

THANKS FOR JOINING US

THANKS FOR JOINING US

Chicago

1
00:00:16,630 --> 00:00:14,910
[Music]

2
00:00:48,350 --> 00:00:16,640
so

3
00:02:09,350 --> 00:01:03,310
[Music]

4
00:02:13,430 --> 00:02:12,229
greetings and salutations old friends

5
00:02:17,510 --> 00:02:13,440
and hopefully

6
00:02:21,350 --> 00:02:19,430
as you can hear in the background uh

7
00:02:22,150 --> 00:02:21,360
we're having a little bit of an early

8
00:02:23,910 --> 00:02:22,160
show tonight

9
00:02:25,990 --> 00:02:23,920
which means my children are still up and

10
00:02:29,350 --> 00:02:26,000
around and if you hear a few

11
00:02:32,630 --> 00:02:29,360
screams it's quite all right uh

12
00:02:36,070 --> 00:02:32,640
it's okay uh so today

13
00:02:39,110 --> 00:02:36,080

marks a few milestones in our show

14

00:02:41,430 --> 00:02:39,120

and our channel i'm happy to say that

15

00:02:45,270 --> 00:02:41,440

according to youtube stats

16

00:02:48,550 --> 00:02:45,280

uh truth seekers now has 20 000 views

17

00:02:50,390 --> 00:02:48,560

which is uh you know i'm not sure how to

18

00:02:54,390 --> 00:02:50,400

feel about the numbers

19

00:02:56,630 --> 00:02:54,400

um honestly i'm trying to uh

20

00:02:58,149 --> 00:02:56,640

avoid thinking about or looking at the

21

00:03:03,990 --> 00:02:58,159

numbers because

22

00:03:06,630 --> 00:03:04,000

i see you know people with uh

23

00:03:08,630 --> 00:03:06,640

i don't want to say people with

24

00:03:11,350 --> 00:03:08,640

different way of doing things

25

00:03:12,790 --> 00:03:11,360

with huge numbers and huge amounts of

26

00:03:15,910 --> 00:03:12,800

views

27

00:03:18,949 --> 00:03:15,920

um but you know i think we have sort of

28

00:03:22,070 --> 00:03:18,959

our own concept here on how to do things

29

00:03:25,350 --> 00:03:22,080

and and how to really uh

30

00:03:28,949 --> 00:03:27,430

i don't want to take anything against

31

00:03:29,990 --> 00:03:28,959

anything away from those other people

32

00:03:32,229 --> 00:03:30,000

with bigger

33

00:03:34,550 --> 00:03:32,239

numbers but sometimes the numbers don't

34

00:03:35,990 --> 00:03:34,560

make sense to me also i see people with

35

00:03:38,229 --> 00:03:36,000

you know

36

00:03:39,270 --> 00:03:38,239

5 000 subscribers but when they live

37

00:03:41,589 --> 00:03:39,280

stream they have

38

00:03:43,910 --> 00:03:41,599

almost the same number that we do on a

39

00:03:45,509 --> 00:03:43,920

good night so

40

00:03:47,430 --> 00:03:45,519

i don't know what the numbers mean i

41

00:03:49,670 --> 00:03:47,440

don't know uh

42

00:03:52,070 --> 00:03:49,680

i don't know what to think about those

43

00:03:54,070 --> 00:03:52,080

uh but

44

00:03:56,070 --> 00:03:54,080

i think going forward i'm gonna try to

45

00:03:58,830 --> 00:03:56,080

worry and look at them less

46

00:04:05,190 --> 00:03:58,840

uh and just do what it is that we do

47

00:04:08,789 --> 00:04:07,190

i'm terrible at things like maintaining

48

00:04:11,589 --> 00:04:08,799

an email list

49

00:04:12,949 --> 00:04:11,599

at internet marketing and maybe that

50

00:04:15,910 --> 00:04:12,959

shows

51
00:04:16,710 --> 00:04:15,920
some of these people are expert at that

52
00:04:18,469 --> 00:04:16,720
and uh

53
00:04:25,110 --> 00:04:18,479
maybe i'm also just not disciplined

54
00:04:31,189 --> 00:04:28,070
it sounds like a party uh because i

55
00:04:34,070 --> 00:04:31,199
guess it is it's our 50th episode

56
00:04:36,150 --> 00:04:34,080
and uh i am going to play a bumper real

57
00:04:38,550 --> 00:04:36,160
quick and open up the phone lines

58
00:04:40,310 --> 00:04:38,560
and uh really because i also need to get

59
00:04:42,629 --> 00:04:40,320
up and shut my door

60
00:04:43,990 --> 00:04:42,639
the door's like half open which is why

61
00:04:45,909 --> 00:04:44,000
uh

62
00:04:47,430 --> 00:04:45,919
you can hear the children much more if i

63
00:04:50,230 --> 00:04:47,440

don't close the door

64

00:04:51,030 --> 00:04:50,240

my bad let me see open phone lines here

65

00:04:53,909 --> 00:04:51,040

we go

66

00:04:54,469 --> 00:04:53,919

so tonight uh is open topics open phone

67

00:04:57,830 --> 00:04:54,479

lines

68

00:04:59,830 --> 00:04:57,840

and uh really i thought that

69

00:05:01,670 --> 00:04:59,840

i could spend tonight in a little

70

00:05:04,629 --> 00:05:01,680

different way which is to just

71

00:05:05,430 --> 00:05:04,639

interact with the audience and between

72

00:05:07,590 --> 00:05:05,440

you guys

73

00:05:08,950 --> 00:05:07,600

and me maybe we'll figure out the

74

00:05:12,870 --> 00:05:08,960

direction

75

00:05:14,550 --> 00:05:12,880

uh for the show for the next 50 episodes

76
00:05:16,390 --> 00:05:14,560
uh but for right now we're going to open

77
00:05:18,390 --> 00:05:16,400
the phone lines you can call in and tell

78
00:05:24,150 --> 00:05:18,400
us your mysterious stories

79
00:05:26,150 --> 00:05:24,160
you can call in to talk to me or uh

80
00:05:27,350 --> 00:05:26,160
talk about any subject that you wish

81
00:05:30,390 --> 00:05:27,360
really

82
00:05:38,580 --> 00:05:30,400
uh open lines open subjects

83
00:06:05,550 --> 00:05:38,590
we'll be right back friends

84
00:07:35,430 --> 00:06:12,420
[Music]

85
00:07:43,350 --> 00:07:39,189
and here friends we are back uh

86
00:07:51,520 --> 00:07:43,360
so oh there we go

87
00:07:56,869 --> 00:07:53,510
[Music]

88
00:08:16,230 --> 00:07:56,879

one second friends hello this is steven

89

00:08:27,589 --> 00:08:26,230

yeah what are you up to elmo um

90

00:08:38,829 --> 00:08:27,599

okay elmo well thanks for the

91

00:08:38,839 --> 00:08:43,909

okay

92

00:08:43,919 --> 00:08:47,110

who's this

93

00:08:47,120 --> 00:08:51,350

oh hey jiggy what are you doing man

94

00:08:54,389 --> 00:08:53,190

since i'm actually 50 years old think

95

00:08:57,350 --> 00:08:54,399

i've gone to graduation

96

00:08:58,710 --> 00:08:57,360

congratulations yeah thank you i

97

00:09:00,389 --> 00:08:58,720

appreciate it coming from you that means

98

00:09:02,870 --> 00:09:00,399

a lot because you've got a

99

00:09:09,750 --> 00:09:02,880

lot a lot ahead of me so i got a lot of

100

00:09:12,790 --> 00:09:09,760

catching up to do with some of you guys

101

00:09:16,230 --> 00:09:12,800

thank you i appreciate it very much

102

00:09:25,670 --> 00:09:23,590

okay thanks g shout out to jiggy

103

00:09:27,190 --> 00:09:25,680

the views expressed by jiggy do not

104

00:09:30,230 --> 00:09:27,200

necessarily reflect those

105

00:09:33,829 --> 00:09:30,240

of the uh corporate management or

106

00:09:39,030 --> 00:09:33,839

uh show producers here

107

00:09:42,710 --> 00:09:41,030

yeah phone is really low oh you know

108

00:09:44,949 --> 00:09:42,720

what i'll do friends hold on

109

00:09:46,550 --> 00:09:44,959

uh just give me a second this is what

110

00:09:50,389 --> 00:09:46,560

happened you know what

111

00:09:53,190 --> 00:09:50,399

uh this is a brand new phone

112

00:09:53,590 --> 00:09:53,200

and i probably don't have the volume set

113

00:09:55,030 --> 00:09:53,600

right

114

00:09:56,710 --> 00:09:55,040

just give me one moment just in case

115

00:09:59,030 --> 00:09:56,720

anybody else calls in

116

00:10:00,230 --> 00:09:59,040

didn't realize it was that low but it

117

00:10:05,910 --> 00:10:00,240

makes sense because i never

118

00:10:05,920 --> 00:10:12,550

okay

119

00:10:19,269 --> 00:10:16,550

there we go all right

120

00:10:22,550 --> 00:10:19,279

now it should be should be much louder

121

00:10:22,560 --> 00:10:27,190

oh one more thing

122

00:10:27,200 --> 00:10:31,509

yeah i have a uh

123

00:10:37,190 --> 00:10:33,829

okay it's cracked friends so now it's

124

00:10:43,110 --> 00:10:40,870

so uh interestingly uh

125

00:10:44,870 --> 00:10:43,120

i think it was today that we had 20 000

126

00:10:47,110 --> 00:10:44,880

views which is interesting

127

00:10:49,110 --> 00:10:47,120

on our uh the day that we will do our

128

00:10:52,870 --> 00:10:49,120

50th show and i have to say

129

00:10:55,430 --> 00:10:52,880

i uh on my previous show was

130

00:10:55,990 --> 00:10:55,440

radio so it's audio only and i had to

131

00:10:59,430 --> 00:10:56,000

edit

132

00:11:02,150 --> 00:10:59,440

everything like crazy every week

133

00:11:03,750 --> 00:11:02,160

it was a couple hours of editing so i

134

00:11:04,870 --> 00:11:03,760

really liked the new format it's letting

135

00:11:08,069 --> 00:11:04,880

us cover a lot more

136

00:11:11,269 --> 00:11:08,079

ground it's letting us really uh

137

00:11:14,550 --> 00:11:11,279

expand what we're able to do

138

00:11:15,910 --> 00:11:14,560

because one show a week is uh you know

139

00:11:18,069 --> 00:11:15,920

even that's

140

00:11:20,069 --> 00:11:18,079

a challenge sometimes honestly a good

141

00:11:23,110 --> 00:11:20,079

show every week

142

00:11:23,590 --> 00:11:23,120

but being able to four or five is really

143

00:11:27,430 --> 00:11:23,600

really

144

00:11:30,550 --> 00:11:27,440

a blessing so i'm for one thankful

145

00:11:32,470 --> 00:11:30,560

for this kind of new format and yeah

146

00:11:34,230 --> 00:11:32,480

things are live and things sometimes

147

00:11:36,150 --> 00:11:34,240

don't go well we've had

148

00:11:38,310 --> 00:11:36,160

shows where the microphone didn't work

149

00:11:40,150 --> 00:11:38,320

and i talked for 10 minutes not knowing

150

00:11:43,670 --> 00:11:40,160

the microphone was off

151
00:11:45,350 --> 00:11:43,680
and uh all kinds of technical problems

152
00:11:47,910 --> 00:11:45,360
the stream went off

153
00:11:49,190 --> 00:11:47,920
uh youtube hit us with policy violations

154
00:11:50,790 --> 00:11:49,200
several times

155
00:11:53,269 --> 00:11:50,800
these are all things that are just gonna

156
00:11:56,069 --> 00:11:53,279
happen uh if you're in a live

157
00:11:57,350 --> 00:11:56,079
situation you never know what could

158
00:12:03,190 --> 00:11:57,360
happen

159
00:12:06,389 --> 00:12:04,629
it's not that i didn't have respect for

160
00:12:07,110 --> 00:12:06,399
live streamers or people who did live

161
00:12:09,110 --> 00:12:07,120
shows but

162
00:12:10,790 --> 00:12:09,120
until you do it you know you don't

163
00:12:12,870 --> 00:12:10,800

really understand the complexities

164

00:12:15,590 --> 00:12:12,880

involved and how amazing it is when

165

00:12:17,750 --> 00:12:15,600

everything goes well

166

00:12:19,750 --> 00:12:17,760

okay so we're gonna uh take some

167

00:12:20,870 --> 00:12:19,760

comments and questions from the live

168

00:12:24,230 --> 00:12:20,880

chat

169

00:12:27,110 --> 00:12:24,240

here is the place to do uh

170

00:12:28,949 --> 00:12:27,120

to do suggestions for future shows and i

171

00:12:31,190 --> 00:12:28,959

will certainly take note

172

00:12:32,069 --> 00:12:31,200

we are here to please the audience after

173

00:12:35,190 --> 00:12:32,079

all

174

00:12:37,829 --> 00:12:35,200

and uh hopefully it's uh

175

00:12:39,590 --> 00:12:37,839

something that i'm equally interested in

176

00:12:41,590 --> 00:12:39,600

but i've noticed that many of you

177

00:12:43,590 --> 00:12:41,600

are interested in i'm interested in all

178

00:12:45,750 --> 00:12:43,600

of this stuff so i don't mind going down

179

00:12:47,269 --> 00:12:45,760

different rabbit holes victor cagliaro

180

00:12:50,069 --> 00:12:47,279

says i'd like to see the show

181

00:12:52,629 --> 00:12:50,079

on the nat bigelow harry reid connection

182

00:12:53,350 --> 00:12:52,639

and how atep is the biggest circle jerk

183

00:12:56,310 --> 00:12:53,360

ever

184

00:12:59,190 --> 00:12:56,320

don't forget how george nat mentor tom

185

00:13:01,190 --> 00:12:59,200

delong when he wanted to start tsa

186

00:13:02,949 --> 00:13:01,200

yes and don't forget how george knapp

187

00:13:05,670 --> 00:13:02,959

was an early investor

188

00:13:07,269 --> 00:13:05,680

in tssa i don't know how it's ethical

189

00:13:11,350 --> 00:13:07,279

for him to be pumping

190

00:13:13,430 --> 00:13:11,360

them up on uh his television broadcasts

191

00:13:16,310 --> 00:13:13,440

uh while they're still listening for

192

00:13:17,750 --> 00:13:16,320

donations and he's also an investor

193

00:13:21,030 --> 00:13:17,760

there's a little bit of a problem with

194

00:13:23,190 --> 00:13:21,040

that kind of thing to me but

195

00:13:24,230 --> 00:13:23,200

it is what it is uh and harry reid of

196

00:13:27,030 --> 00:13:24,240

course

197

00:13:29,030 --> 00:13:27,040

this whole thing is like harry reid

198

00:13:31,509 --> 00:13:29,040

giving his buddies money

199

00:13:32,150 --> 00:13:31,519

uh well that would be bigelow yeah and

200

00:13:39,430 --> 00:13:32,160

nap

201
00:13:46,150 --> 00:13:41,509
purple skies happy 50th stephen thank

202
00:13:49,189 --> 00:13:47,910
genocide that was funny we just stayed

203
00:13:51,590 --> 00:13:49,199
and waited

204
00:13:53,269 --> 00:13:51,600
yeah eventually thankfully somebody got

205
00:13:55,590 --> 00:13:53,279
through to me that the microphone wasn't

206
00:14:00,829 --> 00:13:55,600
working

207
00:14:19,910 --> 00:14:07,829
great

208
00:14:23,670 --> 00:14:22,150
uh press f what do we have a troll look

209
00:14:27,350 --> 00:14:23,680
at these graphics this guy is

210
00:14:31,030 --> 00:14:27,360
truly a man out of time uh

211
00:14:34,949 --> 00:14:31,040
okay a man of great destiny are we

212
00:14:37,670 --> 00:14:34,959
making predictions in the live chat now

213
00:14:39,189 --> 00:14:37,680

oh i forgot our little uh spinner thingy

214

00:14:42,310 --> 00:14:39,199

there you go

215

00:14:45,509 --> 00:14:42,320

is that that's more modern

216

00:14:47,829 --> 00:14:45,519

um back to the latest in the live chat

217

00:14:51,269 --> 00:14:50,629

yeah so i suppose if anybody has any

218

00:14:53,829 --> 00:14:51,279

comments

219

00:14:54,949 --> 00:14:53,839

questions suggestions about the first 50

220

00:14:58,310 --> 00:14:54,959

shows

221

00:15:02,550 --> 00:14:58,320

uh and i'm all ears otherwise

222

00:15:05,829 --> 00:15:02,560

uh we'll take suggestions for um

223

00:15:09,110 --> 00:15:07,829

and william pixley asked how is the sun

224

00:15:12,550 --> 00:15:09,120

room coming

225

00:15:15,269 --> 00:15:12,560

uh good but it is uh

226

00:15:16,949 --> 00:15:15,279

going slow uh you know that tedious

227

00:15:19,030 --> 00:15:16,959

that's it's really tedious doing

228

00:15:20,550 --> 00:15:19,040

all this log work with the cement and it

229

00:15:22,870 --> 00:15:20,560

takes forever

230

00:15:24,870 --> 00:15:22,880

um but here's what i'll say about the

231

00:15:26,470 --> 00:15:24,880

sunroom i was kind of stressed out

232

00:15:27,910 --> 00:15:26,480

because i didn't know how this thing was

233

00:15:29,910 --> 00:15:27,920

going to come together

234

00:15:31,030 --> 00:15:29,920

and now i do so we've got this big

235

00:15:33,189 --> 00:15:31,040

timber frame up

236

00:15:34,949 --> 00:15:33,199

and i started plowing and then we're

237

00:15:39,189 --> 00:15:34,959

putting this like 2x4 frame

238

00:15:41,110 --> 00:15:39,199

inside these huge log frame posts

239

00:15:42,870 --> 00:15:41,120

uh because you need something square to

240

00:15:45,749 --> 00:15:42,880

screw the windows into

241

00:15:47,269 --> 00:15:45,759

um but anyway started screwing

242

00:15:50,710 --> 00:15:47,279

everything together it looks

243

00:15:52,710 --> 00:15:50,720

like a sunroom i guess should so uh

244

00:15:54,310 --> 00:15:52,720

yeah i have no idea what i'm doing and

245

00:15:56,949 --> 00:15:54,320

i'm just going to keep going

246

00:15:58,870 --> 00:15:56,959

that's the plan keep going until there's

247

00:16:01,030 --> 00:15:58,880

a sunroom

248

00:16:02,389 --> 00:16:01,040

updates on the oracle yes dan hogan i

249

00:16:06,150 --> 00:16:02,399

have new

250

00:16:08,389 --> 00:16:06,160

i have four new uh videos

251
00:16:10,470 --> 00:16:08,399
uh with that feature the oracle which i

252
00:16:13,829 --> 00:16:10,480
will be hopefully releasing this week

253
00:16:15,350 --> 00:16:13,839
uh i could

254
00:16:17,829 --> 00:16:15,360
tell you that if things are gonna get

255
00:16:24,150 --> 00:16:17,839
interesting with that thing i think

256
00:16:24,160 --> 00:16:29,990
i guess episode 50. oh yeah sorry 50th

257
00:16:35,269 --> 00:16:33,910
episode 50. i if somebody would told me

258
00:16:36,389 --> 00:16:35,279
before i started this show that i could

259
00:16:39,110 --> 00:16:36,399
do 50

260
00:16:41,749 --> 00:16:39,120
yeah let me take a look actually let's

261
00:16:41,759 --> 00:16:45,829
uh

262
00:16:50,949 --> 00:16:49,269
friends just gonna pull this up so i

263
00:16:53,030 --> 00:16:50,959

know i don't want to misspeak here i

264

00:17:00,790 --> 00:16:53,040

gotta look at my channel

265

00:17:08,069 --> 00:17:04,230

first episode was yeah

266

00:17:12,549 --> 00:17:08,079

uh three three months ago

267

00:17:16,549 --> 00:17:15,270

and we're in september and we're at

268

00:17:18,470 --> 00:17:16,559

episode 50. so

269

00:17:20,630 --> 00:17:18,480

i think that we did pretty good as far

270

00:17:24,150 --> 00:17:20,640

as amount of content

271

00:17:26,470 --> 00:17:24,160

uh some of the quality uh

272

00:17:28,630 --> 00:17:26,480

you know some of these things are

273

00:17:30,390 --> 00:17:28,640

subjective like what's a good show

274

00:17:31,990 --> 00:17:30,400

if you really love the subject to you

275

00:17:33,590 --> 00:17:32,000

it's probably a good show if you're not

276

00:17:35,510 --> 00:17:33,600

at all interested in the subject it's

277

00:17:37,190 --> 00:17:35,520

probably not a good show

278

00:17:38,870 --> 00:17:37,200

so some of these things are a crap shoot

279

00:17:41,350 --> 00:17:38,880

and i've been thinking about this lately

280

00:17:44,710 --> 00:17:41,360

like how do i make sure that i do

281

00:17:46,630 --> 00:17:44,720

more or better good shows really good

282

00:17:47,110 --> 00:17:46,640

shows and the answer to me most of the

283

00:17:50,630 --> 00:17:47,120

time is

284

00:17:52,470 --> 00:17:50,640

do more homework do more research but

285

00:17:56,470 --> 00:17:52,480

there's only so much time in a day and

286

00:18:01,350 --> 00:17:56,480

uh everything has been a juggling act

287

00:18:04,950 --> 00:18:01,360

so yeah from june till september

288

00:18:06,870 --> 00:18:04,960

today is the 22nd 50 shows produced

289

00:18:08,950 --> 00:18:06,880

and that's amazing to me because on my

290

00:18:11,909 --> 00:18:08,960

radio show that would have been a year

291

00:18:13,270 --> 00:18:11,919

worth of shows with probably two weeks

292

00:18:15,350 --> 00:18:13,280

where they would play reruns

293

00:18:16,870 --> 00:18:15,360

you know or probably even more reruns

294

00:18:18,789 --> 00:18:16,880

that would be more than a year then it

295

00:18:21,029 --> 00:18:18,799

would be like 44

296

00:18:23,110 --> 00:18:21,039

maybe would be for the year and then the

297

00:18:26,070 --> 00:18:23,120

rest would be replays or whatever

298

00:18:27,270 --> 00:18:26,080

but still uh so that's the work of a

299

00:18:31,029 --> 00:18:27,280

year

300

00:18:33,110 --> 00:18:31,039

months

301

00:18:35,909 --> 00:18:33,120

i really do like the new format and i

302

00:18:37,510 --> 00:18:35,919

think it's gonna

303

00:18:39,270 --> 00:18:37,520

well i'm sure it's gonna enable us to

304

00:18:41,029 --> 00:18:39,280

cover more topics

305

00:18:42,950 --> 00:18:41,039

you know i thought for fun that we could

306

00:18:43,909 --> 00:18:42,960

look at that david wilcock when he

307

00:18:47,990 --> 00:18:43,919

starts crying

308

00:18:50,630 --> 00:18:48,000

but uh i don't know where the uh

309

00:18:52,789 --> 00:18:50,640

where does he start crying somebody uh

310

00:18:56,870 --> 00:18:52,799

if they know the time stamp of whether

311

00:19:12,710 --> 00:18:56,880

where he starts crying

312

00:19:29,510 --> 00:19:24,150

oh i got it

313

00:19:37,990 --> 00:19:34,870

okay so for fun and shits and giggles

314

00:19:40,070 --> 00:19:38,000

tonight we're gonna share uh

315

00:19:41,350 --> 00:19:40,080

probably the greatest [h__\h] story

316

00:19:45,430 --> 00:19:41,360

that i've ever heard

317

00:19:49,270 --> 00:19:48,150

you know he claims basically that he

318

00:19:53,190 --> 00:19:49,280

talks to presidents

319

00:19:55,990 --> 00:19:53,200

and knows presidents okay david wilcock

320

00:19:56,789 --> 00:19:56,000

and then he starts crying i guess to you

321

00:20:00,549 --> 00:19:56,799

know

322

00:20:02,870 --> 00:20:00,559

really sell the [h__\h] story and

323

00:20:04,149 --> 00:20:02,880

i for one want to preserve this so that

324

00:20:07,350 --> 00:20:04,159

he doesn't take it down

325

00:20:10,070 --> 00:20:07,360

because uh oh boy uh

326

00:20:10,549 --> 00:20:10,080

yeah it's just priceless to watch this

327

00:20:12,390 --> 00:20:10,559

idiot

328

00:20:13,830 --> 00:20:12,400

go off on this [h__h] story and then

329

00:20:16,870 --> 00:20:13,840

start bawling and

330

00:20:22,390 --> 00:20:20,549

so terrible not to make fun of somebody

331

00:20:24,549 --> 00:20:22,400

that's crying but this is an act

332

00:20:25,510 --> 00:20:24,559

this is [h__h] this is not him having

333

00:20:28,549 --> 00:20:25,520

a genuine

334

00:20:31,990 --> 00:20:28,559

emotional reaction uh

335

00:20:34,230 --> 00:20:32,000

it's just not so uh we're gonna and this

336

00:20:36,149 --> 00:20:34,240

video is david wilcock time travel

337

00:20:40,310 --> 00:20:36,159

secrets revealed

338

00:20:46,950 --> 00:20:43,909

and i gotta tell you uh i was gonna

339

00:20:49,909 --> 00:20:46,960

cover this and we still may

340

00:20:51,830 --> 00:20:49,919

but boy that would be 10 shows for me

341

00:20:54,230 --> 00:20:51,840

covering this because you got to go

342

00:20:56,710 --> 00:20:54,240

like what a half hour at a time and then

343

00:21:00,470 --> 00:20:56,720

analyze what he's saying and

344

00:21:02,950 --> 00:21:00,480

oh boy but

345

00:21:06,149 --> 00:21:02,960

for fun we're gonna cite fair use and by

346

00:21:08,390 --> 00:21:06,159

the way david wilcock you piece of [h__\h]

347

00:21:09,510 --> 00:21:08,400

don't you dare [h__\h] copyright strike

348

00:21:11,590 --> 00:21:09,520

me okay

349

00:21:14,149 --> 00:21:11,600

don't you dare [h__\h] copyright strike

350

00:21:15,909 --> 00:21:14,159

me privacy strike me or any of that [h__\h]

351
00:21:17,909 --> 00:21:15,919
because all we're doing tonight is

352
00:21:20,390 --> 00:21:17,919
playing a public video

353
00:21:20,950 --> 00:21:20,400
that you posted we're educating the

354
00:21:23,190 --> 00:21:20,960
public

355
00:21:24,870 --> 00:21:23,200
about what a dumbass you are so this

356
00:21:26,870 --> 00:21:24,880
falls under fair use

357
00:21:29,029 --> 00:21:26,880
we're educating the public that you make

358
00:21:31,029 --> 00:21:29,039
up fake [h__\h] stories

359
00:21:33,190 --> 00:21:31,039
and then expect people to throw money at

360
00:21:33,830 --> 00:21:33,200
you so you can live in a million dollar

361
00:21:35,590 --> 00:21:33,840
mansion

362
00:21:37,909 --> 00:21:35,600
that other people pay for and then you

363
00:21:40,070 --> 00:21:37,919

don't even pay taxes

364

00:21:41,350 --> 00:21:40,080

don't [h__h] copyright strike me like

365

00:21:43,190 --> 00:21:41,360

an [h__h]

366

00:21:45,430 --> 00:21:43,200

this is fair use i'm allowed to play

367

00:21:48,950 --> 00:21:45,440

this video we're allowed to laugh at you

368

00:21:57,510 --> 00:21:48,960

you posted it you dumbass so

369

00:22:01,270 --> 00:22:00,390

[h__h] david wilcock all right dude

370

00:22:04,070 --> 00:22:01,280

wilcock

371

00:22:06,070 --> 00:22:04,080

in his million-dollar log cabin in

372

00:22:08,789 --> 00:22:06,080

colorado

373

00:22:10,870 --> 00:22:08,799

and by the way every so often some david

374

00:22:12,870 --> 00:22:10,880

wilcock fan says some nasty [h__h] about

375

00:22:14,710 --> 00:22:12,880

my cabin that i'm building and says that

376

00:22:15,270 --> 00:22:14,720

i'm just jealous because david wilcox

377

00:22:17,750 --> 00:22:15,280

got a big

378

00:22:19,830 --> 00:22:17,760

beautiful cabin mansion and i have a

379

00:22:21,750 --> 00:22:19,840

shack in the woods but

380

00:22:23,430 --> 00:22:21,760

i'm very fond of this saying david

381

00:22:27,350 --> 00:22:23,440

wilcock can suck a dick

382

00:22:31,270 --> 00:22:27,360

because men build log cabins [h__h]

383

00:22:34,149 --> 00:22:31,280

[h__h] buy a log cabin only a [h__h]

384

00:22:35,990 --> 00:22:34,159

would buy a log cabin look at me i have

385

00:22:39,350 --> 00:22:36,000

all this money

386

00:22:40,070 --> 00:22:39,360

and i bought a log cabin a man builds

387

00:22:43,270 --> 00:22:40,080

his own

388

00:22:45,350 --> 00:22:43,280

you [h__h] you don't just buy one

389

00:22:47,350 --> 00:22:45,360

okay you don't get points for that you

390

00:22:49,830 --> 00:22:47,360

don't well you can just buy one but you

391

00:22:54,549 --> 00:22:49,840

don't get any man points for buying one

392

00:22:56,870 --> 00:22:54,559

you [h__h] jeez

393

00:22:58,870 --> 00:22:56,880

all right oh you know what i always do

394

00:23:01,990 --> 00:22:58,880

that friend sorry let me get that

395

00:23:04,630 --> 00:23:02,000

patreon out of the way and we need

396

00:23:07,029 --> 00:23:04,640

this that's what we need there we go

397

00:23:09,590 --> 00:23:07,039

that's a little better

398

00:23:14,230 --> 00:23:09,600

yeah okay friends so boy look at that

399

00:23:21,029 --> 00:23:17,909

oh man so this oh you know what i gotta

400

00:23:24,470 --> 00:23:23,750

one second sometimes i forget to click

401
00:23:26,149 --> 00:23:24,480
audio

402
00:23:29,510 --> 00:23:26,159
so i want to make sure that we have the

403
00:23:32,070 --> 00:23:29,520
audio share audio one second friends now

404
00:23:37,110 --> 00:23:35,270
there we are all right this is fair use

405
00:23:38,950 --> 00:23:37,120
david wilcock don't you dare copyright

406
00:23:40,149 --> 00:23:38,960
strike me like a [h__\h]

407
00:23:41,590 --> 00:23:40,159
just because you don't want people

408
00:23:42,710 --> 00:23:41,600
making fun of you if you don't want

409
00:23:44,470 --> 00:23:42,720
people making fun of you

410
00:23:46,549 --> 00:23:44,480
don't post ridiculous lies to the

411
00:23:47,029 --> 00:23:46,559
[h__\h] internet and then cry like a

412
00:23:53,909 --> 00:23:47,039
[h__\h]

413
00:23:57,269 --> 00:23:53,919

douchebag this is fair use

414

00:23:57,909 --> 00:23:57,279

this area uh the mormon area like you

415

00:24:00,950 --> 00:23:57,919

know uh

416

00:24:02,870 --> 00:24:00,960

idaho um montana

417

00:24:04,230 --> 00:24:02,880

they call that mormania pete originally

418

00:24:05,750 --> 00:24:04,240

called it as a joke

419

00:24:07,350 --> 00:24:05,760

and then they started actually calling

420

00:24:13,669 --> 00:24:07,360

it that informally

421

00:24:17,029 --> 00:24:15,430

and lock it off so that nobody else can

422

00:24:19,029 --> 00:24:17,039

get in and then there's plenty of food

423

00:24:21,430 --> 00:24:19,039

plenty of water and everything like that

424

00:24:23,350 --> 00:24:21,440

and by the way in this portion here he's

425

00:24:25,110 --> 00:24:23,360

citing pete peterson

426
00:24:26,710 --> 00:24:25,120
as a source we have covered pete

427
00:24:28,390 --> 00:24:26,720
peterson extensively

428
00:24:30,310 --> 00:24:28,400
in the past and proven that pete

429
00:24:32,070 --> 00:24:30,320
peterson was essentially a senile old

430
00:24:33,590 --> 00:24:32,080
man who liked to tell [h__\h] stories

431
00:24:35,350 --> 00:24:33,600
to david wilcock

432
00:24:37,269 --> 00:24:35,360
david wilcock then took his [h__\h]

433
00:24:38,470 --> 00:24:37,279
stories and made whole television shows

434
00:24:40,789 --> 00:24:38,480
out of them and

435
00:24:42,710 --> 00:24:40,799
wrote them his [h__\h] stories down in

436
00:24:44,390 --> 00:24:42,720
books that he profited from but

437
00:24:47,029 --> 00:24:44,400
pete peterson was a complete and total

438
00:24:50,549 --> 00:24:47,039

fraud he never worked for ronald reagan

439

00:24:53,430 --> 00:24:50,559

as david wilcock and him claimed never

440

00:24:53,830 --> 00:24:53,440

he was not an early computing pioneer we

441

00:24:56,310 --> 00:24:53,840

called

442

00:24:57,110 --> 00:24:56,320

computer museums and nobody'd ever heard

443

00:24:58,950 --> 00:24:57,120

of his

444

00:25:01,029 --> 00:24:58,960

so-called computer that he invented

445

00:25:02,549 --> 00:25:01,039

before apple tanning macintosh we

446

00:25:04,230 --> 00:25:02,559

completely bust it that

447

00:25:07,190 --> 00:25:04,240

every time pete peterson comes out of

448

00:25:09,669 --> 00:25:07,200

his mouth it's a fake source

449

00:25:11,510 --> 00:25:09,679

busted david wilcock why are you still

450

00:25:13,110 --> 00:25:11,520

using pete peterson as a source is it

451
00:25:13,990 --> 00:25:13,120
because he's dead and you can just

452
00:25:16,710 --> 00:25:14,000
attribute any

453
00:25:18,630 --> 00:25:16,720
[h__h] thing you want to him yeah well

454
00:25:20,310 --> 00:25:18,640
before he died pete peterson told me

455
00:25:22,390 --> 00:25:20,320
this [h__h] story and i'm going to

456
00:25:25,269 --> 00:25:22,400
tell it to you for the first time today

457
00:25:26,549 --> 00:25:25,279
that's his new shtick and you know what

458
00:25:28,549 --> 00:25:26,559
david walk it's

459
00:25:29,909 --> 00:25:28,559
too easy to see through you got to work

460
00:25:34,390 --> 00:25:29,919
harder you douchebag

461
00:25:40,870 --> 00:25:37,830
uh so that whole area around idaho utah

462
00:25:42,149 --> 00:25:40,880
that's all part of it romania i don't

463
00:25:45,190 --> 00:25:42,159

think that's going to be necessary

464

00:25:47,909 --> 00:25:45,200

i don't see society going totally nuts

465

00:25:50,470 --> 00:25:47,919

like this but here he was on camera

466

00:25:53,830 --> 00:25:50,480

saying he got

467

00:25:56,870 --> 00:25:53,840

wow you know what i think it's it's uh

468

00:25:59,269 --> 00:25:56,880

it's stopping me from playing this for

469

00:26:08,870 --> 00:25:59,279

some reason

470

00:26:12,789 --> 00:26:10,310

and he believed in this enough to

471

00:26:16,310 --> 00:26:12,799

actually move this is very important all

472

00:26:19,669 --> 00:26:18,070

well let's check out this slide pete

473

00:26:20,950 --> 00:26:19,679

peterson on the alliance we've heard

474

00:26:22,390 --> 00:26:20,960

that things are going to happen

475

00:26:24,390 --> 00:26:22,400

things are going to fail but life

476

00:26:27,190 --> 00:26:24,400

continued on as normal

477

00:26:29,029 --> 00:26:27,200

it's fiction it's just fiction and the

478

00:26:30,149 --> 00:26:29,039

government continued to print money and

479

00:26:32,070 --> 00:26:30,159

pass it out

480

00:26:34,870 --> 00:26:32,080

to his friends and so forth i moved here

481

00:26:36,950 --> 00:26:34,880

in 1999 because i was told that by 2001

482

00:26:39,430 --> 00:26:36,960

the system was going to fail

483

00:26:40,070 --> 00:26:39,440

uh it didn't fail pete peterson why is

484

00:26:42,070 --> 00:26:40,080

he even

485

00:26:43,110 --> 00:26:42,080

putting this in here that failed

486

00:26:46,549 --> 00:26:43,120

prediction from

487

00:26:48,470 --> 00:26:46,559

uh cena old man okay and here we are

488

00:26:50,830 --> 00:26:48,480

eight years later or nine years later

489

00:26:51,990 --> 00:26:50,840

in fact you were ordered to come here i

490

00:26:55,029 --> 00:26:52,000

was

491

00:26:57,590 --> 00:26:55,039

there

492

00:27:00,230 --> 00:26:57,600

in 1999 uh he was told the system was

493

00:27:04,390 --> 00:27:02,230

so we found out that no the system

494

00:27:06,149 --> 00:27:04,400

didn't fail

495

00:27:08,149 --> 00:27:06,159

i'd go for a briefing and they would be

496

00:27:11,190 --> 00:27:08,159

in total shock we don't understand

497

00:27:12,710 --> 00:27:11,200

why society has not collapsed we don't

498

00:27:15,110 --> 00:27:12,720

have any idea why

499

00:27:16,710 --> 00:27:15,120

it hasn't failed yeah and i just wanted

500

00:27:19,990 --> 00:27:16,720

to stop for a second and say

501
00:27:21,269 --> 00:27:20,000
he's talking he's using pete peterson as

502
00:27:23,590 --> 00:27:21,279
a source who

503
00:27:24,630 --> 00:27:23,600
is a fake he never worked for ronald

504
00:27:27,510 --> 00:27:24,640
reagan

505
00:27:28,389 --> 00:27:27,520
david wilcock and him previously both

506
00:27:30,310 --> 00:27:28,399
suggested

507
00:27:32,789 --> 00:27:30,320
and said that he was a science and

508
00:27:33,750 --> 00:27:32,799
technology advisor for ronald reagan he

509
00:27:35,990 --> 00:27:33,760
never was

510
00:27:37,510 --> 00:27:36,000
friends never never we talked to the

511
00:27:39,029 --> 00:27:37,520
ronald reagan archivists

512
00:27:40,950 --> 00:27:39,039
got real friendly with them there's no

513
00:27:41,750 --> 00:27:40,960

record of this guy completely total

514

00:27:43,830 --> 00:27:41,760

[h__\h]

515

00:27:46,310 --> 00:27:43,840

so who's giving briefings to a senior

516

00:27:49,269 --> 00:27:46,320

old man that thinks he was an early

517

00:27:51,110 --> 00:27:49,279

computing pioneer that beat steve jobs

518

00:27:52,950 --> 00:27:51,120

and had a better computer than apple and

519

00:27:54,549 --> 00:27:52,960

all this [h__\h] who's giving this guy

520

00:27:56,389 --> 00:27:54,559

briefings

521

00:27:57,909 --> 00:27:56,399

his imaginary friends are giving him the

522

00:27:59,909 --> 00:27:57,919

briefings i guess

523

00:28:02,870 --> 00:27:59,919

i i don't know i don't know with this

524

00:28:04,870 --> 00:28:02,880

[h__\h] remember this is 2009.

525

00:28:06,470 --> 00:28:04,880

i mean we just don't know because they

526

00:28:08,070 --> 00:28:06,480

really thought it was going to work

527

00:28:09,510 --> 00:28:08,080

the only thing we can do is say there

528

00:28:11,029 --> 00:28:09,520

was so much inertia there was so much

529

00:28:12,630 --> 00:28:11,039

getting in the way how would this ever

530

00:28:13,750 --> 00:28:12,640

be possible if somebody wanted to do

531

00:28:17,510 --> 00:28:13,760

this how do you actually

532

00:28:19,909 --> 00:28:17,520

make it happen right so now it's

533

00:28:24,310 --> 00:28:19,919

beginning to fail

534

00:28:27,190 --> 00:28:24,320

it's increasing on a logarithmic

535

00:28:28,549 --> 00:28:27,200

scale whoa logarithmic david woke up

536

00:28:31,909 --> 00:28:28,559

with those big words

537

00:28:34,070 --> 00:28:31,919

and look at this fancy powerpoint dude

538

00:28:35,350 --> 00:28:34,080

what does it must be like for him to sit

539

00:28:38,549 --> 00:28:35,360

there and go

540

00:28:39,750 --> 00:28:38,559

i gotta make a really fancy professional

541

00:28:42,230 --> 00:28:39,760

looking powerpoint

542

00:28:44,070 --> 00:28:42,240

about a bunch of [h__h] i just made up

543

00:28:46,070 --> 00:28:44,080

for my live stream

544

00:28:47,430 --> 00:28:46,080

you're like it's gotta take him hours

545

00:28:50,389 --> 00:28:47,440

and hours to do this [h__h]

546

00:28:51,430 --> 00:28:50,399

and it's all about nothing and nonsense

547

00:28:53,350 --> 00:28:51,440

i mean

548

00:28:55,190 --> 00:28:53,360

he's gotta have better things to do that

549

00:28:56,549 --> 00:28:55,200

is

550

00:28:58,470 --> 00:28:56,559

david wilcock when you're in your

551
00:29:00,470 --> 00:28:58,480
deathbed are you gonna wish that you did

552
00:29:02,470 --> 00:29:00,480
more power points about your fairy tale

553
00:29:06,710 --> 00:29:02,480
[h__\h] stories

554
00:29:08,950 --> 00:29:06,720
right it's just such a waste to me

555
00:29:09,830 --> 00:29:08,960
this was after 2008 economic collapse

556
00:29:12,070 --> 00:29:09,840
right it's been

557
00:29:13,190 --> 00:29:12,080
hell ever since then this was 2009 so

558
00:29:15,029 --> 00:29:13,200
one year later

559
00:29:18,470 --> 00:29:15,039
and very shortly i see that it just

560
00:29:21,510 --> 00:29:18,480
about has to do that it has to collapse

561
00:29:25,430 --> 00:29:21,520
and this was in 2009 folks wow

562
00:29:29,669 --> 00:29:27,750
i've i've put my money in my talent my

563
00:29:30,789 --> 00:29:29,679

skills and my abilities where my mouth

564

00:29:33,990 --> 00:29:30,799

is

565

00:29:35,669 --> 00:29:34,000

i've come here and i'm self-sufficient

566

00:29:37,430 --> 00:29:35,679

i grow all my own meat all my own

567

00:29:39,190 --> 00:29:37,440

vegetables that's not really true

568

00:29:41,029 --> 00:29:39,200

but he does exaggerate sometimes we have

569

00:29:44,310 --> 00:29:41,039

to forgive him for that

570

00:29:47,590 --> 00:29:44,320

he's even calling him a liar himself

571

00:29:49,510 --> 00:29:47,600

oh my god i have stored up those things

572

00:29:51,510 --> 00:29:49,520

that are going to be critical society he

573

00:29:52,630 --> 00:29:51,520

did have all the equipment to grow his

574

00:29:54,149 --> 00:29:52,640

own meat

575

00:29:57,430 --> 00:29:54,159

and he did grow some vegetables that is

576

00:29:59,110 --> 00:29:57,440

true uh so it's not entirely false but i

577

00:30:01,669 --> 00:29:59,120

i don't think he had any chickens or

578

00:30:03,430 --> 00:30:01,679

anything at the time that i was there

579

00:30:05,510 --> 00:30:03,440

uh i've picked up the tools that i

580

00:30:07,830 --> 00:30:05,520

didn't have that allow me to do things

581

00:30:09,190 --> 00:30:07,840

in such an environment in such a society

582

00:30:10,950 --> 00:30:09,200

to produce things that are going to be

583

00:30:13,190 --> 00:30:10,960

necessary for people to have and he goes

584

00:30:15,269 --> 00:30:13,200

into a long tangent on all that stuff

585

00:30:16,870 --> 00:30:15,279

which i'm not going to read so what

586

00:30:17,990 --> 00:30:16,880

happens is if we have a financial

587

00:30:25,510 --> 00:30:18,000

collapse

588

00:30:28,389 --> 00:30:25,520

every so often somebody predicting one

589

00:30:30,070 --> 00:30:28,399

is is not a stretch as in when it won't

590

00:30:31,029 --> 00:30:30,080

be like the great depression in the

591

00:30:33,430 --> 00:30:31,039

1920s

592

00:30:35,269 --> 00:30:33,440

of course it's going to be much worse

593

00:30:36,549 --> 00:30:35,279

it's going to be like today

594

00:30:38,870 --> 00:30:36,559

and they're expecting what they're

595

00:30:40,950 --> 00:30:38,880

probably hoping for some some people

596

00:30:42,950 --> 00:30:40,960

some negative people you're gonna have

597

00:30:45,350 --> 00:30:42,960

anarchy and absolute

598

00:30:46,950 --> 00:30:45,360

chaos well it sure looks like somebody's

599

00:30:48,630 --> 00:30:46,960

trying to push that on us right now and

600

00:30:50,310 --> 00:30:48,640

that's why i say we need that

601
00:30:51,830 --> 00:30:50,320
meditation practice you have to do this

602
00:30:53,190 --> 00:30:51,840
regularly in your life i

603
00:30:54,789 --> 00:30:53,200
gotta fast forward something very

604
00:30:56,310 --> 00:30:54,799
interesting notice the way that obama is

605
00:30:57,669 --> 00:30:56,320
folding his hands

606
00:30:59,430 --> 00:30:57,679
in terms of body language he is

607
00:31:01,590 --> 00:30:59,440
shielding his core he's shielding his

608
00:31:04,710 --> 00:31:01,600
lower chakras he's shielding his

609
00:31:06,149 --> 00:31:04,720
his waist and groin area and that's an

610
00:31:08,070 --> 00:31:06,159
armoring because he feels

611
00:31:10,470 --> 00:31:08,080
unsafe he's he feels threatened

612
00:31:11,350 --> 00:31:10,480
something's wrong he's covered his balls

613
00:31:14,630 --> 00:31:11,360

because he feels

614

00:31:17,430 --> 00:31:14,640

unsafe okay david wilcock jesus christ

615

00:31:20,389 --> 00:31:17,440

where do you get this [h__h]

616

00:31:22,549 --> 00:31:20,399

looks pretty uh looks pretty at peace

617

00:31:23,909 --> 00:31:22,559

and at ease and happy to me

618

00:31:25,830 --> 00:31:23,919

and he's still got his hands in that

619

00:31:26,549 --> 00:31:25,840

position there while they're chuckling

620

00:31:28,149 --> 00:31:26,559

it up

621

00:31:29,590 --> 00:31:28,159

and he's still got his hands in that

622

00:31:30,549 --> 00:31:29,600

same position notice it's still

623

00:31:32,389 --> 00:31:30,559

happening

624

00:31:33,669 --> 00:31:32,399

as he turns and he talks to george w so

625

00:31:36,310 --> 00:31:33,679

he's smiling

626
00:31:37,029 --> 00:31:36,320
but he's very very nervous now look at

627
00:31:39,909 --> 00:31:37,039
george

628
00:31:41,669 --> 00:31:39,919
bush senior and look at how nervous he

629
00:31:43,509 --> 00:31:41,679
looks

630
00:31:45,190 --> 00:31:43,519
and you'll see why he was so nervous in

631
00:31:46,549 --> 00:31:45,200
a minute and he looks even more nervous

632
00:31:49,269 --> 00:31:46,559
in this next picture

633
00:31:51,269 --> 00:31:49,279
notice obama is still shielding himself

634
00:31:53,269 --> 00:31:51,279
oh and by the way if you look at carter

635
00:31:54,950 --> 00:31:53,279
i mean carter is like standing way the

636
00:31:55,269 --> 00:31:54,960
hell away from everybody else because he

637
00:31:57,430 --> 00:31:55,279
is

638
00:31:59,990 --> 00:31:57,440

spooked out he does not want to be near

639

00:32:02,149 --> 00:32:00,000

anybody right so notice that

640

00:32:03,830 --> 00:32:02,159

so carter knows what's going on he

641

00:32:05,750 --> 00:32:03,840

doesn't like it but he was there and he

642

00:32:08,310 --> 00:32:05,760

showed up he's a good soldier

643

00:32:10,389 --> 00:32:08,320

and just so we're clear this is another

644

00:32:13,029 --> 00:32:10,399

fake story from his fake

645

00:32:13,669 --> 00:32:13,039

whistleblower which is who is now

646

00:32:15,750 --> 00:32:13,679

deceased

647

00:32:17,750 --> 00:32:15,760

and pete peterson never told any of

648

00:32:18,389 --> 00:32:17,760

these stories while he was alive to

649

00:32:22,310 --> 00:32:18,399

anyone

650

00:32:23,669 --> 00:32:22,320

anywhere but what i believe in this is

651

00:32:25,509 --> 00:32:23,679

opinion and speculation

652

00:32:27,830 --> 00:32:25,519

is that david wilcox is going to make

653

00:32:29,990 --> 00:32:27,840

[h__h] up forever and attribute it to his

654

00:32:31,269 --> 00:32:30,000

fake government insider pete peterson

655

00:32:33,430 --> 00:32:31,279

who's now deceased

656

00:32:37,029 --> 00:32:33,440

very convenient that nobody can go to a

657

00:32:40,149 --> 00:32:37,039

dead man and say did you say this [h__h]

658

00:32:43,190 --> 00:32:40,159

look at how nervous bush looks and then

659

00:32:45,909 --> 00:32:43,200

after this happened

660

00:32:47,029 --> 00:32:45,919

there's there's a thing where bush is is

661

00:32:48,549 --> 00:32:47,039

bush senior

662

00:32:50,470 --> 00:32:48,559

he's going to shake somebody's hand he's

663

00:32:52,630 --> 00:32:50,480

all nervous and he has a

664

00:32:54,149 --> 00:32:52,640

a napkin in his hand and as he reaches

665

00:32:56,630 --> 00:32:54,159

out for the handshake

666

00:32:58,789 --> 00:32:56,640

the napkin is still in his hand and it's

667

00:33:00,630 --> 00:32:58,799

all weird because his hands all sweaty

668

00:33:01,830 --> 00:33:00,640

and he acts really awkwardly well why

669

00:33:04,310 --> 00:33:01,840

was bush so nervous

670

00:33:05,110 --> 00:33:04,320

and why does he look so nervous in this

671

00:33:08,230 --> 00:33:05,120

picture

672

00:33:09,509 --> 00:33:08,240

okay the reason he looks so nervous in

673

00:33:11,029 --> 00:33:09,519

that picture

674

00:33:12,630 --> 00:33:11,039

according to this briefing from pete

675

00:33:13,350 --> 00:33:12,640

peterson everybody on the inside knows

676
00:33:16,630 --> 00:33:13,360
about this

677
00:33:20,149 --> 00:33:16,640
according to a briefing by

678
00:33:23,269 --> 00:33:20,159
a deceased fake whistleblower yeah

679
00:33:26,149 --> 00:33:23,279
what quality sources mr wilcock has

680
00:33:28,389 --> 00:33:26,159
a deceased fake whistleblower whose

681
00:33:29,269 --> 00:33:28,399
entire biography can be picked apart and

682
00:33:33,110 --> 00:33:29,279
showed to be

683
00:33:35,750 --> 00:33:33,120
fake and fraudulent gave

684
00:33:37,029 --> 00:33:35,760
david wilcock this briefing on this

685
00:33:40,470 --> 00:33:37,039
presidential event

686
00:33:43,590 --> 00:33:40,480
and he knows all these presidents

687
00:33:45,190 --> 00:33:43,600
yeah okay

688
00:33:46,789 --> 00:33:45,200

is that right after this and you can

689

00:33:49,590 --> 00:33:46,799

look up the date of that

690

00:33:51,750 --> 00:33:49,600

that uh thing they had i guess it was in

691

00:33:55,110 --> 00:33:51,760

2008 because the 2008 election

692

00:33:57,269 --> 00:33:55,120

is before 2009 that you can read in the

693

00:33:59,029 --> 00:33:57,279

original reports that bush and obama had

694

00:34:00,630 --> 00:33:59,039

a private meeting bush senior and obama

695

00:34:01,269 --> 00:34:00,640

had a private meeting lasted about 20

696

00:34:04,549 --> 00:34:01,279

minutes

697

00:34:07,830 --> 00:34:04,559

nobody else went in according to

698

00:34:10,790 --> 00:34:07,840

pete peterson there was a guy who was in

699

00:34:11,349 --> 00:34:10,800

according to his fake dead whistleblower

700

00:34:13,349 --> 00:34:11,359

uh

701
00:34:15,510 --> 00:34:13,359
with a fake biography with fake

702
00:34:18,470 --> 00:34:15,520
education with fake credentials with

703
00:34:19,030 --> 00:34:18,480
fake business achievements that never

704
00:34:22,069 --> 00:34:19,040
happened

705
00:34:25,190 --> 00:34:22,079
and don't exist according to that guy

706
00:34:27,190 --> 00:34:25,200
a telephone booth and

707
00:34:28,310 --> 00:34:27,200
after the meeting was over obama

708
00:34:31,349 --> 00:34:28,320
staggered out of the room

709
00:34:34,869 --> 00:34:31,359
put his head in his hands and cried

710
00:34:37,669 --> 00:34:34,879
my god they made the n-word

711
00:34:38,389 --> 00:34:37,679
i'm not going to say it a scapegoat

712
00:34:42,230 --> 00:34:38,399
that's how he

713
00:34:44,389 --> 00:34:42,240

the n-word escape go and he was crying

714

00:34:47,430 --> 00:34:44,399

and sobbing and heaving

715

00:34:47,829 --> 00:34:47,440

but what we found out was that during

716

00:34:51,669 --> 00:34:47,839

that

717

00:34:52,470 --> 00:34:51,679

meeting he was called the n-word

718

00:34:55,829 --> 00:34:52,480

repeatedly

719

00:34:57,750 --> 00:34:55,839

multiple times this man bush senior was

720

00:35:00,069 --> 00:34:57,760

vicious his teeth were bared

721

00:35:01,990 --> 00:35:00,079

look you effing he said all this kind of

722

00:35:03,430 --> 00:35:02,000

stuff to him now that

723

00:35:05,270 --> 00:35:03,440

it is one of the most heartbreaking

724

00:35:07,270 --> 00:35:05,280

things

725

00:35:09,510 --> 00:35:07,280

i mean honest to god oh here comes the

726
00:35:10,710 --> 00:35:09,520
crying oh and we gotta get the cue that

727
00:35:15,510 --> 00:35:10,720
close up while he starts

728
00:35:17,910 --> 00:35:15,520
crying i know this is true folks

729
00:35:20,230 --> 00:35:17,920
he knows it's true because a fake dead

730
00:35:22,630 --> 00:35:20,240
whistleblower told them it's true

731
00:35:23,670 --> 00:35:22,640
a guy who with a fake education and a

732
00:35:25,670 --> 00:35:23,680
fake background

733
00:35:27,190 --> 00:35:25,680
fake business credentials told him that

734
00:35:31,349 --> 00:35:27,200
this story's true

735
00:35:33,589 --> 00:35:31,359
and now he's gonna cry about it

736
00:35:38,069 --> 00:35:33,599
and he did not deserve that but obama

737
00:35:42,870 --> 00:35:41,030
he's addressing obama directly which is

738
00:35:46,310 --> 00:35:42,880

the height of arrogance because

739

00:35:49,190 --> 00:35:46,320

basically he's implying that presidents

740

00:35:51,349 --> 00:35:49,200

former presidents take the time to watch

741

00:35:52,069 --> 00:35:51,359

his four-hour live streams about

742

00:35:55,829 --> 00:35:52,079

[h__\h]

743

00:35:56,230 --> 00:35:55,839

from fake sources they must watch his

744

00:35:59,750 --> 00:35:56,240

show

745

00:36:02,630 --> 00:35:59,760

talking to him like he does

746

00:36:06,630 --> 00:36:02,640

come on obama what are you doing i need

747

00:36:11,270 --> 00:36:08,310

if you study the letter that i'm talking

748

00:36:13,030 --> 00:36:11,280

about you know what i'm talking about

749

00:36:14,950 --> 00:36:13,040

and if you don't then i would recommend

750

00:36:17,990 --> 00:36:14,960

going and looking but you know

751

00:36:19,990 --> 00:36:18,000

they threatened him and uh

752

00:36:21,349 --> 00:36:20,000

it's it's very very sad because they

753

00:36:22,950 --> 00:36:21,359

they told him

754

00:36:24,630 --> 00:36:22,960

that he would be killed if he resisted

755

00:36:27,190 --> 00:36:24,640

the plan

756

00:36:28,790 --> 00:36:27,200

and uh his family made a decision that

757

00:36:30,390 --> 00:36:28,800

he was not going to participate in what

758

00:36:31,349 --> 00:36:30,400

he wanted to do which was to bring them

759

00:36:32,790 --> 00:36:31,359

down

760

00:36:35,589 --> 00:36:32,800

they hazed him very badly in the

761

00:36:36,790 --> 00:36:35,599

beginning they they buzzed air force one

762

00:36:39,270 --> 00:36:36,800

there's a whole other thing that i'm

763

00:36:41,910 --> 00:36:39,280

going to do later on about that

764

00:36:42,950 --> 00:36:41,920

yeah so if we believe this story we're

765

00:36:46,069 --> 00:36:42,960

expected to believe

766

00:36:47,349 --> 00:36:46,079

that a bunch of former presidents went

767

00:36:49,349 --> 00:36:47,359

into the white house

768

00:36:51,109 --> 00:36:49,359

so and when that happens it's a big

769

00:36:53,910 --> 00:36:51,119

event it's a press event

770

00:36:56,150 --> 00:36:53,920

they do that for press you know let's

771

00:36:56,710 --> 00:36:56,160

get jimmy carter and the two bushes in

772

00:37:00,790 --> 00:36:56,720

here

773

00:37:03,430 --> 00:37:00,800

right and we'll we'll have a photo op

774

00:37:04,870 --> 00:37:03,440

so in the middle of a photo op a bunch

775

00:37:06,829 --> 00:37:04,880

of former presidents

776

00:37:08,069 --> 00:37:06,839

uh i think he's talking about bush

777

00:37:10,470 --> 00:37:08,079

senior

778

00:37:12,230 --> 00:37:10,480

you know snarled that obama and started

779

00:37:13,829 --> 00:37:12,240

calling him the n-word and threatening

780

00:37:17,030 --> 00:37:13,839

his family

781

00:37:20,069 --> 00:37:17,040

at this press event

782

00:37:23,430 --> 00:37:20,079

it just does that just is

783

00:37:26,870 --> 00:37:23,440

it it's so much [h__h] it's

784

00:37:28,550 --> 00:37:26,880

so much [h__h] um but

785

00:37:29,910 --> 00:37:28,560

i mean you look at the look on this

786

00:37:31,589 --> 00:37:29,920

man's face

787

00:37:33,990 --> 00:37:31,599

and you think about what he was about to

788

00:37:37,270 --> 00:37:36,390

what would you better do david is it

789

00:37:48,829 --> 00:37:37,280

crazy

790

00:37:48,839 --> 00:37:53,750

sorry

791

00:37:56,870 --> 00:37:55,109

i don't like this i don't like talking

792

00:37:59,030 --> 00:37:56,880

about this stuff

793

00:38:00,310 --> 00:37:59,040

jesus christ some things i don't mind

794

00:38:01,270 --> 00:38:00,320

talking about i don't like talking about

795

00:38:02,470 --> 00:38:01,280

this

796

00:38:04,630 --> 00:38:02,480

well then why did you put it in your

797

00:38:07,910 --> 00:38:04,640

live stream and purposefully cry

798

00:38:10,310 --> 00:38:07,920

and flip the camera to a close-up of you

799

00:38:11,910 --> 00:38:10,320

right when the crying started why would

800

00:38:17,109 --> 00:38:11,920

you do that

801
00:38:17,119 --> 00:38:21,109
but who knows

802
00:38:24,550 --> 00:38:23,510
what the hell are you doing dude you

803
00:38:26,390 --> 00:38:24,560
gotta stop this

804
00:38:28,230 --> 00:38:26,400
you can't you do david you gotta make

805
00:38:29,270 --> 00:38:28,240
those calls and you gotta think about

806
00:38:31,589 --> 00:38:29,280
what you're doing

807
00:38:34,630 --> 00:38:31,599
you gotta stop you have to think about

808
00:38:36,550 --> 00:38:34,640
the steps that you people are taking

809
00:38:39,430 --> 00:38:36,560
and what you think is okay to get to the

810
00:38:46,310 --> 00:38:39,440
goal that you think you have

811
00:38:46,790 --> 00:38:46,320
for god's sake take the deal the deal

812
00:38:49,910 --> 00:38:46,800
where

813
00:38:53,109 --> 00:38:49,920

obama lets the other presidents

814

00:38:55,109 --> 00:38:53,119

take over the world because

815

00:38:56,230 --> 00:38:55,119

are they the dark alliance are they the

816

00:38:57,829 --> 00:38:56,240

alliance i

817

00:39:00,310 --> 00:38:57,839

i can't keep track of his [h__\h]

818

00:39:01,990 --> 00:39:00,320

anymore you know the good guys and the

819

00:39:04,230 --> 00:39:02,000

bad guys so

820

00:39:06,069 --> 00:39:04,240

wait so obama was a good guy and he was

821

00:39:08,069 --> 00:39:06,079

very highly supportive of obama by the

822

00:39:09,750 --> 00:39:08,079

way when obama got elected and

823

00:39:11,270 --> 00:39:09,760

you know he was going to be the

824

00:39:13,430 --> 00:39:11,280

disclosure president but

825

00:39:15,190 --> 00:39:13,440

that never happened and uh now he's a

826

00:39:16,710 --> 00:39:15,200

big trump supporter so how does that

827

00:39:19,109 --> 00:39:16,720

work how can he be both

828

00:39:20,870 --> 00:39:19,119

a huge obama supporter and a huge trump

829

00:39:23,349 --> 00:39:20,880

supporter

830

00:39:24,150 --> 00:39:23,359

it doesn't make any sense to me but okay

831

00:39:26,870 --> 00:39:24,160

and

832

00:39:27,430 --> 00:39:26,880

trump's a good guy really trump's a good

833

00:39:31,109 --> 00:39:27,440

guy

834

00:39:34,150 --> 00:39:31,119

the alliance president okay

835

00:39:35,589 --> 00:39:34,160

the deal and stop this

836

00:39:37,349 --> 00:39:35,599

there's a lot of people who are going to

837

00:39:38,790 --> 00:39:37,359

be able to get out of this okay but you

838

00:39:40,390 --> 00:39:38,800

have to take the deal and you have to

839

00:39:42,470 --> 00:39:40,400

cooperate

840

00:39:43,910 --> 00:39:42,480

you're going to lose you're not going to

841

00:39:46,069 --> 00:39:43,920

win

842

00:39:48,310 --> 00:39:46,079

it's inevitable we already know because

843

00:39:50,069 --> 00:39:48,320

the future timeline is fixed

844

00:39:53,190 --> 00:39:50,079

this particular timeline that we're on

845

00:39:55,750 --> 00:39:53,200

leads to your defeat

846

00:39:57,510 --> 00:39:55,760

obama uh is a former president what

847

00:40:00,550 --> 00:39:57,520

defeat could he be

848

00:40:02,310 --> 00:40:00,560

worried about in his future uh he's got

849

00:40:05,430 --> 00:40:02,320

a huge netflix deal

850

00:40:07,910 --> 00:40:05,440

book deals and the guy gets like 150

851
00:40:09,750 --> 00:40:07,920
000 to show up and give an hour-long

852
00:40:12,309 --> 00:40:09,760
speech somewhere

853
00:40:14,950 --> 00:40:12,319
i don't think he's feeling very defeated

854
00:40:18,309 --> 00:40:14,960
david wilcock you douchebag

855
00:40:20,710 --> 00:40:18,319
there's no getting around that and you

856
00:40:25,990 --> 00:40:20,720
are just sore losers and you are not

857
00:40:30,390 --> 00:40:27,670
and you're putting us all through hell

858
00:40:32,710 --> 00:40:30,400
and it needs to stop

859
00:40:34,550 --> 00:40:32,720
and we need to take a stand because you

860
00:40:35,589 --> 00:40:34,560
might hate this guy okay you might hate

861
00:40:39,030 --> 00:40:35,599
the guy

862
00:40:45,270 --> 00:40:39,040
and i get that but if you don't

863
00:40:49,109 --> 00:40:48,470

we are screwed man oh i'm gonna clip

864

00:40:52,309 --> 00:40:49,119

that out

865

00:40:55,030 --> 00:40:52,319

get out there

866

00:40:56,470 --> 00:40:55,040

and you need to make that vote happen

867

00:40:59,750 --> 00:40:56,480

because they have 80

868

00:41:00,870 --> 00:40:59,760

million false ones that's what we're

869

00:41:03,270 --> 00:41:00,880

seeing

870

00:41:05,030 --> 00:41:03,280

okay it's 80 million false votes it's

871

00:41:07,589 --> 00:41:05,040

going to be disputed

872

00:41:08,309 --> 00:41:07,599

it's not going to be easy and they have

873

00:41:10,390 --> 00:41:08,319

teams from

874

00:41:11,990 --> 00:41:10,400

nicaragua el salvador mexico they

875

00:41:15,349 --> 00:41:12,000

brought up

876

00:41:16,950 --> 00:41:15,359

who has teams and since he's such a big

877

00:41:18,829 --> 00:41:16,960

trump supporter i would

878

00:41:20,309 --> 00:41:18,839

assume that he's talking about the

879

00:41:23,430 --> 00:41:20,319

democrats

880

00:41:28,069 --> 00:41:23,440

80 million dollar

881

00:41:29,670 --> 00:41:28,079

or 80 million fake ballots right

882

00:41:32,829 --> 00:41:29,680

listen in this short time having

883

00:41:33,990 --> 00:41:32,839

nicaraguan special agents working for

884

00:41:36,390 --> 00:41:34,000

them

885

00:41:37,750 --> 00:41:36,400

this is crazy all right and they're in

886

00:41:39,109 --> 00:41:37,760

position

887

00:41:40,950 --> 00:41:39,119

i don't know how bad it's gonna get

888

00:41:44,150 --> 00:41:40,960

they're gonna they're gonna make it so

889

00:41:47,430 --> 00:41:44,160

scary to go to a polling place

890

00:41:48,069 --> 00:41:47,440

that nobody wants to go to vote because

891

00:41:50,710 --> 00:41:48,079

you're going to get

892

00:41:52,230 --> 00:41:50,720

shot that's what you're trying to do

893

00:41:54,790 --> 00:41:52,240

folks you're going to get shot

894

00:41:55,670 --> 00:41:54,800

i listen i really don't see a bunch of

895

00:41:57,990 --> 00:41:55,680

armed people

896

00:41:59,990 --> 00:41:58,000

shooting people for trying to vote in in

897

00:42:01,829 --> 00:42:00,000

any near future in the united states as

898

00:42:03,910 --> 00:42:01,839

crazy as things are right now i just

899

00:42:05,670 --> 00:42:03,920

don't see that so i call [h__h] david

900

00:42:07,030 --> 00:42:05,680

walker this is just more [h__h] you're

901
00:42:08,710 --> 00:42:07,040

just making up

902
00:42:11,589 --> 00:42:08,720

you think this is all natural you think

903
00:42:13,589 --> 00:42:11,599

nobody's coordinating any of this stuff

904
00:42:15,109 --> 00:42:13,599

you think i want to talk about this you

905
00:42:16,550 --> 00:42:15,119

think i would have talked man i think i

906
00:42:17,190 --> 00:42:16,560

want to be up here on this [h__h]

907
00:42:20,309 --> 00:42:17,200

camera

908
00:42:26,630 --> 00:42:20,319

talking about this [h__h] yeah

909
00:42:28,790 --> 00:42:27,750

i didn't know it was going to get like

910
00:42:30,470 --> 00:42:28,800

this i didn't know it was going to get

911
00:42:32,230 --> 00:42:30,480

this bad

912
00:42:34,309 --> 00:42:32,240

and i'm the positive guy i mean i always

913
00:42:36,790 --> 00:42:34,319

try to make it positive

914

00:42:38,390 --> 00:42:36,800

but this is just crazy this doesn't seem

915

00:42:41,910 --> 00:42:38,400

very positive david well

916

00:42:43,829 --> 00:42:41,920

come on you're a spiritual guru man

917

00:42:46,069 --> 00:42:43,839

shouldn't you be able listen if he was a

918

00:42:49,510 --> 00:42:46,079

spiritual guru

919

00:42:51,510 --> 00:42:49,520

shouldn't he have and for all of his

920

00:42:53,510 --> 00:42:51,520

talk of meditation

921

00:42:54,950 --> 00:42:53,520

uh you know one of the tremendous

922

00:42:57,910 --> 00:42:54,960

benefits of

923

00:42:59,430 --> 00:42:57,920

daily meditation is awareness of your

924

00:43:03,510 --> 00:42:59,440

emotions

925

00:43:06,950 --> 00:43:03,520

of your mental state if he's meditating

926

00:43:09,349 --> 00:43:06,960

more than some slob like me uh

927

00:43:10,950 --> 00:43:09,359

because he's a spiritual guru and all

928

00:43:13,109 --> 00:43:10,960

wouldn't he have control

929

00:43:15,109 --> 00:43:13,119

and awareness when you have an awareness

930

00:43:18,150 --> 00:43:15,119

okay i'm starting to get upset

931

00:43:19,270 --> 00:43:18,160

and then you can calm yourself before

932

00:43:22,550 --> 00:43:19,280

you start crying

933

00:43:25,990 --> 00:43:22,560

on camera or is this a purposeful

934

00:43:26,710 --> 00:43:26,000

act did he go is it is there notes

935

00:43:29,109 --> 00:43:26,720

somewhere

936

00:43:30,550 --> 00:43:29,119

where it's in parentheses like start

937

00:43:33,829 --> 00:43:30,560

crying

938

00:43:34,950 --> 00:43:33,839

click close up right because that's what

939

00:43:37,589 --> 00:43:34,960

it looks like to me

940

00:43:39,430 --> 00:43:37,599

and this looks like a hokey as [\h__\h] fake

941

00:43:42,630 --> 00:43:39,440

performance either that

942

00:43:45,750 --> 00:43:42,640

or he's a mental case and he's getting

943

00:43:46,390 --> 00:43:45,760

emotional about fake stories that don't

944

00:43:49,910 --> 00:43:46,400

exist

945

00:43:51,829 --> 00:43:49,920

that aren't real or

946

00:43:53,270 --> 00:43:51,839

he's getting very emotional about other

947

00:43:56,470 --> 00:43:53,280

things and this story

948

00:43:59,030 --> 00:43:56,480

he's telling is uh has nothing to do

949

00:44:01,829 --> 00:43:59,040

with why he's crying right now

950

00:44:04,309 --> 00:44:01,839

could be any of them i don't know this

951
00:44:06,069 --> 00:44:04,319

guy's another

952
00:44:08,150 --> 00:44:06,079

and if you can't see what's going on i'm

953
00:44:08,870 --> 00:44:08,160

sorry if you think this is all natural

954
00:44:12,870 --> 00:44:08,880

i'm sorry

955
00:44:14,550 --> 00:44:12,880

willing to take that step and feel like

956
00:44:17,670 --> 00:44:14,560

throwing up and go through this grief

957
00:44:20,309 --> 00:44:17,680

process that i'm going through right now

958
00:44:21,589 --> 00:44:20,319

but you have to do it okay you have to

959
00:44:23,589 --> 00:44:21,599

go through this

960
00:44:24,790 --> 00:44:23,599

you have to see who these people are and

961
00:44:26,390 --> 00:44:24,800

see what they would do

962
00:44:28,790 --> 00:44:26,400

they would call somebody those kind of

963
00:44:30,309 --> 00:44:28,800

things and threaten them like that

964

00:44:31,829 --> 00:44:30,319

and threaten him that his daughters are

965

00:44:33,910 --> 00:44:31,839

going to be raped in front of him and

966

00:44:35,670 --> 00:44:33,920

killed

967

00:44:37,510 --> 00:44:35,680

i don't support that kind of stuff folks

968

00:44:39,990 --> 00:44:37,520

i don't

969

00:44:41,670 --> 00:44:40,000

for the record yeah just make i'm glad

970

00:44:43,670 --> 00:44:41,680

that he made that clear for the record

971

00:44:46,150 --> 00:44:43,680

everyone

972

00:44:47,990 --> 00:44:46,160

david wilcock does not support people's

973

00:44:49,109 --> 00:44:48,000

daughters getting raped and killed in

974

00:44:51,190 --> 00:44:49,119

front of them

975

00:44:52,710 --> 00:44:51,200

it's good to know it's just good that he

976

00:44:55,190 --> 00:44:52,720

clarified things there

977

00:44:55,750 --> 00:44:55,200

what you're a [h__\h] douchebag david

978

00:44:59,030 --> 00:44:55,760

wilcox

979

00:45:01,190 --> 00:44:59,040

you can't do that to people but they do

980

00:45:03,109 --> 00:45:01,200

okay and it's part of the problem is

981

00:45:05,750 --> 00:45:03,119

that this is all real

982

00:45:07,030 --> 00:45:05,760

okay they are doing some very nasty

983

00:45:08,390 --> 00:45:07,040

stuff

984

00:45:10,470 --> 00:45:08,400

i gotta pull it together i'm really

985

00:45:15,990 --> 00:45:10,480

sorry i did not expect

986

00:45:16,000 --> 00:45:21,910

i'm good

987

00:45:25,270 --> 00:45:24,630

do the wide shot when this crime's over

988

00:45:30,069 --> 00:45:25,280

it's work

989

00:45:31,829 --> 00:45:30,079

believe that this is real

990

00:45:33,109 --> 00:45:31,839

it's work to go to bed at night knowing

991

00:45:38,870 --> 00:45:33,119

that you're gonna wake up in a world

992

00:45:42,870 --> 00:45:41,430

and i'm sorry i didn't want it to be

993

00:45:44,309 --> 00:45:42,880

like this and i thought we could work

994

00:45:45,750 --> 00:45:44,319

hard enough that it would be quick and

995

00:45:45,990 --> 00:45:45,760

easy that three days of darkness would

996

00:45:48,309 --> 00:45:46,000

come

997

00:45:49,109 --> 00:45:48,319

very really soon they're gonna do it but

998

00:45:52,710 --> 00:45:49,119

it's gonna be in

999

00:45:56,790 --> 00:45:52,720

it won't be until they need to uh

1000

00:45:59,030 --> 00:45:56,800

three days of darkness uh this was this

1001
00:46:00,710 --> 00:45:59,040
[h__h] story that all of the internet

1002
00:46:01,990 --> 00:46:00,720
was going to go down for three days or

1003
00:46:03,589 --> 00:46:02,000
was it seven days

1004
00:46:05,109 --> 00:46:03,599
i think he said three days and then

1005
00:46:06,470 --> 00:46:05,119
maybe somebody else said it was gonna be

1006
00:46:08,150 --> 00:46:06,480
seven days

1007
00:46:09,589 --> 00:46:08,160
and you know the government was going to

1008
00:46:11,430 --> 00:46:09,599
be informing us on all of our

1009
00:46:13,270 --> 00:46:11,440
televisions what was going on while the

1010
00:46:15,829 --> 00:46:13,280
mass arrests took place but

1011
00:46:17,670 --> 00:46:15,839
that never happened and it never will

1012
00:46:21,190 --> 00:46:17,680
because david wilcock has been promising

1013
00:46:24,710 --> 00:46:21,200

that there's some kind of mass arrests

1014

00:46:25,910 --> 00:46:24,720

that will take place since 1998

1015

00:46:28,069 --> 00:46:25,920

friends that's when he first started

1016

00:46:28,390 --> 00:46:28,079

pushing that [h__h] story and he's

1017

00:46:31,430 --> 00:46:28,400

still

1018

00:46:34,950 --> 00:46:31,440

pushing it oh

1019

00:46:38,870 --> 00:46:36,550

and honestly if you're a spiritual

1020

00:46:39,910 --> 00:46:38,880

person and you understand that we're all

1021

00:46:41,589 --> 00:46:39,920

one

1022

00:46:45,030 --> 00:46:41,599

and that the teaching is forgiveness and

1023

00:46:49,270 --> 00:46:46,870

you got to rise above all the currents

1024

00:46:50,630 --> 00:46:49,280

of hatred you got to rise above

1025

00:46:52,309 --> 00:46:50,640

all the stuff that's trying to tell you

1026

00:46:54,069 --> 00:46:52,319

to be mean to other people

1027

00:46:56,230 --> 00:46:54,079

and to hurt them and to threaten them

1028

00:46:58,470 --> 00:46:56,240

and lie to them

1029

00:47:01,589 --> 00:46:58,480

and that it's okay to organize a little

1030

00:47:05,829 --> 00:47:01,599

a little insurrection you know

1031

00:47:07,990 --> 00:47:05,839

oh man i miss one thing to to you know

1032

00:47:09,510 --> 00:47:08,000

have heard about this stuff in 2009 it's

1033

00:47:12,150 --> 00:47:09,520

quite another to be here on the ground

1034

00:47:13,990 --> 00:47:12,160

looking at it and dealing with it

1035

00:47:15,829 --> 00:47:14,000

okay so he first heard about all this in

1036

00:47:19,190 --> 00:47:15,839

2009 and he didn't

1037

00:47:22,230 --> 00:47:19,200

say anything about it until right now

1038

00:47:23,990 --> 00:47:22,240

come on i'm sorry that i haven't talked

1039

00:47:26,790 --> 00:47:24,000

to you more

1040

00:47:27,910 --> 00:47:26,800

but it's overwhelming it's overwhelming

1041

00:47:29,910 --> 00:47:27,920

to know what i know

1042

00:47:31,349 --> 00:47:29,920

four-hour stream isn't long enough every

1043

00:47:32,150 --> 00:47:31,359

time this guy streams it's like four or

1044

00:47:35,270 --> 00:47:32,160

five hours

1045

00:47:37,190 --> 00:47:35,280

long he hasn't talked to us enough

1046

00:47:39,510 --> 00:47:37,200

who wants to talk to david wilcock more

1047

00:47:41,190 --> 00:47:39,520

than [h__h] five hours

1048

00:47:42,549 --> 00:47:41,200

i can't stand to listen to him for more

1049

00:47:44,710 --> 00:47:42,559

than 20 minutes

1050

00:47:46,630 --> 00:47:44,720

uh but god bless anybody that can sit

1051
00:47:48,470 --> 00:47:46,640
through this [h__h] for four hours of

1052
00:47:51,030 --> 00:47:48,480
bullshittery fun

1053
00:47:52,710 --> 00:47:51,040
and to know that i could lose my channel

1054
00:47:54,470 --> 00:47:52,720
just for telling you the truth

1055
00:47:56,790 --> 00:47:54,480
the truth is it was too late i can't

1056
00:47:57,589 --> 00:47:56,800
prove some of this stuff some of it i

1057
00:48:01,349 --> 00:47:57,599
can

1058
00:48:03,109 --> 00:48:01,359
you've never proven any of it he's been

1059
00:48:05,190 --> 00:48:03,119
telling these [h__h] stories for

1060
00:48:08,630 --> 00:48:05,200
literally over 20 years

1061
00:48:11,829 --> 00:48:08,640
nothing he has ever talked about in ever

1062
00:48:14,230 --> 00:48:11,839
any any venue any video

1063
00:48:15,750 --> 00:48:14,240

nothing that he's ever spoken about has

1064

00:48:20,150 --> 00:48:15,760

been proven to be true

1065

00:48:22,390 --> 00:48:20,160

and accurate nothing and it never will

1066

00:48:23,750 --> 00:48:22,400

i'm just telling you what i know because

1067

00:48:29,190 --> 00:48:23,760

i don't want

1068

00:48:30,790 --> 00:48:29,200

that timeline

1069

00:48:32,309 --> 00:48:30,800

and we we don't have to lose that

1070

00:48:34,150 --> 00:48:32,319

timeline the great awakening is how we

1071

00:48:38,390 --> 00:48:34,160

get through this everybody

1072

00:48:40,390 --> 00:48:38,400

we all have to solve the easy mystery

1073

00:48:42,870 --> 00:48:40,400

gosh okay i gotta stop i gotta stop

1074

00:48:46,790 --> 00:48:42,880

crying and i just gotta get back to work

1075

00:48:48,549 --> 00:48:46,800

okay you saw the picture you saw the

1076

00:48:50,390 --> 00:48:48,559

look on his face that's because of what

1077

00:48:51,270 --> 00:48:50,400

he was about to do and he had the hanky

1078

00:48:54,150 --> 00:48:51,280

in his hand

1079

00:48:55,670 --> 00:48:54,160

he was all sweaty and he ruined that

1080

00:48:57,829 --> 00:48:55,680

man's life

1081

00:49:01,589 --> 00:48:57,839

i mean i i really do barry i'm sorry

1082

00:49:05,349 --> 00:49:01,599

buddy i'm sorry that happened to you man

1083

00:49:05,910 --> 00:49:05,359

i really am sorry but if that were true

1084

00:49:09,270 --> 00:49:05,920

then why

1085

00:49:11,349 --> 00:49:09,280

how come like george bush jr and obama's

1086

00:49:13,190 --> 00:49:11,359

wife are always so buddy-buddy when they

1087

00:49:15,270 --> 00:49:13,200

meet up in events they really like each

1088

00:49:18,390 --> 00:49:15,280

other and you can tell it's genuine

1089

00:49:19,190 --> 00:49:18,400

if the guy's [\h__\h] getting threatened

1090

00:49:22,230 --> 00:49:19,200

they wouldn't be all

1091

00:49:23,589 --> 00:49:22,240

chummy with them at public events you

1092

00:49:26,309 --> 00:49:23,599

dumbass

1093

00:49:27,510 --> 00:49:26,319

you gotta stop this crap you gotta stand

1094

00:49:29,430 --> 00:49:27,520

down

1095

00:49:30,710 --> 00:49:29,440

we'll give you some some breaks we'll

1096

00:49:32,230 --> 00:49:30,720

acknowledge what you went through at

1097

00:49:33,589 --> 00:49:32,240

this point i don't have the same view of

1098

00:49:36,630 --> 00:49:33,599

you that some people do i didn't hate

1099

00:49:40,309 --> 00:49:36,640

you i didn't i voted for you man

1100

00:49:47,510 --> 00:49:42,950

god sorry i didn't expect to do that we

1101

00:49:52,710 --> 00:49:50,470

all right i'm pulling it together yeah

1102

00:49:54,630 --> 00:49:52,720

so he's going to ask pete peterson

1103

00:49:55,990 --> 00:49:54,640

if there's white hats in the government

1104

00:49:57,349 --> 00:49:56,000

and intelligence and military their

1105

00:49:58,630 --> 00:49:57,359

cells are patriots

1106

00:50:00,950 --> 00:49:58,640

that are trying to do their best from

1107

00:50:03,349 --> 00:50:00,960

the inside to avert these things

1108

00:50:04,790 --> 00:50:03,359

so he's asking a senile old man who's

1109

00:50:06,549 --> 00:50:04,800

not who he says he is

1110

00:50:08,069 --> 00:50:06,559

who doesn't have the education he said

1111

00:50:09,349 --> 00:50:08,079

he did who doesn't have any of the

1112

00:50:11,190 --> 00:50:09,359

business credentials

1113

00:50:13,270 --> 00:50:11,200

and achievements that he claimed that he

1114

00:50:15,190 --> 00:50:13,280

did who claimed that he was

1115

00:50:17,190 --> 00:50:15,200

a scientist technology advisor for

1116

00:50:19,270 --> 00:50:17,200

ronald reagan but never was

1117

00:50:20,309 --> 00:50:19,280

that's who he's asking these questions

1118

00:50:21,910 --> 00:50:20,319

to and again

1119

00:50:23,670 --> 00:50:21,920

if you ask me it's opinion and

1120

00:50:26,630 --> 00:50:23,680

speculation

1121

00:50:27,510 --> 00:50:26,640

neither david wilcock or pete peterson

1122

00:50:30,549 --> 00:50:27,520

talked about

1123

00:50:31,670 --> 00:50:30,559

any of this [h__\h] while he was alive and

1124

00:50:34,309 --> 00:50:31,680

isn't it convenient

1125

00:50:36,069 --> 00:50:34,319

that his dead source is still giving him

1126
00:50:36,790 --> 00:50:36,079
all this information about current

1127
00:50:39,349 --> 00:50:36,800
events

1128
00:50:41,030 --> 00:50:39,359
the guy's been dead for how long now

1129
00:50:41,750 --> 00:50:41,040
where is he getting this [h__h] from he

1130
00:50:45,349 --> 00:50:41,760
said it was

1131
00:50:47,589 --> 00:50:45,359
given to him in 2008 why didn't you

1132
00:50:49,510 --> 00:50:47,599
this was from 2008 and you've never used

1133
00:50:52,470 --> 00:50:49,520
it until now

1134
00:50:53,829 --> 00:50:52,480
[h__h] [h__h] and you know what

1135
00:50:57,030 --> 00:50:53,839
we're uh

1136
00:50:57,430 --> 00:50:57,040
really yeah we've covered enough of this

1137
00:51:00,710 --> 00:50:57,440
[h__h]

1138
00:51:01,750 --> 00:51:00,720

and uh i don't i can't stand to listen

1139

00:51:03,829 --> 00:51:01,760

to that guy

1140

00:51:05,510 --> 00:51:03,839

somebody in a live chat ask why all the

1141

00:51:07,190 --> 00:51:05,520

anger sometimes when i talk about this

1142

00:51:10,390 --> 00:51:07,200

clown because i can't stand

1143

00:51:11,270 --> 00:51:10,400

him i can't stay you know what i can't

1144

00:51:13,589 --> 00:51:11,280

stand

1145

00:51:15,670 --> 00:51:13,599

the fact that he is telling absolute

1146

00:51:17,270 --> 00:51:15,680

fairy tale [h__\h] stories and people

1147

00:51:19,990 --> 00:51:17,280

are throwing money at him

1148

00:51:21,349 --> 00:51:20,000

like he's got some kind of value to the

1149

00:51:23,510 --> 00:51:21,359

real world

1150

00:51:25,750 --> 00:51:23,520

like he's uh you know some kind of

1151
00:51:27,510 --> 00:51:25,760
authoritative source of information

1152
00:51:30,549 --> 00:51:27,520
about any of this stuff

1153
00:51:35,270 --> 00:51:30,559
he's just making [h__h] up he's

1154
00:51:39,430 --> 00:51:35,280
just crafting fairy tales for people

1155
00:51:42,390 --> 00:51:39,440
and has been for 20 something years

1156
00:51:43,430 --> 00:51:42,400
and it's it's absolutely ridiculous that

1157
00:51:46,390 --> 00:51:43,440
the guys

1158
00:51:46,870 --> 00:51:46,400
you know come on he's going to start a

1159
00:51:48,630 --> 00:51:46,880
religious

1160
00:51:50,390 --> 00:51:48,640
organization so he doesn't have to pay

1161
00:51:52,470 --> 00:51:50,400
taxes and this is

1162
00:51:54,309 --> 00:51:52,480
all wrong this is part of his religion

1163
00:51:54,710 --> 00:51:54,319

telling people [h__h] stories about

1164

00:51:58,150 --> 00:51:54,720

past

1165

00:52:01,990 --> 00:51:58,160

presidents

1166

00:52:04,390 --> 00:52:02,000

it's so ridiculous and implausible

1167

00:52:05,589 --> 00:52:04,400

i can't i don't understand why people

1168

00:52:08,950 --> 00:52:05,599

just sit through it

1169

00:52:09,910 --> 00:52:08,960

and go uh-huh like really really david

1170

00:52:11,670 --> 00:52:09,920

wilcock

1171

00:52:13,349 --> 00:52:11,680

they threatened obama they called him

1172

00:52:15,349 --> 00:52:13,359

the n-word

1173

00:52:17,190 --> 00:52:15,359

it must be true because you're crying

1174

00:52:23,270 --> 00:52:17,200

about it it's

1175

00:52:29,349 --> 00:52:26,790

it's stupid and uh

1176

00:52:31,030 --> 00:52:29,359

boy but uh you know god bless him very

1177

00:52:31,589 --> 00:52:31,040

financially successful at selling

1178

00:52:35,510 --> 00:52:31,599

[h__\h]

1179

00:52:37,670 --> 00:52:35,520

one of the best one of the best

1180

00:52:39,829 --> 00:52:37,680

and but i do would like to mention just

1181

00:52:41,829 --> 00:52:39,839

to you stupid people that send him money

1182

00:52:43,670 --> 00:52:41,839

you know you're sending him money so he

1183

00:52:45,430 --> 00:52:43,680

can have multiple million dollar

1184

00:52:47,670 --> 00:52:45,440

mansions right

1185

00:52:49,430 --> 00:52:47,680

you know you're sending him money what

1186

00:52:51,349 --> 00:52:49,440

was it that he spent on meals and

1187

00:52:54,870 --> 00:52:51,359

entertainment in four months

1188

00:52:58,950 --> 00:52:54,880

in was it 2008 or 2009 i think it was

1189

00:53:00,710 --> 00:52:58,960

5 000 or something like that

1190

00:53:03,589 --> 00:53:00,720

meals and entertainment five thousand

1191

00:53:05,670 --> 00:53:03,599

dollars paid for by you stupid people

1192

00:53:07,349 --> 00:53:05,680

who give him money

1193

00:53:09,030 --> 00:53:07,359

wouldn't it be nice if you had five

1194

00:53:11,030 --> 00:53:09,040

thousand dollars that you could spend on

1195

00:53:14,390 --> 00:53:11,040

meals and entertainment

1196

00:53:16,710 --> 00:53:14,400

tax-free i can't do that

1197

00:53:19,270 --> 00:53:16,720

but david wilcock can thanks to you

1198

00:53:21,190 --> 00:53:19,280

[h__h] sending him money

1199

00:53:23,190 --> 00:53:21,200

what am i gonna say you know if you're

1200

00:53:24,150 --> 00:53:23,200

that [h__h] stupid with your money

1201
00:53:26,630 --> 00:53:24,160
and that because that's what you're

1202
00:53:27,990 --> 00:53:26,640
financing you're financing this stupid

1203
00:53:31,030 --> 00:53:28,000
[h__\h] million dollar

1204
00:53:32,390 --> 00:53:31,040
lifestyle that's what your money is

1205
00:53:35,510 --> 00:53:32,400
going towards

1206
00:53:37,750 --> 00:53:35,520
what is he doing with all this money why

1207
00:53:40,069 --> 00:53:37,760
is he constantly involved in fundraising

1208
00:53:43,349 --> 00:53:40,079
scams and scandals

1209
00:53:44,870 --> 00:53:43,359
i'd like to know a lot of people would

1210
00:53:48,230 --> 00:53:44,880
like to know

1211
00:53:50,710 --> 00:53:48,240
and is this religious organization that

1212
00:53:58,230 --> 00:53:50,720
he started

1213
00:54:02,230 --> 00:54:00,790

must be nice that you can take money

1214

00:54:04,790 --> 00:54:02,240

from people

1215

00:54:05,589 --> 00:54:04,800

and live literally live a millionaire

1216

00:54:09,270 --> 00:54:05,599

lifestyle

1217

00:54:11,510 --> 00:54:09,280

million dollar home very expensive cars

1218

00:54:13,030 --> 00:54:11,520

five thousand dollars for meals and

1219

00:54:15,270 --> 00:54:13,040

entertainment for just a few short

1220

00:54:18,630 --> 00:54:15,280

months

1221

00:54:21,829 --> 00:54:18,640

must be nice it must be nice and what

1222

00:54:24,230 --> 00:54:21,839

what but then i get to the what is he

1223

00:54:29,430 --> 00:54:24,240

giving people for all this money he's

1224

00:54:37,190 --> 00:54:34,150

what is he giving him and that

1225

00:54:41,109 --> 00:54:37,200

friends is when i get angry

1226

00:54:53,349 --> 00:54:45,190

i guess uh entertainment if you could

1227

00:54:55,030 --> 00:54:53,359

sort of quantify it

1228

00:54:57,349 --> 00:54:55,040

david wilcock is going to save us all

1229

00:54:59,670 --> 00:54:57,359

and help us ascend

1230

00:55:08,630 --> 00:54:59,680

yeah i don't know if you took his first

1231

00:55:15,589 --> 00:55:11,990

team up and go after this fraud

1232

00:55:20,390 --> 00:55:17,990

i'm not a real i don't consider myself a

1233

00:55:22,309 --> 00:55:20,400

journalist but

1234

00:55:23,990 --> 00:55:22,319

lately i've been thinking that i have a

1235

00:55:26,470 --> 00:55:24,000

responsibility to

1236

00:55:28,230 --> 00:55:26,480

turn things over to law enforcement

1237

00:55:29,829 --> 00:55:28,240

where appropriate and i have a great

1238

00:55:32,150 --> 00:55:29,839

deal of information

1239

00:55:32,870 --> 00:55:32,160

that i think that if a prosecutor looked

1240

00:55:35,990 --> 00:55:32,880

at

1241

00:55:38,549 --> 00:55:36,000

so

1242

00:55:40,069 --> 00:55:38,559

uh yeah but then the other part of me

1243

00:55:41,589 --> 00:55:40,079

thinks it's like why do i gotta do that

1244

00:55:43,670 --> 00:55:41,599

why do i gotta gather up all this

1245

00:55:44,069 --> 00:55:43,680

evidence maybe it's because i have a lot

1246

00:55:49,349 --> 00:55:44,079

of it

1247

00:55:51,670 --> 00:55:49,359

but then i don't even know like what hey

1248

00:55:55,109 --> 00:55:51,680

how do you present that to a prosecutor

1249

00:55:57,109 --> 00:55:55,119

or a law enforcement officer

1250

00:55:58,390 --> 00:55:57,119

it's not a coincidence that mr wilcox

1251

00:56:00,950 --> 00:55:58,400

has been involved in

1252

00:56:03,990 --> 00:56:00,960

all these fundraising scandals it's not

1253

00:56:05,910 --> 00:56:04,000

a coincidence that he started a 501c3

1254

00:56:07,990 --> 00:56:05,920

and then is spending thousands of

1255

00:56:09,910 --> 00:56:08,000

dollars on meals and entertainment for

1256

00:56:15,589 --> 00:56:09,920

himself

1257

00:56:19,910 --> 00:56:18,710

deprogrammed podcast is here hi good to

1258

00:56:21,510 --> 00:56:19,920

see you here

1259

00:56:23,990 --> 00:56:21,520

i don't think i've seen you in the live

1260

00:56:27,510 --> 00:56:24,000

chat we've talked offline though

1261

00:56:30,390 --> 00:56:27,520

uh yeah

1262

00:56:32,309 --> 00:56:30,400

it's a cult of course it's a cold of

1263

00:56:35,430 --> 00:56:32,319

course it's a cult

1264

00:56:39,349 --> 00:56:35,440

and he's got his cult wife you know

1265

00:56:42,630 --> 00:56:39,359

the woman warrior teaching those classes

1266

00:56:52,549 --> 00:56:42,640

and he's teaching classes on ascension

1267

00:56:56,870 --> 00:56:54,470

oh yeah let's not forget the golden

1268

00:56:57,910 --> 00:56:56,880

dragon family fulford i just can't

1269

00:56:59,910 --> 00:56:57,920

handle all the woo

1270

00:57:02,150 --> 00:56:59,920

that's another time he cried he cried on

1271

00:57:04,390 --> 00:57:02,160

carrie cassidy's radio show

1272

00:57:06,390 --> 00:57:04,400

because ninja assassins were sent from

1273

00:57:07,990 --> 00:57:06,400

the red dragon family was it to

1274

00:57:08,870 --> 00:57:08,000

assassinate him and they were in his

1275

00:57:11,510 --> 00:57:08,880

house

1276

00:57:13,109 --> 00:57:11,520

and instead of calling the police you

1277

00:57:13,430 --> 00:57:13,119

know or somebody to come and help him

1278

00:57:15,829 --> 00:57:13,440

while

1279

00:57:17,829 --> 00:57:15,839

ninja assassins were in his house he

1280

00:57:21,910 --> 00:57:17,839

called in to carry cassidy's radio

1281

00:57:28,390 --> 00:57:21,920

show and cried because that makes sense

1282

00:57:32,549 --> 00:57:30,470

the problem with busting these [h__h]

1283

00:57:34,230 --> 00:57:32,559

it out is that people are stupid

1284

00:57:35,910 --> 00:57:34,240

and that is not a law breaker got to

1285

00:57:38,710 --> 00:57:35,920

catch them when they make the mistakes

1286

00:57:41,510 --> 00:57:38,720

for shillcock it is the 501c3

1287

00:57:42,470 --> 00:57:41,520

uh yeah and for the record i requested a

1288

00:57:45,510 --> 00:57:42,480

copy of the

1289

00:57:46,309 --> 00:57:45,520

990 form for this year from elizabeth

1290

00:57:48,789 --> 00:57:46,319

wilcock

1291

00:57:50,549 --> 00:57:48,799

and uh they have 30 days to give it to

1292

00:57:52,789 --> 00:57:50,559

me and uh

1293

00:57:55,109 --> 00:57:52,799

i don't know exactly maybe two three

1294

00:57:56,549 --> 00:57:55,119

weeks ago i requested that document and

1295

00:58:00,549 --> 00:57:56,559

if they don't give it to me i'm going to

1296

00:58:04,069 --> 00:58:02,549

i'm not a tax accountant or an attorney

1297

00:58:07,750 --> 00:58:04,079

but near is my understanding

1298

00:58:10,230 --> 00:58:07,760

is that if you run a 501c3 and anybody

1299

00:58:12,390 --> 00:58:10,240

asks you for the 990 form

1300

00:58:13,589 --> 00:58:12,400

uh you have to furnish that you have to

1301

00:58:15,270 --> 00:58:13,599

give it to them you

1302

00:58:16,950 --> 00:58:15,280

they can ask for up to the last your

1303

00:58:19,349 --> 00:58:16,960

organization's last

1304

00:58:21,030 --> 00:58:19,359

three years his hasn't been in existence

1305

00:58:22,309 --> 00:58:21,040

for three years yet but it has been for

1306

00:58:25,990 --> 00:58:22,319

two so

1307

00:58:28,309 --> 00:58:26,000

i've got the 2008 990 which shows

1308

00:58:30,390 --> 00:58:28,319

uh that he's just basically spending

1309

00:58:34,230 --> 00:58:30,400

tons of money on equipment and meals and

1310

00:58:36,390 --> 00:58:34,240

entertainment uh tax-free

1311

00:58:38,390 --> 00:58:36,400

but i wanted to see this year's and see

1312

00:58:39,109 --> 00:58:38,400

if he's continuing in that pattern and

1313

00:58:41,750 --> 00:58:39,119

so far

1314

00:58:42,630 --> 00:58:41,760

uh they have not emailed me let me check

1315

00:58:45,430 --> 00:58:42,640

just to make sure

1316

00:58:47,510 --> 00:58:45,440

right now but i don't believe that they

1317

00:58:48,870 --> 00:58:47,520

have emailed me the 990 form and they're

1318

00:58:50,470 --> 00:58:48,880

required by law

1319

00:58:52,470 --> 00:58:50,480

near as i understand i could be

1320

00:58:55,109 --> 00:58:52,480

incorrect but i believe

1321

00:58:55,750 --> 00:58:55,119

that they're required by law to give

1322

00:58:58,549 --> 00:58:55,760

that

1323

00:58:59,190 --> 00:58:58,559

to me within 30 days and they have so

1324

00:59:01,750 --> 00:58:59,200

far not

1325

00:59:03,589 --> 00:59:01,760

furnished it if they don't do that

1326

00:59:06,309 --> 00:59:03,599

they'll be in violation of irs

1327

00:59:06,630 --> 00:59:06,319

i believe regulations or laws because

1328

00:59:08,950 --> 00:59:06,640

it's

1329

00:59:10,230 --> 00:59:08,960

law that they have to my understanding

1330

00:59:12,150 --> 00:59:10,240

it's law that they have to give it to

1331

00:59:13,430 --> 00:59:12,160

you if you ask for it i've asked for it

1332

00:59:15,670 --> 00:59:13,440

several weeks ago

1333

00:59:17,270 --> 00:59:15,680

nobody's given it to me yet if they

1334

00:59:18,309 --> 00:59:17,280

don't give it to me i have to go to the

1335

00:59:21,510 --> 00:59:18,319

irs

1336

00:59:25,190 --> 00:59:21,520

i i suppose uh

1337

00:59:28,230 --> 00:59:27,349

not that i expected that they would but

1338

00:59:35,510 --> 00:59:28,240

uh

1339

00:59:39,349 --> 00:59:35,520

we have i didn't realize my hair is like

1340

00:59:41,589 --> 00:59:39,359

a mess today yes so we have requested it

1341

00:59:42,950 --> 00:59:41,599

um that's all i can do is request it if

1342

00:59:45,670 --> 00:59:42,960

they don't give it to me

1343

00:59:45,990 --> 00:59:45,680

there's a next step that we'll take

1344

00:59:48,150 --> 00:59:46,000

because

1345

00:59:49,829 --> 00:59:48,160

i believe that that information is

1346

00:59:50,309 --> 00:59:49,839

newsworthy and it should be out in the

1347

00:59:51,829 --> 00:59:50,319

public

1348

00:59:53,990 --> 00:59:51,839

for people to make a more informed

1349

00:59:56,630 --> 00:59:54,000

decision about whether or not they

1350

00:59:57,750 --> 00:59:56,640

should be donating money to this guy and

1351
01:00:03,510 --> 00:59:57,760
his wife

1352
01:00:08,069 --> 01:00:05,510
jason quinn is a time traveler sent to

1353
01:00:13,030 --> 01:00:08,079
disrupt any time period he is in

1354
01:00:17,270 --> 01:00:14,950
uh lee beltman when is the next court

1355
01:00:19,030 --> 01:00:17,280
date who's up first

1356
01:00:22,549 --> 01:00:19,040
i believe that the judge has until

1357
01:00:25,910 --> 01:00:22,559
october to review the motions to dismiss

1358
01:00:28,789 --> 01:00:25,920
uh the motions to dismiss in that case

1359
01:00:30,470 --> 01:00:28,799
and make a decision but if i was a

1360
01:00:32,710 --> 01:00:30,480
betting person i'd say that it's getting

1361
01:00:35,910 --> 01:00:32,720
dismissed because there's excellent

1362
01:00:36,950 --> 01:00:35,920
argument there's excellent motion to

1363
01:00:40,390 --> 01:00:36,960

dismiss

1364

01:00:43,430 --> 01:00:40,400

legal arguments made by both c.w

1365

01:00:46,470 --> 01:00:43,440

channer in that case and also uh

1366

01:00:47,109 --> 01:00:46,480

cliff highs is really well written and

1367

01:00:51,270 --> 01:00:47,119

he's

1368

01:00:53,510 --> 01:00:51,280

representing himself so kudos to him um

1369

01:00:55,109 --> 01:00:53,520

i read those documents and i read the

1370

01:00:57,750 --> 01:00:55,119

plaintiff's documents

1371

01:00:58,630 --> 01:00:57,760

and the plaintiff keeps asking to amend

1372

01:00:59,750 --> 01:00:58,640

the complaint

1373

01:01:02,390 --> 01:00:59,760

and they've already amended the

1374

01:01:04,789 --> 01:01:02,400

complaint once and didn't uh

1375

01:01:05,589 --> 01:01:04,799

you know didn't cure the problems with

1376

01:01:07,910 --> 01:01:05,599

the complaint

1377

01:01:09,270 --> 01:01:07,920

why it should be dismissed immediately

1378

01:01:15,430 --> 01:01:09,280

now they want to

1379

01:01:17,109 --> 01:01:15,440

amend the complaint again and uh

1380

01:01:18,710 --> 01:01:17,119

there's already been all these motions

1381

01:01:20,390 --> 01:01:18,720

to dismiss and then they

1382

01:01:21,990 --> 01:01:20,400

amended the complaint now there's new

1383

01:01:23,670 --> 01:01:22,000

motions to dismiss and they still

1384

01:01:26,069 --> 01:01:23,680

haven't solved the problems

1385

01:01:27,349 --> 01:01:26,079

after amending the complaint once i

1386

01:01:28,549 --> 01:01:27,359

don't think a judge is going to put up

1387

01:01:30,150 --> 01:01:28,559

with much more of this [h__h]

1388

01:01:32,390 --> 01:01:30,160

and i think it's going to get dismissed

1389

01:01:35,670 --> 01:01:32,400

but you know i'm not a lawyer

1390

01:01:37,589 --> 01:01:35,680

that's just my take on it and would i

1391

01:01:39,190 --> 01:01:37,599

prefer it to be dismissed yeah because i

1392

01:01:42,150 --> 01:01:39,200

think this person is

1393

01:01:43,990 --> 01:01:42,160

unfairly using the legal system to

1394

01:01:46,710 --> 01:01:44,000

harass his critics

1395

01:01:47,109 --> 01:01:46,720

that's what i think it comes down to the

1396

01:01:49,910 --> 01:01:47,119

light

1397

01:01:51,030 --> 01:01:49,920

warrior legal fund yeah that's [h__\h]

1398

01:01:53,109 --> 01:01:51,040

it's not the light

1399

01:01:55,190 --> 01:01:53,119

warrior legal fund it's to donate money

1400

01:01:57,109 --> 01:01:55,200

to me so i can sue people

1401
01:01:58,950 --> 01:01:57,119
that say my [h__h] stories on the

1402
01:02:00,230 --> 01:01:58,960
internet aren't true

1403
01:02:03,270 --> 01:02:00,240
that's what that legal fund is

1404
01:02:05,109 --> 01:02:03,280
supporting um

1405
01:02:06,309 --> 01:02:05,119
it is what it is friends you know and

1406
01:02:07,990 --> 01:02:06,319
i'm sorry that people

1407
01:02:09,349 --> 01:02:08,000
that got to that point where like people

1408
01:02:10,950 --> 01:02:09,359
got sued

1409
01:02:12,789 --> 01:02:10,960
simply for going on the internet and

1410
01:02:14,950 --> 01:02:12,799
saying this guy telling these [h__h]

1411
01:02:17,190 --> 01:02:14,960
stories about going to mars

1412
01:02:20,230 --> 01:02:17,200
and you know being in a secret space

1413
01:02:22,470 --> 01:02:20,240

program are fairy tales they're not true

1414

01:02:24,230 --> 01:02:22,480

then they get sued where's freeman you

1415

01:02:25,190 --> 01:02:24,240

know and that guy's supposed to be some

1416

01:02:27,430 --> 01:02:25,200

kind of modern day

1417

01:02:30,069 --> 01:02:27,440

enoch he's a prophet too just like david

1418

01:02:31,589 --> 01:02:30,079

wilcox a spiritual guru

1419

01:02:33,670 --> 01:02:31,599

wouldn't that guy just forgive his

1420

01:02:37,990 --> 01:02:33,680

critics if he was really some kind of

1421

01:02:40,950 --> 01:02:38,000

enlightened like white love guy

1422

01:02:42,309 --> 01:02:40,960

of course he would but not in this world

1423

01:02:44,069 --> 01:02:42,319

where he's light in love

1424

01:02:45,750 --> 01:02:44,079

but he's just going to sue everybody to

1425

01:02:47,829 --> 01:02:45,760

talk [h__h] about him

1426

01:02:49,670 --> 01:02:47,839

and that's the world that we live in

1427

01:02:52,390 --> 01:02:49,680

this hypocritical world

1428

01:02:53,670 --> 01:02:52,400

that he lives in he's a it's just total

1429

01:02:55,589 --> 01:02:53,680

hypocrisy i'm

1430

01:02:58,150 --> 01:02:55,599

i'm the modern-day enoch i'm going to

1431

01:03:01,109 --> 01:02:58,160

teach you about ascension i talk to

1432

01:03:01,990 --> 01:03:01,119

enlightened aliens and i sue everybody

1433

01:03:05,109 --> 01:03:02,000

that talks [h__h] about

1434

01:03:08,789 --> 01:03:05,119

me on the internet it's ridiculous

1435

01:03:11,109 --> 01:03:08,799

and uh you know listen with any luck

1436

01:03:12,150 --> 01:03:11,119

the judge in that case will be a very

1437

01:03:15,510 --> 01:03:12,160

reasonable

1438

01:03:18,069 --> 01:03:15,520

person and will slap him with a huge

1439

01:03:19,270 --> 01:03:18,079

uh bunch of other people's legal fees

1440

01:03:20,870 --> 01:03:19,280

for having done this

1441

01:03:22,870 --> 01:03:20,880

and he won't be able to do [h__h] like

1442

01:03:25,190 --> 01:03:22,880

that again

1443

01:03:32,470 --> 01:03:25,200

but this is our legal system you can sue

1444

01:03:36,150 --> 01:03:34,470

you can request to file a statement as a

1445

01:03:38,390 --> 01:03:36,160

friend of the court

1446

01:03:39,829 --> 01:03:38,400

yeah i mean i could i'm i don't i

1447

01:03:41,910 --> 01:03:39,839

wouldn't even know where to begin now

1448

01:03:43,430 --> 01:03:41,920

it's awful lot of [h__h] to unpack for

1449

01:03:45,029 --> 01:03:43,440

some judge that doesn't know anything

1450

01:03:46,470 --> 01:03:45,039

about see

1451

01:03:48,470 --> 01:03:46,480

there's really two worlds the people

1452

01:03:50,309 --> 01:03:48,480

that are plugged in the conspiracy land

1453

01:03:52,710 --> 01:03:50,319

know about all this weird [h__h] that

1454

01:03:53,910 --> 01:03:52,720

nobody outside of conspiracy land knows

1455

01:03:56,630 --> 01:03:53,920

about it's a small

1456

01:03:57,109 --> 01:03:56,640

subculture of crazy people i'm one of

1457

01:04:00,150 --> 01:03:57,119

them

1458

01:04:03,589 --> 01:04:00,160

chat not crazy people but

1459

01:04:07,190 --> 01:04:03,599

you know some crazy friends

1460

01:04:08,870 --> 01:04:07,200

uh but you know so

1461

01:04:10,630 --> 01:04:08,880

i wouldn't know where to begin how do

1462

01:04:13,510 --> 01:04:10,640

you tell a judge like

1463

01:04:15,829 --> 01:04:13,520

listen this guy talks to aliens he says

1464

01:04:17,270 --> 01:04:15,839

spaceships landed in his backyard and

1465

01:04:19,430 --> 01:04:17,280

these other people

1466

01:04:20,630 --> 01:04:19,440

that he's suing said those stories

1467

01:04:23,190 --> 01:04:20,640

aren't true

1468

01:04:24,950 --> 01:04:23,200

so that's why he's suing them i mean

1469

01:04:26,230 --> 01:04:24,960

yeah maybe somebody should file a

1470

01:04:27,910 --> 01:04:26,240

statement like that as a friend of the

1471

01:04:29,990 --> 01:04:27,920

court and let the judge know that that's

1472

01:04:31,270 --> 01:04:30,000

exactly what this is about and nothing

1473

01:04:33,829 --> 01:04:31,280

else

1474

01:04:35,589 --> 01:04:33,839

that's my opinion and i guess it could

1475

01:04:36,069 --> 01:04:35,599

be free to express it to the presiding

1476

01:04:41,589 --> 01:04:36,079

judge

1477

01:04:43,910 --> 01:04:41,599

in the case

1478

01:04:45,510 --> 01:04:43,920

i'm not sure they could even read it but

1479

01:04:49,109 --> 01:04:45,520

or would even read it but i guess they

1480

01:04:52,549 --> 01:04:51,589

andrew whitley hi stephen new to your

1481

01:04:55,670 --> 01:04:52,559

channel hello

1482

01:04:58,390 --> 01:04:55,680

good to see you here mr whitley i uh

1483

01:04:59,750 --> 01:04:58,400

nice to see you andrew i am always happy

1484

01:05:01,589 --> 01:04:59,760

to see some new

1485

01:05:03,190 --> 01:05:01,599

faces that i haven't seen before in the

1486

01:05:05,270 --> 01:05:03,200

live chat welcome we

1487

01:05:07,349 --> 01:05:05,280

cover mysterious and strange subjects

1488

01:05:10,069 --> 01:05:07,359

and conspiracy land topics

1489

01:05:12,150 --> 01:05:10,079

if you like that sort of thing uh you

1490

01:05:14,150 --> 01:05:12,160

may have found a good place to come

1491

01:05:16,390 --> 01:05:14,160

we have a good group of people here and

1492

01:05:19,510 --> 01:05:16,400

you are most welcome new

1493

01:05:29,109 --> 01:05:19,520

user in the chat room andrew whitley

1494

01:05:32,150 --> 01:05:30,870

we are thinking outside of the box

1495

01:05:34,309 --> 01:05:32,160

people yes

1496

01:05:36,069 --> 01:05:34,319

not crazy thinking outside of the box

1497

01:05:39,670 --> 01:05:36,079

people that's a good way to put it

1498

01:05:43,589 --> 01:05:39,680

i love that hat in your avatar too

1499

01:05:47,589 --> 01:05:45,029

you ever thought about contacting the

1500

01:05:50,710 --> 01:05:47,599

plaintiff's attorney for an interview

1501

01:05:51,430 --> 01:05:50,720

uh yeah and i don't think she would talk

1502

01:05:54,309 --> 01:05:51,440

to me

1503

01:05:55,910 --> 01:05:54,319

but it would be fun and i probably i'm

1504

01:05:57,510 --> 01:05:55,920

probably gonna record myself

1505

01:05:59,029 --> 01:05:57,520

calling her and asking her for an

1506

01:06:01,190 --> 01:05:59,039

interview if that's possible i have to

1507

01:06:09,990 --> 01:06:01,200

check what state she's in and uh

1508

01:06:13,589 --> 01:06:11,910

might be a conflict of interest picks i

1509

01:06:14,870 --> 01:06:13,599

work with several lawyer whistleblowers

1510

01:06:18,870 --> 01:06:14,880

that might help though

1511

01:06:20,309 --> 01:06:18,880

yeah i agree

1512

01:06:21,750 --> 01:06:20,319

don't forget this all started with joe

1513

01:06:23,670 --> 01:06:21,760

from the carolinas after the blue

1514

01:06:24,470 --> 01:06:23,680

chicken turns dox him and try to get him

1515

01:06:26,630 --> 01:06:24,480

fired

1516

01:06:27,589 --> 01:06:26,640

yeah try to ruin the guy's life which is

1517

01:06:29,750 --> 01:06:27,599

ridiculous

1518

01:06:31,990 --> 01:06:29,760

and that guy again was just one of those

1519

01:06:33,430 --> 01:06:32,000

guys that went on the internet and said

1520

01:06:35,270 --> 01:06:33,440

yeah this guy telling stories about

1521

01:06:37,510 --> 01:06:35,280

going to mars and being some secret

1522

01:06:40,069 --> 01:06:37,520

space program and time traveling

1523

01:06:41,029 --> 01:06:40,079

and being age regressed it's really not

1524

01:06:42,710 --> 01:06:41,039

there's no

1525

01:06:44,390 --> 01:06:42,720

facts or evidence to support any of

1526

01:06:47,190 --> 01:06:44,400

these fairy tales stories that he's

1527

01:06:49,589 --> 01:06:47,200

telling and started looking into the guy

1528

01:06:51,589 --> 01:06:49,599

uh proving things like there was no

1529

01:06:53,029 --> 01:06:51,599

standardized tests at the school that he

1530

01:06:54,710 --> 01:06:53,039

went to though he claimed that the

1531

01:06:56,630 --> 01:06:54,720

government identified him as an

1532

01:06:58,710 --> 01:06:56,640

intuitive empath through a standardized

1533

01:07:01,270 --> 01:06:58,720

test

1534

01:07:01,990 --> 01:07:01,280

and joe from the carolinas got harassed

1535

01:07:04,950 --> 01:07:02,000

doxed

1536

01:07:05,829 --> 01:07:04,960

threatened intimidated almost lost his

1537

01:07:08,309 --> 01:07:05,839

job

1538

01:07:09,510 --> 01:07:08,319

uh and by the way that gentleman was a

1539

01:07:13,029 --> 01:07:09,520

psychiatrist

1540

01:07:16,789 --> 01:07:13,039

i believe or psychologist right at a

1541

01:07:22,069 --> 01:07:16,799

clinic where people are dying of cancer

1542

01:07:25,270 --> 01:07:24,309

that was my beach hat i was on a cruise

1543

01:07:37,270 --> 01:07:25,280

good for you

1544

01:07:41,270 --> 01:07:39,670

yes she is theresa inara's sister and

1545

01:07:43,829 --> 01:07:41,280

that's another thing

1546

01:07:44,390 --> 01:07:43,839

and arrows you are as fake as play you

1547

01:07:47,430 --> 01:07:44,400

are as

1548

01:07:48,789 --> 01:07:47,440

fake and [h__h] plastic as it gets girl

1549

01:07:50,150 --> 01:07:48,799

when are you going to say something

1550

01:07:51,270 --> 01:07:50,160

about all this you're just going to let

1551

01:07:53,270 --> 01:07:51,280

your sister

1552

01:07:54,870 --> 01:07:53,280

sue all these people for saying that

1553

01:07:55,589 --> 01:07:54,880

corey good's [h__h] stories aren't

1554

01:07:57,910 --> 01:07:55,599

true

1555

01:07:59,349 --> 01:07:57,920

even though you now believe and know

1556

01:08:01,349 --> 01:07:59,359

that corey good's [h__h] stories

1557

01:08:03,029 --> 01:08:01,359

aren't true when you left this cult

1558

01:08:05,430 --> 01:08:03,039

why don't you speak up about this [h__h]

1559

01:08:07,190 --> 01:08:05,440

why don't you say something

1560

01:08:10,470 --> 01:08:07,200

she's never gonna say anything all she

1561

01:08:12,069 --> 01:08:10,480

cares about is her brand

1562

01:08:14,309 --> 01:08:12,079

i talked to her once and she spent an

1563

01:08:17,749 --> 01:08:14,319

hour talking to me about her brand

1564

01:08:20,070 --> 01:08:17,759

really her brand

1565

01:08:22,309 --> 01:08:20,080

your brand is plastic fake barbie

1566

01:08:25,189 --> 01:08:22,319

[h__\h] seller

1567

01:08:26,309 --> 01:08:25,199

it really it is whatever whatever you

1568

01:08:28,149 --> 01:08:26,319

think is going to get you clicks and

1569

01:08:30,470 --> 01:08:28,159

views that's your [h__\h] brand

1570

01:08:32,229 --> 01:08:30,480

and now she's got like a side hustle

1571

01:08:34,870 --> 01:08:32,239

where she's teaching people how to build

1572

01:08:37,990 --> 01:08:36,870

you know if people donate enough money

1573

01:08:40,229 --> 01:08:38,000

i'll hire her

1574

01:08:46,870 --> 01:08:40,239

to work on the truth seekers brand that

1575

01:08:51,510 --> 01:08:48,709

joe is such a nice guy it sucks yeah i

1576

01:08:55,189 --> 01:08:51,520

miss him and i sure miss his videos and

1577

01:08:57,910 --> 01:08:55,199

really him and a few others were really

1578

01:08:59,510 --> 01:08:57,920

what some of what inspired me to start

1579

01:09:01,269 --> 01:08:59,520

looking more deeply into these things

1580

01:09:03,189 --> 01:09:01,279

and sort of use some investigative

1581

01:09:06,229 --> 01:09:03,199

skills that i knew that i had

1582

01:09:06,630 --> 01:09:06,239

to uh look into these things and now

1583

01:09:10,470 --> 01:09:06,640

he's

1584

01:09:15,349 --> 01:09:10,480

kind of gone and because he got harassed

1585

01:09:17,110 --> 01:09:15,359

uh you know and i think you know

1586

01:09:18,390 --> 01:09:17,120

it would be good to see him back maybe

1587

01:09:19,829 --> 01:09:18,400

we'll try to get him to just come on and

1588

01:09:24,390 --> 01:09:19,839

be a guest i don't even know if you'd be

1589

01:09:29,910 --> 01:09:27,910

go kickrox88 i believe you may be new to

1590

01:09:31,910 --> 01:09:29,920

the live chat and if you are welcome you

1591

01:09:34,070 --> 01:09:31,920

are most welcome here what psychological

1592

01:09:35,590 --> 01:09:34,080

issues cost someone to believe him

1593

01:09:37,349 --> 01:09:35,600

i don't know i think a lot of people are

1594

01:09:38,950 --> 01:09:37,359

searching for something

1595

01:09:40,789 --> 01:09:38,960

something outside of themselves

1596

01:09:44,470 --> 01:09:40,799

something to give them comfort

1597

01:09:46,390 --> 01:09:44,480

and uh these sort of things become like

1598

01:09:48,870 --> 01:09:46,400

online cults and it gives people a

1599

01:09:52,070 --> 01:09:48,880

feeling of belonging a feeling of

1600

01:09:54,149 --> 01:09:52,080

being in on a secret right there's a lot

1601
01:09:56,149 --> 01:09:54,159
of deep rooted psychological issues that

1602
01:09:57,030 --> 01:09:56,159
may cause people to gravitate towards

1603
01:10:00,149 --> 01:09:57,040
these sort of

1604
01:10:01,350 --> 01:10:00,159
online cults and especially gravitate

1605
01:10:03,510 --> 01:10:01,360
enough towards them to start

1606
01:10:05,189 --> 01:10:03,520
shoveling money at them because many of

1607
01:10:06,070 --> 01:10:05,199
the people involved in these things do

1608
01:10:14,310 --> 01:10:06,080
shovel money

1609
01:10:18,630 --> 01:10:16,950
yes joe if you're here i need some

1610
01:10:20,070 --> 01:10:18,640
gardening advice i may be able to help

1611
01:10:21,750 --> 01:10:20,080
you used to have a huge garden

1612
01:10:23,830 --> 01:10:21,760
and i'm going to build a huge garden at

1613
01:10:25,270 --> 01:10:23,840

the cabin just got to finish that cabin

1614

01:10:28,709 --> 01:10:25,280

first and then it's going to be garden

1615

01:10:31,990 --> 01:10:30,310

yeah william pixley he simply didn't

1616

01:10:36,870 --> 01:10:32,000

want to put up with the [h__h] and you

1617

01:10:42,229 --> 01:10:40,709

the program low self-esteem yes

1618

01:10:43,590 --> 01:10:42,239

typically many of these people suffer

1619

01:10:44,630 --> 01:10:43,600

from low self-esteem and they get

1620

01:10:48,070 --> 01:10:44,640

involved in this cult

1621

01:10:51,189 --> 01:10:48,080

and a very often tactic of cults and

1622

01:10:54,470 --> 01:10:51,199

uh unless

1623

01:10:55,110 --> 01:10:54,480

you can verify this is they love bomb

1624

01:10:58,229 --> 01:10:55,120

you

1625

01:11:02,790 --> 01:10:58,239

they start

1626

01:11:07,110 --> 01:11:04,470

we're so glad you're here with us and

1627

01:11:10,310 --> 01:11:07,120

we're so glad that you uh

1628

01:11:13,669 --> 01:11:10,320

that you found us and you know we have a

1629

01:11:15,910 --> 01:11:13,679

place for you here you are loved

1630

01:11:21,350 --> 01:11:15,920

and people that are lacking that in

1631

01:11:25,830 --> 01:11:23,750

bunya says i was inspired by joe and cw

1632

01:11:32,630 --> 01:11:25,840

yeah

1633

01:11:34,790 --> 01:11:32,640

uh absolutely i got so

1634

01:11:35,669 --> 01:11:34,800

i was so happy because the only thing i

1635

01:11:39,030 --> 01:11:35,679

like better than

1636

01:11:42,149 --> 01:11:39,040

free is i like

1637

01:11:42,870 --> 01:11:42,159

i like free stuff but the second biggest

1638

01:11:44,550 --> 01:11:42,880

thing i like

1639

01:11:46,070 --> 01:11:44,560

is cheap stuff and if i can get

1640

01:11:47,830 --> 01:11:46,080

something especially if it's something i

1641

01:11:49,750 --> 01:11:47,840

really need for cheap

1642

01:11:51,510 --> 01:11:49,760

oh that makes me so happy so i got this

1643

01:11:55,830 --> 01:11:51,520

wood stove for the cabin

1644

01:11:58,149 --> 01:11:55,840

i'm gonna i'm gonna share some pics of

1645

01:12:01,750 --> 01:11:58,159

it here

1646

01:12:04,550 --> 01:12:01,760

one second here see if we can't share

1647

01:12:07,990 --> 01:12:05,910

i'm just gonna share this from my

1648

01:12:10,310 --> 01:12:08,000

twitter yeah so this is

1649

01:12:12,149 --> 01:12:10,320

a wood cook stove and the way this works

1650

01:12:13,830 --> 01:12:12,159

is that the wood goes in this side this

1651

01:12:17,189 --> 01:12:13,840

is the burn box

1652

01:12:19,590 --> 01:12:17,199

and then there's an oven over here

1653

01:12:20,310 --> 01:12:19,600

this i'm not sure what it is yet because

1654

01:12:23,270 --> 01:12:20,320

i haven't really

1655

01:12:24,950 --> 01:12:23,280

looked at it is either a water tank or a

1656

01:12:25,990 --> 01:12:24,960

warmer but i haven't looked at this

1657

01:12:27,750 --> 01:12:26,000

thing enough there's no

1658

01:12:29,590 --> 01:12:27,760

faucet on it so i'm guessing this is a

1659

01:12:33,110 --> 01:12:29,600

warmer but i'm gonna

1660

01:12:36,070 --> 01:12:33,120

it seems solid like solid tank so i'm

1661

01:12:37,669 --> 01:12:36,080

i think it could be either um but

1662

01:12:39,189 --> 01:12:37,679

interestingly most of the time when it's

1663

01:12:40,709 --> 01:12:39,199

when the water tank is on this side

1664

01:12:42,149 --> 01:12:40,719

there's some kind of a spigot and i

1665

01:12:45,990 --> 01:12:42,159

didn't see a spigot

1666

01:12:48,070 --> 01:12:46,000

but this top opens and closes and so uh

1667

01:12:50,550 --> 01:12:48,080

and this is the cooktop so it's got

1668

01:12:53,350 --> 01:12:50,560

basically a four burner cooktop

1669

01:12:53,830 --> 01:12:53,360

and uh and the oven is right here so

1670

01:12:57,590 --> 01:12:53,840

these

1671

01:13:00,630 --> 01:12:57,600

because they are just the

1672

01:13:01,830 --> 01:13:00,640

best thing to have the best the very

1673

01:13:04,870 --> 01:13:01,840

best appliance to have

1674

01:13:07,510 --> 01:13:04,880

in a cabin especially an off-grid cabin

1675

01:13:09,270 --> 01:13:07,520

you put wood in here you cook your and

1676

01:13:11,430 --> 01:13:09,280

it and it heats the whole cabin

1677

01:13:13,830 --> 01:13:11,440

this whole firebox you know it's not

1678

01:13:15,669 --> 01:13:13,840

huge like a big huge fireplace but this

1679

01:13:16,630 --> 01:13:15,679

thing's metal so it radiates heat

1680

01:13:19,110 --> 01:13:16,640

through it

1681

01:13:19,910 --> 01:13:19,120

um but anyway you light a fire in this

1682

01:13:23,350 --> 01:13:19,920

firebox

1683

01:13:26,550 --> 01:13:23,360

and then it heats the cabin

1684

01:13:28,310 --> 01:13:26,560

the whole cabin and then uh

1685

01:13:30,550 --> 01:13:28,320

you could heat your water either on the

1686

01:13:33,830 --> 01:13:30,560

top of it on a big pot or maybe in this

1687

01:13:34,310 --> 01:13:33,840

if we can adapt that and it's also an

1688

01:13:37,030 --> 01:13:34,320

oven

1689

01:13:39,030 --> 01:13:37,040

and you can you know use frying pans use

1690

01:13:39,910 --> 01:13:39,040

pots and pans whatever on the top of the

1691

01:13:42,950 --> 01:13:39,920

thing

1692

01:13:44,950 --> 01:13:42,960

and cook your food with it as well so uh

1693

01:13:46,870 --> 01:13:44,960

and people also dehydrate food with

1694

01:13:49,590 --> 01:13:46,880

these you just put a shelf above it

1695

01:13:50,870 --> 01:13:49,600

you know uh so it's not getting full

1696

01:13:52,790 --> 01:13:50,880

direct heat

1697

01:13:54,630 --> 01:13:52,800

uh they're just the most useful thing

1698

01:13:57,430 --> 01:13:54,640

that you can have for a cabin

1699

01:13:59,430 --> 01:13:57,440

i'm so happy to get one i wanted one for

1700

01:14:00,149 --> 01:13:59,440

since i started the cabin but they're so

1701

01:14:03,990 --> 01:14:00,159

hard to get

1702

01:14:04,550 --> 01:14:04,000

they're usually like huge and cast iron

1703

01:14:09,590 --> 01:14:04,560

and

1704

01:14:10,870 --> 01:14:09,600

even lift it up into the back of a truck

1705

01:14:13,430 --> 01:14:10,880

i don't have a truck

1706

01:14:14,310 --> 01:14:13,440

this one's uh oh this is my old wood

1707

01:14:16,470 --> 01:14:14,320

stove

1708

01:14:18,709 --> 01:14:16,480

so we're gonna be replacing the old wood

1709

01:14:21,350 --> 01:14:18,719

stove and here's the old wood stove

1710

01:14:23,030 --> 01:14:21,360

which is really just for heat i can cook

1711

01:14:24,630 --> 01:14:23,040

on the top of this and did this is in

1712

01:14:27,510 --> 01:14:24,640

the kitchen at the cabin

1713

01:14:27,990 --> 01:14:27,520

but the uh the pro the downside to this

1714

01:14:30,310 --> 01:14:28,000

one is

1715

01:14:32,550 --> 01:14:30,320

you can only put one pot up there at a

1716

01:14:34,149 --> 01:14:32,560

time so i've been cooking one skillet or

1717

01:14:37,189 --> 01:14:34,159

one pot meals on it

1718

01:14:38,070 --> 01:14:37,199

then for two years now would be nice to

1719

01:14:40,390 --> 01:14:38,080

have

1720

01:14:42,709 --> 01:14:40,400

to be able to cook like this one you can

1721

01:14:44,229 --> 01:14:42,719

basically put four pots and pans on it

1722

01:14:46,709 --> 01:14:44,239

on the top of it at the same time while

1723

01:14:47,750 --> 01:14:46,719

it's going and yeah it's a little slower

1724

01:14:50,950 --> 01:14:47,760

than like a gas

1725

01:14:52,870 --> 01:14:50,960

uh gas or electric stove and oven that

1726

01:14:56,229 --> 01:14:52,880

you might be used to at home

1727

01:14:58,470 --> 01:14:56,239

um but it works and you're already

1728

01:15:00,070 --> 01:14:58,480

running the fire to heat the cabin so

1729

01:15:01,590 --> 01:15:00,080

the fact that it does all this other

1730

01:15:03,510 --> 01:15:01,600

stuff for you too

1731

01:15:05,189 --> 01:15:03,520

it's just an incredible bonus i'm so

1732

01:15:05,750 --> 01:15:05,199

excited about having this thing let me

1733

01:15:10,950 --> 01:15:05,760

uh

1734

01:15:12,229 --> 01:15:10,960

and it's as small it's that's like

1735

01:15:13,750 --> 01:15:12,239

really not that big

1736

01:15:16,149 --> 01:15:13,760

you know i won't be cooking a huge

1737

01:15:18,470 --> 01:15:16,159

turkey in this thing but uh

1738

01:15:19,510 --> 01:15:18,480

or anything like that but whatever i

1739

01:15:22,229 --> 01:15:19,520

need at the cabin

1740

01:15:25,030 --> 01:15:22,239

pizzas for sure i cannot wait to do the

1741

01:15:26,229 --> 01:15:25,040

wood fire pizza wood fired pizza is

1742

01:15:28,229 --> 01:15:26,239

awesome

1743

01:15:29,270 --> 01:15:28,239

so that's the cabin update and again

1744

01:15:32,790 --> 01:15:29,280

today we're hitting

1745

01:15:34,470 --> 01:15:32,800

50 this is episode 50. i can't thank all

1746

01:15:35,830 --> 01:15:34,480

of you guys enough for being with me

1747

01:15:38,229 --> 01:15:35,840

here on this journey

1748

01:15:39,430 --> 01:15:38,239

that we've taken and i got to say that

1749

01:15:41,189 --> 01:15:39,440

the next

1750

01:15:42,870 --> 01:15:41,199

part of the journey is going to be even

1751

01:15:45,030 --> 01:15:42,880

better we've ironed out a lot of

1752

01:15:46,870 --> 01:15:45,040

technical difficulties here

1753

01:15:49,110 --> 01:15:46,880

we've sort of figured out good ways to

1754

01:15:49,590 --> 01:15:49,120

format things and present things how to

1755

01:15:53,990 --> 01:15:49,600

share

1756

01:15:56,709 --> 01:15:54,000

interact with the live audience

1757

01:15:59,030 --> 01:15:56,719

we've expanded to also broadcasting

1758

01:16:00,229 --> 01:15:59,040

besides just youtube on facebook and

1759

01:16:02,229 --> 01:16:00,239

twitch

1760

01:16:04,070 --> 01:16:02,239

and i think before we get going on the

1761

01:16:07,110 --> 01:16:04,080

next shows we will expand out to

1762

01:16:10,470 --> 01:16:07,120

periscope and maybe a few others

1763

01:16:12,310 --> 01:16:10,480

we'll see where that goes it can't

1764

01:16:14,149 --> 01:16:12,320

hurt to be on these other platforms but

1765

01:16:16,310 --> 01:16:14,159

i do notice that

1766

01:16:17,350 --> 01:16:16,320

there's not a lot of traffic there or

1767

01:16:19,110 --> 01:16:17,360

activity there

1768

01:16:20,870 --> 01:16:19,120

and i don't know really how to build a

1769

01:16:23,110 --> 01:16:20,880

twitch following i got to do some

1770

01:16:24,149 --> 01:16:23,120

reading up on that so that we can try at

1771

01:16:25,750 --> 01:16:24,159

least to have

1772

01:16:28,229 --> 01:16:25,760

a little bit of a following at each

1773

01:16:29,990 --> 01:16:28,239

streaming location facebook seems good

1774

01:16:31,910 --> 01:16:30,000

when we finish the broadcast there's

1775

01:16:35,430 --> 01:16:31,920

between i don't know

1776

01:16:37,430 --> 01:16:35,440

75 and 150 views so people are also

1777

01:16:38,550 --> 01:16:37,440

watching on facebook and commenting on

1778

01:16:41,590 --> 01:16:38,560

facebook

1779

01:16:43,830 --> 01:16:41,600

and that's a good thing as well oh

1780

01:16:45,510 --> 01:16:43,840

kb don't forget to rotate that pizza i

1781

01:16:46,390 --> 01:16:45,520

left that part out you're absolutely

1782

01:16:49,030 --> 01:16:46,400

right

1783

01:16:49,830 --> 01:16:49,040

uh the other downside to a wood cook

1784

01:16:53,669 --> 01:16:49,840

stove

1785

01:16:56,149 --> 01:16:53,679

with the oven especially is

1786

01:16:57,510 --> 01:16:56,159

the the side of the oven that's nearest

1787

01:16:59,990 --> 01:16:57,520

to the fire box

1788

01:17:00,950 --> 01:17:00,000

is hotter than the side of the oven

1789

01:17:04,470 --> 01:17:00,960

inside

1790

01:17:05,750 --> 01:17:04,480

the oven that is furthest so if you cook

1791

01:17:07,750 --> 01:17:05,760

something like a pizza

1792

01:17:10,229 --> 01:17:07,760

or a turkey or whatever you cook in that

1793

01:17:13,350 --> 01:17:10,239

oven you do you got to spin it

1794

01:17:13,990 --> 01:17:13,360

you know so that it doesn't burn one

1795

01:17:15,990 --> 01:17:14,000

side and

1796

01:17:17,430 --> 01:17:16,000

undercook the other side i've been

1797

01:17:21,189 --> 01:17:17,440

warned about this

1798

01:17:23,270 --> 01:17:21,199

and uh it

1799

01:17:24,550 --> 01:17:23,280

i know i get it you definitely have to

1800

01:17:26,149 --> 01:17:24,560

turn it

1801

01:17:27,830 --> 01:17:26,159

the other thing is in that little wood

1802

01:17:30,390 --> 01:17:27,840

stove where i used to put this coleman

1803

01:17:32,950 --> 01:17:30,400

camp oven on the top of it with that i

1804

01:17:36,070 --> 01:17:32,960

didn't have to spin anything because

1805

01:17:37,590 --> 01:17:36,080

um the heat is coming from the bottom up

1806

01:17:40,070 --> 01:17:37,600

but with this one yeah it's coming from

1807

01:17:41,350 --> 01:17:40,080

the side so

1808

01:17:43,270 --> 01:17:41,360

a lot of people tell me that with the

1809

01:17:44,149 --> 01:17:43,280

wood stoves you have to spin the stuff

1810

01:17:47,430 --> 01:17:44,159

in the oven

1811

01:17:49,270 --> 01:17:47,440

so that it evenly cooks for a little

1812

01:17:49,750 --> 01:17:49,280

downside i'll take it i think there's

1813

01:17:53,669 --> 01:17:49,760

such

1814

01:17:54,550 --> 01:17:53,679

have i'm so happy to find this thing

1815

01:17:57,110 --> 01:17:54,560

today i was like

1816

01:17:58,870 --> 01:17:57,120

in the candy store i was like i couldn't

1817

01:18:00,550 --> 01:17:58,880

pay this woman enough i was so thankful

1818

01:18:04,310 --> 01:18:00,560

to get it because it was super cheap

1819

01:18:06,870 --> 01:18:04,320

too and that helps when it's super cheap

1820

01:18:08,390 --> 01:18:06,880

and you really love it it's a good day

1821

01:18:09,750 --> 01:18:08,400

you know i was joking i had a good day

1822

01:18:13,030 --> 01:18:09,760

today because i had a bacon

1823

01:18:15,270 --> 01:18:13,040

sandwich a nice nap my wife made her

1824

01:18:17,750 --> 01:18:15,280

delicious tacos for dinner

1825

01:18:19,030 --> 01:18:17,760

and i got a wood stove uh that i've

1826

01:18:22,229 --> 01:18:19,040

wanted for

1827

01:18:25,030 --> 01:18:22,239

a couple years now and it's my 50th

1828

01:18:26,950 --> 01:18:25,040

episode of our new show here so

1829

01:18:28,950 --> 01:18:26,960

some days friends are just those good

1830

01:18:31,110 --> 01:18:28,960

days and i had a good day today and i'm

1831

01:18:36,070 --> 01:18:31,120

glad to continue the good day with your

1832

01:18:39,430 --> 01:18:37,750

conspiracies target people with no

1833

01:18:40,870 --> 01:18:39,440

initiative to search for themselves they

1834

01:18:42,550 --> 01:18:40,880

would rather listen to someone spew a

1835

01:18:44,310 --> 01:18:42,560

thousand lies and disinformation and

1836

01:18:45,990 --> 01:18:44,320

spend five minutes researching for

1837

01:18:47,270 --> 01:18:46,000

themselves yeah i think it's kind of

1838

01:18:48,870 --> 01:18:47,280

shocking when you look into some of

1839

01:18:49,590 --> 01:18:48,880

these guys like david wilcock how

1840

01:18:51,430 --> 01:18:49,600

quickly and

1841

01:18:53,990 --> 01:18:51,440

easily it is to pick apart their stories

1842

01:18:54,950 --> 01:18:54,000

as being completely and totally fake and

1843

01:18:56,950 --> 01:18:54,960

made up

1844

01:18:58,550 --> 01:18:56,960

it's like it was surprising to me at

1845

01:19:01,030 --> 01:18:58,560

first like jesus god

1846

01:19:02,390 --> 01:19:01,040

[h__h] this guy's not even trying to cover

1847

01:19:09,270 --> 01:19:02,400

his tracks that this is all

1848

01:19:11,590 --> 01:19:09,280

fake crazy

1849

01:19:13,590 --> 01:19:11,600

an east coast alt skeptic exopolitics

1850

01:19:14,550 --> 01:19:13,600

convention is in order well you run it

1851

01:19:21,510 --> 01:19:14,560

and i'll be there

1852

01:19:25,430 --> 01:19:23,990

yes six of design i think people that

1853

01:19:27,030 --> 01:19:25,440

believe in those obvious fake

1854

01:19:30,310 --> 01:19:27,040

conspiracies already believe in

1855

01:19:33,110 --> 01:19:30,320

other related conspiracies

1856

01:19:34,870 --> 01:19:33,120

yeah i believe i think you're right like

1857

01:19:35,750 --> 01:19:34,880

flat earth they're seeing an illuminati

1858

01:19:37,430 --> 01:19:35,760

program

1859

01:19:39,830 --> 01:19:37,440

are more truly likely to believe it than

1860

01:19:42,310 --> 01:19:39,840

someone that essentially watches

1861

01:19:43,910 --> 01:19:42,320

true fact driven documentaries and such

1862

01:19:49,189 --> 01:19:43,920

yeah i've been sticking to space

1863

01:19:52,790 --> 01:19:50,870

mostly they're factual those guys

1864

01:19:54,870 --> 01:19:52,800

speculate too but they'll tell you when

1865

01:19:56,870 --> 01:19:54,880

they're speculating and they'll say

1866

01:19:59,350 --> 01:19:56,880

like here's the evidence for why i'm

1867

01:20:01,510 --> 01:19:59,360

speculating this way about a certain

1868

01:20:02,550 --> 01:20:01,520

topic like life on other planets or

1869

01:20:05,270 --> 01:20:02,560

whatever

1870

01:20:06,629 --> 01:20:05,280

they're looking at evidence why even

1871

01:20:09,430 --> 01:20:06,639

when they're speculating

1872

01:20:10,629 --> 01:20:09,440

so a little more fact based to me kind

1873

01:20:12,950 --> 01:20:10,639

of burn out of the whole

1874

01:20:14,149 --> 01:20:12,960

ufo documentary thing i've probably

1875

01:20:17,990 --> 01:20:14,159

watched everyone

1876

01:20:20,149 --> 01:20:18,000

ever made uh

1877

01:20:21,990 --> 01:20:20,159

yeah william pixley said simple

1878

01:20:22,709 --> 01:20:22,000

pleasures you had a damn good day man

1879

01:20:24,790 --> 01:20:22,719

yeah

1880

01:20:26,629 --> 01:20:24,800

absolutely and when i'm done i'm gonna

1881

01:20:28,149 --> 01:20:26,639

i'm done with the show here i'm gonna

1882

01:20:37,350 --> 01:20:28,159

drink a six-pack

1883

01:20:40,470 --> 01:20:39,189

kb congratulations on your great day

1884

01:20:42,709 --> 01:20:40,480

yeah i just had to mention

1885

01:20:43,669 --> 01:20:42,719

like you know some days are just like

1886

01:20:46,310 --> 01:20:43,679

god

1887

01:20:46,950 --> 01:20:46,320

you know today was a good day and and

1888

01:20:48,950 --> 01:20:46,960

you know what

1889

01:20:50,310 --> 01:20:48,960

friends i realize how blessed i am

1890

01:20:52,390 --> 01:20:50,320

sometimes because

1891

01:20:53,910 --> 01:20:52,400

you know i have two beautiful children i

1892

01:20:55,430 --> 01:20:53,920

have a beautiful wife that just takes

1893

01:20:58,870 --> 01:20:55,440

amazing care of me

1894

01:20:59,350 --> 01:20:58,880

and uh yeah life is good if you let it

1895

01:21:06,550 --> 01:20:59,360

be

1896

01:21:08,149 --> 01:21:06,560

others right but we're

1897

01:21:10,070 --> 01:21:08,159

we always kind of think about the things

1898

01:21:11,990 --> 01:21:10,080

we're grateful for

1899

01:21:13,590 --> 01:21:12,000

i'm grateful that we finally had 50

1900

01:21:14,550 --> 01:21:13,600

shows i didn't think this was

1901

01:21:17,750 --> 01:21:14,560

i didn't think i was going to make it

1902

01:21:21,990 --> 01:21:17,760

this far i think i truly i never said

1903

01:21:24,470 --> 01:21:22,000

told you guys this but i think at about

1904

01:21:26,470 --> 01:21:24,480

maybe like 10 shows in i thought i don't

1905

01:21:27,110 --> 01:21:26,480

know what else to do shows about i can't

1906

01:21:28,790 --> 01:21:27,120

keep it

1907

01:21:30,790 --> 01:21:28,800

going like this like and then i just

1908

01:21:33,350 --> 01:21:30,800

sort of thought about all the

1909

01:21:35,430 --> 01:21:33,360

all of the cool weird stories that i've

1910

01:21:39,189 --> 01:21:35,440

been interested in since i was a kid

1911

01:21:41,750 --> 01:21:39,199

and it's it's easy to make a decent show

1912

01:21:43,430 --> 01:21:41,760

if you go back and do some homework so

1913

01:21:46,550 --> 01:21:43,440

somehow i got a second win and we got

1914

01:21:49,430 --> 01:21:46,560

through it i have a list of uh

1915

01:21:50,149 --> 01:21:49,440

another 50 shows uh you know and of

1916

01:21:52,950 --> 01:21:50,159

course

1917

01:21:54,790 --> 01:21:52,960

they're not done and ready but you know

1918

01:21:56,070 --> 01:21:54,800

i know enough now about doing this that

1919

01:21:58,709 --> 01:21:56,080

i know okay so

1920

01:21:59,830 --> 01:21:58,719

each one i got to do a few hours look

1921

01:22:02,149 --> 01:21:59,840

into this and that

1922

01:22:04,629 --> 01:22:02,159

try to find sourcing and good sources to

1923

01:22:07,669 --> 01:22:04,639

share and things like that

1924

01:22:10,709 --> 01:22:07,679

and uh yeah but the important

1925

01:22:12,390 --> 01:22:10,719

point for me is having the topics so if

1926

01:22:15,590 --> 01:22:12,400

you guys think of any topics

1927

01:22:17,590 --> 01:22:15,600

please do you'd be doing me a favor send

1928

01:22:19,669 --> 01:22:17,600

me a topic like if you know a cool

1929

01:22:20,229 --> 01:22:19,679

cryptid creature that nobody else really

1930

01:22:21,830 --> 01:22:20,239

covers

1931

01:22:23,669 --> 01:22:21,840

that there's some material out there

1932

01:22:26,790 --> 01:22:23,679

that i can look into

1933

01:22:28,470 --> 01:22:26,800

boom dm me on twitter send it to me i'll

1934

01:22:31,030 --> 01:22:28,480

look into it we'll put it on the

1935

01:22:31,990 --> 01:22:31,040

i'm i'm getting a calendar and i'm gonna

1936

01:22:35,030 --> 01:22:32,000

start putting

1937

01:22:37,110 --> 01:22:35,040

you know subjects on the calendar

1938

01:22:38,790 --> 01:22:37,120

um you know despite what i said about

1939

01:22:39,110 --> 01:22:38,800

the numbers when we started here i'm

1940

01:22:41,350 --> 01:22:39,120

still

1941

01:22:42,790 --> 01:22:41,360

encouraged to keep encouraging enough to

1942

01:22:45,830 --> 01:22:42,800

keep going

1943

01:22:47,990 --> 01:22:45,840

i do have to say also though i

1944

01:22:50,149 --> 01:22:48,000

i considered uh doing tonight's show and

1945

01:22:53,590 --> 01:22:50,159

then taking a few months off

1946

01:22:55,350 --> 01:22:53,600

because uh that cabin's kicking my ass

1947

01:22:56,790 --> 01:22:55,360

and i got some other things that i got

1948

01:22:59,669 --> 01:22:56,800

to do around here

1949

01:23:00,070 --> 01:22:59,679

and uh things around my house where i

1950

01:23:02,629 --> 01:23:00,080

live

1951

01:23:03,189 --> 01:23:02,639

daily you know with my wife and children

1952

01:23:05,910 --> 01:23:03,199

are

1953

01:23:07,510 --> 01:23:05,920

taking have taken a hit like there's a

1954

01:23:09,350 --> 01:23:07,520

lot of projects that i'm sure my wife

1955

01:23:10,790 --> 01:23:09,360

would like me to finish around here

1956

01:23:13,590 --> 01:23:10,800

so i got to start getting to some of

1957

01:23:16,149 --> 01:23:13,600

that we may modify the schedule here

1958

01:23:17,910 --> 01:23:16,159

just to be not quite so ambitious or

1959

01:23:21,590 --> 01:23:17,920

quite so aggressive

1960

01:23:23,750 --> 01:23:21,600

um because i have other things to do but

1961

01:23:25,110 --> 01:23:23,760

we may go back to this no schedule in

1962

01:23:28,149 --> 01:23:25,120

rocking um

1963

01:23:30,070 --> 01:23:28,159

you know uh we may i may have to

1964

01:23:31,350 --> 01:23:30,080

i gotta get some other stuff done that

1965

01:23:33,030 --> 01:23:31,360

don't involve the show

1966

01:23:34,870 --> 01:23:33,040

so and everybody should be able to

1967

01:23:35,830 --> 01:23:34,880

understand that we all got lives outside

1968

01:23:41,910 --> 01:23:35,840

of

1969

01:23:44,149 --> 01:23:41,920

endeavors that we're working on

1970

01:23:45,350 --> 01:23:44,159

are you on discord steve no i'm not on

1971

01:23:47,510 --> 01:23:45,360

discord um

1972

01:23:48,790 --> 01:23:47,520

or i was when i was on the fringe fm but

1973

01:23:52,390 --> 01:23:48,800

i uh

1974

01:23:54,390 --> 01:23:52,400

i think i'm no longer i lost my

1975

01:23:55,830 --> 01:23:54,400

discord server privileges for their

1976

01:23:58,550 --> 01:23:55,840

discord server

1977

01:23:59,750 --> 01:23:58,560

um you can talk to me offline about that

1978

01:24:01,510 --> 01:23:59,760

and

1979

01:24:04,070 --> 01:24:01,520

we'd like to have you come on the show

1980

01:24:05,750 --> 01:24:04,080

here whenever you can do it uh

1981

01:24:07,669 --> 01:24:05,760

that would be a fun show we can talk

1982

01:24:08,790 --> 01:24:07,679

about ufo colts which is something i

1983

01:24:11,270 --> 01:24:08,800

love talking about

1984

01:24:12,550 --> 01:24:11,280

and uh we can compare notes for those

1985

01:24:14,550 --> 01:24:12,560

who don't know

1986

01:24:16,550 --> 01:24:14,560

you should check out her podcast it's

1987

01:24:19,270 --> 01:24:16,560

great so she had kalkwarf on

1988

01:24:20,709 --> 01:24:19,280

and another billy meyer people all

1989

01:24:24,229 --> 01:24:20,719

suddenly got off of me

1990

01:24:27,830 --> 01:24:24,239

and started harassing her and uh

1991

01:24:30,950 --> 01:24:29,430

but i could have predicted that because

1992

01:24:32,229 --> 01:24:30,960

exactly the kind of [h__h] they did

1993

01:24:33,750 --> 01:24:32,239

they've just been putting her through

1994

01:24:38,390 --> 01:24:33,760

they put me through

1995

01:24:41,669 --> 01:24:38,400

uh when i had calculus yeah

1996

01:24:42,229 --> 01:24:41,679

rh blood type oh out of mind that is a

1997

01:24:44,070 --> 01:24:42,239

good one

1998

01:24:45,590 --> 01:24:44,080

that is going right in right in the

1999

01:24:47,990 --> 01:24:45,600

schedule yeah

2000

01:24:49,350 --> 01:24:48,000

rh blood type i agree with you that's a

2001

01:24:51,590 --> 01:24:49,360

crazy rabbit hole

2002

01:24:56,390 --> 01:24:51,600

and there's a lot of material out there

2003

01:24:59,990 --> 01:24:58,070

yeah i've just taken two weeks off from

2004

01:25:00,470 --> 01:25:00,000

creating content sometimes life is busy

2005

01:25:03,030 --> 01:25:00,480

enough

2006

01:25:04,229 --> 01:25:03,040

yeah and like but see here's the thing i

2007

01:25:07,430 --> 01:25:04,239

committed to myself

2008

01:25:09,830 --> 01:25:07,440

a few months ago i guess yeah i said

2009

01:25:11,510 --> 01:25:09,840

i'm gonna do four shows a week i'm gonna

2010

01:25:12,629 --> 01:25:11,520

find a way to make sure that i do it and

2011

01:25:15,590 --> 01:25:12,639

i'm going to do it

2012

01:25:17,110 --> 01:25:15,600

and i did but now i'm like do i got to

2013

01:25:19,270 --> 01:25:17,120

keep doing that forever

2014

01:25:20,790 --> 01:25:19,280

or can i take a few weeks off or a month

2015

01:25:21,590 --> 01:25:20,800

off to get some other things done and

2016

01:25:24,709 --> 01:25:21,600

come back and

2017

01:25:26,790 --> 01:25:24,719

do whatever you know i don't know

2018

01:25:28,709 --> 01:25:26,800

this this is an independent show so i

2019

01:25:30,470 --> 01:25:28,719

guess it's my decision to make about how

2020

01:25:32,070 --> 01:25:30,480

many shows a week or what shows to do or

2021

01:25:33,430 --> 01:25:32,080

when to take a break

2022

01:25:35,110 --> 01:25:33,440

but i do feel a little bit of an

2023

01:25:36,790 --> 01:25:35,120

obligation like

2024

01:25:38,950 --> 01:25:36,800

i think there was one time when i didn't

2025

01:25:42,149 --> 01:25:38,960

do a show for five days in a row

2026

01:25:44,709 --> 01:25:42,159

and people were god bless you

2027

01:25:45,990 --> 01:25:44,719

a few of you were messaging me like well

2028

01:25:46,629 --> 01:25:46,000

when are you gonna do a show again i

2029

01:25:50,950 --> 01:25:46,639

gotta

2030

01:25:52,790 --> 01:25:50,960

watched all the old ones

2031

01:25:54,550 --> 01:25:52,800

or when are you gonna do a new one and

2032

01:25:56,629 --> 01:25:54,560

that feels good that people are waiting

2033

01:25:58,550 --> 01:25:56,639

if i do take a break so thank you for

2034

01:26:02,709 --> 01:25:58,560

that

2035

01:26:05,750 --> 01:26:02,719

uh-oh my ex-husband is lrh

2036

01:26:07,430 --> 01:26:05,760

yeah does that mean he was an alien then

2037

01:26:08,870 --> 01:26:07,440

i don't know a lot of people say that if

2038

01:26:22,070 --> 01:26:08,880

you have that weird blood type you may

2039

01:26:23,990 --> 01:26:22,080

be an alien

2040

01:26:25,910 --> 01:26:24,000

on there is backup anytime i'll come on

2041

01:26:28,070 --> 01:26:25,920

sure let's do it uh

2042

01:26:30,629 --> 01:26:28,080

this this week if you want to do it this

2043

01:26:32,470 --> 01:26:30,639

week we could definitely do it i just uh

2044

01:26:33,830 --> 01:26:32,480

i'm gonna i just send you the the

2045

01:26:35,669 --> 01:26:33,840

streamyard link and

2046

01:26:37,750 --> 01:26:35,679

uh you make sure you have a webcam and a

2047

01:26:38,149 --> 01:26:37,760

microphone and some headphones really

2048

01:26:39,830 --> 01:26:38,159

help

2049

01:26:42,950 --> 01:26:39,840

and then uh you just come right on here

2050

01:26:45,910 --> 01:26:44,550

yes your family well-being is more

2051
01:26:47,830 --> 01:26:45,920
important than anything on the internet

2052
01:26:49,350 --> 01:26:47,840
you can get family memories back true

2053
01:26:49,990 --> 01:26:49,360
fans will always be waiting for your

2054
01:26:52,149 --> 01:26:50,000
return without

2055
01:26:54,390 --> 01:26:52,159
question yeah i appreciate that because

2056
01:26:58,149 --> 01:26:54,400
i am feeling a little

2057
01:27:00,950 --> 01:26:58,159
i i joke i like to joke that like

2058
01:27:01,590 --> 01:27:00,960
i like to feel challenged in life right

2059
01:27:03,750 --> 01:27:01,600
uh

2060
01:27:05,510 --> 01:27:03,760
life gets boring without challenges if

2061
01:27:08,070 --> 01:27:05,520
everything's just easy

2062
01:27:09,270 --> 01:27:08,080
and you know well i have two children so

2063
01:27:11,669 --> 01:27:09,280

nothing's easy but

2064

01:27:13,270 --> 01:27:11,679

you know i like to feel challenged but

2065

01:27:14,709 --> 01:27:13,280

every once in a while i say to myself

2066

01:27:18,070 --> 01:27:14,719

universe really

2067

01:27:19,590 --> 01:27:18,080

i'm feeling more than challenged enough

2068

01:27:21,750 --> 01:27:19,600

i don't need any more challenges and

2069

01:27:24,790 --> 01:27:21,760

then that's what happens they multiply

2070

01:27:26,070 --> 01:27:24,800

you know and i i guess i have a tendency

2071

01:27:27,910 --> 01:27:26,080

to try to

2072

01:27:29,270 --> 01:27:27,920

really bite off more than i can chew

2073

01:27:31,430 --> 01:27:29,280

sometimes like these huge

2074

01:27:33,270 --> 01:27:31,440

projects at the cabin like it's not a

2075

01:27:34,149 --> 01:27:33,280

small thing like i'm going to build a 10

2076

01:27:35,990 --> 01:27:34,159

by 24

2077

01:27:37,510 --> 01:27:36,000

room and a trees and trash for very

2078

01:27:40,390 --> 01:27:37,520

little money

2079

01:27:42,709 --> 01:27:40,400

that's a challenge and then i have all

2080

01:27:46,790 --> 01:27:42,719

this stuff to do around my house here

2081

01:27:48,870 --> 01:27:46,800

and you know yeah other priorities may

2082

01:27:51,110 --> 01:27:48,880

take precedence and i hope people will

2083

01:27:52,550 --> 01:27:51,120

understand if that has to happen it just

2084

01:27:54,470 --> 01:27:52,560

has to happen

2085

01:27:57,270 --> 01:27:54,480

everybody with children will get it

2086

01:28:03,030 --> 01:28:00,790

those children keep you busy

2087

01:28:04,310 --> 01:28:03,040

plenty busy you don't need uh you don't

2088

01:28:15,189 --> 01:28:04,320

need an internet show

2089

01:28:18,390 --> 01:28:15,199

to keep you busy if you have children

2090

01:28:22,390 --> 01:28:18,400

i can do wednesday or thursday

2091

01:28:24,149 --> 01:28:22,400

uh let's do thursday at 10 p.m if you

2092

01:28:25,430 --> 01:28:24,159

can do that and i'm going to be at the

2093

01:28:27,910 --> 01:28:25,440

cabin

2094

01:28:28,870 --> 01:28:27,920

uh but everything works there we have

2095

01:28:32,390 --> 01:28:28,880

internet there now

2096

01:28:33,430 --> 01:28:32,400

finally thank god so uh but you know i

2097

01:28:34,629 --> 01:28:33,440

i don't know what time i'm going to get

2098

01:28:36,390 --> 01:28:34,639

there and i may need a little time to

2099

01:28:39,030 --> 01:28:36,400

set up but tentatively we should say

2100

01:28:42,709 --> 01:28:39,040

let's do thursday at 10 pm and we'll do

2101

01:28:42,719 --> 01:28:49,669

because i think that will be fun

2102

01:28:54,830 --> 01:28:51,910

oh and that's 10 p.m eastern time i

2103

01:28:56,070 --> 01:28:54,840

think i don't know what time zone you're

2104

01:28:59,830 --> 01:28:56,080

on

2105

01:29:01,030 --> 01:28:59,840

listen to our d program podcast i've

2106

01:29:03,350 --> 01:29:01,040

been catching up and i

2107

01:29:05,270 --> 01:29:03,360

i really her and i think a lot of like

2108

01:29:06,709 --> 01:29:05,280

and i like uh i like just the format of

2109

01:29:07,910 --> 01:29:06,719

rochelle and some of the stuff she talks

2110

01:29:09,430 --> 01:29:07,920

about because some of these cults are

2111

01:29:11,350 --> 01:29:09,440

crazy and she doesn't just cover ufo

2112

01:29:13,510 --> 01:29:11,360

cults she covers all cults

2113

01:29:15,910 --> 01:29:13,520

and uh i don't know why but i have an

2114

01:29:17,590 --> 01:29:15,920

interest in weird cults right if

2115

01:29:20,709 --> 01:29:17,600

there's like a documentary about a weird

2116

01:29:22,550 --> 01:29:20,719

cult i gotta watch it

2117

01:29:23,990 --> 01:29:22,560

it's just interesting to me i guess from

2118

01:29:25,750 --> 01:29:24,000

a psychological perspective

2119

01:29:27,830 --> 01:29:25,760

like how the hell do people get involved

2120

01:29:28,550 --> 01:29:27,840

in this [h__h] and get so wrapped up in it

2121

01:29:31,189 --> 01:29:28,560

you know

2122

01:29:32,709 --> 01:29:31,199

that they believe this cult leader and

2123

01:29:33,830 --> 01:29:32,719

like there's so many cults where like

2124

01:29:35,430 --> 01:29:33,840

the cult leader will tell

2125

01:29:37,350 --> 01:29:35,440

men like you can't bang your wife

2126

01:29:39,350 --> 01:29:37,360

anymore but i will

2127

01:29:41,830 --> 01:29:39,360

and they're okay with it somehow it's

2128

01:29:44,950 --> 01:29:41,840

crazy this [h__h] that happens in colts

2129

01:29:45,830 --> 01:29:44,960

and it's fun to to uh to get educated on

2130

01:29:49,430 --> 01:29:45,840

that stuff so

2131

01:29:52,149 --> 01:29:49,440

if you want to her whole uh podcast

2132

01:29:59,830 --> 01:29:52,159

yeah eastern time new york time i'm in

2133

01:29:59,840 --> 01:30:03,990

that's a good idea actually

2134

01:30:08,390 --> 01:30:05,669

development says the book of enoch and

2135

01:30:09,750 --> 01:30:08,400

revelations is actually a huge topic in

2136

01:30:12,629 --> 01:30:09,760

these parts

2137

01:30:14,390 --> 01:30:12,639

i uh i think that uh i'll put it on the

2138

01:30:16,149 --> 01:30:14,400

list i like book of in

2139

01:30:18,629 --> 01:30:16,159

enoch there's a lot of great stories

2140

01:30:22,870 --> 01:30:18,639

from there and a lot of weird stuff

2141

01:30:26,070 --> 01:30:22,880

uh we could definitely do that

2142

01:30:27,750 --> 01:30:26,080

sixth's design is sharing my twitter

2143

01:30:29,669 --> 01:30:27,760

that's probably the best way to interact

2144

01:30:38,149 --> 01:30:29,679

with me and uh

2145

01:30:43,030 --> 01:30:40,550

leave helpman lee beltman says i know a

2146

01:30:45,750 --> 01:30:43,040

lot about colts

2147

01:30:46,310 --> 01:30:45,760

yeah you seem to follow a lot of whack

2148

01:30:49,750 --> 01:30:46,320

jobs

2149

01:30:50,310 --> 01:30:49,760

lee meltman so i would i would agree

2150

01:30:55,350 --> 01:30:50,320

with you

2151
01:30:59,030 --> 01:30:57,189
we'd like to have you to come and do a

2152
01:31:01,270 --> 01:30:59,040
show on cue as well

2153
01:31:02,229 --> 01:31:01,280
if we could schedule that that would be

2154
01:31:05,510 --> 01:31:02,239
great because

2155
01:31:08,390 --> 01:31:05,520
i'm not i'm just not up on it and

2156
01:31:09,030 --> 01:31:08,400
uh and all of the bullshittery with q

2157
01:31:11,430 --> 01:31:09,040
and now

2158
01:31:13,430 --> 01:31:11,440
i need a i need a [h__h] guide i need

2159
01:31:15,990 --> 01:31:13,440
a [h__h] guy to get me through

2160
01:31:16,629 --> 01:31:16,000
the treasure trove of bullshittery that

2161
01:31:20,629 --> 01:31:16,639
is

2162
01:31:21,030 --> 01:31:20,639
cute and i think you're the guy levelman

2163
01:31:23,350 --> 01:31:21,040

so

2164

01:31:24,950 --> 01:31:23,360

you gotta get with me we gotta schedule

2165

01:31:26,709 --> 01:31:24,960

it i think we talked about it before but

2166

01:31:33,189 --> 01:31:26,719

never nailed it down let's get it on the

2167

01:31:36,390 --> 01:31:35,350

lee follows whack jobs yeah he follows

2168

01:31:43,669 --> 01:31:36,400

whack jobs like me

2169

01:31:48,149 --> 01:31:45,910

are negs eight or o like me yeah i think

2170

01:31:49,990 --> 01:31:48,159

i'm o2

2171

01:31:51,669 --> 01:31:50,000

it's i can never remember anything it's

2172

01:31:56,070 --> 01:31:51,679

my wife

2173

01:31:59,990 --> 01:31:58,149

did the 44 caliber killer act alone or

2174

01:32:01,830 --> 01:32:00,000

was there really a sand that that will

2175

01:32:04,790 --> 01:32:01,840

involve

2176

01:32:06,470 --> 01:32:04,800

yeah uh that's a creepy subject and we

2177

01:32:07,590 --> 01:32:06,480

can definitely put that on the schedule

2178

01:32:11,430 --> 01:32:07,600

for you carmine

2179

01:32:13,430 --> 01:32:11,440

and jimi i will look into that

2180

01:32:14,629 --> 01:32:13,440

we'll put it right on the put it on the

2181

01:32:24,629 --> 01:32:14,639

list sounds

2182

01:32:28,149 --> 01:32:25,990

friends so we're coming up on an hour

2183

01:32:31,990 --> 01:32:28,159

and a half i think this may be

2184

01:32:33,430 --> 01:32:32,000

a good time to uh wrap things up here

2185

01:32:35,590 --> 01:32:33,440

just wanted to come on really and

2186

01:32:36,790 --> 01:32:35,600

communicate with you how grateful i am

2187

01:32:39,750 --> 01:32:36,800

that you were all here

2188

01:32:40,870 --> 01:32:39,760

for us to do 50 shows it's always nice

2189

01:32:45,189 --> 01:32:40,880

when there's an audience

2190

01:32:46,629 --> 01:32:45,199

friends and uh and i am glad that you've

2191

01:32:49,510 --> 01:32:46,639

been in mine

2192

01:32:51,270 --> 01:32:49,520

really you know what one of the worst

2193

01:32:54,629 --> 01:32:51,280

things is uh from being a

2194

01:32:56,070 --> 01:32:54,639

an artist performer musician doing a

2195

01:32:59,910 --> 01:32:56,080

magic show

2196

01:33:02,790 --> 01:32:59,920

being an actor uh any of that

2197

01:33:04,709 --> 01:33:02,800

the worst the worst feeling in the world

2198

01:33:06,790 --> 01:33:04,719

is to work so hard on something

2199

01:33:08,390 --> 01:33:06,800

and then to go to the show to do it and

2200

01:33:10,870 --> 01:33:08,400

nobody showed up

2201
01:33:11,830 --> 01:33:10,880
and uh you know a lot of people have to

2202
01:33:13,430 --> 01:33:11,840
suffer that

2203
01:33:15,270 --> 01:33:13,440
and i've been very fortunate and

2204
01:33:17,350 --> 01:33:15,280
grateful here that there's at least

2205
01:33:19,189 --> 01:33:17,360
always been some kind of audience while

2206
01:33:21,510 --> 01:33:19,199
we did our thing here

2207
01:33:23,189 --> 01:33:21,520
so you know really you have my thanks

2208
01:33:25,510 --> 01:33:23,199
and my gratitude

2209
01:33:27,030 --> 01:33:25,520
and uh i hope that we'll continue this

2210
01:33:30,390 --> 01:33:27,040
journey going forward

2211
01:33:33,430 --> 01:33:30,400
and uh just continue to grow the show

2212
01:33:35,669 --> 01:33:33,440
and spread the show and get better at

2213
01:33:39,030 --> 01:33:35,679

doing the show make a better show

2214

01:33:39,990 --> 01:33:39,040

i have one goal for the next 50 episodes

2215

01:33:43,110 --> 01:33:40,000

and that is to

2216

01:33:46,390 --> 01:33:43,120

make better shows and also to

2217

01:33:49,590 --> 01:33:46,400

no longer have any uh

2218

01:33:52,950 --> 01:33:49,600

at least no major technical difficulties

2219

01:33:55,189 --> 01:33:52,960

a few people emailed me and yes i did

2220

01:33:59,590 --> 01:33:55,199

see the stream from the cabin and it was

2221

01:34:01,189 --> 01:33:59,600

horrible and uh looked like 144 p

2222

01:34:03,030 --> 01:34:01,199

and again live show these things are

2223

01:34:04,629 --> 01:34:03,040

going to happen it's a lighting issue

2224

01:34:07,910 --> 01:34:04,639

i'm going to get a couple of lamps

2225

01:34:08,870 --> 01:34:07,920

and we should be good going forward and

2226

01:34:12,310 --> 01:34:08,880

also

2227

01:34:12,629 --> 01:34:12,320

my unfamiliarity with the webcam that i

2228

01:34:14,470 --> 01:34:12,639

took

2229

01:34:15,990 --> 01:34:14,480

i'm going to start using the same one at

2230

01:34:17,590 --> 01:34:16,000

both locations now

2231

01:34:19,110 --> 01:34:17,600

so that i know what the lighting should

2232

01:34:23,590 --> 01:34:19,120

be so it looks

2233

01:34:27,350 --> 01:34:26,470

oh andrew whitley i appreciate that new

2234

01:34:30,950 --> 01:34:27,360

new user

2235

01:34:32,629 --> 01:34:30,960

show

2236

01:34:34,470 --> 01:34:32,639

andrew whitley after watching some of

2237

01:34:35,270 --> 01:34:34,480

your videos in the last week i won't

2238

01:34:43,750 --> 01:34:35,280

leave

2239

01:34:47,109 --> 01:34:45,350

thank you enjoy your show i'm sure the

2240

01:34:49,030 --> 01:34:47,119

audience will grow yeah and

2241

01:34:50,470 --> 01:34:49,040

you know i've been told by people that

2242

01:34:52,149 --> 01:34:50,480

have been through that growing a show

2243

01:34:54,870 --> 01:34:52,159

growing a channel

2244

01:34:56,629 --> 01:34:54,880

that uh slow and steady wins the race

2245

01:34:58,950 --> 01:34:56,639

and it's good to be slow

2246

01:35:00,149 --> 01:34:58,960

slowly and organically building an

2247

01:35:02,550 --> 01:35:00,159

audience and not

2248

01:35:04,470 --> 01:35:02,560

jump real fast with thousands of subs

2249

01:35:06,390 --> 01:35:04,480

that then the next week don't care about

2250

01:35:07,910 --> 01:35:06,400

you so they don't tune in

2251

01:35:10,149 --> 01:35:07,920

we want people that are going to

2252

01:35:13,270 --> 01:35:10,159

participate and

2253

01:35:13,990 --> 01:35:13,280

you know be with us hopefully for a long

2254

01:35:21,109 --> 01:35:14,000

time

2255

01:35:27,350 --> 01:35:24,550

so friends like i said uh i am uh

2256

01:35:28,229 --> 01:35:27,360

again extremely grateful to have uh an

2257

01:35:32,870 --> 01:35:28,239

audience

2258

01:35:32,880 --> 01:35:44,310

do this

2259

01:35:47,430 --> 01:35:46,070

i'm especially thankful to those of you

2260

01:35:50,470 --> 01:35:47,440

who have uh

2261

01:35:54,310 --> 01:35:50,480

put your pulled your wallet out

2262

01:35:57,750 --> 01:35:54,320

and uh thrown me a couple of bucks uh uh

2263

01:36:00,149 --> 01:35:57,760

it's meant a lot to me the patreon money

2264

01:36:00,790 --> 01:36:00,159

paid for everything here on the show the

2265

01:36:03,669 --> 01:36:00,800

lighting

2266

01:36:05,430 --> 01:36:03,679

the backdrop the webcam uh the computers

2267

01:36:06,870 --> 01:36:05,440

i had i have plenty of computers being a

2268

01:36:10,390 --> 01:36:06,880

computer guy but

2269

01:36:13,030 --> 01:36:10,400

um microphones microphone stands

2270

01:36:14,229 --> 01:36:13,040

some other odds and ends that you always

2271

01:36:15,669 --> 01:36:14,239

need when you're trying to produce a

2272

01:36:17,270 --> 01:36:15,679

show like this

2273

01:36:19,109 --> 01:36:17,280

thank you so much to the patreon

2274

01:36:20,790 --> 01:36:19,119

supporters you did really truly make

2275

01:36:22,629 --> 01:36:20,800

this show possible

2276

01:36:23,830 --> 01:36:22,639

i didn't really feel okay taking like my

2277

01:36:25,830 --> 01:36:23,840

family's money to buy

2278

01:36:27,109 --> 01:36:25,840

some bunch of webcams and microphones

2279

01:36:28,870 --> 01:36:27,119

and stuff to do this

2280

01:36:31,109 --> 01:36:28,880

but it was nice that the patreon money

2281

01:36:33,109 --> 01:36:31,119

was sort of there and every month

2282

01:36:35,590 --> 01:36:33,119

while prepping getting ready to do the

2283

01:36:37,750 --> 01:36:35,600

show we bought a piece or two and uh

2284

01:36:39,669 --> 01:36:37,760

and thank you sincerely to the patreon

2285

01:36:41,350 --> 01:36:39,679

supporters

2286

01:36:43,270 --> 01:36:41,360

and the other way to support us

2287

01:36:45,510 --> 01:36:43,280

financially you can just make a one-time

2288

01:36:47,270 --> 01:36:45,520

donation by paypal just go to the about

2289

01:36:47,990 --> 01:36:47,280

section here you click on donate by

2290

01:36:49,750 --> 01:36:48,000

paypal

2291

01:36:51,350 --> 01:36:49,760

and that money too goes towards keeping

2292

01:36:55,189 --> 01:36:51,360

the show going

2293

01:36:57,189 --> 01:36:55,199

so uh and you can sign up on patreon if

2294

01:36:59,590 --> 01:36:57,199

you haven't for a dollar

2295

01:37:01,430 --> 01:36:59,600

or more and you get a backstage pass and

2296

01:37:04,229 --> 01:37:01,440

we do a monthly journal

2297

01:37:05,750 --> 01:37:04,239

you get the mind hack previews for free

2298

01:37:08,950 --> 01:37:05,760

and uh this

2299

01:37:12,229 --> 01:37:08,960

alt os linux operating system that

2300

01:37:15,270 --> 01:37:12,239

i've been developing for some time

2301

01:37:16,709 --> 01:37:15,280

so friends uh i want to thank each and

2302

01:37:19,430 --> 01:37:16,719

every one of you for joining

2303

01:37:19,990 --> 01:37:19,440

us both tonight and if you joined us on

2304

01:37:22,790 --> 01:37:20,000

any of

2305

01:37:24,070 --> 01:37:22,800

the 50 shows that we have now produced

2306

01:37:26,229 --> 01:37:24,080

you have my

2307

01:37:28,149 --> 01:37:26,239

you really do have my gratitude i'm so

2308

01:37:31,189 --> 01:37:28,159

thankful that somebody's listening

2309

01:37:32,950 --> 01:37:31,199

right sometimes in radio land

2310

01:37:35,830 --> 01:37:32,960

there's no audience interaction so you

2311

01:37:37,669 --> 01:37:35,840

feel like you were screaming into a void

2312

01:37:38,870 --> 01:37:37,679

and this show felt different right from

2313

01:37:40,390 --> 01:37:38,880

the very start

2314

01:37:42,870 --> 01:37:40,400

it felt like there was much more

2315

01:37:46,629 --> 01:37:42,880

involvement excitement about it

2316

01:37:48,790 --> 01:37:46,639

and every show was kind of an event

2317

01:37:50,310 --> 01:37:48,800

at least for me and i hope it was for

2318

01:37:53,030 --> 01:37:50,320

you too

2319

01:37:54,149 --> 01:37:53,040

until next time friends my name is

2320

01:38:22,370 --> 01:37:54,159

stephen cambion

2321

01:38:22,380 --> 01:38:28,830

[Music]

2322

01:38:38,600 --> 01:38:31,140

so

2323

01:39:13,330 --> 01:38:49,120

[Music]

2324

01:39:38,140 --> 01:39:13,340

[Applause]

2325

01:39:40,210 --> 01:39:38,150

[Music]

2326

01:40:08,400 --> 01:39:40,220

[Applause]

2327

01:40:09,410 --> 01:40:08,410

[Music]
