

1
00:00:34,549 --> 00:00:28,830

[Music]

2
00:00:40,150 --> 00:00:37,670
greetings and salutations old friends

3
00:00:43,990 --> 00:00:40,160
and hopefully some new friends

4
00:00:47,029 --> 00:00:44,000
welcome back tonight on our show we're

5
00:00:48,869 --> 00:00:47,039
going to be exploring kind of a really

6
00:00:52,630 --> 00:00:48,879
fringe topic and that is

7
00:00:56,150 --> 00:00:52,640
stargates fact or fiction

8
00:00:59,270 --> 00:00:56,160
i uh of course have my own

9
00:01:02,630 --> 00:00:59,280
opinion but lately a few people

10
00:01:05,509 --> 00:01:02,640
have been asking me to cover uh

11
00:01:07,670 --> 00:01:05,519
especially a very popular conspiracy

12
00:01:10,870 --> 00:01:07,680
theory and that conspiracy

13
00:01:12,149 --> 00:01:10,880

theory pretty much states that the iraq

14

00:01:15,109 --> 00:01:12,159

war was not over

15

00:01:15,510 --> 00:01:15,119

oil or weapons of mass destruction it

16

00:01:17,270 --> 00:01:15,520

was

17

00:01:18,870 --> 00:01:17,280

the united states government wanting to

18

00:01:21,830 --> 00:01:18,880

get control of

19

00:01:22,630 --> 00:01:21,840

ancient stargates that happened to be in

20

00:01:25,670 --> 00:01:22,640

iraq

21

00:01:29,109 --> 00:01:25,680

of all places which

22

00:01:34,630 --> 00:01:29,119

for those people who know history uh

23

00:01:38,149 --> 00:01:34,640

sumeria is in the region of iraq

24

00:01:41,510 --> 00:01:38,159

and ancient sumerian

25

00:01:44,789 --> 00:01:41,520

is the oldest known civilization

26

00:01:48,469 --> 00:01:44,799

so uh that

27

00:01:50,950 --> 00:01:48,479

belief sort of uh that there are ancient

28

00:01:51,990 --> 00:01:50,960

stargates built by the sumerians or the

29

00:01:55,590 --> 00:01:52,000

anunnaki

30

00:02:00,550 --> 00:01:55,600

and the ruins of which or working ones

31

00:02:04,069 --> 00:02:00,560

are actually in iraq of all places

32

00:02:07,270 --> 00:02:04,079

i uh have my own opinion of stargates

33

00:02:09,190 --> 00:02:07,280

uh having first i suppose been exposed

34

00:02:11,990 --> 00:02:09,200

to the idea of stargates

35

00:02:14,309 --> 00:02:12,000

the same way everyone else was from the

36

00:02:17,510 --> 00:02:14,319

i believe it was a 1994

37

00:02:21,990 --> 00:02:17,520

movie titled stargate

38

00:02:23,990 --> 00:02:22,000

um i gotta say i did like that movie

39

00:02:26,550 --> 00:02:24,000

didn't like the television shows uh

40

00:02:27,830 --> 00:02:26,560

those got real hokey really fast they

41

00:02:30,150 --> 00:02:27,840

were sort of like

42

00:02:31,830 --> 00:02:30,160

i didn't call them b science fiction it

43

00:02:35,270 --> 00:02:31,840

was really low budget

44

00:02:36,949 --> 00:02:35,280

and uh uh yeah not a fan of the

45

00:02:37,350 --> 00:02:36,959

television show none of them there have

46

00:02:40,470 --> 00:02:37,360

been

47

00:02:42,710 --> 00:02:40,480

uh sg1 and another one i just could

48

00:02:44,390 --> 00:02:42,720

never get past seeing macgyver as a

49

00:02:47,110 --> 00:02:44,400

space hero i just

50

00:02:47,830 --> 00:02:47,120

i i couldn't do it couldn't sign up for

51
00:02:51,509 --> 00:02:47,840
it

52
00:02:53,509 --> 00:02:51,519
uh so recently

53
00:02:54,790 --> 00:02:53,519
uh one of our viewers has been sending

54
00:02:58,390 --> 00:02:54,800
me material

55
00:03:02,869 --> 00:02:58,400
uh convinced that there's uh stargates

56
00:03:04,550 --> 00:03:02,879
in iraq um and they sent me a lot of

57
00:03:06,790 --> 00:03:04,560
i gotta say like compelling and

58
00:03:10,869 --> 00:03:06,800
interesting information

59
00:03:11,589 --> 00:03:10,879
um but some of the sources are very

60
00:03:14,949 --> 00:03:11,599
vague

61
00:03:16,869 --> 00:03:14,959
and the proof of any of the claims that

62
00:03:17,670 --> 00:03:16,879
are being made and the materials i'm

63
00:03:20,790 --> 00:03:17,680

being sent

64

00:03:21,830 --> 00:03:20,800

are pretty sparse but yet still

65

00:03:24,470 --> 00:03:21,840

interesting

66

00:03:26,070 --> 00:03:24,480

if you are interested in things like i

67

00:03:29,589 --> 00:03:26,080

don't know aliens space

68

00:03:31,990 --> 00:03:29,599

travel ancient history

69

00:03:33,509 --> 00:03:32,000

these things have a way of weaving these

70

00:03:36,630 --> 00:03:33,519

different things together

71

00:03:40,070 --> 00:03:36,640

in a pleasing narrative

72

00:03:41,190 --> 00:03:40,080

that people like to believe but we here

73

00:03:43,190 --> 00:03:41,200

try to

74

00:03:45,190 --> 00:03:43,200

try at least to get to the truth of

75

00:03:48,309 --> 00:03:45,200

these things is there actual

76

00:03:52,550 --> 00:03:48,319

evidence that there is stargates

77

00:03:54,630 --> 00:03:52,560

uh either working or in a state of decay

78

00:03:57,110 --> 00:03:54,640

and disrepair

79

00:03:58,309 --> 00:03:57,120

ancient stargates in iraq or anywhere

80

00:03:59,750 --> 00:03:58,319

else

81

00:04:01,990 --> 00:03:59,760

i have heard claims that there are

82

00:04:06,070 --> 00:04:02,000

stargates in antarctica

83

00:04:08,070 --> 00:04:06,080

uh in florida off the coast of florida

84

00:04:09,110 --> 00:04:08,080

because that is supposedly one of the

85

00:04:12,309 --> 00:04:09,120

famed uh

86

00:04:14,630 --> 00:04:12,319

locations of atlantis um i've heard

87

00:04:16,949 --> 00:04:14,640

about a stargate in russia

88

00:04:18,310 --> 00:04:16,959

and of course egypt the pyramids there's

89

00:04:21,909 --> 00:04:18,320

got to be stargates there

90

00:04:24,870 --> 00:04:21,919

right uh ancient turkey and

91

00:04:26,070 --> 00:04:24,880

most notably though i hear they are in

92

00:04:29,270 --> 00:04:26,080

iraq

93

00:04:32,790 --> 00:04:29,280

or the site of ancient sumeria

94

00:04:34,550 --> 00:04:32,800

uh this is an interesting uh

95

00:04:37,189 --> 00:04:34,560

an interesting subject to me because

96

00:04:40,469 --> 00:04:37,199

there's a lot of things to digest

97

00:04:41,590 --> 00:04:40,479

uh about these things uh i thought we

98

00:04:44,390 --> 00:04:41,600

would start

99

00:04:45,749 --> 00:04:44,400

i found an uh well i didn't find it one

100

00:04:48,950 --> 00:04:45,759

of our viewers found an

101
00:04:51,270 --> 00:04:48,960
excellent source about these iraq these

102
00:04:53,110 --> 00:04:51,280
supposed stargates in iraq and it's from

103
00:04:54,469 --> 00:04:53,120
a youtube channel called mysterious

104
00:04:56,790 --> 00:04:54,479
middle east

105
00:04:58,310 --> 00:04:56,800
and uh i gotta say i highly recommend

106
00:04:59,909 --> 00:04:58,320
that channel i checked out

107
00:05:02,230 --> 00:04:59,919
more than just the video we're going to

108
00:05:04,870 --> 00:05:02,240
be sharing and discussing tonight

109
00:05:06,469 --> 00:05:04,880
and they have some interesting all kinds

110
00:05:07,590 --> 00:05:06,479
of mysteries about the middle east and

111
00:05:10,629 --> 00:05:07,600
isn't the middle east

112
00:05:13,350 --> 00:05:10,639
like uh you know

113
00:05:14,070 --> 00:05:13,360

like asia just a mysterious and strange

114

00:05:15,990 --> 00:05:14,080

place

115

00:05:18,550 --> 00:05:16,000

uh to an outsider looking in with

116

00:05:21,909 --> 00:05:18,560

strange customs and strange

117

00:05:23,990 --> 00:05:21,919

historical happenings and strange

118

00:05:27,990 --> 00:05:24,000

philosophies maybe to a western

119

00:05:29,670 --> 00:05:28,000

mind uh yeah so i i would highly

120

00:05:31,670 --> 00:05:29,680

recommend this person's channel

121

00:05:35,430 --> 00:05:31,680

we're going to cite fair use and we're

122

00:05:40,790 --> 00:05:38,629

i suppose we're going to be discussing

123

00:05:41,909 --> 00:05:40,800

and critiquing the contents of this

124

00:05:44,310 --> 00:05:41,919

video

125

00:05:46,390 --> 00:05:44,320

and just discussing uh the evidence that

126
00:05:48,790 --> 00:05:46,400
this video presents

127
00:05:50,950 --> 00:05:48,800
and uh we're using this video as an

128
00:05:51,590 --> 00:05:50,960
educational tool and therefore this is

129
00:05:53,510 --> 00:05:51,600
definitely

130
00:05:55,270 --> 00:05:53,520
covered under fair use we're educating

131
00:05:57,990 --> 00:05:55,280
the public about

132
00:06:00,070 --> 00:05:58,000
stargates in iraq and this video is

133
00:06:03,830 --> 00:06:00,080
about stargates in iraq so this

134
00:06:10,390 --> 00:06:03,840
is fair use let's uh

135
00:06:13,830 --> 00:06:12,390
okay this video is called the history of

136
00:06:16,710 --> 00:06:13,840
iraq stargates

137
00:06:17,590 --> 00:06:16,720
and the creator of all demons and it's

138
00:06:19,510 --> 00:06:17,600

attributed to

139

00:06:20,870 --> 00:06:19,520

the youtube channel mysterious middle

140

00:06:22,150 --> 00:06:20,880

east

141

00:06:24,390 --> 00:06:22,160

again fair use we're going to be

142

00:06:27,670 --> 00:06:24,400

stopping this every so often to comment

143

00:06:31,430 --> 00:06:27,680

and uh using it to educate the public

144

00:06:39,110 --> 00:06:35,590

okay friends i got this cued up

145

00:06:40,790 --> 00:06:39,120

let's get into it uh i found this

146

00:06:42,870 --> 00:06:40,800

whole video very interesting but i

147

00:06:45,110 --> 00:06:42,880

clipped off the first minute or so

148

00:06:46,390 --> 00:06:45,120

um i don't know if we're going to play

149

00:06:48,950 --> 00:06:46,400

through the whole thing but

150

00:06:50,870 --> 00:06:48,960

maybe at least uh at least half of this

151
00:06:52,710 --> 00:06:50,880
it's a 12 minute video

152
00:06:55,029 --> 00:06:52,720
some of the information presented here i

153
00:06:58,390 --> 00:06:55,039
gotta say it's like music to my

154
00:07:00,550 --> 00:06:58,400
ears it sounds great uh but i'm not so

155
00:07:03,350 --> 00:07:00,560
sure about the evidentiary support of

156
00:07:05,990 --> 00:07:03,360
the claims being made in the video

157
00:07:07,909 --> 00:07:06,000
but they do this video is very fair

158
00:07:10,550 --> 00:07:07,919
because he mentioned critical parts

159
00:07:12,550 --> 00:07:10,560
uh you know that critics and skeptics

160
00:07:14,950 --> 00:07:12,560
have a reason to be skeptical

161
00:07:16,150 --> 00:07:14,960
uh due to some of the use of language

162
00:07:18,070 --> 00:07:16,160
like using

163
00:07:19,990 --> 00:07:18,080

the term stargate which basically

164

00:07:23,270 --> 00:07:20,000

originated in science fiction

165

00:07:26,790 --> 00:07:23,280

but uh i think it's very fair video

166

00:07:28,230 --> 00:07:26,800

let's get into it friends the creator of

167

00:07:30,950 --> 00:07:28,240

monsters

168

00:07:32,710 --> 00:07:30,960

who or what is the evil fictional deity

169

00:07:35,510 --> 00:07:32,720

known as tiamet

170

00:07:37,670 --> 00:07:35,520

historians and archaeologists agree that

171

00:07:39,430 --> 00:07:37,680

she not only played an important role

172

00:07:40,870 --> 00:07:39,440

in the creation myth of ancient

173

00:07:44,070 --> 00:07:40,880

mesopotamia

174

00:07:45,510 --> 00:07:44,080

but she is also central to it it's

175

00:07:46,790 --> 00:07:45,520

interesting to note that i grew up

176

00:07:49,510 --> 00:07:46,800

christian or catholic

177

00:07:49,990 --> 00:07:49,520

and to christians or catholic tiamet is

178

00:07:59,110 --> 00:07:50,000

a

179

00:08:01,749 --> 00:07:59,120

growing up

180

00:08:03,510 --> 00:08:01,759

basically the old gods of older

181

00:08:05,990 --> 00:08:03,520

religions than christianity

182

00:08:07,270 --> 00:08:06,000

became the demons or the devils and but

183

00:08:10,070 --> 00:08:07,280

we see this

184

00:08:12,950 --> 00:08:10,080

happen in history over and over again

185

00:08:15,990 --> 00:08:12,960

generally the old gods become the

186

00:08:18,309 --> 00:08:16,000

bad guys of the new gods uh which

187

00:08:19,710 --> 00:08:18,319

whatever is raining at the moment

188

00:08:22,950 --> 00:08:19,720

waiting for ancient

189

00:08:25,270 --> 00:08:22,960

religions theologist

190

00:08:26,469 --> 00:08:25,280

states that she was the mesopotamians

191

00:08:29,110 --> 00:08:26,479

personification

192

00:08:33,430 --> 00:08:29,120

of the primordial sea from which the

193

00:08:38,709 --> 00:08:36,310

although obviously not a real god what

194

00:08:41,190 --> 00:08:38,719

she represented to the ancient iraqis

195

00:08:42,949 --> 00:08:41,200

goes way beyond the creation of gods but

196

00:08:46,230 --> 00:08:42,959

also the creation of monsters

197

00:08:49,430 --> 00:08:46,240

and by that we need all of them yeah so

198

00:08:50,949 --> 00:08:49,440

uh she is typically the creator of

199

00:08:53,190 --> 00:08:50,959

demons and monsters

200

00:08:54,550 --> 00:08:53,200

besides being the creator of the first

201
00:08:57,910 --> 00:08:54,560
gods

202
00:09:01,509 --> 00:08:57,920
um and there is some tie-in with the

203
00:09:04,470 --> 00:09:01,519
anunnaki with with this entity

204
00:09:05,829 --> 00:09:04,480
and there's some tie-in with some other

205
00:09:09,190 --> 00:09:05,839
traditions in

206
00:09:09,829 --> 00:09:09,200
in biblical text in which you know the

207
00:09:12,790 --> 00:09:09,839
uh

208
00:09:14,470 --> 00:09:12,800
fallen angels interbred with men and

209
00:09:17,829 --> 00:09:14,480
created abrasive giants

210
00:09:19,829 --> 00:09:17,839
uh it's very similar stories

211
00:09:24,550 --> 00:09:19,839
which always makes me think that these

212
00:09:29,590 --> 00:09:27,670
with islam and christianity there are

213
00:09:31,750 --> 00:09:29,600

arguments that states that the source of

214

00:09:34,470 --> 00:09:31,760

all dangerous paranormal phenomena

215

00:09:35,990 --> 00:09:34,480

is either demonic or from the jinn an

216

00:09:38,949 --> 00:09:36,000

invisible race of mortal

217

00:09:39,670 --> 00:09:38,959

yet powerful human-like creatures

218

00:09:41,670 --> 00:09:39,680

however

219

00:09:43,750 --> 00:09:41,680

the ancient sumerians had a very

220

00:09:47,190 --> 00:09:43,760

different concept

221

00:09:48,630 --> 00:09:47,200

according to enuma elish the babylonian

222

00:09:51,829 --> 00:09:48,640

creation myth

223

00:09:54,630 --> 00:09:51,839

before tiamat died she had brought forth

224

00:09:56,630 --> 00:09:54,640

or given birth to monsters demons and

225

00:09:57,750 --> 00:09:56,640

various other creatures of mesopotamian

226

00:10:01,990 --> 00:09:57,760

pantheon

227

00:10:05,670 --> 00:10:02,000

including the first dragons yeah so

228

00:10:08,470 --> 00:10:05,680

this is of course legend right or

229

00:10:09,350 --> 00:10:08,480

is there some truth sometimes i think

230

00:10:12,550 --> 00:10:09,360

there is some

231

00:10:13,030 --> 00:10:12,560

truth behind most legends there's at

232

00:10:16,550 --> 00:10:13,040

least

233

00:10:19,910 --> 00:10:16,560

a a seed or nugget of truth behind some

234

00:10:20,949 --> 00:10:19,920

legends or myths um and there's also

235

00:10:26,069 --> 00:10:20,959

some tie-ins with

236

00:10:28,310 --> 00:10:26,079

chimeras the ancient alien show

237

00:10:30,150 --> 00:10:28,320

all those people theorize or ancient

238

00:10:31,190 --> 00:10:30,160

alien theorists theorized that the

239

00:10:34,389 --> 00:10:31,200

chimera was

240

00:10:34,949 --> 00:10:34,399

dna experiments like splicing genes to

241

00:10:37,829 --> 00:10:34,959

create

242

00:10:39,829 --> 00:10:37,839

hybrid creatures and so on and this

243

00:10:43,350 --> 00:10:39,839

entity is tied into that

244

00:10:45,269 --> 00:10:43,360

in some storytellers stories

245

00:10:47,590 --> 00:10:45,279

whose bodies she filled with poison

246

00:10:50,710 --> 00:10:47,600

instead of blood

247

00:10:53,030 --> 00:10:50,720

could this be the reason

248

00:10:55,509 --> 00:10:53,040

anonymous events taking place in and

249

00:10:57,750 --> 00:10:55,519

around the northern part of the gulf

250

00:10:59,990 --> 00:10:57,760

from the harmless and benign to the

251
00:11:02,310 --> 00:11:00,000
terrifying and probably life-threatening

252
00:11:04,150 --> 00:11:02,320
they're rare but occasional news reports

253
00:11:06,069 --> 00:11:04,160
from local media that speaks of these

254
00:11:08,870 --> 00:11:06,079
paranormal distances

255
00:11:10,389 --> 00:11:08,880
are intriguing yeah and the jinn are

256
00:11:13,829 --> 00:11:10,399
another interesting part to this

257
00:11:14,550 --> 00:11:13,839
because that's basically uh an islamic

258
00:11:18,230 --> 00:11:14,560
tradition

259
00:11:18,710 --> 00:11:18,240
something like a demon but not quite a

260
00:11:21,990 --> 00:11:18,720
demon

261
00:11:25,509 --> 00:11:22,000
a seemingly magical tree in the middle

262
00:11:26,470 --> 00:11:25,519
refuses to die to mysterious fires and

263
00:11:29,030 --> 00:11:26,480

strange human

264

00:11:30,630 --> 00:11:29,040

animal hybrids haunting the residents of

265

00:11:32,310 --> 00:11:30,640

kuwait

266

00:11:35,350 --> 00:11:32,320

to even the sightings of giants in

267

00:11:36,949 --> 00:11:35,360

neighboring south asia's afghanistan

268

00:11:38,470 --> 00:11:36,959

yes and that's a whole other story that

269

00:11:40,470 --> 00:11:38,480

we could get into people that were in

270

00:11:41,030 --> 00:11:40,480

the afghanistan war claimed that there

271

00:11:43,750 --> 00:11:41,040

were

272

00:11:44,389 --> 00:11:43,760

giants and there's more than one report

273

00:11:46,389 --> 00:11:44,399

of that

274

00:11:48,470 --> 00:11:46,399

just another strange side note to this

275

00:11:50,389 --> 00:11:48,480

uh mysterious middle east

276
00:11:52,150 --> 00:11:50,399
so what could be the cause of them all

277
00:11:55,269 --> 00:11:52,160
in iraq

278
00:11:55,990 --> 00:11:55,279
an actual einstein-rosen bridge or in

279
00:11:59,350 --> 00:11:56,000
other words

280
00:12:01,509 --> 00:11:59,360
a stargate in her 2006

281
00:12:03,750 --> 00:12:01,519
article stargate the sumerian threat

282
00:12:04,949 --> 00:12:03,760
elizabeth leg states that the enumerage

283
00:12:07,829 --> 00:12:04,959
creation myth

284
00:12:09,990 --> 00:12:07,839
was allegorical like other theorists

285
00:12:13,030 --> 00:12:10,000
both mainstream and fringe

286
00:12:13,910 --> 00:12:13,040
the consensus is that kashmarian gods

287
00:12:15,750 --> 00:12:13,920
and their tales

288
00:12:17,269 --> 00:12:15,760

are mostly written in a metaphorical

289

00:12:19,750 --> 00:12:17,279

format but they

290

00:12:21,509 --> 00:12:19,760

are either entirely fictional or based

291

00:12:23,910 --> 00:12:21,519

on real historical events

292

00:12:25,670 --> 00:12:23,920

places and individuals but expressed in

293

00:12:27,269 --> 00:12:25,680

highly stylized probes

294

00:12:29,829 --> 00:12:27,279

yeah it's it's like i've been saying

295

00:12:31,509 --> 00:12:29,839

this repeating narrative

296

00:12:33,670 --> 00:12:31,519

i'm not probably not the only one that

297

00:12:35,590 --> 00:12:33,680

thinks that that there is some

298

00:12:38,230 --> 00:12:35,600

there may be some nugget of truth to

299

00:12:45,590 --> 00:12:38,240

these ancient traditions these ancient

300

00:12:49,670 --> 00:12:48,069

gave birth to gods and monsters zlx

301
00:12:50,150 --> 00:12:49,680
states that the process of her giving

302
00:12:51,910 --> 00:12:50,160
birth

303
00:12:53,670 --> 00:12:51,920
could be a euphemism for the term

304
00:12:55,590 --> 00:12:53,680
arrival thus

305
00:12:56,790 --> 00:12:55,600
those gods and monsters arrive from

306
00:12:59,590 --> 00:12:56,800
somewhere else

307
00:12:59,990 --> 00:12:59,600
somewhere far above and where i maybe

308
00:13:03,110 --> 00:13:00,000
still

309
00:13:03,829 --> 00:13:03,120
are being deposited here on earth as

310
00:13:07,430 --> 00:13:03,839
above

311
00:13:09,750 --> 00:13:07,440
so below so in other words

312
00:13:10,470 --> 00:13:09,760
tmat herself was never a real person or

313
00:13:13,269 --> 00:13:10,480

entity

314

00:13:14,470 --> 00:13:13,279

but instead a transportation device like

315

00:13:16,790 --> 00:13:14,480

a stargate

316

00:13:19,350 --> 00:13:16,800

yeah and so here is the tie-in that this

317

00:13:26,790 --> 00:13:23,430

mesopotamian god goddess

318

00:13:30,310 --> 00:13:26,800

um was not a god

319

00:13:32,470 --> 00:13:30,320

or a goddess but a reference to a

320

00:13:34,870 --> 00:13:32,480

physical machine or transportation

321

00:13:35,910 --> 00:13:34,880

device in the form of a stargate and

322

00:13:41,590 --> 00:13:35,920

that

323

00:13:46,230 --> 00:13:43,910

i suppose if there really was such thing

324

00:13:48,069 --> 00:13:46,240

as a stargate to other worlds

325

00:13:49,910 --> 00:13:48,079

other worlds might have some scary

326

00:13:53,189 --> 00:13:49,920

creatures on them

327

00:13:53,670 --> 00:13:53,199

uh that may come through these stargates

328

00:13:57,189 --> 00:13:53,680

so

329

00:13:59,509 --> 00:13:57,199

uh i guess there's a dangerous thing to

330

00:14:01,110 --> 00:13:59,519

play with a stargate you don't know

331

00:14:03,670 --> 00:14:01,120

what's going to come through from the

332

00:14:05,990 --> 00:14:03,680

other side unless i guess you got the

333

00:14:09,269 --> 00:14:06,000

secret decoder ring you know like they

334

00:14:14,389 --> 00:14:09,279

figured out in the movie star gate

335

00:14:18,629 --> 00:14:16,150

according authors and journalist richard

336

00:14:20,230 --> 00:14:18,639

leviton there are a total of 49

337

00:14:24,069 --> 00:14:20,240

incomplete stargates

338

00:14:25,910 --> 00:14:24,079

in the tigris euphrates river valley

339

00:14:27,110 --> 00:14:25,920

although his saw this information are

340

00:14:29,269 --> 00:14:27,120

extremely vague

341

00:14:30,389 --> 00:14:29,279

and highly questionable his research

342

00:14:35,030 --> 00:14:30,399

does coincide

343

00:14:38,870 --> 00:14:37,030

quebec there's at least one important

344

00:14:40,710 --> 00:14:38,880

stargate within the euphrates

345

00:14:42,710 --> 00:14:40,720

under the ruins and remain of the

346

00:14:44,629 --> 00:14:42,720

mesopotamian city of irudu

347

00:14:45,990 --> 00:14:44,639

yeah and i just wanted to stop it here

348

00:14:50,550 --> 00:14:46,000

to say

349

00:14:54,310 --> 00:14:50,560

independent journalist

350

00:14:56,870 --> 00:14:54,320

uh there's what did he say 49 stargates

351

00:14:58,870 --> 00:14:56,880

uh i'd like to see the evidence though

352

00:15:01,750 --> 00:14:58,880

if you're going to state that as if it's

353

00:15:03,590 --> 00:15:01,760

fact and you know the source that you

354

00:15:05,910 --> 00:15:03,600

cite kind of matters

355

00:15:07,030 --> 00:15:05,920

if but at least this guy is honest and

356

00:15:11,269 --> 00:15:07,040

he admitted that the

357

00:15:14,470 --> 00:15:11,279

the uh you know the sources were vague

358

00:15:16,710 --> 00:15:14,480

and uh you know but

359

00:15:18,949 --> 00:15:16,720

then he goes and doubles back and says

360

00:15:19,750 --> 00:15:18,959

but his research coincides with another

361

00:15:21,590 --> 00:15:19,760

researcher

362

00:15:23,110 --> 00:15:21,600

with no proof so we've got two

363

00:15:25,910 --> 00:15:23,120

researchers with scan

364

00:15:26,470 --> 00:15:25,920

evidence telling us virtually the same

365

00:15:28,710 --> 00:15:26,480

story

366

00:15:29,829 --> 00:15:28,720

or similar stories about these stargates

367

00:15:34,949 --> 00:15:29,839

in iraq

368

00:15:38,230 --> 00:15:37,430

more leviton writes in his book stars on

369

00:15:39,670 --> 00:15:38,240

the earth

370

00:15:42,069 --> 00:15:39,680

that the euphrates served as a

371

00:15:45,749 --> 00:15:42,079

construction hub and that area

372

00:15:49,189 --> 00:15:48,389

he states that stargate's parts were

373

00:15:51,269 --> 00:15:49,199

brought there

374

00:15:53,829 --> 00:15:51,279

and assembled prior to being relocated

375

00:15:56,150 --> 00:15:53,839

to other parts of the

376

00:15:57,110 --> 00:15:56,160

well that's an interesting theory uh

377

00:15:59,350 --> 00:15:57,120

okay so there was

378

00:16:00,150 --> 00:15:59,360

some sort of stargate manufacturing

379

00:16:02,069 --> 00:16:00,160

facility

380

00:16:04,550 --> 00:16:02,079

where i suppose was it aliens brought

381

00:16:07,910 --> 00:16:04,560

the parts he didn't really specify who

382

00:16:11,350 --> 00:16:07,920

gave us the stargate parts but

383

00:16:14,470 --> 00:16:11,360

uh that's an interesting theory but

384

00:16:16,470 --> 00:16:14,480

again is there evidence of this is there

385

00:16:19,189 --> 00:16:16,480

physical evidence of this scientific

386

00:16:28,949 --> 00:16:19,199

evidence archaeological evidence of this

387

00:16:31,990 --> 00:16:30,550

while others talk about stargates

388

00:16:34,870 --> 00:16:32,000

existing in places

389

00:16:36,069 --> 00:16:34,880

as far flung and diverse as india and

390

00:16:39,829 --> 00:16:36,079

the gopi desert

391

00:16:42,230 --> 00:16:39,839

to egypt and parts of latin america

392

00:16:43,590 --> 00:16:42,240

yeah i'm i'm sure that all the pyramid

393

00:16:46,949 --> 00:16:43,600

sites have been mentioned

394

00:16:47,910 --> 00:16:46,959

as possible places with stargates and

395

00:16:51,269 --> 00:16:47,920

here we're going to see

396

00:16:53,189 --> 00:16:51,279

a quick clip from the movie star gate

397

00:16:54,629 --> 00:16:53,199

which i remember so well as being a

398

00:16:59,189 --> 00:16:54,639

pretty good movie

399

00:17:01,350 --> 00:16:59,199

uh and i guess it sort of tied in all

400

00:17:05,429 --> 00:17:01,360

this ancient aliens and

401

00:17:09,110 --> 00:17:05,439

aliens in ancient egypt

402

00:17:12,069 --> 00:17:09,120

so like like a lot of good science

403

00:17:14,470 --> 00:17:12,079

fiction they mix in some historical

404

00:17:16,230 --> 00:17:14,480

significance to make it even more

405

00:17:22,750 --> 00:17:16,240

appealing and more

406

00:17:27,110 --> 00:17:24,710

[Music]

407

00:17:28,470 --> 00:17:27,120

of course critics and skeptics can

408

00:17:30,950 --> 00:17:28,480

rightly point out

409

00:17:32,789 --> 00:17:30,960

that the existence of stargates in iraq

410

00:17:34,310 --> 00:17:32,799

or anywhere else in the world

411

00:17:36,549 --> 00:17:34,320

is just the application of science

412

00:17:40,070 --> 00:17:36,559

fiction and non-science facts

413

00:17:42,950 --> 00:17:40,080

overlaid on real ancient europe history

414

00:17:45,190 --> 00:17:42,960

therefore it is our opinion that the use

415

00:17:46,950 --> 00:17:45,200

of sci-fi terms as part of an argument

416

00:17:49,350 --> 00:17:46,960

for the existence of real-life

417

00:17:50,630 --> 00:17:49,360

objects that goes beyond scientific

418

00:17:52,710 --> 00:17:50,640

understanding

419

00:17:54,950 --> 00:17:52,720

is self-defeating yeah and i would agree

420

00:17:57,029 --> 00:17:54,960

with them and further

421

00:17:58,390 --> 00:17:57,039

these authors that he's citing as

422

00:18:02,390 --> 00:17:58,400

sources

423

00:18:04,710 --> 00:18:02,400

their story uh is after

424

00:18:07,029 --> 00:18:04,720

the movie star gate came out which i

425

00:18:09,110 --> 00:18:07,039

find a little bit convenient

426
00:18:11,270 --> 00:18:09,120
um they didn't know about the stargates

427
00:18:14,630 --> 00:18:11,280
in iraq before the movie the hollywood

428
00:18:19,590 --> 00:18:14,640
movie stargate popularized stargates

429
00:18:23,590 --> 00:18:22,150
skeptics like jason colavito make

430
00:18:25,190 --> 00:18:23,600
compelling arguments

431
00:18:26,870 --> 00:18:25,200
that question the integrity of the

432
00:18:29,430 --> 00:18:26,880
existence of such machines

433
00:18:30,950 --> 00:18:29,440
because of his kind of language he notes

434
00:18:32,549 --> 00:18:30,960
that the term stargate

435
00:18:34,230 --> 00:18:32,559
has been used occasionally throughout

436
00:18:36,230 --> 00:18:34,240
fantasy fiction

437
00:18:38,230 --> 00:18:36,240
even before occasionally it's really

438
00:18:41,190 --> 00:18:38,240

been used almost exclusively

439

00:18:42,230 --> 00:18:41,200

throughout fantasy fiction just my

440

00:18:46,390 --> 00:18:42,240

observation or

441

00:18:49,830 --> 00:18:46,400

my interpretation i could be wrong

442

00:18:52,150 --> 00:18:49,840

i i don't see uh the term stargate used

443

00:18:54,870 --> 00:18:52,160

in serious scientific papers

444

00:18:56,070 --> 00:18:54,880

uh very much i'm sure they are they have

445

00:19:01,510 --> 00:18:56,080

been used occasionally

446

00:19:04,630 --> 00:19:01,520

when people are talking about things

447

00:19:07,909 --> 00:19:04,640

like the einstein rosen bridge

448

00:19:12,310 --> 00:19:07,919

and uh singularities in space

449

00:19:15,909 --> 00:19:12,320

and other terms the 1994 roland emerge

450

00:19:19,750 --> 00:19:15,919

movie of the same name made it popular

451

00:19:26,230 --> 00:19:22,789

a space odyssey in 1968.

452

00:19:28,630 --> 00:19:26,240

andre norton's 1958 novel stargate

453

00:19:30,950 --> 00:19:28,640

includes a similar portal and may have

454

00:19:31,430 --> 00:19:30,960

well been inspired by h.p lovecraft's

455

00:19:33,270 --> 00:19:31,440

idea

456

00:19:35,190 --> 00:19:33,280

that high-end mathematics and

457

00:19:37,110 --> 00:19:35,200

non-euclidean physics

458

00:19:39,350 --> 00:19:37,120

could give access to hyperspace in the

459

00:19:41,590 --> 00:19:39,360

novel the dreams in the witch house

460

00:19:43,510 --> 00:19:41,600

yeah and i remember uh having a really

461

00:19:44,950 --> 00:19:43,520

big phase of hp lovecraft and hp

462

00:19:48,549 --> 00:19:44,960

lovecraft definitely mentioned

463

00:19:51,430 --> 00:19:48,559

some form of gates that could be

464

00:19:53,430 --> 00:19:51,440

used to open portals to other worlds

465

00:19:55,830 --> 00:19:53,440

portals to other dimensions

466

00:19:57,990 --> 00:19:55,840

and this is where a lot of the trouble

467

00:20:00,950 --> 00:19:58,000

starts in some hp lovecraft novel

468

00:20:04,830 --> 00:20:00,960

somebody will open a gate or a portal

469

00:20:07,350 --> 00:20:04,840

and then the monsters come through

470

00:20:10,549 --> 00:20:07,360

basically

471

00:20:11,270 --> 00:20:10,559

yet because this kind of technology is

472

00:20:13,669 --> 00:20:11,280

ever present

473

00:20:15,510 --> 00:20:13,679

in modern entertainment that does not

474

00:20:17,669 --> 00:20:15,520

mean it does not exist

475

00:20:18,789 --> 00:20:17,679

while the theories put out by theorist

476

00:20:20,710 --> 00:20:18,799

researchers

477

00:20:22,789 --> 00:20:20,720

such as veg and leviton is highly

478

00:20:25,669 --> 00:20:22,799

speculative at best

479

00:20:27,590 --> 00:20:25,679

there is no smoke without fire as we

480

00:20:29,590 --> 00:20:27,600

have shown in previous episodes

481

00:20:30,789 --> 00:20:29,600

it seems very likely that our ancient

482

00:20:33,270 --> 00:20:30,799

ancestors

483

00:20:35,510 --> 00:20:33,280

were more technologically advanced the

484

00:20:37,430 --> 00:20:35,520

mainstream science makes them out to me

485

00:20:38,870 --> 00:20:37,440

yeah we hear this argument time and time

486

00:20:42,310 --> 00:20:38,880

again that there was

487

00:20:45,990 --> 00:20:42,320

maybe another age of technology and then

488

00:20:49,750 --> 00:20:46,000

you know uh the flood happened or some

489

00:20:52,789 --> 00:20:49,760

major global catastrophe happened

490

00:20:56,390 --> 00:20:52,799

and that knowledge was lost to humanity

491

00:20:58,149 --> 00:20:56,400

um it's a compelling argument

492

00:21:00,310 --> 00:20:58,159

and there's if you look for that

493

00:21:00,950 --> 00:21:00,320

evidence of that you you just may find

494

00:21:04,230 --> 00:21:00,960

it

495

00:21:05,830 --> 00:21:04,240

but i find that most people sort of

496

00:21:07,909 --> 00:21:05,840

already made up their mind and then they

497

00:21:09,750 --> 00:21:07,919

just go looking for evidence that will

498

00:21:11,110 --> 00:21:09,760

support their arguments rather than the

499

00:21:12,710 --> 00:21:11,120

other way around but at least this

500

00:21:16,470 --> 00:21:12,720

gentleman is being honest about

501
00:21:18,230 --> 00:21:16,480
the the scant evidence and presenting

502
00:21:19,830 --> 00:21:18,240
part of the skeptic side which is

503
00:21:21,590 --> 00:21:19,840
admirable

504
00:21:23,830 --> 00:21:21,600
most of the wu salesmen that are going

505
00:21:25,750 --> 00:21:23,840
to sell you stories of stargates are not

506
00:21:27,990 --> 00:21:25,760
going to do that and acknowledge the

507
00:21:31,190 --> 00:21:28,000
problems with these

508
00:21:34,549 --> 00:21:31,200
i would call these theories uh

509
00:21:42,390 --> 00:21:34,559
more than anything be that with them

510
00:21:48,909 --> 00:21:45,110
caution that bar gates are re retention

511
00:21:48,919 --> 00:21:51,990
device

512
00:22:06,390 --> 00:21:58,630
hold on friends

513
00:22:11,510 --> 00:22:09,510

okay well friends let's

514

00:22:13,430 --> 00:22:11,520

share this again i'm again going to cite

515

00:22:14,549 --> 00:22:13,440

fair use we're educating the public this

516

00:22:17,190 --> 00:22:14,559

is fair use

517

00:22:17,990 --> 00:22:17,200

we're stopping this video every so often

518

00:22:21,190 --> 00:22:18,000

to

519

00:22:23,029 --> 00:22:21,200

critique and discuss this

520

00:22:24,870 --> 00:22:23,039

is fair use we're educating the public

521

00:22:26,789 --> 00:22:24,880

about iraq stargate

522

00:22:29,029 --> 00:22:26,799

and citing fair use while using this

523

00:22:32,950 --> 00:22:29,039

video in our presentation

524

00:22:37,990 --> 00:22:35,270

there we go like the 49 other devices

525

00:22:40,149 --> 00:22:38,000

allegedly scattered across the country

526

00:22:42,789 --> 00:22:40,159

this one is rumored to be nearly fully

527

00:22:45,270 --> 00:22:42,799

functional and operational

528

00:22:45,990 --> 00:22:45,280

so they've got apparently the story is

529

00:22:49,110 --> 00:22:46,000

that there's

530

00:22:51,750 --> 00:22:49,120

50 of these stargates in various

531

00:22:52,830 --> 00:22:51,760

levels of disrepair but there is one

532

00:22:55,830 --> 00:22:52,840

that is

533

00:22:57,990 --> 00:22:55,840

functional the green zone was a heavily

534

00:23:00,710 --> 00:22:58,000

guarded diplomatic government area

535

00:23:01,430 --> 00:23:00,720

of closed off streets in central baghdad

536

00:23:03,750 --> 00:23:01,440

where u.s

537

00:23:04,870 --> 00:23:03,760

occupation authorities used to live and

538

00:23:07,190 --> 00:23:04,880

work

539

00:23:08,070 --> 00:23:07,200

shortly after the u.s led inclusion to

540

00:23:10,870 --> 00:23:08,080

iraq began

541

00:23:12,549 --> 00:23:10,880

in the early 2000s a paper written by

542

00:23:16,789 --> 00:23:12,559

political scientist

543

00:23:19,909 --> 00:23:16,799

dr michael sulla oh oh

544

00:23:21,430 --> 00:23:19,919

now we get to see the origins of some of

545

00:23:24,070 --> 00:23:21,440

this

546

00:23:26,390 --> 00:23:24,080

some of these stories and it is none

547

00:23:27,350 --> 00:23:26,400

other than michael sala who is about as

548

00:23:29,669 --> 00:23:27,360

trustworthy

549

00:23:31,750 --> 00:23:29,679

as the national enquirer or the world

550

00:23:35,350 --> 00:23:31,760

weekly news or any other

551
00:23:39,029 --> 00:23:35,360
rag selling [\h__\h] newspaper

552
00:23:41,590 --> 00:23:39,039
uh this man is by no means a researcher

553
00:23:43,190 --> 00:23:41,600
he is by no they call him a doctor but i

554
00:23:45,909 --> 00:23:43,200
think that his doctorate is

555
00:23:47,110 --> 00:23:45,919
is in something stupid like nutrition

556
00:23:49,990 --> 00:23:47,120
somehow

557
00:23:52,870 --> 00:23:50,000
uh he certainly is not to me a learned

558
00:23:56,149 --> 00:23:52,880
or educated man because he

559
00:23:56,870 --> 00:23:56,159
there's no story about aliens or ufos

560
00:24:00,310 --> 00:23:56,880
that he won't

561
00:24:03,430 --> 00:24:00,320
sell no matter how scant and

562
00:24:03,830 --> 00:24:03,440
you know non-existent the evidence for

563
00:24:05,750 --> 00:24:03,840

it is

564

00:24:07,269 --> 00:24:05,760

after all he's a big supporter of one

565

00:24:10,549 --> 00:24:07,279

corey good

566

00:24:12,710 --> 00:24:10,559

the secret astronaut who has spaceships

567

00:24:14,230 --> 00:24:12,720

landing in his backyard and taking him

568

00:24:16,630 --> 00:24:14,240

to a moon base

569

00:24:18,470 --> 00:24:16,640

so some of these stories about iraq

570

00:24:22,230 --> 00:24:18,480

stargates come from

571

00:24:23,269 --> 00:24:22,240

this dumbass uh that turns me off

572

00:24:25,909 --> 00:24:23,279

immediately

573

00:24:27,909 --> 00:24:25,919

uh to this whole theory now if you see

574

00:24:28,950 --> 00:24:27,919

that this guy's involved in trying to

575

00:24:32,149 --> 00:24:28,960

sell this

576

00:24:35,269 --> 00:24:32,159

huckster this [h__h] was published on

577

00:24:38,470 --> 00:24:35,279

expo politics.org yeah

578

00:24:41,510 --> 00:24:38,480

that's his own website so he publishes

579

00:24:43,590 --> 00:24:41,520

a blog uh on his own website

580

00:24:45,350 --> 00:24:43,600

it's not like the guy's like writing for

581

00:24:47,269 --> 00:24:45,360

the new york times and has any

582

00:24:49,430 --> 00:24:47,279

credibility

583

00:24:51,110 --> 00:24:49,440

proposed a theory that the whole region

584

00:24:54,310 --> 00:24:51,120

comprising of iraq

585

00:24:56,149 --> 00:24:54,320

iran and afghanistan is a vast energy

586

00:24:58,470 --> 00:24:56,159

port

587

00:25:00,470 --> 00:24:58,480

that was traditional as the home base

588

00:25:01,190 --> 00:25:00,480

for extraterrestrials known as the

589

00:25:03,590 --> 00:25:01,200

anunnaki

590

00:25:04,950 --> 00:25:03,600

during the sumerian era okay so we

591

00:25:07,029 --> 00:25:04,960

proposed a theory

592

00:25:09,909 --> 00:25:07,039

uh is there proof of that theory or is

593

00:25:11,269 --> 00:25:09,919

he just speculating wildly

594

00:25:13,029 --> 00:25:11,279

we have covered the anunnaki

595

00:25:15,029 --> 00:25:13,039

significantly in previous episodes

596

00:25:17,029 --> 00:25:15,039

oh so he didn't present any evidence

597

00:25:21,029 --> 00:25:17,039

from michael salad support this

598

00:25:22,710 --> 00:25:21,039

that those claims that he's making so

599

00:25:24,549 --> 00:25:22,720

i'm going to go out on a limb here i

600

00:25:25,830 --> 00:25:24,559

haven't read the article we can

601
00:25:27,669 --> 00:25:25,840
but i'm going to go ahead on a limb here

602
00:25:30,870 --> 00:25:27,679
and say that michael sala has

603
00:25:34,630 --> 00:25:30,880
zero proof of any of this [h__h]

604
00:25:36,950 --> 00:25:34,640
zero proof zero evidence

605
00:25:37,909 --> 00:25:36,960
zero scientific evidence zero

606
00:25:42,710 --> 00:25:37,919
archaeological

607
00:25:44,630 --> 00:25:42,720
evidence so he's just making [h__h] up

608
00:25:47,830 --> 00:25:44,640
basically

609
00:25:48,789 --> 00:25:47,840
uh probably after watching too many

610
00:25:52,310 --> 00:25:48,799
episodes of

611
00:25:53,510 --> 00:25:52,320
stardate sg1 right why do so many of

612
00:25:57,830 --> 00:25:53,520
these ufo con

613
00:26:01,269 --> 00:25:57,840

artists grifter secret space astro not

614

00:26:03,510 --> 00:26:01,279

[h__\h] all steel from science fiction

615

00:26:05,430 --> 00:26:03,520

movies

616

00:26:07,669 --> 00:26:05,440

links to those episodes can be found in

617

00:26:09,830 --> 00:26:07,679

the description box below

618

00:26:11,510 --> 00:26:09,840

like many archaeological discoveries in

619

00:26:13,909 --> 00:26:11,520

this corner of the middle east

620

00:26:16,230 --> 00:26:13,919

the stargate was rumored to be a relic

621

00:26:20,070 --> 00:26:16,240

from the ancient sumerian civilization

622

00:26:22,630 --> 00:26:20,080

circa 1500 bc the gate was allegedly

623

00:26:23,350 --> 00:26:22,640

discovered in 1923 within the ancient

624

00:26:26,470 --> 00:26:23,360

structure

625

00:26:29,909 --> 00:26:26,480

known as ziggurat

626
00:26:31,029 --> 00:26:29,919
yeah i mean okay so we know where that

627
00:26:32,549 --> 00:26:31,039
building is

628
00:26:34,950 --> 00:26:32,559
can somebody go and take pictures of the

629
00:26:35,909 --> 00:26:34,960
stargate can somebody go and turn it on

630
00:26:39,510 --> 00:26:35,919
and show us

631
00:26:41,190 --> 00:26:39,520
some aliens you know part of the problem

632
00:26:43,430 --> 00:26:41,200
that i have with some of these

633
00:26:44,789 --> 00:26:43,440
people is that they state things like a

634
00:26:46,950 --> 00:26:44,799
fact well he did say

635
00:26:48,230 --> 00:26:46,960
rumored to have been you know some of

636
00:26:49,669 --> 00:26:48,240
these guys are very careful with

637
00:26:52,870 --> 00:26:49,679
language like this gentleman

638
00:26:53,990 --> 00:26:52,880

rumored to have been allegedly the site

639

00:26:56,950 --> 00:26:54,000

of

640

00:26:58,870 --> 00:26:56,960

um okay but i'd like to see some

641

00:27:00,470 --> 00:26:58,880

evidence of this if you know where it is

642

00:27:03,190 --> 00:27:00,480

go take some pictures

643

00:27:04,710 --> 00:27:03,200

make a video of the stargate getting

644

00:27:07,669 --> 00:27:04,720

cranked on and

645

00:27:09,669 --> 00:27:07,679

you know make a video of you popping

646

00:27:11,750 --> 00:27:09,679

through the story gate to an alien world

647

00:27:14,310 --> 00:27:11,760

or another dimension and

648

00:27:14,950 --> 00:27:14,320

upload that in your video but we never

649

00:27:19,110 --> 00:27:14,960

get that

650

00:27:21,909 --> 00:27:19,120

of berdet

651
00:27:23,909 --> 00:27:21,919
by sir charles leonard wooley a british

652
00:27:25,750 --> 00:27:23,919
archaeologist

653
00:27:27,669 --> 00:27:25,760
what happened in years following woolly's

654
00:27:29,909 --> 00:27:27,679
discovery is vague

655
00:27:31,750 --> 00:27:29,919
as the alleged artifact was kept hidden

656
00:27:34,070 --> 00:27:31,760
from public record

657
00:27:34,950 --> 00:27:34,080
but it is believed that over the past 80

658
00:27:37,029 --> 00:27:34,960
years

659
00:27:37,990 --> 00:27:37,039
western foreign policy and intervention

660
00:27:40,870 --> 00:27:38,000
in the region

661
00:27:42,470 --> 00:27:40,880
from world war ii to present day were

662
00:27:44,389 --> 00:27:42,480
driven by a goal to obtain this

663
00:27:46,950 --> 00:27:44,399

technology

664

00:27:47,590 --> 00:27:46,960

yeah and so that is the theory that

665

00:27:49,510 --> 00:27:47,600

there's

666

00:27:52,070 --> 00:27:49,520

the stargate in iraq and all these

667

00:27:55,350 --> 00:27:52,080

people are trying to war and invade iraq

668

00:27:57,350 --> 00:27:55,360

to get the stargate technology

669

00:27:59,110 --> 00:27:57,360

and i gotta say if the united states

670

00:28:00,630 --> 00:27:59,120

knew there was stargate technology and

671

00:28:02,950 --> 00:28:00,640

what was it like what was the oldest

672

00:28:03,750 --> 00:28:02,960

date he mentioned here like 1930

673

00:28:06,070 --> 00:28:03,760

something

674

00:28:08,630 --> 00:28:06,080

we would have went in and taken it we

675

00:28:09,990 --> 00:28:08,640

wouldn't have waited till the gulf war

676

00:28:12,710 --> 00:28:10,000

but that's just my opinion in

677

00:28:14,310 --> 00:28:12,720

speculation how successful that goal was

678

00:28:16,389 --> 00:28:14,320

will be discussed in the forthcoming

679

00:28:18,470 --> 00:28:16,399

future length episode where we will

680

00:28:21,029 --> 00:28:18,480

perform a hypothetical deep dive

681

00:28:22,070 --> 00:28:21,039

into ancient iraqi history an attempt to

682

00:28:24,870 --> 00:28:22,080

piece together

683

00:28:25,990 --> 00:28:24,880

a modern mystery that involves iran

684

00:28:28,950 --> 00:28:26,000

egypt

685

00:28:30,149 --> 00:28:28,960

russia and the united states and how

686

00:28:31,830 --> 00:28:30,159

these nations

687

00:28:34,230 --> 00:28:31,840

are applying real world quantum

688

00:28:35,990 --> 00:28:34,240

mechanics in a manner that is not only

689

00:28:37,029 --> 00:28:36,000

influencing the present and the future

690

00:28:40,710 --> 00:28:37,039

of the middle east

691

00:28:45,190 --> 00:28:40,720

but also changing its past yeah okay

692

00:28:48,310 --> 00:28:45,200

uh so russia iran

693

00:28:50,389 --> 00:28:48,320

and the united states are experimenting

694

00:28:52,310 --> 00:28:50,399

with quantum technology to change the

695

00:28:55,269 --> 00:28:52,320

past

696

00:28:56,470 --> 00:28:55,279

this is another huge claim uh with scan

697

00:29:00,870 --> 00:28:56,480

or no evidence

698

00:29:03,990 --> 00:29:02,870

thanks for watching if you haven't

699

00:29:06,789 --> 00:29:04,000

already subscribed

700

00:29:08,070 --> 00:29:06,799

please do consider okay friends so

701
00:29:09,029 --> 00:29:08,080
that's good we're going to pop out of

702
00:29:10,870 --> 00:29:09,039
that i want to thank

703
00:29:12,070 --> 00:29:10,880
this gentleman though from the history

704
00:29:14,549 --> 00:29:12,080
uh from the

705
00:29:16,310 --> 00:29:14,559
mysterious middle east channel because

706
00:29:18,389 --> 00:29:16,320
this is a i thought this was a

707
00:29:20,389 --> 00:29:18,399
well put together excellent explanation

708
00:29:24,149 --> 00:29:20,399
of the whole

709
00:29:25,430 --> 00:29:24,159
story of there being star gates in iraq

710
00:29:27,190 --> 00:29:25,440
there's one other source which i would

711
00:29:30,230 --> 00:29:27,200
like to share

712
00:29:33,990 --> 00:29:30,240
and this is a vice article actually

713
00:29:36,630 --> 00:29:34,000

uh let's see this is a vice article boy

714

00:29:38,230 --> 00:29:36,640

mac boy i hate when there's a french

715

00:29:45,590 --> 00:29:38,240

name

716

00:29:48,870 --> 00:29:45,600

lemure i think uh l-a-m-o-u-r-e-u-x

717

00:29:51,669 --> 00:29:48,880

uh i'm i'm uh

718

00:29:53,510 --> 00:29:51,679

apologizing to this person if i'm

719

00:29:56,070 --> 00:29:53,520

mispronouncing that

720

00:29:57,430 --> 00:29:56,080

but uh we're going to cite fair use and

721

00:30:01,590 --> 00:29:57,440

share this article

722

00:30:03,350 --> 00:30:01,600

which talks about this iraq

723

00:30:05,029 --> 00:30:03,360

it's entitled there are people who think

724

00:30:08,149 --> 00:30:05,039

we invaded iraq

725

00:30:11,269 --> 00:30:08,159

over a stargate kind of ridiculous

726

00:30:12,630 --> 00:30:11,279

but okay uh and it made it to a vice

727

00:30:15,630 --> 00:30:12,640

article

728

00:30:17,029 --> 00:30:15,640

and vice it does cover a lot of

729

00:30:18,630 --> 00:30:17,039

conspiracies

730

00:30:23,110 --> 00:30:18,640

usually from a little more skeptical

731

00:30:25,110 --> 00:30:23,120

viewpoint though

732

00:30:27,110 --> 00:30:25,120

okay so there have been many tales told

733

00:30:28,070 --> 00:30:27,120

over why america and its gang of bros

734

00:30:30,389 --> 00:30:28,080

invaded iraq

735

00:30:32,070 --> 00:30:30,399

weapons of mass destruction oil to show

736

00:30:32,630 --> 00:30:32,080

the world how big and righteous their

737

00:30:35,110 --> 00:30:32,640

dick is

738

00:30:35,990 --> 00:30:35,120

forget all that the reason is stargates

739

00:30:38,710 --> 00:30:36,000

yup

740

00:30:39,110 --> 00:30:38,720

stargates seriously this theory is

741

00:30:41,029 --> 00:30:39,120

actually

742

00:30:43,269 --> 00:30:41,039

impressively popular and has inspired

743

00:30:45,190 --> 00:30:43,279

numerous articles and shitty youtube

744

00:30:47,669 --> 00:30:45,200

video after shitty youtube video

745

00:30:48,630 --> 00:30:47,679

garnering hundreds and thousands of

746

00:30:50,389 --> 00:30:48,640

views

747

00:30:51,990 --> 00:30:50,399

how it even once got the history channel

748

00:30:54,710 --> 00:30:52,000

treatment and that's because it was on

749

00:30:56,230 --> 00:30:54,720

ancient aliens

750

00:30:57,990 --> 00:30:56,240

for those of you not in the know

751

00:30:59,830 --> 00:30:58,000

according to hollywood stargates are

752

00:31:01,190 --> 00:30:59,840

ancient alien devices that can allow any

753

00:31:03,110 --> 00:31:01,200

user to teleport

754

00:31:04,950 --> 00:31:03,120

instantaneously to another gate no

755

00:31:05,350 --> 00:31:04,960

matter the distance which when you think

756

00:31:09,430 --> 00:31:05,360

of it

757

00:31:11,509 --> 00:31:09,440

is super duper cool and for you guys

758

00:31:13,190 --> 00:31:11,519

tapping away in facebook comments asking

759

00:31:15,430 --> 00:31:13,200

why are you writing about this well

760

00:31:18,710 --> 00:31:15,440

firstly i consider myself a bit of

761

00:31:19,269 --> 00:31:18,720

a and historian of weird internet

762

00:31:21,029 --> 00:31:19,279

thingies

763

00:31:22,630 --> 00:31:21,039

and secondly i'm here to serve the

764

00:31:24,230 --> 00:31:22,640

people anywho

765

00:31:25,990 --> 00:31:24,240

since we know that america's new

766

00:31:27,350 --> 00:31:26,000

glorious head of state loves himself a

767

00:31:29,909 --> 00:31:27,360

good conspiracy theory

768

00:31:30,710 --> 00:31:29,919

eg global warming chinese hoax and

769

00:31:33,029 --> 00:31:30,720

infowars

770

00:31:34,070 --> 00:31:33,039

is news it's worth taking a peek at some

771

00:31:36,070 --> 00:31:34,080

of the more prominent

772

00:31:39,669 --> 00:31:36,080

alternative facts floating around the

773

00:31:42,710 --> 00:31:41,190

okay so we're going to skip around a

774

00:31:44,149 --> 00:31:42,720

little bit

775

00:31:45,750 --> 00:31:44,159

okay so to begin we're going to need to

776

00:31:47,269 --> 00:31:45,760

go way back in time

777

00:31:48,789 --> 00:31:47,279

and talk about the sumerians who lived

778

00:31:50,230 --> 00:31:48,799

in ancient mesopotamia

779

00:31:52,389 --> 00:31:50,240

an area that covers a portion of

780

00:31:54,389 --> 00:31:52,399

modern-day iraq the sumerians were one

781

00:31:55,909 --> 00:31:54,399

of the first civilizations in existence

782

00:31:57,430 --> 00:31:55,919

around 3000 bc

783

00:31:59,909 --> 00:31:57,440

actually i think it's earlier than that

784

00:32:02,789 --> 00:31:59,919

but okay and for a time worship the

785

00:32:04,310 --> 00:32:02,799

anunnaki their deities

786

00:32:06,789 --> 00:32:04,320

but what if they weren't gods what if

787

00:32:08,389 --> 00:32:06,799

they were aliens cute dramatic music and

788

00:32:09,269 --> 00:32:08,399

the meme of the stone dude with the

789

00:32:12,470 --> 00:32:09,279

weird hair

790

00:32:14,310 --> 00:32:12,480

oh georgie look at that guy's hair

791

00:32:18,950 --> 00:32:14,320

and the famous meme of course i'm not

792

00:32:23,029 --> 00:32:20,710

remember that guy he was like all the

793

00:32:24,870 --> 00:32:23,039

rage a few just a few years ago

794

00:32:26,630 --> 00:32:24,880

so without getting too deep in the marsh

795

00:32:27,990 --> 00:32:26,640

i don't want the true believers to get

796

00:32:29,830 --> 00:32:28,000

mad at me the theory which

797

00:32:32,230 --> 00:32:29,840

comes from writers like zacharias

798

00:32:34,149 --> 00:32:32,240

sitchin posits the annunaki were not

799

00:32:36,310 --> 00:32:34,159

gods but extraterrestrials that came and

800

00:32:37,830 --> 00:32:36,320

bestowed technology upon the sumerians

801
00:32:39,750 --> 00:32:37,840
this tech is what we

802
00:32:41,750 --> 00:32:39,760
what made their society so advanced at

803
00:32:43,990 --> 00:32:41,760
the time

804
00:32:45,830 --> 00:32:44,000
okay so following along so far here's

805
00:32:48,549 --> 00:32:45,840
where it starts to get crazy

806
00:32:50,389 --> 00:32:48,559
essentially the iraq war stargate theory

807
00:32:51,830 --> 00:32:50,399
pushes and narrows this idea

808
00:32:53,509 --> 00:32:51,840
a little further saying one of the

809
00:32:55,590 --> 00:32:53,519
technologies that were gifted upon the

810
00:32:57,509 --> 00:32:55,600
sumerians were stargates and

811
00:32:59,590 --> 00:32:57,519
their positioning was one of the major

812
00:33:01,909 --> 00:32:59,600
reasons for the years of strife in the

813
00:33:04,710 --> 00:33:01,919

middle east

814

00:33:06,149 --> 00:33:04,720

i reached out to dr michael sala who

815

00:33:09,669 --> 00:33:06,159

wrote an in-depth article about the

816

00:33:12,789 --> 00:33:09,679

theory way back in 2003

817

00:33:15,909 --> 00:33:12,799

to learn about it further

818

00:33:18,149 --> 00:33:15,919

okay before we get to okay it's kind of

819

00:33:19,269 --> 00:33:18,159

like an instantaneous space-time means

820

00:33:21,350 --> 00:33:19,279

of travel where people are

821

00:33:21,990 --> 00:33:21,360

instantaneously teleported from one area

822

00:33:25,269 --> 00:33:22,000

to another

823

00:33:28,389 --> 00:33:25,279

said salla yep super cool

824

00:33:31,430 --> 00:33:28,399

so the stargate is apparently found near

825

00:33:37,269 --> 00:33:35,029

the syria a city about 370 kilometers

826

00:33:39,029 --> 00:33:37,279

southeast of baghdad in the ancient city

827

00:33:40,950 --> 00:33:39,039

of ur within that city is the great

828

00:33:43,750 --> 00:33:40,960

ziggurat a massive temple

829

00:33:45,350 --> 00:33:43,760

which had a you guessed it stargate some

830

00:33:47,830 --> 00:33:45,360

theories also argue that there is a

831

00:33:50,230 --> 00:33:47,840

stargate directly in the city of baghdad

832

00:33:52,070 --> 00:33:50,240

in one of the basements of hussein's

833

00:33:54,630 --> 00:33:52,080

palaces so saddam hussein

834

00:33:56,310 --> 00:33:54,640

had a stargate in his basement of his

835

00:33:58,070 --> 00:33:56,320

palace

836

00:34:00,149 --> 00:33:58,080

uh where he probably did some pretty

837

00:34:01,590 --> 00:34:00,159

freaky stuff with it

838

00:34:03,269 --> 00:34:01,600

while the location and number of the

839

00:34:05,350 --> 00:34:03,279

stargates are in dispute

840

00:34:07,029 --> 00:34:05,360

one thing all theorists do agree on is

841

00:34:08,629 --> 00:34:07,039

that the iraq wars and the first time

842

00:34:10,149 --> 00:34:08,639

their foreign power showed interest in

843

00:34:13,190 --> 00:34:10,159

what sounds like a super sweet

844

00:34:15,270 --> 00:34:13,200

indiana jones fanfic the nazis were

845

00:34:17,190 --> 00:34:15,280

fighting the british

846

00:34:18,629 --> 00:34:17,200

world war ii over control of the

847

00:34:20,470 --> 00:34:18,639

stargate

848

00:34:22,069 --> 00:34:20,480

i fast forward several decades to some

849

00:34:23,669 --> 00:34:22,079

theorists of the 80s saddam started

850

00:34:27,030 --> 00:34:23,679

doing restoration to the temple

851
00:34:28,950 --> 00:34:27,040
wearing the world oddly theories don't

852
00:34:30,710 --> 00:34:28,960
really mention the first iraq war but

853
00:34:32,629 --> 00:34:30,720
after years of work hussein was either

854
00:34:34,389 --> 00:34:32,639
able to get the stargate working or

855
00:34:36,869 --> 00:34:34,399
learn something important from it and

856
00:34:39,909 --> 00:34:36,879
big daddy america got concerned

857
00:34:42,310 --> 00:34:39,919
the bush administration recognized that

858
00:34:44,149 --> 00:34:42,320
that hussein had some very very valuable

859
00:34:45,589 --> 00:34:44,159
relevant information concerning the

860
00:34:48,629 --> 00:34:45,599
ancient history of the planet

861
00:34:50,310 --> 00:34:48,639
satsawa either technology or text

862
00:34:52,069 --> 00:34:50,320
basically confirming

863
00:34:54,550 --> 00:34:52,079

and he was going to release it to the

864

00:34:56,069 --> 00:34:54,560

general public

865

00:34:58,069 --> 00:34:56,079

i think that was part of the reason why

866

00:34:59,270 --> 00:34:58,079

the bush administration went into iraq

867

00:35:01,190 --> 00:34:59,280

to stop hussein

868

00:35:04,069 --> 00:35:01,200

hussein from revealing this information

869

00:35:06,390 --> 00:35:04,079

and also to get control of it themselves

870

00:35:07,990 --> 00:35:06,400

so i want to tell me well he wasn't the

871

00:35:10,310 --> 00:35:08,000

first person to write about the theory

872

00:35:11,589 --> 00:35:10,320

he was the first to write in 2003 an

873

00:35:14,630 --> 00:35:11,599

in-depth article

874

00:35:16,310 --> 00:35:14,640

regarding it since that time he said

875

00:35:19,829 --> 00:35:16,320

numerous people have worked to further

876

00:35:21,990 --> 00:35:19,839

the idea and many whistleblowers

877

00:35:23,990 --> 00:35:22,000

many whistleblowers have come forward

878

00:35:26,630 --> 00:35:24,000

that have corroborated the theory

879

00:35:28,390 --> 00:35:26,640

where are their names addresses phone

880

00:35:29,349 --> 00:35:28,400

numbers come on michael salah you

881

00:35:32,470 --> 00:35:29,359

[h__\h]

882

00:35:34,069 --> 00:35:32,480

there's no whistleblowers you made this

883

00:35:36,470 --> 00:35:34,079

[h__\h] up

884

00:35:37,990 --> 00:35:36,480

that's my theory that's my speculation

885

00:35:38,790 --> 00:35:38,000

and i'm free to make it based on the

886

00:35:41,510 --> 00:35:38,800

fact that

887

00:35:43,750 --> 00:35:41,520

you're [h__\h] stupid enough to believe

888

00:35:47,349 --> 00:35:43,760

corey goode is also a whistleblower

889

00:35:49,349 --> 00:35:47,359

you dumbass oh man the [h__h] is so

890

00:35:50,950 --> 00:35:49,359

thick in this you need waiters friends

891

00:35:51,910 --> 00:35:50,960

to get i need waiters to get through

892

00:35:53,349 --> 00:35:51,920

this

893

00:35:54,710 --> 00:35:53,359

essentially more and more people are

894

00:35:56,550 --> 00:35:54,720

coming forward saying that they have

895

00:35:58,390 --> 00:35:56,560

been involved in these classified

896

00:36:00,069 --> 00:35:58,400

programs where these technologies are

897

00:36:02,710 --> 00:36:00,079

used quite regularly and they're

898

00:36:03,910 --> 00:36:02,720

found all over the planet iraq is just

899

00:36:06,950 --> 00:36:03,920

one place they're found

900

00:36:09,589 --> 00:36:06,960

said salah so

901
00:36:11,589 --> 00:36:09,599
the major originator of this whole

902
00:36:15,030 --> 00:36:11,599
conspiracy theory is michael sala

903
00:36:17,109 --> 00:36:15,040
a dumbass okay

904
00:36:19,030 --> 00:36:17,119
they are also located in places like

905
00:36:20,630 --> 00:36:19,040
iran and syria

906
00:36:22,390 --> 00:36:20,640
which is why there is a push for

907
00:36:24,630 --> 00:36:22,400
americans to go into iran

908
00:36:26,150 --> 00:36:24,640
and intervene in the syrian civil war

909
00:36:28,230 --> 00:36:26,160
all this is very significant

910
00:36:29,510 --> 00:36:28,240
in what drives international conflict

911
00:36:31,190 --> 00:36:29,520
yeah

912
00:36:32,790 --> 00:36:31,200
what's driving international conflict

913
00:36:36,150 --> 00:36:32,800

according to michael sala is

914

00:36:39,349 --> 00:36:36,160
stargates not anything else not

915

00:36:43,109 --> 00:36:39,359
you know politics religion

916

00:36:44,069 --> 00:36:43,119
resources oil no it's not any of those

917

00:36:47,109 --> 00:36:44,079
things it's

918

00:36:48,870 --> 00:36:47,119
over stargates as for why

919

00:36:50,790 --> 00:36:48,880
the everyday person doesn't know about

920

00:36:52,550 --> 00:36:50,800
this well the government is super good

921

00:36:54,310 --> 00:36:52,560
at keeping mom don't you know according

922

00:36:55,750 --> 00:36:54,320
to salah anyone looking into it is

923

00:36:57,109 --> 00:36:55,760
either discredited by character

924

00:37:00,390 --> 00:36:57,119
assassination or just

925

00:37:02,150 --> 00:37:00,400
straight up told to keep quiet any

926
00:37:03,829 --> 00:37:02,160
congressman who wants to investigate

927
00:37:05,750 --> 00:37:03,839
this topic if they take the steps to

928
00:37:07,589 --> 00:37:05,760
actually investigate it they are quietly

929
00:37:08,870 --> 00:37:07,599
approached and given the old carrot and

930
00:37:12,069 --> 00:37:08,880
stick treatment

931
00:37:14,310 --> 00:37:12,079
and most congressmen accepted except the

932
00:37:15,829 --> 00:37:14,320
carrot and are basically promoted

933
00:37:18,150 --> 00:37:15,839
okay can i talk to some of those

934
00:37:19,829 --> 00:37:18,160
congressmen or senators that you say

935
00:37:22,230 --> 00:37:19,839
that you're he's making all these

936
00:37:23,990 --> 00:37:22,240
statements as if they're facts

937
00:37:25,750 --> 00:37:24,000
and he doesn't have any facts he doesn't

938
00:37:27,109 --> 00:37:25,760

have any evidence of any of this [h__\h]

939

00:37:29,030 --> 00:37:27,119

that he's talking about

940

00:37:33,349 --> 00:37:29,040

because michael sala is a dumbass to

941

00:37:37,910 --> 00:37:36,069

there is hope the websites covering

942

00:37:39,829 --> 00:37:37,920

these theories are just a click away

943

00:37:41,589 --> 00:37:39,839

from infowars and it's not too hard to

944

00:37:43,589 --> 00:37:41,599

imagine president trump having one of

945

00:37:44,230 --> 00:37:43,599

his sleek and smooth underlings read it

946

00:37:46,790 --> 00:37:44,240

out to him

947

00:37:48,310 --> 00:37:46,800

for switching on ancient aliens like

948

00:37:50,069 --> 00:37:48,320

imagine him sitting there in his gold

949

00:37:52,390 --> 00:37:50,079

throne leaning forward like a hungry

950

00:37:55,109 --> 00:37:52,400

baby bird with ancient aliens

951
00:37:55,829 --> 00:37:55,119
reflecting in his eye nodding gravely

952
00:38:00,310 --> 00:37:55,839
along

953
00:38:02,069 --> 00:38:00,320
it's easy to see right so maybe

954
00:38:03,910 --> 00:38:02,079
trump's recent comments about how the

955
00:38:05,349 --> 00:38:03,920
u.s should have stolen iraq's oil and

956
00:38:07,190 --> 00:38:05,359
his statement of maybe we'll have

957
00:38:10,069 --> 00:38:07,200
another chance or actually about that

958
00:38:11,829 --> 00:38:10,079
sweet sweet teleportation tech

959
00:38:13,829 --> 00:38:11,839
maybe president trump will finally be

960
00:38:16,069 --> 00:38:13,839
the american leader to curl his tiny

961
00:38:20,069 --> 00:38:16,079
tiny fingers around the stargate

962
00:38:23,349 --> 00:38:20,079
and know the true powers of the universe

963
00:38:25,910 --> 00:38:23,359

yeah so having heard

964

00:38:26,550 --> 00:38:25,920

friends as soon as i heard that michael

965

00:38:29,109 --> 00:38:26,560

salah was

966

00:38:29,910 --> 00:38:29,119

a major proponent of this story it led

967

00:38:32,630 --> 00:38:29,920

me down

968

00:38:34,630 --> 00:38:32,640

a very easy path to get to because

969

00:38:35,109 --> 00:38:34,640

nothing that michael sala ever talks

970

00:38:38,390 --> 00:38:35,119

about

971

00:38:40,230 --> 00:38:38,400

is accurate or true or factual

972

00:38:41,589 --> 00:38:40,240

he strings together different [h__\h]

973

00:38:44,950 --> 00:38:41,599

stories

974

00:38:47,510 --> 00:38:44,960

into some kind of he thinks a cohesive

975

00:38:49,270 --> 00:38:47,520

narrative but everything on every

976

00:38:52,069 --> 00:38:49,280

post this guy has ever written and

977

00:38:53,990 --> 00:38:52,079

people send me posts from him constantly

978

00:38:57,430 --> 00:38:54,000

if people know that you're into aliens

979

00:39:00,230 --> 00:38:57,440

or secret space programs or whatever

980

00:39:01,589 --> 00:39:00,240

ufos this guy writes a lot of crap so

981

00:39:03,750 --> 00:39:01,599

people will send me

982

00:39:04,950 --> 00:39:03,760

[h__\h] that he writes and i look at it and

983

00:39:07,190 --> 00:39:04,960

go

984

00:39:09,109 --> 00:39:07,200

how [h__\h] stupid is anybody to believe

985

00:39:11,109 --> 00:39:09,119

any of this stuff

986

00:39:13,030 --> 00:39:11,119

now i have to say in fairness that

987

00:39:14,470 --> 00:39:13,040

michael sala is not the only person

988

00:39:17,829 --> 00:39:14,480

that's pushing this theory

989

00:39:20,390 --> 00:39:17,839

or conspiracy story

990

00:39:21,589 --> 00:39:20,400

there are others including at least a

991

00:39:24,630 --> 00:39:21,599

few

992

00:39:26,470 --> 00:39:24,640

uh people that are into mysteries of the

993

00:39:29,750 --> 00:39:26,480

middle east

994

00:39:30,390 --> 00:39:29,760

and a few authors that are writing about

995

00:39:32,950 --> 00:39:30,400

this in

996

00:39:34,390 --> 00:39:32,960

books but again i think that the

997

00:39:37,430 --> 00:39:34,400

evidence for any of this

998

00:39:38,150 --> 00:39:37,440

is very scant i would like somebody to

999

00:39:40,710 --> 00:39:38,160

show me

1000

00:39:41,349 --> 00:39:40,720

more evidence of any of these theories

1001

00:39:43,030 --> 00:39:41,359

being

1002

00:39:45,750 --> 00:39:43,040

factually correct or having some

1003

00:39:47,990 --> 00:39:45,760

scientific basis archaeological evidence

1004

00:39:50,310 --> 00:39:48,000

basis

1005

00:39:52,470 --> 00:39:50,320

and no one so far friends has been able

1006

00:39:59,190 --> 00:39:52,480

to

1007

00:40:00,710 --> 00:39:59,200

so we titled the show stargates

1008

00:40:03,030 --> 00:40:00,720

fact or fiction i guess we should have

1009

00:40:03,510 --> 00:40:03,040

titled it iraqi stargates fact or

1010

00:40:10,069 --> 00:40:03,520

fiction

1011

00:40:12,790 --> 00:40:10,079

television

1012

00:40:14,150 --> 00:40:12,800

show stargate it came from fiction and

1013

00:40:16,390 --> 00:40:14,160

until

1014

00:40:17,670 --> 00:40:16,400

these people that are pushing this

1015

00:40:20,309 --> 00:40:17,680

pushing these stories

1016

00:40:21,190 --> 00:40:20,319

provide some evidence to me these are

1017

00:40:25,030 --> 00:40:21,200

going to remain

1018

00:40:27,510 --> 00:40:25,040

a form of fiction now i gotta say

1019

00:40:28,150 --> 00:40:27,520

i would love to live in a world where i

1020

00:40:31,109 --> 00:40:28,160

could hop

1021

00:40:32,390 --> 00:40:31,119

through a stargate and go to visit an

1022

00:40:36,069 --> 00:40:32,400

alien planet

1023

00:40:37,990 --> 00:40:36,079

or another dimension that would be

1024

00:40:39,109 --> 00:40:38,000

a much cooler world than we actually

1025

00:40:42,150 --> 00:40:39,119

live in

1026

00:40:45,109 --> 00:40:42,160

but so far nobody's giving me a ticket

1027

00:40:47,190 --> 00:40:45,119

a golden ticket to go through a stargate

1028

00:40:50,150 --> 00:40:47,200

and i doubt anyone ever will

1029

00:40:52,069 --> 00:40:50,160

you know uh and that's where i'm at with

1030

00:40:54,630 --> 00:40:52,079

this one

1031

00:40:55,109 --> 00:40:54,640

a viewer really wanted me to cover this

1032

00:40:56,790 --> 00:40:55,119

and

1033

00:40:58,309 --> 00:40:56,800

see what i thought about it so this

1034

00:41:01,430 --> 00:40:58,319

one's for her

1035

00:41:04,550 --> 00:41:01,440

and she knows who she is i

1036

00:41:06,150 --> 00:41:04,560

i did my best but i just can't i cannot

1037

00:41:09,589 --> 00:41:06,160

believe in this uh

1038

00:41:12,870 --> 00:41:09,599

conspiracy theory based on the amount of

1039

00:41:15,190 --> 00:41:12,880

the total complete and total lack of any

1040

00:41:16,870 --> 00:41:15,200

factual or scientific or archaeological

1041

00:41:18,390 --> 00:41:16,880

evidence we're gonna have to call this

1042

00:41:20,710 --> 00:41:18,400

one fiction

1043

00:41:22,710 --> 00:41:20,720

and with that friends i will turn my

1044

00:41:25,750 --> 00:41:22,720

complete and total attention now to the

1045

00:41:31,030 --> 00:41:30,390

okay some shout outs robin eagle song is

1046

00:41:32,950 --> 00:41:31,040

here

1047

00:41:34,309 --> 00:41:32,960

robin eagle song i forgot to get back to

1048

00:41:35,910 --> 00:41:34,319

you about being on your show and i

1049

00:41:38,790 --> 00:41:35,920

sincerely apologize

1050

00:41:40,230 --> 00:41:38,800

i will do that as soon as we're off air

1051
00:41:44,630 --> 00:41:40,240
here

1052
00:41:45,670 --> 00:41:44,640
uh shout out to lee meltman shout out to

1053
00:41:47,190 --> 00:41:45,680
charles unleast

1054
00:41:49,270 --> 00:41:47,200
shout out to solar marshall shout out to

1055
00:41:52,870 --> 00:41:49,280
out of mind

1056
00:41:55,910 --> 00:41:52,880
is here i'll share a shout out to carol

1057
00:42:00,630 --> 00:41:55,920
utley uh

1058
00:42:07,030 --> 00:42:03,670
let's see who else is here jonas eye

1059
00:42:10,630 --> 00:42:08,710
so talk to me friends what do you think

1060
00:42:14,550 --> 00:42:10,640
of this stargate

1061
00:42:21,910 --> 00:42:14,560
andrew shepard smith is here

1062
00:42:25,270 --> 00:42:23,750
solar marshall is steve would you like

1063
00:42:27,750 --> 00:42:25,280

to hear john lear tell

1064

00:42:28,630 --> 00:42:27,760

cassidy to shut her mouth absolutely

1065

00:42:33,190 --> 00:42:28,640

send me a link

1066

00:42:35,349 --> 00:42:33,200

i want to hear that oh cal truth

1067

00:42:37,670 --> 00:42:35,359

call truth is here shout out to kell

1068

00:42:39,670 --> 00:42:37,680

truth can never get here on time i know

1069

00:42:41,030 --> 00:42:39,680

you really need a watch or something

1070

00:42:42,950 --> 00:42:41,040

you know what it is you're a woman

1071

00:42:45,109 --> 00:42:42,960

you've got to be fashionably late so

1072

00:42:47,270 --> 00:42:45,119

everybody you know

1073

00:42:52,309 --> 00:42:47,280

is already here and notices your grand

1074

00:42:55,829 --> 00:42:54,309

sorry marshall says it's so funny yeah i

1075

00:42:58,390 --> 00:42:55,839

think john lear can be a

1076

00:42:59,910 --> 00:42:58,400

crickety crackery old man sometimes

1077

00:43:07,430 --> 00:42:59,920

right he's like a

1078

00:43:11,670 --> 00:43:09,510

okay so if anybody has any questions or

1079

00:43:14,470 --> 00:43:11,680

comments for me in a live chat please do

1080

00:43:17,430 --> 00:43:14,480

put them in all caps

1081

00:43:19,270 --> 00:43:17,440

i always forget to do this spinning

1082

00:43:22,950 --> 00:43:19,280

animation thing

1083

00:43:26,950 --> 00:43:24,790

so i had a little time today to work on

1084

00:43:30,150 --> 00:43:26,960

the lights and the lighting

1085

00:43:32,309 --> 00:43:30,160

um and yes friends i uh

1086

00:43:34,230 --> 00:43:32,319

man i have been striking out trying to

1087

00:43:36,470 --> 00:43:34,240

broadcast from the cabin

1088

00:43:38,069 --> 00:43:36,480

i'm not sure what that's about uh i

1089

00:43:41,109 --> 00:43:38,079

don't know if it's a bandwidth issue

1090

00:43:43,030 --> 00:43:41,119

i don't know if it's a stream yard issue

1091

00:43:45,349 --> 00:43:43,040

i don't know if it's i thought it was a

1092

00:43:45,990 --> 00:43:45,359

lighting issue but the last time i made

1093

00:43:48,790 --> 00:43:46,000

sure that

1094

00:43:49,829 --> 00:43:48,800

it was bright as [h__h] in there and it

1095

00:43:52,309 --> 00:43:49,839

still looked like

1096

00:43:53,510 --> 00:43:52,319

garbage when it went out i'm not sure

1097

00:43:56,710 --> 00:43:53,520

what the issue is

1098

00:44:00,230 --> 00:43:56,720

i'm working on fixing that and uh

1099

00:44:01,270 --> 00:44:00,240

i guess the here's the deal i'm trying

1100

00:44:04,150 --> 00:44:01,280

to avoid

1101
00:44:04,790 --> 00:44:04,160
i have this very good logitech that we

1102
00:44:07,430 --> 00:44:04,800
use

1103
00:44:08,550 --> 00:44:07,440
on the show here in the in the office

1104
00:44:11,030 --> 00:44:08,560
studio here

1105
00:44:12,870 --> 00:44:11,040
at home and that's always generally

1106
00:44:17,030 --> 00:44:12,880
looks good as long as i don't

1107
00:44:20,150 --> 00:44:17,040
make it too dark in here um

1108
00:44:20,870 --> 00:44:20,160
but then i don't want to break all of

1109
00:44:23,349 --> 00:44:20,880
that down

1110
00:44:23,910 --> 00:44:23,359
like everything is perfectly set you

1111
00:44:26,309 --> 00:44:23,920
know

1112
00:44:28,470 --> 00:44:26,319
so if i go to the cabin i gotta take the

1113
00:44:30,390 --> 00:44:28,480

webcam off the stands and fold up the

1114

00:44:32,069 --> 00:44:30,400

stands and then go there and set it up

1115

00:44:32,630 --> 00:44:32,079

and then i gotta bring it back here and

1116

00:44:36,390 --> 00:44:32,640

so

1117

00:44:38,790 --> 00:44:36,400

was using another webcam

1118

00:44:39,910 --> 00:44:38,800

which here looks fine but if the cabin

1119

00:44:42,150 --> 00:44:39,920

looks terrible

1120

00:44:43,910 --> 00:44:42,160

so i'm going to go back to trudging this

1121

00:44:46,150 --> 00:44:43,920

webcam back and forth

1122

00:44:47,030 --> 00:44:46,160

at least or until i can get another one

1123

00:44:49,589 --> 00:44:47,040

uh but that one's

1124

00:44:51,349 --> 00:44:49,599

uh i don't know fairly expensive i think

1125

00:44:54,470 --> 00:44:51,359

it's 120

1126

00:44:54,790 --> 00:44:54,480

um so i'll save my paypal pennies and my

1127

00:44:58,069 --> 00:44:54,800

uh

1128

00:44:59,670 --> 00:44:58,079

patreon pennies by the way

1129

00:45:01,910 --> 00:44:59,680

uh you can support our show either

1130

00:45:03,670 --> 00:45:01,920

through patreon for a dollar a month i'm

1131

00:45:05,270 --> 00:45:03,680

as soon as i get off of the show tonight

1132

00:45:07,430 --> 00:45:05,280

i'm going to be working on

1133

00:45:09,510 --> 00:45:07,440

this month's audio journal and uh the

1134

00:45:15,670 --> 00:45:09,520

final mind hack demo

1135

00:45:17,270 --> 00:45:15,680

i thought we were done and then i found

1136

00:45:20,390 --> 00:45:17,280

more notes so we're going gonna

1137

00:45:27,270 --> 00:45:20,400

do another uh

1138

00:45:30,309 --> 00:45:29,030

i like mysterious middle east the arab

1139

00:45:35,589 --> 00:45:30,319

mythology is interesting

1140

00:45:38,870 --> 00:45:37,430

i once tried to read the quran and i

1141

00:45:39,990 --> 00:45:38,880

only got about a quarter of the way

1142

00:45:41,829 --> 00:45:40,000

through

1143

00:45:44,069 --> 00:45:41,839

um there's something about spiritual

1144

00:45:46,950 --> 00:45:44,079

text that uh

1145

00:45:48,230 --> 00:45:46,960

really can't keep my interest long

1146

00:45:49,829 --> 00:45:48,240

enough i've tried to read the

1147

00:45:51,990 --> 00:45:49,839

bhagavad-gita

1148

00:45:53,910 --> 00:45:52,000

and the quran and failed miserably and

1149

00:45:56,790 --> 00:45:53,920

i've tried both of those

1150

00:45:58,309 --> 00:45:56,800

probably three four times each can't get

1151

00:46:01,430 --> 00:45:58,319

through either of them

1152

00:46:04,790 --> 00:46:01,440

but uh a muslim friend

1153

00:46:08,309 --> 00:46:04,800

sent me links to sections

1154

00:46:10,630 --> 00:46:08,319

of the uh quran that is

1155

00:46:11,510 --> 00:46:10,640

most of the stuff about the jin and

1156

00:46:14,790 --> 00:46:11,520

supernatural

1157

00:46:18,550 --> 00:46:14,800

things and demons and things like that

1158

00:46:22,710 --> 00:46:20,790

yeah and uh out of mind is sharing their

1159

00:46:24,550 --> 00:46:22,720

channel uh that guy's got a great

1160

00:46:26,630 --> 00:46:24,560

channel going tons of subscribers i

1161

00:46:28,309 --> 00:46:26,640

think he does a really good job from

1162

00:46:30,069 --> 00:46:28,319

what i've seen i've watched a few of the

1163

00:46:31,829 --> 00:46:30,079

videos on there now and i like ancient

1164

00:46:34,550 --> 00:46:31,839

mysteries and stuff like that so

1165

00:46:41,510 --> 00:46:34,560

for me it's a good resource good channel

1166

00:46:44,790 --> 00:46:43,270

at least that crazy glitch i had for

1167

00:46:46,790 --> 00:46:44,800

like four shows is going i so

1168

00:46:48,550 --> 00:46:46,800

seriously almost had a seizure several

1169

00:46:50,390 --> 00:46:48,560

times trying to watch them yeah i think

1170

00:46:51,349 --> 00:46:50,400

that's a west coast issue though because

1171

00:46:52,870 --> 00:46:51,359

most

1172

00:46:54,710 --> 00:46:52,880

i don't know it seemed to me that people

1173

00:46:57,589 --> 00:46:54,720

that are having trouble with the stream

1174

00:46:58,710 --> 00:46:57,599

are geographically very far from me and

1175

00:46:59,990 --> 00:46:58,720

kell truth you're all the way on the

1176

00:47:01,829 --> 00:47:00,000

west coast and i'm all the way on the

1177

00:47:05,670 --> 00:47:01,839

east coast that may have something to do

1178

00:47:05,680 --> 00:47:14,230

you should read the eddas or is that is

1179

00:47:19,750 --> 00:47:17,670

hey rodrigo is here when do you think

1180

00:47:21,910 --> 00:47:19,760

humans first started writing sci-fi

1181

00:47:24,150 --> 00:47:21,920

and fantasy well gee i don't know it's

1182

00:47:27,829 --> 00:47:24,160

gotta go probably go back a few hundred

1183

00:47:29,030 --> 00:47:27,839

years right science fiction

1184

00:47:30,870 --> 00:47:29,040

i mean if you think about it

1185

00:47:33,670 --> 00:47:30,880

frankenstein's really old and that's

1186

00:47:35,190 --> 00:47:33,680

science fiction they're creating a you

1187

00:47:37,190 --> 00:47:35,200

know

1188

00:47:38,870 --> 00:47:37,200

hybrid human out of body parts and

1189

00:47:42,150 --> 00:47:38,880

animating it

1190

00:47:45,030 --> 00:47:42,160

um i'm not sure how far it goes back

1191

00:47:46,870 --> 00:47:45,040

an interesting question i'd have to look

1192

00:47:47,829 --> 00:47:46,880

and see what other people think is the

1193

00:47:53,270 --> 00:47:47,839

first

1194

00:47:56,150 --> 00:47:53,280

stories or novels

1195

00:47:59,030 --> 00:47:56,160

certainly frankenstein comes to mind um

1196

00:48:02,390 --> 00:47:59,040

ht wells the time machine

1197

00:48:06,230 --> 00:48:02,400

um yeah h.d wells was way way ahead of

1198

00:48:10,549 --> 00:48:06,240

his time right

1199

00:48:13,829 --> 00:48:12,950

1809 the man in the moon that's another

1200

00:48:16,230 --> 00:48:13,839

charles unleashed

1201
00:48:19,270 --> 00:48:16,240
very good example very good example

1202
00:48:21,349 --> 00:48:19,280
actually i forgot about that one

1203
00:48:23,430 --> 00:48:21,359
lee velman says back when the big bang

1204
00:48:25,030 --> 00:48:23,440
happened i always loved that term big

1205
00:48:27,030 --> 00:48:25,040
bang like when i was a kid and they were

1206
00:48:30,150 --> 00:48:27,040
teaching us about astronomy and they

1207
00:48:30,870 --> 00:48:30,160
said big bang i just cracked up you know

1208
00:48:34,230 --> 00:48:30,880
some nun

1209
00:48:36,390 --> 00:48:34,240
same big bang big bang

1210
00:48:39,510 --> 00:48:36,400
catholic school was boring as [\h__\h] so

1211
00:48:42,630 --> 00:48:39,520
something like that would make my day

1212
00:48:52,309 --> 00:48:42,640
six's design is here says uh science

1213
00:48:55,750 --> 00:48:54,230

the man in the moon was a cool british

1214

00:48:58,790 --> 00:48:55,760

movie

1215

00:49:01,349 --> 00:48:58,800

was it british or did

1216

00:49:02,549 --> 00:49:01,359

somebody in britain make the novel into

1217

00:49:04,309 --> 00:49:02,559

a movie

1218

00:49:06,950 --> 00:49:04,319

or is that something separate from the

1219

00:49:19,430 --> 00:49:08,630

i thought there was the andy kaufman

1220

00:49:23,190 --> 00:49:22,309

okay sixth design it wasn't termed

1221

00:49:25,670 --> 00:49:23,200

sci-fi

1222

00:49:27,589 --> 00:49:25,680

till the 1920s but certainly there's got

1223

00:49:28,630 --> 00:49:27,599

to be some examples of science fiction

1224

00:49:31,030 --> 00:49:28,640

that was written

1225

00:49:36,710 --> 00:49:31,040

previous to the 1920s i would think so

1226

00:49:40,549 --> 00:49:38,710

so before 1920 people didn't invent

1227

00:49:43,030 --> 00:49:40,559

stories only real stuff well i'm sure

1228

00:49:45,349 --> 00:49:43,040

there was fictional stories forever

1229

00:49:47,109 --> 00:49:45,359

that were written down but i don't know

1230

00:49:49,349 --> 00:49:47,119

that people were using the term

1231

00:49:50,309 --> 00:49:49,359

i think six's design is right that the

1232

00:49:53,109 --> 00:49:50,319

term

1233

00:49:55,510 --> 00:49:53,119

for science for that art form would

1234

00:49:57,670 --> 00:49:55,520

would be popularized in the 1920s and

1235

00:50:01,109 --> 00:49:57,680

people would call it science fiction

1236

00:50:05,510 --> 00:50:01,119

but certainly there's got to be some

1237

00:50:06,870 --> 00:50:05,520

science fiction uh science fiction

1238

00:50:08,790 --> 00:50:06,880

stories that were written before the

1239

00:50:23,109 --> 00:50:08,800

1920s they just didn't call it

1240

00:50:31,670 --> 00:50:26,309

so i was gonna

1241

00:50:31,680 --> 00:50:42,230

bear with me friends

1242

00:50:47,030 --> 00:50:43,910

yeah mary shelley's frankenstein was

1243

00:50:49,109 --> 00:50:47,040

published january 1st 1818

1244

00:50:51,510 --> 00:50:49,119

that predates the term science fiction

1245

00:50:53,670 --> 00:50:51,520

by more than 100 years then

1246

00:50:55,670 --> 00:50:53,680

um but i don't think anybody would argue

1247

00:50:57,109 --> 00:50:55,680

that mary shelley's frankenstein was not

1248

00:50:59,990 --> 00:50:57,119

science fiction

1249

00:51:05,670 --> 00:51:00,000

i mean horror too but certainly it's got

1250

00:51:08,870 --> 00:51:07,589

oh the golem from the ancient text might

1251

00:51:09,910 --> 00:51:08,880

be an example

1252

00:51:11,349 --> 00:51:09,920

yeah i don't know that that would be

1253

00:51:13,990 --> 00:51:11,359

considered science fiction maybe that

1254

00:51:17,270 --> 00:51:14,000

would be more like uh

1255

00:51:18,790 --> 00:51:17,280

magic thriller or something and a golem

1256

00:51:21,990 --> 00:51:18,800

is a great story

1257

00:51:25,109 --> 00:51:22,000

i saw a pretty modern version of a golem

1258

00:51:25,430 --> 00:51:25,119

story where a woman in the village lost

1259

00:51:27,510 --> 00:51:25,440

her

1260

00:51:29,270 --> 00:51:27,520

child and then she created the goal and

1261

00:51:30,950 --> 00:51:29,280

then it took the form of her child

1262

00:51:32,549 --> 00:51:30,960

and it was pretty creepy and good don't

1263

00:51:45,510 --> 00:51:32,559

know the title of hand maybe somebody

1264

00:51:48,950 --> 00:51:47,349

in 1902 is often considered to be the

1265

00:51:52,069 --> 00:51:48,960

first science fiction film

1266

00:51:53,589 --> 00:51:52,079

well that's pretty interesting

1267

00:51:55,510 --> 00:51:53,599

yeah and it's it was also interesting

1268

00:51:57,990 --> 00:51:55,520

for me to see that there was a book from

1269

00:51:59,270 --> 00:51:58,000

the 1950s or 60s i believe that this

1270

00:52:02,549 --> 00:51:59,280

gentleman mentioned that

1271

00:52:05,589 --> 00:52:02,559

was a book titled stargate uh which had

1272

00:52:08,069 --> 00:52:05,599

a stargate in it so i guess

1273

00:52:09,670 --> 00:52:08,079

the term stargate and the idea of

1274

00:52:13,430 --> 00:52:09,680

stargate certainly predates

1275

00:52:15,109 --> 00:52:13,440

the hollywood movie in 1994 but i'm sure

1276

00:52:17,349 --> 00:52:15,119

that that hollywood movie

1277

00:52:23,270 --> 00:52:17,359

really popularized the idea of a

1278

00:52:26,470 --> 00:52:24,950

and it's interesting that that movie

1279

00:52:30,630 --> 00:52:26,480

tied in of course

1280

00:52:36,470 --> 00:52:33,750

yeah so you got to weave in some uh

1281

00:52:37,750 --> 00:52:36,480

you have to weave in something some

1282

00:52:41,349 --> 00:52:37,760

parts of history

1283

00:52:43,349 --> 00:52:41,359

and a good and a good story right

1284

00:52:46,230 --> 00:52:43,359

it's interesting to me that they do that

1285

00:52:50,630 --> 00:52:46,240

they do it pretty often too i've noticed

1286

00:52:53,190 --> 00:52:50,640

in fact uh you know these

1287

00:52:53,990 --> 00:52:53,200

these ufo conor descriptors certainly do

1288

00:52:58,230 --> 00:52:54,000

it

1289

00:53:01,910 --> 00:52:58,240

story

1290

00:53:03,750 --> 00:53:01,920

uh with some historical fact we see them

1291

00:53:05,270 --> 00:53:03,760

cite something that happened in history

1292

00:53:06,630 --> 00:53:05,280

and then they add their layer of

1293

00:53:12,829 --> 00:53:06,640

[h__\h] to it

1294

00:53:12,839 --> 00:53:25,430

tactic

1295

00:53:28,549 --> 00:53:27,190

the vimanas for example could they have

1296

00:53:30,790 --> 00:53:28,559

been real flying machines or just

1297

00:53:34,470 --> 00:53:30,800

classic human imagination

1298

00:53:37,750 --> 00:53:34,480

rodrigo there's a previous episode i did

1299

00:53:41,190 --> 00:53:37,760

on vmanas and it turns out that

1300

00:53:43,710 --> 00:53:41,200

the vimanas that everybody cites in ufo

1301
00:53:45,510 --> 00:53:43,720
land are from a channeled book from the

1302
00:53:48,549 --> 00:53:45,520
1960s i believe

1303
00:53:51,270 --> 00:53:48,559
as near as i recall and have

1304
00:53:52,549 --> 00:53:51,280
very little to do with real ancient

1305
00:53:54,549 --> 00:53:52,559
vedic texts though people

1306
00:53:56,150 --> 00:53:54,559
always claim that they came from a vedic

1307
00:53:59,030 --> 00:53:56,160
text ancient vedic text

1308
00:54:00,630 --> 00:53:59,040
and they did those flying machines the

1309
00:54:02,069 --> 00:54:00,640
vimanas

1310
00:54:05,349 --> 00:54:02,079
came from a channeled book from the

1311
00:54:07,910 --> 00:54:05,359
1960s and people constantly say

1312
00:54:10,390 --> 00:54:07,920
uh in an ancient vedic text and it's

1313
00:54:13,270 --> 00:54:10,400

conflating two things

1314

00:54:16,950 --> 00:54:13,280

so i found that the manas were another

1315

00:54:19,910 --> 00:54:16,960

one that we basically call fiction

1316

00:54:22,390 --> 00:54:19,920

well crafted fiction and we sort of

1317

00:54:25,430 --> 00:54:22,400

called out ancient aliens for

1318

00:54:28,069 --> 00:54:25,440

being one of those people who constantly

1319

00:54:29,910 --> 00:54:28,079

basically claims that the that the book

1320

00:54:30,549 --> 00:54:29,920

that the vimanas came from that they're

1321

00:54:33,430 --> 00:54:30,559

showing

1322

00:54:39,430 --> 00:54:33,440

are ancient from ancient vedic texts

1323

00:54:41,190 --> 00:54:39,440

when they're definitely not

1324

00:54:43,670 --> 00:54:41,200

sorry i'm a little distracted i lost

1325

00:54:49,349 --> 00:54:43,680

something here

1326

00:55:00,309 --> 00:54:52,549

uh the key master and azul i love that

1327

00:55:05,190 --> 00:55:03,750

oh even the old star trek the script was

1328

00:55:07,270 --> 00:55:05,200

so much better than a lot of later

1329

00:55:08,870 --> 00:55:07,280

versions of it

1330

00:55:10,549 --> 00:55:08,880

yes wasn't there a stargate in

1331

00:55:12,390 --> 00:55:10,559

ghostbusters absolutely

1332

00:55:13,750 --> 00:55:12,400

it was some sort of portal to another

1333

00:55:15,510 --> 00:55:13,760

dimension that the uh

1334

00:55:23,589 --> 00:55:15,520

zuul was going to come through as i

1335

00:55:28,150 --> 00:55:26,549

i always remembered there is no dana

1336

00:55:30,150 --> 00:55:28,160

only zuul

1337

00:55:32,150 --> 00:55:30,160

and rick moranis was great in that movie

1338

00:55:34,470 --> 00:55:32,160

ghostbusters just a classic great movie

1339

00:55:37,270 --> 00:55:34,480

i'm glad they're doing like a another

1340

00:55:38,230 --> 00:55:37,280

attempt at a reboot that ghostbusters

1341

00:55:39,990 --> 00:55:38,240

with the girls

1342

00:55:45,829 --> 00:55:40,000

i try to like it i really did i didn't

1343

00:55:51,670 --> 00:55:48,470

solar marshall by the way hold on for

1344

00:55:54,150 --> 00:55:51,680

this john lear epic tell-off video

1345

00:55:54,950 --> 00:55:54,160

where is it a link send me the link in

1346

00:55:59,829 --> 00:55:54,960

facebook

1347

00:56:03,270 --> 00:56:01,589

a question is stephen and chad do you

1348

00:56:04,470 --> 00:56:03,280

want disclosure or do you enjoy the

1349

00:56:06,870 --> 00:56:04,480

mystery as it is no

1350

00:56:07,670 --> 00:56:06,880

if it's true absolutely i want

1351
00:56:10,710 --> 00:56:07,680
disclosure

1352
00:56:11,109 --> 00:56:10,720
absolutely i want to hear all about it i

1353
00:56:15,270 --> 00:56:11,119
want

1354
00:56:18,069 --> 00:56:15,280
happen

1355
00:56:19,750 --> 00:56:18,079
um that would be that would be an

1356
00:56:21,589 --> 00:56:19,760
amazing world to live in where we

1357
00:56:23,990 --> 00:56:21,599
we could finally have some proof of all

1358
00:56:26,549 --> 00:56:24,000
that alien stories

1359
00:56:28,069 --> 00:56:26,559
from years and years and i finally found

1360
00:56:30,230 --> 00:56:28,079
what i was looking for folks

1361
00:56:32,069 --> 00:56:30,240
a lighter always had more than one

1362
00:56:35,190 --> 00:56:32,079
especially if you're in the

1363
00:56:40,470 --> 00:56:35,200

in the dark here

1364

00:56:43,510 --> 00:56:40,480

yeah so uh i kind of uh

1365

00:56:45,190 --> 00:56:43,520

i enjoy the excitement sometimes when

1366

00:56:46,470 --> 00:56:45,200

some kind of information comes out but

1367

00:56:48,309 --> 00:56:46,480

then i don't enjoy

1368

00:56:49,990 --> 00:56:48,319

the constant disappointment like

1369

00:56:51,829 --> 00:56:50,000

everybody's getting so excited about

1370

00:56:53,670 --> 00:56:51,839

this new york times article

1371

00:56:55,349 --> 00:56:53,680

and claiming that it says that the

1372

00:56:55,990 --> 00:56:55,359

government is admitting that they've

1373

00:56:57,750 --> 00:56:56,000

recovered

1374

00:56:59,910 --> 00:56:57,760

crashed flying saucers and then you find

1375

00:57:01,030 --> 00:56:59,920

out it's just one nut job eric davis

1376

00:57:03,030 --> 00:57:01,040

that says he briefed

1377

00:57:04,230 --> 00:57:03,040

somebody about that but there's no

1378

00:57:06,630 --> 00:57:04,240

actual proof of

1379

00:57:08,150 --> 00:57:06,640

any of the [h__\h] that people you know

1380

00:57:10,309 --> 00:57:08,160

they're amplifying

1381

00:57:11,990 --> 00:57:10,319

they're changing what was written in the

1382

00:57:15,349 --> 00:57:12,000

article to fit what they

1383

00:57:19,030 --> 00:57:15,359

want and uh it's it's just not

1384

00:57:24,309 --> 00:57:19,040

just not there brad gray is here shout

1385

00:57:30,950 --> 00:57:27,030

don't aside i want disclosure if in fact

1386

00:57:37,589 --> 00:57:35,510

i agree i agree absolutely

1387

00:57:40,390 --> 00:57:37,599

mrs solar marshall apparently has some

1388

00:57:42,870 --> 00:57:40,400

breaking news to contribute tonight

1389

00:57:43,589 --> 00:57:42,880

in the form of john lear telling carrie

1390

00:57:47,430 --> 00:57:43,599

cassidy

1391

00:57:49,510 --> 00:57:47,440

to shut her mouth and uh you gotta love

1392

00:57:52,829 --> 00:57:49,520

john lee has turned into like you're

1393

00:57:57,190 --> 00:57:52,839

you're like cranky old uncle now

1394

00:58:01,030 --> 00:57:59,109

and it's interesting i haven't really

1395

00:58:03,430 --> 00:58:01,040

been following uh

1396

00:58:04,069 --> 00:58:03,440

john lear very much but i i know that

1397

00:58:05,349 --> 00:58:04,079

people are saying

1398

00:58:07,990 --> 00:58:05,359

he's going through some really tough

1399

00:58:11,750 --> 00:58:08,000

times and uh you know it's interesting

1400

00:58:14,150 --> 00:58:11,760

that nobody you know george knapp and

1401
00:58:15,589 --> 00:58:14,160
bob lazar aren't helping him i know i

1402
00:58:20,069 --> 00:58:15,599
guess

1403
00:58:24,309 --> 00:58:22,390
i really do believe that john lear was

1404
00:58:28,390 --> 00:58:24,319
the source and the seed of all the

1405
00:58:31,990 --> 00:58:30,309
disclosure would be great but i also

1406
00:58:33,829 --> 00:58:32,000
enjoy the ride and the fascination of

1407
00:58:36,789 --> 00:58:33,839
all the wild stories

1408
00:58:44,710 --> 00:58:36,799
yeah there's no end or there's no limit

1409
00:58:49,430 --> 00:58:46,870
dennis coke jesus now i know how you

1410
00:58:51,030 --> 00:58:49,440
remind me of adam driver is that the guy

1411
00:58:54,789 --> 00:58:51,040
from

1412
00:58:54,799 --> 00:58:59,270
who's that oh yeah that's

1413
00:59:04,630 --> 00:59:02,230

the guy from star wars really i just had

1414

00:59:05,030 --> 00:59:04,640

somebody else oh it was uh jean-claude

1415

00:59:08,150 --> 00:59:05,040

he

1416

00:59:10,150 --> 00:59:08,160

put up like a picture of adam driver

1417

00:59:11,430 --> 00:59:10,160

next to me when i was a guest on his

1418

00:59:14,630 --> 00:59:11,440

show

1419

00:59:16,069 --> 00:59:14,640

uh yeah

1420

00:59:18,789 --> 00:59:16,079

i guess there's worse people would be

1421

00:59:20,950 --> 00:59:18,799

compared to

1422

00:59:22,069 --> 00:59:20,960

he was probably one of the only things i

1423

00:59:24,870 --> 00:59:22,079

liked about those

1424

00:59:25,910 --> 00:59:24,880

those new three movies it's got to be

1425

00:59:29,430 --> 00:59:25,920

interesting to see

1426

00:59:31,750 --> 00:59:29,440

uh darth vader's grandson right

1427

00:59:33,190 --> 00:59:31,760

uh and his struggle with the dark side

1428

00:59:35,910 --> 00:59:33,200

and the light side

1429

00:59:36,870 --> 00:59:35,920

uh didn't like how they ended the whole

1430

00:59:39,589 --> 00:59:36,880

thing

1431

00:59:40,549 --> 00:59:39,599

didn't really like those last three

1432

00:59:42,950 --> 00:59:40,559

disney movies

1433

00:59:44,829 --> 00:59:42,960

it's basically i watched disney kill my

1434

00:59:51,349 --> 00:59:44,839

favorite childhood

1435

00:59:53,270 --> 00:59:51,359

did anybody else think that there was

1436

00:59:55,349 --> 00:59:53,280

like no reason to kill off the original

1437

00:59:56,950 --> 00:59:55,359

characters in the way that they did

1438

00:59:59,190 --> 00:59:56,960

was it was the whole thing just about

1439

01:00:00,789 --> 00:59:59,200

money like well

1440

01:00:02,789 --> 01:00:00,799

harrison ford is going to want like 60

1441

01:00:04,870 --> 01:00:02,799

million dollars to do this so we

1442

01:00:06,630 --> 01:00:04,880

we got to kill them off after one movie

1443

01:00:09,829 --> 01:00:06,640

or you know whatever

1444

01:00:12,309 --> 01:00:09,839

and uh boy the mark

1445

01:00:13,510 --> 01:00:12,319

hamill the death of luke skywalker to me

1446

01:00:16,390 --> 01:00:13,520

was just

1447

01:00:18,230 --> 01:00:16,400

a ridiculous waste every and the other

1448

01:00:19,109 --> 01:00:18,240

thing is that everybody wanted to see

1449

01:00:21,510 --> 01:00:19,119

like

1450

01:00:22,309 --> 01:00:21,520

these people get together again and they

1451

01:00:24,470 --> 01:00:22,319

didn't

1452

01:00:26,829 --> 01:00:24,480

and you had the actors they all signed

1453

01:00:39,589 --> 01:00:26,839

up to do whatever you wanted to write

1454

01:00:43,589 --> 01:00:41,430

adam driver started a very fascinating

1455

01:00:46,870 --> 01:00:43,599

movie about interdimensionality called

1456

01:00:48,630 --> 01:00:46,880

midnight special a must

1457

01:00:50,309 --> 01:00:48,640

i didn't know that was about inner

1458

01:00:53,109 --> 01:00:50,319

dimensionality i thought that was like

1459

01:00:55,910 --> 01:00:53,119

him being a uh

1460

01:00:56,470 --> 01:00:55,920

like some kind of a cameraman or

1461

01:00:57,829 --> 01:00:56,480

something

1462

01:01:00,390 --> 01:00:57,839

in the middle of the night for like

1463

01:01:10,549 --> 01:01:00,400

crime scenes or something

1464

01:01:13,109 --> 01:01:10,559

i'll have to check that out

1465

01:01:14,549 --> 01:01:13,119

a lot of them are heavy into drugs so

1466

01:01:17,510 --> 01:01:14,559

even if the drugs don't kill them the

1467

01:01:19,829 --> 01:01:17,520

insanity of the business will

1468

01:01:21,589 --> 01:01:19,839

yes dennis co luke was no longer luke

1469

01:01:23,190 --> 01:01:21,599

yeah because they turned like the savior

1470

01:01:26,789 --> 01:01:23,200

of the galaxy

1471

01:01:30,710 --> 01:01:26,799

and a character of hope and you know

1472

01:01:34,069 --> 01:01:30,720

into like a cranky old bitter

1473

01:01:37,030 --> 01:01:34,079

failed man so uh

1474

01:01:38,789 --> 01:01:37,040

didn't understand that either you know i

1475

01:01:42,230 --> 01:01:38,799

wish that they had gotten

1476

01:01:50,829 --> 01:01:42,240

uh the writer and director of

1477

01:01:50,839 --> 01:01:55,270

now

1478

01:02:12,710 --> 01:02:07,430

oh i'm not gonna be able to find it

1479

01:02:19,750 --> 01:02:16,470

you know what what i what i wish

1480

01:02:22,309 --> 01:02:19,760

that house in the delorean is

1481

01:02:25,190 --> 01:02:22,319

unfavorable i wish that they had given

1482

01:02:28,230 --> 01:02:25,200

all three movies to john favreau

1483

01:02:31,510 --> 01:02:28,240

uh the mandalorian was

1484

01:02:34,549 --> 01:02:31,520

good good star wars every episode was

1485

01:02:36,069 --> 01:02:34,559

you felt like it was star wars uh i

1486

01:02:37,829 --> 01:02:36,079

don't know what the [h__\h] they did with

1487

01:02:40,950 --> 01:02:37,839

those three movies but they

1488

01:02:43,190 --> 01:02:40,960

all three of those movies i think were

1489

01:02:44,789 --> 01:02:43,200

the first one wasn't a bad start and i

1490

01:02:45,829 --> 01:02:44,799

think they could have done fine building

1491

01:02:48,549 --> 01:02:45,839

off of that

1492

01:02:49,990 --> 01:02:48,559

it just got worse from there i my wish

1493

01:02:52,309 --> 01:02:50,000

is that they

1494

01:02:53,670 --> 01:02:52,319

hand all of star wars over to john

1495

01:02:55,750 --> 01:02:53,680

favreau

1496

01:02:57,829 --> 01:02:55,760

he did an amazing job on this

1497

01:02:58,950 --> 01:02:57,839

mandalorian series and i can't wait to

1498

01:03:01,270 --> 01:02:58,960

see season two

1499

01:03:03,990 --> 01:03:01,280

so i'll at least be able to see some

1500

01:03:05,910 --> 01:03:04,000

decent star wars out of this disney

1501
01:03:07,510 --> 01:03:05,920
cluster [h__h] that it has been in the

1502
01:03:12,069 --> 01:03:07,520
movies

1503
01:03:14,630 --> 01:03:12,079
um and what else i certainly liked

1504
01:03:15,750 --> 01:03:14,640
uh rogue one i thought that was well

1505
01:03:18,870 --> 01:03:15,760
done

1506
01:03:20,390 --> 01:03:18,880
you know and i liked uh

1507
01:03:23,029 --> 01:03:20,400
i'm one of the few people i know that

1508
01:03:25,190 --> 01:03:23,039
like the han solo movie but i of course

1509
01:03:27,109 --> 01:03:25,200
loved han solo growing up so it was good

1510
01:03:28,390 --> 01:03:27,119
to see his backstory and how he met

1511
01:03:30,710 --> 01:03:28,400
chewbacca

1512
01:03:32,789 --> 01:03:30,720
and how he got the millennium falcon i

1513
01:03:34,549 --> 01:03:32,799

thought it was pretty well done

1514

01:03:36,549 --> 01:03:34,559

uh but people were so pissed off about

1515

01:03:38,630 --> 01:03:36,559

how bad which one was it

1516

01:03:40,390 --> 01:03:38,640

the second in the trilogy was that

1517

01:03:43,670 --> 01:03:40,400

everybody was like we're not going

1518

01:03:44,950 --> 01:03:43,680

we're not going and

1519

01:03:47,109 --> 01:03:44,960

and that sucks because there could have

1520

01:03:58,470 --> 01:03:47,119

been like three han solo movies if that

1521

01:04:01,270 --> 01:03:58,480

movie did better

1522

01:04:03,270 --> 01:04:01,280

oh yeah ryan johnson rise director did

1523

01:04:05,990 --> 01:04:03,280

good in looper with all the time travel

1524

01:04:08,710 --> 01:04:06,000

paradoxes i love time travel movies uh

1525

01:04:10,230 --> 01:04:08,720

that address the time travel paradoxes

1526

01:04:12,150 --> 01:04:10,240

because it's just interesting to think

1527

01:04:15,190 --> 01:04:12,160

about these things if you did time

1528

01:04:17,670 --> 01:04:15,200

travel like the grandfather paradox

1529

01:04:19,750 --> 01:04:17,680

for those that don't know that's just

1530

01:04:20,789 --> 01:04:19,760

it's it's a time travel paradox if you

1531

01:04:23,430 --> 01:04:20,799

go back in time and kill your

1532

01:04:24,789 --> 01:04:23,440

grandfather will you cease to exist

1533

01:04:29,910 --> 01:04:24,799

these things are interesting to think

1534

01:04:33,430 --> 01:04:31,990

carol ali says i just watched looper

1535

01:04:45,029 --> 01:04:33,440

i've never seen that i'll have to put

1536

01:04:51,990 --> 01:04:48,789

brad gray brad gray says

1537

01:04:54,069 --> 01:04:52,000

oh wait i saw it here i got here late

1538

01:04:55,829 --> 01:04:54,079

did we find any stargates no

1539

01:04:57,750 --> 01:04:55,839

we found people claiming there's 50

1540

01:05:01,589 --> 01:04:57,760

stargates in iraq

1541

01:05:04,549 --> 01:05:01,599

but so far the evidence for that

1542

01:05:06,390 --> 01:05:04,559

is pretty few and far between it seems

1543

01:05:09,510 --> 01:05:06,400

and it seems as if michael sala

1544

01:05:12,390 --> 01:05:09,520

is the originator of a great deal

1545

01:05:13,349 --> 01:05:12,400

of popularizing this story of stargates

1546

01:05:17,670 --> 01:05:13,359

in iraq so

1547

01:05:23,190 --> 01:05:21,109

instantly to me this this whole

1548

01:05:24,950 --> 01:05:23,200

conspiracy theory has no value if

1549

01:05:27,510 --> 01:05:24,960

michael salah is one of the guys that is

1550

01:05:30,230 --> 01:05:27,520

heavily pushing it or popularizing it

1551
01:05:31,510 --> 01:05:30,240
because his uh so-called research is a

1552
01:05:34,549 --> 01:05:31,520
[h__\h] joke

1553
01:05:37,109 --> 01:05:34,559
and uh his ridiculous claims

1554
01:05:38,870 --> 01:05:37,119
are just that ridiculous claims he never

1555
01:05:40,630 --> 01:05:38,880
provides proof of any of the [h__\h] that

1556
01:05:41,910 --> 01:05:40,640
he talks about he just strings together

1557
01:05:45,270 --> 01:05:41,920
nonsense

1558
01:05:51,109 --> 01:05:45,280
and you know fake sources like a lot of

1559
01:05:52,950 --> 01:05:51,119
uxo ufo hunksters sixth design says yes

1560
01:05:54,150 --> 01:05:52,960
steven showed us the stargate he has in

1561
01:05:55,990 --> 01:05:54,160
his backyard

1562
01:06:00,309 --> 01:05:56,000
just tonight shut the [h__\h] up the men in

1563
01:06:03,430 --> 01:06:01,670

there's a big discussion because the

1564

01:06:05,430 --> 01:06:03,440

lady calling the shots on star wars had

1565

01:06:06,950 --> 01:06:05,440

specific social messages to convey

1566

01:06:08,630 --> 01:06:06,960

people are talking about three movies

1567

01:06:10,390 --> 01:06:08,640

getting removed from canon yeah i've

1568

01:06:13,349 --> 01:06:10,400

heard that they may do that but i don't

1569

01:06:13,359 --> 01:06:16,789

i mean it's

1570

01:06:21,349 --> 01:06:19,829

would i like a do-over rodrigo [h__\h] yeah

1571

01:06:23,190 --> 01:06:21,359

but are they really gonna get well they

1572

01:06:26,230 --> 01:06:23,200

can't get uh you know

1573

01:06:27,349 --> 01:06:26,240

princess leia now they can't really do a

1574

01:06:28,789 --> 01:06:27,359

do-over

1575

01:06:30,549 --> 01:06:28,799

they would have to just make three other

1576

01:06:32,390 --> 01:06:30,559

movies and try to forget about those

1577

01:06:35,910 --> 01:06:32,400

[h__\h] show three movies

1578

01:06:36,390 --> 01:06:35,920

um you know i thought the last one was

1579

01:06:41,270 --> 01:06:36,400

really

1580

01:06:43,510 --> 01:06:41,280

to

1581

01:06:45,109 --> 01:06:43,520

do some fan service in that like given

1582

01:06:47,990 --> 01:06:45,119

finally giving chewbacca his

1583

01:06:49,109 --> 01:06:48,000

uh medal and bringing back lando

1584

01:06:51,910 --> 01:06:49,119

calrissian

1585

01:06:53,589 --> 01:06:51,920

and then to bring back the emperor to

1586

01:06:54,230 --> 01:06:53,599

bring back the emperor makes return of

1587

01:06:57,750 --> 01:06:54,240

the jedi

1588

01:07:00,470 --> 01:06:57,760

absolutely meaningless and uh yeah

1589

01:07:01,589 --> 01:07:00,480

but then you know i try to i try to keep

1590

01:07:03,430 --> 01:07:01,599

things in perspective

1591

01:07:04,789 --> 01:07:03,440

though because i'm such a huge star wars

1592

01:07:08,230 --> 01:07:04,799

fan and then i realized

1593

01:07:11,349 --> 01:07:08,240

like it's a movie for children

1594

01:07:14,549 --> 01:07:11,359

about space wizards right

1595

01:07:17,670 --> 01:07:14,559

so i can't get this upset over

1596

01:07:19,990 --> 01:07:17,680

over science fiction movies

1597

01:07:22,309 --> 01:07:20,000

i can't get this upset about movies that

1598

01:07:25,910 --> 01:07:22,319

were essentially about space wizards

1599

01:07:29,029 --> 01:07:25,920

and space battles you know

1600

01:07:29,750 --> 01:07:29,039

but people people were pissed at those

1601
01:07:32,309 --> 01:07:29,760
movies

1602
01:07:34,230 --> 01:07:32,319
and and a lot of star wars fans want

1603
01:07:35,510 --> 01:07:34,240
them to remove them from canon but i

1604
01:07:36,710 --> 01:07:35,520
don't even know how would they do that

1605
01:07:37,349 --> 01:07:36,720
would they just say that was like a

1606
01:07:38,789 --> 01:07:37,359
dream

1607
01:07:40,630 --> 01:07:38,799
like and bring back one of the

1608
01:07:41,430 --> 01:07:40,640
characters from the movie so that they

1609
01:07:43,670 --> 01:07:41,440
could

1610
01:07:46,630 --> 01:07:43,680
somehow bridge the gap i don't know how

1611
01:07:50,630 --> 01:07:48,230
sixth design if someone actually had a

1612
01:07:51,990 --> 01:07:50,640
real stargate how many wouldn't notice i

1613
01:07:54,230 --> 01:07:52,000

mean where are you gonna hide it

1614

01:07:55,829 --> 01:07:54,240

how are you gonna hide the huge magnetic

1615

01:07:57,510 --> 01:07:55,839

field from detection yeah i guess it

1616

01:07:58,789 --> 01:07:57,520

would make gravity waves or some other

1617

01:08:01,190 --> 01:07:58,799

detectable

1618

01:08:01,910 --> 01:08:01,200

radiation or something right it couldn't

1619

01:08:05,670 --> 01:08:01,920

just

1620

01:08:08,870 --> 01:08:05,680

i don't know how stargate works but

1621

01:08:12,069 --> 01:08:08,880

maybe radiation it may be

1622

01:08:16,070 --> 01:08:12,079

i don't know a big for all we know

1623

01:08:17,349 --> 01:08:16,080

the large hadron collider is a stargate

1624

01:08:20,390 --> 01:08:17,359

how do we know it's not

1625

01:08:21,590 --> 01:08:20,400

right they get this huge complex buried

1626

01:08:28,789 --> 01:08:21,600

underground we don't know what they're

1627

01:08:32,550 --> 01:08:30,550

yes the story of giants in a rock i

1628

01:08:34,149 --> 01:08:32,560

heard come from l.a marzulli don't know

1629

01:08:37,669 --> 01:08:34,159

if you're aware of the gentleman yes

1630

01:08:39,030 --> 01:08:37,679

a sort of christian mystery investigator

1631

01:08:41,189 --> 01:08:39,040

he kind of goes from a christian

1632

01:08:41,749 --> 01:08:41,199

perspective but he's still i like him

1633

01:08:44,390 --> 01:08:41,759

actually

1634

01:08:46,950 --> 01:08:44,400

i've listened to a bunch of his uh shows

1635

01:08:47,430 --> 01:08:46,960

on those uh peruvian skulls and a few

1636

01:08:49,269 --> 01:08:47,440

other

1637

01:08:51,669 --> 01:08:49,279

subjects of the anunnaki that he was

1638

01:08:53,669 --> 01:08:51,679

covering and to his credit he sort of

1639

01:08:56,550 --> 01:08:53,679

got involved with uh

1640

01:08:56,950 --> 01:08:56,560

jaime musan with the fake fairies and

1641

01:08:59,669 --> 01:08:56,960

[h__\h]

1642

01:09:01,990 --> 01:08:59,679

you know and uh eventually kind of went

1643

01:09:05,990 --> 01:09:02,000

yeah this is [h__\h]

1644

01:09:07,669 --> 01:09:06,000

and at least to his credit

1645

01:09:09,430 --> 01:09:07,679

didn't double down when it was revealed

1646

01:09:13,189 --> 01:09:09,440

that he was like helping

1647

01:09:15,349 --> 01:09:13,199

jaime moussan push a hoax because

1648

01:09:17,749 --> 01:09:15,359

every story that jaime musan pushes

1649

01:09:19,590 --> 01:09:17,759

heavily turns out to be a hoax

1650

01:09:21,189 --> 01:09:19,600

he was involved in the roswell slides he

1651

01:09:23,110 --> 01:09:21,199

was involved in this fake

1652

01:09:24,870 --> 01:09:23,120

uh alien that turned out to be a

1653

01:09:28,870 --> 01:09:24,880

marmoset monkey

1654

01:09:33,590 --> 01:09:31,990

yes ian mcgregor's obi-wan kenobi series

1655

01:09:36,309 --> 01:09:33,600

might be interesting

1656

01:09:37,510 --> 01:09:36,319

i think so and that's going to center

1657

01:09:40,630 --> 01:09:37,520

around his years

1658

01:09:41,110 --> 01:09:40,640

on tatooine waiting and sort of watching

1659

01:09:44,630 --> 01:09:41,120

over

1660

01:09:46,390 --> 01:09:44,640

luke i believe so that's interesting to

1661

01:09:49,430 --> 01:09:46,400

me

1662

01:09:51,349 --> 01:09:49,440

and i will certainly want to watch that

1663

01:09:53,510 --> 01:09:51,359

don't know how good it'll be i'll watch

1664

01:09:55,750 --> 01:09:53,520

it but pretty much anything star wars

1665

01:09:59,990 --> 01:09:55,760

i'll watch

1666

01:10:01,750 --> 01:10:00,000

i missed uh i missed a lot of like

1667

01:10:03,350 --> 01:10:01,760

the clone wars and some of the other

1668

01:10:05,430 --> 01:10:03,360

cartoons

1669

01:10:13,590 --> 01:10:05,440

so i still have those to go through

1670

01:10:17,189 --> 01:10:15,590

dennis coach doesn't any everyone make a

1671

01:10:18,390 --> 01:10:17,199

mistake at least once stolen with that

1672

01:10:20,709 --> 01:10:18,400

mummy for example

1673

01:10:22,790 --> 01:10:20,719

yeah everybody i'll give everybody one

1674

01:10:23,270 --> 01:10:22,800

but if they uh double down like dolan

1675

01:10:26,950 --> 01:10:23,280

has

1676

01:10:29,430 --> 01:10:26,960

now dolan's onto bob lazar's real

1677

01:10:33,110 --> 01:10:29,440

uh let's see remote viewing is real and

1678

01:10:37,030 --> 01:10:34,790

ufology would be so much better if

1679

01:10:38,229 --> 01:10:37,040

trillion hoaxers stop pushing bs that

1680

01:10:42,830 --> 01:10:38,239

ain't gonna happen though

1681

01:10:45,510 --> 01:10:42,840

no all right solar marshall with some

1682

01:10:46,229 --> 01:10:45,520

breaking information to share about john

1683

01:10:48,229 --> 01:10:46,239

lear telling

1684

01:10:50,550 --> 01:10:48,239

carrie cassie to shut up or shut her

1685

01:10:52,790 --> 01:10:50,560

mouth was it i don't know

1686

01:10:54,870 --> 01:10:52,800

send me the link otherwise we're gonna

1687

01:10:58,229 --> 01:10:54,880

wrap things up here

1688

01:11:07,189 --> 01:10:58,239

soon solar marshall so we can share it

1689

01:11:15,270 --> 01:11:10,229

lee beltman la and then nephilim always

1690

01:11:20,870 --> 01:11:18,870

well i think those peruvian

1691

01:11:22,870 --> 01:11:20,880

not the peruvian mummies i think those

1692

01:11:24,950 --> 01:11:22,880

elongated skulls are sure interesting

1693

01:11:27,990 --> 01:11:24,960

because some of them look like

1694

01:11:30,310 --> 01:11:28,000

that's not cranial deformation um

1695

01:11:32,630 --> 01:11:30,320

and it looks like some don't have the

1696

01:11:35,990 --> 01:11:32,640

same sutures as a regular

1697

01:11:37,990 --> 01:11:36,000

human and there's really some

1698

01:11:39,990 --> 01:11:38,000

fascinating like somebody did some

1699

01:11:42,470 --> 01:11:40,000

graphics of what those people look like

1700

01:11:49,270 --> 01:11:42,480

in real life it's pretty interesting

1701

01:11:52,630 --> 01:11:50,709

the only stuff i found interesting from

1702

01:11:54,709 --> 01:11:52,640

hussain were the mothership releasing

1703

01:11:58,709 --> 01:11:54,719

spheres footage of ufos that had me

1704

01:12:01,990 --> 01:12:00,870

yeah i don't think that i saw that oh

1705

01:12:05,350 --> 01:12:02,000

i'm sure that i had

1706

01:12:08,229 --> 01:12:05,360

a long way somewhere but

1707

01:12:09,990 --> 01:12:08,239

he has six design thank you for sharing

1708

01:12:12,310 --> 01:12:10,000

be sure to help truth seeker stephen

1709

01:12:13,510 --> 01:12:12,320

campion out on patreon yeah if you guys

1710

01:12:17,270 --> 01:12:13,520

want to see

1711

01:12:23,110 --> 01:12:21,030

more of this subject matter and

1712

01:12:25,110 --> 01:12:23,120

if you could i would highly appreciate

1713

01:12:26,630 --> 01:12:25,120

you supporting me on patreon in fact as

1714

01:12:28,870 --> 01:12:26,640

soon as i'm finished with tonight's

1715

01:12:30,470 --> 01:12:28,880

broadcast i'm going to make the patreon

1716

01:12:32,790 --> 01:12:30,480

benefits for this month

1717

01:12:34,229 --> 01:12:32,800

which are an uh behind the scenes audio

1718

01:12:37,510 --> 01:12:34,239

journal

1719

01:12:39,510 --> 01:12:37,520

i'm going to share uh

1720

01:12:41,510 --> 01:12:39,520

some information about the book that

1721

01:12:43,830 --> 01:12:41,520

kalkorf just published and

1722

01:12:45,830 --> 01:12:43,840

sort of put me as a co-author even

1723

01:12:48,390 --> 01:12:45,840

though i have very little to do with it

1724

01:12:49,189 --> 01:12:48,400

and uh there will be a new mind hack

1725

01:12:52,390 --> 01:12:49,199

demo

1726

01:12:53,110 --> 01:12:52,400

this month and i was really hoping to

1727

01:12:56,229 --> 01:12:53,120

finish the

1728

01:13:01,990 --> 01:12:56,239

alpha release of

1729

01:13:03,910 --> 01:13:02,000

for those that don't know i have my own

1730

01:13:04,310 --> 01:13:03,920

sort of linux distribution and it's

1731

01:13:08,070 --> 01:13:04,320

called

1732

01:13:11,430 --> 01:13:08,080

altos altos or alt os

1733

01:13:14,870 --> 01:13:11,440

the alternative operating system the new

1734

01:13:20,149 --> 01:13:18,390

70 gigs of software include it with it

1735

01:13:21,990 --> 01:13:20,159

it's a huge download and some people are

1736

01:13:23,990 --> 01:13:22,000

complaining about that but honestly this

1737

01:13:25,590 --> 01:13:24,000

is the way that i prefer to make it

1738

01:13:27,110 --> 01:13:25,600

if you don't because people are like why

1739

01:13:27,430 --> 01:13:27,120

don't you just make it smaller and then

1740

01:13:30,550 --> 01:13:27,440

have

1741

01:13:31,030 --> 01:13:30,560

add-ons people want things and uh that's

1742

01:13:33,270 --> 01:13:31,040

good

1743

01:13:35,910 --> 01:13:33,280

but for me it's easier to maintain the

1744

01:13:37,750 --> 01:13:35,920

system as just one big huge

1745

01:13:39,669 --> 01:13:37,760

software it's not disorganized or

1746

01:13:41,910 --> 01:13:39,679

anything it's very organized

1747

01:13:43,189 --> 01:13:41,920

you know uh how to access each of the

1748

01:13:47,110 --> 01:13:43,199

software is included

1749

01:13:49,510 --> 01:13:47,120

but i like it big i like it

1750

01:13:50,390 --> 01:13:49,520

expansive so they can have any

1751

01:13:52,630 --> 01:13:50,400

application that

1752

01:13:53,990 --> 01:13:52,640

any user might need to get some work

1753

01:13:55,510 --> 01:13:54,000

done or do something

1754

01:13:58,830 --> 01:13:55,520

there's tons of video editors there are

1755

01:14:02,390 --> 01:13:58,840

tons of graphic editors

1756

01:14:04,390 --> 01:14:02,400

uh oh yeah i don't mind

1757

01:14:06,229 --> 01:14:04,400

also sending a prayer to vanessa today

1758

01:14:08,229 --> 01:14:06,239

yeah if everybody could sort of have a

1759

01:14:10,229 --> 01:14:08,239

moment of silence and send her some good

1760

01:14:12,790 --> 01:14:10,239

positive thoughts or a prayer or a

1761

01:14:14,149 --> 01:14:12,800

meditation or a dedication whatever it

1762

01:14:18,229 --> 01:14:14,159

is you're into

1763

01:14:20,709 --> 01:14:18,239

uh vanessa thor uh is being evacuated

1764

01:14:23,430 --> 01:14:20,719

due to the wildfires and i saw a post

1765

01:14:24,229 --> 01:14:23,440

earlier that she's had to sort of put

1766

01:14:28,790 --> 01:14:24,239

her pig up

1767

01:14:31,830 --> 01:14:28,800

at she's got a pet pig interesting girl

1768

01:14:34,550 --> 01:14:31,840

so uh you know i

1769

01:14:36,390 --> 01:14:34,560

i just gotta say like i really hope the

1770

01:14:38,470 --> 01:14:36,400

best for her i hope that she's safe and

1771

01:14:39,510 --> 01:14:38,480

warm wherever she is and her family is

1772

01:14:41,590 --> 01:14:39,520

okay

1773

01:14:42,950 --> 01:14:41,600

and i hope that the uh that the

1774

01:14:45,030 --> 01:14:42,960

situation

1775

01:14:46,630 --> 01:14:45,040

resolves itself soon and positively for

1776

01:14:50,470 --> 01:14:46,640

her that's got to be

1777

01:14:54,709 --> 01:14:50,480

terrible like i don't even know what

1778

01:14:59,750 --> 01:14:57,750

because the fire could uh really

1779

01:15:07,510 --> 01:14:59,760

endanger your home if they're evacuating

1780

01:15:14,790 --> 01:15:10,390

skeptical channel is really good i've

1781

01:15:23,430 --> 01:15:16,630

goddess of thunder yeah everybody pray

1782

01:15:26,870 --> 01:15:25,270

stranger things had some hilarious

1783

01:15:30,070 --> 01:15:26,880

feature x

1784

01:15:32,790 --> 01:15:30,080

including starring musan i didn't know i

1785

01:15:34,870 --> 01:15:32,800

you listen i tried to start start

1786

01:15:36,470 --> 01:15:34,880

stranger things i got about 20 minutes

1787

01:15:38,790 --> 01:15:36,480

into it and i don't know

1788

01:15:40,630 --> 01:15:38,800

i just fell asleep or something and then

1789

01:15:41,510 --> 01:15:40,640

the next time i try to do it i fell

1790

01:15:42,950 --> 01:15:41,520

asleep again

1791

01:15:44,550 --> 01:15:42,960

a little further in i couldn't get

1792

01:15:45,669 --> 01:15:44,560

through the first episode so i was kind

1793

01:15:47,350 --> 01:15:45,679

of like

1794

01:15:48,630 --> 01:15:47,360

and i know that series starts slow and

1795

01:15:49,350 --> 01:15:48,640

it's supposed to get really really good

1796

01:15:52,870 --> 01:15:49,360

later

1797

01:15:53,510 --> 01:15:52,880

i'm gonna try again i guess yes carol

1798

01:15:55,030 --> 01:15:53,520

utley

1799

01:15:56,630 --> 01:15:55,040

sending prayers for vanessa i guess

1800

01:15:58,470 --> 01:15:56,640

we're also going to try to send some

1801
01:16:01,030 --> 01:15:58,480
prayers for vanessa dennis coach says

1802
01:16:03,110 --> 01:16:01,040
the same thing prayers for vanessa

1803
01:16:04,870 --> 01:16:03,120
yeah i really i really wish her the best

1804
01:16:06,709 --> 01:16:04,880
i hope everything works out for her

1805
01:16:08,149 --> 01:16:06,719
i know she's not here tonight which

1806
01:16:09,350 --> 01:16:08,159
means she's still in the middle of

1807
01:16:12,229 --> 01:16:09,360
moving things or

1808
01:16:13,350 --> 01:16:12,239
or you know attending to her family and

1809
01:16:15,910 --> 01:16:13,360
things

1810
01:16:17,990 --> 01:16:15,920
we wish you the best vanessa i hope

1811
01:16:19,430 --> 01:16:18,000
everything works out and also i think it

1812
01:16:23,189 --> 01:16:19,440
was her birthday so

1813
01:16:24,950 --> 01:16:23,199

happy birthday either today or yesterday

1814

01:16:27,030 --> 01:16:24,960

was her birthday so happy birthday

1815

01:16:28,550 --> 01:16:27,040

vanessa but that's not something you

1816

01:16:36,550 --> 01:16:28,560

want for your birthday to get your

1817

01:16:40,630 --> 01:16:38,550

after last summer fires here and oz is

1818

01:16:41,590 --> 01:16:40,640

anything to go by i hope vanessa will be

1819

01:16:43,830 --> 01:16:41,600

fine

1820

01:16:45,590 --> 01:16:43,840

yeah let's hope so friends let's all

1821

01:16:47,590 --> 01:16:45,600

think of her for a moment and send some

1822

01:16:52,630 --> 01:16:47,600

positive thoughts and prayers

1823

01:16:56,870 --> 01:16:55,510

as coach i got five episodes in stranger

1824

01:16:59,270 --> 01:16:56,880

things

1825

01:17:01,110 --> 01:16:59,280

and haven't got back to it yet yeah i

1826

01:17:01,990 --> 01:17:01,120

think my wife started watching and she

1827

01:17:09,350 --> 01:17:02,000

told me i would love

1828

01:17:14,830 --> 01:17:10,870

yeah she told me i would like it but i

1829

01:17:18,630 --> 01:17:14,840

haven't gotten i haven't gotten to it

1830

01:17:26,390 --> 01:17:20,709

depth of the forestry was so much better

1831

01:17:30,790 --> 01:17:27,910

you guys should check those feautres

1832

01:17:33,830 --> 01:17:30,800

on youtube i think you'll like it

1833

01:17:35,350 --> 01:17:33,840

uh i didn't even know i mean my son was

1834

01:17:35,830 --> 01:17:35,360

in stranger things but it kind of makes

1835

01:17:38,390 --> 01:17:35,840

sense

1836

01:17:43,510 --> 01:17:38,400

it's called stranger things and he does

1837

01:17:48,070 --> 01:17:45,830

agreed force management sucks in the

1838

01:17:49,189 --> 01:17:48,080

west i'm not sure if that's the issue or

1839

01:17:51,910 --> 01:17:49,199

you know a lot of people say it's

1840

01:17:54,390 --> 01:17:51,920

because of global warming or you know

1841

01:17:56,390 --> 01:17:54,400

uh climate change there's a lot less

1842

01:17:58,550 --> 01:17:56,400

rain so maybe the forests are much

1843

01:18:01,750 --> 01:17:58,560

drier and that can create certainly

1844

01:18:03,910 --> 01:18:01,760

create more forest fires right

1845

01:18:05,590 --> 01:18:03,920

i always hate it once in a while near

1846

01:18:07,189 --> 01:18:05,600

the cabin they put out like a

1847

01:18:08,630 --> 01:18:07,199

like an advisory that you're not

1848

01:18:10,149 --> 01:18:08,640

supposed to have a before you're not

1849

01:18:11,910 --> 01:18:10,159

supposed to have a campfire and

1850

01:18:13,590 --> 01:18:11,920

i'm always kind of like listen i got a

1851

01:18:16,790 --> 01:18:13,600

hose right next to my

1852

01:18:19,350 --> 01:18:16,800

right next to my cabin

1853

01:18:19,910 --> 01:18:19,360

you know uh and i go to the cabin to

1854

01:18:23,910 --> 01:18:19,920

have

1855

01:18:34,790 --> 01:18:25,590

but sometimes they put out these no burn

1856

01:18:38,310 --> 01:18:36,550

dennis coach do you mind if i ask how

1857

01:18:40,310 --> 01:18:38,320

much brush you're going to cut back from

1858

01:18:43,350 --> 01:18:40,320

your new home

1859

01:18:45,750 --> 01:18:43,360

um not much more

1860

01:18:47,270 --> 01:18:45,760

i have a few trees that are really

1861

01:18:51,030 --> 01:18:47,280

really in the way

1862

01:18:52,950 --> 01:18:51,040

and those gotta go and um

1863

01:18:55,110 --> 01:18:52,960

yeah i like it woodsy there so i want to

1864

01:18:57,270 --> 01:18:55,120

take out as little as possible

1865

01:18:58,630 --> 01:18:57,280

i'm going to um i'm going to trim some

1866

01:19:00,149 --> 01:18:58,640

of the trees right around that

1867

01:19:02,310 --> 01:19:00,159

greenhouse though like i'm going to take

1868

01:19:04,870 --> 01:19:02,320

some of the branches off the trees

1869

01:19:05,990 --> 01:19:04,880

so that we get more sun in the sun

1870

01:19:08,070 --> 01:19:06,000

eventually

1871

01:19:09,510 --> 01:19:08,080

but those trees around it are probably

1872

01:19:20,550 --> 01:19:09,520

going to stay there

1873

01:19:24,870 --> 01:19:23,350

you can solar marshall i have it how do

1874

01:19:25,590 --> 01:19:24,880

i send it you can send it to me on

1875

01:19:27,990 --> 01:19:25,600

youtube

1876

01:19:29,189 --> 01:19:28,000

or i'm sorry you could put the link

1877

01:19:31,350 --> 01:19:29,199

right in the chat

1878

01:19:33,189 --> 01:19:31,360

and i could go over to youtube chat and

1879

01:19:34,630 --> 01:19:33,199

get it or you can send it to me on

1880

01:19:40,229 --> 01:19:34,640

facebook and i will

1881

01:19:43,990 --> 01:19:42,070

and do you have a time stamp or is it

1882

01:19:45,030 --> 01:19:44,000

like the whole video that you're sending

1883

01:19:51,430 --> 01:19:45,040

me is

1884

01:19:53,270 --> 01:19:51,440

what you want me to share

1885

01:19:54,470 --> 01:19:53,280

yeah you can send it to me go ahead just

1886

01:19:56,950 --> 01:19:54,480

send it to me right in facebook

1887

01:19:59,110 --> 01:19:56,960

messenger

1888

01:20:00,149 --> 01:19:59,120

i have to send it to your facebook okay

1889

01:20:02,830 --> 01:20:00,159

yeah that's fine

1890

01:20:14,870 --> 01:20:02,840

tell her marshall send it to me on

1891

01:20:18,070 --> 01:20:17,189

oh also just a bit of business to get

1892

01:20:19,270 --> 01:20:18,080

out of the way

1893

01:20:22,070 --> 01:20:19,280

i wanted to mention that we had the

1894

01:20:23,910 --> 01:20:22,080

smallest adult on here and uh

1895

01:20:25,590 --> 01:20:23,920

i don't know somehow at the end of that

1896

01:20:28,709 --> 01:20:25,600

show

1897

01:20:30,950 --> 01:20:28,719

it somehow got into politics and

1898

01:20:32,629 --> 01:20:30,960

i don't want to cover politics i don't

1899

01:20:35,510 --> 01:20:32,639

want to get involved in the middle of a

1900

01:20:38,470 --> 01:20:35,520

fight or a disagreement between

1901
01:20:40,149 --> 01:20:38,480
a guest and members of the live chat who

1902
01:20:41,750 --> 01:20:40,159
disagree with that guest's political

1903
01:20:45,350 --> 01:20:41,760
opinions i don't want to

1904
01:20:48,550 --> 01:20:45,360
get into trump versus biden

1905
01:20:50,470 --> 01:20:48,560
i just don't want to do politics so

1906
01:20:52,229 --> 01:20:50,480
for future reference we're not going to

1907
01:20:55,350 --> 01:20:52,239
do politics here

1908
01:20:57,189 --> 01:20:55,360
everyone uh should feel welcome and uh i

1909
01:20:58,950 --> 01:20:57,199
think that when people start arguing

1910
01:21:00,470 --> 01:20:58,960
politics things get divisive and then

1911
01:21:03,750 --> 01:21:00,480
people feel unwelcome

1912
01:21:05,669 --> 01:21:03,760
does that make sense uh

1913
01:21:08,149 --> 01:21:05,679

everyone's welcome here regardless of

1914

01:21:08,790 --> 01:21:08,159

your political beliefs or affiliations

1915

01:21:12,070 --> 01:21:08,800

or

1916

01:21:13,910 --> 01:21:12,080

think as a criminal

1917

01:21:15,590 --> 01:21:13,920

i personally think that all politicians

1918

01:21:16,709 --> 01:21:15,600

are criminals and that's how i approach

1919

01:21:19,430 --> 01:21:16,719

politics

1920

01:21:21,110 --> 01:21:19,440

and i go by the number one rule of my

1921

01:21:22,709 --> 01:21:21,120

life which is i don't believe

1922

01:21:24,390 --> 01:21:22,719

anything that the united states

1923

01:21:27,590 --> 01:21:24,400

government tells me

1924

01:21:29,910 --> 01:21:27,600

uh and i kind of look at the whole

1925

01:21:32,310 --> 01:21:29,920

especially national elections as a

1926

01:21:34,870 --> 01:21:32,320

circus and it's not my circus but i'll

1927

01:21:37,189 --> 01:21:34,880

watch it occasionally but i will not

1928

01:21:45,189 --> 01:21:37,199

participate in that circus

1929

01:21:48,709 --> 01:21:47,030

dennis coach don't do politics trust me

1930

01:21:52,070 --> 01:21:48,719

on that one yeah i

1931

01:21:53,750 --> 01:21:52,080

absolutely agree yeah no politics

1932

01:21:57,030 --> 01:21:53,760

yeah and i think that the disagreement

1933

01:22:00,870 --> 01:21:57,040

stemmed from this guest asserting that

1934

01:22:03,669 --> 01:22:00,880

um antifa was a very

1935

01:22:04,629 --> 01:22:03,679

dangerous cult-like mentality or or

1936

01:22:07,750 --> 01:22:04,639

something like that

1937

01:22:08,709 --> 01:22:07,760

and uh somebody that's very supportive

1938

01:22:12,070 --> 01:22:08,719

of antifa

1939

01:22:15,990 --> 01:22:12,080

took issue with that and then

1940

01:22:17,750 --> 01:22:16,000

you know uh you know like

1941

01:22:19,590 --> 01:22:17,760

i don't want to take sides either way

1942

01:22:21,189 --> 01:22:19,600

but i think the issue was over who was

1943

01:22:25,430 --> 01:22:21,199

causing the riots was it

1944

01:22:27,830 --> 01:22:25,440

antifa or was it uh white supremacists

1945

01:22:30,390 --> 01:22:27,840

who want to create chaos and blame it on

1946

01:22:35,110 --> 01:22:30,400

anti-fun blm and like honestly i don't

1947

01:22:38,149 --> 01:22:35,120

i don't want to get into it i i abhor

1948

01:22:41,990 --> 01:22:38,159

and do not condone violence in

1949

01:22:42,870 --> 01:22:42,000

almost every case uh i think the rioting

1950

01:22:45,830 --> 01:22:42,880

and lootings

1951

01:22:47,270 --> 01:22:45,840

is ridiculous i don't really think it

1952

01:22:49,990 --> 01:22:47,280

serves a purpose

1953

01:22:51,590 --> 01:22:50,000

uh other than to create or to create

1954

01:22:53,830 --> 01:22:51,600

chaos and destroy things

1955

01:22:54,870 --> 01:22:53,840

and i just don't want to take sides of

1956

01:22:56,790 --> 01:22:54,880

who's

1957

01:22:57,910 --> 01:22:56,800

whoever is creating the riots in the

1958

01:23:01,430 --> 01:22:57,920

chaos is

1959

01:23:04,550 --> 01:23:01,440

uh is the bad actor uh and i don't think

1960

01:23:06,790 --> 01:23:04,560

arguing over who that is is very

1961

01:23:08,550 --> 01:23:06,800

productive and we just don't this is not

1962

01:23:10,629 --> 01:23:08,560

a show about politics you know i'm not

1963

01:23:12,470 --> 01:23:10,639

rush limbaugh here so

1964

01:23:16,550 --> 01:23:12,480

i ask people to just leave that stuff at

1965

01:23:27,189 --> 01:23:18,310

charles unleashed kerry disabled the

1966

01:23:27,199 --> 01:23:33,189

oh good you clipped it dan clipped it so

1967

01:23:33,199 --> 01:23:41,669

i'm trying to play it now though

1968

01:23:41,679 --> 01:23:45,189

okay so it's a still

1969

01:23:48,390 --> 01:23:46,950

all right we're gonna we're gonna play

1970

01:23:51,590 --> 01:23:48,400

this

1971

01:23:56,070 --> 01:23:51,600

john lee or freak out

1972

01:24:01,669 --> 01:23:58,229

let's listen to what john lear has to

1973

01:24:03,830 --> 01:24:01,679

say crazy carrie cassidy

1974

01:24:05,990 --> 01:24:03,840

gotta say i'm not a fan of carrie

1975

01:24:07,990 --> 01:24:06,000

cassidy not really a fan of john lee or

1976

01:24:10,229 --> 01:24:08,000

either after all the guy talks about

1977

01:24:12,149 --> 01:24:10,239

fighting monsters in vietnam and you

1978

01:24:14,149 --> 01:24:12,159

know thousands of people living on the

1979

01:24:17,430 --> 01:24:14,159

moon and is it saturn or

1980

01:24:19,189 --> 01:24:17,440

maybe it's uranus i don't know uh he

1981

01:24:23,830 --> 01:24:19,199

talks about some crazy [h__\h] too

1982

01:24:25,510 --> 01:24:23,840

so uh let's see if we can't share this

1983

01:24:27,510 --> 01:24:25,520

you know again i'm gonna cite fair use

1984

01:24:29,510 --> 01:24:27,520

we're educating the public about

1985

01:24:31,990 --> 01:24:29,520

i guess john lee are telling crazy

1986

01:24:36,550 --> 01:24:32,000

carrie cassidy to shut up

1987

01:24:36,560 --> 01:24:43,350

one second make sure i share the audio

1988

01:24:48,629 --> 01:24:46,629

okay here we are friends so this is a

1989

01:24:50,790 --> 01:24:48,639

clip contributed to our show by solar

1990

01:24:51,910 --> 01:24:50,800

marshall i suppose it's from the carrie

1991

01:24:53,669 --> 01:24:51,920

cassidy

1992

01:24:56,070 --> 01:24:53,679

project camelot show so we're going to

1993

01:24:57,350 --> 01:24:56,080

cite fair use fair use we are educating

1994

01:24:59,189 --> 01:24:57,360

the public about

1995

01:25:00,709 --> 01:24:59,199

i guess johnny are telling her to shut

1996

01:25:02,870 --> 01:25:00,719

up or something

1997

01:25:04,470 --> 01:25:02,880

i have not seen this myself so this

1998

01:25:06,070 --> 01:25:04,480

should be good friends let's take a

1999

01:25:08,870 --> 01:25:06,080

listen and i think we have just a still

2000

01:25:11,030 --> 01:25:08,880

of john lear and then the audio

2001
01:25:12,870 --> 01:25:11,040
actually we have cities on the moon and

2002
01:25:15,430 --> 01:25:12,880
mars

2003
01:25:16,310 --> 01:25:15,440
underground bases there we have all

2004
01:25:19,430 --> 01:25:16,320
kinds of uh

2005
01:25:21,669 --> 01:25:19,440
secret space uh equipment there and i've

2006
01:25:23,750 --> 01:25:21,679
got so many witnesses to this

2007
01:25:25,830 --> 01:25:23,760
um you know that that is kind of over

2008
01:25:27,189 --> 01:25:25,840
the top uh now if you want to change

2009
01:25:29,030 --> 01:25:27,199
your story about that and you want to

2010
01:25:31,350 --> 01:25:29,040
say we we're not there

2011
01:25:32,229 --> 01:25:31,360
um then you know that's your business

2012
01:25:35,189 --> 01:25:32,239
and that's okay

2013
01:25:36,870 --> 01:25:35,199

uh and but if that's the case then you

2014

01:25:38,149 --> 01:25:36,880

know we probably should move on but you

2015

01:25:40,470 --> 01:25:38,159

know they're they're actually

2016

01:25:43,350 --> 01:25:40,480

they don't have all this space equipment

2017

01:25:46,470 --> 01:25:43,360

and secret space program

2018

01:25:47,430 --> 01:25:46,480

to not go into space okay so i guess the

2019

01:25:49,510 --> 01:25:47,440

argument is over

2020

01:25:50,950 --> 01:25:49,520

that john lear used to say that there

2021

01:25:52,550 --> 01:25:50,960

was thousands of people living on the

2022

01:25:53,910 --> 01:25:52,560

moon and stuff and maybe he's changed

2023

01:25:55,669 --> 01:25:53,920

his thoughts and views on that and

2024

01:25:57,430 --> 01:25:55,679

carrie cassidy's not having it

2025

01:25:59,750 --> 01:25:57,440

there's no reason to have a secret space

2026

01:26:03,510 --> 01:25:59,760

program if you don't go in space

2027

01:26:05,270 --> 01:26:03,520

jerry this isn't you with me

2028

01:26:08,310 --> 01:26:05,280

i want you to shut your mouth while i

2029

01:26:10,470 --> 01:26:08,320

talk i'm talking right now actually yeah

2030

01:26:12,229 --> 01:26:10,480

yeah i wasn't thinking i'm not going to

2031

01:26:13,590 --> 01:26:12,239

get in my mouth while i'm talking

2032

01:26:15,830 --> 01:26:13,600

because that would be that would mean

2033

01:26:18,470 --> 01:26:15,840

i'm not talking

2034

01:26:20,629 --> 01:26:18,480

you know i'm i'm asking you you know i'm

2035

01:26:26,470 --> 01:26:20,639

asking you a different question

2036

01:26:30,790 --> 01:26:29,750

that's fine but the fact is at this time

2037

01:26:32,790 --> 01:26:30,800

at this point

2038

01:26:34,550 --> 01:26:32,800

i don't believe we've been to the moon

2039

01:26:37,110 --> 01:26:34,560

and i don't believe we've been to mars

2040

01:26:40,070 --> 01:26:37,120

all right fair enough that's fine so

2041

01:26:40,080 --> 01:26:43,750

oh boy

2042

01:26:47,430 --> 01:26:45,830

so now he first he said that there was

2043

01:26:48,070 --> 01:26:47,440

thousands i'm sure that i've heard him

2044

01:26:50,229 --> 01:26:48,080

say that

2045

01:26:51,830 --> 01:26:50,239

thousands of people live on the moon at

2046

01:26:53,430 --> 01:26:51,840

one point

2047

01:26:54,870 --> 01:26:53,440

uh and now he's saying he doesn't

2048

01:26:56,550 --> 01:26:54,880

believe we've ever been to the moon or

2049

01:26:59,270 --> 01:26:56,560

mars

2050

01:27:01,030 --> 01:26:59,280

interesting and it's always funny to me

2051

01:27:02,470 --> 01:27:01,040

i can't even stand to listen to kerry

2052

01:27:04,310 --> 01:27:02,480

cassidy interview people because she

2053

01:27:06,470 --> 01:27:04,320

always makes the interview about herself

2054

01:27:09,270 --> 01:27:06,480

like she starts talking about her

2055

01:27:12,070 --> 01:27:09,280

psychic powers and [h__\h]

2056

01:27:12,790 --> 01:27:12,080

and i just i just i zone out i can't

2057

01:27:15,910 --> 01:27:12,800

listen to that

2058

01:27:20,229 --> 01:27:15,920

she's just too crazy

2059

01:27:22,950 --> 01:27:20,239

garbage um but interesting to see her

2060

01:27:23,669 --> 01:27:22,960

going back and forth with uh john lear

2061

01:27:25,110 --> 01:27:23,679

there's a

2062

01:27:27,189 --> 01:27:25,120

really funny video we should have a

2063

01:27:30,950 --> 01:27:27,199

watch party one night of her like

2064

01:27:32,790 --> 01:27:30,960

arguing with stephen greer about

2065

01:27:34,470 --> 01:27:32,800

i believe it was they were she was

2066

01:27:36,550 --> 01:27:34,480

arguing with him because he says that

2067

01:27:38,390 --> 01:27:36,560

all ets are benevolent

2068

01:27:40,070 --> 01:27:38,400

which i can't believe i'm going to say

2069

01:27:40,870 --> 01:27:40,080

this but i actually agree with carrie

2070

01:27:43,110 --> 01:27:40,880

cassidy

2071

01:27:44,709 --> 01:27:43,120

uh you that's such a stupid statement

2072

01:27:47,990 --> 01:27:44,719

how do you know that all

2073

01:27:48,470 --> 01:27:48,000

ets are benevolent and so carrie cassidy

2074

01:27:51,510 --> 01:27:48,480

like

2075

01:27:53,590 --> 01:27:51,520

was really forcefully and aggressively

2076

01:27:57,270 --> 01:27:53,600

arguing with stephen greer in this

2077

01:28:00,390 --> 01:27:57,280

one video uh where they interview him

2078

01:28:01,910 --> 01:28:00,400

and it is funny as [h__h]

2079

01:28:03,430 --> 01:28:01,920

because steven greer starts getting a

2080

01:28:04,709 --> 01:28:03,440

little hot under the collar and pissed

2081

01:28:07,590 --> 01:28:04,719

off too

2082

01:28:08,790 --> 01:28:07,600

it's a great video we should do a watch

2083

01:28:20,390 --> 01:28:08,800

party on that actually thanks for

2084

01:28:23,590 --> 01:28:23,030

okay john thanked me for recording this

2085

01:28:27,110 --> 01:28:23,600

i put

2086

01:28:31,110 --> 01:28:27,120

talk to her anymore

2087

01:28:32,790 --> 01:28:31,120

okay i didn't know that

2088

01:28:34,790 --> 01:28:32,800

i would love to see her flag the videos

2089

01:28:35,830 --> 01:28:34,800

so stephen will get the youtube email

2090

01:28:38,229 --> 01:28:35,840

saying it was her

2091

01:28:39,510 --> 01:28:38,239

no let her try we say fair use that's

2092

01:28:41,270 --> 01:28:39,520

fair use

2093

01:28:42,629 --> 01:28:41,280

we're allowed to do that she's a public

2094

01:28:46,070 --> 01:28:42,639

figure and uh

2095

01:28:49,030 --> 01:28:46,080

that's one of her interviews

2096

01:28:50,709 --> 01:28:49,040

and it's of interest to my listeners and

2097

01:28:53,910 --> 01:28:50,719

the community here

2098

01:28:58,229 --> 01:28:53,920

uh possibly so she has no right to stop

2099

01:29:02,870 --> 01:29:00,310

it's interesting when people copyright

2100

01:29:04,550 --> 01:29:02,880

or privacy strike you it's usually

2101
01:29:06,550 --> 01:29:04,560
you know especially if you're skeptical

2102
01:29:08,470 --> 01:29:06,560
of their views or opinions isn't it

2103
01:29:09,990 --> 01:29:08,480
funny that if somebody makes a video

2104
01:29:13,189 --> 01:29:10,000
like saying that

2105
01:29:15,830 --> 01:29:13,199
one of these ufo husters is real and

2106
01:29:17,830 --> 01:29:15,840
uses portions of their videos they don't

2107
01:29:19,990 --> 01:29:17,840
copyright strike them but if somebody is

2108
01:29:22,830 --> 01:29:20,000
a little more skeptical like me

2109
01:29:24,310 --> 01:29:22,840
and uh sort of goes after them and their

2110
01:29:26,149 --> 01:29:24,320
claims

2111
01:29:27,750 --> 01:29:26,159
you get a copyright strike if you use

2112
01:29:30,470 --> 01:29:27,760
their material

2113
01:29:30,870 --> 01:29:30,480

for educational purpose and that says a

2114

01:29:33,430 --> 01:29:30,880

lot

2115

01:29:34,550 --> 01:29:33,440

about uh these people making these all

2116

01:29:37,669 --> 01:29:34,560

these ridiculous

2117

01:29:42,870 --> 01:29:39,830

what did you carry cassie to get thrown

2118

01:29:46,709 --> 01:29:44,550

i didn't know that i knew she got

2119

01:29:49,910 --> 01:29:46,719

demonetized but did she get thrown off

2120

01:29:49,920 --> 01:29:55,350

let's uh

2121

01:29:55,360 --> 01:29:59,910

let's take a look

2122

01:30:03,030 --> 01:30:02,070

i know she's been having that pandemic

2123

01:30:05,350 --> 01:30:03,040

doctor on

2124

01:30:07,030 --> 01:30:05,360

even after being warned and stuff not to

2125

01:30:09,830 --> 01:30:07,040

do that sort of and it's against the

2126
01:30:12,390 --> 01:30:09,840
terms of service

2127
01:30:15,830 --> 01:30:12,400
but i don't know that they actually

2128
01:30:21,590 --> 01:30:15,840
struck her channel down now

2129
01:30:26,390 --> 01:30:21,600
so it's still there

2130
01:30:27,910 --> 01:30:26,400
yeah she's still there man

2131
01:30:31,830 --> 01:30:27,920
i think we're going to have to go woo

2132
01:30:34,790 --> 01:30:31,840
friends 281 000 subscribers

2133
01:30:35,910 --> 01:30:34,800
but you know for having that huge of a

2134
01:30:44,070 --> 01:30:35,920
sub base her

2135
01:30:47,990 --> 01:30:45,830
yeah i don't know what to make of any of

2136
01:30:49,350 --> 01:30:48,000
the numbers but by the way i guess

2137
01:30:51,110 --> 01:30:49,360
we should celebrate because we had

2138
01:30:53,430 --> 01:30:51,120

another milestone here with our channel

2139

01:30:55,590 --> 01:30:53,440

and today we hit 600 subscribers so

2140

01:30:58,790 --> 01:30:55,600

thank you please like comment

2141

01:31:04,470 --> 01:30:58,800

subscribe and share this video we'd

2142

01:31:13,030 --> 01:31:07,430

rodrigo carrie makes stuff up to bump

2143

01:31:18,070 --> 01:31:16,310

kevin moore has put a hurting on her

2144

01:31:20,070 --> 01:31:18,080

yeah i think that's where i first heard

2145

01:31:22,149 --> 01:31:20,080

the term crazy carrie cassidy

2146

01:31:24,950 --> 01:31:22,159

and i have to agree with him on that oh

2147

01:31:28,709 --> 01:31:24,960

there's paranormal hood

2148

01:31:32,790 --> 01:31:31,350

welcome smoke king or jiggy i'm not

2149

01:31:41,110 --> 01:31:32,800

always confused of which

2150

01:31:45,030 --> 01:31:43,030

yes pbr street gang she was pissed

2151
01:31:46,470 --> 01:31:45,040
because youtube demonetized her videos

2152
01:31:47,510 --> 01:31:46,480
yeah well that's where she was making

2153
01:31:49,430 --> 01:31:47,520
her money so

2154
01:31:51,669 --> 01:31:49,440
i guess i would be pissed too but you

2155
01:31:53,590 --> 01:31:51,679
know what she kept doing was a clear

2156
01:31:55,189 --> 01:31:53,600
violation of the terms of service

2157
01:31:57,110 --> 01:31:55,199
if you were so concerned with keeping

2158
01:31:57,990 --> 01:31:57,120
your money you would have played nice

2159
01:32:01,510 --> 01:31:58,000
with youtube

2160
01:32:04,629 --> 01:32:01,520
and youtube algorithm ai gods by the way

2161
01:32:06,149 --> 01:32:04,639
praise the ai gods praise the youtube

2162
01:32:08,870 --> 01:32:06,159
algorithm

2163
01:32:09,430 --> 01:32:08,880

all praise and by the way praise the

2164

01:32:11,590 --> 01:32:09,440

cash

2165

01:32:13,270 --> 01:32:11,600

please let somebody send me some money

2166

01:32:26,070 --> 01:32:13,280

there's paypal donate links

2167

01:32:29,110 --> 01:32:26,080

and patreon links in the about section

2168

01:32:30,870 --> 01:32:29,120

yeah absolutely if you want me and trap

2169

01:32:31,590 --> 01:32:30,880

we'll do this show one night yeah tell

2170

01:32:33,430 --> 01:32:31,600

him that i

2171

01:32:36,229 --> 01:32:33,440

he sent me his book and that was the

2172

01:32:36,870 --> 01:32:36,239

best book on ufos that i've read in 10

2173

01:32:38,629 --> 01:32:36,880

years

2174

01:32:40,870 --> 01:32:38,639

i really highly recommend michael

2175

01:32:43,830 --> 01:32:40,880

schratt's latest book on ufos

2176
01:32:45,669 --> 01:32:43,840
because it covers little known ufo cases

2177
01:32:46,709 --> 01:32:45,679
some of which i never even heard of and

2178
01:32:49,270 --> 01:32:46,719
i've heard of most

2179
01:32:51,270 --> 01:32:49,280
so uh it was a very well researched book

2180
01:32:52,950 --> 01:32:51,280
well put together and he

2181
01:32:55,110 --> 01:32:52,960
gives these beautiful and amazing

2182
01:32:56,149 --> 01:32:55,120
illustrations of ufos that people have

2183
01:33:02,950 --> 01:32:56,159
seen

2184
01:33:07,110 --> 01:33:04,870
whatever happened to that secure team 10

2185
01:33:08,550 --> 01:33:07,120
guy i know he got arrested for dui

2186
01:33:10,790 --> 01:33:08,560
and then sort of claimed that the men in

2187
01:33:12,310 --> 01:33:10,800
black framed them uh which is [h__h]

2188
01:33:16,229 --> 01:33:12,320

because people got the

2189

01:33:18,229 --> 01:33:16,239

dash cam um people got the dash cam

2190

01:33:19,910 --> 01:33:18,239

videos of him getting pulled over for

2191

01:33:21,350 --> 01:33:19,920

dui and it's

2192

01:33:22,629 --> 01:33:21,360

i was going to cover that but then i

2193

01:33:24,470 --> 01:33:22,639

thought you don't want to kick a guy

2194

01:33:26,070 --> 01:33:24,480

when he's down i just hope that he gets

2195

01:33:28,229 --> 01:33:26,080

the help that he needs for his alcohol

2196

01:33:31,430 --> 01:33:28,239

or drug related problems

2197

01:33:33,430 --> 01:33:31,440

i totally don't not a fan

2198

01:33:35,189 --> 01:33:33,440

he's been caught hoaxing stuff over and

2199

01:33:38,790 --> 01:33:35,199

over and over again

2200

01:33:40,550 --> 01:33:38,800

and see this is what pisses me off like

2201

01:33:42,390 --> 01:33:40,560

we work really hard at investigating

2202

01:33:44,870 --> 01:33:42,400

these strange subjects and trying to get

2203

01:33:47,750 --> 01:33:44,880

to the actual truth of some of them

2204

01:33:48,390 --> 01:33:47,760

um and other people basically just make

2205

01:33:50,870 --> 01:33:48,400

up [h__h]

2206

01:33:52,070 --> 01:33:50,880

and if you look at the channel uh the

2207

01:33:53,590 --> 01:33:52,080

channels and the numbers

2208

01:33:55,350 --> 01:33:53,600

the people who are just out there making

2209

01:33:58,950 --> 01:33:55,360

up [h__h]

2210

01:34:02,390 --> 01:33:58,960

they are vastly vastly uh

2211

01:34:03,830 --> 01:34:02,400

larger numbers than someone like me gets

2212

01:34:05,510 --> 01:34:03,840

and i guess that says something about

2213

01:34:09,990 --> 01:34:05,520

the world people want

2214

01:34:12,149 --> 01:34:10,000

fantasy they don't want reality um

2215

01:34:13,669 --> 01:34:12,159

i'm still fascinated by these subjects

2216

01:34:14,950 --> 01:34:13,679

though and i think some of them are

2217

01:34:17,110 --> 01:34:14,960

worth investigating

2218

01:34:18,070 --> 01:34:17,120

but when you just straight making [h__h]

2219

01:34:21,030 --> 01:34:18,080

up

2220

01:34:22,709 --> 01:34:21,040

uh and then the universe rewards you in

2221

01:34:26,950 --> 01:34:22,719

the form of money or

2222

01:34:34,709 --> 01:34:26,960

you know a large fan base um

2223

01:34:39,430 --> 01:34:37,990

so yeah uh solar marshall let's schedule

2224

01:34:40,790 --> 01:34:39,440

a time let's get with

2225

01:34:42,550 --> 01:34:40,800

let's get with michael stratt i've

2226
01:34:43,030 --> 01:34:42,560
always thought michael stratt's research

2227
01:34:45,510 --> 01:34:43,040
was

2228
01:34:46,070 --> 01:34:45,520
excellent i love all of his black budget

2229
01:34:49,830 --> 01:34:46,080
project

2230
01:34:52,149 --> 01:34:49,840
stuff and i love all of his uh you know

2231
01:34:52,870 --> 01:34:52,159
illustration work that he does and stuff

2232
01:34:55,590 --> 01:34:52,880
like that

2233
01:34:56,709 --> 01:34:55,600
a great researcher great guy i'd love to

2234
01:34:59,590 --> 01:34:56,719
pick his brain about

2235
01:35:01,350 --> 01:34:59,600
a lot of different cases and yeah

2236
01:35:02,870 --> 01:35:01,360
rodrigo says frat says he has so much

2237
01:35:04,629 --> 01:35:02,880
material and most people hardly will

2238
01:35:08,629 --> 01:35:04,639

ever get to see everything

2239

01:35:09,990 --> 01:35:08,639

yeah so uh maybe we can help him share

2240

01:35:13,270 --> 01:35:10,000

some of it here

2241

01:35:16,310 --> 01:35:13,280

i for one oh i got blurry there we go

2242

01:35:18,470 --> 01:35:16,320

i for one would be happy to uh

2243

01:35:20,790 --> 01:35:18,480

to sort of uh share anything that he

2244

01:35:22,629 --> 01:35:20,800

wanted to talk about or share or promote

2245

01:35:24,149 --> 01:35:22,639

especially this new book i gotta tell

2246

01:35:27,189 --> 01:35:24,159

you friends this new book is

2247

01:35:31,510 --> 01:35:27,199

amazing i thought it was the best book

2248

01:35:33,270 --> 01:35:31,520

about ufos that i've seen in 10 years

2249

01:35:35,189 --> 01:35:33,280

and i and you know what it came to me at

2250

01:35:36,550 --> 01:35:35,199

a time when i'm just burned out of all

2251

01:35:39,669 --> 01:35:36,560

these ufo stories

2252

01:35:42,870 --> 01:35:39,679

and then i get a good book like from him

2253

01:35:51,510 --> 01:35:42,880

and uh it sort of reignited my interest

2254

01:35:55,189 --> 01:35:53,830

yes that's kind of fan bases are fickle

2255

01:35:59,189 --> 01:35:55,199

yeah they really are

2256

01:36:00,149 --> 01:35:59,199

they really are yes or marshall let's

2257

01:36:02,709 --> 01:36:00,159

work it out

2258

01:36:04,709 --> 01:36:02,719

absolutely he's going to talk to michael

2259

01:36:05,109 --> 01:36:04,719

stratt right now yeah i would love to do

2260

01:36:08,229 --> 01:36:05,119

that

2261

01:36:10,310 --> 01:36:08,239

let's do it let's book it

2262

01:36:12,470 --> 01:36:10,320

as far as upcoming shows honestly i have

2263

01:36:15,030 --> 01:36:12,480

no idea

2264

01:36:16,550 --> 01:36:15,040

i've got a like four or five solo shows

2265

01:36:17,270 --> 01:36:16,560

that i'm going to do and then i've just

2266

01:36:18,790 --> 01:36:17,280

started

2267

01:36:20,310 --> 01:36:18,800

i really have to make a point getting

2268

01:36:21,830 --> 01:36:20,320

better at this

2269

01:36:23,430 --> 01:36:21,840

i've started reaching out to some

2270

01:36:26,709 --> 01:36:23,440

potential guests that i think would

2271

01:36:27,990 --> 01:36:26,719

be great for our show but haven't heard

2272

01:36:30,470 --> 01:36:28,000

back from many

2273

01:36:32,470 --> 01:36:30,480

so we'll see where we take this thing

2274

01:36:35,990 --> 01:36:32,480

going forward if anyone has any

2275

01:36:37,990 --> 01:36:36,000

suggestions for shows i'm all ears you

2276

01:36:40,470 --> 01:36:38,000

guys know you can always

2277

01:36:42,030 --> 01:36:40,480

there's an email in the about section

2278

01:36:47,430 --> 01:36:42,040

it's truth seeker show

2279

01:36:49,510 --> 01:36:47,440

gmail.com truthseekershow.gmail.com

2280

01:36:51,189 --> 01:36:49,520

so if you have a show suggestion like

2281

01:36:53,590 --> 01:36:51,199

tonight's show was basically

2282

01:36:55,350 --> 01:36:53,600

suggested by a viewer who wanted to see

2283

01:36:59,270 --> 01:36:55,360

what my thoughts were on this

2284

01:37:02,470 --> 01:36:59,280

particular story um

2285

01:37:03,430 --> 01:37:02,480

yeah we aim to please here and i'm down

2286

01:37:06,709 --> 01:37:03,440

for most

2287

01:37:09,510 --> 01:37:06,719

of the uh any

2288

01:37:11,030 --> 01:37:09,520

any good story i'm down to cover so you

2289

01:37:13,590 --> 01:37:11,040

know and we want to

2290

01:37:15,270 --> 01:37:13,600

certainly want to do the fan service

2291

01:37:20,790 --> 01:37:15,280

what what you guys want to see

2292

01:37:22,229 --> 01:37:20,800

i want to give it to you um

2293

01:37:24,550 --> 01:37:22,239

and you know a lot of people have been

2294

01:37:27,030 --> 01:37:24,560

asking me to get back into covering

2295

01:37:28,550 --> 01:37:27,040

certain people uh like corey good and

2296

01:37:30,629 --> 01:37:28,560

others and i'm not sure

2297

01:37:31,590 --> 01:37:30,639

what we're gonna do about that i sort of

2298

01:37:35,350 --> 01:37:31,600

checked back in

2299

01:37:37,270 --> 01:37:35,360

and then i was sort of reminded of why i

2300

01:37:37,750 --> 01:37:37,280

checked out on that guy and others like

2301

01:37:40,310 --> 01:37:37,760

him

2302

01:37:42,229 --> 01:37:40,320

for the most part i just don't see any

2303

01:37:43,270 --> 01:37:42,239

value of me spending time listening to

2304

01:37:45,910 --> 01:37:43,280

that guy talk

2305

01:37:48,870 --> 01:37:45,920

because there's just no value in

2306

01:37:51,350 --> 01:37:48,880

anything that he talks about

2307

01:37:52,790 --> 01:37:51,360

so you know covering him is simply like

2308

01:37:55,030 --> 01:37:52,800

let's listen to him talk

2309

01:37:56,149 --> 01:37:55,040

let's say why this is [h__h] let's

2310

01:37:58,390 --> 01:37:56,159

listen to the talk

2311

01:38:00,830 --> 01:37:58,400

let's say why this is [h__h] and it's

2312

01:38:04,229 --> 01:38:00,840

it's just to me it's not very

2313

01:38:07,430 --> 01:38:04,239

compelling or very interesting

2314

01:38:07,990 --> 01:38:07,440

though some people really want me to

2315

01:38:10,229 --> 01:38:08,000

cover them

2316

01:38:12,229 --> 01:38:10,239

if people really want me to continue uh

2317

01:38:13,750 --> 01:38:12,239

our past coverage

2318

01:38:15,270 --> 01:38:13,760

i don't know i think we did one show

2319

01:38:16,310 --> 01:38:15,280

once in a while about that guy and how

2320

01:38:21,189 --> 01:38:16,320

ridiculous his

2321

01:38:28,550 --> 01:38:22,950

mika hanks would be good if you're into

2322

01:38:32,390 --> 01:38:30,629

oh and six of design posts and excellent

2323

01:38:34,310 --> 01:38:32,400

black programs michael schratt on the

2324

01:38:40,310 --> 01:38:34,320

ufo chronicles

2325

01:38:43,590 --> 01:38:42,149

pbr street gang deeper dive on dylan

2326

01:38:45,510 --> 01:38:43,600

would be interesting yeah i got a part

2327

01:38:47,590 --> 01:38:45,520

two but i gotta listen to like eight

2328

01:38:49,510 --> 01:38:47,600

more hours of richard dolan trying to

2329

01:38:50,790 --> 01:38:49,520

pump up these wilson documents with his

2330

01:38:53,830 --> 01:38:50,800

bullshittery

2331

01:38:55,030 --> 01:38:53,840

uh and sort of unpack and debunk a lot

2332

01:38:57,350 --> 01:38:55,040

of the [h__h]

2333

01:38:58,390 --> 01:38:57,360

stories that he's telling in order to do

2334

01:39:00,149 --> 01:38:58,400

that part two

2335

01:39:01,990 --> 01:39:00,159

it's been on my list of things to do i

2336

01:39:04,470 --> 01:39:02,000

promise that we'll get back to that

2337

01:39:05,750 --> 01:39:04,480

uh and hopefully sooner rather than

2338

01:39:07,350 --> 01:39:05,760

later

2339

01:39:09,350 --> 01:39:07,360

the cattle mutilations might be

2340

01:39:10,070 --> 01:39:09,360

interesting it's on my list already and

2341

01:39:13,270 --> 01:39:10,080

i have a

2342

01:39:17,590 --> 01:39:13,280

pretty good deal of uh

2343

01:39:19,350 --> 01:39:17,600

a pretty good deal of research on that

2344

01:39:21,669 --> 01:39:19,360

good wilcox only needs coverage when the

2345

01:39:23,109 --> 01:39:21,679

court dates happen in my opinion yeah i

2346

01:39:26,229 --> 01:39:23,119

think that the judge is going to rule on

2347

01:39:30,310 --> 01:39:26,239

those motions to dismiss in october

2348

01:39:33,910 --> 01:39:30,320

uh i think october 18th from what call

2349

01:39:41,830 --> 01:39:33,920

um hopefully

2350

01:39:43,910 --> 01:39:41,840

educate herself on the [h__h]

2351
01:39:46,390 --> 01:39:43,920
factory that is corey good and know that

2352
01:39:48,470 --> 01:39:46,400
these lawsuits are frivolous

2353
01:39:49,510 --> 01:39:48,480
and is just some [h__h] out there on

2354
01:39:51,590 --> 01:39:49,520
the internet

2355
01:39:53,270 --> 01:39:51,600
telling fake stories that's pissed off

2356
01:39:54,390 --> 01:39:53,280
because people are going on the internet

2357
01:39:56,950 --> 01:39:54,400
and saying excuse me

2358
01:39:58,550 --> 01:39:56,960
your stories are fake he thinks that he

2359
01:40:00,550 --> 01:39:58,560
should be allowed to just spew [h__h]

2360
01:40:02,229 --> 01:40:00,560
stories and nobody's allowed to critique

2361
01:40:03,910 --> 01:40:02,239
his [h__h] stories

2362
01:40:05,590 --> 01:40:03,920
that's what most of these lawsuits are

2363
01:40:07,750 --> 01:40:05,600

about well that and him fighting over

2364

01:40:12,550 --> 01:40:07,760

money with his former manager

2365

01:40:20,390 --> 01:40:12,560

and uh writer right and

2366

01:40:24,390 --> 01:40:22,229

what about quantum fighter court belt

2367

01:40:25,590 --> 01:40:24,400

don't get me started not a fan

2368

01:40:28,229 --> 01:40:25,600

i'm just going to leave it at that you

2369

01:40:31,830 --> 01:40:28,239

know i'm trying to uh

2370

01:40:36,149 --> 01:40:31,840

i'm trying to just leave

2371

01:40:37,830 --> 01:40:36,159

sleeping dogs sleep does that make sense

2372

01:40:39,510 --> 01:40:37,840

everybody most people know how i feel

2373

01:40:41,430 --> 01:40:39,520

about that guy

2374

01:40:42,950 --> 01:40:41,440

corbel an alien scientist would be a

2375

01:40:45,109 --> 01:40:42,960

good debate to referee

2376

01:40:47,350 --> 01:40:45,119

he'll he'll never agree to it because he

2377

01:40:50,149 --> 01:40:47,360

can't withstand debate or argument

2378

01:40:51,030 --> 01:40:50,159

he blocks and deletes anyone from his

2379

01:40:54,709 --> 01:40:51,040

social media

2380

01:40:57,430 --> 01:40:54,719

that chimes in and says excuse me uh

2381

01:40:58,950 --> 01:40:57,440

your facts are not facts or whatever

2382

01:41:00,390 --> 01:40:58,960

anybody that's critical of him gets

2383

01:41:02,390 --> 01:41:00,400

instantly banned from his

2384

01:41:04,470 --> 01:41:02,400

existence he's not going to debate

2385

01:41:04,950 --> 01:41:04,480

somebody like alien scientist or solar

2386

01:41:07,510 --> 01:41:04,960

marshal

2387

01:41:08,950 --> 01:41:07,520

or me because he can't because he's an

2388

01:41:11,189 --> 01:41:08,960

intellectual weakling

2389

01:41:13,669 --> 01:41:11,199

and there we go again let's just leave

2390

01:41:16,790 --> 01:41:13,679

sleeping dogs sleep

2391

01:41:34,629 --> 01:41:16,800

is or is it like let sleeping dogs lie

2392

01:41:43,270 --> 01:41:37,270

dolan does the same thing agreed charles

2393

01:41:47,270 --> 01:41:45,350

yeah jeremy seems to be losing his

2394

01:41:52,390 --> 01:41:47,280

marbles these days he wants to believe

2395

01:42:00,070 --> 01:41:56,709

yeah like i said not a fan

2396

01:42:02,390 --> 01:42:00,080

let's just leave it at that

2397

01:42:03,990 --> 01:42:02,400

a lot of posters lie constantly it would

2398

01:42:05,669 --> 01:42:04,000

take all week on a constant stream to

2399

01:42:13,430 --> 01:42:05,679

cover just one day and their many lives

2400

01:42:18,709 --> 01:42:16,470

solar marshal he watches me

2401
01:42:19,830 --> 01:42:18,719
just so he sees what the newest debunks

2402
01:42:23,030 --> 01:42:19,840
on lazar are

2403
01:42:26,830 --> 01:42:23,040
yeah you gotta you gotta you gotta

2404
01:42:29,430 --> 01:42:26,840
you know you gotta do research on your

2405
01:42:31,270 --> 01:42:29,440
competition

2406
01:42:32,870 --> 01:42:31,280
so marshall steve do you do shows on the

2407
01:42:34,629 --> 01:42:32,880
weekends um

2408
01:42:36,550 --> 01:42:34,639
i'm at the cabin on weekends and i'm

2409
01:42:37,830 --> 01:42:36,560
trying to and for some reason we're

2410
01:42:40,229 --> 01:42:37,840
failing miserably

2411
01:42:41,109 --> 01:42:40,239
the streams work from the cabin but they

2412
01:42:44,310 --> 01:42:41,119
look like [h__h]

2413
01:42:46,229 --> 01:42:44,320

and i don't know why and uh

2414

01:42:47,910 --> 01:42:46,239

i'm gonna work on that this weekend and

2415

01:42:49,669 --> 01:42:47,920

i refuse to have another show from the

2416

01:42:50,149 --> 01:42:49,679

cabin that looks shitty no matter if i

2417

01:42:52,390 --> 01:42:50,159

have to

2418

01:42:53,990 --> 01:42:52,400

cart the same webcam from here the same

2419

01:42:55,189 --> 01:42:54,000

lighting the same backdrop whatever i

2420

01:42:56,870 --> 01:42:55,199

gotta do

2421

01:42:58,950 --> 01:42:56,880

i just don't like it when you put the

2422

01:43:00,709 --> 01:42:58,960

time and effort and energy into a show

2423

01:43:03,350 --> 01:43:00,719

and then it looks like amateur hour

2424

01:43:06,149 --> 01:43:03,360

garbage like it looked like 144 p

2425

01:43:06,870 --> 01:43:06,159

than the last two shows and i don't know

2426

01:43:09,189 --> 01:43:06,880

why that is

2427

01:43:10,870 --> 01:43:09,199

because on my end it looks fine i could

2428

01:43:11,910 --> 01:43:10,880

see myself on the screen it looks high

2429

01:43:13,910 --> 01:43:11,920

def

2430

01:43:15,510 --> 01:43:13,920

then the stream goes up and it is

2431

01:43:17,189 --> 01:43:15,520

[h__\h] horrible

2432

01:43:19,189 --> 01:43:17,199

so but these are the things that happen

2433

01:43:21,350 --> 01:43:19,199

with the live show

2434

01:43:22,709 --> 01:43:21,360

um you know i always say you've got to

2435

01:43:24,390 --> 01:43:22,719

roll with the punches but those

2436

01:43:26,149 --> 01:43:24,400

punches are getting hard to take when he

2437

01:43:28,229 --> 01:43:26,159

puts time and energy and effort and

2438

01:43:31,030 --> 01:43:28,239

dedication into doing a good show

2439

01:43:32,870 --> 01:43:31,040

and the content is good but it looks

2440

01:43:35,990 --> 01:43:32,880

horrible like somebody put a

2441

01:43:37,430 --> 01:43:36,000

post on one of the on one of the videos

2442

01:43:38,790 --> 01:43:37,440

somebody commented something

2443

01:43:40,709 --> 01:43:38,800

and i don't think they meant it to be

2444

01:43:41,510 --> 01:43:40,719

nasty and they were it was a valid

2445

01:43:43,109 --> 01:43:41,520

criticism

2446

01:43:46,310 --> 01:43:43,119

somebody said something like oh my god

2447

01:43:48,870 --> 01:43:46,320

is your camera a potato

2448

01:43:50,790 --> 01:43:48,880

it looked terrible so we have to work on

2449

01:43:53,189 --> 01:43:50,800

that if i can get it

2450

01:43:55,189 --> 01:43:53,199

working good and looking decent from the

2451
01:44:13,750 --> 01:43:55,199
cabin sure we're going to continue to do

2452
01:44:19,109 --> 01:44:16,870
paranormal jiggy is here and he says cpt

2453
01:44:19,990 --> 01:44:19,119
and he had to educate me i wasn't sure

2454
01:44:25,189 --> 01:44:20,000
what that was

2455
01:44:28,229 --> 01:44:27,430
and uh jiggy of course is allowed to use

2456
01:44:30,550 --> 01:44:28,239
that term

2457
01:44:32,390 --> 01:44:30,560
i think uh it would be disrespectful if

2458
01:44:35,430 --> 01:44:32,400
i used that term for myself

2459
01:44:35,990 --> 01:44:35,440
but yeah jiggy's on cpt colored people

2460
01:44:38,229 --> 01:44:36,000
time

2461
01:44:41,270 --> 01:44:38,239
so he's way late he's way late to the

2462
01:44:45,350 --> 01:44:44,390
and friends i just noticed uh i just

2463
01:44:47,430 --> 01:44:45,360

noticed that we're

2464

01:44:49,030 --> 01:44:47,440

coming up on an hour and 45 minutes so i

2465

01:44:49,910 --> 01:44:49,040

think we're gonna we're gonna call this

2466

01:44:53,830 --> 01:44:49,920

one a video

2467

01:44:55,910 --> 01:44:53,840

we're gonna play our outro

2468

01:44:57,990 --> 01:44:55,920

and i got another bunch of work to do

2469

01:45:00,070 --> 01:44:58,000

for you guys tonight in order to get the

2470

01:45:01,189 --> 01:45:00,080

patreon benefits to you by the end of

2471

01:45:03,350 --> 01:45:01,199

the month

2472

01:45:04,790 --> 01:45:03,360

i'm going to do my very best to do that

2473

01:45:07,270 --> 01:45:04,800

again we're going to have

2474

01:45:09,109 --> 01:45:07,280

a new mind hack demo and an audio

2475

01:45:11,430 --> 01:45:09,119

journal about this month

2476

01:45:14,790 --> 01:45:11,440

behind the scenes you get that for the

2477

01:45:18,790 --> 01:45:16,229

paranormal jiggy you're supposed to

2478

01:45:20,229 --> 01:45:18,800

start at 10. yeah i know but uh i've

2479

01:45:22,390 --> 01:45:20,239

been starting later than that

2480

01:45:24,310 --> 01:45:22,400

or earlier than that if i can so that i

2481

01:45:27,590 --> 01:45:24,320

can do some other work before

2482

01:45:29,109 --> 01:45:27,600

before the night ends for me and then

2483

01:45:30,870 --> 01:45:29,119

nighttime is the best time for me to get

2484

01:45:33,109 --> 01:45:30,880

any work done because generally my kids

2485

01:45:35,189 --> 01:45:33,119

won't be screaming and running around

2486

01:45:37,189 --> 01:45:35,199

banging [h__h] and breaking [h__h] and boy

2487

01:45:40,310 --> 01:45:37,199

today was a rough one

2488

01:45:43,350 --> 01:45:40,320

just one of those rough ones

2489

01:45:45,669 --> 01:45:43,360

so friends uh we may return to the

2490

01:45:46,470 --> 01:45:45,679

subject of stargates in the near future

2491

01:45:48,470 --> 01:45:46,480

i've got

2492

01:45:50,629 --> 01:45:48,480

a bunch more material that i think might

2493

01:45:53,669 --> 01:45:50,639

be interesting to look into

2494

01:45:56,709 --> 01:45:53,679

i'm not sure what uh you know

2495

01:45:58,310 --> 01:45:56,719

uh what evidence can actually be found

2496

01:45:59,189 --> 01:45:58,320

but i'm going to try i'm at least going

2497

01:46:13,350 --> 01:45:59,199

to try

2498

01:46:16,629 --> 01:46:13,360

to find some of the evidence

2499

01:46:17,830 --> 01:46:16,639

so friends until next time well first i

2500

01:46:19,830 --> 01:46:17,840

want to thank each and every one of you

2501
01:46:21,990 --> 01:46:19,840
for joining us and remind you to please

2502
01:46:23,350 --> 01:46:22,000
there's two ways to support me either

2503
01:46:26,390 --> 01:46:23,360
financially through

2504
01:46:28,550 --> 01:46:26,400
patreon or paypal or like

2505
01:46:29,990 --> 01:46:28,560
comment subscribe share and send this

2506
01:46:31,830 --> 01:46:30,000
video to some friends

2507
01:46:33,590 --> 01:46:31,840
that you know may be interested in these

2508
01:46:35,590 --> 01:46:33,600
strange subjects that would help us

2509
01:46:38,149 --> 01:46:35,600
tremendously here and cost you

2510
01:46:40,310 --> 01:46:38,159
nothing that's a great way to support

2511
01:46:42,149 --> 01:46:40,320
our show here

2512
01:46:43,910 --> 01:46:42,159
i want to thank you all for joining us

2513
01:46:45,350 --> 01:46:43,920

thank you all for helping us to spread

2514

01:46:47,510 --> 01:46:45,360

the show

2515

01:46:49,830 --> 01:46:47,520

it means a lot to me uh that i could see

2516

01:46:51,990 --> 01:46:49,840

you guys retweeting and resending stuff

2517

01:46:53,270 --> 01:46:52,000

and sharing this video on your social

2518

01:46:54,950 --> 01:46:53,280

media or

2519

01:46:57,030 --> 01:46:54,960

you know each show some of you guys do

2520

01:46:59,990 --> 01:46:57,040

it every time i post a show

2521

01:47:00,870 --> 01:47:00,000

you share it i really do appreciate it

2522

01:47:03,590 --> 01:47:00,880

and it

2523

01:47:04,470 --> 01:47:03,600

definitely helps so until next time

2524

01:47:06,950 --> 01:47:04,480

friends

2525

01:47:28,010 --> 01:47:06,960

my name is stephen champion good night

2526
01:47:28,020 --> 01:47:34,830
[Music]

2527
01:47:43,460 --> 01:47:36,120
so

2528
01:48:25,680 --> 01:47:50,780
[Music]

2529
01:48:50,650 --> 01:48:25,690
[Applause]

2530
01:48:52,630 --> 01:48:50,660
[Music]

2531
01:49:20,810 --> 01:48:52,640
[Applause]

2532
01:49:21,810 --> 01:49:20,820
[Music]
