00:00:19,440 --> 00:00:40,389

[Music]

2  
00:00:44,549 --> 00:00:41,030  
greetings

3  
00:00:49,670 --> 00:00:44,559  
and salutations friends and we are back

4  
00:00:54,470 --> 00:00:51,590  
i didn't expect tonight to be a double

5  
00:00:56,470 --> 00:00:54,480  
shot but then i realized that i sort of

6  
00:00:57,029 --> 00:00:56,480  
committed to myself that i would do four

7  
00:01:01,029 --> 00:00:57,039  
shows

8  
00:01:03,750 --> 00:01:01,039  
a week at least and uh yeah we were one

9  
00:01:05,350 --> 00:01:03,760  
short so uh and there was so much to

10  
00:01:07,830 --> 00:01:05,360  
unpack with this cow court

11  
00:01:09,510 --> 00:01:07,840  
that special guest earlier that i

12  
00:01:12,630 --> 00:01:09,520  
thought it would be good to

13  
00:01:18,469 --> 00:01:12,640

just sort of pop back on here and do a

14

00:01:18,479 --> 00:01:22,870

a short show

15

00:01:22,880 --> 00:01:28,149

so uh

16

00:01:32,069 --> 00:01:30,870

what can we say about cal court i

17

00:01:33,109 --> 00:01:32,079

noticed a lot of people are getting

18

00:01:34,390 --> 00:01:33,119

upset

19

00:01:35,990 --> 00:01:34,400

well not a lot of people but a few

20

00:01:37,990 --> 00:01:36,000

people were getting upset when we

21

00:01:40,550 --> 00:01:38,000

started getting into this roswell

22

00:01:42,870 --> 00:01:40,560

and held roswell according to kalkhorff

23

00:01:45,190 --> 00:01:42,880

was just a weather balloon

24

00:01:47,270 --> 00:01:45,200

that's a hard pill to swallow so many

25

00:01:48,710 --> 00:01:47,280

people believe in the roswell case so

26

00:01:51,109 --> 00:01:48,720

many people believe

27

00:01:52,550 --> 00:01:51,119

that it was an alien spacecraft and a

28

00:01:55,270 --> 00:01:52,560

cover-up

29

00:01:58,469 --> 00:01:55,280

and sort of ingrained right it's almost

30

00:02:02,630 --> 00:01:58,479

the holy grail of ufology that case

31

00:02:06,870 --> 00:02:02,640

and it is ingrained in believers

32

00:02:09,270 --> 00:02:06,880

even people that have a serious interest

33

00:02:11,029 --> 00:02:09,280

there's so many data points with roswell

34

00:02:13,670 --> 00:02:11,039

that it's easy to become convinced that

35

00:02:17,670 --> 00:02:13,680

it was an alien spacecraft and i was for

36

00:02:20,949 --> 00:02:17,680

years and i might still be

37

00:02:23,670 --> 00:02:20,959

but to those who uh really

38

00:02:26,869 --> 00:02:23,680

read the guy's book uh the truth about

39

00:02:34,390 --> 00:02:30,790

you may come away from that like i've

40

00:02:37,910 --> 00:02:34,400

said as if that is a second red pill

41

00:02:41,270 --> 00:02:37,920

um not so fast right

42

00:02:42,949 --> 00:02:41,280

and uh this is just one of his it's just

43

00:02:45,509 --> 00:02:42,959

one of his

44

00:02:47,430 --> 00:02:45,519

books uh most of them are pretty

45

00:02:50,229 --> 00:02:47,440

thoroughly researched

46

00:02:50,790 --> 00:02:50,239

there's you know evidence and data that

47

00:02:55,430 --> 00:02:50,800

he can

48

00:02:55,440 --> 00:03:00,470

so many of these stories come with

49

00:03:08,149 --> 00:03:03,750

not much evidence right

50

00:03:15,670 --> 00:03:11,430

somehow they become believed

51

00:03:15,680 --> 00:03:20,229

our need to believe them

52

00:03:23,750 --> 00:03:22,949

our hope that we can continue to believe

53

00:03:27,910 --> 00:03:23,760

them

54

00:03:30,869 --> 00:03:27,920

is never destroyed

55

00:03:32,309 --> 00:03:30,879

but sometimes it is and if the

56

00:03:35,270 --> 00:03:32,319

information

57

00:03:37,509 --> 00:03:35,280

that you get is impactful enough it can

58

00:03:40,789 --> 00:03:37,519

change your opinion

59

00:03:42,550 --> 00:03:40,799

i'm still holding on desperately wanting

60

00:03:45,110 --> 00:03:42,560

to believe that roswell

61

00:03:47,030 --> 00:03:45,120

was a crashed extraterrestrial

62

00:03:50,390 --> 00:03:47,040

spacecraft that roswell

63

00:03:53,509 --> 00:03:50,400

was that event

64

00:03:56,949 --> 00:03:53,519

that some people painted to be which was

65

00:04:01,670 --> 00:03:56,959

an alien spacecraft aliens

66

00:04:04,949 --> 00:04:01,680

bodies ufo crash retrieval

67

00:04:11,110 --> 00:04:06,949

it is one of the most important stories

68

00:04:16,390 --> 00:04:11,120

in all of this ufo mythology or lore

69

00:04:24,469 --> 00:04:21,030

walk that bridge for so long

70

00:04:25,749 --> 00:04:24,479

totally believing that those were aliens

71

00:04:29,590 --> 00:04:25,759

bro

72

00:04:32,790 --> 00:04:29,600

and then go and read council's book

73

00:04:35,030 --> 00:04:32,800

and it's a disappointment

74

00:04:35,830 --> 00:04:35,040

right you get you get disappointed

75

00:04:39,110 --> 00:04:35,840

you're like

76  
00:04:40,950 --> 00:04:39,120  
holy [\h\_\_\h] i thought you mean this person

77  
00:04:44,310 --> 00:04:40,960  
was full of [\h\_\_\h] and this person was

78  
00:04:51,189 --> 00:04:47,990  
stories changed right

79  
00:04:54,230 --> 00:04:51,199  
stories were invented stories were

80  
00:04:59,189 --> 00:04:54,240  
tacked on to the event after the event

81  
00:05:04,550 --> 00:05:01,990  
people started telling their little part

82  
00:05:05,029 --> 00:05:04,560  
of the story as the story became one of

83  
00:05:08,469 --> 00:05:05,039  
the most

84  
00:05:12,150 --> 00:05:08,479  
famous stories in all of history

85  
00:05:12,629 --> 00:05:12,160  
really as far as conspiracy land stories

86  
00:05:16,550 --> 00:05:12,639  
goes

87  
00:05:20,790 --> 00:05:16,560  
roswell is it roswell is

88  
00:05:23,510 --> 00:05:20,800

sort of a foundation that many of these

89

00:05:24,070 --> 00:05:23,520

uh ufo hucksters and frosters that are

90

00:05:27,670 --> 00:05:24,080

constantly

91

00:05:30,070 --> 00:05:27,680

selling fake stories always come back to

92

00:05:31,510 --> 00:05:30,080

roswell broadway was real

93

00:05:34,310 --> 00:05:31,520

and this other stuff that i'm going to

94

00:05:39,029 --> 00:05:34,320

sell you was real too

95

00:05:42,390 --> 00:05:39,039

maybe not so fast maybe just maybe

96

00:05:45,110 --> 00:05:42,400

um there are

97

00:05:45,749 --> 00:05:45,120

there is more to the story or that the

98

00:05:49,270 --> 00:05:45,759

story

99

00:05:54,469 --> 00:05:49,280

is not as incredible as people have

100

00:05:58,790 --> 00:05:56,870

and so uh and with that friends i'll

101  
00:06:01,110 --> 00:05:58,800  
turn my attention to the live chat

102  
00:06:02,950 --> 00:06:01,120  
we have william pixley as always trying

103  
00:06:07,749 --> 00:06:02,960  
to keep me honest

104  
00:06:09,590 --> 00:06:07,759  
gosh william picks me

105  
00:06:11,350 --> 00:06:09,600  
why are you so prone to believe the

106  
00:06:12,070 --> 00:06:11,360  
government i'm not believing the

107  
00:06:14,710 --> 00:06:12,080  
government

108  
00:06:15,350 --> 00:06:14,720  
i'm believing an independent fact

109  
00:06:18,790 --> 00:06:15,360  
checker

110  
00:06:20,790 --> 00:06:18,800  
and researcher i think right so

111  
00:06:22,469 --> 00:06:20,800  
it's not the government it's what the

112  
00:06:25,990 --> 00:06:22,479  
government said but then

113  
00:06:29,270 --> 00:06:26,000

it's been independently fact checked and

114

00:06:32,950 --> 00:06:29,280

the evidence seems to suggest that yes

115

00:06:36,629 --> 00:06:32,960

uh roswell may have been

116

00:06:39,670 --> 00:06:36,639

simply a mobile balloon

117

00:06:43,430 --> 00:06:39,680

and it pains me that if that's really

118

00:06:46,070 --> 00:06:43,440

as simple as this story is and

119

00:06:47,670 --> 00:06:46,080

but we can quickly see if the story was

120

00:06:50,469 --> 00:06:47,680

really that simple

121

00:06:51,909 --> 00:06:50,479

we can quickly see how people tapped on

122

00:06:54,469 --> 00:06:51,919

and tacked on and

123

00:06:54,950 --> 00:06:54,479

changed the story and adapted the story

124

00:07:01,350 --> 00:06:54,960

and

125

00:07:05,430 --> 00:07:03,510

it's a great mystery roswell is a great

126

00:07:07,830 --> 00:07:05,440

mystery now uh

127

00:07:09,350 --> 00:07:07,840

where am i at do i believe that uh

128

00:07:12,550 --> 00:07:09,360

kalkwarf is 100

129

00:07:15,189 --> 00:07:12,560

right in his interpretation of what

130

00:07:18,070 --> 00:07:15,199

roswell was

131

00:07:18,710 --> 00:07:18,080

i'm still on the fence and i think a lot

132

00:07:20,150 --> 00:07:18,720

of

133

00:07:21,909 --> 00:07:20,160

the reason i'm still on the fence is

134

00:07:25,430 --> 00:07:21,919

because i hate to give up

135

00:07:27,510 --> 00:07:25,440

that i hate to give up that belief that

136

00:07:29,189 --> 00:07:27,520

i was an alien spacecraft

137

00:07:31,430 --> 00:07:29,199

i hate to give up that belief that we

138

00:07:32,629 --> 00:07:31,440

recovered bodies i hate to give up that

139

00:07:34,629 --> 00:07:32,639

belief that

140

00:07:37,510 --> 00:07:34,639

you know the government may have taken

141

00:07:39,589 --> 00:07:37,520

this thing and back engineered it

142

00:07:41,830 --> 00:07:39,599

it's a great story it's a tremendous

143

00:07:45,909 --> 00:07:41,840

mystery

144

00:07:46,390 --> 00:07:45,919

and maybe like many great mysteries were

145

00:07:50,070 --> 00:07:46,400

just

146

00:07:53,270 --> 00:07:50,080

not meant to know definitively

147

00:07:55,270 --> 00:07:53,280

one way or the other right

148

00:07:56,869 --> 00:07:55,280

because if we find out definitively one

149

00:07:59,909 --> 00:07:56,879

way or the other

150

00:08:00,790 --> 00:07:59,919

it won't any it will no longer be a

151  
00:08:07,189 --> 00:08:00,800  
mystery

152  
00:08:10,390 --> 00:08:09,909  
you know facts once you know something

153  
00:08:12,629 --> 00:08:10,400  
is an

154  
00:08:14,469 --> 00:08:12,639  
absolute fact there's no mystery left in

155  
00:08:16,629 --> 00:08:14,479  
it

156  
00:08:17,990 --> 00:08:16,639  
there's a great deal of mystery left in

157  
00:08:20,790 --> 00:08:18,000  
roswell

158  
00:08:22,070 --> 00:08:20,800  
and i've read all that i could about

159  
00:08:24,230 --> 00:08:22,080  
roswell

160  
00:08:27,589 --> 00:08:24,240  
and i gotta tell you if you read some of

161  
00:08:31,110 --> 00:08:27,599  
the pro roswell books you come away

162  
00:08:34,870 --> 00:08:31,120  
convinced totally convinced

163  
00:08:40,230 --> 00:08:34,880

so you know don schmidt's books

164

00:08:44,790 --> 00:08:40,240

um some of the earlier books stan

165

00:08:50,790 --> 00:08:47,750

there's been more study and work done on

166

00:08:53,910 --> 00:08:50,800

roswell than perhaps any other ufo event

167

00:08:57,269 --> 00:08:53,920

in the history of the world so there is

168

00:09:01,190 --> 00:09:00,310

there is a treasured chest of

169

00:09:05,190 --> 00:09:01,200

information

170

00:09:07,670 --> 00:09:05,200

about the event out there

171

00:09:09,509 --> 00:09:07,680

and that continues because even recently

172

00:09:11,990 --> 00:09:09,519

we have this annie jacobson

173

00:09:13,590 --> 00:09:12,000

who had a source that tried to say that

174

00:09:16,949 --> 00:09:13,600

roswell was some

175

00:09:19,509 --> 00:09:16,959

soviet top secret aircraft and they put

176

00:09:21,430 --> 00:09:19,519

mutilated children

177

00:09:22,790 --> 00:09:21,440

in there to convince us that it was

178

00:09:25,350 --> 00:09:22,800

aliens

179

00:09:26,630 --> 00:09:25,360

another crazy part of the legend of

180

00:09:29,030 --> 00:09:26,640

roswell

181

00:09:30,389 --> 00:09:29,040

that's just been tacked on recently and

182

00:09:34,550 --> 00:09:30,399

of course we had the day

183

00:09:37,910 --> 00:09:34,560

after roswell phillip corso

184

00:09:41,110 --> 00:09:37,920

who uh claimed that

185

00:09:43,990 --> 00:09:41,120

he was given degree or

186

00:09:44,710 --> 00:09:44,000

material he was put in charge of

187

00:09:46,870 --> 00:09:44,720

material

188

00:09:49,030 --> 00:09:46,880

from the roswell wreckage and it's a

189

00:09:50,389 --> 00:09:49,040

believable story at first because he was

190

00:09:54,470 --> 00:09:50,399

in charge of

191

00:09:57,910 --> 00:09:54,480

foreign technology for a time

192

00:09:58,710 --> 00:09:57,920

and he claimed that some of that

193

00:10:02,230 --> 00:09:58,720

wreckage was

194

00:10:03,509 --> 00:10:02,240

leaked into industry and research

195

00:10:09,030 --> 00:10:03,519

efforts

196

00:10:17,110 --> 00:10:14,150

fiber optics and the microprocessor

197

00:10:18,310 --> 00:10:17,120

out of that wreckage and that sort of

198

00:10:21,430 --> 00:10:18,320

jump started and

199

00:10:24,790 --> 00:10:21,440

changed our society

200

00:10:28,069 --> 00:10:24,800

into a much more technological one

201  
00:10:31,430 --> 00:10:28,079  
and if that were the case

202  
00:10:34,790 --> 00:10:31,440  
what an amazing change in humanity

203  
00:10:37,990 --> 00:10:34,800  
how fortunate we were to find these

204  
00:10:40,630 --> 00:10:38,000  
this wrecked flying saucer and be able

205  
00:10:44,790 --> 00:10:40,640  
to pull the [h\_\_\h] out of it and

206  
00:10:47,990 --> 00:10:44,800  
advance mankind ridiculous amounts

207  
00:10:49,829 --> 00:10:48,000  
free energy right we got

208  
00:10:53,190 --> 00:10:49,839  
the secret to free energy out of that

209  
00:10:55,509 --> 00:10:53,200  
thing we got kevlar we got fiber optics

210  
00:10:58,829 --> 00:10:55,519  
and the microprocessor the thing that

211  
00:11:04,630 --> 00:11:02,550  
everything in our world

212  
00:11:06,949 --> 00:11:04,640  
what if that really did come from all of

213  
00:11:09,829 --> 00:11:06,959

that came from alien spacecraft

214

00:11:10,470 --> 00:11:09,839

lasers as well we got lasers from the

215

00:11:14,550 --> 00:11:10,480

roswell

216

00:11:18,630 --> 00:11:14,560

crash according to the corso

217

00:11:23,829 --> 00:11:21,430

the story just does not hold water if

218

00:11:25,350 --> 00:11:23,839

you look at the actual scientific facts

219

00:11:28,470 --> 00:11:25,360

of everything

220

00:11:29,829 --> 00:11:28,480

and the state of research when he claims

221

00:11:32,949 --> 00:11:29,839

he handed off

222

00:11:36,790 --> 00:11:32,959

this stuff to

223

00:11:41,030 --> 00:11:36,800

different companies and researchers they

224

00:11:43,190 --> 00:11:41,040

had already created what he's claiming

225

00:11:44,389 --> 00:11:43,200

they created through back engineering

226  
00:11:49,990 --> 00:11:44,399  
alien

227  
00:11:50,000 --> 00:11:53,190  
the story

228  
00:11:53,200 --> 00:12:00,710  
just doesn't as true

229  
00:12:06,710 --> 00:12:03,590  
later i read books by don schmidt and

230  
00:12:09,509 --> 00:12:06,720  
don schmidt claims that he can tell you

231  
00:12:10,629 --> 00:12:09,519  
who picked up the wreckage he can tell

232  
00:12:13,990 --> 00:12:10,639  
you

233  
00:12:15,910 --> 00:12:14,000  
who drove the truck full of the wreckage

234  
00:12:19,910 --> 00:12:15,920  
back to the base

235  
00:12:25,990 --> 00:12:23,590  
onto transport planes who unloaded it

236  
00:12:27,910 --> 00:12:26,000  
from the transport planes where that

237  
00:12:32,790 --> 00:12:27,920  
wreckage went

238  
00:12:40,870 --> 00:12:36,710

saw bodies and transported

239

00:12:45,269 --> 00:12:43,509

but a lot of these witnesses start to

240

00:12:50,069 --> 00:12:45,279

fall apart very quickly

241

00:12:54,150 --> 00:12:50,079

under scrutiny the story

242

00:13:03,750 --> 00:12:57,590

but i'm just not sure that the evidence

243

00:13:07,030 --> 00:13:03,760

is there to mean that it's a true story

244

00:13:10,069 --> 00:13:07,040

and like i said really friends it's just

245

00:13:16,949 --> 00:13:14,150

where do we go from here well

246

00:13:17,910 --> 00:13:16,959

i suppose i for one will continue to

247

00:13:22,629 --> 00:13:17,920

read whatever

248

00:13:28,629 --> 00:13:25,910

whatever comes across my desk i suppose

249

00:13:30,389 --> 00:13:28,639

about the roswell incident it is

250

00:13:33,509 --> 00:13:30,399

something that will probably always

251

00:13:34,230 --> 00:13:33,519

interest and still fascinate me even

252

00:13:37,590 --> 00:13:34,240

though i

253

00:13:37,600 --> 00:13:42,870

none of us may get answers

254

00:13:49,750 --> 00:13:47,030

a solved mystery holds no value

255

00:13:51,750 --> 00:13:49,760

a solid mystery is no longer a mystery

256

00:13:54,230 --> 00:13:51,760

it's no longer mysterious it's no longer

257

00:13:57,430 --> 00:13:54,240

captivating it's no longer

258

00:13:59,750 --> 00:13:57,440

uh will hold our interest

259

00:14:02,069 --> 00:13:59,760

and so maybe just maybe the roswell

260

00:14:05,030 --> 00:14:02,079

incident is one of those

261

00:14:10,870 --> 00:14:05,040

that we should never get the true

262

00:14:18,150 --> 00:14:14,629

i love to know 100

263

00:14:22,069 --> 00:14:18,160

with certainty either way was it real

264

00:14:25,590 --> 00:14:22,079

or wasn't the moon or something else

265

00:14:27,590 --> 00:14:25,600

terrestrial i would love to get them

266

00:14:32,389 --> 00:14:27,600

infinitive proof

267

00:14:37,430 --> 00:14:32,399

but i never have and i still

268

00:14:41,350 --> 00:14:37,440

walk that tightrope between believing it

269

00:14:46,710 --> 00:14:44,230

and i guess here i am on that line and i

270

00:14:50,629 --> 00:14:46,720

will continue to walk that line

271

00:14:52,710 --> 00:14:50,639

until such time as i'm

272

00:14:55,590 --> 00:14:52,720

i get the proof either way the

273

00:15:00,949 --> 00:14:57,590

proof that no one could argue with

274

00:15:05,910 --> 00:15:03,750

so friends i will with that i'll turn my

275

00:15:07,670 --> 00:15:05,920

total attention to the live chat

276

00:15:09,189 --> 00:15:07,680

just wanted to check it's important to

277

00:15:11,110 --> 00:15:09,199

me to check back in with you guys

278

00:15:13,750 --> 00:15:11,120

because

279

00:15:15,670 --> 00:15:13,760

seemed like the earlier show we did we

280

00:15:18,710 --> 00:15:15,680

didn't get to the audience because

281

00:15:20,310 --> 00:15:18,720

cal had so much to unpack

282

00:15:23,269 --> 00:15:20,320

and uh by the way i'm going to be

283

00:15:26,870 --> 00:15:23,279

uploading his video as soon as we're

284

00:15:28,389 --> 00:15:26,880

done so i guess uh if you wanted one you

285

00:15:30,310 --> 00:15:28,399

could have yourself the truth seekers

286

00:15:32,629 --> 00:15:30,320

marathon here with two shows

287

00:15:34,150 --> 00:15:32,639

and a special exclusive video all

288

00:15:39,030 --> 00:15:34,160

uploaded

289

00:15:39,040 --> 00:15:43,910

my boyfriend's on let me

290

00:15:43,920 --> 00:15:53,670

let me check one thing real quickly here

291

00:15:57,829 --> 00:15:56,310

yeah temperatures really dropped so i

292

00:15:59,670 --> 00:15:57,839

was wondering why

293

00:16:01,350 --> 00:15:59,680

like earlier i was kind of cold in the

294

00:16:06,150 --> 00:16:01,360

mail i'm really getting cold

295

00:16:10,949 --> 00:16:06,160

it's 40 outside well actually it's 36.

296

00:16:13,350 --> 00:16:10,959

um it was 40 earlier so 36.

297

00:16:16,470 --> 00:16:13,360

welcome to the mountains it's september

298

00:16:20,550 --> 00:16:16,480

19 to man it should not be like

299

00:16:24,470 --> 00:16:23,910

uh yeah pretty cold here i have yet to

300

00:16:26,870 --> 00:16:24,480

start

301  
00:16:28,550 --> 00:16:26,880  
uh a fire on the wood stove or anything

302  
00:16:30,389 --> 00:16:28,560  
like that because

303  
00:16:33,110 --> 00:16:30,399  
i've only got so much firewood already

304  
00:16:36,389 --> 00:16:33,120  
cut and i'm trying to conserve it

305  
00:16:38,230 --> 00:16:36,399  
so like i don't know you know if i

306  
00:16:39,829 --> 00:16:38,240  
absolutely need to start firing here i

307  
00:16:42,870 --> 00:16:39,839  
will but i've got this electric

308  
00:16:44,550 --> 00:16:42,880  
um electric heater which i apologize you

309  
00:16:46,790 --> 00:16:44,560  
may hear that blowing in the

310  
00:16:49,350 --> 00:16:46,800  
in the mics i can't do anything about

311  
00:16:52,470 --> 00:16:49,360  
that it's got to be on or i'll die

312  
00:16:55,269 --> 00:16:52,480  
i'm always cold and yeah

313  
00:16:56,230 --> 00:16:55,279

so uh it's not too big actually it's

314

00:16:59,509 --> 00:16:56,240

probably like

315

00:17:02,949 --> 00:16:59,519

it's got to be 60 65 in here maybe

316

00:17:09,350 --> 00:17:07,429

i like it 75 or 80. right

317

00:17:11,029 --> 00:17:09,360

i don't like to uh i don't like to be

318

00:17:13,270 --> 00:17:11,039

cold one bit

319

00:17:15,429 --> 00:17:13,280

and i might i don't know i might still

320

00:17:16,069 --> 00:17:15,439

start fire tonight we'll see how i gotta

321

00:17:17,829 --> 00:17:16,079

check how

322

00:17:19,669 --> 00:17:17,839

low the temperature's really going to

323

00:17:22,789 --> 00:17:19,679

drop any more than it already did i

324

00:17:25,029 --> 00:17:22,799

probably have to and i

325

00:17:26,470 --> 00:17:25,039

posted pictures on my twitter earlier

326

00:17:28,390 --> 00:17:26,480

i'm going to share that

327

00:17:30,390 --> 00:17:28,400

people ask about the cabin and how

328

00:17:34,549 --> 00:17:30,400

things are going

329

00:17:34,559 --> 00:17:38,390

let me get to my

330

00:17:42,150 --> 00:17:40,950

to my twitter and we'll share that i

331

00:17:45,190 --> 00:17:42,160

just cleaned the

332

00:17:47,909 --> 00:17:45,200

uh with what i guess is the new studio

333

00:17:49,070 --> 00:17:47,919

while i'm here is the living room in the

334

00:17:50,390 --> 00:17:49,080

cabin

335

00:17:53,590 --> 00:17:50,400

[Music]

336

00:17:55,190 --> 00:17:53,600

yeah i miss my wife already she only

337

00:17:57,990 --> 00:17:55,200

comes here in the summer she's

338

00:18:00,549 --> 00:17:58,000

like that's it it's no longer swimming

339

00:18:03,270 --> 00:18:00,559

in beach weather i'm done

340

00:18:04,390 --> 00:18:03,280

coming there and then the cabin turns

341

00:18:08,230 --> 00:18:04,400

really

342

00:18:10,310 --> 00:18:08,240

messy so fast like

343

00:18:12,150 --> 00:18:10,320

god bless my wife because i'm a slob but

344

00:18:15,510 --> 00:18:12,160

today i uh

345

00:18:16,070 --> 00:18:15,520

i spent some time just cleaning up the

346

00:18:19,830 --> 00:18:16,080

cabin

347

00:18:19,840 --> 00:18:26,789

and uh yeah so besides that

348

00:18:31,510 --> 00:18:29,669

i'm working on this additional room

349

00:18:35,510 --> 00:18:31,520

which will be a sun room on the

350

00:18:38,630 --> 00:18:35,520

on the south facing side of the cabin

351  
00:18:39,750 --> 00:18:38,640  
over here we see the work area things

352  
00:18:44,470 --> 00:18:39,760  
coming together here

353  
00:18:55,990 --> 00:18:48,710  
oh how did i do that

354  
00:18:59,270 --> 00:18:56,000  
okay yeah so uh

355  
00:19:02,630 --> 00:19:01,909  
today's work it's trying to fill in the

356  
00:19:04,549 --> 00:19:02,640  
blanks

357  
00:19:06,789 --> 00:19:04,559  
we've got some windows in the room next

358  
00:19:07,430 --> 00:19:06,799  
door i'm hoping that i'll finish this

359  
00:19:10,470 --> 00:19:07,440  
wall

360  
00:19:13,029 --> 00:19:10,480  
tomorrow with any luck i will

361  
00:19:13,909 --> 00:19:13,039  
i've got to fill in the blanks up here

362  
00:19:17,510 --> 00:19:13,919  
and

363  
00:19:17,520 --> 00:19:21,669

but it's starting to look like something

364

00:19:25,190 --> 00:19:23,669

i have no idea what i'm doing i'm flying

365

00:19:28,230 --> 00:19:25,200

by the seat of my pants

366

00:19:31,750 --> 00:19:28,240

and uh by the grace of god it's

367

00:19:34,789 --> 00:19:31,760

slowly coming together and uh

368

00:19:38,150 --> 00:19:34,799

yeah so that's where i'm at

369

00:19:41,270 --> 00:19:38,160

with the cabin projects

370

00:19:41,280 --> 00:19:48,789

you know

371

00:19:52,789 --> 00:19:51,350

go back to the live chat i think the

372

00:19:54,549 --> 00:19:52,799

betty and barney hill case is more

373

00:19:59,029 --> 00:19:54,559

difficult to debunk

374

00:20:02,710 --> 00:19:59,039

well that's another one of those

375

00:20:04,230 --> 00:20:02,720

uh where cow court comes along and

376

00:20:07,590 --> 00:20:04,240

bursts your bubble

377

00:20:09,830 --> 00:20:07,600

[h\_\_\h] cow court

378

00:20:11,750 --> 00:20:09,840

yeah the biggest evidence that that

379

00:20:12,950 --> 00:20:11,760

story might have been really true was

380

00:20:16,070 --> 00:20:12,960

the star map

381

00:20:19,190 --> 00:20:16,080

and unfortunately the original

382

00:20:22,470 --> 00:20:19,200

way that was portrayed

383

00:20:24,390 --> 00:20:22,480

uh is not at all accurate so the star

384

00:20:26,710 --> 00:20:24,400

map is the biggest evidence of the case

385

00:20:30,230 --> 00:20:26,720

and the star map may be complete until

386

00:20:34,549 --> 00:20:32,230

the the other evidence i guess is their

387

00:20:37,830 --> 00:20:34,559

eyewitness testimony which

388

00:20:42,789 --> 00:20:37,840

you know i'm not sure you can prove or

389

00:20:47,270 --> 00:20:45,270

andrew vale how many trees have you

390

00:20:49,830 --> 00:20:47,280

murdered in total

391

00:20:51,750 --> 00:20:49,840

listen i hope uh andrewville are you

392

00:20:54,149 --> 00:20:51,760

like uh

393

00:20:56,950 --> 00:20:54,159

are you being sarcastic and like joking

394

00:20:58,950 --> 00:20:56,960

or are you really like

395

00:21:00,870 --> 00:20:58,960

i'm a murderer because i chopped down

396

00:21:04,950 --> 00:21:00,880

some trees

397

00:21:08,390 --> 00:21:04,960

anyway here's what i will tell you

398

00:21:11,590 --> 00:21:08,400

most of the entire cabin was built from

399

00:21:13,909 --> 00:21:11,600

uh fallen trees in the woods behind the

400

00:21:18,630 --> 00:21:13,919

cabin and nearby the cabin

401  
00:21:21,830 --> 00:21:20,950  
standing dead trees trees that were

402  
00:21:24,630 --> 00:21:21,840  
standing

403  
00:21:26,230 --> 00:21:24,640  
and dead no leaves on them for years so

404  
00:21:30,710 --> 00:21:26,240  
those were chopped down

405  
00:21:33,669 --> 00:21:30,720  
um and my neighbor

406  
00:21:34,549 --> 00:21:33,679  
brought me some loads of logs and those

407  
00:21:39,510 --> 00:21:34,559  
were

408  
00:21:42,149 --> 00:21:39,520  
up and thrown on a dump truck

409  
00:21:42,870 --> 00:21:42,159  
so we've murdered to my knowledge not

410  
00:21:45,669 --> 00:21:42,880  
many

411  
00:21:48,230 --> 00:21:45,679  
live trees uh there were a few trees

412  
00:21:50,230 --> 00:21:48,240  
which were in the way of the addition

413  
00:21:51,590 --> 00:21:50,240

of this living room being built in other

414

00:21:53,510 --> 00:21:51,600

words there was like a tree

415

00:21:55,909 --> 00:21:53,520

right in the middle of this room at one

416

00:21:59,270 --> 00:21:55,919

point had to go

417

00:22:02,470 --> 00:21:59,280

so yeah i took out a few living trees

418

00:22:03,190 --> 00:22:02,480

but uh that's it and most of the time it

419

00:22:05,669 --> 00:22:03,200

was because

420

00:22:06,710 --> 00:22:05,679

the living tree was right in the way of

421

00:22:09,510 --> 00:22:06,720

putting a room in

422

00:22:09,909 --> 00:22:09,520

or something you know it had to go and

423

00:22:12,310 --> 00:22:09,919

uh

424

00:22:14,310 --> 00:22:12,320

by the way the one that was in the

425

00:22:16,230 --> 00:22:14,320

middle of this room that we cut down

426

00:22:18,390 --> 00:22:16,240

ended up in the walls so the tree's

427

00:22:21,590 --> 00:22:18,400

still here it's just no longer

428

00:22:24,630 --> 00:22:21,600

living does that make sense

429

00:22:26,390 --> 00:22:24,640

i get a lot of people uh wondering like

430

00:22:29,350 --> 00:22:26,400

am i just running around chopping

431

00:22:29,990 --> 00:22:29,360

trees down left and right to do this no

432

00:22:32,710 --> 00:22:30,000

um

433

00:22:34,310 --> 00:22:32,720

i try to be a good steward of the local

434

00:22:37,510 --> 00:22:34,320

forestry here

435

00:22:39,909 --> 00:22:37,520

i take dead trees constantly for things

436

00:22:41,510 --> 00:22:39,919

if it fell over it's gonna rot in the

437

00:22:43,029 --> 00:22:41,520

woods where i can drag it out of the

438

00:22:45,430 --> 00:22:43,039

woods and do something useful

439

00:22:47,270 --> 00:22:45,440

with it i'm gonna drag it out of the

440

00:22:55,750 --> 00:22:47,280

woods and try to do something useful

441

00:22:58,149 --> 00:22:55,760

with it

442

00:22:58,950 --> 00:22:58,159

wow that's a crazy question invisible

443

00:23:00,470 --> 00:22:58,960

hand didn't

444

00:23:03,190 --> 00:23:00,480

the hills originally say they were

445

00:23:06,149 --> 00:23:03,200

kidnapped by nazis with big noses

446

00:23:07,190 --> 00:23:06,159

before they changed it to aliens i have

447

00:23:17,990 --> 00:23:07,200

never heard that

448

00:23:21,190 --> 00:23:19,669

yes so friends if you have any comments

449

00:23:24,149 --> 00:23:21,200

or questions for me

450

00:23:25,990 --> 00:23:24,159

just please put them in all caps i guess

451

00:23:27,750 --> 00:23:26,000

i should remind everybody to please

452

00:23:29,909 --> 00:23:27,760

there's a few ways to support me we have

453

00:23:31,350 --> 00:23:29,919

a patreon

454

00:23:33,750 --> 00:23:31,360

and patreon supporters are going to be

455

00:23:36,390 --> 00:23:33,760

getting another mind hack demo

456

00:23:38,710 --> 00:23:36,400

this month hopefully and uh audio

457

00:23:41,750 --> 00:23:38,720

journal that i record every month

458

00:23:44,950 --> 00:23:41,760

sort of behind the scenes backstage pass

459

00:23:48,310 --> 00:23:44,960

i got the show upcoming

460

00:23:50,149 --> 00:23:48,320

stuff previewed sometimes and uh there's

461

00:23:53,669 --> 00:23:50,159

a paypal donation button

462

00:23:56,630 --> 00:23:53,679

but failing uh throwing any cash at me

463

00:23:59,350 --> 00:23:56,640

because we all need that uh i understand

464

00:24:02,710 --> 00:23:59,360

it's a trying time for everyone

465

00:24:06,149 --> 00:24:02,720

so the costless way to help

466

00:24:09,029 --> 00:24:06,159

me and help the show is to like

467

00:24:10,700 --> 00:24:09,039

comment subscribe and share these videos

468

00:24:12,470 --> 00:24:10,710

on your social media

469

00:24:13,830 --> 00:24:12,480

[Music]

470

00:24:15,350 --> 00:24:13,840

they always tell people if you're

471

00:24:16,149 --> 00:24:15,360

interested in these subjects you

472

00:24:17,590 --> 00:24:16,159

probably know

473

00:24:19,510 --> 00:24:17,600

five or ten other people that are

474

00:24:22,789 --> 00:24:19,520

interested in these subjects please

475

00:24:27,750 --> 00:24:22,799

copy the channel address and

476

00:24:30,950 --> 00:24:27,760

to some friends that you know

477

00:24:35,190 --> 00:24:30,960

enjoy these topics ask them to subscribe

478

00:24:38,390 --> 00:24:35,200

we need to get a bigger bowl

479

00:24:40,230 --> 00:24:38,400

so on to a lot of chat with some

480

00:24:43,909 --> 00:24:40,240

questions what's your opinion on bob

481

00:24:47,350 --> 00:24:45,590

well bob bigelow is a very interesting

482

00:24:48,230 --> 00:24:47,360

character he has you know he's a

483

00:24:50,789 --> 00:24:48,240

billionaire

484

00:24:52,070 --> 00:24:50,799

and he's very very interested in ufos so

485

00:24:54,390 --> 00:24:52,080

much so that he has

486

00:24:56,950 --> 00:24:54,400

funded many researchers giving them

487

00:25:00,149 --> 00:24:56,960

money chunks of money

488

00:25:02,310 --> 00:25:00,159

he was once involved with was

489

00:25:04,070 --> 00:25:02,320

gonna start a company with bob lazar but

490

00:25:06,230 --> 00:25:04,080

that fell apart when he realized that

491

00:25:08,230 --> 00:25:06,240

bob was our story was [h\_\_h] and so

492

00:25:12,870 --> 00:25:08,240

was his element 115

493

00:25:14,950 --> 00:25:12,880

scheme uh bought skin walker ranch

494

00:25:16,710 --> 00:25:14,960

the ranch where all this paranormal

495

00:25:21,029 --> 00:25:16,720

activity is supposed to happen

496

00:25:25,029 --> 00:25:23,430

after dumping tons of money paying

497

00:25:28,149 --> 00:25:25,039

scientists to go there

498

00:25:29,510 --> 00:25:28,159

study the branch try to figure out what

499

00:25:32,470 --> 00:25:29,520

was happening there

500

00:25:33,909 --> 00:25:32,480

he kind of threw in the towel and i

501  
00:25:36,149 --> 00:25:33,919  
think if there was really anything to

502  
00:25:39,590 --> 00:25:36,159  
skin walker ranch he would not have

503  
00:25:42,230 --> 00:25:39,600  
sold it he would have held on to it

504  
00:25:43,909 --> 00:25:42,240  
because the value of what he would be

505  
00:25:46,230 --> 00:25:43,919  
able to generate from that place would

506  
00:25:50,310 --> 00:25:46,240  
be tremendous

507  
00:25:54,230 --> 00:25:50,320  
if it was proven right

508  
00:25:59,029 --> 00:25:57,190  
yeah i think that bob bigelow unlike the

509  
00:26:01,750 --> 00:25:59,039  
current owner was not interested

510  
00:26:02,950 --> 00:26:01,760  
in entertainment he was interested in

511  
00:26:04,549 --> 00:26:02,960  
the truth

512  
00:26:06,310 --> 00:26:04,559  
and when he realized that there was

513  
00:26:09,190 --> 00:26:06,320

nothing really

514

00:26:09,990 --> 00:26:09,200

there was no substantial evidentiary

515

00:26:11,909 --> 00:26:10,000

support

516

00:26:13,590 --> 00:26:11,919

for there being a great deal of

517

00:26:16,950 --> 00:26:13,600

paranormal activity

518

00:26:18,470 --> 00:26:16,960

at the ranch uh and this is after

519

00:26:21,510 --> 00:26:18,480

sending in

520

00:26:24,070 --> 00:26:21,520

very expensive scientists with hoards of

521

00:26:26,870 --> 00:26:24,080

very expensive equipment they got almost

522

00:26:28,789 --> 00:26:26,880

nothing for years and years they got

523

00:26:32,230 --> 00:26:28,799

almost nothing there

524

00:26:33,430 --> 00:26:32,240

so i don't think there was any value to

525

00:26:37,110 --> 00:26:33,440

him there

526  
00:26:37,510 --> 00:26:37,120  
which would uh sort of explain why he

527  
00:26:41,269 --> 00:26:37,520  
then

528  
00:26:43,990 --> 00:26:41,279  
just sold it there was no value

529  
00:26:46,230 --> 00:26:44,000  
there was no evidence to support all of

530  
00:26:49,430 --> 00:26:46,240  
the various claims about the place

531  
00:26:51,029 --> 00:26:49,440  
that's my opinion that's my speculation

532  
00:26:53,190 --> 00:26:51,039  
but i think it's pretty good and

533  
00:26:53,830 --> 00:26:53,200  
informed speculation why would he sell

534  
00:26:56,870 --> 00:26:53,840  
it if

535  
00:26:57,909 --> 00:26:56,880  
it really all this stuff was really

536  
00:27:01,750 --> 00:26:57,919  
happening at this

537  
00:27:03,590 --> 00:27:01,760  
place uh having such an intense

538  
00:27:05,110 --> 00:27:03,600

interest in the paranormal i would think

539

00:27:08,149 --> 00:27:05,120

that he would hold on to it

540

00:27:11,269 --> 00:27:08,159

and he would continue to

541

00:27:14,230 --> 00:27:11,279

sort of milk that

542

00:27:15,990 --> 00:27:14,240

place for all the scientific knowledge

543

00:27:18,470 --> 00:27:16,000

that he could gain about

544

00:27:19,350 --> 00:27:18,480

this phenomenon that's supposed to be

545

00:27:22,310 --> 00:27:19,360

happening there

546

00:27:23,590 --> 00:27:22,320

he didn't he sold it after dumping a

547

00:27:26,549 --> 00:27:23,600

[h\_\_\h] ton of money

548

00:27:27,590 --> 00:27:26,559

trying to figure it out take from that

549

00:27:29,990 --> 00:27:27,600

what you will friends

550

00:27:31,350 --> 00:27:30,000

that's my take on skim walker ranch i

551  
00:27:32,870 --> 00:27:31,360  
don't think there's anything to it i

552  
00:27:36,230 --> 00:27:32,880  
think it's a lot of local legends

553  
00:27:39,669 --> 00:27:36,240  
and a lot of hype and profiteering

554  
00:27:40,070 --> 00:27:39,679  
right almost everybody that is involved

555  
00:27:43,029 --> 00:27:40,080  
with

556  
00:27:43,830 --> 00:27:43,039  
or trying to pump the skinwalker ranch

557  
00:27:47,990 --> 00:27:43,840  
stories

558  
00:27:51,269 --> 00:27:48,000  
is making money from it

559  
00:27:54,070 --> 00:27:51,279  
what do you think about ttsa

560  
00:27:55,990 --> 00:27:54,080  
well i know that tom delong has a very

561  
00:27:59,190 --> 00:27:56,000  
genuine interest in these subjects

562  
00:28:01,269 --> 00:27:59,200  
um what else do i think i think it's a

563  
00:28:04,470 --> 00:28:01,279

money-making scheme

564

00:28:06,630 --> 00:28:04,480

uh i think that it was very dishonest

565

00:28:07,350 --> 00:28:06,640

for them to publish bob lazar's book and

566

00:28:10,149 --> 00:28:07,360

try to like

567

00:28:12,070 --> 00:28:10,159

not let people know that they were the

568

00:28:15,430 --> 00:28:12,080

publisher of the book it was tumble

569

00:28:19,269 --> 00:28:15,440

sister who registered the dot com for

570

00:28:22,470 --> 00:28:19,279

bob lazar's book publisher

571

00:28:24,149 --> 00:28:22,480

i think that was very dishonest

572

00:28:25,830 --> 00:28:24,159

i think they've done some other

573

00:28:29,590 --> 00:28:25,840

dishonest things that make me not

574

00:28:31,269 --> 00:28:29,600

trust them tsa is filled with former

575

00:28:34,149 --> 00:28:31,279

intelligence people

576

00:28:35,590 --> 00:28:34,159

people who've worked on black projects

577

00:28:37,430 --> 00:28:35,600

they didn't give us the proof when they

578

00:28:39,190 --> 00:28:37,440

were working

579

00:28:40,549 --> 00:28:39,200

in those projects why would they have

580

00:28:42,230 --> 00:28:40,559

the proof now

581

00:28:44,230 --> 00:28:42,240

now that they're out of those projects

582

00:28:48,310 --> 00:28:44,240

or out of those intelligence

583

00:28:52,070 --> 00:28:48,320

agencies i think it's a very hyped

584

00:28:54,549 --> 00:28:52,080

up media company

585

00:28:56,950 --> 00:28:54,559

that's what i think and by the way it's

586

00:28:58,149 --> 00:28:56,960

a failing media company by all accounts

587

00:29:00,389 --> 00:28:58,159

because

588

00:29:01,990 --> 00:29:00,399

i don't think that the ratings are doing

589

00:29:03,830 --> 00:29:02,000

too good for them with this

590

00:29:05,110 --> 00:29:03,840

television show they're producing and

591

00:29:07,590 --> 00:29:05,120

they're going to have to

592

00:29:08,549 --> 00:29:07,600

find alternate cash streams and they're

593

00:29:11,269 --> 00:29:08,559

not going to

594

00:29:11,669 --> 00:29:11,279

and from most reports that i've seen

595

00:29:15,590 --> 00:29:11,679

they're

596

00:29:18,470 --> 00:29:15,600

supposedly very heavily in debt

597

00:29:21,430 --> 00:29:18,480

but time will tell what happens with

598

00:29:25,510 --> 00:29:24,070

boy it would be great if some guy some

599

00:29:27,909 --> 00:29:25,520

rock star could just go

600

00:29:29,430 --> 00:29:27,919

gather up all these intelligence people

601  
00:29:31,510 --> 00:29:29,440  
and people that worked on

602  
00:29:33,029 --> 00:29:31,520  
top secret projects and give us the

603  
00:29:35,269 --> 00:29:33,039  
truth about ufos

604  
00:29:37,350 --> 00:29:35,279  
right it would be great it would be a

605  
00:29:39,909 --> 00:29:37,360  
much more interesting world

606  
00:29:41,029 --> 00:29:39,919  
but is that reality or are they just

607  
00:29:45,510 --> 00:29:41,039  
selling [h\_\_\h]

608  
00:29:52,149 --> 00:29:48,789  
yeah so far from what i've seen

609  
00:29:58,789 --> 00:29:55,510  
but it is interesting uh to watch and

610  
00:30:01,350 --> 00:29:58,799  
we'll see where it goes you know uh

611  
00:30:03,190 --> 00:30:01,360  
some of these people were so adamant

612  
00:30:05,269 --> 00:30:03,200  
that these were the ufo

613  
00:30:06,310 --> 00:30:05,279

messiahs and they were gonna bring about

614

00:30:10,950 --> 00:30:06,320

disclosure

615

00:30:14,149 --> 00:30:10,960

any minute now and uh

616

00:30:16,230 --> 00:30:14,159

it's interesting to see their the way

617

00:30:19,269 --> 00:30:16,240

that they've been able to manipulate

618

00:30:22,310 --> 00:30:19,279

some mainstream media outlets including

619

00:30:25,430 --> 00:30:22,320

fox news and you know new york times

620

00:30:28,389 --> 00:30:25,440

and others uh and they

621

00:30:30,310 --> 00:30:28,399

sort of over promise and under deliver

622

00:30:33,190 --> 00:30:30,320

with each appearance

623

00:30:34,789 --> 00:30:33,200

and we never get to the the goods if

624

00:30:38,710 --> 00:30:34,799

they had the goods

625

00:30:40,230 --> 00:30:38,720

where are they various claims have been

626  
00:30:45,029 --> 00:30:40,240  
made out of tcsa

627  
00:30:46,950 --> 00:30:45,039  
or implied or uh speculated about we may

628  
00:30:49,430 --> 00:30:46,960  
have alien metals here

629  
00:30:50,070 --> 00:30:49,440  
you know okay well then show us the

630  
00:30:53,269 --> 00:30:50,080  
proof

631  
00:30:54,389 --> 00:30:53,279  
you've had it's been like i can't even

632  
00:30:57,509 --> 00:30:54,399  
tell you

633  
00:30:58,310 --> 00:30:57,519  
two years maybe since this adam project

634  
00:31:00,710 --> 00:30:58,320  
or whatever

635  
00:31:01,350 --> 00:31:00,720  
project where they were gonna we're

636  
00:31:03,909 --> 00:31:01,360  
gonna

637  
00:31:04,549 --> 00:31:03,919  
analyze these metals and they may be

638  
00:31:08,389 --> 00:31:04,559

from

639

00:31:10,870 --> 00:31:08,399

an alien world okay where are they

640

00:31:12,789 --> 00:31:10,880

where's the proof let's see it it's been

641

00:31:16,310 --> 00:31:12,799

years now

642

00:31:23,590 --> 00:31:16,320

we don't get the proof we get

643

00:31:23,600 --> 00:31:26,870

things they're selling

644

00:31:33,430 --> 00:31:30,789

but the proof is pretty light right

645

00:31:34,789 --> 00:31:33,440

of anything they're talking about and

646

00:31:38,389 --> 00:31:34,799

how long are they going to milk

647

00:31:39,430 --> 00:31:38,399

this uh television show with this drip

648

00:31:41,590 --> 00:31:39,440

drip drip

649

00:31:43,509 --> 00:31:41,600

i i haven't seen the second season i

650

00:31:44,710 --> 00:31:43,519

have i have it on my list of things to

651  
00:31:48,870 --> 00:31:44,720  
do

652  
00:31:52,789 --> 00:31:48,880  
or real or

653  
00:31:55,789 --> 00:31:52,799  
uh do they have any data or evidence

654  
00:31:57,750 --> 00:31:55,799  
of value to present or is this just

655  
00:32:00,630 --> 00:31:57,760  
ufotainment

656  
00:32:02,950 --> 00:32:00,640  
but mostly is pretty sure that what they

657  
00:32:05,830 --> 00:32:02,960  
have is ufotainment

658  
00:32:06,389 --> 00:32:05,840  
that's not proof that's not evidence uh

659  
00:32:08,950 --> 00:32:06,399  
and that

660  
00:32:10,470 --> 00:32:08,960  
certainly isn't bringing disclosure

661  
00:32:12,830 --> 00:32:10,480  
that's just

662  
00:32:14,630 --> 00:32:12,840  
selling [h\_\_\h] like all these other people

663  
00:32:17,590 --> 00:32:14,640

are

664

00:32:19,190 --> 00:32:17,600

so that's my take lately on tsa you

665

00:32:20,630 --> 00:32:19,200

could see a previous show that i did on

666

00:32:24,149 --> 00:32:20,640

the midnight hour on my

667

00:32:27,830 --> 00:32:24,159

on my previous uh ufo channel uh

668

00:32:29,669 --> 00:32:27,840

previous my previous youtube channel has

669

00:32:31,590 --> 00:32:29,679

a show that i produced for the midnight

670

00:32:33,029 --> 00:32:31,600

hour show that we did the radio show

671

00:32:38,789 --> 00:32:33,039

audio podcast

672

00:32:41,990 --> 00:32:41,190

do you think that the usa has a secret

673

00:32:45,190 --> 00:32:42,000

manned space

674

00:32:48,070 --> 00:32:45,200

program i believe they may

675

00:32:50,310 --> 00:32:48,080

uh however one thing that i'm absolutely

676

00:32:50,950 --> 00:32:50,320

positively sure of is that they have a

677

00:32:54,070 --> 00:32:50,960

secret

678

00:32:58,230 --> 00:32:54,080

unmanned space program and you can look

679

00:33:01,430 --> 00:32:58,240

look it up it's the x-37b

680

00:33:03,430 --> 00:33:01,440

it's basically a quarter scale of the

681

00:33:07,430 --> 00:33:03,440

original

682

00:33:10,549 --> 00:33:07,440

spaceship and they shoot it up and it

683

00:33:11,750 --> 00:33:10,559

stays in orbit for months and months and

684

00:33:14,870 --> 00:33:11,760

months at a time

685

00:33:17,750 --> 00:33:14,880

i think a year maybe even two

686

00:33:19,669 --> 00:33:17,760

was its longest flight and nobody knows

687

00:33:21,190 --> 00:33:19,679

what it's doing up there

688

00:33:23,190 --> 00:33:21,200

nobody's allowed to know what it's doing

689

00:33:26,389 --> 00:33:23,200

up there all that time

690

00:33:28,870 --> 00:33:26,399

and we get zero

691

00:33:29,990 --> 00:33:28,880

uh explanation for what it's doing we're

692

00:33:33,029 --> 00:33:30,000

not allowed to know

693

00:33:36,070 --> 00:33:33,039

it's an experimental black

694

00:33:38,870 --> 00:33:36,080

project it flies up uh

695

00:33:39,990 --> 00:33:38,880

out of earth's atmosphere eventually it

696

00:33:42,549 --> 00:33:40,000

comes down

697

00:33:44,549 --> 00:33:42,559

what is it doing there the entire time

698

00:33:45,909 --> 00:33:44,559

so when people

699

00:33:48,070 --> 00:33:45,919

don't believe there's a such thing as a

700

00:33:51,190 --> 00:33:48,080

secret space program uh

701  
00:33:54,710 --> 00:33:51,200  
just the x-37b alone is proof that

702  
00:33:57,110 --> 00:33:54,720  
there's a secret space program

703  
00:33:58,710 --> 00:33:57,120  
whether or not we have a manned space

704  
00:34:02,470 --> 00:33:58,720  
program i have not seen

705  
00:34:03,830 --> 00:34:02,480  
evidence of that but walter bosley and

706  
00:34:06,149 --> 00:34:03,840  
others

707  
00:34:06,950 --> 00:34:06,159  
really give compelling arguments for why

708  
00:34:12,069 --> 00:34:06,960  
that

709  
00:34:15,109 --> 00:34:12,079  
nasa was formed

710  
00:34:19,109 --> 00:34:15,119  
the military held on right

711  
00:34:22,710 --> 00:34:19,119  
they still had hardware they still had

712  
00:34:25,990 --> 00:34:22,720  
their goals in mind for what

713  
00:34:28,710 --> 00:34:26,000

this space

714

00:34:31,349 --> 00:34:28,720

space thing could be useful for for

715

00:34:35,030 --> 00:34:31,359

national security for

716

00:34:37,510 --> 00:34:35,040

whatever reason i believe a portion

717

00:34:39,270 --> 00:34:37,520

of the military held on to the hardware

718

00:34:42,310 --> 00:34:39,280

held on to

719

00:34:45,589 --> 00:34:42,320

their own plans for space and

720

00:34:46,069 --> 00:34:45,599

uh perhaps space dominance could there

721

00:34:49,750 --> 00:34:46,079

be

722

00:34:50,790 --> 00:34:49,760

manned space program it's very possible

723

00:34:53,510 --> 00:34:50,800

but they would need

724

00:34:55,589 --> 00:34:53,520

like a launch facility and they would

725

00:34:58,790 --> 00:34:55,599

need to be launching it from somewhere

726  
00:35:00,390 --> 00:34:58,800  
they need a launch vehicle which brings

727  
00:35:02,950 --> 00:35:00,400  
in the whole

728  
00:35:05,990 --> 00:35:02,960  
other list of speculation do they have

729  
00:35:09,510 --> 00:35:06,000  
something better than rockets

730  
00:35:11,910 --> 00:35:09,520  
do they have uh these tr 3b

731  
00:35:12,710 --> 00:35:11,920  
type craft that can maybe operate both

732  
00:35:17,190 --> 00:35:12,720  
in

733  
00:35:19,589 --> 00:35:17,200  
underwater due to the nature of the way

734  
00:35:21,589 --> 00:35:19,599  
the propulsion system works

735  
00:35:22,710 --> 00:35:21,599  
could be and there's some compelling

736  
00:35:26,230 --> 00:35:22,720  
evidence that

737  
00:35:31,270 --> 00:35:28,870  
you know uh the tr3b is one of those

738  
00:35:33,990 --> 00:35:31,280

things that

739

00:35:34,550 --> 00:35:34,000

edgar van say talked about and he was

740

00:35:37,430 --> 00:35:34,560

somebody

741

00:35:39,109 --> 00:35:37,440

whose background was real he wasn't just

742

00:35:41,670 --> 00:35:39,119

some ufo kook

743

00:35:43,430 --> 00:35:41,680

that was interested in ufos that comes

744

00:35:46,150 --> 00:35:43,440

up with stories

745

00:35:47,270 --> 00:35:46,160

and he claimed that he worked on you

746

00:35:51,349 --> 00:35:47,280

know he

747

00:35:55,430 --> 00:35:51,359

had knowledge of this tr3b

748

00:36:01,270 --> 00:35:55,440

being worked on which used a very exotic

749

00:36:08,710 --> 00:36:05,349

there could be all matter of crazy

750

00:36:13,750 --> 00:36:11,270

craft that we are completely and totally

751  
00:36:17,349 --> 00:36:13,760  
unaware of

752  
00:36:20,390 --> 00:36:17,359  
it's highly possible uh you know

753  
00:36:23,270 --> 00:36:20,400  
there's a famous quote was it the ceo

754  
00:36:24,230 --> 00:36:23,280  
one time ceo of lockheed skunk works who

755  
00:36:26,790 --> 00:36:24,240  
said

756  
00:36:27,349 --> 00:36:26,800  
we have things out there in the desert

757  
00:36:30,470 --> 00:36:27,359  
that will

758  
00:36:33,270 --> 00:36:30,480  
make george lucas jealous

759  
00:36:36,630 --> 00:36:33,280  
i think that's a very telling quote uh

760  
00:36:39,589 --> 00:36:36,640  
from a man who ran

761  
00:36:42,310 --> 00:36:39,599  
the place where they create these crazy

762  
00:36:47,109 --> 00:36:42,320  
top secret aircraft

763  
00:36:52,150 --> 00:36:49,349

the public didn't know about the sr-71

764

00:36:53,829 --> 00:36:52,160

blackberry for years and years and years

765

00:36:56,710 --> 00:36:53,839

the public didn't know about stealth

766

00:36:58,069 --> 00:36:56,720

aircraft for years and years and years

767

00:36:59,990 --> 00:36:58,079

so there's got to be some

768

00:37:01,270 --> 00:37:00,000

aircraft that they have that we don't

769

00:37:04,390 --> 00:37:01,280

know about yet

770

00:37:05,829 --> 00:37:04,400

uh whether those things could also be or

771

00:37:10,550 --> 00:37:05,839

double as like a space

772

00:37:13,430 --> 00:37:10,560

plane and get out of earth's orbit

773

00:37:14,390 --> 00:37:13,440

that's that would be a very valuable

774

00:37:17,030 --> 00:37:14,400

vehicle to have

775

00:37:18,710 --> 00:37:17,040

right a vehicle that can fly in earth's

776

00:37:22,390 --> 00:37:18,720

atmosphere and

777

00:37:25,910 --> 00:37:22,400

earth

778

00:37:30,310 --> 00:37:25,920

or maybe go for short trips to the moon

779

00:37:37,589 --> 00:37:33,670

that would be a very valuable craft for

780

00:37:41,030 --> 00:37:37,599

our government to have and may

781

00:37:43,910 --> 00:37:41,040

be in existence and kept secret

782

00:37:48,829 --> 00:37:43,920

so that they have some sort of advantage

783

00:37:48,839 --> 00:38:01,030

right

784

00:38:05,750 --> 00:38:04,390

okay friends so

785

00:38:12,870 --> 00:38:05,760

if you have any questions or comments

786

00:38:20,310 --> 00:38:17,030

i got to uh put this backdrop up

787

00:38:25,910 --> 00:38:20,320

it's it's a little wrinkled and beat up

788

00:38:30,230 --> 00:38:28,310

and also this webcam doesn't go tight

789

00:38:33,430 --> 00:38:30,240

it's like a farther away webcam

790

00:38:34,710 --> 00:38:33,440

does that make any sense so i gotta try

791

00:38:37,190 --> 00:38:34,720

the other webcam

792

00:38:39,430 --> 00:38:37,200

next time uh let's get sort of a tighter

793

00:38:42,550 --> 00:38:39,440

shot

794

00:38:49,349 --> 00:38:42,560

that you don't see like

795

00:38:53,589 --> 00:38:51,910

yeah ben rich you mentioned ben rich and

796

00:38:54,150 --> 00:38:53,599

you also mentioned the other one who is

797

00:38:57,750 --> 00:38:54,160

it mr

798

00:39:01,190 --> 00:38:57,760

kelly right kelly johnson

799

00:39:04,550 --> 00:39:01,200

another another black

800

00:39:05,589 --> 00:39:04,560

project luminary these people if anybody

801  
00:39:08,630 --> 00:39:05,599  
knows

802  
00:39:10,550 --> 00:39:08,640  
uh about what the government really has

803  
00:39:14,230 --> 00:39:10,560  
it's those three people

804  
00:39:16,230 --> 00:39:14,240  
great show thanks carmen i'm

805  
00:39:19,109 --> 00:39:16,240  
i'm glad to see you back i remember you

806  
00:39:22,950 --> 00:39:19,119  
being sort of new to our group here

807  
00:39:27,750 --> 00:39:22,960  
and it's good to uh it's good to see you

808  
00:39:32,710 --> 00:39:30,790  
and travail has down lights i don't know

809  
00:39:44,710 --> 00:39:32,720  
that one or it doesn't ring a bell to me

810  
00:39:44,720 --> 00:39:49,109  
triangles over switzerland now

811  
00:39:53,349 --> 00:39:51,670  
this is uh something that there is a

812  
00:39:54,829 --> 00:39:53,359  
huge amount of evidence for

813  
00:39:56,710 --> 00:39:54,839

there was a huge flap of triangles

814

00:40:00,710 --> 00:39:56,720

triangle-shaped ufo

815

00:40:04,470 --> 00:40:00,720

craft there was even aircraft

816

00:40:06,150 --> 00:40:04,480

scrambled to go intercept them uh

817

00:40:07,910 --> 00:40:06,160

just a great story and people were

818

00:40:10,150 --> 00:40:07,920

seeing these ufo

819

00:40:14,710 --> 00:40:10,160

flying triangle huge flying triangle

820

00:40:20,150 --> 00:40:18,150

and uh sort of uh i think it was more

821

00:40:22,470 --> 00:40:20,160

than switzerland it was a big

822

00:40:24,470 --> 00:40:22,480

flat a ufo flapper there's a don't know

823

00:40:25,910 --> 00:40:24,480

is a tremendous amount of sightings in a

824

00:40:27,990 --> 00:40:25,920

short amount of time

825

00:40:30,550 --> 00:40:28,000

and usually there's some correlation or

826

00:40:32,870 --> 00:40:30,560

some similarities between the sightings

827

00:40:35,030 --> 00:40:32,880

so in the case of the the flying

828

00:40:35,750 --> 00:40:35,040

triangle flap it once everybody was

829

00:40:39,670 --> 00:40:35,760

seeing these

830

00:40:42,230 --> 00:40:39,680

huge flying triangles up in the sky

831

00:40:44,790 --> 00:40:42,240

we've got radar tapes we've got witness

832

00:40:46,790 --> 00:40:44,800

testimony we've got

833

00:40:48,550 --> 00:40:46,800

it is it is uh you know we're going to do a

834

00:40:53,190 --> 00:40:48,560

whole we should do a whole show

835

00:40:55,190 --> 00:40:53,200

to unpack unpack this uh to impact that

836

00:40:56,710 --> 00:40:55,200

and we can tie in with edgar fuschia

837

00:40:57,990 --> 00:40:56,720

maybe we could get solar marshall come

838

00:41:00,390 --> 00:40:58,000

on and talk about

839

00:41:02,870 --> 00:41:00,400

uh edgar fuschia they were good friends

840

00:41:06,230 --> 00:41:02,880

and uh edgar fouche

841

00:41:09,990 --> 00:41:06,240

basically said that that ufo flap

842

00:41:13,190 --> 00:41:10,000

was the tr3p being cited

843

00:41:14,230 --> 00:41:13,200

but it always made me curious like why

844

00:41:18,230 --> 00:41:14,240

would you

845

00:41:21,910 --> 00:41:18,240

test fly it

846

00:41:22,710 --> 00:41:21,920

in a foreign country uh or maybe it was

847

00:41:24,870 --> 00:41:22,720

of course

848

00:41:25,829 --> 00:41:24,880

i don't know it just always seems

849

00:41:29,829 --> 00:41:25,839

strange to me

850

00:41:32,309 --> 00:41:29,839

why do you why do you test fly

851

00:41:34,069 --> 00:41:32,319

uh top secret aircraft in somebody

852

00:41:35,750 --> 00:41:34,079

else's airspace

853

00:41:38,390 --> 00:41:35,760

to me that would seem like something

854

00:41:41,910 --> 00:41:38,400

that's not a very advisable thing to do

855

00:41:45,109 --> 00:41:41,920

right it could cause an international

856

00:41:47,589 --> 00:41:45,119

incident there's all

857

00:41:48,550 --> 00:41:47,599

so many reasons why it's odd to me if it

858

00:41:51,670 --> 00:41:48,560

was

859

00:41:53,670 --> 00:41:51,680

top-secret ufo or top-secret government

860

00:41:55,910 --> 00:41:53,680

crap but they'd be test flying it over

861

00:41:57,589 --> 00:41:55,920

other countries but then again

862

00:41:59,349 --> 00:41:57,599

we don't know about the capabilities of

863

00:42:02,230 --> 00:41:59,359

this tr3b maybe it

864

00:42:04,150 --> 00:42:02,240

can become invisible maybe it is a

865

00:42:14,550 --> 00:42:04,160

stealth aircraft and can't be spotted on

866

00:42:18,390 --> 00:42:16,710

hey robert eagle song shout out to robin

867

00:42:31,829 --> 00:42:18,400

eagle phone i did get your message and

868

00:42:33,829 --> 00:42:31,839

we'll uh

869

00:42:35,990 --> 00:42:33,839

okay william pixley says the majority of

870

00:42:36,630 --> 00:42:36,000

et related tech has been placed within

871

00:42:38,470 --> 00:42:36,640

private

872

00:42:40,390 --> 00:42:38,480

corporation hands to keep it from being

873

00:42:45,349 --> 00:42:40,400

disclosed

874

00:42:48,870 --> 00:42:45,359

uh maybe maybe

875

00:42:51,990 --> 00:42:48,880

i guess if you put the et stuff

876

00:42:53,910 --> 00:42:52,000

into private hands the private company

877

00:42:55,190 --> 00:42:53,920

is not subject to for you and a lot of

878

00:42:57,109 --> 00:42:55,200

people think

879

00:43:02,390 --> 00:42:57,119

like you i guess william pixley that's

880

00:43:13,030 --> 00:43:04,309

shout out to brad grant brad gray is

881

00:43:15,109 --> 00:43:13,040

here hey there troopers

882

00:43:18,230 --> 00:43:15,119

brad gray has a problem believing in the

883

00:43:21,190 --> 00:43:18,240

nfc account of seeing the tr3b

884

00:43:22,069 --> 00:43:21,200

yeah i i believe him i believe him but

885

00:43:24,069 --> 00:43:22,079

that's

886

00:43:26,390 --> 00:43:24,079

probably because a solar marshal

887

00:43:28,870 --> 00:43:26,400

believes him and solar marshals

888

00:43:30,390 --> 00:43:28,880

was really good friends with him they

889

00:43:32,550 --> 00:43:30,400

talked all the time

890

00:43:35,030 --> 00:43:32,560

he sort of had the inside scoop of edgar

891

00:43:38,550 --> 00:43:35,040

boucher and the tr-3b

892

00:43:41,190 --> 00:43:38,560

and i can tell you absolutely 100

893

00:43:42,710 --> 00:43:41,200

solar marshall believes everything that

894

00:43:47,910 --> 00:43:42,720

he said about this tr-3b

895

00:43:54,950 --> 00:43:51,670

i myself due to uh

896

00:43:57,109 --> 00:43:54,960

is you know you can verify that he is

897

00:43:58,550 --> 00:43:57,119

who he says he was he worked where he

898

00:44:02,390 --> 00:43:58,560

said he worked

899

00:44:04,550 --> 00:44:02,400

you know sort of like uh you know

900

00:44:05,750 --> 00:44:04,560

this guy was the real deal he wasn't

901  
00:44:08,150 --> 00:44:05,760  
some fake

902  
00:44:10,390 --> 00:44:08,160  
fairy tale [h\_\_h] artist who when you

903  
00:44:11,589 --> 00:44:10,400  
look into his background it falls apart

904  
00:44:13,670 --> 00:44:11,599  
everything that he said about his

905  
00:44:14,630 --> 00:44:13,680  
background checks out everything he said

906  
00:44:19,190 --> 00:44:14,640  
about where he worked

907  
00:44:29,750 --> 00:44:19,200  
checks out um so i'm inclined to believe

908  
00:44:37,430 --> 00:44:36,230  
that one

909  
00:44:39,910 --> 00:44:37,440  
there were a lot of sightings in the

910  
00:44:41,670 --> 00:44:39,920  
hudson valley new york a while back too

911  
00:44:43,109 --> 00:44:41,680  
yeah that was another flap

912  
00:44:45,349 --> 00:44:43,119  
you know you're very knowledgeable about

913  
00:44:46,870 --> 00:44:45,359

this stuff carmine that's another ufo

914

00:44:51,030 --> 00:44:46,880

flap there was

915

00:44:54,150 --> 00:44:51,040

a great deal of sights in hudson valley

916

00:44:57,510 --> 00:44:54,160

i know there was a flap

917

00:44:58,630 --> 00:44:57,520

in new jersey around the time that i had

918

00:45:01,829 --> 00:44:58,640

my own

919

00:45:03,270 --> 00:45:01,839

sighting of what i can only describe as

920

00:45:05,910 --> 00:45:03,280

a flying saucer

921

00:45:07,270 --> 00:45:05,920

as a child a lot of people were seeing

922

00:45:10,630 --> 00:45:07,280

what i saw

923

00:45:15,190 --> 00:45:10,640

in that state in the general area

924

00:45:19,750 --> 00:45:17,109

always fascinated me that other people

925

00:45:21,670 --> 00:45:19,760

saw it too it wasn't just me

926  
00:45:23,030 --> 00:45:21,680  
other people described nearly the exact

927  
00:45:25,690 --> 00:45:23,040  
same crap that i

928  
00:45:29,349 --> 00:45:25,700  
described and saw

929  
00:45:33,270 --> 00:45:32,150  
always made me think that mine those

930  
00:45:35,990 --> 00:45:33,280  
were related

931  
00:45:36,550 --> 00:45:36,000  
it was the same craft or a similar craft

932  
00:45:44,829 --> 00:45:36,560  
or

933  
00:45:44,839 --> 00:45:49,510  
saw

934  
00:45:54,150 --> 00:45:50,710  
so friends tomorrow i'm going to get

935  
00:45:55,910 --> 00:45:54,160  
going on this uh on this

936  
00:45:58,069 --> 00:45:55,920  
extra cabin room that i'm trying to

937  
00:46:01,109 --> 00:45:58,079  
build piece by piece

938  
00:46:02,710 --> 00:46:01,119

uh boy word puzzle what a puzzle this

939

00:46:06,390 --> 00:46:02,720

thing is

940

00:46:08,309 --> 00:46:06,400

um you know i was thinking the other day

941

00:46:10,710 --> 00:46:08,319

like i can see light at the end of the

942

00:46:11,910 --> 00:46:10,720

tunnel now for finishing this cabin

943

00:46:14,630 --> 00:46:11,920

you know i'm gonna finish that room over

944

00:46:16,870 --> 00:46:14,640

there i got a little bit more to do

945

00:46:18,550 --> 00:46:16,880

there's ceilings to put up in the

946

00:46:21,190 --> 00:46:18,560

kitchen and the bathroom

947

00:46:22,630 --> 00:46:21,200

and a bunch of odds and ends inside the

948

00:46:26,150 --> 00:46:22,640

existing cabin

949

00:46:27,910 --> 00:46:26,160

but uh i can see the light at the end of

950

00:46:29,030 --> 00:46:27,920

the tunnel i may actually finish this

951  
00:46:31,109 --> 00:46:29,040  
beast

952  
00:46:32,550 --> 00:46:31,119  
someday and uh i don't know what i'm

953  
00:46:34,550 --> 00:46:32,560  
going to do once it's done

954  
00:46:36,710 --> 00:46:34,560  
like i put so much time and energy into

955  
00:46:39,990 --> 00:46:36,720  
this thing

956  
00:46:40,950 --> 00:46:40,000  
you know but there's always something

957  
00:46:42,870 --> 00:46:40,960  
new to

958  
00:46:44,470 --> 00:46:42,880  
build for the cabin maybe i'll start

959  
00:46:45,510 --> 00:46:44,480  
building furniture for the cabin a

960  
00:46:49,910 --> 00:46:45,520  
roster

961  
00:46:53,030 --> 00:46:51,349  
just something to think about because

962  
00:46:54,630 --> 00:46:53,040  
for the longest time i could never

963  
00:46:56,470 --> 00:46:54,640

imagine me finishing this thing because

964

00:47:00,309 --> 00:46:56,480

my commission impossible

965

00:47:01,510 --> 00:47:00,319

right now it's slowly been coming

966

00:47:04,309 --> 00:47:01,520

together

967

00:47:06,309 --> 00:47:04,319

and uh i'm very pleased with the

968

00:47:07,030 --> 00:47:06,319

progress this place has made since we

969

00:47:14,309 --> 00:47:07,040

started with

970

00:47:17,430 --> 00:47:16,150

brad gray says i know he is the real

971

00:47:20,309 --> 00:47:17,440

deal

972

00:47:21,829 --> 00:47:20,319

well yeah so you're fine with his

973

00:47:23,510 --> 00:47:21,839

background you're just not sure about

974

00:47:25,030 --> 00:47:23,520

the story that he tells about seeing

975

00:47:28,150 --> 00:47:25,040

this tr30p

976

00:47:28,160 --> 00:47:32,069

yeah i don't know i i uh

977

00:47:36,150 --> 00:47:34,710

one of the things that always occurs to

978

00:47:38,549 --> 00:47:36,160

me when people get this like

979

00:47:39,910 --> 00:47:38,559

andrew shea got very specific about the

980

00:47:43,910 --> 00:47:39,920

science of how this thing

981

00:47:48,309 --> 00:47:43,920

worked you know the guy was like a

982

00:47:51,430 --> 00:47:48,319

pretty smart guy electronics computers

983

00:47:56,069 --> 00:47:54,630

so he got very specific with how this

984

00:47:59,670 --> 00:47:56,079

craft

985

00:48:00,390 --> 00:47:59,680

worked how the mass cancellation device

986

00:48:03,109 --> 00:48:00,400

worked

987

00:48:05,430 --> 00:48:03,119

and i always wondered like well if you

988

00:48:09,510 --> 00:48:05,440

know for sure how this thing worked why

989

00:48:11,430 --> 00:48:09,520

why are you building a scale model right

990

00:48:13,990 --> 00:48:11,440

because but if you listen to the

991

00:48:14,630 --> 00:48:14,000

description of what he says which was

992

00:48:16,950 --> 00:48:14,640

like you know

993

00:48:19,270 --> 00:48:16,960

mercury in the vortex and spinning it

994

00:48:21,030 --> 00:48:19,280

this much and like

995

00:48:22,710 --> 00:48:21,040

i think you should be able to recreate

996

00:48:25,750 --> 00:48:22,720

that and see if that

997

00:48:28,870 --> 00:48:25,760

really does cancel mass or

998

00:48:29,670 --> 00:48:28,880

if that's just sort of like star trek

999

00:48:33,589 --> 00:48:29,680

gibberish

1000

00:48:34,870 --> 00:48:33,599

you know i feel the same way about the

1001

00:48:36,950 --> 00:48:34,880

arv

1002

00:48:39,030 --> 00:48:36,960

um mark mccandless tells it an

1003

00:48:41,270 --> 00:48:39,040

incredibly compelling story

1004

00:48:43,270 --> 00:48:41,280

uh but it's a secondhand story that's

1005

00:48:44,950 --> 00:48:43,280

the first problem i have with the arv

1006

00:48:46,950 --> 00:48:44,960

it's like well i didn't see it but this

1007

00:48:50,549 --> 00:48:46,960

friend of mine saw it

1008

00:48:53,750 --> 00:48:50,559

okay um and then he

1009

00:48:56,069 --> 00:48:53,760

too you know gives this tremendously

1010

00:48:57,829 --> 00:48:56,079

technically detailed here's how this

1011

00:49:00,390 --> 00:48:57,839

graph works

1012

00:49:02,630 --> 00:49:00,400

okay again then why don't you build a

1013

00:49:06,390 --> 00:49:02,640

scale model and show us

1014

00:49:09,589 --> 00:49:06,400

this thing working um

1015

00:49:11,750 --> 00:49:09,599

and neither of these gentlemen ever did

1016

00:49:12,870 --> 00:49:11,760

if you're so sure that you know how this

1017

00:49:15,829 --> 00:49:12,880

works

1018

00:49:17,190 --> 00:49:15,839

and you have the goods then show us a

1019

00:49:20,630 --> 00:49:17,200

working scale model

1020

00:49:23,190 --> 00:49:20,640

based on uh what you're saying

1021

00:49:23,990 --> 00:49:23,200

neither of them ever did the same for

1022

00:49:26,069 --> 00:49:24,000

bob lazar

1023

00:49:27,670 --> 00:49:26,079

of course with his [h\_\_h] flying

1024

00:49:31,510 --> 00:49:27,680

saucer stories

1025

00:49:34,549 --> 00:49:31,520

uh you know the bob lazar is using some

1026

00:49:36,470 --> 00:49:34,559

uh exotic element that doesn't exist so

1027

00:49:38,549 --> 00:49:36,480

i guess that's why he can't build you a

1028

00:49:40,549 --> 00:49:38,559

working scale model because he's talking

1029

00:49:43,109 --> 00:49:40,559

about elements

1030

00:49:45,670 --> 00:49:43,119

that don't exist well they exist but

1031

00:49:49,670 --> 00:49:45,680

they're nothing like what he described

1032

00:49:56,829 --> 00:49:49,680

so oh i think out of mine has seen the

1033

00:50:00,069 --> 00:49:58,390

that

1034

00:50:02,710 --> 00:50:00,079

oh you're talking about barney and betty

1035

00:50:05,670 --> 00:50:02,720

hill decided to undergo hypnosis

1036

00:50:07,589 --> 00:50:05,680

this is just as crap as fake as [h\_\_\h]

1037

00:50:10,390 --> 00:50:07,599

yeah

1038

00:50:12,470 --> 00:50:10,400

memories recovered you know listen

1039

00:50:14,230 --> 00:50:12,480

memories that are recovered while you're

1040

00:50:16,150 --> 00:50:14,240

under hypnosis

1041

00:50:18,390 --> 00:50:16,160

i'm not sure that that has very much

1042

00:50:23,670 --> 00:50:18,400

value at least if you ask me

1043

00:50:23,680 --> 00:50:29,190

i just i don't know uh

1044

00:50:32,790 --> 00:50:31,030

i think that it's a pseudoscience

1045

00:50:35,270 --> 00:50:32,800

hypnosis i don't think that it's

1046

00:50:36,150 --> 00:50:35,280

you know people think that it's somehow

1047

00:50:37,990 --> 00:50:36,160

like you know

1048

00:50:39,990 --> 00:50:38,000

yeah you can go under hypnosis and

1049

00:50:41,990 --> 00:50:40,000

recover these memories

1050

00:50:45,589 --> 00:50:42,000

i think the research is still out on

1051  
00:50:48,630 --> 00:50:48,230  
it could just be your subconscious mind

1052  
00:50:51,190 --> 00:50:48,640  
uh

1053  
00:50:52,470 --> 00:50:51,200  
filling in the blanks for you because

1054  
00:50:56,150 --> 00:50:52,480  
that's what our minds do

1055  
00:50:59,349 --> 00:50:56,160  
we're creatures of consciousness and we

1056  
00:51:02,710 --> 00:50:59,359  
fill things in we you know recognize

1057  
00:51:08,309 --> 00:51:05,990  
if you're looking for

1058  
00:51:09,349 --> 00:51:08,319  
memories that you can't consciously

1059  
00:51:11,750 --> 00:51:09,359  
remember

1060  
00:51:13,990 --> 00:51:11,760  
your subconscious may fill in the blanks

1061  
00:51:15,910 --> 00:51:14,000  
for you

1062  
00:51:18,230 --> 00:51:15,920  
does that mean that's real and true and

1063  
00:51:20,790 --> 00:51:18,240

accurate information

1064

00:51:22,390 --> 00:51:20,800

i don't know i don't think so sometimes

1065

00:51:25,270 --> 00:51:22,400

and that's kind of

1066

00:51:26,470 --> 00:51:25,280

where i'm at with hypnosis especially

1067

00:51:29,349 --> 00:51:26,480

when

1068

00:51:30,309 --> 00:51:29,359

you know some ufo person or some alien

1069

00:51:32,870 --> 00:51:30,319

abduct the

1070

00:51:33,990 --> 00:51:32,880

undergoes hypnosis and then comes up

1071

00:51:37,430 --> 00:51:34,000

with the story

1072

00:51:40,150 --> 00:51:37,440

post hypnosis is the hypnotist

1073

00:51:41,990 --> 00:51:40,160

influencing them filling in the blanks

1074

00:51:43,990 --> 00:51:42,000

with them or helping them fill in the

1075

00:51:45,270 --> 00:51:44,000

blanks i've seen examples where they

1076  
00:51:47,750 --> 00:51:45,280  
were leading people

1077  
00:51:49,349 --> 00:51:47,760  
the hypnotist was leading the person

1078  
00:51:49,990 --> 00:51:49,359  
that was supposed to be under hypnosis

1079  
00:51:53,190 --> 00:51:50,000  
recalling

1080  
00:51:54,309 --> 00:51:53,200  
memories yet they were being highly

1081  
00:51:57,430 --> 00:51:54,319  
suggested at

1082  
00:51:59,270 --> 00:51:57,440  
and being led towards a narrative that

1083  
00:52:03,030 --> 00:51:59,280  
the hypnotist

1084  
00:52:06,870 --> 00:52:03,040  
was trying to i suppose

1085  
00:52:07,430 --> 00:52:06,880  
bring about doesn't mean there's value

1086  
00:52:09,990 --> 00:52:07,440  
in it

1087  
00:52:12,150 --> 00:52:10,000  
now the other side of the coin is that

1088  
00:52:14,390 --> 00:52:12,160

i've seen some people that have

1089

00:52:16,150 --> 00:52:14,400

recovered memories that turned out to be

1090

00:52:19,589 --> 00:52:16,160

factually accurate

1091

00:52:22,230 --> 00:52:19,599

um murder cases or i'm sorry

1092

00:52:22,630 --> 00:52:22,240

cases where people were almost murdered

1093

00:52:24,950 --> 00:52:22,640

and

1094

00:52:26,549 --> 00:52:24,960

they needed to recall more detail about

1095

00:52:30,549 --> 00:52:26,559

their attacker

1096

00:52:36,710 --> 00:52:30,559

um so maybe it does have value

1097

00:52:36,720 --> 00:52:40,069

yeah friends so

1098

00:52:44,470 --> 00:52:42,309

it's been a long day here at the

1099

00:52:46,549 --> 00:52:44,480

apocalypse cabin and i'm glad that i

1100

00:52:47,109 --> 00:52:46,559

could jump on here we got a double shot

1101

00:52:50,470 --> 00:52:47,119

tonight

1102

00:52:55,030 --> 00:52:50,480

of our show and uh

1103

00:52:56,710 --> 00:52:55,040

i have uh kept my promise to you and

1104

00:52:58,950 --> 00:52:56,720

myself i will do

1105

00:53:01,109 --> 00:52:58,960

so many shows a week you know sometimes

1106

00:53:02,870 --> 00:53:01,119

it's just life gets in the way and you

1107

00:53:06,390 --> 00:53:02,880

can't always do it

1108

00:53:08,630 --> 00:53:06,400

um but i'm a firm believer that uh

1109

00:53:10,309 --> 00:53:08,640

you know i've started this garden i've

1110

00:53:12,710 --> 00:53:10,319

got to come here and water it

1111

00:53:13,589 --> 00:53:12,720

as much as possible to try to make it

1112

00:53:15,910 --> 00:53:13,599

grow

1113

00:53:19,510 --> 00:53:15,920

i have committed to that so we're going

1114

00:53:22,870 --> 00:53:21,510

next question from our live chat what

1115

00:53:26,069 --> 00:53:22,880

about the travis

1116

00:53:28,390 --> 00:53:26,079

walton case i

1117

00:53:29,270 --> 00:53:28,400

more or less believe the travis walton

1118

00:53:33,030 --> 00:53:29,280

case

1119

00:53:35,349 --> 00:53:33,040

um there's some great

1120

00:53:36,710 --> 00:53:35,359

it's just a great story there's great

1121

00:53:38,069 --> 00:53:36,720

evidence to support it

1122

00:53:40,870 --> 00:53:38,079

there's some evidence that would

1123

00:53:44,069 --> 00:53:40,880

indicate that they made it all up

1124

00:53:45,510 --> 00:53:44,079

but it just seems crazy to me that they

1125

00:53:49,990 --> 00:53:45,520

were making a lot

1126

00:53:53,030 --> 00:53:50,000

um i am going back and forth

1127

00:53:56,230 --> 00:53:53,040

uh you know i love that

1128

00:53:57,910 --> 00:53:56,240

fire in the sky movie i there's a new

1129

00:53:59,430 --> 00:53:57,920

documentary actually

1130

00:54:01,030 --> 00:53:59,440

that's very good as well about the

1131

00:54:02,390 --> 00:54:01,040

travis walton case that i highly

1132

00:54:06,309 --> 00:54:02,400

recommend

1133

00:54:08,230 --> 00:54:06,319

um most people that have met him

1134

00:54:09,510 --> 00:54:08,240

even people that were skeptical and

1135

00:54:11,430 --> 00:54:09,520

thought he might have just been making

1136

00:54:15,270 --> 00:54:11,440

it all up once they meet him

1137

00:54:17,510 --> 00:54:15,280

talk to him and uh

1138

00:54:19,030 --> 00:54:17,520

sort of get to know him they all come

1139

00:54:20,710 --> 00:54:19,040

away believing him

1140

00:54:26,790 --> 00:54:20,720

a hundred percent that what he

1141

00:54:33,030 --> 00:54:30,549

right gray so you have a earlier show

1142

00:54:33,750 --> 00:54:33,040

yeah we did a whole two hour show with

1143

00:54:35,670 --> 00:54:33,760

kalkwarf

1144

00:54:42,069 --> 00:54:35,680

earlier tonight well just a few minutes

1145

00:54:45,990 --> 00:54:44,549

yes brad gray jiggy seems to believe the

1146

00:54:47,829 --> 00:54:46,000

guy and he had met him

1147

00:54:49,829 --> 00:54:47,839

yeah that everybody that i know that

1148

00:54:51,430 --> 00:54:49,839

meets him and talks to him

1149

00:54:53,270 --> 00:54:51,440

even if they were skeptical and thought

1150

00:54:55,270 --> 00:54:53,280

he was full of [h\_\_\h] before they met him

1151  
00:54:57,829 --> 00:54:55,280  
after they meet him after they talk to

1152  
00:55:00,230 --> 00:54:57,839  
him they come away

1153  
00:55:02,150 --> 00:55:00,240  
really believing that he's telling the

1154  
00:55:04,549 --> 00:55:02,160  
honest about truth

1155  
00:55:06,230 --> 00:55:04,559  
and you know i guess in a lot of these

1156  
00:55:09,589 --> 00:55:06,240  
cases where

1157  
00:55:13,589 --> 00:55:09,599  
somebody's word is most of the story

1158  
00:55:21,190 --> 00:55:17,349  
you have to get that sense of them

1159  
00:55:23,109 --> 00:55:21,200  
what is their is this person like

1160  
00:55:25,349 --> 00:55:23,119  
does this person have a high level of

1161  
00:55:27,670 --> 00:55:25,359  
integrity are they believable

1162  
00:55:29,190 --> 00:55:27,680  
are they trustworthy am i going to trust

1163  
00:55:32,870 --> 00:55:29,200

them and put my faith in them that

1164

00:55:37,829 --> 00:55:35,030

everyone that i've ever talked to that

1165

00:55:41,030 --> 00:55:37,839

talked to travis walton in person

1166

00:55:44,870 --> 00:55:41,040

every single one of them everyone

1167

00:55:48,309 --> 00:55:46,470

i don't think everybody could be that

1168

00:55:49,910 --> 00:55:48,319

terrible of the judge of characters and

1169

00:55:50,630 --> 00:55:49,920

i'm talking about yeah people like jiggy

1170

00:55:52,549 --> 00:55:50,640

people that are

1171

00:55:53,750 --> 00:55:52,559

naturally skeptical and people that i

1172

00:55:55,430 --> 00:55:53,760

you know

1173

00:55:57,030 --> 00:55:55,440

people that i would trust to make a

1174

00:55:59,510 --> 00:55:57,040

judgment call having been in his

1175

00:56:01,670 --> 00:55:59,520

presence haven't talked to him having

1176

00:56:03,030 --> 00:56:01,680

heard his story in person met him in

1177

00:56:05,349 --> 00:56:03,040

person

1178

00:56:07,430 --> 00:56:05,359

and besides remember that hashtag jiggy

1179

00:56:11,109 --> 00:56:07,440

was right

1180

00:56:13,109 --> 00:56:11,119

travis walton

1181

00:56:14,390 --> 00:56:13,119

and uh he's been right about a lot of

1182

00:56:20,150 --> 00:56:14,400

people so i

1183

00:56:24,150 --> 00:56:22,230

yes and travis had witnesses as well

1184

00:56:26,069 --> 00:56:24,160

yeah

1185

00:56:27,750 --> 00:56:26,079

there was witnesses that a light you

1186

00:56:29,109 --> 00:56:27,760

know a flying saucer came down and hit

1187

00:56:32,470 --> 00:56:29,119

him with a beam of light

1188

00:56:36,950 --> 00:56:32,480

and there was witnesses to his recovery

1189

00:56:37,510 --> 00:56:36,960

um they thought the local townspeople

1190

00:56:40,390 --> 00:56:37,520

thought that

1191

00:56:41,430 --> 00:56:40,400

the his lying crew buddies may have

1192

00:56:43,990 --> 00:56:41,440

murdered him

1193

00:56:46,150 --> 00:56:44,000

and they were treating it as a almost

1194

00:56:48,069 --> 00:56:46,160

like a murder investigation while he was

1195

00:56:49,910 --> 00:56:48,079

missing for that time

1196

00:56:51,349 --> 00:56:49,920

and the transport case is very

1197

00:56:53,030 --> 00:56:51,359

interesting to me because a lot of

1198

00:56:53,670 --> 00:56:53,040

abduction stories it's like i was

1199

00:56:55,990 --> 00:56:53,680

abducted

1200

00:56:56,710 --> 00:56:56,000

the same night they put me back in my

1201  
00:56:58,470 --> 00:56:56,720  
bed

1202  
00:57:00,230 --> 00:56:58,480  
but he was gone for a significant amount

1203  
00:57:03,670 --> 00:57:00,240  
of time what was it seven days

1204  
00:57:07,750 --> 00:57:05,349  
i could be wrong on the actual time but

1205  
00:57:13,670 --> 00:57:07,760  
it was more than a few hours

1206  
00:57:15,270 --> 00:57:13,680  
it was days that he was missing

1207  
00:57:19,270 --> 00:57:15,280  
it's a compelling story it's a great

1208  
00:57:23,750 --> 00:57:21,910  
and and that's probably the travis

1209  
00:57:25,750 --> 00:57:23,760  
mullen case is probably another one of

1210  
00:57:28,870 --> 00:57:25,760  
those cases that will never be

1211  
00:57:33,109 --> 00:57:28,880  
proven or disproven definitively

1212  
00:57:36,710 --> 00:57:33,119  
um so it remains a mystery

1213  
00:57:39,190 --> 00:57:36,720

now if it was proven or disproven

1214

00:57:41,349 --> 00:57:39,200

definitively there would be no mystery

1215

00:57:43,990 --> 00:57:41,359

left there

1216

00:57:45,670 --> 00:57:44,000

oh okay i'm sorry pbr stream three days

1217

00:57:47,670 --> 00:57:45,680

yeah but still that's an inordinate

1218

00:57:48,630 --> 00:57:47,680

amount of time most ufo abduction

1219

00:57:52,230 --> 00:57:48,640

stories

1220

00:57:55,670 --> 00:57:52,240

are a few hours not three days

1221

00:57:58,470 --> 00:57:55,680

and travis seemed to

1222

00:57:59,990 --> 00:57:58,480

seem to say that uh he believed that

1223

00:58:00,549 --> 00:58:00,000

when they hit him with that beam of

1224

00:58:02,230 --> 00:58:00,559

light they

1225

00:58:03,910 --> 00:58:02,240

injured him somehow and then they took

1226

00:58:05,270 --> 00:58:03,920

him aboard the craft and it took them

1227

00:58:07,750 --> 00:58:05,280

three days to

1228

00:58:09,990 --> 00:58:07,760

repair him or something like that before

1229

00:58:12,230 --> 00:58:10,000

they put him back on earth

1230

00:58:14,230 --> 00:58:12,240

um that's an interesting part of the

1231

00:58:15,990 --> 00:58:14,240

story that's his belief

1232

00:58:17,750 --> 00:58:16,000

now that they were trying to help him

1233

00:58:19,190 --> 00:58:17,760

because they hurt him accidentally

1234

00:58:22,470 --> 00:58:19,200

somehow with their

1235

00:58:30,150 --> 00:58:22,480

ray gun or i don't know

1236

00:58:34,549 --> 00:58:31,910

yeah friends so we're just about hitting

1237

00:58:37,030 --> 00:58:34,559

an hour here

1238

00:58:37,990 --> 00:58:37,040

just felt like i should pop back on and

1239

00:58:43,270 --> 00:58:38,000

uh

1240

00:58:44,549 --> 00:58:43,280

show we did earlier tonight there was

1241

00:58:46,870 --> 00:58:44,559

very little time for audience

1242

00:58:48,470 --> 00:58:46,880

interaction and we want to make sure

1243

00:58:50,789 --> 00:58:48,480

that everybody in the audience knows and

1244

00:58:52,789 --> 00:58:50,799

appreciate knows and understands that i

1245

00:58:54,870 --> 00:58:52,799

appreciate their attendance

1246

00:58:56,150 --> 00:58:54,880

and want to have that interaction want

1247

00:58:59,270 --> 00:58:56,160

to have that talk

1248

00:59:02,470 --> 00:58:59,280

back and forth with you guys

1249

00:59:05,030 --> 00:59:02,480

as much as possible so i suppose

1250

00:59:05,589 --> 00:59:05,040

for future reference maybe we'll do that

1251  
00:59:08,150 --> 00:59:05,599  
again

1252  
00:59:09,829 --> 00:59:08,160  
if uh if there's a guest and they have a

1253  
00:59:14,230 --> 00:59:09,839  
lot to cram in

1254  
00:59:16,829 --> 00:59:14,240  
we'll just do a second part and go to

1255  
00:59:19,190 --> 00:59:16,839  
you know more interaction with the live

1256  
00:59:21,589 --> 00:59:19,200  
chat

1257  
00:59:22,789 --> 00:59:21,599  
just another guy named harry is in the

1258  
00:59:26,390 --> 00:59:22,799  
twitch chat

1259  
00:59:28,789 --> 00:59:26,400  
and says hey good to see you there just

1260  
00:59:42,789 --> 00:59:28,799  
another guy named harry i guess that's

1261  
00:59:46,470 --> 00:59:44,309  
or maybe someone else that i'm not

1262  
00:59:48,309 --> 00:59:46,480  
familiar with i've never seen you

1263  
00:59:56,069 --> 00:59:48,319

in our live chat but welcome just

1264

01:00:01,270 --> 00:59:59,349

yeah so friends uh i guess we're gonna

1265

01:00:05,030 --> 01:00:01,280

wrap things up here

1266

01:00:07,510 --> 01:00:05,040

um i should be back

1267

01:00:08,710 --> 01:00:07,520

on monday night we're gonna start a new

1268

01:00:13,270 --> 01:00:08,720

series

1269

01:00:18,950 --> 01:00:13,280

and uh i can't wait it's gonna be

1270

01:00:22,870 --> 01:00:21,109

oh hi just another guy named harry then

1271

01:00:25,430 --> 01:00:22,880

you were looking for

1272

01:00:26,789 --> 01:00:25,440

halloween related streams tonight uh we

1273

01:00:29,990 --> 01:00:26,799

covered a mysterious

1274

01:00:33,510 --> 01:00:30,000

strange and paranormal topics like ufos

1275

01:00:36,950 --> 01:00:33,520

and bigfoot and aliens and uh

1276

01:00:37,750 --> 01:00:36,960

mysterious all manner of mysterious

1277

01:00:39,750 --> 01:00:37,760

things

1278

01:00:41,349 --> 01:00:39,760

so i'd appreciate it if you would hit

1279

01:00:42,470 --> 01:00:41,359

the follow button because we're trying

1280

01:00:46,710 --> 01:00:42,480

to get

1281

01:00:48,630 --> 01:00:46,720

numbers up so i'd appreciate a follow

1282

01:00:50,789 --> 01:00:48,640

over there just another guy named harry

1283

01:00:52,789 --> 01:00:50,799

and thank you for being in our live chat

1284

01:00:53,829 --> 01:00:52,799

it's good to see you here you are most

1285

01:00:55,430 --> 01:00:53,839

welcome

1286

01:00:57,190 --> 01:00:55,440

if you like strange and mysterious

1287

01:01:03,030 --> 01:00:57,200

stories this

1288

01:01:07,829 --> 01:01:05,990

and brad gray i wonder what cal thinks

1289

01:01:09,430 --> 01:01:07,839

of the travis walton's story you know

1290

01:01:11,190 --> 01:01:09,440

i've never asked him about that i'm

1291

01:01:11,750 --> 01:01:11,200

gonna have to i'll put on my list of

1292

01:01:15,349 --> 01:01:11,760

questions

1293

01:01:18,470 --> 01:01:17,589

thank you steven great show yeah good to

1294

01:01:21,190 --> 01:01:18,480

have you here

1295

01:01:23,190 --> 01:01:21,200

it's good to uh it's i'm glad that i got

1296

01:01:23,990 --> 01:01:23,200

back on put a little bit more time in

1297

01:01:25,990 --> 01:01:24,000

today and

1298

01:01:27,829 --> 01:01:26,000

talk to you guys because i felt like

1299

01:01:30,150 --> 01:01:27,839

that last show was like

1300

01:01:32,549 --> 01:01:30,160

uh we crammed in so much stuff and it

1301  
01:01:34,549 --> 01:01:32,559  
was like 10 minutes at the end for the

1302  
01:01:37,270 --> 01:01:34,559  
live audience so

1303  
01:01:37,990 --> 01:01:37,280  
you know this is the first time i think

1304  
01:01:39,910 --> 01:01:38,000  
that oh no

1305  
01:01:41,349 --> 01:01:39,920  
we've done it one other time we did two

1306  
01:01:44,150 --> 01:01:41,359  
shows in one day

1307  
01:01:47,030 --> 01:01:44,160  
so i guess i gotta try three in one day

1308  
01:01:49,030 --> 01:01:47,040  
uh next but i'd rather not

1309  
01:01:51,270 --> 01:01:49,040  
one's plenty two is usually i'm

1310  
01:01:53,750 --> 01:01:51,280  
exhausted after two

1311  
01:01:54,870 --> 01:01:53,760  
but i'm gonna be uh turning in for the

1312  
01:01:56,950 --> 01:01:54,880  
night

1313  
01:01:58,789 --> 01:01:56,960

getting some much needed rest before

1314

01:01:59,990 --> 01:01:58,799

returning to working on the cabin

1315

01:02:02,710 --> 01:02:00,000

tomorrow morning

1316

01:02:04,309 --> 01:02:02,720

hopefully so i want to thank each and

1317

01:02:07,109 --> 01:02:04,319

every one of you guys for joining me

1318

01:02:11,829 --> 01:02:07,119

again here for tonight especially we had

1319

01:02:15,829 --> 01:02:14,150

i appreciate each and every one of you

1320

01:02:19,349 --> 01:02:15,839

i'd appreciate it if you could like

1321

01:02:21,349 --> 01:02:19,359

comment subscribe and share these videos

1322

01:02:23,430 --> 01:02:21,359

there's a reason that all content

1323

01:02:23,910 --> 01:02:23,440

creators say that because it really does

1324

01:02:27,029 --> 01:02:23,920

help

1325

01:02:30,470 --> 01:02:27,039

spread the show and

1326

01:02:33,029 --> 01:02:30,480

it helps us tremendously

1327

01:02:34,230 --> 01:02:33,039

until next time friends then my name is
