[Music]

2
00:02:11,710 --> 00:01:12,950

so

3
00:02:11,720 --> 00:02:18,229

[Music]

4
00:02:22,949 --> 00:02:20,710
greetings and salutations friends uh

5
00:02:23,990 --> 00:02:22,959
it's been a long couple of days but here

6
00:02:27,110 --> 00:02:24,000
i am

7
00:02:28,470 --> 00:02:27,120
uh back to uh spend some time with you

8
00:02:31,670 --> 00:02:28,480
my friends

9
00:02:33,670 --> 00:02:31,680
uh boy what a crazy couple of days it

10
00:02:37,910 --> 00:02:33,680
has been watching this election and

11
00:02:42,309 --> 00:02:37,920
uh how all of this drama is playing out

12
00:02:45,830 --> 00:02:42,319
um i thought that i could do

13
00:02:50,150 --> 00:02:45,840

we could talk about the flood

14

00:02:52,869 --> 00:02:50,160

the literal flood of misinformation that

15

00:02:56,229 --> 00:02:52,879

is coming our way

16

00:03:01,190 --> 00:02:56,239

in the form of memes social media posts

17

00:03:08,070 --> 00:03:04,309

there we go memes social media posts

18

00:03:11,990 --> 00:03:08,080

videos we are just going

19

00:03:15,830 --> 00:03:12,000

this is absolutely in the next

20

00:03:18,550 --> 00:03:15,840

few days week few weeks

21

00:03:19,509 --> 00:03:18,560

maybe month we are all going to be

22

00:03:23,190 --> 00:03:19,519

subjected to

23

00:03:26,869 --> 00:03:23,200

an incredible flood of information

24

00:03:30,949 --> 00:03:29,430

you might say i learned this lesson

25

00:03:34,309 --> 00:03:30,959

myself

26

00:03:36,149 --> 00:03:34,319

a few days ago because i was posting

27

00:03:36,710 --> 00:03:36,159

stuff to my twitter that i planned on

28

00:03:40,390 --> 00:03:36,720

using

29

00:03:42,630 --> 00:03:40,400

in my show or talking about on my show

30

00:03:43,910 --> 00:03:42,640

just easy for me to collect things there

31

00:03:47,830 --> 00:03:43,920

videos

32

00:03:50,869 --> 00:03:47,840

posts and then share them

33

00:03:53,110 --> 00:03:50,879

uh one of those posts was about a

34

00:03:54,229 --> 00:03:53,120

apparent somebody that worked at the

35

00:03:57,270 --> 00:03:54,239

polls

36

00:04:00,789 --> 00:03:57,280

bragging that they uh were

37

00:04:02,229 --> 00:04:00,799

throwing ballots in the trash that were

38

00:04:05,589 --> 00:04:02,239

for trump

39

00:04:06,229 --> 00:04:05,599

um this was in pennsylvania i should

40

00:04:09,990 --> 00:04:06,239

mention

41

00:04:11,350 --> 00:04:10,000

uh not that it's a defense but our own

42

00:04:15,110 --> 00:04:11,360

personal experience

43

00:04:18,949 --> 00:04:15,120

sometimes will lead us to

44

00:04:22,230 --> 00:04:18,959

have some bias uh i worked

45

00:04:22,710 --> 00:04:22,240

as a both a poll watcher and a few other

46

00:04:26,830 --> 00:04:22,720

things

47

00:04:28,710 --> 00:04:26,840

were several different candidates uh in

48

00:04:31,590 --> 00:04:28,720

pennsylvania

49

00:04:32,230 --> 00:04:31,600

and it's important also that i mentioned

50

00:04:35,510 --> 00:04:32,240

that i

51
00:04:36,390 --> 00:04:35,520
uh did not truly support any of those

52
00:04:39,030 --> 00:04:36,400
candidates

53
00:04:40,870 --> 00:04:39,040
for those that don't know sometimes a

54
00:04:43,510 --> 00:04:40,880
candidate for like

55
00:04:44,870 --> 00:04:43,520
you know philadelphia mayor or city

56
00:04:47,909 --> 00:04:44,880
council or

57
00:04:49,670 --> 00:04:47,919
a state rep will be flush with money

58
00:04:51,510 --> 00:04:49,680
in the form of donations and they can

59
00:04:53,510 --> 00:04:51,520
spend all that money they want on the

60
00:04:54,150 --> 00:04:53,520
campaign so they will routinely hire

61
00:04:56,629 --> 00:04:54,160
people and

62
00:04:57,830 --> 00:04:56,639
somehow i got into that click of like

63
00:05:00,230 --> 00:04:57,840

what do you need

64

00:05:01,510 --> 00:05:00,240

so today i'm going to be a republican

65

00:05:03,749 --> 00:05:01,520

right

66

00:05:05,909 --> 00:05:03,759

or today i'm going to be a democrat i'm

67

00:05:09,749 --> 00:05:05,919

really neither of those two things

68

00:05:11,110 --> 00:05:09,759

but uh if the per diem wage was good i

69

00:05:13,110 --> 00:05:11,120

was your guy

70

00:05:14,710 --> 00:05:13,120

so as a poll watcher and one of those

71

00:05:17,430 --> 00:05:14,720

circumstances

72

00:05:18,310 --> 00:05:17,440

uh the only time that i really caught

73

00:05:19,909 --> 00:05:18,320

somebody i think

74

00:05:22,230 --> 00:05:19,919

really caught somebody doing something

75

00:05:23,749 --> 00:05:22,240

dirty is that one of the poll workers

76

00:05:26,070 --> 00:05:23,759

were

77

00:05:27,510 --> 00:05:26,080

separating ballots looking at a ballot

78

00:05:29,590 --> 00:05:27,520

putting

79

00:05:31,590 --> 00:05:29,600

this ballot in this box this ballot in

80

00:05:33,350 --> 00:05:31,600

that box and then i saw them take one

81

00:05:35,909 --> 00:05:33,360

box to the back

82

00:05:37,189 --> 00:05:35,919

and uh took pictures of this called to

83

00:05:40,070 --> 00:05:37,199

my campaign

84

00:05:40,950 --> 00:05:40,080

headquarters and they sent somebody over

85

00:05:44,070 --> 00:05:40,960

immediately

86

00:05:47,270 --> 00:05:44,080

i believe it was a lawyer uh the

87

00:05:49,189 --> 00:05:47,280

the poll worker was separating votes by

88

00:05:52,230 --> 00:05:49,199

who they voted for which is

89

00:05:54,950 --> 00:05:52,240

that's not a normal activity um

90

00:05:57,029 --> 00:05:54,960

i believe and so did that campaign

91

00:05:58,230 --> 00:05:57,039

manager and lawyer and that got involved

92

00:06:01,510 --> 00:05:58,240

that that

93

00:06:02,309 --> 00:06:01,520

poll worker was going to throw out votes

94

00:06:05,350 --> 00:06:02,319

that were not

95

00:06:06,390 --> 00:06:05,360

for their preferred candidate or you

96

00:06:08,230 --> 00:06:06,400

know put them aside

97

00:06:10,070 --> 00:06:08,240

so they didn't get into the counting

98

00:06:12,870 --> 00:06:10,080

machines

99

00:06:13,749 --> 00:06:12,880

um i had a few other experiences while

100

00:06:17,350 --> 00:06:13,759

being uh

101
00:06:19,830 --> 00:06:17,360
an employee of uh of political

102
00:06:21,029 --> 00:06:19,840
campaigns and one of them i was supposed

103
00:06:23,110 --> 00:06:21,039
to be a poll watcher

104
00:06:25,110 --> 00:06:23,120
and i had a poll watcher certificate

105
00:06:28,390 --> 00:06:25,120
which should

106
00:06:30,469 --> 00:06:28,400
gain me entry into any uh of the polling

107
00:06:34,469 --> 00:06:30,479
locations and i was denied

108
00:06:37,670 --> 00:06:34,479
access to a polling location

109
00:06:37,990 --> 00:06:37,680
illegally i had the legal right to be

110
00:06:39,749 --> 00:06:38,000
there

111
00:06:41,590 --> 00:06:39,759
and observed for the campaign i was

112
00:06:44,150 --> 00:06:41,600
working for they would not

113
00:06:46,070 --> 00:06:44,160

allow me in again you have to make phone

114

00:06:49,670 --> 00:06:46,080

calls to the campaign

115

00:06:50,230 --> 00:06:49,680

and eventually hours later the situation

116

00:06:53,350 --> 00:06:50,240

is

117

00:06:56,150 --> 00:06:53,360

resolved and they would let me in

118

00:06:56,790 --> 00:06:56,160

there is a substantial and supportive a

119

00:06:59,430 --> 00:06:56,800

lot of

120

00:07:00,230 --> 00:06:59,440

evidence that uh pennsylvania and

121

00:07:03,830 --> 00:07:00,240

especially

122

00:07:04,309 --> 00:07:03,840

philadelphia politics uh there's a lot

123

00:07:07,510 --> 00:07:04,319

of

124

00:07:10,309 --> 00:07:07,520

want to say substantial and supportive

125

00:07:12,950 --> 00:07:10,319

there's some evidence that there is

126

00:07:14,629 --> 00:07:12,960

and a belief i think let's just say it

127

00:07:16,390 --> 00:07:14,639

this way there is a belief

128

00:07:18,390 --> 00:07:16,400

that philadelphia city politics

129

00:07:22,230 --> 00:07:18,400

especially is very corrupt

130

00:07:25,830 --> 00:07:22,240

and dirty and that dirty things happen

131

00:07:27,830 --> 00:07:25,840

uh in philadelphia remember the famous

132

00:07:30,550 --> 00:07:27,840

quote from donald trump recently bad

133

00:07:32,390 --> 00:07:30,560

things happen in philadelphia

134

00:07:34,790 --> 00:07:32,400

so i'm getting off in the weeds i was

135

00:07:38,390 --> 00:07:34,800

trying to explain though

136

00:07:39,830 --> 00:07:38,400

so i had a fur of i had my own personal

137

00:07:42,230 --> 00:07:39,840

experience with

138

00:07:44,390 --> 00:07:42,240

what i consider to be dirty philadelphia

139

00:07:47,029 --> 00:07:44,400

and pennsylvania politics

140

00:07:48,710 --> 00:07:47,039

and uh because of that i guess i sort of

141

00:07:50,790 --> 00:07:48,720

just believed the posts that i was

142

00:07:53,110 --> 00:07:50,800

seeing a few days ago

143

00:07:54,390 --> 00:07:53,120

both uh i still believe the posts that i

144

00:07:58,150 --> 00:07:54,400

saw about

145

00:07:59,430 --> 00:07:58,160

uh poll watchers being denied entry and

146

00:08:00,550 --> 00:07:59,440

to their credit the philadelphia

147

00:08:03,430 --> 00:08:00,560

district attorney

148

00:08:05,189 --> 00:08:03,440

or some philadelphia official came out

149

00:08:06,550 --> 00:08:05,199

and said no those were isolated

150

00:08:08,309 --> 00:08:06,560

incidences

151
00:08:09,909 --> 00:08:08,319
and we resolved that and the poll

152
00:08:12,230 --> 00:08:09,919
watchers are allowed in

153
00:08:14,309 --> 00:08:12,240
but it was hours again it was hours

154
00:08:15,909 --> 00:08:14,319
after they initially requested entry to

155
00:08:19,430 --> 00:08:15,919
do their jobs

156
00:08:23,589 --> 00:08:19,440
um and i found at least eight

157
00:08:25,430 --> 00:08:23,599
uh instances of poll workers or poll

158
00:08:27,270 --> 00:08:25,440
watchers being denied entry to the

159
00:08:32,870 --> 00:08:27,280
polling locations

160
00:08:37,110 --> 00:08:36,070
so you know those i i pretty much stand

161
00:08:39,509 --> 00:08:37,120
by that i think

162
00:08:41,589 --> 00:08:39,519
of course that happened the poll workers

163
00:08:43,509 --> 00:08:41,599

were not allowed entry at first

164

00:08:45,990 --> 00:08:43,519

to their credit eventually philadelphia

165

00:08:48,550 --> 00:08:46,000

officials got involved and went oh yeah

166

00:08:49,430 --> 00:08:48,560

if he has a city-wide poll watcher

167

00:08:51,670 --> 00:08:49,440

certificate

168

00:08:53,110 --> 00:08:51,680

this person is allowed into any polling

169

00:08:55,990 --> 00:08:53,120

location to observe

170

00:08:58,949 --> 00:08:56,000

the vote count and the voting process

171

00:09:04,389 --> 00:09:02,790

but see this feeds into the narrative if

172

00:09:05,190 --> 00:09:04,399

you don't get the second part of the

173

00:09:09,269 --> 00:09:05,200

story

174

00:09:11,670 --> 00:09:09,279

republican poll watchers were denied

175

00:09:13,110 --> 00:09:11,680

access to philadelphia polling locations

176
00:09:15,110 --> 00:09:13,120
to do their job

177
00:09:16,630 --> 00:09:15,120
watching the vote watching the

178
00:09:17,750 --> 00:09:16,640
accounting process at the polling

179
00:09:19,509 --> 00:09:17,760
locations

180
00:09:21,350 --> 00:09:19,519
so yeah that's the first part of the

181
00:09:24,150 --> 00:09:21,360
story some

182
00:09:24,870 --> 00:09:24,160
were uh there's varying different

183
00:09:27,910 --> 00:09:24,880
reports

184
00:09:28,949 --> 00:09:27,920
i think uh you know 10 or less were

185
00:09:31,269 --> 00:09:28,959
denied access

186
00:09:33,190 --> 00:09:31,279
initially but if you don't get the

187
00:09:34,389 --> 00:09:33,200
second part of this story which is that

188
00:09:36,070 --> 00:09:34,399

philadelphia officials

189

00:09:38,230 --> 00:09:36,080

eventually got involved resolved the

190

00:09:38,630 --> 00:09:38,240

situation let them do their thing and

191

00:09:40,389 --> 00:09:38,640

said

192

00:09:42,630 --> 00:09:40,399

these were isolated incidents people

193

00:09:44,630 --> 00:09:42,640

were uh i believe they said people were

194

00:09:46,870 --> 00:09:44,640

confused over the rules

195

00:09:48,150 --> 00:09:46,880

so they informed people you have to let

196

00:09:50,310 --> 00:09:48,160

them in they did

197

00:09:51,990 --> 00:09:50,320

but this is the danger here if you only

198

00:09:55,509 --> 00:09:52,000

get one half of the story

199

00:09:58,070 --> 00:09:55,519

it looks terrible it looks bad you gotta

200

00:09:59,350 --> 00:09:58,080

you gotta dig deeper and get the uh rest

201
00:10:02,470 --> 00:09:59,360
of the story

202
00:10:04,150 --> 00:10:02,480
and uh yeah somebody was a show viewer

203
00:10:05,670 --> 00:10:04,160
here is trying to point out to me that

204
00:10:08,310 --> 00:10:05,680
a lot of this stuff could not be

205
00:10:09,990 --> 00:10:08,320
accurate or you know and i was

206
00:10:11,990 --> 00:10:10,000
honestly i was convinced by my own

207
00:10:13,910 --> 00:10:12,000
personal bias probably

208
00:10:15,509 --> 00:10:13,920
and my own personal experience having

209
00:10:18,790 --> 00:10:15,519
worked in uh

210
00:10:21,269 --> 00:10:18,800
you know worked for

211
00:10:22,790 --> 00:10:21,279
political campaigns and seen some dirty

212
00:10:26,550 --> 00:10:22,800
stuff happening

213
00:10:29,350 --> 00:10:26,560

uh firsthand i kind of went

214

00:10:31,190 --> 00:10:29,360

i i did not stop to think first of all

215

00:10:34,069 --> 00:10:31,200

that i should check this stuff before i

216

00:10:37,030 --> 00:10:34,079

put it to my twitter

217

00:10:38,790 --> 00:10:37,040

i shared it to my twitter and then

218

00:10:41,190 --> 00:10:38,800

actually during the show

219

00:10:42,710 --> 00:10:41,200

i think we got so busy with all the news

220

00:10:44,230 --> 00:10:42,720

and stuff that was coming in that we

221

00:10:46,630 --> 00:10:44,240

were trying to share that we didn't even

222

00:10:49,190 --> 00:10:46,640

get to that stuff um

223

00:10:51,269 --> 00:10:49,200

but it was still there on my twitter so

224

00:10:54,790 --> 00:10:51,279

um

225

00:10:58,230 --> 00:10:54,800

one second one in particular

226

00:11:00,630 --> 00:10:58,240

though that i was there's my my copa i

227

00:11:03,670 --> 00:11:00,640

was completely and totally wrong

228

00:11:06,949 --> 00:11:03,680

on sharing this because here's the thing

229

00:11:09,110 --> 00:11:06,959

if we share this disinformation or this

230

00:11:10,389 --> 00:11:09,120

misinformation or this false information

231

00:11:13,509 --> 00:11:10,399

we are

232

00:11:15,190 --> 00:11:13,519

derelict especially somebody like me i'm

233

00:11:18,790 --> 00:11:15,200

supposed to be doing a show

234

00:11:21,509 --> 00:11:18,800

uh here i have a pretty big social media

235

00:11:23,750 --> 00:11:21,519

reach so if i'm posting this stuff

236

00:11:26,069 --> 00:11:23,760

um i don't want to say that people

237

00:11:27,590 --> 00:11:26,079

consider me a trusted source but

238

00:11:29,430 --> 00:11:27,600

i think i just have i have more

239

00:11:32,470 --> 00:11:29,440

responsibility than some guy

240

00:11:34,470 --> 00:11:32,480

that has 12 facebook friends sharing

241

00:11:37,750 --> 00:11:34,480

that stuff do you know what i mean

242

00:11:39,670 --> 00:11:37,760

um i get a pretty big social media reach

243

00:11:42,710 --> 00:11:39,680

it wasn't it was an error for me to

244

00:11:45,750 --> 00:11:42,720

share that stuff on my social media

245

00:11:48,230 --> 00:11:45,760

especially this one and i didn't want to

246

00:11:49,030 --> 00:11:48,240

delete it from my twitter until i had

247

00:11:52,310 --> 00:11:49,040

explained it

248

00:11:55,670 --> 00:11:52,320

and here's my apology for uh

249

00:12:00,550 --> 00:11:55,680

for an explanation for that

250

00:12:03,670 --> 00:12:00,560

so uh this was shared pretty widely

251
00:12:04,710 --> 00:12:03,680
and it's a captured instagram post that

252
00:12:15,829 --> 00:12:04,720
this

253
00:12:17,750 --> 00:12:15,839
been working at a poll station in erie

254
00:12:19,670 --> 00:12:17,760
county pa all morning a lot of people

255
00:12:21,829 --> 00:12:19,680
have already voted today i've thrown out

256
00:12:25,030 --> 00:12:21,839
over 100 ballots for trump already

257
00:12:31,590 --> 00:12:25,040
pennsylvania is going to turn blue so uh

258
00:12:34,629 --> 00:12:33,670
so what i did check is that this was an

259
00:12:37,990 --> 00:12:34,639
actual

260
00:12:41,269 --> 00:12:38,000
social media post but i didn't

261
00:12:44,629 --> 00:12:41,279
check the information this

262
00:12:46,629 --> 00:12:44,639
really this kid was putting out there uh

263
00:12:48,710 --> 00:12:46,639

and i should have because it turns out

264

00:12:51,990 --> 00:12:48,720

that

265

00:12:55,269 --> 00:12:52,000

credit to vanessa

266

00:12:57,110 --> 00:12:55,279

wolfe you win i [h__h] up twitter and

267

00:12:58,710 --> 00:12:57,120

facebook also removed a false post from

268

00:13:00,550 --> 00:12:58,720

an instagram user who claimed to be

269

00:13:02,069 --> 00:13:00,560

discarding hundreds of ballots cast for

270

00:13:03,269 --> 00:13:02,079

trump while working at a polling place

271

00:13:04,790 --> 00:13:03,279

in erie county

272

00:13:06,710 --> 00:13:04,800

the person making the statements does

273

00:13:07,430 --> 00:13:06,720

not work in any way with erie county or

274

00:13:09,829 --> 00:13:07,440

have any part of

275

00:13:11,190 --> 00:13:09,839

erie county's election process the erie

276

00:13:13,829 --> 00:13:11,200

county board of elections

277

00:13:14,389 --> 00:13:13,839

chair carl j anderson iii said in a

278

00:13:16,230 --> 00:13:14,399

statement

279

00:13:17,430 --> 00:13:16,240

in fact the individual is not even a

280

00:13:19,590 --> 00:13:17,440

registered voter

281

00:13:21,590 --> 00:13:19,600

and is not to believe to be a resident

282

00:13:23,110 --> 00:13:21,600

of erie county pa

283

00:13:24,310 --> 00:13:23,120

facebook said it confirmed with

284

00:13:25,829 --> 00:13:24,320

authorities that the claims were

285

00:13:28,870 --> 00:13:25,839

inaccurate and was working too

286

00:13:29,670 --> 00:13:28,880

on removing the posts so there you have

287

00:13:33,110 --> 00:13:29,680

it

288

00:13:35,030 --> 00:13:33,120

uh i was duped i

289

00:13:37,590 --> 00:13:35,040

checked that it was a real social media

290

00:13:39,269 --> 00:13:37,600

post but i didn't check

291

00:13:41,269 --> 00:13:39,279

uh and honestly it didn't even occur to

292

00:13:45,430 --> 00:13:41,279

me i'd guess because of my bias

293

00:13:49,269 --> 00:13:47,750

i don't even know why i think mostly

294

00:13:50,790 --> 00:13:49,279

because my own personal bias with

295

00:13:52,470 --> 00:13:50,800

dealing with pennsylvania politics and

296

00:13:53,030 --> 00:13:52,480

knowing some of the stuff that i've seen

297

00:13:55,350 --> 00:13:53,040

go on

298

00:14:00,949 --> 00:13:55,360

personally with my own two eyes so i

299

00:14:04,230 --> 00:14:03,750

so then i part of me i sort of believed

300

00:14:07,590 --> 00:14:04,240

it

301
00:14:10,710 --> 00:14:07,600
i didn't really think i should check

302
00:14:13,990 --> 00:14:10,720
to see if this per you know i could have

303
00:14:15,590 --> 00:14:14,000
had i thought of it called the erie pa

304
00:14:17,590 --> 00:14:15,600
board of elections and found

305
00:14:19,189 --> 00:14:17,600
if this person was an employee that's

306
00:14:21,110 --> 00:14:19,199
what i should have did

307
00:14:22,389 --> 00:14:21,120
before sharing it but this lesson has

308
00:14:25,750 --> 00:14:22,399
taught me that

309
00:14:28,230 --> 00:14:25,760
i have to be much more careful

310
00:14:28,790 --> 00:14:28,240
first of all in what i even believe when

311
00:14:31,189 --> 00:14:28,800
i see

312
00:14:32,389 --> 00:14:31,199
a certain post like that and more

313
00:14:35,509 --> 00:14:32,399

importantly

314

00:14:37,030 --> 00:14:35,519

i uh i'm kind of making a vow to myself

315

00:14:38,230 --> 00:14:37,040

and everyone that i'm going to be a lot

316

00:14:41,269 --> 00:14:38,240

more careful in what i

317

00:14:43,030 --> 00:14:41,279

actually share on social media because

318

00:14:45,030 --> 00:14:43,040

there's just so much out there that

319

00:14:46,550 --> 00:14:45,040

isn't verified and that you're not i

320

00:14:47,750 --> 00:14:46,560

really don't think you're doing anybody

321

00:14:50,389 --> 00:14:47,760

any favors

322

00:14:51,670 --> 00:14:50,399

um by the way i just want to say you

323

00:14:53,670 --> 00:14:51,680

know i

324

00:14:55,670 --> 00:14:53,680

i didn't want to delete that tweet and

325

00:14:58,069 --> 00:14:55,680

then just be like oh yeah

326

00:14:59,110 --> 00:14:58,079

and and not comment on it so now i'm

327

00:15:01,910 --> 00:14:59,120

deleting the tweet

328

00:15:03,509 --> 00:15:01,920

i've explained why and the circumstances

329

00:15:06,629 --> 00:15:03,519

surrounding it

330

00:15:11,110 --> 00:15:06,639

hey if i'm wrong i'm i'm good with that

331

00:15:13,430 --> 00:15:11,120

i would uh welcome anybody to uh

332

00:15:15,829 --> 00:15:13,440

help me not make those mistakes in the

333

00:15:18,550 --> 00:15:15,839

future

334

00:15:19,110 --> 00:15:18,560

so but it is what it is there is a huge

335

00:15:23,509 --> 00:15:19,120

amount

336

00:15:25,590 --> 00:15:23,519

of um disinformation misinformation

337

00:15:28,790 --> 00:15:25,600

whatever you want to call it

338

00:15:32,310 --> 00:15:28,800

we are getting flooded with stuff but

339

00:15:34,710 --> 00:15:32,320

here's the problem along with that stuff

340

00:15:36,629 --> 00:15:34,720

that is completely and totally factually

341

00:15:39,110 --> 00:15:36,639

inaccurate

342

00:15:41,189 --> 00:15:39,120

um there is some accurate information

343

00:15:43,829 --> 00:15:41,199

that's being spread out there

344

00:15:46,069 --> 00:15:43,839

but you have to fact check it you have

345

00:15:47,829 --> 00:15:46,079

to become your own fact checker because

346

00:15:50,790 --> 00:15:47,839

in this

347

00:15:52,150 --> 00:15:50,800

deluge of information we are being

348

00:15:55,350 --> 00:15:52,160

bombarded with

349

00:15:57,590 --> 00:15:55,360

every moment every day every second

350

00:15:59,749 --> 00:15:57,600

all those notifications on our phone

351

00:16:04,069 --> 00:15:59,759

every five minutes the texts

352

00:16:05,189 --> 00:16:04,079

the uh emails the social media posts

353

00:16:08,550 --> 00:16:05,199

that we are

354

00:16:10,949 --> 00:16:08,560

viewing there is a lot of stuff that is

355

00:16:12,629 --> 00:16:10,959

accurate but you gotta know for sure

356

00:16:15,949 --> 00:16:12,639

it's accurate so

357

00:16:19,110 --> 00:16:15,959

um yeah or there is a lot of

358

00:16:20,150 --> 00:16:19,120

misinformation and it's completely and

359

00:16:23,430 --> 00:16:20,160

totally false

360

00:16:25,749 --> 00:16:23,440

misleading information and i think what

361

00:16:28,790 --> 00:16:25,759

happens is that these two sides become

362

00:16:32,069 --> 00:16:28,800

very polarized right and

363

00:16:35,350 --> 00:16:32,079

if somebody believes the information or

364

00:16:37,990 --> 00:16:35,360

it fits their political meanings

365

00:16:38,550 --> 00:16:38,000

uh you know in other words let's say

366

00:16:41,910 --> 00:16:38,560

that a

367

00:16:42,870 --> 00:16:41,920

meme is very damaging or detrimental or

368

00:16:46,629 --> 00:16:42,880

insulting

369

00:16:50,389 --> 00:16:46,639

or making accusations let's say against

370

00:16:52,629 --> 00:16:50,399

uh against the party they don't like

371

00:16:53,910 --> 00:16:52,639

they're more apt to share it of course

372

00:16:57,269 --> 00:16:53,920

right that's human nature

373

00:16:58,550 --> 00:16:57,279

i would think one second friends i'm

374

00:17:03,110 --> 00:16:58,560

gonna first i'm gonna check in with the

375

00:17:06,789 --> 00:17:05,510

we'll give some shout outs here we have

376

00:17:09,990 --> 00:17:06,799

out of mind

377

00:17:13,350 --> 00:17:10,000

troubled minds michael kb

378

00:17:16,789 --> 00:17:13,360

is here blind dave crypto

379

00:17:17,990 --> 00:17:16,799

oh cool this is great welcome blind dave

380

00:17:20,390 --> 00:17:18,000

crypto cool listening

381

00:17:22,069 --> 00:17:20,400

card interview on uh jean-claude's

382

00:17:24,150 --> 00:17:22,079

channel for those who don't know i was

383

00:17:26,949 --> 00:17:24,160

just on john claude's panel show

384

00:17:27,590 --> 00:17:26,959

uh about he called it the post-election

385

00:17:30,789 --> 00:17:27,600

mortem

386

00:17:33,430 --> 00:17:30,799

right uh

387

00:17:34,950 --> 00:17:33,440

yeah so uh welcome anybody from john

388

00:17:36,789 --> 00:17:34,960

clark's channel we got a bunch of new

389

00:17:38,630 --> 00:17:36,799

subscribers courtesy of jean-claude

390

00:17:40,310 --> 00:17:38,640

giving us a great plug so thank you john

391

00:17:43,350 --> 00:17:40,320

claude i really appreciate it

392

00:17:44,830 --> 00:17:43,360

uh welcome to everyone so we have mario

393

00:17:49,270 --> 00:17:44,840

heat is here

394

00:17:51,669 --> 00:17:49,280

uh kb is here shout out to kb

395

00:17:52,950 --> 00:17:51,679

shout out to this is probably new okay

396

00:17:54,710 --> 00:17:52,960

yeah i was on jc

397

00:17:56,789 --> 00:17:54,720

streams too after stephen begged for new

398

00:17:58,950 --> 00:17:56,799

subscribers i'm giving him a try

399

00:18:00,070 --> 00:17:58,960

good thank you boy i'm gonna have a

400

00:18:03,830 --> 00:18:00,080

trouble pronouncing

401
00:18:05,029 --> 00:18:03,840
that acrobella oh no i'm not acrobellus

402
00:18:08,390 --> 00:18:05,039
surfacing

403
00:18:10,150 --> 00:18:08,400
are most welcome here

404
00:18:12,630 --> 00:18:10,160
all new subscribers are most welcome

405
00:18:13,350 --> 00:18:12,640
here dave bucky is here shout out to

406
00:18:16,549 --> 00:18:13,360
dave bucky

407
00:18:19,590 --> 00:18:16,559
shout out to um

408
00:18:21,669 --> 00:18:19,600
oh i'm mario he you just distracted me

409
00:18:23,350 --> 00:18:21,679
mario heat says i want to have sex in a

410
00:18:25,830 --> 00:18:23,360
voting station that's one of my sex

411
00:18:27,110 --> 00:18:25,840
fantasy bucket list items you are a

412
00:18:29,110 --> 00:18:27,120
sexual deviant

413
00:18:30,390 --> 00:18:29,120

mario heat you're a [\h__\h] sexual

414

00:18:34,789 --> 00:18:30,400

deviant bro

415

00:18:37,990 --> 00:18:36,150

all right i'm not gonna lie i wanted to

416

00:18:40,470 --> 00:18:38,000

do it in a catholic confessional

417

00:18:42,070 --> 00:18:40,480

that's was on my bucket list uh but i'm

418

00:18:43,669 --> 00:18:42,080

happy to say that it's off my bucket

419

00:18:46,390 --> 00:18:43,679

list believe it or not

420

00:18:47,510 --> 00:18:46,400

since we're getting personal mario heat

421

00:18:51,669 --> 00:18:47,520

okay uh

422

00:18:53,830 --> 00:18:51,679

let's see i was just going to do a shout

423

00:18:56,390 --> 00:18:53,840

out so shout out out of mind

424

00:18:58,230 --> 00:18:56,400

uh see if we i think we got it all we

425

00:19:01,270 --> 00:18:58,240

got all the shout outs out of the way

426
00:19:02,710 --> 00:19:01,280
so um i'm gonna share some things and

427
00:19:04,470 --> 00:19:02,720
then we're gonna talk about whether

428
00:19:06,150 --> 00:19:04,480
these are accurate whether these

429
00:19:07,990 --> 00:19:06,160
this is election information that's

430
00:19:10,390 --> 00:19:08,000
going around and so i thought it would

431
00:19:13,029 --> 00:19:10,400
be a good exercise for both me

432
00:19:14,549 --> 00:19:13,039
and maybe to educate some of the public

433
00:19:17,110 --> 00:19:14,559
about

434
00:19:17,669 --> 00:19:17,120
some of this election information going

435
00:19:20,710 --> 00:19:17,679
around

436
00:19:23,190 --> 00:19:20,720
is it real is it factual is it accurate

437
00:19:26,310 --> 00:19:23,200
information or is it completely

438
00:19:33,350 --> 00:19:26,320

misleading false or totally fake

439

00:19:37,029 --> 00:19:35,909

one second friends right so i'm just

440

00:19:39,029 --> 00:19:37,039

sharing some of this stuff

441

00:19:40,070 --> 00:19:39,039

this is from some of my social media so

442

00:19:41,510 --> 00:19:40,080

this one's from

443

00:19:44,789 --> 00:19:41,520

well actually i think all the posts i'm

444

00:19:47,990 --> 00:19:44,799

going to share tonight are from facebook

445

00:19:49,750 --> 00:19:48,000

oh there we go and uh i think i'm

446

00:19:50,230 --> 00:19:49,760

allowed to share a meme from facebook

447

00:19:52,549 --> 00:19:50,240

but

448

00:19:54,230 --> 00:19:52,559

even in the case if not fair use we're

449

00:19:56,390 --> 00:19:54,240

educating the public about election

450

00:19:58,390 --> 00:19:56,400

information and misinformation this is a

451
00:20:02,149 --> 00:19:58,400
transformative work

452
00:20:03,909 --> 00:20:02,159
okay uh so this is something from uh

453
00:20:06,070 --> 00:20:03,919
that's going around in the form of a

454
00:20:08,310 --> 00:20:06,080
graphic really it's like a jpg

455
00:20:10,070 --> 00:20:08,320
you could save it and you know share it

456
00:20:13,990 --> 00:20:10,080
with your friends

457
00:20:15,350 --> 00:20:14,000
um oh my god trump is 77 000 votes ahead

458
00:20:17,350 --> 00:20:15,360
in north carolina

459
00:20:19,830 --> 00:20:17,360
and has a lock for victory there he

460
00:20:20,630 --> 00:20:19,840
needs the state to get to 270 but listen

461
00:20:22,549 --> 00:20:20,640
to this

462
00:20:24,549 --> 00:20:22,559
north carolina has just announced that

463
00:20:26,230 --> 00:20:24,559

they will not report their final numbers

464

00:20:28,149 --> 00:20:26,240

until november the 12th

465

00:20:29,669 --> 00:20:28,159

yes i'm not kidding we have to wait

466

00:20:31,510 --> 00:20:29,679

until november the 12th for north

467

00:20:33,029 --> 00:20:31,520

carolina to report their state this is

468

00:20:35,909 --> 00:20:33,039

beyond preposterous

469

00:20:39,350 --> 00:20:35,919

this election has become fraud on top of

470

00:20:43,029 --> 00:20:39,360

fraud on top of fraud beyond belief

471

00:20:45,750 --> 00:20:43,039

um so given in uh you know

472

00:20:46,149 --> 00:20:45,760

uh the amount of inaccurate information

473

00:20:57,029 --> 00:20:46,159

i

474

00:21:01,029 --> 00:20:57,039

or more um

475

00:21:03,430 --> 00:21:01,039

sort of accusations of

476

00:21:05,190 --> 00:21:03,440

of some kind of grand conspiracy or

477

00:21:08,230 --> 00:21:05,200

voter fraud going out

478

00:21:11,830 --> 00:21:08,240

you know going on out there to uh

479

00:21:16,070 --> 00:21:11,840

to cheat donald trump of the election

480

00:21:19,830 --> 00:21:16,080

that he won fair and square right um

481

00:21:21,430 --> 00:21:19,840

so i uh i did some looking into it and

482

00:21:23,990 --> 00:21:21,440

i'm going to show you what i found and

483

00:21:25,590 --> 00:21:24,000

it turns out this is mostly accurate

484

00:21:27,190 --> 00:21:25,600

now i don't want to comment on the

485

00:21:28,710 --> 00:21:27,200

election has become a fraud on top of a

486

00:21:30,870 --> 00:21:28,720

fraud or can you believe this

487

00:21:32,390 --> 00:21:30,880

i'm not kidding we have to wait do we

488

00:21:34,549 --> 00:21:32,400

have to wait until november 12th for

489

00:21:36,390 --> 00:21:34,559

north carolina to report their state

490

00:21:37,750 --> 00:21:36,400

that's the important part to me that's

491

00:21:39,590 --> 00:21:37,760

the information that's important are we

492

00:21:40,789 --> 00:21:39,600

do we really have to wait till november

493

00:21:44,870 --> 00:21:40,799

12th

494

00:21:49,990 --> 00:21:44,880

for north carolina to

495

00:21:53,510 --> 00:21:52,549

it turns out okay i'm just gonna read

496

00:21:56,390 --> 00:21:53,520

this and uh

497

00:21:56,870 --> 00:21:56,400

fair fair use fair use this is from us

498

00:21:58,710 --> 00:21:56,880

news

499

00:22:00,390 --> 00:21:58,720

but uh we're this is transformative work

500

00:22:02,870 --> 00:22:00,400

or educating the public

501
00:22:04,310 --> 00:22:02,880
washington uh from realtors north

502
00:22:06,070 --> 00:22:04,320
carolina officials said on wednesday

503
00:22:07,750 --> 00:22:06,080
that they did not expect vote totals to

504
00:22:09,270 --> 00:22:07,760
be reported by the state to change for

505
00:22:10,230 --> 00:22:09,280
more than a week as the state remain

506
00:22:12,789 --> 00:22:10,240
undecided both

507
00:22:14,230 --> 00:22:12,799
u.s presidential rates and a senate seat

508
00:22:17,909 --> 00:22:14,240
north carolina has fixed

509
00:22:19,669 --> 00:22:17,919
15 electoral votes with very few

510
00:22:21,909 --> 00:22:19,679
exceptions north carolina's election

511
00:22:24,470 --> 00:22:21,919
results will not change until november

512
00:22:26,870 --> 00:22:24,480
12th or 13th when all mail and ballots

513
00:22:28,710 --> 00:22:26,880

are received and counted by each county

514

00:22:30,149 --> 00:22:28,720

karen brynson bell executive director of

515

00:22:31,510 --> 00:22:30,159

the state board of elections told the

516

00:22:33,190 --> 00:22:31,520

news conference

517

00:22:35,750 --> 00:22:33,200

state officials have been processing

518

00:22:37,669 --> 00:22:35,760

some 5.5 million ballots but there is at

519

00:22:40,310 --> 00:22:37,679

least 117 000

520

00:22:41,590 --> 00:22:40,320

outstanding mail imbalance many of which

521

00:22:43,590 --> 00:22:41,600

may have not been cast

522

00:22:45,590 --> 00:22:43,600

and an undetermined number of

523

00:22:47,430 --> 00:22:45,600

provisional ballots still in the mix as

524

00:22:49,190 --> 00:22:47,440

of wednesday republican donald trump led

525

00:22:51,029 --> 00:22:49,200

his democratic challenger joe biden in

526

00:22:54,390 --> 00:22:51,039

north carolina by 50.1

527

00:22:56,230 --> 00:22:54,400

to 48.7 percent that left the race too

528

00:22:58,230 --> 00:22:56,240

close to call

529

00:22:59,990 --> 00:22:58,240

in the senate race yeah so tom tillis

530

00:23:01,110 --> 00:23:00,000

declared victory on tuesday evening but

531

00:23:04,390 --> 00:23:01,120

democrat kell

532

00:23:07,590 --> 00:23:04,400

cunningham has not conceded until it's

533

00:23:08,070 --> 00:23:07,600

leading 48.7 to 46.9 percent is

534

00:23:11,110 --> 00:23:08,080

considered

535

00:23:14,950 --> 00:23:11,120

too slim to call the race so that one

536

00:23:16,870 --> 00:23:14,960

uh friends uh that one is

537

00:23:19,510 --> 00:23:16,880

more or less accurate and i'm shocked

538

00:23:20,789 --> 00:23:19,520

that we have to wait till november 12th

539

00:23:22,230 --> 00:23:20,799

we're gonna have to wait till november

540

00:23:24,070 --> 00:23:22,240

12th to get an answer on this

541

00:23:25,990 --> 00:23:24,080

presidential election

542

00:23:29,350 --> 00:23:26,000

that's not good news that's next

543

00:23:31,909 --> 00:23:29,360

thursday so it's a full week from today

544

00:23:32,950 --> 00:23:31,919

which is crazy to me absolutely crazy to

545

00:23:36,630 --> 00:23:32,960

me

546

00:23:39,750 --> 00:23:36,640

so um yeah i'm gonna

547

00:23:40,549 --> 00:23:39,760

i'm gonna find i had just one more that

548

00:23:47,110 --> 00:23:40,559

i wanted to

549

00:24:02,830 --> 00:23:51,830

this one's one of those murky ones right

550

00:24:02,840 --> 00:24:06,310

okay

551

00:24:10,070 --> 00:24:08,549

all right i'm gonna share my screen

552

00:24:12,470 --> 00:24:10,080

again this is fair use you know this is

553

00:24:14,710 --> 00:24:12,480

just a meme running around on facebook

554

00:24:15,909 --> 00:24:14,720

uh but i noticed a ton of people sharing

555

00:24:19,669 --> 00:24:15,919

this one so

556

00:24:22,230 --> 00:24:19,679

i thought uh yeah maybe

557

00:24:23,510 --> 00:24:22,240

maybe i should share and talk about this

558

00:24:26,390 --> 00:24:23,520

one

559

00:24:26,710 --> 00:24:26,400

so this meme is uh or you know i don't

560

00:24:29,510 --> 00:24:26,720

know

561

00:24:31,430 --> 00:24:29,520

facebook post not even really a meme uh

562

00:24:33,110 --> 00:24:31,440

says wisconsin reporting three

563

00:24:34,549 --> 00:24:33,120

million two hundred thirty nine thousand

564

00:24:37,830 --> 00:24:34,559

nine hundred twenty registered

565

00:24:39,029 --> 00:24:37,840

votes cast or i'm sorry three million

566

00:24:41,669 --> 00:24:39,039

two hundred thirty nine thousand nine

567

00:24:43,029 --> 00:24:41,679

hundred twenty votes cast there are only

568

00:24:46,310 --> 00:24:43,039

three million one hundred and twenty

569

00:24:50,310 --> 00:24:46,320

nine thousand registered voters

570

00:24:51,830 --> 00:24:50,320

so we can look into this one

571

00:24:58,830 --> 00:24:51,840

and actually i don't have the screen up

572

00:24:58,840 --> 00:25:08,549

but

573

00:25:11,750 --> 00:25:11,190

okay so uh you know and here's the thing

574

00:25:16,390 --> 00:25:11,760

i

575

00:25:22,470 --> 00:25:16,400

people don't trust

576

00:25:24,230 --> 00:25:22,480

but i think what you can do if you

577

00:25:26,630 --> 00:25:24,240

really want to fact check something is

578

00:25:27,990 --> 00:25:26,640

look at five or ten different fact check

579

00:25:31,350 --> 00:25:28,000

articles on that event

580

00:25:33,110 --> 00:25:31,360

or that thing and if all of them agree

581

00:25:35,110 --> 00:25:33,120

you're you're pretty sure that you got

582

00:25:38,070 --> 00:25:35,120

the truth out of it

583

00:25:40,630 --> 00:25:38,080

so uh wait i'm gonna find one here okay

584

00:25:42,870 --> 00:25:40,640

this one's from usa today

585

00:25:44,710 --> 00:25:42,880

so friends that's the claim that there

586

00:25:48,870 --> 00:25:44,720

is more

587

00:25:52,070 --> 00:25:48,880

state of wisconsin

588

00:25:54,630 --> 00:25:52,080

than there is registered voters

589

00:25:55,669 --> 00:25:54,640

and boy did i see a lot of trumpers

590

00:25:59,110 --> 00:25:55,679

sharing this one

591

00:26:00,789 --> 00:25:59,120

all day today um yeah it's all over

592

00:26:02,710 --> 00:26:00,799

it's on twitter it's on facebook people

593

00:26:06,390 --> 00:26:02,720

are posting on instagram

594

00:26:09,110 --> 00:26:06,400

um it's troubling

595

00:26:10,549 --> 00:26:09,120

uh so i wanted to know if that was true

596

00:26:11,190 --> 00:26:10,559

because if it is true that's pretty

597

00:26:13,510 --> 00:26:11,200

shocking

598

00:26:14,310 --> 00:26:13,520

and it would be proof that there's some

599

00:26:17,430 --> 00:26:14,320

kind of

600

00:26:18,870 --> 00:26:17,440

grand conspiracy of election fraud going

601
00:26:23,510 --> 00:26:18,880
on

602
00:26:27,430 --> 00:26:23,520
time and we're going to be sharing a usa

603
00:26:28,710 --> 00:26:27,440
today fact check article

604
00:26:30,390 --> 00:26:28,720
and we're going to cite fair use because

605
00:26:32,149 --> 00:26:30,400
this is a transformative work and we're

606
00:26:35,269 --> 00:26:32,159
educating the public about

607
00:26:38,470 --> 00:26:35,279
misinformation and disinformation about

608
00:26:41,350 --> 00:26:38,480
the election

609
00:26:41,669 --> 00:26:41,360
okay so this is the fact check the claim

610
00:26:53,029 --> 00:26:41,679
is

611
00:26:55,029 --> 00:26:53,039
with three or four others that all

612
00:26:58,149 --> 00:26:55,039
basically say the same thing

613
00:26:59,510 --> 00:26:58,159

okay so wisconsin reporting 101 voter

614

00:27:02,230 --> 00:26:59,520

turnout reads

615

00:27:04,149 --> 00:27:02,240

a heading within a meme and by the way

616

00:27:05,190 --> 00:27:04,159

there's multiple of these memes i'm just

617

00:27:06,070 --> 00:27:05,200

showing you the one that i've

618

00:27:08,390 --> 00:27:06,080

encountered most

619

00:27:09,430 --> 00:27:08,400

but there's a whole bunch of different

620

00:27:11,590 --> 00:27:09,440

graphics

621

00:27:13,510 --> 00:27:11,600

basically the same information being

622

00:27:15,909 --> 00:27:13,520

spread on you know different graphics

623

00:27:18,310 --> 00:27:15,919

different means

624

00:27:19,990 --> 00:27:18,320

anyway reads within i mean containing a

625

00:27:21,510 --> 00:27:20,000

chart tabulating a number of registered

626
00:27:23,909 --> 00:27:21,520
voters and select states and what

627
00:27:25,590 --> 00:27:23,919
percentage they comprise the state's

628
00:27:27,029 --> 00:27:25,600
population the mean then claims the

629
00:27:29,750 --> 00:27:27,039
number of wisconsin votes

630
00:27:31,510 --> 00:27:29,760
counted is three million one seventy two

631
00:27:33,269 --> 00:27:31,520
oh six and registered voters only at

632
00:27:35,190 --> 00:27:33,279
three million one hundred twenty nine

633
00:27:37,909 --> 00:27:35,200
indicating a discrepancy of a little

634
00:27:41,029 --> 00:27:37,919
over 41 000 between the two

635
00:27:44,549 --> 00:27:41,039
the democrats have officially committed

636
00:27:47,430 --> 00:27:44,559
election fraud the crime is a felony and

637
00:27:49,190 --> 00:27:47,440
falls under 18 usco chapter 115 sedition

638
00:27:52,870 --> 00:27:49,200

entries in the text

639

00:27:54,389 --> 00:27:52,880

declares the meme uh i guess this is

640

00:27:57,029 --> 00:27:54,399

where it originated from shared by

641

00:28:00,230 --> 00:27:57,039

facebook user mike boss has received 2

642

00:28:02,310 --> 00:28:00,240

700 interactions and 2500 shares since

643

00:28:04,549 --> 00:28:02,320

being posted on wednesday i'm sure it's

644

00:28:05,750 --> 00:28:04,559

way up now because it's this thing is

645

00:28:07,909 --> 00:28:05,760

spread

646

00:28:08,870 --> 00:28:07,919

all over is also gained significant

647

00:28:10,549 --> 00:28:08,880

attention

648

00:28:12,070 --> 00:28:10,559

elsewhere on facebook as well as on

649

00:28:13,909 --> 00:28:12,080

twitter

650

00:28:15,590 --> 00:28:13,919

okay so according to wisconsin election

651
00:28:17,190 --> 00:28:15,600
commissions there are three million six

652
00:28:19,110 --> 00:28:17,200
hundred and eighty four thousand seven

653
00:28:20,870 --> 00:28:19,120
hundred twenty six registered voters as

654
00:28:23,110 --> 00:28:20,880
of november first

655
00:28:24,549 --> 00:28:23,120
this figure as well as the denial that

656
00:28:25,190 --> 00:28:24,559
the state has more ballots than

657
00:28:27,190 --> 00:28:25,200
registered

658
00:28:30,070 --> 00:28:27,200
voters was affirmed by the commission on

659
00:28:31,590 --> 00:28:30,080
its official twitter account

660
00:28:34,149 --> 00:28:31,600
so it turns out voter turnout is

661
00:28:35,830 --> 00:28:34,159
reported to have top 3.2 million the

662
00:28:37,430 --> 00:28:35,840
highest turnout that wisconsin has seen

663
00:28:38,950 --> 00:28:37,440

since the 2004 election

664

00:28:40,630 --> 00:28:38,960

the chart in the facebook image appears

665

00:28:42,230 --> 00:28:40,640

to be taken from a website called world

666

00:28:44,149 --> 00:28:42,240

population review which claims its

667

00:28:47,430 --> 00:28:44,159

number registers voters by state

668

00:28:49,190 --> 00:28:47,440

reflects 2020 and cities usc

669

00:28:50,710 --> 00:28:49,200

census bureau's voting and registration

670

00:28:52,789 --> 00:28:50,720

page as a source

671

00:28:54,710 --> 00:28:52,799

usa today found the figure actually used

672

00:28:57,430 --> 00:28:54,720

for the november 2018

673

00:28:57,990 --> 00:28:57,440

election so this is a really old figure

674

00:29:00,630 --> 00:28:58,000

that's not

675

00:29:03,350 --> 00:29:00,640

relevant today as far as the number of

676
00:29:05,029 --> 00:29:03,360
registered voters

677
00:29:06,630 --> 00:29:05,039
it is important to know 2020 census

678
00:29:09,510 --> 00:29:06,640
results will not be available until late

679
00:29:10,950 --> 00:29:09,520
2020 to early 2021

680
00:29:12,630 --> 00:29:10,960
by late afternoon wednesday world

681
00:29:14,230 --> 00:29:12,640
population review update its data and

682
00:29:16,070 --> 00:29:14,240
appears to have appropriately cited

683
00:29:19,110 --> 00:29:16,080
voter registration statistics

684
00:29:21,990 --> 00:29:19,120
available by each state so

685
00:29:23,430 --> 00:29:22,000
usa today is ruling that this is false

686
00:29:24,870 --> 00:29:23,440
we rate this claim false because it's

687
00:29:26,549 --> 00:29:24,880
not supported by our research the number

688
00:29:29,029 --> 00:29:26,559

for register wisconsin

689

00:29:30,389 --> 00:29:29,039

voters stated by the facebook images

690

00:29:34,149 --> 00:29:30,399

incorrect and instead

691

00:29:36,310 --> 00:29:34,159

it is confirmed to be at over 3.6

692

00:29:37,669 --> 00:29:36,320

million as of november 1st according to

693

00:29:39,669 --> 00:29:37,679

wisconsin election

694

00:29:41,510 --> 00:29:39,679

commissions the commission has denied

695

00:29:42,630 --> 00:29:41,520

there being more ballots than registered

696

00:29:45,269 --> 00:29:42,640

voters

697

00:29:48,549 --> 00:29:45,279

the total ones the total votes count in

698

00:29:50,389 --> 00:29:48,559

the state has top 3.2 million

699

00:29:51,750 --> 00:29:50,399

so they're determining that this is

700

00:29:54,470 --> 00:29:51,760

false but

701
00:29:55,830 --> 00:29:54,480
i still have a problem a slight problem

702
00:30:00,149 --> 00:29:55,840
anyway

703
00:30:03,990 --> 00:30:00,159
so basically they're saying that

704
00:30:06,710 --> 00:30:04,000
there's 306 million registered voters

705
00:30:07,990 --> 00:30:06,720
in the state of wisconsin and that 3.2

706
00:30:10,789 --> 00:30:08,000
million voted

707
00:30:12,789 --> 00:30:10,799
that is a huge high that would mean like

708
00:30:14,950 --> 00:30:12,799
90 percent of the people in the state

709
00:30:16,070 --> 00:30:14,960
voted i think i haven't done the actual

710
00:30:18,710 --> 00:30:16,080
math

711
00:30:19,430 --> 00:30:18,720
that is still a little bit suspect to me

712
00:30:23,269 --> 00:30:19,440
but

713
00:30:25,190 --> 00:30:23,279

the general claim is false and then

714

00:30:27,110 --> 00:30:25,200

to bring it back i'm not going to go

715

00:30:28,230 --> 00:30:27,120

through every one but i have one more to

716

00:30:33,430 --> 00:30:28,240

share

717

00:30:35,190 --> 00:30:33,440

on this same

718

00:30:37,269 --> 00:30:35,200

and this is another one that is just

719

00:30:40,230 --> 00:30:37,279

spreading like wildflower

720

00:30:41,269 --> 00:30:40,240

wildfire all over social media and it is

721

00:30:44,310 --> 00:30:41,279

uh troubling

722

00:30:46,710 --> 00:30:44,320

because of the accuracy or

723

00:30:48,710 --> 00:30:46,720

inaccuracy of the information that is

724

00:30:55,830 --> 00:30:48,720

being shared here

725

00:31:04,389 --> 00:30:59,269

okay so this is a similar one has

726
00:31:06,870 --> 00:31:04,399
four states on it

727
00:31:07,590 --> 00:31:06,880
by the way i believe these are all four

728
00:31:11,190 --> 00:31:07,600
states that

729
00:31:13,669 --> 00:31:11,200
trump lost uh so there's really

730
00:31:14,470 --> 00:31:13,679
no secret i suppose where this

731
00:31:17,350 --> 00:31:14,480
information

732
00:31:18,789 --> 00:31:17,360
is being who's spreading this

733
00:31:21,029 --> 00:31:18,799
information

734
00:31:24,789 --> 00:31:21,039
so again minnesota 3 million registered

735
00:31:26,789 --> 00:31:24,799
voters 3200 217 votes counted virginia

736
00:31:28,149 --> 00:31:26,799
same kind of thing few hundred thousand

737
00:31:30,389 --> 00:31:28,159
more votes

738
00:31:33,110 --> 00:31:30,399

counted than registered voters colorado

739

00:31:36,230 --> 00:31:33,120

same thing i'm going to challenge

740

00:31:39,590 --> 00:31:36,240

you guys is if it was fake

741

00:31:41,350 --> 00:31:39,600

in the case of wisconsin

742

00:31:46,230 --> 00:31:41,360

what do you think is it real in the case

743

00:31:49,830 --> 00:31:46,240

of minnesota virginia and colorado

744

00:31:54,470 --> 00:31:52,149

it doesn't appear that any of these uh

745

00:31:56,710 --> 00:31:54,480

are correct or factual

746

00:31:58,070 --> 00:31:56,720

and yet they're being uh shared all over

747

00:31:59,990 --> 00:31:58,080

social media

748

00:32:01,669 --> 00:32:00,000

and people are believing it and i

749

00:32:03,350 --> 00:32:01,679

believe a lot of it has to do with

750

00:32:04,870 --> 00:32:03,360

confirmation bias if you're a trump

751

00:32:06,549 --> 00:32:04,880

supporter and you're pissed off that

752

00:32:10,470 --> 00:32:06,559

he's losing

753

00:32:17,029 --> 00:32:10,480

yeah those democrats cheated us

754

00:32:20,789 --> 00:32:19,350

okay we're gonna take comments from live

755

00:32:22,470 --> 00:32:20,799

chat also whether you know

756

00:32:25,029 --> 00:32:22,480

they've been finding bags of mail in

757

00:32:26,630 --> 00:32:25,039

ballots along the roads and creeks

758

00:32:28,470 --> 00:32:26,640

yeah uh but the problem with that out of

759

00:32:29,669 --> 00:32:28,480

mind is where is the proof in the

760

00:32:32,710 --> 00:32:29,679

sourcing

761

00:32:35,029 --> 00:32:32,720

you know it's sketchy sometimes

762

00:32:36,389 --> 00:32:35,039

and that's uh that's what i have a

763

00:32:40,389 --> 00:32:36,399

problem with

764

00:32:41,750 --> 00:32:40,399

you know uh there's a video going around

765

00:32:44,950 --> 00:32:41,760

of somebody going

766

00:32:47,110 --> 00:32:44,960

like burning a bag of ballots

767

00:32:49,269 --> 00:32:47,120

and saying like f trump while he's

768

00:32:51,909 --> 00:32:49,279

burning this bag of

769

00:32:54,310 --> 00:32:51,919

ballots you know and that's being spread

770

00:32:55,909 --> 00:32:54,320

all over social media

771

00:32:58,710 --> 00:32:55,919

we don't know the sourcing on that we

772

00:33:00,549 --> 00:32:58,720

don't know who the individual is and

773

00:33:02,950 --> 00:33:00,559

we don't even know if those are real

774

00:33:04,389 --> 00:33:02,960

male ballots that he's burning in the

775

00:33:06,870 --> 00:33:04,399

video

776

00:33:08,630 --> 00:33:06,880

and this is my point is that in the next

777

00:33:10,789 --> 00:33:08,640

few days or week

778

00:33:12,870 --> 00:33:10,799

we are going to get inundated flooded

779

00:33:15,110 --> 00:33:12,880

with all kinds of information

780

00:33:16,630 --> 00:33:15,120

and i think it's important just to stop

781

00:33:19,990 --> 00:33:16,640

for a moment and take a breath

782

00:33:20,549 --> 00:33:20,000

and say which of these uh things that

783

00:33:23,750 --> 00:33:20,559

i'm

784

00:33:24,549 --> 00:33:23,760

reading are real and which of these is

785

00:33:27,590 --> 00:33:24,559

some

786

00:33:31,350 --> 00:33:27,600

opium propaganda or

787

00:33:32,950 --> 00:33:31,360

nonsense created by warring political

788

00:33:36,389 --> 00:33:32,960

parties

789

00:33:37,669 --> 00:33:36,399

and uh one thing i'll say is i'm seeing

790

00:33:41,590 --> 00:33:37,679

more

791

00:33:43,590 --> 00:33:41,600

propaganda

792

00:33:45,830 --> 00:33:43,600

and uh and this sort of thing that i'm

793

00:33:48,470 --> 00:33:45,840

seeing but then again maybe i'm

794

00:33:49,110 --> 00:33:48,480

watching that more i'm not sure i think

795

00:34:00,549 --> 00:33:49,120

it's both

796

00:34:00,559 --> 00:34:03,909

i'm not sure what you mean

797

00:34:06,630 --> 00:34:05,110

it's bizarre to me that when people

798

00:34:07,830 --> 00:34:06,640

think of cheating doesn't happen when

799

00:34:09,030 --> 00:34:07,840

we're talking about controlling a

800

00:34:10,790 --> 00:34:09,040

trillion dollar budget

801
00:34:12,310 --> 00:34:10,800
yeah i believe that cheating does happen

802
00:34:13,750 --> 00:34:12,320
but i think that there's too much

803
00:34:15,510 --> 00:34:13,760
propaganda there

804
00:34:17,190 --> 00:34:15,520
right every voter and every ballot

805
00:34:18,869 --> 00:34:17,200
counter from philly to phoenix across

806
00:34:22,710 --> 00:34:18,879
the nation is a criminal fraud

807
00:34:25,109 --> 00:34:22,720
good grief yeah the the uh

808
00:34:27,109 --> 00:34:25,119
you you know the the narrative that's

809
00:34:29,909 --> 00:34:27,119
being played out right now

810
00:34:30,629 --> 00:34:29,919
is crazy and it's every bit as good as

811
00:34:33,669 --> 00:34:30,639
an alex

812
00:34:33,990 --> 00:34:33,679
jones or david i conspiracy theory and

813
00:34:37,430 --> 00:34:34,000

just

814

00:34:40,149 --> 00:34:37,440

as grand um and i'm getting

815

00:34:41,829 --> 00:34:40,159

i'm sort of waking up from like i'm just

816

00:34:43,270 --> 00:34:41,839

disconnecting myself from this [\h__\h] and

817

00:34:45,589 --> 00:34:43,280

i'm going wait a minute this is

818

00:34:46,710 --> 00:34:45,599

[\h__\h] crazy this can't all be

819

00:34:50,310 --> 00:34:46,720

happening

820

00:34:53,270 --> 00:34:50,320

if you believe the right side right now

821

00:34:55,270 --> 00:34:53,280

it would appear that uh there is people

822

00:34:58,470 --> 00:34:55,280

all over the country

823

00:35:00,870 --> 00:34:58,480

are burning uh ballots for that were

824

00:35:02,550 --> 00:35:00,880

intended to be voting for trump uh

825

00:35:04,550 --> 00:35:02,560

there's also something you can look into

826
00:35:06,550 --> 00:35:04,560
called sharpie gates people are making

827
00:35:10,069 --> 00:35:06,560
claims that poll workers gave

828
00:35:11,990 --> 00:35:10,079
people a pen that they knew a sharpie

829
00:35:13,829 --> 00:35:12,000
if they filled out the form with the

830
00:35:15,190 --> 00:35:13,839
sharpie the machine wouldn't read it but

831
00:35:17,670 --> 00:35:15,200
if they filled out the machine with a

832
00:35:19,910 --> 00:35:17,680
pen the machine would read it

833
00:35:21,670 --> 00:35:19,920
and apparently there's an evil bunch of

834
00:35:23,430 --> 00:35:21,680
people in that state

835
00:35:25,109 --> 00:35:23,440
uh it might have been wisconsin but

836
00:35:27,910 --> 00:35:25,119
don't quote me i could be wrong

837
00:35:29,589 --> 00:35:27,920
i'm sorry friends uh things are a little

838
00:35:31,270 --> 00:35:29,599

fast and loose with my

839

00:35:33,750 --> 00:35:31,280

thinking there's so much information

840

00:35:36,550 --> 00:35:33,760

i've been digesting but in one state

841

00:35:37,430 --> 00:35:36,560

um there's a claim now that the poll

842

00:35:40,150 --> 00:35:37,440

workers there

843

00:35:41,910 --> 00:35:40,160

purposefully gave people pens to fill

844

00:35:44,630 --> 00:35:41,920

out the ballots with a

845

00:35:46,230 --> 00:35:44,640

sharpie because they knew this that the

846

00:35:47,270 --> 00:35:46,240

machine wouldn't be able to read the

847

00:35:50,470 --> 00:35:47,280

sharpie

848

00:35:52,150 --> 00:35:50,480

and wouldn't tabulate the vote i don't

849

00:35:54,950 --> 00:35:52,160

know if that's accurate

850

00:35:57,270 --> 00:35:54,960

doesn't sound plausible to me but okay

851

00:35:59,670 --> 00:35:57,280

this is just another one of the claims

852

00:36:00,550 --> 00:35:59,680

so if we get into this grand conspiracy

853

00:36:03,589 --> 00:36:00,560

that

854

00:36:07,270 --> 00:36:03,599

is starting to form now about this

855

00:36:09,670 --> 00:36:07,280

you know boy it's almost like a

856

00:36:11,109 --> 00:36:09,680

it's almost like a yeah like a david

857

00:36:13,510 --> 00:36:11,119

hiker alex jones

858

00:36:15,109 --> 00:36:13,520

huge monstrous conspiracy theory that

859

00:36:16,230 --> 00:36:15,119

all of these people are colluding

860

00:36:19,430 --> 00:36:16,240

together to cheat

861

00:36:22,150 --> 00:36:19,440

and all these people are burning trump

862

00:36:22,790 --> 00:36:22,160

ballots and all these people are uh you

863

00:36:25,670 --> 00:36:22,800

know

864

00:36:26,630 --> 00:36:25,680

stuffing the ballot box all night there

865

00:36:30,069 --> 00:36:26,640

are some things

866

00:36:32,870 --> 00:36:30,079

that don't make sense to me and uh

867

00:36:34,790 --> 00:36:32,880

and i understand though that these

868

00:36:37,109 --> 00:36:34,800

things that don't make sense to us

869

00:36:39,109 --> 00:36:37,119

are fueling people's belief that there's

870

00:36:39,990 --> 00:36:39,119

some grand conspiracy to steal the

871

00:36:45,270 --> 00:36:40,000

election from one

872

00:36:49,349 --> 00:36:47,270

i don't have the uh oh yeah i do have

873

00:36:51,349 --> 00:36:49,359

the map

874

00:36:53,030 --> 00:36:51,359

oh no i don't one second we're going to

875

00:36:55,030 --> 00:36:53,040

get back

876

00:36:56,710 --> 00:36:55,040

let me just get to uh some information

877

00:36:59,829 --> 00:36:56,720

that i need so i don't

878

00:37:00,630 --> 00:36:59,839

miss speak we don't need to share this

879

00:37:03,990 --> 00:37:00,640

but i need to

880

00:37:05,670 --> 00:37:04,000

see the electoral map okay so

881

00:37:07,030 --> 00:37:05,680

here's something that doesn't make any

882

00:37:10,390 --> 00:37:07,040

sense to me uh

883

00:37:13,589 --> 00:37:10,400

and i looked into it and

884

00:37:18,710 --> 00:37:13,599

and it's not been adequately explained

885

00:37:21,670 --> 00:37:20,230

i'm sorry friends i gotta find a

886

00:37:23,349 --> 00:37:21,680

different map that one doesn't have what

887

00:37:25,589 --> 00:37:23,359

i needed

888

00:37:28,390 --> 00:37:25,599

i need to be able to uh to see the

889

00:37:30,870 --> 00:37:28,400

percentage of the vote counted in

890

00:37:31,750 --> 00:37:30,880

the remaining states okay now i got it i

891

00:37:33,670 --> 00:37:31,760

think okay

892

00:37:35,109 --> 00:37:33,680

so you know one of the things that

893

00:37:37,270 --> 00:37:35,119

doesn't make sense to me

894

00:37:38,310 --> 00:37:37,280

and i'm going to share this it's from

895

00:37:40,230 --> 00:37:38,320

actually if we're going to share it from

896

00:37:41,349 --> 00:37:40,240

fox news because they have the breakdown

897

00:37:45,750 --> 00:37:41,359

that i need

898

00:37:48,829 --> 00:37:45,760

we were using 270 to win.com but

899

00:37:50,390 --> 00:37:48,839

okay uh one second we're going to share

900

00:38:01,430 --> 00:37:50,400

this

901
00:38:04,470 --> 00:38:01,440
uh ram november 5th um

902
00:38:08,630 --> 00:38:04,480
okay so on election night they

903
00:38:11,190 --> 00:38:08,640
counted 86 percent of the vote

904
00:38:11,990 --> 00:38:11,200
so in one day they counted 86 percent of

905
00:38:15,349 --> 00:38:12,000
the vote

906
00:38:17,589 --> 00:38:15,359
and here we are a full day's work later

907
00:38:19,349 --> 00:38:17,599
and they've only counted three percent

908
00:38:22,550 --> 00:38:19,359
of the vote

909
00:38:24,710 --> 00:38:22,560
that doesn't make any sense to me and i

910
00:38:26,630 --> 00:38:24,720
checked with a friend and asked uh

911
00:38:29,750 --> 00:38:26,640
somebody that i know that works

912
00:38:31,910 --> 00:38:29,760
the polls and elections in uh

913
00:38:33,750 --> 00:38:31,920

in philadelphia at least and asked him

914

00:38:35,829 --> 00:38:33,760

does it take any longer to count an

915

00:38:37,750 --> 00:38:35,839

in-person vote or does it take any

916

00:38:39,829 --> 00:38:37,760

longer to count a mail-in vote than it

917

00:38:40,310 --> 00:38:39,839

does an in-person vote and they told me

918

00:38:42,150 --> 00:38:40,320

no

919

00:38:44,630 --> 00:38:42,160

but i only got one source on that so i'm

920

00:38:48,230 --> 00:38:44,640

not sure but my question is

921

00:38:50,470 --> 00:38:48,240

if on november 3rd in let's say

922

00:38:51,270 --> 00:38:50,480

i don't know if they had 12 or 16 hours

923

00:38:54,950 --> 00:38:51,280

work

924

00:38:57,829 --> 00:38:54,960

they counted 86

925

00:38:58,630 --> 00:38:57,839

of the vote in pennsylvania then how the

926

00:39:01,910 --> 00:38:58,640

hell did they

927

00:39:04,550 --> 00:39:01,920

only count three percent of the vote

928

00:39:05,750 --> 00:39:04,560

on november the next day it doesn't mean

929

00:39:07,430 --> 00:39:05,760

they had the same

930

00:39:08,790 --> 00:39:07,440

time you know they start counting at six

931

00:39:09,670 --> 00:39:08,800

or seven o'clock in the morning and they

932

00:39:14,069 --> 00:39:09,680

go

933

00:39:16,550 --> 00:39:14,079

make any sense to me though

934

00:39:18,310 --> 00:39:16,560

you count 86 percent of the vote one day

935

00:39:21,430 --> 00:39:18,320

and the next day you only count through

936

00:39:23,750 --> 00:39:21,440

three percent of the vote i should say

937

00:39:24,710 --> 00:39:23,760

uh that four o'clock in the morning on

938

00:39:27,510 --> 00:39:24,720

november

939

00:39:27,990 --> 00:39:27,520

fourth four a.m you know we did this big

940

00:39:30,310 --> 00:39:28,000

long show

941

00:39:31,510 --> 00:39:30,320

but at the end of that i wrote them down

942

00:39:35,589 --> 00:39:31,520

at the end of the night

943

00:39:38,550 --> 00:39:35,599

they had 86 reporting

944

00:39:40,150 --> 00:39:38,560

uh you know on election night or the the

945

00:39:42,710 --> 00:39:40,160

morning after election night they went

946

00:39:45,750 --> 00:39:42,720

to bed about 4 a.m they had 86

947

00:39:49,109 --> 00:39:45,760

reporting now we've only got 89 percent

948

00:39:50,790 --> 00:39:49,119

reporting almost a full 24 hours later

949

00:39:53,829 --> 00:39:50,800

doesn't make any sense to me and it's

950

00:39:57,030 --> 00:39:53,839

the same situation with this

951

00:40:00,950 --> 00:39:57,040

uh i believe they had 90

952

00:40:04,230 --> 00:40:00,960

reporting when i went to bed at 4am

953

00:40:07,430 --> 00:40:04,240

the night after the election so again uh

954

00:40:09,829 --> 00:40:07,440

in one day they counted 90

955

00:40:11,030 --> 00:40:09,839

of the votes uh you know let's say i

956

00:40:17,270 --> 00:40:11,040

have the notes here

957

00:40:23,670 --> 00:40:20,710

okay north carolina had ninety percent

958

00:40:25,349 --> 00:40:23,680

at four a.m the night after the election

959

00:40:29,030 --> 00:40:25,359

and it's they've only gone up then

960

00:40:30,390 --> 00:40:29,040

four percent so the first day they were

961

00:40:32,950 --> 00:40:30,400

counting votes they counted

962

00:40:34,710 --> 00:40:32,960

ninety percent of the votes the next day

963

00:40:35,190 --> 00:40:34,720

they were counting votes they counted

964

00:40:37,990 --> 00:40:35,200

only

965

00:40:39,750 --> 00:40:38,000

four percent of the votes again this

966

00:40:41,750 --> 00:40:39,760

does not make sense to me

967

00:40:43,349 --> 00:40:41,760

and nobody so far has been able to

968

00:40:47,190 --> 00:40:43,359

explain it to me

969

00:40:48,710 --> 00:40:47,200

of why that is i'd like to know i

970

00:40:51,190 --> 00:40:48,720

you know i could be totally just

971

00:40:52,390 --> 00:40:51,200

misinformed and stupid about how all

972

00:40:55,750 --> 00:40:52,400

this works

973

00:40:57,109 --> 00:40:55,760

but again and we have georgia and i have

974

00:41:02,230 --> 00:40:57,119

similar statistics

975

00:41:07,349 --> 00:41:04,470

so at 4 00 am the night after the

976

00:41:14,390 --> 00:41:07,359

election in georgia was

977

00:41:18,470 --> 00:41:16,950

i'm sorry i'm getting uh something

978

00:41:22,069 --> 00:41:18,480

holding me there okay so

979

00:41:24,150 --> 00:41:22,079

there was 95 at 4am

980

00:41:26,630 --> 00:41:24,160

the night after the election november

981

00:41:30,630 --> 00:41:26,640

4th 4 a.m

982

00:41:32,950 --> 00:41:30,640

there was 95

983

00:41:36,230 --> 00:41:32,960

so on the first day of counting votes in

984

00:41:39,510 --> 00:41:36,240

georgia they counted

985

00:41:41,750 --> 00:41:39,520

95 and on the second day

986

00:41:43,109 --> 00:41:41,760

of counting votes again i guess they had

987

00:41:44,630 --> 00:41:43,119

the same amount of time or they would

988

00:41:47,510 --> 00:41:44,640

have had even more time

989

00:41:49,109 --> 00:41:47,520

on these second date counts because they

990

00:41:49,750 --> 00:41:49,119

didn't have to wait for the polls to

991

00:41:52,230 --> 00:41:49,760

close

992

00:41:54,069 --> 00:41:52,240

at 7 pm or 8 p.m whatever it was on

993

00:41:56,230 --> 00:41:54,079

november 3rd

994

00:41:58,390 --> 00:41:56,240

they had even more time on these second

995

00:41:59,430 --> 00:41:58,400

days and none of this makes sense the

996

00:42:02,550 --> 00:41:59,440

first

997

00:42:04,230 --> 00:42:02,560

entire vote

998

00:42:06,790 --> 00:42:04,240

and you had to wait for the polls to

999

00:42:08,550 --> 00:42:06,800

close on on election day

1000

00:42:09,990 --> 00:42:08,560

but the second day that you had your

1001
00:42:14,870 --> 00:42:10,000
vote counting going you

1002
00:42:16,950 --> 00:42:14,880
only were able to count a few percentage

1003
00:42:17,910 --> 00:42:16,960
three four percent in each of these

1004
00:42:20,390 --> 00:42:17,920
states

1005
00:42:22,069 --> 00:42:20,400
doesn't make any sense to me another

1006
00:42:25,190 --> 00:42:22,079
thing that's problematic

1007
00:42:25,750 --> 00:42:25,200
and is hugely going to fuel conspiracy

1008
00:42:28,150 --> 00:42:25,760
theories

1009
00:42:29,670 --> 00:42:28,160
surrounding somebody trying to steal the

1010
00:42:32,950 --> 00:42:29,680
election is nevada

1011
00:42:34,390 --> 00:42:32,960
just decided today uh where i think even

1012
00:42:37,589 --> 00:42:34,400
last night they decided that they

1013
00:42:39,990 --> 00:42:37,599

weren't going to count any votes today

1014

00:42:41,510 --> 00:42:40,000

at all they were going to begin counting

1015

00:42:45,109 --> 00:42:41,520

tomorrow morning so they

1016

00:42:47,829 --> 00:42:45,119

they're pausing for a entire day

1017

00:42:49,750 --> 00:42:47,839

i've never heard of that happening uh in

1018

00:42:51,750 --> 00:42:49,760

american election history i could be

1019

00:42:53,430 --> 00:42:51,760

wrong i don't pay that close attention

1020

00:42:55,750 --> 00:42:53,440

to each election that i would

1021

00:42:58,550 --> 00:42:55,760

be sure to be remembering this right but

1022

00:43:01,589 --> 00:42:58,560

if somebody can find an example of a day

1023

00:43:03,750 --> 00:43:01,599

that any state in our country just said

1024

00:43:05,190 --> 00:43:03,760

we're going to put a lid on this for 24

1025

00:43:06,710 --> 00:43:05,200

hours we're not going to do anything

1026
00:43:08,550 --> 00:43:06,720
we're not going to count anything we're

1027
00:43:10,309 --> 00:43:08,560
just going to wait we're just going to

1028
00:43:13,349 --> 00:43:10,319
wait but we'll get back to you

1029
00:43:16,710 --> 00:43:13,359
i mean i've never seen that happen

1030
00:43:17,750 --> 00:43:16,720
so i think that these uh these counting

1031
00:43:20,230 --> 00:43:17,760
issues

1032
00:43:22,230 --> 00:43:20,240
are largely i could see it people are

1033
00:43:24,150 --> 00:43:22,240
already saying these things on social

1034
00:43:25,510 --> 00:43:24,160
media like why are they taking so long

1035
00:43:29,670 --> 00:43:25,520
to count the vote

1036
00:43:33,430 --> 00:43:29,680
you know they're trying to steal it

1037
00:43:38,309 --> 00:43:33,440
this is very troubling to me but i think

1038
00:43:42,630 --> 00:43:40,550

for all i know like i said i'm just

1039

00:43:44,230 --> 00:43:42,640

misinformed and so is everybody else

1040

00:43:45,109 --> 00:43:44,240

that is noticing this and there's a

1041

00:43:48,230 --> 00:43:45,119

perfectly

1042

00:43:51,349 --> 00:43:48,240

legal and and reasonable explanation

1043

00:43:56,870 --> 00:43:51,359

for why these counting

1044

00:44:02,630 --> 00:44:00,150

okay uh so pragmatic he may have some

1045

00:44:04,550 --> 00:44:02,640

thing had until 7 p.m to arrive in each

1046

00:44:07,190 --> 00:44:04,560

state yesterday so it's always going to

1047

00:44:09,589 --> 00:44:07,200

take at least another day

1048

00:44:11,750 --> 00:44:09,599

all right so uh does that mean that they

1049

00:44:13,430 --> 00:44:11,760

should be done the counting tomorrow

1050

00:44:14,870 --> 00:44:13,440

because they only got a few percentages

1051
00:44:16,710 --> 00:44:14,880
to count a few per

1052
00:44:18,550 --> 00:44:16,720
percent of the total vote to count and

1053
00:44:22,150 --> 00:44:18,560
they were able to count like 90

1054
00:44:24,069 --> 00:44:22,160
of the first days on the first night

1055
00:44:25,349 --> 00:44:24,079
it still seems strange to me pragmatic

1056
00:44:28,390 --> 00:44:25,359
or uh

1057
00:44:29,349 --> 00:44:28,400
you know it's confusing right so maybe

1058
00:44:31,750 --> 00:44:29,359
that

1059
00:44:32,950 --> 00:44:31,760
just it being confusing about like

1060
00:44:36,069 --> 00:44:32,960
they're not

1061
00:44:37,190 --> 00:44:36,079
communicating correctly about what's

1062
00:44:38,870 --> 00:44:37,200
going on

1063
00:44:40,390 --> 00:44:38,880

you would think that somebody from fox

1064

00:44:42,390 --> 00:44:40,400

news or cnn

1065

00:44:43,510 --> 00:44:42,400

would one of those talking heads would

1066

00:44:46,550 --> 00:44:43,520

explain

1067

00:44:48,790 --> 00:44:46,560

exactly why this has taken so long

1068

00:44:51,190 --> 00:44:48,800

or what's going on behind the scenes to

1069

00:44:52,790 --> 00:44:51,200

make it be taking two days to count

1070

00:44:55,829 --> 00:44:52,800

three percent of the total vote in each

1071

00:44:58,870 --> 00:44:55,839

of these states nobody's explained that

1072

00:44:59,270 --> 00:44:58,880

not that i've seen on social media and

1073

00:45:02,230 --> 00:44:59,280

this

1074

00:45:03,829 --> 00:45:02,240

my friends is what i believe is fueling

1075

00:45:06,470 --> 00:45:03,839

and will continue to fuel these

1076

00:45:09,270 --> 00:45:06,480

conspiracy theories that are now

1077

00:45:11,430 --> 00:45:09,280

uh catching on like wildfire and it's

1078

00:45:14,390 --> 00:45:11,440

only going to get worse

1079

00:45:17,109 --> 00:45:14,400

i think that the information flood is

1080

00:45:19,829 --> 00:45:17,119

going to really continue to

1081

00:45:23,990 --> 00:45:19,839

uh be coming out as fast and furious and

1082

00:45:27,750 --> 00:45:26,950

we're not going to be able to keep up

1083

00:45:29,829 --> 00:45:27,760

with it

1084

00:45:31,750 --> 00:45:29,839

vanessa thor says north carolina supreme

1085

00:45:31,990 --> 00:45:31,760

court ruled all male and absentee would

1086

00:45:33,510 --> 00:45:32,000

be

1087

00:45:35,910 --> 00:45:33,520

counted up to nine days after the

1088

00:45:38,150 --> 00:45:35,920

election old law

1089

00:45:39,910 --> 00:45:38,160

yeah i think we covered that earlier uh

1090

00:45:42,390 --> 00:45:39,920

they're not going to be done until

1091

00:45:44,150 --> 00:45:42,400

november 12th i believe and that was one

1092

00:45:45,430 --> 00:45:44,160

of the memes that's being shared around

1093

00:45:47,190 --> 00:45:45,440

that like they're trying to steal the

1094

00:45:47,910 --> 00:45:47,200

election they're waiting until november

1095

00:45:49,990 --> 00:45:47,920

12th

1096

00:45:51,670 --> 00:45:50,000

so they can stuff the ballot box and

1097

00:45:54,950 --> 00:45:51,680

really it's just

1098

00:45:56,390 --> 00:45:54,960

um i don't know they have uh

1099

00:45:59,510 --> 00:45:56,400

that's the way they're doing it and

1100

00:46:01,829 --> 00:45:59,520

there is uh there is factually

1101
00:46:03,910 --> 00:46:01,839
supported a bunch of different articles

1102
00:46:05,270 --> 00:46:03,920
that talk about how

1103
00:46:07,270 --> 00:46:05,280
they're not going to release their

1104
00:46:08,470 --> 00:46:07,280
results until november 12th

1105
00:46:12,390 --> 00:46:08,480
so we're going to have to wait till the

1106
00:46:17,750 --> 00:46:14,710
possibly who the winner of this election

1107
00:46:19,430 --> 00:46:17,760
is because it's down to every state

1108
00:46:21,910 --> 00:46:19,440
each of these guys needs every state

1109
00:46:25,829 --> 00:46:21,920
that's left undeclared or un

1110
00:46:25,839 --> 00:46:30,790
yeah we see this uh this

1111
00:46:35,270 --> 00:46:33,190
the fires of these conspiracy theories

1112
00:46:37,030 --> 00:46:35,280
are being stoked by the trump campaign

1113
00:46:38,710 --> 00:46:37,040

and their surrogates in the form of rudy

1114

00:46:42,230 --> 00:46:38,720

giuliani eric trump and

1115

00:46:45,349 --> 00:46:42,240

and other surrogates are running around

1116

00:46:47,589 --> 00:46:45,359

already trying to set us up

1117

00:46:49,910 --> 00:46:47,599

set us up for like see there's massive

1118

00:46:53,430 --> 00:46:49,920

voter fraud

1119

00:46:54,470 --> 00:46:53,440

i'm not sure but i sure believe there's

1120

00:46:58,630 --> 00:46:54,480

voter fraud

1121

00:47:01,990 --> 00:47:00,870

for those that don't know to the the

1122

00:47:06,309 --> 00:47:02,000

greater or grand

1123

00:47:08,790 --> 00:47:06,319

conspiracy of uh biden and the corporate

1124

00:47:10,470 --> 00:47:08,800

cabal or you know i don't know the tech

1125

00:47:11,750 --> 00:47:10,480

giants are all in this together and

1126
00:47:12,710 --> 00:47:11,760
they're trying to steal this election

1127
00:47:16,470 --> 00:47:12,720
from trump

1128
00:47:18,790 --> 00:47:16,480
the general theory is that

1129
00:47:20,230 --> 00:47:18,800
this is what i'm hearing this is not my

1130
00:47:22,950 --> 00:47:20,240
conspiracy theory but

1131
00:47:24,390 --> 00:47:22,960
generally what i am getting that people

1132
00:47:26,630 --> 00:47:24,400
are saying is that

1133
00:47:27,430 --> 00:47:26,640
they slowed down the vote so that they

1134
00:47:29,670 --> 00:47:27,440
could

1135
00:47:30,950 --> 00:47:29,680
figure out how many fake ballots they

1136
00:47:33,910 --> 00:47:30,960
needed to generate

1137
00:47:36,549 --> 00:47:33,920
to flip it to biden and that's why they

1138
00:47:38,710 --> 00:47:36,559

slowed down the vote to give them time

1139

00:47:39,670 --> 00:47:38,720

and various people are reporting things

1140

00:47:44,630 --> 00:47:39,680

like

1141

00:47:47,829 --> 00:47:44,640

uh 138 000 votes

1142

00:47:51,910 --> 00:47:47,839

got added to wisconsin overnight

1143

00:47:53,030 --> 00:47:51,920

and those 138 000 votes were all biden

1144

00:47:55,829 --> 00:47:53,040

um

1145

00:47:57,430 --> 00:47:55,839

i haven't seen evidence of that or i

1146

00:47:59,990 --> 00:47:57,440

haven't looked into it enough to check

1147

00:48:03,589 --> 00:48:00,000

that one but there's another one for you

1148

00:48:05,510 --> 00:48:03,599

that uh there they suddenly find 150 000

1149

00:48:06,470 --> 00:48:05,520

ballots and every single one of them was

1150

00:48:10,150 --> 00:48:06,480

for

1151

00:48:12,230 --> 00:48:10,160

and that's statistically and

1152

00:48:15,510 --> 00:48:12,240

mathematically impossible

1153

00:48:19,349 --> 00:48:15,520

um yeah so that's another thing that

1154

00:48:23,190 --> 00:48:21,349

yes sixes design says i think a majority

1155

00:48:29,190 --> 00:48:23,200

of social media platforms certainly have

1156

00:48:33,349 --> 00:48:31,349

brag magic says biden just needs nevada

1157

00:48:35,589 --> 00:48:33,359

and that's it and he's leading there

1158

00:48:37,030 --> 00:48:35,599

yeah he's i i don't i don't understand

1159

00:48:38,870 --> 00:48:37,040

how it works what happens if both of

1160

00:48:41,430 --> 00:48:38,880

them get past 270

1161

00:48:42,150 --> 00:48:41,440

can they i don't know i don't think so

1162

00:48:44,790 --> 00:48:42,160

yeah i think

1163

00:48:46,549 --> 00:48:44,800

uh one would be at like 268 or something

1164

00:48:48,390 --> 00:48:46,559

even if they were like really neck and

1165

00:48:50,790 --> 00:48:48,400

neck i think it's designed so that

1166

00:48:53,190 --> 00:48:50,800

both can't get to that threshold so the

1167

00:48:55,589 --> 00:48:53,200

first to get there wins preg magic

1168

00:48:57,190 --> 00:48:55,599

and i got to tell you i'm really no fan

1169

00:49:00,630 --> 00:48:57,200

of donald trump but i'm really

1170

00:49:02,630 --> 00:49:00,640

uh well i gotta say this i like

1171

00:49:04,950 --> 00:49:02,640

the guys entertaining right but do i

1172

00:49:07,109 --> 00:49:04,960

want that kind of guy running the whole

1173

00:49:09,270 --> 00:49:07,119

[h__h] show not really

1174

00:49:11,270 --> 00:49:09,280

um i like that he's entertaining i like

1175

00:49:13,349 --> 00:49:11,280

that he had balls to stand up to the

1176

00:49:13,829 --> 00:49:13,359

media and stand up to the tech giants

1177

00:49:16,950 --> 00:49:13,839

instead

1178

00:49:19,109 --> 00:49:16,960

you know at least i admire the guys got

1179

00:49:20,870 --> 00:49:19,119

more balls than we usually get in our

1180

00:49:23,750 --> 00:49:20,880

average normally

1181

00:49:26,150 --> 00:49:23,760

politicians you know politicians they're

1182

00:49:29,270 --> 00:49:26,160

very measured

1183

00:49:32,950 --> 00:49:29,280

they're very like rehearsed they don't

1184

00:49:34,549 --> 00:49:32,960

generally uh do controversial things or

1185

00:49:37,190 --> 00:49:34,559

stand up to

1186

00:49:37,750 --> 00:49:37,200

you know they they politics they don't

1187

00:49:41,349 --> 00:49:37,760

you know

1188

00:49:43,510 --> 00:49:41,359

trump's just like uh he's like a

1189

00:49:44,630 --> 00:49:43,520

bull in a china shop compared to a

1190

00:49:47,990 --> 00:49:44,640

normal

1191

00:49:49,829 --> 00:49:48,000

so what i was saying i'm not a big fan i

1192

00:49:53,190 --> 00:49:49,839

like some of the things that he has done

1193

00:49:55,510 --> 00:49:53,200

or tried to do uh even though i think

1194

00:49:56,829 --> 00:49:55,520

like from a personal standpoint like

1195

00:49:59,589 --> 00:49:56,839

he's just terrible

1196

00:50:00,470 --> 00:49:59,599

like i don't understand how he says some

1197

00:50:02,230 --> 00:50:00,480

of the [h__h] that he

1198

00:50:04,549 --> 00:50:02,240

has said over the last four years or

1199

00:50:06,790 --> 00:50:04,559

even during the campaign or whatever

1200

00:50:07,750 --> 00:50:06,800

but uh oh i'm getting off in the weeds

1201

00:50:10,950 --> 00:50:07,760

i'm

1202

00:50:13,670 --> 00:50:10,960

i really am not looking forward to

1203

00:50:14,069 --> 00:50:13,680

joe biden running our country i hope

1204

00:50:19,030 --> 00:50:14,079

that

1205

00:50:21,589 --> 00:50:19,040

i've seen him stumble on his words and

1206

00:50:24,630 --> 00:50:21,599

not even be able to speak effectively

1207

00:50:26,230 --> 00:50:24,640

maybe he's just you know he did have a

1208

00:50:28,710 --> 00:50:26,240

speech impediment growing up and

1209

00:50:30,870 --> 00:50:28,720

that's another thing some of these

1210

00:50:31,589 --> 00:50:30,880

people that are out there sharing videos

1211

00:50:34,309 --> 00:50:31,599

of him

1212

00:50:35,589 --> 00:50:34,319

stumbling over his words don't realize

1213

00:50:37,910 --> 00:50:35,599

it but they're making fun of a

1214

00:50:39,430 --> 00:50:37,920

disability that he has

1215

00:50:41,349 --> 00:50:39,440

it's all well and good to make fun of

1216

00:50:44,069 --> 00:50:41,359

the guy you know

1217

00:50:45,190 --> 00:50:44,079

because he really i mean there's videos

1218

00:50:46,870 --> 00:50:45,200

out there and i'm sure you guys have

1219

00:50:48,390 --> 00:50:46,880

seen some where he really

1220

00:50:51,030 --> 00:50:48,400

really you can't understand what he's

1221

00:50:52,870 --> 00:50:51,040

saying he stuttered as a child

1222

00:50:54,069 --> 00:50:52,880

and when they when a stutterer gets

1223

00:50:56,390 --> 00:50:54,079

nervous

1224

00:50:57,109 --> 00:50:56,400

yeah that's going to happen so these

1225

00:51:00,230 --> 00:50:57,119

people

1226

00:51:01,430 --> 00:51:00,240

that are rejoicing at his uh sort of

1227

00:51:03,750 --> 00:51:01,440

missteps

1228

00:51:04,470 --> 00:51:03,760

or sort of miscommunication or you know

1229

00:51:08,150 --> 00:51:04,480

problems

1230

00:51:09,430 --> 00:51:08,160

communicating effectively aren't

1231

00:51:11,190 --> 00:51:09,440

maybe they're not thinking about the

1232

00:51:12,069 --> 00:51:11,200

fact that he had a bad stutter when he

1233

00:51:13,829 --> 00:51:12,079

was a kid

1234

00:51:15,510 --> 00:51:13,839

and it took him a long time to outgrow

1235

00:51:18,230 --> 00:51:15,520

that and get over it

1236

00:51:20,549 --> 00:51:18,240

and uh but ask anybody that has had a

1237

00:51:23,829 --> 00:51:20,559

bad stuttering problem it resurfaces

1238

00:51:25,270 --> 00:51:23,839

in times of stress and uh so anyway i

1239

00:51:26,549 --> 00:51:25,280

just want to mention anybody sharing

1240

00:51:27,750 --> 00:51:26,559

that stuff about him

1241

00:51:29,750 --> 00:51:27,760

you're kind of making fun of a

1242

00:51:30,950 --> 00:51:29,760

disability and that's not that's not a

1243

00:51:33,349 --> 00:51:30,960

cool thing to do

1244

00:51:34,390 --> 00:51:33,359

but my point about biden is i i truly

1245

00:51:36,230 --> 00:51:34,400

believe that he's

1246

00:51:38,069 --> 00:51:36,240

sort of just the establishment

1247

00:51:40,230 --> 00:51:38,079

politician he's in the pocket of all the

1248

00:51:41,589 --> 00:51:40,240

corporations all the tech giants

1249

00:51:43,190 --> 00:51:41,599

you think that he's going to do anything

1250

00:51:44,870 --> 00:51:43,200

about the censorship and the tech

1251

00:51:46,710 --> 00:51:44,880

giant's power to censor everybody

1252

00:51:47,990 --> 00:51:46,720

no he's going to encourage it because

1253

00:51:51,030 --> 00:51:48,000

they helped him

1254

00:51:53,750 --> 00:51:51,040

you know get in essentially and they

1255

00:51:57,030 --> 00:51:53,760

contributed greatly to his campaign

1256

00:51:58,630 --> 00:51:57,040

at least not that i have heard um

1257

00:52:01,270 --> 00:51:58,640

i think it would be shocking and we

1258

00:52:04,309 --> 00:52:01,280

might do a whole show just to go through

1259

00:52:05,349 --> 00:52:04,319

uh joe biden's campaign contributions

1260

00:52:07,190 --> 00:52:05,359

and the super pac

1261

00:52:08,470 --> 00:52:07,200

and where all the money that was funding

1262

00:52:11,430 --> 00:52:08,480

fighting came from

1263

00:52:12,710 --> 00:52:11,440

he did outspend trump i is it two to one

1264

00:52:15,990 --> 00:52:12,720

or maybe three to one

1265

00:52:18,710 --> 00:52:17,190

uh so yeah it's going to be an

1266

00:52:20,390 --> 00:52:18,720

interesting couple of days it looks like

1267

00:52:21,430 --> 00:52:20,400

we're not getting an answer about this

1268

00:52:24,790 --> 00:52:21,440

election

1269

00:52:26,710 --> 00:52:24,800

unless if by if biden decisively wins

1270

00:52:29,190 --> 00:52:26,720

nevada then i guess it's over

1271

00:52:30,950 --> 00:52:29,200

well this part's over and then trump's

1272

00:52:32,870 --> 00:52:30,960

going to start suing everybody demanding

1273

00:52:34,270 --> 00:52:32,880

recounts in every state where it's close

1274

00:52:38,069 --> 00:52:34,280

at all

1275

00:52:42,950 --> 00:52:41,270

yeah i just uh biden probably a touchy

1276
00:52:45,109 --> 00:52:42,960
feely guy especially the kids but trump

1277
00:52:47,829 --> 00:52:45,119
lies 24 7. so i guess that's our choices

1278
00:52:50,390 --> 00:52:47,839
and not necessarily our choices of dnc

1279
00:52:51,430 --> 00:52:50,400
and rnc chose for us yeah i agree with

1280
00:52:53,910 --> 00:52:51,440
you

1281
00:52:54,630 --> 00:52:53,920
they don't care that he had a stutter

1282
00:52:56,230 --> 00:52:54,640
they know

1283
00:52:57,910 --> 00:52:56,240
just like trump mocked a reporter with

1284
00:53:01,270 --> 00:52:57,920
cerebral palsy it was their culture to

1285
00:53:05,430 --> 00:53:01,280
mock disability

1286
00:53:08,549 --> 00:53:05,440
well vanessa thor in fairness

1287
00:53:10,950 --> 00:53:08,559
uh when i first started hearing him

1288
00:53:12,230 --> 00:53:10,960

with these when i first started hearing

1289

00:53:14,870 --> 00:53:12,240

him not being able to

1290

00:53:16,150 --> 00:53:14,880

coherently get a thought out i sort of

1291

00:53:18,549 --> 00:53:16,160

bought into that like

1292

00:53:19,750 --> 00:53:18,559

guy's probably seen i was like 85 you

1293

00:53:22,309 --> 00:53:19,760

know and uh

1294

00:53:23,510 --> 00:53:22,319

he's just not very sharp and then even

1295

00:53:26,549 --> 00:53:23,520

really julia

1296

00:53:29,750 --> 00:53:26,559

rudy giuliani had a guy that was like

1297

00:53:31,750 --> 00:53:29,760

a neurologist on his show that basically

1298

00:53:33,270 --> 00:53:31,760

said yeah it looks like on site of

1299

00:53:36,390 --> 00:53:33,280

dementia you know

1300

00:53:38,309 --> 00:53:36,400

yeah and then and then i heard

1301

00:53:39,829 --> 00:53:38,319

about his stuttering issues and read

1302

00:53:41,349 --> 00:53:39,839

about that

1303

00:53:43,030 --> 00:53:41,359

and that sort of touched me and changed

1304

00:53:44,870 --> 00:53:43,040

my mind and said like

1305

00:53:47,030 --> 00:53:44,880

you know a lot of people have

1306

00:53:49,829 --> 00:53:47,040

disabilities or issues

1307

00:53:51,349 --> 00:53:49,839

and the fact that they were using if

1308

00:53:53,430 --> 00:53:51,359

that's if that's the case

1309

00:53:54,870 --> 00:53:53,440

that they knew that he had a disability

1310

00:53:56,630 --> 00:53:54,880

and they had a stutter and they're still

1311

00:53:58,390 --> 00:53:56,640

saying no see he's senile then they're

1312

00:54:00,870 --> 00:53:58,400

using the guy's disability against him

1313

00:54:04,150 --> 00:54:00,880

to their own advantage in their own ends

1314

00:54:06,069 --> 00:54:04,160

and maybe he's not senile he seemed

1315

00:54:07,030 --> 00:54:06,079

pretty lucid in those debates and he

1316

00:54:10,150 --> 00:54:07,040

seemed

1317

00:54:11,750 --> 00:54:10,160

pretty good speaking in the last couple

1318

00:54:13,430 --> 00:54:11,760

of times that i've seen him like he's

1319

00:54:15,430 --> 00:54:13,440

improving maybe he's coming into his

1320

00:54:18,150 --> 00:54:15,440

stride or something i don't know

1321

00:54:19,829 --> 00:54:18,160

but you know using a guy's disability

1322

00:54:20,390 --> 00:54:19,839

against him like that for political

1323

00:54:23,510 --> 00:54:20,400

reasons

1324

00:54:25,109 --> 00:54:23,520

is shitty thing to do uh again i'm

1325

00:54:28,230 --> 00:54:25,119

getting off in the weeds so i

1326
00:54:31,349 --> 00:54:28,240
am not happy either way this goes i

1327
00:54:33,910 --> 00:54:31,359
think both of them not ideal choices

1328
00:54:35,510 --> 00:54:33,920
and i'm scared of what america is

1329
00:54:38,789 --> 00:54:35,520
probably because we've all been

1330
00:54:42,230 --> 00:54:38,799
fed spoon-fed porn from the right

1331
00:54:44,309 --> 00:54:42,240
for a year now about you know

1332
00:54:46,150 --> 00:54:44,319
if biden gets elected the economy is

1333
00:54:48,390 --> 00:54:46,160
going to crash and

1334
00:54:50,150 --> 00:54:48,400
you know it's not even he's he's a

1335
00:54:51,109 --> 00:54:50,160
puppet and it's really a corporation's

1336
00:54:53,829 --> 00:54:51,119
controlling him

1337
00:54:54,710 --> 00:54:53,839
i don't know what's true and what's just

1338
00:54:56,950 --> 00:54:54,720

propaganda

1339

00:54:58,950 --> 00:54:56,960

at this point but i will say this i'm

1340

00:55:01,270 --> 00:54:58,960

looking forward to disconnecting

1341

00:55:03,589 --> 00:55:01,280

from this uh whole [h__h] show and going

1342

00:55:06,950 --> 00:55:03,599

back to the george carlin school

1343

00:55:09,750 --> 00:55:06,960

of politics which is don't get involved

1344

00:55:10,309 --> 00:55:09,760

just watch it from afar and laugh at it

1345

00:55:12,710 --> 00:55:10,319

it's

1346

00:55:14,710 --> 00:55:12,720

you know you get a ticket to the survey

1347

00:55:16,230 --> 00:55:14,720

get a ticket to the circus but don't

1348

00:55:17,829 --> 00:55:16,240

join the circus

1349

00:55:20,549 --> 00:55:17,839

that's that's what i'm going to go back

1350

00:55:21,349 --> 00:55:20,559

to because quite honestly i have better

1351

00:55:25,030 --> 00:55:21,359

things

1352

00:55:28,069 --> 00:55:25,040

uh to do uh and

1353

00:55:29,510 --> 00:55:28,079

i don't think it's beneficial for my

1354

00:55:32,230 --> 00:55:29,520

uh for those that don't know i have

1355

00:55:35,430 --> 00:55:32,240

anxiety issues there i said it

1356

00:55:37,349 --> 00:55:35,440

and uh and if i am

1357

00:55:39,670 --> 00:55:37,359

well actually vanessa thor reminded me

1358

00:55:41,109 --> 00:55:39,680

to shut the laptop off so thank you

1359

00:55:42,870 --> 00:55:41,119

and vanessa thor you want to watch the

1360

00:55:45,109 --> 00:55:42,880

beginning because i explained that

1361

00:55:47,270 --> 00:55:45,119

uh tweet and you are you are absolutely

1362

00:55:49,030 --> 00:55:47,280

right so that was my my copa

1363

00:55:51,030 --> 00:55:49,040

i think you were late so you missed it

1364

00:55:54,230 --> 00:55:51,040

you can rewind and see that

1365

00:55:56,630 --> 00:55:54,240

but back to if you have uh if you have

1366

00:55:59,430 --> 00:55:56,640

high anxiety or anxiety issues

1367

00:56:02,230 --> 00:55:59,440

constantly feeding your mind all of this

1368

00:56:03,589 --> 00:56:02,240

garbage is just going to heighten your

1369

00:56:07,349 --> 00:56:03,599

level of

1370

00:56:09,349 --> 00:56:07,359

unrest or uneasiness uh or anxiety

1371

00:56:11,750 --> 00:56:09,359

and it's not going to be beneficial for

1372

00:56:20,230 --> 00:56:16,870

i mean imagine if i go uh

1373

00:56:23,270 --> 00:56:20,240

look i can i can watch uh an hour

1374

00:56:26,549 --> 00:56:23,280

i can watch two hours of uh of all of

1375

00:56:33,190 --> 00:56:30,950

chaos for two hours uh where i can take

1376
00:56:36,390 --> 00:56:33,200
my son to the playground for two hours

1377
00:56:38,230 --> 00:56:36,400
so i'm gonna try to uh just i'm gonna

1378
00:56:41,750 --> 00:56:38,240
turn this [h__h] off because

1379
00:56:47,910 --> 00:56:44,789
we did a uh we did an

1380
00:56:50,230 --> 00:56:47,920
amazing like marathon on election night

1381
00:56:51,510 --> 00:56:50,240
and then i've been covering riots and

1382
00:56:54,390 --> 00:56:51,520
that's just

1383
00:56:55,030 --> 00:56:54,400
the mind virus friends i let the mind

1384
00:56:58,069 --> 00:56:55,040
virus

1385
00:57:00,150 --> 00:56:58,079
in so my advice besides

1386
00:57:01,670 --> 00:57:00,160
i just wanted to be sort of a quick one

1387
00:57:05,589 --> 00:57:01,680
and a warning of

1388
00:57:07,510 --> 00:57:05,599

this this flood this deluge of this

1389

00:57:09,829 --> 00:57:07,520

information is going to be coming at us

1390

00:57:10,789 --> 00:57:09,839

it's going to be bad probably the worst

1391

00:57:14,069 --> 00:57:10,799

we've ever seen

1392

00:57:15,270 --> 00:57:14,079

as both sides are really especially if

1393

00:57:17,270 --> 00:57:15,280

it's if it's

1394

00:57:18,470 --> 00:57:17,280

coming out as close as it appears to be

1395

00:57:20,309 --> 00:57:18,480

both sides are going to

1396

00:57:21,990 --> 00:57:20,319

maybe trying to convince us that they

1397

00:57:24,630 --> 00:57:22,000

won i mean this

1398

00:57:25,589 --> 00:57:24,640

they both declared victory already

1399

00:57:27,109 --> 00:57:25,599

basically

1400

00:57:29,030 --> 00:57:27,119

and now they're going to fight over who

1401
00:57:31,430 --> 00:57:29,040
the real winner is and this is going to

1402
00:57:34,150 --> 00:57:31,440
get bad

1403
00:57:35,510 --> 00:57:34,160
the second thing is i mentioned not

1404
00:57:39,030 --> 00:57:35,520
letting the mind virus

1405
00:57:41,990 --> 00:57:39,040
in for the past week or two i have been

1406
00:57:43,910 --> 00:57:42,000
slowly and steadily digesting a diet of

1407
00:57:47,270 --> 00:57:43,920
chaos anarchy rioting

1408
00:57:48,150 --> 00:57:47,280
looting violence in the streets physical

1409
00:57:51,349 --> 00:57:48,160
fights

1410
00:57:51,829 --> 00:57:51,359
uh police shooting people justified or

1411
00:57:54,870 --> 00:57:51,839
not

1412
00:57:58,390 --> 00:57:54,880
it's still horrific to watch uh

1413
00:58:01,430 --> 00:57:58,400

let's see yeah looting writing

1414

00:58:04,950 --> 00:58:01,440

anarchy arguments um

1415

00:58:08,470 --> 00:58:04,960

and all that negativity is a mind virus

1416

00:58:11,829 --> 00:58:08,480

and i'm gonna try to uh

1417

00:58:17,670 --> 00:58:11,839

i'm going to try to cure the mind virus

1418

00:58:19,990 --> 00:58:17,680

by uh by choking it off by choking

1419

00:58:21,030 --> 00:58:20,000

i'm going to stop it from having the

1420

00:58:23,670 --> 00:58:21,040

access

1421

00:58:25,430 --> 00:58:23,680

that has had for a while now i'm just

1422

00:58:28,230 --> 00:58:25,440

going to turn it off

1423

00:58:30,150 --> 00:58:28,240

and uh if there's something really major

1424

00:58:32,230 --> 00:58:30,160

going on that i need to know about in

1425

00:58:35,349 --> 00:58:32,240

in all this situation somebody will let

1426

00:58:37,510 --> 00:58:35,359

me know right

1427

00:58:39,190 --> 00:58:37,520

uh but you know i'm going to get back to

1428

00:58:41,990 --> 00:58:39,200

some other things and just

1429

00:58:43,349 --> 00:58:42,000

disconnect myself as much as possible

1430

00:58:45,109 --> 00:58:43,359

and the good news is i'm going to the

1431

00:58:47,270 --> 00:58:45,119

cabin tomorrow and that's the best place

1432

00:58:49,670 --> 00:58:47,280

to disconnect from all this nonsense

1433

00:58:50,950 --> 00:58:49,680

we'll be out in nature and uh i'll be

1434

00:58:54,950 --> 00:58:50,960

building stuff too

1435

00:58:57,510 --> 00:58:54,960

so uh so we're gonna take uh

1436

00:58:59,589 --> 00:58:57,520

we're gonna take comments questions

1437

00:59:04,630 --> 00:58:59,599

whatever from the live chat i'll turn my

1438

00:59:06,390 --> 00:59:04,640

total attention to the live chat

1439

00:59:08,230 --> 00:59:06,400

and i did give shout outs but i don't

1440

00:59:09,510 --> 00:59:08,240

believe that i shouted out prank magic

1441

00:59:12,789 --> 00:59:09,520

mark tarana

1442

00:59:15,030 --> 00:59:12,799

a bunch more people came in

1443

00:59:16,150 --> 00:59:15,040

and we did mention blind dave crypto

1444

00:59:19,829 --> 00:59:16,160

vanessa thor

1445

00:59:22,309 --> 00:59:19,839

shout out uh jay crypto minded

1446

00:59:23,109 --> 00:59:22,319

shout out and charles unleash shout out

1447

00:59:25,910 --> 00:59:23,119

to charles

1448

00:59:26,710 --> 00:59:25,920

unleashed so yeah uh and for those that

1449

00:59:28,069 --> 00:59:26,720

have been asking

1450

00:59:29,990 --> 00:59:28,079

the other thing is that i just want to

1451

00:59:32,069 --> 00:59:30,000

get back to uh sort of strange and

1452

00:59:34,549 --> 00:59:32,079

mysterious subjects and

1453

00:59:35,109 --> 00:59:34,559

and i want to leave the real world alone

1454

00:59:36,789 --> 00:59:35,119

uh

1455

00:59:38,150 --> 00:59:36,799

they i did cover these philadelphia

1456

00:59:39,990 --> 00:59:38,160

riots because i had such a personal

1457

00:59:40,390 --> 00:59:40,000

connection to them i felt like i had to

1458

00:59:44,230 --> 00:59:40,400

i

1459

00:59:46,789 --> 00:59:44,240

the walmart that a thousand people

1460

00:59:49,030 --> 00:59:46,799

looted and i know some of the business

1461

00:59:51,910 --> 00:59:49,040

owners there and uh

1462

00:59:52,870 --> 00:59:51,920

you know had this incredible connection

1463

00:59:54,789 --> 00:59:52,880

to that story

1464

00:59:56,710 --> 00:59:54,799

and i wasn't seeing it anywhere i wasn't

1465

00:59:57,990 --> 00:59:56,720

seeing it anywhere not even on the local

1466

00:59:59,910 --> 00:59:58,000

philadelphia news

1467

01:00:02,470 --> 00:59:59,920

channels nobody was showing what was

1468

01:00:05,750 --> 01:00:02,480

happening so i felt like i had to do it

1469

01:00:07,670 --> 01:00:05,760

um but like i said this

1470

01:00:10,150 --> 01:00:07,680

that's not my wheelhouse and people come

1471

01:00:12,150 --> 01:00:10,160

here to escape reality right

1472

01:00:14,549 --> 01:00:12,160

people don't come here to uh hear about

1473

01:00:16,789 --> 01:00:14,559

the horror show that is our reality

1474

01:00:18,069 --> 01:00:16,799

people want an escape and i'm gonna try

1475

01:00:21,510 --> 01:00:18,079

harder to just

1476

01:00:22,950 --> 01:00:21,520

give them one um trying to get off of

1477

01:00:25,990 --> 01:00:22,960

this

1478

01:00:26,470 --> 01:00:26,000

covering reality uh but again tonight i

1479

01:00:28,789 --> 01:00:26,480

thought

1480

01:00:30,549 --> 01:00:28,799

you know is one of those examples like

1481

01:00:32,309 --> 01:00:30,559

maybe we should just talk about all this

1482

01:00:33,430 --> 01:00:32,319

misinformation that's out there and all

1483

01:00:35,670 --> 01:00:33,440

of this stuff

1484

01:00:37,829 --> 01:00:35,680

that's going on right now because i

1485

01:00:38,950 --> 01:00:37,839

think a lot of people are under heavy

1486

01:00:40,710 --> 01:00:38,960

loads of stress

1487

01:00:41,990 --> 01:00:40,720

between a lot of people losing their

1488

01:00:45,030 --> 01:00:42,000

incomes covered

1489

01:00:47,030 --> 01:00:45,040

stress um you know by the way i

1490

01:00:48,069 --> 01:00:47,040

just wanted to mention that kovitz

1491

01:00:50,150 --> 01:00:48,079

really hitting home

1492

01:00:52,789 --> 01:00:50,160

with my family right now my wife right

1493

01:00:57,589 --> 01:00:55,349

her sister has coveted and was rushed to

1494

01:00:59,349 --> 01:00:57,599

the emergency room last night actually

1495

01:01:01,109 --> 01:00:59,359

she's doing much better now getting

1496

01:01:02,390 --> 01:01:01,119

treatment but turns out that she had

1497

01:01:04,390 --> 01:01:02,400

double pneumonia

1498

01:01:05,670 --> 01:01:04,400

along with the covet or maybe caused by

1499

01:01:10,230 --> 01:01:05,680

the covid

1500

01:01:13,030 --> 01:01:10,240

um in a very high fever and so

1501
01:01:13,990 --> 01:01:13,040
then her other sister got it from the

1502
01:01:15,190 --> 01:01:14,000
first sister

1503
01:01:16,870 --> 01:01:15,200
you know they all live with my

1504
01:01:18,950 --> 01:01:16,880
mother-in-law or they're always at my

1505
01:01:22,150 --> 01:01:18,960
mother-in-law's house too

1506
01:01:25,910 --> 01:01:22,160
and then my sister in law

1507
01:01:31,990 --> 01:01:29,430
the her one sister's husband also

1508
01:01:32,950 --> 01:01:32,000
got covered so that's four people in my

1509
01:01:36,230 --> 01:01:32,960
family

1510
01:01:38,549 --> 01:01:36,240
that all have it uh and uh

1511
01:01:39,510 --> 01:01:38,559
interestingly uh it's just the way

1512
01:01:41,829 --> 01:01:39,520
things work out

1513
01:01:43,190 --> 01:01:41,839

my wife and we were having a halloween

1514

01:01:46,390 --> 01:01:43,200

party here

1515

01:01:48,309 --> 01:01:46,400

and then like a wee like five days

1516

01:01:50,870 --> 01:01:48,319

before the halloween party

1517

01:01:53,910 --> 01:01:50,880

her sister you know and they all live in

1518

01:01:55,990 --> 01:01:53,920

the same house tested positive for covid

1519

01:01:58,150 --> 01:01:56,000

and they were all coming over here so

1520

01:01:59,430 --> 01:01:58,160

you know we kind of narrowly avoided a

1521

01:02:02,069 --> 01:01:59,440

super spreader event

1522

01:02:03,109 --> 01:02:02,079

because even just being over there one

1523

01:02:05,510 --> 01:02:03,119

person got four

1524

01:02:06,150 --> 01:02:05,520

infected and we were going to have a

1525

01:02:08,870 --> 01:02:06,160

bunch of

1526
01:02:10,710 --> 01:02:08,880
my wife has a huge family she has six

1527
01:02:12,630 --> 01:02:10,720
brothers and sisters and they all have

1528
01:02:14,390 --> 01:02:12,640
husbands and children and you know

1529
01:02:15,750 --> 01:02:14,400
we were going to do this halloween party

1530
01:02:17,750 --> 01:02:15,760
didn't work out

1531
01:02:19,029 --> 01:02:17,760
uh so back to my point that we're all

1532
01:02:22,390 --> 01:02:19,039
under all this stress

1533
01:02:24,309 --> 01:02:22,400
covet stress financial stress and this

1534
01:02:26,870 --> 01:02:24,319
mind storm that's coming at us

1535
01:02:28,230 --> 01:02:26,880
is just for me it's too much and

1536
01:02:32,549 --> 01:02:28,240
something's gotta

1537
01:02:34,390 --> 01:02:32,559
turn off the covet stress

1538
01:02:35,910 --> 01:02:34,400

these are my family members and i care

1539

01:02:38,390 --> 01:02:35,920

about them and by the way

1540

01:02:40,630 --> 01:02:38,400

you know if anybody's the praying type

1541

01:02:43,109 --> 01:02:40,640

we'd appreciate those prayers

1542

01:02:44,470 --> 01:02:43,119

meditations good thoughts positive vibes

1543

01:02:48,150 --> 01:02:44,480

healing energies

1544

01:02:51,349 --> 01:02:48,160

but i can't turn the covet off right

1545

01:02:54,309 --> 01:02:51,359

and i i'm doing my best to

1546

01:02:56,950 --> 01:02:54,319

uh start trying to recover from what was

1547

01:03:00,230 --> 01:02:56,960

essentially a financial disaster for my

1548

01:03:03,190 --> 01:03:00,240

uh company when covet hit no

1549

01:03:03,990 --> 01:03:03,200

virtually no income from that for eight

1550

01:03:07,029 --> 01:03:04,000

we're going on

1551

01:03:09,029 --> 01:03:07,039

10 months now i think um

1552

01:03:10,710 --> 01:03:09,039

so i can't really shut off the financial

1553

01:03:13,430 --> 01:03:10,720

stress but i can

1554

01:03:14,950 --> 01:03:13,440

shut off the uh the media internet

1555

01:03:16,710 --> 01:03:14,960

stress i think

1556

01:03:18,390 --> 01:03:16,720

for the most part i'm still going to

1557

01:03:19,910 --> 01:03:18,400

come here and be with you guys

1558

01:03:21,990 --> 01:03:19,920

i'm still going to use the internet to

1559

01:03:23,829 --> 01:03:22,000

research things but

1560

01:03:25,910 --> 01:03:23,839

i really want to check out a reality for

1561

01:03:27,750 --> 01:03:25,920

a while and i think that's healthy i

1562

01:03:32,150 --> 01:03:27,760

don't think that's uh

1563

01:03:34,630 --> 01:03:32,160

escapism too much right to be

1564

01:03:36,309 --> 01:03:34,640

like especially recognizing i just sort

1565

01:03:38,309 --> 01:03:36,319

of recognize there's way too much stress

1566

01:03:40,309 --> 01:03:38,319

no wonder i have anxiety i get coveted

1567

01:03:42,470 --> 01:03:40,319

stress i got financial stress

1568

01:03:43,349 --> 01:03:42,480

never get this election stress and it's

1569

01:03:47,589 --> 01:03:43,359

like

1570

01:03:51,750 --> 01:03:47,599

us all

1571

01:03:52,630 --> 01:03:51,760

anxiety like we're going to draw this

1572

01:03:53,910 --> 01:03:52,640

[h__\h] out

1573

01:03:55,190 --> 01:03:53,920

used to be we would just count

1574

01:03:57,190 --> 01:03:55,200

everything on election night and it

1575

01:03:59,029 --> 01:03:57,200

might be 2 a.m until you knew who won

1576

01:04:01,270 --> 01:03:59,039

but it would be over

1577

01:04:02,950 --> 01:04:01,280

not this year this is the perfect

1578

01:04:03,910 --> 01:04:02,960

election for kobe we're going to drag

1579

01:04:11,029 --> 01:04:03,920

this [h__h] out for

1580

01:04:14,789 --> 01:04:12,789

yeah that's another thing prank magic i

1581

01:04:17,589 --> 01:04:14,799

imagine covering charlatans all the time

1582

01:04:19,349 --> 01:04:17,599

has its own troubles mentally yeah and

1583

01:04:21,990 --> 01:04:19,359

uh

1584

01:04:23,750 --> 01:04:22,000

yeah i like doing that though sometimes

1585

01:04:25,589 --> 01:04:23,760

and i like the gotcha i can't lie

1586

01:04:27,510 --> 01:04:25,599

i love the gotcha moments if there's a

1587

01:04:29,109 --> 01:04:27,520

good gotcha moment i love it and i feel

1588

01:04:30,470 --> 01:04:29,119

like it's a public service and somebody

1589

01:04:33,510 --> 01:04:30,480

has to do it

1590

01:04:38,069 --> 01:04:33,520

uh we'll probably continue that but yeah

1591

01:04:41,109 --> 01:04:40,390

mario says just make friends with an

1592

01:04:43,750 --> 01:04:41,119

airplane

1593

01:04:44,710 --> 01:04:43,760

talk him her into flying you somewhere

1594

01:04:48,309 --> 01:04:44,720

that's a good idea

1595

01:04:50,150 --> 01:04:48,319

yo mario heat i'm not kidding you i uh

1596

01:04:52,230 --> 01:04:50,160

i haven't ordered it yet but i found it

1597

01:04:54,230 --> 01:04:52,240

i found a toy airplane

1598

01:04:55,829 --> 01:04:54,240

and a crucifix that looks a lot like

1599

01:04:59,829 --> 01:04:55,839

that one so

1600

01:05:04,710 --> 01:04:59,839

we'll see we may be doing a box of

1601
01:05:08,950 --> 01:05:07,029
i have a food your burnout dude have a

1602
01:05:09,829 --> 01:05:08,960
food fight with the mini stevens fun

1603
01:05:13,670 --> 01:05:09,839
stuff yeah

1604
01:05:14,870 --> 01:05:13,680
absolutely yeah pragmatic says gotcha

1605
01:05:16,870 --> 01:05:14,880
gambian

1606
01:05:18,549 --> 01:05:16,880
yeah you know you know the other thing

1607
01:05:20,150 --> 01:05:18,559
is like uh

1608
01:05:21,670 --> 01:05:20,160
it's true i've heard other content

1609
01:05:24,230 --> 01:05:21,680
creators talk about this if i

1610
01:05:25,829 --> 01:05:24,240
prank magic if i do a show and i'm

1611
01:05:28,789 --> 01:05:25,839
talking [h__\h] about somebody

1612
01:05:30,230 --> 01:05:28,799
the numbers are like double of when i'm

1613
01:05:33,190 --> 01:05:30,240

doing a show that's like

1614

01:05:35,109 --> 01:05:33,200

on we did a show on stargazing rock for

1615

01:05:38,069 --> 01:05:35,119

example and like we researched

1616

01:05:45,510 --> 01:05:38,079

is this real is this fake half the

1617

01:05:49,670 --> 01:05:47,349

yeah it sure does prac you have to take

1618

01:05:52,549 --> 01:05:49,680

a break when it becomes too much

1619

01:05:53,270 --> 01:05:52,559

yeah and you know what else is like uh i

1620

01:05:55,910 --> 01:05:53,280

used to

1621

01:05:57,670 --> 01:05:55,920

when i had a real job like a day when i

1622

01:06:01,029 --> 01:05:57,680

worked for somebody else beforehand

1623

01:06:03,750 --> 01:06:01,039

my own company you know i went to work

1624

01:06:04,309 --> 01:06:03,760

and then i came home and i was done and

1625

01:06:05,990 --> 01:06:04,319

i left

1626

01:06:07,670 --> 01:06:06,000

everything i really could i could leave

1627

01:06:08,549 --> 01:06:07,680

everything at work whenever i didn't get

1628

01:06:11,589 --> 01:06:08,559

done

1629

01:06:12,710 --> 01:06:11,599

i'll do it tomorrow uh whatever uh but

1630

01:06:14,710 --> 01:06:12,720

when you have your own business it's

1631

01:06:19,829 --> 01:06:14,720

like

1632

01:06:21,910 --> 01:06:19,839

trying to start new projects bring some

1633

01:06:24,390 --> 01:06:21,920

money in and then like yeah

1634

01:06:26,309 --> 01:06:24,400

it's getting crazy here what gives me

1635

01:06:28,150 --> 01:06:26,319

anxiety now is there armed white people

1636

01:06:28,870 --> 01:06:28,160

trying to storm voter counting stations

1637

01:06:35,589 --> 01:06:28,880

as we speak

1638

01:06:39,670 --> 01:06:37,270

oh yeah i saw a little bit of that i saw

1639

01:06:41,349 --> 01:06:39,680

crowds gathered shouting stop the vote

1640

01:06:43,430 --> 01:06:41,359

which to me is like yeah you want

1641

01:06:43,910 --> 01:06:43,440

democracy do you want a fair election

1642

01:06:49,109 --> 01:06:43,920

and you're

1643

01:06:53,750 --> 01:06:51,510

yeah we we talked about this on twitter

1644

01:06:55,750 --> 01:06:53,760

vanessa thor says mario heath that photo

1645

01:06:58,950 --> 01:06:55,760

is the greatest ever

1646

01:07:00,870 --> 01:06:58,960

yeah mary

1647

01:07:02,870 --> 01:07:00,880

we need to make a guided jesus riding an

1648

01:07:04,549 --> 01:07:02,880

airplane meditation live

1649

01:07:07,029 --> 01:07:04,559

oh that's another thing i just wanted to

1650

01:07:09,430 --> 01:07:07,039

bring up

1651

01:07:11,349 --> 01:07:09,440

not to take a victory lap but i will uh

1652

01:07:13,510 --> 01:07:11,359

we covered david wilcock

1653

01:07:15,109 --> 01:07:13,520

we you can see the show it's a previous

1654

01:07:17,430 --> 01:07:15,119

show of ours and it's just called let's

1655

01:07:19,270 --> 01:07:17,440

laugh at david wilcox live stream

1656

01:07:22,390 --> 01:07:19,280

and in the live stream david wilcock

1657

01:07:25,190 --> 01:07:22,400

predicted a donald trump landslide

1658

01:07:26,150 --> 01:07:25,200

uh that didn't happen so once again

1659

01:07:28,710 --> 01:07:26,160

david wilcock

1660

01:07:30,069 --> 01:07:28,720

can suck a dick because he's the world's

1661

01:07:32,630 --> 01:07:30,079

worst psychic

1662

01:07:33,910 --> 01:07:32,640

every prediction this guy makes nothing

1663

01:07:36,710 --> 01:07:33,920

ever happens with it

1664

01:07:37,270 --> 01:07:36,720

nothing comes true he's a if he's a

1665

01:07:40,630 --> 01:07:37,280

psychic

1666

01:07:44,069 --> 01:07:40,640

he's batting

1667

01:07:46,150 --> 01:07:44,079

absolute zero the guy deleted thousands

1668

01:07:49,029 --> 01:07:46,160

of uh of predictions like this from his

1669

01:07:50,549 --> 01:07:49,039

original website ascension2000.com

1670

01:07:52,870 --> 01:07:50,559

try to scrub it from the internet but

1671

01:07:54,950 --> 01:07:52,880

you can still see it and laugh at it

1672

01:07:56,710 --> 01:07:54,960

courtesy of wayback machine

1673

01:07:58,230 --> 01:07:56,720

see all these predictions he made we're

1674

01:08:00,549 --> 01:07:58,240

all going to get light bodies in the

1675

01:08:02,470 --> 01:08:00,559

year 2000 and super powers none of that

1676
01:08:03,510 --> 01:08:02,480
[h__h] happened he predicted a trump

1677
01:08:05,990 --> 01:08:03,520
landslide

1678
01:08:06,950 --> 01:08:06,000
and i just got to say david wilcock i

1679
01:08:08,630 --> 01:08:06,960
told you this

1680
01:08:10,549 --> 01:08:08,640
when we covered your stream you're not

1681
01:08:11,589 --> 01:08:10,559
smart enough to get away with this [h__h]

1682
01:08:13,349 --> 01:08:11,599
anymore

1683
01:08:15,270 --> 01:08:13,359
people are starting to wake up people

1684
01:08:18,229 --> 01:08:15,280
are sick of this they go really

1685
01:08:23,269 --> 01:08:18,239
he's wrong again and they laugh at you

1686
01:08:23,279 --> 01:08:29,030
okay let's see

1687
01:08:32,550 --> 01:08:30,950
wait i missed this one success i shut my

1688
01:08:33,349 --> 01:08:32,560

whole channel down i left for i don't

1689

01:08:35,510 --> 01:08:33,359

know how long

1690

01:08:36,950 --> 01:08:35,520

didn't even check the internet once felt

1691

01:08:38,709 --> 01:08:36,960

so much better and cleared my mind a

1692

01:08:41,910 --> 01:08:38,719

whole lot totally worth it

1693

01:08:43,910 --> 01:08:41,920

yeah but you see my dilemma

1694

01:08:45,590 --> 01:08:43,920

six is designed i need the internet to

1695

01:08:48,309 --> 01:08:45,600

do this show

1696

01:08:48,709 --> 01:08:48,319

and i need to research things to do this

1697

01:08:50,390 --> 01:08:48,719

show

1698

01:08:52,390 --> 01:08:50,400

so i gotta be on it but what i'm

1699

01:08:53,990 --> 01:08:52,400

thinking is that i'm gonna just

1700

01:08:55,510 --> 01:08:54,000

i'm not gonna go on facebook i've said

1701

01:08:57,910 --> 01:08:55,520

this before but then i

1702

01:09:00,149 --> 01:08:57,920

i failed miserably what i'm gonna try to

1703

01:09:02,470 --> 01:09:00,159

do is not go on facebook and twitter

1704

01:09:08,309 --> 01:09:02,480

to do anything except post a show link

1705

01:09:11,349 --> 01:09:10,309

i am likely to do it again can't promise

1706

01:09:14,709 --> 01:09:11,359

i will be back though

1707

01:09:16,470 --> 01:09:14,719

this place is ridiculous yeah i i

1708

01:09:19,910 --> 01:09:16,480

you know that's like that famous saying

1709

01:09:23,189 --> 01:09:19,920

uh in 1992 the internet became

1710

01:09:26,229 --> 01:09:23,199

an escape from reality

1711

01:09:28,950 --> 01:09:26,239

in 2020 reality

1712

01:09:30,550 --> 01:09:28,960

is the escape from the internet i feel

1713

01:09:32,070 --> 01:09:30,560

better when i go out in nature and do

1714

01:09:35,990 --> 01:09:32,080

things in nature and just

1715

01:09:39,749 --> 01:09:36,000

put all this technology away for a day

1716

01:09:41,189 --> 01:09:39,759

you know which is why i'm a little upset

1717

01:09:42,390 --> 01:09:41,199

that there's internet at the cabin

1718

01:09:44,070 --> 01:09:42,400

because this

1719

01:09:45,590 --> 01:09:44,080

disconnecting myself would be much

1720

01:09:47,349 --> 01:09:45,600

easier like i'm going there tomorrow

1721

01:09:47,990 --> 01:09:47,359

that would be thursday friday saturday

1722

01:09:51,349 --> 01:09:48,000

sunday

1723

01:09:53,669 --> 01:09:51,359

with no internet

1724

01:09:55,510 --> 01:09:53,679

and you know uh even for people who love

1725

01:09:56,229 --> 01:09:55,520

the internet trust me four days with no

1726

01:09:59,350 --> 01:09:56,239

internet is

1727

01:10:02,310 --> 01:09:59,360

glorious it's wonderful you

1728

01:10:04,149 --> 01:10:02,320

you take some time you slow down

1729

01:10:05,030 --> 01:10:04,159

everything slows down you do what the

1730

01:10:09,110 --> 01:10:05,040

things that you need

1731

01:10:11,110 --> 01:10:09,120

to do and you just enjoy life without

1732

01:10:18,149 --> 01:10:11,120

the constant

1733

01:10:21,430 --> 01:10:19,990

yeah i don't monetize i don't make a

1734

01:10:23,110 --> 01:10:21,440

single penny on the net

1735

01:10:24,870 --> 01:10:23,120

but i can totally understand that people

1736

01:10:26,950 --> 01:10:24,880

do oh that reminds me

1737

01:10:28,630 --> 01:10:26,960

yeah we uh the only money that i'm

1738

01:10:32,390 --> 01:10:28,640

making right now is patreon

1739

01:10:34,709 --> 01:10:32,400

and and uh paypal donations and

1740

01:10:36,790 --> 01:10:34,719

i just wanted to give a shout out

1741

01:10:38,950 --> 01:10:36,800

because it's so funny we had the

1742

01:10:40,550 --> 01:10:38,960

we had the live show for the election

1743

01:10:43,350 --> 01:10:40,560

night coverage and we had

1744

01:10:49,990 --> 01:10:43,360

our drunk english correspondent i'm

1745

01:10:54,149 --> 01:10:53,270

ryan murphy richards and ryan morphy

1746

01:10:57,189 --> 01:10:54,159

richards

1747

01:11:00,630 --> 01:10:57,199

was really drunk

1748

01:11:02,470 --> 01:11:00,640

real drunk like to the point

1749

01:11:03,830 --> 01:11:02,480

where it was very he didn't mean to be

1750

01:11:05,189 --> 01:11:03,840

i'm sure he said it was his first time

1751

01:11:06,550 --> 01:11:05,199

ever on a stream but he was very

1752

01:11:08,070 --> 01:11:06,560

disruptive and everybody's telling me to

1753

01:11:09,750 --> 01:11:08,080

throw him out and i tried to keep him in

1754

01:11:12,630 --> 01:11:09,760

for as long as i could but eventually

1755

01:11:13,189 --> 01:11:12,640

we had to put him in timeout but to his

1756

01:11:15,189 --> 01:11:13,199

credit

1757

01:11:16,630 --> 01:11:15,199

ryan morphy richards sent us a seven

1758

01:11:19,590 --> 01:11:16,640

dollar donation

1759

01:11:20,229 --> 01:11:19,600

on that day uh probably because he was

1760

01:11:23,590 --> 01:11:20,239

drunk

1761

01:11:25,590 --> 01:11:23,600

send me money i'm all for it

1762

01:11:27,030 --> 01:11:25,600

but uh but thank you ryan murphy

1763

01:11:29,350 --> 01:11:27,040

richards

1764

01:11:31,990 --> 01:11:29,360

let me see if he if he uh he might have

1765

01:11:33,830 --> 01:11:32,000

wrote a note or something

1766

01:11:36,310 --> 01:11:33,840

no it's just support of the truth

1767

01:11:37,830 --> 01:11:36,320

seekers show so seven dollars total we

1768

01:11:39,270 --> 01:11:37,840

appreciate your kind and generous

1769

01:11:41,110 --> 01:11:39,280

donation

1770

01:11:42,790 --> 01:11:41,120

ryan murphy richards i'm sorry that we

1771

01:11:45,030 --> 01:11:42,800

timed you out and sort of

1772

01:11:46,550 --> 01:11:45,040

muted you and knocked you out but it was

1773

01:11:47,590 --> 01:11:46,560

getting crazy because he kept talking

1774

01:11:49,030 --> 01:11:47,600

over everybody

1775

01:11:50,630 --> 01:11:49,040

maybe there was a delay because he was

1776

01:11:52,830 --> 01:11:50,640

all the way in ireland too but i don't

1777

01:11:57,350 --> 01:11:52,840

think so

1778

01:12:01,030 --> 01:11:59,189

mark toronto it's simple just don't let

1779

01:12:03,189 --> 01:12:01,040

social media rule your life

1780

01:12:04,870 --> 01:12:03,199

yeah i think you're probably right and

1781

01:12:07,030 --> 01:12:04,880

six design always helping out

1782

01:12:08,070 --> 01:12:07,040

there's a link to my patreon that's a

1783

01:12:10,390 --> 01:12:08,080

dollar a month or

1784

01:12:11,270 --> 01:12:10,400

more and you get all the goodies uh this

1785

01:12:14,310 --> 01:12:11,280

month

1786

01:12:16,470 --> 01:12:14,320

everybody uh was i got a few messages

1787

01:12:17,510 --> 01:12:16,480

saying wow this is cool and i'm thankful

1788

01:12:20,870 --> 01:12:17,520

i put

1789

01:12:23,110 --> 01:12:20,880

there's the mind hack project as is a

1790

01:12:23,990 --> 01:12:23,120

big long audio file it's three hours and

1791

01:12:26,470 --> 01:12:24,000

20 minutes

1792

01:12:28,070 --> 01:12:26,480

at present and we mastered it and put it

1793

01:12:29,030 --> 01:12:28,080

on patreon for all the patreon

1794

01:12:30,870 --> 01:12:29,040

supporters

1795

01:12:33,189 --> 01:12:30,880

the only thing that's left is sort of a

1796

01:12:35,270 --> 01:12:33,199

small instructional book on how to use

1797

01:12:37,110 --> 01:12:35,280

the audio files most effectively because

1798

01:12:38,950 --> 01:12:37,120

they include binaural beats

1799

01:12:41,030 --> 01:12:38,960

hypnotic inductions motivational

1800

01:12:42,950 --> 01:12:41,040

speaking and a bunch of other stuff

1801

01:12:44,149 --> 01:12:42,960

so i gotta write a guide or it's you

1802

01:12:45,750 --> 01:12:44,159

know

1803

01:12:47,430 --> 01:12:45,760

it's gonna work much better if you read

1804

01:12:49,270 --> 01:12:47,440

a short guide first and then

1805

01:12:51,669 --> 01:12:49,280

you use the audio files but we gave the

1806

01:12:54,950 --> 01:12:51,679

audio files to the patreon supporters

1807

01:12:56,390 --> 01:12:54,960

also i did a stream uh that i wasn't

1808

01:12:56,870 --> 01:12:56,400

real proud of but everybody thought it

1809

01:13:02,790 --> 01:12:56,880

was

1810

01:13:04,470 --> 01:13:02,800

i put michael horn of the billy meyer

1811

01:13:06,470 --> 01:13:04,480

cult on blast

1812

01:13:07,910 --> 01:13:06,480

i think i had 10 or 12 beers before i

1813

01:13:11,270 --> 01:13:07,920

started the stream

1814

01:13:13,110 --> 01:13:11,280

and uh it did not go well from a show

1815

01:13:14,390 --> 01:13:13,120

host perspective but from an audience

1816

01:13:15,830 --> 01:13:14,400

perspective a lot of people thought it

1817

01:13:17,430 --> 01:13:15,840

was funny and we're like why'd you take

1818

01:13:18,950 --> 01:13:17,440

it down it was so funny

1819

01:13:21,350 --> 01:13:18,960

and i took it down because i was

1820

01:13:23,910 --> 01:13:21,360

swearing my words like a really bad

1821

01:13:25,270 --> 01:13:23,920

drunk and i didn't think that i should

1822

01:13:27,030 --> 01:13:25,280

leave it up publicly but

1823

01:13:29,910 --> 01:13:27,040

i didn't know what else to do with it so

1824

01:13:31,750 --> 01:13:29,920

you get my drum drunk stream on patreon

1825

01:13:33,189 --> 01:13:31,760

and then also we do an audio journal

1826

01:13:35,510 --> 01:13:33,199

every month just sort of behind the

1827

01:13:39,189 --> 01:13:35,520

scenes so that's what you get on patreon

1828

01:13:43,110 --> 01:13:41,110

oh yeah and listen don't anybody ever

1829

01:13:44,390 --> 01:13:43,120

feel obligated stephen if i had all my

1830

01:13:46,470 --> 01:13:44,400

money i would certainly toss you some

1831

01:13:48,390 --> 01:13:46,480

bucks i don't though and i don't foresee

1832

01:13:49,750 --> 01:13:48,400

ever will i don't trust that as it is i

1833

01:13:52,630 --> 01:13:49,760

don't know much

1834

01:13:53,990 --> 01:13:52,640

of what people can do it's success six

1835

01:13:56,149 --> 01:13:54,000

desire you're always helping me here

1836

01:13:58,950 --> 01:13:56,159

with the show posting links and uh

1837

01:14:00,390 --> 01:13:58,960

you know reminding me to to uh put the

1838

01:14:01,270 --> 01:14:00,400

begging bowl out and all these other

1839

01:14:03,350 --> 01:14:01,280

things

1840

01:14:04,790 --> 01:14:03,360

there's other ways to contribute like

1841

01:14:06,950 --> 01:14:04,800

comment and subscribe

1842

01:14:08,149 --> 01:14:06,960

everybody says that because it works you

1843

01:14:10,229 --> 01:14:08,159

gotta like you gotta

1844

01:14:11,830 --> 01:14:10,239

comment you gotta subscribe that will

1845

01:14:15,750 --> 01:14:11,840

cost you nothing

1846

01:14:19,910 --> 01:14:15,760

and uh and if you do that it really does

1847

01:14:22,709 --> 01:14:19,920

help the show uh help the show

1848

01:14:23,350 --> 01:14:22,719

greatly uh there's something about the

1849

01:14:26,470 --> 01:14:23,360

ai

1850

01:14:28,709 --> 01:14:26,480

god algorithms of youtube that like that

1851

01:14:30,229 --> 01:14:28,719

engagement so the more engagement that

1852

01:14:33,270 --> 01:14:30,239

each show of mine gets

1853

01:14:35,189 --> 01:14:33,280

the more we rise in the search engines

1854

01:14:39,430 --> 01:14:35,199

the more

1855

01:14:41,110 --> 01:14:39,440

seem to get it's really strange

1856

01:14:42,950 --> 01:14:41,120

uh how that i don't know how i'm a

1857

01:14:43,430 --> 01:14:42,960

computer guy and i don't know how these

1858

01:14:45,669 --> 01:14:43,440

ai

1859

01:14:47,910 --> 01:14:45,679

algorithms work i wish i did i would

1860

01:14:50,390 --> 01:14:47,920

probably be a lot more successful

1861

01:14:50,950 --> 01:14:50,400

at doing this uh oh and i just wanted to

1862

01:14:52,950 --> 01:14:50,960

mention too

1863

01:14:55,270 --> 01:14:52,960

i was on john claude from beyond mystic

1864

01:14:58,149 --> 01:14:55,280

show so you can look him up

1865

01:14:58,709 --> 01:14:58,159

i'll see if i can't i'm gonna i'm gonna

1866

01:15:05,110 --> 01:14:58,719

put the

1867

01:15:07,270 --> 01:15:05,120

jean-claude was uh kind enough to have

1868

01:15:10,790 --> 01:15:07,280

me as a guest on his show

1869

01:15:13,189 --> 01:15:10,800

and uh let me let me get i'm gonna get

1870

01:15:18,470 --> 01:15:13,199

the link to that show

1871

01:15:28,709 --> 01:15:25,350

uh one second

1872

01:15:30,790 --> 01:15:28,719

okay now it's important to note that uh

1873

01:15:32,149 --> 01:15:30,800

this is like a four-hour stream so if

1874

01:15:33,350 --> 01:15:32,159

you're just interested in seeing my

1875

01:15:34,630 --> 01:15:33,360

guest spot you should watch the whole

1876

01:15:38,390 --> 01:15:34,640

thing though it's pretty good

1877

01:15:39,990 --> 01:15:38,400

coverage of all the election crap and

1878

01:15:41,990 --> 01:15:40,000

all this stuff that's going on but i

1879

01:15:43,830 --> 01:15:42,000

don't come into about 3 48

1880

01:15:45,830 --> 01:15:43,840

right at the end but i'm going to post

1881

01:15:47,590 --> 01:15:45,840

that to uh

1882

01:15:49,030 --> 01:15:47,600

i'm going to post that to the live chat

1883

01:15:50,470 --> 01:15:49,040

so anybody that wants to see my guest

1884

01:15:51,590 --> 01:15:50,480

appearance on jean claude's beyond

1885

01:15:54,790 --> 01:15:51,600

mystic

1886

01:15:56,390 --> 01:15:54,800

there you go uh it's always

1887

01:15:57,990 --> 01:15:56,400

it's interesting too and you know what

1888

01:16:00,709 --> 01:15:58,000

joan claude is is very

1889

01:16:01,430 --> 01:16:00,719

more like that his show is a lot more

1890

01:16:03,430 --> 01:16:01,440

woo

1891

01:16:05,110 --> 01:16:03,440

right but it's interesting that me and

1892

01:16:08,229 --> 01:16:05,120

him still get along

1893

01:16:10,870 --> 01:16:08,239

he has an interesting perspective and

1894

01:16:13,030 --> 01:16:10,880

you know he's really looking for the

1895

01:16:14,550 --> 01:16:13,040

truth in a lot of different esoteric

1896

01:16:16,229 --> 01:16:14,560

subjects but he has a different

1897

01:16:17,430 --> 01:16:16,239

philosophy of mind which is that he

1898

01:16:21,350 --> 01:16:17,440

wants to digest

1899

01:16:24,470 --> 01:16:21,360

everything and then discern

1900

01:16:26,790 --> 01:16:24,480

value or take value from that which is

1901

01:16:28,390 --> 01:16:26,800

valuable and discard the rest

1902

01:16:30,229 --> 01:16:28,400

he's a little more open-minded i would

1903

01:16:32,229 --> 01:16:30,239

say uh to a lot of these

1904

01:16:33,590 --> 01:16:32,239

esoteric subjects and stuff but i just

1905

01:16:33,990 --> 01:16:33,600

think it's interesting that we're still

1906

01:16:35,750 --> 01:16:34,000

friends

1907

01:16:37,510 --> 01:16:35,760

because for a while he was calling me a

1908

01:16:40,709 --> 01:16:37,520

skeptic and then you know he

1909

01:16:42,070 --> 01:16:40,719

he knows i'm not just a skeptic i i'm

1910

01:16:42,630 --> 01:16:42,080

really interested in all these subjects

1911

01:16:45,189 --> 01:16:42,640

but i guess

1912

01:16:52,470 --> 01:16:45,199

i i approach them from a more skeptical

1913

01:16:56,950 --> 01:16:54,630

well i haven't heard this the server

1914

01:16:58,310 --> 01:16:56,960

shared between cassidy johnson and mogan

1915

01:16:59,750 --> 01:16:58,320

stuff is real interesting will be

1916

01:17:02,229 --> 01:16:59,760

interesting to see how that plays out

1917

01:17:04,630 --> 01:17:02,239

they're all sharing a server now

1918

01:17:06,149 --> 01:17:04,640

all right that's it that is interesting

1919

01:17:09,189 --> 01:17:06,159

so i put the link to the

1920

01:17:10,790 --> 01:17:09,199

the the uh jean-claude beyond mystic

1921

01:17:11,510 --> 01:17:10,800

show that i was a guest on remember i

1922

01:17:13,430 --> 01:17:11,520

think it's 3

1923

01:17:15,189 --> 01:17:13,440

40 3 hours and 40 minutes so i was only

1924

01:17:18,550 --> 01:17:15,199

on the last 20 minutes or so

1925

01:17:20,229 --> 01:17:18,560

but uh it's a good show and i'm thankful

1926

01:17:22,070 --> 01:17:20,239

i wanted to mention i'm thankful that i

1927

01:17:23,590 --> 01:17:22,080

was on his show because

1928

01:17:25,590 --> 01:17:23,600

listen every time i wanted to show i got

1929

01:17:28,070 --> 01:17:25,600

a nice we get a nice bump here

1930

01:17:29,790 --> 01:17:28,080

i think today started with 710

1931

01:17:32,630 --> 01:17:29,800

subscribers and we're at

1932

01:17:35,189 --> 01:17:32,640

748 after jean-claude gave us

1933

01:17:36,950 --> 01:17:35,199

a plug and a bump and it was funny he

1934

01:17:38,550 --> 01:17:36,960

like literally told he's like just 200

1935

01:17:39,270 --> 01:17:38,560

people in chat go over there and hit it

1936

01:17:40,790 --> 01:17:39,280

now go

1937

01:17:42,550 --> 01:17:40,800

go subscribe and then he was hitting

1938

01:17:45,270 --> 01:17:42,560

refresh you know

1939

01:17:45,990 --> 01:17:45,280

and her goal was to get to 750 and uh

1940

01:17:47,910 --> 01:17:46,000

look at that

1941

01:17:49,750 --> 01:17:47,920

748 so thank you jean-claude we

1942

01:17:50,630 --> 01:17:49,760

appreciate your help and kindness and

1943

01:17:52,950 --> 01:17:50,640

assistance

1944

01:17:54,390 --> 01:17:52,960

helping to spread our show and speaking

1945

01:17:56,950 --> 01:17:54,400

of spreading our show really

1946

01:17:58,470 --> 01:17:56,960

like comment and subscribe or i tell

1947

01:17:59,669 --> 01:17:58,480

everybody this if you know somebody that

1948

01:18:02,149 --> 01:17:59,679

might like the show

1949

01:18:03,510 --> 01:18:02,159

copy the show and say please subscribe

1950

01:18:05,430 --> 01:18:03,520

to this guy help him out

1951

01:18:10,630 --> 01:18:05,440

you may enjoy this or something like

1952

01:18:15,110 --> 01:18:12,790

vanessa thor he has the highest level of

1953

01:18:17,669 --> 01:18:15,120

woo alien talkers out there he's cool

1954

01:18:19,590 --> 01:18:17,679

yeah which is why it's like bizarro that

1955

01:18:21,590 --> 01:18:19,600

he and i became good friends but i think

1956

01:18:22,709 --> 01:18:21,600

it's just like we both run into show

1957

01:18:25,110 --> 01:18:22,719

we're both

1958

01:18:25,990 --> 01:18:25,120

interested in similar subjects and like

1959

01:18:27,750 --> 01:18:26,000

i said he's way

1960

01:18:29,030 --> 01:18:27,760

more open-minded than me some of those

1961

01:18:31,430 --> 01:18:29,040

guests yeah and i'm like

1962

01:18:32,630 --> 01:18:31,440

jesus christ this person is talking

1963

01:18:36,149 --> 01:18:32,640

crazy [\h__\h]

1964

01:18:37,110 --> 01:18:36,159

right even for me and i've heard a lot

1965

01:18:39,910 --> 01:18:37,120

of crazy [\h__\h]

1966

01:18:41,830 --> 01:18:39,920

but you know he has this he's got this

1967

01:18:45,189 --> 01:18:41,840

aurora girl that's like

1968

01:18:47,750 --> 01:18:45,199

i don't know she's an alien or yeah

1969

01:18:48,310 --> 01:18:47,760

the old person the soul in the body

1970

01:18:50,470 --> 01:18:48,320

she's in

1971

01:18:52,229 --> 01:18:50,480

died and she's like an alien or

1972

01:18:54,470 --> 01:18:52,239

multi-dimensional being and she took

1973

01:18:57,910 --> 01:18:54,480

possession of the body and like

1974

01:18:59,430 --> 01:18:57,920

and it gets crazier from there uh

1975

01:19:01,669 --> 01:18:59,440

and a lot of other and he does like

1976

01:19:02,149 --> 01:19:01,679

crypto stuff he had dick al gore on the

1977

01:19:03,830 --> 01:19:02,159

show

1978

01:19:05,110 --> 01:19:03,840

that i was on which was great i wish i

1979

01:19:06,709 --> 01:19:05,120

could have got on with that guy the

1980

01:19:08,709 --> 01:19:06,719

remote viewing guy

1981

01:19:10,950 --> 01:19:08,719

he's got a lot of great guests and and

1982

01:19:13,750 --> 01:19:10,960

it's interesting to listen to it even

1983

01:19:15,110 --> 01:19:13,760

if sometimes venezuela i listen i start

1984

01:19:17,270 --> 01:19:15,120

a show up and then i go

1985

01:19:18,229 --> 01:19:17,280

this is too much crazy [h__\h] and i i turn

1986

01:19:21,189 --> 01:19:18,239

it off but

1987

01:19:23,189 --> 01:19:21,199

other times he has interesting guests

1988

01:19:25,590 --> 01:19:23,199

that i can get through the show

1989

01:19:27,430 --> 01:19:25,600

uh and and i i just like his uh his

1990

01:19:28,870 --> 01:19:27,440

style and he's like french too so it's

1991

01:19:37,669 --> 01:19:28,880

kind of funny

1992

01:19:39,350 --> 01:19:37,679

yeah well i guess french canadian right

1993

01:19:41,110 --> 01:19:39,360

michael since buy and wait wait and take

1994

01:19:42,310 --> 01:19:41,120

real charge of the pandemic tiff and i

1995

01:19:43,430 --> 01:19:42,320

hope to return to the west coast

1996

01:19:45,830 --> 01:19:43,440

convention circuit

1997

01:19:47,270 --> 01:19:45,840

hidden cameras in hand that would be fun

1998

01:19:49,110 --> 01:19:47,280

yeah does everybody think there's going

1999

01:19:50,709 --> 01:19:49,120

to be a big block down that's

2000

01:19:52,229 --> 01:19:50,719

basically the fear porn trump was

2001

01:19:53,910 --> 01:19:52,239

pushing if buying wins there's going to

2002

01:19:54,870 --> 01:19:53,920

be a big nationwide lockdown and

2003

01:19:56,310 --> 01:19:54,880

everybody's going to lose their

2004

01:19:57,510 --> 01:19:56,320

businesses and their homes because

2005

01:19:59,430 --> 01:19:57,520

you're going to lose your income and

2006

01:20:01,430 --> 01:19:59,440

we've got to get back to work

2007

01:20:03,030 --> 01:20:01,440

and uh i'm not sure if that's the case

2008

01:20:06,229 --> 01:20:03,040

it seems like

2009

01:20:09,270 --> 01:20:06,239

the decision

2010

01:20:10,870 --> 01:20:09,280

of whether to lock down uh i know biden

2011

01:20:12,790 --> 01:20:10,880

talked about a nationwide mass

2012

01:20:13,990 --> 01:20:12,800

mandate i don't think that could hurt

2013

01:20:16,950 --> 01:20:14,000

anything um

2014

01:20:18,629 --> 01:20:16,960

i would be in favor of that can't hurt

2015

01:20:19,830 --> 01:20:18,639

you know i sell these people arguing

2016

01:20:21,750 --> 01:20:19,840

over masks

2017

01:20:23,830 --> 01:20:21,760

and i go really just put the mask on it

2018

01:20:25,750 --> 01:20:23,840

can't hurt it can't hurt

2019

01:20:27,270 --> 01:20:25,760

right even if you just sneeze and you

2020

01:20:29,750 --> 01:20:27,280

have covet

2021

01:20:30,390 --> 01:20:29,760

any cloth covering on your face is going

2022

01:20:34,470 --> 01:20:30,400

to catch

2023

01:20:36,709 --> 01:20:34,480

90 of of the particulate from a sneeze

2024

01:20:38,310 --> 01:20:36,719

infected with covid that might otherwise

2025

01:20:41,189 --> 01:20:38,320

get on surfaces or go

2026
01:20:42,229 --> 01:20:41,199
on somebody masks can't hurt i'm in full

2027
01:20:44,550 --> 01:20:42,239
support

2028
01:20:45,590 --> 01:20:44,560
of a nationwide mask mandate i don't

2029
01:20:48,870 --> 01:20:45,600
think it could hurt

2030
01:20:51,669 --> 01:20:48,880
right it's like what's the harm in that

2031
01:20:52,629 --> 01:20:51,679
and yeah a lot of people argue back and

2032
01:20:55,189 --> 01:20:52,639
forth and there's

2033
01:20:56,629 --> 01:20:55,199
you know these may not be this most

2034
01:20:58,950 --> 01:20:56,639
masks aren't effective

2035
01:21:00,070 --> 01:20:58,960
only n95 and you know there's this huge

2036
01:21:02,550 --> 01:21:00,080
argument i

2037
01:21:04,310 --> 01:21:02,560
just put on the [h__\h] mask bro just

2038
01:21:05,350 --> 01:21:04,320

put on the mask care about other people

2039

01:21:06,390 --> 01:21:05,360

at least if you don't care about

2040

01:21:07,830 --> 01:21:06,400

yourself

2041

01:21:10,310 --> 01:21:07,840

because if you've got coconut and you

2042

01:21:12,070 --> 01:21:10,320

sneeze or you cough that cloth covering

2043

01:21:13,750 --> 01:21:12,080

is going to catch a lot of it or most of

2044

01:21:15,110 --> 01:21:13,760

it or even if it catches half of it

2045

01:21:17,590 --> 01:21:15,120

you're only going to infect half the

2046

01:21:18,950 --> 01:21:17,600

people you normally would

2047

01:21:20,790 --> 01:21:18,960

so i don't know if there's going to be a

2048

01:21:23,669 --> 01:21:20,800

nationwide

2049

01:21:25,510 --> 01:21:23,679

lockdown but it looks like my state is

2050

01:21:27,590 --> 01:21:25,520

starting to

2051

01:21:30,070 --> 01:21:27,600

there there's rumors that there's going

2052

01:21:32,790 --> 01:21:30,080

to be a second lockdown in pennsylvania

2053

01:21:34,070 --> 01:21:32,800

because the numbers are spiking again i

2054

01:21:40,550 --> 01:21:34,080

think that

2055

01:21:41,990 --> 01:21:40,560

are are worn out of the lockdowns and

2056

01:21:44,709 --> 01:21:42,000

the quarantine and being

2057

01:21:45,910 --> 01:21:44,719

vigilant like you know when this started

2058

01:21:47,669 --> 01:21:45,920

everybody was like yeah

2059

01:21:49,510 --> 01:21:47,679

two weeks to flatten the curve and here

2060

01:21:51,350 --> 01:21:49,520

we are 10 months later

2061

01:21:52,950 --> 01:21:51,360

and a lot of people are without income

2062

01:21:54,950 --> 01:21:52,960

and a lot of people are depressed and a

2063

01:21:56,950 --> 01:21:54,960

lot of peop you know

2064

01:21:58,229 --> 01:21:56,960

one thing i've i've read and it's it's

2065

01:22:00,550 --> 01:21:58,239

definitely uh

2066

01:22:03,350 --> 01:22:00,560

a problem is that like suicides are up

2067

01:22:05,270 --> 01:22:03,360

the cases of domestic violence is up and

2068

01:22:07,270 --> 01:22:05,280

all these different things are up so

2069

01:22:10,790 --> 01:22:07,280

those lockdowns are psychologically

2070

01:22:13,910 --> 01:22:10,800

a lot more harmful than people realize

2071

01:22:15,669 --> 01:22:13,920

we're all isolating ourselves we're all

2072

01:22:17,430 --> 01:22:15,679

sort of cut off from our friends and

2073

01:22:19,350 --> 01:22:17,440

family like my wife now because of the

2074

01:22:21,110 --> 01:22:19,360

covet cases at her mother's house

2075

01:22:23,030 --> 01:22:21,120

she can't even visit her mother for like

2076

01:22:26,149 --> 01:22:23,040

a month now

2077

01:22:26,629 --> 01:22:26,159

just to be sure and my wife and i are

2078

01:22:28,149 --> 01:22:26,639

both

2079

01:22:29,669 --> 01:22:28,159

like really scared that her mother's

2080

01:22:30,310 --> 01:22:29,679

gonna get it because her mother's 80

2081

01:22:33,910 --> 01:22:30,320

something

2082

01:22:35,510 --> 01:22:33,920

you know and uh

2083

01:22:38,070 --> 01:22:35,520

there's four or five people over there

2084

01:22:38,629 --> 01:22:38,080

that have been infected with it so we

2085

01:22:40,870 --> 01:22:38,639

have to

2086

01:22:42,790 --> 01:22:40,880

my what my wife has to keep her distance

2087

01:22:44,629 --> 01:22:42,800

from even her mother

2088

01:22:46,550 --> 01:22:44,639

and they're very close you know it was

2089

01:22:48,390 --> 01:22:46,560

really hard for my wife i was so happy

2090

01:22:50,310 --> 01:22:48,400

when the restrictions sort of eased up

2091

01:22:51,990 --> 01:22:50,320

and she could see her mother again

2092

01:22:54,310 --> 01:22:52,000

and now here we are again she can't see

2093

01:22:56,310 --> 01:22:54,320

her mother or most of her friends

2094

01:22:58,149 --> 01:22:56,320

most of her brothers and sisters they go

2095

01:22:59,750 --> 01:22:58,159

over there at the mother's house

2096

01:23:01,430 --> 01:22:59,760

you know for family events and things

2097

01:23:03,189 --> 01:23:01,440

can't do that anymore

2098

01:23:04,950 --> 01:23:03,199

it's kind of psychologically devastating

2099

01:23:11,590 --> 01:23:04,960

after a while being cut off from those

2100

01:23:15,110 --> 01:23:13,270

out of mind says it is being shut down

2101

01:23:16,629 --> 01:23:15,120

again here in the midwest yeah

2102

01:23:18,830 --> 01:23:16,639

how long are they going to shut you down

2103

01:23:22,950 --> 01:23:18,840

out of eye and what state if you don't

2104

01:23:26,149 --> 01:23:24,709

i can't stay the same although i do wear

2105

01:23:27,590 --> 01:23:26,159

masks in stores i don't see how it's

2106

01:23:28,950 --> 01:23:27,600

doing anything at all especially if you

2107

01:23:31,030 --> 01:23:28,960

start touching things the mask is

2108

01:23:34,790 --> 01:23:31,040

useless at that point yeah it might be

2109

01:23:36,629 --> 01:23:34,800

i don't know i have hand sanitizer that

2110

01:23:38,470 --> 01:23:36,639

i'm constantly using and i have sort of

2111

01:23:41,430 --> 01:23:38,480

a ritual like

2112

01:23:43,350 --> 01:23:41,440

i get in my car and if i go like to get

2113

01:23:45,510 --> 01:23:43,360

gasoline for instance if i

2114

01:23:46,870 --> 01:23:45,520

or anytime i get out of my car if i

2115

01:23:49,110 --> 01:23:46,880

touch the keypad

2116

01:23:50,470 --> 01:23:49,120

where i touch the gas pump as soon as i

2117

01:23:53,350 --> 01:23:50,480

get in my car

2118

01:23:54,149 --> 01:23:53,360

i use the hand sanitizer and i even like

2119

01:23:56,070 --> 01:23:54,159

hit the

2120

01:23:58,790 --> 01:23:56,080

where i touch the door going in with the

2121

01:24:02,070 --> 01:23:58,800

hand side it's like i'm a little nutty

2122

01:24:04,790 --> 01:24:02,080

but so far that's worked and i have we

2123

01:24:06,229 --> 01:24:04,800

my son may have had coven we're not sure

2124

01:24:07,830 --> 01:24:06,239

he didn't get tested

2125

01:24:10,149 --> 01:24:07,840

he was sick for a few weeks he had a

2126

01:24:11,910 --> 01:24:10,159

fever off and on and a cough

2127

01:24:13,750 --> 01:24:11,920

but it went away and he's fine now and

2128

01:24:15,510 --> 01:24:13,760

none of the rest of us got sick

2129

01:24:17,750 --> 01:24:15,520

and that has been the only sickness that

2130

01:24:20,709 --> 01:24:17,760

we've had in our family for 10 months

2131

01:24:22,790 --> 01:24:20,719

and we have two boys eight and four and

2132

01:24:23,110 --> 01:24:22,800

that's the only like normally they get

2133

01:24:24,629 --> 01:24:23,120

sick

2134

01:24:26,070 --> 01:24:24,639

constantly and they're not we would get

2135

01:24:27,350 --> 01:24:26,080

sick constantly you know they would

2136

01:24:29,910 --> 01:24:27,360

bring home every little cold

2137

01:24:32,229 --> 01:24:29,920

flu stomach bug we haven't had anything

2138

01:24:33,270 --> 01:24:32,239

for 10 months except for my son zachary

2139

01:24:35,910 --> 01:24:33,280

getting

2140

01:24:37,350 --> 01:24:35,920

a slight fever and a cough for about a

2141

01:24:39,590 --> 01:24:37,360

week

2142

01:24:41,910 --> 01:24:39,600

but that turned into a nightmare because

2143

01:24:43,430 --> 01:24:41,920

according to whatever

2144

01:24:46,070 --> 01:24:43,440

whatever is going on with the school

2145

01:24:48,070 --> 01:24:46,080

system he had to be symptom free for

2146

01:24:49,990 --> 01:24:48,080

seven days and a doctor had to certify

2147

01:24:51,030 --> 01:24:50,000

that he was symptom free for seven days

2148

01:24:52,790 --> 01:24:51,040

so basically

2149

01:24:56,310 --> 01:24:52,800

he was in school for three weeks for

2150

01:24:58,870 --> 01:24:56,320

that and he was really only sick

2151
01:24:59,990 --> 01:24:58,880
to us a week really in a slight cough

2152
01:25:01,750 --> 01:25:00,000
after that but they didn't want him

2153
01:25:03,510 --> 01:25:01,760
anywhere near the school

2154
01:25:05,030 --> 01:25:03,520
and then speaking of kovitz dress

2155
01:25:07,270 --> 01:25:05,040
there's confirmed cases there was

2156
01:25:09,030 --> 01:25:07,280
confirmed cases of covid in his school

2157
01:25:10,229 --> 01:25:09,040
so that's scary because i have to send

2158
01:25:12,070 --> 01:25:10,239
my son there

2159
01:25:13,830 --> 01:25:12,080
and uh he can't do the in-person

2160
01:25:15,350 --> 01:25:13,840
learning or they're having in a few days

2161
01:25:17,510 --> 01:25:15,360
a week and it's just a nightmare he

2162
01:25:19,590 --> 01:25:17,520
won't sit still so i have to hold him

2163
01:25:21,189 --> 01:25:19,600

in front of this laptop and try to get

2164

01:25:22,149 --> 01:25:21,199

him to do these activities they want him

2165

01:25:24,310 --> 01:25:22,159

to do

2166

01:25:29,189 --> 01:25:24,320

and he doesn't do it uh he doesn't want

2167

01:25:34,390 --> 01:25:31,030

leave development says viruses are fake

2168

01:25:38,229 --> 01:25:34,400

news so tired of having that debate

2169

01:25:41,110 --> 01:25:38,239

uh okay you know lee veltman on the show

2170

01:25:41,990 --> 01:25:41,120

that i was just on as a guest they were

2171

01:25:44,470 --> 01:25:42,000

playing a clip of

2172

01:25:45,990 --> 01:25:44,480

somebody talking about cue drops about

2173

01:25:48,390 --> 01:25:46,000

like how

2174

01:25:50,550 --> 01:25:48,400

don't worry because trump's anticipated

2175

01:25:53,669 --> 01:25:50,560

all of this and there's going to be

2176
01:25:53,990 --> 01:25:53,679
arrests massive arrests for voter fraud

2177
01:25:57,430 --> 01:25:54,000
and

2178
01:25:59,030 --> 01:25:57,440
people because they knew in advance this

2179
01:25:59,669 --> 01:25:59,040
was going to happen and i was like oh

2180
01:26:02,790 --> 01:25:59,679
man

2181
01:26:04,709 --> 01:26:02,800
here comes the q opium [h__h] and john

2182
01:26:07,350 --> 01:26:04,719
claude even kind of like

2183
01:26:09,430 --> 01:26:07,360
he knew i was coming on and he stole my

2184
01:26:11,750 --> 01:26:09,440
thunder damn it because he kind of

2185
01:26:13,189 --> 01:26:11,760
did the speech of like what these mass

2186
01:26:14,950 --> 01:26:13,199
arrests are never going to come

2187
01:26:16,310 --> 01:26:14,960
waiting for them and this might not be

2188
01:26:18,709 --> 01:26:16,320

accurate information

2189

01:26:20,310 --> 01:26:18,719

and we've been waiting for a long time

2190

01:26:23,350 --> 01:26:20,320

yeah so the q

2191

01:26:24,790 --> 01:26:23,360

opium now there's new q opium leave out

2192

01:26:27,189 --> 01:26:24,800

men in the form of

2193

01:26:28,950 --> 01:26:27,199

you know trump that the 4d chess player

2194

01:26:30,709 --> 01:26:28,960

knew this was all going to happen and he

2195

01:26:31,910 --> 01:26:30,719

pre-planned so he could catch them all

2196

01:26:34,070 --> 01:26:31,920

in the act and there's going to be

2197

01:26:46,070 --> 01:26:34,080

videos released and there's going to be

2198

01:26:50,870 --> 01:26:47,910

michael says i think i caught clover

2199

01:26:53,990 --> 01:26:50,880

from my mask

2200

01:26:56,229 --> 01:26:54,000

bg's okay what's happening well uh

2201

01:26:57,189 --> 01:26:56,239

we're talking earlier about election

2202

01:26:59,110 --> 01:26:57,199

misinformation

2203

01:27:00,790 --> 01:26:59,120

and i gave some examples and then

2204

01:27:04,870 --> 01:27:00,800

generally i'm just

2205

01:27:06,229 --> 01:27:04,880

uh just bitching no i was talking about

2206

01:27:08,070 --> 01:27:06,239

how everybody's

2207

01:27:09,750 --> 01:27:08,080

really stressed out with all the covet

2208

01:27:18,229 --> 01:27:09,760

stress financial stress now this

2209

01:27:21,590 --> 01:27:18,239

election stress on top of it

2210

01:27:22,310 --> 01:27:21,600

oh boy so what a quality show we have

2211

01:27:24,629 --> 01:27:22,320

here friends

2212

01:27:26,070 --> 01:27:24,639

karma graves says hey steven i have had

2213

01:27:28,070 --> 01:27:26,080

some health problem

2214

01:27:29,990 --> 01:27:28,080

mainly my balls have really been hurting

2215

01:27:33,110 --> 01:27:30,000

after taking dr emery smith's

2216

01:27:34,390 --> 01:27:33,120

24 48 hour super hard dick pills please

2217

01:27:36,470 --> 01:27:34,400

pray for me

2218

01:27:38,870 --> 01:27:36,480

we'll do that we'll put a prayer request

2219

01:27:41,270 --> 01:27:38,880

in for karma grace

2220

01:27:49,030 --> 01:27:41,280

i hope your dick i hope your dick's

2221

01:27:52,310 --> 01:27:50,629

mario heat says yes people don't listen

2222

01:27:53,990 --> 01:27:52,320

or read scientists or doctors who spent

2223

01:27:55,669 --> 01:27:54,000

years specializing in hail viruses work

2224

01:27:57,669 --> 01:27:55,679

and replicate

2225

01:28:00,709 --> 01:27:57,679

listen to more legit sources like

2226

01:28:02,470 --> 01:28:00,719

youtube videos or david i yeah i agree

2227

01:28:04,229 --> 01:28:02,480

with you

2228

01:28:05,990 --> 01:28:04,239

if you can smell fart through two layers

2229

01:28:09,430 --> 01:28:06,000

a mask isn't doing much

2230

01:28:12,550 --> 01:28:09,440

oh god and by the way

2231

01:28:15,110 --> 01:28:12,560

youtube ai algorithms i was not speaking

2232

01:28:15,910 --> 01:28:15,120

negatively about mask wearing or

2233

01:28:18,390 --> 01:28:15,920

attempting to

2234

01:28:18,950 --> 01:28:18,400

say that they are not effective or any

2235

01:28:22,310 --> 01:28:18,960

of that

2236

01:28:24,070 --> 01:28:22,320

yeah praise the ai god algorithms

2237

01:28:25,510 --> 01:28:24,080

we're not stepping out of line we're in

2238

01:28:28,870 --> 01:28:25,520

support of masks

2239

01:28:30,149 --> 01:28:28,880

just so you know got to be clear to the

2240

01:28:33,189 --> 01:28:30,159

ai

2241

01:28:40,470 --> 01:28:33,199

algorithm gods because they really hold

2242

01:28:44,470 --> 01:28:42,470

charlie freak ward and golden dragon

2243

01:28:46,550 --> 01:28:44,480

family faux fur and the decero reset

2244

01:28:50,229 --> 01:28:46,560

stuff is in the cute crap stuff too

2245

01:28:54,390 --> 01:28:51,750

do you mean like the global currency

2246

01:28:56,149 --> 01:28:54,400

reset yeah i'm almost guilty of that

2247

01:29:00,310 --> 01:28:56,159

myself though

2248

01:29:01,910 --> 01:29:00,320

because i i realized something

2249

01:29:03,750 --> 01:29:01,920

and that this is one of those connected

2250

01:29:06,870 --> 01:29:03,760

dots moments lee beltman

2251

01:29:08,790 --> 01:29:06,880

i realized that while i was looking and

2252

01:29:11,350 --> 01:29:08,800

looking into all these riots all over

2253

01:29:13,590 --> 01:29:11,360

the country and all these major cities

2254

01:29:16,149 --> 01:29:13,600

one thing uh that i found is that

2255

01:29:18,070 --> 01:29:16,159

there's atms being blown up

2256

01:29:19,669 --> 01:29:18,080

in most of these riots and looting and i

2257

01:29:21,830 --> 01:29:19,679

thought that was strange because

2258

01:29:23,510 --> 01:29:21,840

they can't get into the atm and get any

2259

01:29:24,950 --> 01:29:23,520

money because the safes are too thick

2260

01:29:26,550 --> 01:29:24,960

and powerful and you would need power

2261

01:29:29,270 --> 01:29:26,560

tools and hours and hours

2262

01:29:31,030 --> 01:29:29,280

you know and you know welding torches to

2263

01:29:31,750 --> 01:29:31,040

get into the actual safe to get to the

2264

01:29:34,470 --> 01:29:31,760

money

2265

01:29:34,950 --> 01:29:34,480

but these people are just disabling them

2266

01:29:37,110 --> 01:29:34,960

by

2267

01:29:39,430 --> 01:29:37,120

you know slapping some quarter sticks of

2268

01:29:39,910 --> 01:29:39,440

dynamites on the keypads and the front

2269

01:29:41,590 --> 01:29:39,920

of them

2270

01:29:43,669 --> 01:29:41,600

and blowing them up to the point where

2271

01:29:45,350 --> 01:29:43,679

they're no longer functioning

2272

01:29:46,950 --> 01:29:45,360

and that seems conspiratorial and

2273

01:29:47,990 --> 01:29:46,960

strange to me why is that happening in

2274

01:29:49,590 --> 01:29:48,000

so many of these

2275

01:29:52,790 --> 01:29:49,600

looting and riding events that people

2276

01:29:57,110 --> 01:29:52,800

are going after atms right

2277

01:29:58,950 --> 01:29:57,120

so strange andrew basago is the

2278

01:30:00,790 --> 01:29:58,960

president

2279

01:30:02,550 --> 01:30:00,800

yeah that's what i heard right andrew

2280

01:30:05,590 --> 01:30:02,560

kishango he won

2281

01:30:06,629 --> 01:30:05,600

forget by and forget trump it's andrew

2282

01:30:09,350 --> 01:30:06,639

bachata

2283

01:30:11,189 --> 01:30:09,360

for the win and his vice president is

2284

01:30:15,189 --> 01:30:11,199

going to be a reptilian alien from

2285

01:30:22,149 --> 01:30:20,629

or maybe not you know i'm trying to see

2286

01:30:25,350 --> 01:30:22,159

see this is another one of those things

2287

01:30:27,830 --> 01:30:25,360

like being connected to your phone right

2288

01:30:31,830 --> 01:30:27,840

well i heard my phone thing it can't be

2289

01:30:31,840 --> 01:30:37,590

it's dinging again one second friends

2290

01:30:37,600 --> 01:30:42,310

i could be getting paged

2291

01:30:42,320 --> 01:30:45,430

oh no

2292

01:30:49,910 --> 01:30:48,550

we got a message from cow court cal

2293

01:30:52,950 --> 01:30:49,920

korff

2294

01:30:54,790 --> 01:30:52,960

he's showing me these uh ufo alien

2295

01:30:56,790 --> 01:30:54,800

conspiracy mugs

2296

01:30:58,870 --> 01:30:56,800

and they're cool he's got these mugs

2297

01:30:59,270 --> 01:30:58,880

that like when you put hot liquid in

2298

01:31:01,990 --> 01:30:59,280

them

2299

01:31:04,550 --> 01:31:02,000

the flying saucer appears on the side

2300

01:31:06,470 --> 01:31:04,560

which i thought was pretty interesting

2301

01:31:08,070 --> 01:31:06,480

interesting way to sell flying saucer

2302

01:31:09,750 --> 01:31:08,080

coffee mugs right

2303

01:31:14,870 --> 01:31:09,760

when you put the coffee in the flying

2304

01:31:18,390 --> 01:31:17,030

yeah the comments and opinions expressed

2305

01:31:19,830 --> 01:31:18,400

in this show are those are the authors

2306

01:31:21,590 --> 01:31:19,840

and do not necessarily reflect the

2307

01:31:24,070 --> 01:31:21,600

official policy of

2308

01:31:25,110 --> 01:31:24,080

uh of the truth shooters youtube channel

2309

01:31:28,870 --> 01:31:25,120

yeah we gotta get

2310

01:31:31,270 --> 01:31:28,880

better disclaimers there's a study out

2311

01:31:33,030 --> 01:31:31,280

suggesting homemade cloth masks like

2312

01:31:34,629 --> 01:31:33,040

folded bandanas are more effective than

2313

01:31:36,790 --> 01:31:34,639

originally thought

2314

01:31:38,149 --> 01:31:36,800

yeah i know i don't know my wife got me

2315

01:31:40,629 --> 01:31:38,159

these really

2316

01:31:42,470 --> 01:31:40,639

really thick masks uh that i've been

2317

01:31:44,950 --> 01:31:42,480

using i keep one in my car

2318

01:31:45,750 --> 01:31:44,960

and one of my backpack uh so i always

2319

01:31:47,270 --> 01:31:45,760

have one

2320

01:31:49,030 --> 01:31:47,280

i'm always sort of worried that i'm

2321

01:31:50,629 --> 01:31:49,040

gonna get to a store and i won't have

2322

01:31:56,470 --> 01:31:50,639

the mask in the car so i

2323

01:32:03,270 --> 01:31:59,669

so friends i guess so we're at almost an

2324

01:32:04,790 --> 01:32:03,280

hour and 25 minutes and uh

2325

01:32:09,990 --> 01:32:04,800

i think we're going to wrap things up

2326

01:32:13,270 --> 01:32:11,910

send one to alien scientists yeah i may

2327

01:32:13,830 --> 01:32:13,280

do that i think i'm going to get some of

2328

01:32:16,070 --> 01:32:13,840

those

2329

01:32:17,270 --> 01:32:16,080

so and to get us to the magic numbers

2330

01:32:19,590 --> 01:32:17,280

where we need to be

2331

01:32:21,990 --> 01:32:19,600

whatever that is on both twitch and

2332

01:32:25,350 --> 01:32:22,000

youtube to get things monetized

2333

01:32:26,870 --> 01:32:25,360

so i may be doing more shows than usual

2334

01:32:28,550 --> 01:32:26,880

and i'm going to try i'm really going to

2335

01:32:30,229 --> 01:32:28,560

try while i'm at the cabin

2336

01:32:31,910 --> 01:32:30,239

it seemed to be the last couple of times

2337

01:32:35,030 --> 01:32:31,920

i got so uh

2338

01:32:37,590 --> 01:32:35,040

over exerted uh doing

2339

01:32:39,110 --> 01:32:37,600

a lot of physical labor all day long

2340

01:32:40,950 --> 01:32:39,120

that when it got dark and i could have

2341

01:32:43,350 --> 01:32:40,960

done a show i was like i'm done

2342

01:32:45,350 --> 01:32:43,360

i can't i can't do it you know you

2343

01:32:47,270 --> 01:32:45,360

imagine chopping wood all day for eight

2344

01:32:49,510 --> 01:32:47,280

hours or ten hours and then doing a show

2345

01:32:51,270 --> 01:32:49,520

for three hours or two hours

2346

01:32:53,830 --> 01:32:51,280

it's a little demanding but i'm gonna

2347

01:32:55,590 --> 01:32:53,840

try to reserve some energy or take a

2348

01:32:57,430 --> 01:32:55,600

break get something to eat relax a

2349

01:32:59,030 --> 01:32:57,440

little bit and then do the show because

2350

01:33:00,950 --> 01:32:59,040

i don't have

2351

01:33:02,950 --> 01:33:00,960

i have very little to do at night at the

2352

01:33:04,550 --> 01:33:02,960

cabin all my work is outside and has to

2353

01:33:05,910 --> 01:33:04,560

be done while it's daylight so i'm going

2354

01:33:10,390 --> 01:33:05,920

to try like hell

2355

01:33:12,229 --> 01:33:10,400

to keep some shows going um

2356

01:33:14,070 --> 01:33:12,239

over the weekend i'm gonna be there

2357

01:33:14,870 --> 01:33:14,080

thursday to sunday and i don't want

2358

01:33:18,310 --> 01:33:14,880

there to be

2359

01:33:20,629 --> 01:33:18,320

a four day break between

2360

01:33:22,790 --> 01:33:20,639

shows because it might not if i let

2361

01:33:23,750 --> 01:33:22,800

myself i might not do a show again until

2362

01:33:25,669 --> 01:33:23,760

next monday

2363

01:33:27,430 --> 01:33:25,679

and we'd like to water the garden here a

2364

01:33:33,510 --> 01:33:27,440

little more than that to keep things

2365

01:33:38,470 --> 01:33:36,229

yeah thanks troubled mine troubled minds

2366

01:33:41,189 --> 01:33:38,480

come on folks make some youtube accounts

2367

01:33:43,990 --> 01:33:41,199

no don't say that oh don't say that that

2368

01:33:45,990 --> 01:33:44,000

might be a policy violation of youtube

2369

01:33:48,070 --> 01:33:46,000

and we do not support or can tone people

2370

01:33:50,709 --> 01:33:48,080

making multiple accounts just to sub

2371

01:33:52,470 --> 01:33:50,719

just to be clear by any means necessary

2372

01:33:53,750 --> 01:33:52,480

but not that trouble minds we got to

2373

01:33:56,229 --> 01:33:53,760

have real accounts too

2374

01:33:57,510 --> 01:33:56,239

because uh it just doesn't help to have

2375

01:33:59,830 --> 01:33:57,520

a bunch of socks

2376

01:34:01,189 --> 01:33:59,840

uh stock accounts you know because then

2377

01:34:02,870 --> 01:34:01,199

your numbers will be

2378

01:34:11,110 --> 01:34:02,880

your sub numbers may be high but then

2379

01:34:14,629 --> 01:34:13,669

but trouble minds did say register some

2380

01:34:17,030 --> 01:34:14,639

dead people

2381

01:34:18,709 --> 01:34:17,040

for youtube chat for stephen's youtube

2382

01:34:20,229 --> 01:34:18,719

channels okay yeah so it was a joke

2383

01:34:21,350 --> 01:34:20,239

that's perfectly fine then troubleminds

2384

01:34:22,709 --> 01:34:21,360

and i don't believe i've seen you here

2385

01:34:25,510 --> 01:34:22,719

before did you come

2386

01:34:27,189 --> 01:34:25,520

did you come from uh did you come from

2387

01:34:27,990 --> 01:34:27,199

john claude's show i think you might

2388

01:34:31,590 --> 01:34:28,000

have

2389

01:34:35,030 --> 01:34:31,600

and if you did welcome thank you for the

2390

01:34:36,709 --> 01:34:35,040

thank you for the for the sub and for uh

2391

01:34:38,550 --> 01:34:36,719

joining us here and checking us out

2392

01:34:40,950 --> 01:34:38,560

there's a whole bunch of content

2393

01:34:43,189 --> 01:34:40,960

here check our videos we do all kinds of

2394

01:34:45,270 --> 01:34:43,199

stuff on different subjects i bet

2395

01:34:46,950 --> 01:34:45,280

based on the avatar you have that you

2396

01:34:48,390 --> 01:34:46,960

would like a lot of the content that we

2397

01:34:50,390 --> 01:34:48,400

have and create here

2398

01:34:52,629 --> 01:34:50,400

so welcome troubled minds you are most

2399

01:34:53,990 --> 01:34:52,639

welcome here we always like to see some

2400

01:34:57,270 --> 01:34:54,000

new users

2401
01:34:58,390 --> 01:34:57,280
in the chat room new people uh checking

2402
01:35:00,310 --> 01:34:58,400
us out

2403
01:35:01,990 --> 01:35:00,320
oh no you didn't come from there okay

2404
01:35:02,790 --> 01:35:02,000
well i don't believe that we've seen you

2405
01:35:05,990 --> 01:35:02,800
here

2406
01:35:08,950 --> 01:35:06,000
and if you're new welcome back uh

2407
01:35:10,470 --> 01:35:08,960
if if i'm in error and you're not new

2408
01:35:12,070 --> 01:35:10,480
still it's good to see you because if

2409
01:35:14,229 --> 01:35:12,080
you aren't new i haven't seen you here

2410
01:35:19,430 --> 01:35:14,239
in a long time i don't think

2411
01:35:26,229 --> 01:35:23,030
mario he no don't do that

2412
01:35:29,109 --> 01:35:26,239
and don't don't dig up dead people

2413
01:35:30,629 --> 01:35:29,119

we're not democrats right that's another

2414

01:35:32,870 --> 01:35:30,639

one of those misinformation

2415

01:35:35,030 --> 01:35:32,880

things there's such misinformation out

2416

01:35:35,669 --> 01:35:35,040

there that democrats constantly use dead

2417

01:35:37,270 --> 01:35:35,679

people

2418

01:35:39,830 --> 01:35:37,280

right they stuff the ballot box with

2419

01:35:42,470 --> 01:35:39,840

dead people like dead people vote

2420

01:35:44,310 --> 01:35:42,480

and it's funny but there are just a few

2421

01:35:46,149 --> 01:35:44,320

examples of that really factually

2422

01:35:48,709 --> 01:35:46,159

happening in a few cases but that's

2423

01:35:51,109 --> 01:35:48,719

enough to make it just a

2424

01:35:53,109 --> 01:35:51,119

an assumed thing that that's very

2425

01:35:55,350 --> 01:35:53,119

widespread and that's how the democrats

2426

01:35:58,070 --> 01:35:55,360

win some of these elections

2427

01:35:59,830 --> 01:35:58,080

not very credible but it fits right into

2428

01:36:01,030 --> 01:35:59,840

the theme of tonight which is like i

2429

01:36:02,390 --> 01:36:01,040

said we're gonna be

2430

01:36:04,149 --> 01:36:02,400

we're all gonna have to be vigilant

2431

01:36:08,550 --> 01:36:04,159

there's gonna be incredible

2432

01:36:12,390 --> 01:36:08,560

deluge uh a waterfall uh

2433

01:36:14,390 --> 01:36:12,400

just to be a storm of misinformation

2434

01:36:16,550 --> 01:36:14,400

and disinformation coming at us about

2435

01:36:21,430 --> 01:36:16,560

this election in the next

2436

01:36:25,030 --> 01:36:23,750

these things take on a life of their own

2437

01:36:26,950 --> 01:36:25,040

and we're gonna have both these guys

2438

01:36:28,310 --> 01:36:26,960

battling it out to convince the public

2439

01:36:31,430 --> 01:36:28,320

that they're the

2440

01:36:34,070 --> 01:36:31,440

actual winner right it's gonna get hairy

2441

01:36:36,390 --> 01:36:34,080

it's gonna get messy i think

2442

01:36:37,910 --> 01:36:36,400

at least i think so i could be wrong but

2443

01:36:40,310 --> 01:36:37,920

uh from what i'm seeing so far there's

2444

01:36:42,550 --> 01:36:40,320

been a huge uptick in all of these

2445

01:36:43,990 --> 01:36:42,560

memes and you know and like i said now

2446

01:36:46,390 --> 01:36:44,000

this conspiracy theory that the

2447

01:36:49,669 --> 01:36:46,400

elections being stolen is sort of

2448

01:36:53,350 --> 01:36:49,679

it's sort of being uh sort of

2449

01:37:03,189 --> 01:36:53,360

come out like oh yeah left and right

2450

01:37:09,750 --> 01:37:05,189

troublemind says i've been accused of

2451

01:37:15,189 --> 01:37:13,030

socks keep my feet warm jack says

2452

01:37:16,709 --> 01:37:15,199

okay those weren't the socks we were

2453

01:37:19,109 --> 01:37:16,719

talking about i meant

2454

01:37:21,430 --> 01:37:19,119

puppet accounts but okay and i don't

2455

01:37:23,270 --> 01:37:21,440

know why but mario he wants to know like

2456

01:37:25,189 --> 01:37:23,280

are you asking her what size her feet

2457

01:37:28,470 --> 01:37:25,199

are mario he

2458

01:37:33,189 --> 01:37:28,480

marry mario eat he may be a canadian

2459

01:37:37,350 --> 01:37:35,669

lee beltman i haven't been called a coin

2460

01:37:38,950 --> 01:37:37,360

and tell pro chill in a while must be

2461

01:37:40,950 --> 01:37:38,960

losing my touch

2462

01:37:42,950 --> 01:37:40,960

i think your coin intel pro skill so

2463

01:37:45,590 --> 01:37:42,960

there you go there you go leave out man

2464

01:37:47,030 --> 01:37:45,600

i i love you but i think you're a coin

2465

01:37:50,390 --> 01:37:47,040

intel approach

2466

01:37:51,910 --> 01:37:50,400

your co-intel pro skill or cia

2467

01:37:55,109 --> 01:37:51,920

disinformation agent

2468

01:37:55,830 --> 01:37:55,119

sent out to this credit cue uh because q

2469

01:37:58,070 --> 01:37:55,840

is real

2470

01:37:59,750 --> 01:37:58,080

and it's all factual and uh you're

2471

01:38:00,070 --> 01:37:59,760

trying to discredit it because you don't

2472

01:38:01,750 --> 01:38:00,080

like

2473

01:38:04,229 --> 01:38:01,760

because you work for the cabal you're

2474

01:38:07,830 --> 01:38:04,239

the you're a darker alliance member

2475

01:38:12,229 --> 01:38:07,840

that's just my that's my take on it

2476

01:38:15,350 --> 01:38:12,239

lee meltman lee is q maximus

2477

01:38:17,590 --> 01:38:15,360

instead of baby q yeah

2478

01:38:18,950 --> 01:38:17,600

yeah what do you mean size mario he i

2479

01:38:20,790 --> 01:38:18,960

think he wanted to know what size your

2480

01:38:22,550 --> 01:38:20,800

feet are jeanette kuzenko because he's a

2481

01:38:23,270 --> 01:38:22,560

canadian mexican with a foot fetish

2482

01:38:27,990 --> 01:38:23,280

that's my

2483

01:38:28,000 --> 01:38:34,229

yeah and here you go

2484

01:38:41,109 --> 01:38:37,430

yeah bg's also calls you uh

2485

01:38:42,870 --> 01:38:41,119

a shill there you go

2486

01:38:45,350 --> 01:38:42,880

mario yeah he wanted to know your feet

2487

01:38:46,709 --> 01:38:45,360

size because he's he's a sexual deviant

2488

01:38:49,430 --> 01:38:46,719

with a foot fetish

2489

01:38:50,229 --> 01:38:49,440

jeanette kuzenko i think you should stay

2490

01:38:53,510 --> 01:38:50,239

away from him

2491

01:39:03,750 --> 01:38:53,520

dudes with foot fetishes are weirdos

2492

01:39:08,149 --> 01:39:05,910

oh geez charles unleashed there are very

2493

01:39:10,550 --> 01:39:08,159

discreet and reasonably priced agencies

2494

01:39:12,390 --> 01:39:10,560

if feet are your thing that's gross dude

2495

01:39:14,629 --> 01:39:12,400

talk about paying for it i'm gonna pay

2496

01:39:18,550 --> 01:39:14,639

to play with some strange woman's feet

2497

01:39:21,109 --> 01:39:18,560

that is that is crazy

2498

01:39:23,030 --> 01:39:21,119

all right friends so uh we're gonna call

2499

01:39:24,229 --> 01:39:23,040

this one a short one compared to the

2500

01:39:25,990 --> 01:39:24,239

last show which was like

2501
01:39:27,510 --> 01:39:26,000
seven hours long by the way i want to

2502
01:39:28,149 --> 01:39:27,520
thank everybody that was on our panel

2503
01:39:29,750 --> 01:39:28,159
from that

2504
01:39:31,830 --> 01:39:29,760
election coverage i got a lot of good

2505
01:39:33,350 --> 01:39:31,840
feedback a lot of people

2506
01:39:36,149 --> 01:39:33,360
watched it and told me they had a good

2507
01:39:38,629 --> 01:39:36,159
time and it was it was kind of a

2508
01:39:39,350 --> 01:39:38,639
departure from what we usually do i'd

2509
01:39:42,790 --> 01:39:39,360
like to do

2510
01:39:44,470 --> 01:39:42,800
uh a panel show every week or two

2511
01:39:46,629 --> 01:39:44,480
so if everybody is interested again

2512
01:39:48,709 --> 01:39:46,639
we'll do it again but we have to

2513
01:39:50,709 --> 01:39:48,719

i'll try a little harder to not have

2514

01:39:52,550 --> 01:39:50,719

like drunk irish guy correspondent

2515

01:39:54,470 --> 01:39:52,560

talking over everybody

2516

01:39:55,990 --> 01:39:54,480

it seemed like the crowd that we had

2517

01:39:58,390 --> 01:39:56,000

once that was resolved

2518

01:39:59,430 --> 01:39:58,400

everybody wasn't talking over each other

2519

01:40:00,870 --> 01:39:59,440

for the most part

2520

01:40:03,189 --> 01:40:00,880

it's kind of hard to manage when you got

2521

01:40:05,189 --> 01:40:03,199

seven people in a show right

2522

01:40:06,950 --> 01:40:05,199

but uh i thought of some ways that we

2523

01:40:10,709 --> 01:40:06,960

can uh

2524

01:40:12,390 --> 01:40:10,719

that we can minimize the the over talk

2525

01:40:14,070 --> 01:40:12,400

and things like that and try to make it

2526

01:40:15,510 --> 01:40:14,080

better for every participant but i want

2527

01:40:16,790 --> 01:40:15,520

to thank every one of the participants

2528

01:40:18,550 --> 01:40:16,800

because that went great

2529

01:40:19,830 --> 01:40:18,560

i want to thank you guys for joining us

2530

01:40:22,229 --> 01:40:19,840

tonight

2531

01:40:23,750 --> 01:40:22,239

and uh you know really remind you be

2532

01:40:26,310 --> 01:40:23,760

careful with what you share

2533

01:40:27,990 --> 01:40:26,320

on social media because you may be

2534

01:40:31,189 --> 01:40:28,000

helping

2535

01:40:32,550 --> 01:40:31,199

basically propagandists spread fake

2536

01:40:37,030 --> 01:40:32,560

information

2537

01:40:40,070 --> 01:40:37,040

for whatever purpose that they have

2538

01:40:42,550 --> 01:40:40,080

um we will hopefully be back

2539

01:40:44,790 --> 01:40:42,560

i guess tomorrow night i'm gonna try to

2540

01:40:46,470 --> 01:40:44,800

get to the cabin early in the afternoon

2541

01:40:48,470 --> 01:40:46,480

so that would give me some time to set

2542

01:40:53,030 --> 01:40:48,480

up and get ready and

2543

01:40:56,550 --> 01:40:54,950

it's tough for me if i get there at like

2544

01:40:58,390 --> 01:40:56,560

nine o'clock at night or eight o'clock

2545

01:41:00,790 --> 01:40:58,400

at night to suddenly set everything up

2546

01:41:02,790 --> 01:41:00,800

because i break things down there

2547

01:41:04,149 --> 01:41:02,800

um but actually i think it's it's pretty

2548

01:41:06,229 --> 01:41:04,159

ready to go there now

2549

01:41:07,590 --> 01:41:06,239

and i want to thank our patreon

2550

01:41:10,470 --> 01:41:07,600

supporters because

2551
01:41:11,510 --> 01:41:10,480
there's now a webcam there and good

2552
01:41:13,430 --> 01:41:11,520
headphones and

2553
01:41:15,109 --> 01:41:13,440
whatever a microphone there so i don't

2554
01:41:16,950 --> 01:41:15,119
have to take things back and forth and

2555
01:41:18,070 --> 01:41:16,960
that's really helped to make things work

2556
01:41:20,870 --> 01:41:18,080
better

2557
01:41:22,709 --> 01:41:20,880
so anyway friends uh i want to thank you

2558
01:41:23,350 --> 01:41:22,719
all for joining me and welcome you to

2559
01:41:26,390 --> 01:41:23,360
come back

2560
01:41:29,590 --> 01:41:26,400
hopefully tomorrow night

2561
01:41:31,830 --> 01:41:29,600
uh that would be good i've uh

2562
01:41:33,510 --> 01:41:31,840
really i'm really thankful that uh to

2563
01:41:35,350 --> 01:41:33,520

have you guys here and every time that i

2564

01:41:36,950 --> 01:41:35,360

do this there seems to be an audience

2565

01:41:37,910 --> 01:41:36,960

we're going to keep the ball rolling

2566

01:41:40,390 --> 01:41:37,920

keep

2567

01:41:41,910 --> 01:41:40,400

watering this garden trying to get to

2568

01:41:45,270 --> 01:41:41,920

the magic numbers

2569

01:41:47,270 --> 01:41:45,280

um and i also have some product ads

2570

01:41:49,830 --> 01:41:47,280

i do listen i promise we're not going to

2571

01:41:51,510 --> 01:41:49,840

turn into like some shows that play a

2572

01:41:52,870 --> 01:41:51,520

commercial every five minutes but i

2573

01:41:54,390 --> 01:41:52,880

think the commercials would be good so i

2574

01:41:55,990 --> 01:41:54,400

can get up and take a break once a while

2575

01:41:56,629 --> 01:41:56,000

if i need to or whatever and they'll be

2576

01:41:58,870 --> 01:41:56,639

quick

2577

01:42:00,229 --> 01:41:58,880

with two or three minute commercials and

2578

01:42:02,629 --> 01:42:00,239

we'll only play like two

2579

01:42:03,830 --> 01:42:02,639

a show no matter how long the show is

2580

01:42:06,709 --> 01:42:03,840

i'm saying that now

2581

01:42:07,910 --> 01:42:06,719

i don't know we'll see uh but yeah we

2582

01:42:12,830 --> 01:42:07,920

have like

2583

01:42:12,840 --> 01:42:26,390

crap

2584

01:42:29,350 --> 01:42:27,750

i can't listen to youtube when the

2585

01:42:31,510 --> 01:42:29,360

screen is locked i need to check my

2586

01:42:33,590 --> 01:42:31,520

settings yeah i hate phones i don't

2587

01:42:35,350 --> 01:42:33,600

i'm a computer guy i don't really like

2588

01:42:36,310 --> 01:42:35,360

phones i always never know how to work

2589

01:42:37,990 --> 01:42:36,320

it or get the setting

2590

01:42:39,350 --> 01:42:38,000

my wife has to do it for me i can't

2591

01:42:41,669 --> 01:42:39,360

remember but there was something when i

2592

01:42:43,750 --> 01:42:41,679

got my new phone i was oh it had

2593

01:42:45,350 --> 01:42:43,760

it had gestures enabled and i was like

2594

01:42:46,790 --> 01:42:45,360

what the hell is this

2595

01:42:48,390 --> 01:42:46,800

i can't get this thing to do anything

2596

01:42:49,189 --> 01:42:48,400

because i needed to do it with the

2597

01:42:51,910 --> 01:42:49,199

gestures

2598

01:42:52,790 --> 01:42:51,920

uh wrench mark please yeah let me get

2599

01:42:55,669 --> 01:42:52,800

over there

2600

01:42:59,750 --> 01:42:55,679

i will wrench mark hold on one second

2601
01:42:59,760 --> 01:43:03,669
one second

2602
01:43:07,669 --> 01:43:05,910
there you go mark tirana we are giving

2603
01:43:10,870 --> 01:43:07,679
you a moderator

2604
01:43:12,790 --> 01:43:10,880
wrench use your powers wisely

2605
01:43:15,109 --> 01:43:12,800
says mark tarana is now a moderator of

2606
01:43:17,030 --> 01:43:15,119
your channel congratulations and

2607
01:43:18,790 --> 01:43:17,040
uh yeah i didn't know that he didn't

2608
01:43:20,550 --> 01:43:18,800
already have one almost everybody that

2609
01:43:21,750 --> 01:43:20,560
comes in here gets a wrench or has one

2610
01:43:23,189 --> 01:43:21,760
and we've been pretty good with

2611
01:43:27,430 --> 01:43:23,199
everybody using it

2612
01:43:31,350 --> 01:43:27,440
well so welcome mark tarana as a

2613
01:43:35,189 --> 01:43:33,990

so friends with that with uh this

2614

01:43:38,070 --> 01:43:35,199

promotion of

2615

01:43:39,189 --> 01:43:38,080

mark tarana as a moderator that's ending

2616

01:43:40,790 --> 01:43:39,199

on a high note right

2617

01:43:42,790 --> 01:43:40,800

mark's a good guy and he's very

2618

01:43:43,750 --> 01:43:42,800

supportive of our show glad to give that

2619

01:43:45,750 --> 01:43:43,760

to you

2620

01:43:47,189 --> 01:43:45,760

uh don't get out of line with it mark

2621

01:43:47,669 --> 01:43:47,199

toronto or we're gonna have to take it

2622

01:43:51,510 --> 01:43:47,679

away

2623

01:43:52,229 --> 01:43:51,520

think and actually i gotta give it back

2624

01:43:55,590 --> 01:43:52,239

because i

2625

01:43:57,030 --> 01:43:55,600

did that's a long story story for

2626

01:43:59,669 --> 01:43:57,040

another time

2627

01:44:01,270 --> 01:43:59,679

but friends uh yeah we'll be uh we'll be

2628

01:44:02,870 --> 01:44:01,280

back tomorrow night maybe by then we'll

2629

01:44:04,709 --> 01:44:02,880

actually know who the next president is

2630

01:44:06,310 --> 01:44:04,719

going to be when that be great but i

2631

01:44:07,510 --> 01:44:06,320

have a feeling that this is going to go

2632

01:44:10,070 --> 01:44:07,520

for a month and they're going to be

2633

01:44:12,870 --> 01:44:10,080

suing each other for a month and

2634

01:44:14,629 --> 01:44:12,880

we're going to have al gore and uh bush

2635

01:44:15,830 --> 01:44:14,639

kind of all over again but this one's

2636

01:44:17,669 --> 01:44:15,840

going to be worse

2637

01:44:19,990 --> 01:44:17,679

i hope it's not though i hope they just

2638

01:44:23,189 --> 01:44:20,000

somebody peacefully concedes and

2639

01:44:25,830 --> 01:44:23,199

goes away and the other you know keeps

2640

01:44:28,070 --> 01:44:25,840

the job or gets the job whatever

2641

01:44:29,750 --> 01:44:28,080

we all need some peace right and all

2642

01:44:32,470 --> 01:44:29,760

this uncertainty

2643

01:44:36,310 --> 01:44:32,480

it's too much at once man so at least

2644

01:44:39,430 --> 01:44:38,390

until next time friends uh thanks for

2645

01:44:42,790 --> 01:44:39,440

joining me

2646

01:44:47,030 --> 01:44:42,800

and uh good night and god bless

2647

01:45:05,400 --> 01:44:47,040

every single one of you i mean that

2648

01:45:05,410 --> 01:45:28,830

[Music]

2649

01:45:28,840 --> 01:45:44,520

so

2650

01:46:11,840 --> 01:45:52,100

[Music]

2651

01:46:20,950 --> 01:46:11,850

so

2652

01:46:23,720 --> 01:46:20,960

[Music]
