

1
00:00:13,060 --> 00:00:28,830

[Music]

2
00:01:44,170 --> 00:00:31,220

so

3
00:02:13,350 --> 00:01:54,600

[Music]

4
00:02:17,510 --> 00:02:15,430
greetings and salutations friends

5
00:02:20,710 --> 00:02:17,520
tonight we are broadcasting live

6
00:02:22,150 --> 00:02:20,720
uh from the apocalypse cabin uh that is

7
00:02:25,350 --> 00:02:22,160
we will be

8
00:02:27,350 --> 00:02:25,360
so long as the uh ramshackle internet

9
00:02:31,430 --> 00:02:27,360
system holds up here

10
00:02:34,390 --> 00:02:31,440
um we got internet installed or

11
00:02:35,430 --> 00:02:34,400
kind of yeah we got we got internet run

12
00:02:38,790 --> 00:02:35,440
here

13
00:02:41,030 --> 00:02:38,800

uh probably right before

14

00:02:42,150 --> 00:02:41,040

summer and they've been out here like

15

00:02:45,670 --> 00:02:42,160

six times

16

00:02:47,509 --> 00:02:45,680

so far uh because uh

17

00:02:49,670 --> 00:02:47,519

i'm not getting anywhere near the

18

00:02:52,470 --> 00:02:49,680

bandwidth that i'm paying for

19

00:02:52,949 --> 00:02:52,480

it's probably half of what i'm paying

20

00:03:00,070 --> 00:02:52,959

for

21

00:03:03,670 --> 00:03:00,080

um not working well so

22

00:03:08,630 --> 00:03:05,830

phase out of internet existence you'll

23

00:03:11,270 --> 00:03:08,640

know why that is

24

00:03:13,030 --> 00:03:11,280

so today i spent about 10 hours here

25

00:03:15,270 --> 00:03:13,040

working on the cabin that gave me a lot

26
00:03:16,070 --> 00:03:15,280
of time to think and sort of decompress

27
00:03:19,350 --> 00:03:16,080
from all of this

28
00:03:21,270 --> 00:03:19,360
election stress and one thing that i was

29
00:03:24,550 --> 00:03:21,280
thinking about is

30
00:03:27,670 --> 00:03:24,560
was my life any better

31
00:03:31,190 --> 00:03:27,680
under any other president

32
00:03:34,390 --> 00:03:31,200
other than uh donald trump no

33
00:03:36,789 --> 00:03:34,400
uh what uh

34
00:03:38,229 --> 00:03:36,799
was my life any worse under any other

35
00:03:39,190 --> 00:03:38,239
president other than the current

36
00:03:42,710 --> 00:03:39,200
president

37
00:03:45,589 --> 00:03:42,720
no not really um

38
00:03:46,550 --> 00:03:45,599

so you know i'm kind of disconnecting

39

00:03:48,869 --> 00:03:46,560

from this

40

00:03:49,910 --> 00:03:48,879

i don't know why but for a while i cared

41

00:03:51,190 --> 00:03:49,920

who was going to win

42

00:03:53,429 --> 00:03:51,200

even though i didn't want either of

43

00:03:58,830 --> 00:03:53,439

these clowns to win right so i was

44

00:04:04,789 --> 00:04:01,670

um

45

00:04:06,869 --> 00:04:04,799

yeah but it is what it is friends we are

46

00:04:09,830 --> 00:04:06,879

being fed this uh

47

00:04:11,830 --> 00:04:09,840

steady diet of fear porn and we can

48

00:04:12,550 --> 00:04:11,840

either choose to take part in that

49

00:04:15,750 --> 00:04:12,560

buffet

50

00:04:16,870 --> 00:04:15,760

or we can decline so today was nice

51

00:04:19,749 --> 00:04:16,880

because i didn't

52

00:04:21,670 --> 00:04:19,759

uh you know i just checked in with uh

53

00:04:23,189 --> 00:04:21,680

sort of caught up in the last 20 minutes

54

00:04:25,110 --> 00:04:23,199

of whatever news

55

00:04:27,510 --> 00:04:25,120

seems like nothing changed they keep

56

00:04:30,550 --> 00:04:27,520

saying uh you know

57

00:04:34,150 --> 00:04:30,560

something may happen soon but so far

58

00:04:35,749 --> 00:04:34,160

no but like i was saying i was thinking

59

00:04:38,950 --> 00:04:35,759

that you know my life is

60

00:04:41,510 --> 00:04:38,960

probably not going to change uh

61

00:04:42,790 --> 00:04:41,520

if biden wins or if trump wins i'm still

62

00:04:43,909 --> 00:04:42,800

gonna have to get up in the morning go

63

00:04:47,189 --> 00:04:43,919

to work

64

00:04:49,430 --> 00:04:47,199

uh you know take care of my family do

65

00:04:50,950 --> 00:04:49,440

the normal things that i would be doing

66

00:04:53,909 --> 00:04:50,960

regardless of who won

67

00:04:54,950 --> 00:04:53,919

so at this point i'm trying not to care

68

00:04:58,230 --> 00:04:54,960

but looking ahead

69

00:04:59,749 --> 00:04:58,240

if i do envision a biden presidency

70

00:05:01,430 --> 00:04:59,759

you know i have a little bit of anxiety

71

00:05:03,189 --> 00:05:01,440

about that i think he's very weak on

72

00:05:03,990 --> 00:05:03,199

many things i think he's a corporate

73

00:05:06,310 --> 00:05:04,000

skill

74

00:05:07,590 --> 00:05:06,320

he's bought and paid for by uh the

75

00:05:10,870 --> 00:05:07,600

technology companies

76

00:05:10,880 --> 00:05:19,909

one second friends

77

00:05:24,629 --> 00:05:22,230

so biden is uh you know a little bit

78

00:05:33,670 --> 00:05:24,639

concerning because you don't know

79

00:05:39,749 --> 00:05:36,830

you you just don't know who where his

80

00:05:44,469 --> 00:05:39,759

allegiances where his allegiances

81

00:05:49,430 --> 00:05:47,270

i believe that he uh was a huge

82

00:05:52,230 --> 00:05:49,440

supporter of the credit card industry

83

00:05:53,510 --> 00:05:52,240

and he was a huge supporter of the iraq

84

00:05:58,070 --> 00:05:53,520

war

85

00:06:02,150 --> 00:06:00,790

i believe that he's compromised in the

86

00:06:05,749 --> 00:06:02,160

form that

87

00:06:07,110 --> 00:06:05,759

several foreign because of foreign

88

00:06:09,270 --> 00:06:07,120

business deals with him

89

00:06:11,110 --> 00:06:09,280

and his son and burisma and all these

90

00:06:13,510 --> 00:06:11,120

different things and chinese money and

91

00:06:15,189 --> 00:06:13,520

russian money and ukrainian money

92

00:06:17,189 --> 00:06:15,199

he can't deal straight with those

93

00:06:19,029 --> 00:06:17,199

countries now because he has a financial

94

00:06:21,110 --> 00:06:19,039

interest

95

00:06:22,390 --> 00:06:21,120

he's been taking money he has been

96

00:06:24,070 --> 00:06:22,400

taking money

97

00:06:25,830 --> 00:06:24,080

mario heat and we're going to do some

98

00:06:28,870 --> 00:06:25,840

shout outs here

99

00:06:31,909 --> 00:06:28,880

mario heat is here and says basago

100

00:06:33,670 --> 00:06:31,919

andrew pisago 2020. yeah maybe we

101
00:06:34,309 --> 00:06:33,680
entered an alternate timeline because i

102
00:06:37,110 --> 00:06:34,319
thought andrew

103
00:06:38,550 --> 00:06:37,120
saga was supposed to win in 2016 and it

104
00:06:41,830 --> 00:06:38,560
appears that he was supposed to win now

105
00:06:43,350 --> 00:06:41,840
in 2020 according to him and

106
00:06:44,950 --> 00:06:43,360
i don't know i didn't even see his name

107
00:06:47,110 --> 00:06:44,960
on the ballot

108
00:06:48,150 --> 00:06:47,120
so shout out to kb kb is here shout out

109
00:06:50,150 --> 00:06:48,160
to out of mind

110
00:06:52,870 --> 00:06:50,160
out of mind is here shout out to bunya

111
00:06:55,510 --> 00:06:52,880
shout out to bee gees

112
00:06:57,589 --> 00:06:55,520
bg's requested that i bring uh jason

113
00:06:59,029 --> 00:06:57,599

quit on as a guest and i'm trying to i

114

00:07:01,110 --> 00:06:59,039

did send him the link i don't

115

00:07:05,270 --> 00:07:01,120

i i think he might take us up on it

116

00:07:10,469 --> 00:07:08,950

uh so shout out to

117

00:07:12,070 --> 00:07:10,479

let's see if i got everybody shout out

118

00:07:15,029 --> 00:07:12,080

to michael michael is back

119

00:07:16,390 --> 00:07:15,039

shout out to blind dave crypto back for

120

00:07:19,909 --> 00:07:16,400

a second

121

00:07:23,029 --> 00:07:19,919

run here shout out to mario heat

122

00:07:25,830 --> 00:07:23,039

and bg's and jake

123

00:07:27,749 --> 00:07:25,840

crypto minded and jonas side is here

124

00:07:31,589 --> 00:07:27,759

good to see you jonah side

125

00:07:33,830 --> 00:07:31,599

um i think that oh victor sarge is here

126

00:07:38,309 --> 00:07:33,840

haven't seen you in a while

127

00:07:41,830 --> 00:07:38,319

now time to see you back michael

128

00:07:45,350 --> 00:07:41,840

and melissa dawn is here and she says

129

00:07:47,270 --> 00:07:45,360

china owns biden yeah they might uh well

130

00:07:53,029 --> 00:07:47,280

they at least own his son

131

00:07:56,390 --> 00:07:54,950

but tonight i thought we could try at

132

00:07:59,430 --> 00:07:56,400

least to get off this

133

00:08:01,510 --> 00:07:59,440

election binge watching and uh

134

00:08:03,589 --> 00:08:01,520

talk about something else i guess the

135

00:08:05,510 --> 00:08:03,599

problem is uh

136

00:08:06,790 --> 00:08:05,520

i'm not quite sure what else to talk

137

00:08:10,230 --> 00:08:06,800

about so

138

00:08:13,270 --> 00:08:10,240

we're gonna open up the live chat and

139

00:08:15,749 --> 00:08:13,280

also uh the live we're gonna

140

00:08:17,749 --> 00:08:15,759

uh take phone calls if it works i'm

141

00:08:19,270 --> 00:08:17,759

gonna make sure that my phone is not on

142

00:08:21,189 --> 00:08:19,280

airplane the last time we opened the

143

00:08:23,670 --> 00:08:21,199

phone lines

144

00:08:25,510 --> 00:08:23,680

it was very awkward for about 25 minutes

145

00:08:25,990 --> 00:08:25,520

while i wondered why nobody was calling

146

00:08:28,710 --> 00:08:26,000

in

147

00:08:29,830 --> 00:08:28,720

and then i realized that my phone was on

148

00:08:31,670 --> 00:08:29,840

okay

149

00:08:34,310 --> 00:08:31,680

my phone was on airplane mode and it is

150

00:08:38,149 --> 00:08:34,320

not right now so we could take

151
00:08:39,670 --> 00:08:38,159
calls uh one second friends i've got a

152
00:08:43,589 --> 00:08:39,680
batter for that now

153
00:08:50,790 --> 00:08:46,790
something like uh

154
00:08:54,150 --> 00:08:50,800
a more professional outfit here right

155
00:08:57,590 --> 00:08:54,160
i thought we had it

156
00:09:07,110 --> 00:08:57,600
no uh we don't oh yeah we do

157
00:09:11,269 --> 00:09:09,509
hello this is stephen uh you're calling

158
00:09:12,710 --> 00:09:11,279
us live at the apocalypse cabin who's

159
00:09:19,190 --> 00:09:12,720
this

160
00:09:20,710 --> 00:09:19,200
yeah yeah how you doing bro what's going

161
00:09:23,910 --> 00:09:20,720
on

162
00:09:27,670 --> 00:09:23,920
just trying to get out of work right now

163
00:09:33,590 --> 00:09:31,269

so uh so what did you want to talk about

164

00:09:39,190 --> 00:09:33,600

besides trying to get out of work

165

00:09:43,750 --> 00:09:39,200

um i don't know i'm sick of the election

166

00:09:47,990 --> 00:09:46,470

i just want someone to win not the

167

00:09:51,110 --> 00:09:48,000

people that are going to but

168

00:09:54,150 --> 00:09:51,120

somebody yeah but uh in

169

00:09:55,990 --> 00:09:54,160

16 i actually voted for andrew i

170

00:09:58,310 --> 00:09:56,000

wrote a man that's my candidate for

171

00:10:01,190 --> 00:09:58,320

president

172

00:10:04,069 --> 00:10:01,200

well he couldn't do worse than the

173

00:10:06,470 --> 00:10:04,079

clowns they put up there right

174

00:10:08,550 --> 00:10:06,480

i thought he had hillary and he had the

175

00:10:09,190 --> 00:10:08,560

donald and i went you know let's just go

176

00:10:12,710 --> 00:10:09,200

with the guy

177

00:10:15,110 --> 00:10:12,720

no it's crazy yeah yeah certifiably

178

00:10:17,110 --> 00:10:15,120

crazy the guy that's been to mars

179

00:10:19,590 --> 00:10:17,120

traveled to mars in jump rooms and time

180

00:10:22,630 --> 00:10:19,600

traveled

181

00:10:25,110 --> 00:10:22,640

lincoln's uh speed to gettysburg

182

00:10:26,310 --> 00:10:25,120

met jim morrison doing the jump room

183

00:10:28,069 --> 00:10:26,320

stuff

184

00:10:31,269 --> 00:10:28,079

yeah jim morrison's not dead he's

185

00:10:33,190 --> 00:10:31,279

working for the secret space program

186

00:10:35,829 --> 00:10:33,200

actually he was a rapture and what

187

00:10:40,389 --> 00:10:35,839

easter are you

188

00:10:46,710 --> 00:10:45,030

i looked into it all right sure why not

189

00:10:48,389 --> 00:10:46,720

i forgot to mention if anybody would

190

00:10:48,949 --> 00:10:48,399

like to join in the show we could have a

191

00:10:50,949 --> 00:10:48,959

panel

192

00:10:53,670 --> 00:10:50,959

just email me at truthseekershow

193

00:10:55,509 --> 00:10:53,680

gmail.com or send me a dm on twitter or

194

00:10:58,949 --> 00:10:55,519

send me a message on facebook and i will

195

00:11:03,910 --> 00:11:00,470

i forgot here i'm supposed to send it to

196

00:11:03,920 --> 00:11:12,790

i'm a bad host

197

00:11:18,710 --> 00:11:14,710

well good somebody's got to like this

198

00:11:23,430 --> 00:11:21,269

one second here all right i think we

199

00:11:26,710 --> 00:11:23,440

might get our english correspondent

200

00:11:30,470 --> 00:11:26,720

in tonight hopefully we don't

201

00:11:30,480 --> 00:11:35,350

yeah yeah

202

00:11:40,150 --> 00:11:37,910

yeah so we're uh we're trying to talk

203

00:11:41,670 --> 00:11:40,160

about something other than the election

204

00:11:43,350 --> 00:11:41,680

you know i don't know i spent all day

205

00:11:45,110 --> 00:11:43,360

working on this cabin and

206

00:11:46,710 --> 00:11:45,120

disconnecting from the internet and the

207

00:11:49,910 --> 00:11:46,720

news cycle and

208

00:11:54,389 --> 00:11:49,920

and uh just just

209

00:11:56,629 --> 00:11:54,399

trying to get some things done

210

00:11:59,190 --> 00:11:56,639

yeah i've been ignoring it um as much as

211

00:12:01,269 --> 00:11:59,200

i can watch the show on tuesday but

212

00:12:03,269 --> 00:12:01,279

i had a bad day at work and walk all day

213

00:12:05,430 --> 00:12:03,279

and i was just really sore

214

00:12:06,310 --> 00:12:05,440

like it blocked my time i was like i'm

215

00:12:14,710 --> 00:12:06,320

out

216

00:12:18,230 --> 00:12:16,790

and uh even though we don't want to talk

217

00:12:19,750 --> 00:12:18,240

about election stuff people are asking

218

00:12:21,190 --> 00:12:19,760

questions in the chat

219

00:12:23,030 --> 00:12:21,200

somebody asks what's your take on the

220

00:12:25,110 --> 00:12:23,040

dude that says the ballots were secretly

221

00:12:27,030 --> 00:12:25,120

marked with blockchain tech

222

00:12:28,470 --> 00:12:27,040

that's not i don't believe that's

223

00:12:30,949 --> 00:12:28,480

accurate

224

00:12:32,069 --> 00:12:30,959

or marked with a chemical some people

225

00:12:34,069 --> 00:12:32,079

have said

226

00:12:35,350 --> 00:12:34,079

every state generates their own is in

227

00:12:37,590 --> 00:12:35,360

charge of their own election

228

00:12:39,030 --> 00:12:37,600

so that could not really happen i don't

229

00:12:40,949 --> 00:12:39,040

believe the federal government could get

230

00:12:43,910 --> 00:12:40,959

involved and force them to

231

00:12:44,790 --> 00:12:43,920

use blockchain tech or anything and mark

232

00:12:47,190 --> 00:12:44,800

every ballot

233

00:12:50,389 --> 00:12:47,200

so this is just more conspiracy theories

234

00:12:53,829 --> 00:12:53,030

yeah um county i live in washington

235

00:12:56,790 --> 00:12:53,839

state

236

00:12:59,350 --> 00:12:56,800

we've been voting through mail-in for

237

00:13:01,350 --> 00:12:59,360

honestly about 12 years now

238

00:13:04,829 --> 00:13:01,360

um i remember the last time i actually

239

00:13:11,910 --> 00:13:04,839

went into vote i've been doing it so

240

00:13:17,350 --> 00:13:14,949

yeah you know i think there's just

241

00:13:18,150 --> 00:13:17,360

i think that they did this really handle

242

00:13:19,750 --> 00:13:18,160

things wrong

243

00:13:21,190 --> 00:13:19,760

like they should have put out there that

244

00:13:22,870 --> 00:13:21,200

listen uh the hand

245

00:13:25,030 --> 00:13:22,880

the uh mail-in ballots have to be

246

00:13:26,710 --> 00:13:25,040

hand-counted so that's going to take

247

00:13:28,069 --> 00:13:26,720

an incredible amount of time two or

248

00:13:30,230 --> 00:13:28,079

three days longer than

249

00:13:32,389 --> 00:13:30,240

usual or something they didn't

250

00:13:33,990 --> 00:13:32,399

communicate well and this just leads to

251

00:13:37,990 --> 00:13:34,000

all these people with their grand

252

00:13:41,509 --> 00:13:40,150

yeah i was really uh not to go on the

253

00:13:44,389 --> 00:13:41,519

election but the

254

00:13:52,470 --> 00:13:44,399

dw who would look good with mustaches be

255

00:13:56,150 --> 00:13:54,389

for those that don't know david wilcock

256

00:13:59,269 --> 00:13:56,160

on monday before the election

257

00:14:00,629 --> 00:13:59,279

predicted a donald trump landslide and i

258

00:14:02,949 --> 00:14:00,639

heard vanessa thor

259

00:14:03,829 --> 00:14:02,959

correctly point out that this is just

260

00:14:06,230 --> 00:14:03,839

his eleven

261

00:14:08,069 --> 00:14:06,240

thousand three hundred and twenty second

262

00:14:09,269 --> 00:14:08,079

failed completely and totally failed

263

00:14:12,230 --> 00:14:09,279

prediction

264

00:14:12,550 --> 00:14:12,240

and uh you cannot trust anything that

265

00:14:14,629 --> 00:14:12,560

guy

266

00:14:16,710 --> 00:14:14,639

says as being accurate he can't even

267

00:14:17,990 --> 00:14:16,720

guess well he can't even guess right he

268

00:14:19,189 --> 00:14:18,000

went way out on a limb

269

00:14:21,189 --> 00:14:19,199

saying that trump was going to have a

270

00:14:22,310 --> 00:14:21,199

landslide and now he looks like a

271

00:14:24,550 --> 00:14:22,320

douchebag

272

00:14:25,990 --> 00:14:24,560

because that didn't happen just like

273

00:14:27,750 --> 00:14:26,000

none of his other fake psychic

274

00:14:28,949 --> 00:14:27,760

predictions ever happened

275

00:14:30,550 --> 00:14:28,959

and you're right what's he going to do

276

00:14:31,110 --> 00:14:30,560

now because this is the alliance

277

00:14:32,710 --> 00:14:31,120

president

278

00:14:34,310 --> 00:14:32,720

and the alliance is winning and they're

279

00:14:35,750 --> 00:14:34,320

cleaning up the corruption and saving

280

00:14:36,790 --> 00:14:35,760

the mold children that are being

281

00:14:39,350 --> 00:14:36,800

trafficked

282

00:14:39,910 --> 00:14:39,360

and mass arrests of all these pedophiles

283

00:14:41,750 --> 00:14:39,920

and now

284

00:14:43,509 --> 00:14:41,760

donald trump is getting his ass kicked

285

00:14:44,629 --> 00:14:43,519

out of the white house it looks like so

286

00:14:46,310 --> 00:14:44,639

far

287

00:14:51,110 --> 00:14:46,320

how did the alliance president get

288

00:14:55,269 --> 00:14:54,310

you know i just want to hear him come

289

00:14:58,310 --> 00:14:55,279

out and just go

290

00:15:01,509 --> 00:14:58,320

you know i was [h__h]

291

00:15:02,310 --> 00:15:01,519

i made all this [h__h] up yeah just wanted

292

00:15:04,629 --> 00:15:02,320

you know you know what

293

00:15:06,310 --> 00:15:04,639

and then become a christian preacher

294

00:15:08,310 --> 00:15:06,320

please forgive me lord

295

00:15:09,750 --> 00:15:08,320

i got caught up in the new age and i

296

00:15:12,150 --> 00:15:09,760

lied to all these people

297

00:15:13,269 --> 00:15:12,160

but i'm turning over a new leaf i want

298

00:15:15,350 --> 00:15:13,279

to hear him do that

299

00:15:17,189 --> 00:15:15,360

oh we have some a comment from the

300

00:15:19,750 --> 00:15:17,199

twitch chat

301
00:15:20,470 --> 00:15:19,760
uh looks like loose minge glad to see

302
00:15:23,430 --> 00:15:20,480
you in the

303
00:15:25,590 --> 00:15:23,440
in the in the twitter in the twitch chat

304
00:15:27,590 --> 00:15:25,600
uh

305
00:15:28,790 --> 00:15:27,600
i appreciate especially new twitter

306
00:15:31,829 --> 00:15:28,800
users please do

307
00:15:33,749 --> 00:15:31,839
give us a follow on on twitch

308
00:15:35,670 --> 00:15:33,759
and for those of you who have a twitch

309
00:15:36,470 --> 00:15:35,680
account please go over to twitch.tv

310
00:15:39,509 --> 00:15:36,480
backslash

311
00:15:39,990 --> 00:15:39,519
truthseeker show and give us a follow we

312
00:15:43,110 --> 00:15:40,000
really need

313
00:15:43,430 --> 00:15:43,120

to increase our twitch uh and loose mage

314

00:15:45,670 --> 00:15:43,440

says

315

00:15:47,350 --> 00:15:45,680

i have sinned and seek forgiveness can i

316

00:15:50,470 --> 00:15:47,360

repent to you

317

00:15:52,870 --> 00:15:50,480

sure sure

318

00:15:54,949 --> 00:15:52,880

oh there's another there's another

319

00:15:58,710 --> 00:15:54,959

person that's in the twitch chat

320

00:16:01,110 --> 00:15:58,720

swung by the mullet great

321

00:16:02,069 --> 00:16:01,120

i like that handle says hi my man good

322

00:16:03,990 --> 00:16:02,079

to see you

323

00:16:05,990 --> 00:16:04,000

glad to see anybody in the twitch chat

324

00:16:08,629 --> 00:16:06,000

it's been pretty dead over there guys so

325

00:16:11,189 --> 00:16:08,639

uh yeah go over and follow us on

326

00:16:13,509 --> 00:16:11,199

twitch.tv backslash truthseeker show

327

00:16:14,870 --> 00:16:13,519

and also i'm putting up the email i'm

328

00:16:17,910 --> 00:16:14,880

putting up my email

329

00:16:19,189 --> 00:16:17,920

uh in the in a banner here so if you

330

00:16:22,550 --> 00:16:19,199

would like to join us

331

00:16:23,110 --> 00:16:22,560

on the show iphone webcam you are most

332

00:16:24,949 --> 00:16:23,120

welcome

333

00:16:26,629 --> 00:16:24,959

just email me at truesecretshow at

334

00:16:30,949 --> 00:16:26,639

gmail.com

335

00:16:34,310 --> 00:16:33,269

yeah i started a twitch just because of

336

00:16:36,150 --> 00:16:34,320

your show

337

00:16:38,230 --> 00:16:36,160

good good yeah that's another thing

338

00:16:39,910 --> 00:16:38,240

anybody anybody that doesn't have a

339

00:16:40,629 --> 00:16:39,920

twitch account it only takes a few

340

00:16:43,110 --> 00:16:40,639

minutes right

341

00:16:45,829 --> 00:16:43,120

genocide to sign up for twitch and give

342

00:16:47,829 --> 00:16:45,839

us that follow that would be great

343

00:16:50,310 --> 00:16:47,839

and the funny thing is watching you on

344

00:16:52,550 --> 00:16:50,320

the big screen tv with my wife

345

00:16:55,030 --> 00:16:52,560

and all of a sudden she's like all right

346

00:16:57,030 --> 00:16:55,040

i just stopped walking

347

00:16:58,150 --> 00:16:57,040

cool yeah thank her too i appreciate

348

00:17:01,430 --> 00:16:58,160

that

349

00:17:04,309 --> 00:17:01,440

i shall i feel triggered but they're

350

00:17:06,069 --> 00:17:04,319

uh know they do a lot twitch stuff they

351

00:17:06,549 --> 00:17:06,079

play video games on twitch i don't know

352

00:17:09,990 --> 00:17:06,559

they're

353

00:17:12,150 --> 00:17:10,000

all about twitch yeah

354

00:17:13,750 --> 00:17:12,160

yeah i don't know i've never like the

355

00:17:14,309 --> 00:17:13,760

only time i want to watch somebody play

356

00:17:16,710 --> 00:17:14,319

a game

357

00:17:17,990 --> 00:17:16,720

is if i'm thinking about buying the game

358

00:17:19,350 --> 00:17:18,000

but i can't believe

359

00:17:21,909 --> 00:17:19,360

you know if somebody would have told me

360

00:17:25,029 --> 00:17:21,919

a few years ago that there'd be a whole

361

00:17:26,710 --> 00:17:25,039

you know like entertainment form of just

362

00:17:28,549 --> 00:17:26,720

watching people stream themselves

363

00:17:29,590 --> 00:17:28,559

playing games i i wouldn't believe it

364

00:17:32,230 --> 00:17:29,600

but here we are

365

00:17:32,870 --> 00:17:32,240

you know i have friends that uh that

366

00:17:34,950 --> 00:17:32,880

play

367

00:17:35,909 --> 00:17:34,960

all you know call of duty and different

368

00:17:37,510 --> 00:17:35,919

games and they

369

00:17:38,950 --> 00:17:37,520

and they stream on twitch they're making

370

00:17:40,470 --> 00:17:38,960

money while they're playing their games

371

00:17:42,549 --> 00:17:40,480

and a few of my friends use that money

372

00:17:44,789 --> 00:17:42,559

to just buy more games and stuff

373

00:17:45,990 --> 00:17:44,799

buy more gear so i guess yeah if you're

374

00:17:47,990 --> 00:17:46,000

going to be playing

375

00:17:49,430 --> 00:17:48,000

video games for 12 hours anyway you

376

00:17:51,750 --> 00:17:49,440

might as well stream it and make a

377

00:17:54,310 --> 00:17:51,760

couple bucks if you can

378

00:17:55,750 --> 00:17:54,320

yeah my son has been and my foster kid

379

00:17:57,590 --> 00:17:55,760

they've been watching our

380

00:18:00,310 --> 00:17:57,600

people play video games for so long i'm

381

00:18:01,270 --> 00:18:00,320

like i just go on and look when i'm

382

00:18:03,270 --> 00:18:01,280

stuck

383

00:18:05,430 --> 00:18:03,280

or i can't find something where's this

384

00:18:07,590 --> 00:18:05,440

at oh there it is okay

385

00:18:08,630 --> 00:18:07,600

yeah spend you have to watch 12 hours

386

00:18:10,630 --> 00:18:08,640

straight of a guy

387

00:18:12,830 --> 00:18:10,640

playing the video game that they do not

388

00:18:16,549 --> 00:18:12,840

have and will not

389

00:18:18,470 --> 00:18:16,559

play yeah

390

00:18:20,230 --> 00:18:18,480

i don't get that yeah well well

391

00:18:22,070 --> 00:18:20,240

sometimes though like i don't have a new

392

00:18:24,950 --> 00:18:22,080

console and i was interested in that

393

00:18:27,270 --> 00:18:24,960

new spider-man game every time i buy a

394

00:18:28,710 --> 00:18:27,280

new console it's because the old console

395

00:18:29,350 --> 00:18:28,720

that i have won't play the newest

396

00:18:31,190 --> 00:18:29,360

greatest

397

00:18:33,510 --> 00:18:31,200

spider-man game so i have to buy a new

398

00:18:33,909 --> 00:18:33,520

console so yeah i watched that for a

399

00:18:36,310 --> 00:18:33,919

while

400

00:18:38,390 --> 00:18:36,320

and that looks great but unfortunately

401
00:18:39,430 --> 00:18:38,400
i'm broke and can't buy the console yet

402
00:18:55,669 --> 00:18:39,440
we'll see

403
00:19:02,710 --> 00:18:58,710
okay great great

404
00:19:04,390 --> 00:19:02,720
all right thanks jonathan all right

405
00:19:06,549 --> 00:19:04,400
all right folks bear with me i'm just

406
00:19:11,110 --> 00:19:06,559
going to tweet out our live show here so

407
00:19:13,750 --> 00:19:11,120
that more people can join us

408
00:19:15,110 --> 00:19:13,760
and that will work we're waiting on uh

409
00:19:19,510 --> 00:19:15,120
some guests

410
00:19:22,549 --> 00:19:19,520
oh by popular demand bgs

411
00:19:23,110 --> 00:19:22,559
listen i am here to make my viewers

412
00:19:27,029 --> 00:19:23,120
happy

413
00:19:29,110 --> 00:19:27,039

so whatever you guys want if you want um

414

00:19:30,710 --> 00:19:29,120

a canadian multi-dimensional time

415

00:19:33,750 --> 00:19:30,720

traveler to be on the show

416

00:19:37,110 --> 00:19:33,760

uh we'll do what you want

417

00:19:40,390 --> 00:19:37,120

so uh one second here

418

00:19:44,310 --> 00:19:40,400

see if we can get this going there we go

419

00:19:46,150 --> 00:19:44,320

there's jason quit hello long time

420

00:19:50,830 --> 00:19:46,160

for those that don't know jason quit is

421

00:19:54,630 --> 00:19:51,990

canadian

422

00:19:55,510 --> 00:19:54,640

listen i i apologize to you several

423

00:19:57,029 --> 00:19:55,520

times already

424

00:19:59,350 --> 00:19:57,039

if you want i'm going to take that tweet

425

00:20:02,630 --> 00:19:59,360

down uh and uh you know

426
00:20:03,830 --> 00:20:02,640
let me wait wait wait let me let me

427
00:20:06,149 --> 00:20:03,840
explain

428
00:20:07,510 --> 00:20:06,159
i had nothing to do with the

429
00:20:10,390 --> 00:20:07,520
embarrassment

430
00:20:11,669 --> 00:20:10,400
that you received tonight on cw show i

431
00:20:13,669 --> 00:20:11,679
had nothing to do with that

432
00:20:16,070 --> 00:20:13,679
no i think you guys set me up come on

433
00:20:17,750 --> 00:20:16,080
man he's never going come on my show

434
00:20:20,710 --> 00:20:17,760
today was like come on steve

435
00:20:21,669 --> 00:20:20,720
get in here bro come on my show he had

436
00:20:23,750 --> 00:20:21,679
some meat

437
00:20:24,870 --> 00:20:23,760
yeah for those that don't know i there

438
00:20:27,669 --> 00:20:24,880

was a meme

439

00:20:30,230 --> 00:20:27,679

and now that was unfair too because in

440

00:20:31,590 --> 00:20:30,240

in the context that he presented it i

441

00:20:33,590 --> 00:20:31,600

look like an [h__h]

442

00:20:35,830 --> 00:20:33,600

well i probably i'm an [h__h] either

443

00:20:39,110 --> 00:20:35,840

way but he made me look like a much

444

00:20:39,590 --> 00:20:39,120

bigger [h__h] because he he did the

445

00:20:41,750 --> 00:20:39,600

second

446

00:20:44,310 --> 00:20:41,760

tweet which was like a follow-up to the

447

00:20:46,789 --> 00:20:44,320

first one which was kind of funny

448

00:20:48,149 --> 00:20:46,799

this is and i'm gonna explain myself

449

00:20:50,549 --> 00:20:48,159

because that's not fair

450

00:20:52,310 --> 00:20:50,559

it's just not fair so i'm going to share

451
00:20:55,430 --> 00:20:52,320
the screen we'll see the original

452
00:20:58,549 --> 00:20:55,440
tweet and the context of it and

453
00:20:59,590 --> 00:20:58,559
and then it'll make more sense so i saw

454
00:21:01,909 --> 00:20:59,600
this meme

455
00:21:03,990 --> 00:21:01,919
and it says dear america emotional

456
00:21:05,350 --> 00:21:04,000
support canadians are on standby if you

457
00:21:07,029 --> 00:21:05,360
have not yet received your emotional

458
00:21:08,230 --> 00:21:07,039
sport canadian one will be assigned to

459
00:21:09,990 --> 00:21:08,240
you shortly

460
00:21:12,390 --> 00:21:10,000
and i laughed and then i said well i

461
00:21:14,070 --> 00:21:12,400
don't want some random canadian i want a

462
00:21:17,590 --> 00:21:14,080
really good canadian

463
00:21:21,909 --> 00:21:17,600

so i choose jason quit's wife

464

00:21:24,950 --> 00:21:24,470

and uh but later i did say that i was

465

00:21:28,390 --> 00:21:24,960

going to

466

00:21:30,710 --> 00:21:28,400

claim his wife as my emotional support

467

00:21:32,710 --> 00:21:30,720

canadian and and she would probably

468

00:21:34,470 --> 00:21:32,720

throw him out after i moved in

469

00:21:36,710 --> 00:21:34,480

that's when it got to the point of you

470

00:21:39,190 --> 00:21:36,720

know sometimes my humor is not

471

00:21:40,390 --> 00:21:39,200

good and uh yeah so i didn't mean to

472

00:21:43,190 --> 00:21:40,400

piss you off i didn't

473

00:21:43,510 --> 00:21:43,200

yeah yeah it was a joke it was a joke

474

00:21:46,950 --> 00:21:43,520

and

475

00:21:48,870 --> 00:21:46,960

truly uh you know my male friends all

476

00:21:50,549 --> 00:21:48,880

bust each other's balls like i've got a

477

00:21:51,990 --> 00:21:50,559

friend that used to say like

478

00:21:53,750 --> 00:21:52,000

to my wife like when are you leaving

479

00:21:55,270 --> 00:21:53,760

this loser and getting with me he's a

480

00:21:57,270 --> 00:21:55,280

loser you know like and

481

00:21:58,549 --> 00:21:57,280

but it was a joke and i knew it was a

482

00:22:00,149 --> 00:21:58,559

joke

483

00:22:02,070 --> 00:22:00,159

i almost punched him in the face once

484

00:22:04,230 --> 00:22:02,080

but you're canadian you're probably not

485

00:22:05,669 --> 00:22:04,240

going to punch me in the face jason quit

486

00:22:07,909 --> 00:22:05,679

so i can get away with this [h__h] with

487

00:22:11,270 --> 00:22:07,919

you monica

488

00:22:13,110 --> 00:22:11,280

laughed very hard so yeah see so she

489

00:22:16,149 --> 00:22:13,120

thought it was funny

490

00:22:18,549 --> 00:22:16,159

and and jonah side has already claimed

491

00:22:21,029 --> 00:22:18,559

me really so you're going to be

492

00:22:23,190 --> 00:22:21,039

genocide's emotional support canadian

493

00:22:24,870 --> 00:22:23,200

yes that's good i hope we can all have

494

00:22:27,110 --> 00:22:24,880

separate bedrooms you know

495

00:22:30,630 --> 00:22:27,120

i'll take your wife and one genocide can

496

00:22:35,669 --> 00:22:33,350

so there you are folks he's not really

497

00:22:37,590 --> 00:22:35,679

pissed off his wife laughed you know but

498

00:22:40,310 --> 00:22:37,600

i i don't blame c.w chandler if i got

499

00:22:42,310 --> 00:22:40,320

handed that i would have ran with it too

500

00:22:44,230 --> 00:22:42,320

trying to get this internet beef going

501
00:22:47,270 --> 00:22:44,240
right it's like wrestling

502
00:22:48,549 --> 00:22:47,280
it's always my mistake you know i say

503
00:22:51,909 --> 00:22:48,559
hello in the live chat

504
00:22:54,789 --> 00:22:51,919
to people and suddenly it's

505
00:22:56,630 --> 00:22:54,799
getting called out yeah jason why are

506
00:22:58,789 --> 00:22:56,640
you defending the honor of your wife

507
00:23:02,149 --> 00:22:58,799
how dare you let stephen campion say

508
00:23:07,350 --> 00:23:04,870
yeah i really am an [h__h] though my

509
00:23:10,070 --> 00:23:07,360
mouth is going to get me shot someday

510
00:23:11,990 --> 00:23:10,080
and get me shot someday yeah you're

511
00:23:14,789 --> 00:23:12,000
already in the cabin

512
00:23:16,070 --> 00:23:14,799
you're already yeah i'm pretty safe here

513
00:23:17,909 --> 00:23:16,080

untraceable

514

00:23:19,990 --> 00:23:17,919

yeah it's crazy today because it's like

515

00:23:21,350 --> 00:23:20,000

it was like 70 outside today which is

516

00:23:22,390 --> 00:23:21,360

crazy for this time of the year at the

517

00:23:24,630 --> 00:23:22,400

cabin so

518

00:23:26,230 --> 00:23:24,640

but now it's getting it's like 35 40

519

00:23:28,070 --> 00:23:26,240

outside and i hate that because it's

520

00:23:30,230 --> 00:23:28,080

really hard to tamp down this wood stove

521

00:23:33,430 --> 00:23:30,240

like it's either full blast or like

522

00:23:35,029 --> 00:23:33,440

you know does it have uh oh my wife is

523

00:23:37,430 --> 00:23:35,039

coming in it's a video monica do you

524

00:23:40,070 --> 00:23:37,440

want to say hello to stephen

525

00:23:41,990 --> 00:23:40,080

there's my canadian support wife i mean

526

00:23:42,390 --> 00:23:42,000

he can't hear you she can't hear you oh

527

00:23:45,110 --> 00:23:42,400

oh

528

00:23:46,070 --> 00:23:45,120

no i can't my emotional support canadian

529

00:23:47,830 --> 00:23:46,080

is here

530

00:23:50,710 --> 00:23:47,840

he says that you're his emotional

531

00:23:53,190 --> 00:23:50,720

support canadian and you're here finally

532

00:23:54,070 --> 00:23:53,200

i don't know if he can see you thumbs up

533

00:23:57,750 --> 00:23:54,080

bro

534

00:24:00,149 --> 00:23:57,760

i can see her tower i like bubble baths

535

00:24:02,390 --> 00:24:00,159

and champagne

536

00:24:04,549 --> 00:24:02,400

and i'm very stressed i'm very stressed

537

00:24:07,990 --> 00:24:04,559

and i like bubble baths and champagne

538

00:24:10,549 --> 00:24:08,000

just just let her know that what

539

00:24:11,750 --> 00:24:10,559

he says that he enjoys bubble baths and

540

00:24:12,950 --> 00:24:11,760

champagne

541

00:24:15,430 --> 00:24:12,960

that's that's what he wants for

542

00:24:19,110 --> 00:24:15,440

emotional support oh my god

543

00:24:20,710 --> 00:24:19,120

me too maybe a back rub you know

544

00:24:22,549 --> 00:24:20,720

depends on what jason quit's gonna let

545

00:24:24,549 --> 00:24:22,559

me get away with you know

546

00:24:26,789 --> 00:24:24,559

i'm gonna i'm gonna add some pizza into

547

00:24:29,430 --> 00:24:26,799

my bubble bath

548

00:24:30,149 --> 00:24:29,440

i could do that what stove pizza i'm

549

00:24:31,669 --> 00:24:30,159

great at that

550

00:24:33,190 --> 00:24:31,679

you got a wood stove well maybe you're

551
00:24:35,190 --> 00:24:33,200
wearing stone pieces i have a wood stuff

552
00:24:37,830 --> 00:24:35,200
i'm going to see if i can get this

553
00:24:38,549 --> 00:24:37,840
um so she can oh never mind she can't

554
00:24:40,230 --> 00:24:38,559
hear it

555
00:24:41,830 --> 00:24:40,240
she is all right she doesn't want to be

556
00:24:45,269 --> 00:24:41,840
on my show it's just

557
00:24:48,789 --> 00:24:45,279
it's just in the headphones oh

558
00:24:51,430 --> 00:24:48,799
what i think we lost stephen

559
00:24:52,230 --> 00:24:51,440
did we lose stephen is it just me did he

560
00:24:58,710 --> 00:24:52,240
have a heart attack

561
00:25:02,230 --> 00:24:58,720
did we lose stephen the host of the show

562
00:25:03,669 --> 00:25:02,240
say in the chat please uh no did he

563
00:25:05,669 --> 00:25:03,679

i don't know what happened i just got

564

00:25:08,310 --> 00:25:05,679

bumped out of my own show

565

00:25:08,870 --> 00:25:08,320

yeah because you were talking crap to my

566

00:25:10,630 --> 00:25:08,880

wife

567

00:25:12,710 --> 00:25:10,640

and you know probably that's probably

568

00:25:16,310 --> 00:25:12,720

why

569

00:25:17,990 --> 00:25:16,320

i think it's just

570

00:25:19,990 --> 00:25:18,000

i have a d i have deep-rooted

571

00:25:22,390 --> 00:25:20,000

subconscious psychological issues where

572

00:25:24,710 --> 00:25:22,400

i want to take over jason quits life

573

00:25:25,909 --> 00:25:24,720

he's got all these amazing synthesizers

574

00:25:28,390 --> 00:25:25,919

that i can't buy

575

00:25:30,149 --> 00:25:28,400

in this music studio what can you tell

576

00:25:31,430 --> 00:25:30,159

us what was it that you were just doing

577

00:25:33,510 --> 00:25:31,440

are you allowed to tell us now

578

00:25:35,269 --> 00:25:33,520

every time jason quit comes on my show

579

00:25:37,110 --> 00:25:35,279

he's like a secret agent he's like well

580

00:25:38,789 --> 00:25:37,120

i'm working on this secret project and i

581

00:25:41,830 --> 00:25:38,799

can't really talk about it

582

00:25:42,870 --> 00:25:41,840

but it's really big and you know what a

583

00:25:50,310 --> 00:25:42,880

secret

584

00:25:53,350 --> 00:25:50,320

working on helping to produce

585

00:25:57,350 --> 00:25:53,360

a folk singer in the uk

586

00:26:00,630 --> 00:25:57,360

and we released her first album um

587

00:26:02,310 --> 00:26:00,640

the i think it was the first of july

588

00:26:03,750 --> 00:26:02,320

and then right now we're working on her

589

00:26:07,029 --> 00:26:03,760

second album

590

00:26:07,830 --> 00:26:07,039

so um she must have liked you if you got

591

00:26:10,870 --> 00:26:07,840

the second

592

00:26:12,230 --> 00:26:10,880

album gig right there you go either that

593

00:26:13,029 --> 00:26:12,240

or she's got too much money and she's

594

00:26:16,789 --> 00:26:13,039

stupid

595

00:26:18,230 --> 00:26:16,799

but so um because jason why don't you

596

00:26:20,549 --> 00:26:18,240

help me why don't you help me out and

597

00:26:22,070 --> 00:26:20,559

produce some of my songs i keep busting

598

00:26:23,909 --> 00:26:22,080

jason quits balls for those that don't

599

00:26:24,870 --> 00:26:23,919

know he put a bunch of music up and i

600

00:26:27,590 --> 00:26:24,880

went through it and

601
00:26:28,310 --> 00:26:27,600
and i went wow this is something that i

602
00:26:30,390 --> 00:26:28,320
i would

603
00:26:31,510 --> 00:26:30,400
like almost write a few of the songs

604
00:26:33,029 --> 00:26:31,520
that he had

605
00:26:34,470 --> 00:26:33,039
you know he's some of the stuff has got

606
00:26:36,870 --> 00:26:34,480
a similar style that i like like

607
00:26:37,990 --> 00:26:36,880
gurgling synthesizers and arpeggiated

608
00:26:40,549 --> 00:26:38,000
synths and stuff

609
00:26:42,310 --> 00:26:40,559
and so i sang over one and then i was

610
00:26:43,029 --> 00:26:42,320
going to sing over more and actually i

611
00:26:45,029 --> 00:26:43,039
have

612
00:26:46,630 --> 00:26:45,039
but now i'm busting jason's quits balls

613
00:26:48,470 --> 00:26:46,640

to steal more of his music

614

00:26:51,590 --> 00:26:48,480

that i could just slap my name on that's

615

00:26:54,870 --> 00:26:51,600

my plan jason quinn

616

00:26:56,549 --> 00:26:54,880

well i haven't touched my synthesizers

617

00:26:58,230 --> 00:26:56,559

in many months because i've been you

618

00:27:00,230 --> 00:26:58,240

know focusing on this

619

00:27:03,029 --> 00:27:00,240

but the really cool thing about this was

620

00:27:04,470 --> 00:27:03,039

uh uh for this artist we rented abby

621

00:27:05,909 --> 00:27:04,480

road studios

622

00:27:07,830 --> 00:27:05,919

yeah i heard that and i was that's

623

00:27:09,750 --> 00:27:07,840

another reason why i was jealous

624

00:27:11,029 --> 00:27:09,760

jason quits working in abbey road

625

00:27:12,390 --> 00:27:11,039

studios i do

626

00:27:14,390 --> 00:27:12,400

i want your whole life man i'm just

627

00:27:15,350 --> 00:27:14,400

gonna i'm just gonna murder you and get

628

00:27:18,310 --> 00:27:15,360

plastic surgery

629

00:27:20,310 --> 00:27:18,320

look like you i think that's my new plan

630

00:27:21,430 --> 00:27:20,320

if this emotional support canadian thing

631

00:27:23,990 --> 00:27:21,440

doesn't work out

632

00:27:25,669 --> 00:27:24,000

i've got a backup plan yeah that was

633

00:27:27,590 --> 00:27:25,679

like an old weird al joke

634

00:27:30,230 --> 00:27:27,600

he said i don't know where spooky is

635

00:27:32,549 --> 00:27:30,240

spooky i sent you the

636

00:27:34,070 --> 00:27:32,559

spooky was going to join as well i sent

637

00:27:38,310 --> 00:27:34,080

you the link in the live chat

638

00:27:41,830 --> 00:27:38,320

or in the twitter dm maybe uh

639

00:27:44,549 --> 00:27:41,840

maybe she cocked out well isn't it like

640

00:27:46,389 --> 00:27:44,559

extremely late where she is yeah maybe

641

00:27:50,070 --> 00:27:46,399

you're right it's only 10 30 here i

642

00:27:51,110 --> 00:27:50,080

i don't know where what time it is in

643

00:27:53,430 --> 00:27:51,120

england right now

644

00:27:55,190 --> 00:27:53,440

probably and i don't even know the topic

645

00:27:57,510 --> 00:27:55,200

of why i came here tonight just

646

00:27:58,870 --> 00:27:57,520

popped in to say hello uh we were just

647

00:28:00,549 --> 00:27:58,880

talking you know i figured

648

00:28:01,990 --> 00:28:00,559

somebody asked if you were if i was

649

00:28:02,950 --> 00:28:02,000

going live with you because that would

650

00:28:05,350 --> 00:28:02,960

be funny and

651

00:28:09,430 --> 00:28:05,360

there you go it wasn't that funny but

652

00:28:13,990 --> 00:28:11,990

yeah i majorly my goal for tonight was

653

00:28:15,590 --> 00:28:14,000

to talk about the election as little as

654

00:28:16,789 --> 00:28:15,600

possible i got a chance today to

655

00:28:19,350 --> 00:28:16,799

deprogram myself

656

00:28:21,110 --> 00:28:19,360

and sort of decompress and and suddenly

657

00:28:24,149 --> 00:28:21,120

i realized like really

658

00:28:26,230 --> 00:28:24,159

how is it in canada listen does does

659

00:28:27,909 --> 00:28:26,240

whoever the prime minister of canada

660

00:28:31,110 --> 00:28:27,919

really change your life at

661

00:28:33,669 --> 00:28:31,120

all no

662

00:28:35,269 --> 00:28:33,679

yeah same here like it's i still gotta

663

00:28:37,190 --> 00:28:35,279

get up in the morning i gotta go to work

664

00:28:38,789 --> 00:28:37,200

take care of my family do my tours do

665

00:28:39,510 --> 00:28:38,799

the things i need to do it doesn't

666

00:28:41,990 --> 00:28:39,520

really

667

00:28:42,789 --> 00:28:42,000

you know so here like sometimes the

668

00:28:44,870 --> 00:28:42,799

taxes

669

00:28:46,389 --> 00:28:44,880

will go up or down depending on who's in

670

00:28:48,389 --> 00:28:46,399

charge but that's it

671

00:28:50,310 --> 00:28:48,399

you know so maybe i'm gonna pay a little

672

00:28:51,830 --> 00:28:50,320

more in the next four years than i did

673

00:28:53,110 --> 00:28:51,840

these past four years maybe i'll pay a

674

00:28:54,789 --> 00:28:53,120

little less who knows

675

00:28:57,110 --> 00:28:54,799

but other than that nothing's going to

676
00:28:58,789 --> 00:28:57,120
change see i would actually love

677
00:29:00,789 --> 00:28:58,799
to have a permanent residence in the

678
00:29:03,269 --> 00:29:00,799
states because

679
00:29:04,789 --> 00:29:03,279
the taxes in the states are nothing

680
00:29:06,630 --> 00:29:04,799
compared to what we're paying in canada

681
00:29:08,950 --> 00:29:06,640
especially ontario

682
00:29:09,830 --> 00:29:08,960
we have hst i don't know if you've heard

683
00:29:13,110 --> 00:29:09,840
of that one

684
00:29:16,470 --> 00:29:13,120
harmonize sales tax we pay 13

685
00:29:20,070 --> 00:29:16,480
on any item we buy any item

686
00:29:23,750 --> 00:29:20,080
we pay 13 and then um

687
00:29:25,110 --> 00:29:23,760
what is it income tax is ridiculous

688
00:29:26,950 --> 00:29:25,120

yeah we have some states here where

689

00:29:27,430 --> 00:29:26,960

there's zero sales tax and people go

690

00:29:29,669 --> 00:29:27,440

there to

691

00:29:31,669 --> 00:29:29,679

like buy a car or some big ticket item

692

00:29:33,029 --> 00:29:31,679

because you know it's worth the drive

693

00:29:34,549 --> 00:29:33,039

like a lot of i'm in pennsylvania and

694

00:29:36,070 --> 00:29:34,559

delaware's right next door it's tax-free

695

00:29:37,510 --> 00:29:36,080

state so a lot of people

696

00:29:39,669 --> 00:29:37,520

if you're going to buy a car or a big

697

00:29:44,149 --> 00:29:39,679

ticket item you drive over and

698

00:29:46,710 --> 00:29:44,159

buy it there it hurts

699

00:29:48,310 --> 00:29:46,720

yeah well you guys pay a lot higher

700

00:29:49,830 --> 00:29:48,320

income tax but you have free medical

701
00:29:50,870 --> 00:29:49,840
though so i guess you got to take that

702
00:29:53,590 --> 00:29:50,880
into account

703
00:29:53,990 --> 00:29:53,600
actually you know what we we pay the

704
00:29:55,590 --> 00:29:54,000
medical

705
00:29:57,830 --> 00:29:55,600
we have the health card and i know a lot

706
00:30:01,029 --> 00:29:57,840
of people um

707
00:30:03,110 --> 00:30:01,039
despise socialized medicine but

708
00:30:05,110 --> 00:30:03,120
you know it's almost my three-year

709
00:30:07,990 --> 00:30:05,120
anniversary it was

710
00:30:09,430 --> 00:30:08,000
november 14th that i broke my back three

711
00:30:12,549 --> 00:30:09,440
years ago

712
00:30:13,350 --> 00:30:12,559
wow and you know i went right into the

713
00:30:16,549 --> 00:30:13,360

hospital

714

00:30:17,350 --> 00:30:16,559

they did surgery i have ten screws and

715

00:30:20,310 --> 00:30:17,360

two rods

716

00:30:21,750 --> 00:30:20,320

down my back just so i could live right

717

00:30:23,350 --> 00:30:21,760

yeah this guy i told you before that's

718

00:30:24,870 --> 00:30:23,360

got to be fun at airports right do you

719

00:30:26,630 --> 00:30:24,880

have to take your medical paperwork with

720

00:30:28,630 --> 00:30:26,640

you no really there's metal rods in my

721

00:30:36,789 --> 00:30:28,640

back i don't have any guns right

722

00:30:40,389 --> 00:30:36,799

titanium so it doesn't set off the uh um

723

00:30:42,389 --> 00:30:40,399

it doesn't set off but you know when um

724

00:30:44,470 --> 00:30:42,399

if that happened to me in the united

725

00:30:47,350 --> 00:30:44,480

states and if i didn't have insurance

726

00:30:50,149 --> 00:30:47,360

that probably would have been what the

727

00:30:53,350 --> 00:30:50,159

heck is that picture

728

00:30:55,029 --> 00:30:53,360

oh that's a mario he stole his avatar

729

00:30:57,350 --> 00:30:55,039

from one of my shows where we were

730

00:30:59,110 --> 00:30:57,360

covering david wilcox live stream and i

731

00:31:00,870 --> 00:30:59,120

just happened to pause right when david

732

00:31:03,350 --> 00:31:00,880

wilcock made that face

733

00:31:04,310 --> 00:31:03,360

and so a bunch of people captured it and

734

00:31:05,590 --> 00:31:04,320

uh

735

00:31:07,830 --> 00:31:05,600

you know i'm going to be using it for

736

00:31:08,710 --> 00:31:07,840

some david wilcock box of dildos stuff

737

00:31:10,870 --> 00:31:08,720

too

738

00:31:12,230 --> 00:31:10,880

so far he hasn't found a single dildo

739

00:31:15,029 --> 00:31:12,240

jason quit not one

740

00:31:17,509 --> 00:31:15,039

oh that's very sad um he looks like an

741

00:31:19,350 --> 00:31:17,519

austin powers villain

742

00:31:21,430 --> 00:31:19,360

yeah he's like rubbing his hands

743

00:31:24,070 --> 00:31:21,440

together and everything

744

00:31:26,149 --> 00:31:24,080

oh my god yeah jonas i'd ask how is your

745

00:31:27,830 --> 00:31:26,159

back now i suppose jason

746

00:31:29,990 --> 00:31:27,840

it's pretty much a hundred percent but

747

00:31:31,590 --> 00:31:30,000

if i'm standing too long and doing too

748

00:31:33,269 --> 00:31:31,600

much stuff on my feet

749

00:31:36,630 --> 00:31:33,279

i literally have to lay down on the

750

00:31:40,070 --> 00:31:36,640

ground flat for like 10 minutes to just

751
00:31:43,750 --> 00:31:41,909
that sucks and you're a canadian so you

752
00:31:45,350 --> 00:31:43,760
can't like chop wood even right that

753
00:31:47,110 --> 00:31:45,360
would be bad on your back wouldn't it i

754
00:31:49,509 --> 00:31:47,120
i haven't tried that yet

755
00:31:50,470 --> 00:31:49,519
and that would probably be very bad you

756
00:31:53,269 --> 00:31:50,480
can't be a canadian

757
00:31:54,870 --> 00:31:53,279
unless you chop wood jason quit you

758
00:31:56,950 --> 00:31:54,880
gotta have a big axe

759
00:31:57,909 --> 00:31:56,960
and you gotta have that like lumberjack

760
00:32:01,430 --> 00:31:57,919
uh shirt

761
00:32:03,830 --> 00:32:01,440
you know well it was either

762
00:32:04,870 --> 00:32:03,840
or tapping maple trees so now i just

763
00:32:09,509 --> 00:32:04,880

have maple trees

764

00:32:10,389 --> 00:32:09,519

as a job you chop maple trees as a job

765

00:32:13,110 --> 00:32:10,399

really tap

766

00:32:14,070 --> 00:32:13,120

tap tap oh tap oh you're making that

767

00:32:16,549 --> 00:32:14,080

fake maple syrup

768

00:32:17,350 --> 00:32:16,559

there's no such thing folks as canadian

769

00:32:19,750 --> 00:32:17,360

maple syrup

770

00:32:21,110 --> 00:32:19,760

it's [h__h] they take chinese fake

771

00:32:23,190 --> 00:32:21,120

maple syrup and they put it in a

772

00:32:26,470 --> 00:32:23,200

canadian bottle and charge you 50

773

00:32:28,310 --> 00:32:26,480

for it oh you're in for a shock if you

774

00:32:31,350 --> 00:32:28,320

ever come here

775

00:32:32,870 --> 00:32:31,360

i'm not a fan of maple syrup either way

776

00:32:34,549 --> 00:32:32,880

my wife makes fun of me because i use

777

00:32:39,990 --> 00:32:34,559

like strawberry syrup on my

778

00:32:44,070 --> 00:32:42,070

jonas i'd said that david wilcock failed

779

00:32:44,789 --> 00:32:44,080

the dildos but he enjoys them so much he

780

00:32:46,630 --> 00:32:44,799

doesn't want

781

00:32:49,750 --> 00:32:46,640

anybody to know he'd rather have the

782

00:32:51,669 --> 00:32:49,760

dildos than the prize money

783

00:32:53,269 --> 00:32:51,679

to get the prize money jason quinn he

784

00:32:55,669 --> 00:32:53,279

has to turn the dildos in

785

00:32:56,389 --> 00:32:55,679

and the strap-on for his wife was like

786

00:32:58,710 --> 00:32:56,399

what was this

787

00:33:00,310 --> 00:32:58,720

whose idea was this because this is the

788

00:33:01,909 --> 00:33:00,320

absolute first time i'm hearing about

789

00:33:03,909 --> 00:33:01,919

this and it's kind of embarrassing

790

00:33:06,149 --> 00:33:03,919

to hear about this on your show so what

791

00:33:08,230 --> 00:33:06,159

tell me okay what's the hell is going on

792

00:33:08,870 --> 00:33:08,240

oh well i just decided that in the grand

793

00:33:12,230 --> 00:33:08,880

tradition

794

00:33:14,070 --> 00:33:12,240

of challenges like david wilcock

795

00:33:16,149 --> 00:33:14,080

says that he has all these super powers

796

00:33:17,430 --> 00:33:16,159

like he's psychic and he's edgar casey

797

00:33:19,350 --> 00:33:17,440

reincarnated

798

00:33:21,190 --> 00:33:19,360

and all these different things so and he

799

00:33:23,750 --> 00:33:21,200

has government insiders and his friends

800

00:33:25,750 --> 00:33:23,760

all talk to super advanced alien beings

801
00:33:27,669 --> 00:33:25,760
and are in the secret space program and

802
00:33:30,310 --> 00:33:27,679
he's got government insiders

803
00:33:32,230 --> 00:33:30,320
so i thought let's test him on those

804
00:33:33,909 --> 00:33:32,240
super powers that he says he has and

805
00:33:35,590 --> 00:33:33,919
psychic powers and

806
00:33:38,149 --> 00:33:35,600
i so i came up with this challenge where

807
00:33:39,750 --> 00:33:38,159
i would bury a huge box of dildos

808
00:33:41,669 --> 00:33:39,760
somewhere in a secret location somewhere

809
00:33:43,590 --> 00:33:41,679
in the united states and if he found the

810
00:33:45,750 --> 00:33:43,600
box of dildos with the psychic powers

811
00:33:48,070 --> 00:33:45,760
and his government insiders and

812
00:33:49,669 --> 00:33:48,080
and his friends to talk to aliens then i

813
00:33:51,909 --> 00:33:49,679

would give him ten thousand dollars

814

00:33:54,149 --> 00:33:51,919

and so far he hasn't found a single

815

00:33:56,149 --> 00:33:54,159

dildo and then some of my viewers

816

00:33:57,909 --> 00:33:56,159

have buried dildos we're up to 14

817

00:33:59,430 --> 00:33:57,919

countries where there's buried dildos

818

00:34:01,750 --> 00:33:59,440

for david wilcock

819

00:34:03,750 --> 00:34:01,760

and he if he finds those then i'm giving

820

00:34:05,750 --> 00:34:03,760

ten dollars per failed dildo to his

821

00:34:07,669 --> 00:34:05,760

favorite charity

822

00:34:08,869 --> 00:34:07,679

i think he's playing you i think he's

823

00:34:11,349 --> 00:34:08,879

totally playing you

824

00:34:12,149 --> 00:34:11,359

he hasn't found a single dildo yet no no

825

00:34:14,389 --> 00:34:12,159

no no

826

00:34:15,750 --> 00:34:14,399

in like a couple years from now you're

827

00:34:17,829 --> 00:34:15,760

gonna go and

828

00:34:20,710 --> 00:34:17,839

dig it up to see if you found it and

829

00:34:22,310 --> 00:34:20,720

you're gonna open it up and yeah

830

00:34:24,550 --> 00:34:22,320

i'll have a note from him like [h__h] you

831

00:34:26,550 --> 00:34:24,560

steve cambion right

832

00:34:28,629 --> 00:34:26,560

he'll just say thank you very much but

833

00:34:30,470 --> 00:34:28,639

jason quit i'm a very generous guy so i

834

00:34:31,190 --> 00:34:30,480

didn't just give him dildos in the prize

835

00:34:33,270 --> 00:34:31,200

box

836

00:34:35,349 --> 00:34:33,280

i gave him a strap-on for his wife and

837

00:34:37,190 --> 00:34:35,359

anal lube too

838

00:34:39,750 --> 00:34:37,200

and the good stuff like i bought him the

839

00:34:41,430 --> 00:34:39,760

best analog money can buy jason quit

840

00:34:43,349 --> 00:34:41,440

so you're a saint is what you're telling

841

00:34:45,829 --> 00:34:43,359

me i think so i think that's very

842

00:34:49,109 --> 00:34:45,839

generous of me

843

00:34:51,109 --> 00:34:49,119

oh my god well and are you still smoking

844

00:34:54,550 --> 00:34:51,119

that what is it called chinook

845

00:34:56,069 --> 00:34:54,560

the uh picnic yeah so try

846

00:34:57,910 --> 00:34:56,079

from tribal i don't know what it is

847

00:34:59,190 --> 00:34:57,920

about your show i enjoy smoking the pipe

848

00:35:01,589 --> 00:34:59,200

when i'm on your show because you're

849

00:35:03,589 --> 00:35:01,599

smoking and i'm like

850

00:35:05,510 --> 00:35:03,599

yeah well you know what's funny is i

851

00:35:07,510 --> 00:35:05,520

really have to quit smoking and i uh

852

00:35:09,109 --> 00:35:07,520

i've been vaping but i can't stand the

853

00:35:12,150 --> 00:35:09,119

vaping stuff like

854

00:35:12,950 --> 00:35:12,160

it's just not the same thing so well i

855

00:35:15,990 --> 00:35:12,960

grew my

856

00:35:18,069 --> 00:35:16,000

uh my own stuff this year it was

857

00:35:20,390 --> 00:35:18,079

the first time i ever did that yeah and

858

00:35:22,630 --> 00:35:20,400

it's looking good for jason quit

859

00:35:24,390 --> 00:35:22,640

he's got he's got the goods that's

860

00:35:26,630 --> 00:35:24,400

another reason why i'm coming to your

861

00:35:28,630 --> 00:35:26,640

house to move in

862

00:35:29,670 --> 00:35:28,640

i'll at least stay until that's gone

863

00:35:31,430 --> 00:35:29,680

jason quit

864

00:35:32,790 --> 00:35:31,440

like we'll see how fast we could smoke

865

00:35:34,870 --> 00:35:32,800

it all yeah

866

00:35:36,069 --> 00:35:34,880

no this stuff is gonna probably last me

867

00:35:39,430 --> 00:35:36,079

two lifetimes so

868

00:35:40,310 --> 00:35:39,440

i think i need some help i i i would

869

00:35:42,790 --> 00:35:40,320

help you

870

00:35:43,589 --> 00:35:42,800

i would help what are friends for right

871

00:35:45,190 --> 00:35:43,599

exactly and

872

00:35:47,910 --> 00:35:45,200

and i'm that type of person i would

873

00:35:50,710 --> 00:35:47,920

share did i test it first

874

00:35:51,910 --> 00:35:50,720

yes test it out first i guess whatever

875

00:35:54,790 --> 00:35:51,920

you're growing

876

00:35:56,790 --> 00:35:54,800

oh no i just like smelling it you know

877

00:35:58,069 --> 00:35:56,800

michael says he got him some maple syrup

878

00:35:59,670 --> 00:35:58,079

from a farm in vermont

879

00:36:01,589 --> 00:35:59,680

when i was out there and it was pretty

880

00:36:04,390 --> 00:36:01,599

damn good so there you go some people

881

00:36:08,150 --> 00:36:04,400

appreciate maple syrup

882

00:36:10,310 --> 00:36:08,160

amazing for maple syrup just not me

883

00:36:11,190 --> 00:36:10,320

oh yeah i forgot i also gave david

884

00:36:14,630 --> 00:36:11,200

wilcock a ball

885

00:36:15,910 --> 00:36:14,640

gag too in the box there's a whole bunch

886

00:36:17,829 --> 00:36:15,920

of dildos there's a ball

887

00:36:19,109 --> 00:36:17,839

gag a strap-on for his wife and high

888

00:36:22,230 --> 00:36:19,119

quality high

889

00:36:23,510 --> 00:36:22,240

cost the best the good stuff in a loop i

890

00:36:25,349 --> 00:36:23,520

didn't want to give him a huge box of

891

00:36:27,109 --> 00:36:25,359

dildos without giving him some anal lube

892

00:36:28,310 --> 00:36:27,119

to help a brother out right i thought

893

00:36:30,550 --> 00:36:28,320

that would be rude

894

00:36:33,750 --> 00:36:30,560

you're canadian right i'm american but

895

00:36:36,069 --> 00:36:33,760

you know we don't want to be rude either

896

00:36:37,109 --> 00:36:36,079

is there a bottom to this conversation i

897

00:36:38,310 --> 00:36:37,119

don't know you know

898

00:36:40,310 --> 00:36:38,320

you know what i was thinking though when

899

00:36:42,310 --> 00:36:40,320

we were on cw shows like

900

00:36:44,310 --> 00:36:42,320

man i hope he real jason quit really

901
00:36:46,710 --> 00:36:44,320
isn't pissed off because

902
00:36:49,670 --> 00:36:46,720
like i don't want to have to explain to

903
00:36:51,910 --> 00:36:49,680
people why a canadian guy beat me up

904
00:36:54,069 --> 00:36:51,920
because it takes a lot to piss off a

905
00:36:56,470 --> 00:36:54,079
canadian you guys are so polite right

906
00:36:58,069 --> 00:36:56,480
like what's a canadian fight like like

907
00:37:00,950 --> 00:36:58,079
hey don't do that

908
00:37:02,550 --> 00:37:00,960
a and the other guy goes yeah i'm sorry

909
00:37:05,750 --> 00:37:02,560
that was rude of me a

910
00:37:07,910 --> 00:37:05,760
right you ever see a hockey game oh yeah

911
00:37:09,270 --> 00:37:07,920
you guys are tough with hockey though

912
00:37:11,589 --> 00:37:09,280
you fight with hockey

913
00:37:13,030 --> 00:37:11,599

we grow up with hockey and that's just

914

00:37:15,190 --> 00:37:13,040

like that's kind of

915

00:37:16,230 --> 00:37:15,200

to be expected that you fight within a

916

00:37:19,589 --> 00:37:16,240

hockey game though

917

00:37:21,030 --> 00:37:19,599

right even as a kid you just

918

00:37:22,950 --> 00:37:21,040

you know yeah we used to play street

919

00:37:24,470 --> 00:37:22,960

hockey and i swore that half the reason

920

00:37:25,589 --> 00:37:24,480

that we played street hockey was just to

921

00:37:27,910 --> 00:37:25,599

beat each other up

922

00:37:29,829 --> 00:37:27,920

it was an excuse to like you know give

923

00:37:33,109 --> 00:37:29,839

that guy you don't really like

924

00:37:34,710 --> 00:37:33,119

a good check and and hurt him which is a

925

00:37:36,790 --> 00:37:34,720

little sadistic but

926
00:37:39,430 --> 00:37:36,800
you know the street hockey like car and

927
00:37:42,470 --> 00:37:39,440
then you gotta move the net

928
00:37:44,870 --> 00:37:42,480
oh rollerblades inline skates yeah

929
00:37:45,510 --> 00:37:44,880
yeah well we would play just in sneakers

930
00:37:46,950 --> 00:37:45,520
sometimes

931
00:37:48,870 --> 00:37:46,960
because we were poor we didn't have

932
00:37:51,589 --> 00:37:48,880
skates we just had a hockey stick

933
00:37:52,470 --> 00:37:51,599
and these half-assed like hockey nets

934
00:37:54,069 --> 00:37:52,480
and then

935
00:37:56,950 --> 00:37:54,079
you know how we decided who the goalie

936
00:37:59,030 --> 00:37:56,960
was the goalies were

937
00:38:00,230 --> 00:37:59,040
the rich kids whose parents would buy

938
00:38:02,069 --> 00:38:00,240

them

939

00:38:04,710 --> 00:38:02,079

hockey pads and goalie pads because

940

00:38:07,190 --> 00:38:04,720

those were the most expensive

941

00:38:08,870 --> 00:38:07,200

so you were pretty popular if you could

942

00:38:10,390 --> 00:38:08,880

be a goalie in our neighborhood

943

00:38:12,069 --> 00:38:10,400

no we just put like i don't even know

944

00:38:13,670 --> 00:38:12,079

what we put like just two pieces of

945

00:38:15,990 --> 00:38:13,680

garbage

946

00:38:17,510 --> 00:38:16,000

yeah get it get the ball between here

947

00:38:18,870 --> 00:38:17,520

sometimes we play with a ball and

948

00:38:21,510 --> 00:38:18,880

sometimes we play with a puck even

949

00:38:24,950 --> 00:38:21,520

though we were just on the street

950

00:38:26,950 --> 00:38:24,960

yeah you don't play with a buck oh man

951
00:38:28,870 --> 00:38:26,960
you'll get your teeth knocked out well

952
00:38:33,430 --> 00:38:28,880
in other news victor sarge just got an

953
00:38:35,190 --> 00:38:33,440
ad for painful sex

954
00:38:37,829 --> 00:38:35,200
i guess if you have some good lube then

955
00:38:42,630 --> 00:38:37,839
it's not so painful right

956
00:38:46,470 --> 00:38:45,430
i just saw a really funny wrestling

957
00:38:49,030 --> 00:38:46,480
video

958
00:38:50,470 --> 00:38:49,040
describing the election it was quite

959
00:38:53,109 --> 00:38:50,480
funny

960
00:38:55,910 --> 00:38:53,119
yeah i i'm if nothing else this election

961
00:38:57,589 --> 00:38:55,920
is fun for the memes i saw somebody they

962
00:38:59,750 --> 00:38:57,599
they're doing a thing now where like

963
00:39:01,750 --> 00:38:59,760

donald trump is bending the knee

964

00:39:04,630 --> 00:39:01,760

to joe biden and they put both their

965

00:39:08,069 --> 00:39:04,640

heads on it you know

966

00:39:09,510 --> 00:39:08,079

and my favorite meme today was

967

00:39:11,670 --> 00:39:09,520

anyone who thinks there will be a

968

00:39:13,510 --> 00:39:11,680

peaceful transition of power has never

969

00:39:15,349 --> 00:39:13,520

tried to drag a child out of chuck e

970

00:39:17,510 --> 00:39:15,359

cheese

971

00:39:19,030 --> 00:39:17,520

because i have and they get pissed off

972

00:39:20,230 --> 00:39:19,040

when it's time to leave chuck e cheese

973

00:39:21,670 --> 00:39:20,240

bro

974

00:39:23,670 --> 00:39:21,680

chuck e cheese is closed because the

975

00:39:25,510 --> 00:39:23,680

cove did forever by the way

976

00:39:26,950 --> 00:39:25,520

yeah i don't know about forever i think

977

00:39:30,069 --> 00:39:26,960

they they may come back

978

00:39:31,589 --> 00:39:30,079

they did claim bankruptcy yeah yeah and

979

00:39:32,390 --> 00:39:31,599

that's a shame because that's part of my

980

00:39:33,750 --> 00:39:32,400

child's

981

00:39:35,190 --> 00:39:33,760

well that was a part of my childhood

982

00:39:37,109 --> 00:39:35,200

we're going to chuck e cheese to eat

983

00:39:38,470 --> 00:39:37,119

terrible pizza and play video games for

984

00:39:42,630 --> 00:39:38,480

so-and-so's birthday

985

00:39:46,230 --> 00:39:42,640

this is my favorite election picture

986

00:39:49,510 --> 00:39:46,240

i'd like to see that in real life right

987

00:39:53,109 --> 00:39:49,520

so they they actually um

988

00:39:55,109 --> 00:39:53,119

they decided to do be co-presidents

989

00:39:56,150 --> 00:39:55,119

i i think that's the word is now

990

00:39:59,750 --> 00:39:56,160

politically correct

991

00:40:01,270 --> 00:39:59,760

as co-presidents they kissed and made up

992

00:40:03,430 --> 00:40:01,280

yeah i was wondering like what would

993

00:40:07,829 --> 00:40:03,440

ever what could that ever happen

994

00:40:12,150 --> 00:40:09,910

spooky says she's she's on the phone and

995

00:40:14,870 --> 00:40:12,160

she'll be there soon okay

996

00:40:15,910 --> 00:40:14,880

i think politics is actually a lot like

997

00:40:17,750 --> 00:40:15,920

pro wrestling

998

00:40:19,990 --> 00:40:17,760

where they're actually behind the scenes

999

00:40:21,349 --> 00:40:20,000

best friends and in the public it's like

1000

00:40:23,190 --> 00:40:21,359

okay you're on that side

1001
00:40:25,829 --> 00:40:23,200
yeah you know what was funny is george

1002
00:40:27,109 --> 00:40:25,839
h.w bush and the obamas were like really

1003
00:40:28,950 --> 00:40:27,119
close friends and

1004
00:40:31,510 --> 00:40:28,960
that doesn't really make sense but they

1005
00:40:34,550 --> 00:40:31,520
really are like they're buddies and

1006
00:40:35,990 --> 00:40:34,560
george bush loves uh obama's wife

1007
00:40:39,829 --> 00:40:36,000
kind of like me liking a certain

1008
00:40:41,349 --> 00:40:39,839
canadian guy's wife you know

1009
00:40:43,109 --> 00:40:41,359
oh i'm gonna get into that once you

1010
00:40:45,510 --> 00:40:43,119
listen once you're a president

1011
00:40:47,349 --> 00:40:45,520
you join the president's club yeah it's

1012
00:40:49,430 --> 00:40:47,359
a pretty small club right

1013
00:40:52,710 --> 00:40:49,440

so in a couple years you're gonna have

1014

00:40:55,430 --> 00:40:52,720

trump standing next to bush and clinton

1015

00:40:55,910 --> 00:40:55,440

and everybody's gonna be hunky dory you

1016

00:40:58,230 --> 00:40:55,920

know

1017

00:41:00,390 --> 00:40:58,240

he's not gonna stand there and not eat a

1018

00:41:04,390 --> 00:41:00,400

pastrami sandwich in front of him he's

1019

00:41:07,829 --> 00:41:05,990

yeah i think you're absolutely right

1020

00:41:08,710 --> 00:41:07,839

it's such a small club that like they

1021

00:41:11,430 --> 00:41:08,720

gotta and

1022

00:41:13,109 --> 00:41:11,440

and only those other guys can understand

1023

00:41:14,870 --> 00:41:13,119

what you went through doing that job

1024

00:41:16,550 --> 00:41:14,880

that's gotta be i don't understand why

1025

00:41:18,069 --> 00:41:16,560

anybody wants to do that's gotta be the

1026

00:41:22,710 --> 00:41:18,079

shittiest job ever

1027

00:41:24,710 --> 00:41:22,720

you know gotta bomb people constantly

1028

00:41:25,910 --> 00:41:24,720

it's uh actually like when you really

1029

00:41:29,190 --> 00:41:25,920

think about it

1030

00:41:31,109 --> 00:41:29,200

who would actually want to be president

1031

00:41:32,309 --> 00:41:31,119

yeah that's i i wouldn't want it i

1032

00:41:32,790 --> 00:41:32,319

wouldn't want that job it's just too

1033

00:41:34,710 --> 00:41:32,800

much

1034

00:41:36,309 --> 00:41:34,720

i can't run my own life how am i going

1035

00:41:38,870 --> 00:41:36,319

to run the lives of like

1036

00:41:39,670 --> 00:41:38,880

a billion people you know and he ran the

1037

00:41:42,950 --> 00:41:39,680

presidency

1038

00:41:44,230 --> 00:41:42,960

through twitter he really did

1039

00:41:46,309 --> 00:41:44,240

you know the one thing though that i

1040

00:41:48,309 --> 00:41:46,319

will say about him i i it should have

1041

00:41:52,390 --> 00:41:48,319

been predicted that he would lose

1042

00:41:55,030 --> 00:41:52,400

because he went up against like a huge

1043

00:41:57,190 --> 00:41:55,040

as a huge underdog last time he beat all

1044

00:41:59,829 --> 00:41:57,200

these republicans that were like

1045

00:42:01,349 --> 00:41:59,839

seasoned politicians and and jeb bush

1046

00:42:02,710 --> 00:42:01,359

and all of these

1047

00:42:05,109 --> 00:42:02,720

people that have been doing politics for

1048

00:42:07,829 --> 00:42:05,119

20 years he beat all them then he beat

1049

00:42:09,349 --> 00:42:07,839

the clinton family basically which is a

1050

00:42:12,390 --> 00:42:09,359

huge political

1051
00:42:14,550 --> 00:42:12,400
powerhouse and he beat the media and he

1052
00:42:16,870 --> 00:42:14,560
won the presidency so

1053
00:42:18,550 --> 00:42:16,880
it was really statistically improbable

1054
00:42:20,470 --> 00:42:18,560
that he was going to do that again

1055
00:42:21,750 --> 00:42:20,480
especially after all the [h__h] show the

1056
00:42:25,030 --> 00:42:21,760
last four years has been

1057
00:42:26,630 --> 00:42:25,040
but i think that i think that uh back

1058
00:42:27,990 --> 00:42:26,640
then the republican party really didn't

1059
00:42:30,390 --> 00:42:28,000
have a strong candidate

1060
00:42:31,190 --> 00:42:30,400
to go up against hillary and they really

1061
00:42:34,870 --> 00:42:31,200
needed

1062
00:42:38,390 --> 00:42:34,880
a person that's not in politics i think

1063
00:42:40,150 --> 00:42:38,400

um to be a strong contender

1064

00:42:42,950 --> 00:42:40,160

and because people were just sick and

1065

00:42:44,790 --> 00:42:42,960

tired of politics before trump came in

1066

00:42:47,670 --> 00:42:44,800

and i think now after four years of

1067

00:42:51,270 --> 00:42:47,680

trump people are just sick and tired of

1068

00:42:53,349 --> 00:42:51,280

trump who's not a politician yeah

1069

00:42:55,030 --> 00:42:53,359

you know i will say though he's

1070

00:42:57,589 --> 00:42:55,040

entertaining as hell

1071

00:42:58,950 --> 00:42:57,599

and uh it's kind of fun to watch it's

1072

00:43:02,390 --> 00:42:58,960

kind of fun to watch him

1073

00:43:04,230 --> 00:43:02,400

and see like every time i think like man

1074

00:43:05,430 --> 00:43:04,240

what the [h__\h] can he do next this has

1075

00:43:07,589 --> 00:43:05,440

got to be the worst

1076

00:43:08,550 --> 00:43:07,599

stupidest thing he's ever said or you

1077

00:43:12,710 --> 00:43:08,560

know then he

1078

00:43:15,750 --> 00:43:12,720

tops himself he tops himself rage

1079

00:43:18,230 --> 00:43:15,760

rage tweeting about nancy pelosi at like

1080

00:43:19,349 --> 00:43:18,240

three in the morning and waking up at

1081

00:43:22,550 --> 00:43:19,359

like six a.m

1082

00:43:24,870 --> 00:43:22,560

and rage tweeting again about it i know

1083

00:43:26,150 --> 00:43:24,880

yeah if you're like a leader let's say

1084

00:43:27,670 --> 00:43:26,160

you're the leader of

1085

00:43:29,829 --> 00:43:27,680

uh some other country let's say like

1086

00:43:31,349 --> 00:43:29,839

iran and you wake up and say okay what's

1087

00:43:34,069 --> 00:43:31,359

donald trump doing today

1088

00:43:36,230 --> 00:43:34,079

he goes to twitter he's gonna be like oh

1089

00:43:39,190 --> 00:43:36,240

he's having a fit

1090

00:43:39,990 --> 00:43:39,200

yeah like yeah and you know it's what

1091

00:43:41,910 --> 00:43:40,000

really gets me

1092

00:43:43,750 --> 00:43:41,920

is like he's got children and he's got

1093

00:43:46,550 --> 00:43:43,760

really smart advisors

1094

00:43:48,150 --> 00:43:46,560

but and i've read that like all of them

1095

00:43:49,910 --> 00:43:48,160

were like you got to put your [h__h]

1096

00:43:51,030 --> 00:43:49,920

phone down you can't keep doing this and

1097

00:43:52,790 --> 00:43:51,040

he just like no

1098

00:43:54,470 --> 00:43:52,800

i'm talking directly to the american

1099

00:43:56,069 --> 00:43:54,480

people forget the media

1100

00:43:57,829 --> 00:43:56,079

i'm going to communicate directly to the

1101

00:43:59,990 --> 00:43:57,839

american people through twitter

1102

00:44:01,750 --> 00:44:00,000

and you know spout all this venom and

1103

00:44:02,870 --> 00:44:01,760

hatred and [h__\h]

1104

00:44:04,630 --> 00:44:02,880

you're right three o'clock in the

1105

00:44:06,069 --> 00:44:04,640

morning you would think the president

1106

00:44:07,349 --> 00:44:06,079

should be getting some rest so he could

1107

00:44:07,990 --> 00:44:07,359

get something done for the american

1108

00:44:09,589 --> 00:44:08,000

people the next

1109

00:44:11,589 --> 00:44:09,599

day nope it's three o'clock in the

1110

00:44:15,109 --> 00:44:11,599

morning [h__\h] nancy pelosi or

1111

00:44:17,430 --> 00:44:15,119

[h__\h] chuck schumer or like whatever

1112

00:44:19,349 --> 00:44:17,440

so what do you think he's gonna do if he

1113

00:44:21,750 --> 00:44:19,359

loses what is he gonna do next

1114

00:44:23,190 --> 00:44:21,760

i think he's gonna wait four years and

1115

00:44:25,510 --> 00:44:23,200

try this [h__h] again i

1116

00:44:27,109 --> 00:44:25,520

truly do if he loses i think he's gonna

1117

00:44:28,150 --> 00:44:27,119

spend the next four years trying to get

1118

00:44:31,349 --> 00:44:28,160

back at biden

1119

00:44:32,710 --> 00:44:31,359

he is notoriously he holds grudges like

1120

00:44:35,990 --> 00:44:32,720

a [h__h]

1121

00:44:37,349 --> 00:44:36,000

like his office his office is going to

1122

00:44:40,790 --> 00:44:37,359

move from the white house

1123

00:44:43,750 --> 00:44:40,800

right to mary laga in florida oh yeah

1124

00:44:45,990 --> 00:44:43,760

and um the digital army is going to be

1125

00:44:47,910 --> 00:44:46,000

now based from there

1126
00:44:49,270 --> 00:44:47,920
somebody said trump tv he was planning

1127
00:44:50,790 --> 00:44:49,280
something called trump tv

1128
00:44:52,309 --> 00:44:50,800
and this might give him a perfect doubt

1129
00:44:54,390 --> 00:44:52,319
to do that you know

1130
00:44:57,430 --> 00:44:54,400
it'll be like a fox news but all the

1131
00:45:00,470 --> 00:44:57,440
time cable news channel

1132
00:45:01,109 --> 00:45:00,480
well for the next four years his plan is

1133
00:45:06,550 --> 00:45:01,119
going to be

1134
00:45:09,430 --> 00:45:06,560
choosing between golf shrimp buffets

1135
00:45:11,750 --> 00:45:09,440
colonics and swimming yeah i don't know

1136
00:45:13,430 --> 00:45:11,760
if i had a supermodel hot wife

1137
00:45:15,030 --> 00:45:13,440
and all the money in the world i think

1138
00:45:17,430 --> 00:45:15,040

the last thing i would want to do

1139

00:45:18,309 --> 00:45:17,440

is run for president but i think after

1140

00:45:20,470 --> 00:45:18,319

you've won

1141

00:45:22,309 --> 00:45:20,480

and got so much money the only thing

1142

00:45:23,910 --> 00:45:22,319

left is like well let me give myself a

1143

00:45:25,829 --> 00:45:23,920

whole bunch of power that's what it is

1144

00:45:27,829 --> 00:45:25,839

for a lot of these rich guys

1145

00:45:29,430 --> 00:45:27,839

the rich old white guys that run our

1146

00:45:31,030 --> 00:45:29,440

whole entire government

1147

00:45:33,190 --> 00:45:31,040

i really think he set the stage for

1148

00:45:36,309 --> 00:45:33,200

ivanka to make a president run

1149

00:45:39,190 --> 00:45:36,319

in maybe eight years yeah

1150

00:45:40,790 --> 00:45:39,200

could be could be i think if he if he

1151

00:45:43,589 --> 00:45:40,800

definitely lost i think he's gonna

1152

00:45:44,950 --> 00:45:43,599

at least try to run another term and if

1153

00:45:46,710 --> 00:45:44,960

and if he did that would be the first

1154

00:45:49,190 --> 00:45:46,720

president in history i think

1155

00:45:51,750 --> 00:45:49,200

to lose a re-election and then get one

1156

00:45:54,230 --> 00:45:51,760

more term at four years four years later

1157

00:45:55,750 --> 00:45:54,240

which would be interesting but either

1158

00:45:58,950 --> 00:45:55,760

that or i think he's just gonna

1159

00:46:01,670 --> 00:45:58,960

he's just gonna fade away and try to uh

1160

00:46:03,349 --> 00:46:01,680

you know band-aid his ego because he's a

1161

00:46:05,510 --> 00:46:03,359

narcissist like that this has got to be

1162

00:46:07,190 --> 00:46:05,520

a huge blow to his ego

1163

00:46:08,790 --> 00:46:07,200

and it's going to he will not he will

1164

00:46:11,750 --> 00:46:08,800

not concede he will

1165

00:46:12,710 --> 00:46:11,760

fight it all the way to january and

1166

00:46:15,670 --> 00:46:12,720

that's actually

1167

00:46:17,270 --> 00:46:15,680

pretty sad um you know to put the

1168

00:46:20,230 --> 00:46:17,280

american public through that

1169

00:46:20,790 --> 00:46:20,240

mess for another couple months most

1170

00:46:23,670 --> 00:46:20,800

somebody

1171

00:46:23,990 --> 00:46:23,680

gs crippler says most trump fans don't

1172

00:46:25,670 --> 00:46:24,000

like

1173

00:46:27,750 --> 00:46:25,680

ivanka i haven't heard that i thought

1174

00:46:29,829 --> 00:46:27,760

that that she was pretty well liked

1175

00:46:31,910 --> 00:46:29,839

yeah same i didn't know that but like

1176

00:46:34,870 --> 00:46:31,920

you know i hate to say this but

1177

00:46:36,230 --> 00:46:34,880

i i like i have very little respect for

1178

00:46:37,910 --> 00:46:36,240

his children because

1179

00:46:39,430 --> 00:46:37,920

you know the wealth and prosperity they

1180

00:46:41,910 --> 00:46:39,440

were born into

1181

00:46:43,030 --> 00:46:41,920

you know and daddy gave me my job their

1182

00:46:44,710 --> 00:46:43,040

whole careers

1183

00:46:46,069 --> 00:46:44,720

everything that they have their daddy

1184

00:46:47,510 --> 00:46:46,079

just gave it to them

1185

00:46:50,230 --> 00:46:47,520

i don't think that makes for a good

1186

00:46:52,390 --> 00:46:50,240

person like you've got to learn to

1187

00:46:53,910 --> 00:46:52,400

to stand on your own two feet and and

1188

00:46:56,069 --> 00:46:53,920

find your own way in life and when you

1189

00:46:57,990 --> 00:46:56,079

when your parents have that much money

1190

00:47:00,470 --> 00:46:58,000

and they can just give you a career give

1191

00:47:04,230 --> 00:47:00,480

you a job give you an office

1192

00:47:05,430 --> 00:47:04,240

you know i don't think that ivanka would

1193

00:47:07,589 --> 00:47:05,440

be a very good president

1194

00:47:08,870 --> 00:47:07,599

because uh she hasn't earned anything in

1195

00:47:10,630 --> 00:47:08,880

her life

1196

00:47:12,630 --> 00:47:10,640

well it's kind of like the the show the

1197

00:47:16,230 --> 00:47:12,640

apprentice it's like he would have them

1198

00:47:17,829 --> 00:47:16,240

standing like mannequins behind him

1199

00:47:19,670 --> 00:47:17,839

and it was using his own children for

1200

00:47:21,349 --> 00:47:19,680

props

1201

00:47:24,710 --> 00:47:21,359

same thing he took them took them

1202

00:47:28,230 --> 00:47:24,720

everywhere as president

1203

00:47:30,950 --> 00:47:28,240

yeah oh genocide says

1204

00:47:32,309 --> 00:47:30,960

and as president i'm invading mars get

1205

00:47:34,069 --> 00:47:32,319

them before they get us

1206

00:47:36,069 --> 00:47:34,079

good idea we don't want mars to attack

1207

00:47:37,430 --> 00:47:36,079

we want to be preemptive jonassite says

1208

00:47:41,349 --> 00:47:37,440

he will attack

1209

00:47:42,790 --> 00:47:41,359

mars first he's going to start

1210

00:47:46,470 --> 00:47:42,800

an international not in an

1211

00:47:49,510 --> 00:47:49,190

past tense like okay so jason i don't

1212

00:47:52,549 --> 00:47:49,520

want to

1213

00:47:55,190 --> 00:47:52,559

other stuff to do yeah

1214

00:47:56,470 --> 00:47:55,200

i just wanted to come in and say hello

1215

00:47:58,150 --> 00:47:56,480

yeah and listen just

1216

00:48:00,309 --> 00:47:58,160

really in all seriousness just so

1217

00:48:01,109 --> 00:48:00,319

everybody understands your wife laughed

1218

00:48:03,670 --> 00:48:01,119

at that

1219

00:48:04,790 --> 00:48:03,680

drama the tweet the joke that i made and

1220

00:48:11,270 --> 00:48:04,800

you

1221

00:48:12,390 --> 00:48:11,280

bad attempt at humor and like i've

1222

00:48:15,589 --> 00:48:12,400

apologized

1223

00:48:16,710 --> 00:48:15,599

i hope we're good we're good right we're

1224

00:48:19,349 --> 00:48:16,720

good stephen

1225

00:48:21,510 --> 00:48:19,359

i don't want to get killed by some guy

1226

00:48:25,990 --> 00:48:21,520

coming to drown me a maple syrup

1227

00:48:30,230 --> 00:48:28,309

yeah yeah i will definitely do that i

1228

00:48:31,270 --> 00:48:30,240

guess i owe you one because i was an

1229

00:48:32,790 --> 00:48:31,280

[h__\h] and said

1230

00:48:34,790 --> 00:48:32,800

you know an attempt to make a joke

1231

00:48:37,030 --> 00:48:34,800

something that was insensitive so

1232

00:48:38,710 --> 00:48:37,040

i'll keep i you have my word i won't

1233

00:48:40,470 --> 00:48:38,720

challenge you to find any dildos or

1234

00:48:43,430 --> 00:48:40,480

anything else

1235

00:48:46,549 --> 00:48:43,440

even though you quit you are an

1236

00:48:49,270 --> 00:48:46,559

interdimensional time traveler so

1237

00:48:51,510 --> 00:48:49,280

oh definitely how do you know that i

1238

00:48:55,829 --> 00:48:51,520

haven't already buried a time capsule

1239

00:48:59,109 --> 00:48:55,839

in 1922 for you to go dig up and find

1240

00:49:03,109 --> 00:48:59,119

wait that means you're a time traveler

1241

00:49:06,630 --> 00:49:03,119

i anything is possible okay

1242

00:49:08,549 --> 00:49:06,640

interesting yeah

1243

00:49:11,430 --> 00:49:08,559

take care guys why do you think i'm so

1244

00:49:13,510 --> 00:49:11,440

good at building cabins bro

1245

00:49:17,270 --> 00:49:13,520

all right thanks jason we appreciate you

1246

00:49:18,710 --> 00:49:17,280

being here all right bye

1247

00:49:21,109 --> 00:49:18,720

all right so there we have it friends

1248

00:49:23,270 --> 00:49:21,119

right from jason quit just

1249

00:49:25,589 --> 00:49:23,280

listen uh you know people could try to

1250

00:49:27,990 --> 00:49:25,599

start internet beeps and all this [h__\h]

1251
00:49:29,430 --> 00:49:28,000
but uh at the end of the day we're

1252
00:49:30,790 --> 00:49:29,440
friends and he knew that i was just

1253
00:49:34,390 --> 00:49:30,800
busting his balls

1254
00:49:36,790 --> 00:49:34,400
uh and uh you know he didn't

1255
00:49:38,309 --> 00:49:36,800
take offense neither did his wife thank

1256
00:49:40,150 --> 00:49:38,319
god like

1257
00:49:42,870 --> 00:49:40,160
but i guess i should be more careful in

1258
00:49:45,349 --> 00:49:42,880
how i attempt to make a joke

1259
00:49:45,910 --> 00:49:45,359
because yeah people could be uh pissed

1260
00:49:47,670 --> 00:49:45,920
off and

1261
00:49:49,990 --> 00:49:47,680
come and shoot me and that would be

1262
00:49:53,510 --> 00:49:50,000
unfortunate

1263
00:49:55,829 --> 00:49:53,520

so um i suppose we're waiting for any

1264

00:49:56,790 --> 00:49:55,839

other people who would like to join in

1265

00:50:01,990 --> 00:49:56,800

the show

1266

00:50:09,589 --> 00:50:06,470

uh you don't see any additional requests

1267

00:50:12,230 --> 00:50:09,599

for anybody to join in

1268

00:50:13,910 --> 00:50:12,240

in the show let me put that bumper back

1269

00:50:15,270 --> 00:50:13,920

up if anybody would like to oh it is

1270

00:50:17,030 --> 00:50:15,280

it's already there if anybody would like

1271

00:50:19,109 --> 00:50:17,040

to join in the show

1272

00:50:21,109 --> 00:50:19,119

you can email me at truthsecretshow

1273

00:50:24,870 --> 00:50:21,119

gmail.com and join me

1274

00:50:28,150 --> 00:50:24,880

here live at the apocalypse cabin

1275

00:50:28,630 --> 00:50:28,160

uh and also somebody asked like is your

1276

00:50:31,910 --> 00:50:28,640

mac

1277

00:50:33,750 --> 00:50:31,920

is

1278

00:50:35,589 --> 00:50:33,760

because my children knocked that thing

1279

00:50:38,950 --> 00:50:35,599

over and busted the glass

1280

00:50:39,990 --> 00:50:38,960

front and that's like 150 apart and i

1281

00:50:42,710 --> 00:50:40,000

just haven't cared

1282

00:50:43,829 --> 00:50:42,720

enough to replace it yet but it bothers

1283

00:50:46,950 --> 00:50:43,839

me

1284

00:50:48,390 --> 00:50:46,960

so i'm going to eventually um

1285

00:50:50,150 --> 00:50:48,400

so what we're going to do too is we're

1286

00:50:56,309 --> 00:50:50,160

going to

1287

00:50:59,750 --> 00:50:56,319

the phone lines it's

1288

00:51:02,390 --> 00:50:59,760

uh open forum open phone lines

1289

00:51:05,109 --> 00:51:02,400

open show you can come right on here and

1290

00:51:07,430 --> 00:51:05,119

join the show

1291

00:51:09,270 --> 00:51:07,440

jonasite is heading home in a minute

1292

00:51:10,710 --> 00:51:09,280

jonah side make sure you uh

1293

00:51:13,589 --> 00:51:10,720

yeah i think he wanted to join in make

1294

00:51:17,190 --> 00:51:13,599

sure you send me a message on twitter or

1295

00:51:24,230 --> 00:51:17,200

uh let me see if i can find your email

1296

00:51:24,240 --> 00:51:30,470

i see pragmatics

1297

00:51:38,069 --> 00:51:33,510

oh joe joe prisco i have everybody but

1298

00:51:38,079 --> 00:51:42,390

yeah jonas i'm not sure so uh

1299

00:51:42,400 --> 00:51:46,870

i have bg's email here

1300

00:51:46,880 --> 00:52:05,349

i don't see jonas sides

1301
00:52:08,630 --> 00:52:07,589
yeah i don't know your email address

1302
00:52:11,670 --> 00:52:08,640
offhand

1303
00:52:14,069 --> 00:52:11,680
genocide so oh there he is jonah side

1304
00:52:15,829 --> 00:52:14,079
uh i can send it to you i can send you

1305
00:52:16,390 --> 00:52:15,839
the link through the twitter dm and you

1306
00:52:22,230 --> 00:52:16,400
can

1307
00:52:27,510 --> 00:52:24,230
just give me one second i just got your

1308
00:52:31,030 --> 00:52:30,309
i sent you the link to join the show

1309
00:52:33,829 --> 00:52:31,040
into

1310
00:52:35,750 --> 00:52:33,839
uh twitter dm just now you are most

1311
00:52:38,230 --> 00:52:35,760
welcome jonas side

1312
00:52:39,109 --> 00:52:38,240
um anybody else if you have any comments

1313
00:52:41,109 --> 00:52:39,119

or questions

1314

00:52:42,870 --> 00:52:41,119

but uh i said we were gonna talk about

1315

00:52:44,470 --> 00:52:42,880

election stuff and then we talked about

1316

00:52:46,150 --> 00:52:44,480

trump and elections well actually we

1317

00:52:47,109 --> 00:52:46,160

just talked more generally about trump

1318

00:52:50,230 --> 00:52:47,119

and what may happen

1319

00:52:53,349 --> 00:52:50,240

next not so much about the election but

1320

00:52:55,670 --> 00:52:53,359

uh any comments or

1321

00:52:57,589 --> 00:52:55,680

questions for me put them in all caps in

1322

00:53:01,510 --> 00:52:57,599

the live chat we are having an open

1323

00:53:02,069 --> 00:53:01,520

forum uh we're having an open forum

1324

00:53:09,750 --> 00:53:02,079

tonight

1325

00:53:13,990 --> 00:53:13,030

okay and i guess i have a question for

1326

00:53:18,950 --> 00:53:14,000

the live chat

1327

00:53:21,829 --> 00:53:18,960

has your life really changed that much

1328

00:53:23,829 --> 00:53:21,839

when a new president took office has

1329

00:53:25,990 --> 00:53:23,839

there been one president that

1330

00:53:27,270 --> 00:53:26,000

really helped you or your family i would

1331

00:53:29,190 --> 00:53:27,280

have to say

1332

00:53:31,109 --> 00:53:29,200

the one exception i have to nothing's

1333

00:53:33,030 --> 00:53:31,119

going to change my life won't get better

1334

00:53:36,230 --> 00:53:33,040

or worse would have to be

1335

00:53:40,069 --> 00:53:36,240

obama and and here's why

1336

00:53:40,710 --> 00:53:40,079

just good timing when barack obama got

1337

00:53:44,390 --> 00:53:40,720

in office

1338

00:53:51,910 --> 00:53:48,630

and barack obama started this

1339

00:53:53,510 --> 00:53:51,920

program for first time home buyers

1340

00:53:54,710 --> 00:53:53,520

where they would give you i don't

1341

00:53:56,390 --> 00:53:54,720

remember if it was eight thousand

1342

00:53:57,510 --> 00:53:56,400

dollars or twelve i think it was eight

1343

00:54:01,030 --> 00:53:57,520

thousand dollars

1344

00:54:05,349 --> 00:54:01,040

towards purchasing your home

1345

00:54:07,750 --> 00:54:05,359

um and i don't remember the details of

1346

00:54:10,950 --> 00:54:07,760

what the qualifications were

1347

00:54:11,750 --> 00:54:10,960

but i got eight thousand dollars just

1348

00:54:14,950 --> 00:54:11,760

handed to me

1349

00:54:18,870 --> 00:54:14,960

from barack obama so

1350

00:54:21,030 --> 00:54:18,880

uh in that way he did affect my life

1351

00:54:22,390 --> 00:54:21,040

eight thousand dollars is no joke

1352

00:54:24,470 --> 00:54:22,400

especially when you're

1353

00:54:26,309 --> 00:54:24,480

young and just got married and are

1354

00:54:30,390 --> 00:54:26,319

trying to purchase a home

1355

00:54:32,069 --> 00:54:30,400

for you and your wife so we uh

1356

00:54:33,829 --> 00:54:32,079

we were fortunate in that we were both

1357

00:54:35,510 --> 00:54:33,839

saving up for the home

1358

00:54:37,990 --> 00:54:35,520

for you know the down payment and this

1359

00:54:40,470 --> 00:54:38,000

and that but uh

1360

00:54:41,829 --> 00:54:40,480

what what happened is that we put all

1361

00:54:45,190 --> 00:54:41,839

the money that we had

1362

00:54:46,069 --> 00:54:45,200

really into the down payment to get them

1363

00:54:49,349 --> 00:54:46,079

and then get

1364

00:54:51,190 --> 00:54:49,359

a mortgage for the rest so we were able

1365

00:54:52,069 --> 00:54:51,200

to purchase the home but then we were

1366

00:54:54,950 --> 00:54:52,079

going to be really

1367

00:54:56,630 --> 00:54:54,960

broke for a long time and then we got

1368

00:54:57,510 --> 00:54:56,640

the eight thousand dollars from barack

1369

00:54:59,990 --> 00:54:57,520

obama

1370

00:55:01,589 --> 00:55:00,000

for being first-time home buyers uh and

1371

00:55:03,430 --> 00:55:01,599

yeah that's the american dream and

1372

00:55:05,430 --> 00:55:03,440

barack obama to his credit wanted to

1373

00:55:07,190 --> 00:55:05,440

help people achieve that american dream

1374

00:55:10,069 --> 00:55:07,200

own your own home

1375

00:55:12,069 --> 00:55:10,079

well it's part of the american dream so

1376
00:55:12,789 --> 00:55:12,079
we were able to take that eight thousand

1377
00:55:16,230 --> 00:55:12,799
dollars

1378
00:55:19,270 --> 00:55:16,240
and furnish the entire home by whatever

1379
00:55:22,390 --> 00:55:19,280
it is that we needed uh which was great

1380
00:55:23,190 --> 00:55:22,400
actually we bought the home uh before we

1381
00:55:26,390 --> 00:55:23,200
got married

1382
00:55:27,990 --> 00:55:26,400
about a year maybe two years before we

1383
00:55:29,990 --> 00:55:28,000
got married and we just lived together

1384
00:55:33,109 --> 00:55:30,000
until we got married but it was great

1385
00:55:34,069 --> 00:55:33,119
because having that money really did

1386
00:55:36,230 --> 00:55:34,079
change our lives

1387
00:55:37,750 --> 00:55:36,240
we didn't you know i remember when my

1388
00:55:39,589 --> 00:55:37,760

wife told me she said we don't have to

1389

00:55:40,630 --> 00:55:39,599

worry about buying furniture or whatever

1390

00:55:43,109 --> 00:55:40,640

we need because we're gonna

1391

00:55:43,750 --> 00:55:43,119

we're getting this check and i was like

1392

00:55:47,270 --> 00:55:43,760

great

1393

00:55:50,390 --> 00:55:47,280

and that in that case a

1394

00:55:53,190 --> 00:55:50,400

president did something really really

1395

00:55:54,950 --> 00:55:53,200

that did change my life because failing

1396

00:55:56,309 --> 00:55:54,960

having that eight thousand dollars we

1397

00:55:57,990 --> 00:55:56,319

probably would have been

1398

00:55:59,750 --> 00:55:58,000

sitting on lawn furniture for a while

1399

00:56:02,789 --> 00:55:59,760

because we don't like my wife and i

1400

00:56:05,109 --> 00:56:02,799

neither of us like taking loans

1401
00:56:06,710 --> 00:56:05,119
we would rather just wait until okay now

1402
00:56:07,430 --> 00:56:06,720
we have cash we'll buy a couch now we

1403
00:56:10,309 --> 00:56:07,440
have

1404
00:56:12,950 --> 00:56:10,319
cash we'll buy a tv whatever so my house

1405
00:56:15,190 --> 00:56:12,960
would have been empty for a while

1406
00:56:16,230 --> 00:56:15,200
while we or it would have had much

1407
00:56:18,870 --> 00:56:16,240
shittier stuff

1408
00:56:20,069 --> 00:56:18,880
like you know so-and-so's got a free

1409
00:56:24,230 --> 00:56:20,079
couch we can have

1410
00:56:27,030 --> 00:56:24,240
somebody's got a uh somebody's got a

1411
00:56:28,710 --> 00:56:27,040
you know kitchen table we can have you

1412
00:56:29,670 --> 00:56:28,720
know it would have been like a lot of

1413
00:56:33,670 --> 00:56:29,680

used and

1414

00:56:35,829 --> 00:56:33,680

and not the best

1415

00:56:37,030 --> 00:56:35,839

furniture and whatever because we had

1416

00:56:38,870 --> 00:56:37,040

the eight thousand dollars we were able

1417

00:56:42,390 --> 00:56:38,880

to buy brand new furniture

1418

00:56:44,150 --> 00:56:42,400

and um brand new furniture and

1419

00:56:45,589 --> 00:56:44,160

you know all the stuff when you get a

1420

00:56:48,309 --> 00:56:45,599

new house uh

1421

00:56:49,990 --> 00:56:48,319

you know sure we my wife and i both had

1422

00:56:50,789 --> 00:56:50,000

stuff we could bring with us but my

1423

00:56:52,630 --> 00:56:50,799

furniture was

1424

00:56:53,990 --> 00:56:52,640

shitty man furniture and she didn't want

1425

00:56:55,829 --> 00:56:54,000

it in our house

1426

00:56:57,430 --> 00:56:55,839

like that's just reality she's like

1427

00:56:58,150 --> 00:56:57,440

you're not bringing any of this [h__h] to

1428

00:57:00,789 --> 00:56:58,160

our new house

1429

00:57:01,349 --> 00:57:00,799

are you but she meant you're not

1430

00:57:03,990 --> 00:57:01,359

bringing

1431

00:57:05,190 --> 00:57:04,000

any of this [h__h] to our new house that's

1432

00:57:07,109 --> 00:57:05,200

what she meant

1433

00:57:08,630 --> 00:57:07,119

and uh yeah i got an education in

1434

00:57:09,430 --> 00:57:08,640

marriage too because it was so funny

1435

00:57:12,150 --> 00:57:09,440

like

1436

00:57:13,910 --> 00:57:12,160

i didn't understand but my wife moved in

1437

00:57:16,630 --> 00:57:13,920

with me

1438

00:57:18,150 --> 00:57:16,640

and then she started throwing out my old

1439

00:57:21,270 --> 00:57:18,160

clothes

1440

00:57:24,870 --> 00:57:21,280

i was like

1441

00:57:25,990 --> 00:57:24,880

really like these old ragged t-shirts

1442

00:57:28,390 --> 00:57:26,000

that i have that are

1443

00:57:30,390 --> 00:57:28,400

falling apart but eventually you figure

1444

00:57:31,670 --> 00:57:30,400

out like that's just what women do

1445

00:57:33,109 --> 00:57:31,680

and then she said like you're not going

1446

00:57:33,510 --> 00:57:33,119

to walk around looking like a homeless

1447

00:57:35,109 --> 00:57:33,520

man

1448

00:57:37,510 --> 00:57:35,119

if you're with me you've got to have a

1449

00:57:40,390 --> 00:57:37,520

decent shirt on or whatever you know

1450

00:57:40,870 --> 00:57:40,400

and to this day and she's made i'm i'm

1451

00:57:43,430 --> 00:57:40,880

very

1452

00:57:44,390 --> 00:57:43,440

fortunate because uh i have not shopped

1453

00:57:46,789 --> 00:57:44,400

in a store

1454

00:57:47,670 --> 00:57:46,799

like almost ever for the whole time i've

1455

00:57:50,309 --> 00:57:47,680

been with this woman

1456

00:57:51,990 --> 00:57:50,319

occasionally i have to go and buy but

1457

00:57:54,870 --> 00:57:52,000

mostly you know man's like i'll go to

1458

00:57:57,349 --> 00:57:54,880

home depot i won't go to target and buy

1459

00:57:59,030 --> 00:57:57,359

shirts or pants or anything else that i

1460

00:58:02,230 --> 00:57:59,040

need my wife

1461

00:58:02,950 --> 00:58:02,240

very takes care of me very well which is

1462

00:58:06,470 --> 00:58:02,960

great

1463

00:58:07,190 --> 00:58:06,480

and uh yeah somebody recently was asking

1464

00:58:09,270 --> 00:58:07,200

me like

1465

00:58:10,309 --> 00:58:09,280

what is what is the key to doing really

1466

00:58:12,309 --> 00:58:10,319

well in life

1467

00:58:14,950 --> 00:58:12,319

and i think that one thing that a lot of

1468

00:58:18,470 --> 00:58:14,960

people ignore and don't do well with

1469

00:58:21,510 --> 00:58:18,480

is the choice of husband or wife or

1470

00:58:25,510 --> 00:58:21,520

you know spouse and to also

1471

00:58:26,870 --> 00:58:25,520

stay married all my friends are divorced

1472

00:58:28,870 --> 00:58:26,880

some of my friends are on their third

1473

00:58:29,670 --> 00:58:28,880

wives i have one friend that i think has

1474

00:58:31,750 --> 00:58:29,680

had four

1475

00:58:34,069 --> 00:58:31,760

he's on his he just got married to his

1476

00:58:36,549 --> 00:58:34,079

fourth wife and he's my age

1477

00:58:37,589 --> 00:58:36,559

and to me that's crazy because every

1478

00:58:40,150 --> 00:58:37,599

time you do that

1479

00:58:41,190 --> 00:58:40,160

you gotta sort of split things and start

1480

00:58:43,910 --> 00:58:41,200

over

1481

00:58:44,789 --> 00:58:43,920

so if you ask me one of the things that

1482

00:58:46,390 --> 00:58:44,799

i would say

1483

00:58:48,710 --> 00:58:46,400

if you if you want to have an abundant

1484

00:58:51,190 --> 00:58:48,720

and great life

1485

00:58:52,870 --> 00:58:51,200

pick the right one first of all pick the

1486

00:58:55,750 --> 00:58:52,880

right spouse

1487

00:58:56,309 --> 00:58:55,760

pick the right take your time dating

1488

00:58:58,870 --> 00:58:56,319

right

1489

00:58:59,750 --> 00:58:58,880

and narrowing things down find out what

1490

00:59:04,630 --> 00:58:59,760

is it you want

1491

00:59:06,630 --> 00:59:04,640

life and get the get a good spouse

1492

00:59:08,230 --> 00:59:06,640

uh then you don't you'll have less

1493

00:59:09,349 --> 00:59:08,240

likelihood of getting divorced and

1494

00:59:11,990 --> 00:59:09,359

having issues

1495

00:59:13,190 --> 00:59:12,000

and also i'd say live with them first

1496

00:59:16,150 --> 00:59:13,200

because

1497

00:59:18,309 --> 00:59:16,160

some people that i know got like shell

1498

00:59:21,589 --> 00:59:18,319

shocked when they moved in with their

1499

00:59:24,230 --> 00:59:21,599

girlfriend or boyfriend because that's

1500

00:59:26,309 --> 00:59:24,240

living together and and dating is two

1501

00:59:28,309 --> 00:59:26,319

totally different things

1502

00:59:29,430 --> 00:59:28,319

yeah you've got and you gotta stay

1503

00:59:32,230 --> 00:59:29,440

married it's fine

1504

00:59:33,750 --> 00:59:32,240

do any divorce is a financial disaster

1505

00:59:35,589 --> 00:59:33,760

so if you can avoid that financial

1506

00:59:37,270 --> 00:59:35,599

disaster and stay married

1507

00:59:41,589 --> 00:59:37,280

you're going to do better long term in

1508

00:59:45,510 --> 00:59:44,470

vanessa see i'm right though vanessa

1509

00:59:47,430 --> 00:59:45,520

right like

1510

00:59:49,510 --> 00:59:47,440

women are gonna do this she says i

1511

00:59:51,270 --> 00:59:49,520

finally tossed out my man's old ratty

1512

00:59:52,870 --> 00:59:51,280

plaid cargo shorts

1513

00:59:55,510 --> 00:59:52,880

that he tries to wear all year round

1514

00:59:55,910 --> 00:59:55,520

with hawaiian shirts holy [h__h] he's got

1515

01:00:03,589 --> 00:59:55,920

worse

1516

01:00:07,670 --> 01:00:06,069

michael says our education system sucks

1517

01:00:09,750 --> 01:00:07,680

look at kentucky

1518

01:00:13,030 --> 01:00:09,760

fifth poorest state in the nation and

1519

01:00:26,829 --> 01:00:13,040

they re-elected moscow mitch

1520

01:00:31,190 --> 01:00:29,030

oh

1521

01:00:33,430 --> 01:00:31,200

jess crippler says trump shut down

1522

01:00:36,390 --> 01:00:33,440

travel from infected countries advent

1523

01:00:38,630 --> 01:00:36,400

against advisors advice yes and he loves

1524

01:00:40,789 --> 01:00:38,640

to remind us about how he did that

1525

01:00:42,230 --> 01:00:40,799

and saved all these lives and people

1526

01:00:44,789 --> 01:00:42,240

didn't want him to

1527

01:00:45,829 --> 01:00:44,799

takes a victory lap on that pretty much

1528

01:00:50,390 --> 01:00:45,839

every chance

1529

01:00:52,390 --> 01:00:50,400

he get mario he says and so because some

1530

01:00:54,069 --> 01:00:52,400

are doing better financially is that

1531

01:00:55,589 --> 01:00:54,079

good enough to say it's better

1532

01:00:57,990 --> 01:00:55,599

regardless

1533

01:00:59,670 --> 01:00:58,000

of the many bigots sexist homophobes

1534

01:01:04,309 --> 01:00:59,680

that found a voice with trump

1535

01:01:07,910 --> 01:01:04,319

yeah i i was doing very well

1536

01:01:12,150 --> 01:01:07,920

uh financially i think until coveted hit

1537

01:01:14,470 --> 01:01:12,160

and then um you know a big

1538

01:01:16,230 --> 01:01:14,480

i had two things that i did for money

1539

01:01:19,349 --> 01:01:16,240

the first was fixing computers

1540

01:01:20,710 --> 01:01:19,359

and it was in-home service uh and that's

1541

01:01:22,549 --> 01:01:20,720

kind of what i was known for in other

1542

01:01:24,470 --> 01:01:22,559

words if your laptop's broke you don't

1543

01:01:27,349 --> 01:01:24,480

have to take it to the geek guys at best

1544

01:01:31,109 --> 01:01:27,359

buy and wait a week or whatever

1545

01:01:33,670 --> 01:01:31,119

you just call me i come to your home

1546

01:01:35,109 --> 01:01:33,680

and if i can fix it on site in an hour

1547

01:01:37,670 --> 01:01:35,119

or two

1548

01:01:39,750 --> 01:01:37,680

i do it right there and give it back to

1549

01:01:42,150 --> 01:01:39,760

you giving you an invoice

1550

01:01:42,950 --> 01:01:42,160

or i pick it up if it's going to be a

1551

01:01:44,549 --> 01:01:42,960

really long

1552

01:01:46,069 --> 01:01:44,559

project take it home and bring it back

1553

01:01:49,030 --> 01:01:46,079

to you

1554

01:01:50,309 --> 01:01:49,040

but anyway because of kovid nobody wants

1555

01:01:52,390 --> 01:01:50,319

you in their house anymore

1556

01:01:53,349 --> 01:01:52,400

and you can ask anybody that works in a

1557

01:01:57,510 --> 01:01:53,359

s in

1558

01:01:59,430 --> 01:01:57,520

where you go

1559

01:02:01,349 --> 01:01:59,440

in people's houses to work like a

1560

01:02:04,789 --> 01:02:01,359

painter carpenter

1561

01:02:05,990 --> 01:02:04,799

whatever people that refinish kitchens

1562

01:02:09,750 --> 01:02:06,000

or redo bathrooms

1563

01:02:11,589 --> 01:02:09,760

tile work has slowed to a crawl

1564

01:02:13,109 --> 01:02:11,599

because people are so cautious that they

1565

01:02:15,349 --> 01:02:13,119

don't want a stranger in their house

1566

01:02:18,230 --> 01:02:15,359

that could infect them in their family

1567

01:02:20,069 --> 01:02:18,240

so that source of my income went to [h__h]

1568

01:02:22,789 --> 01:02:20,079

and the other thing that i did was i

1569

01:02:24,230 --> 01:02:22,799

drove uber a lot and i really liked

1570

01:02:27,990 --> 01:02:24,240

doing it

1571

01:02:29,829 --> 01:02:28,000

uh but but my wife really really was

1572

01:02:31,589 --> 01:02:29,839

dead set against me doing that because

1573

01:02:33,349 --> 01:02:31,599

you never know who's gonna get your car

1574

01:02:34,390 --> 01:02:33,359

and sneeze on your back and now you've

1575

01:02:36,630 --> 01:02:34,400

got covered

1576

01:02:39,510 --> 01:02:36,640

and plus there's all these crazy things

1577

01:02:42,710 --> 01:02:39,520

that you got to deal with now

1578

01:02:45,270 --> 01:02:42,720

because of covid being a driver

1579

01:02:47,029 --> 01:02:45,280

you know and my car died my uber car

1580

01:02:49,230 --> 01:02:47,039

died i had this old

1581

01:02:51,109 --> 01:02:49,240

well wasn't that old actually it was a

1582

01:02:57,270 --> 01:02:51,119

2006

1583

01:03:01,589 --> 01:02:57,280

what is the cop car christ now i'm

1584

01:03:07,829 --> 01:03:04,789

ford crown vic a 2006 ford crown vic

1585

01:03:09,510 --> 01:03:07,839

uh that was it ran great but it was a

1586

01:03:11,270 --> 01:03:09,520

piece of [h__h] the interior

1587

01:03:13,349 --> 01:03:11,280

was nice but the outside of the car was

1588

01:03:15,349 --> 01:03:13,359

so shitty it's funny i was like

1589

01:03:16,549 --> 01:03:15,359

i had spray paint i would like spray

1590

01:03:19,270 --> 01:03:16,559

paint it and [h__\h]

1591

01:03:22,069 --> 01:03:19,280

just because uh the paint was peeling

1592

01:03:23,990 --> 01:03:22,079

off in spots and it used to be a taxi

1593

01:03:25,270 --> 01:03:24,000

and then in another spot the paint was

1594

01:03:27,589 --> 01:03:25,280

peeling off and you could see like a

1595

01:03:29,270 --> 01:03:27,599

police logo because it was a police car

1596

01:03:32,069 --> 01:03:29,280

then it was a taxi

1597

01:03:33,510 --> 01:03:32,079

and they so i'm like spray you can't

1598

01:03:34,710 --> 01:03:33,520

have that if you're an uber driver you

1599

01:03:37,910 --> 01:03:34,720

can't have like

1600

01:03:39,109 --> 01:03:37,920

you you you know the taxi logo or the

1601

01:03:41,430 --> 01:03:39,119

police logo

1602

01:03:43,270 --> 01:03:41,440

so i'm like spray painting it with like

1603

01:03:45,589 --> 01:03:43,280

paint from home depot just like can

1604

01:03:48,630 --> 01:03:45,599

spray paint you know rattle cans

1605

01:03:49,990 --> 01:03:48,640

and uh i used to like driving in the

1606

01:03:52,309 --> 01:03:50,000

dark

1607

01:03:54,150 --> 01:03:52,319

and when it was raining because when it

1608

01:03:56,630 --> 01:03:54,160

was raining you couldn't really see how

1609

01:03:58,390 --> 01:03:56,640

shitty the car looked

1610

01:04:00,470 --> 01:03:58,400

and so many you know i used to get so

1611

01:04:02,470 --> 01:04:00,480

many people used to get in my car and go

1612

01:04:03,990 --> 01:04:02,480

they let you uber in this thing how old

1613

01:04:04,630 --> 01:04:04,000

is this car because it looked a lot

1614

01:04:07,430 --> 01:04:04,640

older

1615

01:04:09,829 --> 01:04:07,440

but they haven't changed those crown vic

1616

01:04:13,190 --> 01:04:09,839

since like 1985 so it was really an

1617

01:04:15,589 --> 01:04:13,200

uh a car from 1985. but it was made in

1618

01:04:18,309 --> 01:04:15,599

2006 so somehow they let me uber with

1619

01:04:19,430 --> 01:04:18,319

it what a shitty car the car finally

1620

01:04:20,950 --> 01:04:19,440

died

1621

01:04:23,029 --> 01:04:20,960

and then i had to get a new car and

1622

01:04:24,710 --> 01:04:23,039

right when i got my new car and got it

1623

01:04:26,549 --> 01:04:24,720

all hooked up and i was really happy

1624

01:04:29,910 --> 01:04:26,559

because i had a really nice

1625

01:04:33,430 --> 01:04:29,920

uh only couple year old car the mazda r

1626

01:04:37,589 --> 01:04:33,440

uh mazda5 uh kovit hit

1627

01:04:39,510 --> 01:04:37,599

and i was like not gonna not gonna

1628

01:04:42,069 --> 01:04:39,520

start driving strangers around in my car

1629

01:04:45,109 --> 01:04:42,079

until i see what this is about

1630

01:04:45,829 --> 01:04:45,119

but uh oh so again i'm off in the woods

1631

01:04:50,309 --> 01:04:45,839

my

1632

01:04:52,069 --> 01:04:50,319

was doing pretty well financially and

1633

01:04:55,109 --> 01:04:52,079

then covet hit and it seems like

1634

01:04:57,510 --> 01:04:55,119

any sources of income that i had are not

1635

01:05:01,750 --> 01:04:57,520

really possible or have slowed down

1636

01:05:04,230 --> 01:05:01,760

to a trickle right now uh

1637

01:05:05,349 --> 01:05:04,240

but it is what it is i'm trying to uh

1638

01:05:07,670 --> 01:05:05,359

i'm trying to

1639

01:05:10,630 --> 01:05:07,680

make the best of a bad situation so i'm

1640

01:05:11,670 --> 01:05:10,640

like well i will use this time to get

1641

01:05:13,430 --> 01:05:11,680

some things done

1642

01:05:15,990 --> 01:05:13,440

at the cabin or i'll use this time to

1643

01:05:17,829 --> 01:05:16,000

fix up some things around the house

1644

01:05:19,990 --> 01:05:17,839

i'm fortunate that my wife puts up with

1645

01:05:23,349 --> 01:05:20,000

my lack of financial resources

1646

01:05:25,349 --> 01:05:23,359

she does very well we work together so

1647

01:05:26,789 --> 01:05:25,359

and by the way that reminds me i really

1648

01:05:28,789 --> 01:05:26,799

have to uh

1649

01:05:30,710 --> 01:05:28,799

i'm gonna have to be i gotta get some of

1650

01:05:32,549 --> 01:05:30,720

this stuff done at this cabin

1651
01:05:34,470 --> 01:05:32,559
because then there's things my wife once

1652
01:05:35,109 --> 01:05:34,480
done at the house and i really gotta get

1653
01:05:37,270 --> 01:05:35,119
to it she

1654
01:05:38,630 --> 01:05:37,280
she really deserves it like she's been

1655
01:05:40,549 --> 01:05:38,640
pretty patient with me i have a little

1656
01:05:44,630 --> 01:05:40,559
bit more painting to do at the house

1657
01:05:46,390 --> 01:05:44,640
and um and just i got to build some

1658
01:05:47,670 --> 01:05:46,400
a couple some shells and some other

1659
01:05:50,150 --> 01:05:47,680
stuff and uh

1660
01:05:51,829 --> 01:05:50,160
but you know i have to have time to do

1661
01:05:53,670 --> 01:05:51,839
that

1662
01:05:55,670 --> 01:05:53,680
she's been very patient letting me work

1663
01:05:57,750 --> 01:05:55,680

on the cabin waiting for me to get to

1664

01:06:01,029 --> 01:05:57,760

the things at our main house

1665

01:06:01,750 --> 01:06:01,039

um but honestly our old house was such a

1666

01:06:06,710 --> 01:06:01,760

shitty

1667

01:06:09,990 --> 01:06:06,720

always breaking constantly

1668

01:06:11,670 --> 01:06:10,000

so the new house everything works

1669

01:06:13,829 --> 01:06:11,680

this is the first time we've had a house

1670

01:06:17,750 --> 01:06:13,839

where like everything works

1671

01:06:19,270 --> 01:06:17,760

uh so to me the difference between my

1672

01:06:21,829 --> 01:06:19,280

old house and this new house is like

1673

01:06:22,950 --> 01:06:21,839

it's just cosmetic stuff that she wants

1674

01:06:25,829 --> 01:06:22,960

everything works

1675

01:06:26,710 --> 01:06:25,839

it's not like where you know the toilet

1676

01:06:30,069 --> 01:06:26,720

overflows

1677

01:06:33,029 --> 01:06:30,079

every 10th time you flush it or whatever

1678

01:06:35,029 --> 01:06:33,039

or you know leaking pipes we had so many

1679

01:06:36,950 --> 01:06:35,039

problems with our old house i was always

1680

01:06:37,349 --> 01:06:36,960

going to home depot it was like once a

1681

01:06:39,349 --> 01:06:37,359

week

1682

01:06:41,670 --> 01:06:39,359

there was some huge project like replace

1683

01:06:44,390 --> 01:06:41,680

a whole section of pipe in the basement

1684

01:06:45,190 --> 01:06:44,400

or the heater died once the hot water

1685

01:06:48,390 --> 01:06:45,200

heater died

1686

01:06:49,910 --> 01:06:48,400

twice uh and and the

1687

01:06:52,309 --> 01:06:49,920

yeah i think the hot water here is like

1688

01:06:54,710 --> 01:06:52,319

under warranty this you know like

1689

01:06:55,670 --> 01:06:54,720

one died we replaced it but then that

1690

01:06:57,990 --> 01:06:55,680

one died too

1691

01:06:59,349 --> 01:06:58,000

but it was under warranty so that old

1692

01:07:01,029 --> 01:06:59,359

house was a nightmare we called it the

1693

01:07:02,950 --> 01:07:01,039

hell house we really called it the hell

1694

01:07:04,950 --> 01:07:02,960

house

1695

01:07:06,069 --> 01:07:04,960

so friends just a reminder if you do

1696

01:07:07,990 --> 01:07:06,079

want to come on the show

1697

01:07:09,349 --> 01:07:08,000

anybody is welcome i think spooky may

1698

01:07:13,029 --> 01:07:09,359

still be coming on

1699

01:07:13,990 --> 01:07:13,039

or we may uh we may we may wrap things

1700

01:07:17,430 --> 01:07:14,000

up but you can email

1701

01:07:19,029 --> 01:07:17,440

me at truthseekershow gmail.com

1702

01:07:21,589 --> 01:07:19,039

if you would like a link to join the

1703

01:07:25,270 --> 01:07:21,599

show you just need a webcam

1704

01:07:29,910 --> 01:07:25,280

or a microphone or both ideally

1705

01:07:33,270 --> 01:07:29,920

and uh yeah you are most welcome

1706

01:07:33,750 --> 01:07:33,280

so we're trying to uh um i'm just

1707

01:07:36,549 --> 01:07:33,760

checking

1708

01:07:37,990 --> 01:07:36,559

in on all the messages here to make sure

1709

01:07:40,390 --> 01:07:38,000

that we

1710

01:07:41,270 --> 01:07:40,400

haven't missed any requests to join the

1711

01:07:43,910 --> 01:07:41,280

show

1712

01:07:45,270 --> 01:07:43,920

i'm going to i suppose play the open

1713

01:07:48,870 --> 01:07:45,280

lines bumper

1714

01:07:50,710 --> 01:07:48,880

but first i can just put the number up

1715

01:07:52,870 --> 01:07:50,720

on the screen if you would like to call

1716

01:07:56,710 --> 01:07:52,880

in you are most welcome to call in

1717

01:07:58,470 --> 01:07:56,720

as well we have open phone lines

1718

01:08:00,150 --> 01:07:58,480

and this is the phone number if you do

1719

01:08:00,549 --> 01:08:00,160

get a busy signal or voicemail that

1720

01:08:04,069 --> 01:08:00,559

means

1721

01:08:06,309 --> 01:08:04,079

and to try back shortly

1722

01:08:07,910 --> 01:08:06,319

and maybe you'll get through something

1723

01:08:10,069 --> 01:08:07,920

it seems to me that like

1724

01:08:11,829 --> 01:08:10,079

it seems like 10 people call all at the

1725

01:08:12,950 --> 01:08:11,839

same moment you know and then i get the

1726

01:08:16,149 --> 01:08:12,960

10 voicemails

1727

01:08:17,910 --> 01:08:16,159

later one time i looked and i saw like

1728

01:08:19,349 --> 01:08:17,920

27 voicemails what the hell

1729

01:08:21,669 --> 01:08:19,359

who the hell called me and it turned out

1730

01:08:22,789 --> 01:08:21,679

to be all people the night before that

1731

01:08:25,349 --> 01:08:22,799

we're trying to get

1732

01:08:27,110 --> 01:08:25,359

in in you know trying to call into the

1733

01:08:30,309 --> 01:08:27,120

show

1734

01:08:33,910 --> 01:08:30,319

but failing uh

1735

01:08:35,749 --> 01:08:33,920

failing any uh incoming calls everybody

1736

01:08:38,950 --> 01:08:35,759

is very welcome to call in

1737

01:08:39,910 --> 01:08:38,960

uh failing anybody calling in or wanting

1738

01:08:41,590 --> 01:08:39,920

to

1739

01:08:44,470 --> 01:08:41,600

take part in the show i'll just turn my

1740

01:08:47,669 --> 01:08:44,480

attention to the live chat

1741

01:08:51,669 --> 01:08:50,630

let's see blind dave crypto 44 never

1742

01:08:53,910 --> 01:08:51,679

married no kids

1743

01:08:55,430 --> 01:08:53,920

they all got weird when living together

1744

01:09:03,590 --> 01:08:55,440

i think there's something in the water

1745

01:09:06,870 --> 01:09:05,430

mario he are you begging us to come

1746

01:09:09,189 --> 01:09:06,880

wreak havoc again yes

1747

01:09:19,110 --> 01:09:09,199

i'd like to talk to my canadian mexican

1748

01:09:23,269 --> 01:09:21,110

yeah why do people call their wives my

1749

01:09:25,269 --> 01:09:23,279

old lady what if she's young

1750

01:09:27,349 --> 01:09:25,279

yeah i don't know i have bikers in my

1751

01:09:27,829 --> 01:09:27,359

family my uncles were in the pagans and

1752

01:09:30,070 --> 01:09:27,839

uh

1753

01:09:32,550 --> 01:09:30,080

that's very common among bikers of the

1754

01:09:35,749 --> 01:09:32,560

term old lady even if she's 20.

1755

01:09:39,030 --> 01:09:35,759

she's still my old lady and the women

1756

01:09:44,630 --> 01:09:42,390

which is strange right charles unleashed

1757

01:09:47,829 --> 01:09:44,640

wants to know where is drunk irish guy

1758

01:09:50,950 --> 01:09:47,839

hey have some respect that

1759

01:09:51,990 --> 01:09:50,960

are it's the truth seekers drunk irish

1760

01:09:58,630 --> 01:09:52,000

correspondent

1761

01:10:02,070 --> 01:10:00,630

i want tiff to take part this time she

1762

01:10:05,910 --> 01:10:02,080

won't speak on politics

1763

01:10:08,070 --> 01:10:05,920

uh well i can uh i can message you

1764

01:10:10,950 --> 01:10:08,080

oh let me hope i can get into facebook

1765

01:10:13,350 --> 01:10:10,960

over here michael

1766

01:10:13,990 --> 01:10:13,360

isn't it terrible that like if you lose

1767

01:10:17,030 --> 01:10:14,000

your

1768

01:10:19,270 --> 01:10:17,040

saved passwords you have no idea how to

1769

01:10:22,630 --> 01:10:19,280

get into your accounts because i have

1770

01:10:27,110 --> 01:10:22,640

uh i have

1771

01:10:29,350 --> 01:10:27,120

like tried

1772

01:10:31,189 --> 01:10:29,360

i i have this other computer here that i

1773

01:10:32,709 --> 01:10:31,199

never logged into facebook and i

1774

01:10:34,550 --> 01:10:32,719

i can't for the life me remember the

1775

01:10:36,470 --> 01:10:34,560

password and i don't want to reset it so

1776

01:10:38,550 --> 01:10:36,480

i have to wait until i check

1777

01:10:40,630 --> 01:10:38,560

what the password actually is you know

1778

01:10:42,310 --> 01:10:40,640

and save the passwords

1779

01:10:44,709 --> 01:10:42,320

but isn't it terrible how you go when

1780

01:10:46,470 --> 01:10:44,719

you go to a new device you're like [\h__\h]

1781

01:10:48,149 --> 01:10:46,480

what the [\h__\h] is my twitter password

1782

01:10:49,270 --> 01:10:48,159

[\h__\h] what is my facebook page and i

1783

01:10:54,870 --> 01:10:49,280

don't know about everybody else i don't

1784

01:11:00,149 --> 01:10:56,870

all right i'm looking for uh i'm looking

1785

01:11:04,229 --> 01:11:02,310

i think i think i got you michael we'll

1786

01:11:07,510 --> 01:11:04,239

see

1787

01:11:11,030 --> 01:11:07,520

i think i got the invite yes i sent you

1788

01:11:15,590 --> 01:11:13,750

yeah so your lady is most welcome here

1789

01:11:17,350 --> 01:11:15,600

your old lady

1790

01:11:20,470 --> 01:11:17,360

or just your lady right people are

1791

01:11:23,990 --> 01:11:22,070

okay we went through where is drunk

1792

01:11:24,870 --> 01:11:24,000

irish guy we explained that and to his

1793

01:11:26,470 --> 01:11:24,880

credit he's

1794

01:11:28,709 --> 01:11:26,480

by the way ryan murphy richards has

1795

01:11:29,350 --> 01:11:28,719

apologized to me and i say no apology

1796

01:11:32,470 --> 01:11:29,360

necessary

1797

01:11:34,790 --> 01:11:32,480

i've been shitfaced drunk and and

1798

01:11:37,270 --> 01:11:34,800

not at my best and that was his issue he

1799

01:11:39,270 --> 01:11:37,280

was drinking whiskey i believe

1800

01:11:40,950 --> 01:11:39,280

being irish that's what you do at night

1801

01:11:43,669 --> 01:11:40,960

if you're irish you drink whiskey

1802

01:11:45,830 --> 01:11:43,679

and uh he had a few too many shots of

1803

01:11:47,189 --> 01:11:45,840

whiskey before the stream started so by

1804

01:11:50,229 --> 01:11:47,199

the time he got

1805

01:11:52,149 --> 01:11:50,239

into the stream with us uh

1806

01:11:53,750 --> 01:11:52,159

and and he also said that was the first

1807

01:11:54,950 --> 01:11:53,760

time he's ever streamed or been on a

1808

01:11:57,910 --> 01:11:54,960

stream so he wasn't

1809

01:11:59,030 --> 01:11:57,920

aware of you know the etiquette of don't

1810

01:12:05,110 --> 01:11:59,040

talk

1811

01:12:08,310 --> 01:12:05,120

of mind says i write passwords down but

1812

01:12:09,510 --> 01:12:08,320

i am old remember how to use paper and

1813

01:12:12,550 --> 01:12:09,520

pen or pencil

1814

01:12:15,510 --> 01:12:12,560

yeah i should probably do that yeah

1815

01:12:16,709 --> 01:12:15,520

but i'm a little yeah i don't know i'm a

1816

01:12:18,630 --> 01:12:16,719

little crazy about

1817

01:12:20,950 --> 01:12:18,640

security so i don't want to i used to

1818

01:12:22,790 --> 01:12:20,960

have a boss who wrote his password

1819

01:12:24,950 --> 01:12:22,800

on a piece of paper and it was always in

1820

01:12:26,149 --> 01:12:24,960

his top desk drawer and i was like this

1821

01:12:28,310 --> 01:12:26,159

guy's an idiot because i

1822

01:12:29,510 --> 01:12:28,320

anybody can get that but i mean that's

1823

01:12:34,470 --> 01:12:29,520

work stuff i guess

1824

01:12:38,229 --> 01:12:36,709

if somebody gets into my facebook or

1825

01:12:41,430 --> 01:12:38,239

twitter i could care less

1826

01:12:42,470 --> 01:12:41,440

you know that's not really that's not

1827

01:12:44,149 --> 01:12:42,480

really an issue but i still have

1828

01:12:49,270 --> 01:12:44,159

different passwords for every site

1829

01:12:54,070 --> 01:12:51,510

brad gray says funny that how women are

1830

01:12:54,950 --> 01:12:54,080

weird about knowing their age i mean do

1831

01:13:00,310 --> 01:12:54,960

they think we

1832

01:13:04,550 --> 01:13:02,229

some women i would say some women are

1833

01:13:05,910 --> 01:13:04,560

weird about that

1834

01:13:07,830 --> 01:13:05,920

but friends here's what we're going to

1835

01:13:10,070 --> 01:13:07,840

do we're going to take a short break and

1836

01:13:14,790 --> 01:13:10,080

i'm going to play the call-in bumper

1837

01:13:19,430 --> 01:13:17,669

that may help so we're live here at the

1838

01:13:19,910 --> 01:13:19,440

apocalypse cabin we have open phone

1839

01:13:21,910 --> 01:13:19,920

lines

1840

01:13:22,950 --> 01:13:21,920

open forum we have a few guests that

1841

01:13:26,070 --> 01:13:22,960

will be joining us

1842

01:13:28,229 --> 01:13:26,080

shortly i believe uh

1843

01:13:29,350 --> 01:13:28,239

until then we're gonna have open phone

1844

01:13:31,590 --> 01:13:29,360

lines uh

1845

01:13:33,189 --> 01:13:31,600

so you too you can call in we can talk

1846

01:13:36,630 --> 01:13:33,199

about anything you like tonight

1847

01:13:38,709 --> 01:13:36,640

is open forum open topic uh and open

1848

01:13:47,150 --> 01:13:38,719

phone lines let's open the phone lines

1849

01:13:58,830 --> 01:13:47,160

friends let's get into it

1850

01:14:00,400 --> 01:13:58,840

[Music]

1851
01:14:14,110 --> 01:14:00,410
so

1852
01:15:43,430 --> 01:14:19,650
[Music]

1853
01:15:50,229 --> 01:15:46,550
and we are back friends so

1854
01:15:53,510 --> 01:15:50,239
open phone lines open forum open topics

1855
01:15:58,070 --> 01:15:53,520
i will um i will

1856
01:16:01,990 --> 01:16:00,229
okay phil blair says i recently made a

1857
01:16:04,390 --> 01:16:02,000
new email address but can't get in

1858
01:16:06,550 --> 01:16:04,400
because i had my password on my phone

1859
01:16:07,910 --> 01:16:06,560
clipboard but didn't have it locked and

1860
01:16:11,590 --> 01:16:07,920
copied

1861
01:16:15,430 --> 01:16:11,600
again

1862
01:16:17,510 --> 01:16:15,440
out of mind jeanette kuzenko says my

1863
01:16:19,830 --> 01:16:17,520

grandmother said you never ask a lady

1864

01:16:20,470 --> 01:16:19,840

her age yeah i was taught that too i was

1865

01:16:22,870 --> 01:16:20,480

just i

1866

01:16:23,590 --> 01:16:22,880

i was taught that i remember i can't

1867

01:16:25,189 --> 01:16:23,600

remember

1868

01:16:27,830 --> 01:16:25,199

who taught that to me i think it was my

1869

01:16:29,669 --> 01:16:27,840

mother said don't ever ask because i i

1870

01:16:32,550 --> 01:16:29,679

was a kid and i asked some like my aunt

1871

01:16:34,790 --> 01:16:32,560

how old she was my mom like

1872

01:16:36,310 --> 01:16:34,800

you never ask a lady her age that's a

1873

01:16:40,470 --> 01:16:36,320

thing right

1874

01:16:42,470 --> 01:16:40,480

but i don't know i think you know like

1875

01:16:44,470 --> 01:16:42,480

i probably know just as many men that

1876

01:16:46,790 --> 01:16:44,480

are sensitive about their age especially

1877

01:16:48,630 --> 01:16:46,800

men in the entertainment business

1878

01:16:50,870 --> 01:16:48,640

because it seems like i don't know what

1879

01:16:52,229 --> 01:16:50,880

they don't want like young people to

1880

01:16:55,270 --> 01:16:52,239

know that they're 40

1881

01:16:59,430 --> 01:16:55,280

you know or whatever

1882

01:17:02,950 --> 01:16:59,440

uh yeah i know many men that would

1883

01:17:06,149 --> 01:17:02,960

that would either lie about their age

1884

01:17:13,910 --> 01:17:06,159

or you know take five years off or

1885

01:17:19,110 --> 01:17:16,870

i am proud to stay out of mind shout out

1886

01:17:21,030 --> 01:17:19,120

to out of mind says i am proud to still

1887

01:17:23,910 --> 01:17:21,040

be here so age does not matter

1888

01:17:24,709 --> 01:17:23,920

never did since i got to legal age and

1889

01:17:27,350 --> 01:17:24,719

could throw away

1890

01:17:28,550 --> 01:17:27,360

my fake ids yeah me too i had a fake id

1891

01:17:30,630 --> 01:17:28,560

and i remember throwing it away when i

1892

01:17:32,229 --> 01:17:30,640

turned 21

1893

01:17:33,669 --> 01:17:32,239

yeah here in pennsylvania they used to

1894

01:17:35,030 --> 01:17:33,679

have these places you could go to and

1895

01:17:37,430 --> 01:17:35,040

you could get like

1896

01:17:38,630 --> 01:17:37,440

a college id from wisconsin that said

1897

01:17:40,390 --> 01:17:38,640

you were 21

1898

01:17:41,750 --> 01:17:40,400

and because the bartender's never seen

1899

01:17:43,030 --> 01:17:41,760

that before

1900

01:17:44,950 --> 01:17:43,040

they just went are you really from

1901

01:17:47,270 --> 01:17:44,960

wisconsin and i went yeah

1902

01:17:48,630 --> 01:17:47,280

and they let me drink and i was you know

1903

01:17:52,630 --> 01:17:48,640

in bars at 17

1904

01:17:54,390 --> 01:17:52,640

basically some bars would turn you away

1905

01:17:55,590 --> 01:17:54,400

they would know like this isn't real or

1906

01:17:57,430 --> 01:17:55,600

whatever and then

1907

01:17:59,510 --> 01:17:57,440

in my state they started a scanning

1908

01:18:01,430 --> 01:17:59,520

system so you had to have a state

1909

01:18:05,110 --> 01:18:01,440

issued id to get into a bar but by then

1910

01:18:08,390 --> 01:18:05,120

i think i was 21 so it didn't matter

1911

01:18:10,870 --> 01:18:08,400

well phil blair says the lines

1912

01:18:12,630 --> 01:18:10,880

on your face tell the story of your life

1913

01:18:14,950 --> 01:18:12,640

many muscles corresponding to different

1914

01:18:17,750 --> 01:18:14,960

emotions the emotions you feel

1915

01:18:18,149 --> 01:18:17,760

more often will be etched in those lines

1916

01:18:20,229 --> 01:18:18,159

wow

1917

01:18:21,430 --> 01:18:20,239

yeah i'm getting some in my forehead

1918

01:18:23,430 --> 01:18:21,440

fill up layer

1919

01:18:24,950 --> 01:18:23,440

maybe i have to botox that [h__h] out

1920

01:18:28,229 --> 01:18:24,960

right no

1921

01:18:28,870 --> 01:18:28,239

i don't care i uh i also have a few male

1922

01:18:30,310 --> 01:18:28,880

friends

1923

01:18:32,070 --> 01:18:30,320

in the entertainment business who have

1924

01:18:34,149 --> 01:18:32,080

gotten work done

1925

01:18:35,110 --> 01:18:34,159

a lot of one friend in particular got a

1926

01:18:38,149 --> 01:18:35,120

lot of work done

1927

01:18:42,709 --> 01:18:38,159

and it doesn't look good um

1928

01:18:48,550 --> 01:18:46,310

i don't think that i would ever get any

1929

01:18:50,550 --> 01:18:48,560

cosmetic surgery ever uh with the

1930

01:18:51,350 --> 01:18:50,560

possible exception is if i was scarred

1931

01:18:53,189 --> 01:18:51,360

or maimed

1932

01:18:54,790 --> 01:18:53,199

somehow and they needed to do cosmetic

1933

01:18:59,030 --> 01:18:54,800

surgery to put me back to

1934

01:19:01,590 --> 01:18:59,040

the way i was yeah um

1935

01:19:02,470 --> 01:19:01,600

i have a scar on my face that's from a

1936

01:19:05,510 --> 01:19:02,480

terrible

1937

01:19:05,990 --> 01:19:05,520

uh dog bite that i s that i had as a

1938

01:19:08,070 --> 01:19:06,000

child

1939

01:19:09,270 --> 01:19:08,080

like i had a dog bite me in the face and

1940

01:19:12,229 --> 01:19:09,280

maul me

1941

01:19:12,790 --> 01:19:12,239

and uh i never i could have gotten that

1942

01:19:14,630 --> 01:19:12,800

scar

1943

01:19:16,310 --> 01:19:14,640

sort of there's things that they can do

1944

01:19:17,990 --> 01:19:16,320

to minimize the scar tissue

1945

01:19:21,110 --> 01:19:18,000

and make it less noticeable and this and

1946

01:19:22,790 --> 01:19:21,120

that but i never chose to do that

1947

01:19:24,390 --> 01:19:22,800

i think the older i get the least

1948

01:19:27,510 --> 01:19:24,400

noticeable it is when i was younger it

1949

01:19:43,669 --> 01:19:31,350

okay let me just check in here friends

1950

01:19:47,669 --> 01:19:46,390

that was my wife she said she must be

1951

01:19:49,590 --> 01:19:47,679

watching hi honey

1952

01:19:51,350 --> 01:19:49,600

she never watches my show she must be

1953

01:19:53,350 --> 01:19:51,360

really [h__h] bored

1954

01:19:55,510 --> 01:19:53,360

i got what the [h__h] lying between my

1955

01:19:56,790 --> 01:19:55,520

brailles after marrying you just saying

1956

01:19:58,229 --> 01:19:56,800

yeah because she's always looking at me

1957

01:19:59,030 --> 01:19:58,239

and putting her eyebrows up and going

1958

01:20:02,709 --> 01:19:59,040

what the [h__h]

1959

01:20:04,630 --> 01:20:02,719

steve yeah

1960

01:20:05,830 --> 01:20:04,640

she got a what the [h__h] between her

1961

01:20:08,870 --> 01:20:05,840

brows line

1962

01:20:11,590 --> 01:20:08,880

my wife is incredibly

1963

01:20:12,310 --> 01:20:11,600

she looks sh she doesn't like it when i

1964

01:20:14,709 --> 01:20:12,320

say it but

1965

01:20:16,470 --> 01:20:14,719

she looks exactly the same today as the

1966

01:20:18,709 --> 01:20:16,480

day that i married her

1967

01:20:21,669 --> 01:20:18,719

with the possible exception that she

1968

01:20:24,870 --> 01:20:21,679

says that her stomach is now squishy

1969

01:20:27,030 --> 01:20:24,880

um which when we had her first child

1970

01:20:28,870 --> 01:20:27,040

everything popped right back but the

1971

01:20:32,310 --> 01:20:28,880

second one i think

1972

01:20:34,149 --> 01:20:32,320

she was bigger pregnant

1973

01:20:36,310 --> 01:20:34,159

i don't know how you say it she was much

1974

01:20:36,870 --> 01:20:36,320

bigger pregnant i think with her second

1975

01:20:40,629 --> 01:20:36,880

child

1976

01:20:41,510 --> 01:20:40,639

and then uh you know she weighs the same

1977

01:20:43,270 --> 01:20:41,520

but all that extra

1978

01:20:45,270 --> 01:20:43,280

you know your skin gets all stretched

1979

01:20:49,350 --> 01:20:45,280

out now she says that her

1980

01:20:51,910 --> 01:20:49,360

tummy is squishy okay

1981

01:20:55,910 --> 01:20:51,920

let me see here we'll go to the live

1982

01:21:01,830 --> 01:20:58,550

bunya says oh yeah i see my father in

1983

01:21:04,390 --> 01:21:01,840

reflection sometimes and think oh [h__h]

1984

01:21:05,910 --> 01:21:04,400

yeah me too the older i get i think i

1985

01:21:07,430 --> 01:21:05,920

didn't look i looked more like my mother

1986

01:21:09,110 --> 01:21:07,440

when i was younger but the older i get

1987

01:21:10,629 --> 01:21:09,120

the more i look like my father

1988

01:21:12,070 --> 01:21:10,639

oh and jonah said i was just about to

1989

01:21:14,470 --> 01:21:12,080

bring you in i don't know what happened

1990

01:21:16,870 --> 01:21:14,480

genocide popped into the green room here

1991

01:21:20,310 --> 01:21:16,880

and then popped out maybe he's having uh

1992

01:21:22,229 --> 01:21:20,320

maybe he's having a tech issue

1993

01:21:23,910 --> 01:21:22,239

michael says i never had a fake id a

1994

01:21:25,830 --> 01:21:23,920

female friend worked for sports

1995

01:21:28,310 --> 01:21:25,840

harbor in venice california and i could

1996

01:21:29,910 --> 01:21:28,320

drink at will at 17. yeah it's always

1997

01:21:33,030 --> 01:21:29,920

good to know bartender

1998

01:21:36,629 --> 01:21:33,040

and there we have jonasside

1999

01:21:38,629 --> 01:21:36,639

hello jodicide hello finally home

2000

01:21:39,750 --> 01:21:38,639

jonas i'd remind me where are you at in

2001

01:21:43,110 --> 01:21:39,760

the world

2002

01:21:46,550 --> 01:21:43,120

i am in western washington

2003

01:21:47,990 --> 01:21:46,560

washington state yep what is the weather

2004

01:21:50,070 --> 01:21:48,000

like there now is it cold

2005

01:21:51,510 --> 01:21:50,080

it is cold but it was a clear night it

2006

01:21:53,270 --> 01:21:51,520

was really pretty i got to see all the

2007

01:21:55,510 --> 01:21:53,280

stars out tonight

2008

01:21:56,629 --> 01:21:55,520

yeah me too i'm up in the mountains here

2009

01:21:58,229 --> 01:21:56,639

so

2010

01:21:59,750 --> 01:21:58,239

i always try to take the time to go

2011

01:22:03,270 --> 01:21:59,760

outside and look up

2012

01:22:06,390 --> 01:22:03,280

at night here it's beautiful

2013

01:22:08,830 --> 01:22:06,400

i'm trying to get my phone situated

2014

01:22:10,070 --> 01:22:08,840

there we go i think i hear a woman

2015

01:22:12,070 --> 01:22:10,080

laughing

2016

01:22:14,070 --> 01:22:12,080

yeah my daughter's in the room my wife's

2017

01:22:15,990 --> 01:22:14,080

in the room oh i was gonna say her

2018

01:22:16,709 --> 01:22:16,000

you're just hiding random women laughing

2019

01:22:18,390 --> 01:22:16,719

in your room

2020

01:22:22,790 --> 01:22:18,400

but these are women you know so it's

2021

01:22:26,149 --> 01:22:25,430

wear something funny i drove taxi for 10

2022

01:22:29,910 --> 01:22:26,159

years

2023

01:22:31,270 --> 01:22:29,920

did you what was that like crazy 2000 to

2024

01:22:34,070 --> 01:22:31,280

2010

2025

01:22:34,870 --> 01:22:34,080

when i started money when i quit no

2026

01:22:38,310 --> 01:22:34,880

money

2027

01:22:40,390 --> 01:22:38,320

yeah yeah i i really liked

2028

01:22:42,470 --> 01:22:40,400

driving uber but i had some crazy

2029

01:22:44,149 --> 01:22:42,480

adventures in philadelphia like one time

2030

01:22:46,390 --> 01:22:44,159

some guy

2031

01:22:47,510 --> 01:22:46,400

was smoking crack in my back seat and i

2032

01:22:49,669 --> 01:22:47,520

had to go

2033

01:22:52,229 --> 01:22:49,679

i go i look in the rearview mirror and

2034

01:22:54,470 --> 01:22:52,239

i'm like that's not a pot pipe he's

2035

01:22:56,149 --> 01:22:54,480

smoking crack and the whole car started

2036

01:22:59,189 --> 01:22:56,159

smelling like chemicals

2037

01:23:01,669 --> 01:22:59,199

and he was a big dude and i but i go

2038

01:23:02,470 --> 01:23:01,679

excuse me sir you can't smoke in the car

2039

01:23:04,390 --> 01:23:02,480

and then he goes

2040

01:23:06,070 --> 01:23:04,400

look [h__h] i'm paying you for

2041

01:23:06,950 --> 01:23:06,080

this ride i'll smoke whatever the [h__h] i

2042

01:23:09,189 --> 01:23:06,960

want in your car

2043

01:23:10,870 --> 01:23:09,199

[h__h] you and i went yes sir i wasn't

2044

01:23:14,310 --> 01:23:10,880

getting in a fight with him you know

2045

01:23:16,390 --> 01:23:14,320

ride i just got cracked down in my cup

2046

01:23:17,830 --> 01:23:16,400

cab and they dropped a crack rock and i

2047

01:23:18,629 --> 01:23:17,840

went excuse me sir you dropped your

2048

01:23:20,470 --> 01:23:18,639

crack it goes

2049

01:23:23,430 --> 01:23:20,480

you can keep that if i wanted it i

2050

01:23:26,149 --> 01:23:23,440

wouldn't have told you you dropped it

2051

01:23:28,629 --> 01:23:26,159

yeah no no thank you sir i'll take a

2052

01:23:30,629 --> 01:23:28,639

cash tip not a crack rock tip

2053

01:23:31,990 --> 01:23:30,639

i think but you must know like you you

2054

01:23:33,590 --> 01:23:32,000

must have the same kind of

2055

01:23:35,830 --> 01:23:33,600

especially when you drive overnight i

2056

01:23:38,310 --> 01:23:35,840

drove overnight i did nights

2057

01:23:39,750 --> 01:23:38,320

so i was just like the drunk take drunk

2058

01:23:42,070 --> 01:23:39,760

people home express

2059

01:23:44,070 --> 01:23:42,080

for a lot of the night you know from

2060

01:23:46,470 --> 01:23:44,080

like from like 1am

2061

01:23:47,669 --> 01:23:46,480

until like 3 a.m just driving drunk

2062

01:23:50,629 --> 01:23:47,679

people home

2063

01:23:51,030 --> 01:23:50,639

yeah a lot of drunk people bartenders

2064

01:23:54,070 --> 01:23:51,040

call

2065

01:23:55,910 --> 01:23:54,080

girls uh all

2066

01:23:57,910 --> 01:23:55,920

sailors so i live in i worked at

2067

01:24:00,310 --> 01:23:57,920

bremerton washington and there's a

2068

01:24:02,070 --> 01:24:00,320

naval station there and i would drunk

2069

01:24:03,590 --> 01:24:02,080

sailors always like where the women

2070

01:24:08,390 --> 01:24:03,600

at they're at this bar they're not

2071

01:24:12,070 --> 01:24:10,470

or again where can i buy drugs at i

2072

01:24:13,830 --> 01:24:12,080

can't tell you where to buy drugs at if

2073

01:24:14,629 --> 01:24:13,840

i tell you where i buy drugs and you get

2074

01:24:17,910 --> 01:24:14,639

busted

2075

01:24:19,669 --> 01:24:17,920

i go to jail really i didn't know

2076

01:24:21,350 --> 01:24:19,679

it's felicitating you it's uh it's the

2077

01:24:24,070 --> 01:24:21,360

same thing as being a pimp

2078

01:24:25,910 --> 01:24:24,080

i i was able to drop them off so i'd say

2079

01:24:28,629 --> 01:24:25,920

i'll drop you up on this street corner

2080

01:24:30,070 --> 01:24:28,639

and come back get you in 15 minutes

2081

01:24:33,430 --> 01:24:30,080

that's best i can do

2082

01:24:35,110 --> 01:24:33,440

you know yeah you mentioned call girls i

2083

01:24:36,790 --> 01:24:35,120

was surprised at the number of call

2084

01:24:37,990 --> 01:24:36,800

girls that i was picking up and dropping

2085

01:24:40,790 --> 01:24:38,000

off

2086

01:24:42,470 --> 01:24:40,800

it was it was surprising to me and then

2087

01:24:44,149 --> 01:24:42,480

the most surprising thing to me is that

2088

01:24:46,870 --> 01:24:44,159

i worked on uh valentine's

2089

01:24:49,189 --> 01:24:46,880

day two years in a row and valentine's

2090

01:24:51,830 --> 01:24:49,199

day was the busiest night for call girls

2091

01:24:53,430 --> 01:24:51,840

i drove so many call girls to people on

2092

01:24:55,830 --> 01:24:53,440

valentine's day

2093

01:24:56,470 --> 01:24:55,840

and then one of them it was so funny you

2094

01:24:58,390 --> 01:24:56,480

know

2095

01:24:59,590 --> 01:24:58,400

they get some of them are chatty and and

2096

01:25:01,590 --> 01:24:59,600

one of them was like

2097

01:25:03,030 --> 01:25:01,600

yeah you know uh you you seem like a

2098

01:25:03,350 --> 01:25:03,040

cool guy i'm gonna give you my card you

2099

01:25:04,709 --> 01:25:03,360

know

2100

01:25:06,709 --> 01:25:04,719

maybe i'll give you a discount or

2101
01:25:07,750 --> 01:25:06,719
something and i'm like no don't give me

2102
01:25:09,830 --> 01:25:07,760
your card

2103
01:25:11,270 --> 01:25:09,840
and for some reason she wanted to sit in

2104
01:25:12,709 --> 01:25:11,280
the front you know some people just go

2105
01:25:13,270 --> 01:25:12,719
look i feel uncomfortable sitting in the

2106
01:25:14,629 --> 01:25:13,280
back

2107
01:25:17,750 --> 01:25:14,639
is it okay if i sit in the front and i

2108
01:25:21,189 --> 01:25:17,760
don't care i go sure so she's putting

2109
01:25:22,950 --> 01:25:21,199
her business cards in my like side panel

2110
01:25:24,070 --> 01:25:22,960
thing you know that thing between the

2111
01:25:25,750 --> 01:25:24,080
seat

2112
01:25:27,110 --> 01:25:25,760
she's putting the card in there i'm like

2113
01:25:29,270 --> 01:25:27,120

lady you got no

2114

01:25:30,310 --> 01:25:29,280

you can't leave me this card my wife

2115

01:25:32,149 --> 01:25:30,320

uses this car

2116

01:25:34,229 --> 01:25:32,159

sometimes and i don't want to explain to

2117

01:25:36,229 --> 01:25:34,239

my wife why there's a hooker's

2118

01:25:39,430 --> 01:25:36,239

business and it was obviously a hooker's

2119

01:25:42,310 --> 01:25:39,440

business card like sensual pleasures by

2120

01:25:43,030 --> 01:25:42,320

candy or something and a picture of her

2121

01:25:44,870 --> 01:25:43,040

like a boob

2122

01:25:47,110 --> 01:25:44,880

shot of her and a phone number i'm like

2123

01:25:50,310 --> 01:25:47,120

please take this card

2124

01:25:50,629 --> 01:25:50,320

i don't know thank you you know i picked

2125

01:25:53,910 --> 01:25:50,639

up

2126

01:25:56,390 --> 01:25:53,920

girl the madam

2127

01:25:57,830 --> 01:25:56,400

whatever she was i picked her up and

2128

01:25:59,430 --> 01:25:57,840

she's like oh you seem nice would you

2129

01:26:00,950 --> 01:25:59,440

mind picking people up like you paid me

2130

01:26:03,669 --> 01:26:00,960

cash i don't care

2131

01:26:05,350 --> 01:26:03,679

yeah yeah that's how i was and then

2132

01:26:05,910 --> 01:26:05,360

busted and i was just like what happened

2133

01:26:08,870 --> 01:26:05,920

i ran into

2134

01:26:10,390 --> 01:26:08,880

a bar one night yeah i got busted you

2135

01:26:13,110 --> 01:26:10,400

know i just got out of jail i'm like oh

2136

01:26:14,950 --> 01:26:13,120

that sucks all right

2137

01:26:17,189 --> 01:26:14,960

yeah that's too bad that's terrible

2138

01:26:17,830 --> 01:26:17,199

right yeah yeah and i had a few that

2139

01:26:20,070 --> 01:26:17,840

were like

2140

01:26:21,189 --> 01:26:20,080

obviously like drugged out and [\h__\h] you

2141

01:26:23,110 --> 01:26:21,199

know pick them up

2142

01:26:24,229 --> 01:26:23,120

and the bet the the weirdest thing that

2143

01:26:27,830 --> 01:26:24,239

ever happened

2144

01:26:29,669 --> 01:26:27,840

uh i had a girl get in my the back of my

2145

01:26:31,750 --> 01:26:29,679

car by herself like i picked her up at a

2146

01:26:33,510 --> 01:26:31,760

bar and she was so drunk that she passed

2147

01:26:35,830 --> 01:26:33,520

out in the back of my car

2148

01:26:37,830 --> 01:26:35,840

and then and then she wouldn't wake up

2149

01:26:39,030 --> 01:26:37,840

and i was pretty new at uber driving but

2150

01:26:40,470 --> 01:26:39,040

one thing i knew is like

2151
01:26:42,149 --> 01:26:40,480
i'm not touching this girl i'm not

2152
01:26:42,950 --> 01:26:42,159
putting my hands on her shaking her to

2153
01:26:45,189 --> 01:26:42,960
wake her up

2154
01:26:47,430 --> 01:26:45,199
but luckily i was taking her home and

2155
01:26:47,910 --> 01:26:47,440
she lived like four or five doors down

2156
01:26:50,229 --> 01:26:47,920
from

2157
01:26:51,430 --> 01:26:50,239
a police station so i pulled in front of

2158
01:26:53,830 --> 01:26:51,440
the police station i

2159
01:26:55,590 --> 01:26:53,840
left her and locked the car went inside

2160
01:26:57,669 --> 01:26:55,600
and i told him what was happening

2161
01:26:59,669 --> 01:26:57,679
and the guy goes female in the back your

2162
01:27:00,790 --> 01:26:59,679
car passed out drunk and i said yeah and

2163
01:27:02,390 --> 01:27:00,800

i don't want to touch her

2164

01:27:04,310 --> 01:27:02,400

or shake her and he goes yeah yeah yeah

2165

01:27:06,629 --> 01:27:04,320

no i'll get a female officer

2166

01:27:07,430 --> 01:27:06,639

so a female officer came out and shook

2167

01:27:10,470 --> 01:27:07,440

the [h__\h]

2168

01:27:12,550 --> 01:27:10,480

then

2169

01:27:14,390 --> 01:27:12,560

kind of helped her get up stan she

2170

01:27:15,990 --> 01:27:14,400

couldn't even walk they had to like drag

2171

01:27:18,070 --> 01:27:16,000

her into her apartment

2172

01:27:19,590 --> 01:27:18,080

that happened to me i had to call an

2173

01:27:20,229 --> 01:27:19,600

ambulance because the lady wouldn't wake

2174

01:27:23,350 --> 01:27:20,239

up

2175

01:27:25,430 --> 01:27:23,360

oh holy [h__\h] that's even worse like

2176

01:27:29,030 --> 01:27:25,440

and i used to be a bartender in my 20s

2177

01:27:31,030 --> 01:27:29,040

and i'm like yeah this is karma

2178

01:27:32,629 --> 01:27:31,040

people drunk and yeah she wouldn't wake

2179

01:27:34,790 --> 01:27:32,639

up didn't know where she lived i just

2180

01:27:36,470 --> 01:27:34,800

pulled over called my dispatch

2181

01:27:38,390 --> 01:27:36,480

they said call 9-1-1 tell them where

2182

01:27:40,470 --> 01:27:38,400

you're at ambulance came out

2183

01:27:42,229 --> 01:27:40,480

she went to detox right under like two

2184

01:27:42,790 --> 01:27:42,239

days later she was all mad at me and i'm

2185

01:27:45,270 --> 01:27:42,800

like

2186

01:27:46,310 --> 01:27:45,280

i could have just left you in the street

2187

01:27:48,070 --> 01:27:46,320

i was told by

2188

01:27:49,510 --> 01:27:48,080

my drivers just but put her in the ball

2189

01:27:51,910 --> 01:27:49,520

on the street and go through her purse

2190

01:27:54,950 --> 01:27:51,920

and grab her money

2191

01:27:58,310 --> 01:27:54,960

grab her money first well my concern is

2192

01:27:59,910 --> 01:27:58,320

in this me too kind of culture like the

2193

01:28:02,310 --> 01:27:59,920

last thing i want to do is put my hands

2194

01:28:03,990 --> 01:28:02,320

anywhere on a [h__h] unconscious woman

2195

01:28:05,350 --> 01:28:04,000

because she could say anything later you

2196

01:28:08,310 --> 01:28:05,360

know

2197

01:28:08,629 --> 01:28:08,320

this is two thousand twenty years ago so

2198

01:28:11,030 --> 01:28:08,639

um

2199

01:28:12,149 --> 01:28:11,040

it was still it's better better safe

2200

01:28:15,110 --> 01:28:12,159

than sorry

2201

01:28:16,390 --> 01:28:15,120

drop someone off you know i just like my

2202

01:28:18,550 --> 01:28:16,400

favorite thing being a cab driver is

2203

01:28:20,390 --> 01:28:18,560

when i drive coming back from the jail

2204

01:28:22,149 --> 01:28:20,400

and see someone hitchhiking i pick them

2205

01:28:23,990 --> 01:28:22,159

up all the time

2206

01:28:26,229 --> 01:28:24,000

you know because they get my buddy got a

2207

01:28:27,990 --> 01:28:26,239

dwi and i had to go into jail what

2208

01:28:29,510 --> 01:28:28,000

and then they won't give me a i don't

2209

01:28:31,669 --> 01:28:29,520

have no money for a cow mike

2210

01:28:33,270 --> 01:28:31,679

where are you at i'm over here i'll give

2211

01:28:36,310 --> 01:28:33,280

you a free ramen don't worry about it

2212

01:28:38,390 --> 01:28:36,320

and we've all been there you know yeah i

2213

01:28:40,070 --> 01:28:38,400

did that a few times because

2214

01:28:42,070 --> 01:28:40,080

i would be driving by someplace in

2215

01:28:44,070 --> 01:28:42,080

philly called cfcf i think it's called

2216

01:28:45,430 --> 01:28:44,080

and it's a it's like the short-term jail

2217

01:28:46,550 --> 01:28:45,440

where they take everybody if they're

2218

01:28:48,629 --> 01:28:46,560

arraigned

2219

01:28:49,910 --> 01:28:48,639

and there would always be guys walking

2220

01:28:51,750 --> 01:28:49,920

down that street and i could look at

2221

01:28:53,590 --> 01:28:51,760

them and tell they just got out of jail

2222

01:28:54,790 --> 01:28:53,600

and even if they weren't thumbing it

2223

01:28:56,550 --> 01:28:54,800

most of them weren't thumbing it i would

2224

01:28:58,470 --> 01:28:56,560

just pull over and go

2225

01:29:00,070 --> 01:28:58,480

where where do you gotta go because yeah

2226

01:29:01,430 --> 01:29:00,080

you're right everybody's been there

2227

01:29:03,270 --> 01:29:01,440

right and i go all right i'm going

2228

01:29:05,270 --> 01:29:03,280

downtown i'll take you with me

2229

01:29:06,550 --> 01:29:05,280

and i felt like i did if every time i

2230

01:29:08,390 --> 01:29:06,560

did something like that

2231

01:29:10,070 --> 01:29:08,400

it was like i'm setting up some good

2232

01:29:11,750 --> 01:29:10,080

karma for me you know and they were all

2233

01:29:12,950 --> 01:29:11,760

thankful to get [h__\h] man you just got

2234

01:29:14,470 --> 01:29:12,960

out of jail and you don't have a dollar

2235

01:29:15,669 --> 01:29:14,480

in your pocket and some guy just pulls

2236

01:29:17,270 --> 01:29:15,679

over at random and i would tell them

2237

01:29:18,470 --> 01:29:17,280

like i'm an uber driver but i'm taking a

2238

01:29:19,910 --> 01:29:18,480

break right now

2239

01:29:22,390 --> 01:29:19,920

so i'll take you wherever you're going

2240

01:29:24,550 --> 01:29:22,400

to go and especially if they were going

2241

01:29:26,870 --> 01:29:24,560

somewhere i knew i could get better

2242

01:29:28,470 --> 01:29:26,880

you know rides from like downtown great

2243

01:29:29,510 --> 01:29:28,480

i'll take you downtown because there's

2244

01:29:31,030 --> 01:29:29,520

going to be rides there

2245

01:29:33,350 --> 01:29:31,040

if it was slow especially i would do

2246

01:29:36,070 --> 01:29:33,360

stuff like that we had this guy named

2247

01:29:38,709 --> 01:29:36,080

leroy and he was famous for calling

2248

01:29:39,110 --> 01:29:38,719

for a cab and said the money's at the

2249

01:29:40,709 --> 01:29:39,120

place

2250

01:29:42,709 --> 01:29:40,719

and then you think well i don't got any

2251

01:29:44,870 --> 01:29:42,719

money what are you going to do

2252

01:29:45,750 --> 01:29:44,880

what are you going to do yeah i and he

2253

01:29:48,790 --> 01:29:45,760

beat him up

2254

01:29:50,550 --> 01:29:48,800

he beat him down he beat a bloody and

2255

01:29:51,830 --> 01:29:50,560

then he did to me like two weeks later

2256

01:29:53,350 --> 01:29:51,840

and i'm like you know didn't you just

2257

01:29:54,870 --> 01:29:53,360

get your butt kicked for this he was

2258

01:29:56,070 --> 01:29:54,880

like what are you going to do

2259

01:29:59,189 --> 01:29:56,080

i drove them out in the middle of the

2260

01:30:00,790 --> 01:29:59,199

boonies i drove them out with theirs

2261

01:30:02,629 --> 01:30:00,800

all right you got no money yeah that's

2262

01:30:04,950 --> 01:30:02,639

how i would be like

2263

01:30:06,149 --> 01:30:04,960

philly is like across the bridge across

2264

01:30:07,990 --> 01:30:06,159

the bridge is new jersey

2265

01:30:09,430 --> 01:30:08,000

so i'd have been an [h__h] like you're

2266

01:30:10,790 --> 01:30:09,440

going to jersey bro

2267

01:30:12,390 --> 01:30:10,800

i'm gonna drop you off in new jersey

2268

01:30:14,149 --> 01:30:12,400

good luck walking home you're gonna have

2269

01:30:16,709 --> 01:30:14,159

to walk over a bridge dude

2270

01:30:18,629 --> 01:30:16,719

or pay me right this place called sea

2271

01:30:21,110 --> 01:30:18,639

back in sea back's probably it's a big

2272

01:30:23,430 --> 01:30:21,120

area it's a it's the boonies you know

2273

01:30:27,030 --> 01:30:23,440

um and i take them out to scenic beach

2274

01:30:28,870 --> 01:30:27,040

which is like the furthest park out

2275

01:30:30,229 --> 01:30:28,880

live and he's like you're kidnapping me

2276

01:30:32,390 --> 01:30:30,239

you don't got no money

2277

01:30:33,990 --> 01:30:32,400

called cops he's like i don't go to the

2278

01:30:37,590 --> 01:30:34,000

floor mom i don't tell you that

2279

01:30:38,070 --> 01:30:37,600

get out that'll learn yet after that you

2280

01:30:41,350 --> 01:30:38,080

always

2281

01:30:44,629 --> 01:30:41,360

you got money you don't get money yeah i

2282

01:30:46,070 --> 01:30:44,639

uh i i had to throw people out like i

2283

01:30:46,470 --> 01:30:46,080

pulled over and just said get out of my

2284

01:30:48,470 --> 01:30:46,480

car

2285

01:30:49,510 --> 01:30:48,480

a few times they were like really nasty

2286

01:30:52,470 --> 01:30:49,520

and belligerent

2287

01:30:54,070 --> 01:30:52,480

you know just pulling over like get out

2288

01:30:55,990 --> 01:30:54,080

get your [h__h] out of my car

2289

01:30:58,070 --> 01:30:56,000

you know my favorite were the ghetto

2290

01:30:58,470 --> 01:30:58,080

people that would want you to like pick

2291

01:31:00,310 --> 01:30:58,480

them up

2292

01:31:02,070 --> 01:31:00,320

and drive them like a mile and a half to

2293

01:31:04,790 --> 01:31:02,080

the supermarket

2294

01:31:05,669 --> 01:31:04,800

or they would you would get them at the

2295

01:31:07,669 --> 01:31:05,679

supermarket

2296

01:31:09,430 --> 01:31:07,679

and they would go like aren't you going

2297

01:31:11,030 --> 01:31:09,440

to help me with my bags

2298

01:31:12,470 --> 01:31:11,040

and when i first started doing it i

2299

01:31:13,990 --> 01:31:12,480

would i would get out help them with

2300

01:31:14,709 --> 01:31:14,000

their bags and then i would take them to

2301

01:31:16,709 --> 01:31:14,719

their house

2302

01:31:17,830 --> 01:31:16,719

they'd have 15 bags in my trunk and i

2303

01:31:19,430 --> 01:31:17,840

would take them all up and put them on

2304

01:31:20,709 --> 01:31:19,440

their porch or help them

2305

01:31:22,870 --> 01:31:20,719

and then they wouldn't even tip you a

2306

01:31:24,550 --> 01:31:22,880

dollar so i stopped doing it i just said

2307

01:31:25,910 --> 01:31:24,560

it's taken me 20 minutes to help these

2308

01:31:27,830 --> 01:31:25,920

people with their groceries so

2309

01:31:29,030 --> 01:31:27,840

then i'm like i would pull up to the

2310

01:31:30,790 --> 01:31:29,040

grocery and they'd be like aren't you

2311

01:31:32,310 --> 01:31:30,800

gonna help me i'd go yeah i'll help

2312

01:31:34,149 --> 01:31:32,320

and i would push the trunk release and

2313

01:31:34,950 --> 01:31:34,159

the trunk would pop up and i go there

2314

01:31:36,870 --> 01:31:34,960

i'm helping

2315

01:31:38,149 --> 01:31:36,880

you know and then it'll be like no

2316

01:31:39,910 --> 01:31:38,159

aren't you gonna help me with the bags

2317

01:31:42,390 --> 01:31:39,920

like no i'm a driver i'm not

2318

01:31:42,950 --> 01:31:42,400

i'm not i'm not a bag hauler you know

2319

01:31:45,189 --> 01:31:42,960

right

2320

01:31:46,629 --> 01:31:45,199

that we're moving using a taxi yeah but

2321

01:31:48,629 --> 01:31:46,639

i don't think they understand that like

2322

01:31:50,390 --> 01:31:48,639

if i did that every time it's 20

2323

01:31:51,910 --> 01:31:50,400

it's 20 minutes it's 10 minutes for me

2324

01:31:53,350 --> 01:31:51,920

to get out of my car and help you put

2325

01:31:55,510 --> 01:31:53,360

your bags in my car

2326

01:31:57,270 --> 01:31:55,520

they got three cart loads of [h__h] and

2327

01:31:58,870 --> 01:31:57,280

then you know i take you home and then

2328

01:32:00,070 --> 01:31:58,880

it's 10 minutes to get all your [h__h] out

2329

01:32:01,270 --> 01:32:00,080

of my car

2330

01:32:03,189 --> 01:32:01,280

you know or even if they're doing it

2331

01:32:04,870 --> 01:32:03,199

themselves it's terrible because you're

2332

01:32:07,350 --> 01:32:04,880

waiting and waiting and waiting

2333

01:32:08,709 --> 01:32:07,360

you know i do miss driving uber though i

2334

01:32:11,189 --> 01:32:08,719

had some fun adventures

2335

01:32:12,229 --> 01:32:11,199

some nights it was like this is crazy

2336

01:32:14,149 --> 01:32:12,239

you know

2337

01:32:15,270 --> 01:32:14,159

the thing i hated was picking up a

2338

01:32:18,390 --> 01:32:15,280

single mom

2339

01:32:22,550 --> 01:32:18,400

with two kids taking her

2340

01:32:25,590 --> 01:32:25,189

taking over here that was that earth

2341

01:32:28,070 --> 01:32:25,600

happened

2342

01:32:29,430 --> 01:32:28,080

quite a bit and i finally just like like

2343

01:32:30,629 --> 01:32:29,440

why are we going to the crack house oh

2344

01:32:32,390 --> 01:32:30,639

no i owe this person

2345

01:32:34,470 --> 01:32:32,400

oh the crack house you were taking moms

2346

01:32:35,910 --> 01:32:34,480

to the crack house with their two kids

2347

01:32:37,669 --> 01:32:35,920

at three o'clock in the morning and she

2348

01:32:38,149 --> 01:32:37,679

goes no i owe this guy money and i'm

2349

01:32:40,149 --> 01:32:38,159

like

2350

01:32:41,590 --> 01:32:40,159

and he can't wait till the morning for

2351

01:32:43,189 --> 01:32:41,600

it he needs it

2352

01:32:45,669 --> 01:32:43,199

he needs it three o'clock in the morning

2353

01:32:47,669 --> 01:32:45,679

yeah looking like you're jonesing i'm

2354

01:32:49,270 --> 01:32:47,679

sorry honey you're you're you're smoking

2355

01:32:50,470 --> 01:32:49,280

the like relaxed pipe you're on crack

2356

01:32:52,790 --> 01:32:50,480

sorry

2357

01:32:54,470 --> 01:32:52,800

don't you be like no yeah yeah when you

2358

01:32:55,350 --> 01:32:54,480

do that stuff i guess you deal with a

2359

01:32:58,470 --> 01:32:55,360

lot of

2360

01:33:00,310 --> 01:32:58,480

favorite though were the pool

2361

01:33:01,590 --> 01:33:00,320

rides you've never had to do that the

2362

01:33:03,910 --> 01:33:01,600

pool rides work like this

2363

01:33:04,870 --> 01:33:03,920

like like if you've got five seats in

2364

01:33:06,950 --> 01:33:04,880

your car

2365

01:33:07,990 --> 01:33:06,960

yeah okay so if you've got five seats in

2366

01:33:09,910 --> 01:33:08,000

your car and five

2367

01:33:11,590 --> 01:33:09,920

people are going generally the same way

2368

01:33:12,950 --> 01:33:11,600

you stop pick up one they get in and

2369

01:33:15,030 --> 01:33:12,960

then you go and pick up the next person

2370

01:33:16,629 --> 01:33:15,040

that's going to the same location

2371

01:33:19,110 --> 01:33:16,639

but it was crazy because sometimes

2372

01:33:21,669 --> 01:33:19,120

there'd be like there'd be like

2373

01:33:22,310 --> 01:33:21,679

blonde hair blue eyed like cheerleader

2374

01:33:25,270 --> 01:33:22,320

girls

2375

01:33:27,110 --> 01:33:25,280

and then like some ghetto crackhead dude

2376

01:33:28,950 --> 01:33:27,120

would get in next to them

2377

01:33:31,110 --> 01:33:28,960

and just the conversation the awkward

2378

01:33:31,750 --> 01:33:31,120

conversations that i would hear between

2379

01:33:33,030 --> 01:33:31,760

these people

2380

01:33:36,070 --> 01:33:33,040

and the dudes would be hitting on the

2381

01:33:38,149 --> 01:33:36,080

chicks sometimes you know and the chicks

2382

01:33:38,470 --> 01:33:38,159

would be like horrified like oh geez

2383

01:33:40,790 --> 01:33:38,480

who's

2384

01:33:42,550 --> 01:33:40,800

this crazy guy from the ghetto it was

2385

01:33:44,709 --> 01:33:42,560

fun

2386

01:33:45,669 --> 01:33:44,719

yeah i miss driving i miss some of the

2387

01:33:48,950 --> 01:33:45,679

people

2388

01:33:52,229 --> 01:33:48,960

going to dialysis

2389

01:33:54,870 --> 01:33:52,239

and there was this one lady um dora

2390

01:33:57,750 --> 01:33:54,880

and i loved our older black lady from

2391

01:34:01,430 --> 01:33:57,760

chicago was living in bremerton

2392

01:34:03,510 --> 01:34:01,440

sweetest lady i ever met and

2393

01:34:05,350 --> 01:34:03,520

she i stopped seeing her i found out two

2394

01:34:07,189 --> 01:34:05,360

months later she passed away and i was

2395

01:34:10,149 --> 01:34:07,199

just like looking at her son going

2396

01:34:11,030 --> 01:34:10,159

your mom's dead i loved your mom i loved

2397

01:34:13,910 --> 01:34:11,040

you man

2398

01:34:16,229 --> 01:34:13,920

i picked her up all the time she was

2399

01:34:18,070 --> 01:34:16,239

just the sweetest lady always asking how

2400

01:34:19,030 --> 01:34:18,080

i'm doing asking about my parents asking

2401
01:34:21,830 --> 01:34:19,040
about my brothers this

2402
01:34:23,510 --> 01:34:21,840
is conversations before i was married

2403
01:34:24,310 --> 01:34:23,520
just a sweet lady and then when she

2404
01:34:27,030 --> 01:34:24,320
passed i was

2405
01:34:28,470 --> 01:34:27,040
cause i didn't know just stopped calling

2406
01:34:29,990 --> 01:34:28,480
and she was in a nursing home and then

2407
01:34:31,350 --> 01:34:30,000
she stopped calling and i was just like

2408
01:34:32,310 --> 01:34:31,360
and i ran to her son he's like yeah my

2409
01:34:34,870 --> 01:34:32,320
mom passed away

2410
01:34:35,510 --> 01:34:34,880
oh yeah that sucks yeah i had a few that

2411
01:34:57,910 --> 01:34:35,520
i

2412
01:35:00,229 --> 01:34:57,920
games there was fun some

2413
01:35:02,470 --> 01:35:00,239

some of the stuff was fun well there was

2414

01:35:03,590 --> 01:35:02,480

one ladies her uh husband

2415

01:35:05,910 --> 01:35:03,600

i forget what they did some of the

2416

01:35:06,950 --> 01:35:05,920

seattle mariners so she had lifetime

2417

01:35:10,229 --> 01:35:06,960

season tickets

2418

01:35:11,990 --> 01:35:10,239

and she went i'd pick her up after the

2419

01:35:13,910 --> 01:35:12,000

games you know a lot

2420

01:35:15,510 --> 01:35:13,920

and it was always like for shoot from

2421

01:35:16,390 --> 01:35:15,520

the fairy doc because we have a ferry in

2422

01:35:18,629 --> 01:35:16,400

bermuda

2423

01:35:20,070 --> 01:35:18,639

from the ferry to her house was like

2424

01:35:20,950 --> 01:35:20,080

three dollars she always gave you five

2425

01:35:22,629 --> 01:35:20,960

dollars

2426

01:35:24,229 --> 01:35:22,639

and another cab company picked her up

2427

01:35:25,590 --> 01:35:24,239

and drove her all the way around and

2428

01:35:27,830 --> 01:35:25,600

charged her 15

2429

01:35:29,430 --> 01:35:27,840

and she called the police and explained

2430

01:35:31,189 --> 01:35:29,440

and somehow i'm with the guy that has to

2431

01:35:33,030 --> 01:35:31,199

go talk to the police from the other cab

2432

01:35:35,270 --> 01:35:33,040

company i don't know what's going on

2433

01:35:37,030 --> 01:35:35,280

how much you're not yeah lady she gives

2434

01:35:38,709 --> 01:35:37,040

you five and he goes how do you go and

2435

01:35:39,830 --> 01:35:38,719

i'm like i go up sixth street and i turn

2436

01:35:41,590 --> 01:35:39,840

on danita and

2437

01:35:43,270 --> 01:35:41,600

it was how'd you the lawyer went around

2438

01:35:44,709 --> 01:35:43,280

the minette bridge and the warren avenue

2439

01:35:46,790 --> 01:35:44,719

but he's like so you would always all

2440

01:35:48,629 --> 01:35:46,800

right yeah she's right you're wrong

2441

01:35:49,910 --> 01:35:48,639

um you know because the guy called the

2442

01:35:51,430 --> 01:35:49,920

cops on her because she wouldn't pay him

2443

01:35:54,149 --> 01:35:51,440

more than five and it's 15

2444

01:35:54,870 --> 01:35:54,159

you went the long way yeah oh i love

2445

01:35:56,470 --> 01:35:54,880

that [h__h]

2446

01:35:57,669 --> 01:35:56,480

i used to get ghetto people too before

2447

01:35:58,950 --> 01:35:57,679

they would get in they would call the

2448

01:35:59,830 --> 01:35:58,960

uber and before they would get in they

2449

01:36:02,070 --> 01:35:59,840

would go

2450

01:36:03,590 --> 01:36:02,080

yo bro how much is this ride going to be

2451

01:36:05,430 --> 01:36:03,600

and i go i don't know use the ride

2452

01:36:07,750 --> 01:36:05,440

estimate or whatever you know

2453

01:36:09,910 --> 01:36:07,760

and then i'm like oh here we go again so

2454

01:36:10,870 --> 01:36:09,920

i'm i had a second phone and i'm doing

2455

01:36:12,149 --> 01:36:10,880

the ride estimate

2456

01:36:13,910 --> 01:36:12,159

and i'm like it's going to be seven

2457

01:36:16,149 --> 01:36:13,920

dollars and the guy's like yo

2458

01:36:17,270 --> 01:36:16,159

how about we do it off uber and i just

2459

01:36:19,830 --> 01:36:17,280

give you five bro

2460

01:36:21,590 --> 01:36:19,840

and i'm like dude i don't set the prices

2461

01:36:22,149 --> 01:36:21,600

like i don't set the prices if you don't

2462

01:36:24,149 --> 01:36:22,159

have seven

2463

01:36:25,750 --> 01:36:24,159

dollars why would you call the [\h__\h]

2464

01:36:27,510 --> 01:36:25,760

uber all the time

2465

01:36:29,910 --> 01:36:27,520

yeah it happened all the time that or

2466

01:36:32,790 --> 01:36:29,920

people ghetto people

2467

01:36:33,830 --> 01:36:32,800

would claim that i went the long way but

2468

01:36:36,790 --> 01:36:33,840

what i always did

2469

01:36:38,870 --> 01:36:36,800

is i followed the uber app so like if

2470

01:36:40,629 --> 01:36:38,880

the uber app told me even if i thought

2471

01:36:42,149 --> 01:36:40,639

that may be the wrong way

2472

01:36:43,990 --> 01:36:42,159

and i could do it quicker doing it a

2473

01:36:46,470 --> 01:36:44,000

different way i would just follow the

2474

01:36:48,229 --> 01:36:46,480

uber app whatever way the uber gps told

2475

01:36:49,910 --> 01:36:48,239

me to take the ride and take the person

2476

01:36:52,470 --> 01:36:49,920

to the location i did it

2477

01:36:52,950 --> 01:36:52,480

so constantly people would complain to

2478

01:36:56,629 --> 01:36:52,960

uber

2479

01:36:58,470 --> 01:36:56,639

the wrong way

2480

01:36:59,910 --> 01:36:58,480

on purpose to make the ride longer i'm

2481

01:37:01,830 --> 01:36:59,920

not paying this and they would

2482

01:37:04,070 --> 01:37:01,840

they would take the money back from me

2483

01:37:07,030 --> 01:37:04,080

but then my defense was always to uber

2484

01:37:08,470 --> 01:37:07,040

check the check the gps log i did what

2485

01:37:09,910 --> 01:37:08,480

you told me to and then they would go

2486

01:37:12,070 --> 01:37:09,920

back and say no

2487

01:37:13,109 --> 01:37:12,080

our gps goes the shortest distance or

2488

01:37:14,629 --> 01:37:13,119

whatever but

2489

01:37:16,870 --> 01:37:14,639

like fighting with ghetto people i don't

2490

01:37:18,229 --> 01:37:16,880

miss i was looking forward to i thought

2491

01:37:20,229 --> 01:37:18,239

i would be ubering

2492

01:37:21,910 --> 01:37:20,239

as much as possible in the suburbs and

2493

01:37:23,750 --> 01:37:21,920

not so much in the city anymore but then

2494

01:37:27,430 --> 01:37:23,760

this coveted [h__h] started and i have

2495

01:37:29,350 --> 01:37:27,440

not yet done one one driving day

2496

01:37:31,030 --> 01:37:29,360

when i drove it was always five dollars

2497

01:37:31,430 --> 01:37:31,040

hey man you do for five dollars i'm like

2498

01:37:33,990 --> 01:37:31,440

that and

2499

01:37:35,910 --> 01:37:34,000

i got to the point driving taxi that's

2500

01:37:38,229 --> 01:37:35,920

gonna learn you gotta do it for five

2501
01:37:39,030 --> 01:37:38,239
and this one guy one time goes hey i'm

2502
01:37:40,870 --> 01:37:39,040
going across

2503
01:37:42,390 --> 01:37:40,880
town it's gonna be fifteen dollars

2504
01:37:43,590 --> 01:37:42,400
because can you do it for five and i

2505
01:37:46,629 --> 01:37:43,600
said i'll tell you what

2506
01:37:49,590 --> 01:37:46,639
i'll do it for five if you hand me five

2507
01:37:51,350 --> 01:37:49,600
but if you hand me a 20 it's 20 bucks

2508
01:37:53,590 --> 01:37:51,360
guys like that sounds fair and we start

2509
01:37:56,550 --> 01:37:53,600
talking it's about 10 15 minute ride

2510
01:37:57,350 --> 01:37:56,560
we get there 20. thank you i put up my

2511
01:37:59,830 --> 01:37:57,360
pocket he's like

2512
01:38:00,629 --> 01:37:59,840
oh for real and i went yes for real we

2513
01:38:03,669 --> 01:38:00,639

did that

2514

01:38:05,990 --> 01:38:03,679

we made a deal dude yeah we did he goes

2515

01:38:07,350 --> 01:38:06,000

i don't even have a five and i'm like

2516

01:38:08,870 --> 01:38:07,360

then why'd you make the deal he's like i

2517

01:38:11,910 --> 01:38:08,880

didn't think about it

2518

01:38:13,510 --> 01:38:11,920

all the time or people be like um

2519

01:38:14,950 --> 01:38:13,520

how like you're going the way how do you

2520

01:38:16,070 --> 01:38:14,960

want me to go i'll go the way you want

2521

01:38:18,390 --> 01:38:16,080

me to go you tell me

2522

01:38:19,590 --> 01:38:18,400

how you want to go and i'll run the

2523

01:38:20,950 --> 01:38:19,600

meter and i'll tell you right now it's

2524

01:38:23,669 --> 01:38:20,960

going to be six bucks

2525

01:38:24,709 --> 01:38:23,679

and if it's a six dollars or under you

2526

01:38:27,350 --> 01:38:24,719

could pay under

2527

01:38:28,070 --> 01:38:27,360

i go if it's over six you got to pay

2528

01:38:30,390 --> 01:38:28,080

that

2529

01:38:31,510 --> 01:38:30,400

and he goes okay you know and all the

2530

01:38:34,550 --> 01:38:31,520

time it'd be like

2531

01:38:37,030 --> 01:38:34,560

oh you were right 7 50.

2532

01:38:38,070 --> 01:38:37,040

you know the way i would have went six

2533

01:38:40,390 --> 01:38:38,080

so

2534

01:38:42,070 --> 01:38:40,400

yeah yeah you know the other thing uh

2535

01:38:44,310 --> 01:38:42,080

the other thing that i always got that

2536

01:38:46,390 --> 01:38:44,320

that i hate it was like friends and

2537

01:38:47,830 --> 01:38:46,400

family find out that you're driving uber

2538

01:38:49,590 --> 01:38:47,840

and they think that they're doing you a

2539

01:38:51,590 --> 01:38:49,600

favor so they would go like

2540

01:38:53,510 --> 01:38:51,600

hey can you pick me up tonight at seven

2541

01:38:55,590 --> 01:38:53,520

o'clock and i go no

2542

01:38:57,990 --> 01:38:55,600

because i could be in new jersey and

2543

01:39:00,149 --> 01:38:58,000

have to drive 45 minutes to you

2544

01:39:01,990 --> 01:39:00,159

to give you a six dollar ride you're not

2545

01:39:04,070 --> 01:39:02,000

helping me you're not helping they don't

2546

01:39:05,350 --> 01:39:04,080

understand that like i could be anywhere

2547

01:39:06,870 --> 01:39:05,360

you know i could pick up somebody in

2548

01:39:07,590 --> 01:39:06,880

center city philadelphia and they could

2549

01:39:10,229 --> 01:39:07,600

be going an

2550

01:39:12,629 --> 01:39:10,239

hour into new jersey and then i got to

2551

01:39:14,629 --> 01:39:12,639

drive back from jersey hopefully get a

2552

01:39:15,430 --> 01:39:14,639

ride from somebody in jersey going into

2553

01:39:18,470 --> 01:39:15,440

the city

2554

01:39:18,790 --> 01:39:18,480

to make that whole hour two hours worth

2555

01:39:20,310 --> 01:39:18,800

it

2556

01:39:22,950 --> 01:39:20,320

but like you're not helping me out

2557

01:39:24,790 --> 01:39:22,960

giving me a six dollar ride at 7 p.m

2558

01:39:26,470 --> 01:39:24,800

on a certain day you know because then i

2559

01:39:29,750 --> 01:39:26,480

have to be there

2560

01:39:30,709 --> 01:39:29,760

i had a bar and so they would call and

2561

01:39:32,950 --> 01:39:30,719

ask for me

2562

01:39:34,629 --> 01:39:32,960

but sometimes i'm not in county

2563

01:39:35,510 --> 01:39:34,639

sometimes i'm where you say it can be

2564

01:39:37,910 --> 01:39:35,520

really far away

2565

01:39:39,270 --> 01:39:37,920

yeah i'm like an hour away just haven't

2566

01:39:43,030 --> 01:39:39,280

pick up anybody

2567

01:39:44,950 --> 01:39:43,040

or one morning i picked a guy up at a uh

2568

01:39:46,390 --> 01:39:44,960

he was going to go to at a hotel he was

2569

01:39:48,070 --> 01:39:46,400

gonna go buy a car so i was taking him

2570

01:39:50,070 --> 01:39:48,080

to the used car dealership and then he

2571

01:39:51,990 --> 01:39:50,080

says now i just wanna go to portland

2572

01:39:54,709 --> 01:39:52,000

and i'm like portland avenue in tacoma

2573

01:39:57,910 --> 01:39:54,719

he goes no portland oregon

2574

01:39:59,910 --> 01:39:57,920

all right it's gonna be 350.

2575

01:40:01,430 --> 01:39:59,920

come on and then we get to portland he

2576
01:40:01,910 --> 01:40:01,440
goes actually i'm going to newberg orton

2577
01:40:04,310 --> 01:40:01,920
and it's an

2578
01:40:06,629 --> 01:40:04,320
hour south of portland i'm like that's

2579
01:40:08,629 --> 01:40:06,639
another 50 bucks he's like not a problem

2580
01:40:09,669 --> 01:40:08,639
and then he got mad at me that i didn't

2581
01:40:12,709 --> 01:40:09,679
know where i was going

2582
01:40:17,109 --> 01:40:12,719
in newburgh oregon and you're like [h__h]

2583
01:40:20,149 --> 01:40:18,550
and the guy was like how could you not

2584
01:40:22,229 --> 01:40:20,159
know and i'm like because i'm driving

2585
01:40:24,229 --> 01:40:22,239
bremerton i know kitsap county

2586
01:40:26,229 --> 01:40:24,239
mesa county pierce county jefferson

2587
01:40:26,790 --> 01:40:26,239
county those are the counties i drive

2588
01:40:29,109 --> 01:40:26,800

through

2589

01:40:30,870 --> 01:40:29,119

those are the ones that i know i go

2590

01:40:31,910 --> 01:40:30,880

that's how i felt about jersey anytime

2591

01:40:34,149 --> 01:40:31,920

somebody

2592

01:40:35,750 --> 01:40:34,159

you know was in jersey like oh i made a

2593

01:40:37,510 --> 01:40:35,760

wrong turn or something

2594

01:40:39,510 --> 01:40:37,520

and they'd go you know what are you

2595

01:40:40,550 --> 01:40:39,520

doing you made a wrong turn and i'd go i

2596

01:40:42,149 --> 01:40:40,560

don't know i'm from

2597

01:40:43,750 --> 01:40:42,159

philly you know i know philly like the

2598

01:40:45,590 --> 01:40:43,760

back of my hand i don't know [h__h] about

2599

01:40:46,870 --> 01:40:45,600

jersey and jersey sucks they have all

2600

01:40:48,950 --> 01:40:46,880

these crazy

2601
01:40:51,030 --> 01:40:48,960
like you gotta turn left to turn right

2602
01:40:51,430 --> 01:40:51,040
and stuff they have these circles and

2603
01:40:54,070 --> 01:40:51,440
[h__\h]

2604
01:40:55,830 --> 01:40:54,080
and it's crazy that's all the new things

2605
01:40:57,350 --> 01:40:55,840
you miss a turn and you're five miles

2606
01:41:00,470 --> 01:40:57,360
until you can turn off again

2607
01:41:02,470 --> 01:41:00,480
or something jersey sucks

2608
01:41:04,149 --> 01:41:02,480
somebody asked somebody asked any

2609
01:41:06,310 --> 01:41:04,159
thoughts on crypto

2610
01:41:08,470 --> 01:41:06,320
j crypto minded yes any thoughts on

2611
01:41:10,870 --> 01:41:08,480
crypto i'm not a big fan of crypto

2612
01:41:11,510 --> 01:41:10,880
i tried mining a long time ago when it

2613
01:41:14,629 --> 01:41:11,520

was still

2614

01:41:18,229 --> 01:41:14,639

possible to do and then i liked crypto

2615

01:41:20,070 --> 01:41:18,239

uh but lately uh you needed you need a

2616

01:41:22,070 --> 01:41:20,080

billion dollar super computer to mine

2617

01:41:24,870 --> 01:41:22,080

crypto so my interest in crypto

2618

01:41:25,430 --> 01:41:24,880

faded away i i think that it's fake

2619

01:41:27,350 --> 01:41:25,440

money

2620

01:41:28,709 --> 01:41:27,360

but then again i think that the us

2621

01:41:32,470 --> 01:41:28,719

dollar is fake money

2622

01:41:36,070 --> 01:41:32,480

so yeah my thoughts on crypto i like

2623

01:41:40,629 --> 01:41:38,229

cash cab was awesome isn't that where

2624

01:41:42,550 --> 01:41:40,639

cw's from yeah he's from new jersey

2625

01:41:43,669 --> 01:41:42,560

he's from that backward state next to

2626

01:41:45,750 --> 01:41:43,679

mine yes

2627

01:41:47,270 --> 01:41:45,760

and mario heat new jersey well you

2628

01:41:48,950 --> 01:41:47,280

probably know if you look at a map that

2629

01:41:50,470 --> 01:41:48,960

new jersey's right next to pennsylvania

2630

01:41:52,790 --> 01:41:50,480

i think that uh

2631

01:41:54,950 --> 01:41:52,800

cw though is in he's in north jersey so

2632

01:41:57,430 --> 01:41:54,960

he's like two hours from my house

2633

01:41:58,229 --> 01:41:57,440

i think something like that in north

2634

01:42:01,109 --> 01:41:58,239

america

2635

01:42:02,390 --> 01:42:01,119

is kevin smith films yeah that's the

2636

01:42:03,430 --> 01:42:02,400

only good thing that ever came out of

2637

01:42:05,270 --> 01:42:03,440

new jersey right

2638

01:42:07,030 --> 01:42:05,280

bon jovi and bruce springsteen that's

2639

01:42:08,550 --> 01:42:07,040

about it well i won't even count bon

2640

01:42:11,990 --> 01:42:08,560

jovi is a good thing but

2641

01:42:13,750 --> 01:42:12,000

i'll forgive you album was decent

2642

01:42:15,109 --> 01:42:13,760

but i was 13 so i really know what

2643

01:42:17,750 --> 01:42:15,119

decent was

2644

01:42:19,830 --> 01:42:17,760

yeah not a fan of bon jovi i'm really

2645

01:42:23,030 --> 01:42:19,840

not a fan of bon jovi

2646

01:42:24,390 --> 01:42:23,040

uh are you into precious metals then jay

2647

01:42:27,189 --> 01:42:24,400

crypto here's what i

2648

01:42:29,430 --> 01:42:27,199

here's what i do have i i have some

2649

01:42:32,790 --> 01:42:29,440

coins that are silver

2650

01:42:35,109 --> 01:42:32,800

um and i i always look through change to

2651

01:42:38,629 --> 01:42:35,119

see if i find 1964 and before

2652

01:42:41,510 --> 01:42:38,639

coins and i like uh half dollars

2653

01:42:42,550 --> 01:42:41,520

and dollar coins that are silver but

2654

01:42:44,550 --> 01:42:42,560

otherwise

2655

01:42:46,070 --> 01:42:44,560

no i don't collect precious metals i'm

2656

01:42:47,830 --> 01:42:46,080

poor

2657

01:42:49,430 --> 01:42:47,840

and there's genocides one of jonah

2658

01:42:50,550 --> 01:42:49,440

side's dogs you got like three of them

2659

01:42:52,550 --> 01:42:50,560

don't you

2660

01:42:54,629 --> 01:42:52,560

i got five of them yeah got three on the

2661

01:42:55,590 --> 01:42:54,639

bed one in front of the bed and the

2662

01:42:57,350 --> 01:42:55,600

birthday boy

2663

01:42:59,430 --> 01:42:57,360

it's one of my dog's birthdays today we

2664

01:43:00,470 --> 01:42:59,440

found out and he's floating around

2665

01:43:04,629 --> 01:43:00,480

somewhere

2666

01:43:07,030 --> 01:43:04,639

oh cool yeah so today was pretty a

2667

01:43:09,109 --> 01:43:07,040

pretty laid-back show with no subject

2668

01:43:10,709 --> 01:43:09,119

and uh i think we're gonna wrap it up

2669

01:43:13,750 --> 01:43:10,719

here shortly

2670

01:43:14,390 --> 01:43:13,760

my idea show about nothing what six and

2671

01:43:17,270 --> 01:43:14,400

a half

2672

01:43:20,040 --> 01:43:17,280

hours yeah and everybody loved it too so

2673

01:43:21,350 --> 01:43:20,050

thank you for this suggestion

2674

01:43:24,470 --> 01:43:21,360

[Music]

2675

01:43:26,229 --> 01:43:24,480

that was hilarious karma

2676

01:43:27,990 --> 01:43:26,239

here and says look guys we all know what

2677

01:43:29,109 --> 01:43:28,000

must be done we need to start stroking

2678

01:43:31,189 --> 01:43:29,119

the precious

2679

01:43:32,229 --> 01:43:31,199

second amendment and overturn this bs

2680

01:43:35,990 --> 01:43:32,239

voter fraud

2681

01:43:38,870 --> 01:43:37,109

yeah i'm sure we're going to be hearing

2682

01:43:40,070 --> 01:43:38,880

about voter fraud for the next three

2683

01:43:43,990 --> 01:43:40,080

months

2684

01:43:46,149 --> 01:43:44,000

and i look for years they they legalized

2685

01:43:47,830 --> 01:43:46,159

mushrooms and they decriminalized hard

2686

01:43:49,510 --> 01:43:47,840

drugs to a certain amount yeah you could

2687

01:43:52,229 --> 01:43:49,520

do heroin now

2688

01:43:52,629 --> 01:43:52,239

what i like let's see where they go with

2689

01:43:55,750 --> 01:43:52,639

this

2690

01:43:57,109 --> 01:43:55,760

addiction's a mental health problem not

2691

01:43:58,870 --> 01:43:57,119

a criminal one

2692

01:44:00,310 --> 01:43:58,880

um i want to see how they handle that

2693

01:44:01,750 --> 01:44:00,320

what you know is it going to be a good

2694

01:44:02,709 --> 01:44:01,760

thing is it going to be a shitstorm

2695

01:44:04,310 --> 01:44:02,719

let's find out

2696

01:44:05,830 --> 01:44:04,320

well i'm sure every other state will be

2697

01:44:08,870 --> 01:44:05,840

watching them to see if the

2698

01:44:09,430 --> 01:44:08,880

crime rates go up or down well portugal

2699

01:44:11,590 --> 01:44:09,440

did that

2700

01:44:12,709 --> 01:44:11,600

evidence and their drug use went down

2701

01:44:14,149 --> 01:44:12,719

from my i'm

2702

01:44:16,229 --> 01:44:14,159

not sure on the numbers i think it was

2703

01:44:18,709 --> 01:44:16,239

30 percent down to less than

2704

01:44:21,830 --> 01:44:18,719

five and that their heroin is just like

2705

01:44:24,070 --> 01:44:21,840

into one city really

2706

01:44:25,910 --> 01:44:24,080

hi robin from the live chat hi robin

2707

01:44:27,270 --> 01:44:25,920

good show gentlemen yeah robin

2708

01:44:29,510 --> 01:44:27,280

if you wanted to come on i forgot i

2709

01:44:30,390 --> 01:44:29,520

could have sent you a link and i didn't

2710

01:44:33,430 --> 01:44:30,400

i'm

2711

01:44:35,270 --> 01:44:33,440

minute today

2712

01:44:37,109 --> 01:44:35,280

i was going to take another day off but

2713

01:44:37,990 --> 01:44:37,119

decided that i got so little done on my

2714

01:44:43,109 --> 01:44:38,000

cabin today

2715

01:44:46,550 --> 01:44:43,119

to put these logs up on the top of the

2716

01:44:47,990 --> 01:44:46,560

wall and i spent like all day 10 hours

2717

01:44:49,430 --> 01:44:48,000

doing it and i was three quarters of the

2718

01:44:51,430 --> 01:44:49,440

way done the whole thing

2719

01:44:52,709 --> 01:44:51,440

and then i went to point the back of

2720

01:44:54,950 --> 01:44:52,719

cement like

2721

01:44:56,709 --> 01:44:54,960

move the ladder around the wall and then

2722

01:45:00,070 --> 01:44:56,719

like three quarters of it just fell

2723

01:45:03,189 --> 01:45:00,080

down and i was like mother

2724

01:45:06,390 --> 01:45:03,199

[h__\h] [h__\h]

2725

01:45:08,470 --> 01:45:06,400

i should have just left it uh so i

2726

01:45:10,629 --> 01:45:08,480

tomorrow i gotta try again that's all i

2727

01:45:12,629 --> 01:45:10,639

can do that's all i can do so i figured

2728

01:45:14,550 --> 01:45:12,639

i got so little done in the cabin today

2729

01:45:16,470 --> 01:45:14,560

i should come here and water this garden

2730

01:45:18,390 --> 01:45:16,480

and you know not take

2731

01:45:20,550 --> 01:45:18,400

i had a few weeks where i came to the

2732

01:45:22,229 --> 01:45:20,560

cabin from wednesday to sunday and i was

2733

01:45:23,750 --> 01:45:22,239

so tired after working

2734

01:45:25,430 --> 01:45:23,760

outside all day that i just said i'm not

2735

01:45:26,790 --> 01:45:25,440

doing a show i just can't

2736

01:45:28,790 --> 01:45:26,800

you know but today i had a little more

2737

01:45:31,510 --> 01:45:28,800

energy since uh

2738

01:45:32,470 --> 01:45:31,520

most of my work today just fell down and

2739

01:45:33,910 --> 01:45:32,480

that's only the sec

2740

01:45:35,750 --> 01:45:33,920

i gotta say though it's only the second

2741

01:45:36,550 --> 01:45:35,760

time where i had an avalanche like that

2742

01:45:38,149 --> 01:45:36,560

happen

2743

01:45:40,070 --> 01:45:38,159

where like a whole day's worth of work

2744

01:45:41,030 --> 01:45:40,080

just fell over and you gotta do it again

2745

01:45:43,430 --> 01:45:41,040

the next day

2746

01:45:45,669 --> 01:45:43,440

but the last time this happened i did a

2747

01:45:49,270 --> 01:45:45,679

much better job the second time

2748

01:45:51,030 --> 01:45:49,280

so this time now i know what i got to do

2749

01:45:52,950 --> 01:45:51,040

is i got to do like half of it

2750

01:45:54,870 --> 01:45:52,960

and just let it dry so that it's good

2751
01:45:56,229 --> 01:45:54,880
and solid before you start putting more

2752
01:45:59,350 --> 01:45:56,239
[h__\h] on top of [h__\h]

2753
01:45:59,990 --> 01:45:59,360
you know just imagine like 25 little

2754
01:46:03,030 --> 01:46:00,000
logs

2755
01:46:06,310 --> 01:46:03,040
on it balancing on another log with some

2756
01:46:09,109 --> 01:46:06,320
men on top of it in between it all

2757
01:46:11,030 --> 01:46:09,119
bad things are bound to happen so got to

2758
01:46:13,270 --> 01:46:11,040
start all over again tomorrow

2759
01:46:14,870 --> 01:46:13,280
having though by the way i agree with

2760
01:46:16,870 --> 01:46:14,880
you on the drug issue

2761
01:46:18,470 --> 01:46:16,880
i think it should be there's no way that

2762
01:46:19,910 --> 01:46:18,480
somebody's life should be ruined if they

2763
01:46:22,149 --> 01:46:19,920

have drug problems

2764

01:46:23,910 --> 01:46:22,159

they should they should expunge their

2765

01:46:25,109 --> 01:46:23,920

records you know because if you're going

2766

01:46:26,550 --> 01:46:25,119

to be a felon now you're going to work

2767

01:46:27,990 --> 01:46:26,560

at mcdonald's for the rest of your life

2768

01:46:29,350 --> 01:46:28,000

you're going to want to be on drugs if

2769

01:46:30,950 --> 01:46:29,360

you're a felon and you can only get a

2770

01:46:32,790 --> 01:46:30,960

minimum wage job somewhere

2771

01:46:34,390 --> 01:46:32,800

because nobody will give you a job you

2772

01:46:35,990 --> 01:46:34,400

can't make a living

2773

01:46:37,750 --> 01:46:36,000

wanting to do a road trip to oregon for

2774

01:46:39,750 --> 01:46:37,760

some of those mushrooms

2775

01:46:41,990 --> 01:46:39,760

oh listen to this heroin addiction cut

2776
01:46:43,750 --> 01:46:42,000
in half in portugal by decriminalization

2777
01:46:45,350 --> 01:46:43,760
and treating addiction like a medical

2778
01:46:48,550 --> 01:46:45,360
mental health problem which is

2779
01:46:52,070 --> 01:46:48,560
the right way to do it i think

2780
01:46:53,189 --> 01:46:52,080
yeah and j crypto these doctors get

2781
01:46:55,430 --> 01:46:53,199
people addicted to

2782
01:46:56,629 --> 01:46:55,440
opioids then stop giving it to them

2783
01:46:58,790 --> 01:46:56,639
making people look for

2784
01:46:59,830 --> 01:46:58,800
an answer or an alternative in the form

2785
01:47:02,310 --> 01:46:59,840
of heroin i know

2786
01:47:05,189 --> 01:47:02,320
i've had at least a few people were on

2787
01:47:06,629 --> 01:47:05,199
and a buddy hurt his back got put on oxy

2788
01:47:08,470 --> 01:47:06,639

next thing you know they cut him off

2789

01:47:10,229 --> 01:47:08,480

that he's doing heroin

2790

01:47:11,590 --> 01:47:10,239

thinking's off heroin but he thinks he

2791

01:47:13,910 --> 01:47:11,600

can drink

2792

01:47:14,629 --> 01:47:13,920

and you know and that's legal and he's

2793

01:47:17,669 --> 01:47:14,639

like well it's just

2794

01:47:20,629 --> 01:47:17,679

beer but he drinks 20 beers a day so

2795

01:47:22,870 --> 01:47:20,639

yeah yeah it's unfortunate i know a few

2796

01:47:25,910 --> 01:47:22,880

people that started on uh

2797

01:47:29,350 --> 01:47:25,920

you know started on opioids

2798

01:47:32,310 --> 01:47:29,360

and then they uh and then they

2799

01:47:33,669 --> 01:47:32,320

get off of the you know you're right the

2800

01:47:35,830 --> 01:47:33,679

doctor cuts them off

2801
01:47:37,669 --> 01:47:35,840
then they start buying oxy on the street

2802
01:47:39,590 --> 01:47:37,679
or percocets on the street if they can't

2803
01:47:41,270 --> 01:47:39,600
get that then they go well

2804
01:47:43,030 --> 01:47:41,280
i'll try this heroin thing and then

2805
01:47:45,750 --> 01:47:43,040
their lives are ruined

2806
01:47:47,189 --> 01:47:45,760
so and yeah then the the one opioid

2807
01:47:48,629 --> 01:47:47,199
company just had to pay like

2808
01:47:50,229 --> 01:47:48,639
billions of dollars they're never going

2809
01:47:52,149 --> 01:47:50,239
to pay it but they got fined

2810
01:47:53,270 --> 01:47:52,159
like billions of dollars they only have

2811
01:47:55,030 --> 01:47:53,280
to pay like a

2812
01:47:56,390 --> 01:47:55,040
quarter of a billion instead of like the

2813
01:47:59,350 --> 01:47:56,400

three or four the lawsuit

2814

01:48:00,709 --> 01:47:59,360

said you know they didn't want to go

2815

01:48:02,950 --> 01:48:00,719

after the

2816

01:48:04,709 --> 01:48:02,960

company owners and the ceos and the

2817

01:48:06,390 --> 01:48:04,719

board but i'm all wait if a

2818

01:48:10,629 --> 01:48:06,400

corporation's a person

2819

01:48:13,990 --> 01:48:10,639

they're liable yeah ian mendham is here

2820

01:48:14,950 --> 01:48:14,000

in the uk and says the uk is backwards

2821

01:48:17,109 --> 01:48:14,960

too

2822

01:48:17,990 --> 01:48:17,119

yeah i don't know what the answer is i

2823

01:48:20,070 --> 01:48:18,000

think i just wish

2824

01:48:21,109 --> 01:48:20,080

that people would treat people with drug

2825

01:48:22,709 --> 01:48:21,119

problems

2826

01:48:24,790 --> 01:48:22,719

for what they are you know people that

2827

01:48:26,149 --> 01:48:24,800

have drug problems having drug problems

2828

01:48:26,950 --> 01:48:26,159

and being a criminal are two different

2829

01:48:28,790 --> 01:48:26,960

things

2830

01:48:29,990 --> 01:48:28,800

but i understand that sometimes those

2831

01:48:31,590 --> 01:48:30,000

two things intersect

2832

01:48:33,830 --> 01:48:31,600

you know people start stealing [h__h] to

2833

01:48:35,750 --> 01:48:33,840

buy drugs or whatever

2834

01:48:37,669 --> 01:48:35,760

people are doing doing crimes because

2835

01:48:39,270 --> 01:48:37,679

they can't work because they have a drug

2836

01:48:41,750 --> 01:48:39,280

problem so

2837

01:48:43,350 --> 01:48:41,760

yeah or their crime is selling drugs

2838

01:48:46,390 --> 01:48:43,360

because they thought hey you know what

2839

01:48:48,070 --> 01:48:46,400

and i don't know anyone i i mean i used

2840

01:48:50,390 --> 01:48:48,080

to sell drugs you know i mean i don't

2841

01:48:52,709 --> 01:48:50,400

know anyone that sold

2842

01:48:53,990 --> 01:48:52,719

you didn't want the drugs it wasn't like

2843

01:48:57,109 --> 01:48:54,000

you were going

2844

01:48:57,990 --> 01:48:57,119

hey hey you want they came from you yeah

2845

01:49:00,070 --> 01:48:58,000

you weren't like going

2846

01:49:02,709 --> 01:49:00,080

you weren't like around the schoolyard

2847

01:49:04,629 --> 01:49:02,719

trying to get kids hooked on drugs

2848

01:49:05,830 --> 01:49:04,639

like oh you're looking for some meth let

2849

01:49:07,430 --> 01:49:05,840

me make a phone call

2850

01:49:09,990 --> 01:49:07,440

oh yeah it'll be here in like 10 minutes

2851
01:49:11,510 --> 01:49:10,000
cool all right oh you want some cocaine

2852
01:49:14,790 --> 01:49:11,520
i'm gonna go get some cocaine

2853
01:49:16,950 --> 01:49:14,800
i'll be back in like an hour

2854
01:49:18,709 --> 01:49:16,960
go up okay okay i got it yeah yeah

2855
01:49:20,550 --> 01:49:18,719
that's a crazy life doing that though

2856
01:49:22,709 --> 01:49:20,560
like growing up in philadelphia i

2857
01:49:24,149 --> 01:49:22,719
i knew a lot of kind of strange

2858
01:49:24,870 --> 01:49:24,159
characters and one of them was a drug

2859
01:49:29,510 --> 01:49:24,880
dealer

2860
01:49:30,709 --> 01:49:29,520
he was very unsuccessful at it because

2861
01:49:33,109 --> 01:49:30,719
he was a user too

2862
01:49:34,629 --> 01:49:33,119
so he would like sell drugs to finance

2863
01:49:36,070 --> 01:49:34,639

his own drug problem

2864

01:49:38,149 --> 01:49:36,080

but he was always broke but he was

2865

01:49:40,870 --> 01:49:38,159

always acting like you know

2866

01:49:41,990 --> 01:49:40,880

you know like he had all this money and

2867

01:49:43,750 --> 01:49:42,000

[h__\h] but we all knew

2868

01:49:45,109 --> 01:49:43,760

like dude you're broke as [h__\h] living

2869

01:49:47,350 --> 01:49:45,119

with your mom selling

2870

01:49:49,669 --> 01:49:47,360

[h__\h] nickel bags of weed and little

2871

01:49:52,470 --> 01:49:49,679

tiny bags of [h__\h]

2872

01:49:55,669 --> 01:49:52,480

super super uh cut coke you know it's

2873

01:49:58,070 --> 01:49:55,679

like one percent coke 99 baby powder

2874

01:49:59,669 --> 01:49:58,080

you know and i had my my one of my meth

2875

01:50:00,550 --> 01:49:59,679

dealers which was a high school friend

2876

01:50:03,189 --> 01:50:00,560

of mine

2877

01:50:03,589 --> 01:50:03,199

calls me up one day he's like man they

2878

01:50:08,310 --> 01:50:03,599

just

2879

01:50:10,149 --> 01:50:08,320

weekend off go to seattle for a weekend

2880

01:50:12,790 --> 01:50:10,159

get out of town and he's just like

2881

01:50:13,990 --> 01:50:12,800

well well they'll get mad at me but

2882

01:50:16,229 --> 01:50:14,000

they'll come back

2883

01:50:17,510 --> 01:50:16,239

you know they'll be mad at you for like

2884

01:50:18,629 --> 01:50:17,520

in three days they're gonna want stuff

2885

01:50:21,430 --> 01:50:18,639

they're gonna call you you're gonna have

2886

01:50:24,070 --> 01:50:21,440

it they're gonna be all happy to see you

2887

01:50:25,830 --> 01:50:24,080

yeah yeah i can't imagine dealing with a

2888

01:50:28,790 --> 01:50:25,840

bunch of degenerate drug users

2889

01:50:30,390 --> 01:50:28,800

day in day out would be a fun job five

2890

01:50:31,030 --> 01:50:30,400

because he didn't want to be tied down

2891

01:50:34,070 --> 01:50:31,040

and i'm like

2892

01:50:37,109 --> 01:50:34,080

but you're selling drugs 24 7.

2893

01:50:39,350 --> 01:50:37,119

you know you know all he did he went to

2894

01:50:40,709 --> 01:50:39,360

college the entire time

2895

01:50:42,390 --> 01:50:40,719

yeah you're right you're not you're

2896

01:50:44,149 --> 01:50:42,400

doing it 24 7. you're not

2897

01:50:46,070 --> 01:50:44,159

not getting your phone because every

2898

01:50:46,390 --> 01:50:46,080

phone call is a couple bucks for you to

2899

01:50:49,350 --> 01:50:46,400

keep

2900

01:50:51,350 --> 01:50:49,360

you know too he's he's homeless but he's

2901
01:50:54,149 --> 01:50:51,360
not selling drugs and he's trying to get

2902
01:50:55,750 --> 01:50:54,159
clean but he didn't look clean but i

2903
01:50:58,470 --> 01:50:55,760
haven't seen this guy in 10 years and i

2904
01:51:01,830 --> 01:50:58,480
ran into him two times in one week

2905
01:51:03,830 --> 01:51:01,840
so well

2906
01:51:05,750 --> 01:51:03,840
you know what genocide some of our other

2907
01:51:09,270 --> 01:51:05,760
panel members never showed up

2908
01:51:12,310 --> 01:51:09,280
so so [h__\h] them no

2909
01:51:13,750 --> 01:51:12,320
uh yeah we're gonna we're gonna just

2910
01:51:15,350 --> 01:51:13,760
wrap things up here

2911
01:51:17,430 --> 01:51:15,360
i appreciate that you took the time to

2912
01:51:19,189 --> 01:51:17,440
come in and uh you know

2913
01:51:20,629 --> 01:51:19,199

tomorrow we're gonna get back to a

2914

01:51:22,550 --> 01:51:20,639

little bit more structured i have a

2915

01:51:23,430 --> 01:51:22,560

presentation to give tomorrow night and

2916

01:51:26,229 --> 01:51:23,440

then

2917

01:51:27,109 --> 01:51:26,239

we'll see what else happens right all

2918

01:51:39,430 --> 01:51:27,119

right

2919

01:51:42,790 --> 01:51:39,440

and there we are friends so uh we i i

2920

01:51:44,470 --> 01:51:42,800

didn't have a plan today uh i thought we

2921

01:51:48,790 --> 01:51:44,480

were gonna get more

2922

01:51:51,270 --> 01:51:48,800

calls or uh

2923

01:51:52,870 --> 01:51:51,280

or participants uh spooky said on the

2924

01:51:54,310 --> 01:51:52,880

phone be there soon sorry but this is

2925

01:51:56,629 --> 01:51:54,320

super important no it's quite right

2926

01:52:00,390 --> 01:51:56,639

spooky we didn't have a plan

2927

01:52:02,790 --> 01:52:00,400

or a uh you know a need

2928

01:52:03,750 --> 01:52:02,800

for any of the any of the people who

2929

01:52:05,830 --> 01:52:03,760

couldn't make it

2930

01:52:08,229 --> 01:52:05,840

we had a fun time we had jason quit and

2931

01:52:10,790 --> 01:52:08,239

we dispelled the myth of him

2932

01:52:12,149 --> 01:52:10,800

wanting to murder me over some jokes i

2933

01:52:15,270 --> 01:52:12,159

made on twitter

2934

01:52:17,910 --> 01:52:15,280

uh where jason quit and i are good

2935

01:52:18,870 --> 01:52:17,920

which is good to clear up clear the air

2936

01:52:22,709 --> 01:52:18,880

and not

2937

01:52:23,830 --> 01:52:22,719

uh continue to yeah my pleasure genocide

2938

01:52:25,030 --> 01:52:23,840

always my pleasure i

2939

01:52:27,030 --> 01:52:25,040

it's so funny i didn't know you were a

2940

01:52:29,109 --> 01:52:27,040

taxi driver we would have had that talk

2941

01:52:30,149 --> 01:52:29,119

a long time ago because boy we both had

2942

01:52:33,270 --> 01:52:30,159

similar adventures

2943

01:52:37,270 --> 01:52:33,280

right driving around especially at night

2944

01:52:41,589 --> 01:52:39,270

mario heat says good random apocalypse

2945

01:52:43,830 --> 01:52:41,599

cabin show champion yeah we're here

2946

01:52:45,189 --> 01:52:43,840

we're here at the apocalypse cabin

2947

01:52:46,310 --> 01:52:45,199

friends

2948

01:52:48,310 --> 01:52:46,320

hopefully i'll make a little more

2949

01:52:48,950 --> 01:52:48,320

progress on that wall that fell down on

2950

01:52:50,870 --> 01:52:48,960

top of me

2951

01:52:54,950 --> 01:52:50,880

or half a wall that fell down on top of

2952

01:53:01,350 --> 01:52:59,510

uh yeah

2953

01:53:02,709 --> 01:53:01,360

i think that tomorrow night like i said

2954

01:53:05,270 --> 01:53:02,719

we're going to have a more structured

2955

01:53:07,830 --> 01:53:05,280

show i have a presentation to give

2956

01:53:10,149 --> 01:53:07,840

getting back to some uh getting back to

2957

01:53:13,109 --> 01:53:10,159

some mysterious and strange subjects

2958

01:53:14,149 --> 01:53:13,119

and we'll see what else happens i'm here

2959

01:53:15,669 --> 01:53:14,159

until sunday

2960

01:53:18,229 --> 01:53:15,679

so i'm going to try to do a show

2961

01:53:19,750 --> 01:53:18,239

tomorrow night and if i get home in time

2962

01:53:20,310 --> 01:53:19,760

on sunday i'm going to do a show from

2963

01:53:23,910 --> 01:53:20,320

the

2964

01:53:26,070 --> 01:53:23,920

house

2965

01:53:27,189 --> 01:53:26,080

on sunday night uh but we'll see what

2966

01:53:28,709 --> 01:53:27,199

happens

2967

01:53:30,310 --> 01:53:28,719

i want to thank everybody for coming

2968

01:53:31,189 --> 01:53:30,320

here especially because this was kind of

2969

01:53:34,870 --> 01:53:31,199

random and

2970

01:53:35,350 --> 01:53:34,880

unplanned nonsense it is what it is

2971

01:53:38,550 --> 01:53:35,360

friends

2972

01:53:38,950 --> 01:53:38,560

sometimes we actually have a topic and

2973

01:53:45,910 --> 01:53:38,960

uh

2974

01:53:47,910 --> 01:53:45,920

just winging it

2975

01:53:49,270 --> 01:53:47,920

i wanted to check in with everybody let

2976

01:53:52,709 --> 01:53:49,280

you know that i'm still

2977

01:53:55,510 --> 01:53:52,719

here and uh here especially

2978

01:53:58,310 --> 01:53:55,520

at the apocalypse cabin but we really

2979

01:54:00,470 --> 01:53:58,320

have been streaming more than usual

2980

01:54:02,790 --> 01:54:00,480

lately like i realized last night that

2981

01:54:06,149 --> 01:54:02,800

we did 21 hours or something

2982

01:54:08,709 --> 01:54:06,159

of show time in the past seven days

2983

01:54:10,070 --> 01:54:08,719

so yesterday i took off knowing full

2984

01:54:12,870 --> 01:54:10,080

well that uh

2985

01:54:14,629 --> 01:54:12,880

we had done our due diligence for the

2986

01:54:16,709 --> 01:54:14,639

past seven days and given

2987

01:54:18,229 --> 01:54:16,719

enough time to this thing i needed some

2988

01:54:20,229 --> 01:54:18,239

time for myself

2989

01:54:22,149 --> 01:54:20,239

had a nice relaxing evening last night

2990

01:54:25,189 --> 01:54:22,159

just getting ready for the work day

2991

01:54:27,910 --> 01:54:25,199

i sharpened some chainsaws and uh

2992

01:54:29,510 --> 01:54:27,920

a few other things like that changed the

2993

01:54:32,950 --> 01:54:29,520

chainsaw blade

2994

01:54:35,830 --> 01:54:32,960

uh sharpened an axe

2995

01:54:36,870 --> 01:54:35,840

like you know cabin [h__h] i did cabin

2996

01:54:39,750 --> 01:54:36,880

[h__h] last night

2997

01:54:40,709 --> 01:54:39,760

the day always if i take the time if i

2998

01:54:43,270 --> 01:54:40,719

stop and take an

2999

01:54:45,109 --> 01:54:43,280

hour or two to sharpen all the tools the

3000

01:54:46,229 --> 01:54:45,119

work day goes much much better so i

3001

01:54:47,750 --> 01:54:46,239

always enjoy

3002

01:54:50,310 --> 01:54:47,760

you know when i get to do that like the

3003

01:54:52,870 --> 01:54:50,320

wood stove up have a nice meal

3004

01:54:56,950 --> 01:54:52,880

sharpen a bunch of [\h__\h] feel very i feel

3005

01:55:00,470 --> 01:54:56,960

manly when i sharpen axes and chainsaws

3006

01:55:03,589 --> 01:55:00,480

it's funny how that works uh

3007

01:55:04,790 --> 01:55:03,599

so friends until tomorrow night i'm

3008

01:55:08,229 --> 01:55:04,800

stephen cambion

3009

01:55:10,229 --> 01:55:08,239

god bless all of you uh and your family

3010

01:55:10,870 --> 01:55:10,239

really i know it's a trying time for all

3011

01:55:13,430 --> 01:55:10,880

of us

3012

01:55:15,430 --> 01:55:13,440

and it's a stressful time uh between

3013

01:55:16,390 --> 01:55:15,440

covet stress and now all this election

3014

01:55:19,189 --> 01:55:16,400

stress

3015

01:55:20,790 --> 01:55:19,199

we'll see you know listen the world's

3016

01:55:23,109 --> 01:55:20,800

not going to change that much no matter

3017

01:55:25,669 --> 01:55:23,119

which one of these rich white [h__\h]

3018

01:55:27,189 --> 01:55:25,679

is going to be running our country so i

3019

01:55:30,390 --> 01:55:27,199

for one am going to try

3020

01:55:33,189 --> 01:55:30,400

at least to not worry so much about it

3021

01:55:35,990 --> 01:55:33,199

and i think that's good advice so god

3022

01:55:48,680 --> 01:55:36,000

bless you and good night to all of you

3023

01:56:55,080 --> 01:56:03,000

[Music]

3024

01:57:18,880 --> 01:56:55,090

[Applause]

3025

01:57:20,940 --> 01:57:18,890

[Music]

3026

01:57:49,120 --> 01:57:20,950

[Applause]

3027

01:57:50,110 --> 01:57:49,130

[Music]
