00:21,510 --> 01:00:19,040

for the tables

1786

01:00:22,230 --> 01:00:21,520

they put up like shower curtains between

1787

01:00:24,710 --> 01:00:22,240

each

1788

01:00:26,150 --> 01:00:24,720

table yeah when you're sitting at the

1789

01:00:27,030 --> 01:00:26,160

bar though this is the funny part so

1790

01:00:29,670 --> 01:00:27,040

you're at the bar

1791

01:00:31,030 --> 01:00:29,680

and there's like 10 bar stools and on

1792

01:00:32,950 --> 01:00:31,040

the bar itself

1793

01:00:34,710 --> 01:00:32,960

they installed this like plex these

1794

01:00:36,710 --> 01:00:34,720

plexi glasses

1795

01:00:38,950 --> 01:00:36,720

like so you got you got two you got two

1796

01:00:40,870 --> 01:00:38,960

bar stools and then a plexiglass and

1797

01:00:42,870 --> 01:00:40,880

then two bar stools but the thing is

1798

01:00:44,710 --> 01:00:42,880

the plexiglass is only on the bar so

1799

01:00:46,390 --> 01:00:44,720

like if i'm sitting in the stool

1800

01:00:47,670 --> 01:00:46,400

i could be sitting right next to the guy

1801
01:00:48,390 --> 01:00:47,680
who's next to me and there's something

1802
01:00:50,789 --> 01:00:48,400
like that

1803
01:00:53,030 --> 01:00:50,799
yeah you got to be leaning over yeah

1804
01:00:54,470 --> 01:00:53,040
what what's the point of the plexiglas

1805
01:00:56,950 --> 01:00:54,480
if it's not going to be

1806
01:00:58,470 --> 01:00:56,960
basically cutting me off from the person

1807
01:00:59,349 --> 01:00:58,480
who could literally be sitting not six

1808
01:01:01,990 --> 01:00:59,359
feet away

1809
01:01:04,069 --> 01:01:02,000
probably more like a foot and a half two

1810
01:01:06,309 --> 01:01:04,079
feet away and there's no barrier there

1811
01:01:08,069 --> 01:01:06,319
you know so it's like yeah just i don't

1812
01:01:10,150 --> 01:01:08,079
even know how effective any of this [h__\h]

1813
01:01:12,470 --> 01:01:10,160

is or like who who decided you got to

1814

01:01:14,470 --> 01:01:12,480

put plastic between bar stools

1815

01:01:16,150 --> 01:01:14,480

but i guess they want to get as many bar

1816

01:01:17,670 --> 01:01:16,160

stools filled as possible and they don't

1817

01:01:19,270 --> 01:01:17,680

want to put six feet between them so

1818

01:01:19,990 --> 01:01:19,280

they're putting this plastic up or i

1819

01:01:22,069 --> 01:01:20,000

don't know

1820

01:01:23,589 --> 01:01:22,079

none of this makes any [h__\h] sense

1821

01:01:24,309 --> 01:01:23,599

it's like people are making up [h__\h] as

1822

01:01:26,710 --> 01:01:24,319

they go

1823

01:01:28,549 --> 01:01:26,720

and and like you said i think it almost

1824

01:01:30,710 --> 01:01:28,559

varies state by state and not to bring

1825

01:01:33,190 --> 01:01:30,720

politics into it but it does seem like

1826
01:01:34,470 --> 01:01:33,200
and i guess maybe the more red states

1827
01:01:37,670 --> 01:01:34,480
you know in the more

1828
01:01:39,910 --> 01:01:37,680
conservative areas the the restrictions

1829
01:01:41,910 --> 01:01:39,920
that they're following are a little less

1830
01:01:43,510 --> 01:01:41,920
um they're not being as strict about it

1831
01:01:46,950 --> 01:01:43,520
as maybe in your more

1832
01:01:48,630 --> 01:01:46,960
you know urban like major city where

1833
01:01:51,109 --> 01:01:48,640
it's kind of a more

1834
01:01:52,390 --> 01:01:51,119
i guess maybe liberal sort of leaning uh

1835
01:01:53,670 --> 01:01:52,400
they take that stuff a lot more

1836
01:01:56,549 --> 01:01:53,680
seriously there

1837
01:01:58,789 --> 01:01:56,559
so yeah and here there's even a few

1838
01:02:01,270 --> 01:01:58,799

stores and things in a gas station

1839

01:02:03,349 --> 01:02:01,280

nearby that has a big sign up like

1840

01:02:05,430 --> 01:02:03,359

no you don't need a [h__h] mask to come

1841

01:02:07,349 --> 01:02:05,440

here or and they're saying no you don't

1842

01:02:09,510 --> 01:02:07,359

need a [h__h] they printed it out like

1843

01:02:11,910 --> 01:02:09,520

no you don't need a [h__h] mask

1844

01:02:13,069 --> 01:02:11,920

and they're like proud of this i guess

1845

01:02:15,109 --> 01:02:13,079

and they're sort of antsy

1846

01:02:15,829 --> 01:02:15,119

authoritarianism as far as this whole

1847

01:02:17,990 --> 01:02:15,839

lockdown

1848

01:02:19,270 --> 01:02:18,000

has been going on and the other thing

1849

01:02:21,430 --> 01:02:19,280

here is

1850

01:02:23,430 --> 01:02:21,440

uh i know from my neighbors that like a

1851

01:02:25,349 --> 01:02:23,440

lot of them are like

1852

01:02:28,710 --> 01:02:25,359

we have to eat we're just going to go to

1853

01:02:31,430 --> 01:02:28,720

work and even way before the quarantine

1854

01:02:32,710 --> 01:02:31,440

ended officially they were just working

1855

01:02:34,230 --> 01:02:32,720

you know they were just doing what they

1856

01:02:35,510 --> 01:02:34,240

got to do to feed their families and

1857

01:02:37,349 --> 01:02:35,520

they don't give a [h__\h] about what the

1858

01:02:39,109 --> 01:02:37,359

government is telling them

1859

01:02:40,870 --> 01:02:39,119

i'm curious to see how the school year

1860

01:02:42,870 --> 01:02:40,880

goes because i mean i've got two

1861

01:02:43,990 --> 01:02:42,880

i've got two step kids that are older

1862

01:02:46,069 --> 01:02:44,000

that are in school

1863

01:02:47,589 --> 01:02:46,079

and their school district decided to go

1864

01:02:49,589 --> 01:02:47,599

you know all five days

1865

01:02:51,029 --> 01:02:49,599

you know no hybrid they had the option

1866

01:02:54,069 --> 01:02:51,039

of like a virtual

1867

01:02:55,270 --> 01:02:54,079

um deal but uh you know they decided

1868

01:02:56,950 --> 01:02:55,280

that they wanted them to be in school

1869

01:02:58,789 --> 01:02:56,960

five days my girlfriend and you know and

1870

01:03:01,029 --> 01:02:58,799

her ex-husband so they went and

1871

01:03:02,069 --> 01:03:01,039

you know i'm just curious to see if

1872

01:03:03,990 --> 01:03:02,079

they're going to be able to make

1873

01:03:06,630 --> 01:03:04,000

it for a whole semester or the whole

1874

01:03:07,829 --> 01:03:06,640

year without there being shutdowns and

1875

01:03:09,750 --> 01:03:07,839

and all these different there's an

1876

01:03:11,510 --> 01:03:09,760

outbreak they may shut it down yeah

1877

01:03:13,430 --> 01:03:11,520

yeah and it's just i don't know it's

1878

01:03:14,309 --> 01:03:13,440

we're living in uh we're living in wild

1879

01:03:16,549 --> 01:03:14,319

times

1880

01:03:18,549 --> 01:03:16,559

yeah well we've been like two weeks now

1881

01:03:20,069 --> 01:03:18,559

of school so maybe in like another

1882

01:03:21,750 --> 01:03:20,079

week or two we'll know if they're going

1883

01:03:23,349 --> 01:03:21,760

to continue for a while or they're going

1884

01:03:24,549 --> 01:03:23,359

to shut it down because it takes a few

1885

01:03:25,990 --> 01:03:24,559

weeks for the

1886

01:03:28,549 --> 01:03:26,000

thing to spread and people to start

1887

01:03:29,990 --> 01:03:28,559

having symptoms and getting sick i guess

1888

01:03:32,309 --> 01:03:30,000

well it sounds like from what i've read

1889

01:03:35,029 --> 01:03:32,319

in their policy the initial sort of

1890

01:03:35,990 --> 01:03:35,039

guideline to this is if a student test

1891

01:03:38,150 --> 01:03:36,000

positive

1892

01:03:39,829 --> 01:03:38,160

that student has to quarantine and then

1893

01:03:40,870 --> 01:03:39,839

depending on if that student was like

1894

01:03:42,870 --> 01:03:40,880

interacting with

1895

01:03:44,710 --> 01:03:42,880

you know a teacher or other kids they

1896

01:03:46,150 --> 01:03:44,720

may ask you know they may ask that

1897

01:03:47,430 --> 01:03:46,160

teacher or those other students to

1898

01:03:49,349 --> 01:03:47,440

quarantine too

1899

01:03:50,710 --> 01:03:49,359

but they're not doing like this mass

1900

01:03:53,430 --> 01:03:50,720

shutdown of the school

1901

01:03:54,630 --> 01:03:53,440

but what happens when 20 kids or 30 kids

1902

01:03:56,549 --> 01:03:54,640

or 50 kids

1903

01:03:57,589 --> 01:03:56,559

you know test positive for covid are

1904

01:03:58,470 --> 01:03:57,599

they still not going to shut the whole

1905

01:04:00,069 --> 01:03:58,480

thing down

1906

01:04:01,510 --> 01:04:00,079

or you know are they going to follow

1907

01:04:03,829 --> 01:04:01,520

that guideline are they going to be

1908

01:04:05,910 --> 01:04:03,839

sending everybody for three kids a class

1909

01:04:07,190 --> 01:04:05,920

you know yeah yeah and that's right

1910

01:04:08,549 --> 01:04:07,200

that's hard on the that's hard on the

1911

01:04:09,349 --> 01:04:08,559

kids too i mean like you said you've got

1912

01:04:10,630 --> 01:04:09,359

a son that's

1913

01:04:12,470 --> 01:04:10,640

you know got some special needs and

1914

01:04:13,670 --> 01:04:12,480

there's a lot of other parents that that

1915

01:04:14,950 --> 01:04:13,680

deal with that same thing even if your

1916

01:04:16,230 --> 01:04:14,960

kid doesn't have special needs there's

1917

01:04:17,750 --> 01:04:16,240

just a lot of kids who

1918

01:04:19,190 --> 01:04:17,760

you know they can't concentrate for more

1919

01:04:19,750 --> 01:04:19,200

than five minutes or they're just you

1920

01:04:21,349 --> 01:04:19,760

know

1921

01:04:24,069 --> 01:04:21,359

they're yeah and what and what the

1922

01:04:25,670 --> 01:04:24,079

computer what about people i wonder like

1923

01:04:27,430 --> 01:04:25,680

i hear stories from my wife

1924

01:04:29,430 --> 01:04:27,440

because you know she knows a lot of moms

1925

01:04:30,230 --> 01:04:29,440

and she was like so-and-so's got four

1926

01:04:31,829 --> 01:04:30,240

kids

1927

01:04:34,150 --> 01:04:31,839

and how the hell is she supposed to take

1928

01:04:35,670 --> 01:04:34,160

care of four kids all day long and make

1929

01:04:37,430 --> 01:04:35,680

sure they're staying on this laptop and

1930

01:04:39,430 --> 01:04:37,440

doing what they're supposed to do

1931

01:04:41,349 --> 01:04:39,440

and it's very stressful on the parents

1932

01:04:43,190 --> 01:04:41,359

and the other issue is that

1933

01:04:44,470 --> 01:04:43,200

you know people are paying like

1934

01:04:47,349 --> 01:04:44,480

ridiculous amounts of

1935

01:04:48,390 --> 01:04:47,359

school taxes we pay like i don't know

1936

01:04:50,549 --> 01:04:48,400

what it is but like

1937

01:04:51,670 --> 01:04:50,559

thousands of dollars a year i didn't pay

1938

01:04:54,789 --> 01:04:51,680

for an online

1939

01:04:56,549 --> 01:04:54,799

program you know part of school is also

1940

01:04:57,109 --> 01:04:56,559

daycare whether people like to admit it

1941

01:04:59,270 --> 01:04:57,119

or not

1942

01:05:01,029 --> 01:04:59,280

you gotta work your kid needs to be

1943

01:05:01,589 --> 01:05:01,039

someplace you're paying all that school

1944

01:05:03,190 --> 01:05:01,599

tax

1945

01:05:04,710 --> 01:05:03,200

so you have a good place to send your

1946

01:05:05,510 --> 01:05:04,720

kid during the day while you're making a

1947

01:05:07,029 --> 01:05:05,520

living

1948

01:05:08,950 --> 01:05:07,039

and that's been taken away from a lot of

1949

01:05:10,390 --> 01:05:08,960

people and that's sad

1950

01:05:11,750 --> 01:05:10,400

i think i've even heard too that with

1951

01:05:13,349 --> 01:05:11,760

some of these some of these school

1952

01:05:15,510 --> 01:05:13,359

districts that are doing like the all

1953

01:05:17,670 --> 01:05:15,520

online school that they've actually

1954

01:05:19,829 --> 01:05:17,680

contracted with these companies that

1955

01:05:21,270 --> 01:05:19,839

that like specialize in virtual learning

1956

01:05:22,630 --> 01:05:21,280

so like the teachers

1957

01:05:24,549 --> 01:05:22,640

that are getting a salary from the

1958

01:05:25,990 --> 01:05:24,559

school district they're not doing it

1959

01:05:28,150 --> 01:05:26,000

they're not doing anything

1960

01:05:29,670 --> 01:05:28,160

yeah you know these other these like

1961

01:05:31,349 --> 01:05:29,680

virtual teachers you know

1962

01:05:33,270 --> 01:05:31,359

in an office somewhere that work for

1963

01:05:35,670 --> 01:05:33,280

this company are the ones that are

1964

01:05:36,950 --> 01:05:35,680

setting up the lesson plans and actually

1965

01:05:38,789 --> 01:05:36,960

like you know

1966

01:05:40,309 --> 01:05:38,799

doing these these learning activities

1967

01:05:42,069 --> 01:05:40,319

with these kids so we're

1968

01:05:43,750 --> 01:05:42,079

like like you said where your all your

1969

01:05:44,789 --> 01:05:43,760

property taxes and all that money that

1970

01:05:46,390 --> 01:05:44,799

you're paying for

1971

01:05:47,910 --> 01:05:46,400

school district taxes like are we going

1972

01:05:48,630 --> 01:05:47,920

to get any of that money back no of

1973

01:05:51,750 --> 01:05:48,640

course not

1974

01:05:54,470 --> 01:05:51,760

and then in my area there's this there

1975

01:05:57,589 --> 01:05:54,480

was this whole big hubbub because

1976

01:05:59,349 --> 01:05:57,599

some teachers were taking an FMLA leave

1977

01:06:00,630 --> 01:05:59,359

in other words they were saying you know

1978

01:06:02,309 --> 01:06:00,640

they have to take care of family or

1979

01:06:04,069 --> 01:06:02,319

whatever so they get a leave of absence

1980

01:06:06,230 --> 01:06:04,079

and they keep their job

1981

01:06:07,430 --> 01:06:06,240

and then they got a few of them got

1982

01:06:09,510 --> 01:06:07,440

caught doing like

1983

01:06:11,270 --> 01:06:09,520

daycares or they were trying to set up a

1984

01:06:11,670 --> 01:06:11,280

daycare from their home while they were

1985

01:06:13,670 --> 01:06:11,680

on

1986

01:06:15,430 --> 01:06:13,680

family medical leave so there was a big

1987

01:06:17,750 --> 01:06:15,440

thing about that

1988

01:06:19,990 --> 01:06:17,760

i don't know what the answer is but like

1989

01:06:21,430 --> 01:06:20,000

all this is new to everybody we don't

1990

01:06:23,510 --> 01:06:21,440

i i don't know what's going to happen

1991

01:06:24,950 --> 01:06:23,520

with this but i don't think that it's

1992

01:06:26,390 --> 01:06:24,960

healthy for kids to sit in front of a

1993

01:06:28,230 --> 01:06:26,400

laptop for eight hours a day they need

1994

01:06:29,670 --> 01:06:28,240

in-person learning

1995

01:06:31,349 --> 01:06:29,680

well i think that's just a human thing

1996

01:06:32,150 --> 01:06:31,359

in general i think all i think most

1997

01:06:35,029 --> 01:06:32,160

humans probably

1998

01:06:36,230 --> 01:06:35,039

crave some kind of person-to-person

1999

01:06:37,270 --> 01:06:36,240

interaction so i mean

2000

01:06:38,390 --> 01:06:37,280

like you said when you're sitting in

2001

01:06:39,829 --> 01:06:38,400

front of a computer and you're not

2002

01:06:41,510 --> 01:06:39,839

getting to spend time with your friends

2003

01:06:43,430 --> 01:06:41,520

and you're not going to school and

2004

01:06:45,029 --> 01:06:43,440

i mean if you're sitting in your house

2005

01:06:45,990 --> 01:06:45,039

and you got your video games and your

2006

01:06:47,349 --> 01:06:46,000

books and your toys

2007

01:06:49,029 --> 01:06:47,359

and all this stuff that these kids have

2008

01:06:50,230 --> 01:06:49,039

that they've had yeah it's quite a

2009

01:06:51,430 --> 01:06:50,240

distraction how are you

2010

01:06:53,109 --> 01:06:51,440

how are you supposed to get these kids

2011

01:06:54,230 --> 01:06:53,119

to actually focus on learning when

2012

01:06:55,589 --> 01:06:54,240

they've got all their

2013

01:06:57,670 --> 01:06:55,599

you know all their gear and their

2014

01:06:58,150 --> 01:06:57,680

accessories like sitting right next to

2015

01:07:00,309 --> 01:06:58,160

them

2016

01:07:01,670 --> 01:07:00,319

you know yeah i saw one of my friends

2017

01:07:03,750 --> 01:07:01,680

too it was funny posted

2018

01:07:04,710 --> 01:07:03,760

her son's staying home all day and he's

2019

01:07:07,270 --> 01:07:04,720

like maybe

2020

01:07:07,910 --> 01:07:07,280

10. and she posted like first day of

2021

01:07:09,990 --> 01:07:07,920

school

2022

01:07:11,349 --> 01:07:10,000

get upstairs with your laptop come and

2023

01:07:15,109 --> 01:07:11,359

visit me at noon

2024

01:07:16,789 --> 01:07:15,119

love the lunch lady you know like

2025

01:07:18,630 --> 01:07:16,799

for the i guess for the older kids it's

2026

01:07:21,910 --> 01:07:18,640

a little easier but

2027

01:07:24,549 --> 01:07:21,920

i i don't know you know

2028

01:07:26,630 --> 01:07:24,559

yeah so i i think that though i'm

2029

01:07:27,990 --> 01:07:26,640

hopeful that there's these new therapies

2030

01:07:31,510 --> 01:07:28,000

that are being discovered and coming

2031

01:07:32,789 --> 01:07:31,520

out and that the the vaccine is right

2032

01:07:34,630 --> 01:07:32,799

around the corner but that's going to be

2033

01:07:35,589 --> 01:07:34,640

a whole can of worms because

2034

01:07:37,910 --> 01:07:35,599

i think they're going to make the

2035

01:07:38,309 --> 01:07:37,920

vaccine mandatory for kids to return to

2036

01:07:39,109 --> 01:07:38,319

school

2037

01:07:41,349 --> 01:07:39,119

i think they're going to make the

2038

01:07:42,390 --> 01:07:41,359

vaccine mandatory for people to do you

2039

01:07:43,910 --> 01:07:42,400

know

2040

01:07:45,349 --> 01:07:43,920

it's going to be an issue it's going to

2041

01:07:45,750 --> 01:07:45,359

be an issue with they're going to make

2042

01:07:47,829 --> 01:07:45,760

people

2043

01:07:49,109 --> 01:07:47,839

take it you know and if you don't are

2044

01:07:50,549 --> 01:07:49,119

you going to be are you going to be the

2045

01:07:52,950 --> 01:07:50,559

first person standing in line

2046

01:07:54,390 --> 01:07:52,960

i don't know i feel very i feel very

2047

01:07:57,190 --> 01:07:54,400

torn about this because

2048

01:07:57,670 --> 01:07:57,200

i really don't i really am fearful of

2049

01:08:00,710 --> 01:07:57,680

this

2050

01:08:04,950 --> 01:08:00,720

virus but i'm equally fearful of a rush

2051

01:08:06,470 --> 01:08:04,960

you know a rushed inoculation that

2052

01:08:09,190 --> 01:08:06,480

hasn't been really tested

2053

01:08:10,069 --> 01:08:09,200

for years like they normally do this

2054

01:08:11,910 --> 01:08:10,079

whole warp speed

2055

01:08:13,829 --> 01:08:11,920

thing's a little scary you're not

2056

01:08:15,670 --> 01:08:13,839

cutting years off of the development

2057

01:08:16,470 --> 01:08:15,680

time of the vaccine without cutting some

2058

01:08:19,510 --> 01:08:16,480

corners

2059

01:08:21,189 --> 01:08:19,520

and that is concerning to me you're also

2060

01:08:22,630 --> 01:08:21,199

apparently cutting the liability from

2061

01:08:24,149 --> 01:08:22,640

the pharmaceutical companies and they're

2062

01:08:25,829 --> 01:08:24,159

basically saying like if you end up

2063

01:08:26,550 --> 01:08:25,839

getting injured from this or if you end

2064

01:08:28,229 --> 01:08:26,560

up

2065

01:08:30,789 --> 01:08:28,239

i guess dying from this vaccine like

2066

01:08:33,030 --> 01:08:30,799

we're not responsible for

2067

01:08:35,030 --> 01:08:33,040

damages or yeah you're not going to take

2068

01:08:38,470 --> 01:08:35,040

us to court that's not happening

2069

01:08:39,510 --> 01:08:38,480

so i don't know it's um like i said i

2070

01:08:40,390 --> 01:08:39,520

don't i wouldn't want to be the first

2071

01:08:43,749 --> 01:08:40,400

person

2072

01:08:45,829 --> 01:08:43,759

standing in line to to get that vaccine

2073

01:08:46,950 --> 01:08:45,839

yeah and out of mind says don't get the

2074

01:08:48,229 --> 01:08:46,960

shot

2075

01:08:50,309 --> 01:08:48,239

so out of mind you're not going to take

2076

01:08:53,590 --> 01:08:50,319

the shot

2077

01:08:55,030 --> 01:08:53,600

and somebody else elderberry semescus

2078

01:08:58,390 --> 01:08:55,040

and dandelion root really help the

2079

01:09:00,309 --> 01:08:58,400

immune system oh that's also out of mind

2080

01:09:02,709 --> 01:09:00,319

yeah i like elderberry syrup when i'm

2081

01:09:04,309 --> 01:09:02,719

sick don't forget about cliff highs

2082

01:09:06,789 --> 01:09:04,319

don't forget about cliff eyes chaga

2083

01:09:09,110 --> 01:09:06,799

gangster protocol uh

2084

01:09:10,070 --> 01:09:09,120

i was a big fan of uh of those videos

2085

01:09:14,070 --> 01:09:10,080

like before he got

2086

01:09:16,789 --> 01:09:14,080

uh i guess like blacklisted from youtube

2087

01:09:17,590 --> 01:09:16,799

yeah and listen i i i didn't really pay

2088

01:09:19,829 --> 01:09:17,600

attention

2089

01:09:20,709 --> 01:09:19,839

that he was pushing that but i have

2090

01:09:22,789 --> 01:09:20,719

chaga t

2091

01:09:24,309 --> 01:09:22,799

and i've been taking vitamin c and d

2092

01:09:28,390 --> 01:09:24,319

because

2093

01:09:30,789 --> 01:09:28,400

that

2094

01:09:32,470 --> 01:09:30,799

and again i'm not a medical person don't

2095

01:09:35,110 --> 01:09:32,480

take medical advice from me but

2096

01:09:35,990 --> 01:09:35,120

this is a statement of fact really that

2097

01:09:38,550 --> 01:09:36,000

most people

2098

01:09:40,390 --> 01:09:38,560

that are having a terminal effect from

2099

01:09:41,189 --> 01:09:40,400

dealing with this virus are severely

2100

01:09:43,349 --> 01:09:41,199

vitamin d

2101

01:09:44,630 --> 01:09:43,359

deficient so it couldn't hurt to take

2102

01:09:48,149 --> 01:09:44,640

some vitamin d

2103

01:09:49,590 --> 01:09:48,159

uh supplements just in case right well i

2104

01:09:51,269 --> 01:09:49,600

remember in the beginning when he was

2105

01:09:52,550 --> 01:09:51,279

when he was making those videos and he

2106

01:09:53,430 --> 01:09:52,560

was really he was talking about the

2107

01:09:55,910 --> 01:09:53,440

chaga

2108

01:09:57,110 --> 01:09:55,920

and the vitamin c and like the uh i

2109

01:09:58,149 --> 01:09:57,120

think he talked about elderberry a

2110

01:09:59,270 --> 01:09:58,159

little bit but the chocolate was the

2111

01:10:00,870 --> 01:09:59,280

main thing and that actually i mean i'd

2112

01:10:02,149 --> 01:10:00,880

heard about chaga before all that but

2113

01:10:03,669 --> 01:10:02,159

that sort of got me

2114

01:10:05,350 --> 01:10:03,679

you know doing some research and i mean

2115

01:10:06,790 --> 01:10:05,360

really i you know like you said i i have

2116

01:10:07,590 --> 01:10:06,800

choc i don't have well i actually have

2117

01:10:09,270 --> 01:10:07,600

chocolate

2118

01:10:11,669 --> 01:10:09,280

powder but i don't use it that often i

2119

01:10:13,669 --> 01:10:11,679

actually have the chaga extract

2120

01:10:15,030 --> 01:10:13,679

in the bottle and i use it twice a day

2121

01:10:17,430 --> 01:10:15,040

in my coffee and

2122

01:10:19,110 --> 01:10:17,440

i mean you know what if it if it doesn't

2123

01:10:20,950 --> 01:10:19,120

do what he says it does then

2124

01:10:22,310 --> 01:10:20,960

you know i guess it's it's no biggie but

2125

01:10:23,830 --> 01:10:22,320

i mean just from some of the

2126
01:10:25,830 --> 01:10:23,840
small amount of research i've been able

2127
01:10:27,430 --> 01:10:25,840
to find on it it sounds like chaga is

2128
01:10:29,510 --> 01:10:27,440
actually one of the few

2129
01:10:30,709 --> 01:10:29,520
you know i guess medicinal mushrooms

2130
01:10:34,070 --> 01:10:30,719
that's actually been

2131
01:10:35,350 --> 01:10:34,080
somewhat heavily studied in in labs as

2132
01:10:37,110 --> 01:10:35,360
far as like what

2133
01:10:38,790 --> 01:10:37,120
if you know what positive effects you

2134
01:10:40,229 --> 01:10:38,800
might get from it and

2135
01:10:42,070 --> 01:10:40,239
i mean some of it you know i don't know

2136
01:10:43,750 --> 01:10:42,080
if it's really necessarily backed by

2137
01:10:45,669 --> 01:10:43,760
multiple studies but i mean just some of

2138
01:10:47,510 --> 01:10:45,679

the preliminary stuff sounds

2139

01:10:49,350 --> 01:10:47,520

like it you know it may have some some

2140

01:10:51,669 --> 01:10:49,360

health benefit

2141

01:10:53,510 --> 01:10:51,679

yeah vanessa thor mentioned she just had

2142

01:10:56,470 --> 01:10:53,520

blood work and my vitamin d

2143

01:10:58,390 --> 01:10:56,480

and b were excellent good for you yeah i

2144

01:10:59,830 --> 01:10:58,400

think that supplements and chaga can't

2145

01:11:01,350 --> 01:10:59,840

hurt i have the tea

2146

01:11:03,590 --> 01:11:01,360

i was taking it for a while when this

2147

01:11:04,709 --> 01:11:03,600

started i would take one cup of chaga

2148

01:11:06,950 --> 01:11:04,719

tea with the choc

2149

01:11:08,149 --> 01:11:06,960

i got the kind in the tea bags some

2150

01:11:10,310 --> 01:11:08,159

people get it whole

2151
01:11:11,430 --> 01:11:10,320
and you mix it or i don't know i just

2152
01:11:12,390 --> 01:11:11,440
thought the tea bags were most

2153
01:11:16,070 --> 01:11:12,400
convenient

2154
01:11:19,590 --> 01:11:16,080
not exactly uh delicious

2155
01:11:21,510 --> 01:11:19,600
but you can get it down or a bland yeah

2156
01:11:22,950 --> 01:11:21,520
see that i got it i put it i put a

2157
01:11:24,950 --> 01:11:22,960
little bit of honey or sugar in it to

2158
01:11:26,709 --> 01:11:24,960
get it down and then it's fine

2159
01:11:28,229 --> 01:11:26,719
and when this started i was doing that

2160
01:11:30,070 --> 01:11:28,239
every day i still have the tea

2161
01:11:31,910 --> 01:11:30,080
i haven't been doing it and i kind of

2162
01:11:33,270 --> 01:11:31,920
slacked off on the vitamins so i got to

2163
01:11:34,550 --> 01:11:33,280

start doing that and i think the

2164

01:11:36,790 --> 01:11:34,560

chocolate can't hurt

2165

01:11:38,149 --> 01:11:36,800

right yeah yeah i think it's vanessa

2166

01:11:38,709 --> 01:11:38,159

thor i agree with you i'm trying to

2167

01:11:42,070 --> 01:11:38,719

switch to

2168

01:11:46,550 --> 01:11:42,080

damn vapes vanessa thor

2169

01:11:49,910 --> 01:11:46,560

trying and genocide says smoking what

2170

01:11:53,270 --> 01:11:49,920

carol utley's supplements are important

2171

01:11:54,709 --> 01:11:53,280

yeah absolutely i think that's a

2172

01:11:55,910 --> 01:11:54,719

going back going back to the supplement

2173

01:11:57,270 --> 01:11:55,920

thing i think that's almost like a

2174

01:11:59,110 --> 01:11:57,280

generational thing because i feel like

2175

01:12:00,950 --> 01:11:59,120

back in the day i can remember like

2176
01:12:02,550 --> 01:12:00,960
you know my grandparents or like you

2177
01:12:03,990 --> 01:12:02,560
know even my parents like taking

2178
01:12:04,790 --> 01:12:04,000
vitamins and stuff and i'm like

2179
01:12:06,070 --> 01:12:04,800
you know like what are you taking these

2180
01:12:08,070 --> 01:12:06,080
vitamins for and then it's like i feel

2181
01:12:09,350 --> 01:12:08,080
like my generation of people

2182
01:12:11,270 --> 01:12:09,360
that was really not something i think

2183
01:12:12,630 --> 01:12:11,280
that was like you know talked about or

2184
01:12:14,870 --> 01:12:12,640
really pushed on us and i mean

2185
01:12:16,470 --> 01:12:14,880
most people i know that are that are my

2186
01:12:17,430 --> 01:12:16,480
age don't take any kind of

2187
01:12:20,950 --> 01:12:17,440
supplementation

2188
01:12:21,990 --> 01:12:20,960

at all yeah so i've really like you

2189

01:12:24,070 --> 01:12:22,000

you know i kind of like what you said

2190

01:12:25,669 --> 01:12:24,080

i've been really getting into

2191

01:12:27,030 --> 01:12:25,679

like looking more into that stuff and

2192

01:12:27,910 --> 01:12:27,040

like i said i do the chaga i do the

2193

01:12:31,110 --> 01:12:27,920

vitamin c

2194

01:12:32,790 --> 01:12:31,120

vitamin d um but i've been

2195

01:12:34,470 --> 01:12:32,800

i've been really big on the chaga here

2196

01:12:35,590 --> 01:12:34,480

lately i actually do i

2197

01:12:37,669 --> 01:12:35,600

i don't mind it cause like i said i just

2198

01:12:39,430 --> 01:12:37,679

put in coffee and you came and really

2199

01:12:41,830 --> 01:12:39,440

tasted

2200

01:12:43,030 --> 01:12:41,840

yeah that's interesting and vanessa

2201

01:12:45,030 --> 01:12:43,040

thorne mentions i live

2202

01:12:46,550 --> 01:12:45,040

and love quick defense by gaia herbs

2203

01:12:47,990 --> 01:12:46,560

it's the only thing i swear by as a

2204

01:12:50,310 --> 01:12:48,000

preventative i've never heard of that

2205

01:12:51,830 --> 01:12:50,320

i'm gonna look it up

2206

01:12:54,149 --> 01:12:51,840

you know what's interesting though i

2207

01:12:56,390 --> 01:12:54,159

will say this

2208

01:12:57,990 --> 01:12:56,400

this whole pandemic and the lockdown

2209

01:13:01,669 --> 01:12:58,000

thing really started for me

2210

01:13:05,189 --> 01:13:01,679

about march and uh that's seven months

2211

01:13:06,149 --> 01:13:05,199

i have not gotten sick period for seven

2212

01:13:08,870 --> 01:13:06,159

months

2213

01:13:09,990 --> 01:13:08,880

and usually especially with two kids i

2214

01:13:13,189 --> 01:13:10,000

would get

2215

01:13:13,510 --> 01:13:13,199

three or four colds in that time period

2216

01:13:19,990 --> 01:13:13,520

or

2217

01:13:20,709 --> 01:13:20,000

something three probably three four

2218

01:13:22,630 --> 01:13:20,719

times

2219

01:13:23,910 --> 01:13:22,640

it's like every every month i would get

2220

01:13:25,510 --> 01:13:23,920

sick before

2221

01:13:26,550 --> 01:13:25,520

and since this start i haven't gotten

2222

01:13:28,390 --> 01:13:26,560

sick and i don't know if it's the

2223

01:13:30,229 --> 01:13:28,400

supplements if it's all the hand washing

2224

01:13:32,310 --> 01:13:30,239

and hand sanitizing

2225

01:13:34,310 --> 01:13:32,320

but i'm thankful for that i haven't even

2226

01:13:35,590 --> 01:13:34,320

gotten a cold in seven months and that's

2227

01:13:38,149 --> 01:13:35,600

crazy for me

2228

01:13:38,870 --> 01:13:38,159

normally if there's any germ around i

2229

01:13:40,709 --> 01:13:38,880

pick it up

2230

01:13:41,830 --> 01:13:40,719

and i get it i mean if you haven't been

2231

01:13:45,189 --> 01:13:41,840

out much either and haven't been

2232

01:13:49,669 --> 01:13:47,990

i have i have used this as an excuse to

2233

01:13:50,229 --> 01:13:49,679

become even more of a hermit than i

2234

01:13:52,870 --> 01:13:50,239

usually

2235

01:13:54,470 --> 01:13:52,880

am i'm just not you know ask my wife i

2236

01:13:55,510 --> 01:13:54,480

drive her crazy because i'm like yeah i

2237

01:13:56,229 --> 01:13:55,520

don't want to go nowhere i don't want to

2238

01:13:58,390 --> 01:13:56,239

do nothing

2239

01:13:59,510 --> 01:13:58,400

i just i got a really nice house i'm

2240

01:14:01,430 --> 01:13:59,520

getting my money's worth

2241

01:14:02,470 --> 01:14:01,440

you know that's right hey i was going to

2242

01:14:04,070 --> 01:14:02,480

actually when we were talking about

2243

01:14:04,550 --> 01:14:04,080

oracle earlier before you played the

2244

01:14:05,750 --> 01:14:04,560

video

2245

01:14:07,270 --> 01:14:05,760

i was going to ask you this because i

2246

01:14:08,709 --> 01:14:07,280

was watching i didn't get to i didn't

2247

01:14:10,149 --> 01:14:08,719

get to watch the show live last night

2248

01:14:10,950 --> 01:14:10,159

but i was watching the replay this

2249

01:14:12,390 --> 01:14:10,960

morning

2250

01:14:13,990 --> 01:14:12,400

and i think you had made a comment when

2251

01:14:15,430 --> 01:14:14,000

you were talking about oracle

2252

01:14:17,030 --> 01:14:15,440

about like you thought there was going

2253

01:14:18,709 --> 01:14:17,040

to be a day soon in the future like

2254

01:14:20,470 --> 01:14:18,719

where you're talking about like ai gods

2255

01:14:22,310 --> 01:14:20,480

or like a religion sort of

2256

01:14:24,390 --> 01:14:22,320

based around you know artificial

2257

01:14:25,510 --> 01:14:24,400

intelligence um

2258

01:14:27,430 --> 01:14:25,520

you know i don't know if maybe i saw

2259

01:14:29,830 --> 01:14:27,440

terminator too many times as a kid but

2260

01:14:30,870 --> 01:14:29,840

my sort of thought process on on ai has

2261

01:14:34,790 --> 01:14:30,880

always been that

2262

01:14:37,669 --> 01:14:34,800

human beings are not adult enough to

2263

01:14:39,270 --> 01:14:37,679

handle the ramifications of artificial

2264

01:14:41,030 --> 01:14:39,280

intelligence i think even people who go

2265

01:14:44,229 --> 01:14:41,040

at it with like the most

2266

01:14:46,149 --> 01:14:44,239

you know you know who have like the

2267

01:14:47,590 --> 01:14:46,159

you know who don't have ill intentions

2268

01:14:49,110 --> 01:14:47,600

with it like i just feel like at some

2269

01:14:49,990 --> 01:14:49,120

point down the road it's going to go

2270

01:14:52,310 --> 01:14:50,000

that way

2271

01:14:53,830 --> 01:14:52,320

so i mean do you i mean do you feel like

2272

01:14:56,870 --> 01:14:53,840

you know the future of ai

2273

01:14:58,470 --> 01:14:56,880

is is really a big positive for humanity

2274

01:14:58,950 --> 01:14:58,480

or do you feel like we're going to cause

2275

01:15:03,669 --> 01:14:58,960

some

2276

01:15:06,390 --> 01:15:03,679

50 50.

2277

01:15:08,630 --> 01:15:06,400

here's what i think i think that given

2278

01:15:10,550 --> 01:15:08,640

what i know about human nature

2279

01:15:12,470 --> 01:15:10,560

any technological advance that's ever

2280

01:15:14,470 --> 01:15:12,480

been made people weaponized

2281

01:15:15,669 --> 01:15:14,480

right we can say that with some degree

2282

01:15:17,669 --> 01:15:15,679

of certainty

2283

01:15:19,990 --> 01:15:17,679

we we learned to split the atom and we

2284

01:15:21,750 --> 01:15:20,000

could have provided free power

2285

01:15:23,189 --> 01:15:21,760

for everybody in the in the world

2286

01:15:24,630 --> 01:15:23,199

including the third world where they

2287

01:15:26,550 --> 01:15:24,640

didn't even have electricity

2288

01:15:28,870 --> 01:15:26,560

at the time that we discovered that some

2289

01:15:31,030 --> 01:15:28,880

countries barely had electricity

2290

01:15:32,470 --> 01:15:31,040

we could have done wonders with that

2291

01:15:34,229 --> 01:15:32,480

ability to split the atom

2292

01:15:35,669 --> 01:15:34,239

we could have everybody in the world

2293

01:15:37,270 --> 01:15:35,679

could have had power in the form of a

2294

01:15:39,189 --> 01:15:37,280

nuclear power plant

2295

01:15:40,390 --> 01:15:39,199

what do we do with it instead we turned

2296

01:15:42,790 --> 01:15:40,400

it into

2297

01:15:43,910 --> 01:15:42,800

the earth's greatest weapon yeah a lot

2298

01:15:45,990 --> 01:15:43,920

of people up with it

2299

01:15:46,950 --> 01:15:46,000

and that was even in its crude first

2300

01:15:49,350 --> 01:15:46,960

forms

2301

01:15:51,910 --> 01:15:49,360

so what worries me is that it's going to

2302

01:15:52,550 --> 01:15:51,920

be a tremendous technological advantage

2303

01:15:55,990 --> 01:15:52,560

and

2304

01:15:59,270 --> 01:15:56,000

i don't feel confident enough

2305

01:16:01,270 --> 01:15:59,280

in uh human nature to say that it

2306

01:16:03,110 --> 01:16:01,280

wouldn't be weaponized

2307

01:16:04,950 --> 01:16:03,120

so i'm not sure what the answer is but

2308

01:16:05,990 --> 01:16:04,960

the flip side of the coin is that once

2309

01:16:09,510 --> 01:16:06,000

that singularity

2310

01:16:11,110 --> 01:16:09,520

is reached it will be a very short time

2311

01:16:13,590 --> 01:16:11,120

where we'll go from human level

2312

01:16:15,590 --> 01:16:13,600

intelligence to

2313

01:16:17,990 --> 01:16:15,600

a quantum leap ahead of human level

2314

01:16:21,430 --> 01:16:18,000

intelligence and be doing things like

2315

01:16:24,550 --> 01:16:21,440

curing cancer curing aids curing

2316

01:16:25,430 --> 01:16:24,560

autism preventing you know curing

2317

01:16:27,510 --> 01:16:25,440

diabetes

2318

01:16:28,950 --> 01:16:27,520

all of these things that have eluded

2319

01:16:32,950 --> 01:16:28,960

man's ability

2320

01:16:36,310 --> 01:16:32,960

because we're we only have so much time

2321

01:16:38,790 --> 01:16:36,320

research money ability right but these

2322

01:16:39,430 --> 01:16:38,800

these ais are going to become a step

2323

01:16:41,270 --> 01:16:39,440

above us

2324

01:16:42,709 --> 01:16:41,280

as far as intelligence they may think in

2325

01:16:43,590 --> 01:16:42,719

different ways that we haven't even

2326

01:16:46,470 --> 01:16:43,600

imagined

2327

01:16:48,149 --> 01:16:46,480

thinking about diseases or whatever i

2328

01:16:49,990 --> 01:16:48,159

think there's going to be a golden age

2329

01:16:51,910 --> 01:16:50,000

of ai when it first begins that there's

2330

01:16:54,470 --> 01:16:51,920

going to be mostly only benefit

2331

01:16:55,510 --> 01:16:54,480

from these ai but eventually there's

2332

01:16:57,030 --> 01:16:55,520

going to be problems

2333

01:16:58,950 --> 01:16:57,040

people are going to weaponize them

2334

01:17:01,030 --> 01:16:58,960

that's what i that's how how i think

2335

01:17:02,790 --> 01:17:01,040

it's going to go

2336

01:17:04,310 --> 01:17:02,800

well i mean just from what the the small

2337

01:17:05,910 --> 01:17:04,320

amount of material that i've read

2338

01:17:07,830 --> 01:17:05,920

you know as far as like the quantum

2339

01:17:09,189 --> 01:17:07,840

computing and like what these super

2340

01:17:11,189 --> 01:17:09,199

computers can do now and

2341

01:17:12,149 --> 01:17:11,199

i guess they can you know link together

2342

01:17:13,750 --> 01:17:12,159

and all these different things that

2343

01:17:15,110 --> 01:17:13,760

they're talking about um

2344

01:17:16,149 --> 01:17:15,120

you know as far as you said there's

2345

01:17:17,830 --> 01:17:16,159

probably going to be a day and it's

2346

01:17:19,189 --> 01:17:17,840

probably you know sooner than we think

2347

01:17:21,189 --> 01:17:19,199

it is where

2348

01:17:22,310 --> 01:17:21,199

you know the the capacity of a computer

2349

01:17:24,229 --> 01:17:22,320

is going to be

2350

01:17:26,070 --> 01:17:24,239

far and above anything that any human

2351

01:17:28,390 --> 01:17:26,080

alive could be able to do

2352

01:17:29,830 --> 01:17:28,400

you know on their own so it's yeah we're

2353

01:17:31,189 --> 01:17:29,840

already starting we're already starting

2354

01:17:34,790 --> 01:17:31,199

to see it in the form of

2355

01:17:37,510 --> 01:17:34,800

of some uh very uh narrow

2356

01:17:39,350 --> 01:17:37,520

and specific ais you know like people

2357

01:17:41,110 --> 01:17:39,360

don't even understand this but hospitals

2358

01:17:43,030 --> 01:17:41,120

now are using ais to

2359

01:17:45,350 --> 01:17:43,040

like look at mammograms and things like

2360

01:17:46,870 --> 01:17:45,360

that and they can look through hundreds

2361

01:17:48,950 --> 01:17:46,880

of them in the time that it takes a

2362

01:17:49,669 --> 01:17:48,960

radiologist a human radiologist to look

2363

01:17:52,070 --> 01:17:49,679

at three

2364

01:17:53,990 --> 01:17:52,080

they can look at 300 in in the time that

2365

01:17:54,709 --> 01:17:54,000

it takes a human radiologist to look at

2366

01:17:57,830 --> 01:17:54,719

three

2367

01:18:00,390 --> 01:17:57,840

and the accuracy with which they flag

2368

01:18:01,830 --> 01:18:00,400

things for the humans to look at is near

2369

01:18:03,430 --> 01:18:01,840

a hundred percent

2370

01:18:04,550 --> 01:18:03,440

yeah it's a lot higher than they said i

2371

01:18:04,870 --> 01:18:04,560

remember seeing something about that

2372

01:18:06,550 --> 01:18:04,880

where

2373

01:18:07,910 --> 01:18:06,560

they were looking at cancer and like

2374

01:18:09,189 --> 01:18:07,920

mr is or or x

2375

01:18:11,590 --> 01:18:09,199

you know mammograms or something and

2376

01:18:13,030 --> 01:18:11,600

they said that the the ai system was

2377

01:18:15,430 --> 01:18:13,040

able to detect

2378

01:18:18,149 --> 01:18:15,440

more i guess like like you said red

2379

01:18:20,070 --> 01:18:18,159

flags or like cancer type cells than

2380

01:18:22,870 --> 01:18:20,080

the human the human radiologist was who

2381

01:18:25,030 --> 01:18:22,880

was actually looking at the same data

2382

01:18:26,950 --> 01:18:25,040

yeah yeah so there's already there's

2383

01:18:28,310 --> 01:18:26,960

already ai's that are better at humans

2384

01:18:30,950 --> 01:18:28,320

at certain tasks

2385

01:18:32,709 --> 01:18:30,960

the difference is there's something a

2386

01:18:33,910 --> 01:18:32,719

concept called a strong ai

2387

01:18:35,350 --> 01:18:33,920

so in other words we've already

2388

01:18:35,830 --> 01:18:35,360

developed these ai's that have these

2389

01:18:40,070 --> 01:18:35,840

very

2390

01:18:43,110 --> 01:18:40,080

strong ai

2391

01:18:45,189 --> 01:18:43,120

will be good like that at everything

2392

01:18:47,030 --> 01:18:45,199

and that is what is the tremendous

2393

01:18:48,229 --> 01:18:47,040

challenge of computer scientists is to

2394

01:18:49,990 --> 01:18:48,239

create that

2395

01:18:51,590 --> 01:18:50,000

you know and there's all different

2396

01:18:53,110 --> 01:18:51,600

there's all different methods people

2397

01:18:54,470 --> 01:18:53,120

think it could be quantum computing

2398

01:18:55,669 --> 01:18:54,480

other people think no it's neural

2399

01:18:57,350 --> 01:18:55,679

networks

2400

01:18:59,189 --> 01:18:57,360

uh you design a neural network that

2401

01:19:00,790 --> 01:18:59,199

operates like a human brain and then you

2402

01:19:05,030 --> 01:19:00,800

train it and teach it

2403

01:19:08,790 --> 01:19:06,470

well i think you know what what's elon

2404

01:19:10,950 --> 01:19:08,800

musk doing now and he's like putting uh

2405

01:19:12,149 --> 01:19:10,960

the neural links your chips and it's

2406

01:19:14,070 --> 01:19:12,159

scary

2407

01:19:15,510 --> 01:19:14,080

yeah let's have a direct link to the

2408

01:19:17,990 --> 01:19:15,520

internet and this

2409

01:19:20,470 --> 01:19:18,000

this whole transhumanism things brings

2410

01:19:23,750 --> 01:19:20,480

up a whole lot of philosophical problems

2411

01:19:25,830 --> 01:19:23,760

because let's just say for example that

2412

01:19:27,590 --> 01:19:25,840

elon musk's neural link starts to really

2413

01:19:29,350 --> 01:19:27,600

take off and work really well

2414

01:19:31,510 --> 01:19:29,360

and let's say that anybody that has that

2415

01:19:33,110 --> 01:19:31,520

neural link can connect to the internet

2416

01:19:35,510 --> 01:19:33,120

they will have the whole of human

2417

01:19:36,790 --> 01:19:35,520

knowledge at their fingertips

2418

01:19:38,310 --> 01:19:36,800

whenever they need an answer to a

2419

01:19:39,110 --> 01:19:38,320

question boom it's right there in your

2420

01:19:42,790 --> 01:19:39,120

brain

2421

01:19:44,149 --> 01:19:42,800

right now what if you were going for

2422

01:19:46,470 --> 01:19:44,159

some job

2423

01:19:48,390 --> 01:19:46,480

and you were going against somebody that

2424

01:19:50,870 --> 01:19:48,400

has the neural link

2425

01:19:52,950 --> 01:19:50,880

you know the the superhuman abilities

2426

01:19:53,990 --> 01:19:52,960

that that guy has that you don't have is

2427

01:19:56,229 --> 01:19:54,000

a problem

2428

01:19:57,510 --> 01:19:56,239

and again if we look at human nature i

2429

01:19:59,030 --> 01:19:57,520

think what's going to happen is that the

2430

01:20:00,630 --> 01:19:59,040

haves and the have-nots are going to

2431

01:20:01,830 --> 01:20:00,640

become further and further apart

2432

01:20:03,669 --> 01:20:01,840

because if you don't have the money to

2433

01:20:04,390 --> 01:20:03,679

get this upgrade what are you going to

2434

01:20:05,270 --> 01:20:04,400

do

2435

01:20:06,550 --> 01:20:05,280

and you're not going to be able to

2436

01:20:08,070 --> 01:20:06,560

compete with people that have that

2437

01:20:09,750 --> 01:20:08,080

upgrade so then we're going to have two

2438

01:20:11,830 --> 01:20:09,760

classes of people

2439

01:20:12,950 --> 01:20:11,840

really truly the haves and the have-nots

2440

01:20:14,550 --> 01:20:12,960

we're going to have the people that have

2441

01:20:17,669 --> 01:20:14,560

the neural link and that

2442

01:20:19,510 --> 01:20:17,679

tremendous could be a tremendous joining

2443

01:20:20,870 --> 01:20:19,520

of computer intelligence and human

2444

01:20:22,629 --> 01:20:20,880

intelligence

2445

01:20:24,950 --> 01:20:22,639

and the people that are stuck in the

2446

01:20:25,430 --> 01:20:24,960

stone age with just their paltry organic

2447

01:20:27,990 --> 01:20:25,440

brain

2448

01:20:28,629 --> 01:20:28,000

and not having that advantage it's going

2449

01:20:32,470 --> 01:20:28,639

to be

2450

01:20:33,270 --> 01:20:32,480

think about it like this though like

2451
01:20:35,910 --> 01:20:33,280
right now

2452
01:20:37,430 --> 01:20:35,920
in 2020 in the cell like with the cell

2453
01:20:39,510 --> 01:20:37,440
phone that's in your pocket

2454
01:20:41,590 --> 01:20:39,520
you have access to more information than

2455
01:20:42,229 --> 01:20:41,600
any humans and any like any point in our

2456
01:20:44,790 --> 01:20:42,239
current

2457
01:20:45,590 --> 01:20:44,800
you know civilization has ever had so

2458
01:20:47,750 --> 01:20:45,600
like we have

2459
01:20:49,590 --> 01:20:47,760
we have all this information right now

2460
01:20:50,149 --> 01:20:49,600
and what do people decide to do with it

2461
01:20:52,470 --> 01:20:50,159
they're

2462
01:20:53,590 --> 01:20:52,480
making tick tock videos and you know

2463
01:20:55,350 --> 01:20:53,600

spending time

2464

01:20:57,270 --> 01:20:55,360

you know how much more do you know how

2465

01:20:58,310 --> 01:20:57,280

much of the internet bandwidth is taken

2466

01:21:00,790 --> 01:20:58,320

up by porn

2467

01:21:02,310 --> 01:21:00,800

i i've read several statistics that it's

2468

01:21:04,550 --> 01:21:02,320

more than 30

2469

01:21:06,310 --> 01:21:04,560

maybe as much as 50 of the internet

2470

01:21:07,669 --> 01:21:06,320

bandwidth around the world

2471

01:21:09,510 --> 01:21:07,679

what people are viewing watching

2472

01:21:12,790 --> 01:21:09,520

consuming is porn or

2473

01:21:14,790 --> 01:21:12,800

porn related that's crazy we have the

2474

01:21:15,990 --> 01:21:14,800

world's greatest most tremendous

2475

01:21:17,750 --> 01:21:16,000

communications tool

2476

01:21:20,629 --> 01:21:17,760

that humans have ever invented and what

2477

01:21:23,270 --> 01:21:20,639

do we do with it porn and kitten videos

2478

01:21:23,990 --> 01:21:23,280

you know you can't forget the kittens

2479

01:21:25,590 --> 01:21:24,000

yeah so

2480

01:21:27,510 --> 01:21:25,600

i i don't know i mean like i said i

2481

01:21:28,629 --> 01:21:27,520

think we've got we you know we as humans

2482

01:21:30,629 --> 01:21:28,639

right now without the

2483

01:21:32,149 --> 01:21:30,639

neural network already have access to

2484

01:21:34,550 --> 01:21:32,159

all of this knowledge and

2485

01:21:35,510 --> 01:21:34,560

most of us i think choose to you know

2486

01:21:37,830 --> 01:21:35,520

like you said we

2487

01:21:39,110 --> 01:21:37,840

we fill our time with uh with other

2488

01:21:40,550 --> 01:21:39,120

activities so

2489

01:21:42,229 --> 01:21:40,560

so i don't you know i don't know how

2490

01:21:44,870 --> 01:21:42,239

that's gonna go

2491

01:21:46,390 --> 01:21:44,880

yeah i think it's an interesting time to

2492

01:21:48,310 --> 01:21:46,400

be alive for sure

2493

01:21:49,430 --> 01:21:48,320

an interesting time to be alive we may

2494

01:21:58,550 --> 01:21:49,440

see

2495

01:21:59,430 --> 01:21:58,560

we probably will i'm betting that we're

2496

01:22:02,550 --> 01:21:59,440

going to live to see

2497

01:22:03,590 --> 01:22:02,560

the singularity happen where we may also

2498

01:22:06,550 --> 01:22:03,600

live to see

2499

01:22:07,990 --> 01:22:06,560

humans merge with that artificial

2500

01:22:09,030 --> 01:22:08,000

intelligence in the form of something

2501

01:22:11,110 --> 01:22:09,040

like neural link

2502

01:22:12,790 --> 01:22:11,120

that might be within our lifetime and

2503

01:22:14,950 --> 01:22:12,800

what a tremendous change for the human

2504

01:22:17,350 --> 01:22:14,960

race both of those things is going to be

2505

01:22:18,870 --> 01:22:17,360

it's going to be a crazy ride what did

2506

01:22:20,070 --> 01:22:18,880

they say was singularity like i remember

2507

01:22:23,189 --> 01:22:20,080

seeing something a while back where they

2508

01:22:25,189 --> 01:22:23,199

were predicting like 20 was it 20 40

2509

01:22:27,350 --> 01:22:25,199

twenty thirty five or i was going to be

2510

01:22:30,310 --> 01:22:27,360

sort of the year of singularity

2511

01:22:31,990 --> 01:22:30,320

i'm betting on 2040 or sooner and the

2512

01:22:34,950 --> 01:22:32,000

singularity is basically

2513

01:22:35,590 --> 01:22:34,960

that point in which an ai system is

2514

01:22:37,669 --> 01:22:35,600

first of all

2515

01:22:39,189 --> 01:22:37,679

indistinguishable from a human as far as

2516

01:22:40,790 --> 01:22:39,199

something like a touring test

2517

01:22:43,350 --> 01:22:40,800

in other words if they put somebody in

2518

01:22:43,910 --> 01:22:43,360

front of it that didn't know it was an

2519

01:22:45,430 --> 01:22:43,920

ai

2520

01:22:47,110 --> 01:22:45,440

and that person was allowed to interview

2521

01:22:48,629 --> 01:22:47,120

the ai

2522

01:22:50,470 --> 01:22:48,639

would the person be able to detect that

2523

01:22:51,590 --> 01:22:50,480

it was an ai or not or would they

2524

01:22:53,510 --> 01:22:51,600

believe it was a human

2525

01:22:54,709 --> 01:22:53,520

that's one of the the criteria that

2526

01:22:56,550 --> 01:22:54,719

people often cite

2527

01:22:58,790 --> 01:22:56,560

but generally the singularity is

2528

01:23:01,990 --> 01:22:58,800

described as that moment that

2529

01:23:05,110 --> 01:23:02,000

an artificial intelligence becomes as

2530

01:23:07,110 --> 01:23:05,120

intelligent as a human so

2531

01:23:08,870 --> 01:23:07,120

we're not far off we're really not going

2532

01:23:09,189 --> 01:23:08,880

to be far off i don't believe that we

2533

01:23:11,430 --> 01:23:09,199

are

2534

01:23:12,629 --> 01:23:11,440

i'd be surprised if it takes until 2040.

2535

01:23:15,270 --> 01:23:12,639

i think that that

2536

01:23:16,950 --> 01:23:15,280

google look at the tremendous money that

2537

01:23:19,510 --> 01:23:16,960

they have they're putting

2538

01:23:19,990 --> 01:23:19,520

all chips in on ai and we we're running

2539

01:23:22,870 --> 01:23:20,000

on and

2540

01:23:24,629 --> 01:23:22,880

ai is monitoring us right now people

2541

01:23:26,950 --> 01:23:24,639

don't realize that we're on youtube

2542

01:23:29,270 --> 01:23:26,960

and ai runs most of youtube or different

2543

01:23:31,350 --> 01:23:29,280

ais run most of youtube

2544

01:23:32,790 --> 01:23:31,360

it's coming friends this singularity is

2545

01:23:35,910 --> 01:23:32,800

coming

2546

01:23:37,189 --> 01:23:35,920

whether good or bad remains to be seen

2547

01:23:38,310 --> 01:23:37,199

but it's coming

2548

01:23:39,830 --> 01:23:38,320

i think that there's definitely going to

2549

01:23:41,110 --> 01:23:39,840

be some negative to that too i mean just

2550

01:23:43,030 --> 01:23:41,120

look at right now where you're you know

2551
01:23:44,550 --> 01:23:43,040
you're really starting to see this whole

2552
01:23:46,310 --> 01:23:44,560
this whole deal with like you know deep

2553
01:23:48,229 --> 01:23:46,320
fake videos where they can basically

2554
01:23:49,590 --> 01:23:48,239
make they can take a clip from somebody

2555
01:23:50,870 --> 01:23:49,600
and then make that clip

2556
01:23:52,229 --> 01:23:50,880
say something totally different than

2557
01:23:53,510 --> 01:23:52,239
what was said and i mean the mouth is

2558
01:23:56,310 --> 01:23:53,520
moving just like

2559
01:23:57,350 --> 01:23:56,320
you know yeah actually i mean what is

2560
01:23:59,270 --> 01:23:57,360
this scary

2561
01:24:01,510 --> 01:23:59,280
somebody or is that gonna go somebody

2562
01:24:03,430 --> 01:24:01,520
did a deep fake of richard nixon reading

2563
01:24:05,750 --> 01:24:03,440

the speech that would have been read

2564

01:24:07,270 --> 01:24:05,760

if they saw that if the astronauts

2565

01:24:08,709 --> 01:24:07,280

weren't able to get off the moon and

2566

01:24:11,830 --> 01:24:08,719

they were going to die there

2567

01:24:13,430 --> 01:24:11,840

and that was creepy realistic it looked

2568

01:24:15,350 --> 01:24:13,440

absolutely like him it sounded

2569

01:24:16,229 --> 01:24:15,360

absolutely like him and you just get a

2570

01:24:20,070 --> 01:24:16,239

body double

2571

01:24:22,229 --> 01:24:20,080

slap on nixon's face and

2572

01:24:23,669 --> 01:24:22,239

some clever computer work and it looks

2573

01:24:26,790 --> 01:24:23,679

exactly like nixon

2574

01:24:28,149 --> 01:24:26,800

it's crazy and then i think going back

2575

01:24:29,189 --> 01:24:28,159

to what you said where you were talking

2576

01:24:30,870 --> 01:24:29,199

about you know here

2577

01:24:32,550 --> 01:24:30,880

at some point with you you know humans

2578

01:24:34,229 --> 01:24:32,560

merging with machine

2579

01:24:35,510 --> 01:24:34,239

you know and then the philosophical

2580

01:24:37,750 --> 01:24:35,520

questions i think that are going to

2581

01:24:39,189 --> 01:24:37,760

arise from that you know as far as

2582

01:24:41,430 --> 01:24:39,199

if that happens then you could you could

2583

01:24:44,390 --> 01:24:41,440

talk about humans living to be

2584

01:24:45,430 --> 01:24:44,400

150 you know 200 years old or something

2585

01:24:46,790 --> 01:24:45,440

like that and then

2586

01:24:48,470 --> 01:24:46,800

the you know everything that sort of

2587

01:24:49,189 --> 01:24:48,480

comes from that and then curing all of

2588

01:24:51,189 --> 01:24:49,199

these

2589

01:24:52,950 --> 01:24:51,199

you know the you know the plus side is

2590

01:24:54,550 --> 01:24:52,960

you cure all these diseases but then

2591

01:24:56,550 --> 01:24:54,560

if more people are alive on the earth

2592

01:24:57,590 --> 01:24:56,560

that's using more resources and this

2593

01:25:00,229 --> 01:24:57,600

this and this and then

2594

01:25:01,430 --> 01:25:00,239

how does that affect the earth going

2595

01:25:03,830 --> 01:25:01,440

forward how does that affect

2596

01:25:05,350 --> 01:25:03,840

we're already over populated imagine if

2597

01:25:06,629 --> 01:25:05,360

there was no disease and we all live to

2598

01:25:08,629 --> 01:25:06,639

be 300.

2599

01:25:10,310 --> 01:25:08,639

but that may force us to that may force

2600

01:25:13,350 --> 01:25:10,320

us to colonize

2601
01:25:14,390 --> 01:25:13,360
space you know we may have a microwave

2602
01:25:16,950 --> 01:25:14,400
or they're gonna have to get more

2603
01:25:19,830 --> 01:25:16,960
serious about renewable resources and

2604
01:25:21,189 --> 01:25:19,840
you know get off of oil and you get more

2605
01:25:22,149 --> 01:25:21,199
you know i don't know if it's solar

2606
01:25:23,910 --> 01:25:22,159
hydrogen

2607
01:25:25,350 --> 01:25:23,920
nuclear you know whatever it is i mean

2608
01:25:26,870 --> 01:25:25,360
there's all kinds of other options out

2609
01:25:28,629 --> 01:25:26,880
there that have never been

2610
01:25:30,550 --> 01:25:28,639
you know produced on a mass scale

2611
01:25:32,709 --> 01:25:30,560
because the current you know

2612
01:25:34,390 --> 01:25:32,719
the current kind of global system is is

2613
01:25:37,590 --> 01:25:34,400

based around oil right now

2614

01:25:41,189 --> 01:25:37,600

you know so i don't know

2615

01:25:42,950 --> 01:25:41,199

yeah i'm not sure what's going to happen

2616

01:25:45,830 --> 01:25:42,960

the party told you to reject the

2617

01:25:47,189 --> 01:25:45,840

evidence of your eyes and ears 1984 is

2618

01:25:49,830 --> 01:25:47,199

becoming a reality

2619

01:25:51,669 --> 01:25:49,840

yeah i didn't know when i read 1984 back

2620

01:25:53,590 --> 01:25:51,679

in the day that it it was a

2621

01:25:55,350 --> 01:25:53,600

it was a documentary i thought it was

2622

01:25:56,790 --> 01:25:55,360

like a fiction

2623

01:25:58,870 --> 01:25:56,800

i didn't know it was like maybe it's a

2624

01:25:59,430 --> 01:25:58,880

survival guide for what you're going to

2625

01:26:01,910 --> 01:25:59,440

live through

2626
01:26:03,189 --> 01:26:01,920
soon you know i don't know but yeah all

2627
01:26:04,790 --> 01:26:03,199
this stuff is funny and

2628
01:26:06,310 --> 01:26:04,800
and i i'm a little concerned about all

2629
01:26:07,590 --> 01:26:06,320
this stuff with it that's going on the

2630
01:26:10,229 --> 01:26:07,600
internet now and internet

2631
01:26:11,590 --> 01:26:10,239
censorship and uh the way things are

2632
01:26:14,310 --> 01:26:11,600
clamped down and

2633
01:26:15,669 --> 01:26:14,320
i don't know you know i'm 50 50 on that

2634
01:26:17,030 --> 01:26:15,679
too because part of me thinks

2635
01:26:18,470 --> 01:26:17,040
these are private companies they could

2636
01:26:19,590 --> 01:26:18,480
do whatever they want but the other part

2637
01:26:21,110 --> 01:26:19,600
of me thinks

2638
01:26:22,950 --> 01:26:21,120

you shouldn't give any private company

2639

01:26:24,629 --> 01:26:22,960

that much power because

2640

01:26:26,070 --> 01:26:24,639

if somebody's like let's say for example

2641

01:26:27,590 --> 01:26:26,080

somebody's d platform

2642

01:26:29,350 --> 01:26:27,600

whether you agree or disagree with what

2643

01:26:30,550 --> 01:26:29,360

they were talking about if you take away

2644

01:26:33,030 --> 01:26:30,560

their twitter

2645

01:26:34,149 --> 01:26:33,040

their youtube their facebook their

2646

01:26:36,149 --> 01:26:34,159

instagram

2647

01:26:38,470 --> 01:26:36,159

then they don't have a voice in the

2648

01:26:41,189 --> 01:26:38,480

world that other people have

2649

01:26:42,390 --> 01:26:41,199

you know and that's a big problem i

2650

01:26:44,229 --> 01:26:42,400

think when you look at it from maybe

2651

01:26:45,110 --> 01:26:44,239

sort of a libertarian i guess point of

2652

01:26:46,470 --> 01:26:45,120

view it's like

2653

01:26:48,470 --> 01:26:46,480

like what you just said i mean these are

2654

01:26:49,669 --> 01:26:48,480

private companies they have terms of

2655

01:26:51,189 --> 01:26:49,679

service they have

2656

01:26:52,550 --> 01:26:51,199

you know rules that you have to follow

2657

01:26:53,990 --> 01:26:52,560

and if they don't agree with what you're

2658

01:26:55,510 --> 01:26:54,000

putting out there i mean i guess they

2659

01:26:57,430 --> 01:26:55,520

are in their right to

2660

01:26:59,189 --> 01:26:57,440

to do that i mean when you when you take

2661

01:27:01,110 --> 01:26:59,199

away a whole viewpoint

2662

01:27:02,390 --> 01:27:01,120

then all you're doing is basically just

2663

01:27:03,669 --> 01:27:02,400

you know everybody that everybody's

2664

01:27:05,669 --> 01:27:03,679

still on there is all just

2665

01:27:06,790 --> 01:27:05,679

what what's the what's the term i can't

2666

01:27:08,149 --> 01:27:06,800

think of it but it's like everybody's

2667

01:27:10,229 --> 01:27:08,159

just collectively thinking the same

2668

01:27:12,470 --> 01:27:10,239

thing nobody's challenging any ideas

2669

01:27:13,750 --> 01:27:12,480

it becomes an echo chamber like group

2670

01:27:15,270 --> 01:27:13,760

think yeah where everybody's in

2671

01:27:16,470 --> 01:27:15,280

the chamber oh of the same thing and

2672

01:27:17,189 --> 01:27:16,480

that's where that's where a lot of this

2673

01:27:20,390 --> 01:27:17,199

is right now

2674

01:27:21,750 --> 01:27:20,400

i mean you know i don't uh you know

2675

01:27:23,830 --> 01:27:21,760

if these people really wanted to they

2676
01:27:24,870 --> 01:27:23,840
could start another social media service

2677
01:27:26,629 --> 01:27:24,880
that was just

2678
01:27:28,149 --> 01:27:26,639
all for conservatives or all for

2679
01:27:30,229 --> 01:27:28,159
liberals or for

2680
01:27:32,950 --> 01:27:30,239
whatever you want to be yeah i'm really

2681
01:27:35,030 --> 01:27:32,960
surprised somebody hasn't

2682
01:27:36,229 --> 01:27:35,040
well i think they have but it's just not

2683
01:27:37,750 --> 01:27:36,239
been able to catch on

2684
01:27:41,030 --> 01:27:37,760
yeah you know globally like like a

2685
01:27:42,149 --> 01:27:41,040
twitter or a facebook but um

2686
01:27:43,510 --> 01:27:42,159
but yeah i don't know the censorship

2687
01:27:44,870 --> 01:27:43,520
thing is definitely a big deal i think

2688
01:27:46,229 --> 01:27:44,880

what you said as far as deep

2689

01:27:47,110 --> 01:27:46,239

you know de-platforming people and

2690

01:27:48,470 --> 01:27:47,120

you're seeing a lot of that now

2691

01:27:50,790 --> 01:27:48,480

especially when the whole

2692

01:27:52,310 --> 01:27:50,800

you know new age sort of ufo community

2693

01:27:54,470 --> 01:27:52,320

where a lot of these guys are

2694

01:27:55,910 --> 01:27:54,480

getting taken off their their platforms

2695

01:27:57,270 --> 01:27:55,920

and it's like i mean

2696

01:27:59,430 --> 01:27:57,280

you know if you want to if you want to

2697

01:28:01,030 --> 01:27:59,440

give somebody your money and your

2698

01:28:02,149 --> 01:28:01,040

you know and you believe whatever

2699

01:28:03,030 --> 01:28:02,159

they're selling i mean that's that's

2700

01:28:05,750 --> 01:28:03,040

your viewpoint

2701
01:28:06,950 --> 01:28:05,760
now if that person is you know going out

2702
01:28:09,750 --> 01:28:06,960
there saying oh this

2703
01:28:11,270 --> 01:28:09,760
product right here cures covid and then

2704
01:28:12,709 --> 01:28:11,280
people take it and they poison

2705
01:28:15,750 --> 01:28:12,719
themselves and they die

2706
01:28:16,870 --> 01:28:15,760
that's probably a little different um i

2707
01:28:17,830 --> 01:28:16,880
would look at that maybe a little bit

2708
01:28:19,270 --> 01:28:17,840
different as if

2709
01:28:21,669 --> 01:28:19,280
somebody's out there talking about blue

2710
01:28:22,870 --> 01:28:21,679
chickens and space jumping the bars and

2711
01:28:24,870 --> 01:28:22,880
all that stuff like that's

2712
01:28:26,629 --> 01:28:24,880
that's a whole different thing to me but

2713
01:28:28,629 --> 01:28:26,639

yeah i think these are complex problems

2714

01:28:30,629 --> 01:28:28,639

and i'm just a stupid monkey so

2715

01:28:32,070 --> 01:28:30,639

mostly i try to stay out of it but once

2716

01:28:33,110 --> 01:28:32,080

in a while i think about these things

2717

01:28:35,189 --> 01:28:33,120

because

2718

01:28:37,030 --> 01:28:35,199

you know uh one of the things that

2719

01:28:38,629 --> 01:28:37,040

worries me is like you know that saying

2720

01:28:40,149 --> 01:28:38,639

like with the nazis you know when they

2721

01:28:42,070 --> 01:28:40,159

came for the jews i did nothing because

2722

01:28:43,189 --> 01:28:42,080

i wasn't jewish and next they came for

2723

01:28:46,629 --> 01:28:43,199

me

2724

01:28:48,629 --> 01:28:46,639

you know do we just go well they

2725

01:28:50,149 --> 01:28:48,639

violated the terms of service part of me

2726

01:28:50,709 --> 01:28:50,159

though does see some of them being

2727

01:28:52,470 --> 01:28:50,719

stupid

2728

01:28:54,229 --> 01:28:52,480

and going like you knew you weren't

2729

01:28:55,830 --> 01:28:54,239

supposed to say this and we have people

2730

01:28:56,709 --> 01:28:55,840

like kerry cassidy's really pushing the

2731

01:28:58,709 --> 01:28:56,719

envelope like

2732

01:29:00,870 --> 01:28:58,719

they demonetize her platform and then

2733

01:29:02,149 --> 01:29:00,880

she has that whack job from pandemic on

2734

01:29:04,149 --> 01:29:02,159

her show

2735

01:29:05,990 --> 01:29:04,159

right after they demonetized her that's

2736

01:29:06,870 --> 01:29:06,000

basically going [h__h] you youtube you

2737

01:29:08,470 --> 01:29:06,880

know like

2738

01:29:10,310 --> 01:29:08,480

she's gonna deserve whatever happens to

2739

01:29:12,229 --> 01:29:10,320

her and a lot of people think that her

2740

01:29:14,390 --> 01:29:12,239

channel is going to be going next

2741

01:29:15,350 --> 01:29:14,400

she's going to be one of the next you

2742

01:29:17,669 --> 01:29:15,360

got you know you got

2743

01:29:19,270 --> 01:29:17,679

you got jordan sather out there and he's

2744

01:29:22,790 --> 01:29:19,280

pushing like the whole mms

2745

01:29:24,070 --> 01:29:22,800

uh you know miracle cure-all and

2746

01:29:25,350 --> 01:29:24,080

you know you hear you see these articles

2747

01:29:27,110 --> 01:29:25,360

all the time i saw one the other day

2748

01:29:30,229 --> 01:29:27,120

where it was like some guy was

2749

01:29:31,990 --> 01:29:30,239

some guy had taken some form of you know

2750

01:29:34,709 --> 01:29:32,000

i can't think of the name of it but

2751
01:29:35,110 --> 01:29:34,719
that's that particular comp mms or some

2752
01:29:40,149 --> 01:29:35,120
you know

2753
01:29:43,189 --> 01:29:42,229
something chloride chlorine dioxide

2754
01:29:44,709 --> 01:29:43,199
whatever it is

2755
01:29:46,310 --> 01:29:44,719
you know this guy took it and he ended

2756
01:29:47,110 --> 01:29:46,320
up getting sick and he died you know and

2757
01:29:48,709 --> 01:29:47,120
i'm sure that

2758
01:29:50,229 --> 01:29:48,719
he probably heard that i'm not saying he

2759
01:29:53,189 --> 01:29:50,239
heard it on his channel but

2760
01:29:55,030 --> 01:29:53,199
he probably heard somebody so yeah you

2761
01:29:59,030 --> 01:29:55,040
know he heard that from somebody

2762
01:30:03,030 --> 01:30:01,110
well i appreciate that you took the time

2763
01:30:05,110 --> 01:30:03,040

to come and hang out with us tonight

2764

01:30:06,310 --> 01:30:05,120

here at the apocalypse cabin it's been a

2765

01:30:09,189 --> 01:30:06,320

fun night

2766

01:30:09,669 --> 01:30:09,199

uh we're gonna we're gonna wrap things

2767

01:30:12,709 --> 01:30:09,679

up here

2768

01:30:16,070 --> 01:30:12,719

friends and uh tomorrow i think we'll

2769

01:30:17,669 --> 01:30:16,080

be doing another show if all pans out

2770

01:30:19,510 --> 01:30:17,679

i kind of committed that we're gonna do

2771

01:30:20,070 --> 01:30:19,520

four shows a week i'm here at the cabin

2772

01:30:23,430 --> 01:30:20,080

early

2773

01:30:24,229 --> 01:30:23,440

to try to get a uh to try to get this

2774

01:30:27,430 --> 01:30:24,239

stupid

2775

01:30:29,110 --> 01:30:27,440

sun room built and uh

2776

01:30:31,430 --> 01:30:29,120

things are going pretty good with that

2777

01:30:33,910 --> 01:30:31,440

and uh i'm here until sunday

2778

01:30:34,790 --> 01:30:33,920

so i'm hoping for tremendous progress on

2779

01:30:38,310 --> 01:30:34,800

that thing

2780

01:30:39,669 --> 01:30:38,320

but you never know here like i could go

2781

01:30:41,510 --> 01:30:39,679

out there tomorrow and all the tools

2782

01:30:42,950 --> 01:30:41,520

break down and nothing works right and i

2783

01:30:44,950 --> 01:30:42,960

don't have the materials i need and it

2784

01:30:46,790 --> 01:30:44,960

takes two hours to go get them and

2785

01:30:48,149 --> 01:30:46,800

we'll see what happens we'll definitely

2786

01:30:49,189 --> 01:30:48,159

see what happens but we'll have to have

2787

01:30:52,870 --> 01:30:49,199

you come back

2788

01:30:55,590 --> 01:30:52,880

once you scour through your supply of uh

2789

01:30:56,950 --> 01:30:55,600

evps and try to find some more dead

2790

01:30:58,470 --> 01:30:56,960

people talking because that was an

2791

01:30:59,430 --> 01:30:58,480

interesting show and i'd like to do that

2792

01:31:01,910 --> 01:30:59,440

again right

2793

01:31:03,270 --> 01:31:01,920

maybe i can maybe i can go back and uh

2794

01:31:05,110 --> 01:31:03,280

you know get some like i said

2795

01:31:06,790 --> 01:31:05,120

or maybe maybe if i get some time here i

2796

01:31:08,229 --> 01:31:06,800

can you know go do a couple more

2797

01:31:09,430 --> 01:31:08,239

investigations and maybe come up with

2798

01:31:11,350 --> 01:31:09,440

some newer

2799

01:31:13,430 --> 01:31:11,360

uh material but right now it's basically

2800

01:31:14,790 --> 01:31:13,440

just you know taking care of the kid

2801
01:31:16,470 --> 01:31:14,800
and just dealing you know kind of

2802
01:31:19,430 --> 01:31:16,480
dealing with having the new baby

2803
01:31:20,470 --> 01:31:19,440
uh i hear you man i have been able to do

2804
01:31:22,149 --> 01:31:20,480
some um

2805
01:31:23,510 --> 01:31:22,159
some some sort of i guess like side

2806
01:31:26,070 --> 01:31:23,520
research on

2807
01:31:27,910 --> 01:31:26,080
um some of the missing 4-1-1 stuff i've

2808
01:31:30,149 --> 01:31:27,920
really gotten into that here lately so i

2809
01:31:32,870 --> 01:31:30,159
like that i've never

2810
01:31:33,270 --> 01:31:32,880
looking into that right now but uh oh

2811
01:31:36,310 --> 01:31:33,280
before

2812
01:31:37,910 --> 01:31:36,320
know

2813
01:31:39,830 --> 01:31:37,920

when are when are you planning on doing

2814

01:31:42,470 --> 01:31:39,840

the the final episode on the uh

2815

01:31:44,149 --> 01:31:42,480

curious case of sarah adams any idea

2816

01:31:46,950 --> 01:31:44,159

when that might be hitting you know like

2817

01:31:48,310 --> 01:31:46,960

i i've given her like six opportunities

2818

01:31:50,390 --> 01:31:48,320

to do the interview

2819

01:31:52,149 --> 01:31:50,400

and i'm gonna this is what i'm gonna say

2820

01:31:53,669 --> 01:31:52,159

i'm gonna message her one more time

2821

01:31:55,270 --> 01:31:53,679

and if she doesn't commit to something

2822

01:31:56,229 --> 01:31:55,280

then i'm just gonna run with what i have

2823

01:31:58,390 --> 01:31:56,239

and

2824

01:31:59,830 --> 01:31:58,400

she she can respond to it if she wants

2825

01:32:02,709 --> 01:31:59,840

to or she's not going to

2826

01:32:04,229 --> 01:32:02,719

respond to it because uh i don't know

2827

01:32:05,750 --> 01:32:04,239

she told me that she was deathly sick

2828

01:32:08,070 --> 01:32:05,760

and then she was taking all these glam

2829

01:32:09,669 --> 01:32:08,080

selfies of herself the same day

2830

01:32:11,510 --> 01:32:09,679

and like i don't know what's going on

2831

01:32:13,189 --> 01:32:11,520

and now she's doing conferences and i

2832

01:32:14,470 --> 01:32:13,199

just saw her do somebody else's show but

2833

01:32:15,990 --> 01:32:14,480

it was one of those shows where they

2834

01:32:17,750 --> 01:32:16,000

just let her talk they don't challenge

2835

01:32:18,709 --> 01:32:17,760

anything she says they don't ask her any

2836

01:32:21,270 --> 01:32:18,719

hard questions

2837

01:32:22,229 --> 01:32:21,280

softball so if she could do the

2838

01:32:24,149 --> 01:32:22,239

softballs

2839

01:32:25,910 --> 01:32:24,159

she could do our show and we're going to

2840

01:32:27,669 --> 01:32:25,920

be nice and respectful to her so i don't

2841

01:32:29,590 --> 01:32:27,679

know what the issue is there but i kind

2842

01:32:30,790 --> 01:32:29,600

of think that she knows that

2843

01:32:32,950 --> 01:32:30,800

you know i'm going to push her and

2844

01:32:34,790 --> 01:32:32,960

challenge her on a lot of her claims and

2845

01:32:36,709 --> 01:32:34,800

i don't think she wants to get into it i

2846

01:32:38,870 --> 01:32:36,719

think she wants to backpedal now and

2847

01:32:40,390 --> 01:32:38,880

you know i think you can do that

2848

01:32:42,310 --> 01:32:40,400

respectfully and

2849

01:32:44,229 --> 01:32:42,320

sure you know you can you can do that in

2850

01:32:45,830 --> 01:32:44,239

a mature way and have that conversation

2851
01:32:46,790 --> 01:32:45,840
at the same time not giving her a pass

2852
01:32:47,910 --> 01:32:46,800
either i mean i think

2853
01:32:49,110 --> 01:32:47,920
and i think me and you were sort of

2854
01:32:49,990 --> 01:32:49,120
talking about this on twitter a little

2855
01:32:51,669 --> 01:32:50,000
bit but it's like

2856
01:32:53,110 --> 01:32:51,679
you know if she if she really is what

2857
01:32:54,790 --> 01:32:53,120
she says she is

2858
01:32:56,229 --> 01:32:54,800
she should be willing to step up and

2859
01:32:59,110 --> 01:32:56,239
face the criticism and

2860
01:33:00,310 --> 01:32:59,120
maybe you know people who believe in her

2861
01:33:01,110 --> 01:33:00,320
they're not going to give a [h__h] like

2862
01:33:02,229 --> 01:33:01,120
what she said

2863
01:33:03,830 --> 01:33:02,239

no i don't think they're gonna give a

2864

01:33:05,189 --> 01:33:03,840

[h__\h] i don't think they're gonna give a

2865

01:33:06,310 --> 01:33:05,199

[h__\h] what i say

2866

01:33:08,229 --> 01:33:06,320

yeah i don't think they're gonna give a

2867

01:33:10,229 --> 01:33:08,239

[h__\h] what i say so uh

2868

01:33:12,709 --> 01:33:10,239

an invisible hand says the black goo

2869

01:33:16,310 --> 01:33:12,719

huckster one time black goo huckster

2870

01:33:17,350 --> 01:33:16,320

now she's on to uh you know other super

2871

01:33:21,430 --> 01:33:17,360

powers

2872

01:33:24,070 --> 01:33:21,440

so and deviated is late to the party

2873

01:33:25,750 --> 01:33:24,080

late to the party well friends uh it's

2874

01:33:27,669 --> 01:33:25,760

been a long day for me

2875

01:33:29,510 --> 01:33:27,679

we are gonna wrap things up here it's

2876

01:33:32,629 --> 01:33:29,520

always nice to talk to dan

2877

01:33:33,189 --> 01:33:32,639

hogan and uh we'll see you guys again

2878

01:33:35,270 --> 01:33:33,199

soon

2879

01:33:39,189 --> 01:33:35,280

right all right thanks guys appreciate

2880

01:33:41,430 --> 01:33:39,199

it yeah let's uh let's play us out here

2881

01:33:43,189 --> 01:33:41,440

all right friends until next time my

2882

01:34:02,830 --> 01:33:43,199

name is stephen cambion

2883

01:34:02,840 --> 01:34:11,270

so

2884

01:35:02,170 --> 01:34:20,040

[Music]

2885

01:35:27,040 --> 01:35:02,180

[Applause]

2886

01:35:29,110 --> 01:35:27,050

[Music]

2887

01:35:57,300 --> 01:35:29,120

[Applause]

2888

01:35:58,300 --> 01:35:57,310

[Music]
