[Music]

2
00:02:17,910 --> 00:02:13,589
greetings

3
00:02:19,910 --> 00:02:17,920
salutations and welcome back

4
00:02:23,030 --> 00:02:19,920
it has been a while since we've been

5
00:02:26,869 --> 00:02:23,040
back and for that i apologize

6
00:02:31,750 --> 00:02:29,589
a lot of different projects and

7
00:02:36,070 --> 00:02:31,760
especially the cabin project

8
00:02:38,790 --> 00:02:36,080
and uh you know sometimes the time

9
00:02:40,869 --> 00:02:38,800
to check in even is not even really

10
00:02:43,350 --> 00:02:40,879
there

11
00:02:44,869 --> 00:02:43,360
um today i thought we would take a

12
00:02:46,390 --> 00:02:44,879
detour of sorts

13
00:02:49,350 --> 00:02:46,400

and talk about something a little

14

00:02:53,430 --> 00:02:49,360

different from our usual topics and that

15

00:02:57,589 --> 00:02:53,440

is uh social media

16

00:03:01,509 --> 00:02:57,599

its effects on us is it a good thing

17

00:03:03,990 --> 00:03:01,519

is it a bad thing or is it simply a tool

18

00:03:04,710 --> 00:03:04,000

and like many tools whether it's good or

19

00:03:07,270 --> 00:03:04,720

bad

20

00:03:10,070 --> 00:03:07,280

will be determined by how you use that

21

00:03:16,830 --> 00:03:12,869

you know i think the tool analogy is

22

00:03:22,869 --> 00:03:19,030

uh for example

23

00:03:25,110 --> 00:03:22,879

if i have an axe i can chop wood with

24

00:03:28,789 --> 00:03:25,120

that axe and heat my home

25

00:03:32,149 --> 00:03:28,799

it's a tool that can benefit myself

26

00:03:34,390 --> 00:03:32,159

and my family if i

27

00:03:36,149 --> 00:03:34,400

needed money i could chop wood for

28

00:03:40,070 --> 00:03:36,159

others so could also be

29

00:03:40,630 --> 00:03:40,080

a tool for business uh but that same

30

00:03:43,910 --> 00:03:40,640

tool

31

00:03:47,190 --> 00:03:43,920

and axe i could take over to my

32

00:03:49,030 --> 00:03:47,200

neighbor's house and chop his head off

33

00:03:51,190 --> 00:03:49,040

with

34

00:03:54,550 --> 00:03:51,200

i'm a big believer that many things are

35

00:03:57,350 --> 00:03:54,560

tools and it's how we use the tools

36

00:03:59,990 --> 00:03:57,360

that really determine their worth or

37

00:04:03,830 --> 00:04:00,000

whether they're good or bad

38

00:04:06,070 --> 00:04:03,840

and uh like that analogy i think social

39

00:04:08,710 --> 00:04:06,080

media is a tool

40

00:04:11,110 --> 00:04:08,720

throughout my life uh social media from

41

00:04:13,910 --> 00:04:11,120

its very beginnings

42

00:04:14,869 --> 00:04:13,920

my space i remember being really big to

43

00:04:18,550 --> 00:04:14,879

promote that

44

00:04:21,749 --> 00:04:18,560

rock band i was in um

45

00:04:23,749 --> 00:04:21,759

and now i promote all of my things

46

00:04:26,790 --> 00:04:23,759

whatever i'm working on i sort of

47

00:04:30,629 --> 00:04:26,800

promote on social media on twitter

48

00:04:32,230 --> 00:04:30,639

on facebook uh i'm really a slacker on

49

00:04:33,110 --> 00:04:32,240

instagram i'm just gonna take the link

50

00:04:38,310 --> 00:04:33,120

down

51
00:04:42,310 --> 00:04:40,950
but i recently got to see this social

52
00:04:44,070 --> 00:04:42,320
dilemma uh

53
00:04:45,909 --> 00:04:44,080
documentary it's on netflix if you

54
00:04:48,310 --> 00:04:45,919
haven't seen it yet

55
00:04:50,150 --> 00:04:48,320
boy i highly recommend that you that you

56
00:04:57,990 --> 00:04:50,160
do

57
00:05:00,870 --> 00:04:58,000
gives me a pass

58
00:05:02,070 --> 00:05:00,880
to veg because i justify it by saying

59
00:05:03,430 --> 00:05:02,080
well but i'm learning

60
00:05:05,590 --> 00:05:03,440
something you know like this is a

61
00:05:06,870 --> 00:05:05,600
documentary about the planet mars and

62
00:05:08,710 --> 00:05:06,880
i'm going to learn all about the planet

63
00:05:12,710 --> 00:05:08,720

more so i'm not really just

64

00:05:14,230 --> 00:05:12,720

vegging out i try to listen intently and

65

00:05:16,870 --> 00:05:14,240

learn something but

66

00:05:19,430 --> 00:05:16,880

i love documentaries you get something

67

00:05:21,990 --> 00:05:19,440

out of them i really think that it's

68

00:05:22,950 --> 00:05:22,000

you're better off watching documentaries

69

00:05:26,469 --> 00:05:22,960

all the time than

70

00:05:29,830 --> 00:05:26,479

fiction most of the time

71

00:05:31,990 --> 00:05:29,840

but i do i like fiction i spend i'd say

72

00:05:33,909 --> 00:05:32,000

70 percent of my time if i'm watching

73

00:05:36,390 --> 00:05:33,919

something as documentary

74

00:05:38,230 --> 00:05:36,400

and maybe 30 percent i don't really have

75

00:05:40,150 --> 00:05:38,240

time to watch much of anything but when

76

00:05:41,029 --> 00:05:40,160

i do that's about the ratio that i try

77

00:05:42,950 --> 00:05:41,039

to keep because

78

00:05:44,550 --> 00:05:42,960

i like documentaries i feel like you get

79

00:05:46,790 --> 00:05:44,560

some knowledge

80

00:05:48,469 --> 00:05:46,800

you get something out of them but you

81

00:05:49,189 --> 00:05:48,479

can get things out of fiction too like

82

00:05:51,670 --> 00:05:49,199

just

83

00:05:52,310 --> 00:05:51,680

being entertained you know good comedy

84

00:05:54,550 --> 00:05:52,320

movie

85

00:05:57,029 --> 00:05:54,560

you laugh your ass off there's value in

86

00:05:58,230 --> 00:05:57,039

that as well

87

00:06:00,550 --> 00:05:58,240

generally i just find more in

88

00:06:00,950 --> 00:06:00,560

documentaries i like to learn things so

89

00:06:03,749 --> 00:06:00,960

this

90

00:06:05,189 --> 00:06:03,759

social dilemma documentary came out on

91

00:06:06,550 --> 00:06:05,199

wikipedia

92

00:06:08,469 --> 00:06:06,560

and a friend of mine who works in

93

00:06:08,790 --> 00:06:08,479

silicon valley who i haven't spoken to

94

00:06:10,629 --> 00:06:08,800

in

95

00:06:12,629 --> 00:06:10,639

quite some time called me and asked me

96

00:06:14,790 --> 00:06:12,639

if i'd seen it yet and i

97

00:06:16,950 --> 00:06:14,800

this is a few weeks ago hadn't even

98

00:06:17,749 --> 00:06:16,960

heard of it so i said no i'll check it

99

00:06:20,150 --> 00:06:17,759

out

100

00:06:21,670 --> 00:06:20,160

he insisted he said you've got to watch

101

00:06:24,469 --> 00:06:21,680

this

102

00:06:25,350 --> 00:06:24,479

and i got to say that even having a lot

103

00:06:28,070 --> 00:06:25,360

of friends

104

00:06:29,350 --> 00:06:28,080

that work in the computer industry and

105

00:06:32,710 --> 00:06:29,360

having a background

106

00:06:34,629 --> 00:06:32,720

somewhat in computer science

107

00:06:37,029 --> 00:06:34,639

a lot of things in this documentary were

108

00:06:40,309 --> 00:06:37,039

incredibly shocking to me

109

00:06:41,990 --> 00:06:40,319

um so

110

00:06:43,430 --> 00:06:42,000

uh for those that don't know i'm just

111

00:06:46,469 --> 00:06:43,440

going to read some things from

112

00:06:49,510 --> 00:06:46,479

wikipedia about this movie and imdb

113

00:06:52,550 --> 00:06:49,520

the social dilemma is the 2020 american

114

00:06:55,909 --> 00:06:52,560

docu-drama directed by jeff

115

00:06:59,670 --> 00:06:55,919

werlowski and written by

116

00:07:01,589 --> 00:06:59,680

orlowski davis crumby and vicky

117

00:07:03,510 --> 00:07:01,599

curtis the film explores the rise of

118

00:07:05,830 --> 00:07:03,520

social media and the damage it has

119

00:07:08,469 --> 00:07:05,840

caused to society focusing on its

120

00:07:09,510 --> 00:07:08,479

exploitation of its users for financial

121

00:07:12,629 --> 00:07:09,520

gain

122

00:07:16,070 --> 00:07:12,639

through surveillance capitalism and

123

00:07:19,589 --> 00:07:16,080

data mining how its design is meant to

124

00:07:21,830 --> 00:07:19,599

nurture an addiction its use in politics

125

00:07:23,589 --> 00:07:21,840

its effects on mental health including

126

00:07:26,150 --> 00:07:23,599

the mental health of

127

00:07:27,749 --> 00:07:26,160

adolescents and rising teen suicide

128

00:07:30,150 --> 00:07:27,759

rates and its role in spreading

129

00:07:31,670 --> 00:07:30,160

conspiracy theories such as pizzagate

130

00:07:34,870 --> 00:07:31,680

and aiding groups

131

00:07:36,790 --> 00:07:34,880

such as flat earthers

132

00:07:38,070 --> 00:07:36,800

the film features interviews with former

which

149

00:08:20,869 --> 00:08:18,879

tell the story of a teenager social

150

00:08:23,029 --> 00:08:20,879

media addiction yeah so they have some

151

00:08:24,390 --> 00:08:23,039

sort of recreation in this too which i

152

00:08:27,430 --> 00:08:24,400

think was really well done

153

00:08:29,670 --> 00:08:27,440

and explained very well about just how

154

00:08:32,310 --> 00:08:29,680

the social media companies are able to

155

00:08:37,829 --> 00:08:32,320

keep you engaged to push your buttons to

156

00:08:41,829 --> 00:08:39,909

like i said i have a background in

157

00:08:44,790 --> 00:08:41,839

computer science but even i was

158

00:08:48,710 --> 00:08:44,800

surprised at the level that these

159

00:08:51,750 --> 00:08:48,720

companies are somehow willing to go to

160

00:08:53,829 --> 00:08:51,760

it's amazing to me and

161

00:08:56,389 --> 00:08:53,839

it made me think of that old saying like

162

00:08:59,030 --> 00:08:56,399

just because you can do something

163

00:08:59,990 --> 00:08:59,040

doesn't mean you should do something but

164

00:09:02,310 --> 00:09:00,000

i think

165

00:09:03,990 --> 00:09:02,320

my sort of analysis of the way these

166

00:09:07,430 --> 00:09:04,000

companies

167

00:09:10,230 --> 00:09:07,440

really took off was they

168

00:09:11,910 --> 00:09:10,240

it was incremental right it wasn't just

169

00:09:13,750 --> 00:09:11,920

overnight they were doing all these

170

00:09:16,790 --> 00:09:13,760

things to us at once

171

00:09:19,910 --> 00:09:16,800

uh but they sort of kept

172

00:09:23,190 --> 00:09:19,920

creeping more and more into our privacy

173

00:09:25,190 --> 00:09:23,200

into our freedoms into our ability to

174

00:09:26,870 --> 00:09:25,200

uh make our own decisions you know

175

00:09:28,389 --> 00:09:26,880

they're really really trying to

176

00:09:31,829 --> 00:09:28,399

influence us

177

00:09:33,990 --> 00:09:31,839

uh one second

178

00:09:36,070 --> 00:09:34,000

i'm gonna play the trailer from the film

179

00:09:37,110 --> 00:09:36,080

i think this is a very important film i

180

00:09:39,590 --> 00:09:37,120

highly recommend

181

00:09:41,350 --> 00:09:39,600

that you uh watch this i'm not being

182

00:09:43,110 --> 00:09:41,360

compensated by uh

183

00:09:44,949 --> 00:09:43,120

i'm sure not being compensated by

184

00:09:47,750 --> 00:09:44,959

anybody related to the film or by

185

00:09:49,590 --> 00:09:47,760

uh or by stream yard and even though

186

00:09:51,030 --> 00:09:49,600

this is a film trailer which i think is

187

00:09:52,710 --> 00:09:51,040

okay to share we're still going to cite

188

00:09:53,829 --> 00:09:52,720

fair use we're educating the public

189

00:09:56,230 --> 00:09:53,839

about

190

00:09:58,630 --> 00:09:56,240

social media and this film the social

191

00:10:01,110 --> 00:09:58,640

dilemma

192

00:10:02,870 --> 00:10:01,120

so this is fair use we're using it as an

193

00:10:06,630 --> 00:10:02,880

educational tool

194

00:10:09,509 --> 00:10:06,640

to educate the public okay

195

00:10:10,949 --> 00:10:09,519

let's share this friends i just want to

196

00:10:12,389 --> 00:10:10,959

give you a sense of what the film more

197

00:10:16,230 --> 00:10:12,399

of a sense of what the film is about

198

00:10:19,350 --> 00:10:18,949

yeah and and what is most shocking about

199

00:10:22,870 --> 00:10:19,360

this

200

00:10:24,790 --> 00:10:22,880

somewhat

201
00:10:26,230 --> 00:10:24,800
these aren't some whack jobs that don't

202
00:10:29,030 --> 00:10:26,240
know what they're talking about with

203
00:10:30,710 --> 00:10:29,040
conspiracy theories these are hot former

204
00:10:33,110 --> 00:10:30,720
high-ranking officers

205
00:10:35,350 --> 00:10:33,120
within these companies that were in on

206
00:10:37,590 --> 00:10:35,360
engineering all this stuff

207
00:10:40,550 --> 00:10:37,600
that are sort of blowing the whistle on

208
00:10:42,949 --> 00:10:40,560
what the reality behind the scenes is

209
00:10:44,630 --> 00:10:42,959
and it's shocking it's really literally

210
00:10:48,550 --> 00:10:44,640
shocking

211
00:10:50,150 --> 00:10:48,560
and the sources are so good that i trust

212
00:10:52,230 --> 00:10:50,160
that they're telling me the truth about

213
00:10:52,949 --> 00:10:52,240

this stuff which is a great thing for

214

00:10:55,590 --> 00:10:52,959

once to

215

00:10:56,310 --> 00:10:55,600

actually have incredibly good sources

216

00:10:58,710 --> 00:10:56,320

that you know

217

00:11:00,069 --> 00:10:58,720

really worked at that place you know

218

00:11:03,509 --> 00:11:00,079

coming from the land of

219

00:11:05,190 --> 00:11:03,519

you fooligy and all those fake insiders

220

00:11:07,990 --> 00:11:05,200

that aren't really insiders

221

00:11:08,630 --> 00:11:08,000

this was a refreshing change real

222

00:11:10,230 --> 00:11:08,640

sources

223

00:11:11,750 --> 00:11:10,240

and the foreign governments are using

224

00:11:12,710 --> 00:11:11,760

facebook to try to affect their

225

00:11:15,829 --> 00:11:12,720

elections

226

00:11:17,750 --> 00:11:15,839

uh you know i

227

00:11:19,750 --> 00:11:17,760

find all of the ads i don't know

228

00:11:21,509 --> 00:11:19,760

honestly most of the ads on facebook i

229

00:11:23,430 --> 00:11:21,519

just kind of ignore them right

230

00:11:25,110 --> 00:11:23,440

it's the ads actually on youtube that

231

00:11:26,310 --> 00:11:25,120

get to me or bother me the most

232

00:11:29,750 --> 00:11:26,320

and probably have a better chance of

233

00:11:33,350 --> 00:11:29,760

getting in my psyche before you you know

234

00:11:35,350 --> 00:11:33,360

can skip them uh i don't know facebook

235

00:11:37,269 --> 00:11:35,360

ads just don't do anything for me like

236

00:11:38,470 --> 00:11:37,279

i've never saw something on facebook and

237

00:11:40,870 --> 00:11:38,480

went and bought it

238

00:11:42,389 --> 00:11:40,880

i've never clicked on by you know i've

239

00:11:45,430 --> 00:11:42,399

never

240

00:11:48,470 --> 00:11:45,440

i don't know yeah so

241

00:11:50,870 --> 00:11:48,480

there's my unpaid ad for netflix

242

00:11:52,949 --> 00:11:50,880

they can send me a check but i thought

243

00:11:55,750 --> 00:11:52,959

that this film was important enough

244

00:11:57,670 --> 00:11:55,760

that as a public service even i would

245

00:12:01,269 --> 00:11:57,680

like to share it and my

246

00:12:02,629 --> 00:12:01,279

my thoughts on it i uh like i said i

247

00:12:04,550 --> 00:12:02,639

kind of have a background in computer

248

00:12:07,030 --> 00:12:04,560

science but even i was shocked that some

249

00:12:09,750 --> 00:12:07,040

of the things that are revealed in this

250

00:12:12,470 --> 00:12:09,760

and just how much data that they collect

251

00:12:15,350 --> 00:12:12,480

i was not aware that they actually

252

00:12:16,710 --> 00:12:15,360

track every photo facebook tracks every

253

00:12:19,269 --> 00:12:16,720

photo you look at

254

00:12:21,110 --> 00:12:19,279

how long you look at it and there's a

255

00:12:22,230 --> 00:12:21,120

great quote by one of those gentlemen in

256

00:12:24,790 --> 00:12:22,240

the film

257

00:12:25,269 --> 00:12:24,800

that facebook knows when you're looking

258

00:12:28,230 --> 00:12:25,279

at like

259

00:12:29,030 --> 00:12:28,240

pictures of an old girlfriend that's

260

00:12:31,350 --> 00:12:29,040

crazy

261

00:12:32,710 --> 00:12:31,360

how would they know that but i guess

262

00:12:34,949 --> 00:12:32,720

through collecting all the data they

263

00:12:39,509 --> 00:12:34,959

would right

264

00:12:41,269 --> 00:12:39,519

so uh you know there was a time

265

00:12:42,870 --> 00:12:41,279

when the internet was still young when i

266

00:12:46,550 --> 00:12:42,880

was very uh

267

00:12:49,750 --> 00:12:46,560

big proponent of internet privacy

268

00:12:51,590 --> 00:12:49,760

and that is that no one besides me

269

00:12:53,750 --> 00:12:51,600

should be able to know what i'm looking

270

00:12:55,670 --> 00:12:53,760

at on the internet or what i'm

271

00:12:57,750 --> 00:12:55,680

downloading on the internet or what

272

00:13:01,350 --> 00:12:57,760

whatever

273

00:13:05,829 --> 00:13:04,230

i guess my principles eroded somewhat

274

00:13:09,670 --> 00:13:05,839

like most people

275

00:13:11,110 --> 00:13:09,680

these services offer an enticing reward

276

00:13:14,150 --> 00:13:11,120

for their use

277

00:13:15,990 --> 00:13:14,160

for me in my space it was just keeping

278

00:13:22,150 --> 00:13:16,000

up with all my friends right

279

00:13:28,069 --> 00:13:25,190

later i suppose uh

280

00:13:29,590 --> 00:13:28,079

you know at first i was totally against

281

00:13:31,509 --> 00:13:29,600

using google

282

00:13:34,310 --> 00:13:31,519

knowing that they tracked things or

283

00:13:38,230 --> 00:13:34,320

trying to control everything i was not a

284

00:13:40,550 --> 00:13:38,240

supporter of google early on at all and

285

00:13:41,990 --> 00:13:40,560

i'd probably say i'm still not much of a

286

00:13:45,750 --> 00:13:42,000

google supporter

287

00:13:48,069 --> 00:13:45,760

i think they have to way too much power

288

00:13:49,590 --> 00:13:48,079

but again the convenience of having it

289

00:13:53,350 --> 00:13:49,600

that email

290

00:13:56,790 --> 00:13:53,360

and uh i caved again

291

00:13:58,069 --> 00:13:56,800

and then facebook well all my friends

292

00:14:01,590 --> 00:13:58,079

from my space

293

00:14:01,990 --> 00:14:01,600

are leaving my space in droves for this

294

00:14:04,069 --> 00:14:02,000

new thing

295

00:14:05,350 --> 00:14:04,079

called facebook do i really want to sign

296

00:14:07,269 --> 00:14:05,360

up for something new

297

00:14:09,590 --> 00:14:07,279

not really and i try to hold on to

298

00:14:11,509 --> 00:14:09,600

myspace i was not an early facebook

299

00:14:15,670 --> 00:14:11,519

adopter but eventually yeah

300

00:14:19,509 --> 00:14:17,590

i have to say that facebook was good for

301

00:14:22,230 --> 00:14:19,519

reconnecting with old friends that you

302

00:14:25,509 --> 00:14:22,240

have not seen in a long time and like

303

00:14:26,150 --> 00:14:25,519

you know even old friends from like high

304

00:14:34,629 --> 00:14:26,160

school

305

00:14:37,829 --> 00:14:34,639

there were a few people that found me uh

306

00:14:39,750 --> 00:14:37,839

on facebook or i found them and

307

00:14:42,069 --> 00:14:39,760

and it was fun to like catch up with

308

00:14:45,030 --> 00:14:42,079

them and see what they've been up to

309

00:14:46,389 --> 00:14:45,040

so yeah there was some benefit for me

310

00:14:49,670 --> 00:14:46,399

for facebook

311

00:14:51,750 --> 00:14:49,680

for some period but i

312

00:14:53,910 --> 00:14:51,760

just lately i don't really and i guess

313

00:14:55,670 --> 00:14:53,920

keeping up with friends and family right

314

00:14:57,350 --> 00:14:55,680

but it's almost like we you have to have

315

00:15:00,230 --> 00:14:57,360

a facebook because

316

00:15:00,710 --> 00:15:00,240

you're you know like my wife will say to

317

00:15:03,269 --> 00:15:00,720

me

318

00:15:04,470 --> 00:15:03,279

i put uh i took a bunch of pictures of

319

00:15:06,790 --> 00:15:04,480

the kids today and i put them on

320

00:15:07,990 --> 00:15:06,800

facebook so of course i need facebook to

321

00:15:10,230 --> 00:15:08,000

look at them

322

00:15:11,990 --> 00:15:10,240

or whatever relative may tell you that

323

00:15:12,629 --> 00:15:12,000

they put pictures up or that they you

324

00:15:13,910 --> 00:15:12,639

know

325

00:15:15,750 --> 00:15:13,920

well i don't even have to tell you but

326

00:15:17,590 --> 00:15:15,760

you know what i mean like you kind of

327

00:15:19,509 --> 00:15:17,600

need it just to keep up with friends and

328

00:15:22,870 --> 00:15:19,519

family see what people are up to

329

00:15:23,990 --> 00:15:22,880

what people are doing but the level of

330

00:15:26,069 --> 00:15:24,000

manipulation

331

00:15:29,350 --> 00:15:26,079

that these companies are using and the

332

00:15:33,110 --> 00:15:29,360

psychology they're using against us

333

00:15:37,670 --> 00:15:33,120

all these ai algorithms against you

334

00:15:41,030 --> 00:15:37,680

uh are you going to be

335

00:15:42,069 --> 00:15:41,040

are you going to win and somehow not be

336

00:15:45,189 --> 00:15:42,079

manipulated by

337

00:15:48,310 --> 00:15:45,199

all these advanced algorithms that keep

338

00:15:51,910 --> 00:15:48,320

learning about you through your

339

00:15:54,949 --> 00:15:51,920

searches through your

340

00:15:56,710 --> 00:15:54,959

online purchases through your email

341

00:15:57,749 --> 00:15:56,720

conversations through your private

342

00:16:01,509 --> 00:15:57,759

messages

343

00:16:03,990 --> 00:16:01,519

they're looking at all of this stuff

344

00:16:05,990 --> 00:16:04,000

and i also found it interesting that

345

00:16:06,949 --> 00:16:06,000

google has different answers for people

346

00:16:09,670 --> 00:16:06,959

based on their

347

00:16:13,189 --> 00:16:09,680

own google profile or information that

348

00:16:16,230 --> 00:16:15,590

that's a little scary why can't we just

349

00:16:22,790 --> 00:16:16,240

get

350

00:16:25,590 --> 00:16:22,800

search for something like climate change

351
00:16:28,710 --> 00:16:25,600
people just get different answers that's

352
00:16:33,749 --> 00:16:28,720
a little scary and strange

353
00:16:38,230 --> 00:16:33,759
i uh not a big user of google search

354
00:16:40,230 --> 00:16:38,240
i prefer others and

355
00:16:41,670 --> 00:16:40,240
i prefer others that don't track what

356
00:16:45,910 --> 00:16:41,680
you're searching

357
00:16:51,189 --> 00:16:47,509
and if you look for those alternatives

358
00:16:53,749 --> 00:16:51,199
there they are out there

359
00:16:55,590 --> 00:16:53,759
i guess uh there's one other thing that

360
00:16:58,069 --> 00:16:55,600
i wanted to share which is just a few

361
00:16:59,749 --> 00:16:58,079
questions and an explanation from this

362
00:17:01,269 --> 00:16:59,759
gentleman who was also in the film

363
00:17:03,110 --> 00:17:01,279

but this is from a separate interview he

364

00:17:05,909 --> 00:17:03,120

did on channel 4 british news

365

00:17:06,870 --> 00:17:05,919

a public television station uh and

366

00:17:10,309 --> 00:17:06,880

that's jaron

367

00:17:13,750 --> 00:17:10,319

lanier who is sort of a activist

368

00:17:20,069 --> 00:17:17,350

he is sort of a technology activist

369

00:17:21,350 --> 00:17:20,079

who besides social media warns about the

370

00:17:24,710 --> 00:17:21,360

dangers of a lot of

371

00:17:27,750 --> 00:17:24,720

technological things the dangers of

372

00:17:31,190 --> 00:17:27,760

ai is one of the things i heard him

373

00:17:33,750 --> 00:17:31,200

talk about but

374

00:17:34,950 --> 00:17:33,760

we're going to cite fair use and we're

375

00:17:36,950 --> 00:17:34,960

going to share this

376

00:17:38,230 --> 00:17:36,960

portions of this interview and comment

377

00:17:40,230 --> 00:17:38,240

and and

378

00:17:44,230 --> 00:17:40,240

discuss along the way we're educating

379

00:17:50,630 --> 00:17:46,150

and again this is jared lanier who's

380

00:17:54,310 --> 00:17:53,830

okay this is an excellent question asked

381

00:17:58,070 --> 00:17:54,320

by the

382

00:18:00,150 --> 00:17:58,080

interviewer is there a principal reason

383

00:18:01,270 --> 00:18:00,160

why i should delete my social media and

384

00:18:04,789 --> 00:18:01,280

if so what is it

385

00:18:06,870 --> 00:18:04,799

um there are two

386

00:18:09,510 --> 00:18:06,880

one of them is for your own good and the

387

00:18:12,470 --> 00:18:09,520

other is for society is good

388

00:18:12,950 --> 00:18:12,480

for your own good it's because you're

389

00:18:15,430 --> 00:18:12,960

being

390

00:18:16,870 --> 00:18:15,440

subtly manipulated by algorithms that

391

00:18:18,150 --> 00:18:16,880

are watching everything you do

392

00:18:21,750 --> 00:18:18,160

constantly

393

00:18:23,590 --> 00:18:21,760

and then sending you changes in your

394

00:18:25,190 --> 00:18:23,600

media feed in your diet that are

395

00:18:27,590 --> 00:18:25,200

calculated

396

00:18:30,070 --> 00:18:27,600

to adjust you slightly to the liking of

397

00:18:33,909 --> 00:18:30,080

some unseen advertiser

398

00:18:36,070 --> 00:18:33,919

and that's a little scary uh

399

00:18:37,669 --> 00:18:36,080

literally the fact that everything you

400

00:18:41,190 --> 00:18:37,679

do is being tracked and

401
00:18:43,190 --> 00:18:41,200
uh and then used to try to manipulate

402
00:18:45,110 --> 00:18:43,200
you is a scary thing

403
00:18:47,110 --> 00:18:45,120
and so if you get off that you can have

404
00:18:50,470 --> 00:18:47,120
a chance to experience

405
00:18:52,789 --> 00:18:50,480
a clear view of yourself in your life

406
00:18:54,830 --> 00:18:52,799
but then the reason for society might be

407
00:18:57,750 --> 00:18:54,840
even more important

408
00:18:59,669 --> 00:18:57,760
society has been gradually darkened

409
00:19:01,590 --> 00:18:59,679
by this scheme in which everyone is

410
00:19:04,789 --> 00:19:01,600
under surveillance all the time

411
00:19:07,750 --> 00:19:04,799
and everyone is under this mild version

412
00:19:09,430 --> 00:19:07,760
of behavior modification all the time

413
00:19:13,110 --> 00:19:09,440

it's a mild version

414

00:19:15,350 --> 00:19:13,120

of behavior modification i suppose it is

415

00:19:16,710 --> 00:19:15,360

not it's subtle right what they're

416

00:19:18,150 --> 00:19:16,720

trying to do to us what they're

417

00:19:21,750 --> 00:19:18,160

attempting to do to us

418

00:19:24,630 --> 00:19:21,760

it's made people jittery and cranky

419

00:19:25,669 --> 00:19:24,640

it's made teams especially depressed

420

00:19:28,630 --> 00:19:25,679

which can be quite

421

00:19:28,870 --> 00:19:28,640

severe but it's made our politics kind

422

00:19:31,430 --> 00:19:28,880

of

423

00:19:33,510 --> 00:19:31,440

unreal and strange where we're not sure

424

00:19:35,750 --> 00:19:33,520

if elections are real anymore

425

00:19:37,110 --> 00:19:35,760

we're not sure how much the russians

426

00:19:39,029 --> 00:19:37,120

affected brexit

427

00:19:40,870 --> 00:19:39,039

we do know that it was a crankier affair

428

00:19:42,470 --> 00:19:40,880

than it might have been otherwise

429

00:19:44,390 --> 00:19:42,480

you say it's bad for me as an individual

430

00:19:47,750 --> 00:19:44,400

is it bad for me because i'm addicted

431

00:19:49,270 --> 00:19:47,760

if i become chemically hooked yeah and

432

00:19:51,590 --> 00:19:49,280

this is something that i struggle with

433

00:19:54,470 --> 00:19:51,600

myself

434

00:19:57,909 --> 00:19:54,480

i noticed something strange well it's

435

00:20:05,190 --> 00:20:01,510

um in the early summer

436

00:20:08,230 --> 00:20:05,200

this year we got internet at the cabin

437

00:20:10,870 --> 00:20:08,240

and before we got internet at the cabin

438

00:20:11,990 --> 00:20:10,880

i got a lot more work done and that's

439

00:20:14,870 --> 00:20:12,000

all i can say

440

00:20:15,190 --> 00:20:14,880

like i could go and go outside and do

441

00:20:20,390 --> 00:20:15,200

all

442

00:20:22,710 --> 00:20:20,400

this stuff that i have to do today

443

00:20:24,230 --> 00:20:22,720

or i can waste some time on the internet

444

00:20:25,990 --> 00:20:24,240

and procrastinate a lot

445

00:20:27,909 --> 00:20:26,000

and i can procrastinate two or three

446

00:20:28,789 --> 00:20:27,919

hours away sometimes before i get out

447

00:20:31,990 --> 00:20:28,799

there and do what i'm

448

00:20:34,549 --> 00:20:32,000

supposed to be doing additionally i've

449

00:20:37,750 --> 00:20:34,559

noticed that

450

00:20:41,590 --> 00:20:37,760

i check in a lot more right when there's

451
00:20:45,909 --> 00:20:43,750
i was totally disconnected except for my

452
00:20:47,510 --> 00:20:45,919
phone and sometimes that didn't even

453
00:20:49,190 --> 00:20:47,520
work

454
00:20:51,029 --> 00:20:49,200
but generally i would just check to make

455
00:20:52,710 --> 00:20:51,039
sure i didn't have any texts or messages

456
00:20:55,750 --> 00:20:52,720
from my wife

457
00:20:58,870 --> 00:20:55,760
you know like once or twice a day

458
00:21:01,990 --> 00:20:58,880
and that would be it for my

459
00:21:04,789 --> 00:21:02,000
for my online time i suppose

460
00:21:07,909 --> 00:21:04,799
or phone time right but once the

461
00:21:11,029 --> 00:21:10,549
i was checking i don't know 10 times a

462
00:21:12,390 --> 00:21:11,039
day

463
00:21:13,750 --> 00:21:12,400

you know let me see if i got any

464

00:21:15,750 --> 00:21:13,760

facebook messages let me see if i got

465

00:21:17,430 --> 00:21:15,760

any twitter messages

466

00:21:20,230 --> 00:21:17,440

let me see if there's any comments on my

467

00:21:23,110 --> 00:21:20,240

youtube videos that i should reply to

468

00:21:25,830 --> 00:21:23,120

and this stuff just sort of drains away

469

00:21:27,510 --> 00:21:25,840

at your time

470

00:21:28,870 --> 00:21:27,520

do i regret getting internet at the

471

00:21:31,510 --> 00:21:28,880

cabin

472

00:21:31,909 --> 00:21:31,520

i don't know i'm still on the fence what

473

00:21:48,630 --> 00:21:31,919

i

474

00:21:50,950 --> 00:21:48,640

there by myself and there's no

475

00:21:53,270 --> 00:21:50,960

kid noise or anybody stopping me i can

476

00:21:54,950 --> 00:21:53,280

stream whenever i want to

477

00:21:56,470 --> 00:21:54,960

but the downside of course is that i'm

478

00:21:58,149 --> 00:21:56,480

wasting time there

479

00:22:02,310 --> 00:21:58,159

on the internet that could be better

480

00:22:07,669 --> 00:22:05,750

you have uh the founders

481

00:22:09,590 --> 00:22:07,679

of the great silicon valley spying

482

00:22:10,950 --> 00:22:09,600

empires like facebook have publicly

483

00:22:13,909 --> 00:22:10,960

declared that

484

00:22:14,710 --> 00:22:13,919

they intentionally included addictive

485

00:22:17,190 --> 00:22:14,720

schemes

486

00:22:17,830 --> 00:22:17,200

in in their designs yes so i'm sorry the

487

00:22:21,029 --> 00:22:17,840

reporter

488

00:22:22,870 --> 00:22:21,039

asked him if uh you know it's addictive

489

00:22:25,029 --> 00:22:22,880

and i believe that social media is

490

00:22:27,909 --> 00:22:25,039

absolutely addictive

491

00:22:28,950 --> 00:22:27,919

now we have to say this is what i would

492

00:22:31,909 --> 00:22:28,960

call

493

00:22:33,590 --> 00:22:31,919

almost a stealthy addiction it's it's a

494

00:22:37,029 --> 00:22:33,600

statistical addiction

495

00:22:39,590 --> 00:22:37,039

what it says is we will get the broad

496

00:22:42,070 --> 00:22:39,600

population to use the services a lot

497

00:22:44,470 --> 00:22:42,080

will get them hooked through a scheme of

498

00:22:46,390 --> 00:22:44,480

rewards and punishment

499

00:22:48,310 --> 00:22:46,400

and the the the rewards are when you're

500

00:22:50,549 --> 00:22:48,320

retweeted the punishment is when you're

501
00:22:53,510 --> 00:22:50,559
treated badly by others online

502
00:22:54,549 --> 00:22:53,520
and then within that will very gradually

503
00:22:57,029 --> 00:22:54,559
start

504
00:22:58,470 --> 00:22:57,039
to leverage that to change them so it's

505
00:23:00,950 --> 00:22:58,480
just it's this very

506
00:23:01,990 --> 00:23:00,960
kind of stealthy manipulation of the

507
00:23:04,310 --> 00:23:02,000
population

508
00:23:05,750 --> 00:23:04,320
so it's not as dramatic as a heroin

509
00:23:09,110 --> 00:23:05,760
addict or a gambling addict

510
00:23:11,590 --> 00:23:09,120
but it is the same principle i i

511
00:23:12,789 --> 00:23:11,600
i almost would disagree with him because

512
00:23:15,430 --> 00:23:12,799
if you've ever

513
00:23:16,149 --> 00:23:15,440

known somebody that was really really

514

00:23:18,789 --> 00:23:16,159

really

515

00:23:19,830 --> 00:23:18,799

addicted to their phone i think that's

516

00:23:22,310 --> 00:23:19,840

just as bad as

517

00:23:23,029 --> 00:23:22,320

it's just as detrimental maybe as a drug

518

00:23:26,710 --> 00:23:23,039

addiction

519

00:23:30,230 --> 00:23:26,720

but or just as powerful to some people

520

00:23:30,710 --> 00:23:30,240

some people are naturally more i suppose

521

00:23:32,789 --> 00:23:30,720

uh

522

00:23:34,390 --> 00:23:32,799

just have more addictive personalities i

523

00:23:37,909 --> 00:23:34,400

used to know a friend

524

00:23:39,669 --> 00:23:37,919

that like never put it down he never put

525

00:23:40,149 --> 00:23:39,679

the phone down didn't matter what you're

526
00:23:42,149 --> 00:23:40,159
doing

527
00:23:43,750 --> 00:23:42,159
didn't matter where you were he could be

528
00:23:46,549 --> 00:23:43,760
at a football game

529
00:23:48,310 --> 00:23:46,559
that he paid you know like 75 bucks for

530
00:23:50,470 --> 00:23:48,320
a ticket to go to the football game and

531
00:23:51,830 --> 00:23:50,480
he's staring at his phone you know back

532
00:23:53,190 --> 00:23:51,840
and forth between the football game and

533
00:23:55,269 --> 00:23:53,200
his phone

534
00:23:57,110 --> 00:23:55,279
uh he could be at a concert that he paid

535
00:23:59,110 --> 00:23:57,120
good money for same thing

536
00:24:01,029 --> 00:23:59,120
you know and it just gets annoying being

537
00:24:03,350 --> 00:24:01,039
around somebody like that

538
00:24:05,190 --> 00:24:03,360

but who's doing the manipulating i mean

539

00:24:06,870 --> 00:24:05,200

there isn't some master

540

00:24:08,870 --> 00:24:06,880

sort of wizard of oz sitting behind a

541

00:24:10,149 --> 00:24:08,880

screen well this is the peculiarity of

542

00:24:11,909 --> 00:24:10,159

the situation

543

00:24:13,750 --> 00:24:11,919

the people who run the tech companies

544

00:24:15,110 --> 00:24:13,760

like google and facebook are not doing

545

00:24:16,470 --> 00:24:15,120

the manipulating they're doing the

546

00:24:18,549 --> 00:24:16,480

addicting

547

00:24:19,909 --> 00:24:18,559

but the manipulating which rides on the

548

00:24:23,350 --> 00:24:19,919

back of the addicting

549

00:24:25,669 --> 00:24:23,360

is the paying customer of such a company

550

00:24:27,750 --> 00:24:25,679

so uh and and many of those customers

551
00:24:30,149 --> 00:24:27,760
are not at all bad influences they

552
00:24:31,750 --> 00:24:30,159
yeah and uh this is sort of the defense

553
00:24:33,430 --> 00:24:31,760
of these companies well we're not

554
00:24:34,710 --> 00:24:33,440
manipulating people we're just selling

555
00:24:36,149 --> 00:24:34,720
advertising

556
00:24:38,149 --> 00:24:36,159
but i agree that this form of

557
00:24:41,190 --> 00:24:38,159
advertising is not like

558
00:24:42,149 --> 00:24:41,200
television ads or billboards it's much

559
00:24:52,710 --> 00:24:42,159
more

560
00:24:54,549 --> 00:24:52,720
and we've all had that experience where

561
00:24:57,669 --> 00:24:54,559
like we googled

562
00:24:58,310 --> 00:24:57,679
um you know let's say one time i was

563
00:25:00,789 --> 00:24:58,320

googling

564

00:25:02,070 --> 00:25:00,799

kayaks looking at maybe a kayak or a

565

00:25:05,350 --> 00:25:02,080

canoe for the

566

00:25:07,669 --> 00:25:05,360

cabin and for the next month all i saw

567

00:25:08,390 --> 00:25:07,679

on the internet were ads for kayaks and

568

00:25:11,110 --> 00:25:08,400

canoes

569

00:25:13,510 --> 00:25:11,120

you know might simply be trying to

570

00:25:14,470 --> 00:25:13,520

promote their cars or their perfumes or

571

00:25:17,190 --> 00:25:14,480

whatever

572

00:25:18,789 --> 00:25:17,200

and indeed i have sympathy for them

573

00:25:20,470 --> 00:25:18,799

because they're concerned that if they

574

00:25:21,430 --> 00:25:20,480

don't put money into the system nobody

575

00:25:22,789 --> 00:25:21,440

will know about them

576

00:25:24,710 --> 00:25:22,799

how is it different to just television

577

00:25:26,870 --> 00:25:24,720

advertising or billboard advertising

578

00:25:28,870 --> 00:25:26,880

or anything else the difference is that

579

00:25:30,710 --> 00:25:28,880

the constant feedback loop

580

00:25:32,149 --> 00:25:30,720

so when you watch the television the

581

00:25:33,990 --> 00:25:32,159

television isn't watching you

582

00:25:35,269 --> 00:25:34,000

when you see the billboard the billboard

583

00:25:37,110 --> 00:25:35,279

isn't seeing you

584

00:25:38,870 --> 00:25:37,120

and vast numbers of people see the same

585

00:25:39,750 --> 00:25:38,880

thing on television and see the same

586

00:25:42,149 --> 00:25:39,760

billboard

587

00:25:42,789 --> 00:25:42,159

when you use these new designs social

588

00:25:46,470 --> 00:25:42,799

media

589

00:25:48,310 --> 00:25:46,480

search youtube when you see these things

590

00:25:50,070 --> 00:25:48,320

you're being observed constantly and

591

00:25:51,990 --> 00:25:50,080

algorithms are taking that information

592

00:25:53,590 --> 00:25:52,000

and changing what you see next

593

00:25:55,669 --> 00:25:53,600

and they're searching and searching and

594

00:25:57,430 --> 00:25:55,679

searching and they're just blind robots

595

00:25:58,310 --> 00:25:57,440

there's no evil genius here until they

596

00:26:00,789 --> 00:25:58,320

find

597

00:26:02,549 --> 00:26:00,799

those patterns those those little tricks

598

00:26:03,909 --> 00:26:02,559

that get you and make you change your

599

00:26:07,669 --> 00:26:03,919

behavior

600

00:26:10,870 --> 00:26:07,679

yeah so this is definitely not the same

601
00:26:13,750 --> 00:26:10,880
form of advertising as the old days you

602
00:26:16,630 --> 00:26:13,760
know magazine print ads and newspapers

603
00:26:16,950 --> 00:26:16,640
uh billboards television ads we'd all

604
00:26:21,909 --> 00:26:16,960
see

605
00:26:24,310 --> 00:26:21,919
more targeted

606
00:26:25,430 --> 00:26:24,320
in terms of society i mean you you threw

607
00:26:27,269 --> 00:26:25,440
in this you know

608
00:26:28,950 --> 00:26:27,279
it's making people depressed but is

609
00:26:31,750 --> 00:26:28,960
there any actual evidence

610
00:26:33,269 --> 00:26:31,760
for that yeah unfortunately there's a

611
00:26:34,950 --> 00:26:33,279
vast amount of evidence

612
00:26:37,830 --> 00:26:34,960
there have been dozens of studies at

613
00:26:39,269 --> 00:26:37,840

this point including studies released by

614

00:26:41,669 --> 00:26:39,279

facebook scientists

615

00:26:42,870 --> 00:26:41,679

so this is this is something we can call

616

00:26:44,470 --> 00:26:42,880

a consensus

617

00:26:45,750 --> 00:26:44,480

and and when facebook releases such

618

00:26:47,269 --> 00:26:45,760

things they say oh but we do all these

619

00:26:47,830 --> 00:26:47,279

good things too that balance it but

620

00:26:51,750 --> 00:26:47,840

there's

621

00:26:52,310 --> 00:26:51,760

facebook scientists have to publicly

622

00:26:55,430 --> 00:26:52,320

admit

623

00:26:56,470 --> 00:26:55,440

that it causes depression and anxiety in

624

00:26:59,190 --> 00:26:56,480

many people

625

00:27:00,470 --> 00:26:59,200

the general acknowledgement that uh

626
00:27:03,830 --> 00:27:00,480
depression

627
00:27:05,830 --> 00:27:03,840
correlates uh the scariest example is a

628
00:27:06,950 --> 00:27:05,840
correlation between rises in uh teen

629
00:27:08,950 --> 00:27:06,960
suicide and their

630
00:27:10,710 --> 00:27:08,960
and the rise in use of social media and

631
00:27:13,110 --> 00:27:10,720
so yes unfortunately this is real but

632
00:27:14,950 --> 00:27:13,120
are you sure you can blame it on

633
00:27:16,149 --> 00:27:14,960
social media is it not just those two

634
00:27:17,669 --> 00:27:16,159
things may have happened at the same

635
00:27:19,510 --> 00:27:17,679
time for other reasons

636
00:27:20,950 --> 00:27:19,520
well here's a distinction we have to

637
00:27:23,830 --> 00:27:20,960
make it's very similar

638
00:27:25,669 --> 00:27:23,840

to the problem of global climate we say

639

00:27:27,750 --> 00:27:25,679

statistically over the whole population

640

00:27:29,510 --> 00:27:27,760

yes the correlation is real

641

00:27:30,870 --> 00:27:29,520

in any particular person of course we

642

00:27:32,710 --> 00:27:30,880

can't just as we can't

643

00:27:34,470 --> 00:27:32,720

blame any particular storm on global

644

00:27:37,830 --> 00:27:34,480

warming but it's causality isn't it

645

00:27:39,750 --> 00:27:37,840

it yeah i mean uh it is causality

646

00:27:40,950 --> 00:27:39,760

and it's this is something that's very

647

00:27:44,230 --> 00:27:40,960

well demonstrated

648

00:27:47,510 --> 00:27:44,240

yeah and the most famous link is between

649

00:27:48,630 --> 00:27:47,520

the rates of teenage suicide or suicide

650

00:27:51,669 --> 00:27:48,640

attempts

651
00:27:55,029 --> 00:27:51,679
and the rise of social social media

652
00:27:57,029 --> 00:27:55,039
we can see statistical evidence that

653
00:27:59,269 --> 00:27:57,039
the more people started using social

654
00:28:02,710 --> 00:27:59,279
media the higher the rates of

655
00:28:06,310 --> 00:28:02,720
suicides or attempted suicides against

656
00:28:10,230 --> 00:28:06,320
or suicides and attempted suicides

657
00:28:14,149 --> 00:28:10,240
in young pre-teens and teens rose

658
00:28:16,149 --> 00:28:14,159
dramatically dramatically so

659
00:28:18,389 --> 00:28:16,159
when the company's own scientists are

660
00:28:20,149 --> 00:28:18,399
publishing on this topic and come to the

661
00:28:22,310 --> 00:28:20,159
same agreement i think it's time to say

662
00:28:26,789 --> 00:28:22,320
this is real

663
00:28:30,149 --> 00:28:26,799

why have you sort of turned on your own

664

00:28:31,830 --> 00:28:30,159

kind i love silicon valley and i do not

665

00:28:33,430 --> 00:28:31,840

at all feel that i've turned on my own

666

00:28:35,110 --> 00:28:33,440

kind and just to be clear i'm very much

667

00:28:35,669 --> 00:28:35,120

a part of this i i've sold a company to

668

00:28:37,990 --> 00:28:35,679

google

669

00:28:38,870 --> 00:28:38,000

i'm not in any sense an outsider i

670

00:28:41,750 --> 00:28:38,880

believe that

671

00:28:43,350 --> 00:28:41,760

yeah he's definitely an insider um but

672

00:28:47,350 --> 00:28:43,360

maybe

673

00:28:50,470 --> 00:28:47,360

he was an insider that has a conscience

674

00:28:52,230 --> 00:28:50,480

and you know good for him for that

675

00:28:53,590 --> 00:28:52,240

because there's an awful lot of money to

676
00:28:56,549 --> 00:28:53,600
be made

677
00:28:57,590 --> 00:28:56,559
he could just as easily be getting in on

678
00:29:01,350 --> 00:28:57,600
a silicon

679
00:29:04,389 --> 00:29:01,360
social media gold mines still but

680
00:29:06,789 --> 00:29:04,399
he kind of uh lucked out uh

681
00:29:08,230 --> 00:29:06,799
and made a lot of money sold his company

682
00:29:10,710 --> 00:29:08,240
to google eventually

683
00:29:11,430 --> 00:29:10,720
and i think that he's got [h__\h] you money

684
00:29:14,389 --> 00:29:11,440
right

685
00:29:15,350 --> 00:29:14,399
isn't it great i this is a goal of my

686
00:29:18,710 --> 00:29:15,360
life

687
00:29:22,710 --> 00:29:18,720
money

688
00:29:26,149 --> 00:29:22,720

say whatever the [h__h] you want

689

00:29:29,830 --> 00:29:26,159

to do whatever you want and not be

690

00:29:33,350 --> 00:29:32,389

financial or moral obligation to shut

691

00:29:36,549 --> 00:29:33,360

the [h__h] up

692

00:29:38,070 --> 00:29:36,559

about anything you know i've got to love

693

00:29:39,830 --> 00:29:38,080

people with [h__h] you money

694

00:29:41,350 --> 00:29:39,840

people that have [h__h] you money are some

695

00:29:43,909 --> 00:29:41,360

of my favorite people

696

00:29:45,430 --> 00:29:43,919

and uh this jared lanier is one of those

697

00:29:48,149 --> 00:29:45,440

people with [h__h] money

698

00:29:52,470 --> 00:29:48,159

uh and god bless them so what we're

699

00:29:56,549 --> 00:29:54,789

business interests are a part of society

700

00:29:57,750 --> 00:29:56,559

if they destroy society they destroy

701
00:30:00,549 --> 00:29:57,760
themselves

702
00:30:02,230 --> 00:30:00,559
i believe it's very clear that we could

703
00:30:03,510 --> 00:30:02,240
offer all of the good things and there

704
00:30:05,590 --> 00:30:03,520
are many many good things

705
00:30:06,549 --> 00:30:05,600
in these services and social media in

706
00:30:08,549 --> 00:30:06,559
particular

707
00:30:10,310 --> 00:30:08,559
i'm convinced we can offer them without

708
00:30:11,190 --> 00:30:10,320
this manipulation engine in the

709
00:30:13,029 --> 00:30:11,200
background

710
00:30:14,870 --> 00:30:13,039
there's a world of other business plans

711
00:30:16,950 --> 00:30:14,880
and i think they'd be better for us

712
00:30:18,870 --> 00:30:16,960
so i i i don't and this brings an

713
00:30:22,470 --> 00:30:18,880

interesting thought

714

00:30:25,190 --> 00:30:22,480

i uh not long ago got

715

00:30:26,549 --> 00:30:25,200

a demo software from a company that

716

00:30:28,789 --> 00:30:26,559

makes

717

00:30:30,630 --> 00:30:28,799

software where you can basically create

718

00:30:31,669 --> 00:30:30,640

your own social media network like

719

00:30:33,350 --> 00:30:31,679

facebook and

720

00:30:35,830 --> 00:30:33,360

it can look just like facebook or it

721

00:30:38,789 --> 00:30:35,840

could look just like twitter

722

00:30:40,789 --> 00:30:38,799

it's very easy to customize and this led

723

00:30:42,950 --> 00:30:40,799

me to thinking what if somebody created

724

00:30:45,110 --> 00:30:42,960

a social media network that didn't track

725

00:30:48,470 --> 00:30:45,120

you

726

00:30:50,710 --> 00:30:48,480

that maybe didn't have ads but had some

727

00:30:53,190 --> 00:30:50,720

other way to monetize itself so that it

728

00:30:54,710 --> 00:30:53,200

could make money and be self-sustainable

729

00:30:56,310 --> 00:30:54,720

i think that's a good model and it's

730

00:30:57,110 --> 00:30:56,320

amazing to me that there's not more

731

00:31:00,230 --> 00:30:57,120

competition

732

00:31:03,110 --> 00:31:00,240

in new social media

733

00:31:03,990 --> 00:31:03,120

you know there's facebook and twitter

734

00:31:06,950 --> 00:31:04,000

and instagram

735

00:31:08,630 --> 00:31:06,960

right there's only a few big behemoth

736

00:31:10,310 --> 00:31:08,640

companies doing this

737

00:31:11,909 --> 00:31:10,320

and that's strange to me i don't think

738

00:31:15,350 --> 00:31:11,919

we're being evil so much as we're being

739

00:31:19,830 --> 00:31:17,430

when it comes to facebook has facebook

740

00:31:22,310 --> 00:31:19,840

made itself safe yet

741

00:31:23,430 --> 00:31:22,320

in terms of data harvesting and scraping

742

00:31:26,070 --> 00:31:23,440

and all that

743

00:31:27,110 --> 00:31:26,080

well um i like that big huge sigh he

744

00:31:32,310 --> 00:31:27,120

just left out

745

00:31:35,350 --> 00:31:32,320

you know facebook's fundamental design

746

00:31:37,110 --> 00:31:35,360

is one that is uh

747

00:31:38,710 --> 00:31:37,120

it's it's the business model is to

748

00:31:40,789 --> 00:31:38,720

addict you and then

749

00:31:42,710 --> 00:31:40,799

offer a channel to you to third parties

750

00:31:44,389 --> 00:31:42,720

to take advantage of that to change you

751
00:31:45,350 --> 00:31:44,399
in some way without you realizing it's

752
00:31:47,909 --> 00:31:45,360
happening i mean that's

753
00:31:49,590 --> 00:31:47,919
that's what it does so i don't think any

754
00:31:52,870 --> 00:31:49,600
amount of tweaking

755
00:31:54,950 --> 00:31:52,880
can uh fully heal it i think it needs

756
00:31:56,710 --> 00:31:54,960
yeah basically he's saying that there's

757
00:31:58,630 --> 00:31:56,720
no way to fix facebook you just gotta

758
00:32:01,190 --> 00:31:58,640
burn it down and start over

759
00:32:02,870 --> 00:32:01,200
and uh that's a sobering thought it's a

760
00:32:05,669 --> 00:32:02,880
different business plan

761
00:32:06,710 --> 00:32:05,679
i mean it's very hard to throw a barrage

762
00:32:08,310 --> 00:32:06,720
of rules

763
00:32:09,669 --> 00:32:08,320

at somebody who's following certain

764

00:32:11,110 --> 00:32:09,679

incentives and then expect them to

765

00:32:13,110 --> 00:32:11,120

really make a difference so when mark

766

00:32:14,710 --> 00:32:13,120

zuckerberg says he's taking action and

767

00:32:15,909 --> 00:32:14,720

you know he regrets what's happened and

768

00:32:17,830 --> 00:32:15,919

all the rest of it

769

00:32:21,669 --> 00:32:17,840

you're saying he can't make his own

770

00:32:24,070 --> 00:32:21,679

product a safer desirable product

771

00:32:26,230 --> 00:32:24,080

i believe that as long as his business

772

00:32:27,990 --> 00:32:26,240

incentives are contrary to the interests

773

00:32:30,230 --> 00:32:28,000

of the people who use it who are

774

00:32:32,870 --> 00:32:30,240

different from the customers

775

00:32:34,710 --> 00:32:32,880

then no matter how sincere he is and i

776

00:32:38,149 --> 00:32:34,720

believe he's sincere

777

00:32:40,630 --> 00:32:38,159

and no matter how clever he is he can't

778

00:32:42,310 --> 00:32:40,640

undo that problem he has to go back to

779

00:32:43,669 --> 00:32:42,320

the basics and change the nature of the

780

00:32:45,350 --> 00:32:43,679

business plan

781

00:32:47,350 --> 00:32:45,360

you know the one problem that i have

782

00:32:51,110 --> 00:32:47,360

with some people like

783

00:32:51,909 --> 00:32:51,120

uh mr lanier or richard stallman

784

00:32:53,669 --> 00:32:51,919

especially

785

00:32:56,070 --> 00:32:53,679

i'm a big fan of richard stallman who's

786

00:33:00,230 --> 00:32:56,080

sort of the one of the creators of

787

00:33:02,950 --> 00:33:00,240

free software is

788

00:33:04,389 --> 00:33:02,960

you know it's nice right to say like

789

00:33:05,669 --> 00:33:04,399

well you got to come up with a new

790

00:33:08,789 --> 00:33:05,679

business plan but

791

00:33:10,310 --> 00:33:08,799

selling ads is facebook's business plan

792

00:33:12,310 --> 00:33:10,320

and business model

793

00:33:14,549 --> 00:33:12,320

and some of these people wish for a

794

00:33:16,549 --> 00:33:14,559

better world especially a better digital

795

00:33:16,950 --> 00:33:16,559

world for all of us and that's a nice

796

00:33:19,269 --> 00:33:16,960

thing

797

00:33:20,149 --> 00:33:19,279

but at the end of the day people do have

798

00:33:22,149 --> 00:33:20,159

to make money

799

00:33:23,669 --> 00:33:22,159

so are we just going to ask all the

800

00:33:27,350 --> 00:33:23,679

people in silicon valley

801
00:33:30,310 --> 00:33:27,360
to you know take a vow of poverty

802
00:33:31,830 --> 00:33:30,320
and do this for the benefit of humanity

803
00:33:34,230 --> 00:33:31,840
instead of for money

804
00:33:35,830 --> 00:33:34,240
what are they going to live off of

805
00:33:37,669 --> 00:33:35,840
that's one problem i have with this

806
00:33:39,990 --> 00:33:37,679
would i like a better digital world

807
00:33:42,230 --> 00:33:40,000
sure but people at the end of the day

808
00:33:45,509 --> 00:33:42,240
have to make money so he's offering like

809
00:33:47,190 --> 00:33:45,519
here's the solution without the solution

810
00:33:49,990 --> 00:33:47,200
and if he if he doesn't agree with that

811
00:33:53,509 --> 00:33:50,000
and says we're just going to carry on

812
00:33:57,110 --> 00:33:53,519
how much how how important is security

813
00:33:59,350 --> 00:33:57,120

of that data uh and the inability to

814

00:34:00,149 --> 00:33:59,360

repeat what has happened with cambridge

815

00:34:02,070 --> 00:34:00,159

analytica

816

00:34:03,350 --> 00:34:02,080

and all that kind of sort of data

817

00:34:05,750 --> 00:34:03,360

harvesting that went on

818

00:34:06,789 --> 00:34:05,760

i don't believe that this is i don't

819

00:34:09,109 --> 00:34:06,799

believe that what happened with

820

00:34:11,909 --> 00:34:09,119

cambridge analytica is the worst of it

821

00:34:13,909 --> 00:34:11,919

uh the whole system is designed for this

822

00:34:15,589 --> 00:34:13,919

like let's suppose that facebook reforms

823

00:34:18,069 --> 00:34:15,599

itself so that the next cambridge

824

00:34:19,909 --> 00:34:18,079

analytica can't get access to that data

825

00:34:21,190 --> 00:34:19,919

they can still get access to the same

826

00:34:24,710 --> 00:34:21,200

results

827

00:34:27,750 --> 00:34:24,720

because the service facebook offers is

828

00:34:28,230 --> 00:34:27,760

exactly what campaign yeah i mean this

829

00:34:29,990 --> 00:34:28,240

is

830

00:34:32,069 --> 00:34:30,000

you know um they would just have to pay

831

00:34:35,349 --> 00:34:32,079

facebook together

832

00:34:37,109 --> 00:34:35,359

are are able to use facebook in ways

833

00:34:39,589 --> 00:34:37,119

that facebook can't understand

834

00:34:41,990 --> 00:34:39,599

because the way the service is designed

835

00:34:45,270 --> 00:34:42,000

is fundamentally to be manipulative so

836

00:34:46,710 --> 00:34:45,280

i think the data protection idea is a

837

00:34:48,389 --> 00:34:46,720

sincere and good idea

838

00:34:50,069 --> 00:34:48,399

but it's certainly not adequate it

839

00:34:52,069 --> 00:34:50,079

doesn't address the core problem

840

00:34:53,669 --> 00:34:52,079

which is the manipulation engine and as

841

00:34:56,550 --> 00:34:53,679

long as that is there

842

00:34:57,349 --> 00:34:56,560

a bad actor can find a way to utilize it

843

00:34:59,349 --> 00:34:57,359

so

844

00:35:00,550 --> 00:34:59,359

to me this this concern about data

845

00:35:03,349 --> 00:35:00,560

protection

846

00:35:04,870 --> 00:35:03,359

while laudable doesn't address the core

847

00:35:07,510 --> 00:35:04,880

problem

848

00:35:09,109 --> 00:35:07,520

okay friends so we're gonna we're gonna

849

00:35:10,790 --> 00:35:09,119

cut that there

850

00:35:13,109 --> 00:35:10,800

uh but it's an excellent interview i'm

851
00:35:15,910 --> 00:35:13,119
gonna put a link in the description

852
00:35:17,030 --> 00:35:15,920
uh if you're if you are interested in

853
00:35:18,870 --> 00:35:17,040
this subject

854
00:35:20,310 --> 00:35:18,880
that's a good guy to listen to i think

855
00:35:23,910 --> 00:35:20,320
he's very uh

856
00:35:26,230 --> 00:35:23,920
grounded and insightful

857
00:35:28,390 --> 00:35:26,240
and philosophical about the implications

858
00:35:30,550 --> 00:35:28,400
and what may be the long term

859
00:35:33,589 --> 00:35:30,560
implications if nothing is done to

860
00:35:39,910 --> 00:35:33,599
change our current course

861
00:35:45,190 --> 00:35:42,790
yeah so one of my notes is how do you

862
00:35:48,150 --> 00:35:45,200
cure this mind virus

863
00:35:49,109 --> 00:35:48,160

i'm not sure i've given some thought to

864

00:35:51,109 --> 00:35:49,119

this

865

00:35:53,589 --> 00:35:51,119

how do you cure the mind virus that

866

00:35:56,829 --> 00:35:53,599

social media can create

867

00:35:57,990 --> 00:35:56,839

or how do you rid yourself of the mind

868

00:35:59,829 --> 00:35:58,000

virus

869

00:36:01,589 --> 00:35:59,839

you know the first option that no one

870

00:36:03,990 --> 00:36:01,599

wants to hear is to just delete

871

00:36:06,630 --> 00:36:04,000

all your social media accounts delete

872

00:36:09,349 --> 00:36:06,640

your twitter facebook instagram

873

00:36:11,349 --> 00:36:09,359

snapchat whatever it is that you use

874

00:36:14,069 --> 00:36:11,359

delete it all

875

00:36:15,910 --> 00:36:14,079

and maybe see how your life changes

876
00:36:18,230 --> 00:36:15,920
after that

877
00:36:18,950 --> 00:36:18,240
but most people are unwilling or unable

878
00:36:21,670 --> 00:36:18,960
to do that

879
00:36:21,990 --> 00:36:21,680
i'm probably included in that list like

880
00:36:26,310 --> 00:36:22,000
i

881
00:36:28,550 --> 00:36:26,320
my accounts or

882
00:36:30,550 --> 00:36:28,560
maybe because i have a lot of pictures

883
00:36:33,750 --> 00:36:30,560
of my family and my kids

884
00:36:36,310 --> 00:36:33,760
on my facebook maybe i

885
00:36:38,950 --> 00:36:36,320
wouldn't delete my facebook account i

886
00:36:41,349 --> 00:36:38,960
just would stop logging in and using it

887
00:36:44,710 --> 00:36:41,359
um

888
00:36:47,990 --> 00:36:44,720

yeah but i have not tried that

889

00:36:50,310 --> 00:36:48,000

and as far as twitter

890

00:36:51,589 --> 00:36:50,320

i use twitter to promote the show here

891

00:36:56,150 --> 00:36:51,599

so

892

00:36:59,109 --> 00:36:56,160

my notes are to

893

00:37:00,390 --> 00:36:59,119

uh if i'm going to give this a try

894

00:37:01,510 --> 00:37:00,400

this is what i'm going to try i'm going

895

00:37:05,990 --> 00:37:01,520

to try

896

00:37:13,430 --> 00:37:09,670

or twitter for a month except to post

897

00:37:14,310 --> 00:37:13,440

show links or show related material like

898

00:37:16,790 --> 00:37:14,320

to promote

899

00:37:18,310 --> 00:37:16,800

something in other words that's all i'm

900

00:37:21,190 --> 00:37:18,320

going to do i'm going to log on

901
00:37:22,630 --> 00:37:21,200
post a show link and log off i'm not

902
00:37:26,069 --> 00:37:22,640
going to participate

903
00:37:30,230 --> 00:37:26,079
in twitter facebook instagram

904
00:37:33,190 --> 00:37:30,240
or anything for a period of 30 days

905
00:37:33,829 --> 00:37:33,200
and then i'm going to see how i feel

906
00:37:36,390 --> 00:37:33,839
about

907
00:37:37,670 --> 00:37:36,400
things after i do that and i would

908
00:37:40,790 --> 00:37:37,680
welcome all of you to

909
00:37:41,910 --> 00:37:40,800
do something very similar or just don't

910
00:37:44,150 --> 00:37:41,920
log in at all

911
00:37:45,349 --> 00:37:44,160
i'm giving myself the excuse that i need

912
00:37:48,950 --> 00:37:45,359
to promote

913
00:37:52,550 --> 00:37:48,960

the show maybe that's a cop-out right

914

00:37:56,150 --> 00:37:52,560

um but it's interesting to me um

915

00:37:58,390 --> 00:37:56,160

how just how many celebrities

916

00:38:00,310 --> 00:37:58,400

have social media managers and they

917

00:38:03,190 --> 00:38:00,320

never log on themselves

918

00:38:04,069 --> 00:38:03,200

they only log on to promote whatever

919

00:38:07,589 --> 00:38:04,079

they're doing

920

00:38:08,550 --> 00:38:07,599

right um and it's amazing how much some

921

00:38:10,470 --> 00:38:08,560

of those

922

00:38:13,030 --> 00:38:10,480

entertainers pay the social media

923

00:38:17,750 --> 00:38:13,040

manager whose job it is to handle

924

00:38:21,990 --> 00:38:19,589

another interesting thing that i would

925

00:38:22,950 --> 00:38:22,000

like to just discuss briefly is that i

926
00:38:25,510 --> 00:38:22,960
know

927
00:38:27,109 --> 00:38:25,520
a lot of guys that work in silicon

928
00:38:29,030 --> 00:38:27,119
valley

929
00:38:30,550 --> 00:38:29,040
and all of them that have children

930
00:38:32,550 --> 00:38:30,560
either severely

931
00:38:34,550 --> 00:38:32,560
limit their children's phone and screen

932
00:38:36,790 --> 00:38:34,560
time

933
00:38:38,230 --> 00:38:36,800
or not allow them to have social media

934
00:38:40,470 --> 00:38:38,240
accounts

935
00:38:42,230 --> 00:38:40,480
that's very telling if people that

936
00:38:45,589 --> 00:38:42,240
knowledgeable about what's actually

937
00:38:49,750 --> 00:38:47,829
protecting their children from what they

938
00:38:53,270 --> 00:38:49,760

see as a danger

939

00:38:55,109 --> 00:38:53,280

shouldn't all of us be um

940

00:38:56,870 --> 00:38:55,119

because it made me think of my own

941

00:39:01,030 --> 00:38:56,880

children if you

942

00:39:04,630 --> 00:39:01,040

knew that someone let's say a neighbor

943

00:39:06,710 --> 00:39:04,640

was manipulating your children right

944

00:39:08,310 --> 00:39:06,720

and you were sure that that neighbor was

945

00:39:11,349 --> 00:39:08,320

manipulating

946

00:39:13,190 --> 00:39:11,359

your children wouldn't you stop that

947

00:39:15,109 --> 00:39:13,200

neighbor from having access to your

948

00:39:17,829 --> 00:39:15,119

children any longer

949

00:39:20,710 --> 00:39:17,839

wouldn't that be that would be the

950

00:39:23,910 --> 00:39:20,720

fatherly thing to do right the parental

951

00:39:26,790 --> 00:39:23,920

protector children thing to do

952

00:39:28,710 --> 00:39:26,800

and yet knowing the dangers of social

953

00:39:32,230 --> 00:39:28,720

media and how they are manipulating

954

00:39:34,710 --> 00:39:32,240

everyone on there i haven't stopped my

955

00:39:36,870 --> 00:39:34,720

children from using devices

956

00:39:38,710 --> 00:39:36,880

uh but neither of them my children are

957

00:39:41,430 --> 00:39:38,720

four and eight so neither has a facebook

958

00:39:46,470 --> 00:39:43,510

you know twitter or anything like that

959

00:39:50,470 --> 00:39:46,480

but they're using youtube and they're

960

00:39:53,589 --> 00:39:50,480

on the internet um for various reasons

961

00:39:57,109 --> 00:39:53,599

i try to limit their screen time i guess

962

00:39:59,910 --> 00:39:57,119

but really neither of them is excessive

963

00:40:01,510 --> 00:39:59,920

right my four-year-old just got into

964

00:40:03,589 --> 00:40:01,520

nintendo

965

00:40:05,349 --> 00:40:03,599

and that's his new thing but even that

966

00:40:05,990 --> 00:40:05,359

my wife and i were surprised like he'll

967

00:40:09,190 --> 00:40:06,000

play it for an

968

00:40:10,710 --> 00:40:09,200

hour but then he's done you know gets

969

00:40:12,630 --> 00:40:10,720

frustrated when he can't get past the

970

00:40:13,270 --> 00:40:12,640

level and mario or something and then

971

00:40:15,270 --> 00:40:13,280

he's like

972

00:40:16,550 --> 00:40:15,280

i keep dying that's enough and he turns

973

00:40:18,550 --> 00:40:16,560

it off and

974

00:40:19,750 --> 00:40:18,560

sort of the same thing with both of them

975

00:40:21,829 --> 00:40:19,760

with their phones

976
00:40:22,870 --> 00:40:21,839
they both have phones that don't they're

977
00:40:24,550 --> 00:40:22,880
not phones but

978
00:40:27,589 --> 00:40:24,560
you know they're just like it's a cheap

979
00:40:31,030 --> 00:40:27,599
tablet for 20 bucks or whatever right

980
00:40:32,470 --> 00:40:31,040
um little tablets so they watch youtube

981
00:40:35,910 --> 00:40:32,480
videos on these

982
00:40:38,390 --> 00:40:35,920
phones constantly but

983
00:40:39,750 --> 00:40:38,400
not excessively like they'll sit there

984
00:40:41,750 --> 00:40:39,760
and watch it for a while and then

985
00:40:44,550 --> 00:40:41,760
they'll put it away

986
00:40:46,309 --> 00:40:44,560
or they leave it playing terrible music

987
00:40:47,589 --> 00:40:46,319
in one room and go in another room and

988
00:40:49,910 --> 00:40:47,599

do something else and i'm always

989

00:40:52,630 --> 00:40:49,920

grabbing them and turning them off

990

00:40:53,430 --> 00:40:52,640

but i think it's wise if you have

991

00:40:55,510 --> 00:40:53,440

children

992

00:40:57,270 --> 00:40:55,520

to limit how much time they're spending

993

00:40:59,510 --> 00:40:57,280

on the internet

994

00:41:01,270 --> 00:40:59,520

um and i wanted to we'll turn my

995

00:41:01,670 --> 00:41:01,280

attention my total attention to the live

996

00:41:05,510 --> 00:41:01,680

chat

997

00:41:08,950 --> 00:41:05,520

this is an important question

998

00:41:11,109 --> 00:41:08,960

i know the answer my answer

999

00:41:12,790 --> 00:41:11,119

but if i think everybody in the live

1000

00:41:13,430 --> 00:41:12,800

chat is old enough that they grew up

1001
00:41:16,630 --> 00:41:13,440
without

1002
00:41:20,309 --> 00:41:16,640
social media right as a child

1003
00:41:23,589 --> 00:41:20,319
i mean so i want to ask you is your

1004
00:41:26,230 --> 00:41:23,599
was your childhood better or worse

1005
00:41:27,910 --> 00:41:26,240
for not having social media when you

1006
00:41:32,630 --> 00:41:27,920
were a child

1007
00:41:37,990 --> 00:41:35,910
people a little older uh who can

1008
00:41:39,589 --> 00:41:38,000
remember a life without the internet and

1009
00:41:42,230 --> 00:41:39,599
social media remember

1010
00:41:43,510 --> 00:41:42,240
doing a lot more outdoor activities

1011
00:41:46,150 --> 00:41:43,520
right

1012
00:41:47,589 --> 00:41:46,160
i used to ride my bike from the morning

1013
00:41:49,109 --> 00:41:47,599

you know especially in the summertime

1014

00:41:52,150 --> 00:41:49,119

like get up in the morning

1015

00:41:53,910 --> 00:41:52,160

get my bike come back when it was dark

1016

00:41:55,589 --> 00:41:53,920

and all the adventures that we would

1017

00:41:57,270 --> 00:41:55,599

have outside right

1018

00:41:59,190 --> 00:41:57,280

the people we would meet the things we

1019

00:42:00,870 --> 00:41:59,200

would do the kids we would hang out with

1020

00:42:02,470 --> 00:42:00,880

we're gonna go over here and play wiffle

1021

00:42:06,069 --> 00:42:02,480

ball you know or

1022

00:42:07,750 --> 00:42:06,079

we're gonna go play handball over there

1023

00:42:09,190 --> 00:42:07,760

or we'd meet up at a park and do

1024

00:42:12,309 --> 00:42:09,200

something

1025

00:42:14,950 --> 00:42:12,319

and i just don't see that in fact like

1026
00:42:16,870 --> 00:42:14,960
it was funny i saw a group of kids in my

1027
00:42:18,630 --> 00:42:16,880
neighborhood riding bikes together for

1028
00:42:21,430 --> 00:42:18,640
the first time in a long time

1029
00:42:22,069 --> 00:42:21,440
have i seen that and i thought there

1030
00:42:23,910 --> 00:42:22,079
there

1031
00:42:26,550 --> 00:42:23,920
that's what kids should be doing right

1032
00:42:27,670 --> 00:42:26,560
not sitting in front of a screen for 12

1033
00:42:31,109 --> 00:42:27,680
hours a day

1034
00:42:33,510 --> 00:42:31,119
but many children do

1035
00:42:34,870 --> 00:42:33,520
now as far as social media yeah so i

1036
00:42:36,630 --> 00:42:34,880
want to know in a live chat

1037
00:42:38,069 --> 00:42:36,640
do you think your childhood was better

1038
00:42:41,190 --> 00:42:38,079

or worse

1039

00:42:42,309 --> 00:42:41,200

having had not had social media when you

1040

00:42:44,950 --> 00:42:42,319

were a child

1041

00:42:46,550 --> 00:42:44,960

that's my question to you normally i

1042

00:42:48,150 --> 00:42:46,560

take questions but for once

1043

00:42:49,589 --> 00:42:48,160

i'm asking the questions and i'd like

1044

00:42:52,870 --> 00:42:49,599

you to answer an

1045

00:42:54,550 --> 00:42:52,880

out of mind is here better for my view i

1046

00:42:56,230 --> 00:42:54,560

cringe when i see two or three-year-old

1047

00:42:59,750 --> 00:42:56,240

grandkids on mommy's phone

1048

00:43:03,270 --> 00:42:59,760

trance down yeah it's it's a strange

1049

00:43:06,390 --> 00:43:03,280

thing to older you know even to me

1050

00:43:11,430 --> 00:43:06,400

you know it's a strange thing to see

1051
00:43:15,430 --> 00:43:13,829
melissa i was born in 1996 but thanks

1052
00:43:18,550 --> 00:43:15,440
for the assumption

1053
00:43:19,829 --> 00:43:18,560
yeah so i guess uh melissa actually you

1054
00:43:22,069 --> 00:43:19,839
have had

1055
00:43:23,030 --> 00:43:22,079
social media and internet your entire

1056
00:43:24,829 --> 00:43:23,040
life right

1057
00:43:29,270 --> 00:43:24,839
you don't remember a time before the

1058
00:43:34,470 --> 00:43:31,349
yeah jeanette krazenko stay outside

1059
00:43:38,150 --> 00:43:34,480
catch lightning bugs daily bike rides

1060
00:43:39,910 --> 00:43:38,160
yeah i love stuff like that and you know

1061
00:43:42,309 --> 00:43:39,920
but that part of me thinks like am i

1062
00:43:45,109 --> 00:43:42,319
just becoming a grumpy old man

1063
00:43:46,870 --> 00:43:45,119

he's like these kids today you know like

1064

00:43:48,150 --> 00:43:46,880

is that where i'm at in my life that

1065

00:43:50,150 --> 00:43:48,160

i've become my dad

1066

00:43:51,829 --> 00:43:50,160

like these kids today you don't know you

1067

00:43:53,750 --> 00:43:51,839

know my dad used to be like that he's

1068

00:43:54,470 --> 00:43:53,760

tell stories about walking in the snow

1069

00:43:56,630 --> 00:43:54,480

to school

1070

00:43:59,829 --> 00:43:56,640

five miles and [h__h] and his dad wouldn't

1071

00:44:01,990 --> 00:43:59,839

give him any money for the bus

1072

00:44:04,390 --> 00:44:02,000

i guess i'm turning into my father now

1073

00:44:05,030 --> 00:44:04,400

like i'm like these damn kids and their

1074

00:44:08,390 --> 00:44:05,040

phones

1075

00:44:10,790 --> 00:44:08,400

but really i mean go

1076

00:44:11,990 --> 00:44:10,800

go to any public event where there's a

1077

00:44:14,390 --> 00:44:12,000

lot of children and

1078

00:44:15,270 --> 00:44:14,400

it's amazing to me how young some of

1079

00:44:18,550 --> 00:44:15,280

these kids are

1080

00:44:20,230 --> 00:44:18,560

on their phones you know um you know

1081

00:44:20,630 --> 00:44:20,240

like my kids have phones but they don't

1082

00:44:21,829 --> 00:44:20,640

work

1083

00:44:23,990 --> 00:44:21,839

outside you know what i mean they're

1084

00:44:24,790 --> 00:44:24,000

really just cheap tablets for in-house

1085

00:44:28,470 --> 00:44:24,800

use

1086

00:44:30,390 --> 00:44:28,480

but to see kids in a park like

1087

00:44:32,390 --> 00:44:30,400

i saw a woman in a park with her

1088

00:44:34,309 --> 00:44:32,400

children not long ago

1089

00:44:36,790 --> 00:44:34,319

and one of her children was on the

1090

00:44:38,470 --> 00:44:36,800

swings and the swing set but the other

1091

00:44:40,710 --> 00:44:38,480

two or i think she might have three

1092

00:44:41,910 --> 00:44:40,720

other children were just sitting on a

1093

00:44:44,710 --> 00:44:41,920

bench on their phones

1094

00:44:45,990 --> 00:44:44,720

and the mom was okay with this like you

1095

00:44:47,430 --> 00:44:46,000

just brought your children to the

1096

00:44:48,230 --> 00:44:47,440

playground so they could stare at their

1097

00:44:50,630 --> 00:44:48,240

phone

1098

00:44:51,910 --> 00:44:50,640

while this only one of them plays it's

1099

00:44:53,430 --> 00:44:51,920

kind of weird

1100

00:44:55,349 --> 00:44:53,440

but this is the world that we live in

1101

00:44:59,109 --> 00:44:55,359

now so connected

1102

00:45:02,470 --> 00:44:59,119

i mentioned the cabin you know i got to

1103

00:45:04,630 --> 00:45:02,480

do that there too i have to sort of

1104

00:45:06,950 --> 00:45:04,640

discipline myself to use it for its

1105

00:45:09,990 --> 00:45:06,960

intended purpose which is to do shows

1106

00:45:11,829 --> 00:45:10,000

from the cabin not to uh or

1107

00:45:13,829 --> 00:45:11,839

you know i mean sometimes it rains and

1108

00:45:14,870 --> 00:45:13,839

i'll just watch a documentary on youtube

1109

00:45:17,030 --> 00:45:14,880

or netflix

1110

00:45:17,990 --> 00:45:17,040

that's a good thing to have but the

1111

00:45:20,710 --> 00:45:18,000

other thing i noticed

1112

00:45:21,910 --> 00:45:20,720

is i guess i'm watching more stuff now

1113

00:45:23,910 --> 00:45:21,920

than i did

1114

00:45:25,910 --> 00:45:23,920

before i used to take stuff on a thumb

1115

00:45:29,030 --> 00:45:25,920

drive so i would have

1116

00:45:30,710 --> 00:45:29,040

like you know a folder with four or five

1117

00:45:33,670 --> 00:45:30,720

movies

1118

00:45:35,430 --> 00:45:33,680

in a thumb drive and and that kind of i

1119

00:45:37,349 --> 00:45:35,440

liked better maybe because

1120

00:45:39,510 --> 00:45:37,359

i would think about what do i want to

1121

00:45:40,870 --> 00:45:39,520

watch if i have time to watch something

1122

00:45:43,270 --> 00:45:40,880

at the cabin

1123

00:45:44,950 --> 00:45:43,280

and uh it was less mindless stuff that i

1124

00:45:47,109 --> 00:45:44,960

find myself watching now it's

1125

00:45:48,550 --> 00:45:47,119

the internet's there it's infected the

1126

00:45:51,510 --> 00:45:48,560

cabinet's always on

1127

00:45:53,109 --> 00:45:51,520

so sure i'm gonna partake in some of the

1128

00:45:56,230 --> 00:45:53,119

goodies while i'm

1129

00:45:58,710 --> 00:45:56,240

supposed to be working on the cabin

1130

00:46:01,109 --> 00:45:58,720

the only plus side i've seen besides

1131

00:46:02,630 --> 00:46:01,119

being able to do a show from the cabin

1132

00:46:04,470 --> 00:46:02,640

and being able to watch something if it

1133

00:46:08,069 --> 00:46:04,480

rains or whatever is

1134

00:46:11,190 --> 00:46:08,079

the fact that uh music

1135

00:46:14,230 --> 00:46:11,200

i uh only had a radio at the cabin

1136

00:46:17,190 --> 00:46:14,240

before the internet and the radios it's

1137

00:46:19,270 --> 00:46:17,200

weird at the cabin as far as radio goes

1138

00:46:21,430 --> 00:46:19,280

the rock radio stations

1139

00:46:23,190 --> 00:46:21,440

will come in but they're very weak so i

1140

00:46:24,790 --> 00:46:23,200

find myself like you know

1141

00:46:26,550 --> 00:46:24,800

trying to put this little boom box

1142

00:46:28,150 --> 00:46:26,560

wherever i can to get the

1143

00:46:30,309 --> 00:46:28,160

you know thing they're not being all

1144

00:46:32,550 --> 00:46:30,319

staticky and it's funny

1145

00:46:34,390 --> 00:46:32,560

though the country stations strong as

1146

00:46:35,910 --> 00:46:34,400

hell if i was a country music fan i'd

1147

00:46:39,030 --> 00:46:35,920

have no problem with the radio but the

1148

00:46:41,190 --> 00:46:39,040

rock stations are weak as [h__\h]

1149

00:46:42,950 --> 00:46:41,200

and i'm always like god damn it like you

1150

00:46:45,349 --> 00:46:42,960

know moving the radio

1151
00:46:47,270 --> 00:46:45,359
so now though with the internet i have

1152
00:46:49,990 --> 00:46:47,280
access to

1153
00:46:50,950 --> 00:46:50,000
you know anything that i want to listen

1154
00:46:54,790 --> 00:46:50,960
to

1155
00:46:59,109 --> 00:46:56,710
one positive benefit that i really like

1156
00:47:02,390 --> 00:46:59,119
about the internet is the ability to

1157
00:47:05,030 --> 00:47:02,400
literally listen to anything you want

1158
00:47:07,589 --> 00:47:05,040
or watch anything you want if you look

1159
00:47:09,670 --> 00:47:07,599
enough you'll find it

1160
00:47:11,589 --> 00:47:09,680
i love being able to stream anything

1161
00:47:13,270 --> 00:47:11,599
that i want music-wise anything i think

1162
00:47:15,349 --> 00:47:13,280
of like i remember an album that i

1163
00:47:18,390 --> 00:47:15,359

really enjoyed

1164

00:47:21,430 --> 00:47:18,400

one night it was like raining and uh oh

1165

00:47:23,990 --> 00:47:21,440

i listened to the cures disintegration

1166

00:47:25,349 --> 00:47:24,000

uh in full one night at the cabin when

1167

00:47:28,309 --> 00:47:25,359

it was raining and it was

1168

00:47:31,589 --> 00:47:28,319

nice kind of fire dulling listening to a

1169

00:47:33,270 --> 00:47:31,599

great old album that i used to love

1170

00:47:34,710 --> 00:47:33,280

that's what i like the internet for the

1171

00:47:36,069 --> 00:47:34,720

ability to just

1172

00:47:38,549 --> 00:47:36,079

have anything you want at your

1173

00:47:41,670 --> 00:47:38,559

fingertips but this

1174

00:47:43,750 --> 00:47:41,680

this social media stuff is scary to me

1175

00:47:45,030 --> 00:47:43,760

and i also you know why i'm going to

1176

00:47:48,069 --> 00:47:45,040

take a break

1177

00:47:49,910 --> 00:47:48,079

is not is mostly due to thinking about

1178

00:47:51,109 --> 00:47:49,920

these things after this documentary

1179

00:47:53,030 --> 00:47:51,119

again

1180

00:47:54,309 --> 00:47:53,040

um you know honestly i've been thinking

1181

00:47:55,510 --> 00:47:54,319

about this stuff a lot because of the

1182

00:47:57,190 --> 00:47:55,520

cabin and the internet

1183

00:47:59,589 --> 00:47:57,200

even before watching this documentary

1184

00:48:01,829 --> 00:47:59,599

but this documentary cemented it for me

1185

00:48:03,829 --> 00:48:01,839

and made me go i'm going to take some

1186

00:48:07,030 --> 00:48:03,839

time off there and see

1187

00:48:11,190 --> 00:48:07,040

if i you know feel less

1188

00:48:14,309 --> 00:48:11,200

anxiety feel less manipulated right

1189

00:48:17,270 --> 00:48:14,319

the fact that i know 100 for certain now

1190

00:48:19,030 --> 00:48:17,280

that every time i log into social media

1191

00:48:20,790 --> 00:48:19,040

there's some algorithm trying to

1192

00:48:23,510 --> 00:48:20,800

manipulate me

1193

00:48:24,630 --> 00:48:23,520

it makes me want to not be there right

1194

00:48:28,230 --> 00:48:24,640

like if somebody was

1195

00:48:29,750 --> 00:48:28,240

subtly abusing you and it was subtle it

1196

00:48:31,270 --> 00:48:29,760

wasn't like they were walking up to him

1197

00:48:31,750 --> 00:48:31,280

punching me in the face you know they

1198

00:48:34,069 --> 00:48:31,760

were just

1199

00:48:37,190 --> 00:48:34,079

subtly subtly abusing you ever so

1200

00:48:40,230 --> 00:48:37,200

slightly every time you were near them

1201
00:48:41,589 --> 00:48:40,240
wouldn't you stop being near them this

1202
00:48:43,829 --> 00:48:41,599
is the question

1203
00:48:45,349 --> 00:48:43,839
that i'm asking myself if i know i'm

1204
00:48:47,589 --> 00:48:45,359
being abused if i know i'm being

1205
00:48:48,870 --> 00:48:47,599
manipulated if i know

1206
00:48:50,630 --> 00:48:48,880
that these companies have these

1207
00:48:52,790 --> 00:48:50,640
nefarious

1208
00:48:54,470 --> 00:48:52,800
agenda and they're collecting everything

1209
00:48:57,190 --> 00:48:54,480
that i do

1210
00:48:58,150 --> 00:48:57,200
and there's another thing the eula

1211
00:49:00,150 --> 00:48:58,160
that's that thing

1212
00:49:02,230 --> 00:49:00,160
that box you have to click when you sign

1213
00:49:03,270 --> 00:49:02,240

up for this all this [h__h] they all have

1214

00:49:06,150 --> 00:49:03,280

that 10 page

1215

00:49:07,910 --> 00:49:06,160

thing nobody reads any of it so they

1216

00:49:10,390 --> 00:49:07,920

spell it out for you we can read your

1217

00:49:13,030 --> 00:49:10,400

messages we can read your emails we can

1218

00:49:16,230 --> 00:49:13,040

track what you watch we can track what

1219

00:49:19,589 --> 00:49:16,240

you click on we can use that data to

1220

00:49:21,510 --> 00:49:19,599

target ads to you and sell to our

1221

00:49:23,430 --> 00:49:21,520

advertising friends

1222

00:49:25,670 --> 00:49:23,440

at a much higher success rate thanks to

1223

00:49:28,309 --> 00:49:25,680

our ai algorithms that are watching

1224

00:49:31,510 --> 00:49:28,319

every single thing you do

1225

00:49:34,870 --> 00:49:31,520

yeah it makes me go if i know

1226

00:49:37,589 --> 00:49:34,880

this is the agenda maybe i should

1227

00:49:39,990 --> 00:49:37,599

not participate in it at all or at the

1228

00:49:42,069 --> 00:49:40,000

very least if for business reasons i

1229

00:49:43,990 --> 00:49:42,079

have to participate in it i should

1230

00:49:48,150 --> 00:49:44,000

participate in it as little as

1231

00:49:50,950 --> 00:49:48,160

possible so what do you guys think

1232

00:49:51,510 --> 00:49:50,960

uh and who feels addicted to social

1233

00:49:53,670 --> 00:49:51,520

media

1234

00:49:55,430 --> 00:49:53,680

who feels they couldn't delete their

1235

00:49:56,870 --> 00:49:55,440

accounts who feels they could

1236

00:50:02,069 --> 00:49:56,880

who in the live chat thinks that they

1237

00:50:07,030 --> 00:50:04,230

i'll take some comments out of mine says

1238

00:50:09,270 --> 00:50:07,040

i go back to a time before fm radio

1239

00:50:11,670 --> 00:50:09,280

just am how did i even make it yeah that

1240

00:50:12,549 --> 00:50:11,680

was even shittier wasn't it am radio is

1241

00:50:16,470 --> 00:50:12,559

always shitty

1242

00:50:17,349 --> 00:50:16,480

i we have a we have news radio station

1243

00:50:20,470 --> 00:50:17,359

here

1244

00:50:21,270 --> 00:50:20,480

and i grew up in philadelphia everybody

1245

00:50:24,069 --> 00:50:21,280

around here

1246

00:50:24,470 --> 00:50:24,079

listens to it it's kyw news radio but

1247

00:50:27,670 --> 00:50:24,480

it's on

1248

00:50:31,270 --> 00:50:27,680

am and i think it's 10 60 a.m

1249

00:50:34,950 --> 00:50:31,280

you could have the best stereo with

1250

00:50:37,670 --> 00:50:34,960

antennas outside on your roof

1251
00:50:39,030 --> 00:50:37,680
even and it still sounds like [\h__\h] it's

1252
00:50:41,270 --> 00:50:39,040
like the am people

1253
00:50:45,349 --> 00:50:41,280
just went look it sounds like [\h__\h] but

1254
00:50:49,270 --> 00:50:48,549
oh genocide i barely remember am rock

1255
00:50:53,430 --> 00:50:49,280
radio

1256
00:50:56,950 --> 00:50:53,440
when i was growing up

1257
00:50:58,230 --> 00:50:56,960
uh all that was on am was opera

1258
00:51:00,390 --> 00:50:58,240
i don't know why but there's a lot of

1259
00:51:03,750 --> 00:51:00,400
opera on am radio

1260
00:51:06,230 --> 00:51:03,760
and news and

1261
00:51:07,990 --> 00:51:06,240
talk radio stations but i was a big fan

1262
00:51:09,990 --> 00:51:08,000
of talk radio stations

1263
00:51:11,430 --> 00:51:10,000

it was kind of like art bell but without

1264

00:51:12,710 --> 00:51:11,440

all the paranormal and strange stuff

1265

00:51:16,390 --> 00:51:12,720

they would talk about news

1266

00:51:19,750 --> 00:51:16,400

current events you know politics and uh

1267

00:51:22,150 --> 00:51:19,760

and they were like just local guys

1268

00:51:23,670 --> 00:51:22,160

so hey that gave me a love for radio and

1269

00:51:25,030 --> 00:51:23,680

talk radio and maybe it's one of the

1270

00:51:27,349 --> 00:51:25,040

reasons why i do

1271

00:51:29,190 --> 00:51:27,359

a show like i do and the radio show i

1272

00:51:29,589 --> 00:51:29,200

did because i grew up listening to that

1273

00:51:33,589 --> 00:51:29,599

stuff

1274

00:51:36,790 --> 00:51:36,470

wow bunya showing their age i remember

1275

00:51:39,270 --> 00:51:36,800

when

1276

00:51:40,630 --> 00:51:39,280

fm radio kicked off in oz he's from

1277

00:51:43,349 --> 00:51:40,640

australia folks

1278

00:51:43,910 --> 00:51:43,359

buddy why do you guys call it oz i just

1279

00:51:46,069 --> 00:51:43,920

i know

1280

00:51:48,230 --> 00:51:46,079

i've heard a bunch of you say that oz

1281

00:51:49,430 --> 00:51:48,240

but i never knew why exactly do you call

1282

00:51:52,069 --> 00:51:49,440

it oz

1283

00:51:52,870 --> 00:51:52,079

first song they played was breathe by

1284

00:51:55,190 --> 00:51:52,880

floyd

1285

00:51:57,990 --> 00:51:55,200

an excellent choice right that's an

1286

00:52:00,870 --> 00:51:58,000

excellent choice

1287

00:52:02,790 --> 00:52:00,880

just like mtv right what was mtv's first

1288

00:52:03,589 --> 00:52:02,800

video wasn't it video killed a radio

1289

00:52:11,670 --> 00:52:03,599

star

1290

00:52:15,190 --> 00:52:13,430

jeanette kuzetko says families did

1291

00:52:17,990 --> 00:52:15,200

things together back then

1292

00:52:19,990 --> 00:52:18,000

yeah i i grew up with a father that was

1293

00:52:24,069 --> 00:52:20,000

always dragging us to do something

1294

00:52:25,670 --> 00:52:24,079

he loved like weekend activities right

1295

00:52:27,190 --> 00:52:25,680

it didn't matter what it was like he

1296

00:52:29,270 --> 00:52:27,200

would take us to museums he would take

1297

00:52:33,190 --> 00:52:29,280

us camping he would take us to

1298

00:52:37,430 --> 00:52:33,200

different campgrounds boy scout stuff

1299

00:52:39,829 --> 00:52:37,440

he liked loved like flea markets

1300

00:52:41,990 --> 00:52:39,839

carnivals uh we went to all the

1301

00:52:43,670 --> 00:52:42,000

amusement parks that we could

1302

00:52:45,589 --> 00:52:43,680

we were he was always dragging us

1303

00:52:47,510 --> 00:52:45,599

somewhere and i'm a little bit like that

1304

00:52:48,069 --> 00:52:47,520

like with my kids and my wife like all

1305

00:52:50,950 --> 00:52:48,079

right let's

1306

00:52:52,230 --> 00:52:50,960

you know go do something this weekend

1307

00:52:54,230 --> 00:52:52,240

with the kids we even

1308

00:52:56,790 --> 00:52:54,240

found these huge we've had a huge

1309

00:52:58,549 --> 00:52:56,800

playground once in new jersey

1310

00:53:00,230 --> 00:52:58,559

and we would just drive out there and go

1311

00:53:01,910 --> 00:53:00,240

to this huge playground

1312

00:53:05,190 --> 00:53:01,920

now that was before my second son that

1313

00:53:08,390 --> 00:53:06,870

movie said well i was born recently but

1314

00:53:09,670 --> 00:53:08,400

i still like your show so you must be

1315

00:53:11,750 --> 00:53:09,680

doing something right

1316

00:53:13,589 --> 00:53:11,760

and i don't need old-time ways to enjoy

1317

00:53:15,349 --> 00:53:13,599

thank you i appreciate that melisa

1318

00:53:17,270 --> 00:53:15,359

it's good to hear it's going to give

1319

00:53:19,750 --> 00:53:17,280

some positive feedback

1320

00:53:21,430 --> 00:53:19,760

oh i guess i should address some a bit

1321

00:53:23,990 --> 00:53:21,440

of business

1322

00:53:25,510 --> 00:53:24,000

i had a stream before this one which was

1323

00:53:30,470 --> 00:53:25,520

deleted

1324

00:53:32,470 --> 00:53:30,480

and uh what i'll say

1325

00:53:34,470 --> 00:53:32,480

it's never a good idea to drink and

1326

00:53:36,309 --> 00:53:34,480

scream never

1327

00:53:37,829 --> 00:53:36,319

never did it seemed like a good idea at

1328

00:53:41,510 --> 00:53:37,839

the time

1329

00:53:41,990 --> 00:53:41,520

so i apologize to anybody that had to

1330

00:53:45,270 --> 00:53:42,000

witness

1331

00:53:46,630 --> 00:53:45,280

that stream uh but then again i heard

1332

00:53:49,910 --> 00:53:46,640

that some people enjoyed it

1333

00:53:53,030 --> 00:53:49,920

i was a bit off my uh off my

1334

00:53:54,390 --> 00:53:53,040

rocker really and there's no way that i

1335

00:53:57,430 --> 00:53:54,400

should have ever been

1336

00:53:58,390 --> 00:53:57,440

streaming in that condition a few people

1337

00:54:02,230 --> 00:53:58,400

have expressed

1338

00:54:06,710 --> 00:54:02,240

concern uh i'm good i'm really okay

1339

00:54:08,630 --> 00:54:06,720

uh it was a momentary lapse of judgment

1340

00:54:10,069 --> 00:54:08,640

and that will happen to you right when

1341

00:54:11,910 --> 00:54:10,079

you're

1342

00:54:13,670 --> 00:54:11,920

i think i drank 10 beers and then

1343

00:54:15,349 --> 00:54:13,680

decided you know what i'm gonna get some

1344

00:54:18,309 --> 00:54:15,359

[h__h] off my chest

1345

00:54:20,870 --> 00:54:18,319

and uh that was not a good idea it was

1346

00:54:23,109 --> 00:54:20,880

really not a good idea

1347

00:54:24,230 --> 00:54:23,119

i am going to revisit some of the things

1348

00:54:28,309 --> 00:54:24,240

that may

1349

00:54:31,190 --> 00:54:28,319

got me drunk angry uh

1350

00:54:32,630 --> 00:54:31,200

takes a lot to get me angry um but some

1351
00:54:35,589 --> 00:54:32,640
of you know that i'm getting

1352
00:54:36,069 --> 00:54:35,599
a lot of harassment from a certain ufo

1353
00:54:39,910 --> 00:54:36,079
cult

1354
00:54:40,789 --> 00:54:39,920
spokesperson and uh even involving my

1355
00:54:44,150 --> 00:54:40,799
family

1356
00:54:45,510 --> 00:54:44,160
and sort of i mean i was about to say

1357
00:54:46,870 --> 00:54:45,520
veiled threats i don't even think

1358
00:54:48,549 --> 00:54:46,880
they're veil threats i think they're

1359
00:54:52,150 --> 00:54:48,559
just threats

1360
00:54:55,829 --> 00:54:52,160
and uh

1361
00:54:58,950 --> 00:54:55,839
you can anyone can

1362
00:54:59,990 --> 00:54:58,960
say anything to me really wouldn't

1363
00:55:02,230 --> 00:55:00,000

bother me

1364

00:55:03,990 --> 00:55:02,240

really you know or at least it wouldn't

1365

00:55:04,549 --> 00:55:04,000

bother me enough to kind of trigger me

1366

00:55:07,589 --> 00:55:04,559

and make me

1367

00:55:08,630 --> 00:55:07,599

lose my [h__h] but if you involve my

1368

00:55:10,549 --> 00:55:08,640

family

1369

00:55:13,910 --> 00:55:10,559

well what do you think i'm gonna do you

1370

00:55:20,789 --> 00:55:17,190

a father is the protector of his family

1371

00:55:24,390 --> 00:55:20,799

and some of us are fierce fierce

1372

00:55:27,270 --> 00:55:24,400

protectors right you want to piss me off

1373

00:55:29,910 --> 00:55:27,280

and incur the rap of cambion

1374

00:55:30,950 --> 00:55:29,920

you threaten my family that's what you

1375

00:55:33,589 --> 00:55:30,960

do

1376

00:55:34,390 --> 00:55:33,599

so and this is not a defense of what i

1377

00:55:37,829 --> 00:55:34,400

did

1378

00:55:40,470 --> 00:55:37,839

uh or junk streaming um

1379

00:55:40,870 --> 00:55:40,480

but it's just some explanation for what

1380

00:55:44,950 --> 00:55:40,880

what

1381

00:55:46,950 --> 00:55:44,960

led to that and uh

1382

00:55:49,190 --> 00:55:46,960

we're going to return to that subject

1383

00:55:53,109 --> 00:55:49,200

actually but do it in a sober

1384

00:55:57,190 --> 00:55:53,119

and methodical

1385

00:55:59,109 --> 00:55:57,200

sort of investigatory way and show

1386

00:56:01,430 --> 00:55:59,119

some of the emails that i've been

1387

00:56:03,190 --> 00:56:01,440

getting from this clam

1388

00:56:05,030 --> 00:56:03,200

and that's what he is he's a [h__h]

1389

00:56:07,270 --> 00:56:05,040

clown who has been

1390

00:56:08,789 --> 00:56:07,280

who's dedicated his life to some ufo

1391

00:56:11,589 --> 00:56:08,799

prophet whose only proof

1392

00:56:13,910 --> 00:56:11,599

is fake ufo pictures made out of trash

1393

00:56:16,390 --> 00:56:13,920

cane lids and [h__h]

1394

00:56:17,430 --> 00:56:16,400

and he knows who he is and most of the

1395

00:56:20,990 --> 00:56:17,440

people here know who

1396

00:56:24,390 --> 00:56:21,000

yeah so we'll get back to that but in a

1397

00:56:26,630 --> 00:56:24,400

sober somber serious way

1398

00:56:28,309 --> 00:56:26,640

because i think the subject is important

1399

00:56:30,789 --> 00:56:28,319

why is it that

1400

00:56:31,589 --> 00:56:30,799

you know somebody can tell the truth

1401

00:56:34,549 --> 00:56:31,599

about

1402

00:56:35,670 --> 00:56:34,559

some cult it doesn't have to be billy

1403

00:56:39,349 --> 00:56:35,680

myers crazy

1404

00:56:42,950 --> 00:56:39,359

ufo cold ufo sex cult um

1405

00:56:46,150 --> 00:56:42,960

it could be scientology or

1406

00:56:49,190 --> 00:56:46,160

you know nexium right

1407

00:56:51,190 --> 00:56:49,200

they will go to the ends of the earth to

1408

00:56:56,829 --> 00:56:51,200

silence their critics

1409

00:57:04,549 --> 00:56:59,829

important

1410

00:57:04,559 --> 00:57:09,510

yeah i don't mind that's another thing

1411

00:57:13,670 --> 00:57:11,750

social media is good for arguing it's

1412

00:57:15,589 --> 00:57:13,680

great for arguing with strangers

1413

00:57:16,710 --> 00:57:15,599

you want to you want to argue with

1414

00:57:18,390 --> 00:57:16,720

strangers all day

1415

00:57:20,150 --> 00:57:18,400

just log onto twitter and start replying

1416

00:57:22,230 --> 00:57:20,160

to threads of people you disagree with

1417

00:57:24,390 --> 00:57:22,240

and you'll argue with people all [\h__\h]

1418

00:57:26,390 --> 00:57:24,400

day all day you can you can waste an

1419

00:57:29,349 --> 00:57:26,400

entire day arguing with complete and

1420

00:57:33,750 --> 00:57:32,069

or people you kind of know that happens

1421

00:57:35,589 --> 00:57:33,760

too

1422

00:57:37,829 --> 00:57:35,599

as far as that clearly out of mind like

1423

00:57:39,430 --> 00:57:37,839

i was going to readdress it on my show

1424

00:57:41,750 --> 00:57:39,440

but i feel like

1425

00:57:43,510 --> 00:57:41,760

this guy's making stupid allegations

1426

00:57:46,549 --> 00:57:43,520

about something that was a goof

1427

00:57:48,710 --> 00:57:46,559

it was a goof what he's saying right

1428

00:57:49,750 --> 00:57:48,720

what he's talking about that i'm lying

1429

00:57:51,829 --> 00:57:49,760

to my listeners

1430

00:57:52,950 --> 00:57:51,839

it was first of all it was a [h__h]

1431

00:57:55,990 --> 00:57:52,960

goof

1432

00:57:58,789 --> 00:57:56,000

and then you know the

1433

00:58:00,950 --> 00:57:58,799

paradise fires happened and then i i

1434

00:58:03,430 --> 00:58:00,960

think it was about a year later that i

1435

00:58:07,270 --> 00:58:03,440

called some dentists from that place

1436

00:58:08,630 --> 00:58:07,280

and he's saying stephen canyon's lying

1437

00:58:10,230 --> 00:58:08,640

to everybody he couldn't have called

1438

00:58:11,829 --> 00:58:10,240

these dentists because they all burned

1439

00:58:16,150 --> 00:58:11,839

down

1440

00:58:18,390 --> 00:58:16,160

uh no i don't think that's accurate

1441

00:58:19,910 --> 00:58:18,400

and number two i was calling dennis

1442

00:58:23,270 --> 00:58:19,920

office having googled

1443

00:58:25,349 --> 00:58:23,280

paradise california dentists a year

1444

00:58:27,589 --> 00:58:25,359

or maybe even a year and a half after

1445

00:58:30,870 --> 00:58:27,599

the paradise fires

1446

00:58:33,829 --> 00:58:30,880

if we there's on yelp there's

1447

00:58:35,430 --> 00:58:33,839

five pages of paradise california

1448

00:58:38,390 --> 00:58:35,440

dentists

1449

00:58:40,150 --> 00:58:38,400

i just pulled up that list called a few

1450

00:58:41,190 --> 00:58:40,160

a few answered their phone a few it was

1451
00:58:44,150 --> 00:58:41,200
receptionist

1452
00:58:45,190 --> 00:58:44,160
a few i believe may have been answering

1453
00:58:47,190 --> 00:58:45,200
services

1454
00:58:48,789 --> 00:58:47,200
but these dentists are professional

1455
00:58:50,789 --> 00:58:48,799
people with practices

1456
00:58:52,630 --> 00:58:50,799
and patience they're not just going to

1457
00:58:54,710 --> 00:58:52,640
shut down their phones

1458
00:58:56,549 --> 00:58:54,720
because their office burned down they're

1459
00:58:59,430 --> 00:58:56,559
going to forward the calls

1460
00:59:00,789 --> 00:58:59,440
or they're going to by a year and a half

1461
00:59:02,789 --> 00:59:00,799
from the fires they're going to have a

1462
00:59:04,870 --> 00:59:02,799
new office location and be answering

1463
00:59:07,990 --> 00:59:04,880

their phone from there

1464

00:59:09,750 --> 00:59:08,000

so it is what it is this clown said i

1465

00:59:13,109 --> 00:59:09,760

lied about it and it was a goof

1466

00:59:17,109 --> 00:59:13,119

it was me calling dentists because

1467

00:59:21,190 --> 00:59:17,119

let me see excuse me

1468

00:59:25,190 --> 00:59:23,990

so the goof was this david wilcox said

1469

00:59:28,390 --> 00:59:25,200

that the paradise

1470

00:59:28,870 --> 00:59:28,400

california fires were were not natural

1471

00:59:31,030 --> 00:59:28,880

they were

1472

00:59:31,990 --> 00:59:31,040

caused by directed energy weapons the

1473

00:59:33,990 --> 00:59:32,000

government destroyed

1474

00:59:36,390 --> 00:59:34,000

the town because there was too many tall

1475

00:59:39,109 --> 00:59:36,400

white aliens living there

1476
00:59:40,630 --> 00:59:39,119
in paradise california and these tall

1477
00:59:42,309 --> 00:59:40,640
white aliens had

1478
00:59:44,390 --> 00:59:42,319
teeth that were different from humans

1479
00:59:46,150 --> 00:59:44,400
and the dentists in paradise california

1480
00:59:48,309 --> 00:59:46,160
had to be specially trained to work on

1481
00:59:50,710 --> 00:59:48,319
those aliens teeth

1482
00:59:51,430 --> 00:59:50,720
so i thought it would be funny as a it's

1483
00:59:53,829 --> 00:59:51,440
a [h__h]

1484
00:59:55,670 --> 00:59:53,839
goof i thought it would be funny let's

1485
00:59:57,430 --> 00:59:55,680
call some of these dentists

1486
00:59:58,950 --> 00:59:57,440
and find out did they really get

1487
01:00:02,630 --> 00:59:58,960
specially trained to work on

1488
01:00:05,510 --> 01:00:02,640

aliens teeth like david wilcox said

1489

01:00:07,349 --> 01:00:05,520

and a few of those people that answered

1490

01:00:10,230 --> 01:00:07,359

their phone just hung up on me that

1491

01:00:11,510 --> 01:00:10,240

you know a few of them was like

1492

01:00:14,069 --> 01:00:11,520

receptionists or

1493

01:00:15,270 --> 01:00:14,079

answering service people who said well

1494

01:00:17,109 --> 01:00:15,280

we'll ask the

1495

01:00:19,589 --> 01:00:17,119

dentist and and have somebody call you

1496

01:00:20,870 --> 01:00:19,599

back and i got a few phone calls back

1497

01:00:22,069 --> 01:00:20,880

we're like

1498

01:00:23,750 --> 01:00:22,079

we don't really know what you're talking

1499

01:00:24,789 --> 01:00:23,760

about nobody here knows anything about

1500

01:00:28,390 --> 01:00:24,799

aliens or

1501

01:00:30,630 --> 01:00:28,400

alien teeth or being trained for that

1502

01:00:32,710 --> 01:00:30,640

and that was sufficient to like make

1503

01:00:34,390 --> 01:00:32,720

david wilcock look like the dumbest that

1504

01:00:36,470 --> 01:00:34,400

he is making these

1505

01:00:37,910 --> 01:00:36,480

stupid claims like dentists being

1506

01:00:41,109 --> 01:00:37,920

specially trained

1507

01:00:42,710 --> 01:00:41,119

so it was a goof

1508

01:00:44,789 --> 01:00:42,720

he's saying i'm lying i couldn't call

1509

01:00:48,150 --> 01:00:44,799

them all their offices burned down

1510

01:00:51,829 --> 01:00:48,160

okay go everybody can do this

1511

01:00:54,710 --> 01:00:51,839

google paradise california dentists

1512

01:00:57,030 --> 01:00:54,720

and call their numbers tell me how many

1513

01:00:59,030 --> 01:00:57,040

of them pick up the phone

1514

01:01:00,230 --> 01:00:59,040

they're gonna pick up the phone you

1515

01:01:02,069 --> 01:01:00,240

dumbass

1516

01:01:03,990 --> 01:01:02,079

and why am i even arguing over this

1517

01:01:06,470 --> 01:01:04,000

stuff because listen i've already

1518

01:01:08,150 --> 01:01:06,480

so i've already explained that once what

1519

01:01:09,990 --> 01:01:08,160

happened in that situation and this

1520

01:01:12,390 --> 01:01:10,000

person making ridiculous allegations

1521

01:01:13,990 --> 01:01:12,400

and by the way this person has had major

1522

01:01:15,910 --> 01:01:14,000

major problems with

1523

01:01:17,670 --> 01:01:15,920

so many different people all he does is

1524

01:01:20,789 --> 01:01:17,680

argue with people all he does is

1525

01:01:25,430 --> 01:01:20,799

spell vetement people get nasty

1526

01:01:28,549 --> 01:01:25,440

make threats he made

1527

01:01:30,950 --> 01:01:28,559

transphobic comments and other

1528

01:01:32,870 --> 01:01:30,960

really really ridiculous comments on

1529

01:01:35,829 --> 01:01:32,880

twitter recently

1530

01:01:37,430 --> 01:01:35,839

just an [h__h] you know i hope he gets

1531

01:01:42,950 --> 01:01:37,440

some help for his issues

1532

01:01:48,549 --> 01:01:46,150

our pet nut job is now going back making

1533

01:01:51,030 --> 01:01:48,559

comments on old videos nash put up

1534

01:01:56,309 --> 01:01:51,040

i finally called him out and he stopped

1535

01:02:02,230 --> 01:01:59,430

oh god gee i've been raging it yeah he's

1536

01:02:04,069 --> 01:02:02,240

always angry and nasty and like

1537

01:02:06,870 --> 01:02:04,079

and you know what i noticed he turns on

1538

01:02:09,349 --> 01:02:06,880

everybody right he was very friendly

1539

01:02:12,549 --> 01:02:09,359

with me he wanted me to do a story

1540

01:02:14,150 --> 01:02:12,559

right on uh david wilcock and the

1541

01:02:15,990 --> 01:02:14,160

[h__\h] that he was feeling about the

1542

01:02:17,910 --> 01:02:16,000

paradise california fires

1543

01:02:19,430 --> 01:02:17,920

i watched the video where david wilcock

1544

01:02:20,549 --> 01:02:19,440

made all these claims and said yeah

1545

01:02:21,990 --> 01:02:20,559

that's ridiculous

1546

01:02:23,510 --> 01:02:22,000

all these people had their houses burned

1547

01:02:25,190 --> 01:02:23,520

down david wilcox should leave them

1548

01:02:28,069 --> 01:02:25,200

alone and not be trying to tie in

1549

01:02:28,789 --> 01:02:28,079

crazy alien conspiracies david wilcox an

1550

01:02:31,109 --> 01:02:28,799

[h__\h]

1551
01:02:32,230 --> 01:02:31,119
so i did the show and by the way when i

1552
01:02:35,430 --> 01:02:32,240
did that show

1553
01:02:37,190 --> 01:02:35,440
he didn't say anything about this i lied

1554
01:02:40,710 --> 01:02:37,200
i couldn't call dentists it was

1555
01:02:43,270 --> 01:02:40,720
later it was later after i did a show on

1556
01:02:43,990 --> 01:02:43,280
sarah adams who's another person that he

1557
01:02:47,349 --> 01:02:44,000
went and

1558
01:02:50,710 --> 01:02:47,359
complete and total nutso on you know

1559
01:02:52,789 --> 01:02:50,720
uh i think i think she had a

1560
01:02:55,190 --> 01:02:52,799
signal with lawyer letters and get a

1561
01:02:57,349 --> 01:02:55,200
restraining order that's how bad it got

1562
01:02:58,549 --> 01:02:57,359
i could be wrong pardon me if i

1563
01:03:00,630 --> 01:02:58,559

misspeaking

1564

01:03:02,549 --> 01:03:00,640

at the very least i think that she sent

1565

01:03:04,230 --> 01:03:02,559

him some kind of letter from a lawyer

1566

01:03:07,910 --> 01:03:04,240

or told him that she would if he

1567

01:03:11,270 --> 01:03:07,920

continued in his harassment

1568

01:03:11,990 --> 01:03:11,280

he's had problems with c.w channer a few

1569

01:03:14,470 --> 01:03:12,000

other people

1570

01:03:15,029 --> 01:03:14,480

oh he went on points on the curve and

1571

01:03:16,549 --> 01:03:15,039

then he

1572

01:03:18,870 --> 01:03:16,559

as soon as he was done being on that

1573

01:03:22,069 --> 01:03:18,880

guy's show he turned on that guy

1574

01:03:23,430 --> 01:03:22,079

a 180 degree turn called him a liar he

1575

01:03:25,670 --> 01:03:23,440

can't be trusted

1576

01:03:26,789 --> 01:03:25,680

this and that why did you go on a show

1577

01:03:28,069 --> 01:03:26,799

and why didn't you say that stuff when

1578

01:03:28,870 --> 01:03:28,079

you were on the show when he was on the

1579

01:03:31,910 --> 01:03:28,880

show he was

1580

01:03:33,990 --> 01:03:31,920

everything was great you know he gets as

1581

01:03:35,430 --> 01:03:34,000

soon as he's off the guy's show

1582

01:03:37,109 --> 01:03:35,440

i think he's got some weird

1583

01:03:37,670 --> 01:03:37,119

psychological issues where like if he

1584

01:03:39,829 --> 01:03:37,680

doesn't get

1585

01:03:41,029 --> 01:03:39,839

exactly what he wants out of people he

1586

01:03:44,549 --> 01:03:41,039

turns on them

1587

01:03:46,870 --> 01:03:44,559

it's happened to me like uh

1588

01:03:47,990 --> 01:03:46,880

he i didn't cover the sarah adams story

1589

01:03:49,750 --> 01:03:48,000

the way he wanted

1590

01:03:52,069 --> 01:03:49,760

because he [h__h] hates her and has

1591

01:03:55,829 --> 01:03:52,079

some pathological hatred towards her

1592

01:03:58,789 --> 01:03:55,839

uh so he went nuts [h__h]

1593

01:04:01,270 --> 01:03:58,799

balls nuts at me he went [h__h] balls nuts

1594

01:04:02,789 --> 01:04:01,280

at cw channel over something ridiculous

1595

01:04:05,029 --> 01:04:02,799

like doxing somebody

1596

01:04:08,230 --> 01:04:05,039

who everybody knew who they were

1597

01:04:11,990 --> 01:04:09,829

everybody knew who their handle in their

1598

01:04:15,750 --> 01:04:12,000

chat was steven cheater used

1599

01:04:17,990 --> 01:04:15,760

his real name and this guy in geoff went

1600

01:04:19,510 --> 01:04:18,000

nuts you doxed my friend and even the

1601
01:04:20,150 --> 01:04:19,520
person that was on the show was like no

1602
01:04:22,710 --> 01:04:20,160
he didn't

1603
01:04:24,470 --> 01:04:22,720
we're good me and c chainer are okay

1604
01:04:27,589 --> 01:04:24,480
he's still got issues with that guy

1605
01:04:28,470 --> 01:04:27,599
so you know [h__h] him that's what i say

1606
01:04:30,390 --> 01:04:28,480
[h__h] him

1607
01:04:31,910 --> 01:04:30,400
and and the fact that like we i've

1608
01:04:33,349 --> 01:04:31,920
already been through this [h__h] that he

1609
01:04:35,910 --> 01:04:33,359
was claiming once

1610
01:04:38,150 --> 01:04:35,920
we addressed it on a previous show so

1611
01:04:40,069 --> 01:04:38,160
when that twitter thing was raging

1612
01:04:41,670 --> 01:04:40,079
i was trying to find the show where i

1613
01:04:43,270 --> 01:04:41,680

already covered this but i couldn't

1614

01:04:44,150 --> 01:04:43,280

because you know my streams are two

1615

01:04:45,750 --> 01:04:44,160

hours long

1616

01:04:47,829 --> 01:04:45,760

and by the way that was part of what

1617

01:04:49,109 --> 01:04:47,839

this argument was about he said i lied

1618

01:04:51,190 --> 01:04:49,119

and somebody said do you have a time

1619

01:04:53,029 --> 01:04:51,200

stamp where he lied or some i don't know

1620

01:04:54,870 --> 01:04:53,039

somebody was defending me and god bless

1621

01:04:57,190 --> 01:04:54,880

him a few people were defending me and

1622

01:04:58,870 --> 01:04:57,200

god bless all of them

1623

01:05:00,950 --> 01:04:58,880

you know but the long and the short of

1624

01:05:02,549 --> 01:05:00,960

the story was the whole thing about me

1625

01:05:04,789 --> 01:05:02,559

calling dennis was a goof

1626

01:05:05,750 --> 01:05:04,799
on david wilcock he said i lied i

1627

01:05:09,349 --> 01:05:05,760
couldn't

1628

01:05:12,789 --> 01:05:09,359
[h__\h] you i did prove me wrong you can't

1629

01:05:14,789 --> 01:05:12,799
you know and uh yeah so

1630

01:05:15,990 --> 01:05:14,799
this is a great example of the detriment

1631

01:05:19,029 --> 01:05:16,000
of social media too

1632

01:05:21,589 --> 01:05:19,039
like the last time

1633

01:05:22,470 --> 01:05:21,599
some twitter thing erupted about this

1634

01:05:25,109 --> 01:05:22,480
issue

1635

01:05:27,510 --> 01:05:25,119
of me calling the dentists i engaged and

1636

01:05:30,950 --> 01:05:27,520
said [h__\h] you this is what happened

1637

01:05:33,430 --> 01:05:30,960
here's a list of you know [h__\h] you and

1638

01:05:34,789 --> 01:05:33,440

and it was like a three-day thing to try

1639

01:05:38,150 --> 01:05:34,799

to get it settled and

1640

01:05:39,990 --> 01:05:38,160

shut this idiot up and shut him down

1641

01:05:41,910 --> 01:05:40,000

and this time i was in the cabin i'm

1642

01:05:43,750 --> 01:05:41,920

busy i'm working on a cabin i said

1643

01:05:45,829 --> 01:05:43,760

[h__h] them i'm not going to say anything

1644

01:05:48,870 --> 01:05:45,839

i'll address it quickly on my show

1645

01:05:49,990 --> 01:05:48,880

so for anybody that does want a time

1646

01:05:52,789 --> 01:05:50,000

stamp i'll provide

1647

01:05:54,789 --> 01:05:52,799

one of this whole [h__h] long

1648

01:05:55,910 --> 01:05:54,799

explanation of why this guy's an [h__h]

1649

01:06:00,230 --> 01:05:55,920

and an idiot

1650

01:06:03,109 --> 01:06:00,240

and uh yeah you can time stamp that [h__h]

1651
01:06:04,309 --> 01:06:03,119
jay off gee off whatever the [\h__\h] your

1652
01:06:06,710 --> 01:06:04,319
name is

1653
01:06:08,630 --> 01:06:06,720
and you know i'm just uh what's that

1654
01:06:10,230 --> 01:06:08,640
saying about suffering fools right

1655
01:06:11,990 --> 01:06:10,240
i'm just not going to suffer fools i'm

1656
01:06:12,309 --> 01:06:12,000
not going to suffer fools if somebody's

1657
01:06:17,190 --> 01:06:12,319
an

1658
01:06:19,190 --> 01:06:17,200
guy's one of the few people on social

1659
01:06:20,470 --> 01:06:19,200
media that i block i block that guy and

1660
01:06:22,069 --> 01:06:20,480
the guy that's always

1661
01:06:23,589 --> 01:06:22,079
telling cw chain or he's going to get

1662
01:06:26,150 --> 01:06:23,599
raped in prison or he hopes he gets

1663
01:06:28,230 --> 01:06:26,160

raped in prison whatever that guy's

1664

01:06:30,069 --> 01:06:28,240

newest twitter fake handle is i always

1665

01:06:30,549 --> 01:06:30,079

block that guy because he says crazy

1666

01:06:33,510 --> 01:06:30,559

[h__\h]

1667

01:06:35,510 --> 01:06:33,520

to me too uh much to his credit he's

1668

01:06:36,309 --> 01:06:35,520

never wished i got raped in prison like

1669

01:06:39,430 --> 01:06:36,319

he does to

1670

01:06:41,510 --> 01:06:39,440

see every chatter but i sort of uh just

1671

01:06:43,670 --> 01:06:41,520

avoid that guy because he says

1672

01:06:45,990 --> 01:06:43,680

nutty [h__\h] to me so every time he

1673

01:06:48,069 --> 01:06:46,000

creates a new account i blocked that guy

1674

01:06:49,829 --> 01:06:48,079

generally i don't block anybody but

1675

01:06:51,670 --> 01:06:49,839

there's a few people that i just say

1676

01:06:53,109 --> 01:06:51,680

i'm just not gonna [\h__\h] this guy i'm not

1677

01:06:58,829 --> 01:06:53,119

gonna put up with this [\h__\h] you're

1678

01:06:58,839 --> 01:07:03,270

right

1679

01:07:06,789 --> 01:07:05,270

after out of mind should introduce mr

1680

01:07:07,270 --> 01:07:06,799

stephen to what happened with that other

1681

01:07:09,910 --> 01:07:07,280

guy

1682

01:07:10,789 --> 01:07:09,920

he could probably even do a study case

1683

01:07:13,109 --> 01:07:10,799

around it

1684

01:07:15,349 --> 01:07:13,119

yeah i like funny stories and not jobs

1685

01:07:19,510 --> 01:07:15,359

so yeah i don't want to get with me

1686

01:07:23,029 --> 01:07:21,670

yeah spooky defended me and took help

1687

01:07:30,549 --> 01:07:23,039

for it spooky's good people

1688

01:07:34,950 --> 01:07:33,430

yeah so i thought it would be a good

1689

01:07:36,630 --> 01:07:34,960

idea to talk about this social media

1690

01:07:38,390 --> 01:07:36,640

stuff especially like here we're just

1691

01:07:39,910 --> 01:07:38,400

talking about just recent events just

1692

01:07:40,390 --> 01:07:39,920

this last couple of days this big

1693

01:07:43,910 --> 01:07:40,400

twitter

1694

01:07:45,589 --> 01:07:43,920

battle royale [h__h] erupted and like

1695

01:07:47,029 --> 01:07:45,599

and i'm at the cabin and i'm trying not

1696

01:07:49,270 --> 01:07:47,039

to pay attention

1697

01:07:50,309 --> 01:07:49,280

uh but i have to because you know it's

1698

01:07:52,309 --> 01:07:50,319

like

1699

01:07:53,910 --> 01:07:52,319

to say [h__h] back saying i'm lying

1700

01:07:55,829 --> 01:07:53,920

again like did he already

1701

01:08:03,029 --> 01:07:55,839

we already went through this [h__h] now

1702

01:08:06,789 --> 01:08:04,789

and by the way i was gonna look up

1703

01:08:08,150 --> 01:08:06,799

dentists and call them live on air to

1704

01:08:10,150 --> 01:08:08,160

prove that they're answering their phone

1705

01:08:11,910 --> 01:08:10,160

but i figure people can do that

1706

01:08:14,069 --> 01:08:11,920

call 10 of them tell me how many pick up

1707

01:08:14,630 --> 01:08:14,079

the phone i'm going to tell you most of

1708

01:08:16,470 --> 01:08:14,640

them

1709

01:08:18,870 --> 01:08:16,480

that you find on google if you search

1710

01:08:19,749 --> 01:08:18,880

for paradise california dennis are going

1711

01:08:22,070 --> 01:08:19,759

to

1712

01:08:23,430 --> 01:08:22,080

uh yeah and that's see that's where he

1713

01:08:25,189 --> 01:08:23,440

leaves out he leaves

1714

01:08:27,269 --> 01:08:25,199

he's acting like i called all the

1715

01:08:29,269 --> 01:08:27,279

dentists the day after the fires

1716

01:08:31,349 --> 01:08:29,279

it was a year and a half or something

1717

01:08:35,189 --> 01:08:31,359

like that after the fires

1718

01:08:37,749 --> 01:08:35,199

ridiculous brad gray is here shout out

1719

01:08:40,149 --> 01:08:37,759

to brad gray

1720

01:08:41,669 --> 01:08:40,159

out to jeanette chrisenko shout out to

1721

01:08:44,309 --> 01:08:41,679

genocide

1722

01:08:45,669 --> 01:08:44,319

i saw jiggy earlier shout out to jiggy

1723

01:08:49,030 --> 01:08:45,679

out of mind

1724

01:08:52,309 --> 01:08:49,040

melissa of course bunya

1725

01:08:54,709 --> 01:08:52,319

uh let's see carol utley

1726

01:08:57,269 --> 01:08:54,719

is here shout out to carol utley good to

1727

01:09:01,189 --> 01:08:58,470

yeah actually it's good to see all of

1728

01:09:04,229 --> 01:09:01,199

you i missed you guys i gotta get

1729

01:09:05,430 --> 01:09:04,239

more disciplined about doing shows from

1730

01:09:08,070 --> 01:09:05,440

the cabin

1731

01:09:09,990 --> 01:09:08,080

and uh i saw some of the lighting and

1732

01:09:12,789 --> 01:09:10,000

and weird like the stream looking like

1733

01:09:16,229 --> 01:09:12,799

[h__\h] issues but i was just be

1734

01:09:22,070 --> 01:09:20,390

yeah so sometimes it's just i just don't

1735

01:09:23,669 --> 01:09:22,080

have the energy for the stream but i

1736

01:09:26,390 --> 01:09:23,679

noticed like today's numbers

1737

01:09:28,470 --> 01:09:26,400

are pretty low and that happens every

1738

01:09:30,070 --> 01:09:28,480

time i take a break it's like

1739

01:09:31,990 --> 01:09:30,080

everybody forgets about me for a little

1740

01:09:33,349 --> 01:09:32,000

while and then goes oh he's back but not

1741

01:09:36,229 --> 01:09:33,359

enough people hear about me

1742

01:09:38,149 --> 01:09:36,239

doing a new show so i'm going to try to

1743

01:09:39,829 --> 01:09:38,159

get better at

1744

01:09:42,470 --> 01:09:39,839

being more consistent let's do four of

1745

01:09:44,550 --> 01:09:42,480

these a week like i originally

1746

01:09:46,709 --> 01:09:44,560

sort of committed to these last few

1747

01:09:47,990 --> 01:09:46,719

weeks failed miserably i think i did one

1748

01:09:51,669 --> 01:09:48,000

or two

1749

01:09:53,430 --> 01:09:51,679

maybe even one for the last few weeks

1750

01:09:54,790 --> 01:09:53,440

so any questions or comments for me in a

1751

01:09:58,070 --> 01:09:54,800

live chat please put them in

1752

01:09:58,870 --> 01:09:58,080

all caps otherwise uh we'll be wrapping

1753

01:10:01,910 --> 01:09:58,880

things up here

1754

01:10:03,270 --> 01:10:01,920

shortly got a big day ahead of me taking

1755

01:10:06,870 --> 01:10:03,280

care of my two boys

1756

01:10:08,709 --> 01:10:06,880

my wife is going into the office and uh

1757

01:10:10,950 --> 01:10:08,719

today was a fun day for me i went got a

1758

01:10:13,590 --> 01:10:10,960

huge load of firewood that's still in my

1759

01:10:15,590 --> 01:10:13,600

car like my van so i have to unload that

1760

01:10:16,709 --> 01:10:15,600

before i can load up to go to the cabin

1761

01:10:19,030 --> 01:10:16,719

tomorrow

1762

01:10:20,790 --> 01:10:19,040

and yeah i'm going to be uh going to the

1763

01:10:23,430 --> 01:10:20,800

cabin

1764

01:10:23,910 --> 01:10:23,440

genocide you've finished the sun room

1765

01:10:27,669 --> 01:10:23,920

yet

1766

01:10:30,709 --> 01:10:27,679

if not how close are you pretty

1767

01:10:32,950 --> 01:10:30,719

i'm i got uh

1768

01:10:34,149 --> 01:10:32,960

i don't know i couldn't tell you maybe

1769

01:10:39,110 --> 01:10:34,159

i'm 50

1770

01:10:45,590 --> 01:10:43,110

uh let's see

1771

01:10:46,950 --> 01:10:45,600

let me uh let me get to my twitter and

1772

01:10:49,510 --> 01:10:46,960

see if i can find the

1773

01:10:49,990 --> 01:10:49,520

pics i just posted some pictures oh yeah

1774

01:10:52,550 --> 01:10:50,000

i can

1775

01:10:54,870 --> 01:10:52,560

there we go all right i'm going to share

1776

01:11:00,310 --> 01:10:54,880

screen here

1777

01:11:03,910 --> 01:11:01,830

i'm just going to share my twitter so

1778

01:11:07,750 --> 01:11:03,920

you can see

1779

01:11:29,910 --> 01:11:11,189

that's not let me let me do that

1780

01:11:29,920 --> 01:11:47,110

one second friends stand by

1781

01:12:02,470 --> 01:11:54,870

oh that's weird

1782

01:12:02,480 --> 01:12:07,030

looks like the browser crashed

1783

01:12:07,040 --> 01:12:11,750

let's see if we can get another one

1784

01:12:33,430 --> 01:12:22,310

see if we can get back to the stream

1785

01:12:33,440 --> 01:13:00,870

not responding

1786

01:13:09,270 --> 01:13:06,229

there we go one second

1787

01:13:14,070 --> 01:13:09,280

okay i gotta stop this [h__\h] there's

1788

01:13:17,669 --> 01:13:16,390

there we go i'm gonna split screen with

1789

01:13:19,910 --> 01:13:17,679

myself

1790

01:13:20,870 --> 01:13:19,920

i'm sorry about that okay so how close

1791

01:13:22,630 --> 01:13:20,880

am i i

1792

01:13:24,149 --> 01:13:22,640

have some pictures on my twitter i just

1793

01:13:28,229 --> 01:13:24,159

tried to share them and and everything

1794

01:13:32,709 --> 01:13:31,189

uh i'm about halfway there i gotta put

1795

01:13:35,110 --> 01:13:32,719

the roof on it

1796

01:13:35,990 --> 01:13:35,120

but first i have to make 12 roof beams

1797

01:13:37,750 --> 01:13:36,000

out of trees

1798

01:13:42,149 --> 01:13:37,760

so that's going to take all weekend this

1799

01:13:45,430 --> 01:13:43,669

janette krasenko put out that you're

1800

01:13:46,870 --> 01:13:45,440

going live a few hours in advance yeah

1801

01:13:48,229 --> 01:13:46,880

i'm going to start doing that and we're

1802

01:13:48,790 --> 01:13:48,239

going to return to a more normal

1803

01:13:51,669 --> 01:13:48,800

schedule

1804

01:13:52,870 --> 01:13:51,679

of like 10 p.m eastern time monday

1805

01:13:55,910 --> 01:13:52,880

through thursday

1806

01:13:58,149 --> 01:13:55,920

uh well we're going to try that

1807

01:13:59,910 --> 01:13:58,159

we're going to try that uh i think

1808

01:14:01,669 --> 01:13:59,920

that's a good time though even from the

1809

01:14:04,790 --> 01:14:01,679

cabin

1810

01:14:06,630 --> 01:14:04,800

yeah um back now though right

1811

01:14:08,070 --> 01:14:06,640

okay so everything's good now yeah

1812

01:14:09,910 --> 01:14:08,080

that's the one thing i'll say is that

1813

01:14:12,310 --> 01:14:09,920

when the software and the browser

1814

01:14:14,550 --> 01:14:12,320

crashes at least i'm able to get

1815

01:14:15,669 --> 01:14:14,560

you know like to get back to it i just

1816

01:14:17,270 --> 01:14:15,679

have to sort of like

1817

01:14:19,189 --> 01:14:17,280

one time i even had to reboot the whole

1818

01:14:20,550 --> 01:14:19,199

computer and then go back and the stream

1819

01:14:22,950 --> 01:14:20,560

was still there waiting for me when i

1820

01:14:24,709 --> 01:14:22,960

went into software i could jump back in

1821

01:14:27,590 --> 01:14:24,719

it's just the screen goes blank while

1822

01:14:29,669 --> 01:14:27,600

that's going on i guess

1823

01:14:31,189 --> 01:14:29,679

which is a strange thing i'm sure we'll

1824

01:14:34,790 --> 01:14:31,199

get some emails

1825

01:14:36,470 --> 01:14:34,800

uh agreed jeanette

1826

01:14:38,149 --> 01:14:36,480

i run about trying to figure out if he

1827

01:14:39,510 --> 01:14:38,159

is going to air or not yeah i'm sorry

1828

01:14:41,270 --> 01:14:39,520

about that you know what that's kind of

1829

01:14:42,070 --> 01:14:41,280

disrespectful to the audience so i'm

1830

01:14:45,189 --> 01:14:42,080

going to publish

1831

01:14:46,229 --> 01:14:45,199

a i'm going to make a graphic tomorrow

1832

01:14:47,510 --> 01:14:46,239

with a schedule

1833

01:14:50,870 --> 01:14:47,520

and we're going to start having a

1834

01:14:54,470 --> 01:14:50,880

schedule uh i'm told that's best

1835

01:14:57,270 --> 01:14:54,480

for you know gaining better

1836

01:14:57,669 --> 01:14:57,280

viewership and for gaining subscribers

1837

01:14:58,950 --> 01:14:57,679

we're

1838

01:15:00,870 --> 01:14:58,960

still a few hundred short of

1839

01:15:03,669 --> 01:15:00,880

monetization so

1840

01:15:04,790 --> 01:15:03,679

yeah i'm going to do that and put out

1841

01:15:08,790 --> 01:15:04,800

i'll put out

1842

01:15:11,910 --> 01:15:10,310

one thing i'll say is if i go to the

1843

01:15:12,470 --> 01:15:11,920

trouble of making a graphic with a

1844

01:15:15,030 --> 01:15:12,480

schedule

1845

01:15:17,590 --> 01:15:15,040

i'm going to stick to it so i will put

1846

01:15:19,830 --> 01:15:17,600

that out and then everybody will know

1847

01:15:21,350 --> 01:15:19,840

yeah janae kriszenko me too bunya well

1848

01:15:23,510 --> 01:15:21,360

it's good to know that people are

1849

01:15:24,709 --> 01:15:23,520

are anxious to see if i'm doing a show

1850

01:15:26,390 --> 01:15:24,719

but you're right i shouldn't be so

1851
01:15:28,550 --> 01:15:26,400
mysterious so that people know there's

1852
01:15:30,709 --> 01:15:28,560
one and can play it appropriately

1853
01:15:32,870 --> 01:15:30,719
to be here because we like to see as

1854
01:15:35,430 --> 01:15:32,880
many of you guys here in the live chat

1855
01:15:38,229 --> 01:15:35,440
as possible

1856
01:15:39,669 --> 01:15:38,239
so any more questions or comments for me

1857
01:15:43,910 --> 01:15:39,679
uh

1858
01:15:46,790 --> 01:15:43,920
jonah's like yeah i

1859
01:15:47,910 --> 01:15:46,800
think another man three or four weekends

1860
01:15:49,830 --> 01:15:47,920
and i should be able to

1861
01:15:51,750 --> 01:15:49,840
wrap that whole thing up which would be

1862
01:15:55,830 --> 01:15:51,760
great because it's going to provide

1863
01:16:01,830 --> 01:15:59,510

for the cabin and when

1864

01:16:02,790 --> 01:16:01,840

spring rolls around well earlier than

1865

01:16:04,870 --> 01:16:02,800

spring

1866

01:16:06,149 --> 01:16:04,880

i'll be able to start planting seedlings

1867

01:16:08,950 --> 01:16:06,159

in the greenhouse

1868

01:16:10,149 --> 01:16:08,960

sun room edition for the new garden that

1869

01:16:12,470 --> 01:16:10,159

i'm planting

1870

01:16:14,390 --> 01:16:12,480

haven't had a garden for some time i had

1871

01:16:15,590 --> 01:16:14,400

a huge garden in philadelphia in the

1872

01:16:17,510 --> 01:16:15,600

city

1873

01:16:19,510 --> 01:16:17,520

raised bed garden on the side of our

1874

01:16:23,030 --> 01:16:19,520

house it was a

1875

01:16:24,709 --> 01:16:23,040

pretty massive and uh eventually got too

1876

01:16:25,990 --> 01:16:24,719

busy so one year i just said you know

1877

01:16:26,950 --> 01:16:26,000

what i'm not gonna do the garden this

1878

01:16:30,709 --> 01:16:26,960

year

1879

01:16:32,550 --> 01:16:30,719

um and then i think that turned into two

1880

01:16:34,790 --> 01:16:32,560

in three years actually i haven't had a

1881

01:16:37,430 --> 01:16:34,800

garden for three years now

1882

01:16:39,270 --> 01:16:37,440

i love having a garden it's great to uh

1883

01:16:39,990 --> 01:16:39,280

know where the food you're eating comes

1884

01:16:43,110 --> 01:16:40,000

from

1885

01:16:44,630 --> 01:16:43,120

and it's also challenging right like

1886

01:16:47,189 --> 01:16:44,640

let's figure out how to make these

1887

01:16:50,390 --> 01:16:47,199

tomatoes bigger

1888

01:16:53,750 --> 01:16:50,400

you know better soil and uh

1889

01:16:55,030 --> 01:16:53,760

i also like just being outside a lot

1890

01:16:56,870 --> 01:16:55,040

more when you have a garden you've got

1891

01:17:03,990 --> 01:16:56,880

to go out there and work on it so

1892

01:17:09,510 --> 01:17:07,189

okay janet kuzeko says have a wonderful

1893

01:17:11,110 --> 01:17:09,520

night everyone

1894

01:17:12,870 --> 01:17:11,120

yeah so we're going to wrap things up

1895

01:17:15,189 --> 01:17:12,880

here i want to know

1896

01:17:16,310 --> 01:17:15,199

i want you guys to keep in touch with me

1897

01:17:18,390 --> 01:17:16,320

if you are

1898

01:17:19,910 --> 01:17:18,400

going to attempt something like i'm

1899

01:17:21,590 --> 01:17:19,920

attempting which is to not

1900

01:17:24,550 --> 01:17:21,600

use social media except if you

1901

01:17:31,110 --> 01:17:24,560

absolutely have to like take a month off

1902

01:17:34,310 --> 01:17:31,120

see what it does for you see um

1903

01:17:35,750 --> 01:17:34,320

see if your life

1904

01:17:37,910 --> 01:17:35,760

if you feel like your life and your

1905

01:17:40,149 --> 01:17:37,920

clarity improves

1906

01:17:40,950 --> 01:17:40,159

um oh i guess we're going to do the

1907

01:17:42,950 --> 01:17:40,960

begging bowl

1908

01:17:43,990 --> 01:17:42,960

so we need your financial support to

1909

01:17:45,910 --> 01:17:44,000

continue the show

1910

01:17:47,910 --> 01:17:45,920

please consider a paypal donation or

1911

01:17:50,870 --> 01:17:47,920

becoming a patreon supporter

1912

01:17:51,750 --> 01:17:50,880

if you want to see our show continue

1913

01:17:54,950 --> 01:17:51,760

there are links

1914

01:17:57,270 --> 01:17:54,960

in the about section here of our channel

1915

01:17:59,990 --> 01:17:57,280

where you can do that and i want to

1916

01:18:02,470 --> 01:18:00,000

thank all the patreon supporters and

1917

01:18:04,550 --> 01:18:02,480

people who have given paypal donations i

1918

01:18:06,709 --> 01:18:04,560

truly appreciate the support

1919

01:18:08,229 --> 01:18:06,719

every dollar helps to keep the show

1920

01:18:12,870 --> 01:18:08,239

going

1921

01:18:13,669 --> 01:18:12,880

uh jonathan king any more emails from

1922

01:18:17,189 --> 01:18:13,679

madman

1923

01:18:18,870 --> 01:18:17,199

joram since your last stream

1924

01:18:20,630 --> 01:18:18,880

you got to see that yeah i pulled it

1925

01:18:20,870 --> 01:18:20,640

down and i explained earlier in the show

1926

01:18:23,669 --> 01:18:20,880

and

1927

01:18:25,910 --> 01:18:23,679

sort of apologized for that but when

1928

01:18:28,070 --> 01:18:25,920

somebody kind of threatens my family or

1929

01:18:31,110 --> 01:18:28,080

includes my family and their

1930

01:18:33,030 --> 01:18:31,120

email threats i lose my [h__h] and i got

1931

01:18:34,709 --> 01:18:33,040

drunk and not just drunk i got angry

1932

01:18:36,470 --> 01:18:34,719

drunk and then i decided it would be a

1933

01:18:37,350 --> 01:18:36,480

good idea to get some things off my

1934

01:18:40,310 --> 01:18:37,360

chest

1935

01:18:40,790 --> 01:18:40,320

but it's never a good idea to stream

1936

01:18:42,390 --> 01:18:40,800

live

1937

01:18:43,990 --> 01:18:42,400

and get some things off your chest if

1938

01:18:46,790 --> 01:18:44,000

you're 10 beers in already

1939

01:18:47,910 --> 01:18:46,800

when you decide to do that not a good

1940

01:18:50,709 --> 01:18:47,920

life decision

1941

01:18:52,470 --> 01:18:50,719

it's never a good decision to do that so

1942

01:18:54,070 --> 01:18:52,480

in my apologies for you having to sit

1943

01:18:55,750 --> 01:18:54,080

through that

1944

01:18:57,189 --> 01:18:55,760

sounds like some people enjoyed it

1945

01:18:59,430 --> 01:18:57,199

though right jonathan king

1946

01:19:01,830 --> 01:18:59,440

like some people like that drunk honest

1947

01:19:05,189 --> 01:19:01,840

steve

1948

01:19:08,070 --> 01:19:05,199

i'm a mean trump by the way sometimes

1949

01:19:09,590 --> 01:19:08,080

usually i'm just uh probably usually

1950

01:19:11,830 --> 01:19:09,600

just uh like

1951

01:19:13,830 --> 01:19:11,840

i drink a loan drunk but once a while i

1952

01:19:15,669 --> 01:19:13,840

guess i could be a mean drunk

1953

01:19:21,270 --> 01:19:15,679

if i got a lot on my mind and somebody's

1954

01:19:25,030 --> 01:19:23,270

but i i learned the lesson and i'm gonna

1955

01:19:25,430 --> 01:19:25,040

i'm literally gonna make a sign that

1956

01:19:27,189 --> 01:19:25,440

says

1957

01:19:28,790 --> 01:19:27,199

don't drunk stream and put it on the

1958

01:19:31,110 --> 01:19:28,800

wall right in front of me

1959

01:19:31,990 --> 01:19:31,120

um you know i guess we all have to learn

1960

01:19:34,229 --> 01:19:32,000

that lesson

1961

01:19:35,270 --> 01:19:34,239

i've heard a few other show hosts talk

1962

01:19:36,470 --> 01:19:35,280

about

1963

01:19:38,709 --> 01:19:36,480

of course those show hosts are in

1964

01:19:41,669 --> 01:19:38,719

recovery and i'm not yet

1965

01:19:43,030 --> 01:19:41,679

uh i've heard a few other shows talk

1966

01:19:47,189 --> 01:19:43,040

about

1967

01:19:48,790 --> 01:19:47,199

drinking and streaming and some of them

1968

01:19:51,110 --> 01:19:48,800

really regretted it and some of them

1969

01:19:51,990 --> 01:19:51,120

were like yeah that was crazy that i did

1970

01:19:56,630 --> 01:19:52,000

that

1971

01:20:01,189 --> 01:19:59,110

genocide great show stephen thank you

1972

01:20:01,910 --> 01:20:01,199

jonathan king i do not think you did any

1973

01:20:03,350 --> 01:20:01,920

wrong

1974

01:20:05,030 --> 01:20:03,360

yeah but you know what i was going to

1975

01:20:05,590 --> 01:20:05,040

leave it up i left it up for a couple

1976

01:20:07,350 --> 01:20:05,600

days

1977

01:20:10,070 --> 01:20:07,360

and then i sort of listened to part of

1978

01:20:10,390 --> 01:20:10,080

it i was like really drunk like swearing

1979

01:20:13,590 --> 01:20:10,400

and

1980

01:20:17,510 --> 01:20:13,600

really not the

1981

01:20:20,149 --> 01:20:17,520

face of the show that i want to

1982

01:20:21,830 --> 01:20:20,159

you know be pushing forward especially

1983

01:20:23,350 --> 01:20:21,840

like imagine if you're new to the

1984

01:20:24,070 --> 01:20:23,360

channel and that was the first thing

1985

01:20:26,070 --> 01:20:24,080

that you saw

1986

01:20:29,030 --> 01:20:26,080

this guy getting drunk screaming and

1987

01:20:30,550 --> 01:20:29,040

yelling and cursing

1988

01:20:36,070 --> 01:20:30,560

i don't know maybe some people like that

1989

01:20:40,950 --> 01:20:39,270

yeah so we're going to wrap things up

1990

01:20:42,229 --> 01:20:40,960

here friends i do want you to keep in

1991

01:20:43,110 --> 01:20:42,239

touch with me and let me know what you

1992

01:20:45,270 --> 01:20:43,120

think about

1993

01:20:46,870 --> 01:20:45,280

my experiment my social media experiment

1994

01:20:49,990 --> 01:20:46,880

which is going to be to severely limit

1995

01:20:51,590 --> 01:20:50,000

my social media usage for 30 days

1996

01:20:55,830 --> 01:20:51,600

but i'm giving myself until next week to

1997

01:21:00,149 --> 01:20:59,590

yeah soaking in every bit of social

1998

01:21:02,629 --> 01:21:00,159

media

1999

01:21:04,470 --> 01:21:02,639

manipulated goodness i can get until the

2000

01:21:05,590 --> 01:21:04,480

end of the weekend this coming weekend

2001

01:21:10,070 --> 01:21:05,600

and then i'm gonna try

2002

01:21:13,510 --> 01:21:12,629

oh genocide i don't drink vodka often

2003

01:21:15,189 --> 01:21:13,520

for a reason

2004

01:21:18,310 --> 01:21:15,199

you know what genocide i have a great

2005

01:21:20,070 --> 01:21:18,320

joke i'm allergic to vodka

2006

01:21:21,750 --> 01:21:20,080

do you know why i'm allergic to vodka

2007

01:21:23,350 --> 01:21:21,760

genocide

2008

01:21:26,629 --> 01:21:23,360

because every time i drink it it makes

2009

01:21:30,070 --> 01:21:26,639

me break out in handcuffs

2010

01:21:32,149 --> 01:21:30,080

vodka is knockout juice it is like

2011

01:21:33,189 --> 01:21:32,159

you want to have an alcohol blackout i'm

2012

01:21:34,790 --> 01:21:33,199

polish so we love

2013

01:21:36,470 --> 01:21:34,800

our vodka you want to have a [\h__\h]

2014

01:21:37,350 --> 01:21:36,480

alcohol blackout see what it's like to

2015

01:21:40,229 --> 01:21:37,360

be a real

2016

01:21:43,030 --> 01:21:40,239

[\h__\h] blackout drunk don't remember

2017

01:21:45,189 --> 01:21:43,040

[\h__\h] alcoholic go get yourself a bottle

2018

01:21:47,030 --> 01:21:45,199

of vodka and drink up

2019

01:21:49,270 --> 01:21:47,040

because eventually your brain is just

2020

01:21:51,750 --> 01:21:49,280

going to shut the [\h__\h] off

2021

01:21:53,030 --> 01:21:51,760

and you're not going to remember [\h__\h]

2022

01:22:00,310 --> 01:21:53,040

about what happened

2023

01:22:03,350 --> 01:22:01,910

yeah friends so we're going to wrap

2024

01:22:06,390 --> 01:22:03,360

things up here and

2025

01:22:07,510 --> 01:22:06,400

we will be back tomorrow night i suppose

2026
01:22:10,870 --> 01:22:07,520
at 10 pm

2027
01:22:12,709 --> 01:22:10,880
started uh

2028
01:22:14,709 --> 01:22:12,719
at 10 30 because my children had a

2029
01:22:16,390 --> 01:22:14,719
20-minute nap and that means there were

2030
01:22:17,669 --> 01:22:16,400
hours off of their bedtime like no

2031
01:22:19,830 --> 01:22:17,679
we're not going to bed yet because we

2032
01:22:23,189 --> 01:22:19,840
had a 20-minute nap and that's

2033
01:22:24,870 --> 01:22:23,199
the reality you're like damn they had it

2034
01:22:26,310 --> 01:22:24,880
once in a while one will fall asleep and

2035
01:22:30,070 --> 01:22:26,320
i'm like no

2036
01:22:31,430 --> 01:22:30,080
wake up because that 10 or 20 minute nap

2037
01:22:35,430 --> 01:22:31,440
that means you're gonna be up for five

2038
01:22:38,629 --> 01:22:36,950

so we're going to be back tomorrow night

2039

01:22:41,669 --> 01:22:38,639

at 10 p.m i forgot my

2040

01:22:42,229 --> 01:22:41,679

spinnny design thing there uh we're going

2041

01:22:46,070 --> 01:22:42,239

to be

2042

01:22:50,950 --> 01:22:46,080

back at 10 pm tomorrow night and

2043

01:22:54,149 --> 01:22:52,629

i'm gonna try to go back to at least

2044

01:22:55,750 --> 01:22:54,159

four shows a week i

2045

01:22:57,270 --> 01:22:55,760

the one good thing i'll say about taking

2046

01:22:59,590 --> 01:22:57,280

a break from the show for

2047

01:23:02,390 --> 01:22:59,600

five days at a time is that i started

2048

01:23:04,870 --> 01:23:02,400

making these folders with show ideas and

2049

01:23:06,149 --> 01:23:04,880

you know material for future shows

2050

01:23:08,470 --> 01:23:06,159

that's going really well

2051

01:23:10,310 --> 01:23:08,480

so i think we've got a lot in the

2052

01:23:11,669 --> 01:23:10,320

pipeline i've got plenty of shows

2053

01:23:13,750 --> 01:23:11,679

if i have the time and the energy and

2054

01:23:15,110 --> 01:23:13,760

the dedication to do it i've got to come

2055

01:23:22,390 --> 01:23:15,120

here and water this garden

2056

01:23:25,910 --> 01:23:25,030

so friends until next time i'm stephen

2057

01:23:34,650 --> 01:23:25,920

champion

2058

01:24:25,630 --> 01:23:34,660

good night and god bless all of you

2059

01:24:59,240 --> 01:24:33,210

[Music]

2060

01:25:02,060 --> 01:24:59,250

so

2061

01:25:04,810 --> 01:25:02,070

[Music]
