1
00:01:41,690 --> 00:00:38,230
[Music]

2
00:02:05,190 --> 00:01:41,700
so

3
00:02:47,750 --> 00:02:40,430
[Music]

4
00:02:55,430 --> 00:02:51,830
greetings greetings and salutations

5
00:02:59,110 --> 00:02:55,440
i am coming to you live on the

6
00:03:00,949 --> 00:02:59,120
eve of the united states presidential

7
00:03:04,550 --> 00:03:00,959
elections

8
00:03:08,149 --> 00:03:04,560
and i have been steadily digesting

9
00:03:12,070 --> 00:03:08,159
a menu of chaos

10
00:03:14,630 --> 00:03:12,080
and anarchy to come for probably

11
00:03:16,070 --> 00:03:14,640
a week now really but it's really

12
00:03:21,750 --> 00:03:16,080
ramping up

13
00:03:29,030 --> 00:03:25,509

election day comes

14

00:03:31,430 --> 00:03:29,040

uh it's 9 p.m eastern standard time i'm

15

00:03:32,070 --> 00:03:31,440

not sure what time the polls open across

16

00:03:35,670 --> 00:03:32,080

america

17

00:03:38,789 --> 00:03:35,680

tomorrow but early morning for sure

18

00:03:41,430 --> 00:03:38,799

and we're off

19

00:03:41,990 --> 00:03:41,440

i suppose the good news is we may get to

20

00:03:45,190 --> 00:03:42,000

see an

21

00:03:48,070 --> 00:03:45,200

end to this drama but

22

00:03:51,190 --> 00:03:48,080

most experts and uh there's so many

23

00:03:53,350 --> 00:03:51,200

media sources that are

24

00:03:54,869 --> 00:03:53,360

seemingly indicating that because of the

25

00:03:57,990 --> 00:03:54,879

mail in voting and

26

00:04:01,350 --> 00:03:58,000

the decisions of a few uh

27

00:04:02,630 --> 00:04:01,360

judges we might not know until november

28

00:04:05,910 --> 00:04:02,640

12th

29

00:04:10,149 --> 00:04:05,920

or is it 19th or is it november

30

00:04:12,830 --> 00:04:10,159

30th i don't know no one really knows

31

00:04:14,470 --> 00:04:12,840

if we're gonna get any kind of election

32

00:04:18,629 --> 00:04:14,480

result in a

33

00:04:21,110 --> 00:04:18,639

uh in a

34

00:04:22,469 --> 00:04:21,120

i what i would call an acceptable time

35

00:04:24,790 --> 00:04:22,479

frame

36

00:04:27,110 --> 00:04:24,800

some things about this election process

37

00:04:31,189 --> 00:04:27,120

don't make any sense to me

38

00:04:32,550 --> 00:04:31,199

if the mail-in ballots were all mailed

39

00:04:35,270 --> 00:04:32,560

by election day

40

00:04:35,990 --> 00:04:35,280

or by postmarked a week before election

41

00:04:37,990 --> 00:04:36,000

day

42

00:04:40,230 --> 00:04:38,000

there's all of this chaos there's all

43

00:04:42,310 --> 00:04:40,240

this confusion but my point is

44

00:04:44,070 --> 00:04:42,320

can't you just count the mailed in

45

00:04:45,270 --> 00:04:44,080

ballots the same day you count the

46

00:04:48,469 --> 00:04:45,280

in-person ballots

47

00:04:50,710 --> 00:04:48,479

and we can get a result um

48

00:04:53,670 --> 00:04:50,720

i don't know why they're seemingly going

49

00:04:56,629 --> 00:04:53,680

to drag this one along

50

00:04:56,950 --> 00:04:56,639

the pennsylvania state attorney general

51

00:04:58,310 --> 00:04:56,960

uh

52

00:05:00,629 --> 00:04:58,320

basically said that under no

53

00:05:03,909 --> 00:05:00,639

circumstances will trump

54

00:05:05,350 --> 00:05:03,919

win this election uh people are calling

55

00:05:06,950 --> 00:05:05,360

for his resignation

56

00:05:09,510 --> 00:05:06,960

saying that he is the guy that's

57

00:05:11,189 --> 00:05:09,520

overseeing the election in pennsylvania

58

00:05:13,110 --> 00:05:11,199

seems a little suspect for the guy

59

00:05:15,029 --> 00:05:13,120

that's overseeing the election

60

00:05:16,870 --> 00:05:15,039

in a major battleground state to say

61

00:05:19,270 --> 00:05:16,880

there's no way one or the other

62

00:05:22,870 --> 00:05:19,280

contestant will win

63

00:05:27,350 --> 00:05:22,880

um i'm following

64

00:05:30,469 --> 00:05:27,360

a bunch of crazy threads on twitter

65

00:05:34,550 --> 00:05:30,479

just filled with violence anarchy

66

00:05:39,790 --> 00:05:37,749

i'm trying to be calm and rational and

67

00:05:42,710 --> 00:05:39,800

not

68

00:05:45,590 --> 00:05:42,720

conspiratorial i

69

00:05:47,510 --> 00:05:45,600

i'm you know being a little

70

00:05:49,510 --> 00:05:47,520

conspiratorial and not trusting

71

00:05:50,870 --> 00:05:49,520

anything the government tells me is just

72

00:05:54,150 --> 00:05:50,880

in my nature

73

00:05:56,629 --> 00:05:54,160

call me kooky uh yeah i don't believe

74

00:05:58,550 --> 00:05:56,639

anything the government tells me and

75

00:06:01,189 --> 00:05:58,560

recently i've added i don't believe

76
00:06:02,230 --> 00:06:01,199
anything the mainstream media tells me

77
00:06:05,510 --> 00:06:02,240
either

78
00:06:07,909 --> 00:06:05,520
which leaves me in a very strange place

79
00:06:09,189 --> 00:06:07,919
to find out what's really happening out

80
00:06:12,150 --> 00:06:09,199
there

81
00:06:12,550 --> 00:06:12,160
but i've taken it upon myself to try and

82
00:06:16,230 --> 00:06:12,560
find

83
00:06:19,430 --> 00:06:16,240
out and

84
00:06:21,830 --> 00:06:19,440
i don't get it i don't get it

85
00:06:23,990 --> 00:06:21,840
that's where i'm at i just don't get it

86
00:06:26,629 --> 00:06:24,000
i don't get the violence in the streets

87
00:06:29,710 --> 00:06:26,639
i don't get the rioting and the looting

88
00:06:36,390 --> 00:06:33,110

divisiveness i don't get a

89

00:06:38,150 --> 00:06:36,400

son disowning his mother

90

00:06:39,830 --> 00:06:38,160

because she said that she was going to

91

00:06:43,590 --> 00:06:39,840

vote for the candidate

92

00:06:48,230 --> 00:06:45,990

i don't get a lot of my friends and

93

00:06:51,510 --> 00:06:48,240

family arguing and bickering for eight

94

00:06:54,390 --> 00:06:51,520

hours a day on facebook in these 40

95

00:06:56,390 --> 00:06:54,400

reply threads about who the le the

96

00:07:00,150 --> 00:06:56,400

lesser of these two criminals

97

00:07:03,189 --> 00:07:00,160

are we are left with two choices

98

00:07:06,710 --> 00:07:03,199

one old white guy from uh

99

00:07:08,950 --> 00:07:06,720

you know corporate america uh that is a

100

00:07:12,710 --> 00:07:08,960

bit of a bullshitter and

101
00:07:16,870 --> 00:07:12,720
fake and self-promoting narcissist

102
00:07:20,230 --> 00:07:16,880
or we get another old white guy

103
00:07:22,390 --> 00:07:20,240
criminal uh who has sold out our country

104
00:07:23,510 --> 00:07:22,400
every chance that he got for personal

105
00:07:25,830 --> 00:07:23,520
profit of both

106
00:07:28,629 --> 00:07:25,840
him and his family who is extremely

107
00:07:30,870 --> 00:07:28,639
compromised and probably easily bribed

108
00:07:32,550 --> 00:07:30,880
given the amount of money that foreign

109
00:07:34,870 --> 00:07:32,560
governments have given him and his

110
00:07:38,309 --> 00:07:34,880
family

111
00:07:41,990 --> 00:07:38,319
these are our choices and

112
00:07:44,629 --> 00:07:42,000
neither choice is good so personally

113
00:07:47,110 --> 00:07:44,639

i just don't get people arguing over

114

00:07:50,469 --> 00:07:47,120

these two choices

115

00:07:53,430 --> 00:07:50,479

really neither these two

116

00:07:55,270 --> 00:07:53,440

there's no pillar of righteousness here

117

00:07:58,150 --> 00:07:55,280

on either side

118

00:07:59,270 --> 00:07:58,160

they're both basically criminals and we

119

00:08:01,909 --> 00:07:59,280

have to choose

120

00:08:02,790 --> 00:08:01,919

between the lesser of two evils once

121

00:08:07,029 --> 00:08:02,800

again

122

00:08:10,629 --> 00:08:07,039

this is the choice we're given

123

00:08:13,670 --> 00:08:10,639

i don't remember when i was younger

124

00:08:15,990 --> 00:08:13,680

feeling so much like i had to choose

125

00:08:18,070 --> 00:08:16,000

between the lesser of two evils there

126

00:08:21,189 --> 00:08:18,080

was some candidates that i just

127

00:08:24,790 --> 00:08:21,199

liked uh were they

128

00:08:27,909 --> 00:08:24,800

pillars of the community or without

129

00:08:32,230 --> 00:08:27,919

problems or scandals not really um

130

00:08:36,230 --> 00:08:34,630

some of them i believed in i believed in

131

00:08:39,190 --> 00:08:36,240

the [h__\h] i guess

132

00:08:39,670 --> 00:08:39,200

you know uh there's an old joke you know

133

00:08:42,070 --> 00:08:39,680

about

134

00:08:44,550 --> 00:08:42,080

how to know if a politician is lying

135

00:08:47,430 --> 00:08:44,560

he's moving his lips

136

00:08:47,910 --> 00:08:47,440

i tend to go with the george carlin

137

00:08:50,630 --> 00:08:47,920

school

138

00:08:51,269 --> 00:08:50,640

of politics now which is they don't give

139

00:08:54,630 --> 00:08:51,279

a [h__h]

140

00:08:58,389 --> 00:08:54,640

about you neither of these guys

141

00:09:01,030 --> 00:08:58,399

gives a [h__h] about you they care about

142

00:09:03,190 --> 00:09:01,040

power and money and expanding their

143

00:09:06,070 --> 00:09:03,200

circle of influence

144

00:09:06,790 --> 00:09:06,080

feeding their ego their endless ego

145

00:09:10,310 --> 00:09:06,800

where they

146

00:09:12,310 --> 00:09:10,320

what kind of an ego does it take even to

147

00:09:15,829 --> 00:09:12,320

rise yourself to the level that you

148

00:09:18,150 --> 00:09:15,839

decide you're going to control

149

00:09:20,150 --> 00:09:18,160

the united states you decide that you're

150

00:09:21,190 --> 00:09:20,160

going to be the leader the great leader

151
00:09:23,750 --> 00:09:21,200
of the united states

152
00:09:25,590 --> 00:09:23,760
takes a [h__h] monster ego to reach

153
00:09:29,030 --> 00:09:25,600
that point

154
00:09:31,509 --> 00:09:29,040
or maybe uh some kind of a personal

155
00:09:32,310 --> 00:09:31,519
mission that you feel like it must right

156
00:09:34,310 --> 00:09:32,320
but i don't

157
00:09:36,470 --> 00:09:34,320
get that from candidates i don't get

158
00:09:37,990 --> 00:09:36,480
that they really thought that the

159
00:09:42,710 --> 00:09:38,000
country needed them

160
00:09:46,230 --> 00:09:44,790
it seems to me that uh things are

161
00:09:48,949 --> 00:09:46,240
quickly

162
00:09:51,350 --> 00:09:48,959
devolving in the united states into

163
00:09:53,590 --> 00:09:51,360

complete and total chaos

164

00:09:54,949 --> 00:09:53,600

and there are some scary signs going on

165

00:09:58,230 --> 00:09:54,959

right now

166

00:10:01,269 --> 00:09:58,240

of the turmoil that just may be coming

167

00:10:03,030 --> 00:10:01,279

i'm gonna take a moment and uh

168

00:10:04,790 --> 00:10:03,040

check in with the live chat we're going

169

00:10:07,350 --> 00:10:04,800

to give some shout outs here

170

00:10:08,230 --> 00:10:07,360

shout outs to charles unleashed first in

171

00:10:11,110 --> 00:10:08,240

the live chat

172

00:10:13,350 --> 00:10:11,120

charles unleashed out of mind shout out

173

00:10:25,509 --> 00:10:13,360

to

174

00:10:29,990 --> 00:10:25,519

genocide

175

00:10:34,949 --> 00:10:30,000

pragmatic is here uh

176

00:10:38,949 --> 00:10:37,829

ufo gandalf is here i think i and

177

00:10:43,750 --> 00:10:38,959

genocide is here

178

00:10:48,710 --> 00:10:46,470

yes i'm on uh sba time savings i don't

179

00:10:51,030 --> 00:10:48,720

know maybe i didn't change my clocks or

180

00:10:53,670 --> 00:10:51,040

i don't i don't know it's 9 p.m eastern

181

00:10:55,750 --> 00:10:53,680

here at least i thought it was

182

00:11:01,829 --> 00:10:55,760

that's great i'm in a situation where

183

00:11:05,110 --> 00:11:01,839

i'm not quite sure what time it is

184

00:11:07,509 --> 00:11:05,120

now yeah i'm right it's nice it's 9 17

185

00:11:09,030 --> 00:11:07,519

p.m eastern time right now my computer

186

00:11:10,710 --> 00:11:09,040

clock is right i'm not sure if stream

187

00:11:11,990 --> 00:11:10,720

yard might have screwed something up if

188

00:11:14,949 --> 00:11:12,000

so

189

00:11:16,310 --> 00:11:14,959

i apologize shout out to bunya bunny is

190

00:11:20,310 --> 00:11:16,320

here shout out to kb

191

00:11:23,350 --> 00:11:20,320

kb is here shout out to uh

192

00:11:25,910 --> 00:11:23,360

i think that's mike miguel

193

00:11:27,750 --> 00:11:25,920

oh well he's there from facebook uh he

194

00:11:29,590 --> 00:11:27,760

put a comment from face he's commenting

195

00:11:31,350 --> 00:11:29,600

and watching on facebook

196

00:11:33,509 --> 00:11:31,360

josepha prisco is here shout out to

197

00:11:37,030 --> 00:11:33,519

joseph prisco shout out to michael

198

00:11:40,949 --> 00:11:37,040

shout out to paranormal hood

199

00:11:43,190 --> 00:11:40,959

live is in the live chat

200

00:11:44,949 --> 00:11:43,200

brad gray is in the live chat kevin

201
00:11:48,389 --> 00:11:44,959
mccarthy

202
00:11:51,590 --> 00:11:48,399
saw

203
00:11:54,470 --> 00:11:51,600
he's one of my oldest friends husbands

204
00:11:56,470 --> 00:11:54,480
kevin mccarthy i saw it's so funny i

205
00:11:57,829 --> 00:11:56,480
just use facebook now to talk to old

206
00:12:00,710 --> 00:11:57,839
friends that i haven't talked to in a

207
00:12:03,190 --> 00:12:00,720
while through my show

208
00:12:05,110 --> 00:12:03,200
kevin mccarthy i saw that you subscribed

209
00:12:07,110 --> 00:12:05,120
and i went oh that's cool maybe he'll

210
00:12:08,949 --> 00:12:07,120
catch us on facebook or maybe he's seen

211
00:12:10,389 --> 00:12:08,959
us on facebook and then subscribe thank

212
00:12:13,110 --> 00:12:10,399
you for the subscription

213
00:12:14,790 --> 00:12:13,120

tell your wife and your uh new beautiful

214

00:12:17,670 --> 00:12:14,800

baby i say hello

215

00:12:18,150 --> 00:12:17,680

he's got the cutest new baby and kevin i

216

00:12:20,310 --> 00:12:18,160

gotta

217

00:12:22,310 --> 00:12:20,320

talk to you because we want to build

218

00:12:22,629 --> 00:12:22,320

something here at our house that's like

219

00:12:25,910 --> 00:12:22,639

a

220

00:12:27,829 --> 00:12:25,920

door

221

00:12:29,670 --> 00:12:27,839

can you do that i i'm betting you could

222

00:12:31,590 --> 00:12:29,680

do that if i could figure out a way to

223

00:12:33,750 --> 00:12:31,600

get the money to pay you

224

00:12:35,590 --> 00:12:33,760

it would be a huge problem off of my

225

00:12:36,550 --> 00:12:35,600

list of things to do here at our new

226

00:12:37,990 --> 00:12:36,560

house

227

00:12:40,230 --> 00:12:38,000

we've been here a few years i still

228

00:12:41,829 --> 00:12:40,240

haven't gotten to that kevin builds

229

00:12:45,990 --> 00:12:41,839

custom furniture

230

00:12:49,750 --> 00:12:46,000

and kevin um comment in the live

231

00:12:51,590 --> 00:12:49,760

or comment in facebook what your uh

232

00:12:52,790 --> 00:12:51,600

company's name is so that i can give you

233

00:12:55,910 --> 00:12:52,800

a plug

234

00:12:58,150 --> 00:12:55,920

so uh i have been steadily digesting all

235

00:13:00,710 --> 00:12:58,160

the chaos and anarchy that's going on

236

00:13:01,670 --> 00:13:00,720

around uh both in the united states and

237

00:13:05,030 --> 00:13:01,680

abroad

238

00:13:07,190 --> 00:13:05,040

for those that don't know most of europe

239

00:13:08,870 --> 00:13:07,200

uh most of the european countries many

240

00:13:12,389 --> 00:13:08,880

of them at least italy

241

00:13:12,949 --> 00:13:12,399

france spain a few others have decided

242

00:13:14,710 --> 00:13:12,959

that

243

00:13:17,190 --> 00:13:14,720

they're going to do a lockdown on their

244

00:13:19,670 --> 00:13:17,200

citizens until christmas

245

00:13:21,750 --> 00:13:19,680

uh and this is after they've already

246

00:13:23,509 --> 00:13:21,760

been through quite a lengthy lockdown

247

00:13:25,110 --> 00:13:23,519

and reopening process

248

00:13:27,670 --> 00:13:25,120

apparently there's a second wave in

249

00:13:30,710 --> 00:13:27,680

europe there is a ton

250

00:13:32,790 --> 00:13:30,720

of protests i think the european people

251
00:13:34,389 --> 00:13:32,800
many of them in italy france spain have

252
00:13:35,590 --> 00:13:34,399
had enough and they're telling their

253
00:13:38,069 --> 00:13:35,600
governments no

254
00:13:38,949 --> 00:13:38,079
you're not gonna lock us down for you

255
00:13:42,150 --> 00:13:38,959
know

256
00:13:44,310 --> 00:13:42,160
three four months again um

257
00:13:45,750 --> 00:13:44,320
the situation air is similar to here

258
00:13:46,230 --> 00:13:45,760
people are told to just stay in their

259
00:13:49,430 --> 00:13:46,240
home

260
00:13:50,949 --> 00:13:49,440
only go to the supermarket at least in

261
00:13:51,990 --> 00:13:50,959
europe though the government is giving

262
00:13:53,829 --> 00:13:52,000
most

263
00:13:55,430 --> 00:13:53,839

the citizens that that they're telling

264

00:13:57,189 --> 00:13:55,440

not to go to work some money so that

265

00:13:58,470 --> 00:13:57,199

they could survive but still you're

266

00:13:59,829 --> 00:13:58,480

asking people to be locked in their

267

00:14:01,590 --> 00:13:59,839

house

268

00:14:03,430 --> 00:14:01,600

for four or five months not go anywhere

269

00:14:06,470 --> 00:14:03,440

except the supermarket

270

00:14:07,350 --> 00:14:06,480

uh that's a problem for people that are

271

00:14:09,189 --> 00:14:07,360

just sick of it

272

00:14:11,829 --> 00:14:09,199

people are tired of it people feel like

273

00:14:16,790 --> 00:14:11,839

they have had enough

274

00:14:18,629 --> 00:14:16,800

um i am going to i just put all this

275

00:14:20,230 --> 00:14:18,639

i just put a bunch of crap on my twitter

276

00:14:21,430 --> 00:14:20,240

i don't know how to keep track of all of

277

00:14:23,509 --> 00:14:21,440

this stuff but when i

278

00:14:24,870 --> 00:14:23,519

saw a clip that i thought this is

279

00:14:26,389 --> 00:14:24,880

something that i should share because

280

00:14:29,430 --> 00:14:26,399

this is crazy

281

00:14:32,629 --> 00:14:29,440

i i put them on my twitter

282

00:14:36,389 --> 00:14:32,639

so see if we can

283

00:14:40,550 --> 00:14:38,870

some of this stuff from the from the

284

00:14:44,870 --> 00:14:40,560

protests

285

00:14:48,710 --> 00:14:44,880

taking place

286

00:14:50,629 --> 00:14:48,720

in europe right now

287

00:14:52,470 --> 00:14:50,639

uh well some of the video clips are a

288

00:14:53,910 --> 00:14:52,480

little older so maybe last night and the

289

00:14:56,949 --> 00:14:53,920

night before

290

00:14:58,710 --> 00:14:56,959

but um it's very disturbing to see

291

00:15:00,629 --> 00:14:58,720

what's going on in europe right now

292

00:15:02,550 --> 00:15:00,639

especially when you add that to the

293

00:15:03,990 --> 00:15:02,560

chaos that's going on with all the

294

00:15:07,189 --> 00:15:04,000

rioting and looting

295

00:15:07,910 --> 00:15:07,199

and violent protests here's something

296

00:15:10,310 --> 00:15:07,920

i'm gonna say

297

00:15:11,509 --> 00:15:10,320

i am tired of the mainstream media

298

00:15:15,590 --> 00:15:11,519

saying things like

299

00:15:17,750 --> 00:15:15,600

mainly peaceful protests uh

300

00:15:20,069 --> 00:15:17,760

we don't do that here they're mainly

301

00:15:21,829 --> 00:15:20,079

violent protests

302

00:15:23,670 --> 00:15:21,839

that's what they are they're mainly

303

00:15:24,710 --> 00:15:23,680

violent protests are there some peaceful

304

00:15:27,829 --> 00:15:24,720

protesters

305

00:15:30,150 --> 00:15:27,839

in there sure but they're mainly violent

306

00:15:33,430 --> 00:15:30,160

protests that's what they are

307

00:15:35,670 --> 00:15:33,440

let's call a spade a spade and cancel

308

00:15:38,150 --> 00:15:35,680

culture can cancel me for saying that

309

00:15:40,389 --> 00:15:38,160

but they're mainly violent protests

310

00:15:41,189 --> 00:15:40,399

friends so we're gonna coin a new term

311

00:15:43,910 --> 00:15:41,199

here

312

00:15:46,949 --> 00:15:43,920

and we're gonna hashtag that [h__h] mainly

313

00:15:50,470 --> 00:15:46,959

violent protests

314

00:15:54,310 --> 00:15:50,480

so um in regards to the uh

315

00:15:55,829 --> 00:15:54,320

unrest and uh unhappiness of the

316

00:15:57,670 --> 00:15:55,839

many european people with their

317

00:15:58,629 --> 00:15:57,680

government's decision to lock them down

318

00:16:02,150 --> 00:15:58,639

again

319

00:16:05,189 --> 00:16:02,160

there is a lot of disturbing video clips

320

00:16:07,430 --> 00:16:05,199

uh all over twitter all over facebook

321

00:16:09,990 --> 00:16:07,440

all over youtube if you know where to

322

00:16:12,710 --> 00:16:10,000

look i have been looking into this for

323

00:16:15,670 --> 00:16:12,720

half the day and like i said i'm

324

00:16:19,590 --> 00:16:15,680

digesting my menu of anarchy chaos

325

00:16:23,030 --> 00:16:19,600

rioting looting violence civil unrest

326

00:16:24,230 --> 00:16:23,040

and i can't say that my mental state of

327

00:16:26,870 --> 00:16:24,240

being is better

328

00:16:29,670 --> 00:16:26,880

for having done that but uh let's take a

329

00:16:34,629 --> 00:16:31,350

and i'm going to say fair use we're

330

00:16:37,430 --> 00:16:34,639

educating the public about the

331

00:16:38,069 --> 00:16:37,440

i don't know a coming apocalypse and you

332

00:16:40,870 --> 00:16:38,079

know

333

00:16:47,509 --> 00:16:40,880

things in europe right now uh this is in

334

00:16:51,269 --> 00:16:49,030

these are people that have had enough

335

00:16:52,389 --> 00:16:51,279

lockdowns these are people that have had

336

00:16:56,470 --> 00:16:52,399

enough government

337

00:16:59,749 --> 00:16:56,480

restrictions these are people

338

00:17:02,389 --> 00:16:59,759

that probably are not going to comply

339

00:17:05,990 --> 00:17:02,399

with the government orders it's a

340

00:17:09,750 --> 00:17:09,029

one person uh from this event apparently

341

00:17:12,470 --> 00:17:09,760

has

342

00:17:25,510 --> 00:17:12,480

had to have their hand amputated he got

343

00:17:30,630 --> 00:17:29,110

i think that all governments

344

00:17:32,710 --> 00:17:30,640

all governments may find that they're

345

00:17:34,549 --> 00:17:32,720

going to have a little harder time

346

00:17:37,590 --> 00:17:34,559

getting people to comply with quarantine

347

00:17:44,830 --> 00:17:37,600

orders and lockdown orders

348

00:17:56,950 --> 00:17:46,789

and

349

00:18:03,350 --> 00:17:59,990

more insanity more chaos

350

00:18:10,230 --> 00:18:03,360

on the streets of europe

351
00:18:10,240 --> 00:18:16,030
and fair use we're educating the public

352
00:18:27,350 --> 00:18:22,630
[Music]

353
00:18:29,510 --> 00:18:27,360
in case i forgot to say it fair use

354
00:18:31,190 --> 00:18:29,520
we're educating the public about the

355
00:18:32,789 --> 00:18:31,200
civil unrest that's happening all over

356
00:18:35,510 --> 00:18:32,799
in europe in regards to

357
00:18:46,470 --> 00:18:35,520
the recent decision by many governments

358
00:18:50,950 --> 00:18:48,710
just a crazy thing to see so it's not

359
00:18:53,990 --> 00:18:50,960
just the united states going crazy

360
00:18:57,669 --> 00:18:55,750
at least it's good to know at least it's

361
00:18:58,870 --> 00:18:57,679
good to know that brings me some comfort

362
00:19:01,909 --> 00:18:58,880
to know that it's not

363
00:19:02,470 --> 00:19:01,919

just the united states that's going

364

00:19:06,789 --> 00:19:02,480

crazy

365

00:19:10,630 --> 00:19:06,799

it is also the rest of the world

366

00:19:12,549 --> 00:19:10,640

from what i can tell uh one second

367

00:19:15,590 --> 00:19:12,559

friends

368

00:19:17,510 --> 00:19:15,600

i have some scenes from spain that are

369

00:19:20,630 --> 00:19:17,520

interesting

370

00:19:25,510 --> 00:19:20,640

shocking and uh worthy of notice

371

00:19:28,950 --> 00:19:25,520

where the were they of worthy of time to

372

00:19:32,549 --> 00:19:30,630

one second friends like i said i put all

373

00:19:35,430 --> 00:19:32,559

this stuff on my twitter

374

00:19:37,350 --> 00:19:35,440

i don't know how to i don't know how to

375

00:19:40,789 --> 00:19:37,360

gather the things other than

376

00:19:42,710 --> 00:19:40,799

this is the easiest way and here's some

377

00:19:44,870 --> 00:19:42,720

more citizens that have had enough

378

00:19:48,230 --> 00:19:44,880

of the government lockdowns the

379

00:19:51,350 --> 00:19:48,240

government crackdowns the quarantines

380

00:19:56,150 --> 00:19:51,360

the oppressive government regulations

381

00:20:00,070 --> 00:19:58,310

and again fair use we're educating the

382

00:20:04,950 --> 00:20:00,080

public

383

00:20:09,510 --> 00:20:08,630

okay so uh this is happening all over

384

00:20:11,430 --> 00:20:09,520

europa

385

00:20:12,710 --> 00:20:11,440

and in the united states things are not

386

00:20:15,190 --> 00:20:12,720

looking much better

387

00:20:16,310 --> 00:20:15,200

uh actually i think in the united states

388

00:20:20,470 --> 00:20:16,320

things are looking

389

00:20:20,950 --> 00:20:20,480

even worse um one of the things that is

390

00:20:25,110 --> 00:20:20,960

very

391

00:20:27,990 --> 00:20:25,120

disturbing is the number of uh major

392

00:20:28,870 --> 00:20:28,000

major united states cities which are

393

00:20:33,669 --> 00:20:28,880

boarding up

394

00:20:36,870 --> 00:20:33,679

everything uh all the stores

395

00:20:42,310 --> 00:20:36,880

businesses are boarding up

396

00:20:48,070 --> 00:20:46,549

of election i have various reports from

397

00:20:49,909 --> 00:20:48,080

all over the united states

398

00:20:52,149 --> 00:20:49,919

and have compiled a list of some of them

399

00:20:54,789 --> 00:20:52,159

we have new york boarded up

400

00:20:56,630 --> 00:20:54,799

like washington dc we have washington dc

401
00:20:59,830 --> 00:20:56,640
as being boarded up in the downtown

402
00:21:02,390 --> 00:20:59,840
areas this is all in the downtown areas

403
00:21:04,630 --> 00:21:02,400
i know someone in philadelphia who told

404
00:21:06,549 --> 00:21:04,640
me that a great deal of stores in center

405
00:21:08,789 --> 00:21:06,559
city philadelphia and

406
00:21:09,909 --> 00:21:08,799
all over philadelphia really are

407
00:21:11,830 --> 00:21:09,919
boarding up

408
00:21:13,830 --> 00:21:11,840
if they survived the last round of

409
00:21:16,310 --> 00:21:13,840
rioting remember philadelphia has had

410
00:21:17,350 --> 00:21:16,320
two separate huge riot and looting

411
00:21:20,230 --> 00:21:17,360
events

412
00:21:21,430 --> 00:21:20,240
so the stores that have survived uh are

413
00:21:24,470 --> 00:21:21,440

still boarding up

414

00:21:26,789 --> 00:21:24,480

in preparation for major violence and

415

00:21:29,270 --> 00:21:26,799

looting events uh that they believe will

416

00:21:32,310 --> 00:21:29,280

take place tomorrow night

417

00:21:34,230 --> 00:21:32,320

we have uh i'm going to cite fair use

418

00:21:37,750 --> 00:21:34,240

this is a report from afp

419

00:21:39,830 --> 00:21:37,760

news agency about new york city

420

00:21:43,510 --> 00:21:39,840

stores boarding up in preparation for

421

00:21:48,710 --> 00:21:47,110

let's see here and again fair use this

422

00:21:55,029 --> 00:21:48,720

is transformative work we're educating

423

00:21:55,039 --> 00:22:07,510

and this is soho

424

00:22:11,510 --> 00:22:10,390

potential unrest i think we've gone

425

00:22:31,590 --> 00:22:11,520

beyond potential

426

00:22:35,830 --> 00:22:33,350

yeah i i'm a firm believer that no

427

00:22:36,950 --> 00:22:35,840

matter which side wins there's going to

428

00:22:40,630 --> 00:22:36,960

be riots

429

00:22:44,070 --> 00:22:40,640

however i think it's going to be worse

430

00:22:48,070 --> 00:22:44,080

if donald trump wins i think that

431

00:22:51,190 --> 00:22:48,080

antifa and blm and all of these

432

00:22:52,870 --> 00:22:51,200

um groups on the left are going to go

433

00:22:56,149 --> 00:22:52,880

ape [h__h]

434

00:22:59,110 --> 00:22:56,159

uh if donald trump wins if

435

00:23:00,549 --> 00:22:59,120

donald trump loses i think there may be

436

00:23:02,310 --> 00:23:00,559

a lot of uh

437

00:23:05,430 --> 00:23:02,320

protests but i don't believe there's

438

00:23:07,510 --> 00:23:05,440

gonna be a lot of

439

00:23:09,430 --> 00:23:07,520

rioting and looting that's just my

440

00:23:13,270 --> 00:23:09,440

personal take you're free to

441

00:23:15,270 --> 00:23:13,280

disagree with me uh for whatever reason

442

00:23:16,549 --> 00:23:15,280

i just don't see that level of violence

443

00:23:18,950 --> 00:23:16,559

on the right uh

444

00:23:20,789 --> 00:23:18,960

not that in your face let's get a

445

00:23:23,190 --> 00:23:20,799

thousand of our friends together

446

00:23:26,070 --> 00:23:23,200

and go to walmart kind of level of

447

00:23:26,080 --> 00:23:41,669

but it is what it is friends

448

00:23:41,679 --> 00:23:49,510

yeah that is hopeful thinking honey

449

00:23:52,870 --> 00:23:51,190

yeah and that's something that i just

450

00:23:56,070 --> 00:23:52,880

wanted to address there's a lot of these

451
00:23:58,149 --> 00:23:56,080
um i don't want to use derogatory terms

452
00:23:59,590 --> 00:23:58,159
like snowflakes but a lot of these

453
00:24:01,190 --> 00:23:59,600
people on the left are saying things

454
00:24:01,830 --> 00:24:01,200
like isn't it terrible look at the way

455
00:24:03,830 --> 00:24:01,840
those

456
00:24:05,990 --> 00:24:03,840
guys in these trucks are terrorizing

457
00:24:09,029 --> 00:24:06,000
people and all this stuff

458
00:24:10,789 --> 00:24:09,039
um i would be more concerned

459
00:24:12,070 --> 00:24:10,799
about what the people on the left are

460
00:24:13,909 --> 00:24:12,080
doing

461
00:24:15,430 --> 00:24:13,919
rooting looting and destroying and

462
00:24:17,350 --> 00:24:15,440
burning cities

463
00:24:19,510 --> 00:24:17,360

i just haven't seen you know okay

464

00:24:20,789 --> 00:24:19,520

they're driving around in trucks

465

00:24:22,710 --> 00:24:20,799

is it intimidating are they trying to

466

00:24:23,590 --> 00:24:22,720

intimidate people probably i mean

467

00:24:26,870 --> 00:24:23,600

driving around

468

00:24:29,669 --> 00:24:26,880

trump uh biden's uh

469

00:24:30,230 --> 00:24:29,679

tour bus was kind of like a [h__h] you

470

00:24:33,750 --> 00:24:30,240

thing

471

00:24:37,350 --> 00:24:33,760

you know um get out of texas

472

00:24:39,909 --> 00:24:37,360

and he did uh you know and

473

00:24:41,110 --> 00:24:39,919

that's one thing i wanted to also

474

00:24:44,230 --> 00:24:41,120

comment on

475

00:24:47,510 --> 00:24:44,240

biden got bullied out of

476
00:24:48,630 --> 00:24:47,520
campaigning in texas which to me was a

477
00:24:50,710 --> 00:24:48,640
[h__\h] move

478
00:24:51,750 --> 00:24:50,720
you the last thing you do when somebody

479
00:24:54,789 --> 00:24:51,760
is bullying you

480
00:24:58,149 --> 00:24:54,799
is back down if you're

481
00:24:59,750 --> 00:24:58,159
a man you can't back down in the face of

482
00:25:03,190 --> 00:24:59,760
a bully like that

483
00:25:05,029 --> 00:25:03,200
so that gives me some concern but

484
00:25:06,630 --> 00:25:05,039
he canceled all of his campaign events

485
00:25:09,750 --> 00:25:06,640
in texas

486
00:25:12,630 --> 00:25:09,760
and i guess he went back to his basement

487
00:25:14,549 --> 00:25:12,640
i'm not quite sure or i think he uh did

488
00:25:17,430 --> 00:25:14,559

some events in pennsylvania

489

00:25:34,149 --> 00:25:17,440

so that it could be but this is new york

490

00:25:37,269 --> 00:25:36,310

so i guess this person i i don't i don't

491

00:25:41,269 --> 00:25:37,279

understand

492

00:25:42,070 --> 00:25:41,279

how looting and writing is going to

493

00:25:45,110 --> 00:25:42,080

change anything

494

00:25:49,029 --> 00:25:45,120

it's just going to cause more division

495

00:25:53,510 --> 00:25:51,350

i don't know it's just all these complex

496

00:25:56,870 --> 00:25:53,520

issues but to me it's very simple

497

00:25:58,950 --> 00:25:56,880

if you want change don't be don't

498

00:26:00,070 --> 00:25:58,960

give the other side a reason to point

499

00:26:03,029 --> 00:26:00,080

fingers at you and say

500

00:26:05,750 --> 00:26:03,039

see they're the bad people if you're

501
00:26:07,190 --> 00:26:05,760
peacefully protesting

502
00:26:08,950 --> 00:26:07,200
amazing things have been done with

503
00:26:13,350 --> 00:26:08,960
peaceful protests look at martin luther

504
00:26:16,549 --> 00:26:15,029
i don't know maybe they think violence

505
00:26:18,549 --> 00:26:16,559
will change things faster

506
00:26:19,669 --> 00:26:18,559
they're losing patience but this is new

507
00:26:22,710 --> 00:26:19,679
york city

508
00:26:24,310 --> 00:26:22,720
being boarded up by all these business

509
00:26:26,470 --> 00:26:24,320
owners who are anticipating

510
00:26:29,750 --> 00:26:26,480
getting their businesses destroyed and

511
00:26:33,830 --> 00:26:29,760
that is a very sad thing friends

512
00:26:36,710 --> 00:26:33,840
but it gets sadder because it's not just

513
00:26:38,549 --> 00:26:36,720

it's not just new york like i said i

514

00:26:42,230 --> 00:26:38,559

have reports all over philadelphia

515

00:26:46,149 --> 00:26:42,240

of of uh things being boarded up

516

00:26:53,750 --> 00:26:49,510

of all people nigel Farage from

517

00:26:56,630 --> 00:26:53,760

england is here i guess he's a big

518

00:26:57,830 --> 00:26:56,640

i guess he's a big trump supporter um

519

00:26:59,909 --> 00:26:57,840

and uh

520

00:27:01,510 --> 00:26:59,919

i'm going to cite fair use this is a

521

00:27:03,750 --> 00:27:01,520

transformative work

522

00:27:06,070 --> 00:27:03,760

uh but this is nigel Farage walking

523

00:27:06,950 --> 00:27:06,080

around washington dc and commenting on

524

00:27:13,190 --> 00:27:06,960

it

525

00:27:14,710 --> 00:27:13,200

taking note of because this is scary

526

00:27:17,909 --> 00:27:14,720

i've never in my lifetime

527

00:27:19,990 --> 00:27:17,919

seen our nation's capital boarded up

528

00:27:21,190 --> 00:27:20,000

on the day before an election because

529

00:27:24,389 --> 00:27:21,200

there were fears

530

00:27:27,990 --> 00:27:24,399

of mass protests rioting

531

00:27:32,549 --> 00:27:28,000

looting and massive civil unrest um

532

00:27:35,990 --> 00:27:34,549

let me try that again and yet here we

533

00:27:39,990 --> 00:27:36,000

are

534

00:27:43,350 --> 00:27:40,000

the election

535

00:27:47,269 --> 00:27:43,360

washington dc is

536

00:27:47,750 --> 00:27:47,279

getting boarded up uh and that's a scary

537

00:27:49,669 --> 00:27:47,760

thing

538

00:27:51,350 --> 00:27:49,679

this is a transformative work fair use

539

00:27:53,590 --> 00:27:51,360

we're educating the public

540

00:28:06,230 --> 00:27:53,600

about what's going on in washington dc

541

00:28:09,669 --> 00:28:07,669

well this is the mayflower hotel a

542

00:28:11,430 --> 00:28:09,679

well-known washington dc

543

00:28:13,110 --> 00:28:11,440

landmark and you might think looking

544

00:28:16,630 --> 00:28:13,120

behind me that everything's normal

545

00:28:17,110 --> 00:28:16,640

in washington dc it isn't yeah why would

546

00:28:20,310 --> 00:28:17,120

they be

547

00:28:22,710 --> 00:28:20,320

boarding up even hotels are boarding up

548

00:28:24,389 --> 00:28:22,720

that's crazy i could see storefronts

549

00:28:26,630 --> 00:28:24,399

because of all the

550

00:28:28,789 --> 00:28:26,640

images that we've all seen of them like

551
00:28:29,350 --> 00:28:28,799
throwing stuff through glass windows and

552
00:28:40,789 --> 00:28:29,360
looting

553
00:28:44,789 --> 00:28:43,430
so this is connecticut avenue um it's

554
00:28:46,470 --> 00:28:44,799
the road up we're not more than much

555
00:28:48,710 --> 00:28:46,480
from sort of half a mile away

556
00:28:51,029 --> 00:28:48,720
from the white house i can see what's

557
00:28:54,070 --> 00:28:51,039
happening here in dc the place

558
00:28:54,710 --> 00:28:54,080
is being boarded up uh one or two

559
00:28:56,149 --> 00:28:54,720
businesses

560
00:28:57,830 --> 00:28:56,159
have not yet been boarded up but they

561
00:28:59,750 --> 00:28:57,840
will be by the end of the day

562
00:29:01,430 --> 00:28:59,760
yeah and it looks like it looks like the

563
00:29:03,190 --> 00:29:01,440

scene before a hurricane right

564

00:29:04,789 --> 00:29:03,200

are we gonna get a hurricane tomorrow

565

00:29:06,230 --> 00:29:04,799

night

566

00:29:09,110 --> 00:29:06,240

i think we're gonna get a [h__\h]

567

00:29:09,990 --> 00:29:09,120

hurricane like you've never seen before

568

00:29:12,470 --> 00:29:10,000

tomorrow night

569

00:29:13,190 --> 00:29:12,480

but we'll see and this is right

570

00:29:16,630 --> 00:29:13,200

throughout

571

00:29:19,350 --> 00:29:16,640

the city uh and this is in anticipation

572

00:29:20,870 --> 00:29:19,360

of real violence following the result or

573

00:29:23,510 --> 00:29:20,880

even an inclusive result

574

00:29:24,950 --> 00:29:23,520

of the election on tuesday so it's eight

575

00:29:26,950 --> 00:29:24,960

o'clock in the morning yeah and did you

576

00:29:28,710 --> 00:29:26,960

notice there the atms are all being

577

00:29:31,590 --> 00:29:28,720

boarded up

578

00:29:32,389 --> 00:29:31,600

something worthy of mention is that

579

00:29:34,070 --> 00:29:32,399

through all of my

580

00:29:36,230 --> 00:29:34,080

research into all these different

581

00:29:39,669 --> 00:29:36,240

looting and rioting events it seems like

582

00:29:41,750 --> 00:29:39,679

there's somebody going around and

583

00:29:44,230 --> 00:29:41,760

they're not getting in to the atm

584

00:29:46,470 --> 00:29:44,240

machines they're disabling them

585

00:29:48,549 --> 00:29:46,480

for you stupid criminals that don't know

586

00:29:51,110 --> 00:29:48,559

this there's quite an elaborate

587

00:29:52,230 --> 00:29:51,120

safe system inside that atm and unless

588

00:29:55,750 --> 00:29:52,240

you had

589

00:29:56,870 --> 00:29:55,760

really good tools really good torches

590

00:29:59,430 --> 00:29:56,880

and welding

591

00:30:00,870 --> 00:29:59,440

torches and you know you're not getting

592

00:30:03,029 --> 00:30:00,880

into that thing

593

00:30:03,909 --> 00:30:03,039

even if you had the greatest tools in a

594

00:30:07,350 --> 00:30:03,919

few hours

595

00:30:08,149 --> 00:30:07,360

you're not you're so propping a bunch of

596

00:30:10,389 --> 00:30:08,159

m80s

597

00:30:11,269 --> 00:30:10,399

or quarter sticks of dynamite up against

598

00:30:13,750 --> 00:30:11,279

an atm

599

00:30:16,470 --> 00:30:13,760

it does nothing but disable it why are

600

00:30:18,950 --> 00:30:16,480

atms all over

601
00:30:20,230 --> 00:30:18,960
all over major cities being destroyed

602
00:30:23,269 --> 00:30:20,240
being disabled

603
00:30:25,669 --> 00:30:23,279
or as we just saw being boarded up i

604
00:30:28,950 --> 00:30:25,679
find that quite curious

605
00:30:33,110 --> 00:30:31,269
it just seems odd to me that it's not

606
00:30:34,549 --> 00:30:33,120
they're not getting into the atms

607
00:30:37,430 --> 00:30:34,559
they're not getting money it's not like

608
00:30:40,230 --> 00:30:37,440
they're successfully robbing the atms

609
00:30:41,909 --> 00:30:40,240
right it seems to me to be an organized

610
00:30:45,350 --> 00:30:41,919
effort to disrupt

611
00:30:48,070 --> 00:30:45,360
atm machines why i've got a lot of

612
00:30:50,630 --> 00:30:48,080
questions and that's one of the big ones

613
00:30:51,830 --> 00:30:50,640

why would people in major cities all

614

00:30:54,789 --> 00:30:51,840

over the united states

615

00:30:56,230 --> 00:30:54,799

be suddenly blowing up and disabling atm

616

00:30:57,750 --> 00:30:56,240

machines

617

00:30:59,509 --> 00:30:57,760

is there something to do with cash

618

00:31:02,149 --> 00:30:59,519

coming up they don't want us to have

619

00:31:05,830 --> 00:31:03,509

as you can see a few protesters are

620

00:31:07,430 --> 00:31:05,840

beginning to gather um i wouldn't dare

621

00:31:08,549 --> 00:31:07,440

show my face down here later in the day

622

00:31:10,149 --> 00:31:08,559

i can tell you

623

00:31:11,990 --> 00:31:10,159

um and let's just get let's just be

624

00:31:13,590 --> 00:31:12,000

straight about this

625

00:31:15,830 --> 00:31:13,600

why they boarding up dc what are they

626

00:31:18,070 --> 00:31:15,840

scared of are they scared

627

00:31:20,549 --> 00:31:18,080

of trump supporters are they scared of

628

00:31:22,950 --> 00:31:20,559

some of these slightly crazy groups

629

00:31:24,070 --> 00:31:22,960

i think they're scared of both honestly

630

00:31:25,990 --> 00:31:24,080

and i don't

631

00:31:27,990 --> 00:31:26,000

agree with him here because this is the

632

00:31:29,350 --> 00:31:28,000

slant a lot of people on the right are

633

00:31:31,990 --> 00:31:29,360

trying to slay in it that everybody's

634

00:31:34,149 --> 00:31:32,000

afraid of the left

635

00:31:35,909 --> 00:31:34,159

i don't know i get the sense that they

636

00:31:37,029 --> 00:31:35,919

may be afraid of the left more than the

637

00:31:39,590 --> 00:31:37,039

right

638

00:31:40,630 --> 00:31:39,600

as far as levels of violence protest

639

00:31:43,590 --> 00:31:40,640

looting

640

00:31:46,149 --> 00:31:43,600

but it will be wrong to just assume that

641

00:31:49,029 --> 00:31:46,159

they're boarding up just because of the

642

00:31:50,630 --> 00:31:49,039

the one side i think business owners

643

00:31:52,389 --> 00:31:50,640

don't give a [h__h] who's gonna wreck

644

00:31:54,230 --> 00:31:52,399

their place they don't want the right or

645

00:31:55,909 --> 00:31:54,240

the left to wreck their place so better

646

00:31:57,190 --> 00:31:55,919

to board it up and shut down for a few

647

00:31:58,950 --> 00:31:57,200

days

648

00:32:00,549 --> 00:31:58,960

you know get through the storm the

649

00:32:03,909 --> 00:32:00,559

coming hurricane

650

00:32:07,350 --> 00:32:03,919

and see what happens out in america no

651
00:32:09,029 --> 00:32:07,360
what they fear is that trump wins

652
00:32:11,190 --> 00:32:09,039
and that we get you know from little

653
00:32:13,830 --> 00:32:11,200
groups like this large-scale

654
00:32:15,190 --> 00:32:13,840
violence looting and rising and i think

655
00:32:16,950 --> 00:32:15,200
there are two

656
00:32:18,710 --> 00:32:16,960
really important points that we've got

657
00:32:21,190 --> 00:32:18,720
to make here

658
00:32:22,870 --> 00:32:21,200
if the black lives matter movement was

659
00:32:24,230 --> 00:32:22,880
genuinely about racial equality

660
00:32:25,909 --> 00:32:24,240
i think anybody would have a problem

661
00:32:27,990 --> 00:32:25,919
with it none whatsoever

662
00:32:30,230 --> 00:32:28,000
um and let's just think back but here

663
00:32:33,430 --> 00:32:30,240

comes the spin the civil rights movement

664

00:32:34,549 --> 00:32:33,440

to martin luther king you know the most

665

00:32:36,950 --> 00:32:34,559

incredible orator

666

00:32:38,310 --> 00:32:36,960

with a very very powerful message and

667

00:32:40,870 --> 00:32:38,320

what did he say

668

00:32:42,230 --> 00:32:40,880

you know he said i want my children to

669

00:32:44,230 --> 00:32:42,240

be judged

670

00:32:45,750 --> 00:32:44,240

not with the color of their skin but the

671

00:32:47,750 --> 00:32:45,760

content of their character

672

00:32:48,789 --> 00:32:47,760

and yet what black lives matter are

673

00:32:50,549 --> 00:32:48,799

campaigning for

674

00:32:53,029 --> 00:32:50,559

is for us all to be divided up and

675

00:32:55,110 --> 00:32:53,039

treated differently and my fear is

676

00:32:56,230 --> 00:32:55,120

what this campaign actually does rather

677

00:32:57,830 --> 00:32:56,240

than bringing people together

678

00:32:59,750 --> 00:32:57,840

it actually turns them against each

679

00:33:03,350 --> 00:32:59,760

other well that could happen but i

680

00:33:06,389 --> 00:33:03,360

doubt it i i think that there has to be

681

00:33:07,669 --> 00:33:06,399

a healing there has to be a healing of

682

00:33:09,110 --> 00:33:07,679

all this [h__\h]

683

00:33:11,190 --> 00:33:09,120

people can't take much more of this

684

00:33:11,750 --> 00:33:11,200

we've had to cover lockdown stress we've

685

00:33:17,430 --> 00:33:11,760

had

686

00:33:20,230 --> 00:33:17,440

protests all over the country

687

00:33:21,750 --> 00:33:20,240

and people are just everybody that i

688

00:33:25,750 --> 00:33:21,760

know is just kind of sick of

689

00:33:29,029 --> 00:33:25,760

all this [h__h] we just want to go back to

690

00:33:32,070 --> 00:33:29,039

something uh you know that term

691

00:33:35,190 --> 00:33:32,080

this is the new normal is really scary

692

00:33:35,669 --> 00:33:35,200

uh you know and also i just want to

693

00:33:37,750 --> 00:33:35,679

mention

694

00:33:38,870 --> 00:33:37,760

i'm not a big fan of this guy first of

695

00:33:44,230 --> 00:33:38,880

all

696

00:33:46,870 --> 00:33:44,240

why do so many english guys think they

697

00:33:49,269 --> 00:33:46,880

can come over and like tell us

698

00:33:50,950 --> 00:33:49,279

americans all that we're doing wrong

699

00:33:52,789 --> 00:33:50,960

right

700

00:33:54,389 --> 00:33:52,799

it happens a lot like a lot of english

701
00:33:55,990 --> 00:33:54,399
guys come over here and tell us what's

702
00:33:58,710 --> 00:33:56,000
wrong with our country

703
00:34:00,230 --> 00:33:58,720
and uh i'm always thinking like go back

704
00:34:02,310 --> 00:34:00,240
and you know drink your tea

705
00:34:05,029 --> 00:34:02,320
and eat your crumpets pal because this

706
00:34:07,190 --> 00:34:05,039
is america and we do things our way here

707
00:34:08,710 --> 00:34:07,200
like i've never seen an american go over

708
00:34:10,629 --> 00:34:08,720
to england and go you know what's wrong

709
00:34:14,950 --> 00:34:10,639
with this country i'll tell you

710
00:34:18,389 --> 00:34:14,960
it's crazy but it is

711
00:34:21,190 --> 00:34:18,399
all down this street a series of big

712
00:34:23,030 --> 00:34:21,200
corporate businesses and this is

713
00:34:25,190 --> 00:34:23,040

interesting because a lot of them

714

00:34:26,470 --> 00:34:25,200

gave money to the black lives matter

715

00:34:27,909 --> 00:34:26,480

movement and yet

716

00:34:29,589 --> 00:34:27,919

they're now having to close down

717

00:34:30,149 --> 00:34:29,599

effectively for a few days over the

718

00:34:32,710 --> 00:34:30,159

election

719

00:34:33,190 --> 00:34:32,720

because they fear writing and protest

720

00:34:34,950 --> 00:34:33,200

there is

721

00:34:37,270 --> 00:34:34,960

quite an irony there i think yeah and

722

00:34:38,869 --> 00:34:37,280

there is a lot of uh

723

00:34:39,909 --> 00:34:38,879

i don't want to call them conspiracy

724

00:34:41,589 --> 00:34:39,919

theories but there's a lot of

725

00:34:43,589 --> 00:34:41,599

information out there about major

726
00:34:46,149 --> 00:34:43,599
corporations giving major money to black

727
00:34:49,990 --> 00:34:46,159
lives matter

728
00:34:52,869 --> 00:34:50,000
um yeah and we did see

729
00:34:55,190 --> 00:34:52,879
uh some stuff like the what was it the

730
00:34:57,109 --> 00:34:55,200
ceo of chick-fil-a like shining the

731
00:34:58,950 --> 00:34:57,119
shoes of a black man to show his support

732
00:35:01,270 --> 00:34:58,960
for black lives matter

733
00:35:03,349 --> 00:35:01,280
well they they rioted and looted your

734
00:35:06,470 --> 00:35:03,359
stores anyway

735
00:35:08,790 --> 00:35:06,480
so even if you bow to them

736
00:35:11,190 --> 00:35:08,800
you're not safe and maybe that's an

737
00:35:14,950 --> 00:35:11,200
important lesson that these corporations

738
00:35:18,150 --> 00:35:14,960

should learn broader point is

739

00:35:20,069 --> 00:35:18,160

in a democracy you have a strong debate

740

00:35:21,270 --> 00:35:20,079

one side wins one side loses and

741

00:35:22,230 --> 00:35:21,280

provided it's all being fair and

742

00:35:24,069 --> 00:35:22,240

aboveboard

743

00:35:26,069 --> 00:35:24,079

you accept the result you know it's why

744

00:35:27,589 --> 00:35:26,079

we have democracy it's our means

745

00:35:29,270 --> 00:35:27,599

of sorting out our leaders and our means

746

00:35:31,430 --> 00:35:29,280

of sacking our leaders yeah and there's

747

00:35:33,109 --> 00:35:31,440

various reports that neither side seems

748

00:35:35,349 --> 00:35:33,119

like they're going to accept the result

749

00:35:37,750 --> 00:35:35,359

if they lose and that's going to be a

750

00:35:41,109 --> 00:35:37,760

problem that's going to be a big problem

751
00:35:42,390 --> 00:35:41,119
and yet what we now have got with a new

752
00:35:45,430 --> 00:35:42,400
radical left

753
00:35:48,470 --> 00:35:45,440
is a belief that they

754
00:35:48,950 --> 00:35:48,480
and their views are morally superior to

755
00:35:50,630 --> 00:35:48,960
those

756
00:35:53,270 --> 00:35:50,640
all right well this is really partisan

757
00:35:56,310 --> 00:35:53,280
so we're gonna we're gonna cut it there

758
00:35:58,150 --> 00:35:56,320
i uh i take the position i'm not saying

759
00:36:01,190 --> 00:35:58,160
either side is right

760
00:36:03,990 --> 00:36:01,200
or either side is wrong i would

761
00:36:06,390 --> 00:36:04,000
consider myself a centrist i'm neither a

762
00:36:08,470 --> 00:36:06,400
democrat nor a republican

763
00:36:10,230 --> 00:36:08,480

and i think that both sides have their

764

00:36:11,990 --> 00:36:10,240

problems and their issues and i just

765

00:36:14,310 --> 00:36:12,000

wish that they would figure it the [h__h]

766

00:36:15,910 --> 00:36:14,320

out so that we could go back to living

767

00:36:21,670 --> 00:36:15,920

peaceful lives

768

00:36:24,150 --> 00:36:21,680

uh without this insanity in our lives

769

00:36:25,270 --> 00:36:24,160

besides uh washington dc and new york

770

00:36:28,710 --> 00:36:25,280

city i mentioned

771

00:36:32,069 --> 00:36:28,720

philadelphia pennsylvania uh there are

772

00:36:33,910 --> 00:36:32,079

major stores in downtown chicago are all

773

00:36:37,589 --> 00:36:33,920

being boarded up

774

00:36:40,550 --> 00:36:37,599

um anything that's left in portland is

775

00:36:43,349 --> 00:36:40,560

probably being boarded up

776

00:36:46,069 --> 00:36:43,359

and someone copied commented earlier

777

00:36:52,550 --> 00:36:49,270

someone commented earlier about

778

00:37:04,550 --> 00:36:52,560

this sacramento i believe maybe is also

779

00:37:04,560 --> 00:37:10,870

one second friends trying to find that

780

00:37:14,150 --> 00:37:12,710

yeah i believe that sacramento is also

781

00:37:17,190 --> 00:37:14,160

being boarded up

782

00:37:18,150 --> 00:37:17,200

i know that beverly hills california all

783

00:37:21,349 --> 00:37:18,160

the stores there

784

00:37:26,710 --> 00:37:23,670

there's major protests taking place oh

785

00:37:28,390 --> 00:37:26,720

san francisco i'm sorry not sacramento

786

00:37:31,349 --> 00:37:28,400

and that was from vanessa wolfe thank

787

00:37:33,510 --> 00:37:31,359

you said same in san francisco

788

00:37:35,510 --> 00:37:33,520

they are boarding up in san francisco

789

00:37:37,430 --> 00:37:35,520

and i found some reference to verify

790

00:37:42,950 --> 00:37:37,440

that yes they are boarding up

791

00:37:42,960 --> 00:37:48,829

in the final bit of uh the end times

792

00:37:53,109 --> 00:37:50,069

madness

793

00:37:55,670 --> 00:37:53,119

is uh is the rioting

794

00:37:56,390 --> 00:37:55,680

on the streets of philadelphia is the

795

00:37:59,670 --> 00:37:56,400

rioting

796

00:38:03,349 --> 00:37:59,680

on the streets of portland washington dc

797

00:38:06,990 --> 00:38:03,359

new york city looting events

798

00:38:09,990 --> 00:38:07,000

in various places and how what is it 150

799

00:38:12,390 --> 00:38:10,000

170 now straight days of violence in

800

00:38:15,510 --> 00:38:12,400

portland

801
00:38:17,670 --> 00:38:15,520
and mass civil unrest all this leading

802
00:38:20,230 --> 00:38:17,680
up to our culmination point

803
00:38:21,750 --> 00:38:20,240
election day which is tomorrow at least

804
00:38:24,230 --> 00:38:21,760
i think a lot of these events are

805
00:38:27,349 --> 00:38:24,240
leading up to that

806
00:38:31,829 --> 00:38:27,359
and i mentioned my steady diet

807
00:38:36,390 --> 00:38:31,839
of my steady diet

808
00:38:40,069 --> 00:38:39,270
fear porn i guess you could say has

809
00:38:43,990 --> 00:38:40,079
included

810
00:38:48,470 --> 00:38:44,000
images from all this looting and rioting

811
00:38:52,310 --> 00:38:51,030
it's a somber diet of anarchy that's all

812
00:38:56,470 --> 00:38:52,320
i can say

813
00:39:00,310 --> 00:38:56,480

and uh a few months ago

814

00:39:03,349 --> 00:39:00,320

i stopped looking at anything

815

00:39:03,750 --> 00:39:03,359

news any of this stuff and i got to tell

816

00:39:07,109 --> 00:39:03,760

you

817

00:39:08,470 --> 00:39:07,119

that my decision because

818

00:39:10,790 --> 00:39:08,480

you know i sort of made the decision

819

00:39:14,150 --> 00:39:10,800

that i would get

820

00:39:15,829 --> 00:39:14,160

back into the uh the mind virus

821

00:39:17,430 --> 00:39:15,839

here and see what was going on in the

822

00:39:19,670 --> 00:39:17,440

world and watch

823

00:39:21,670 --> 00:39:19,680

all the news that i could and try to be

824

00:39:23,910 --> 00:39:21,680

fully informed about what's going on in

825

00:39:25,829 --> 00:39:23,920

the world and i gotta say that

826

00:39:41,910 --> 00:39:25,839

my mental state is not better for that

827

00:39:48,069 --> 00:39:45,190

you know some cynical uh part of me that

828

00:39:49,829 --> 00:39:48,079

cracks jokes about very serious things

829

00:39:51,430 --> 00:39:49,839

would like to think that these people

830

00:39:53,349 --> 00:39:51,440

are all just trying to get a jump on

831

00:39:55,510 --> 00:39:53,359

their christmas shopping

832

00:39:57,270 --> 00:39:55,520

and save some money i mean it's riding

833

00:40:00,630 --> 00:39:57,280

and looting events so you can go

834

00:40:03,990 --> 00:40:02,630

you can get ahead of it you know just

835

00:40:06,069 --> 00:40:04,000

pile it up in your house

836

00:40:08,069 --> 00:40:06,079

once you get it home there you go that

837

00:40:16,690 --> 00:40:08,079

guy got a boom box

838

00:40:16,700 --> 00:40:23,510

[Music]

839

00:40:26,950 --> 00:40:25,030

if these people really are christmas

840

00:40:28,470 --> 00:40:26,960

shopping they are serious christmas

841

00:40:32,150 --> 00:40:28,480

shoppers man they

842

00:40:35,190 --> 00:40:32,160

forget black friday right

843

00:40:38,150 --> 00:40:35,200

it's riot it's riot monday

844

00:40:39,349 --> 00:40:38,160

or tuesday or wednesday whatever day

845

00:40:42,630 --> 00:40:39,359

it's riot day

846

00:40:44,390 --> 00:40:42,640

in major cities in philadelphia and you

847

00:40:46,309 --> 00:40:44,400

too can just steal whatever you want

848

00:40:53,030 --> 00:40:46,319

without consequence

849

00:40:54,550 --> 00:40:53,040

or arrest know filmer's commenting

850

00:40:58,150 --> 00:40:54,560

there's not even enough cops to do

851

00:41:02,069 --> 00:41:00,470

uh and again i didn't cite fair use this

852

00:41:03,910 --> 00:41:02,079

is fair use we're educating the public

853

00:41:06,550 --> 00:41:03,920

about the

854

00:41:07,670 --> 00:41:06,560

coming apocalypse i guess and the the

855

00:41:09,430 --> 00:41:07,680

mass

856

00:41:10,790 --> 00:41:09,440

looting and rioting on the streets of

857

00:41:24,870 --> 00:41:10,800

major cities in philadelphia

858

00:41:31,829 --> 00:41:28,790

yep that is another sad

859

00:41:35,430 --> 00:41:31,839

sight to see but it just doesn't end

860

00:41:38,630 --> 00:41:35,440

friends it goes on and on

861

00:41:47,430 --> 00:41:43,430

the mind virus begins to get in

862

00:41:50,790 --> 00:41:47,440

and i'm human

863

00:42:10,870 --> 00:41:50,800

so yeah i begin to get fearful

864

00:42:13,910 --> 00:42:12,230

and again fair use this is a

865

00:42:14,950 --> 00:42:13,920

transformative work we're educating the

866

00:42:17,910 --> 00:42:14,960

public

867

00:42:19,910 --> 00:42:17,920

about them large-scale rioting and

868

00:42:31,030 --> 00:42:19,920

looting events taking place throughout

869

00:42:42,829 --> 00:42:31,040

major american cities right now

870

00:42:47,109 --> 00:42:44,150

amazing

871

00:42:49,349 --> 00:42:47,119

and it really does go on and on i saw

872

00:42:51,589 --> 00:42:49,359

one that seemed to be a very powerful

873

00:42:53,430 --> 00:42:51,599

somebody questioned the authenticity of

874

00:42:56,309 --> 00:42:53,440

it if it's a staged

875

00:42:56,710 --> 00:42:56,319

video then somebody had to have access

876

00:42:59,990 --> 00:42:56,720

to

877

00:43:02,870 --> 00:43:00,000

i don't know a lot of [h__h] up

878

00:43:04,870 --> 00:43:02,880

police cars to stage this video someone

879

00:43:07,349 --> 00:43:04,880

on my twitter comment that that's this

880

00:43:08,790 --> 00:43:07,359

following video may be staged i'm just

881

00:43:10,710 --> 00:43:08,800

in the interest of fairness

882

00:43:12,390 --> 00:43:10,720

for all i know it was but it's still a

883

00:43:15,589 --> 00:43:12,400

powerful video

884

00:43:18,150 --> 00:43:15,599

um i don't know

885

00:43:19,349 --> 00:43:18,160

if it's genuine or not uh so use your

886

00:43:23,190 --> 00:43:19,359

discernment

887

00:43:25,109 --> 00:43:23,200

i am going to share it anyway

888

00:43:26,870 --> 00:43:25,119

uh somebody commented that it might not

889

00:43:29,109 --> 00:43:26,880

be genuine because why would they wreck

890

00:43:31,990 --> 00:43:29,119

all these cars and leave the

891

00:43:32,630 --> 00:43:32,000

the stores undamaged on each side of the

892

00:43:35,990 --> 00:43:32,640

street

893

00:43:50,069 --> 00:43:36,000

fair point i'm gonna share this anyway

894

00:43:50,079 --> 00:44:07,910

and i believe this is in los angeles

895

00:44:17,510 --> 00:44:09,670

fair use this is transformative work

896

00:44:17,520 --> 00:44:24,390

yeah it's a lot of busted up police cars

897

00:44:24,400 --> 00:44:29,750

and it goes on and on

898

00:44:36,390 --> 00:44:32,950

any more fun news we had a

899

00:44:37,670 --> 00:44:36,400

uh there has been a bunch of shootings

900

00:44:41,430 --> 00:44:37,680

and terror attacks

901
00:44:44,630 --> 00:44:41,440
in europe in france someone got

902
00:44:52,069 --> 00:44:44,640
beheaded because they showed a depiction

903
00:44:58,950 --> 00:44:55,510
i just don't understand any of that

904
00:45:00,870 --> 00:44:58,960
there is a spike in

905
00:45:04,150 --> 00:45:00,880
islamic terrorist attacks throughout

906
00:45:08,230 --> 00:45:04,160
europe and

907
00:45:09,910 --> 00:45:08,240
some indication that they are

908
00:45:13,589 --> 00:45:09,920
planning attacks in the united states to

909
00:45:21,190 --> 00:45:13,599
coincide with election day as well

910
00:45:25,670 --> 00:45:24,550
something other than the something else

911
00:45:29,190 --> 00:45:25,680
of major concern

912
00:45:30,870 --> 00:45:29,200
is the number of major cities that have

913
00:45:33,990 --> 00:45:30,880

already deployed

914

00:45:36,150 --> 00:45:34,000

national guard troops i'm seeing

915

00:45:37,349 --> 00:45:36,160

so many reports of it i cannot tell you

916

00:45:40,390 --> 00:45:37,359

how many different cities

917

00:45:41,750 --> 00:45:40,400

got to be up to 12 cities major american

918

00:45:44,950 --> 00:45:41,760

cities now

919

00:45:45,990 --> 00:45:44,960

have uh requested or deployed national

920

00:45:49,190 --> 00:45:46,000

guard

921

00:45:52,390 --> 00:45:49,200

assistance uh in the last few days

922

00:45:55,910 --> 00:45:52,400

and today especially in preparation

923

00:45:58,710 --> 00:45:55,920

for uh in preparation for coming events

924

00:46:00,069 --> 00:45:58,720

here the national guard is being

925

00:46:05,990 --> 00:46:00,079

deployed riding into

926
00:46:09,750 --> 00:46:08,710
and that's scary that's a 50 caliber gun

927
00:46:12,470 --> 00:46:09,760
friends

928
00:46:13,430 --> 00:46:12,480
that's a 50 caliber gun right there

929
00:46:15,829 --> 00:46:13,440
that's scary

930
00:46:17,430 --> 00:46:15,839
why do we need 50 caliber guns on top of

931
00:46:21,510 --> 00:46:17,440
humvees

932
00:46:23,670 --> 00:46:21,520
being deployed in major american cities

933
00:46:25,430 --> 00:46:23,680
in the downtown areas of major american

934
00:46:28,390 --> 00:46:25,440
cities

935
00:46:30,870 --> 00:46:28,400
does anybody has anybody ever seen what

936
00:46:33,190 --> 00:46:30,880
a 50 caliber gun can do

937
00:46:34,230 --> 00:46:33,200
why do we need that level of armament in

938
00:46:37,589 --> 00:46:34,240

a major

939

00:46:42,710 --> 00:46:37,599

american city right now do they know

940

00:46:53,109 --> 00:46:42,720

something we don't

941

00:46:57,030 --> 00:46:54,829

the national guard is being deployed in

942

00:47:02,390 --> 00:46:57,040

many

943

00:47:03,190 --> 00:47:02,400

or has already been deployed as in the

944

00:47:07,349 --> 00:47:03,200

case of

945

00:47:11,510 --> 00:47:09,109

it's crazy that they're doing this and

946

00:47:13,190 --> 00:47:11,520

that they need 50 caliber guns on top of

947

00:47:17,589 --> 00:47:13,200

some of these vehicles

948

00:47:17,599 --> 00:47:20,870

one second

949

00:47:30,549 --> 00:47:23,270

you know i could sort of go on and on

950

00:47:35,430 --> 00:47:32,950

i think uh one of the final things i

951
00:47:38,950 --> 00:47:35,440
wanted to talk about was this

952
00:47:41,750 --> 00:47:38,960
sort of captured there's a captured zoom

953
00:47:43,190 --> 00:47:41,760
call with a bunch of federal employees

954
00:47:45,030 --> 00:47:43,200
basically talking about

955
00:47:46,870 --> 00:47:45,040
a coup against the united states

956
00:47:49,829 --> 00:47:46,880
government should

957
00:47:51,430 --> 00:47:49,839
their preferred candidate not win the

958
00:47:51,990 --> 00:47:51,440
election and all the things that they

959
00:47:56,069 --> 00:47:52,000
can do to

960
00:47:58,710 --> 00:47:56,079
disrupt things and cause havoc

961
00:48:00,390 --> 00:47:58,720
but it's just disturbing to me that a

962
00:48:02,390 --> 00:48:00,400
bunch of federal employees

963
00:48:03,829 --> 00:48:02,400

are somehow getting together on zoom

964

00:48:05,670 --> 00:48:03,839

chats to discuss

965

00:48:07,589 --> 00:48:05,680

how to take over the united states

966

00:48:09,030 --> 00:48:07,599

government or disrupt the united states

967

00:48:10,549 --> 00:48:09,040

government

968

00:48:13,589 --> 00:48:10,559

and i would just like to know how do

969

00:48:16,790 --> 00:48:13,599

they do they still have jobs

970

00:48:18,309 --> 00:48:16,800

after this video leaks in the federal

971

00:48:19,750 --> 00:48:18,319

government

972

00:48:21,109 --> 00:48:19,760

i don't understand how you could work

973

00:48:23,430 --> 00:48:21,119

for the federal government and get

974

00:48:24,069 --> 00:48:23,440

caught in a zoom call plotting basically

975

00:48:39,190 --> 00:48:24,079

a

976

00:48:41,030 --> 00:48:39,200

um

977

00:48:42,230 --> 00:48:41,040

this is on youtube it's all over twitter

978

00:48:44,470 --> 00:48:42,240

and facebook too

979

00:48:46,710 --> 00:48:44,480

leaked zoom call reveals federal workers

980

00:48:48,069 --> 00:48:46,720

conspiring to shut down the white house

981

00:48:50,069 --> 00:48:48,079

there's a bunch of these videos we're

982

00:48:52,790 --> 00:48:50,079

just going to go through one of them

983

00:48:54,069 --> 00:48:52,800

which i thought was the most disturbing

984

00:48:55,750 --> 00:48:54,079

they're all disturbing

985

00:48:57,670 --> 00:48:55,760

a bunch of federal employees sitting

986

00:48:59,750 --> 00:48:57,680

around on zoom chats figuring out how to

987

00:49:01,109 --> 00:48:59,760

take over or destroy the united states

988

00:49:05,030 --> 00:49:01,119

from the inside

989

00:49:10,470 --> 00:49:07,990

and this this is how the mind virus gets

990

00:49:11,910 --> 00:49:10,480

in friends

991

00:49:13,589 --> 00:49:11,920

so we're going to say fair use we're

992

00:49:15,270 --> 00:49:13,599

educating the public about this leaked

993

00:49:18,630 --> 00:49:15,280

zoom call

994

00:49:21,589 --> 00:49:18,640

that had uh

995

00:49:23,589 --> 00:49:21,599

oh jeez and it's from direct actions

996

00:49:26,790 --> 00:49:23,599

black lives matter dc

997

00:49:29,430 --> 00:49:26,800

and nene in april right and uh

998

00:49:31,349 --> 00:49:29,440

this these guys are sitting around their

999

00:49:34,470 --> 00:49:31,359

federal employees talking about

1000

00:49:36,710 --> 00:49:34,480

how they can best disrupt

1001
00:49:38,870 --> 00:49:36,720
the united states government how they

1002
00:49:40,950 --> 00:49:38,880
can best

1003
00:49:42,549 --> 00:49:40,960
[h__\h] things up let me do that one more

1004
00:49:46,630 --> 00:49:42,559
time i always do this

1005
00:49:46,640 --> 00:49:51,109
this is very disturbing

1006
00:49:55,109 --> 00:49:52,390
we're going to say fair use we're

1007
00:49:58,230 --> 00:49:55,119
educating the public about the

1008
00:50:00,870 --> 00:49:58,240
this leaked zoom call this is federal

1009
00:50:02,549 --> 00:50:00,880
employees a bunch of them getting

1010
00:50:04,950 --> 00:50:02,559
together

1011
00:50:06,150 --> 00:50:04,960
very disturbing but i think it's a good

1012
00:50:08,470 --> 00:50:06,160
time to get started

1013
00:50:09,270 --> 00:50:08,480

i really want to hear from uh shut it

1014

00:50:12,309 --> 00:50:09,280

down bc

1015

00:50:14,230 --> 00:50:12,319

about this do you

1016

00:50:15,589 --> 00:50:14,240

do we have any plans for how to respond

1017

00:50:19,109 --> 00:50:15,599

if there's a coup

1018

00:50:22,150 --> 00:50:19,119

um yeah we we uh um have been

1019

00:50:23,030 --> 00:50:22,160

in uh just you know discussion for a

1020

00:50:26,230 --> 00:50:23,040

couple months

1021

00:50:28,069 --> 00:50:26,240

about uh how to respond to different

1022

00:50:30,309 --> 00:50:28,079

contested election scenarios

1023

00:50:32,630 --> 00:50:30,319

for different contested election

1024

00:50:34,630 --> 00:50:32,640

scenarios how are they going to respond

1025

00:50:35,910 --> 00:50:34,640

first step is that we we think that we

1026
00:50:38,630 --> 00:50:35,920
need to start the

1027
00:50:40,630 --> 00:50:38,640
the post-election phase in the streets

1028
00:50:41,589 --> 00:50:40,640
so we're inviting people to come to blm

1029
00:50:45,510 --> 00:50:41,599
plaza

1030
00:50:48,549 --> 00:50:45,520
does not exist

1031
00:50:50,790 --> 00:50:48,559
it's just some area of like what i

1032
00:50:52,150 --> 00:50:50,800
believe a washington dc park that they

1033
00:50:55,190 --> 00:50:52,160
took over and

1034
00:50:56,230 --> 00:50:55,200
decided it was now blm plaza there's no

1035
00:50:57,910 --> 00:50:56,240
blm plaza

1036
00:51:00,870 --> 00:50:57,920
they just took it over and decided this

1037
00:51:03,589 --> 00:51:00,880
is blm plaza i'm on election night

1038
00:51:04,309 --> 00:51:03,599

and um we're gonna watch what's going on

1039

00:51:06,150 --> 00:51:04,319

together

1040

00:51:07,430 --> 00:51:06,160

on the the fourth we're inviting people

1041

00:51:10,950 --> 00:51:07,440

to come to blm plaza

1042

00:51:12,230 --> 00:51:10,960

it uh at 1pm or gonna go out and figure

1043

00:51:14,950 --> 00:51:12,240

out who is

1044

00:51:16,630 --> 00:51:14,960

um undermining the election uh stopping

1045

00:51:17,150 --> 00:51:16,640

the vote voting count making sure that

1046

00:51:19,349 --> 00:51:17,160

like

1047

00:51:20,150 --> 00:51:19,359

disenfranchising uh black folks all over

1048

00:51:21,589 --> 00:51:20,160

the country

1049

00:51:24,470 --> 00:51:21,599

and we're gonna go like knock on their

1050

00:51:27,190 --> 00:51:24,480

doors uh on the fifth we're gonna

1051
00:51:27,750 --> 00:51:27,200
uh shut down the white house on this on

1052
00:51:31,270 --> 00:51:27,760
the fifth

1053
00:51:34,150 --> 00:51:31,280
they're gonna shut down the white house

1054
00:51:34,790 --> 00:51:34,160
sixth we're gonna shut down uh larger

1055
00:51:37,430 --> 00:51:34,800
parts of

1056
00:51:37,829 --> 00:51:37,440
washington dc and then the following

1057
00:51:40,390 --> 00:51:37,839
week

1058
00:51:41,589 --> 00:51:40,400
um i mean like all the mainstream groups

1059
00:51:43,990 --> 00:51:41,599
are going to come to dc and

1060
00:51:46,230 --> 00:51:44,000
try to have a march on the 7th so that's

1061
00:51:48,710 --> 00:51:46,240
a saturday and we'll see how that goes

1062
00:51:50,150 --> 00:51:48,720
well they have a fun filled week of

1063
00:51:53,349 --> 00:51:50,160

activities planned

1064

00:52:00,950 --> 00:51:57,829

a fun filled week of activities you too

1065

00:52:01,910 --> 00:52:00,960

can come and try to shut down the white

1066

00:52:05,670 --> 00:52:01,920

house with these

1067

00:52:07,589 --> 00:52:05,680

[h__\h] clowns uh but then

1068

00:52:08,950 --> 00:52:07,599

the following week congress is planning

1069

00:52:11,750 --> 00:52:08,960

on coming to town

1070

00:52:13,190 --> 00:52:11,760

and passing laws again and like having

1071

00:52:15,430 --> 00:52:13,200

business as usual

1072

00:52:17,430 --> 00:52:15,440

and we're saying there's if we're in a

1073

00:52:17,990 --> 00:52:17,440

coup there's no time for business as

1074

00:52:21,030 --> 00:52:18,000

usual

1075

00:52:23,270 --> 00:52:21,040

members and by coup he means if his

1076

00:52:25,589 --> 00:52:23,280

preferred candidate does not win

1077

00:52:27,270 --> 00:52:25,599

he will consider that they consider that

1078

00:52:29,349 --> 00:52:27,280

we're in a coup

1079

00:52:30,870 --> 00:52:29,359

it's called democracy you [h__\h]

1080

00:52:33,349 --> 00:52:30,880

everybody gets to vote

1081

00:52:34,470 --> 00:52:33,359

and then whoever wins wins there's no

1082

00:52:36,790 --> 00:52:34,480

coup

1083

00:52:38,710 --> 00:52:36,800

congress they're coming in um we're

1084

00:52:39,430 --> 00:52:38,720

gonna meet at the airports or at union

1085

00:52:41,510 --> 00:52:39,440

station

1086

00:52:42,950 --> 00:52:41,520

um and send it back to where they came

1087

00:52:44,630 --> 00:52:42,960

from until we

1088

00:52:46,630 --> 00:52:44,640

deal with they're gonna send united

1089

00:52:47,829 --> 00:52:46,640

states senators back to where they came

1090

00:52:50,230 --> 00:52:47,839

from

1091

00:52:51,109 --> 00:52:50,240

that's their plan that's their agenda

1092

00:52:53,910 --> 00:52:51,119

let's send

1093

00:52:57,030 --> 00:52:53,920

united states senators back home let's

1094

00:53:00,069 --> 00:52:57,040

not allow them in washington d.c

1095

00:53:03,430 --> 00:53:00,079

this if this guy's a federal employee

1096

00:53:07,270 --> 00:53:03,440

still i want to know why why is he not

1097

00:53:08,710 --> 00:53:07,280

fired right he's a federal employee

1098

00:53:11,829 --> 00:53:08,720

and this is what he's planning in his

1099

00:53:14,870 --> 00:53:11,839

spare time and listen i'm all for

1100

00:53:16,069 --> 00:53:14,880

i once had a corporate job and the

1101
00:53:17,750 --> 00:53:16,079
corporate job

1102
00:53:20,790 --> 00:53:17,760
made you sign a contract that you would

1103
00:53:24,549 --> 00:53:20,800
not have any other outside income source

1104
00:53:25,589 --> 00:53:24,559
right seems strange but corporations can

1105
00:53:28,309 --> 00:53:25,599
do that

1106
00:53:30,069 --> 00:53:28,319
and that experience made me a big

1107
00:53:30,950 --> 00:53:30,079
believer in whatever the hell i do

1108
00:53:32,950 --> 00:53:30,960
outside work

1109
00:53:34,230 --> 00:53:32,960
has nothing to do with my job but in

1110
00:53:36,390 --> 00:53:34,240
this case it does

1111
00:53:38,309 --> 00:53:36,400
because he's working for the this this

1112
00:53:40,309 --> 00:53:38,319
is a federal employee and this is what

1113
00:53:42,390 --> 00:53:40,319

he's doing in his spare time

1114

00:53:43,829 --> 00:53:42,400

the the situation that we're in if

1115

00:53:45,430 --> 00:53:43,839

enough of them get in and we need to go

1116

00:53:47,109 --> 00:53:45,440

to capitol hill um

1117

00:53:49,510 --> 00:53:47,119

uh that that week we'll you know we'll

1118

00:53:51,750 --> 00:53:49,520

do that too i heard someone in the chat

1119

00:53:54,390 --> 00:53:51,760

talking about revolution time

1120

00:53:55,349 --> 00:53:54,400

um oh it's revolution time according to

1121

00:53:57,589 --> 00:53:55,359

these people

1122

00:53:59,109 --> 00:53:57,599

so if they don't get what they want if

1123

00:54:00,630 --> 00:53:59,119

they don't get what they want it's

1124

00:54:03,990 --> 00:54:00,640

revolution time

1125

00:54:06,390 --> 00:54:04,000

but nobody knows what the [h__\h] they want

1126

00:54:07,829 --> 00:54:06,400

so i think either way it may be

1127

00:54:10,309 --> 00:54:07,839

revolution time

1128

00:54:11,670 --> 00:54:10,319

i encourage you know for all of us to be

1129

00:54:14,710 --> 00:54:11,680

fighting for revolution

1130

00:54:17,109 --> 00:54:14,720

before today today tomorrow

1131

00:54:18,870 --> 00:54:17,119

afterwards girl you need to work on your

1132

00:54:19,910 --> 00:54:18,880

green screen settings because this is

1133

00:54:21,670 --> 00:54:19,920

[h__\h] terrible

1134

00:54:23,030 --> 00:54:21,680

is this how you're representing black

1135

00:54:25,030 --> 00:54:23,040

lives matter with this big

1136

00:54:26,549 --> 00:54:25,040

[h__\h] going on in your head because you

1137

00:54:28,230 --> 00:54:26,559

can't work a [h__\h] green

1138

00:54:29,589 --> 00:54:28,240

you can't work she's going to [h__\h]

1139

00:54:31,349 --> 00:54:29,599

start a revolution

1140

00:54:32,710 --> 00:54:31,359

but she can't work a [h__\h] green

1141

00:54:34,950 --> 00:54:32,720

screen this

1142

00:54:35,829 --> 00:54:34,960

[h__\h] genius that can't work a [h__\h]

1143

00:54:38,549 --> 00:54:35,839

green screen

1144

00:54:40,950 --> 00:54:38,559

is going to be a revolutionary i don't

1145

00:54:44,870 --> 00:54:40,960

think so honey i don't think so

1146

00:54:46,950 --> 00:54:44,880

right we um we know that this uh system

1147

00:54:49,030 --> 00:54:46,960

was not set up for our success

1148

00:54:50,630 --> 00:54:49,040

um in our in our community to thrive but

1149

00:54:52,549 --> 00:54:50,640

just well that i agree with you this

1150

00:54:54,230 --> 00:54:52,559

system is not set up for the success of

1151
00:54:56,150 --> 00:54:54,240
anybody but the super wealthy and

1152
00:54:56,870 --> 00:54:56,160
[h__\h] corporations on that much i

1153
00:54:59,589 --> 00:54:56,880
agree with them

1154
00:55:01,270 --> 00:54:59,599
give space for that we're facing an

1155
00:55:04,150 --> 00:55:01,280
administration and

1156
00:55:05,430 --> 00:55:04,160
now this one is really uh this is where

1157
00:55:09,109 --> 00:55:05,440
it gets good friends

1158
00:55:11,030 --> 00:55:09,119
and uh oh again fair use fair use we are

1159
00:55:12,390 --> 00:55:11,040
educating the public about this group of

1160
00:55:14,789 --> 00:55:12,400
federal employees that are getting

1161
00:55:16,950 --> 00:55:14,799
together and organizing or

1162
00:55:18,829 --> 00:55:16,960
they appear or are talking about

1163
00:55:21,510 --> 00:55:18,839

organizing a revolution

1164

00:55:22,309 --> 00:55:21,520

organizing doing something in the event

1165

00:55:24,870 --> 00:55:22,319

of a coup

1166

00:55:26,390 --> 00:55:24,880

stopping senators from coming to

1167

00:55:29,270 --> 00:55:26,400

washington dc

1168

00:55:30,630 --> 00:55:29,280

shutting down the white house these are

1169

00:55:33,510 --> 00:55:30,640

these are reportedly

1170

00:55:33,990 --> 00:55:33,520

or allegedly federal employees i'm

1171

00:55:36,789 --> 00:55:34,000

trying to get

1172

00:55:38,710 --> 00:55:36,799

verification of that things are very

1173

00:55:41,670 --> 00:55:38,720

fast and loose right now

1174

00:55:43,109 --> 00:55:41,680

uh but a source i don't even want to

1175

00:55:45,270 --> 00:55:43,119

call them a source

1176

00:55:47,270 --> 00:55:45,280

another a broadcaster let's say that a

1177

00:55:49,030 --> 00:55:47,280

broadcaster i trust says this is a

1178

00:55:51,430 --> 00:55:49,040

genuine video of

1179

00:55:52,069 --> 00:55:51,440

actual federal employees these are a lot

1180

00:55:55,510 --> 00:55:52,079

of

1181

00:55:57,109 --> 00:55:55,520

employee and how we can use our

1182

00:55:58,069 --> 00:55:57,119

knowledge of the bureaucracy i think

1183

00:56:01,190 --> 00:55:58,079

it's this woman

1184

00:56:03,190 --> 00:56:01,200

to disrupt and uh cause chaos

1185

00:56:04,630 --> 00:56:03,200

potential coup and a potential

1186

00:56:07,589 --> 00:56:04,640

insurrection

1187

00:56:08,710 --> 00:56:07,599

where um efforts to criminalize this are

1188

00:56:10,470 --> 00:56:08,720

going to be even greater

1189

00:56:13,670 --> 00:56:10,480

understanding that everything that we're

1190

00:56:16,789 --> 00:56:13,680

doing now in this moment

1191

00:56:17,829 --> 00:56:16,799

is laying the groundwork for what is

1192

00:56:21,990 --> 00:56:17,839

going to come

1193

00:56:28,710 --> 00:56:25,270

are people going to get killed like

1194

00:56:32,309 --> 00:56:30,870

i'm guessing it is and when there was a

1195

00:56:34,470 --> 00:56:32,319

civil war in this country there was a

1196

00:56:36,549 --> 00:56:34,480

massive land mass that was divided

1197

00:56:37,829 --> 00:56:36,559

but we don't have one united land mass

1198

00:56:38,789 --> 00:56:37,839

that's going to fight another we're

1199

00:56:40,870 --> 00:56:38,799

going to see

1200

00:56:42,390 --> 00:56:40,880

potential fighting all over the country

1201

00:56:44,950 --> 00:56:42,400

or in some hot spots

1202

00:56:46,230 --> 00:56:44,960

right we've already seen that yes we

1203

00:56:48,470 --> 00:56:46,240

have already seen that

1204

00:56:50,150 --> 00:56:48,480

everybody is very fragmented everybody

1205

00:56:53,270 --> 00:56:50,160

is very

1206

00:56:55,030 --> 00:56:53,280

divisive divisive is the word of the day

1207

00:56:57,270 --> 00:56:55,040

everybody's got their side

1208

00:56:58,150 --> 00:56:57,280

everybody's taking sides and so how do

1209

00:57:00,710 --> 00:56:58,160

we work together

1210

00:57:02,549 --> 00:57:00,720

across the country to help support each

1211

00:57:06,150 --> 00:57:02,559

other no matter where we are

1212

00:57:08,710 --> 00:57:06,160

and to go to uh

1213

00:57:10,870 --> 00:57:08,720

maximize our impact by doing similar

1214

00:57:11,990 --> 00:57:10,880

things on similar days at similar time

1215

00:57:13,910 --> 00:57:12,000

you know some of the stuff that shows

1216

00:57:16,150 --> 00:57:13,920

yeah so let's coordinate our efforts to

1217

00:57:19,349 --> 00:57:16,160

disrupt the united states government

1218

00:57:20,789 --> 00:57:19,359

and civil society but down dc is doing

1219

00:57:21,510 --> 00:57:20,799

some of the ways we're thinking about

1220

00:57:23,109 --> 00:57:21,520

this

1221

00:57:24,870 --> 00:57:23,119

that could be replicated in cities

1222

00:57:26,470 --> 00:57:24,880

across the country we've been working on

1223

00:57:27,349 --> 00:57:26,480

a target map and a framework for

1224

00:57:29,910 --> 00:57:27,359

scenario

1225

00:57:32,309 --> 00:57:29,920

so we began to put together a list of

1226

00:57:34,630 --> 00:57:32,319

things we want to know about in the city

1227

00:57:35,750 --> 00:57:34,640

so where are all the police stations

1228

00:57:37,030 --> 00:57:35,760

because it's good to know where the

1229

00:57:39,910 --> 00:57:37,040

police are

1230

00:57:42,630 --> 00:57:39,920

we're all the key government buildings

1231

00:57:45,750 --> 00:57:42,640

where are all the media outlets

1232

00:57:47,270 --> 00:57:45,760

who are the trump boosters you know lisa

1233

00:57:48,390 --> 00:57:47,280

who are the trump boosters does that

1234

00:57:49,750 --> 00:57:48,400

mean they're going to be going after

1235

00:57:52,710 --> 00:57:49,760

trump supporters

1236

00:57:53,990 --> 00:57:52,720

is that part of their plan uh um and

1237

00:57:57,349 --> 00:57:54,000

some other folks came up with

1238

00:57:58,789 --> 00:57:57,359

a great list of uh the folks that we

1239

00:58:00,630 --> 00:57:58,799

you know might want to go have

1240

00:58:02,309 --> 00:58:00,640

conversations with and

1241

00:58:04,309 --> 00:58:02,319

you know we have them in categories

1242

00:58:05,589 --> 00:58:04,319

right so we may decide that we want to

1243

00:58:07,510 --> 00:58:05,599

go talk to the media

1244

00:58:09,910 --> 00:58:07,520

um so where are they we may decide we

1245

00:58:11,109 --> 00:58:09,920

need to talk with trump boosters so

1246

00:58:14,150 --> 00:58:11,119

where are they

1247

00:58:16,789 --> 00:58:14,160

um and we used software car called uh

1248

00:58:19,190 --> 00:58:16,799

arc gis if you have a well they're just

1249

00:58:22,630 --> 00:58:19,200

gonna talk to trump boosters

1250

00:58:23,910 --> 00:58:22,640

um university uh affiliation

1251

00:58:25,589 --> 00:58:23,920

or somebody a group does you can

1252

00:58:27,670 --> 00:58:25,599

probably get this for free otherwise you

1253

00:58:29,829 --> 00:58:27,680

can get it for not very much

1254

00:58:31,190 --> 00:58:29,839

but what's cool about this is we're able

1255

00:58:33,190 --> 00:58:31,200

to pull in other

1256

00:58:35,030 --> 00:58:33,200

like other public data sets so in the

1257

00:58:37,270 --> 00:58:35,040

purple we have all the military

1258

00:58:38,870 --> 00:58:37,280

um properties we're going to skip ahead

1259

00:58:39,430 --> 00:58:38,880

against social disruption this guy's

1260

00:58:41,510 --> 00:58:39,440

doing

1261

00:58:42,789 --> 00:58:41,520

a victory lap about being a great

1262

00:58:45,109 --> 00:58:42,799

software nerd

1263

00:58:46,789 --> 00:58:45,119

but uh you know i have a feeling that a

1264

00:58:48,950 --> 00:58:46,799

few [h__h] police batons

1265

00:58:50,789 --> 00:58:48,960

across his head and he's not going to be

1266

00:58:53,910 --> 00:58:50,799

such a revolutionary anymore

1267

00:58:55,430 --> 00:58:53,920

or a little bit of mace until he

1268

00:58:58,470 --> 00:58:55,440

concedes

1269

00:59:01,910 --> 00:58:58,480

right oh here we go

1270

00:59:05,589 --> 00:59:01,920

this is worthy of we believe that that

1271

00:59:08,870 --> 00:59:05,599

is a moment that could trigger

1272

00:59:10,390 --> 00:59:08,880

significant social disruption until he

1273

00:59:13,670 --> 00:59:10,400

concedes

1274

00:59:14,309 --> 00:59:13,680

right so for us that might mean looking

1275

00:59:16,150 --> 00:59:14,319

at

1276

00:59:18,549 --> 00:59:16,160

blocking the bridges and main

1277

00:59:21,190 --> 00:59:18,559

thoroughfares coming into the city

1278

00:59:22,630 --> 00:59:21,200

to kind of shut the city down and so you

1279

00:59:25,349 --> 00:59:22,640

might look at your city

1280

00:59:26,950 --> 00:59:25,359

what are the primary act these people

1281

00:59:27,670 --> 00:59:26,960

are planning on shutting down the white

1282

00:59:29,430 --> 00:59:27,680

house

1283

00:59:31,990 --> 00:59:29,440

stopping senators from coming to

1284

00:59:33,589 --> 00:59:32,000

washington dc now they're talking about

1285

00:59:36,549 --> 00:59:33,599

shutting down the bridges in and out of

1286

00:59:39,349 --> 00:59:36,559

the city to close it off

1287

00:59:40,950 --> 00:59:39,359

access points what bridges rivers roads

1288

00:59:42,549 --> 00:59:40,960

are the main ones

1289

00:59:45,030 --> 00:59:42,559

which ones are coming from industry

1290

00:59:46,230 --> 00:59:45,040

sectors where the rich people live

1291

00:59:47,750 --> 00:59:46,240

why do you need to know where the rich

1292

00:59:48,950 --> 00:59:47,760

people live are they going to eat the

1293

00:59:51,109 --> 00:59:48,960

rich

1294

00:59:53,270 --> 00:59:51,119

friends i think it might almost be time

1295

00:59:55,589 --> 00:59:53,280

to eat the rich we'll see

1296

00:59:56,470 --> 00:59:55,599

and begin to think about how might you

1297

00:59:58,950 --> 00:59:56,480

shut this down

1298

01:00:00,549 --> 00:59:58,960

if let's say there's a narrow trump

1299

01:00:02,789 --> 01:00:00,559

victory

1300

01:00:03,750 --> 01:00:02,799

we might have to pivot and at that point

1301

01:00:05,910 --> 01:00:03,760

we might need to say

1302

01:00:06,789 --> 01:00:05,920

we need to target the democrats and make

1303

01:00:09,270 --> 01:00:06,799

sure

1304

01:00:10,950 --> 01:00:09,280

biden does not concede right so who

1305

01:00:13,510 --> 01:00:10,960

might all the democratic so

1306

01:00:15,190 --> 01:00:13,520

in dc this is a target rich city so if

1307

01:00:16,549 --> 01:00:15,200

there's a narrow trump victory

1308

01:00:18,390 --> 01:00:16,559

they're going to try to pressure joe

1309

01:00:21,750 --> 01:00:18,400

biden to still not concede

1310

01:00:22,390 --> 01:00:21,760

even if he truly lost the election fair

1311

01:00:25,670 --> 01:00:22,400

and square

1312

01:00:27,349 --> 01:00:25,680

right this is what i'm hearing

1313

01:00:29,750 --> 01:00:27,359

they don't want him to concede no matter

1314

01:00:30,230 --> 01:00:29,760

what but who are all the democratic

1315

01:00:32,630 --> 01:00:30,240

leaders

1316

01:00:33,349 --> 01:00:32,640

players in your city that you would want

1317

01:00:36,950 --> 01:00:33,359

to engage

1318

01:00:40,309 --> 01:00:36,960

if that was a scenario or

1319

01:00:43,589 --> 01:00:40,319

maybe it's a narrow biden victory

1320

01:00:44,309 --> 01:00:43,599

and trump is not conceding maybe it's

1321

01:00:46,870 --> 01:00:44,319

targeting

1322

01:00:48,309 --> 01:00:46,880

republicans and telling them it's time

1323

01:00:51,430 --> 01:00:48,319

to get him to go

1324

01:00:53,349 --> 01:00:51,440

right so we're thinking through

1325

01:00:55,190 --> 01:00:53,359

the different scenarios and what might

1326

01:00:56,950 --> 01:00:55,200

be the appropriate targets and then

1327

01:00:58,630 --> 01:00:56,960

actions based on that

1328

01:00:59,990 --> 01:00:58,640

so people can start organizing and

1329

01:01:03,589 --> 01:01:00,000

getting ahead of it

1330

01:01:06,150 --> 01:01:03,599

want to shut the city down

1331

01:01:08,150 --> 01:01:06,160

that's this is crazy we have to be

1332

01:01:11,510 --> 01:01:08,160

willing to put our bodies on the line

1333

01:01:14,390 --> 01:01:11,520

and take on some discomfort sacrifice

1334

01:01:15,910 --> 01:01:14,400

risk in order to change things and i've

1335

01:01:17,190 --> 01:01:15,920

been in conversations where people have

1336

01:01:18,710 --> 01:01:17,200

never thought about having a gun or what

1337

01:01:20,230 --> 01:01:18,720

should i have a gun

1338

01:01:21,190 --> 01:01:20,240

but i think we have to know and i'm

1339

01:01:22,069 --> 01:01:21,200

going to talk a little bit in a few

1340

01:01:24,150 --> 01:01:22,079

minutes about

1341

01:01:25,190 --> 01:01:24,160

what do we do when guns are in the mix

1342

01:01:27,030 --> 01:01:25,200

so again

1343

01:01:28,230 --> 01:01:27,040

chaos is the soup by which change

1344

01:01:30,950 --> 01:01:28,240

emerges let's get

1345

01:01:31,510 --> 01:01:30,960

cooking chaos is the soup in which

1346

01:01:35,990 --> 01:01:31,520

change

1347

01:01:40,630 --> 01:01:38,630

well that's quite a quote and i don't

1348

01:01:42,870 --> 01:01:40,640

say this because i think that anyone uh

1349

01:01:46,630 --> 01:01:42,880

about us wants to go out and get killed

1350

01:01:50,069 --> 01:01:48,630

again we didn't cause the war we didn't

1351

01:01:51,670 --> 01:01:50,079

ask for this war

1352

01:01:53,670 --> 01:01:51,680

many of us are here because we want to

1353

01:01:55,829 --> 01:01:53,680

fight it we want something different

1354

01:01:57,510 --> 01:01:55,839

i have been in situations with live

1355

01:02:00,230 --> 01:01:57,520

ammunition in more than one

1356

01:02:01,510 --> 01:02:00,240

one time what are we willing to do right

1357

01:02:02,549 --> 01:02:01,520

because again we're not dealing with

1358

01:02:03,829 --> 01:02:02,559

people with just

1359

01:02:05,990 --> 01:02:03,839

simple guns we're dealing with people

1360

01:02:09,270 --> 01:02:06,000

with ar you know ak-47s

1361

01:02:12,870 --> 01:02:09,280

multiple rounds a lot of shootings so

1362

01:02:14,549 --> 01:02:12,880

um yeah we are going to be in a crisis

1363

01:02:17,109 --> 01:02:14,559

but we want it to be one that we are

1364

01:02:17,750 --> 01:02:17,119

creating they want to create a social

1365

01:02:20,549 --> 01:02:17,760

crisis

1366

01:02:22,390 --> 01:02:20,559

that's their stated goal we want to make

1367

01:02:23,750 --> 01:02:22,400

sure that we are on the offense and not

1368

01:02:25,910 --> 01:02:23,760

the defense

1369

01:02:27,670 --> 01:02:25,920

we want them to be responding to us and

1370

01:02:29,910 --> 01:02:27,680

thus not responding to them

1371

01:02:32,390 --> 01:02:29,920

in a situation of a coup or an

1372

01:02:35,990 --> 01:02:32,400

insurrection or an uprising

1373

01:02:38,390 --> 01:02:36,000

whoever's got the guns often

1374

01:02:40,789 --> 01:02:38,400

can win what would a campaign look like

1375

01:02:42,390 --> 01:02:40,799

to go to whoever got the guns can win

1376

01:02:44,230 --> 01:02:42,400
and biden's already talking about

1377

01:02:46,789 --> 01:02:44,240
banning assault rifles

1378

01:02:48,309 --> 01:02:46,799
and placing uh restrictions they're

1379

01:02:50,390 --> 01:02:48,319
going to stop

1380

01:02:53,349 --> 01:02:50,400
people's ability to sell guns and

1381

01:02:55,190 --> 01:02:53,359
ammunition on the internet

1382

01:02:57,990 --> 01:02:55,200
that's going to severely limit people's

1383

01:03:01,349 --> 01:02:58,000
ability to keep and bear arms

1384

01:03:02,870 --> 01:03:01,359
and i just want to say shall not be

1385

01:03:05,990 --> 01:03:02,880
infringed

1386

01:03:08,069 --> 01:03:06,000
is very uh near and dear to my heart the

1387

01:03:11,670 --> 01:03:08,079
right to bear arms shall not be

1388

01:03:15,430 --> 01:03:11,680

infringed you can't

1389

01:03:18,230 --> 01:03:15,440

allow all of this turmoil

1390

01:03:18,870 --> 01:03:18,240

conflict chaos anarchy in the streets

1391

01:03:22,309 --> 01:03:18,880

rioting

1392

01:03:24,470 --> 01:03:22,319

and looting and then say by the way

1393

01:03:27,109 --> 01:03:24,480

we're going to take away your right to

1394

01:03:28,870 --> 01:03:27,119

have whatever gun you want

1395

01:03:31,589 --> 01:03:28,880

and we're not going to let you buy

1396

01:03:33,109 --> 01:03:31,599

ammunition online anymore

1397

01:03:35,029 --> 01:03:33,119

and we're going to place all kinds of

1398

01:03:37,670 --> 01:03:35,039

restrictions on gun rights

1399

01:03:38,549 --> 01:03:37,680

as soon as we get into office that is

1400

01:03:40,950 --> 01:03:38,559

crazy

1401

01:03:42,789 --> 01:03:40,960

and i i just like to say good luck i've

1402

01:03:44,230 --> 01:03:42,799

i've seen a whole bunch of posts about

1403

01:03:45,910 --> 01:03:44,240

biden

1404

01:03:48,309 --> 01:03:45,920

making that statement about banning

1405

01:03:51,990 --> 01:03:48,319

assault rifles and other gun

1406

01:03:55,270 --> 01:03:52,000

control gun control

1407

01:03:56,870 --> 01:03:55,280

legislation that he wants to to enact

1408

01:03:59,029 --> 01:03:56,880

all i can say is good luck because

1409

01:04:00,390 --> 01:03:59,039

there's 3d printers right now and people

1410

01:04:02,630 --> 01:04:00,400

are already saying

1411

01:04:03,910 --> 01:04:02,640

we'll learn to 3d print our assault

1412

01:04:05,990 --> 01:04:03,920

rifles

1413

01:04:07,029 --> 01:04:06,000

uh but we're gonna we're not gonna give

1414

01:04:08,789 --> 01:04:07,039

them up

1415

01:04:10,950 --> 01:04:08,799

i think it'll be a cold day in hell

1416

01:04:16,150 --> 01:04:10,960

before that gets

1417

01:04:19,990 --> 01:04:19,589

there are various uh sort of clips of

1418

01:04:21,270 --> 01:04:20,000

him

1419

01:04:23,589 --> 01:04:21,280

saying you know we're not going to take

1420

01:04:25,510 --> 01:04:23,599

your guns he's got a tweet now

1421

01:04:26,870 --> 01:04:25,520

saying essentially we're going to take

1422

01:04:28,230 --> 01:04:26,880

your guns

1423

01:04:30,390 --> 01:04:28,240

and has supported a lot of the

1424

01:04:31,990 --> 01:04:30,400

democratic governors and to make a

1425

01:04:34,789 --> 01:04:32,000

commitment now

1426
01:04:35,829 --> 01:04:34,799
to refuse to deploy the national guard

1427
01:04:40,150 --> 01:04:35,839
against the people

1428
01:04:43,589 --> 01:04:40,160
refuse to deploy the national guard

1429
01:04:47,510 --> 01:04:43,599
and i love how their stuff is in arabic

1430
01:04:50,390 --> 01:04:47,520
too look at this is crazy it's in arabic

1431
01:04:51,990 --> 01:04:50,400
and english why is that why are there is

1432
01:04:53,190 --> 01:04:52,000
there materials they're teaching

1433
01:04:55,910 --> 01:04:53,200
materials of

1434
01:04:58,549 --> 01:04:55,920
how to create civil unrest in both

1435
01:05:00,230 --> 01:04:58,559
arabic and english

1436
01:05:01,589 --> 01:05:00,240
the community of organizers has been

1437
01:05:03,029 --> 01:05:01,599
working on a clear framework

1438
01:05:04,630 --> 01:05:03,039

looking at the scenarios doing the

1439

01:05:06,230 --> 01:05:04,640

recruiting

1440

01:05:07,990 --> 01:05:06,240

and helping to craft a vision of what we

1441

01:05:10,309 --> 01:05:08,000

might do

1442

01:05:11,029 --> 01:05:10,319

if there should be a coup we should be

1443

01:05:14,390 --> 01:05:11,039

clear

1444

01:05:17,430 --> 01:05:14,400

like it's got to go

1445

01:05:18,789 --> 01:05:17,440

trump's got to go in order to achieve

1446

01:05:19,910 --> 01:05:18,799

what they did

1447

01:05:22,230 --> 01:05:19,920

they knew they had to take over

1448

01:05:23,589 --> 01:05:22,240

important government buildings they knew

1449

01:05:25,910 --> 01:05:23,599

they had to try and win over

1450

01:05:27,510 --> 01:05:25,920

members of the police and army and they

1451

01:05:28,789 --> 01:05:27,520

had to protect each other

1452

01:05:30,309 --> 01:05:28,799

i think we don't have a lot of

1453

01:05:31,029 --> 01:05:30,319

experience taking over government

1454

01:05:32,870 --> 01:05:31,039

buildings

1455

01:05:34,950 --> 01:05:32,880

we might need to think about that and i

1456

01:05:37,109 --> 01:05:34,960

know they need to think about taking

1457

01:05:40,150 --> 01:05:37,119

over government buildings

1458

01:05:41,670 --> 01:05:40,160

as i you know i said earlier how

1459

01:05:42,870 --> 01:05:41,680

you know we may find ourselves in the

1460

01:05:44,630 --> 01:05:42,880

streets with people with different

1461

01:05:46,789 --> 01:05:44,640

tactics than ours

1462

01:05:48,470 --> 01:05:46,799

but like there may be some people that

1463

01:05:50,630 --> 01:05:48,480

are willing to break the windows to get

1464

01:05:52,950 --> 01:05:50,640

into the government buildings

1465

01:05:54,549 --> 01:05:52,960

like if that's what we need to do then

1466

01:05:58,069 --> 01:05:54,559

we shouldn't fight about that

1467

01:06:00,069 --> 01:05:58,079

let's do that let's do that let's break

1468

01:06:02,230 --> 01:06:00,079

the windows of those federal buildings

1469

01:06:06,390 --> 01:06:02,240

that is a federal crime

1470

01:06:10,470 --> 01:06:06,400

this is a federal employee

1471

01:06:12,710 --> 01:06:10,480

talking about committing federal crimes

1472

01:06:14,390 --> 01:06:12,720

take over the buildings if there are

1473

01:06:15,349 --> 01:06:14,400

people that are willing to do that we

1474

01:06:17,190 --> 01:06:15,359

should support them

1475

01:06:18,870 --> 01:06:17,200

and not fight against them the other

1476

01:06:21,589 --> 01:06:18,880

thing that was really interesting to me

1477

01:06:23,670 --> 01:06:21,599

as i looked at their model of organizing

1478

01:06:27,029 --> 01:06:23,680

they made sure that they chose ground

1479

01:06:29,510 --> 01:06:27,039

terrier square so in your community

1480

01:06:31,270 --> 01:06:29,520

what is the heart of your community

1481

01:06:33,270 --> 01:06:31,280

where do people naturally gather well

1482

01:06:35,190 --> 01:06:33,280

actually i've watched this through so i

1483

01:06:38,470 --> 01:06:35,200

guess the arabic is this is

1484

01:06:41,910 --> 01:06:38,480

plans from you know arabic

1485

01:06:43,190 --> 01:06:41,920

and insurrection uh organizations i

1486

01:06:45,910 --> 01:06:43,200

guess that we're trying to

1487

01:06:47,270 --> 01:06:45,920

overthrow or bring revolution to their

1488

01:06:49,270 --> 01:06:47,280

governments and

1489

01:06:51,029 --> 01:06:49,280

these tactics are being copied and

1490

01:06:54,230 --> 01:06:51,039

taught by these

1491

01:06:55,349 --> 01:06:54,240

activists here where are the people of

1492

01:06:58,549 --> 01:06:55,359

power

1493

01:06:59,990 --> 01:06:58,559

right is that where you want to make the

1494

01:07:01,670 --> 01:07:00,000

center of your resistance

1495

01:07:03,190 --> 01:07:01,680

like here in dc it would be black lives

1496

01:07:05,109 --> 01:07:03,200

matter plasma

1497

01:07:06,710 --> 01:07:05,119

and again that's what shutdown dc is

1498

01:07:07,910 --> 01:07:06,720

doing right now

1499

01:07:10,630 --> 01:07:07,920

what do you need to protect yourself

1500

01:07:14,230 --> 01:07:10,640

from chemical weapons projectiles

1501

01:07:15,430 --> 01:07:14,240

batons you know horses well good at them

1502

01:07:17,670 --> 01:07:15,440

to help people

1503

01:07:19,910 --> 01:07:17,680

ride and loot better look at that what

1504

01:07:23,430 --> 01:07:19,920

is that

1505

01:07:25,430 --> 01:07:23,440

pop pan and

1506

01:07:26,710 --> 01:07:25,440

you gotta have good rioting and looting

1507

01:07:29,910 --> 01:07:26,720

shoes here friends

1508

01:07:33,109 --> 01:07:29,920

you know good hoodie

1509

01:07:35,270 --> 01:07:33,119

you know great

1510

01:07:36,150 --> 01:07:35,280

backpacks with padding can be padding

1511

01:07:39,109 --> 01:07:36,160

for batons

1512

01:07:40,309 --> 01:07:39,119

helmets for clubs so all of these things

1513

01:07:42,870 --> 01:07:40,319

are not

1514

01:07:45,349 --> 01:07:42,880

some indicator of your militancy or

1515

01:07:47,829 --> 01:07:45,359

coolness these are self-protective

1516

01:07:49,430 --> 01:07:47,839

measures at this point war has got

1517

01:07:50,950 --> 01:07:49,440

fighting

1518

01:07:52,150 --> 01:07:50,960

and then knowing that if some of the

1519

01:07:54,950 --> 01:07:52,160

other folks emerge that are going to

1520

01:08:01,190 --> 01:07:59,270

that we need to stay out of their way

1521

01:08:02,789 --> 01:08:01,200

we might need to figure out yeah there

1522

01:08:06,710 --> 01:08:02,799

is guys using like a

1523

01:08:08,150 --> 01:08:06,720

like a pot top as a shield to fight the

1524

01:08:11,829 --> 01:08:08,160

police

1525

01:08:14,710 --> 01:08:11,839

advance how to build some agreements and

1526

01:08:16,229 --> 01:08:14,720

if there are people that are willing to

1527

01:08:19,030 --> 01:08:16,239

put their body between

1528

01:08:20,470 --> 01:08:19,040

the white militia and a bunch of people

1529

01:08:23,510 --> 01:08:20,480

that are mobilized

1530

01:08:23,990 --> 01:08:23,520

i want to do nothing other than support

1531

01:08:25,829 --> 01:08:24,000

them

1532

01:08:28,149 --> 01:08:25,839

have their back you know you can also

1533

01:08:29,349 --> 01:08:28,159

stick right so this is like disabling

1534

01:08:30,550 --> 01:08:29,359

vehicles

1535

01:08:31,990 --> 01:08:30,560

taking action against property

1536

01:08:32,870 --> 01:08:32,000

especially property that's designed to

1537

01:08:37,030 --> 01:08:32,880

hurt us

1538

01:08:39,910 --> 01:08:37,040

is violence i think it's smart sometimes

1539

01:08:41,749 --> 01:08:39,920

i think spray painting cameras that are

1540

01:08:46,550 --> 01:08:41,759

security cameras trying to track us

1541

01:08:50,390 --> 01:08:48,789

this is disturbing listening into this

1542

01:08:53,510 --> 01:08:50,400

right but we're getting an

1543

01:08:55,910 --> 01:08:53,520

inside view into what these people

1544

01:08:56,870 --> 01:08:55,920

want they want to create chaos and

1545

01:09:00,149 --> 01:08:56,880

anarchy and

1546

01:09:02,870 --> 01:09:00,159

and lawlessness in the streets

1547

01:09:04,630 --> 01:09:02,880

and do everything we can to like be a

1548

01:09:06,950 --> 01:09:04,640

united

1549

01:09:08,309 --> 01:09:06,960

collective resistance knowing that we

1550

01:09:10,950 --> 01:09:08,319

might be in different roles

1551

01:09:12,870 --> 01:09:10,960

in different places at different times

1552

01:09:15,030 --> 01:09:12,880

we're also dealing with covet

1553

01:09:16,070 --> 01:09:15,040

like taking over inside spaces gets

1554

01:09:18,789 --> 01:09:16,080

harder and harder

1555

01:09:20,630 --> 01:09:18,799

with cobit but we might need to do it

1556

01:09:23,269 --> 01:09:20,640

and one of the things we've learned

1557

01:09:25,430 --> 01:09:23,279

is that our movements for justice not

1558

01:09:28,470 --> 01:09:25,440

one of them has been a super spreader

1559

01:09:30,950 --> 01:09:28,480

in an uprising isn't that nice that uh

1560

01:09:33,430 --> 01:09:30,960

you know political rallies can be a

1561

01:09:35,269 --> 01:09:33,440

super spreader but a blm riot that's not

1562

01:09:38,229 --> 01:09:35,279

a super spreader

1563

01:09:39,910 --> 01:09:38,239

i don't get it i just don't get it and

1564

01:09:41,669 --> 01:09:39,920

loud things helicopters you may not

1565

01:09:45,030 --> 01:09:41,679

always be able to hear

1566

01:09:45,510 --> 01:09:45,040

right developing hand signals umbrellas

1567

01:09:48,789 --> 01:09:45,520

up

1568

01:09:50,149 --> 01:09:48,799

helmets on put your eye mask on time for

1569

01:09:52,309 --> 01:09:50,159

face mask

1570

01:09:53,510 --> 01:09:52,319

right skip ahead there are places i'm

1571

01:09:54,550 --> 01:09:53,520

not sure how it's all going to come

1572

01:09:58,310 --> 01:09:54,560

together

1573

01:09:59,910 --> 01:09:58,320

um is coordinating beyond that so let's

1574

01:10:03,030 --> 01:09:59,920

say another scenario

1575

01:10:05,350 --> 01:10:03,040

is um

1576

01:10:06,950 --> 01:10:05,360

narrow biden we're but we need to get

1577

01:10:08,070 --> 01:10:06,960

all the votes counted we need to slow

1578

01:10:09,910 --> 01:10:08,080

things down

1579

01:10:11,910 --> 01:10:09,920

some of us were talking about maybe we

1580

01:10:13,750 --> 01:10:11,920

should be organizing car caravan

1581

01:10:16,070 --> 01:10:13,760

fans we did a lot of experience with

1582

01:10:19,350 --> 01:10:16,080

that in during covid

1583

01:10:21,750 --> 01:10:19,360

the height of it um car

1584

01:10:23,830 --> 01:10:21,760

being in a car is safer than being your

1585

01:10:26,870 --> 01:10:23,840

body right out of the space

1586

01:10:28,870 --> 01:10:26,880

all right i think i've had enough let's

1587

01:10:31,189 --> 01:10:28,880

hear from the next contestant on

1588

01:10:33,590 --> 01:10:31,199

[h__\h] up america how do you balance

1589

01:10:35,030 --> 01:10:33,600

secrecy and transparency

1590

01:10:36,630 --> 01:10:35,040

at one point there's a discussion going

1591

01:10:37,189 --> 01:10:36,640

on around how do we communicate with

1592

01:10:40,070 --> 01:10:37,199

each other

1593

01:10:41,510 --> 01:10:40,080

through signal or vpns i think that

1594

01:10:43,590 --> 01:10:41,520

might be a pertinent question of

1595

01:10:44,790 --> 01:10:43,600

we're talking about some pretty intense

1596

01:10:46,550 --> 01:10:44,800

things how do we

1597

01:10:47,910 --> 01:10:46,560

open up the doors to everyone but also

1598

01:10:49,189 --> 01:10:47,920

keep each other safe

1599

01:10:50,790 --> 01:10:49,199

there's another guy that can't work a

1600

01:10:52,310 --> 01:10:50,800

[h__\h] green screen but he's gonna

1601

01:10:55,350 --> 01:10:52,320

start a revolution

1602

01:10:57,910 --> 01:10:55,360

and again tactical information uh

1603

01:10:58,550 --> 01:10:57,920

right now i've seen people using uh

1604

01:11:02,390 --> 01:10:58,560

signal

1605

01:11:05,990 --> 01:11:02,400

but also using twitter also using um

1606

01:11:07,350 --> 01:11:06,000

uh telegram you know i think i've had

1607

01:11:10,390 --> 01:11:07,360

enough friends

1608

01:11:14,070 --> 01:11:10,400

i just i gotta check out that the

1609

01:11:18,950 --> 01:11:14,080

mind virus is the my driver's infection

1610

01:11:21,830 --> 01:11:18,960

is already causing the uh anxiety

1611

01:11:24,229 --> 01:11:21,840

these are the things going on and these

1612

01:11:27,990 --> 01:11:24,239

are the people in our neighborhood

1613

01:11:28,000 --> 01:11:33,510

yeah i um

1614

01:11:37,189 --> 01:11:36,310

have a lot of anxiety about the coming

1615

01:11:40,229 --> 01:11:37,199

few weeks

1616

01:11:40,630 --> 01:11:40,239

but i'm trying to uh tell myself that

1617

01:11:43,830 --> 01:11:40,640

this

1618

01:11:43,840 --> 01:11:49,910

for all we know

1619

01:11:55,350 --> 01:11:52,950

yeah um great

1620

01:11:56,310 --> 01:11:55,360

so we're already they don't want you to

1621

01:11:59,669 --> 01:11:56,320

know this stuff

1622

01:12:03,110 --> 01:12:01,430

when they click in the following content

1623

01:12:05,350 --> 01:12:03,120

has been identified by the youtube

1624

01:12:06,070 --> 01:12:05,360

community as inappropriate or offensive

1625

01:12:10,310 --> 01:12:06,080

to some

1626
01:12:13,750 --> 01:12:10,320
audiences viewer discretion is advised

1627
01:12:15,510 --> 01:12:13,760
the truth is never inappropriate

1628
01:12:17,990 --> 01:12:15,520
uh but i'm doing the best that i can

1629
01:12:20,870 --> 01:12:18,000
with the platform that i have

1630
01:12:22,390 --> 01:12:20,880
you can uh click in and watch us on

1631
01:12:27,189 --> 01:12:22,400
twitch without

1632
01:12:30,229 --> 01:12:29,510
you you can watch us on facebook i

1633
01:12:32,790 --> 01:12:30,239
believe

1634
01:12:33,590 --> 01:12:32,800
they haven't banned what we're showing

1635
01:12:35,830 --> 01:12:33,600
tonight

1636
01:12:37,510 --> 01:12:35,840
this you know what no this is starting

1637
01:12:39,750 --> 01:12:37,520
to piss me off though because what what

1638
01:12:43,430 --> 01:12:39,760

am i doing i'm sharing

1639

01:12:45,669 --> 01:12:43,440

true videos from around the world

1640

01:12:47,830 --> 01:12:45,679

from the united states showing the chaos

1641

01:12:50,390 --> 01:12:47,840

the anarchy in the streets the rioting

1642

01:12:53,189 --> 01:12:50,400

the looting the lawlessness

1643

01:12:55,430 --> 01:12:53,199

and some tech giants have decided that

1644

01:13:04,070 --> 01:12:55,440

they don't want people to see that

1645

01:13:06,310 --> 01:13:04,080

and uh that's unfortunate

1646

01:13:07,189 --> 01:13:06,320

yeah they can't ban it michael they can

1647

01:13:10,870 --> 01:13:07,199

label it

1648

01:13:14,149 --> 01:13:10,880

but even labeling it is

1649

01:13:15,590 --> 01:13:14,159

a measure of attempting to have less

1650

01:13:19,110 --> 01:13:15,600

people view it

1651

01:13:22,310 --> 01:13:19,120

in my in my opinion in my humble

1652

01:13:24,229 --> 01:13:22,320

opinion yeah out of mind dildos or

1653

01:13:25,030 --> 01:13:24,239

donkey sex i can talk about dildos and

1654

01:13:26,790 --> 01:13:25,040

donkey sex

1655

01:13:29,030 --> 01:13:26,800

all i want and they don't flag me as

1656

01:13:31,590 --> 01:13:29,040

inappropriate

1657

01:13:32,709 --> 01:13:31,600

but it is what it is friends it is what

1658

01:13:34,310 --> 01:13:32,719

it is

1659

01:13:36,310 --> 01:13:34,320

this is the world that we live in that

1660

01:13:37,990 --> 01:13:36,320

some tech giants are going to decide

1661

01:13:39,430 --> 01:13:38,000

what people can and can't see in this

1662

01:13:42,790 --> 01:13:39,440

country

1663

01:13:45,030 --> 01:13:42,800

and uh i'm just a conduit

1664

01:13:47,830 --> 01:13:45,040

there's nothing that i can do i don't

1665

01:13:51,350 --> 01:13:47,840

have my own delivery service

1666

01:13:54,709 --> 01:13:51,360

so we do what we can here this stream

1667

01:13:56,310 --> 01:13:54,719

um just i'm checking in but i believe

1668

01:13:58,830 --> 01:13:56,320

that the stream on twitch has no

1669

01:14:01,830 --> 01:13:58,840

restrictions and by the way

1670

01:14:04,310 --> 01:14:01,840

um if you have a twitch account i would

1671

01:14:08,070 --> 01:14:04,320

sincerely appreciate that you go

1672

01:14:08,790 --> 01:14:08,080

uh that you go and and follow me on

1673

01:14:11,110 --> 01:14:08,800

twitch

1674

01:14:12,390 --> 01:14:11,120

because uh there may come a time where

1675

01:14:15,669 --> 01:14:12,400

twitch is gonna be

1676

01:14:19,030 --> 01:14:15,679

uh lot more important to

1677

01:14:21,669 --> 01:14:19,040

uh to our show here

1678

01:14:23,270 --> 01:14:21,679

in the coming weeks i don't know and i

1679

01:14:25,910 --> 01:14:23,280

want to stay connected

1680

01:14:27,189 --> 01:14:25,920

so i want to encourage you if you do

1681

01:14:29,990 --> 01:14:27,199

have a twitch account

1682

01:14:31,030 --> 01:14:30,000

to please i'm going to put the twitch

1683

01:14:33,030 --> 01:14:31,040

address

1684

01:14:34,310 --> 01:14:33,040

here in the live chat i want to

1685

01:14:36,229 --> 01:14:34,320

encourage you

1686

01:14:37,510 --> 01:14:36,239

please go there if you have a twitch

1687

01:14:42,070 --> 01:14:37,520

account and follow

1688

01:14:44,149 --> 01:14:42,080

our our channel on twitch

1689

01:14:45,990 --> 01:14:44,159

uh failing at twitch account it really

1690

01:14:46,950 --> 01:14:46,000

only takes two minutes to sign up for a

1691

01:14:49,750 --> 01:14:46,960

twitch account with

1692

01:14:51,669 --> 01:14:49,760

any email address please do consider

1693

01:14:54,229 --> 01:14:51,679

signing up and then following

1694

01:14:56,310 --> 01:14:54,239

our channel that would be very very

1695

01:14:59,110 --> 01:14:56,320

extremely helpful to us

1696

01:14:59,990 --> 01:14:59,120

seems to me that excuse me twitch does

1697

01:15:03,510 --> 01:15:00,000

not have uh

1698

01:15:06,070 --> 01:15:03,520

sort of search algorithms that enable

1699

01:15:08,310 --> 01:15:06,080

people to find me very easily on there

1700

01:15:09,669 --> 01:15:08,320

it's like the wild west over on twitch

1701

01:15:12,149 --> 01:15:09,679

right now

1702

01:15:13,270 --> 01:15:12,159

but i think it's a very good platform

1703

01:15:15,270 --> 01:15:13,280

one thing i noticed is

1704

01:15:17,030 --> 01:15:15,280

the quality of the audio and video over

1705

01:15:18,390 --> 01:15:17,040

there is always better than youtube

1706

01:15:20,390 --> 01:15:18,400

which is odd to me

1707

01:15:21,750 --> 01:15:20,400

but it is what it is maybe they have

1708

01:15:25,830 --> 01:15:21,760

less

1709

01:15:32,790 --> 01:15:25,840

things to deal with so

1710

01:15:37,030 --> 01:15:35,270

yeah so i'll turn my total attention to

1711

01:15:40,630 --> 01:15:37,040

the live chat

1712

01:15:43,110 --> 01:15:40,640

uh and as far as uh

1713

01:15:47,110 --> 01:15:43,120

delivery systems you know they are what

1714

01:15:50,870 --> 01:15:49,189

yeah the broadcaster has indicated that

1715

01:15:52,070 --> 01:15:50,880

this channel is intended for mature

1716

01:16:04,870 --> 01:15:52,080

audiences

1717

01:16:04,880 --> 01:16:10,470

yeah i hate this mindless escalation

1718

01:16:15,510 --> 01:16:13,110

two messages now i guess i'm sorry i

1719

01:16:17,510 --> 01:16:15,520

gotta go see this so we'll go

1720

01:16:19,510 --> 01:16:17,520

we'll go take a look at what's going on

1721

01:16:23,990 --> 01:16:19,520

and

1722

01:16:24,000 --> 01:16:32,070

see what happens

1723

01:16:36,550 --> 01:16:35,110

yeah and uh

1724

01:16:39,350 --> 01:16:36,560

one of the other things that people need

1725

01:16:42,390 --> 01:16:39,360

to keep in mind is

1726

01:16:45,110 --> 01:16:42,400

if they sort of flag you

1727

01:16:46,950 --> 01:16:45,120

for with that tag yeah the following

1728

01:16:48,310 --> 01:16:46,960

content has been identified

1729

01:16:49,990 --> 01:16:48,320

by the youtube community as

1730

01:16:52,630 --> 01:16:50,000

inappropriate

1731

01:16:53,669 --> 01:16:52,640

to some audiences i understand and i

1732

01:16:55,430 --> 01:16:53,679

wish to proceed

1733

01:16:57,590 --> 01:16:55,440

and then they let you in but here's the

1734

01:16:59,750 --> 01:16:57,600

problem the problem is that if somebody

1735

01:17:00,229 --> 01:16:59,760

goes to watch this video that doesn't

1736

01:17:02,630 --> 01:17:00,239

have

1737

01:17:03,590 --> 01:17:02,640

a google account they cannot watch this

1738

01:17:06,550 --> 01:17:03,600

video

1739

01:17:08,630 --> 01:17:06,560

you have to sign in to google or youtube

1740

01:17:10,630 --> 01:17:08,640

in order to watch that video

1741

01:17:14,229 --> 01:17:10,640

because of the age verification so it's

1742

01:17:19,030 --> 01:17:17,590

it's a form of i don't want to call it

1743

01:17:25,669 --> 01:17:19,040

censorship but it's a form of

1744

01:17:29,189 --> 01:17:28,550

yeah nobody reported me they just have

1745

01:17:31,750 --> 01:17:29,199

the youtube

1746

01:17:33,030 --> 01:17:31,760

search algorithms jean-claude is another

1747

01:17:36,950 --> 01:17:33,040

show host

1748

01:17:39,750 --> 01:17:36,960

uh he sent a screenshot of the uh

1749

01:17:41,910 --> 01:17:39,760

you know that thing to my twitter we're

1750

01:17:44,229 --> 01:17:41,920

aware of it john claude they

1751

01:17:46,709 --> 01:17:44,239

nobody reported the video what happens

1752

01:17:47,990 --> 01:17:46,719

is that youtube has algorithms that are

1753

01:17:51,030 --> 01:17:48,000

removing

1754

01:17:54,390 --> 01:17:51,040

or placing that label on anybody that is

1755

01:17:57,830 --> 01:17:54,400

showing any of this writing looting

1756

01:17:58,630 --> 01:17:57,840

um and you know in fairness to the

1757

01:18:02,790 --> 01:17:58,640

youtube

1758

01:18:04,470 --> 01:18:02,800

system and algorithms i have to say that

1759

01:18:06,070 --> 01:18:04,480

it's a good argument that they have you

1760

01:18:08,229 --> 01:18:06,080

don't want children watching all that

1761

01:18:11,990 --> 01:18:08,239

violence and stuff like that

1762

01:18:15,030 --> 01:18:12,000

however uh the end result

1763

01:18:15,590 --> 01:18:15,040

is a chilling a chilling effect on free

1764

01:18:18,870 --> 01:18:15,600

speech

1765

01:18:20,470 --> 01:18:18,880

and free expression because now

1766

01:18:22,390 --> 01:18:20,480

anybody that goes to watch our video

1767

01:18:24,870 --> 01:18:22,400

tonight has to have a google account

1768

01:18:26,310 --> 01:18:24,880

that's age verified basically

1769

01:18:28,390 --> 01:18:26,320

which is ridiculous because you could

1770

01:18:30,390 --> 01:18:28,400

just create a group if i was 10 years

1771

01:18:31,110 --> 01:18:30,400

old and i created a google account and

1772

01:18:34,229 --> 01:18:31,120

said i was

1773

01:18:35,590 --> 01:18:34,239

19 i could watch the video there's no

1774

01:18:38,790 --> 01:18:35,600

age verification

1775

01:18:40,550 --> 01:18:38,800

but it is what it is friends and uh nice

1776

01:18:42,149 --> 01:18:40,560

to see you here jean-claude at beyond

1777

01:18:44,229 --> 01:18:42,159

mystic

1778

01:18:45,830 --> 01:18:44,239

he gave me the clip of the day with our

1779

01:18:49,189 --> 01:18:45,840

david wilcock in the

1780

01:18:50,950 --> 01:18:49,199

box of dildos challenge yesterday was a

1781

01:18:53,110 --> 01:18:50,960

[h__\h] of the show

1782

01:18:54,390 --> 01:18:53,120

too we did the strange case of sarah

1783

01:18:56,149 --> 01:18:54,400

adams part three

1784

01:18:58,390 --> 01:18:56,159

if you have not watched that yet i

1785

01:19:01,830 --> 01:18:58,400

highly encourage you to do so

1786

01:19:05,990 --> 01:19:01,840

um there is uh

1787

01:19:09,750 --> 01:19:06,000

i'm sure gonna be other drama rama

1788

01:19:11,350 --> 01:19:09,760

surrounding that uh what does it do to

1789

01:19:14,390 --> 01:19:11,360

your monetization nothing

1790

01:19:15,990 --> 01:19:14,400

because i am not so far monetized i have

1791

01:19:18,550 --> 01:19:16,000

yet to reach a thousand

1792

01:19:21,590 --> 01:19:18,560

subscribers if we need a few hundred

1793

01:19:26,870 --> 01:19:23,990

yeah joseph prisco says the twitch video

1794

01:19:29,189 --> 01:19:26,880

is much clearer and no static sound

1795

01:19:30,310 --> 01:19:29,199

yeah i'm sorry about that that is uh

1796

01:19:33,510 --> 01:19:30,320

something that i've noticed

1797

01:19:33,910 --> 01:19:33,520

so but in order to get everybody to go

1798

01:19:35,990 --> 01:19:33,920

over

1799

01:19:37,910 --> 01:19:36,000

twitch is going to be like really

1800

01:19:40,070 --> 01:19:37,920

difficult but i encourage you please

1801

01:19:41,030 --> 01:19:40,080

if you do not have a twitch account just

1802

01:19:42,470 --> 01:19:41,040

take a few minutes

1803

01:19:44,950 --> 01:19:42,480

sign up for twitch because you'll be

1804

01:19:47,750 --> 01:19:44,960

helping us out by signing up for twitch

1805

01:19:49,270 --> 01:19:47,760

and then following if i could get 30

1806

01:19:50,709 --> 01:19:49,280

more subscribers

1807

01:19:52,390 --> 01:19:50,719

they call them followers over there if i

1808

01:19:54,790 --> 01:19:52,400

could get 30 more followers over there

1809

01:19:56,790 --> 01:19:54,800

people can just give me money on twitch

1810

01:19:59,270 --> 01:19:56,800

and uh but you know it seems like

1811

01:20:02,310 --> 01:19:59,280

everything is starting to come to

1812

01:20:05,030 --> 01:20:02,320

to uh fruition here

1813

01:20:06,550 --> 01:20:05,040

the garden that i try to come here and

1814

01:20:09,110 --> 01:20:06,560

water as much as i can

1815

01:20:12,070 --> 01:20:09,120

is starting to grow and i think in a

1816

01:20:15,590 --> 01:20:12,080

short time we will

1817

01:20:17,590 --> 01:20:15,600

we will have uh monetized

1818

01:20:19,990 --> 01:20:17,600

youtube here and be able to take the

1819

01:20:21,590 --> 01:20:20,000

super chats and probably around the same

1820

01:20:22,870 --> 01:20:21,600

time with the way that my luck goes

1821

01:20:26,390 --> 01:20:22,880

we'll have the follower

1822

01:20:31,030 --> 01:20:26,400

account required on twitch to um

1823

01:20:33,510 --> 01:20:31,040

to be able to take money on twitch so

1824

01:20:34,950 --> 01:20:33,520

it's funny i was watching something um i

1825

01:20:36,950 --> 01:20:34,960

actually i highly recommend it

1826

01:20:38,870 --> 01:20:36,960

i i don't know if i'm pretty sure that

1827

01:20:41,830 --> 01:20:38,880

everybody here is aware of the movie

1828

01:20:42,070 --> 01:20:41,840

or the book the secret there is sort of

1829

01:20:45,510 --> 01:20:42,080

an

1830

01:20:48,550 --> 01:20:45,520

update to that that's called the secret

1831

01:20:49,669 --> 01:20:48,560

the awakening or after the secret the

1832

01:20:52,870 --> 01:20:49,679

awakening

1833

01:20:54,709 --> 01:20:52,880

and uh just good advice uh

1834

01:20:56,550 --> 01:20:54,719

i'm not sure how much of the woo side of

1835

01:20:58,470 --> 01:20:56,560

the secret i believe in but i do believe

1836

01:21:00,709 --> 01:20:58,480

that the more you focus on something the

1837

01:21:02,790 --> 01:21:00,719

more you're likely to make it happen

1838

01:21:04,149 --> 01:21:02,800

but there was good advice in there and i

1839

01:21:05,350 --> 01:21:04,159
sort of took it to heart about my

1840

01:21:09,110 --> 01:21:05,360
channel which is if you

1841

01:21:11,270 --> 01:21:09,120
you know uh you just don't give up

1842

01:21:13,110 --> 01:21:11,280
you just don't give up you just keep

1843

01:21:14,790 --> 01:21:13,120
moving towards your goal

1844

01:21:17,350 --> 01:21:14,800
it may take longer than you thought it

1845

01:21:20,149 --> 01:21:17,360
was going to but you don't give up

1846

01:21:32,070 --> 01:21:20,159
and i am certainly not in any condition

1847

01:21:37,430 --> 01:21:35,669
okay jean-claude says yes but even if

1848

01:21:38,870 --> 01:21:37,440
you reach the sub count to get monetized

1849

01:21:41,350 --> 01:21:38,880
you're not going to have ad revenue if

1850

01:21:44,390 --> 01:21:41,360
your content is categorized or offensive

1851

01:21:46,229 --> 01:21:44,400

economic warfare i agree with you

1852

01:21:47,430 --> 01:21:46,239

it is what it is i'm going to cover what

1853

01:21:48,950 --> 01:21:47,440

i want to cover

1854

01:21:50,229 --> 01:21:48,960

you know one of the things that i

1855

01:21:51,510 --> 01:21:50,239

thought about is maybe i just won't

1856

01:21:54,830 --> 01:21:51,520

cover any of that stuff

1857

01:21:56,470 --> 01:21:54,840

and then i thought no i'm going to be an

1858

01:21:59,510 --> 01:21:56,480

independent

1859

01:22:03,750 --> 01:21:59,520

person i i should be allowed to cover

1860

01:22:10,070 --> 01:22:06,950

you know and i think that it's

1861

01:22:11,189 --> 01:22:10,080

it's uh it's almost making me sad to

1862

01:22:15,350 --> 01:22:11,199

know that this happened

1863

01:22:17,030 --> 01:22:15,360

because um i'm giving people the truth

1864

01:22:18,149 --> 01:22:17,040

i'm giving people the reality of what's

1865

01:22:20,550 --> 01:22:18,159

going out there

1866

01:22:22,790 --> 01:22:20,560

what's going on out there in the world

1867

01:22:23,510 --> 01:22:22,800

and i don't see that on the mainstream

1868

01:22:26,229 --> 01:22:23,520

media

1869

01:22:27,110 --> 01:22:26,239

i just don't see the kind of coverage of

1870

01:22:29,510 --> 01:22:27,120

reality

1871

01:22:30,229 --> 01:22:29,520

you know it's like these media outlets

1872

01:22:32,390 --> 01:22:30,239

are pushing

1873

01:22:33,750 --> 01:22:32,400

whatever their agenda is like this

1874

01:22:36,229 --> 01:22:33,760

candidate we want

1875

01:22:37,189 --> 01:22:36,239

is one side you know we watch cnn and

1876

01:22:40,229 --> 01:22:37,199

it's like

1877

01:22:40,629 --> 01:22:40,239

orange man bad all day long and then you

1878

01:22:44,390 --> 01:22:40,639

watch

1879

01:22:47,910 --> 01:22:44,400

fox and it's like senile sleepy joe bed

1880

01:22:50,149 --> 01:22:47,920

all day long and doesn't

1881

01:22:52,790 --> 01:22:50,159

anybody care about what's really going

1882

01:22:55,830 --> 01:22:52,800

on in the streets of our country

1883

01:22:56,310 --> 01:22:55,840

doesn't anybody want to see it i want to

1884

01:22:59,590 --> 01:22:56,320

see it

1885

01:23:03,430 --> 01:22:59,600

i want to see that truth but if some

1886

01:23:05,270 --> 01:23:03,440

corporate mega giant distributor

1887

01:23:06,790 --> 01:23:05,280

and that's what i consider youtube a

1888

01:23:08,790 --> 01:23:06,800

distributor for me

1889

01:23:09,910 --> 01:23:08,800

they're not paying me anything uh

1890

01:23:14,229 --> 01:23:09,920

they're just

1891

01:23:16,070 --> 01:23:14,239

serving the content um but you know

1892

01:23:17,510 --> 01:23:16,080

luckily there's other outlets now like

1893

01:23:19,830 --> 01:23:17,520

twitch and

1894

01:23:21,510 --> 01:23:19,840

we're gonna expand even more and i think

1895

01:23:24,950 --> 01:23:21,520

that this

1896

01:23:26,870 --> 01:23:24,960

youtube lesson that i'm slowly learning

1897

01:23:28,709 --> 01:23:26,880

is teaching me that i have to so we're

1898

01:23:30,149 --> 01:23:28,719

going to go to

1899

01:23:32,070 --> 01:23:30,159

we're going to expand the stream yard

1900

01:23:33,350 --> 01:23:32,080

software so that number one we're going

1901

01:23:37,430 --> 01:23:33,360

to be able to do

1902

01:23:38,870 --> 01:23:37,440

1080p full hd the next tier up will

1903

01:23:41,910 --> 01:23:38,880

allow me to do 1080p

1904

01:23:45,350 --> 01:23:41,920

full hd and also i think it's five

1905

01:23:47,430 --> 01:23:45,360

more streaming locations um

1906

01:23:48,550 --> 01:23:47,440

maybe you can correct me jean-claude i

1907

01:23:51,030 --> 01:23:48,560

have the one where you could do

1908

01:23:52,550 --> 01:23:51,040

three the next one up is eight i believe

1909

01:23:53,590 --> 01:23:52,560

right john claude so we're going to do

1910

01:23:55,750 --> 01:23:53,600

that upgrade

1911

01:23:57,510 --> 01:23:55,760

and then we're going to be on periscope

1912

01:24:01,110 --> 01:23:57,520

and bit shoot and

1913

01:24:02,870 --> 01:24:01,120

um what's that one can somebody put in

1914

01:24:06,550 --> 01:24:02,880

the live chat where did rheem

1915

01:24:09,830 --> 01:24:06,560

see move their channel to

1916

01:24:11,189 --> 01:24:09,840

is it daily it's not daily wire daily

1917

01:24:12,870 --> 01:24:11,199

i can never remember the name of that

1918

01:24:15,990 --> 01:24:12,880

one we're gonna go there

1919

01:24:18,070 --> 01:24:16,000

dailymotion i think so there's

1920

01:24:19,990 --> 01:24:18,080

other distribution points the problem is

1921

01:24:22,709 --> 01:24:20,000

that youtube really does have

1922

01:24:24,790 --> 01:24:22,719

the monopoly on just most people just go

1923

01:24:28,070 --> 01:24:24,800

to youtube and if you're not on youtube

1924

01:24:29,750 --> 01:24:28,080

it could be a problem but i think that

1925

01:24:32,070 --> 01:24:29,760

more of these alternate platforms are

1926

01:24:34,390 --> 01:24:32,080

going to begin to

1927

01:24:36,390 --> 01:24:34,400

take off i don't think any of them are

1928

01:24:38,149 --> 01:24:36,400

going to be a youtube killer if any has

1929

01:24:40,149 --> 01:24:38,159

the capability to do it it would be

1930

01:24:41,270 --> 01:24:40,159

twitch because they're owned by amazon i

1931

01:24:44,790 --> 01:24:41,280

will say

1932

01:24:46,790 --> 01:24:44,800

but um

1933

01:24:48,070 --> 01:24:46,800

these alternate distribution platforms

1934

01:24:50,790 --> 01:24:48,080

are going to be

1935

01:24:51,990 --> 01:24:50,800

used much more in the coming year or two

1936

01:24:54,709 --> 01:24:52,000

trust me

1937

01:24:56,070 --> 01:24:54,719

um a lot of people are getting a lot of

1938

01:24:57,830 --> 01:24:56,080

content creators

1939

01:25:01,510 --> 01:24:57,840

just don't want to deal with youtube

1940

01:25:04,310 --> 01:25:01,520

anymore so if enough

1941

01:25:05,990 --> 01:25:04,320

it's it's a slim chance but if enough

1942

01:25:07,270 --> 01:25:06,000

content creators say

1943

01:25:09,750 --> 01:25:07,280

we're not putting up with this we'll

1944

01:25:11,430 --> 01:25:09,760

just broadcast over here

1945

01:25:13,350 --> 01:25:11,440

eventually those other platforms are

1946

01:25:16,470 --> 01:25:13,360

going to grow

1947

01:25:17,990 --> 01:25:16,480

but we'll see what happens yeah charles

1948

01:25:19,430 --> 01:25:18,000

unleashes daily motion really good

1949

01:25:22,310 --> 01:25:19,440

platform we're up there

1950

01:25:24,229 --> 01:25:22,320

we're going to be up there and i'm also

1951

01:25:26,790 --> 01:25:24,239

figuring out how i can

1952

01:25:28,149 --> 01:25:26,800

upload daily each video we're not going

1953

01:25:30,470 --> 01:25:28,159

to be broadcasting live

1954

01:25:32,070 --> 01:25:30,480

to vimeo but we're going to be uploading

1955

01:25:34,149 --> 01:25:32,080

we're going to have a vimeo channel so

1956

01:25:36,310 --> 01:25:34,159

that

1957

01:25:37,189 --> 01:25:36,320

listen anything could happen they could

1958

01:25:39,510 --> 01:25:37,199

they could uh

1959

01:25:41,430 --> 01:25:39,520

take my youtube channel down tomorrow

1960

01:25:44,390 --> 01:25:41,440

and i would lose

1961

01:25:46,070 --> 01:25:44,400

most of the history of our show here i

1962

01:25:49,510 --> 01:25:46,080

don't want to do that

1963

01:25:51,030 --> 01:25:49,520

um yeah and joseph prisco says twitch

1964

01:25:52,550 --> 01:25:51,040

was designed mainly for video game

1965

01:25:53,750 --> 01:25:52,560

streaming but things have been changing

1966

01:25:55,430 --> 01:25:53,760

yeah we're one of the few like

1967

01:25:57,189 --> 01:25:55,440

paranormal shows there and a few people

1968

01:25:58,390 --> 01:25:57,199

have failed me there and went oh thank

1969

01:25:59,990 --> 01:25:58,400

god there's something cool and

1970

01:26:01,590 --> 01:26:00,000

paranormal here on twitch instead of

1971

01:26:04,229 --> 01:26:01,600

just video games now

1972

01:26:05,750 --> 01:26:04,239

so it is what it is friends we're uh

1973

01:26:09,030 --> 01:26:05,760

we're doing

1974

01:26:11,350 --> 01:26:09,040

we're trying

1975

01:26:13,430 --> 01:26:11,360

oh great the pro has up to eight

1976

01:26:15,270 --> 01:26:13,440

broadcast destinations and also 1080p i

1977

01:26:17,910 --> 01:26:15,280

just upgraded i like the 1080p

1978

01:26:19,990 --> 01:26:17,920

yeah i all my cameras are 1080p but you

1979

01:26:21,350 --> 01:26:20,000

know they limit the bandwidth at the

1980

01:26:27,510 --> 01:26:21,360

lower

1981

01:26:31,350 --> 01:26:29,510

he says sounds like a constipation pill

1982

01:26:33,189 --> 01:26:31,360

but it's a good alternative

1983

01:26:35,030 --> 01:26:33,199

yeah so if you guys have any comments or

1984

01:26:36,629 --> 01:26:35,040

questions for me sorry to be a downer

1985

01:26:39,750 --> 01:26:36,639

tonight but the news

1986

01:26:51,350 --> 01:26:39,760

is not good and uh yeah

1987

01:26:54,390 --> 01:26:51,360

i uh

1988

01:26:55,669 --> 01:26:54,400

uh not sure i like this i'm trying

1989

01:26:58,870 --> 01:26:55,679

something new tonight

1990

01:27:03,669 --> 01:26:58,880

this is kindling

1991

01:27:07,270 --> 01:27:05,750

it's better than miller light it's

1992

01:27:10,310 --> 01:27:07,280

better than bud light

1993

01:27:11,590 --> 01:27:10,320

it's better than most shitty american

1994

01:27:13,669 --> 01:27:11,600

beer lights

1995

01:27:15,189 --> 01:27:13,679

there's a little bit of uh it's got a

1996

01:27:16,470 --> 01:27:15,199

little bit of taste to it it tastes like

1997

01:27:18,390 --> 01:27:16,480

yeeling lager

1998

01:27:20,629 --> 01:27:18,400

with a little bit of water added to it i

1999

01:27:21,910 --> 01:27:20,639

guess it tastes like the normal yielding

2000

01:27:27,669 --> 01:27:21,920

lager

2001

01:27:33,590 --> 01:27:31,189

no not really watered down just not as

2002

01:27:34,470 --> 01:27:33,600

bold or stout if that makes sense or

2003

01:27:36,790 --> 01:27:34,480

thick

2004

01:27:39,110 --> 01:27:36,800

as a normal yelling lager so i guess a

2005

01:27:40,870 --> 01:27:39,120

little lighter

2006

01:27:42,790 --> 01:27:40,880

but i got to do something so i i don't

2007

01:27:45,669 --> 01:27:42,800

put my dad bod

2008

01:27:46,870 --> 01:27:45,679

[h__h] beer belly back on so i'm trying

2009

01:27:49,990 --> 01:27:46,880

to

2010

01:27:51,669 --> 01:27:50,000

keep with the light beer uh but i can't

2011

01:27:55,110 --> 01:27:51,679

stand what i was drinking i was drinking

2012

01:27:57,750 --> 01:27:55,120

more light for the last six months

2013

01:27:58,950 --> 01:27:57,760

never never again well i'll never say

2014

01:28:01,750 --> 01:27:58,960

never

2015

01:28:05,110 --> 01:28:01,760

but you know not a good thing i'm

2016

01:28:08,149 --> 01:28:05,120

waiting for jean-claude at beyond mystic

2017

01:28:09,910 --> 01:28:08,159

uh oh i'm glad you asked john claude

2018

01:28:11,590 --> 01:28:09,920

jean-claude's gonna try to hop on my

2019

01:28:11,990 --> 01:28:11,600

show and i'm gonna try to hop on his

2020

01:28:12,950 --> 01:28:12,000

show

2021

01:28:16,950 --> 01:28:12,960

because we're both doing an elect

2022

01:28:19,110 --> 01:28:16,960

election sort of coverage tomorrow night

2023

01:28:21,750 --> 01:28:19,120

um but i've been waiting for jean-claude

2024

01:28:23,590 --> 01:28:21,760

to send me some good canadian beer

2025

01:28:25,510 --> 01:28:23,600

and some of that fake canadian maple

2026

01:28:27,590 --> 01:28:25,520

syrup

2027

01:28:29,270 --> 01:28:27,600

yeah uh tomorrow night i don't know i

2028

01:28:31,030 --> 01:28:29,280

think we'll get started around

2029

01:28:32,870 --> 01:28:31,040

eight o'clock i guess and we're just

2030

01:28:35,510 --> 01:28:32,880

gonna go and go

2031

01:28:37,189 --> 01:28:35,520

and go tomorrow night and also anybody

2032

01:28:39,350 --> 01:28:37,199

that wants to be on the panel tomorrow

2033

01:28:42,470 --> 01:28:39,360

night we're doing all night election

2034

01:28:44,790 --> 01:28:42,480

night coverage and i'm gonna

2035

01:28:46,229 --> 01:28:44,800

have uh i know that we have somebody we

2036

01:28:48,310 --> 01:28:46,239

have spooky from england

2037

01:28:49,990 --> 01:28:48,320

is gonna be our english correspondent

2038

01:28:51,270 --> 01:28:50,000

and uh we might have somebody from

2039

01:28:53,510 --> 01:28:51,280

canada

2040

01:28:54,870 --> 01:28:53,520

maybe somebody from australia and a

2041

01:28:57,669 --> 01:28:54,880

bunch of people throughout the united

2042

01:28:59,990 --> 01:28:57,679

states and we're just gonna

2043

01:29:01,110 --> 01:29:00,000

get together and have a panel discussion

2044

01:29:03,189 --> 01:29:01,120

as the

2045

01:29:05,750 --> 01:29:03,199

election results come in and we can pull

2046

01:29:08,470 --> 01:29:05,760

results from wherever you want

2047

01:29:10,149 --> 01:29:08,480

here's something that's scary also

2048

01:29:12,550 --> 01:29:10,159

facebook and twitter

2049

01:29:14,550 --> 01:29:12,560

have basically announced that only seven

2050

01:29:18,390 --> 01:29:14,560

media outlets are allowed to

2051

01:29:20,870 --> 01:29:18,400

tweet that either candidate has

2052

01:29:22,629 --> 01:29:20,880

one estate no other person will be

2053

01:29:26,229 --> 01:29:22,639

allowed to do that tomorrow

2054

01:29:29,270 --> 01:29:26,239

just the seven major you know nbc

2055

01:29:32,470 --> 01:29:29,280

cbs cnn fox news

2056

01:29:35,270 --> 01:29:32,480

um msnbc it's

2057

01:29:35,990 --> 01:29:35,280

literally seven people or seven

2058

01:29:38,390 --> 01:29:36,000

companies

2059

01:29:40,070 --> 01:29:38,400

are allowed to tweet who won a state and

2060

01:29:41,350 --> 01:29:40,080

no one else so they'll be blocked or

2061

01:29:43,030 --> 01:29:41,360

removed

2062

01:29:45,350 --> 01:29:43,040

that's a little crazy and scary so

2063

01:29:47,990 --> 01:29:45,360

they're giving the legacy media

2064

01:29:49,110 --> 01:29:48,000

all that power tomorrow to call the

2065

01:29:55,910 --> 01:29:49,120

states

2066

01:29:59,430 --> 01:29:57,590

uh jean-claude send me your mailing

2067

01:30:00,950 --> 01:29:59,440

address i got some good maple syrup for

2068

01:30:02,950 --> 01:30:00,960

my neighbor not sure if we're allowed to

2069

01:30:04,950 --> 01:30:02,960

ship here but i have a micro brewery

2070

01:30:06,629 --> 01:30:04,960

close to here

2071

01:30:08,550 --> 01:30:06,639

jean claude lives in heaven because i

2072

01:30:11,110 --> 01:30:08,560

think he's got a hundred acres

2073

01:30:12,790 --> 01:30:11,120

and uh and he lives right near a micro

2074

01:30:15,590 --> 01:30:12,800

brewery and can get

2075

01:30:18,830 --> 01:30:15,600

canadian make maple syrup sounds like

2076

01:30:24,229 --> 01:30:21,110

jean-claude

2077

01:30:27,510 --> 01:30:24,239

my piggy ling ling may do a call in

2078

01:30:29,270 --> 01:30:27,520

quick call in okay uh we have uh

2079

01:30:30,709 --> 01:30:29,280

also we're gonna have open phone lines

2080

01:30:31,270 --> 01:30:30,719

tomorrow night so if anybody wants to

2081

01:30:33,270 --> 01:30:31,280

call in

2082

01:30:36,950 --> 01:30:33,280

and talk [h__h] about either candidate

2083

01:30:40,470 --> 01:30:38,629

yeah joseph prisco you're absolutely

2084

01:30:41,430 --> 01:30:40,480

right they used to say no news is good

2085

01:30:45,110 --> 01:30:41,440

news

2086

01:30:46,229 --> 01:30:45,120

opinion now opinions where you have to

2087

01:30:48,310 --> 01:30:46,239

find the facts

2088

01:30:49,750 --> 01:30:48,320

yeah remember when we were kids joe and

2089

01:30:51,990 --> 01:30:49,760

they would just read you the news

2090

01:30:53,510 --> 01:30:52,000

this is what's happening and that's it

2091

01:30:54,550 --> 01:30:53,520

they didn't have a slant they didn't

2092

01:30:56,390 --> 01:30:54,560

have a bias

2093

01:30:58,390 --> 01:30:56,400

they just gave you the news and that's

2094

01:31:01,990 --> 01:30:58,400

it those were the good old days

2095

01:31:04,070 --> 01:31:02,000

right bg says canadian

2096

01:31:05,350 --> 01:31:04,080

maple syrup is the only syrup i trust

2097

01:31:07,110 --> 01:31:05,360

actually i

2098

01:31:09,030 --> 01:31:07,120

you guys know from me busting jason

2099

01:31:10,870 --> 01:31:09,040

quits balls that uh

2100

01:31:13,350 --> 01:31:10,880

i say there's no such thing as canadian

2101
01:31:14,310 --> 01:31:13,360
maple syrup because it's so expensive

2102
01:31:16,229 --> 01:31:14,320
you know they get like

2103
01:31:17,430 --> 01:31:16,239
fifty dollars per gallon of canadian

2104
01:31:19,590 --> 01:31:17,440
maple syrup so

2105
01:31:21,430 --> 01:31:19,600
i think it's a it's a scam i think what

2106
01:31:23,510 --> 01:31:21,440
they do is they get fake

2107
01:31:25,270 --> 01:31:23,520
maple syrup that doesn't even have any

2108
01:31:26,870 --> 01:31:25,280
maple in it the shitty stuff

2109
01:31:28,709 --> 01:31:26,880
that they put in the dollar stores you

2110
01:31:30,310 --> 01:31:28,719
know and they get it from china and then

2111
01:31:33,590 --> 01:31:30,320
they put it in a new bottle

2112
01:31:35,350 --> 01:31:33,600
and then it's suddenly fifty dollars

2113
01:31:36,950 --> 01:31:35,360

jason quit says it's real i don't

2114

01:31:41,510 --> 01:31:36,960

believe jason quit

2115

01:31:46,470 --> 01:31:43,830

yeah it's a it's the canadian maple

2116

01:31:48,310 --> 01:31:46,480

syrup conspiracy

2117

01:31:49,669 --> 01:31:48,320

so i guess friends uh we're coming up on

2118

01:31:52,149 --> 01:31:49,679

an hour and a half

2119

01:31:53,669 --> 01:31:52,159

uh this is very important if you want to

2120

01:31:58,470 --> 01:31:53,679

be on the panel show

2121

01:32:01,189 --> 01:31:58,480

email truthseeker show gmail.com

2122

01:32:02,550 --> 01:32:01,199

and just put in a subject line uh

2123

01:32:06,229 --> 01:32:02,560

election night panel

2124

01:32:10,830 --> 01:32:06,239

or something like that um and

2125

01:32:24,830 --> 01:32:10,840

we'll i'm gonna make it better real

2126

01:32:33,750 --> 01:32:26,390

so

2127

01:32:36,470 --> 01:32:33,760

show

2128

01:32:38,149 --> 01:32:36,480

gmail.com and let me know that you want

2129

01:32:40,070 --> 01:32:38,159

to be on the panel because i have to

2130

01:32:41,590 --> 01:32:40,080

send you the link for this

2131

01:32:43,270 --> 01:32:41,600

to be for you to be able to come in and

2132

01:32:46,149 --> 01:32:43,280

be on the show

2133

01:32:48,790 --> 01:32:46,159

or you can uh you can dm me on twitter

2134

01:32:51,030 --> 01:32:48,800

it's at stevencambian just my name at

2135

01:32:54,390 --> 01:32:51,040

stevencambian

2136

01:32:55,830 --> 01:32:54,400

or you can find me on facebook and send

2137

01:32:58,070 --> 01:32:55,840

me a private message

2138

01:33:00,070 --> 01:32:58,080

on facebook it's just my name stephen

2139

01:33:01,189 --> 01:33:00,080

campion just look up stephen campbell on

2140

01:33:04,870 --> 01:33:01,199

facebook you'll find

2141

01:33:05,669 --> 01:33:04,880

my profile um so tomorrow night i don't

2142

01:33:08,709 --> 01:33:05,679

really

2143

01:33:12,229 --> 01:33:08,719

gonna do we're gonna hopefully

2144

01:33:13,669 --> 01:33:12,239

uh cover who's gonna win the election

2145

01:33:16,149 --> 01:33:13,679

we're gonna have a discussion among

2146

01:33:18,149 --> 01:33:16,159

everybody about anything and everything

2147

01:33:19,990 --> 01:33:18,159

that's what what's going on

2148

01:33:22,390 --> 01:33:20,000

the last big panel discussion we did

2149

01:33:23,189 --> 01:33:22,400

went like six hours which was crazy but

2150

01:33:27,750 --> 01:33:23,199

it was fun

2151
01:33:28,870 --> 01:33:27,760
stream-a-thon like that tomorrow night

2152
01:33:29,990 --> 01:33:28,880
but i don't want anybody to feel

2153
01:33:31,590 --> 01:33:30,000
obligated

2154
01:33:32,629 --> 01:33:31,600
if you can only come in for a half hour

2155
01:33:34,070 --> 01:33:32,639
but you want to be on the show for a

2156
01:33:36,149 --> 01:33:34,080
half hour that's fine

2157
01:33:37,669 --> 01:33:36,159
you come for an hour that's fine too

2158
01:33:39,510 --> 01:33:37,679
nobody's obligated to stay the whole

2159
01:33:40,550 --> 01:33:39,520
time i want anybody to feel like

2160
01:33:42,390 --> 01:33:40,560
well i'd like to do it but i don't want

2161
01:33:45,270 --> 01:33:42,400
to get stuck in some six-hour

2162
01:33:47,750 --> 01:33:45,280
stream-a-thon nightmare

2163
01:33:50,790 --> 01:33:47,760

we won't hold you you can come and go as

2164

01:34:00,229 --> 01:33:50,800

you please you can come in early go

2165

01:34:03,910 --> 01:34:02,550

so i guess my friends uh we're gonna

2166

01:34:06,709 --> 01:34:03,920

we're gonna call it an

2167

01:34:08,470 --> 01:34:06,719

early night tonight i gotta get some

2168

01:34:08,790 --> 01:34:08,480

rest because tomorrow is probably gonna

2169

01:34:11,590 --> 01:34:08,800

be

2170

01:34:13,430 --> 01:34:11,600

a [h__h] of a streamathon and

2171

01:34:14,390 --> 01:34:13,440

we'll see what we can have i'm gonna try

2172

01:34:16,149 --> 01:34:14,400

to have some live

2173

01:34:17,430 --> 01:34:16,159

feeds that i'm gonna be allowed to pull

2174

01:34:20,550 --> 01:34:17,440

in uh

2175

01:34:22,149 --> 01:34:20,560

you know showing you know whatever

2176

01:34:23,830 --> 01:34:22,159

different states with how much

2177

01:34:26,070 --> 01:34:23,840

percentage of the vote is in and what it

2178

01:34:27,590 --> 01:34:26,080

looks like for each candidate so far

2179

01:34:33,590 --> 01:34:27,600

i don't know how to do this i'm not a

2180

01:34:35,669 --> 01:34:33,600

journalist friends i'm learning as i go

2181

01:34:37,750 --> 01:34:35,679

yes andrew whitley i'm aware of that and

2182

01:34:39,830 --> 01:34:37,760

it's [h__h] up my search

2183

01:34:41,109 --> 01:34:39,840

results so really if you want to find

2184

01:34:43,189 --> 01:34:41,119

our show you have to search truth

2185

01:34:44,470 --> 01:34:43,199

seekers in my name where you find that

2186

01:34:46,950 --> 01:34:44,480

netflix show

2187

01:34:48,310 --> 01:34:46,960

which i watched an episode of and didn't

2188

01:34:50,229 --> 01:34:48,320

i didn't like it

2189

01:34:52,310 --> 01:34:50,239

and i'm kind of pissed off that they did

2190

01:34:53,990 --> 01:34:52,320

that right as i started we

2191

01:34:55,350 --> 01:34:54,000

i just started my show and then that

2192

01:34:58,950 --> 01:34:55,360

came out and i was like

2193

01:35:00,629 --> 01:34:58,960

[h__h] but i'm okay with it

2194

01:35:02,390 --> 01:35:00,639

a few people have suggested that we

2195

01:35:02,950 --> 01:35:02,400

change it to stephen champion's truth

2196

01:35:06,229 --> 01:35:02,960

seekers

2197

01:35:07,910 --> 01:35:06,239

with stephen champion because you pretty

2198

01:35:09,590 --> 01:35:07,920

much have to put truth seekers and

2199

01:35:10,390 --> 01:35:09,600

stephen champion in the youtube search

2200

01:35:12,709 --> 01:35:10,400

box to find

2201
01:35:14,390 --> 01:35:12,719
me or stephen campbell but if you put in

2202
01:35:15,430 --> 01:35:14,400
truth seekers you just get tons of these

2203
01:35:17,750 --> 01:35:15,440
netflix

2204
01:35:21,590 --> 01:35:17,760
from that show and you don't find us

2205
01:35:25,350 --> 01:35:23,590
oh yeah joseph prisco used to work for

2206
01:35:31,990 --> 01:35:25,360
fox news in philadelphia he was their

2207
01:35:32,000 --> 01:35:36,310
didn't i think they laid him off

2208
01:35:40,550 --> 01:35:38,550
or did you quit that one joe i don't

2209
01:35:43,189 --> 01:35:40,560
remember

2210
01:35:44,149 --> 01:35:43,199
well he was like their network and uh

2211
01:35:46,149 --> 01:35:44,159
i.t

2212
01:35:47,510 --> 01:35:46,159
support guy for most of philadelphia i

2213
01:35:50,149 --> 01:35:47,520

think

2214

01:35:51,030 --> 01:35:50,159

dark alliance presents truth seekers now

2215

01:35:56,790 --> 01:35:51,040

that's it

2216

01:36:01,430 --> 01:35:56,800

got it dark alliance truth seekers

2217

01:36:01,440 --> 01:36:05,590

bg says hell yes

2218

01:36:09,430 --> 01:36:08,470

so if anybody has any comments questions

2219

01:36:11,669 --> 01:36:09,440

suggestions

2220

01:36:12,550 --> 01:36:11,679

please put them in the live chat now is

2221

01:36:16,870 --> 01:36:12,560

the time

2222

01:36:19,109 --> 01:36:16,880

didn't know that the melbourne cup

2223

01:36:19,990 --> 01:36:19,119

is in 20 minutes in australia they're

2224

01:36:23,430 --> 01:36:20,000

still having that

2225

01:36:24,390 --> 01:36:23,440

wow i'm not a sports guy but i'm aware

2226

01:36:26,629 --> 01:36:24,400

of the big stuff

2227

01:36:27,990 --> 01:36:26,639

like you know the world cup the

2228

01:36:33,990 --> 01:36:28,000

melbourne cup

2229

01:36:37,430 --> 01:36:35,910

you need a strategic seo naming

2230

01:36:38,390 --> 01:36:37,440

convention your youtube titles and

2231

01:36:40,790 --> 01:36:38,400

descriptions

2232

01:36:42,070 --> 01:36:40,800

yeah i know uh jumpcloud listen i'm

2233

01:36:43,510 --> 01:36:42,080

trying to get better at this stuff

2234

01:36:45,510 --> 01:36:43,520

maybe i could talk to you about that

2235

01:36:47,669 --> 01:36:45,520

because i don't know i did

2236

01:36:51,910 --> 01:36:47,679

seo optimization for a very very short

2237

01:36:53,669 --> 01:36:51,920

time for a client and basically we just

2238

01:36:56,229 --> 01:36:53,679

we just kept trying things

2239

01:36:57,109 --> 01:36:56,239

until we saw what did best for them as

2240

01:36:59,830 --> 01:36:57,119

far as

2241

01:37:01,350 --> 01:36:59,840

seo optimization and and that and i have

2242

01:37:02,950 --> 01:37:01,360

not taken the time

2243

01:37:04,790 --> 01:37:02,960

you know better than most people's

2244

01:37:06,310 --> 01:37:04,800

journal club jump club's another one-man

2245

01:37:08,950 --> 01:37:06,320

army doing this big show

2246

01:37:10,629 --> 01:37:08,960

all by himself i mean he has guests but

2247

01:37:12,390 --> 01:37:10,639

the production side of the show and

2248

01:37:14,709 --> 01:37:12,400

making everything happen is

2249

01:37:16,390 --> 01:37:14,719

on the host so i'm in that situation and

2250

01:37:16,950 --> 01:37:16,400

there's only so much time in the day and

2251

01:37:19,430 --> 01:37:16,960

i keep

2252

01:37:21,189 --> 01:37:19,440

it's all my list of things to do but i

2253

01:37:24,229 --> 01:37:21,199

should talk to you about it before

2254

01:37:26,310 --> 01:37:24,239

i know a little bit about doing that um

2255

01:37:27,750 --> 01:37:26,320

and seo optimization to try to get

2256

01:37:29,030 --> 01:37:27,760

better search results i know a little

2257

01:37:29,350 --> 01:37:29,040

bit about that but i'm going to talk to

2258

01:37:30,870 --> 01:37:29,360

you

2259

01:37:32,790 --> 01:37:30,880

and i have one other friend that's great

2260

01:37:35,189 --> 01:37:32,800

at it and then i'm going to do it

2261

01:37:36,310 --> 01:37:35,199

because i figure you know three heads

2262

01:37:39,750 --> 01:37:36,320

are better than one

2263

01:37:43,270 --> 01:37:41,910

oh joe crisco fox news laid me off and

2264

01:37:45,270 --> 01:37:43,280

then they terminated me

2265

01:37:47,350 --> 01:37:45,280

and meanwhile roger isles is allowed to

2266

01:37:55,270 --> 01:37:47,360

like grab chicks by the ass

2267

01:37:58,310 --> 01:37:56,709

it's a lot of work best to automate

2268

01:38:00,790 --> 01:37:58,320

things as much as possible

2269

01:38:01,510 --> 01:38:00,800

i totally agree with you i totally agree

2270

01:38:04,790 --> 01:38:01,520

with you

2271

01:38:06,390 --> 01:38:04,800

um you know i'm just learning as i go i

2272

01:38:10,149 --> 01:38:06,400

never

2273

01:38:11,830 --> 01:38:10,159

video show like this

2274

01:38:14,950 --> 01:38:11,840

i was much more comfortable john claude

2275

01:38:17,910 --> 01:38:14,960

on radio and just doing an audio show

2276

01:38:20,149 --> 01:38:17,920

i like that better well i liked no

2277

01:38:22,950 --> 01:38:20,159

that's not true i like this better

2278

01:38:23,750 --> 01:38:22,960

but i was more comfortable if that makes

2279

01:38:26,470 --> 01:38:23,760

sense with

2280

01:38:27,669 --> 01:38:26,480

audio just audio you have to worry about

2281

01:38:29,590 --> 01:38:27,679

what you look like you have to worry

2282

01:38:30,950 --> 01:38:29,600

about what the set looks like what

2283

01:38:32,790 --> 01:38:30,960

what's on the screen you don't have to

2284

01:38:34,070 --> 01:38:32,800

worry about any of that just just be a

2285

01:38:36,629 --> 01:38:34,080

voice in the wind

2286

01:38:38,310 --> 01:38:36,639

i like that but i do like this show is

2287

01:38:39,750 --> 01:38:38,320

better for audience interaction and

2288

01:38:42,310 --> 01:38:39,760

participation and this

2289

01:38:43,750 --> 01:38:42,320

live thing is just awesome to me because

2290

01:38:45,109 --> 01:38:43,760

i can do the show live

2291

01:38:49,350 --> 01:38:45,119

and then when i'm done i'm done no

2292

01:38:53,669 --> 01:38:52,310

yeah so i'm going to check check a few

2293

01:38:55,510 --> 01:38:53,679

things right now

2294

01:38:57,669 --> 01:38:55,520

i didn't get the begging bowl out

2295

01:38:59,270 --> 01:38:57,679

yesterday and i haven't got a out today

2296

01:39:02,629 --> 01:38:59,280

but i'm going to check the paypal just

2297

01:39:05,109 --> 01:39:02,639

to make sure that nobody uh

2298

01:39:07,189 --> 01:39:05,119

nobody sent anything additional since we

2299

01:39:13,189 --> 01:39:07,199

give the last shout outs for the

2300

01:39:18,229 --> 01:39:13,199

any any uh kind donations

2301

01:39:28,790 --> 01:39:21,350

no no no donations but i will give this

2302

01:39:33,430 --> 01:39:28,800

feel the spiel quickly okay so uh

2303

01:39:37,430 --> 01:39:35,990

okay so our show is viewer supported and

2304

01:39:38,870 --> 01:39:37,440

and that means we need your financial

2305

01:39:40,629 --> 01:39:38,880

support to continue to show

2306

01:39:41,910 --> 01:39:40,639

please do consider either making a

2307

01:39:43,510 --> 01:39:41,920

paypal donation

2308

01:39:45,510 --> 01:39:43,520

that's in the about section of our

2309

01:39:48,390 --> 01:39:45,520

channel here or becoming a patreon

2310

01:39:50,950 --> 01:39:48,400

supporter for little as a dollar a month

2311

01:39:52,310 --> 01:39:50,960

it's a dollar or more a dollar is the

2312

01:39:53,750 --> 01:39:52,320

buy-in and this month

2313

01:39:55,830 --> 01:39:53,760

everybody got their money's worth on

2314

01:39:58,629 --> 01:39:55,840

patreon because

2315

01:40:00,310 --> 01:39:58,639

let's see this month on patreon they got

2316

01:40:03,030 --> 01:40:00,320

the patreon supporters got my

2317

01:40:03,830 --> 01:40:03,040

hour and a half drunk stream i had a

2318

01:40:06,550 --> 01:40:03,840

really

2319

01:40:08,470 --> 01:40:06,560

wacky drunk stream where i like drank 12

2320

01:40:11,350 --> 01:40:08,480

beers and then decide it was a good idea

2321

01:40:14,709 --> 01:40:13,830

a lot of people loved it uh i took it

2322

01:40:16,790 --> 01:40:14,719

down

2323

01:40:17,910 --> 01:40:16,800

but i hate to put it behind a paywall

2324

01:40:19,350 --> 01:40:17,920

but i thought what

2325

01:40:21,350 --> 01:40:19,360

what else am i gonna do with this and

2326

01:40:22,790 --> 01:40:21,360

the people on patreon are my supporters

2327

01:40:24,870 --> 01:40:22,800

and they'll understand if i'm like

2328

01:40:25,350 --> 01:40:24,880

slurring my words and embarrassingly

2329

01:40:27,990 --> 01:40:25,360

drunk

2330

01:40:29,669 --> 01:40:28,000

trying to get to a show so we put that

2331

01:40:32,229 --> 01:40:29,679

on patreon this month

2332

01:40:33,350 --> 01:40:32,239

and also a lot of you know about this

2333

01:40:35,189 --> 01:40:33,360

thing called

2334

01:40:36,870 --> 01:40:35,199

mind hack that i've been working on and

2335

01:40:38,870 --> 01:40:36,880

developing for some time now it's

2336

01:40:41,109 --> 01:40:38,880

basically a personal development course

2337

01:40:42,229 --> 01:40:41,119

the audio portion is done i just have to

2338

01:40:44,709 --> 01:40:42,239

write up

2339

01:40:46,790 --> 01:40:44,719

um basically written there's going to be

2340

01:40:48,629 --> 01:40:46,800

a written booklet of instructions

2341

01:40:53,109 --> 01:40:48,639

that will help with how to use the audio

2342

01:40:54,629 --> 01:40:53,119

files better but the audio files include

2343

01:40:56,950 --> 01:40:54,639

a lot of different things guided

2344

01:40:58,950 --> 01:40:56,960

meditations binaural beats

2345

01:41:00,149 --> 01:40:58,960

and a great deal of motivational

2346

01:41:03,430 --> 01:41:00,159

speaking

2347

01:41:04,629 --> 01:41:03,440

so if you would like me to like yell at

2348

01:41:11,669 --> 01:41:04,639

you

2349

01:41:13,189 --> 01:41:11,679

goals

2350

01:41:15,350 --> 01:41:13,199

if you've ever thought what if i could

2351

01:41:16,310 --> 01:41:15,360

just have steve cambion like yelling at

2352

01:41:20,070 --> 01:41:16,320

me every day

2353

01:41:20,470 --> 01:41:20,080

like go for it come on you can do it

2354

01:41:23,510 --> 01:41:20,480

like

2355

01:41:24,870 --> 01:41:23,520

you know that's basically what part of

2356

01:41:27,270 --> 01:41:24,880

that is about

2357

01:41:29,030 --> 01:41:27,280

and uh and and uh i'm joking about that

2358

01:41:30,790 --> 01:41:29,040

but like one of my friends said that i

2359

01:41:32,950 --> 01:41:30,800

don't really yell through it it's motion

2360

01:41:34,870 --> 01:41:32,960

it's kind of like motivational speaking

2361

01:41:36,870 --> 01:41:34,880

right but uh

2362

01:41:38,310 --> 01:41:36,880

one of my friends is like this is so

2363

01:41:39,189 --> 01:41:38,320

awesome it's like you're right next to

2364

01:41:42,470 --> 01:41:39,199

me just like

2365

01:41:45,030 --> 01:41:42,480

pushing me to get to where i need to go

2366

01:41:46,870 --> 01:41:45,040

and it's really personal and i love that

2367

01:41:48,629 --> 01:41:46,880

that he felt like i was right there with

2368

01:41:50,550 --> 01:41:48,639

him trying to help him get to his goals

2369

01:41:51,830 --> 01:41:50,560

but mind heck is this amazing thing i've

2370

01:41:54,870 --> 01:41:51,840

been working on it for

2371

01:41:56,950 --> 01:41:54,880

a year now off and on and the patreon

2372

01:41:57,189 --> 01:41:56,960

supporters were getting little pieces of

2373

01:41:59,910 --> 01:41:57,199

it

2374

01:42:02,950 --> 01:41:59,920

like four or five audio tracks and now

2375

01:42:04,390 --> 01:42:02,960

it is up to three hours and 20 minutes

2376

01:42:06,070 --> 01:42:04,400
including the binaural beats and

2377

01:42:08,709 --> 01:42:06,080
everything else

2378

01:42:10,550 --> 01:42:08,719
so that went on patreon the whole three

2379

01:42:13,030 --> 01:42:10,560
hours and 20 minute

2380

01:42:14,550 --> 01:42:13,040
mindtap project went on patreon and then

2381

01:42:17,910 --> 01:42:14,560
we also did a

2382

01:42:19,750 --> 01:42:17,920
audio journal for patreon people uh we

2383

01:42:21,669 --> 01:42:19,760
do that every month you sort of get just

2384

01:42:23,669 --> 01:42:21,679
a behind-the-scenes

2385

01:42:25,109 --> 01:42:23,679
audio journal what's going on with the

2386

01:42:27,109 --> 01:42:25,119
show and

2387

01:42:29,109 --> 01:42:27,119
it's kind of personal actually it's

2388

01:42:31,750 --> 01:42:29,119

basically my own

2389

01:42:33,669 --> 01:42:31,760

audio journal but i share it and some

2390

01:42:35,350 --> 01:42:33,679

months it's pretty sure i think

2391

01:42:37,669 --> 01:42:35,360

this month is only like five minutes

2392

01:42:39,030 --> 01:42:37,679

long but some months it's longer

2393

01:42:40,790 --> 01:42:39,040

but that's what you get for being a

2394

01:42:43,030 --> 01:42:40,800

patreon supporter sort of a backstage

2395

01:42:45,830 --> 01:42:43,040

pass and you get anything i'm working on

2396

01:42:47,590 --> 01:42:45,840

you get it before anybody else and i

2397

01:42:49,990 --> 01:42:47,600

also think that next month

2398

01:42:51,510 --> 01:42:50,000

we're going to do a few shows just for

2399

01:42:56,550 --> 01:42:51,520

patreon people

2400

01:42:58,629 --> 01:42:56,560

uh we're figuring that out

2401
01:43:00,310 --> 01:42:58,639
joseph briscoe says i can help you with

2402
01:43:01,109 --> 01:43:00,320
some of the tech stuff i have no life so

2403
01:43:04,149 --> 01:43:01,119
to speak

2404
01:43:07,830 --> 01:43:04,159
don't know anything about seo well uh

2405
01:43:09,669 --> 01:43:07,840
yeah joe but uh you gotta come by here

2406
01:43:11,270 --> 01:43:09,679
or you know i'll talk to you offline

2407
01:43:13,990 --> 01:43:11,280
because i need uh

2408
01:43:17,030 --> 01:43:14,000
i need a server built for just for ftp

2409
01:43:19,669 --> 01:43:17,040
server and then i need a server

2410
01:43:20,870 --> 01:43:19,679
uh working for this i have this social

2411
01:43:23,990 --> 01:43:20,880
media software that

2412
01:43:24,550 --> 01:43:24,000
we may give a try john claude says i

2413
01:43:29,669 --> 01:43:24,560

agree

2414

01:43:41,990 --> 01:43:39,590

unless you've got a good chance

2415

01:43:42,709 --> 01:43:42,000

because she says any horse can win you

2416

01:43:44,950 --> 01:43:42,719

never know

2417

01:43:45,830 --> 01:43:44,960

right it's a it's all it's been a horse

2418

01:43:48,149 --> 01:43:45,840

race

2419

01:43:49,109 --> 01:43:48,159

you know what one thing i'm always happy

2420

01:43:51,430 --> 01:43:49,119

about

2421

01:43:53,109 --> 01:43:51,440

is that i'm always thinking like thank

2422

01:43:53,990 --> 01:43:53,119

god when this election [h__h] is over

2423

01:43:56,070 --> 01:43:54,000

because you get so

2424

01:43:57,990 --> 01:43:56,080

sick of being inundated with all those

2425

01:43:59,750 --> 01:43:58,000

ads and it's not just the presidential

2426
01:44:01,590 --> 01:43:59,760
ads it's ads

2427
01:44:03,510 --> 01:44:01,600
for different senators different

2428
01:44:07,189 --> 01:44:03,520
congressmen state senators

2429
01:44:09,669 --> 01:44:07,199
just like you just get a deluge of this

2430
01:44:11,750 --> 01:44:09,679
garbage coming at you constantly never

2431
01:44:14,070 --> 01:44:11,760
ending right

2432
01:44:15,830 --> 01:44:14,080
i'm always happy when it's over always

2433
01:44:18,149 --> 01:44:15,840
happy when it's over

2434
01:44:19,109 --> 01:44:18,159
so that was the begging bowl speech give

2435
01:44:21,750 --> 01:44:19,119
me some money

2436
01:44:22,629 --> 01:44:21,760
you leeches there's it's in the about

2437
01:44:24,149 --> 01:44:22,639
section

2438
01:44:25,750 --> 01:44:24,159

if you want to send me some money that

2439

01:44:27,430 --> 01:44:25,760

would really help uh

2440

01:44:28,790 --> 01:44:27,440

for people that don't know everything

2441

01:44:31,350 --> 01:44:28,800

here was purchased

2442

01:44:33,350 --> 01:44:31,360

by patreon dollars so like the backdrop

2443

01:44:36,950 --> 01:44:33,360

the cool lights the webcam

2444

01:44:39,270 --> 01:44:36,960

the uh the headphones the microphone

2445

01:44:40,629 --> 01:44:39,280

little by little you know we buy like a

2446

01:44:42,550 --> 01:44:40,639

little piece or a part

2447

01:44:45,109 --> 01:44:42,560

to make the show better with the patreon

2448

01:44:46,070 --> 01:44:45,119

money so i would appreciate any support

2449

01:44:48,950 --> 01:44:46,080

that you can give me

2450

01:44:59,350 --> 01:44:48,960

you know help a brother out it's a rough

2451

01:45:05,270 --> 01:45:00,790

i guess andrew you mentioned that

2452

01:45:08,550 --> 01:45:07,350

and joseph i got a lot of projects

2453

01:45:10,790 --> 01:45:08,560

coming up

2454

01:45:12,470 --> 01:45:10,800

going on this you know about this alters

2455

01:45:15,990 --> 01:45:12,480

thing and a few other things

2456

01:45:18,149 --> 01:45:16,000

you and i should talk offline because uh

2457

01:45:19,590 --> 01:45:18,159

not right now but pretty soon i have a

2458

01:45:22,070 --> 01:45:19,600

feeling i'm gonna need some help

2459

01:45:23,830 --> 01:45:22,080

because it's getting busy uh real busy

2460

01:45:25,270 --> 01:45:23,840

on the tech side of things you know i've

2461

01:45:26,709 --> 01:45:25,280

been trying to do this sort of tech

2462

01:45:30,629 --> 01:45:26,719

company startup

2463

01:45:34,709 --> 01:45:30,639

while still doing this show and uh

2464

01:45:36,470 --> 01:45:34,719

yeah more than a little add so

2465

01:45:39,109 --> 01:45:36,480

the chaos in the streets continues

2466

01:45:41,189 --> 01:45:39,119

tonight all over the united states

2467

01:45:42,470 --> 01:45:41,199

the election is tomorrow and it's going

2468

01:45:44,629 --> 01:45:42,480

to be an interesting day

2469

01:45:46,070 --> 01:45:44,639

and an even more interesting night i

2470

01:45:49,030 --> 01:45:46,080

think

2471

01:45:51,750 --> 01:45:49,040

and uh time will tell what's going to

2472

01:45:54,950 --> 01:45:53,990

part of me uh wonders if there's just

2473

01:45:58,550 --> 01:45:54,960

going to be a very

2474

01:46:00,470 --> 01:45:58,560

quick decisive there's no way that this

2475

01:46:03,669 --> 01:46:00,480

you know like if there's a landslide

2476

01:46:07,910 --> 01:46:03,679

tomorrow by some miracle

2477

01:46:12,950 --> 01:46:07,920

maybe things will settle down and not be

2478

01:46:16,070 --> 01:46:12,960

uh maybe the apocalypse won't come

2479

01:46:20,229 --> 01:46:16,080

you don't know we don't know we don't

2480

01:46:22,629 --> 01:46:20,239

you know it's that razor's edge

2481

01:46:23,430 --> 01:46:22,639

though right it can go either way i feel

2482

01:46:26,229 --> 01:46:23,440

like i've been uh

2483

01:46:28,310 --> 01:46:26,239

balancing on a tightrope waiting to fall

2484

01:46:34,149 --> 01:46:28,320

off for so long now

2485

01:46:39,669 --> 01:46:36,149

yes brad gray i know what the melbourne

2486

01:46:41,750 --> 01:46:39,679

cup is a horse race i know what that is

2487

01:46:42,790 --> 01:46:41,760

yeah i know the major sporting events

2488

01:46:46,229 --> 01:46:42,800

kentucky derby

2489

01:46:49,590 --> 01:46:46,239

melbourne cup you know the stanley cup

2490

01:46:52,950 --> 01:46:49,600

but i'm not a sports guy or a uh or

2491

01:46:54,229 --> 01:46:52,960

i don't follow most of that

2492

01:46:55,990 --> 01:46:54,239

so friends i want to thank each and

2493

01:46:56,390 --> 01:46:56,000

every one of you for coming here tonight

2494

01:46:58,790 --> 01:46:56,400

and

2495

01:47:00,870 --> 01:46:58,800

sharing in a little bit of truth about

2496

01:47:04,229 --> 01:47:00,880

what's actually going on out there

2497

01:47:09,669 --> 01:47:04,239

in the world um

2498

01:47:12,310 --> 01:47:09,679

it is a

2499

01:47:14,629 --> 01:47:12,320

it's a strange time so i can say we're

2500

01:47:19,830 --> 01:47:14,639

living in these strange times

2501
01:47:23,189 --> 01:47:21,510
you know i think that the next few weeks

2502
01:47:24,950 --> 01:47:23,199
is going to be uh

2503
01:47:26,629 --> 01:47:24,960
kind of a roller coaster and i hope

2504
01:47:29,350 --> 01:47:26,639
we're all ready for it and i hope

2505
01:47:30,310 --> 01:47:29,360
you and your family are prepared for the

2506
01:47:32,470 --> 01:47:30,320
event of

2507
01:47:34,550 --> 01:47:32,480
major problems or civil unrest or

2508
01:47:36,709 --> 01:47:34,560
disruptions in the food supply or

2509
01:47:39,350 --> 01:47:36,719
whatever may happen i hope that your

2510
01:47:40,310 --> 01:47:39,360
power failures i hope that you're ready

2511
01:47:46,070 --> 01:47:40,320
and prepared

2512
01:47:53,430 --> 01:47:49,669
so friends i suppose until next time

2513
01:47:56,790 --> 01:47:53,440

my name is stephen campion reminding you

2514

01:47:58,550 --> 01:47:56,800

that only a fool would burn down his own

2515

01:48:02,830 --> 01:47:58,560

empire

2516

01:48:13,690 --> 01:48:02,840

just to rule over the ashes goodnight

2517

01:49:18,950 --> 01:48:21,300

[Music]

2518

01:49:43,860 --> 01:49:18,960

[Applause]

2519

01:49:45,860 --> 01:49:43,870

[Music]

2520

01:50:14,120 --> 01:49:45,870

[Applause]

2521

01:50:15,120 --> 01:50:14,130

[Music]
