00:01:40,830 --> 00:01:38,830

[Music]

2  
00:01:51,890 --> 00:01:40,840

so

3  
00:03:12,710 --> 00:02:06,860

[Music]

4  
00:03:17,190 --> 00:03:15,670  
greetings and salutations uh we are

5  
00:03:20,470 --> 00:03:17,200  
broadcasting live tonight

6  
00:03:23,750 --> 00:03:20,480  
from the apocalypse cabin

7  
00:03:25,830 --> 00:03:23,760  
you know uh hindsight is always 20 20.

8  
00:03:28,869 --> 00:03:25,840  
it rained all day today

9  
00:03:32,869 --> 00:03:28,879  
and uh so i did very little uh

10  
00:03:35,270 --> 00:03:32,879  
work at the cabin today and uh

11  
00:03:36,869 --> 00:03:35,280  
just now starting the show i suddenly

12  
00:03:39,270 --> 00:03:36,879  
realized that i could have spent today

13  
00:03:42,550 --> 00:03:39,280

working on our streaming setup

14

00:03:44,070 --> 00:03:42,560

uh and lighting here i'm hopeful that

15

00:03:46,149 --> 00:03:44,080

this looks a little better

16

00:03:47,350 --> 00:03:46,159

than it has in previous attempts from

17

00:03:49,430 --> 00:03:47,360

the cabin

18

00:03:51,110 --> 00:03:49,440

uh so i added a light and some other

19

00:03:54,229 --> 00:03:51,120

things today but really

20

00:03:57,670 --> 00:03:54,239

uh i could have done a lot more work

21

00:04:00,470 --> 00:03:57,680

on uh our streaming setup here

22

00:04:02,630 --> 00:04:00,480

um you may hear that crackling this is

23

00:04:05,750 --> 00:04:02,640

the wood stove right next to me

24

00:04:07,910 --> 00:04:05,760

here uh and this is my favorite seat in

25

00:04:11,110 --> 00:04:07,920

the cabin right next to the wood stove

26

00:04:14,229 --> 00:04:11,120

um yeah it's about

27

00:04:17,990 --> 00:04:14,239

40 outside maybe 35 now

28

00:04:20,629 --> 00:04:18,000

but it's probably 75 in here

29

00:04:22,469 --> 00:04:20,639

uh actually this time of the year is

30

00:04:25,430 --> 00:04:22,479

strange i always have to damp it down

31

00:04:27,030 --> 00:04:25,440

otherwise it'll like make this place 90

32

00:04:29,270 --> 00:04:27,040

pretty fast

33

00:04:30,390 --> 00:04:29,280

so tonight i i thought we could continue

34

00:04:33,430 --> 00:04:30,400

talking about this

35

00:04:36,150 --> 00:04:33,440

new york post story uh bind revelations

36

00:04:39,430 --> 00:04:36,160

as well as the recent

37

00:04:42,390 --> 00:04:39,440

youtube purge wow

38

00:04:44,469 --> 00:04:42,400

uh in the last i think it was yesterday

39

00:04:47,830 --> 00:04:44,479

right

40

00:04:49,110 --> 00:04:47,840

let's see edge of wonder delete it from

41

00:04:56,870 --> 00:04:49,120

youtube

42

00:04:59,189 --> 00:04:56,880

um mouthy buddha

43

00:05:01,830 --> 00:04:59,199

deleted from youtube jordan sather

44

00:05:05,350 --> 00:05:01,840

deleted from youtube

45

00:05:07,189 --> 00:05:05,360

um amazing it was amazing to me to

46

00:05:10,469 --> 00:05:07,199

realize that this

47

00:05:13,110 --> 00:05:10,479

these big channels were suddenly gone

48

00:05:15,029 --> 00:05:13,120

not that they hadn't been warned right

49

00:05:16,870 --> 00:05:15,039

or been

50

00:05:19,029 --> 00:05:16,880

i heard one at least one of those people

51

00:05:21,430 --> 00:05:19,039

claim that they had no

52

00:05:23,749 --> 00:05:21,440

policy strikes or no strikes and uh i

53

00:05:24,550 --> 00:05:23,759

know for a fact that that can't be

54

00:05:29,270 --> 00:05:24,560

correct

55

00:05:32,629 --> 00:05:29,280

were constantly doing things that were

56

00:05:35,350 --> 00:05:32,639

against youtube's terms of service

57

00:05:37,029 --> 00:05:35,360

um now i just wanted to mention in

58

00:05:40,070 --> 00:05:37,039

regard to this huge youtube

59

00:05:41,110 --> 00:05:40,080

purge i had a bunch of people uh well

60

00:05:43,909 --> 00:05:41,120

not a bunch of people

61

00:05:45,189 --> 00:05:43,919

three or four though send me uh texts or

62

00:05:47,350 --> 00:05:45,199

messages about it

63

00:05:48,870 --> 00:05:47,360

and sort of doing a victory dance like

64

00:05:51,350 --> 00:05:48,880

yeah [h\_\_h] them

65

00:05:53,350 --> 00:05:51,360

they lost their channels because a lot

66

00:05:55,990 --> 00:05:53,360

of the people that lost those channels

67

00:05:56,950 --> 00:05:56,000

uh you know are kind of [h\_\_h]

68

00:06:00,550 --> 00:05:56,960

salesmen and not

69

00:06:04,230 --> 00:06:00,560

well liked by a lot of my viewers

70

00:06:07,990 --> 00:06:04,240

i uh didn't feel that way though

71

00:06:10,469 --> 00:06:08,000

and here's why i don't talk about q

72

00:06:12,070 --> 00:06:10,479

here uh but i certainly talk about

73

00:06:17,510 --> 00:06:12,080

conspiracy topics and i

74

00:06:23,909 --> 00:06:20,710

i certainly don't talk about q

75

00:06:24,550 --> 00:06:23,919

uh i don't talk about the current health

76

00:06:27,189 --> 00:06:24,560

crisis

77

00:06:28,950 --> 00:06:27,199

or what i believe is going on with the

78

00:06:31,909 --> 00:06:28,960

current health crisis

79

00:06:32,710 --> 00:06:31,919

i don't go tell people masks are

80

00:06:36,790 --> 00:06:32,720

[h\_\_\h]

81

00:06:39,749 --> 00:06:36,800

uh i don't wow i'm gonna be very clear

82

00:06:42,070 --> 00:06:39,759

youtube algorithm gods i am speaking in

83

00:06:43,510 --> 00:06:42,080

your defense

84

00:06:45,189 --> 00:06:43,520

i am not speaking about the current

85

00:06:48,790 --> 00:06:45,199

health pandemic

86

00:06:51,189 --> 00:06:48,800

at all so yeah

87

00:06:52,550 --> 00:06:51,199

there's some ai algorithm that just goes

88

00:06:54,309 --> 00:06:52,560

through videos and if they

89

00:06:55,990 --> 00:06:54,319

if it hears keywords you could get

90

00:06:58,309 --> 00:06:56,000

tagged and

91

00:06:59,189 --> 00:06:58,319

you know a policy violation delete it

92

00:07:03,350 --> 00:06:59,199

i'm speaking

93

00:07:06,309 --> 00:07:03,360

in defense of at least their

94

00:07:06,870 --> 00:07:06,319

seemingly altruistic attempt to stop the

95

00:07:10,390 --> 00:07:06,880

spread

96

00:07:14,070 --> 00:07:10,400

of disinformation and misinformation

97

00:07:16,469 --> 00:07:14,080

and fake information and fake news

98

00:07:17,990 --> 00:07:16,479

so we don't we don't talk about the

99

00:07:19,589 --> 00:07:18,000

health pandemic

100

00:07:21,830 --> 00:07:19,599

the current health crisis we don't talk

101  
00:07:25,270 --> 00:07:21,840  
about q here

102  
00:07:27,430 --> 00:07:25,280  
but uh we certainly talk about ufos my

103  
00:07:29,589 --> 00:07:27,440  
previous show radio show midnight howard

104  
00:07:32,629 --> 00:07:29,599  
was almost exclusively

105  
00:07:33,830 --> 00:07:32,639  
ufos like once in a while we'd have a

106  
00:07:36,070 --> 00:07:33,840  
show about something else

107  
00:07:37,830 --> 00:07:36,080  
ghosts or uh magic we did a show of

108  
00:07:39,430 --> 00:07:37,840  
magic and

109  
00:07:41,270 --> 00:07:39,440  
a few other things but mostly my whole

110  
00:07:43,589 --> 00:07:41,280  
channel was dedicated to

111  
00:07:45,110 --> 00:07:43,599  
my whole show was dedicated to ufo

112  
00:07:47,270 --> 00:07:45,120  
topics so

113  
00:07:50,309 --> 00:07:47,280

you know that's certainly a fringe or

114

00:07:53,350 --> 00:07:50,319

conspiracy topic

115

00:07:56,469 --> 00:07:53,360

and uh yeah

116

00:07:58,950 --> 00:07:56,479

uh spooky uh i just saw spooky in the

117

00:08:01,990 --> 00:07:58,960

live chat said that

118

00:08:07,510 --> 00:08:02,000

i should have people jump in and

119

00:08:11,749 --> 00:08:09,909

oh and you know what i forgot to just a

120

00:08:13,189 --> 00:08:11,759

bit of business to get out of the way

121

00:08:15,270 --> 00:08:13,199

we had a very nice comment before the

122

00:08:16,230 --> 00:08:15,280

show started from colley armstrong who

123

00:08:18,790 --> 00:08:16,240

says

124

00:08:20,790 --> 00:08:18,800

howdy all and to you stephen before i

125

00:08:22,309 --> 00:08:20,800

realize it's my bedtime great channel

126

00:08:24,790 --> 00:08:22,319

happy to give you

127

00:08:26,629 --> 00:08:24,800

a patreon of a buck a month all i can do

128

00:08:27,510 --> 00:08:26,639

but i have a couple of going and at

129

00:08:30,070 --> 00:08:27,520

least

130

00:08:31,990 --> 00:08:30,080

show some gratitude kali you never have

131

00:08:34,149 --> 00:08:32,000

to apologize to me we only asked for a

132

00:08:35,509 --> 00:08:34,159

dollar on patreon

133

00:08:37,589 --> 00:08:35,519

you know and i've had a bunch of people

134

00:08:39,269 --> 00:08:37,599

say hey i signed up for your patreon i'm

135

00:08:40,709 --> 00:08:39,279

sorry i only give you a dollar don't

136

00:08:43,190 --> 00:08:40,719

ever be sorry because

137

00:08:45,670 --> 00:08:43,200

brother a dollar is a dollar in this

138

00:08:48,790 --> 00:08:45,680

economy i will take a dollar

139

00:08:51,430 --> 00:08:48,800

yes friends send me your money

140

00:08:53,110 --> 00:08:51,440

so i thank you kali armstrong for your

141

00:08:55,910 --> 00:08:53,120

kindness your generosity

142

00:08:58,070 --> 00:08:55,920

and your kind financial support of the

143

00:08:59,190 --> 00:08:58,080

show it is truly appreciated it goes a

144

00:09:03,509 --> 00:08:59,200

long way towards

145

00:09:07,509 --> 00:09:03,519

uh keeping the show going and keeping me

146

00:09:10,790 --> 00:09:07,519

having some time uh to give to

147

00:09:11,990 --> 00:09:10,800

to this endeavor and i keep using that

148

00:09:14,150 --> 00:09:12,000

same analogy

149

00:09:16,230 --> 00:09:14,160

i have to you know i almost took tonight

150

00:09:18,949 --> 00:09:16,240

off but then i thought i accomplished

151

00:09:20,550 --> 00:09:18,959

nothing today nothing i hate weekends

152

00:09:22,790 --> 00:09:20,560

like this at the cabin

153

00:09:24,630 --> 00:09:22,800

i had one weekend where i came here and

154

00:09:25,110 --> 00:09:24,640

it rained for three days straight it

155

00:09:28,710 --> 00:09:25,120

rained

156

00:09:31,590 --> 00:09:28,720

all day friday all day saturday

157

00:09:34,310 --> 00:09:31,600

all day sunday and it stopped on sunday

158

00:09:36,470 --> 00:09:34,320

about an hour before i had to go home

159

00:09:37,829 --> 00:09:36,480

so uh boy i hate fighting the weather

160

00:09:40,389 --> 00:09:37,839

here sometimes

161

00:09:41,509 --> 00:09:40,399

the cold i can deal with you know wear

162

00:09:43,350 --> 00:09:41,519

some thermals

163

00:09:45,750 --> 00:09:43,360

double up your pants whatever you gotta

164

00:09:48,710 --> 00:09:45,760

do wear three coats

165

00:09:50,150 --> 00:09:48,720

gloves i can work outside in the winter

166

00:09:53,269 --> 00:09:50,160

unless it's like zero

167

00:09:56,550 --> 00:09:53,279

if it's 20 30 40 i'm fine

168

00:09:58,710 --> 00:09:56,560

but once it gets to like 10 or zero

169

00:10:01,030 --> 00:09:58,720

yeah but i can't do anything about the

170

00:10:04,470 --> 00:10:01,040

rain and all the work that i have to do

171

00:10:08,470 --> 00:10:04,480

on this sunroom is outside um

172

00:10:12,710 --> 00:10:11,269

i hate that i have tomorrow i'm gonna

173

00:10:15,829 --> 00:10:12,720

feel stressed

174

00:10:17,829 --> 00:10:15,839

pressured and um

175

00:10:19,190 --> 00:10:17,839

you know like under the gun like i got

176

00:10:21,590 --> 00:10:19,200

to get some [h\_\_h] done

177

00:10:23,030 --> 00:10:21,600

to make this trip worth it especially

178

00:10:24,310 --> 00:10:23,040

you know my wife is at home watching

179

00:10:25,350 --> 00:10:24,320

these children and that's a big

180

00:10:26,949 --> 00:10:25,360

sacrifice

181

00:10:29,990 --> 00:10:26,959

because she's trying to work and watch

182

00:10:31,590 --> 00:10:30,000

two boys four and eight at the same time

183

00:10:33,750 --> 00:10:31,600

you know good luck with that mission

184

00:10:37,350 --> 00:10:33,760

impossible right

185

00:10:39,509 --> 00:10:37,360

uh so that um oh i so back to spooky

186

00:10:41,670 --> 00:10:39,519

anybody who would like to join in the

187

00:10:43,590 --> 00:10:41,680

in the stream tonight uh because i

188

00:10:44,470 --> 00:10:43,600

caught the tail end of cw's and went

189

00:10:46,230 --> 00:10:44,480

yeah why are

190

00:10:49,110 --> 00:10:46,240

more of us doing that that use stream

191

00:10:52,790 --> 00:10:49,120

yards cw's using streamyard im2

192

00:10:56,190 --> 00:10:52,800

we can have up to 10 people all together

193

00:11:00,150 --> 00:10:56,200

so just do me a favor and email

194

00:11:03,590 --> 00:11:00,160

truthseekershow gmail.com

195

00:11:05,670 --> 00:11:03,600

if you're if you're comfortable doing it

196

00:11:09,509 --> 00:11:05,680

you can give me an email address

197

00:11:12,870 --> 00:11:11,750

is vanessa thor inviting me to take off

198

00:11:14,870 --> 00:11:12,880

my clothes

199

00:11:16,230 --> 00:11:14,880

i think so is that what happened i got

200

00:11:17,750 --> 00:11:16,240

to the stream late and

201  
00:11:19,350 --> 00:11:17,760  
cw looked like he was sitting there

202  
00:11:21,430 --> 00:11:19,360  
naked and there was

203  
00:11:23,350 --> 00:11:21,440  
three other people and i was like what

204  
00:11:26,069 --> 00:11:23,360  
the [h\_\_\h] is going on with this

205  
00:11:27,430 --> 00:11:26,079  
what the [h\_\_\h] is he doing tonight like

206  
00:11:29,030 --> 00:11:27,440  
right and how am i supposed to compete

207  
00:11:30,470 --> 00:11:29,040  
with that

208  
00:11:32,389 --> 00:11:30,480  
actually i think that people should

209  
00:11:33,509 --> 00:11:32,399  
throw money at me to keep my clothes on

210  
00:11:36,230 --> 00:11:33,519  
not take them off

211  
00:11:38,150 --> 00:11:36,240  
vanessa thor that's my personal opinion

212  
00:11:43,110 --> 00:11:38,160  
that'd probably be a better value

213  
00:11:46,870 --> 00:11:43,120

right you know it's funny um

214

00:11:48,870 --> 00:11:46,880

not long ago i lost like 55 pounds

215

00:11:50,710 --> 00:11:48,880

uh because my wife was like geez man

216

00:11:52,710 --> 00:11:50,720

you're looking real fat

217

00:11:54,310 --> 00:11:52,720

and that's a tough pill to swallow

218

00:11:54,710 --> 00:11:54,320

especially when you know she's right

219

00:11:58,150 --> 00:11:54,720

right

220

00:12:00,949 --> 00:11:58,160

like i was getting a big old beer gut so

221

00:12:02,790 --> 00:12:00,959

uh but i lost most that weight but now i

222

00:12:04,710 --> 00:12:02,800

think i slapped back on about 10 of

223

00:12:06,230 --> 00:12:04,720

those pounds so i have to start watching

224

00:12:08,790 --> 00:12:06,240

what i eat again

225

00:12:09,509 --> 00:12:08,800

uh it's too much beer and it's too much

226

00:12:11,590 --> 00:12:09,519

pizza

227

00:12:13,910 --> 00:12:11,600

i heard dan hogan in here earlier

228

00:12:16,550 --> 00:12:13,920

there's too much pizza on the wood stove

229

00:12:17,269 --> 00:12:16,560

and especially this new wood cook stove

230

00:12:19,670 --> 00:12:17,279

that i have

231

00:12:21,670 --> 00:12:19,680

i love pizza out of those things man i

232

00:12:23,110 --> 00:12:21,680

ate pizza twice already and i've only

233

00:12:24,389 --> 00:12:23,120

been i've been here since wednesday

234

00:12:27,350 --> 00:12:24,399

night so wednesday night

235

00:12:28,629 --> 00:12:27,360

and yesterday night was pizza tonight

236

00:12:30,710 --> 00:12:28,639

i'm going to try to eat something a

237

00:12:35,509 --> 00:12:30,720

little less

238

00:12:38,790 --> 00:12:35,519

you if you'd like to join in this

239

00:12:41,350 --> 00:12:38,800

in the live stream you can uh oh

240

00:12:43,190 --> 00:12:41,360

you can message me on facebook it's just

241

00:12:47,670 --> 00:12:43,200

242

00:12:51,990 --> 00:12:51,269

one taker already let me get the invite

243

00:12:54,949 --> 00:12:52,000

ready for you

244

00:12:56,310 --> 00:12:54,959

guys yeah so tonight i thought we could

245

00:12:57,990 --> 00:12:56,320

have a little more of a laid back and

246

00:12:59,269 --> 00:12:58,000

maybe like a round table discussion

247

00:13:02,710 --> 00:12:59,279

about

248

00:13:04,710 --> 00:13:02,720

this censorship that's going on

249

00:13:06,949 --> 00:13:04,720

and the destruction of all of these

250

00:13:10,550 --> 00:13:06,959

different youtube channels

251

00:13:12,550 --> 00:13:10,560

uh you know it's really

252

00:13:15,110 --> 00:13:12,560

where is the now i can't find an invite

253

00:13:21,350 --> 00:13:18,310

let me copy that okay

254

00:13:23,910 --> 00:13:21,360

and i'm gonna send it to our friend in

255

00:13:27,110 --> 00:13:23,920

facebook that would like to join in that

256

00:13:30,310 --> 00:13:29,590

and anybody can join in tonight up to 10

257

00:13:33,190 --> 00:13:30,320

people

258

00:13:35,190 --> 00:13:33,200

let's have a good time right let's have

259

00:13:36,470 --> 00:13:35,200

a good time and see what happens and we

260

00:13:40,310 --> 00:13:36,480

can have a sort of a round

261

00:13:43,430 --> 00:13:40,320

table discussion uh yeah robin eagle

262

00:13:45,110 --> 00:13:43,440

song is the first taker to join us

263

00:13:47,430 --> 00:13:45,120

vanessa thor says hard to picture

264

00:13:47,990 --> 00:13:47,440

stephen plump you know before i got

265

00:13:50,150 --> 00:13:48,000

married

266

00:13:51,910 --> 00:13:50,160

vanessa thor i you know i was single and

267

00:13:52,870 --> 00:13:51,920

living by myself and i didn't take care

268

00:13:54,710 --> 00:13:52,880

of myself and i

269

00:13:57,269 --> 00:13:54,720

i was like a starving artist i really

270

00:13:58,790 --> 00:13:57,279

didn't eat so i was like emaciated then

271

00:14:03,829 --> 00:13:58,800

like people thought i was anorexic it

272

00:14:06,949 --> 00:14:03,839

was just starting to eat uh

273

00:14:08,389 --> 00:14:06,959

okay spooky says uh that she's gonna

274

00:14:10,790 --> 00:14:08,399

make a drink and then

275

00:14:12,629 --> 00:14:10,800

she will be there yeah just send me set

276

00:14:15,110 --> 00:14:12,639

you know what spooky i'll uh

277

00:14:16,949 --> 00:14:15,120

i'll send you the invite to on twitter

278

00:14:20,629 --> 00:14:16,959

let me get over there

279

00:14:23,910 --> 00:14:20,639

uh and i will oh you know what i want to

280

00:14:27,430 --> 00:14:25,829

all right i was i just wanted to check

281

00:14:28,949 --> 00:14:27,440

in with youtube and look at what the

282

00:14:30,550 --> 00:14:28,959

stream looked like you guys know that i

283

00:14:32,870 --> 00:14:30,560

had a terrible time

284

00:14:34,949 --> 00:14:32,880

and the [h\_\_h] this is the same webcam

285

00:14:38,069 --> 00:14:34,959

where it looked like complete and total

286

00:14:40,069 --> 00:14:38,079

garbage the last time i tried this

287

00:14:42,150 --> 00:14:40,079

i don't know if it's bandwidth issues

288

00:14:44,470 --> 00:14:42,160

what it is i did

289

00:14:46,949 --> 00:14:44,480

do some maintenance to this laptop

290

00:14:49,189 --> 00:14:46,959

hopefully that was what the issue was

291

00:14:51,269 --> 00:14:49,199

so spooky i'm going to go to twitter and

292

00:14:54,150 --> 00:14:51,279

i'm going to send you the uh

293

00:14:55,750 --> 00:14:54,160

the invite link you are most welcome as

294

00:14:58,389 --> 00:14:55,760

well

295

00:14:59,189 --> 00:14:58,399

so we'll have a robin eagle song and

296

00:15:02,710 --> 00:14:59,199

twitter

297

00:15:16,550 --> 00:15:02,720

i think it's fires

298

00:15:23,750 --> 00:15:20,710

yeah spooky i have fires of truth

299

00:15:28,230 --> 00:15:23,760

and i'm gonna dm you

300

00:15:33,430 --> 00:15:31,430

the the stream yard invite link

301  
00:15:35,670 --> 00:15:33,440  
so whenever you're ready let me get back

302  
00:15:37,829 --> 00:15:35,680  
to stream yard oh and then we i see now

303  
00:15:39,110 --> 00:15:37,839  
we have robin here so we're gonna add

304  
00:15:42,230 --> 00:15:39,120  
robin

305  
00:15:44,550 --> 00:15:42,240  
how you doing rob and welcome oh hi

306  
00:15:45,509 --> 00:15:44,560  
stephen it's good to see you i'm well

307  
00:15:47,590 --> 00:15:45,519  
how are you

308  
00:15:49,509 --> 00:15:47,600  
good i have deja vu i for those that

309  
00:15:51,590 --> 00:15:49,519  
don't know on robin's channel

310  
00:15:53,350 --> 00:15:51,600  
i did a guest spot on her show which was

311  
00:15:54,710 --> 00:15:53,360  
a lot of fun and cathartic for me

312  
00:15:56,389 --> 00:15:54,720  
because i got to talk about one of my

313  
00:15:57,990 --> 00:15:56,399

greatest passions which is building this

314

00:16:01,509 --> 00:15:58,000

crazy place

315

00:16:03,670 --> 00:16:01,519

and uh you were absolutely stellar

316

00:16:05,110 --> 00:16:03,680

what a good show that was yeah i've had

317

00:16:06,949 --> 00:16:05,120

a lot of people that i sent it to were

318

00:16:09,350 --> 00:16:06,959

like wow this was great because a lot of

319

00:16:10,870 --> 00:16:09,360

people ask me a lot of questions and uh

320

00:16:12,550 --> 00:16:10,880

and i don't know how to explain it so it

321

00:16:14,870 --> 00:16:12,560

was cool to have that show where i could

322

00:16:18,949 --> 00:16:14,880

explain how some of this crazy happened

323

00:16:21,430 --> 00:16:18,959

it was fun oh it was so interesting and

324

00:16:22,310 --> 00:16:21,440

it just you know we were all totally

325

00:16:26,150 --> 00:16:22,320

engaged

326

00:16:29,590 --> 00:16:26,160

um yeah good show and and the way

327

00:16:33,350 --> 00:16:29,600

you described your process

328

00:16:35,430 --> 00:16:33,360

and um your plans and your thoughts

329

00:16:38,069 --> 00:16:35,440

at the time you know it was just

330

00:16:40,550 --> 00:16:38,079

absolutely perfect uh thank you for that

331

00:16:42,389 --> 00:16:40,560

yeah it pretty well was good for me too

332

00:16:46,550 --> 00:16:42,399

boy that sounded dirty robin

333

00:16:50,150 --> 00:16:46,560

got to be careful we'll go there

334

00:16:51,749 --> 00:16:50,160

yeah so anybody uh anybody that would

335

00:16:53,590 --> 00:16:51,759

like to join in tonight we're gonna have

336

00:16:55,749 --> 00:16:53,600

sort of a round table discussion

337

00:16:57,430 --> 00:16:55,759

and uh anybody can join in i think we're

338

00:17:00,550 --> 00:16:57,440

gonna have spooky

339

00:17:00,949 --> 00:17:00,560

uh and there's mario heat in our live

340

00:17:03,990 --> 00:17:00,959

chat

341

00:17:06,069 --> 00:17:04,000

mario he i know

342

00:17:08,230 --> 00:17:06,079

i noticed something funny in the cw i

343

00:17:08,789 --> 00:17:08,240

never seen mario heat before so i didn't

344

00:17:11,750 --> 00:17:08,799

know

345

00:17:13,029 --> 00:17:11,760

but mario yeah mario heat is like

346

00:17:15,590 --> 00:17:13,039

mexican i never was

347

00:17:17,590 --> 00:17:15,600

it's funny connecting a face to the name

348

00:17:19,189 --> 00:17:17,600

the chat room id sometimes i never would

349

00:17:19,590 --> 00:17:19,199

have guessed that he was mexican but i

350

00:17:22,789 --> 00:17:19,600

don't know

351

00:17:23,750 --> 00:17:22,799

right or or is he corsican or oh yeah

352

00:17:27,029 --> 00:17:23,760

maybe you're right

353

00:17:28,549 --> 00:17:27,039

i'm sorry well he's hispanic

354

00:17:31,669 --> 00:17:28,559

or latin i thought he said he was

355

00:17:33,110 --> 00:17:31,679

mexican on cw's stream but i don't know

356

00:17:35,669 --> 00:17:33,120

i'm sort of pulling your leg

357

00:17:36,870 --> 00:17:35,679

sorry oh okay all right good so anybody

358

00:17:38,950 --> 00:17:36,880

else would like to join in and tonight

359

00:17:42,310 --> 00:17:38,960

we're going to be talking about these

360

00:17:45,510 --> 00:17:42,320

the recent censorship oh

361

00:17:48,710 --> 00:17:45,520

hold on one second my uh what'd you

362

00:17:50,789 --> 00:17:48,720

what'd you do something fell over here

363

00:17:52,150 --> 00:17:50,799

hold on one second

364

00:17:55,270 --> 00:17:52,160

oh you know what i'm just gonna leave it

365

00:17:58,549 --> 00:17:55,280

it's fine yeah so

366

00:18:01,669 --> 00:17:58,559

uh so the recent censorship

367

00:18:04,789 --> 00:18:01,679

of facebook and uh and twitter

368

00:18:05,909 --> 00:18:04,799

of information that's not that doesn't

369

00:18:08,470 --> 00:18:05,919

paint

370

00:18:10,230 --> 00:18:08,480

joe Biden in a good light and then the

371

00:18:12,070 --> 00:18:10,240

very next day after that happened

372

00:18:14,310 --> 00:18:12,080

youtube struck down all of these

373

00:18:15,909 --> 00:18:14,320

channels including edge of wonder which

374

00:18:18,630 --> 00:18:15,919

is a huge channel

375

00:18:19,190 --> 00:18:18,640

mouthy buddha praying medic and jordan

376

00:18:22,230 --> 00:18:19,200

say they're

377

00:18:23,270 --> 00:18:22,240

all huge youtube channels huge and they

378

00:18:25,909 --> 00:18:23,280

had clout

379

00:18:28,070 --> 00:18:25,919

and uh they you know had they were like

380

00:18:30,870 --> 00:18:28,080

influencers god i hate that word

381

00:18:32,470 --> 00:18:30,880

uh but but they were like in the big

382

00:18:33,990 --> 00:18:32,480

leagues they had what thousands and

383

00:18:37,430 --> 00:18:34,000

thousands of

384

00:18:39,750 --> 00:18:37,440

yeah drivers and fans and they made

385

00:18:43,110 --> 00:18:39,760

money

386

00:18:46,950 --> 00:18:43,120

bless them but boy what a grand

387

00:18:50,630 --> 00:18:48,950

yeah lee beltman is in the chat and he

388

00:18:52,390 --> 00:18:50,640

would i'm trying to get him to come on

389

00:18:54,150 --> 00:18:52,400

my show because he's more

390

00:18:55,430 --> 00:18:54,160

he's so connected to all this cute

391

00:18:57,350 --> 00:18:55,440

nonsense and

392

00:19:00,070 --> 00:18:57,360

he says sorry i know a bit too much

393

00:19:03,510 --> 00:19:00,080

about the purge and who's all involved

394

00:19:05,270 --> 00:19:03,520

huh yeah interesting i see there was 20

395

00:19:07,510 --> 00:19:05,280

channels total so far

396

00:19:08,630 --> 00:19:07,520

20 well i know i don't know if anybody

397

00:19:11,909 --> 00:19:08,640

knows who daniel

398

00:19:14,070 --> 00:19:11,919

john lee is the really crazy redheaded

399

00:19:17,190 --> 00:19:14,080

guy he's got

400

00:19:18,390 --> 00:19:17,200

his is gone too yeah there's a huge list

401  
00:19:21,669 --> 00:19:18,400  
of them

402  
00:19:23,990 --> 00:19:21,679  
isn't that great yeah and so

403  
00:19:25,430 --> 00:19:24,000  
uh mario heat is here vanessa thor's

404  
00:19:27,270 --> 00:19:25,440  
here i'm just giving some shout outs

405  
00:19:30,390 --> 00:19:27,280  
carol utley is here

406  
00:19:31,750 --> 00:19:30,400  
uh we have bee geez is here ufo gandalf

407  
00:19:35,990 --> 00:19:31,760  
jeanette krazenko

408  
00:19:37,990 --> 00:19:36,000  
dan hogan yeah gosh

409  
00:19:39,830 --> 00:19:38,000  
van hogan wants to come and join in too

410  
00:19:42,470 --> 00:19:39,840  
so let me go

411  
00:19:44,630 --> 00:19:42,480  
i'll send it to you on twitter dan hogan

412  
00:19:46,470 --> 00:19:44,640  
william pixley holy cow that's like a

413  
00:19:47,590 --> 00:19:46,480

blast from the past haven't seen you in

414

00:19:49,590 --> 00:19:47,600

a while

415

00:19:52,150 --> 00:19:49,600

yeah he comes around here to tell me how

416

00:19:53,830 --> 00:19:52,160

wrong i am but i need him so i like okay

417

00:19:55,510 --> 00:19:53,840

well

418

00:19:57,909 --> 00:19:55,520

that makes me and i get into it

419

00:20:00,789 --> 00:19:57,919

sometimes well that makes a really

420

00:20:02,950 --> 00:20:00,799

nicely rounded show yeah we like all

421

00:20:04,870 --> 00:20:02,960

viewpoints here

422

00:20:06,630 --> 00:20:04,880

yeah all are welcome almost all are

423

00:20:09,669 --> 00:20:06,640

welcome not not everybody

424

00:20:10,789 --> 00:20:09,679

but yeah so what do you think about

425

00:20:12,630 --> 00:20:10,799

these big

426

00:20:14,230 --> 00:20:12,640

purge this big purge and how all these

427

00:20:14,950 --> 00:20:14,240

people are losing their channels and was

428

00:20:17,350 --> 00:20:14,960

it

429

00:20:19,430 --> 00:20:17,360

justified them doing that since a lot of

430

00:20:20,950 --> 00:20:19,440

them do spread a lot of [\h\_\_\h]

431

00:20:22,549 --> 00:20:20,960

they spread a lot of [\h\_\_\h] but

432

00:20:23,510 --> 00:20:22,559

they've been allowed to spread a lot of

433

00:20:25,909 --> 00:20:23,520

[\h\_\_\h] for a

434

00:20:27,590 --> 00:20:25,919

really really long time i'm wondering

435

00:20:31,669 --> 00:20:27,600

about the timing of it

436

00:20:33,350 --> 00:20:31,679

and just the significance of that timing

437

00:20:37,350 --> 00:20:33,360

you know is this does this have anything

438

00:20:42,230 --> 00:20:40,390

or who knows you know it's all just so

439

00:20:44,710 --> 00:20:42,240

bizarre right now

440

00:20:45,990 --> 00:20:44,720

everything everything coming across the

441

00:20:48,310 --> 00:20:46,000

news wires

442

00:20:51,350 --> 00:20:48,320

yeah boy is that an archaic saying uh

443

00:20:53,430 --> 00:20:51,360

but all the news we get is just

444

00:20:55,350 --> 00:20:53,440

so bizarre and it's really focused and

445

00:20:56,950 --> 00:20:55,360

it's like guiding our thoughts and you

446

00:20:59,190 --> 00:20:56,960

know where we're gonna go next with

447

00:20:59,830 --> 00:20:59,200

being either pissed or scared or angry

448

00:21:02,870 --> 00:20:59,840

or

449

00:21:05,510 --> 00:21:02,880

dismayed it's just all really

450

00:21:07,430 --> 00:21:05,520

so weird boy you guys out there

451  
00:21:08,950 --> 00:21:07,440  
disengage as much as you [\h\_\_\h] can't

452  
00:21:11,430 --> 00:21:08,960  
oh i'm sorry

453  
00:21:12,789 --> 00:21:11,440  
no that's okay we're okay with curses oh

454  
00:21:16,070 --> 00:21:12,799  
that's fine

455  
00:21:17,909 --> 00:21:16,080  
curse all you why oh yeah so i i

456  
00:21:19,350 --> 00:21:17,919  
kind of think though that i have one

457  
00:21:21,750 --> 00:21:19,360  
problem with all the

458  
00:21:23,430 --> 00:21:21,760  
channels getting deleted and that is you

459  
00:21:25,190 --> 00:21:23,440  
know it's like that old saying they came

460  
00:21:26,789 --> 00:21:25,200  
for the catholics and i did nothing and

461  
00:21:28,470 --> 00:21:26,799  
then they came for the gypsies and i did

462  
00:21:30,070 --> 00:21:28,480  
nothing and then they came for the jews

463  
00:21:32,630 --> 00:21:30,080

and i did nothing

464

00:21:34,070 --> 00:21:32,640

uh but then they came for me so there's

465

00:21:36,789 --> 00:21:34,080

nobody left to come

466

00:21:38,470 --> 00:21:36,799

for me yeah yeah yeah but my fear and

467

00:21:39,110 --> 00:21:38,480

then people were taking victory laps

468

00:21:41,270 --> 00:21:39,120

like good

469

00:21:42,789 --> 00:21:41,280

[h\_\_h] them you know [h\_\_h] those [h\_\_h]

470

00:21:44,549 --> 00:21:42,799

selling all that [h\_\_h]

471

00:21:45,830 --> 00:21:44,559

[h\_\_h] them let them get let them get real

472

00:21:48,310 --> 00:21:45,840

jobs and i

473

00:21:50,070 --> 00:21:48,320

part of me agrees with that like you've

474

00:21:52,149 --> 00:21:50,080

been selling [h\_\_h]

475

00:21:54,390 --> 00:21:52,159

for years on that some of these guys

476  
00:21:55,750 --> 00:21:54,400  
haven't had a real job in years on end

477  
00:21:57,590 --> 00:21:55,760  
they just sell [\h\_\_\h]

478  
00:21:59,270 --> 00:21:57,600  
so part of me is like yeah get a [\h\_\_\h]

479  
00:22:00,950 --> 00:21:59,280  
job pal see how the rest of the world

480  
00:22:03,029 --> 00:22:00,960  
has to live you can't just make a living

481  
00:22:03,909 --> 00:22:03,039  
selling nonsense and [\h\_\_\h] and fake

482  
00:22:06,549 --> 00:22:03,919  
stories

483  
00:22:07,510 --> 00:22:06,559  
but the other half of me worries if it's

484  
00:22:10,549 --> 00:22:07,520  
if it's q

485  
00:22:12,390 --> 00:22:10,559  
and uh conspiracy you know pizzagate

486  
00:22:15,510 --> 00:22:12,400  
conspiracy stuff

487  
00:22:17,430 --> 00:22:15,520  
next it might be ufos or any kind of

488  
00:22:17,909 --> 00:22:17,440

paranormal with fringe topics could be

489

00:22:19,430 --> 00:22:17,919

next

490

00:22:20,950 --> 00:22:19,440

they could just start stamping out

491

00:22:22,310 --> 00:22:20,960

channels that talk about ufos or

492

00:22:23,590 --> 00:22:22,320

stamping out channels to talk about

493

00:22:27,029 --> 00:22:23,600

secret space program

494

00:22:27,990 --> 00:22:27,039

or whatever yeah yeah or mention taking

495

00:22:29,750 --> 00:22:28,000

your temperature

496

00:22:31,190 --> 00:22:29,760

you know for christ's sake where is it

497

00:22:33,909 --> 00:22:31,200

going from here yeah

498

00:22:35,029 --> 00:22:33,919

that's boy it's really suspicious to me

499

00:22:36,870 --> 00:22:35,039

because yeah

500

00:22:38,710 --> 00:22:36,880

why all right it's so extreme too i

501  
00:22:41,990 --> 00:22:38,720  
heard i heard from a friend

502  
00:22:43,590 --> 00:22:42,000  
of a youtube channel that got taken down

503  
00:22:46,789 --> 00:22:43,600  
because they did a story

504  
00:22:47,590 --> 00:22:46,799  
about how most of the people that are

505  
00:22:49,909 --> 00:22:47,600  
having like

506  
00:22:51,510 --> 00:22:49,919  
fatalities from covid were severely

507  
00:22:53,350 --> 00:22:51,520  
vitamin d deficient

508  
00:22:55,190 --> 00:22:53,360  
and they weren't selling vitamin d on

509  
00:22:56,789 --> 00:22:55,200  
their channel or their website they were

510  
00:22:57,430 --> 00:22:56,799  
just trying to inform the public like

511  
00:22:59,029 --> 00:22:57,440  
hey

512  
00:23:00,870 --> 00:22:59,039  
you know maybe you should take some

513  
00:23:02,549 --> 00:23:00,880

vitamin d supplements and that might

514

00:23:03,270 --> 00:23:02,559

maybe help you if you do get this

515

00:23:05,029 --> 00:23:03,280

terrible

516

00:23:07,110 --> 00:23:05,039

affliction you'll have an easier time

517

00:23:09,270 --> 00:23:07,120

dealing with it because it seems like

518

00:23:11,110 --> 00:23:09,280

everybody or a great percentage of the

519

00:23:12,390 --> 00:23:11,120

people that are suffering fatalities or

520

00:23:15,190 --> 00:23:12,400

very serious illness

521

00:23:17,750 --> 00:23:15,200

are severely vitamin d deficient and you

522

00:23:20,470 --> 00:23:17,760

know what here's what i know about that

523

00:23:22,789 --> 00:23:20,480

uh yes i'm certain they were vitamin d

524

00:23:25,830 --> 00:23:22,799

deficient but you know what

525

00:23:28,950 --> 00:23:25,840

we as a population

526

00:23:30,470 --> 00:23:28,960

every one of us all of us are deficient

527

00:23:33,510 --> 00:23:30,480

in vitamin d you know we

528

00:23:36,230 --> 00:23:33,520

we slap on the 40 straight

529

00:23:37,590 --> 00:23:36,240

sunscreen we stay indoors we don't get

530

00:23:41,029 --> 00:23:37,600

out and play anymore

531

00:23:43,510 --> 00:23:41,039

we there are i have saw

532

00:23:44,149 --> 00:23:43,520

in my line of work i saw eight-year-old

533

00:23:46,630 --> 00:23:44,159

kids

534

00:23:47,750 --> 00:23:46,640

whose labs came out severely deficient

535

00:23:49,590 --> 00:23:47,760

in vitamin d

536

00:23:51,269 --> 00:23:49,600

so you know what that guy said was the

537

00:23:53,430 --> 00:23:51,279

truth that was yeah and then

538

00:23:54,390 --> 00:23:53,440

and the other thing there was no

539

00:23:55,750 --> 00:23:54,400

causality

540

00:23:57,590 --> 00:23:55,760

you know that you know it's just like

541

00:23:59,669 --> 00:23:57,600

everybody is you know so he told the

542

00:24:01,029 --> 00:23:59,679

truth but not as related to covet

543

00:24:03,110 --> 00:24:01,039

yeah yeah but the other thing that's

544

00:24:05,750 --> 00:24:03,120

funny about all this is like oh

545

00:24:07,669 --> 00:24:05,760

we need to go outside to get vitamin d

546

00:24:09,830 --> 00:24:07,679

but for a large portion of the lockdown

547

00:24:11,990 --> 00:24:09,840

at least in my state they closed even

548

00:24:14,230 --> 00:24:12,000

state parks playgrounds you

549

00:24:15,990 --> 00:24:14,240

stay home don't go outside they were

550

00:24:18,390 --> 00:24:16,000

telling everybody don't go anywhere

551  
00:24:19,669 --> 00:24:18,400  
outside go to the supermarket and home

552  
00:24:21,909 --> 00:24:19,679  
and that's it

553  
00:24:23,909 --> 00:24:21,919  
so in a situation where people need to

554  
00:24:25,190 --> 00:24:23,919  
be outside to get some exercise and

555  
00:24:27,190 --> 00:24:25,200  
vitamin d

556  
00:24:28,390 --> 00:24:27,200  
and through the natural yeah they're

557  
00:24:30,870 --> 00:24:28,400  
telling you not to

558  
00:24:31,830 --> 00:24:30,880  
which is strange you know isn't that

559  
00:24:33,909 --> 00:24:31,840  
interesting

560  
00:24:36,390 --> 00:24:33,919  
yeah and the the censorship is weird

561  
00:24:38,149 --> 00:24:36,400  
like all this channel did was a story on

562  
00:24:40,070 --> 00:24:38,159  
maybe you should take some vitamin d and

563  
00:24:42,630 --> 00:24:40,080

they you know

564

00:24:44,390 --> 00:24:42,640

which is good advice anyway probably i'm

565

00:24:45,029 --> 00:24:44,400

not a doctor but that might be good

566

00:24:51,590 --> 00:24:45,039

advice

567

00:24:54,870 --> 00:24:51,600

that maybe get a little vitamin

568

00:24:57,110 --> 00:24:54,880

yeah i've heard yeah i've also heard

569

00:24:58,710 --> 00:24:57,120

zinc if you're yeah i'm taking all of

570

00:24:59,590 --> 00:24:58,720

them i'm taking all of them i'm taking

571

00:25:02,230 --> 00:24:59,600

vitamin d

572

00:25:04,789 --> 00:25:02,240

vitamin c i'm taking a zinc tablet and

573

00:25:07,590 --> 00:25:04,799

i'm i'm drinking chocolate tea every day

574

00:25:07,909 --> 00:25:07,600

just in case we should talk sometimes

575

00:25:09,590 --> 00:25:07,919

yeah

576

00:25:11,590 --> 00:25:09,600

it's supposed to be good for you i don't

577

00:25:13,510 --> 00:25:11,600

know i don't know if it is but i thought

578

00:25:14,390 --> 00:25:13,520

it can't hurt they sell it on amazon and

579

00:25:15,990 --> 00:25:14,400

tea bags

580

00:25:17,269 --> 00:25:16,000

you know there's people around here

581

00:25:18,630 --> 00:25:17,279

around the cabin that go and they

582

00:25:21,590 --> 00:25:18,640

harvest it off the tree

583

00:25:22,950 --> 00:25:21,600

and make their own i don't know yeah i

584

00:25:24,950 --> 00:25:22,960

don't know how to do that so i was like

585

00:25:27,269 --> 00:25:24,960

i'll just order it from amazon

586

00:25:29,669 --> 00:25:27,279

yeah really be safe boy that's really

587

00:25:32,549 --> 00:25:29,679

radical harvesting off the trees that

588

00:25:33,350 --> 00:25:32,559

that is so cool i want to live in the

589

00:25:36,870 --> 00:25:33,360

forest

590

00:25:38,390 --> 00:25:36,880

too yeah yeah well uh i

591

00:25:40,470 --> 00:25:38,400

they have a few more people that wanted

592

00:25:40,830 --> 00:25:40,480

to join in i sent the link to both of

593

00:25:43,909 --> 00:25:40,840

them

594

00:25:47,190 --> 00:25:43,919

on uh on facebook

595

00:25:49,830 --> 00:25:47,200

or i'm sorry on on twitter so dan hogan

596

00:25:50,870 --> 00:25:49,840

and spooky i sent you both the link via

597

00:25:52,950 --> 00:25:50,880

twitter dm

598

00:25:53,990 --> 00:25:52,960

you should be able to get it i don't

599

00:25:55,909 --> 00:25:54,000

know if i know

600

00:25:57,029 --> 00:25:55,919

these fellows spooks oh they're good

601  
00:26:00,230 --> 00:25:57,039

people you're like

602  
00:26:01,830 --> 00:26:00,240

you would like them it's okay i'm sure

603  
00:26:03,510 --> 00:26:01,840

if they're in your gang of course i'll

604  
00:26:06,070 --> 00:26:03,520

like them uh

605  
00:26:07,430 --> 00:26:06,080

i i've seen them in this chat i'm sure

606  
00:26:08,549 --> 00:26:07,440

you've been in the live chat with some

607  
00:26:11,750 --> 00:26:08,559

of them either here

608  
00:26:14,870 --> 00:26:11,760

or a paranormal hood or cw's channel

609  
00:26:16,789 --> 00:26:14,880

yeah oh i haven't been to cw's in a

610  
00:26:21,029 --> 00:26:16,799

really long time

611  
00:26:21,430 --> 00:26:21,039

um yeah yeah there's a story behind that

612  
00:26:25,350 --> 00:26:21,440

but

613  
00:26:27,590 --> 00:26:25,360

i shall not recite recited here

614

00:26:28,470 --> 00:26:27,600

vanessa thor says not in california we

615

00:26:30,310 --> 00:26:28,480

have

616

00:26:31,830 --> 00:26:30,320

ads everywhere encourage people to get

617

00:26:34,149 --> 00:26:31,840

outside in open spaces

618

00:26:35,510 --> 00:26:34,159

every day across the radio tv well good

619

00:26:37,110 --> 00:26:35,520

it's good to know

620

00:26:38,950 --> 00:26:37,120

they were telling everybody to stay home

621

00:26:40,549 --> 00:26:38,960

don't go out and they clo you couldn't

622

00:26:42,470 --> 00:26:40,559

take your kid to the playground

623

00:26:45,029 --> 00:26:42,480

down the street they shut everything

624

00:26:47,350 --> 00:26:45,039

playgrounds the state parks were closed

625

00:26:48,390 --> 00:26:47,360

everything hiking trails you couldn't go

626  
00:26:51,510 --> 00:26:48,400  
anywhere

627  
00:26:53,990 --> 00:26:51,520  
they just shut it all down vanessa i'm

628  
00:26:54,870 --> 00:26:54,000  
also in california we didn't get any

629  
00:26:57,909 --> 00:26:54,880  
such

630  
00:26:59,830 --> 00:26:57,919  
ads pushing us where i live you know i

631  
00:27:02,549 --> 00:26:59,840  
live in the la area

632  
00:27:03,590 --> 00:27:02,559  
and we we were told you know stay the

633  
00:27:07,269 --> 00:27:03,600  
freak inn

634  
00:27:10,070 --> 00:27:07,279  
and uh only go out for and then

635  
00:27:11,669 --> 00:27:10,080  
after a few months then they say okay

636  
00:27:15,269 --> 00:27:11,679  
well if you're going to walk your dog

637  
00:27:18,950 --> 00:27:18,389  
okay so oh vanessa okay you you're up

638  
00:27:21,269 --> 00:27:18,960

there

639

00:27:22,789 --> 00:27:21,279

yeah she says sonoma napa bay area oh

640

00:27:24,549 --> 00:27:22,799

you're in god's country up there

641

00:27:27,750 --> 00:27:24,559

northern california yeah

642

00:27:28,789 --> 00:27:27,760

oh what a beautiful part of california

643

00:27:31,830 --> 00:27:28,799

that is

644

00:27:32,950 --> 00:27:31,840

jesus miso yeah you guys were a bit more

645

00:27:36,230 --> 00:27:32,960

relaxed

646

00:27:38,389 --> 00:27:36,240

then we're more dense down here you know

647

00:27:39,590 --> 00:27:38,399

way way way more people you know we're

648

00:27:41,750 --> 00:27:39,600

kind of crowdy

649

00:27:43,909 --> 00:27:41,760

and so we had more stringent

650

00:27:47,350 --> 00:27:43,919

requirements for uh

651  
00:27:48,070 --> 00:27:47,360  
going through your day sorry i'm trying

652  
00:27:51,350 --> 00:27:48,080  
to adjust my

653  
00:27:53,510 --> 00:27:51,360  
ram shackle system here

654  
00:27:55,909 --> 00:27:53,520  
then uh well it's appropriate for a

655  
00:27:59,510 --> 00:27:55,919  
cabin in the woods oh look at those logs

656  
00:28:05,750 --> 00:28:02,870  
that is just do you ever just

657  
00:28:06,710 --> 00:28:05,760  
stop and look at the [h\_\_h] you've done

658  
00:28:10,149 --> 00:28:06,720  
and just go

659  
00:28:12,630 --> 00:28:10,159  
damn yeah sometimes i stop and i and i

660  
00:28:13,909 --> 00:28:12,640  
i love that after a really hard day's

661  
00:28:15,510 --> 00:28:13,919  
work where you really make a lot of

662  
00:28:17,269 --> 00:28:15,520  
progress one of my favorite things to do

663  
00:28:20,470 --> 00:28:17,279

is to just step back

664

00:28:21,990 --> 00:28:20,480

right step back and see what progress

665

00:28:23,750 --> 00:28:22,000

you made and look at that wall that

666

00:28:26,950 --> 00:28:23,760

wasn't there

667

00:28:29,190 --> 00:28:26,960

you know and uh and reflect on all that

668

00:28:30,070 --> 00:28:29,200

[h\_\_\h] you had to do to make it happen but

669

00:28:33,190 --> 00:28:30,080

yeah

670

00:28:35,830 --> 00:28:33,200

though because

671

00:28:37,750 --> 00:28:35,840

i got here on wednesday and thursday i

672

00:28:39,669 --> 00:28:37,760

wasn't really feeling well

673

00:28:41,190 --> 00:28:39,679

and that worried me you know like i

674

00:28:42,950 --> 00:28:41,200

think i got to start getting anxiety

675

00:28:44,149 --> 00:28:42,960

attacks because any little scratch in my

676

00:28:47,110 --> 00:28:44,159

throat or whatever

677

00:28:48,310 --> 00:28:47,120

i start worrying um you know so i kind

678

00:28:50,789 --> 00:28:48,320

of just laid around and

679

00:28:52,630 --> 00:28:50,799

tried to sleep it off rest a little bit

680

00:28:53,510 --> 00:28:52,640

i had like a sore throat and that kind

681

00:28:56,070 --> 00:28:53,520

of went away

682

00:28:57,669 --> 00:28:56,080

as of today i'm feeling much better but

683

00:29:01,669 --> 00:28:57,679

it rained all day today

684

00:29:02,389 --> 00:29:01,679

so you know i got a little bit done on

685

00:29:04,070 --> 00:29:02,399

thursday

686

00:29:06,310 --> 00:29:04,080

not as much as i would like to and now i

687

00:29:06,789 --> 00:29:06,320

have a tomorrow i'm gonna have a hell of

688

00:29:08,470 --> 00:29:06,799

a day

689

00:29:10,870 --> 00:29:08,480

i'm probably gonna wake up super early

690

00:29:11,430 --> 00:29:10,880

and try to get at it so that uh i could

691

00:29:13,510 --> 00:29:11,440

feel like

692

00:29:15,269 --> 00:29:13,520

this weekend was worth coming here to

693

00:29:16,870 --> 00:29:15,279

get some progress

694

00:29:18,310 --> 00:29:16,880

i hate it when there's no progress it

695

00:29:20,789 --> 00:29:18,320

but it bugs me

696

00:29:23,110 --> 00:29:20,799

or like when something happens like one

697

00:29:23,510 --> 00:29:23,120

time my car was dead for a few weeks you

698

00:29:26,630 --> 00:29:23,520

know

699

00:29:28,470 --> 00:29:26,640

and uh

700

00:29:31,909 --> 00:29:28,480

i was hating that like i can't get to

701  
00:29:35,430 --> 00:29:31,919  
the cabin to make any progress right

702  
00:29:38,630 --> 00:29:35,440  
oh yeah but you know what maybe

703  
00:29:40,149 --> 00:29:38,640  
you just needed to maybe mother nature

704  
00:29:43,269 --> 00:29:40,159  
was saying uh

705  
00:29:43,909 --> 00:29:43,279  
sit your ass down and just stop for a

706  
00:29:46,710 --> 00:29:43,919  
minute

707  
00:29:47,510 --> 00:29:46,720  
and so now for tomorrow you're raring to

708  
00:29:49,830 --> 00:29:47,520  
go

709  
00:29:50,549 --> 00:29:49,840  
um yeah i'm hoping that i re i feel

710  
00:29:54,710 --> 00:29:50,559  
rested

711  
00:29:56,389 --> 00:29:54,720  
tomorrow yeah well you know jason albert

712  
00:29:58,549 --> 00:29:56,399  
has sent me a message

713  
00:30:00,710 --> 00:29:58,559

uh for your sound or speak up i want to

714

00:30:02,310 --> 00:30:00,720

watch but the last two vids too quiet

715

00:30:05,029 --> 00:30:02,320

and can't hear anything i'm a fan of

716

00:30:08,310 --> 00:30:05,039

your work keep it up and fix your sound

717

00:30:08,710 --> 00:30:08,320

i i only get complaints from you jason

718

00:30:10,230 --> 00:30:08,720

albert

719

00:30:12,630 --> 00:30:10,240

i haven't had anybody say they couldn't

720

00:30:13,430 --> 00:30:12,640

hear me or that the sound wasn't good so

721

00:30:19,110 --> 00:30:13,440

maybe

722

00:30:19,750 --> 00:30:19,120

that gentleman needs to upgrade his

723

00:30:22,789 --> 00:30:19,760

phone

724

00:30:24,310 --> 00:30:22,799

it's really yeah

725

00:30:26,149 --> 00:30:24,320

well i always listen to people when they

726

00:30:29,190 --> 00:30:26,159

say something like that but you know

727

00:30:30,789 --> 00:30:29,200

uh i think walter bosley was complaining

728

00:30:32,789 --> 00:30:30,799

he had a bunch of posts about that like

729

00:30:34,310 --> 00:30:32,799

he's got like a really expensive mic and

730

00:30:34,630 --> 00:30:34,320

people still tell him the same thing

731

00:30:38,630 --> 00:30:34,640

like

732

00:30:40,950 --> 00:30:38,640

this mic is the same mic that everybody

733

00:30:44,470 --> 00:30:40,960

uses yeah not on my end dude

734

00:30:45,669 --> 00:30:44,480

yeah check your equipment okay so we

735

00:30:47,669 --> 00:30:45,679

have a few more

736

00:30:49,830 --> 00:30:47,679

a few more people that want to chime in

737

00:30:51,669 --> 00:30:49,840

and join in the stream tonight and i'm

738

00:30:53,430 --> 00:30:51,679

happy to have him but nobody's joined

739

00:30:54,950 --> 00:30:53,440

yet but i have three links out if

740

00:30:58,070 --> 00:30:54,960

the other we'll get you the link i don't

753  
00:31:20,389 --> 00:31:19,360  
want to put it in the live chat because

754  
00:31:22,230 --> 00:31:20,399  
then

755  
00:31:24,710 --> 00:31:22,240  
some nut jobs could come in that we

756  
00:31:26,310 --> 00:31:24,720  
don't know who they are

757  
00:31:27,830 --> 00:31:26,320  
yeah yeah i've had one yeah that could

758  
00:31:31,669 --> 00:31:27,840  
be bad that could go

759  
00:31:34,630 --> 00:31:31,679  
not well right yeah yeah okay

760  
00:31:35,190 --> 00:31:34,640  
here we go we have genocide genocide is

761  
00:31:40,070 --> 00:31:35,200  
here

762  
00:31:41,509 --> 00:31:40,080  
see you genocide and good to put a face

763  
00:31:44,630 --> 00:31:41,519

to your name

764

00:31:46,789 --> 00:31:44,640

thank you nice to meet you virtually and

765

00:31:51,350 --> 00:31:46,799

good to have you here

766

00:31:54,950 --> 00:31:52,950

sometimes so you know we're talking

767

00:31:55,830 --> 00:31:54,960

about this recent censorship what do you

768

00:32:01,110 --> 00:31:55,840

think about

769

00:32:03,029 --> 00:32:01,120

and twitter going out of their way to

770

00:32:04,230 --> 00:32:03,039

stop people from sharing a new york post

771

00:32:05,590 --> 00:32:04,240

article and

772

00:32:07,669 --> 00:32:05,600

next what do you think of this big

773

00:32:09,830 --> 00:32:07,679

youtube purge where all these channels

774

00:32:12,870 --> 00:32:09,840

got deleted

775

00:32:14,950 --> 00:32:12,880

um well i think we need that freedom of

776

00:32:16,630 --> 00:32:14,960

speech is important in this country

777

00:32:18,230 --> 00:32:16,640

but we also you're doing freedom of

778

00:32:20,870 --> 00:32:18,240

speech on a corporation

779

00:32:23,110 --> 00:32:20,880

they have a right to censor you while i

780

00:32:24,870 --> 00:32:23,120

don't agree with everybody's opinions on

781

00:32:26,549 --> 00:32:24,880

like i don't like jordan say there i

782

00:32:29,350 --> 00:32:26,559

stopped watching as you're wondering

783

00:32:30,870 --> 00:32:29,360

months ago um they still have a right to

784

00:32:33,509 --> 00:32:30,880

put their product out

785

00:32:35,029 --> 00:32:33,519

just not on youtube maybe not on twitter

786

00:32:36,549 --> 00:32:35,039

maybe not on facebook but they have a

787

00:32:39,190 --> 00:32:36,559

right they have websites

788

00:32:41,029 --> 00:32:39,200

you can pay to watch them now they can

789

00:32:43,669 --> 00:32:41,039

still make money doing this

790

00:32:45,990 --> 00:32:43,679

as far as yeah but i i think though that

791

00:32:48,549 --> 00:32:46,000

that model doesn't really work because

792

00:32:49,350 --> 00:32:48,559

you need youtube and twitter to have the

793

00:32:51,590 --> 00:32:49,360

following

794

00:32:52,710 --> 00:32:51,600

to get people behind that paywall so i

795

00:32:53,350 --> 00:32:52,720

think they're all going to have a really

796

00:32:54,870 --> 00:32:53,360

hard time

797

00:32:56,549 --> 00:32:54,880

everybody that's tried that it doesn't

798

00:32:58,549 --> 00:32:56,559

it didn't work out you know i think the

799

00:33:00,230 --> 00:32:58,559

only one that survived this so far is

800

00:33:01,830 --> 00:33:00,240

alex jones but he had such a huge

801  
00:33:04,470 --> 00:33:01,840  
following already

802  
00:33:06,870 --> 00:33:04,480  
you know oh and he said alex jones is

803  
00:33:09,430 --> 00:33:06,880  
sort of like everybody's practical joke

804  
00:33:10,070 --> 00:33:09,440  
show you know he he he has no teeth

805  
00:33:12,750 --> 00:33:10,080  
anymore

806  
00:33:14,070 --> 00:33:12,760  
and he's sort of like comedy

807  
00:33:15,909 --> 00:33:14,080  
entertainment

808  
00:33:17,750 --> 00:33:15,919  
yeah it's like wrestling it's like you

809  
00:33:18,950 --> 00:33:17,760  
watch too much wrestling or something

810  
00:33:20,950 --> 00:33:18,960  
because he's just like yelling and

811  
00:33:22,789 --> 00:33:20,960  
screaming for no reason and like i used

812  
00:33:25,509 --> 00:33:22,799  
to watch him i have it

813  
00:33:26,230 --> 00:33:25,519

not too much cocaine too much cocaine

814

00:33:28,389 --> 00:33:26,240

yeah

815

00:33:30,149 --> 00:33:28,399

then we have uh here we have dan hogan

816

00:33:33,350 --> 00:33:30,159

is joining the stream

817

00:33:36,549 --> 00:33:33,360

local guests there's dan hogan

818

00:33:38,950 --> 00:33:36,559

hey dan logan so dan hogan

819

00:33:39,669 --> 00:33:38,960

what do you think about this about these

820

00:33:40,789 --> 00:33:39,679

recent

821

00:33:42,470 --> 00:33:40,799

things that have happened with the

822

00:33:43,269 --> 00:33:42,480

censorship with facebook and twitter

823

00:33:45,110 --> 00:33:43,279

stopping people

824

00:33:47,029 --> 00:33:45,120

and by the way twitter had an amazing

825

00:33:47,590 --> 00:33:47,039

reversal now they're letting people

826  
00:33:49,590 --> 00:33:47,600  
share it

827  
00:33:50,870 --> 00:33:49,600  
and they basically said yeah we didn't

828  
00:33:52,230 --> 00:33:50,880  
handle this well

829  
00:33:54,470 --> 00:33:52,240  
but i think it was like a barbra

830  
00:33:56,070 --> 00:33:54,480  
streisand effect more people saw it for

831  
00:33:57,110 --> 00:33:56,080  
them having banned everybody from

832  
00:33:58,389 --> 00:33:57,120  
sharing it

833  
00:34:00,950 --> 00:33:58,399  
and what do you think of the youtube

834  
00:34:03,110 --> 00:34:00,960  
purge dan hogan

835  
00:34:04,710 --> 00:34:03,120  
you know i don't i don't know it's kind

836  
00:34:05,269 --> 00:34:04,720  
of like a slippery slope to me because i

837  
00:34:06,710 --> 00:34:05,279  
mean

838  
00:34:08,230 --> 00:34:06,720

the way that i've always looked at it is

839

00:34:09,829 --> 00:34:08,240

twitter and facebook and all of these

840

00:34:10,869 --> 00:34:09,839

social media companies are private

841

00:34:13,109 --> 00:34:10,879

entities

842

00:34:13,909 --> 00:34:13,119

so it's kind of like when you join you

843

00:34:15,750 --> 00:34:13,919

know you're

844

00:34:17,109 --> 00:34:15,760

you're adhering to a certain you know

845

00:34:19,109 --> 00:34:17,119

term of service like i think you had

846

00:34:20,950 --> 00:34:19,119

mentioned before so it's kind of like

847

00:34:22,629 --> 00:34:20,960

what you say on there can't have

848

00:34:24,149 --> 00:34:22,639

consequence because they can

849

00:34:26,069 --> 00:34:24,159

kick your ass off of the platform

850

00:34:27,669 --> 00:34:26,079

because it's their company

851  
00:34:28,790 --> 00:34:27,679  
i mean you know there's a lot of people

852  
00:34:29,349 --> 00:34:28,800  
who would argue the whole first

853  
00:34:31,030 --> 00:34:29,359  
amendment

854  
00:34:32,310 --> 00:34:31,040  
you know freedom of speech part of it

855  
00:34:33,829 --> 00:34:32,320  
and i'm not saying that there's not an

856  
00:34:35,270 --> 00:34:33,839  
argument to be had there but i mean i

857  
00:34:36,869 --> 00:34:35,280  
guess at the end of the day

858  
00:34:38,629 --> 00:34:36,879  
you know if you're a i guess

859  
00:34:40,470 --> 00:34:38,639  
conservative voice

860  
00:34:41,990 --> 00:34:40,480  
um you know i mean there's always

861  
00:34:44,629 --> 00:34:42,000  
another you can create a

862  
00:34:45,990 --> 00:34:44,639  
another you know platform to to have

863  
00:34:47,750 --> 00:34:46,000

those kind of opinions where you're not

864

00:34:49,349 --> 00:34:47,760

going to get drowned out so i don't

865

00:34:51,030 --> 00:34:49,359

i don't agree with it i guess at the end

866

00:34:52,550 --> 00:34:51,040

of the day but at the same time like it

867

00:34:53,669 --> 00:34:52,560

is their company it's their terms of

868

00:34:55,349 --> 00:34:53,679

service if

869

00:34:56,790 --> 00:34:55,359

if you can't follow the rules then i

870

00:34:58,470 --> 00:34:56,800

guess like you know they're gonna

871

00:35:00,150 --> 00:34:58,480

they're gonna do what they're gonna do

872

00:35:02,950 --> 00:35:00,160

yeah you know edge of wonder is

873

00:35:03,670 --> 00:35:02,960

interesting case to me because if it's

874

00:35:05,910 --> 00:35:03,680

pretty much

875

00:35:07,510 --> 00:35:05,920

a proven fact that they're some sort

876

00:35:07,990 --> 00:35:07,520

like they put themselves out there like

877

00:35:09,910 --> 00:35:08,000

we're

878

00:35:12,150 --> 00:35:09,920

independent content creators but they're

879

00:35:13,750 --> 00:35:12,160

really part of a propaganda arm of a

880

00:35:15,990 --> 00:35:13,760

chinese cult

881

00:35:17,589 --> 00:35:16,000

you know to me that should be enough to

882

00:35:19,349 --> 00:35:17,599

get their channel deleted like you're

883

00:35:21,589 --> 00:35:19,359

masquerading as independent content

884

00:35:24,150 --> 00:35:21,599

creators while you have these

885

00:35:25,349 --> 00:35:24,160

this falun gong overlords you know

886

00:35:26,950 --> 00:35:25,359

financing you

887

00:35:28,630 --> 00:35:26,960

there's no way they weren't financed and

888

00:35:30,950 --> 00:35:28,640

they were botted out the wazoo

889

00:35:32,710 --> 00:35:30,960

too so when they said they had no policy

890

00:35:35,430 --> 00:35:32,720

violations i just kind of laughed like

891

00:35:38,630 --> 00:35:35,440

how could you have no policy violation

892

00:35:40,550 --> 00:35:38,640

you know yeah and but you know what all

893

00:35:41,589 --> 00:35:40,560

of the social media stuff isn't a

894

00:35:43,510 --> 00:35:41,599

democracy

895

00:35:44,630 --> 00:35:43,520

yeah you have no right yeah i guess

896

00:35:46,710 --> 00:35:44,640

you're right yeah

897

00:35:48,230 --> 00:35:46,720

they can do what the hell they want and

898

00:35:50,390 --> 00:35:48,240

they do

899

00:35:52,390 --> 00:35:50,400

and they're showing you it big time and

900

00:35:55,750 --> 00:35:52,400

i'm wondering if

901  
00:35:58,630 --> 00:35:55,760  
uh the twitter going down for all those

902  
00:35:59,270 --> 00:35:58,640  
hours has anything to do with that do

903  
00:36:03,109 --> 00:35:59,280  
you think that's

904  
00:36:04,870 --> 00:36:03,119  
related it could be yeah i mean uh

905  
00:36:07,270 --> 00:36:04,880  
you know there was some and that's funny

906  
00:36:10,230 --> 00:36:07,280  
donald trump he's such an idiot

907  
00:36:11,190 --> 00:36:10,240  
he uh uh spooky is here let's add spooky

908  
00:36:14,550 --> 00:36:11,200  
to the stream

909  
00:36:16,230 --> 00:36:14,560  
but i don't see your uh we don't

910  
00:36:17,990 --> 00:36:16,240  
we don't see you we just hear you yeah

911  
00:36:19,030 --> 00:36:18,000  
but that's okay turn the camera off

912  
00:36:22,230 --> 00:36:19,040  
because it's the middle of the night and

913  
00:36:25,510 --> 00:36:23,990

is my mic a lot better than the last one

914

00:36:27,589 --> 00:36:25,520

i think i fixed it

915

00:36:28,710 --> 00:36:27,599

yeah it's okay it sounds good here i

916

00:36:31,349 --> 00:36:28,720

hear you

917

00:36:31,910 --> 00:36:31,359

cool so why did you get c.w chainer

918

00:36:35,109 --> 00:36:31,920

naked

919

00:36:37,190 --> 00:36:35,119

i missed it what happened he said if

920

00:36:38,390 --> 00:36:37,200

i put on a wife beer that he would take

921

00:36:42,150 --> 00:36:38,400

his shirt off because he didn't have a

922

00:36:46,150 --> 00:36:42,160

wife beater so i called him on it and

923

00:36:51,910 --> 00:36:48,710

i haven't seen a c.w chanter naked in

924

00:36:56,790 --> 00:36:54,790

a few years ago i got him and shadow

925

00:36:58,230 --> 00:36:56,800

zone productions to take off their

926

00:37:01,109 --> 00:36:58,240

shirts at the same time

927

00:37:02,710 --> 00:37:01,119

live on cw's show that was the last time

928

00:37:06,230 --> 00:37:02,720

i saw him without a shirt

929

00:37:06,710 --> 00:37:06,240

um yeah we're just i'm just putting up

930

00:37:09,910 --> 00:37:06,720

some

931

00:37:13,109 --> 00:37:12,310

yeah it's interesting q was determined

932

00:37:16,630 --> 00:37:13,119

to be like

933

00:37:19,750 --> 00:37:16,640

a potential threat by homeland security

934

00:37:21,190 --> 00:37:19,760

but you know my my issue i i understand

935

00:37:21,990 --> 00:37:21,200

all the arguments about these are

936

00:37:24,069 --> 00:37:22,000

private companies

937

00:37:25,190 --> 00:37:24,079

they can do what they want but my issue

938

00:37:27,589 --> 00:37:25,200

is that they don't

939

00:37:29,270 --> 00:37:27,599

enforce whatever policies that they're

940

00:37:31,829 --> 00:37:29,280

claiming they're enforcing equally

941

00:37:32,470 --> 00:37:31,839

like for example oh yeah and just a

942

00:37:34,710 --> 00:37:32,480

correction

943

00:37:36,069 --> 00:37:34,720

on the show the previous show i

944

00:37:37,670 --> 00:37:36,079

mentioned that the hard drive

945

00:37:39,349 --> 00:37:37,680

hundred biden's hard drive may have been

946

00:37:41,510 --> 00:37:39,359

illegally obtained

947

00:37:43,270 --> 00:37:41,520

and that's the excuse that twitter used

948

00:37:45,589 --> 00:37:43,280

that this may be hacked material we're

949

00:37:49,190 --> 00:37:45,599

not gonna let people share that article

950

00:37:50,069 --> 00:37:49,200

but uh donald trump's donald trump's tax

951  
00:37:53,430 --> 00:37:50,079  
returns were

952  
00:37:56,150 --> 00:37:53,440  
for sure illegally obtained and you know

953  
00:37:58,150 --> 00:37:56,160  
uh they let everybody share that story

954  
00:37:59,910 --> 00:37:58,160  
and it turns out that the hard drive was

955  
00:38:01,589 --> 00:37:59,920  
legally obtained because it was left at

956  
00:38:03,030 --> 00:38:01,599  
a repair shop for more than

957  
00:38:05,190 --> 00:38:03,040  
a certain amount of time you sign a

958  
00:38:06,390 --> 00:38:05,200  
contract i know this i fix computers if

959  
00:38:08,550 --> 00:38:06,400  
you drop your lap off

960  
00:38:11,270 --> 00:38:08,560  
laptop off to me and you don't pick it

961  
00:38:13,910 --> 00:38:11,280  
up after 90 days or pay me for the work

962  
00:38:15,430 --> 00:38:13,920  
you sign a contract that's my laptop now

963  
00:38:16,710 --> 00:38:15,440

so that's what happened it was not

964

00:38:18,710 --> 00:38:16,720

hacked material

965

00:38:20,470 --> 00:38:18,720

so the way they enforce these things and

966

00:38:22,870 --> 00:38:20,480

you can share any dirt

967

00:38:24,630 --> 00:38:22,880

that you want on the on the right side

968

00:38:26,310 --> 00:38:24,640

right you can share any dirt you want on

969

00:38:27,349 --> 00:38:26,320

donald trump they'll never step in and

970

00:38:29,510 --> 00:38:27,359

stop you

971

00:38:30,870 --> 00:38:29,520

but now that it affected the candidate

972

00:38:32,150 --> 00:38:30,880

that they're backing

973

00:38:34,710 --> 00:38:32,160

suddenly they're enforcing these

974

00:38:37,030 --> 00:38:34,720

policies does everybody think they're

975

00:38:40,390 --> 00:38:37,040

enforcing them equally or not

976

00:38:42,710 --> 00:38:40,400

no i don't think they are well i i think

977

00:38:45,430 --> 00:38:42,720

time will tell if it's equal it only

978

00:38:47,910 --> 00:38:45,440

just started you know the bombshell hit

979

00:38:48,950 --> 00:38:47,920

just when yesterday was that one yeah

980

00:38:50,950 --> 00:38:48,960

and i i have

981

00:38:52,790 --> 00:38:50,960

i have a source that that i trust that

982

00:38:54,310 --> 00:38:52,800

told me there's so much more on that

983

00:38:57,670 --> 00:38:54,320

hard drive to come

984

00:38:59,109 --> 00:38:57,680

like terrible terrible bombshells and

985

00:39:00,710 --> 00:38:59,119

rudy giuliani

986

00:39:02,870 --> 00:39:00,720

this bothers me a little bit mr

987

00:39:04,630 --> 00:39:02,880

politician is saying well 10 days before

988

00:39:05,670 --> 00:39:04,640

the election i'm going to drop the big

989

00:39:07,030 --> 00:39:05,680

smoking gun

990

00:39:09,109 --> 00:39:07,040

from this hard drive like why don't you

991

00:39:11,270 --> 00:39:09,119

just drop it now and then

992

00:39:13,430 --> 00:39:11,280

this whole story is crazy like the fbi

993

00:39:15,030 --> 00:39:13,440

had that hard drive for a year

994

00:39:16,790 --> 00:39:15,040

and they didn't do anything about it or

995

00:39:17,190 --> 00:39:16,800

with it or nobody heard anything about

996

00:39:19,190 --> 00:39:17,200

it

997

00:39:20,870 --> 00:39:19,200

and again people say like this policy

998

00:39:23,030 --> 00:39:20,880

about hacked material

999

00:39:25,430 --> 00:39:23,040

i have to trust wikileaks to tell me

1000

00:39:27,670 --> 00:39:25,440

what my government is they were killing

1001  
00:39:27,990 --> 00:39:27,680  
innocent civilians women and children

1002  
00:39:30,470 --> 00:39:28,000  
with

1003  
00:39:31,589 --> 00:39:30,480  
drone strikes i had to hear about that

1004  
00:39:34,550 --> 00:39:31,599  
from hacked

1005  
00:39:35,349 --> 00:39:34,560  
emails from wikileaks so in order to get

1006  
00:39:37,589 --> 00:39:35,359  
the truth

1007  
00:39:39,030 --> 00:39:37,599  
you know what is the lesser of two evils

1008  
00:39:41,670 --> 00:39:39,040  
sharing a hacked email

1009  
00:39:43,109 --> 00:39:41,680  
or killing people with drone strikes

1010  
00:39:44,550 --> 00:39:43,119  
right like i want to know my

1011  
00:39:46,790 --> 00:39:44,560  
government's doing that so i don't

1012  
00:39:49,109 --> 00:39:46,800  
really care if it's hacked material

1013  
00:39:49,910 --> 00:39:49,119

if it's the truth we should all get to

1014

00:39:52,790 --> 00:39:49,920

see it

1015

00:39:55,430 --> 00:39:52,800

judge for ourselves that's my view of it

1016

00:39:57,829 --> 00:39:55,440

boy it blows my mind that we have these

1017

00:39:59,910 --> 00:39:57,839

sorts of conversations today

1018

00:40:01,670 --> 00:39:59,920

yeah yeah but the whole the whole

1019

00:40:02,870 --> 00:40:01,680

thing's a dumpster fire though because

1020

00:40:05,670 --> 00:40:02,880

like i mean i'm not

1021

00:40:06,630 --> 00:40:05,680

i you know the way i look at it is

1022

00:40:11,190 --> 00:40:06,640

there's obviously

1023

00:40:12,150 --> 00:40:11,200

stuff that's going on with trump and his

1024

00:40:13,910 --> 00:40:12,160

family i mean like

1025

00:40:15,349 --> 00:40:13,920

you can't really i mean you can argue

1026  
00:40:17,750 --> 00:40:15,359  
that they're both

1027  
00:40:19,109 --> 00:40:17,760  
there's criminality in in all of it and

1028  
00:40:20,630 --> 00:40:19,119  
that's like the state of affairs in

1029  
00:40:22,870 --> 00:40:20,640  
america today is that

1030  
00:40:24,069 --> 00:40:22,880  
this is who we have to choose from to be

1031  
00:40:26,150 --> 00:40:24,079  
the president of the united

1032  
00:40:27,349 --> 00:40:26,160  
states this is the best that both sides

1033  
00:40:29,990 --> 00:40:27,359  
can do which is really

1034  
00:40:31,910 --> 00:40:30,000  
scary 300 million people these are the

1035  
00:40:33,829 --> 00:40:31,920  
best two guys that we could put out

1036  
00:40:35,750 --> 00:40:33,839  
there to represent our country that's

1037  
00:40:38,150 --> 00:40:35,760  
that's what's really sad about it isn't

1038  
00:40:40,069 --> 00:40:38,160

that sad it's been sad for a long time

1039

00:40:41,270 --> 00:40:40,079

you know the first time we put an actor

1040

00:40:43,270 --> 00:40:41,280

in the white house

1041

00:40:45,030 --> 00:40:43,280

you know that just well we had him as

1042

00:40:46,950 --> 00:40:45,040

our governor here in california first

1043

00:40:49,109 --> 00:40:46,960

and i said i thought at the time

1044

00:40:50,470 --> 00:40:49,119

okay he's charming he's dashing he's a

1045

00:40:53,750 --> 00:40:50,480

great cowboy

1046

00:40:55,270 --> 00:40:53,760

uh he he was married to america's image

1047

00:40:58,150 --> 00:40:55,280

of anorexia

1048

00:40:59,589 --> 00:40:58,160

and then we got into the white house for

1049

00:41:03,510 --> 00:40:59,599

christ's sake

1050

00:41:05,750 --> 00:41:03,520

um that's when it really went south

1051  
00:41:07,670 --> 00:41:05,760  
for me and now i don't know i was like a

1052  
00:41:09,910 --> 00:41:07,680  
child when ronald reagan was uh

1053  
00:41:11,430 --> 00:41:09,920  
was president but i kind of remember

1054  
00:41:11,990 --> 00:41:11,440  
liking him and thinking that he had

1055  
00:41:14,470 --> 00:41:12,000  
balls

1056  
00:41:16,390 --> 00:41:14,480  
and he had class and he and he stood up

1057  
00:41:18,790 --> 00:41:16,400  
for the american people

1058  
00:41:20,710 --> 00:41:18,800  
you know he was an actor sweetheart yeah

1059  
00:41:21,829 --> 00:41:20,720  
yeah yeah he knew how to work a room for

1060  
00:41:25,190 --> 00:41:21,839  
sure right

1061  
00:41:26,470 --> 00:41:25,200  
for sure and he could even he could even

1062  
00:41:28,790 --> 00:41:26,480  
keep going when he

1063  
00:41:30,470 --> 00:41:28,800

developed alzheimer's he uh toward the

1064

00:41:32,950 --> 00:41:30,480

end of his term he definitely had

1065

00:41:34,950 --> 00:41:32,960

dementia and then nancy took over

1066

00:41:38,309 --> 00:41:34,960

and was his mouthpiece and kind of

1067

00:41:44,710 --> 00:41:41,510

you know but boy it's been so bizarre

1068

00:41:46,390 --> 00:41:44,720

ever since then you know yeah you know

1069

00:41:49,190 --> 00:41:46,400

what's funny is i was thinking about

1070

00:41:49,670 --> 00:41:49,200

i was thinking about february of this

1071

00:41:51,430 --> 00:41:49,680

year

1072

00:41:53,109 --> 00:41:51,440

and like how different and it's only

1073

00:41:55,190 --> 00:41:53,119

just last february

1074

00:41:56,390 --> 00:41:55,200

like how different the world was in

1075

00:41:58,309 --> 00:41:56,400

february

1076

00:42:00,470 --> 00:41:58,319

yeah it feels like five years yeah it

1077

00:42:01,270 --> 00:42:00,480

feels like 2020 is like we're five years

1078

00:42:03,910 --> 00:42:01,280

in and it's still

1079

00:42:05,829 --> 00:42:03,920

i can't wait until new year's because

1080

00:42:06,550 --> 00:42:05,839

i'm hopeful that that'll be like a purge

1081

00:42:08,309 --> 00:42:06,560

of this [h\_\_\h]

1082

00:42:09,750 --> 00:42:08,319

show year and next year's gotta be

1083

00:42:11,990 --> 00:42:09,760

better but i'm i

1084

00:42:14,470 --> 00:42:12,000

then i go i'm gonna jinx it if i think

1085

00:42:17,109 --> 00:42:14,480

that right

1086

00:42:19,349 --> 00:42:17,119

2020 is just the appetizer for the main

1087

00:42:22,950 --> 00:42:19,359

the main entree of 2021.

1088

00:42:25,510 --> 00:42:22,960

god don't say that yeah

1089

00:42:27,030 --> 00:42:25,520

just go to 130. skip the next 10 years

1090

00:42:28,710 --> 00:42:27,040

yeah if i ever wished i had a time

1091

00:42:29,990 --> 00:42:28,720

machine it was right now just so i could

1092

00:42:32,790 --> 00:42:30,000

go check what's going to happen

1093

00:42:34,390 --> 00:42:32,800

next year or do we go live out our lives

1094

00:42:35,510 --> 00:42:34,400

like if we could just travel back in

1095

00:42:37,990 --> 00:42:35,520

time

1096

00:42:38,870 --> 00:42:38,000

before all this technology and [h\_\_h] i'd

1097

00:42:42,069 --> 00:42:38,880

be fine

1098

00:42:42,550 --> 00:42:42,079

i want to go back to the 80s that decade

1099

00:42:46,790 --> 00:42:42,560

was

1100

00:42:48,710 --> 00:42:46,800

teenagers you know

1101  
00:42:50,309 --> 00:42:48,720  
we went through all that stuff they had

1102  
00:42:53,349 --> 00:42:50,319  
that crazy hair

1103  
00:42:56,230 --> 00:42:53,359  
and uh yeah i want to go back to it was

1104  
00:42:58,870 --> 00:42:56,240  
so much more simple than

1105  
00:43:00,790 --> 00:42:58,880  
i i'm talking like an old freaking lady

1106  
00:43:04,230 --> 00:43:00,800  
but i am

1107  
00:43:06,550 --> 00:43:04,240  
yeah i didn't ask spooky what do you

1108  
00:43:07,589 --> 00:43:06,560  
what did you think of twitter and uh and

1109  
00:43:10,069 --> 00:43:07,599  
facebook

1110  
00:43:12,230 --> 00:43:10,079  
censoring those new york post articles

1111  
00:43:13,670 --> 00:43:12,240  
and what did you think of the purge

1112  
00:43:16,550 --> 00:43:13,680  
the youtube purge where all these

1113  
00:43:19,670 --> 00:43:16,560

channels like thinking about it

1114

00:43:21,430 --> 00:43:19,680

and i'm thinking about how when we sign

1115

00:43:24,230 --> 00:43:21,440

up for accounts on these platforms

1116

00:43:25,430 --> 00:43:24,240

we're you know we're not reading the

1117

00:43:27,109 --> 00:43:25,440

terms and conditions we're just

1118

00:43:28,710 --> 00:43:27,119

scrolling and clicking and going yeah

1119

00:43:33,670 --> 00:43:28,720

that 10-page euler

1120

00:43:37,030 --> 00:43:35,990

we're seeding control of the public

1121

00:43:39,510 --> 00:43:37,040

space to these

1122

00:43:42,069 --> 00:43:39,520

private entities and we're not bothering

1123

00:43:45,430 --> 00:43:42,079

to read what we're signing over

1124

00:43:47,190 --> 00:43:45,440

and but culturally we're ignoring

1125

00:43:48,790 --> 00:43:47,200

like going outside and talking to people

1126

00:43:50,630 --> 00:43:48,800

face to face and

1127

00:43:53,030 --> 00:43:50,640

creating this new public space that

1128

00:43:55,030 --> 00:43:53,040

we've seen control over

1129

00:43:57,349 --> 00:43:55,040

to these private entities that's where

1130

00:43:59,270 --> 00:43:57,359

all of the discourse is now happening

1131

00:44:02,309 --> 00:43:59,280

yeah but it hasn't been instilled with

1132

00:44:05,510 --> 00:44:02,319

human ethics

1133

00:44:07,510 --> 00:44:05,520

it's capitalist ethics and it doesn't

1134

00:44:10,550 --> 00:44:07,520

yeah but i think it's funny that that

1135

00:44:13,109 --> 00:44:10,560

both twitter and facebook have uh

1136

00:44:14,390 --> 00:44:13,119

have a lawyer whose job it is to work on

1137

00:44:17,589 --> 00:44:14,400

their corporate ethics

1138

00:44:20,309 --> 00:44:17,599

but i really think it's just it's just

1139

00:44:22,230 --> 00:44:20,319

how they're uh you know defending the

1140

00:44:25,270 --> 00:44:22,240

ethics that they choose to have which

1141

00:44:26,710 --> 00:44:25,280

may be good or bad for the user if if

1142

00:44:28,710 --> 00:44:26,720

you really want to if you really want to

1143

00:44:29,270 --> 00:44:28,720

go crazy into the world of technology

1144

00:44:31,510 --> 00:44:29,280

and why

1145

00:44:32,710 --> 00:44:31,520

everybody how badly you're getting

1146

00:44:34,829 --> 00:44:32,720

[h\_\_\h]

1147

00:44:36,150 --> 00:44:34,839

go listen to a lecture by richard

1148

00:44:38,150 --> 00:44:36,160

stallman

1149

00:44:39,510 --> 00:44:38,160

he will change your life like i grew up

1150

00:44:41,270 --> 00:44:39,520

listening to this guy

1151  
00:44:43,270 --> 00:44:41,280  
and i agree with them mostly that these

1152  
00:44:45,589 --> 00:44:43,280  
companies just abuse us

1153  
00:44:47,829 --> 00:44:45,599  
and use our data to profit and they

1154  
00:44:50,069 --> 00:44:47,839  
should be avoided at all costs but then

1155  
00:44:51,030 --> 00:44:50,079  
real life like you kind of need it now

1156  
00:44:54,710 --> 00:44:51,040  
you can't really

1157  
00:44:56,950 --> 00:44:54,720  
yeah yeah and the allure is great

1158  
00:44:59,430 --> 00:44:56,960  
you know you get so many you know what

1159  
00:45:02,309 --> 00:44:59,440  
do you get your endorphins you know from

1160  
00:45:02,790 --> 00:45:02,319  
responses from the stuff and interacting

1161  
00:45:06,550 --> 00:45:02,800  
uh

1162  
00:45:09,910 --> 00:45:06,560  
you know i think it's a hoot yeah

1163  
00:45:11,829 --> 00:45:09,920

i use social media and yeah

1164

00:45:13,270 --> 00:45:11,839

they're trying to sell me [h\_\_h] and

1165

00:45:16,069 --> 00:45:13,280

they're collecting my data

1166

00:45:16,870 --> 00:45:16,079

but see i get the balance of the

1167

00:45:19,430 --> 00:45:16,880

pleasure

1168

00:45:21,270 --> 00:45:19,440

of communicating with my granddaughter

1169

00:45:24,790 --> 00:45:21,280

with my children with

1170

00:45:28,550 --> 00:45:24,800

old friends and i get to show off on

1171

00:45:32,950 --> 00:45:28,560

youtube and uh show my

1172

00:45:34,950 --> 00:45:32,960

you know so there is an allure and there

1173

00:45:38,470 --> 00:45:34,960

is a payoff

1174

00:45:40,069 --> 00:45:38,480

for the users and i i don't use that

1175

00:45:42,630 --> 00:45:40,079

term lightly you know oh

1176  
00:45:44,630 --> 00:45:42,640  
stephen you're the one who uh talked

1177  
00:45:47,990 --> 00:45:44,640  
about watching

1178  
00:45:49,510 --> 00:45:48,000  
that netflix that um the social dilemma

1179  
00:45:51,670 --> 00:45:49,520  
yeah social dilemma

1180  
00:45:52,950 --> 00:45:51,680  
yeah we're all like answers and i i'm a

1181  
00:45:55,990 --> 00:45:52,960  
user uh and i

1182  
00:45:59,990 --> 00:45:56,000  
i'm it gives me great pleasure

1183  
00:46:02,630 --> 00:46:00,000  
and yeah i every detail of my life

1184  
00:46:04,150 --> 00:46:02,640  
is probably on a you know in the cloud

1185  
00:46:09,589 --> 00:46:04,160  
in a little speck somewhere

1186  
00:46:13,990 --> 00:46:12,230  
yeah i remember yeah i remember when

1187  
00:46:16,230 --> 00:46:14,000  
gmail and things like that were first

1188  
00:46:17,270 --> 00:46:16,240

becoming popular and i avoided them at

1189

00:46:20,230 --> 00:46:17,280

all costs because

1190

00:46:21,510 --> 00:46:20,240

at that time i was again i can mention

1191

00:46:23,030 --> 00:46:21,520

richard stallman like i was a big

1192

00:46:24,550 --> 00:46:23,040

supporter of free software and not

1193

00:46:24,870 --> 00:46:24,560

letting these corporations get control

1194

00:46:27,349 --> 00:46:24,880

of

1195

00:46:29,109 --> 00:46:27,359

us or read our own personal like why

1196

00:46:30,950 --> 00:46:29,119

would i sign up they're going to read my

1197

00:46:31,589 --> 00:46:30,960

own personal email and then target ads

1198

00:46:33,670 --> 00:46:31,599

to me

1199

00:46:35,430 --> 00:46:33,680

but a few years goes by and every friend

1200

00:46:37,430 --> 00:46:35,440

you have is on gmail

1201

00:46:39,190 --> 00:46:37,440

and then they had the messenger on gmail

1202

00:46:40,230 --> 00:46:39,200

then they had google hangouts it's like

1203

00:46:43,109 --> 00:46:40,240

they entice you

1204

00:46:45,750 --> 00:46:43,119

with this product that may enhance your

1205

00:46:48,069 --> 00:46:45,760

life or may be beneficial to you

1206

00:46:49,030 --> 00:46:48,079

and then they start deleting the fun

1207

00:46:51,270 --> 00:46:49,040

stuff

1208

00:46:52,550 --> 00:46:51,280

yeah yeah and and then they start the

1209

00:46:54,550 --> 00:46:52,560

abuse process

1210

00:46:55,670 --> 00:46:54,560

right yeah but you know it's like

1211

00:46:58,630 --> 00:46:55,680

boiling lobsters

1212

00:46:59,109 --> 00:46:58,640

or boiling frogs yeah we don't it we

1213

00:47:01,150 --> 00:46:59,119

don't

1214

00:47:02,309 --> 00:47:01,160

feel it right away it's just an

1215

00:47:05,670 --> 00:47:02,319

inconvenience

1216

00:47:07,829 --> 00:47:05,680

so it's very nicely calculated so that

1217

00:47:11,829 --> 00:47:07,839

we don't get slapped in the head

1218

00:47:15,190 --> 00:47:11,839

that we're being controlled um

1219

00:47:16,550 --> 00:47:15,200

you know so it's a gradual process

1220

00:47:18,230 --> 00:47:16,560

i don't know who this is in the live

1221

00:47:21,349 --> 00:47:18,240

chat but they made my night

1222

00:47:23,510 --> 00:47:21,359

good looking honky says steve

1223

00:47:24,549 --> 00:47:23,520

are we dressing up like joey ramon again

1224

00:47:26,710 --> 00:47:24,559

for halloween

1225

00:47:28,710 --> 00:47:26,720

i guess i look like joey ramon every day

1226

00:47:30,870 --> 00:47:28,720

so good to go

1227

00:47:31,990 --> 00:47:30,880

no kidding i was trying to place that

1228

00:47:35,349 --> 00:47:32,000

look oh

1229

00:47:37,430 --> 00:47:35,359

good looking honky right on and what a

1230

00:47:37,990 --> 00:47:37,440

great avatar and what a great handle

1231

00:47:41,349 --> 00:47:38,000

good looking

1232

00:47:41,670 --> 00:47:41,359

honky you know i think he should go into

1233

00:47:50,829 --> 00:47:41,680

like

1234

00:47:52,790 --> 00:47:50,839

you know that would be fun loud and

1235

00:47:54,710 --> 00:47:52,800

proud

1236

00:47:57,510 --> 00:47:54,720

yeah and i think we lost somehow we lost

1237

00:47:59,670 --> 00:47:57,520

dan hogan so if he wants to join back in

1238

00:48:02,309 --> 00:47:59,680

oh his computer just randomly rebooted

1239

00:48:05,430 --> 00:48:02,319

uh i have given the oh we have one more

1240

00:48:10,549 --> 00:48:05,440

person joining here let's see

1241

00:48:14,630 --> 00:48:13,190

how jesus is here i'm sorry my dog's

1242

00:48:18,829 --> 00:48:14,640

going crazy

1243

00:48:30,230 --> 00:48:18,839

that's fine i love the avatar i love

1244

00:48:33,829 --> 00:48:31,589

your dog that's speaking in the

1245

00:48:36,870 --> 00:48:33,839

background how cool is that hi bing jeez

1246

00:48:39,829 --> 00:48:36,880

it's been a long time

1247

00:48:42,069 --> 00:48:39,839

yeah guys i've been a bit um a bit

1248

00:48:44,309 --> 00:48:42,079

unwell but like i've had um

1249

00:48:45,910 --> 00:48:44,319

like super bad allergies and stuff and

1250

00:48:46,309 --> 00:48:45,920

you can probably hear them a bit nasally

1251

00:48:47,589 --> 00:48:46,319

still

1252

00:48:49,510 --> 00:48:47,599

you know i think that's what's going on

1253

00:48:50,309 --> 00:48:49,520

with me and it's scary because i'm like

1254

00:48:51,990 --> 00:48:50,319

is this just

1255

00:48:53,829 --> 00:48:52,000

every year when the seasons change i get

1256

00:48:55,030 --> 00:48:53,839

a couple of sore throats and you know

1257

00:48:56,549 --> 00:48:55,040

like my eyes itch

1258

00:48:59,990 --> 00:48:56,559

and i think that's all it was but with

1259

00:49:03,750 --> 00:49:00,000

this covid i was freaking out like uh oh

1260

00:49:04,470 --> 00:49:03,760

you know yeah doubling up on the

1261

00:49:06,549 --> 00:49:04,480

vitamins

1262

00:49:07,829 --> 00:49:06,559

for the last couple of days and you know

1263

00:49:09,750 --> 00:49:07,839

what um

1264

00:49:11,030 --> 00:49:09,760

that's probably the best thing you can

1265

00:49:14,630 --> 00:49:11,040

do

1266

00:49:15,589 --> 00:49:14,640

you know it can't hurt and it's only

1267

00:49:17,030 --> 00:49:15,599

good for you

1268

00:49:19,190 --> 00:49:17,040

and you know why not be a little

1269

00:49:22,390 --> 00:49:19,200

proactive instead of

1270

00:49:25,349 --> 00:49:22,400

going oh [h\_\_h] i'm going to die

1271

00:49:26,630 --> 00:49:25,359

yeah that's my that's my that's my go-to

1272

00:49:28,790 --> 00:49:26,640

i don't know what it is it's like

1273

00:49:30,309 --> 00:49:28,800

i'm terrified of this like some people i

1274

00:49:31,910 --> 00:49:30,319

know especially

1275

00:49:33,750 --> 00:49:31,920

up here in the mountains where the cabin

1276

00:49:35,109 --> 00:49:33,760

is i gotta say the people around here

1277

00:49:38,710 --> 00:49:35,119

just don't give a [h\_\_\h]

1278

00:49:40,390 --> 00:49:38,720

they have like there's gas stations here

1279

00:49:42,309 --> 00:49:40,400

where if you walk into the gas station

1280

00:49:43,670 --> 00:49:42,319

with a mask on the owner of the gas

1281

00:49:44,390 --> 00:49:43,680

station will be like what are you a

1282

00:49:46,230 --> 00:49:44,400

[h\_\_\h]

1283

00:49:47,750 --> 00:49:46,240

this is all fake they don't believe it

1284

00:49:49,510 --> 00:49:47,760

they're not scared of it

1285

00:49:51,190 --> 00:49:49,520

and then we're supposed to they're

1286

00:49:52,950 --> 00:49:51,200

supposed to have 50 50

1287

00:49:54,630 --> 00:49:52,960

like they can only have 50 of the

1288

00:49:56,150 --> 00:49:54,640

restaurants filled they don't care

1289

00:49:57,990 --> 00:49:56,160

every seat in the restaurant is filled

1290

00:50:00,309 --> 00:49:58,000

people are packed in there and and i'm

1291

00:50:01,430 --> 00:50:00,319

scared i'm scared of this thing so i'm

1292

00:50:03,510 --> 00:50:01,440

wearing the mask i'm

1293

00:50:05,109 --> 00:50:03,520

i have hand sanitizer all the time in my

1294

00:50:07,109 --> 00:50:05,119

car anytime i get out of my car and

1295

00:50:07,829 --> 00:50:07,119

touch something like an atm or a gas

1296

00:50:11,190 --> 00:50:07,839

pump

1297

00:50:13,109 --> 00:50:11,200

hand sanitizer you know

1298

00:50:14,390 --> 00:50:13,119

darling it's because you're not one of

1299

00:50:15,990 --> 00:50:14,400

them yeah

1300

00:50:17,990 --> 00:50:16,000

and i have children i have a child that

1301  
00:50:18,790 --> 00:50:18,000  
has asthma too so he's high risk and

1302  
00:50:20,630 --> 00:50:18,800  
plus

1303  
00:50:21,990 --> 00:50:20,640  
i have a mother-in-law that's like 80

1304  
00:50:23,910 --> 00:50:22,000  
years old

1305  
00:50:25,349 --> 00:50:23,920  
and i don't want to that would be the

1306  
00:50:26,710 --> 00:50:25,359  
worst thing to bring

1307  
00:50:28,630 --> 00:50:26,720  
something to somebody that couldn't

1308  
00:50:30,630 --> 00:50:28,640  
handle it right even if it doesn't kill

1309  
00:50:32,950 --> 00:50:30,640  
me or get me real sick what if i

1310  
00:50:33,990 --> 00:50:32,960  
transmit it to somebody so i'm trying to

1311  
00:50:37,109 --> 00:50:34,000  
be very

1312  
00:50:40,549 --> 00:50:37,119  
cautious yeah and you even

1313  
00:50:41,990 --> 00:50:40,559

if it was just regular flu you wouldn't

1314

00:50:43,750 --> 00:50:42,000

want to take the risk

1315

00:50:45,589 --> 00:50:43,760

yeah vanessa thor says it's called being

1316

00:50:45,910 --> 00:50:45,599

smart and setting your ego aside yeah

1317

00:50:49,430 --> 00:50:45,920

it's

1318

00:50:50,870 --> 00:50:49,440

much i would

1319

00:50:52,390 --> 00:50:50,880

i have some pre-existing health

1320

00:50:53,910 --> 00:50:52,400

conditions and and most people would

1321

00:50:56,230 --> 00:50:53,920

consider me high risk because i'm dumb

1322

00:50:58,470 --> 00:50:56,240

ass and smoke and drink too much

1323

00:50:59,910 --> 00:50:58,480

but i'm not really that concerned for me

1324

00:51:01,510 --> 00:50:59,920

i'm concerned with giving it to somebody

1325

00:51:02,950 --> 00:51:01,520

else that really will have a problem

1326

00:51:05,510 --> 00:51:02,960

with it right

1327

00:51:06,950 --> 00:51:05,520

yeah that's the bigger thing yeah i have

1328

00:51:11,109 --> 00:51:06,960

a

1329

00:51:14,950 --> 00:51:11,119

pre existing condition

1330

00:51:16,710 --> 00:51:14,960

well it's really called being old but

1331

00:51:19,030 --> 00:51:16,720

yeah you guys have a harder time with it

1332

00:51:21,030 --> 00:51:19,040

though that's no good

1333

00:51:23,589 --> 00:51:21,040

that's what i've heard that's what i've

1334

00:51:25,030 --> 00:51:23,599

heard but everybody i know you know my

1335

00:51:27,270 --> 00:51:25,040

contemporaries

1336

00:51:28,790 --> 00:51:27,280

you know they're doing the mask thing

1337

00:51:31,349 --> 00:51:28,800

they're being careful

1338

00:51:33,109 --> 00:51:31,359

uh many of my friends have finally

1339

00:51:35,750 --> 00:51:33,119

stopped

1340

00:51:37,670 --> 00:51:35,760

sanitizing their dollar bills and their

1341

00:51:39,510 --> 00:51:37,680

groceries you know boy i had

1342

00:51:41,270 --> 00:51:39,520

i knew a couple of people who as soon as

1343

00:51:45,190 --> 00:51:41,280

their groceries would

1344

00:51:48,390 --> 00:51:45,200

they would spray germ killer

1345

00:51:50,950 --> 00:51:48,400

germicide stuff on it and they

1346

00:51:52,309 --> 00:51:50,960

my wife wipes down the amazon packages

1347

00:51:53,829 --> 00:51:52,319

she wipes them down

1348

00:51:55,270 --> 00:51:53,839

oh honey where she was i don't know if

1349

00:51:56,950 --> 00:51:55,280

she still is doing that but i think she

1350

00:51:58,549 --> 00:51:56,960

was one to start it maybe she let her

1351  
00:52:01,190 --> 00:51:58,559  
guard down a little on that

1352  
00:52:01,589 --> 00:52:01,200  
you know what i did a little bit because

1353  
00:52:06,069 --> 00:52:01,599  
i

1354  
00:52:11,270 --> 00:52:06,079  
money

1355  
00:52:13,589 --> 00:52:11,280  
rubber gloves i had a damn mask on

1356  
00:52:15,030 --> 00:52:13,599  
i sprayed that money with lysol

1357  
00:52:18,069 --> 00:52:15,040  
disinfection

1358  
00:52:21,750 --> 00:52:18,079  
i laid i hung it up over the dish rack i

1359  
00:52:22,470 --> 00:52:21,760  
let it dry when it was dry i put it in a

1360  
00:52:25,270 --> 00:52:22,480  
ziploc

1361  
00:52:27,430 --> 00:52:25,280  
bag again see we're all going we're all

1362  
00:52:29,510 --> 00:52:27,440  
going to extremes here though

1363  
00:52:32,870 --> 00:52:29,520

oh and here we have ufo gandalf is

1364

00:52:36,549 --> 00:52:32,880

joining us as well

1365

00:52:39,670 --> 00:52:36,559

welcome god

1366

00:52:43,589 --> 00:52:39,680

good to go good to put a voice to ufo

1367

00:52:49,030 --> 00:52:46,470

ufo gundam oh there he is oh he

1368

00:52:50,390 --> 00:52:49,040

literally does look like ufo gandalf

1369

00:52:52,710 --> 00:52:50,400

that's awesome i didn't know i thought

1370

00:52:54,790 --> 00:52:52,720

it was just an avatar i did not know

1371

00:52:55,990 --> 00:52:54,800

he's got a little gandalf thing really

1372

00:52:58,069 --> 00:52:56,000

going

1373

00:52:59,510 --> 00:52:58,079

to put a face to your uh to your name

1374

00:53:06,150 --> 00:52:59,520

ufo gandalf

1375

00:53:07,990 --> 00:53:06,160

been a long time for you and me good to

1376

00:53:09,750 --> 00:53:08,000

see you again

1377

00:53:11,510 --> 00:53:09,760

it has robin it's been a long time i've

1378

00:53:12,549 --> 00:53:11,520

been off camera i've done a video with

1379

00:53:15,910 --> 00:53:12,559

anyone or a

1380

00:53:17,990 --> 00:53:15,920

live video for over a year now i know

1381

00:53:21,510 --> 00:53:18,000

it's been forever yeah you haven't

1382

00:53:24,309 --> 00:53:21,520

changed a bit you haven't aged a bit

1383

00:53:25,990 --> 00:53:24,319

yeah so ufo gandolf i'm asking everybody

1384

00:53:26,950 --> 00:53:26,000

what did you think of the recent

1385

00:53:29,589 --> 00:53:26,960

copyright of

1386

00:53:31,190 --> 00:53:29,599

facebook and twitter of this 100 Biden

1387

00:53:33,109 --> 00:53:31,200

article and what do you think of this

1388

00:53:35,430 --> 00:53:33,119

youtube purge and how they're deleting

1389

00:53:37,990 --> 00:53:35,440

all of these channels

1390

00:53:39,670 --> 00:53:38,000

well i mean it was expected i mean right

1391

00:53:41,430 --> 00:53:39,680

at the beginning when all this pandemic

1392

00:53:43,589 --> 00:53:41,440

was going to happen back in january and

1393

00:53:46,150 --> 00:53:43,599

february i watched the

1394

00:53:47,270 --> 00:53:46,160

agenda was event event 201 it was

1395

00:53:48,870 --> 00:53:47,280

whatever the

1396

00:53:50,390 --> 00:53:48,880

that was sponsored by the gates

1397

00:53:52,230 --> 00:53:50,400

foundation and

1398

00:53:53,750 --> 00:53:52,240

um i mean if you watched what they were

1399

00:53:55,430 --> 00:53:53,760

saying the language and

1400

00:53:56,870 --> 00:53:55,440

the people that were involved in that

1401  
00:53:59,310 --> 00:53:56,880  
stimulation um

1402  
00:54:00,630 --> 00:53:59,320  
for a coronavirus or

1403  
00:54:02,549 --> 00:54:00,640  
[Music]

1404  
00:54:05,109 --> 00:54:02,559  
they were basically going to shut down

1405  
00:54:08,470 --> 00:54:05,119  
free speech you know to stop

1406  
00:54:10,549 --> 00:54:08,480  
the misinformation and

1407  
00:54:11,589 --> 00:54:10,559  
i think what johnny said i don't really

1408  
00:54:13,430 --> 00:54:11,599  
watch

1409  
00:54:14,630 --> 00:54:13,440  
you know any of those people that have

1410  
00:54:16,390 --> 00:54:14,640  
been shut down now

1411  
00:54:17,750 --> 00:54:16,400  
because i'm not into the queue i don't

1412  
00:54:19,589 --> 00:54:17,760  
believe that i think that's a sign up

1413  
00:54:21,510 --> 00:54:19,599

always have but um

1414

00:54:23,670 --> 00:54:21,520

you know i i believe in free speech and

1415

00:54:25,430 --> 00:54:23,680

it's like it's it's something that's

1416

00:54:27,109 --> 00:54:25,440

you know people can say what they want

1417

00:54:28,309 --> 00:54:27,119

as long as it's not hate speech or

1418

00:54:30,470 --> 00:54:28,319

racism or

1419

00:54:33,109 --> 00:54:30,480

whatever i just don't think that sort of

1420

00:54:35,990 --> 00:54:33,119

thing has a place in today's world but

1421

00:54:37,589 --> 00:54:36,000

you know we really we're really in a bad

1422

00:54:39,190 --> 00:54:37,599

place i mean if you know what's going on

1423

00:54:39,510 --> 00:54:39,200

in victoria and australia at the moment

1424

00:54:42,870 --> 00:54:39,520

it's

1425

00:54:44,470 --> 00:54:42,880

under a complete totalitarian um state

1426  
00:54:46,230 --> 00:54:44,480  
yeah i've heard you guys are really i've

1427  
00:54:48,630 --> 00:54:46,240  
heard you guys are really locked down

1428  
00:54:50,069 --> 00:54:48,640  
has that been when when did the lockdown

1429  
00:54:52,789 --> 00:54:50,079  
start in australia and

1430  
00:54:55,109 --> 00:54:52,799  
and how bad is it well at the end of

1431  
00:54:57,589 --> 00:54:55,119  
march they did a full lockdown

1432  
00:54:59,030 --> 00:54:57,599  
in australia for nearly four weeks i

1433  
00:55:00,710 --> 00:54:59,040  
think everywhere in australia we were

1434  
00:55:03,109 --> 00:55:00,720  
locked down everything got shut down

1435  
00:55:04,470 --> 00:55:03,119  
to a point where you know it was an

1436  
00:55:06,150 --> 00:55:04,480  
extreme measure to

1437  
00:55:07,829 --> 00:55:06,160  
what we called flatten the curve for two

1438  
00:55:10,470 --> 00:55:07,839

weeks to flatten the curve but

1439

00:55:11,510 --> 00:55:10,480

we opened up in western australia pretty

1440

00:55:13,990 --> 00:55:11,520

much fully

1441

00:55:16,230 --> 00:55:14,000

because i'm on the west coast so and

1442

00:55:18,390 --> 00:55:16,240

we're we're the most isolated city

1443

00:55:20,069 --> 00:55:18,400

in the world so we're we're separate to

1444

00:55:21,430 --> 00:55:20,079

the rest of australia and they locked

1445

00:55:24,069 --> 00:55:21,440

our borders pretty hard and they haven't

1446

00:55:26,470 --> 00:55:24,079

opened our borders up so once

1447

00:55:28,230 --> 00:55:26,480

they got rid of community spread after

1448

00:55:30,470 --> 00:55:28,240

about two months we've been fully open

1449

00:55:33,510 --> 00:55:30,480

over here but what happened was

1450

00:55:34,710 --> 00:55:33,520

over in new south wales victoria they

1451  
00:55:39,109 --> 00:55:34,720  
had

1452  
00:55:42,150 --> 00:55:39,119  
breach in the security

1453  
00:55:43,510 --> 00:55:42,160  
of the hotels and got out and there was

1454  
00:55:45,910 --> 00:55:43,520  
a magic sort of

1455  
00:55:46,950 --> 00:55:45,920  
cluster and a boom and they had

1456  
00:55:50,710 --> 00:55:46,960  
community spread

1457  
00:55:52,789 --> 00:55:50,720  
and they locked down about ten

1458  
00:55:54,069 --> 00:55:52,799  
ten apartment buildings with about two

1459  
00:55:55,990 --> 00:55:54,079  
thousand people yeah that was a couple

1460  
00:55:57,510 --> 00:55:56,000  
of weeks yeah i saw some of those videos

1461  
00:55:57,750 --> 00:55:57,520  
it was really scary a guy just wanted to

1462  
00:55:59,190 --> 00:55:57,760  
go

1463  
00:56:05,510 --> 00:55:59,200

outside and get some fresh air and they

1464

00:56:09,109 --> 00:56:07,430

it got worse because the state the whole

1465

00:56:10,630 --> 00:56:09,119

state got locked down eventually even

1466

00:56:12,789 --> 00:56:10,640

the rural areas and

1467

00:56:14,789 --> 00:56:12,799

they're still under a five kilometer

1468

00:56:16,789 --> 00:56:14,799

limit for the last two months they had a

1469

00:56:18,710 --> 00:56:16,799

curfew put on them but the police have

1470

00:56:20,630 --> 00:56:18,720

gone crazy they're like they're

1471

00:56:21,750 --> 00:56:20,640

fighting people for not wearing masks

1472

00:56:23,750 --> 00:56:21,760

and they're they're

1473

00:56:24,950 --> 00:56:23,760

they're arresting old ladies arresting

1474

00:56:26,309 --> 00:56:24,960

pregnant women and

1475

00:56:28,309 --> 00:56:26,319

they're trying to they start trying to

1476

00:56:31,190 --> 00:56:28,319

stop people from protesting and

1477

00:56:32,710 --> 00:56:31,200

it's just it is out of control and i

1478

00:56:33,829 --> 00:56:32,720

mean we're lucky that we don't have that

1479

00:56:36,870 --> 00:56:33,839

in western australia

1480

00:56:38,390 --> 00:56:36,880

and hopefully if things get better in

1481

00:56:41,109 --> 00:56:38,400

victoria and they open up

1482

00:56:42,950 --> 00:56:41,119

and um by christmas maybe we'll open our

1483

00:56:44,950 --> 00:56:42,960

borders to appeal the states and

1484

00:56:46,710 --> 00:56:44,960

we can sort of have some sort of you

1485

00:56:48,150 --> 00:56:46,720

know normality where people can travel

1486

00:56:49,829 --> 00:56:48,160

around australia without

1487

00:56:51,109 --> 00:56:49,839

being restricted but i mean i don't

1488

00:56:51,750 --> 00:56:51,119

think it's ever going to go back to the

1489

00:56:53,270 --> 00:56:51,760

way it was

1490

00:56:55,109 --> 00:56:53,280

normality yeah that's what's that's

1491

00:56:56,870 --> 00:56:55,119

what's scary to me is like

1492

00:56:58,630 --> 00:56:56,880

you know the problem with giving the

1493

00:56:59,990 --> 00:56:58,640

government this kind of power

1494

00:57:01,670 --> 00:57:00,000

they're not going to want to give it up

1495

00:57:03,030 --> 00:57:01,680

so what's to stop them next year let's

1496

00:57:03,750 --> 00:57:03,040

say there's a let's say there's a

1497

00:57:06,390 --> 00:57:03,760

vaccine

1498

00:57:07,510 --> 00:57:06,400

and this covert thing goes away or great

1499

00:57:09,349 --> 00:57:07,520

therapeutics

1500

00:57:11,430 --> 00:57:09,359

and this covert thing is gone by next

1501  
00:57:13,349 --> 00:57:11,440  
year what's to stop them

1502  
00:57:15,270 --> 00:57:13,359  
you know uh the following year from

1503  
00:57:17,270 --> 00:57:15,280  
saying well there's a very particularly

1504  
00:57:18,789 --> 00:57:17,280  
virulent form of flu this year

1505  
00:57:21,190 --> 00:57:18,799  
and we're going to have to do lockdowns

1506  
00:57:24,470 --> 00:57:21,200  
to prevent a lot of death that's right

1507  
00:57:28,309 --> 00:57:26,710  
and it all gets shut down again and the

1508  
00:57:30,950 --> 00:57:28,319  
problem is they've just passed a bill

1509  
00:57:31,589 --> 00:57:30,960  
in victoria it's called the omnibus bill

1510  
00:57:33,510 --> 00:57:31,599  
and this

1511  
00:57:35,030 --> 00:57:33,520  
bill basically allows them there's two

1512  
00:57:35,589 --> 00:57:35,040  
things at the past that are important

1513  
00:57:38,710 --> 00:57:35,599

with this

1514

00:57:40,870 --> 00:57:38,720

one is that they can basically um arrest

1515

00:57:43,270 --> 00:57:40,880

you for thinking that you're going to

1516

00:57:45,109 --> 00:57:43,280

do something that's not against against

1517

00:57:47,109 --> 00:57:45,119

the regime or against the law

1518

00:57:48,870 --> 00:57:47,119

so you don't even have to do it you just

1519

00:57:51,430 --> 00:57:48,880

have to they just have to

1520

00:57:53,270 --> 00:57:51,440

assume that you're or have the belief

1521

00:57:53,990 --> 00:57:53,280

that you are thinking of doing something

1522

00:57:55,829 --> 00:57:54,000

and they can arrest

1523

00:57:57,510 --> 00:57:55,839

you and the second thing is that they're

1524

00:58:01,990 --> 00:57:57,520

pushing the fact that they

1525

00:58:04,150 --> 00:58:02,000

want to bring in um un or other policing

1526

00:58:05,750 --> 00:58:04,160

forces from outside australia that are

1527

00:58:07,670 --> 00:58:05,760

not accountable for anything that they

1528

00:58:11,430 --> 00:58:07,680

do so

1529

00:58:14,150 --> 00:58:11,440

be so they can arrest you and forcibly

1530

00:58:16,549 --> 00:58:14,160

vaccinate you and you can't like sue

1531

00:58:18,309 --> 00:58:16,559

anyone you can't hold anyone accountable

1532

00:58:20,829 --> 00:58:18,319

so these are the sort of laws that

1533

00:58:26,470 --> 00:58:20,839

they're trying to bring in and the

1534

00:58:29,510 --> 00:58:27,990

i'll defend my life on that they're

1535

00:58:30,789 --> 00:58:29,520

never going to be able to force me to

1536

00:58:32,549 --> 00:58:30,799

have a vaccine so

1537

00:58:34,950 --> 00:58:32,559

you know okay we'll share and live off

1538

00:58:36,710 --> 00:58:34,960

the system and offer it if i have to but

1539

00:58:38,549 --> 00:58:36,720

yeah i mean i just hope enough people

1540

00:58:39,750 --> 00:58:38,559

wake up before it gets to that point

1541

00:58:43,030 --> 00:58:39,760

where we don't

1542

00:58:46,150 --> 00:58:43,040

so go on b sorry uh in south australia

1543

00:58:49,270 --> 00:58:46,160

we're very similar to dex as far as um

1544

00:58:51,349 --> 00:58:49,280

we had a very small outbreak um

1545

00:58:53,349 --> 00:58:51,359

you know we've got like three or four

1546

00:58:53,910 --> 00:58:53,359

active cases i think in the whole state

1547

00:58:55,589 --> 00:58:53,920

but

1548

00:58:57,589 --> 00:58:55,599

no community transmission and

1549

00:58:59,750 --> 00:58:57,599

everything's open and normal

1550

00:59:02,829 --> 00:58:59,760

but um you know we've got friends in vic

1551

00:59:04,390 --> 00:59:02,839

and victoria and

1552

00:59:05,910 --> 00:59:04,400

um

1553

00:59:07,670 --> 00:59:05,920

so you guys have travel restrictions you

1554

00:59:10,150 --> 00:59:07,680

can't travel outside your town

1555

00:59:11,270 --> 00:59:10,160

right yeah you've got a um we don't in

1556

00:59:14,150 --> 00:59:11,280

south australia

1557

00:59:15,670 --> 00:59:14,160

same as western australia like where

1558

00:59:19,190 --> 00:59:15,680

we're open as a state

1559

00:59:21,109 --> 00:59:19,200

but um to travel to other states

1560

00:59:22,789 --> 00:59:21,119

you've got to do like two weeks in

1561

00:59:25,670 --> 00:59:22,799

quarantine and then

1562

00:59:26,630 --> 00:59:25,680

you can do things so yeah so b can't

1563

00:59:28,230 --> 00:59:26,640

come over here

1564

00:59:29,670 --> 00:59:28,240

to western australia even though she's

1565

00:59:31,109 --> 00:59:29,680

in the state next to us and neither of

1566

00:59:32,789 --> 00:59:31,119

us have any transmission because they

1567

00:59:34,549 --> 00:59:32,799

won't let her across the border

1568

00:59:37,430 --> 00:59:34,559

and if she has a reason to come here for

1569

00:59:40,150 --> 00:59:37,440

work she'll have to isolate for 40 days

1570

00:59:42,390 --> 00:59:40,160

because she can go and do anything wow

1571

00:59:43,750 --> 00:59:42,400

and pay for it in a hotel

1572

00:59:49,030 --> 00:59:43,760

exactly and you gotta pay for it it's

1573

00:59:54,069 --> 00:59:52,230

that restriction of that you're

1574

00:59:57,829 --> 00:59:54,079

describing holy

1575

01:00:00,390 --> 00:59:57,839

holy cow that as

1576

01:00:01,990 --> 01:00:00,400

you know we complain about it here but

1577

01:00:04,549 --> 01:00:02,000

yeah i don't think it's as bad here

1578

01:00:06,230 --> 01:00:04,559

but we did have i you know what the

1579

01:00:07,510 --> 01:00:06,240

thing that bothers me about the united

1580

01:00:10,150 --> 01:00:07,520

states and this is this will just show

1581

01:00:13,750 --> 01:00:10,160

you like united states capitalism rules

1582

01:00:16,789 --> 01:00:13,760

is that most of the lockdowns nationwide

1583

01:00:19,430 --> 01:00:16,799

are only affecting you know uh

1584

01:00:20,710 --> 01:00:19,440

sole proprietor businesses and it's

1585

01:00:23,190 --> 01:00:20,720

great

1586

01:00:24,069 --> 01:00:23,200

okay so i can't get covered if i go to

1587

01:00:27,349 --> 01:00:24,079

home depot

1588

01:00:29,829 --> 01:00:27,359

or to walmart but i can get covered if i

1589

01:00:31,990 --> 01:00:29,839

go to my local hardware store run by

1590

01:00:33,510 --> 01:00:32,000

you know isn't that there's no logic in

1591

01:00:34,950 --> 01:00:33,520

there interesting

1592

01:00:36,870 --> 01:00:34,960

so they're killing all the small

1593

01:00:38,230 --> 01:00:36,880

businesses they're just eight months now

1594

01:00:40,710 --> 01:00:38,240

eight months now a lot of them couldn't

1595

01:00:42,950 --> 01:00:40,720

have been well no i think it was like

1596

01:00:44,470 --> 01:00:42,960

maybe five months all the mom and pops

1597

01:00:46,309 --> 01:00:44,480

were shut down and now they're allowing

1598

01:00:49,109 --> 01:00:46,319

some of them to start opening up

1599

01:00:51,430 --> 01:00:49,119

yeah this is the uh the heart this is

1600

01:00:54,309 --> 01:00:51,440

the heart of the middle class y'all

1601  
01:00:56,390 --> 01:00:54,319  
and so now this is working toward a

1602  
01:00:58,630 --> 01:00:56,400  
society of very rich people

1603  
01:00:59,910 --> 01:00:58,640  
and very poor people they wanted two

1604  
01:01:02,069 --> 01:00:59,920  
classes

1605  
01:01:03,349 --> 01:01:02,079  
i think yeah i always joke every time i

1606  
01:01:04,710 --> 01:01:03,359  
see they're getting rid of me like this

1607  
01:01:06,309 --> 01:01:04,720  
happened i always say

1608  
01:01:07,750 --> 01:01:06,319  
you know if they keep this [h\_\_h] up it's

1609  
01:01:11,589 --> 01:01:07,760  
going to be time to eat the rich

1610  
01:01:13,829 --> 01:01:11,599  
real soon yeah your system is not

1611  
01:01:15,589 --> 01:01:13,839  
sustainable like how long do you think

1612  
01:01:17,510 --> 01:01:15,599  
you're going to beat up the poor people

1613  
01:01:19,349 --> 01:01:17,520

before they finally say you know what

1614

01:01:21,190 --> 01:01:19,359

[h\_\_h] and it's happening in our country

1615

01:01:23,030 --> 01:01:21,200

that's part of this blm riots and all

1616

01:01:24,710 --> 01:01:23,040

this stuff and antifa

1617

01:01:27,589 --> 01:01:24,720

they want to take the system down and

1618

01:01:30,470 --> 01:01:27,599

start over oh

1619

01:01:32,230 --> 01:01:30,480

people are getting pissed you guys who

1620

01:01:35,349 --> 01:01:32,240

are not in our country

1621

01:01:35,910 --> 01:01:35,359

uh there are many people who no matter

1622

01:01:38,309 --> 01:01:35,920

what the

1623

01:01:39,829 --> 01:01:38,319

outcome there is a fear about the

1624

01:01:43,030 --> 01:01:39,839

aftermath of

1625

01:01:44,950 --> 01:01:43,040

the election yeah there's already a

1626  
01:01:47,109 --> 01:01:44,960  
whole lot of controversy about the

1627  
01:01:47,670 --> 01:01:47,119  
balance and the voting and the places

1628  
01:01:52,390 --> 01:01:47,680  
and the

1629  
01:01:55,270 --> 01:01:52,400  
build-up to

1630  
01:01:56,230 --> 01:01:55,280  
what a lot of people are saying holy

1631  
01:01:58,630 --> 01:01:56,240  
[h\_\_\h]

1632  
01:01:59,510 --> 01:01:58,640  
you know hang on to your loved ones lock

1633  
01:02:02,630 --> 01:01:59,520  
your doors

1634  
01:02:05,510 --> 01:02:02,640  
because it's going to go nuts

1635  
01:02:07,109 --> 01:02:05,520  
so that that's sort of in the shadow

1636  
01:02:10,710 --> 01:02:07,119  
news but it's still

1637  
01:02:13,349 --> 01:02:10,720  
reaching enough people that you know

1638  
01:02:14,069 --> 01:02:13,359

this anticipation is being whipped up

1639

01:02:15,910 --> 01:02:14,079

yes

1640

01:02:17,510 --> 01:02:15,920

i hope that it's going to be a landslide

1641

01:02:19,589 --> 01:02:17,520

either way i don't care who wins but i

1642

01:02:19,990 --> 01:02:19,599

just hope it's a landslide either way so

1643

01:02:21,589 --> 01:02:20,000

that

1644

01:02:23,670 --> 01:02:21,599

it's not going to be close because if

1645

01:02:24,950 --> 01:02:23,680

it's closed yeah both sides are going to

1646

01:02:28,069 --> 01:02:24,960

say they cheated you

1647

01:02:29,430 --> 01:02:28,079

cheated we cheated and and then there's

1648

01:02:33,109 --> 01:02:29,440

going to be a problem with the

1649

01:02:39,109 --> 01:02:36,630

i think you're power problem i'll lose

1650

01:02:39,750 --> 01:02:39,119

yeah i think you're right stephen yes if

1651

01:02:42,789 --> 01:02:39,760

um

1652

01:02:44,630 --> 01:02:42,799

if uh like from an outsider point of

1653

01:02:46,789 --> 01:02:44,640

view it just seems like someone's really

1654

01:02:49,430 --> 01:02:46,799

pushing for a civil war in your country

1655

01:02:51,750 --> 01:02:49,440

yeah and if it's close that could tip

1656

01:02:54,309 --> 01:02:51,760

the scale you know

1657

01:02:55,349 --> 01:02:54,319

you know this whole business this whole

1658

01:02:57,510 --> 01:02:55,359

horse crap

1659

01:02:59,910 --> 01:02:57,520

you know with the lockdowns and the

1660

01:03:03,029 --> 01:02:59,920

controls and the gestapo

1661

01:03:04,950 --> 01:03:03,039

tactics it all it seems like it's like

1662

01:03:06,549 --> 01:03:04,960

an experiment

1663

01:03:08,470 --> 01:03:06,559

yeah and it seems like they're just

1664

01:03:09,349 --> 01:03:08,480

trying to keep pushing how far they can

1665

01:03:11,750 --> 01:03:09,359

push

1666

01:03:12,870 --> 01:03:11,760

throwing more components into the mix

1667

01:03:15,349 --> 01:03:12,880

you know the

1668

01:03:15,990 --> 01:03:15,359

using this test tube instead of that one

1669

01:03:18,630 --> 01:03:16,000

you know it's like

1670

01:03:20,230 --> 01:03:18,640

and run on this wheel and go through

1671

01:03:24,950 --> 01:03:20,240

this maze it's like

1672

01:03:27,430 --> 01:03:24,960

a big massive global experiment

1673

01:03:29,109 --> 01:03:27,440

and everybody's using the same

1674

01:03:32,150 --> 01:03:29,119

terminology you notice

1675

01:03:34,870 --> 01:03:32,160

that the playbook yeah

1676

01:03:35,589 --> 01:03:34,880

it's like like the ap bible you know

1677

01:03:38,789 --> 01:03:35,599

that

1678

01:03:41,910 --> 01:03:38,799

every journalist owns one uh

1679

01:03:43,589 --> 01:03:41,920

everybody is using the same lingo this

1680

01:03:45,990 --> 01:03:43,599

time is when they were doing the

1681

01:03:47,430 --> 01:03:46,000

terrorism the the terrorism country

1682

01:03:49,829 --> 01:03:47,440

yeah they're experiencing the word

1683

01:03:52,390 --> 01:03:49,839

terrorism now now it's the new normal

1684

01:03:52,870 --> 01:03:52,400

and everybody's saying it yeah the new

1685

01:03:55,270 --> 01:03:52,880

normal

1686

01:03:56,470 --> 01:03:55,280

and all these terms i never even heard

1687

01:03:59,109 --> 01:03:56,480

any of these terms

1688

01:03:59,829 --> 01:03:59,119

until this all started social distancing

1689

01:04:02,950 --> 01:03:59,839

and

1690

01:04:03,910 --> 01:04:02,960

you know everybody's saying that in the

1691

01:04:07,829 --> 01:04:03,920

curve

1692

01:04:10,789 --> 01:04:07,839

every country acro

1693

01:04:11,510 --> 01:04:10,799

across the globe they're using it's like

1694

01:04:14,470 --> 01:04:11,520

everybody's

1695

01:04:17,190 --> 01:04:14,480

plugged in to this one computer bank and

1696

01:04:19,670 --> 01:04:17,200

everybody's mouthing the same words and

1697

01:04:21,270 --> 01:04:19,680

jesus christ you guys turn off the news

1698

01:04:24,789 --> 01:04:21,280

turn off the news

1699

01:04:26,789 --> 01:04:24,799

stop it stop steering this it makes no

1700

01:04:29,190 --> 01:04:26,799

sense if you try to make sense of it

1701

01:04:33,990 --> 01:04:29,200

it'll make you crazy

1702

01:04:37,029 --> 01:04:35,829

i just want to mention if if anybody

1703

01:04:40,950 --> 01:04:37,039

1704

01:04:43,430 --> 01:04:40,960

1713

01:05:03,430 --> 01:04:59,839

here tonight on the positive night

1714

01:05:08,549 --> 01:05:03,440

who wants to see the wolf i do

1715

01:05:12,950 --> 01:05:10,950

oh is that is that a husky or a mute

1716

01:05:15,510 --> 01:05:12,960

husky or is it really

1717

01:05:18,150 --> 01:05:15,520

malleable my favorite dog i ever had was

1718

01:05:22,950 --> 01:05:21,510

he lived to be 18 years old oh my god

1719

01:05:24,710 --> 01:05:22,960

and then we had to put him in the house

1720

01:05:26,309 --> 01:05:24,720

and that was the worst thing that i i

1721

01:05:28,069 --> 01:05:26,319

couldn't do it i had it my brother had

1722

01:05:29,910 --> 01:05:28,079

to take him it was my father's dog

1723

01:05:31,270 --> 01:05:29,920

and my father died and then the dog

1724

01:05:35,270 --> 01:05:31,280

lived like

1725

01:05:39,270 --> 01:05:38,390

so died okay is this baby a boy or a

1726

01:05:41,990 --> 01:05:39,280

girl

1727

01:05:42,950 --> 01:05:42,000

he's a boy he's only two years old does

1728

01:05:46,150 --> 01:05:42,960

he talk to you

1729

01:05:46,950 --> 01:05:46,160

does he do that no yeah oh i know that i

1730

01:05:50,870 --> 01:05:46,960

love that about

1731

01:05:53,190 --> 01:05:50,880

them it's very vocal he's very welcome

1732

01:05:54,789 --> 01:05:53,200

he's like we're camping out precious i

1733

01:05:57,109 --> 01:05:54,799

can say yeah i can show you

1734

01:05:58,069 --> 01:05:57,119

we're in the swag usually yeah the only

1735

01:06:00,630 --> 01:05:58,079

thing right here

1736

01:06:01,910 --> 01:06:00,640

cool look at that yeah the only thing i

1737

01:06:03,589 --> 01:06:01,920

hated about the mallium

1738

01:06:05,829 --> 01:06:03,599

husky is that you could brush like a

1739

01:06:07,990 --> 01:06:05,839

trash bag of hair off of them

1740

01:06:09,670 --> 01:06:08,000

in the spring in the summer every day

1741

01:06:11,589 --> 01:06:09,680

yeah and then

1742

01:06:12,789 --> 01:06:11,599

you could brush another trash bag full

1743

01:06:14,789 --> 01:06:12,799

of hair off of them

1744

01:06:16,950 --> 01:06:14,799

i'm in spring in summer now and i've

1745

01:06:19,190 --> 01:06:16,960

just literally pulled like two trash

1746

01:06:21,270 --> 01:06:19,200

bags off him in the last month's life

1747

01:06:23,190 --> 01:06:21,280

you have hogan off you're like you're

1748

01:06:24,150 --> 01:06:23,200

literally off the you're like in a tent

1749

01:06:26,950 --> 01:06:24,160

right

1750

01:06:27,750 --> 01:06:26,960

yeah it's some swag swag i've um i've

1751

01:06:30,630 --> 01:06:27,760

traveled

1752

01:06:32,710 --> 01:06:30,640

three three and a half hours south of

1753

01:06:34,549 --> 01:06:32,720

perth to come down to um do the fruit

1754

01:06:36,390 --> 01:06:34,559

picking for the next six months because

1755

01:06:38,230 --> 01:06:36,400

we have no backpackers coming into our

1756

01:06:39,510 --> 01:06:38,240

country anymore because all the borders

1757

01:06:40,309 --> 01:06:39,520

are shut and the whole world's gone

1758

01:06:43,109 --> 01:06:40,319

crazy

1759

01:06:45,270 --> 01:06:43,119

yeah and so all the seasonal workers

1760

01:06:47,589 --> 01:06:45,280

yeah well all the seasonal workers are

1761

01:06:49,029 --> 01:06:47,599

not here so i've decided instead of

1762

01:06:50,710 --> 01:06:49,039

working in the city this summer i'm

1763

01:06:51,270 --> 01:06:50,720

coming down here to pick fruit and enjoy

1764

01:06:55,029 --> 01:06:51,280

myself

1765

01:06:58,950 --> 01:06:55,039

so that's why what was that a cat

1766

01:07:03,750 --> 01:07:01,510

oh cool yeah i saw i just saw some big

1767

01:07:05,510 --> 01:07:03,760

furry thing on you earlier

1768

01:07:09,510 --> 01:07:05,520

i thought something was a cute little

1769

01:07:14,390 --> 01:07:12,789

can you bring her on again it's funny

1770

01:07:17,750 --> 01:07:14,400

between the two of you you have the

1771

01:07:21,829 --> 01:07:17,760

entire range of dog size

1772

01:07:25,430 --> 01:07:24,390

super fly my wife's only got this little

1773

01:07:28,710 --> 01:07:25,440

tiny yorkshire

1774

01:07:31,510 --> 01:07:28,720

uh what is a little it's a mini like a

1775

01:07:33,029 --> 01:07:31,520

toy yorkie it's so tiny it doesn't even

1776

01:07:36,230 --> 01:07:33,039

feel like a dog to me

1777

01:07:37,750 --> 01:07:36,240

oh yeah a little tiny heartbeat in one

1778

01:07:41,990 --> 01:07:37,760

hand you can hold them in one hand

1779

01:07:45,990 --> 01:07:42,000

okay what is your baby's name

1780

01:07:48,069 --> 01:07:46,000

this is thor the lore

1781

01:07:49,349 --> 01:07:48,079

the goddess the family name what

1782

01:07:52,069 --> 01:07:49,359

happened was

1783

01:08:08,230 --> 01:07:52,079

loki actually tricked thor into becoming

1784

01:08:15,029 --> 01:08:10,309

again after that like last time i lost

1785

01:08:18,630 --> 01:08:16,870

oh look at that here we take some

1786

01:08:20,550 --> 01:08:18,640

comments from the live chat the two

1787

01:08:22,390 --> 01:08:20,560

parties are in lockstep with wall street

1788

01:08:25,870 --> 01:08:22,400

all else is obfuscation

1789

01:08:28,149 --> 01:08:25,880

yeah i think that we live in a corporate

1790

01:08:29,749 --> 01:08:28,159

technocracy or something now we don't

1791

01:08:32,550 --> 01:08:29,759

really have democracy

1792

01:08:33,990 --> 01:08:32,560

anymore we have the illusion of it they

1793

01:08:37,349 --> 01:08:34,000

let us think we have a choice look you

1794

01:08:40,709 --> 01:08:37,359

can choose between these two idiots

1795

01:08:41,430 --> 01:08:40,719

yeah what a choice the illusion of

1796

01:08:43,669 --> 01:08:41,440

choice

1797

01:08:46,070 --> 01:08:43,679

and i always say that two people are

1798

01:08:49,110 --> 01:08:46,080

still evil so i don't want to pick two

1799

01:08:51,749 --> 01:08:49,120

yeah two choices

1800

01:08:52,870 --> 01:08:51,759

you know i want why do we only have two

1801

01:08:56,070 --> 01:08:52,880

freaking choices

1802

01:08:58,309 --> 01:08:56,080

i want more choices uh

1803

01:08:59,430 --> 01:08:58,319

but you know that'll never happen just

1804

01:09:02,390 --> 01:08:59,440

like one man

1805

01:09:04,950 --> 01:09:02,400

one vote will never happen you know it's

1806

01:09:10,870 --> 01:09:08,550

man uh i'm glad i'm old you know

1807

01:09:13,430 --> 01:09:10,880

you guys coming up after me i you know

1808

01:09:15,669 --> 01:09:13,440

jeez i wish you well

1809

01:09:17,349 --> 01:09:15,679

the way that it's developing now that's

1810

01:09:20,390 --> 01:09:17,359

nice like good luck [h\_\_h] i'm

1811

01:09:23,990 --> 01:09:20,400

checking out

1812

01:09:26,390 --> 01:09:24,000

thanks good for you robin yeah i'll go

1813

01:09:29,430 --> 01:09:26,400

out with a flash

1814

01:09:31,189 --> 01:09:29,440

yeah but bless you you know well you

1815

01:09:34,470 --> 01:09:31,199

know just really seriously

1816

01:09:37,910 --> 01:09:34,480

it's just it doesn't make any

1817

01:09:39,269 --> 01:09:37,920

[h\_\_h] sense if you really think about

1818

01:09:41,910 --> 01:09:39,279

it all it

1819

01:09:43,189 --> 01:09:41,920

where i can't find any sense in any of

1820

01:09:45,749 --> 01:09:43,199

this going on

1821

01:09:47,269 --> 01:09:45,759

uh you know from the election from the

1822

01:09:50,390 --> 01:09:47,279

people involved

1823

01:09:52,470 --> 01:09:50,400

you know and what's being done to us and

1824

01:09:54,550 --> 01:09:52,480

the fact that we're okay with it it's

1825

01:09:57,110 --> 01:09:54,560

just

1826

01:09:58,310 --> 01:09:57,120

i think bunny is right it's idiocracy

1827

01:10:01,110 --> 01:09:58,320

yep idiocracy

1828

01:10:01,990 --> 01:10:01,120

that's the best way to put it yeah i

1829

01:10:05,270 --> 01:10:02,000

don't know i don't know

1830

01:10:06,870 --> 01:10:05,280

i'm like i used to be very positive and

1831

01:10:08,229 --> 01:10:06,880

hopeful and stuff about the future

1832

01:10:10,310 --> 01:10:08,239

especially being like a young

1833

01:10:11,590 --> 01:10:10,320

father and i have two children you know

1834

01:10:13,270 --> 01:10:11,600

so i was trying to be like

1835

01:10:15,030 --> 01:10:13,280

always trying to be very positive and

1836

01:10:17,030 --> 01:10:15,040

this thing really

1837

01:10:19,189 --> 01:10:17,040

you can talk about too just the just the

1838

01:10:20,870 --> 01:10:19,199

psychological effects of all this

1839

01:10:22,470 --> 01:10:20,880

like maybe i wasn't wired too tight

1840

01:10:25,669 --> 01:10:22,480

before this [h\_\_\h] happened

1841

01:10:27,189 --> 01:10:25,679

and uh you know but i i got fearful

1842

01:10:30,229 --> 01:10:27,199

about the future now

1843

01:10:31,270 --> 01:10:30,239

and and and i also got a little crazy

1844

01:10:33,110 --> 01:10:31,280

and paranoid about

1845

01:10:35,590 --> 01:10:33,120

making sure that i can protect my family

1846

01:10:38,870 --> 01:10:35,600

no matter what craziness comes

1847

01:10:42,390 --> 01:10:38,880

you know yeah sweetheart i grew up with

1848

01:10:45,750 --> 01:10:42,400

grace slick and the beach voice

1849

01:10:49,430 --> 01:10:45,760

so this [h\_\_\h] is really a shock to myself

1850

01:10:53,270 --> 01:10:49,440

yeah good good vibrations right

1851

01:10:56,149 --> 01:10:53,280

yeah yeah uh so boy watching this

1852

01:10:58,709 --> 01:10:56,159

progression all of my life it's just so

1853

01:11:01,669 --> 01:10:58,719

shocking now i hope that's not somebody

1854

01:11:04,470 --> 01:11:01,679

coming to get one of us

1855

01:11:05,669 --> 01:11:04,480

oh did you hear that yeah yeah oh yeah

1856

01:11:09,350 --> 01:11:05,679

no it's okay

1857

01:11:12,390 --> 01:11:11,510

i once had i once had police come here

1858

01:11:14,709 --> 01:11:12,400

to the cabin

1859

01:11:16,390 --> 01:11:14,719

and they knocked on the door and and i

1860

01:11:17,590 --> 01:11:16,400

was like two o'clock in the morning and

1861

01:11:19,990 --> 01:11:17,600

i was drunk

1862

01:11:20,790 --> 01:11:20,000

and they knocked on the door and i and i

1863

01:11:22,709 --> 01:11:20,800

was like

1864

01:11:25,189 --> 01:11:22,719

what the [h\_\_h] like i look out and

1865

01:11:28,310 --> 01:11:25,199

there's like four cop cars and the

1866

01:11:29,750 --> 01:11:28,320

and guys with riot gears and long guns

1867

01:11:31,669 --> 01:11:29,760

and uh it turned out that they were

1868

01:11:34,229 --> 01:11:31,679

trying to serve a warrant on a neighbor

1869

01:11:35,990 --> 01:11:34,239

that lived like another mile or two away

1870

01:11:37,110 --> 01:11:36,000

into the woods they just knew it was a

1871

01:11:38,630 --> 01:11:37,120

cabin in the woods

1872

01:11:40,709 --> 01:11:38,640

where this guy was supposed to live so

1873

01:11:42,310 --> 01:11:40,719

that they came up the dirt road in the

1874

01:11:45,030 --> 01:11:42,320

first cabin in the woods

1875

01:11:46,630 --> 01:11:45,040

there's no address markers so they like

1876

01:11:47,830 --> 01:11:46,640

all but tackled me and i had to show

1877

01:11:50,149 --> 01:11:47,840

them my id

1878

01:11:51,669 --> 01:11:50,159

i don't like police visitors here so now

1879

01:11:54,630 --> 01:11:51,679

i i had to get an address

1880

01:11:55,430 --> 01:11:54,640

so that they know now but a real one and

1881

01:11:57,110 --> 01:11:55,440

great big

1882

01:11:58,630 --> 01:11:57,120

white washroom but it's funny it turned

1883

01:12:00,390 --> 01:11:58,640

out to be it turned out to be like a

1884

01:12:02,229 --> 01:12:00,400

warrant over child support which i

1885

01:12:03,270 --> 01:12:02,239

thought was funny that they sent that

1886

01:12:05,189 --> 01:12:03,280

but i don't blame them they don't want

1887

01:12:06,630 --> 01:12:05,199

to the guy said like i said do you

1888

01:12:07,510 --> 01:12:06,640

really need all this to serve a warrant

1889

01:12:09,350 --> 01:12:07,520

for that and he said

1890

01:12:10,870 --> 01:12:09,360

we got to be safe and you never know

1891

01:12:14,550 --> 01:12:10,880

everybody up here has guns

1892

01:12:17,189 --> 01:12:14,560

so you know we come back and yeah

1893

01:12:17,590 --> 01:12:17,199

well that's only good sense i i guess

1894

01:12:21,590 --> 01:12:17,600

but

1895

01:12:22,709 --> 01:12:21,600

heartbeat think oh [h\_\_h] i've been

1896

01:12:25,590 --> 01:12:22,719

swatted

1897

01:12:27,350 --> 01:12:25,600

yeah i did first i i was confused and a

1898

01:12:29,110 --> 01:12:27,360

little drunk and i'm just hanging out my

1899

01:12:31,110 --> 01:12:29,120

cabin and all of a sudden all these cops

1900

01:12:32,709 --> 01:12:31,120

came like four cops with long guns and

1901

01:12:34,950 --> 01:12:32,719

riot gear and i was like

1902

01:12:37,030 --> 01:12:34,960

and nobody ever knocks on the door here

1903

01:12:39,990 --> 01:12:37,040

you know like i have one neighbor that

1904

01:12:41,110 --> 01:12:40,000

comes over and he just walks right in

1905

01:12:42,950 --> 01:12:41,120

you know what i mean he doesn't know

1906

01:12:44,149 --> 01:12:42,960

what i'm doing once in a while he does

1907

01:12:45,430 --> 01:12:44,159

if he thinks i'm sleeping or something

1908

01:12:46,790 --> 01:12:45,440

but nobody ever knocks here at two

1909

01:12:48,310 --> 01:12:46,800

o'clock in the morning so i was like

1910

01:12:50,070 --> 01:12:48,320

what the [h\_\_\h] is here at two o'clock in

1911

01:12:51,669 --> 01:12:50,080

the morning nobody even knows i'm here

1912

01:12:53,350 --> 01:12:51,679

really and it turned out to be these

1913

01:12:55,750 --> 01:12:53,360

cops and they you know yeah they were

1914

01:12:57,990 --> 01:12:55,760

they were trying to serve a warrant so

1915

01:12:59,590 --> 01:12:58,000

and they got the guy eventually you know

1916

01:13:01,030 --> 01:12:59,600

they went further up the street and they

1917

01:13:02,709 --> 01:13:01,040

apologized the guy handed my

1918

01:13:04,790 --> 01:13:02,719

they were sure i was lying though you

1919

01:13:05,669 --> 01:13:04,800

know they were they said a name and i'm

1920

01:13:07,910 --> 01:13:05,679

like that's not me

1921

01:13:09,430 --> 01:13:07,920

you got the wrong place i got the wrong

1922

01:13:11,110 --> 01:13:09,440

person that's not me

1923

01:13:13,110 --> 01:13:11,120

and the guy's like sure it isn't get

1924

01:13:13,910 --> 01:13:13,120

down on the ground and i'm like oh [h\_\_h]

1925

01:13:15,430 --> 01:13:13,920

you know did you

1926

01:13:17,350 --> 01:13:15,440

really did you get down on the ground

1927

01:13:18,550 --> 01:13:17,360

yeah and then i had to go buy my wallet

1928

01:13:20,550 --> 01:13:18,560

i didn't even know where my world

1929

01:13:22,229 --> 01:13:20,560

was showing my id and then they were

1930

01:13:23,910 --> 01:13:22,239

running my plates on my car

1931

01:13:25,750 --> 01:13:23,920

but it was all good they kind of had a

1932

01:13:27,430 --> 01:13:25,760

laugh and then the one guy's like

1933

01:13:28,709 --> 01:13:27,440

the one cop said something to me like

1934

01:13:29,910 --> 01:13:28,719

have you been drinking and then the

1935

01:13:34,310 --> 01:13:29,920

other cop was like

1936

01:13:38,149 --> 01:13:36,229

if he wants to drink he's loud i think

1937

01:13:39,830 --> 01:13:38,159

he's of age you know

1938

01:13:42,149 --> 01:13:39,840

and it was funny i was like looking

1939

01:13:43,430 --> 01:13:42,159

around like oh man is there like a bong

1940

01:13:44,229 --> 01:13:43,440

around here or something that they're

1941

01:13:48,870 --> 01:13:44,239

gonna see

1942

01:13:52,630 --> 01:13:50,790

did you ask them if you could take a

1943

01:13:55,110 --> 01:13:52,640

selfie with them after all that

1944

01:13:55,830 --> 01:13:55,120

no i didn't i didn't i was just happy

1945

01:13:58,070 --> 01:13:55,840

that they weren't

1946

01:13:59,910 --> 01:13:58,080

because at first i was like like

1947

01:14:02,390 --> 01:13:59,920

thinking like what could cops be doing

1948

01:14:04,950 --> 01:14:02,400

here for me this is crazy right but i

1949

01:14:11,669 --> 01:14:04,960

knew it wasn't me because

1950

01:14:15,669 --> 01:14:13,350

i do not like late night visitors

1951

01:14:17,990 --> 01:14:15,679

especially if they're police officers

1952

01:14:18,709 --> 01:14:18,000

but luckily it wasn't about me so and

1953

01:14:20,310 --> 01:14:18,719

now i laugh

1954

01:14:21,990 --> 01:14:20,320

and it's funny to laugh about it now but

1955

01:14:24,149 --> 01:14:22,000

at the time it was

1956

01:14:26,950 --> 01:14:24,159

not when you were laying on the floor

1957

01:14:30,310 --> 01:14:26,960

yeah yeah

1958

01:14:31,510 --> 01:14:30,320

wow what a story

1959

01:14:33,110 --> 01:14:31,520

i was thinking about what you were

1960

01:14:34,390 --> 01:14:33,120

saying a minute ago about psychological

1961

01:14:37,110 --> 01:14:34,400

effect

1962

01:14:38,630 --> 01:14:37,120

yeah of this whole like time and have

1963

01:14:39,830 --> 01:14:38,640

any of you heard of a guy called dominic

1964

01:14:43,110 --> 01:14:39,840

cummings

1965

01:14:44,709 --> 01:14:43,120

no no he was the guy who

1966

01:14:46,870 --> 01:14:44,719

basically ran the brexit campaign and

1967

01:14:49,510 --> 01:14:46,880

worked with cambridge analytica

1968

01:14:50,470 --> 01:14:49,520

and he also had a hand in the the trump

1969

01:14:53,830 --> 01:14:50,480

campaign in

1970

01:14:57,350 --> 01:14:53,840

2016 that kind of rhetoric and

1971

01:14:59,750 --> 01:14:57,360

whipping up of the base and stuff so

1972

01:15:02,149 --> 01:14:59,760

throughout the whole lockdown the uk was

1973

01:15:05,990 --> 01:15:02,159

like completely locked down

1974

01:15:09,350 --> 01:15:06,000

for about two and a half three months

1975

01:15:11,910 --> 01:15:09,360

and this guy drove

1976

01:15:13,830 --> 01:15:11,920

his like he found out his his wife was

1977

01:15:17,030 --> 01:15:13,840

oh yeah i've seen a story about this

1978

01:15:20,870 --> 01:15:17,040

so he he drove all the way

1979

01:15:22,790 --> 01:15:20,880

up north we got away with it

1980

01:15:24,470 --> 01:15:22,800

yeah and with with this kid under the

1981

01:15:27,590 --> 01:15:24,480

guise of role we needed to find

1982

01:15:29,430 --> 01:15:27,600

care for our child so they went to this

1983

01:15:31,110 --> 01:15:29,440

where his wife's parents were and they

1984

01:15:32,550 --> 01:15:31,120

had like a spare house so they stayed in

1985

01:15:35,830 --> 01:15:32,560

that house

1986

01:15:36,470 --> 01:15:35,840

and then on top of that uh to test

1987

01:15:39,990 --> 01:15:36,480

whether

1988

01:15:42,149 --> 01:15:40,000

he could drive or she could drive on her

1989

01:15:42,709 --> 01:15:42,159

birthday they drove to this castle and

1990

01:15:45,750 --> 01:15:42,719

back

1991

01:15:46,709 --> 01:15:45,760

which is like a 20-minute drive but what

1992

01:15:49,350 --> 01:15:46,719

that event

1993

01:15:51,350 --> 01:15:49,360

had in terms of psychological effect on

1994

01:15:52,149 --> 01:15:51,360

the population is it completely broke

1995

01:15:54,470 --> 01:15:52,159

the trust

1996

01:15:55,990 --> 01:15:54,480

in the system of oh we're trying to

1997

01:15:58,830 --> 01:15:56,000

flatten the curve and

1998

01:16:01,350 --> 01:15:58,840

we're trying to stop all of this

1999

01:16:04,470 --> 01:16:01,360

unnecessary death happening

2000

01:16:07,750 --> 01:16:04,480

because that guy was basically he

2001

01:16:10,390 --> 01:16:07,760

was basically number two in terms of

2002

01:16:11,830 --> 01:16:10,400

prime minister he was the lead advisor

2003

01:16:13,510 --> 01:16:11,840

and basically in charge his borrowers

2004

01:16:15,590 --> 01:16:13,520

johnson can't

2005

01:16:17,590 --> 01:16:15,600

make decisions ever yeah this is like

2006

01:16:17,910 --> 01:16:17,600

nancy pelosi getting caught going to a

2007

01:16:20,229 --> 01:16:17,920

uh

2008

01:16:21,270 --> 01:16:20,239

go into a beauty while they're all [h\_\_\h]

2009

01:16:23,750 --> 01:16:21,280

right

2010

01:16:24,709 --> 01:16:23,760

there undermines the whole the rules are

2011

01:16:28,110 --> 01:16:24,719

for the peasants

2012

01:16:31,669 --> 01:16:28,120

not for us oh absolutely uh

2013

01:16:33,430 --> 01:16:31,679

absolutely there's chris faking

2014

01:16:35,110 --> 01:16:33,440

coming out of the basement for the first

2015

01:16:37,510 --> 01:16:35,120

time when everybody knows he'd been out

2016

01:16:40,310 --> 01:16:37,520

of his house a bunch of times

2017

01:16:42,070 --> 01:16:40,320

that was funny and oh yeah it's like the

2018

01:16:44,070 --> 01:16:42,080

elite class think that that's just for

2019

01:16:46,470 --> 01:16:44,080

the peasants let's keep those peasants

2020

01:16:48,790 --> 01:16:46,480

stuck at home and lock down so that they

2021

01:16:50,870 --> 01:16:48,800

don't spread the germs to us rich people

2022

01:16:52,310 --> 01:16:50,880

yeah that haven't happened like

2023

01:16:54,470 --> 01:16:52,320

everybody just stopped

2024

01:16:56,790 --> 01:16:54,480

caring because everyone everyone hates

2025

01:16:59,510 --> 01:16:56,800

that guy anyway because of brexit

2026

01:17:01,510 --> 01:16:59,520

so once he had to do a speech in the

2027

01:17:04,790 --> 01:17:01,520

rose garden at downing street

2028

01:17:07,910 --> 01:17:04,800

he sat at a table for like 45 minutes

2029

01:17:10,149 --> 01:17:07,920

and just lied and lied and lied

2030

01:17:12,550 --> 01:17:10,159

and the reporters were calling him on it

2031

01:17:15,669 --> 01:17:12,560

and he was just flat out ignoring them

2032

01:17:17,750 --> 01:17:15,679

and it was just it was another [h\_\_\h] show

2033

01:17:19,590 --> 01:17:17,760

but after that nobody took the

2034

01:17:23,110 --> 01:17:19,600

restrictions seriously and now

2035

01:17:25,110 --> 01:17:23,120

we've got massive like spikes and

2036

01:17:26,310 --> 01:17:25,120

like the city of liverpool is currently

2037

01:17:27,910 --> 01:17:26,320

suing the government because the

2038

01:17:29,270 --> 01:17:27,920

government wants to shut down the whole

2039

01:17:32,390 --> 01:17:29,280

city of liverpool and

2040

01:17:35,030 --> 01:17:32,400

liverpool council like no

2041

01:17:35,990 --> 01:17:35,040

yeah it's really bad over there spooky

2042

01:17:38,229 --> 01:17:36,000

like they're saying

2043

01:17:39,350 --> 01:17:38,239

like another second or a third wave or

2044

01:17:44,630 --> 01:17:39,360

whatever they talk about

2045

01:17:46,310 --> 01:17:44,640

right is scary is

2046

01:17:47,510 --> 01:17:46,320

in a lot of states in the united states

2047

01:17:48,070 --> 01:17:47,520

and i'm watching my state pretty

2048

01:17:50,310 --> 01:17:48,080

carefully

2049

01:17:51,590 --> 01:17:50,320

it's still on the way down but you know

2050

01:17:53,910 --> 01:17:51,600

right that could change

2051

01:17:55,430 --> 01:17:53,920

any time and all this is scary and you

2052

01:17:57,990 --> 01:17:55,440

know i just want to thank all of you for

2053

01:18:00,709 --> 01:17:58,000

being a part of this tonight because

2054

01:18:02,709 --> 01:18:00,719

you know as as far apart as we all are

2055

01:18:04,870 --> 01:18:02,719

we're all going through similar things

2056

01:18:07,030 --> 01:18:04,880

and it makes me feel a little better to

2057

01:18:08,470 --> 01:18:07,040

know it's not just my crazy country

2058

01:18:10,229 --> 01:18:08,480

doing all this crazy [h\_\_h]

2059

01:18:12,550 --> 01:18:10,239

it's it's the whole world is going a

2060

01:18:16,149 --> 01:18:12,560

little bit yeah

2061

01:18:19,270 --> 01:18:16,159

isn't that but you know what um

2062

01:18:21,510 --> 01:18:19,280

the triggers for the lockdowns okay we

2063

01:18:24,550 --> 01:18:21,520

have to go back to the stage oops

2064

01:18:25,149 --> 01:18:24,560

here are more cases um i don't see as

2065

01:18:27,669 --> 01:18:25,159

much

2066

01:18:29,270 --> 01:18:27,679

transparency these days about the

2067

01:18:32,630 --> 01:18:29,280

reporting of

2068

01:18:35,669 --> 01:18:32,640

who and where and

2069

01:18:38,870 --> 01:18:35,679

why and how you know i want to know

2070

01:18:42,070 --> 01:18:38,880

more where is this uh

2071

01:18:42,630 --> 01:18:42,080

alarming news coming from where are the

2072

01:18:50,390 --> 01:18:42,640

stats

2073

01:18:52,470 --> 01:18:50,400

and so but but we've been conditioned

2074

01:18:54,310 --> 01:18:52,480

uh at the beginning they had lots of

2075

01:18:56,229 --> 01:18:54,320

stats lots of numbers

2076

01:18:57,430 --> 01:18:56,239

and they kept fluctuating you know kept

2077

01:19:01,750 --> 01:18:57,440

us off balance

2078

01:19:05,750 --> 01:19:03,830

what was true wasn't and then there was

2079

01:19:07,030 --> 01:19:05,760

more truth and then oh we didn't mean

2080

01:19:10,470 --> 01:19:07,040

that

2081

01:19:13,350 --> 01:19:10,480

um you don't need a mask you need a mask

2082

01:19:15,030 --> 01:19:13,360

it's crazy yeah and yeah i like how they

2083

01:19:17,030 --> 01:19:15,040

basically in our country they basically

2084

01:19:18,790 --> 01:19:17,040

admitted that they lied to everybody

2085

01:19:20,229 --> 01:19:18,800

that masks aren't effective because they

2086

01:19:21,830 --> 01:19:20,239

didn't want people hoarding them so that

2087

01:19:23,990 --> 01:19:21,840

the frontline workers would have enough

2088

01:19:25,990 --> 01:19:24,000

to deal with the hospitalization

2089

01:19:27,990 --> 01:19:26,000

exactly so they basically admit it well

2090

01:19:28,550 --> 01:19:28,000

we kind of we didn't want to cause a

2091

01:19:30,709 --> 01:19:28,560

panic

2092

01:19:32,550 --> 01:19:30,719

but yeah you probably should wear a mask

2093

01:19:33,910 --> 01:19:32,560

and that's another funny thing

2094

01:19:35,669 --> 01:19:33,920

i don't know about every other country

2095

01:19:38,310 --> 01:19:35,679

but here there is like

2096

01:19:39,910 --> 01:19:38,320

this back and forth between [h\_\_\h] masks

2097

01:19:41,910 --> 01:19:39,920

and masks don't work and

2098

01:19:43,270 --> 01:19:41,920

people refusing to wear masks and making

2099

01:19:44,950 --> 01:19:43,280

videos saying no

2100

01:19:46,630 --> 01:19:44,960

[h\_\_\h] you i don't have to wear a mask in

2101

01:19:49,430 --> 01:19:46,640

here and

2102

01:19:51,189 --> 01:19:49,440

for me i go it can't hurt right it can't

2103

01:19:52,790 --> 01:19:51,199

hurt i don't have a problem

2104

01:19:54,950 --> 01:19:52,800

i don't have a problem with it but it's

2105

01:19:57,110 --> 01:19:54,960

funny that there's this huge debate

2106

01:19:58,630 --> 01:19:57,120

just over wearing a mask some people are

2107

01:20:00,070 --> 01:19:58,640

just had enough they're tired of being

2108

01:20:01,510 --> 01:20:00,080

told what to do

2109

01:20:03,830 --> 01:20:01,520

but then you can't go in the store and

2110

01:20:09,350 --> 01:20:03,840

shop without it so i guess

2111

01:20:13,990 --> 01:20:12,790

i do out my front door like three times

2112

01:20:20,790 --> 01:20:14,000

now when i've gone out

2113

01:20:25,750 --> 01:20:23,990

i had to pick up this uh i bought uh

2114

01:20:27,030 --> 01:20:25,760

another wood stove for the cabin a wood

2115

01:20:28,709 --> 01:20:27,040

cook stove and uh

2116

01:20:29,910 --> 01:20:28,719

i could tell that they were like older

2117

01:20:31,990 --> 01:20:29,920

people and i didn't want to make them

2118

01:20:33,110 --> 01:20:32,000

nervous so i put on a mask just going to

2119

01:20:36,310 --> 01:20:33,120

get the thing

2120

01:20:39,830 --> 01:20:36,320

you know because you don't know

2121

01:20:43,990 --> 01:20:39,840

you don't know yeah yeah

2122

01:20:45,990 --> 01:20:44,000

but you know i was already committed to

2123

01:20:49,189 --> 01:20:46,000

going into the store one of the times

2124

01:20:51,189 --> 01:20:49,199

twice three times same store uh

2125

01:20:53,669 --> 01:20:51,199

going in there and i was wearing a

2126  
01:20:55,270 --> 01:20:53,679  
hoodie so as soon as i went to grab the

2127  
01:20:56,790 --> 01:20:55,280  
handle of the door i went oh [h\_\_h] i

2128  
01:20:58,629 --> 01:20:56,800  
don't have my mask because

2129  
01:21:01,270 --> 01:20:58,639  
when i grab for the door that's when i

2130  
01:21:04,390 --> 01:21:01,280  
pull it up and crimp it around my nose

2131  
01:21:04,950 --> 01:21:04,400  
um and so i just walked in with my

2132  
01:21:08,070 --> 01:21:04,960  
hoodie

2133  
01:21:10,709 --> 01:21:08,080  
pulled up over my face to my eyes and

2134  
01:21:11,430 --> 01:21:10,719  
went and got you know what i my bottle

2135  
01:21:16,550 --> 01:21:11,440  
of wine

2136  
01:21:20,229 --> 01:21:18,390  
i think that i have to watch myself

2137  
01:21:22,470 --> 01:21:20,239  
because my drinking just went

2138  
01:21:23,270 --> 01:21:22,480

like doubled since this thing started

2139

01:21:25,590 --> 01:21:23,280

because it's like

2140

01:21:27,189 --> 01:21:25,600

yeah it's self-medicating i guess you

2141

01:21:29,990 --> 01:21:27,199

know well no [h\_\_h]

2142

01:21:30,790 --> 01:21:30,000

my mate works in the um beverage

2143

01:21:33,030 --> 01:21:30,800

industry

2144

01:21:34,470 --> 01:21:33,040

and he's classed as an essential worker

2145

01:21:37,910 --> 01:21:34,480

so you know

2146

01:21:39,430 --> 01:21:37,920

at the same time yeah i was and i

2147

01:21:40,390 --> 01:21:39,440

remember when the lockdowns first got

2148

01:21:42,390 --> 01:21:40,400

announced

2149

01:21:43,990 --> 01:21:42,400

i hate this but my biggest concern was

2150

01:21:45,510 --> 01:21:44,000

like holy [h\_\_h]

2151  
01:21:47,110 --> 01:21:45,520  
they're shutting down the beer stores

2152  
01:21:48,709 --> 01:21:47,120  
too but i was wrong they weren't

2153  
01:21:50,790 --> 01:21:48,719  
shutting down because where i live

2154  
01:21:52,310 --> 01:21:50,800  
you can always they're essential workers

2155  
01:21:54,950 --> 01:21:52,320  
they still they

2156  
01:21:56,629 --> 01:21:54,960  
they did shut down the states so you

2157  
01:21:58,149 --> 01:21:56,639  
couldn't get liquor but you could go to

2158  
01:22:01,189 --> 01:21:58,159  
the beer store we have two

2159  
01:22:02,790 --> 01:22:01,199  
for some reason there's in my state

2160  
01:22:05,830 --> 01:22:02,800  
you can't sell beer and liquor because

2161  
01:22:08,229 --> 01:22:05,840  
the state runs the liquor business

2162  
01:22:10,070 --> 01:22:08,239  
criminals you know so they you know they

2163  
01:22:11,350 --> 01:22:10,080

start the state stores down but the beer

2164

01:22:13,350 --> 01:22:11,360

stores were allowed to be open

2165

01:22:16,070 --> 01:22:13,360

i'm not a big liquor guy but i was sure

2166

01:22:18,950 --> 01:22:16,080

happy like okay at least i can get beer

2167

01:22:19,510 --> 01:22:18,960

you know yeah beer would do it for me if

2168

01:22:21,910 --> 01:22:19,520

that's

2169

01:22:23,990 --> 01:22:21,920

all that was out there the weed stores

2170

01:22:25,910 --> 01:22:24,000

here were considered essential

2171

01:22:27,189 --> 01:22:25,920

the wheat stores yeah well the medical

2172

01:22:31,030 --> 01:22:27,199

we have medical

2173

01:22:32,629 --> 01:22:31,040

have a card so that was considered

2174

01:22:35,669 --> 01:22:32,639

essential here as well

2175

01:22:38,629 --> 01:22:35,679

it's medicine you know yeah that's how

2176  
01:22:40,390 --> 01:22:38,639  
we began here in southern california now

2177  
01:22:42,790 --> 01:22:40,400  
uh you can just go out and buy for

2178  
01:22:44,390 --> 01:22:42,800  
recreational i had medical in 12 and

2179  
01:22:47,830 --> 01:22:44,400  
then it became legal in

2180  
01:22:48,470 --> 01:22:47,840  
13 14. you can get you can get medical

2181  
01:22:50,070 --> 01:22:48,480  
here but

2182  
01:22:51,430 --> 01:22:50,080  
you get scripts but it's very hard

2183  
01:22:53,830 --> 01:22:51,440  
there's only a couple of doctors that

2184  
01:22:56,070 --> 01:22:53,840  
are doing it at the moment

2185  
01:22:56,870 --> 01:22:56,080  
they're making big money i'll bet

2186  
01:22:59,669 --> 01:22:56,880  
they're

2187  
01:23:00,470 --> 01:22:59,679  
i bet they make mercedes payments uh

2188  
01:23:02,149 --> 01:23:00,480

easily

2189

01:23:03,830 --> 01:23:02,159

and now they probably write a check i'll

2190

01:23:06,870 --> 01:23:03,840

bet they charge a lot of money

2191

01:23:09,030 --> 01:23:06,880

well this trying to get

2192

01:23:09,910 --> 01:23:09,040

um they're trying to push so that you

2193

01:23:11,669 --> 01:23:09,920

can

2194

01:23:13,430 --> 01:23:11,679

get it without a prescription over the

2195

01:23:15,830 --> 01:23:13,440

counter for like six uh

2196

01:23:16,629 --> 01:23:15,840

30 days supply from the canvas because

2197

01:23:18,629 --> 01:23:16,639

there's

2198

01:23:20,470 --> 01:23:18,639

not enough chemists that are actually or

2199

01:23:23,590 --> 01:23:20,480

pharmacies that are actually

2200

01:23:24,470 --> 01:23:23,600

um supplying it so even though you can

2201

01:23:27,910 --> 01:23:24,480

get a script

2202

01:23:29,750 --> 01:23:27,920

it's really hard to get the actual stuff

2203

01:23:31,110 --> 01:23:29,760

from someone so if they're trying to

2204

01:23:32,709 --> 01:23:31,120

make it so that it's just

2205

01:23:33,990 --> 01:23:32,719

easier because it's such a big business

2206

01:23:34,550 --> 01:23:34,000

and they want to make the money out of

2207

01:23:36,390 --> 01:23:34,560

it but

2208

01:23:38,470 --> 01:23:36,400

the red tape is what's holding it back

2209

01:23:40,470 --> 01:23:38,480

at the moment massive red tape

2210

01:23:42,390 --> 01:23:40,480

like if you get caught here in south

2211

01:23:43,510 --> 01:23:42,400

australia with it in your blood while

2212

01:23:45,030 --> 01:23:43,520

you're driving

2213

01:23:49,350 --> 01:23:45,040

i think you'll lose your license for

2214

01:23:53,030 --> 01:23:51,270

yeah there's a big like um can you

2215

01:23:53,830 --> 01:23:53,040

imagine what they're worried about is if

2216

01:23:55,990 --> 01:23:53,840

they make it

2217

01:23:57,430 --> 01:23:56,000

legal then there's all these insurance

2218

01:24:00,310 --> 01:23:57,440

implications and

2219

01:24:01,669 --> 01:24:00,320

they've gone so hardcore on drug stance

2220

01:24:03,669 --> 01:24:01,679

like yeah it just stuck

2221

01:24:05,030 --> 01:24:03,679

it's just opening it up for because it's

2222

01:24:08,550 --> 01:24:05,040

a gateway drug

2223

01:24:11,590 --> 01:24:08,560

you know it opens up drug users i know

2224

01:24:15,350 --> 01:24:11,600

i know oh and you you know what alcohol

2225

01:24:17,510 --> 01:24:15,360

is the gateway drug uh grasp

2226

01:24:18,470 --> 01:24:17,520

you know what okay wait let me make my

2227

01:24:21,830 --> 01:24:18,480

point here really quick

2228

01:24:26,229 --> 01:24:21,840

you're going for a while sorry but

2229

01:24:29,830 --> 01:24:26,239

anybody who smokes uh the wild cabbage

2230

01:24:30,310 --> 01:24:29,840

are the most careful drivers on the

2231

01:24:32,390 --> 01:24:30,320

phone

2232

01:24:33,990 --> 01:24:32,400

yeah you're going to slow mode i don't

2233

01:24:37,110 --> 01:24:34,000

know about that i don't know

2234

01:24:41,270 --> 01:24:37,120

why i don't i don't drive i never drive

2235

01:24:45,030 --> 01:24:44,229

[h\_\_h] i careful to make a point about

2236

01:24:50,870 --> 01:24:45,040

the gateway

2237

01:24:52,950 --> 01:24:50,880

i first started smoking weed and i

2238

01:24:53,350 --> 01:24:52,960

realized why people think it's a gateway

2239

01:24:54,709 --> 01:24:53,360

drug

2240

01:24:56,149 --> 01:24:54,719

because when you first start getting

2241

01:24:58,149 --> 01:24:56,159

weird you go and get it off someone's

2242

01:24:59,110 --> 01:24:58,159

bigger brother or some mate or someone

2243

01:25:01,110 --> 01:24:59,120

and you learn

2244

01:25:02,310 --> 01:25:01,120

about the the black market and then you

2245

01:25:03,830 --> 01:25:02,320

do that you they've got oh

2246

01:25:04,950 --> 01:25:03,840

how about you try a bit of this asset or

2247

01:25:06,310 --> 01:25:04,960

how about you're trying to build your

2248

01:25:06,870 --> 01:25:06,320

speed or how about you trying to

2249

01:25:08,149 --> 01:25:06,880

business

2250

01:25:10,149 --> 01:25:08,159

yeah because you're getting it from the

2251

01:25:11,669 --> 01:25:10,159

same people from a black market that are

2252

01:25:13,350 --> 01:25:11,679

selling the same things if you take it

2253

01:25:14,310 --> 01:25:13,360

out of the black market and put it into

2254

01:25:16,070 --> 01:25:14,320

a safe zone

2255

01:25:18,310 --> 01:25:16,080

it's not going to be putting kids around

2256

01:25:21,510 --> 01:25:18,320

that sort of thing exactly

2257

01:25:24,550 --> 01:25:21,520

yeah that's why it was labeled as such

2258

01:25:28,149 --> 01:25:24,560

but you know for just

2259

01:25:29,189 --> 01:25:28,159

the simple folk nah grass is not the

2260

01:25:32,950 --> 01:25:29,199

gateway drug

2261

01:25:35,590 --> 01:25:32,960

you all it's alcohol does

2262

01:25:36,310 --> 01:25:35,600

way more damage you know what i always

2263

01:25:39,430 --> 01:25:36,320

say when people

2264

01:25:41,189 --> 01:25:39,440

don't want marijuana legalized i i say

2265

01:25:43,189 --> 01:25:41,199

have you ever heard of somebody smoking

2266

01:25:43,910 --> 01:25:43,199

a bunch of weed and beating the [h\_\_h] out

2267

01:25:47,270 --> 01:25:43,920

of somebody

2268

01:25:49,830 --> 01:25:47,280

yes right listen liquor

2269

01:25:50,470 --> 01:25:49,840

and and drinking causes a lot of

2270

01:25:52,149 --> 01:25:50,480

violence

2271

01:25:57,669 --> 01:25:52,159

and i don't i just don't see and i've

2272

01:26:01,189 --> 01:26:00,229

start a riot five guys stoned start a

2273

01:26:04,790 --> 01:26:01,199

band

2274

01:26:07,830 --> 01:26:04,800

yeah exactly exactly

2275

01:26:08,629 --> 01:26:07,840

you know it's it's the the vegetable of

2276

01:26:11,750 --> 01:26:08,639

love

2277

01:26:14,709 --> 01:26:11,760

it's you know where you know

2278

01:26:15,270 --> 01:26:14,719

the native americans bless them you know

2279

01:26:17,510 --> 01:26:15,280

i got

2280

01:26:18,310 --> 01:26:17,520

my kids have native american blood you

2281

01:26:19,990 --> 01:26:18,320

know

2282

01:26:21,590 --> 01:26:20,000

there's a reason they call it a fire

2283

01:26:23,270 --> 01:26:21,600

water

2284

01:26:25,910 --> 01:26:23,280

because it makes you [h\_\_h] nest but

2285

01:26:28,470 --> 01:26:25,920

they smoked what the

2286

01:26:30,390 --> 01:26:28,480

they took the peyote stuff they did you

2287

01:26:33,430 --> 01:26:30,400

know hallucinogens and stuff

2288

01:26:35,750 --> 01:26:33,440

they were [\h\_\_\h] mellow insightful they

2289

01:26:39,430 --> 01:26:35,760

were shamans

2290

01:26:45,510 --> 01:26:39,440

but throw a fire water guy into that mix

2291

01:26:50,709 --> 01:26:47,110

on this but i'll call the beads in

2292

01:26:53,990 --> 01:26:50,719

arabic spirit that consumes from within

2293

01:26:57,430 --> 01:26:54,000

oh that's already that's that's not good

2294

01:26:58,070 --> 01:26:57,440

yeah and alcohol passes the blood brain

2295

01:27:00,229 --> 01:26:58,080

barrier

2296

01:27:02,830 --> 01:27:00,239

and immediately can change your thought

2297

01:27:06,070 --> 01:27:02,840

patterns and your neurotransmitter [\h\_\_\h]

2298

01:27:08,950 --> 01:27:06,080

uh so yeah grass doesn't do that grass

2299

01:27:11,750 --> 01:27:08,960

gets to all your feel-good places

2300

01:27:13,430 --> 01:27:11,760

yeah and it helps with pain which is the

2301  
01:27:19,189 --> 01:27:13,440  
main thing

2302  
01:27:22,870 --> 01:27:19,199  
yeah yeah yeah burton

2303  
01:27:25,990 --> 01:27:25,189  
i think those greys love the blue meth

2304  
01:27:28,149 --> 01:27:26,000  
i've heard

2305  
01:27:29,669 --> 01:27:28,159  
i think he's talking about that they

2306  
01:27:31,990 --> 01:27:29,679  
like the alien corpse

2307  
01:27:35,669 --> 01:27:32,000  
here in the uk they have beer and liquor

2308  
01:27:38,709 --> 01:27:37,910  
it's everywhere yeah here's the weird

2309  
01:27:40,310 --> 01:27:38,719  
thing everyone

2310  
01:27:41,590 --> 01:27:40,320  
in the country has to wear a mask

2311  
01:27:43,430 --> 01:27:41,600  
anytime they go in a shop or

2312  
01:27:44,149 --> 01:27:43,440  
establishment but the people working

2313  
01:27:46,470 --> 01:27:44,159

there

2314

01:27:47,910 --> 01:27:46,480

don't have to in the supermarkets they

2315

01:27:50,070 --> 01:27:47,920

just wear like the plastic face

2316

01:27:51,750 --> 01:27:50,080

coverings

2317

01:27:53,430 --> 01:27:51,760

see-through ones without a mask and i'm

2318

01:27:56,229 --> 01:27:53,440

like what

2319

01:27:57,350 --> 01:27:56,239

i don't mean at work every day any sense

2320

01:28:00,550 --> 01:27:57,360

it doesn't make any sense

2321

01:28:05,669 --> 01:28:00,560

nobody oh there's some people nobody

2322

01:28:09,350 --> 01:28:07,830

yeah i did that on a hiking trail around

2323

01:28:11,430 --> 01:28:09,360

here because you don't know

2324

01:28:12,870 --> 01:28:11,440

like there's a state park and there's a

2325

01:28:14,470 --> 01:28:12,880

big hiking trail and it's really

2326

01:28:17,110 --> 01:28:14,480

beautiful and a lot of people

2327

01:28:18,550 --> 01:28:17,120

will will walk the trail uh well not a

2328

01:28:20,310 --> 01:28:18,560

lot of people once in a while i see

2329

01:28:22,470 --> 01:28:20,320

somebody most of the time i don't

2330

01:28:23,590 --> 01:28:22,480

but i i have a mask with me just in case

2331

01:28:25,270 --> 01:28:23,600

because i don't want them to feel

2332

01:28:25,669 --> 01:28:25,280

nervous walking by me i don't want to be

2333

01:28:27,590 --> 01:28:25,679

like

2334

01:28:29,270 --> 01:28:27,600

i gotta go off in the woods and stay 20

2335

01:28:32,390 --> 01:28:29,280

feet from them while they walk by

2336

01:28:33,750 --> 01:28:32,400

or whatever yeah yeah but the masks are

2337

01:28:35,030 --> 01:28:33,760

an interesting issue

2338

01:28:37,189 --> 01:28:35,040

i don't know you know like i have a

2339

01:28:39,189 --> 01:28:37,199

niece that's a nurse who told me like

2340

01:28:40,629 --> 01:28:39,199

don't believe what they tell you a mask

2341

01:28:42,709 --> 01:28:40,639

is effective

2342

01:28:45,510 --> 01:28:42,719

and and can really help if everybody

2343

01:28:51,750 --> 01:28:48,790

okay stephen your niece uh the nurse

2344

01:28:52,629 --> 01:28:51,760

and did she notice an uptick in the

2345

01:28:54,950 --> 01:28:52,639

profession

2346

01:28:56,870 --> 01:28:54,960

in which she works well she works in

2347

01:28:58,790 --> 01:28:56,880

pediatric nursing so i don't think she's

2348

01:29:01,990 --> 01:28:58,800

seen much in fact but she did get

2349

01:29:03,750 --> 01:29:02,000

covid because her mother works for the

2350

01:29:05,830 --> 01:29:03,760

prison department this is like the

2351

01:29:07,189 --> 01:29:05,840

perfect storm for getting it

2352

01:29:09,510 --> 01:29:07,199

her mother works for the prison

2353

01:29:10,070 --> 01:29:09,520

department and her and her father works

2354

01:29:11,990 --> 01:29:10,080

for

2355

01:29:13,830 --> 01:29:12,000

the transportation the bus company in

2356

01:29:16,070 --> 01:29:13,840

philadelphia septa

2357

01:29:17,430 --> 01:29:16,080

and she works at a hospital so like

2358

01:29:19,430 --> 01:29:17,440

their whole family got it

2359

01:29:20,550 --> 01:29:19,440

but luckily they all had an easy time

2360

01:29:23,669 --> 01:29:20,560

with it and they had

2361

01:29:25,669 --> 01:29:23,679

mild symptoms and got over it

2362

01:29:27,669 --> 01:29:25,679

yeah all three of them were in high risk

2363

01:29:30,550 --> 01:29:27,679

professions to to contract it

2364

01:29:31,910 --> 01:29:30,560

right a boy even more than mine and you

2365

01:29:34,950 --> 01:29:31,920

know i worked in the

2366

01:29:38,430 --> 01:29:34,960

uh medical office but

2367

01:29:40,470 --> 01:29:38,440

uh everyone okay um this is really

2368

01:29:44,470 --> 01:29:40,480

controversial you guys this is

2369

01:29:47,510 --> 01:29:44,480

only my experience and it's not to be

2370

01:29:50,629 --> 01:29:47,520

uh anybody else's story but

2371

01:29:55,110 --> 01:29:50,639

of all of the healthcare practitioners

2372

01:29:58,950 --> 01:29:55,120

nurses er people uh emts

2373

01:30:02,709 --> 01:29:58,960

all of those guys uh

2374

01:30:07,189 --> 01:30:02,719

if the because i log in reports

2375

01:30:10,310 --> 01:30:07,199

and uh patient stuff

2376

01:30:14,070 --> 01:30:10,320

this was no different than any other

2377

01:30:15,189 --> 01:30:14,080

flu season okay that was only my

2378

01:30:18,550 --> 01:30:15,199

experience

2379

01:30:20,070 --> 01:30:18,560

but okay the difference was there was a

2380

01:30:26,310 --> 01:30:20,080

great fear

2381

01:30:27,910 --> 01:30:26,320

alertness people uh medical personnel

2382

01:30:30,950 --> 01:30:27,920

were doing drills

2383

01:30:33,030 --> 01:30:30,960

and preparation for you know the

2384

01:30:36,470 --> 01:30:33,040

holocaust

2385

01:30:37,270 --> 01:30:36,480

i i don't i use that word loosely sorry

2386

01:30:40,629 --> 01:30:37,280

but

2387

01:30:42,790 --> 01:30:40,639

uh in my experience

2388

01:30:43,990 --> 01:30:42,800

it was no different from any other flu

2389

01:30:47,430 --> 01:30:44,000

season outside

2390

01:30:50,790 --> 01:30:47,440

of the controversy and the fear and okay

2391

01:30:52,709 --> 01:30:50,800

you can edit this out later

2392

01:30:54,070 --> 01:30:52,719

no i think it's okay that's your opinion

2393

01:30:56,950 --> 01:30:54,080

and that's uh uh

2394

01:30:58,629 --> 01:30:56,960

this is i've heard a lot of people say

2395

01:31:00,790 --> 01:30:58,639

something like that and then

2396

01:31:02,229 --> 01:31:00,800

i've heard people like people that live

2397

01:31:03,350 --> 01:31:02,239

in new york city that are medical

2398

01:31:05,030 --> 01:31:03,360

professionals say

2399

01:31:06,550 --> 01:31:05,040

something entirely different like it was

2400

01:31:09,270 --> 01:31:06,560

a mess there you know

2401  
01:31:11,270 --> 01:31:09,280  
they had almost full capacity in the

2402  
01:31:12,470 --> 01:31:11,280  
icus a bunch of times and were scared

2403  
01:31:13,590 --> 01:31:12,480  
that they weren't going to have beds for

2404  
01:31:15,750 --> 01:31:13,600  
people and

2405  
01:31:17,430 --> 01:31:15,760  
you know so yeah i guess it depends on

2406  
01:31:19,669 --> 01:31:17,440  
where where you're at

2407  
01:31:20,870 --> 01:31:19,679  
like well some states have been harder

2408  
01:31:24,790 --> 01:31:20,880  
hit right

2409  
01:31:27,669 --> 01:31:24,800  
well i'm talking about los angeles

2410  
01:31:29,110 --> 01:31:27,679  
oh okay that's a big city yeah it's kind

2411  
01:31:32,790 --> 01:31:29,120  
of a big city

2412  
01:31:34,629 --> 01:31:32,800  
and so i'm not going to say any more

2413  
01:31:38,470 --> 01:31:34,639

about it damn my boy have a

2414

01:31:41,990 --> 01:31:40,550

no it's quite all right yeah so if

2415

01:31:43,510 --> 01:31:42,000

anybody else would like to join in the

2416

01:31:46,390 --> 01:31:43,520

stream you just send me a message

2417

01:31:48,390 --> 01:31:46,400

on facebook it's stephencambion or on

2418

01:31:50,149 --> 01:31:48,400

twitter it's at stevencambian or you can

2419

01:31:52,709 --> 01:31:50,159

email me at truthseekershow

2420

01:31:53,750 --> 01:31:52,719

gmail.com and we start our discussion

2421

01:31:57,430 --> 01:31:53,760

talking about

2422

01:32:00,149 --> 01:31:57,440

uh the the recent censorship and uh

2423

01:32:02,149 --> 01:32:00,159

and the the twitter or the youtube purge

2424

01:32:04,149 --> 01:32:02,159

of all these popular youtube channels

2425

01:32:07,910 --> 01:32:04,159

that are on french topics

2426

01:32:09,430 --> 01:32:07,920

and uh got into got into the weeds with

2427

01:32:12,470 --> 01:32:09,440

a coven mess

2428

01:32:14,310 --> 01:32:12,480

but i'm hoping i don't wanna what does

2429

01:32:16,550 --> 01:32:14,320

everybody think about the coming

2430

01:32:18,149 --> 01:32:16,560

year that's coming are you hopeful are

2431

01:32:19,910 --> 01:32:18,159

you uh

2432

01:32:21,270 --> 01:32:19,920

are you feeling like it's going to get

2433

01:32:22,790 --> 01:32:21,280

worse

2434

01:32:25,030 --> 01:32:22,800

how does everybody feel like what's

2435

01:32:26,870 --> 01:32:25,040

everybody's general state of mind about

2436

01:32:29,669 --> 01:32:26,880

the way things have been going and where

2437

01:32:31,350 --> 01:32:29,679

we're coming to from here

2438

01:32:33,030 --> 01:32:31,360

you're going to start the election will

2439

01:32:37,030 --> 01:32:33,040

have a big role in

2440

01:32:38,709 --> 01:32:37,040

what happens next yeah i agree with you

2441

01:32:40,229 --> 01:32:38,719

and i have a little bit of anxiety so

2442

01:32:41,590 --> 01:32:40,239

i've been stocking up on stuff here at

2443

01:32:43,110 --> 01:32:41,600

the cabin because if there's a lot of

2444

01:32:44,709 --> 01:32:43,120

violence in the city it's going to spill

2445

01:32:45,750 --> 01:32:44,719

right over into the suburbs where my

2446

01:32:48,950 --> 01:32:45,760

family is

2447

01:32:52,550 --> 01:32:50,629

buy a battle axe stephen you need a

2448

01:32:54,870 --> 01:32:52,560

battle axe

2449

01:32:55,990 --> 01:32:54,880

funny i don't i don't have i have a i

2450

01:32:57,990 --> 01:32:56,000

have a ninja sword

2451  
01:32:59,830 --> 01:32:58,000  
and a hunting bow and some other weapons

2452  
01:33:00,870 --> 01:32:59,840  
here but i don't have a battle axe but i

2453  
01:33:03,189 --> 01:33:00,880  
would like one

2454  
01:33:04,870 --> 01:33:03,199  
because that's cool yeah you should also

2455  
01:33:06,870 --> 01:33:04,880  
have a taser

2456  
01:33:09,110 --> 01:33:06,880  
yeah i do have it i actually i do oh i'm

2457  
01:33:12,629 --> 01:33:09,120  
sorry well i have a stunt of course you

2458  
01:33:14,390 --> 01:33:12,639  
do oh oh [h\_\_\h] of course you do

2459  
01:33:16,550 --> 01:33:14,400  
yeah it looks bad there's like a stun

2460  
01:33:18,470 --> 01:33:16,560  
gun with some rope and duct tape that

2461  
01:33:21,270 --> 01:33:18,480  
doesn't look good

2462  
01:33:22,390 --> 01:33:21,280  
you should mount it above the fireplace

2463  
01:33:26,629 --> 01:33:22,400

yeah

2464

01:33:29,510 --> 01:33:26,639

you've covered this yet

2465

01:33:31,270 --> 01:33:29,520

stephen but have you done a show on the

2466

01:33:34,950 --> 01:33:31,280

phenomenon

2467

01:33:36,709 --> 01:33:34,960

no i haven't and here's why i uh i

2468

01:33:38,070 --> 01:33:36,719

try to watch it and i only got about

2469

01:33:39,830 --> 01:33:38,080

halfway through and i went there's

2470

01:33:40,629 --> 01:33:39,840

really nothing new here it seemed to me

2471

01:33:42,149 --> 01:33:40,639

to be

2472

01:33:44,550 --> 01:33:42,159

uh the last half was better than the

2473

01:33:46,229 --> 01:33:44,560

first half yeah oh really all right well

2474

01:33:48,070 --> 01:33:46,239

i'm gonna finish it i just haven't had

2475

01:33:50,629 --> 01:33:48,080

time and then i was gonna do a review of

2476

01:33:52,470 --> 01:33:50,639

it but my the first half i kind of fell

2477

01:33:53,910 --> 01:33:52,480

asleep on because it was like

2478

01:33:55,910 --> 01:33:53,920

there's nothing new here it's just

2479

01:33:59,350 --> 01:33:55,920

repackaged stuff we've already heard

2480

01:34:00,149 --> 01:33:59,360

but then again i think yeah it's not for

2481

01:34:06,070 --> 01:34:00,159

us it's for

2482

01:34:09,270 --> 01:34:08,629

quarter i would say is is like i didn't

2483

01:34:12,550 --> 01:34:09,280

know about

2484

01:34:13,189 --> 01:34:12,560

that stuff and it is like new interviews

2485

01:34:16,870 --> 01:34:13,199

and stuff

2486

01:34:20,470 --> 01:34:16,880

and follow-up so it's like oh okay okay

2487

01:34:23,830 --> 01:34:20,480

so without ruining it it's good

2488

01:34:24,870 --> 01:34:23,840

i would say yeah and talk about that

2489

01:34:26,629 --> 01:34:24,880

then because

2490

01:34:28,950 --> 01:34:26,639

i noticed that a lot of people are

2491

01:34:30,950 --> 01:34:28,960

saying good things about it so i tried

2492

01:34:32,470 --> 01:34:30,960

but i just didn't get through it i kind

2493

01:34:34,950 --> 01:34:32,480

of put it on and fell asleep

2494

01:34:36,070 --> 01:34:34,960

after a while i'm gonna try again no

2495

01:34:39,430 --> 01:34:36,080

beginning

2496

01:34:39,669 --> 01:34:39,440

i agree with you there it was i would

2497

01:34:41,669 --> 01:34:39,679

have

2498

01:34:42,790 --> 01:34:41,679

maybe made it a little bit more upbeat

2499

01:34:44,870 --> 01:34:42,800

but

2500

01:34:46,149 --> 01:34:44,880

in terms of the information like it

2501  
01:34:49,270 --> 01:34:46,159  
ended in a place where

2502  
01:34:51,750 --> 01:34:49,280  
i was kind of like whoa kind of thing

2503  
01:34:55,030 --> 01:34:51,760  
so i just felt my elbow fell off my

2504  
01:34:58,390 --> 01:34:56,390  
so we're talking about what everybody

2505  
01:35:00,790 --> 01:34:58,400  
thinks about the future holds and how

2506  
01:35:03,510 --> 01:35:00,800  
everybody feels how about you bee gees

2507  
01:35:05,270 --> 01:35:03,520  
yeah i'm um i think there's a lot of

2508  
01:35:07,669 --> 01:35:05,280  
fear mongering going on

2509  
01:35:08,950 --> 01:35:07,679  
um even in australia we get a lot of

2510  
01:35:11,030 --> 01:35:08,960  
that um

2511  
01:35:13,189 --> 01:35:11,040  
you know the markets change when donald

2512  
01:35:15,189 --> 01:35:13,199  
trump opens his mouth and then the

2513  
01:35:16,550 --> 01:35:15,199

share market crashes and this that and

2514

01:35:18,709 --> 01:35:16,560

the other and

2515

01:35:20,629 --> 01:35:18,719

um you know i don't know but i think the

2516

01:35:23,750 --> 01:35:20,639

election is going to be massive

2517

01:35:25,030 --> 01:35:23,760

i feel like i'm apprehensive for all of

2518

01:35:26,470 --> 01:35:25,040

you guys because

2519

01:35:28,709 --> 01:35:26,480

you know he said he's not going to give

2520

01:35:32,390 --> 01:35:28,719

up power if it's like a close thing and

2521

01:35:37,750 --> 01:35:35,750

what happens because

2522

01:35:39,990 --> 01:35:37,760

if it's true that trump was spied on by

2523

01:35:42,229 --> 01:35:40,000

the obama administration

2524

01:35:43,910 --> 01:35:42,239

and that's not a peaceful transfer of

2525

01:35:46,790 --> 01:35:43,920

power either

2526

01:35:48,310 --> 01:35:46,800

yeah yeah either is does he have to play

2527

01:35:50,470 --> 01:35:48,320

by the same rules

2528

01:35:52,149 --> 01:35:50,480

i mean he should but like in his mind

2529

01:35:54,470 --> 01:35:52,159

he's thinking well they did that to me

2530

01:35:57,830 --> 01:35:54,480

so why should i follow the rules

2531

01:35:59,270 --> 01:35:57,840

i didn't see any transfer of power

2532

01:36:00,870 --> 01:35:59,280

yeah but you know what the scary thing

2533

01:36:02,229 --> 01:36:00,880

is it's like there could be a big

2534

01:36:04,070 --> 01:36:02,239

nightmare happen because

2535

01:36:06,390 --> 01:36:04,080

wha what we've never had that happen but

2536

01:36:08,149 --> 01:36:06,400

what the sitting president

2537

01:36:10,070 --> 01:36:08,159

even after the election like let's say

2538

01:36:11,910 --> 01:36:10,080

he loses right and and

2539

01:36:13,510 --> 01:36:11,920

by let's say november 5th we know that

2540

01:36:14,950 --> 01:36:13,520

he definitely lost and joe biden's

2541

01:36:17,430 --> 01:36:14,960

supposed to take over

2542

01:36:18,390 --> 01:36:17,440

but he's still in charge until january

2543

01:36:20,470 --> 01:36:18,400

and if he just

2544

01:36:21,910 --> 01:36:20,480

he's in charge of the military he's in

2545

01:36:24,070 --> 01:36:21,920

charge of the whole country

2546

01:36:25,350 --> 01:36:24,080

if he just decided i'm not handing over

2547

01:36:26,950 --> 01:36:25,360

power i'm not going to move out of the

2548

01:36:29,430 --> 01:36:26,960

white house [h\_\_h] you

2549

01:36:31,350 --> 01:36:29,440

and i the military is largely behind

2550

01:36:33,910 --> 01:36:31,360

trump i think more than biden

2551  
01:36:34,950 --> 01:36:33,920  
what could happen it could lead to some

2552  
01:36:38,310 --> 01:36:34,960  
really

2553  
01:36:41,510 --> 01:36:38,320  
constitutional nightmare i i think trump

2554  
01:36:43,750 --> 01:36:41,520  
is really eager to get back to playing

2555  
01:36:46,950 --> 01:36:43,760  
golf at mar-a-lago

2556  
01:36:51,270 --> 01:36:46,960  
but but he wants to go out like the

2557  
01:36:53,590 --> 01:36:51,280  
final flame he burns against the knight

2558  
01:36:56,310 --> 01:36:53,600  
you know he wants to go out with a bang

2559  
01:36:59,430 --> 01:36:56,320  
uh i'm sure he's making plans for the

2560  
01:37:02,310 --> 01:36:59,440  
the future or his yes men are

2561  
01:37:04,070 --> 01:37:02,320  
helping him make plans for the future mr

2562  
01:37:05,750 --> 01:37:04,080  
thor says that apparently he

2563  
01:37:08,070 --> 01:37:05,760

said in the last 10 hole that he would

2564

01:37:10,550 --> 01:37:08,080

transfer peaceful i didn't see that so

2565

01:37:11,270 --> 01:37:10,560

yeah okay he's lightened his tone on

2566

01:37:13,510 --> 01:37:11,280

that

2567

01:37:14,310 --> 01:37:13,520

but he does seem to be setting up for

2568

01:37:17,430 --> 01:37:14,320

like

2569

01:37:19,270 --> 01:37:17,440

uh if he does lose i think ego can't

2570

01:37:21,510 --> 01:37:19,280

take it if he really loses so he's going

2571

01:37:23,109 --> 01:37:21,520

to blame he's i think if he loses he's

2572

01:37:25,030 --> 01:37:23,119

going to blame voter fraud or

2573

01:37:26,950 --> 01:37:25,040

you know democrat dirty tricks or

2574

01:37:29,990 --> 01:37:26,960

something he's not going to be able to

2575

01:37:33,669 --> 01:37:30,000

to take the loss like that

2576

01:37:34,070 --> 01:37:33,679

oh he'll he'll uh rattle his bones and

2577

01:37:36,550 --> 01:37:34,080

you know

2578

01:37:37,270 --> 01:37:36,560

rhett or his saber and he'll set it

2579

01:37:39,109 --> 01:37:37,280

aflame

2580

01:37:40,310 --> 01:37:39,119

but you know he's definitely making

2581

01:37:42,950 --> 01:37:40,320

plans for his

2582

01:37:44,149 --> 01:37:42,960

future and it's going to be a life of

2583

01:37:46,790 --> 01:37:44,159

luxury

2584

01:37:47,189 --> 01:37:46,800

you know he made his mark on the world

2585

01:37:49,270 --> 01:37:47,199

um

2586

01:37:50,470 --> 01:37:49,280

and he's going to sit on his big orange

2587

01:37:55,830 --> 01:37:50,480

fat ass

2588

01:37:59,350 --> 01:37:57,430

yeah maybe it's retirement time because

2589

01:38:01,109 --> 01:37:59,360

like that's most presidents

2590

01:38:02,470 --> 01:38:01,119

if they if they did have a private life

2591

01:38:04,070 --> 01:38:02,480

most of them have been lifelong

2592

01:38:06,070 --> 01:38:04,080

politicians but

2593

01:38:07,669 --> 01:38:06,080

they retire they retire when they're

2594

01:38:09,189 --> 01:38:07,679

done the presidency because like what

2595

01:38:13,590 --> 01:38:09,199

else are you gonna do you had the

2596

01:38:16,390 --> 01:38:13,600

oh dude he had this glorious

2597

01:38:18,390 --> 01:38:16,400

life being donald trump dan hogan is

2598

01:38:21,510 --> 01:38:18,400

backing the president howdy

2599

01:38:22,709 --> 01:38:21,520

howdy danny and dan about that sorry i'm

2600

01:38:25,669 --> 01:38:22,719

on a roll here

2601  
01:38:27,590 --> 01:38:25,679  
but anyway donald trump has this whole

2602  
01:38:30,229 --> 01:38:27,600  
history and background and

2603  
01:38:31,750 --> 01:38:30,239  
you know the the playboy the bad boy the

2604  
01:38:34,709 --> 01:38:31,760  
spoiled boy

2605  
01:38:37,350 --> 01:38:34,719  
before he became president so he has a

2606  
01:38:39,189 --> 01:38:37,360  
life to go back to he is not a lifelong

2607  
01:38:41,109 --> 01:38:39,199  
politician this guy is

2608  
01:38:42,870 --> 01:38:41,119  
real real real different just like

2609  
01:38:45,910 --> 01:38:42,880  
ronald reagan was

2610  
01:38:50,310 --> 01:38:45,920  
uh but you know

2611  
01:38:52,790 --> 01:38:50,320  
he's gonna land on his feet that bastard

2612  
01:38:53,510 --> 01:38:52,800  
i gotta go guys my dad's just rocked up

2613  
01:38:56,390 --> 01:38:53,520

so okay

2614

01:39:08,390 --> 01:38:56,400

we'll take myself okay baby i love you

2615

01:39:13,830 --> 01:39:12,149

there we anybody else would like to go

2616

01:39:15,510 --> 01:39:13,840

in just just let me know in a message

2617

01:39:16,390 --> 01:39:15,520

either twitter facebook or the email

2618

01:39:20,310 --> 01:39:16,400

truthseeker show

2619

01:39:21,910 --> 01:39:20,320

gmail.com we're coming up on an

2620

01:39:23,430 --> 01:39:21,920

hour and 40 minutes so maybe we'll go

2621

01:39:24,229 --> 01:39:23,440

just a few you know just a little bit

2622

01:39:25,590 --> 01:39:24,239

longer

2623

01:39:27,270 --> 01:39:25,600

we got to kind of cut it before the

2624

01:39:29,030 --> 01:39:27,280

two-hour mark or youtube always has

2625

01:39:31,830 --> 01:39:29,040

problems with the stream getting there

2626

01:39:32,470 --> 01:39:31,840

it will take turns or something it's

2627

01:39:34,950 --> 01:39:32,480

weird

2628

01:39:37,270 --> 01:39:34,960

it takes a long time for the if there's

2629

01:39:39,430 --> 01:39:37,280

a chat it takes a long time for the chat

2630

01:39:42,709 --> 01:39:39,440

to show up yeah

2631

01:39:45,270 --> 01:39:42,719

yeah yeah it's weird i haven't

2632

01:39:46,229 --> 01:39:45,280

seen any issues with other channels with

2633

01:39:49,750 --> 01:39:46,239

that

2634

01:39:51,510 --> 01:39:49,760

so like my work did a two and a half

2635

01:39:54,070 --> 01:39:51,520

hour stream last night and that was

2636

01:39:55,750 --> 01:39:54,080

that was up right away yeah i don't know

2637

01:39:57,510 --> 01:39:55,760

maybe it has to do with sub counts or

2638

01:39:58,709 --> 01:39:57,520

that i was a new channel the last time i

2639

01:40:01,669 --> 01:39:58,719

tried to go over two

2640

01:40:03,669 --> 01:40:01,679

hours it took like it just took i think

2641

01:40:04,070 --> 01:40:03,679

i waited three days and it still wasn't

2642

01:40:05,750 --> 01:40:04,080

there

2643

01:40:07,189 --> 01:40:05,760

i didn't make it to the chat the link

2644

01:40:08,629 --> 01:40:07,199

was live but it didn't make it to the

2645

01:40:10,149 --> 01:40:08,639

channel so i had to download it and

2646

01:40:13,189 --> 01:40:10,159

re-upload it

2647

01:40:15,910 --> 01:40:13,199

oh my show is always like an hour

2648

01:40:17,590 --> 01:40:15,920

well sort of around an hour and it takes

2649

01:40:21,990 --> 01:40:17,600

an entire day

2650

01:40:24,629 --> 01:40:22,000

to get totally uploaded

2651  
01:40:25,669 --> 01:40:24,639  
but the chat will sometimes take more

2652  
01:40:27,910 --> 01:40:25,679  
than two days

2653  
01:40:28,870 --> 01:40:27,920  
to show yeah i guess they prioritize

2654  
01:40:30,709 --> 01:40:28,880  
because i don't blame them because

2655  
01:40:32,149 --> 01:40:30,719  
imagine you know but

2656  
01:40:33,830 --> 01:40:32,159  
there's like thousands of hours of

2657  
01:40:35,430 --> 01:40:33,840  
youtube content uploaded every day and

2658  
01:40:37,189 --> 01:40:35,440  
they have to process it all

2659  
01:40:38,790 --> 01:40:37,199  
that's like a that's a computer science

2660  
01:40:40,870 --> 01:40:38,800  
nightmare trust me

2661  
01:40:42,229 --> 01:40:40,880  
i don't even know how they do that you

2662  
01:40:45,030 --> 01:40:42,239  
know the

2663  
01:40:45,750 --> 01:40:45,040

investors they should have planned ahead

2664

01:40:47,270 --> 01:40:45,760

for this

2665

01:40:56,790 --> 01:40:47,280

you know they should have planned ahead

2666

01:40:59,990 --> 01:40:58,629

yeah if all else fails blame youtube i'm

2667

01:41:01,430 --> 01:41:00,000

kind of happy that i have stream yard

2668

01:41:03,270 --> 01:41:01,440

though because when the stream looks

2669

01:41:05,910 --> 01:41:03,280

really shitty i just blame them

2670

01:41:06,470 --> 01:41:05,920

it's not my terrible one not my shitty

2671

01:41:08,709 --> 01:41:06,480

20

2672

01:41:09,510 --> 01:41:08,719

webcam no [h\_\_\h] stream yard [h\_\_\h] the

2673

01:41:11,270 --> 01:41:09,520

stream up

2674

01:41:13,910 --> 01:41:11,280

but it really did look terrible from the

2675

01:41:16,149 --> 01:41:13,920

cabin i'm glad tonight it looks like

2676

01:41:17,030 --> 01:41:16,159

it looks really good it does look pretty

2677

01:41:19,830 --> 01:41:17,040

good yeah

2678

01:41:21,109 --> 01:41:19,840

yeah it's nice and that's just adding a

2679

01:41:22,790 --> 01:41:21,119

light like a dummy

2680

01:41:25,189 --> 01:41:22,800

i had to put one more like a lamp in

2681

01:41:25,510 --> 01:41:25,199

here well i don't i wouldn't change the

2682

01:41:28,070 --> 01:41:25,520

thing

2683

01:41:29,109 --> 01:41:28,080

this is great yeah i got that corey good

2684

01:41:31,750 --> 01:41:29,119

background

2685

01:41:33,350 --> 01:41:31,760

yeah i do yeah i got my own secret

2686

01:41:35,669 --> 01:41:33,360

spaceship over there

2687

01:41:38,070 --> 01:41:35,679

that's not a background that's my secret

2688

01:41:39,590 --> 01:41:38,080

spaceship

2689

01:41:41,430 --> 01:41:39,600

is that where david wilcox was

2690

01:41:48,709 --> 01:41:41,440

broadcasting from that day

2691

01:41:48,719 --> 01:41:52,629

he'd be more believable too

2692

01:41:58,070 --> 01:41:54,709

i only feel could be a handlebar right

2693

01:42:00,790 --> 01:41:58,080

like then i could do this all the time

2694

01:42:02,629 --> 01:42:00,800

oh that's a porn stash spooky i look

2695

01:42:03,830 --> 01:42:02,639

like [h\_\_h] with facial hair my wife

2696

01:42:05,830 --> 01:42:03,840

won't even let me

2697

01:42:07,990 --> 01:42:05,840

you know what she said she said if you

2698

01:42:10,950 --> 01:42:08,000

stop shaving i'm going to stop shaving

2699

01:42:14,470 --> 01:42:14,229

my legs my pink parts everything i'm not

2700

01:42:16,229 --> 01:42:14,480

sure

2701  
01:42:17,669 --> 01:42:16,239  
there's nothing so it's not that she

2702  
01:42:18,310 --> 01:42:17,679  
won't let you it's just that you don't

2703  
01:42:20,950 --> 01:42:18,320  
want to go there

2704  
01:42:23,669 --> 01:42:20,960  
yeah no man nobody wants a sasquatch in

2705  
01:42:28,310 --> 01:42:26,470  
so yeah i can't have and i look like an

2706  
01:42:30,310 --> 01:42:28,320  
[h\_\_h] too it grows in all patchy like

2707  
01:42:33,270 --> 01:42:30,320  
i'm 14 and can't grow a beard

2708  
01:42:34,709 --> 01:42:33,280  
you know so i have beard envy when it

2709  
01:42:35,990 --> 01:42:34,719  
and look dan hogan's got that i would

2710  
01:42:37,830 --> 01:42:36,000  
like that that like

2711  
01:42:39,430 --> 01:42:37,840  
goatee looking kind of thing you know

2712  
01:42:41,910 --> 01:42:39,440  
it's getting it's getting pretty gray

2713  
01:42:43,030 --> 01:42:41,920

i don't know and genocide and ufo gain

2714

01:42:45,030 --> 01:42:43,040

off got the big man

2715

01:42:46,149 --> 01:42:45,040

i'm going to say you guys got this real

2716

01:42:48,229 --> 01:42:46,159

deal going on

2717

01:42:50,149 --> 01:42:48,239

yeah that's manly man that's wearing

2718

01:42:51,990 --> 01:42:50,159

your hormones on the outside

2719

01:42:53,590 --> 01:42:52,000

these guys are wearing their hormones on

2720

01:42:55,590 --> 01:42:53,600

the outside of their face

2721

01:42:56,790 --> 01:42:55,600

i guess i don't have enough to do that

2722

01:43:00,550 --> 01:42:56,800

it's almost like

2723

01:43:03,350 --> 01:43:00,560

leaving your fly unzipped boy and john

2724

01:43:04,310 --> 01:43:03,360

you guys have these glorious of facial

2725

01:43:06,070 --> 01:43:04,320

hairs you know

2726

01:43:11,030 --> 01:43:06,080

i salute you you know for your

2727

01:43:15,750 --> 01:43:13,910

yeah that's it hey steven are you eight

2728

01:43:17,510 --> 01:43:15,760

are you a new york times bestselling

2729

01:43:18,229 --> 01:43:17,520

author with cal corfea what's going on

2730

01:43:21,030 --> 01:43:18,239

with that

2731

01:43:22,629 --> 01:43:21,040

oh i don't know uh i don't i think last

2732

01:43:23,590 --> 01:43:22,639

time i talked to kelly said the book was

2733

01:43:26,229 --> 01:43:23,600

selling well

2734

01:43:26,709 --> 01:43:26,239

but we're not gonna i'm not gonna buy

2735

01:43:28,550 --> 01:43:26,719

eight

2736

01:43:30,470 --> 01:43:28,560

thousand copies like some people and

2737

01:43:31,510 --> 01:43:30,480

stack them up in my garage so that i can

2738

01:43:36,310 --> 01:43:31,520

get to the

2739

01:43:38,709 --> 01:43:36,320

list oh yeah when you get

2740

01:43:39,350 --> 01:43:38,719

down to the last several dozen it

2741

01:43:41,510 --> 01:43:39,360

becomes

2742

01:43:43,189 --> 01:43:41,520

pathetic yeah you don't want to do that

2743

01:43:46,550 --> 01:43:43,199

no i still you know what's funny as

2744

01:43:47,590 --> 01:43:46,560

i still have boxes and boxes of cds from

2745

01:43:49,430 --> 01:43:47,600

my rock bands

2746

01:43:50,629 --> 01:43:49,440

in the shed over here like when i moved

2747

01:43:52,070 --> 01:43:50,639

i just put them in there i don't know

2748

01:43:54,149 --> 01:43:52,080

what else to do with them

2749

01:43:55,910 --> 01:43:54,159

so someday i'm going to drag them out of

2750

01:43:59,750 --> 01:43:55,920

the shed and they're going to be prizes

2751

01:44:05,510 --> 01:44:03,109

in cds stack them up

2752

01:44:06,950 --> 01:44:05,520

and when the tour ends however many is

2753

01:44:10,310 --> 01:44:06,960

left in that van

2754

01:44:13,430 --> 01:44:10,320

you're going to have for a while uh

2755

01:44:15,430 --> 01:44:13,440

stephen uh i think you should

2756

01:44:16,470 --> 01:44:15,440

break out one of those boxes from

2757

01:44:19,430 --> 01:44:16,480

storage and

2758

01:44:20,229 --> 01:44:19,440

send one to each one of your guests here

2759

01:44:22,070 --> 01:44:20,239

tonight

2760

01:44:24,550 --> 01:44:22,080

yeah i could do that i could do that or

2761

01:44:27,750 --> 01:44:24,560

even even your patreon worms

2762

01:44:29,669 --> 01:44:27,760

yeah yeah well at the very least at the

2763

01:44:31,109 --> 01:44:29,679

very least i'm gonna i'm gonna digitize

2764

01:44:31,750 --> 01:44:31,119

them and put them on patreon for

2765

01:44:34,790 --> 01:44:31,760

everyone

2766

01:44:37,910 --> 01:44:34,800

oh you know but also you have those

2767

01:44:38,950 --> 01:44:37,920

those relics those vintage things to

2768

01:44:42,870 --> 01:44:38,960

send out as

2769

01:44:44,950 --> 01:44:42,880

special thanks to perhaps your panels

2770

01:44:46,550 --> 01:44:44,960

yeah yeah you do that so i could say

2771

01:44:47,590 --> 01:44:46,560

with you all right i learned it by

2772

01:44:50,149 --> 01:44:47,600

watching you

2773

01:44:53,510 --> 01:44:50,159

you send prizes to your guests right

2774

01:44:56,870 --> 01:44:56,070

it's meaningful so stephen if you you

2775

01:44:59,830 --> 01:44:56,880

know send

2776

01:45:03,030 --> 01:44:59,840

send them out and then advertise it and

2777

01:45:05,590 --> 01:45:03,040

then that will lead to other [h\_\_h] and

2778

01:45:07,590 --> 01:45:05,600

you know they're just sitting there what

2779

01:45:09,510 --> 01:45:07,600

else are they doing for you send those

2780

01:45:11,750 --> 01:45:09,520

[h\_\_h] out there

2781

01:45:13,590 --> 01:45:11,760

yeah i just want to mention too like we

2782

01:45:15,590 --> 01:45:13,600

got a donation

2783

01:45:16,709 --> 01:45:15,600

uh from somebody that i didn't know who

2784

01:45:19,350 --> 01:45:16,719

they were

2785

01:45:20,950 --> 01:45:19,360

uh because they didn't give their their

2786

01:45:23,350 --> 01:45:20,960

live chat id and i don't want to shout

2787

01:45:25,910 --> 01:45:23,360

out their real name so that was andrew

2788

01:45:26,790 --> 01:45:25,920

or i just gave his first name hey yes

2789

01:45:29,030 --> 01:45:26,800

initials as

2790

01:45:30,550 --> 01:45:29,040

god i'm terrible with this gave a kind

2791

01:45:33,830 --> 01:45:30,560

fifteen dollar donation

2792

01:45:35,590 --> 01:45:33,840

and then jonah side gave a kind five

2793

01:45:36,709 --> 01:45:35,600

dollar donation so i want to thank both

2794

01:45:39,669 --> 01:45:36,719

of them there's donate

2795

01:45:40,229 --> 01:45:39,679

button and uh patreon this month on

2796

01:45:42,550 --> 01:45:40,239

patreon

2797

01:45:43,430 --> 01:45:42,560

it should i keep saying the final mind

2798

01:45:45,590 --> 01:45:43,440

hack demo

2799

01:45:47,270 --> 01:45:45,600

and then i don't and then it's not the

2800

01:45:50,629 --> 01:45:47,280

final one because we think of more stuff

2801

01:45:54,149 --> 01:45:52,149

if you're on patreon you get all that

2802

01:45:56,709 --> 01:45:54,159

stuff in pieces before it's finished and

2803

01:46:00,310 --> 01:45:56,719

should be for sale soon to go along with

2804

01:46:02,070 --> 01:46:00,320

you know and then dan hogan your your

2805

01:46:03,669 --> 01:46:02,080

thank you for reminding me to mention

2806

01:46:06,390 --> 01:46:03,679

the book because i guess

2807

01:46:08,310 --> 01:46:06,400

if if it's on amazon with my name on it

2808

01:46:15,030 --> 01:46:08,320

i should mention it on every show or

2809

01:46:18,550 --> 01:46:18,149

yeah no i'm out we'll be listening but i

2810

01:46:26,550 --> 01:46:18,560

i

2811

01:46:30,550 --> 01:46:26,560

you

2812

01:46:33,430 --> 01:46:30,560

john

2813

01:46:37,189 --> 01:46:33,440

have a good night i've got to go too i

2814

01:46:42,790 --> 01:46:41,189

oh [h\_\_h] i miss jonas

2815

01:46:44,470 --> 01:46:42,800

all right well thank you so much

2816

01:46:46,870 --> 01:46:44,480

appreciate your participation tonight

2817

01:46:48,709 --> 01:46:46,880

was kind of experiment thank you

2818

01:46:50,390 --> 01:46:48,719

oh no no thank you for having us on and

2819

01:46:51,990 --> 01:46:50,400

i'll definitely come back again and

2820

01:46:53,270 --> 01:46:52,000

jump on another time when we do this

2821

01:46:54,149 --> 01:46:53,280

it's always good to have a round table

2822

01:46:58,629 --> 01:46:54,159

discussion guys

2823

01:47:03,030 --> 01:46:58,639

so yeah yeah absolutely thank you yeah

2824

01:47:04,470 --> 01:47:03,040

it's been okay bye

2825

01:47:07,030 --> 01:47:04,480

rob good to see you again robin all

2826

01:47:10,950 --> 01:47:07,040

right see you guys

2827

01:47:12,229 --> 01:47:10,960

have a good night okay and uh kb is here

2828

01:47:13,990 --> 01:47:12,239

in the live chat and asks

2829

01:47:17,189 --> 01:47:14,000

what's the temp at the cabin steven did

2830

01:47:19,270 --> 01:47:17,199

it snow yet it's about 35 outside

2831

01:47:20,629 --> 01:47:19,280

hasn't snowed yet and yeah if you see me

2832

01:47:21,030 --> 01:47:20,639

reaching over here i'm like throwing

2833

01:47:25,510 --> 01:47:21,040

wood

2834

01:47:27,430 --> 01:47:25,520

there we go just trying to get it

2835

01:47:29,030 --> 01:47:27,440

kindled up and and keep it going and

2836

01:47:32,310 --> 01:47:29,040

then when the stream ends i'll

2837

01:47:35,669 --> 01:47:32,320

pack it up but it's like 75 in the cabin

2838

01:47:37,350 --> 01:47:35,679

this wood stove so i'm warm and cozy in

2839

01:47:39,270 --> 01:47:37,360

my happy place with

2840

01:47:40,790 --> 01:47:39,280

some friends tonight which is fun so

2841

01:47:43,510 --> 01:47:40,800

thank you guys for doing it

2842

01:47:43,910 --> 01:47:43,520

oh boy thanks for having us hope this is

2843

01:47:45,990 --> 01:47:43,920

whoa

2844

01:47:47,910 --> 01:47:46,000

and vanessa thor says it's so hot here

2845

01:47:51,189 --> 01:47:47,920

89 jesus it's 34

2846

01:47:52,149 --> 01:47:51,199

outside really okay i don't know what it

2847

01:47:55,189 --> 01:47:52,159

is here

2848

01:47:58,550 --> 01:47:55,199

uh but you live up in

2849

01:48:01,750 --> 01:47:58,560

oh the glorious place you live honey

2850

01:48:03,669 --> 01:48:01,760

yeah kb was the first wood stove pizza

2851

01:48:05,189 --> 01:48:03,679

yeah that was great i've been eating way

2852

01:48:07,109 --> 01:48:05,199

too much pizza i'm gonna get fat i'm

2853

01:48:08,310 --> 01:48:07,119

eating so much pizza and dan hogan wants

2854

01:48:12,229 --> 01:48:08,320

me to deliver we're gonna eat

2855

01:48:18,709 --> 01:48:15,750

yeah i may eat some pizza later yeah

2856

01:48:19,270 --> 01:48:18,719

so we were talking about we were talking

2857

01:48:22,390 --> 01:48:19,280

about

2858

01:48:25,590 --> 01:48:22,400

don't think that i got

2859

01:48:29,590 --> 01:48:25,600

oh dan hogan's a little busy

2860

01:48:31,109 --> 01:48:29,600

okay sorry so what do you think about

2861

01:48:32,950 --> 01:48:31,119

are you feeling hopeful about what's

2862

01:48:35,030 --> 01:48:32,960

coming next in the future or are you

2863

01:48:38,470 --> 01:48:35,040

a little worried about the election and

2864

01:48:42,550 --> 01:48:38,480

all this craziness and coveted nonsense

2865

01:48:46,390 --> 01:48:45,350

yeah that's a good question i don't know

2866

01:48:48,229 --> 01:48:46,400

um

2867

01:48:50,149 --> 01:48:48,239

i think you had made a comment earlier

2868

01:48:51,750 --> 01:48:50,159

about you know when you were

2869

01:48:53,830 --> 01:48:51,760

you know younger like a young dad you

2870

01:48:55,350 --> 01:48:53,840

were trying to be more optimistic and

2871

01:48:56,470 --> 01:48:55,360

hopeful for the future and i guess you

2872

01:49:02,870 --> 01:48:56,480

know

2873

01:49:03,669 --> 01:49:02,880

uh optimistic for what's gonna happen

2874

01:49:05,830 --> 01:49:03,679

but uh

2875

01:49:07,109 --> 01:49:05,840

i think it's just i don't know i think

2876

01:49:09,030 --> 01:49:07,119

we're in for a little bit of a rough

2877

01:49:10,790 --> 01:49:09,040

patch

2878

01:49:12,149 --> 01:49:10,800

i mean there's really no other i mean

2879

01:49:13,669 --> 01:49:12,159

there's not really another better way of

2880

01:49:14,550 --> 01:49:13,679

putting it i honestly think that's kind

2881

01:49:16,790 --> 01:49:14,560

of where

2882

01:49:18,149 --> 01:49:16,800

we're going because you know i truly and

2883

01:49:19,030 --> 01:49:18,159

we talked about this a little bit before

2884

01:49:21,430 --> 01:49:19,040

i think but

2885

01:49:22,950 --> 01:49:21,440

if trump if trump wins i think you're

2886

01:49:26,149 --> 01:49:22,960

gonna see a lot of

2887

01:49:27,430 --> 01:49:26,159

on in the streets there's gonna be a lot

2888

01:49:29,109 --> 01:49:27,440

of unrest and

2889

01:49:31,510 --> 01:49:29,119

i think you know trump loses i think

2890

01:49:33,270 --> 01:49:31,520

you're going to see some unrest too but

2891

01:49:35,589 --> 01:49:33,280

maybe not as not as much i

2892

01:49:38,870 --> 01:49:35,599

in my opinion not as much on the trump

2893

01:49:41,750 --> 01:49:38,880

side if as if biden were to

2894

01:49:42,229 --> 01:49:41,760

well you know there's no way to call it

2895

01:49:45,189 --> 01:49:42,239

because

2896

01:49:45,830 --> 01:49:45,199

no matter which way it goes there's no

2897

01:49:48,870 --> 01:49:45,840

way

2898

01:49:50,390 --> 01:49:48,880

somebody's going to be unhappy

2899

01:49:51,990 --> 01:49:50,400

like i said earlier it's a it's a

2900

01:49:54,229 --> 01:49:52,000

dumpster fire either way

2901

01:49:56,070 --> 01:49:54,239

i mean this is it really is sad that in

2902

01:49:57,189 --> 01:49:56,080

this day and age in america like i said

2903

01:50:00,950 --> 01:49:57,199

these are the two best

2904

01:50:04,229 --> 01:50:00,960

put you know on the table

2905

01:50:06,709 --> 01:50:04,239

yeah yeah yeah yeah these are true

2906

01:50:08,470 --> 01:50:06,719

donald trump is a you know donald trump

2907

01:50:11,270 --> 01:50:08,480

is kind of a symptom of

2908

01:50:12,790 --> 01:50:11,280

how politics has been going for the last

2909

01:50:13,910 --> 01:50:12,800

you know 30 or 40 years rob and you made

2910

01:50:15,430 --> 01:50:13,920

that comment about you know ronald

2911

01:50:16,790 --> 01:50:15,440

reagan he was an actor

2912

01:50:18,629 --> 01:50:16,800

and he ended up you know going into

2913

01:50:20,070 --> 01:50:18,639

politics but i think when you look at

2914

01:50:22,470 --> 01:50:20,080

you know almost it almost kind of starts

2915

01:50:24,629 --> 01:50:22,480

like around 9 11 in my opinion is

2916

01:50:26,149 --> 01:50:24,639

you know you saw that where you know

2917

01:50:27,830 --> 01:50:26,159

bush was kind of constantly getting

2918

01:50:29,589 --> 01:50:27,840

hammered by the democrats and then

2919

01:50:31,109 --> 01:50:29,599

obama comes in and he gets constantly

2920

01:50:32,149 --> 01:50:31,119

hammered by republicans and it's been

2921

01:50:34,390 --> 01:50:32,159

getting worse

2922

01:50:35,830 --> 01:50:34,400

and worse and less civil and less civil

2923

01:50:39,669 --> 01:50:35,840

and i think donald trump

2924

01:50:41,510 --> 01:50:39,679

is the cause of you know 20 years of

2925

01:50:44,310 --> 01:50:41,520

people not being able to sit

2926

01:50:44,629 --> 01:50:44,320

at a table together and have civil dis

2927

01:50:47,830 --> 01:50:44,639

you know

2928

01:50:50,149 --> 01:50:47,840

civil dialogue without being babies and

2929

01:50:52,070 --> 01:50:50,159

that's where we're there now because we

2930

01:50:54,310 --> 01:50:52,080

couldn't you know be adults

2931

01:50:55,990 --> 01:50:54,320

15 20 years ago yeah i think the only

2932

01:50:57,270 --> 01:50:56,000

reason that he got elected is because

2933

01:50:59,589 --> 01:50:57,280

people were so sick and

2934

01:51:00,550 --> 01:50:59,599

at least he was an outsider or so we

2935

01:51:03,109 --> 01:51:00,560

thought you know

2936

01:51:03,830 --> 01:51:03,119

like he was different so people believed

2937

01:51:06,149 --> 01:51:03,840

that he could do

2938

01:51:06,950 --> 01:51:06,159

all this [\h\_\_\h] like he's draining the

2939

01:51:10,149 --> 01:51:06,960

swamp

2940

01:51:11,350 --> 01:51:10,159

know yeah

2941

01:51:13,350 --> 01:51:11,360

and i think you know looking back oh

2942

01:51:15,669 --> 01:51:13,360

sorry robin go ahead no i

2943

01:51:17,189 --> 01:51:15,679

i just wanted to interject because i

2944

01:51:21,510 --> 01:51:17,199

love repeating myself

2945

01:51:25,350 --> 01:51:21,520

because i'm an old woman but uh

2946

01:51:28,229 --> 01:51:25,360

the fact that we only had those two

2947

01:51:29,430 --> 01:51:28,239

bizarre choices you know for the last

2948

01:51:32,830 --> 01:51:29,440

many elections

2949

01:51:35,430 --> 01:51:32,840

we've had we're really restricted to our

2950

01:51:38,629 --> 01:51:35,440

choices why can't i choose

2951  
01:51:41,669 --> 01:51:38,639  
from more people why

2952  
01:51:43,589 --> 01:51:41,679  
did who makes the rules that we only

2953  
01:51:46,790 --> 01:51:43,599  
have two choices

2954  
01:51:48,149 --> 01:51:46,800  
yeah okay system sucks well there's no i

2955  
01:51:49,750 --> 01:51:48,159  
mean there's nothing that says we can't

2956  
01:51:51,510 --> 01:51:49,760  
have more than two parties but they make

2957  
01:51:52,709 --> 01:51:51,520  
it they stack the deck against us so

2958  
01:51:54,310 --> 01:51:52,719  
much that it's like

2959  
01:51:56,149 --> 01:51:54,320  
you know i've wanted to vote third party

2960  
01:51:57,830 --> 01:51:56,159  
the last three cycles and it's like you

2961  
01:51:59,030 --> 01:51:57,840  
know i hate to say we you always hear

2962  
01:52:00,550 --> 01:51:59,040  
that on the you know

2963  
01:52:01,669 --> 01:52:00,560

a third-party vote it's a wasted vote

2964

01:52:02,229 --> 01:52:01,679

and you almost want to think that it's

2965

01:52:03,430 --> 01:52:02,239

not

2966

01:52:05,270 --> 01:52:03,440

because you think in reality if

2967

01:52:06,470 --> 01:52:05,280

everybody voted the way that you know

2968

01:52:07,910 --> 01:52:06,480

you talk to like a group of friends and

2969

01:52:09,430 --> 01:52:07,920

they're all like oh man i wish i would

2970

01:52:11,830 --> 01:52:09,440

i really want to vote for this guy but i

2971

01:52:13,750 --> 01:52:11,840

can't because he's not going to win

2972

01:52:15,430 --> 01:52:13,760

and if everybody voted that way that guy

2973

01:52:16,070 --> 01:52:15,440

would [h\_\_h] win but that's just not

2974

01:52:18,070 --> 01:52:16,080

how it goes

2975

01:52:20,070 --> 01:52:18,080

so it's like you know you yeah they got

2976

01:52:22,070 --> 01:52:20,080

a [h\_\_h] game like trump like i don't

2977

01:52:23,750 --> 01:52:22,080

think trump was a real republican he was

2978

01:52:26,070 --> 01:52:23,760

a democrat his entire life

2979

01:52:27,910 --> 01:52:26,080

i think he was shrewd though and said i

2980

01:52:30,229 --> 01:52:27,920

can't win as a democrat but i can

2981

01:52:33,270 --> 01:52:30,239

[h\_\_h] sure win as a republican

2982

01:52:34,709 --> 01:52:33,280

yeah because there are a lot of people

2983

01:52:36,709 --> 01:52:34,719

a lot of people who don't even

2984

01:52:41,189 --> 01:52:36,719

participate in politics

2985

01:52:44,229 --> 01:52:41,199

who he could he had this vast

2986

01:52:46,709 --> 01:52:44,239

uh geographic that

2987

01:52:48,229 --> 01:52:46,719

never had a voice and he pretended to

2988

01:52:51,430 --> 01:52:48,239

give them a voice so he

2989

01:52:55,510 --> 01:52:51,440

got all of these

2990

01:52:58,629 --> 01:52:55,520

followers and that's why you see all the

2991

01:53:00,229 --> 01:52:58,639

red hats in yeah wow

2992

01:53:01,589 --> 01:53:00,239

well listen folks we're coming up on two

2993

01:53:03,109 --> 01:53:01,599

hours so i want to thank you guys all

2994

01:53:04,070 --> 01:53:03,119

for jumping in here and participating in

2995

01:53:06,310 --> 01:53:04,080

this first

2996

01:53:07,270 --> 01:53:06,320

i guess round table and maybe we'll do

2997

01:53:09,189 --> 01:53:07,280

this again

2998

01:53:10,870 --> 01:53:09,199

because it was fun and it was an easy

2999

01:53:12,390 --> 01:53:10,880

show on me which i like

3000

01:53:13,669 --> 01:53:12,400

so thank you all for your help i don't

3001  
01:53:15,589 --> 01:53:13,679  
have to be the only one talking through

3002  
01:53:17,589 --> 01:53:15,599  
this whole thing

3003  
01:53:19,189 --> 01:53:17,599  
for once sorry about my technical

3004  
01:53:20,229 --> 01:53:19,199  
difficulties my computer decided it was

3005  
01:53:22,070 --> 01:53:20,239  
going to do something more

3006  
01:53:23,910 --> 01:53:22,080  
like a restart reboot deal that's

3007  
01:53:24,229 --> 01:53:23,920  
amazing to me that this [h\_\_\h] works at

3008  
01:53:25,990 --> 01:53:24,239  
all

3009  
01:53:27,270 --> 01:53:26,000  
it's like magic to me something i'm

3010  
01:53:28,550 --> 01:53:27,280  
going to check

3011  
01:53:30,709 --> 01:53:28,560  
it's amazing we have people from all

3012  
01:53:32,470 --> 01:53:30,719  
over the world in in this virtual room

3013  
01:53:34,790 --> 01:53:32,480

tonight and we all had a discussion

3014

01:53:36,310 --> 01:53:34,800

so thank you all for joining me thank

3015

01:53:38,709 --> 01:53:36,320

3016

01:53:39,990 --> 01:53:38,719
