00:02:09,109 --> 00:00:48,410

[Music]

2
00:02:15,110 --> 00:02:12,070
greetings and salutations friends

3
00:02:17,830 --> 00:02:15,120
uh we are doing a rare now

4
00:02:19,030 --> 00:02:17,840
late night show uh just had some other

5
00:02:23,030 --> 00:02:19,040
things to attend to

6
00:02:23,430 --> 00:02:23,040
earlier and uh but i still want to come

7
00:02:26,630 --> 00:02:23,440
here

8
00:02:30,070 --> 00:02:26,640
and spend some time watering this

9
00:02:32,229 --> 00:02:30,080
garden yesterday we were talking about

10
00:02:33,270 --> 00:02:32,239
the hutchinson effect uh or excuse me we

11
00:02:37,910 --> 00:02:33,280
were talking about john

12
00:02:43,030 --> 00:02:41,430
um yeah and i'm noticing something in

13
00:02:45,589 --> 00:02:43,040

the live chat i'll address that

14

00:02:46,869 --> 00:02:45,599

uh so yesterday we were talking about

15

00:02:51,270 --> 00:02:46,879

john hutchison

16

00:02:55,350 --> 00:02:51,280

for those who don't know

17

00:02:57,190 --> 00:02:55,360

is a self-taught sort of electronics

18

00:03:00,390 --> 00:02:57,200

experimenter

19

00:03:05,350 --> 00:03:00,400

who became quite famous first emerging

20

00:03:08,710 --> 00:03:05,360

in about i believe it was 1979

21

00:03:11,589 --> 00:03:08,720

with many out there theories he was a

22

00:03:14,630 --> 00:03:11,599

tesla enthusiast built many tesla coils

23

00:03:17,990 --> 00:03:17,030

but it was later perhaps in the 80s and

24

00:03:20,869 --> 00:03:18,000

90s that he

25

00:03:21,430 --> 00:03:20,879

really rose to prominence and fame he's

26

00:03:23,350 --> 00:03:21,440

been on

27

00:03:25,350 --> 00:03:23,360

hundredths i did i was not aware of this

28

00:03:26,710 --> 00:03:25,360

he's been on hundreds of television

29

00:03:28,789 --> 00:03:26,720

shows

30

00:03:29,910 --> 00:03:28,799

which covered what most people would

31

00:03:34,229 --> 00:03:29,920

call his

32

00:03:36,869 --> 00:03:34,239

uh sort of fringe science

33

00:03:38,710 --> 00:03:36,879

for those that don't know uh what he's

34

00:03:41,030 --> 00:03:38,720

most famous for is something called the

35

00:03:44,229 --> 00:03:41,040

hutchison effect

36

00:03:46,789 --> 00:03:44,239

which basically he claims that

37

00:03:47,670 --> 00:03:46,799

he can cancel out gravity and there are

38

00:03:51,190 --> 00:03:47,680

some

39

00:03:56,309 --> 00:03:51,200

very famous videos uh now

40

00:03:59,429 --> 00:03:56,319

uh of him floating everything from

41

00:04:02,789 --> 00:03:59,439

you know buckets to ice cream

42

00:04:04,470 --> 00:04:02,799

uh or having the effect of gravity

43

00:04:05,830 --> 00:04:04,480

canceled and these things fly off of a

44

00:04:07,910 --> 00:04:05,840

table

45

00:04:10,070 --> 00:04:07,920

uh and we're gonna look at some of that

46

00:04:14,869 --> 00:04:10,080

so he's most famous for

47

00:04:18,390 --> 00:04:14,879

what is now termed the hutchison effect

48

00:04:21,990 --> 00:04:18,400

but i thought it was interesting that

49

00:04:25,270 --> 00:04:22,000

there is actually a hutchison effect

50

00:04:27,270 --> 00:04:25,280

dot com website and

51
00:04:29,150 --> 00:04:27,280
uh it's interesting in that it really

52
00:04:31,430 --> 00:04:29,160
looks like it's from

53
00:04:33,030 --> 00:04:31,440
1990 or something it looks like a

54
00:04:36,230 --> 00:04:33,040
myspace

55
00:04:38,550 --> 00:04:36,240
uh website

56
00:04:40,150 --> 00:04:38,560
and we're going to share that because i

57
00:04:42,390 --> 00:04:40,160
think the

58
00:04:44,230 --> 00:04:42,400
this has got to be run by him or at

59
00:04:45,990 --> 00:04:44,240
least a very close supporter of his

60
00:04:48,390 --> 00:04:46,000
because it lists

61
00:04:50,950 --> 00:04:48,400
a lot of different videos all the press

62
00:04:54,390 --> 00:04:50,960
that he has received all of the

63
00:04:55,830 --> 00:04:54,400

television shows that he has been on uh

64

00:05:01,270 --> 00:04:55,840

one second friends i'm gonna see if i

65

00:05:06,310 --> 00:05:03,189

it's a good idea not to use very small

66

00:05:09,990 --> 00:05:06,320

fonts on uh your website

67

00:05:11,670 --> 00:05:10,000

um so i'm gonna

68

00:05:13,189 --> 00:05:11,680

cite fair use i mean there's a website

69

00:05:13,510 --> 00:05:13,199

but we're still gonna share it because

70

00:05:16,629 --> 00:05:13,520

uh

71

00:05:20,310 --> 00:05:16,639

it's it's very interesting the

72

00:05:23,590 --> 00:05:20,320

uh sort of bio that was written for

73

00:05:26,230 --> 00:05:23,600

john hutchison paints him as a

74

00:05:27,350 --> 00:05:26,240

real visionary which is why i suspect

75

00:05:36,710 --> 00:05:27,360

that this

76

00:05:43,430 --> 00:05:40,710

but before we do that yeah uh

77

00:05:44,950 --> 00:05:43,440

i'll address the live chat karma graze

78

00:05:47,270 --> 00:05:44,960

is a bit worried about spectral

79

00:05:49,189 --> 00:05:47,280

international llc who are they

80

00:05:52,310 --> 00:05:49,199

are they privately owned and operated or

81

00:05:57,270 --> 00:05:52,320

they have uh funding arm of this show

82

00:06:04,710 --> 00:06:01,189

and john claude uh jean-claude

83

00:06:06,390 --> 00:06:04,720

nailed it when he said spectral

84

00:06:08,070 --> 00:06:06,400

international lc is an alleged arms

85

00:06:11,909 --> 00:06:08,080

length branch of the cia

86

00:06:18,870 --> 00:06:11,919

mk ultra yeah it's all it's a cia front

87

00:06:23,590 --> 00:06:21,830

jean-claude nailed it yes yes he did and

88

00:06:25,430 --> 00:06:23,600

i love that new avatar

89

00:06:31,510 --> 00:06:25,440

where can i get a cartoon avatar like

90

00:06:35,510 --> 00:06:33,670

i wanted to put that out there see if i

91

00:06:36,230 --> 00:06:35,520

could upset some people looks like i was

92

00:06:39,830 --> 00:06:36,240

right

93

00:06:41,430 --> 00:06:39,840

no actually karma gray uh nobody's upset

94

00:06:42,870 --> 00:06:41,440

most people know a spectral

95

00:06:45,990 --> 00:06:42,880

international llc

96

00:06:49,510 --> 00:06:46,000

is my company my startup

97

00:06:50,309 --> 00:06:49,520

so uh yeah i everything that i do is

98

00:06:53,430 --> 00:06:50,319

produced by

99

00:06:57,110 --> 00:06:53,440

spectral international llc which is my

100

00:07:00,710 --> 00:06:59,830

sometime after covert hit i took down

101
00:07:02,950 --> 00:07:00,720
our company

102
00:07:04,390 --> 00:07:02,960
website and other things because quite

103
00:07:06,150 --> 00:07:04,400
honestly there was

104
00:07:07,909 --> 00:07:06,160
no reason to have a website when my

105
00:07:09,670 --> 00:07:07,919
business was in the crapper

106
00:07:11,749 --> 00:07:09,680
i'm going to be putting up a new website

107
00:07:15,510 --> 00:07:11,759
which will be more focused on

108
00:07:22,550 --> 00:07:17,510
what my current business adventures are

109
00:07:25,749 --> 00:07:25,029
spectral international llc might also be

110
00:07:29,270 --> 00:07:25,759
uh

111
00:07:33,189 --> 00:07:29,280
the secret holdings of david wilcock llc

112
00:07:37,990 --> 00:07:36,469
that's my constant side eye avatar

113
00:07:39,510 --> 00:07:38,000

yeah why would that upset everyone

114

00:07:41,110 --> 00:07:39,520

anybody most people

115

00:07:43,670 --> 00:07:41,120

a few people have asked me actually who

116

00:07:45,990 --> 00:07:43,680

that was and uh

117

00:07:47,110 --> 00:07:46,000

and i yeah i just telling you that's my

118

00:07:50,950 --> 00:07:47,120

company i registered

119

00:07:51,749 --> 00:07:50,960

llc some years ago sure agent stephen

120

00:07:54,150 --> 00:07:51,759

sure

121

00:07:56,550 --> 00:07:54,160

yeah if i'm a cia disinformation agent

122

00:07:58,469 --> 00:07:56,560

vanessa thor somebody's forgetting

123

00:08:00,150 --> 00:07:58,479

somebody's mailing my checks to my old

124

00:08:01,110 --> 00:08:00,160

address because i haven't gotten a check

125

00:08:03,990 --> 00:08:01,120

lately so

126

00:08:07,029 --> 00:08:04,000

uh either i'm off the payroll or

127

00:08:10,830 --> 00:08:07,039

somebody forgot to put me on the payroll

128

00:08:12,390 --> 00:08:10,840

but i have actually been accused of that

129

00:08:14,550 --> 00:08:12,400

especially

130

00:08:17,189 --> 00:08:14,560

by people that are big supporters of bob

131

00:08:21,430 --> 00:08:17,199

lazar say that i was put here

132

00:08:23,830 --> 00:08:21,440

uh by the cia to discredit bob lazar

133

00:08:24,629 --> 00:08:23,840

okay uh and i think somebody said that

134

00:08:28,150 --> 00:08:24,639

about me

135

00:08:31,830 --> 00:08:28,160

trying to discredit billy meyer as well

136

00:08:33,750 --> 00:08:31,840

so i'm a cia chill that's trying to

137

00:08:35,829 --> 00:08:33,760

throw people off about the truth about

138

00:08:41,269 --> 00:08:35,839

aliens bro

139

00:08:43,350 --> 00:08:41,279

okay so back to uh

140

00:08:45,269 --> 00:08:43,360

i will share the screen and we'll read

141

00:08:47,590 --> 00:08:45,279

uh mr hutchinson's

142

00:08:49,350 --> 00:08:47,600

probably i'm going to call it this has

143

00:08:52,470 --> 00:08:49,360

got to be a self-written bio

144

00:08:53,990 --> 00:08:52,480

because it's so i don't know just sort

145

00:08:56,389 --> 00:08:54,000

of grandiose right

146

00:08:58,630 --> 00:08:56,399

and this is from the hutchison effect

147

00:09:00,790 --> 00:08:58,640

website

148

00:09:03,190 --> 00:09:00,800

so john it says here john hutchison's

149

00:09:05,110 --> 00:09:03,200

life changed drastically in 1979 when

150

00:09:06,389 --> 00:09:05,120

upon starting up an array of high

151

00:09:09,829 --> 00:09:06,399

voltage equipment he

152

00:09:11,350 --> 00:09:09,839

felt something hit his shoulder

153

00:09:13,269 --> 00:09:11,360

he threw the piece of metal back to

154

00:09:15,910 --> 00:09:13,279

where it seemed to have originated and

155

00:09:17,990 --> 00:09:15,920

it flew up and hit him again

156

00:09:20,310 --> 00:09:18,000

this was how he originally discovered

157

00:09:23,350 --> 00:09:20,320

fundamental frequencies can

158

00:09:25,670 --> 00:09:23,360

shield gravity john hutchinson

159

00:09:28,150 --> 00:09:25,680

is one of the foremost nikola tesla

160

00:09:31,269 --> 00:09:28,160

experts alive today

161

00:09:34,230 --> 00:09:31,279

he has replicate i think that's supposed

162

00:09:38,070 --> 00:09:34,240

to be replicated

163

00:09:42,230 --> 00:09:38,080

i guess nobody uh proof read this

164

00:09:42,710 --> 00:09:42,240

he has replicated many of nikola tesla's

165

00:09:45,750 --> 00:09:42,720

works

166

00:09:49,110 --> 00:09:45,760

over the years including the death ray

167

00:09:50,790 --> 00:09:49,120

and a smaller philadelphia experiment uh

168

00:09:52,790 --> 00:09:50,800

when i read this

169

00:09:54,710 --> 00:09:52,800

uh you know i i first looked into

170

00:09:56,630 --> 00:09:54,720

hutchinson years ago

171

00:09:57,910 --> 00:09:56,640

and i gotta admit those videos that he

172

00:10:01,190 --> 00:09:57,920

makes was pretty

173

00:10:03,110 --> 00:10:01,200

interesting to watch but coming from a

174

00:10:03,990 --> 00:10:03,120

background in stage magic i looked at

175

00:10:05,750 --> 00:10:04,000

them and said

176

00:10:08,310 --> 00:10:05,760

he just put a camera upside down or

177

00:10:09,829 --> 00:10:08,320

something it does they just don't look

178

00:10:11,430 --> 00:10:09,839

where i look at them and everybody else

179

00:10:13,509 --> 00:10:11,440

can judge but to me they don't look

180

00:10:15,509 --> 00:10:13,519

credible

181

00:10:17,190 --> 00:10:15,519

when john's tesla coils electrostatic

182

00:10:19,190 --> 00:10:17,200

generator and other equipment created a

183

00:10:21,350 --> 00:10:19,200

complex electromagnetic field

184

00:10:22,870 --> 00:10:21,360

heavy pieces of metal levitated and shot

185

00:10:26,150 --> 00:10:22,880

towards the ceiling

186

00:10:27,509 --> 00:10:26,160

and some pieces shredded upon analysis

187

00:10:29,030 --> 00:10:27,519

and thorough investigation

188

00:10:31,269 --> 00:10:29,040

the canadian government dubbed this

189

00:10:34,069 --> 00:10:31,279

phenomenon the hutchison effect

190

00:10:35,910 --> 00:10:34,079

what is the hutchison effect as with

191

00:10:38,790 --> 00:10:35,920

much of the new energy field

192

00:10:40,310 --> 00:10:38,800

no one can say for sure some theorists

193

00:10:42,069 --> 00:10:40,320

think that the effect is the result of

194

00:10:43,670 --> 00:10:42,079

opposing electromagnetic fields

195

00:10:45,190 --> 00:10:43,680

canceling each other out creating

196

00:10:47,670 --> 00:10:45,200

powerful flow of space

197

00:10:49,110 --> 00:10:47,680

energy the canadian government also

198

00:10:51,670 --> 00:10:49,120

reported

199

00:10:52,310 --> 00:10:51,680

invisible samples phasing in and out of

200

00:10:54,470 --> 00:10:52,320

existence

201
00:10:56,949 --> 00:10:54,480
a vancouver businessman george hathaway

202
00:10:59,269 --> 00:10:56,959
heard about the hutchison effect in 1980

203
00:11:00,790 --> 00:10:59,279
contacted hutchinson and brought in a

204
00:11:02,630 --> 00:11:00,800
consulting engineer

205
00:11:04,310 --> 00:11:02,640
from boeing aerospace in the canadian

206
00:11:06,230 --> 00:11:04,320
government to form a company that would

207
00:11:07,110 --> 00:11:06,240
promote technology developed from the

208
00:11:08,710 --> 00:11:07,120
effect

209
00:11:11,190 --> 00:11:08,720
they called the company pharaoh's

210
00:11:13,910 --> 00:11:11,200
technology

211
00:11:15,750 --> 00:11:13,920
many different political factors ensured

212
00:11:17,670 --> 00:11:15,760
hutchinson would not be allowed to

213
00:11:20,150 --> 00:11:17,680

continue in his research unless he

214

00:11:21,590 --> 00:11:20,160

signed agreements with other with either

215

00:11:22,389 --> 00:11:21,600

the canadian government or the us

216

00:11:25,910 --> 00:11:22,399

military

217

00:11:28,310 --> 00:11:25,920

john refused both authors

218

00:11:30,470 --> 00:11:28,320

a little while after he returned from

219

00:11:32,470 --> 00:11:30,480

los alamos

220

00:11:34,470 --> 00:11:32,480

military base during one of john's

221

00:11:35,990 --> 00:11:34,480

overseas trips to germany to secure

222

00:11:36,949 --> 00:11:36,000

funding from a different government the

223

00:11:39,190 --> 00:11:36,959

canadian government

224

00:11:41,110 --> 00:11:39,200

seized the opportunity to acquire all of

225

00:11:43,750 --> 00:11:41,120

john's priceless replications of nikola

226

00:11:47,670 --> 00:11:43,760

tesla's equipment

227

00:11:49,509 --> 00:11:47,680

they collaborated with his partner

228

00:11:51,509 --> 00:11:49,519

who was paid upwards of seventy million

229

00:11:53,829 --> 00:11:51,519

dollars for information and samples of

230

00:11:57,030 --> 00:11:53,839

john's field stress detector

231

00:11:59,509 --> 00:11:57,040

and this is all unsubstantiated i

232

00:12:01,030 --> 00:11:59,519

have seen some proof that would seem to

233

00:12:04,069 --> 00:12:01,040

indicate that the canadian government

234

00:12:06,470 --> 00:12:04,079

did raid his lab and take stuff though

235

00:12:08,230 --> 00:12:06,480

uh but i don't know about this claim

236

00:12:10,310 --> 00:12:08,240

that they paid somebody 70 million

237

00:12:11,829 --> 00:12:10,320

dollars for information and samples that

238

00:12:13,430 --> 00:12:11,839

seems pretty far out their claim and

239

00:12:14,790 --> 00:12:13,440

i've never seen proof of anything like

240

00:12:17,190 --> 00:12:14,800

that

241

00:12:19,509 --> 00:12:17,200

the government also created a false pcb

242

00:12:22,550 --> 00:12:19,519

scandal so that they could use

243

00:12:24,230 --> 00:12:22,560

the local press to justify their actions

244

00:12:25,910 --> 00:12:24,240

and hide the true nature of what the

245

00:12:27,990 --> 00:12:25,920

government was actually removing from

246

00:12:31,269 --> 00:12:28,000

john's lab located at 13th

247

00:12:32,870 --> 00:12:31,279

and kingsway vancouver british columbia

248

00:12:34,470 --> 00:12:32,880

after many more years of experiments

249

00:12:35,670 --> 00:12:34,480

demonstrations and lectures in other

250

00:12:37,910 --> 00:12:35,680

countries

251
00:12:40,550 --> 00:12:37,920
such as usa germany and japan hutchinson

252
00:12:42,710 --> 00:12:40,560
returned to vancouver in 1991

253
00:12:44,629 --> 00:12:42,720
piece by piece he built out of surplus

254
00:12:45,350 --> 00:12:44,639
navy equipment what now has become a

255
00:12:47,750 --> 00:12:45,360
landmark

256
00:12:49,030 --> 00:12:47,760
in new westminster british columbia john

257
00:12:50,870 --> 00:12:49,040
has built himself an apartment

258
00:12:52,389 --> 00:12:50,880
laboratory second to none

259
00:12:53,990 --> 00:12:52,399
it took several years before he could

260
00:12:57,990 --> 00:12:54,000
reestablish his collection however

261
00:13:01,190 --> 00:13:00,069
most political john until recently had

262
00:13:03,590 --> 00:13:01,200
his apartment lab

263
00:13:05,590 --> 00:13:03,600

equipped to perform for all types of

264

00:13:08,710 --> 00:13:05,600

media demonstrations

265

00:13:10,389 --> 00:13:08,720

demonstrating the hutchinson effect

266

00:13:13,269 --> 00:13:10,399

the mayor of new westminster forced him

267

00:13:16,389 --> 00:13:13,279

to cease in 2006 then in 2010 john was

268

00:13:18,550 --> 00:13:16,399

forcibly removed by order of the mayor

269

00:13:19,990 --> 00:13:18,560

directing the fire marshal to remove him

270

00:13:23,190 --> 00:13:20,000

from his famous apartment lab

271

00:13:25,190 --> 00:13:23,200

in fifth avenue under the experiments

272

00:13:27,590 --> 00:13:25,200

section you will find john and friends

273

00:13:29,829 --> 00:13:27,600

are still developing new ideas and

274

00:13:31,509 --> 00:13:29,839

historically engineering suppressed and

275

00:13:32,310 --> 00:13:31,519

lost technologies for release and

276

00:13:34,389 --> 00:13:32,320

scrutiny

277

00:13:35,590 --> 00:13:34,399

by the general public the egyptian

278

00:13:44,230 --> 00:13:35,600

technology section

279

00:13:48,310 --> 00:13:46,310

i just got to say like okay maybe

280

00:13:50,629 --> 00:13:48,320

there's something to egyptian technology

281

00:13:51,110 --> 00:13:50,639

lost technology but atlantean technology

282

00:13:55,030 --> 00:13:51,120

really

283

00:13:58,230 --> 00:13:55,040

okay um you know how can he confirm

284

00:13:59,670 --> 00:13:58,240

or deny that some unknown or

285

00:14:00,629 --> 00:13:59,680

little-known technology came from

286

00:14:02,550 --> 00:14:00,639

atlantis

287

00:14:03,829 --> 00:14:02,560

that's pretty far out there claim but

288

00:14:06,069 --> 00:14:03,839

it's nothing new

289

00:14:08,710 --> 00:14:06,079

and look at this website boy lightning

290

00:14:10,949 --> 00:14:08,720

bolts and everything

291

00:14:12,870 --> 00:14:10,959

in john's newsletter he has released

292

00:14:14,710 --> 00:14:12,880

never before seen previously classed by

293

00:14:16,790 --> 00:14:14,720

documentation from his own works as well

294

00:14:18,470 --> 00:14:16,800

as some of this department of defense

295

00:14:20,310 --> 00:14:18,480

documentation he has acquired over the

296

00:14:22,389 --> 00:14:20,320

years from government sources

297

00:14:24,389 --> 00:14:22,399

with or without official authorization

298

00:14:26,949 --> 00:14:24,399

please enjoy this independent scientists

299

00:14:28,870 --> 00:14:26,959

website and all it has to offer

300

00:14:30,949 --> 00:14:28,880

john has remained independent regardless

301

00:14:33,750 --> 00:14:30,959
of multi-million dollar offers

302

00:14:36,389 --> 00:14:33,760
to conceal his findings from the general

303

00:14:38,069 --> 00:14:36,399
public and here we have that

304

00:14:39,829 --> 00:14:38,079
that riff with some of these new energy

305

00:14:42,230 --> 00:14:39,839
guys that the government were

306

00:14:43,590 --> 00:14:42,240
multi-billion dollar corporations trying

307

00:14:44,150 --> 00:14:43,600
to buy them off and shelf their

308

00:14:47,829 --> 00:14:44,160
technology

309

00:14:50,310 --> 00:14:47,839
so they can't share it with the world

310

00:14:52,069 --> 00:14:50,320
nasa is among the agencies he has turned

311

00:14:53,030 --> 00:14:52,079
down as well as both north american

312

00:14:56,069 --> 00:14:53,040
superpowers

313

00:14:56,949 --> 00:14:56,079

offerings to privatize and militarize

314

00:14:59,030 --> 00:14:56,959

his inventions

315

00:15:00,790 --> 00:14:59,040

john believes in a world of free energy

316

00:15:03,110 --> 00:15:00,800

and the marbles of any gravity

317

00:15:05,030 --> 00:15:03,120

for the general public not just those in

318

00:15:06,790 --> 00:15:05,040

positions of power

319

00:15:09,030 --> 00:15:06,800

now that the government has destroyed

320

00:15:11,350 --> 00:15:09,040

his third laboratory and again

321

00:15:13,590 --> 00:15:11,360

taken his home from him where did john

322

00:15:16,230 --> 00:15:13,600

end up with his tiny

323

00:15:18,470 --> 00:15:16,240

fixed income and boxes of his broken

324

00:15:20,150 --> 00:15:18,480

dreams a german research team bought his

325

00:15:22,230 --> 00:15:20,160

entire new westminster apartment

326

00:15:24,550 --> 00:15:22,240

laboratory after seeing demonstrations

327

00:15:25,750 --> 00:15:24,560

of this effect of his effect and gave

328

00:15:28,150 --> 00:15:25,760

him enough

329

00:15:31,509 --> 00:15:28,160

seed money to take his whole new show on

330

00:15:33,990 --> 00:15:31,519

the road with his new wife nancy

331

00:15:34,629 --> 00:15:34,000

as john travels the usa in his newly

332

00:15:38,150 --> 00:15:34,639

converted

333

00:15:41,189 --> 00:15:38,160

swat bus mobile laboratory

334

00:15:43,670 --> 00:15:41,199

he treats polluted waters of the gulf

335

00:15:44,230 --> 00:15:43,680

with the hutchison effect and researches

336

00:15:46,949 --> 00:15:44,240

different

337

00:15:47,990 --> 00:15:46,959

possible pollution solutions from his

338

00:15:51,829 --> 00:15:48,000

mobile command

339

00:15:54,069 --> 00:15:51,839

center so he's living in an rv

340

00:15:55,990 --> 00:15:54,079

he also remains hopeful his inventions

341

00:15:57,749 --> 00:15:56,000

one day will ease the burden and

342

00:15:59,590 --> 00:15:57,759

suffering and enrich all mankind around

343

00:16:01,350 --> 00:15:59,600

the world rich or poor

344

00:16:03,590 --> 00:16:01,360

in the end the government didn't crash

345

00:16:06,629 --> 00:16:03,600

his spirit and destroy his dreams

346

00:16:08,389 --> 00:16:06,639

they set him loose john roams the planet

347

00:16:09,910 --> 00:16:08,399

quite freely now with his wife and

348

00:16:12,710 --> 00:16:09,920

explores

349

00:16:14,389 --> 00:16:12,720

nature's mysteries to this very day we

350

00:16:16,310 --> 00:16:14,399

hope you enjoy the website

351

00:16:17,670 --> 00:16:16,320

and if you feel desire to participate in

352

00:16:20,710 --> 00:16:17,680

john's adventure

353

00:16:22,710 --> 00:16:20,720

all you will need to do is email him i

354

00:16:25,829 --> 00:16:22,720

just want to mention that i did email

355

00:16:28,870 --> 00:16:25,839

mr hutchison for a uh an interview

356

00:16:31,189 --> 00:16:28,880

and did not hear back from him uh

357

00:16:33,030 --> 00:16:31,199

i you know this website looks pretty old

358

00:16:33,590 --> 00:16:33,040

i don't know if anybody's still checking

359

00:16:35,590 --> 00:16:33,600

it

360

00:16:37,590 --> 00:16:35,600

and by the way yeah you can make a

361

00:16:39,350 --> 00:16:37,600

paypal donation or you can sign up for

362

00:16:42,150 --> 00:16:39,360

his newsletter

363

00:16:44,150 --> 00:16:42,160

uh there's a newsletter that he puts out

364

00:16:45,829 --> 00:16:44,160

about his research

365

00:16:47,110 --> 00:16:45,839

so we'll stop sharing that because the

366

00:16:49,269 --> 00:16:47,120

lightning bolts are going to give me a

367

00:16:52,550 --> 00:16:49,279

headache

368

00:16:55,749 --> 00:16:52,560

so john hutchinson has made

369

00:16:58,629 --> 00:16:55,759

some really out there various claims

370

00:16:59,829 --> 00:16:58,639

about his laboratories getting raided i

371

00:17:02,790 --> 00:16:59,839

did happen to see

372

00:17:04,949 --> 00:17:02,800

some paperwork uh that proved that the

373

00:17:07,110 --> 00:17:04,959

canadian government raided his

374

00:17:08,949 --> 00:17:07,120

one of his laboratories so there is a

375

00:17:11,590 --> 00:17:08,959

paper trail that proved that they did

376

00:17:14,710 --> 00:17:11,600

raid his laboratory but it was

377

00:17:17,990 --> 00:17:14,720

was apparently over health and safety

378

00:17:20,230 --> 00:17:18,000

violations you can google john

379

00:17:21,270 --> 00:17:20,240

hutchison's apartment and then you'll

380

00:17:24,630 --> 00:17:21,280

understand why

381

00:17:28,549 --> 00:17:24,640

they may have raided his uh his

382

00:17:30,070 --> 00:17:28,559

apartment i'm not sure if the whole

383

00:17:31,590 --> 00:17:30,080

narrative that he's telling that the

384

00:17:32,230 --> 00:17:31,600

government's trying to steal his

385

00:17:36,230 --> 00:17:32,240

research

386

00:17:37,990 --> 00:17:36,240

credible

387

00:17:39,350 --> 00:17:38,000

i'm unsure so i'm not going to make a

388

00:17:46,070 --> 00:17:39,360

determination on that

389

00:17:49,669 --> 00:17:46,080

just mentioning uh

390

00:17:52,789 --> 00:17:49,679

okay yeah we're gonna

391

00:17:54,470 --> 00:17:52,799

put a user in timeout this is the second

392

00:17:57,510 --> 00:17:54,480

time in two days i've had to put

393

00:18:02,470 --> 00:17:57,520

a user in timeout and it's the same user

394

00:18:05,990 --> 00:18:02,480

uh play nice or don't come here

395

00:18:11,830 --> 00:18:09,190

yeah uh preg magic i

396

00:18:12,630 --> 00:18:11,840

or out of mind i i believe i agree with

397

00:18:15,990 --> 00:18:12,640

you

398

00:18:17,830 --> 00:18:16,000

can boot him if he comes back and he

399

00:18:18,549 --> 00:18:17,840

says anything nasty anybody just boot

400

00:18:23,669 --> 00:18:18,559

him

401
00:18:30,230 --> 00:18:26,710
yeah so uh

402
00:18:31,830 --> 00:18:30,240
the effect the hutchison effect

403
00:18:33,909 --> 00:18:31,840
here's what i find suspect about the

404
00:18:37,830 --> 00:18:33,919
effect it's like a catch-all

405
00:18:41,510 --> 00:18:40,310
it's tied into the philadelphia

406
00:18:43,669 --> 00:18:41,520
experiment like he can

407
00:18:44,630 --> 00:18:43,679
phase matter in and out of existence

408
00:18:48,070 --> 00:18:44,640
with it

409
00:18:49,029 --> 00:18:48,080
it's anti-gravity he can make things

410
00:18:52,789 --> 00:18:49,039
float

411
00:18:55,510 --> 00:18:52,799
make things move with it uh at least he

412
00:18:57,430 --> 00:18:55,520
claims that he can

413
00:19:01,350 --> 00:18:57,440

and we'll unpack some more of that but

414

00:19:04,150 --> 00:19:01,360

uh i found a really good video of uh

415

00:19:06,070 --> 00:19:04,160

sort of the best clips of his old eight

416

00:19:08,390 --> 00:19:06,080

millimeter he made these movies some of

417

00:19:10,070 --> 00:19:08,400

these movies in the 70s and 80s

418

00:19:11,669 --> 00:19:10,080

and but somebody's you know he's

419

00:19:13,590 --> 00:19:11,679

digitized them or whatever

420

00:19:14,710 --> 00:19:13,600

and they've been on youtube for years

421

00:19:16,630 --> 00:19:14,720

and people have talked about this

422

00:19:20,070 --> 00:19:16,640

hutchinson effect

423

00:19:20,950 --> 00:19:20,080

people have tried to recreate and prove

424

00:19:24,310 --> 00:19:20,960

that the effect

425

00:19:24,789 --> 00:19:24,320

exists one of the problems that i have

426

00:19:28,549 --> 00:19:24,799

with

427

00:19:30,549 --> 00:19:28,559

mr hutchinson is that if you ask him how

428

00:19:32,390 --> 00:19:30,559

the hutchison effect works

429

00:19:34,230 --> 00:19:32,400

he'll give you different answers almost

430

00:19:35,190 --> 00:19:34,240

every time he's asked he doesn't have a

431

00:19:39,270 --> 00:19:35,200

consistent

432

00:19:42,950 --> 00:19:39,280

theory for how this works why this works

433

00:19:45,750 --> 00:19:42,960

what makes it work it's very confusing

434

00:19:46,230 --> 00:19:45,760

and uh it sort of offers a word salad

435

00:19:49,990 --> 00:19:46,240

you know

436

00:19:51,909 --> 00:19:50,000

quantum vibrations and

437

00:19:53,590 --> 00:19:51,919

really if i've been following him for a

438

00:19:55,110 --> 00:19:53,600

very long time i've heard him on

439

00:19:56,630 --> 00:19:55,120

numerous different television shows

440

00:20:00,070 --> 00:19:56,640

talking about his hutchison

441

00:20:02,230 --> 00:20:00,080

effect and in inevitably they always do

442

00:20:04,710 --> 00:20:02,240

the same thing they play his

443

00:20:05,590 --> 00:20:04,720

really grainy old videos of stuff

444

00:20:08,470 --> 00:20:05,600

floating

445

00:20:10,310 --> 00:20:08,480

and then he talks in circles about how

446

00:20:13,350 --> 00:20:10,320

it works why it works

447

00:20:16,310 --> 00:20:13,360

and we don't i don't i just don't

448

00:20:18,070 --> 00:20:16,320

understand i i maybe i'm just a stupid

449

00:20:20,789 --> 00:20:18,080

monkey and i'm not smart enough to

450

00:20:23,510 --> 00:20:20,799

understand what he's trying to allege

451
00:20:24,870 --> 00:20:23,520
but essentially he's alleging that he's

452
00:20:27,590 --> 00:20:24,880
using

453
00:20:29,270 --> 00:20:27,600
ultra high voltages and ultra high

454
00:20:31,750 --> 00:20:29,280
frequencies

455
00:20:32,789 --> 00:20:31,760
to make this effect work i'm going to

456
00:20:34,789 --> 00:20:32,799
cite fair use

457
00:20:35,990 --> 00:20:34,799
this is transformative work we're

458
00:20:42,549 --> 00:20:36,000
educating the public

459
00:20:44,630 --> 00:20:42,559
and about the hutchinson effects we're

460
00:20:48,070 --> 00:20:44,640
going to say fair use as we share

461
00:20:49,350 --> 00:20:48,080
a video here of the hutchinson effect

462
00:20:52,230 --> 00:20:49,360
and this is a good one because it's

463
00:20:54,789 --> 00:20:52,240

pretty brief and it shows like

464

00:20:55,990 --> 00:20:54,799
all of the best uh of the different

465

00:21:02,230 --> 00:20:56,000
videos of this

466

00:21:03,909 --> 00:21:02,240
floating effect for from john hutchison

467

00:21:06,070 --> 00:21:03,919
i'd like to know in the live chat after

468

00:21:06,950 --> 00:21:06,080
we see this if you think that this is a

469

00:21:08,630 --> 00:21:06,960
real

470

00:21:16,630 --> 00:21:08,640
effect or do you think that this was

471

00:21:19,350 --> 00:21:16,640
hoaxed or staged somehow where

472

00:21:20,230 --> 00:21:19,360
they will levitate unbelievable there's

473

00:21:23,029 --> 00:21:20,240
a blowing wall

474

00:21:23,510 --> 00:21:23,039
electricity goes right into the objects

475

00:21:30,950 --> 00:21:23,520
and

476

00:21:38,149 --> 00:21:30,960

a million pieces just fly apart

477

00:21:41,510 --> 00:21:38,159

[Music]

478

00:21:42,950 --> 00:21:41,520

yeah and here's a good shot one of the

479

00:21:45,990 --> 00:21:42,960

other hutchison effects is

480

00:21:48,149 --> 00:21:46,000

is basically it looks like a directed

481

00:21:51,430 --> 00:21:48,159

energy weapon of some sort that

482

00:21:54,149 --> 00:21:51,440

melts even titanium

483

00:21:55,830 --> 00:21:54,159

at a cellular level somehow and he's

484

00:21:58,549 --> 00:21:55,840

made various claims about this

485

00:22:00,310 --> 00:21:58,559

showed samples of this and people have

486

00:22:01,990 --> 00:22:00,320

looked at it and said

487

00:22:04,390 --> 00:22:02,000

it could have been melted with a welding

488

00:22:06,789 --> 00:22:04,400

torch or some high temperature source

489

00:22:08,230 --> 00:22:06,799

nobody's quite sure but he's got tons of

490

00:22:10,950 --> 00:22:08,240

these samples that he shows

491

00:22:12,630 --> 00:22:10,960

that he claims he transmuted or changed

492

00:22:14,549 --> 00:22:12,640

the structure of the metal with this

493

00:22:15,669 --> 00:22:14,559

hutchison effect like i said this is not

494

00:22:18,390 --> 00:22:15,679

just

495

00:22:26,330 --> 00:22:18,400

anti-gravity it's all kinds of different

496

00:22:28,230 --> 00:22:26,340

strange effects

497

00:22:30,549 --> 00:22:28,240

[Music]

498

00:22:31,909 --> 00:22:30,559

and jumping off to the ceiling or simply

499

00:22:35,190 --> 00:22:31,919

go up hover

500

00:22:39,029 --> 00:22:37,510

yeah and that's interesting because it's

501
00:22:40,230 --> 00:22:39,039
essentially a cup of ice

502
00:22:42,149 --> 00:22:40,240
that he's floating and i think we're

503
00:22:44,310 --> 00:22:42,159
going to see ice cream too somewhere

504
00:22:57,350 --> 00:22:44,320
here

505
00:22:59,909 --> 00:22:57,360
it wasn't just metal it really wasn't

506
00:23:09,590 --> 00:22:59,919
just some big magnets or something

507
00:23:22,789 --> 00:23:09,600
like that

508
00:23:26,230 --> 00:23:22,799
there's the ice cream

509
00:23:28,870 --> 00:23:26,240
and of course all these all of these

510
00:23:31,190 --> 00:23:28,880
uh videos are from websites that want to

511
00:23:34,830 --> 00:23:31,200
sell you something like

512
00:23:36,710 --> 00:23:34,840
you know build an anti-gravity generator

513
00:23:39,110 --> 00:23:36,720

plans

514

00:23:41,750 --> 00:23:39,120

one second there we go i always forget

515

00:23:44,470 --> 00:23:41,760

to stop the video and then we get this

516

00:23:46,310 --> 00:23:44,480

sort of and i found another video where

517

00:23:48,870 --> 00:23:46,320

he's showing the metal samples that have

518

00:23:51,669 --> 00:23:48,880

been affected by this hutchison effect

519

00:23:52,950 --> 00:23:51,679

so we're going to cite fair use um but i

520

00:23:54,870 --> 00:23:52,960

i want you to think about

521

00:23:57,269 --> 00:23:54,880

this this floating effects does this

522

00:24:00,549 --> 00:23:57,279

look real to you or does this look

523

00:24:04,070 --> 00:24:00,559

like it was staged or hoaxed or you know

524

00:24:07,669 --> 00:24:04,080

does it look like a magic trick to you

525

00:24:10,070 --> 00:24:07,679

maybe i'm uh sort of biased or something

526
00:24:12,070 --> 00:24:10,080
but to me this looks like

527
00:24:13,830 --> 00:24:12,080
it doesn't look credible it doesn't look

528
00:24:16,549 --> 00:24:13,840
real

529
00:24:17,830 --> 00:24:16,559
but let's take a look at the oh i have

530
00:24:19,110 --> 00:24:17,840
another video here i'm going to cite

531
00:24:20,789 --> 00:24:19,120
fair use and share

532
00:24:22,470 --> 00:24:20,799
this is transformative work we're

533
00:24:24,470 --> 00:24:22,480
educating the public

534
00:24:25,830 --> 00:24:24,480
about john hutchison and the hutchinson

535
00:24:27,590 --> 00:24:25,840
effect

536
00:24:30,070 --> 00:24:27,600
this one has him talking about the

537
00:24:31,990 --> 00:24:30,080
effect and its effects on metals

538
00:24:34,070 --> 00:24:32,000

and he shows all these weird metal

539

00:24:38,310 --> 00:24:34,080

samples that look like they were burnt

540

00:24:41,510 --> 00:24:38,320

melted transmuted somehow changed really

541

00:24:45,590 --> 00:24:41,520

uh torn apart really and i suppose that

542

00:24:50,549 --> 00:24:49,190

also just worthy of note that people

543

00:24:52,789 --> 00:24:50,559

have claimed

544

00:24:55,029 --> 00:24:52,799

i think even he claimed i could be wrong

545

00:24:58,470 --> 00:24:55,039

but definitely people have claimed

546

00:25:01,909 --> 00:24:58,480

that it was a john hutchison effect

547

00:25:02,470 --> 00:25:01,919

death ray that was used to make 911

548

00:25:04,950 --> 00:25:02,480

happen

549

00:25:05,590 --> 00:25:04,960

somehow transmuted the metal and the

550

00:25:08,390 --> 00:25:05,600

beams

551
00:25:10,310 --> 00:25:08,400
and made the building fall that's an out

552
00:25:12,950 --> 00:25:10,320
there theory not one that i

553
00:25:14,390 --> 00:25:12,960
condone or support or believe is true

554
00:25:17,830 --> 00:25:14,400
just mentioning it

555
00:25:19,190 --> 00:25:17,840
because it's relevant because

556
00:25:21,190 --> 00:25:19,200
uh people have claimed that the

557
00:25:22,789 --> 00:25:21,200
hutchison effect had something to do

558
00:25:26,149 --> 00:25:22,799
with how the government staged

559
00:25:28,070 --> 00:25:26,159
911 so

560
00:25:31,190 --> 00:25:28,080
let's check out this other video again

561
00:25:31,200 --> 00:25:35,350
oh wait a second

562
00:25:35,360 --> 00:25:39,909
let's try that again

563
00:25:39,919 --> 00:25:44,549

fair use

564

00:25:49,510 --> 00:25:47,430

wood mixed in with the structure itself

565

00:25:50,630 --> 00:25:49,520

and we're not sure exactly on the sample

566

00:25:54,070 --> 00:25:50,640

how much wood

567

00:25:56,310 --> 00:25:54,080

maybe a cubic inch or more inside here

568

00:25:57,190 --> 00:25:56,320

and coming to other samples we find

569

00:25:59,029 --> 00:25:57,200

again

570

00:26:00,549 --> 00:25:59,039

samples that have ripped themselves

571

00:26:02,470 --> 00:26:00,559

apart and rejoined

572

00:26:04,710 --> 00:26:02,480

as you can see in this little sample

573

00:26:07,029 --> 00:26:04,720

here

574

00:26:08,390 --> 00:26:07,039

and then we come to breaks that indicate

575

00:26:10,310 --> 00:26:08,400

actually a lot of stress

576
00:26:12,070 --> 00:26:10,320
and there's a nice clean cut and looks

577
00:26:16,070 --> 00:26:12,080
like a bent stress

578
00:26:16,710 --> 00:26:16,080
so this is broken in a fashion perhaps

579
00:26:19,269 --> 00:26:16,720
like that

580
00:26:20,710 --> 00:26:19,279
and then on the other side of the coin

581
00:26:22,630 --> 00:26:20,720
kind of something that looks like it was

582
00:26:24,310 --> 00:26:22,640
ripped apart or turned to jelly and

583
00:26:25,510 --> 00:26:24,320
ripped apart and frozen in the time and

584
00:26:28,630 --> 00:26:25,520
space

585
00:26:30,230 --> 00:26:28,640
this large moon yeah so uh

586
00:26:33,190 --> 00:26:30,240
again these are various claims of john

587
00:26:34,630 --> 00:26:33,200
hutchison or citing fair use

588
00:26:36,230 --> 00:26:34,640

this is a transformative work we're

589

00:26:38,310 --> 00:26:36,240

educating the public about

590

00:26:39,269 --> 00:26:38,320

john hutchinson and his various claims

591

00:26:41,669 --> 00:26:39,279

concerning what is

592

00:26:43,029 --> 00:26:41,679

commonly called the hutchison effect

593

00:26:47,190 --> 00:26:43,039

named after him

594

00:26:50,310 --> 00:26:47,200

an example again extrusion alloy

595

00:26:52,950 --> 00:26:50,320

was once one piece and was totally

596

00:26:54,950 --> 00:26:52,960

formed like this after some experiments

597

00:26:57,190 --> 00:26:54,960

actually seen on video

598

00:27:00,390 --> 00:26:57,200

we come to more hard materials such as

599

00:27:03,830 --> 00:27:00,400

stainless steel and it just

600

00:27:07,909 --> 00:27:03,840

i don't know why the video keeps jumping

601
00:27:09,909 --> 00:27:07,919
and twist it around a lot of little pot

602
00:27:12,710 --> 00:27:09,919
marks and pieces falling out of it

603
00:27:14,149 --> 00:27:12,720
again similar to the large piece of

604
00:27:17,590 --> 00:27:14,159
steel that i just mentioned

605
00:27:21,029 --> 00:27:17,600
for being the very first sample

606
00:27:22,789 --> 00:27:21,039
and this is just many of many

607
00:27:24,230 --> 00:27:22,799
samples that i do have and that other

608
00:27:27,750 --> 00:27:24,240
people do have that

609
00:27:30,789 --> 00:27:27,760
still are undergoing analysis yes and uh

610
00:27:31,830 --> 00:27:30,799
it should also be noted that uh john

611
00:27:33,590 --> 00:27:31,840
hutchison

612
00:27:35,590 --> 00:27:33,600
famously would when people would visit

613
00:27:37,110 --> 00:27:35,600

his lab he would just give these pieces

614

00:27:39,269 --> 00:27:37,120

of metal to people

615

00:27:40,950 --> 00:27:39,279

and but so far i haven't been able to

616

00:27:42,389 --> 00:27:40,960

find any mention of anybody

617

00:27:45,350 --> 00:27:42,399

scientifically testing

618

00:27:47,750 --> 00:27:45,360

these samples to see if they could

619

00:27:48,149 --> 00:27:47,760

determine what caused these deformations

620

00:27:58,870 --> 00:27:48,159

or

621

00:28:00,630 --> 00:27:58,880

almost weekly on what has happened here

622

00:28:01,990 --> 00:28:00,640

on conventional physics it take

623

00:28:05,029 --> 00:28:02,000

terawatts of power to do

624

00:28:07,269 --> 00:28:05,039

this there's no radio waves

625

00:28:08,470 --> 00:28:07,279

or anything that can do this there's no

626
00:28:10,310 --> 00:28:08,480
electrostatic

627
00:28:13,350 --> 00:28:10,320
fields or lightning bolts that can do

628
00:28:16,950 --> 00:28:13,360
this um

629
00:28:17,669 --> 00:28:16,960
so in a way the theory is a key way is

630
00:28:20,070 --> 00:28:17,679
made up

631
00:28:22,149 --> 00:28:20,080
of electromagnetic and electrostatic

632
00:28:25,190 --> 00:28:22,159
fields that i produce

633
00:28:27,990 --> 00:28:25,200
opening a doorway into another dimension

634
00:28:29,350 --> 00:28:28,000
that allows any kind amount of energy to

635
00:28:32,470 --> 00:28:29,360
come in and do this

636
00:28:35,990 --> 00:28:33,990
yeah and again here we're getting an

637
00:28:37,190 --> 00:28:36,000
explanation that he's opening a doorway

638
00:28:39,830 --> 00:28:37,200

to another dimension

639

00:28:41,430 --> 00:28:39,840

and the energy to create and and deform

640

00:28:42,789 --> 00:28:41,440

these metals is coming from another

641

00:28:44,950 --> 00:28:42,799

dimension somehow

642

00:28:46,950 --> 00:28:44,960

and this is just one of the many things

643

00:28:47,750 --> 00:28:46,960

i've heard him say about how this effect

644

00:28:51,029 --> 00:28:47,760

works

645

00:28:53,190 --> 00:28:51,039

people have

646

00:28:54,710 --> 00:28:53,200

theorized that he's simply using super

647

00:28:58,710 --> 00:28:54,720

high voltage

648

00:29:00,950 --> 00:28:58,720

uh you know ion ray guns uh

649

00:29:02,789 --> 00:29:00,960

yeah an ion ray gun is a real thing you

650

00:29:05,750 --> 00:29:02,799

can make an ion ray gun

651
00:29:07,110 --> 00:29:05,760
and shoot uh something with charge it

652
00:29:10,230 --> 00:29:07,120
with tons of ions

653
00:29:13,350 --> 00:29:10,240
and get strange effects um

654
00:29:15,029 --> 00:29:13,360
high voltage uh he's got access to

655
00:29:16,470 --> 00:29:15,039
things like tesla coils

656
00:29:18,310 --> 00:29:16,480
so he could definitely be using high

657
00:29:20,070 --> 00:29:18,320
voltage to produce these effects but

658
00:29:22,549 --> 00:29:20,080
again

659
00:29:24,630 --> 00:29:22,559
i've never gotten a clear and concise

660
00:29:27,430 --> 00:29:24,640
explanation from mr hutchison

661
00:29:28,070 --> 00:29:27,440
despite watching probably every video

662
00:29:31,269 --> 00:29:28,080
i've ever

663
00:29:32,630 --> 00:29:31,279

and documentary and every one of his tv

664

00:29:34,310 --> 00:29:32,640

appearances just about him

665

00:29:35,669 --> 00:29:34,320

i'm pretty sure i've seen well not all

666

00:29:37,430 --> 00:29:35,679

of them i guess because he was on a lot

667

00:29:39,669 --> 00:29:37,440

of foreign television shows

668

00:29:40,630 --> 00:29:39,679

talking about this effect but we don't

669

00:29:42,950 --> 00:29:40,640

ever get

670

00:29:44,549 --> 00:29:42,960

he can't tell us how he does it he

671

00:29:47,590 --> 00:29:44,559

doesn't even know how he does it

672

00:29:49,590 --> 00:29:47,600

he's just showing us a bunch of stuff

673

00:29:51,190 --> 00:29:49,600

flying up in the air and a bunch of

674

00:29:53,830 --> 00:29:51,200

metal uh

675

00:29:54,950 --> 00:29:53,840

that is having strange effects cannot

676
00:29:57,350 --> 00:29:54,960
tell us

677
00:29:59,510 --> 00:29:57,360
like he could not explain to an

678
00:30:01,990 --> 00:29:59,520
electronics engineer

679
00:30:03,110 --> 00:30:02,000
what exactly he uses to generate this

680
00:30:05,830 --> 00:30:03,120
effect

681
00:30:08,250 --> 00:30:05,840
and um it must be on the order of

682
00:30:09,430 --> 00:30:08,260
terawatts to do this

683
00:30:12,549 --> 00:30:09,440
[Music]

684
00:30:13,750 --> 00:30:12,559
we've had larger samples of course fall

685
00:30:19,669 --> 00:30:13,760
apart

686
00:30:21,750 --> 00:30:19,679
basically again it seems to come back

687
00:30:23,909 --> 00:30:21,760
into a circle that

688
00:30:25,750 --> 00:30:23,919

the universe supplies all the energy

689

00:30:29,669 --> 00:30:25,760
needed

690

00:30:33,269 --> 00:30:29,679
for mankind and also for uh propulsion

691

00:30:35,990 --> 00:30:33,279
and space travel yes and so he's

692

00:30:37,669 --> 00:30:36,000
essentially claiming that these energy

693

00:30:40,149 --> 00:30:37,679
these effects are being caused by

694

00:30:42,310 --> 00:30:40,159
energy that he is pulling from the ether

695

00:30:43,510 --> 00:30:42,320
again with the ether and nikola tesla's

696

00:30:46,789 --> 00:30:43,520
original

697

00:30:48,230 --> 00:30:46,799
theories the sort of pre-einsteinian

698

00:30:50,149 --> 00:30:48,240
understanding of physics that there's

699

00:30:53,830 --> 00:30:50,159
this ether all around us and there's

700

00:30:56,710 --> 00:30:53,840
a sea of energy all around us

701
00:30:58,310 --> 00:30:56,720
which i still think maybe there may be

702
00:31:01,750 --> 00:30:58,320
some truth to that

703
00:31:05,110 --> 00:31:01,760
assertion and uh that theory

704
00:31:07,350 --> 00:31:05,120
but again this is

705
00:31:09,269 --> 00:31:07,360
this vague explanation of uh you know

706
00:31:10,950 --> 00:31:09,279
i'm pulling energy from the vacuum

707
00:31:12,389 --> 00:31:10,960
this is from zero point that's causing

708
00:31:18,230 --> 00:31:12,399
these effects

709
00:31:19,909 --> 00:31:18,240
in the presence he has never produced

710
00:31:23,350 --> 00:31:19,919
these effects in the presence

711
00:31:26,470 --> 00:31:23,360
of a impartial observer or

712
00:31:28,149 --> 00:31:26,480
credible scientist um and has been

713
00:31:30,870 --> 00:31:28,159

caught hoaxing things we're gonna

714

00:31:31,990 --> 00:31:30,880

more on that in a moment i don't go into

715

00:31:35,430 --> 00:31:32,000

mathematics at all

716

00:31:38,710 --> 00:31:35,440

i visualize things and always joust

717

00:31:40,230 --> 00:31:38,720

so to speak uh the conventional

718

00:31:41,990 --> 00:31:40,240

scientists or the scientists

719

00:31:44,870 --> 00:31:42,000

with the mathematics was saying that

720

00:31:46,870 --> 00:31:44,880

intuition is a shortcut through math

721

00:31:48,230 --> 00:31:46,880

i visualize this and i put in the best

722

00:31:51,750 --> 00:31:48,240

words so that i can

723

00:31:54,310 --> 00:31:51,760

find i can actually see the atom

724

00:31:57,110 --> 00:31:54,320

i can see the different interactions of

725

00:31:59,590 --> 00:31:57,120

the dimensions inside of an atom

726

00:32:00,389 --> 00:31:59,600

and i can explain it in those terms

727

00:32:02,870 --> 00:32:00,399

visualize it

728

00:32:04,230 --> 00:32:02,880

and actually do it physically but

729

00:32:07,669 --> 00:32:04,240

mathematically

730

00:32:11,430 --> 00:32:07,679

i am a basket case when it comes to

731

00:32:13,990 --> 00:32:11,440

trying to understand mathematics

732

00:32:15,909 --> 00:32:14,000

well for that i can't blame them for for

733

00:32:19,590 --> 00:32:15,919

those that don't know

734

00:32:22,310 --> 00:32:19,600

and background computer science and uh

735

00:32:23,430 --> 00:32:22,320

i struggle with math like i'm fine with

736

00:32:24,950 --> 00:32:23,440

regular you know

737

00:32:26,870 --> 00:32:24,960

numbers but as soon as you start

738

00:32:29,830 --> 00:32:26,880

throwing letters and

739

00:32:30,149 --> 00:32:29,840

formulas it gets confusing really fast

740

00:32:33,430 --> 00:32:30,159

so

741

00:32:36,230 --> 00:32:33,440

for that i don't blame them and um

742

00:32:38,549 --> 00:32:36,240

use math and quantity like in

743

00:32:41,190 --> 00:32:38,559

electricity i need mathematics

744

00:32:42,470 --> 00:32:41,200

in electromechanical engineering i need

745

00:32:45,990 --> 00:32:42,480

mathematics just

746

00:32:46,870 --> 00:32:46,000

basic measurements but it comes to the

747

00:32:49,750 --> 00:32:46,880

exotic math

748

00:32:51,830 --> 00:32:49,760

i'm a lost cause so i must rely on

749

00:32:53,669 --> 00:32:51,840

intuition

750

00:32:55,669 --> 00:32:53,679

which gives me a lot more to see and a

751

00:32:57,669 --> 00:32:55,679

lot more to do i believe in putting

752

00:32:59,110 --> 00:32:57,679

doing it making the thing in reality

753

00:33:01,990 --> 00:32:59,120

instead of just

754

00:33:03,350 --> 00:33:02,000

drawing up a lot of numbers that's a

755

00:33:05,430 --> 00:33:03,360

little bit of backbiting but there's a

756

00:33:07,590 --> 00:33:05,440

lot around the world scientists very

757

00:33:09,590 --> 00:33:07,600

high-powered scientists were involved in

758

00:33:11,190 --> 00:33:09,600

the old star wars program talking a lot

759

00:33:13,110 --> 00:33:11,200

of us now

760

00:33:14,549 --> 00:33:13,120

they get into the psychic aspects of it

761

00:33:17,430 --> 00:33:14,559

also the

762

00:33:18,070 --> 00:33:17,440

physics aspect of it also a lot of the

763

00:33:21,190 --> 00:33:18,080

work is

764

00:33:24,549 --> 00:33:21,200

um coming out released

765

00:33:26,710 --> 00:33:24,559

lawrence livermore uh still los

766

00:33:27,590 --> 00:33:26,720

alamos is a little tight it's slowly

767

00:33:30,470 --> 00:33:27,600

loosening up

768

00:33:31,909 --> 00:33:30,480

colonel alexander now is into remote

769

00:33:34,070 --> 00:33:31,919

viewing

770

00:33:36,950 --> 00:33:34,080

uh he's the head fellow involved in

771

00:33:39,029 --> 00:33:36,960

non-lethal weapon technology

772

00:33:40,310 --> 00:33:39,039

i made an appearance on a program called

773

00:33:44,470 --> 00:33:40,320

encounters

774

00:33:47,509 --> 00:33:44,480

ed gaines is now out of the income group

775

00:33:50,789 --> 00:33:47,519

security command group yes and uh

776

00:33:52,230 --> 00:33:50,799

i guess worthy of note is that a lot of

777

00:33:54,389 --> 00:33:52,240

people have connected

778

00:33:56,870 --> 00:33:54,399

john hutchinson and the hutchinson

779

00:33:58,789 --> 00:33:56,880

effect with the star wars program

780

00:34:00,789 --> 00:33:58,799

um saying that they were going to be

781

00:34:02,950 --> 00:34:00,799

using a directed energy weapon which

782

00:34:05,190 --> 00:34:02,960

goes back to nikola tesla

783

00:34:06,470 --> 00:34:05,200

um directed energy weapons are really

784

00:34:09,109 --> 00:34:06,480

the

785

00:34:11,270 --> 00:34:09,119

i guess invented or envisioned by

786

00:34:14,149 --> 00:34:11,280

originally by nikola tesla

787

00:34:14,550 --> 00:34:14,159

and hutchison is famous for recreating

788

00:34:17,669 --> 00:34:14,560

uh

789

00:34:19,349 --> 00:34:17,679

basically a tesla death ray when i was

790

00:34:22,710 --> 00:34:19,359

on sightings

791

00:34:27,030 --> 00:34:22,720

so there's a wave of media also coming

792

00:34:31,190 --> 00:34:27,040

forth such as these programs showing

793

00:34:34,230 --> 00:34:31,200

what is really going on even abc and nbc

794

00:34:35,190 --> 00:34:34,240

did a special on his remote feeling true

795

00:34:39,270 --> 00:34:35,200

or false and

796

00:34:42,310 --> 00:34:39,280

they've got a positive

797

00:34:44,710 --> 00:34:42,320

situation on one half hour program and

798

00:34:46,950 --> 00:34:44,720

abc i believe i don't want to dig

799

00:34:48,069 --> 00:34:46,960

networks in the states

800

00:34:50,149 --> 00:34:48,079

so there's a lot of breakthrough in

801
00:34:51,669 --> 00:34:50,159
media coming slowly but it's coming out

802
00:34:53,669 --> 00:34:51,679
more and more

803
00:34:55,990 --> 00:34:53,679
and again we just see these effects of

804
00:34:58,710 --> 00:34:56,000
things wiggling and moving and

805
00:35:00,150 --> 00:34:58,720
looks very strange to me and this will

806
00:35:00,790 --> 00:35:00,160
give people something to look at and

807
00:35:03,510 --> 00:35:00,800
think about

808
00:35:05,589 --> 00:35:03,520
i think the mind connect is also a uh

809
00:35:07,430 --> 00:35:05,599
cohere of frequencies and transmit to

810
00:35:10,150 --> 00:35:07,440
mug and then walk this doorway

811
00:35:11,510 --> 00:35:10,160
into space and time some measurements at

812
00:35:14,790 --> 00:35:11,520
stanford university

813
00:35:21,750 --> 00:35:18,069

lawrence livermore had dr henry strap

814

00:35:25,990 --> 00:35:21,760

uh william tiller put it at around 22

815

00:35:28,630 --> 00:35:26,000

to 24 uh centimeter wave weight then

816

00:35:30,150 --> 00:35:28,640

that a lot of this activity happens

817

00:35:33,270 --> 00:35:30,160

never seen more floating effects

818

00:35:35,670 --> 00:35:33,280

the cats are quite exhausted and um

819

00:35:38,950 --> 00:35:35,680

quite expensive given a lot of

820

00:35:43,589 --> 00:35:41,190

with mcdonald's douglas they doing

821

00:35:45,510 --> 00:35:43,599

multitude of spoon bending

822

00:35:47,589 --> 00:35:45,520

where they take control samples and then

823

00:35:50,150 --> 00:35:47,599

of course open minded electron scanning

824

00:35:53,670 --> 00:35:50,160

microscope to see if they were bent by

825

00:35:54,470 --> 00:35:53,680

force or by my mind and here we see the

826

00:35:57,430 --> 00:35:54,480

famous

827

00:35:58,310 --> 00:35:57,440

being floating ice cream of princeton

828

00:36:01,829 --> 00:35:58,320

university

829

00:36:04,390 --> 00:36:01,839

who also is connected to mcdonald's

830

00:36:05,990 --> 00:36:04,400

and i'm not surprised even now if they

831

00:36:09,190 --> 00:36:06,000

have come across a

832

00:36:12,230 --> 00:36:09,200

formula on this

833

00:36:13,670 --> 00:36:12,240

area of physics which has to be included

834

00:36:16,550 --> 00:36:13,680

everything is connected to everything

835

00:36:20,310 --> 00:36:16,560

else in my opinion psychic

836

00:36:23,510 --> 00:36:20,320

to um hardcore physics let's say

837

00:36:26,870 --> 00:36:23,520

out of fringe physics time and space

838

00:36:27,510 --> 00:36:26,880

cosmology you name it yeah fringe

839

00:36:32,310 --> 00:36:27,520

science

840

00:36:34,069 --> 00:36:32,320

for sure now uh there's one final video

841

00:36:36,870 --> 00:36:34,079

for our presentation i'd like to share

842

00:36:38,069 --> 00:36:36,880

again citing fair use and uh this is a

843

00:36:41,349 --> 00:36:38,079

video that gives me

844

00:36:44,470 --> 00:36:41,359

a lot of concern if i

845

00:36:46,550 --> 00:36:44,480

want to believe mr hutchinson and his in

846

00:36:47,670 --> 00:36:46,560

if i want to believe in his hutchinson

847

00:36:50,550 --> 00:36:47,680

effect

848

00:36:51,510 --> 00:36:50,560

at various uh numerous times really he

849

00:36:54,130 --> 00:36:51,520

has been caught

850

00:36:55,349 --> 00:36:54,140

faking floating effects

851
00:36:57,270 --> 00:36:55,359
[Music]

852
00:36:59,109 --> 00:36:57,280
probably one of the most famous is for a

853
00:37:01,510 --> 00:36:59,119
television show and they caught him

854
00:37:04,069 --> 00:37:01,520
using wires

855
00:37:05,990 --> 00:37:04,079
and we're going to see an example of

856
00:37:09,270 --> 00:37:06,000
that

857
00:37:10,870 --> 00:37:09,280
one second friends and this video is

858
00:37:14,230 --> 00:37:10,880
simply titled hutcheson

859
00:37:18,550 --> 00:37:14,240
is a fraud and this is

860
00:37:22,310 --> 00:37:20,390
asked to demonstrate anti-gravity

861
00:37:27,670 --> 00:37:22,320
effects for a television show

862
00:37:34,390 --> 00:37:31,430
there's no sound in this video friends

863
00:37:35,670 --> 00:37:34,400

so we see a little ufo flying saucer but

864

00:37:38,710 --> 00:37:35,680

the problem is

865

00:37:42,069 --> 00:37:38,720

they forgot to move the string

866

00:37:45,990 --> 00:37:42,079

here in the upper left hand corner

867

00:37:48,470 --> 00:37:46,000

out of the frame and it's

868

00:37:53,109 --> 00:37:48,480

clearly a string moving back and forth

869

00:37:58,230 --> 00:37:56,230

and that's very disappointing um

870

00:38:00,790 --> 00:37:58,240

again to my knowledge he has not

871

00:38:03,990 --> 00:38:00,800

demonstrated things floating like

872

00:38:06,870 --> 00:38:04,000

for a television show with observers uh

873

00:38:08,390 --> 00:38:06,880

or for anyone really with impartial

874

00:38:11,030 --> 00:38:08,400

observers

875

00:38:11,990 --> 00:38:11,040

when asked to demonstrate this is the

876

00:38:16,630 --> 00:38:12,000

kind of thing that

877

00:38:23,270 --> 00:38:19,670

definitely does not help his credibility

878

00:38:23,280 --> 00:38:30,550

clearly this thing is on a string

879

00:38:34,710 --> 00:38:33,190

and it looks like maybe you can no i

880

00:38:37,349 --> 00:38:34,720

guess maybe you can only see the string

881

00:38:39,589 --> 00:38:37,359

in a certain portion of the video

882

00:38:40,390 --> 00:38:39,599

so i guess mr hutchison needs better

883

00:38:42,069 --> 00:38:40,400

editing

884

00:38:43,510 --> 00:38:42,079

when he's going to show off his

885

00:38:46,710 --> 00:38:43,520

anti-gravity effects

886

00:38:51,430 --> 00:38:46,720

to the world

887

00:38:55,510 --> 00:38:51,440

yeah and so uh there is a

888

00:38:56,630 --> 00:38:55,520

there's a the skeptic's dictionary has

889

00:38:59,030 --> 00:38:56,640

an entry

890

00:39:00,950 --> 00:38:59,040

uh on mr hutchison that is extremely

891

00:39:04,870 --> 00:39:00,960

interesting

892

00:39:07,349 --> 00:39:04,880

um i'm not going to read this entire

893

00:39:11,270 --> 00:39:09,829

but they call it the hutchison hoax and

894

00:39:13,270 --> 00:39:11,280

they say it's named after eccentric

895

00:39:13,990 --> 00:39:13,280

canadian john hutchison a fan of nikola

896

00:39:18,230 --> 00:39:14,000

tesla

897

00:39:20,550 --> 00:39:18,240

have discovered a number of weird things

898

00:39:23,270 --> 00:39:20,560

such as the levitation of heavy objects

899

00:39:23,910 --> 00:39:23,280

yeah most famously probably a bowling

900

00:39:26,710 --> 00:39:23,920

ball

901
00:39:27,190 --> 00:39:26,720
in all of his videos floating a bowling

902
00:39:29,910 --> 00:39:27,200
ball

903
00:39:31,910 --> 00:39:29,920
that's big heavy object levitation of

904
00:39:32,950 --> 00:39:31,920
heavy objects and the fusion of metal

905
00:39:36,150 --> 00:39:32,960
and wood

906
00:39:38,069 --> 00:39:36,160
by forces heretofore undetected by

907
00:39:39,670 --> 00:39:38,079
normal scientists hudson calls these

908
00:39:41,190 --> 00:39:39,680
weird things the hutchison effect some

909
00:39:44,230 --> 00:39:41,200
of the things he calls

910
00:39:46,069 --> 00:39:44,240
weird seems to be explainable in terms

911
00:39:47,670 --> 00:39:46,079
of electromagnetism and other known

912
00:39:50,230 --> 00:39:47,680
physical forces

913
00:39:50,870 --> 00:39:50,240

but he has more mysterious explanations

914

00:39:52,950 --> 00:39:50,880

such as

915

00:39:55,190 --> 00:39:52,960

zero point energy and electromagnetic

916

00:39:57,190 --> 00:39:55,200

fields that cancel out gravity

917

00:39:58,630 --> 00:39:57,200

unfortunately he seems to be the only

918

00:40:01,670 --> 00:39:58,640

one who can produce

919

00:40:03,349 --> 00:40:01,680

the these effects but not even he can

920

00:40:04,470 --> 00:40:03,359

replicate them at least not in the

921

00:40:07,910 --> 00:40:04,480

presence

922

00:40:11,109 --> 00:40:07,920

of observers his evidence consists

923

00:40:13,030 --> 00:40:11,119

majorly of just his word and his

924

00:40:15,030 --> 00:40:13,040

self-produced videos

925

00:40:17,030 --> 00:40:15,040

one suggestion made by skeptics is that

926
00:40:18,870 --> 00:40:17,040
hutchinson uses an electromagnet on the

927
00:40:20,870 --> 00:40:18,880
ceiling and places hidden

928
00:40:22,550 --> 00:40:20,880
pieces of metal inside objects so they

929
00:40:24,470 --> 00:40:22,560
will be attracted to the magnet he could

930
00:40:26,550 --> 00:40:24,480
then film the objects

931
00:40:29,349 --> 00:40:26,560
uh with an upside down camera as he

932
00:40:31,829 --> 00:40:29,359
powers down the electromagnetic

933
00:40:33,829 --> 00:40:31,839
powers down the electromagnet making the

934
00:40:34,630 --> 00:40:33,839
objects on film appear to float up and

935
00:40:37,030 --> 00:40:34,640
out of the

936
00:40:38,630 --> 00:40:37,040
shot when in reality they are falling

937
00:40:40,550 --> 00:40:38,640
down to the floor

938
00:40:42,230 --> 00:40:40,560

so he may be running things in reverse

939

00:40:43,430 --> 00:40:42,240

using electromagnets people have

940

00:40:46,150 --> 00:40:43,440

theorized many different

941

00:40:48,069 --> 00:40:46,160

ways that he could be hoaxing this many

942

00:40:50,230 --> 00:40:48,079

of the videos include

943

00:40:51,109 --> 00:40:50,240

conspicuous objects in the sense which

944

00:40:53,670 --> 00:40:51,119

do not move

945

00:40:54,790 --> 00:40:53,680

such as an old broom which could be

946

00:40:58,230 --> 00:40:54,800

deliberate

947

00:40:58,950 --> 00:40:58,240

illusion that the camera is not upside

948

00:41:00,630 --> 00:40:58,960

down

949

00:41:02,150 --> 00:41:00,640

critics also point out that the videos

950

00:41:04,069 --> 00:41:02,160

do not show

951
00:41:05,190 --> 00:41:04,079
what happens to the objects after they

952
00:41:07,190 --> 00:41:05,200
levitate

953
00:41:08,950 --> 00:41:07,200
his laboratory in his garage kitchen and

954
00:41:10,950 --> 00:41:08,960
other rooms is his laboratory

955
00:41:12,150 --> 00:41:10,960
is in his garage kitchen and other rooms

956
00:41:14,309 --> 00:41:12,160
in his apartment

957
00:41:16,069 --> 00:41:14,319
much as of his apparatus seems to have

958
00:41:17,750 --> 00:41:16,079
come from military surplus stores we

959
00:41:18,870 --> 00:41:17,760
mentioned that on yesterday's shows he

960
00:41:21,910 --> 00:41:18,880
is a

961
00:41:24,309 --> 00:41:21,920
um a collector of

962
00:41:25,109 --> 00:41:24,319
military surplus electronics items

963
00:41:29,109 --> 00:41:25,119

whether it's

964

00:41:32,230 --> 00:41:29,119
radar arrays uh big huge military

965

00:41:34,069 --> 00:41:32,240
capacitors power transformers

966

00:41:35,910 --> 00:41:34,079
all kinds of things this guy's got in

967

00:41:37,430 --> 00:41:35,920
his collection

968

00:41:39,430 --> 00:41:37,440
uh hutchinson came on the scene around

969

00:41:41,109 --> 00:41:39,440
1979 and he has not been able to

970

00:41:43,589 --> 00:41:41,119
convince the scientific community that

971

00:41:45,349 --> 00:41:43,599
is anything more than a crackpot

972

00:41:47,270 --> 00:41:45,359
the same qualities that repulse the

973

00:41:49,349 --> 00:41:47,280
scientific community in dear hutchinson

974

00:41:51,670 --> 00:41:49,359
to the mass media the lone wolf genius

975

00:41:54,550 --> 00:41:51,680
with no degrees or academic background

976
00:41:56,790 --> 00:41:54,560
who shows the world you don't need uh

977
00:41:58,550 --> 00:41:56,800
you don't need no education to find a

978
00:41:59,030 --> 00:41:58,560
source of unlimited energy that costs

979
00:42:02,150 --> 00:41:59,040
nearly

980
00:42:04,069 --> 00:42:02,160
nothing of course goes without saying

981
00:42:05,750 --> 00:42:04,079
that there will always be military

982
00:42:08,069 --> 00:42:05,760
persons attracted to the claims like

983
00:42:09,670 --> 00:42:08,079
those made by hutchinson

984
00:42:11,990 --> 00:42:09,680
what general wouldn't want an army of

985
00:42:14,309 --> 00:42:12,000
levitating soldiers with unlimited power

986
00:42:16,550 --> 00:42:14,319
packs that cost away next to nothing

987
00:42:18,150 --> 00:42:16,560
imagine tanks and planes protected by

988
00:42:19,190 --> 00:42:18,160

shields like those that protect the

989

00:42:21,750 --> 00:42:19,200

starship enter

990

00:42:23,270 --> 00:42:21,760

enterprise it goes on to say that

991

00:42:24,950 --> 00:42:23,280

hunterson has been profiled on the

992

00:42:27,190 --> 00:42:24,960

discovery channel the learning channel

993

00:42:29,510 --> 00:42:27,200

national geographic channel

994

00:42:31,270 --> 00:42:29,520

and nippon television he's also featured

995

00:42:33,030 --> 00:42:31,280

in discussing various fringe science

996

00:42:34,550 --> 00:42:33,040

newsletters and website there's even a

997

00:42:36,790 --> 00:42:34,560

website devoted

998

00:42:38,550 --> 00:42:36,800

to his various hoaxes of course some

999

00:42:40,390 --> 00:42:38,560

people take hutcheson seriously for

1000

00:42:43,349 --> 00:42:40,400

example mel winfield

1001
00:42:44,710 --> 00:42:43,359
even claims that he came up with the

1002
00:42:47,109 --> 00:42:44,720
hutchinson effect first

1003
00:42:47,910 --> 00:42:47,119
its proper name according to winfield is

1004
00:42:50,470 --> 00:42:47,920
nucleonic

1005
00:42:52,550 --> 00:42:50,480
energy according to weekly wikipedia

1006
00:42:55,270 --> 00:42:52,560
nucleonic energy is a technological

1007
00:42:57,589 --> 00:42:55,280
concept developed by canadian

1008
00:42:59,430 --> 00:42:57,599
uh inventor mel winfield is energy

1009
00:42:59,829 --> 00:42:59,440
obtained from the angular movement of

1010
00:43:02,470 --> 00:42:59,839
the

1011
00:43:03,109 --> 00:43:02,480
nucleons protons and neutrons within an

1012
00:43:06,150 --> 00:43:03,119
atomic

1013
00:43:08,230 --> 00:43:06,160

nucleus where that's a mouthful

1014

00:43:10,550 --> 00:43:08,240

whereas gravity dictates that the spin

1015

00:43:11,349 --> 00:43:10,560

axis of nucleons or arena towards the

1016

00:43:14,309 --> 00:43:11,359

center of the earth

1017

00:43:16,069 --> 00:43:14,319

nucleonic energy allows for the axis to

1018

00:43:17,910 --> 00:43:16,079

be reversed or directed

1019

00:43:19,430 --> 00:43:17,920

in any desired direction in order to

1020

00:43:23,109 --> 00:43:19,440

produce

1021

00:43:27,589 --> 00:43:25,270

yeah finally there is a website devoted

1022

00:43:28,550 --> 00:43:27,599

solely to 911 anomalies at the world

1023

00:43:29,829 --> 00:43:28,560

trade center

1024

00:43:32,550 --> 00:43:29,839

that are being attributed to the

1025

00:43:34,390 --> 00:43:32,560

hutchinson effect by dr judy wood and

1026
00:43:36,150 --> 00:43:34,400
and hutchinson himself so i was right

1027
00:43:39,190 --> 00:43:36,160
hutchinson believed

1028
00:43:40,950 --> 00:43:39,200
or stated that 911 was caused by his

1029
00:43:42,870 --> 00:43:40,960
hutchinson effect in the form of some

1030
00:43:45,349 --> 00:43:42,880
sort of death ray that melted and

1031
00:43:48,950 --> 00:43:45,359
transmuted the beams of the world trade

1032
00:43:52,710 --> 00:43:50,870
it's quite inventive many breeders will

1033
00:43:54,309 --> 00:43:52,720
be surprised to find that the free

1034
00:43:56,390 --> 00:43:54,319
energy technology related to the

1035
00:43:58,550 --> 00:43:56,400
hutchinson effect technology was used to

1036
00:44:01,349 --> 00:43:58,560
destroy the majority of the world trade

1037
00:44:04,069 --> 00:44:01,359
center complex on 9 11.

1038
00:44:05,430 --> 00:44:04,079

so uh friends uh this will conclude our

1039

00:44:07,030 --> 00:44:05,440

short reasons we have a short

1040

00:44:11,109 --> 00:44:07,040

presentation tonight

1041

00:44:13,430 --> 00:44:11,119

and uh i guess i could try to do some

1042

00:44:15,030 --> 00:44:13,440

sort of wrap up and here's what i'll say

1043

00:44:17,109 --> 00:44:15,040

i i've been following this john

1044

00:44:19,270 --> 00:44:17,119

hutchison for a while

1045

00:44:20,870 --> 00:44:19,280

and for various reasons not just the

1046

00:44:23,510 --> 00:44:20,880

hutchison effect

1047

00:44:24,230 --> 00:44:23,520

i followed him because i like fringe

1048

00:44:27,990 --> 00:44:24,240

science

1049

00:44:30,069 --> 00:44:28,000

nikola tesla and

1050

00:44:31,349 --> 00:44:30,079

free energy devices and strange

1051

00:44:34,870 --> 00:44:31,359

electronics and

1052

00:44:36,630 --> 00:44:34,880

things and lasers and uh yeah so i've

1053

00:44:38,390 --> 00:44:36,640

followed him for

1054

00:44:40,390 --> 00:44:38,400

probably since i first heard about him

1055

00:44:43,910 --> 00:44:40,400

20 years ago i suppose

1056

00:44:46,790 --> 00:44:43,920

or saw him on a documentary uh

1057

00:44:48,870 --> 00:44:46,800

but what do i think about his claims i

1058

00:44:51,190 --> 00:44:48,880

find his claims less than credible

1059

00:44:53,589 --> 00:44:51,200

for the reasons i've previously stated

1060

00:44:56,470 --> 00:44:53,599

he cannot explain to me

1061

00:44:57,990 --> 00:44:56,480

how this effect works and you know i get

1062

00:45:01,270 --> 00:44:58,000

the nutty professor

1063

00:45:04,390 --> 00:45:01,280

sort of uh persona but

1064

00:45:05,270 --> 00:45:04,400

you gotta tell us how it works and the

1065

00:45:08,630 --> 00:45:05,280

other thing is

1066

00:45:12,390 --> 00:45:08,640

i'm a big fan of science being provable

1067

00:45:15,829 --> 00:45:12,400

and that is independently repeatable

1068

00:45:17,190 --> 00:45:15,839

um if if i were to give him credit for

1069

00:45:18,069 --> 00:45:17,200

something it would be these crystal

1070

00:45:21,430 --> 00:45:18,079

power cells

1071

00:45:24,870 --> 00:45:21,440

because they are repeatable

1072

00:45:26,790 --> 00:45:24,880

anybody can listen to him

1073

00:45:28,069 --> 00:45:26,800

explain how to build a crystal power

1074

00:45:31,750 --> 00:45:28,079

cell

1075

00:45:33,109 --> 00:45:31,760

and build one and it works uh maybe not

1076

00:45:35,589 --> 00:45:33,119

exactly

1077

00:45:37,030 --> 00:45:35,599

as his do because he's got i don't know

1078

00:45:37,510 --> 00:45:37,040

20 years of experience building them

1079

00:45:40,390 --> 00:45:37,520

maybe

1080

00:45:40,710 --> 00:45:40,400

builds them better builds them you know

1081

00:45:43,510 --> 00:45:40,720

but

1082

00:45:44,870 --> 00:45:43,520

in general the crystal power cells he

1083

00:45:46,790 --> 00:45:44,880

describes

1084

00:45:48,390 --> 00:45:46,800

are repeatable and what does that mean

1085

00:45:50,069 --> 00:45:48,400

that means anybody

1086

00:45:52,550 --> 00:45:50,079

with the scientific interest in the

1087

00:45:53,990 --> 00:45:52,560

crystal power cells as he describes can

1088

00:45:57,109 --> 00:45:54,000

get the ingredients

1089

00:46:00,309 --> 00:45:57,119

get the parts and make one and it works

1090

00:46:02,790 --> 00:46:00,319

the hutchison effect is not repeatable

1091

00:46:04,790 --> 00:46:02,800

uh so far to my knowledge though i will

1092

00:46:05,910 --> 00:46:04,800

say there are many people on youtube

1093

00:46:08,870 --> 00:46:05,920

making videos

1094

00:46:10,309 --> 00:46:08,880

of uh something that they call the

1095

00:46:12,950 --> 00:46:10,319

hutchison effect

1096

00:46:13,589 --> 00:46:12,960

but mostly what you see is people

1097

00:46:16,470 --> 00:46:13,599

shooting

1098

00:46:18,309 --> 00:46:16,480

very high frequency ultrasonic waves at

1099

00:46:19,190 --> 00:46:18,319

things and making them shake shutter and

1100

00:46:22,870 --> 00:46:19,200

move

1101

00:46:25,430 --> 00:46:22,880

that's not levitation that's

1102

00:46:26,550 --> 00:46:25,440

simple physics shooting enough if you

1103

00:46:29,750 --> 00:46:26,560

shoot enough

1104

00:46:30,150 --> 00:46:29,760

ultrasound you know if you s su shoot

1105

00:46:32,150 --> 00:46:30,160

enough

1106

00:46:33,510 --> 00:46:32,160

ultrasonic waves at something at high

1107

00:46:35,030 --> 00:46:33,520

enough frequencies low enough

1108

00:46:37,829 --> 00:46:35,040

frequencies

1109

00:46:39,829 --> 00:46:37,839

high enough energy amperages whatever

1110

00:46:40,630 --> 00:46:39,839

you're gonna see things shutter and

1111

00:46:43,990 --> 00:46:40,640

shake

1112

00:46:46,550 --> 00:46:44,000

that's not reproducing to my mind

1113

00:46:47,030 --> 00:46:46,560

uh that is not reproducing the hutchison

1114

00:46:50,069 --> 00:46:47,040

effect

1115

00:46:51,510 --> 00:46:50,079

as he has displayed it showed it and

1116

00:46:54,829 --> 00:46:51,520

talked about it

1117

00:46:58,230 --> 00:46:54,839

no one to my knowledge has been able to

1118

00:47:00,870 --> 00:46:58,240

uh has been able to reproduce

1119

00:47:02,710 --> 00:47:00,880

his floating effects or even these metal

1120

00:47:06,630 --> 00:47:02,720

effects

1121

00:47:07,589 --> 00:47:06,640

so um while i'm at the i'm still a big

1122

00:47:10,710 --> 00:47:07,599

fan of his

1123

00:47:11,349 --> 00:47:10,720

is he a hoaxer he's been caught floating

1124

00:47:46,710 --> 00:47:11,359

a

1125

00:47:49,990 --> 00:47:46,720

fringe

1126

00:47:52,150 --> 00:47:50,000

science topics and also i suppose i

1127

00:47:55,190 --> 00:47:52,160

respect him for being

1128

00:47:56,549 --> 00:47:55,200

able to reproduce a great deal of nikola

1129

00:47:59,750 --> 00:47:56,559

tesla's experiments

1130

00:48:02,790 --> 00:47:59,760

that has not ever been in

1131

00:48:05,349 --> 00:48:02,800

you know that has never been denied he

1132

00:48:07,750 --> 00:48:05,359

has reproduced a great number of

1133

00:48:10,630 --> 00:48:07,760

nikola tesla's machinery equipment and

1134

00:48:14,309 --> 00:48:10,640

experiments being a big nikola tesla fan

1135

00:48:16,390 --> 00:48:14,319

and i gotta tell you try it it's not

1136

00:48:17,990 --> 00:48:16,400

easy to build anything that tesla built

1137

00:48:19,910 --> 00:48:18,000

including tesla coils they're

1138

00:48:21,589 --> 00:48:19,920

really difficult to build i mean it's

1139

00:48:23,670 --> 00:48:21,599

not they're not impossible but you have

1140

00:48:26,230 --> 00:48:23,680

to be pretty smart guy to build

1141

00:48:27,990 --> 00:48:26,240

anything that nikola tesla built or

1142

00:48:31,589 --> 00:48:28,000

reproduce it

1143

00:48:33,430 --> 00:48:31,599

so i think that there is like i said

1144

00:48:35,270 --> 00:48:33,440

there is some value especially in these

1145

00:48:36,470 --> 00:48:35,280

crystal power cells but again as we

1146

00:48:39,670 --> 00:48:36,480

covered yesterday

1147

00:48:42,069 --> 00:48:39,680

and we will cover i guess tomorrow there

1148

00:48:44,390 --> 00:48:42,079

are people that dispute that he

1149

00:48:45,829 --> 00:48:44,400

invented or discovered crystal power

1150

00:48:48,950 --> 00:48:45,839

cells merely that he

1151

00:48:51,589 --> 00:48:48,960

lifted the idea and experiment with it

1152

00:48:54,150 --> 00:48:51,599

got good results and ran with it

1153

00:48:55,910 --> 00:48:54,160

the other most notable person or

1154

00:48:58,230 --> 00:48:55,920

experimenter

1155

00:48:59,030 --> 00:48:58,240

and uh usually considered much more

1156

00:49:03,670 --> 00:48:59,040

credible

1157

00:49:07,270 --> 00:49:03,680

than mr hutchison is john bedini

1158

00:49:10,230 --> 00:49:07,280

uh and john bedini is

1159

00:49:11,750 --> 00:49:10,240

another one of these free energy uh sort

1160

00:49:13,829 --> 00:49:11,760

of characters but

1161

00:49:14,950 --> 00:49:13,839

a little more serious john bedini is

1162

00:49:17,270 --> 00:49:14,960

much more serious

1163

00:49:19,109 --> 00:49:17,280

and sort of talks and acts and looks

1164

00:49:21,349 --> 00:49:19,119

like a scientist

1165

00:49:22,870 --> 00:49:21,359

and i guess he's generally regarded as

1166

00:49:25,109 --> 00:49:22,880

being more credible

1167

00:49:27,030 --> 00:49:25,119

so there is certainly somewhat of a

1168

00:49:28,150 --> 00:49:27,040

split in sort of this free energy

1169

00:49:30,630 --> 00:49:28,160

subculture

1170

00:49:32,630 --> 00:49:30,640

some people say john hutchinson just

1171

00:49:35,030 --> 00:49:32,640

ripped this idea off of bidini

1172

00:49:36,790 --> 00:49:35,040

and then nah i don't know that bidini's

1173

00:49:38,950 --> 00:49:36,800

ever commented on it but there is a

1174

00:49:42,150 --> 00:49:38,960

great number of videos of bidini

1175

00:49:45,270 --> 00:49:42,160

making these crystal power cells and

1176

00:49:47,190 --> 00:49:45,280

uh things like that as well so there's a

1177

00:49:47,910 --> 00:49:47,200

bit of a split there some people say no

1178

00:49:50,230 --> 00:49:47,920

hutchinson

1179

00:49:52,150 --> 00:49:50,240

invented them first and john bedini

1180

00:49:53,589 --> 00:49:52,160

heard about it from hutcheson

1181

00:49:56,630 --> 00:49:53,599

i don't know if they know each other or

1182

00:49:58,549 --> 00:49:56,640

are friends i'd be interested to

1183

00:50:01,270 --> 00:49:58,559

to know that but seeing as how it's such

1184

00:50:03,750 --> 00:50:01,280

a tiny subculture sort of like the ufo

1185

00:50:06,150 --> 00:50:03,760

subculture everybody probably knows

1186

00:50:08,790 --> 00:50:06,160

everybody

1187

00:50:12,069 --> 00:50:08,800

uh so you know friends that's uh my

1188

00:50:17,990 --> 00:50:12,079

presentation now i'm gonna devote my

1189

00:50:23,109 --> 00:50:20,950

oh there we go i was not aware of that

1190

00:50:24,470 --> 00:50:23,119

scientist who claims to have replicated

1191

00:50:27,589 --> 00:50:24,480

hutchinson effect dr

1192

00:50:29,670 --> 00:50:27,599

stoyan sard a bulgarian born canadian

1193

00:50:30,390 --> 00:50:29,680

holds an engineering diploma and a phd

1194

00:50:32,710 --> 00:50:30,400

in physics

1195

00:50:33,430 --> 00:50:32,720

yeah i'll look that up conspiracy

1196

00:50:35,190 --> 00:50:33,440

absolutely

1197

00:50:36,950 --> 00:50:35,200

i want to i want to see if somebody can

1198

00:50:39,030 --> 00:50:36,960

replicate it

1199

00:50:40,710 --> 00:50:39,040

he worked for 17 years on space projects

1200

00:50:43,270 --> 00:50:40,720

with former soviet union

1201
00:50:45,190 --> 00:50:43,280
and 17 years with canadian space agency

1202
00:50:46,710 --> 00:50:45,200
at canadian universities then he would

1203
00:50:48,230 --> 00:50:46,720
seem to be a credible source then

1204
00:50:49,990 --> 00:50:48,240
conspiracy right

1205
00:50:52,390 --> 00:50:50,000
so i could be an error maybe somebody

1206
00:50:53,510 --> 00:50:52,400
has re if somebody can replicate the

1207
00:50:56,870 --> 00:50:53,520
effect

1208
00:51:00,790 --> 00:50:56,880
as shown in mr hutchinson's video

1209
00:51:04,150 --> 00:51:00,800
i would be surprised and then i would be

1210
00:51:09,190 --> 00:51:04,160
much more willing to believe mr

1211
00:51:10,710 --> 00:51:09,200
mr hutchison's claims

1212
00:51:12,630 --> 00:51:10,720
if it's all true those instances of

1213
00:51:15,349 --> 00:51:12,640

fakery are similar to the enfield

1214

00:51:19,190 --> 00:51:15,359

poltergeist flubs

1215

00:51:20,950 --> 00:51:19,200

yeah i i seem to recall something about

1216

00:51:24,309 --> 00:51:20,960

that prank magic where they

1217

00:51:25,430 --> 00:51:24,319

they uh you know couldn't always get the

1218

00:51:27,030 --> 00:51:25,440

effect so when the

1219

00:51:28,549 --> 00:51:27,040

doing the camera you know when they

1220

00:51:31,589 --> 00:51:28,559

really need it to prove you know

1221

00:51:34,870 --> 00:51:31,599

show something they resorted to trickery

1222

00:51:37,670 --> 00:51:34,880

and uh people have claimed that about

1223

00:51:39,030 --> 00:51:37,680

some psychics that have been caught

1224

00:51:41,670 --> 00:51:39,040

faking stuff like

1225

00:51:43,910 --> 00:51:41,680

rory geller like maybe he did have those

1226
00:51:45,750 --> 00:51:43,920
super powers but they left them or they

1227
00:51:47,750 --> 00:51:45,760
weren't reliable and when

1228
00:51:51,270 --> 00:51:47,760
when he was under pressure to create

1229
00:51:54,230 --> 00:51:51,280
effects he resorted to trickery

1230
00:51:56,549 --> 00:51:54,240
it's still a stretch to me i can see

1231
00:52:02,470 --> 00:51:56,559
lots of second-hand gossip about york

1232
00:52:06,069 --> 00:52:05,030
thanks vanessa thor we'll look into okay

1233
00:52:10,390 --> 00:52:06,079
let's see what do we

1234
00:52:11,430 --> 00:52:10,400
miss okay dennis coach is here and says

1235
00:52:14,390 --> 00:52:11,440
nucleon

1236
00:52:15,270 --> 00:52:14,400
spin and gravity are not causally

1237
00:52:17,030 --> 00:52:15,280
connected

1238
00:52:20,309 --> 00:52:17,040

now i'm not a physicist you could be

1239

00:52:23,510 --> 00:52:21,910

vanessa thor says i'm a big fan of

1240

00:52:26,069 --> 00:52:23,520

science being you know science

1241

00:52:28,549 --> 00:52:26,079

scientific method science yeah

1242

00:52:29,990 --> 00:52:28,559

it's got to be repeatable uh by

1243

00:52:36,549 --> 00:52:30,000

independent sources

1244

00:52:41,910 --> 00:52:39,910

it's got he's got to be able to uh

1245

00:52:44,549 --> 00:52:41,920

he's got to be able to reproduce it in

1246

00:52:47,270 --> 00:52:44,559

order to prove that it's real and true

1247

00:52:48,630 --> 00:52:47,280

and i don't think that's asking too much

1248

00:52:49,990 --> 00:52:48,640

if you're claiming that you can float

1249

00:52:53,430 --> 00:52:50,000

bowling balls in your

1250

00:52:54,790 --> 00:52:53,440

garage with uh you know surplus military

1251

00:52:58,150 --> 00:52:54,800

electronics equipment

1252

00:53:00,309 --> 00:52:58,160

first of all he's never said exactly

1253

00:53:01,430 --> 00:53:00,319

what he uses to produce the effect he's

1254

00:53:03,829 --> 00:53:01,440

always very vague

1255

00:53:05,510 --> 00:53:03,839

you know well i use electrostatic fields

1256

00:53:07,270 --> 00:53:05,520

and uh

1257

00:53:09,109 --> 00:53:07,280

okay electrostatic fields could be

1258

00:53:10,470 --> 00:53:09,119

anything it could be tesla coils it

1259

00:53:13,589 --> 00:53:10,480

could be ion

1260

00:53:15,589 --> 00:53:13,599

guns ion generators could be

1261

00:53:17,750 --> 00:53:15,599

microwaves you know i've heard him

1262

00:53:20,870 --> 00:53:17,760

mention microwaves before too

1263

00:53:21,349 --> 00:53:20,880

like so i just wish that he would nail

1264

00:53:24,630 --> 00:53:21,359

down

1265

00:53:27,910 --> 00:53:24,640

and he could tell you exactly

1266

00:53:29,750 --> 00:53:27,920

how he reproduces the effect so some

1267

00:53:30,069 --> 00:53:29,760

shout outs apparently well the jiggy is

1268

00:53:33,510 --> 00:53:30,079

here

1269

00:53:39,109 --> 00:53:33,520

of mind this year

1270

00:53:43,430 --> 00:53:41,589

uh vanessa thor is here conspiracy is

1271

00:53:44,870 --> 00:53:43,440

here i saw jean-claude from beyond

1272

00:53:46,549 --> 00:53:44,880

mystic earlier

1273

00:53:48,309 --> 00:53:46,559

uh he mentioned on twitter that he's

1274

00:53:52,230 --> 00:53:48,319

always been fascinated by this

1275

00:53:54,790 --> 00:53:52,240

hutchison effect and i have been

1276

00:53:56,630 --> 00:53:54,800

um i have been fascinated by this

1277

00:54:02,390 --> 00:53:56,640

huncheson effect for

1278

00:54:06,230 --> 00:54:04,470

uh yeah jean-claude says i've seen a few

1279

00:54:07,670 --> 00:54:06,240

youtube videos of russians creating a

1280

00:54:11,510 --> 00:54:07,680

death ray type gun

1281

00:54:13,030 --> 00:54:11,520

using parts from microwave oven yeah

1282

00:54:14,790 --> 00:54:13,040

joe claude i once got a lot of trouble

1283

00:54:18,069 --> 00:54:14,800

with my dad because i was

1284

00:54:21,030 --> 00:54:18,079

uh i was picking microwaves

1285

00:54:22,950 --> 00:54:21,040

out of the trash because they have coils

1286

00:54:25,589 --> 00:54:22,960

in them

1287

00:54:27,670 --> 00:54:25,599

and uh he was really concerned that i

1288

00:54:29,670 --> 00:54:27,680

was going to blow myself up or something

1289

00:54:31,190 --> 00:54:29,680

because i you know they have high power

1290

00:54:32,790 --> 00:54:31,200

or or really

1291

00:54:34,549 --> 00:54:32,800

electrocute myself because they've got

1292

00:54:36,150 --> 00:54:34,559

high power capacitors and things like

1293

00:54:37,190 --> 00:54:36,160

that you know enough about electronics

1294

00:54:38,870 --> 00:54:37,200

to know

1295

00:54:40,710 --> 00:54:38,880

that you know a capacitor doesn't

1296

00:54:42,390 --> 00:54:40,720

discharge when you unplug it it takes

1297

00:54:43,270 --> 00:54:42,400

quite a while so you could really hurt

1298

00:54:45,349 --> 00:54:43,280

yourself

1299

00:54:47,109 --> 00:54:45,359

my dad was pissed there's a quick deal

1300

00:54:50,630 --> 00:54:47,119

with these microwaves

1301

00:54:53,750 --> 00:54:51,910

i have a feeling that i'm going to be

1302

00:54:55,430 --> 00:54:53,760

going through similar stuff with my son

1303

00:54:57,510 --> 00:54:55,440

because he's getting very curious about

1304

00:55:01,510 --> 00:54:57,520

how things work and you know

1305

00:55:05,990 --> 00:55:04,630

yeah so any comments or questions for me

1306

00:55:07,589 --> 00:55:06,000

don't have to be specifically about

1307

00:55:10,309 --> 00:55:07,599

tonight's topic just put them in the

1308

00:55:12,150 --> 00:55:10,319

live chat and i see prague magic is here

1309

00:55:13,670 --> 00:55:12,160

prank magic i want you to come on as a

1310

00:55:16,710 --> 00:55:13,680

guest can you do that

1311

00:55:17,109 --> 00:55:16,720

get with me on twitter and we'll plan a

1312

00:55:21,829 --> 00:55:17,119

show

1313

00:55:24,870 --> 00:55:21,839

i think that would be fun

1314

00:55:25,990 --> 00:55:24,880

zero point energy yes like on stardate

1315

00:55:28,390 --> 00:55:26,000

atlantis

1316

00:55:32,829 --> 00:55:28,400

yeah you know all these guys are really

1317

00:55:36,230 --> 00:55:34,309

right so

1318

00:55:38,309 --> 00:55:36,240

i guess the other thing uh that i was

1319

00:55:39,670 --> 00:55:38,319

thinking about the hudson effect today

1320

00:55:40,470 --> 00:55:39,680

but the other thing that i'm thinking

1321

00:55:43,670 --> 00:55:40,480

about is

1322

00:55:47,190 --> 00:55:43,680

is the new lockdowns

1323

00:55:47,990 --> 00:55:47,200

uh i don't know about your state but

1324

00:55:50,630 --> 00:55:48,000

looks like my

1325

00:55:51,270 --> 00:55:50,640

state i'm in pennsylvania is going to be

1326

00:55:55,589 --> 00:55:51,280

doing

1327

00:55:58,230 --> 00:55:55,599

a lockdown until january at least

1328

00:56:00,309 --> 00:55:58,240

and that means a total lockdown bars

1329

00:56:02,390 --> 00:56:00,319

restaurants schools are going to close

1330

00:56:05,510 --> 00:56:02,400

we're going to be back to you can't go

1331

00:56:09,670 --> 00:56:05,520

anywhere but the supermarket and walmart

1332

00:56:12,390 --> 00:56:09,680

uh and that's certainly depressing

1333

00:56:14,069 --> 00:56:12,400

i think that uh i think we've all had

1334

00:56:18,630 --> 00:56:14,079

enough of this [h__h] right

1335

00:56:22,069 --> 00:56:18,640

i don't know uh how anybody you know

1336

00:56:23,910 --> 00:56:22,079

at least other countries like canada and

1337

00:56:25,589 --> 00:56:23,920

europa they have given people checks

1338

00:56:26,710 --> 00:56:25,599

like if they say you can't go to work

1339

00:56:28,470 --> 00:56:26,720

for six weeks

1340

00:56:30,230 --> 00:56:28,480

they're giving them six weeks worth of

1341

00:56:31,990 --> 00:56:30,240

checks or money you know

1342

00:56:33,349 --> 00:56:32,000

united states it's kind of like good

1343

00:56:36,789 --> 00:56:33,359

luck

1344

00:56:44,069 --> 00:56:40,870

but you know the good news is um

1345

00:56:45,750 --> 00:56:44,079

i suppose that might kind of like either

1346

00:56:47,990 --> 00:56:45,760

haven't straight given up on any

1347

00:56:49,109 --> 00:56:48,000

business ideas that i have but i just

1348

00:56:52,630 --> 00:56:49,119

kind of went

1349

00:56:53,589 --> 00:56:52,640

i have to be uh nimble and virtual and

1350

00:56:56,789 --> 00:56:53,599

not

1351
00:56:58,789 --> 00:56:56,799
depend on in person you know

1352
00:56:59,990 --> 00:56:58,799
not depend on my former business model

1353
00:57:05,589 --> 00:57:00,000
which was in person

1354
00:57:09,430 --> 00:57:07,670
oh dennis coach says four thousand

1355
00:57:11,270 --> 00:57:09,440
dollar relief for one month

1356
00:57:13,030 --> 00:57:11,280
i don't know what it is that you're

1357
00:57:13,990 --> 00:57:13,040
talking about who is getting four

1358
00:57:15,589 --> 00:57:14,000
thousand dollars

1359
00:57:18,069 --> 00:57:15,599
here in the us we got twelve hundred

1360
00:57:20,390 --> 00:57:18,079
dollars once

1361
00:57:22,390 --> 00:57:20,400
right they talked about giving us twelve

1362
00:57:24,829 --> 00:57:22,400
hundred dollars a second time but so far

1363
00:57:30,069 --> 00:57:28,230

yeah conspiracy

1364

00:57:33,349 --> 00:57:30,079

for that message from this person who

1365

00:57:36,390 --> 00:57:33,359

claims to have recreated it

1366

00:57:37,750 --> 00:57:36,400

the hutchison effect accidentally well

1367

00:57:39,750 --> 00:57:37,760

that's another thing

1368

00:57:42,069 --> 00:57:39,760

uh conspiracy if he recreated the

1369

00:57:43,829 --> 00:57:42,079

hutchinson effect accidentally

1370

00:57:47,030 --> 00:57:43,839

could he recreate it again and could he

1371

00:57:48,630 --> 00:57:47,040

show us exactly how to do that

1372

00:57:53,670 --> 00:57:48,640

four thousand dollar relief for one

1373

00:57:53,680 --> 00:58:02,230

the relief lasted i believe five months

1374

00:58:05,670 --> 00:58:04,150

oh wow and that's the story i never got

1375

00:58:09,349 --> 00:58:05,680

the first 1200

1376

00:58:12,710 --> 00:58:09,359

well i did and uh

1377

00:58:16,390 --> 00:58:12,720

what i did with it is i built

1378

00:58:17,430 --> 00:58:16,400

that cabin sunroom and i think i'm gonna

1379

00:58:19,349 --> 00:58:17,440

come in

1380

00:58:20,549 --> 00:58:19,359

right under 1200 bucks because mostly

1381

00:58:23,270 --> 00:58:20,559

i'm using trees and

1382

00:58:24,470 --> 00:58:23,280

free windows but i still need cement two

1383

00:58:27,430 --> 00:58:24,480

by fours

1384

00:58:28,069 --> 00:58:27,440

screws nails you know it adds up pretty

1385

00:58:29,829 --> 00:58:28,079

fast

1386

00:58:31,670 --> 00:58:29,839

especially the two by fours the price of

1387

00:58:35,190 --> 00:58:31,680

lumber doubled so

1388

00:58:35,990 --> 00:58:35,200

it's great yeah most western countries

1389

00:58:38,390 --> 00:58:36,000

recovering at least

1390

00:58:39,589 --> 00:58:38,400

85 percent of wages except for the

1391

00:58:42,390 --> 00:58:39,599

united states

1392

00:58:44,069 --> 00:58:42,400

and also bunia if you happen to be the

1393

00:58:45,829 --> 00:58:44,079

sole proprietor of a business in the

1394

00:58:47,829 --> 00:58:45,839

united states you don't get any of the

1395

00:58:51,430 --> 00:58:47,839

unemployment or anything so you're just

1396

00:58:54,309 --> 00:58:51,440

[h__\h] so i uh i'm just [h__\h]

1397

00:58:56,069 --> 00:58:54,319

that's basically that's the gist of what

1398

00:59:00,549 --> 00:58:56,079

i'm learning from my government

1399

00:59:03,030 --> 00:59:00,559

i'm just [h__\h] um but you know

1400

00:59:05,430 --> 00:59:03,040

i am for one trying to uh have an

1401

00:59:07,270 --> 00:59:05,440

attitude of gratitude i'm very lucky

1402

00:59:08,789 --> 00:59:07,280

you know i have great wife great two

1403

00:59:11,750 --> 00:59:08,799

beautiful children

1404

00:59:13,510 --> 00:59:11,760

and i'm kind of i'm kind of a nerdy

1405

00:59:14,309 --> 00:59:13,520

introvert anyway i don't want to go

1406

00:59:16,870 --> 00:59:14,319

anywhere

1407

00:59:18,950 --> 00:59:16,880

so i'm trying to remind myself to just

1408

00:59:20,230 --> 00:59:18,960

get back into old

1409

00:59:22,069 --> 00:59:20,240

hobbies you know i'm going to be

1410

00:59:23,990 --> 00:59:22,079

building these crystal power cells in my

1411

00:59:24,950 --> 00:59:24,000

garage i'm trying to build a little shop

1412

00:59:28,390 --> 00:59:24,960

in there

1413

00:59:31,990 --> 00:59:31,109

i can do another i can do this you know

1414

00:59:33,910 --> 00:59:32,000

i can go nowhere

1415

00:59:35,589 --> 00:59:33,920

till january i'm i guess i'm okay with

1416

00:59:37,190 --> 00:59:35,599

that it's just kind of depressing that's

1417

00:59:39,349 --> 00:59:37,200

why i thought we were

1418

00:59:41,030 --> 00:59:39,359

rounding the curve right is that what

1419

00:59:42,309 --> 00:59:41,040

they call flattening the curve i thought

1420

00:59:43,990 --> 00:59:42,319

we've already

1421

00:59:45,670 --> 00:59:44,000

flattened the curve and we were rounding

1422

00:59:51,270 --> 00:59:45,680

the corner that's the statement

1423

00:59:56,470 --> 00:59:54,630

yes steve b nimble steve be quick

1424

00:59:57,990 --> 00:59:56,480

steve needs some money send me some

1425

01:00:00,490 --> 00:59:58,000

paypal

1426

01:00:03,270 --> 01:00:00,500

you pricks

1427

01:00:05,670 --> 01:00:03,280

[Music]

1428

01:00:06,870 --> 01:00:05,680

yeah so uh i don't know if everybody can

1429

01:00:09,190 --> 01:00:06,880

mention in the live chat

1430

01:00:13,990 --> 01:00:09,200

oh yeah the jonas side says new lockdown

1431

01:00:17,030 --> 01:00:14,000

washington until december 14th so far

1432

01:00:19,430 --> 01:00:17,040

yeah uh but uh

1433

01:00:21,270 --> 01:00:19,440

mr fauci has said that things will not

1434

01:00:24,510 --> 01:00:21,280

be returning to normal until

1435

01:00:28,390 --> 01:00:24,520

probably the third quarter of

1436

01:00:31,589 --> 01:00:28,400

2021 right so we may not

1437

01:00:34,309 --> 01:00:31,599

be able to get back to our pre-covered

1438

01:00:35,589 --> 01:00:34,319

existences until labor day or something

1439

01:00:38,950 --> 01:00:35,599

like that

1440

01:00:39,349 --> 01:00:38,960

and i you know the other thing that

1441

01:00:41,670 --> 01:00:39,359

really

1442

01:00:43,670 --> 01:00:41,680

is kind of scary is that suddenly the

1443

01:00:45,030 --> 01:00:43,680

government has the right to tell me who

1444

01:00:47,829 --> 01:00:45,040

i can have

1445

01:00:48,630 --> 01:00:47,839

at my thanksgiving dinner table or who i

1446

01:00:51,750 --> 01:00:48,640

can have

1447

01:00:54,069 --> 01:00:51,760

at my christmas dinner you know

1448

01:00:56,230 --> 01:00:54,079

and that's just strange to me it's like

1449

01:00:57,670 --> 01:00:56,240

you woke up in the [h__h] twilight zone

1450

01:00:58,789 --> 01:00:57,680

here and some way the government's going

1451
01:01:00,549 --> 01:00:58,799
to tell you

1452
01:01:01,829 --> 01:01:00,559
when you can have thanksgiving if you

1453
01:01:03,910 --> 01:01:01,839
can have thanksgiving

1454
01:01:05,990 --> 01:01:03,920
right you're just like christmas is

1455
01:01:08,150 --> 01:01:06,000
cancelled ba humbug

1456
01:01:10,710 --> 01:01:08,160
you know and uh this whole year

1457
01:01:12,950 --> 01:01:10,720
especially if you have children

1458
01:01:15,270 --> 01:01:12,960
right like i i know some of you have

1459
01:01:19,109 --> 01:01:15,280
children i know vanessa thor does

1460
01:01:21,109 --> 01:01:19,119
and look you've got to

1461
01:01:22,710 --> 01:01:21,119
still make a life for your children

1462
01:01:25,990 --> 01:01:22,720
during all of this

1463
01:01:29,430 --> 01:01:26,000

so you know like halloween was

1464

01:01:31,589 --> 01:01:29,440

weird because basically we still trick

1465

01:01:35,270 --> 01:01:31,599

or treat it but it was just strange

1466

01:01:37,990 --> 01:01:35,280

because basically people sat

1467

01:01:40,150 --> 01:01:38,000

10 feet away and they put like a basket

1468

01:01:43,510 --> 01:01:40,160

of candy out for the kids

1469

01:01:45,109 --> 01:01:43,520

and it just felt it just felt wrong it

1470

01:01:46,950 --> 01:01:45,119

felt weird you know and i'm trying to

1471

01:01:48,710 --> 01:01:46,960

tell my kids to say thank you

1472

01:01:50,549 --> 01:01:48,720

but they can't they can barely see the

1473

01:01:52,630 --> 01:01:50,559

people that they're there's thanking

1474

01:01:54,950 --> 01:01:52,640

because they're so far away

1475

01:01:56,549 --> 01:01:54,960

it was bizarre it was just bizarre but i

1476

01:01:58,390 --> 01:01:56,559

was still thankful that they could do

1477

01:01:59,670 --> 01:01:58,400

that and then we had like a halloween

1478

01:02:03,349 --> 01:01:59,680

party at our house

1479

01:02:05,270 --> 01:02:03,359

and you know halloween monster mash

1480

01:02:06,870 --> 01:02:05,280

music and all that kind of stuff because

1481

01:02:08,870 --> 01:02:06,880

you still have to make some kind of a

1482

01:02:11,589 --> 01:02:08,880

life for your children during all this

1483

01:02:13,270 --> 01:02:11,599

mess i don't want them to you know

1484

01:02:15,750 --> 01:02:13,280

luckily

1485

01:02:18,069 --> 01:02:15,760

i i think that my older son could care

1486

01:02:21,190 --> 01:02:18,079

less like he's happy as long as he's got

1487

01:02:22,950 --> 01:02:21,200

snacks and you know he doesn't care uh

1488

01:02:25,270 --> 01:02:22,960

about going to school not going to

1489

01:02:25,910 --> 01:02:25,280

school i don't think he cares but i

1490

01:02:28,069 --> 01:02:25,920

think he does

1491

01:02:29,190 --> 01:02:28,079

better in life in general when he goes

1492

01:02:29,990 --> 01:02:29,200

to school because they have all these

1493

01:02:32,069 --> 01:02:30,000

activities

1494

01:02:34,230 --> 01:02:32,079

and things for him and most of you know

1495

01:02:35,430 --> 01:02:34,240

he's autistic so he needs that sensory

1496

01:02:38,549 --> 01:02:35,440

room they have there

1497

01:02:39,270 --> 01:02:38,559

and therapy that he gets at school he's

1498

01:02:41,510 --> 01:02:39,280

just

1499

01:02:43,270 --> 01:02:41,520

better off going to physical school but

1500

01:02:46,789 --> 01:02:43,280

now they're shutting down the schools

1501

01:02:49,990 --> 01:02:46,799

so he'll be home 24 7 again

1502

01:02:52,309 --> 01:02:50,000

but i don't i i my

1503

01:02:54,069 --> 01:02:52,319

younger son is four and i don't want him

1504

01:02:57,510 --> 01:02:54,079

to even remember this

1505

01:02:59,829 --> 01:02:57,520

you know it made me upset uh

1506

01:03:01,270 --> 01:02:59,839

one day he said daddy maybe when the

1507

01:03:03,270 --> 01:03:01,280

germs go away

1508

01:03:04,870 --> 01:03:03,280

we can go back to the playground he

1509

01:03:05,270 --> 01:03:04,880

hasn't been to a playground in like a

1510

01:03:07,109 --> 01:03:05,280

year

1511

01:03:08,950 --> 01:03:07,119

you know since this started because my

1512

01:03:10,630 --> 01:03:08,960

wife is like no somebody with kovic

1513

01:03:14,069 --> 01:03:10,640

could sit on the swing or

1514

01:03:16,150 --> 01:03:14,079

you know sneeze on it or so

1515

01:03:17,829 --> 01:03:16,160

we he hasn't been to a playground

1516

01:03:18,870 --> 01:03:17,839

luckily i built a playground for them at

1517

01:03:20,549 --> 01:03:18,880

the cabin but

1518

01:03:21,910 --> 01:03:20,559

you know it's all of these different

1519

01:03:24,390 --> 01:03:21,920

things that are just

1520

01:03:28,710 --> 01:03:24,400

bizarro right now they're just it's just

1521

01:03:32,630 --> 01:03:30,390

oh okay dennis i didn't know you were in

1522

01:03:33,029 --> 01:03:32,640

canada yeah canada took care of you guys

1523

01:03:35,109 --> 01:03:33,039

right

1524

01:03:36,549 --> 01:03:35,119

true gave people four thousand dollars a

1525

01:03:39,029 --> 01:03:36,559

month to get through the lockdown sorry

1526

01:03:41,029 --> 01:03:39,039

it was 2 000. there are two people here

1527

01:03:42,470 --> 01:03:41,039

all right so you got so you and your

1528

01:03:44,630 --> 01:03:42,480

wife right each got

1529

01:03:47,109 --> 01:03:44,640

you each got two thousand that's fair

1530

01:03:48,390 --> 01:03:47,119

you can you can survive until you can go

1531

01:03:50,950 --> 01:03:48,400

back to work on that

1532

01:03:52,390 --> 01:03:50,960

but the united states here's twelve

1533

01:03:54,789 --> 01:03:52,400

hundred dollars

1534

01:03:56,950 --> 01:03:54,799

we're gonna have you locked down i think

1535

01:03:59,190 --> 01:03:56,960

i don't know how long the lockdown was

1536

01:04:01,029 --> 01:03:59,200

it was like six months though really

1537

01:04:03,670 --> 01:04:01,039

until they started opening up

1538

01:04:06,230 --> 01:04:03,680

some things like restaurants at 25

1539

01:04:08,710 --> 01:04:06,240

capacity and things like that

1540

01:04:09,670 --> 01:04:08,720

all that we had open was home depot

1541

01:04:12,710 --> 01:04:09,680

lowe's

1542

01:04:17,190 --> 01:04:12,720

supermarkets and the beer store

1543

01:04:27,990 --> 01:04:26,390

which again was bizarre

1544

01:04:29,990 --> 01:04:28,000

so canadians get relief and those who

1545

01:04:31,510 --> 01:04:30,000

are still unemployed and still need

1546

01:04:32,789 --> 01:04:31,520

relief will enhance their unemployment

1547

01:04:35,750 --> 01:04:32,799

insurance yeah

1548

01:04:37,589 --> 01:04:35,760

good for them consolidate the middle

1549

01:04:38,230 --> 01:04:37,599

class to a steaming pile of [h__h] thanks

1550

01:04:40,470 --> 01:04:38,240

government

1551
01:04:42,549 --> 01:04:40,480
yeah and that's who trouble minds that

1552
01:04:43,109 --> 01:04:42,559
is who this is affecting most the middle

1553
01:04:44,950 --> 01:04:43,119
class

1554
01:04:46,309 --> 01:04:44,960
the super rich don't care they've got

1555
01:04:49,349 --> 01:04:46,319
everything they've got

1556
01:04:50,950 --> 01:04:49,359
you know they don't care

1557
01:04:52,470 --> 01:04:50,960
and they also think that they're not

1558
01:04:56,150 --> 01:04:52,480
included you know we have

1559
01:05:00,150 --> 01:04:56,160
various examples of you know like uh

1560
01:05:00,950 --> 01:05:00,160
you know rich people just doing what

1561
01:05:04,390 --> 01:05:00,960
they want

1562
01:05:07,109 --> 01:05:04,400
you know like the governor of michigan's

1563
01:05:08,870 --> 01:05:07,119

husband was caught voting you know like

1564

01:05:11,270 --> 01:05:08,880

he's out on his yacht

1565

01:05:12,870 --> 01:05:11,280

when he's supposed to be in lockdown and

1566

01:05:15,670 --> 01:05:12,880

nancy pelosi

1567

01:05:17,589 --> 01:05:15,680

going to get a haircut when nobody else

1568

01:05:19,829 --> 01:05:17,599

is allowed to and things like that

1569

01:05:21,910 --> 01:05:19,839

i guess if you got money you can you

1570

01:05:23,029 --> 01:05:21,920

know the lock down doesn't really matter

1571

01:05:25,109 --> 01:05:23,039

to you

1572

01:05:26,950 --> 01:05:25,119

and the poor stay poor through this

1573

01:05:27,750 --> 01:05:26,960

whole thing right that's not going to

1574

01:05:29,510 --> 01:05:27,760

change so

1575

01:05:32,069 --> 01:05:29,520

it's basically the middle class that's

1576

01:05:33,910 --> 01:05:32,079

most effective they're destroying

1577

01:05:36,950 --> 01:05:33,920

mom and pop businesses right now

1578

01:05:38,309 --> 01:05:36,960

destroying them with these lockdowns

1579

01:05:40,470 --> 01:05:38,319

i don't know how they expect people to

1580

01:05:44,150 --> 01:05:40,480

survive you know

1581

01:05:46,549 --> 01:05:44,160

and i don't even like to i try not to

1582

01:05:49,109 --> 01:05:46,559

i don't even want to really it's this is

1583

01:05:54,710 --> 01:05:52,870

i uh occasionally a business owner

1584

01:05:56,309 --> 01:05:54,720

that i know will talk to me about the

1585

01:05:57,190 --> 01:05:56,319

troubles that they're facing and it just

1586

01:05:58,870 --> 01:05:57,200

depresses me

1587

01:06:00,309 --> 01:05:58,880

because i feel terrible for these people

1588

01:06:01,589 --> 01:06:00,319

such empathy for them

1589

01:06:03,190 --> 01:06:01,599

they built this whole business their

1590

01:06:04,870 --> 01:06:03,200

whole life it was their dream to build

1591

01:06:08,390 --> 01:06:04,880

this business business was doing

1592

01:06:10,630 --> 01:06:08,400

good before covet covet comes

1593

01:06:13,270 --> 01:06:10,640

you're done you know i know somebody

1594

01:06:15,190 --> 01:06:13,280

with a uh

1595

01:06:16,390 --> 01:06:15,200

you know if certainly restaurants are

1596

01:06:18,549 --> 01:06:16,400

affected you know they

1597

01:06:19,510 --> 01:06:18,559

and they have to again i guess be nimble

1598

01:06:20,950 --> 01:06:19,520

you got to go to take

1599

01:06:22,789 --> 01:06:20,960

out so that you could still make a

1600

01:06:25,430 --> 01:06:22,799

living and feed your family

1601
01:06:27,750 --> 01:06:25,440
but what really bothers me is things

1602
01:06:33,990 --> 01:06:31,270
the government saying that you can go to

1603
01:06:34,390 --> 01:06:34,000
walmart and buy groceries but you can't

1604
01:06:37,430 --> 01:06:34,400
go

1605
01:06:38,549 --> 01:06:37,440
to your local deli right the local deli

1606
01:06:41,910 --> 01:06:38,559
had to shut down

1607
01:06:44,309 --> 01:06:41,920
which isn't fair or you can go to

1608
01:06:45,589 --> 01:06:44,319
home depot but you can't go to a

1609
01:06:48,390 --> 01:06:45,599
mom-and-pop shop

1610
01:06:49,029 --> 01:06:48,400
owned hardware store you know it's just

1611
01:06:52,069 --> 01:06:49,039
bizarre

1612
01:06:54,230 --> 01:06:52,079
like okay so there's no coven in walmart

1613
01:06:55,029 --> 01:06:54,240

and home depot but there's covid in my

1614

01:06:57,589 --> 01:06:55,039

local

1615

01:06:58,230 --> 01:06:57,599

mom-and-pop shop owned hardware store

1616

01:07:04,150 --> 01:06:58,240

makes

1617

01:07:05,990 --> 01:07:04,160

and the other thing is i don't want to

1618

01:07:08,150 --> 01:07:06,000

get into a debate about masks or no

1619

01:07:08,710 --> 01:07:08,160

masks my thing is just where it can't

1620

01:07:10,230 --> 01:07:08,720

hurt

1621

01:07:13,109 --> 01:07:10,240

but one of the things that's confusing

1622

01:07:14,950 --> 01:07:13,119

to me is you know

1623

01:07:16,470 --> 01:07:14,960

everybody's wearing masks now and the

1624

01:07:19,270 --> 01:07:16,480

numbers keep going up

1625

01:07:21,190 --> 01:07:19,280

not down which doesn't make any sense to

1626

01:07:23,750 --> 01:07:21,200

me

1627

01:07:25,589 --> 01:07:23,760

okay so dennis coach says yeah parts of

1628

01:07:28,150 --> 01:07:25,599

canada may go back to lock

1629

01:07:30,470 --> 01:07:28,160

back into lockdown yeah this is

1630

01:07:34,470 --> 01:07:30,480

depressing

1631

01:07:40,829 --> 01:07:36,870

yeah trouble minds you can go to a

1632

01:07:42,630 --> 01:07:40,839

protest but you can't go to church

1633

01:07:44,789 --> 01:07:42,640

exactly

1634

01:07:46,390 --> 01:07:44,799

and wasn't there one there was a

1635

01:07:49,829 --> 01:07:46,400

minister

1636

01:07:51,510 --> 01:07:49,839

who held services outside of his church

1637

01:07:53,430 --> 01:07:51,520

and they called it a big they said this

1638

01:07:55,910 --> 01:07:53,440

is a protest

1639

01:07:57,430 --> 01:07:55,920

i try to get around it right and i don't

1640

01:07:58,950 --> 01:07:57,440

blame that guy

1641

01:08:00,710 --> 01:07:58,960

yeah i'm not even religious and that

1642

01:08:04,069 --> 01:08:00,720

pisses me off

1643

01:08:05,750 --> 01:08:04,079

i uh used to go to a uh a place for

1644

01:08:08,150 --> 01:08:05,760

meditation and i haven't

1645

01:08:09,430 --> 01:08:08,160

since this started i haven't been to any

1646

01:08:12,390 --> 01:08:09,440

church service or any

1647

01:08:13,349 --> 01:08:12,400

spiritual you know and you would think

1648

01:08:15,990 --> 01:08:13,359

during this

1649

01:08:18,070 --> 01:08:16,000

time troubled minds people need some

1650

01:08:19,030 --> 01:08:18,080

sort of spirituality to help them deal

1651

01:08:22,070 --> 01:08:19,040

with depression

1652

01:08:24,870 --> 01:08:22,080

and and the uh and the isolation

1653

01:08:27,590 --> 01:08:24,880

that all this is causing and the mental

1654

01:08:30,229 --> 01:08:27,600

problems that all of this could cause

1655

01:08:31,030 --> 01:08:30,239

i'm really concerned that this second

1656

01:08:33,749 --> 01:08:31,040

lockdown is

1657

01:08:34,470 --> 01:08:33,759

really going to just put the nail in the

1658

01:08:36,229 --> 01:08:34,480

coffin of

1659

01:08:39,749 --> 01:08:36,239

many of these businesses that are barely

1660

01:08:41,430 --> 01:08:39,759

barely holding on and that's a sad thing

1661

01:08:43,189 --> 01:08:41,440

you know like i said these people built

1662

01:08:44,789 --> 01:08:43,199

this business it was their dream you

1663

01:08:45,990 --> 01:08:44,799

know they work so hard to build a

1664

01:08:47,510 --> 01:08:46,000

business and then the government just

1665

01:08:49,990 --> 01:08:47,520

comes in and says no

1666

01:08:56,149 --> 01:08:50,000

you gotta shut down for six months good

1667

01:09:02,430 --> 01:08:59,749

oh yeah i said conspiracy all the time

1668

01:09:03,669 --> 01:09:02,440

boy i've read that really wrong

1669

01:09:07,030 --> 01:09:03,679

conspiracy

1670

01:09:08,309 --> 01:09:07,040

okay i get it now i apologize i'm glad

1671

01:09:09,990 --> 01:09:08,319

you pointed that out or i would have

1672

01:09:17,990 --> 01:09:10,000

been saying your name wrong forever

1673

01:09:23,749 --> 01:09:20,789

i like uh the wrath of khan that's one

1674

01:09:29,829 --> 01:09:23,759

of my favorite movies right

1675

01:09:33,110 --> 01:09:32,149

on a serious note the suicide rate is up

1676
01:09:36,550 --> 01:09:33,120
yes and so

1677
01:09:37,030 --> 01:09:36,560
is levels of alcoholism levels of drug

1678
01:09:41,349 --> 01:09:37,040
use

1679
01:09:43,990 --> 01:09:41,359
things are up

1680
01:09:44,870 --> 01:09:44,000
right now so it really is a case of the

1681
01:09:49,189 --> 01:09:44,880
cure

1682
01:09:51,030 --> 01:09:49,199
might be worse than the the disease

1683
01:09:52,630 --> 01:09:51,040
wait what is it the cure is worse than

1684
01:09:56,709 --> 01:09:52,640
the disease you know

1685
01:09:57,990 --> 01:09:56,719
like and

1686
01:10:00,149 --> 01:09:58,000
one of the things that's very

1687
01:10:01,590 --> 01:10:00,159
conspicuous just

1688
01:10:02,790 --> 01:10:01,600

none of this makes any sense to me

1689

01:10:03,990 --> 01:10:02,800

here's something that doesn't make any

1690

01:10:06,790 --> 01:10:04,000

sense to me we've got

1691

01:10:07,750 --> 01:10:06,800

all these therapeutics now right and i

1692

01:10:10,070 --> 01:10:07,760

believe that

1693

01:10:11,669 --> 01:10:10,080

the death rate is going way way down

1694

01:10:14,229 --> 01:10:11,679

because now we've got these antibody

1695

01:10:17,350 --> 01:10:14,239

treatments we've got

1696

01:10:20,630 --> 01:10:17,360

you know hydrochloric queen and and

1697

01:10:23,830 --> 01:10:20,640

respirator or from deservier

1698

01:10:25,990 --> 01:10:23,840

um and i know uh

1699

01:10:27,510 --> 01:10:26,000

a few people that got co-bit and they

1700

01:10:31,030 --> 01:10:27,520

got rim deserve here and they felt

1701
01:10:32,870 --> 01:10:31,040
fine in two days so

1702
01:10:34,470 --> 01:10:32,880
i think this overreaching an

1703
01:10:38,229 --> 01:10:34,480
overreaction

1704
01:10:39,910 --> 01:10:38,239
again part of me goes

1705
01:10:41,510 --> 01:10:39,920
it's better be safe than sorry i'm not

1706
01:10:43,430 --> 01:10:41,520
going anywhere i don't want to be around

1707
01:10:46,870 --> 01:10:43,440
anybody

1708
01:10:47,510 --> 01:10:46,880
because i figure the the more i can

1709
01:10:50,630 --> 01:10:47,520
reduce

1710
01:10:54,070 --> 01:10:50,640
my exposure to other people the safer

1711
01:10:56,790 --> 01:10:54,080
that my family will be my son has asthma

1712
01:10:57,189 --> 01:10:56,800
he's high risk you know i have previous

1713
01:10:59,030 --> 01:10:57,199

health

1714

01:11:00,950 --> 01:10:59,040

conditions i could be considered high

1715

01:11:04,149 --> 01:11:00,960

risk um

1716

01:11:05,590 --> 01:11:04,159

and it's a crapshoot right like some

1717

01:11:07,350 --> 01:11:05,600

people get this thing

1718

01:11:09,590 --> 01:11:07,360

and it's like a mild cold and they're

1719

01:11:11,189 --> 01:11:09,600

over in a few days or a week and they

1720

01:11:12,229 --> 01:11:11,199

feel fine after that and then some

1721

01:11:14,149 --> 01:11:12,239

people get it

1722

01:11:15,430 --> 01:11:14,159

i have one old friend that got it and

1723

01:11:17,990 --> 01:11:15,440

he's still

1724

01:11:18,630 --> 01:11:18,000

having trouble breathing and it did lung

1725

01:11:21,990 --> 01:11:18,640

damage

1726

01:11:24,149 --> 01:11:22,000

doctors think and

1727

01:11:26,550 --> 01:11:24,159

he's gonna have long long term health

1728

01:11:29,669 --> 01:11:26,560

effects and he was sick for like a month

1729

01:11:31,350 --> 01:11:29,679

with it originally and this um

1730

01:11:33,430 --> 01:11:31,360

health effects have lingered on so it's

1731

01:11:35,030 --> 01:11:33,440

really like a crapshoot

1732

01:11:36,950 --> 01:11:35,040

i don't want to be one of those people

1733

01:11:37,910 --> 01:11:36,960

that gets it and is really really sick

1734

01:11:41,189 --> 01:11:37,920

or god forbid

1735

01:11:43,110 --> 01:11:41,199

deathly ill or die over it so

1736

01:11:45,270 --> 01:11:43,120

for me i'm airing on the side of caution

1737

01:11:53,189 --> 01:11:45,280

reducing my exposure to

1738

01:11:56,470 --> 01:11:54,870

it is criminally insane to have a health

1739

01:11:57,189 --> 01:11:56,480

system run by insurance and pharma

1740

01:11:58,870 --> 01:11:57,199

companies

1741

01:12:00,550 --> 01:11:58,880

that i will agree with you i don't think

1742

01:12:01,270 --> 01:12:00,560

insurance companies should have anything

1743

01:12:04,229 --> 01:12:01,280

to say

1744

01:12:05,669 --> 01:12:04,239

about what you need if the doctor says

1745

01:12:07,510 --> 01:12:05,679

you need a certain surgery

1746

01:12:09,270 --> 01:12:07,520

you get the surgery they shouldn't be

1747

01:12:10,870 --> 01:12:09,280

allowed to like negotiate

1748

01:12:12,550 --> 01:12:10,880

things like well you know that's an

1749

01:12:15,830 --> 01:12:12,560

expensive surgery

1750

01:12:18,310 --> 01:12:15,840

uh you know or i remember because of the

1751

01:12:20,630 --> 01:12:18,320

brain aneurysm i needed a lot of mris

1752

01:12:22,229 --> 01:12:20,640

and mris are expensive as hell so the

1753

01:12:22,870 --> 01:12:22,239

insurance company was arguing with the

1754

01:12:24,790 --> 01:12:22,880

doctors

1755

01:12:26,709 --> 01:12:24,800

and the doctor had to push them like he

1756

01:12:29,110 --> 01:12:26,719

needs the mri

1757

01:12:29,910 --> 01:12:29,120

he's got to get an mri every this this

1758

01:12:31,430 --> 01:12:29,920

many months

1759

01:12:33,270 --> 01:12:31,440

so that we can check and make sure that

1760

01:12:35,030 --> 01:12:33,280

everything is okay and

1761

01:12:36,390 --> 01:12:35,040

yeah and that pissed me off like you pay

1762

01:12:37,510 --> 01:12:36,400

for this health insurance then you have

1763

01:12:39,669 --> 01:12:37,520

a health problem and they don't want to

1764

01:12:41,350 --> 01:12:39,679

provide the services or pay for them

1765

01:12:43,270 --> 01:12:41,360

they're already taking that check every

1766

01:12:45,750 --> 01:12:43,280

month though right

1767

01:12:48,709 --> 01:12:45,760

i was starting my own costume business

1768

01:12:51,189 --> 01:12:48,719

back in 2017 broke my ankle in 2018

1769

01:12:53,669 --> 01:12:51,199

in 2019 two surgeries and this year i

1770

01:12:56,709 --> 01:12:53,679

was supposed to kick ass

1771

01:12:57,830 --> 01:12:56,719

yeah i know how you feel right yeah i

1772

01:13:00,709 --> 01:12:57,840

was feeling so

1773

01:13:02,390 --> 01:13:00,719

good in february before this [h__h] hit i

1774

01:13:04,470 --> 01:13:02,400

was feeling really good and

1775

01:13:06,070 --> 01:13:04,480

positive about my financial outlook for

1776

01:13:09,189 --> 01:13:06,080

the this year

1777

01:13:15,030 --> 01:13:12,550

probably my worst year of uh

1778

01:13:15,750 --> 01:13:15,040

make for financial you know like the

1779

01:13:19,590 --> 01:13:15,760

worst

1780

01:13:21,430 --> 01:13:19,600

income that i've had i can't even tell

1781

01:13:22,390 --> 01:13:21,440

you in how long like i probably made

1782

01:13:25,189 --> 01:13:22,400

more money

1783

01:13:25,750 --> 01:13:25,199

when i was 16 working some [h__h] retail

1784

01:13:28,229 --> 01:13:25,760

job

1785

01:13:29,510 --> 01:13:28,239

than i did this year and that's terrible

1786

01:13:34,070 --> 01:13:29,520

to admit but

1787

01:13:37,510 --> 01:13:36,390

yes something to do with type o blood

1788

01:13:40,470 --> 01:13:37,520

being more robust

1789

01:13:42,229 --> 01:13:40,480

versus covet trouble minds i'm not sure

1790

01:13:44,550 --> 01:13:42,239

which one of the blood types is it

1791

01:13:46,390 --> 01:13:44,560

that people have the hardest time with

1792

01:13:47,590 --> 01:13:46,400

covid because that's the one that i've

1793

01:13:49,510 --> 01:13:47,600

got the one that

1794

01:13:51,189 --> 01:13:49,520

they said people with that blood type

1795

01:13:53,590 --> 01:13:51,199

have the worst time with covid

1796

01:13:55,350 --> 01:13:53,600

that's another reason why i'm like very

1797

01:13:57,910 --> 01:13:55,360

being overly cautious and i'm trying not

1798

01:14:01,030 --> 01:13:57,920

to become a germaphobe but i kind of am

1799

01:14:03,110 --> 01:14:01,040

you know like i got hand sanitizer

1800

01:14:05,189 --> 01:14:03,120

anytime i get out of my car and touch

1801

01:14:08,550 --> 01:14:05,199

anything like a mac machine or

1802

01:14:11,669 --> 01:14:08,560

atm buttons or you know

1803

01:14:14,790 --> 01:14:11,679

a gas pump whatever if i touch anything

1804

01:14:16,709 --> 01:14:14,800

i am spraying down my hands with this

1805

01:14:18,310 --> 01:14:16,719

hand sanitizer and all that kind of

1806

01:14:19,990 --> 01:14:18,320

stuff and i've

1807

01:14:22,470 --> 01:14:20,000

definitely washed my hands more than i

1808

01:14:26,229 --> 01:14:22,480

ever had in my life

1809

01:14:28,390 --> 01:14:26,239

but i will say this i have not even had

1810

01:14:31,430 --> 01:14:28,400

the sniffles really

1811

01:14:34,709 --> 01:14:31,440

oh no i that's not accurate i guess

1812

01:14:36,550 --> 01:14:34,719

i had a sore throat for like a day and a

1813

01:14:38,149 --> 01:14:36,560

half and i got really nervous with that

1814

01:14:40,870 --> 01:14:38,159

sore throat thinking that it was

1815

01:14:42,470 --> 01:14:40,880

the onset of covet but other than a sore

1816

01:14:45,990 --> 01:14:42,480

throat for a day and a half

1817

01:14:49,350 --> 01:14:46,000

and since march nothing no sniffles

1818

01:14:50,790 --> 01:14:49,360

nothing no and when you have kids

1819

01:14:52,070 --> 01:14:50,800

i guess it's because they haven't been

1820

01:14:53,830 --> 01:14:52,080

going to school because you know kids

1821

01:14:54,870 --> 01:14:53,840

are just like germ factories and i used

1822

01:14:56,709 --> 01:14:54,880

to get sick

1823

01:14:58,070 --> 01:14:56,719

once a month it felt like with these

1824

01:15:00,070 --> 01:14:58,080

kids they were always

1825

01:15:02,149 --> 01:15:00,080

bringing stuff bringing the bugs home

1826

01:15:05,430 --> 01:15:02,159

stomach viruses flu

1827

01:15:06,790 --> 01:15:05,440

colds constantly had cold all last year

1828

01:15:09,510 --> 01:15:06,800

i had cold so

1829

01:15:10,870 --> 01:15:09,520

honestly uh i guess like i was saying

1830

01:15:11,270 --> 01:15:10,880

you got to look on the bright side of

1831

01:15:13,750 --> 01:15:11,280

things

1832

01:15:15,430 --> 01:15:13,760

this is the healthiest that i've been in

1833

01:15:18,550 --> 01:15:15,440

a year probably

1834

01:15:20,550 --> 01:15:18,560

um of course i'm probably

1835

01:15:22,070 --> 01:15:20,560

i mean this is the least sick that i've

1836

01:15:23,430 --> 01:15:22,080

been i'll say that not the healthiest

1837

01:15:23,990 --> 01:15:23,440

that i've been because i'm sure that i'm

1838

01:15:27,189 --> 01:15:24,000

drinking too

1839

01:15:29,030 --> 01:15:27,199

much and uh smoking too much

1840

01:15:31,669 --> 01:15:29,040

and uh yeah i'm trying to switch to

1841

01:15:34,470 --> 01:15:31,679

these vapes it's not working

1842

01:15:37,270 --> 01:15:34,480

it's not taking but i keep on going you

1843

01:15:38,870 --> 01:15:37,280

know trying that

1844

01:15:40,630 --> 01:15:38,880

same thing happened to me mris

1845

01:15:42,390 --> 01:15:40,640

monitoring my bone tumor for cancer

1846

01:15:44,149 --> 01:15:42,400

insurance literally rejected every

1847

01:15:45,750 --> 01:15:44,159

procedure bs yeah they shouldn't have

1848

01:15:47,350 --> 01:15:45,760

any if the doctor says you need

1849

01:15:48,229 --> 01:15:47,360

something you should just be able to get

1850

01:15:50,149 --> 01:15:48,239

it they should have

1851

01:15:51,669 --> 01:15:50,159

nothing to say about it just pay the

1852

01:15:55,990 --> 01:15:51,679

[h__\h] bill that's what

1853

01:15:59,110 --> 01:15:56,000

insurance is for it's just like uh

1854

01:16:02,310 --> 01:15:59,120

it's just like auto insurance i remember

1855

01:16:03,270 --> 01:16:02,320

my mother's car got totaled uh somebody

1856

01:16:05,830 --> 01:16:03,280

hit her

1857

01:16:07,350 --> 01:16:05,840

and totaled the car like it was pretty

1858

01:16:08,390 --> 01:16:07,360

obvious that the car could not be

1859

01:16:10,470 --> 01:16:08,400

repaired

1860

01:16:12,390 --> 01:16:10,480

they just came out and decided that like

1861

01:16:14,229 --> 01:16:12,400

the car was only worth 800

1862

01:16:16,229 --> 01:16:14,239

or something because it had high mileage

1863

01:16:19,030 --> 01:16:16,239

now and i was like that's crazy

1864

01:16:21,350 --> 01:16:19,040

like the blue book is like at least 2

1865

01:16:22,630 --> 01:16:21,360

500 you can't just give us 800

1866

01:16:24,390 --> 01:16:22,640

and they were like no that's what we're

1867

01:16:25,910 --> 01:16:24,400

giving you take it or leave it

1868

01:16:27,669 --> 01:16:25,920

and you don't have any say in this and

1869

01:16:29,910 --> 01:16:27,679

there's no recourse there i thought

1870

01:16:32,270 --> 01:16:29,920

jesus that's [h__h] because that's the

1871

01:16:34,790 --> 01:16:32,280

first you know my mother was like

1872

01:16:36,790 --> 01:16:34,800

67 or something and that was the first

1873

01:16:39,270 --> 01:16:36,800

accident she'd ever been in

1874

01:16:41,030 --> 01:16:39,280

never needed insurance ever and by the

1875

01:16:43,430 --> 01:16:41,040

way i think the person that hit her

1876

01:16:44,149 --> 01:16:43,440

had no insurance so it had to go to ours

1877

01:16:45,910 --> 01:16:44,159

she had

1878

01:16:49,430 --> 01:16:45,920

full coverage on this old piece of crap

1879

01:16:51,830 --> 01:16:49,440

car only gave her 800 bucks

1880

01:16:53,270 --> 01:16:51,840

then his coach a and b now i don't

1881

01:16:55,830 --> 01:16:53,280

remember i think i have

1882

01:16:57,590 --> 01:16:55,840

blood type b i think i always have to

1883

01:16:59,750 --> 01:16:57,600

ask my wife i don't know

1884

01:17:01,189 --> 01:16:59,760

but i have whatever the blood type is

1885

01:17:03,669 --> 01:17:01,199

that people have the worst

1886

01:17:05,830 --> 01:17:03,679

worst time with covid that's that's the

1887

01:17:08,149 --> 01:17:05,840

blood type i have so that makes me

1888

01:17:09,510 --> 01:17:08,159

more nervous i suppose that i should be

1889

01:17:13,430 --> 01:17:09,520

about contracting

1890

01:17:16,229 --> 01:17:13,440

coven impossible to say with all the

1891

01:17:19,510 --> 01:17:16,239

partisan framing of a pandemic

1892

01:17:23,430 --> 01:17:19,520

yeah and uh looks like trump's

1893

01:17:25,430 --> 01:17:23,440

uh not trump biden's uh pandemic advisor

1894

01:17:26,550 --> 01:17:25,440

is saying well we should at least do a

1895

01:17:30,149 --> 01:17:26,560

six-week national

1896

01:17:31,830 --> 01:17:30,159

nationwide lockdown um

1897

01:17:34,310 --> 01:17:31,840

so the lockdowns are coming the

1898

01:17:36,870 --> 01:17:34,320

lockdowns are coming you know

1899

01:17:38,470 --> 01:17:36,880

they're definitely coming uh looks like

1900

01:17:40,149 --> 01:17:38,480

some states have already started new

1901

01:17:42,630 --> 01:17:40,159

jersey new york

1902

01:17:44,070 --> 01:17:42,640

uh michigan's just i think they're still

1903

01:17:45,590 --> 01:17:44,080

locked down i don't know i think they're

1904

01:17:48,709 --> 01:17:45,600

gonna be locked down forever

1905

01:17:50,550 --> 01:17:48,719

that governor is a nut job

1906

01:17:52,229 --> 01:17:50,560

my sister has a health crisis right now

1907

01:17:53,830 --> 01:17:52,239

it could be ms but they're fighting all

1908

01:17:54,470 --> 01:17:53,840

the tests she needs yeah that's what

1909

01:17:59,030 --> 01:17:54,480

they do

1910

01:18:02,070 --> 01:17:59,040

it's ridiculous

1911

01:18:04,229 --> 01:18:02,080

you know uh there's this

1912

01:18:05,590 --> 01:18:04,239

false belief that people in canada don't

1913

01:18:07,189 --> 01:18:05,600

like their health care

1914

01:18:08,790 --> 01:18:07,199

you know because socialized medicine is

1915

01:18:11,189 --> 01:18:08,800

terrible but every

1916

01:18:11,990 --> 01:18:11,199

dentist coach you're in canada how do

1917

01:18:15,590 --> 01:18:12,000

you like your health

1918

01:18:18,070 --> 01:18:15,600

care system like do you think that it's

1919

01:18:19,350 --> 01:18:18,080

terrible and is it really true that

1920

01:18:20,790 --> 01:18:19,360

people in canada when they need a

1921

01:18:22,390 --> 01:18:20,800

surgery come here and pay cash

1922

01:18:24,149 --> 01:18:22,400

i don't think that's true i've never

1923

01:18:26,390 --> 01:18:24,159

heard i i don't think that's true i

1924

01:18:27,750 --> 01:18:26,400

think people in canada

1925

01:18:28,950 --> 01:18:27,760

like their health care everybody i've

1926

01:18:29,910 --> 01:18:28,960

ever talked to that live in canada was

1927

01:18:31,430 --> 01:18:29,920

like yeah it's great

1928

01:18:33,430 --> 01:18:31,440

if i need something i just go and i get

1929

01:18:35,510 --> 01:18:33,440

it and that's it and sure you guys pay

1930

01:18:38,470 --> 01:18:35,520

slightly higher taxes but

1931

01:18:39,430 --> 01:18:38,480

you know i think that's part of uh the

1932

01:18:41,669 --> 01:18:39,440

you know

1933

01:18:43,270 --> 01:18:41,679

it's part of just doing business it's

1934

01:18:44,470 --> 01:18:43,280

part of the deal like okay i'll pay

1935

01:18:47,830 --> 01:18:44,480

higher taxes but

1936

01:18:50,070 --> 01:18:47,840

i won't be paying exorbitant ridiculous

1937

01:18:51,350 --> 01:18:50,080

you know even just the co-pays are crazy

1938

01:18:55,430 --> 01:18:51,360

sometimes

1939

01:18:57,030 --> 01:18:55,440

you know i remember one time i

1940

01:18:59,910 --> 01:18:57,040

i had to go to the i had to go to

1941

01:19:02,310 --> 01:18:59,920

emergency room and it turned out that uh

1942

01:19:05,750 --> 01:19:02,320

i was having gallbladder attacks and i

1943

01:19:09,350 --> 01:19:05,760

had to get my gallbladder removed

1944

01:19:11,510 --> 01:19:09,360

and uh i think the co-pay for like each

1945

01:19:14,310 --> 01:19:11,520

the co-pay for like the emergency room

1946

01:19:16,390 --> 01:19:14,320

visit was like 800 bucks or something

1947

01:19:18,390 --> 01:19:16,400

and that was just a co-pay you know so

1948

01:19:20,070 --> 01:19:18,400

imagine what they paid the hospital

1949

01:19:21,350 --> 01:19:20,080

health care system is fair yes we need

1950

01:19:23,669 --> 01:19:21,360

certain list of procedures the

1951

01:19:25,430 --> 01:19:23,679

government will not pay for

1952

01:19:26,709 --> 01:19:25,440

what won't they pay for a dennis coach i

1953

01:19:28,470 --> 01:19:26,719

thought they paid for everything

1954

01:19:30,550 --> 01:19:28,480

do you mean like cosmetic surgery and

1955

01:19:32,310 --> 01:19:30,560

things like that

1956

01:19:33,990 --> 01:19:32,320

i think they pay for most everything

1957

01:19:36,390 --> 01:19:34,000

though right just like if you need

1958

01:19:38,870 --> 01:19:36,400

surgery or heart surgery or knee surgery

1959

01:19:40,790 --> 01:19:38,880

or you have a broken arm broken leg

1960

01:19:42,390 --> 01:19:40,800

they take care of all that right or what

1961

01:19:43,750 --> 01:19:42,400

if you need brain surgery they take care

1962

01:19:46,709 --> 01:19:43,760

of that right

1963

01:19:51,350 --> 01:19:46,719

or cancer treatment i think they take

1964

01:19:54,310 --> 01:19:51,360

care of that

1965

01:19:56,149 --> 01:19:54,320

that's so funny uh conspiracy now i see

1966

01:19:57,030 --> 01:19:56,159

it very clearly now that i look at your

1967

01:20:00,950 --> 01:19:57,040

name i should have

1968

01:20:04,070 --> 01:20:02,550

so i guess friends we're going to call

1969

01:20:07,750 --> 01:20:04,080

this one a quick one and wrap things

1970

01:20:09,270 --> 01:20:07,760

up tomorrow we should be returning to

1971

01:20:11,990 --> 01:20:09,280

coverage

1972

01:20:12,550 --> 01:20:12,000

on tomorrow we're going to be covering i

1973

01:20:14,870 --> 01:20:12,560

believe

1974

01:20:17,669 --> 01:20:14,880

unless we're going to skip because you

1975

01:20:21,510 --> 01:20:17,679

know i'm a little add and i do that

1976

01:20:22,550 --> 01:20:21,520

um we're probably going to be covering

1977

01:20:26,229 --> 01:20:22,560

john bedini

1978

01:20:28,149 --> 01:20:26,239

and the bidini motor and uh

1979

01:20:29,669 --> 01:20:28,159

yeah i'm still trying to get an

1980

01:20:31,510 --> 01:20:29,679

interview with cliff high because he

1981

01:20:33,830 --> 01:20:31,520

is experimenting with these free energy

1982

01:20:35,669 --> 01:20:33,840

devices i think that would be good

1983

01:20:37,270 --> 01:20:35,679

my experience of canadian healthcare was

1984

01:20:39,189 --> 01:20:37,280

great stephen i went to two-year

1985

01:20:39,830 --> 01:20:39,199

university in canada with student vc

1986

01:20:41,910 --> 01:20:39,840

even my

1987

01:20:43,030 --> 01:20:41,920

care in canada was free wow so even if

1988

01:20:44,550 --> 01:20:43,040

you're not a citizen

1989

01:20:46,149 --> 01:20:44,560

yeah well i guess if you've got to go to

1990

01:20:46,870 --> 01:20:46,159

the hospital where you're sick you got

1991

01:20:51,430 --> 01:20:46,880

to get

1992

01:20:55,830 --> 01:20:54,950

hereditary [h__h] paraplegia a genetic

1993

01:20:58,950 --> 01:20:55,840

defect nope

1994

01:21:01,030 --> 01:20:58,960

three million dollar treatment wow so

1995

01:21:04,629 --> 01:21:01,040

they don't cover

1996

01:21:08,790 --> 01:21:04,639

[h__h] paraplegia well that's

1997

01:21:12,310 --> 01:21:11,189

canadians donated to a baby's treatment

1998

01:21:13,510 --> 01:21:12,320

wow that's really sad

1999

01:21:15,350 --> 01:21:13,520

yeah i wasn't aware that i'm going to

2000

01:21:17,110 --> 01:21:15,360

look it up what they cover and what they

2001

01:21:20,470 --> 01:21:17,120

don't cover

2002

01:21:24,070 --> 01:21:22,390

yes canada will pay for visitors that's

2003

01:21:25,910 --> 01:21:24,080

interesting

2004

01:21:27,590 --> 01:21:25,920

wasn't so cold there dennis i'd be

2005

01:21:28,950 --> 01:21:27,600

moving there right now i think i had

2006

01:21:30,070 --> 01:21:28,960

enough of this [h__\h] show called the

2007

01:21:31,910 --> 01:21:30,080

united states

2008

01:21:34,149 --> 01:21:31,920

and i like the wilderness but i don't

2009

01:21:35,110 --> 01:21:34,159

like cold but then when i think about it

2010

01:21:37,270 --> 01:21:35,120

like it's not

2011

01:21:39,590 --> 01:21:37,280

much colder in canada and the winter is

2012

01:21:41,990 --> 01:21:39,600

not that much longer in canada than

2013

01:21:45,750 --> 01:21:42,000

in the mountains where my cabin is so i

2014

01:21:48,870 --> 01:21:47,510

but in any case friends uh we're going

2015

01:21:50,070 --> 01:21:48,880

to wrap things up here

2016

01:21:51,350 --> 01:21:50,080

i want to thank each and every one of

2017

01:21:53,669 --> 01:21:51,360

you for joining us we're going to be

2018

01:21:56,950 --> 01:21:53,679

continuing our coverage of these

2019

01:22:00,870 --> 01:21:56,960

strange free energy devices and these

2020

01:22:03,750 --> 01:22:00,880

strange and interesting characters that

2021

01:22:04,950 --> 01:22:03,760

inhabit the subculture of free energy

2022

01:22:07,189 --> 01:22:04,960

devices

2023

01:22:08,830 --> 01:22:07,199

i find this stuff fascinating i hope you

2024

01:22:11,669 --> 01:22:08,840

do too

2025

01:22:12,149 --> 01:22:11,679

um so we're going to wrap things up

2026

01:22:13,910 --> 01:22:12,159

friends

2027

01:22:15,430 --> 01:22:13,920

i will be back tomorrow evening

2028

01:22:17,669 --> 01:22:15,440

hopefully a little bit earlier

2029

01:22:19,270 --> 01:22:17,679

uh you know i had some other things i

2030

01:22:20,629 --> 01:22:19,280

had to attend to today so i figured

2031

01:22:21,910 --> 01:22:20,639

let's try a late show

2032

01:22:23,990 --> 01:22:21,920

seems like the numbers are better

2033

01:22:25,350 --> 01:22:24,000

earlier so we're going to return to i

2034

01:22:28,390 --> 01:22:25,360

don't know

2035

01:22:30,709 --> 01:22:28,400

probably 8 or 9 p.m tomorrow evening

2036

01:22:34,310 --> 01:22:30,719

that seems to be the sweet spot for us

2037

01:22:37,030 --> 01:22:34,320

uh where we get the most viewers

2038

01:22:38,629 --> 01:22:37,040

so we'll be back tomorrow i did not put

2039

01:22:39,830 --> 01:22:38,639

the begging bowl out today because i

2040

01:22:42,310 --> 01:22:39,840

don't like to do that

2041

01:22:44,070 --> 01:22:42,320

every single show i'll put the begging

2042

01:22:44,950 --> 01:22:44,080

bowl out tomorrow but if you do want to

2043
