

1
00:02:33,830 --> 00:00:35,110

[Music]

2
00:02:39,750 --> 00:02:37,430
greetings and salutations friends

3
00:02:41,910 --> 00:02:39,760
welcome tonight uh we're going to do

4
00:02:43,350 --> 00:02:41,920
something a little off the beaten path

5
00:02:44,309 --> 00:02:43,360
for us

6
00:02:46,949 --> 00:02:44,319
uh

7
00:02:50,630 --> 00:02:46,959
usually we cover strange and mysterious

8
00:02:52,949 --> 00:02:50,640
topics conspiracy theories all kinds of

9
00:02:54,550 --> 00:02:52,959
strange and mysterious subjects but

10
00:02:56,949 --> 00:02:54,560
lately

11
00:02:59,830 --> 00:02:56,959
truth has been stranger than fiction so

12
00:03:03,110 --> 00:02:59,840
i've been covering a lot of reality

13
00:03:04,229 --> 00:03:03,120

um and just a note

14

00:03:06,070 --> 00:03:04,239

you know i don't even know how to

15

00:03:08,149 --> 00:03:06,080

address this but i'm going to because

16

00:03:09,430 --> 00:03:08,159

it's easier than typing for half a day

17

00:03:11,190 --> 00:03:09,440

on twitter

18

00:03:13,509 --> 00:03:11,200

uh some people took offense to my

19

00:03:17,830 --> 00:03:13,519

coverage of philadelphia riots

20

00:03:19,910 --> 00:03:17,840

uh which is understandable it's a

21

00:03:23,030 --> 00:03:19,920

button sort of issue

22

00:03:25,670 --> 00:03:23,040

and it's very polarizing and

23

00:03:27,190 --> 00:03:25,680

it divides people

24

00:03:29,350 --> 00:03:27,200

who were the cause

25

00:03:31,990 --> 00:03:29,360

what was the cause of the riots was it

26

00:03:33,670 --> 00:03:32,000

justified the rioting and the looting i

27

00:03:35,030 --> 00:03:33,680

don't believe it was

28

00:03:36,070 --> 00:03:35,040

and uh

29

00:03:41,270 --> 00:03:36,080

so

30

00:03:42,789 --> 00:03:41,280

particular got very upset with me and uh

31

00:03:46,470 --> 00:03:42,799

there's all kinds of things people are

32

00:03:49,030 --> 00:03:46,480

saying you know right wing dumpster fire

33

00:03:51,110 --> 00:03:49,040

our shows turning into and this and that

34

00:03:54,949 --> 00:03:51,120

but i want to remind people

35

00:03:57,830 --> 00:03:54,959

all i did was share factual and real

36

00:03:59,750 --> 00:03:57,840

footage of rioting and looting taking

37

00:04:01,270 --> 00:03:59,760

place in the neighborhood that i grew up

38

00:04:03,670 --> 00:04:01,280

in

39

00:04:06,149 --> 00:04:03,680

i uh sort of had a crisis of faith about

40

00:04:08,229 --> 00:04:06,159

whether to even cover that at all

41

00:04:10,149 --> 00:04:08,239

and then i started realizing that no one

42

00:04:12,390 --> 00:04:10,159

on the mainstream media was showing

43

00:04:15,429 --> 00:04:12,400

people what was actually happening in my

44

00:04:17,830 --> 00:04:15,439

hometown and more specifically in my old

45

00:04:19,670 --> 00:04:17,840

neighborhood where i grew up

46

00:04:21,909 --> 00:04:19,680

very passionate about that place even

47

00:04:23,909 --> 00:04:21,919

though i was forced to leave it

48

00:04:25,909 --> 00:04:23,919

basically for the safety of my family

49

00:04:28,550 --> 00:04:25,919

and now i see i made the absolute right

50

00:04:30,390 --> 00:04:28,560

decision to do that two years ago

51
00:04:33,030 --> 00:04:30,400
but my point is that sometimes you may

52
00:04:36,310 --> 00:04:33,040
not like what i cover here

53
00:04:40,469 --> 00:04:36,320
but if you have a problem with me

54
00:04:41,270 --> 00:04:40,479
sharing factual and real unedited videos

55
00:04:43,270 --> 00:04:41,280
of

56
00:04:44,950 --> 00:04:43,280
rioting and looting if that's what's

57
00:04:47,510 --> 00:04:44,960
taking place

58
00:04:49,430 --> 00:04:47,520
then i'm i'm not going to apologize i'm

59
00:04:50,469 --> 00:04:49,440
just not going to apologize

60
00:04:51,909 --> 00:04:50,479
i

61
00:04:54,310 --> 00:04:51,919
shared

62
00:04:56,710 --> 00:04:54,320
helicopter live streams from local news

63
00:04:58,469 --> 00:04:56,720

footage showing the writing the looting

64

00:05:00,870 --> 00:04:58,479

i shared uh

65

00:05:03,270 --> 00:05:00,880

people's instagram and social media

66

00:05:04,550 --> 00:05:03,280

posts of the rioting and looting i stand

67

00:05:08,390 --> 00:05:04,560

by uh

68

00:05:09,749 --> 00:05:08,400

those shows and i i'm i'm sorry not

69

00:05:12,390 --> 00:05:09,759

sorry that i

70

00:05:14,629 --> 00:05:12,400

gave people reality as i said i wasn't

71

00:05:16,390 --> 00:05:14,639

even gonna cover that topic

72

00:05:18,070 --> 00:05:16,400

uh because it's not my wheelhouse but

73

00:05:19,990 --> 00:05:18,080

then i suddenly realized first of all

74

00:05:22,390 --> 00:05:20,000

nobody in the mainstream media even the

75

00:05:24,870 --> 00:05:22,400

local philadelphia news channels weren't

76

00:05:26,469 --> 00:05:24,880

covering it at least not sufficiently

77

00:05:28,710 --> 00:05:26,479

they weren't showing the absolute

78

00:05:31,110 --> 00:05:28,720

anarchy the carnage the route the the

79

00:05:33,110 --> 00:05:31,120

rioting diluting the destruction the

80

00:05:36,310 --> 00:05:33,120

anarchy and i thought that people should

81

00:05:39,189 --> 00:05:36,320

see that and yes it's visceral

82

00:05:40,710 --> 00:05:39,199

and it is uh shocking but i thought

83

00:05:42,550 --> 00:05:40,720

people needed to see what was really

84

00:05:45,110 --> 00:05:42,560

happening in my

85

00:05:47,590 --> 00:05:45,120

old neighborhood

86

00:05:49,350 --> 00:05:47,600

and you know it's like that old saying

87

00:05:51,430 --> 00:05:49,360

you can't please all the people all the

88

00:05:53,510 --> 00:05:51,440

time sometimes i'm going to talk about

89

00:05:55,510 --> 00:05:53,520

topics you don't like or you don't want

90

00:05:56,710 --> 00:05:55,520

me to talk about or i'm gonna have an

91

00:05:59,430 --> 00:05:56,720

opinion

92

00:06:00,950 --> 00:05:59,440

uh that differs with yours

93

00:06:03,749 --> 00:06:00,960

and i just wanna say

94

00:06:04,710 --> 00:06:03,759

uh you know this this is what happens i

95

00:06:06,870 --> 00:06:04,720

mean

96

00:06:09,430 --> 00:06:06,880

there's a lot of show hosts that i

97

00:06:12,390 --> 00:06:09,440

listen to and sometimes i go this guy's

98

00:06:13,590 --> 00:06:12,400

a jerk off like i disagree here but i'm

99

00:06:15,590 --> 00:06:13,600

not gonna

100

00:06:18,070 --> 00:06:15,600

really hold it against him he just has a

101
00:06:20,629 --> 00:06:18,080
different opinion than me maybe has a

102
00:06:22,790 --> 00:06:20,639
different life experience maybe has

103
00:06:25,749 --> 00:06:22,800
you know he grew up in a certain way

104
00:06:28,469 --> 00:06:25,759
that formed his opinions of the world

105
00:06:30,390 --> 00:06:28,479
i don't know but what i do know is that

106
00:06:32,150 --> 00:06:30,400
uh

107
00:06:34,070 --> 00:06:32,160
at least 10 people from my old

108
00:06:35,830 --> 00:06:34,080
neighborhood somehow caught my coverage

109
00:06:37,670 --> 00:06:35,840
of the rioting and looting in our

110
00:06:39,510 --> 00:06:37,680
neighborhood and thanked me

111
00:06:42,309 --> 00:06:39,520
and people told me i'm so glad you did

112
00:06:44,390 --> 00:06:42,319
that because nobody's showing this and

113
00:06:47,110 --> 00:06:44,400

nobody cares about what's happening to

114

00:06:48,710 --> 00:06:47,120

us here in this neighborhood the mayor

115

00:06:53,189 --> 00:06:48,720

abandoned them

116

00:06:54,150 --> 00:06:53,199

they stood down and watched thousands of

117

00:06:57,590 --> 00:06:54,160

people

118

00:06:59,990 --> 00:06:57,600

destroy all their neighborhood stores

119

00:07:04,150 --> 00:07:01,830

something there was an estimate somebody

120

00:07:06,150 --> 00:07:04,160

actually got a counter out and counted

121

00:07:08,309 --> 00:07:06,160

the footage from the walmart looting

122

00:07:10,629 --> 00:07:08,319

over a thousand looters

123

00:07:12,629 --> 00:07:10,639

went in and out of there looting

124

00:07:15,029 --> 00:07:12,639

the walmart on domingo avenue in port

125

00:07:17,350 --> 00:07:15,039

richmond and the police largely did

126

00:07:19,589 --> 00:07:17,360

nothing chase them away a few times they

127

00:07:21,189 --> 00:07:19,599

came back and did it again but my point

128

00:07:24,230 --> 00:07:21,199

is

129

00:07:26,469 --> 00:07:24,240

i i i felt it important to cover that i

130

00:07:27,909 --> 00:07:26,479

had a very personal connection to that

131

00:07:29,830 --> 00:07:27,919

so you know if you're gonna go on

132

00:07:32,629 --> 00:07:29,840

twitter and say you're losing viewers

133

00:07:34,710 --> 00:07:32,639

over this okay i gained 10 from my old

134

00:07:36,309 --> 00:07:34,720

neighborhood for doing that you know

135

00:07:38,230 --> 00:07:36,319

some people are going to like it some

136

00:07:39,909 --> 00:07:38,240

people are not going to like it and if

137

00:07:42,390 --> 00:07:39,919

you're that

138

00:07:44,390 --> 00:07:42,400

you know polarized

139

00:07:46,790 --> 00:07:44,400

that you can't see my point of view

140

00:07:49,430 --> 00:07:46,800

then i will apologize uh

141

00:07:52,150 --> 00:07:49,440

i i didn't do what i did to offend

142

00:07:54,230 --> 00:07:52,160

anybody i certainly didn't cover that to

143

00:07:55,990 --> 00:07:54,240

piss off viewers especially somebody

144

00:07:58,150 --> 00:07:56,000

that's been a long time viewer or

145

00:08:00,629 --> 00:07:58,160

supporter wasn't my intention i didn't

146

00:08:02,869 --> 00:08:00,639

wake up that day and say let me piss off

147

00:08:04,790 --> 00:08:02,879

a bunch of my viewers and lose viewers

148

00:08:07,510 --> 00:08:04,800

nobody wants to do that but by the same

149

00:08:09,350 --> 00:08:07,520

token if i was the kind of show host

150

00:08:10,950 --> 00:08:09,360

that's just going to bow down to

151
00:08:13,589 --> 00:08:10,960
people's demands when they don't like

152
00:08:15,350 --> 00:08:13,599
something that i said or covered or a

153
00:08:16,950 --> 00:08:15,360
guest that i had we're just not gonna

154
00:08:19,110 --> 00:08:16,960
have a show anymore

155
00:08:20,790 --> 00:08:19,120
i can't i can't work like that and i'm

156
00:08:21,749 --> 00:08:20,800
not gonna work like that

157
00:08:24,629 --> 00:08:21,759
so

158
00:08:26,390 --> 00:08:24,639
it is what it is friends uh

159
00:08:27,670 --> 00:08:26,400
you cannot please all the people all the

160
00:08:29,670 --> 00:08:27,680
time

161
00:08:30,710 --> 00:08:29,680
uh i'm looking forward to trying to get

162
00:08:32,949 --> 00:08:30,720
back to

163
00:08:35,110 --> 00:08:32,959

uh some of our

164

00:08:36,949 --> 00:08:35,120

let's just say usual coverage but you

165

00:08:39,430 --> 00:08:36,959

know that's another issue

166

00:08:42,070 --> 00:08:39,440

this covering of reality made me realize

167

00:08:44,630 --> 00:08:42,080

like oh i don't have to be the guy that

168

00:08:47,110 --> 00:08:44,640

just talks to people that claim they

169

00:08:49,670 --> 00:08:47,120

know reptilian aliens or you know were

170

00:08:51,190 --> 00:08:49,680

abducted by space aliens i could do

171

00:08:54,230 --> 00:08:51,200

serious work and

172

00:08:56,310 --> 00:08:54,240

and uh and cover serious topics that are

173

00:08:58,310 --> 00:08:56,320

meaningful to me and if you don't want

174

00:09:01,030 --> 00:08:58,320

to see that then it's very simple you

175

00:09:02,310 --> 00:09:01,040

just click off search live stream on

176

00:09:05,190 --> 00:09:02,320

youtube or

177

00:09:07,670 --> 00:09:05,200

google and you'll find 8 000 shows you

178

00:09:09,590 --> 00:09:07,680

can watch that's not mine come back when

179

00:09:11,829 --> 00:09:09,600

we're covering a topic that you do like

180

00:09:14,550 --> 00:09:11,839

that you don't disagree with my opinion

181

00:09:16,710 --> 00:09:14,560

on i don't know what to tell anybody um

182

00:09:19,030 --> 00:09:16,720

you know but it is what it is

183

00:09:20,630 --> 00:09:19,040

uh we're gonna go to the live chat but

184

00:09:22,389 --> 00:09:20,640

before we do uh

185

00:09:24,790 --> 00:09:22,399

this is election night and we are gonna

186

00:09:26,790 --> 00:09:24,800

have just a panel discussion and we're

187

00:09:28,630 --> 00:09:26,800

gonna have uh

188

00:09:31,829 --> 00:09:28,640

we're gonna have a lot of different

189

00:09:33,509 --> 00:09:31,839

people on in different people's opinions

190

00:09:36,949 --> 00:09:33,519

um

191

00:09:39,350 --> 00:09:36,959

first up we have robin uh she's the only

192

00:09:40,949 --> 00:09:39,360

one that showed up so far but i did say

193

00:09:43,910 --> 00:09:40,959

that we're gonna be at this for a long

194

00:09:47,750 --> 00:09:43,920

time tonight so anybody who's

195

00:09:51,910 --> 00:09:49,990

anybody who i sent the link to join the

196

00:09:53,110 --> 00:09:51,920

show tonight you can pop in or out

197

00:09:55,110 --> 00:09:53,120

whenever you want we're going to be at

198

00:09:56,710 --> 00:09:55,120

this for a while and i just i want to

199

00:09:58,470 --> 00:09:56,720

make it clear that i don't want anybody

200

00:10:01,030 --> 00:09:58,480

to feel obligated when they come on that

201
00:10:02,230 --> 00:10:01,040
they have to sit here for however long

202
00:10:03,990 --> 00:10:02,240
this goes

203
00:10:06,630 --> 00:10:04,000
i don't have anything to do tonight so

204
00:10:08,310 --> 00:10:06,640
uh i plan on doing this

205
00:10:10,150 --> 00:10:08,320
and uh hanging out with my friends and

206
00:10:12,310 --> 00:10:10,160
talking about what happened

207
00:10:13,990 --> 00:10:12,320
uh but let's get robin in here she's the

208
00:10:17,269 --> 00:10:14,000
first panel member

209
00:10:20,150 --> 00:10:17,279
uh one second here there we go hi robin

210
00:10:22,630 --> 00:10:20,160
hi stephen how are you this evening good

211
00:10:26,069 --> 00:10:22,640
i'm doing very well i i'm feeling

212
00:10:27,910 --> 00:10:26,079
hopeful that this may uh go and happen

213
00:10:30,230 --> 00:10:27,920

and and things may be peaceful

214

00:10:32,310 --> 00:10:30,240

afterwards but i'm not i'm usually more

215

00:10:34,949 --> 00:10:32,320

sick i'm pretty cynical that that's

216

00:10:36,470 --> 00:10:34,959

what'll happen but i'm hopeful right

217

00:10:38,470 --> 00:10:36,480

well yeah

218

00:10:40,949 --> 00:10:38,480

hopeful and then you just you know don't

219

00:10:42,550 --> 00:10:40,959

have any expectations and then just see

220

00:10:44,069 --> 00:10:42,560

how it unfolds but you know what you

221

00:10:45,430 --> 00:10:44,079

were saying about

222

00:10:47,670 --> 00:10:45,440

uh

223

00:10:50,069 --> 00:10:47,680

something you did on on your show might

224

00:10:53,430 --> 00:10:50,079

have been unpopular but but you know

225

00:10:56,630 --> 00:10:53,440

what i sort of had this issue too

226

00:10:57,829 --> 00:10:56,640

uh over on my in my house this is your

227

00:10:59,350 --> 00:10:57,839

house

228

00:11:01,670 --> 00:10:59,360

you can't please ever yeah it can't

229

00:11:04,949 --> 00:11:01,680

please everybody and you know there are

230

00:11:07,509 --> 00:11:04,959

what more almost 40 million youtube

231

00:11:10,630 --> 00:11:07,519

channels there there are lots

232

00:11:12,870 --> 00:11:10,640

yeah i didn't have a number off hand

233

00:11:15,110 --> 00:11:12,880

i looked it up one time you know when i

234

00:11:17,030 --> 00:11:15,120

i caught some flack a couple of times

235

00:11:19,269 --> 00:11:17,040

but you know

236

00:11:21,910 --> 00:11:19,279

people think they can come and poop in

237

00:11:23,829 --> 00:11:21,920

your parlor and it's okay so you know

238

00:11:25,910 --> 00:11:23,839

you have an eclectic

239

00:11:28,230 --> 00:11:25,920

you can have an eclectic

240

00:11:30,949 --> 00:11:28,240

show you can uh

241

00:11:32,310 --> 00:11:30,959

put forth your interest it's your gosh

242

00:11:33,829 --> 00:11:32,320

darn show

243

00:11:36,550 --> 00:11:33,839

um

244

00:11:39,110 --> 00:11:36,560

you know so damn don't apologize for

245

00:11:42,710 --> 00:11:39,120

that don't ever do that you know you're

246

00:11:45,110 --> 00:11:42,720

your own flavor if somebody doesn't like

247

00:11:47,430 --> 00:11:45,120

it let them go order the chocolate mint

248

00:11:49,670 --> 00:11:47,440

chip from the store next door uh you

249

00:11:51,670 --> 00:11:49,680

know well and also when i get into

250

00:11:53,430 --> 00:11:51,680

anything politics this is why i usually

251
00:11:55,110 --> 00:11:53,440
up until recently i've always just

252
00:11:57,750 --> 00:11:55,120
avoided politics never

253
00:11:59,750 --> 00:11:57,760
know i wouldn't even comment on things

254
00:12:02,230 --> 00:11:59,760
so the issue was really i don't think

255
00:12:04,069 --> 00:12:02,240
the issue was that i shared the riot

256
00:12:05,030 --> 00:12:04,079
footage it was like

257
00:12:07,590 --> 00:12:05,040
uh

258
00:12:09,750 --> 00:12:07,600
well there's you know the their issue

259
00:12:12,150 --> 00:12:09,760
was like well it's been proven that

260
00:12:14,629 --> 00:12:12,160
there's white supremacists causing this

261
00:12:17,110 --> 00:12:14,639
or whatever and i'm sorry i know

262
00:12:18,949 --> 00:12:17,120
business owners that were there i know

263
00:12:20,150 --> 00:12:18,959

police officers in that neighborhood

264

00:12:23,110 --> 00:12:20,160

that were there

265

00:12:26,870 --> 00:12:23,120

so nobody saw any white supremacists

266

00:12:28,470 --> 00:12:26,880

rioting or looting it was blm antifa and

267

00:12:30,550 --> 00:12:28,480

opportunists i'm sure a lot of those

268

00:12:33,190 --> 00:12:30,560

people writing and looting were not

269

00:12:35,350 --> 00:12:33,200

members of blm or members of antiflow

270

00:12:36,790 --> 00:12:35,360

they just went it's free tv day we can

271

00:12:38,790 --> 00:12:36,800

get away with anything the cops aren't

272

00:12:41,190 --> 00:12:38,800

stopping anybody let's go get a 70 inch

273

00:12:44,150 --> 00:12:41,200

big screen tv for free from the walmart

274

00:12:47,829 --> 00:12:44,160

and they did and they did right right

275

00:12:49,269 --> 00:12:47,839

out the the big uh warehouse size doors

276

00:12:51,590 --> 00:12:49,279

yeah yeah

277

00:12:53,350 --> 00:12:51,600

it was like i'm sure i've heard or read

278

00:12:54,389 --> 00:12:53,360

something about that kind of thing that

279

00:12:56,389 --> 00:12:54,399

like there's

280

00:12:58,069 --> 00:12:56,399

white supremacists that are instigating

281

00:13:00,550 --> 00:12:58,079

things or whatever but in the case of

282

00:13:02,790 --> 00:13:00,560

philadelphia i'm a hundred percent sure

283

00:13:05,110 --> 00:13:02,800

that there was not well i never want to

284

00:13:06,870 --> 00:13:05,120

say a hundred i'll say i'm 90 sure that

285

00:13:09,430 --> 00:13:06,880

there was no involvement by white

286

00:13:11,509 --> 00:13:09,440

supremacist groups or white nationalist

287

00:13:15,190 --> 00:13:11,519

groups instigating anything or starting

288

00:13:17,269 --> 00:13:15,200

anything we can we can track the videos

289

00:13:20,310 --> 00:13:17,279

and you know but then they said oh no

290

00:13:22,230 --> 00:13:20,320

they're disguised as blm or antifa like

291

00:13:23,750 --> 00:13:22,240

okay you know i don't know what to say

292

00:13:26,310 --> 00:13:23,760

but i don't i don't want to argue

293

00:13:29,910 --> 00:13:26,320

largely i feel like i showed what the

294

00:13:31,910 --> 00:13:29,920

reality was and uh and i i really uh

295

00:13:34,069 --> 00:13:31,920

didn't really take a stance on it except

296

00:13:35,750 --> 00:13:34,079

to say that this this violence is

297

00:13:37,190 --> 00:13:35,760

terrible and this is

298

00:13:39,990 --> 00:13:37,200

not going to do anything it's not going

299

00:13:41,269 --> 00:13:40,000

to help their cause because call anybody

300

00:13:43,350 --> 00:13:41,279

in that neighborhood that just got

301
00:13:44,470 --> 00:13:43,360
rioted and looted and asked them if they

302
00:13:47,030 --> 00:13:44,480
support

303
00:13:48,470 --> 00:13:47,040
either blm or anti-foot and they're both

304
00:13:50,389 --> 00:13:48,480
going to say no

305
00:13:51,670 --> 00:13:50,399
no we don't support that movement we

306
00:13:53,269 --> 00:13:51,680
don't support either movement now

307
00:13:54,150 --> 00:13:53,279
because they destroyed our neighborhood

308
00:13:56,870 --> 00:13:54,160
you know

309
00:13:58,949 --> 00:13:56,880
and you're not a news analyst you didn't

310
00:14:00,949 --> 00:13:58,959
show it yes it's not my not my

311
00:14:03,030 --> 00:14:00,959
wheelhouse but i thought i was uniquely

312
00:14:05,110 --> 00:14:03,040
qualified because i i

313
00:14:07,269 --> 00:14:05,120

my old house was six blocks from the

314

00:14:09,509 --> 00:14:07,279

walmart that a thousand people looted so

315

00:14:11,110 --> 00:14:09,519

i know that area i know people in it i

316

00:14:13,110 --> 00:14:11,120

know business owners you know and that's

317

00:14:14,870 --> 00:14:13,120

another thing the business owners there

318

00:14:17,350 --> 00:14:14,880

i know a few business owners they have

319

00:14:19,829 --> 00:14:17,360

been rioted and looted twice since may

320

00:14:21,509 --> 00:14:19,839

31st now their stores completely

321

00:14:23,590 --> 00:14:21,519

destroyed a few of them are just not

322

00:14:25,350 --> 00:14:23,600

opening again and i'm hearing various

323

00:14:27,110 --> 00:14:25,360

reports that both the target and the

324

00:14:28,389 --> 00:14:27,120

walmart are closing down in that

325

00:14:31,430 --> 00:14:28,399

neighborhood they're not going to open

326

00:14:32,949 --> 00:14:31,440

back up because they had so much damage

327

00:14:35,269 --> 00:14:32,959

so who is that helping that's not

328

00:14:38,629 --> 00:14:35,279

helping anybody that's not so you know

329

00:14:40,790 --> 00:14:38,639

that's i don't think there was any main

330

00:14:42,069 --> 00:14:40,800

movement leading that whole thing or

331

00:14:44,949 --> 00:14:42,079

being in charge of that whole thing i'll

332

00:14:47,509 --> 00:14:44,959

bet if you stopped people one by one by

333

00:14:49,189 --> 00:14:47,519

one and ask them so why are you here

334

00:14:51,030 --> 00:14:49,199

i'll bet you'd get a different story

335

00:14:52,629 --> 00:14:51,040

with each person

336

00:14:55,269 --> 00:14:52,639

yeah i mean people say everything from

337

00:14:57,189 --> 00:14:55,279

reparations to you know [h__h] the police

338

00:15:00,069 --> 00:14:57,199

and whatever but like

339

00:15:01,829 --> 00:15:00,079

destroying the sea destroying a business

340

00:15:03,350 --> 00:15:01,839

is not going to bring about the change

341

00:15:05,829 --> 00:15:03,360

that they seek and it's going to turn

342

00:15:08,470 --> 00:15:05,839

many people against their movement if

343

00:15:10,150 --> 00:15:08,480

they were more peaceful and uh

344

00:15:11,829 --> 00:15:10,160

you know but i get but i also get the

345

00:15:13,990 --> 00:15:11,839

other side of the coin is they've been

346

00:15:15,750 --> 00:15:14,000

people have been peaceful and maybe

347

00:15:18,069 --> 00:15:15,760

they're losing patience and they want to

348

00:15:19,509 --> 00:15:18,079

change now and they think that violence

349

00:15:20,949 --> 00:15:19,519

is going to be the key to bringing that

350

00:15:24,150 --> 00:15:20,959

about

351
00:15:26,550 --> 00:15:24,160
there you have it right there boy people

352
00:15:28,790 --> 00:15:26,560
are just so

353
00:15:31,350 --> 00:15:28,800
frustrated you know this is an ex

354
00:15:34,230 --> 00:15:31,360
i i think i i understand

355
00:15:37,430 --> 00:15:34,240
a whole bunch of it people are just

356
00:15:39,350 --> 00:15:37,440
absolutely ready to blow anyway in their

357
00:15:42,629 --> 00:15:39,360
daily lives you know look at all these

358
00:15:45,750 --> 00:15:42,639
it's been most of a year most of a year

359
00:15:48,150 --> 00:15:45,760
when our lives have drastically changed

360
00:15:50,310 --> 00:15:48,160
people can't be expected

361
00:15:52,949 --> 00:15:50,320
to especially uh

362
00:15:56,150 --> 00:15:52,959
the ones who were

363
00:15:58,230 --> 00:15:56,160

sort of aggressive folks anyway you know

364

00:16:00,230 --> 00:15:58,240

a year come on

365

00:16:01,670 --> 00:16:00,240

uh they got a blow

366

00:16:03,590 --> 00:16:01,680

somehow

367

00:16:04,790 --> 00:16:03,600

you know and this is the way a lot of

368

00:16:08,710 --> 00:16:04,800

them just

369

00:16:11,430 --> 00:16:08,720

blew yeah grab a tv i'm gonna grab that

370

00:16:12,550 --> 00:16:11,440

washing machine and wheel it down the

371

00:16:14,629 --> 00:16:12,560

street

372

00:16:17,749 --> 00:16:14,639

yeah i just i just wanted to mention and

373

00:16:19,910 --> 00:16:17,759

thank robin look i got i got her card

374

00:16:22,230 --> 00:16:19,920

with these pins that my kids are going

375

00:16:24,470 --> 00:16:22,240

to really love and all the granny people

376

00:16:26,550 --> 00:16:24,480

the granny pins she sent me a real nice

377

00:16:28,790 --> 00:16:26,560

thank you card for being on her show

378

00:16:30,710 --> 00:16:28,800

she's a classy lady i don't do anything

379

00:16:32,790 --> 00:16:30,720

like this but i should start because

380

00:16:34,949 --> 00:16:32,800

that's a classy thing to do i appreciate

381

00:16:37,030 --> 00:16:34,959

that my kids i showed my my

382

00:16:40,710 --> 00:16:37,040

four-year-old xavier and he said it's

383

00:16:42,870 --> 00:16:40,720

like a badge dad like a cop badge

384

00:16:45,030 --> 00:16:42,880

yeah so he's excited i'm gonna put one

385

00:16:47,269 --> 00:16:45,040

on his shirt tomorrow oh thank you i

386

00:16:49,509 --> 00:16:47,279

appreciate that oh you're welcome aren't

387

00:16:50,870 --> 00:16:49,519

they cute as hell yeah yeah that's a

388

00:16:52,470 --> 00:16:50,880

cool thing

389

00:16:54,550 --> 00:16:52,480

i don't have anything like that we have

390

00:16:56,150 --> 00:16:54,560

to get some swag here we definitely have

391

00:16:57,590 --> 00:16:56,160

to get some swag

392

00:17:00,629 --> 00:16:57,600

oh i think

393

00:17:01,670 --> 00:17:00,639

i'll turn you on to my uh

394

00:17:06,549 --> 00:17:01,680

my

395

00:17:08,230 --> 00:17:06,559

thought i saw dan hogan come in and then

396

00:17:09,669 --> 00:17:08,240

i don't know he came into the green room

397

00:17:11,510 --> 00:17:09,679

here you know what that's like the

398

00:17:13,510 --> 00:17:11,520

backstage and then yeah then he popped

399

00:17:15,110 --> 00:17:13,520

back out so i don't know what's going on

400

00:17:18,150 --> 00:17:15,120

and then uh

401
00:17:20,230 --> 00:17:18,160
i'm trying to get to uh i guess for like

402
00:17:22,390 --> 00:17:20,240
the election results so far we should

403
00:17:24,789 --> 00:17:22,400
share some of that uh yeah but i'm

404
00:17:26,309 --> 00:17:24,799
getting errors from the cnn website

405
00:17:27,990 --> 00:17:26,319
they're probably getting slammed right

406
00:17:30,230 --> 00:17:28,000
now oh i'll bet

407
00:17:33,990 --> 00:17:30,240
more people are paying attention to this

408
00:17:35,669 --> 00:17:34,000
election than they did in 2016.

409
00:17:37,110 --> 00:17:35,679
yeah i heard i heard from people that i

410
00:17:39,430 --> 00:17:37,120
know in philadelphia that the voting

411
00:17:41,270 --> 00:17:39,440
numbers are through the roof like even

412
00:17:42,950 --> 00:17:41,280
just the early voting was almost more

413
00:17:44,470 --> 00:17:42,960

than the total voting

414

00:17:47,590 --> 00:17:44,480

this year so

415

00:17:50,950 --> 00:17:47,600

you know isn't that amazing isn't that

416

00:17:54,630 --> 00:17:52,310

it should be an interesting night

417

00:17:56,549 --> 00:17:54,640

because people are uh one side or the

418

00:17:59,669 --> 00:17:56,559

other whoever you're supporting

419

00:18:02,470 --> 00:17:59,679

i'm just doesn't matter

420

00:18:05,029 --> 00:18:02,480

but whoever you're supporting uh will

421

00:18:08,630 --> 00:18:07,270

all the sides

422

00:18:14,950 --> 00:18:08,640

yeah

423

00:18:17,830 --> 00:18:14,960

give the shout outs there okay you're

424

00:18:20,950 --> 00:18:17,840

doing a better job than me so we have uh

425

00:18:21,990 --> 00:18:20,960

let's see we have river dogma pitbull is

426

00:18:22,870 --> 00:18:22,000

here

427

00:18:24,870 --> 00:18:22,880

uh

428

00:18:27,190 --> 00:18:24,880

i think they're new michael is here

429

00:18:28,710 --> 00:18:27,200

charles unleashes here robin evil song

430

00:18:31,350 --> 00:18:28,720

well of course you're here

431

00:18:33,669 --> 00:18:31,360

joseph prisco shout out caltran77

432

00:18:35,830 --> 00:18:33,679

channel carol utley shout out

433

00:18:37,830 --> 00:18:35,840

uh let me see uh

434

00:18:39,990 --> 00:18:37,840

ryan morphy richards haven't seen you in

435

00:18:42,150 --> 00:18:40,000

a while hi ryan murphy richards good to

436

00:18:44,070 --> 00:18:42,160

see you you are most welcome shout out

437

00:18:45,190 --> 00:18:44,080

to ryan murphy richards we have carol

438

00:18:48,310 --> 00:18:45,200

utley

439

00:18:49,750 --> 00:18:48,320

uh let me see who else bunya we have

440

00:18:50,789 --> 00:18:49,760

bunya here

441

00:18:52,950 --> 00:18:50,799

dan

442

00:18:54,950 --> 00:18:52,960

we have ufo gandalf you'll forget if i

443

00:18:56,630 --> 00:18:54,960

sent you a connection

444

00:18:59,270 --> 00:18:56,640

we're getting a few more panel members

445

00:19:01,510 --> 00:18:59,280

come in here now i have

446

00:19:03,430 --> 00:19:01,520

i said michael let me see boy all our

447

00:19:05,270 --> 00:19:03,440

friends baby bucky is here haven't seen

448

00:19:06,710 --> 00:19:05,280

you in a while good to see you solar

449

00:19:07,830 --> 00:19:06,720

marshals here shout out to solar

450

00:19:11,029 --> 00:19:07,840

marshall

451
00:19:12,150 --> 00:19:11,039
charles unleashed uh let me see amy the

452
00:19:13,909 --> 00:19:12,160
chico

453
00:19:16,310 --> 00:19:13,919
good to see you here

454
00:19:18,310 --> 00:19:16,320
and let me see can we get everybody

455
00:19:20,950 --> 00:19:18,320
jonas is here shout out to jonas side

456
00:19:23,350 --> 00:19:20,960
out of mind shout out to out of mind i

457
00:19:25,190 --> 00:19:23,360
think i think ellen fox is here shout

458
00:19:26,390 --> 00:19:25,200
out to ellen fox i think we got them all

459
00:19:28,230 --> 00:19:26,400
and then we have

460
00:19:29,990 --> 00:19:28,240
a few other panel members here so let's

461
00:19:32,710 --> 00:19:30,000
bring them in oh cool

462
00:19:35,029 --> 00:19:32,720
we've got dan hogan is here

463
00:19:37,510 --> 00:19:35,039

are you okay he's not drinking whiskey

464

00:19:39,350 --> 00:19:37,520

tonight he's drinking i got caffeine

465

00:19:41,830 --> 00:19:39,360

tonight because i thought i need

466

00:19:42,950 --> 00:19:41,840

caffeine more than yeah

467

00:19:44,549 --> 00:19:42,960

caffeine

468

00:19:45,750 --> 00:19:44,559

yeah well and listen i'm telling

469

00:19:47,510 --> 00:19:45,760

everybody i don't want anybody to feel

470

00:19:49,590 --> 00:19:47,520

obligated whenever you can pop on and

471

00:19:53,669 --> 00:19:49,600

off whenever you want and then we have

472

00:19:54,549 --> 00:19:53,679

our we have an england correspondent

473

00:19:56,310 --> 00:19:54,559

right

474

00:19:58,470 --> 00:19:56,320

because i thought in the grand tradition

475

00:20:00,470 --> 00:19:58,480

of like piers morgan telling us

476

00:20:02,789 --> 00:20:00,480

americans how we [h__\h] everything up and

477

00:20:04,630 --> 00:20:02,799

like how gun control should be run or

478

00:20:06,950 --> 00:20:04,640

like that oh that's another thing i got

479

00:20:09,110 --> 00:20:06,960

[h__\h] for nigel Farage because i posted a

480

00:20:10,310 --> 00:20:09,120

video of him in Washington DC

481

00:20:12,630 --> 00:20:10,320

i just wanted to show that they were

482

00:20:14,870 --> 00:20:12,640

boarding up Washington DC i don't

483

00:20:16,789 --> 00:20:14,880

support or not support Nigel but i will

484

00:20:18,710 --> 00:20:16,799

say this i have a problem with English

485

00:20:20,470 --> 00:20:18,720

dudes coming to America and telling us

486

00:20:22,310 --> 00:20:20,480

what's [h__\h] up about our country

487

00:20:23,750 --> 00:20:22,320

because i've never seen an American like

488

00:20:26,150 --> 00:20:23,760

go over there

489

00:20:27,830 --> 00:20:26,160

and like take a video in front of big

490

00:20:29,350 --> 00:20:27,840

ben and tell the english people how

491

00:20:31,190 --> 00:20:29,360

they're [h__h] everything up in their

492

00:20:32,870 --> 00:20:31,200

own country you know but they do it to

493

00:20:34,789 --> 00:20:32,880

us all the time we have pierce morgan's

494

00:20:36,549 --> 00:20:34,799

this nigel

495

00:20:38,310 --> 00:20:36,559

so but we've got our own english

496

00:20:39,990 --> 00:20:38,320

correspondent to tell us how we're

497

00:20:42,149 --> 00:20:40,000

[h__h] everything up because i think

498

00:20:43,430 --> 00:20:42,159

it's a grand tradition and uh welcome

499

00:20:47,270 --> 00:20:43,440

spooky

500

00:20:49,270 --> 00:20:47,280

good evening oh well

501
00:20:51,270 --> 00:20:49,280
there she is

502
00:20:53,270 --> 00:20:51,280
how are we doing

503
00:20:56,390 --> 00:20:53,280
good i'm trying to find some election

504
00:20:58,870 --> 00:20:56,400
results to uh share but so far i found

505
00:21:01,029 --> 00:20:58,880
cnn is is not loading why would you

506
00:21:02,789 --> 00:21:01,039
trust cnn

507
00:21:04,870 --> 00:21:02,799
well i thought what we can do is that we

508
00:21:06,950 --> 00:21:04,880
will we will we we're going to we're

509
00:21:07,750 --> 00:21:06,960
going to share whatever we can find i'll

510
00:21:09,110 --> 00:21:07,760
share

511
00:21:11,909 --> 00:21:09,120
and see

512
00:21:13,190 --> 00:21:11,919
270 to win.com

513
00:21:15,190 --> 00:21:13,200

but is that come on i'm going to get

514

00:21:17,430 --> 00:21:15,200

yelled if that's the right leaning

515

00:21:19,830 --> 00:21:17,440

that's not right i'm on there right now

516

00:21:23,669 --> 00:21:19,840

okay 270 to win.com you know you can

517

00:21:26,470 --> 00:21:23,679

share the screen as well spooky

518

00:21:29,510 --> 00:21:26,480

things on so okay all right

519

00:21:31,510 --> 00:21:29,520

maybe later all right we'll see

520

00:21:32,870 --> 00:21:31,520

is it just the main page i'm getting oh

521

00:21:33,650 --> 00:21:32,880

yeah

522

00:21:34,789 --> 00:21:33,660

hi robin

523

00:21:37,830 --> 00:21:34,799

[Music]

524

00:21:40,310 --> 00:21:37,840

wait i don't mind trump's ahead

525

00:21:42,950 --> 00:21:40,320

what state out of mind is trump ahead

526

00:21:46,310 --> 00:21:42,960

and out of mind are you serious trump is

527

00:21:48,710 --> 00:21:46,320

ahead don't do that

528

00:21:50,230 --> 00:21:48,720

well it looks like i i'm trying to make

529

00:21:53,190 --> 00:21:50,240

sense i'm gonna i'm just gonna see a

530

00:21:54,310 --> 00:21:53,200

link into the chat for everyone to

531

00:21:58,710 --> 00:21:54,320

to look at

532

00:22:02,710 --> 00:22:00,149

i don't know if you can hear in the

533

00:22:04,950 --> 00:22:02,720

background i have the joe rogan feed on

534

00:22:06,630 --> 00:22:04,960

as well so i'm cutting yeah everywhere

535

00:22:08,789 --> 00:22:06,640

i'm absolutely right i will mute myself

536

00:22:10,789 --> 00:22:08,799

okay i'm at this 270 to win but i don't

537

00:22:12,630 --> 00:22:10,799

see a clear indicator of like who's

538

00:22:15,430 --> 00:22:12,640

alright so if you if you go

539

00:22:16,789 --> 00:22:15,440

uh at the top if you click president

540

00:22:18,710 --> 00:22:16,799

okay there you go the live election

541

00:22:20,070 --> 00:22:18,720

results click present

542

00:22:22,149 --> 00:22:20,080

okay

543

00:22:23,669 --> 00:22:22,159

and then there's a drop down which one

544

00:22:25,110 --> 00:22:23,679

should we be looking at

545

00:22:26,310 --> 00:22:25,120

you just if you just

546

00:22:28,230 --> 00:22:26,320

i'm on there right now if you do the

547

00:22:29,990 --> 00:22:28,240

president if you hit that link and you

548

00:22:32,230 --> 00:22:30,000

scroll down it shows like a map of the

549

00:22:33,830 --> 00:22:32,240

u.s and it shows all the states that

550

00:22:35,909 --> 00:22:33,840

they've already called for either trump

551

00:22:38,630 --> 00:22:35,919

or biden it looks like right now trump's

552

00:22:41,350 --> 00:22:38,640

showing 96 electoral votes biden's

553

00:22:43,430 --> 00:22:41,360

showing 77. okay i just got it all right

554

00:22:46,549 --> 00:22:43,440

i'll share that i'll share that

555

00:22:47,669 --> 00:22:46,559

let's see we'll we'll get this going

556

00:22:49,430 --> 00:22:47,679

yeah and everybody's gonna have to

557

00:22:50,789 --> 00:22:49,440

forgive me because i don't work for fox

558

00:22:52,630 --> 00:22:50,799

news and i don't know how to be a

559

00:22:55,190 --> 00:22:52,640

talking head but we're gonna do our best

560

00:22:58,310 --> 00:22:55,200

here

561

00:22:59,830 --> 00:22:58,320

okay and everyone in the chat uh tweet

562

00:23:01,510 --> 00:22:59,840

this show

563

00:23:03,909 --> 00:23:01,520

at the bottom of the screen it says

564

00:23:06,149 --> 00:23:03,919

share tweet this show to all your

565

00:23:09,350 --> 00:23:06,159

friends friends i just did

566

00:23:10,549 --> 00:23:09,360

and i told my private uh

567

00:23:13,029 --> 00:23:10,559

twitter group

568

00:23:17,270 --> 00:23:13,039

uh so everybody spread it around yeah so

569

00:23:18,789 --> 00:23:17,280

here it is from from uh 270 to win.com

570

00:23:22,710 --> 00:23:18,799

which i don't believe is a partisan

571

00:23:25,510 --> 00:23:22,720

website but if it is i i i okay

572

00:23:27,110 --> 00:23:25,520

to find a non-partisan source good good

573

00:23:28,789 --> 00:23:27,120

because if we you're right if we share

574

00:23:30,549 --> 00:23:28,799

cnn they're going to say that's too

575

00:23:31,270 --> 00:23:30,559

liberal leaning if we share fox that's

576
00:23:33,110 --> 00:23:31,280
too

577
00:23:35,430 --> 00:23:33,120
trump leaning and i find it interesting

578
00:23:37,430 --> 00:23:35,440
that the fox has

579
00:23:39,270 --> 00:23:37,440
i did take a look at fox news and

580
00:23:40,630 --> 00:23:39,280
they're projecting trump

581
00:23:43,510 --> 00:23:40,640
uh when

582
00:23:44,310 --> 00:23:43,520
winning as well right now and but cnn is

583
00:23:46,390 --> 00:23:44,320
not

584
00:23:48,549 --> 00:23:46,400
but this

585
00:23:50,950 --> 00:23:48,559
cnn is now projecting joe biden to win

586
00:23:52,789 --> 00:23:50,960
new york i just saw that come across my

587
00:23:54,230 --> 00:23:52,799
my phone well that's interesting but

588
00:23:56,070 --> 00:23:54,240

we're showing right now in new york

589

00:23:59,430 --> 00:23:56,080

already go on

590

00:24:01,669 --> 00:23:59,440

trump is at 96 electoral votes and biden

591

00:24:05,029 --> 00:24:01,679

is at 77. yeah and this might come down

592

00:24:06,630 --> 00:24:05,039

to trump or biden just winning those big

593

00:24:08,630 --> 00:24:06,640

democratic states with the most

594

00:24:09,830 --> 00:24:08,640

electoral votes like california new york

595

00:24:12,070 --> 00:24:09,840

and yeah

596

00:24:14,070 --> 00:24:12,080

yeah it's moving west

597

00:24:15,590 --> 00:24:14,080

according to this trump one florida

598

00:24:17,110 --> 00:24:15,600

that's interesting because that was one

599

00:24:19,510 --> 00:24:17,120

of the battlegrounds

600

00:24:21,590 --> 00:24:19,520

a bunch of old people in florida i think

601
00:24:23,750 --> 00:24:21,600
it's also projected wins because i'm

602
00:24:25,190 --> 00:24:23,760
looking at the nbc feed and the the

603
00:24:26,470 --> 00:24:25,200
numbers aren't right and i've been

604
00:24:28,310 --> 00:24:26,480
waiting for them to kind of tick over

605
00:24:31,029 --> 00:24:28,320
onto the like okay so this is projected

606
00:24:33,990 --> 00:24:31,039
probably up before the tv but

607
00:24:35,990 --> 00:24:34,000
it's not been doing that so i think oh

608
00:24:37,350 --> 00:24:36,000
and i didn't say it but fair use fair

609
00:24:41,590 --> 00:24:37,360
use for

610
00:24:42,950 --> 00:24:41,600
we're just discussing and critiquing and

611
00:24:45,750 --> 00:24:42,960
this is a transformative work we're

612
00:24:47,830 --> 00:24:45,760
covering election live coverage uh as it

613
00:24:50,070 --> 00:24:47,840

happens so we may be sharing websites or

614

00:24:53,190 --> 00:24:50,080

videos or whatever about tonight's

615

00:24:55,190 --> 00:24:53,200

events and that's uh fair use to do

616

00:24:57,590 --> 00:24:55,200

there you go i said my piece

617

00:24:59,510 --> 00:24:57,600

okay so is this an interactive map as

618

00:25:01,750 --> 00:24:59,520

each state reports and it's going to

619

00:25:02,630 --> 00:25:01,760

show in real time yeah i think when that

620

00:25:05,190 --> 00:25:02,640

yeah

621

00:25:07,350 --> 00:25:05,200

every two minutes okay good like the

622

00:25:09,029 --> 00:25:07,360

volcano reports and [h__\h] is this going

623

00:25:11,990 --> 00:25:09,039

to auto update or should i be refreshing

624

00:25:13,669 --> 00:25:12,000

spooky it will er update

625

00:25:16,310 --> 00:25:13,679

well when we can see the states and what

626

00:25:18,870 --> 00:25:16,320

they feel like whoa that's a good

627

00:25:20,149 --> 00:25:18,880

website

628

00:25:21,430 --> 00:25:20,159

yeah

629

00:25:24,950 --> 00:25:21,440

i don't see these pyramids i don't see

630

00:25:27,430 --> 00:25:24,960

chairman jeb on here spooky

631

00:25:29,590 --> 00:25:27,440

chairman

632

00:25:33,350 --> 00:25:29,600

it was a twitter it was a twitter joke

633

00:25:36,470 --> 00:25:34,710

i don't really understand i threw him

634

00:25:38,710 --> 00:25:36,480

and it was like partisan and i was like

635

00:25:42,230 --> 00:25:38,720

no why i put like effort into finding

636

00:25:47,350 --> 00:25:43,110

yeah

637

00:25:48,710 --> 00:25:47,360

don't want to upset anybody

638

00:25:52,230 --> 00:25:48,720

you know

639

00:25:53,830 --> 00:25:52,240

don't know what everybody else does but

640

00:25:56,070 --> 00:25:53,840

i watch both

641

00:25:57,750 --> 00:25:56,080

sides and then i figure that somewhere

642

00:25:59,190 --> 00:25:57,760

in the middle is the truth

643

00:26:01,430 --> 00:25:59,200

because i have yet to find a really

644

00:26:03,909 --> 00:26:01,440

nonpartisan news source not in this

645

00:26:06,070 --> 00:26:03,919

country everybody means everybody's got

646

00:26:07,269 --> 00:26:06,080

an opinion there's no walter cronkite

647

00:26:08,830 --> 00:26:07,279

anymore that's just going to read you

648

00:26:12,070 --> 00:26:08,840

the news and not

649

00:26:13,510 --> 00:26:12,080

get biased you know i was just giving i

650

00:26:14,870 --> 00:26:13,520

was just giving spooky a i was just i

651
00:26:16,390 --> 00:26:14,880
was just joking i was spooky because of

652
00:26:17,990 --> 00:26:16,400
that tweet that he posted earlier about

653
00:26:19,590 --> 00:26:18,000
the please clap

654
00:26:23,029 --> 00:26:19,600
tweet that show jeb bush that's what i

655
00:26:28,630 --> 00:26:26,950
oh jeb yeah please clap please yeah you

656
00:26:31,350 --> 00:26:28,640
know i thought it was really interesting

657
00:26:32,390 --> 00:26:31,360
how quickly that trump dispatched the

658
00:26:33,269 --> 00:26:32,400
whole

659
00:26:35,909 --> 00:26:33,279
bush

660
00:26:39,190 --> 00:26:35,919
political empire by just belittling him

661
00:26:41,510 --> 00:26:39,200
it wasn't exactly hard it was jeb

662
00:26:43,590 --> 00:26:41,520
yeah you're right it was like

663
00:26:45,110 --> 00:26:43,600

what was the other one not george not

664

00:26:46,789 --> 00:26:45,120

jab the other one

665

00:26:50,390 --> 00:26:46,799

oh yeah there was another brother

666

00:26:55,669 --> 00:26:53,510

bill

667

00:26:56,390 --> 00:26:55,679

harder time

668

00:26:57,909 --> 00:26:56,400

yeah

669

00:26:59,669 --> 00:26:57,919

that guy's a little faster on his feet

670

00:27:01,590 --> 00:26:59,679

and quicker thinking wasn't billy bush

671

00:27:03,510 --> 00:27:01,600

the guy in the infamous uh well it

672

00:27:07,190 --> 00:27:03,520

changed now we're at where trump is at

673

00:27:08,789 --> 00:27:07,200

102 and it in 77. wow what was updated

674

00:27:09,669 --> 00:27:08,799

it shows you if you scroll down to the

675

00:27:11,669 --> 00:27:09,679

first

676
00:27:13,669 --> 00:27:11,679
bar like

677
00:27:16,390 --> 00:27:13,679
the table it shows you when it updated

678
00:27:17,830 --> 00:27:16,400
and what it's like a game show this is

679
00:27:18,950 --> 00:27:17,840
like jeopardy

680
00:27:21,110 --> 00:27:18,960
or something

681
00:27:23,590 --> 00:27:21,120
they're showing all the red states first

682
00:27:26,149 --> 00:27:23,600
and of course trump's going to have

683
00:27:28,710 --> 00:27:26,159
a lead in the red states look at look

684
00:27:31,029 --> 00:27:28,720
look how this is going

685
00:27:32,549 --> 00:27:31,039
and it's moving to the west

686
00:27:34,549 --> 00:27:32,559
they're going to get into more blue

687
00:27:35,830 --> 00:27:34,559
states so you know

688
00:27:37,750 --> 00:27:35,840

we'll see

689

00:27:40,149 --> 00:27:37,760

yeah but i i think it's going to come

690

00:27:41,990 --> 00:27:40,159

down to some of those big big democratic

691

00:27:43,909 --> 00:27:42,000

states like california is probably in

692

00:27:45,830 --> 00:27:43,919

the bag for biden that's that's a lot of

693

00:27:48,549 --> 00:27:45,840

electoral votes to overcome i think that

694

00:27:49,830 --> 00:27:48,559

i think he's in the bag here

695

00:27:51,990 --> 00:27:49,840

who biden

696

00:27:53,350 --> 00:27:52,000

yeah we'll see well i'm in california i

697

00:27:55,029 --> 00:27:53,360

think he's in the bag here in california

698

00:27:57,190 --> 00:27:55,039

oh in california sure that's what i was

699

00:27:59,269 --> 00:27:57,200

saying in texas though is probably

700

00:28:02,710 --> 00:27:59,279

likely leaning

701
00:28:03,669 --> 00:28:02,720
to trump that's 38 so you know it's

702
00:28:05,590 --> 00:28:03,679
going to come down to some of these

703
00:28:07,510 --> 00:28:05,600
smaller states with this like look at

704
00:28:09,909 --> 00:28:07,520
iowa there it's got six

705
00:28:12,070 --> 00:28:09,919
nebraska's got five south dakota's got

706
00:28:15,269 --> 00:28:12,080
three north dakota's got three it might

707
00:28:17,269 --> 00:28:15,279
come down to these little tiny states

708
00:28:19,510 --> 00:28:17,279
well they're not tiny but the population

709
00:28:21,110 --> 00:28:19,520
is that's i think they said if i'm

710
00:28:22,789 --> 00:28:21,120
correct me anybody if they know if i'm

711
00:28:24,230 --> 00:28:22,799
wrong because i forget from it's been a

712
00:28:26,470 --> 00:28:24,240
long time since i've been in civics

713
00:28:28,630 --> 00:28:26,480

class but i think they set the number of

714

00:28:30,789 --> 00:28:28,640

electoral college votes by population

715

00:28:33,350 --> 00:28:30,799

for each state yeah

716

00:28:34,950 --> 00:28:33,360

there are currently 600 000 people

717

00:28:37,430 --> 00:28:34,960

watching jre

718

00:28:39,510 --> 00:28:37,440

wow that's yeah i was i listened earlier

719

00:28:40,870 --> 00:28:39,520

until our stream here started and it was

720

00:28:42,630 --> 00:28:40,880

pretty interesting yeah they've been

721

00:28:44,389 --> 00:28:42,640

talking about good stuff

722

00:28:46,310 --> 00:28:44,399

i really like i really like joe rogan

723

00:28:47,990 --> 00:28:46,320

he's one of the reasons i started

724

00:28:50,070 --> 00:28:48,000

my own show really

725

00:28:53,350 --> 00:28:50,080

excuse me i just wish that i could get

726

00:28:54,710 --> 00:28:53,360

his guest list you know

727

00:28:56,549 --> 00:28:54,720

you know

728

00:28:59,510 --> 00:28:56,559

he gets great i can be your resident

729

00:29:00,710 --> 00:28:59,520

alex jones yeah that's good but no you

730

00:29:02,310 --> 00:29:00,720

got to be david ike because you're

731

00:29:03,990 --> 00:29:02,320

english you know

732

00:29:05,590 --> 00:29:04,000

david i just got the body twitter did

733

00:29:07,269 --> 00:29:05,600

you see that

734

00:29:09,110 --> 00:29:07,279

on twitter

735

00:29:10,710 --> 00:29:09,120

yeah i just had just happened i just saw

736

00:29:11,909 --> 00:29:10,720

it like right before i got onto the live

737

00:29:13,990 --> 00:29:11,919

stream

738

00:29:17,269 --> 00:29:14,000

there's michael uh we've got another

739

00:29:19,750 --> 00:29:17,279

we've got another uh participant here

740

00:29:22,549 --> 00:29:19,760

there we go there's michael

741

00:29:24,549 --> 00:29:22,559

hello wait there he goes oh that's

742

00:29:26,070 --> 00:29:24,559

another way i'm just like patiently and

743

00:29:27,830 --> 00:29:26,080

michael you're in california as well

744

00:29:30,070 --> 00:29:27,840

right yes sir

745

00:29:31,990 --> 00:29:30,080

and uh would you say i was correct in my

746

00:29:34,789 --> 00:29:32,000

assumption that biden's going to take

747

00:29:36,950 --> 00:29:34,799

california oh yeah i don't know i can't

748

00:29:38,789 --> 00:29:36,960

remember the last time um i don't think

749

00:29:40,549 --> 00:29:38,799

has it ever happened i don't know that

750

00:29:42,070 --> 00:29:40,559

the republicans ever won california

751

00:29:44,549 --> 00:29:42,080

maybe we know we had reagan as our

752

00:29:46,549 --> 00:29:44,559

governor for a bit back in the day oh we

753

00:29:48,710 --> 00:29:46,559

although we had the actor as the

754

00:29:51,750 --> 00:29:48,720

governor and then the actor

755

00:29:54,230 --> 00:29:51,760

went to the white house i cannot believe

756

00:29:56,230 --> 00:29:54,240

uh that we collectively lost our minds

757

00:29:58,470 --> 00:29:56,240

and put an actor in the white house i

758

00:30:00,630 --> 00:29:58,480

don't know i grew up i grew up i i was

759

00:30:02,870 --> 00:30:00,640

little and he came to my grade school

760

00:30:04,870 --> 00:30:02,880

and i liked him as a little kid you know

761

00:30:06,950 --> 00:30:04,880

because i was like ronnie ray gunn you

762

00:30:09,430 --> 00:30:06,960

know yeah

763

00:30:11,990 --> 00:30:09,440

and i did later in life i got to look

764

00:30:14,149 --> 00:30:12,000

into him and uh some of his history and

765

00:30:16,870 --> 00:30:14,159

i really respected him for standing up

766

00:30:19,029 --> 00:30:16,880

and saying tear down that wall like his

767

00:30:20,710 --> 00:30:19,039

advisors there was national security

768

00:30:23,190 --> 00:30:20,720

advisers that told reagan like are you

769

00:30:25,510 --> 00:30:23,200

crazy you can't stand up in public and

770

00:30:27,909 --> 00:30:25,520

say that to gorbachev and he said i'm

771

00:30:29,909 --> 00:30:27,919

doing it and he did and i think that

772

00:30:31,430 --> 00:30:29,919

brought down the berlin wall that was a

773

00:30:34,710 --> 00:30:31,440

ballsy move

774

00:30:37,830 --> 00:30:34,720

oh well and reagan was so damn charming

775

00:30:38,789 --> 00:30:37,840

you know he was a charming handsome man

776

00:30:41,269 --> 00:30:38,799

uh

777

00:30:44,070 --> 00:30:41,279

with this precious little wife who was

778

00:30:45,510 --> 00:30:44,080

who absolutely adored him you know they

779

00:30:46,950 --> 00:30:45,520

were like uh

780

00:30:48,389 --> 00:30:46,960

i don't mean i didn't mean to interrupt

781

00:30:51,669 --> 00:30:48,399

you i'm sorry that it looks like this

782

00:30:55,029 --> 00:30:51,679

has changed again and we're up to 112

783

00:30:56,710 --> 00:30:55,039

for trump and 106 for biden so

784

00:30:59,590 --> 00:30:56,720

oh [h__h]

785

00:31:00,950 --> 00:30:59,600

ap is reporting that wyoming has voted

786

00:31:02,549 --> 00:31:00,960

trump

787

00:31:05,029 --> 00:31:02,559

so wyoming

788

00:31:08,630 --> 00:31:05,039

where's wyoming i don't even know

789

00:31:11,350 --> 00:31:08,640

wyoming is that one there the the right

790

00:31:12,950 --> 00:31:11,360

most left-hand one the block

791

00:31:16,310 --> 00:31:12,960

in in the map that you're looking at

792

00:31:18,630 --> 00:31:16,320

yeah i'm looking i see washington oregon

793

00:31:20,310 --> 00:31:18,640

the most left-hand red one in the middle

794

00:31:22,470 --> 00:31:20,320

oh there we go okay so that was three

795

00:31:24,310 --> 00:31:22,480

electoral votes so wyoming went trump

796

00:31:26,149 --> 00:31:24,320

okay good

797

00:31:28,389 --> 00:31:26,159

yeah i don't i might have driven through

798

00:31:33,430 --> 00:31:28,399

wyoming but i've never stopped there i

799

00:31:37,830 --> 00:31:36,310

wait oh i'm back sorry driving cross

800

00:31:40,230 --> 00:31:37,840

country and it's interesting to me that

801
00:31:42,230 --> 00:31:40,240
pa is still in play it's not called yet

802
00:31:44,470 --> 00:31:42,240
because that's a big deal

803
00:31:46,070 --> 00:31:44,480
pa is going to be a big state this time

804
00:31:47,190 --> 00:31:46,080
i mean it was big i think it was bigger

805
00:31:49,430 --> 00:31:47,200
than the last election but i think

806
00:31:51,750 --> 00:31:49,440
pennsylvania is going to be one of those

807
00:31:53,990 --> 00:31:51,760
like states that whoever ends up winning

808
00:31:55,669 --> 00:31:54,000
that state is going to end up winning

809
00:31:58,070 --> 00:31:55,679
the presidency

810
00:31:59,509 --> 00:31:58,080
yeah and you're in ohio right dan and

811
00:32:01,269 --> 00:31:59,519
didn't

812
00:32:02,870 --> 00:32:01,279
ohio has traditionally kind of always

813
00:32:04,470 --> 00:32:02,880

been i guess a back and forth swing

814

00:32:07,430 --> 00:32:04,480

state but it's always like the same

815

00:32:10,470 --> 00:32:07,440

handful of states it's always like ohio

816

00:32:12,389 --> 00:32:10,480

florida you know wisconsin or michigan

817

00:32:13,350 --> 00:32:12,399

gets thrown in there like colorado's

818

00:32:14,630 --> 00:32:13,360

been thrown in there so i mean there's

819

00:32:16,310 --> 00:32:14,640

always like a i mean that's basically

820

00:32:17,590 --> 00:32:16,320

what every presidential election is

821

00:32:19,430 --> 00:32:17,600

because like you could sit here and look

822

00:32:21,350 --> 00:32:19,440

at this map and i and i bet we could

823

00:32:23,509 --> 00:32:21,360

almost for the most part call

824

00:32:25,669 --> 00:32:23,519

probably 40 of these 50 states like

825

00:32:27,990 --> 00:32:25,679

who's gonna win that state but it always

826

00:32:29,669 --> 00:32:28,000

comes down to like this handful of

827

00:32:31,350 --> 00:32:29,679

states that decides

828

00:32:33,269 --> 00:32:31,360

like georgia like georgia is

829

00:32:35,430 --> 00:32:33,279

traditionally a red state but i guess

830

00:32:37,590 --> 00:32:35,440

biden was really working

831

00:32:39,590 --> 00:32:37,600

georgia this election cycle and they

832

00:32:43,669 --> 00:32:39,600

actually said that georgia may be in

833

00:32:45,909 --> 00:32:43,679

play for the democrats this year so

834

00:32:48,470 --> 00:32:45,919

what uh lindsey graham was up to

835

00:32:50,870 --> 00:32:48,480

during this whole four years and and and

836

00:32:52,870 --> 00:32:50,880

his uh you know use my words against me

837

00:32:53,830 --> 00:32:52,880

deal so i think george has had enough of

838

00:32:55,350 --> 00:32:53,840

uh

839

00:32:56,789 --> 00:32:55,360

that whole deal

840

00:32:57,990 --> 00:32:56,799

we'll see what happens it's still up in

841

00:32:59,830 --> 00:32:58,000

the air

842

00:33:02,230 --> 00:32:59,840

yeah and i think it's interesting too

843

00:33:04,789 --> 00:33:02,240

was uh ohio i thought i saw dan that

844

00:33:06,870 --> 00:33:04,799

that biden was like 10 or 12 points up

845

00:33:08,950 --> 00:33:06,880

and expected to win ohio which i was

846

00:33:11,430 --> 00:33:08,960

surprised by i didn't think that

847

00:33:13,269 --> 00:33:11,440

i think i saw i saw two or three polls

848

00:33:15,029 --> 00:33:13,279

like over the weekend that show i think

849

00:33:17,269 --> 00:33:15,039

two of them showed biden up by like

850

00:33:19,509 --> 00:33:17,279

eight eight to ten points and then there

851
00:33:22,470 --> 00:33:19,519
was another one that he was up by like

852
00:33:24,389 --> 00:33:22,480
four or five so but i mean again you

853
00:33:26,549 --> 00:33:24,399
know i'm just just basing it off of

854
00:33:28,789 --> 00:33:26,559
where i live which is i mean no in no

855
00:33:30,950 --> 00:33:28,799
way like you know necessarily uh

856
00:33:33,350 --> 00:33:30,960
reflects like the entire state but like

857
00:33:35,190 --> 00:33:33,360
just in the two or three miles of my

858
00:33:36,870 --> 00:33:35,200
neighborhood and town and stuff where i

859
00:33:39,350 --> 00:33:36,880
drive all the time it's probably for

860
00:33:41,669 --> 00:33:39,360
every one biden sign i bet i see 10 or

861
00:33:45,750 --> 00:33:41,679
15 trump signs i mean this is definitely

862
00:33:48,549 --> 00:33:45,760
a a big you know trump area

863
00:33:51,830 --> 00:33:48,559

yeah my i have family all of my first

864

00:33:55,269 --> 00:33:51,840

cousins are there in little towns in

865

00:33:59,509 --> 00:33:55,279

ohio and they you know close off all of

866

00:34:01,750 --> 00:33:59,519

their facebook posts with go trump

867

00:34:04,470 --> 00:34:01,760

can i ask uh i wanted to ask i wanted to

868

00:34:07,029 --> 00:34:04,480

ask spooky because you're in england you

869

00:34:09,270 --> 00:34:07,039

know and uh what is the

870

00:34:11,589 --> 00:34:09,280

okay well what is the person what is the

871

00:34:13,030 --> 00:34:11,599

perception of trump like what do people

872

00:34:14,710 --> 00:34:13,040

think of trump in england and what do

873

00:34:17,109 --> 00:34:14,720

people think of joe biden because i have

874

00:34:18,869 --> 00:34:17,119

no idea what they think

875

00:34:21,430 --> 00:34:18,879

from everybody that i've spoken to they

876
00:34:24,310 --> 00:34:21,440
see joe biden as just

877
00:34:27,030 --> 00:34:24,320
the bumbling old man politician

878
00:34:30,629 --> 00:34:27,040
establishment hack

879
00:34:32,230 --> 00:34:30,639
and trump is more like

880
00:34:33,990 --> 00:34:32,240
at the beginning everyone thought he was

881
00:34:36,230 --> 00:34:34,000
gonna fail and then he didn't fail and

882
00:34:38,629 --> 00:34:36,240
then there was the media blitz for years

883
00:34:40,310 --> 00:34:38,639
and years and years about russia and

884
00:34:42,550 --> 00:34:40,320
they tried to push that here but most of

885
00:34:45,270 --> 00:34:42,560
the people at least that i know have

886
00:34:47,510 --> 00:34:45,280
told me that they don't believe it and

887
00:34:49,750 --> 00:34:47,520
that it's so like there's a general

888
00:34:51,589 --> 00:34:49,760

consensus here in the uk that the media

889

00:34:52,869 --> 00:34:51,599

is corrupt and in the pocket of the

890

00:34:54,389 --> 00:34:52,879

establishment

891

00:34:56,550 --> 00:34:54,399

so there's a healthy distrust of

892

00:34:59,109 --> 00:34:56,560

everything that we hear okay and the

893

00:35:02,150 --> 00:34:59,119

electoral this just updated again and it

894

00:35:04,470 --> 00:35:02,160

went from 106 biden 112 trump to 106

895

00:35:05,910 --> 00:35:04,480

biden 120 trump

896

00:35:08,550 --> 00:35:05,920

so uh

897

00:35:14,230 --> 00:35:08,560

i also have news about uh senate race uh

898

00:35:18,870 --> 00:35:17,349

the emperor himself it's amazing to me

899

00:35:21,670 --> 00:35:18,880

that a guy that

900

00:35:23,910 --> 00:35:21,680

[h__\h] establishment so corrupt can

901
00:35:26,390 --> 00:35:23,920
keep in office

902
00:35:27,990 --> 00:35:26,400
but you know what i i know somebody i i

903
00:35:30,550 --> 00:35:28,000
know a few people in politics from

904
00:35:32,150 --> 00:35:30,560
philadelphia and they told me that

905
00:35:33,670 --> 00:35:32,160
he was going to win and i said you're

906
00:35:35,190 --> 00:35:33,680
you're kidding me so corrupt and that

907
00:35:36,630 --> 00:35:35,200
he's got a great challenger and it's

908
00:35:38,950 --> 00:35:36,640
pretty close and they're like no they

909
00:35:41,349 --> 00:35:38,960
get their roots in you've been a senator

910
00:35:43,190 --> 00:35:41,359
for 50 years you know whatever how many

911
00:35:45,510 --> 00:35:43,200
years that dude's been a senator and

912
00:35:46,870 --> 00:35:45,520
everybody in the state owes you a favor

913
00:35:48,790 --> 00:35:46,880

and you make sure when it's election

914

00:35:51,030 --> 00:35:48,800

time you call them in and you get your

915

00:35:53,109 --> 00:35:51,040

you know you get your hooks deep into

916

00:35:54,790 --> 00:35:53,119

everything in the machinery of that

917

00:35:57,030 --> 00:35:54,800

state and it's

918

00:35:58,550 --> 00:35:57,040

nearly impossible to get rid of some of

919

00:36:00,630 --> 00:35:58,560

these senators look at some of them

920

00:36:03,910 --> 00:36:00,640

they've been like pelosi's been in

921

00:36:06,710 --> 00:36:03,920

office 30 40 years right like

922

00:36:08,550 --> 00:36:06,720

schumer like a lot of them a lot

923

00:36:10,790 --> 00:36:08,560

on both sides i think there should be

924

00:36:12,870 --> 00:36:10,800

term limits this is ridiculous because

925

00:36:15,670 --> 00:36:12,880

they spend years and years and years

926

00:36:17,910 --> 00:36:15,680

establishing their power base in the

927

00:36:20,870 --> 00:36:17,920

background years and years yeah and our

928

00:36:22,630 --> 00:36:20,880

forefathers our forefathers i

929

00:36:24,630 --> 00:36:22,640

i know this much i remember this much

930

00:36:26,550 --> 00:36:24,640

from history in civics class they never

931

00:36:28,630 --> 00:36:26,560

meant for people to be a senator as a

932

00:36:30,630 --> 00:36:28,640

full-time job you were supposed to you

933

00:36:33,270 --> 00:36:30,640

know you had your farm or your printing

934

00:36:34,950 --> 00:36:33,280

press or whatever business you smelter

935

00:36:37,750 --> 00:36:34,960

fisherman you know whatever your

936

00:36:39,990 --> 00:36:37,760

business was you volunteered you went to

937

00:36:42,069 --> 00:36:40,000

washington for two years or whatever and

938

00:36:43,670 --> 00:36:42,079

represented the people going back and

939

00:36:45,829 --> 00:36:43,680

forth between your home state and

940

00:36:48,230 --> 00:36:45,839

washington dc and then when your term

941

00:36:50,710 --> 00:36:48,240

was over you went back to your normal

942

00:36:53,109 --> 00:36:50,720

life you didn't stay there forever yeah

943

00:36:55,510 --> 00:36:53,119

it was like a suppose like junior

944

00:36:57,430 --> 00:36:55,520

chamber of commerce commerce members

945

00:36:59,910 --> 00:36:57,440

they're not paid but they come in with

946

00:37:01,910 --> 00:36:59,920

input and suggestions and

947

00:37:04,550 --> 00:37:01,920

uh that kind of stuff

948

00:37:06,150 --> 00:37:04,560

boy they got it all wrong now huh yeah i

949

00:37:08,150 --> 00:37:06,160

can't believe that he won and the other

950

00:37:10,550 --> 00:37:08,160

one that i was watching was that maxine

951
00:37:12,390 --> 00:37:10,560
waters one where that black guy was like

952
00:37:15,190 --> 00:37:12,400
walking around in her and showing her

953
00:37:17,109 --> 00:37:15,200
mansion and then he showed his name

954
00:37:19,670 --> 00:37:17,119
escapes me but he's worth watching

955
00:37:20,390 --> 00:37:19,680
because he had balls he like went into

956
00:37:22,790 --> 00:37:20,400
the

957
00:37:25,349 --> 00:37:22,800
hood and showed maxine waters district

958
00:37:27,589 --> 00:37:25,359
and what a war zone it was and then he

959
00:37:29,750 --> 00:37:27,599
walked and then he showed her mansion

960
00:37:31,670 --> 00:37:29,760
that she lived in

961
00:37:33,910 --> 00:37:31,680
and said like what has she done for us

962
00:37:36,390 --> 00:37:33,920
in decades in four decades doesn't that

963
00:37:37,190 --> 00:37:36,400

make your stomach just clutch

964

00:37:39,190 --> 00:37:37,200

um

965

00:37:41,910 --> 00:37:39,200

you know the the

966

00:37:43,750 --> 00:37:41,920

the opulence and the power and that's

967

00:37:46,310 --> 00:37:43,760

like the ruling class we really still

968

00:37:47,030 --> 00:37:46,320

have a ruling class of course we do and

969

00:37:52,870 --> 00:37:47,040

they're

970

00:37:55,349 --> 00:37:52,880

they are very distinct here

971

00:37:57,030 --> 00:37:55,359

but ultimately i'm sorry go ahead rob no

972

00:37:59,030 --> 00:37:57,040

i'm sorry honey go ahead no great i'm

973

00:38:00,470 --> 00:37:59,040

just going to say i think ultimately if

974

00:38:02,390 --> 00:38:00,480

there really is a if there really is

975

00:38:03,829 --> 00:38:02,400

such a thing as a deep state that's

976

00:38:05,750 --> 00:38:03,839

really what it is it's like these

977

00:38:07,750 --> 00:38:05,760

entrenched politicians

978

00:38:10,470 --> 00:38:07,760

you know congress people senators who

979

00:38:12,310 --> 00:38:10,480

have been up there you know for 20 30 40

980

00:38:14,310 --> 00:38:12,320

years they're the ones who make the laws

981

00:38:16,069 --> 00:38:14,320

the president the president is only

982

00:38:19,589 --> 00:38:16,079

there for you know four to eight years

983

00:38:20,470 --> 00:38:19,599

these people have been there for decades

984

00:38:26,230 --> 00:38:20,480

yeah

985

00:38:27,990 --> 00:38:26,240

and it's a bunch of [h__h] rich guys

986

00:38:29,829 --> 00:38:28,000

with all white guys that's what i always

987

00:38:31,030 --> 00:38:29,839

have also really friends too like i

988

00:38:32,950 --> 00:38:31,040

think as much as they don't want to

989

00:38:35,109 --> 00:38:32,960

admit it in public mitch mcconnell and

990

00:38:37,270 --> 00:38:35,119

nancy pelosi and chuck schumer they all

991

00:38:39,270 --> 00:38:37,280

need each other because they all that's

992

00:38:40,069 --> 00:38:39,280

how they push the narrative like you

993

00:38:41,990 --> 00:38:40,079

know the

994

00:38:44,230 --> 00:38:42,000

the left and the right you know like

995

00:38:45,109 --> 00:38:44,240

they basically use those people as like

996

00:38:46,390 --> 00:38:45,119

their

997

00:38:48,470 --> 00:38:46,400

you know whatever you want to call like

998

00:38:50,950 --> 00:38:48,480

the punching bags like the wright always

999

00:38:53,109 --> 00:38:50,960

loves bashing on nancy pelosi the the

1000

00:38:55,589 --> 00:38:53,119

left always loves bashing on people like

1001
00:38:57,270 --> 00:38:55,599
mitch mcconnell or who else has been up

1002
00:38:59,349 --> 00:38:57,280
there forever i think like lindsey

1003
00:39:01,430 --> 00:38:59,359
graham um some of these some of these

1004
00:39:03,430 --> 00:39:01,440
other senators um it's just like that

1005
00:39:05,030 --> 00:39:03,440
just that's how it goes that's the real

1006
00:39:07,030 --> 00:39:05,040
power structure i mean along with all

1007
00:39:09,109 --> 00:39:07,040
the people in the government who've been

1008
00:39:10,630 --> 00:39:09,119
up there for you know 30 or 40 years who

1009
00:39:12,950 --> 00:39:10,640
are like lifers these people have never

1010
00:39:14,790 --> 00:39:12,960
had a real job in their entire [h__\h]

1011
00:39:15,750 --> 00:39:14,800
life they've lived off the taxpayer's

1012
00:39:17,510 --> 00:39:15,760
dime

1013
00:39:19,190 --> 00:39:17,520

look at you joe biden is a perfect

1014

00:39:22,069 --> 00:39:19,200

person and they will for them

1015

00:39:23,589 --> 00:39:22,079

47 years 47 years is a long time to be

1016

00:39:25,270 --> 00:39:23,599

in government and they will be taken

1017

00:39:27,190 --> 00:39:25,280

care of by the government's teeth for

1018

00:39:29,030 --> 00:39:27,200

the rest of their lives as well

1019

00:39:30,230 --> 00:39:29,040

i mean they i think stephen i think you

1020

00:39:32,630 --> 00:39:30,240

talked about this one night when we were

1021

00:39:35,030 --> 00:39:32,640

talking like they if you go if you go

1022

00:39:37,750 --> 00:39:35,040

serve like one term in in the senate or

1023

00:39:40,230 --> 00:39:37,760

like for the congress in congress like

1024

00:39:41,510 --> 00:39:40,240

you get health benefits for life some of

1025

00:39:43,510 --> 00:39:41,520

these people get salaries i think they

1026

00:39:45,430 --> 00:39:43,520

get like a salary for life possibly

1027

00:39:47,270 --> 00:39:45,440

someone gets secret service type

1028

00:39:49,190 --> 00:39:47,280

protection like for their family i mean

1029

00:39:51,349 --> 00:39:49,200

this is crazy this is like [h__\h] that

1030

00:39:54,069 --> 00:39:51,359

like me and you with normal people like

1031

00:39:55,910 --> 00:39:54,079

us would never like ask for this [h__\h]

1032

00:39:57,750 --> 00:39:55,920

and we would never get this [h__\h] but

1033

00:39:59,510 --> 00:39:57,760

when you go up there it's like you

1034

00:40:01,510 --> 00:39:59,520

[h__\h] get you know i don't know if you

1035

00:40:03,109 --> 00:40:01,520

get the salary you get the salary for

1036

00:40:04,870 --> 00:40:03,119

life you get the salary for life you

1037

00:40:09,109 --> 00:40:04,880

could be a one-term senator whatever the

1038

00:40:12,230 --> 00:40:09,119

salary is if it's 220 k or whatever

1039

00:40:14,150 --> 00:40:12,240

yeah yeah if you lose your if you lose

1040

00:40:16,069 --> 00:40:14,160

the first re-election

1041

00:40:17,750 --> 00:40:16,079

and then uh you still get to keep the

1042

00:40:19,829 --> 00:40:17,760

money though you get that salary for the

1043

00:40:21,750 --> 00:40:19,839

rest of your life that's crazy

1044

00:40:23,750 --> 00:40:21,760

that's like me or you that's like me or

1045

00:40:25,750 --> 00:40:23,760

you getting some corporate job for forty

1046

00:40:27,190 --> 00:40:25,760

thousand dollars for two years quitting

1047

00:40:29,190 --> 00:40:27,200

and then keeping the forty thousand

1048

00:40:30,870 --> 00:40:29,200

dollars for the rest of our lives that's

1049

00:40:32,550 --> 00:40:30,880

crazy they only work like they work like

1050

00:40:34,230 --> 00:40:32,560

six months out of the year too so like

1051

00:40:35,670 --> 00:40:34,240

you're getting are we gonna bring i

1052

00:40:38,230 --> 00:40:35,680

think congress the house of

1053

00:40:40,790 --> 00:40:38,240

representatives member makes like 200k a

1054

00:40:42,870 --> 00:40:40,800

year i think senators make like 400k

1055

00:40:45,109 --> 00:40:42,880

you're not because they'd be like

1056

00:40:46,390 --> 00:40:45,119

that's colorado

1057

00:40:48,630 --> 00:40:46,400

oh of course

1058

00:40:50,870 --> 00:40:48,640

yeah colorado went to biden that's nine

1059

00:40:53,030 --> 00:40:50,880

electoral votes

1060

00:40:55,750 --> 00:40:53,040

yeah but you know again i think this is

1061

00:40:57,990 --> 00:40:55,760

one wins as well projected wins yeah and

1062

00:41:00,230 --> 00:40:58,000

i just looked at fox and fox has got

1063

00:41:03,589 --> 00:41:00,240

trump way under biden right now actually

1064

00:41:04,829 --> 00:41:03,599

so everybody's projecting differently

1065

00:41:06,069 --> 00:41:04,839

i haven't looked at

1066

00:41:08,150 --> 00:41:06,079

cnn so

1067

00:41:10,309 --> 00:41:08,160

joe rogan earlier was saying about how

1068

00:41:12,150 --> 00:41:10,319

uh a lot of states the early vote will

1069

00:41:13,270 --> 00:41:12,160

be democrat but the later vote will be

1070

00:41:14,950 --> 00:41:13,280

republican

1071

00:41:16,790 --> 00:41:14,960

i think that's true

1072

00:41:21,030 --> 00:41:16,800

yeah

1073

00:41:22,870 --> 00:41:21,040

that's why i imagine being being true

1074

00:41:26,550 --> 00:41:22,880

yeah the early voting favors the

1075

00:41:30,069 --> 00:41:27,670

you know what

1076

00:41:32,390 --> 00:41:30,079

you don't even really need to

1077

00:41:34,710 --> 00:41:32,400

regarding the conversation you guys just

1078

00:41:37,270 --> 00:41:34,720

had about you know the money

1079

00:41:40,390 --> 00:41:37,280

and stuff even if you are just

1080

00:41:43,510 --> 00:41:40,400

remotely related to national politics

1081

00:41:44,870 --> 00:41:43,520

even remotely uh you spend the rest of

1082

00:41:47,670 --> 00:41:44,880

your life

1083

00:41:48,950 --> 00:41:47,680

uh pretty comfortable you know look at

1084

00:41:54,950 --> 00:41:48,960

the

1085

00:41:58,309 --> 00:41:54,960

she damn she's doing really well and any

1086

00:42:01,430 --> 00:41:58,319

other uh man or woman

1087

00:42:02,710 --> 00:42:01,440

connected even on the outskirts you know

1088

00:42:04,950 --> 00:42:02,720

they wind up

1089

00:42:06,710 --> 00:42:04,960

pretty sick

1090

00:42:09,910 --> 00:42:06,720

yeah because you can work for lobbyists

1091

00:42:13,670 --> 00:42:09,920

too you know the lobbyists at all that

1092

00:42:17,829 --> 00:42:13,680

you know boy there's a lot of money and

1093

00:42:19,589 --> 00:42:17,839

look at how many of us are poor you know

1094

00:42:21,430 --> 00:42:19,599

that's working poor

1095

00:42:23,829 --> 00:42:21,440

that's because we're the peasants robin

1096

00:42:26,790 --> 00:42:23,839

we're the people we are the we are the

1097

00:42:29,190 --> 00:42:26,800

peasants we're the

1098

00:42:32,309 --> 00:42:29,200

gosh the lowest of the low you know the

1099

00:42:35,510 --> 00:42:32,319

cast system um where the what the

1100

00:42:37,109 --> 00:42:35,520

unwashed the untouchables the oh oh look

1101
00:42:38,069 --> 00:42:37,119
at those that screen

1102
00:42:40,630 --> 00:42:38,079
okay

1103
00:42:49,349 --> 00:42:40,640
i think we gotta carry again then

1104
00:42:52,550 --> 00:42:50,870
i'd like to ask you what do you think

1105
00:42:54,470 --> 00:42:52,560
about the price of fish in the alaskan

1106
00:42:56,230 --> 00:42:54,480
streets

1107
00:42:58,150 --> 00:42:56,240
who are you asking

1108
00:43:00,230 --> 00:42:58,160
both of you

1109
00:43:01,240 --> 00:43:00,240
i think the [h__\h] rep

1110
00:43:05,349 --> 00:43:01,250
reptilian

1111
00:43:07,670 --> 00:43:05,359
[Laughter]

1112
00:43:09,589 --> 00:43:07,680
i'm sorry about that

1113
00:43:11,430 --> 00:43:09,599

alex jones speaking of alex jones he was

1114

00:43:12,870 --> 00:43:11,440

on rogan the other day and i i feel like

1115

00:43:16,790 --> 00:43:12,880

they actually rogan did a pretty good

1116

00:43:19,829 --> 00:43:16,800

job of handling him the other day and

1117

00:43:22,950 --> 00:43:19,839

you know on track i think

1118

00:43:24,710 --> 00:43:22,960

yeah they fact checked him live

1119

00:43:25,910 --> 00:43:24,720

like everything that he was saying i

1120

00:43:28,230 --> 00:43:25,920

think that might have something to do

1121

00:43:30,390 --> 00:43:28,240

with spotify and hell spotify employees

1122

00:43:32,790 --> 00:43:30,400

were threatening to walk out if he had

1123

00:43:34,069 --> 00:43:32,800

alex jones on or something so

1124

00:43:35,750 --> 00:43:34,079

maybe there was something

1125

00:43:37,510 --> 00:43:35,760

he had had alex jones on like two or

1126
00:43:38,710 --> 00:43:37,520
three times in the past so like what do

1127
00:43:40,390 --> 00:43:38,720
they think that he was probably never

1128
00:43:41,829 --> 00:43:40,400
going to have him on again or something

1129
00:43:43,430 --> 00:43:41,839
yeah i don't know but i think that there

1130
00:43:45,589 --> 00:43:43,440
might have been some accommodation

1131
00:43:47,349 --> 00:43:45,599
reached there where they would uh they

1132
00:43:49,990 --> 00:43:47,359
would live fact check him or something

1133
00:43:56,069 --> 00:43:53,030
so oh i lost my uh screen share i'll go

1134
00:43:58,309 --> 00:43:56,079
back to that and i i somehow i knock

1135
00:44:00,950 --> 00:43:58,319
myself out of my own stream

1136
00:44:02,870 --> 00:44:00,960
it's okay i mean wow i i say me and down

1137
00:44:05,349 --> 00:44:02,880
it was more me

1138
00:44:07,109 --> 00:44:05,359

i did nothing

1139

00:44:10,309 --> 00:44:07,119

okay so while you're doing that i want

1140

00:44:13,670 --> 00:44:10,319

to comment on michael's uh where he is i

1141

00:44:15,109 --> 00:44:13,680

love that wall behind you dear thank you

1142

00:44:16,710 --> 00:44:15,119

thank you very much

1143

00:44:18,390 --> 00:44:16,720

you're welcome i like looking at it but

1144

00:44:20,069 --> 00:44:18,400

you're really tiny now and i can't see

1145

00:44:22,790 --> 00:44:20,079

it so next time you're big i'll i'll

1146

00:44:23,910 --> 00:44:22,800

look at your wall again

1147

00:44:25,990 --> 00:44:23,920

michael how did your how did your

1148

00:44:27,670 --> 00:44:26,000

halloween stream go the other day

1149

00:44:30,470 --> 00:44:27,680

it was okay it was a lot of fun we had a

1150

00:44:32,470 --> 00:44:30,480

couple of people show up and um you know

1151
00:44:34,230 --> 00:44:32,480
i mean for us anyway we just had nothing

1152
00:44:36,470 --> 00:44:34,240
to do anyway that day so

1153
00:44:38,150 --> 00:44:36,480
well i showed up in and out i was busy

1154
00:44:40,390 --> 00:44:38,160
watching a few other things but i jumped

1155
00:44:42,630 --> 00:44:40,400
down and jumped back out so

1156
00:44:44,470 --> 00:44:42,640
yeah i pulled myself online so it's all

1157
00:44:46,710 --> 00:44:44,480
good

1158
00:44:48,150 --> 00:44:46,720
that's the story of my life

1159
00:44:49,829 --> 00:44:48,160
i'm sorry they're doing so they're

1160
00:44:51,670 --> 00:44:49,839
showing florida for trump i'm sorry i

1161
00:44:54,069 --> 00:44:51,680
didn't see that on there before

1162
00:44:56,470 --> 00:44:54,079
yeah and now it's tightening i guess

1163
00:44:57,990 --> 00:44:56,480

because now we're showing up is calling

1164

00:45:00,550 --> 00:44:58,000

the house representatives for the

1165

00:45:02,710 --> 00:45:00,560

democrats and they picked up five seats

1166

00:45:04,309 --> 00:45:02,720

wow wow

1167

00:45:05,829 --> 00:45:04,319

and but they already had the house of

1168

00:45:07,349 --> 00:45:05,839

representatives though didn't they they

1169

00:45:09,910 --> 00:45:07,359

have the majority in the house not the

1170

00:45:11,829 --> 00:45:09,920

senate so the senate is the one to watch

1171

00:45:13,589 --> 00:45:11,839

but it would have been helpful uh if

1172

00:45:14,710 --> 00:45:13,599

trump wins if he would have flipped the

1173

00:45:15,829 --> 00:45:14,720

house

1174

00:45:18,069 --> 00:45:15,839

you know

1175

00:45:20,470 --> 00:45:18,079

uh and but it's right now we're showing

1176

00:45:22,950 --> 00:45:20,480

115 and 120 trump and i don't know about

1177

00:45:24,230 --> 00:45:22,960

anybody else but huh i'm feeling anxious

1178

00:45:25,430 --> 00:45:24,240

and i just want to get this over with

1179

00:45:27,750 --> 00:45:25,440

and figure out who won and what's going

1180

00:45:28,950 --> 00:45:27,760

to happen next

1181

00:45:30,230 --> 00:45:28,960

we're not even going to know tonight we

1182

00:45:32,870 --> 00:45:30,240

might not even know tonight because of

1183

00:45:34,150 --> 00:45:32,880

all this [h__\h] changing

1184

00:45:35,670 --> 00:45:34,160

we're not gonna know because your

1185

00:45:38,069 --> 00:45:35,680

state's gonna be counting votes for

1186

00:45:40,630 --> 00:45:38,079

[h__\h] nine days over there oh i think

1187

00:45:42,710 --> 00:45:40,640

this is by design this is like a soap

1188

00:45:44,630 --> 00:45:42,720

opera you know keep everybody on edge

1189

00:45:47,349 --> 00:45:44,640

you know look at all those above uh

1190

00:45:49,030 --> 00:45:47,359

you know i think this is just it's

1191

00:45:51,990 --> 00:45:49,040

almost like this is

1192

00:45:54,069 --> 00:45:52,000

a ballet it's not a question

1193

00:45:55,109 --> 00:45:54,079

look at all the that reaction question

1194

00:45:57,190 --> 00:45:55,119

for you guys do you believe that the

1195

00:46:13,109 --> 00:45:57,200

military should be able to uh

1196

00:46:17,349 --> 00:46:15,430

say yes do you support military using

1197

00:46:19,430 --> 00:46:17,359

the meals well i think uh they already

1198

00:46:20,630 --> 00:46:19,440

do it anyway right right yeah yeah i

1199

00:46:21,910 --> 00:46:20,640

mean i think that's important yeah they

1200

00:46:23,349 --> 00:46:21,920

should be able to vote they should be

1201

00:46:28,230 --> 00:46:23,359

able to vote and if they're stuck in

1202

00:46:32,630 --> 00:46:30,069

as long as it's marked on the date of

1203

00:46:34,630 --> 00:46:32,640

before the election

1204

00:46:36,390 --> 00:46:34,640

should should count right even though

1205

00:46:38,550 --> 00:46:36,400

well ideally i'd prefer that they

1206

00:46:39,990 --> 00:46:38,560

postmarked it like two weeks before the

1207

00:46:42,150 --> 00:46:40,000

election well no

1208

00:46:43,910 --> 00:46:42,160

it could be counted on election day but

1209

00:46:46,309 --> 00:46:43,920

we haven't completely voting now this is

1210

00:46:48,710 --> 00:46:46,319

why we had a 98 million people vote

1211

00:46:50,950 --> 00:46:48,720

early before today

1212

00:46:54,230 --> 00:46:50,960

yeah and uh all the bases all the

1213

00:46:56,550 --> 00:46:54,240

military bases make sure that their

1214

00:46:59,030 --> 00:46:56,560

uh their men are informed of it they

1215

00:47:01,030 --> 00:46:59,040

make the opportunity for it and it's

1216

00:47:03,349 --> 00:47:01,040

always been so or at least in my

1217

00:47:05,790 --> 00:47:03,359

experience as long as i've lived yeah

1218

00:47:08,710 --> 00:47:05,800

there's no problem of course

1219

00:47:10,870 --> 00:47:08,720

everybody should be able to vote even

1220

00:47:13,589 --> 00:47:10,880

our military well especially our

1221

00:47:15,430 --> 00:47:13,599

military you know right i think i think

1222

00:47:17,990 --> 00:47:15,440

that they need ultimately they need to

1223

00:47:19,670 --> 00:47:18,000

have the ballots by election day this

1224

00:47:20,950 --> 00:47:19,680

whole this whole like argument about

1225

00:47:22,790 --> 00:47:20,960

whether states should be able to count

1226

00:47:24,309 --> 00:47:22,800

votes you know four five

1227

00:47:26,309 --> 00:47:24,319

ten days after the election i don't

1228

00:47:28,230 --> 00:47:26,319

agree with that i mean like if we have

1229

00:47:30,309 --> 00:47:28,240

we have we have this date set aside like

1230

00:47:33,030 --> 00:47:30,319

the whole year ahead of time so it's

1231

00:47:34,230 --> 00:47:33,040

like if you can't get your ballot there

1232

00:47:35,589 --> 00:47:34,240

before

1233

00:47:37,510 --> 00:47:35,599

the you know like the day of the

1234

00:47:39,190 --> 00:47:37,520

election then like i'm sorry i just i

1235

00:47:41,270 --> 00:47:39,200

don't think your vote should be counted

1236

00:47:43,109 --> 00:47:41,280

because you've got plenty of time to do

1237

00:47:45,990 --> 00:47:43,119

it ahead of time that's just my opinion

1238

00:47:47,829 --> 00:47:46,000

but and this is this is also why the the

1239

00:47:51,109 --> 00:47:47,839

actual inauguration day was moved back

1240

00:47:53,190 --> 00:47:51,119

from march to january because we used to

1241

00:47:55,430 --> 00:47:53,200

take a really long time we didn't have

1242

00:47:57,670 --> 00:47:55,440

you know airplanes and cars and

1243

00:48:00,230 --> 00:47:57,680

computers yeah it took the president two

1244

00:48:02,230 --> 00:48:00,240

months to get to washington a lot right

1245

00:48:05,589 --> 00:48:02,240

right right so yeah i mean there's been

1246

00:48:08,230 --> 00:48:05,599

there's been issues with uh voting for

1247

00:48:10,390 --> 00:48:08,240

since the inception of this country so

1248

00:48:12,150 --> 00:48:10,400

um you know i believe every vote should

1249

00:48:13,270 --> 00:48:12,160

count my opinion is that if you're gonna

1250

00:48:16,309 --> 00:48:13,280

vote if you're gonna take the time out

1251

00:48:19,349 --> 00:48:16,319

to vote and make sure that you have your

1252

00:48:21,510 --> 00:48:19,359

vote in before election day i am i'm

1253

00:48:23,829 --> 00:48:21,520

fully i fully support that however if

1254

00:48:25,670 --> 00:48:23,839

you if you're voting prior to today you

1255

00:48:28,230 --> 00:48:25,680

your vote shouldn't count obviously

1256

00:48:31,190 --> 00:48:28,240

uh okay uh stephen

1257

00:48:33,750 --> 00:48:31,200

in your chat davey bucky says

1258

00:48:36,150 --> 00:48:33,760

what about ex-inmates shouldn't they

1259

00:48:37,190 --> 00:48:36,160

vote if they're being rehabilitated i

1260

00:48:41,990 --> 00:48:37,200

think

1261

00:48:43,670 --> 00:48:42,000

taken away what the [h__h] does their

1262

00:48:44,470 --> 00:48:43,680

crime have to do

1263

00:48:45,589 --> 00:48:44,480

with

1264

00:48:47,750 --> 00:48:45,599

uh

1265

00:48:51,510 --> 00:48:47,760

choosing the people who rule run our

1266

00:48:52,790 --> 00:48:51,520

country is that a law nationally though

1267

00:48:53,829 --> 00:48:52,800

like they say their felons are not

1268

00:48:55,670 --> 00:48:53,839

allowed to vote but i didn't know if

1269

00:48:59,030 --> 00:48:55,680

that was a a national political lawyer

1270

00:49:02,069 --> 00:48:59,040

it's everywhere yes everywhere felons

1271

00:49:03,910 --> 00:49:02,079

vote why can't they i know worse felons

1272

00:49:05,270 --> 00:49:03,920

that are poor i think if you serve i

1273

00:49:07,270 --> 00:49:05,280

think i think maybe while you're

1274

00:49:09,670 --> 00:49:07,280

incarcerated until you serve your time

1275

00:49:11,430 --> 00:49:09,680

they they they that there's an argument

1276

00:49:13,750 --> 00:49:11,440

to be made but i know this

1277

00:49:15,030 --> 00:49:13,760

once you served your time you should and

1278

00:49:18,069 --> 00:49:15,040

the other thing that i'm fully in

1279

00:49:20,069 --> 00:49:18,079

support of is that let's say let's say

1280

00:49:21,670 --> 00:49:20,079

somebody committed a felony and then

1281

00:49:23,910 --> 00:49:21,680

they did their time and they get out of

1282

00:49:25,910 --> 00:49:23,920

prison i think after a reasonable time

1283

00:49:27,829 --> 00:49:25,920

frame say three years five years

1284

00:49:29,990 --> 00:49:27,839

whatever you want to put on it

1285

00:49:31,589 --> 00:49:30,000

they should wipe they should wipe their

1286

00:49:34,309 --> 00:49:31,599

records so that they don't have to work

1287

00:49:35,990 --> 00:49:34,319

listen getting that felon tag on you is

1288

00:49:37,990 --> 00:49:36,000

a life sentence which means you're not

1289

00:49:39,430 --> 00:49:38,000

going to be able to get a deep job for

1290

00:49:45,670 --> 00:49:39,440

the rest of your life

1291

00:49:48,390 --> 00:49:45,680

and felony is is a really broad broad

1292

00:49:50,309 --> 00:49:48,400

brush you know there there are different

1293

00:49:53,270 --> 00:49:50,319

types of felonies there are hundreds of

1294

00:49:58,069 --> 00:49:56,230

there are certain felonies that i think

1295

00:50:00,870 --> 00:49:58,079

should absolutely plague you for the

1296

00:50:04,309 --> 00:50:00,880

rest of your life but then the majority

1297

00:50:05,910 --> 00:50:04,319

of felonies why not take them to hell

1298

00:50:07,750 --> 00:50:05,920

off the record you know well a large

1299

00:50:09,109 --> 00:50:07,760

majority of them are drug-related and

1300

00:50:11,829 --> 00:50:09,119

especially marijuana that was like

1301
00:50:12,549 --> 00:50:11,839
always the big argument was

1302
00:50:14,069 --> 00:50:12,559
like

1303
00:50:15,190 --> 00:50:14,079
all across the country what were they

1304
00:50:17,190 --> 00:50:15,200
going to do with all these people who

1305
00:50:18,710 --> 00:50:17,200
had like drug charges from like 20 years

1306
00:50:20,150 --> 00:50:18,720
ago were they well not only that but

1307
00:50:22,230 --> 00:50:20,160
like

1308
00:50:25,990 --> 00:50:22,240
what about the states

1309
00:50:28,150 --> 00:50:26,000
like california that legalized

1310
00:50:31,190 --> 00:50:28,160
recreational marijuana while people were

1311
00:50:33,750 --> 00:50:31,200
still in prison for marijuana possession

1312
00:50:36,630 --> 00:50:33,760
that's crazy to open the trail to let

1313
00:50:38,950 --> 00:50:36,640

them all out go sorry it's legal now

1314

00:50:41,190 --> 00:50:38,960

we're going to give you amnesty you know

1315

00:50:43,990 --> 00:50:41,200

and do you know there used to be

1316

00:50:45,910 --> 00:50:44,000

especially in the eastern states uh

1317

00:50:49,030 --> 00:50:45,920

ohio uh

1318

00:50:50,790 --> 00:50:49,040

people got sent up for 20 years for

1319

00:50:55,829 --> 00:50:50,800

having one joint

1320

00:50:57,589 --> 00:50:55,839

that's crazy

1321

00:50:59,030 --> 00:50:57,599

uh but like

1322

00:51:00,470 --> 00:50:59,040

what the heck

1323

00:51:02,309 --> 00:51:00,480

that was so

1324

00:51:03,670 --> 00:51:02,319

that was such a madness

1325

00:51:07,349 --> 00:51:03,680

you know i just wanted to mention that

1326

00:51:09,190 --> 00:51:07,359

like uh the reporting i guess this this

1327

00:51:12,790 --> 00:51:09,200

site that we're watching is projecting

1328

00:51:14,790 --> 00:51:12,800

but i think cnn is is only uh

1329

00:51:16,790 --> 00:51:14,800

showing like the called states and

1330

00:51:18,470 --> 00:51:16,800

they've got it way way lower than this

1331

00:51:20,470 --> 00:51:18,480

with biden

1332

00:51:21,670 --> 00:51:20,480

they're just projecting too i mean most

1333

00:51:23,829 --> 00:51:21,680

of these states don't have a hundred

1334

00:51:25,670 --> 00:51:23,839

percent of their ballots yeah

1335

00:51:26,790 --> 00:51:25,680

maybe you're right yeah

1336

00:51:28,230 --> 00:51:26,800

yeah

1337

00:51:29,430 --> 00:51:28,240

so

1338

00:51:34,150 --> 00:51:29,440

you know

1339

00:51:38,470 --> 00:51:36,470

magic marker not that big charles not

1340

00:51:40,309 --> 00:51:38,480

that big

1341

00:51:42,790 --> 00:51:40,319

yeah and i'm a big supporter of medical

1342

00:51:46,150 --> 00:51:42,800

marijuana like uh i had a brain aneurysm

1343

00:51:50,069 --> 00:51:46,160

and i was on uh i was on uh oxycontin

1344

00:51:52,390 --> 00:51:50,079

and all kinds of narcotics that was

1345

00:51:54,549 --> 00:51:52,400

wrecking my ability to work wrecking my

1346

00:51:56,390 --> 00:51:54,559

life really yeah and uh

1347

00:51:57,589 --> 00:51:56,400

[h__\h] up your uh

1348

00:51:58,950 --> 00:51:57,599

and you know

1349

00:52:00,630 --> 00:51:58,960

but you know what is a much more

1350

00:52:02,790 --> 00:52:00,640

effective treatment for my condition

1351
00:52:04,549 --> 00:52:02,800
which is neuropathy i have a paralyzed

1352
00:52:07,190 --> 00:52:04,559
eye and therefore i have nerve pain and

1353
00:52:09,829 --> 00:52:07,200
damage right behind my eye

1354
00:52:11,510 --> 00:52:09,839
hey stephen hold on sure sure

1355
00:52:13,270 --> 00:52:11,520
[h__\h] what people say about you wearing

1356
00:52:14,870 --> 00:52:13,280
glasses during your [h__\h] show i've

1357
00:52:16,309 --> 00:52:14,880
seen photos of you without your glasses

1358
00:52:19,589 --> 00:52:16,319
you're a [h__\h] handsome gentleman my

1359
00:52:23,030 --> 00:52:21,430
and you know what it's not that bad it's

1360
00:52:25,910 --> 00:52:23,040
not like i really have a terrible

1361
00:52:27,990 --> 00:52:25,920
quasimodo eye but

1362
00:52:29,589 --> 00:52:28,000
but when i watch myself it's very

1363
00:52:32,069 --> 00:52:29,599

distracting and it makes me very

1364

00:52:34,069 --> 00:52:32,079

self-conscious if i go cross-eyed in the

1365

00:52:35,750 --> 00:52:34,079

middle of a video or something so i just

1366

00:52:37,190 --> 00:52:35,760

rather wear the glasses then i don't

1367

00:52:39,829 --> 00:52:37,200

think about it and i don't care about

1368

00:52:42,309 --> 00:52:39,839

her worry about it that's right well you

1369

00:52:44,790 --> 00:52:42,319

know what before we came on when you

1370

00:52:47,430 --> 00:52:44,800

didn't know i was on with you she i

1371

00:52:51,190 --> 00:52:47,440

didn't know she was watching yeah

1372

00:52:54,309 --> 00:52:51,200

he was there without his his shades and

1373

00:52:57,750 --> 00:52:54,319

you are someday maybe i'll take him

1374

00:53:02,069 --> 00:52:58,710

you know

1375

00:53:03,270 --> 00:53:02,079

maybe not in the classic sense of you

1376

00:53:05,990 --> 00:53:03,280

know

1377

00:53:08,230 --> 00:53:06,000

rock hood you are a girl

1378

00:53:10,710 --> 00:53:08,240

i love your face i love love love your

1379

00:53:12,710 --> 00:53:10,720

face and i didn't notice anything

1380

00:53:15,589 --> 00:53:12,720

about your eyes except maybe you could

1381

00:53:18,790 --> 00:53:15,599

use some more hey stephen yes

1382

00:53:22,630 --> 00:53:20,390

yeah i tell him i sent it to him on

1383

00:53:25,670 --> 00:53:22,640

twitter i dm'd it to him on twitter

1384

00:53:28,069 --> 00:53:25,680

he'll hate you excuse me sorry oh cw i

1385

00:53:30,069 --> 00:53:28,079

sent you the link on twitter are you

1386

00:53:31,910 --> 00:53:30,079

[h__h] me let me check just to make

1387

00:53:33,670 --> 00:53:31,920

sure that i sent you the link on twitter

1388

00:53:35,349 --> 00:53:33,680

but i'm pretty sure i sent it to you and

1389

00:53:37,430 --> 00:53:35,359

a few other people that i thought may

1390

00:53:38,870 --> 00:53:37,440

want to join in i didn't ask i just sent

1391

00:53:39,910 --> 00:53:38,880

it

1392

00:53:41,270 --> 00:53:39,920

yay

1393

00:53:44,630 --> 00:53:41,280

normal hood

1394

00:53:46,870 --> 00:53:44,640

yeah you guys they're in the chat

1395

00:53:48,870 --> 00:53:46,880

oh hold on i'm checking i said i sent a

1396

00:53:50,470 --> 00:53:48,880

link to paranormal hood as well and i

1397

00:53:52,950 --> 00:53:50,480

should have like watched you send a link

1398

00:53:55,670 --> 00:53:52,960

to daniel james i sent a link to stina

1399

00:53:58,150 --> 00:53:55,680

bobina jasmine emmerich cw tutor it's in

1400

00:53:59,670 --> 00:53:58,160

your it's in your twitter dms i sent you

1401
00:54:00,950 --> 00:53:59,680
a link i said we're having a big panel

1402
00:54:02,870 --> 00:54:00,960
tonight you're welcome to join that

1403
00:54:04,069 --> 00:54:02,880
would be fun stephen

1404
00:54:06,309 --> 00:54:04,079
he's saying he doesn't have twitter on

1405
00:54:07,750 --> 00:54:06,319
his phone can you email it to him yeah

1406
00:54:10,630 --> 00:54:07,760
what is tell him to put his email

1407
00:54:13,270 --> 00:54:10,640
address in the uh in the chat or the c

1408
00:54:16,630 --> 00:54:13,280
dot what is his email address

1409
00:54:27,270 --> 00:54:19,510
who's who's cw channel's email address

1410
00:54:27,280 --> 00:54:31,670
i'll try that okay c

1411
00:54:35,829 --> 00:54:32,790
w

1412
00:54:37,750 --> 00:54:35,839
and ryan murphy richards

1413
00:54:39,910 --> 00:54:37,760

you sent me a message that said link on

1414

00:54:41,589 --> 00:54:39,920

live stream does that mean you want to

1415

00:54:42,710 --> 00:54:41,599

join the live stream

1416

00:54:45,750 --> 00:54:42,720

let me know

1417

00:54:48,790 --> 00:54:45,760

okay so it's just cw chandler c dot w

1418

00:54:50,710 --> 00:54:48,800

dot chandra gmail yes

1419

00:54:52,710 --> 00:54:50,720

okay i'm going to set it tell or well

1420

00:54:54,069 --> 00:54:52,720

he's listening uh see retainer i'm

1421

00:54:55,829 --> 00:54:54,079

sending it to you right now i'm just

1422

00:54:57,589 --> 00:54:55,839

gonna put show link

1423

00:55:00,150 --> 00:54:57,599

and there's the show link and you know

1424

00:55:02,870 --> 00:55:00,160

stream yard you just click allow web and

1425

00:55:04,390 --> 00:55:02,880

my game access and then you get you get

1426

00:55:06,630 --> 00:55:04,400

to come right in

1427

00:55:09,349 --> 00:55:06,640

okay smoke king says you only you sent

1428

00:55:11,670 --> 00:55:09,359

it to jiggy's is so it's smoked king hi

1429

00:55:14,069 --> 00:55:11,680

smoking oh hi smoking all right well if

1430

00:55:16,589 --> 00:55:14,079

anybody that wants to join in the panel

1431

00:55:18,710 --> 00:55:16,599

just email me at truthseekershow

1432

00:55:21,430 --> 00:55:18,720

gmail.com wait a minute i've got a

1433

00:55:23,829 --> 00:55:21,440

banner i'm i'm like a pro at this almost

1434

00:55:24,870 --> 00:55:23,839

look at this i've got a banner cover

1435

00:55:32,309 --> 00:55:24,880

here

1436

00:55:34,630 --> 00:55:32,319

truthseekershow gmail.com

1437

00:55:37,750 --> 00:55:34,640

and then i send you the link you click

1438

00:55:38,630 --> 00:55:37,760

allow web and mic access and then you'll

1439

00:55:40,870 --> 00:55:38,640

be

1440

00:55:42,309 --> 00:55:40,880

uh zoomed right in here and you don't

1441

00:55:44,470 --> 00:55:42,319

need people have asked me you don't need

1442

00:55:46,150 --> 00:55:44,480

zoom or google hangouts or anything you

1443

00:55:48,950 --> 00:55:46,160

just it's all web-based as long as you

1444

00:55:50,789 --> 00:55:48,960

have a browser on your phone or uh or

1445

00:55:54,390 --> 00:55:50,799

your whatever device you're using it

1446

00:55:56,390 --> 00:55:54,400

works on tablets phones laptops desktops

1447

00:55:58,549 --> 00:55:56,400

as long as you have a browser it'll work

1448

00:56:01,510 --> 00:55:58,559

so anybody wants to join the panel just

1449

00:56:03,829 --> 00:56:01,520

uh email me at truthseekershow gmail.com

1450

00:56:05,829 --> 00:56:03,839

and i'll send that back out to you

1451

00:56:08,390 --> 00:56:05,839

and uh we'll take some comments from the

1452

00:56:10,069 --> 00:56:08,400

live chat let me see if i can't

1453

00:56:12,069 --> 00:56:10,079

i don't know if i can rearrange this so

1454

00:56:16,789 --> 00:56:12,079

that you know yeah what's up bro

1455

00:56:20,069 --> 00:56:18,549

oh there we go no that just killed the

1456

00:56:22,309 --> 00:56:20,079

share

1457

00:56:24,870 --> 00:56:22,319

you think it will take before pw takes

1458

00:56:29,510 --> 00:56:27,270

before he gets in here i don't know i

1459

00:56:31,430 --> 00:56:29,520

mean like how long three seconds in here

1460

00:56:35,109 --> 00:56:31,440

will it take him

1461

00:56:36,549 --> 00:56:35,119

i don't know oh there he is here we go

1462

00:56:38,150 --> 00:56:36,559

i'll give him a minute it looks like

1463

00:56:40,069 --> 00:56:38,160

he's getting ready there

1464

00:56:45,670 --> 00:56:40,079

are you already there he's he's messing

1465

00:56:50,470 --> 00:56:48,150

cw channel you are you are live here

1466

00:56:51,990 --> 00:56:50,480

with us and it's good to see you friend

1467

00:56:53,349 --> 00:56:52,000

hey youtube brother good to see everyone

1468

00:56:55,190 --> 00:56:53,359

howdy

1469

00:56:58,069 --> 00:56:55,200

how you doing so what do you think of

1470

00:56:59,750 --> 00:56:58,079

the [h__\h] show so far so you know you

1471

00:57:01,910 --> 00:56:59,760

know what i mean it's gonna it's gonna

1472

00:57:04,710 --> 00:57:01,920

be a nail biter it's gonna be a

1473

00:57:06,710 --> 00:57:04,720

fantastic nail butter um

1474

00:57:08,470 --> 00:57:06,720

you know this this is one of those

1475

00:57:10,230 --> 00:57:08,480

things uh

1476
00:57:11,349 --> 00:57:10,240
sometimes we

1477
00:57:13,829 --> 00:57:11,359
for

1478
00:57:16,230 --> 00:57:13,839
god going on decades now

1479
00:57:18,390 --> 00:57:16,240
everyone was able to joke about

1480
00:57:21,670 --> 00:57:18,400
going back from cnn flipping back and

1481
00:57:23,030 --> 00:57:21,680
forth between cnn and fox news

1482
00:57:24,470 --> 00:57:23,040
and then seeing you know radical

1483
00:57:25,910 --> 00:57:24,480
predictions on this side and then

1484
00:57:27,670 --> 00:57:25,920
everyone else on the other side saying

1485
00:57:29,510 --> 00:57:27,680
something totally different

1486
00:57:31,670 --> 00:57:29,520
but i gotta tell you even looking for

1487
00:57:34,789 --> 00:57:31,680
solace tonight amongst my

1488
00:57:37,270 --> 00:57:34,799

um usual left-leaning

1489

00:57:39,349 --> 00:57:37,280

uh progressive sources

1490

00:57:40,789 --> 00:57:39,359

it's insanity you've got people over

1491

00:57:42,789 --> 00:57:40,799

here saying that you know this is

1492

00:57:44,309 --> 00:57:42,799

looking good you've got people over here

1493

00:57:46,309 --> 00:57:44,319

saying that you know

1494

00:57:48,069 --> 00:57:46,319

you know it's already uh you know a

1495

00:57:49,109 --> 00:57:48,079

washout

1496

00:57:51,829 --> 00:57:49,119

um

1497

00:57:54,470 --> 00:57:51,839

it's looking pretty close so far but you

1498

00:57:56,230 --> 00:57:54,480

know like it's it's

1499

00:57:57,670 --> 00:57:56,240

what everyone's always hoping for is

1500

00:57:59,510 --> 00:57:57,680

everyone's always hoping for some sort

1501
00:58:00,870 --> 00:57:59,520
of blowout some sort of definitive

1502
00:58:02,950 --> 00:58:00,880
answer

1503
00:58:04,630 --> 00:58:02,960
for especially nowadays when everybody's

1504
00:58:06,829 --> 00:58:04,640
talking and speculating about the

1505
00:58:11,190 --> 00:58:06,839
possibility or what

1506
00:58:12,870 --> 00:58:11,200
what what indecision or what

1507
00:58:15,349 --> 00:58:12,880
lack of clarity

1508
00:58:17,510 --> 00:58:15,359
uh could possibly do as far as sparking

1509
00:58:19,109 --> 00:58:17,520
already high tensions you know across

1510
00:58:20,789 --> 00:58:19,119
the nation

1511
00:58:22,630 --> 00:58:20,799
you know one would hope for you know

1512
00:58:23,829 --> 00:58:22,640
some sort of definitive answer and i

1513
00:58:25,910 --> 00:58:23,839

don't think we're going to get that i

1514

00:58:28,470 --> 00:58:25,920

mean most people are saying this that

1515

00:58:29,670 --> 00:58:28,480

it's going to take a week

1516

00:58:30,870 --> 00:58:29,680

you're not going to you're not going to

1517

00:58:33,589 --> 00:58:30,880

see anything

1518

00:58:35,190 --> 00:58:33,599

approaching closure until sometime

1519

00:58:37,430 --> 00:58:35,200

probably seven or eight o'clock in the

1520

00:58:42,309 --> 00:58:37,440

morning if that if not if not days from

1521

00:58:45,430 --> 00:58:42,319

now uh yeah and uh between now and then

1522

00:58:48,710 --> 00:58:45,440

uh that time period is the reason every

1523

00:58:53,030 --> 00:58:48,720

uh glass front store in my city and all

1524

00:58:57,109 --> 00:58:54,630

wow i know i just want to mention

1525

00:58:58,309 --> 00:58:57,119

welcome computer joe he's joined our

1526

00:59:00,630 --> 00:58:58,319

panel here

1527

00:59:03,750 --> 00:59:00,640

he's in pennsylvania he's one of my sort

1528

00:59:06,309 --> 00:59:03,760

of almost neighbor now

1529

00:59:08,230 --> 00:59:06,319

yeah pretty much

1530

00:59:10,870 --> 00:59:08,240

yeah joe used to work joe used to work

1531

00:59:12,789 --> 00:59:10,880

for fox news he was their i.t support

1532

00:59:14,870 --> 00:59:12,799

guy and they fired him so he doesn't

1533

00:59:15,829 --> 00:59:14,880

like fox news now right joe [h__h] fox

1534

00:59:23,990 --> 00:59:15,839

news

1535

00:59:27,829 --> 00:59:25,910

yeah you have to be brainwashed to work

1536

00:59:30,950 --> 00:59:27,839

at fox you can't say anything that's not

1537

00:59:32,630 --> 00:59:30,960

like pro-republican or you get

1538

00:59:34,950 --> 00:59:32,640

remember me to fired to you after the

1539

00:59:37,510 --> 00:59:34,960

show to bring another landmark sexual

1540

00:59:42,470 --> 00:59:37,520

harassment mark

1541

00:59:46,470 --> 00:59:44,309

so i we haven't seen this thing this

1542

00:59:48,230 --> 00:59:46,480

thing hasn't updated in a while and they

1543

00:59:49,750 --> 00:59:48,240

and spooky said it updates every two

1544

00:59:51,349 --> 00:59:49,760

minutes but i'm not seeing it yeah but

1545

00:59:52,630 --> 00:59:51,359

it's also there's certain states these

1546

00:59:54,710 --> 00:59:52,640

states are like

1547

00:59:56,870 --> 00:59:54,720

you know the on on the top of the hour

1548

00:59:57,990 --> 00:59:56,880

their polls are closing so like you're

1549

01:00:00,230 --> 00:59:58,000

some of these states that have already

1550

01:00:02,390 --> 01:00:00,240

like come out and you know have given

1551

01:00:03,829 --> 01:00:02,400

the results like probably at i guess 10

1552

01:00:05,589 --> 01:00:03,839

o'clock eastern time it's probably gonna

1553

01:00:06,390 --> 01:00:05,599

be the next round of

1554

01:00:07,910 --> 01:00:06,400

like

1555

01:00:09,510 --> 01:00:07,920

you're probably gonna start the map

1556

01:00:11,190 --> 01:00:09,520

looks interesting so far because it

1557

01:00:13,349 --> 01:00:11,200

looks like trump has won a lot more

1558

01:00:15,910 --> 01:00:13,359

states but biden's winning the states

1559

01:00:17,510 --> 01:00:15,920

with the larger electoral college votes

1560

01:00:19,990 --> 01:00:17,520

and that's what this might come down to

1561

01:00:22,309 --> 01:00:20,000

just a numbers game

1562

01:00:24,470 --> 01:00:22,319

i have a friend in florida who is

1563

01:00:26,390 --> 01:00:24,480

talking to me like right now and he says

1564

01:00:28,069 --> 01:00:26,400

the president is up two to three points

1565

01:00:30,150 --> 01:00:28,079

here in florida with about ninety

1566

01:00:33,190 --> 01:00:30,160

percent of the state's votes in

1567

01:00:35,030 --> 01:00:33,200

yeah so florida looks like one thing

1568

01:00:36,870 --> 01:00:35,040

in florida it looks like anywhere

1569

01:00:39,430 --> 01:00:36,880

no that's a projection

1570

01:00:41,670 --> 01:00:39,440

how do they know that only

1571

01:00:44,150 --> 01:00:41,680

how do they know 90 percent are in they

1572

01:00:49,670 --> 01:00:44,160

can't know that 90 percent of the votes

1573

01:00:53,349 --> 01:00:51,750

sorry i want to kill the messenger i'm

1574

01:00:55,030 --> 01:00:53,359

sorry times

1575

01:00:56,710 --> 01:00:55,040

can't snap

1576

01:00:58,150 --> 01:00:56,720

yeah and cw was saying something go

1577

01:00:59,349 --> 01:00:58,160

ahead cw

1578

01:01:01,510 --> 01:00:59,359

sorry you know

1579

01:01:03,670 --> 01:01:01,520

florida was it was a hail mary pass that

1580

01:01:06,630 --> 01:01:03,680

a lot of uh progressives were saying

1581

01:01:09,109 --> 01:01:06,640

that first of all what i had heard

1582

01:01:11,349 --> 01:01:09,119

from multiple sources is that if florida

1583

01:01:13,030 --> 01:01:11,359

had gone blue you'd almost be able to

1584

01:01:15,190 --> 01:01:13,040

call it for by then

1585

01:01:17,990 --> 01:01:15,200

you know tonight but that was a hail

1586

01:01:18,950 --> 01:01:18,000

mary pass i mean you know florida you

1587

01:01:20,789 --> 01:01:18,960

know

1588

01:01:22,069 --> 01:01:20,799

has been dipped in red ink for for

1589

01:01:25,510 --> 01:01:22,079

longer than you know than i've been

1590

01:01:27,109 --> 01:01:25,520

alive i think um but you know

1591

01:01:29,190 --> 01:01:27,119

you know that doesn't mean that there's

1592

01:01:30,309 --> 01:01:29,200

that there's not some play and that that

1593

01:01:33,510 --> 01:01:30,319

thing

1594

01:01:35,990 --> 01:01:33,520

it's definitely gonna come down to the

1595

01:01:37,670 --> 01:01:36,000

electoral college i mean it always does

1596

01:01:39,750 --> 01:01:37,680

i'm gonna start soloing people there

1597

01:01:41,670 --> 01:01:39,760

there we go

1598

01:01:43,030 --> 01:01:41,680

there you go we're just i mean i think i

1599

01:01:44,789 --> 01:01:43,040

think at the end of the day people are

1600

01:01:46,950 --> 01:01:44,799

just gonna have to wait and see

1601
01:01:49,109 --> 01:01:46,960
but you know i i you know i don't think

1602
01:01:50,549 --> 01:01:49,119
it's a lock for anyone at this point but

1603
01:01:55,589 --> 01:01:50,559
you know the fact that it's not a lot

1604
01:02:00,069 --> 01:01:58,470
anxiety

1605
01:02:02,710 --> 01:02:00,079
yeah i agree with you

1606
01:02:04,870 --> 01:02:02,720
i mean look face it

1607
01:02:06,390 --> 01:02:04,880
if donald trump gets four more years i

1608
01:02:07,750 --> 01:02:06,400
mean you know you look for that silver

1609
01:02:10,150 --> 01:02:07,760
lining i guess i'm gonna have four more

1610
01:02:11,910 --> 01:02:10,160
years of contents

1611
01:02:14,230 --> 01:02:11,920
uh we we also know that

1612
01:02:17,589 --> 01:02:14,240
at least one or two of the uh

1613
01:02:19,510 --> 01:02:17,599

of the uh elected uh of the candidates

1614

01:02:22,950 --> 01:02:19,520

uh not presidential obviously but that

1615

01:02:23,670 --> 01:02:22,960

had come out as q supporters have won

1616

01:02:26,069 --> 01:02:23,680

so

1617

01:02:29,109 --> 01:02:26,079

you you have officially now at this

1618

01:02:31,670 --> 01:02:29,119

point in human history congratulations

1619

01:02:34,470 --> 01:02:31,680

if you thought the tea party was wacky

1620

01:02:36,630 --> 01:02:34,480

we have official q a on aficionados that

1621

01:02:37,829 --> 01:02:36,640

we'll be surveying in uh

1622

01:02:42,390 --> 01:02:37,839

highlights

1623

01:02:46,549 --> 01:02:44,789

crazy

1624

01:02:48,870 --> 01:02:46,559

i try to make that bigger so people can

1625

01:02:51,750 --> 01:02:48,880

read that better

1626

01:02:53,349 --> 01:02:51,760

i think if i think if biden wins texas i

1627

01:02:55,030 --> 01:02:53,359

think you can call it tonight because

1628

01:02:56,230 --> 01:02:55,040

they like there's a lot of democrats and

1629

01:02:58,390 --> 01:02:56,240

i've talked to a couple people who live

1630

01:03:00,789 --> 01:02:58,400

in texas that i know and they said that

1631

01:03:03,589 --> 01:03:00,799

in terms of like just this cycle it

1632

01:03:05,510 --> 01:03:03,599

seems like there's a lot more democratic

1633

01:03:07,589 --> 01:03:05,520

support down there than there has been

1634

01:03:10,230 --> 01:03:07,599

in like recent just in the recent like

1635

01:03:11,510 --> 01:03:10,240

last couple cycles so i think if texas

1636

01:03:13,030 --> 01:03:11,520

flips blue

1637

01:03:17,349 --> 01:03:13,040

you could call this thing tonight for

1638

01:03:24,069 --> 01:03:18,230

yeah

1639

01:03:26,950 --> 01:03:24,079

texas uh the only really populated one

1640

01:03:29,109 --> 01:03:26,960

is california so i mean

1641

01:03:31,029 --> 01:03:29,119

texas has been like a big republican

1642

01:03:33,190 --> 01:03:31,039

stronghold state and probably since as

1643

01:03:35,510 --> 01:03:33,200

long as i've been alive i would guess

1644

01:03:38,870 --> 01:03:35,520

and i think if it i mean it's 38 what is

1645

01:03:39,829 --> 01:03:38,880

it 38 or 40 electoral votes i mean if he

1646

01:03:41,990 --> 01:03:39,839

gets

1647

01:03:43,670 --> 01:03:42,000

if biden was to win texas you could

1648

01:03:45,990 --> 01:03:43,680

pretty much just assume that he's your

1649

01:03:49,109 --> 01:03:46,000

next president in my opinion

1650

01:03:51,510 --> 01:03:49,119

out of mind says trump owns texas

1651

01:03:54,390 --> 01:03:51,520

really the people i know in texas they

1652

01:03:56,829 --> 01:03:54,400

basically threw joe biden's campaign bus

1653

01:04:00,230 --> 01:03:56,839

out of there they were like you

1654

01:04:01,109 --> 01:04:00,240

know they were like intimidating him and

1655

01:04:03,029 --> 01:04:01,119

you know

1656

01:04:05,029 --> 01:04:03,039

running around with these trucks and

1657

01:04:07,430 --> 01:04:05,039

flags and like there was some incident

1658

01:04:09,109 --> 01:04:07,440

where they ran into somebody and then

1659

01:04:10,630 --> 01:04:09,119

and then biden canceled the rest of his

1660

01:04:24,789 --> 01:04:10,640

texas events

1661

01:04:28,630 --> 01:04:27,349

yeah i guess you're right

1662

01:04:30,470 --> 01:04:28,640

you know you're no good to anybody if

1663

01:04:32,390 --> 01:04:30,480

you get killed by a nut

1664

01:04:34,150 --> 01:04:32,400

when you're looking for texas

1665

01:04:36,950 --> 01:04:34,160

if you're progressive if you're blue and

1666

01:04:38,549 --> 01:04:36,960

you're looking for texas or florida you

1667

01:04:46,789 --> 01:04:38,559

know it's one of these things i mean

1668

01:04:51,270 --> 01:04:49,270

and i think it was just alabama was it

1669

01:04:54,710 --> 01:04:51,280

maybe alabama just went to trump because

1670

01:04:56,230 --> 01:04:54,720

now we're at 115 buy it in 129 trump

1671

01:05:00,470 --> 01:04:56,240

jesus christ

1672

01:05:03,829 --> 01:05:00,480

cw your sound is really weak

1673

01:05:08,470 --> 01:05:05,829

so but i'm glad to say hi to you guys

1674

01:05:10,549 --> 01:05:08,480

and uh so what yeah it's good to see you

1675

01:05:12,470 --> 01:05:10,559

no it was south it was south carolina

1676
01:05:14,150 --> 01:05:12,480
south carolina just went for trump which

1677
01:05:15,829 --> 01:05:14,160
probably means unfortunately michael

1678
01:05:19,750 --> 01:05:15,839
that lindsey graham is probably going to

1679
01:05:24,470 --> 01:05:21,910
cw was talking there i'm sorry go ahead

1680
01:05:26,230 --> 01:05:24,480
to you all right

1681
01:05:27,670 --> 01:05:26,240
there you go god bless you all good luck

1682
01:05:29,910 --> 01:05:27,680
so stephen you're gonna be doing this

1683
01:05:32,069 --> 01:05:29,920
until seven o'clock in the morning i'm a

1684
01:05:33,430 --> 01:05:32,079
loser with nothing else to do so not

1685
01:05:35,510 --> 01:05:33,440
till seven o'clock in the morning but i

1686
01:05:36,549 --> 01:05:35,520
might go for a few more hours we'll see

1687
01:05:38,549 --> 01:05:36,559
what happens

1688
01:05:40,230 --> 01:05:38,559

so it's the richard defense i've got

1689

01:05:42,789 --> 01:05:40,240

nowhere else to go well god bless you

1690

01:05:44,870 --> 01:05:42,799

and your endeavors and uh blessings yeah

1691

01:05:47,589 --> 01:05:44,880

thank you i appreciate you participating

1692

01:05:49,670 --> 01:05:47,599

and uh may everybody live to see it

1693

01:05:52,630 --> 01:05:49,680

better tomorrow god bless you okay great

1694

01:05:55,670 --> 01:05:52,640

i appreciate it thank you janner and so

1695

01:05:58,069 --> 01:05:55,680

somebody please uh do me a favor

1696

01:06:00,710 --> 01:05:58,079

and uh put cw channelers channel in the

1697

01:06:03,029 --> 01:06:00,720

live chat oh what i soloed myself how

1698

01:06:05,190 --> 01:06:03,039

did that happen let's see

1699

01:06:07,430 --> 01:06:05,200

let me get back to where we were i don't

1700

01:06:08,309 --> 01:06:07,440

know i think you and i are the only ones

1701

01:06:14,230 --> 01:06:08,319

on

1702

01:06:16,470 --> 01:06:14,240

i because he dropped out when i soloed

1703

01:06:19,190 --> 01:06:16,480

him so it went it went wacky oh ryan

1704

01:06:21,750 --> 01:06:19,200

there we go hold on let me get

1705

01:06:23,670 --> 01:06:21,760

there we go welcome ryan

1706

01:06:25,029 --> 01:06:23,680

sorry about [h__h] this is a bit freaky

1707

01:06:27,510 --> 01:06:25,039

for me it's the first time can you hear

1708

01:06:29,349 --> 01:06:27,520

it can you hear me yeah we're here

1709

01:06:31,270 --> 01:06:29,359

ryan good to see you ryan murphy

1710

01:06:33,109 --> 01:06:31,280

richards is here

1711

01:06:35,109 --> 01:06:33,119

is it better if you think that the hot

1712

01:06:36,069 --> 01:06:35,119

dogs that can you hear me

1713

01:06:38,069 --> 01:06:36,079

it's probably better if you have

1714

01:06:39,750 --> 01:06:38,079

headphones on yeah

1715

01:06:40,789 --> 01:06:39,760

on headphones

1716

01:06:42,950 --> 01:06:40,799

yeah

1717

01:06:47,589 --> 01:06:42,960

and i don't know computer joe's m.i.a

1718

01:06:51,349 --> 01:06:49,589

he's in his bed or something computer

1719

01:06:53,270 --> 01:06:51,359

joe what are you doing bro

1720

01:06:58,789 --> 01:06:53,280

you like getting your blankets you're in

1721

01:06:58,799 --> 01:07:09,430

all

1722

01:07:14,549 --> 01:07:13,270

lead us into the apocalypse biden or

1723

01:07:16,230 --> 01:07:14,559

hey trump

1724

01:07:23,670 --> 01:07:16,240

hey michael what time do the polls close

1725

01:07:23,680 --> 01:07:30,440

11 p.m is it 11. oh

1726

01:07:30,450 --> 01:07:40,230

[Music]

1727

01:07:42,789 --> 01:07:41,029

yeah i don't know where all the

1728

01:07:47,029 --> 01:07:42,799

canadians are but now we have two people

1729

01:07:51,670 --> 01:07:49,349

i'm not i'm not from england

1730

01:07:53,750 --> 01:07:51,680

are you scottish

1731

01:07:57,109 --> 01:07:53,760

irishman he's irish

1732

01:08:00,309 --> 01:07:58,710

the drunkard

1733

01:08:02,549 --> 01:08:00,319

what the hell

1734

01:08:05,430 --> 01:08:02,559

yeah well hopefully the truck costs you

1735

01:08:07,270 --> 01:08:05,440

right now stevie boy how you feeling

1736

01:08:16,149 --> 01:08:07,280

good it's good to see him put in and put

1737

01:08:20,149 --> 01:08:18,149

you got a big manly beard going there

1738

01:08:22,229 --> 01:08:20,159

bro i i like that i

1739

01:08:23,269 --> 01:08:22,239

i bloom knocked down

1740

01:08:25,590 --> 01:08:23,279

yeah

1741

01:08:27,510 --> 01:08:25,600

no actually you know i always have it's

1742

01:08:29,510 --> 01:08:27,520

like beer to give it off if you don't do

1743

01:08:31,189 --> 01:08:29,520

it all but it's hard it's the hurt it's

1744

01:08:34,470 --> 01:08:31,199

the harder that's the [h__\h] the worst

1745

01:08:40,149 --> 01:08:38,149

oh no i like it yeah i like it i like it

1746

01:08:42,870 --> 01:08:40,159

so if anybody else wants to be on the

1747

01:08:44,630 --> 01:08:42,880

panel remember you just email me at

1748

01:08:46,070 --> 01:08:44,640

secret show i'm gonna go i'm sorry i'm

1749

01:08:48,309 --> 01:08:46,080

gonna go check that right now and make

1750

01:08:50,149 --> 01:08:48,319

sure nobody else asks for the i'm sorry

1751

01:08:56,550 --> 01:08:50,159

ryan asked for the link like an hour

1752

01:09:02,550 --> 01:08:58,390

how you doing over there canadian girl

1753

01:09:08,470 --> 01:09:06,070

where's the wheel you plunge

1754

01:09:14,309 --> 01:09:08,480

shut up yeah if it's me i was not gonna

1755

01:09:18,229 --> 01:09:16,390

there you go in the chat

1756

01:09:22,470 --> 01:09:18,239

yes okay

1757

01:09:26,870 --> 01:09:24,950

she says she says they close at 8 pm

1758

01:09:28,550 --> 01:09:26,880

california time which would be

1759

01:09:30,229 --> 01:09:28,560

11 11.

1760

01:09:32,149 --> 01:09:30,239

yeah so another hour and 20 minutes

1761

01:09:33,430 --> 01:09:32,159

until the polls close in california but

1762

01:09:35,030 --> 01:09:33,440

i don't think california is very

1763

01:09:37,590 --> 01:09:35,040

interesting because everybody just

1764

01:09:39,590 --> 01:09:37,600

assumes it's going to go it's now either

1765

01:09:40,630 --> 01:09:39,600

either as washington or oregon you can

1766

01:09:41,990 --> 01:09:40,640

pretty much assume that they're all

1767

01:09:43,749 --> 01:09:42,000

going to go blue

1768

01:09:45,590 --> 01:09:43,759

you know what i just i just thought of

1769

01:09:47,269 --> 01:09:45,600

if if the two if all of us are so

1770

01:09:50,390 --> 01:09:47,279

anxious watching this how do you think

1771

01:09:52,709 --> 01:09:50,400

these two candidates feel

1772

01:09:57,590 --> 01:09:52,719

i i think they're they probably have

1773

01:10:03,430 --> 01:09:59,830

yeah i'm gonna take a xanax

1774

01:10:03,440 --> 01:10:10,229

oh yeah they're getting the bail off mom

1775

01:10:14,390 --> 01:10:12,709

i i can just jump into conversation top

1776

01:10:16,229 --> 01:10:14,400

nonsense but if you

1777

01:10:23,270 --> 01:10:16,239

[h__h] i don't know what the what is the

1778

01:10:23,280 --> 01:10:27,189

i don't know i don't know

1779

01:10:30,709 --> 01:10:29,189

america steven have you i don't know if

1780

01:10:33,110 --> 01:10:30,719

you've noticed but trump's twitter

1781

01:10:35,669 --> 01:10:33,120

account has gone like almost [h__h]

1782

01:10:37,510 --> 01:10:35,679

eerily silent like as much as that dude

1783

01:10:38,950 --> 01:10:37,520

is [h__h] on there like blowing tweets

1784

01:10:41,669 --> 01:10:38,960

up i don't think he's not i don't think

1785

01:10:42,709 --> 01:10:41,679

he's posted in like five or six hours

1786

01:10:47,110 --> 01:10:42,719

no

1787

01:10:49,110 --> 01:10:47,120

probably glued to a tv with his advisors

1788

01:10:50,229 --> 01:10:49,120

and his staff like wait to see what

1789

01:10:53,510 --> 01:10:50,239

happens

1790

01:10:55,189 --> 01:10:53,520

or maybe he's dead

1791

01:10:56,830 --> 01:10:55,199

he's on a live chat right now watching

1792

01:10:57,830 --> 01:10:56,840

through

1793

01:11:01,350 --> 01:10:57,840

[h__\h] girl

1794

01:11:04,950 --> 01:11:03,590

bloodshed it's a blood from the golden

1795

01:11:07,590 --> 01:11:04,960

girls

1796

01:11:23,840 --> 01:11:07,600

oh bless your heart isn't it as a blood

1797

01:11:28,870 --> 01:11:26,310

[Laughter]

1798

01:11:31,030 --> 01:11:28,880

i just sent i just sent joan aside the

1799

01:11:33,189 --> 01:11:31,040

the link to the live chat i've sent it

1800

01:11:35,750 --> 01:11:33,199

to mario earlier too

1801

01:11:36,709 --> 01:11:35,760

uh but he is at work he might stop in

1802

01:11:38,470 --> 01:11:36,719

later

1803

01:11:40,870 --> 01:11:38,480

so anybody that wants to join you're

1804

01:11:42,709 --> 01:11:40,880

welcome we're just waiting to see who's

1805

01:11:44,070 --> 01:11:42,719

going to be the president for the

1806

01:11:46,149 --> 01:11:44,080

apocalypse

1807

01:11:47,990 --> 01:11:46,159

how about a computer stranger you can

1808

01:11:50,390 --> 01:11:48,000

rock up here

1809

01:11:51,990 --> 01:11:50,400

uh i can have 10 guests plus me so

1810

01:11:54,229 --> 01:11:52,000

eleven of us total

1811

01:11:57,270 --> 01:11:54,239

like celebrity squares or something

1812

01:11:58,950 --> 01:11:57,280

stephen if uh okay

1813

01:12:01,669 --> 01:11:58,960

when you i don't know all these people

1814

01:12:03,030 --> 01:12:01,679

hello how are you seriously

1815

01:12:31,189 --> 01:12:03,040

hello

1816

01:12:36,310 --> 01:12:32,790

a friend of mine just sent me a thing

1817

01:12:40,149 --> 01:12:36,320

saying that ohio right now is 50 like 50

1818

01:12:42,149 --> 01:12:40,159

percent trump 49 biden so like it's it's

1819

01:12:45,590 --> 01:12:42,159

close

1820

01:12:48,149 --> 01:12:45,600

that so surprises me about my home thing

1821

01:13:02,790 --> 01:12:48,159

that really surprises me

1822

01:13:02,800 --> 01:13:05,910

ever since

1823

01:13:11,590 --> 01:13:08,870

i've always thought ohio was red always

1824

01:13:14,390 --> 01:13:11,600

always always uh from

1825

01:13:16,149 --> 01:13:14,400

you know my family my parents families

1826

01:13:18,870 --> 01:13:16,159

you know it's oh they've always been

1827

01:13:20,709 --> 01:13:18,880

republican always

1828

01:13:22,709 --> 01:13:20,719

i remember just you know thanksgiving

1829

01:13:24,870 --> 01:13:22,719

dinner somebody would say

1830

01:13:27,830 --> 01:13:24,880

uh i don't know how anybody could be a

1831

01:13:30,630 --> 01:13:27,840

democrat and i remember that

1832

01:13:37,350 --> 01:13:30,640

and there's my family still liked that

1833

01:13:37,360 --> 01:13:40,070

what's that

1834

01:13:43,110 --> 01:13:41,590

oh [h__h] that was

1835

01:13:52,229 --> 01:13:43,120

that might have been me

1836

01:13:56,870 --> 01:13:54,149

um no it's just saying on sky news it

1837

01:13:59,030 --> 01:13:56,880

says protected victory trump

1838

01:14:00,790 --> 01:13:59,040

all right and then sort of

1839

01:14:03,189 --> 01:14:00,800

i can't clap my hands because i think

1840

01:14:04,470 --> 01:14:03,199

that scene i don't well

1841

01:14:05,590 --> 01:14:04,480

wait they're projecting trump's going to

1842

01:14:07,990 --> 01:14:05,600

win the whole thing or what are you

1843

01:14:11,030 --> 01:14:08,000

talking about i don't know i just seen a

1844

01:14:18,630 --> 01:14:11,040

rap thing rejecting trump

1845

01:14:23,510 --> 01:14:20,709

oh okay we're not going to have a state

1846

01:14:25,110 --> 01:14:23,520

update for 10 more minutes says six

1847

01:14:26,830 --> 01:14:25,120

cents

1848

01:14:30,709 --> 01:14:26,840

like

1849

01:14:34,709 --> 01:14:30,719

six protected winner trump 54 percent

1850

01:14:35,990 --> 01:14:34,719

530 thousand and 300 yeah by uh by half

1851
01:14:38,550 --> 01:14:36,000
a million

1852
01:14:43,030 --> 01:14:38,560
protected winner sky's column

1853
01:14:46,390 --> 01:14:44,709
seriously wow they're calling the whole

1854
01:14:48,149 --> 01:14:46,400
thing they're calling

1855
01:14:50,310 --> 01:14:48,159
paula is projecting the election for

1856
01:14:51,110 --> 01:14:50,320
trump already

1857
01:14:52,550 --> 01:14:51,120
oh

1858
01:14:57,750 --> 01:14:52,560
dear

1859
01:15:01,590 --> 01:14:59,669
i i have a feeling that if it gets

1860
01:15:03,350 --> 01:15:01,600
called for trump uh that's what we're

1861
01:15:05,830 --> 01:15:03,360
going to hear from biden come on man

1862
01:15:08,229 --> 01:15:05,840
we're not done all right

1863
01:15:10,229 --> 01:15:08,239

come on man

1864

01:15:11,830 --> 01:15:10,239

there's not many [h__h] slighty bars

1865

01:15:13,990 --> 01:15:11,840

sorry

1866

01:15:15,669 --> 01:15:14,000

a predicted winner yeah trump's 60

1867

01:15:18,070 --> 01:15:15,679

percent

1868

01:15:20,229 --> 01:15:18,080

oh they're all sorry stop the [h__h] stone

1869

01:15:21,590 --> 01:15:20,239

correct that was

1870

01:15:22,630 --> 01:15:21,600

oh man i'll show you what i'm dealing

1871

01:15:31,750 --> 01:15:22,640

with here

1872

01:15:35,669 --> 01:15:33,189

yeah i think it's way too early to call

1873

01:15:37,510 --> 01:15:35,679

the whole thing i know i know i'm sorry

1874

01:15:39,669 --> 01:15:37,520

i'm sorry it's not corrected on my

1875

01:15:41,510 --> 01:15:39,679

apology jesus

1876

01:15:43,590 --> 01:15:41,520

they were sliding the [h__\h] bars the

1877

01:15:46,310 --> 01:15:43,600

same [h__\h] trump protected winner

1878

01:15:47,990 --> 01:15:46,320

thought jesus [h__\h] what the [h__\h]

1879

01:15:51,270 --> 01:15:48,000

too early to call oh they're just

1880

01:15:55,270 --> 01:15:51,280

sliding bars like [h__\h] gobble [h__\h]

1881

01:15:57,510 --> 01:15:55,280

i think we're just all being [h__\h] with

1882

01:16:00,950 --> 01:15:57,520

a big psyop

1883

01:16:03,990 --> 01:16:00,960

we'll do an extent um the americans um

1884

01:16:06,229 --> 01:16:04,000

you americans as in users of people

1885

01:16:08,790 --> 01:16:06,239

i think you've dumped on your education

1886

01:16:10,790 --> 01:16:08,800

i i just find this well

1887

01:16:12,709 --> 01:16:10,800

only the only americans i meet are is

1888

01:16:14,950 --> 01:16:12,719

online because they're very students

1889

01:16:16,950 --> 01:16:14,960

very smart you're very well read

1890

01:16:18,709 --> 01:16:16,960

but as a nation

1891

01:16:32,149 --> 01:16:18,719

you know what the [h__h]

1892

01:16:37,110 --> 01:16:35,110

you just don't seem to read that's a

1893

01:16:38,470 --> 01:16:37,120

problem tonight we have ryan murphy

1894

01:16:39,990 --> 01:16:38,480

richards playing the part of pierce

1895

01:16:42,630 --> 01:16:40,000

morgan telling us what's wrong with

1896

01:16:43,510 --> 01:16:42,640

america why do english guys do that no

1897

01:16:48,630 --> 01:16:43,520

no

1898

01:16:50,310 --> 01:16:48,640

an american guy like in front of big ben

1899

01:16:52,870 --> 01:16:50,320

going let me tell you what's wrong with

1900

01:16:55,830 --> 01:16:52,880

england but we get english dudes coming

1901

01:16:57,910 --> 01:16:55,840

over here all the time

1902

01:17:11,510 --> 01:16:57,920

oh he's irish okay all right well then

1903

01:17:14,470 --> 01:17:13,350

you're born in your country that's your

1904

01:17:20,709 --> 01:17:14,480

country

1905

01:17:25,189 --> 01:17:22,790

my grandparents were irish immigrants

1906

01:17:27,189 --> 01:17:25,199

though when grandparents were irish

1907

01:17:29,270 --> 01:17:27,199

they came from dublin

1908

01:17:31,430 --> 01:17:29,280

why is clinging on to this

1909

01:17:32,790 --> 01:17:31,440

straight make your own history what the

1910

01:17:34,310 --> 01:17:32,800

[h__h] what are you saying well people

1911

01:17:36,470 --> 01:17:34,320

like their heritage

1912

01:17:41,669 --> 01:17:36,480

so i'm halfway i'm half irish and half

1913

01:17:46,550 --> 01:17:44,550

this is this is a constant thing with

1914

01:17:48,709 --> 01:17:46,560

people from america they always have to

1915

01:17:53,830 --> 01:17:48,719

be something different just be american

1916

01:17:59,030 --> 01:17:56,630

darling you make a lot of people

1917

01:18:01,270 --> 01:17:59,040

i'm sorry i don't think i'm i'm drunk no

1918

01:18:03,510 --> 01:18:01,280

it's fine

1919

01:18:05,350 --> 01:18:03,520

no i i didn't mean that i totally gave

1920

01:18:10,149 --> 01:18:05,360

you what i'm saying though i do i don't

1921

01:18:15,669 --> 01:18:12,630

i'm irish i'm mexican i'm not a man i'm

1922

01:18:23,669 --> 01:18:18,630

yeah

1923

01:18:38,830 --> 01:18:23,679

we're always we're always bombing people

1924

01:18:44,390 --> 01:18:41,990

bro if you're gonna go to bomb northern

1925

01:18:46,550 --> 01:18:44,400

ireland are you yeah no

1926

01:18:48,870 --> 01:18:46,560

not the first time no we only bomb we

1927

01:18:50,709 --> 01:18:48,880

only bomb brown people we only bomb

1928

01:19:08,229 --> 01:18:50,719

brown or black people we don't bomb

1929

01:19:14,149 --> 01:19:11,030

hopefully oh okay i would like to pose a

1930

01:19:17,510 --> 01:19:14,159

question to our friends across the pond

1931

01:19:19,590 --> 01:19:17,520

uh just really quickly uh and this does

1932

01:19:22,709 --> 01:19:19,600

relate to what you were talking about is

1933

01:19:24,709 --> 01:19:22,719

that you know america is not laughed at

1934

01:19:28,070 --> 01:19:24,719

these days but okay i have to ask you

1935

01:19:30,310 --> 01:19:28,080

guys really uh your water systems all of

1936

01:19:32,390 --> 01:19:30,320

your water systems that you know the

1937

01:19:35,430 --> 01:19:32,400

pipe into your house uh do you guys

1938

01:19:36,630 --> 01:19:35,440

have fluoride added to your water like

1939

01:19:39,350 --> 01:19:36,640

oh my god

1940

01:19:40,229 --> 01:19:39,360

yeah wait well

1941

01:19:42,070 --> 01:19:40,239

yeah

1942

01:19:44,550 --> 01:19:42,080

thing the england water systems have

1943

01:19:46,550 --> 01:19:44,560

different independent water systems oh

1944

01:19:51,910 --> 01:19:46,560

[h__h] that wasn't even directed at me i

1945

01:19:55,990 --> 01:19:53,590

well the england systems have different

1946

01:19:57,590 --> 01:19:56,000

water systems which i'm going to have

1947

01:19:59,350 --> 01:19:57,600

as i said with northern ireland has its

1948

01:20:01,590 --> 01:19:59,360

own water system and they don't have to

1949

01:20:04,229 --> 01:20:01,600

ride the republic does

1950

01:20:05,990 --> 01:20:04,239

but the northern ireland doesn't and new

1951

01:20:09,030 --> 01:20:06,000

man from england they they pay for the

1952

01:20:12,550 --> 01:20:10,870

um the deal right and i'm sorry i'm

1953

01:20:14,709 --> 01:20:12,560

gonna leave it

1954

01:20:16,709 --> 01:20:14,719

oh we have a new panel member here air

1955

01:20:21,590 --> 01:20:16,719

[h__\h] lines

1956

01:20:21,600 --> 01:20:25,270

[Music]

1957

01:20:37,110 --> 01:20:27,590

i'm gonna solo them for a second there

1958

01:20:41,669 --> 01:20:38,630

they have themselves muted i don't have

1959

01:20:45,350 --> 01:20:41,679

them muted so that's brandon

1960

01:20:50,470 --> 01:20:47,669

yeah there okay mark tirana

1961

01:20:53,110 --> 01:20:50,480

in the chat says there's fluoride added

1962

01:20:55,830 --> 01:20:53,120

to australian water okay

1963

01:20:57,910 --> 01:20:55,840

uh for a long time there was a whole lot

1964

01:21:00,790 --> 01:20:57,920

of controversy about that and now we

1965

01:21:03,030 --> 01:21:00,800

don't hear a single spec about it not a

1966

01:21:05,750 --> 01:21:03,040

word about it but why are they adding

1967

01:21:07,590 --> 01:21:05,760

fluoride to our water y'all and i

1968

01:21:09,750 --> 01:21:07,600

already know the answer but do you guys

1969

01:21:10,950 --> 01:21:09,760

know why they're doing it you know

1970

01:21:13,990 --> 01:21:10,960

what's interesting robin there's no

1971

01:21:16,229 --> 01:21:14,000

fluoride in the water in my township and

1972

01:21:18,229 --> 01:21:16,239

that's rare in the united states

1973

01:21:20,790 --> 01:21:18,239

it is pretty rare yeah but there's no

1974

01:21:22,229 --> 01:21:20,800

fluoride and my wife even mentioned that

1975

01:21:24,790 --> 01:21:22,239

when we looked at this house she's like

1976

01:21:26,870 --> 01:21:24,800

you'll be happy mr conspiracy guy

1977

01:21:29,189 --> 01:21:26,880

there's no fluoride in the water here

1978

01:21:30,870 --> 01:21:29,199

and i said this is the house for us

1979

01:21:33,430 --> 01:21:30,880

i think i think the fluoride is in our

1980

01:21:35,669 --> 01:21:33,440

water to uh protect us or counteract us

1981

01:21:38,310 --> 01:21:35,679

from the dangerous chemtrails that are

1982

01:21:47,990 --> 01:21:39,669

i love you

1983

01:21:51,830 --> 01:21:50,149

well ostensibly it's supposed to be to

1984

01:21:53,510 --> 01:21:51,840

prevent tooth decay

1985

01:21:56,470 --> 01:21:53,520

but the levels that they're putting in

1986

01:21:59,830 --> 01:21:56,480

water way too high most experts agree

1987

01:22:02,629 --> 01:21:59,840

and you know what fluoride was found to

1988

01:22:06,390 --> 01:22:02,639

have uh prevented tooth decay however

1989

01:22:08,709 --> 01:22:06,400

only only only as a topical application

1990

01:22:11,510 --> 01:22:08,719

and when they applied it topically back

1991

01:22:14,950 --> 01:22:11,520

when it was first introduced they used

1992

01:22:18,709 --> 01:22:14,960

dams and so that you would not ingest it

1993

01:22:23,030 --> 01:22:18,719

uh they used to give it to prisoners of

1994

01:22:24,629 --> 01:22:23,040

war back during world war one

1995

01:22:26,709 --> 01:22:24,639

well that's interesting

1996

01:22:29,270 --> 01:22:26,719

doesn't it is it doesn't cause

1997

01:22:31,350 --> 01:22:29,280

people to become very docile or more a

1998

01:22:35,110 --> 01:22:31,360

complacent complacent

1999

01:22:36,830 --> 01:22:35,120

uh uh docile yes yes yes

2000

01:22:39,189 --> 01:22:36,840

you can google

2001

01:22:41,350 --> 01:22:39,199

it let's put that in the water calm

2002

01:22:47,910 --> 01:22:41,360

these [h__h] right down right

2003

01:22:53,350 --> 01:22:50,709

yeah yeah why not just put weed in all

2004

01:22:55,270 --> 01:22:53,360

the baked goods there it is

2005

01:22:56,790 --> 01:22:55,280

put thc in the in the drinking water

2006

01:22:59,669 --> 01:22:56,800

we'll all be nice and

2007

01:23:00,390 --> 01:22:59,679

relaxed after this

2008

01:23:03,030 --> 01:23:00,400

and

2009

01:23:04,550 --> 01:23:03,040

when we'll all feel good about it that's

2010

01:23:07,510 --> 01:23:04,560

right

2011

01:23:10,470 --> 01:23:07,520

yeah yeah but isn't that interesting

2012

01:23:12,470 --> 01:23:10,480

that the car is in the water

2013

01:23:15,149 --> 01:23:12,480

i think aircock

2014

01:23:20,629 --> 01:23:15,159

flies uh those chemtrails over ryan

2015

01:23:24,070 --> 01:23:22,149

do you have chem trails over there buddy

2016

01:23:28,229 --> 01:23:24,080

you got chemtrails

2017

01:23:31,270 --> 01:23:28,239

i never bothered to look before um yeah

2018

01:23:41,560 --> 01:23:31,280

no i already know they're in control

2019

01:23:41,570 --> 01:23:57,669

[Music]

2020

01:24:25,990 --> 01:24:00,229

does anybody have more elections

2021

01:24:38,070 --> 01:24:28,070

okay maybe somebody in the chat could

2022

01:24:57,030 --> 01:24:41,110

trump ended the the chemtrail program or

2023

01:25:00,550 --> 01:24:58,629

here now we're not gonna ask they were

2024

01:25:02,229 --> 01:25:00,560

like the the richard dolan sort of

2025

01:25:03,830 --> 01:25:02,239

aspect of this [h__h]

2026

01:25:04,950 --> 01:25:03,840

the thing i'd listen i listened to your

2027

01:25:06,709 --> 01:25:04,960

[h__\h]

2028

01:25:09,189 --> 01:25:06,719

i know but he went down and then i won

2029

01:25:12,470 --> 01:25:09,199

that memory with he was doing that um

2030

01:25:14,070 --> 01:25:12,480

wesley wesley [h__\h] he was a writ

2031

01:25:15,910 --> 01:25:14,080

well i don't know i i haven't seen who

2032

01:25:17,830 --> 01:25:15,920

happens but i remember do you remember

2033

01:25:19,990 --> 01:25:17,840

them saying i used to [h__\h]

2034

01:25:37,190 --> 01:25:20,000

uh my eyebrows all the [h__\h] series

2035

01:25:37,200 --> 01:25:53,270

[Music]

2036

01:25:56,310 --> 01:25:55,189

but no that is think

2037

01:25:58,709 --> 01:25:56,320

stable

2038

01:26:00,870 --> 01:25:58,719

the [h__\h] is it well thinking whatever

2039

01:26:04,229 --> 01:26:00,880

and the [h__\h] we dude when he had the

2040

01:26:08,229 --> 01:26:04,239

whole interview like [h__\h] the nhs or

2041

01:26:10,470 --> 01:26:08,239

not the nhs well that's good

2042

01:26:12,390 --> 01:26:10,480

the guard the guard that [h__\h] broke

2043

01:26:14,550 --> 01:26:12,400

free from when he had a gun and there

2044

01:26:17,030 --> 01:26:14,560

was a finger tip it was like a whole

2045

01:26:18,790 --> 01:26:17,040

[h__\h] big long thing

2046

01:26:20,709 --> 01:26:18,800

and i had downloaded them it was like

2047

01:26:22,870 --> 01:26:20,719

the first time i downloaded [h__\h]

2048

01:26:24,149 --> 01:26:22,880

david [h__\h] [h__\h] ones

2049

01:26:25,350 --> 01:26:24,159

but um

2050

01:26:27,110 --> 01:26:25,360

but the

2051

01:26:29,430 --> 01:26:27,120

i would call them getting the name wrong

2052

01:26:32,470 --> 01:26:29,440

copy out here people no

2053

01:26:38,650 --> 01:26:32,480

steve on the stream

2054

01:26:46,790 --> 01:26:45,110

[Music]

2055

01:26:49,189 --> 01:26:46,800

yeah they've been out for a while

2056

01:26:51,189 --> 01:26:49,199

actually or again

2057

01:26:53,910 --> 01:26:51,199

what the [h__\h] is his name is it wesley

2058

01:26:55,110 --> 01:26:53,920

something steve oh help me out here

2059

01:26:57,350 --> 01:26:55,120

i'm not sure who you're talking are you

2060

01:27:17,110 --> 01:26:57,360

talking about s4 informers

2061

01:27:22,310 --> 01:27:19,510

the blender obviously it's so good

2062

01:27:24,870 --> 01:27:22,320

randall randall how do you exactly so

2063

01:27:27,510 --> 01:27:24,880

hello i stand correctly how do you even

2064

01:27:29,590 --> 01:27:27,520

[h__h] remember a name called wendell

2065

01:27:37,590 --> 01:27:29,600

yeah you should remember an evil [h__h]

2066

01:27:43,350 --> 01:27:40,550

one of his boy numbers on a [h__h] hill

2067

01:27:49,510 --> 01:27:43,360

on a tree sound i'll give you yeah that

2068

01:27:53,350 --> 01:27:51,030

wendell stevens from running with the

2069

01:27:55,350 --> 01:27:53,360

story that he was a guard at area 51 and

2070

01:27:56,390 --> 01:27:55,360

knew where the aliens were it was all

2071

01:27:58,950 --> 01:27:56,400

[h__h]

2072

01:28:01,110 --> 01:27:58,960

yes i stephen theater jack that's the

2073

01:28:03,110 --> 01:28:01,120

[h__h] the copy into the [h__h] obviously

2074

01:28:05,189 --> 01:28:03,120

you got the eyes to open the thing for

2075

01:28:07,350 --> 01:28:05,199

your [h__h] i'm not [h__h] fawning my

2076

01:28:09,430 --> 01:28:07,360

picture [\h__\h] just cutting the contact

2077

01:28:27,110 --> 01:28:09,440

let's see

2078

01:28:32,149 --> 01:28:30,550

him back there you go there's dan

2079

01:28:34,950 --> 01:28:32,159

and uh

2080

01:28:36,790 --> 01:28:34,960

we still have election anxiety but

2081

01:28:37,830 --> 01:28:36,800

they're not saying anything i think

2082

01:28:38,709 --> 01:28:37,840

that's

2083

01:28:40,950 --> 01:28:38,719

maybe

2084

01:28:43,910 --> 01:28:40,960

the link i put in the stream chat what

2085

01:28:45,030 --> 01:28:43,920

are you drinking uh no i didn't hold on

2086

01:28:46,390 --> 01:28:45,040

what's the heck

2087

01:28:49,030 --> 01:28:46,400

what are you drinking on

2088

01:28:49,990 --> 01:28:49,040

a little a little bourbon tonight oh

2089

01:28:51,910 --> 01:28:50,000

right on

2090

01:28:54,390 --> 01:28:51,920

well you can

2091

01:28:56,390 --> 01:28:54,400

i have to go spooky i have to go to our

2092

01:28:58,550 --> 01:28:56,400

actual youtube chat to be able to share

2093

01:29:02,229 --> 01:28:58,560

that so let me do that oh with the

2094

01:29:05,830 --> 01:29:04,070

um i don't know what the [h__h] does the

2095

01:29:07,270 --> 01:29:05,840

bbc behind the [h__h]

2096

01:29:10,390 --> 01:29:07,280

okay joseph

2097

01:29:12,310 --> 01:29:10,400

in the chat joseph opprisco it's [h__h]

2098

01:29:14,390 --> 01:29:12,320

up how every source has completely

2099

01:29:15,990 --> 01:29:14,400

different numbers you know what yeah i

2100

01:29:18,950 --> 01:29:16,000

was just about to say that pop some

2101

01:29:36,390 --> 01:29:18,960

popcorn uh pour yourself a drink put

2102

01:29:44,070 --> 01:29:40,870

here uh let me uh stop the old chair

2103

01:29:46,709 --> 01:29:44,080

yeah there we go and i have a new oh

2104

01:29:46,719 --> 01:30:01,590

new to share oh it's not to watch

2105

01:30:07,110 --> 01:30:04,390

trump now leading in pennsylvania 49.1

2106

01:30:09,350 --> 01:30:07,120

to 47 with twenty five percent

2107

01:30:15,669 --> 01:30:09,360

reporting

2108

01:30:20,470 --> 01:30:17,030

that's probably just the [h__h] early

2109

01:30:23,110 --> 01:30:20,480

votes that people cast 25 percent yeah

2110

01:30:25,510 --> 01:30:23,120

spooky i gotta i have visual problems so

2111

01:30:29,750 --> 01:30:27,350

uh okay

2112

01:30:30,870 --> 01:30:29,760

i i really dig that that all the news

2113

01:30:34,790 --> 01:30:30,880

stations the majority of the news

2114

01:30:39,270 --> 01:30:36,950

keep calm vote do what you got to do

2115

01:31:08,229 --> 01:30:39,280

relax have a drink anything but then

2116

01:31:11,830 --> 01:31:09,510

going to be the next president of the

2117

01:31:14,870 --> 01:31:11,840

united states hi are you going to deal

2118

01:31:20,790 --> 01:31:16,550

i don't know who you're asking

2119

01:31:28,790 --> 01:31:23,030

oh [h__h] oh [h__h] blanche the odds of

2120

01:31:28,800 --> 01:31:47,430

that's

2121

01:31:50,870 --> 01:31:49,030

as far as election news you can put it

2122

01:31:52,629 --> 01:31:50,880

in the live chat and i'm monitoring that

2123

01:31:54,070 --> 01:31:52,639

and can go over to our live chat i can't

2124

01:31:55,990 --> 01:31:54,080

share it from my stream your chat but i

2125

01:31:57,189 --> 01:31:56,000

can share it from the youtube chat so if

2126

01:31:59,030 --> 01:31:57,199

there's anything

2127

01:32:01,430 --> 01:31:59,040

you know we can share it because this

2128

01:32:04,149 --> 01:32:01,440

thing hasn't updated in a while

2129

01:32:08,390 --> 01:32:04,159

it's been 129 115 for 30 minutes now and

2130

01:32:16,950 --> 01:32:09,669

don't worry about it don't worry about

2131

01:32:20,709 --> 01:32:18,149

do you guys think that this is like the

2132

01:32:22,709 --> 01:32:20,719

most like [h__h] up election of like our

2133

01:32:26,629 --> 01:32:22,719

lifetime i mean all seriousness yeah

2134

01:32:27,910 --> 01:32:26,639

absolutely isn't every election

2135

01:32:29,910 --> 01:32:27,920

no that's a good point but here's what i

2136

01:32:31,430 --> 01:32:29,920

was thinking about today

2137

01:32:32,870 --> 01:32:31,440

in all of these in all of these past

2138

01:32:34,790 --> 01:32:32,880

elections like since i've been alive i

2139

01:32:36,310 --> 01:32:34,800

always hear people say you know i didn't

2140

01:32:37,110 --> 01:32:36,320

really like the guy

2141

01:32:39,189 --> 01:32:37,120

but

2142

01:32:41,510 --> 01:32:39,199

he he basically believes like i don't

2143

01:32:44,149 --> 01:32:41,520

know 80 of what i do so like i voted for

2144

01:32:45,990 --> 01:32:44,159

him but i feel like in this election and

2145

01:32:48,070 --> 01:32:46,000

again i'm not trying to i'm not trying

2146

01:32:49,430 --> 01:32:48,080

to like crap on the left because i think

2147

01:32:51,030 --> 01:32:49,440

it's kind of on the right too but it's

2148

01:32:52,550 --> 01:32:51,040

like this is like the first election i

2149

01:32:54,390 --> 01:32:52,560

could think of or i've heard people say

2150

01:32:56,950 --> 01:32:54,400

like if you're voting for trump

2151

01:32:59,430 --> 01:32:56,960

like you're a fascist traitor

2152

01:33:01,030 --> 01:32:59,440

like piece of [h__h] racist

2153

01:33:03,350 --> 01:33:01,040

i don't feel like i don't feel like i've

2154

01:33:06,790 --> 01:33:03,360

heard that same thing before i mean like

2155

01:33:08,950 --> 01:33:06,800

i voted for bush in in like 04

2156

01:33:10,390 --> 01:33:08,960

and you you didn't hear people really

2157

01:33:13,110 --> 01:33:10,400

talking like that even though like and i

2158

01:33:14,149 --> 01:33:13,120

voted for obama you know it updated it

2159

01:33:16,390 --> 01:33:14,159

up there

2160

01:33:18,550 --> 01:33:16,400

just a quick rebuttal t i and and please

2161

01:33:20,550 --> 01:33:18,560

dan please continue uh no no remember

2162

01:33:22,709 --> 01:33:20,560

when bush when bush uh

2163

01:33:25,830 --> 01:33:22,719

was in uh or in office and the hurdle

2164

01:33:29,350 --> 01:33:25,840

hurricanes happen and then you got crazy

2165

01:33:31,110 --> 01:33:29,360

canine wet or kind whatever kanye kanye

2166

01:33:33,110 --> 01:33:31,120

am i saying that right kanye west goes

2167

01:33:34,629 --> 01:33:33,120

on television says bush doesn't like

2168

01:33:37,510 --> 01:33:34,639

black people i think that was kind of

2169

01:33:40,390 --> 01:33:37,520

like the beginning of like what has

2170

01:33:43,110 --> 01:33:40,400

become now it's funniest

2171

01:33:45,830 --> 01:33:44,870

i mean there's a lot of interesting

2172

01:33:48,790 --> 01:33:45,840

things

2173

01:33:50,149 --> 01:33:48,800

in terms of like a more sort of fraud

2174

01:33:51,910 --> 01:33:50,159

like

2175

01:33:53,430 --> 01:33:51,920

general opinion that i'm seeing across

2176

01:33:55,430 --> 01:33:53,440

the board when it comes to people on the

2177

01:33:57,270 --> 01:33:55,440

left is like if you're voting for trump

2178

01:33:59,189 --> 01:33:57,280

like like we there's like no like we

2179

01:34:00,629 --> 01:33:59,199

talked about on the other night like you

2180

01:34:02,390 --> 01:34:00,639

can't you can't have common ground

2181

01:34:05,350 --> 01:34:02,400

anymore like we're not allowed to like

2182

01:34:07,350 --> 01:34:05,360

we're not we're not allowed to like yeah

2183

01:34:09,430 --> 01:34:07,360

and and like agree on [h__h] anymore it's

2184

01:34:10,629 --> 01:34:09,440

like you're basically on this side or

2185

01:34:12,950 --> 01:34:10,639

the other side

2186

01:34:15,990 --> 01:34:12,960

yeah and if you're not on my side you're

2187

01:34:17,590 --> 01:34:16,000

gonna give to me yeah

2188

01:34:19,270 --> 01:34:17,600

just to update the people that are

2189

01:34:21,270 --> 01:34:19,280

actually here for election news i don't

2190

01:34:24,470 --> 01:34:21,280

know why they would be but okay

2191

01:34:27,430 --> 01:34:24,480

uh we have biden at 115 electoral

2192

01:34:30,550 --> 01:34:27,440

college votes and trump at 135 according

2193

01:34:32,229 --> 01:34:30,560

to this website 270 to win.com

2194

01:34:33,910 --> 01:34:32,239

so this is like the only website that

2195

01:34:35,669 --> 01:34:33,920

everybody's posted that's like got trump

2196

01:34:37,510 --> 01:34:35,679

winning everybody else had like biden

2197

01:34:39,350 --> 01:34:37,520

[h__h] ahead of trump

2198

01:34:41,910 --> 01:34:39,360

yeah it seems to be even fox news has

2199

01:34:43,990 --> 01:34:41,920

bite in the head right now really

2200

01:34:45,350 --> 01:34:44,000

yeah really yeah see

2201

01:34:47,430 --> 01:34:45,360

man this

2202

01:34:49,270 --> 01:34:47,440

this is making us all

2203

01:34:51,110 --> 01:34:49,280

right

2204

01:34:54,390 --> 01:34:51,120

i've seen i don't can't excuse the

2205

01:34:57,669 --> 01:34:56,229

come on you seen him creeping over we

2206

01:34:59,270 --> 01:34:57,679

dolls you're gonna have to [h__h]

2207

01:35:01,270 --> 01:34:59,280

answer that sort of question no you're

2208

01:35:02,629 --> 01:35:01,280

not

2209

01:35:04,229 --> 01:35:02,639

no

2210

01:35:06,310 --> 01:35:04,239

wait what's the question

2211

01:35:08,229 --> 01:35:06,320

i'm so confused what's the question

2212

01:35:11,189 --> 01:35:08,239

brother is it

2213

01:35:11,990 --> 01:35:11,199

it's stupid that's teen i know [\h__\h]

2214

01:35:19,830 --> 01:35:12,000

you

2215

01:35:23,350 --> 01:35:21,510

as every [\h__\h] candidate does for

2216

01:35:25,030 --> 01:35:23,360

[\h__\h] years they fire these garbage

2217

01:35:26,629 --> 01:35:25,040

ass shots at each other and then they

2218

01:35:28,070 --> 01:35:26,639

let us decide later on that's all it's

2219

01:35:29,110 --> 01:35:28,080

been that's how it's been for [\h__\h]

2220

01:35:31,910 --> 01:35:29,120

years

2221

01:35:34,149 --> 01:35:31,920

yes and it's just gotten worse as far as

2222

01:35:35,910 --> 01:35:34,159

i don't know why you're actually i don't

2223

01:35:38,149 --> 01:35:35,920

there's a lot of money in your election

2224

01:35:39,189 --> 01:35:38,159

it's a whole industry in itself to an

2225

01:35:40,950 --> 01:35:39,199

extent

2226

01:35:43,430 --> 01:35:40,960

well it's [h__h] is and it's [h__h]

2227

01:35:46,550 --> 01:35:43,440

insidious it just eats itself it just

2228

01:35:47,910 --> 01:35:46,560

goes on and on and on and

2229

01:35:49,510 --> 01:35:47,920

but

2230

01:35:50,950 --> 01:35:49,520

i don't know if i've been watching too

2231

01:35:53,189 --> 01:35:50,960

much many conspiracy that's where

2232

01:35:58,470 --> 01:35:53,199

they're [h__h] is due by not a creepy

2233

01:36:01,990 --> 01:36:00,310

i'm still getting texts from people that

2234

01:36:05,350 --> 01:36:02,000

want me to vote and i think the polls

2235

01:36:11,350 --> 01:36:07,430

the polls are closed so that's me right

2236

01:36:15,350 --> 01:36:13,750

not a creepy [h__h] that [h__h] when he does

2237

01:36:16,709 --> 01:36:15,360

you know what i mean i heard a god i'm

2238

01:36:20,550 --> 01:36:16,719

not he'd bring that up in that accident

2239

01:36:22,870 --> 01:36:21,669

what the [\h__\h]

2240

01:36:25,189 --> 01:36:22,880

i know

2241

01:36:27,270 --> 01:36:25,199

he's a sniffer you know i'm not looking

2242

01:36:29,430 --> 01:36:27,280

for things but this is these are your

2243

01:36:30,790 --> 01:36:29,440

electoral parties it's

2244

01:36:32,470 --> 01:36:30,800

one that brings you back to the world

2245

01:36:34,629 --> 01:36:32,480

santa book if you're going to deal with

2246

01:36:36,870 --> 01:36:34,639

proportional representation small people

2247

01:36:38,950 --> 01:36:36,880

in government so they all have to say so

2248

01:36:40,950 --> 01:36:38,960

they can all say no i'm not having it

2249

01:36:42,229 --> 01:36:40,960

might stop government it does [\h__\h] off

2250

01:36:44,229 --> 01:36:42,239

government

2251

01:36:44,950 --> 01:36:44,239

that's how it [\h__\h] works

2252

01:36:48,229 --> 01:36:44,960

but

2253

01:36:49,750 --> 01:36:48,239

you have a two-party assistant

2254

01:36:51,990 --> 01:36:49,760

what the [\h__\h] there's a polling place in

2255

01:36:55,030 --> 01:36:52,000

orange county i know i would like to

2256

01:36:56,310 --> 01:36:55,040

have like a 17 party system give me more

2257

01:36:57,590 --> 01:36:56,320

toys

2258

01:37:01,109 --> 01:36:57,600

there should be a lot more than two

2259

01:37:04,629 --> 01:37:02,709

i mean

2260

01:37:06,870 --> 01:37:04,639

top died that's what's making you

2261

01:37:09,189 --> 01:37:06,880

[\h__\h] you young's a bit silly

2262

01:37:11,990 --> 01:37:09,199

read a book

2263

01:37:14,070 --> 01:37:12,000

choices says one at a time please yeah i

2264

01:37:16,550 --> 01:37:14,080

agree but it's difficult when there's

2265

01:37:18,229 --> 01:37:16,560

you know seven of us here

2266

01:37:19,910 --> 01:37:18,239

you know i'm taking the past lives

2267

01:37:21,030 --> 01:37:19,920

that's why i meet myself when i'm not

2268

01:37:23,109 --> 01:37:21,040

talking

2269

01:37:25,189 --> 01:37:23,119

yeah that's a good idea if anybody would

2270

01:37:26,310 --> 01:37:25,199

like to do that that may be helpful

2271

01:37:29,750 --> 01:37:26,320

does that help you

2272

01:37:32,790 --> 01:37:29,760

good english slimey over there i love it

2273

01:37:39,030 --> 01:37:32,800

almighty says yes ryan he's a creepy

2274

01:37:45,669 --> 01:37:41,270

yeah i'm going to meet the south sorry

2275

01:37:45,679 --> 01:37:51,030

joe biden is a very

2276

01:37:55,270 --> 01:37:53,109

ap news reports pennsylvania emerged as

2277

01:37:56,550 --> 01:37:55,280

a hot spot for online misinformation on

2278

01:37:58,950 --> 01:37:56,560

election day

2279

01:38:02,629 --> 01:37:58,960

i uh somewhat agree and then i somewhat

2280

01:38:03,990 --> 01:38:02,639

disagree uh i shared some uh republican

2281

01:38:05,830 --> 01:38:04,000

people that were not allowed in the

2282

01:38:08,310 --> 01:38:05,840

polling places and then the district

2283

01:38:11,030 --> 01:38:08,320

attorney of philadelphia uh there's my

2284

01:38:12,950 --> 01:38:11,040

maya culpa said uh no those were

2285

01:38:14,950 --> 01:38:12,960

isolated incidents but the problem is

2286

01:38:16,950 --> 01:38:14,960

those were at least eight isolated

2287

01:38:19,109 --> 01:38:16,960

incidents that i was able to track down

2288

01:38:21,109 --> 01:38:19,119

where republican poll watchers were

2289

01:38:23,030 --> 01:38:21,119

turned away and not allowed in

2290

01:38:25,109 --> 01:38:23,040

they had to get the police involved and

2291

01:38:26,950 --> 01:38:25,119

then when the publicity started to mail

2292

01:38:29,270 --> 01:38:26,960

the philadelphia authorities stepped in

2293

01:38:30,790 --> 01:38:29,280

and said these were isolated incidents

2294

01:38:33,270 --> 01:38:30,800

people weren't aware of the rules and

2295

01:38:35,270 --> 01:38:33,280

we've uh rectified it and near as i

2296

01:38:38,229 --> 01:38:35,280

could tell as of uh

2297

01:38:41,109 --> 01:38:38,239

about 3 p.m or 4 p.m today they were

2298

01:38:43,030 --> 01:38:41,119

letting the poll watchers in so

2299

01:38:44,390 --> 01:38:43,040

it is what it is though yeah but i mean

2300

01:38:45,430 --> 01:38:44,400

if those guys were over there at like 10

2301

01:38:46,790 --> 01:38:45,440

o'clock in the morning and then they

2302

01:38:48,229 --> 01:38:46,800

didn't let them in until three if there

2303

01:38:50,070 --> 01:38:48,239

was something shady going on over there

2304

01:38:52,470 --> 01:38:50,080

it's [h__h] already done by that point

2305

01:38:54,310 --> 01:38:52,480

not saying that there was but i mean if

2306

01:38:56,709 --> 01:38:54,320

it's like you wait five hours to let

2307

01:39:01,669 --> 01:38:56,719

them in what's done is done is at that

2308

01:39:06,790 --> 01:39:03,669

and i'm just looking at fox news is

2309

01:39:09,350 --> 01:39:06,800

projecting right now joe biden with 129

2310

01:39:11,030 --> 01:39:09,360

electoral college votes and donald trump

2311

01:39:13,350 --> 01:39:11,040

with 109

2312

01:39:15,669 --> 01:39:13,360

which is it's kind of crazy to me that

2313

01:39:17,590 --> 01:39:15,679

even a very libera or

2314

01:39:20,709 --> 01:39:17,600

you know right leaning uh news

2315

01:39:29,290 --> 01:39:20,719

organization has biden ahead

2316

01:39:33,990 --> 01:39:32,390

[Music]

2317

01:39:35,910 --> 01:39:34,000

i absolutely agree creepy as [h__h] blah

2318

01:39:37,830 --> 01:39:35,920

blah dude i don't honestly don't know

2319

01:39:40,870 --> 01:39:37,840

how anyone can vote for him well you

2320

01:39:42,870 --> 01:39:40,880

know i my whole thing is like yeah he

2321

01:39:44,709 --> 01:39:42,880

seems a little creepy smells kid's hair

2322

01:39:46,629 --> 01:39:44,719

and [h__h] women's hair that is [h__h]

2323

01:39:48,070 --> 01:39:46,639

creepy as [h__h] i wouldn't do that crap

2324

01:39:50,149 --> 01:39:48,080

but i also

2325

01:39:52,870 --> 01:39:50,159

wouldn't [h__h] some porn star

2326

01:39:54,870 --> 01:39:52,880

uh after my wife just had a kid so and

2327

01:40:00,070 --> 01:39:54,880

pay her off get out there

2328

01:40:03,990 --> 01:40:01,830

people can do what they wish

2329

01:40:21,189 --> 01:40:04,000

their own in their sexual life seriously

2330

01:40:24,790 --> 01:40:23,109

women in my life

2331

01:40:26,470 --> 01:40:24,800

and that's because i got scared to [h__h]

2332

01:40:29,109 --> 01:40:26,480

going in the 80s

2333

01:40:31,109 --> 01:40:29,119

watching you know my friends died hiv

2334

01:40:34,470 --> 01:40:31,119

back in the day

2335

01:40:36,870 --> 01:40:34,480

and uh hey give me a second right so uh

2336

01:40:38,550 --> 01:40:36,880

my whole thing is

2337

01:40:40,550 --> 01:40:38,560

you know when you when you

2338

01:40:42,550 --> 01:40:40,560

when i when i watch my friends you know

2339

01:40:44,149 --> 01:40:42,560

have multiple girlfriends with multiple

2340

01:40:46,149 --> 01:40:44,159

i'm having multiple kids with multiple

2341

01:40:48,229 --> 01:40:46,159

girlfriends and then later on you know

2342

01:40:51,350 --> 01:40:48,239

passing away you know it scared the [h__h]

2343

01:40:53,669 --> 01:40:51,360

out of me i'm sitting here like

2344

01:40:55,270 --> 01:40:53,679

[h__h] that i i ended up literally just my

2345

01:41:02,950 --> 01:40:55,280

first girlfriend

2346

01:41:07,430 --> 01:41:05,270

here away at a time please don't worry

2347

01:41:09,750 --> 01:41:07,440

please i don't believe in uh

2348

01:41:11,030 --> 01:41:09,760

cheating on uh someone that i claim to

2349

01:41:12,870 --> 01:41:11,040

love so

2350

01:41:15,270 --> 01:41:12,880

let's just follow me to it

2351

01:41:22,130 --> 01:41:15,280

cheated

2352

01:41:22,140 --> 01:41:30,950

[Music]

2353

01:41:35,510 --> 01:41:32,790

your political part about the state of

2354

01:41:37,109 --> 01:41:35,520

the united states skill systems higher

2355

01:41:38,550 --> 01:41:37,119

they [h__\h] hi they're [h__\h] taking

2356

01:41:40,390 --> 01:41:38,560

money out of the school system just

2357

01:41:42,470 --> 01:41:40,400

[h__\h] on the military and how the

2358

01:41:44,709 --> 01:41:42,480

meltdown

2359

01:41:48,470 --> 01:41:44,719

i mean so you know take that point and

2360

01:41:51,750 --> 01:41:49,830

make that point

2361

01:41:53,990 --> 01:41:51,760

make the point of how you [h__\h] spend

2362

01:41:56,470 --> 01:41:54,000

all the taxpayers money on [h__\h]

2363

01:41:58,790 --> 01:41:56,480

military expenditure and i'm this isn't

2364

01:42:00,950 --> 01:41:58,800

in my [h__\h] country but how you're

2365

01:42:02,790 --> 01:42:00,960

just wasting all this money

2366

01:42:04,629 --> 01:42:02,800

or it could be [h__\h] all right

2367

01:42:05,430 --> 01:42:04,639

let me let me i'll have an answer yeah

2368

01:42:06,870 --> 01:42:05,440

yeah

2369

01:42:08,149 --> 01:42:06,880

i'm gonna shut up um

2370

01:42:11,030 --> 01:42:08,159

the the

2371

01:42:12,950 --> 01:42:11,040

the you know the money that we spend on

2372

01:42:14,470 --> 01:42:12,960

on military spending you know four

2373

01:42:17,430 --> 01:42:14,480

percent of that

2374

01:42:19,030 --> 01:42:17,440

can feed the world for a year

2375

01:42:22,629 --> 01:42:19,040

and they you know

2376

01:42:24,790 --> 01:42:22,639

it's just i just don't understand why

2377

01:42:28,070 --> 01:42:24,800

we spend so much on military i really

2378

01:42:29,750 --> 01:42:28,080

don't i can't

2379

01:42:31,750 --> 01:42:29,760

we already could bomb the [h__h] out of

2380

01:42:33,910 --> 01:42:31,760

anyone we want at any time we could

2381

01:42:34,950 --> 01:42:33,920

destroy the world one you know 12 times

2382

01:42:40,149 --> 01:42:34,960

over

2383

01:42:44,550 --> 01:42:42,470

so once they once they start paying our

2384

01:42:46,229 --> 01:42:44,560

troops what they deserve

2385

01:42:49,270 --> 01:42:46,239

and once they connect

2386

01:42:51,750 --> 01:42:49,280

the lifetime [h__h] uh uh uh uh

2387

01:42:54,070 --> 01:42:51,760

healthcare for what they do what they

2388

01:42:55,830 --> 01:42:54,080

what they have done for our country yes

2389

01:42:57,350 --> 01:42:55,840

you know that's what that's what i would

2390

01:42:58,470 --> 01:42:57,360

support i wouldn't support some more

2391

01:43:00,870 --> 01:42:58,480

[h__\h]

2392

01:43:04,070 --> 01:43:00,880

wars bombing some more people

2393

01:43:05,510 --> 01:43:04,080

for oil [h__\h] all that [h__\h]

2394

01:43:07,430 --> 01:43:05,520

fighting for your [h__\h]

2395

01:43:09,669 --> 01:43:07,440

[h__\h] troops and then you just don't

2396

01:43:12,229 --> 01:43:09,679

have that jazz wars you just don't have

2397

01:43:14,870 --> 01:43:12,239

the medical shite to come back with it

2398

01:43:16,790 --> 01:43:14,880

yeah you got ptsd mental [h__\h] when you

2399

01:43:19,109 --> 01:43:16,800

go in the world yeah but in the [h__\h]

2400

01:43:21,350 --> 01:43:19,119

head hi the [h__\h] is that not supposed to

2401
01:43:26,390 --> 01:43:21,360
be getting ptsd anywhere brother

2402
01:43:31,430 --> 01:43:28,229
blown away in front of you

2403
01:43:32,070 --> 01:43:31,440
well there's that tape that sort of sort

2404
01:43:33,990 --> 01:43:32,080
of

2405
01:43:36,149 --> 01:43:34,000
ticked the things but yeah but the

2406
01:43:37,510 --> 01:43:36,159
military expansion and the ptsd and the

2407
01:43:38,790 --> 01:43:37,520
fact that you don't

2408
01:43:40,310 --> 01:43:38,800
yeah i don't know why you just don't

2409
01:43:42,709 --> 01:43:40,320
have a national health service i don't

2410
01:43:44,310 --> 01:43:42,719
know why

2411
01:43:46,550 --> 01:43:44,320
what is it

2412
01:43:47,830 --> 01:43:46,560
it's called no like no money to the

2413
01:43:49,990 --> 01:43:47,840

[h__h] snack

2414

01:43:51,350 --> 01:43:50,000

it's money money

2415

01:43:53,109 --> 01:43:51,360

make money off of other people's

2416

01:43:54,390 --> 01:43:53,119

illnesses hello how come you why do you

2417

01:43:56,470 --> 01:43:54,400

think we still don't have a cure for

2418

01:43:58,229 --> 01:43:56,480

cancer [h__h] that [h__h] oh well yeah well

2419

01:43:59,990 --> 01:43:58,239

like yeah

2420

01:44:01,910 --> 01:44:00,000

no trust me i'm when you're shy man but

2421

01:44:03,430 --> 01:44:01,920

i'm saying why why didn't you because

2422

01:44:05,750 --> 01:44:03,440

you have a [h__h] health service you

2423

01:44:07,270 --> 01:44:05,760

know it's how you treat a society is how

2424

01:44:08,470 --> 01:44:07,280

you [h__h] take care of your [h__h]

2425

01:44:10,070 --> 01:44:08,480

sick

2426

01:44:12,229 --> 01:44:10,080

i like how you take care of your [h__\h]

2427

01:44:13,990 --> 01:44:12,239

the prison industrial service

2428

01:44:15,510 --> 01:44:14,000

i'm not just slamming your countryman

2429

01:44:26,229 --> 01:44:15,520

and i don't mean to and i'm not i

2430

01:44:29,750 --> 01:44:28,149

come on it's [h__\h] hard to see the way

2431

01:44:30,470 --> 01:44:29,760

you keep you know you just come home

2432

01:44:32,709 --> 01:44:30,480

from

2433

01:44:35,109 --> 01:44:32,719

get sandy shitty ones come back and then

2434

01:44:36,870 --> 01:44:35,119

you pull the [h__\h] off

2435

01:44:38,950 --> 01:44:36,880

and you wonder why people's [h__\h]

2436

01:44:40,870 --> 01:44:38,960

heads are gone

2437

01:44:42,950 --> 01:44:40,880

i'm sorry it's [h__\h]

2438

01:44:45,830 --> 01:44:42,960

done just sitting there i would like to

2439

01:44:49,270 --> 01:44:45,840

know what that has to say

2440

01:44:51,430 --> 01:44:49,280

dad's drinking he started drinking well

2441

01:44:55,030 --> 01:44:51,440

i mean

2442

01:44:55,910 --> 01:44:55,040

me to start because you guys just went

2443

01:44:58,149 --> 01:44:55,920

on

2444

01:45:00,390 --> 01:44:58,159

how about it i mean in terms of in terms

2445

01:45:02,629 --> 01:45:00,400

of the military here's what like like i

2446

01:45:03,910 --> 01:45:02,639

i believe that we

2447

01:45:05,910 --> 01:45:03,920

as a country

2448

01:45:08,310 --> 01:45:05,920

should not be like the international

2449

01:45:10,310 --> 01:45:08,320

[h__\h] police force we need to pull we

2450

01:45:13,109 --> 01:45:10,320

need to pull probably almost all i would

2451

01:45:14,629 --> 01:45:13,119

say 90 of our troops overseas probably

2452

01:45:16,629 --> 01:45:14,639

need to come home because michael does

2453

01:45:18,229 --> 01:45:16,639

make a point and i mean i'm i try to be

2454

01:45:19,990 --> 01:45:18,239

i mean i try to be pro-military because

2455

01:45:21,669 --> 01:45:20,000

i have people that i care about that

2456

01:45:23,510 --> 01:45:21,679

have that have served in the military or

2457

01:45:27,750 --> 01:45:23,520

are in the military but it's like you

2458

01:45:27,760 --> 01:45:34,709

we got enough nuclear weapons

2459

01:45:37,910 --> 01:45:36,149

including ourselves off the face of the

2460

01:45:40,149 --> 01:45:37,920

earth so i don't really think we need to

2461

01:45:42,709 --> 01:45:40,159

be all over the planet like this is you

2462

01:45:44,870 --> 01:45:42,719

know the cold war is over like world war

2463

01:45:46,149 --> 01:45:44,880

ii is over like let's just

2464

01:45:47,750 --> 01:45:46,159

we need to pack it in because there's so

2465

01:45:49,669 --> 01:45:47,760

much money like michael said there's

2466

01:45:52,790 --> 01:45:49,679

there's billions of dollars involved in

2467

01:45:54,709 --> 01:45:52,800

just operating these bases keeping these

2468

01:45:55,830 --> 01:45:54,719

keeping these troops like all over the

2469

01:45:57,510 --> 01:45:55,840

place and

2470

01:45:59,109 --> 01:45:57,520

i just don't think that i don't think

2471

01:46:00,790 --> 01:45:59,119

that we need to

2472

01:46:02,310 --> 01:46:00,800

have this global presence bring them

2473

01:46:04,390 --> 01:46:02,320

back if we need to say if we need to

2474

01:46:06,390 --> 01:46:04,400

send them someplace we can mobilize

2475

01:46:08,070 --> 01:46:06,400

pretty quickly and get troops to where

2476
01:46:10,070 --> 01:46:08,080
they need to go or we can drop i mean

2477
01:46:11,990 --> 01:46:10,080
we've got drones like you know

2478
01:46:14,550 --> 01:46:12,000
laser-guided missiles we don't need all

2479
01:46:16,550 --> 01:46:14,560
of this [h__h] and in regards to

2480
01:46:18,470 --> 01:46:16,560
what um you guys had said initially

2481
01:46:20,470 --> 01:46:18,480
about you know trump or i think michael

2482
01:46:21,830 --> 01:46:20,480
you had said this about trump um you

2483
01:46:24,310 --> 01:46:21,840
know cheating on his wife with a porn

2484
01:46:26,229 --> 01:46:24,320
star yeah he did

2485
01:46:28,709 --> 01:46:26,239
but i also but i would also say to that

2486
01:46:30,470 --> 01:46:28,719
i guess as a rebuttal

2487
01:46:31,910 --> 01:46:30,480
democrat democrats didn't really give

2488
01:46:33,510 --> 01:46:31,920

two shits when bill clinton was getting

2489

01:46:35,669 --> 01:46:33,520

blown in the oval office by monica

2490

01:46:37,430 --> 01:46:35,679

lewinsky they acted like it was no big

2491

01:46:39,189 --> 01:46:37,440

deal but then it's like you want to put

2492

01:46:40,470 --> 01:46:39,199

trump on you want to put trump on like a

2493

01:46:42,310 --> 01:46:40,480

higher pedestal

2494

01:46:43,830 --> 01:46:42,320

because he got blown by stormy daniels

2495

01:46:45,430 --> 01:46:43,840

or something it's like they're one

2496

01:46:47,189 --> 01:46:45,440

they're like one in the same and as far

2497

01:46:49,030 --> 01:46:47,199

as i'm concerned it's almost probably

2498

01:46:50,390 --> 01:46:49,040

worse what clinton did because like

2499

01:46:53,590 --> 01:46:50,400

you're talking about the office that

2500

01:46:55,669 --> 01:46:53,600

abraham lincoln and jfk and fdr all

2501

01:46:57,910 --> 01:46:55,679

these great you know presidents

2502

01:46:59,510 --> 01:46:57,920

like sat in this office and clint's in

2503

01:47:01,910 --> 01:46:59,520

there getting blowies and it's like

2504

01:47:03,990 --> 01:47:01,920

that's trash too at a higher level so i

2505

01:47:06,229 --> 01:47:04,000

mean i'm not like i'm not going to fault

2506

01:47:08,070 --> 01:47:06,239

trump for his you know for his [h__h]

2507

01:47:09,669 --> 01:47:08,080

hound and [h__h] because clinton did the

2508

01:47:10,950 --> 01:47:09,679

exact same thing politicians

2509

01:47:12,550 --> 01:47:10,960

unfortunately

2510

01:47:14,229 --> 01:47:12,560

are normal people they you know they get

2511

01:47:16,790 --> 01:47:14,239

caught up in [h__h] just like we all

2512

01:47:18,790 --> 01:47:16,800

do but you know when it happens to them

2513

01:47:20,550 --> 01:47:18,800

it becomes a public forum because

2514

01:47:22,790 --> 01:47:20,560

they're you know

2515

01:47:25,350 --> 01:47:22,800

they're like public figures so i think

2516

01:47:26,390 --> 01:47:25,360

it's trash i think it's trash all around

2517

01:47:28,070 --> 01:47:26,400

um

2518

01:47:30,790 --> 01:47:28,080

and i do want to agree with you really

2519

01:47:32,229 --> 01:47:30,800

quickly uh because uh first and foremost

2520

01:47:33,669 --> 01:47:32,239

the reason why he was impeached wasn't

2521

01:47:35,510 --> 01:47:33,679

because he got a blow in the damn office

2522

01:47:36,870 --> 01:47:35,520

but because he [h__h] lied about it he

2523

01:47:38,870 --> 01:47:36,880

could have just

2524

01:47:40,550 --> 01:47:38,880

came up and said hey yeah it happened

2525

01:47:42,550 --> 01:47:40,560

but the [h__h] lied about it so i

2526

01:47:43,669 --> 01:47:42,560

totally agree with you please carry on

2527

01:47:45,510 --> 01:47:43,679

in regards

2528

01:47:47,189 --> 01:47:45,520

by the way i was basically like at the

2529

01:47:49,350 --> 01:47:47,199

end of my point as far as that goes like

2530

01:47:51,590 --> 01:47:49,360

i think that the two they're like one in

2531

01:47:53,510 --> 01:47:51,600

the same so people i don't think people

2532

01:47:55,430 --> 01:47:53,520

can get people can't get worked up about

2533

01:47:57,590 --> 01:47:55,440

it on one side of the like i don't i

2534

01:47:59,350 --> 01:47:57,600

don't you know i don't think any worse

2535

01:48:01,189 --> 01:47:59,360

of clinton than i do of trump for what

2536

01:48:04,870 --> 01:48:01,199

he did i mean it's a

2537

01:48:07,270 --> 01:48:04,880

moot point right i stay

2538

01:48:08,310 --> 01:48:07,280

okay i'm sticking my hand up here uh

2539

01:48:10,229 --> 01:48:08,320

just

2540

01:48:11,750 --> 01:48:10,239

yeah quickly uh

2541

01:48:14,550 --> 01:48:11,760

okay

2542

01:48:16,830 --> 01:48:14,560

there has been [h__h] going on in politics

2543

01:48:19,830 --> 01:48:16,840

and in the white house

2544

01:48:20,709 --> 01:48:19,840

for decades and decades

2545

01:48:23,350 --> 01:48:20,719

but

2546

01:48:24,390 --> 01:48:23,360

the internet

2547

01:48:26,870 --> 01:48:24,400

uh

2548

01:48:29,189 --> 01:48:26,880

let us all know what has really been

2549

01:48:31,910 --> 01:48:29,199

going on for all this time it's just

2550

01:48:34,149 --> 01:48:31,920

that these figures stand out to us

2551

01:48:36,390 --> 01:48:34,159

because they came on

2552

01:48:39,350 --> 01:48:36,400

uh everybody's consciousness you know

2553

01:48:41,350 --> 01:48:39,360

all of their piccadillos uh since the

2554

01:48:42,229 --> 01:48:41,360

internet so

2555

01:49:07,510 --> 01:48:42,239

i

2556

01:49:11,990 --> 01:49:09,510

you know our heroes

2557

01:49:14,790 --> 01:49:12,000

weren't they better than the rest of us

2558

01:49:16,790 --> 01:49:14,800

[h__\h] no some of them are worse than the

2559

01:49:21,830 --> 01:49:16,800

restaurant

2560

01:49:40,790 --> 01:49:23,430

can we can we talk more about your

2561

01:49:40,800 --> 01:49:44,070

[h__\h]

2562

01:49:47,510 --> 01:49:45,750

go and do your sporting heroes please

2563

01:49:48,310 --> 01:49:47,520

anyone good

2564

01:49:50,790 --> 01:49:48,320

uh

2565

01:49:52,229 --> 01:49:50,800

no because this is steven's show and

2566

01:49:53,669 --> 01:49:52,239

where i don't care but where that's a

2567

01:49:55,109 --> 01:49:53,679

little off

2568

01:49:59,750 --> 01:49:55,119

yeah

2569

01:50:01,189 --> 01:49:59,760

for the i just wanted to mention that

2570

01:50:06,390 --> 01:50:01,199

protesters

2571

01:50:09,030 --> 01:50:06,400

throughout washington dc in very large

2572

01:50:10,470 --> 01:50:09,040

numbers including antifa black and black

2573

01:50:11,990 --> 01:50:10,480

lives matter and there's already

2574

01:50:14,070 --> 01:50:12,000

violence people outside the white house

2575

01:50:15,910 --> 01:50:14,080

right now there's already violence

2576

01:50:18,550 --> 01:50:15,920

it's already a lot of violence popping

2577

01:50:20,310 --> 01:50:18,560

off and small fights but nothing major

2578

01:50:31,910 --> 01:50:20,320

as far as violence goes that i'm seeing

2579

01:50:34,709 --> 01:50:33,189

didn't you share that the other day

2580

01:50:36,790 --> 01:50:34,719

about like there was like these people

2581

01:50:39,030 --> 01:50:36,800

have been like organizing online in like

2582

01:50:40,790 --> 01:50:39,040

meetings for months now like waiting for

2583

01:50:42,709 --> 01:50:40,800

election night

2584

01:50:44,629 --> 01:50:42,719

yeah and there's uh there's there's

2585

01:50:47,189 --> 01:50:44,639

there's a lot of different uh

2586

01:50:48,390 --> 01:50:47,199

videos being shared on twitter right now

2587

01:50:51,270 --> 01:50:48,400

of uh

2588

01:50:55,189 --> 01:50:51,280

of a lot of small amounts of violence

2589

01:50:55,199 --> 01:50:58,229

jesus christ

2590

01:51:01,510 --> 01:50:59,669

really [h__\h]

2591

01:51:03,510 --> 01:51:01,520

it's a function

2592

01:51:06,070 --> 01:51:03,520

this is the fence in front of the

2593

01:51:08,149 --> 01:51:06,080

in front of the isn't that the lincoln

2594

01:51:09,430 --> 01:51:08,159

memorial or is that the for the white

2595

01:51:10,950 --> 01:51:09,440

house

2596

01:51:12,550 --> 01:51:10,960

i don't know somebody just had a guy

2597

01:51:17,430 --> 01:51:12,560

with a bat

2598

01:51:23,669 --> 01:51:21,750

oh man this is just i got a question

2599

01:51:25,350 --> 01:51:23,679

who the [h__\h] is stupid enough to be out

2600

01:51:26,870 --> 01:51:25,360

right now like out in the streets unless

2601
01:51:31,189 --> 01:51:26,880
you're intentionally out there to cause

2602
01:51:36,709 --> 01:51:32,390
i couldn't

2603
01:51:41,109 --> 01:51:36,719
that's you know what why why are that

2604
01:51:44,790 --> 01:51:43,030
and that ladies and gentlemen what you

2605
01:51:46,310 --> 01:51:44,800
just saw right there and that right

2606
01:51:48,310 --> 01:51:46,320
there is the reason why i'm [\h__\h]

2607
01:51:49,990 --> 01:51:48,320
independent and not like right or

2608
01:51:51,830 --> 01:51:50,000
left-leaning yeah that's one of my

2609
01:51:53,669 --> 01:51:51,840
reasons i mean i just think both sides

2610
01:51:55,830 --> 01:51:53,679
are just too extreme they're not willing

2611
01:51:57,750 --> 01:51:55,840
to you've got to compromise and work

2612
01:51:59,189 --> 01:51:57,760
with each other to get anything done

2613
01:52:03,109 --> 01:51:59,199

that's why there's all this gridlock

2614

01:52:06,310 --> 01:52:04,870

okay like last 10 years what has

2615

01:52:07,830 --> 01:52:06,320

actually gotten done in washington in

2616

01:52:09,990 --> 01:52:07,840

the last like 10 [h__\h] years like

2617

01:52:12,390 --> 01:52:10,000

nothing because you've got you've got

2618

01:52:14,470 --> 01:52:12,400

like this whole i mean well first of all

2619

01:52:16,470 --> 01:52:14,480

you have you got like congress that has

2620

01:52:17,910 --> 01:52:16,480

been separate from the president

2621

01:52:19,910 --> 01:52:17,920

as far as like not being in the same

2622

01:52:21,750 --> 01:52:19,920

party and then it's just constant it's

2623

01:52:23,350 --> 01:52:21,760

constant bickering just trying to get to

2624

01:52:25,030 --> 01:52:23,360

the next election cycle trying to get to

2625

01:52:26,470 --> 01:52:25,040

the next election cycle there hasn't

2626
01:52:32,070 --> 01:52:26,480
been there hasn't been one piece yeah

2627
01:52:35,750 --> 01:52:34,229
this is worth sharing right here

2628
01:52:38,709 --> 01:52:35,760
this is right in front of the white

2629
01:52:38,719 --> 01:52:42,709
so we're going to leave it muted though

2630
01:52:42,719 --> 01:52:47,270
fair

2631
01:52:50,390 --> 01:52:48,629
the public about what's going on right

2632
01:52:51,350 --> 01:52:50,400
now in front of the white house

2633
01:52:53,189 --> 01:52:51,360
see

2634
01:52:54,470 --> 01:52:53,199
look at people want to [h__\h] talk

2635
01:52:55,990 --> 01:52:54,480
about like

2636
01:52:58,550 --> 01:52:56,000
you know people in the south or wherever

2637
01:53:00,790 --> 01:52:58,560
you want to call it burning effigies

2638
01:53:02,790 --> 01:53:00,800

and you got this big ass [\h__\h] head

2639

01:53:03,750 --> 01:53:02,800

this is not politics this is [\h__\h] a

2640

01:53:08,950 --> 01:53:03,760

circus

2641

01:53:10,830 --> 01:53:08,960

hypocritical oh these people you see

2642

01:53:13,990 --> 01:53:10,840

that

2643

01:53:15,830 --> 01:53:14,000

[\h__\h] don't make fun of the guy oh god

2644

01:53:18,629 --> 01:53:15,840

dude this is not politics dude this is a

2645

01:53:21,270 --> 01:53:18,639

[\h__\h] circus it's a stupid and look

2646

01:53:23,589 --> 01:53:21,280

how nice this is

2647

01:53:25,430 --> 01:53:23,599

who are these people who's given me

2648

01:53:27,189 --> 01:53:25,440

they're all young they're all wieners

2649

01:53:29,189 --> 01:53:27,199

they're all [\h__\h] obviously gonna be

2650

01:53:31,189 --> 01:53:29,199

[\h__\h] trump but upset look at the

2651
01:53:33,109 --> 01:53:31,199
[h__h] egypt and they're seeing it as a

2652
01:53:34,709 --> 01:53:33,119
party they're seeing this is a night out

2653
01:53:41,270 --> 01:53:34,719
there's you know there's a new beer

2654
01:53:48,390 --> 01:53:44,310
look at the nicely placed flag

2655
01:53:49,589 --> 01:53:48,400
okay uh you are reacting exactly the way

2656
01:53:51,910 --> 01:53:49,599
this was

2657
01:53:54,470 --> 01:53:51,920
designed you know to get your exact

2658
01:53:57,109 --> 01:53:54,480
reaction but i'm noticing that

2659
01:54:00,390 --> 01:53:57,119
you know who has the camera set up who

2660
01:54:03,270 --> 01:54:00,400
was who organized that and does it

2661
01:54:06,870 --> 01:54:03,280
stretch out for blocks and blocks or is

2662
01:54:08,790 --> 01:54:06,880
it just this one area where they were

2663
01:54:10,470 --> 01:54:08,800

allowed to

2664

01:54:12,790 --> 01:54:10,480

demonstrate you know

2665

01:54:14,149 --> 01:54:12,800

i live here in l.a and

2666

01:54:17,430 --> 01:54:14,159

this looks

2667

01:54:19,430 --> 01:54:17,440

very nicely staged in a contained area i

2668

01:54:21,350 --> 01:54:19,440

wonder how widespread it is i want

2669

01:54:24,149 --> 01:54:21,360

somebody it's pretty much it's pretty

2670

01:54:25,510 --> 01:54:24,159

much all over all over washington dc

2671

01:54:28,149 --> 01:54:25,520

right now and i have some other videos

2672

01:54:31,189 --> 01:54:28,159

that i could show you yeah

2673

01:54:36,950 --> 01:54:33,350

they're gearing up here's antifa there's

2674

01:54:39,510 --> 01:54:36,960

a video of auntie for gearing up

2675

01:54:41,990 --> 01:54:39,520

in washington dc you see a pretty large

2676

01:54:47,109 --> 01:54:42,000

number of people and sticks and bats and

2677

01:54:51,430 --> 01:54:50,070

that looks pretty peaceful so far though

2678

01:54:53,510 --> 01:54:51,440

except for that one where you saw that

2679

01:54:55,669 --> 01:54:53,520

dude get hit in the head with a bat but

2680

01:54:57,270 --> 01:54:55,679

you know i mean it's peaceful until they

2681

01:54:58,790 --> 01:54:57,280

hit you right why are they out there

2682

01:55:00,390 --> 01:54:58,800

with the time like why are they out

2683

01:55:02,709 --> 01:55:00,400

there with pawns and [h__h] unless they're

2684

01:55:05,109 --> 01:55:02,719

intentionally trying to start some [h__h]

2685

01:55:08,790 --> 01:55:05,119

and the night is young you guys the

2686

01:55:11,589 --> 01:55:10,709

here in los angeles too just letting you

2687

01:55:13,910 --> 01:55:11,599

know

2688

01:55:16,870 --> 01:55:13,920

i also live here in los angeles

2689

01:55:19,830 --> 01:55:16,880

oh do you yeah you probably are near my

2690

01:55:21,350 --> 01:55:19,840

neighborhood probably yeah well i'm i'm

2691

01:55:23,109 --> 01:55:21,360

uh well i don't want to give my exact

2692

01:55:26,070 --> 01:55:23,119

address away but i'm close to macarthur

2693

01:55:26,080 --> 01:55:29,669

yeah there you go

2694

01:55:29,679 --> 01:55:37,030

yes

2695

01:55:41,990 --> 01:55:40,310

yeah sorry sorry robin robin or should

2696

01:55:44,070 --> 01:55:42,000

be night out for you

2697

01:55:47,430 --> 01:55:44,080

what are you what are you asking me

2698

01:55:49,830 --> 01:55:47,440

again dear what what

2699

01:55:51,030 --> 01:55:49,840

you're asking me that was definitely

2700

01:55:51,910 --> 01:55:51,040

brilliant

2701

01:55:53,430 --> 01:55:51,920

and

2702

01:55:55,109 --> 01:55:53,440

i don't know which one was after yet

2703

01:55:59,430 --> 01:55:55,119

like i'm stopped

2704

01:56:05,109 --> 01:56:01,589

what is that where's that at stephen

2705

01:56:08,550 --> 01:56:06,950

she's walking through dc i don't know

2706

01:56:13,270 --> 01:56:08,560

what that's about somebody's smacking a

2707

01:56:13,280 --> 01:56:23,109

that is not a good one to share

2708

01:56:27,750 --> 01:56:25,910

by slapping [\h__\h] in dc

2709

01:56:30,709 --> 01:56:27,760

oh i got another one that's great hold

2710

01:56:36,709 --> 01:56:32,790

you got another one that's great

2711

01:56:36,719 --> 01:56:52,950

this sums up the 2020 election so far

2712

01:56:58,629 --> 01:56:55,030

in washington dc

2713

01:57:01,270 --> 01:56:58,639

people have been locked down people have

2714

01:57:04,950 --> 01:57:01,280

been going nuts and locked down

2715

01:57:06,870 --> 01:57:04,960

look it's like carnival it's like

2716

01:57:08,870 --> 01:57:06,880

yeah but

2717

01:57:21,830 --> 01:57:08,880

what would you twerk

2718

01:57:26,950 --> 01:57:23,350

i think ryan's had a little too much

2719

01:57:31,669 --> 01:57:29,589

charming as far ryan uh

2720

01:57:33,189 --> 01:57:31,679

i yeah well that's part of it i'm taking

2721

01:57:35,270 --> 01:57:33,199

the pass i'm sorry you can't talk

2722

01:57:36,870 --> 01:57:35,280

political night sorry don't cut me off

2723

01:57:39,990 --> 01:57:36,880

when i was enjoying it

2724

01:57:42,550 --> 01:57:40,000

oh ryan i suspect your mom paid you way

2725

01:57:44,149 --> 01:57:42,560

too much attention when you were

2726

01:57:45,750 --> 01:57:44,159

growing up

2727

01:57:48,709 --> 01:57:45,760

well let's share this this is some

2728

01:57:49,910 --> 01:57:48,719

violence starting and

2729

01:57:56,229 --> 01:57:49,920

surprise

2730

01:57:59,910 --> 01:57:57,990

this guy kicks the police bike or

2731

01:58:09,750 --> 01:57:59,920

something

2732

01:58:13,189 --> 01:58:11,669

you know they're chanting all cops are

2733

01:58:14,629 --> 01:58:13,199

bastards

2734

01:58:16,149 --> 01:58:14,639

see i have a problem with that painting

2735

01:58:17,830 --> 01:58:16,159

with that kind of a broad brush that's

2736

01:58:18,790 --> 01:58:17,840

part of the problem people don't realize

2737

01:58:20,390 --> 01:58:18,800

that a lot of

2738

01:58:23,430 --> 01:58:20,400

different

2739

01:58:25,669 --> 01:58:23,440

whatever the reason it so resembles a

2740

01:58:26,870 --> 01:58:25,679

celebration people they're out on the

2741

01:58:29,109 --> 01:58:26,880

streets

2742

01:58:31,910 --> 01:58:29,119

you know waving their fists

2743

01:58:34,149 --> 01:58:31,920

they're celebrating you know

2744

01:58:36,629 --> 01:58:34,159

that's how i'm viewing this you know

2745

01:58:37,270 --> 01:58:36,639

damn where god i'm gonna go out there

2746

01:58:39,189 --> 01:58:37,280

and

2747

01:58:41,990 --> 01:58:39,199

say [h__\h] the police i'm gonna go out

2748

01:58:44,870 --> 01:58:42,000

there and kick a tire out oh i'll break

2749

01:58:47,669 --> 01:58:44,880

a window this is like

2750

01:58:49,270 --> 01:58:47,679

yeah i've never seen this [h__\h] before uh

2751

01:58:51,189 --> 01:58:49,280

you know i've never seen it like this

2752

01:58:52,470 --> 01:58:51,199

before but

2753

01:58:55,910 --> 01:58:52,480

hey robin

2754

01:58:58,790 --> 01:58:55,920

uh during the 92 were you

2755

01:59:02,470 --> 01:58:58,800

were you here for the uh 92 riots uh

2756

01:59:04,550 --> 01:59:02,480

april 29 1992 yeah it was was that the

2757

01:59:06,070 --> 01:59:04,560

world trade center once i knew all of

2758

01:59:08,229 --> 01:59:06,080

that i brought up like that that wasn't

2759

01:59:10,870 --> 01:59:08,239

like this that wasn't like this just a

2760

01:59:13,510 --> 01:59:10,880

quick just a quick update this uh this

2761

01:59:22,390 --> 01:59:13,520

site is now showing biden at 115 and

2762

01:59:26,310 --> 01:59:24,709

i've got a battle for trump so sorry

2763

01:59:31,910 --> 01:59:26,320

excuse my

2764

01:59:33,750 --> 01:59:31,920

electoral college biden 131 trump 108.

2765

01:59:36,149 --> 01:59:33,760

yeah it depends on what site you go to i

2766

01:59:39,270 --> 01:59:36,159

guess right here it depends

2767

01:59:41,030 --> 01:59:39,280

just pop some more popcorn you can pour

2768

01:59:58,149 --> 01:59:41,040

another cocktail

2769

02:00:02,550 --> 01:59:59,830

you're breaking up like your stream is

2770

02:00:05,189 --> 02:00:02,560

breaking up somehow

2771

02:00:07,109 --> 02:00:05,199

yeah i don't know

2772

02:00:09,430 --> 02:00:07,119

okay uh let's go to spooky we haven't

2773

02:00:13,030 --> 02:00:09,440

heard from spooky in a while oh yep

2774

02:00:14,340 --> 02:00:13,040

spooky save us

2775

02:00:17,750 --> 02:00:14,350

help me

2776

02:00:25,030 --> 02:00:22,229

i i'm like i've got like 30 tabs open

2777

02:00:26,229 --> 02:00:25,040

yeah me too and i know right

2778

02:00:27,910 --> 02:00:26,239

makers have now

2779

02:00:29,910 --> 02:00:27,920

winning

2780

02:00:31,990 --> 02:00:29,920

like the betting odds have trouble yeah

2781

02:00:33,589 --> 02:00:32,000

vegas odds changed trump to be the

2782

02:00:35,589 --> 02:00:33,599

favorite like i think i saw that within

2783

02:00:37,510 --> 02:00:35,599

like the last like 20 or 30 minutes or

2784

02:00:40,550 --> 02:00:37,520

something i've been refreshing it every

2785

02:00:42,390 --> 02:00:40,560

like two minutes and the odds are just

2786

02:00:45,270 --> 02:00:42,400

fluctuating

2787

02:00:47,350 --> 02:00:45,280

but they're still in favor of him

2788

02:00:48,390 --> 02:00:47,360

that makes any sense but they they keep

2789

02:00:50,229 --> 02:00:48,400

changing

2790

02:00:52,149 --> 02:00:50,239

so what do you guys think like do you

2791

02:00:54,629 --> 02:00:52,159

guys think if trump ends up winning this

2792

02:00:56,470 --> 02:00:54,639

thing do you guys see like

2793

02:00:59,189 --> 02:00:56,480

man you guys see riots in like every

2794

02:01:00,790 --> 02:00:59,199

major city do you yeah but i don't think

2795

02:01:02,470 --> 02:01:00,800

like is there still going to be like mad

2796

02:01:03,830 --> 02:01:02,480

riots like what are you guys thoughts on

2797

02:01:05,270 --> 02:01:03,840

that

2798

02:01:06,629 --> 02:01:05,280

i think there'll be a right if i don't

2799

02:01:09,109 --> 02:01:06,639

get a cup of tea

2800

02:01:12,310 --> 02:01:09,119

okay so uh i think

2801

02:01:13,830 --> 02:01:12,320

everybody go one at a time

2802

02:01:15,589 --> 02:01:13,840

i'll share with you robin what do you

2803

02:01:19,510 --> 02:01:15,599

think is going to happen

2804

02:01:21,430 --> 02:01:19,520

uh if trump wins

2805

02:01:25,030 --> 02:01:21,440

uh

2806

02:01:27,830 --> 02:01:25,040

i think well all of this [h__h] began

2807

02:01:30,310 --> 02:01:27,840

during the trump term i think it'll

2808

02:01:31,910 --> 02:01:30,320

probably continue on

2809

02:01:34,310 --> 02:01:31,920

if trump

2810

02:01:37,030 --> 02:01:34,320

continues on you know whatever

2811

02:01:40,149 --> 02:01:37,040

has been happening during his

2812

02:01:42,470 --> 02:01:40,159

presidency and i'm talking specifically

2813

02:01:43,910 --> 02:01:42,480

about political you know the unrest in

2814

02:01:45,350 --> 02:01:43,920

the streets

2815

02:01:48,470 --> 02:01:45,360

and

2816

02:01:51,270 --> 02:01:48,480

our labels our divisions our you know

2817

02:01:53,270 --> 02:01:51,280

the encouragement we get to

2818

02:01:56,149 --> 02:01:53,280

hate each other you know label each

2819

02:01:58,950 --> 02:01:56,159

other you know

2820

02:02:00,390 --> 02:01:58,960

that i think that's gonna continue

2821

02:02:01,830 --> 02:02:00,400

yeah but let me ask you a question robin

2822

02:02:03,510 --> 02:02:01,840

like you know and i guess maybe i'm

2823

02:02:05,030 --> 02:02:03,520

gonna come at this a little bit from a

2824

02:02:07,510 --> 02:02:05,040

conservative angle just because this is

2825

02:02:09,589 --> 02:02:07,520

kind of how how i see it but like do you

2826

02:02:10,870 --> 02:02:09,599

feel like this whole device like this

2827

02:02:12,470 --> 02:02:10,880

whole division thing that everybody's

2828

02:02:14,550 --> 02:02:12,480

talking about don't you sort of feel

2829

02:02:16,390 --> 02:02:14,560

like the media sort of like made this a

2830

02:02:19,030 --> 02:02:16,400

lot worse than what it like like i don't

2831

02:02:21,030 --> 02:02:19,040

feel like i see trump going on like tv

2832

02:02:22,790 --> 02:02:21,040

and being like oh [\h__\h] the gays or [\h__\h]

2833

02:02:24,149 --> 02:02:22,800

blacks or [\h__\h] this fan like i don't

2834

02:02:26,390 --> 02:02:24,159

really feel like i ever see it like that

2835

02:02:28,470 --> 02:02:26,400

but i feel like the media sort of like

2836

02:02:29,830 --> 02:02:28,480

hypes this thing to like uh to another

2837

02:02:31,990 --> 02:02:29,840

level and then i hear all these people

2838

02:02:33,510 --> 02:02:32,000

like oh he's so divisive or this

2839

02:02:35,270 --> 02:02:33,520

country's like so divided i'm not saying

2840

02:02:37,510 --> 02:02:35,280

that he doesn't say stupid [h__h] but what

2841

02:02:39,270 --> 02:02:37,520

i'm saying is is like i feel like they

2842

02:02:40,390 --> 02:02:39,280

make it sound so

2843

02:02:47,910 --> 02:02:40,400

like

2844

02:02:49,910 --> 02:02:47,920

don't really see it that way am i wrong

2845

02:02:51,350 --> 02:02:49,920

in that like do you see a different do

2846

02:02:52,790 --> 02:02:51,360

you do you see like do you have another

2847

02:02:54,310 --> 02:02:52,800

viewpoint on that that maybe i'm just

2848

02:02:56,550 --> 02:02:54,320

not seeing

2849

02:02:58,709 --> 02:02:56,560

or michael or spooky or anybody i just

2850

02:02:59,589 --> 02:02:58,719

that was kind of an open open question i

2851
02:03:03,350 --> 02:02:59,599
guess

2852
02:03:05,589 --> 02:03:03,360
okay well i'll i'll go first

2853
02:03:08,070 --> 02:03:05,599
trump didn't create it

2854
02:03:11,830 --> 02:03:09,189
yeah

2855
02:03:15,109 --> 02:03:11,840
the news of course encouraged it but he

2856
02:03:19,270 --> 02:03:15,119
didn't do anything just well he why

2857
02:03:19,280 --> 02:03:22,390
no i agree with him

2858
02:03:26,070 --> 02:03:24,790
i don't think he tried to make like he's

2859
02:03:27,589 --> 02:03:26,080
always had this whole beef with the

2860
02:03:29,830 --> 02:03:27,599
media which i think is funny because the

2861
02:03:31,589 --> 02:03:29,840
media basically made him president like

2862
02:03:33,189 --> 02:03:31,599
all these people that bash on him like

2863
02:03:35,030 --> 02:03:33,199

joe scarborough do you know how much

2864

02:03:36,790 --> 02:03:35,040

donald trump used to be on morning joe

2865

02:03:38,709 --> 02:03:36,800

on cnn when he was running as a

2866

02:03:40,709 --> 02:03:38,719

candidate do you know how much air time

2867

02:03:42,470 --> 02:03:40,719

cnn used to give him for rallies and

2868

02:03:44,709 --> 02:03:42,480

[h__h] when he was a candidate they

2869

02:03:45,990 --> 02:03:44,719

basically propped him up

2870

02:03:48,310 --> 02:03:46,000

because they thought he was a [h__h]

2871

02:03:49,910 --> 02:03:48,320

joke and then when he actually won then

2872

02:03:52,229 --> 02:03:49,920

it was like oh [h__h] like what did we

2873

02:03:54,870 --> 02:03:52,239

just do and now they spent four years

2874

02:03:56,470 --> 02:03:54,880

trying to like undo the fact that they

2875

02:03:57,270 --> 02:03:56,480

basically made this guy

2876

02:03:58,149 --> 02:03:57,280

a

2877

02:04:00,149 --> 02:03:58,159

like

2878

02:04:01,270 --> 02:04:00,159

a reliable not a reliable what's what

2879

02:04:03,109 --> 02:04:01,280

i'm looking like they basically made

2880

02:04:04,870 --> 02:04:03,119

this guy look like a legit candidate

2881

02:04:07,189 --> 02:04:04,880

when everybody thought in the beginning

2882

02:04:08,709 --> 02:04:07,199

that his candidacy was a joke like

2883

02:04:12,870 --> 02:04:08,719

that's i mean that's just i don't think

2884

02:04:15,109 --> 02:04:12,880

there's any denying that cnn

2885

02:04:17,510 --> 02:04:15,119

even fox news like they gave this dude

2886

02:04:19,109 --> 02:04:17,520

so much air time for rallies and

2887

02:04:20,950 --> 02:04:19,119

speeches and they'd have him on and he'd

2888

02:04:22,550 --> 02:04:20,960

be on the phone talking to these guys

2889

02:04:24,709 --> 02:04:22,560

and they all loved it they [h__h] ate

2890

02:04:26,790 --> 02:04:24,719

it up and then when he when he actually

2891

02:04:29,669 --> 02:04:26,800

gets ratings he gets ratings

2892

02:04:31,350 --> 02:04:29,679

like it was ratings it was ratings

2893

02:04:32,229 --> 02:04:31,360

uh one second spooky what did you just

2894

02:04:35,350 --> 02:04:32,239

say

2895

02:04:37,589 --> 02:04:35,360

msn who has trump up somebody nbc has

2896

02:04:39,750 --> 02:04:37,599

trump on 102

2897

02:04:42,709 --> 02:04:39,760

oh i just updated now biden's ahead on

2898

02:04:45,270 --> 02:04:42,719

118. okay and then and this and this

2899

02:04:49,189 --> 02:04:45,280

tracker that we're watching has biden

2900

02:04:51,910 --> 02:04:49,199

115 trump 144.

2901

02:04:53,350 --> 02:04:51,920

huh

2902

02:04:54,070 --> 02:04:53,360

i don't know who you ask right now i

2903

02:04:56,790 --> 02:04:54,080

guess

2904

02:04:58,070 --> 02:04:56,800

yeah cnn called new mexico for biden so

2905

02:04:59,189 --> 02:04:58,080

if that's the case i mean you could add

2906

02:05:00,950 --> 02:04:59,199

another five

2907

02:05:02,070 --> 02:05:00,960

like it looks like five electoral votes

2908

02:05:04,470 --> 02:05:02,080

on to that

2909

02:05:06,629 --> 02:05:04,480

so it'll be 120 144 according to this

2910

02:05:08,070 --> 02:05:06,639

but yeah it's this is confusing because

2911

02:05:09,270 --> 02:05:08,080

it depends on where you go everything

2912

02:05:10,390 --> 02:05:09,280

that i'm looking at has different

2913

02:05:12,629 --> 02:05:10,400

numbers

2914

02:05:14,390 --> 02:05:12,639

they're all projecting their own ways

2915

02:05:16,070 --> 02:05:14,400

look at all the swing states like the

2916

02:05:17,830 --> 02:05:16,080

ones that people always talk about none

2917

02:05:21,109 --> 02:05:17,840

of them have none of them have declared

2918

02:05:23,350 --> 02:05:21,119

yet michigan ohio pennsylvania like

2919

02:05:25,270 --> 02:05:23,360

north carolina all of these states that

2920

02:05:26,870 --> 02:05:25,280

every every election cycle are in the

2921

02:05:28,470 --> 02:05:26,880

conversation and none of them have

2922

02:05:30,790 --> 02:05:28,480

declared yet that i mean that's

2923

02:05:33,750 --> 02:05:30,800

basically why i think where your

2924

02:05:35,430 --> 02:05:33,760

your winner is going to come from

2925

02:05:38,390 --> 02:05:35,440

those handful of states

2926

02:05:41,430 --> 02:05:38,400

i have a question here uh in regard to

2927

02:05:43,669 --> 02:05:41,440

the reporting of the votes

2928

02:05:46,070 --> 02:05:43,679

do they break it down

2929

02:05:48,709 --> 02:05:46,080

as to which of these votes

2930

02:05:51,750 --> 02:05:48,719

that they're reporting on were they done

2931

02:05:53,629 --> 02:05:51,760

at the polls or were they done by mail

2932

02:05:56,229 --> 02:05:53,639

and i'm wondering if they aren't

2933

02:05:59,270 --> 02:05:56,239

electronically transmitted

2934

02:06:02,149 --> 02:05:59,280

from the poll sites

2935

02:06:03,750 --> 02:06:02,159

you know to get these numbers the

2936

02:06:06,470 --> 02:06:03,760

mail-in ballots

2937

02:06:08,790 --> 02:06:06,480

are they being counted right now how are

2938

02:06:10,709 --> 02:06:08,800

they transmitted you know i'd like to

2939

02:06:13,109 --> 02:06:10,719

see a breakdown because you know what i

2940

02:06:15,589 --> 02:06:13,119

know a whole lot of people that voted by

2941

02:06:17,510 --> 02:06:15,599

mail who have

2942

02:06:18,470 --> 02:06:17,520

not been able to get out they have not

2943

02:06:23,990 --> 02:06:18,480

because

2944

02:06:27,270 --> 02:06:24,000

for the mail-in ballots that we are

2945

02:06:29,350 --> 02:06:27,280

legion you guys and i'm wondering if

2946

02:06:31,109 --> 02:06:29,360

they're factoring in that how are they

2947

02:06:33,350 --> 02:06:31,119

recorded

2948

02:06:36,229 --> 02:06:33,360

how are they being transmitted i don't

2949

02:06:38,470 --> 02:06:36,239

believe any of the stats right now none

2950

02:06:39,830 --> 02:06:38,480

of them i don't have a paranormal hood

2951
02:06:41,430 --> 02:06:39,840
just made a just made a comment in the

2952
02:06:43,830 --> 02:06:41,440
live chat and i actually i think it is

2953
02:06:46,390 --> 02:06:43,840
true it said who he said whoever wins

2954
02:06:48,470 --> 02:06:46,400
ohio wins the election and that's been

2955
02:06:50,709 --> 02:06:48,480
every election since jfk i'm pretty sure

2956
02:06:52,790 --> 02:06:50,719
that that's that is a legit well that's

2957
02:06:54,709 --> 02:06:52,800
fact

2958
02:06:56,229 --> 02:06:54,719
according to this according to this site

2959
02:06:58,149 --> 02:06:56,239
that we're watching

2960
02:06:59,990 --> 02:06:58,159
i'm i'm not taking into account how many

2961
02:07:01,189 --> 02:07:00,000
electoral votes each state has but

2962
02:07:03,830 --> 02:07:01,199
according to the site that we're

2963
02:07:06,550 --> 02:07:03,840

watching trump has won 19 states to

2964

02:07:09,750 --> 02:07:06,560

biden's 11 so far so if things keep

2965

02:07:11,990 --> 02:07:09,760

going the way that this site is saying

2966

02:07:13,669 --> 02:07:12,000

it could be a trump victory yeah but i

2967

02:07:15,589 --> 02:07:13,679

think i think i think traditionally if

2968

02:07:17,510 --> 02:07:15,599

you look at the united states as a whole

2969

02:07:18,550 --> 02:07:17,520

republicans tend to win more states

2970

02:07:20,390 --> 02:07:18,560

because

2971

02:07:23,750 --> 02:07:20,400

like the bulk of the like the middle of

2972

02:07:25,350 --> 02:07:23,760

the country leans republican but yeah

2973

02:07:27,430 --> 02:07:25,360

look at how many around here we've got

2974

02:07:30,149 --> 02:07:27,440

texas you said they called new mexico

2975

02:07:32,950 --> 02:07:30,159

we've got texas arizona montana

2976

02:07:36,390 --> 02:07:32,960

minneapolis iowa wisconsin still open

2977

02:07:39,669 --> 02:07:37,990

minnesota is an interesting one this

2978

02:07:40,950 --> 02:07:39,679

year because i did see several things

2979

02:07:42,870 --> 02:07:40,960

leading up to the election where they

2980

02:07:46,310 --> 02:07:42,880

said that you know i think in the last

2981

02:07:48,790 --> 02:07:46,320

cycle minnesota went for hillary clinton

2982

02:07:50,790 --> 02:07:48,800

now they i did see several and again

2983

02:07:51,990 --> 02:07:50,800

their pollster so who the [h__h] knows but

2984

02:07:53,910 --> 02:07:52,000

there's a lot there's a lot of there was

2985

02:07:55,189 --> 02:07:53,920

a lot of commentary on tv leading up to

2986

02:07:57,830 --> 02:07:55,199

today where they said that there's a lot

2987

02:08:00,149 --> 02:07:57,840

of people in minnesota who are secretly

2988

02:08:01,750 --> 02:08:00,159

or maybe not invoke maybe not vocally

2989

02:08:04,229 --> 02:08:01,760

they're they're not happy with like the

2990

02:08:05,669 --> 02:08:04,239

whole george floyd like the protests and

2991

02:08:08,149 --> 02:08:05,679

like all the [h__h] that's going on up

2992

02:08:10,550 --> 02:08:08,159

there and like the culture police in

2993

02:08:13,189 --> 02:08:10,560

minneapolis so there was a lot of people

2994

02:08:15,350 --> 02:08:13,199

who made it seem like minnesota may

2995

02:08:16,709 --> 02:08:15,360

actually be in play for trump this cycle

2996

02:08:19,510 --> 02:08:16,719

just depending on

2997

02:08:20,470 --> 02:08:19,520

how picked off these people really are

2998

02:08:22,470 --> 02:08:20,480

but

2999

02:08:24,709 --> 02:08:22,480

sure yeah that's an interesting one to

3000

02:08:26,390 --> 02:08:24,719

watch well you know i think we're we're

3001

02:08:27,910 --> 02:08:26,400

just over two hours so i think what i'm

3002

02:08:29,910 --> 02:08:27,920

gonna do is i'm just gonna put up a

3003

02:08:31,189 --> 02:08:29,920

graphic to thank our patreon supporters

3004

02:08:32,790 --> 02:08:31,199

here to give everybody a chance to get a

3005

02:08:34,310 --> 02:08:32,800

break get a drink take a piss do

3006

02:08:37,270 --> 02:08:34,320

whatever you're gonna do

3007

02:08:38,229 --> 02:08:37,280

we've got computer joe back now uh this

3008

02:08:39,510 --> 02:08:38,239

is

3009

02:08:40,629 --> 02:08:39,520

hey computer joe so here's what i'm

3010

02:08:43,189 --> 02:08:40,639

going to do i'm going to put up a

3011

02:08:44,550 --> 02:08:43,199

graphic just to thank

3012

02:08:46,069 --> 02:08:44,560

okay went to the store i'm going to put

3013

02:08:47,430 --> 02:08:46,079

up a graphic just to thank everybody and

3014

02:08:49,350 --> 02:08:47,440

we're going to be back in just a few

3015

02:08:51,109 --> 02:08:49,360

short minutes so and the other thing i

3016

02:08:53,350 --> 02:08:51,119

want to stress this i don't have

3017

02:08:55,669 --> 02:08:53,360

anything to do tonight so i'm here if

3018

02:08:58,310 --> 02:08:55,679

you want to pop off pop back on whenever

3019

02:09:00,550 --> 02:08:58,320

you want that that is perfectly fine

3020

02:09:01,830 --> 02:09:00,560

with me don't feel obligated to sit

3021

02:09:02,709 --> 02:09:01,840

through this whole

3022

02:09:04,550 --> 02:09:02,719

uh

3023

02:09:05,830 --> 02:09:04,560

you know scenario

3024

02:09:07,589 --> 02:09:05,840

so

3025

02:09:09,510 --> 02:09:07,599

i'm gonna put the uh oh wait a minute

3026

02:09:11,350 --> 02:09:09,520

i'm gonna have to drop us all out well

3027

02:09:13,830 --> 02:09:11,360

it doesn't really matter hold on uh i'll

3028

02:09:16,069 --> 02:09:13,840

just do that

3029

02:09:18,870 --> 02:09:16,079

thank you for supporting our show i'm

3030

02:09:20,790 --> 02:09:18,880

gonna drop myself out well actually i

3031

02:09:21,510 --> 02:09:20,800

don't really need to do that well i have

3032

02:09:29,589 --> 02:09:21,520

a

3033

02:09:31,430 --> 02:09:29,599

but

3034

02:09:33,430 --> 02:09:31,440

i can't use the brake bumper anymore

3035

02:09:34,790 --> 02:09:33,440

because then it gets copyright strikes

3036

02:09:36,310 --> 02:09:34,800

i'm gonna i'm gonna use a little boy's

3037

02:09:38,870 --> 02:09:36,320

room so i'm gonna step out for a second

3038

02:09:41,750 --> 02:09:38,880

and i'll be back in just a minute yeah

3039

02:09:43,350 --> 02:09:41,760

so we'll have that awkward moment i i i

3040

02:09:46,310 --> 02:09:43,360

think cause spooky doesn't have a

3041

02:09:47,830 --> 02:09:46,320

graphic she can uh she can she can talk

3042

02:09:50,229 --> 02:09:47,840

about anything that she's seeing she's

3043

02:09:52,470 --> 02:09:50,239

got 30 tabs open she can share some of

3044

02:09:54,310 --> 02:09:52,480

her of of her

3045

02:09:57,109 --> 02:09:54,320

election coverage she's planning on just

3046

02:09:59,589 --> 02:09:57,119

humming some kind of theme tune while we

3047

02:10:02,709 --> 02:09:59,599

wait that works too but you are you're

3048

02:10:04,870 --> 02:10:02,719

our england news correspondent so uh you

3049

02:10:07,430 --> 02:10:04,880

should do that

3050

02:10:08,709 --> 02:10:07,440

i'm also real tired yeah well like i

3051
02:10:10,790 --> 02:10:08,719
said you could drop off whenever you

3052
02:10:12,790 --> 02:10:10,800
want i'm going to take a shortcut i'm

3053
02:10:14,950 --> 02:10:12,800
waiting until the result i'm just you

3054
02:10:16,550 --> 02:10:14,960
know i need caffeine

3055
02:10:18,950 --> 02:10:16,560
me too i'm gonna take a short break and

3056
02:10:21,910 --> 02:10:18,960
i'll be right back folks uh we'll be

3057
02:10:24,310 --> 02:10:21,920
back with uh more of our uh

3058
02:10:26,390 --> 02:10:24,320
marathon coverage of who's going to be

3059
02:10:40,629 --> 02:10:26,400
the president during the apocalypse

3060
02:10:44,629 --> 02:10:42,629
so computer joe how's it going man

3061
02:10:50,950 --> 02:10:44,639
how are you liking those uh

3062
02:10:50,960 --> 02:10:56,390
what are you eating

3063
02:11:02,310 --> 02:10:58,790

oh i like bill awesome

3064

02:11:06,229 --> 02:11:03,910

it's a little bag of them you know

3065

02:11:07,910 --> 02:11:06,239

enough for one person without

3066

02:11:09,430 --> 02:11:07,920

spending

3067

02:11:11,430 --> 02:11:09,440

a ton of

3068

02:11:12,950 --> 02:11:11,440

tonight money on a whole jar pickles

3069

02:11:18,069 --> 02:11:12,960

right

3070

02:11:21,990 --> 02:11:19,750

you just reminded me

3071

02:11:27,750 --> 02:11:22,000

i'm too tired for this i need caffeine

3072

02:11:32,149 --> 02:11:29,430

it smells like

3073

02:11:42,950 --> 02:11:36,069

what does what are you describing

3074

02:11:46,709 --> 02:11:44,550

actually he does not like

3075

02:11:49,669 --> 02:11:46,719

much of anything except for

3076

02:11:53,109 --> 02:11:49,679

plain chicken white rice pasta

3077

02:11:55,109 --> 02:11:53,119

oh [h__h] that sounds like my phone

3078

02:11:56,950 --> 02:11:55,119

how old is your son

3079

02:11:58,229 --> 02:11:56,960

he's 17.

3080

02:11:59,030 --> 02:11:58,239

hold on

3081

02:12:01,270 --> 02:11:59,040

um

3082

02:12:04,870 --> 02:12:01,280

well so he's old enough to make his own

3083

02:12:09,189 --> 02:12:06,790

yeah and

3084

02:12:11,750 --> 02:12:09,199

i didn't feed him he would probably eat

3085

02:12:16,629 --> 02:12:14,629

cup raymond uncooked

3086

02:12:18,149 --> 02:12:16,639

that he pays for himself

3087

02:12:23,350 --> 02:12:18,159

nope

3088

02:12:27,030 --> 02:12:25,990

i'm your granny um

3089

02:12:30,550 --> 02:12:27,040

i'm his

3090

02:12:35,200 --> 02:12:33,430

it's all good come on come on blanche

3091

02:12:37,109 --> 02:12:35,210

come on

3092

02:12:38,629 --> 02:12:37,119

[Laughter]

3093

02:12:42,550 --> 02:12:38,639

yeah boy

3094

02:12:42,560 --> 02:12:46,149

wow

3095

02:12:48,550 --> 02:12:47,430

number one in our heart don't worry

3096

02:12:53,950 --> 02:12:48,560

about it

3097

02:12:59,510 --> 02:12:57,270

unprecedented here in the states and i

3098

02:13:00,950 --> 02:12:59,520

know we're a laughingstock we have been

3099

02:13:02,870 --> 02:13:00,960

for a time now

3100

02:13:06,390 --> 02:13:02,880

but dang i haven't

3101

02:13:08,709 --> 02:13:06,400

i haven't participated in politics for a

3102

02:13:12,069 --> 02:13:08,719

good number of years and you know i have

3103

02:13:14,550 --> 02:13:12,079

history of really being deeply involved

3104

02:13:16,550 --> 02:13:14,560

and open opinionated about it but i

3105

02:13:18,550 --> 02:13:16,560

can't do that anymore because i'm very

3106

02:13:21,109 --> 02:13:18,560

old and i have a heart condition i can't

3107

02:13:25,830 --> 02:13:21,119

afford to have my blood pressure

3108

02:13:30,950 --> 02:13:28,830

been involved in paying attention to

3109

02:13:31,910 --> 02:13:30,960

politics yeah so it looks like a very

3110

02:13:33,830 --> 02:13:31,920

long time

3111

02:13:36,069 --> 02:13:33,840

looks like sorry sorry to cut in it

3112

02:13:38,229 --> 02:13:36,079

looks like cnn is now saying that joe

3113

02:13:40,629 --> 02:13:38,239

biden will win illinois

3114

02:13:43,990 --> 02:13:40,639

and donald trump won missouri

3115

02:13:45,510 --> 02:13:44,000

so according to the 270 to win website

3116

02:13:47,109 --> 02:13:45,520

the current tally

3117

02:13:48,629 --> 02:13:47,119

if i'm looking at this right spooky i

3118

02:13:52,790 --> 02:13:48,639

think my thing's lagging over here but

3119

02:13:55,910 --> 02:13:52,800

i'm showing trump 144 biden 115 is what

3120

02:13:55,920 --> 02:14:03,430

i don't believe it i don't either

3121

02:14:07,030 --> 02:14:05,350

yeah it's going to be a long night

3122

02:14:09,589 --> 02:14:07,040

it's going to be a long night i can't

3123

02:14:10,830 --> 02:14:09,599

believe i'm staying up for this

3124

02:14:13,109 --> 02:14:10,840

well no it's

3125

02:14:15,589 --> 02:14:13,119

always i was gonna say it's only like

3126

02:14:20,629 --> 02:14:15,599

750 in california what are you talking

3127

02:14:25,669 --> 02:14:22,870

um

3128

02:14:29,910 --> 02:14:25,679

i have odd sleep cycles it okay i'm up

3129

02:14:33,669 --> 02:14:31,990

cycles that dude was that dude was live

3130

02:14:34,870 --> 02:14:33,679

streaming at like three or four o'clock

3131

02:14:37,189 --> 02:14:34,880

in the morning the other night i'm like

3132

02:14:40,229 --> 02:14:37,199

what the [h__\h]

3133

02:14:42,470 --> 02:14:40,239

i know oh no he said he'll be back okay

3134

02:14:44,709 --> 02:14:42,480

yeah he had to go do something

3135

02:14:47,510 --> 02:14:44,719

uh so does any

3136

02:14:49,109 --> 02:14:47,520

anybody have an update right right this

3137

02:14:51,189 --> 02:14:49,119

minute

3138

02:14:53,030 --> 02:14:51,199

that was the last update right then

3139

02:14:54,470 --> 02:14:53,040

um that was when i just like updated my

3140

02:14:56,310 --> 02:14:54,480

phone that was what i pulled off of

3141

02:14:58,390 --> 02:14:56,320

there so it's gotta be

3142

02:14:59,910 --> 02:14:58,400

i mean that's gotta be i guess as of as

3143

02:15:06,950 --> 02:14:59,920

of right now the most updated numbers

3144

02:15:09,589 --> 02:15:08,310

still going for a while um check in with

3145

02:15:10,950 --> 02:15:09,599

you a little while

3146

02:15:13,030 --> 02:15:10,960

all right

3147

02:15:21,189 --> 02:15:13,040

oh that's him coming back

3148

02:15:24,229 --> 02:15:22,870

all right what did i miss

3149

02:15:25,910 --> 02:15:24,239

not a thing

3150

02:15:28,390 --> 02:15:25,920

so it looks like they're calling

3151

02:15:30,790 --> 02:15:28,400

illinois for biden and they're calling

3152

02:15:32,149 --> 02:15:30,800

uh what did i just say missouri for

3153

02:15:34,709 --> 02:15:32,159

trump

3154

02:15:38,310 --> 02:15:34,719

so right now the the 270 website showing

3155

02:15:40,950 --> 02:15:38,320

trump at 144 and biden at 115.

3156

02:15:42,390 --> 02:15:40,960

missouri doesn't surprise me a bit well

3157

02:15:44,390 --> 02:15:42,400

illinois doesn't surprise me either i

3158

02:15:45,990 --> 02:15:44,400

mean illinois has been a big democratic

3159

02:15:49,589 --> 02:15:46,000

state for a long time so that wasn't

3160

02:15:53,189 --> 02:15:49,599

really a shock to anybody i don't think

3161

02:15:56,390 --> 02:15:53,199

yeah well one of the things that i find

3162

02:15:58,950 --> 02:15:56,400

intriguing is that on the 270 to win

3163

02:16:00,790 --> 02:15:58,960

they've called florida for trump

3164

02:16:02,470 --> 02:16:00,800

but on

3165

02:16:04,629 --> 02:16:02,480

fox and

3166

02:16:06,950 --> 02:16:04,639

new york times and cnn

3167

02:16:09,830 --> 02:16:06,960

they're still not calling florida

3168

02:16:15,589 --> 02:16:09,840

right

3169

02:16:17,669 --> 02:16:15,599

you see what the percentage for

3170

02:16:20,470 --> 02:16:17,679

for florida because it looks like when

3171

02:16:22,390 --> 02:16:20,480

270 to win called florida they called

3172

02:16:23,510 --> 02:16:22,400

florida or they projected florida with

3173

02:16:29,510 --> 02:16:23,520

like

3174

02:16:31,830 --> 02:16:29,520

of the vote in hold on we'll go find

3175

02:16:33,830 --> 02:16:31,840

florida can you pull the graphic back up

3176

02:16:35,349 --> 02:16:33,840

can i send the link to

3177

02:16:36,309 --> 02:16:35,359

to uh

3178

02:16:38,309 --> 02:16:36,319

keats

3179

02:16:40,549 --> 02:16:38,319

can we go to florida

3180

02:16:42,070 --> 02:16:40,559

oh no we can't actually that's

3181

02:16:43,030 --> 02:16:42,080

that's sort of weird it looks like it

3182

02:16:43,990 --> 02:16:43,040

shows

3183

02:16:49,910 --> 02:16:44,000

biden

3184

02:16:52,150 --> 02:16:49,920

64 chance of winning holy [\h__\h] what but

3185

02:16:53,750 --> 02:16:52,160

they called it they called it for trump

3186

02:16:56,709 --> 02:16:53,760

at like eight

3187

02:16:58,790 --> 02:16:56,719

uh 816 or something like that on this on

3188

02:17:01,349 --> 02:16:58,800

the page that you guys are showing huh

3189

02:17:04,309 --> 02:17:01,359

yeah i was trying to find albums florida

3190

02:17:05,669 --> 02:17:04,319

has 29 votes

3191

02:17:07,270 --> 02:17:05,679

yeah that's a lot of that's a lot of

3192

02:17:08,629 --> 02:17:07,280

votes that's a lot yeah unless they're

3193

02:17:10,709 --> 02:17:08,639

thinking unless they're thinking that

3194

02:17:17,429 --> 02:17:10,719

the the precincts that have not reported

3195

02:17:21,270 --> 02:17:19,030

here's the thing though this and i think

3196

02:17:22,950 --> 02:17:21,280

this is true like when you look at the

3197

02:17:25,190 --> 02:17:22,960

black and hispanic vote that trump

3198

02:17:27,030 --> 02:17:25,200

gotten in 16

3199

02:17:29,190 --> 02:17:27,040

there's a lot of people that have said

3200

02:17:31,589 --> 02:17:29,200

that if trump holds that percentage or

3201

02:17:32,950 --> 02:17:31,599

even if he increases that percentage

3202

02:17:34,549 --> 02:17:32,960

slightly

3203

02:17:35,910 --> 02:17:34,559

he's going to run away with this thing i

3204

02:17:38,150 --> 02:17:35,920

mean maybe not run away with it on the

3205

02:17:39,990 --> 02:17:38,160

landslide

3206

02:17:41,349 --> 02:17:40,000

if he holds the minority like black and

3207

02:17:44,549 --> 02:17:41,359

brown vote

3208

02:17:45,910 --> 02:17:44,559

it's i don't see how he loses

3209

02:17:47,669 --> 02:17:45,920

because he got a pretty good percentage

3210

02:17:48,870 --> 02:17:47,679

of african-american and hispanic vote in

3211

02:17:49,830 --> 02:17:48,880

16.

3212

02:17:51,509 --> 02:17:49,840

so

3213

02:17:53,589 --> 02:17:51,519

there was a lot of like i think just

3214

02:17:54,870 --> 02:17:53,599

recently as i that i saw there was a

3215

02:17:56,950 --> 02:17:54,880

couple i don't know if they were reuters

3216

02:17:59,190 --> 02:17:56,960

polls or if they were like from another

3217

02:18:00,950 --> 02:17:59,200

another source but they were they were

3218

02:18:04,469 --> 02:18:00,960

like

3219

02:18:06,150 --> 02:18:04,479

support for trump being higher than what

3220

02:18:07,110 --> 02:18:06,160

they anticipated at this point in the

3221

02:18:08,709 --> 02:18:07,120

election

3222

02:18:11,589 --> 02:18:08,719

so

3223

02:18:13,509 --> 02:18:11,599

don't know they don't like the straight

3224

02:18:15,509 --> 02:18:13,519

right they don't make it anymore because

3225

02:18:17,349 --> 02:18:15,519

if that's a that's a lot of electoral

3226

02:18:19,509 --> 02:18:17,359

college votes in florida and if that

3227

02:18:23,429 --> 02:18:19,519

flips back to biden he's going to be way

3228

02:18:28,309 --> 02:18:25,110

if they take it off the table it

3229

02:18:30,070 --> 02:18:28,319

basically makes it even it looks like so

3230

02:18:33,110 --> 02:18:30,080

what does florida show

3231

02:18:35,750 --> 02:18:33,120

uh 48 or 47.8

3232

02:18:38,469 --> 02:18:35,760

oh it's jiggy

3233

02:18:40,469 --> 02:18:38,479

welcome jiggy oh god zinky's balls

3234

02:18:43,349 --> 02:18:40,479

apparently ninety ninety one percent of

3235

02:18:47,750 --> 02:18:45,110

what's that

3236

02:18:50,629 --> 02:18:47,760

uh sixteenth uh in the in the chat

3237

02:18:55,429 --> 02:18:50,639

uh what is that forty seven point eight

3238

02:19:00,230 --> 02:18:57,669

yeah i see that yeah it looks like 91

3239

02:19:01,830 --> 02:19:00,240

percent 91 reporting so those problems

3240

02:19:04,549 --> 02:19:01,840

don't make sense at all if you're

3241

02:19:05,990 --> 02:19:04,559

looking if they're reporting 64.

3242

02:19:07,429 --> 02:19:06,000

well that was when that was when they

3243

02:19:08,790 --> 02:19:07,439

called it i think that was when they

3244

02:19:10,950 --> 02:19:08,800

called it so it could have that could

3245

02:19:13,509 --> 02:19:10,960

obtain but but even then why would they

3246

02:19:16,150 --> 02:19:13,519

have called it with biden having 60 poor

3247

02:19:17,990 --> 02:19:16,160

like 64 chance of winning they called it

3248

02:19:20,389 --> 02:19:18,000

for trump at 8 15.

3249

02:19:23,030 --> 02:19:20,399

but based on um

3250

02:19:24,790 --> 02:19:23,040

if it's in your time though right

3251

02:19:27,910 --> 02:19:24,800

what's that obviously

3252

02:19:30,870 --> 02:19:27,920

how can florida be reporting

3253

02:19:33,270 --> 02:19:30,880

91 percent how can you

3254

02:19:35,669 --> 02:19:33,280

hold on it just changed now fox news is

3255

02:19:37,910 --> 02:19:35,679

showing that 97

3256

02:19:40,469 --> 02:19:37,920

of the votes have been reported in

3257

02:19:43,990 --> 02:19:40,479

florida and trump's got it looks like

3258

02:19:52,710 --> 02:19:44,000

300 300 000 vote lead in florida how

3259

02:19:56,630 --> 02:19:54,230

what do you think of this [h__\h] show so

3260

02:19:59,750 --> 02:19:58,309

i just want to know how many votes kanye

3261

02:20:13,750 --> 02:19:59,760

west got

3262

02:20:16,790 --> 02:20:15,110

there was some stage he wasn't allowed

3263

02:20:18,950 --> 02:20:16,800

to because he um got in the race too

3264

02:20:20,309 --> 02:20:18,960

late

3265

02:20:21,830 --> 02:20:20,319

but he's definitely on the belt in some

3266

02:20:22,710 --> 02:20:21,840

states i've seen people post it looks

3267

02:20:26,389 --> 02:20:22,720

like

3268

02:20:30,550 --> 02:20:26,399

my state or i would have voted for him

3269

02:20:36,309 --> 02:20:34,710

300 000 lead vote in florida right now

3270

02:20:37,830 --> 02:20:36,319

so i was looking at georgia too because

3271

02:20:39,910 --> 02:20:37,840

i know we were talking about georgia

3272

02:20:42,830 --> 02:20:39,920

earlier and it looks like as of right

3273

02:20:46,870 --> 02:20:42,840

now trump's got like a

3274

02:20:49,270 --> 02:20:46,880

300 400 000 vote

3275

02:20:51,030 --> 02:20:49,280

lead in georgia but they only have 63

3276

02:20:52,630 --> 02:20:51,040

percent of pre-scenes

3277

02:20:54,790 --> 02:20:52,640

reporting in

3278

02:20:56,870 --> 02:20:54,800

so

3279

02:21:00,469 --> 02:20:56,880

and then ohio wait who's got the lead in

3280

02:21:04,070 --> 02:21:00,479

georgia yeah trump does by like 350 or

3281

02:21:06,550 --> 02:21:04,080

375 000 votes

3282

02:21:07,510 --> 02:21:06,560

he's also winning trump is winning ohio

3283

02:21:08,389 --> 02:21:07,520

right now

3284

02:21:11,750 --> 02:21:08,399

by

3285

02:21:14,230 --> 02:21:11,760

400 000 votes with 90 percent of

3286

02:21:15,910 --> 02:21:14,240

pre-scenes reporting in ohio it's like

3287

02:21:18,150 --> 02:21:15,920

it looks like he's getting georgia which

3288

02:21:20,389 --> 02:21:18,160

is 16 electoral college votes in ohio

3289

02:21:21,429 --> 02:21:20,399

which is 18 and as you mentioned well

3290

02:21:24,070 --> 02:21:21,439

here's here's what you have to watch

3291

02:21:25,990 --> 02:21:24,080

with ohio the last counties

3292

02:21:29,030 --> 02:21:26,000

the last counties that always report in

3293

02:21:30,630 --> 02:21:29,040

ohio are like in the cities and they've

3294

02:21:32,630 --> 02:21:30,640

always been slow to report and that

3295

02:21:34,790 --> 02:21:32,640

tends to have that tends to be a bigger

3296

02:21:38,150 --> 02:21:34,800

democratic vote like montgomery county

3297

02:21:39,670 --> 02:21:38,160

and david okay good still go either way

3298

02:21:42,550 --> 02:21:39,680

in cleveland those are always the last

3299

02:21:44,469 --> 02:21:42,560

counties to report in so

3300

02:21:45,750 --> 02:21:44,479

yeah yeah and vermont

3301
02:21:49,349 --> 02:21:45,760
got point

3302
02:21:51,030 --> 02:21:49,359
four percent of the vote

3303
02:21:52,830 --> 02:21:51,040
goddamn in vermont

3304
02:21:54,790 --> 02:21:52,840
in vermont

3305
02:21:57,110 --> 02:21:54,800
1.4

3306
02:21:58,630 --> 02:21:57,120
he got a thousand votes in vermont i

3307
02:21:59,990 --> 02:21:58,640
can't believe that [h__h] and it looks

3308
02:22:01,510 --> 02:22:00,000
like just from what i can see i'm

3309
02:22:02,870 --> 02:22:01,520
surprised you're talking about we were

3310
02:22:05,510 --> 02:22:02,880
talking about other other options

3311
02:22:08,710 --> 02:22:05,520
earlier joe uh who's the the libertarian

3312
02:22:10,790 --> 02:22:08,720
lady joe joe jurgensen or jorgensen it

3313
02:22:13,270 --> 02:22:10,800

looks like every every vote total that

3314

02:22:16,150 --> 02:22:13,280

i've seen from her like is not enough to

3315

02:22:17,990 --> 02:22:16,160

swing a state in anybody's direction so

3316

02:22:20,070 --> 02:22:18,000

it looks like the third party candidates

3317

02:22:25,270 --> 02:22:20,080

didn't really have any uh

3318

02:22:29,910 --> 02:22:26,790

they're not really moving the dial one

3319

02:22:32,710 --> 02:22:29,920

way or the other right right

3320

02:22:34,550 --> 02:22:32,720

which is kind of a good thing i guess

3321

02:22:36,710 --> 02:22:34,560

because that's what still this is going

3322

02:22:39,190 --> 02:22:36,720

to be a nail biter it seems like oh and

3323

02:22:41,990 --> 02:22:39,200

spooky's back

3324

02:22:43,190 --> 02:22:42,000

all right on theirs are spooky hey holy

3325

02:22:45,190 --> 02:22:43,200

[h__h]

3326

02:23:03,030 --> 02:22:45,200

oh and uh ryan

3327

02:23:06,550 --> 02:23:04,870

think i think you fell out or something

3328

02:23:08,389 --> 02:23:06,560

but just be conscious of trying to be

3329

02:23:10,230 --> 02:23:08,399

not talking over people and let's try to

3330

02:23:12,790 --> 02:23:10,240

take turns so that everybody can get in

3331

02:23:16,830 --> 02:23:12,800

here and again i'm going to check my

3332

02:23:19,510 --> 02:23:16,840

first first time on you know the first

3333

02:23:21,429 --> 02:23:19,520

time okay i'm gonna check i'm gonna

3334

02:23:24,790 --> 02:23:21,439

check my email right now if anybody else

3335

02:23:26,790 --> 02:23:24,800

wants to join the the uh join the stream

3336

02:23:30,469 --> 02:23:26,800

then you just email me at

3337

02:23:33,429 --> 02:23:30,479

truthseekershow gmail.com there's

3338

02:23:35,190 --> 02:23:33,439

word

3339

02:23:36,790 --> 02:23:35,200

so it looks like michigan we were

3340

02:23:39,670 --> 02:23:36,800

talking about michigan earlier too as of

3341

02:23:42,230 --> 02:23:39,680

right now michigan's only got 42 percent

3342

02:23:43,950 --> 02:23:42,240

of the votes reporting in but trump's

3343

02:23:51,510 --> 02:23:43,960

got like a

3344

02:23:56,309 --> 02:23:53,830

knock it on the [h__h] head yeah and

3345

02:23:57,429 --> 02:23:56,319

just just just for just

3346

02:24:03,270 --> 02:23:57,439

all right

3347

02:24:12,070 --> 02:24:07,510

cnn has 118 biden 108 trump right now

3348

02:24:16,790 --> 02:24:15,270

wow oh

3349

02:24:18,630 --> 02:24:16,800

north carolina is like i'm watching

3350

02:24:20,950 --> 02:24:18,640

north carolina's vote and it's like

3351

02:24:23,910 --> 02:24:20,960

changing like in real time it looks like

3352

02:24:26,630 --> 02:24:23,920

trump is winning north carolina by like

3353

02:24:39,910 --> 02:24:26,640

80 000 votes

3354

02:24:44,790 --> 02:24:42,790

do you have something to say

3355

02:24:48,309 --> 02:24:44,800

the new york times has

3356

02:24:51,270 --> 02:24:49,750

looks like the polls the polls on the

3357

02:24:54,150 --> 02:24:51,280

west coast

3358

02:24:55,750 --> 02:24:54,160

cnn cnn's got biden winning california

3359

02:24:56,950 --> 02:24:55,760

oregon and washington which we'd already

3360

02:24:59,830 --> 02:24:56,960

talked about we knew that was going to

3361

02:25:06,870 --> 02:24:59,840

be yeah so he's it's at 207 and 119

3362

02:25:14,389 --> 02:25:08,790

washington

3363

02:25:16,070 --> 02:25:14,399

that's 55 7 and 12. so that brings biden

3364

02:25:18,550 --> 02:25:16,080
to 207

3365

02:25:20,710 --> 02:25:18,560
and trump's at 119 but

3366

02:25:22,790 --> 02:25:20,720
we'll see what happens we saw uh they

3367

02:25:25,990 --> 02:25:22,800
have cnn hasn't called florida to

3368

02:25:28,309 --> 02:25:26,000
trump's side or texas or north carolina

3369

02:25:29,750 --> 02:25:28,319
pa ohio michigan

3370

02:25:31,030 --> 02:25:29,760
this is a

3371

02:25:33,910 --> 02:25:31,040
yeah

3372

02:25:35,750 --> 02:25:33,920
actually who has anybody 270 to win

3373

02:25:39,990 --> 02:25:35,760
hasn't updated either yet it's still

3374

02:25:41,429 --> 02:25:40,000
showing like 144 or 126.

3375

02:25:42,630 --> 02:25:41,439
yeah you're right i'm refreshing it

3376

02:25:45,670 --> 02:25:42,640

right now

3377

02:25:47,349 --> 02:25:45,680

and it's already 1102.

3378

02:25:50,070 --> 02:25:47,359

yeah

3379

02:25:52,630 --> 02:25:50,080

wait what what happened to the

3380

02:25:54,950 --> 02:25:52,640

jar that was on the screen a minute ago

3381

02:25:58,389 --> 02:25:54,960

what happened was that um

3382

02:25:59,910 --> 02:25:58,399

iggy was showing everybody his foot

3383

02:26:01,429 --> 02:25:59,920

he showed everybody his balls hurt it

3384

02:26:04,710 --> 02:26:01,439

was it was

3385

02:26:08,469 --> 02:26:04,720

good it was tough out there

3386

02:26:14,790 --> 02:26:08,479

okay and then spooky showed uh a cacti

3387

02:26:18,469 --> 02:26:16,389

i have two of them

3388

02:26:21,030 --> 02:26:18,479

you have two of them

3389

02:26:23,750 --> 02:26:21,040

oh i

3390

02:26:24,950 --> 02:26:23,760

we should talk about raising cacti and

3391

02:26:27,110 --> 02:26:24,960

succulents

3392

02:26:29,270 --> 02:26:27,120

i'll tell you about my succulent garden

3393

02:26:30,550 --> 02:26:29,280

um

3394

02:26:33,349 --> 02:26:30,560

i'm ready for that first taste about

3395

02:26:36,230 --> 02:26:33,359

your smoking garden

3396

02:26:38,070 --> 02:26:36,240

is captain joe steve who's captained you

3397

02:26:40,309 --> 02:26:38,080

there's casual in there in the middle

3398

02:26:42,150 --> 02:26:40,319

just being nothing i swear

3399

02:26:44,950 --> 02:26:42,160

to be nice we're gonna put your time out

3400

02:26:46,790 --> 02:26:44,960

again be nice yeah i don't

3401

02:26:55,910 --> 02:26:46,800

i didn't understand the word or what he

3402

02:27:04,309 --> 02:26:58,230

shouldn't have been abandoned so i stand

3403

02:27:08,230 --> 02:27:07,030

you remind me of my irish family

3404

02:27:11,750 --> 02:27:08,240

there's always

3405

02:27:13,910 --> 02:27:11,760

but

3406

02:27:17,590 --> 02:27:13,920

can i say hello to captain joe just a

3407

02:27:17,600 --> 02:27:20,550

hi captain joe

3408

02:27:24,230 --> 02:27:22,710

is he even gonna move

3409

02:27:26,630 --> 02:27:24,240

i don't think i don't think he's alive

3410

02:27:35,429 --> 02:27:26,640

to the world oh i see something yep he's

3411

02:27:40,710 --> 02:27:38,070

yeah so this 270 win hasn't called

3412

02:27:43,270 --> 02:27:40,720

california oregon and washington

3413

02:27:46,710 --> 02:27:43,280

fox news has you got to get a better

3414

02:27:52,309 --> 02:27:49,990

sorry i always had to do

3415

02:27:55,990 --> 02:27:52,319

mute me i'm muting myself

3416

02:27:58,389 --> 02:27:56,000

thank you thanks and yes yes i know i'll

3417

02:28:01,429 --> 02:27:58,399

you'll thank me later yet yeah i thank

3418

02:28:06,150 --> 02:28:02,870

robin

3419

02:28:10,550 --> 02:28:07,510

yeah it looks like it's going to be a

3420

02:28:13,110 --> 02:28:10,560

nail biter for a while yet

3421

02:28:14,870 --> 02:28:13,120

we might have no idea tonight

3422

02:28:16,469 --> 02:28:14,880

and then if it's really close you know

3423

02:28:17,860 --> 02:28:16,479

they're going to start with the lawsuits

3424

02:28:19,110 --> 02:28:17,870

and the arguing and the

3425

02:28:20,870 --> 02:28:19,120

[Music]

3426

02:28:22,550 --> 02:28:20,880

yeah

3427

02:28:24,710 --> 02:28:22,560

it's got to be like close it's got to be

3428

02:28:28,550 --> 02:28:24,720

close enough to like call for a recount

3429

02:28:28,560 --> 02:28:31,110

yeah

3430

02:28:31,120 --> 02:28:37,190

don't recount the whole thing

3431

02:28:40,469 --> 02:28:38,630

yeah i don't know what to think at this

3432

02:28:42,389 --> 02:28:40,479

moment because it seems like everybody's

3433

02:28:44,070 --> 02:28:42,399

saying something different but it's

3434

02:28:47,190 --> 02:28:44,080

interesting

3435

02:28:48,389 --> 02:28:47,200

yeah fox news has biden way way up but

3436

02:28:51,670 --> 02:28:48,399

they called

3437

02:28:53,510 --> 02:28:51,680

oregon and california and whatever

3438

02:28:57,190 --> 02:28:53,520

uh or i'm sorry oregon washington

3439

02:28:57,200 --> 02:29:03,429

so uh yeah

3440

02:29:06,630 --> 02:29:04,950

we're all just waiting all i gotta say

3441

02:29:09,349 --> 02:29:06,640

is ladies and gentlemen no matter who

3442

02:29:11,990 --> 02:29:09,359

[h__h] wins let's remain

3443

02:29:13,190 --> 02:29:12,000

americans yes let's try to perpetuate

3444

02:29:15,830 --> 02:29:13,200

that uh

3445

02:29:17,270 --> 02:29:15,840

i don't think we have a choice

3446

02:29:17,990 --> 02:29:17,280

yeah well i'm just saying brother you

3447

02:29:19,750 --> 02:29:18,000

know what i'm saying because there's

3448

02:29:22,070 --> 02:29:19,760

going to be a lot of [h__h] out there

3449

02:29:23,349 --> 02:29:22,080

on both sides with you know who

3450

02:29:25,750 --> 02:29:23,359

regardless of who wins there's going to

3451

02:29:27,910 --> 02:29:25,760

be somebody upset and um you know with

3452

02:29:29,270 --> 02:29:27,920

as heated as this

3453

02:29:31,270 --> 02:29:29,280

election is

3454

02:29:32,710 --> 02:29:31,280

you know we just got to keep our heads

3455

02:29:33,670 --> 02:29:32,720

and let the authorities do what they got

3456

02:29:34,630 --> 02:29:33,680

to do

3457

02:29:36,469 --> 02:29:34,640

um

3458

02:29:39,429 --> 02:29:36,479

you know and just go on about you know

3459

02:29:40,790 --> 02:29:39,439

go down about our lives and try to

3460

02:29:46,389 --> 02:29:40,800

you know

3461

02:29:49,349 --> 02:29:46,399

know boy do i ever wish that too but you

3462

02:29:51,910 --> 02:29:49,359

know what people are already upset

3463

02:29:53,830 --> 02:29:51,920

they're already doing it i don't think

3464

02:29:55,110 --> 02:29:53,840

it matters

3465

02:29:57,349 --> 02:29:55,120

any

3466

02:29:59,190 --> 02:29:57,359

it doesn't matter people will still

3467

02:30:01,670 --> 02:29:59,200

continue to

3468

02:30:04,550 --> 02:30:01,680

do what they're doing i think it might

3469

02:30:07,910 --> 02:30:04,560

escalate in some areas but here's what i

3470

02:30:08,870 --> 02:30:07,920

think here's what this has momentum

3471

02:30:11,349 --> 02:30:08,880

you know

3472

02:30:14,230 --> 02:30:11,359

i think i think i see this happening i

3473

02:30:15,830 --> 02:30:14,240

think trump if trump wins

3474

02:30:18,389 --> 02:30:15,840

he's going to feel like he's got a

3475

02:30:21,030 --> 02:30:18,399

mandate from the people to

3476

02:30:22,630 --> 02:30:21,040

start quashing all of this [\h__\h] and i'm

3477

02:30:23,990 --> 02:30:22,640

not saying that there's not some of this

3478

02:30:26,070 --> 02:30:24,000

stuff that doesn't need somebody doesn't

3479

02:30:28,389 --> 02:30:26,080

need to step in and [\h__\h] lock some of

3480

02:30:30,309 --> 02:30:28,399

this down but like all of these all of

3481

02:30:32,070 --> 02:30:30,319

this like rioting and looting and crazy

3482

02:30:33,030 --> 02:30:32,080

[\h__\h] that you're seeing going on i think

3483

02:30:34,230 --> 02:30:33,040

trump

3484

02:30:36,150 --> 02:30:34,240

either he's he's either going to

3485

02:30:37,830 --> 02:30:36,160

pressure the governors to call in the

3486

02:30:39,750 --> 02:30:37,840

national guard or like he's going to try

3487

02:30:40,630 --> 02:30:39,760

to do something himself

3488

02:30:44,389 --> 02:30:40,640

to

3489

02:30:45,990 --> 02:30:44,399

think that if

3490

02:30:47,429 --> 02:30:46,000

they want to peacefully protest in the

3491

02:30:49,110 --> 02:30:47,439

street and be out there all night long

3492

02:30:50,630 --> 02:30:49,120

and chant and hold signs and [h__h] like

3493

02:30:52,389 --> 02:30:50,640

hey you know what that's your right but

3494

02:30:54,550 --> 02:30:52,399

as soon as you start burning businesses

3495

02:30:56,710 --> 02:30:54,560

and you start destroying property and

3496

02:30:59,190 --> 02:30:56,720

like like harassing and beating up

3497

02:31:00,550 --> 02:30:59,200

citizens then the police and or in the

3498

02:31:02,630 --> 02:31:00,560

national guard need to step in and they

3499

02:31:03,910 --> 02:31:02,640

need to crack some [h__h] skulls i'm

3500

02:31:05,110 --> 02:31:03,920

just that's just i'm just going to say

3501
02:31:07,190 --> 02:31:05,120
that because

3502
02:31:09,510 --> 02:31:07,200
there's talk there's various talk that

3503
02:31:11,990 --> 02:31:09,520
that trump if elected will

3504
02:31:13,910 --> 02:31:12,000
uh enact the insurrection act and then

3505
02:31:15,830 --> 02:31:13,920
he would not need the governor's uh

3506
02:31:17,190 --> 02:31:15,840
requests to send in the national guard

3507
02:31:19,510 --> 02:31:17,200
he could just say

3508
02:31:21,110 --> 02:31:19,520
this is causing you know he can justify

3509
02:31:22,630 --> 02:31:21,120
it however he wants and then he could

3510
02:31:24,309 --> 02:31:22,640
just send in whatever he wants the

3511
02:31:25,910 --> 02:31:24,319
military the national guard and they can

3512
02:31:28,630 --> 02:31:25,920
put it all down

3513
02:31:29,429 --> 02:31:28,640

every state so far that every state so

3514

02:31:30,950 --> 02:31:29,439

far

3515

02:31:33,349 --> 02:31:30,960

where they were having a lot of civil

3516

02:31:35,190 --> 02:31:33,359

unrest and riots and looting that did

3517

02:31:37,830 --> 02:31:35,200

request national guard assistance and

3518

02:31:38,710 --> 02:31:37,840

get it it was put down within a day

3519

02:31:40,070 --> 02:31:38,720

so

3520

02:31:42,389 --> 02:31:40,080

no it wasn't

3521

02:31:43,830 --> 02:31:42,399

isn't it wasn't it i'm sticking my hand

3522

02:31:45,990 --> 02:31:43,840

up um

3523

02:31:47,830 --> 02:31:46,000

a lot of cities

3524

02:31:51,670 --> 02:31:47,840

have rep well

3525

02:31:53,750 --> 02:31:51,680

friends of mine and other cities have

3526

02:31:55,670 --> 02:31:53,760

viewed the same things

3527

02:31:59,429 --> 02:31:55,680

i have

3528

02:32:02,389 --> 02:31:59,439

the national guard is already in place

3529

02:32:03,670 --> 02:32:02,399

the militarized police guys are already

3530

02:32:04,870 --> 02:32:03,680

in place

3531

02:32:07,349 --> 02:32:04,880

um

3532

02:32:08,070 --> 02:32:07,359

they're here they're in my city they're

3533

02:32:12,150 --> 02:32:08,080

in

3534

02:32:13,670 --> 02:32:12,160

so it doesn't matter who is elected it

3535

02:32:16,870 --> 02:32:13,680

doesn't matter

3536

02:32:19,830 --> 02:32:16,880

uh the money has put end into it i think

3537

02:32:21,349 --> 02:32:19,840

if it might even be part of our military

3538

02:32:22,790 --> 02:32:21,359

budget but

3539

02:32:24,309 --> 02:32:22,800

the guys are all

3540

02:32:26,790 --> 02:32:24,319

they're

3541

02:32:29,429 --> 02:32:28,630

uh hello

3542

02:32:31,429 --> 02:32:29,439

but

3543

02:32:33,590 --> 02:32:31,439

i don't think it matters who

3544

02:32:36,309 --> 02:32:33,600

gets elected you know whatever is

3545

02:32:38,630 --> 02:32:36,319

happening now will continue

3546

02:32:42,150 --> 02:32:38,640

and but but

3547

02:32:44,870 --> 02:32:42,160

whoever's there whoever is elected

3548

02:32:47,670 --> 02:32:44,880

all they have to do is say okay go and

3549

02:32:50,630 --> 02:32:47,680

then whatever the military

3550

02:32:53,910 --> 02:32:50,640

police guys national guard are here for

3551
02:32:57,750 --> 02:32:56,230
needs doing well robin let me ask you a

3552
02:32:59,590 --> 02:32:57,760
question like realistic question let's

3553
02:33:01,030 --> 02:32:59,600
just say let's just say robin is

3554
02:33:03,750 --> 02:33:01,040
governor of

3555
02:33:05,990 --> 02:33:03,760
seattle or no no no we'll just use port

3556
02:33:08,230 --> 02:33:06,000
portland you're robin robin is governor

3557
02:33:12,070 --> 02:33:08,240
of oregon and you've got

3558
02:33:13,910 --> 02:33:12,080
300 or what a 280 185 nights of unrest

3559
02:33:16,389 --> 02:33:13,920
in portland like people were you know

3560
02:33:18,630 --> 02:33:16,399
starting fires destroying [h__\h] like how

3561
02:33:20,790 --> 02:33:18,640
long does robin the governor of oregon

3562
02:33:22,710 --> 02:33:20,800
let that [h__\h] go on before they say okay

3563
02:33:24,710 --> 02:33:22,720

you know what we tried it your way we

3564

02:33:26,550 --> 02:33:24,720

wanted to end this peacefully but now

3565

02:33:27,590 --> 02:33:26,560

like we're gonna send the cops in and

3566

02:33:28,469 --> 02:33:27,600

we're gonna let them do what they need

3567

02:33:29,750 --> 02:33:28,479

to do

3568

02:33:31,270 --> 02:33:29,760

yeah a lot of people are saying that

3569

02:33:32,870 --> 02:33:31,280

they're gonna let that go until after

3570

02:33:34,790 --> 02:33:32,880

the election which is crazy because

3571

02:33:37,110 --> 02:33:34,800

you're politicizing all of that damage

3572

02:33:38,870 --> 02:33:37,120

destruction and anarchy get your way or

3573

02:33:41,349 --> 02:33:38,880

something that's crazy

3574

02:33:43,910 --> 02:33:41,359

and you don't see national guard

3575

02:33:44,950 --> 02:33:43,920

vehicles and humvees being torched you

3576

02:33:48,790 --> 02:33:44,960

see

3577

02:33:52,469 --> 02:33:48,800

local disposable police cars being

3578

02:33:53,429 --> 02:33:52,479

smashed and burned and and stuff

3579

02:33:57,750 --> 02:33:53,439

the

3580

02:33:59,429 --> 02:33:57,760

haven't been launched

3581

02:34:01,349 --> 02:33:59,439

none of the

3582

02:34:03,270 --> 02:34:01,359

guys who

3583

02:34:05,670 --> 02:34:03,280

what do they call it they're

3584

02:34:09,910 --> 02:34:05,680

here but they're not doing anything it's

3585

02:34:10,790 --> 02:34:09,920

all the local police guys do you see any

3586

02:34:12,710 --> 02:34:10,800

of

3587

02:34:14,550 --> 02:34:12,720

really

3588

02:34:16,309 --> 02:34:14,560

i don't see any of that

3589

02:34:17,830 --> 02:34:16,319

well no i mean i i i would agree to your

3590

02:34:19,110 --> 02:34:17,840

point like but at the same time like

3591

02:34:20,630 --> 02:34:19,120

you're saying that they're destroying

3592

02:34:23,429 --> 02:34:20,640

like local police cars i mean that's

3593

02:34:25,429 --> 02:34:23,439

still that's still destroyed

3594

02:34:29,270 --> 02:34:25,439

taxpayer that's still taxpayer dollars

3595

02:34:30,469 --> 02:34:29,280

that are going towards that equipment so

3596

02:34:32,790 --> 02:34:30,479

you're going to pay for it one way or

3597

02:34:34,389 --> 02:34:32,800

the other right

3598

02:34:35,750 --> 02:34:34,399

well i didn't think we were talking

3599

02:34:38,070 --> 02:34:35,760

about the

3600

02:34:39,349 --> 02:34:38,080

economic aspect of it it's just

3601
02:34:41,110 --> 02:34:39,359
the same but does it matter i mean does

3602
02:34:57,110 --> 02:34:41,120
it matter if they're destroying like

3603
02:35:01,510 --> 02:34:59,429
all right we're losing our minds here

3604
02:35:02,349 --> 02:35:01,520
mario so now we have our mec listen

3605
02:35:05,030 --> 02:35:02,359
we're a

3606
02:35:07,190 --> 02:35:05,040
multi-cultural and international panel

3607
02:35:09,110 --> 02:35:07,200
tonight because we have we had somebody

3608
02:35:11,910 --> 02:35:09,120
from ireland we had somebody from

3609
02:35:16,389 --> 02:35:11,920
england here with us and now we have a

3610
02:35:17,830 --> 02:35:16,399
rarity in the world a mexican canadian

3611
02:35:20,950 --> 02:35:17,840
well that's no

3612
02:35:24,469 --> 02:35:20,960
the mexico you're mexicorn yes

3613
02:35:27,110 --> 02:35:24,479

i know a canadian jews

3614

02:35:29,110 --> 02:35:27,120

oh that's very common

3615

02:35:36,389 --> 02:35:29,120

well i think so are

3616

02:35:40,389 --> 02:35:38,389

what looks like computer joe's going to

3617

02:35:42,550 --> 02:35:40,399

sleep over there

3618

02:35:46,550 --> 02:35:42,560

okay so what's going on here on this

3619

02:35:47,910 --> 02:35:46,560

mostly sausage fest what did i miss

3620

02:35:49,990 --> 02:35:47,920

well we've just been covering the

3621

02:35:51,830 --> 02:35:50,000

election none of us knows anything about

3622

02:35:53,670 --> 02:35:51,840

what's going on because it depends on

3623

02:35:54,710 --> 02:35:53,680

what website you go to

3624

02:35:56,950 --> 02:35:54,720

so

3625

02:35:59,590 --> 02:35:56,960

that's not going on today yeah i forgot

3626

02:36:01,349 --> 02:35:59,600

some had trump way ahead some have uh

3627

02:36:02,710 --> 02:36:01,359

yeah nice that you knew the subject of

3628

02:36:04,469 --> 02:36:02,720

the panel that you jumped in to

3629

02:36:06,550 --> 02:36:04,479

participate thank you

3630

02:36:08,389 --> 02:36:06,560

thank you thank you for your [h__h]

3631

02:36:09,590 --> 02:36:08,399

doing your homework of being a good

3632

02:36:10,550 --> 02:36:09,600

guest there

3633

02:36:12,389 --> 02:36:10,560

mario

3634

02:36:13,910 --> 02:36:12,399

he's here he's here he really cares

3635

02:36:15,429 --> 02:36:13,920

about the quality of our show what are

3636

02:36:17,670 --> 02:36:15,439

we talking about tonight i don't even

3637

02:36:19,349 --> 02:36:17,680

know i just came in this [h__h]

3638

02:36:21,270 --> 02:36:19,359

[Laughter]

3639

02:36:23,830 --> 02:36:21,280

nice

3640

02:36:25,830 --> 02:36:23,840

yeah i just saw like seven

3641

02:36:27,830 --> 02:36:25,840

guys and two ladies and i'm like wait

3642

02:36:29,110 --> 02:36:27,840

what's going on here

3643

02:36:30,870 --> 02:36:29,120

yeah

3644

02:36:32,309 --> 02:36:30,880

i was i was trying to get my girlfriend

3645

02:36:34,550 --> 02:36:32,319

to join as well but she's like this is

3646

02:36:47,910 --> 02:36:34,560

not a topic i want to discuss

3647

02:36:51,030 --> 02:36:49,190

she's probably watching right now i'm

3648

02:36:53,910 --> 02:36:51,040

i'm not sure i need to text her so they

3649

02:36:58,070 --> 02:36:53,920

did update now that they updated the the

3650

02:37:00,950 --> 02:36:58,080

totals is biden 205 trump 144.

3651

02:37:03,670 --> 02:37:00,960

oh my gosh how does that work is that

3652

02:37:12,230 --> 02:37:03,680

like followers on twitter or what yeah

3653

02:37:20,950 --> 02:37:14,630

he has to get to 270 to win

3654

02:37:25,349 --> 02:37:23,030

so is that that thing where you vote for

3655

02:37:26,790 --> 02:37:25,359

someone to vote for you yeah electoral

3656

02:37:29,110 --> 02:37:26,800

college

3657

02:37:29,120 --> 02:37:39,110

thank you so much

3658

02:37:42,630 --> 02:37:40,309

yeah i don't know i think people just

3659

02:37:45,510 --> 02:37:42,640

joined to to like go look i'm evil i'm

3660

02:37:47,750 --> 02:37:45,520

real david wolco

3661

02:37:49,349 --> 02:37:47,760

you're all david welcome

3662

02:37:51,190 --> 02:37:49,359

yeah tiffany says she's not doing

3663

02:37:52,469 --> 02:37:51,200

anything politics but uh she's down

3664

02:37:53,750 --> 02:37:52,479

she's slowing down and do the great

3665

02:37:55,270 --> 02:37:53,760

thing still

3666

02:37:56,230 --> 02:37:55,280

yeah okay good

3667

02:37:57,270 --> 02:37:56,240

all right

3668

02:38:06,230 --> 02:37:57,280

yeah

3669

02:38:10,389 --> 02:38:08,469

no whatever we're working on five six in

3670

02:38:11,750 --> 02:38:10,399

the afternoon i definitely want to do

3671

02:38:14,389 --> 02:38:11,760

that we'll work it out whatever's best

3672

02:38:17,670 --> 02:38:14,399

for you we'll do it you got it brother

3673

02:38:20,790 --> 02:38:17,680

so as predicted by uh one cw channel we

3674

02:38:22,550 --> 02:38:20,800

have a uh we have a nail biter here

3675

02:38:23,510 --> 02:38:22,560

who's cw chanter

3676

02:38:25,590 --> 02:38:23,520

i don't know

3677

02:38:27,110 --> 02:38:25,600

i tried to get jason quit i tried to get

3678

02:38:28,950 --> 02:38:27,120

jason quit to come on because he would

3679

02:38:31,750 --> 02:38:28,960

be a much better guest than somebody he

3680

02:38:34,710 --> 02:38:31,760

was a cult leader

3681

02:38:37,110 --> 02:38:34,720

and dear mario he could you please pose

3682

02:38:39,429 --> 02:38:37,120

multiple choice questions

3683

02:38:42,790 --> 02:38:39,439

when you come in here

3684

02:38:45,590 --> 02:38:42,800

multiple toys

3685

02:38:46,710 --> 02:38:45,600

i know i'm being dumb she's blessing

3686

02:38:48,870 --> 02:38:46,720

your balls

3687

02:38:49,990 --> 02:38:48,880

badly not well

3688

02:38:51,590 --> 02:38:50,000

marlon

3689

02:38:53,110 --> 02:38:51,600

i love him

3690

02:38:58,150 --> 02:38:53,120

robin this is what happens when you stay

3691

02:39:01,429 --> 02:38:59,510

this is killing me

3692

02:39:02,630 --> 02:39:01,439

and robin i i have i have something to

3693

02:39:05,670 --> 02:39:02,640

say

3694

02:39:08,469 --> 02:39:05,680

your voice is eerily similar uh to my

3695

02:39:10,309 --> 02:39:08,479

father's mother um truly

3696

02:39:12,309 --> 02:39:10,319

and it's like oh my god i feel like you

3697

02:39:14,230 --> 02:39:12,319

never know my grandmother her voice

3698

02:39:16,710 --> 02:39:14,240

reminds me of my grandmother's voice my

3699

02:39:19,190 --> 02:39:16,720

grandmother pat my grandmother is gone

3700

02:39:21,190 --> 02:39:19,200

but yeah mine too

3701
02:39:24,790 --> 02:39:21,200
hey stephen have you seen there have you

3702
02:39:26,389 --> 02:39:24,800
seen them no no no please pennsylvania

3703
02:39:28,870 --> 02:39:26,399
have i seen what

3704
02:39:30,230 --> 02:39:28,880
the pennsylvania vote as it's been as it

3705
02:39:31,910 --> 02:39:30,240
stands right now

3706
02:39:34,550 --> 02:39:31,920
trump has no idea

3707
02:39:37,510 --> 02:39:34,560
trump is up like almost 400 000 votes in

3708
02:39:39,429 --> 02:39:37,520
pennsylvania with like 46

3709
02:39:41,110 --> 02:39:39,439
of the vote in

3710
02:39:43,429 --> 02:39:41,120
wow

3711
02:39:46,230 --> 02:39:43,439
so as being the new [h__h] idiot on the

3712
02:39:48,469 --> 02:39:46,240
on the panel here uh can i i i've been

3713
02:39:50,309 --> 02:39:48,479

following steven ever since uh jiggy

3714

02:39:51,590 --> 02:39:50,319

introduced me to the channel so i know

3715

02:39:53,270 --> 02:39:51,600

what he's all about this is the reason

3716

02:39:54,950 --> 02:39:53,280

why i've been following him like a

3717

02:39:58,150 --> 02:39:54,960

freaking you know

3718

02:40:01,030 --> 02:39:58,160

[h__h] or flies on [h__h] but uh robin dan

3719

02:40:03,030 --> 02:40:01,040

computer joe spooky doctor eden can you

3720

02:40:04,550 --> 02:40:03,040

tell me a little bit about your guys's i

3721

02:40:05,750 --> 02:40:04,560

mean what do you guys do in the ufo

3722

02:40:07,750 --> 02:40:05,760

field it you know while we're waiting

3723

02:40:10,150 --> 02:40:07,760

for more results to come in

3724

02:40:13,990 --> 02:40:11,910

that could be fun

3725

02:40:16,950 --> 02:40:14,000

yeah please

3726

02:40:19,349 --> 02:40:16,960

i talk to airplanes and statues of jesus

3727

02:40:20,790 --> 02:40:19,359

christ

3728

02:40:21,830 --> 02:40:20,800

good answer

3729

02:40:23,349 --> 02:40:21,840

great

3730

02:40:24,870 --> 02:40:23,359

all right next

3731

02:40:26,150 --> 02:40:24,880

and computer joe i don't want to answer

3732

02:40:28,150 --> 02:40:26,160

for you i was going to answer for you

3733

02:40:29,510 --> 02:40:28,160

christ computer joe's just a friend of

3734

02:40:31,510 --> 02:40:29,520

mine i don't know that he's even

3735

02:40:33,510 --> 02:40:31,520

interested in those strange topics but

3736

02:40:35,270 --> 02:40:33,520

when we were growing up there he kind of

3737

02:40:37,510 --> 02:40:35,280

yeah you kind of were interested in like

3738

02:40:38,550 --> 02:40:37,520

some of that [h__h] bob lazar and stuff

3739

02:40:40,469 --> 02:40:38,560

remember

3740

02:40:43,910 --> 02:40:40,479

fido net and you would get the text

3741

02:40:48,630 --> 02:40:43,920

files of the of like the ufo stories and

3742

02:40:53,429 --> 02:40:48,640

like the ufo reports on final net

3743

02:40:57,110 --> 02:40:55,510

there's uh the real david wilcock again

3744

02:40:59,750 --> 02:40:57,120

but i don't know if he wants to not say

3745

02:41:03,300 --> 02:40:59,760

something i understand what i do with

3746

02:41:03,310 --> 02:41:07,670

[Laughter]

3747

02:41:11,590 --> 02:41:09,910

i just was like always interested in the

3748

02:41:13,190 --> 02:41:11,600

subject and then i saw something myself

3749

02:41:15,110 --> 02:41:13,200

when i was a kid so then i just had to

3750

02:41:18,550 --> 02:41:15,120

digest everything i could ever find on

3751

02:41:20,950 --> 02:41:18,560

the subject but then i came away pretty

3752

02:41:23,030 --> 02:41:20,960

skeptical and bitter and uh cynical

3753

02:41:25,830 --> 02:41:23,040

about the whole subject matter

3754

02:41:27,670 --> 02:41:25,840

because of so many frauds fakes fairy

3755

02:41:29,429 --> 02:41:27,680

tale hucksters whatever

3756

02:41:31,750 --> 02:41:29,439

yes sir

3757

02:41:34,790 --> 02:41:31,760

yeah quit as canadian we didn't get

3758

02:41:38,710 --> 02:41:36,710

i wanted to get jason quit but we had to

3759

02:41:40,550 --> 02:41:38,720

settle for cw channel jason quit would

3760

02:41:42,309 --> 02:41:40,560

have been a much better guest cw channel

3761

02:41:43,750 --> 02:41:42,319

just letting you know

3762

02:41:46,469 --> 02:41:43,760

i think he would have been a better

3763

02:41:49,670 --> 02:41:46,479

guest than cw chanter to answer to

3764

02:41:51,750 --> 02:41:49,680

answer michael's question i think that

3765

02:41:53,270 --> 02:41:51,760

the reason that i found out about

3766

02:41:55,110 --> 02:41:53,280

stephen was

3767

02:41:56,790 --> 02:41:55,120

i think it was like

3768

02:41:58,870 --> 02:41:56,800

i don't know if it was like a stream

3769

02:42:00,870 --> 02:41:58,880

that cw tanner and joe from the

3770

02:42:02,870 --> 02:42:00,880

carolinas were doing but like i always

3771

02:42:05,670 --> 02:42:02,880

remember seeing all these streams and

3772

02:42:06,790 --> 02:42:05,680

like with cw or with joe and it was like

3773

02:42:08,389 --> 02:42:06,800

cambium's name was always getting

3774

02:42:09,990 --> 02:42:08,399

brought up like steve is doing research

3775

02:42:11,910 --> 02:42:10,000

on this or steven's doing good research

3776

02:42:13,750 --> 02:42:11,920

on that so then like i and then i kind

3777

02:42:15,990 --> 02:42:13,760

of went off from there and then i

3778

02:42:18,550 --> 02:42:16,000

started looking into stephen and then i

3779

02:42:21,030 --> 02:42:18,560

found the midnight hour show and i was

3780

02:42:22,870 --> 02:42:21,040

like watch i was listening to like a lot

3781

02:42:25,190 --> 02:42:22,880

of those episodes and i think

3782

02:42:26,630 --> 02:42:25,200

um it was like the the one you did there

3783

02:42:28,469 --> 02:42:26,640

towards the end like the michael horn

3784

02:42:29,590 --> 02:42:28,479

one like that's just [h__h] classic

3785

02:42:32,870 --> 02:42:29,600

like still

3786

02:42:34,630 --> 02:42:32,880

yeah i love that one yeah

3787

02:42:37,349 --> 02:42:34,640

i called him on his child molester

3788

02:42:39,750 --> 02:42:37,359

source i like gotcha

3789

02:42:41,590 --> 02:42:39,760

oh my god because nobody found out about

3790

02:42:44,070 --> 02:42:41,600

that [\h__\h] i kicked that [\h__\h] off my

3791

02:42:46,070 --> 02:42:44,080

facebook yeah and nobody ever called him

3792

02:42:47,990 --> 02:42:46,080

on that he's been citing that source for

3793

02:42:49,270 --> 02:42:48,000

20 years and i've never heard an

3794

02:42:52,070 --> 02:42:49,280

interviewer

3795

02:42:54,790 --> 02:42:52,080

like stop him and say wait a minute

3796

02:42:57,110 --> 02:42:54,800

though this this air force colonel or

3797

02:42:59,110 --> 02:42:57,120

whatever that you're talking about is

3798

02:43:01,670 --> 02:42:59,120

was a convicted child molester with

3799

02:43:04,150 --> 02:43:01,680

multiple child-related sexual offenses

3800

02:43:05,110 --> 02:43:04,160

and i found out this from i don't want

3801
02:43:06,710 --> 02:43:05,120
to mention their name because it'll

3802
02:43:08,790 --> 02:43:06,720
sound like name dropping but a really

3803
02:43:10,550 --> 02:43:08,800
big name in the ufo community told me

3804
02:43:11,910 --> 02:43:10,560
you know he's a convicted pedophile

3805
02:43:13,990 --> 02:43:11,920
right and i went you're kidding me and

3806
02:43:15,830 --> 02:43:14,000
then i looked up the records i could

3807
02:43:18,710 --> 02:43:15,840
only find some of them though not all of

3808
02:43:21,510 --> 02:43:18,720
them and that's why the uh

3809
02:43:22,950 --> 02:43:21,520
the book with kalkorf has all the court

3810
02:43:24,870 --> 02:43:22,960
documents because

3811
02:43:27,110 --> 02:43:24,880
even to this day people are like oh he

3812
02:43:28,710 --> 02:43:27,120
didn't really do it this and that you

3813
02:43:30,950 --> 02:43:28,720

can look at the court documents and it's

3814

02:43:32,710 --> 02:43:30,960

pretty clear you know

3815

02:43:34,309 --> 02:43:32,720

another stan roman nick then right

3816

02:43:37,750 --> 02:43:34,319

pretty much

3817

02:43:39,910 --> 02:43:37,760

yeah yeah yeah yeah but he's he's was

3818

02:43:41,429 --> 02:43:39,920

worse well i don't know i mean

3819

02:43:45,830 --> 02:43:41,439

what's worse

3820

02:43:47,190 --> 02:43:45,840

busted yeah one got busted for kitty

3821

02:43:50,389 --> 02:43:47,200

and one got possible for actually

3822

02:43:51,269 --> 02:43:50,399

molesting children so jesus christ yeah

3823

02:43:53,349 --> 02:43:51,279

joe

3824

02:43:55,670 --> 02:43:53,359

helped me run a multi-line

3825

02:43:57,990 --> 02:43:55,680

bulletin board system uh

3826

02:43:59,429 --> 02:43:58,000

when we were when i was a kid

3827

02:44:01,030 --> 02:43:59,439

he was a little older than me he would

3828

02:44:02,870 --> 02:44:01,040

like sell me the hardware bring over

3829

02:44:05,110 --> 02:44:02,880

this half working [h__h] and i had to get

3830

02:44:06,150 --> 02:44:05,120

a soldering iron out because i was poor

3831

02:44:08,070 --> 02:44:06,160

and trying to

3832

02:44:09,990 --> 02:44:08,080

change chips of this motherboard and

3833

02:44:12,070 --> 02:44:10,000

stuff we had a great time growing up i

3834

02:44:13,990 --> 02:44:12,080

hope he's gonna come around for me with

3835

02:44:17,269 --> 02:44:14,000

my company if we ever make enough money

3836

02:44:19,830 --> 02:44:17,279

to support me let alone him though

3837

02:44:21,190 --> 02:44:19,840

i'm working on that

3838

02:44:21,990 --> 02:44:21,200

very cool

3839

02:44:23,830 --> 02:44:22,000

yep

3840

02:44:25,269 --> 02:44:23,840

you're looking forward to it oh they got

3841

02:44:27,110 --> 02:44:25,279

ryan's back

3842

02:44:30,550 --> 02:44:27,120

let's see ryan we're going to do a drum

3843

02:44:43,670 --> 02:44:30,560

test do we have a breathalyzer

3844

02:44:43,680 --> 02:44:57,830

well i really like it

3845

02:45:02,550 --> 02:45:01,429

california correspondent and

3846

02:45:06,269 --> 02:45:02,560

i don't know

3847

02:45:07,830 --> 02:45:06,279

did i get a platform that was

3848

02:45:09,750 --> 02:45:07,840

hysterical

3849

02:45:11,429 --> 02:45:09,760

they got a platform

3850

02:46:05,429 --> 02:45:11,439

but spooky dropped out though i don't

3851
02:46:08,469 --> 02:46:06,710
no i was just gonna i'm just giving

3852
02:46:10,070 --> 02:46:08,479
everybody a popular vote update it looks

3853
02:46:12,389 --> 02:46:10,080
like as of right now with the votes that

3854
02:46:13,990 --> 02:46:12,399
have been actually tabulated trump is

3855
02:46:19,190 --> 02:46:14,000
winning the popular vote right now by

3856
02:46:22,469 --> 02:46:20,710
well yeah i mean it's like how many how

3857
02:46:35,510 --> 02:46:22,479
many what's the population of the united

3858
02:46:39,429 --> 02:46:37,190
there's like 200 million registered

3859
02:46:42,469 --> 02:46:39,439
voters i think in the united states

3860
02:46:44,550 --> 02:46:42,479
approximately approximately give or take

3861
02:46:47,110 --> 02:46:44,560
the vote to come to catch ya

3862
02:46:49,990 --> 02:46:47,120
uh registered voters of legal age yeah

3863
02:46:53,110 --> 02:46:50,000

that's closer to 200 and

3864

02:46:56,950 --> 02:46:54,309

michael there was like there was like

3865

02:46:59,190 --> 02:46:56,960

100 million people who voted early and i

3866

02:47:01,830 --> 02:46:59,200

think they said that was 47

3867

02:47:04,070 --> 02:47:01,840

of the like registered

3868

02:47:05,990 --> 02:47:04,080

voting population so i mean you figure

3869

02:47:08,309 --> 02:47:06,000

it's about 50 50 so i mean yeah it's

3870

02:47:14,230 --> 02:47:08,319

like 200 million or maybe just a little

3871

02:47:22,950 --> 02:47:18,389

pennsylvania is still only showing 48 in

3872

02:47:24,630 --> 02:47:22,960

and texas has not yet weighed in on this

3873

02:47:28,070 --> 02:47:24,640

oh so

3874

02:47:30,389 --> 02:47:28,080

the the map just updated i can't i i

3875

02:47:34,550 --> 02:47:30,399

didn't i'm not sure which one just went

3876

02:47:41,830 --> 02:47:37,590

hold on 205 to biden

3877

02:47:47,910 --> 02:47:44,710

okay i that was uh on the east coast

3878

02:47:49,830 --> 02:47:47,920

there what is that is that new york no

3879

02:47:51,750 --> 02:47:49,840

what is that hey robin it looks like you

3880

02:47:52,790 --> 02:47:51,760

were asking about texas it looks like

3881

02:47:54,950 --> 02:47:52,800

the near the

3882

02:47:56,790 --> 02:47:54,960

the i guess the most re most recent

3883

02:47:59,830 --> 02:47:56,800

numbers on texas show

3884

02:48:02,550 --> 02:47:59,840

75 of the vote in and

3885

02:48:04,309 --> 02:48:02,560

trump is up by actually it's like

3886

02:48:07,590 --> 02:48:04,319

updating right now hang on it's almost

3887

02:48:10,469 --> 02:48:07,600

500 000 votes trump is still up in texas

3888

02:48:11,269 --> 02:48:10,479

okay that's a 500 000.

3889

02:48:13,349 --> 02:48:11,279

that's

3890

02:48:19,750 --> 02:48:13,359

surprised trump

3891

02:48:24,790 --> 02:48:21,910

i'm sorry given biden's uh comments

3892

02:48:27,190 --> 02:48:24,800

about fracking and the oil industry and

3893

02:48:28,790 --> 02:48:27,200

also his most recent comments that's why

3894

02:48:30,550 --> 02:48:28,800

i don't think he would win three days

3895

02:48:32,070 --> 02:48:30,560

before the election he's talking about

3896

02:48:33,910 --> 02:48:32,080

banning assault weapons i feel like

3897

02:48:34,950 --> 02:48:33,920

saying do you want to lose texas you

3898

02:48:36,950 --> 02:48:34,960

don't

3899

02:48:38,950 --> 02:48:36,960

right they like their assault weapons

3900

02:48:41,269 --> 02:48:38,960

yeah i'm hearing it

3901

02:48:42,469 --> 02:48:41,279

i'm slightly hearing you

3902

02:48:44,870 --> 02:48:42,479

hey stephen you want to talk about

3903

02:48:47,030 --> 02:48:44,880

fracking and stuff so like in my old the

3904

02:48:49,590 --> 02:48:47,040

old company that i used to work for is

3905

02:48:50,469 --> 02:48:49,600

actually based out of pennsylvania

3906

02:48:52,550 --> 02:48:50,479

and

3907

02:48:54,550 --> 02:48:52,560

we we did a lot of like

3908

02:48:57,110 --> 02:48:54,560

um we did a lot of fracking we sold a

3909

02:48:59,190 --> 02:48:57,120

lot of materials to

3910

02:49:00,870 --> 02:48:59,200

fracking type companies that we're

3911

02:49:03,110 --> 02:49:00,880

actually working out of pennsylvania so

3912

02:49:04,870 --> 02:49:03,120

i mean if biden's talking about getting

3913

02:49:06,469 --> 02:49:04,880

rid of fracking that probably doesn't

3914

02:49:08,309 --> 02:49:06,479

bode very well in his home state i

3915

02:49:10,070 --> 02:49:08,319

wouldn't think given that that's a

3916

02:49:11,590 --> 02:49:10,080

bigger part of pennsylvania's economy

3917

02:49:14,870 --> 02:49:11,600

now than it used to be

3918

02:49:17,190 --> 02:49:14,880

okay so he was addressing just you

3919

02:49:19,910 --> 02:49:17,200

local folks because

3920

02:49:22,469 --> 02:49:19,920

do you know that fracking is taking

3921

02:49:26,790 --> 02:49:24,070

[h__\h] every state

3922

02:49:30,070 --> 02:49:26,800

every single [h__\h] state you see what

3923

02:49:33,990 --> 02:49:32,150

can we can we robin speak i really want

3924

02:49:35,349 --> 02:49:34,000

to hear what you have to say yeah we're

3925

02:49:37,510 --> 02:49:35,359

going to put you in a timeout again

3926

02:49:40,389 --> 02:49:37,520

broken irish correspondent come on

3927

02:49:41,269 --> 02:49:40,399

drunken irish correspondent behave

3928

02:49:43,750 --> 02:49:41,279

okay

3929

02:49:45,510 --> 02:49:43,760

is he moving you know we love him but is

3930

02:49:48,150 --> 02:49:45,520

he yeah we're going to start using the

3931

02:49:51,030 --> 02:49:48,160

mute we're muted go yeah

3932

02:49:53,110 --> 02:49:51,040

thanks uh yeah uh

3933

02:49:56,070 --> 02:49:53,120

i don't know if you guys are familiar

3934

02:49:59,190 --> 02:49:56,080

with dutch sense he he's the earthquake

3935

02:50:01,269 --> 02:49:59,200

guy he predicts way ahead of the

3936

02:50:04,710 --> 02:50:01,279

official government earthquake

3937

02:50:05,670 --> 02:50:04,720

prediction guy anyway he also has

3938

02:50:22,550 --> 02:50:05,680

a

3939

02:50:26,309 --> 02:50:22,560

number one i i

3940

02:50:28,630 --> 02:50:26,319

i want to know where is all that oil

3941

02:50:31,510 --> 02:50:28,640

going where is it going

3942

02:50:32,950 --> 02:50:31,520

nobody knows but anyway he's gonna stop

3943

02:50:34,870 --> 02:50:32,960

fracking

3944

02:50:37,510 --> 02:50:34,880

really

3945

02:50:39,750 --> 02:50:37,520

nationwide i don't think so well one of

3946

02:50:41,429 --> 02:50:39,760

the few things that i actually like that

3947

02:50:44,150 --> 02:50:41,439

donald trump did is made our country

3948

02:50:45,510 --> 02:50:44,160

energy independent for the first time in

3949

02:50:48,230 --> 02:50:45,520

my lifetime

3950

02:50:49,910 --> 02:50:48,240

and that has given us a bit of security

3951
02:50:52,550 --> 02:50:49,920
and i think that that helped with these

3952
02:50:54,230 --> 02:50:52,560
middle east peace deals that he's doing

3953
02:50:56,950 --> 02:50:54,240
we don't need them anymore we're not

3954
02:50:59,510 --> 02:50:56,960
dependent on them we don't have to

3955
02:51:02,550 --> 02:50:59,520
go to war for in these unstable

3956
02:51:04,469 --> 02:51:02,560
countries just to secure our oil sources

3957
02:51:06,389 --> 02:51:04,479
we are energy independent and that's a

3958
02:51:07,750 --> 02:51:06,399
great thing regardless of if you like

3959
02:51:09,830 --> 02:51:07,760
the guy or not you gotta like that

3960
02:51:11,349 --> 02:51:09,840
accomplishment that he had

3961
02:51:12,630 --> 02:51:11,359
didn't they always say and i don't i

3962
02:51:31,030 --> 02:51:12,640
haven't agreed

3963
02:51:39,190 --> 02:51:34,070

oil yes but if we wanted to we could

3964

02:51:54,230 --> 02:51:40,630

sorry i'm not being um that's

3965

02:51:59,269 --> 02:51:56,870

we can't talk over each other so listen

3966

02:52:01,349 --> 02:51:59,279

we are energy independent as far as our

3967

02:52:04,230 --> 02:52:01,359

oil production right now we are

3968

02:52:07,429 --> 02:52:04,240

producing enough to supply our country

3969

02:52:09,030 --> 02:52:07,439

totally from domestic produced oil

3970

02:52:11,269 --> 02:52:09,040

that's the first time that's happened in

3971

02:52:13,590 --> 02:52:11,279

my lifetime do we still purchase corn oh

3972

02:52:15,349 --> 02:52:13,600

yeah yes because sometimes it's cheaper

3973

02:52:17,910 --> 02:52:15,359

to buy it from before

3974

02:52:22,630 --> 02:52:17,920

that than it is

3975

02:52:27,910 --> 02:52:25,269

to the street okay all right all right

3976

02:52:30,710 --> 02:52:27,920

hold on let's uh prank magic uh you

3977

02:52:32,230 --> 02:52:30,720

gotta email me at truthseekershow

3978

02:52:35,110 --> 02:52:32,240

gmail.com

3979

02:52:36,790 --> 02:52:35,120

or message me on facebook and i will

3980

02:52:37,910 --> 02:52:36,800

send you the link and you can come right

3981

02:52:41,110 --> 02:52:37,920

on here

3982

02:52:44,070 --> 02:52:41,120

oh yeah and when keats comes on it will

3983

02:52:46,550 --> 02:52:44,080

be the angel of gentleness here in

3984

02:52:49,510 --> 02:52:46,560

the on the panel

3985

02:52:53,590 --> 02:52:49,520

we could use that right now right

3986

02:52:57,429 --> 02:52:53,600

right we can all use a calming effect

3987

02:52:59,110 --> 02:52:57,439

still still biting 205 trump 162. they

3988

02:53:02,230 --> 02:52:59,120

still haven't called texas they still

3989

02:53:04,710 --> 02:53:02,240

haven't called pennsylvania ohio is what

3990

02:53:06,150 --> 02:53:04,720

got called dan hogan

3991

02:53:09,030 --> 02:53:06,160

this uh

3992

02:53:11,510 --> 02:53:09,040

they called ohio at 270 to win uh ohio

3993

02:53:14,150 --> 02:53:11,520

got called to trump

3994

02:53:16,550 --> 02:53:14,160

well now it's all the playful right

3995

02:53:20,070 --> 02:53:16,560

is so is that like

3996

02:53:22,870 --> 02:53:20,080

a is that it yeah ohio trump

3997

02:53:24,389 --> 02:53:22,880

trump yeah according to well

3998

02:53:26,630 --> 02:53:24,399

like we said earlier

3999

02:53:30,070 --> 02:53:26,640

whoever's won ohio in the last like 60

4000

02:53:34,230 --> 02:53:32,550

oh yeah that's true so that could be

4001
02:53:36,870 --> 02:53:34,240
some indication

4002
02:53:38,950 --> 02:53:36,880
trump got ohio yeah

4003
02:53:41,830 --> 02:53:38,960
thank you thank you stephen i don't mean

4004
02:53:44,550 --> 02:53:41,840
to be a dick and i apologize

4005
02:53:45,670 --> 02:53:44,560
no it's quite all right

4006
02:53:47,429 --> 02:53:45,680
so uh

4007
02:53:49,429 --> 02:53:47,439
i don't know what other if anybody wants

4008
02:53:51,510 --> 02:53:49,439
us to bring in some other some other

4009
02:53:53,910 --> 02:53:51,520
stuff or i could start sharing i haven't

4010
02:53:55,349 --> 02:53:53,920
checked in on this violent situation in

4011
02:53:57,269 --> 02:53:55,359
various cities

4012
02:53:59,110 --> 02:53:57,279
uh to see what's going on i think the

4013
02:54:01,190 --> 02:53:59,120

one that will really watch is washington

4014

02:54:03,510 --> 02:54:01,200

dc most of all

4015

02:54:06,070 --> 02:54:03,520

um and it'd be interesting to see

4016

02:54:07,910 --> 02:54:06,080

what they're gonna allow like if if it

4017

02:54:09,269 --> 02:54:07,920

really pops off are they going to crack

4018

02:54:11,110 --> 02:54:09,279

down on it right away or they're going

4019

02:54:12,630 --> 02:54:11,120

to let it go for a while or what's going

4020

02:54:13,990 --> 02:54:12,640

to happen what does everybody think is

4021

02:54:15,990 --> 02:54:14,000

going to happen if there's a lot of

4022

02:54:17,830 --> 02:54:16,000

violent protests in washington dc

4023

02:54:19,750 --> 02:54:17,840

tonight are they going to put it down or

4024

02:54:21,349 --> 02:54:19,760

they're going to let it go for a bit the

4025

02:54:24,790 --> 02:54:21,359

first thing i'm going to do is i'm going

4026

02:54:31,030 --> 02:54:27,670

i think uh may okay i haven't heard the

4027

02:54:31,910 --> 02:54:31,040

word martial law in a whole big long

4028

02:54:33,429 --> 02:54:31,920

time

4029

02:54:35,990 --> 02:54:33,439

martial law

4030

02:54:38,630 --> 02:54:36,000

has anybody mentioned that no

4031

02:54:39,830 --> 02:54:38,640

maybe that will happen

4032

02:54:41,670 --> 02:54:39,840

yeah

4033

02:54:44,070 --> 02:54:41,680

i don't know

4034

02:54:46,710 --> 02:54:44,080

that's not going to be a good situation

4035

02:54:50,309 --> 02:54:46,720

it used to be

4036

02:54:53,269 --> 02:54:50,319

folks

4037

02:54:56,389 --> 02:54:53,279

um that's not that's not good for we

4038

02:54:58,150 --> 02:54:56,399

have mario bad it's not good

4039

02:55:03,110 --> 02:54:58,160

it does isn't it interesting are you

4040

02:55:07,990 --> 02:55:05,030

yo don't don't laugh you know what's so

4041

02:55:10,070 --> 02:55:08,000

funny my my kid my four-year-old we got

4042

02:55:12,550 --> 02:55:10,080

him this like nintendo flashback so you

4043

02:55:14,950 --> 02:55:12,560

could play all nintendo games and uh he

4044

02:55:17,510 --> 02:55:14,960

is absolutely obsessed with beating

4045

02:55:18,950 --> 02:55:17,520

mario brothers the first one and i'm so

4046

02:55:21,190 --> 02:55:18,960

proud of him because when he first

4047

02:55:23,510 --> 02:55:21,200

started he was like this game sucks dad

4048

02:55:25,349 --> 02:55:23,520

i keep it and i don't like this game

4049

02:55:27,269 --> 02:55:25,359

this game sucks dad but now he's getting

4050

02:55:31,349 --> 02:55:27,279

up there in the upper levels now he's

4051
02:55:36,630 --> 02:55:34,469
i love the music to the first mario

4052
02:55:40,469 --> 02:55:36,640
brothers i love because it was when my

4053
02:55:42,830 --> 02:55:40,479
kids were teenagers i loved that music

4054
02:55:47,429 --> 02:55:42,840
to the first song was my

4055
02:55:51,349 --> 02:55:49,429
she had the song and i've got the mario

4056
02:55:52,630 --> 02:55:51,359
brother film yeah you're gonna have it

4057
02:56:02,550 --> 02:55:52,640
in your head now

4058
02:56:06,870 --> 02:56:04,870
which was good and i once again i

4059
02:56:08,230 --> 02:56:06,880
thought i had muted myself from this i

4060
02:56:09,990 --> 02:56:08,240
apologize

4061
02:56:20,309 --> 02:56:10,000
continue

4062
02:56:20,319 --> 02:56:28,870
oh

4063
02:56:33,269 --> 02:56:30,790

if i get a copyright strike because one

4064

02:56:34,550 --> 02:56:33,279

of your [h__h] played the mario song

4065

02:56:36,710 --> 02:56:34,560

no i'll just stop

4066

02:57:07,190 --> 02:56:36,720

it's okay

4067

02:57:11,110 --> 02:57:09,030

yay kids

4068

02:57:13,750 --> 02:57:11,120

yeah we'll get prank magic in here

4069

02:57:16,389 --> 02:57:13,760

and uh somebody put the pragmatics

4070

02:57:18,309 --> 02:57:16,399

website or i'm sorry a youtube channel

4071

02:57:20,870 --> 02:57:18,319

and also robin's and if anybody else has

4072

02:57:23,349 --> 02:57:20,880

anything to plug and also spookies

4073

02:57:26,150 --> 02:57:23,359

uh and if anybody else has anything to

4074

02:57:29,510 --> 02:57:26,160

plug i think i think mario has a fruit

4075

02:57:41,840 --> 02:57:29,520

picking website or right

4076

02:57:47,349 --> 02:57:45,429

[Laughter]

4077

02:57:55,349 --> 02:57:47,359

i can't believe you

4078

02:58:00,389 --> 02:57:57,670

and i was thankful to learn about

4079

02:58:02,309 --> 02:58:00,399

like mexican migrant workers and stuff

4080

02:58:03,990 --> 02:58:02,319

and uh those guys work so hard but i

4081

02:58:05,590 --> 02:58:04,000

like to bust his balls for being a

4082

02:58:07,510 --> 02:58:05,600

mexican canadian because i've never

4083

02:58:08,710 --> 02:58:07,520

heard of one until him it's brand new to

4084

02:58:10,469 --> 02:58:08,720

me i'm sorry

4085

02:58:13,030 --> 02:58:10,479

they i just don't see mexicans like in

4086

02:58:15,269 --> 02:58:13,040

that cold temperature you know drinking

4087

02:58:16,309 --> 02:58:15,279

[h__h] maple syrup and and molson

4088

02:58:18,150 --> 02:58:16,319

golden

4089

02:58:22,230 --> 02:58:18,160

and hanging out with jason cliff hang

4090

02:58:23,590 --> 02:58:22,240

out with jason quit yeah [h__h] that

4091

02:58:25,269 --> 02:58:23,600

so

4092

02:58:27,429 --> 02:58:25,279

actually where i'm from in mexico we

4093

02:58:29,670 --> 02:58:27,439

have snow and cold weather too

4094

02:58:33,269 --> 02:58:29,680

fyi in case you're curious

4095

02:58:35,590 --> 02:58:33,279

so that's the one cw would say

4096

02:58:39,349 --> 02:58:35,600

michael and robinson i'd like to ask you

4097

02:58:40,950 --> 02:58:39,359

you guys being in california um

4098

02:58:42,710 --> 02:58:40,960

there's a perception that a lot of

4099

02:58:44,550 --> 02:58:42,720

people are leaving california because of

4100

02:58:47,110 --> 02:58:44,560

the way that the state's being run and

4101
02:58:50,230 --> 02:58:47,120
the taxes are going to be raised again

4102
02:58:52,710 --> 02:58:50,240
do you see that or like or is it or is

4103
02:58:55,590 --> 02:58:52,720
or are people largely in support of your

4104
02:58:57,030 --> 02:58:55,600
the way your system is going

4105
02:59:00,150 --> 02:58:57,040
robin uh

4106
02:59:02,309 --> 02:59:00,160
so that's sort of a two-part question

4107
02:59:07,190 --> 02:59:02,319
people have been leaving california for

4108
02:59:07,200 --> 02:59:11,269
he's gonna fall asleep

4109
02:59:17,269 --> 02:59:14,790
like imagining us he's in the middle

4110
02:59:18,070 --> 02:59:17,279
like laid back or relaxed and we're just

4111
02:59:23,750 --> 02:59:18,080
like

4112
02:59:30,469 --> 02:59:25,910
nightmare

4113
02:59:36,070 --> 02:59:32,630

drunk irish correspondent and a half

4114

02:59:54,950 --> 02:59:36,080

asleep pennsylvania correspondent

4115

02:59:59,349 --> 02:59:57,750

could i could not watch cnn or or fox

4116

03:00:00,790 --> 02:59:59,359

news for more than 10 minutes at a time

4117

03:00:03,910 --> 03:00:00,800

oh caltrain

4118

03:00:08,630 --> 03:00:03,920

says uh i could never leave california

4119

03:00:08,640 --> 03:00:13,269

yes

4120

03:00:16,630 --> 03:00:15,030

michael and robin is there is there is

4121

03:00:18,389 --> 03:00:16,640

there a situation

4122

03:00:20,710 --> 03:00:18,399

where you would ever see like either of

4123

03:00:23,990 --> 03:00:20,720

you guys actually leaving california

4124

03:00:25,510 --> 03:00:24,000

whether it's taxes or crime or just

4125

03:00:27,190 --> 03:00:25,520

whatever like the reason i mean do you

4126
03:00:28,150 --> 03:00:27,200
got do any of you guys see a reason that

4127
03:00:30,710 --> 03:00:28,160
you could ever just be like you know

4128
03:00:32,389 --> 03:00:30,720
what [\h__\h] this i'm out

4129
03:00:35,510 --> 03:00:32,399
oh okay um

4130
03:00:50,469 --> 03:00:35,520
i'll answer but yes audrey there was one

4131
03:00:50,479 --> 03:00:54,870
be nice go ahead robin

4132
03:01:01,349 --> 03:00:58,550
forgot what i was talking about uh no i

4133
03:01:04,710 --> 03:01:01,359
i won't leave california i won't leave

4134
03:01:07,110 --> 03:01:04,720
california yeah yeah i'm in the ocean

4135
03:01:09,190 --> 03:01:07,120
i have an okay life here i'm not gonna

4136
03:01:10,710 --> 03:01:09,200
leave here but i know a whole lot of

4137
03:01:13,670 --> 03:01:10,720
people who have

4138
03:01:16,630 --> 03:01:13,680

uh and they had the main you know they

4139

03:01:18,710 --> 03:01:16,640

they made a sensible retirement plan so

4140

03:01:21,429 --> 03:01:18,720

you know there's a lot of my friends

4141

03:01:25,990 --> 03:01:21,439

said i'm outta here uh but

4142

03:01:31,349 --> 03:01:29,269

mario is talking to dinosaurs dinosaur

4143

03:01:33,349 --> 03:01:31,359

models you gotta upgrade to the plane

4144

03:01:35,349 --> 03:01:33,359

models so drag magic

4145

03:01:37,510 --> 03:01:35,359

you're you're new to the

4146

03:01:39,670 --> 03:01:37,520

[h__\h] show you're like

4147

03:01:42,150 --> 03:01:39,680

what do you think of tonight so far and

4148

03:01:44,150 --> 03:01:42,160

what you're seeing and what do you think

4149

03:01:45,750 --> 03:01:44,160

well i'm on my first drink so i'll let

4150

03:01:47,269 --> 03:01:45,760

you know uh

4151
03:01:49,349 --> 03:01:47,279
in 10 minutes

4152
03:01:51,269 --> 03:01:49,359
i didn't start yet i'm afraid to start

4153
03:01:52,710 --> 03:01:51,279
drinking too early

4154
03:01:53,590 --> 03:01:52,720
i'm afraid yeah

4155
03:01:57,830 --> 03:01:53,600
uh

4156
03:01:59,590 --> 03:01:57,840
everywhere so you know it doesn't really

4157
03:02:01,349 --> 03:01:59,600
matter i'm glad i'm here with uh people

4158
03:02:03,110 --> 03:02:01,359
that you know are having a good time at

4159
03:02:05,190 --> 03:02:03,120
least so

4160
03:02:07,190 --> 03:02:05,200
there's that we're about to have you

4161
03:02:09,190 --> 03:02:07,200
buddy there's no fun in the apocalypse

4162
03:02:11,670 --> 03:02:09,200
unless you can watch it all burn from

4163
03:02:14,550 --> 03:02:11,680

the safety of your living room right

4164

03:02:16,550 --> 03:02:14,560

yeah no it's it's uh it's been weird

4165

03:02:18,710 --> 03:02:16,560

i've been you know i've been keeping up

4166

03:02:19,830 --> 03:02:18,720

tally's like associated press and

4167

03:02:23,030 --> 03:02:19,840

everything

4168

03:02:25,429 --> 03:02:23,040

and it really comes down to pen i think

4169

03:02:28,710 --> 03:02:25,439

uh pennsylvania because i heard a bunch

4170

03:02:30,870 --> 03:02:28,720

of analysts say there was like 80

4171

03:02:32,550 --> 03:02:30,880

of the voting it was going to be done

4172

03:02:35,910 --> 03:02:32,560

through mail-in ballots and a lot of

4173

03:02:38,870 --> 03:02:35,920

them lean biden and if biden wins that

4174

03:02:41,190 --> 03:02:38,880

that's it well how do they know who's

4175

03:02:43,110 --> 03:02:41,200

what the mail-in ballot well yeah it's

4176

03:02:44,469 --> 03:02:43,120

just the polling for people that have

4177

03:02:46,550 --> 03:02:44,479

because i think traditionally trump

4178

03:02:48,710 --> 03:02:46,560

supporters trump supporters go to the

4179

03:02:49,910 --> 03:02:48,720

polls on election day right i mean as

4180

03:02:51,910 --> 03:02:49,920

compared to

4181

03:02:54,070 --> 03:02:51,920

the you know i guess the more the more

4182

03:02:56,150 --> 03:02:54,080

early votes that were tabulated they

4183

03:02:58,389 --> 03:02:56,160

said favored biden is what they were

4184

03:03:00,230 --> 03:02:58,399

saying all right and that was cool that

4185

03:03:02,950 --> 03:03:00,240

was true over like the whole country not

4186

03:03:08,309 --> 03:03:05,830

well arizona has like 90 percent mail

4187

03:03:10,309 --> 03:03:08,319

and voting all the time

4188

03:03:13,510 --> 03:03:10,319

are you and i think colorado does too i

4189

03:03:17,349 --> 03:03:15,269

arizona for a while

4190

03:03:20,389 --> 03:03:17,359

okay yeah me too i grew up there but it

4191

03:03:22,870 --> 03:03:20,399

it's weird that it's leaning blue

4192

03:03:38,630 --> 03:03:22,880

overwhelmingly did you just fix your

4193

03:03:42,550 --> 03:03:40,790

my blue dinosaur says biden is going to

4194

03:03:44,790 --> 03:03:42,560

win

4195

03:03:45,830 --> 03:03:44,800

your blue diamond blue

4196

03:03:47,349 --> 03:03:45,840

oh

4197

03:03:49,429 --> 03:03:47,359

bro

4198

03:03:51,269 --> 03:03:49,439

that dinosaur was voting

4199

03:03:53,670 --> 03:03:51,279

from your lips to

4200

03:03:55,190 --> 03:03:53,680

eris's ears mario

4201
03:03:58,550 --> 03:03:55,200
hey you know what it's like i said

4202
03:04:02,150 --> 03:03:58,560
earlier no matter who i am

4203
03:04:02,160 --> 03:04:08,550
like two hours later

4204
03:04:12,070 --> 03:04:10,309
it doesn't matter it doesn't matter who

4205
03:04:14,070 --> 03:04:12,080
wins because ultimately we still got to

4206
03:04:15,830 --> 03:04:14,080
go to work tomorrow we still got bills

4207
03:04:19,110 --> 03:04:15,840
to pay we still got kids to take care of

4208
03:04:24,710 --> 03:04:21,269
everyone genuinely get free money from

4209
03:04:27,030 --> 03:04:24,720
the government oh no wait you don't

4210
03:04:28,150 --> 03:04:27,040
was anyone genuinely excited about their

4211
03:04:29,750 --> 03:04:28,160
candidate

4212
03:04:31,429 --> 03:04:29,760
depending on which way you went now yeah

4213
03:04:53,910 --> 03:04:31,439

no i mean i

4214

03:04:58,309 --> 03:04:55,590

you got to maintain journalistic

4215

03:05:00,389 --> 03:04:58,319

neutrality because you have a show

4216

03:05:06,710 --> 03:05:00,399

i don't know

4217

03:05:10,469 --> 03:05:08,790

hello sorry someone over there no i

4218

03:05:13,510 --> 03:05:10,479

don't kind of like

4219

03:05:15,590 --> 03:05:13,520

i kind of don't like wanna kill geez god

4220

03:05:30,950 --> 03:05:15,600

i kind of don't like when i uh there we

4221

03:05:34,790 --> 03:05:32,950

put him back in the green room michael

4222

03:05:38,070 --> 03:05:34,800

michael i got you on thank you for

4223

03:05:41,429 --> 03:05:39,910

we're gonna maybe he'll sober up and we

4224

03:05:44,469 --> 03:05:41,439

can bring our drunken irish

4225

03:05:59,269 --> 03:05:44,479

correspondent back he's not sober enough

4226
03:06:02,710 --> 03:06:01,429
if he calls robin blanche one more time

4227
03:06:05,910 --> 03:06:02,720
he's going to reach through the [\h__\h]

4228
03:06:09,269 --> 03:06:05,920
computer and stab his ass no i will

4229
03:06:10,389 --> 03:06:09,279
shove my fist up his ass so far he'll

4230
03:06:16,469 --> 03:06:10,399
choke

4231
03:06:20,550 --> 03:06:18,630
yeah i don't know i'm finding uh i'm

4232
03:06:22,389 --> 03:06:20,560
finding some stuff about like a lot of

4233
03:06:24,469 --> 03:06:22,399
protests in washington and people

4234
03:06:25,990 --> 03:06:24,479
threatening to burn the white house down

4235
03:06:27,510 --> 03:06:26,000
show us buddy

4236
03:06:29,910 --> 03:06:27,520
well i can show you some of this stuff

4237
03:06:31,750 --> 03:06:29,920
we'll see you know burn it down let's

4238
03:06:32,630 --> 03:06:31,760

see i'm just looking at it i'm just

4239

03:06:34,870 --> 03:06:32,640

looking at it

4240

03:06:37,110 --> 03:06:34,880

once before i can let him let him try

4241

03:06:38,950 --> 03:06:37,120

that's true yeah oh wait a minute i

4242

03:06:40,710 --> 03:06:38,960

didn't i don't think i shoot the audio

4243

03:06:43,429 --> 03:06:40,720

let me try that again

4244

03:06:46,230 --> 03:06:43,439

i'm terrible at this

4245

03:06:48,389 --> 03:06:46,240

i need a [h__h] producer to do all this

4246

03:06:50,550 --> 03:06:48,399

i'll just say bring up that clip you

4247

03:06:52,710 --> 03:06:50,560

know like i need that [h__h]

4248

03:06:54,950 --> 03:06:52,720

yeah you need a tech producer you need

4249

03:06:56,469 --> 03:06:54,960

an elizabeth

4250

03:06:59,590 --> 03:06:56,479

well you can come over and look at my

4251
03:07:02,389 --> 03:06:59,600
[h__h] setup here general sebastian uh

4252
03:07:05,030 --> 03:07:02,399
200 miles of road

4253
03:07:06,469 --> 03:07:05,040
not look good is that a ufo

4254
03:07:12,740 --> 03:07:06,479
it's skynet

4255
03:07:12,750 --> 03:07:20,790
[Music]

4256
03:07:23,750 --> 03:07:22,389
there's a guy with a ninja sword

4257
03:07:26,309 --> 03:07:23,760
standing next to him look at that that's

4258
03:07:27,429 --> 03:07:26,319
a that's a samurai sword there's a guy

4259
03:07:29,429 --> 03:07:27,439
with this

4260
03:07:31,510 --> 03:07:29,439
word why are there people with samurai

4261
03:08:03,030 --> 03:07:31,520
swords protesting

4262
03:08:03,040 --> 03:08:07,110
is

4263
03:08:10,710 --> 03:08:09,030

were you auditioning for game of thrones

4264

03:08:13,830 --> 03:08:10,720

game of thrones yeah game of thrones

4265

03:08:13,840 --> 03:08:17,110

michael you're muted

4266

03:08:20,870 --> 03:08:19,030

michael

4267

03:08:23,990 --> 03:08:20,880

i could slice through a tree branch that

4268

03:08:28,870 --> 03:08:26,070

he's not [h__h] around

4269

03:08:30,790 --> 03:08:28,880

yeah wow my pop bought me this uh in

4270

03:08:32,550 --> 03:08:30,800

massachusetts for three hundred dollars

4271

03:08:34,950 --> 03:08:32,560

i just had to throw knives i don't think

4272

03:08:36,309 --> 03:08:34,960

i've ever seen anything i got my jump

4273

03:08:37,510 --> 03:08:36,319

here

4274

03:08:40,630 --> 03:08:37,520

one

4275

03:08:43,030 --> 03:08:40,640

fell swoop mario and his guns

4276

03:08:45,349 --> 03:08:43,040

there you go

4277

03:08:47,590 --> 03:08:45,359

bringing the revolutions

4278

03:08:49,510 --> 03:08:47,600

yeah i don't know i i like swords and

4279

03:08:51,830 --> 03:08:49,520

all but if you got a sword and some

4280

03:08:55,269 --> 03:08:51,840

other dude's got a gun you're [h__h] so

4281

03:08:57,750 --> 03:08:55,279

i'd rather have unless you could walk

4282

03:08:59,990 --> 03:08:57,760

with your sword cut the bullet in half

4283

03:09:12,309 --> 03:09:00,000

yeah exactly well then that blade

4284

03:09:15,510 --> 03:09:13,670

and i'll tell you why i think it's

4285

03:09:17,110 --> 03:09:15,520

raiders of the lost ark when this dude

4286

03:09:18,710 --> 03:09:17,120

this arab dude comes out with these

4287

03:09:21,030 --> 03:09:18,720

swords and he's like flipping all these

4288

03:09:22,150 --> 03:09:21,040

swords

4289

03:09:23,269 --> 03:09:22,160

just goes

4290

03:09:25,190 --> 03:09:23,279

and shoots

4291

03:09:27,030 --> 03:09:25,200

do you know the history of that steven

4292

03:09:28,389 --> 03:09:27,040

did you know the history of that it was

4293

03:09:30,230 --> 03:09:28,399

supposed to be a really long

4294

03:09:31,990 --> 03:09:30,240

choreographed fight but harrison ford

4295

03:09:34,790 --> 03:09:32,000

was super tired

4296

03:09:36,389 --> 03:09:34,800

oh he literally did that nobody revised

4297

03:09:38,950 --> 03:09:36,399

that and the guy played along and they

4298

03:09:40,870 --> 03:09:38,960

just kept it right on oh that's

4299

03:09:43,510 --> 03:09:40,880

great thanks like that yeah that's

4300

03:09:45,830 --> 03:09:43,520

awesome i never knew that before great

4301

03:09:47,349 --> 03:09:45,840

yeah i didn't know that either

4302

03:09:49,510 --> 03:09:47,359

did you

4303

03:09:51,110 --> 03:09:49,520

are you able to find out if anything

4304

03:09:52,950 --> 03:09:51,120

else is going on in any other cities

4305

03:09:56,150 --> 03:09:52,960

protest wise

4306

03:09:57,990 --> 03:09:56,160

um yeah i got a few i can look but

4307

03:10:00,790 --> 03:09:58,000

mostly it seems to be that most of what

4308

03:10:03,030 --> 03:10:00,800

people are posting is focused on uh big

4309

03:10:05,830 --> 03:10:03,040

protests and writing completely protests

4310

03:10:07,670 --> 03:10:05,840

in uh it's not riots yet uh but protests

4311

03:10:09,269 --> 03:10:07,680

and and the start of some violence in

4312

03:10:10,150 --> 03:10:09,279

washington dc

4313

03:10:14,550 --> 03:10:10,160

i don't

4314

03:10:17,030 --> 03:10:14,560

and see if i find anything else

4315

03:10:20,070 --> 03:10:17,040

as as far as results so far the

4316

03:10:21,910 --> 03:10:20,080

associated press which is fuji it's like

4317

03:10:24,389 --> 03:10:21,920

what they aggregate

4318

03:10:27,590 --> 03:10:24,399

you know from all the other companies or

4319

03:10:29,670 --> 03:10:27,600

or news outlets they're saying biden 209

4320

03:10:30,550 --> 03:10:29,680

donald trump 118.

4321

03:10:33,429 --> 03:10:30,560

so

4322

03:10:35,830 --> 03:10:33,439

even if trump got florida and

4323

03:10:38,070 --> 03:10:35,840

ohio you know ohio like he still

4324

03:10:40,950 --> 03:10:38,080

wouldn't be at two

4325

03:10:43,030 --> 03:10:40,960

yeah according to this according to this

4326
03:10:44,309 --> 03:10:43,040
site we've been watching which is 270 to

4327
03:10:46,230 --> 03:10:44,319
win.com

4328
03:10:48,550 --> 03:10:46,240
they're saying ryden's at 206 and

4329
03:10:50,550 --> 03:10:48,560
trump's at 162 but they called that he

4330
03:10:52,550 --> 03:10:50,560
got florida and ohio

4331
03:10:54,870 --> 03:10:52,560
other places are not calling that he's

4332
03:10:57,269 --> 03:10:54,880
got florida and ohio yet

4333
03:11:00,389 --> 03:10:57,279
but we've still got still got uh we've

4334
03:11:03,510 --> 03:11:00,399
still got texas open un undeclared

4335
03:11:04,710 --> 03:11:03,520
wisconsin north carolina

4336
03:11:06,790 --> 03:11:04,720
georgia

4337
03:11:10,469 --> 03:11:06,800
pennsylvania michigan the hell is that

4338
03:11:17,110 --> 03:11:11,349

what

4339

03:11:19,110 --> 03:11:17,120

so there's still plenty of big number uh

4340

03:11:21,429 --> 03:11:19,120

states with a lot of electoral votes

4341

03:11:23,590 --> 03:11:21,439

they're still up for grabs yeah that was

4342

03:11:24,630 --> 03:11:23,600

me subtly trying to say look at the link

4343

03:11:27,110 --> 03:11:24,640

in the stream yard i didn't want to

4344

03:11:29,910 --> 03:11:27,120

interrupt you oh i'm sorry

4345

03:11:35,110 --> 03:11:31,990

no in the stream yard

4346

03:11:38,230 --> 03:11:35,120

no stream your chat thingy yeah okay you

4347

03:11:44,150 --> 03:11:41,030

let me check that

4348

03:11:45,910 --> 03:11:44,160

let's see if we can't get that up

4349

03:11:47,910 --> 03:11:45,920

oh i almost did it again i almost

4350

03:11:49,830 --> 03:11:47,920

knocked myself out

4351

03:11:53,349 --> 03:11:49,840

another another big news i just read

4352

03:11:54,389 --> 03:11:53,359

that oregon decriminalized street drugs

4353

03:11:55,590 --> 03:11:54,399

oh

4354

03:11:57,590 --> 03:11:55,600

that's interesting what do you mean by

4355

03:11:59,910 --> 03:11:57,600

street moving back

4356

03:12:01,990 --> 03:11:59,920

what do you mean by street drugs i guess

4357

03:12:04,550 --> 03:12:02,000

yeah just like

4358

03:12:06,550 --> 03:12:04,560

no there's just not severe uh

4359

03:12:09,510 --> 03:12:06,560

you know uh wrapper

4360

03:12:11,349 --> 03:12:09,520

what do you mean by street drugs

4361

03:12:15,110 --> 03:12:11,359

for having street drugs like crystal

4362

03:12:19,590 --> 03:12:16,630

like not locking you up they'll send you

4363

03:12:21,590 --> 03:12:19,600

to a treatment center

4364

03:12:23,429 --> 03:12:21,600

right well this is right this is a

4365

03:12:25,110 --> 03:12:23,439

really good thing man

4366

03:12:27,190 --> 03:12:25,120

yeah you asked me

4367

03:12:30,070 --> 03:12:27,200

we give it to you spooky with a great

4368

03:12:31,990 --> 03:12:30,080

find here's uh live feeds of cities all

4369

03:12:34,950 --> 03:12:32,000

over america this is what portland

4370

03:12:39,830 --> 03:12:34,960

oregon los angeles washington

4371

03:12:43,990 --> 03:12:41,590

yeah it looks like things are about to

4372

03:12:46,070 --> 03:12:44,000

pop off in a lot of places but this

4373

03:12:47,750 --> 03:12:46,080

seems to be focused mostly on portland

4374

03:12:49,269 --> 03:12:47,760

the half of the right half of the screen

4375

03:12:52,790 --> 03:12:49,279

is all portland oregon and then we have

4376

03:12:55,030 --> 03:12:52,800

los angeles over here washington dc

4377

03:12:56,950 --> 03:12:55,040

it looks like seattle

4378

03:12:58,710 --> 03:12:56,960

what is that hey stephen what does that

4379

03:13:00,070 --> 03:12:58,720

tell you that they're already [\h__\h]

4380

03:13:02,309 --> 03:13:00,080

rioting and there hasn't even been a

4381

03:13:05,830 --> 03:13:02,319

winner player yet and it's not they're

4382

03:13:09,190 --> 03:13:05,840

not rioting guys it is not going to well

4383

03:13:14,010 --> 03:13:11,110

they're getting ready to pop up

4384

03:13:23,510 --> 03:13:14,020

i mean they would do the same it was a

4385

03:13:27,510 --> 03:13:25,030

we're educating the public about what's

4386

03:13:29,750 --> 03:13:27,520

going on in different cities across the

4387

03:13:32,070 --> 03:13:29,760

united states during our election night

4388

03:13:33,429 --> 03:13:32,080

coverage these are this is fair use

4389

03:13:35,670 --> 03:13:33,439

we're educating the public this is a

4390

03:13:36,469 --> 03:13:35,680

transformative work

4391

03:13:38,309 --> 03:13:36,479

oh

4392

03:13:39,590 --> 03:13:38,319

does that can i thank them good and i

4393

03:13:41,269 --> 03:13:39,600

want to say something

4394

03:13:42,550 --> 03:13:41,279

actually robin i don't want you to robin

4395

03:13:43,990 --> 03:13:42,560

i don't want you to like take offense to

4396

03:13:46,870 --> 03:13:44,000

what i'm going to say because because i

4397

03:13:48,389 --> 03:13:46,880

love you but a dude with a samurai sword

4398

03:13:50,389 --> 03:13:48,399

out there in the street is not like

4399

03:13:51,830 --> 03:13:50,399

carnival those people are obviously

4400

03:13:54,790 --> 03:13:51,840

bringing [h__h] to

4401

03:13:58,790 --> 03:13:54,800

try to cause a problem

4402

03:14:02,309 --> 03:13:58,800

i am not speaking uh uh to the behavior

4403

03:14:03,910 --> 03:14:02,319

i'm speaking of the spirit of it

4404

03:14:05,429 --> 03:14:03,920

welcome to the park

4405

03:14:08,309 --> 03:14:05,439

yeah i have no problem with them being

4406

03:14:10,710 --> 03:14:08,319

out there in the streets or whatever

4407

03:14:12,870 --> 03:14:10,720

me neither but i don't like the violence

4408

03:14:14,469 --> 03:14:12,880

i just i either way there's going to be

4409

03:14:15,349 --> 03:14:14,479

another i don't like it either either

4410

03:14:18,790 --> 03:14:15,359

way

4411

03:14:20,309 --> 03:14:18,800

violence i think it's just a matter of

4412

03:14:21,190 --> 03:14:20,319

like how much

4413

03:14:23,510 --> 03:14:21,200

but

4414

03:14:25,990 --> 03:14:23,520

i'm looking at

4415

03:14:27,990 --> 03:14:26,000

some of these people have been on

4416

03:14:30,309 --> 03:14:28,000

lockdown for months

4417

03:14:31,590 --> 03:14:30,319

and they are out there and they're

4418

03:14:34,950 --> 03:14:31,600

they're

4419

03:14:37,670 --> 03:14:34,960

expressing their truth and

4420

03:14:41,590 --> 03:14:37,680

i'm calling it a celebration from many

4421

03:14:46,389 --> 03:14:44,229

maybe do

4422

03:14:47,349 --> 03:14:46,399

i don't know how how do i

4423

03:14:49,030 --> 03:14:47,359

know a lot

4424

03:14:51,030 --> 03:14:49,040

of them

4425

03:14:53,510 --> 03:14:51,040

like downtown denver boarded everything

4426
03:14:55,429 --> 03:14:53,520
up you know i lived in portland for many

4427
03:14:57,429 --> 03:14:55,439
years actually just moved here

4428
03:14:59,910 --> 03:14:57,439
from portland so i have a lot of friends

4429
03:15:01,990 --> 03:14:59,920
going oh you know things are about to

4430
03:15:05,349 --> 03:15:02,000
get crazy you know they really are

4431
03:15:08,309 --> 03:15:05,359
bracing for impact so i'm actually more

4432
03:15:10,309 --> 03:15:08,319
interested to see if biden wins what

4433
03:15:12,229 --> 03:15:10,319
that impact looks like

4434
03:15:13,670 --> 03:15:12,239
you know what i mean like

4435
03:15:15,510 --> 03:15:13,680
portland since

4436
03:15:18,229 --> 03:15:15,520
george floyd

4437
03:15:20,790 --> 03:15:18,239
right yeah

4438
03:15:23,110 --> 03:15:20,800

180 days i think they're up to of of

4439

03:15:25,910 --> 03:15:23,120

riots and and protests and all that is

4440

03:15:29,030 --> 03:15:25,920

that yeah that's a civic right it's it's

4441

03:15:31,750 --> 03:15:29,040

it's great but yeah you know i have this

4442

03:15:33,429 --> 03:15:31,760

is where i have my conundrum here i i i

4443

03:15:34,710 --> 03:15:33,439

sympathize with these people but at the

4444

03:15:36,229 --> 03:15:34,720

same time i don't want these people

4445

03:15:40,070 --> 03:15:36,239

burning [h__h] down

4446

03:15:40,950 --> 03:15:40,080

right like [h__h] yeah please don't please

4447

03:15:43,190 --> 03:15:40,960

don't

4448

03:15:46,550 --> 03:15:43,200

yeah yeah it's hard yeah that's where it

4449

03:15:49,349 --> 03:15:46,560

goes i can't speak for you know the

4450

03:15:50,150 --> 03:15:49,359

uh the minority persuasion and about you

4451

03:15:51,349 --> 03:15:50,160

know

4452

03:15:54,790 --> 03:15:51,359

how

4453

03:15:56,710 --> 03:15:54,800

frustrated they are with the police

4454

03:15:57,910 --> 03:15:56,720

situation but

4455

03:16:01,670 --> 03:15:57,920

you know

4456

03:16:03,910 --> 03:16:01,680

than words it definitely got a lot of

4457

03:16:05,670 --> 03:16:03,920

play there's there's been a lot of

4458

03:16:08,150 --> 03:16:05,680

movement because of it i'm not saying

4459

03:16:11,269 --> 03:16:08,160

it's good but i there's a part of me

4460

03:16:12,870 --> 03:16:11,279

that kind of understands just how angry

4461

03:16:13,670 --> 03:16:12,880

you know

4462

03:16:15,750 --> 03:16:13,680

yeah

4463

03:16:18,550 --> 03:16:15,760

but

4464

03:16:21,110 --> 03:16:18,560

it it involves all of us it's not just

4465

03:16:22,950 --> 03:16:21,120

them it's all of us who are witnessing

4466

03:16:25,670 --> 03:16:22,960

that and we're going through

4467

03:16:29,510 --> 03:16:25,680

our own [h__h] are you about to say all

4468

03:16:33,429 --> 03:16:31,110

uh oh

4469

03:16:35,990 --> 03:16:33,439

who asked that question yeah that would

4470

03:16:39,269 --> 03:16:36,000

be pragmatic yeah that's a hot button

4471

03:16:41,429 --> 03:16:39,279

you can't say that i know

4472

03:16:43,910 --> 03:16:41,439

no but you know what you guys are dumb

4473

03:16:46,150 --> 03:16:43,920

the best way to protest is don't show up

4474

03:16:47,910 --> 03:16:46,160

to work for like a month

4475

03:16:51,190 --> 03:16:47,920

if you have like a hundred million a

4476
03:16:52,229 --> 03:16:51,200
minute going up to work forget it that's

4477
03:16:53,910 --> 03:16:52,239
how you

4478
03:16:55,750 --> 03:16:53,920
the best way to protest you gotta hit

4479
03:16:58,550 --> 03:16:55,760
them in your rent check

4480
03:17:00,309 --> 03:16:58,560
[h__\h] down sit down

4481
03:17:01,750 --> 03:17:00,319
you try to save up the door you know you

4482
03:17:02,870 --> 03:17:01,760
get a coalition of people together and

4483
03:17:04,469 --> 03:17:02,880
say hey this is how we're going to do

4484
03:17:06,150 --> 03:17:04,479
this we're going to [h__\h] save our

4485
03:17:07,670 --> 03:17:06,160
checks up we're going to try not to live

4486
03:17:09,670 --> 03:17:07,680
check to check we're going to not try to

4487
03:17:11,510 --> 03:17:09,680
expand here and here and here and here

4488
03:17:17,670 --> 03:17:11,520

because we need to have this protest we

4489

03:17:20,389 --> 03:17:18,790

a month

4490

03:17:22,309 --> 03:17:20,399

and you can pay your rent you can you

4491

03:17:23,990 --> 03:17:22,319

you'll have that nest egg so you can

4492

03:17:25,990 --> 03:17:24,000

cover your rent so you can cover your

4493

03:17:27,990 --> 03:17:26,000

bills so you can say hey enough is a

4494

03:17:29,510 --> 03:17:28,000

[h__h] enough yeah enough of you guys

4495

03:17:31,190 --> 03:17:29,520

making

4496

03:17:33,910 --> 03:17:31,200

this much money and i'm [h__h] barely

4497

03:17:35,670 --> 03:17:33,920

surviving right and then you that was

4498

03:17:38,469 --> 03:17:35,680

the problem with that but the entire

4499

03:17:39,670 --> 03:17:38,479

time is that it it is an idea it's not

4500

03:17:42,070 --> 03:17:39,680

organized

4501
03:17:42,870 --> 03:17:42,080
right yes

4502
03:17:44,790 --> 03:17:42,880
you know

4503
03:17:46,070 --> 03:17:44,800
it's just kind of reckless abandoned

4504
03:17:47,429 --> 03:17:46,080
with different

4505
03:17:49,510 --> 03:17:47,439
as don't you think there's different

4506
03:17:51,110 --> 03:17:49,520
cells though that are organized maybe

4507
03:17:52,229 --> 03:17:51,120
not they don't have like a national

4508
03:17:54,550 --> 03:17:52,239
leadership

4509
03:17:57,750 --> 03:17:54,560
all antifa's yeah

4510
03:17:58,630 --> 03:17:57,760
the problem that i'm seeing here is that

4511
03:18:00,309 --> 03:17:58,640
sorry

4512
03:18:02,309 --> 03:18:00,319
no no please

4513
03:18:05,030 --> 03:18:02,319

oh no that's all i was gonna say

4514

03:18:07,429 --> 03:18:05,040

okay uh the problem that i see is that

4515

03:18:08,389 --> 03:18:07,439

there are extremists on both sides where

4516

03:18:11,990 --> 03:18:08,399

there's

4517

03:18:13,429 --> 03:18:12,000

to burn loot and whatnot to start

4518

03:18:15,190 --> 03:18:13,439

something and then there's people on the

4519

03:18:17,590 --> 03:18:15,200

other side they want to sneak in and

4520

03:18:19,269 --> 03:18:17,600

burn loot to start something

4521

03:18:21,429 --> 03:18:19,279

and it's it

4522

03:18:24,389 --> 03:18:21,439

the extremists are the ones that are

4523

03:18:27,830 --> 03:18:24,399

have been damaged uh somewhere in their

4524

03:18:31,349 --> 03:18:27,840

life they've been educated to hate

4525

03:18:32,710 --> 03:18:31,359

the reason why i say this is because

4526

03:18:34,630 --> 03:18:32,720

i don't i really give a [\h__\h] because i

4527

03:18:37,349 --> 03:18:34,640

say what i [\h__\h] want

4528

03:18:38,550 --> 03:18:37,359

my pop you know he educated me on how to

4529

03:18:40,790 --> 03:18:38,560

hate he

4530

03:18:44,389 --> 03:18:40,800

he tried to tell me who to hate

4531

03:18:45,590 --> 03:18:44,399

um all i got from that was how to hate

4532

03:18:48,070 --> 03:18:45,600

i didn't hate

4533

03:18:49,510 --> 03:18:48,080

uh minorities like my father tried to

4534

03:18:52,630 --> 03:18:49,520

instill in me

4535

03:18:55,349 --> 03:18:52,640

um i ended up hating everyone i didn't

4536

03:18:56,790 --> 03:18:55,359

even know what color were you philosophy

4537

03:18:59,590 --> 03:18:56,800

yeah oh

4538

03:19:01,269 --> 03:18:59,600

boy my parents tried to do it

4539

03:19:02,950 --> 03:19:01,279

it was a hard comeback from that it was

4540

03:19:05,030 --> 03:19:02,960

hard to come back from that does that

4541

03:19:07,030 --> 03:19:05,040

make sense oh it's even hard for me to

4542

03:19:09,349 --> 03:19:07,040

sit here with you guys now and even have

4543

03:19:11,190 --> 03:19:09,359

this conversation 20 years ago we would

4544

03:19:13,110 --> 03:19:11,200

not be having this conversation well i

4545

03:19:14,550 --> 03:19:13,120

appreciate you're here

4546

03:19:15,590 --> 03:19:14,560

you're high

4547

03:19:17,750 --> 03:19:15,600

yeah

4548

03:19:19,429 --> 03:19:17,760

i just wanted to break in not like

4549

03:19:22,950 --> 03:19:19,439

i just want to break in for a second to

4550

03:19:24,229 --> 03:19:22,960

say that uh fox news called texas to uh

4551

03:19:26,469 --> 03:19:24,239

to trump

4552

03:19:30,070 --> 03:19:26,479

sure and uh

4553

03:19:30,950 --> 03:19:30,080

news is now 223 joe biden 204 donald

4554

03:19:33,269 --> 03:19:30,960

trump

4555

03:19:35,750 --> 03:19:33,279

it's going to be a tough 70s 270 still

4556

03:19:42,550 --> 03:19:35,760

shows trump 166 biting 210 they're not

4557

03:19:46,070 --> 03:19:44,630

i have a question for mario so we're

4558

03:19:47,990 --> 03:19:46,080

talking about so

4559

03:19:49,750 --> 03:19:48,000

no so like last time we were talking we

4560

03:19:51,670 --> 03:19:49,760

were talking about in canada they're

4561

03:19:53,590 --> 03:19:51,680

paying people like two thousand dollars

4562

03:19:54,790 --> 03:19:53,600

a month i think in benefits like because

4563

03:19:56,070 --> 03:19:54,800

of the whole coba thing is that what you

4564

03:19:57,750 --> 03:19:56,080

said two thousand

4565

03:19:59,030 --> 03:19:57,760

universities yeah

4566

03:20:01,750 --> 03:19:59,040

but there are

4567

03:20:03,670 --> 03:20:01,760

approximately so it was 2 000 and then

4568

03:20:06,070 --> 03:20:03,680

now it's 1800 but there are certain

4569

03:20:09,030 --> 03:20:06,080

conditions that you have to

4570

03:20:10,710 --> 03:20:09,040

comply with to be eligible for

4571

03:20:12,309 --> 03:20:10,720

okay so like

4572

03:20:14,870 --> 03:20:12,319

forgive me for being a dumb american who

4573

03:20:16,790 --> 03:20:14,880

watches like too much hp

4574

03:20:19,190 --> 03:20:16,800

but like i know that in canada from what

4575

03:20:21,670 --> 03:20:19,200

it sounds like property value is like

4576

03:20:23,429 --> 03:20:21,680

way higher in canada like i think prices

4577

03:20:25,830 --> 03:20:23,439

are probably from what i from what i've

4578

03:20:27,590 --> 03:20:25,840

gathered it looks like prices on ships a

4579

03:20:28,870 --> 03:20:27,600

little bit higher so the money that

4580

03:20:31,670 --> 03:20:28,880

you're getting from the government i

4581

03:20:34,150 --> 03:20:31,680

mean is that really going a long way if

4582

03:20:36,389 --> 03:20:34,160

if rent is higher than what we would

4583

03:20:38,389 --> 03:20:36,399

consider it you know here or

4584

03:20:39,670 --> 03:20:38,399

food is higher or yadda yadda yadda i

4585

03:20:43,269 --> 03:20:39,680

mean is it really do you really think

4586

03:20:46,790 --> 03:20:43,279

the benefits are really helping people

4587

03:20:48,710 --> 03:20:46,800

a certain type of people so that's why

4588

03:20:50,389 --> 03:20:48,720

when they try to do this

4589

03:20:51,349 --> 03:20:50,399

they try to look at

4590

03:20:52,630 --> 03:20:51,359

what

4591

03:20:54,389 --> 03:20:52,640

sort of

4592

03:20:55,510 --> 03:20:54,399

yearly income they're going to base it

4593

03:20:57,429 --> 03:20:55,520

off of

4594

03:20:58,389 --> 03:20:57,439

so for example right now what they're

4595

03:21:01,670 --> 03:20:58,399

doing

4596

03:21:04,469 --> 03:21:01,680

with the new sort of system

4597

03:21:06,070 --> 03:21:04,479

is that if you make more than 38 000

4598

03:21:07,510 --> 03:21:06,080

canadian a year

4599

03:21:10,469 --> 03:21:07,520

you have to pay

4600

03:21:12,790 --> 03:21:10,479

whatever comes after the 38 000.

4601
03:21:15,429 --> 03:21:12,800
yeah well let's say you make 40 000

4602
03:21:19,269 --> 03:21:15,439
right so that's 2 000 in excess of 38

4603
03:21:21,670 --> 03:21:19,279
000. if the reason why you got to 40 000

4604
03:21:24,469 --> 03:21:21,680
was because of this benefit then you

4605
03:21:26,630 --> 03:21:24,479
have to pay the extra 2000 when you

4606
03:21:28,469 --> 03:21:26,640
are done with your taxes

4607
03:21:30,790 --> 03:21:28,479
might be the whole thing or just it

4608
03:21:32,070 --> 03:21:30,800
might only be 50 cents on the dollar so

4609
03:21:34,630 --> 03:21:32,080
you mean like so you mean like you would

4610
03:21:36,309 --> 03:21:34,640
report it on your taxes as like income

4611
03:21:38,150 --> 03:21:36,319
for the year and then you're taxed

4612
03:21:39,990 --> 03:21:38,160
against that is that what you're saying

4613
03:21:41,429 --> 03:21:40,000

because you have to have your your

4614

03:21:43,030 --> 03:21:41,439

social insurance and everything to be

4615

03:21:44,710 --> 03:21:43,040

able to apply it's not just like going

4616

03:21:47,030 --> 03:21:44,720

to the 7-eleven and

4617

03:21:48,469 --> 03:21:47,040

get your 2000 benefit card right you

4618

03:21:49,429 --> 03:21:48,479

still have to do it through the proper

4619

03:21:52,070 --> 03:21:49,439

channel

4620

03:21:54,389 --> 03:21:52,080

so yeah life is super expensive that's a

4621

03:21:55,990 --> 03:21:54,399

problem for sure uh people are living

4622

03:21:56,870 --> 03:21:56,000

it's expensive

4623

03:21:58,309 --> 03:21:56,880

why

4624

03:22:01,429 --> 03:21:58,319

is life

4625

03:22:03,110 --> 03:22:01,439

so [h__h] exciting robin

4626

03:22:05,750 --> 03:22:03,120

it's it's ridiculous we live in a

4627

03:22:07,830 --> 03:22:05,760

country of like 30 million

4628

03:22:10,070 --> 03:22:07,840

and there's like huge land too like

4629

03:22:11,910 --> 03:22:10,080

there's so much empty space here

4630

03:22:13,349 --> 03:22:11,920

and there's like 30 million of us and

4631

03:22:15,349 --> 03:22:13,359

our

4632

03:22:17,349 --> 03:22:15,359

what's that the gdp

4633

03:22:20,070 --> 03:22:17,359

is that that index for like growth

4634

03:22:22,389 --> 03:22:20,080

national product right it's like what's

4635

03:22:24,309 --> 03:22:22,399

like 1.3 trillion dollars or whatever

4636

03:22:27,510 --> 03:22:24,319

and you're like sitting there like wait

4637

03:22:31,110 --> 03:22:27,520

how are 30 million people struggling

4638

03:22:34,550 --> 03:22:31,120

with that much gdp it makes no sense

4639

03:22:36,389 --> 03:22:34,560

it doesn't make any sense to me at all

4640

03:22:38,710 --> 03:22:36,399

it doesn't make any sense but yeah so

4641

03:22:40,790 --> 03:22:38,720

back to hogan's yeah it's super

4642

03:22:42,870 --> 03:22:40,800

expensive i live in a place that is not

4643

03:22:45,030 --> 03:22:42,880

that expensive but like if you lived in

4644

03:22:47,269 --> 03:22:45,040

like vancouver or

4645

03:22:49,670 --> 03:22:47,279

uh i don't know toronto and stuff forget

4646

03:22:51,429 --> 03:22:49,680

it the rent there is disgusting like for

4647

03:22:53,670 --> 03:22:51,439

a bachelor apartment sometimes they're

4648

03:22:55,510 --> 03:22:53,680

charging like fifteen hundred dollars

4649

03:22:57,429 --> 03:22:55,520

dude

4650

03:22:59,590 --> 03:22:57,439

you have to pay in your insurance you

4651
03:23:01,429 --> 03:22:59,600
have to pay your everything is

4652
03:23:04,150 --> 03:23:01,439
ridiculous i mean thank god we get free

4653
03:23:05,510 --> 03:23:04,160
health care but which is a huge help

4654
03:23:08,229 --> 03:23:05,520
like it's

4655
03:23:10,389 --> 03:23:08,239
you guys seen the sad stories of like

4656
03:23:11,349 --> 03:23:10,399
so i had someone i know had breast

4657
03:23:12,630 --> 03:23:11,359
cancer

4658
03:23:15,110 --> 03:23:12,640
very young

4659
03:23:18,150 --> 03:23:15,120
and everything that was done to her so

4660
03:23:21,110 --> 03:23:18,160
we're talking removal of the tumor

4661
03:23:23,830 --> 03:23:21,120
chemotherapy uh another surgery she had

4662
03:23:27,429 --> 03:23:23,840
to have some post surgery and her breast

4663
03:23:29,670 --> 03:23:27,439

reconstruction with a professional

4664

03:23:32,150 --> 03:23:29,680

plastic surgeon

4665

03:23:34,790 --> 03:23:32,160

and therapy like psychological therapy

4666

03:23:36,309 --> 03:23:34,800

counseling all of that was free

4667

03:23:38,389 --> 03:23:36,319

and so that's why here you don't see

4668

03:23:40,389 --> 03:23:38,399

those sad stories of the advertisements

4669

03:23:42,550 --> 03:23:40,399

or like oh let's fight for them and then

4670

03:23:44,469 --> 03:23:42,560

you see these ladies with like their

4671

03:23:46,870 --> 03:23:44,479

breasts missing and stuff is like donate

4672

03:23:48,710 --> 03:23:46,880

to this whatever we still need we still

4673

03:23:51,030 --> 03:23:48,720

have some breast cancer charities here

4674

03:23:52,790 --> 03:23:51,040

but they're it's not the same like

4675

03:23:54,710 --> 03:23:52,800

it's amazing to be able to say you know

4676
03:23:55,910 --> 03:23:54,720
what i had a surgery that would have

4677
03:23:58,389 --> 03:23:55,920
cost like

4678
03:24:00,229 --> 03:23:58,399
a hundred thousand american and free

4679
03:24:01,590 --> 03:24:00,239
like they saved my life and here i am

4680
03:24:02,790 --> 03:24:01,600
and i don't have to worry about that

4681
03:24:04,309 --> 03:24:02,800
debt

4682
03:24:06,070 --> 03:24:04,319
we still have other things that we have

4683
03:24:08,070 --> 03:24:06,080
to worry about though right

4684
03:24:10,469 --> 03:24:08,080
but i i don't know i mean part of our

4685
03:24:12,790 --> 03:24:10,479
high taxes go to that right so like yeah

4686
03:24:14,389 --> 03:24:12,800
oh yeah yeah

4687
03:24:15,990 --> 03:24:14,399
and it you know

4688
03:24:17,590 --> 03:24:16,000

it must be nice to just not have to

4689

03:24:19,510 --> 03:24:17,600

worry about paying for the medical

4690

03:24:21,590 --> 03:24:19,520

insurance or getting the medical

4691

03:24:23,269 --> 03:24:21,600

insurance and what is it like here's a

4692

03:24:24,950 --> 03:24:23,279

it's a [h__h] nightmare and everybody

4693

03:24:27,349 --> 03:24:24,960

has different insurance and what they'll

4694

03:24:29,670 --> 03:24:27,359

cover what they want right you know

4695

03:24:31,910 --> 03:24:29,680

like some people can't even

4696

03:24:34,389 --> 03:24:31,920

and the way that it really works is that

4697

03:24:36,469 --> 03:24:34,399

the [h__h] insurance companies they for

4698

03:24:40,229 --> 03:24:36,479

some reason they can decide what medical

4699

03:24:42,150 --> 03:24:40,239

services you need or not

4700

03:24:43,910 --> 03:24:42,160

should decide what medical services you

4701
03:24:46,389 --> 03:24:43,920
need and if you need an expensive

4702
03:24:47,750 --> 03:24:46,399
surgery you need an expensive surgery

4703
03:24:49,269 --> 03:24:47,760
you know that's it

4704
03:24:51,269 --> 03:24:49,279
but this is not the way it works in the

4705
03:24:53,110 --> 03:24:51,279
united states because the insurance

4706
03:24:54,630 --> 03:24:53,120
companies got their hand in everything

4707
03:24:57,750 --> 03:24:54,640
and they can decide what you need or

4708
03:25:01,110 --> 03:24:57,760
don't and it's crazy

4709
03:25:02,229 --> 03:25:01,120
i was there for the transition

4710
03:25:03,750 --> 03:25:02,239
uh

4711
03:25:05,910 --> 03:25:03,760
from

4712
03:25:09,110 --> 03:25:05,920
doctors deciding

4713
03:25:11,429 --> 03:25:09,120

what patients needed and dang insurance

4714

03:25:13,510 --> 03:25:11,439

covered every [h__h] thing everything

4715

03:25:16,550 --> 03:25:13,520

everything everything

4716

03:25:20,550 --> 03:25:16,560

insurance did and i witnessed that i

4717

03:25:22,870 --> 03:25:20,560

raised my children on completely covered

4718

03:25:24,630 --> 03:25:22,880

medical care but then

4719

03:25:25,830 --> 03:25:24,640

the suits

4720

03:25:28,550 --> 03:25:25,840

started

4721

03:25:31,349 --> 03:25:28,560

regulating medical care

4722

03:25:34,070 --> 03:25:31,359

the guys the corporate guys it was

4723

03:25:36,469 --> 03:25:34,080

turned over to

4724

03:25:39,190 --> 03:25:36,479

people who didn't know anything about

4725

03:25:42,950 --> 03:25:39,200

medicine and that's what we're living

4726
03:25:45,670 --> 03:25:42,960
under now and it breaks my heart people

4727
03:25:47,990 --> 03:25:45,680
are denied medical care

4728
03:25:49,750 --> 03:25:48,000
uh and it needs to be

4729
03:25:53,269 --> 03:25:49,760
covered

4730
03:25:56,630 --> 03:25:53,279
you guys i but that i know you can't

4731
03:26:02,229 --> 03:25:59,269
what i can't believe is

4732
03:26:07,830 --> 03:26:02,239
what we're going through now

4733
03:26:13,190 --> 03:26:11,030
you know people i'm saying do you uh no

4734
03:26:14,790 --> 03:26:13,200
no i don't know but you know

4735
03:26:17,349 --> 03:26:14,800
[h__h] is what i'm thinking but you know

4736
03:26:19,990 --> 03:26:17,359
what mario mario the argument the

4737
03:26:22,630 --> 03:26:20,000
capitalist argument against uh

4738
03:26:23,750 --> 03:26:22,640

socialized uh medicine or or national

4739

03:26:26,150 --> 03:26:23,760

healthcare

4740

03:26:28,309 --> 03:26:26,160

plan for everyone has always been this

4741

03:26:30,309 --> 03:26:28,319

oh well it's terrible in canada when

4742

03:26:32,950 --> 03:26:30,319

people need surgeries they have to wait

4743

03:26:39,190 --> 03:26:32,960

two years so

4744

03:26:43,190 --> 03:26:41,429

said i love my healthcare it's great i

4745

03:26:46,070 --> 03:26:43,200

get whatever i need i don't have to pay

4746

03:26:47,750 --> 03:26:46,080

for it i pay slightly higher taxes so

4747

03:26:49,190 --> 03:26:47,760

there are issues with the system for

4748

03:26:51,110 --> 03:26:49,200

sure so for example when you go to a

4749

03:26:53,830 --> 03:26:51,120

hospital here you go to emergency

4750

03:26:55,830 --> 03:26:53,840

absolutely i've been there for like

4751
03:26:57,990 --> 03:26:55,840
half of the day i kid you not i've been

4752
03:27:00,469 --> 03:26:58,000
there for like 10 hours

4753
03:27:02,150 --> 03:27:00,479
waiting for like an mri or whatever but

4754
03:27:03,910 --> 03:27:02,160
most of it is because there's not enough

4755
03:27:06,309 --> 03:27:03,920
staff and things like that

4756
03:27:07,190 --> 03:27:06,319
again country of 30 million people right

4757
03:27:09,670 --> 03:27:07,200
so

4758
03:27:12,150 --> 03:27:09,680
uh but again i don't know i'd rather

4759
03:27:14,469 --> 03:27:12,160
wait 10 hours and then get my appendix

4760
03:27:16,389 --> 03:27:14,479
removed safely and not have to pay a

4761
03:27:19,030 --> 03:27:16,399
hundred thousand dollars during my

4762
03:27:20,710 --> 03:27:19,040
lifetime right like those ten hours are

4763
03:27:22,710 --> 03:27:20,720

worth it now of course there are issues

4764

03:27:25,590 --> 03:27:22,720

with the system a lot of people right

4765

03:27:27,190 --> 03:27:25,600

now hate it they're super anti-liberal

4766

03:27:29,190 --> 03:27:27,200

uh they're like oh prime minister

4767

03:27:31,750 --> 03:27:29,200

trudeau is an idiot and there's a lot

4768

03:27:34,070 --> 03:27:31,760

there was a rise of like mini trumps

4769

03:27:36,229 --> 03:27:34,080

here in canada where like

4770

03:27:39,110 --> 03:27:36,239

uh a lot of them

4771

03:27:41,670 --> 03:27:39,120

sadly here in canada we

4772

03:27:43,349 --> 03:27:41,680

we're not very original in a lot of

4773

03:27:46,469 --> 03:27:43,359

areas

4774

03:27:48,950 --> 03:27:46,479

so blm happened and we've been having

4775

03:27:50,870 --> 03:27:48,960

issues with indigenous people for years

4776
03:27:52,630 --> 03:27:50,880
and all of a sudden when blm happened oh

4777
03:27:54,550 --> 03:27:52,640
let's do our own protest and we're also

4778
03:27:55,990 --> 03:27:54,560
going to call them blms like

4779
03:27:57,590 --> 03:27:56,000
really and then what are you gonna do

4780
03:27:59,910 --> 03:27:57,600
after that's done

4781
03:28:01,510 --> 03:27:59,920
nothing no one has said anything it's

4782
03:28:03,190 --> 03:28:01,520
just kind of like reactive right like if

4783
03:28:05,269 --> 03:28:03,200
the americans do something we'll do

4784
03:28:07,830 --> 03:28:05,279
something too it'll last for like a week

4785
03:28:10,229 --> 03:28:07,840
and we all go back to our way

4786
03:28:12,389 --> 03:28:10,239
and then as soon as as soon as people

4787
03:28:14,710 --> 03:28:12,399
start hating liberal ideals in in the

4788
03:28:17,110 --> 03:28:14,720

states oh let's say liberalism here we

4789

03:28:18,870 --> 03:28:17,120

don't want social media we don't want

4790

03:28:21,429 --> 03:28:18,880

benefits we don't want to respect the

4791

03:28:25,510 --> 03:28:21,439

lgbtq

4792

03:28:26,790 --> 03:28:25,520

square community uh [h__h] abortion and

4793

03:28:29,110 --> 03:28:26,800

all that stuff you know what i mean it's

4794

03:28:31,349 --> 03:28:29,120

kind of like really guys

4795

03:28:34,070 --> 03:28:31,359

the united states infected you guys in

4796

03:28:36,710 --> 03:28:34,080

canada i guess no but it was a problem

4797

03:28:39,830 --> 03:28:36,720

i mean we were supposed we're pioneers

4798

03:28:41,590 --> 03:28:39,840

in things like gay marriage uh women's

4799

03:28:43,750 --> 03:28:41,600

rights a lot of different things that

4800

03:28:45,510 --> 03:28:43,760

were like super progressive liberal and

4801

03:28:48,070 --> 03:28:45,520

then all of a sudden we're like i don't

4802

03:28:50,550 --> 03:28:48,080

know why we're deciding to not do that

4803

03:28:53,510 --> 03:28:50,560

anymore how are you guys handling mental

4804

03:28:55,830 --> 03:28:53,520

health and like say a homeless that's

4805

03:28:57,990 --> 03:28:55,840

uh that's a horrible problem so it's one

4806

03:29:00,710 --> 03:28:58,000

of the issues we have here there's a lot

4807

03:29:03,030 --> 03:29:00,720

of first of all so i think it's similar

4808

03:29:04,830 --> 03:29:03,040

in in the united states where

4809

03:29:06,950 --> 03:29:04,840

person is not

4810

03:29:08,309 --> 03:29:06,960

institutionalized even though the signs

4811

03:29:09,910 --> 03:29:08,319

are clearly there

4812

03:29:11,590 --> 03:29:09,920

until they become a danger for

4813

03:29:15,030 --> 03:29:11,600

themselves or society so basically you

4814

03:29:17,990 --> 03:29:15,040

have to wait until a crazy person stabs

4815

03:29:19,429 --> 03:29:18,000

someone and then maybe will push for

4816

03:29:23,030 --> 03:29:19,439

there's a lot of homeless people

4817

03:29:24,870 --> 03:29:23,040

everywhere it's terrible

4818

03:29:26,790 --> 03:29:24,880

yeah because i wonder if they considered

4819

03:29:29,190 --> 03:29:26,800

mental health within healthcare

4820

03:29:32,229 --> 03:29:29,200

generally because they don't hear

4821

03:29:37,349 --> 03:29:32,239

no they don't it's like drinking it's

4822

03:29:40,070 --> 03:29:38,630

how do you address that though i mean

4823

03:29:41,429 --> 03:29:40,080

not just in canada but like i know

4824

03:29:43,750 --> 03:29:41,439

michael you said you're very passionate

4825

03:29:45,429 --> 03:29:43,760

about like the you know homeless issue

4826
03:29:47,429 --> 03:29:45,439
that's like going on in california but i

4827
03:29:49,349 --> 03:29:47,439
mean like it seems like no political

4828
03:29:51,190 --> 03:29:49,359
party really has a and it's the same

4829
03:29:53,510 --> 03:29:51,200
thing in canada or the us it sounds like

4830
03:29:56,790 --> 03:29:53,520
nobody's got a really good plan of how

4831
03:29:58,870 --> 03:29:56,800
to address that and i think

4832
03:30:00,790 --> 03:29:58,880
it's been a problem for for years it's

4833
03:30:02,469 --> 03:30:00,800
it's getting worse it seems like it

4834
03:30:04,229 --> 03:30:02,479
really begins with mental health it

4835
03:30:06,550 --> 03:30:04,239
really really does

4836
03:30:09,030 --> 03:30:06,560
another solution is to kind of instead

4837
03:30:11,030 --> 03:30:09,040
of focusing on minimum wage we should

4838
03:30:13,510 --> 03:30:11,040

have focused long time ago on minimum

4839

03:30:14,950 --> 03:30:13,520

standard of living

4840

03:30:17,429 --> 03:30:14,960

right so instead of saying oh we're

4841

03:30:19,349 --> 03:30:17,439

going to raise your your wage so that

4842

03:30:21,110 --> 03:30:19,359

you can pay more taxes or which is

4843

03:30:22,710 --> 03:30:21,120

stupid every time the minimum wage is

4844

03:30:24,309 --> 03:30:22,720

just kind of like an index right it

4845

03:30:27,110 --> 03:30:24,319

doesn't it doesn't help for [h__h] of your

4846

03:30:29,590 --> 03:30:27,120

race or lower so rather than doing that

4847

03:30:32,070 --> 03:30:29,600

uh do things like for example one thing

4848

03:30:34,550 --> 03:30:32,080

mexico is very good at posing things and

4849

03:30:36,550 --> 03:30:34,560

having ideas but terrible the execution

4850

03:30:38,630 --> 03:30:36,560

because of the corruption and stuff but

4851

03:30:40,950 --> 03:30:38,640

we have a program where

4852

03:30:43,910 --> 03:30:40,960

you can basically apply for government

4853

03:30:46,229 --> 03:30:43,920

credit that has way lower taxes uh taxes

4854

03:30:48,150 --> 03:30:46,239

sorry interest rates than the banks

4855

03:30:49,510 --> 03:30:48,160

right and sometimes even now i think

4856

03:30:50,950 --> 03:30:49,520

they just give you the money you apply

4857

03:30:52,790 --> 03:30:50,960

for the money and with that money you

4858

03:30:55,030 --> 03:30:52,800

can buy your own house and stuff and

4859

03:30:57,830 --> 03:30:55,040

it's more manageable than

4860

03:30:59,110 --> 03:30:57,840

than the than the banks the credit from

4861

03:31:01,190 --> 03:30:59,120

the banks now the reason why the

4862

03:31:02,150 --> 03:31:01,200

government gives it to you because they

4863

03:31:04,229 --> 03:31:02,160

also

4864

03:31:05,429 --> 03:31:04,239

take charge of building this little like

4865

03:31:06,870 --> 03:31:05,439

communities

4866

03:31:09,030 --> 03:31:06,880

that are government-run so you don't

4867

03:31:10,790 --> 03:31:09,040

have to pay excessive charges for a

4868

03:31:12,389 --> 03:31:10,800

house you're only paying the government

4869

03:31:15,030 --> 03:31:12,399

price which is super cheap

4870

03:31:16,550 --> 03:31:15,040

because they took care of building those

4871

03:31:18,070 --> 03:31:16,560

neighborhoods right so

4872

03:31:20,950 --> 03:31:18,080

that's what you could do instead of

4873

03:31:23,349 --> 03:31:20,960

investing in [h__h] uh homeless

4874

03:31:25,030 --> 03:31:23,359

whatever like shelters and [h__h] you

4875

03:31:26,710 --> 03:31:25,040

build communities that are for low

4876
03:31:28,469 --> 03:31:26,720
income or people or students are

4877
03:31:30,469 --> 03:31:28,479
struggling and [h__h] and you know what

4878
03:31:32,710 --> 03:31:30,479
once you're better off you can just pass

4879
03:31:34,950 --> 03:31:32,720
that house or apartment to someone else

4880
03:31:36,150 --> 03:31:34,960
but basically big halfway house

4881
03:31:37,750 --> 03:31:36,160
communities

4882
03:31:39,349 --> 03:31:37,760
right and you could do it you could

4883
03:31:40,710 --> 03:31:39,359
totally but don't build them on the

4884
03:31:42,950 --> 03:31:40,720
outskirts where like there's going to be

4885
03:31:44,870 --> 03:31:42,960
a lot of crimes no [h__h] building

4886
03:31:46,710 --> 03:31:44,880
downtown or where they can integrate

4887
03:31:49,110 --> 03:31:46,720
with the rest of the community

4888
03:31:50,630 --> 03:31:49,120

infrastructure hey guys not to not to

4889

03:31:51,990 --> 03:31:50,640

not to cut anybody off but i just wanted

4890

03:31:53,429 --> 03:31:52,000

to jump in and do a little electoral

4891

03:31:56,229 --> 03:31:53,439

college update here so if you're

4892

03:31:58,550 --> 03:31:56,239

following 270 to win.com it looks like

4893

03:31:59,510 --> 03:31:58,560

they are now showing texas and ohio for

4894

03:32:01,429 --> 03:31:59,520

trump

4895

03:32:04,389 --> 03:32:01,439

and it looks like the current the

4896

03:32:05,429 --> 03:32:04,399

current electoral vote count is biden

4897

03:32:08,389 --> 03:32:05,439

210

4898

03:32:10,870 --> 03:32:08,399

trump 204 is where it's currently

4899

03:32:12,790 --> 03:32:10,880

currently sitting at right now yeah it's

4900

03:32:15,269 --> 03:32:12,800

going to be a long night and you know

4901
03:32:17,110 --> 03:32:15,279
like i said with the pennsylvania stuff

4902
03:32:18,870 --> 03:32:17,120
we're not going to really know because

4903
03:32:20,469 --> 03:32:18,880
of so many mail-in ballots

4904
03:32:22,950 --> 03:32:20,479
pennsylvania's not going to declare one

4905
03:32:24,150 --> 03:32:22,960
for probably a week

4906
03:32:25,670 --> 03:32:24,160
and that might it might come down to

4907
03:32:29,030 --> 03:32:25,680
that state alone which is going to be

4908
03:32:31,110 --> 03:32:29,040
another florida 2000 nightmare scenario

4909
03:32:33,190 --> 03:32:31,120
all over again and you know what i hate

4910
03:32:35,190 --> 03:32:33,200
to say this but trump getting three

4911
03:32:36,870 --> 03:32:35,200
supreme court justices

4912
03:32:38,469 --> 03:32:36,880
in the in the court that's probably

4913
03:32:40,630 --> 03:32:38,479

going to bode well for him if this thing

4914

03:32:41,750 --> 03:32:40,640

gets if this thing gets tied up in the

4915

03:32:43,429 --> 03:32:41,760

court system

4916

03:32:45,110 --> 03:32:43,439

but then imagine that

4917

03:32:47,510 --> 03:32:45,120

it goes to imagine if it goes to the

4918

03:32:52,389 --> 03:32:47,520

supreme court and they decide in trump's

4919

03:32:55,910 --> 03:32:54,389

because people are going to say

4920

03:32:57,510 --> 03:32:55,920

talk about packing the court he packed

4921

03:32:58,790 --> 03:32:57,520

the court with three supporters they all

4922

03:33:00,229 --> 03:32:58,800

in favor for getting them in there for

4923

03:33:02,469 --> 03:33:00,239

four years

4924

03:33:04,389 --> 03:33:02,479

but i mean ultimately ultimately trump

4925

03:33:06,150 --> 03:33:04,399

trump per the constitution

4926

03:33:08,309 --> 03:33:06,160

had to nominate somebody that's like

4927

03:33:09,750 --> 03:33:08,319

this whole this whole thing about uh amy

4928

03:33:11,190 --> 03:33:09,760

coney barrett that i didn't understand

4929

03:33:13,190 --> 03:33:11,200

that the liberals were getting all upset

4930

03:33:15,190 --> 03:33:13,200

about was like trump didn't put her on

4931

03:33:17,910 --> 03:33:15,200

the supreme court he her the

4932

03:33:20,389 --> 03:33:17,920

constitution has to nominate somebody

4933

03:33:22,630 --> 03:33:20,399

which is what he did the senate took the

4934

03:33:24,229 --> 03:33:22,640

issue up they voted on it and if you

4935

03:33:26,389 --> 03:33:24,239

don't you don't have to like the outcome

4936

03:33:28,150 --> 03:33:26,399

but the fact is if hillary clinton was

4937

03:33:29,910 --> 03:33:28,160

president right now she would have done

4938

03:33:31,750 --> 03:33:29,920

the exact same thing that donald trump

4939

03:33:33,429 --> 03:33:31,760

just did she would have rammed it down

4940

03:33:37,190 --> 03:33:33,439

their [h__h] throat and the republicans

4941

03:33:43,910 --> 03:33:38,870

merrick garland

4942

03:33:46,469 --> 03:33:43,920

obama's he was nominated by obama and

4943

03:33:47,590 --> 03:33:46,479

the republicans held it up so yeah i i

4944

03:33:49,990 --> 03:33:47,600

agree with that

4945

03:33:51,670 --> 03:33:50,000

right you know right so yeah it gets

4946

03:33:53,269 --> 03:33:51,680

real both sides play dirty man that's

4947

03:33:54,790 --> 03:33:53,279

all there is to it

4948

03:33:57,429 --> 03:33:54,800

oh especially when you talk about

4949

03:33:59,190 --> 03:33:57,439

republicans and corporate democrats like

4950

03:34:01,030 --> 03:33:59,200

right i don't really see much of a

4951

03:34:03,030 --> 03:34:01,040

difference honestly to be completely

4952

03:34:05,269 --> 03:34:03,040

honest there's there's like you know

4953

03:34:07,349 --> 03:34:05,279

obviously some social issues that i care

4954

03:34:08,150 --> 03:34:07,359

about that maybe lean towards one or the

4955

03:34:08,950 --> 03:34:08,160

other

4956

03:34:11,830 --> 03:34:08,960

but

4957

03:34:14,950 --> 03:34:11,840

really this is just a frivolous election

4958

03:34:17,429 --> 03:34:14,960

and it's it it's a perfect way to end

4959

03:34:19,190 --> 03:34:17,439

2020.

4960

03:34:21,510 --> 03:34:19,200

exactly yeah

4961

03:34:23,269 --> 03:34:21,520

no no one problem is this could be this

4962

03:34:25,030 --> 03:34:23,279

one it's like a powder keg that [h__h]

4963

03:34:26,630 --> 03:34:25,040

goes with the 20 21 it keeps the

4964

03:34:27,910 --> 03:34:26,640

craziness going

4965

03:34:29,590 --> 03:34:27,920

no i'm sorry man i didn't mean to jump

4966

03:34:31,510 --> 03:34:29,600

in go ahead no i was just answering um

4967

03:34:33,830 --> 03:34:31,520

mario's question in the chat he said uh

4968

03:34:35,750 --> 03:34:33,840

he said why ohio he said no one's ever

4969

03:34:37,349 --> 03:34:35,760

uh jiggy had brought up earlier or uh

4970

03:34:39,510 --> 03:34:37,359

smoking earlier brought up that no one's

4971

03:34:42,070 --> 03:34:39,520

ever won the presidency without winning

4972

03:34:43,510 --> 03:34:42,080

ohio since well since j yes since jfk

4973

03:34:45,349 --> 03:34:43,520

yeah right

4974

03:34:48,150 --> 03:34:45,359

oh but but why though like what's so

4975

03:34:49,750 --> 03:34:48,160

special about ohio it's [h__h] i mean

4976

03:34:51,910 --> 03:34:49,760

ohio has always been a swing state it's

4977

03:34:53,349 --> 03:34:51,920

always been sort of a it's

4978

03:34:54,950 --> 03:34:53,359

people have always considered ohio to be

4979

03:34:57,590 --> 03:34:54,960

sort of like a

4980

03:34:59,269 --> 03:34:57,600

small version of the united states as

4981

03:35:01,990 --> 03:34:59,279

far as like the

4982

03:35:04,790 --> 03:35:02,000

you know the different demographics the

4983

03:35:06,150 --> 03:35:04,800

religious you know populations and age i

4984

03:35:07,750 --> 03:35:06,160

mean all these different factors that

4985

03:35:09,910 --> 03:35:07,760

you look at the united states as a whole

4986

03:35:13,349 --> 03:35:09,920

ohio kind of encompasses that in one

4987

03:35:15,429 --> 03:35:13,359

state from what they've said

4988

03:35:17,269 --> 03:35:15,439

yeah it's it is not you agree that no

4989

03:35:19,670 --> 03:35:17,279

matter which way you're voting the

4990

03:35:21,110 --> 03:35:19,680

electoral college has got to go

4991

03:35:29,030 --> 03:35:21,120

yeah yeah i think it should be the

4992

03:35:33,110 --> 03:35:30,469

delegates for sure because super

4993

03:35:35,510 --> 03:35:33,120

delegates is just corrupt mess you can't

4994

03:35:36,389 --> 03:35:35,520

really be the popular vote

4995

03:35:38,070 --> 03:35:36,399

yeah

4996

03:35:40,389 --> 03:35:38,080

that's a true democracy isn't it that's

4997

03:35:42,630 --> 03:35:40,399

a true democracy yeah so but i mean

4998

03:35:44,550 --> 03:35:42,640

ultimately like i think i guess the

4999

03:35:46,229 --> 03:35:44,560

short the short answer to your question

5000

03:35:47,830 --> 03:35:46,239

is i agree but i mean if you look at the

5001

03:35:50,389 --> 03:35:47,840

electoral college as far as how they

5002

03:35:53,830 --> 03:35:50,399

operate they basically like if you're if

5003

03:35:56,550 --> 03:35:53,840

your state like if if your guy or girl

5004

03:35:58,309 --> 03:35:56,560

wins your state the electors basically

5005

03:35:59,349 --> 03:35:58,319

vote that way anyway so they're sort of

5006

03:36:01,990 --> 03:35:59,359

voting

5007

03:36:15,830 --> 03:36:02,000

what the popular vote is like of their

5008

03:36:19,429 --> 03:36:17,190

with that

5009

03:36:20,630 --> 03:36:19,439

is that okay

5010

03:36:21,429 --> 03:36:20,640

california

5011

03:36:23,990 --> 03:36:21,439

say

5012

03:36:28,710 --> 03:36:24,000

47 percent vote blue

5013

03:36:30,550 --> 03:36:28,720

and or bro red or brook blue and

5014

03:36:33,110 --> 03:36:30,560

uh or

5015

03:36:35,830 --> 03:36:33,120

47 vote red and

5016

03:36:37,590 --> 03:36:35,840

53 vote blue

5017

03:36:39,750 --> 03:36:37,600

okay it's a blue state

5018

03:36:42,070 --> 03:36:39,760

yeah but what about the voices of those

5019

03:36:43,750 --> 03:36:42,080

47 of the people which is

5020

03:36:45,910 --> 03:36:43,760

15 million people

5021

03:36:48,790 --> 03:36:45,920

i mean i agree yeah i have an answer to

5022

03:36:50,469 --> 03:36:48,800

that too yeah

5023

03:36:52,150 --> 03:36:50,479

you know this with more population we

5024

03:36:53,750 --> 03:36:52,160

should have more senators

5025

03:36:54,550 --> 03:36:53,760

yeah does that make sense

5026

03:36:55,429 --> 03:36:54,560

yeah

5027

03:36:57,190 --> 03:36:55,439

you want to talk about you wanna talk

5028

03:36:58,469 --> 03:36:57,200

about real corruption i was looking at

5029

03:37:00,790 --> 03:36:58,479

our i was looking at ohio's

5030

03:37:03,030 --> 03:37:00,800

congressional districts you want to talk

5031

03:37:04,870 --> 03:37:03,040

about a [h__h] joke go to your state's

5032

03:37:06,469 --> 03:37:04,880

website and see how your congressional

5033

03:37:08,790 --> 03:37:06,479

districts are drawn up it looks like

5034

03:37:10,550 --> 03:37:08,800

somebody was [h__h] drunk

5035

03:37:13,429 --> 03:37:10,560

and [h__h] like was just like

5036

03:37:17,269 --> 03:37:13,439

go here here you're like like my troops

5037

03:37:23,190 --> 03:37:20,550

a very big republican advantage

5038

03:37:25,510 --> 03:37:23,200

too yeah yeah because oh yeah you look

5039

03:37:27,590 --> 03:37:25,520

at it it's like a squiggly line that

5040

03:37:29,750 --> 03:37:27,600

makes no sense

5041

03:37:32,150 --> 03:37:29,760

i mean my district my district basically

5042

03:37:34,309 --> 03:37:32,160

skips like two cities and like goes

5043

03:37:36,309 --> 03:37:34,319

around them and then comes back and cuts

5044

03:37:38,790 --> 03:37:36,319

over and like it doesn't it doesn't

5045

03:37:40,630 --> 03:37:38,800

follow any [h__h] like sense of you

5046

03:37:43,110 --> 03:37:40,640

know there's no rationality behind any

5047

03:37:45,590 --> 03:37:43,120

of it so gerrymandering a big thing to

5048

03:37:47,590 --> 03:37:45,600

reform electoral college a big thing to

5049

03:37:49,110 --> 03:37:47,600

reform it was actually electoral college

5050

03:37:50,870 --> 03:37:49,120

was on the ballot

5051
03:37:52,550 --> 03:37:50,880
i think the biggest i think what joe was

5052
03:37:53,750 --> 03:37:52,560
saying and i think stephen has said

5053
03:37:56,309 --> 03:37:53,760
something too is like i think the

5054
03:37:58,469 --> 03:37:56,319
conservative argument behind getting rid

5055
03:38:02,710 --> 03:37:58,479
of the electoral colleges if you look at

5056
03:38:05,990 --> 03:38:02,720
the highest population states

5057
03:38:08,070 --> 03:38:06,000
democrats so like california new york i

5058
03:38:10,150 --> 03:38:08,080
mean the states on the east coast they

5059
03:38:12,309 --> 03:38:10,160
make up a larger percentage the whole

5060
03:38:14,150 --> 03:38:12,319
country ruled

5061
03:38:16,630 --> 03:38:14,160
so then you have the rest of the country

5062
03:38:19,349 --> 03:38:16,640
saying that these coastal states are

5063
03:38:21,190 --> 03:38:19,359

going to dictate the government for the

5064

03:38:22,790 --> 03:38:21,200

next i mean let's let's face it if you

5065

03:38:24,389 --> 03:38:22,800

got rid of the electoral college there

5066

03:38:26,309 --> 03:38:24,399

wouldn't be a republican probably

5067

03:38:30,070 --> 03:38:26,319

nominated for president for the next 50

5068

03:38:34,389 --> 03:38:32,550

like more people it's yeah to me like

5069

03:38:37,190 --> 03:38:34,399

yeah that's you know i guess a sad state

5070

03:38:39,670 --> 03:38:37,200

of fairness would give republicans the

5071

03:38:42,710 --> 03:38:39,680

advantage but that's that's kind of a

5072

03:38:44,229 --> 03:38:42,720

cheap advantage like

5073

03:38:45,590 --> 03:38:44,239

i'm not saying that it's a just argument

5074

03:38:46,870 --> 03:38:45,600

i'm just saying that that's the argument

5075

03:38:48,790 --> 03:38:46,880

that they're always going to make is

5076
03:38:51,190 --> 03:38:48,800
that you know we're going to get [h__h]

5077
03:38:53,190 --> 03:38:51,200
if we get rid of the electoral college

5078
03:38:55,510 --> 03:38:53,200
yeah that's also thinking that just

5079
03:38:57,269 --> 03:38:55,520
because you know no the midwest states

5080
03:38:59,269 --> 03:38:57,279
would get [h__h] up you will

5081
03:39:00,710 --> 03:38:59,279
get [h__h] into things you know well

5082
03:39:02,550 --> 03:39:00,720
that's i mean and ultimately it's kind

5083
03:39:03,990 --> 03:39:02,560
of like you know people can choose like

5084
03:39:05,670 --> 03:39:04,000
obviously certain states are more

5085
03:39:07,030 --> 03:39:05,680
liberal and certain states are more

5086
03:39:08,630 --> 03:39:07,040
conservative so it's like you have a

5087
03:39:10,150 --> 03:39:08,640
right to if you don't like like we were

5088
03:39:11,590 --> 03:39:10,160

talking about california earlier if you

5089

03:39:13,110 --> 03:39:11,600

don't like what's going on in california

5090

03:39:15,830 --> 03:39:13,120

you can move the [h__h] out and move to

5091

03:39:18,229 --> 03:39:15,840

texas or idaho or [h__h] ohio or

5092

03:39:20,950 --> 03:39:18,239

pennsylvania you will wherever but like

5093

03:39:22,389 --> 03:39:20,960

when you're ruled by

5094

03:39:24,229 --> 03:39:22,399

that change that you states to see or

5095

03:39:26,870 --> 03:39:24,239

you can find a better job somewhere

5096

03:39:28,710 --> 03:39:26,880

right yeah yeah i mean you have options

5097

03:39:30,950 --> 03:39:28,720

but i mean again i'm not saying again

5098

03:39:32,389 --> 03:39:30,960

i'm not saying that i totally 100

5099

03:39:33,910 --> 03:39:32,399

disagree with the electoral college but

5100

03:39:36,070 --> 03:39:33,920

i'm also saying that i could see an

5101
03:39:38,389 --> 03:39:36,080
argument where the electoral college

5102
03:39:40,550 --> 03:39:38,399
would make sense in a certain in certain

5103
03:39:43,269 --> 03:39:40,560
scenarios that's a great point

5104
03:39:44,870 --> 03:39:43,279
you know i do agree with that as it's

5105
03:39:47,269 --> 03:39:44,880
something to be

5106
03:39:48,830 --> 03:39:47,279
definitely investigated

5107
03:39:51,269 --> 03:39:48,840
you know

5108
03:39:53,110 --> 03:39:51,279
but oh sorry go ahead

5109
03:39:58,630 --> 03:39:53,120
no no i was gonna say something stupid

5110
03:40:01,910 --> 03:40:00,550
yeah i'm having a little bit of trouble

5111
03:40:05,590 --> 03:40:01,920
here so if i

5112
03:40:07,269 --> 03:40:05,600
um if i if i if i uh crash out i'll be

5113
03:40:08,710 --> 03:40:07,279

back not just letting you know i'm

5114

03:40:10,070 --> 03:40:08,720

having to like yeah but in the music if

5115

03:40:12,469 --> 03:40:10,080

you crash out is that going to crash the

5116

03:40:14,150 --> 03:40:12,479

whole show yeah

5117

03:40:16,710 --> 03:40:14,160

you guys can keep the discussion going

5118

03:40:18,630 --> 03:40:16,720

and then i just reboot and log back into

5119

03:40:21,190 --> 03:40:18,640

the stream the stream will stay off it's

5120

03:40:23,190 --> 03:40:21,200

all web-based yeah

5121

03:40:25,110 --> 03:40:23,200

let's see that's one good thing he

5122

03:40:27,030 --> 03:40:25,120

disappeared earlier

5123

03:40:29,670 --> 03:40:27,040

well no i i kicked myself out of the

5124

03:40:31,110 --> 03:40:29,680

stream yeah so i have no control over

5125

03:40:33,110 --> 03:40:31,120

anything but the stream's still going

5126

03:40:34,630 --> 03:40:33,120

i'm trying to get

5127

03:40:38,710 --> 03:40:34,640

get in control

5128

03:40:43,110 --> 03:40:38,720

you guys said ohio so if sloppy joe wins

5129

03:40:48,550 --> 03:40:45,110

sleepy not

5130

03:40:50,229 --> 03:40:48,560

like sloppy joe though yeah yeah

5131

03:40:51,990 --> 03:40:50,239

what were you saying mario

5132

03:40:55,990 --> 03:40:52,000

i i thought that's what trump called him

5133

03:40:58,150 --> 03:40:56,000

slappy sleepy whatever sleepy yeah

5134

03:41:00,309 --> 03:40:58,160

so if you if he wins is this going to be

5135

03:41:02,229 --> 03:41:00,319

the first time somebody wins not winning

5136

03:41:04,870 --> 03:41:02,239

ohio is that what you're saying well

5137

03:41:07,590 --> 03:41:04,880

since jfk so since what 60

5138

03:41:10,070 --> 03:41:07,600

yeah okay oh holy [h__h]

5139

03:41:11,429 --> 03:41:10,080

so it is possible though oh yeah oh

5140

03:41:13,830 --> 03:41:11,439

based on the numbers that are still out

5141

03:41:15,590 --> 03:41:13,840

there it's possible but again if you

5142

03:41:17,349 --> 03:41:15,600

look at if you look at the states that

5143

03:41:18,790 --> 03:41:17,359

still haven't reported and i mean you're

5144

03:41:20,469 --> 03:41:18,800

just looking at and you're just i mean

5145

03:41:22,950 --> 03:41:20,479

looking at the numbers that are in

5146

03:41:26,790 --> 03:41:22,960

already the states that really matter

5147

03:41:29,269 --> 03:41:26,800

like miss like wisconsin and michigan

5148

03:41:31,990 --> 03:41:29,279

north carolina trump is leading in those

5149

03:41:34,870 --> 03:41:32,000

states right now so

5150

03:41:38,389 --> 03:41:34,880

what about puerto rico alaska hawaii did

5151

03:41:55,349 --> 03:41:38,399

they count uh puerto rico

5152

03:42:00,229 --> 03:41:57,190

alaska's got three electoral college

5153

03:42:01,349 --> 03:42:00,239

votes and hawaii has four

5154

03:42:03,349 --> 03:42:01,359

nice

5155

03:42:05,750 --> 03:42:03,359

but puerto rico has zero

5156

03:42:08,229 --> 03:42:05,760

just later wow well really oh cause

5157

03:42:10,309 --> 03:42:08,239

they're just uh uh the territory the

5158

03:42:13,110 --> 03:42:10,319

territories yeah i honestly like it i

5159

03:42:14,389 --> 03:42:13,120

think this is really going to come out

5160

03:42:16,389 --> 03:42:14,399

um

5161

03:42:19,349 --> 03:42:16,399

there's another one also i can't think

5162

03:42:21,830 --> 03:42:19,359

of it on top of my head

5163

03:42:26,950 --> 03:42:24,870

for you americans

5164

03:42:27,990 --> 03:42:26,960

you ready

5165

03:42:28,950 --> 03:42:28,000

yeah

5166

03:42:33,670 --> 03:42:28,960

how

5167

03:42:36,870 --> 03:42:33,680

that says that you have to be born in

5168

03:42:38,389 --> 03:42:36,880

american land to be the president

5169

03:42:41,429 --> 03:42:38,399

that's changed

5170

03:42:44,389 --> 03:42:41,439

you have to be a resident for 15 years

5171

03:42:47,030 --> 03:42:44,399

really has changed yes i looked it up

5172

03:42:48,389 --> 03:42:47,040

recently i was like what

5173

03:42:51,110 --> 03:42:48,399

i'm like we could have had arnold

5174

03:42:53,030 --> 03:42:51,120

schwarzenegger as president

5175

03:42:55,429 --> 03:42:53,040

well i lived in california when he was

5176

03:42:57,510 --> 03:42:55,439

the governor and it was always very

5177

03:42:59,910 --> 03:42:57,520

interesting that he couldn't move up in

5178

03:43:01,910 --> 03:42:59,920

the ranks like he got to governor with

5179

03:43:03,590 --> 03:43:01,920

the next step as president

5180

03:43:05,030 --> 03:43:03,600

but he had to stop because he wasn't

5181

03:43:07,429 --> 03:43:05,040

nationalized

5182

03:43:08,870 --> 03:43:07,439

you know that's right person but yeah

5183

03:43:11,269 --> 03:43:08,880

that's that that's interesting

5184

03:43:14,790 --> 03:43:11,279

demolition i don't think i give a [h__h]

5185

03:43:18,389 --> 03:43:16,950

you know it really is to use the cliché

5186

03:43:21,189 --> 03:43:18,399

it's a melting pot and i really

5187

03:43:23,269 --> 03:43:21,199

appreciate like you know

5188

03:43:25,830 --> 03:43:23,279

the different

5189

03:43:28,630 --> 03:43:25,840

you know heritages of like anyone coming

5190

03:43:29,830 --> 03:43:28,640

i don't want another robot white person

5191

03:43:31,830 --> 03:43:29,840

all the time

5192

03:43:32,830 --> 03:43:31,840

yeah yeah the old white guys have had

5193

03:43:34,469 --> 03:43:32,840

their

5194

03:43:35,910 --> 03:43:34,479

turn

5195

03:43:37,349 --> 03:43:35,920

i'm looking up a computer joe was just

5196

03:43:39,750 --> 03:43:37,359

saying about the requirements to be

5197

03:43:41,110 --> 03:43:39,760

president and it looks like per the

5198

03:43:43,510 --> 03:43:41,120

constitution

5199

03:43:45,990 --> 03:43:43,520

the a candidate still has to be a

5200

03:43:48,790 --> 03:43:46,000

natural-born citizen of the u.s they

5201
03:43:49,990 --> 03:43:48,800
have to be a resident for 14 years so

5202
03:43:52,150 --> 03:43:50,000
like if they were born like on a

5203
03:43:54,229 --> 03:43:52,160
military base like with like mccain or

5204
03:43:57,189 --> 03:43:54,239
somebody that qualified he'd have to be

5205
03:43:59,269 --> 03:43:57,199
a legal resident of the con of the u.s

5206
03:44:01,910 --> 03:43:59,279
right for 14 years and but you still

5207
03:44:04,309 --> 03:44:01,920
have to be born in the states well like

5208
03:44:07,510 --> 03:44:04,319
yeah or in the territory or right

5209
03:44:09,510 --> 03:44:07,520
military base or a territory yeah

5210
03:44:11,269 --> 03:44:09,520
yeah that's interesting

5211
03:44:15,189 --> 03:44:11,279
yeah i don't i don't really care i mean

5212
03:44:17,110 --> 03:44:15,199
i i do care that it's not available

5213
03:44:18,469 --> 03:44:17,120

to people that come here

5214

03:44:20,469 --> 03:44:18,479

and you know

5215

03:44:23,110 --> 03:44:20,479

do amazing things

5216

03:44:24,950 --> 03:44:23,120

you know from being from other places

5217

03:44:25,830 --> 03:44:24,960

[h__h] most of them are more american than

5218

03:44:26,630 --> 03:44:25,840

i am

5219

03:44:28,710 --> 03:44:26,640

yeah

5220

03:44:30,710 --> 03:44:28,720

so i don't really

5221

03:44:32,469 --> 03:44:30,720

i'm not too worried about that's a good

5222

03:44:34,070 --> 03:44:32,479

question though i never never really

5223

03:44:35,750 --> 03:44:34,080

considered it because like i was

5224

03:44:36,550 --> 03:44:35,760

thinking and i was discussing with some

5225

03:44:39,590 --> 03:44:36,560

friends

5226
03:44:41,910 --> 03:44:39,600
you had trump in presidency if only elon

5227
03:44:43,590 --> 03:44:41,920
musk could run for president i feel like

5228
03:44:45,830 --> 03:44:43,600
a lot of [h__h] people would vote for

5229
03:44:48,710 --> 03:44:45,840
that guy that's true

5230
03:44:51,269 --> 03:44:48,720
i could see that happening yeah

5231
03:44:52,070 --> 03:44:51,279
elon yeah he's got the mad scientist

5232
03:44:53,990 --> 03:44:52,080
gene

5233
03:44:55,429 --> 03:44:54,000
yeah that'd be fun he's not elon doesn't

5234
03:44:57,269 --> 03:44:55,439
want to be president he wants to be like

5235
03:44:58,630 --> 03:44:57,279
[h__h] he wants to be like the galactic

5236
03:45:00,790 --> 03:44:58,640
ruler of mars he's going to be the

5237
03:45:01,990 --> 03:45:00,800
president of mars though here's the

5238
03:45:03,429 --> 03:45:02,000

floodgates

5239

03:45:04,550 --> 03:45:03,439

you know i think it actually started

5240

03:45:06,630 --> 03:45:04,560

with schwarzenegger although

5241

03:45:07,910 --> 03:45:06,640

schwarzenegger was far more let's take

5242

03:45:09,429 --> 03:45:07,920

over critical

5243

03:45:13,680 --> 03:45:09,439

that's another thing that would make me

5244

03:45:13,690 --> 03:45:22,950

[Laughter]

5245

03:45:26,710 --> 03:45:24,550

that's another thing that would uh get

5246

03:45:30,710 --> 03:45:26,720

me to leave uh california's out if i

5247

03:45:32,870 --> 03:45:30,720

they took volunteers up to the moon or

5248

03:45:34,910 --> 03:45:32,880

mars i'd sign up for that

5249

03:45:36,710 --> 03:45:34,920

oh you would stop it absolutely

5250

03:45:41,910 --> 03:45:36,720

absolutely

5251
03:45:46,710 --> 03:45:44,630
hey but just imagine though just imagine

5252
03:45:47,670 --> 03:45:46,720
yeah just imagine being a deserted

5253
03:45:50,150 --> 03:45:47,680
planet

5254
03:45:57,830 --> 03:45:50,160
no netflix no internet

5255
03:46:00,950 --> 03:45:59,269
just to explore something never been

5256
03:46:03,030 --> 03:46:00,960
explored before manchester united come

5257
03:46:05,110 --> 03:46:03,040
live in the canadian wilderness first

5258
03:46:06,870 --> 03:46:05,120
and then you can go to mars

5259
03:46:09,110 --> 03:46:06,880
canadians

5260
03:46:11,030 --> 03:46:09,120
yeah you want a deserted area coming out

5261
03:46:13,110 --> 03:46:11,040
i've done i've done i've done desert

5262
03:46:15,030 --> 03:46:13,120
i've done all that stuff

5263
03:46:16,950 --> 03:46:15,040

where i'm from i've been to them i've

5264

03:46:19,510 --> 03:46:16,960

been desolate stuff is robin's still in

5265

03:46:22,710 --> 03:46:19,520

the is robin still on the line

5266

03:46:25,590 --> 03:46:22,720

she's on mute right now oh she's muted

5267

03:46:28,070 --> 03:46:25,600

i'm not the robin

5268

03:46:30,550 --> 03:46:28,080

but what i was saying

5269

03:46:32,870 --> 03:46:30,560

you know i think it started with arnold

5270

03:46:35,189 --> 03:46:32,880

but that's not kind of fair to say or to

5271

03:46:37,590 --> 03:46:35,199

conflate him and trump because arnold

5272

03:46:40,950 --> 03:46:37,600

was very politicking i mean he married

5273

03:46:43,030 --> 03:46:40,960

maria shriver yeah yeah

5274

03:46:45,429 --> 03:46:43,040

yeah you know but trump like the

5275

03:46:47,510 --> 03:46:45,439

floodgates open now we have i saw kanye

5276

03:46:49,670 --> 03:46:47,520

on my ballot in colorado and i was like

5277

03:46:51,429 --> 03:46:49,680

you know what good for you i can't

5278

03:46:54,389 --> 03:46:51,439

believe you made it

5279

03:46:56,389 --> 03:46:54,399

i really hope no one wastes votes on you

5280

03:46:58,550 --> 03:46:56,399

well that was a if they did that's a

5281

03:47:00,229 --> 03:46:58,560

wasted vote probably for biden because i

5282

03:47:01,590 --> 03:47:00,239

can't imagine that a lot of the biden or

5283

03:47:03,189 --> 03:47:01,600

a lot of the kanye folks are going to

5284

03:47:05,030 --> 03:47:03,199

vote for trump so

5285

03:47:07,189 --> 03:47:05,040

that's kind of that probably screwed

5286

03:47:08,950 --> 03:47:07,199

biden if there were kanye voters well

5287

03:47:11,910 --> 03:47:08,960

who's to say you know if we can have

5288

03:47:14,550 --> 03:47:11,920

someone that has no like even you know

5289

03:47:16,389 --> 03:47:14,560

some would argue like a moral

5290

03:47:17,429 --> 03:47:16,399

intellect

5291

03:47:19,349 --> 03:47:17,439

president

5292

03:47:22,790 --> 03:47:19,359

you know like we could do whatever we're

5293

03:47:23,830 --> 03:47:22,800

using the term loosely yeah

5294

03:47:25,189 --> 03:47:23,840

you're never i don't think you're ever

5295

03:47:26,710 --> 03:47:25,199

going to get them

5296

03:47:28,469 --> 03:47:26,720

first of all nobody who's got a little

5297

03:47:30,389 --> 03:47:28,479

intellect runs for president in the

5298

03:47:44,150 --> 03:47:30,399

[h__h] first place that's a good point

5299

03:47:47,910 --> 03:47:46,150

i'll be back that's what that was like

5300

03:47:49,750 --> 03:47:47,920

the thing about trump like trump's ego

5301

03:47:51,590 --> 03:47:49,760

is [h__h] huge but i mean the guy had

5302

03:47:55,189 --> 03:47:51,600

millions or billions whatever number you

5303

03:47:56,870 --> 03:47:55,199

[h__h] think he's got like the dude

5304

03:47:58,630 --> 03:47:56,880

the dude had money he didn't [h__h]

5305

03:48:00,710 --> 03:47:58,640

need all this like [h__h] hassle but

5306

03:48:02,870 --> 03:48:00,720

it's like he [h__h] runs for president

5307

03:48:04,950 --> 03:48:02,880

like i said they give him a platform he

5308

03:48:06,870 --> 03:48:04,960

[h__h] ends up winning and it's like if

5309

03:48:08,790 --> 03:48:06,880

i was donald trump and i spent the last

5310

03:48:10,790 --> 03:48:08,800

four years [h__h] tweeting and arguing

5311

03:48:13,030 --> 03:48:10,800

with the media and [h__h] i would probably

5312

03:48:15,910 --> 03:48:13,040

be wanting to lose so i could go the

5313

03:48:19,590 --> 03:48:15,920

[h__h] home honest supposedly

5314

03:48:21,670 --> 03:48:19,600

when he won like all of the the

5315

03:48:23,269 --> 03:48:21,680

talk in the administration was that he

5316

03:48:26,309 --> 03:48:23,279

didn't think he would and he really

5317

03:48:28,710 --> 03:48:26,319

didn't want to i heard that yeah

5318

03:48:31,110 --> 03:48:28,720

well how many of you guys the first time

5319

03:48:34,070 --> 03:48:31,120

donald trump said oh i'm running for

5320

03:48:37,750 --> 03:48:34,080

president okay everyone was like yeah

5321

03:48:39,269 --> 03:48:37,760

okay like sure i remember now

5322

03:48:41,349 --> 03:48:39,279

gold escalator

5323

03:48:43,429 --> 03:48:41,359

they gave him a platform cnn and all

5324

03:48:45,429 --> 03:48:43,439

these places you know what

5325

03:48:47,110 --> 03:48:45,439

but hogan you you make a point and i

5326

03:48:47,830 --> 03:48:47,120

know we disagree in a lot of things but

5327

03:48:50,389 --> 03:48:47,840

but

5328

03:48:52,309 --> 03:48:50,399

i you're on to some when you say they

5329

03:48:54,389 --> 03:48:52,319

gave him a platform i feel like it

5330

03:48:56,790 --> 03:48:54,399

wasn't just the media it was actually

5331

03:48:59,269 --> 03:48:56,800

the people because let's be honest

5332

03:49:00,870 --> 03:48:59,279

i'm not defending trump or anything this

5333

03:49:02,389 --> 03:49:00,880

this is just the way i see it okay

5334

03:49:04,150 --> 03:49:02,399

forget it for a moment what you think

5335

03:49:05,189 --> 03:49:04,160

about him as a person his morals

5336

03:49:08,309 --> 03:49:05,199

whatever

5337

03:49:10,710 --> 03:49:08,319

here's a fact people are tired and part

5338

03:49:12,070 --> 03:49:10,720

of the riots and all that stuff is i

5339

03:49:14,389 --> 03:49:12,080

feel like it's

5340

03:49:16,070 --> 03:49:14,399

it's an answer to this people are tired

5341

03:49:18,150 --> 03:49:16,080

of the political class

5342

03:49:21,670 --> 03:49:18,160

looking at them

5343

03:49:22,870 --> 03:49:21,680

you know from above like they're nothing

5344

03:49:24,950 --> 03:49:22,880

right like

5345

03:49:26,469 --> 03:49:24,960

every time you go to the dmv that's what

5346

03:49:27,990 --> 03:49:26,479

you guys call it right the way you get

5347

03:49:30,150 --> 03:49:28,000

your license and [h__h]

5348

03:49:32,389 --> 03:49:30,160

yep right every time you go to the dmv

5349

03:49:34,309 --> 03:49:32,399

you go anything government related even

5350

03:49:36,309 --> 03:49:34,319

the workers look at you like you're

5351

03:49:37,910 --> 03:49:36,319

stupid or treat you like [h__h] right

5352

03:49:40,790 --> 03:49:37,920

every time you go hell for your taxes

5353

03:49:41,670 --> 03:49:40,800

whatever all of a sudden comes this man

5354

03:49:42,550 --> 03:49:41,680

that

5355

03:49:45,110 --> 03:49:42,560

sort of

5356

03:49:46,790 --> 03:49:45,120

represents the people in the sense that

5357

03:49:48,710 --> 03:49:46,800

he's just some dude

5358

03:49:50,229 --> 03:49:48,720

sure he's a celebrity or whatever but

5359

03:49:53,030 --> 03:49:50,239

he's some dude that

5360

03:49:53,990 --> 03:49:53,040

is able to stand up and call joe slappy

5361

03:49:56,389 --> 03:49:54,000

joe

5362

03:49:57,990 --> 03:49:56,399

uh crooked hillary and then he doesn't

5363

03:50:00,070 --> 03:49:58,000

take [h__\h] from anyone and then all of a

5364

03:50:02,229 --> 03:50:00,080

sudden people are like wait a minute

5365

03:50:03,750 --> 03:50:02,239

we i i resonate with that because how

5366

03:50:06,469 --> 03:50:03,760

many times have you tried to tell a

5367

03:50:08,710 --> 03:50:06,479

politician that they're stupid [h__\h] you

5368

03:50:10,710 --> 03:50:08,720

i'm you're not better than me but then

5369

03:50:13,349 --> 03:50:10,720

they still keep looking at you like ah

5370

03:50:16,070 --> 03:50:13,359

you know like the the peasants

5371

03:50:17,830 --> 03:50:16,080

right and i feel like that's why

5372

03:50:19,590 --> 03:50:17,840

he probably won because people were like

5373

03:50:20,469 --> 03:50:19,600

dude finally someone's standing up to

5374

03:50:22,229 --> 03:50:20,479

this guy

5375

03:50:25,349 --> 03:50:22,239

but you're but you're right because

5376

03:50:27,670 --> 03:50:25,359

donald trump donald trump is the symptom

5377

03:50:29,349 --> 03:50:27,680

like of the disease like he he would

5378

03:50:31,990 --> 03:50:29,359

have not been able to get where he was

5379

03:50:33,910 --> 03:50:32,000

at if our political system in the us was

5380

03:50:36,469 --> 03:50:33,920

not as [h__h] up as it is for the last

5381

03:50:38,150 --> 03:50:36,479

like exactly we

5382

03:50:39,670 --> 03:50:38,160

would never have been there because we

5383

03:50:41,750 --> 03:50:39,680

agree with that he is like like we

5384

03:50:43,990 --> 03:50:41,760

talked about last time if joe biden and

5385

03:50:46,070 --> 03:50:44,000

donald trump are the two best people

5386

03:50:47,910 --> 03:50:46,080

that our country of 300 plus million

5387

03:50:51,269 --> 03:50:47,920

people can put in front of the entire

5388

03:50:54,710 --> 03:50:51,279

world then we have a [ʰ__ʰ] problem

5389

03:50:56,469 --> 03:50:54,720

that's i mean that's just fact and it's

5390

03:50:58,070 --> 03:50:56,479

i mean it's a sad state of affairs but

5391

03:50:59,990 --> 03:50:58,080

that's basically the two options that we

5392

03:51:01,670 --> 03:51:00,000

had we had a [ʰ__ʰ] burger and a turd

5393

03:51:04,550 --> 03:51:01,680

sandwich just like we have every [ʰ__ʰ]

5394

03:51:07,750 --> 03:51:06,229

but you know with the donald trump what

5395

03:51:09,110 --> 03:51:07,760

just happened in seattle it was this

5396

03:51:10,710 --> 03:51:09,120

whole fight that just broke out on

5397

03:51:12,870 --> 03:51:10,720

camera in seattle some dude was holding

5398

03:51:15,990 --> 03:51:12,880

a uh trump he just drove up to a bunch

5399

03:51:17,269 --> 03:51:16,000

of protesters held this massive sign and

5400

03:51:19,510 --> 03:51:17,279

some dude walked up with the camera and

5401
03:51:21,750 --> 03:51:19,520
ripped his rip to sign out uh trump sign

5402
03:51:23,189 --> 03:51:21,760
out of his hand oh okay

5403
03:51:24,870 --> 03:51:23,199
yeah i'm sorry about the

5404
03:51:26,550 --> 03:51:24,880
only i could get thrown out of my own

5405
03:51:28,870 --> 03:51:26,560
stream

5406
03:51:30,950 --> 03:51:28,880
this is what i'll say i have another

5407
03:51:32,950 --> 03:51:30,960
i have another streaming setup i have

5408
03:51:35,189 --> 03:51:32,960
another streaming setup that runs my own

5409
03:51:38,150 --> 03:51:35,199
version of linux and it runs beautifully

5410
03:51:39,830 --> 03:51:38,160
but there's some fixes to the actual

5411
03:51:41,670 --> 03:51:39,840
there's some things i have to do and

5412
03:51:43,429 --> 03:51:41,680
then it's gonna run beautifully this

5413
03:51:44,870 --> 03:51:43,439

[h__\h] windows i have to run i'm

5414

03:51:46,950 --> 03:51:44,880

running this on windows and what can i

5415

03:51:49,910 --> 03:51:46,960

say a reboot a day keeps the blue

5416

03:51:51,990 --> 03:51:49,920

screens away like there's no i try to

5417

03:51:53,349 --> 03:51:52,000

share something and then the whole thing

5418

03:51:54,870 --> 03:51:53,359

just froze

5419

03:51:56,870 --> 03:51:54,880

so

5420

03:51:58,630 --> 03:51:56,880

[h__\h] you bill gates and your 5g

5421

03:52:01,429 --> 03:51:58,640

microchip

5422

03:52:03,750 --> 03:52:01,439

oh yeah i've been using doom but because

5423

03:52:04,550 --> 03:52:03,760

of robin and other people i've talked to

5424

03:52:07,670 --> 03:52:04,560

um

5425

03:52:11,349 --> 03:52:07,680

investigate stream yard because

5426

03:52:13,670 --> 03:52:11,359

i know the ceo gage i know the ceo gage

5427

03:52:16,070 --> 03:52:13,680

of stream yard and i gotta tell you that

5428

03:52:18,150 --> 03:52:16,080

i don't like i am completely into i'm a

5429

03:52:20,070 --> 03:52:18,160

free software guy i am completely and

5430

03:52:22,630 --> 03:52:20,080

totally opposed to what i call software

5431

03:52:23,510 --> 03:52:22,640

slavery which is paying by the month

5432

03:52:25,990 --> 03:52:23,520

but

5433

03:52:28,389 --> 03:52:26,000

in this case i [h__h] swallowed my

5434

03:52:30,389 --> 03:52:28,399

pride i tried with obs and all these

5435

03:52:32,389 --> 03:52:30,399

different things oh i did it for a month

5436

03:52:34,550 --> 03:52:32,399

and then i said you know what i just

5437

03:52:36,630 --> 03:52:34,560

give them 20 a month and then everything

5438

03:52:38,630 --> 03:52:36,640

generally works it just all works and i

5439

03:52:40,790 --> 03:52:38,640

can do everything i need to do

5440

03:52:44,150 --> 03:52:40,800

the graphics i can put in

5441

03:52:46,630 --> 03:52:44,160

intro intro videos outro videos music

5442

03:52:48,950 --> 03:52:46,640

they just upgrade it now it's stereo so

5443

03:52:50,630 --> 03:52:48,960

you can do stereo music that's a big

5444

03:52:53,349 --> 03:52:50,640

deal for me because i've been having on

5445

03:52:55,030 --> 03:52:53,359

my streams to basically screen share my

5446

03:52:55,990 --> 03:52:55,040

title sequences

5447

03:53:00,870 --> 03:52:56,000

yeah

5448

03:53:02,469 --> 03:53:00,880

no here you just play whatever you want

5449

03:53:04,950 --> 03:53:02,479

to play and it comes and it comes

5450

03:53:06,550 --> 03:53:04,960

through nice but i kind of [h__h] up and

5451

03:53:08,150 --> 03:53:06,560

my my

5452

03:53:09,830 --> 03:53:08,160

still we're using them still that the

5453

03:53:12,309 --> 03:53:09,840

videos that i'm using for intros and

5454

03:53:14,469 --> 03:53:12,319

outros are like really badly

5455

03:53:16,229 --> 03:53:14,479

uh pixelated because i didn't know what

5456

03:53:18,389 --> 03:53:16,239

i was doing what stream yard would

5457

03:53:19,830 --> 03:53:18,399

accept as a format but now i do so i

5458

03:53:21,830 --> 03:53:19,840

have to redo them but

5459

03:53:23,349 --> 03:53:21,840

i can't i highly recommend it to

5460

03:53:25,110 --> 03:53:23,359

everybody you want to do a show just

5461

03:53:27,910 --> 03:53:25,120

give them the twenty dollars don't worry

5462

03:53:29,349 --> 03:53:27,920

about all the tech stuff and do the show

5463

03:53:30,070 --> 03:53:29,359

you know they already give the twenty

5464

03:53:32,070 --> 03:53:30,080

one

5465

03:53:34,469 --> 03:53:32,080

zoom to zoom yeah [\h__\h] zoom i don't like

5466

03:53:35,830 --> 03:53:34,479

screen but doom like i didn't realize i

5467

03:53:37,110 --> 03:53:35,840

thought oh with streaming because we

5468

03:53:39,990 --> 03:53:37,120

have a lot of

5469

03:53:41,590 --> 03:53:40,000

group chat and stuff that isn't stream

5470

03:53:43,750 --> 03:53:41,600

so i thought oh well maybe that's the

5471

03:53:46,070 --> 03:53:43,760

plus for zoom but you can do that with

5472

03:53:47,990 --> 03:53:46,080

streamyard too yeah and streamyard will

5473

03:53:49,189 --> 03:53:48,000

collect like we're streaming right now

5474

03:53:51,670 --> 03:53:49,199

to twitch

5475

03:53:53,670 --> 03:53:51,680

facebook and youtube all of the comments

5476
03:53:55,830 --> 03:53:53,680
from everywhere come in whether they're

5477
03:53:57,510 --> 03:53:55,840
from twitch or from facebook

5478
03:53:59,910 --> 03:53:57,520
and then you know

5479
03:54:02,150 --> 03:53:59,920
but they you know so i can share them on

5480
03:54:03,910 --> 03:54:02,160
the screen but they don't like everybody

5481
03:54:06,150 --> 03:54:03,920
doesn't interconnect to one chat they're

5482
03:54:09,349 --> 03:54:06,160
all separate but it's still great

5483
03:54:11,110 --> 03:54:09,359
so a lot of eggplant emojis and friends

5484
03:54:12,790 --> 03:54:11,120
yeah i've heard twitch has the best

5485
03:54:14,630 --> 03:54:12,800
emojis that's what i've heard yeah they

5486
03:54:17,110 --> 03:54:14,640
do sign up for twitch friends and follow

5487
03:54:19,590 --> 03:54:17,120
me on twitch

5488
03:54:21,110 --> 03:54:19,600

hey we need to do a welfare check on

5489

03:54:22,790 --> 03:54:21,120

robin

5490

03:54:25,910 --> 03:54:22,800

yeah

5491

03:54:27,830 --> 03:54:25,920

mute her she must have muted herself

5492

03:54:29,349 --> 03:54:27,840

maybe she knew or broke

5493

03:54:31,189 --> 03:54:29,359

or fell asleep

5494

03:54:32,950 --> 03:54:31,199

okay oh

5495

03:54:34,389 --> 03:54:32,960

eight o'clock her time she did say she

5496

03:54:36,630 --> 03:54:34,399

was tired

5497

03:54:39,349 --> 03:54:36,640

yeah yeah robin say something i'll give

5498

03:54:43,269 --> 03:54:39,359

you a hundred canadian

5499

03:54:43,279 --> 03:54:51,830

that's why she didn't say anything

5500

03:54:51,840 --> 03:54:56,070

last time i tried i'm messaging her now

5501
03:55:01,030 --> 03:54:58,070
okay uh this

5502
03:55:04,790 --> 03:55:01,040
270 to win has uh

5503
03:55:05,910 --> 03:55:04,800
right now biden 214 trump 210. so neck

5504
03:55:07,429 --> 03:55:05,920
and neck

5505
03:55:10,150 --> 03:55:07,439
no

5506
03:55:13,750 --> 03:55:10,160
214 201

5507
03:55:15,830 --> 03:55:13,760
and i saw 227 to uh 10 or something like

5508
03:55:17,750 --> 03:55:15,840
that well if i go with you know the

5509
03:55:19,990 --> 03:55:17,760
associated press

5510
03:55:21,349 --> 03:55:20,000
like yeah let's hear that that's pretty

5511
03:55:24,229 --> 03:55:21,359
accurate right that's what i'm going to

5512
03:55:25,750 --> 03:55:24,239
get a good one yeah so

5513
03:55:30,950 --> 03:55:25,760

this says

5514

03:55:32,309 --> 03:55:30,960

uh 223 this is my birthday for biden 145

5515

03:55:34,870 --> 03:55:32,319

for trump

5516

03:55:37,510 --> 03:55:34,880

holy [h__h] what a 145

5517

03:55:39,189 --> 03:55:37,520

different oh [h__h]

5518

03:55:40,830 --> 03:55:39,199

because i think the other people might

5519

03:55:43,590 --> 03:55:40,840

be putting in

5520

03:55:45,429 --> 03:55:43,600

predictive results whereas the

5521

03:55:47,670 --> 03:55:45,439

associated press

5522

03:55:49,590 --> 03:55:47,680

is just what's counted right

5523

03:55:50,950 --> 03:55:49,600

what was binding to what

5524

03:55:52,630 --> 03:55:50,960

223

5525

03:56:07,269 --> 03:55:52,640

let's check the mexican news let's see

5526
03:56:14,070 --> 03:56:10,630
you can't trust those mexicans mario

5527
03:56:17,189 --> 03:56:14,080
we're going to pretend you're italian

5528
03:56:19,110 --> 03:56:17,199
i actually made pasta today though

5529
03:56:23,510 --> 03:56:19,120
okay this is what's in the mexican side

5530
03:56:24,469 --> 03:56:23,520
it says 218 for biden 147 for trump

5531
03:56:26,710 --> 03:56:24,479
whoa

5532
03:56:28,710 --> 03:56:26,720
yeah let's see let's see

5533
03:56:30,389 --> 03:56:28,720
okay yeah that's pretty close they got

5534
03:56:32,469 --> 03:56:30,399
trump almost winning

5535
03:56:33,750 --> 03:56:32,479
247 oh no wait that's the number of

5536
03:56:36,650 --> 03:56:33,760
people that jumped the border and

5537
03:56:39,349 --> 03:56:36,660
support for them

5538
03:56:41,510 --> 03:56:39,359

[Laughter]

5539

03:56:43,030 --> 03:56:41,520

good one nice setup brother

5540

03:56:46,229 --> 03:56:43,040

did you guys do it

5541

03:56:49,269 --> 03:56:46,239

robin is she alive i missed her there

5542

03:56:50,950 --> 03:56:49,279

muted and she probably fell asleep yep

5543

03:56:53,110 --> 03:56:50,960

sure she's all right we'll throw her out

5544

03:56:54,550 --> 03:56:53,120

in a little bit if she doesn't uh

5545

03:56:56,630 --> 03:56:54,560

maybe she needs a break we'll just leave

5546

03:56:58,309 --> 03:56:56,640

her in for right now oh robin robin's

5547

03:56:59,670 --> 03:56:58,319

the best if she's not here it's probably

5548

03:57:00,790 --> 03:56:59,680

because she got busy doing something

5549

03:57:03,189 --> 03:57:00,800

else what happened to the what happened

5550

03:57:04,469 --> 03:57:03,199

to the drunk irish correspondent

5551
03:57:05,830 --> 03:57:04,479
oh yeah

5552
03:57:07,590 --> 03:57:05,840
that

5553
03:57:09,590 --> 03:57:07,600
robin just put in the chat she's coming

5554
03:57:12,309 --> 03:57:09,600
back oh good and here

5555
03:57:15,510 --> 03:57:12,319
and here we have a very special guest

5556
03:57:17,750 --> 03:57:15,520
bill clinton is here oh [\h__\h]

5557
03:57:21,110 --> 03:57:17,760
hi bill

5558
03:57:25,110 --> 03:57:21,120
i did not have sexual relations with

5559
03:57:28,070 --> 03:57:26,630
bill clinton you're worried about money

5560
03:57:29,110 --> 03:57:28,080
cause lewinsky

5561
03:57:35,910 --> 03:57:29,120
yeah and you want to give us your

5562
03:57:41,590 --> 03:57:38,070
he's thinking oh he's having sex with

5563
03:57:43,429 --> 03:57:41,600

monica mute yourself

5564

03:57:47,030 --> 03:57:43,439

cover your bed post

5565

03:57:48,389 --> 03:57:47,040

dirty bill mute yourself stephen

5566

03:57:51,349 --> 03:57:48,399

clinton cameron

5567

03:57:53,030 --> 03:57:51,359

okay bill clinton clinton

5568

03:57:57,990 --> 03:57:53,040

william who do you predict will win

5569

03:58:02,309 --> 03:57:59,990

he sounds like fake bruce springsteen

5570

03:58:03,990 --> 03:58:02,319

he's probably eating mcdonald's as bill

5571

03:58:06,389 --> 03:58:04,000

clinton has wanted to do he's [h__h]

5572

03:58:08,389 --> 03:58:06,399

that's what he's doing yo that's that's

5573

03:58:11,110 --> 03:58:08,399

pretty legendary though he used to slip

5574

03:58:13,590 --> 03:58:11,120

his secret service and go by mcdonald's

5575

03:58:17,349 --> 03:58:13,600

what a guy what a [h__h] guy

5576
03:58:21,910 --> 03:58:20,150
go on not a fan of who's that who who's

5577
03:58:24,550 --> 03:58:21,920
the keats ross

5578
03:58:27,110 --> 03:58:24,560
hi keats how how are you

5579
03:58:28,830 --> 03:58:27,120
how are you i'm pretty good president

5580
03:58:30,870 --> 03:58:28,840
bill how are

5581
03:58:32,630 --> 03:58:30,880
you we've been

5582
03:58:34,150 --> 03:58:32,640
we've been eating gumbo over here we

5583
03:58:37,750 --> 03:58:34,160
want to say i can't hear anything with

5584
03:58:41,030 --> 03:58:38,870
what

5585
03:58:44,070 --> 03:58:41,040
aren't you from like arkansas i love you

5586
03:58:45,670 --> 03:58:44,080
all and vote and get out there and vote

5587
03:58:46,950 --> 03:58:45,680
i still have the vote

5588
03:58:49,510 --> 03:58:46,960

myself

5589

03:58:51,670 --> 03:58:49,520

i'm going out and voting

5590

03:58:54,630 --> 03:58:51,680

bill clinton you spoke to me there's our

5591

03:58:57,910 --> 03:58:54,640

drunk irish drunk irish correspondent he

5592

03:59:00,630 --> 03:58:57,920

says joe is feeling i don't know drunk

5593

03:59:02,389 --> 03:59:00,640

he's drunk he's too drunk to be our

5594

03:59:04,790 --> 03:59:02,399

drunk irish

5595

03:59:05,750 --> 03:59:04,800

correspondent

5596

03:59:08,150 --> 03:59:05,760

yeah

5597

03:59:10,389 --> 03:59:08,160

i'm gonna slip outside for a smoke but

5598

03:59:11,990 --> 03:59:10,399

i'm gonna keep sure sure yeah i meant to

5599

03:59:14,150 --> 03:59:12,000

tell everybody you can come and go as

5600

03:59:16,150 --> 03:59:14,160

you please don't feel obligated to stay

5601
03:59:18,229 --> 03:59:16,160
for any length of time or anything like

5602
03:59:20,229 --> 03:59:18,239
what i don't have [h__h] to do

5603
03:59:23,349 --> 03:59:20,239
i'm gonna sit my ass right here in smoke

5604
03:59:27,189 --> 03:59:25,830
this great 12 month old one of these

5605
03:59:28,550 --> 03:59:27,199
days ohio is going to get [h__h]

5606
03:59:29,830 --> 03:59:28,560
legalized marijuana and i'm going to be

5607
03:59:31,349 --> 03:59:29,840
[h__h] sitting on here doing it with

5608
03:59:32,710 --> 03:59:31,359
you hell yeah

5609
03:59:33,670 --> 03:59:32,720
let's do this

5610
03:59:36,790 --> 03:59:33,680
[h__h]

5611
03:59:38,710 --> 03:59:36,800
if don't they have medical in ohio

5612
03:59:40,070 --> 03:59:38,720
yeah but then like if you get medical

5613
03:59:42,070 --> 03:59:40,080

then you basically have to you have to

5614

03:59:43,429 --> 03:59:42,080

give ohio the right to like come into

5615

03:59:45,429 --> 03:59:43,439

your house and like look at your

5616

03:59:47,590 --> 03:59:45,439

firearms and [h__h]

5617

03:59:48,790 --> 03:59:47,600

because as a gun owner in ohio i don't

5618

03:59:50,309 --> 03:59:48,800

really want them [h__h] just coming in

5619

03:59:52,070 --> 03:59:50,319

my house and [h__h] looking at my guns

5620

03:59:53,349 --> 03:59:52,080

not that i care they're registered

5621

03:59:56,229 --> 03:59:53,359

they're not like there's nothing sketchy

5622

03:59:57,510 --> 03:59:56,239

about them but

5623

03:59:59,590 --> 03:59:57,520

i mean

5624

04:00:01,990 --> 03:59:59,600

we have an ailment that requires

5625

04:00:05,269 --> 04:00:02,000

medical marijuana yet

5626

04:00:07,910 --> 04:00:05,279

yeah here we legalized it everywhere so

5627

04:00:09,429 --> 04:00:07,920

i have there's a dispensary like in my

5628

04:00:11,189 --> 04:00:09,439

street here and it's

5629

04:00:12,790 --> 04:00:11,199

but nobody likes the government weed

5630

04:00:15,590 --> 04:00:12,800

because they say it's expensive it

5631

04:00:19,110 --> 04:00:15,600

doesn't really have the same we

5632

04:00:21,030 --> 04:00:19,120

yeah it's legal everywhere now man

5633

04:00:23,110 --> 04:00:21,040

it's the government that's controlling

5634

04:00:25,110 --> 04:00:23,120

the distribution and everything right is

5635

04:00:27,189 --> 04:00:25,120

it yeah uh so health services have to

5636

04:00:28,950 --> 04:00:27,199

make sure that it's you know it's clean

5637

04:00:31,189 --> 04:00:28,960

and all that [h__h] and

5638

04:00:33,590 --> 04:00:31,199

it's amazing angry

5639

04:00:35,510 --> 04:00:33,600

but i don't know i don't i don't like

5640

04:00:36,550 --> 04:00:35,520

them okay like this she lived there

5641

04:00:38,150 --> 04:00:36,560

right

5642

04:00:39,590 --> 04:00:38,160

i don't want he's a problem

5643

04:00:41,349 --> 04:00:39,600

crack magic because he said he lives in

5644

04:00:44,950 --> 04:00:41,359

colorado and they have like they're

5645

04:00:48,229 --> 04:00:46,389

it's crazy because like now you go to

5646

04:00:49,990 --> 04:00:48,239

smoking areas and there's so there's

5647

04:00:52,229 --> 04:00:50,000

people smoking your cigarette and then

5648

04:00:53,269 --> 04:00:52,239

next to them weed and it's like okay

5649

04:00:54,710 --> 04:00:53,279

cool

5650

04:00:56,469 --> 04:00:54,720

meanwhile you go back to mexico and

5651
04:00:57,910 --> 04:00:56,479
there's people like be heading each

5652
04:01:00,630 --> 04:00:57,920
other over who's selling and it's like

5653
04:01:02,870 --> 04:01:00,640
oh [h__h] yeah that's crazy and

5654
04:01:05,269 --> 04:01:02,880
yeah almost like

5655
04:01:09,349 --> 04:01:07,269
about legalizing marijuana because if

5656
04:01:11,830 --> 04:01:09,359
you legalized it and you produced it

5657
04:01:13,990 --> 04:01:11,840
like in america or canada wherever you

5658
04:01:16,710 --> 04:01:14,000
produce it domestically the government

5659
04:01:18,950 --> 04:01:16,720
can tax it you basically put the cartels

5660
04:01:20,790 --> 04:01:18,960
out of business because you control the

5661
04:01:23,269 --> 04:01:20,800
states and the government would control

5662
04:01:24,790 --> 04:01:23,279
the production and the sell the retail

5663
04:01:27,349 --> 04:01:24,800

part of it and then there'd be no need

5664

04:01:28,870 --> 04:01:27,359

for underground marijuana or drug sales

5665

04:01:31,269 --> 04:01:28,880

because no one can go to the [h__h]

5666

04:01:33,590 --> 04:01:31,279

store and buy them and you know what

5667

04:01:35,910 --> 04:01:33,600

happened here too believe it or not like

5668

04:01:38,150 --> 04:01:35,920

and and i i don't have data for this

5669

04:01:40,070 --> 04:01:38,160

right this is just perception not just

5670

04:01:41,830 --> 04:01:40,080

for me from a lot of people

5671

04:01:43,830 --> 04:01:41,840

before it was legalized so even if you

5672

04:01:45,990 --> 04:01:43,840

go back like five years ago you will

5673

04:01:48,630 --> 04:01:46,000

like smell weed everywhere it was like a

5674

04:01:50,150 --> 04:01:48,640

sketchy thing once they legalized it you

5675

04:01:51,750 --> 04:01:50,160

barely smell it anymore no one's

5676

04:01:53,510 --> 04:01:51,760

actually doing it's not like a cool

5677

04:01:55,750 --> 04:01:53,520

thing anymore you know it's like yeah

5678

04:01:57,429 --> 04:01:55,760

whatever we it's right next to [h__h]

5679

04:01:59,910 --> 04:01:57,439

7-eleven who cares

5680

04:02:01,910 --> 04:01:59,920

well i know in my state like the uh the

5681

04:02:05,670 --> 04:02:01,920

price of the medical marijuana

5682

04:02:08,630 --> 04:02:05,680

dispensary is is so slightly higher than

5683

04:02:11,750 --> 04:02:08,640

uh street price that nobody minds nobody

5684

04:02:13,830 --> 04:02:11,760

minds because and and a lot of people

5685

04:02:15,910 --> 04:02:13,840

prefer the dispensary because you know

5686

04:02:19,030 --> 04:02:15,920

exactly what strain you're getting what

5687

04:02:21,429 --> 04:02:19,040

the thc percentage or the cbd percentage

5688

04:02:23,750 --> 04:02:21,439

is you know exactly what you're getting

5689

04:02:24,550 --> 04:02:23,760

you can't trust you know

5690

04:02:26,469 --> 04:02:24,560

even

5691

04:02:27,910 --> 04:02:26,479

a lot of people out there

5692

04:02:29,910 --> 04:02:27,920

right but a lot of people have their

5693

04:02:32,150 --> 04:02:29,920

known street dealers now but the thing

5694

04:02:33,830 --> 04:02:32,160

is though it is decriminalized now to

5695

04:02:36,150 --> 04:02:33,840

the point where the police are not gonna

5696

04:02:39,269 --> 04:02:36,160

[h__h] bother to see if you're smoking

5697

04:02:41,189 --> 04:02:39,279

the legal one or the illegal ones like

5698

04:02:43,590 --> 04:02:41,199

whatever that you're smoking weed in the

5699

04:02:45,670 --> 04:02:43,600

parking lot hey just make sure you keep

5700

04:02:48,309 --> 04:02:45,680

the legal distance right which is the

5701

04:02:49,750 --> 04:02:48,319

same depending on the province the same

5702

04:02:51,510 --> 04:02:49,760

as the distance you have to keep when

5703

04:02:53,269 --> 04:02:51,520

you're smoking a cigarette period it's

5704

04:02:54,469 --> 04:02:53,279

like it's not a big deal this in my

5705

04:02:56,389 --> 04:02:54,479

opinion

5706

04:02:59,110 --> 04:02:56,399

they should do that with every [h__h]

5707

04:03:01,349 --> 04:02:59,120

recreational drug you're an adult if you

5708

04:03:03,269 --> 04:03:01,359

want to get high as [h__h] and kill

5709

04:03:04,550 --> 04:03:03,279

yourself i'm sorry dude but

5710

04:03:06,389 --> 04:03:04,560

it is what it is

5711

04:03:08,950 --> 04:03:06,399

i have a very i have a very i think he

5712

04:03:11,030 --> 04:03:08,960

or magic was saying that in oregon they

5713

04:03:13,030 --> 04:03:11,040

were like gonna decriminalize street

5714

04:03:14,630 --> 04:03:13,040

drugs i have a very libertarian

5715

04:03:17,590 --> 04:03:14,640

viewpoint on that i think they should

5716

04:03:19,590 --> 04:03:17,600

[h__h] legalize all [h__h] drugs and

5717

04:03:22,469 --> 04:03:19,600

if you want everything you want [h__h]

5718

04:03:23,429 --> 04:03:22,479

heroin you know but you know what

5719

04:03:24,790 --> 04:03:23,439

we should be

5720

04:03:27,110 --> 04:03:24,800

we shouldn't be paying to [h__h]

5721

04:03:28,389 --> 04:03:27,120

resuscitate people with narcan and all

5722

04:03:32,870 --> 04:03:28,399

this other [h__h] like if you want to do

5723

04:03:41,670 --> 04:03:35,269

very humanitarian of dana hogan but [h__h]

5724

04:03:45,750 --> 04:03:43,269

philadelphia is because they were going

5725

04:03:48,389 --> 04:03:45,760

to put a safe injection site a little

5726
04:03:50,950 --> 04:03:48,399
less than two miles from my house

5727
04:03:53,990 --> 04:03:50,960
and i'm sorry but safe injection sites

5728
04:03:55,269 --> 04:03:54,000
just create more problems it's nice

5729
04:03:58,070 --> 04:03:55,279
thought like we'll give them a safe

5730
04:04:01,110 --> 04:03:58,080
place to do their heroin or whatever but

5731
04:04:04,550 --> 04:04:01,120
what it does is it brings in hundreds

5732
04:04:06,790 --> 04:04:04,560
and and thousands of junkies will start

5733
04:04:09,269 --> 04:04:06,800
you know squatting in that area stealing

5734
04:04:11,429 --> 04:04:09,279
stuff doing their drugs there you know

5735
04:04:14,389 --> 04:04:11,439
so i don't want to live near it and so

5736
04:04:16,150 --> 04:04:14,399
far uh nobody that i left behind wants

5737
04:04:18,150 --> 04:04:16,160
to live near it it's been it's going to

5738
04:04:21,030 --> 04:04:18,160

be a disaster for them

5739

04:04:22,870 --> 04:04:21,040

you know it already is a disaster

5740

04:04:25,910 --> 04:04:22,880

yeah whoa

5741

04:04:29,830 --> 04:04:25,920

welcome back robin she's back yeah

5742

04:04:31,990 --> 04:04:29,840

aloha back from the map

5743

04:04:35,510 --> 04:04:32,000

i don't i don't agree with the oh

5744

04:04:37,830 --> 04:04:35,520

no she's back no go ahead michael what

5745

04:04:39,910 --> 04:04:37,840

just to finish off the conversation uh i

5746

04:04:42,950 --> 04:04:39,920

want to give a chance uh robin a chance

5747

04:04:45,590 --> 04:04:42,960

because she's been gone for a while um

5748

04:04:47,910 --> 04:04:45,600

i don't agree with my look

5749

04:04:49,590 --> 04:04:47,920

again experience my mother you know she

5750

04:04:51,030 --> 04:04:49,600

did she was a [h__h] you know lawyer

5751
04:04:51,830 --> 04:04:51,040
for hate dixon brown and bone steel over

5752
04:04:55,030 --> 04:04:51,840
here

5753
04:04:57,429 --> 04:04:55,040
in santa monica when i was 11 and

5754
04:04:58,950 --> 04:04:57,439
you know due to cocaine usage and all

5755
04:05:00,229 --> 04:04:58,960
the stress of whatever she was going

5756
04:05:01,429 --> 04:05:00,239
through she blew her mind she became

5757
04:05:04,309 --> 04:05:01,439
paranoid

5758
04:05:05,590 --> 04:05:04,319
so no i and then from then on

5759
04:05:07,189 --> 04:05:05,600
you know she was a

5760
04:05:08,710 --> 04:05:07,199
i hate to say it but she's she was

5761
04:05:10,389 --> 04:05:08,720
hooking herself she was doing drugs she

5762
04:05:13,030 --> 04:05:10,399
was running away she ended up in

5763
04:05:14,870 --> 04:05:13,040

washington somehow i ended up a ward of

5764

04:05:16,550 --> 04:05:14,880

the state uh i'm not going to talk about

5765

04:05:17,510 --> 04:05:16,560

myself i'm talking about my mother

5766

04:05:24,229 --> 04:05:17,520

she

5767

04:05:25,830 --> 04:05:24,239

institution in arizona and the last time

5768

04:05:27,110 --> 04:05:25,840

i spoke with her was about nine years

5769

04:05:29,910 --> 04:05:27,120

ago

5770

04:05:31,670 --> 04:05:29,920

so no i'm not no i don't advocate just

5771

04:05:33,670 --> 04:05:31,680

letting people just do what they got to

5772

04:05:36,229 --> 04:05:33,680

do to get high or whatever unless it's

5773

04:05:37,830 --> 04:05:36,239

under some kind of controlled condition

5774

04:05:40,870 --> 04:05:37,840

i mean it's just it can't it can't be

5775

04:05:42,870 --> 04:05:40,880

that way you can't you can't just

5776

04:05:44,550 --> 04:05:42,880

you can't just [\h__\h]

5777

04:05:46,469 --> 04:05:44,560

see life

5778

04:05:48,150 --> 04:05:46,479

like that a person's life like that you

5779

04:05:50,229 --> 04:05:48,160

can't just [\h__\h] just give up hope on

5780

04:05:52,950 --> 04:05:50,239

a person's life because somebody michael

5781

04:05:55,269 --> 04:05:52,960

that person got that person was dro

5782

04:05:57,269 --> 04:05:55,279

drove to that drug bro seriously i

5783

04:05:59,269 --> 04:05:57,279

[\h__\h] do we because i'm [\h__\h] i i'm

5784

04:06:00,309 --> 04:05:59,279

out of my mind i have you know i'm i'm

5785

04:06:02,150 --> 04:06:00,319

worried about

5786

04:06:03,030 --> 04:06:02,160

becoming paranoid schizophrenic because

5787

04:06:05,590 --> 04:06:03,040

of

5788

04:06:07,349 --> 04:06:05,600

it might be you know runs in the family

5789

04:06:08,790 --> 04:06:07,359

but you cannot you can't give up on

5790

04:06:10,389 --> 04:06:08,800

people like that man

5791

04:06:11,990 --> 04:06:10,399

but michael

5792

04:06:13,830 --> 04:06:12,000

let me let me i've been quiet all night

5793

04:06:15,910 --> 04:06:13,840

may i finish i've been really quiet

5794

04:06:17,990 --> 04:06:15,920

about this whole thing all night and i

5795

04:06:19,110 --> 04:06:18,000

i've watched you guys talk and talking

5796

04:06:20,229 --> 04:06:19,120

talking something

5797

04:06:22,790 --> 04:06:20,239

the one thing

5798

04:06:24,870 --> 04:06:22,800

i i just can't find

5799

04:06:26,870 --> 04:06:24,880

where the [h__h] is the humanity like

5800

04:06:28,389 --> 04:06:26,880

seriously

5801
04:06:30,309 --> 04:06:28,399
you guys know what i want to do i want

5802
04:06:31,510 --> 04:06:30,319
to i want to build i want the city of

5803
04:06:32,550 --> 04:06:31,520
los angeles to give me a goddamn

5804
04:06:33,990 --> 04:06:32,560
building so i can build it with these

5805
04:06:36,229 --> 04:06:34,000
two [h__h] hands because i know how to

5806
04:06:37,590 --> 04:06:36,239
do it utilize my skills so i can help

5807
04:06:38,790 --> 04:06:37,600
these people that are in [h__h] tents

5808
04:06:40,630 --> 04:06:38,800
up the street

5809
04:06:42,710 --> 04:06:40,640
from me three [h__h] blocks from me

5810
04:06:47,189 --> 04:06:42,720
there's families bro come on man we've

5811
04:06:50,229 --> 04:06:48,790
this is this is exactly why

5812
04:06:51,670 --> 04:06:50,239
extraterrestrials are looking down at us

5813
04:06:53,349 --> 04:06:51,680

going [h__h] that lock the windows let's

5814

04:06:55,429 --> 04:06:53,359

get the [h__h] out of here we're the

5815

04:06:57,110 --> 04:06:55,439

content of this goddamn universe excuse

5816

04:06:58,790 --> 04:06:57,120

me black people i've been through

5817

04:07:00,790 --> 04:06:58,800

compton i've never been touched but god

5818

04:07:03,269 --> 04:07:00,800

damn it i've seen the

5819

04:07:06,389 --> 04:07:03,279

atrocities in the hood and i've seen

5820

04:07:09,670 --> 04:07:08,309

you have to have some type of humanity

5821

04:07:10,389 --> 04:07:09,680

you know what i'm saying no one no one

5822

04:07:12,710 --> 04:07:10,399

is

5823

04:07:14,710 --> 04:07:12,720

drugs are good you can't

5824

04:07:16,630 --> 04:07:14,720

be like just because it'll be fine you

5825

04:07:18,150 --> 04:07:16,640

know getting out of business i get it

5826
04:07:19,910 --> 04:07:18,160
but if you're going to go ahead you have

5827
04:07:21,510 --> 04:07:19,920
to have a solid plan you can't just go

5828
04:07:22,550 --> 04:07:21,520
[h__\h] it all the goddamn drugs are

5829
04:07:24,710 --> 04:07:22,560
illegal

5830
04:07:26,389 --> 04:07:24,720
you have to have a plan well we should

5831
04:07:28,550 --> 04:07:26,399
no but michael

5832
04:07:30,950 --> 04:07:28,560
do you know about paraguay paraguay

5833
04:07:32,710 --> 04:07:30,960
famously decriminalize drugs their

5834
04:07:35,030 --> 04:07:32,720
overdoses are down

5835
04:07:37,990 --> 04:07:35,040
by an insane margin

5836
04:07:41,110 --> 04:07:38,000
like their their public help is down by

5837
04:07:42,229 --> 04:07:41,120
or is up an insane margin like that's

5838
04:07:44,389 --> 04:07:42,239

what we're talking we're not saying

5839

04:07:46,710 --> 04:07:44,399

drugs are good but we're saying instead

5840

04:07:49,189 --> 04:07:46,720

of criminalizing people with oh

5841

04:07:51,670 --> 04:07:49,199

literally they need to help

5842

04:07:53,269 --> 04:07:51,680

yeah i absolutely agree brother i i

5843

04:07:54,710 --> 04:07:53,279

agree with that but when you have

5844

04:07:57,349 --> 04:07:54,720

michael when you guys are just jailing

5845

04:07:59,269 --> 04:07:57,359

these people and just like my my

5846

04:08:00,870 --> 04:07:59,279

my mother's been to jail for just dude

5847

04:08:02,309 --> 04:08:00,880

she went to jail for trying to in

5848

04:08:04,389 --> 04:08:02,319

washington for trying to hold up a

5849

04:08:06,070 --> 04:08:04,399

denny's with a butter knife bro

5850

04:08:08,309 --> 04:08:06,080

they [h__\h] ice

5851
04:08:10,870 --> 04:08:08,319
they man handled her they threw her in

5852
04:08:12,950 --> 04:08:10,880
the back of it she's [\h__\h] insane who

5853
04:08:15,269 --> 04:08:12,960
[\h__\h] does that who robs a goddamn

5854
04:08:17,189 --> 04:08:15,279
denny's with a butter knife a woman for

5855
04:08:19,990 --> 04:08:17,199
christ's sake it was clearly out of her

5856
04:08:22,150 --> 04:08:20,000
mind right and so what they're saying

5857
04:08:24,710 --> 04:08:22,160
now is that if you were caught with

5858
04:08:26,469 --> 04:08:24,720
those drugs in oregon and computer joe

5859
04:08:28,710 --> 04:08:26,479
put basically

5860
04:08:30,309 --> 04:08:28,720
the emphasis of what i was talking about

5861
04:08:33,830 --> 04:08:30,319
in oregon computer joe do you want to

5862
04:08:37,510 --> 04:08:36,229
so yeah computer joe posts it in the

5863
04:08:39,429 --> 04:08:37,520

chat

5864

04:08:43,189 --> 04:08:39,439

so please in stream

5865

04:08:47,670 --> 04:08:46,309

computer joe anyways should i take it

5866

04:08:49,590 --> 04:08:47,680

you got it

5867

04:08:52,469 --> 04:08:49,600

can you talk about this no no he said go

5868

04:08:54,790 --> 04:08:52,479

ahead okay so in salem oregon in what

5869

04:08:57,429 --> 04:08:54,800

would be the first in the u.s possession

5870

04:08:59,110 --> 04:08:57,439

of small amounts of heroin cocaine lsd

5871

04:09:01,110 --> 04:08:59,120

and other hard drugs could be

5872

04:09:03,510 --> 04:09:01,120

decriminalized in oregon oh thank you

5873

04:09:04,710 --> 04:09:03,520

under a ballot measure that voters are

5874

04:09:07,110 --> 04:09:04,720

deciding on

5875

04:09:09,110 --> 04:09:07,120

uh and i'm pretty sure it passed

5876

04:09:10,150 --> 04:09:09,120

uh i think you said it man

5877

04:09:12,710 --> 04:09:10,160

yeah yeah

5878

04:09:14,710 --> 04:09:12,720

i i saw a report that said it did is one

5879

04:09:16,950 --> 04:09:14,720

of the most watched blah blah blah so

5880

04:09:18,710 --> 04:09:16,960

basically it's that you're not throwing

5881

04:09:20,950 --> 04:09:18,720

your life away

5882

04:09:22,630 --> 04:09:20,960

by getting caught

5883

04:09:25,030 --> 04:09:22,640

with these drugs with these minuscule

5884

04:09:26,309 --> 04:09:25,040

amounts of drugs there needs to be more

5885

04:09:28,469 --> 04:09:26,319

of a

5886

04:09:30,389 --> 04:09:28,479

uh social help

5887

04:09:33,750 --> 04:09:30,399

absolutely i agree and you can't

5888

04:09:35,110 --> 04:09:33,760

criminalize people for a sickness

5889

04:09:36,630 --> 04:09:35,120

no but i think

5890

04:09:37,670 --> 04:09:36,640

i guess maybe the maybe the point i was

5891

04:09:39,349 --> 04:09:37,680

trying to make and i wasn't trying to

5892

04:09:40,630 --> 04:09:39,359

come off as like insensitive to the

5893

04:09:42,870 --> 04:09:40,640

issue michael i don't want you to think

5894

04:09:45,189 --> 04:09:42,880

that i like don't i don't care but i

5895

04:09:48,309 --> 04:09:45,199

think like what it comes down to is

5896

04:09:49,750 --> 04:09:48,319

like how how much time like you know

5897

04:09:51,030 --> 04:09:49,760

obviously you want to try to save as

5898

04:09:52,790 --> 04:09:51,040

many people as you can right you want to

5899

04:09:54,870 --> 04:09:52,800

save everybody if you could but

5900

04:09:57,269 --> 04:09:54,880

ultimately some people are going to

5901

04:09:59,189 --> 04:09:57,279

choose to continue to make the same

5902

04:10:01,510 --> 04:09:59,199

wrong [h__h] decision

5903

04:10:03,750 --> 04:10:01,520

but now absolutely how do you how do you

5904

04:10:05,750 --> 04:10:03,760

validate or how do you decide like okay

5905

04:10:10,790 --> 04:10:05,760

like

5906

04:10:12,150 --> 04:10:10,800

put resources into this person we need

5907

04:10:14,070 --> 04:10:12,160

to try to save this person over here

5908

04:10:15,269 --> 04:10:14,080

because we haven't helped them 87 times

5909

04:10:17,349 --> 04:10:15,279

like i guess that's what i was trying to

5910

04:10:19,670 --> 04:10:17,359

say like where you know and i will say i

5911

04:10:21,750 --> 04:10:19,680

lived in oregon for many years i've had

5912

04:10:24,150 --> 04:10:21,760

a drug pass

5913

04:10:25,429 --> 04:10:24,160

i've had mental health issues oregon has

5914

04:10:28,469 --> 04:10:25,439

always been

5915

04:10:31,030 --> 04:10:28,479

brilliant with rehabilitation with

5916

04:10:34,070 --> 04:10:31,040

social services that help you get on

5917

04:10:37,269 --> 04:10:34,080

your way so now not locking people up

5918

04:10:40,229 --> 04:10:37,279

for possession of a gram of cocaine for

5919

04:10:42,229 --> 04:10:40,239

how many years like now there's a real

5920

04:10:45,030 --> 04:10:42,239

outlet for help

5921

04:10:46,309 --> 04:10:45,040

yeah into trying to you know redirect

5922

04:10:48,309 --> 04:10:46,319

them into

5923

04:10:50,630 --> 04:10:48,319

you know what they need

5924

04:10:53,030 --> 04:10:50,640

so well michael and i was gonna say look

5925

04:10:55,429 --> 04:10:53,040

uh i know people that fallen

5926

04:10:58,389 --> 04:10:55,439

victims of drug abuse too but i always

5927

04:10:59,750 --> 04:10:58,399

see it this way what is it because

5928

04:11:01,590 --> 04:10:59,760

when you get to a certain point of your

5929

04:11:03,269 --> 04:11:01,600

life you're curious right so your

5930

04:11:04,870 --> 04:11:03,279

friends are doing they're doing drugs

5931

04:11:06,070 --> 04:11:04,880

they're drinking they're having sex

5932

04:11:07,830 --> 04:11:06,080

they're doing this they're doing that

5933

04:11:09,429 --> 04:11:07,840

they're watching porn and then you start

5934

04:11:11,110 --> 04:11:09,439

going into that veering into that

5935

04:11:12,950 --> 04:11:11,120

direction you're like okay well i want

5936

04:11:15,110 --> 04:11:12,960

to try this but what if instead of

5937

04:11:17,030 --> 04:11:15,120

trying some super sketchy from some

5938

04:11:18,550 --> 04:11:17,040

unknown drug dealer which is you don't

5939

04:11:20,950 --> 04:11:18,560

even know what that pill or whatever is

5940

04:11:22,790 --> 04:11:20,960

being cut with what if you could go to a

5941

04:11:25,910 --> 04:11:22,800

control place where they're gonna give

5942

04:11:27,590 --> 04:11:25,920

you just that substance and a minimum

5943

04:11:29,670 --> 04:11:27,600

amount and then you're taking that

5944

04:11:31,510 --> 04:11:29,680

you're not dying or whatever and then

5945

04:11:33,429 --> 04:11:31,520

there's gonna be help for you if if

5946

04:11:35,670 --> 04:11:33,439

there are adverse effects why because

5947

04:11:37,429 --> 04:11:35,680

you by buying this i don't know whatever

5948

04:11:39,590 --> 04:11:37,439

you want to call if you buy this ecstasy

5949

04:11:41,269 --> 04:11:39,600

still that is legalized or you buy i

5950

04:11:44,229 --> 04:11:41,279

don't know a line of cocaine from the

5951

04:11:46,630 --> 04:11:44,239

dispensary right but it controls then

5952

04:11:49,110 --> 04:11:46,640

you're paying taxes those taxes are also

5953

04:11:51,269 --> 04:11:49,120

contributing to the management of of the

5954

04:11:53,030 --> 04:11:51,279

consequence just like with alcohol right

5955

04:11:54,229 --> 04:11:53,040

the alcohol industry once it became

5956

04:11:55,830 --> 04:11:54,239

legalized

5957

04:11:58,469 --> 04:11:55,840

people were not doing like sketchy

5958

04:12:10,630 --> 04:11:58,479

freaking moonshine from like their farm

5959

04:12:14,070 --> 04:12:12,150

oh sorry i'm not saying give up on

5960

04:12:15,590 --> 04:12:14,080

people but the truth is there's people

5961

04:12:17,750 --> 04:12:15,600

there that

5962

04:12:19,590 --> 04:12:17,760

already gave up on the idea that hey you

5963

04:12:21,349 --> 04:12:19,600

know what i don't need drugs no they

5964

04:12:24,150 --> 04:12:21,359

like it and you know what

5965

04:12:25,910 --> 04:12:24,160

they didn't say that about any family

5966

04:12:27,830 --> 04:12:25,920

exactly

5967

04:12:30,229 --> 04:12:27,840

same thing right but isn't it better if

5968

04:12:31,990 --> 04:12:30,239

you at least not only that but so in

5969

04:12:33,990 --> 04:12:32,000

germany they started doing these things

5970

04:12:36,550 --> 04:12:34,000

where they they have posters and

5971

04:12:38,630 --> 04:12:36,560

advertisements for chill for children

5972

04:12:40,469 --> 04:12:38,640

for teenagers which is like hey instead

5973

04:12:42,070 --> 04:12:40,479

of saying oh don't do drugs because you

5974

04:12:43,269 --> 04:12:42,080

don't want to uh you don't want to look

5975

04:12:44,630 --> 04:12:43,279

like the sketchy guy in your

5976

04:12:46,790 --> 04:12:44,640

neighborhood they're actually doing

5977

04:12:49,429 --> 04:12:46,800

thumbnails which is like hey if your

5978

04:12:51,670 --> 04:12:49,439

friend overdoses from this this is what

5979

04:12:53,110 --> 04:12:51,680

you do and then like take care of each

5980

04:12:55,110 --> 04:12:53,120

other and then in the commercial you

5981

04:12:57,110 --> 04:12:55,120

actually see a teenager

5982

04:12:59,510 --> 04:12:57,120

actually helping his buddy go through

5983

04:13:01,269 --> 04:12:59,520

the the whole withdrawal effect and then

5984

04:13:03,590 --> 04:13:01,279

who to call and stuff and i feel like

5985

04:13:06,149 --> 04:13:03,600

that's more useful than saying don't do

5986

04:13:07,990 --> 04:13:06,159

drugs only bad kids do drugs well we

5987

04:13:09,189 --> 04:13:08,000

already we are we in in america we've

5988

04:13:11,910 --> 04:13:09,199

already went through that with nancy

5989

04:13:14,070 --> 04:13:11,920

reagan's whole war on drugs that oh yeah

5990

04:13:16,550 --> 04:13:14,080

i was just going to bring that up yeah

5991

04:13:18,550 --> 04:13:16,560

so i mean it doesn't leak

5992

04:13:20,550 --> 04:13:18,560

disaster i absolutely

5993

04:13:21,510 --> 04:13:20,560

led to a lot of arrests of minorities

5994

04:13:23,429 --> 04:13:21,520

and whatnot

5995

04:13:25,269 --> 04:13:23,439

including myself

5996

04:13:27,189 --> 04:13:25,279

i'm withholding i feel

5997

04:13:29,910 --> 04:13:27,199

that's a better alternative than just

5998

04:13:31,910 --> 04:13:29,920

trying to pretend that drugs are

5999

04:13:34,309 --> 04:13:31,920

suddenly people are gonna be like no

6000

04:13:37,030 --> 04:13:34,319

drugs are bad no more and as much as you

6001
04:13:39,110 --> 04:13:37,040
guys just explained all of this to me

6002
04:13:40,790 --> 04:13:39,120
it's awesome because this is the plan

6003
04:13:42,630 --> 04:13:40,800
that i was speaking of you have to have

6004
04:13:44,950 --> 04:13:42,640
some sort of plan you can't just go oh

6005
04:13:48,950 --> 04:13:44,960
willy-nilly like go ahead no don't

6006
04:13:52,550 --> 04:13:50,550
there has to be a plan

6007
04:13:55,189 --> 04:13:52,560
addiction is an illness we need to stop

6008
04:13:57,269 --> 04:13:55,199
ostracizing it like it's just pure

6009
04:13:59,110 --> 04:13:57,279
criminal activity

6010
04:14:00,710 --> 04:13:59,120
and like this is the way to do it you

6011
04:14:03,510 --> 04:14:00,720
know i get that but you know there's

6012
04:14:04,790 --> 04:14:03,520
going to be a lot of caveats to this of

6013
04:14:07,349 --> 04:14:04,800

course there's going to be a lot of

6014

04:14:10,790 --> 04:14:07,359

caveats you know but like do you really

6015

04:14:13,110 --> 04:14:10,800

need for for the person getting caught

6016

04:14:16,070 --> 04:14:13,120

you know with a gram of coke or whatever

6017

04:14:18,229 --> 04:14:16,080

they're doing trying to score and being

6018

04:14:20,309 --> 04:14:18,239

uh you know demonized and put through

6019

04:14:22,149 --> 04:14:20,319

the system as somebody that has been

6020

04:14:24,870 --> 04:14:22,159

selling it those are two different

6021

04:14:27,189 --> 04:14:24,880

things unable to apply for a job after

6022

04:14:30,550 --> 04:14:27,199

all these things right like i mean calm

6023

04:14:32,870 --> 04:14:30,560

down like who who everyone's done drugs

6024

04:14:34,950 --> 04:14:32,880

for the most part

6025

04:14:36,870 --> 04:14:34,960

real clean well me neither but i'm

6026

04:14:38,389 --> 04:14:36,880

saying in general right like

6027

04:14:40,469 --> 04:14:38,399

like really do you really feel like

6028

04:14:42,710 --> 04:14:40,479

someone who was caught with like five

6029

04:14:44,950 --> 04:14:42,720

grams of whatever deserves to be right

6030

04:14:46,630 --> 04:14:44,960

next to uh serial killer of course

6031

04:14:47,990 --> 04:14:46,640

absolutely not absolutely not i mean

6032

04:14:50,469 --> 04:14:48,000

that's what happened you guys know about

6033

04:14:52,229 --> 04:14:50,479

the 13th floor elevators

6034

04:14:55,510 --> 04:14:52,239

and rocky erickson

6035

04:14:57,990 --> 04:14:55,520

he went to a mental asylum because he

6036

04:14:59,110 --> 04:14:58,000

got caught with a joint in texas in the

6037

04:15:02,630 --> 04:14:59,120

60s

6038

04:15:04,630 --> 04:15:02,640

big 60 psych man he was in bands with

6039

04:15:07,189 --> 04:15:04,640

rapists and serial murderers and

6040

04:15:09,429 --> 04:15:07,199

everything and it screwed him for the

6041

04:15:12,149 --> 04:15:09,439

rest of his life it like it just and

6042

04:15:14,309 --> 04:15:12,159

like i'm using that as one example right

6043

04:15:16,469 --> 04:15:14,319

you know but like yeah

6044

04:15:18,870 --> 04:15:16,479

that's what i think is stream right but

6045

04:15:20,229 --> 04:15:18,880

to kind of you know just that idea that

6046

04:15:22,389 --> 04:15:20,239

we're grouping

6047

04:15:24,389 --> 04:15:22,399

these people i mean it's still like why

6048

04:15:25,269 --> 04:15:24,399

haven't they loosened

6049

04:15:27,349 --> 04:15:25,279

um

6050

04:15:29,590 --> 04:15:27,359

you know the sentences for people caught

6051
04:15:30,790 --> 04:15:29,600
with marijuana right

6052
04:15:33,030 --> 04:15:30,800
you know

6053
04:15:35,830 --> 04:15:33,040
that's ridiculous to me

6054
04:15:37,510 --> 04:15:35,840
you know i'd rather you know i'd rather

6055
04:15:40,550 --> 04:15:37,520
people smoke marijuana than drink

6056
04:15:42,870 --> 04:15:40,560
alcohol oh sure real quick i i'm very

6057
04:15:43,910 --> 04:15:42,880
passionate about my beliefs and whatnot

6058
04:15:49,910 --> 04:15:43,920
i

6059
04:15:52,469 --> 04:15:49,920
no never

6060
04:15:54,550 --> 04:15:52,479
i loved it michael yeah it was great it

6061
04:15:57,510 --> 04:15:54,560
really inspired something in me because

6062
04:15:59,910 --> 04:15:57,520
i do i take this very passionately too

6063
04:16:02,550 --> 04:15:59,920

and it's hard like unfortunately we need

6064

04:16:04,469 --> 04:16:02,560

social services not to condemn but to

6065

04:16:06,550 --> 04:16:04,479

rejuvenate

6066

04:16:09,429 --> 04:16:06,560

yeah at the very least

6067

04:16:10,710 --> 04:16:09,439

not make it worse right agreed agreed

6068

04:16:13,110 --> 04:16:10,720

well yeah

6069

04:16:14,710 --> 04:16:13,120

system is not set up for rehabilitation

6070

04:16:17,269 --> 04:16:14,720

right now no

6071

04:16:19,510 --> 04:16:17,279

prison system it's not for drug reform

6072

04:16:21,750 --> 04:16:19,520

it's not set up to try to help people

6073

04:16:23,830 --> 04:16:21,760

it's just more like passing the buck on

6074

04:16:25,830 --> 04:16:23,840

somebody else well what happens when you

6075

04:16:27,750 --> 04:16:25,840

don't pay your taxes right

6076

04:16:32,630 --> 04:16:27,760

you get punished to

6077

04:16:37,349 --> 04:16:35,189

yeah who were who were distributing all

6078

04:16:39,429 --> 04:16:37,359

the cocaine in america i mean that's the

6079

04:16:40,870 --> 04:16:39,439

i mean robin would remember to bring her

6080

04:16:42,070 --> 04:16:40,880

back in the conversation here is robin

6081

04:16:45,750 --> 04:16:42,080

what would you remember i mean people

6082

04:16:47,110 --> 04:16:45,760

would people were able to buy homes on a

6083

04:16:49,030 --> 04:16:47,120

big tellers

6084

04:16:50,469 --> 04:16:49,040

paycheck what happened to that

6085

04:16:52,149 --> 04:16:50,479

if you watch what happens to the tax

6086

04:16:54,309 --> 04:16:52,159

bracket over the last 60 years since

6087

04:16:57,269 --> 04:16:54,319

like the 50s you'll see that that the

6088

04:16:58,469 --> 04:16:57,279

top one percent is steadily coming down

6089

04:17:00,630 --> 04:16:58,479

suddenly coming down and now it's

6090

04:17:02,790 --> 04:17:00,640

actually below what we pay right now i

6091

04:17:04,790 --> 04:17:02,800

mean that it's the legion of the middle

6092

04:17:06,950 --> 04:17:04,800

class like yeah

6093

04:17:07,830 --> 04:17:06,960

you know trump's whole thing absolutely

6094

04:17:11,030 --> 04:17:07,840

like

6095

04:17:13,269 --> 04:17:11,040

people you know flowing for you know the

6096

04:17:15,750 --> 04:17:13,279

working class and everything he's not

6097

04:17:19,030 --> 04:17:15,760

working for you he doesn't give a [h__h]

6098

04:17:22,710 --> 04:17:19,040

he's cutting taxes for brackets far

6099

04:17:24,630 --> 04:17:22,720

above than most of us will ever get into

6100

04:17:27,830 --> 04:17:24,640

you know you are giving him [h__h] you

6101

04:17:30,149 --> 04:17:27,840

money in the words of the cambian guy

6102

04:17:32,070 --> 04:17:30,159

i'm getting the worst of the camping guy

6103

04:17:33,990 --> 04:17:32,080

the camden guy doesn't know he's muted

6104

04:17:35,910 --> 04:17:34,000

by the way yeah

6105

04:17:37,510 --> 04:17:35,920

look at him look at this

6106

04:17:39,110 --> 04:17:37,520

beautiful see that would have been the

6107

04:17:40,389 --> 04:17:39,120

greatest time for you not to have those

6108

04:17:42,630 --> 04:17:40,399

[h__h] glasses on because that would

6109

04:17:44,389 --> 04:17:42,640

have been awesome what

6110

04:17:48,229 --> 04:17:44,399

would be awesome

6111

04:17:51,510 --> 04:17:48,239

yeah trampoline guy can't be inside uh

6112

04:17:53,429 --> 04:17:51,520

god this is even your show and i'm sorry

6113

04:17:54,550 --> 04:17:53,439

i'm sorry hold on hold on he was dirty

6114

04:17:58,070 --> 04:17:54,560

talking

6115

04:18:00,389 --> 04:17:58,080

i just wanted to mention uh donald trump

6116

04:18:04,229 --> 04:18:00,399

donald trump has just tweeted i will be

6117

04:18:19,670 --> 04:18:04,239

making a statement tonight a big win

6118

04:18:23,750 --> 04:18:22,469

like incarnate his whole thing was like

6119

04:18:25,510 --> 04:18:23,760

dream rich

6120

04:18:27,269 --> 04:18:25,520

you know yeah [h__h]

6121

04:18:28,870 --> 04:18:27,279

like he that's what he's getting rich

6122

04:18:30,630 --> 04:18:28,880

again

6123

04:18:37,910 --> 04:18:30,640

puts it in the public sphere like he's

6124

04:18:41,269 --> 04:18:40,149

there's a huge police presence in

6125

04:18:43,510 --> 04:18:41,279

looks like

6126

04:18:45,750 --> 04:18:43,520

i'm trying to see the streets

6127

04:18:48,469 --> 04:18:45,760

i just saw that uh there's three there's

6128

04:18:50,309 --> 04:18:48,479

three betting firms in the uk that have

6129

04:18:52,710 --> 04:18:50,319

just changed their odds to trump having

6130

04:18:53,750 --> 04:18:52,720

a 75 percent chance of winning the

6131

04:18:59,110 --> 04:18:53,760

election

6132

04:19:03,189 --> 04:19:01,030

anybody else got anything such a rare

6133

04:19:05,269 --> 04:19:03,199

version that a sitting president doesn't

6134

04:19:07,910 --> 04:19:05,279

win a second term so i'll tell you what

6135

04:19:09,910 --> 04:19:07,920

if trump wins if trump wins this every

6136

04:19:12,630 --> 04:19:09,920

pollster in america needs to be [h__h]

6137

04:19:21,189 --> 04:19:12,640

fired because absolutely

6138

04:19:24,309 --> 04:19:22,630

yeah some people were ignoring phone

6139

04:19:27,110 --> 04:19:24,319

calls and there's a lot of people that

6140

04:19:30,389 --> 04:19:27,120

were not who the [h__h] has a landline

6141

04:19:32,149 --> 04:19:30,399

anymore i know but why are then if

6142

04:19:34,309 --> 04:19:32,159

how can you how can you really put out a

6143

04:19:36,870 --> 04:19:34,319

serious poll if like all of these

6144

04:19:39,189 --> 04:19:36,880

[h__h] like yeah that's yeah

6145

04:19:41,510 --> 04:19:39,199

they're predictive hey i'm not gonna lie

6146

04:19:43,030 --> 04:19:41,520

i [h__h] hang up on the damn posters

6147

04:19:45,349 --> 04:19:43,040

i'm not gonna lie i've gotten i don't

6148

04:19:47,349 --> 04:19:45,359

know about you guys but i've gotten zero

6149

04:19:50,070 --> 04:19:47,359

i heard all my friends have gotten like

6150

04:19:51,830 --> 04:19:50,080

800 text messages in the last month

6151
04:19:53,590 --> 04:19:51,840
about like are you voting for biden blah

6152
04:19:55,510 --> 04:19:53,600
blah or voting for trump i've gotten

6153
04:19:57,030 --> 04:19:55,520
zero text messages and if i've gotten

6154
04:20:02,630 --> 04:19:57,040
any phone calls they haven't left me any

6155
04:20:02,640 --> 04:20:05,990
for the second time

6156
04:20:09,990 --> 04:20:08,070
so i didn't get it okay all right

6157
04:20:12,229 --> 04:20:10,000
everybody say goodnight to computer joe

6158
04:20:15,189 --> 04:20:12,239
thanks computer joe everybody computer

6159
04:20:17,830 --> 04:20:16,550
out of here

6160
04:20:24,550 --> 04:20:17,840
nice to be able to actually talk to you

6161
04:20:28,790 --> 04:20:26,630
computer joe signing off

6162
04:20:32,070 --> 04:20:28,800
log off computer joe

6163
04:20:34,710 --> 04:20:32,080

rest will ready yeah oh bbs talk oh my

6164

04:20:38,550 --> 04:20:34,720

god thank goodness he's gone

6165

04:20:41,670 --> 04:20:39,830

be nice robin or we're going to bring

6166

04:20:42,389 --> 04:20:41,680

[h__h] drunken irish correspondents

6167

04:20:46,790 --> 04:20:42,399

yeah

6168

04:20:48,469 --> 04:20:46,800

the least of our worries oh i promise

6169

04:20:50,229 --> 04:20:48,479

you i'll be good from now on yeah i'm

6170

04:20:52,389 --> 04:20:50,239

sorry i didn't know really how to handle

6171

04:20:54,550 --> 04:20:52,399

that i was like geez i gotta get he's

6172

04:20:55,590 --> 04:20:54,560

got to be or he's got i was trying to be

6173

04:20:57,590 --> 04:20:55,600

very very

6174

04:20:59,189 --> 04:20:57,600

civil about it brother seriously i i

6175

04:21:01,830 --> 04:20:59,199

mean i yeah well we're going to have new

6176
04:21:03,990 --> 04:21:01,840
rules that if you're if you're 15 shots

6177
04:21:06,389 --> 04:21:04,000
into the wind and really drunk and

6178
04:21:08,149 --> 04:21:06,399
belligerent you go yeah after the third

6179
04:21:10,229 --> 04:21:08,159
time he interrupted her i was like i'm

6180
04:21:11,990 --> 04:21:10,239
done i can't yeah i'm sorry well you

6181
04:21:13,510 --> 04:21:12,000
know

6182
04:21:15,189 --> 04:21:13,520
for some reason

6183
04:21:16,550 --> 04:21:15,199
i don't know this crowd we've been very

6184
04:21:19,269 --> 04:21:16,560
good at like

6185
04:21:27,349 --> 04:21:22,550
yeah

6186
04:21:29,590 --> 04:21:27,359
around a lot of drunks in my lifetime

6187
04:21:32,469 --> 04:21:29,600
many many drunks i have never

6188
04:21:35,750 --> 04:21:32,479

encountered one who when they got drunk

6189

04:21:38,389 --> 04:21:35,760

glommed on to an old lady like slime on

6190

04:21:41,590 --> 04:21:38,399

a snail i could not

6191

04:21:44,229 --> 04:21:41,600

he was just going for me what was up

6192

04:21:46,710 --> 04:21:44,239

with that you wanted a piece of angel

6193

04:21:49,750 --> 04:21:46,720

that's what he wanted

6194

04:21:51,830 --> 04:21:49,760

h is just a number robin that's right

6195

04:21:53,670 --> 04:21:51,840

oh yeah don't give me that those

6196

04:21:56,149 --> 04:21:53,680

platitude

6197

04:21:58,389 --> 04:21:56,159

things that's a bunch of horse crap i

6198

04:22:03,189 --> 04:21:58,399

don't know why

6199

04:22:05,750 --> 04:22:03,199

the drunk guy uh zeroed in on me

6200

04:22:08,389 --> 04:22:05,760

it was fun though i gotta say it was fun

6201

04:22:10,790 --> 04:22:08,399

because i was very safe here with

6202

04:22:13,670 --> 04:22:10,800

all of the rest of you so

6203

04:22:18,309 --> 04:22:15,429

you know what we're gonna be up all

6204

04:22:21,030 --> 04:22:18,319

night with this election thing so that

6205

04:22:22,070 --> 04:22:21,040

was um a fun time for me i got to tell

6206

04:22:23,349 --> 04:22:22,080

you

6207

04:22:24,870 --> 04:22:23,359

let's go back to the let's go back to

6208

04:22:26,149 --> 04:22:24,880

the drug thing because i was thinking

6209

04:22:27,189 --> 04:22:26,159

about something that i read the other

6210

04:22:28,870 --> 04:22:27,199

day

6211

04:22:37,189 --> 04:22:28,880

just no it's been bad i think i was

6212

04:22:41,510 --> 04:22:38,870

there's been a lot of research done here

6213

04:22:43,990 --> 04:22:41,520

lately on psychedelics and like micro

6214

04:22:46,389 --> 04:22:44,000

dosing lsd and different things and how

6215

04:22:51,990 --> 04:22:46,399

that's like been beneficial for like

6216

04:22:55,510 --> 04:22:53,830

just from what i've read that sounds

6217

04:22:57,429 --> 04:22:55,520

like something that's really worth

6218

04:22:58,630 --> 04:22:57,439

[h__h] exploring like because we're not

6219

04:23:00,309 --> 04:22:58,640

talking about like

6220

04:23:03,269 --> 04:23:00,319

mad dosing these people we're talking

6221

04:23:05,110 --> 04:23:03,279

about like very small doses and it's

6222

04:23:07,189 --> 04:23:05,120

almost like whatever whatever is going

6223

04:23:09,590 --> 04:23:07,199

on in their brain that's like got them

6224

04:23:11,269 --> 04:23:09,600

off track these drugs

6225

04:23:13,590 --> 04:23:11,279

somehow manage to

6226
04:23:16,149 --> 04:23:13,600
like put them back on the track at least

6227
04:23:18,389 --> 04:23:16,159
for a certain period of time so it

6228
04:23:20,389 --> 04:23:18,399
sounds like there's definitely you know

6229
04:23:22,149 --> 04:23:20,399
i think there's definitely some some

6230
04:23:23,429 --> 04:23:22,159
positive avenues that you could take

6231
04:23:24,870 --> 04:23:23,439
like this legislation that we were

6232
04:23:28,950 --> 04:23:24,880
talking about and kind of

6233
04:23:32,790 --> 04:23:30,550
is that there's things that we could do

6234
04:23:34,790 --> 04:23:32,800
medically with these with at least some

6235
04:23:37,269 --> 04:23:34,800
of these drugs that

6236
04:23:39,750 --> 04:23:37,279
may have benefit to like a larger amount

6237
04:23:42,149 --> 04:23:39,760
of people long term yeah and that that's

6238
04:23:44,389 --> 04:23:42,159

why i wanted to specify when i learned

6239

04:23:46,229 --> 04:23:44,399

that you know street drugs i think you

6240

04:23:47,510 --> 04:23:46,239

know psychedelics in their own right are

6241

04:23:50,870 --> 04:23:47,520

in a different

6242

04:23:52,710 --> 04:23:50,880

area it's you know i've done a lot in my

6243

04:23:58,149 --> 04:23:52,720

life but it's not something that i

6244

04:24:01,830 --> 04:24:00,469

my my marijuana usage

6245

04:24:04,389 --> 04:24:01,840

helps me um

6246

04:24:06,710 --> 04:24:04,399

sleep without dreams thankfully

6247

04:24:08,469 --> 04:24:06,720

only because like my dreams haunt me and

6248

04:24:10,870 --> 04:24:08,479

it's it's horrible i don't even want to

6249

04:24:14,229 --> 04:24:10,880

talk about them right now but um

6250

04:24:16,790 --> 04:24:14,239

no i i want to be that guinea pig uh

6251
04:24:18,389 --> 04:24:16,800
i i've been so fearful of because you

6252
04:24:20,149 --> 04:24:18,399
hear like hey you hear the horror

6253
04:24:21,590 --> 04:24:20,159
stories you don't want to drop acid if

6254
04:24:24,229 --> 04:24:21,600
you have skeletons in your closet you

6255
04:24:25,670 --> 04:24:24,239
don't want to do anything type of sites

6256
04:24:27,670 --> 04:24:25,680
you know if you have skeletons your

6257
04:24:29,590 --> 04:24:27,680
conscious but having i guess having a

6258
04:24:31,670 --> 04:24:29,600
partner that has done it before

6259
04:24:34,550 --> 04:24:31,680
uh tour guide through that yeah

6260
04:24:38,469 --> 04:24:34,560
absolutely so i i actually was wanting

6261
04:24:40,870 --> 04:24:38,479
to film myself um out in the desert um i

6262
04:24:42,950 --> 04:24:40,880
need to find somebody though first uh to

6263
04:24:44,950 --> 04:24:42,960

take me on that journey and to see if it

6264

04:24:47,189 --> 04:24:44,960

actually works i i i wanna i wanna i

6265

04:24:48,630 --> 04:24:47,199

wanna be that research uh guinea pig you

6266

04:24:52,389 --> 04:24:48,640

know what i'm saying you're talking

6267

04:24:53,510 --> 04:24:52,399

about in it like in a very exclusive

6268

04:24:55,349 --> 04:24:53,520

trip

6269

04:24:57,110 --> 04:24:55,359

all right

6270

04:24:57,910 --> 04:24:57,120

no no no no no

6271

04:25:00,550 --> 04:24:57,920

no

6272

04:25:02,469 --> 04:25:00,560

hi all right

6273

04:25:03,670 --> 04:25:02,479

i want to i want to be somewhere where i

6274

04:25:13,670 --> 04:25:03,680

feel safe i don't want to be in the city

6275

04:25:16,870 --> 04:25:15,189

no i think the point that i was making

6276

04:25:18,309 --> 04:25:16,880

is on the micro dosing part yeah i think

6277

04:25:20,630 --> 04:25:18,319

that there's there's definitely things

6278

04:25:22,550 --> 04:25:20,640

there that need to be studied now from a

6279

04:25:24,229 --> 04:25:22,560

like new age like spirituality

6280

04:25:28,149 --> 04:25:24,239

standpoint i've also read a lot of

6281

04:25:30,389 --> 04:25:28,159

things about like ayahuasca like like

6282

04:25:34,389 --> 04:25:32,389

that's a whole that's a whole different

6283

04:25:37,030 --> 04:25:34,399

very serious instances yeah the

6284

04:25:39,910 --> 04:25:37,040

microphone is mechanical stuff i have a

6285

04:25:41,349 --> 04:25:39,920

oh i love love me some mechanic but uh

6286

04:25:43,590 --> 04:25:41,359

okay you know the thing with micro

6287

04:25:46,309 --> 04:25:43,600

dosing is like if you had if you had an

6288

04:25:49,429 --> 04:25:46,319

eighth of shrooms you take a stem or two

6289

04:25:52,070 --> 04:25:49,439

okay and it's just that you're not doing

6290

04:25:54,149 --> 04:25:52,080

the whole what they tell you to like

6291

04:25:56,469 --> 04:25:54,159

birch into the tundra

6292

04:25:59,189 --> 04:25:56,479

yeah you're you're just kind of taking a

6293

04:26:01,349 --> 04:25:59,199

little bit day by day very coarse though

6294

04:26:03,349 --> 04:26:01,359

i have friends that micro dose it's like

6295

04:26:05,590 --> 04:26:03,359

putting your feet in the water versus

6296

04:26:07,670 --> 04:26:05,600

jumping in the ocean that's basically

6297

04:26:08,950 --> 04:26:07,680

what's the best way i've done this [h__\h]

6298

04:26:11,189 --> 04:26:08,960

before i mean oh i don't want you to

6299

04:26:13,750 --> 04:26:11,199

admit anything like that

6300

04:26:15,990 --> 04:26:13,760

i've been very open michael i refuse to

6301
04:26:21,750 --> 04:26:16,000
answer the questions on the grounds that

6302
04:26:24,469 --> 04:26:23,300
you're watching this stream

6303
04:26:27,429 --> 04:26:24,479
[Music]

6304
04:26:29,670 --> 04:26:27,439
why i know so much about micro dosing

6305
04:26:30,469 --> 04:26:29,680
it's purely a coincidence maybe i read a

6306
04:26:34,149 --> 04:26:30,479
lot

6307
04:26:38,550 --> 04:26:36,469
on marijuana

6308
04:26:39,670 --> 04:26:38,560
but you know they started instituting

6309
04:26:40,389 --> 04:26:39,680
ketamine

6310
04:26:42,630 --> 04:26:40,399
like

6311
04:26:53,910 --> 04:26:42,640
oh no i'm not no no i'm good but that's

6312
04:26:58,229 --> 04:26:56,309
yeah okay and that's the way to do it

6313
04:26:59,910 --> 04:26:58,239

yeah a lot of people don't know this i'm

6314

04:27:01,670 --> 04:26:59,920

a computer guy oh but there's there's

6315

04:27:03,510 --> 04:27:01,680

tons of guys in silicon valley that

6316

04:27:04,790 --> 04:27:03,520

micro dose they think that it helps them

6317

04:27:06,790 --> 04:27:04,800

with coding

6318

04:27:09,269 --> 04:27:06,800

they they micro dose a lot of them it's

6319

04:27:11,110 --> 04:27:09,279

very it's a hugely popular trend they

6320

04:27:13,030 --> 04:27:11,120

like those while they're writing code it

6321

04:27:14,630 --> 04:27:13,040

is it helps them see there's a different

6322

04:27:16,630 --> 04:27:14,640

way it helps them to come up with new

6323

04:27:18,389 --> 04:27:16,640

innovative ideas maybe

6324

04:27:20,149 --> 04:27:18,399

yeah and they're all out there looking

6325

04:27:23,429 --> 04:27:20,159

for an edge because it's competitive as

6326

04:27:27,269 --> 04:27:24,950

you kind of feel a little bit of the

6327

04:27:28,149 --> 04:27:27,279

fabric that connects everyone without

6328

04:27:30,309 --> 04:27:28,159

going

6329

04:27:31,030 --> 04:27:30,319

balls deep into your skeletons in your

6330

04:27:32,950 --> 04:27:31,040

heart

6331

04:27:34,389 --> 04:27:32,960

it's just a little taste

6332

04:27:35,030 --> 04:27:34,399

yeah what about like yeah what about

6333

04:27:36,950 --> 04:27:35,040

like

6334

04:27:40,550 --> 04:27:36,960

off days no no no no i'm [h__h] a lot

6335

04:27:43,269 --> 04:27:40,560

of chemical [h__h] though right the dmpg

6336

04:27:44,149 --> 04:27:43,279

it's from you you you make dmt in your

6337

04:27:45,429 --> 04:27:44,159

brain

6338

04:27:49,429 --> 04:27:45,439

naturally

6339

04:27:51,349 --> 04:27:49,439

guess at the moment of death you get

6340

04:27:52,469 --> 04:27:51,359

like this overdose of it too right yeah

6341

04:27:54,070 --> 04:27:52,479

that's what i read

6342

04:27:56,229 --> 04:27:54,080

is a big one what i'm talking about and

6343

04:27:59,269 --> 04:27:56,239

i i speak money mace

6344

04:28:02,229 --> 04:27:59,279

maisley i speak mostly about shroom

6345

04:28:04,389 --> 04:28:02,239

because it's like analog versus digital

6346

04:28:05,349 --> 04:28:04,399

right shrooms are the analog asses the

6347

04:28:07,990 --> 04:28:05,359

digital

6348

04:28:08,950 --> 04:28:08,000

shrooms are always way more controllable

6349

04:28:12,630 --> 04:28:08,960

because

6350

04:28:15,510 --> 04:28:12,640

they're natural and there's something

6351
04:28:17,110 --> 04:28:15,520
like elevated about how natural they are

6352
04:28:18,630 --> 04:28:17,120
acid you don't know who the hell you're

6353
04:28:20,710 --> 04:28:18,640
getting it from

6354
04:28:24,070 --> 04:28:20,720
right right right and it's digital it's

6355
04:28:26,149 --> 04:28:24,080
like you're almost always wearing lenses

6356
04:28:27,750 --> 04:28:26,159
looking through things where okay rooms

6357
04:28:31,189 --> 04:28:27,760
is very internal

6358
04:28:33,269 --> 04:28:31,199
okay analog versus digital so like going

6359
04:28:34,389 --> 04:28:33,279
the analog way

6360
04:28:37,030 --> 04:28:34,399
just

6361
04:28:39,990 --> 04:28:37,040
slowly and like i have friends at micro

6362
04:28:41,750 --> 04:28:40,000
dose they do you know three days on

6363
04:28:43,830 --> 04:28:41,760

four days off

6364

04:28:49,750 --> 04:28:43,840

you know what i mean and excuse me while

6365

04:28:55,670 --> 04:28:53,670

speaking of micro dosing you're right

6366

04:28:57,030 --> 04:28:55,680

yeah i don't know i i always wondered

6367

04:28:59,429 --> 04:28:57,040

what what do you think would happen

6368

04:29:00,389 --> 04:28:59,439

prank magic if you did both at once i

6369

04:29:08,389 --> 04:29:00,399

had

6370

04:29:19,590 --> 04:29:10,710

i've done like concoctions of [h__h] that

6371

04:29:25,269 --> 04:29:23,030

you're inheriting kind of this archetype

6372

04:29:27,269 --> 04:29:25,279

of each thing and they battle

6373

04:29:29,510 --> 04:29:27,279

hard there's [h__h] you don't want to do

6374

04:29:30,710 --> 04:29:29,520

together if there's you know what i mean

6375

04:29:31,950 --> 04:29:30,720

like

6376
04:29:34,149 --> 04:29:31,960
there's just

6377
04:29:36,309 --> 04:29:34,159
bio-engineered like

6378
04:29:39,189 --> 04:29:36,319
resilient like drinking and smoking weed

6379
04:29:43,670 --> 04:29:41,510
spooky he's trying to jump at him yeah

6380
04:29:48,710 --> 04:29:43,680
what's up spooky

6381
04:29:51,830 --> 04:29:49,910
again

6382
04:29:54,630 --> 04:29:51,840
go to his twitter feed

6383
04:29:57,030 --> 04:29:54,640
oh okay

6384
04:29:58,630 --> 04:29:57,040
i don't have twitter interesting

6385
04:30:01,830 --> 04:29:58,640
i'll try this out

6386
04:30:04,950 --> 04:30:01,840
i'll read it to you okay

6387
04:30:07,590 --> 04:30:04,960
oh it's gone one second

6388
04:30:10,309 --> 04:30:07,600

i have a big announcement we won

6389

04:30:12,630 --> 04:30:10,319

big win the biggest win ever okay

6390

04:30:14,550 --> 04:30:12,640

yeah summer all of the content shared in

6391

04:30:16,950 --> 04:30:14,560

this tweet is disputed and might be

6392

04:30:19,510 --> 04:30:16,960

misleading about an election or other

6393

04:30:20,389 --> 04:30:19,520

civic process and if we view the tweet

6394

04:30:22,389 --> 04:30:20,399

it says

6395

04:30:24,389 --> 04:30:22,399

we are up big but they are trying to

6396

04:30:25,590 --> 04:30:24,399

steal the election we will never let

6397

04:30:27,590 --> 04:30:25,600

them do it

6398

04:30:28,710 --> 04:30:27,600

votes cannot be cast after the polls are

6399

04:30:32,389 --> 04:30:28,720

closed

6400

04:30:34,469 --> 04:30:32,399

what that's what all right

6401
04:30:38,149 --> 04:30:34,479
that's kind of what the polls closing

6402
04:30:40,950 --> 04:30:39,510
you're not supposed to be casting

6403
04:30:44,309 --> 04:30:40,960
ballots there

6404
04:30:48,070 --> 04:30:44,319
yeah they are after me the democrats are

6405
04:30:51,590 --> 04:30:49,910
they're trying to steal the election

6406
04:30:53,670 --> 04:30:51,600
look at that though some or all the

6407
04:30:55,110 --> 04:30:53,680
content shared in this tweet is disputed

6408
04:30:57,590 --> 04:30:55,120
and might be misleading about an

6409
04:30:59,429 --> 04:30:57,600
election or other civic process

6410
04:31:01,590 --> 04:30:59,439
we are up big but they are trying to

6411
04:31:04,229 --> 04:31:01,600
steal the election that is a pretty bold

6412
04:31:05,990 --> 04:31:04,239
claim we will never let them do it votes

6413
04:31:13,030 --> 04:31:06,000

cannot be cast after the polls are

6414

04:31:15,990 --> 04:31:13,830

so

6415

04:31:17,590 --> 04:31:16,000

i just saw i just saw this tweet and i

6416

04:31:19,189 --> 04:31:17,600

don't know how i can't verify it so i

6417

04:31:20,309 --> 04:31:19,199

don't know if it i don't want to i hate

6418

04:31:21,590 --> 04:31:20,319

i don't like to

6419

04:31:22,950 --> 04:31:21,600

source it but

6420

04:31:24,389 --> 04:31:22,960

like so basically what it's saying is

6421

04:31:25,830 --> 04:31:24,399

according to these exit polls that

6422

04:31:28,309 --> 04:31:25,840

they've been doing at these polling

6423

04:31:29,750 --> 04:31:28,319

places trump is actually performing

6424

04:31:30,550 --> 04:31:29,760

better this year

6425

04:31:31,429 --> 04:31:30,560

with

6426
04:31:32,389 --> 04:31:31,439
like

6427
04:31:35,110 --> 04:31:32,399
every

6428
04:31:36,550 --> 04:31:35,120
demographic except for white men like

6429
04:31:41,510 --> 04:31:36,560
he's up

6430
04:31:43,189 --> 04:31:41,520
women plus four with black men plus four

6431
04:31:45,429 --> 04:31:43,199
with black women so i mean if that if

6432
04:31:47,030 --> 04:31:45,439
that polling exactly and again

6433
04:31:48,550 --> 04:31:47,040
who are they

6434
04:31:50,469 --> 04:31:48,560
well again i could i just said i can't

6435
04:31:52,469 --> 04:31:50,479
verify the source so i don't know robin

6436
04:31:55,030 --> 04:31:52,479
you're just talking about how polls suck

6437
04:31:57,510 --> 04:31:55,040
but if that poll was actually true and

6438
04:32:00,950 --> 04:31:57,520

he was for outperforming compared to

6439

04:32:03,670 --> 04:32:00,960

last cycle then i'd say that his chances

6440

04:32:12,309 --> 04:32:03,680

are better than what they're saying

6441

04:32:16,229 --> 04:32:13,990

there's a two percent margin of error

6442

04:32:17,830 --> 04:32:16,239

for the polls for trump but he needs at

6443

04:32:19,590 --> 04:32:17,840

least like a six

6444

04:32:21,030 --> 04:32:19,600

percent yeah and you know you know what

6445

04:32:22,309 --> 04:32:21,040

one thing that i'm thinking about is

6446

04:32:24,630 --> 04:32:22,319

like

6447

04:32:27,030 --> 04:32:24,640

what what the hell

6448

04:32:29,110 --> 04:32:27,040

is going to happen if trump if trump

6449

04:32:30,710 --> 04:32:29,120

loses because i don't think his ego is

6450

04:32:32,309 --> 04:32:30,720

going to allow him to just take it

6451
04:32:38,790 --> 04:32:32,319
gracefully he's going to say it was

6452
04:32:42,309 --> 04:32:40,710
maybe that's the beginning yeah yeah but

6453
04:32:44,149 --> 04:32:42,319
let's be real let's be real here the

6454
04:32:45,429 --> 04:32:44,159
democrats are setting it up too because

6455
04:32:46,950 --> 04:32:45,439
hillary clinton all these people were

6456
04:32:49,510 --> 04:32:46,960
telling joe biden not to concede on

6457
04:32:51,189 --> 04:32:49,520
election night either so it's not it's

6458
04:32:52,950 --> 04:32:51,199
not that either party at this point is

6459
04:32:55,189 --> 04:32:52,960
going to try to no one's going to say

6460
04:32:58,309 --> 04:32:55,199
that they lost tonight regardless

6461
04:33:00,309 --> 04:32:58,319
right it's just not true either way we

6462
04:33:02,469 --> 04:33:00,319
have no idea like i said there's like an

6463
04:33:06,070 --> 04:33:02,479

80 percent voter

6464

04:33:08,869 --> 04:33:06,080

a mail-in ballot thing for the overall

6465

04:33:11,269 --> 04:33:08,879

uh balloting of pennsylvania

6466

04:33:13,189 --> 04:33:11,279

and if and it says like because of the

6467

04:33:16,150 --> 04:33:13,199

polls of early voting

6468

04:33:19,029 --> 04:33:16,160

you know for malin that biden turns

6469

04:33:19,830 --> 04:33:19,039

pennsylvania to pennsylvania that's it

6470

04:33:21,109 --> 04:33:19,840

like

6471

04:33:24,390 --> 04:33:21,119

i think at the rate yeah the way it's

6472

04:33:25,670 --> 04:33:24,400

going yeah for sure

6473

04:33:28,150 --> 04:33:25,680

now

6474

04:33:29,429 --> 04:33:28,160

ahead by four

6475

04:33:32,230 --> 04:33:29,439

right before

6476

04:33:34,230 --> 04:33:32,240

that's for life

6477

04:33:36,230 --> 04:33:34,240

who has the who which what's the source

6478

04:33:40,230 --> 04:33:36,240

spooking with uh the

6479

04:33:42,470 --> 04:33:40,240

nbc map the nbc map has trump up by

6480

04:33:44,390 --> 04:33:42,480

during the day on election day when

6481

04:33:45,590 --> 04:33:44,400

there's a lot to count

6482

04:33:47,429 --> 04:33:45,600

from you know who's hoping you know

6483

04:33:49,029 --> 04:33:47,439

who's hoping joe biden wins the election

6484

04:33:50,551 --> 04:33:49,039

jim carrey because he's gonna have a job

6485

04:33:52,869 --> 04:33:50,561

on saturday night live for the next

6486

04:33:54,470 --> 04:33:52,879

freaking year

6487

04:33:56,310 --> 04:33:54,480

he doesn't need the work though he's

6488

04:34:08,310 --> 04:33:56,320

such a [h__\h] no he doesn't

6489

04:34:14,310 --> 04:34:11,029

of like metaphysical ideas

6490

04:34:16,230 --> 04:34:14,320

like yeah on red carpets and otherwise

6491

04:34:17,189 --> 04:34:16,240

you can tell that like

6492

04:34:18,709 --> 04:34:17,199

he

6493

04:34:20,470 --> 04:34:18,719

yeah you don't listen to him for

6494

04:34:22,390 --> 04:34:20,480

politics but man you should talk to him

6495

04:34:23,510 --> 04:34:22,400

about the fabric of time i don't know i

6496

04:34:25,429 --> 04:34:23,520

can't tell him

6497

04:34:27,910 --> 04:34:25,439

jim carrey is like the epitome of like

6498

04:34:29,750 --> 04:34:27,920

woke culture i can't tell if the dude's

6499

04:34:31,910 --> 04:34:29,760

really on the level or not like he's

6500

04:34:33,429 --> 04:34:31,920

[h__\h] like he sounds like he's kind of

6501
04:34:35,510 --> 04:34:33,439
like you know

6502
04:34:37,029 --> 04:34:35,520
got this higher knowledge but then it's

6503
04:34:48,551 --> 04:34:37,039
like i think part of it's just like

6504
04:34:58,551 --> 04:34:50,629
sleep or have sex

6505
04:35:02,709 --> 04:35:00,310
the new york times right now is saying

6506
04:35:05,910 --> 04:35:02,719
election turns into nail biter that may

6507
04:35:08,709 --> 04:35:05,920
extend for days obviously

6508
04:35:10,949 --> 04:35:08,719
have we all got enough snacks okay but

6509
04:35:12,789 --> 04:35:10,959
the most important thing is

6510
04:35:15,269 --> 04:35:12,799
he if biden wins he's gonna be a

6511
04:35:16,470 --> 04:35:15,279
minority government which

6512
04:35:17,189 --> 04:35:16,480
forget it

6513
04:35:19,269 --> 04:35:17,199

oh

6514

04:35:21,590 --> 04:35:19,279

how did the senate well because the

6515

04:35:25,269 --> 04:35:21,600

house of whatever you guys call it is

6516

04:35:28,789 --> 04:35:26,949

it's still democracy

6517

04:35:32,551 --> 04:35:28,799

the senate is mostly is is going to be

6518

04:35:34,629 --> 04:35:32,561

yeah the senate is no democrats

6519

04:35:36,470 --> 04:35:34,639

maybe after the election yeah oh there

6520

04:35:38,070 --> 04:35:36,480

you go yeah maybe yeah after the

6521

04:35:39,429 --> 04:35:38,080

election could from what i'm not going

6522

04:35:40,869 --> 04:35:39,439

to win the house of representatives

6523

04:35:42,470 --> 04:35:40,879

there's no [h__h] way

6524

04:35:43,830 --> 04:35:42,480

so if your republicans are winning

6525

04:35:44,949 --> 04:35:43,840

though these four no are you talking

6526
04:35:49,269 --> 04:35:44,959
about

6527
04:35:53,590 --> 04:35:49,279
military mexican is that mexican uh news

6528
04:35:53,600 --> 04:35:58,310
come on mexican canadian

6529
04:36:02,629 --> 04:36:00,949
in this house whoever [h__h] house that

6530
04:36:04,551 --> 04:36:02,639
is i don't know it could be your house

6531
04:36:10,551 --> 04:36:04,561
spooky house of representatives the

6532
04:36:13,269 --> 04:36:10,561
house says republicans 159 democrats 151

6533
04:36:30,830 --> 04:36:13,279
senate republicans 46

6534
04:36:36,310 --> 04:36:34,230
the you know the conspiracy of oh this

6535
04:36:39,590 --> 04:36:36,320
is the boomer virus you know the

6536
04:36:51,429 --> 04:36:39,600
boomerang no it's the 5d controller

6537
04:36:55,510 --> 04:36:53,750
5g has been killing me for the last year

6538
04:36:58,230 --> 04:36:55,520

and a half out here in los angeles

6539

04:37:00,551 --> 04:36:58,240

that's how long we've had 5g i'm dying

6540

04:37:03,189 --> 04:37:00,561

no wait oh my bald got bigger because

6541

04:37:04,629 --> 04:37:03,199

it's five yeah i'm about to go okay

6542

04:37:06,949 --> 04:37:04,639

gentlemen

6543

04:37:08,629 --> 04:37:06,959

robin stephen stephen i don't know how

6544

04:37:10,869 --> 04:37:08,639

long you're going to carry this on i

6545

04:37:15,189 --> 04:37:10,879

hope i have no idea i wanted to see if

6546

04:37:21,109 --> 04:37:18,629

michael is just a hairy version of keats

6547

04:37:23,670 --> 04:37:21,119

oh my god yeah look at him

6548

04:37:25,990 --> 04:37:23,680

hat and everything guys look exactly the

6549

04:37:38,230 --> 04:37:26,000

same look at that there's something to

6550

04:37:41,750 --> 04:37:39,830

if this is going to go on i'm going to

6551
04:37:42,949 --> 04:37:41,760
go take a nap

6552
04:37:45,910 --> 04:37:42,959
for a bit

6553
04:37:48,551 --> 04:37:45,920
again still going on

6554
04:37:50,629 --> 04:37:48,561
[h__h] up robin we need more of you so

6555
04:37:53,590 --> 04:37:50,639
yeah this is your floor

6556
04:38:09,189 --> 04:37:53,600
well i'll um i'll be back but i need to

6557
04:38:14,789 --> 04:38:11,429
you're adorable robin

6558
04:38:17,029 --> 04:38:14,799
well shucks thanks okay

6559
04:38:19,189 --> 04:38:17,039
i love you happy goddamn wonderful

6560
04:38:21,429 --> 04:38:19,199
thanks for coming on tonight

6561
04:38:23,189 --> 04:38:21,439
we need to talk about consciousness if

6562
04:38:25,189 --> 04:38:23,199
you're some [h__h]

6563
04:38:27,910 --> 04:38:25,199

if you're still going on when i get up

6564

04:38:28,869 --> 04:38:27,920

i'll jump back in tomorrow morning maybe

6565

04:38:31,510 --> 04:38:28,879

not

6566

04:38:34,629 --> 04:38:31,520

yeah no i'm going i'm going till i'm

6567

04:38:39,750 --> 04:38:34,639

going till noon tomorrow no i'm i'm not

6568

04:38:43,269 --> 04:38:41,109

tonight or what's going to happen

6569

04:38:45,590 --> 04:38:43,279

tonight because trump may pull some [h__h]

6570

04:38:47,590 --> 04:38:45,600

like giving a [h__h] giving a [h__h]

6571

04:38:49,349 --> 04:38:47,600

speech a victory speech before he's

6572

04:38:52,709 --> 04:38:49,359

actually won and i want to see what the

6573

04:38:56,150 --> 04:38:52,719

[h__h] he's gonna do for sure i think so i

6574

04:38:58,390 --> 04:38:56,160

think so this [h__h] circus is gonna be

6575

04:39:00,310 --> 04:38:58,400

a fun ride

6576
04:39:02,629 --> 04:39:00,320
yeah but it's not gonna happen while i

6577
04:39:04,629 --> 04:39:02,639
sleep for the next two hours okay oh

6578
04:39:06,709 --> 04:39:04,639
you're fine you're fine do it you gotta

6579
04:39:08,789 --> 04:39:06,719
do thank you for coming around i love

6580
04:39:11,269 --> 04:39:08,799
you thank you i want you to know that

6581
04:39:13,670 --> 04:39:11,279
love you robin i love you keith keep

6582
04:39:15,349 --> 04:39:13,680
going i go way back okay love you bye

6583
04:39:17,109 --> 04:39:15,359
see ya

6584
04:39:18,470 --> 04:39:17,119
good night we're gonna miss you

6585
04:39:20,629 --> 04:39:18,480
all right

6586
04:39:22,390 --> 04:39:20,639
finally holy [h__h] no i'm just kidding

6587
04:39:23,990 --> 04:39:22,400
just just to like see

6588
04:39:25,349 --> 04:39:24,000

what i'm seeing like i'm looking at i'm

6589

04:39:26,470 --> 04:39:25,359

looking at my facebook right now and i

6590

04:39:27,670 --> 04:39:26,480

have a pretty good mix of like

6591

04:39:29,510 --> 04:39:27,680

conservative

6592

04:39:32,070 --> 04:39:29,520

and liberal

6593

04:39:34,230 --> 04:39:32,080

yes i have facebook what a boomer hole

6594

04:39:35,590 --> 04:39:34,240

i know so this is like what i'm seeing

6595

04:39:37,350 --> 04:39:35,600

like as soon as i open my facebook this

6596

04:39:39,190 --> 04:39:37,360

is like the first post that pops up and

6597

04:39:41,430 --> 04:39:39,200

this is from a friend of mine who is a

6598

04:39:43,510 --> 04:39:41,440

democrat and she says

6599

04:39:45,590 --> 04:39:43,520

the amount of profound [h__\h] idiots in

6600

04:39:47,510 --> 04:39:45,600

this country is staggering if you're

6601
04:39:49,270 --> 04:39:47,520
offended please unfriend me and go back

6602
04:39:51,190 --> 04:39:49,280
to your call that's the first message

6603
04:39:53,830 --> 04:39:51,200
that i see typical boomer statement

6604
04:39:56,470 --> 04:39:53,840
delete me from your facebook

6605
04:39:58,628 --> 04:39:56,480
second message second message that i see

6606
04:40:00,470 --> 04:39:58,638
i am so scared and [h__h] you if you voted

6607
04:40:02,628 --> 04:40:00,480
against trans and gay rights and then it

6608
04:40:04,070 --> 04:40:02,638
goes on about donald trump blah blah

6609
04:40:05,830 --> 04:40:04,080
blah blah blah so like this is like what

6610
04:40:08,230 --> 04:40:05,840
i'm saying so like

6611
04:40:09,510 --> 04:40:08,240
here we are listen is it wrong

6612
04:40:10,788 --> 04:40:09,520
i'm not saying that they're wrong but

6613
04:40:12,708 --> 04:40:10,798

it's like at the same time it's like i

6614

04:40:14,390 --> 04:40:12,718

don't see i mean maybe maybe it's

6615

04:40:16,070 --> 04:40:14,400

because people think trump is gonna win

6616

04:40:17,750 --> 04:40:16,080

but i honestly don't think if like if

6617

04:40:19,590 --> 04:40:17,760

bite if it was the other way around i

6618

04:40:22,230 --> 04:40:19,600

don't think my [h__h] trump supporter

6619

04:40:24,070 --> 04:40:22,240

friends would be like oh [h__h] spooky you

6620

04:40:25,750 --> 04:40:24,080

guys like unfortunately

6621

04:40:27,670 --> 04:40:25,760

like donald trump like

6622

04:40:30,550 --> 04:40:27,680

it seems like it's what happens where do

6623

04:40:33,510 --> 04:40:30,560

you see all the all the all the memes

6624

04:40:36,708 --> 04:40:33,520

hogan come on everyone everyone does

6625

04:40:39,270 --> 04:40:36,718

everyone that's the problem no yeah

6626

04:40:42,230 --> 04:40:39,280

everyone will be like [\h__\h] you you

6627

04:40:44,150 --> 04:40:42,240

liptard you think you're so progressive

6628

04:40:46,070 --> 04:40:44,160

and [\h__\h] you just want to be at home in

6629

04:40:48,230 --> 04:40:46,080

your parents basement

6630

04:40:49,670 --> 04:40:48,240

i would never block somebody because of

6631

04:40:51,270 --> 04:40:49,680

their look listen there's a guy on

6632

04:40:52,310 --> 04:40:51,280

twitter and cambia knows who i'm talking

6633

04:40:53,830 --> 04:40:52,320

about because i've talked to him about

6634

04:40:55,910 --> 04:40:53,840

him before there's a guy on my [\h__\h]

6635

04:40:57,750 --> 04:40:55,920

twitter that i absolutely cannot [\h__\h]

6636

04:40:59,830 --> 04:40:57,760

stand but you know what i let him say

6637

04:41:01,270 --> 04:40:59,840

his [\h__\h] i don't unfriend him i

6638

04:41:03,190 --> 04:41:01,280

don't start arguments with him because

6639

04:41:04,788 --> 04:41:03,200

he has a [h__h] right to say whatever

6640

04:41:07,270 --> 04:41:04,798

he wants to say yeah

6641

04:41:10,628 --> 04:41:07,280

a lot of [h__h] he'll send you a [h__h]

6642

04:41:13,590 --> 04:41:11,670

it doesn't change the fact that if

6643

04:41:15,750 --> 04:41:13,600

donald trump wins his [h__h] head is

6644

04:41:17,990 --> 04:41:15,760

going to explode and you know what if

6645

04:41:20,470 --> 04:41:18,000

joe biden wins tonight or tomorrow or

6646

04:41:22,070 --> 04:41:20,480

the next day my [h__h] head is not

6647

04:41:24,230 --> 04:41:22,080

going to explode because like i said i

6648

04:41:26,150 --> 04:41:24,240

still got to go to work and feed my kids

6649

04:41:28,310 --> 04:41:26,160

and pay my rent i don't give a [h__h]

6650

04:41:30,550 --> 04:41:28,320

because like what happens in washington

6651
04:41:32,628 --> 04:41:30,560
yeah it might affect like long-term [h__h]

6652
04:41:35,030 --> 04:41:32,638
but like the future of my kids in my

6653
04:41:36,550 --> 04:41:35,040
life like it's day to day like i got to

6654
04:41:38,390 --> 04:41:36,560
get through today and then get to

6655
04:41:39,750 --> 04:41:38,400
tomorrow i'm not worried about i hate to

6656
04:41:41,750 --> 04:41:39,760
say it but i'm not worried about [h__h]

6657
04:41:44,230 --> 04:41:41,760
15 or 20 years from now because i may

6658
04:41:46,788 --> 04:41:44,240
not be here in [h__h] 15 or 20 years i

6659
04:41:48,708 --> 04:41:46,798
got to worry about right [h__h] now

6660
04:41:51,190 --> 04:41:48,718
which is how i would like i try to vote

6661
04:41:52,550 --> 04:41:51,200
based on who i think is gonna be like

6662
04:41:54,708 --> 04:41:52,560
the best president for me like let me

6663
04:41:56,948 --> 04:41:54,718

tell you something like in my early 20s

6664

04:41:58,868 --> 04:41:56,958

when obama was in i voted for him twice

6665

04:42:00,948 --> 04:41:58,878

i had the best financial years of my

6666

04:42:02,788 --> 04:42:00,958

life under obama yeah

6667

04:42:04,868 --> 04:42:02,798

under obama i've never played trump in

6668

04:42:06,550 --> 04:42:04,878

[h__h] 16 and let me tell you the last

6669

04:42:08,868 --> 04:42:06,560

four years i've made more money in the

6670

04:42:11,030 --> 04:42:08,878

last four years than i ever made in any

6671

04:42:12,788 --> 04:42:11,040

other year of my life so like every

6672

04:42:15,830 --> 04:42:12,798

every person that i've ever voted for

6673

04:42:18,070 --> 04:42:15,840

has been good for me financially but i

6674

04:42:19,430 --> 04:42:18,080

work and i [h__h] show up on time and

6675

04:42:30,070 --> 04:42:19,440

have a good work ethic and i don't

6676

04:42:33,270 --> 04:42:31,590

as passionate as you might be about

6677

04:42:34,868 --> 04:42:33,280

individual issues and i think we've all

6678

04:42:36,150 --> 04:42:34,878

kind of i think we all pretty much know

6679

04:42:37,830 --> 04:42:36,160

where we all stand i don't think it's

6680

04:42:40,150 --> 04:42:37,840

like a big like there's not really a big

6681

04:42:42,550 --> 04:42:40,160

mystery where our political leanings are

6682

04:42:44,390 --> 04:42:42,560

but no matter no matter what your bait

6683

04:42:45,990 --> 04:42:44,400

like whatever your leaning is or what

6684

04:42:47,670 --> 04:42:46,000

you believe like at the end of the day

6685

04:42:50,150 --> 04:42:47,680

we're all still doing those exact same

6686

04:42:51,750 --> 04:42:50,160

things maybe not in that order but like

6687

04:42:53,750 --> 04:42:51,760

mario's paying his [h__h] rent

6688

04:42:56,070 --> 04:42:53,760

michael's got to go to work spooky's got

6689

04:42:57,030 --> 04:42:56,080

to pay the bills you know prague magic's

6690

04:42:58,628 --> 04:42:57,040

got to do what he's got to do and

6691

04:43:00,390 --> 04:42:58,638

champion's doing what he's got to do so

6692

04:43:01,910 --> 04:43:00,400

like we can sit here and argue this [\h__\h]

6693

04:43:04,150 --> 04:43:01,920

till the cows come home but like it

6694

04:43:05,830 --> 04:43:04,160

doesn't matter because we're not

6695

04:43:07,910 --> 04:43:05,840

most of us aren't [\h__\h] worried about

6696

04:43:08,948 --> 04:43:07,920

five years or ten years from now we're

6697

04:43:11,670 --> 04:43:08,958

worried about getting through [\h__\h]

6698

04:43:13,990 --> 04:43:11,680

tomorrow or the end of the year or you

6699

04:43:17,030 --> 04:43:14,000

know just like that oh yeah no it's

6700

04:43:18,708 --> 04:43:17,040

frivolous because we don't have two very

6701
04:43:21,510 --> 04:43:18,718
opposing ideas

6702
04:43:23,270 --> 04:43:21,520
right we have very much kind of

6703
04:43:24,868 --> 04:43:23,280
corporate democrat

6704
04:43:27,030 --> 04:43:24,878
you know republican capitalist

6705
04:43:28,390 --> 04:43:27,040
republicans not that big of a difference

6706
04:43:31,670 --> 04:43:28,400
yeah honestly

6707
04:43:35,750 --> 04:43:31,680
well and i i agree with you fight for is

6708
04:43:37,430 --> 04:43:35,760
like maybe senate house local government

6709
04:43:38,868 --> 04:43:37,440
you know that's all that that's all that

6710
04:43:39,990 --> 04:43:38,878
truly matters because that's what

6711
04:43:42,470 --> 04:43:40,000
affects us

6712
04:43:44,150 --> 04:43:42,480
the decisions are made yeah yeah no and

6713
04:43:46,868 --> 04:43:44,160

i agree with you hogan like honestly

6714

04:43:49,670 --> 04:43:46,878

dude if i don't agree with someone i

6715

04:43:51,510 --> 04:43:49,680

don't see the need of like [\h__\h] you and

6716

04:43:53,510 --> 04:43:51,520

i don't want you in my friends list but

6717

04:43:55,510 --> 04:43:53,520

i'm still going to spy on you to see how

6718

04:43:57,990 --> 04:43:55,520

much of a [\h__\h] you are like no

6719

04:44:00,150 --> 04:43:58,000

you know like whatever you know what

6720

04:44:01,030 --> 04:44:00,160

god bless you no need to unfriend each

6721

04:44:02,708 --> 04:44:01,040

other you know you want to have a

6722

04:44:04,788 --> 04:44:02,718

conversation good you want to just go

6723

04:44:06,470 --> 04:44:04,798

out for drinks and not even talk about

6724

04:44:08,470 --> 04:44:06,480

whatever individual issues we're

6725

04:44:10,390 --> 04:44:08,480

passionate about good too you want to go

6726

04:44:12,310 --> 04:44:10,400

for wings and talk about

6727

04:44:15,670 --> 04:44:12,320

politics sure let's do that right like

6728

04:44:17,350 --> 04:44:15,680

why not here's the thing i'm good man

6729

04:44:19,910 --> 04:44:17,360

man yeah please speak on the topic real

6730

04:44:21,670 --> 04:44:19,920

quick uh

6731

04:44:23,110 --> 04:44:21,680

i'm guilty of this as a matter of fact

6732

04:44:25,510 --> 04:44:23,120

but the reason

6733

04:44:27,590 --> 04:44:25,520

uh and i you can see it as an excuse or

6734

04:44:30,470 --> 04:44:27,600

whatnot but um the reason why i went

6735

04:44:32,788 --> 04:44:30,480

from 860 odd people on my friend's list

6736

04:44:37,270 --> 04:44:32,798

to about i don't know i think i'm at 58

6737

04:44:40,948 --> 04:44:37,280

now 57 66 56. um

6738

04:44:43,190 --> 04:44:40,958

i i can take so much from people that

6739

04:44:44,628 --> 04:44:43,200

don't really want to have a debate about

6740

04:44:46,708 --> 04:44:44,638

all the issues like we're having right

6741

04:44:49,110 --> 04:44:46,718

now we can't sit here and have this you

6742

04:44:51,270 --> 04:44:49,120

and i you and i are having this civil

6743

04:44:53,830 --> 04:44:51,280

[h__h] discussion on facebook we can't

6744

04:44:56,070 --> 04:44:53,840

have that discussion so

6745

04:44:57,990 --> 04:44:56,080

you know i i had to let both these

6746

04:44:59,510 --> 04:44:58,000

people because not only are they

6747

04:45:01,110 --> 04:44:59,520

politically just

6748

04:45:03,110 --> 04:45:01,120

off that rail

6749

04:45:05,110 --> 04:45:03,120

but they're also they also follow a lot

6750

04:45:09,110 --> 04:45:05,120

of different um

6751
04:45:10,628 --> 04:45:09,120
way kooky ufo type deals and i also had

6752
04:45:12,708 --> 04:45:10,638
it out with um a lot of move on people

6753
04:45:20,150 --> 04:45:12,718
too so

6754
04:45:24,150 --> 04:45:21,510
can i can i tell you a little story

6755
04:45:25,830 --> 04:45:24,160
about mufon real quick i actually uh was

6756
04:45:27,430 --> 04:45:25,840
a um was a

6757
04:45:30,470 --> 04:45:27,440
moderator for mufon global back when

6758
04:45:31,910 --> 04:45:30,480
they were like 7 000 people uh tiffany

6759
04:45:33,110 --> 04:45:31,920
had uh

6760
04:45:34,628 --> 04:45:33,120
got her membership to move on and

6761
04:45:36,708 --> 04:45:34,638
whatnot so we wanted to see how this

6762
04:45:38,390 --> 04:45:36,718
thing went

6763
04:45:39,670 --> 04:45:38,400

i was a member of this group or i was

6764

04:45:41,750 --> 04:45:39,680

the moderator for this group for quite

6765

04:45:44,470 --> 04:45:41,760

some time it grew to about 60 000 people

6766

04:45:46,070 --> 04:45:44,480

these people got egos the size of

6767

04:45:47,350 --> 04:45:46,080

whatever because i'm sitting here trying

6768

04:45:49,110 --> 04:45:47,360

to tell people the truth about grier

6769

04:45:51,350 --> 04:45:49,120

this thing oh you can't [h__h] around with

6770

04:45:52,788 --> 04:45:51,360

people's heroes they said dude these

6771

04:45:55,110 --> 04:45:52,798

people have to know the truth i was

6772

04:45:56,310 --> 04:45:55,120

going live i was doing um

6773

04:45:57,990 --> 04:45:56,320

a lot of different you know a lot of

6774

04:46:00,470 --> 04:45:58,000

different things to gather attention

6775

04:46:03,750 --> 04:46:00,480

like show movies or whatnot on on live

6776

04:46:05,750 --> 04:46:03,760

watch or the facebook watch um

6777

04:46:07,910 --> 04:46:05,760

so i was kicked out i let people know i

6778

04:46:09,590 --> 04:46:07,920

told or tiffany dropped her membership

6779

04:46:13,510 --> 04:46:09,600

we went and told

6780

04:46:16,070 --> 04:46:13,520

uh uh jan harzan at uh was it at alien

6781

04:46:20,070 --> 04:46:16,080

con last year this is before he got

6782

04:46:21,670 --> 04:46:20,080

arrested uh uh chris henson style but

6783

04:46:23,830 --> 04:46:21,680

we we

6784

04:46:25,590 --> 04:46:23,840

in a move on shirt he was in a mufon

6785

04:46:27,590 --> 04:46:25,600

shirt but he got arrested

6786

04:46:29,590 --> 04:46:27,600

i swear to god he was in a roof on shirt

6787

04:46:32,470 --> 04:46:29,600

when he got arrested yeah but this

6788

04:46:34,230 --> 04:46:32,480

[h__h] him terry lynch i i went up

6789

04:46:36,310 --> 04:46:34,240

with terry whatever the [h__h]

6790

04:46:38,708 --> 04:46:36,320

hyphenated name is we we went i

6791

04:46:40,628 --> 04:46:38,718

stephanie and i went up uh to them and

6792

04:46:41,910 --> 04:46:40,638

said hey we have some issues with your

6793

04:46:43,910 --> 04:46:41,920

group and they go oh this is just a

6794

04:46:46,070 --> 04:46:43,920

facebook fan page and i'm like well

6795

04:46:48,788 --> 04:46:46,080

they're pushing all this [h__h] this

6796

04:46:50,310 --> 04:46:48,798

this information like it's you know

6797

04:46:51,670 --> 04:46:50,320

there and then well how do you know ask

6798

04:46:54,150 --> 04:46:51,680

well we're [h__h] researchers we

6799

04:46:55,030 --> 04:46:54,160

[h__h] research the researchers

6800

04:46:56,788 --> 04:46:55,040

i mean

6801
04:46:59,350 --> 04:46:56,798
yeah that's what we do because we after

6802
04:47:00,788 --> 04:46:59,360
grier we wanted to know why the [\h__\h] all

6803
04:47:02,628 --> 04:47:00,798
these people decided to go ahead and

6804
04:47:04,948 --> 04:47:02,638
just defraud all these people i mean

6805
04:47:07,830 --> 04:47:04,958
namely like you guys are

6806
04:47:08,868 --> 04:47:07,840
well into it [\h__\h] good wilcock

6807
04:47:10,230 --> 04:47:08,878
whatever

6808
04:47:11,990 --> 04:47:10,240
we went and actually met with these

6809
04:47:14,310 --> 04:47:12,000
people we paid dough to go see these

6810
04:47:15,990 --> 04:47:14,320
people we spoke with them we looked into

6811
04:47:17,350 --> 04:47:16,000
their eyes we saw their mannerisms we

6812
04:47:18,550 --> 04:47:17,360
saw their grit

6813
04:47:21,910 --> 04:47:18,560

first since

6814

04:47:23,990 --> 04:47:21,920

first [h__h] hand so

6815

04:47:25,590 --> 04:47:24,000

this [h__h] was like or these people

6816

04:47:27,190 --> 04:47:25,600

excuse my language

6817

04:47:27,990 --> 04:47:27,200

were like this

6818

04:47:29,190 --> 04:47:28,000

show me

6819

04:47:31,590 --> 04:47:29,200

give me all the information that you

6820

04:47:33,350 --> 04:47:31,600

have i i gave them screenshots i gave

6821

04:47:36,230 --> 04:47:33,360

them you know all kinds of [h__h] this

6822

04:47:38,390 --> 04:47:36,240

person says that he gets paid to analyze

6823

04:47:39,910 --> 04:47:38,400

photos uh i'm sitting here like these

6824

04:47:42,070 --> 04:47:39,920

people are insane and they're they're

6825

04:47:44,628 --> 04:47:42,080

doing this under your name and she gave

6826

04:47:46,310 --> 04:47:44,638

me her word if i gave her all my [h__h]

6827

04:47:48,708 --> 04:47:46,320

information on those people that she

6828

04:47:50,788 --> 04:47:48,718

would have the lawyers look into it and

6829

04:47:52,868 --> 04:47:50,798

make them take their that name off of

6830

04:47:54,550 --> 04:47:52,878

that group

6831

04:47:56,550 --> 04:47:54,560

nothing ever happened of it and i was

6832

04:47:58,390 --> 04:47:56,560

subsequently blocked i got blacklisted

6833

04:47:59,750 --> 04:47:58,400

by these people [h__h] them i don't give a

6834

04:48:01,270 --> 04:47:59,760

[h__h] i will still talk about these

6835

04:48:04,070 --> 04:48:01,280

people to the day i [h__h] died because

6836

04:48:05,430 --> 04:48:04,080

they are nothing but charlatans

6837

04:48:07,030 --> 04:48:05,440

period

6838

04:48:09,110 --> 04:48:07,040

you're a principled man

6839

04:48:11,270 --> 04:48:09,120

yeah it's unfortunate but these groups

6840

04:48:13,350 --> 04:48:11,280

are are not you know they take a lot of

6841

04:48:15,030 --> 04:48:13,360

money from people and you too

6842

04:48:17,430 --> 04:48:15,040

the big problem i have with mufon is you

6843

04:48:19,510 --> 04:48:17,440

too can pay a few hundred dollars to get

6844

04:48:21,750 --> 04:48:19,520

a stupid certificate that says you're a

6845

04:48:23,830 --> 04:48:21,760

field investigator hang out on your wall

6846

04:48:25,350 --> 04:48:23,840

and fool your stupid friends with but

6847

04:48:26,868 --> 04:48:25,360

then they don't do anything with the

6848

04:48:29,510 --> 04:48:26,878

serious people that really want to do

6849

04:48:31,510 --> 04:48:29,520

the research there's a there's various

6850

04:48:32,788 --> 04:48:31,520

accounts of like one guy got physical

6851
04:48:35,510 --> 04:48:32,798
evidence and they didn't want to pay to

6852
04:48:37,430 --> 04:48:35,520
have it analyzed and it's like

6853
04:48:40,550 --> 04:48:37,440
this could be the holy grail that you've

6854
04:48:41,990 --> 04:48:40,560
been searching for for [\h__\h] 30 years

6855
04:48:43,430 --> 04:48:42,000
and you don't want to put you don't want

6856
04:48:45,910 --> 04:48:43,440
to do anything with it the guy couldn't

6857
04:48:47,590 --> 04:48:45,920
believe it he quit he's like i got all

6858
04:48:49,110 --> 04:48:47,600
this metal

6859
04:48:50,868 --> 04:48:49,120
you know like are we going to do

6860
04:48:53,830 --> 04:48:50,878
something materials

6861
04:48:55,670 --> 04:48:53,840
yeah and i bet you the isotopic ratios

6862
04:48:58,948 --> 04:48:55,680
were not found on this earth that's what

6863
04:49:01,350 --> 04:48:58,958

we always hear isotopic ratios

6864

04:49:03,030 --> 04:49:01,360

a lot of these purported uh alien

6865

04:49:04,948 --> 04:49:03,040

materials are really just pieces of

6866

04:49:08,070 --> 04:49:04,958

meteorites that would explain why the

6867

04:49:09,430 --> 04:49:08,080

isotopic ratio you know doesn't but but

6868

04:49:11,270 --> 04:49:09,440

and there's various claims these are

6869

04:49:13,030 --> 04:49:11,280

manufactured items but no i've never

6870

04:49:14,788 --> 04:49:13,040

seen the proof of how can you tell

6871

04:49:17,030 --> 04:49:14,798

that's a manufactured item versus a

6872

04:49:19,350 --> 04:49:17,040

naturally occurring piece of a meteorite

6873

04:49:20,310 --> 04:49:19,360

we never get to that we never get into

6874

04:49:22,310 --> 04:49:20,320

that

6875

04:49:24,550 --> 04:49:22,320

so just can we just kind of to go back

6876

04:49:25,830 --> 04:49:24,560

on the political stuff so i'm seeing a

6877

04:49:27,990 --> 04:49:25,840

lot look i'm just kind of i'm just kind

6878

04:49:31,190 --> 04:49:28,000

of like scouring social media even in

6879

04:49:33,110 --> 04:49:31,200

your meta materials yeah materials [h__h]

6880

04:49:34,150 --> 04:49:33,120

you tom delong but like i'm seeing a lot

6881

04:49:37,110 --> 04:49:34,160

of [h__h]

6882

04:49:39,990 --> 04:49:37,120

about people either tweeting or online

6883

04:49:43,350 --> 04:49:40,000

about these mail-in votes were not

6884

04:49:45,590 --> 04:49:43,360

counted until today and it's like what

6885

04:49:47,190 --> 04:49:45,600

were they doing with these mail-in votes

6886

04:49:49,270 --> 04:49:47,200

like the people have been casting for

6887

04:49:51,030 --> 04:49:49,280

the last like month or two like they

6888

04:49:53,190 --> 04:49:51,040

just they just like they just like had

6889

04:49:54,948 --> 04:49:53,200

these sitting them up yeah put them on

6890

04:49:57,590 --> 04:49:54,958

the fridge closet somewhere it's like

6891

04:49:59,190 --> 04:49:57,600

why weren't you tabulating these votes

6892

04:50:02,070 --> 04:49:59,200

prior to they come

6893

04:50:05,110 --> 04:50:02,080

well a lot of them had to be uh

6894

04:50:08,470 --> 04:50:05,120

time stamped you know to make it for

6895

04:50:11,750 --> 04:50:08,480

today it's gonna take a day or two after

6896

04:50:13,190 --> 04:50:11,760

this honestly i think yeah this is crazy

6897

04:50:14,550 --> 04:50:13,200

pennsylvania

6898

04:50:17,110 --> 04:50:14,560

and they still haven't called it no

6899

04:50:20,390 --> 04:50:17,120

place that i've i've i've looked at i've

6900

04:50:24,708 --> 04:50:20,400

looked at fox nbc cbs

6901
04:50:28,230 --> 04:50:24,718
and this election 220 or 270 to win.com

6902
04:50:31,670 --> 04:50:28,240
uh fox news nobody is reporting pa yet

6903
04:50:33,830 --> 04:50:31,680
it's cambium or philadelphia i live in

6904
04:50:35,990 --> 04:50:33,840
pennsylvania philadelphia is the biggest

6905
04:50:38,628 --> 04:50:36,000
city in pennsylvania where i used to

6906
04:50:41,990 --> 04:50:38,638
[h__h] idiot now i live outside of the

6907
04:50:43,510 --> 04:50:42,000
city in pennsylvania yeah

6908
04:50:44,230 --> 04:50:43,520
so it looks like it's going to come down

6909
04:50:45,590 --> 04:50:44,240
to

6910
04:50:48,310 --> 04:50:45,600
wisconsin

6911
04:50:49,430 --> 04:50:48,320
michigan michigan pennsylvania north

6912
04:50:51,830 --> 04:50:49,440
carolina

6913
04:50:53,270 --> 04:50:51,840

georgia yeah hawaii and puerto rico

6914

04:50:56,310 --> 04:50:53,280

carolina i think

6915

04:50:58,070 --> 04:50:56,320

yeah right no hawaii hawaii i already

6916

04:50:59,910 --> 04:50:58,080

got called for biden

6917

04:51:01,750 --> 04:50:59,920

hawaii already got

6918

04:51:03,030 --> 04:51:01,760

we have alaska left and i don't see

6919

04:51:05,110 --> 04:51:03,040

puerto rico here i don't know about

6920

04:51:06,868 --> 04:51:05,120

puerto rico but hawaii was called for

6921

04:51:09,190 --> 04:51:06,878

biden with four electrical how many

6922

04:51:12,868 --> 04:51:09,200

people voted in hawaii like the cousins

6923

04:51:15,350 --> 04:51:12,878

brothers from third phase of the moon

6924

04:51:16,788 --> 04:51:15,360

yeah there's those guys

6925

04:51:19,590 --> 04:51:16,798

trump is up trump is up in north

6926
04:51:21,190 --> 04:51:19,600
carolina by like 70 000 both so he'll

6927
04:51:24,150 --> 04:51:21,200
probably win north carolina i mean

6928
04:51:26,628 --> 04:51:24,160
that's that's natural but also uh what

6929
04:51:28,628 --> 04:51:26,638
were you saying it was wisconsin

6930
04:51:30,868 --> 04:51:28,638
he's up in michigan trump is up in

6931
04:51:33,110 --> 04:51:30,878
michigan still by like 300 000 but

6932
04:51:34,708 --> 04:51:33,120
there's only 63 of the vote reporting

6933
04:51:36,708 --> 04:51:34,718
which i think which i think is kind of

6934
04:51:39,750 --> 04:51:36,718
strange because they close at the same

6935
04:51:42,948 --> 04:51:39,760
time that ohio does and ohio's got like

6936
04:51:46,230 --> 04:51:42,958
94 or 95 percent of the vote in and

6937
04:51:48,150 --> 04:51:46,240
michigan's got 63 as of right now this

6938
04:51:50,788 --> 04:51:48,160

is the you're ohio right

6939

04:51:53,350 --> 04:51:50,798

deal with yeah i'm lying discrepancy

6940

04:51:54,708 --> 04:51:53,360

isn't mail in votes

6941

04:51:56,628 --> 04:51:54,718

yeah so that's going to be an issue

6942

04:51:59,030 --> 04:51:56,638

that's going to be a big issue

6943

04:52:01,670 --> 04:51:59,040

and in wisconsin wisconsin trump is

6944

04:52:03,910 --> 04:52:01,680

currently up by like a hundred and ten

6945

04:52:05,030 --> 04:52:03,920

thousand votes with 86 percent of the

6946

04:52:05,990 --> 04:52:05,040

vote in

6947

04:52:08,150 --> 04:52:06,000

yeah

6948

04:52:10,070 --> 04:52:08,160

i think how many trump is that trump can

6949

04:52:11,670 --> 04:52:10,080

take he's up by like a hundred thousand

6950

04:52:14,868 --> 04:52:11,680

hundred and ten thousand votes in

6951
04:52:15,990 --> 04:52:14,878
wisconsin that's enough by 82 with 86

6952
04:52:17,190 --> 04:52:16,000
reporting

6953
04:52:19,270 --> 04:52:17,200
all right

6954
04:52:21,350 --> 04:52:19,280
if trump can win if trump can win

6955
04:52:24,550 --> 04:52:21,360
michigan and wisconsin

6956
04:52:26,948 --> 04:52:24,560
i don't know if biden's got the math to

6957
04:52:29,030 --> 04:52:26,958
carry it the rest of the way breaking up

6958
04:52:30,550 --> 04:52:29,040
biden biden pretty much just needs

6959
04:52:31,750 --> 04:52:30,560
pennsylvania

6960
04:52:36,830 --> 04:52:31,760
is that just

6961
04:52:43,430 --> 04:52:40,070
okay so it's pretty much biden right now

6962
04:52:45,510 --> 04:52:43,440
associated press is saying 224 okay

6963
04:52:47,830 --> 04:52:45,520

no so go ahead i'm sorry

6964

04:52:49,990 --> 04:52:47,840

based on fox news based on fox news's

6965

04:52:52,788 --> 04:52:50,000

numbers biden would need 32 more

6966

04:52:56,150 --> 04:52:52,798

electoral votes to get to 270 which

6967

04:52:58,230 --> 04:52:56,160

would be which would be like he can't

6968

04:53:00,390 --> 04:52:58,240

i mean the states that are still left

6969

04:53:01,750 --> 04:53:00,400

other than pennsylvania trump's winning

6970

04:53:04,070 --> 04:53:01,760

all four of those states and trump's

6971

04:53:05,670 --> 04:53:04,080

winning pennsylvania right now too by

6972

04:53:08,550 --> 04:53:05,680

like 300 000 votes but they only have

6973

04:53:09,750 --> 04:53:08,560

like 50 or 60 percent of the vote

6974

04:53:12,070 --> 04:53:09,760

reporting

6975

04:53:13,830 --> 04:53:12,080

exactly and arizona looks like it's

6976
04:53:15,670 --> 04:53:13,840
going to be biden which only arizona is

6977
04:53:17,670 --> 04:53:15,680
buying

6978
04:53:19,910 --> 04:53:17,680
nevada is probably going to go by

6979
04:53:21,990 --> 04:53:19,920
would be my guess and i'm telling you

6980
04:53:23,990 --> 04:53:22,000
these mail-in votes for pennsylvania

6981
04:53:25,510 --> 04:53:24,000
it'll just it'll really but you gotta

6982
04:53:27,510 --> 04:53:25,520
you gotta remember too traditionally

6983
04:53:29,270 --> 04:53:27,520
mail-in voters are older voters who

6984
04:53:31,190 --> 04:53:29,280
don't go to the polls and they tend to

6985
04:53:33,430 --> 04:53:31,200
be more republican too

6986
04:53:35,270 --> 04:53:33,440
that's what we're saying this is a huge

6987
04:53:37,270 --> 04:53:35,280
difference this year because you can't

6988
04:53:39,750 --> 04:53:37,280

you can't forget about that part of it

6989

04:53:41,430 --> 04:53:39,760

though they took and predictive polling

6990

04:53:43,750 --> 04:53:41,440

or exit polls were the people that

6991

04:53:44,868 --> 04:53:43,760

mailed in and it was overwhelmingly

6992

04:53:46,788 --> 04:53:44,878

biden

6993

04:53:48,310 --> 04:53:46,798

but what about the covet people right

6994

04:53:49,270 --> 04:53:48,320

like people didn't want to go outside

6995

04:53:50,868 --> 04:53:49,280

and [h__h]

6996

04:53:53,190 --> 04:53:50,878

yeah so a lot of people wrote it by mail

6997

04:53:54,390 --> 04:53:53,200

this year yeah yeah yeah i've always

6998

04:53:58,550 --> 04:53:54,400

believed

6999

04:53:59,590 --> 04:53:58,560

going to be bad for trump the more early

7000

04:54:01,750 --> 04:53:59,600

voters

7001

04:54:04,070 --> 04:54:01,760

was not going to go well for trump as

7002

04:54:05,670 --> 04:54:04,080

far as his percentage now i mean there

7003

04:54:07,990 --> 04:54:05,680

could have been people who just like

7004

04:54:09,430 --> 04:54:08,000

myself i didn't vote today i voted two

7005

04:54:11,430 --> 04:54:09,440

weeks ago because i didn't want to [h__h]

7006

04:54:13,510 --> 04:54:11,440

with trying to go to the polls today so

7007

04:54:14,390 --> 04:54:13,520

i mean they're still trump supporters

7008

04:54:17,830 --> 04:54:14,400

who

7009

04:54:19,670 --> 04:54:17,840

went and voted early they just i think i

7010

04:54:21,510 --> 04:54:19,680

think the bigger percentage of mail-in

7011

04:54:24,070 --> 04:54:21,520

and early vote would would be more

7012

04:54:25,670 --> 04:54:24,080

beneficial to biden

7013

04:54:28,868 --> 04:54:25,680

i live in one of those states like it

7014

04:54:31,830 --> 04:54:28,878

doesn't matter it's going to go blue

7015

04:54:32,868 --> 04:54:31,840

you know so how did you vote hogan

7016

04:54:34,470 --> 04:54:32,878

what's that

7017

04:54:36,310 --> 04:54:34,480

how did you vote

7018

04:54:39,030 --> 04:54:36,320

you want to know who i voted for no no

7019

04:54:41,750 --> 04:54:39,040

no how no i voted i went i went to my

7020

04:54:45,190 --> 04:54:41,760

board of elections in my county

7021

04:54:47,350 --> 04:54:45,200

and i did early voting okay but you

7022

04:54:49,910 --> 04:54:47,360

actually like when i play the person

7023

04:54:51,270 --> 04:54:49,920

yeah yeah i went in person i stood in

7024

04:54:53,110 --> 04:54:51,280

line we had to work we had to wear a

7025

04:54:55,430 --> 04:54:53,120

mask or i mean you was recommended that

7026

04:54:57,270 --> 04:54:55,440

you should wear a mask um and then i

7027

04:54:58,628 --> 04:54:57,280

went in and like just filled out the

7028

04:55:00,390 --> 04:54:58,638

ballot and put it in there just like i

7029

04:55:03,510 --> 04:55:00,400

would have today except i did it you

7030

04:55:06,948 --> 04:55:03,520

know two weeks ago okay we uh we walked

7031

04:55:09,750 --> 04:55:06,958

the dog to uh the local like school and

7032

04:55:12,310 --> 04:55:09,760

dropped the ballots off last night

7033

04:55:15,190 --> 04:55:12,320

there wasn't a huge line but it's also

7034

04:55:18,070 --> 04:55:15,200

colorado i mean it was going blue it was

7035

04:55:19,590 --> 04:55:18,080

going like it doesn't matter much

7036

04:55:21,750 --> 04:55:19,600

you know how would you michael did you

7037

04:55:29,190 --> 04:55:21,760

vote

7038

04:55:31,670 --> 04:55:29,200

ordered a pizza and jerked off

7039

04:55:33,270 --> 04:55:31,680

yeah that's exactly what i did i took

7040

04:55:35,350 --> 04:55:33,280

the time i normally would have went down

7041

04:55:38,070 --> 04:55:35,360

to the polls i ordered a pizza

7042

04:55:40,390 --> 04:55:38,080

and i watched him really choice porn you

7043

04:55:42,708 --> 04:55:40,400

know and i jerked off

7044

04:55:44,550 --> 04:55:42,718

that's a really good idea

7045

04:55:47,750 --> 04:55:44,560

and it was much more satisfying than

7046

04:55:50,948 --> 04:55:47,760

voting is so god bless america god bless

7047

04:55:52,708 --> 04:55:50,958

america i'm a patriotic dude

7048

04:55:53,830 --> 04:55:52,718

i haven't the reason why i haven't vote

7049

04:55:54,788 --> 04:55:53,840

i'm going to be honest with you the

7050

04:55:56,070 --> 04:55:54,798

reason why i haven't voted because i've

7051
04:55:57,510 --> 04:55:56,080
been too damn lazy to get my [h__h]

7052
04:55:58,868 --> 04:55:57,520
expunged because i've really had the

7053
04:55:59,750 --> 04:55:58,878
money i've been trying to work on this

7054
04:56:01,990 --> 04:55:59,760
thing

7055
04:56:03,670 --> 04:56:02,000
all my money all my liquid money has

7056
04:56:04,470 --> 04:56:03,680
been going into what we've been trying

7057
04:56:07,670 --> 04:56:04,480
to do

7058
04:56:09,750 --> 04:56:07,680
um i and i live month-to-month here so

7059
04:56:11,190 --> 04:56:09,760
it's i don't want

7060
04:56:12,550 --> 04:56:11,200
to take donations from people i just

7061
04:56:14,550 --> 04:56:12,560
want to do what i got to do with my own

7062
04:56:15,590 --> 04:56:14,560
money so i could say i did it myself

7063
04:56:16,470 --> 04:56:15,600

um

7064

04:56:17,830 --> 04:56:16,480

you know

7065

04:56:20,390 --> 04:56:17,840

so

7066

04:56:22,230 --> 04:56:20,400

yeah there you go i mean yeah 500 bucks

7067

04:56:24,070 --> 04:56:22,240

is a lot of money to me to to go down i

7068

04:56:27,110 --> 04:56:24,080

believe you have money dude

7069

04:56:30,310 --> 04:56:27,120

do you mean donations i know right

7070

04:56:32,310 --> 04:56:30,320

for the promise of something or sorry i

7071

04:56:33,910 --> 04:56:32,320

uh do you mean donations is like they're

7072

04:56:36,470 --> 04:56:33,920

giving you money for the promise of

7073

04:56:38,150 --> 04:56:36,480

something or are you continually putting

7074

04:56:40,550 --> 04:56:38,160

out things

7075

04:56:41,990 --> 04:56:40,560

like what i do is i i i run a group on

7076

04:56:44,390 --> 04:56:42,000

facebook and what i do is i'm trying to

7077

04:56:46,070 --> 04:56:44,400

get people to skywatch with me so i give

7078

04:56:48,788 --> 04:56:46,080

away uh telescopes

7079

04:56:50,150 --> 04:56:48,798

and and and you know it's just to do

7080

04:56:51,590 --> 04:56:50,160

it's just uh have fun you know what i'm

7081

04:56:53,670 --> 04:56:51,600

saying and if i can get enough people to

7082

04:56:54,470 --> 04:56:53,680

actually watch the skies maybe they'll

7083

04:56:55,830 --> 04:56:54,480

find

7084

04:56:58,150 --> 04:56:55,840

that evidence that we're all [h__\h]

7085

04:56:59,590 --> 04:56:58,160

looking for and buying the neighbors

7086

04:57:03,350 --> 04:56:59,600

yeah there you go and maybe giving you

7087

04:57:03,360 --> 04:57:04,310

people are um

7088

04:57:09,030 --> 04:57:06,470

to theorize as to whether trump can

7089

04:57:11,190 --> 04:57:09,040

tweet at all right now i'm sorry i don't

7090

04:57:14,070 --> 04:57:11,200

think he could ever people are yeah

7091

04:57:16,310 --> 04:57:14,080

people i i just had a friend send me a

7092

04:57:18,070 --> 04:57:16,320

message uh and it's somebody from

7093

04:57:18,868 --> 04:57:18,080

silicon valley that i trust who says

7094

04:57:23,670 --> 04:57:18,878

that

7095

04:57:25,670 --> 04:57:23,680

twitter has removed twitter is not

7096

04:57:27,110 --> 04:57:25,680

allowing president trump to tweet right

7097

04:57:27,910 --> 04:57:27,120

now

7098

04:57:30,390 --> 04:57:27,920

it's

7099

04:57:38,230 --> 04:57:30,400

a company

7100

04:57:43,430 --> 04:57:40,550

i'm sure that you agree like that's the

7101
04:57:45,990 --> 04:57:43,440
issue with these these social media apps

7102
04:57:47,990 --> 04:57:46,000
and everything should be utilities

7103
04:57:49,910 --> 04:57:48,000
yes couldn't be private

7104
04:57:51,830 --> 04:57:49,920
companies that can no they're they're

7105
04:57:53,190 --> 04:57:51,840
definitely they got that we're not the

7106
04:57:55,350 --> 04:57:53,200
publisher

7107
04:57:57,270 --> 04:57:55,360
but they can but they're editorializing

7108
04:57:59,510 --> 04:57:57,280
so they become the publisher

7109
04:58:02,708 --> 04:57:59,520
right exactly yeah sure but you know

7110
04:58:06,150 --> 04:58:02,718
what pragmatic then they don't use

7111
04:58:08,868 --> 04:58:06,160
twitter and ask for your representative

7112
04:58:11,510 --> 04:58:08,878
to start a federally run

7113
04:58:13,830 --> 04:58:11,520

uh what they call social media that you

7114

04:58:16,390 --> 04:58:13,840

pay with your taxes instead of paying

7115

04:58:18,550 --> 04:58:16,400

advertising revenue for this guy have an

7116

04:58:20,150 --> 04:58:18,560

open platform bring that up with your

7117

04:58:21,750 --> 04:58:20,160

people because otherwise this is all you

7118

04:58:24,470 --> 04:58:21,760

have and you everyone's going to keep

7119

04:58:26,948 --> 04:58:24,480

using it yeah but listen just as a

7120

04:58:29,270 --> 04:58:26,958

computer guy that would cost billions to

7121

04:58:31,910 --> 04:58:29,280

do to scale up like these companies like

7122

04:58:33,350 --> 04:58:31,920

facebook kind of metered or heal up

7123

04:58:35,750 --> 04:58:33,360

you're not going to scale up to the size

7124

04:58:37,110 --> 04:58:35,760

of facebook without spending billions

7125

04:58:38,868 --> 04:58:37,120

and billions of dollars and it would be

7126
04:58:41,670 --> 04:58:38,878
a huge challenge even just to get people

7127
04:58:44,070 --> 04:58:41,680
to clone facebook and scale up the

7128
04:58:48,390 --> 04:58:44,080
hardware to make it possible so all that

7129
04:58:50,948 --> 04:58:48,400
there we go the old times and meetings

7130
04:58:52,150 --> 04:58:50,958
yeah meet and meet in the town square

7131
04:58:54,070 --> 04:58:52,160
right

7132
04:58:56,470 --> 04:58:54,080
it's their options man i hate when

7133
04:58:58,310 --> 04:58:56,480
people say oh this company they're

7134
04:59:00,390 --> 04:58:58,320
censoring this and stuff no they're down

7135
04:59:02,868 --> 04:59:00,400
you idiot just don't [h__h] use it

7136
04:59:05,030 --> 04:59:02,878
that's it yeah no that and that's the

7137
04:59:06,550 --> 04:59:05,040
absolute right but that's why it's a

7138
04:59:08,788 --> 04:59:06,560

private company

7139

04:59:10,390 --> 04:59:08,798

and that's what that's the rub every

7140

04:59:12,708 --> 04:59:10,400

time everyone's like oh how could

7141

04:59:15,510 --> 04:59:12,718

twitter do this because it is a public

7142

04:59:17,190 --> 04:59:15,520

square it's the modern public square so

7143

04:59:19,830 --> 04:59:17,200

it needs to be kind of considered a

7144

04:59:21,990 --> 04:59:19,840

utility except it's not public oh i

7145

04:59:23,910 --> 04:59:22,000

don't go to dan's house and take a piss

7146

04:59:26,150 --> 04:59:23,920

in his living room i can't be all like

7147

04:59:28,310 --> 04:59:26,160

it's my right to take a piss on your

7148

04:59:30,150 --> 04:59:28,320

living room because i rather piss on

7149

04:59:31,670 --> 04:59:30,160

your living room well mario well

7150

04:59:34,150 --> 04:59:31,680

speaking of these speaking of these

7151
04:59:36,310 --> 04:59:34,160
social media giants there's now i see on

7152
04:59:38,788 --> 04:59:36,320
twitter uh somebody is reporting i

7153
04:59:40,868 --> 04:59:38,798
haven't confirmed this but that facebook

7154
04:59:43,350 --> 04:59:40,878
has labeled both of president donald

7155
04:59:45,030 --> 04:59:43,360
trump's posts tonight saying the winner

7156
04:59:47,750 --> 04:59:45,040
has not been projected

7157
04:59:49,750 --> 04:59:47,760
so he he uh on facebook said i'll be

7158
04:59:51,590 --> 04:59:49,760
making a statement tonight a big win

7159
04:59:53,590 --> 04:59:51,600
facebook says votes are being counted

7160
04:59:55,830 --> 04:59:53,600
the winner of the 2020 us presidential

7161
04:59:58,150 --> 04:59:55,840
election has not been projected

7162
04:59:59,670 --> 04:59:58,160
uh and on the post where he wrote we are

7163
05:00:01,190 --> 04:59:59,680

up big but they are trying to steal the

7164

05:00:02,948 --> 05:00:01,200

election we will never let them do it

7165

05:00:05,670 --> 05:00:02,958

votes cannot be cast after the polls are

7166

05:00:07,670 --> 05:00:05,680

closed facebook again final results may

7167

05:00:09,830 --> 05:00:07,680

be different from initial vote counts as

7168

05:00:11,830 --> 05:00:09,840

ballot counting will continue for days

7169

05:00:13,510 --> 05:00:11,840

or weeks i think we're going to have

7170

05:00:14,550 --> 05:00:13,520

another gore

7171

05:00:17,110 --> 05:00:14,560

issue

7172

05:00:21,910 --> 05:00:17,120

oh absolutely twitter also just posted

7173

05:00:25,910 --> 05:00:23,990

you mean not spooky

7174

05:00:27,750 --> 05:00:25,920

not spooky you know i'm pretty sure i'm

7175

05:00:29,750 --> 05:00:27,760

pretty sure i've had a mexican piss in

7176

05:00:32,628 --> 05:00:29,760

my living room once

7177

05:00:32,638 --> 05:00:46,070

what

7178

05:00:48,948 --> 05:00:47,270

so dan you don't think they're going to

7179

05:00:49,830 --> 05:00:48,958

declare any of this i don't think i

7180

05:00:53,670 --> 05:00:49,840

don't think

7181

05:00:55,110 --> 05:00:53,680

some kind of software glitch apparently

7182

05:00:56,788 --> 05:00:55,120

that they're work trying to work through

7183

05:00:58,070 --> 05:00:56,798

which is why they haven't gotten

7184

05:01:00,230 --> 05:00:58,080

russian

7185

05:01:01,510 --> 05:01:00,240

yeah i was gonna say

7186

05:01:03,510 --> 05:01:01,520

i mean so they're not gonna i don't

7187

05:01:05,110 --> 05:01:03,520

think they're gonna post tonight pas

7188

05:01:06,948 --> 05:01:05,120

pennsylvania is definitely not gonna

7189

05:01:08,628 --> 05:01:06,958

[h__h] post anything tonight for sure

7190

05:01:11,350 --> 05:01:08,638

that's the one they've got nine they've

7191

05:01:13,190 --> 05:01:11,360

got nine days to man

7192

05:01:14,628 --> 05:01:13,200

if this is the if this is the case we

7193

05:01:16,708 --> 05:01:14,638

don't get an answer it's like [h__h]

7194

05:01:18,470 --> 05:01:16,718

without coming right like

7195

05:01:20,230 --> 05:01:18,480

come on

7196

05:01:23,990 --> 05:01:20,240

you don't get to the you don't get it it

7197

05:01:27,350 --> 05:01:25,110

it's going to [h__h] come down to

7198

05:01:29,030 --> 05:01:27,360

pennsylvania and it's going to be like

7199

05:01:30,788 --> 05:01:29,040

tied and they're going to find out that

7200

05:01:32,550 --> 05:01:30,798

cambians like the only [h__h] in

7201
05:01:34,470 --> 05:01:32,560
pennsylvania

7202
05:01:35,670 --> 05:01:34,480
yeah i'm the only guy

7203
05:01:37,590 --> 05:01:35,680
i'm gonna have to pick one of these

7204
05:01:38,948 --> 05:01:37,600
[h__h] are you crazy that'd be a

7205
05:01:41,350 --> 05:01:38,958
nightmare

7206
05:01:43,190 --> 05:01:41,360
and then and then deal with the vitriol

7207
05:01:47,990 --> 05:01:43,200
of the other side that i didn't choose

7208
05:01:49,910 --> 05:01:48,000
imagine that adderall or sudafed

7209
05:01:52,390 --> 05:01:49,920
blow up

7210
05:01:55,030 --> 05:01:52,400
it comes down to mcdonald's or starbucks

7211
05:02:02,868 --> 05:01:55,040
cambium what are you gonna do or burger

7212
05:02:06,948 --> 05:02:04,708
this is the craziest election since the

7213
05:02:07,750 --> 05:02:06,958

last one i remember watching the last

7214

05:02:10,470 --> 05:02:07,760

one

7215

05:02:12,390 --> 05:02:10,480

i was watching cnn and i was watching

7216

05:02:13,910 --> 05:02:12,400

and i just couldn't believe it like they

7217

05:02:15,030 --> 05:02:13,920

couldn't believe it they were like and

7218

05:02:19,030 --> 05:02:15,040

trump

7219

05:02:21,990 --> 05:02:19,040

were like almost

7220

05:02:23,910 --> 05:02:22,000

like in tears all of cnn they couldn't

7221

05:02:25,350 --> 05:02:23,920

believe it nobody could believe it

7222

05:02:27,350 --> 05:02:25,360

here's how [h__h] up this country is

7223

05:02:30,150 --> 05:02:27,360

right now so fox news which has always

7224

05:02:33,030 --> 05:02:30,160

been traditionally republican is saying

7225

05:02:36,150 --> 05:02:33,040

that biden is winning the new york times

7226

05:02:37,910 --> 05:02:36,160

which is basically a liberal newspaper

7227

05:02:40,390 --> 05:02:37,920

is saying that [h__\h] trump is winning

7228

05:02:42,310 --> 05:02:40,400

like that's how [h__\h] stupid this [h__\h]

7229

05:02:45,190 --> 05:02:42,320

is getting now or how close it is i

7230

05:02:46,628 --> 05:02:45,200

appreciate that to me that is uh you

7231

05:02:47,910 --> 05:02:46,638

know kind of it's a step in the right

7232

05:02:48,948 --> 05:02:47,920

direction yeah

7233

05:02:50,310 --> 05:02:48,958

yeah yeah but are they just trying to

7234

05:02:52,150 --> 05:02:50,320

scare the crap out of their [h__\h]

7235

05:02:53,590 --> 05:02:52,160

viewers and their readers

7236

05:02:57,910 --> 05:02:53,600

get more clicks

7237

05:03:01,910 --> 05:02:57,920

it's like corey good plugging cw chances

7238

05:03:05,910 --> 05:03:04,150

i heard you guys bring up cw earlier

7239

05:03:10,070 --> 05:03:05,920

steve he was on in the beginning of the

7240

05:03:13,990 --> 05:03:12,310

where did he go

7241

05:03:17,430 --> 05:03:14,000

i don't know he had [h__h] to do he's not

7242

05:03:19,590 --> 05:03:17,440

a loser i guess lawyers can do this

7243

05:03:20,390 --> 05:03:19,600

yeah he's got like a job and [h__h] you

7244

05:03:33,510 --> 05:03:20,400

know

7245

05:03:37,190 --> 05:03:35,750

he's not underselling it like the

7246

05:03:40,470 --> 05:03:37,200

verdict of that

7247

05:03:42,788 --> 05:03:40,480

you know lawsuit is it's a precedent

7248

05:03:44,550 --> 05:03:42,798

hey yeah i'm telling you so then any asl

7249

05:03:45,990 --> 05:03:44,560

can sue any [h__h] and drag him into

7250

05:03:47,590 --> 05:03:46,000

court yeah

7251
05:03:49,190 --> 05:03:47,600
yeah but that's not going to end well

7252
05:03:50,708 --> 05:03:49,200
for cory good

7253
05:03:52,470 --> 05:03:50,718
did you guys see

7254
05:03:54,310 --> 05:03:52,480
the one of the

7255
05:03:56,150 --> 05:03:54,320
i think one of the house of whatever you

7256
05:03:57,750 --> 05:03:56,160
guys call it or senator i can't remember

7257
05:03:59,510 --> 05:03:57,760
which of the two

7258
05:04:16,310 --> 05:03:59,520
one of them is a q

7259
05:04:20,550 --> 05:04:18,230
finally those sealed military

7260
05:04:22,550 --> 05:04:20,560
indictments are gonna be unsealed

7261
05:04:26,868 --> 05:04:22,560
they're gonna they're gonna unearth

7262
05:04:30,070 --> 05:04:26,878
luciferian principles and george soros i

7263
05:04:31,590 --> 05:04:30,080

can't even like to build the burgers

7264

05:04:32,708 --> 05:04:31,600

like dude she knows where all the she

7265

05:04:34,390 --> 05:04:32,718

knows where all the [h__h] deep

7266

05:04:36,948 --> 05:04:34,400

underground military bases are with all

7267

05:04:38,070 --> 05:04:36,958

the kids locked up and [h__h] yep

7268

05:04:40,628 --> 05:04:38,080

right now there's

7269

05:04:42,310 --> 05:04:40,638

going on by the way

7270

05:04:43,990 --> 05:04:42,320

so a moment of silence for all those

7271

05:04:51,030 --> 05:04:44,000

soldiers that died in the underground

7272

05:04:54,230 --> 05:04:51,830

yeah

7273

05:04:56,470 --> 05:04:54,240

oh [h__h]

7274

05:04:58,708 --> 05:04:56,480

[h__h] david i'm not gonna lie i kind

7275

05:05:01,910 --> 05:04:58,718

of like ike a little bit he's got like

7276

05:05:07,190 --> 05:05:03,990

in the same way alex jones is you know

7277

05:05:09,670 --> 05:05:07,200

that [\h__\h] [\h__\h] hey he you know

7278

05:05:12,070 --> 05:05:09,680

uh man oh by the way

7279

05:05:15,750 --> 05:05:12,080

the demons are coming we're making um

7280

05:05:17,270 --> 05:05:15,760

t-shirts of you bro

7281

05:05:18,470 --> 05:05:17,280

okay

7282

05:05:21,190 --> 05:05:18,480

we're gonna we're gonna go ahead and

7283

05:05:23,270 --> 05:05:21,200

wear those on our little greer

7284

05:05:27,030 --> 05:05:23,280

interview the globalist it's gonna say

7285

05:05:30,628 --> 05:05:28,948

michael you guys are perfect

7286

05:05:31,990 --> 05:05:30,638

oh yeah you think i'm bullshitting watch

7287

05:05:33,750 --> 05:05:32,000

i know tiffany's gonna [\h__\h] do that

7288

05:05:35,910 --> 05:05:33,760

[h__h] watch she's already got she already

7289

05:05:36,948 --> 05:05:35,920

made it up it's 22.50 a shirt we already

7290

05:05:39,350 --> 05:05:36,958

got in there

7291

05:05:47,190 --> 05:05:39,360

you [h__h] and then the black

7292

05:05:51,190 --> 05:05:49,190

right exactly it's going to say it's

7293

05:05:52,948 --> 05:05:51,200

going to have a big ass

7294

05:06:00,120 --> 05:05:52,958

photo of him right here in the chest and

7295

05:06:00,130 --> 05:06:08,868

[Music]

7296

05:06:14,310 --> 05:06:10,788

2270 to win and they have it right now

7297

05:06:16,310 --> 05:06:14,320

215 biden 213 trump

7298

05:06:18,628 --> 05:06:16,320

yeah they also they haven't called

7299

05:06:20,150 --> 05:06:18,638

nevada or arizona which based on vote

7300

05:06:21,670 --> 05:06:20,160

count i'd say those are those are pretty

7301

05:06:24,628 --> 05:06:21,680

strong biden

7302

05:06:30,948 --> 05:06:24,638

states so that's another 17 votes for

7303

05:06:35,190 --> 05:06:32,948

yeah you said you were working tomorrow

7304

05:06:36,390 --> 05:06:35,200

i heard from people family that i know

7305

05:06:37,990 --> 05:06:36,400

in the states and stuff that they

7306

05:06:39,510 --> 05:06:38,000

actually let them take the day off

7307

05:06:41,750 --> 05:06:39,520

tomorrow is that true yeah that's nice i

7308

05:06:43,190 --> 05:06:41,760

don't know i don't [h__h] like

7309

05:06:44,708 --> 05:06:43,200

i was an essential worker during the

7310

05:06:47,030 --> 05:06:44,718

whole coronavirus [h__h] like i know we

7311

05:06:47,910 --> 05:06:47,040

never got like [h__h] days off so i

7312

05:06:49,990 --> 05:06:47,920

don't know i mean there's probably

7313

05:06:53,430 --> 05:06:50,000

people who are taking mental health days

7314

05:06:55,910 --> 05:06:53,440

tomorrow because they're i mean

7315

05:06:57,910 --> 05:06:55,920

like no i'm serious like joking no yeah

7316

05:07:00,070 --> 05:06:57,920

these comments on facebook this is real

7317

05:07:03,750 --> 05:07:00,080

[h__\h] dude these people are so

7318

05:07:05,510 --> 05:07:03,760

[h__\h] bent that like they're going

7319

05:07:07,830 --> 05:07:05,520

they're gonna need like psychological

7320

05:07:10,070 --> 05:07:07,840

like [h__\h] therapy sessions for the

7321

05:07:11,750 --> 05:07:10,080

next two weeks if their candidate

7322

05:07:12,470 --> 05:07:11,760

doesn't win that's just how it's gonna

7323

05:07:14,470 --> 05:07:12,480

be

7324

05:07:16,628 --> 05:07:14,480

the [h__\h] up thing mario is that the

7325

05:07:18,830 --> 05:07:16,638

election election day is not treated as

7326

05:07:21,510 --> 05:07:18,840

a national holiday that should it should

7327

05:07:22,470 --> 05:07:21,520

be i agree voter suppression

7328

05:07:23,590 --> 05:07:22,480

there

7329

05:07:25,590 --> 05:07:23,600

yeah it is because what if you have to

7330

05:07:27,510 --> 05:07:25,600

go to work there were some issues in in

7331

05:07:29,350 --> 05:07:27,520

pennsylvania yeah

7332

05:07:31,430 --> 05:07:29,360

they didn't open the polls vote on one

7333

05:07:33,510 --> 05:07:31,440

day though you can vote earlier it is a

7334

05:07:35,270 --> 05:07:33,520

form of suppression because most people

7335

05:07:36,628 --> 05:07:35,280

do definitely a form of suppression like

7336

05:07:38,230 --> 05:07:36,638

in philadelphia they were supposed to

7337

05:07:40,948 --> 05:07:38,240

open the polls at seven o'clock and they

7338

05:07:42,470 --> 05:07:40,958

didn't open until 9 30 in some places so

7339

05:07:43,590 --> 05:07:42,480

people went to work

7340

05:07:44,948 --> 05:07:43,600

and then they

7341

05:07:46,390 --> 05:07:44,958

you know the polls close at seven

7342

05:07:48,230 --> 05:07:46,400

o'clock or whatever they close maybe

7343

05:07:49,590 --> 05:07:48,240

they're working through that so they

7344

05:07:51,190 --> 05:07:49,600

didn't get to vote

7345

05:07:53,670 --> 05:07:51,200

they should let everybody have the day

7346

05:07:56,070 --> 05:07:53,680

off it's voting day it's voting day you

7347

05:07:56,948 --> 05:07:56,080

have all day to do it or do it it's

7348

05:07:58,390 --> 05:07:56,958

clear

7349

05:08:00,628 --> 05:07:58,400

got this

7350

05:08:02,470 --> 05:08:00,638

do it where if you voted early you work

7351

05:08:05,270 --> 05:08:02,480

that day but everyone else gets to take

7352

05:08:08,310 --> 05:08:06,470

i think it would i think it should be a

7353

05:08:10,708 --> 05:08:08,320

national holiday we got [\h__\h] stupid

7354

05:08:12,628 --> 05:08:10,718

bank holidays for like columbus day and

7355

05:08:14,948 --> 05:08:12,638

all this other dumbass [\h__\h] we should

7356

05:08:16,550 --> 05:08:14,958

have like a [\h__\h] voting holiday i

7357

05:08:17,750 --> 05:08:16,560

used to hate my wife she used to work at

7358

05:08:19,670 --> 05:08:17,760

a bank so she would get all those

7359

05:08:21,430 --> 05:08:19,680

[\h__\h] holidays off

7360

05:08:23,190 --> 05:08:21,440

well i would hate when she was taking

7361

05:08:24,868 --> 05:08:23,200

off on like [\h__\h] columbus day i'm

7362

05:08:26,230 --> 05:08:24,878

like this isn't even a [\h__\h] holiday i

7363

05:08:28,948 --> 05:08:26,240

got to go to work and you're staying

7364

05:08:30,788 --> 05:08:28,958

home this is some [h__h] and like

7365

05:08:33,110 --> 05:08:30,798

president's day and all these stupid

7366

05:08:35,590 --> 05:08:33,120

holidays where everybody else giving day

7367

05:08:37,190 --> 05:08:35,600

[h__h] that

7368

05:08:39,110 --> 05:08:37,200

we have columbus day for a guy who

7369

05:08:40,070 --> 05:08:39,120

didn't even discover north america like

7370

05:08:44,310 --> 05:08:40,080

if we're going to do that why don't we

7371

05:08:48,230 --> 05:08:46,310

the dip [h__h]

7372

05:08:50,230 --> 05:08:48,240

yeah he thought he was in india

7373

05:08:51,750 --> 05:08:50,240

that's why he calls him and hundreds of

7374

05:08:54,070 --> 05:08:51,760

years later we're still calling him

7375

05:08:56,470 --> 05:08:54,080

indians some of us right all right so

7376

05:08:58,310 --> 05:08:56,480

i'm on my fif this is my 15 15 minute

7377

05:08:59,670 --> 05:08:58,320

warning i got to be up at like [h__h] 5

7378

05:09:01,430 --> 05:08:59,680

30 sometimes

7379

05:09:03,110 --> 05:09:01,440

you can bail out whatever you want i'm

7380

05:09:05,030 --> 05:09:03,120

going to stick it out for a little bit

7381

05:09:07,750 --> 05:09:05,040

longer i'm hoping that they're going to

7382

05:09:09,350 --> 05:09:07,760

call a few more states so we'll get some

7383

05:09:11,430 --> 05:09:09,360

indication of what's going on but it

7384

05:09:13,030 --> 05:09:11,440

looks like neck and neck it looks like

7385

05:09:14,628 --> 05:09:13,040

just down to the left

7386

05:09:16,070 --> 05:09:14,638

from here to make the statement he said

7387

05:09:18,708 --> 05:09:16,080

he was going to make a statement there

7388

05:09:20,150 --> 05:09:18,718

is still a scenario i think it's a very

7389

05:09:22,150 --> 05:09:20,160

small chance but there's still a

7390

05:09:23,830 --> 05:09:22,160

scenario that could play out where

7391

05:09:27,080 --> 05:09:23,840

neither one of them

7392

05:09:27,090 --> 05:09:32,390

[Music]

7393

05:09:40,230 --> 05:09:36,948

of the entire vote was mail-in ballots

7394

05:09:42,230 --> 05:09:40,240

for pennsylvania and that's the big one

7395

05:09:44,390 --> 05:09:42,240

everyone's butthole is like this right

7396

05:09:47,750 --> 05:09:44,400

now like [h__\h] around your closet

7397

05:09:50,150 --> 05:09:49,110

[h__\h]

7398

05:09:53,910 --> 05:09:50,160

yeah

7399

05:09:56,230 --> 05:09:53,920

hasn't been any new donald trump tweets

7400

05:09:58,948 --> 05:09:56,240

so maybe the story or the or the rumors

7401

05:10:01,670 --> 05:09:58,958

about his ability to tweet being

7402

05:10:03,590 --> 05:10:01,680

uh muted uh is true i don't know i'm

7403

05:10:05,190 --> 05:10:03,600

gonna say i i think this is i'm gonna

7404

05:10:07,190 --> 05:10:05,200

say this i think it's i think it's true

7405

05:10:09,110 --> 05:10:07,200

i think if donald trump loses the

7406

05:10:11,110 --> 05:10:09,120

biggest reason why he lost is because of

7407

05:10:13,350 --> 05:10:11,120

twitter because that [h__h] could

7408

05:10:15,110 --> 05:10:13,360

not stay off of the [h__h] cell phone

7409

05:10:17,030 --> 05:10:15,120

tweeting dumb ass [h__h] all day i

7410

05:10:19,110 --> 05:10:17,040

honestly believe that that caused more

7411

05:10:21,030 --> 05:10:19,120

problems for him in the last four years

7412

05:10:23,430 --> 05:10:21,040

than anything you know he's convinced

7413

05:10:25,030 --> 05:10:23,440

that's great he speaks right to his base

7414

05:10:27,350 --> 05:10:25,040

or whatever yeah but he also has a lot

7415

05:10:30,390 --> 05:10:27,360

of dumbass

7416

05:10:32,550 --> 05:10:30,400

either i'm sorry you guys are voting for

7417

05:10:33,670 --> 05:10:32,560

i don't know where it's going but man

7418

05:10:35,990 --> 05:10:33,680

there's a

7419

05:10:37,590 --> 05:10:36,000

large part of me just wants to see him

7420

05:10:40,390 --> 05:10:37,600

lose

7421

05:10:42,470 --> 05:10:40,400

like as a as a person

7422

05:10:44,868 --> 05:10:42,480

to be like oh

7423

05:10:47,270 --> 05:10:44,878

[h__h] we didn't have it like there's

7424

05:10:48,948 --> 05:10:47,280

something in me that just wants that

7425

05:10:50,150 --> 05:10:48,958

there's part of me like i'm gonna i mean

7426

05:10:51,750 --> 05:10:50,160

like i said i think you guys already

7427

05:10:53,030 --> 05:10:51,760

sort of know where i where i fall on

7428

05:10:54,390 --> 05:10:53,040

some of this [h__h] so i'm not gonna let

7429

05:10:56,470 --> 05:10:54,400

go and i'm not gonna say i'm not gonna

7430

05:11:09,030 --> 05:10:56,480

say but i have an idea

7431

05:11:12,628 --> 05:11:11,190

a very large group of people walking

7432

05:11:14,420 --> 05:11:12,638

towards the white house through

7433

05:11:16,550 --> 05:11:14,430

washington dc right now

7434

05:11:28,708 --> 05:11:16,560

[Music]

7435

05:11:33,350 --> 05:11:30,390

that doesn't want to see him lose

7436

05:11:35,430 --> 05:11:33,360

because not that i hate biden but i

7437

05:11:36,708 --> 05:11:35,440

don't really agree with

7438

05:11:38,310 --> 05:11:36,718

i think just what it comes down to me

7439

05:11:40,230 --> 05:11:38,320

personally is that the direction that i

7440

05:11:41,430 --> 05:11:40,240

think that they would go and some of the

7441

05:11:43,990 --> 05:11:41,440

people that he would put into his

7442

05:11:46,070 --> 05:11:44,000

cabinet i think would would start making

7443

05:11:47,990 --> 05:11:46,080

decisions that i just personally don't

7444

05:11:49,750 --> 05:11:48,000

agree with from an economic

7445

05:11:51,830 --> 05:11:49,760

mainly from an economic standpoint is

7446

05:11:53,990 --> 05:11:51,840

really what it comes down to for me

7447

05:11:55,990 --> 05:11:54,000

listen i consider myself

7448

05:11:59,190 --> 05:11:56,000

like on the left

7449

05:12:01,830 --> 05:11:59,200

and biden is the worst [h__\h] choice

7450

05:12:04,708 --> 05:12:01,840

yeah i would have liked any of the other

7451

05:12:08,390 --> 05:12:04,718

democratic contenders more than him any

7452

05:12:09,990 --> 05:12:08,400

of them what happened to bernie

7453

05:12:14,868 --> 05:12:10,000

bernie sanders

7454

05:12:18,948 --> 05:12:16,550

yeah but he got [h__h] in six he got

7455

05:12:20,550 --> 05:12:18,958

[h__h] in 16 though i think i think this

7456

05:12:22,550 --> 05:12:20,560

year was a little bit different i think

7457

05:12:23,910 --> 05:12:22,560

he just i don't know biden was like

7458

05:12:24,948 --> 05:12:23,920

biden sort of came out of nowhere

7459

05:12:27,510 --> 05:12:24,958

because i think there was a lot of

7460

05:12:30,070 --> 05:12:27,520

people on the left or just democrats who

7461

05:12:33,190 --> 05:12:30,080

were like eh like maybe bernie's a

7462

05:12:37,350 --> 05:12:33,200

little too far to the left like biden

7463

05:12:45,590 --> 05:12:38,868

it came down to who can beat trump i

7464

05:12:51,030 --> 05:12:48,628

they wanted so like they screwed them

7465

05:12:52,628 --> 05:12:51,040

out of the dnc nomination because

7466

05:12:53,990 --> 05:12:52,638

klobuchar and

7467

05:12:57,350 --> 05:12:54,000

mayor pete

7468

05:12:59,270 --> 05:12:57,360

decided at last minute to endorse biden

7469

05:13:02,070 --> 05:12:59,280

and they they want a job all the

7470

05:13:05,110 --> 05:13:02,080

jobs yeah exactly and do they have any

7471

05:13:06,868 --> 05:13:05,120

no thank god they're the worst

7472

05:13:08,868 --> 05:13:06,878

um i think i think if bernie would have

7473

05:13:11,430 --> 05:13:08,878

run against trump in 16 i think you

7474

05:13:13,270 --> 05:13:11,440

would have seen a totally different race

7475

05:13:14,550 --> 05:13:13,280

yeah i don't think he would have won but

7476

05:13:17,350 --> 05:13:14,560

it would have not been like everyone

7477

05:13:19,350 --> 05:13:17,360

blew out like like trump

7478

05:13:21,110 --> 05:13:19,360

i think he could have won this time

7479

05:13:23,590 --> 05:13:21,120

because everyone was like [\h__\h] we should

7480

05:13:25,510 --> 05:13:23,600

have done that and he got screwed again

7481

05:13:26,868 --> 05:13:25,520

and you know yeah and not only that but

7482

05:13:28,948 --> 05:13:26,878

but like

7483

05:13:30,788 --> 05:13:28,958

here's a problem i was a huge bernie

7484

05:13:32,948 --> 05:13:30,798

supporter man i would even say i was

7485

05:13:35,430 --> 05:13:32,958

like a bernie bro i loved bernie at

7486

05:13:37,750 --> 05:13:35,440

first and then he was cool when he when

7487

05:13:39,510 --> 05:13:37,760

he uh when he knew that he got [\h__\h]

7488

05:13:42,390 --> 05:13:39,520

and he still endorsed hillary that

7489

05:13:44,948 --> 05:13:42,400

[h__h] him exactly it made me lose 50 of

7490

05:13:47,030 --> 05:13:44,958

my respect for him and now we have him

7491

05:13:48,550 --> 05:13:47,040

telling us how evil the corporations are

7492

05:13:51,030 --> 05:13:48,560

and [h__h] the corporations but he

7493

05:13:53,190 --> 05:13:51,040

endorses the guy that's got the most

7494

05:13:54,150 --> 05:13:53,200

right corporate money in the future

7495

05:13:56,868 --> 05:13:54,160

so i go

7496

05:13:59,430 --> 05:13:56,878

it's just hooking yes

7497

05:14:01,670 --> 05:13:59,440

yeah twice now

7498

05:14:05,510 --> 05:14:01,680

i would not support him going forward

7499

05:14:08,708 --> 05:14:07,190

about yeah though sanders actually

7500

05:14:10,070 --> 05:14:08,718

believes in what he says and you got to

7501
05:14:11,750 --> 05:14:10,080
respect the god you know you don't have

7502
05:14:14,788 --> 05:14:11,760
to [h__h] agree with me believing what

7503
05:14:18,708 --> 05:14:14,798
he says when he sells out and tells us

7504
05:14:22,150 --> 05:14:18,718
the guy that's the wall street candidate

7505
05:14:25,510 --> 05:14:23,830
he's a politician that's why he sells

7506
05:14:27,510 --> 05:14:25,520
out but i think ultimately he does

7507
05:14:29,750 --> 05:14:27,520
believe the [h__h] that he says

7508
05:14:31,590 --> 05:14:29,760
right

7509
05:14:34,628 --> 05:14:31,600
yeah we're still out of cell truth we're

7510
05:14:37,670 --> 05:14:35,910
though i don't know how much longer i

7511
05:14:40,550 --> 05:14:37,680
can go i like i haven't smoked enough

7512
05:14:42,868 --> 05:14:40,560
weed to go to sleep yet

7513
05:14:44,628 --> 05:14:42,878

so dan dan when you go tomorrow to work

7514

05:14:46,628 --> 05:14:44,638

and you're socializing with your peers

7515

05:14:48,868 --> 05:14:46,638

and they ask you hey dan what did you do

7516

05:14:50,948 --> 05:14:48,878

last night during election time

7517

05:14:52,310 --> 05:14:50,958

what lie are you gonna come up with

7518

05:14:54,310 --> 05:14:52,320

i'm just they're not gonna ask me

7519

05:14:58,310 --> 05:14:54,320

because they they're not most of them

7520

05:15:03,350 --> 05:15:00,550

they don't care

7521

05:15:05,190 --> 05:15:03,360

okay welcome

7522

05:15:08,310 --> 05:15:05,200

somebody asked me i'm gonna say yeah i

7523

05:15:10,470 --> 05:15:08,320

was watching a documentary and

7524

05:15:12,868 --> 05:15:10,480

playing some video games and you know

7525

05:15:14,230 --> 05:15:12,878

talking to my mom on the phone you know

7526

05:15:16,390 --> 05:15:14,240

what i'm talking about my time i was

7527

05:15:18,390 --> 05:15:16,400

talking about micro dosing lsd that's

7528

05:15:19,510 --> 05:15:18,400

what i'm going to tell them i was doing

7529

05:15:21,990 --> 05:15:19,520

research

7530

05:15:23,510 --> 05:15:22,000

and feeling shield indictments too

7531

05:15:26,390 --> 05:15:23,520

that's right i was listening to the

7532

05:15:32,470 --> 05:15:26,400

irish the irish drunk correspondent call

7533

05:15:35,990 --> 05:15:34,070

yeah sorry guys

7534

05:15:37,750 --> 05:15:36,000

we were visiting how bernie got he's a

7535

05:15:39,990 --> 05:15:37,760

cool kid man but i mean that that was

7536

05:15:41,430 --> 05:15:40,000

just bad yeah well most people are nice

7537

05:15:42,948 --> 05:15:41,440

and very respectful he said that was his

7538

05:15:44,310 --> 05:15:42,958

first time on a stream so maybe he

7539

05:15:46,470 --> 05:15:44,320

didn't understand like you don't talk

7540

05:15:48,310 --> 05:15:46,480

over people or be belligerent or but he

7541

05:15:50,070 --> 05:15:48,320

was pretty drunk he was nervous well and

7542

05:15:51,670 --> 05:15:50,080

also there might have been a delay too

7543

05:15:52,550 --> 05:15:51,680

he would have been drunk

7544

05:15:54,628 --> 05:15:52,560

yeah

7545

05:15:56,070 --> 05:15:54,638

there might have been delay of being

7546

05:15:57,590 --> 05:15:56,080

halfway around the world

7547

05:15:59,190 --> 05:15:57,600

no there wasn't a delay he was just

7548

05:16:01,750 --> 05:15:59,200

[h__h] waiting

7549

05:16:03,990 --> 05:16:01,760

halfway through wasted yeah he was way

7550

05:16:06,070 --> 05:16:04,000

wasted yeah he was our irish drunk

7551

05:16:08,390 --> 05:16:06,080

correspondent there we go are you

7552

05:16:13,190 --> 05:16:08,400

following that demonstration outside of

7553

05:16:18,948 --> 05:16:16,948

yeah i am right now at the moment

7554

05:16:20,708 --> 05:16:18,958

i was just wondering how many people are

7555

05:16:21,990 --> 05:16:20,718

are out there because remember cambium

7556

05:16:24,550 --> 05:16:22,000

we talked about that they were

7557

05:16:26,628 --> 05:16:24,560

organizing they were they had a plan

7558

05:16:28,310 --> 05:16:26,638

before today happened

7559

05:16:29,510 --> 05:16:28,320

yeah to disrupt the white house and

7560

05:16:31,990 --> 05:16:29,520

disrupt the

7561

05:16:33,590 --> 05:16:32,000

you know uh all they have a whole plan

7562

05:16:36,470 --> 05:16:33,600

of what they're gonna do yeah but you

7563

05:16:37,990 --> 05:16:36,480

know once you see the 50 cal zombies

7564

05:16:40,070 --> 05:16:38,000

dropping down

7565

05:16:42,390 --> 05:16:40,080

the helicopters you're like yeah you

7566

05:16:45,030 --> 05:16:42,400

know what never mind yeah [h__h] this

7567

05:16:47,430 --> 05:16:45,040

revolution i'm going home yeah

7568

05:16:49,830 --> 05:16:47,440

live to fight another day maybe was that

7569

05:16:51,350 --> 05:16:49,840

like the in the [h__h] gerard

7570

05:16:53,270 --> 05:16:51,360

movie yeah you know that [h__h] on the

7571

05:16:55,910 --> 05:16:53,280

white house roof like the [h__h] rocket

7572

05:16:59,670 --> 05:16:57,830

yeah is that the white house down or

7573

05:17:01,190 --> 05:16:59,680

whatever yeah

7574

05:17:02,390 --> 05:17:01,200

olympus as well a lot of people don't

7575

05:17:04,390 --> 05:17:02,400

know

7576

05:17:05,590 --> 05:17:04,400

they really do they really do have a lot

7577

05:17:07,670 --> 05:17:05,600

of weapons at the white house that

7578

05:17:09,750 --> 05:17:07,680

nobody knows about because they can't

7579

05:17:11,990 --> 05:17:09,760

have a [h__h] apparent plane going

7580

05:17:14,470 --> 05:17:12,000

correct especially

7581

05:17:17,510 --> 05:17:14,480

they have respirations pedophiles they

7582

05:17:19,590 --> 05:17:17,520

have laser guns alien technology

7583

05:17:21,990 --> 05:17:19,600

they got reptilian soldiers in the

7584

05:17:23,830 --> 05:17:22,000

basement there's a tr three william

7585

05:17:25,350 --> 05:17:23,840

thorne you guys saw the truth

7586

05:17:26,628 --> 05:17:25,360

you guys saw the turrets on top of the

7587

05:17:28,390 --> 05:17:26,638

white house right

7588

05:17:30,150 --> 05:17:28,400

what happened no i'm kidding i'm not

7589

05:17:32,708 --> 05:17:30,160

kidding you guys saw the turrets on top

7590

05:17:34,390 --> 05:17:32,718

of the on the white house the what 9 11

7591

05:17:35,830 --> 05:17:34,400

happened there were turrets there were

7592

05:17:37,430 --> 05:17:35,840

anti-aircraft turrets on top of the

7593

05:17:39,350 --> 05:17:37,440

white house you guys yeah see that you

7594

05:17:40,310 --> 05:17:39,360

guys don't remember this oh yeah when

7595

05:17:44,708 --> 05:17:40,320

when

7596

05:17:47,110 --> 05:17:44,718

was going to say like dude that thing is

7597

05:17:48,390 --> 05:17:47,120

there they popped up from the roof

7598

05:17:50,070 --> 05:17:48,400

yeah

7599

05:17:51,670 --> 05:17:50,080

that's that place is [h__h] fortified

7600

05:17:53,350 --> 05:17:51,680

man i wouldn't want to be a protester

7601
05:17:55,110 --> 05:17:53,360
going against the [h__h] no no no no no

7602
05:17:56,230 --> 05:17:55,120
anthony yeah good luck

7603
05:17:57,990 --> 05:17:56,240
good luck

7604
05:17:59,510 --> 05:17:58,000
dude you don't even have to get hit by

7605
05:18:02,070 --> 05:17:59,520
one of those bullets they could whiz by

7606
05:18:04,150 --> 05:18:02,080
you and lop off your [h__h] arm it's

7607
05:18:05,910 --> 05:18:04,160
[h__h] john rambo will try to chop off

7608
05:18:08,788 --> 05:18:05,920
your dick before you can get near the

7609
05:18:12,310 --> 05:18:08,798
president well now it's got [h__h] five

7610
05:18:15,510 --> 05:18:13,750
jeez they were just talking about it you

7611
05:18:16,868 --> 05:18:15,520
can just wake up walk up to the white

7612
05:18:17,990 --> 05:18:16,878
house lawn or see me walk up to the

7613
05:18:19,590 --> 05:18:18,000

white house door and say hey i want to

7614

05:18:23,030 --> 05:18:19,600

speak to the president now it's got

7615

05:18:26,708 --> 05:18:24,390

i don't know i don't have to tell you

7616

05:18:29,510 --> 05:18:26,718

guys i don't know i know the mexicans

7617

05:18:31,750 --> 05:18:29,520

didn't pay for that wall

7618

05:18:33,670 --> 05:18:31,760

yeah that's that part's true

7619

05:18:36,070 --> 05:18:33,680

and but trump didn't divert funding from

7620

05:18:38,070 --> 05:18:36,080

a lot of different things and

7621

05:18:39,270 --> 05:18:38,080

found the funding somehow

7622

05:18:40,868 --> 05:18:39,280

which was

7623

05:18:42,550 --> 05:18:40,878

that's not what he promised he did

7624

05:18:44,470 --> 05:18:42,560

promise he filled the wall and he is but

7625

05:18:45,110 --> 05:18:44,480

he promised the mexicans would pay for

7626

05:18:46,628 --> 05:18:45,120

it

7627

05:18:48,310 --> 05:18:46,638

and but here's what i'll say in his

7628

05:18:50,470 --> 05:18:48,320

defense he did say something about some

7629

05:18:52,070 --> 05:18:50,480

kind of tariff system or something so

7630

05:18:53,830 --> 05:18:52,080

maybe he could pay for it in his second

7631

05:18:55,510 --> 05:18:53,840

term if he gets one but

7632

05:18:58,708 --> 05:18:55,520

i don't know what's going to happen here

7633

05:19:03,110 --> 05:18:58,718

i know i didn't pay for [h__\h] so hey 270

7634

05:19:05,590 --> 05:19:03,120

to win 270 to win has now showed biden

7635

05:19:08,230 --> 05:19:05,600

as winning minnesota

7636

05:19:09,830 --> 05:19:08,240

so he's now up 225

7637

05:19:11,190 --> 05:19:09,840

to 213.

7638

05:19:14,550 --> 05:19:11,200

holy [\h__\h]

7639

05:19:16,070 --> 05:19:14,560

what the [\h__\h] oh that's what he has 24

7640

05:19:18,788 --> 05:19:16,080

to 213.

7641

05:19:22,948 --> 05:19:20,150

yeah but we're getting to some point

7642

05:19:25,750 --> 05:19:22,958

where people are agreeing now at least

7643

05:19:30,070 --> 05:19:25,760

235 to 214 is it

7644

05:19:31,270 --> 05:19:30,080

i think 23 24. on 270 to win it's 225 to

7645

05:19:32,788 --> 05:19:31,280

213.

7646

05:19:35,270 --> 05:19:32,798

they haven't given him they haven't

7647

05:19:36,628 --> 05:19:35,280

given biden arizona and nevada yet which

7648

05:19:38,230 --> 05:19:36,638

like i said i think he's gonna win so

7649

05:19:39,670 --> 05:19:38,240

that's another 17

7650

05:19:42,310 --> 05:19:39,680

electoral votes then that would put

7651
05:19:44,788 --> 05:19:42,320
biden at 242 and then that leaves

7652
05:19:46,788 --> 05:19:44,798
wisconsin michigan pennsylvania north

7653
05:19:49,430 --> 05:19:46,798
carolina and georgia all of those states

7654
05:19:52,788 --> 05:19:49,440
currently trump is winning

7655
05:19:54,788 --> 05:19:52,798
but again with 50 to 60 percent of the

7656
05:19:56,628 --> 05:19:54,798
margin and pragmatic like pragmatic said

7657
05:19:57,990 --> 05:19:56,638
a lot of these votes are mailing votes

7658
05:19:59,990 --> 05:19:58,000
that we haven't they haven't been

7659
05:20:01,990 --> 05:20:00,000
counted yet

7660
05:20:03,430 --> 05:20:02,000
it's crazy

7661
05:20:06,390 --> 05:20:03,440
yeah this is going to be the first time

7662
05:20:08,948 --> 05:20:06,400
i remember in history of my life that

7663
05:20:11,110 --> 05:20:08,958

that the election wasn't called on

7664

05:20:15,430 --> 05:20:11,120

election night except for

7665

05:20:21,190 --> 05:20:18,230

yeah that was the biggest one

7666

05:20:26,470 --> 05:20:21,200

florida recount that took like weeks

7667

05:20:29,590 --> 05:20:27,590

they stopped the recount that's why

7668

05:20:31,670 --> 05:20:29,600

that's how he ended up winning because

7669

05:20:33,670 --> 05:20:31,680

they were like you know this recount is

7670

05:20:34,708 --> 05:20:33,680

over and they basically handed it to

7671

05:20:36,708 --> 05:20:34,718

bush

7672

05:20:39,430 --> 05:20:36,718

but yeah and his brother was the

7673

05:20:41,190 --> 05:20:39,440

governor of florida hillary did yeah

7674

05:20:42,390 --> 05:20:41,200

last election but it comes down to

7675

05:20:44,230 --> 05:20:42,400

electoral well it's going to be the same

7676

05:20:46,470 --> 05:20:44,240

thing again if trump if trump ends up

7677

05:20:47,670 --> 05:20:46,480

winning he's going to be right

7678

05:20:50,070 --> 05:20:47,680

he's going to lose the popular vote

7679

05:20:50,788 --> 05:20:50,080

again yeah speaking of that did you guys

7680

05:20:54,070 --> 05:20:50,798

uh

7681

05:21:00,230 --> 05:20:54,080

decide

7682

05:21:02,390 --> 05:21:00,240

sure so did you read that she could be

7683

05:21:05,030 --> 05:21:02,400

president there's a story on cnn right

7684

05:21:07,030 --> 05:21:05,040

now a trump bite and tied could lead to

7685

05:21:10,550 --> 05:21:07,040

president nancy pelosi here's him yeah

7686

05:21:14,788 --> 05:21:12,948

impossible scenarios

7687

05:21:16,470 --> 05:21:14,798

it's basically temporary though like it

7688

05:21:18,550 --> 05:21:16,480

would be only until they decide on who

7689

05:21:21,910 --> 05:21:18,560

the actual president is she's an

7690

05:21:23,990 --> 05:21:21,920

animated mannequin like she's done

7691

05:21:25,910 --> 05:21:24,000

my favorite was this time when everybody

7692

05:21:27,510 --> 05:21:25,920

was struggling so much financially and

7693

05:21:30,230 --> 05:21:27,520

she was showing like twenty dollar a

7694

05:21:31,910 --> 05:21:30,240

pint a big freezer of ice cream that was

7695

05:21:34,390 --> 05:21:31,920

all twenty dollar a pint and we were

7696

05:21:37,430 --> 05:21:34,400

like really [h__h] you know and here's my

7697

05:21:39,190 --> 05:21:37,440

ice cream freezer it's like oh [h__h] you

7698

05:21:41,590 --> 05:21:39,200

and then she has the balls to go on

7699

05:21:44,390 --> 05:21:41,600

television be like we need to look after

7700

05:22:00,788 --> 05:21:44,400

the people that are less uh what is the

7701
05:22:04,708 --> 05:22:02,628
office

7702
05:22:06,230 --> 05:22:04,718
i think right now david i think she was

7703
05:22:09,190 --> 05:22:06,240
i think her family

7704
05:22:11,430 --> 05:22:09,200
yeah her family was like

7705
05:22:13,990 --> 05:22:11,440
type family before she got you was born

7706
05:22:16,070 --> 05:22:14,000
into [h__h] you money yeah

7707
05:22:18,470 --> 05:22:16,080
what [h__h] you money that's a goal of my

7708
05:22:19,830 --> 05:22:18,480
lifetime i need some [h__h] you money but

7709
05:22:22,230 --> 05:22:19,840
she's part of that she's part of that

7710
05:22:25,590 --> 05:22:22,240
mitch mcconnell chuck schumer fan club

7711
05:22:27,510 --> 05:22:25,600
that needs to get the [h__h] out right

7712
05:22:29,430 --> 05:22:27,520
we can come together

7713
05:22:31,110 --> 05:22:29,440

and say look i'm sorry

7714

05:22:34,470 --> 05:22:31,120

anybody that's been there more than 10

7715

05:22:38,948 --> 05:22:37,050

what about spacex

7716

05:22:40,628 --> 05:22:38,958

[Laughter]

7717

05:22:42,550 --> 05:22:40,638

you worry about dictatorships but you

7718

05:22:44,708 --> 05:22:42,560

have people there serving in public

7719

05:22:45,590 --> 05:22:44,718

office for like forever that's what i'm

7720

05:22:47,110 --> 05:22:45,600

saying

7721

05:22:48,788 --> 05:22:47,120

they complain about donald trump who's

7722

05:22:50,310 --> 05:22:48,798

been in office for three years or three

7723

05:22:51,750 --> 05:22:50,320

and a half years but you got these same

7724

05:22:53,430 --> 05:22:51,760

dumb ass [h__\h] that have been

7725

05:22:54,470 --> 05:22:53,440

there for 30 years that basically run

7726

05:22:55,270 --> 05:22:54,480

the show

7727

05:22:58,788 --> 05:22:55,280

and

7728

05:23:00,070 --> 05:22:58,798

say like look this enough is enough

7729

05:23:03,030 --> 05:23:00,080

because none of these people are looking

7730

05:23:05,030 --> 05:23:03,040

out for us bro none of those things but

7731

05:23:07,110 --> 05:23:05,040

it's like the uh the famous the famous

7732

05:23:09,190 --> 05:23:07,120

george carlin they don't give a [h__h]

7733

05:23:10,708 --> 05:23:09,200

about you these are real guys

7734

05:23:12,948 --> 05:23:10,718

don't give up

7735

05:23:15,030 --> 05:23:12,958

george carlin is the i mean george

7736

05:23:16,708 --> 05:23:15,040

cullen is god when it comes to [h__h]

7737

05:23:19,190 --> 05:23:16,718

ripping the [h__h] out of the goddamn

7738

05:23:20,628 --> 05:23:19,200

political system of you know

7739

05:23:22,150 --> 05:23:20,638

yeah i really liked him i'm sad that

7740

05:23:24,150 --> 05:23:22,160

he's gone i wish he would have recorded

7741

05:23:25,750 --> 05:23:24,160

a few more specials [h__\h]

7742

05:23:28,230 --> 05:23:25,760

away

7743

05:23:30,948 --> 05:23:28,240

well he lives on in kevin smith films so

7744

05:23:33,510 --> 05:23:30,958

we have that he does yeah yeah you

7745

05:23:35,750 --> 05:23:33,520

sometimes listen break magic sometimes

7746

05:23:38,470 --> 05:23:35,760

you just gotta take a shot in the mouth

7747

05:23:41,110 --> 05:23:38,480

exactly the right way

7748

05:23:44,310 --> 05:23:41,120

the road rules or what they call it the

7749

05:23:45,830 --> 05:23:44,320

the book of the road

7750

05:23:47,510 --> 05:23:45,840

i think i think george carlin was in the

7751
05:23:49,030 --> 05:23:47,520
new bill and ted movie they did like us

7752
05:23:53,110 --> 05:23:49,040
they got him in there somehow i think

7753
05:23:55,270 --> 05:23:53,120
yeah they did so i watched fake video

7754
05:23:57,190 --> 05:23:55,280
yeah it's basically it's really early on

7755
05:23:59,350 --> 05:23:57,200
the film but it's like yeah just this

7756
05:24:01,430 --> 05:23:59,360
kind of hologram type

7757
05:24:03,110 --> 05:24:01,440
thing uh the

7758
05:24:04,628 --> 05:24:03,120
there's a girl they got carrie fisher

7759
05:24:07,270 --> 05:24:04,638
that's cool i haven't seen that i want

7760
05:24:09,510 --> 05:24:07,280
to see it now it's awesome i'm a huge

7761
05:24:11,030 --> 05:24:09,520
contest like bogus journey is what we

7762
05:24:12,310 --> 05:24:11,040
have

7763
05:24:13,110 --> 05:24:12,320

like

7764

05:24:14,470 --> 05:24:13,120

man

7765

05:24:16,948 --> 05:24:14,480

i love that [\h__\h] growing up that's one

7766

05:24:18,390 --> 05:24:16,958

of the reasons i started a rock band i

7767

05:24:20,390 --> 05:24:18,400

swear to god i watched that and i was

7768

05:24:23,430 --> 05:24:20,400

like hey hot chicks and you get to play

7769

05:24:24,310 --> 05:24:23,440

guitars and like they did a good job

7770

05:24:26,550 --> 05:24:24,320

they did

7771

05:24:28,230 --> 05:24:26,560

death comes back who's like my favorite

7772

05:24:31,030 --> 05:24:28,240

part

7773

05:24:33,590 --> 05:24:31,040

yeah yeah absolutely

7774

05:24:35,830 --> 05:24:33,600

i'm looking for new new news but it

7775

05:24:38,390 --> 05:24:35,840

still seems like it's just dragging on

7776

05:24:39,510 --> 05:24:38,400

and dragging on and we're not getting uh

7777

05:24:42,628 --> 05:24:39,520

uh

7778

05:24:43,910 --> 05:24:42,638

fox news has joe biden 238 donald trump

7779

05:24:44,948 --> 05:24:43,920

213

7780

05:24:46,390 --> 05:24:44,958

right now

7781

05:24:48,230 --> 05:24:46,400

so that means

7782

05:24:51,590 --> 05:24:48,240

42 points away from

7783

05:24:54,948 --> 05:24:51,600

42 electoral colleges apparently

7784

05:24:57,670 --> 05:24:54,958

tucker carlson like ripped into fox news

7785

05:25:00,230 --> 05:24:57,680

live on the air tonight what did he do

7786

05:25:01,670 --> 05:25:00,240

other than he ripped into them about uh

7787

05:25:04,708 --> 05:25:01,680

like uh

7788

05:25:07,590 --> 05:25:04,718

calling the election before

7789

05:25:09,990 --> 05:25:07,600

yeah he called biden

7790

05:25:11,670 --> 05:25:10,000

no no he he called fox and other

7791

05:25:13,670 --> 05:25:11,680

networks he were calling biden before

7792

05:25:15,830 --> 05:25:13,680

the election results came out

7793

05:25:18,230 --> 05:25:15,840

dude [h__h] mario's mario's picture

7794

05:25:20,550 --> 05:25:18,240

cracks me the [h__h] up it's like this

7795

05:25:21,830 --> 05:25:20,560

creepy david wilcock [h__h]

7796

05:25:23,670 --> 05:25:21,840

picture

7797

05:25:25,110 --> 05:25:23,680

i think he screenshotted that from my

7798

05:25:27,750 --> 05:25:25,120

show because i just you know what's

7799

05:25:29,350 --> 05:25:27,760

funny i just happened to stop i saw that

7800

05:25:32,230 --> 05:25:29,360

wilcock video

7801
05:25:33,270 --> 05:25:32,240
on him making this funny [\h__\h] crazy

7802
05:25:35,110 --> 05:25:33,280
face

7803
05:25:36,948 --> 05:25:35,120
yeah i thought last night i did i did

7804
05:25:38,550 --> 05:25:36,958
that's where i got it from

7805
05:25:40,070 --> 05:25:38,560
the first time i'm not gonna lie the

7806
05:25:42,150 --> 05:25:40,080
first time i came in here

7807
05:25:44,948 --> 05:25:42,160
i was really hoping bruce springsteen i

7808
05:25:46,470 --> 05:25:44,958
mean david wilcock i mean uh

7809
05:25:47,670 --> 05:25:46,480
uh brandon young

7810
05:25:49,910 --> 05:25:47,680
uh

7811
05:25:53,270 --> 05:25:51,510
yeah they're all busy i was hoping it

7812
05:25:54,550 --> 05:25:53,280
was gonna stay

7813
05:25:56,150 --> 05:25:54,560

so i don't know what happened there's

7814

05:25:58,830 --> 05:25:56,160

still 16 people in the live chat

7815

05:26:02,390 --> 05:25:58,840

listening to us [\h__\h]

7816

05:26:04,470 --> 05:26:02,400

arguing that's crazy yeah listen here's

7817

05:26:07,190 --> 05:26:04,480

here's another funny thing i realized

7818

05:26:09,430 --> 05:26:07,200

something that in order to get uh higher

7819

05:26:13,030 --> 05:26:09,440

search engine results i had to get

7820

05:26:15,430 --> 05:26:13,040

higher views per video so uh here's one

7821

05:26:18,150 --> 05:26:15,440

of the crazy things like if you do a six

7822

05:26:20,628 --> 05:26:18,160

hour video you're going to get six times

7823

05:26:23,190 --> 05:26:20,638

of the views you would get if you did a

7824

05:26:25,990 --> 05:26:23,200

one hour video so i'm trying to work

7825

05:26:28,230 --> 05:26:26,000

harder and stream my life away here to

7826

05:26:30,150 --> 05:26:28,240

just get to the magic numbers that's

7827

05:26:31,510 --> 05:26:30,160

crazy hey steven hey if you wish hey

7828

05:26:33,510 --> 05:26:31,520

steven i don't really do the youtube

7829

05:26:35,270 --> 05:26:33,520

thing man if you need some help like

7830

05:26:37,590 --> 05:26:35,280

bring i i got the group i mean we've got

7831

05:26:39,830 --> 05:26:37,600

13 yeah yeah i don't mind coming on and

7832

05:26:41,910 --> 05:26:39,840

talking [h__\h] with you like

7833

05:26:44,230 --> 05:26:41,920

yeah yeah that confused yeah i got to

7834

05:26:46,708 --> 05:26:44,240

get some more i got it steven

7835

05:26:50,788 --> 05:26:46,718

go to fox news youtube right now and

7836

05:26:54,830 --> 05:26:52,230

the president is going to make a

7837

05:26:58,628 --> 05:26:54,840

statement oh yeah oh

7838

05:27:02,708 --> 05:27:00,070

to sleep but i guess i need to [\h__\h]

7839

05:27:04,150 --> 05:27:02,718

stay up and watch this

7840

05:27:07,190 --> 05:27:04,160

i got a beautiful

7841

05:27:08,230 --> 05:27:07,200

next room i gotta go let's do this

7842

05:27:09,990 --> 05:27:08,240

live

7843

05:27:12,150 --> 05:27:10,000

election results is that the one that

7844

05:27:14,310 --> 05:27:12,160

i'm supposed to be getting spooky no

7845

05:27:18,390 --> 05:27:14,320

it's um

7846

05:27:21,750 --> 05:27:19,190

uh

7847

05:27:23,670 --> 05:27:21,760

live trump delivers remarks in the white

7848

05:27:25,430 --> 05:27:23,680

house on election night

7849

05:27:26,948 --> 05:27:25,440

oh yeah i got it

7850

05:27:28,948 --> 05:27:26,958

i got it

7851

05:27:31,430 --> 05:27:28,958

here we go uh we're gonna say fair use

7852

05:27:33,990 --> 05:27:31,440

fair use uh we're uh educating the

7853

05:27:35,990 --> 05:27:34,000

public this is a transformative work

7854

05:27:36,830 --> 05:27:36,000

[h__\h] you in your eyes fox news this is

7855

05:27:39,270 --> 05:27:36,840

fair

7856

05:27:41,590 --> 05:27:39,280

use don't copyright strike me

7857

05:27:43,590 --> 05:27:41,600

and uh youtube algorithms i pray to them

7858

05:27:45,030 --> 05:27:43,600

that they will not policy violation us

7859

05:27:48,390 --> 05:27:45,040

for sharing this

7860

05:27:49,510 --> 05:27:48,400

uh and that's humbly

7861

05:27:51,990 --> 05:27:49,520

yes

7862

05:27:53,830 --> 05:27:52,000

here we go well let's oh look this does

7863

05:27:55,270 --> 05:27:53,840

not look good this is this looks like

7864

05:27:58,548 --> 05:27:55,280

he's going to declare victory or

7865

05:27:59,830 --> 05:27:58,558

something look at those flags

7866

05:28:03,750 --> 05:27:59,840

that's weird

7867

05:28:06,788 --> 05:28:04,868

man with all those flags you think

7868

05:28:08,390 --> 05:28:06,798

you're over compensating for something

7869

05:28:10,788 --> 05:28:08,400

yeah but here's something crazy what if

7870

05:28:12,628 --> 05:28:10,798

he's going to do this to concede what if

7871

05:28:15,270 --> 05:28:12,638

he's doing this to concede that's even

7872

05:28:16,948 --> 05:28:15,280

crazy right

7873

05:28:27,430 --> 05:28:16,958

there's nobody come on

7874

05:28:30,390 --> 05:28:28,948

i'm going to leave this stream up but

7875

05:28:31,830 --> 05:28:30,400

i'm not going to play it i'm just going

7876

05:28:33,110 --> 05:28:31,840

to advance it every once in a while

7877

05:28:35,350 --> 05:28:33,120

until we get to whatever's going to

7878

05:28:37,910 --> 05:28:35,360

happen and that'll give us a less chance

7879

05:28:39,990 --> 05:28:37,920

of getting copyright stricken or you

7880

05:28:41,510 --> 05:28:40,000

know whatever

7881

05:28:43,750 --> 05:28:41,520

this is fair use

7882

05:28:46,150 --> 05:28:43,760

yes maybe maybe move the screen a little

7883

05:28:49,270 --> 05:28:46,160

bit so no they can't see the fox news

7884

05:28:51,510 --> 05:28:49,280

can you do that no not really drop it no

7885

05:28:52,628 --> 05:28:51,520

it's not real

7886

05:28:53,750 --> 05:28:52,638

you know what you know what i'm gonna do

7887

05:28:55,590 --> 05:28:53,760

here's what i'm gonna do i'm just gonna

7888

05:28:57,030 --> 05:28:55,600

stop screening it spooky if you're gonna

7889

05:29:01,430 --> 05:28:57,040

monitor that

7890

05:29:03,750 --> 05:29:01,440

as soon as something actually starts

7891

05:29:05,910 --> 05:29:03,760

happening we'll share it again

7892

05:29:07,990 --> 05:29:05,920

it will do if trump this is crazy what

7893

05:29:11,030 --> 05:29:08,000

the guy is saying is he going to [h__h]

7894

05:29:13,270 --> 05:29:11,040

declare victory over he's behind by a

7895

05:29:15,670 --> 05:29:13,280

couple of like they haven't

7896

05:29:18,868 --> 05:29:15,680

counted [h__h] and declared [h__h] i think

7897

05:29:21,510 --> 05:29:18,878

he's going to his ego if he does this is

7898

05:29:23,430 --> 05:29:21,520

[h__h] through the roof he's but then

7899

05:29:25,430 --> 05:29:23,440

here's the other thing we don't know

7900

05:29:28,070 --> 05:29:25,440

what kind of information he has access

7901
05:29:30,070 --> 05:29:28,080
to that the news media and us don't he

7902
05:29:32,948 --> 05:29:30,080
might know for sure that he won or think

7903
05:29:34,390 --> 05:29:32,958
for sure that he won this is crazy this

7904
05:29:35,750 --> 05:29:34,400
has never happened

7905
05:29:38,070 --> 05:29:35,760
oh no it

7906
05:29:39,430 --> 05:29:38,080
he's he's like this this is very

7907
05:29:40,788 --> 05:29:39,440
expected

7908
05:29:42,390 --> 05:29:40,798
i'll tell you what cambie and if trump

7909
05:29:44,230 --> 05:29:42,400
comes out and says he's conceding the

7910
05:29:48,150 --> 05:29:44,240
race i will give a hundred dollars to

7911
05:29:51,990 --> 05:29:49,910
to my charity [h__h] well i don't

7912
05:29:54,390 --> 05:29:52,000
have a charity no you need to go to the

7913
05:29:56,548 --> 05:29:54,400

[h__h] you money fund oh and by the way

7914

05:29:58,390 --> 05:29:56,558

thanks to dan hogan who gave a very

7915

05:30:00,628 --> 05:29:58,400

generous 75

7916

05:30:02,788 --> 05:30:00,638

donation and here's what i did with it i

7917

05:30:05,830 --> 05:30:02,798

bought the same backdrop i like this

7918

05:30:07,590 --> 05:30:05,840

backdrop but i bought one twice as big

7919

05:30:09,270 --> 05:30:07,600

and i'm going to put it in this other

7920

05:30:11,190 --> 05:30:09,280

room and we're going to have a bigger

7921

05:30:12,390 --> 05:30:11,200

setup and i'm going to be able to take

7922

05:30:14,548 --> 05:30:12,400

live guests

7923

05:30:16,310 --> 05:30:14,558

right in the studio and i could never do

7924

05:30:19,030 --> 05:30:16,320

that before and there's a lot of local

7925

05:30:21,750 --> 05:30:19,040

people ghost hunters and paranormal

7926

05:30:23,830 --> 05:30:21,760

people there's believe it or not that or

7927

05:30:25,510 --> 05:30:23,840

people that can just drive to me like

7928

05:30:27,510 --> 05:30:25,520

there's a lot of people in the tri-state

7929

05:30:29,670 --> 05:30:27,520

and we can yeah well i don't know you're

7930

05:30:31,350 --> 05:30:29,680

gonna have to fly in bro

7931

05:30:33,270 --> 05:30:31,360

no no no i i don't think nobody's

7932

05:30:34,390 --> 05:30:33,280

playing nobody i'm i'm

7933

05:30:39,990 --> 05:30:34,400

nope

7934

05:30:43,510 --> 05:30:41,670

we can have a live guest sitting right

7935

05:30:45,270 --> 05:30:43,520

next to me or a co-host or something

7936

05:30:46,788 --> 05:30:45,280

like that and that's going to expand the

7937

05:30:48,628 --> 05:30:46,798

show that's awesome he could have bought

7938

05:30:50,310 --> 05:30:48,638

this

7939

05:30:51,110 --> 05:30:50,320

obviously assuming it's

7940

05:30:52,628 --> 05:30:51,120

safe

7941

05:30:54,230 --> 05:30:52,638

for us to you know

7942

05:30:56,010 --> 05:30:54,240

move yeah yeah absolutely i'm not trying

7943

05:30:57,830 --> 05:30:56,020

to infect nobody

7944

05:30:59,270 --> 05:30:57,840

[Laughter]

7945

05:30:59,990 --> 05:30:59,280

can't have that [\h__\h] on my conscience

7946

05:31:01,990 --> 05:31:00,000

man

7947

05:31:03,590 --> 05:31:02,000

it looks to me like this stream is still

7948

05:31:05,830 --> 05:31:03,600

just showing the same thing we showed

7949

05:31:08,070 --> 05:31:05,840

just a presidential podium with flags

7950

05:31:09,670 --> 05:31:08,080

behind him holy [\h__\h] what is this guy

7951

05:31:11,590 --> 05:31:09,680

going to say i can't wait to get it two

7952

05:31:13,350 --> 05:31:11,600

o'clock it is two o'clock in the [h__h]

7953

05:31:15,350 --> 05:31:13,360

morning and he's gonna go live and make

7954

05:31:17,030 --> 05:31:15,360

a [h__h] statement i mean that's just

7955

05:31:20,948 --> 05:31:17,040

called to arms

7956

05:31:24,548 --> 05:31:22,310

gonna first thing he's boys do is

7957

05:31:27,830 --> 05:31:24,558

complain about twitter labeling his

7958

05:31:29,670 --> 05:31:27,840

tweet as potentially inaccurate

7959

05:31:32,310 --> 05:31:29,680

he's gonna be wherever

7960

05:31:34,150 --> 05:31:32,320

censorship ever just happened to me

7961

05:31:36,708 --> 05:31:34,160

obviously i've been the biggest censor

7962

05:31:39,590 --> 05:31:36,718

president ever

7963

05:31:42,310 --> 05:31:39,600

yeah but listen i truly don't agree with

7964

05:31:43,990 --> 05:31:42,320

the tech giant's ability to withhold

7965

05:31:45,830 --> 05:31:44,000

information from the american public

7966

05:31:47,110 --> 05:31:45,840

especially if it's accurate and people

7967

05:31:49,590 --> 05:31:47,120

can say whatever they want about all

7968

05:31:51,830 --> 05:31:49,600

that bite and stuff but that it's really

7969

05:31:53,990 --> 05:31:51,840

from the laptop and then we have the guy

7970

05:31:55,750 --> 05:31:54,000

that worked with them confirming all a

7971

05:31:57,670 --> 05:31:55,760

lot of this stuff they didn't have the

7972

05:31:59,430 --> 05:31:57,680

right to stop people from seeing that

7973

05:32:02,070 --> 05:31:59,440

and they could have affected this

7974

05:32:05,750 --> 05:32:02,080

election outcome by what they did and i

7975

05:32:08,390 --> 05:32:05,760

don't think that's right regardless

7976

05:32:10,470 --> 05:32:08,400

i kind of put six on the spot so

7977

05:32:12,548 --> 05:32:10,480

i'm waiting i was like come on man i'm

7978

05:32:15,270 --> 05:32:12,558

just trying to kid with you i'm gonna

7979

05:32:17,510 --> 05:32:15,280

dance like trump come on man i got

7980

05:32:20,230 --> 05:32:17,520

[h__\h] i got [h__\h] it coming i got

7981

05:32:22,310 --> 05:32:20,240

blocked for you for like 30 minutes

7982

05:32:26,948 --> 05:32:22,320

at least respond to my

7983

05:32:31,430 --> 05:32:29,670

dan's got cool light pictures

7984

05:32:32,948 --> 05:32:31,440

someone just gave a two minute warning

7985

05:32:35,350 --> 05:32:32,958

on the fox stream

7986

05:32:37,110 --> 05:32:35,360

what two minute warning he's coming on

7987

05:32:39,750 --> 05:32:37,120

in two minutes

7988

05:32:41,590 --> 05:32:39,760

a report i just said to another reporter

7989

05:32:43,670 --> 05:32:41,600

three minutes two minutes that's how

7990

05:32:49,910 --> 05:32:43,680

long it takes me to come what

7991

05:32:53,670 --> 05:32:51,430

he might come out here and just complain

7992

05:32:55,030 --> 05:32:53,680

and [h__h] about this electoral process

7993

05:32:56,470 --> 05:32:55,040

and how it's going to be another week

7994

05:33:12,868 --> 05:32:56,480

before

7995

05:33:19,190 --> 05:33:17,350

with a [h__h] alien next to him okay

7996

05:33:20,708 --> 05:33:19,200

be like it's a reptilian you got to get

7997

05:33:23,030 --> 05:33:20,718

that right and the queen of england in

7998

05:33:25,190 --> 05:33:23,040

the background

7999

05:33:27,110 --> 05:33:25,200

jesus excuse me still not seeing

8000

05:33:28,788 --> 05:33:27,120

anything just just the presidential

8001

05:33:30,150 --> 05:33:28,798

podium and a bunch of flags behind him

8002

05:33:31,270 --> 05:33:30,160

but it sure looks like a place that

8003

05:33:32,548 --> 05:33:31,280

somebody would do that the flags are

8004

05:33:38,150 --> 05:33:32,558

going to open up and they're going to

8005

05:33:42,548 --> 05:33:39,990

there's a [h__h] star gate behind that

8006

05:33:44,548 --> 05:33:42,558

behind all those flags

8007

05:33:46,628 --> 05:33:44,558

they open the door it's just a bunch of

8008

05:33:48,948 --> 05:33:46,638

butts with things in them you know i

8009

05:33:52,708 --> 05:33:48,958

just wanted to say this this uh this

8010

05:33:54,868 --> 05:33:52,718

this scene of these american flags

8011

05:33:57,590 --> 05:33:54,878

reminds me it's like one time i i worked

8012

05:33:59,430 --> 05:33:57,600

for a politician on his campaign and uh

8013

05:34:00,948 --> 05:33:59,440

we had to set a room up like and i was

8014

05:34:02,310 --> 05:34:00,958

like well let me know and i was in

8015

05:34:03,590 --> 05:34:02,320

charge of it and i'm like what do you

8016

05:34:05,510 --> 05:34:03,600

want and he goes

8017

05:34:06,548 --> 05:34:05,520

i don't know just make it look patriotic

8018

05:34:08,868 --> 05:34:06,558

and [h__h]

8019

05:34:10,628 --> 05:34:08,878

like i don't know you know it was funny

8020

05:34:12,708 --> 05:34:10,638

so we that's what we did we just went

8021

05:34:14,948 --> 05:34:12,718

out and bought the biggest american flag

8022

05:34:17,270 --> 05:34:14,958

we could and put it on the back wall we

8023

05:34:19,030 --> 05:34:17,280

put a podium you know like and then he

8024

05:34:21,750 --> 05:34:19,040

came in and he goes yeah that's good

8025

05:34:24,070 --> 05:34:21,760

that looks real [h__h] that looks

8026

05:34:26,230 --> 05:34:24,080

this guy was the street guy man he was

8027

05:34:28,390 --> 05:34:26,240

like running for city council he was

8028

05:34:29,910 --> 05:34:28,400

like you know a Philly guy and he was

8029

05:34:32,948 --> 05:34:29,920

like yeah that looks real [h__h]

8030

05:34:34,390 --> 05:34:32,958

patriotic good job bro yeah you know oh

8031

05:34:38,470 --> 05:34:34,400

yeah

8032

05:34:40,230 --> 05:34:38,480

Philly baby

8033

05:34:42,548 --> 05:34:40,240

yeah and i never i didn't have very much

8034

05:34:44,868 --> 05:34:42,558

interest in politics but once in a while

8035

05:34:47,110 --> 05:34:44,878

uh i worked for somebody's campaign even

8036

05:34:50,390 --> 05:34:47,120

if i didn't like them or their party or

8037

05:34:52,230 --> 05:34:50,400

their whatever because it was 200 a day

8038

05:34:54,868 --> 05:34:52,240

they would give you 200 a day pretty

8039

05:34:56,868 --> 05:34:54,878

good so like go watch a poll go

8040

05:34:58,628 --> 05:34:56,878

help people with provisional balance

8041

05:34:59,510 --> 05:34:58,638

yeah do whatever

8042

05:35:01,670 --> 05:34:59,520

money

8043

05:35:02,868 --> 05:35:01,680

that's like really good extra work

8044

05:35:04,310 --> 05:35:02,878

yeah yeah

8045

05:35:09,510 --> 05:35:04,320

pretty much

8046

05:35:12,868 --> 05:35:10,868

it looks like it looks like they're

8047

05:35:14,948 --> 05:35:12,878

shifting the cameras around a little bit

8048

05:35:16,548 --> 05:35:14,958

this is a big boy's disclosure it's

8049

05:35:17,990 --> 05:35:16,558

happening he's gotta get it from his

8050

05:35:19,750 --> 05:35:18,000

good side

8051

05:35:21,830 --> 05:35:19,760

it's coming out and is this at the white

8052

05:35:23,830 --> 05:35:21,840

house where is he making this statement

8053

05:35:26,548 --> 05:35:23,840

right now

8054

05:35:29,270 --> 05:35:26,558

where he's making his fate

8055

05:35:31,110 --> 05:35:29,280

with the white house where's linda

8056

05:35:55,270 --> 05:35:31,120

he's in the east room of the white house

8057

05:35:58,390 --> 05:35:57,110

you know people and i really appreciate

8058

05:36:00,470 --> 05:35:58,400

it yeah you should come on our show

8059

05:36:02,788 --> 05:36:00,480

again and i'm i'm i'd be happy to come

8060

05:36:04,390 --> 05:36:02,798

on yours if you need a guest

8061

05:36:06,868 --> 05:36:04,400

nothing

8062

05:36:08,868 --> 05:36:06,878

all right let's do that what right now

8063

05:36:11,510 --> 05:36:08,878

brothers love you awesome you know good

8064

05:36:13,030 --> 05:36:11,520

luck if you voted for someone that you

8065

05:36:14,470 --> 05:36:13,040

that wins then

8066

05:36:17,510 --> 05:36:14,480

cool for you dude

8067

05:36:20,868 --> 05:36:17,520

yeah good job that was foreign because

8068

05:36:22,470 --> 05:36:20,878

the only other one who voted

8069

05:36:24,788 --> 05:36:22,480

that's true

8070

05:36:26,788 --> 05:36:24,798

that's pretty much it i've got it me and

8071

05:36:27,990 --> 05:36:26,798

hogan

8072

05:36:30,150 --> 05:36:28,000

yeah

8073

05:36:31,190 --> 05:36:30,160

all right guys it was great to meet you

8074

05:36:32,310 --> 05:36:31,200

thank you

8075

05:36:34,230 --> 05:36:32,320

steven

8076

05:36:35,590 --> 05:36:34,240

yeah nice to have you here

8077

05:36:37,110 --> 05:36:35,600

it's so nice to have you i like your

8078

05:36:38,070 --> 05:36:37,120

channel everybody should check out his

8079

05:36:40,628 --> 05:36:38,080

channel

8080

05:36:43,030 --> 05:36:40,638

all right guys well i will be watching

8081

05:36:45,110 --> 05:36:43,040

as a spectator i may be in the comments

8082

05:36:46,868 --> 05:36:45,120

good but anyways how do we god bless

8083

05:36:48,548 --> 05:36:46,878

have a good night

8084

05:36:51,750 --> 05:36:48,558

i can remember

8085

05:36:54,708 --> 05:36:51,760

yeah all right just exit

8086

05:36:56,788 --> 05:36:54,718

me the good father left your asleep

8087

05:36:58,390 --> 05:36:56,798

and then there were five stupid people

8088

05:36:59,830 --> 05:36:58,400

then they were fine still there's about

8089

05:37:01,670 --> 05:36:59,840

there's about to be four here in about

8090

05:37:03,030 --> 05:37:01,680

two minutes a [h__h] truck doesn't get

8091

05:37:04,310 --> 05:37:03,040

out here yeah

8092

05:37:06,150 --> 05:37:04,320

i don't know what's going on he was

8093

05:37:07,830 --> 05:37:06,160

supposed to be watch these watch these

8094

05:37:09,590 --> 05:37:07,840

flags like come like mario said the

8095

05:37:11,030 --> 05:37:09,600

flags are gonna like move and [h__h]

8096

05:37:14,788 --> 05:37:11,040

corey good and david

8097

05:37:20,788 --> 05:37:18,150

mendoza been very good corey

8098

05:37:22,310 --> 05:37:20,798

ambassador of the space force this is

8099

05:37:24,548 --> 05:37:22,320

what we're seeing we're just seeing this

8100

05:37:25,670 --> 05:37:24,558

podium and we have just been seeing this

8101

05:37:37,990 --> 05:37:25,680

podium

8102

05:37:40,708 --> 05:37:39,190

i don't know whether some kind of

8103

05:37:44,390 --> 05:37:40,718

commentary going on somebody's

8104

05:37:45,910 --> 05:37:44,400

commenting i think people from fox news

8105

05:37:49,750 --> 05:37:45,920

that's uh chris wallace in the

8106

05:37:53,270 --> 05:37:51,110

nothing from the world oh it's playing

8107

05:37:56,708 --> 05:37:53,280

on a tv in the room yeah that's why it

8108

05:37:59,750 --> 05:37:58,708

but this is what we've been seeing for

8109

05:38:04,390 --> 05:37:59,760

let's see

8110

05:38:10,230 --> 05:38:07,270

patriotic if trump is not out by like 2

8111

05:38:12,230 --> 05:38:10,240

30. i am bowing out gracefully because i

8112

05:38:13,190 --> 05:38:12,240

gotta get at least

8113

05:38:15,430 --> 05:38:13,200

sleep

8114

05:38:18,390 --> 05:38:15,440

he's your children man

8115

05:38:20,548 --> 05:38:18,400

yeah some people got the job

8116

05:38:22,628 --> 05:38:20,558

yeah

8117

05:38:24,150 --> 05:38:22,638

i'm so glad my kids are groaning out of

8118

05:38:26,788 --> 05:38:24,160

my [h__h] house

8119

05:38:28,230 --> 05:38:26,798

i'm so glad i don't have a wife or kids

8120

05:38:30,548 --> 05:38:28,240

my kids are not gonna be out of my house

8121

05:38:32,310 --> 05:38:30,558

anytime soon

8122

05:38:33,990 --> 05:38:32,320

dude i can't imagine you enjoy that time

8123

05:38:35,830 --> 05:38:34,000

bro hey dan seriously man enjoy that

8124

05:38:38,150 --> 05:38:35,840

time it goes really [h__h] quick yeah i

8125

05:38:40,310 --> 05:38:38,160

got a i got i got three-year-old twins

8126
05:38:41,670 --> 05:38:40,320
and i got a son that just turned two

8127
05:38:43,990 --> 05:38:41,680
months old so i'm going to have some

8128
05:38:44,788 --> 05:38:44,000
kitties here congratulations

8129
05:38:49,270 --> 05:38:44,798
thanks

8130
05:38:50,788 --> 05:38:49,280
[Laughter]

8131
05:38:53,430 --> 05:38:50,798
virtual cigarette

8132
05:38:53,440 --> 05:39:01,750
i have an xbox a playstation a switch

8133
05:39:05,350 --> 05:39:03,670
it sounds like a good yeah go to work

8134
05:39:07,110 --> 05:39:05,360
come home and do what you want that

8135
05:39:11,430 --> 05:39:07,120
sounds like a really good thing i don't

8136
05:39:11,440 --> 05:39:14,868
no one's telling me

8137
05:39:18,628 --> 05:39:16,948
trust me i miss i miss it very much but

8138
05:39:19,830 --> 05:39:18,638

um you know tiffany and i have made that

8139

05:39:20,948 --> 05:39:19,840

decision that we're not going to have

8140

05:39:21,910 --> 05:39:20,958

children because i've already went

8141

05:39:24,150 --> 05:39:21,920

through it and she doesn't want to have

8142

05:39:26,708 --> 05:39:24,160

any and uh yeah because we have a we

8143

05:39:28,548 --> 05:39:26,718

have a lot of things to do and plus i

8144

05:39:34,150 --> 05:39:28,558

have grandchildren as well so

8145

05:39:39,510 --> 05:39:36,470

i'm looking at the 270 to win and it has

8146

05:39:41,350 --> 05:39:39,520

currently biden 225 trump 213 which i

8147

05:39:42,948 --> 05:39:41,360

think is the same numbers from last time

8148

05:39:44,788 --> 05:39:42,958

i checked in with it

8149

05:39:47,350 --> 05:39:44,798

and the live trump feed for making his

8150

05:39:49,990 --> 05:39:47,360

announcement is still just a podium and

8151
05:39:52,470 --> 05:39:50,000
a bunch of flags there's oh where i i've

8152
05:39:53,910 --> 05:39:52,480
been sure language he's trolling biden

8153
05:39:55,430 --> 05:39:53,920
so hard right now because he's probably

8154
05:39:56,788 --> 05:39:55,440
making biden think he's gonna actually

8155
05:40:00,150 --> 05:39:56,798
come out and like [h__h] declare

8156
05:40:04,548 --> 05:40:01,990
actually it's 2 30. joe biden's probably

8157
05:40:08,230 --> 05:40:04,558
a [h__h] asleep already

8158
05:40:16,390 --> 05:40:11,430
wake me up if i won

8159
05:40:18,548 --> 05:40:16,400
come on man how long do you think it

8160
05:40:20,390 --> 05:40:18,558
will be before biden gets replaced with

8161
05:40:21,910 --> 05:40:20,400
the 25th i don't think he's gonna get

8162
05:40:23,430 --> 05:40:21,920
reply i think i think if anything i

8163
05:40:25,910 --> 05:40:23,440

think he would i think he would

8164

05:40:27,590 --> 05:40:25,920

voluntarily step down

8165

05:40:29,350 --> 05:40:27,600

that's never happened has it has a

8166

05:40:30,628 --> 05:40:29,360

president ever voluntarily stepped down

8167

05:40:32,150 --> 05:40:30,638

i don't think so

8168

05:40:34,708 --> 05:40:32,160

now but i think they do not i don't know

8169

05:40:36,868 --> 05:40:34,718

i mean that i haven't even if they get

8170

05:40:38,788 --> 05:40:36,878

even if they get heavily incapacitated

8171

05:40:40,788 --> 05:40:38,798

like there's a lot of stories about like

8172

05:40:43,510 --> 05:40:40,798

roosevelt right and then eleanor was

8173

05:40:45,510 --> 05:40:43,520

pretty much running the show for a while

8174

05:40:47,670 --> 05:40:45,520

and people didn't know that but he was

8175

05:40:50,310 --> 05:40:47,680

so debilitated that he couldn't do

8176

05:40:51,910 --> 05:40:50,320

anything so she was making decisions

8177

05:40:53,590 --> 05:40:51,920

with and for him

8178

05:40:55,350 --> 05:40:53,600

but i don't think that anybody's ever

8179

05:40:58,070 --> 05:40:55,360

actually stepped down well except i

8180

05:40:59,350 --> 05:40:58,080

guess nixon you know he resolved he was

8181

05:41:01,510 --> 05:40:59,360

thinking he was going to get tossed

8182

05:41:03,350 --> 05:41:01,520

anyway

8183

05:41:05,190 --> 05:41:03,360

no i don't i don't say this with any ill

8184

05:41:06,548 --> 05:41:05,200

feelings or any ill will towards biden

8185

05:41:08,708 --> 05:41:06,558

but i do think the guy's got something

8186

05:41:10,628 --> 05:41:08,718

going on he's just not as mentally sharp

8187

05:41:12,788 --> 05:41:10,638

i mean he's obviously older than he was

8188

05:41:14,788 --> 05:41:12,798

when he ran you know when obama was

8189

05:41:17,110 --> 05:41:14,798

running but like you can just tell that

8190

05:41:19,190 --> 05:41:17,120

he's he's definitely lost a step

8191

05:41:20,948 --> 05:41:19,200

mentally where he used to be he does

8192

05:41:23,190 --> 05:41:20,958

make a lot of gaps like he always made

8193

05:41:24,708 --> 05:41:23,200

them before and they were funny but it's

8194

05:41:26,230 --> 05:41:24,718

like you see some of the [h__h] that he

8195

05:41:27,910 --> 05:41:26,240

does now and you're just like you almost

8196

05:41:29,830 --> 05:41:27,920

kind of feel bad for the guy like if

8197

05:41:31,030 --> 05:41:29,840

they really believe that he's got some

8198

05:41:32,948 --> 05:41:31,040

kind of mental

8199

05:41:35,110 --> 05:41:32,958

incapacity and they put him out there

8200

05:41:35,830 --> 05:41:35,120

anyway they're just as [h__h] culpable

8201
05:41:40,708 --> 05:41:35,840
for

8202
05:41:42,548 --> 05:41:40,718
happen as he is probably being out there

8203
05:41:45,670 --> 05:41:42,558
well but that's why people are mostly

8204
05:41:46,708 --> 05:41:45,680
voting for kamala harris right

8205
05:41:48,708 --> 05:41:46,718
yeah i mean

8206
05:41:51,030 --> 05:41:48,718
i i've heard that argument raised but

8207
05:41:52,948 --> 05:41:51,040
it's like if you think that i mean she

8208
05:41:54,948 --> 05:41:52,958
basically dropped out of the pre of the

8209
05:41:57,910 --> 05:41:54,958
presidential race she didn't get one

8210
05:41:58,948 --> 05:41:57,920
percent of the democratic yeah like one

8211
05:42:00,310 --> 05:41:58,958
percent

8212
05:42:01,430 --> 05:42:00,320
right now you're saying now people are

8213
05:42:03,030 --> 05:42:01,440

saying oh like we're basically not

8214

05:42:04,628 --> 05:42:03,040

voting for biden we're voting for kamala

8215

05:42:07,030 --> 05:42:04,638

harris but i mean her record's not

8216

05:42:08,310 --> 05:42:07,040

sterling by any means

8217

05:42:11,510 --> 05:42:08,320

right yeah i don't know i've heard that

8218

05:42:13,830 --> 05:42:11,520

she got the nod for the vp because she

8219

05:42:16,628 --> 05:42:13,840

politicked harder than anybody else for

8220

05:42:18,948 --> 05:42:16,638

it nobody was really pursuing biden in

8221

05:42:21,350 --> 05:42:18,958

his camp saying give it to me and she

8222

05:42:23,270 --> 05:42:21,360

was so they gave it to her

8223

05:42:24,628 --> 05:42:23,280

she didn't have to because i think

8224

05:42:26,868 --> 05:42:24,638

the prosecutor

8225

05:42:28,548 --> 05:42:26,878

hurt the budding team all together i

8226

05:42:30,110 --> 05:42:28,558

think that they're

8227

05:42:33,750 --> 05:42:30,120

saying that they wanted like an

8228

05:42:36,390 --> 05:42:33,760

african-american woman to be his but so

8229

05:42:38,310 --> 05:42:36,400

it's almost like the party of inclusion

8230

05:42:39,990 --> 05:42:38,320

was basically telling joe biden who was

8231

05:42:42,070 --> 05:42:40,000

gonna who was gonna be his [h__h] vice

8232

05:42:43,270 --> 05:42:42,080

presidential candidate regardless of

8233

05:42:44,788 --> 05:42:43,280

their background

8234

05:42:46,788 --> 05:42:44,798

regardless yeah

8235

05:42:48,788 --> 05:42:46,798

dude i know what's gonna happen the

8236

05:42:51,430 --> 05:42:48,798

flags are going to open

8237

05:42:53,750 --> 05:42:51,440

biden is going to come in stand next to

8238

05:42:56,310 --> 05:42:53,760

trump and they're both going to say

8239

05:42:59,670 --> 05:42:56,320

ladies and gentlemen we concede to the

8240

05:43:02,868 --> 05:42:59,680

winner your future president andrew

8241

05:43:07,750 --> 05:43:05,110

yeah he was supposed to win in 2016 i

8242

05:43:11,350 --> 05:43:07,760

thought you didn't appear in like like

8243

05:43:13,510 --> 05:43:11,360

like the future you know like um

8244

05:43:15,030 --> 05:43:13,520

2020 thing now too like there was a

8245

05:43:17,670 --> 05:43:15,040

website that he was going to be a

8246

05:43:19,270 --> 05:43:17,680

presidential candidate in 2020.

8247

05:43:20,548 --> 05:43:19,280

he's going to come nobody's going to

8248

05:43:22,788 --> 05:43:20,558

come

8249

05:43:25,030 --> 05:43:22,798

there's a mob of people in portland that

8250

05:43:27,190 --> 05:43:25,040

are marching towards

8251
05:43:30,390 --> 05:43:27,200
police officers and they're backing back

8252
05:43:32,070 --> 05:43:30,400
they're backing off the police officers

8253
05:43:34,310 --> 05:43:32,080
they're backing they're backing off but

8254
05:43:35,350 --> 05:43:34,320
it looks like so why did you lie

8255
05:43:36,868 --> 05:43:35,360
why

8256
05:43:38,548 --> 05:43:36,878
i have no idea because they're asking

8257
05:43:40,390 --> 05:43:38,558
because they're asking to start [h__h]

8258
05:43:41,830 --> 05:43:40,400
that's exactly why

8259
05:43:57,750 --> 05:43:41,840
yeah

8260
05:44:01,270 --> 05:43:59,030
they went why

8261
05:44:02,788 --> 05:44:01,280
trump and ivanka just walked in oh

8262
05:44:04,470 --> 05:44:02,798
there's trump trump

8263
05:44:06,070 --> 05:44:04,480

okay so we're going to cite fair use

8264

05:44:07,350 --> 05:44:06,080

this is a transformative work we're

8265

05:44:09,030 --> 05:44:07,360

educating the public about the

8266

05:44:10,948 --> 05:44:09,040

president's announcement and this is

8267

05:44:12,708 --> 05:44:10,958

fair use this is transformative work

8268

05:44:15,510 --> 05:44:12,718

fair use fair use

8269

05:44:20,230 --> 05:44:18,150

oh [h__h] he's going to declare victory

8270

05:44:22,470 --> 05:44:20,240

i'm calling it he's going to declare

8271

05:44:24,150 --> 05:44:22,480

victory

8272

05:44:25,110 --> 05:44:24,160

or biden is going to come out and ashton

8273

05:44:26,788 --> 05:44:25,120

kutcher is going to come out and he's

8274

05:44:29,350 --> 05:44:26,798

going to say we all got [h__h] punked

8275

05:44:33,670 --> 05:44:29,360

like welcome to 2020.

8276

05:44:51,910 --> 05:44:37,110

there's don junior and eric yeah eric

8277

05:44:51,920 --> 05:44:56,070

click the word live

8278

05:44:59,190 --> 05:44:57,510

now on the screen yeah you gotta go to

8279

05:45:04,150 --> 05:44:59,200

the word says live and click on it there

8280

05:45:08,948 --> 05:45:05,830

i can't hear your audio

8281

05:45:15,110 --> 05:45:08,958

yeah neither can i uh hold on

8282

05:45:15,120 --> 05:45:19,750

hold on one second

8283

05:45:23,910 --> 05:45:21,030

hey mark how's it going y'all we're

8284

05:45:27,990 --> 05:45:26,708

he's saying about them trying to steal

8285

05:45:30,890 --> 05:45:28,000

election he's saying they're trying to

8286

05:45:31,860 --> 05:45:30,900

steal the election from him

8287

05:45:36,070 --> 05:45:31,870

[Music]

8288

05:45:39,350 --> 05:45:36,080

[Applause]

8289

05:45:39,360 --> 05:45:45,380

jesus christ

8290

05:45:45,390 --> 05:45:50,548

[Music]

8291

05:45:55,750 --> 05:45:53,750

the results tonight have been phenomenal

8292

05:45:58,628 --> 05:45:55,760

and we are getting ready i mean

8293

05:46:00,390 --> 05:45:58,638

literally we were just all set to

8294

05:46:02,230 --> 05:46:00,400

get outside and

8295

05:46:16,788 --> 05:46:02,240

just celebrate something that was so

8296

05:46:21,710 --> 05:46:18,788

that we weren't expected to win florida

8297

05:46:28,150 --> 05:46:21,720

we didn't win it we won it by a lot

8298

05:46:29,990 --> 05:46:28,160

[Applause]

8299

05:46:32,470 --> 05:46:30,000

we won

8300

05:46:34,270 --> 05:46:32,480

the great state of ohio

8301

05:46:37,910 --> 05:46:34,280

we won texas

8302

05:46:39,350 --> 05:46:37,920

[Applause]

8303

05:46:42,788 --> 05:46:39,360

so is this a setup for they're trying to

8304

05:46:45,670 --> 05:46:44,390

and they don't even

8305

05:46:47,510 --> 05:46:45,680

include it

8306

05:46:54,390 --> 05:46:47,520

in the tabulation

8307

05:46:59,670 --> 05:46:56,390

we're up by

8308

05:47:01,990 --> 05:46:59,680

2.5 or 117

8309

05:47:03,430 --> 05:47:02,000

votes with only seven percent left

8310

05:47:04,788 --> 05:47:03,440

they're never gonna catch us they can't

8311

05:47:07,270 --> 05:47:04,798

catch it

8312

05:47:12,070 --> 05:47:07,280

likewise we've clearly won

8313

05:47:12,080 --> 05:47:23,190

1.4

8314

05:47:23,200 --> 05:47:27,670

he does have some good arguments here

8315

05:47:30,628 --> 05:47:29,190

a arizona of life in there and

8316

05:47:33,670 --> 05:47:30,638

somebody's there

8317

05:47:35,110 --> 05:47:33,680

somebody no he lost arizona

8318

05:47:37,670 --> 05:47:35,120

and maybe it will be i mean that's

8319

05:47:39,750 --> 05:47:37,680

possible but certainly there were

8320

05:47:41,270 --> 05:47:39,760

a lot of votes out there that we could

8321

05:47:43,270 --> 05:47:41,280

get because when they're just coming

8322

05:47:44,628 --> 05:47:43,280

into what they call trump territory i

8323

05:47:46,788 --> 05:47:44,638

don't know what you call it but these

8324

05:47:48,788 --> 05:47:46,798

were friendly trump holders

8325

05:47:50,150 --> 05:47:48,798

and that could be overturned the

8326
05:47:51,110 --> 05:47:50,160
gentleman that called it i watched

8327
05:47:52,948 --> 05:47:51,120
tonight

8328
05:47:54,948 --> 05:47:52,958
he said well we think it's fairly

8329
05:47:57,270 --> 05:47:54,958
unlikely that he could catch well fairly

8330
05:47:59,350 --> 05:47:57,280
unlikely

8331
05:48:01,110 --> 05:47:59,360
and we don't even need it we don't need

8332
05:48:02,548 --> 05:48:01,120
that that was just

8333
05:48:05,110 --> 05:48:02,558
the state that we would have gotten it

8334
05:48:07,510 --> 05:48:05,120
would have been nice arizona but there's

8335
05:48:10,150 --> 05:48:07,520
a possibility maybe even a good

8336
05:48:11,590 --> 05:48:10,160
possibility in fact since i saw that

8337
05:48:13,670 --> 05:48:11,600
originally it's been changed and the

8338
05:48:15,030 --> 05:48:13,680

numbers have substantially come down

8339

05:48:16,868 --> 05:48:15,040

just in

8340

05:48:19,030 --> 05:48:16,878

a small amount of votes yeah i agree

8341

05:48:20,470 --> 05:48:19,040

with you dan he's lost arizona he's

8342

05:48:22,868 --> 05:48:20,480

still arguing over it

8343

05:48:26,548 --> 05:48:22,878

but most importantly we're winning

8344

05:48:33,230 --> 05:48:28,948

may this might come down to my own state

8345

05:48:35,760 --> 05:48:34,380

[Music]

8346

05:48:42,708 --> 05:48:35,770

[Applause]

8347

05:48:44,548 --> 05:48:42,718

you know if somebody would have told me

8348

05:48:46,868 --> 05:48:44,558

a year ago i'd be covering the election

8349

05:48:57,020 --> 05:48:46,878

with donald trump speaking next to me i

8350

05:48:57,030 --> 05:49:04,948

[Applause]

8351

05:49:09,430 --> 05:49:07,350

there's only 64 of the votes still in

8352

05:49:11,990 --> 05:49:09,440

pennsylvania too

8353

05:49:14,390 --> 05:49:12,000

yeah it could still flip

8354

05:49:16,230 --> 05:49:14,400

if they count philly and pittsburgh last

8355

05:49:18,070 --> 05:49:16,240

they don't flip

8356

05:49:19,260 --> 05:49:18,080

and a lot of these votes were

8357

05:49:26,230 --> 05:49:19,270

a lot of the mail-in

8358

05:49:30,708 --> 05:49:29,030

and i don't know who does what

8359

05:49:32,868 --> 05:49:30,718

i said

8360

05:49:35,830 --> 05:49:32,878

wow that's a lot

8361

05:49:37,430 --> 05:49:35,840

almost 300 000 votes

8362

05:49:41,030 --> 05:49:37,440

and

8363

05:49:44,470 --> 05:49:41,040

65 percent of the voters here

8364

05:49:49,350 --> 05:49:44,480

and we're winning wisconsin

8365

05:49:52,788 --> 05:49:51,110

yeah well usually these candidates do

8366

05:49:54,470 --> 05:49:52,798

give some kind of statement or speech

8367

05:49:56,150 --> 05:49:54,480

like on the election night so i mean

8368

05:49:58,310 --> 05:49:56,160

it's not uncon it's not unheard of for

8369

05:49:59,430 --> 05:49:58,320

him to do this but at 2 30 in the

8370

05:50:00,788 --> 05:49:59,440

morning

8371

05:50:02,390 --> 05:50:00,798

but he's basically having a bitching

8372

05:50:05,510 --> 05:50:02,400

session that he doesn't you know he

8373

05:50:07,590 --> 05:50:05,520

thinks he won but they won't call it yet

8374

05:50:09,670 --> 05:50:07,600

and uh it was almost complete but he

8375

05:50:11,990 --> 05:50:09,680

congratulated me

8376

05:50:14,470 --> 05:50:12,000

i think he's covering his eyes

8377

05:50:17,590 --> 05:50:14,480

just in case he loses right yeah

8378

05:50:19,830 --> 05:50:17,600

maybe he's just covering his ass

8379

05:50:22,150 --> 05:50:19,840

like this was so weird guys i mean we

8380

05:50:24,948 --> 05:50:22,160

had the biggest voter turnout record

8381

05:50:25,670 --> 05:50:24,958

numbers and i left how can you explain

8382

05:50:27,430 --> 05:50:25,680

that

8383

05:50:32,230 --> 05:50:27,440

i think mario could have a second job as

8384

05:50:35,910 --> 05:50:33,910

you just take a look at all of these

8385

05:50:37,670 --> 05:50:35,920

states that we've won tonight and then

8386

05:50:39,270 --> 05:50:37,680

you take a look at the kind of margins

8387

05:50:41,590 --> 05:50:39,280

that we've won by

8388

05:50:45,110 --> 05:50:41,600

and all of a sudden and don't let them

8389

05:50:52,280 --> 05:50:47,030

where's the reptilians come on where's

8390

05:50:56,470 --> 05:50:53,430

[Music]

8391

05:50:58,548 --> 05:50:56,480

that is andre

8392

05:50:59,910 --> 05:50:58,558

yeah he's here attacking the media he

8393

05:51:00,708 --> 05:50:59,920

doesn't like what they've been reporting

8394

05:51:07,190 --> 05:51:00,718

they

8395

05:51:15,110 --> 05:51:07,200

let's go to court and did i predict this

8396

05:51:18,070 --> 05:51:16,548

you know we could actually wake up the

8397

05:51:19,750 --> 05:51:18,080

next morning and most of these things

8398

05:51:22,390 --> 05:51:19,760

could still flip because of they're

8399

05:51:27,670 --> 05:51:22,400

still counting the votes that are

8400

05:51:41,590 --> 05:51:30,360

son of a [h__h]

8401
05:51:45,670 --> 05:51:43,670
never been there don't care but i love

8402
05:51:47,670 --> 05:51:45,680
it this is kind of bizarro though

8403
05:51:49,670 --> 05:51:47,680
because the election's not called and

8404
05:51:51,670 --> 05:51:49,680
he's basically

8405
05:51:54,548 --> 05:51:51,680
taking a you know look at all these

8406
05:51:57,430 --> 05:51:54,558
states we won but you lost a lot too and

8407
05:51:59,590 --> 05:51:57,440
it's not over yet

8408
05:52:01,990 --> 05:51:59,600
the one time i went to ohio it was to

8409
05:52:17,400 --> 05:52:02,000
dan hogan's house nice barbecue nice

8410
05:52:23,350 --> 05:52:20,470
[Applause]

8411
05:52:27,750 --> 05:52:23,360
we went there we won this election so

8412
05:52:29,430 --> 05:52:27,760
our goal now is to ensure the integrity

8413
05:52:31,190 --> 05:52:29,440

for the good of this nation this is a

8414

05:52:34,230 --> 05:52:31,200

very big moment

8415

05:52:35,750 --> 05:52:34,240

this is a major fraud in our nation

8416

05:52:39,110 --> 05:52:35,760

we want

8417

05:52:41,910 --> 05:52:39,120

the law to be used in a proper manner

8418

05:52:44,948 --> 05:52:41,920

so we'll be going to the u.s supreme

8419

05:52:55,270 --> 05:52:46,628

there it is

8420

05:53:01,590 --> 05:52:57,590

it's a very sad

8421

05:53:05,600 --> 05:53:01,600

very sad moment and

8422

05:53:09,350 --> 05:53:07,270

[Applause]

8423

05:53:10,948 --> 05:53:09,360

yeah he's declaring victory he said he

8424

05:53:14,310 --> 05:53:10,958

won and he's going to court to make sure

8425

05:53:15,830 --> 05:53:14,320

that he keeps going according yeah

8426
05:53:17,750 --> 05:53:15,840
that's kind of strange though because

8427
05:53:19,590 --> 05:53:17,760
like he's winning all the like the

8428
05:53:22,788 --> 05:53:19,600
states that he needs to win to get to

8429
05:53:24,150 --> 05:53:22,798
270 he's already winning those states so

8430
05:53:26,708 --> 05:53:24,160
like why do you

8431
05:53:29,510 --> 05:53:26,718
why do you hurt this man

8432
05:53:31,190 --> 05:53:29,520
oh now pence is gonna chime man hey

8433
05:53:33,190 --> 05:53:31,200
there's flypen

8434
05:53:35,270 --> 05:53:33,200
[Applause]

8435
05:53:35,900 --> 05:53:35,280
andrew basiago in a [h__h] mike pence

8436
05:53:38,070 --> 05:53:35,910
costume

8437
05:53:40,230 --> 05:53:38,080
[Laughter]

8438
05:53:41,750 --> 05:53:40,240

all right guys it's been i love you guys

8439

05:53:43,510 --> 05:53:41,760

it's been real but i got to get some i

8440

05:53:54,628 --> 05:53:43,520

got to get a little comment

8441

05:53:58,548 --> 05:53:56,470

thanks fake donald trump i appreciate it

8442

05:54:01,830 --> 05:53:58,558

so all right guys i will talk to you

8443

05:54:03,750 --> 05:54:01,840

guys later thank you for being here

8444

05:54:04,470 --> 05:54:03,760

you're much appreciated glad to have you

8445

05:54:06,470 --> 05:54:04,480

yep

8446

05:54:08,390 --> 05:54:06,480

all right glad to be here thanks bye but

8447

05:54:10,548 --> 05:54:08,400

i believe with all of my heart with the

8448

05:54:12,070 --> 05:54:10,558

extraordinary margins mr president that

8449

05:54:14,470 --> 05:54:12,080

you've inspired

8450

05:54:18,708 --> 05:54:14,480

in the states that you just described uh

8451

05:54:22,150 --> 05:54:20,548

this is crazy right this has never

8452

05:54:23,830 --> 05:54:22,160

happened before where a guy declared

8453

05:54:26,070 --> 05:54:23,840

victory before they called

8454

05:54:27,830 --> 05:54:26,080

anybody called it

8455

05:54:29,990 --> 05:54:27,840

the problem with that is though that's

8456

05:54:31,270 --> 05:54:30,000

how you rattle off people in the streets

8457

05:54:33,110 --> 05:54:31,280

to like

8458

05:54:34,948 --> 05:54:33,120

yeah those people in the streets oh we

8459

05:54:37,030 --> 05:54:34,958

forgot about that everything's gonna

8460

05:54:40,990 --> 05:54:37,040

[h__\h] pop off now because they're

8461

05:54:41,000 --> 05:54:45,430

[Music]

8462

05:54:50,628 --> 05:54:49,190

and defend the president and

8463

05:54:52,470 --> 05:54:50,638

the los angeles police department are

8464

05:54:55,110 --> 05:54:52,480

mobilizing like right up the street from

8465

05:54:57,670 --> 05:54:55,120

my [h__h] house well obviously man look

8466

05:54:58,628 --> 05:54:57,680

at the song he's playing oh my god ah

8467

05:55:01,430 --> 05:54:58,638

yeah

8468

05:55:04,628 --> 05:55:01,440

that's a victory march

8469

05:55:08,548 --> 05:55:04,638

don't know music history that's a

8470

05:55:13,590 --> 05:55:11,670

holy geez this is crazy so he's declared

8471

05:55:14,868 --> 05:55:13,600

victory before they called the election

8472

05:55:16,628 --> 05:55:14,878

basically

8473

05:55:18,708 --> 05:55:16,638

and he said we're going to the court so

8474

05:55:20,390 --> 05:55:18,718

that people are like inspired and like

8475

05:55:22,548 --> 05:55:20,400

yeah we're not going to let them take

8476

05:55:26,230 --> 05:55:22,558

our present

8477

05:55:30,470 --> 05:55:27,910

yeah and he just stacked the court with

8478

05:55:31,910 --> 05:55:30,480

three three

8479

05:55:33,750 --> 05:55:31,920

well you want to talk about stacking the

8480

05:55:35,190 --> 05:55:33,760

court yeah he appointed three of the

8481

05:55:36,390 --> 05:55:35,200

people that might make this these

8482

05:55:39,830 --> 05:55:36,400

decisions

8483

05:55:41,270 --> 05:55:39,840

so they owe him something i think right

8484

05:55:42,868 --> 05:55:41,280

they would stand a reason that they're

8485

05:55:44,868 --> 05:55:42,878

going to vote his way they

8486

05:55:47,590 --> 05:55:44,878

he put them there he put them there for

8487

05:55:51,030 --> 05:55:47,600

a reason right yeah they were at the

8488

05:55:52,868 --> 05:55:51,040

epstein island i saw them

8489

05:55:57,270 --> 05:55:52,878

the same kid so

8490

05:56:01,110 --> 05:56:00,310

yeah that's what he said in the private

8491

05:56:05,190 --> 05:56:01,120

chat

8492

05:56:07,830 --> 05:56:05,200

under not spooky i lost audit

8493

05:56:09,270 --> 05:56:07,840

what oh i don't know in the private chat

8494

05:56:11,990 --> 05:56:09,280

on the stream yet

8495

05:56:13,350 --> 05:56:12,000

someone said under not spooky that's not

8496

05:56:17,510 --> 05:56:13,360

me

8497

05:56:21,430 --> 05:56:19,750

i'm out of uh beverages so i have to

8498

05:56:23,910 --> 05:56:21,440

bail out for a minute but i'll be back

8499

05:56:26,948 --> 05:56:23,920

in just two minutes two or three minutes

8500

05:56:29,590 --> 05:56:26,958

if if uh michael if you can i listen i

8501
05:56:33,110 --> 05:56:29,600
want each of you to comment on this guy

8502
05:56:36,310 --> 05:56:33,120
making a victory speech before

8503
05:56:38,470 --> 05:56:36,320
he really has a a clear victory because

8504
05:56:40,310 --> 05:56:38,480
this is historic and i'm going to bow

8505
05:56:42,948 --> 05:56:40,320
out i'm just going to turn off my camera

8506
05:56:44,868 --> 05:56:42,958
while i'm gone and then uh yeah

8507
05:56:46,070 --> 05:56:44,878
dude there's so much law enforcement on

8508
05:56:48,230 --> 05:56:46,080
the street right now

8509
05:56:50,788 --> 05:56:48,240
well because and the way he said it too

8510
05:56:52,948 --> 05:56:50,798
we won the states

8511
05:56:55,510 --> 05:56:52,958
we have this data

8512
05:56:56,470 --> 05:56:55,520
right michael can you share your screen

8513
05:56:59,670 --> 05:56:56,480

uh

8514

05:57:01,990 --> 05:56:59,680

no i'm not i don't see anything spooky

8515

05:57:03,910 --> 05:57:02,000

from the last the last message i have

8516

05:57:09,910 --> 05:57:03,920

here is i think somebody needs to meet

8517

05:57:13,430 --> 05:57:11,350

yeah that's what i said yeah you changed

8518

05:57:16,628 --> 05:57:13,440

your name to not spooky yeah

8519

05:57:18,548 --> 05:57:16,638

yeah it's there on the screen

8520

05:57:19,990 --> 05:57:18,558

i hadn't noticed for like a while oh my

8521

05:57:21,910 --> 05:57:20,000

god it's been like that for like hours

8522

05:57:25,430 --> 05:57:21,920

you were tiny on the side of the screen

8523

05:57:28,230 --> 05:57:25,440

because of stephen's sharing the feed

8524

05:57:29,030 --> 05:57:28,240

so it didn't tell me the name

8525

05:57:32,548 --> 05:57:29,040

no

8526

05:57:34,310 --> 05:57:32,558

yeah that's me my name is big tony

8527

05:57:36,708 --> 05:57:34,320

anyways

8528

05:57:38,628 --> 05:57:36,718

welcome victory

8529

05:57:40,788 --> 05:57:38,638

funny thing is you were not spooky for a

8530

05:57:52,760 --> 05:57:40,798

while too so

8531

05:57:52,770 --> 05:57:57,510

[Music]

8532

05:57:57,520 --> 05:58:00,868

can you all see my screen

8533

05:58:05,270 --> 05:58:02,948

no [\h__\h] no

8534

05:58:10,310 --> 05:58:05,280

i can't see [\h__\h] oh no

8535

05:58:10,320 --> 05:58:15,830

uh stopped

8536

05:58:19,830 --> 05:58:18,150

yeah you click the share screen button

8537

05:58:21,110 --> 05:58:19,840

hold on hold on hold on i'll click it

8538

05:58:22,390 --> 05:58:21,120

let me see

8539

05:58:24,150 --> 05:58:22,400

your screen i think stephen has still

8540

05:58:29,030 --> 05:58:24,160

like a mirror on his thumbnail yeah he

8541

05:58:29,040 --> 05:58:34,230

there you go sharing screen booyah

8542

05:58:37,350 --> 05:58:35,910

well you have like 10 monitors there you

8543

05:58:39,030 --> 05:58:37,360

should be able to

8544

05:58:41,350 --> 05:58:39,040

yeah but it's telling me chrome has lost

8545

05:58:46,470 --> 05:58:41,360

permission to capture your screen follow

8546

05:58:50,868 --> 05:58:48,788

crack magic says hey no matter whatever

8547

05:58:53,670 --> 05:58:50,878

happens was preordained anyway yeah

8548

05:58:55,750 --> 05:58:53,680

that's true i mean david welcome

8549

05:58:58,788 --> 05:58:55,760

yesterday right

8550

05:59:01,350 --> 05:58:58,798

people the meyer the billy meyer [h__h]

8551

05:59:03,030 --> 05:59:01,360

uh uh cult is saying the same thing

8552

05:59:06,830 --> 05:59:03,040

i have a guy on my facebook his name is

8553

05:59:12,868 --> 05:59:09,910

e-m-m-j-b-e-a-n and he's like into the

8554

05:59:13,830 --> 05:59:12,878

whole billy meyer deal

8555

05:59:15,670 --> 05:59:13,840

and

8556

05:59:19,190 --> 05:59:15,680

quoting billy meyer's scripture as his

8557

05:59:19,200 --> 05:59:28,150

let me see what am i doing wrong here

8558

05:59:31,990 --> 05:59:30,070

i have no idea

8559

05:59:33,350 --> 05:59:32,000

i'm not used to it i have a feeling it's

8560

05:59:35,270 --> 05:59:33,360

about to just

8561

05:59:38,470 --> 05:59:35,280

pop off real bad

8562

05:59:42,708 --> 05:59:38,480

i just have a feeling yeah me too

8563

05:59:45,590 --> 05:59:44,470

there's a big group of people walking

8564

05:59:47,670 --> 05:59:45,600

through portland right now yeah i'm

8565

05:59:51,030 --> 05:59:47,680

watching it as well

8566

05:59:59,190 --> 05:59:52,470

right

8567

06:00:02,150 --> 06:00:00,708

yeah i've been watching it since you

8568

06:00:04,948 --> 06:00:02,160

guys posted i

8569

06:00:06,070 --> 06:00:04,958

i just pulled the screen off

8570

06:00:09,670 --> 06:00:06,080

yeah

8571

06:00:11,430 --> 06:00:09,680

i've got it up on my laptop over here

8572

06:00:13,590 --> 06:00:11,440

man it's like i don't know daylight here

8573

06:00:16,390 --> 06:00:13,600

already

8574

06:00:19,590 --> 06:00:16,400

do you guys want to see the morning

8575

06:00:21,430 --> 06:00:19,600

i uh i got it i just got a little bit of

8576

06:00:22,788 --> 06:00:21,440

steam left to be honest with you guys i

8577

06:00:24,948 --> 06:00:22,798

don't know yeah

8578

06:00:26,708 --> 06:00:24,958

regardless if i'm gonna be awake

8579

06:00:27,990 --> 06:00:26,718

regardless if this stops or not because

8580

06:00:29,190 --> 06:00:28,000

uh

8581

06:00:33,510 --> 06:00:29,200

yeah

8582

06:00:35,190 --> 06:00:33,520

it's a somber night this is crazy i feel

8583

06:00:36,310 --> 06:00:35,200

like i feel like the english morning

8584

06:00:38,150 --> 06:00:36,320

i've never seen

8585

06:00:40,150 --> 06:00:38,160

oh that's cool

8586

06:00:42,310 --> 06:00:40,160

what do you live in like an apartment

8587

06:00:45,830 --> 06:00:42,320

yeah it's like a second floor apartments

8588

06:00:47,750 --> 06:00:45,840

awesome it's my living

8589

06:00:50,150 --> 06:00:47,760

nice to join you have to come into the

8590

06:00:53,430 --> 06:00:50,160

group and i i i usually go live from our

8591

06:00:56,868 --> 06:00:53,440

group from downtown l.a and we we have

8592

06:00:58,788 --> 06:00:56,878

quite the scenery ourselves here cool i

8593

06:01:00,470 --> 06:00:58,798

used to live on a mountain

8594

06:01:01,830 --> 06:01:00,480

oh right on

8595

06:01:03,990 --> 06:01:01,840

bc

8596

06:01:06,548 --> 06:01:04,000

my my pop lives and if you want to

8597

06:01:08,150 --> 06:01:06,558

google this uh just

8598

06:01:09,910 --> 06:01:08,160

up in the grapevine

8599

06:01:11,830 --> 06:01:09,920

uh pine mountain

8600

06:01:13,990 --> 06:01:11,840

that's a beautiful area

8601
06:01:16,310 --> 06:01:14,000
was that county pine mountain pine

8602
06:01:17,510 --> 06:01:16,320
mountain club up in kern county um

8603
06:01:21,590 --> 06:01:17,520
california

8604
06:01:23,350 --> 06:01:21,600
man absolutely we go sky watching up

8605
06:01:25,190 --> 06:01:23,360
there sometimes uh

8606
06:01:27,510 --> 06:01:25,200
they have one of the second tallest

8607
06:01:30,628 --> 06:01:27,520
peaks in that area is literally my dad's

8608
06:01:32,070 --> 06:01:30,638
backyard so wow i'll go i'll go hunt

8609
06:01:35,110 --> 06:01:32,080
deer as well

8610
06:01:39,270 --> 06:01:35,120
when i'm up there if i need to

8611
06:01:45,510 --> 06:01:42,868
good night bye matic have a great night

8612
06:01:47,030 --> 06:01:45,520
it's a pleasure wait um mario's still

8613
06:01:48,470 --> 06:01:47,040

there but he got removed from the stream

8614

06:01:50,390 --> 06:01:48,480

does he want to be back in the stream i

8615

06:01:53,830 --> 06:01:50,400

think so he said i'm back okay here we

8616

06:01:56,708 --> 06:01:53,840

go here we go oh you're thinking

8617

06:01:58,150 --> 06:01:56,718

no i said good night to prank magic yeah

8618

06:02:02,150 --> 06:01:58,160

i'm sorry okay i don't know how i

8619

06:02:06,868 --> 06:02:02,160

removed you i say pragmatic no i crashed

8620

06:02:11,510 --> 06:02:08,230

so if i'm going live with you guys i'm

8621

06:02:15,430 --> 06:02:13,510

right yeah so this is crazy and i'm

8622

06:02:16,948 --> 06:02:15,440

waiting to see if there's gonna be a lot

8623

06:02:19,430 --> 06:02:16,958

of violence now i think there's gonna be

8624

06:02:20,948 --> 06:02:19,440

a lot of violence right now because of

8625

06:02:23,430 --> 06:02:20,958

trump what he just did if he would have

8626
06:02:24,708 --> 06:02:23,440
just shut up till morning and you know

8627
06:02:27,590 --> 06:02:24,718
yeah he just

8628
06:02:30,390 --> 06:02:27,600
fanned the flames of all the discontent

8629
06:02:31,990 --> 06:02:30,400
and that's not a wise decision and the

8630
06:02:34,470 --> 06:02:32,000
thing that's scary to me about him doing

8631
06:02:35,590 --> 06:02:34,480
that is like is your ego so big that you

8632
06:02:37,750 --> 06:02:35,600
don't know

8633
06:02:41,030 --> 06:02:37,760
you had to do that you couldn't let it

8634
06:02:43,030 --> 06:02:41,040
go for a few more hours or whatever just

8635
06:02:44,708 --> 06:02:43,040
because you and there's people there are

8636
06:02:46,310 --> 06:02:44,718
there's people all around washington

8637
06:02:47,750 --> 06:02:46,320
he's sitting in the white house looking

8638
06:02:50,390 --> 06:02:47,760

out at the sea

8639

06:02:52,548 --> 06:02:50,400

of potential rioters and this is what he

8640

06:02:54,390 --> 06:02:52,558

does it's very disappointing

8641

06:02:56,390 --> 06:02:54,400

well because he's calling election fraud

8642

06:02:58,868 --> 06:02:56,400

basically right he's like

8643

06:03:01,990 --> 06:02:58,878

yeah rally the truth they want me out

8644

06:03:03,910 --> 06:03:02,000

protect your president

8645

06:03:07,910 --> 06:03:03,920

yeah who knows he could have won that's

8646

06:03:12,390 --> 06:03:09,990

yeah but i do see that

8647

06:03:13,670 --> 06:03:12,400

like here's the here's the conspiracy

8648

06:03:16,948 --> 06:03:13,680

side of

8649

06:03:19,430 --> 06:03:16,958

their argument is that they feel like

8650

06:03:21,430 --> 06:03:19,440

they're not calling it and the democrats

8651

06:03:24,070 --> 06:03:21,440

are just going to find whatever mail-in

8652

06:03:25,990 --> 06:03:24,080

ballots they need to to put them to beat

8653

06:03:28,230 --> 06:03:26,000

the states you know that's that's what

8654

06:03:30,230 --> 06:03:28,240

he's saying is going to happen if they

8655

06:03:32,150 --> 06:03:30,240

don't stop it and you know i don't know

8656

06:03:34,230 --> 06:03:32,160

if that's true or not

8657

06:03:35,670 --> 06:03:34,240

but uh it seems a little far-fetched

8658

06:03:37,670 --> 06:03:35,680

that they could do that could they

8659

06:03:39,030 --> 06:03:37,680

really just generate like what if

8660

06:03:41,190 --> 06:03:39,040

pennsylvania

8661

06:03:43,910 --> 06:03:41,200

trump won by a hundred thousand votes

8662

06:03:49,990 --> 06:03:43,920

could they suddenly in a few hours just

8663

06:03:55,670 --> 06:03:51,910

yeah

8664

06:03:59,030 --> 06:03:55,680

far-fetched to me that this could be

8665

06:04:02,150 --> 06:03:59,040

a reality but uh this guy doesn't like

8666

06:04:04,788 --> 06:04:02,160

to lose ask anybody that knows him he is

8667

06:04:07,270 --> 06:04:04,798

like i'll win at any [h__h] cost i

8668

06:04:10,070 --> 06:04:07,280

don't care who get has to get burnt i

8669

06:04:12,230 --> 06:04:10,080

don't care what bodies i have to step on

8670

06:04:14,868 --> 06:04:12,240

whole souls must be sacrificed for me to

8671

06:04:17,110 --> 06:04:14,878

get to my goal he stabs anybody in the

8672

06:04:19,750 --> 06:04:17,120

back that gets in the way of him winning

8673

06:04:21,430 --> 06:04:19,760

he's not going to just you know sit down

8674

06:04:25,670 --> 06:04:21,440

and be beaten

8675

06:04:27,430 --> 06:04:25,680

without fighting like a [h__h]

8676

06:04:29,190 --> 06:04:27,440

well like we will

8677

06:04:31,750 --> 06:04:29,200

this is what he said will be going to uf

8678

06:04:34,470 --> 06:04:31,760

supreme court we want all voting to stop

8679

06:04:38,310 --> 06:04:34,480

like who says that like what

8680

06:04:40,070 --> 06:04:38,320

yeah we want all the voting to stop

8681

06:04:42,868 --> 06:04:40,080

the argument on the other side is a fair

8682

06:04:44,788 --> 06:04:42,878

argument why not count all the votes why

8683

06:04:47,190 --> 06:04:44,798

would you want the voting to stop why

8684

06:04:49,990 --> 06:04:47,200

would you not want every val every vote

8685

06:04:52,310 --> 06:04:50,000

counted so we get an accurate

8686

06:04:53,830 --> 06:04:52,320

you know election result

8687

06:04:56,310 --> 06:04:53,840

now this dude

8688

06:04:58,230 --> 06:04:56,320

that was not the time or the place like

8689

06:04:59,750 --> 06:04:58,240

not for that kind of a speech no not for

8690

06:05:02,070 --> 06:04:59,760

that kind of rhetoric especially when

8691

06:05:03,350 --> 06:05:02,080

like you say everyone is like riling up

8692

06:05:06,150 --> 06:05:03,360

right now

8693

06:05:08,788 --> 06:05:06,160

so far things have been okay all they

8694

06:05:10,788 --> 06:05:08,798

needed what was the [h__h] spark

8695

06:05:12,948 --> 06:05:10,798

yeah it's a powder keg you're right the

8696

06:05:15,270 --> 06:05:12,958

powder keg is this is he's sitting on a

8697

06:05:17,270 --> 06:05:15,280

powder keg throwing [h__h]

8698

06:05:21,670 --> 06:05:17,280

lit cigarettes

8699

06:05:23,590 --> 06:05:21,680

really what do you think is gonna happen

8700

06:05:26,230 --> 06:05:23,600

here bro and he's and you know what's

8701

06:05:28,788 --> 06:05:26,240

also scary is that any president

8702

06:05:30,948 --> 06:05:28,798

including him has some incredibly

8703

06:05:33,670 --> 06:05:30,958

intelligent advisers

8704

06:05:35,910 --> 06:05:33,680

wouldn't anybody stand up to him and say

8705

06:05:38,070 --> 06:05:35,920

this is a bad idea

8706

06:05:40,788 --> 06:05:38,080

don't do this is this advising you you

8707

06:05:42,868 --> 06:05:40,798

can't tell them what they can't yeah no

8708

06:05:45,350 --> 06:05:42,878

way man he runs his own [h__\h] twitter

8709

06:05:46,230 --> 06:05:45,360

yeah he's a yes man guy i've heard and

8710

06:05:47,910 --> 06:05:46,240

read

8711

06:05:49,670 --> 06:05:47,920

various reports that he surrounds

8712

06:05:51,350 --> 06:05:49,680

himself with yes men he doesn't like

8713

06:05:53,190 --> 06:05:51,360

anybody that disagrees with him if they

8714

06:05:55,110 --> 06:05:53,200

disagree with them too much you get

8715

06:05:57,670 --> 06:05:55,120

fired and even when people are

8716

06:05:59,350 --> 06:05:57,680

disagreeing with him that care about him

8717

06:06:01,910 --> 06:05:59,360

that want the best for him he doesn't

8718

06:06:03,590 --> 06:06:01,920

recognize it that way he takes it as you

8719

06:06:09,750 --> 06:06:03,600

know

8720

06:06:11,510 --> 06:06:09,760

person that's what we've heard a lot man

8721

06:06:13,110 --> 06:06:11,520

i don't know i think i called it this

8722

06:06:14,708 --> 06:06:13,120

morning when i said uh

8723

06:06:16,470 --> 06:06:14,718

i actually posted this morning i was

8724

06:06:18,788 --> 06:06:16,480

like uh you know americans have the

8725

06:06:21,990 --> 06:06:18,798

chance for this

8726

06:06:26,310 --> 06:06:22,000

americans have a chance for uh us to uh

8727

06:06:27,430 --> 06:06:26,320

do what germany failed to do in 1933

8728

06:06:29,670 --> 06:06:27,440

you know one of the things though that

8729

06:06:31,510 --> 06:06:29,680

is interesting about trump is that

8730

06:06:34,470 --> 06:06:31,520

all of the norms

8731

06:06:36,628 --> 06:06:34,480

that are usual like it's usual for

8732

06:06:39,190 --> 06:06:36,638

each candidate to just wait until

8733

06:06:40,708 --> 06:06:39,200

there's a clear concise

8734

06:06:44,390 --> 06:06:40,718

and then when there's a clear and

8735

06:06:46,310 --> 06:06:44,400

concise result one will get call the

8736

06:06:48,548 --> 06:06:46,320

other and say okay i'll give my

8737

06:06:50,150 --> 06:06:48,558

concession speech first and then you get

8738

06:06:52,470 --> 06:06:50,160

your victory speech that's the way it

8739

06:06:55,030 --> 06:06:52,480

generally goes and they cooperate a

8740

06:06:57,110 --> 06:06:55,040

little bit and but

8741

06:06:59,430 --> 06:06:57,120

trump is just such a wild card that he

8742

06:07:00,708 --> 06:06:59,440

doesn't give a [h__h] about the way things

8743

06:07:01,590 --> 06:07:00,718

tradition

8744

06:07:03,990 --> 06:07:01,600

you know

8745

06:07:05,670 --> 06:07:04,000

uh the sanctity of the election and the

8746

06:07:07,990 --> 06:07:05,680

transfer of power

8747

06:07:10,390 --> 06:07:08,000

he doesn't care he's just gonna do what

8748

06:07:11,750 --> 06:07:10,400

he's gonna do and you can't he's so

8749

06:07:13,430 --> 06:07:11,760

unpredictable

8750

06:07:16,708 --> 06:07:13,440

well and again especially when you have

8751
06:07:18,628 --> 06:07:16,718
people outside waiting for anything to

8752
06:07:21,030 --> 06:07:18,638
allow them to use their weapons and

8753
06:07:22,948 --> 06:07:21,040
their grenades and their [h__h] gear

8754
06:07:25,430 --> 06:07:22,958
and star [h__h] there's a dude with a

8755
06:07:26,230 --> 06:07:25,440
samurai sword out there waiting for [h__h]

8756
06:07:27,590 --> 06:07:26,240
to happen

8757
06:07:29,910 --> 06:07:27,600
how's it going

8758
06:07:31,910 --> 06:07:29,920
yeah all this preppers this is their wet

8759
06:07:32,788 --> 06:07:31,920
dream come true man

8760
06:07:37,750 --> 06:07:32,798
i'm just

8761
06:07:40,708 --> 06:07:37,760
like i'm doing a nice dw avatar

8762
06:07:42,070 --> 06:07:40,718
yeah yeah yeah it is what it is

8763
06:07:43,990 --> 06:07:42,080

you know we got a lot of people coming

8764

06:07:50,070 --> 06:07:44,000

in and a lot of people going out we're

8765

06:07:54,948 --> 06:07:52,070

what the [\h__\h] are we doing i'm not even

8766

06:07:57,110 --> 06:07:54,958

american i should be [\h__\h] sleeping

8767

06:07:59,350 --> 06:07:57,120

yeah why do you do you really care that

8768

06:08:01,430 --> 06:07:59,360

much mario about what happens in the u.s

8769

06:08:03,510 --> 06:08:01,440

but i mean what happens in the u.s does

8770

06:08:05,350 --> 06:08:03,520

affect canada in a lot of ways yeah so

8771

06:08:08,310 --> 06:08:05,360

for instance there's the

8772

06:08:09,910 --> 06:08:08,320

keystone xl pipeline right that biden

8773

06:08:13,030 --> 06:08:09,920

said was going to get rid of and the

8774

06:08:15,110 --> 06:08:13,040

premier of my province is a mini trump

8775

06:08:17,510 --> 06:08:15,120

who is super conservative and [\h__\h] and

8776

06:08:19,910 --> 06:08:17,520

he's pushing for that keystone xl

8777

06:08:23,110 --> 06:08:19,920

and and

8778

06:08:24,788 --> 06:08:23,120

so if trump wins then this [h__h]

8779

06:08:26,548 --> 06:08:24,798

here wins because he'll be like yeah see

8780

06:08:28,548 --> 06:08:26,558

i told you guys we need to keep pushing

8781

06:08:31,110 --> 06:08:28,558

for that but if biden wins i'll be able

8782

06:08:33,270 --> 06:08:31,120

to say see you [h__h] you invested

8783

06:08:35,990 --> 06:08:33,280

money in a dying industry

8784

06:08:37,670 --> 06:08:36,000

which is oil and gas you don't realize

8785

06:08:39,590 --> 06:08:37,680

that we don't diversify our economy and

8786

06:08:40,548 --> 06:08:39,600

on top of that all that money that you

8787

06:08:43,030 --> 06:08:40,558

borrowed

8788

06:08:45,030 --> 06:08:43,040

and gave to the company so they could

8789

06:08:47,030 --> 06:08:45,040

finish building their keystone account

8790

06:08:48,948 --> 06:08:47,040

gone because buying is going to cancel

8791

06:08:51,030 --> 06:08:48,958

it

8792

06:08:54,150 --> 06:08:51,040

so yeah a lot of things do affect right

8793

06:08:56,628 --> 06:08:54,160

our our our trade yes our military

8794

06:08:58,548 --> 06:08:56,638

relationship everything

8795

06:09:01,510 --> 06:08:58,558

global relationships yeah there's a

8796

06:09:02,868 --> 06:09:01,520

there's headlines both on cnn and on uh

8797

06:09:05,190 --> 06:09:02,878

on on

8798

06:09:07,430 --> 06:09:05,200

fox news right now about what trump just

8799

06:09:11,110 --> 06:09:07,440

did fox news trump claims victory

8800

06:09:13,270 --> 06:09:11,120

despite undecided states hints at a

8801
06:09:14,868 --> 06:09:13,280
supreme court action

8802
06:09:16,708 --> 06:09:14,878
and then cnn let's see how they're

8803
06:09:18,868 --> 06:09:16,718
reporting it i just want to get both

8804
06:09:20,548 --> 06:09:18,878
sides of the aisle and see what people

8805
06:09:23,990 --> 06:09:20,558
are saying

8806
06:09:26,708 --> 06:09:24,000
wow uh cnn says uh their headline is

8807
06:09:28,708 --> 06:09:26,718
without bias without basis the president

8808
06:09:30,548 --> 06:09:28,718
threatens to end legitimate tallying

8809
06:09:31,590 --> 06:09:30,558
efforts and claims victory in the

8810
06:09:33,670 --> 06:09:31,600
election

8811
06:09:36,868 --> 06:09:33,680
that is such a [h__\h]

8812
06:09:38,628 --> 06:09:36,878
polarizing dude unnecessary

8813
06:09:40,548 --> 06:09:38,638

yeah unnecessary

8814

06:09:42,230 --> 06:09:40,558

and that's what you're voting for happy

8815

06:09:44,070 --> 06:09:42,240

birthday

8816

06:09:45,590 --> 06:09:44,080

i'm getting the [h__h] out of here hey are

8817

06:09:47,830 --> 06:09:45,600

you guys taking i'm gonna i'm gonna i'm

8818

06:09:50,230 --> 06:09:47,840

gonna i'm gonna use my

8819

06:09:56,788 --> 06:09:50,240

my other half mexican part and try to

8820

06:10:00,868 --> 06:09:58,708

it worked out good for uh for our

8821

06:10:03,430 --> 06:10:00,878

mexican canadian correspondent he's got

8822

06:10:05,750 --> 06:10:03,440

free health care he's very happy there i

8823

06:10:07,430 --> 06:10:05,760

gotta get up there

8824

06:10:09,350 --> 06:10:07,440

i can handle the cold

8825

06:10:12,070 --> 06:10:09,360

cambium will move with jason quit and

8826

06:10:13,910 --> 06:10:12,080

you can move here or vice versa

8827

06:10:17,750 --> 06:10:13,920

jason quits got a nice setup a bunch of

8828

06:10:20,788 --> 06:10:17,760

land and i like just empty lands

8829

06:10:22,948 --> 06:10:20,798

you're on the west coast uh not spooky

8830

06:10:25,510 --> 06:10:22,958

you're on the west coast mario

8831

06:10:26,708 --> 06:10:25,520

we didn't have west coast

8832

06:10:29,110 --> 06:10:26,718

you were saying something about you were

8833

06:10:31,510 --> 06:10:29,120

saying something about vancouver

8834

06:10:35,670 --> 06:10:31,520

oh no yeah i'm on the west side of yeah

8835

06:10:39,910 --> 06:10:37,590

like i mean as far as

8836

06:10:40,948 --> 06:10:39,920

i mean is there a lot of work to be had

8837

06:10:43,270 --> 06:10:40,958

up there

8838

06:10:45,430 --> 06:10:43,280

there was we went through a boom

8839

06:10:47,590 --> 06:10:45,440

oil boom for a while and then that slow

8840

06:10:49,270 --> 06:10:47,600

down but yeah i mean if you want to work

8841

06:10:52,070 --> 06:10:49,280

like one of the things that pissed me

8842

06:10:54,230 --> 06:10:52,080

about living here and this is not a dis

8843

06:10:55,750 --> 06:10:54,240

on anyone that that does this kind of

8844

06:10:57,590 --> 06:10:55,760

work but

8845

06:10:59,510 --> 06:10:57,600

it's very unbalanced so you will have

8846

06:11:00,310 --> 06:10:59,520

university students like me graduates

8847

06:11:02,788 --> 06:11:00,320

right

8848

06:11:04,548 --> 06:11:02,798

or whatever first of all if you really

8849

06:11:06,628 --> 06:11:04,558

want to make it an academia here you

8850

06:11:08,948 --> 06:11:06,638

better get a master's or a phd otherwise

8851
06:11:10,868 --> 06:11:08,958
forget it a bachelor says yeah sure you

8852
06:11:13,030 --> 06:11:10,878
know [h__\h] you can have some good

8853
06:11:13,830 --> 06:11:13,040
conversations but that's about it

8854
06:11:16,390 --> 06:11:13,840
so

8855
06:11:18,708 --> 06:11:16,400
but people here that are like welders or

8856
06:11:20,310 --> 06:11:18,718
carpenters or all the tradesmen the

8857
06:11:22,390 --> 06:11:20,320
trains you have to do well right yeah

8858
06:11:24,708 --> 06:11:22,400
i'm a tradesman that happens in the

8859
06:11:26,150 --> 06:11:24,718
states too but and again nothing against

8860
06:11:28,390 --> 06:11:26,160
people look you're free to choose

8861
06:11:30,788 --> 06:11:28,400
whatever you want however in my opinion

8862
06:11:33,350 --> 06:11:30,798
when you have too much of something

8863
06:11:35,430 --> 06:11:33,360

let's be honest a lot of the trades

8864

06:11:36,868 --> 06:11:35,440

yeah are not educated a lot of these

8865

06:11:38,470 --> 06:11:36,878

people leave high school they're like oh

8866

06:11:40,150 --> 06:11:38,480

yeah i'm gonna make money on the rig and

8867

06:11:42,628 --> 06:11:40,160

stuff and then they're

8868

06:11:44,390 --> 06:11:42,638

like super ignorant are doing the most

8869

06:11:45,670 --> 06:11:44,400

drugs and [h__\h] and getting into all

8870

06:11:47,990 --> 06:11:45,680

sorts of trouble

8871

06:11:49,670 --> 06:11:48,000

right oh and then you have people that

8872

06:11:52,390 --> 06:11:49,680

are educated and [h__\h] and they're like

8873

06:11:54,470 --> 06:11:52,400

struggling and i just find it very

8874

06:11:58,390 --> 06:11:54,480

unfair that like

8875

06:12:01,430 --> 06:11:58,400

someone can make like 50 60 an hour

8876

06:12:03,430 --> 06:12:01,440

just standing there mind you hard

8877

06:12:05,510 --> 06:12:03,440

hard labor right like you're standing

8878

06:12:07,590 --> 06:12:05,520

outside at minus 30 sometimes when

8879

06:12:10,310 --> 06:12:07,600

you're up there in the rigs and [h__h] so

8880

06:12:12,310 --> 06:12:10,320

yeah sure but then what about the rest

8881

06:12:13,030 --> 06:12:12,320

of us right like right there's no the

8882

06:12:14,470 --> 06:12:13,040

the

8883

06:12:16,390 --> 06:12:14,480

quality between

8884

06:12:17,670 --> 06:12:16,400

like what you do as far as like it work

8885

06:12:19,910 --> 06:12:17,680

or whatnot is that what you're saying

8886

06:12:22,150 --> 06:12:19,920

like like in the business section no i

8887

06:12:23,590 --> 06:12:22,160

don't i don't do like you work

8888

06:12:25,430 --> 06:12:23,600

oh my bad

8889

06:12:27,910 --> 06:12:25,440

i got it

8890

06:12:30,310 --> 06:12:27,920

no no i so i have to i work at a hotel

8891

06:12:33,190 --> 06:12:30,320

right and that's part of because where i

8892

06:12:35,030 --> 06:12:33,200

am science works nothing so i have my

8893

06:12:37,590 --> 06:12:35,040

bachelor's in biology chemistry and

8894

06:12:39,510 --> 06:12:37,600

anthropology good for you

8895

06:12:42,150 --> 06:12:39,520

right word [h__\h] all you can't you can't

8896

06:12:44,070 --> 06:12:42,160

find any work in that in in that area

8897

06:12:46,470 --> 06:12:44,080

really no

8898

06:12:47,910 --> 06:12:46,480

nothing yeah it could be a teacher in a

8899

06:12:49,830 --> 06:12:47,920

college major yeah

8900

06:12:51,750 --> 06:12:49,840

yeah no but here's the thing if i want

8901

06:12:53,350 --> 06:12:51,760

to be a teacher it's not like in the

8902

06:12:54,708 --> 06:12:53,360

states if i want to be a teacher in

8903

06:12:56,708 --> 06:12:54,718

college or university because i

8904

06:12:58,628 --> 06:12:56,718

graduated from university

8905

06:12:59,910 --> 06:12:58,638

uh it's different from college believe

8906

06:13:01,590 --> 06:12:59,920

it or not

8907

06:13:03,190 --> 06:13:01,600

so i mean i have a buddy that's an

8908

06:13:06,230 --> 06:13:03,200

astrophysicist oh well he went through

8909

06:13:09,270 --> 06:13:06,240

he i i actually i can't say his name but

8910

06:13:11,750 --> 06:13:09,280

uh he went through the whole deal and uh

8911

06:13:14,788 --> 06:13:11,760

became an astrophysicist and now he's

8912

06:13:16,628 --> 06:13:14,798

working for a university

8913

06:13:17,590 --> 06:13:16,638

like it's just right in that way but

8914

06:13:20,470 --> 06:13:17,600

where

8915

06:13:20,480 --> 06:13:26,868

in the state

8916

06:13:29,910 --> 06:13:28,390

that's fine but that's what i mean so

8917

06:13:32,070 --> 06:13:29,920

here it's like

8918

06:13:33,910 --> 06:13:32,080

it's not like that so if you want to be

8919

06:13:36,150 --> 06:13:33,920

a teacher right you have to get an

8920

06:13:38,150 --> 06:13:36,160

education after a degree or just have

8921

06:13:40,788 --> 06:13:38,160

your education degree to teach in high

8922

06:13:43,590 --> 06:13:40,798

school and elementary if you want to

8923

06:13:45,190 --> 06:13:43,600

teach in post-secondary so college or

8924

06:13:47,590 --> 06:13:45,200

university you have to have your

8925

06:13:50,708 --> 06:13:47,600

doctorate or your phd

8926

06:13:53,270 --> 06:13:50,718

yeah so they want very qualified teams

8927

06:13:55,350 --> 06:13:53,280

i love learning dude and and i love

8928

06:13:57,030 --> 06:13:55,360

science and biology and all that [h__h]

8929

06:13:59,270 --> 06:13:57,040

but the problem is i don't like making a

8930

06:14:01,350 --> 06:13:59,280

living yeah hey mario heath did you do

8931

06:14:02,788 --> 06:14:01,360

you know alien scientist do you know his

8932

06:14:04,548 --> 06:14:02,798

channel

8933

06:14:06,868 --> 06:14:04,558

uh yes

8934

06:14:08,628 --> 06:14:06,878

he's a perfect example of this alien

8935

06:14:11,510 --> 06:14:08,638

scientist has an

8936

06:14:12,948 --> 06:14:11,520

advanced physics degree right

8937

06:14:15,670 --> 06:14:12,958

but do you know what he does for a

8938

06:14:17,350 --> 06:14:15,680

living he's a tile person he does

8939

06:14:20,708 --> 06:14:17,360

people's bathrooms

8940

06:14:22,310 --> 06:14:20,718

and ceramic tiles and and and he's just

8941

06:14:23,670 --> 06:14:22,320

frustrated like you like he loves

8942

06:14:25,750 --> 06:14:23,680

science he would love to make it his

8943

06:14:27,270 --> 06:14:25,760

living but he can make more money being

8944

06:14:30,070 --> 06:14:27,280

a tile layer

8945

06:14:31,990 --> 06:14:30,080

and a craftsman and he can decide

8946

06:14:33,990 --> 06:14:32,000

like my family in texas right so i've

8947

06:14:37,270 --> 06:14:34,000

seen postings for like research

8948

06:14:39,110 --> 06:14:37,280

assistant and this lab assistants work

8949

06:14:40,230 --> 06:14:39,120

that there's so many science related

8950

06:14:41,510 --> 06:14:40,240

jobs right

8951

06:14:44,230 --> 06:14:41,520

right and then

8952

06:14:46,230 --> 06:14:44,240

even for like csi right so like becoming

8953

06:14:48,868 --> 06:14:46,240

a cfi apprentice where you don't you

8954

06:14:51,190 --> 06:14:48,878

don't necessarily have to go to like so

8955

06:14:52,868 --> 06:14:51,200

in a way they're like tradesmen of

8956

06:14:53,830 --> 06:14:52,878

science if you will

8957

06:14:56,150 --> 06:14:53,840

okay

8958

06:14:58,150 --> 06:14:56,160

so like a csi person would be collecting

8959

06:14:59,990 --> 06:14:58,160

samples and [h__\h] you might not be

8960

06:15:01,190 --> 06:15:00,000

you might not be publishing research and

8961

06:15:03,670 --> 06:15:01,200

stuff but you're actually applying

8962

06:15:05,430 --> 06:15:03,680

science to

8963

06:15:07,750 --> 06:15:05,440

to a practical end

8964

06:15:10,788 --> 06:15:07,760

right but we don't have a lot of that

8965

06:15:13,750 --> 06:15:10,798

element well it's a trade it is a trade

8966

06:15:15,510 --> 06:15:13,760

you have to go out there and you have to

8967

06:15:17,670 --> 06:15:15,520

to pick up that evidence and you well

8968

06:15:19,030 --> 06:15:17,680

there's oh wow there's criminal

8969

06:15:20,868 --> 06:15:19,040

there's several courses that you have to

8970

06:15:22,708 --> 06:15:20,878

take to actually do that right but

8971

06:15:24,628 --> 06:15:22,718

here's the thing though courses right

8972

06:15:27,350 --> 06:15:24,638

that help you but you don't have to have

8973

06:15:28,628 --> 06:15:27,360

a phd and then be worth no right i can

8974

06:15:30,390 --> 06:15:28,638

say that i

8975

06:15:33,670 --> 06:15:30,400

could say this though about like the

8976

06:15:35,030 --> 06:15:33,680

computer industry and the an it is like

8977

06:15:37,750 --> 06:15:35,040

uh

8978

06:15:39,750 --> 06:15:37,760

they don't care if you have a degree

8979

06:15:41,910 --> 06:15:39,760

right if you get a good if you get a

8980

06:15:44,788 --> 06:15:41,920

good interview like if you get a good

8981

06:15:46,868 --> 06:15:44,798

interviewer look that knows tech he

8982

06:15:49,350 --> 06:15:46,878

doesn't care he's going to ask you about

8983

06:15:50,150 --> 06:15:49,360

the specific like you know where they

8984

06:15:57,270 --> 06:15:50,160

set up

8985

06:15:58,788 --> 06:15:57,280

doesn't work one the video card doesn't

8986

06:15:59,510 --> 06:15:58,798

work this is what they do i'm not

8987

06:16:01,270 --> 06:15:59,520

kidding

8988

06:16:02,230 --> 06:16:01,280

and you go into a job you go into a job

8989

06:16:04,628 --> 06:16:02,240

interview you think you're gonna be

8990

06:16:07,030 --> 06:16:04,638

there for 20 minutes or a half hour and

8991

06:16:09,110 --> 06:16:07,040

sit down and no they're like see if you

8992

06:16:12,628 --> 06:16:09,120

can fix these i'm not kidding you that's

8993

06:16:16,230 --> 06:16:14,708

he's getting a good

8994

06:16:17,430 --> 06:16:16,240

computer if you're going to be a linux

8995

06:16:19,750 --> 06:16:17,440

guy they're going to ask you a bunch of

8996

06:16:21,110 --> 06:16:19,760

linux questions find out does this guy

8997

06:16:29,350 --> 06:16:21,120

and they know right away because they're

8998

06:16:32,788 --> 06:16:30,788

they don't care about a degree they care

8999

06:16:34,788 --> 06:16:32,798

about knowledge and experience and if

9000

06:16:36,868 --> 06:16:34,798

you could do the job well to a certain

9001
06:16:38,868 --> 06:16:36,878
extent you know certainly some of them

9002
06:16:41,430 --> 06:16:38,878
they want a degree you know i don't know

9003
06:16:42,470 --> 06:16:41,440
about millions but i i know people i'm

9004
06:16:43,750 --> 06:16:42,480
sorry

9005
06:16:45,670 --> 06:16:43,760
no but please

9006
06:16:48,390 --> 06:16:45,680
so here's the thing and that's why i

9007
06:16:49,910 --> 06:16:48,400
decided to look for another trade and

9008
06:16:51,750 --> 06:16:49,920
that's why i have another part-time that

9009
06:16:53,590 --> 06:16:51,760
i'm hoping will eventually be my full

9010
06:16:56,628 --> 06:16:53,600
time with federal government but it's

9011
06:16:59,510 --> 06:16:56,638
totally unrelated to science i mean

9012
06:17:01,110 --> 06:16:59,520
science gives you the skills to like

9013
06:17:02,628 --> 06:17:01,120

yeah but they know that when they look

9014

06:17:04,868 --> 06:17:02,638

at your science degrees they know you're

9015

06:17:07,590 --> 06:17:04,878

a smart guy so that gives you an edge

9016

06:17:12,230 --> 06:17:09,990

in certain areas but not everywhere else

9017

06:17:14,230 --> 06:17:12,240

and that's the problem we have here it's

9018

06:17:16,150 --> 06:17:14,240

a problem we have where

9019

06:17:17,190 --> 06:17:16,160

i kid you know there are positions where

9020

06:17:19,110 --> 06:17:17,200

like there's

9021

06:17:20,868 --> 06:17:19,120

qualified people okay but they don't

9022

06:17:23,430 --> 06:17:20,878

have a certain ticket we call them

9023

06:17:25,910 --> 06:17:23,440

tickets here for certifications and [h__h]

9024

06:17:28,470 --> 06:17:25,920

or or you don't have or they also write

9025

06:17:29,990 --> 06:17:28,480

like okay well do you have a phd sure

9026

06:17:31,030 --> 06:17:30,000

how much experience do you have in is

9027

06:17:33,430 --> 06:17:31,040

like dude how am i going to get

9028

06:17:34,628 --> 06:17:33,440

experience where like literally only

9029

06:17:36,548 --> 06:17:34,638

like three

9030

06:17:39,110 --> 06:17:36,558

industries here are hiring for this kind

9031

06:17:40,788 --> 06:17:39,120

of jobs it's ridiculous like i was

9032

06:17:43,510 --> 06:17:40,798

applying so i applied to this

9033

06:17:45,510 --> 06:17:43,520

apprenticeship program that the rcmp had

9034

06:17:46,948 --> 06:17:45,520

the rcmp is the royal canadian mounted

9035

06:17:49,270 --> 06:17:46,958

police

9036

06:17:51,190 --> 06:17:49,280

and it was actually an entry-level

9037

06:17:53,910 --> 06:17:51,200

[h__\h] uh

9038

06:17:55,590 --> 06:17:53,920

you know even their com their

9039

06:17:57,510 --> 06:17:55,600

job opening said

9040

06:17:58,948 --> 06:17:57,520

you know it's okay to just

9041

06:18:00,230 --> 06:17:58,958

come out of a degree or whatever you

9042

06:18:05,190 --> 06:18:00,240

don't have to have experience that i

9043

06:18:08,310 --> 06:18:06,708

really they want people that have been

9044

06:18:10,150 --> 06:18:08,320

doing this for years but then you ask

9045

06:18:13,270 --> 06:18:10,160

them how do like how is that going to

9046

06:18:15,510 --> 06:18:13,280

happen right and let's be honest

9047

06:18:17,350 --> 06:18:15,520

well in this case the position sure you

9048

06:18:19,590 --> 06:18:17,360

need some science but really it's

9049

06:18:21,430 --> 06:18:19,600

nothing that nobody can learn right like

9050

06:18:23,430 --> 06:18:21,440

you were just basically gonna you you

9051
06:18:25,190 --> 06:18:23,440
even had to do some more schooling while

9052
06:18:27,270 --> 06:18:25,200
you were working for them

9053
06:18:29,430 --> 06:18:27,280
right because you have to learn the the

9054
06:18:32,310 --> 06:18:29,440
basics and how to use the instruments to

9055
06:18:37,270 --> 06:18:32,320
like for example ballistics right like

9056
06:18:41,750 --> 06:18:38,868
yeah that's pretty common you know what

9057
06:18:45,590 --> 06:18:41,760
i think oh i think mario froze

9058
06:18:48,230 --> 06:18:45,600
yeah mario froze let me let me try i'll

9059
06:18:50,628 --> 06:18:48,240
try uh i'll see if he unfreezes i'm

9060
06:18:52,868 --> 06:18:50,638
going to take him out of the stream

9061
06:18:54,230 --> 06:18:52,878
and it looks like he's still

9062
06:18:57,030 --> 06:18:54,240
frozen

9063
06:18:59,030 --> 06:18:57,040

not spooky we'll see if we can get

9064

06:19:01,190 --> 06:18:59,040

reconnected if not here here's what

9065

06:19:03,590 --> 06:19:01,200

we're going to do i think uh we've done

9066

06:19:07,110 --> 06:19:03,600

our due diligence trying to cover this

9067

06:19:09,110 --> 06:19:07,120

[h__\h] american nightmare and uh

9068

06:19:11,910 --> 06:19:09,120

i'm going to bow out soon

9069

06:19:13,910 --> 06:19:11,920

so i think what we'll do to wrap it up

9070

06:19:15,830 --> 06:19:13,920

is i will uh

9071

06:19:20,390 --> 06:19:15,840

we can go to cnn

9072

06:19:22,390 --> 06:19:20,400

fox news and real time this this 270

9073

06:19:23,910 --> 06:19:22,400

to win and see what

9074

06:19:25,830 --> 06:19:23,920

what they have

9075

06:19:27,430 --> 06:19:25,840

i have them all up here let me just

9076
06:19:29,510 --> 06:19:27,440
refresh each to make sure that i'm not

9077
06:19:31,030 --> 06:19:29,520
behind because i got them up like a few

9078
06:19:33,510 --> 06:19:31,040
minutes ago

9079
06:19:35,910 --> 06:19:33,520
and we'll say

9080
06:19:39,030 --> 06:19:35,920
you know here's what here's what

9081
06:19:40,948 --> 06:19:39,040
these news sources say is is happening

9082
06:19:42,548 --> 06:19:40,958
here i'm going to show the first one is

9083
06:19:44,310 --> 06:19:42,558
going to be cnn

9084
06:19:46,070 --> 06:19:44,320
we'll share that one

9085
06:19:48,230 --> 06:19:46,080
now we'll take a look at cnn this is

9086
06:19:49,750 --> 06:19:48,240
fair use

9087
06:19:51,510 --> 06:19:49,760
we're educating the public about the

9088
06:19:54,070 --> 06:19:51,520

presidential election

9089

06:19:57,670 --> 06:19:54,080

and here we see trump's chilling threat

9090

06:20:03,350 --> 06:20:00,470

and uh okay so they have they have it

9091

06:20:09,910 --> 06:20:03,360

right now at 220 electoral votes to

9092

06:20:11,750 --> 06:20:09,920

biden and 213 to president trump uh and

9093

06:20:14,788 --> 06:20:11,760

we will stop that one we'll go to the

9094

06:20:16,470 --> 06:20:14,798

next one which is going to be fox news

9095

06:20:18,150 --> 06:20:16,480

i just want to be fair and go to both

9096

06:20:19,350 --> 06:20:18,160

sides of the aisle and then we'll go to

9097

06:20:20,788 --> 06:20:19,360

one that i think is a little more

9098

06:20:28,150 --> 06:20:20,798

independent

9099

06:20:31,830 --> 06:20:29,510

oh does he

9100

06:20:35,590 --> 06:20:32,948

okay

9101
06:20:37,910 --> 06:20:35,600
we're gonna it's the chinese invading

9102
06:20:40,628 --> 06:20:37,920
that's what happened yeah during this

9103
06:20:44,788 --> 06:20:40,638
okay so we have fox news has it at joe

9104
06:20:47,430 --> 06:20:44,798
biden 238 donald trump 213.

9105
06:20:50,150 --> 06:20:47,440
uh and interesting that he's making a

9106
06:20:52,548 --> 06:20:50,160
concession speech when these two major

9107
06:20:54,150 --> 06:20:52,558
news outlets both have him behind we're

9108
06:20:55,910 --> 06:20:54,160
interested in his making a victory

9109
06:20:58,548 --> 06:20:55,920
speech victory

9110
06:20:59,990 --> 06:20:58,558
yeah when both of the major news outlets

9111
06:21:02,548 --> 06:21:00,000
on both sides of the aisle have him

9112
06:21:03,830 --> 06:21:02,558
behind biden which is uh it looks like

9113
06:21:05,990 --> 06:21:03,840

they have it looks like he's ahead in

9114

06:21:07,670 --> 06:21:06,000

the popular by a little bit too

9115

06:21:08,470 --> 06:21:07,680

yeah and then the last one we're going

9116

06:21:13,830 --> 06:21:08,480

to

9117

06:21:16,150 --> 06:21:13,840

one seems like a great source that uh

9118

06:21:20,390 --> 06:21:16,160

spooky brought us thank you to spooky

9119

06:21:21,990 --> 06:21:20,400

and that's got biden 227 and trump 213.

9120

06:21:24,070 --> 06:21:22,000

so we have three

9121

06:21:26,070 --> 06:21:24,080

separate news sources is reporting that

9122

06:21:28,310 --> 06:21:26,080

he's behind and he's making a victory

9123

06:21:30,070 --> 06:21:28,320

speech basically that is

9124

06:21:31,030 --> 06:21:30,080

just it's unprecedented it's never

9125

06:21:33,030 --> 06:21:31,040

happened

9126

06:21:36,070 --> 06:21:33,040

got fires in portland

9127

06:21:38,390 --> 06:21:36,080

there's lightning fires in portland

9128

06:21:40,628 --> 06:21:38,400

it's about to pop off friends

9129

06:21:42,948 --> 06:21:40,638

yeah it's about to pop off

9130

06:21:46,470 --> 06:21:42,958

this is an absolute nightmare man hold

9131

06:21:51,110 --> 06:21:46,480

on to your butt yeah

9132

06:21:54,390 --> 06:21:51,120

oh [\h__\h] are we gonna cover the ride

9133

06:21:56,628 --> 06:21:54,400

first of all i'm like flag

9134

06:22:02,470 --> 06:21:56,638

i gotta go very very soon so i think

9135

06:22:06,150 --> 06:22:04,310

but i think that i'll be we can pick

9136

06:22:08,230 --> 06:22:06,160

this up tomorrow if it's all if shit's

9137

06:22:09,910 --> 06:22:08,240

going off well we could right he's

9138

06:22:11,590 --> 06:22:09,920

trying to like pivot away from all this

9139

06:22:15,190 --> 06:22:11,600

politics and real world [h__h] and get

9140

06:22:17,350 --> 06:22:15,200

back to crazy land and spiritually land

9141

06:22:20,070 --> 06:22:17,360

it's kind of funny that that's become an

9142

06:22:22,868 --> 06:22:20,080

escape but it you know

9143

06:22:25,190 --> 06:22:22,878

but maybe yeah maybe we'll do that

9144

06:22:26,470 --> 06:22:25,200

i'm gonna be i think i'm gonna be i

9145

06:22:28,708 --> 06:22:26,480

think i'm gonna be going to the cabin

9146

06:22:30,948 --> 06:22:28,718

tomorrow but i this is crazy i need to

9147

06:22:33,110 --> 06:22:30,958

hang around here long enough tomorrow to

9148

06:22:35,030 --> 06:22:33,120

make sure that if there is riots in

9149

06:22:37,270 --> 06:22:35,040

philadelphia it's not going to spill out

9150

06:22:40,230 --> 06:22:37,280

as far as we are here in the suburbs

9151
06:22:42,788 --> 06:22:40,240
before i leave my wife and my children

9152
06:22:44,150 --> 06:22:42,798
uh for a few days you know

9153
06:22:45,910 --> 06:22:44,160
be careful brother

9154
06:22:48,150 --> 06:22:45,920
no it's cool

9155
06:22:50,628 --> 06:22:48,160
when when uh you know i'd rather err on

9156
06:22:52,948 --> 06:22:50,638
the side of caution and just stay

9157
06:22:55,830 --> 06:22:52,958
uh but that sucks because it's like the

9158
06:22:57,910 --> 06:22:55,840
last warm it's the last weekend before

9159
06:23:00,628 --> 06:22:57,920
freezing really to get that

9160
06:23:02,070 --> 06:23:00,638
that room i'm working on done

9161
06:23:04,150 --> 06:23:02,080
so hopefully it all works out because

9162
06:23:06,390 --> 06:23:04,160
i'd like to get there and try to [h__h]

9163
06:23:08,390 --> 06:23:06,400

motor on that thing and get that thing

9164

06:23:10,708 --> 06:23:08,400

buttoned up for you know at least get

9165

06:23:12,548 --> 06:23:10,718

the ceiling you know the roof up and the

9166

06:23:14,470 --> 06:23:12,558

walls up and then i can work on the

9167

06:23:17,910 --> 06:23:14,480

inside

9168

06:23:20,150 --> 06:23:17,920

you know even if it's cold out but i

9169

06:23:21,430 --> 06:23:20,160

gotta get the gotta get the shell done

9170

06:23:23,910 --> 06:23:21,440

first

9171

06:23:26,548 --> 06:23:23,920

so yeah this is crazy and this is unpr i

9172

06:23:29,110 --> 06:23:26,558

can't believe the night this is just

9173

06:23:32,230 --> 06:23:29,120

a bunch of firsts and things i've never

9174

06:23:35,830 --> 06:23:34,390

yeah it's crazy this is absolutely

9175

06:23:36,830 --> 06:23:35,840

insane

9176
06:23:40,788 --> 06:23:36,840
i don't know

9177
06:23:43,110 --> 06:23:40,798
yeah

9178
06:23:44,788 --> 06:23:43,120
what the night brings

9179
06:23:47,350 --> 06:23:44,798
the night

9180
06:23:48,948 --> 06:23:47,360
it's been midnight here so you know it's

9181
06:23:50,788 --> 06:23:48,958
three in the morning there right

9182
06:23:53,350 --> 06:23:50,798
yeah yeah

9183
06:23:55,030 --> 06:23:53,360
yeah we're far behind you so

9184
06:23:56,708 --> 06:23:55,040
it's it's this has been an interesting

9185
06:23:58,788 --> 06:23:56,718
evening though to see like all these

9186
06:23:59,910 --> 06:23:58,798
developments from the nail biting while

9187
06:24:01,110 --> 06:23:59,920
we see

9188
06:24:03,670 --> 06:24:01,120

the count

9189

06:24:05,430 --> 06:24:03,680

and it's disturbing to me if like three

9190

06:24:08,230 --> 06:24:05,440

major news outlets are reporting him

9191

06:24:09,350 --> 06:24:08,240

behind and he's still declaring victory

9192

06:24:11,430 --> 06:24:09,360

but

9193

06:24:13,990 --> 06:24:11,440

he may know something we don't i don't

9194

06:24:16,868 --> 06:24:14,000

know uh dan said he's leading in most of

9195

06:24:18,070 --> 06:24:16,878

the states that are undeclared

9196

06:24:19,910 --> 06:24:18,080

so

9197

06:24:22,948 --> 06:24:19,920

yeah he is

9198

06:24:25,670 --> 06:24:22,958

on that fox news map or the nbc map if

9199

06:24:27,590 --> 06:24:25,680

you actually hover over a state

9200

06:24:29,830 --> 06:24:27,600

it will tell you like

9201

06:24:32,310 --> 06:24:29,840

the amount of votes and how much there's

9202

06:24:34,310 --> 06:24:32,320

been oh okay yeah so i could do some

9203

06:24:36,470 --> 06:24:34,320

reporting i'll report on that i'll

9204

06:24:38,868 --> 06:24:36,480

report that on the

9205

06:24:40,150 --> 06:24:38,878

this is on fox news i'm going to do the

9206

06:24:43,270 --> 06:24:40,160

hover

9207

06:24:45,510 --> 06:24:43,280

in pennsylvania we have donald trump at

9208

06:24:48,390 --> 06:24:45,520

55

9209

06:24:50,788 --> 06:24:48,400

and joe biden at 43

9210

06:24:53,110 --> 06:24:50,798

and that's it doesn't say the percentage

9211

06:24:56,868 --> 06:24:53,120

of the vote that's tallied though oh

9212

06:24:59,430 --> 06:24:56,878

reporting it does 64 in so with 64 of

9213

06:25:02,708 --> 06:24:59,440

the vote in in pennsylvania biden is at

9214

06:25:05,030 --> 06:25:02,718

43 and donald trump is at 55 percent

9215

06:25:07,750 --> 06:25:05,040

if we go over to north carolina

9216

06:25:10,070 --> 06:25:07,760

we have joe biden at 48

9217

06:25:12,390 --> 06:25:10,080

donald trump at 50

9218

06:25:14,150 --> 06:25:12,400

with 94

9219

06:25:16,390 --> 06:25:14,160

so it looks like he's going to take

9220

06:25:18,070 --> 06:25:16,400

north carolina that's 15.

9221

06:25:21,830 --> 06:25:18,080

if we go to georgia

9222

06:25:24,548 --> 06:25:21,840

we have joe biden at 48 percent and

9223

06:25:27,350 --> 06:25:24,558

donald trump at 51

9224

06:25:28,708 --> 06:25:27,360

and they have 93

9225

06:25:31,110 --> 06:25:28,718

reporting

9226

06:25:32,708 --> 06:25:31,120

uh we have just three states left we

9227

06:25:35,430 --> 06:25:32,718

have michigan

9228

06:25:38,150 --> 06:25:35,440

and that has biden at 45 percent and

9229

06:25:39,190 --> 06:25:38,160

donald trump at 53 percent with 73

9230

06:25:44,150 --> 06:25:39,200

percent

9231

06:25:46,708 --> 06:25:44,160

in we have wisconsin 47 joe biden 51

9232

06:25:47,590 --> 06:25:46,718

donald trump with 92 percent reporting

9233

06:25:50,390 --> 06:25:47,600

in

9234

06:25:52,150 --> 06:25:50,400

and nevada is the last one with

9235

06:25:55,990 --> 06:25:52,160

that one is going to go to joe biden i

9236

06:25:58,470 --> 06:25:56,000

think it's 50 joe biden 47

9237

06:26:01,110 --> 06:25:58,480

donald trump with 67

9238

06:26:02,868 --> 06:26:01,120

reporting in so it looks like in all but

9239

06:26:05,510 --> 06:26:02,878

one of the remaining states that have

9240

06:26:08,548 --> 06:26:05,520

yet to be called donald trump is leading

9241

06:26:10,830 --> 06:26:08,558

can uh biden catch him in some of those

9242

06:26:13,910 --> 06:26:10,840

states maybe i don't

9243

06:26:17,030 --> 06:26:13,920

know tune in next year yeah and pa the

9244

06:26:17,670 --> 06:26:17,040

pa is the most behind they only have 64

9245

06:26:21,910 --> 06:26:17,680

in

9246

06:26:23,350 --> 06:26:21,920

92

9247

06:26:25,510 --> 06:26:23,360

94

9248

06:26:28,708 --> 06:26:25,520

93

9249

06:26:31,430 --> 06:26:28,718

oh so the two that are lagging though 64

9250

06:26:32,628 --> 06:26:31,440

percent in in

9251

06:26:37,990 --> 06:26:32,638

50

9252

06:26:39,830 --> 06:26:38,000

67 in nevada and 64 in p.a

9253

06:26:42,070 --> 06:26:39,840

but i guess he's got a case to make but

9254

06:26:43,110 --> 06:26:42,080

like just shut up and wait for the vote

9255

06:26:45,750 --> 06:26:43,120

right

9256

06:26:47,350 --> 06:26:45,760

that's my point well he's got a case to

9257

06:26:49,510 --> 06:26:47,360

make if he's leading

9258

06:26:51,750 --> 06:26:49,520

him those are the two states i believe

9259

06:26:52,830 --> 06:26:51,760

that are counting the mail-in votes last

9260

06:26:54,390 --> 06:26:52,840

by the

9261

06:26:55,750 --> 06:26:54,400

way

9262

06:26:57,670 --> 06:26:55,760

yeah that's what he's trying to prevent

9263

06:27:00,310 --> 06:26:57,680

i guess right because he knows lean

9264

06:27:03,190 --> 06:27:00,320

heavily towards his opponent but i would

9265

06:27:05,190 --> 06:27:03,200

think most people most experts say that

9266

06:27:06,628 --> 06:27:05,200

right i don't know anything about

9267

06:27:08,708 --> 06:27:06,638

this mail-in what

9268

06:27:09,590 --> 06:27:08,718

i've heard

9269

06:27:12,390 --> 06:27:09,600

yeah

9270

06:27:14,150 --> 06:27:12,400

i'm just hoping that people could just

9271

06:27:16,150 --> 06:27:14,160

[h__h] calm the [h__h] down and wait for

9272

06:27:17,830 --> 06:27:16,160

it wait for it wait for it don't well

9273

06:27:19,910 --> 06:27:17,840

he's sure hitting

9274

06:27:21,190 --> 06:27:19,920

he's like no [h__h] you i won't give him

9275

06:27:22,868 --> 06:27:21,200

the green light

9276

06:27:24,788 --> 06:27:22,878

yeah this honestly shouldn't give people

9277

06:27:27,030 --> 06:27:24,798

the green light to do these things man

9278

06:27:29,350 --> 06:27:27,040

to make americans more upset dude that's

9279

06:27:30,628 --> 06:27:29,360

the thing it's like yeah you haven't you

9280

06:27:32,708 --> 06:27:30,638

have a question you can understand the

9281

06:27:34,230 --> 06:27:32,718

anger listen i can understand the anger

9282

06:27:35,110 --> 06:27:34,240

on the joe biden

9283

06:27:37,750 --> 06:27:35,120

brother

9284

06:27:39,190 --> 06:27:37,760

yeah like hey [h__\h]

9285

06:27:40,548 --> 06:27:39,200

the vote that we haven't finished

9286

06:27:42,628 --> 06:27:40,558

counting the votes yet and you're

9287

06:27:45,590 --> 06:27:42,638

declaring victory you can't do that

9288

06:27:47,430 --> 06:27:45,600

[h__\h] and throw a brick at a cop

9289

06:27:50,628 --> 06:27:47,440

right i could see people getting that

9290

06:27:53,030 --> 06:27:50,638

piss and we have robin wilcock now

9291

06:27:59,270 --> 06:27:56,070

welcome back sweetie

9292

06:28:02,070 --> 06:27:59,280

robin welcome howdy

9293

06:28:05,030 --> 06:28:02,080

there's robin wilcock

9294

06:28:06,390 --> 06:28:05,040

can you guys hear me yes oh i can hear

9295

06:28:07,910 --> 06:28:06,400

you

9296

06:28:09,750 --> 06:28:07,920

okay

9297

06:28:11,750 --> 06:28:09,760

power went out my

9298

06:28:14,230 --> 06:28:11,760

wi-fi is not working so i had to use my

9299

06:28:17,350 --> 06:28:15,750

that's okay

9300

06:28:19,510 --> 06:28:17,360

yeah we're gonna we're gonna wrap things

9301

06:28:23,110 --> 06:28:19,520

up i'm gonna i'm gonna call the last

9302

06:28:24,628 --> 06:28:23,120

beer very soon the last beer

9303

06:28:26,548 --> 06:28:24,638

we're gonna get the let me get the last

9304

06:28:29,030 --> 06:28:26,558

bong loaded up well i would i would have

9305

06:28:31,350 --> 06:28:29,040

used the last blunt but that was taken

9306

06:28:35,750 --> 06:28:31,360

and i don't want to you know

9307

06:28:40,310 --> 06:28:37,670

there it is

9308

06:28:42,628 --> 06:28:40,320

now you're writing the jokes yourself

9309

06:28:44,868 --> 06:28:42,638

bro that's a pro now you're writing the

9310

06:28:47,110 --> 06:28:44,878

mexican jokes yourself does anybody

9311

06:28:50,548 --> 06:28:47,120

remember those books uh truly chase us

9312

06:28:52,708 --> 06:28:50,558

two truly tasteless jokes

9313

06:28:54,310 --> 06:28:52,718

i don't know i don't think so

9314

06:28:55,990 --> 06:28:54,320

freaking hilarious

9315

06:28:56,788 --> 06:28:56,000

they're books from the 80s and whatnot i

9316

06:29:05,270 --> 06:28:56,798

i

9317

06:29:05,280 --> 06:29:12,548

the last taco

9318

06:29:16,868 --> 06:29:15,350

the last dandelion

9319

06:29:18,548 --> 06:29:16,878

does anybody do you know what i think

9320

06:29:20,230 --> 06:29:18,558

though i think like at least on the east

9321

06:29:21,750 --> 06:29:20,240

coast the fact that it's already three

9322

06:29:23,750 --> 06:29:21,760

o'clock in the morning

9323

06:29:25,510 --> 06:29:23,760

might mean that there that a lot of

9324

06:29:27,350 --> 06:29:25,520

violence won't pop off because people

9325

06:29:29,190 --> 06:29:27,360

are tired and they just want to get some

9326

06:29:30,628 --> 06:29:29,200

you know go home

9327

06:29:32,070 --> 06:29:30,638

it's been a long night for a lot of

9328

06:29:33,270 --> 06:29:32,080

those people

9329

06:29:35,030 --> 06:29:33,280

it's uh

9330

06:29:37,670 --> 06:29:35,040

yeah it might be a good bet that that

9331

06:29:40,150 --> 06:29:37,680

they're gonna uh regroup tomorrow and

9332

06:29:41,750 --> 06:29:40,160

start the [h__h]

9333

06:29:44,150 --> 06:29:41,760

but one way or the other i think the

9334

06:29:45,830 --> 06:29:44,160

shit's going to start real soon i don't

9335

06:29:52,070 --> 06:29:45,840

know when but i think this shit's going

9336

06:29:56,628 --> 06:29:53,510

yeah people come in the chat are talking

9337

06:29:58,548 --> 06:29:56,638

about organized revolution

9338

06:30:01,990 --> 06:29:58,558

that's not going to happen

9339

06:30:03,350 --> 06:30:02,000

conspiracy uh he says socialism as in

9340

06:30:05,190 --> 06:30:03,360

for every three dollars of corporate

9341

06:30:07,270 --> 06:30:05,200

welfare corporations receive compared to

9342

06:30:09,270 --> 06:30:07,280

the dollar welfare individual machine

9343

06:30:11,270 --> 06:30:09,280

that kind of socialism i'm totally

9344

06:30:12,708 --> 06:30:11,280

against corporate welfare and you know

9345

06:30:14,948 --> 06:30:12,718

what else i'm totally against i'm

9346

06:30:17,590 --> 06:30:14,958

totally against these mega giant

9347

06:30:19,430 --> 06:30:17,600

corporations like amazon somehow getting

9348

06:30:21,750 --> 06:30:19,440

all these tax loops and breaks and they

9349

06:30:23,430 --> 06:30:21,760

don't pay taxes they're making billions

9350

06:30:25,670 --> 06:30:23,440

they should pay money they should pay

9351
06:30:27,350 --> 06:30:25,680
taxes like everybody else

9352
06:30:30,390 --> 06:30:27,360
the average person in the united states

9353
06:30:33,350 --> 06:30:30,400
pays 30 of their income to taxes so

9354
06:30:36,628 --> 06:30:33,360
should a corporation no matter what

9355
06:30:38,390 --> 06:30:36,638
the case be right

9356
06:30:42,230 --> 06:30:38,400
yes sir

9357
06:30:43,910 --> 06:30:42,240
so we're winding down here friends we

9358
06:30:47,030 --> 06:30:43,920
did our best that we could do trying to

9359
06:30:49,430 --> 06:30:47,040
cover this [h__\h] show called the 2020

9360
06:30:51,510 --> 06:30:49,440
united states presidential election this

9361
06:30:53,190 --> 06:30:51,520
is a first for me not my usual

9362
06:30:54,708 --> 06:30:53,200
wheelhouse but i thought there would be

9363
06:30:56,708 --> 06:30:54,718

interest and uh

9364

06:30:58,548 --> 06:30:56,718

yeah i definitely like that

9365

06:31:00,788 --> 06:30:58,558

i want to thank everybody i want to

9366

06:31:02,788 --> 06:31:00,798

thank yeah i want to thank everybody

9367

06:31:04,788 --> 06:31:02,798

that participated especially people that

9368

06:31:07,350 --> 06:31:04,798

were feeding the information like spooky

9369

06:31:10,150 --> 06:31:07,360

and and six's design and everybody else

9370

06:31:12,230 --> 06:31:10,160

uh that was awesome because i can't i

9371

06:31:14,310 --> 06:31:12,240

can't do all this [h__h] at one time so

9372

06:31:16,150 --> 06:31:14,320

but if somebody has a good link and it's

9373

06:31:17,350 --> 06:31:16,160

we could just get it right in here

9374

06:31:20,070 --> 06:31:17,360

that's great

9375

06:31:21,670 --> 06:31:20,080

oh there there we go they're spooky i

9376

06:31:23,030 --> 06:31:21,680

just clicked something and i thought i

9377

06:31:25,510 --> 06:31:23,040

did that and i was like what the [h__\h]

9378

06:31:27,350 --> 06:31:25,520

happened so thank you spooky for

9379

06:31:30,070 --> 06:31:27,360

scaring the [h__\h] out of me like what

9380

06:31:40,070 --> 06:31:31,750

we're gonna go to

9381

06:31:43,110 --> 06:31:41,430

is currently

9382

06:31:44,070 --> 06:31:43,120

eight minutes past eight in the morning

9383

06:31:44,788 --> 06:31:44,080

wow

9384

06:31:48,788 --> 06:31:44,798

yeah

9385

06:31:50,150 --> 06:31:48,798

midnight oil our our

9386

06:31:53,110 --> 06:31:50,160

england

9387

06:31:54,310 --> 06:31:53,120

correspondent

9388

06:32:02,548 --> 06:31:54,320

great job

9389

06:32:04,468 --> 06:32:02,558

lot of great material to share i

9390

06:32:07,190 --> 06:32:04,478

appreciate it and michael a lot of great

9391

06:32:09,270 --> 06:32:07,200

opinions and uh perspectives especially

9392

06:32:09,990 --> 06:32:09,280

uh where you're from and uh

9393

06:32:11,350 --> 06:32:10,000

and

9394

06:32:13,510 --> 06:32:11,360

all of your experience so that was

9395

06:32:16,548 --> 06:32:13,520

awesome and i want to thank every one of

9396

06:32:19,190 --> 06:32:16,558

the panel members that hung in there uh

9397

06:32:20,788 --> 06:32:19,200

you know and uh we did the best that we

9398

06:32:23,030 --> 06:32:20,798

could do just trying to

9399

06:32:25,990 --> 06:32:23,040

just trying to navigate this [h__\h] show

9400

06:32:27,350 --> 06:32:26,000

of not this was crazy like i knew it was

9401
06:32:28,468 --> 06:32:27,360
going to be crazy but i didn't think it

9402
06:32:30,548 --> 06:32:28,478
was going to be

9403
06:32:32,230 --> 06:32:30,558
trump coming out declaring victory while

9404
06:32:35,830 --> 06:32:32,240
every major news organization is

9405
06:32:37,830 --> 06:32:35,840
declaring him behind yeah you know but i

9406
06:32:39,190 --> 06:32:37,840
guess i see the argument like he's up in

9407
06:32:41,350 --> 06:32:39,200
a lot of those states and they just

9408
06:32:43,510 --> 06:32:41,360
haven't finished counting it

9409
06:32:45,190 --> 06:32:43,520
he's maybe impatient

9410
06:32:46,868 --> 06:32:45,200
he's like sir pentour does anybody

9411
06:32:48,948 --> 06:32:46,878
remember gi joe

9412
06:32:51,750 --> 06:32:48,958
the perfect leader except he has no

9413
06:32:52,788 --> 06:32:51,760

patience whatsoever great balls great

9414

06:32:54,070 --> 06:32:52,798

cunning

9415

06:32:56,468 --> 06:32:54,080

great you know

9416

06:32:59,030 --> 06:32:56,478

skills but

9417

06:33:00,788 --> 06:32:59,040

he has zero patience

9418

06:33:02,548 --> 06:33:00,798

the serpentor flaw maybe that's what's

9419

06:33:04,548 --> 06:33:02,558

wrong with donald trump

9420

06:33:07,190 --> 06:33:04,558

oh man that's kind of like starscream of

9421

06:33:09,430 --> 06:33:07,200

uh transformers dude he had no patience

9422

06:33:13,990 --> 06:33:09,440

yeah

9423

06:33:15,910 --> 06:33:14,000

any new major headlines it seems like

9424

06:33:18,708 --> 06:33:15,920

everything is like kind of like stop

9425

06:33:21,110 --> 06:33:18,718

that donald trump just

9426
06:33:23,190 --> 06:33:21,120
basically threatened to stop the voting

9427
06:33:25,510 --> 06:33:23,200
that one side's saying cnn is saying

9428
06:33:28,390 --> 06:33:25,520
he's threatening to stop the voting

9429
06:33:30,468 --> 06:33:28,400
uh fox is just saying that he's uh going

9430
06:33:32,788 --> 06:33:30,478
to the supreme court and declaring

9431
06:33:34,628 --> 06:33:32,798
victory

9432
06:33:36,070 --> 06:33:34,638
and uh yeah there's nothing from real

9433
06:33:38,310 --> 06:33:36,080
time i haven't checked some of the other

9434
06:33:41,670 --> 06:33:38,320
sites so i'm not really sure

9435
06:33:44,390 --> 06:33:41,680
uh we york times says biden urges

9436
06:33:45,750 --> 06:33:44,400
patience as trump threatens court action

9437
06:33:48,150 --> 06:33:45,760
hmm

9438
06:33:50,628 --> 06:33:48,160

there we go if this is another biden

9439

06:33:51,830 --> 06:33:50,638

that or this is another gore bush this

9440

06:33:53,190 --> 06:33:51,840

is going to be another gore bush they're

9441

06:33:54,708 --> 06:33:53,200

going to be in and out of court for the

9442

06:33:55,910 --> 06:33:54,718

next two months

9443

06:33:57,510 --> 06:33:55,920

right

9444

06:33:59,670 --> 06:33:57,520

and eventually somebody's gonna have to

9445

06:34:02,468 --> 06:33:59,680

cave here yeah

9446

06:34:04,150 --> 06:34:02,478

any predictions who's gonna cave

9447

06:34:06,150 --> 06:34:04,160

i don't think trump will ever cave i

9448

06:34:08,390 --> 06:34:06,160

think you're gonna have to drag his ass

9449

06:34:10,390 --> 06:34:08,400

out of that white house by his throat to

9450

06:34:11,430 --> 06:34:10,400

get him out of this regardless of the

9451
06:34:13,750 --> 06:34:11,440
vote

9452
06:34:16,070 --> 06:34:13,760
yeah he is gonna dig his heels in and

9453
06:34:17,590 --> 06:34:16,080
fight like a [h__h] yeah because

9454
06:34:20,230 --> 06:34:17,600
it's too damn close it's way too damn

9455
06:34:22,708 --> 06:34:20,240
close it is yeah if it was a landslide i

9456
06:34:24,788 --> 06:34:22,718
think he might have bowed out

9457
06:34:27,350 --> 06:34:24,798
gracefully but i

9458
06:34:29,270 --> 06:34:27,360
it's not a landslide by any means by any

9459
06:34:30,628 --> 06:34:29,280
freaking mean

9460
06:34:32,948 --> 06:34:30,638
yeah i don't know i heard somebody say

9461
06:34:35,110 --> 06:34:32,958
that if it was a landslide he could he

9462
06:34:37,910 --> 06:34:35,120
could have still had a path to like

9463
06:34:40,310 --> 06:34:37,920

maybe get another four years like bow

9464

06:34:41,190 --> 06:34:40,320

out gracefully let that guy that beat

9465

06:34:43,110 --> 06:34:41,200

you

9466

06:34:44,788 --> 06:34:43,120

[h__h] things up and promise everybody

9467

06:34:45,910 --> 06:34:44,798

that you're gonna fix it again and come

9468

06:34:47,270 --> 06:34:45,920

back for another four years and that

9469

06:34:49,190 --> 06:34:47,280

would have been history-making too

9470

06:34:51,030 --> 06:34:49,200

because i don't think the president has

9471

06:34:53,110 --> 06:34:51,040

ever lost

9472

06:34:54,868 --> 06:34:53,120

a second term and then come back and won

9473

06:34:57,590 --> 06:34:54,878

the second term four years later or

9474

06:34:59,990 --> 06:34:57,600

eight years later that's never happened

9475

06:35:00,788 --> 06:35:00,000

but that would have been a possibility i

9476

06:35:01,750 --> 06:35:00,798

know

9477

06:35:03,750 --> 06:35:01,760

yeah

9478

06:35:05,350 --> 06:35:03,760

but this this whole thing has been crazy

9479

06:35:07,430 --> 06:35:05,360

and i don't i don't even know what to

9480

06:35:09,750 --> 06:35:07,440

think like what's it's gonna here's what

9481

06:35:11,110 --> 06:35:09,760

i think my take on this is this is gonna

9482

06:35:13,510 --> 06:35:11,120

be another

9483

06:35:15,670 --> 06:35:13,520

situation like we had with gore and bush

9484

06:35:17,750 --> 06:35:15,680

they're just gonna be fighting in court

9485

06:35:21,350 --> 06:35:17,760

arguing the media is going to be blowing

9486

06:35:21,360 --> 06:35:25,430

it's my meat wide

9487

06:35:30,070 --> 06:35:26,948

yeah

9488

06:35:32,788 --> 06:35:30,080

this thing was like i didn't have like

9489

06:35:34,390 --> 06:35:32,798

these googly eyes obviously but um

9490

06:35:36,230 --> 06:35:34,400

my girlfriend was like oh my god this

9491

06:35:37,270 --> 06:35:36,240

thing has never been sold dude it looks

9492

06:35:40,070 --> 06:35:37,280

like

9493

06:35:42,868 --> 06:35:40,080

it's we lovingly called this buck tooth

9494

06:35:45,510 --> 06:35:42,878

but yeah it looks like meatwad

9495

06:35:47,830 --> 06:35:45,520

mario heat says he's done the deep state

9496

06:35:50,390 --> 06:35:47,840

keeps kicking me out

9497

06:35:51,510 --> 06:35:50,400

oh but then then i think he's back

9498

06:35:52,548 --> 06:35:51,520

maybe

9499

06:35:57,030 --> 06:35:52,558

back

9500

06:36:00,548 --> 06:35:59,510

no maybe not oh yeah look there he is

9501
06:36:02,390 --> 06:36:00,558
right

9502
06:36:04,708 --> 06:36:02,400
oh no that's spooky i thought that was

9503
06:36:07,270 --> 06:36:04,718
him i saw something new and i was like

9504
06:36:09,590 --> 06:36:07,280
oh is he back what is this

9505
06:36:11,350 --> 06:36:09,600
so thanks to mario heat our canadian

9506
06:36:13,670 --> 06:36:11,360
mexican

9507
06:36:15,110 --> 06:36:13,680
uh correspondent and i think that's

9508
06:36:17,350 --> 06:36:15,120
great because we get credits for two

9509
06:36:19,590 --> 06:36:17,360
countries out of one correspondent he's

9510
06:36:23,030 --> 06:36:19,600
the mexican canadian correspondent he

9511
06:36:24,788 --> 06:36:23,040
can give us both perspectives though

9512
06:36:27,670 --> 06:36:24,798
which is funny

9513
06:36:32,310 --> 06:36:29,430

yeah that's funny spooky i'm looking at

9514

06:36:34,948 --> 06:36:32,320

that poster is exactly on my door at my

9515

06:36:37,350 --> 06:36:34,958

office the same we all is that like a

9516

06:36:40,070 --> 06:36:37,360

requirement you gotta buy that poster

9517

06:36:42,468 --> 06:36:40,080

you have to own that poster i guess so i

9518

06:36:44,788 --> 06:36:42,478

brought this poster about 10 years ago

9519

06:36:46,788 --> 06:36:44,798

in college

9520

06:36:49,510 --> 06:36:46,798

that's why i got the nickname spooky was

9521

06:36:54,628 --> 06:36:50,948

because i was like really into the x

9522

06:36:57,270 --> 06:36:54,638

files like i was exposed to

9523

06:36:59,030 --> 06:36:57,280

oh sweet people started calling me

9524

06:37:00,708 --> 06:36:59,040

spooky because i'd be like do you think

9525

06:37:01,670 --> 06:37:00,718

i'm spooky

9526

06:37:03,350 --> 06:37:01,680

and then

9527

06:37:08,708 --> 06:37:03,360

people thought i was spooky and he

9528

06:37:13,190 --> 06:37:11,270

that's awesome i'm i was i was going to

9529

06:37:15,830 --> 06:37:13,200

go look like does anybody know how long

9530

06:37:18,310 --> 06:37:15,840

did joe rogan's uh do you know spooky is

9531

06:37:19,510 --> 06:37:18,320

he done did he he only went for about

9532

06:37:20,628 --> 06:37:19,520

three hours

9533

06:37:24,788 --> 06:37:20,638

oh wow

9534

06:37:28,548 --> 06:37:26,468

alex jones never showed up well that's

9535

06:37:30,468 --> 06:37:28,558

interesting or joe rogan didn't want him

9536

06:37:31,990 --> 06:37:30,478

to did you hear when joe was like i'm

9537

06:37:34,548 --> 06:37:32,000

coming on election night he's like come

9538

06:37:35,830 --> 06:37:34,558

on dude i got all these people already

9539

06:37:36,830 --> 06:37:35,840

and you know you can't just invite

9540

06:37:38,628 --> 06:37:36,840

yourself

9541

06:37:40,628 --> 06:37:38,638

yeah

9542

06:37:42,948 --> 06:37:40,638

coming on and there was just

9543

06:37:44,628 --> 06:37:42,958

these two guys it was this car yeah yeah

9544

06:37:46,468 --> 06:37:44,638

well you never know maybe he caught it

9545

06:37:48,150 --> 06:37:46,478

and just said i don't want to make a big

9546

06:37:49,750 --> 06:37:48,160

production of this

9547

06:37:51,190 --> 06:37:49,760

you know tim dylan

9548

06:37:53,110 --> 06:37:51,200

i've been reading the comments and

9549

06:37:53,990 --> 06:37:53,120

literally everyone's just like

9550

06:37:57,750 --> 06:37:54,000

this

9551
06:38:00,390 --> 06:37:57,760
where was alex jones

9552
06:38:03,030 --> 06:38:00,400
i mean he had like 650

9553
06:38:05,030 --> 06:38:03,040
to 700 000 people watching

9554
06:38:07,270 --> 06:38:05,040
one time that's crazy and you know what

9555
06:38:08,310 --> 06:38:07,280
that's probably better ratings than most

9556
06:38:11,190 --> 06:38:08,320
major

9557
06:38:12,788 --> 06:38:11,200
television stations get yeah first in

9558
06:38:14,788 --> 06:38:12,798
any show

9559
06:38:16,868 --> 06:38:14,798
and they get good like substantive

9560
06:38:19,030 --> 06:38:16,878
debate it looks like that the carol guy

9561
06:38:20,548 --> 06:38:19,040
seemed like competent but then i caught

9562
06:38:22,310 --> 06:38:20,558
the end of it like when we were having a

9563
06:38:23,430 --> 06:38:22,320

breakup i caught like the last two

9564

06:38:25,510 --> 06:38:23,440
minutes

9565

06:38:27,750 --> 06:38:25,520
and joe was giving like an a little

9566

06:38:29,590 --> 06:38:27,760
outro plug for tim dylan

9567

06:38:32,548 --> 06:38:29,600
and then kyle kalinski just like

9568

06:38:35,590 --> 06:38:32,558
interrupted and talked over him

9569

06:38:37,590 --> 06:38:35,600
and then tim dillon like right as it

9570

06:38:39,510 --> 06:38:37,600
ends like looks at karl kaninsky like

9571

06:38:41,270 --> 06:38:39,520
yeah you're not getting a shout out and

9572

06:38:43,990 --> 06:38:41,280
then it just ends

9573

06:38:46,390 --> 06:38:44,000
oh that's funny yeah yeah yo a shout out

9574

06:38:48,468 --> 06:38:46,400
on joe rogan can make your career it

9575

06:38:51,670 --> 06:38:48,478
really can it really can't you know half

9576

06:38:53,750 --> 06:38:51,680

a million people watching them

9577

06:38:55,750 --> 06:38:53,760

yeah the the uh

9578

06:38:57,190 --> 06:38:55,760

the the the thing that is fascinating to

9579

06:39:00,390 --> 06:38:57,200

me about joe morgan show is like how

9580

06:39:02,468 --> 06:39:00,400

many how many people watch and like he's

9581

06:39:04,868 --> 06:39:02,478

he's the howard stern he's like the new

9582

06:39:05,830 --> 06:39:04,878

howard stern right in as far as being

9583

06:39:06,628 --> 06:39:05,840

like

9584

06:39:09,270 --> 06:39:06,638

uh

9585

06:39:11,030 --> 06:39:09,280

pretty much a renegade and he still is

9586

06:39:13,110 --> 06:39:11,040

hugely successful

9587

06:39:18,310 --> 06:39:13,120

it's it's a love story for anybody with

9588

06:39:22,948 --> 06:39:20,468

renegade like how do you mean

9589

06:39:25,590 --> 06:39:22,958

you know like he he realized very early

9590

06:39:26,948 --> 06:39:25,600

that he didn't want to have producers

9591

06:39:29,910 --> 06:39:26,958

telling him what he could and couldn't

9592

06:39:30,788 --> 06:39:29,920

say oh he didn't want to have you know

9593

06:39:32,310 --> 06:39:30,798

uh

9594

06:39:34,708 --> 06:39:32,320

he didn't want to have a show where he

9595

06:39:37,430 --> 06:39:34,718

was the host but somebody else owned it

9596

06:39:40,230 --> 06:39:37,440

he was very like independent and just

9597

06:39:42,708 --> 06:39:40,240

said i don't need all this [h__\h] i can

9598

06:39:44,468 --> 06:39:42,718

use a couple of webcams and

9599

06:39:46,150 --> 06:39:44,478

and make it very simple

9600

06:39:48,868 --> 06:39:46,160

you know there's no

9601
06:39:50,548 --> 06:39:48,878
especially the older ones there's zero

9602
06:39:52,628 --> 06:39:50,558
production they didn't even have

9603
06:39:54,948 --> 06:39:52,638
switching cameras for a long time they

9604
06:39:56,948 --> 06:39:54,958
just had like one and it was

9605
06:39:59,430 --> 06:39:56,958
the guest and like and he was so

9606
06:40:01,430 --> 06:39:59,440
fiercely independent to go like i don't

9607
06:40:02,868 --> 06:40:01,440
want to have to you know because he's

9608
06:40:05,270 --> 06:40:02,878
right like if there's other people

9609
06:40:07,430 --> 06:40:05,280
involved they go oh you know when you

9610
06:40:09,910 --> 06:40:07,440
this guest might not be good it might

9611
06:40:11,750 --> 06:40:09,920
not get good ratings or this guest

9612
06:40:13,270 --> 06:40:11,760
people don't like and and people aren't

9613
06:40:15,590 --> 06:40:13,280

going to want him on your show he was

9614

06:40:17,750 --> 06:40:15,600

just like i'm doing a completely indie

9615

06:40:20,150 --> 06:40:17,760

thing and i've kind of taken that thing

9616

06:40:21,990 --> 06:40:20,160

like like i said earl i said at the very

9617

06:40:23,750 --> 06:40:22,000

beginning of this stream like i did some

9618

06:40:25,990 --> 06:40:23,760

things that upset people they weren't

9619

06:40:29,030 --> 06:40:26,000

happy with the way i covered something

9620

06:40:30,390 --> 06:40:29,040

how i covered it what i shared you know

9621

06:40:32,868 --> 06:40:30,400

but you're never gonna make anybody

9622

06:40:34,548 --> 06:40:32,878

happy do you think that i might also

9623

06:40:36,468 --> 06:40:34,558

have that issue because i do call out a

9624

06:40:38,230 --> 06:40:36,478

lot of people because i mean

9625

06:40:41,110 --> 06:40:38,240

granted i did kick a lot of people off

9626

06:40:43,030 --> 06:40:41,120

my facebook but i also people also left

9627

06:40:44,310 --> 06:40:43,040

and also left the group as well because

9628

06:40:46,310 --> 06:40:44,320

i do call a lot of people on their

9629

06:40:48,310 --> 06:40:46,320

[h__h] you gotta do whatever you think

9630

06:40:49,670 --> 06:40:48,320

is best that's right honestly that's

9631

06:40:52,150 --> 06:40:49,680

right that's all that's all i really

9632

06:40:54,390 --> 06:40:52,160

want to do brother i mean because it has

9633

06:40:57,030 --> 06:40:54,400

to be done this way it ha and

9634

06:40:58,628 --> 06:40:57,040

i granted i i i joke about the whole

9635

06:41:01,030 --> 06:40:58,638

dark alliance thing but you guys are

9636

06:41:03,590 --> 06:41:01,040

really on to something like i mean if if

9637

06:41:05,350 --> 06:41:03,600

there are if there is a group of people

9638

06:41:07,750 --> 06:41:05,360

that actually have

9639

06:41:09,990 --> 06:41:07,760

that have been you know jaded by these

9640

06:41:11,670 --> 06:41:10,000

charlatans

9641

06:41:15,030 --> 06:41:11,680

couldn't we come together

9642

06:41:16,548 --> 06:41:15,040

and use our resources together to

9643

06:41:18,548 --> 06:41:16,558

you know push that

9644

06:41:20,390 --> 06:41:18,558

to let people know like look you can't

9645

06:41:22,310 --> 06:41:20,400

be doing this [h__h] there's multiple

9646

06:41:24,070 --> 06:41:22,320

people from different backgrounds you

9647

06:41:26,310 --> 06:41:24,080

know trying to find the truth

9648

06:41:28,230 --> 06:41:26,320

and we i mean you don't know me

9649

06:41:30,070 --> 06:41:28,240

steven from adams do you barely know me

9650

06:41:31,750 --> 06:41:30,080

for how long what

9651
06:41:32,948 --> 06:41:31,760
a week or two three weeks four weeks at

9652
06:41:35,030 --> 06:41:32,958
that sure

9653
06:41:36,708 --> 06:41:35,040
you know so it's like i believe that if

9654
06:41:39,190 --> 06:41:36,718
we can gather enough people from a lot

9655
06:41:41,990 --> 06:41:39,200
of different backgrounds that have have

9656
06:41:44,548 --> 06:41:42,000
an evidence also we can't just you know

9657
06:41:45,830 --> 06:41:44,558
enter so and so that just hey i have you

9658
06:41:47,270 --> 06:41:45,840
know i could just throw these claims

9659
06:41:49,190 --> 06:41:47,280
around because then that goes our

9660
06:41:50,548 --> 06:41:49,200
integrity does that make sense

9661
06:41:52,230 --> 06:41:50,558
yeah what do you do

9662
06:41:53,590 --> 06:41:52,240
i don't know i think that whole thing is

9663
06:41:56,390 --> 06:41:53,600

drawn

9664

06:41:57,990 --> 06:41:56,400

a swampy mess and there was a time where

9665

06:42:00,390 --> 06:41:58,000

i thought yeah we could clean this [\h__\h]

9666

06:42:01,910 --> 06:42:00,400

up and we can we can get these thrusters

9667

06:42:03,270 --> 06:42:01,920

out of here and i don't think that's

9668

06:42:04,548 --> 06:42:03,280

ever going to happen i think it's just

9669

06:42:06,788 --> 06:42:04,558

too in fact you think i'm just being

9670

06:42:08,310 --> 06:42:06,798

naive about it then also no it's just

9671

06:42:11,590 --> 06:42:08,320

that uh

9672

06:42:12,628 --> 06:42:11,600

i own the dark alliance podcast he does

9673

06:42:15,350 --> 06:42:12,638

yeah

9674

06:42:18,868 --> 06:42:17,190

no i'm not joking i actually i made the

9675

06:42:22,150 --> 06:42:18,878

dralance podcast because the dark

9676

06:42:24,390 --> 06:42:22,160

alliance isn't right it's not real

9677

06:42:26,390 --> 06:42:24,400

that's the ironic thing is it's not a

9678

06:42:27,270 --> 06:42:26,400

thing so i made

9679

06:42:29,670 --> 06:42:27,280

my own

9680

06:42:31,110 --> 06:42:29,680

like i took the time because no it's not

9681

06:42:33,670 --> 06:42:31,120

a thing so

9682

06:42:35,830 --> 06:42:33,680

if no one no one's using it i'll use it

9683

06:42:38,310 --> 06:42:35,840

for my podcast that's right

9684

06:42:40,948 --> 06:42:38,320

that's right yeah and honestly spooky

9685

06:42:43,990 --> 06:42:40,958

hey here here's here's the thing secret

9686

06:42:46,468 --> 06:42:44,000

time when i when i saw that you did that

9687

06:42:48,468 --> 06:42:46,478

i was like [h__h] why didn't i

9688

06:42:50,310 --> 06:42:48,478

think of that or like i should have i

9689

06:42:52,310 --> 06:42:50,320

think a lot of people have that reaction

9690

06:42:54,468 --> 06:42:52,320

yeah i should have taken that [\h__\h] and

9691

06:42:56,788 --> 06:42:54,478

that's really clean as my own good for

9692

06:42:58,948 --> 06:42:56,798

you it's got a good steward i think it's

9693

06:43:00,628 --> 06:42:58,958

gonna be good i'm so down to be on your

9694

06:43:02,868 --> 06:43:00,638

podcast too dark alliance i want to i

9695

06:43:05,030 --> 06:43:02,878

want to be a dark alliance guest i'll

9696

06:43:07,510 --> 06:43:05,040

have to figure out how to do that like i

9697

06:43:09,190 --> 06:43:07,520

use it i can show you guys

9698

06:43:10,788 --> 06:43:09,200

i can show you really i can show you a

9699

06:43:12,310 --> 06:43:10,798

really easy couple ways to do that

9700

06:43:15,110 --> 06:43:12,320

because i did that a lot on my radio

9701

06:43:17,430 --> 06:43:15,120

show if you just click on audio spooky i

9702

06:43:19,270 --> 06:43:17,440

can show you a couple ways to do that

9703

06:43:21,590 --> 06:43:19,280

yeah so i you know i don't know what

9704

06:43:24,150 --> 06:43:21,600

else to say like i think we're we're

9705

06:43:26,070 --> 06:43:24,160

we're good like we did our due diligence

9706

06:43:26,948 --> 06:43:26,080

nothing's changing on this on these

9707

06:43:28,548 --> 06:43:26,958

[h__\h]

9708

06:43:31,350 --> 06:43:28,558

on these maps

9709

06:43:33,030 --> 06:43:31,360

and uh and everybody's just going crazy

9710

06:43:35,830 --> 06:43:33,040

right now about what

9711

06:43:37,190 --> 06:43:35,840

trump said and did

9712

06:43:39,110 --> 06:43:37,200

and uh

9713

06:43:41,990 --> 06:43:39,120

we're not gonna we're not gonna know

9714

06:43:44,948 --> 06:43:42,000

what's gonna happen

9715

06:43:47,830 --> 06:43:44,958

for a while i would see i would say at

9716

06:43:50,390 --> 06:43:47,840

least a few weeks maybe a month

9717

06:43:52,628 --> 06:43:50,400

maybe more it went on for months when it

9718

06:43:54,830 --> 06:43:52,638

was when the guru and the hanging shads

9719

06:43:56,468 --> 06:43:54,840

and all that [h__\h]

9720

06:43:58,948 --> 06:43:56,478

happened

9721

06:44:00,548 --> 06:43:58,958

yeah so a fox news

9722

06:44:04,070 --> 06:44:00,558

uh

9723

06:44:06,390 --> 06:44:04,080

270 to win and cnn have not changed

9724

06:44:08,468 --> 06:44:06,400

their electoral college votes

9725

06:44:10,070 --> 06:44:08,478

everything is just stopped

9726

06:44:11,990 --> 06:44:10,080

everything's just stopped yeah

9727

06:44:14,468 --> 06:44:12,000

everything's just stopped there's no

9728

06:44:16,310 --> 06:44:14,478

there's no change in anything

9729

06:44:18,070 --> 06:44:16,320

which is uh

9730

06:44:20,310 --> 06:44:18,080

which is kind of curious because like

9731

06:44:23,590 --> 06:44:20,320

trump's like chilling threat to stop the

9732

06:44:25,590 --> 06:44:23,600

vote count is the cnn headline but

9733

06:44:27,830 --> 06:44:25,600

somebody stopped the vote count because

9734

06:44:28,628 --> 06:44:27,840

nothing's changing for quite some time

9735

06:44:32,868 --> 06:44:28,638

now

9736

06:44:34,548 --> 06:44:32,878

stopping the vote count or

9737

06:44:36,468 --> 06:44:34,558

why there's this big delay all of a

9738

06:44:38,788 --> 06:44:36,478

sudden and we can't get any kind of

9739

06:44:41,350 --> 06:44:38,798

update for quite some time now

9740

06:44:42,948 --> 06:44:41,360

this is just crazy the nail biter down

9741

06:44:45,030 --> 06:44:42,958

to the wire we still don't really know

9742

06:44:47,510 --> 06:44:45,040

who won but we know that trump thinks he

9743

06:44:49,110 --> 06:44:47,520

won or declared that he won he's ahead

9744

06:44:50,468 --> 06:44:49,120

in many of the states that are left to

9745

06:44:52,948 --> 06:44:50,478

be declared

9746

06:44:54,548 --> 06:44:52,958

but uh people have mentioned on this

9747

06:44:56,150 --> 06:44:54,558

show and i'm not sure that it's accurate

9748

06:44:58,390 --> 06:44:56,160

but i think it might be that they're

9749

06:44:59,750 --> 06:44:58,400

counting the mail-ins last in those

9750

06:45:02,868 --> 06:44:59,760

states

9751

06:45:07,670 --> 06:45:04,868

that's just silly

9752

06:45:10,230 --> 06:45:08,788

many of them

9753

06:45:11,750 --> 06:45:10,240

people have been mailing in votes for a

9754

06:45:13,030 --> 06:45:11,760

month now they've had the right they

9755

06:45:15,750 --> 06:45:13,040

should have voted them they should have

9756

06:45:25,110 --> 06:45:15,760

counted them first before right you know

9757

06:45:28,230 --> 06:45:26,788

until the day of the election they

9758

06:45:29,350 --> 06:45:28,240

weren't allowed to start those uh

9759

06:45:31,670 --> 06:45:29,360

counting those

9760

06:45:32,708 --> 06:45:31,680

and i think your is one of them if i

9761

06:45:33,990 --> 06:45:32,718

might be

9762

06:45:35,910 --> 06:45:34,000

i reserve the right to be wrong about

9763

06:45:39,030 --> 06:45:35,920

that but yeah

9764

06:45:41,510 --> 06:45:39,040

um i know that um a lot of states did

9765

06:45:42,628 --> 06:45:41,520

not open the mail-in ballots until this

9766

06:45:44,070 --> 06:45:42,638

until today

9767

06:45:45,750 --> 06:45:44,080

and then what exacerbates it is that

9768

06:45:46,708 --> 06:45:45,760

they didn't start counting them until

9769

06:45:50,468 --> 06:45:46,718

after

9770

06:45:52,468 --> 06:45:50,478

the uh and present votes were in

9771

06:45:54,468 --> 06:45:52,478

yeah this this this whole thing has been

9772

06:45:55,830 --> 06:45:54,478

a whole [h__h] show crazy

9773

06:45:58,230 --> 06:45:55,840

yeah i don't know what's gonna happen

9774

06:46:00,868 --> 06:45:58,240

and uh i'm gonna i'm gonna bail out

9775

06:46:03,190 --> 06:46:00,878

gracefully now and uh we're gonna call

9776
06:46:04,548 --> 06:46:03,200
it here because this is the longest

9777
06:46:07,190 --> 06:46:04,558
stream ever

9778
06:46:09,030 --> 06:46:07,200
uh in the history of our show thanks to

9779
06:46:11,910 --> 06:46:09,040
all our guests thanks to everybody in

9780
06:46:13,990 --> 06:46:11,920
the live chat putting up with me as well

9781
06:46:14,948 --> 06:46:14,000
no that's easy to do hey you're not

9782
06:46:16,948 --> 06:46:14,958
right

9783
06:46:19,030 --> 06:46:16,958
i would take i would take ten of you

9784
06:46:21,830 --> 06:46:19,040
over one of the our irish drunk

9785
06:46:23,830 --> 06:46:21,840
correspondents

9786
06:46:26,390 --> 06:46:23,840
we gotta work on a better

9787
06:46:28,310 --> 06:46:26,400
drunk irish correspondent

9788
06:46:30,708 --> 06:46:28,320

uh but thank him too you know he's

9789

06:46:32,868 --> 06:46:30,718

having a rough night he was a little a

9790

06:46:34,868 --> 06:46:32,878

little too i hope he wakes up tomorrow

9791

06:46:37,430 --> 06:46:34,878

and has a good day

9792

06:46:39,510 --> 06:46:37,440

yeah all right friends so

9793

06:46:42,070 --> 06:46:39,520

i'm going to throw these two out

9794

06:46:44,468 --> 06:46:42,080

they're the survivors and they get them

9795

06:46:47,030 --> 06:46:44,478

they get the truth seekers mvp awards

9796

06:46:49,510 --> 06:46:47,040

for hanging into the whole [h__h] mess

9797

06:46:51,590 --> 06:46:49,520

of this [h__h] till the end

9798

06:46:53,430 --> 06:46:51,600

not to take away from anything away from

9799

06:46:55,110 --> 06:46:53,440

the other guests thank you so much for

9800

06:46:57,830 --> 06:46:55,120

being a part of our panel subscribe

9801
06:46:58,708 --> 06:46:57,840
thank you for patreon

9802
06:47:01,190 --> 06:46:58,718
yes

9803
06:47:03,110 --> 06:47:01,200
get those plugs in and i want to thank

9804
06:47:05,270 --> 06:47:03,120
also everybody in the live chat we've

9805
06:47:07,590 --> 06:47:05,280
had all we've had ups and downs and

9806
06:47:09,270 --> 06:47:07,600
peaks and valleys and and it's funny

9807
06:47:11,670 --> 06:47:09,280
though we've had an audience for this

9808
06:47:12,948 --> 06:47:11,680
entire show we've had at least an

9809
06:47:14,390 --> 06:47:12,958
audience for this thank you thank you

9810
06:47:15,830 --> 06:47:14,400
for watching seriously thank you guys

9811
06:47:18,230 --> 06:47:15,840
yeah absolutely

9812
06:47:20,468 --> 06:47:18,240
so i'm gonna i'm gonna throw you two out

9813
06:47:22,708 --> 06:47:20,478

uh thank you michael good night you're

9814

06:47:24,468 --> 06:47:22,718

welcome i would throw michael out thank

9815

06:47:26,070 --> 06:47:24,478

you spooky

9816

06:47:27,590 --> 06:47:26,080

uh thanks for all that you shared

9817

06:47:30,230 --> 06:47:27,600

tonight so you really helped me a lot i

9818

06:47:32,788 --> 06:47:30,240

appreciate it i'm doing it

9819

06:47:34,548 --> 06:47:32,798

newsmanlaw oh wait

9820

06:47:36,310 --> 06:47:34,558

all right thank you

9821

06:47:40,548 --> 06:47:36,320

thank you and good night to our english

9822

06:47:46,230 --> 06:47:43,350

get the plug subscribe to spooky's

9823

06:47:50,468 --> 06:47:46,240

channel it's the dark alliance podcast

9824

06:47:54,230 --> 06:47:50,478

uh so i'm gonna drop the banner here

9825

06:47:57,190 --> 06:47:54,240

friends i did my best to bring you uh

9826
06:47:58,948 --> 06:47:57,200
some something tonight and it sure was

9827
06:48:00,788 --> 06:47:58,958
something and it was a lot of fun for me

9828
06:48:02,868 --> 06:48:00,798
i hope it was fun for you

9829
06:48:04,708 --> 06:48:02,878
i'm not sure what's gonna happen next

9830
06:48:06,948 --> 06:48:04,718
i've never seen anything like this in my

9831
06:48:09,990 --> 06:48:06,958
life with the possible exception of the

9832
06:48:11,910 --> 06:48:10,000
gore by gore bush election with the

9833
06:48:14,548 --> 06:48:11,920
hanging chads and that turned into a

9834
06:48:15,750 --> 06:48:14,558
whole [h__h] show and i think we're in for

9835
06:48:17,190 --> 06:48:15,760
a [h__h] show

9836
06:48:18,708 --> 06:48:17,200
but uh

9837
06:48:20,788 --> 06:48:18,718
we didn't have like

9838
06:48:22,548 --> 06:48:20,798

massive rioting and looting in the

9839

06:48:24,390 --> 06:48:22,558

streets when gore

9840

06:48:25,990 --> 06:48:24,400

bush happens so i think this is going to

9841

06:48:27,270 --> 06:48:26,000

be even

9842

06:48:29,270 --> 06:48:27,280

crazier

9843

06:48:31,350 --> 06:48:29,280

we'll see what happens i want to thank

9844

06:48:32,468 --> 06:48:31,360

you all for joining us

9845

06:48:34,310 --> 06:48:32,478

uh

9846

06:48:36,548 --> 06:48:34,320

boy

9847

06:48:38,868 --> 06:48:36,558

i did say a quote the other night that i

9848

06:48:41,270 --> 06:48:38,878

think is very very pertinent here and i

9849

06:48:43,750 --> 06:48:41,280

heard it recently and i like this quote

9850

06:48:46,230 --> 06:48:43,760

and the quote is

9851

06:48:48,070 --> 06:48:46,240

wait let me let me say it correctly so

9852

06:48:53,030 --> 06:48:48,080

my name is stephen campbeen until next

9853

06:48:56,868 --> 06:48:55,030

i'm reminding you

9854

06:48:59,350 --> 06:48:56,878

that only a fool

9855

06:49:01,270 --> 06:48:59,360

burns down his empire just to rule the

9856

06:49:03,670 --> 06:49:01,280

ashes

9857

06:49:05,350 --> 06:49:03,680

i want to thank all you for joining us

9858

06:49:06,468 --> 06:49:05,360

until next time friends

9859

06:49:07,990 --> 06:49:06,478

uh

9860

06:49:10,948 --> 06:49:08,000

god bless you

9861

06:49:19,350 --> 06:49:12,948

god bless america

9862

06:49:19,360 --> 06:49:23,670

sorry trying to find the outro here

9863

06:49:38,150 --> 06:49:25,670

all right good night friends thank you

9864

06:49:38,160 --> 06:49:46,440

so

9865

06:50:44,100 --> 06:49:53,120

[Music]

9866

06:51:09,020 --> 06:50:44,110

[Applause]

9867

06:51:11,080 --> 06:51:09,030

[Music]

9868

06:51:39,260 --> 06:51:11,090

[Applause]

9869

06:51:40,260 --> 06:51:39,270

[Music]
