

1
00:01:38,830 --> 00:00:53,630

[Music]

2
00:01:38,840 --> 00:01:42,760

do

3
00:02:15,670 --> 00:02:02,190

[Music]

4
00:02:23,430 --> 00:02:18,949

greetings and

5
00:02:26,710 --> 00:02:23,440
yes salutations and welcome back

6
00:02:30,869 --> 00:02:26,720

to truth seekers uh

7
00:02:34,390 --> 00:02:30,879

tonight we had planned this

8
00:02:37,910 --> 00:02:34,400

sort of special uh

9
00:02:40,710 --> 00:02:37,920

special show uh

10
00:02:42,550 --> 00:02:40,720
and that would be with a special guest

11
00:02:45,670 --> 00:02:42,560

cal court

12
00:02:48,229 --> 00:02:45,680
i am a little bit behind i didn't want

13
00:02:50,790 --> 00:02:48,239

to uh

14

00:02:51,270 --> 00:02:50,800

i didn't want to delay the broadcast so

15

00:03:00,869 --> 00:02:51,280

please

16

00:03:07,110 --> 00:03:03,030

okay i have to send him the invite so

17

00:03:10,710 --> 00:03:09,430

a little bit of time for people to come

18

00:03:20,120 --> 00:03:10,720

in the chat for this

19

00:03:20,130 --> 00:03:27,190

[Music]

20

00:03:27,200 --> 00:03:31,990

okay so the invites out

21

00:03:35,190 --> 00:03:33,509

if you're watching i sent it to you both

22

00:03:38,309 --> 00:03:35,200

on facebook and then twitter

23

00:03:41,910 --> 00:03:38,319

you just need to click on it and uh

24

00:03:44,949 --> 00:03:41,920

click allow webcam and mic

25

00:03:45,990 --> 00:03:44,959

access and then you should be in our

26

00:03:49,190 --> 00:03:46,000

green room i should

27

00:03:56,710 --> 00:03:49,200

see a pop-up once you've accepted the

28

00:04:04,470 --> 00:04:00,710

so i see cal port is in the live chat

29

00:04:07,990 --> 00:04:04,480

okay let's see if we can get him on

30

00:04:08,470 --> 00:04:08,000

get him in i uh had a very long day

31

00:04:13,110 --> 00:04:08,480

today

32

00:04:17,590 --> 00:04:13,120

trying to build a cabin extra room

33

00:04:27,110 --> 00:04:17,600

this thing is kicking my ass uh

34

00:04:32,710 --> 00:04:30,469

yes so the cabin's kind of uh that extra

35

00:04:35,189 --> 00:04:32,720

room is coming together now i know it's

36

00:04:36,710 --> 00:04:35,199

it's gonna happen it's just a matter of

37

00:04:40,230 --> 00:04:36,720

time energy and

38

00:04:41,749 --> 00:04:40,240

dedication today i uh

39

00:04:44,230 --> 00:04:41,759

just kind of worked myself out of

40

00:04:48,390 --> 00:04:44,240

materials so i have to

41

00:04:54,150 --> 00:04:48,400

chop up some more logs and uh

42

00:05:00,629 --> 00:04:57,590

we are awaiting our special guest here

43

00:05:06,950 --> 00:05:03,990

that would be one cal court

44

00:05:08,710 --> 00:05:06,960

cal corps like went down to the wire i

45

00:05:09,909 --> 00:05:08,720

think he was still working on some

46

00:05:12,790 --> 00:05:09,919

something that we're going to share

47

00:05:16,469 --> 00:05:12,800

tonight up right up till

48

00:05:19,670 --> 00:05:16,479

the uh the show started

49

00:05:21,990 --> 00:05:19,680

uh or show time so uh

50

00:05:23,029 --> 00:05:22,000

i'm not sure what he has planned and

51

00:05:25,990 --> 00:05:23,039

what we're

52

00:05:27,430 --> 00:05:26,000

to be sharing i know a little bit about

53

00:05:30,710 --> 00:05:27,440

it

54

00:05:37,590 --> 00:05:30,720

and i'm looking forward

55

00:05:37,600 --> 00:05:43,430

so

56

00:05:50,469 --> 00:05:47,110

that's lost oh yeah cal court yeah

57

00:05:54,070 --> 00:05:50,479

it says lots of surprise

58

00:05:56,790 --> 00:05:54,080

surprises moment okay

59

00:05:58,469 --> 00:05:56,800

so cal i sent you the i saved the

60

00:06:02,790 --> 00:05:58,479

invitation to the show

61

00:06:05,430 --> 00:06:02,800

just have to uh click accept

62

00:06:10,070 --> 00:06:05,440

and uh then you'll be ready to get in

63

00:06:13,590 --> 00:06:11,510

you know going forward i think it's a

64

00:06:14,950 --> 00:06:13,600

good idea i try to do this when we're

65

00:06:17,590 --> 00:06:14,960

going to have a guest is to

66

00:06:18,870 --> 00:06:17,600

have them you know come in 10 minutes

67

00:06:23,990 --> 00:06:18,880

early so that we know

68

00:06:24,000 --> 00:06:29,270

all right

69

00:06:33,029 --> 00:06:31,270

in the meantime i will turn my full

70

00:06:35,590 --> 00:06:33,039

attention to the live chat

71

00:06:36,950 --> 00:06:35,600

talk to you guys it's been a few days i

72

00:06:39,510 --> 00:06:36,960

uh

73

00:06:40,309 --> 00:06:39,520

you know don't want to just do a show to

74

00:06:42,469 --> 00:06:40,319

do a show

75

00:06:44,629 --> 00:06:42,479

and then i was going to cover this uh

76

00:06:49,670 --> 00:06:44,639

david wilcox latest

77

00:06:51,270 --> 00:06:49,680

video but i don't

78

00:06:53,029 --> 00:06:51,280

i don't even know how to do that because

79

00:06:56,309 --> 00:06:53,039

i think that trying to cover

80

00:06:57,029 --> 00:06:56,319

a four hour and you know however long it

81

00:07:00,830 --> 00:06:57,039

is

82

00:07:04,070 --> 00:07:00,840

four hour video here it's gonna take ten

83

00:07:12,550 --> 00:07:08,710

kalkhoff is uh trying to configure his

84

00:07:21,909 --> 00:07:17,430

just bear with me friends you know

85

00:07:21,919 --> 00:07:25,589

there we go

86

00:07:29,950 --> 00:07:28,550

so saturday night at the cabin i worked

87

00:07:32,870 --> 00:07:29,960

all day on this uh

88

00:07:33,749 --> 00:07:32,880

secondary room which is gonna really be

89

00:07:36,390 --> 00:07:33,759

beautiful i can

90

00:07:37,670 --> 00:07:36,400

already tell um it's really just a

91

00:07:41,510 --> 00:07:37,680

matter of time now and

92

00:07:43,430 --> 00:07:41,520

having enough tree pieces around

93

00:07:44,629 --> 00:07:43,440

and i'm still gonna have to go and get

94

00:07:47,430 --> 00:07:44,639

the roof

95

00:07:47,990 --> 00:07:47,440

material and make some beams for that

96

00:07:50,869 --> 00:07:48,000

but

97

00:07:52,629 --> 00:07:50,879

things are looking pretty good i have no

98

00:07:53,830 --> 00:07:52,639

idea how long this is going to take me i

99

00:07:56,869 --> 00:07:53,840

wish i knew

100

00:07:58,230 --> 00:07:56,879

a couple more weekends at least maybe

101
00:08:01,990 --> 00:07:58,240
five or

102
00:08:03,909 --> 00:08:02,000
eight i don't know sometimes this uh

103
00:08:05,749 --> 00:08:03,919
this cord wood stuff it's so tedious

104
00:08:07,029 --> 00:08:05,759
that just like you think like oh i could

105
00:08:12,150 --> 00:08:07,039
fill that in in a day

106
00:08:15,350 --> 00:08:12,160
but it takes you three days

107
00:08:18,390 --> 00:08:15,360
so still awaiting

108
00:08:20,390 --> 00:08:18,400
calcore yeah

109
00:08:24,830 --> 00:08:20,400
cal you just have to click on the link

110
00:08:24,840 --> 00:08:38,829
allow

111
00:08:44,230 --> 00:08:42,149
okay the edition looks good

112
00:08:45,509 --> 00:08:44,240
yeah it looks good so far we'll see

113
00:08:48,310 --> 00:08:45,519

we'll see how

114

00:08:49,030 --> 00:08:48,320

how long it goes how far you know how

115

00:08:52,150 --> 00:08:49,040

long this is

116

00:08:55,190 --> 00:08:52,160

is this going to take me how long

117

00:08:59,030 --> 00:08:55,200

are we going to go for before uh

118

00:09:00,710 --> 00:08:59,040

it's a finished room i uh

119

00:09:02,710 --> 00:09:00,720

you never know with these things like

120

00:09:04,230 --> 00:09:02,720

this room that i'm sitting in took me

121

00:09:08,310 --> 00:09:04,240

like

122

00:09:11,430 --> 00:09:08,320

really took me three seasons basically

123

00:09:14,710 --> 00:09:11,440

so it was like uh

124

00:09:17,990 --> 00:09:14,720

all a whole weekend of fall

125

00:09:20,710 --> 00:09:18,000

and then another whole weekend of spring

126

00:09:22,550 --> 00:09:20,720

and then i didn't finish it so then it

127

00:09:25,590 --> 00:09:22,560

was one more

128

00:09:29,030 --> 00:09:25,600

spring or one more fall to finish it but

129

00:09:32,790 --> 00:09:29,040

we went into the winter actually

130

00:09:34,949 --> 00:09:32,800

this is slow tedious process so

131

00:09:36,630 --> 00:09:34,959

okay let's see dan hogan did you guys

132

00:09:38,470 --> 00:09:36,640

see the points in the curve guy went to

133

00:09:43,030 --> 00:09:38,480

colorado and stuck in dw

134

00:09:45,030 --> 00:09:43,040

now crazy yeah i heard about that um

135

00:09:47,110 --> 00:09:45,040

i don't know is that stalking though if

136

00:09:49,269 --> 00:09:47,120

he's just driving by his house to see if

137

00:09:52,790 --> 00:09:49,279

there's cars in the driveway

138

00:09:57,269 --> 00:09:55,430

that's a little uh yeah i mean you're

139

00:10:03,350 --> 00:09:57,279

going to somebody's house bro

140

00:10:05,910 --> 00:10:03,360

like you know all internet games aside

141

00:10:08,069 --> 00:10:05,920

uh i think people have their right or

142

00:10:11,269 --> 00:10:08,079

should have the right to privacy

143

00:10:12,630 --> 00:10:11,279

in their own homes uh for sure in their

144

00:10:15,509 --> 00:10:12,640

own homes

145

00:10:16,710 --> 00:10:15,519

so that may be a bridge too far but that

146

00:10:23,590 --> 00:10:16,720

may be a little

147

00:10:27,990 --> 00:10:26,150

yeah but then again uh you know david

148

00:10:31,269 --> 00:10:28,000

wilcock is saying stuff like

149

00:10:33,430 --> 00:10:31,279

he's gonna go to a secret location

150

00:10:35,110 --> 00:10:33,440

which is probably like his garage or

151
00:10:36,949 --> 00:10:35,120
something you know he's just hanging out

152
00:10:48,310 --> 00:10:36,959
his million dollar mancave

153
00:10:52,069 --> 00:10:50,150
william pixley familiar with robert

154
00:10:53,990 --> 00:10:52,079
sepper's work he'd be a great guest

155
00:10:55,509 --> 00:10:54,000
vaguely familiar and yeah he would be a

156
00:10:58,069 --> 00:10:55,519
great guest

157
00:11:01,350 --> 00:10:58,079
try to make that happen that would be uh

158
00:11:05,190 --> 00:11:01,360
that would be a good time

159
00:11:09,509 --> 00:11:05,200
so here we have calcorp uh but

160
00:11:13,030 --> 00:11:09,519
hold on one second cal can you hear me

161
00:11:16,389 --> 00:11:13,040
yes i can hear you i've been waiting for

162
00:11:17,030 --> 00:11:16,399
to come on so uh the machine i was using

163
00:11:19,269 --> 00:11:17,040

didn't

164

00:11:21,750 --> 00:11:19,279

support safari i had to go to another

165

00:11:24,310 --> 00:11:21,760

machine to support safari so

166

00:11:27,350 --> 00:11:24,320

one of those things i'm sorry that guy

167

00:11:30,949 --> 00:11:29,750

so how you doing steve good but we have

168

00:11:35,990 --> 00:11:30,959

uh we have

169

00:11:37,910 --> 00:11:36,000

audio are you just doing audio today

170

00:11:40,470 --> 00:11:37,920

i'll put an avatar up for you

171

00:11:41,430 --> 00:11:40,480

yeah i'm i'm doing uh audio for now

172

00:11:43,750 --> 00:11:41,440

because i'm going to

173

00:11:45,110 --> 00:11:43,760

just send you in the chat a couple of

174

00:11:49,030 --> 00:11:45,120

images for the talk

175

00:11:50,629 --> 00:11:49,040

and also um i'm exporting the video

176

00:11:52,389 --> 00:11:50,639

of the thing that i'm going to give

177

00:11:54,150 --> 00:11:52,399

exclusively to you

178

00:11:55,670 --> 00:11:54,160

i'll describe what's in it yeah you're

179

00:11:59,030 --> 00:11:55,680

still exporting it

180

00:12:00,710 --> 00:11:59,040

come on cal no you're like worked right

181

00:12:03,509 --> 00:12:00,720

up to the end of this thing didn't you

182

00:12:04,310 --> 00:12:03,519

it's not that big a deal well actually

183

00:12:06,629 --> 00:12:04,320

it is when you're

184

00:12:07,990 --> 00:12:06,639

it is it is a big deal though right it

185

00:12:10,069 --> 00:12:08,000

is when you're trying to do everything

186

00:12:11,670 --> 00:12:10,079

we were doing here um especially

187

00:12:13,269 --> 00:12:11,680

since everything has come together at

188

00:12:16,310 --> 00:12:13,279

the for the first time

189

00:12:18,629 --> 00:12:16,320

all at once rather than in piecemeal

190

00:12:20,150 --> 00:12:18,639

um and of course there's fires out here

191

00:12:21,030 --> 00:12:20,160

and everything else it's just been a

192

00:12:24,150 --> 00:12:21,040

mess

193

00:12:25,350 --> 00:12:24,160

but um anyway so uh where would you like

194

00:12:28,150 --> 00:12:25,360

me to begin sir

195

00:12:30,310 --> 00:12:28,160

uh just go through the thing and again

196

00:12:30,870 --> 00:12:30,320

this video is going to be needed to be

197

00:12:32,389 --> 00:12:30,880

watched

198

00:12:34,310 --> 00:12:32,399

over and over by a couple of people

199

00:12:35,670 --> 00:12:34,320

because it is sweeping and you've seen

200

00:12:37,430 --> 00:12:35,680

some of this before

201
00:12:38,790 --> 00:12:37,440
so nothing in here will be a surprise

202
00:12:40,470 --> 00:12:38,800
when you get it but i'm giving it

203
00:12:42,710 --> 00:12:40,480
exclusively to you

204
00:12:44,710 --> 00:12:42,720
and um it's compressing away on another

205
00:12:46,550 --> 00:12:44,720
machine while we're talking here

206
00:12:47,990 --> 00:12:46,560
and why don't you tell us a little bit

207
00:12:52,069 --> 00:12:48,000
about what you've got to share

208
00:12:54,069 --> 00:12:52,079
first okay all right thanks um

209
00:12:57,190 --> 00:12:54,079
what i have to share is called ufo

210
00:13:00,470 --> 00:12:57,200
disclo real ufo disclosure too

211
00:13:02,949 --> 00:13:00,480
and we hear the word disclosure a lot

212
00:13:04,710 --> 00:13:02,959
it's overused it it's deceptive it's

213
00:13:05,829 --> 00:13:04,720

misleading disclosure simply means of

214

00:13:07,990 --> 00:13:05,839

course you're going to reveal

215

00:13:10,550 --> 00:13:08,000

something and as you know there's people

216

00:13:13,350 --> 00:13:10,560

running around in ufology and euphuligy

217

00:13:14,150 --> 00:13:13,360

talking about disclosure promising the

218

00:13:16,710 --> 00:13:14,160

moon

219

00:13:18,629 --> 00:13:16,720

charging money for stuff and it never

220

00:13:20,310 --> 00:13:18,639

happens the aliens never show up the

221

00:13:22,550 --> 00:13:20,320

documents never appear

222

00:13:24,470 --> 00:13:22,560

the meta materials never seem to be

223

00:13:26,150 --> 00:13:24,480

verified by science whatever

224

00:13:27,750 --> 00:13:26,160

in the meantime they've raised god knows

225

00:13:30,230 --> 00:13:27,760

how much money by

226
00:13:32,310 --> 00:13:30,240
from people who get fooled by this and

227
00:13:35,190 --> 00:13:32,320
then of course the tv networks

228
00:13:36,150 --> 00:13:35,200
go bonkers promoting this as if it's all

229
00:13:39,670 --> 00:13:36,160
true

230
00:13:42,870 --> 00:13:39,680
and it's not of course so

231
00:13:46,069 --> 00:13:42,880
what happened was when you and i met and

232
00:13:47,910 --> 00:13:46,079
we did the shows last october you

233
00:13:50,949 --> 00:13:47,920
were the one who got the first set of

234
00:13:53,509 --> 00:13:50,959
slides from a ufo disclosure one event

235
00:13:55,030 --> 00:13:53,519
and as you mentioned in your past show

236
00:13:56,230 --> 00:13:55,040
there were some projects that we were

237
00:13:58,389 --> 00:13:56,240
working on that we were going to try to

238
00:14:00,949 --> 00:13:58,399

get done and release them

239

00:14:02,389 --> 00:14:00,959

well what happened is the pandemic hit

240

00:14:04,790 --> 00:14:02,399

right when we were getting ready to

241

00:14:07,350 --> 00:14:04,800

launch the annie jacobson book

242

00:14:08,550 --> 00:14:07,360

rob mcconnell of rilmar publishing is

243

00:14:11,189 --> 00:14:08,560

publishing that one

244

00:14:12,310 --> 00:14:11,199

and that was volume one of this new

245

00:14:15,430 --> 00:14:12,320

series

246

00:14:18,470 --> 00:14:15,440

called ufology euphulogy and

247

00:14:21,269 --> 00:14:18,480

it is not a joke it is not a prank

248

00:14:22,949 --> 00:14:21,279

it is a very serious research and

249

00:14:26,230 --> 00:14:22,959

development platform

250

00:14:27,590 --> 00:14:26,240

and yes it uses ufology and euphulogy in

251
00:14:29,030 --> 00:14:27,600
the term

252
00:14:30,949 --> 00:14:29,040
but or in the name but there's a very

253
00:14:32,150 --> 00:14:30,959
good reason for that and i can thank

254
00:14:35,189 --> 00:14:32,160
stanton friedman

255
00:14:37,110 --> 00:14:35,199
for it because when i first met him in

256
00:14:40,550 --> 00:14:37,120
may of 1975

257
00:14:40,949 --> 00:14:40,560
as a young boy he told me what that word

258
00:14:44,150 --> 00:14:40,959
meant

259
00:14:46,550 --> 00:14:44,160
mispronounced

260
00:14:48,150 --> 00:14:46,560
ufology i'd pronounced it ufo ology

261
00:14:49,829 --> 00:14:48,160
that's how much i knew

262
00:14:51,829 --> 00:14:49,839
and i had not even given my first

263
00:14:53,030 --> 00:14:51,839

lecture yet i did after i met stanton

264

00:14:57,030 --> 00:14:53,040

friedman

265

00:14:59,910 --> 00:14:57,040

so at all real ufo disclosure events

266

00:15:00,870 --> 00:14:59,920

regardless of their number i will not

267

00:15:04,069 --> 00:15:00,880

hold them

268

00:15:05,430 --> 00:15:04,079

unless i can deliver on my promise of

269

00:15:07,189 --> 00:15:05,440

the name

270

00:15:09,030 --> 00:15:07,199

i can't speak for anybody else i know

271

00:15:11,110 --> 00:15:09,040

you don't hype stuff either

272

00:15:12,389 --> 00:15:11,120

but you know i'm not stephen greer i'm

273

00:15:15,269 --> 00:15:12,399

not gonna promise you

274

00:15:16,949 --> 00:15:15,279

whatever for ten thousand dollars no i'm

275

00:15:18,949 --> 00:15:16,959

gonna tell you the truth

276

00:15:20,870 --> 00:15:18,959

and what we have is going to

277

00:15:24,550 --> 00:15:20,880

fundamentally change

278

00:15:26,629 --> 00:15:24,560

ufo research what i think for the better

279

00:15:28,069 --> 00:15:26,639

and with that kind of introduction i'll

280

00:15:30,870 --> 00:15:28,079

i'll get into this and

281

00:15:31,670 --> 00:15:30,880

this is what the video is going to show

282

00:15:33,749 --> 00:15:31,680

where we were

283

00:15:34,870 --> 00:15:33,759

putting this to the uh to video so

284

00:15:37,990 --> 00:15:34,880

people could see it

285

00:15:41,350 --> 00:15:38,000

rather than just take my word for it

286

00:15:42,550 --> 00:15:41,360

okay so what happened is when the

287

00:15:44,710 --> 00:15:42,560

pandemic broke

288

00:15:45,910 --> 00:15:44,720

and i got the bad news that the annie

289

00:15:48,069 --> 00:15:45,920

jacobson book was not

290

00:15:49,670 --> 00:15:48,079

going to physically ship for months they

291

00:15:52,470 --> 00:15:49,680

didn't know how long

292

00:15:54,069 --> 00:15:52,480

okay what i did is i went back and i

293

00:15:55,030 --> 00:15:54,079

looked at the projects that were in the

294

00:15:57,430 --> 00:15:55,040

pipeline and

295

00:15:59,189 --> 00:15:57,440

you know very well along and i killed

296

00:16:00,310 --> 00:15:59,199

off ones that just didn't make sense

297

00:16:02,310 --> 00:16:00,320

anymore

298

00:16:03,990 --> 00:16:02,320

so what you're going to see first of all

299

00:16:06,389 --> 00:16:04,000

in the video

300

00:16:07,110 --> 00:16:06,399

is the first thing i do is present

301
00:16:09,189 --> 00:16:07,120
updates

302
00:16:10,629 --> 00:16:09,199
behind door number one okay so you're

303
00:16:12,629 --> 00:16:10,639
gonna see door number one

304
00:16:13,829 --> 00:16:12,639
and then updates and here are those

305
00:16:17,189 --> 00:16:13,839
updates and again

306
00:16:17,829 --> 00:16:17,199
this is exclusive to you the caveat

307
00:16:20,949 --> 00:16:17,839
lawsuit

308
00:16:23,509 --> 00:16:20,959
update number one okay people have been

309
00:16:26,150 --> 00:16:23,519
wanting to know about that

310
00:16:26,790 --> 00:16:26,160
you may remember that uh last year i had

311
00:16:28,629 --> 00:16:26,800
an article

312
00:16:31,350 --> 00:16:28,639
called here comes the judge ci

313
00:16:33,509 --> 00:16:31,360

disinformation scientist and congressman

314

00:16:34,389 --> 00:16:33,519

may go before a judge under oath penalty

315

00:16:37,670 --> 00:16:34,399

of perjury

316

00:16:38,790 --> 00:16:37,680

to explain their roles in a ufo techno

317

00:16:42,069 --> 00:16:38,800

stand

318

00:16:45,590 --> 00:16:42,079

that silicon valley legend joe farmage

319

00:16:49,670 --> 00:16:45,600

did and now he's been sued by famed uh

320

00:16:51,829 --> 00:16:49,680

fox producer bob keviad now

321

00:16:52,949 --> 00:16:51,839

i was the journalist who was given

322

00:16:56,470 --> 00:16:52,959

exclusive access

323

00:16:58,150 --> 00:16:56,480

to the data in that case bob caveat uh

324

00:17:00,230 --> 00:16:58,160

i can't thank him enough for that i

325

00:17:03,030 --> 00:17:00,240

reported the story as

326

00:17:04,870 --> 00:17:03,040

the facts indicate which means

327

00:17:06,949 --> 00:17:04,880

congressman marriott furmage and the

328

00:17:08,710 --> 00:17:06,959

cia's former deputy director ron

329

00:17:12,309 --> 00:17:08,720

pandelphi are guilty as

330

00:17:15,429 --> 00:17:12,319

you can't imagine and

331

00:17:18,309 --> 00:17:15,439

bob kiviati has sued them he won

332

00:17:20,549 --> 00:17:18,319

every round of those lawsuits and then

333

00:17:23,270 --> 00:17:20,559

the pandemic struck

334

00:17:24,630 --> 00:17:23,280

so the catch kind of stalled right yeah

335

00:17:27,110 --> 00:17:24,640

and what happened stephen

336

00:17:28,950 --> 00:17:27,120

is the judge had just ordered that this

337

00:17:30,310 --> 00:17:28,960

case be wrapped up essentially by the

338

00:17:32,150 --> 00:17:30,320

end of the year

339

00:17:33,350 --> 00:17:32,160

and then what happened is the pandemic

340

00:17:35,430 --> 00:17:33,360

struck so

341

00:17:36,710 --> 00:17:35,440

everything is still on things are still

342

00:17:39,110 --> 00:17:36,720

proceeding

343

00:17:41,590 --> 00:17:39,120

i spoke to bob kiviatt a couple of days

344

00:17:43,510 --> 00:17:41,600

ago he's a long time colleague

345

00:17:45,669 --> 00:17:43,520

and i asked him for an update that i

346

00:17:45,990 --> 00:17:45,679

could share and he gave me permission to

347

00:17:48,950 --> 00:17:46,000

tell

348

00:17:49,830 --> 00:17:48,960

you guys uh the following and again it's

349

00:17:52,470 --> 00:17:49,840

in the video

350

00:17:53,830 --> 00:17:52,480

bullet pointed word for word the

351

00:17:55,909 --> 00:17:53,840

different points so that as

352

00:17:57,430 --> 00:17:55,919

people talk about this because most

353

00:17:59,669 --> 00:17:57,440

people will see this as it

354

00:18:01,750 --> 00:17:59,679

spreads out there which is good they'll

355

00:18:04,950 --> 00:18:01,760

have the bullet points in front of them

356

00:18:08,549 --> 00:18:04,960

the lawsuit continues nothing

357

00:18:11,430 --> 00:18:08,559

has changed okay okay and

358

00:18:12,070 --> 00:18:11,440

not only is it on but congressman daniel

359

00:18:15,909 --> 00:18:12,080

marriott

360

00:18:19,669 --> 00:18:15,919

has become the main guy it seems

361

00:18:21,590 --> 00:18:19,679

because his role in this has become even

362

00:18:23,510 --> 00:18:21,600

more discoveries about it's even greater

363

00:18:25,990 --> 00:18:23,520

than anybody realized

364

00:18:27,590 --> 00:18:26,000

and he of course is the money behind

365

00:18:29,750 --> 00:18:27,600

this and he's on the hook

366

00:18:31,270 --> 00:18:29,760

to pay caveat money that's owed for

367

00:18:32,950 --> 00:18:31,280

services performed

368

00:18:35,110 --> 00:18:32,960

now what really gets interesting about

369

00:18:37,350 --> 00:18:35,120

this is months ago when i broke this

370

00:18:39,909 --> 00:18:37,360

story thanks to caveat

371

00:18:41,590 --> 00:18:39,919

a lot of people heard of brandon fogle

372

00:18:44,870 --> 00:18:41,600

but not the way they do now

373

00:18:47,029 --> 00:18:44,880

with skinwalker ranch well fogle was ceo

374

00:18:50,310 --> 00:18:47,039

of this scam

375

00:18:52,150 --> 00:18:50,320

when it went down and fogle was already

376

00:18:53,830 --> 00:18:52,160

told by kivi at months ago

377

00:18:56,470 --> 00:18:53,840

i think last year that you're gonna be a

378

00:18:57,270 --> 00:18:56,480

witness we knew about the skinwalker

379

00:19:00,789 --> 00:18:57,280

ranch

380

00:19:02,230 --> 00:19:00,799

exploitation bs hyperbole show coming on

381

00:19:04,630 --> 00:19:02,240

and it's like well the networks weren't

382

00:19:06,390 --> 00:19:04,640

going to deal with this other news about

383

00:19:08,630 --> 00:19:06,400

fueled until they made their money

384

00:19:11,190 --> 00:19:08,640

milking the

385

00:19:12,710 --> 00:19:11,200

skinwalker stuff of course with the

386

00:19:15,909 --> 00:19:12,720

lead-in being by the

387

00:19:17,909 --> 00:19:15,919

series unidentified by history channel

388

00:19:19,430 --> 00:19:17,919

this is a problem when you have media

389

00:19:20,710 --> 00:19:19,440

that's owned by just a handful of

390

00:19:22,950 --> 00:19:20,720

companies

391

00:19:24,150 --> 00:19:22,960

one parent company will say we're not

392

00:19:25,750 --> 00:19:24,160

going to expose this because we're

393

00:19:28,310 --> 00:19:25,760

promoting it is real over here

394

00:19:30,070 --> 00:19:28,320

like the alien highway travel channel we

395

00:19:31,669 --> 00:19:30,080

want to make money off that first

396

00:19:33,990 --> 00:19:31,679

and then three years later when it's in

397

00:19:35,669 --> 00:19:34,000

syndication maybe we'll expose something

398

00:19:37,270 --> 00:19:35,679

either way we're making money off both

399

00:19:38,390 --> 00:19:37,280

ends yeah they're playing both sides of

400

00:19:39,990 --> 00:19:38,400

the fence

401
00:19:42,070 --> 00:19:40,000
yeah and i have a real problem with that

402
00:19:44,710 --> 00:19:42,080
because i think the history channel

403
00:19:46,150 --> 00:19:44,720
does a disservice i think that uh you

404
00:19:47,510 --> 00:19:46,160
know um

405
00:19:50,070 --> 00:19:47,520
real history is always much more

406
00:19:53,029 --> 00:19:50,080
interesting so the point behind

407
00:19:53,990 --> 00:19:53,039
this series and the updates with um

408
00:19:56,950 --> 00:19:54,000
keviad is

409
00:19:59,510 --> 00:19:56,960
real history does matter he did work and

410
00:20:02,630 --> 00:19:59,520
sign a contract that's legally binding

411
00:20:05,430 --> 00:20:02,640
with firmage's company brandon was

412
00:20:05,990 --> 00:20:05,440
ceo bill mayer uh congressman daniel

413
00:20:08,870 --> 00:20:06,000

marriott was

414

00:20:10,310 --> 00:20:08,880

involved so was the cia's rand pandolfie

415

00:20:12,149 --> 00:20:10,320

others keviad

416

00:20:14,710 --> 00:20:12,159

can tell you the full story so it

417

00:20:17,510 --> 00:20:14,720

continues it's not dropping

418

00:20:19,110 --> 00:20:17,520

it was never not real and it's amazing

419

00:20:20,549 --> 00:20:19,120

that all these disclosure types just

420

00:20:21,750 --> 00:20:20,559

dismiss it you would think we're finally

421

00:20:24,470 --> 00:20:21,760

going to have disclosure

422

00:20:24,870 --> 00:20:24,480

these people get put under oath unless

423

00:20:27,590 --> 00:20:24,880

they

424

00:20:29,110 --> 00:20:27,600

find a way to settle you know we want

425

00:20:32,070 --> 00:20:29,120

them we want them under oath

426

00:20:33,590 --> 00:20:32,080

there's the ability to depose some of

427

00:20:35,270 --> 00:20:33,600

those people

428

00:20:37,190 --> 00:20:35,280

the things that could be learned under a

429

00:20:40,390 --> 00:20:37,200

deposition for some of these people is

430

00:20:41,669 --> 00:20:40,400

would be remarkable absolutely i've been

431

00:20:43,270 --> 00:20:41,679

following it but like

432

00:20:45,110 --> 00:20:43,280

like you said it kind of fell off my

433

00:20:47,590 --> 00:20:45,120

radar because of pandemic and

434

00:20:49,110 --> 00:20:47,600

other concerns i think that that could

435

00:20:52,149 --> 00:20:49,120

be

436

00:20:54,230 --> 00:20:52,159

uh quite a case if it goes forward

437

00:20:55,669 --> 00:20:54,240

but i have a feeling that at the last

438

00:20:57,029 --> 00:20:55,679

minute something's gonna happen and

439

00:20:58,470 --> 00:20:57,039

they're never gonna let these people

440

00:21:00,870 --> 00:20:58,480

testify under oath

441

00:21:02,070 --> 00:21:00,880

that's my take on it what do you think

442

00:21:04,310 --> 00:21:02,080

cal

443

00:21:05,669 --> 00:21:04,320

i don't know at this point only because

444

00:21:08,549 --> 00:21:05,679

it's too early to say

445

00:21:09,110 --> 00:21:08,559

what i really admire caveat for is

446

00:21:12,310 --> 00:21:09,120

sticking

447

00:21:14,549 --> 00:21:12,320

to the truth for one i have i haven't

448

00:21:15,029 --> 00:21:14,559

seen any self-serving anything from him

449

00:21:17,350 --> 00:21:15,039

on this

450

00:21:18,789 --> 00:21:17,360

and that's good i'm not saying that

451
00:21:19,669 --> 00:21:18,799
because he does that he doesn't but what

452
00:21:21,510 --> 00:21:19,679
i'm saying is

453
00:21:23,510 --> 00:21:21,520
when anybody has anything like this

454
00:21:25,350 --> 00:21:23,520
going on and this isn't the only thing

455
00:21:27,190 --> 00:21:25,360
going on in his life he's got

456
00:21:28,830 --> 00:21:27,200
issues like everybody else like pandemic

457
00:21:31,990 --> 00:21:28,840
fires everything

458
00:21:33,590 --> 00:21:32,000
um it's hard enough doing this let alone

459
00:21:35,430 --> 00:21:33,600
this and so the idea that you could get

460
00:21:36,630 --> 00:21:35,440
a pandelphi under oath penalty of

461
00:21:39,270 --> 00:21:36,640
perjury

462
00:21:40,710 --> 00:21:39,280
and congressman marriott people who are

463
00:21:42,149 --> 00:21:40,720

usually

464

00:21:44,470 --> 00:21:42,159

live a life he's part of the marriott

465

00:21:46,230 --> 00:21:44,480

hotel chain family so he doesn't

466

00:21:48,230 --> 00:21:46,240

you know live in the real world so to

467

00:21:48,710 --> 00:21:48,240

speaking and to have them held accountable

468

00:21:50,950 --> 00:21:48,720

for

469

00:21:52,070 --> 00:21:50,960

what was really criminal activity and

470

00:21:55,510 --> 00:21:52,080

there's no question

471

00:21:57,510 --> 00:21:55,520

i've heard some of the recordings um

472

00:21:59,350 --> 00:21:57,520

it's incredible and i can't wait for

473

00:21:59,990 --> 00:21:59,360

this stuff to get out and i hope it does

474

00:22:03,190 --> 00:22:00,000

come out

475

00:22:03,590 --> 00:22:03,200

the judge is wonderful and they have

476
00:22:05,270 --> 00:22:03,600
lost

477
00:22:07,350 --> 00:22:05,280
every game they played trying to change

478
00:22:09,190 --> 00:22:07,360
the venue to utah you know why so you

479
00:22:11,909 --> 00:22:09,200
get a friendly thing there

480
00:22:13,190 --> 00:22:11,919
uh it isn't working so that's the update

481
00:22:16,789 --> 00:22:13,200
on that

482
00:22:19,350 --> 00:22:16,799
the second news is about

483
00:22:20,070 --> 00:22:19,360
a project i announced that i've now

484
00:22:22,549 --> 00:22:20,080
cancelled

485
00:22:23,750 --> 00:22:22,559
and i've canceled it because excuse me

486
00:22:26,390 --> 00:22:23,760
when the pandemic broke

487
00:22:27,750 --> 00:22:26,400
i had to look at everything like

488
00:22:28,710 --> 00:22:27,760

everybody and say well doesn't make

489

00:22:31,750 --> 00:22:28,720

sense

490

00:22:32,390 --> 00:22:31,760

so the book which you see in the video i

491

00:22:35,350 --> 00:22:32,400

show you

492

00:22:36,549 --> 00:22:35,360

the book on donald trump it was an

493

00:22:39,510 --> 00:22:36,559

expose

494

00:22:40,390 --> 00:22:39,520

it was in russia's orbit why

495

00:22:43,270 --> 00:22:40,400

intelligence

496

00:22:45,270 --> 00:22:43,280

and government spied on trump and obama

497

00:22:46,470 --> 00:22:45,280

and it concludes that they did

498

00:22:48,470 --> 00:22:46,480

they can call it surveillance or

499

00:22:50,149 --> 00:22:48,480

whatever but they were spying on him

500

00:22:51,830 --> 00:22:50,159

but it also concludes that some of it

501
00:22:54,310 --> 00:22:51,840
was absolutely justified

502
00:22:55,430 --> 00:22:54,320
because of who trump makes a point to

503
00:22:57,350 --> 00:22:55,440
associate with both

504
00:22:58,710 --> 00:22:57,360
past present and going forward when he

505
00:23:00,390 --> 00:22:58,720
leaves the white house

506
00:23:02,390 --> 00:23:00,400
and there were legitimate concerns but

507
00:23:05,270 --> 00:23:02,400
that does not mean all the stuff that

508
00:23:07,270 --> 00:23:05,280
was put in the fisa was valid it was not

509
00:23:08,950 --> 00:23:07,280
so it's a mixed bag and both sides will

510
00:23:10,470 --> 00:23:08,960
get out of it what they want

511
00:23:12,630 --> 00:23:10,480
the truth is always stranger than

512
00:23:14,390 --> 00:23:12,640
fiction but it wasn't a

513
00:23:16,310 --> 00:23:14,400

left-wing conspiracy it wasn't a

514

00:23:17,750 --> 00:23:16,320

right-wing conspiracy to hush it up it

515

00:23:20,710 --> 00:23:17,760

wasn't that simple

516

00:23:21,750 --> 00:23:20,720

but the us government has known right

517

00:23:23,909 --> 00:23:21,760

i'm sorry i didn't

518

00:23:25,190 --> 00:23:23,919

interrupt you but i followed this whole

519

00:23:28,310 --> 00:23:25,200

story and i

520

00:23:31,270 --> 00:23:28,320

i you know my take on it was like

521

00:23:32,630 --> 00:23:31,280

if you it depends on the news source you

522

00:23:34,310 --> 00:23:32,640

know what i mean like if you go to the

523

00:23:36,149 --> 00:23:34,320

conservative news sources

524

00:23:37,750 --> 00:23:36,159

oh this was terrible what they did to

525

00:23:38,710 --> 00:23:37,760

him and if you go to the liberal news

526
00:23:41,669 --> 00:23:38,720
sources

527
00:23:42,630 --> 00:23:41,679
well he may have had some association

528
00:23:45,029 --> 00:23:42,640
with

529
00:23:45,909 --> 00:23:45,039
let's just say not friends of of our

530
00:23:49,110 --> 00:23:45,919
country

531
00:23:50,789 --> 00:23:49,120
and so it was justified you know i think

532
00:23:52,789 --> 00:23:50,799
it's probably the truth of this whole

533
00:23:55,830 --> 00:23:52,799
thing is somewhere in the middle right

534
00:23:58,870 --> 00:23:55,840
yes it is and it's pathetic

535
00:24:00,310 --> 00:23:58,880
that none of the media seems to

536
00:24:02,230 --> 00:24:00,320
have picked up on that or if they did

537
00:24:03,750 --> 00:24:02,240
they ignored it because it literally

538
00:24:06,470 --> 00:24:03,760

went along party lines

539

00:24:08,470 --> 00:24:06,480

i mean come on when there's stuff in a

540

00:24:11,510 --> 00:24:08,480

fisa warrant that is not true

541

00:24:13,830 --> 00:24:11,520

that's on excuse me on the government

542

00:24:15,750 --> 00:24:13,840

when there is stuff the government knew

543

00:24:18,310 --> 00:24:15,760

but didn't pursue

544

00:24:19,590 --> 00:24:18,320

for whatever reason uh that's on them

545

00:24:21,750 --> 00:24:19,600

too

546

00:24:22,950 --> 00:24:21,760

one of the things i found real quickly

547

00:24:26,149 --> 00:24:22,960

is that

548

00:24:27,750 --> 00:24:26,159

trump giuliani philip sater all these

549

00:24:31,590 --> 00:24:27,760

guys have known each other forever

550

00:24:35,269 --> 00:24:31,600

and mueller and comey

551
00:24:37,510 --> 00:24:35,279
and um holder and lynch

552
00:24:39,430 --> 00:24:37,520
they were all up and down the food chain

553
00:24:40,149 --> 00:24:39,440
over the years either director or deputy

554
00:24:42,230 --> 00:24:40,159
director

555
00:24:43,750 --> 00:24:42,240
you know one replacing the other one big

556
00:24:46,070 --> 00:24:43,760
happy family

557
00:24:46,870 --> 00:24:46,080
and what the u.s government did was

558
00:24:49,750 --> 00:24:46,880
allow

559
00:24:51,029 --> 00:24:49,760
trump and his criminal associates let's

560
00:24:53,750 --> 00:24:51,039
be blunt

561
00:24:54,470 --> 00:24:53,760
to launder money operate out of trump

562
00:24:56,789 --> 00:24:54,480
tower

563
00:24:58,830 --> 00:24:56,799

knowing which floors and who was who and

564

00:25:00,870 --> 00:24:58,840

it was a good way to monitor that

565

00:25:03,190 --> 00:25:00,880

activity

566

00:25:04,310 --> 00:25:03,200

there were deals cut with trump uh look

567

00:25:07,029 --> 00:25:04,320

the other way whatever

568

00:25:08,470 --> 00:25:07,039

only they know and i'll tell you one of

569

00:25:11,669 --> 00:25:08,480

the things that surprised me

570

00:25:14,149 --> 00:25:11,679

in in researching the book was why

571

00:25:16,630 --> 00:25:14,159

trump didn't just come out and say look

572

00:25:18,470 --> 00:25:16,640

we've been in bed before on whatever

573

00:25:20,230 --> 00:25:18,480

screw you here's the truth i'm i'm

574

00:25:21,269 --> 00:25:20,240

releasing all the files and all you guys

575

00:25:23,029 --> 00:25:21,279

are toast

576
00:25:25,110 --> 00:25:23,039
that's exactly what would have happened

577
00:25:26,390 --> 00:25:25,120
because when i found out that the russia

578
00:25:28,549 --> 00:25:26,400
that the us

579
00:25:29,590 --> 00:25:28,559
knew that some of these people were

580
00:25:32,789 --> 00:25:29,600
criminals

581
00:25:34,630 --> 00:25:32,799
and out of god knows what other greater

582
00:25:37,190 --> 00:25:34,640
issue which is never really

583
00:25:38,789 --> 00:25:37,200
put out there to figure out they let a

584
00:25:40,310 --> 00:25:38,799
lot of this activities happen

585
00:25:42,149 --> 00:25:40,320
including an assassination on the

586
00:25:43,750 --> 00:25:42,159
streets of new york and

587
00:25:46,230 --> 00:25:43,760
money laundering with the colombians

588
00:25:47,350 --> 00:25:46,240

there were even israelis involved as in

589

00:25:50,310 --> 00:25:47,360

jews

590

00:25:50,950 --> 00:25:50,320

um it's very complicated and what i

591

00:25:54,870 --> 00:25:50,960

found out

592

00:25:57,830 --> 00:25:54,880

is like the bcca scandal under reagan

593

00:25:58,710 --> 00:25:57,840

and of course under uh pakistan under

594

00:26:01,190 --> 00:25:58,720

its old

595

00:26:02,950 --> 00:26:01,200

zeal uh dictatorship all the

596

00:26:05,110 --> 00:26:02,960

intelligence agencies were in there

597

00:26:07,029 --> 00:26:05,120

doing their dirty thing it was a way to

598

00:26:09,590 --> 00:26:07,039

monitor everything and only when one

599

00:26:12,070 --> 00:26:09,600

side got self-righteous they shut

600

00:26:13,830 --> 00:26:12,080

ci down for scandal same with some of

601
00:26:15,909 --> 00:26:13,840
the stuff on trump

602
00:26:17,750 --> 00:26:15,919
um they knew about Manafort going back

603
00:26:19,510 --> 00:26:17,760
to the time of Marcos and Reagan

604
00:26:21,190 --> 00:26:19,520
that's where the guy cut his teeth

605
00:26:22,310 --> 00:26:21,200
there's no way he could be Putin's right

606
00:26:24,070 --> 00:26:22,320
hand guy

607
00:26:25,750 --> 00:26:24,080
and for years they don't know anything

608
00:26:29,350 --> 00:26:25,760
about this no

609
00:26:35,110 --> 00:26:33,029
yeah so uh what what is the uh

610
00:26:36,070 --> 00:26:35,120
deal with the how are you doing with the

611
00:26:38,870 --> 00:26:36,080
video

612
00:26:39,190 --> 00:26:38,880
yeah so yeah it's uh it's done exporting

613
00:26:41,990 --> 00:26:39,200

now

614

00:26:42,710 --> 00:26:42,000

i'm going to uh send you the link for it

615

00:26:44,549 --> 00:26:42,720

and um

616

00:26:46,470 --> 00:26:44,559

so my best thing to do would be to email

617

00:26:48,549 --> 00:26:46,480

it to me so i could share it from a

618

00:26:50,830 --> 00:26:48,559

browser tab because sometimes this

619

00:26:53,430 --> 00:26:50,840

software doesn't like me using a media

620

00:26:57,269 --> 00:26:53,440

player i'm not sure why

621

00:26:59,029 --> 00:26:57,279

okay all right we'll get it

622

00:27:01,029 --> 00:26:59,039

i'm gonna use wii transfer because it

623

00:27:01,669 --> 00:27:01,039

won't it's too big of a file to be an

624

00:27:04,070 --> 00:27:01,679

attachment

625

00:27:05,430 --> 00:27:04,080

okay all right well then i can i'll just

626

00:27:06,870 --> 00:27:05,440

yeah i'll just download it from wherever

627

00:27:09,110 --> 00:27:06,880

you send it to me and then i'll email it

628

00:27:12,070 --> 00:27:09,120

to myself i have a big google drive

629

00:27:13,269 --> 00:27:12,080

yeah no problem uh okay so i announced

630

00:27:15,110 --> 00:27:13,279

the cancellation of trump book

631

00:27:17,430 --> 00:27:15,120

it doesn't make sense since the pandemic

632

00:27:20,710 --> 00:27:17,440

so what i did is i replaced that book

633

00:27:23,350 --> 00:27:20,720

with the book coming out

634

00:27:23,909 --> 00:27:23,360

next after the wendell book tonight

635

00:27:26,389 --> 00:27:23,919

which is

636

00:27:28,310 --> 00:27:26,399

covid cover-up what the communist

637

00:27:29,830 --> 00:27:28,320

chinese party doesn't want you to know

638

00:27:32,389 --> 00:27:29,840

and it is literally the chinese

639

00:27:35,350 --> 00:27:32,399

communist party

640

00:27:36,149 --> 00:27:35,360

wait a minute are you not aware of it of

641

00:27:39,990 --> 00:27:36,159

the youtube

642

00:27:43,350 --> 00:27:40,000

a.i gods you can't say that on youtube

643

00:27:46,870 --> 00:27:45,909

no i'm just busting your balls i uh i

644

00:27:48,549 --> 00:27:46,880

said yeah but

645

00:27:51,110 --> 00:27:48,559

people's whole channels are getting

646

00:27:55,029 --> 00:27:51,120

stricken from saying stuff like that

647

00:27:58,789 --> 00:27:55,039

and uh there's a lot of uh

648

00:28:00,549 --> 00:27:58,799

i'm not uh sure

649

00:28:02,310 --> 00:28:00,559

i mean generally i just avoid the

650

00:28:04,310 --> 00:28:02,320

subject you know what i mean

651
00:28:05,350 --> 00:28:04,320
a lot of people now just avoid the

652
00:28:08,549 --> 00:28:05,360
subject

653
00:28:10,950 --> 00:28:08,559
and we've got this i i followed with

654
00:28:14,630 --> 00:28:10,960
interest that chinese

655
00:28:16,549 --> 00:28:14,640
scientists right there's a lot of stuff

656
00:28:17,430 --> 00:28:16,559
that i just think that people don't want

657
00:28:20,470 --> 00:28:17,440
us to know

658
00:28:23,909 --> 00:28:20,480
and it's scary it is there's

659
00:28:25,350 --> 00:28:23,919
there's if i were to do a book what they

660
00:28:27,190 --> 00:28:25,360
don't want you to know the way i did

661
00:28:29,669 --> 00:28:27,200
roswell uh which was

662
00:28:32,549 --> 00:28:29,679
in this case 22 different books that

663
00:28:36,230 --> 00:28:32,559

were hiding the truth

664

00:28:39,029 --> 00:28:36,240

there's faults everywhere but

665

00:28:39,990 --> 00:28:39,039

looking at the chinese side because they

666

00:28:42,789 --> 00:28:40,000

own this

667

00:28:43,990 --> 00:28:42,799

problem what they did deliberately is

668

00:28:46,710 --> 00:28:44,000

when they lost control

669

00:28:48,310 --> 00:28:46,720

of their own situation they deliberately

670

00:28:50,070 --> 00:28:48,320

made the decision it was a

671

00:28:51,669 --> 00:28:50,080

party leadership decision by the

672

00:28:53,750 --> 00:28:51,679

dictator himself

673

00:28:55,430 --> 00:28:53,760

to let these people travel outside the

674

00:28:57,510 --> 00:28:55,440

u.s or outside china they were

675

00:28:59,830 --> 00:28:57,520

encouraged to do it

676
00:29:00,789 --> 00:28:59,840
and they went and infected the rest of

677
00:29:03,350 --> 00:29:00,799
the world

678
00:29:05,269 --> 00:29:03,360
if you had an iq of less than one you

679
00:29:06,950 --> 00:29:05,279
would not know that could happen

680
00:29:08,870 --> 00:29:06,960
but surely they knew they had their own

681
00:29:11,510 --> 00:29:08,880
infections in fact they passed

682
00:29:12,630 --> 00:29:11,520
strict penalties even welding people in

683
00:29:15,750 --> 00:29:12,640
their own homes

684
00:29:17,430 --> 00:29:15,760
forbidding all travel inside china

685
00:29:18,870 --> 00:29:17,440
while they let everybody at least five

686
00:29:20,149 --> 00:29:18,880
million people leave and go and affect

687
00:29:22,870 --> 00:29:20,159
the rest of the world

688
00:29:23,430 --> 00:29:22,880

this is not a right conspiracy it is a

689

00:29:24,789 --> 00:29:23,440

fact

690

00:29:26,789 --> 00:29:24,799

it doesn't matter who you are if you

691

00:29:29,029 --> 00:29:26,799

have millions of people infected

692

00:29:30,070 --> 00:29:29,039

and you let them travel around the world

693

00:29:32,630 --> 00:29:30,080

you are guilty

694

00:29:34,149 --> 00:29:32,640

of infecting the world i don't care if

695

00:29:34,549 --> 00:29:34,159

you're the chinese communist party or

696

00:29:38,630 --> 00:29:34,559

not

697

00:29:41,430 --> 00:29:38,640

ignored

698

00:29:43,669 --> 00:29:41,440

so that is what happened and what it

699

00:29:43,990 --> 00:29:43,679

focuses on is how they started doing

700

00:29:47,750 --> 00:29:44,000

this

701
00:29:49,669 --> 00:29:47,760
in october of last year

702
00:29:50,789 --> 00:29:49,679
around the time of the wuhan military

703
00:29:52,470 --> 00:29:50,799
games

704
00:29:54,470 --> 00:29:52,480
where there were some people who

705
00:29:57,110 --> 00:29:54,480
survived being exposed

706
00:29:58,789 --> 00:29:57,120
to this disease in a hotel and the

707
00:29:59,190 --> 00:29:58,799
authorities were trying to round them up

708
00:30:00,710 --> 00:29:59,200
to

709
00:30:02,549 --> 00:30:00,720
take take them back in for more

710
00:30:03,990 --> 00:30:02,559
treatment probably to off them and sell

711
00:30:05,669 --> 00:30:04,000
their organs if they could

712
00:30:07,190 --> 00:30:05,679
they do that let's be honest i'm not

713
00:30:09,750 --> 00:30:07,200

saying they that's why but

714

00:30:11,990 --> 00:30:09,760

they clearly wanted this one lady back

715

00:30:13,669 --> 00:30:12,000

who left the whole area because

716

00:30:15,190 --> 00:30:13,679

she knew they were lying to her about

717

00:30:15,909 --> 00:30:15,200

the disease and she had covered they

718

00:30:18,789 --> 00:30:15,919

didn't tell her

719

00:30:20,630 --> 00:30:18,799

this is back in october months before

720

00:30:22,950 --> 00:30:20,640

they officially admitted anything

721

00:30:24,230 --> 00:30:22,960

and one of the bombshells in this book

722

00:30:27,510 --> 00:30:24,240

is an internal

723

00:30:29,029 --> 00:30:27,520

chinese communist medical report by some

724

00:30:32,230 --> 00:30:29,039

doctors it's straight from

725

00:30:32,789 --> 00:30:32,240

their network in there okay they can't

726

00:30:34,950 --> 00:30:32,799

deny

727

00:30:37,269 --> 00:30:34,960

it's not one of theirs where it clearly

728

00:30:38,870 --> 00:30:37,279

says that

729

00:30:40,389 --> 00:30:38,880

dozens of people that they ran the

730

00:30:41,669 --> 00:30:40,399

genetic tests on

731

00:30:43,669 --> 00:30:41,679

had nothing to do with the market they

732

00:30:45,590 --> 00:30:43,679

had no connection at all

733

00:30:47,990 --> 00:30:45,600

and that was weeks before they publicly

734

00:30:49,510 --> 00:30:48,000

admitted it so all i do is focus on what

735

00:30:51,029 --> 00:30:49,520

they don't want you to know i show how

736

00:30:52,630 --> 00:30:51,039

we figured out

737

00:30:55,350 --> 00:30:52,640

there was a problem because there was a

738

00:30:57,269 --> 00:30:55,360

huge spike in traffic to hospitals

739

00:30:58,710 --> 00:30:57,279
and license plates were read by

740

00:31:01,430 --> 00:30:58,720
intelligence uh

741

00:31:03,029 --> 00:31:01,440
satellites other surveillance equipment

742

00:31:04,950 --> 00:31:03,039
and i explained to show in detail

743

00:31:06,470 --> 00:31:04,960
how the unique characteristics for

744

00:31:08,710 --> 00:31:06,480
control purposes

745

00:31:10,870 --> 00:31:08,720
by the chinese government allowed us to

746

00:31:12,630 --> 00:31:10,880
figure out there was a huge problem

747

00:31:14,230 --> 00:31:12,640
disconnect between the number of cars

748

00:31:15,830 --> 00:31:14,240
versus bodies reported

749

00:31:17,509 --> 00:31:15,840
but of course you can't trust the white

750

00:31:18,870 --> 00:31:17,519
house to tell you the truth

751
00:31:21,430 --> 00:31:18,880
because of who the president is i'm

752
00:31:23,750 --> 00:31:21,440
being blind so that book is

753
00:31:25,190 --> 00:31:23,760
melissa martell whom you know is the

754
00:31:28,549 --> 00:31:25,200
publisher

755
00:31:29,190 --> 00:31:28,559
and the deal was this unless there's a

756
00:31:31,750 --> 00:31:29,200
nuclear

757
00:31:32,470 --> 00:31:31,760
holocaust you will publish she agreed

758
00:31:34,389 --> 00:31:32,480
it's done

759
00:31:36,630 --> 00:31:34,399
so i apologize to her in the video

760
00:31:37,750 --> 00:31:36,640
you're getting she's on there briefly to

761
00:31:40,230 --> 00:31:37,760
talk about it

762
00:31:41,269 --> 00:31:40,240
she then segues into a segment about

763
00:31:43,110 --> 00:31:41,279

colts and

764

00:31:44,950 --> 00:31:43,120

one of your favorite guys mikey horn and

765

00:31:48,230 --> 00:31:44,960

billy meyer oh boy

766

00:31:48,789 --> 00:31:48,240

yeah oh boy yeah you know i have to say

767

00:31:52,070 --> 00:31:48,799

like you

768

00:31:53,029 --> 00:31:52,080

uh you you went on a the deprogrammed

769

00:31:55,909 --> 00:31:53,039

show

770

00:31:56,630 --> 00:31:55,919

and all the nutters have left me alone

771

00:32:00,230 --> 00:31:56,640

and now

772

00:32:02,549 --> 00:32:00,240

they're all messing with that girl

773

00:32:03,509 --> 00:32:02,559

that runs the programs show that you

774

00:32:05,669 --> 00:32:03,519

were on

775

00:32:07,269 --> 00:32:05,679

and uh some of the stuff that they're up

776

00:32:09,590 --> 00:32:07,279

to is ridiculous it's just

777

00:32:11,509 --> 00:32:09,600

straight out harassment if you disagree

778

00:32:13,029 --> 00:32:11,519

with us we're just gonna send hordes of

779

00:32:16,549 --> 00:32:13,039

idiots to harass you

780

00:32:20,310 --> 00:32:16,559

for weeks and it's happened to me and uh

781

00:32:21,110 --> 00:32:20,320

you know just that's their tactics i

782

00:32:24,230 --> 00:32:21,120

guess

783

00:32:26,310 --> 00:32:24,240

yeah it is but to me

784

00:32:27,990 --> 00:32:26,320

it was interesting because the world i

785

00:32:30,630 --> 00:32:28,000

mean now mikey horn wants to

786

00:32:32,149 --> 00:32:30,640

be on her show so i told her in the

787

00:32:35,509 --> 00:32:32,159

video you'll see it that no

788

00:32:37,750 --> 00:32:35,519

mikey has to keep his promise to you to

789

00:32:38,870 --> 00:32:37,760

your show because we all agreed to do it

790

00:32:41,509 --> 00:32:38,880

even mikey

791

00:32:43,590 --> 00:32:41,519

and of course mike is referencing this

792

00:32:45,669 --> 00:32:43,600

is for those that don't know

793

00:32:47,990 --> 00:32:45,679

on my previous show the midnight hour i

794

00:32:51,190 --> 00:32:48,000

had uh

795

00:32:52,149 --> 00:32:51,200

i had mikey horn on and uh it didn't go

796

00:32:58,470 --> 00:32:52,159

well

797

00:32:59,990 --> 00:32:58,480

because for i don't know 15 years maybe

798

00:33:01,269 --> 00:33:00,000

more i've been hearing him cite this

799

00:33:03,269 --> 00:33:01,279

wendell stevens as

800

00:33:04,389 --> 00:33:03,279

as an expert witness and why we should

801
00:33:07,350 --> 00:33:04,399
believe the

802
00:33:09,110 --> 00:33:07,360
billy meyer fairy tales and i was the

803
00:33:11,509 --> 00:33:09,120
first person to call him on the fact

804
00:33:12,630 --> 00:33:11,519
that guy was a multiple convicted child

805
00:33:15,830 --> 00:33:12,640
molester

806
00:33:18,630 --> 00:33:15,840
and boy their cult get pissed off at me

807
00:33:19,029 --> 00:33:18,640
after that because they like to be able

808
00:33:21,430 --> 00:33:19,039
to

809
00:33:22,310 --> 00:33:21,440
look there's a former air force officer

810
00:33:27,590 --> 00:33:22,320
you should trust

811
00:33:29,990 --> 00:33:27,600
us our aliens are real it's ridiculous

812
00:33:31,669 --> 00:33:30,000
so then kept work then cal court came on

813
00:33:34,310 --> 00:33:31,679

my show

814

00:33:36,789 --> 00:33:34,320

and blew the whole billy meyer called

815

00:33:39,830 --> 00:33:36,799

out of the water

816

00:33:41,350 --> 00:33:39,840

but previous to that michael horn agreed

817

00:33:43,669 --> 00:33:41,360

that he would come on

818

00:33:44,870 --> 00:33:43,679

and do a part three so we have michael

819

00:33:46,549 --> 00:33:44,880

horn part one

820

00:33:47,990 --> 00:33:46,559

cow court of part two and the part three

821

00:33:49,269 --> 00:33:48,000

was supposed to be a debate between

822

00:33:52,549 --> 00:33:49,279

these two guys

823

00:33:54,389 --> 00:33:52,559

that as it's like legendary this debate

824

00:33:55,350 --> 00:33:54,399

between cow court and michael horn was

825

00:33:57,430 --> 00:33:55,360

supposed to happen

826
00:34:00,310 --> 00:33:57,440
all these different times and every time

827
00:34:03,590 --> 00:34:00,320
mikey horn weasels out of it

828
00:34:06,149 --> 00:34:03,600
every time and like just like i

829
00:34:06,950 --> 00:34:06,159
play i thought he might he whistled out

830
00:34:10,069 --> 00:34:06,960
of doing the

831
00:34:11,750 --> 00:34:10,079
debate and doing the part three

832
00:34:13,270 --> 00:34:11,760
and he's still weaseling out of it

833
00:34:15,829 --> 00:34:13,280
making excuses

834
00:34:17,349 --> 00:34:15,839
and you know blaming me for some reason

835
00:34:19,349 --> 00:34:17,359
and then he tried to do it he wanted me

836
00:34:22,069 --> 00:34:19,359
to debate him on another show

837
00:34:23,990 --> 00:34:22,079
and like we never agreed to any of that

838
00:34:26,550 --> 00:34:24,000

it was parts one two and three

839

00:34:29,750 --> 00:34:26,560

everybody agreed the three of us and he

840

00:34:34,869 --> 00:34:33,109

so yeah will he ever debate kalkorf i

841

00:34:36,069 --> 00:34:34,879

don't think so i think he's a coward and

842

00:34:38,629 --> 00:34:36,079

he knows that you'll

843

00:34:40,470 --> 00:34:38,639

tear him to shreds with actual facts and

844

00:34:43,030 --> 00:34:40,480

evidence and you won't allow him

845

00:34:45,349 --> 00:34:43,040

he keeps doing this stuff too like you

846

00:34:46,629 --> 00:34:45,359

know nasa confirms the authenticity of

847

00:34:49,750 --> 00:34:46,639

the billy myer case

848

00:34:52,550 --> 00:34:49,760

and then it's like okay

849

00:34:54,710 --> 00:34:52,560

somebody that worked for nasa said

850

00:34:58,470 --> 00:34:54,720

something that was in support of your

851
00:35:01,510 --> 00:34:58,480
so suddenly nasa confirms that

852
00:35:03,349 --> 00:35:01,520
billy meyer is genuine that's not you

853
00:35:07,589 --> 00:35:03,359
know facts matter

854
00:35:11,349 --> 00:35:09,270
yeah he's they've been doing this for a

855
00:35:14,470 --> 00:35:11,359
long time the last time

856
00:35:15,990 --> 00:35:14,480
the nasa thing brought up and somewhere

857
00:35:17,910 --> 00:35:16,000
on the internet you can find this

858
00:35:19,670 --> 00:35:17,920
uh was the art bell debate against jim

859
00:35:23,349 --> 00:35:19,680
delatoso

860
00:35:25,589 --> 00:35:23,359
can hear the tape

861
00:35:26,470 --> 00:35:25,599
that uh he did not work for nasa that

862
00:35:29,270 --> 00:35:26,480
they had used

863
00:35:31,430 --> 00:35:29,280

nasa letterhead stationery to fake a

864

00:35:34,069 --> 00:35:31,440

letter which of course went

865

00:35:35,190 --> 00:35:34,079

through so there's nothing mikey does

866

00:35:38,390 --> 00:35:35,200

that is original

867

00:35:40,390 --> 00:35:38,400

uh first of all another one

868

00:35:42,310 --> 00:35:40,400

another one that he used in defense of

869

00:35:45,109 --> 00:35:42,320

that nasa confirms

870

00:35:45,910 --> 00:35:45,119

billy meyer case is genuine is that they

871

00:35:49,589 --> 00:35:45,920

discovered

872

00:35:52,310 --> 00:35:49,599

water on mars and they claim that

873

00:35:52,950 --> 00:35:52,320

billy meyer was either on mars or

874

00:35:54,630 --> 00:35:52,960

something

875

00:35:57,109 --> 00:35:54,640

and knew that there was water on mars

876

00:35:59,349 --> 00:35:57,119

before nasa discovered it therefore

877

00:36:01,270 --> 00:35:59,359

nasa confirms that billy meyer is

878

00:36:02,310 --> 00:36:01,280

genuine they never confirmed

879

00:36:05,910 --> 00:36:02,320

anything

880

00:36:06,550 --> 00:36:05,920

never well i mean i remember as a kid

881

00:36:08,230 --> 00:36:06,560

the first

882

00:36:11,109 --> 00:36:08,240

science i ever fell in love with was

883

00:36:13,510 --> 00:36:11,119

astronomy when i was

884

00:36:14,390 --> 00:36:13,520

five years old my uncle got it i

885

00:36:17,030 --> 00:36:14,400

remember

886

00:36:19,750 --> 00:36:17,040

learning there were ice caps on mars

887

00:36:22,150 --> 00:36:19,760

yeah so therefore there's water there

888

00:36:23,270 --> 00:36:22,160

see them from the earth the question was

889

00:36:26,790 --> 00:36:23,280

what kind of water

890

00:36:28,870 --> 00:36:26,800

dry ice normal ice anyway we'll find out

891

00:36:30,870 --> 00:36:28,880

but you know remember those billy meyer

892

00:36:31,589 --> 00:36:30,880

planetoid time travel photos he says

893

00:36:34,790 --> 00:36:31,599

those are all

894

00:36:36,470 --> 00:36:34,800

fake so he went to mars

895

00:36:38,230 --> 00:36:36,480

uh you're talking about the fake time or

896

00:36:41,589 --> 00:36:38,240

the real time he's never been there

897

00:36:42,069 --> 00:36:41,599

he's he's a cult leader but about this

898

00:36:44,310 --> 00:36:42,079

book

899

00:36:45,270 --> 00:36:44,320

which you and i are the co-authors of

900

00:36:47,349 --> 00:36:45,280

yeah and by the way

901
00:36:49,670 --> 00:36:47,359
thank you for that listen you're calling

902
00:36:50,550 --> 00:36:49,680
me a co-author and he put my name on the

903
00:36:53,190 --> 00:36:50,560
front of the book

904
00:36:55,190 --> 00:36:53,200
what did i write 10 pages that's it i

905
00:36:57,829 --> 00:36:55,200
think i wrote 10 pages of the book

906
00:36:58,310 --> 00:36:57,839
first of all most of the book um is

907
00:37:00,550 --> 00:36:58,320
really

908
00:37:01,829 --> 00:37:00,560
about the uh is the documents the

909
00:37:04,550 --> 00:37:01,839
criminal courts

910
00:37:05,589 --> 00:37:04,560
face files they write the book because

911
00:37:07,910 --> 00:37:05,599
what can you say

912
00:37:09,990 --> 00:37:07,920
it's there yeah and just so everybody

913
00:37:12,150 --> 00:37:10,000

understands all these stupid people have

914

00:37:15,349 --> 00:37:12,160

been attacking me for saying that

915

00:37:17,430 --> 00:37:15,359

wendell stevens was a multiple convicted

916

00:37:18,550 --> 00:37:17,440

child molester with multiple victims

917

00:37:21,030 --> 00:37:18,560

convicted

918

00:37:22,950 --> 00:37:21,040

and did jail time people are attacking

919

00:37:26,150 --> 00:37:22,960

me saying that i'm just making up

920

00:37:28,390 --> 00:37:26,160

stuff like why why would you uh

921

00:37:29,510 --> 00:37:28,400

impugn that man's character and make up

922

00:37:31,589 --> 00:37:29,520

stories

923

00:37:32,870 --> 00:37:31,599

i can't believe the number of people

924

00:37:35,270 --> 00:37:32,880

that are accusing me of just

925

00:37:36,069 --> 00:37:35,280

making this up so i for one am

926

00:37:37,829 --> 00:37:36,079

super glad

927

00:37:39,910 --> 00:37:37,839

here's this book every one of the

928

00:37:42,069 --> 00:37:39,920

documents is in this book

929

00:37:43,430 --> 00:37:42,079

and you too can know the facts and the

930

00:37:45,109 --> 00:37:43,440

truth and

931

00:37:46,950 --> 00:37:45,119

you know i i just wish that people would

932

00:37:49,750 --> 00:37:46,960

get out of my comment box

933

00:37:50,390 --> 00:37:49,760

saying stupid like i didn't look

934

00:37:53,030 --> 00:37:50,400

here's the

935

00:37:54,790 --> 00:37:53,040

truth i did not i was not able to get

936

00:37:56,069 --> 00:37:54,800

all the court documents because they're

937

00:37:59,829 --> 00:37:56,079

so old

938

00:38:02,310 --> 00:37:59,839

and uh but kalkorf had copies

939

00:38:04,069 --> 00:38:02,320

but previous to that i found some of the

940

00:38:06,790 --> 00:38:04,079

documents on my own

941

00:38:08,390 --> 00:38:06,800

but the most of those documents were so

942

00:38:10,950 --> 00:38:08,400

old that they actually required you to

943

00:38:14,390 --> 00:38:10,960

walk into a courthouse and request them

944

00:38:17,109 --> 00:38:14,400

so i got enough to to prove to myself

945

00:38:18,790 --> 00:38:17,119

that i was accurate in what i said about

946

00:38:21,829 --> 00:38:18,800

mr stevens

947

00:38:22,710 --> 00:38:21,839

but cal has got the treasure trove all

948

00:38:26,310 --> 00:38:22,720

of them

949

00:38:27,829 --> 00:38:26,320

right yeah in fact uh make a long story

950

00:38:29,670 --> 00:38:27,839

short and let's go back to your first

951
00:38:33,030 --> 00:38:29,680
question about being co-author

952
00:38:34,630 --> 00:38:33,040
stephen if mikey horn had not done what

953
00:38:38,230 --> 00:38:34,640
he did to you

954
00:38:40,150 --> 00:38:38,240
the way he did it specifically and

955
00:38:42,230 --> 00:38:40,160
you it didn't unfold the way it did this

956
00:38:44,790 --> 00:38:42,240
book would not exist

957
00:38:46,550 --> 00:38:44,800
because if you remember i contacted you

958
00:38:49,030 --> 00:38:46,560
probably a couple months ago and i said

959
00:38:50,310 --> 00:38:49,040
you know um i might have access to the

960
00:38:53,510 --> 00:38:50,320
original files

961
00:38:55,750 --> 00:38:53,520
haven't seen them in decades and if i do

962
00:38:57,589 --> 00:38:55,760
you know this is this is worth something

963
00:38:59,109 --> 00:38:57,599

meaning it needs to get out there

964

00:39:01,270 --> 00:38:59,119

because you can't argue with them you

965

00:39:03,829 --> 00:39:01,280

can say well the cia framed him

966

00:39:05,510 --> 00:39:03,839

well here's what's in the book that is

967

00:39:09,190 --> 00:39:05,520

just beautiful

968

00:39:11,589 --> 00:39:09,200

um it

969

00:39:13,829 --> 00:39:11,599

you find not only the truth about the

970

00:39:15,030 --> 00:39:13,839

cia's so-called conspiracy to frame

971

00:39:17,109 --> 00:39:15,040

window for

972

00:39:19,109 --> 00:39:17,119

felony child molestation he was

973

00:39:20,870 --> 00:39:19,119

sentenced to 21 years in prison

974

00:39:22,870 --> 00:39:20,880

served three seven-year concurrent

975

00:39:24,069 --> 00:39:22,880

sentences because he was old

976

00:39:25,750 --> 00:39:24,079

otherwise they'd have locked him up a

977

00:39:26,710 --> 00:39:25,760

little bit and probably because he was a

978

00:39:29,910 --> 00:39:26,720

veteran too

979

00:39:32,470 --> 00:39:29,920

you know yeah but there was also a page

980

00:39:34,069 --> 00:39:32,480

about um or a thing about there's a

981

00:39:35,430 --> 00:39:34,079

document in there that recognizes a

982

00:39:37,829 --> 00:39:35,440

prior conviction

983

00:39:38,950 --> 00:39:37,839

for another case entirely and that was

984

00:39:40,550 --> 00:39:38,960

factored in

985

00:39:42,870 --> 00:39:40,560

to his sentence and why he was

986

00:39:44,870 --> 00:39:42,880

essentially given the maximum

987

00:39:47,030 --> 00:39:44,880

considering the circumstances and his

988

00:39:48,150 --> 00:39:47,040

age so he got convicted once and then he

989

00:39:51,589 --> 00:39:48,160

reoffended

990

00:39:54,630 --> 00:39:51,599

big time well no no he was

991

00:39:56,870 --> 00:39:54,640

hit for 15 and 16 counts for

992

00:39:58,310 --> 00:39:56,880

three different victims a couple of

993

00:40:00,870 --> 00:39:58,320

different victims then the court said

994

00:40:02,710 --> 00:40:00,880

there's another prior case

995

00:40:04,390 --> 00:40:02,720

uh and it mentions that court case

996

00:40:08,230 --> 00:40:04,400

number and so

997

00:40:10,630 --> 00:40:08,240

wendell was not the person people uh

998

00:40:12,710 --> 00:40:10,640

thought at least officially and that's

999

00:40:15,190 --> 00:40:12,720

just a fact we have to admit that

1000

00:40:16,550 --> 00:40:15,200

so in this book you see the court

1001

00:40:17,990 --> 00:40:16,560

documents the criminal

1002

00:40:20,309 --> 00:40:18,000

court files which are not on the

1003

00:40:23,589 --> 00:40:20,319

internet you see

1004

00:40:27,190 --> 00:40:23,599

wendell himself and the role he played

1005

00:40:29,910 --> 00:40:27,200

in the cia conspiracy you see the

1006

00:40:31,589 --> 00:40:29,920

letters he wrote the letters he wrote

1007

00:40:33,910 --> 00:40:31,599

using a fake name

1008

00:40:34,790 --> 00:40:33,920

asking not to tell anybody it's really

1009

00:40:37,030 --> 00:40:34,800

me

1010

00:40:38,150 --> 00:40:37,040

it's all in there sure and for those

1011

00:40:40,470 --> 00:40:38,160

that don't know

1012

00:40:41,910 --> 00:40:40,480

wendell stevens and his camp tried to

1013

00:40:44,390 --> 00:40:41,920

spin everything

1014

00:40:47,190 --> 00:40:44,400

to basically say that the c.i.a framed

1015

00:40:48,790 --> 00:40:47,200

him that was a conspiracy against him

1016

00:40:50,550 --> 00:40:48,800

because he was getting too close to the

1017

00:40:54,550 --> 00:40:50,560

ufo truth and that

1018

00:40:57,190 --> 00:40:54,560

is yes specifically meyer case

1019

00:40:57,750 --> 00:40:57,200

you see they threw that in there so the

1020

00:41:00,069 --> 00:40:57,760

meyer

1021

00:41:01,670 --> 00:41:00,079

cult has become a sex cult ever since

1022

00:41:04,870 --> 00:41:01,680

billy meyer

1023

00:41:06,069 --> 00:41:04,880

uh created a pleiadian hybrid child by

1024

00:41:09,349 --> 00:41:06,079

cheating on his wife

1025

00:41:13,109 --> 00:41:09,359

and impregnating his rich follower who

1026
00:41:15,589 --> 00:41:13,119
married him so meyers come into money

1027
00:41:17,510 --> 00:41:15,599
there's no pleiadian hybrid anything you

1028
00:41:19,190 --> 00:41:17,520
can get a simple dna test that's the

1029
00:41:22,150 --> 00:41:19,200
last message in the book

1030
00:41:23,270 --> 00:41:22,160
hey beliebers believers are different

1031
00:41:24,790 --> 00:41:23,280
from believers

1032
00:41:27,670 --> 00:41:24,800
beliebers you can't reason with they're

1033
00:41:30,630 --> 00:41:27,680
like justin beliebers

1034
00:41:32,390 --> 00:41:30,640
when justin bieber urinates in public

1035
00:41:34,470 --> 00:41:32,400
it's all good because he's justin

1036
00:41:36,550 --> 00:41:34,480
so i call them ufo believers because

1037
00:41:39,589 --> 00:41:36,560
they're like justin beliebers

1038
00:41:40,309 --> 00:41:39,599

it's all good as long as it's aliens so

1039

00:41:43,829 --> 00:41:40,319

this is all

1040

00:41:45,990 --> 00:41:43,839

in the book including still secret

1041

00:41:48,150 --> 00:41:46,000

surveillance reports on wendell where he

1042

00:41:51,270 --> 00:41:48,160

was and the attempts to first go

1043

00:41:52,390 --> 00:41:51,280

visit him just to see among law

1044

00:41:54,710 --> 00:41:52,400

enforcement

1045

00:41:56,150 --> 00:41:54,720

what he's saying and whether this guy is

1046

00:41:57,030 --> 00:41:56,160

going to be a problem child because the

1047

00:41:59,750 --> 00:41:57,040

us government

1048

00:42:01,990 --> 00:41:59,760

does not like it when you blame them for

1049

00:42:03,750 --> 00:42:02,000

the fact you molested several children

1050

00:42:05,829 --> 00:42:03,760

they don't like that and you can't blame

1051

00:42:08,069 --> 00:42:05,839

them yeah

1052

00:42:10,309 --> 00:42:08,079

yeah i mean if you know somebody that's

1053

00:42:13,190 --> 00:42:10,319

in the cia they don't want people

1054

00:42:13,990 --> 00:42:13,200

sullying their uh their names and

1055

00:42:15,829 --> 00:42:14,000

reputation

1056

00:42:17,670 --> 00:42:15,839

with like that that's especially

1057

00:42:20,390 --> 00:42:17,680

when it's just a totally made-up

1058

00:42:22,390 --> 00:42:20,400

fake conspiracy that's obviously

1059

00:42:24,230 --> 00:42:22,400

self-serving like yeah i didn't molest

1060

00:42:24,230 --> 00:42:25,510

those kids the government framed me

1061

00:42:28,950 --> 00:42:27,349

you know and i'm glad that i had some

1062

00:42:30,950 --> 00:42:28,960

part in at least the truth that this

1063

00:42:34,230 --> 00:42:30,960

thing's coming out and we have this

1064

00:42:37,030 --> 00:42:34,240

jan harzan happened recently so

1065

00:42:37,430 --> 00:42:37,040

you know some of these monsters are out

1066

00:42:39,589 --> 00:42:37,440

there

1067

00:42:41,430 --> 00:42:39,599

and they should be known for the

1068

00:42:43,510 --> 00:42:41,440

monsters that they are

1069

00:42:45,109 --> 00:42:43,520

stephen real quickly it's asking me for

1070

00:42:46,630 --> 00:42:45,119

your email address

1071

00:42:48,870 --> 00:42:46,640

this is how long it's take to get the

1072

00:42:53,510 --> 00:42:48,880

darn screen going go ahead

1073

00:42:56,550 --> 00:42:53,520

truth seeker show all one word

1074

00:43:02,150 --> 00:42:56,560

h s e e k e r s h o w

1075

00:43:10,390 --> 00:43:05,430

alright gmail.com

1076

00:43:20,550 --> 00:43:13,750

okay it's on its way so oh it wants to

1077

00:43:24,309 --> 00:43:22,309

all right i'll wait for my verification

1078

00:43:27,430 --> 00:43:24,319

code anyway

1079

00:43:30,390 --> 00:43:27,440

okay so um that's what's in the book and

1080

00:43:32,230 --> 00:43:30,400

also mikey horn complained for years

1081

00:43:35,109 --> 00:43:32,240

that i wasn't gonna

1082

00:43:37,510 --> 00:43:35,119

investigate the consumer fraud work with

1083

00:43:38,790 --> 00:43:37,520

authorities to prosecute and so on well

1084

00:43:40,069 --> 00:43:38,800

of course i was traveling around the

1085

00:43:42,150 --> 00:43:40,079

world doing different things and of

1086

00:43:44,069 --> 00:43:42,160

course other priorities but i was always

1087

00:43:45,750 --> 00:43:44,079

sincere about that so i'm happy to

1088

00:43:47,510 --> 00:43:45,760

report ladies and gentlemen

1089

00:43:49,910 --> 00:43:47,520

and i have no idea how this is going to

1090

00:43:51,510 --> 00:43:49,920

unfold because it's california they're

1091

00:43:53,430 --> 00:43:51,520

slightly occupied right now

1092

00:43:54,710 --> 00:43:53,440

with a lot of other really serious

1093

00:43:57,990 --> 00:43:54,720

problems

1094

00:44:00,550 --> 00:43:58,000

anyway breaking news

1095

00:44:01,910 --> 00:44:00,560

in the book the actual letter to the

1096

00:44:04,470 --> 00:44:01,920

attorney general of the state of

1097

00:44:07,270 --> 00:44:04,480

california reporting mikey horn

1098

00:44:09,270 --> 00:44:07,280

and the billy meyer ufo sex cult

1099

00:44:10,550 --> 00:44:09,280

offering to turn over the data the

1100

00:44:13,589 --> 00:44:10,560

evidence the documents

1101

00:44:15,430 --> 00:44:13,599

it's an international team and um you

1102

00:44:17,109 --> 00:44:15,440

know i'm sorry it's consumer fraud when

1103

00:44:18,870 --> 00:44:17,119

you're pumping out pleading hybrid

1104

00:44:20,470 --> 00:44:18,880

children and you've got dna samples

1105

00:44:23,510 --> 00:44:20,480

proven there's nothing

1106

00:44:24,950 --> 00:44:23,520

and that your photos are fake etc

1107

00:44:26,870 --> 00:44:24,960

it's a crime it doesn't matter what the

1108

00:44:28,309 --> 00:44:26,880

subject is so we're gonna see what the

1109

00:44:30,550 --> 00:44:28,319

attorney general does

1110

00:44:31,990 --> 00:44:30,560

now that it's out there and this stuff

1111

00:44:34,069 --> 00:44:32,000

can be released

1112

00:44:35,190 --> 00:44:34,079

it couldn't before especially when i was

1113

00:44:37,510 --> 00:44:35,200

out of the country

1114

00:44:39,030 --> 00:44:37,520

there's just certain things you can't do

1115

00:44:39,670 --> 00:44:39,040

you know unless you're physically some

1116

00:44:41,910 --> 00:44:39,680

places

1117

00:44:44,470 --> 00:44:41,920

so that's all in the book uh that's

1118

00:44:46,550 --> 00:44:44,480

volume two of ufology or you fooligy

1119

00:44:47,510 --> 00:44:46,560

it's going to be available within the

1120

00:44:50,390 --> 00:44:47,520

next uh

1121

00:44:52,150 --> 00:44:50,400

according to amazon 48 to 72 hours

1122

00:44:55,510 --> 00:44:52,160

available worldwide

1123

00:44:56,230 --> 00:44:55,520

uh the price is uh 7.99 that's really

1124

00:44:58,710 --> 00:44:56,240

good

1125

00:45:00,470 --> 00:44:58,720

and it's all in there and it it yeah and

1126

00:45:01,589 --> 00:45:00,480

i for one can't wait to get it because

1127

00:45:03,670 --> 00:45:01,599

my name is on it

1128

00:45:04,870 --> 00:45:03,680

so like me i'm a published author thanks

1129

00:45:07,990 --> 00:45:04,880

to cal court

1130

00:45:10,550 --> 00:45:08,000

and really really like

1131

00:45:13,109 --> 00:45:10,560

i did almost i did very little in this

1132

00:45:14,790 --> 00:45:13,119

book but i'm proud to be a part of this

1133

00:45:17,430 --> 00:45:14,800

so that people could get the absolute

1134

00:45:20,550 --> 00:45:17,440

real truth and you know not

1135

00:45:22,630 --> 00:45:20,560

well stories

1136

00:45:23,910 --> 00:45:22,640

what we did to use an analogy and i

1137

00:45:25,270 --> 00:45:23,920

talked to you about it before was we

1138

00:45:26,870 --> 00:45:25,280

lennon mccartney did

1139

00:45:28,390 --> 00:45:26,880

although you and i are nowhere near as

1140

00:45:30,470 --> 00:45:28,400

talented as those two guys

1141

00:45:32,470 --> 00:45:30,480

but basically the to use the analogy

1142

00:45:34,390 --> 00:45:32,480

because we don't want the meyer cult to

1143

00:45:35,510 --> 00:45:34,400

lie about this as well they lie about

1144

00:45:36,630 --> 00:45:35,520

they got their hands full with their

1145

00:45:39,109 --> 00:45:36,640

other lies

1146

00:45:39,670 --> 00:45:39,119

um lennon mccartney the beatles they

1147

00:45:41,670 --> 00:45:39,680

didn't write

1148

00:45:43,589 --> 00:45:41,680

all the songs together some were only

1149

00:45:45,430 --> 00:45:43,599

paul some were john some were both

1150

00:45:47,349 --> 00:45:45,440

in this case you wrote the entire

1151

00:45:51,109 --> 00:45:47,359

section explaining how this

1152

00:45:52,870 --> 00:45:51,119

uh broke open what mikey had done to you

1153

00:45:54,870 --> 00:45:52,880

uh i love the comment where you talk

1154

00:45:56,950 --> 00:45:54,880

about singularity and all that and

1155

00:45:58,230 --> 00:45:56,960

the way you just brain dumped it and

1156

00:46:00,309 --> 00:45:58,240

here you are

1157

00:46:01,910 --> 00:46:00,319

worrying me about you worrying over your

1158

00:46:03,910 --> 00:46:01,920

writing ability when i told you you're a

1159

00:46:06,790 --> 00:46:03,920

natural speaker and everything

1160

00:46:08,470 --> 00:46:06,800

i appreciate that that's listen friends

1161

00:46:10,870 --> 00:46:08,480

so cal comes to me and he's like

1162

00:46:12,710 --> 00:46:10,880

all right uh we're gonna do this book

1163

00:46:15,670 --> 00:46:12,720

and uh so you gotta write up i

1164

00:46:17,030 --> 00:46:15,680

go oh my god i never wrote anything like

1165

00:46:18,790 --> 00:46:17,040

that was going to be in a book

1166

00:46:20,470 --> 00:46:18,800

and i got a little stressed out but then

1167

00:46:22,150 --> 00:46:20,480

i just that that's what i decided to do

1168

00:46:23,910 --> 00:46:22,160

cows just do we talked about this just

1169

00:46:25,430 --> 00:46:23,920

do a stream of consciousness right out

1170

00:46:27,430 --> 00:46:25,440

this is what happened and

1171

00:46:28,870 --> 00:46:27,440

and uh i'm glad that it's going to be a

1172

00:46:30,309 --> 00:46:28,880

good contribution

1173

00:46:31,910 --> 00:46:30,319

because i was sweating that thing but

1174

00:46:33,190 --> 00:46:31,920

then i said no i'm not going to sweat it

1175

00:46:34,230 --> 00:46:33,200

i'm just going to write it out and hand

1176

00:46:37,190 --> 00:46:34,240

it to him and

1177

00:46:37,589 --> 00:46:37,200

but i did tell cal like you know edit it

1178

00:46:39,990 --> 00:46:37,599

fix

1179

00:46:43,190 --> 00:46:40,000

it i don't know uh i haven't seen the

1180

00:46:45,030 --> 00:46:43,200

finish the full finished book

1181

00:46:46,950 --> 00:46:45,040

well it uh i didn't really have to do

1182

00:46:47,510 --> 00:46:46,960

anything all i had to do was put in

1183

00:46:49,670 --> 00:46:47,520

section

1184

00:46:51,430 --> 00:46:49,680

subheaders you know yes yeah i had a

1185

00:46:53,270 --> 00:46:51,440

little bit more to do so i'm anxious to

1186

00:46:55,829 --> 00:46:53,280

see the whole thing finished and done

1187

00:46:56,470 --> 00:46:55,839

i've been seeing it come together uh and

1188

00:47:01,750 --> 00:46:56,480

it's

1189

00:47:03,670 --> 00:47:01,760

well thank you i hope everybody's

1190

00:47:05,190 --> 00:47:03,680

pleased with it the focus groups we did

1191

00:47:07,430 --> 00:47:05,200

we're really happy

1192

00:47:09,030 --> 00:47:07,440

uh because it's like why are we making

1193

00:47:11,510 --> 00:47:09,040

this large format you know

1194

00:47:13,270 --> 00:47:11,520

a full eight and a half by eleven well

1195

00:47:15,030 --> 00:47:13,280

you've got legal documents in there

1196

00:47:16,790 --> 00:47:15,040

and they're serious they're hardcore you

1197

00:47:19,349 --> 00:47:16,800

can't deny them

1198

00:47:20,790 --> 00:47:19,359

and people liked seeing them full size

1199

00:47:22,309 --> 00:47:20,800

they didn't want to see them shrunk down

1200

00:47:25,349 --> 00:47:22,319

in a paperback book

1201

00:47:29,030 --> 00:47:25,359

so okay really hard to read in

1202

00:47:32,390 --> 00:47:29,040

a smaller format so absolutely

1203

00:47:33,430 --> 00:47:32,400

so um it's now uploading sending on its

1204

00:47:36,549 --> 00:47:33,440

way to you

1205

00:47:37,829 --> 00:47:36,559

um so can you tell me though you said

1206

00:47:39,190 --> 00:47:37,839

that this the book is going to be

1207

00:47:42,230 --> 00:47:39,200

available on amazon

1208

00:47:43,910 --> 00:47:42,240

it is it's going to be ebook and print

1209

00:47:45,829 --> 00:47:43,920

on demand right you can get a printed

1210

00:47:48,950 --> 00:47:45,839

book if you want it

1211

00:47:52,790 --> 00:47:48,960

no well no it's uh it's print only

1212

00:47:54,309 --> 00:47:52,800

uh because okay great and um

1213

00:47:55,670 --> 00:47:54,319

there's other titles on different

1214

00:47:57,349 --> 00:47:55,680

subjects that are in different formats

1215

00:48:00,069 --> 00:47:57,359

like annie jacobson is available

1216

00:48:01,430 --> 00:48:00,079

both as a same large print format as

1217

00:48:04,230 --> 00:48:01,440

well as

1218

00:48:04,950 --> 00:48:04,240

uh a new format called a slide book

1219

00:48:07,270 --> 00:48:04,960

because it's

1220

00:48:08,710 --> 00:48:07,280

really for the twitter roti generation

1221

00:48:12,069 --> 00:48:08,720

the ones who want it in just

1222

00:48:12,630 --> 00:48:12,079

160 characters or less so a bunch of

1223

00:48:14,950 --> 00:48:12,640

slides

1224

00:48:15,990 --> 00:48:14,960

taking apart her book i'm not doing that

1225

00:48:18,870 --> 00:48:16,000

with wendell because

1226

00:48:20,549 --> 00:48:18,880

the documents end up being so small it's

1227

00:48:23,270 --> 00:48:20,559

not worth it's better to have

1228

00:48:23,910 --> 00:48:23,280

the full thing in a softbound book like

1229

00:48:25,510 --> 00:48:23,920

it is

1230

00:48:27,349 --> 00:48:25,520

and again it should be showing up to you

1231

00:48:29,030 --> 00:48:27,359

uh in the next few days

1232

00:48:31,109 --> 00:48:29,040

it'll be available in ibooks and other

1233

00:48:33,990 --> 00:48:31,119

places i know that's right you're

1234

00:48:35,270 --> 00:48:34,000

sending a copy to my house right yeah in

1235

00:48:37,109 --> 00:48:35,280

fact amazon already

1236

00:48:38,470 --> 00:48:37,119

generated the barcode back cover

1237

00:48:40,309 --> 00:48:38,480

everything i still got to sell this

1238

00:48:42,549 --> 00:48:40,319

oh that's awesome man i can't wait to go

1239

00:48:46,870 --> 00:48:42,559

home i'm i'm here at the cabin so

1240

00:48:52,950 --> 00:48:50,309

so then the um uh uh next thing is

1241

00:48:53,829 --> 00:48:52,960

um i thank melissa tell her okay i'll be

1242

00:48:56,309 --> 00:48:53,839

working on the

1243

00:48:57,109 --> 00:48:56,319

covet thing and get it to her and then

1244

00:48:58,549 --> 00:48:57,119

she shares

1245

00:49:00,230 --> 00:48:58,559

her little experience with the meyer

1246

00:49:01,829 --> 00:49:00,240

cult what they did and how she got

1247

00:49:03,670 --> 00:49:01,839

a message from them and now another

1248

00:49:05,109 --> 00:49:03,680

message saying they've broken up

1249

00:49:06,630 --> 00:49:05,119

but not that you care it's really

1250

00:49:07,829 --> 00:49:06,640

ridiculous it's probably mikey horn

1251
00:49:10,230 --> 00:49:07,839
playing more games

1252
00:49:11,030 --> 00:49:10,240
but anyway oh yeah i wanted to ask you

1253
00:49:14,549 --> 00:49:11,040
too uh

1254
00:49:16,950 --> 00:49:14,559
how long is this video in being late oh

1255
00:49:18,710 --> 00:49:16,960
yeah the video is a little bit over an

1256
00:49:20,230 --> 00:49:18,720
hour and it can be up there and people

1257
00:49:21,030 --> 00:49:20,240
will replay it over and over because

1258
00:49:23,190 --> 00:49:21,040
when they see

1259
00:49:24,630 --> 00:49:23,200
what's in it they're going to it's kind

1260
00:49:25,670 --> 00:49:24,640
of like certain movies you got to go

1261
00:49:27,430 --> 00:49:25,680
through it again you know

1262
00:49:29,589 --> 00:49:27,440
it's going to be kind of like this i'm

1263
00:49:30,150 --> 00:49:29,599

giving you kind of the cliff notes of

1264

00:49:32,069 --> 00:49:30,160

this

1265

00:49:34,309 --> 00:49:32,079

because what you're what you're going to

1266

00:49:35,589 --> 00:49:34,319

see comes to life in the videos of the

1267

00:49:37,670 --> 00:49:35,599

stuff i'm talking about

1268

00:49:38,870 --> 00:49:37,680

so what i do is i show a slide that says

1269

00:49:41,670 --> 00:49:38,880

here's the

1270

00:49:42,870 --> 00:49:41,680

ufology fooligy series it's seven books

1271

00:49:45,430 --> 00:49:42,880

to start with

1272

00:49:46,230 --> 00:49:45,440

and it takes on seven of the top cases

1273

00:49:49,990 --> 00:49:46,240

that

1274

00:49:53,430 --> 00:49:50,000

um drive a lot of the culture or

1275

00:49:57,109 --> 00:49:53,440

popular views of the subject roswell

1276

00:49:59,750 --> 00:49:57,119

meyer and so on those types of cases

1277

00:50:01,670 --> 00:49:59,760

so volume three is a rex hefling case

1278

00:50:03,990 --> 00:50:01,680

that's coming out in a couple of weeks

1279

00:50:05,990 --> 00:50:04,000

i'm excited about that i was going to

1280

00:50:09,190 --> 00:50:06,000

ask though

1281

00:50:12,069 --> 00:50:09,200

oh i'm sorry hello

1282

00:50:13,750 --> 00:50:12,079

going oh i'm sorry okay so i i wanted to

1283

00:50:15,190 --> 00:50:13,760

ask them how how are we going to do this

1284

00:50:19,109 --> 00:50:15,200

video you want me to just

1285

00:50:22,230 --> 00:50:19,119

play it and we'll play it out like well

1286

00:50:24,790 --> 00:50:22,240

yeah when it plays to take it in because

1287

00:50:26,390 --> 00:50:24,800

it it it takes care of itself you see

1288

00:50:29,030 --> 00:50:26,400

melissa on there you see

1289

00:50:30,230 --> 00:50:29,040

uh the software come to life which i'll

1290

00:50:32,230 --> 00:50:30,240

get to in a moment

1291

00:50:33,910 --> 00:50:32,240

because it has to be shown on video

1292

00:50:36,069 --> 00:50:33,920

otherwise you can't show ar

1293

00:50:37,430 --> 00:50:36,079

you know you can describe it but you

1294

00:50:39,589 --> 00:50:37,440

have to see it

1295

00:50:41,829 --> 00:50:39,599

so the reason the books are in printed

1296

00:50:43,270 --> 00:50:41,839

format steven a little ahead of the

1297

00:50:45,990 --> 00:50:43,280

spiel here is

1298

00:50:47,829 --> 00:50:46,000

on some of these books we're using

1299

00:50:51,030 --> 00:50:47,839

artificial reality now

1300

00:50:52,390 --> 00:50:51,040

to raise the bar on the research so what

1301
00:50:53,990 --> 00:50:52,400
it means is you're going to point your

1302
00:50:56,390 --> 00:50:54,000
smart camera or your tablet

1303
00:50:57,349 --> 00:50:56,400
at our wonderful ufology ufoology book

1304
00:50:59,670 --> 00:50:57,359
series

1305
00:51:01,030 --> 00:50:59,680
and you're going to take a picture of

1306
00:51:02,630 --> 00:51:01,040
the qr code

1307
00:51:04,549 --> 00:51:02,640
and what's going to happen then is like

1308
00:51:10,790 --> 00:51:04,559
for the betty and barney hill

1309
00:51:14,549 --> 00:51:13,829
it's augmented reality basically in your

1310
00:51:18,230 --> 00:51:14,559
books

1311
00:51:21,750 --> 00:51:18,240
yeah and it's used ars

1312
00:51:23,349 --> 00:51:21,760
old school was artificial augmented is

1313
00:51:26,630 --> 00:51:23,359

well it's understood it's

1314

00:51:27,430 --> 00:51:26,640

you know helping i i guess today's geeks

1315

00:51:29,109 --> 00:51:27,440

need help

1316

00:51:30,790 --> 00:51:29,119

we called it artificial we could handle

1317

00:51:32,870 --> 00:51:30,800

the fact it wasn't real

1318

00:51:34,390 --> 00:51:32,880

anyway so yeah you've got ar built into

1319

00:51:35,829 --> 00:51:34,400

them so what's going to happen is and i

1320

00:51:38,790 --> 00:51:35,839

show this in the video

1321

00:51:39,270 --> 00:51:38,800

i show the hill star map um with the

1322

00:51:42,069 --> 00:51:39,280

right

1323

00:51:43,349 --> 00:51:42,079

astronomical data and the numbers are

1324

00:51:45,910 --> 00:51:43,359

all there

1325

00:51:46,630 --> 00:51:45,920

they're there deliberately so that ufo

1326
00:51:50,069 --> 00:51:46,640
believers

1327
00:51:51,510 --> 00:51:50,079
and hollywood producers like bryce zabel

1328
00:51:53,589 --> 00:51:51,520
who exploits the whole case and is

1329
00:51:56,069 --> 00:51:53,599
working on that exploitation movie

1330
00:51:57,510 --> 00:51:56,079
about the hill case he licensed the book

1331
00:51:59,750 --> 00:51:57,520
captured from friedman

1332
00:52:01,670 --> 00:51:59,760
friedman suckered him i know that for a

1333
00:52:03,829 --> 00:52:01,680
fact

1334
00:52:05,430 --> 00:52:03,839
and what happened is uh this movie's

1335
00:52:06,150 --> 00:52:05,440
gonna come out saying it's all real it's

1336
00:52:08,309 --> 00:52:06,160
all good

1337
00:52:09,670 --> 00:52:08,319
a believer and i warned him months ago

1338
00:52:12,870 --> 00:52:09,680

this is coming out

1339

00:52:15,910 --> 00:52:12,880

and he's ignored me he's right but

1340

00:52:16,309 --> 00:52:15,920

he's called out so as you know i was the

1341

00:52:19,910 --> 00:52:16,319

guy

1342

00:52:23,190 --> 00:52:19,920

who ran the trap between friedman

1343

00:52:24,470 --> 00:52:23,200

and the skeptics over the hill map to

1344

00:52:26,950 --> 00:52:24,480

see who was correct

1345

00:52:28,230 --> 00:52:26,960

and i ended up taking it yeah you're the

1346

00:52:31,670 --> 00:52:28,240

guy who originally

1347

00:52:33,190 --> 00:52:31,680

that the barney and benny hill star map

1348

00:52:35,829 --> 00:52:33,200

is

1349

00:52:37,990 --> 00:52:35,839

right but that was only after analyzing

1350

00:52:39,270 --> 00:52:38,000

everyone else's data because my point to

1351

00:52:41,349 --> 00:52:39,280

stan friedman was

1352

00:52:42,950 --> 00:52:41,359

both sides can't be right he said well

1353

00:52:44,549 --> 00:52:42,960

go check it out and get back to me kid

1354

00:52:45,430 --> 00:52:44,559

type thing well i did a year later he

1355

00:52:49,030 --> 00:52:45,440

was shocked

1356

00:52:51,750 --> 00:52:49,040

thick file and in the book you see

1357

00:52:52,950 --> 00:52:51,760

these documents original correspondence

1358

00:52:55,750 --> 00:52:52,960

and you also see

1359

00:52:56,630 --> 00:52:55,760

uh the astronomical data from the parkos

1360

00:53:02,790 --> 00:52:56,640

and

1361

00:53:05,030 --> 00:53:02,800

who's introduced in the video as well i

1362

00:53:06,549 --> 00:53:05,040

show his resume and cv he's my former

1363

00:53:08,950 --> 00:53:06,559

roommate at apple polaris

1364

00:53:10,549 --> 00:53:08,960

he knows where all my bodies are buried

1365

00:53:12,710 --> 00:53:10,559

so to speak he knows about

1366

00:53:13,670 --> 00:53:12,720

everything from government work to

1367

00:53:15,430 --> 00:53:13,680

secret stuff to

1368

00:53:17,109 --> 00:53:15,440

stuff we did at apple we were doing

1369

00:53:19,109 --> 00:53:17,119

multimedia before there was a web

1370

00:53:21,510 --> 00:53:19,119

browser he was using pixar renderman

1371

00:53:24,470 --> 00:53:21,520

before steve jobs bought it from

1372

00:53:24,950 --> 00:53:24,480

we were rendering starfleet enterprise

1373

00:53:27,910 --> 00:53:24,960

stuff

1374

00:53:28,630 --> 00:53:27,920

overnight on our 25 megahertz old mac

1375

00:53:31,750 --> 00:53:28,640

you know

1376
00:53:33,750 --> 00:53:31,760
two ci's and 33 megahertz mach 2 correct

1377
00:53:36,150 --> 00:53:33,760
that brings back memories because i did

1378
00:53:37,190 --> 00:53:36,160
i used amigas and lightwave but i didn't

1379
00:53:41,750 --> 00:53:37,200
have a big box

1380
00:53:44,069 --> 00:53:41,760
that you could actually render on

1381
00:53:45,750 --> 00:53:44,079
i had it the the stock like eight

1382
00:53:48,470 --> 00:53:45,760
megahertz and i would leave it for like

1383
00:53:51,430 --> 00:53:48,480
four days to render a c

1384
00:53:52,790 --> 00:53:51,440
four days just let it go you know it was

1385
00:53:54,630 --> 00:53:52,800
so old and slow but

1386
00:53:56,069 --> 00:53:54,640
the software was so powerful it's just

1387
00:53:58,309 --> 00:53:56,079
that i didn't have the money to buy

1388
00:54:00,390 --> 00:53:58,319

the upgrades you know so you could do it

1389

00:54:01,829 --> 00:54:00,400

in a reasonable time frame

1390

00:54:04,390 --> 00:54:01,839

but you've been doing this stuff longer

1391

00:54:07,190 --> 00:54:04,400

than me even which is crazy

1392

00:54:09,349 --> 00:54:07,200

well i'm i was on the hypercar team and

1393

00:54:11,990 --> 00:54:09,359

the hyper car team's big contribution

1394

00:54:13,670 --> 00:54:12,000

was the hyperlink and uh

1395

00:54:15,109 --> 00:54:13,680

you know that drives multimedia today

1396

00:54:16,549 --> 00:54:15,119

apple has a patent for it

1397

00:54:17,910 --> 00:54:16,559

and they could charge money every time

1398

00:54:19,430 --> 00:54:17,920

you click on a link but they don't

1399

00:54:21,109 --> 00:54:19,440

they're not microsoft

1400

00:54:22,630 --> 00:54:21,119

yeah and for those that don't know like

1401

00:54:23,910 --> 00:54:22,640

you know i have this little computer

1402

00:54:24,790 --> 00:54:23,920

company and i've been working on this

1403

00:54:26,870 --> 00:54:24,800

prototype and

1404

00:54:28,630 --> 00:54:26,880

operating system and i want kalkwarf to

1405

00:54:30,230 --> 00:54:28,640

be on the board of directors if this

1406

00:54:32,549 --> 00:54:30,240

thing ever flies

1407

00:54:34,069 --> 00:54:32,559

because he's got all of this experience

1408

00:54:35,510 --> 00:54:34,079

with so much technology

1409

00:54:37,190 --> 00:54:35,520

and that's something that a lot of

1410

00:54:38,549 --> 00:54:37,200

people don't know about you you know

1411

00:54:40,630 --> 00:54:38,559

that cowlick

1412

00:54:42,390 --> 00:54:40,640

you're known for being the skeptic

1413

00:54:45,030 --> 00:54:42,400

debunker

1414

00:54:46,150 --> 00:54:45,040

blowing holes and all these

1415

00:54:48,630 --> 00:54:46,160

stories

1416

00:54:50,230 --> 00:54:48,640

but you also have this huge background

1417

00:54:52,870 --> 00:54:50,240

in technology

1418

00:54:53,589 --> 00:54:52,880

right there at the creation of so many

1419

00:54:57,030 --> 00:54:53,599

things

1420

00:54:59,030 --> 00:54:57,040

it's amazing to me yeah because um

1421

00:55:00,470 --> 00:54:59,040

that's because i had to compartmentalize

1422

00:55:01,829 --> 00:55:00,480

my life and this

1423

00:55:04,789 --> 00:55:01,839

little short story i'm going to share

1424

00:55:07,670 --> 00:55:04,799

with you which is now becoming public

1425

00:55:09,829 --> 00:55:07,680

um when i left the u.s in 2000 left

1426

00:55:13,270 --> 00:55:09,839

boeing and went to work in europe

1427

00:55:16,470 --> 00:55:13,280

i left my archives here and

1428

00:55:18,549 --> 00:55:16,480

uh they were full of a lot of stuff and

1429

00:55:19,270 --> 00:55:18,559

i was stanton friedman's archivist when

1430

00:55:22,230 --> 00:55:19,280

we were

1431

00:55:24,069 --> 00:55:22,240

near each other and i kept a lot of

1432

00:55:24,950 --> 00:55:24,079

stuff that was relevant to today's

1433

00:55:27,190 --> 00:55:24,960

things

1434

00:55:29,670 --> 00:55:27,200

so make a long story short i was in the

1435

00:55:31,109 --> 00:55:29,680

media a lot as a kid teaching at age 13

1436

00:55:32,870 --> 00:55:31,119

and lecturing and all that stuff

1437

00:55:34,390 --> 00:55:32,880

so-called prodigy child finished high

1438

00:55:36,069 --> 00:55:34,400

school in three years etc

1439

00:55:38,309 --> 00:55:36,079

all that stuff is in the book the full

1440

00:55:40,150 --> 00:55:38,319

bio but then what happened is i met a

1441

00:55:42,630 --> 00:55:40,160

guy named steve jobs

1442

00:55:44,390 --> 00:55:42,640

and he changed my life and i was

1443

00:55:46,390 --> 00:55:44,400

interested in police work and forensics

1444

00:55:48,789 --> 00:55:46,400

and that's ironic because

1445

00:55:50,069 --> 00:55:48,799

you see in the wendell book where i was

1446

00:55:52,870 --> 00:55:50,079

in my life

1447

00:55:53,750 --> 00:55:52,880

and how i used forensics to nail wendell

1448

00:55:56,470 --> 00:55:53,760

stevens

1449

00:55:58,710 --> 00:55:56,480

over the letters that it was really him

1450

00:56:02,549 --> 00:55:58,720

as the author of this so-called

1451
00:56:05,270 --> 00:56:02,559
witness and um i still have i'm putting

1452
00:56:07,190 --> 00:56:05,280
it in my autobiography the actual uh

1453
00:56:08,870 --> 00:56:07,200
hydrant test kits we were using in the

1454
00:56:10,630 --> 00:56:08,880
training manuals because i was going to

1455
00:56:11,349 --> 00:56:10,640
go off into police work and i was

1456
00:56:13,430 --> 00:56:11,359
studying

1457
00:56:14,390 --> 00:56:13,440
for criminal justice major i wanted to

1458
00:56:18,470 --> 00:56:14,400
solve cases

1459
00:56:20,870 --> 00:56:18,480
happened was um

1460
00:56:22,470 --> 00:56:20,880
i met a guy named steve jobs and he

1461
00:56:23,589 --> 00:56:22,480
showed me this macintosh they were

1462
00:56:24,950 --> 00:56:23,599
working on he said

1463
00:56:27,510 --> 00:56:24,960

it's going to change the world i'm like

1464

00:56:30,390 --> 00:56:27,520

you always say that well

1465

00:56:31,109 --> 00:56:30,400

it certainly changed my life and yeah

1466

00:56:33,030 --> 00:56:31,119

and i'm

1467

00:56:34,630 --> 00:56:33,040

there at the rollout of the mac you can

1468

00:56:36,630 --> 00:56:34,640

actually see me in the

1469

00:56:38,710 --> 00:56:36,640

uncropped videos i'm wandering up and

1470

00:56:40,069 --> 00:56:38,720

down the aisles there because i'm

1471

00:56:43,030 --> 00:56:40,079

providing security

1472

00:56:44,630 --> 00:56:43,040

uh for the project i'm ahead of it there

1473

00:56:46,150 --> 00:56:44,640

were undercover securities that were

1474

00:56:47,030 --> 00:56:46,160

armed but they wouldn't advertise that

1475

00:56:50,470 --> 00:56:47,040

of course

1476
00:56:52,069 --> 00:56:50,480
and i was converted by the time it

1477
00:56:54,069 --> 00:56:52,079
debuted because i got to finally

1478
00:56:56,150 --> 00:56:54,079
see everything put together that barely

1479
00:56:59,270 --> 00:56:56,160
worked for the demo but it worked

1480
00:57:01,510 --> 00:56:59,280
and i knew at that point i was gonna

1481
00:57:03,190 --> 00:57:01,520
dump police work and go into i.t and

1482
00:57:05,510 --> 00:57:03,200
computing i knew the graphic

1483
00:57:07,349 --> 00:57:05,520
stuff was the future and i loved the

1484
00:57:09,030 --> 00:57:07,359
idea that you could

1485
00:57:10,470 --> 00:57:09,040
have something be connected to something

1486
00:57:11,750 --> 00:57:10,480
else because i'd come up with that idea

1487
00:57:14,549 --> 00:57:11,760
when i was in sixth grade

1488
00:57:15,510 --> 00:57:14,559

you can ask my mom uh she'll still

1489

00:57:18,230 --> 00:57:15,520

confirm this

1490

00:57:19,190 --> 00:57:18,240

but quickly she had a white little desk

1491

00:57:21,910 --> 00:57:19,200

for me

1492

00:57:23,270 --> 00:57:21,920

and i came home one day and uh i cleared

1493

00:57:25,829 --> 00:57:23,280

everything off and i

1494

00:57:27,829 --> 00:57:25,839

i had these really bright strips of

1495

00:57:28,150 --> 00:57:27,839

paper and i used to be able to draw back

1496

00:57:30,390 --> 00:57:28,160

then

1497

00:57:31,829 --> 00:57:30,400

i would draw these little icons i would

1498

00:57:33,030 --> 00:57:31,839

just call them tiny pictures i didn't

1499

00:57:36,230 --> 00:57:33,040

know the word icon

1500

00:57:37,670 --> 00:57:36,240

in sixth grade and um i scotch taped

1501

00:57:39,750 --> 00:57:37,680

them to the top of my desk

1502

00:57:41,430 --> 00:57:39,760

laid it out like you would on the

1503

00:57:43,670 --> 00:57:41,440

enterprise the old classic enterprise

1504

00:57:45,510 --> 00:57:43,680

with all those nice buttons

1505

00:57:47,670 --> 00:57:45,520

my mom comes in and she's like why did

1506

00:57:50,230 --> 00:57:47,680

you scotch tape

1507

00:57:51,910 --> 00:57:50,240

the furniture i said mom i made my

1508

00:57:52,309 --> 00:57:51,920

computer i just don't have the parts but

1509

00:57:53,829 --> 00:57:52,319

look

1510

00:57:55,990 --> 00:57:53,839

got the button does this i don't have a

1511

00:57:56,390 --> 00:57:56,000

command i just hit this and yeah you

1512

00:57:58,630 --> 00:57:56,400

know

1513

00:57:59,990 --> 00:57:58,640

a lot of like like i used to make i used

1514

00:58:02,789 --> 00:58:00,000

to make um

1515

00:58:03,430 --> 00:58:02,799

i was big on dos and i used to make

1516

00:58:06,230 --> 00:58:03,440

menus

1517

00:58:06,630 --> 00:58:06,240

with antsy that was like incredible for

1518

00:58:09,589 --> 00:58:06,640

being

1519

00:58:11,030 --> 00:58:09,599

antsy oh fancy good old man yeah good

1520

00:58:13,589 --> 00:58:11,040

old dancing right

1521

00:58:14,789 --> 00:58:13,599

yeah yeah all this kind of same kind of

1522

00:58:18,549 --> 00:58:14,799

stuff

1523

00:58:18,870 --> 00:58:18,559

yeah so uh just i don't know if you sent

1524

00:58:23,670 --> 00:58:18,880

me

1525

00:58:27,349 --> 00:58:26,309

it said it arrived successfully so um

1526

00:58:29,910 --> 00:58:27,359

anyway so

1527

00:58:30,470 --> 00:58:29,920

uh i show this in the video and then i

1528

00:58:32,789 --> 00:58:30,480

show

1529

00:58:34,630 --> 00:58:32,799

what we're going to do and i use the

1530

00:58:36,710 --> 00:58:34,640

window book as an example

1531

00:58:38,470 --> 00:58:36,720

i show that with artificial reality or

1532

00:58:40,710 --> 00:58:38,480

augmented reality we can do anything

1533

00:58:42,390 --> 00:58:40,720

and the idea is to do it accurately so

1534

00:58:43,829 --> 00:58:42,400

there are some ufo cases out there that

1535

00:58:45,910 --> 00:58:43,839

are going to be great to do when you

1536

00:58:47,829 --> 00:58:45,920

point your stuff at billy meyer stuff

1537

00:58:49,430 --> 00:58:47,839

and you see the fake ship rise up and

1538

00:58:49,990 --> 00:58:49,440

fly into the tree because it's not

1539

00:58:52,870 --> 00:58:50,000

really

1540

00:58:53,270 --> 00:58:52,880

seven meters in size it's going to be

1541

00:58:55,430 --> 00:58:53,280

fun

1542

00:58:56,309 --> 00:58:55,440

and there's nothing mikey horn can do or

1543

00:58:58,950 --> 00:58:56,319

anybody

1544

00:59:00,309 --> 00:58:58,960

of the mcminnville oregon photos we're

1545

00:59:02,309 --> 00:59:00,319

going to actually

1546

00:59:03,430 --> 00:59:02,319

do the first artificial reality

1547

00:59:05,750 --> 00:59:03,440

recreation of it

1548

00:59:07,829 --> 00:59:05,760

bruce mcabee's agreed to be on the team

1549

00:59:09,270 --> 00:59:07,839

the third original roswell researcher

1550

00:59:10,950 --> 00:59:09,280

very good friend of mine on the fourth

1551

00:59:14,950 --> 00:59:10,960

one were long-time buddies

1552

00:59:17,990 --> 00:59:14,960

he's part of it roy's part of it and um

1553

00:59:19,750 --> 00:59:18,000

we're we've agreed to do this last year

1554

00:59:21,030 --> 00:59:19,760

been delayed by the pandemic but we're

1555

00:59:23,589 --> 00:59:21,040

going to start it and we

1556

00:59:25,109 --> 00:59:23,599

came up with this project in the 90s we

1557

00:59:26,390 --> 00:59:25,119

just never got around to doing it we

1558

00:59:27,030 --> 00:59:26,400

were hoping somebody would have done it

1559

00:59:30,069 --> 00:59:27,040

by now

1560

00:59:31,270 --> 00:59:30,079

but nobody's bothered so that's all in

1561

00:59:33,670 --> 00:59:31,280

the video and you see

1562

00:59:35,510 --> 00:59:33,680

rising up off of walking across the

1563

00:59:38,390 --> 00:59:35,520

window book you see dinosaurs

1564

00:59:40,390 --> 00:59:38,400

okay and i can control the dinosaurs and

1565

00:59:42,630 --> 00:59:40,400

you see them stop on wendell's book and

1566

00:59:44,710 --> 00:59:42,640

make noise and stop everywhere

1567

00:59:46,069 --> 00:59:44,720

well and then i show the scale test we

1568

00:59:48,230 --> 00:59:46,079

did in parking lots where all of a

1569

00:59:49,589 --> 00:59:48,240

sudden you have a real tyrannosaurus rex

1570

00:59:52,710 --> 00:59:49,599

at full size or

1571

00:59:55,829 --> 00:59:52,720

uh yeah i saw i saw your uh

1572

00:59:57,510 --> 00:59:55,839

your like depictions of this and that

1573

00:59:58,470 --> 00:59:57,520

was enough to make me go wow i can't

1574

01:00:01,990 --> 00:59:58,480

wait to see this

1575

01:00:04,789 --> 01:00:02,000

in real life so uh well saying this

1576

01:00:05,990 --> 01:00:04,799

just so you know i don't have any link

1577

01:00:10,309 --> 01:00:06,000

at my email

1578

01:00:12,230 --> 01:00:10,319

truthseekers at trueseekersamgmail.com

1579

01:00:14,309 --> 01:00:12,240

okay well i don't know if you can send a

1580

01:00:16,950 --> 01:00:14,319

link in messenger or

1581

01:00:18,390 --> 01:00:16,960

in twitter dm one way or the other try

1582

01:00:20,870 --> 01:00:18,400

to send me the link another way

1583

01:00:22,549 --> 01:00:20,880

and we'll see if we can't get that and i

1584

01:00:25,349 --> 01:00:22,559

should mention that

1585

01:00:27,589 --> 01:00:25,359

i don't know that uh youtube really

1586

01:00:28,069 --> 01:00:27,599

hates it when i go past two hours like i

1587

01:00:31,589 --> 01:00:28,079

have to

1588

01:00:35,349 --> 01:00:31,599

then

1589

01:00:38,549 --> 01:00:35,359

uh re-upload it if you know what i mean

1590

01:00:40,549 --> 01:00:38,559

yeah to be honest i think uh this is

1591

01:00:41,990 --> 01:00:40,559

or you and i can just talk about all of

1592

01:00:44,549 --> 01:00:42,000

this for the two hours

1593

01:00:45,589 --> 01:00:44,559

and then i'll upload the video as a

1594

01:00:48,069 --> 01:00:45,599

separate thing

1595

01:00:48,630 --> 01:00:48,079

right after the stream ends and close

1596

01:00:50,069 --> 01:00:48,640

that

1597

01:00:52,549 --> 01:00:50,079

you know what to and then maybe you

1598

01:00:54,549 --> 01:00:52,559

could come back and we'll do a talk on

1599

01:00:55,990 --> 01:00:54,559

the video after people see it i think

1600

01:00:56,789 --> 01:00:56,000

that would probably be the best way to

1601

01:00:58,789 --> 01:00:56,799

do it

1602

01:01:00,789 --> 01:00:58,799

and i just want to try to stay within

1603

01:01:02,390 --> 01:01:00,799

this two-hour window

1604

01:01:03,990 --> 01:01:02,400

otherwise it's kind of a pain in the ass

1605

01:01:04,470 --> 01:01:04,000

you know you got to take the old video

1606

01:01:07,510 --> 01:01:04,480

down

1607

01:01:10,549 --> 01:01:07,520

upload the new video it never youtube

1608

01:01:11,190 --> 01:01:10,559

cuts at two hours i think sometimes they

1609

01:01:12,710 --> 01:01:11,200

do

1610

01:01:14,630 --> 01:01:12,720

it's to keep people from you know

1611

01:01:16,230 --> 01:01:14,640

abusing it just like now if you want to

1612

01:01:19,190 --> 01:01:16,240

do the picture in a picture

1613

01:01:20,069 --> 01:01:19,200

4k you it's only available uh from the

1614

01:01:23,510 --> 01:01:20,079

new

1615

01:01:26,710 --> 01:01:23,520

ios for their premium subscribers

1616

01:01:27,270 --> 01:01:26,720

you know so okay they're trying to cut

1617

01:01:29,670 --> 01:01:27,280

corners

1618

01:01:31,510 --> 01:01:29,680

but yeah it's paid software they're

1619

01:01:32,230 --> 01:01:31,520

always nickel and diming yet for every

1620

01:01:34,150 --> 01:01:32,240

little thing

1621

01:01:35,910 --> 01:01:34,160

i don't like that i really try to stay

1622

01:01:39,190 --> 01:01:35,920

in linux for everything

1623

01:01:41,190 --> 01:01:39,200

i don't figure like there's got to be

1624

01:01:42,309 --> 01:01:41,200

something to get done whatever i need to

1625

01:01:45,270 --> 01:01:42,319

get done but

1626
01:01:47,190 --> 01:01:45,280
you do lose that you know they're shiny

1627
01:01:48,069 --> 01:01:47,200
and nice these creative clouds and

1628
01:01:50,069 --> 01:01:48,079
things like that

1629
01:01:51,349 --> 01:01:50,079
and they're easy right if you just got

1630
01:01:54,230 --> 01:01:51,359
to get work done

1631
01:01:55,750 --> 01:01:54,240
just you know pay the 20 bucks a month

1632
01:01:58,390 --> 01:01:55,760
or whatever it is

1633
01:01:59,829 --> 01:01:58,400
and try to uh and try to get your work

1634
01:02:01,910 --> 01:01:59,839
done

1635
01:02:02,870 --> 01:02:01,920
yeah it does make me wonder sometimes

1636
01:02:06,150 --> 01:02:02,880
you know like

1637
01:02:09,589 --> 01:02:06,160
how much how many billions are enough

1638
01:02:11,510 --> 01:02:09,599

you know so but uh anyway um

1639

01:02:12,630 --> 01:02:11,520

yeah satisfied with one that's my

1640

01:02:13,990 --> 01:02:12,640

personal you know

1641

01:02:16,630 --> 01:02:14,000

because i figure if you get to the

1642

01:02:19,510 --> 01:02:16,640

billion you want that capitalism right

1643

01:02:21,829 --> 01:02:19,520

you can never spend a billion dollars

1644

01:02:25,029 --> 01:02:21,839

you just can't

1645

01:02:28,069 --> 01:02:25,039

not sanely no uh so to speak but um

1646

01:02:29,270 --> 01:02:28,079

anyway the uh um that is the best way

1647

01:02:30,870 --> 01:02:29,280

because people are going to

1648

01:02:32,870 --> 01:02:30,880

want to look at it and i'm happy to come

1649

01:02:35,109 --> 01:02:32,880

on anytime and

1650

01:02:36,390 --> 01:02:35,119

my schedule is is changing after this

1651

01:02:38,549 --> 01:02:36,400

now because finally

1652

01:02:40,390 --> 01:02:38,559

this stuff is coming out and i can't

1653

01:02:41,510 --> 01:02:40,400

tell you how frustrating it's been you

1654

01:02:43,349 --> 01:02:41,520

probably know the feeling

1655

01:02:44,549 --> 01:02:43,359

to have nine things and i should

1656

01:02:46,870 --> 01:02:44,559

apologize i

1657

01:02:48,710 --> 01:02:46,880

i knew this was coming for a while but i

1658

01:02:50,549 --> 01:02:48,720

was kind of like uh

1659

01:02:52,150 --> 01:02:50,559

i didn't really know which way to

1660

01:02:52,630 --> 01:02:52,160

promote it because you got so much

1661

01:02:54,710 --> 01:02:52,640

different

1662

01:02:56,390 --> 01:02:54,720

information that you're going to be

1663

01:02:58,789 --> 01:02:56,400

plowing out now

1664

01:02:59,990 --> 01:02:58,799

that it's tough to uh it's it's tough to

1665

01:03:04,549 --> 01:03:00,000

quantify and like

1666

01:03:08,150 --> 01:03:04,559

figure out like okay it's so much

1667

01:03:13,270 --> 01:03:08,160

i i understand um totally

1668

01:03:15,029 --> 01:03:13,280

um so you see again that the

1669

01:03:17,109 --> 01:03:15,039

this is again further on in the doors

1670

01:03:19,910 --> 01:03:17,119

you see the dinosaurs you see the

1671

01:03:21,190 --> 01:03:19,920

full scale you did the idea as i say in

1672

01:03:22,789 --> 01:03:21,200

the narration

1673

01:03:24,309 --> 01:03:22,799

because as i watch these i would then

1674

01:03:25,829 --> 01:03:24,319

talk and describe it so people

1675

01:03:27,910 --> 01:03:25,839

understand what they're seeing even if

1676

01:03:29,750 --> 01:03:27,920

they don't know about maya or whatever

1677

01:03:31,029 --> 01:03:29,760

when you see the dinosaurs full scale

1678

01:03:33,829 --> 01:03:31,039

and you see us walk

1679

01:03:34,549 --> 01:03:33,839

under them and they're not really there

1680

01:03:37,270 --> 01:03:34,559

um

1681

01:03:38,390 --> 01:03:37,280

that could be a ufo scene it could be

1682

01:03:41,029 --> 01:03:38,400

ufo photo

1683

01:03:42,710 --> 01:03:41,039

made in 3d recreation could be a meyer

1684

01:03:44,549 --> 01:03:42,720

scene whatever it doesn't matter

1685

01:03:45,829 --> 01:03:44,559

could be the kennedy assassination that

1686

01:03:49,270 --> 01:03:45,839

was done of course

1687

01:03:51,349 --> 01:03:49,280

so it's to show people this is coming

1688

01:03:53,750 --> 01:03:51,359

and we want to use this technology to

1689

01:03:56,630 --> 01:03:53,760

take the investigations to a level

1690

01:03:57,990 --> 01:03:56,640

that separates fact from fiction ufology

1691

01:04:00,950 --> 01:03:58,000

versus eulogy

1692

01:04:01,829 --> 01:04:00,960

and friedman said euphology is when

1693

01:04:03,750 --> 01:04:01,839

somebody

1694

01:04:05,990 --> 01:04:03,760

makes conclusions or statements about

1695

01:04:06,630 --> 01:04:06,000

ufos which are not derivable from the

1696

01:04:09,670 --> 01:04:06,640

data

1697

01:04:10,549 --> 01:04:09,680

whereas ufology is when somebody studies

1698

01:04:13,670 --> 01:04:10,559

uh

1699

01:04:17,109 --> 01:04:13,680

ufo data scientifically okay fine

1700

01:04:19,589 --> 01:04:17,119

so ufology ufologists are not going to

1701

01:04:21,270 --> 01:04:19,599

lie to you they're not going to talk

1702

01:04:24,470 --> 01:04:21,280

about contacts and

1703

01:04:26,630 --> 01:04:24,480

and uh you know disclosure and

1704

01:04:27,510 --> 01:04:26,640

that isn't gonna happen they're

1705

01:04:30,630 --> 01:04:27,520

gonna tell you

1706

01:04:32,150 --> 01:04:30,640

whatever the truth is and so um this is

1707

01:04:34,789 --> 01:04:32,160

i think something long overdue

1708

01:04:36,950 --> 01:04:34,799

and because we're now putting it in the

1709

01:04:39,270 --> 01:04:36,960

realm of forensics

1710

01:04:40,789 --> 01:04:39,280

it keeps a whole level of fraudulent

1711

01:04:43,670 --> 01:04:40,799

amateurs

1712

01:04:44,390 --> 01:04:43,680

from playing games and it busts so many

1713

01:04:47,430 --> 01:04:44,400

people

1714

01:04:48,230 --> 01:04:47,440

separating fact from fiction is

1715

01:04:49,750 --> 01:04:48,240

important

1716

01:04:51,990 --> 01:04:49,760

yeah that's the whole thing with me is

1717

01:04:53,670 --> 01:04:52,000

like you know i

1718

01:04:55,349 --> 01:04:53,680

have another friend that does a show and

1719

01:04:58,390 --> 01:04:55,359

he's way on the wu side and

1720

01:04:59,029 --> 01:04:58,400

and he always calls me a debunker and my

1721

01:05:00,950 --> 01:04:59,039

thing is

1722

01:05:02,710 --> 01:05:00,960

i would love to live in a world where

1723

01:05:04,150 --> 01:05:02,720

aliens are visiting us

1724

01:05:06,630 --> 01:05:04,160

i would love to look at a world where we

1725

01:05:09,190 --> 01:05:06,640

have ufo crash retrievals

1726

01:05:10,150 --> 01:05:09,200

that would be awesome but i want to know

1727

01:05:13,430 --> 01:05:10,160

if it's true

1728

01:05:15,990 --> 01:05:13,440

or if these stories are not

1729

01:05:18,069 --> 01:05:16,000

you know what they purport to be and

1730

01:05:21,349 --> 01:05:18,079

there's so many people making money

1731

01:05:24,549 --> 01:05:21,359

off of selling this ufo opium that

1732

01:05:26,789 --> 01:05:24,559

to me there's a problem you know

1733

01:05:28,150 --> 01:05:26,799

it's a big problem i want to know the

1734

01:05:30,870 --> 01:05:28,160

truth though

1735

01:05:32,710 --> 01:05:30,880

even if it's an ugly truth and the the

1736

01:05:33,349 --> 01:05:32,720

ugly truth is that so many of these

1737

01:05:34,950 --> 01:05:33,359

stories

1738

01:05:37,190 --> 01:05:34,960

when you break them down and you

1739

01:05:39,829 --> 01:05:37,200

actually go with evidence

1740

01:05:40,230 --> 01:05:39,839

and real facts most of them don't hold

1741

01:05:43,510 --> 01:05:40,240

up

1742

01:05:46,470 --> 01:05:43,520

and it's disappointing but

1743

01:05:47,349 --> 01:05:46,480

we want to get to the truth yeah

1744

01:05:50,710 --> 01:05:47,359

definitely

1745

01:05:53,510 --> 01:05:50,720

and as the beginning of the

1746

01:05:54,470 --> 01:05:53,520

video shows and i've you've put these

1747

01:05:56,309 --> 01:05:54,480

slides together

1748

01:05:57,829 --> 01:05:56,319

in i think the first appearance of data

1749

01:06:00,870 --> 01:05:57,839

on your show i

1750

01:06:01,910 --> 01:06:00,880

briefly recap how polarized the u.s has

1751

01:06:05,109 --> 01:06:01,920

become

1752

01:06:08,390 --> 01:06:05,119

and how it's um uh

1753

01:06:09,829 --> 01:06:08,400

set for uh you have record numbers of

1754

01:06:13,190 --> 01:06:09,839

people who are polarized

1755

01:06:15,190 --> 01:06:13,200

and it's like if i criticize trump it

1756

01:06:17,270 --> 01:06:15,200

must be because i support biden if i

1757

01:06:18,390 --> 01:06:17,280

criticize biden it must be because i'm a

1758

01:06:20,549 --> 01:06:18,400

trump supporter

1759

01:06:22,470 --> 01:06:20,559

no i always say i think they're both i

1760

01:06:25,910 --> 01:06:22,480

think that both sides are

1761

01:06:28,789 --> 01:06:25,920

both sides of the coin are criminals

1762

01:06:30,870 --> 01:06:28,799

it's just picking criminal that will do

1763

01:06:33,510 --> 01:06:30,880

you and your family the least amount of

1764

01:06:34,150 --> 01:06:33,520

harm that's what we've devolved into as

1765

01:06:37,270 --> 01:06:34,160

a country

1766

01:06:39,109 --> 01:06:37,280

lately in my view so i don't i just

1767

01:06:40,549 --> 01:06:39,119

try not to pay attention i've got people

1768

01:06:43,750 --> 01:06:40,559

that will like

1769

01:06:44,950 --> 01:06:43,760

message me all day long anti-trump stuff

1770

01:06:45,750 --> 01:06:44,960

and then i've got people that will

1771

01:06:49,670 --> 01:06:45,760

message me

1772

01:06:52,230 --> 01:06:49,680

all day long anti-biden stuff and for me

1773

01:06:53,829 --> 01:06:52,240

i don't care it's not my circus they're

1774

01:06:57,990 --> 01:06:53,839

both

1775

01:07:01,510 --> 01:06:58,000

you

1776

01:07:03,829 --> 01:07:01,520

i check out that's what i've been doing

1777

01:07:04,549 --> 01:07:03,839

i understand most americans don't want

1778

01:07:08,069 --> 01:07:04,559

either

1779

01:07:10,150 --> 01:07:08,079

but the reason that i cover this

1780

01:07:11,349 --> 01:07:10,160

is because it's relevant to today

1781

01:07:13,190 --> 01:07:11,359

because

1782

01:07:15,829 --> 01:07:13,200

one of the updates i give in the

1783

01:07:18,950 --> 01:07:15,839

beginning to is the long overdue tsa

1784

01:07:21,109 --> 01:07:18,960

sec investigation update okay

1785

01:07:22,470 --> 01:07:21,119

and when i say sec investigation let me

1786

01:07:25,990 --> 01:07:22,480

be clear

1787

01:07:29,029 --> 01:07:26,000

things were proceeding fine then

1788

01:07:31,510 --> 01:07:29,039

ttsa changed the board uh

1789

01:07:32,710 --> 01:07:31,520

membership they brought in a guy who has

1790

01:07:34,630 --> 01:07:32,720

a proven

1791

01:07:36,549 --> 01:07:34,640

record it's matter of public knowledge

1792

01:07:39,589 --> 01:07:36,559

and sec files

1793

01:07:41,109 --> 01:07:39,599

of uh questionable activities including

1794

01:07:43,670 --> 01:07:41,119

pump and dumbbell

1795

01:07:45,510 --> 01:07:43,680

and then i found out that yeah when you

1796

01:07:47,349 --> 01:07:45,520

when you sent me this i looked into this

1797

01:07:49,829 --> 01:07:47,359

guy and i couldn't i couldn't believe it

1798

01:07:52,230 --> 01:07:49,839

i could not believe that anybody would

1799

01:07:54,309 --> 01:07:52,240

put that guy on the board of anything

1800

01:07:55,510 --> 01:07:54,319

if you look into his background no

1801
01:07:58,150 --> 01:07:55,520
company

1802
01:07:59,750 --> 01:07:58,160
would do that they've got to know that

1803
01:08:02,789 --> 01:07:59,760
he was involved in these things

1804
01:08:04,069 --> 01:08:02,799
or they need someone with this sort of

1805
01:08:07,750 --> 01:08:04,079
expertise

1806
01:08:10,950 --> 01:08:07,760
that's what my thought was well

1807
01:08:12,950 --> 01:08:10,960
when you when you bring in somebody who

1808
01:08:14,630 --> 01:08:12,960
is connected with the phrase pump and

1809
01:08:15,589 --> 01:08:14,640
dump what type of expertise are we

1810
01:08:18,789 --> 01:08:15,599
talking about

1811
01:08:22,070 --> 01:08:18,799
when i had conversations with people

1812
01:08:23,349 --> 01:08:22,080
at sec and i will not tell you who but i

1813
01:08:24,950 --> 01:08:23,359

will tell you they were certainly real

1814

01:08:28,309 --> 01:08:24,960

and i've got recordings

1815

01:08:31,430 --> 01:08:28,319

other stuff i found out that

1816

01:08:32,470 --> 01:08:31,440

as a rule they have a process where they

1817

01:08:34,470 --> 01:08:32,480

don't really

1818

01:08:36,309 --> 01:08:34,480

vet these things in my opinion as they

1819

01:08:38,229 --> 01:08:36,319

should it has to do with

1820

01:08:39,910 --> 01:08:38,239

their staffing issues all that stuff

1821

01:08:41,189 --> 01:08:39,920

fine whatever the excuses

1822

01:08:43,749 --> 01:08:41,199

they're well-intentioned people very

1823

01:08:45,749 --> 01:08:43,759

respectful nothing but admiration for

1824

01:08:48,229 --> 01:08:45,759

them they just don't have the budget to

1825

01:08:49,669 --> 01:08:48,239

do the kind of job i wish they could so

1826

01:08:53,189 --> 01:08:49,679

what happened was

1827

01:08:56,470 --> 01:08:53,199

when he was brought in in the refiling

1828

01:08:59,269 --> 01:08:56,480

it set off flags and i was told point

1829

01:09:01,510 --> 01:08:59,279

blank that now this has to slow down

1830

01:09:02,390 --> 01:09:01,520

and i was told specifically that they

1831

01:09:04,550 --> 01:09:02,400

had to go now

1832

01:09:05,510 --> 01:09:04,560

check intelligence databases around the

1833

01:09:08,229 --> 01:09:05,520

world

1834

01:09:09,269 --> 01:09:08,239

to see if there was anything connected

1835

01:09:12,309 --> 01:09:09,279

anywhere

1836

01:09:15,910 --> 01:09:12,319

that might be impactful or relevant

1837

01:09:17,669 --> 01:09:15,920

and what happened was um

1838

01:09:19,590 --> 01:09:17,679

that's when we started hearing rumors of

1839

01:09:20,950 --> 01:09:19,600

offshore accounts with hal put off i

1840

01:09:22,309 --> 01:09:20,960

have no idea if that's true

1841

01:09:24,950 --> 01:09:22,319

it's one of the things that we're being

1842

01:09:26,789 --> 01:09:24,960

looked at so the bottom line is i show

1843

01:09:28,950 --> 01:09:26,799

the first page of the legal complaint

1844

01:09:31,110 --> 01:09:28,960

that was being drafted

1845

01:09:33,510 --> 01:09:31,120

and it's redacted because the final

1846

01:09:35,269 --> 01:09:33,520

parties are not it's not a final thing

1847

01:09:36,550 --> 01:09:35,279

and i simply say that this is going to

1848

01:09:38,390 --> 01:09:36,560

continue now

1849

01:09:39,910 --> 01:09:38,400

next year it's off the books for the

1850

01:09:42,149 --> 01:09:39,920

rest of the year because of pandemic

1851
01:09:43,990 --> 01:09:42,159
and whatever happens we'll let you know

1852
01:09:45,510 --> 01:09:44,000
because i don't know

1853
01:09:47,829 --> 01:09:45,520
again everything was heading in the

1854
01:09:49,749 --> 01:09:47,839
right direction then this happened

1855
01:09:51,669 --> 01:09:49,759
very frustrating but what can you do you

1856
01:09:54,070 --> 01:09:51,679
know

1857
01:09:55,110 --> 01:09:54,080
so that's the update on that it's in the

1858
01:09:58,149 --> 01:09:55,120
video

1859
01:09:59,510 --> 01:09:58,159
um another update yes

1860
01:10:02,709 --> 01:09:59,520
we still got to get the link to the

1861
01:10:06,550 --> 01:10:02,719
video sometime well i just got the link

1862
01:10:08,390 --> 01:10:06,560
now to a second upload it's the same

1863
01:10:10,550 --> 01:10:08,400

thing do you want me to

1864

01:10:11,430 --> 01:10:10,560

yeah send it send it to your email send

1865

01:10:16,790 --> 01:10:11,440

it to my

1866

01:10:18,470 --> 01:10:16,800

send it to facebook one way or the other

1867

01:10:19,750 --> 01:10:18,480

i got to get the link to be able to

1868

01:10:21,510 --> 01:10:19,760

share that

1869

01:10:23,030 --> 01:10:21,520

but like i said i think that you and i

1870

01:10:25,430 --> 01:10:23,040

will just finish our talk

1871

01:10:26,390 --> 01:10:25,440

and then i'll upload that as a as its

1872

01:10:29,510 --> 01:10:26,400

own video

1873

01:10:31,110 --> 01:10:29,520

just here on here on the channel that

1874

01:10:32,790 --> 01:10:31,120

would be the best way plus it gives

1875

01:10:33,990 --> 01:10:32,800

people time to go through it and look

1876

01:10:34,790 --> 01:10:34,000

and all that because they're going to

1877

01:10:37,350 --> 01:10:34,800

have to

1878

01:10:39,270 --> 01:10:37,360

think it through um they need to yeah i

1879

01:10:41,990 --> 01:10:39,280

have a feeling that this is going to be

1880

01:10:43,669 --> 01:10:42,000

a treasure trove of information and for

1881

01:10:46,070 --> 01:10:43,679

those that are really interested in the

1882

01:10:48,229 --> 01:10:46,080

truth behind so many of these subjects

1883

01:10:50,390 --> 01:10:48,239

and what's really going on behind the

1884

01:10:52,070 --> 01:10:50,400

scenes of some of these things

1885

01:10:53,910 --> 01:10:52,080

this is going to be very valuable and

1886

01:10:55,990 --> 01:10:53,920

i'm glad that we can host it here

1887

01:10:58,310 --> 01:10:56,000

thank you for uh sparing it and it's an

1888

01:11:00,470 --> 01:10:58,320

exclusive on truth seekers

1889

01:11:01,430 --> 01:11:00,480

yeah absolutely and there's a few other

1890

01:11:03,510 --> 01:11:01,440

things which uh

1891

01:11:05,669 --> 01:11:03,520

i can describe them and um you know

1892

01:11:06,950 --> 01:11:05,679

they'll be online for purchase uh in the

1893

01:11:08,950 --> 01:11:06,960

next few days

1894

01:11:10,390 --> 01:11:08,960

we're opening the ufology euphology

1895

01:11:12,630 --> 01:11:10,400

store so

1896

01:11:15,189 --> 01:11:12,640

for example when you buy one of um our

1897

01:11:17,189 --> 01:11:15,199

mugs about the meyer case

1898

01:11:19,510 --> 01:11:17,199

okay it shows you a beautiful meyer

1899

01:11:20,870 --> 01:11:19,520

photo an original meyer photo that i got

1900

01:11:23,189 --> 01:11:20,880

in switzerland from meyer

1901

01:11:24,229 --> 01:11:23,199

okay when he gave him to his neighbors

1902

01:11:27,669 --> 01:11:24,239

many years ago

1903

01:11:27,990 --> 01:11:27,679

okay original pristine stuff is it real

1904

01:11:29,669 --> 01:11:28,000

though

1905

01:11:31,189 --> 01:11:29,679

it says whatever they say then when you

1906

01:11:33,590 --> 01:11:31,199

pour hot liquid in it

1907

01:11:35,350 --> 01:11:33,600

up pops the truth okay so all of a

1908

01:11:39,669 --> 01:11:35,360

sudden you see that string in there

1909

01:11:41,990 --> 01:11:39,679

okay you see whatever was found

1910

01:11:43,270 --> 01:11:42,000

and you know i can just imagine what's

1911

01:11:44,950 --> 01:11:43,280

going to happen in the future i'll be

1912

01:11:47,189 --> 01:11:44,960

having coffee somewhere

1913

01:11:48,790 --> 01:11:47,199

some new age meyer net will you know do

1914

01:11:50,470 --> 01:11:48,800

their thing and we'll talk about it and

1915

01:11:52,470 --> 01:11:50,480

i'll place a little bet with them

1916

01:11:54,630 --> 01:11:52,480

just to you know prank them and then

1917

01:11:56,709 --> 01:11:54,640

i'll pour the coffee and there you go

1918

01:11:58,229 --> 01:11:56,719

fake ships of the pleiades so it's part

1919

01:12:02,070 --> 01:11:58,239

of the new fake ships

1920

01:12:04,310 --> 01:12:02,080

project and basically every major case

1921

01:12:05,270 --> 01:12:04,320

of the meyer thing is being broken up

1922

01:12:08,390 --> 01:12:05,280

into several

1923

01:12:09,910 --> 01:12:08,400

separate volumes so that if you want to

1924

01:12:11,350 --> 01:12:09,920

know about this photo that photo

1925

01:12:12,390 --> 01:12:11,360

whatever everyone has their favorite

1926

01:12:14,390 --> 01:12:12,400

meyer photo

1927

01:12:16,470 --> 01:12:14,400

we give you a step-by-step guide that

1928

01:12:17,669 --> 01:12:16,480

shows you exactly how to make your own

1929

01:12:19,189 --> 01:12:17,679

fake ship

1930

01:12:21,189 --> 01:12:19,199

but what we don't tell you how to do is

1931

01:12:21,590 --> 01:12:21,199

start your own ufo sex cult we won't go

1932

01:12:23,350 --> 01:12:21,600

there

1933

01:12:25,350 --> 01:12:23,360

okay you know and that's on my list of

1934

01:12:25,990 --> 01:12:25,360

things to do i want to get some up caps

1935

01:12:29,750 --> 01:12:26,000

and

1936

01:12:30,790 --> 01:12:29,760

tried but i think that i could make

1937

01:12:32,870 --> 01:12:30,800

pictures

1938

01:12:35,910 --> 01:12:32,880

like maybe here at the cabin you know

1939

01:12:36,470 --> 01:12:35,920

yeah three lines or i can hang some

1940

01:12:38,310 --> 01:12:36,480

between

1941

01:12:39,510 --> 01:12:38,320

trees here at the cabin and just leave

1942

01:12:41,990 --> 01:12:39,520

them because they're

1943

01:12:43,189 --> 01:12:42,000

it's fun right and it's and it's funny

1944

01:12:46,550 --> 01:12:43,199

and i can take pictures

1945

01:12:48,950 --> 01:12:46,560

of all different angles of it yeah it

1946

01:12:50,870 --> 01:12:48,960

i'll tell you once you clear the tree

1947

01:12:52,149 --> 01:12:50,880

line it looks so real

1948

01:12:53,910 --> 01:12:52,159

there were times when i was first

1949

01:12:55,430 --> 01:12:53,920

launching these in switzerland

1950

01:12:56,870 --> 01:12:55,440

where i'm like okay because i can't get

1951

01:12:58,149 --> 01:12:56,880

caught doing it too i had to be like

1952

01:13:00,790 --> 01:12:58,159

billy meyer

1953

01:13:01,830 --> 01:13:00,800

and there were more people there and so

1954

01:13:03,510 --> 01:13:01,840

um

1955

01:13:04,950 --> 01:13:03,520

once it takes off above the tree line

1956

01:13:06,470 --> 01:13:04,960

you just stare at it for a moment oh

1957

01:13:08,630 --> 01:13:06,480

i got to take the photo

1958

01:13:09,669 --> 01:13:08,640

but um yeah it's just really something

1959

01:13:11,350 --> 01:13:09,679

to see uh

1960

01:13:13,430 --> 01:13:11,360

you know a simple experiment is just

1961

01:13:14,870 --> 01:13:13,440

capture the sun sitting on top of

1962

01:13:16,950 --> 01:13:14,880

something it's an illusion

1963

01:13:17,990 --> 01:13:16,960

but you just have to position yourself

1964

01:13:19,910 --> 01:13:18,000

so by

1965

01:13:21,189 --> 01:13:19,920

explaining the who what where why when

1966

01:13:23,510 --> 01:13:21,199

how of

1967

01:13:24,310 --> 01:13:23,520

all of this this is what we're doing and

1968

01:13:27,270 --> 01:13:24,320

then

1969

01:13:29,510 --> 01:13:27,280

there's the issue of politics okay as i

1970

01:13:30,390 --> 01:13:29,520

explain in the harry reid presentation

1971

01:13:32,470 --> 01:13:30,400

which was

1972

01:13:34,790 --> 01:13:32,480

done for roy and some investigators you

1973

01:13:37,669 --> 01:13:34,800

see that you have slides from that

1974

01:13:39,590 --> 01:13:37,679

the idea that harry reid would take

1975

01:13:40,470 --> 01:13:39,600

taxpayer money from black budget give it

1976

01:13:42,870 --> 01:13:40,480

to a donor

1977

01:13:44,149 --> 01:13:42,880

who owns a hotel chain who can tell him

1978

01:13:46,149 --> 01:13:44,159

about the paranormal

1979

01:13:47,189 --> 01:13:46,159

because everything that's paranormal and

1980

01:13:48,790 --> 01:13:47,199

ufo wise

1981

01:13:50,870 --> 01:13:48,800

is happening at one place called

1982

01:13:52,149 --> 01:13:50,880

skinwalker ranch which the guy happens

1983

01:13:54,630 --> 01:13:52,159

to own

1984

01:13:56,310 --> 01:13:54,640

oh come on you're really gonna do that

1985

01:13:59,030 --> 01:13:56,320

give this guy millions of dollars

1986

01:13:59,830 --> 01:13:59,040

such a farce it needs to be investigated

1987

01:14:02,550 --> 01:13:59,840

at the ig

1988

01:14:03,910 --> 01:14:02,560

level okay it's a bit of a problem with

1989

01:14:06,550 --> 01:14:03,920

this administration

1990

01:14:08,149 --> 01:14:06,560

so as i said to me that you know like

1991

01:14:10,390 --> 01:14:08,159

harry reid has been involved in like

1992

01:14:12,310 --> 01:14:10,400

let's give my friends money

1993

01:14:14,470 --> 01:14:12,320

you know like let's give my friends a

1994

01:14:16,709 --> 01:14:14,480

bunch of government money and

1995

01:14:18,229 --> 01:14:16,719

what value do we get for the for what

1996

01:14:21,189 --> 01:14:18,239

they've spent

1997

01:14:23,030 --> 01:14:21,199

i don't i don't find value in any of it

1998

01:14:23,510 --> 01:14:23,040

but somebody's making a ton of

1999

01:14:26,550 --> 01:14:23,520

money

2000

01:14:29,030 --> 01:14:26,560

off the government uh interest

2001

01:14:30,870 --> 01:14:29,040

or so-called investigation into some of

2002

01:14:33,510 --> 01:14:30,880

these things

2003

01:14:35,030 --> 01:14:33,520

yeah and and what they do is they get

2004

01:14:37,750 --> 01:14:35,040

the contractors to

2005

01:14:39,430 --> 01:14:37,760

you know agree what documents belong to

2006

01:14:41,510 --> 01:14:39,440

them and that's enter non-disclosure so

2007

01:14:43,669 --> 01:14:41,520

the government can legally say

2008

01:14:46,229 --> 01:14:43,679

no we can't find it whatever it's all a

2009

01:14:47,990 --> 01:14:46,239

game but the idea that

2010

01:14:50,070 --> 01:14:48,000

some guy who wants a hotel chain with

2011

01:14:51,350 --> 01:14:50,080

all due respect to mr bigelow

2012

01:14:52,709 --> 01:14:51,360

could tell them something they didn't

2013

01:14:54,310 --> 01:14:52,719

already know especially if there's a

2014

01:14:56,310 --> 01:14:54,320

cosmic watergate

2015

01:14:58,390 --> 01:14:56,320

i'm sorry you can't have it both ways

2016

01:15:00,229 --> 01:14:58,400

and then

2017

01:15:01,830 --> 01:15:00,239

no matter what happens no matter who

2018

01:15:03,830 --> 01:15:01,840

wins the election this whole thing

2019

01:15:06,470 --> 01:15:03,840

cannot be really dealt with until after

2020

01:15:09,750 --> 01:15:06,480

the ufo task force comes back with their

2021

01:15:12,070 --> 01:15:09,760

you know token report and kamala harris

2022

01:15:13,830 --> 01:15:12,080

the shadow president of the us if biden

2023

01:15:15,270 --> 01:15:13,840

wins let's be honest

2024

01:15:16,870 --> 01:15:15,280

what are we going to do on the task

2025

01:15:19,910 --> 01:15:16,880

force same with rubio

2026

01:15:21,830 --> 01:15:19,920

same with feinstein oh my god

2027

01:15:23,590 --> 01:15:21,840

these people are in charge of the ufo

2028

01:15:26,630 --> 01:15:23,600

issue are you nuts

2029

01:15:27,030 --> 01:15:26,640

how convenient for black ops and trying

2030

01:15:29,750 --> 01:15:27,040

to

2031

01:15:30,310 --> 01:15:29,760

you know full pilots and test your darpa

2032

01:15:32,630 --> 01:15:30,320

stuff

2033

01:15:33,910 --> 01:15:32,640

you got a bunch of people sitting on

2034

01:15:38,630 --> 01:15:33,920

this thing that

2035

01:15:40,630 --> 01:15:38,640

wouldn't know darpa from zeta reticulin

2036

01:15:42,229 --> 01:15:40,640

yeah i've often thought that that most

2037

01:15:45,430 --> 01:15:42,239

of the things

2038

01:15:47,110 --> 01:15:45,440

are black projects or usaps that we just

2039

01:15:48,550 --> 01:15:47,120

aren't supposed to know about we're not

2040

01:15:51,990 --> 01:15:48,560

supposed to know

2041

01:15:52,310 --> 01:15:52,000

and yes uh there have been proven you

2042

01:15:54,870 --> 01:15:52,320

know

2043

01:15:56,149 --> 01:15:54,880

there's history of like a government

2044

01:15:59,669 --> 01:15:56,159

project being

2045

01:16:02,550 --> 01:15:59,679

tested and they didn't let other

2046

01:16:04,229 --> 01:16:02,560

air force or another branch of the

2047

01:16:06,470 --> 01:16:04,239

service know that they were testing in

2048

01:16:10,630 --> 01:16:06,480

that area and they

2049

01:16:13,830 --> 01:16:10,640

got wind of some of this stuff so

2050

01:16:15,590 --> 01:16:13,840

yeah in fact and it's one hand

2051

01:16:18,070 --> 01:16:15,600

doesn't know what the other hand is

2052

01:16:20,390 --> 01:16:18,080

doing literally

2053

01:16:22,070 --> 01:16:20,400

right but that's also necessary up to a

2054

01:16:25,270 --> 01:16:22,080

point heinek for example

2055

01:16:26,709 --> 01:16:25,280

uh when i would spend time with him like

2056

01:16:28,470 --> 01:16:26,719

in sonora

2057

01:16:29,910 --> 01:16:28,480

i asked him you know what were some of

2058

01:16:31,350 --> 01:16:29,920

the things that really bugged you that

2059

01:16:33,189 --> 01:16:31,360

really pissed you off still

2060

01:16:35,350 --> 01:16:33,199

now about project blue book in your

2061

01:16:36,950 --> 01:16:35,360

tenure he told me point blank that

2062

01:16:38,390 --> 01:16:36,960

there were times that the air force

2063

01:16:40,070 --> 01:16:38,400

would just lie to him

2064

01:16:41,510 --> 01:16:40,080

and he could tell because he knew some

2065

01:16:44,229 --> 01:16:41,520

of the people

2066

01:16:47,910 --> 01:16:44,239

and he didn't like that and he he said

2067

01:16:48,870 --> 01:16:47,920

even if they had told me it's classified

2068

01:16:52,229 --> 01:16:48,880

that would have been

2069

01:16:53,990 --> 01:16:52,239

something but just don't act like

2070

01:16:55,669 --> 01:16:54,000

you think i'm an idiot you know or i

2071

01:16:58,950 --> 01:16:55,679

don't know you're not

2072

01:17:01,830 --> 01:16:58,960

telling me the truth so um

2073

01:17:02,550 --> 01:17:01,840

the sr-71 which was silver back then in

2074

01:17:05,189 --> 01:17:02,560

initially

2075

01:17:06,870 --> 01:17:05,199

that was a specific example they didn't

2076

01:17:08,709 --> 01:17:06,880

tell him or the air force that they were

2077

01:17:10,790 --> 01:17:08,719

flying that cia was

2078

01:17:13,270 --> 01:17:10,800

nci built it with skunk works at

2079

01:17:15,270 --> 01:17:13,280

lockheed exclusive arrangement

2080

01:17:16,870 --> 01:17:15,280

that stuff goes on now i think the tic

2081

01:17:19,990 --> 01:17:16,880

tacs are part of this thing

2082

01:17:21,510 --> 01:17:20,000

but the point is um no matter what's

2083

01:17:23,189 --> 01:17:21,520

going to happen on the task force

2084

01:17:25,030 --> 01:17:23,199

it's going to happen after the election

2085

01:17:26,470 --> 01:17:25,040

even if trump wins

2086

01:17:28,149 --> 01:17:26,480

so nothing is going to be done in the

2087

01:17:29,590 --> 01:17:28,159

harry reid thing at all

2088

01:17:31,510 --> 01:17:29,600

until the election and then you're

2089

01:17:33,030 --> 01:17:31,520

really looking at after january and then

2090

01:17:35,189 --> 01:17:33,040

let's say the democrats

2091

01:17:37,110 --> 01:17:35,199

win do you think they're really going to

2092

01:17:41,510 --> 01:17:37,120

go after harry reid for what he did

2093

01:17:44,790 --> 01:17:41,520

no so it's it's not going to happen

2094

01:17:45,830 --> 01:17:44,800

the covet thing didn't help i'm hoping

2095

01:17:47,830 --> 01:17:45,840

at some point

2096

01:17:50,070 --> 01:17:47,840

some ig thing will come in there and at

2097

01:17:52,310 --> 01:17:50,080

least stop this from happening again

2098

01:17:53,110 --> 01:17:52,320

fleeing the taxpayers if we do that

2099

01:17:55,350 --> 01:17:53,120

that's victory

2100

01:17:57,510 --> 01:17:55,360

right now it's wide open to be fleeced

2101
01:17:59,270 --> 01:17:57,520
again when i heard about the task force

2102
01:18:00,950 --> 01:17:59,280
other than the stupid principle behind

2103
01:18:02,630 --> 01:18:00,960
it my first thought were

2104
01:18:03,990 --> 01:18:02,640
let me guess there's probably

2105
01:18:06,790 --> 01:18:04,000
contractors in there

2106
01:18:09,030 --> 01:18:06,800
like maybe davis or putoff getting their

2107
01:18:11,189 --> 01:18:09,040
piece of that pie to help the task force

2108
01:18:13,270 --> 01:18:11,199
brief them whatever whatever they can do

2109
01:18:15,510 --> 01:18:13,280
to you know earn money right

2110
01:18:17,669 --> 01:18:15,520
and you know that's a real problem for

2111
01:18:20,550 --> 01:18:17,679
credibility

2112
01:18:22,390 --> 01:18:20,560
yeah so you know uh we're i still don't

2113
01:18:24,950 --> 01:18:22,400

have a a link to the video but

2114

01:18:26,070 --> 01:18:24,960

you know i did i sent it you're uh on

2115

01:18:28,229 --> 01:18:26,080

your twitter there

2116

01:18:29,990 --> 01:18:28,239

oh there we go now i think i got it okay

2117

01:18:33,990 --> 01:18:30,000

that was a fast way

2118

01:18:47,669 --> 01:18:34,000

so yeah let's see if we uh

2119

01:18:51,590 --> 01:18:50,229

transfer expires in seven days okay i'm

2120

01:18:54,790 --> 01:18:51,600

downloading it now

2121

01:18:56,630 --> 01:18:54,800

so so um it

2122

01:18:58,070 --> 01:18:56,640

again shows visually what i've been

2123

01:19:01,030 --> 01:18:58,080

talking about

2124

01:19:03,030 --> 01:19:01,040

um you've seen the harry reid uh

2125

01:19:04,790 --> 01:19:03,040

briefing on tsa and

2126

01:19:07,189 --> 01:19:04,800

some of the sec stuff it was just

2127

01:19:09,430 --> 01:19:07,199

confidential now i'm showing some of it

2128

01:19:10,390 --> 01:19:09,440

you had hundreds of these slides uh in

2129

01:19:13,110 --> 01:19:10,400

previously

2130

01:19:14,870 --> 01:19:13,120

and then i'm so happy that you got to

2131

01:19:17,270 --> 01:19:14,880

sort of collate all this data

2132

01:19:19,030 --> 01:19:17,280

and jam it into a video because i think

2133

01:19:20,709 --> 01:19:19,040

it's going to be uh

2134

01:19:22,790 --> 01:19:20,719

like i said it's like a treasure trove

2135

01:19:24,470 --> 01:19:22,800

of data and facts and evidence of

2136

01:19:26,070 --> 01:19:24,480

what's going on behind the scenes of all

2137

01:19:28,470 --> 01:19:26,080

this ufology

2138

01:19:29,430 --> 01:19:28,480

stuff well i'm gonna i want to make

2139

01:19:31,750 --> 01:19:29,440

another announcement

2140

01:19:34,149 --> 01:19:31,760

which i didn't really go into uh in

2141

01:19:37,189 --> 01:19:34,159

there but you see the book it's

2142

01:19:39,510 --> 01:19:37,199

volume five it's coming after

2143

01:19:40,310 --> 01:19:39,520

the hillbook expose book which has the

2144

01:19:43,350 --> 01:19:40,320

first

2145

01:19:44,790 --> 01:19:43,360

software attached to it the stuff roy's

2146

01:19:48,790 --> 01:19:44,800

working on

2147

01:19:51,430 --> 01:19:48,800

the next one is um about the roswell

2148

01:19:53,669 --> 01:19:51,440

ufo debris switch it tells you this the

2149

01:19:54,709 --> 01:19:53,679

conspiracy behind the roswell ufo debris

2150

01:19:56,229 --> 01:19:54,719

switch

2151

01:19:58,950 --> 01:19:56,239

and what happened stephen is

2152

01:20:02,630 --> 01:19:58,960

unexpectedly the original photos

2153

01:20:05,750 --> 01:20:02,640

that jesse marcel had that he gave

2154

01:20:06,629 --> 01:20:05,760

to bill moore eight and a half by ten

2155

01:20:09,350 --> 01:20:06,639

black and whites

2156

01:20:10,229 --> 01:20:09,360

of the debris have been found they were

2157

01:20:12,070 --> 01:20:10,239

found

2158

01:20:13,830 --> 01:20:12,080

i i got them from bill moore when we did

2159

01:20:15,590 --> 01:20:13,840

a press event because when i saw the

2160

01:20:17,910 --> 01:20:15,600

uncropped debris photos i was

2161

01:20:19,590 --> 01:20:17,920

pissed i was like okay here we go again

2162

01:20:21,590 --> 01:20:19,600

only this time it's roswell

2163

01:20:22,870 --> 01:20:21,600

not the hill case so i had to go to

2164

01:20:24,390 --> 01:20:22,880

friedman

2165

01:20:25,990 --> 01:20:24,400

i showed him these photos i said hey

2166

01:20:29,430 --> 01:20:26,000

bill gave me these photos

2167

01:20:29,910 --> 01:20:29,440

he let me keep them um you can clearly

2168

01:20:32,550 --> 01:20:29,920

see

2169

01:20:33,110 --> 01:20:32,560

that this is not an alien spaceship what

2170

01:20:35,669 --> 01:20:33,120

the

2171

01:20:37,110 --> 01:20:35,679

you know what stan so he looks at me

2172

01:20:38,790 --> 01:20:37,120

through his glasses and i'll never

2173

01:20:40,070 --> 01:20:38,800

forget seeing his eyes get a little big

2174

01:20:42,310 --> 01:20:40,080

because you know sometimes his eyes were

2175

01:20:43,990 --> 01:20:42,320

a little distorted because of the lenses

2176
01:20:46,070 --> 01:20:44,000
and he said um there must have been a

2177
01:20:49,270 --> 01:20:46,080
debris switch then

2178
01:20:49,910 --> 01:20:49,280
really stan that's reaching for no your

2179
01:20:53,350 --> 01:20:49,920
witness

2180
01:20:55,110 --> 01:20:53,360
is wrong and the whole thing is over

2181
01:20:57,510 --> 01:20:55,120
nothing i don't know what it was

2182
01:20:59,830 --> 01:20:57,520
somebody's kite wasn't that of course

2183
01:21:00,950 --> 01:20:59,840
but it's not a spaceship the metals all

2184
01:21:03,110 --> 01:21:00,960
over the floor

2185
01:21:05,189 --> 01:21:03,120
you can even see the decayed balloon

2186
01:21:07,030 --> 01:21:05,199
right there and of course it smells like

2187
01:21:09,750 --> 01:21:07,040
burnt rubber when it's been in the sun

2188
01:21:10,950 --> 01:21:09,760

everyone reported that so it all fit and

2189

01:21:14,550 --> 01:21:10,960

i was so

2190

01:21:15,270 --> 01:21:14,560

pissed off that i then distanced myself

2191

01:21:17,270 --> 01:21:15,280

from friedman

2192

01:21:18,470 --> 01:21:17,280

met him with the third roswell

2193

01:21:20,070 --> 01:21:18,480

researcher in a

2194

01:21:22,790 --> 01:21:20,080

private meeting in berkeley and said

2195

01:21:24,550 --> 01:21:22,800

look they're using you man

2196

01:21:26,790 --> 01:21:24,560

to further an agenda you are a useful

2197

01:21:29,669 --> 01:21:26,800

idiot for these people dodie

2198

01:21:30,229 --> 01:21:29,679

mj-12 it's all but he wouldn't

2199

01:21:31,669 --> 01:21:30,239

listen

2200

01:21:33,590 --> 01:21:31,679

he was i'm going to be the one to blow

2201

01:21:37,430 --> 01:21:33,600

up in the cosmic watergate

2202

01:21:39,350 --> 01:21:37,440

maybe stan but not with these things so

2203

01:21:41,350 --> 01:21:39,360

i didn't know these photos had survived

2204

01:21:44,790 --> 01:21:41,360

stephen

2205

01:21:45,830 --> 01:21:44,800

um they're now in my possession anybody

2206

01:21:47,430 --> 01:21:45,840

can date them they probably have

2207

01:21:49,350 --> 01:21:47,440

friedman's prints on them still and bill

2208

01:21:53,030 --> 01:21:49,360

moore's and marcel

2209

01:21:55,189 --> 01:21:53,040

i'm going to release them and it exposes

2210

01:21:56,149 --> 01:21:55,199

how all the other researchers like kevin

2211

01:21:58,629 --> 01:21:56,159

randle handled this

2212

01:22:00,550 --> 01:21:58,639

issue and also just want to stop you for

2213

01:22:03,430 --> 01:22:00,560

a minute so that people realize

2214

01:22:03,750 --> 01:22:03,440

how important this kind of release could

2215

01:22:06,070 --> 01:22:03,760

be

2216

01:22:08,070 --> 01:22:06,080

so these are pictures of the original

2217

01:22:10,070 --> 01:22:08,080

roswell debris

2218

01:22:11,910 --> 01:22:10,080

with jesse marcel sort of like the

2219

01:22:12,310 --> 01:22:11,920

famous one that we've all seen but you

2220

01:22:18,310 --> 01:22:12,320

have

2221

01:22:20,629 --> 01:22:18,320

not seen of this roswell debris and

2222

01:22:24,950 --> 01:22:20,639

jesse marcel correct

2223

01:22:27,270 --> 01:22:24,960

not quite yes and no what i have is

2224

01:22:29,430 --> 01:22:27,280

when i saw the roswell debris it was

2225

01:22:30,629 --> 01:22:29,440

cropped in the roswell incident book by

2226

01:22:32,870 --> 01:22:30,639

bill moore

2227

01:22:34,790 --> 01:22:32,880

what i noticed in that photo was the

2228

01:22:37,270 --> 01:22:34,800

rainy memo

2229

01:22:38,790 --> 01:22:37,280

and i mentioned that to the third

2230

01:22:40,310 --> 01:22:38,800

roswell researcher who was very good

2231

01:22:41,669 --> 01:22:40,320

friend of mine and he said he'd noticed

2232

01:22:43,990 --> 01:22:41,679

it too

2233

01:22:45,830 --> 01:22:44,000

so we thought well we'll put it in the

2234

01:22:47,430 --> 01:22:45,840

gray basket and get around to it one day

2235

01:22:48,950 --> 01:22:47,440

now this is in the 70s

2236

01:22:51,350 --> 01:22:48,960

so i have to laugh at people like dave

2237

01:22:54,870 --> 01:22:51,360

rudiak who discovered the rainy memo

2238

01:22:57,030 --> 01:22:54,880

anyway so what happened is

2239

01:22:57,910 --> 01:22:57,040

um bill moore comes out to see me in

2240

01:23:00,470 --> 01:22:57,920

december

2241

01:23:03,110 --> 01:23:00,480

of 1980 he wants to publish my myer

2242

01:23:05,510 --> 01:23:03,120

expose book he's paying for this

2243

01:23:07,030 --> 01:23:05,520

which he edited and later was published

2244

01:23:09,510 --> 01:23:07,040

the meyer incident

2245

01:23:11,270 --> 01:23:09,520

so he and i he said can you book a press

2246

01:23:11,910 --> 01:23:11,280

thing for us while i'm in town yeah no

2247

01:23:14,149 --> 01:23:11,920

problem

2248

01:23:15,750 --> 01:23:14,159

so i booked a reporter i was well known

2249

01:23:17,030 --> 01:23:15,760

they came over to my apartment in

2250

01:23:19,430 --> 01:23:17,040

fremont

2251

01:23:20,149 --> 01:23:19,440

and bill brings with him the debris

2252

01:23:24,070 --> 01:23:20,159

photos

2253

01:23:27,430 --> 01:23:24,080

uncropped and he had seen jesse marcel

2254

01:23:29,189 --> 01:23:27,440

and he's like yeah jesse says this is it

2255

01:23:31,990 --> 01:23:29,199

here's why he's explaining all stuff

2256

01:23:32,390 --> 01:23:32,000

okay well nobody knew what the debris

2257

01:23:44,229 --> 01:23:32,400

was

2258

01:23:47,270 --> 01:23:44,239

who what where why when how so

2259

01:23:48,070 --> 01:23:47,280

when i saw the uncropped photos to be

2260

01:23:50,310 --> 01:23:48,080

honest

2261

01:23:51,110 --> 01:23:50,320

my only thought was the rainy memo i

2262

01:23:53,270 --> 01:23:51,120

thought wow

2263

01:23:54,709 --> 01:23:53,280

this is so clear from the original next

2264

01:23:56,070 --> 01:23:54,719

we might be able to blow this up and

2265

01:23:57,830 --> 01:23:56,080

read this damn thing

2266

01:24:01,189 --> 01:23:57,840

so i said bill can i have him he says

2267

01:24:03,350 --> 01:24:01,199

sure well okay i didn't tell him why

2268

01:24:04,790 --> 01:24:03,360

so he gave me the photos and i kept them

2269

01:24:07,590 --> 01:24:04,800

the article appears in the paper

2270

01:24:09,430 --> 01:24:07,600

i have never put it on the internet

2271

01:24:11,270 --> 01:24:09,440

screw everyone who thinks i'm lying

2272

01:24:12,629 --> 01:24:11,280

i don't have time for them and mostly

2273

01:24:13,910 --> 01:24:12,639

articles about me have never been on the

2274

01:24:15,189 --> 01:24:13,920

internet didn't exist back then and

2275

01:24:16,310 --> 01:24:15,199

they're not going to put them on unless

2276

01:24:19,110 --> 01:24:16,320

i bother

2277

01:24:19,669 --> 01:24:19,120

so i i pepper these idiots once in a

2278

01:24:22,790 --> 01:24:19,679

while

2279

01:24:25,030 --> 01:24:22,800

these you know ufo stalkers

2280

01:24:26,310 --> 01:24:25,040

is what they are who say i do this or

2281

01:24:27,430 --> 01:24:26,320

don't do that i say well what about this

2282

01:24:29,750 --> 01:24:27,440

article you know and

2283

01:24:31,669 --> 01:24:29,760

just laugh at it you know my teachers

2284

01:24:32,550 --> 01:24:31,679

who remember all this are all on

2285

01:24:34,709 --> 01:24:32,560

facebook

2286

01:24:35,750 --> 01:24:34,719

but they never get any inquiries because

2287

01:24:38,149 --> 01:24:35,760

these people know

2288

01:24:39,750 --> 01:24:38,159

they're full of not my teachers but

2289

01:24:42,790 --> 01:24:39,760

their they play

2290

01:24:43,270 --> 01:24:42,800

so one question that i have though is

2291

01:24:46,070 --> 01:24:43,280

didn't

2292

01:24:46,390 --> 01:24:46,080

even jesse marcel say there was a switch

2293

01:24:52,229 --> 01:24:46,400

or

2294

01:24:54,310 --> 01:24:52,239

that the debris was switched you know so

2295

01:24:56,790 --> 01:24:54,320

the conspiracy is generally like no no

2296

01:24:59,750 --> 01:24:56,800

it was an alien spacecraft but then

2297

01:25:00,550 --> 01:24:59,760

jess marcel went there and they switched

2298

01:25:03,669 --> 01:25:00,560

out the real

2299

01:25:05,030 --> 01:25:03,679

alien debris for basically a weather

2300

01:25:07,270 --> 01:25:05,040

balloon

2301

01:25:09,189 --> 01:25:07,280

did that originate with with stan

2302

01:25:11,669 --> 01:25:09,199

friedman or did jesse marcel

2303

01:25:12,550 --> 01:25:11,679

also say that there was a debris switch

2304

01:25:14,229 --> 01:25:12,560

um

2305

01:25:15,910 --> 01:25:14,239

i'll answer that in a moment i just need

2306

01:25:17,990 --> 01:25:15,920

to fill in the in between before we get

2307

01:25:20,790 --> 01:25:18,000

that because that is the conclusion

2308

01:25:22,149 --> 01:25:20,800

um so what happens is uh i get these

2309

01:25:24,149 --> 01:25:22,159

photos

2310

01:25:26,070 --> 01:25:24,159

bill moore leaves we agree on the meyer

2311

01:25:28,229 --> 01:25:26,080

thing i have to get the book to him

2312

01:25:29,590 --> 01:25:28,239

by may before summer fine he's paying

2313

01:25:32,070 --> 01:25:29,600

for all great

2314

01:25:32,629 --> 01:25:32,080

all right so i then call my buddy the

2315

01:25:34,470 --> 01:25:32,639

third

2316

01:25:36,310 --> 01:25:34,480

researcher in roswell i say hey you

2317

01:25:38,629 --> 01:25:36,320

won't believe what i got in my hands

2318

01:25:39,590 --> 01:25:38,639

i said i got the i got the stuff bill

2319

01:25:41,430 --> 01:25:39,600

has you know

2320

01:25:42,950 --> 01:25:41,440

i said let's go down to al reid's place

2321

01:25:43,910 --> 01:25:42,960

i'll read was doing the graphics he had

2322

01:25:46,229 --> 01:25:43,920

his own graphics

2323

01:25:47,510 --> 01:25:46,239

cameras all that for the meijer thing

2324

01:25:49,350 --> 01:25:47,520

and i said let's let's

2325

01:25:50,629 --> 01:25:49,360

let's blow this up and see what's there

2326

01:25:53,110 --> 01:25:50,639

so he came over

2327

01:25:54,790 --> 01:25:53,120

spent a couple days at my house and we

2328

01:25:55,910 --> 01:25:54,800

went through with an actual loop and

2329

01:25:57,430 --> 01:25:55,920

everything else

2330

01:25:59,510 --> 01:25:57,440

and what he did was a brilliant thing he

2331

01:26:02,629 --> 01:25:59,520

took a grid a

2332

01:26:06,390 --> 01:26:02,639

piece of grid paper and he made a grid

2333

01:26:09,430 --> 01:26:06,400

you know uh top down left right

2334

01:26:11,350 --> 01:26:09,440

so that each space read on the memo

2335

01:26:13,030 --> 01:26:11,360

filled in a space on the grid and he'd

2336

01:26:14,550 --> 01:26:13,040

use a different character if he wasn't

2337

01:26:16,149 --> 01:26:14,560

sure of that character

2338

01:26:17,430 --> 01:26:16,159

uh meaning there was a certainty

2339

01:26:18,790 --> 01:26:17,440

sometimes you can see certain letters

2340

01:26:20,390 --> 01:26:18,800

sometimes you were guessing

2341

01:26:21,910 --> 01:26:20,400

others you figured out what the word was

2342

01:26:23,350 --> 01:26:21,920

based on letters you could identify

2343

01:26:26,070 --> 01:26:23,360

process of elimination

2344

01:26:27,030 --> 01:26:26,080

others could be those or these you know

2345

01:26:31,189 --> 01:26:27,040

so

2346

01:26:34,870 --> 01:26:31,199

a rough handwritten deciphering of this

2347

01:26:38,310 --> 01:26:34,880

rainy memo came out and what was found

2348

01:26:40,790 --> 01:26:38,320

was it had nothing to do with

2349

01:26:42,310 --> 01:26:40,800

any orders from raymie about oh lie

2350

01:26:44,149 --> 01:26:42,320

about this cover-up

2351
01:26:46,070 --> 01:26:44,159
tell him it's a weather bloom whatever

2352
01:26:48,070 --> 01:26:46,080
because that's the story that we hear

2353
01:26:48,790 --> 01:26:48,080
from the people that support this memo

2354
01:26:51,910 --> 01:26:48,800
being

2355
01:26:54,709 --> 01:26:51,920
you know crash bodies they

2356
01:26:56,629 --> 01:26:54,719
they find different words than than you

2357
01:26:57,830 --> 01:26:56,639
and other researchers have failed on

2358
01:27:01,110 --> 01:26:57,840
this memo

2359
01:27:02,550 --> 01:27:01,120
right so what happened was because there

2360
01:27:05,669 --> 01:27:02,560
was nothing there

2361
01:27:08,070 --> 01:27:05,679
to make it a smoking gun we

2362
01:27:09,990 --> 01:27:08,080
just forgot about it and then decades

2363
01:27:11,110 --> 01:27:10,000

later dave rudiak and these guys

2364

01:27:13,110 --> 01:27:11,120

discover

2365

01:27:14,629 --> 01:27:13,120

what's always been under their nose and

2366

01:27:15,669 --> 01:27:14,639

they're reading all kinds of stuff into

2367

01:27:18,070 --> 01:27:15,679

this

2368

01:27:19,590 --> 01:27:18,080

in the meantime what happened to answer

2369

01:27:22,470 --> 01:27:19,600

your question was

2370

01:27:24,070 --> 01:27:22,480

when i confronted friedman over these um

2371

01:27:25,590 --> 01:27:24,080

i said stan

2372

01:27:27,510 --> 01:27:25,600

the case is closed now and now i've got

2373

01:27:28,390 --> 01:27:27,520

to get back to bill moore and find out

2374

01:27:31,270 --> 01:27:28,400

why he's still

2375

01:27:33,350 --> 01:27:31,280

excited about this case because i

2376

01:27:35,189 --> 01:27:33,360

there's no spaceship here

2377

01:27:37,350 --> 01:27:35,199

and it bothered me that marcel never

2378

01:27:39,830 --> 01:27:37,360

described any spacecraft

2379

01:27:41,189 --> 01:27:39,840

none of the original witnesses did zero

2380

01:27:43,189 --> 01:27:41,199

and that's a fact

2381

01:27:44,470 --> 01:27:43,199

and it's a lie to say they did there was

2382

01:27:47,590 --> 01:27:44,480

no spaceship engine

2383

01:27:51,510 --> 01:27:47,600

discovered nothing in fact

2384

01:27:53,910 --> 01:27:51,520

bessie brazil mac brazil the farmer's

2385

01:27:55,270 --> 01:27:53,920

daughter specifically said because she

2386

01:27:57,350 --> 01:27:55,280

was a young girl

2387

01:27:59,030 --> 01:27:57,360

that she had very vivid memories of

2388

01:28:03,350 --> 01:27:59,040

putting her

2389

01:28:05,510 --> 01:28:03,360

wrist through a round o-ring

2390

01:28:07,110 --> 01:28:05,520

because it reminded her of a bracelet

2391

01:28:07,750 --> 01:28:07,120

for a little girl and a little girl

2392

01:28:11,270 --> 01:28:07,760

would do that

2393

01:28:13,590 --> 01:28:11,280

more than a guy might and when she drew

2394

01:28:15,030 --> 01:28:13,600

what she drew her hand through and the

2395

01:28:16,870 --> 01:28:15,040

assembly that

2396

01:28:19,110 --> 01:28:16,880

came off of that it was an o ring

2397

01:28:22,149 --> 01:28:19,120

attached to a mobile balloon array

2398

01:28:23,830 --> 01:28:22,159

and it fits so what happened is there

2399

01:28:26,950 --> 01:28:23,840

was an amazing meeting

2400

01:28:29,830 --> 01:28:26,960

years ago and i found out about this

2401

01:28:31,750 --> 01:28:29,840

from not from friedman because he he

2402

01:28:33,590 --> 01:28:31,760

didn't deny it but he didn't volunteer

2403

01:28:37,110 --> 01:28:33,600

it i'll just put it that way

2404

01:28:39,110 --> 01:28:37,120

what happened was when i got to

2405

01:28:40,629 --> 01:28:39,120

kept hanging out with bill moore

2406

01:28:44,229 --> 01:28:40,639

friedman screwed bill moore

2407

01:28:46,310 --> 01:28:44,239

out of a lot of money friedman

2408

01:28:47,510 --> 01:28:46,320

had discovered roswell but moore wrote

2409

01:28:49,910 --> 01:28:47,520

the book with

2410

01:28:51,750 --> 01:28:49,920

berlitz wrote most of it got all the

2411

01:28:52,950 --> 01:28:51,760

money so on friedman had a real problem

2412

01:28:55,110 --> 01:28:52,960

with that so

2413

01:28:56,310 --> 01:28:55,120

he finally gets a book contract crash at

2414

01:28:58,709 --> 01:28:56,320

corona

2415

01:29:00,550 --> 01:28:58,719

but he doesn't tell more about it and

2416

01:29:03,110 --> 01:29:00,560

they were supposed to

2417

01:29:03,590 --> 01:29:03,120

co-author and split money six months go

2418

01:29:05,830 --> 01:29:03,600

by

2419

01:29:06,629 --> 01:29:05,840

and moore finds out because he smells

2420

01:29:09,510 --> 01:29:06,639

publishers

2421

01:29:10,870 --> 01:29:09,520

i find out bill asked me do i know

2422

01:29:12,550 --> 01:29:10,880

anything i tell him what i know i don't

2423

01:29:15,590 --> 01:29:12,560

know stan's playing games

2424

01:29:17,430 --> 01:29:15,600

and what happens is stan um um

2425

01:29:19,510 --> 01:29:17,440

basically was i discovered everything

2426

01:29:24,070 --> 01:29:19,520

i'm the guy i'm heineck

2427

01:29:25,430 --> 01:29:24,080

2.0 done the right way flying physicist

2428

01:29:28,070 --> 01:29:25,440

because one of the first things he did

2429

01:29:30,550 --> 01:29:28,080

which really threw me when i met him

2430

01:29:32,229 --> 01:29:30,560

is he starts bashing heinek i i came up

2431

01:29:33,669 --> 01:29:32,239

to him as a stranger i said hi

2432

01:29:35,669 --> 01:29:33,679

my name is cal court from here to

2433

01:29:37,830 --> 01:29:35,679

interview you for my teacher

2434

01:29:39,030 --> 01:29:37,840

he doesn't believe in ufos i do can you

2435

01:29:42,709 --> 01:29:39,040

know interview i'd never

2436

01:29:44,229 --> 01:29:42,719

heard of freeman met him okay hit it off

2437

01:29:45,430 --> 01:29:44,239

started lecturing right after he did

2438

01:29:46,470 --> 01:29:45,440

because i knew everything he was talking

2439

01:29:50,070 --> 01:29:46,480

about

2440

01:29:51,110 --> 01:29:50,080

and um then um what happened is uh he's

2441

01:29:52,950 --> 01:29:51,120

bashing heinek

2442

01:29:54,870 --> 01:29:52,960

you know oh he's too soft don't be

2443

01:29:56,709 --> 01:29:54,880

whatever he was clearly

2444

01:29:58,229 --> 01:29:56,719

jealous of heineken he wished he had

2445

01:30:00,310 --> 01:29:58,239

been head of blue book

2446

01:30:02,390 --> 01:30:00,320

instead he kept stressing to me how he

2447

01:30:05,910 --> 01:30:02,400

got to testify before congress

2448

01:30:07,750 --> 01:30:05,920

no big deal okay anyway so friedman now

2449

01:30:10,870 --> 01:30:07,760

has a problem

2450

01:30:13,990 --> 01:30:10,880

marcel is saying stan this is what

2451

01:30:15,510 --> 01:30:14,000

i held yes so what happened is

2452

01:30:18,550 --> 01:30:15,520

friedman says no there must have been a

2453

01:30:21,830 --> 01:30:18,560

debris switch you're wrong jesse

2454

01:30:22,709 --> 01:30:21,840

after a period of time oh cameras were

2455

01:30:24,870 --> 01:30:22,719

on

2456

01:30:27,110 --> 01:30:24,880

jesse would say what friedman wanted him

2457

01:30:29,430 --> 01:30:27,120

to but let me tell you what jeff

2458

01:30:30,390 --> 01:30:29,440

i have heard him in an interview saying

2459

01:30:33,430 --> 01:30:30,400

that they

2460

01:30:34,229 --> 01:30:33,440

they switched the debris right strange

2461

01:30:36,709 --> 01:30:34,239

to me

2462

01:30:37,350 --> 01:30:36,719

because the pictures are you know are

2463

01:30:39,270 --> 01:30:37,360

there

2464

01:30:41,110 --> 01:30:39,280

but it's i guess it's an unbelievable

2465

01:30:44,310 --> 01:30:41,120

story that they would

2466

01:30:46,470 --> 01:30:44,320

make him a patsy like okay

2467

01:30:48,790 --> 01:30:46,480

uh pose with this with this weather

2468

01:30:50,470 --> 01:30:48,800

balloon and let's hide the flying saucer

2469

01:30:53,590 --> 01:30:50,480

at ray patterson

2470

01:30:55,910 --> 01:30:53,600

sounds like a great story and it sounds

2471

01:30:58,310 --> 01:30:55,920

plausible that that could happen

2472

01:30:59,990 --> 01:30:58,320

as a cover-up it does but there's a

2473

01:31:01,110 --> 01:31:00,000

couple of problems with that and this is

2474

01:31:02,870 --> 01:31:01,120

stuff friedman

2475

01:31:04,870 --> 01:31:02,880

or randall or nobody will tell you and

2476

01:31:06,629 --> 01:31:04,880

it's in the book

2477

01:31:09,110 --> 01:31:06,639

so what you see is you see the same

2478

01:31:11,189 --> 01:31:09,120

photos that bill moore gave me

2479

01:31:12,550 --> 01:31:11,199

they are the original they're decades

2480

01:31:15,270 --> 01:31:12,560

old

2481

01:31:15,990 --> 01:31:15,280

they're not fakes unlike mj 12 they can

2482

01:31:17,510 --> 01:31:16,000

be forensically

2483

01:31:19,110 --> 01:31:17,520

tested so if anybody says i'm not

2484

01:31:21,189 --> 01:31:19,120

telling the truth they know what they

2485

01:31:25,189 --> 01:31:21,199

can do with that claim

2486

01:31:28,629 --> 01:31:25,199

um now marcel has said this is what we

2487

01:31:31,830 --> 01:31:28,639

taught those same photos were then shown

2488

01:31:32,550 --> 01:31:31,840

to one of the men in them uh colonel

2489

01:31:34,790 --> 01:31:32,560

cabot

2490

01:31:37,110 --> 01:31:34,800

he says this is exactly what was in the

2491

01:31:39,910 --> 01:31:37,120

office there was no debris switch

2492

01:31:40,629 --> 01:31:39,920

he said it was somebody's uh you know

2493

01:31:43,990 --> 01:31:40,639

tight

2494

01:31:46,070 --> 01:31:44,000

cold potato as far as i'm concerned now

2495

01:31:47,669 --> 01:31:46,080

he had several different interviews and

2496

01:31:49,669 --> 01:31:47,679

he was adamant there was no debris

2497

01:31:52,149 --> 01:31:49,679

switch because he met the plane

2498

01:31:53,910 --> 01:31:52,159

took the sealed pouch escorted it

2499

01:31:54,470 --> 01:31:53,920

straight to raymie's office they opened

2500

01:31:58,870 --> 01:31:54,480

it

2501
01:32:01,590 --> 01:31:58,880
office chain of custody was never broken

2502
01:32:04,790 --> 01:32:01,600
so this is what i found out when i was

2503
01:32:07,669 --> 01:32:04,800
researching marcel i couldn't reconcile

2504
01:32:08,790 --> 01:32:07,679
his claims versus what we know did not

2505
01:32:10,310 --> 01:32:08,800
happen

2506
01:32:11,990 --> 01:32:10,320
didn't make sense can't have it both

2507
01:32:14,310 --> 01:32:12,000
ways so then i found

2508
01:32:17,430 --> 01:32:14,320
out when i got his military file that

2509
01:32:19,830 --> 01:32:17,440
major jesse marcel was a fraud

2510
01:32:20,950 --> 01:32:19,840
meaning he lied about having a

2511
01:32:24,310 --> 01:32:20,960
bachelor's degree

2512
01:32:26,229 --> 01:32:24,320
in physics and i asked for even hey

2513
01:32:28,070 --> 01:32:26,239

marcel says he has a bachelor in physics

2514

01:32:29,910 --> 01:32:28,080

from george washington university

2515

01:32:31,350 --> 01:32:29,920

how come you never talk physics with him

2516

01:32:33,350 --> 01:32:31,360

that's your favorite subject

2517

01:32:34,629 --> 01:32:33,360

it always struck me as odd that's

2518

01:32:35,990 --> 01:32:34,639

because he didn't have a degree in

2519

01:32:37,910 --> 01:32:36,000

physics what could friedman

2520

01:32:39,669 --> 01:32:37,920

talk to him about other than say buy one

2521

01:32:42,950 --> 01:32:39,679

of my papers

2522

01:32:46,229 --> 01:32:42,960

okay then i found out that

2523

01:32:47,030 --> 01:32:46,239

marcel was written up in an official

2524

01:32:48,709 --> 01:32:47,040

review

2525

01:32:50,310 --> 01:32:48,719

three days three or four a few days

2526

01:32:53,590 --> 01:32:50,320

after roswell

2527

01:32:55,750 --> 01:32:53,600

for exaggerating magnifying problems he

2528

01:32:59,910 --> 01:32:55,760

is confronted with

2529

01:33:02,790 --> 01:32:59,920

they said he's a good officer reliable

2530

01:33:03,350 --> 01:33:02,800

but you know and raymie notes in his

2531

01:33:06,550 --> 01:33:03,360

file

2532

01:33:07,510 --> 01:33:06,560

raymie himself who he had just met over

2533

01:33:09,669 --> 01:33:07,520

this thing

2534

01:33:10,709 --> 01:33:09,679

and he was up for review he says you're

2535

01:33:12,870 --> 01:33:10,719

not a pilot

2536

01:33:13,830 --> 01:33:12,880

you're not a rated pilot and that's

2537

01:33:15,270 --> 01:33:13,840

going to hold you back

2538

01:33:17,350 --> 01:33:15,280

because you're you're the you're at the

2539

01:33:20,790 --> 01:33:17,360

top gun base the guys who drop the

2540

01:33:23,350 --> 01:33:20,800

damn atomic bomb are the cr are the

2541

01:33:24,070 --> 01:33:23,360

pilots at roswell you got to be a bad

2542

01:33:25,830 --> 01:33:24,080

boy to

2543

01:33:27,669 --> 01:33:25,840

hang with those guys and you're not a

2544

01:33:29,110 --> 01:33:27,679

rated pilot it will always hold you back

2545

01:33:31,669 --> 01:33:29,120

it's in this file

2546

01:33:33,350 --> 01:33:31,679

then yeah so we get a we get a sort of

2547

01:33:36,870 --> 01:33:33,360

different view

2548

01:33:40,070 --> 01:33:36,880

of him and how trustworthy he might be

2549

01:33:42,390 --> 01:33:40,080

right and my documents and evidence

2550

01:33:43,270 --> 01:33:42,400

and i've never seen those things myself

2551

01:33:47,750 --> 01:33:43,280

you know

2552

01:33:50,070 --> 01:33:47,760

that story but uh people like you

2553

01:33:51,510 --> 01:33:50,080

and a few others kind of uh burst my

2554

01:33:54,950 --> 01:33:51,520

bubble

2555

01:33:58,310 --> 01:33:54,960

literally burst my

2556

01:34:01,350 --> 01:33:58,320

uh you burst my balloon

2557

01:34:03,910 --> 01:34:01,360

but to me

2558

01:34:05,430 --> 01:34:03,920

you know when my razzle book came out

2559

01:34:06,629 --> 01:34:05,440

roswell ufo crashed what they don't want

2560

01:34:08,870 --> 01:34:06,639

you to know

2561

01:34:09,990 --> 01:34:08,880

i had said it was mogul and i still

2562

01:34:13,430 --> 01:34:10,000

stand by that

2563

01:34:15,350 --> 01:34:13,440

and bill moore met me secretly in

2564

01:34:16,709 --> 01:34:15,360

southern california and i put the date

2565

01:34:20,149 --> 01:34:16,719

in the book and everything we met in the

2566

01:34:21,830 --> 01:34:20,159

hotel room he was on his motorcycle he

2567

01:34:23,189 --> 01:34:21,840

expert on fixing those things hell of a

2568

01:34:25,510 --> 01:34:23,199

rider

2569

01:34:26,550 --> 01:34:25,520

and um i used to ride bikes too at

2570

01:34:28,709 --> 01:34:26,560

around that time

2571

01:34:30,550 --> 01:34:28,719

i had cowie's he had harley's and so

2572

01:34:32,950 --> 01:34:30,560

what happened was um

2573

01:34:33,669 --> 01:34:32,960

he tells me this is the truth uh that he

2574

01:34:36,070 --> 01:34:33,679

had found

2575

01:34:37,430 --> 01:34:36,080

mogul when he was writing the original

2576

01:34:39,110 --> 01:34:37,440

roswell book but when he interviewed

2577

01:34:41,030 --> 01:34:39,120

professor moore

2578

01:34:42,629 --> 01:34:41,040

moore had said based on the description

2579

01:34:44,310 --> 01:34:42,639

of the stuff it can't be what we were

2580

01:34:45,270 --> 01:34:44,320

flying and that quote is in the roswell

2581

01:34:48,629 --> 01:34:45,280

incident book

2582

01:34:51,430 --> 01:34:48,639

but bill moore explained to me that um

2583

01:34:52,390 --> 01:34:51,440

it was if that interview had taken place

2584

01:34:54,310 --> 01:34:52,400

a little later

2585

01:34:56,629 --> 01:34:54,320

he would have figured out it was mobile

2586

01:34:59,669 --> 01:34:56,639

and it was a classified military object

2587

01:35:00,149 --> 01:34:59,679

so here's what sank the ship what

2588

01:35:02,390 --> 01:35:00,159

happened

2589

01:35:03,910 --> 01:35:02,400

is professor charles moore who ran

2590

01:35:06,709 --> 01:35:03,920

project mogul

2591

01:35:08,070 --> 01:35:06,719

got a call from bob todd who's a top ufo

2592

01:35:09,430 --> 01:35:08,080

researcher is no longer alive

2593

01:35:11,350 --> 01:35:09,440

unfortunately

2594

01:35:12,950 --> 01:35:11,360

he found professor moore and told him

2595

01:35:14,629 --> 01:35:12,960

this is the name of your group project

2596

01:35:16,709 --> 01:35:14,639

mogul do you know about this

2597

01:35:19,030 --> 01:35:16,719

he had no idea what the code name was he

2598

01:35:20,390 --> 01:35:19,040

knew it as a new york university balloon

2599

01:35:23,830 --> 01:35:20,400

project

2600

01:35:24,470 --> 01:35:23,840

and what happened is newton the weather

2601
01:35:27,590 --> 01:35:24,480
officer

2602
01:35:29,910 --> 01:35:27,600
who was called in by raymie to identify

2603
01:35:31,669 --> 01:35:29,920
that this was really a you know radar

2604
01:35:33,750 --> 01:35:31,679
kite

2605
01:35:36,149 --> 01:35:33,760
he met with professor moore they'd never

2606
01:35:39,590 --> 01:35:36,159
met before they met at moore's house

2607
01:35:40,790 --> 01:35:39,600
in new mexico and in new mexico where he

2608
01:35:42,950 --> 01:35:40,800
lives he still has

2609
01:35:44,870 --> 01:35:42,960
pieces of the mogul project because

2610
01:35:46,390 --> 01:35:44,880
those radar reflectors and the high

2611
01:35:49,669 --> 01:35:46,400
altitude constant

2612
01:35:50,629 --> 01:35:49,679
altitude weather balloons very

2613
01:35:53,750 --> 01:35:50,639

fascinating

2614

01:35:57,109 --> 01:35:53,760

atmospheric sciences so he brought out

2615

01:35:59,030 --> 01:35:57,119

for them and for the cameras this stuff

2616

01:36:00,149 --> 01:35:59,040

and even showed balloons that had been

2617

01:36:01,590 --> 01:36:00,159

in the desert for

2618

01:36:04,229 --> 01:36:01,600

certain weeks they would turn different

2619

01:36:06,950 --> 01:36:04,239

colors develop that acreage smell

2620

01:36:08,149 --> 01:36:06,960

and let me guess his stuff looked

2621

01:36:10,790 --> 01:36:08,159

strikingly like

2622

01:36:13,510 --> 01:36:10,800

the pictures from the ros it not only

2623

01:36:17,189 --> 01:36:13,520

looked strikingly it looked identical

2624

01:36:19,109 --> 01:36:17,199

and um even newton said this is what was

2625

01:36:23,109 --> 01:36:19,119

in the office that day

2626

01:36:26,310 --> 01:36:23,119

no question so now you have

2627

01:36:27,189 --> 01:36:26,320

a problem so the very last interview

2628

01:36:29,590 --> 01:36:27,199

that marcel

2629

01:36:31,109 --> 01:36:29,600

gave where friedman wasn't around and he

2630

01:36:34,149 --> 01:36:31,119

was talking to bob pratt

2631

01:36:37,590 --> 01:36:34,159

and it actually was documented

2632

01:36:37,990 --> 01:36:37,600

he said he never believed in little

2633

01:36:42,629 --> 01:36:38,000

green

2634

01:36:45,189 --> 01:36:42,639

men now does that make any sense steven

2635

01:36:45,669 --> 01:36:45,199

you recover a spaceship at roswell that

2636

01:36:47,510 --> 01:36:45,679

is

2637

01:36:48,790 --> 01:36:47,520

can't dent it with a 16 pound

2638

01:36:51,669 --> 01:36:48,800

sledgehammer

2639

01:36:53,830 --> 01:36:51,679

all this stuff you fly it down there

2640

01:36:55,910 --> 01:36:53,840

even though you're not a pilot okay

2641

01:36:57,189 --> 01:36:55,920

you shoot down five enemy aircraft which

2642

01:36:59,189 --> 01:36:57,199

would have made you an ace even though

2643

01:36:59,910 --> 01:36:59,199

you got no air metals for that that's a

2644

01:37:01,350 --> 01:36:59,920

lie

2645

01:37:03,030 --> 01:37:01,360

you said you were shot down in the

2646

01:37:03,590 --> 01:37:03,040

pacific and the only survivor of your

2647

01:37:05,990 --> 01:37:03,600

flight

2648

01:37:07,590 --> 01:37:06,000

that was a lie you were never shot down

2649

01:37:08,950 --> 01:37:07,600

i mean the fish was always bigger and

2650

01:37:11,350 --> 01:37:08,960

then

2651
01:37:13,590 --> 01:37:11,360
after my roswell book came out jesse

2652
01:37:16,629 --> 01:37:13,600
marcel jr contacts me

2653
01:37:17,510 --> 01:37:16,639
and says my dad did have a tendency to

2654
01:37:21,109 --> 01:37:17,520
exaggerate

2655
01:37:23,910 --> 01:37:21,119
on occasion quote unquote well g

2656
01:37:24,550 --> 01:37:23,920
you know so it's all there it's a great

2657
01:37:26,870 --> 01:37:24,560
mystery

2658
01:37:28,229 --> 01:37:26,880
because there's so many data points

2659
01:37:29,830 --> 01:37:28,239
there's more data points

2660
01:37:31,910 --> 01:37:29,840
i think that you can look into for

2661
01:37:33,910 --> 01:37:31,920
roswell than most other cases

2662
01:37:35,350 --> 01:37:33,920
but you know you know what i think uh

2663
01:37:36,709 --> 01:37:35,360

it's okay with you now we're going to

2664

01:37:40,070 --> 01:37:36,719

take just a short break

2665

01:37:40,950 --> 01:37:40,080

and we're clearing up on um we're coming

2666

01:37:44,870 --> 01:37:40,960

up

2667

01:37:47,030 --> 01:37:44,880

here at 137

2668

01:37:48,149 --> 01:37:47,040

so we're going to take a quick break and

2669

01:37:50,470 --> 01:37:48,159

when we come back i

2670

01:37:51,590 --> 01:37:50,480

wanted to know if you why don't we take

2671

01:37:53,270 --> 01:37:51,600

a short break

2672

01:37:54,709 --> 01:37:53,280

and then we'll come back with questions

2673

01:37:57,590 --> 01:37:54,719

from the audience for you

2674

01:38:01,430 --> 01:37:57,600

absolutely all right let's uh see if we

2675

01:38:11,830 --> 01:38:04,709

all right friends we'll be right

2676
01:38:11,840 --> 01:38:23,690
okay friends we'll be right back

2677
01:38:56,830 --> 01:38:44,160
[Music]

2678
01:38:56,840 --> 01:39:08,350
do

2679
01:40:15,270 --> 01:39:24,830
[Music]

2680
01:40:20,470 --> 01:40:17,830
and we are back friends back with our

2681
01:40:26,070 --> 01:40:20,480
very special guest tonight cal kwarf

2682
01:40:29,910 --> 01:40:27,430
quite a number of people here in the

2683
01:40:30,229 --> 01:40:29,920
live audience tonight which i'm thankful

2684
01:40:33,669 --> 01:40:30,239
for

2685
01:40:35,590 --> 01:40:33,679
welcome all of you guys um

2686
01:40:39,270 --> 01:40:35,600
so if you have questions for cal court

2687
01:40:42,790 --> 01:40:42,390
okay yeah alien scientist has got a

2688
01:40:45,510 --> 01:40:42,800

great

2689

01:40:47,430 --> 01:40:45,520

question here if marcel was so unstable

2690

01:40:50,550 --> 01:40:47,440

and such a liar why was he placed in

2691

01:40:55,350 --> 01:40:50,560

charge of top military base which housed

2692

01:40:59,590 --> 01:40:57,830

well the only thing i can tell you is

2693

01:41:01,510 --> 01:40:59,600

what's in his military file which

2694

01:41:03,669 --> 01:41:01,520

anybody can get by the way

2695

01:41:05,109 --> 01:41:03,679

but here here's something that people

2696

01:41:08,629 --> 01:41:05,119

need to know

2697

01:41:11,430 --> 01:41:08,639

what bothers me is having been mentored

2698

01:41:14,390 --> 01:41:11,440

and essentially raised by stanton

2699

01:41:16,149 --> 01:41:14,400

friedman on investigating ufo cases

2700

01:41:18,390 --> 01:41:16,159

i'll i'll be very blunt and i'm not the

2701
01:41:18,709 --> 01:41:18,400
only one to talk about this kevin randle

2702
01:41:21,189 --> 01:41:18,719
has

2703
01:41:22,709 --> 01:41:21,199
finally come public about some things

2704
01:41:24,149 --> 01:41:22,719
freeman did to him which were terrible

2705
01:41:25,910 --> 01:41:24,159
and i've told randall i can even

2706
01:41:28,709 --> 01:41:25,920
elaborate on that

2707
01:41:29,669 --> 01:41:28,719
there's something wrong when any lead

2708
01:41:31,669 --> 01:41:29,679
investigator

2709
01:41:33,830 --> 01:41:31,679
doesn't bother getting a military file

2710
01:41:36,149 --> 01:41:33,840
of a chief military witness

2711
01:41:37,750 --> 01:41:36,159
and friedman did not know marcel was a

2712
01:41:40,470 --> 01:41:37,760
fraud until

2713
01:41:41,510 --> 01:41:40,480

i got the file and bob todd got the file

2714

01:41:43,350 --> 01:41:41,520

in fact

2715

01:41:45,109 --> 01:41:43,360

both bob todd and i getting the file

2716

01:41:46,229 --> 01:41:45,119

caused bob todd and i to connect and

2717

01:41:48,950 --> 01:41:46,239

become friends and that's why i

2718

01:41:51,189 --> 01:41:48,960

dedicated the book to him initially

2719

01:41:52,870 --> 01:41:51,199

because we work together and when you

2720

01:41:55,350 --> 01:41:52,880

look at marcel's file

2721

01:41:56,390 --> 01:41:55,360

he was a career officer who basically

2722

01:41:59,669 --> 01:41:56,400

was surrounded by

2723

01:42:00,390 --> 01:41:59,679

very talent top talented guys in my

2724

01:42:02,310 --> 01:42:00,400

opinion

2725

01:42:04,390 --> 01:42:02,320

as a non-military guy he was in the

2726
01:42:05,990 --> 01:42:04,400
wrong place at the wrong time meaning

2727
01:42:07,830 --> 01:42:06,000
all of a sudden this flying saucer thing

2728
01:42:09,430 --> 01:42:07,840
drops in his lap and he's suddenly the

2729
01:42:11,350 --> 01:42:09,440
guy to go to

2730
01:42:13,270 --> 01:42:11,360
but the term flying saucer back then did

2731
01:42:15,350 --> 01:42:13,280
not mean alien spacecraft and he never

2732
01:42:17,590 --> 01:42:15,360
said it was he never described that he's

2733
01:42:18,629 --> 01:42:17,600
he said very clearly i don't know what

2734
01:42:21,830 --> 01:42:18,639
it was

2735
01:42:25,350 --> 01:42:21,840
but he knew that their explanation was

2736
01:42:28,149 --> 01:42:25,360
not true and he was right it was a lie

2737
01:42:28,629 --> 01:42:28,159
it was a cover-up but very clearly in

2738
01:42:30,629 --> 01:42:28,639

his

2739

01:42:34,390 --> 01:42:30,639

performance review it was days after

2740

01:42:38,149 --> 01:42:34,400

roswell raymie himself made some remarks

2741

01:42:41,590 --> 01:42:38,159

marcel was known among his peers to

2742

01:42:43,350 --> 01:42:41,600

you know tell wild fish stories and um

2743

01:42:44,709 --> 01:42:43,360

that also explains why he brought the

2744

01:42:46,870 --> 01:42:44,719

wreckage home

2745

01:42:47,830 --> 01:42:46,880

of the alien saucer and showed his son

2746

01:42:49,590 --> 01:42:47,840

and family

2747

01:42:51,510 --> 01:42:49,600

you just don't do that if you're a top

2748

01:42:53,030 --> 01:42:51,520

notch whatever especially if you think

2749

01:42:54,470 --> 01:42:53,040

it's from outer space you wouldn't dare

2750

01:42:56,470 --> 01:42:54,480

expose your family

2751
01:42:57,910 --> 01:42:56,480
to something that could be radioactive

2752
01:43:00,070 --> 01:42:57,920
so it could be dangerous there's a lot

2753
01:43:03,350 --> 01:43:00,080
of fears of regular activity back then

2754
01:43:05,669 --> 01:43:03,360
right so it's a good question oh i'm

2755
01:43:09,669 --> 01:43:07,669
it's accounted for as far as why he was

2756
01:43:12,070 --> 01:43:09,679
the way he was

2757
01:43:13,510 --> 01:43:12,080
he retired by the way because he had to

2758
01:43:15,510 --> 01:43:13,520
take care of his mother it was a

2759
01:43:19,189 --> 01:43:15,520
glorious ending to his career i felt for

2760
01:43:22,709 --> 01:43:19,199
him he left on a hardship

2761
01:43:24,310 --> 01:43:22,719
release the next question we have is are

2762
01:43:27,750 --> 01:43:24,320
you suggesting that tic tacs

2763
01:43:30,149 --> 01:43:27,760

are secret projects products

2764

01:43:31,430 --> 01:43:30,159

i'm suggesting that when i was in india

2765

01:43:33,830 --> 01:43:31,440

and i've reported on this

2766

01:43:35,430 --> 01:43:33,840

that when the united states approached

2767

01:43:36,950 --> 01:43:35,440

india to become part of the aegis

2768

01:43:39,510 --> 01:43:36,960

alliance

2769

01:43:40,950 --> 01:43:39,520

one of the reasons aegis exists is to

2770

01:43:43,270 --> 01:43:40,960

allow us to fight

2771

01:43:45,109 --> 01:43:43,280

theoretically it's it's a component part

2772

01:43:46,550 --> 01:43:45,119

of warfare it's integrated as well as

2773

01:43:49,270 --> 01:43:46,560

standalone

2774

01:43:49,590 --> 01:43:49,280

where we can fight below the water on it

2775

01:43:51,830 --> 01:43:49,600

and

2776

01:43:53,750 --> 01:43:51,840

up all the way into space it's a

2777

01:43:55,910 --> 01:43:53,760

doctrine that goes back to the time of

2778

01:43:57,669 --> 01:43:55,920

actually rumsfeld that secretly

2779

01:43:59,669 --> 01:43:57,679

uh pushed this and it was actually the

2780

01:44:00,950 --> 01:43:59,679

brainchild of some think tanks like the

2781

01:44:03,590 --> 01:44:00,960

rand corporation

2782

01:44:05,830 --> 01:44:03,600

a lot of people don't think uh rand

2783

01:44:07,750 --> 01:44:05,840

think tanks and others like that are

2784

01:44:09,350 --> 01:44:07,760

are shall we say rather aggressive with

2785

01:44:10,790 --> 01:44:09,360

their military plans but actually some

2786

01:44:12,550 --> 01:44:10,800

of them quite are and it ends up

2787

01:44:15,030 --> 01:44:12,560

becoming an official program

2788

01:44:16,550 --> 01:44:15,040

so when i look at the mechanics of the

2789

01:44:18,070 --> 01:44:16,560

tic tac thing i'm talking about the

2790

01:44:20,149 --> 01:44:18,080

nimitz encounter

2791

01:44:21,910 --> 01:44:20,159

what are the odds that this plane comes

2792

01:44:23,510 --> 01:44:21,920

in from space which easily could have

2793

01:44:25,990 --> 01:44:23,520

flown that fast

2794

01:44:27,270 --> 01:44:26,000

it happens to be lost in the same area

2795

01:44:29,669 --> 01:44:27,280

not long before

2796

01:44:31,750 --> 01:44:29,679

they happened to send the pilot who was

2797

01:44:35,350 --> 01:44:31,760

involved in faking a ufo incident

2798

01:44:37,350 --> 01:44:35,360

uh fravor uh in the past who's known

2799

01:44:38,950 --> 01:44:37,360

for knowing about that subject having an

2800

01:44:40,070 --> 01:44:38,960

interest in it they send him out there

2801

01:44:41,669 --> 01:44:40,080

to see this thing

2802

01:44:43,109 --> 01:44:41,679

the thing just takes off it doesn't

2803

01:44:44,790 --> 01:44:43,119

really do anything i never heard that he

2804

01:44:46,950 --> 01:44:44,800

had an interest in it or that he was

2805

01:44:49,750 --> 01:44:46,960

no he he did he had faked a ufo

2806

01:44:52,149 --> 01:44:49,760

encounter uh with his plane before

2807

01:44:53,189 --> 01:44:52,159

it was uh some sort of pseudo prank he'd

2808

01:44:56,709 --> 01:44:53,199

have to tell you

2809

01:44:57,109 --> 01:44:56,719

he he has changed his story here and

2810

01:44:59,109 --> 01:44:57,119

there

2811

01:45:00,229 --> 01:44:59,119

bob kiviak knows a lot more about him

2812

01:45:02,550 --> 01:45:00,239

than i do and

2813

01:45:03,590 --> 01:45:02,560

i'll just put it that way but and then

2814

01:45:05,430 --> 01:45:03,600

you have of course

2815

01:45:06,950 --> 01:45:05,440

the fact and i found this in the aegis

2816

01:45:09,510 --> 01:45:06,960

records that every time they

2817

01:45:10,870 --> 01:45:09,520

installed a new version of aegis as soon

2818

01:45:13,270 --> 01:45:10,880

as they turn the radar on they'd get

2819

01:45:14,830 --> 01:45:13,280

these readings of massive objects coming

2820

01:45:20,070 --> 01:45:14,840

down

2821

01:45:23,990 --> 01:45:21,590

the upper atmosphere who would freeze

2822

01:45:26,550 --> 01:45:24,000

and melt settings right

2823

01:45:27,990 --> 01:45:26,560

pardon me yeah i'm saying when they when

2824

01:45:29,750 --> 01:45:28,000

you know they have to calibrate it they

2825

01:45:30,629 --> 01:45:29,760

have to change sentences they have to

2826

01:45:33,030 --> 01:45:30,639

test it

2827

01:45:34,070 --> 01:45:33,040

right it takes that is reading things

2828

01:45:36,550 --> 01:45:34,080

accurately

2829

01:45:37,189 --> 01:45:36,560

right so it takes weeks to do that and

2830

01:45:39,350 --> 01:45:37,199

then

2831

01:45:41,590 --> 01:45:39,360

i'm sorry if this is the best footage we

2832

01:45:43,189 --> 01:45:41,600

can get of an object that's not that far

2833

01:45:44,629 --> 01:45:43,199

away and not flying that fast

2834

01:45:46,709 --> 01:45:44,639

if those numbers are right on the

2835

01:45:48,790 --> 01:45:46,719

cockpit display you have to assume they

2836

01:45:50,310 --> 01:45:48,800

are it's not a hoax right

2837

01:45:51,830 --> 01:45:50,320

that's an extraterrestrial spacecraft

2838

01:45:54,629 --> 01:45:51,840

going 400 knots

2839

01:45:56,470 --> 01:45:54,639

huh and the guy says it's a drone so

2840

01:45:58,310 --> 01:45:56,480

things don't add up but we can't take

2841

01:46:01,510 --> 01:45:58,320

the account that's been released as

2842

01:46:04,149 --> 01:46:01,520

gospel because it's not we have to have

2843

01:46:06,229 --> 01:46:04,159

the official government's report and we

2844

01:46:07,189 --> 01:46:06,239

can't even go there until after the ufo

2845

01:46:09,430 --> 01:46:07,199

task force

2846

01:46:11,350 --> 01:46:09,440

which i think is grossly mislabeled it's

2847

01:46:14,149 --> 01:46:11,360

project blue book 2.0

2848

01:46:16,070 --> 01:46:14,159

a pr stunned okay let's see what this

2849

01:46:17,910 --> 01:46:16,080

high power task force comes back with

2850

01:46:19,270 --> 01:46:17,920

i'm predicting ahead of time using my

2851

01:46:21,990 --> 01:46:19,280

non-sucky powers

2852

01:46:22,470 --> 01:46:22,000

that this is a nothing burger it's a pr

2853

01:46:23,669 --> 01:46:22,480

stunt

2854

01:46:25,669 --> 01:46:23,679

and yes they'll promise you the

2855

01:46:28,310 --> 01:46:25,679

documents until the election

2856

01:46:29,030 --> 01:46:28,320

and then nothing changes okay so the

2857

01:46:30,629 --> 01:46:29,040

next question

2858

01:46:32,709 --> 01:46:30,639

i think this is a good one because i get

2859

01:46:33,669 --> 01:46:32,719

asked this one a lot because people know

2860

01:46:35,350 --> 01:46:33,679

that i'm

2861

01:46:36,790 --> 01:46:35,360

a little more skeptical than most even

2862

01:46:38,070 --> 01:46:36,800

though i have an intense interest in

2863

01:46:41,109 --> 01:46:38,080

these subjects

2864

01:46:43,189 --> 01:46:41,119

so uh tara rubicon asks kalkorf

2865

01:46:45,669 --> 01:46:43,199

are there any ufo cases that you

2866

01:46:49,270 --> 01:46:45,679

validate

2867

01:46:51,030 --> 01:46:49,280

yes um meaning um my own sighting which

2868

01:46:52,550 --> 01:46:51,040

i had witnesses to still remains

2869

01:46:54,149 --> 01:46:52,560

unexplained i can

2870

01:46:55,990 --> 01:46:54,159

try to recreate it forensically but

2871

01:46:58,229 --> 01:46:56,000

unfortunately i can't prove what i saw

2872

01:47:01,350 --> 01:46:58,239

was an alien spacecraft

2873

01:47:01,990 --> 01:47:01,360

having worked at boeing uh years later

2874

01:47:05,910 --> 01:47:02,000

and

2875

01:47:09,270 --> 01:47:05,920

half time to it

2876

01:47:10,390 --> 01:47:09,280

and some projects i still can't explain

2877

01:47:13,590 --> 01:47:10,400

what i saw

2878

01:47:15,990 --> 01:47:13,600

but there are cases we are now

2879

01:47:16,950 --> 01:47:16,000

revisiting that are classics that we're

2880

01:47:20,229 --> 01:47:16,960

going to use

2881

01:47:22,709 --> 01:47:20,239

these new technologies to solve them

2882

01:47:23,990 --> 01:47:22,719

the most exciting case that i know of

2883

01:47:27,030 --> 01:47:24,000

i'm very

2884

01:47:28,229 --> 01:47:27,040

public about this is the rv47 case and

2885

01:47:30,229 --> 01:47:28,239

i'll tell you why

2886

01:47:32,390 --> 01:47:30,239

when i was at boeing and boeing had

2887

01:47:35,350 --> 01:47:32,400

bought mcdonnell douglas

2888

01:47:37,590 --> 01:47:35,360

i took the most accurate considered to

2889

01:47:39,350 --> 01:47:37,600

be the most accurate scientific analysis

2890

01:47:41,189 --> 01:47:39,360

especially the em effects of that case

2891

01:47:42,149 --> 01:47:41,199

and i gave it to people at mcdonald

2892

01:47:45,030 --> 01:47:42,159

douglas i said

2893

01:47:46,229 --> 01:47:45,040

this was your plane long time ago before

2894

01:47:49,350 --> 01:47:46,239

the records get merged

2895

01:47:50,390 --> 01:47:49,360

purge burn whatever go through find what

2896

01:47:52,950 --> 01:47:50,400

you can on this

2897

01:47:54,470 --> 01:47:52,960

because this seems to be something here

2898

01:47:57,910 --> 01:47:54,480

seems to be it's saying

2899

01:47:59,830 --> 01:47:57,920

the first scientific proof

2900

01:48:01,189 --> 01:47:59,840

of a technology that could not be made

2901
01:48:04,229 --> 01:48:01,199
from here

2902
01:48:06,550 --> 01:48:04,239
so what happened is when i ran that trap

2903
01:48:07,990 --> 01:48:06,560
a guy worked with very nice guy who

2904
01:48:09,990 --> 01:48:08,000
worked part time in our group he was

2905
01:48:12,229 --> 01:48:10,000
kind of a mysterious guy meaning he's

2906
01:48:13,350 --> 01:48:12,239
always around doing things his name was

2907
01:48:16,790 --> 01:48:13,360
doug

2908
01:48:19,910 --> 01:48:16,800
and um he told me nope that was an ecm

2909
01:48:20,470 --> 01:48:19,920
operation electronic countermeasures and

2910
01:48:22,310 --> 01:48:20,480
that stuck

2911
01:48:23,590 --> 01:48:22,320
in my mind because when i reported to

2912
01:48:26,629 --> 01:48:23,600
the author that was it

2913
01:48:27,910 --> 01:48:26,639

the author was not happy i said like

2914

01:48:29,350 --> 01:48:27,920

let's see what we can do to

2915

01:48:31,189 --> 01:48:29,360

chase that down so what happened is

2916

01:48:34,550 --> 01:48:31,199

years later

2917

01:48:35,910 --> 01:48:34,560

i find out that uh the head of area 51

2918

01:48:37,109 --> 01:48:35,920

the chief scientist there that annie

2919

01:48:40,870 --> 01:48:37,119

jacobson um

2920

01:48:42,709 --> 01:48:40,880

interviewed that uh um td barnes said he

2921

01:48:44,070 --> 01:48:42,719

said threw her under a bus and deceived

2922

01:48:47,750 --> 01:48:44,080

her

2923

01:48:51,430 --> 01:48:47,760

he told he said that the tic tacs are

2924

01:48:54,470 --> 01:48:51,440

ours and that it is this mosaic

2925

01:48:55,510 --> 01:48:54,480

uh warfare integrated there's all kinds

2926

01:48:58,709 --> 01:48:55,520

of stuff they're even

2927

01:49:00,470 --> 01:48:58,719

able steven now to make bubbles on the

2928

01:49:02,870 --> 01:49:00,480

surface of the water

2929

01:49:04,390 --> 01:49:02,880

and use the patterns of the bubbles by

2930

01:49:07,189 --> 01:49:04,400

agitating them

2931

01:49:08,390 --> 01:49:07,199

to send digital encrypted signals i'm

2932

01:49:11,189 --> 01:49:08,400

not kidding

2933

01:49:12,149 --> 01:49:11,199

they've got amazing capabilities now the

2934

01:49:16,390 --> 01:49:12,159

myth

2935

01:49:18,229 --> 01:49:16,400

there but it wouldn't surprise me

2936

01:49:20,310 --> 01:49:18,239

well the myth becomes that you know

2937

01:49:23,830 --> 01:49:20,320

we've got stuff and we can fight at 40

2938

01:49:26,149 --> 01:49:23,840

000 feet below in the marianas trench no

2939

01:49:27,350 --> 01:49:26,159

we do have missiles that can go

2940

01:49:30,470 --> 01:49:27,360

underwater very deep

2941

01:49:32,229 --> 01:49:30,480

very fast and they're much faster than

2942

01:49:34,870 --> 01:49:32,239

the torpedoes you see

2943

01:49:37,350 --> 01:49:34,880

slugging it along in the movies

2944

01:49:40,390 --> 01:49:37,360

hypersonic is the next big thing

2945

01:49:42,310 --> 01:49:40,400

and because the world is so

2946

01:49:44,229 --> 01:49:42,320

schizophrenic now and everyone's for

2947

01:49:46,870 --> 01:49:44,239

themselves let's be honest

2948

01:49:48,070 --> 01:49:46,880

uh as far as i know although it's not

2949

01:49:51,189 --> 01:49:48,080

officially confirmed

2950

01:49:53,750 --> 01:49:51,199

we have russia has maybe china has

2951

01:49:55,189 --> 01:49:53,760

nuclear weapons orbiting in space

2952

01:49:57,030 --> 01:49:55,199

so there's a whole lot of stuff with the

2953

01:49:59,430 --> 01:49:57,040

space force and what's going on

2954

01:50:01,589 --> 01:49:59,440

it's been long overdue but again we

2955

01:50:04,470 --> 01:50:01,599

can't pursue anything about it

2956

01:50:05,830 --> 01:50:04,480

until after the election because it ends

2957

01:50:09,109 --> 01:50:05,840

and begins with the latest

2958

01:50:11,669 --> 01:50:09,119

farce in my mind which is this ufo task

2959

01:50:13,510 --> 01:50:11,679

force you have to have a task force for

2960

01:50:16,709 --> 01:50:13,520

something that wasn't an emergency

2961

01:50:17,270 --> 01:50:16,719

really yeah exactly you know well you

2962

01:50:19,589 --> 01:50:17,280

know cal

2963

01:50:21,189 --> 01:50:19,599

uh we're coming up uh quickly coming up

2964

01:50:22,390 --> 01:50:21,199

on the two hours and i want to make sure

2965

01:50:25,910 --> 01:50:22,400

to give you a few minutes

2966

01:50:28,229 --> 01:50:25,920

to uh where can people contact you where

2967

01:50:29,270 --> 01:50:28,239

can they get your books uh what you've

2968

01:50:32,390 --> 01:50:29,280

got to plug

2969

01:50:35,030 --> 01:50:32,400

if people want and uh and go

2970

01:50:36,390 --> 01:50:35,040

deeper down the cow court rabbit hole

2971

01:50:38,790 --> 01:50:36,400

it's a good one friends

2972

01:50:39,430 --> 01:50:38,800

it's a good one may wake you up too many

2973

01:50:42,310 --> 01:50:39,440

things

2974

01:50:44,310 --> 01:50:42,320

may open your eyes it's almost like a

2975

01:50:47,669 --> 01:50:44,320

second red pill

2976

01:50:51,109 --> 01:50:47,679

uh and i think that it's uh it

2977

01:50:51,990 --> 01:50:51,119

definitely has value with your emphasis

2978

01:50:56,790 --> 01:50:52,000

on data

2979

01:51:00,229 --> 01:50:58,790

well thanks um well my books are

2980

01:51:01,990 --> 01:51:00,239

available on amazon

2981

01:51:03,750 --> 01:51:02,000

um just search under my name they're

2982

01:51:06,229 --> 01:51:03,760

there um

2983

01:51:07,030 --> 01:51:06,239

the roswell book the meyer book these

2984

01:51:09,510 --> 01:51:07,040

books here

2985

01:51:10,790 --> 01:51:09,520

the new book on wendell stevens is going

2986

01:51:13,910 --> 01:51:10,800

to be on amazon

2987

01:51:16,149 --> 01:51:13,920

um with of course steve cambion uh it'll

2988

01:51:18,310 --> 01:51:16,159

be available according to amazon in

2989

01:51:19,669 --> 01:51:18,320

somewhere within 48 to 72 hours that's

2990

01:51:21,910 --> 01:51:19,679

what the system says like

2991

01:51:22,709 --> 01:51:21,920

i'm excited i'm excited about that and

2992

01:51:25,669 --> 01:51:22,719

i'm sure like

2993

01:51:26,550 --> 01:51:25,679

you know i but i want to warn everyone

2994

01:51:28,470 --> 01:51:26,560

because

2995

01:51:30,550 --> 01:51:28,480

you know like i have a very small

2996

01:51:32,070 --> 01:51:30,560

section of this whole book

2997

01:51:33,669 --> 01:51:32,080

because you know i don't want people to

2998

01:51:34,070 --> 01:51:33,679

buy it and then go well there's only

2999

01:51:36,550 --> 01:51:34,080

like

3000

01:51:37,350 --> 01:51:36,560

this many pages or whatever it was just

3001

01:51:39,669 --> 01:51:37,360

a quick

3002

01:51:40,550 --> 01:51:39,679

contribution i contributed to it i don't

3003

01:51:42,709 --> 01:51:40,560

consider myself

3004

01:51:44,470 --> 01:51:42,719

he put my name just as big as his and i

3005

01:51:48,070 --> 01:51:44,480

said no cal don't do that

3006

01:51:49,990 --> 01:51:48,080

well but there's ego in this in fact i

3007

01:51:53,030 --> 01:51:50,000

often don't want my name on it but you

3008

01:51:55,510 --> 01:51:53,040

know and then if i do i insist it be kkk

3009

01:51:58,550 --> 01:51:55,520

just so people have to face their

3010

01:52:02,070 --> 01:52:00,390

you know oh for the record so the

3011

01:52:02,709 --> 01:52:02,080

pleiadians don't try to attack me over

3012

01:52:04,870 --> 01:52:02,719

this

3013

01:52:06,390 --> 01:52:04,880

um the letter k is not used in the

3014

01:52:08,790 --> 01:52:06,400

german alphabet or letter c

3015

01:52:11,350 --> 01:52:08,800

is not used in the german alphabet a lot

3016

01:52:13,030 --> 01:52:11,360

neither in hebrew my name is hebrew my

3017

01:52:14,870 --> 01:52:13,040

last name is german so there's actually

3018

01:52:16,950 --> 01:52:14,880

a figure i put in there stephen for

3019

01:52:18,149 --> 01:52:16,960

those who want to go there the power of

3020

01:52:20,149 --> 01:52:18,159

the case and it's a

3021

01:52:21,270 --> 01:52:20,159

it's a screenshot from a dictionary that

3022

01:52:23,189 --> 01:52:21,280

explains

3023

01:52:24,550 --> 01:52:23,199

why these languages don't use k and

3024

01:52:26,709 --> 01:52:24,560

that's the reason i don't have

3025

01:52:28,470 --> 01:52:26,719

a c in there but ironically wendell who

3026

01:52:31,510 --> 01:52:28,480

was fluent in spanish had a c

3027

01:52:33,430 --> 01:52:31,520

so when wendell attacked me in the book

3028

01:52:35,750 --> 01:52:33,440

as i report for being a member of the ku

3029

01:52:38,790 --> 01:52:35,760

klux klan because of my initials

3030

01:52:39,910 --> 01:52:38,800

it was a racist to hateful ridiculous

3031

01:52:41,589 --> 01:52:39,920

it's just that's their

3032

01:52:44,070 --> 01:52:41,599

tactics to try to turn people against

3033

01:52:46,070 --> 01:52:44,080

you right

3034

01:52:48,470 --> 01:52:46,080

listen i i could talk to you for another

3035

01:52:49,270 --> 01:52:48,480

three hours here but we do got to wrap

3036

01:52:52,070 --> 01:52:49,280

things up

3037

01:52:53,430 --> 01:52:52,080

sure and i have the video so here's what

3038

01:52:55,510 --> 01:52:53,440

i'm going to tell everybody

3039

01:52:56,470 --> 01:52:55,520

we don't usually go this long without

3040

01:52:58,550 --> 01:52:56,480

interacting and

3041

01:53:00,149 --> 01:52:58,560

talking and me answering questions from

3042

01:53:01,830 --> 01:53:00,159

the live chat so

3043

01:53:03,189 --> 01:53:01,840

cal what i'm going to do is i'm going to

3044

01:53:05,109 --> 01:53:03,199

hop off here

3045

01:53:07,030 --> 01:53:05,119

and i'm going to work on uploading this

3046

01:53:10,470 --> 01:53:07,040

video to our channel

3047

01:53:12,390 --> 01:53:10,480

and then i'm going to hop back on to

3048

01:53:13,990 --> 01:53:12,400

to interact here with the live chat

3049

01:53:16,709 --> 01:53:14,000

because we've got to keep it under this

3050

01:53:17,750 --> 01:53:16,719

this limit here and right really under

3051

01:53:20,070 --> 01:53:17,760

the wire

3052

01:53:21,430 --> 01:53:20,080

right thank you so much for doing this

3053

01:53:22,390 --> 01:53:21,440

and we've got to have you come back and

3054

01:53:24,790 --> 01:53:22,400

we'll do a part two

3055

01:53:26,310 --> 01:53:24,800

absolutely yeah anytime just need to

3056

01:53:28,149 --> 01:53:26,320

work on the schedule just so you know

3057

01:53:32,390 --> 01:53:28,159

now my chokehouse corner

3058

01:53:35,109 --> 01:53:32,400

uh is now on every wednesday nights

3059

01:53:35,510 --> 01:53:35,119

at uh 7 p.m uh 10 o'clock your time i

3060

01:53:37,629 --> 01:53:35,520

guess

3061

01:53:39,030 --> 01:53:37,639

7 p.m pacific standard my website

3062

01:53:40,629 --> 01:53:39,040

calkorf.com

3063

01:53:43,030 --> 01:53:40,639

has a lot of stuff all this is being

3064

01:53:45,470 --> 01:53:43,040

updated there's a new website launching

3065

01:53:48,229 --> 01:53:45,480

in a couple days ufology

3066

01:53:50,550 --> 01:53:48,239

ufoology.org has a store on there

3067

01:53:52,310 --> 01:53:50,560

the books everything and then of course

3068

01:53:54,390 --> 01:53:52,320

the online doors will appear

3069

01:53:55,510 --> 01:53:54,400

for the stuff so a lot of stuff yeah a

3070

01:53:57,270 --> 01:53:55,520

lot of the works

3071

01:53:58,709 --> 01:53:57,280

and i'm glad to be to be helping you

3072

01:54:01,430 --> 01:53:58,719

with some of it so

3073

01:54:02,870 --> 01:54:01,440

uh listen friends uh this has been an

3074

01:54:05,990 --> 01:54:02,880

information packed show

3075

01:54:08,149 --> 01:54:06,000

i'm gonna hop off here and try to deal

3076

01:54:09,510 --> 01:54:08,159

with some housekeeping getting cal's

3077

01:54:11,270 --> 01:54:09,520

video up and then

3078

01:54:12,870 --> 01:54:11,280

i'll be back on just to interact with

3079

01:54:16,390 --> 01:54:12,880

the audience and we'll have sort of

3080

01:54:18,149 --> 01:54:16,400

ask me anything and uh more laid back uh

3081

01:54:19,589 --> 01:54:18,159

part two for tonight i've got a little

3082

01:54:20,629 --> 01:54:19,599

bit of steam left in me and i think it's

3083

01:54:22,550 --> 01:54:20,639

important to do that

3084

01:54:24,470 --> 01:54:22,560

thanks so much for doing this cow court

3085

01:54:25,750 --> 01:54:24,480

i appreciate it you're welcome anytime

3086

01:54:29,990 --> 01:54:25,760

let's do it again

3087

01:54:31,270 --> 01:54:30,000

right well friends uh

3088

01:54:33,270 --> 01:54:31,280

i want to thank each and every one of

3089

01:54:34,950 --> 01:54:33,280

you for joining uh for joining us

3090

01:54:36,709 --> 01:54:34,960

tonight we're gonna do a part two for

3091

01:54:37,669 --> 01:54:36,719

tonight i'm gonna hop back on here

3092

01:54:40,149 --> 01:54:37,679

shortly

3093

01:54:56,380 --> 01:54:40,159

but in the meantime friends god bless

3094

01:54:56,390 --> 01:55:30,830

[Music]

3095

01:55:30,840 --> 01:55:35,490

so

3096

01:56:14,740 --> 01:55:43,070

[Music]
