1  
00:02:11,029 --> 00:00:23,720  
[Music]

2  
00:02:15,350 --> 00:02:11,830  
greetings

3  
00:02:19,110 --> 00:02:15,360  
and salutations we are live live

4  
00:02:22,229 --> 00:02:19,120  
from the apocalypse cabin uh

5  
00:02:24,630 --> 00:02:22,239  
yeah so uh

6  
00:02:26,869 --> 00:02:24,640  
yesterday we talked about the dangers

7  
00:02:30,229 --> 00:02:26,879  
really of social media

8  
00:02:34,150 --> 00:02:30,239  
um and its detrimental effects

9  
00:02:37,509 --> 00:02:34,160  
on people's psyche really and lives

10  
00:02:40,710 --> 00:02:37,519  
and today i was sort of uh

11  
00:02:42,949 --> 00:02:40,720  
shocked at some of the day's events

12  
00:02:43,830 --> 00:02:42,959  
uh for those who don't know there was a

13  
00:02:47,670 --> 00:02:43,840

new york post

14

00:02:50,550 --> 00:02:47,680

article uh apparently

15

00:02:52,229 --> 00:02:50,560

rudy giuliani somehow got a hold of

16

00:02:57,670 --> 00:02:52,239

hunter biden's

17

00:03:00,229 --> 00:02:57,680

and all these texts and all of these

18

00:03:02,149 --> 00:03:00,239

secret emails

19

00:03:03,670 --> 00:03:02,159

and the new york post did an article

20

00:03:07,270 --> 00:03:03,680

detailing

21

00:03:09,990 --> 00:03:07,280

some of this evidence that really paints

22

00:03:12,390 --> 00:03:10,000

mr biden and his son in a terrible

23

00:03:15,589 --> 00:03:12,400

terrible light

24

00:03:16,630 --> 00:03:15,599

it's basically influence peddling at the

25

00:03:19,750 --> 00:03:16,640

highest levels

26

00:03:23,190 --> 00:03:19,760

of our united states government

27

00:03:26,789 --> 00:03:23,200

and proof of influence peddling in my

28

00:03:29,350 --> 00:03:26,799

view uh you know i i don't

29

00:03:31,110 --> 00:03:29,360

i'm not an expert on these things but

30

00:03:34,789 --> 00:03:31,120

seems to me to be pretty clear-cut

31

00:03:37,750 --> 00:03:34,799

evidence uh that

32

00:03:39,350 --> 00:03:37,760

joe biden and his son conspired together

33

00:03:42,710 --> 00:03:39,360

to get these huge payments

34

00:03:44,550 --> 00:03:42,720

out of these out of this uh ukrainian

35

00:03:48,149 --> 00:03:44,560

corporation there was

36

00:03:51,910 --> 00:03:48,159

and more there's more coming the

37

00:03:54,229 --> 00:03:51,920

rudy giuliani has a copied of an entire

38

00:03:55,990 --> 00:03:54,239

hard drive of hunter biden so this is

39

00:03:57,910 --> 00:03:56,000

just the tip of the iceberg of what's

40

00:04:00,949 --> 00:03:57,920

going to be coming out

41

00:04:02,869 --> 00:04:00,959

um i think in the next few days i think

42

00:04:06,070 --> 00:04:02,879

they're gonna drip it out

43

00:04:08,789 --> 00:04:06,080

uh slowly but

44

00:04:09,830 --> 00:04:08,799

what is most concerning to me and most

45

00:04:11,830 --> 00:04:09,840

shocking to me

46

00:04:13,509 --> 00:04:11,840

is that facebook and twitter just

47

00:04:16,550 --> 00:04:13,519

decided you could not

48

00:04:18,229 --> 00:04:16,560

share that new york post article

49

00:04:20,629 --> 00:04:18,239

they just blocked the article and you

50

00:04:24,629 --> 00:04:20,639

can't share it

51  
00:04:28,230 --> 00:04:24,639  
each of them gave different reasons

52  
00:04:29,510 --> 00:04:28,240  
one said that the information presented

53  
00:04:32,070 --> 00:04:29,520  
in the article went

54  
00:04:32,710 --> 00:04:32,080  
against its policy of allowing people to

55  
00:04:36,310 --> 00:04:32,720  
present

56  
00:04:39,670 --> 00:04:36,320  
hacked material um okay

57  
00:04:42,710 --> 00:04:39,680  
um but you can post

58  
00:04:46,550 --> 00:04:42,720  
you know you can post

59  
00:04:47,110 --> 00:04:46,560  
i don't know julian assange links all

60  
00:04:48,550 --> 00:04:47,120  
you want

61  
00:04:50,469 --> 00:04:48,560  
right and that's a lot of hacked

62  
00:04:53,030 --> 00:04:50,479  
material uh

63  
00:04:53,830 --> 00:04:53,040

so the explanation that they gave it

64

00:04:56,870 --> 00:04:53,840

really

65

00:04:57,749 --> 00:04:56,880

is lacking and you know listen i want to

66

00:05:00,310 --> 00:04:57,759

be very clear

67

00:05:01,749 --> 00:05:00,320

in that we don't really i don't really

68

00:05:03,990 --> 00:05:01,759

want to uh

69

00:05:06,150 --> 00:05:04,000

discuss politics insofar as taking a

70

00:05:08,070 --> 00:05:06,160

side i don't have a horse in this race

71

00:05:09,189 --> 00:05:08,080

i'm not voting for either of these two

72

00:05:12,629 --> 00:05:09,199

clowns

73

00:05:14,950 --> 00:05:12,639

but i am very concerned that a social

74

00:05:15,749 --> 00:05:14,960

these two social media giants just

75

00:05:18,070 --> 00:05:15,759

decided

76

00:05:19,270 --> 00:05:18,080

that the american people were not going

77

00:05:24,550 --> 00:05:19,280

to

78

00:05:26,230 --> 00:05:24,560

have everybody read these emails and

79

00:05:28,150 --> 00:05:26,240

decide for themselves

80

00:05:30,070 --> 00:05:28,160

read these text messages and make up

81

00:05:30,790 --> 00:05:30,080

their own mind was this influence

82

00:05:32,950 --> 00:05:30,800

peddling

83

00:05:34,790 --> 00:05:32,960

was this a corrupt thing that biden and

84

00:05:36,790 --> 00:05:34,800

his son are involved in

85

00:05:39,110 --> 00:05:36,800

listen it's very important that people

86

00:05:40,550 --> 00:05:39,120

realize this man somehow gets involved

87

00:05:43,830 --> 00:05:40,560

in an energy company

88

00:05:44,870 --> 00:05:43,840

i mean hunter biden with zero he had no

89

00:05:47,749 --> 00:05:44,880

experience

90

00:05:50,070 --> 00:05:47,759

at all and he gets a multi-million

91

00:05:52,230 --> 00:05:50,080

dollar job and board member position

92

00:05:55,189 --> 00:05:52,240

with some company

93

00:05:55,990 --> 00:05:55,199

the emails shown in uh in this new york

94

00:05:59,590 --> 00:05:56,000

post article

95

00:06:03,189 --> 00:06:01,830

he was basically selling access to his

96

00:06:05,350 --> 00:06:03,199

father or they were

97

00:06:08,309 --> 00:06:05,360

asking for access to his father or

98

00:06:12,150 --> 00:06:08,319

thanking him for access to his father

99

00:06:13,909 --> 00:06:12,160

and here we are but

100

00:06:17,350 --> 00:06:13,919

twitter and facebook decided that you

101  
00:06:19,830 --> 00:06:17,360  
could not share that article

102  
00:06:20,710 --> 00:06:19,840  
and you know what we're seeing what i

103  
00:06:23,990 --> 00:06:20,720  
saw later

104  
00:06:26,950 --> 00:06:24,000  
from what when i see later

105  
00:06:27,990 --> 00:06:26,960  
is that the washington post basically

106  
00:06:30,469 --> 00:06:28,000  
comes out and says

107  
00:06:32,469 --> 00:06:30,479  
there's you know we fact checked and

108  
00:06:35,590 --> 00:06:32,479  
that article is wrong

109  
00:06:36,710 --> 00:06:35,600  
and but why are we not allowed to see

110  
00:06:39,909 --> 00:06:36,720  
the emails

111  
00:06:41,670 --> 00:06:39,919  
why why is twitter and facebook trying

112  
00:06:46,390 --> 00:06:41,680  
so desperately

113  
00:06:48,629 --> 00:06:46,400

to not allow people to see those

114

00:06:49,990 --> 00:06:48,639

to see those emails to see those text

115

00:06:52,950 --> 00:06:50,000

messages

116

00:06:55,029 --> 00:06:52,960

uh you know it's no secret though i

117

00:06:57,670 --> 00:06:55,039

think everybody's aware

118

00:06:59,510 --> 00:06:57,680

it's no secret that the tech companies

119

00:07:03,110 --> 00:06:59,520

want biden to win

120

00:07:04,950 --> 00:07:03,120

so you know if we

121

00:07:06,390 --> 00:07:04,960

just as a thought experiment i mean

122

00:07:09,510 --> 00:07:06,400

think about this they

123

00:07:11,430 --> 00:07:09,520

literally are trying to stop people from

124

00:07:13,589 --> 00:07:11,440

seeing dirt on the candidate that they

125

00:07:15,430 --> 00:07:13,599

want to win

126

00:07:17,189 --> 00:07:15,440

you know we mentioned yesterday that

127

00:07:21,029 --> 00:07:17,199

these tech giant companies have

128

00:07:23,029 --> 00:07:21,039

way too much power and i think today is

129

00:07:25,270 --> 00:07:23,039

a perfect example of that

130

00:07:26,710 --> 00:07:25,280

and again i just don't want anybody to

131

00:07:30,150 --> 00:07:26,720

get the wrong idea

132

00:07:31,749 --> 00:07:30,160

i'm not uh you know supporting either of

133

00:07:34,550 --> 00:07:31,759

these candidates

134

00:07:34,950 --> 00:07:34,560

but i don't think that it's fair that

135

00:07:37,830 --> 00:07:34,960

tech

136

00:07:39,830 --> 00:07:37,840

companies are allowed to make allow the

137

00:07:42,550 --> 00:07:39,840

side with one or the other candidate

138

00:07:42,950 --> 00:07:42,560

they should not be allowed to do that

139

00:07:46,950 --> 00:07:42,960

and

140

00:07:50,469 --> 00:07:46,960

people can make um people can make

141

00:07:52,469 --> 00:07:50,479

whatever excuses they want to

142

00:07:54,710 --> 00:07:52,479

you know i noticed that a lot of my very

143

00:07:56,629 --> 00:07:54,720

liberal friends are like well yeah that

144

00:07:58,309 --> 00:07:56,639

they have to they have to fact check

145

00:07:59,909 --> 00:07:58,319

that article before people are allowed

146

00:08:04,469 --> 00:07:59,919

to see it do they fact check

147

00:08:06,469 --> 00:08:04,479

articles uh that have dirt on

148

00:08:07,830 --> 00:08:06,479

donald trump before people are allowed

149

00:08:11,189 --> 00:08:07,840

to post [h\_\_\h] no

150

00:08:14,150 --> 00:08:11,199

[h\_\_\h] you can post all the [h\_\_\h] talking

151  
00:08:15,990 --> 00:08:14,160  
uh you know articles about trump and how

152  
00:08:16,550 --> 00:08:16,000  
corrupt him and his company is and how

153  
00:08:19,189 --> 00:08:16,560  
many

154  
00:08:21,110 --> 00:08:19,199  
people and vendors he [\h\_\_\h] over when

155  
00:08:22,950 --> 00:08:21,120  
he was building all those hotels in new

156  
00:08:24,309 --> 00:08:22,960  
york how many people he [\h\_\_\h] over you

157  
00:08:26,629 --> 00:08:24,319  
can post that [\h\_\_\h]

158  
00:08:29,029 --> 00:08:26,639  
all day long they don't fact check any

159  
00:08:32,070 --> 00:08:29,039  
of that they just let you post it

160  
00:08:34,870 --> 00:08:32,080  
so you know

161  
00:08:37,110 --> 00:08:34,880  
they are really i think this rises to

162  
00:08:39,670 --> 00:08:37,120  
the level of election tampering

163  
00:08:41,190 --> 00:08:39,680

because what else are they going to do

164

00:08:44,870 --> 00:08:41,200

we saw

165

00:08:47,829 --> 00:08:44,880

uh in the 2016 election that google was

166

00:08:49,670 --> 00:08:47,839

actively trying to hide damaging

167

00:08:51,910 --> 00:08:49,680

information about hillary clinton from

168

00:08:55,030 --> 00:08:51,920

google search engines

169

00:08:57,190 --> 00:08:55,040

and you know that's crazy

170

00:08:58,630 --> 00:08:57,200

and again this is their attempt to get

171

00:09:01,430 --> 00:08:58,640

the candidate that they want

172

00:09:03,509 --> 00:09:01,440

in office to exercise their vast and

173

00:09:05,350 --> 00:09:03,519

substantial power in in the united

174

00:09:07,910 --> 00:09:05,360

states media world

175

00:09:09,400 --> 00:09:07,920

to kind of control the narrative and i

176

00:09:11,350 --> 00:09:09,410

have to say it looks like

177

00:09:13,509 --> 00:09:11,360

[Music]

178

00:09:14,710 --> 00:09:13,519

it looks like there's going to be more

179

00:09:17,829 --> 00:09:14,720

of this [h\_\_h]

180

00:09:20,230 --> 00:09:17,839

because giuliani's not done

181

00:09:23,190 --> 00:09:20,240

he's got an entire hard drive full of

182

00:09:26,070 --> 00:09:23,200

this guy's emails and text messages

183

00:09:27,030 --> 00:09:26,080

now that you know that's a whole nother

184

00:09:30,150 --> 00:09:27,040

story

185

00:09:32,790 --> 00:09:30,160

i uh repaired computers for a living

186

00:09:34,790 --> 00:09:32,800

and there's some legal you i can't just

187

00:09:36,710 --> 00:09:34,800

copy somebody's hard drive and keep a

188

00:09:37,910 --> 00:09:36,720

copy of it and give it to someone's

189

00:09:40,870 --> 00:09:37,920

political rivals

190

00:09:42,870 --> 00:09:40,880

or sell it do i think that really rudy

191

00:09:43,670 --> 00:09:42,880

giuliani or somebody didn't pay this

192

00:09:46,310 --> 00:09:43,680

person for this

193

00:09:47,350 --> 00:09:46,320

[h\_\_\h] yeah somebody got paid off to get

194

00:09:49,750 --> 00:09:47,360

this hard drive

195

00:09:51,030 --> 00:09:49,760

somebody got paid off for sure there's

196

00:09:53,750 --> 00:09:51,040

probably going to be an investigation

197

00:09:55,430 --> 00:09:53,760

into this whole thing

198

00:09:57,030 --> 00:09:55,440

especially if biden wins he's going to

199

00:09:59,030 --> 00:09:57,040

go after his political opponents with

200

00:10:00,710 --> 00:09:59,040

the full might and power of the u.s

201  
00:10:02,870 --> 00:10:00,720  
justice department

202  
00:10:05,030 --> 00:10:02,880  
somebody's going to have to explain how

203  
00:10:07,350 --> 00:10:05,040  
rudy giuliani ended up with

204  
00:10:09,430 --> 00:10:07,360  
hunter biden's a copy of hunter biden's

205  
00:10:11,110 --> 00:10:09,440  
hard drive

206  
00:10:12,949 --> 00:10:11,120  
i worked in the computer industry it's

207  
00:10:14,310 --> 00:10:12,959  
not legal for you to just copy a

208  
00:10:16,150 --> 00:10:14,320  
client's hard drive

209  
00:10:18,790 --> 00:10:16,160  
and give or sell it to another third

210  
00:10:19,670 --> 00:10:18,800  
party in fact that's a huge violation of

211  
00:10:22,389 --> 00:10:19,680  
the trust that

212  
00:10:23,350 --> 00:10:22,399  
that somebody gives you the the only

213  
00:10:26,550 --> 00:10:23,360

legal

214

00:10:28,069 --> 00:10:26,560

you know the the only thing i ever was

215

00:10:30,069 --> 00:10:28,079

conscious of when working

216

00:10:31,910 --> 00:10:30,079

on somebody's hard drive is you know

217

00:10:33,670 --> 00:10:31,920

there's laws so if i see something like

218

00:10:36,150 --> 00:10:33,680

kitty porn on somebody's computer i have

219

00:10:38,630 --> 00:10:36,160

to report it to the local authorities

220

00:10:40,550 --> 00:10:38,640

um but other than that like i'm not

221

00:10:41,990 --> 00:10:40,560

allowed to copy anything that i want

222

00:10:43,750 --> 00:10:42,000

off of somebody's hard drive i'm

223

00:10:45,509 --> 00:10:43,760

certainly not allowed to clone

224

00:10:47,269 --> 00:10:45,519

a hard drive and give it to somebody's

225

00:10:48,949 --> 00:10:47,279

political rival

226

00:10:50,870 --> 00:10:48,959

so a lot of my liberal friends are

227

00:10:55,110 --> 00:10:50,880

saying that hard drive was illegally

228

00:10:57,509 --> 00:10:55,120

um illegally you know

229

00:10:58,470 --> 00:10:57,519

copied and and therefore we can't trust

230

00:11:01,030 --> 00:10:58,480

anything from it

231

00:11:03,990 --> 00:11:01,040

but you know it is what it is these are

232

00:11:09,829 --> 00:11:06,790

these this is the time that we live in

233

00:11:11,670 --> 00:11:09,839

we're we're living in a world where

234

00:11:14,150 --> 00:11:11,680

it's it's unfortunate but in order to

235

00:11:16,310 --> 00:11:14,160

get the truth we have to rely on hackers

236

00:11:18,230 --> 00:11:16,320

and people like julian assange and

237

00:11:21,990 --> 00:11:18,240

whistleblowers from inside

238

00:11:25,350 --> 00:11:24,550

these terrible programs that are

239

00:11:28,150 --> 00:11:25,360

predating

240

00:11:29,990 --> 00:11:28,160

on its own people and surveilling its

241

00:11:31,190 --> 00:11:30,000

own people we have to rely on hackers to

242

00:11:34,870 --> 00:11:31,200

give us the truth of the

243

00:11:38,069 --> 00:11:34,880

of what's really going on so yeah i

244

00:11:43,430 --> 00:11:41,190

i thought we could share part of this

245

00:11:45,430 --> 00:11:43,440

boy rudy giuliani had a hell of a video

246

00:11:48,710 --> 00:11:45,440

today it's called the biden crime

247

00:11:50,230 --> 00:11:48,720

family's payoff scheme rudy giuliani's

248

00:11:53,829 --> 00:11:50,240

exclusive reaction

249

00:11:56,790 --> 00:11:53,839

and uh you know in this it's funny

250

00:11:57,670 --> 00:11:56,800

he i think that he uploaded this before

251  
00:12:00,790 --> 00:11:57,680  
they banned

252  
00:12:04,470 --> 00:12:00,800  
the article but in the beginning of this

253  
00:12:06,949 --> 00:12:04,480  
he mentions that that the liberal media

254  
00:12:08,470 --> 00:12:06,959  
and the tech giant companies are going

255  
00:12:11,190 --> 00:12:08,480  
to do whatever they have to do to

256  
00:12:13,269 --> 00:12:11,200  
suppress this information

257  
00:12:14,870 --> 00:12:13,279  
and then that's basically what happened

258  
00:12:16,150 --> 00:12:14,880  
twitter facebook said you're not even

259  
00:12:17,829 --> 00:12:16,160  
allowed to post that

260  
00:12:19,829 --> 00:12:17,839  
article you're not allowed to share

261  
00:12:23,910 --> 00:12:19,839  
anything from the article

262  
00:12:24,389 --> 00:12:23,920  
people are getting their posts deleted

263  
00:12:27,750 --> 00:12:24,399

when they

264

00:12:30,389 --> 00:12:27,760

share like screen copies of these emails

265

00:12:31,829 --> 00:12:30,399

on twitter and facebook the lengths that

266

00:12:33,509 --> 00:12:31,839

they're going to

267

00:12:36,069 --> 00:12:33,519

to try to stop people from seeing this

268

00:12:37,910 --> 00:12:36,079

information it's really alarming to me

269

00:12:39,990 --> 00:12:37,920

and and the fact they're just allowed to

270

00:12:41,190 --> 00:12:40,000

do it like i get that they're private

271

00:12:42,790 --> 00:12:41,200

companies

272

00:12:44,470 --> 00:12:42,800

but i think they have some

273

00:12:45,590 --> 00:12:44,480

responsibility given their amount of

274

00:12:48,550 --> 00:12:45,600

power

275

00:12:49,829 --> 00:12:48,560

to not try to tamper with our election

276

00:12:51,670 --> 00:12:49,839

system you know

277

00:12:53,590 --> 00:12:51,680

i think that the american people should

278

00:12:56,150 --> 00:12:53,600

be allowed to read all this [h\_\_\h]

279

00:12:58,069 --> 00:12:56,160

and decide for themselves is this proof

280

00:13:01,509 --> 00:12:58,079

of corruption on the part of

281

00:13:02,470 --> 00:13:01,519

of hunter biden and his son i i believe

282

00:13:04,310 --> 00:13:02,480

it is i

283

00:13:06,150 --> 00:13:04,320

there's a smoking gun in there that

284

00:13:06,870 --> 00:13:06,160

we're going to share rudy giuliani talks

285

00:13:09,430 --> 00:13:06,880

about

286

00:13:10,629 --> 00:13:09,440

how the money was distributed and in

287

00:13:12,150 --> 00:13:10,639

this clip

288

00:13:14,150 --> 00:13:12,160

we're gonna see that hunter biden

289

00:13:16,470 --> 00:13:14,160

basically said he had to give half a

290

00:13:19,030 --> 00:13:16,480

salary to his father

291

00:13:21,590 --> 00:13:19,040

that right there is proof of some kind

292

00:13:23,110 --> 00:13:21,600

of corruption and bribery and influence

293

00:13:25,910 --> 00:13:23,120

peddling crimes

294

00:13:26,710 --> 00:13:25,920

right there just that and we're like i

295

00:13:28,550 --> 00:13:26,720

said

296

00:13:31,269 --> 00:13:28,560

this is just getting started friends

297

00:13:36,069 --> 00:13:31,279

it's just getting started

298

00:13:41,110 --> 00:13:38,550

i'm going to cite fair use and we're

299

00:13:52,710 --> 00:13:49,670

why does this always do this

300

00:13:56,949 --> 00:13:52,720

let's see there we go

301

00:14:00,150 --> 00:13:56,959

well okay sorry about that

302

00:14:02,150 --> 00:14:00,160

all right so this is a clip from uh

303

00:14:03,829 --> 00:14:02,160

rudy giuliani we're going to cite fair

304

00:14:05,910 --> 00:14:03,839

use we're educating the public about

305

00:14:08,949 --> 00:14:05,920

some current events that happened

306

00:14:11,030 --> 00:14:08,959

today and so in regards to this hunter

307

00:14:16,629 --> 00:14:11,040

biden's hard drive in the new york post

308

00:14:19,189 --> 00:14:16,639

article uh let's see what he has to say

309

00:14:20,790 --> 00:14:19,199

okay so he's going to explain how hunter

310

00:14:23,990 --> 00:14:20,800

biden and his family

311

00:14:42,230 --> 00:14:24,000

and joe biden how this uh distribution

312

00:15:03,990 --> 00:14:44,790

that's spiden's half-sister or hunter

313

00:15:07,590 --> 00:15:06,310

yeah so this is a text from hunter to

314

00:15:09,189 --> 00:15:07,600

his half sister

315

00:15:10,949 --> 00:15:09,199

and and in it he's going to complain

316

00:15:37,269 --> 00:15:10,959

about money and the fact that he has to

317

00:15:37,279 --> 00:15:47,030

yeah that's odd

318

00:15:50,150 --> 00:15:48,710

yeah and this doesn't make any sense why

319

00:15:53,030 --> 00:15:50,160

is the brother paying for

320

00:15:55,189 --> 00:15:53,040

his sister's entire education why isn't

321

00:15:57,749 --> 00:15:55,199

joe doing that it's his daughter

322

00:16:00,949 --> 00:15:57,759

and joe's a very powerful and rich man

323

00:16:03,670 --> 00:16:00,959

so why would his son be paying for

324

00:16:05,350 --> 00:16:03,680

his sister's college education and hey

325

00:16:07,749 --> 00:16:05,360

college educations aren't cheap

326

00:16:09,110 --> 00:16:07,759

you know probably talking she probably

327

00:16:20,829 --> 00:16:09,120

went someplace ivy leagues you're

328

00:16:20,839 --> 00:16:36,069

dollars

329

00:16:39,990 --> 00:16:38,069

yeah so this is a smoking gun so far

330

00:16:41,829 --> 00:16:40,000

among these emails and text messages

331

00:16:45,030 --> 00:16:41,839

where he basically admits that he has

332

00:16:47,990 --> 00:16:45,040

to give half of his salary to his father

333

00:16:50,949 --> 00:16:48,000

half of his ill-gotten salary getting a

334

00:16:53,350 --> 00:16:50,959

multi-million dollar salary for

335

00:16:54,870 --> 00:16:53,360

being in this company that he has zero

336

00:16:56,710 --> 00:16:54,880

experience and by the way he was a

337

00:16:58,310 --> 00:16:56,720

crackhead when they hired him he was

338

00:17:05,510 --> 00:16:58,320

literally a crackhead

339

00:17:07,909 --> 00:17:05,520

when they hired him

340

00:17:08,789 --> 00:17:07,919

unlike pop i won't make you give me half

341

00:17:12,549 --> 00:17:08,799

your salary

342

00:17:15,909 --> 00:17:12,559

that is crazy it's crazy

343

00:17:19,110 --> 00:17:15,919

and uh so this is what this is what

344

00:17:21,110 --> 00:17:19,120

the uh this is what the tech companies

345

00:17:22,789 --> 00:17:21,120

are trying to stop people from learning

346

00:17:26,150 --> 00:17:22,799

about

347

00:17:32,150 --> 00:17:26,160

oh no audio on playback video damn it

348

00:17:46,470 --> 00:17:32,160

damn it let's try it again

349

00:17:48,310 --> 00:17:46,480

hold on friends just stand by no sound

350

00:17:51,990 --> 00:17:48,320

on him okay that's why

351

00:17:52,950 --> 00:17:52,000

all right uh yeah yeah that's weird it's

352

00:17:56,070 --> 00:17:52,960

not letting me

353

00:18:13,110 --> 00:18:00,230

ah hold on friends let me see if i can

354

00:18:17,590 --> 00:18:15,510

yeah i apologize so we're streaming from

355

00:18:21,430 --> 00:18:17,600

uh

356

00:18:35,909 --> 00:18:21,440

damn it it's not let me click

357

00:18:35,919 --> 00:18:45,190

one second

358

00:18:45,200 --> 00:18:49,830

let's see

359

00:18:53,510 --> 00:18:51,990

yeah still not letting me share the

360

00:18:55,270 --> 00:18:53,520

audio

361

00:18:56,710 --> 00:18:55,280

all right well we're gonna forego

362

00:19:00,390 --> 00:18:56,720

sharing that uh

363

00:19:03,750 --> 00:19:00,400

basically uh let me see

364

00:19:05,590 --> 00:19:03,760

i'll uh i'll just uh i'm gonna watch

365

00:19:06,950 --> 00:19:05,600

this again i can hear it on my side and

366

00:19:11,110 --> 00:19:06,960

i can read to you

367

00:19:30,870 --> 00:19:11,120

the email

368

00:19:36,070 --> 00:19:33,990

okay so so in this really damaging text

369

00:19:38,150 --> 00:19:36,080

message to his sister he's complaining

370

00:19:39,909 --> 00:19:38,160

hunter biden is complaining about money

371

00:19:42,630 --> 00:19:39,919

and at the end of it he says

372

00:19:43,510 --> 00:19:42,640

but don't worry unlike pop i won't make

373

00:19:49,909 --> 00:19:43,520

you

374

00:19:51,190 --> 00:19:49,919

is a pretty big smoking gun problem for

375

00:19:54,470 --> 00:19:51,200

the biden family

376

00:19:56,390 --> 00:19:54,480

why is hunter byatt in saying that his

377

00:19:59,750 --> 00:19:56,400

father is making him give

378

00:20:02,390 --> 00:19:59,760

half his salary yeah

379

00:20:04,070 --> 00:20:02,400

it's crazy it's crazy and this is the

380

00:20:06,390 --> 00:20:04,080

information that the tech companies

381

00:20:08,149 --> 00:20:06,400

don't want you to hear about

382

00:20:09,990 --> 00:20:08,159

but this is just beginning it's really

383

00:20:12,070 --> 00:20:10,000

just beginning

384

00:20:13,990 --> 00:20:12,080

i'm going to try to share just so you

385

00:20:16,789 --> 00:20:14,000

can see that the new york post is like

386

00:20:27,750 --> 00:20:16,799

blowing up today

387

00:20:31,909 --> 00:20:30,310

yeah so look at this twitter ceo admits

388

00:20:34,549 --> 00:20:31,919

handling of blocked

389

00:20:35,590 --> 00:20:34,559

post article was unacceptable but he

390

00:20:37,750 --> 00:20:35,600

defended their

391

00:20:39,430 --> 00:20:37,760

ability and and uh you know their right

392

00:20:40,390 --> 00:20:39,440

to do that he just said that they didn't

393

00:20:42,470 --> 00:20:40,400

communicate

394

00:20:43,590 --> 00:20:42,480

good enough about why they were banning

395

00:20:45,510 --> 00:20:43,600

it

396

00:20:47,750 --> 00:20:45,520

trump slams censorship of the post and

397

00:20:49,830 --> 00:20:47,760

first comment on hunter biden expose

398

00:20:51,510 --> 00:20:49,840

house republicans evade twitter sensors

399

00:20:54,789 --> 00:20:51,520

to share post

400

00:20:56,310 --> 00:20:54,799

posts hunter biden's story

401  
00:20:58,470 --> 00:20:56,320  
and and here's another one that i think

402  
00:21:01,110 --> 00:20:58,480  
is very troubling white house pres

403  
00:21:02,390 --> 00:21:01,120  
press secretary locked out of twitter

404  
00:21:05,669 --> 00:21:02,400  
for sharing posts

405  
00:21:07,830 --> 00:21:05,679  
hunter biden story so the tech companies

406  
00:21:10,549 --> 00:21:07,840  
have the ability to just

407  
00:21:12,070 --> 00:21:10,559  
lock the white house press secretary out

408  
00:21:15,110 --> 00:21:12,080  
of her account that she uses to

409  
00:21:18,549 --> 00:21:16,870  
with the american people they can just

410  
00:21:21,190 --> 00:21:18,559  
lock her out of her account because she

411  
00:21:24,710 --> 00:21:23,270  
trump says biden family treated the vice

412  
00:21:27,029 --> 00:21:24,720  
presidency as a for

413  
00:21:28,710 --> 00:21:27,039

profit corporation you know but we see

414

00:21:30,870 --> 00:21:28,720

this time and time again hillary clinton

415

00:21:33,190 --> 00:21:30,880

did the same thing

416

00:21:34,230 --> 00:21:33,200

and we have social media giants block

417

00:21:37,190 --> 00:21:34,240

post over

418

00:21:38,470 --> 00:21:37,200

hunter biden expose there's another

419

00:21:41,270 --> 00:21:38,480

article inside the love

420

00:21:42,230 --> 00:21:41,280

life of hunter biden joe biden's scandal

421

00:21:45,350 --> 00:21:42,240

plague son

422

00:21:47,029 --> 00:21:45,360

this is the original article here if you

423

00:21:47,510 --> 00:21:47,039

want to just go to the new york post you

424

00:21:50,870 --> 00:21:47,520

can

425

00:21:53,990 --> 00:21:50,880

you to do so

426

00:21:55,270 --> 00:21:54,000

uh Biden introduce Ukraine exec to VP

427

00:21:58,789 --> 00:21:55,280

dad

428

00:22:01,190 --> 00:21:58,799

buy it in secret emails so you know

429

00:22:03,110 --> 00:22:01,200

just where we're at right now is that

430

00:22:07,270 --> 00:22:03,120

that the tech companies are just

431

00:22:09,909 --> 00:22:07,280

able to uh try and stop the spread of

432

00:22:14,070 --> 00:22:09,919

information that is detrimental

433

00:22:18,149 --> 00:22:14,080

uh that is detrimental to

434

00:22:22,070 --> 00:22:20,470

William Pixley says this story is total

435

00:22:24,950 --> 00:22:22,080

garbage Steven ridiculous

436

00:22:26,950 --> 00:22:24,960

did you how long have you been here in

437

00:22:30,149 --> 00:22:26,960

in a text message he says

438

00:22:31,990 --> 00:22:30,159

unlike pop i won't force you to give me

439

00:22:34,549 --> 00:22:32,000

half your salary

440

00:22:35,750 --> 00:22:34,559

in what what [h\_\_h] world do you live

441

00:22:41,029 --> 00:22:35,760

in william pixley where

442

00:22:43,510 --> 00:22:41,039

is that not bad news for biden

443

00:22:45,029 --> 00:22:43,520

now yeah you're gonna have to speculate

444

00:22:47,830 --> 00:22:45,039

why why is he saying

445

00:22:52,830 --> 00:22:47,840

that my pop made me give half my salary

446

00:22:57,590 --> 00:22:54,310

right

447

00:22:59,430 --> 00:22:57,600

yeah i don't know i don't know and see

448

00:23:00,950 --> 00:22:59,440

this is why we generally don't

449

00:23:02,549 --> 00:23:00,960

i generally don't cover anything

450

00:23:05,590 --> 00:23:02,559

political but i

451  
00:23:08,390 --> 00:23:05,600  
thought that since we just covered uh

452  
00:23:09,350 --> 00:23:08,400  
since we just covered the dangers of

453  
00:23:12,149 --> 00:23:09,360  
social media

454  
00:23:14,390 --> 00:23:12,159  
and then this happens today with these

455  
00:23:16,630 --> 00:23:14,400  
tech company giants just going

456  
00:23:21,110 --> 00:23:16,640  
you know [h\_\_\h] yous you're not allowed to

457  
00:23:25,190 --> 00:23:23,270  
william pixley says new york post is is

458  
00:23:28,230 --> 00:23:25,200  
a freaking ridiculous rag

459  
00:23:29,510 --> 00:23:28,240  
yeah maybe but those emails and those

460  
00:23:32,070 --> 00:23:29,520  
texts are real

461  
00:23:33,590 --> 00:23:32,080  
and from hunter biden's hard drive i

462  
00:23:35,029 --> 00:23:33,600  
think the american people especially

463  
00:23:36,549 --> 00:23:35,039

people that are trying to decide on who

464

00:23:37,750 --> 00:23:36,559

to vote for should be able to read all

465

00:23:39,750 --> 00:23:37,760

that [h\_\_h]

466

00:23:41,510 --> 00:23:39,760

and make up their own mind the tech

467

00:23:42,789 --> 00:23:41,520

company shouldn't be allowed to decide

468

00:23:49,510 --> 00:23:42,799

who gets to see it

469

00:23:52,789 --> 00:23:51,110

william pixley right you're like a

470

00:23:56,070 --> 00:23:52,799

republican though

471

00:23:59,750 --> 00:23:56,080

can i i said this earlier they said they

472

00:24:02,950 --> 00:23:59,760

stopped that article from being posted

473

00:24:03,990 --> 00:24:02,960

so that uh because they needed to

474

00:24:06,149 --> 00:24:04,000

independently fact

475

00:24:07,190 --> 00:24:06,159

check it when have they ever

476  
00:24:09,909 --> 00:24:07,200  
independently fact

477  
00:24:10,549 --> 00:24:09,919  
checked any dirt about a republican

478  
00:24:12,549 --> 00:24:10,559  
right

479  
00:24:13,669 --> 00:24:12,559  
never if you want to post dirt about a

480  
00:24:17,029 --> 00:24:13,679  
republican

481  
00:24:19,110 --> 00:24:17,039  
calling him

482  
00:24:20,710 --> 00:24:19,120  
corrupt or a criminal you can do it all

483  
00:24:21,350 --> 00:24:20,720  
day long on facebook and twitter they

484  
00:24:23,029 --> 00:24:21,360  
don't

485  
00:24:25,669 --> 00:24:23,039  
independently fact check any of that

486  
00:24:28,310 --> 00:24:25,679  
[h\_\_h] it's only when it pertains to the

487  
00:24:30,390 --> 00:24:28,320  
liberal candidate that they are backing

488  
00:24:31,590 --> 00:24:30,400

like hillary clinton and now we see this

489

00:24:34,070 --> 00:24:31,600

again with biden

490

00:24:35,909 --> 00:24:34,080

but this is even worse this is even

491

00:24:37,750 --> 00:24:35,919

worse

492

00:24:43,830 --> 00:24:37,760

than than how they tried to sway the

493

00:24:47,269 --> 00:24:45,669

yes whatever happened to transparency

494

00:24:48,710 --> 00:24:47,279

all these politicians are hiding things

495

00:24:50,149 --> 00:24:48,720

things they know are wrong yeah look how

496

00:24:53,510 --> 00:24:50,159

long that trump hit his

497

00:24:54,870 --> 00:24:53,520

tax returns right everybody else has to

498

00:24:56,630 --> 00:24:54,880

show their tax returns to become

499

00:24:57,909 --> 00:24:56,640

president but not him and he claimed he

500

00:24:59,190 --> 00:24:57,919

was in an audit he just didn't want

501  
00:25:03,669 --> 00:24:59,200  
anybody to see

502  
00:25:05,269 --> 00:25:03,679  
he only paid 750 in federal taxes

503  
00:25:07,110 --> 00:25:05,279  
yes i don't mind i agree with you they

504  
00:25:09,029 --> 00:25:07,120  
all suck and need to be removed we need

505  
00:25:11,190 --> 00:25:09,039  
to do over

506  
00:25:12,390 --> 00:25:11,200  
but i think it's really troubling that

507  
00:25:14,070 --> 00:25:12,400  
these people can just

508  
00:25:15,750 --> 00:25:14,080  
these tech companies can just decide

509  
00:25:19,269 --> 00:25:15,760  
what you're going to see what you can

510  
00:25:22,950 --> 00:25:21,190  
yeah social media is their best friend

511  
00:25:23,909 --> 00:25:22,960  
social media is massive campaign

512  
00:25:28,549 --> 00:25:23,919  
advertisement

513  
00:25:33,110 --> 00:25:28,559

sure sure and you would think uh

514

00:25:36,230 --> 00:25:33,120

you would think you would think that

515

00:25:37,350 --> 00:25:36,240

they would not take sides so that they

516

00:25:39,269 --> 00:25:37,360

can take in the most

517

00:25:40,390 --> 00:25:39,279

advertising dollars that they can from

518

00:25:42,390 --> 00:25:40,400

both sides right

519

00:25:43,830 --> 00:25:42,400

that's how i would play it i would be

520

00:25:45,029 --> 00:25:43,840

straight down the middle

521

00:25:46,870 --> 00:25:45,039

because they're both going to be paying

522

00:25:48,630 --> 00:25:46,880

me for ads but

523

00:25:58,470 --> 00:25:48,640

that's not what we get that is

524

00:26:06,870 --> 00:26:00,789

joan decide vote cthulhu why choose the

525

00:26:11,110 --> 00:26:09,350

yeah you know what pixely i don't think

526

00:26:14,230 --> 00:26:11,120

so i think they're both criminals

527

00:26:16,870 --> 00:26:14,240

i think that there's clear evidence that

528

00:26:17,830 --> 00:26:16,880

hunter biden got a multi-multi-million

529

00:26:20,310 --> 00:26:17,840

dollar job

530

00:26:21,510 --> 00:26:20,320

just because he was the president's son

531

00:26:23,510 --> 00:26:21,520

and he was a crackhead

532

00:26:24,549 --> 00:26:23,520

he was a [h\_\_h] crackhead at the time

533

00:26:27,350 --> 00:26:24,559

they gave him the job

534

00:26:29,430 --> 00:26:27,360

like a literal little smoking crack out

535

00:26:30,870 --> 00:26:29,440

of a crackpipe crackhead he got thrown

536

00:26:33,909 --> 00:26:30,880

out of the military for

537

00:26:35,110 --> 00:26:33,919

cocaine right he gets thrown out of the

538

00:26:37,029 --> 00:26:35,120

military

539

00:26:38,630 --> 00:26:37,039

for cocaine and then he gets this multi

540

00:26:40,149 --> 00:26:38,640

multi-million dollar job

541

00:26:45,750 --> 00:26:40,159

it's because of who his father is of

542

00:26:49,350 --> 00:26:47,669

melissa back when stalin was in power

543

00:26:50,470 --> 00:26:49,360

the truth was garbage news and people

544

00:26:52,310 --> 00:26:50,480

were disappeared

545

00:26:54,070 --> 00:26:52,320

because of that we know that happened so

546

00:26:56,710 --> 00:26:54,080

why allow it to happen again

547

00:26:58,630 --> 00:26:56,720

who decides what's worthy news yeah you

548

00:26:59,669 --> 00:26:58,640

know listen i understand that they need

549

00:27:02,870 --> 00:26:59,679

to try to stop

550

00:27:06,149 --> 00:27:02,880

misinformation and disinformation but

551  
00:27:09,029 --> 00:27:06,159  
you know these are uh

552  
00:27:10,230 --> 00:27:09,039  
these are emails right off of the higher

553  
00:27:11,909 --> 00:27:10,240  
biden's hard drive

554  
00:27:13,350 --> 00:27:11,919  
why shouldn't the american people not be

555  
00:27:15,430 --> 00:27:13,360  
able to read that

556  
00:27:16,870 --> 00:27:15,440  
or read an article about what's in those

557  
00:27:18,549 --> 00:27:16,880  
emails

558  
00:27:20,470 --> 00:27:18,559  
because these tech companies don't want

559  
00:27:22,389 --> 00:27:20,480  
you to that's [h\_\_\h]

560  
00:27:23,510 --> 00:27:22,399  
it's ridiculous it's ridiculous that

561  
00:27:25,990 --> 00:27:23,520  
they're allowed to do that

562  
00:27:27,830 --> 00:27:26,000  
and it is listen i'm i don't i wouldn't

563  
00:27:28,310 --> 00:27:27,840

describe myself as a conservative but

564

00:27:31,029 --> 00:27:28,320

i'm not

565

00:27:31,590 --> 00:27:31,039

stupid i know that all of these sites

566

00:27:34,630 --> 00:27:31,600

are very

567

00:27:35,830 --> 00:27:34,640

liberal leaning and they are all on the

568

00:27:39,830 --> 00:27:35,840

side of the democrats

569

00:27:41,909 --> 00:27:39,840

generally right and they have

570

00:27:43,110 --> 00:27:41,919

done all that they could to minimize

571

00:27:45,430 --> 00:27:43,120

conservative voices

572

00:27:46,549 --> 00:27:45,440

on social media they're not banning

573

00:27:48,549 --> 00:27:46,559

liberal voices

574

00:27:50,310 --> 00:27:48,559

on social media and their liberal

575

00:27:51,830 --> 00:27:50,320

talking points but they're sure banning

576

00:27:54,389 --> 00:27:51,840

conservative voices

577

00:27:56,149 --> 00:27:54,399

all over social media or shadow banning

578

00:27:59,190 --> 00:27:56,159

or attempting to shadow ban

579

00:28:01,029 --> 00:27:59,200

or attempting to minimize the voices of

580

00:28:02,870 --> 00:28:01,039

their opposition

581

00:28:06,149 --> 00:28:02,880

and it's i in my view it's just not

582

00:28:07,909 --> 00:28:06,159

right and william pixley says

583

00:28:09,830 --> 00:28:07,919

i'm not defending hunter biden but if

584

00:28:11,190 --> 00:28:09,840

you think biden is corrupt as trump you

585

00:28:12,950 --> 00:28:11,200

are insane no i think they're both

586

00:28:13,269 --> 00:28:12,960

criminals i think they're both criminals

587

00:28:16,470 --> 00:28:13,279

and

588

00:28:18,870 --> 00:28:16,480

decide

589

00:28:20,549 --> 00:28:18,880

we get to play the game of who is the

590

00:28:23,430 --> 00:28:20,559

least criminal and that's why

591

00:28:24,950 --> 00:28:23,440

i think it's funny when these two side

592

00:28:26,710 --> 00:28:24,960

when there's somebody that's a huge

593

00:28:28,310 --> 00:28:26,720

biden supporter

594

00:28:30,149 --> 00:28:28,320

or somebody that's a huge trump

595

00:28:30,630 --> 00:28:30,159

supporter that like to argue back and

596

00:28:33,430 --> 00:28:30,640

forth

597

00:28:34,870 --> 00:28:33,440

you're basically both just arguing who's

598

00:28:37,669 --> 00:28:34,880

who's the lesser criminal

599

00:28:39,510 --> 00:28:37,679

out of these two idiots right who's the

600

00:28:40,470 --> 00:28:39,520

least corrupt let's vote for the least

601  
00:28:43,990 --> 00:28:40,480  
corrupt

602  
00:28:47,029 --> 00:28:44,000  
the lesser of two evils is still evil

603  
00:28:48,549 --> 00:28:47,039  
right and and it makes me sad because

604  
00:28:49,590 --> 00:28:48,559  
this is the best

605  
00:28:51,909 --> 00:28:49,600  
we're supposed to be the greatest

606  
00:28:54,870 --> 00:28:51,919  
country in the world and this these two

607  
00:28:56,710 --> 00:28:54,880  
[h\_\_\h] clowns are the best leadership

608  
00:28:59,430 --> 00:28:56,720  
options we have right now

609  
00:28:59,830 --> 00:28:59,440  
they're the top of the mountain right

610  
00:29:01,990 --> 00:28:59,840  
it's

611  
00:29:03,590 --> 00:29:02,000  
crazy that these two clowns are the best

612  
00:29:05,269 --> 00:29:03,600  
that our country can do as far as

613  
00:29:07,190 --> 00:29:05,279

leadership goes

614

00:29:08,389 --> 00:29:07,200

and i i think a lot of that is tied to

615

00:29:10,950 --> 00:29:08,399

money you know

616

00:29:12,950 --> 00:29:10,960

it's just tied to money after all these

617

00:29:14,149 --> 00:29:12,960

people spend like a billion dollars to

618

00:29:15,990 --> 00:29:14,159

get a job that pays four hundred

619

00:29:18,389 --> 00:29:16,000

thousand dollars a year

620

00:29:20,710 --> 00:29:18,399

i think uh a one solution would be to

621

00:29:22,710 --> 00:29:20,720

get all the money out of politics

622

00:29:24,310 --> 00:29:22,720

isn't it that we have some people from

623

00:29:26,950 --> 00:29:24,320

england and other countries

624

00:29:27,510 --> 00:29:26,960

in the live chat there's other countries

625

00:29:30,470 --> 00:29:27,520

where

626

00:29:32,470 --> 00:29:30,480

you you they don't take campaign

627

00:29:34,149 --> 00:29:32,480

contributions at all like the government

628

00:29:35,830 --> 00:29:34,159

gives each candidate

629

00:29:37,590 --> 00:29:35,840

a certain amount of money and that's

630

00:29:38,310 --> 00:29:37,600

what you get to spend on your campaign

631

00:29:41,510 --> 00:29:38,320

and that's it

632

00:29:43,269 --> 00:29:41,520

that's a fair way to do it and it would

633

00:29:45,190 --> 00:29:43,279

get all the money out of politics it

634

00:29:49,110 --> 00:29:45,200

would destroy all the lobbying the

635

00:29:52,630 --> 00:29:51,110

exactly stephen as if the level of wrong

636

00:29:57,590 --> 00:29:52,640

makes a right

637

00:29:59,669 --> 00:29:57,600

yeah i just i don't know i don't know

638

00:30:04,389 --> 00:29:59,679

i i think it's super maddening myself

639

00:30:08,389 --> 00:30:07,190

six design dnc and rnc really chose some

640

00:30:09,990 --> 00:30:08,399

winners this time

641

00:30:12,070 --> 00:30:10,000

yeah well they didn't really choose

642

00:30:12,710 --> 00:30:12,080

trump this is trump was the guy by

643

00:30:16,389 --> 00:30:12,720

default

644

00:30:19,750 --> 00:30:16,399

because he was the incumbent but i just

645

00:30:22,070 --> 00:30:19,760

you know and listen i gotta i gotta

646

00:30:24,230 --> 00:30:22,080

remind myself not to post anything about

647

00:30:27,269 --> 00:30:24,240

politics i posted something on twitter

648

00:30:28,789 --> 00:30:27,279

about uh a joe biden rally

649

00:30:31,269 --> 00:30:28,799

and there was only like eight people

650

00:30:34,870 --> 00:30:31,279

there or something and and people

651  
00:30:35,430 --> 00:30:34,880  
you know oh no they're just not crazy

652  
00:30:41,350 --> 00:30:35,440  
and

653  
00:30:42,470 --> 00:30:41,360  
i'm sorry but when you witness who's at

654  
00:30:45,510 --> 00:30:42,480  
a buying rally

655  
00:30:47,990 --> 00:30:45,520  
in person in your home state

656  
00:30:50,630 --> 00:30:48,000  
and then you're the media is telling me

657  
00:30:52,789 --> 00:30:50,640  
that that guy's 12 points ahead

658  
00:30:54,149 --> 00:30:52,799  
i just don't get it i don't get it there

659  
00:31:00,710 --> 00:30:54,159  
was nobody there

660  
00:31:03,669 --> 00:31:00,720  
so i don't believe i have two rules

661  
00:31:04,789 --> 00:31:03,679  
you know used to be one rule a major

662  
00:31:07,430 --> 00:31:04,799  
rules of my life

663  
00:31:09,509 --> 00:31:07,440

and the first was that i never trust

664

00:31:11,830 --> 00:31:09,519

anything the government tells me

665

00:31:13,590 --> 00:31:11,840

and then later i learned that i have to

666

00:31:15,990 --> 00:31:13,600

also say

667

00:31:17,110 --> 00:31:16,000

i don't trust anything the media tells

668

00:31:21,509 --> 00:31:17,120

me

669

00:31:25,750 --> 00:31:23,990

yeah william pixley says the political

670

00:31:26,389 --> 00:31:25,760

system is terminally corrupt we can all

671

00:31:27,750 --> 00:31:26,399

agree there

672

00:31:29,350 --> 00:31:27,760

yeah i don't know what the solution is

673

00:31:31,029 --> 00:31:29,360

but i think getting the money out of it

674

00:31:33,350 --> 00:31:31,039

would be the first step and

675

00:31:35,430 --> 00:31:33,360

of course nobody wants to do that these

676

00:31:37,269 --> 00:31:35,440

people collect 30 million dollars

677

00:31:38,389 --> 00:31:37,279

you know for campaign contributions a

678

00:31:40,070 --> 00:31:38,399

lot of people don't know they're just

679

00:31:41,509 --> 00:31:40,080

allowed to keep that whatever they don't

680

00:31:43,909 --> 00:31:41,519

spend on the campaign they can use it

681

00:31:48,630 --> 00:31:43,919

for their next campaign or whatever

682

00:31:51,669 --> 00:31:50,070

yes they have been wrong about election

683

00:31:53,590 --> 00:31:51,679

points for the past 20 years maybe

684

00:31:55,269 --> 00:31:53,600

further back yeah and i also don't trust

685

00:31:59,669 --> 00:31:55,279

any of these polls

686

00:32:01,909 --> 00:31:59,679

but we'll see

687

00:32:04,470 --> 00:32:01,919

vote insectoid alien the lesser of two

688

00:32:08,549 --> 00:32:06,710

yeah i bet you a bug could do a better

689

00:32:13,509 --> 00:32:08,559

job than either of these two clowns

690

00:32:16,870 --> 00:32:15,509

and biden isn't stephen right both are

691

00:32:20,230 --> 00:32:16,880

just as corrupt yeah

692

00:32:22,789 --> 00:32:20,240

i mean we got this is proof of of

693

00:32:24,310 --> 00:32:22,799

federal crimes at the highest level of

694

00:32:26,070 --> 00:32:24,320

our us government

695

00:32:28,710 --> 00:32:26,080

that took place while he was the vice

696

00:32:31,269 --> 00:32:28,720

president he was basically selling

697

00:32:32,950 --> 00:32:31,279

hi you know his office out to the

698

00:32:35,029 --> 00:32:32,960

highest bidder through his son

699

00:32:36,149 --> 00:32:35,039

and taking half of the money that's what

700

00:32:38,950 --> 00:32:36,159

it looks like to me

701  
00:32:41,590 --> 00:32:38,960  
but i'm no expert you know and this is

702  
00:32:43,750 --> 00:32:41,600  
exactly what hillary clinton did

703  
00:32:45,830 --> 00:32:43,760  
you know there's no coincidence that

704  
00:32:47,750 --> 00:32:45,840  
these foreign governments were given

705  
00:32:48,950 --> 00:32:47,760  
like millions and millions of dollars to

706  
00:32:51,990 --> 00:32:48,960  
the clinton foundation

707  
00:32:54,630 --> 00:32:52,000  
after she became the secretary of state

708  
00:32:55,990 --> 00:32:54,640  
they were looking for something you

709  
00:32:57,110 --> 00:32:56,000  
don't just give somebody millions of

710  
00:33:00,549 --> 00:32:57,120  
dollars

711  
00:33:01,830 --> 00:33:00,559  
unless you expect something back right

712  
00:33:05,110 --> 00:33:01,840  
you want something for all those

713  
00:33:10,789 --> 00:33:08,389

a write-in yeah six six

714

00:33:11,830 --> 00:33:10,799

design i think i'm gonna write in mickey

715

00:33:13,110 --> 00:33:11,840

mouse

716

00:33:15,269 --> 00:33:13,120

i think he would do a better job or

717

00:33:17,269 --> 00:33:15,279

maybe mighty males right

718

00:33:18,549 --> 00:33:17,279

either that those two mice would do a

719

00:33:25,430 --> 00:33:18,559

better job

720

00:33:27,110 --> 00:33:25,440

than uh than these two clowns

721

00:33:34,149 --> 00:33:27,120

if that's true i'm now running for

722

00:33:37,909 --> 00:33:36,549

okay ukrainian court cleared by it and

723

00:33:39,590 --> 00:33:37,919

the comment made in the email reference

724

00:33:41,590 --> 00:33:39,600

is not what you think total speculation

725

00:33:43,750 --> 00:33:41,600

yeah the washington post said that

726

00:33:45,350 --> 00:33:43,760

joe biden did not influence the

727

00:33:47,909 --> 00:33:45,360

ukrainian government

728

00:33:49,110 --> 00:33:47,919

to fire that prosecutor that was looking

729

00:33:51,029 --> 00:33:49,120

into his son

730

00:33:52,789 --> 00:33:51,039

but there is a video of him bragging

731

00:33:55,430 --> 00:33:52,799

about doing exactly that

732

00:33:57,509 --> 00:33:55,440

you want this billion dollars of of aid

733

00:33:58,470 --> 00:33:57,519

money you got to fire that guy ha ha and

734

00:34:00,389 --> 00:33:58,480

then they did

735

00:34:02,789 --> 00:34:00,399

he bragged about it so i don't

736

00:34:03,269 --> 00:34:02,799

understand how any journalist with a

737

00:34:05,750 --> 00:34:03,279

straight

738

00:34:07,669 --> 00:34:05,760

face can write that biden did not

739

00:34:08,069 --> 00:34:07,679

influence the ukrainian government one

740

00:34:10,470 --> 00:34:08,079

bit

741

00:34:11,270 --> 00:34:10,480

to fire that guy i don't understand it i

742

00:34:13,510 --> 00:34:11,280

just don't is it

743

00:34:15,270 --> 00:34:13,520

just liberal bias did they not see the

744

00:34:18,869 --> 00:34:15,280

video of him bragging about doing

745

00:34:21,430 --> 00:34:18,879

exactly that but this is the system that

746

00:34:24,310 --> 00:34:21,440

we live in and hey just to be fair

747

00:34:25,589 --> 00:34:24,320

i want to mention that i once had a job

748

00:34:26,710 --> 00:34:25,599

where i had to deal with trump

749

00:34:28,869 --> 00:34:26,720

businesses

750

00:34:29,829 --> 00:34:28,879

and do you know what my job entailed a

751

00:34:32,629 --> 00:34:29,839

lot of

752

00:34:35,669 --> 00:34:32,639

my job was basically threatening trump

753

00:34:37,750 --> 00:34:35,679

organizations to [\h\_\_\h] pay my company

754

00:34:39,750 --> 00:34:37,760

or i was gonna go there with a truck and

755

00:34:41,589 --> 00:34:39,760

confiscate the goods that they took from

756

00:34:45,109 --> 00:34:41,599

us and never paid us for

757

00:34:47,430 --> 00:34:45,119

like literally i had to threaten them

758

00:34:48,869 --> 00:34:47,440

like i'm gonna send a truck i'm sending

759

00:34:50,629 --> 00:34:48,879

a truck right now

760

00:34:53,270 --> 00:34:50,639

or get a credit card get a company

761

00:34:56,550 --> 00:34:53,280

credit card get something

762

00:34:58,950 --> 00:34:56,560

you know send me a check by phone

763

00:35:00,390 --> 00:34:58,960

we have check my phone service here or

764

00:35:02,630 --> 00:35:00,400

we're sending a truck

765

00:35:04,950 --> 00:35:02,640

and we're gonna and we expect that you

766

00:35:07,510 --> 00:35:04,960

pile up all of our goods that we've been

767

00:35:09,750 --> 00:35:07,520

selling you that you never paid us for

768

00:35:11,589 --> 00:35:09,760

out on the back loading dock and we'll

769

00:35:13,349 --> 00:35:11,599

take it all back and sell it to somebody

770

00:35:14,710 --> 00:35:13,359

who will pay us

771

00:35:16,870 --> 00:35:14,720

the corruption in the trump

772

00:35:19,270 --> 00:35:16,880

organizations and his

773

00:35:20,710 --> 00:35:19,280

just flagrantly not paying vendors he

774

00:35:23,910 --> 00:35:20,720

just would take like

775

00:35:26,150 --> 00:35:23,920

you know let me take i i worked for a

776

00:35:28,069 --> 00:35:26,160

restaurant equipment supply company so

777

00:35:30,150 --> 00:35:28,079

you know like all the stupid [h\_\_h] you

778

00:35:33,190 --> 00:35:30,160

don't think about like cups and straws

779

00:35:36,470 --> 00:35:33,200

and napkins and pizza boxes and

780

00:35:40,230 --> 00:35:36,480

um takeout boxes stuff like that and

781

00:35:42,069 --> 00:35:40,240

this guy they would buy you know 50 000

782

00:35:44,950 --> 00:35:42,079

worth of goods and then they wouldn't

783

00:35:45,430 --> 00:35:44,960

pay and then my boss would get on my ass

784

00:35:47,910 --> 00:35:45,440

like i

785

00:35:49,589 --> 00:35:47,920

[h\_\_h] up and gave them i didn't know

786

00:35:51,990 --> 00:35:49,599

every other customer

787

00:35:52,710 --> 00:35:52,000

if they were on something called net 30

788

00:35:54,550 --> 00:35:52,720

which means

789

00:35:56,630 --> 00:35:54,560

we ship you the goods and you have 30

790

00:35:59,030 --> 00:35:56,640

days to send us a check for the money

791

00:36:01,270 --> 00:35:59,040

and yeah companies generally will go 45

792

00:36:04,069 --> 00:36:01,280

maybe 50 days you know if they're a

793

00:36:04,870 --> 00:36:04,079

little slow maybe 60 nobody pays you in

794

00:36:07,589 --> 00:36:04,880

the 30

795

00:36:08,790 --> 00:36:07,599

but trump would go 150 days and you

796

00:36:09,589 --> 00:36:08,800

would and then they'd be ordering

797

00:36:12,150 --> 00:36:09,599

another 50

798

00:36:14,950 --> 00:36:12,160

000 worth of merchandise and they still

799

00:36:17,829 --> 00:36:14,960

haven't paid us for the last amount so

800

00:36:18,150 --> 00:36:17,839

do i think trump is corrupt absolutely i

801  
00:36:20,950 --> 00:36:18,160  
have

802  
00:36:21,990 --> 00:36:20,960  
first-hand personal experience trying to

803  
00:36:25,349 --> 00:36:22,000  
twist the arm

804  
00:36:25,670 --> 00:36:25,359  
of people at trump organizations all the

805  
00:36:28,710 --> 00:36:25,680  
uh

806  
00:36:31,430 --> 00:36:28,720  
my company serviced all of the casinos

807  
00:36:33,670 --> 00:36:31,440  
while he still was the owner

808  
00:36:35,670 --> 00:36:33,680  
and uh i can't tell you after that like

809  
00:36:36,150 --> 00:36:35,680  
you know my boss sat me down it was like

810  
00:36:37,829 --> 00:36:36,160  
trump

811  
00:36:39,190 --> 00:36:37,839  
is a piece of [h\_\_h] and he doesn't pay

812  
00:36:40,550 --> 00:36:39,200  
anybody you can't give them

813  
00:36:42,230 --> 00:36:40,560

fifty thousand dollars worth of

814

00:36:44,150 --> 00:36:42,240

merchandise i didn't know

815

00:36:45,430 --> 00:36:44,160

everybody else you give them the fifty

816

00:36:46,870 --> 00:36:45,440

thousand you know fifty thousand dollars

817

00:36:48,870 --> 00:36:46,880

worth of merchandise it's like a [h\_\_\h]

818

00:36:51,270 --> 00:36:48,880

tractor trailer load of [h\_\_\h]

819

00:36:53,190 --> 00:36:51,280

you ship it over there you drop it off

820

00:36:55,190 --> 00:36:53,200

and and in a couple of months they pay

821

00:36:56,470 --> 00:36:55,200

so i was a credit manager a corporate

822

00:36:59,190 --> 00:36:56,480

credit manager

823

00:37:00,870 --> 00:36:59,200

at this company and uh that that was my

824

00:37:02,470 --> 00:37:00,880

experience with trump and i could not

825

00:37:03,670 --> 00:37:02,480

believe it and even the people that

826

00:37:05,829 --> 00:37:03,680

worked there were like

827

00:37:08,150 --> 00:37:05,839

i'm sorry i can't get authorization to

828

00:37:09,030 --> 00:37:08,160

pay you we're like well do your bosses

829

00:37:11,990 --> 00:37:09,040

know that you

830

00:37:13,589 --> 00:37:12,000

took this merchandise 150 days ago yeah

831

00:37:15,109 --> 00:37:13,599

yeah they know we just we're we're

832

00:37:17,030 --> 00:37:15,119

tight right now and they can't authorize

833

00:37:19,109 --> 00:37:17,040

a check or they would play all these

834

00:37:20,630 --> 00:37:19,119

games you know like they would fax me a

835

00:37:22,230 --> 00:37:20,640

check they said they were mailing and

836

00:37:24,069 --> 00:37:22,240

then a month would go by and we still

837

00:37:26,150 --> 00:37:24,079

wouldn't get the check and like

838

00:37:27,589 --> 00:37:26,160

dealing with the trump companies was a

839

00:37:31,030 --> 00:37:27,599

[h\_\_h] nightmare

840

00:37:33,109 --> 00:37:31,040

i got every time i would go through

841

00:37:34,790 --> 00:37:33,119

my files right i had these files of

842

00:37:36,550 --> 00:37:34,800

customers to see like oh

843

00:37:38,710 --> 00:37:36,560

this person hasn't paid yet i gotta call

844

00:37:40,950 --> 00:37:38,720

them or every time they came up

845

00:37:41,750 --> 00:37:40,960

i got heartburn and anxiety like oh i

846

00:37:43,670 --> 00:37:41,760

get a [h\_\_h] d

847

00:37:46,069 --> 00:37:43,680

i [h\_\_h] i couldn't believe it

848

00:37:48,870 --> 00:37:46,079

especially because i grew up

849

00:37:50,069 --> 00:37:48,880

getting that spoon fed you know

850

00:37:52,310 --> 00:37:50,079

projected image

851  
00:37:54,390 --> 00:37:52,320  
right of him being so rich and powerful

852  
00:37:57,190 --> 00:37:54,400  
and successful and you know

853  
00:37:59,270 --> 00:37:57,200  
i i bought into that i thought trump was

854  
00:38:02,069 --> 00:37:59,280  
like a billionaire and successful

855  
00:38:03,750 --> 00:38:02,079  
until i had to do business right i was

856  
00:38:05,030 --> 00:38:03,760  
responsible for collecting money from

857  
00:38:07,829 --> 00:38:05,040  
that clown's businesses

858  
00:38:09,510 --> 00:38:07,839  
and they didn't pay us they never paid

859  
00:38:13,430 --> 00:38:09,520  
they never [h\_\_\h] paid

860  
00:38:14,550 --> 00:38:13,440  
i uh one time i was basically told by my

861  
00:38:16,870 --> 00:38:14,560  
company

862  
00:38:18,310 --> 00:38:16,880  
i don't care what you got to do uh we

863  
00:38:20,470 --> 00:38:18,320

need their money so

864

00:38:21,349 --> 00:38:20,480

get in a car drive to atlantic city meet

865

00:38:23,190 --> 00:38:21,359

with them

866

00:38:25,109 --> 00:38:23,200

um do whatever you got to do but don't

867

00:38:27,510 --> 00:38:25,119

come back here without a check

868

00:38:28,790 --> 00:38:27,520

right or it's your job you know what

869

00:38:30,630 --> 00:38:28,800

kind of stress that is

870

00:38:31,990 --> 00:38:30,640

and that came from trump being a [h\_\_h]

871

00:38:34,069 --> 00:38:32,000

dirt ball and just not paying

872

00:38:35,430 --> 00:38:34,079

his bills and somehow i could get fired

873

00:38:37,349 --> 00:38:35,440

because he didn't pay

874

00:38:39,589 --> 00:38:37,359

for the merchandise that granted i was

875

00:38:42,230 --> 00:38:39,599

the credit manager i let it out the door

876

00:38:43,030 --> 00:38:42,240

but oh man being a credit manager blows

877

00:38:46,470 --> 00:38:43,040

because

878

00:38:48,310 --> 00:38:46,480

you do

879

00:38:50,630 --> 00:38:48,320

the sales people come and step on your

880

00:38:51,829 --> 00:38:50,640

nuts right and then sometimes they go

881

00:38:54,470 --> 00:38:51,839

above your head

882

00:38:54,870 --> 00:38:54,480

and get you in trouble for saying no and

883

00:38:57,109 --> 00:38:54,880

you can

884

00:38:58,230 --> 00:38:57,119

show your boss why we can't why we have

885

00:39:00,550 --> 00:38:58,240

to say no it sucked

886

00:39:02,230 --> 00:39:00,560

being a credit manager sucks i will

887

00:39:04,150 --> 00:39:02,240

never do that [h\_\_\h] again

888

00:39:05,670 --> 00:39:04,160

but oh i'm getting so off track and

889

00:39:06,310 --> 00:39:05,680

we're getting off in the weeds my major

890

00:39:08,310 --> 00:39:06,320

point is

891

00:39:10,630 --> 00:39:08,320

i don't support either of these clowns

892

00:39:12,069 --> 00:39:10,640

and i have first-hand experience of what

893

00:39:15,109 --> 00:39:12,079

a [h\_\_h]

894

00:39:15,430 --> 00:39:15,119

sleazeball business person donald trump

895

00:39:18,950 --> 00:39:15,440

is

896

00:39:21,750 --> 00:39:18,960

so when i saw you know these

897

00:39:23,349 --> 00:39:21,760

reports about how he didn't pay a lot of

898

00:39:25,349 --> 00:39:23,359

the vendors that built the hotels or the

899

00:39:27,349 --> 00:39:25,359

casinos i believed it 100

900

00:39:28,390 --> 00:39:27,359

because that was the exact experience i

901  
00:39:30,470 --> 00:39:28,400  
had or

902  
00:39:31,750 --> 00:39:30,480  
uh you know and then there was one time

903  
00:39:33,270 --> 00:39:31,760  
where they actually called up and they

904  
00:39:35,510 --> 00:39:33,280  
tried to pay like 70

905  
00:39:36,790 --> 00:39:35,520  
of what they owed and have us sign off

906  
00:39:38,630 --> 00:39:36,800  
on just

907  
00:39:43,270 --> 00:39:38,640  
eating 30 and we're like that's our

908  
00:39:46,230 --> 00:39:43,280  
profit no we're not signing off on that

909  
00:39:47,829 --> 00:39:46,240  
yeah that's another thing he's creepy

910  
00:39:49,910 --> 00:39:47,839  
biden was all over those children's

911  
00:39:51,510 --> 00:39:49,920  
those wives those daughters though son

912  
00:39:53,829 --> 00:39:51,520  
who would pick him in the first place

913  
00:39:55,829 --> 00:39:53,839

after seeing those c-span videos

914

00:39:57,190 --> 00:39:55,839

yeah he's like your creepy uncle right

915

00:39:58,390 --> 00:39:57,200

like that creepy uncle that you keep

916

00:40:05,829 --> 00:39:58,400

your kids away from

917

00:40:14,950 --> 00:40:09,109

i'm i'm confused lee veltman says i got

918

00:40:22,630 --> 00:40:18,950

okay yeah and uh

919

00:40:24,230 --> 00:40:22,640

let me see here i want to just

920

00:40:27,670 --> 00:40:24,240

i don't know what's going on maybe it's

921

00:40:30,630 --> 00:40:27,680

because i'm in firefox today and i don't

922

00:40:35,670 --> 00:40:30,640

yeah things are like weird today one

923

00:40:39,510 --> 00:40:37,109

oh yeah i'm just trying to see what the

924

00:40:42,069 --> 00:40:39,520

length is normally streamier tells me

925

00:40:44,470 --> 00:40:42,079

stream yard is not like in this uh this

926

00:40:46,630 --> 00:40:44,480

uh new setup that i have going here

927

00:40:48,790 --> 00:40:46,640

and i i just want to mention also you

928

00:40:49,190 --> 00:40:48,800

know this other webcam i have looks like

929

00:40:50,950 --> 00:40:49,200

[h\_\_\h]

930

00:40:52,870 --> 00:40:50,960

so today we're using a webcam that's

931

00:40:57,589 --> 00:40:52,880

right on this imac

932

00:41:00,390 --> 00:40:59,030

that's another issue altogether we can

933

00:41:02,630 --> 00:41:00,400

do a whole nother show on that people

934

00:41:04,470 --> 00:41:02,640

talk about what high quality apple is

935

00:41:06,470 --> 00:41:04,480

the webcam is just a piece of [h\_\_\h] i

936

00:41:08,630 --> 00:41:06,480

have to have all these extra lights here

937

00:41:10,230 --> 00:41:08,640

or it looks like garbage and it only

938

00:41:13,349 --> 00:41:10,240

does 720p

939

00:41:17,190 --> 00:41:13,359

what the [h\_\_h] really it only does 720.

940

00:41:20,950 --> 00:41:17,200

okay out of mind i've been having issues

941

00:41:23,349 --> 00:41:20,960

all day and i also use firefox yeah

942

00:41:24,950 --> 00:41:23,359

everyone who knows biden says he's a

943

00:41:27,270 --> 00:41:24,960

gentleman everyone you know

944

00:41:29,430 --> 00:41:27,280

i met him on a train once william pixley

945

00:41:33,030 --> 00:41:29,440

and he was very stately and

946

00:41:35,030 --> 00:41:33,040

kind and uh um

947

00:41:36,790 --> 00:41:35,040

you know like shaking everybody's hand

948

00:41:39,990 --> 00:41:36,800

that wanted to to meet him

949

00:41:41,349 --> 00:41:40,000

or whatever and uh that people the one

950

00:41:42,150 --> 00:41:41,359

thing i'll say about him is that he

951  
00:41:45,109 --> 00:41:42,160  
wrote a train

952  
00:41:45,510 --> 00:41:45,119  
every day from delaware to washington dc

953  
00:41:47,990 --> 00:41:45,520  
um

954  
00:41:49,829 --> 00:41:48,000  
and i just happened to be going that way

955  
00:41:50,950 --> 00:41:49,839  
i think i was going to rhode island for

956  
00:41:53,829 --> 00:41:50,960  
a magic show

957  
00:41:55,670 --> 00:41:53,839  
and i'm i sit down and i look across

958  
00:41:57,510 --> 00:41:55,680  
this is before he was vice president and

959  
00:42:01,430 --> 00:41:57,520  
i look across from me and i'm like

960  
00:42:04,630 --> 00:42:01,440  
that's senator joe biden and then

961  
00:42:06,470 --> 00:42:04,640  
somebody else got up and said uh are you

962  
00:42:08,230 --> 00:42:06,480  
are you senator joe biden or something

963  
00:42:09,910 --> 00:42:08,240

like that and he said well yes yes i am

964

00:42:11,589 --> 00:42:09,920

and he smiled and he was very nice and

965

00:42:11,990 --> 00:42:11,599

he shook everybody's hands i'll give him

966

00:42:13,829 --> 00:42:12,000

that

967

00:42:15,270 --> 00:42:13,839

he was very polite to me shook my hand

968

00:42:18,069 --> 00:42:15,280

so i met him one time

969

00:42:20,150 --> 00:42:18,079

on a train when he was going and i asked

970

00:42:21,589 --> 00:42:20,160

him i said are you going to washington

971

00:42:23,829 --> 00:42:21,599

and he said yeah and i said so it's

972

00:42:25,190 --> 00:42:23,839

really true you get on a train every day

973

00:42:27,349 --> 00:42:25,200

back and forth from delaware to

974

00:42:29,510 --> 00:42:27,359

washington dc and he said yeah i had to

975

00:42:31,750 --> 00:42:29,520

do that to raise my sons

976  
00:42:33,349 --> 00:42:31,760  
and my children you know i didn't want

977  
00:42:37,030 --> 00:42:33,359  
to be stuck in washington

978  
00:42:39,430 --> 00:42:37,040  
all the time so is he a polite guy

979  
00:42:45,270 --> 00:42:39,440  
a gentleman sure doesn't mean he's not a

980  
00:42:47,270 --> 00:42:45,280  
[h\_\_h] criminal

981  
00:42:48,309 --> 00:42:47,280  
hunter's ex wants the child support yeah

982  
00:42:50,150 --> 00:42:48,319  
there's a whole

983  
00:42:51,829 --> 00:42:50,160  
scandal about that too like he's

984  
00:42:52,150 --> 00:42:51,839  
refusing to pay child support and he's

985  
00:42:55,030 --> 00:42:52,160  
got

986  
00:42:58,390 --> 00:42:55,040  
millions of dollars just pay the [h\_\_h]

987  
00:43:01,030 --> 00:42:58,400  
child support dude

988  
00:43:02,470 --> 00:43:01,040

he's william pixley i know william

989

00:43:05,190 --> 00:43:02,480

pixley you're voting for

990

00:43:06,790 --> 00:43:05,200

biden i know you are he's awkward

991

00:43:09,109 --> 00:43:06,800

success he ain't a creep

992

00:43:10,390 --> 00:43:09,119

all right i don't know yet i apologize

993

00:43:12,630 --> 00:43:10,400

for like

994

00:43:15,910 --> 00:43:12,640

you know invading people's personal

995

00:43:19,349 --> 00:43:17,430

brian would be smart to keep his damn

996

00:43:20,950 --> 00:43:19,359

nose to himself at least around children

997

00:43:22,630 --> 00:43:20,960

[h\_\_h] sake what a [h\_\_h] perv yeah

998

00:43:23,349 --> 00:43:22,640

he's a kitty sniffer he's a kitty

999

00:43:25,829 --> 00:43:23,359

sniffer

1000

00:43:27,190 --> 00:43:25,839

and you know what my wife one time i

1001  
00:43:28,309 --> 00:43:27,200  
said that i'm like look at him he's a

1002  
00:43:30,710 --> 00:43:28,319  
kitty sniffer

1003  
00:43:31,910 --> 00:43:30,720  
and uh my son does that but my son's

1004  
00:43:33,430 --> 00:43:31,920  
autistic so

1005  
00:43:34,950 --> 00:43:33,440  
i don't know maybe biden's on the

1006  
00:43:38,550 --> 00:43:34,960  
spectrum or something

1007  
00:43:39,109 --> 00:43:38,560  
my son especially babies he's a baby

1008  
00:43:41,030 --> 00:43:39,119  
sniffer

1009  
00:43:42,790 --> 00:43:41,040  
if he gets around a baby he can't he's

1010  
00:43:45,349 --> 00:43:42,800  
like he's got to sniff

1011  
00:43:45,990 --> 00:43:45,359  
babies he sniffed his brother for a long

1012  
00:43:47,349 --> 00:43:46,000  
time

1013  
00:43:49,030 --> 00:43:47,359

he kind of stopped when his brother got

1014

00:43:50,710 --> 00:43:49,040

a little older though but i think that's

1015

00:43:52,550 --> 00:43:50,720

a sensory thing for him maybe it's a

1016

00:43:53,829 --> 00:43:52,560

sensory thing for joe biden who knows

1017

00:43:57,990 --> 00:43:53,839

maybe he's on the spectrum and that's

1018

00:44:01,750 --> 00:43:59,670

did he smell your hair i'd smell your

1019

00:44:03,349 --> 00:44:01,760

hair no we didn't get that close he kind

1020

00:44:04,950 --> 00:44:03,359

of he was sitting down and i just

1021

00:44:05,829 --> 00:44:04,960

reached my hand down and he shook my

1022

00:44:08,950 --> 00:44:05,839

hand

1023

00:44:10,630 --> 00:44:08,960

and uh i i don't know

1024

00:44:12,309 --> 00:44:10,640

yeah it was a pretty quick interaction

1025

00:44:12,950 --> 00:44:12,319

and then i and then i felt awkward

1026

00:44:15,910 --> 00:44:12,960

because

1027

00:44:17,670 --> 00:44:15,920

he was still sitting like right across

1028

00:44:19,829 --> 00:44:17,680

from me the whole time and it just felt

1029

00:44:21,670 --> 00:44:19,839

weird like there's a senator sitting

1030

00:44:23,510 --> 00:44:21,680

next to me in the same train

1031

00:44:25,109 --> 00:44:23,520

you know and what what are the odds that

1032

00:44:30,630 --> 00:44:25,119

i would just get on the same

1033

00:44:33,670 --> 00:44:32,309

yeah don't forget benghazi that's a

1034

00:44:38,390 --> 00:44:33,680

whole nother

1035

00:44:42,710 --> 00:44:41,190

oh lord you ex you avoid the c-span

1036

00:44:48,309 --> 00:44:42,720

videos conversations

1037

00:44:52,390 --> 00:44:51,430

yeah uh william pixley it's interesting

1038

00:44:54,069 --> 00:44:52,400

though that william

1039

00:44:56,950 --> 00:44:54,079

william pixley is like one of those

1040

00:44:58,630 --> 00:44:56,960

republicans that's a never trumpeter right

1041

00:45:00,230 --> 00:44:58,640

william pixley you were not in support

1042

00:45:01,109 --> 00:45:00,240

of him the first time either right but

1043

00:45:06,390 --> 00:45:01,119

you're

1044

00:45:07,270 --> 00:45:06,400

that's a conservative republican that

1045

00:45:10,550 --> 00:45:07,280

isn't

1046

00:45:12,630 --> 00:45:10,560

a trumpeter um i've met a few

1047

00:45:13,750 --> 00:45:12,640

you know that uh are think he's a

1048

00:45:14,870 --> 00:45:13,760

criminal and a crook but

1049

00:45:16,790 --> 00:45:14,880

they're still conservative and

1050

00:45:18,069 --> 00:45:16,800

republican they just don't like trump or

1051

00:45:19,829 --> 00:45:18,079

support trump

1052

00:45:21,750 --> 00:45:19,839

but i think most republicans sort of got

1053

00:45:30,150 --> 00:45:21,760

in line and a lot of republicans are big

1054

00:45:34,870 --> 00:45:32,069

lee the entire cabinet signed off on

1055

00:45:36,069 --> 00:45:34,880

uranium one

1056

00:45:37,990 --> 00:45:36,079

it doesn't mean it was the right thing

1057

00:45:41,589 --> 00:45:38,000

to do why do you give control

1058

00:45:44,950 --> 00:45:41,599

of the uranium industry to

1059

00:45:46,870 --> 00:45:44,960

your biggest enemy really

1060

00:45:48,230 --> 00:45:46,880

it doesn't make any sense to do that

1061

00:45:50,710 --> 00:45:48,240

because you know what they use

1062

00:45:51,829 --> 00:45:50,720

uranium for william pixley to make

1063

00:45:54,069 --> 00:45:51,839

nuclear weapons

1064

00:45:55,510 --> 00:45:54,079

why would you give control of an

1065

00:45:57,190 --> 00:45:55,520

industry

1066

00:46:02,470 --> 00:45:57,200

it doesn't make any sense uranium one

1067

00:46:02,480 --> 00:46:06,390

he said he left the party in 2000

1068

00:46:06,400 --> 00:46:10,069

yeah i think

1069

00:46:13,430 --> 00:46:11,910

i think my voter registration card has

1070

00:46:16,390 --> 00:46:13,440

said independent

1071

00:46:17,670 --> 00:46:16,400

since uh about 2000. so that's

1072

00:46:21,109 --> 00:46:17,680

interesting

1073

00:46:24,390 --> 00:46:21,119

i used to be a democrat i guess

1074

00:46:26,950 --> 00:46:24,400

for a time and then uh

1075

00:46:27,990 --> 00:46:26,960

and then i switched to libertarian and

1076

00:46:29,589 --> 00:46:28,000

then

1077

00:46:32,069 --> 00:46:29,599

after a while i realized that no

1078

00:46:33,910 --> 00:46:32,079

libertarian party is ever going to win

1079

00:46:35,349 --> 00:46:33,920

any major election and that it was

1080

00:46:40,829 --> 00:46:35,359

pointless

1081

00:46:45,270 --> 00:46:43,589

principles

1082

00:46:46,630 --> 00:46:45,280

russia ended up splitting up the yellow

1083

00:46:48,390 --> 00:46:46,640

cake and sold it off to

1084

00:46:52,950 --> 00:46:48,400

neighboring territories well that's

1085

00:46:56,950 --> 00:46:54,829

that is not what happened the lack of

1086

00:47:00,150 --> 00:46:56,960

knowledge

1087

00:47:02,790 --> 00:47:00,160

okay orange

1088

00:47:05,510 --> 00:47:02,800

i know but orange wasn't in there just

1089

00:47:10,390 --> 00:47:08,829

charles and lee says nice guy but an

1090

00:47:12,950 --> 00:47:10,400

airhead

1091

00:47:20,870 --> 00:47:12,960

yeah this baby smells so cute yeah you

1092

00:47:24,950 --> 00:47:23,270

yeah friends so i don't know uh you know

1093

00:47:28,309 --> 00:47:24,960

the point of my uh

1094

00:47:30,309 --> 00:47:28,319

oh see cambridge analytics and that

1095

00:47:32,230 --> 00:47:30,319

stuff was a crazy circus glad neil

1096

00:47:33,750 --> 00:47:32,240

and them helped us look into all that

1097

00:47:35,510 --> 00:47:33,760

stuff

1098

00:47:38,230 --> 00:47:35,520

uranium one was an obvious attempt to

1099

00:47:41,589 --> 00:47:38,240

give the enemy a jump on things

1100

00:47:43,910 --> 00:47:41,599

maybe i just think you know

1101

00:47:45,190 --> 00:47:43,920

it's never a good idea to sell your

1102

00:47:47,750 --> 00:47:45,200

biggest adversary

1103

00:47:48,870 --> 00:47:47,760

control of something used to make

1104

00:47:59,109 --> 00:47:48,880

nuclear weapons

1105

00:48:03,190 --> 00:48:01,270

yeah so i don't know today i just guess

1106

00:48:06,069 --> 00:48:03,200

i wanted to talk about this

1107

00:48:07,589 --> 00:48:06,079

this what i feel is censorship and again

1108

00:48:10,470 --> 00:48:07,599

it's very important that people realize

1109

00:48:11,910 --> 00:48:10,480

i don't i don't uh support either of

1110

00:48:15,270 --> 00:48:11,920

these two clowns

1111

00:48:17,349 --> 00:48:15,280

i think they're both criminals but

1112

00:48:18,390 --> 00:48:17,359

in fairness i just don't think it's fair

1113

00:48:21,670 --> 00:48:18,400

that a tech company

1114

00:48:23,589 --> 00:48:21,680

is going to be allowed to decide what

1115

00:48:25,190 --> 00:48:23,599

the american voters can and can't see

1116

00:48:26,710 --> 00:48:25,200

before they make the decision of who to

1117

00:48:28,230 --> 00:48:26,720

vote for

1118

00:48:31,030 --> 00:48:28,240

i'm not voting for either of these two

1119

00:48:35,030 --> 00:48:31,040

clowns i'm sitting this one out

1120

00:48:36,870 --> 00:48:35,040

and or i may write in mickey mouse

1121

00:48:40,150 --> 00:48:36,880

um i think he would do a better job than

1122

00:48:43,990 --> 00:48:42,470

now wouldn't it be interesting if all

1123

00:48:45,589 --> 00:48:44,000

the american people got together and

1124

00:48:48,870 --> 00:48:45,599

decided on one right

1125

00:48:51,910 --> 00:48:48,880

in candidate right i don't know how does

1126  
00:48:53,030 --> 00:48:51,920  
that work like if you write somebody in

1127  
00:48:54,630 --> 00:48:53,040  
and they're but they got to be on the

1128  
00:48:56,710 --> 00:48:54,640  
ballot right so they'd have to get

1129  
00:48:58,069 --> 00:48:56,720  
somebody on the ballot in all 50 states

1130  
00:49:00,630 --> 00:48:58,079  
first but

1131  
00:49:01,510 --> 00:49:00,640  
i mean that's one thing that i thought

1132  
00:49:04,069 --> 00:49:01,520  
of to

1133  
00:49:06,309 --> 00:49:04,079  
to fix this corrupt [h\_\_\h] system is to

1134  
00:49:08,470 --> 00:49:06,319  
just get everybody to go

1135  
00:49:10,390 --> 00:49:08,480  
[h\_\_\h] the democrats [h\_\_\h] the republicans

1136  
00:49:11,990 --> 00:49:10,400  
we're going to pick somebody

1137  
00:49:13,510 --> 00:49:12,000  
and we're all just going to write them

1138  
00:49:15,109 --> 00:49:13,520

in and and they're

1139

00:49:18,710 --> 00:49:15,119

they're going to have to accept him as

1140

00:49:22,069 --> 00:49:20,950

right in kanye it would be hilarious if

1141

00:49:23,510 --> 00:49:22,079

he actually won

1142

00:49:25,990 --> 00:49:23,520

you know a lot of people are saying he's

1143

00:49:27,510 --> 00:49:26,000

doing that just to pull black voters

1144

00:49:29,670 --> 00:49:27,520

away from biden

1145

00:49:31,030 --> 00:49:29,680

to try to help donald trump he's was at

1146

00:49:34,150 --> 00:49:31,040

one time a big

1147

00:49:36,309 --> 00:49:34,160

a big donald trump supporter right in

1148

00:49:39,349 --> 00:49:36,319

kanye of jim daley from the facebook

1149

00:49:40,870 --> 00:49:39,359

chat good to see you old friend jim daly

1150

00:49:42,790 --> 00:49:40,880

yeah so today jim we're just talking

1151

00:49:45,109 --> 00:49:42,800

about this is the

1152

00:49:46,150 --> 00:49:45,119

facebook and twitter trying to tamper in

1153

00:49:47,910 --> 00:49:46,160

the election by

1154

00:49:49,829 --> 00:49:47,920

stopping people from seeing this new

1155

00:49:51,829 --> 00:49:49,839

york post article

1156

00:49:52,950 --> 00:49:51,839

i don't support either of these two

1157

00:49:54,470 --> 00:49:52,960

criminals but

1158

00:49:56,470 --> 00:49:54,480

i think that the american people should

1159

00:49:58,390 --> 00:49:56,480

be able to see that article and twitter

1160

00:50:00,710 --> 00:49:58,400

and facebook stopping people

1161

00:50:01,430 --> 00:50:00,720

from seeing it when they're obviously

1162

00:50:04,309 --> 00:50:01,440

both

1163

00:50:09,670 --> 00:50:04,319

backing biden is really slimy it's

1164

00:50:14,870 --> 00:50:12,790

uh-oh he's he's properly informed

1165

00:50:16,710 --> 00:50:14,880

charles he's a journalist policy analyst

1166

00:50:18,150 --> 00:50:16,720

what does a policy analyst do william

1167

00:50:19,910 --> 00:50:18,160

pixley i don't know i don't even know

1168

00:50:24,390 --> 00:50:19,920

what that is

1169

00:50:28,309 --> 00:50:26,069

and charles unleashed says everyone is

1170

00:50:31,510 --> 00:50:28,319

winding up william poor fellow

1171

00:50:31,990 --> 00:50:31,520

he's he's easy to wind up though i love

1172

00:50:35,349 --> 00:50:32,000

you

1173

00:50:38,790 --> 00:50:35,359

to pop

1174

00:50:40,230 --> 00:50:38,800

off right yes so uh

1175

00:50:42,390 --> 00:50:40,240

this is the first stream from the cabin

1176

00:50:44,390 --> 00:50:42,400

that i i hope that it looks okay

1177

00:50:47,030 --> 00:50:44,400

it definitely looks better than the last

1178

00:50:48,549 --> 00:50:47,040

few times i tried to do this i think

1179

00:50:50,309 --> 00:50:48,559

just got to figure out why it's not

1180

00:50:52,829 --> 00:50:50,319

letting me share screen with uh

1181

00:50:54,950 --> 00:50:52,839

with audio or we'll use the laptop

1182

00:50:57,109 --> 00:50:54,960

tomorrow

1183

00:50:58,790 --> 00:50:57,119

but that's another thing i want to

1184

00:51:00,390 --> 00:50:58,800

mention that i'm getting back to daily

1185

00:51:01,670 --> 00:51:00,400

streams i'm going to try to do four or

1186

00:51:05,430 --> 00:51:01,680

five a week

1187

00:51:08,710 --> 00:51:05,440

again um you know

1188

00:51:12,309 --> 00:51:08,720

things get busy and i uh

1189

00:51:14,150 --> 00:51:12,319

things get busy and i i

1190

00:51:15,910 --> 00:51:14,160

lose track of time and then i don't have

1191

00:51:16,710 --> 00:51:15,920

the time to do something or it gets too

1192

00:51:18,309 --> 00:51:16,720

late or

1193

00:51:21,349 --> 00:51:18,319

i have too many other things to do when

1194

00:51:23,589 --> 00:51:21,359

i just say i'll start doing i'll do a

1195

00:51:25,430 --> 00:51:23,599

new show tomorrow

1196

00:51:27,270 --> 00:51:25,440

and uh i almost did that today but i'm

1197

00:51:28,790 --> 00:51:27,280

glad that i didn't you know sometimes

1198

00:51:29,270 --> 00:51:28,800

i'm not going to have a great deal of

1199

00:51:34,230 --> 00:51:29,280

time

1200

00:51:37,990 --> 00:51:36,710

i want to come here and garden you know

1201

00:51:41,030 --> 00:51:38,000

water this garden

1202

00:51:42,710 --> 00:51:41,040

because surely if i keep coming here

1203

00:51:44,150 --> 00:51:42,720

watering this garden the garden will

1204

00:51:48,829 --> 00:51:44,160

grow

1205

00:51:51,750 --> 00:51:48,839

ufo gandalf is here shout out to ufo

1206

00:51:54,790 --> 00:51:51,760

gandolf

1207

00:51:57,910 --> 00:51:54,800

yeah so we're going to be returning to

1208

00:51:59,589 --> 00:51:57,920

i guess i'm going to i have this whole

1209

00:52:03,030 --> 00:51:59,599

series in mind about

1210

00:52:04,549 --> 00:52:03,040

ufo propulsion or claimed ufo propulsion

1211

00:52:05,750 --> 00:52:04,559

and free energy devices we're going to

1212

00:52:07,510 --> 00:52:05,760

give you getting back to that we're

1213

00:52:12,549 --> 00:52:07,520

going to be talking about john

1214

00:52:15,349 --> 00:52:13,910

and that's just another one of these

1215

00:52:17,349 --> 00:52:15,359

people who claim that they invented

1216

00:52:21,589 --> 00:52:17,359

basically a ufo engine

1217

00:52:23,270 --> 00:52:21,599

and a free energy device

1218

00:52:24,710 --> 00:52:23,280

i know people who have actually tried to

1219

00:52:27,670 --> 00:52:24,720

recreate that and

1220

00:52:28,630 --> 00:52:27,680

decided it was complete and total hokum

1221

00:52:31,270 --> 00:52:28,640

i know some

1222

00:52:32,710 --> 00:52:31,280

other sources including one in russia

1223

00:52:34,630 --> 00:52:32,720

who tried to recreate it and there's

1224

00:52:38,870 --> 00:52:34,640

definitely something to

1225

00:52:40,710 --> 00:52:38,880

what's called the cyril effect um

1226

00:52:42,390 --> 00:52:40,720

it's a mystery and that's what we do

1227

00:52:47,910 --> 00:52:42,400

here we try to cover these mysteries

1228

00:52:51,510 --> 00:52:50,069

one second friends let me check one more

1229

00:52:53,270 --> 00:52:51,520

thing

1230

00:52:54,950 --> 00:52:53,280

oh there's another piece of business

1231

00:52:59,109 --> 00:52:54,960

that i forgot

1232

00:53:02,950 --> 00:53:01,270

somebody made a paypal donation and i

1233

00:53:05,510 --> 00:53:02,960

was not aware of it and they did it like

1234

00:53:09,190 --> 00:53:05,520

a week ago and i never shouted it out

1235

00:53:12,950 --> 00:53:11,750

um i'm gonna see if there's a note on

1236

00:53:23,510 --> 00:53:12,960

there

1237

00:53:30,630 --> 00:53:28,470

it's asking me for a confirmation code

1238

00:53:36,390 --> 00:53:30,640

and it's sent to my phone i don't know

1239

00:53:36,400 --> 00:53:40,829

and it hasn't sent the confirmation code

1240

00:53:40,839 --> 00:53:45,510

great oh there it is

1241

00:53:45,520 --> 00:54:10,470

one second bear with me friends

1242

00:54:14,870 --> 00:54:13,910

it's always great i think that uh paypal

1243

00:54:20,230 --> 00:54:14,880

is

1244

00:54:22,549 --> 00:54:20,240

it seems like every time i log into

1245

00:54:33,910 --> 00:54:22,559

paypal from a linux computer

1246

00:54:39,990 --> 00:54:35,750

all right i'm all set let me see if we

1247

00:54:47,670 --> 00:54:44,069

activity okay so on october 6

1248

00:54:51,190 --> 00:54:47,680

somebody sent 25

1249

00:54:53,190 --> 00:54:51,200

or somebody sent 15 and their initials

1250

00:54:59,990 --> 00:54:53,200

are

1251  
00:55:01,829 --> 00:55:00,000  
but they sent me by their real name and

1252  
00:55:02,230 --> 00:55:01,839  
i don't want to just name their real

1253  
00:55:05,750 --> 00:55:02,240  
name

1254  
00:55:05,990 --> 00:55:05,760  
so if somebody knows who the initials as

1255  
00:55:09,190 --> 00:55:06,000  
who

1256  
00:55:12,549 --> 00:55:09,200  
sent me 15 on october 6th

1257  
00:55:14,390 --> 00:55:12,559  
please please let me know otherwise

1258  
00:55:15,910 --> 00:55:14,400  
they know who they are and i just want

1259  
00:55:18,630 --> 00:55:15,920  
to thank and acknowledge

1260  
00:55:19,670 --> 00:55:18,640  
their kind generous support in the form

1261  
00:55:22,950 --> 00:55:19,680  
of a 15

1262  
00:55:24,710 --> 00:55:22,960  
donation really does help me to keep the

1263  
00:55:28,150 --> 00:55:24,720

show moving forward

1264

00:55:32,230 --> 00:55:28,160

um so but i don't know i

1265

00:55:35,030 --> 00:55:32,240

they did not put their chat room user id

1266

00:55:37,910 --> 00:55:35,040

in in the message like there's no

1267

00:55:41,109 --> 00:55:39,750

oh you know there's an email so i'll

1268

00:55:44,950 --> 00:55:41,119

email him

1269

00:55:47,750 --> 00:55:44,960

to uh find out what his

1270

00:55:48,390 --> 00:55:47,760

chat room ideas and just a reminder

1271

00:55:54,069 --> 00:55:48,400

friends

1272

00:55:57,750 --> 00:55:55,670

there's two ways that you can support

1273

00:56:00,150 --> 00:55:57,760

the show uh

1274

00:56:02,150 --> 00:56:00,160

oh and i always forget to do that too

1275

00:56:06,789 --> 00:56:02,160

looks a little odd here at the cabin but

1276

00:56:09,190 --> 00:56:06,799

okay uh

1277

00:56:11,109 --> 00:56:09,200

one second so we need your financial

1278

00:56:13,589 --> 00:56:11,119

support to continue this show

1279

00:56:15,270 --> 00:56:13,599

please do consider uh paypal donation or

1280

00:56:18,789 --> 00:56:15,280

becoming a patreon supporter

1281

00:56:20,789 --> 00:56:18,799

if you want to see our show continue

1282

00:56:21,910 --> 00:56:20,799

and there are links in the about section

1283

00:56:25,270 --> 00:56:21,920

of our

1284

00:56:28,390 --> 00:56:25,280

channel for both patreon

1285

00:56:29,990 --> 00:56:28,400

where you can pay a dollar a month and

1286

00:56:33,510 --> 00:56:30,000

get all the patreon benefits

1287

00:56:34,710 --> 00:56:33,520

or there is a link for a one-time paypal

1288

00:56:40,549 --> 00:56:34,720

donation

1289

00:56:41,510 --> 00:56:40,559

i want to remind you if you send a

1290

00:56:43,670 --> 00:56:41,520

paypal donation

1291

00:56:45,430 --> 00:56:43,680

include your chat room user id in the

1292

00:56:47,910 --> 00:56:45,440

note line and any message that you would

1293

00:56:49,510 --> 00:56:47,920

like for me to shout out

1294

00:56:51,430 --> 00:56:49,520

it really makes it easier because a lot

1295

00:56:52,549 --> 00:56:51,440

of people send me a paypal donation and

1296

00:56:53,990 --> 00:56:52,559

it's their real name

1297

00:56:55,670 --> 00:56:54,000

and i don't think you want me shouting

1298

00:56:58,950 --> 00:56:55,680

out your real name so

1299

00:57:00,309 --> 00:56:58,960

just they have like add note when you go

1300

00:57:01,990 --> 00:57:00,319

to make the paypal donation

1301  
00:57:03,589 --> 00:57:02,000  
add the note and include your chat room

1302  
00:57:05,349 --> 00:57:03,599  
user id and a note line

1303  
00:57:07,030 --> 00:57:05,359  
and again any message that you'd like me

1304  
00:57:08,549 --> 00:57:07,040  
to shout out and i will do so

1305  
00:57:11,109 --> 00:57:08,559  
and thank you from the bottom of my

1306  
00:57:14,630 --> 00:57:11,119  
heart for your kind and generous support

1307  
00:57:16,230 --> 00:57:14,640  
it really does help and finally send us

1308  
00:57:19,030 --> 00:57:16,240  
some money you leeches

1309  
00:57:20,950 --> 00:57:19,040  
make that paypal donation if you once

1310  
00:57:23,430 --> 00:57:20,960  
you make a paypal donation

1311  
00:57:26,069 --> 00:57:23,440  
you will rise from the level of leech in

1312  
00:57:28,630 --> 00:57:26,079  
my eyes to at least the level of worm

1313  
00:57:29,510 --> 00:57:28,640

so become a worm today we would

1314

00:57:33,349 --> 00:57:29,520

appreciate your

1315

00:57:35,109 --> 00:57:33,359

kind generous support and also

1316

00:57:36,710 --> 00:57:35,119

the second way to support me is to make

1317

00:57:37,829 --> 00:57:36,720

sure that you please like comment and

1318

00:57:39,670 --> 00:57:37,839

subscribe

1319

00:57:41,190 --> 00:57:39,680

and send our channel address to some

1320

00:57:42,870 --> 00:57:41,200

friends we're still

1321

00:57:44,870 --> 00:57:42,880

limping along trying to get to that

1322

00:57:46,549 --> 00:57:44,880

magic money number so that we can take

1323

00:57:52,829 --> 00:57:46,559

the super pal

1324

00:57:52,839 --> 00:57:59,910

donations

1325

00:58:03,510 --> 00:58:01,750

and i will turn my total attention to

1326

00:58:05,670 --> 00:58:03,520

the live chat

1327

00:58:07,109 --> 00:58:05,680

shout out to jolly bridgeburner jolly

1328

00:58:11,109 --> 00:58:07,119

bridgeburner is here

1329

00:58:16,230 --> 00:58:11,119

good to see you good to see you back

1330

00:58:22,150 --> 00:58:19,190

and just some general shout outs in the

1331

00:58:25,589 --> 00:58:22,160

live chat we have jonas side ufo gandalf

1332

00:58:28,710 --> 00:58:25,599

general lee q veltman

1333

00:58:31,190 --> 00:58:28,720

did you get a promotion lead eltman your

1334

00:58:32,150 --> 00:58:31,200

general lee velman nail jolly bridge

1335

00:58:35,430 --> 00:58:32,160

burner is here

1336

00:58:35,990 --> 00:58:35,440

six's design is here ufo gandalf jonas

1337

00:58:39,910 --> 00:58:36,000

side is here

1338

00:58:43,030 --> 00:58:39,920

william pixley is here jonas side

1339

00:58:44,549 --> 00:58:43,040

jonas i'd yeah you upgraded in my eyes

1340

00:58:50,710 --> 00:58:44,559

to worm status

1341

00:58:58,789 --> 00:58:50,720

yeah ufo gandalf says i'm new

1342

00:59:05,109 --> 00:59:01,990

been busy in the dungeon stephen oh

1343

00:59:10,549 --> 00:59:05,119

okay i know a thing or two about that

1344

00:59:14,069 --> 00:59:12,950

admiral baby q plus got arrested so i

1345

00:59:15,829 --> 00:59:14,079

got a promotion

1346

00:59:20,710 --> 00:59:15,839

yeah that makes sense that definitely

1347

00:59:24,950 --> 00:59:23,430

i don't understand this stream yard is

1348

00:59:28,390 --> 00:59:24,960

wacky here

1349

00:59:31,510 --> 00:59:28,400

like it is not it is not giving me a

1350

00:59:34,630 --> 00:59:31,520

timer it's not let me share audio

1351  
00:59:36,069 --> 00:59:34,640  
and i don't know why that is no idea why

1352  
00:59:38,789 --> 00:59:36,079  
that is

1353  
00:59:40,390 --> 00:59:38,799  
so i guess tomorrow i'll probably do the

1354  
00:59:41,910 --> 00:59:40,400  
show from the laptop

1355  
00:59:43,829 --> 00:59:41,920  
maybe it doesn't like maybe streamer

1356  
00:59:45,030 --> 00:59:43,839  
doesn't like linux either it seems so

1357  
00:59:47,270 --> 00:59:45,040  
weird to me though that

1358  
00:59:49,109 --> 00:59:47,280  
usually it lets me just share a browser

1359  
00:59:52,390 --> 00:59:49,119  
tab and there's a

1360  
00:59:52,400 --> 00:59:56,789  
oh i know what it is i usually use

1361  
00:59:56,799 --> 01:00:09,750  
chrome and i'm using firefox so

1362  
01:00:12,789 --> 01:00:11,349  
yeah i'll have to look up how to fix

1363  
01:00:15,030 --> 01:00:12,799

that

1364

01:00:17,190 --> 01:00:15,040

oh firefox just got an update they've

1365

01:00:21,270 --> 01:00:17,200

been a little buggy lately yeah but uh

1366

01:00:24,630 --> 01:00:23,589

i decide on my linux computers when to

1367

01:00:27,349 --> 01:00:24,640

update anything

1368

01:00:29,109 --> 01:00:27,359

myself there's no auto update like

1369

01:00:32,549 --> 01:00:29,119

windows does

1370

01:00:34,069 --> 01:00:32,559

or yeah actually i don't know firefox

1371

01:00:34,470 --> 01:00:34,079

automatically does it usually they ask

1372

01:00:37,750 --> 01:00:34,480

you

1373

01:00:42,309 --> 01:00:37,760

but no mine is probably an older version

1374

01:00:45,430 --> 01:00:42,319

and that could be the problem too

1375

01:00:49,030 --> 01:00:45,440

yeah so one second i'm going to check

1376

01:00:55,670 --> 01:00:49,040

just to make sure there isn't

1377

01:00:59,190 --> 01:00:57,910

yeah we had a donation of five dollars

1378

01:01:02,390 --> 01:00:59,200

from genocide

1379

01:01:04,309 --> 01:01:02,400

uh september 10th so yeah the paypal

1380

01:01:05,990 --> 01:01:04,319

donations have definitely slowed down so

1381

01:01:08,309 --> 01:01:06,000

we got one september 10th

1382

01:01:10,470 --> 01:01:08,319

from genocide for a generous kind

1383

01:01:12,230 --> 01:01:10,480

donation of five dollars

1384

01:01:13,510 --> 01:01:12,240

and from this person of with the

1385

01:01:16,870 --> 01:01:13,520

initials a

1386

01:01:18,630 --> 01:01:16,880

s uh for fifteen dollars that was

1387

01:01:22,309 --> 01:01:18,640

october sixth

1388

01:01:25,910 --> 01:01:22,319

so uh definitely a big slow down

1389

01:01:27,670 --> 01:01:25,920

uh in the in the it's a rough it's rough

1390

01:01:32,789 --> 01:01:27,680

out there

1391

01:01:38,150 --> 01:01:36,230

oh uh i'm in the wrong place

1392

01:01:39,510 --> 01:01:38,160

yeah it should it should show up in a

1393

01:01:41,829 --> 01:01:39,520

repository yeah

1394

01:01:43,750 --> 01:01:41,839

i just don't you know honestly here's

1395

01:01:45,589 --> 01:01:43,760

how i run my computers

1396

01:01:47,270 --> 01:01:45,599

if i have to upgrade something to get

1397

01:01:49,270 --> 01:01:47,280

something to work right i do

1398

01:01:51,030 --> 01:01:49,280

but if things are working i believe in

1399

01:01:52,630 --> 01:01:51,040

that if it ain't broke don't fix it

1400

01:01:56,470 --> 01:01:52,640

leave it alone

1401  
01:01:57,510 --> 01:01:56,480  
but i will say for my linux distribution

1402  
01:01:59,430 --> 01:01:57,520  
altos

1403  
01:02:02,069 --> 01:01:59,440  
it's for other people two nails so i

1404  
01:02:03,829 --> 01:02:02,079  
have to before i put out the next alpha

1405  
01:02:08,470 --> 01:02:03,839  
update the browsers and i

1406  
01:02:12,630 --> 01:02:10,390  
yeah thank you genocide for your kind

1407  
01:02:14,390 --> 01:02:12,640  
donation we appreciate that

1408  
01:02:15,990 --> 01:02:14,400  
yeah so i understand it's rough out

1409  
01:02:18,710 --> 01:02:16,000  
there it's rough out there

1410  
01:02:21,349 --> 01:02:18,720  
it's rough for everybody so uh if you

1411  
01:02:24,230 --> 01:02:21,359  
don't have a couple of bucks to throw me

1412  
01:02:26,870 --> 01:02:24,240  
i understand maybe you could help in

1413  
01:02:29,349 --> 01:02:26,880

other ways that don't cost anything like

1414

01:02:31,029 --> 01:02:29,359

posting this video on your social media

1415

01:02:32,789 --> 01:02:31,039

on your twitter on your facebook on your

1416

01:02:35,430 --> 01:02:32,799

instagram

1417

01:02:36,150 --> 01:02:35,440

anywhere you can and uh i i say this to

1418

01:02:38,230 --> 01:02:36,160

everybody

1419

01:02:40,230 --> 01:02:38,240

most of you guys have friends that are

1420

01:02:42,150 --> 01:02:40,240

into these strange topics and conspiracy

1421

01:02:43,270 --> 01:02:42,160

land and ufos and all the stuff that we

1422

01:02:45,910 --> 01:02:43,280

talk about

1423

01:02:46,950 --> 01:02:45,920

please copy the channel address send it

1424

01:02:49,190 --> 01:02:46,960

to some friends

1425

01:02:52,470 --> 01:02:49,200

and help us to grow and support the

1426

01:02:56,069 --> 01:02:55,109

yes ufo gandalf you are also a lowly

1427

01:02:58,950 --> 01:02:56,079

worm already

1428

01:03:02,069 --> 01:02:58,960

and i appreciate your worm status we we

1429

01:03:04,630 --> 01:03:02,079

definitely prefer worms to leeches

1430

01:03:05,670 --> 01:03:04,640

so if you are a leech you can upgrade

1431

01:03:16,630 --> 01:03:05,680

your status

1432

01:03:20,470 --> 01:03:16,640

in our eyes from lowly leech to worm

1433

01:03:22,710 --> 01:03:20,480

yes promo the channel like this

1434

01:03:24,789 --> 01:03:22,720

i appreciate your kind support success

1435

01:03:27,190 --> 01:03:24,799

design is always posting my stuff

1436

01:03:27,990 --> 01:03:27,200

reposting my stuff helping me with links

1437

01:03:31,109 --> 01:03:28,000

you're

1438

01:03:33,910 --> 01:03:31,119

design

1439

01:03:36,549 --> 01:03:33,920

we definitely appreciate your help kind

1440

01:03:39,670 --> 01:03:36,559

help and assistance

1441

01:03:42,309 --> 01:03:39,680

yes tweet retweet link any way you can

1442

01:03:45,990 --> 01:03:42,319

yeah spread this [h\_\_\h] like a virus

1443

01:03:50,230 --> 01:03:46,000

oh that's probably not a good time to

1444

01:03:54,870 --> 01:03:53,349

thank you sir my pleasure yeah it's my

1445

01:03:55,670 --> 01:03:54,880

pleasure to have you around to help with

1446

01:03:57,349 --> 01:03:55,680

all this stuff

1447

01:03:58,950 --> 01:03:57,359

design i do really appreciate it it

1448

01:04:01,349 --> 01:03:58,960

takes some of the load off of me and i

1449

01:04:03,589 --> 01:04:01,359

can i can think about other things

1450

01:04:05,910 --> 01:04:03,599

so friends i guess with that i'm going

1451

01:04:09,510 --> 01:04:05,920

to leave you with a thought

1452

01:04:11,190 --> 01:04:09,520

and that thought is simply if these big

1453

01:04:13,270 --> 01:04:11,200

tech companies are willing to cover up

1454

01:04:15,670 --> 01:04:13,280

this one new york post article what else

1455

01:04:17,750 --> 01:04:15,680

are they covering up what else are they

1456

01:04:19,910 --> 01:04:17,760

doing to try to sway the election

1457

01:04:22,230 --> 01:04:19,920

towards the candidate that they prefer

1458

01:04:23,510 --> 01:04:22,240

and should they be allowed to do that or

1459

01:04:26,950 --> 01:04:23,520

is this

1460

01:04:29,190 --> 01:04:26,960

unethical is it it's is it illegal

1461

01:04:31,029 --> 01:04:29,200

i don't know is it election tampering it

1462

01:04:32,630 --> 01:04:31,039

may be considered it depends on what

1463

01:04:35,910 --> 01:04:32,640

side of the aisle that you're on

1464

01:04:36,870 --> 01:04:35,920

and i'm not on either i'm not a member

1465

01:04:39,109 --> 01:04:36,880

of either isle

1466

01:04:41,029 --> 01:04:39,119

i'm an independent but i am very

1467

01:04:42,950 --> 01:04:41,039

concerned with

1468

01:04:44,870 --> 01:04:42,960

the way that these tech companies are

1469

01:04:48,230 --> 01:04:44,880

trying to manipulate people

1470

01:04:50,150 --> 01:04:48,240

it's very clear that they have a clear

1471

01:04:51,589 --> 01:04:50,160

choice that they've made for a candidate

1472

01:04:54,150 --> 01:04:51,599

that they'd prefer

1473

01:04:55,109 --> 01:04:54,160

and by the way biden is in the pocket of

1474

01:04:58,069 --> 01:04:55,119

big pharma and

1475

01:04:59,190 --> 01:04:58,079

big corporations and big tech so you

1476

01:05:01,589 --> 01:04:59,200

people that think that you're going to

1477

01:05:03,270 --> 01:05:01,599

get a better government somehow

1478

01:05:04,549 --> 01:05:03,280

voting for that guy i don't think it's

1479

01:05:06,950 --> 01:05:04,559

going to get any better voting for

1480

01:05:09,829 --> 01:05:06,960

either of these two clowns

1481

01:05:11,670 --> 01:05:09,839

but my major concern is should these big

1482

01:05:12,549 --> 01:05:11,680

huge tech companies be allowed to

1483

01:05:16,230 --> 01:05:12,559

literally

1484

01:05:19,109 --> 01:05:16,240

stop people from sharing newspaper

1485

01:05:22,630 --> 01:05:20,470

that's what they're doing that's what

1486

01:05:23,349 --> 01:05:22,640

they're going to continue to do and we

1487

01:05:27,190 --> 01:05:23,359

should all

1488

01:05:28,870 --> 01:05:27,200

watch this uh rudy giuliani having that

1489

01:05:30,789 --> 01:05:28,880

hard drive very carefully because i

1490

01:05:34,069 --> 01:05:30,799

think this is the tip of the iceberg and

1491

01:05:35,670 --> 01:05:34,079

uh rudy giuliani is nothing if not a

1492

01:05:38,470 --> 01:05:35,680

shrewd politician

1493

01:05:40,150 --> 01:05:38,480

he's a good buddy with trump and maybe

1494

01:05:43,190 --> 01:05:40,160

this is all carefully planned

1495

01:05:45,270 --> 01:05:43,200

and timed to all drop right before

1496

01:05:50,150 --> 01:05:45,280

people go to those polls

1497

01:05:51,589 --> 01:05:50,160

would not surprise me one bit

1498

01:05:52,950 --> 01:05:51,599

but considering he has a whole hard

1499

01:05:54,150 --> 01:05:52,960

drive and they're still going through it

1500

01:05:56,630 --> 01:05:54,160

trying to find dirt

1501

01:05:59,430 --> 01:05:56,640

i think they're going to find a lot more

1502

01:06:03,029 --> 01:05:59,440

are the big tech companies going to

1503

01:06:04,870 --> 01:06:03,039

censor articles with more information

1504

01:06:06,630 --> 01:06:04,880

that's damaging to biden that's coming

1505

01:06:08,150 --> 01:06:06,640

out of this hard drive next

1506

01:06:10,950 --> 01:06:08,160

you're goddamn right they're going to go

1507

01:06:14,630 --> 01:06:10,960

do that at least i think so

1508

01:06:17,029 --> 01:06:14,640

um so but we'll see what happens

1509

01:06:17,990 --> 01:06:17,039

we'll see what happens my prediction is

1510

01:06:20,150 --> 01:06:18,000

that big tech

1511

01:06:21,990 --> 01:06:20,160

is going to continue to side with biden

1512

01:06:23,990 --> 01:06:22,000

and try to stop people from seeing any

1513

01:06:25,430 --> 01:06:24,000

damaging information that paints biting

1514

01:06:27,670 --> 01:06:25,440

into bad light

1515

01:06:29,029 --> 01:06:27,680

um i guess they're pr you know the

1516

01:06:30,309 --> 01:06:29,039

argument that some people make is their

1517

01:06:31,510 --> 01:06:30,319

private companies they're free to do

1518

01:06:33,510 --> 01:06:31,520

whatever they want

1519

01:06:35,910 --> 01:06:33,520

okay but when you wield that kind of

1520

01:06:37,029 --> 01:06:35,920

power the power of whether people are

1521

01:06:38,870 --> 01:06:37,039

going to be able to

1522

01:06:41,910 --> 01:06:38,880

distribute information to their friends

1523

01:06:43,670 --> 01:06:41,920

and family or not

1524

01:06:45,510 --> 01:06:43,680

i think you have a responsibility to be

1525

01:06:47,430 --> 01:06:45,520

impartial in something as big as a

1526

01:06:50,230 --> 01:06:47,440

presidential election

1527

01:06:52,309 --> 01:06:50,240

just my opinion i you know who am i

1528

01:06:54,950 --> 01:06:52,319

right

1529

01:06:57,190 --> 01:06:54,960

so on that note friends until next time

1530

01:07:02,920 --> 01:06:57,200

my name's stephen campion

1531

01:07:02,930 --> 01:07:26,829

[Music]

1532

01:07:53,920 --> 01:07:29,320

so

1533

01:08:33,120 --> 01:08:01,500

[Music]
