

1
00:01:10,830 --> 00:00:58,530
[Music]

2
00:01:36,460 --> 00:01:12,970
so

3
00:01:52,830 --> 00:01:38,830
[Music]

4
00:01:52,840 --> 00:02:11,730
so

5
00:02:11,740 --> 00:02:17,990
[Music]

6
00:02:25,430 --> 00:02:21,190
greetings and salutations for a rare

7
00:02:28,150 --> 00:02:25,440
early show we tried this once before

8
00:02:29,510 --> 00:02:28,160
and uh did very well with it tonight

9
00:02:30,390 --> 00:02:29,520
unfortunately i may have some other

10
00:02:32,229 --> 00:02:30,400
things

11
00:02:33,830 --> 00:02:32,239
that i need to attend to but i still

12
00:02:37,030 --> 00:02:33,840
want to come here

13
00:02:39,750 --> 00:02:37,040

and water our garden here

14

00:02:41,190 --> 00:02:39,760

for surely if i continue to water that

15

00:02:44,869 --> 00:02:41,200

garden that garden will

16

00:02:46,470 --> 00:02:44,879

grow uh so we've been covering free

17

00:02:49,990 --> 00:02:46,480

energy

18

00:02:51,830 --> 00:02:50,000

strange

19

00:02:53,270 --> 00:02:51,840

cast of characters involved in the

20

00:02:56,550 --> 00:02:53,280

strange subculture

21

00:02:59,990 --> 00:02:56,560

of free energy and

22

00:03:02,790 --> 00:03:00,000

ah yeah

23

00:03:04,869 --> 00:03:02,800

none stranger i suppose than one dr

24

00:03:07,990 --> 00:03:04,879

steven greer

25

00:03:10,229 --> 00:03:08,000

most famous or notable for the so-called

26

00:03:14,710 --> 00:03:10,239

disclosure project

27

00:03:17,110 --> 00:03:14,720

where this former emergency room doctor

28

00:03:20,309 --> 00:03:17,120

suddenly felt a calling to disclose to

29

00:03:23,670 --> 00:03:20,319

the world the truth about aliens bro

30

00:03:26,470 --> 00:03:23,680

but uh besides that he's also a free

31

00:03:28,789 --> 00:03:26,480

energy clown

32

00:03:30,470 --> 00:03:28,799

dr stephen greer started something

33

00:03:34,949 --> 00:03:30,480

called the orion project

34

00:03:37,990 --> 00:03:37,030

today we're going to be sharing some

35

00:03:41,190 --> 00:03:38,000

things about that

36

00:03:44,630 --> 00:03:41,200

orion project but the essential

37

00:03:45,990 --> 00:03:44,640

uh bit of information you need to know

38

00:03:48,229 --> 00:03:46,000

about it is that

39

00:03:50,070 --> 00:03:48,239

dr steven grier started a non-profit

40

00:03:52,149 --> 00:03:50,080

organization and began to solicit

41

00:03:56,630 --> 00:03:52,159

donations

42

00:03:59,670 --> 00:03:56,640

and his organization would open source

43

00:04:00,149 --> 00:03:59,680

and share with the world all these free

44

00:04:02,070 --> 00:04:00,159

energy

45

00:04:03,270 --> 00:04:02,080

secrets that are being suppressed and

46

00:04:07,030 --> 00:04:03,280

withheld

47

00:04:10,149 --> 00:04:07,040

by dark forces and the oil industry

48

00:04:13,030 --> 00:04:10,159

and the shadow government and the us

49

00:04:15,110 --> 00:04:13,040

patent office suppressing all of this

50

00:04:17,830 --> 00:04:15,120

free energy technology from all of us

51

00:04:20,870 --> 00:04:17,840

but he's going to save us

52

00:04:23,670 --> 00:04:20,880

but so far it's been years and

53

00:04:25,510 --> 00:04:23,680

he hasn't saved us which i find

54

00:04:28,150 --> 00:04:25,520

interesting

55

00:04:30,150 --> 00:04:28,160

sometimes it is very helpful friends to

56

00:04:31,909 --> 00:04:30,160

ask questions when you already know the

57

00:04:35,990 --> 00:04:31,919

answers

58

00:04:39,749 --> 00:04:36,000

uh so here's what i'll say

59

00:04:42,550 --> 00:04:39,759

what i will say is sometimes it's

60

00:04:44,629 --> 00:04:42,560

it's good to ask questions even though

61

00:04:46,070 --> 00:04:44,639

you may already know the answer to those

62

00:04:48,870 --> 00:04:46,080

questions

63

00:04:49,830 --> 00:04:48,880

so today i thought it would be

64

00:04:53,670 --> 00:04:49,840

appropriate

65

00:04:57,189 --> 00:04:53,680

if following that excellent advice

66

00:04:59,189 --> 00:04:57,199

from someone i know i start asking

67

00:05:02,550 --> 00:04:59,199

questions

68

00:05:04,150 --> 00:05:02,560

to dr steven greer

69

00:05:05,990 --> 00:05:04,160

the first question that i have is how

70

00:05:09,350 --> 00:05:06,000

much money have you raised with this

71

00:05:12,550 --> 00:05:11,670

i mean in total and can we get a

72

00:05:15,749 --> 00:05:12,560

breakdown

73

00:05:17,350 --> 00:05:15,759

how much you raised each year

74

00:05:20,390 --> 00:05:17,360

and since this is a non-profit

75

00:05:21,749 --> 00:05:20,400

organization can we get the 990 forms

76

00:05:23,909 --> 00:05:21,759

for the last

77

00:05:25,430 --> 00:05:23,919

say three years see how much money you

78

00:05:27,830 --> 00:05:25,440

collected and what was done with that

79

00:05:31,670 --> 00:05:29,909

the next question i would have is can we

80

00:05:34,150 --> 00:05:31,680

see your prototypes

81

00:05:35,670 --> 00:05:34,160

your working technology demonstrators

82

00:05:37,110 --> 00:05:35,680

that you promised people that you were

83

00:05:42,230 --> 00:05:37,120

going to create

84

00:05:47,830 --> 00:05:43,990

i guess the next question is where's the

85

00:05:51,430 --> 00:05:50,310

with those you know those donations that

86

00:05:54,710 --> 00:05:51,440

you were soliciting

87

00:05:58,070 --> 00:05:54,720

to save us all from the

88

00:06:00,309 --> 00:05:58,080

horrors of fossil fuel

89

00:06:02,629 --> 00:06:00,319

and help us through a dark future by

90

00:06:05,110 --> 00:06:02,639

giving us free energy devices right you

91

00:06:10,070 --> 00:06:05,120

were going to start a lab

92

00:06:10,080 --> 00:06:16,230

with this organization

93

00:06:21,270 --> 00:06:18,230

i have many questions for dr stephen

94

00:06:23,270 --> 00:06:21,280

greer about the orion project

95

00:06:26,870 --> 00:06:23,280

there have been many unanswered

96

00:06:31,110 --> 00:06:26,880

questions questions not

97

00:06:33,189 --> 00:06:31,120

addressed you know and i see some people

98

00:06:34,870 --> 00:06:33,199

actually i pretty much see all people

99

00:06:36,870 --> 00:06:34,880

who ever get the opportunity to

100

00:06:39,990 --> 00:06:36,880

interview dr steven greer

101

00:06:42,230 --> 00:06:40,000

give him a softball interview and not

102

00:06:43,670 --> 00:06:42,240

no one ever asks him what happened with

103

00:06:45,510 --> 00:06:43,680

this orion project

104

00:06:47,189 --> 00:06:45,520

what happened to all the money that you

105

00:06:50,550 --> 00:06:47,199

collected

106

00:06:52,950 --> 00:06:50,560

and again i'm not making any claims here

107

00:06:55,189 --> 00:06:52,960

i'm simply asking questions these are

108

00:06:57,430 --> 00:06:55,199

valid questions these are valid points

109

00:07:02,550 --> 00:06:57,440

of concern

110

00:07:04,469 --> 00:07:02,560

and especially if this was a 501c3

111

00:07:06,870 --> 00:07:04,479

these are questions that need to be

112

00:07:09,990 --> 00:07:06,880

addressed by dr stephen greer

113

00:07:13,990 --> 00:07:10,000

regarding this organization its finances

114

00:07:17,270 --> 00:07:14,000

its fundraising and what it has produced

115

00:07:20,950 --> 00:07:17,280

after years of this apparent

116

00:07:22,870 --> 00:07:20,960

fundraising so

117

00:07:24,550 --> 00:07:22,880

these are the questions that i have and

118

00:07:27,350 --> 00:07:24,560

i'm going to leave them as questions for

119

00:07:30,469 --> 00:07:27,360

dr steven greer to answer

120

00:07:32,870 --> 00:07:30,479

i could answer some of them but my

121

00:07:33,510 --> 00:07:32,880

research might not be so good dr stephen

122

00:07:36,550 --> 00:07:33,520

greer

123

00:07:37,189 --> 00:07:36,560

and you can very easily answer these

124

00:07:41,749 --> 00:07:37,199

questions

125

00:07:43,589 --> 00:07:41,759

and clear up any concerns

126

00:07:45,990 --> 00:07:43,599

right that people have about what

127

00:07:47,830 --> 00:07:46,000

happened to all the money that you were

128

00:07:51,430 --> 00:07:47,840

collecting or wanting to collect from

129

00:07:53,510 --> 00:07:51,440

people for this organization

130

00:07:55,029 --> 00:07:53,520

i think that the public has a right to

131

00:07:58,950 --> 00:07:55,039

know especially

132

00:08:02,390 --> 00:07:58,960

if uh these were if this is a

133

00:08:05,189 --> 00:08:02,400

public charity of 501c3

134

00:08:06,070 --> 00:08:05,199

you have a responsibility dr stephen

135

00:08:10,550 --> 00:08:06,080

greer

136

00:08:14,469 --> 00:08:12,950

clear up any misconceptions that may be

137

00:08:16,469 --> 00:08:14,479

out there because i've heard a lot of

138

00:08:18,869 --> 00:08:16,479

people behind the scenes

139

00:08:20,869 --> 00:08:18,879

saying things and asking questions and

140

00:08:29,270 --> 00:08:20,879

being

141

00:08:33,509 --> 00:08:29,280

trusting of what you did with the money

142

00:08:36,630 --> 00:08:33,519

uh but these whispers behind your back

143

00:08:38,469 --> 00:08:36,640

aren't going to clear the air here so i

144

00:08:39,350 --> 00:08:38,479

thought it best if i just simply

145

00:08:41,509 --> 00:08:39,360

directly

146

00:08:42,949 --> 00:08:41,519

publicly ask you these questions can we

147

00:08:44,630 --> 00:08:42,959

get a breakdown

148

00:08:45,990 --> 00:08:44,640

of how much money you have collected

149

00:08:47,190 --> 00:08:46,000

each year since you started this

150

00:08:50,630 --> 00:08:47,200

organization

151
00:08:52,070 --> 00:08:50,640
and where all the money went can we see

152
00:08:53,910 --> 00:08:52,080
the prototypes

153
00:08:55,269 --> 00:08:53,920
that you were going to create the

154
00:08:58,070 --> 00:08:55,279
working technology

155
00:08:58,949 --> 00:08:58,080
demonstrators of this free energy that

156
00:09:03,430 --> 00:08:58,959
you

157
00:09:07,190 --> 00:09:03,440
the laboratory

158
00:09:09,030 --> 00:09:07,200
interview some people that work at that

159
00:09:12,790 --> 00:09:09,040
laboratory

160
00:09:15,990 --> 00:09:12,800
uh that would be beneficial right

161
00:09:19,110 --> 00:09:16,000
so friends uh first we're gonna

162
00:09:21,430 --> 00:09:19,120
cite fair use and share some things from

163
00:09:23,110 --> 00:09:21,440

the orion project website i was

164

00:09:25,269 --> 00:09:23,120

surprised that it was still up i thought

165

00:09:27,430 --> 00:09:25,279

it had gone down

166

00:09:29,030 --> 00:09:27,440

uh years ago but apparently i was

167

00:09:32,070 --> 00:09:29,040

mistaken

168

00:09:34,790 --> 00:09:32,080

so uh this

169

00:09:36,550 --> 00:09:34,800

is directly and i'm gonna cite fair use

170

00:09:38,790 --> 00:09:36,560

this is a transformative work

171

00:09:39,750 --> 00:09:38,800

this is directly from dr stephen greer's

172

00:09:41,030 --> 00:09:39,760

orion project

173

00:09:42,230 --> 00:09:41,040

website which is going to be reading

174

00:09:44,070 --> 00:09:42,240

some things off of that but i'm still

175

00:09:45,750 --> 00:09:44,080

citing fair use

176
00:09:48,790 --> 00:09:45,760
even though this is a public website and

177
00:09:51,910 --> 00:09:48,800
apparently this is a public charity

178
00:09:52,470 --> 00:09:51,920
our vision and purpose the orion project

179
00:09:56,150 --> 00:09:52,480
is an

180
00:09:59,990 --> 00:09:58,150
to transform the current energy

181
00:10:01,910 --> 00:10:00,000
environmental and social crisis

182
00:10:04,949 --> 00:10:01,920
into a world of sustainability and

183
00:10:06,870 --> 00:10:04,959
enlightened abundance boy sounds good

184
00:10:07,990 --> 00:10:06,880
this is some great free energy [h__h]

185
00:10:11,590 --> 00:10:08,000
they all have good

186
00:10:14,069 --> 00:10:11,600
[h__h] and it all centers around let's

187
00:10:15,990 --> 00:10:14,079
stop this oil monopoly let's stop

188
00:10:18,710 --> 00:10:16,000

destroying our planet

189

00:10:21,509 --> 00:10:18,720

right and enlightened oh wait a world of

190

00:10:23,590 --> 00:10:21,519

sustainability and enlightened abundance

191

00:10:27,110 --> 00:10:23,600

this is gold friends if you're trying to

192

00:10:32,550 --> 00:10:30,550

business venture let's just call it that

193

00:10:34,310 --> 00:10:32,560

technological progress in the areas of

194

00:10:35,430 --> 00:10:34,320

advanced physics and electromagnetic

195

00:10:37,670 --> 00:10:35,440

systems

196

00:10:39,910 --> 00:10:37,680

if appropriately supported will enable

197

00:10:41,670 --> 00:10:39,920

humanity to live on earth with a minimal

198

00:10:43,110 --> 00:10:41,680

footprint with genuine long-term

199

00:10:44,949 --> 00:10:43,120

sustainability

200

00:10:47,910 --> 00:10:44,959

for over 100 years these advanced

201
00:10:49,990 --> 00:10:47,920
concepts in energy generation have

202
00:10:52,230 --> 00:10:50,000
either been ignored or actively

203
00:10:52,949 --> 00:10:52,240
suppressed due to the power of fossil

204
00:10:55,269 --> 00:10:52,959
fuel-based

205
00:10:56,310 --> 00:10:55,279
economic and industrial interests as

206
00:10:58,949 --> 00:10:56,320
always those god

207
00:11:00,790 --> 00:10:58,959
damn fossil fuel companies that are

208
00:11:03,990 --> 00:11:00,800
stopping us from living in the

209
00:11:05,670 --> 00:11:04,000
free energy utopia stephen greer

210
00:11:07,350 --> 00:11:05,680
imagine a world where every home and

211
00:11:09,269 --> 00:11:07,360
village has its own clean source of

212
00:11:11,110 --> 00:11:09,279
electrical energy free of the cost of

213
00:11:14,470 --> 00:11:11,120

fossil fuels nuclear power or

214

00:11:16,230 --> 00:11:14,480

centralized electric grid

215

00:11:18,150 --> 00:11:16,240

this guy must be a john lennon fan who

216

00:11:18,870 --> 00:11:18,160

wrote this because it's the mantra is

217

00:11:22,069 --> 00:11:18,880

imagine

218

00:11:24,710 --> 00:11:22,079

what what great copy it's you know

219

00:11:25,990 --> 00:11:24,720

imagine imagine imagine imagine every

220

00:11:27,910 --> 00:11:26,000

means of transportation

221

00:11:29,670 --> 00:11:27,920

running off of clean power plants using

222

00:11:30,949 --> 00:11:29,680

no source of fuel and creating no

223

00:11:33,190 --> 00:11:30,959

pollution

224

00:11:35,990 --> 00:11:33,200

imagine the developing world blossoming

225

00:11:39,269 --> 00:11:36,000

with these new technologies

226

00:11:40,230 --> 00:11:39,279

and rainforests protect it from slash

227

00:11:43,269 --> 00:11:40,240

and burn

228

00:11:45,949 --> 00:11:43,279

substance farming and logging yeah

229

00:11:47,269 --> 00:11:45,959

imagine imagine all inner city

230

00:11:51,110 --> 00:11:47,279

transportation

231

00:11:53,829 --> 00:11:51,120

above the ground and the millions

232

00:11:55,829 --> 00:11:53,839

of acres paved over with highways free

233

00:11:57,190 --> 00:11:55,839

for productive agriculture and

234

00:11:58,629 --> 00:11:57,200

recreation

235

00:12:00,310 --> 00:11:58,639

well we're not going to need cars or

236

00:12:03,030 --> 00:12:00,320

roads anymore

237

00:12:04,230 --> 00:12:03,040

okay dr steven greer imagine all

238

00:12:07,509 --> 00:12:04,240

manufacturing being

239

00:12:07,910 --> 00:12:07,519

clean fuel sourced using no cost or low

240

00:12:10,949 --> 00:12:07,920

cost

241

00:12:12,790 --> 00:12:10,959

energy imagine the possibility

242

00:12:15,030 --> 00:12:12,800

of a hundred percent recycling because

243

00:12:16,870 --> 00:12:15,040

the energy cost of transporting recycled

244

00:12:17,509 --> 00:12:16,880

materials processing them and scrubbing

245

00:12:20,550 --> 00:12:17,519

pollution

246

00:12:23,030 --> 00:12:20,560

out of the air and water approaches zero

247

00:12:25,190 --> 00:12:23,040

wow this is salad so this is sound good

248

00:12:29,030 --> 00:12:25,200

so far dr stephen grier

249

00:12:30,629 --> 00:12:29,040

imagine this is no mere pipe dream

250

00:12:33,190 --> 00:12:30,639

but a world that is well within our

251
00:12:36,230 --> 00:12:33,200
grasp to create and do so

252
00:12:37,430 --> 00:12:36,240
in our lifetimes imagine and see that it

253
00:12:39,430 --> 00:12:37,440
is a reality

254
00:12:41,110 --> 00:12:39,440
the orion project is dedicated to

255
00:12:42,310 --> 00:12:41,120
supporting the world's most accomplished

256
00:12:44,470 --> 00:12:42,320
engineers physicists

257
00:12:46,150 --> 00:12:44,480
and inventors who have developed

258
00:12:47,750 --> 00:12:46,160
innovative solutions to energy

259
00:12:49,590 --> 00:12:47,760
generation

260
00:12:51,990 --> 00:12:49,600
cleaning up the fossil fuel power

261
00:12:54,550 --> 00:12:52,000
sources currently in use

262
00:12:55,990 --> 00:12:54,560
you can help the orion project urgently

263
00:12:58,069 --> 00:12:56,000

needs your help to see that these

264

00:12:59,430 --> 00:12:58,079

emerging scientists are disclosed and

265

00:13:01,670 --> 00:12:59,440

implemented globally

266

00:13:03,670 --> 00:13:01,680

as soon as possible nothing short of

267

00:13:05,750 --> 00:13:03,680

global peaceful manhattan project can

268

00:13:07,110 --> 00:13:05,760

reverse the growing crisis of energy

269

00:13:09,190 --> 00:13:07,120

resource depletion

270

00:13:11,110 --> 00:13:09,200

environmental collapse global warming

271

00:13:13,910 --> 00:13:11,120

and geopolitical conflict

272

00:13:16,230 --> 00:13:13,920

created by our current dependence on oil

273

00:13:18,470 --> 00:13:16,240

gas and nuclear technology

274

00:13:20,310 --> 00:13:18,480

the technologies outlined on our website

275

00:13:21,910 --> 00:13:20,320

in addition to solar and wind provide

276

00:13:23,190 --> 00:13:21,920

our best hope of obtaining true

277

00:13:25,990 --> 00:13:23,200

sustainability

278

00:13:27,430 --> 00:13:26,000

peace and enlightened abundance for all

279

00:13:30,069 --> 00:13:27,440

of humanity

280

00:13:30,470 --> 00:13:30,079

well gee this just sounds like so good

281

00:13:33,430 --> 00:13:30,480

oh

282

00:13:34,150 --> 00:13:33,440

geez what a great vision stephen greer

283

00:13:36,949 --> 00:13:34,160

wow

284

00:13:38,870 --> 00:13:36,959

we can stop the oil companies right we

285

00:13:41,430 --> 00:13:38,880

can all live in abundance and peace

286

00:13:43,189 --> 00:13:41,440

we can have free energy free free

287

00:13:45,030 --> 00:13:43,199

transportation

288

00:13:46,629 --> 00:13:45,040

and all we have to do is give you your

289

00:13:48,949 --> 00:13:46,639

organization money and you're gonna get

290

00:13:52,389 --> 00:13:48,959

it done right

291

00:13:53,829 --> 00:13:52,399

you're going to get it done i don't even

292

00:13:57,030 --> 00:13:53,839

know if we want to

293

00:13:58,069 --> 00:13:57,040

do we want to read anymore why now oh

294

00:13:59,829 --> 00:13:58,079

here we go

295

00:14:01,829 --> 00:13:59,839

this is the this is part another part of

296

00:14:03,110 --> 00:14:01,839

the pitch history is replete with

297

00:14:05,110 --> 00:14:03,120

inventors who have discovered and

298

00:14:06,949 --> 00:14:05,120

produced amazing clean energy devices

299

00:14:07,750 --> 00:14:06,959

men like nikola tesla what do i keep

300

00:14:09,910 --> 00:14:07,760

saying

301
00:14:12,150 --> 00:14:09,920
you gotta bring in nikola tesla you

302
00:14:15,110 --> 00:14:12,160
gotta mention nikola tesla

303
00:14:15,990 --> 00:14:15,120
details and brown stan meyer and others

304
00:14:17,670 --> 00:14:16,000
have shown us

305
00:14:19,910 --> 00:14:17,680
that it's possible to have all the power

306
00:14:22,150 --> 00:14:19,920
we can eat without burning noxious

307
00:14:23,990 --> 00:14:22,160
oil coal and gas or risking nuclear

308
00:14:25,829 --> 00:14:24,000
damage for a hundred years however there

309
00:14:28,870 --> 00:14:25,839
have been no significant changes in the

310
00:14:33,750 --> 00:14:28,880
way we generate power

311
00:14:38,389 --> 00:14:33,760
oh geez and there's a link to

312
00:14:42,710 --> 00:14:38,399
their so-called research uh but

313
00:14:45,990 --> 00:14:45,350

i don't find any scholarly articles

314

00:14:48,069 --> 00:14:46,000

written by

315

00:14:49,110 --> 00:14:48,079

scientists that he hired with money that

316

00:14:51,670 --> 00:14:49,120

he got

317

00:14:52,949 --> 00:14:51,680

from these donations to generate free

318

00:14:56,629 --> 00:14:52,959

energy and i

319

00:14:59,269 --> 00:14:56,639

don't find any notice of

320

00:15:01,189 --> 00:14:59,279

or videos from their laboratory that he

321

00:15:03,430 --> 00:15:01,199

said that he was going to create

322

00:15:05,350 --> 00:15:03,440

when he started this organization and i

323

00:15:07,590 --> 00:15:05,360

don't find uh

324

00:15:09,509 --> 00:15:07,600

i don't know research progress reports

325

00:15:11,829 --> 00:15:09,519

from these

326

00:15:13,590 --> 00:15:11,839

scientists leading scientists and

327

00:15:14,790 --> 00:15:13,600

engineers around the world creating free

328

00:15:19,189 --> 00:15:14,800

energy devices

329

00:15:20,949 --> 00:15:19,199

uh no i see [\h__\h] that he wrote mostly

330

00:15:22,310 --> 00:15:20,959

or stuff that he's linking to that's

331

00:15:24,389 --> 00:15:22,320

just from the internet

332

00:15:25,509 --> 00:15:24,399

is this research is this what you're

333

00:15:28,870 --> 00:15:25,519

collecting the money for

334

00:15:30,870 --> 00:15:28,880

for writing some [\h__\h] and posting

335

00:15:33,910 --> 00:15:30,880

articles that anybody can freely find on

336

00:15:41,590 --> 00:15:37,670

yeah yeah

337

00:15:43,030 --> 00:15:41,600

here we have energy solutions

338

00:15:44,629 --> 00:15:43,040

and here's where it gets thick friends

339

00:15:45,829 --> 00:15:44,639

during the past two decades dr

340

00:15:47,350 --> 00:15:45,839

stephen greer and his team have

341

00:15:49,189 --> 00:15:47,360

extensively researched the most

342

00:15:50,949 --> 00:15:49,199

promising inventors and technologies

343

00:15:52,949 --> 00:15:50,959

available on the planet today they have

344

00:15:54,310 --> 00:15:52,959

traveled the globe investigating scores

345

00:15:56,230 --> 00:15:54,320

of inventors who have witnessed an

346

00:15:58,629 --> 00:15:56,240

exhaustive range of technologies from

347

00:16:03,590 --> 00:15:58,639

the impossible

348

00:16:06,829 --> 00:16:05,189

from this painstaking work they have

349

00:16:10,310 --> 00:16:06,839

narrowed their scope to a

350

00:16:13,350 --> 00:16:10,320

handful of the most brilliant inventors

351

00:16:15,670 --> 00:16:13,360

in the most promising technologies

352

00:16:17,749 --> 00:16:15,680

heretofore these inventors have been

353

00:16:19,590 --> 00:16:17,759

valiantly struggling forward to bring

354

00:16:21,350 --> 00:16:19,600

earth-saving technologies out to the

355

00:16:23,509 --> 00:16:21,360

world usually

356

00:16:25,430 --> 00:16:23,519

these committed and intrepid pioneers

357

00:16:26,949 --> 00:16:25,440

are operating with low budgets very

358

00:16:28,710 --> 00:16:26,959

limited equipment

359

00:16:30,470 --> 00:16:28,720

in their personal shops little or no

360

00:16:32,150 --> 00:16:30,480

access to the brilliant

361

00:16:33,670 --> 00:16:32,160

to brew to other brilliant people to

362

00:16:35,829 --> 00:16:33,680

spur their thinking

363

00:16:37,509 --> 00:16:35,839

frequent strong skepticism outright

364

00:16:41,590 --> 00:16:37,519

ridicule in some cases

365

00:16:43,509 --> 00:16:41,600

harassment this is a continuing theme

366

00:16:44,230 --> 00:16:43,519

for all these free energy clowns that

367

00:16:46,870 --> 00:16:44,240

you know

368

00:16:48,069 --> 00:16:46,880

that free energy inventors are getting

369

00:16:49,829 --> 00:16:48,079

bought off

370

00:16:51,990 --> 00:16:49,839

are getting threatened or getting

371

00:16:55,430 --> 00:16:52,000

harassed

372

00:16:59,189 --> 00:16:57,590

the mission of our energy solutions plan

373

00:17:01,110 --> 00:16:59,199

is to bring the very best inventors in

374

00:17:02,230 --> 00:17:01,120

the world of sustainable non-polluting

375

00:17:04,949 --> 00:17:02,240

free energy together

376

00:17:06,789 --> 00:17:04,959

under one roof to achieve very specific

377

00:17:08,710 --> 00:17:06,799

objective our ultimate objective is to

378

00:17:11,110 --> 00:17:08,720

produce an energy generating system

379

00:17:11,750 --> 00:17:11,120

free energy generator for the home or

380

00:17:13,510 --> 00:17:11,760

business

381

00:17:15,750 --> 00:17:13,520

which will be available to the general

382

00:17:17,990 --> 00:17:15,760

global public ultimately this will free

383

00:17:19,669 --> 00:17:18,000

us from dependence on costly limited and

384

00:17:22,630 --> 00:17:19,679

polluting fossil fuels

385

00:17:25,350 --> 00:17:22,640

and forever transform the current

386

00:17:27,990 --> 00:17:25,360

non-sustainable energy paradigm

387

00:17:29,750 --> 00:17:28,000

following are the technical description

388

00:17:30,950 --> 00:17:29,760

and performance criteria for this

389

00:17:34,070 --> 00:17:30,960

mission

390

00:17:35,510 --> 00:17:34,080

yeah it gets thicker and thicker

391

00:17:37,350 --> 00:17:35,520

and here he is here linking the

392

00:17:39,590 --> 00:17:37,360

water-powered cars which

393

00:17:41,270 --> 00:17:39,600

you know is proven that it takes more

394

00:17:44,230 --> 00:17:41,280

energy to

395

00:17:45,750 --> 00:17:44,240

separate the oxygen and the wall and the

396

00:17:48,710 --> 00:17:45,760

hydrogen from the water

397

00:17:50,310 --> 00:17:48,720

then is produced from that hydrogen you

398

00:17:54,230 --> 00:17:50,320

produce so

399

00:17:56,549 --> 00:17:54,240

not exactly free energy quantum vacuum

400

00:17:57,029 --> 00:17:56,559

zero point electromagnetic generators

401
00:17:58,789 --> 00:17:57,039
this is

402
00:18:00,710 --> 00:17:58,799
all stuff that you can find on any free

403
00:18:03,270 --> 00:18:00,720
energy website

404
00:18:05,430 --> 00:18:03,280
okay so he's going to lease an adequate

405
00:18:06,870 --> 00:18:05,440
well-equipped research facility

406
00:18:08,549 --> 00:18:06,880
these are the some of the things that

407
00:18:09,830 --> 00:18:08,559
he's going to do with the uh with the

408
00:18:11,350 --> 00:18:09,840
money

409
00:18:13,110 --> 00:18:11,360
bring a core group of some of the most

410
00:18:14,310 --> 00:18:13,120
brilliant inventors together under one

411
00:18:15,909 --> 00:18:14,320
roof

412
00:18:17,590 --> 00:18:15,919
support them with full-time skill

413
00:18:19,990 --> 00:18:17,600

technicians staff and scientific

414

00:18:22,070 --> 00:18:20,000

engineering consultants when needed

415

00:18:24,710 --> 00:18:22,080

provide professional project management

416

00:18:26,789 --> 00:18:24,720

to coordinate and support activities

417

00:18:28,390 --> 00:18:26,799

align everyone towards the attainment of

418

00:18:30,950 --> 00:18:28,400

this single objective

419

00:18:32,230 --> 00:18:30,960

provide 18 to 24 months of intensive

420

00:18:36,150 --> 00:18:32,240

activity to produce

421

00:18:39,750 --> 00:18:37,909

much has already been achieved by these

422

00:18:40,230 --> 00:18:39,760

inventors operating independently under

423

00:18:41,830 --> 00:18:40,240

the most

424

00:18:43,430 --> 00:18:41,840

adverse conditions bringing them

425

00:18:44,710 --> 00:18:43,440

together with full support clear

426
00:18:46,870 --> 00:18:44,720
direction and aligned

427
00:18:47,909 --> 00:18:46,880
effort will certainly produce an energy

428
00:18:51,510 --> 00:18:47,919
breakthrough that

429
00:18:52,310 --> 00:18:51,520
humanity so sorely needs wow what a

430
00:18:56,070 --> 00:18:52,320
great pitch

431
00:18:59,029 --> 00:18:56,080
save the world from fossil

432
00:19:01,190 --> 00:18:59,039
fuels we're gonna give you free energy

433
00:19:02,230 --> 00:19:01,200
and all you gotta do is donate money to

434
00:19:04,789 --> 00:19:02,240
us

435
00:19:06,789 --> 00:19:04,799
so we we saw that list of things that he

436
00:19:09,110 --> 00:19:06,799
was promising he was gonna do

437
00:19:11,350 --> 00:19:09,120
i'd like a progress report dr stephen

438
00:19:13,029 --> 00:19:11,360

greer how long have you been collecting

439

00:19:15,669 --> 00:19:13,039

money how many years have you been

440

00:19:18,310 --> 00:19:15,679

collecting money for this organization

441

00:19:20,870 --> 00:19:18,320

can you show us the lab can you show us

442

00:19:22,630 --> 00:19:20,880

the scientists working on this stuff

443

00:19:24,390 --> 00:19:22,640

because i'll donate this sounds good

444

00:19:25,750 --> 00:19:24,400

i'll donate a couple of bucks to you

445

00:19:27,830 --> 00:19:25,760

steven grier because you're going to

446

00:19:31,590 --> 00:19:27,840

save the world with your free energy

447

00:19:36,630 --> 00:19:34,230

all right so uh i'm going to this is

448

00:19:38,310 --> 00:19:36,640

going to be a short show today

449

00:19:40,150 --> 00:19:38,320

but i'm going to i am going to cite fair

450

00:19:41,830 --> 00:19:40,160

use and we're going to share a video of

451
00:19:44,710 --> 00:19:41,840
dr steven greer

452
00:19:47,110 --> 00:19:44,720
talking about uh what he's going to do

453
00:19:50,310 --> 00:19:47,120
with the money that they're collecting

454
00:19:51,750 --> 00:19:50,320
this is great this is gold let's

455
00:19:53,270 --> 00:19:51,760
let's cite fair use this is a

456
00:19:56,070 --> 00:19:53,280
transformative work we're educating the

457
00:19:59,990 --> 00:19:56,080
public about dr stephen grier's energy

458
00:20:03,830 --> 00:20:02,870
oh jesus christ he's gonna give us free

459
00:20:06,870 --> 00:20:03,840
energy

460
00:20:07,990 --> 00:20:06,880
uh wasn't he also gonna prove alien life

461
00:20:11,270 --> 00:20:08,000
with that

462
00:20:14,390 --> 00:20:11,280
baby amiconda you know that mummified

463
00:20:15,990 --> 00:20:14,400

alien right oh but that wasn't an alien

464

00:20:19,190 --> 00:20:16,000

it was just a

465

00:20:21,350 --> 00:20:19,200

collected

466

00:20:23,830 --> 00:20:21,360

was it a million dollars stephen greer

467

00:20:26,470 --> 00:20:23,840

for the documentary about that

468

00:20:27,110 --> 00:20:26,480

humanoid alien right and you were going

469

00:20:29,750 --> 00:20:27,120

to prove

470

00:20:31,510 --> 00:20:29,760

with dna and science that it was really

471

00:20:33,590 --> 00:20:31,520

an alien

472

00:20:36,149 --> 00:20:33,600

but then you didn't did you give the

473

00:20:39,669 --> 00:20:36,159

million dollars back

474

00:20:41,110 --> 00:20:39,679

yeah such such high quality

475

00:20:43,590 --> 00:20:41,120

of these all these people that are going

476

00:20:45,590 --> 00:20:43,600

to save earth they are also

477

00:20:47,190 --> 00:20:45,600

altruistic they're all going to save

478

00:20:50,630 --> 00:20:47,200

earth and they're going to bring about

479

00:20:52,710 --> 00:20:50,640

alien disclosure right

480

00:20:54,789 --> 00:20:52,720

so that we could join the galactic

481

00:20:56,390 --> 00:20:54,799

council and get together with our space

482

00:20:58,310 --> 00:20:56,400

brothers

483

00:20:59,510 --> 00:20:58,320

ascend to our rightful place in the

484

00:21:01,990 --> 00:20:59,520

universe

485

00:21:03,750 --> 00:21:02,000

and they're gonna bring us free energy

486

00:21:06,470 --> 00:21:03,760

and save the world

487

00:21:07,590 --> 00:21:06,480

but they always need your money they

488

00:21:10,390 --> 00:21:07,600

always need your money

489

00:21:10,870 --> 00:21:10,400

they always need donations they always

490

00:21:14,230 --> 00:21:10,880

need

491

00:21:18,390 --> 00:21:14,240

money seems a little uh

492

00:21:22,630 --> 00:21:18,400

suspect to me okay

493

00:21:22,640 --> 00:21:35,990

and again fair use

494

00:21:38,390 --> 00:21:37,110

what are the goals of the breakthrough

495

00:21:39,590 --> 00:21:38,400

well the breakthrough campaign is an

496

00:21:42,710 --> 00:21:39,600

idea that within the

497

00:21:44,470 --> 00:21:42,720

within a 60 to 90 day period

498

00:21:45,909 --> 00:21:44,480

uh with enough people participating we

499

00:21:48,310 --> 00:21:45,919

should be able to raise

500

00:21:50,710 --> 00:21:48,320

around three million dollars to open

501
00:21:53,510 --> 00:21:50,720
this research

502
00:21:54,390 --> 00:21:53,520
campus to bring people together to

503
00:21:56,870 --> 00:21:54,400
create

504
00:21:58,630 --> 00:21:56,880
the one or more of these robust

505
00:22:01,590 --> 00:21:58,640
demonstrators that are putting out

506
00:22:02,789 --> 00:22:01,600
over unity electromagnetic electricity

507
00:22:04,310 --> 00:22:02,799
and energy

508
00:22:06,149 --> 00:22:04,320
these are both claims friends because

509
00:22:07,990 --> 00:22:06,159
he's not just claiming that if you

510
00:22:09,990 --> 00:22:08,000
donate to his organization he's going to

511
00:22:11,510 --> 00:22:10,000
produce one free energy device he's

512
00:22:14,070 --> 00:22:11,520
claiming that they will produce

513
00:22:14,630 --> 00:22:14,080

multiple technology demonstrators

514

00:22:17,990 --> 00:22:14,640

working

515

00:22:20,149 --> 00:22:18,000

prototypes quite a tall order

516

00:22:21,590 --> 00:22:20,159

he's not just going to defy the laws of

517

00:22:23,830 --> 00:22:21,600

physics once

518

00:22:27,830 --> 00:22:23,840

he's going to defy the laws of physics

519

00:22:32,470 --> 00:22:27,840

multiple times

520

00:22:35,190 --> 00:22:32,480

the donations are

521

00:22:37,190 --> 00:22:35,200

that are tax deductible are going to a

522

00:22:39,990 --> 00:22:37,200

non-profit the nonprofit

523

00:22:40,630 --> 00:22:40,000

would develop these technologies and

524

00:22:43,909 --> 00:22:40,640

would

525

00:22:45,830 --> 00:22:43,919

have a sign to it any sort of rights but

526

00:22:47,590 --> 00:22:45,840

as a non-profit it's not allowed to sell

527

00:22:49,350 --> 00:22:47,600

products it would then license that

528

00:22:52,789 --> 00:22:49,360

technology out

529

00:22:53,750 --> 00:22:52,799

to any groups that we felt were going to

530

00:22:57,350 --> 00:22:53,760

be able to get it

531

00:23:00,710 --> 00:22:57,360

out further and uh we think that

532

00:23:02,630 --> 00:23:00,720

ultimately then any source of rap i just

533

00:23:04,630 --> 00:23:02,640

want to stop this uh because

534

00:23:05,830 --> 00:23:04,640

i want to be sure that i remember to

535

00:23:08,149 --> 00:23:05,840

comment on this he

536

00:23:09,510 --> 00:23:08,159

at the beginning of this video said that

537

00:23:11,669 --> 00:23:09,520

you know he was going to be doing this

538

00:23:14,950 --> 00:23:11,679

all within 60 to 90 days

539

00:23:16,390 --> 00:23:14,960

i believe it's been years stephen greer

540

00:23:18,070 --> 00:23:16,400

it's been years that you've had this

541

00:23:19,669 --> 00:23:18,080

website you've been talking about this

542

00:23:22,310 --> 00:23:19,679

i'm assuming that you're collecting

543

00:23:24,789 --> 00:23:22,320

donations for years and years and years

544

00:23:25,750 --> 00:23:24,799

in this video you said in 60 to 90 days

545

00:23:28,549 --> 00:23:25,760

you're going to get this lab

546

00:23:30,710 --> 00:23:28,559

together where's the lab where's the

547

00:23:31,830 --> 00:23:30,720

research where's the scholarly articles

548

00:23:34,070 --> 00:23:31,840

written by their

549

00:23:36,230 --> 00:23:34,080

scientists creating these devices that

550

00:23:38,870 --> 00:23:36,240

will defy the laws of physics

551
00:23:40,630 --> 00:23:38,880
we'd all like to see that revenue that

552
00:23:42,549 --> 00:23:40,640
would come from it could then go back

553
00:23:44,470 --> 00:23:42,559
into the non-profit to get these

554
00:23:46,950 --> 00:23:44,480
technologies further developed

555
00:23:48,630 --> 00:23:46,960
and educate the public about them and

556
00:23:51,830 --> 00:23:48,640
disclose them but also get them

557
00:23:52,950 --> 00:23:51,840
to these areas that are have a lot of

558
00:23:55,029 --> 00:23:52,960
environmental

559
00:23:56,870 --> 00:23:55,039
and energy needs but where there's a lot

560
00:23:59,510 --> 00:23:56,880
of damage happening to the environment

561
00:24:00,870 --> 00:23:59,520
there are certain key areas where these

562
00:24:02,789 --> 00:24:00,880
need to get out quickly

563
00:24:04,070 --> 00:24:02,799

and they're not going to be able to be

564

00:24:06,310 --> 00:24:04,080

done through the usual

565

00:24:07,669 --> 00:24:06,320

model of selling them it's going to have

566

00:24:09,350 --> 00:24:07,679

they're going to have to be working with

567

00:24:11,990 --> 00:24:09,360

international relief and

568

00:24:12,390 --> 00:24:12,000

development agencies and be gifted and

569

00:24:14,870 --> 00:24:12,400

wow

570

00:24:16,630 --> 00:24:14,880

so it sounds good if you donate money to

571

00:24:18,070 --> 00:24:16,640

dr steven greer he's going to invent

572

00:24:19,990 --> 00:24:18,080

these free energy devices

573

00:24:21,110 --> 00:24:20,000

and then i suppose in third in

574

00:24:23,350 --> 00:24:21,120

developing

575

00:24:24,870 --> 00:24:23,360

third world countries where there's a

576
00:24:26,390 --> 00:24:24,880
massive need for energy

577
00:24:28,710 --> 00:24:26,400
he's just going to give those free

578
00:24:31,029 --> 00:24:28,720
energy devices away for free

579
00:24:33,190 --> 00:24:31,039
dr stephen greer can we have a list of

580
00:24:35,830 --> 00:24:33,200
the countries the villages

581
00:24:37,830 --> 00:24:35,840
you know where you gave this free energy

582
00:24:39,830 --> 00:24:37,840
devices that you're developing away to

583
00:24:41,750 --> 00:24:39,840
other countries

584
00:24:43,269 --> 00:24:41,760
other struggling peoples that need them

585
00:24:43,830 --> 00:24:43,279
right away you said you're gonna gift

586
00:24:45,430 --> 00:24:43,840
them

587
00:24:46,710 --> 00:24:45,440
right all i have to do is donate some

588
00:24:48,789 --> 00:24:46,720

money to you and you're going to create

589

00:24:51,669 --> 00:24:48,799

these free energy devices and

590

00:24:53,110 --> 00:24:51,679

sounds like a very short time and then

591

00:24:54,549 --> 00:24:53,120

you're going to give them away to these

592

00:24:58,230 --> 00:24:54,559

developing countries

593

00:24:58,549 --> 00:24:58,240

that's so nice of you and that's where

594

00:25:13,190 --> 00:24:58,559

the

595

00:25:14,789 --> 00:25:13,200

interest in arrow would be assigned to

596

00:25:16,950 --> 00:25:14,799

the orion project

597

00:25:19,110 --> 00:25:16,960

so that the profits from any of that

598

00:25:19,510 --> 00:25:19,120

would go in back into that foundation to

599

00:25:21,110 --> 00:25:19,520

do

600

00:25:22,870 --> 00:25:21,120

wow sounds like he's got the profit

601
00:25:25,269 --> 00:25:22,880
planned all planned out

602
00:25:26,549 --> 00:25:25,279
he's going to take your free money and

603
00:25:27,750 --> 00:25:26,559
that he's going to generate these

604
00:25:31,510 --> 00:25:27,760
devices

605
00:25:33,430 --> 00:25:31,520
then he's going to give some way to free

606
00:25:34,710 --> 00:25:33,440
countries but the rest of them

607
00:25:36,870 --> 00:25:34,720
uh they're going to license the

608
00:25:40,149 --> 00:25:36,880
technology and create a big

609
00:25:42,950 --> 00:25:40,159
profit plan dr steven greer

610
00:25:44,870 --> 00:25:42,960
you [h__\h] idiot are you on a [h__\h]

611
00:25:46,549 --> 00:25:44,880
public youtube video

612
00:25:49,190 --> 00:25:46,559
talking about a non-profit

613
00:25:52,470 --> 00:25:49,200

organization's plan to generate profit

614

00:25:54,870 --> 00:25:52,480

from the free donations sounds like it

615

00:25:56,710 --> 00:25:54,880

but you know i don't know this doesn't

616

00:25:58,950 --> 00:25:56,720

sound right to me

617

00:26:00,789 --> 00:25:58,960

wait let me get it straight again i

618

00:26:02,149 --> 00:26:00,799

think i follow you

619

00:26:03,430 --> 00:26:02,159

you're going to take donations from

620

00:26:05,110 --> 00:26:03,440

people and you're going to create these

621

00:26:06,789 --> 00:26:05,120

free energy devices

622

00:26:07,909 --> 00:26:06,799

and to some people that really need them

623

00:26:09,269 --> 00:26:07,919

right away you're going to give them

624

00:26:10,149 --> 00:26:09,279

away but to others you're going to

625

00:26:12,070 --> 00:26:10,159

license them

626
00:26:15,470 --> 00:26:12,080
and then you have a profit plan to make

627
00:26:18,149 --> 00:26:15,480
sure that profit keeps pouring into your

628
00:26:21,590 --> 00:26:18,159
non-profit organization

629
00:26:23,510 --> 00:26:21,600
for free energy

630
00:26:24,870 --> 00:26:23,520
i'm confused at this point i'm just

631
00:26:27,350 --> 00:26:24,880
confused

632
00:26:29,029 --> 00:26:27,360
do the same work so that's the idea

633
00:26:30,710 --> 00:26:29,039
behind that

634
00:26:32,870 --> 00:26:30,720
no one involved with this project are

635
00:26:35,510 --> 00:26:32,880
doing it with any financial need

636
00:26:36,310 --> 00:26:35,520
everyone involved or don't need the

637
00:26:37,990 --> 00:26:36,320
financial

638
00:26:39,830 --> 00:26:38,000

reward from this we're more interested

639

00:26:40,549 --> 00:26:39,840

in getting this project done for the

640

00:26:42,710 --> 00:26:40,559

planet

641

00:26:44,710 --> 00:26:42,720

and that's great news so can we see your

642

00:26:45,669 --> 00:26:44,720

paperwork and see what all the money was

643

00:26:49,510 --> 00:26:45,679

spent on if

644

00:26:53,909 --> 00:26:52,149

can we see the paperwork and make sure

645

00:26:55,750 --> 00:26:53,919

that you and none of the people involved

646

00:26:58,950 --> 00:26:55,760

in this organization profit it

647

00:27:01,350 --> 00:26:58,960

from any of the donations in any way

648

00:27:02,549 --> 00:27:01,360

sounds good to me it sounds like yeah

649

00:27:04,390 --> 00:27:02,559

that's the right way to do things

650

00:27:05,909 --> 00:27:04,400

stephen grier and also the right

651
00:27:07,510 --> 00:27:05,919
way to do things is to release all your

652
00:27:10,230 --> 00:27:07,520
paperwork and show

653
00:27:11,830 --> 00:27:10,240
how much you generated in donations and

654
00:27:14,789 --> 00:27:11,840
where the money went

655
00:27:15,830 --> 00:27:14,799
that's called the 990 form and all 501

656
00:27:18,950 --> 00:27:15,840
c3s have to

657
00:27:21,190 --> 00:27:18,960
file them every year and i'd like to see

658
00:27:22,470 --> 00:27:21,200
yours any member of the public can

659
00:27:24,950 --> 00:27:22,480
request it i'm

660
00:27:25,590 --> 00:27:24,960
officially requesting the 990 forms from

661
00:27:29,990 --> 00:27:25,600
you

662
00:27:31,430 --> 00:27:30,000
generated in donations for the last

663
00:27:35,190 --> 00:27:31,440

three years

664

00:27:36,710 --> 00:27:35,200

and where any of the money went

665

00:27:38,310 --> 00:27:36,720

fixing the environmental interval but

666

00:27:41,190 --> 00:27:38,320

actually i'd like to see

667

00:27:42,470 --> 00:27:41,200

the paperwork for every year you know

668

00:27:43,269 --> 00:27:42,480

how long have you been collecting

669

00:27:46,630 --> 00:27:43,279

donations

670

00:27:48,549 --> 00:27:46,640

right how long have you been collecting

671

00:27:50,870 --> 00:27:48,559

these donations because

672

00:27:52,789 --> 00:27:50,880

uh this uh video that we're watching is

673

00:27:54,630 --> 00:27:52,799

from 2008

674

00:27:56,149 --> 00:27:54,640

right have you been collecting the

675

00:27:58,149 --> 00:27:56,159

website still up have you been

676
00:27:59,909 --> 00:27:58,159
collecting donations for this for 12

677
00:28:03,510 --> 00:27:59,919
years now

678
00:28:05,750 --> 00:28:03,520
and if so how much did you collect in

679
00:28:08,549 --> 00:28:05,760
donations in the past 12 years and where

680
00:28:11,029 --> 00:28:08,559
did all that money go every year

681
00:28:12,070 --> 00:28:11,039
uh these are valid questions dr stephen

682
00:28:13,669 --> 00:28:12,080
greer

683
00:28:15,430 --> 00:28:13,679
energy crisis because there's not a lot

684
00:28:18,630 --> 00:28:15,440
of time left in our view

685
00:28:20,630 --> 00:28:18,640
i think that even the last u.n

686
00:28:22,630 --> 00:28:20,640
scientific study on global warming they

687
00:28:25,029 --> 00:28:22,640
found that the rate of decay

688
00:28:26,789 --> 00:28:25,039

of the environment is is exponentially

689

00:28:28,630 --> 00:28:26,799

accelerating more than they thought it

690

00:28:30,149 --> 00:28:28,640

was based on their previous models

691

00:28:32,230 --> 00:28:30,159

so each time they do a study the

692

00:28:33,750 --> 00:28:32,240

condition is worse and worse and worse

693

00:28:35,510 --> 00:28:33,760

so we feel that we're in sort of a

694

00:28:38,149 --> 00:28:35,520

global um

695

00:28:39,190 --> 00:28:38,159

environmental and energy emergency that

696

00:28:42,830 --> 00:28:39,200

requires

697

00:28:46,230 --> 00:28:42,840

a public uh peaceful

698

00:28:48,389 --> 00:28:46,240

energy uh effort yeah

699

00:28:50,310 --> 00:28:48,399

this is an emergency so you gotta donate

700

00:28:53,190 --> 00:28:50,320

money to me and my organization

701
00:28:54,310 --> 00:28:53,200
for 12 years and you know we've done

702
00:28:57,269 --> 00:28:54,320
this in the past

703
00:28:58,870 --> 00:28:57,279
for other purposes that ended up in

704
00:29:01,430 --> 00:28:58,880
creating things like the

705
00:29:03,750 --> 00:29:01,440
atomic bomb for the manhattan project we

706
00:29:05,350 --> 00:29:03,760
think that it's time that the public

707
00:29:07,029 --> 00:29:05,360
and the people of the world say no

708
00:29:08,470 --> 00:29:07,039
doctor stephen greer you idiot that was

709
00:29:11,510 --> 00:29:08,480
a government-controlled

710
00:29:13,750 --> 00:29:11,520
funded and creative project it wasn't

711
00:29:16,149 --> 00:29:13,760
crowdsourced there wasn't a [h__\h]

712
00:29:17,430 --> 00:29:16,159
charity creating a nuclear bomb you

713
00:29:19,269 --> 00:29:17,440

idiot

714

00:29:20,950 --> 00:29:19,279

how are you comparing this to that i

715

00:29:21,909 --> 00:29:20,960

don't know i don't understand its logic

716

00:29:24,870 --> 00:29:21,919

here

717

00:29:26,230 --> 00:29:24,880

let's do this for peaceful clean free

718

00:29:31,350 --> 00:29:26,240

energy research

719

00:29:35,830 --> 00:29:33,590

let's do this for peaceful clean energy

720

00:29:37,830 --> 00:29:35,840

research sounds good dr steven greer

721

00:29:41,110 --> 00:29:37,840

sounds like you got it all figured out

722

00:29:44,389 --> 00:29:41,120

and you had it all figured out in 2008

723

00:29:46,389 --> 00:29:44,399

uh but bro it's 2020 so i'd like to see

724

00:29:48,310 --> 00:29:46,399

these free energy devices because i want

725

00:29:51,190 --> 00:29:48,320

my flying car

726

00:29:53,029 --> 00:29:51,200

and you know i want that box size

727

00:29:53,510 --> 00:29:53,039

generator sitting outside of my house so

728

00:29:55,350 --> 00:29:53,520

i can

729

00:29:57,029 --> 00:29:55,360

say [h__h] this electric company i'm not

730

00:29:58,710 --> 00:29:57,039

paying this bill no more

731

00:30:00,470 --> 00:29:58,720

that would improve the quality of my

732

00:30:07,110 --> 00:30:00,480

life right

733

00:30:10,549 --> 00:30:09,590

and uh there's another video about the

734

00:30:13,029 --> 00:30:10,559

scientists

735

00:30:14,470 --> 00:30:13,039

but i don't he mentions a bunch of

736

00:30:15,190 --> 00:30:14,480

scientists that are going to be working

737

00:30:18,070 --> 00:30:15,200

with them in

738

00:30:19,669 --> 00:30:18,080

in this other video and then we don't

739

00:30:21,990 --> 00:30:19,679

get to see

740

00:30:23,990 --> 00:30:22,000

any results from those scientists any

741

00:30:26,230 --> 00:30:24,000

comment from those scientists

742

00:30:28,470 --> 00:30:26,240

uh you know i could be wrong but i don't

743

00:30:30,470 --> 00:30:28,480

think they're really

744

00:30:34,389 --> 00:30:30,480

i think he kind of started this project

745

00:30:38,950 --> 00:30:34,399

and and it just fizzled out but it's

746

00:30:41,590 --> 00:30:38,960

it's 12 years later dr stephen grier

747

00:30:43,510 --> 00:30:41,600

you know where's the results where's the

748

00:30:44,789 --> 00:30:43,520

you've had 12 years to create this

749

00:30:46,310 --> 00:30:44,799

laboratory where you're going to get

750

00:30:48,470 --> 00:30:46,320

everybody under one roof can we see

751

00:30:50,389 --> 00:30:48,480

pictures of that can we get like

752

00:30:52,549 --> 00:30:50,399

a tour can you just go with your cell

753

00:30:54,149 --> 00:30:52,559

phone and show us the laboratory and all

754

00:30:55,590 --> 00:30:54,159

the things that you're working on there

755

00:30:57,909 --> 00:30:55,600

in that laboratory

756

00:31:00,950 --> 00:30:57,919

that you were going to create some 12

757

00:31:06,310 --> 00:31:04,710

can we you know can we get

758

00:31:08,230 --> 00:31:06,320

i don't know interviews with the

759

00:31:12,070 --> 00:31:08,240

scientists on their progress

760

00:31:13,830 --> 00:31:12,080

for creating this free energy device

761

00:31:15,269 --> 00:31:13,840

and again can we get the paperwork

762

00:31:16,630 --> 00:31:15,279

showing how much you collected in

763

00:31:20,070 --> 00:31:16,640

donations and

764

00:31:24,070 --> 00:31:20,080

where all that all that cash went

765

00:31:27,590 --> 00:31:24,080

tax-free cash too by the way um

766

00:31:29,909 --> 00:31:27,600

so i'm just confused by dr steven greer

767

00:31:31,669 --> 00:31:29,919

i'm confused of why a man who's already

768

00:31:34,789 --> 00:31:31,679

a multi-millionaire

769

00:31:36,549 --> 00:31:34,799

can't just fund this himself right dr

770

00:31:37,830 --> 00:31:36,559

stephen greer you're a multi-millionaire

771

00:31:40,950 --> 00:31:37,840

right you have

772

00:31:42,630 --> 00:31:40,960

you have a net worth of several million

773

00:31:44,549 --> 00:31:42,640

dollars

774

00:31:46,549 --> 00:31:44,559

if you felt this strongly about it why

775

00:31:48,310 --> 00:31:46,559

do you have to collect donations

776

00:31:50,789 --> 00:31:48,320

right was it three million dollars you

777

00:31:53,509 --> 00:31:50,799

said you were trying to raise

778

00:31:54,789 --> 00:31:53,519

for this effort you have multiple

779

00:31:56,070 --> 00:31:54,799

millions of dollars

780

00:31:58,870 --> 00:31:56,080

i mean why couldn't you fund this

781

00:32:00,389 --> 00:31:58,880

yourself that's another valid question

782

00:32:02,070 --> 00:32:00,399

and if you collected a bunch of

783

00:32:02,950 --> 00:32:02,080

donations and then failed with

784

00:32:04,789 --> 00:32:02,960

everybody's money

785

00:32:06,389 --> 00:32:04,799

why couldn't you match those donations

786

00:32:09,110 --> 00:32:06,399

or something and try again

787

00:32:11,190 --> 00:32:09,120

after all you made these promises on

788

00:32:15,350 --> 00:32:11,200

public websites

789

00:32:19,269 --> 00:32:15,360

on public youtube videos

790

00:32:22,630 --> 00:32:19,279

dr stephen greer is going to learn

791

00:32:25,110 --> 00:32:22,640

that it's best in the free energy

792

00:32:26,549 --> 00:32:25,120

community not to over promise and under

793

00:32:29,669 --> 00:32:26,559

deliver

794

00:32:30,710 --> 00:32:29,679

yet he like all of these clowns that's

795

00:32:37,830 --> 00:32:30,720

all they do

796

00:32:41,110 --> 00:32:40,389

so we're going to take comments and

797

00:32:44,470 --> 00:32:41,120

questions

798

00:32:46,470 --> 00:32:44,480

from the live chat i'm happy

799

00:32:47,909 --> 00:32:46,480

that we could take this time to be here

800

00:32:50,630 --> 00:32:47,919

with you today

801
00:32:52,389 --> 00:32:50,640
and uh i have just a few more of these

802
00:32:54,389 --> 00:32:52,399
free energy characters that i want to

803
00:32:56,950 --> 00:32:54,399
present something on before we do sort

804
00:32:58,789 --> 00:32:56,960
of a wrap up

805
00:33:00,710 --> 00:32:58,799
and and the wrap up will be interesting

806
00:33:05,110 --> 00:33:00,720
because we've identified

807
00:33:06,070 --> 00:33:05,120
uh several key similarities to all of

808
00:33:09,509 --> 00:33:06,080
these

809
00:33:11,669 --> 00:33:09,519
free energy characters and one of them

810
00:33:13,830 --> 00:33:11,679
most striking is that they always need

811
00:33:14,549 --> 00:33:13,840
money they always need you to donate

812
00:33:16,549 --> 00:33:14,559
money

813
00:33:17,590 --> 00:33:16,559

so that they can create these devices

814

00:33:20,789 --> 00:33:17,600

that they

815

00:33:22,470 --> 00:33:20,799

then after years and years of taking

816

00:33:26,149 --> 00:33:22,480

donations many of them

817

00:33:29,350 --> 00:33:26,159

never seem to create any workable device

818

00:33:32,389 --> 00:33:29,360

so that should tell us something about

819

00:33:35,590 --> 00:33:32,399

the you know trustworthiness

820

00:33:38,549 --> 00:33:35,600

of anyone making these claims and

821

00:33:40,230 --> 00:33:38,559

trying to collect money you know this is

822

00:33:42,950 --> 00:33:40,240

like the boy who cried wolf

823

00:33:44,789 --> 00:33:42,960

unfortunately there's so have been so

824

00:33:46,789 --> 00:33:44,799

many of these free energy clowns

825

00:33:49,110 --> 00:33:46,799

out there trying to collect donations

826

00:33:52,149 --> 00:33:49,120

and money to create their devices

827

00:33:52,950 --> 00:33:52,159

and inevitably none of them ever create

828

00:33:54,630 --> 00:33:52,960

the device

829

00:33:57,110 --> 00:33:54,640

but they for years and years and years

830

00:33:58,950 --> 00:33:57,120

collect money to do so

831

00:34:01,590 --> 00:33:58,960

and this is going to have a terrible

832

00:34:03,430 --> 00:34:01,600

effect because what happens if somebody

833

00:34:04,710 --> 00:34:03,440

really does come along that really could

834

00:34:07,909 --> 00:34:04,720

do it

835

00:34:09,669 --> 00:34:07,919

people will simply remember the 100

836

00:34:10,550 --> 00:34:09,679

other people that collected money and

837

00:34:14,869 --> 00:34:10,560

never did it

838

00:34:16,550 --> 00:34:14,879

and not trust someone on their word

839

00:34:18,310 --> 00:34:16,560

uh coming out saying that they could

840

00:34:21,270 --> 00:34:18,320

actually do it

841

00:34:21,750 --> 00:34:21,280

this is unfortunate uh you know there's

842

00:34:24,629 --> 00:34:21,760

just

843

00:34:25,669 --> 00:34:24,639

been too many of these guys out there

844

00:34:27,990 --> 00:34:25,679

selling [h__\h]

845

00:34:29,510 --> 00:34:28,000

and this is dr stephen gru you're you're

846

00:34:31,349 --> 00:34:29,520

selling [h__\h] here

847

00:34:33,510 --> 00:34:31,359

you can't if if you're not selling

848

00:34:35,510 --> 00:34:33,520

[h__\h] shut me up

849

00:34:38,470 --> 00:34:35,520

let's see a tour of your laboratory

850

00:34:41,589 --> 00:34:38,480

let's interview your scientists

851

00:34:43,589 --> 00:34:41,599

let's uh see the financial records see

852

00:34:46,629 --> 00:34:43,599

where all the money has been going

853

00:34:48,550 --> 00:34:46,639

i'm i'm you know i've done free energy

854

00:34:51,909 --> 00:34:48,560

research on a budget of you know

855

00:34:53,510 --> 00:34:51,919

pennies myself

856

00:34:55,190 --> 00:34:53,520

in the form of crystal batteries and

857

00:34:58,150 --> 00:34:55,200

some other things

858

00:34:59,430 --> 00:34:58,160

so i'd love to see where you know all

859

00:35:01,670 --> 00:34:59,440

the funds that you

860

00:35:02,790 --> 00:35:01,680

created when and what kind of results

861

00:35:04,390 --> 00:35:02,800

you got

862

00:35:05,910 --> 00:35:04,400

i got some interesting results and i'm

863

00:35:09,829 --> 00:35:05,920

just some slob with uh

864

00:35:16,950 --> 00:35:09,839

interest in electronics and and

865

00:35:20,790 --> 00:35:16,960

sort of fringe science

866

00:35:22,950 --> 00:35:20,800

okay so questions um questions

867

00:35:25,270 --> 00:35:22,960

or comments from the live chat we're

868

00:35:26,230 --> 00:35:25,280

going to give that a go this topic is

869

00:35:28,230 --> 00:35:26,240

fascinating for me

870

00:35:30,230 --> 00:35:28,240

thorium saltwater reactors or a

871

00:35:32,150 --> 00:35:30,240

perpetual motion generator is stuff i

872

00:35:34,069 --> 00:35:32,160

wish i understood better

873

00:35:35,589 --> 00:35:34,079

yeah i looked into thorium salt water

874

00:35:36,870 --> 00:35:35,599

reactors and those are very interesting

875

00:35:37,510 --> 00:35:36,880

because they're so much safer than

876
00:35:41,670 --> 00:35:37,520
regular

877
00:35:45,030 --> 00:35:44,069
have you researched hope girl or cash

878
00:35:47,910 --> 00:35:45,040
yet steven

879
00:35:48,950 --> 00:35:47,920
uh no but on my list a little bit a

880
00:35:51,430 --> 00:35:48,960
little bit

881
00:35:55,030 --> 00:35:51,440
they're both on my list you don't want

882
00:35:58,870 --> 00:35:55,040
to get on my list right out of mind

883
00:36:03,190 --> 00:35:58,880
oh hope girl is a top tier scam artist

884
00:36:07,589 --> 00:36:04,790
the lesson learned from crying wolf is

885
00:36:10,550 --> 00:36:07,599
to never tell the same lie twice

886
00:36:11,030 --> 00:36:10,560
good good advice definitely good advice

887
00:36:15,430 --> 00:36:11,040
yep

888
00:36:18,150 --> 00:36:15,440

she sure is also it's interesting

889

00:36:20,150 --> 00:36:18,160

uh we tried a day oh you know what i

890

00:36:23,190 --> 00:36:20,160

didn't uh

891

00:36:26,310 --> 00:36:23,200

let me let me do something

892

00:36:29,510 --> 00:36:26,320

this is probably

893

00:36:34,150 --> 00:36:29,520

this is why i was wondering

894

00:36:36,630 --> 00:36:34,160

i have not yet uh tweeted this show

895

00:36:38,829 --> 00:36:36,640

so let me just deal with a bit of

896

00:37:04,870 --> 00:36:38,839

business

897

00:37:07,990 --> 00:37:06,710

and of course i'm going to use this new

898

00:37:11,190 --> 00:37:08,000

picture with the new

899

00:37:20,829 --> 00:37:11,200

camel toe that was sent to me kindly

900

00:37:25,270 --> 00:37:23,670

uh

901
00:37:43,670 --> 00:37:25,280
yeah so today was a little bit last

902
00:37:51,030 --> 00:37:47,349
okay well that's about a half hour too

903
00:37:52,230 --> 00:37:51,040
late but okay i'm trying to get better

904
00:37:55,270 --> 00:37:52,240
at this i really am

905
00:37:57,109 --> 00:37:55,280
and i apologize i think uh spud wife and

906
00:37:59,670 --> 00:37:57,119
somebody else asked why i can't

907
00:38:00,950 --> 00:37:59,680
do a schedule for the show and the short

908
00:38:04,710 --> 00:38:00,960
answer is because

909
00:38:07,750 --> 00:38:04,720
i can't uh and you know

910
00:38:10,470 --> 00:38:07,760
i uh listen i here's

911
00:38:11,510 --> 00:38:10,480
here's my basic philosophy towards the

912
00:38:14,150 --> 00:38:11,520
show

913
00:38:16,310 --> 00:38:14,160

every day i try to find a few hours to

914

00:38:17,670 --> 00:38:16,320

dedicate to the show and sometimes that

915

00:38:20,310 --> 00:38:17,680

doesn't mean doing a stream

916

00:38:21,349 --> 00:38:20,320

sometimes that means doing graphics

917

00:38:24,950 --> 00:38:21,359

reaching out

918

00:38:27,510 --> 00:38:24,960

emailing potential guests working on

919

00:38:29,109 --> 00:38:27,520

new video bumpers and things like that

920

00:38:31,750 --> 00:38:29,119

or music for the show or

921

00:38:32,630 --> 00:38:31,760

working on this set or some technical

922

00:38:34,390 --> 00:38:32,640

issues

923

00:38:36,630 --> 00:38:34,400

but every day i do try to give a few

924

00:38:38,310 --> 00:38:36,640

hours of time to the show

925

00:38:40,230 --> 00:38:38,320

and the problem is that i've got way too

926

00:38:40,870 --> 00:38:40,240

much too much other stuff going on

927

00:38:44,230 --> 00:38:40,880

including

928

00:38:45,510 --> 00:38:44,240

you know a wife to children a business

929

00:38:48,550 --> 00:38:45,520

that i'm

930

00:38:50,710 --> 00:38:48,560

really starting to uh fight

931

00:38:53,030 --> 00:38:50,720

to get up off the ground in a meaningful

932

00:38:54,870 --> 00:38:53,040

way and uh ask anybody that's ever done

933

00:38:58,310 --> 00:38:54,880

a technology startup

934

00:39:00,630 --> 00:38:58,320

uh there's no end to the work that you

935

00:39:01,589 --> 00:39:00,640

need to do i'm trying to be a one-man

936

00:39:05,270 --> 00:39:01,599

army here

937

00:39:09,190 --> 00:39:05,280

uh as far as that's concerned um

938

00:39:11,829 --> 00:39:09,200

yeah so doing a schedule is uh

939

00:39:13,190 --> 00:39:11,839

i tried it i and you know what i i

940

00:39:15,109 --> 00:39:13,200

didn't like being locked in

941

00:39:17,829 --> 00:39:15,119

i like the fleck i'm sorry but i like

942

00:39:19,510 --> 00:39:17,839

the flexibility of being able to say

943

00:39:21,190 --> 00:39:19,520

you know instead of i we tried

944

00:39:23,589 --> 00:39:21,200

scheduling like okay monday through

945

00:39:25,990 --> 00:39:23,599

thursday we'll do a 10 p.m show

946

00:39:26,950 --> 00:39:26,000

monday through thursday but i feel

947

00:39:28,870 --> 00:39:26,960

myself going

948

00:39:30,630 --> 00:39:28,880

i don't want to do it at 10 o'clock i

949

00:39:32,470 --> 00:39:30,640

have time right now

950

00:39:34,550 --> 00:39:32,480

and it's you know one or two o'clock in

951
00:39:35,270 --> 00:39:34,560
the afternoon to do the two hours of

952
00:39:38,310 --> 00:39:35,280
work

953
00:39:39,990 --> 00:39:38,320
or dedicate whatever hours of time i'm

954
00:39:43,109 --> 00:39:40,000
going to put to the show

955
00:39:43,589 --> 00:39:43,119
i would rather not do it later tonight

956
00:39:45,190 --> 00:39:43,599
you know

957
00:39:47,670 --> 00:39:45,200
i gotta have that versatility so i

958
00:39:50,790 --> 00:39:47,680
apologize long story short

959
00:39:52,150 --> 00:39:50,800
i i don't know that we'll have a

960
00:39:55,830 --> 00:39:52,160
i don't know that we'll have a schedule

961
00:40:01,510 --> 00:39:55,840
for any time soon

962
00:40:01,520 --> 00:40:07,670
oh the plot thickens

963
00:40:07,680 --> 00:40:12,150

hope girl

964

00:40:16,550 --> 00:40:15,349

not oh yeah wait terrible termite

965

00:40:18,390 --> 00:40:16,560

problem not yet

966

00:40:20,309 --> 00:40:18,400

not yet charles unleashed maybe your

967

00:40:22,390 --> 00:40:20,319

bionic uh [h__h]

968

00:40:23,510 --> 00:40:22,400

bionic termites haven't flown over the

969

00:40:28,470 --> 00:40:23,520

pond yet

970

00:40:34,790 --> 00:40:32,950

uh jeffrey i uh g coffee223

971

00:40:36,550 --> 00:40:34,800

yeah i i think it's important that

972

00:40:38,150 --> 00:40:36,560

somebody ask these questions because it

973

00:40:38,870 --> 00:40:38,160

seems like nobody does and i'm always

974

00:40:40,470 --> 00:40:38,880

like

975

00:40:41,990 --> 00:40:40,480

i see interviews with this guy and i'm

976

00:40:43,589 --> 00:40:42,000

always like why doesn't somebody ask him

977

00:40:45,430 --> 00:40:43,599

how much money he's collected for this

978

00:40:46,069 --> 00:40:45,440

orion project and what he did with it

979

00:40:50,550 --> 00:40:46,079

all

980

00:40:56,470 --> 00:40:54,309

and by the way i am a very fair person

981

00:40:59,270 --> 00:40:56,480

uh you know we sort of make fun of some

982

00:41:02,309 --> 00:40:59,280

of these characters but

983

00:41:06,069 --> 00:41:02,319

i am more than willing to be fair

984

00:41:09,109 --> 00:41:06,079

and uh

985

00:41:10,950 --> 00:41:09,119

one second yeah so

986

00:41:12,390 --> 00:41:10,960

dr steven greer i did ask you some

987

00:41:14,150 --> 00:41:12,400

questions i'd appreciate if you could

988

00:41:17,910 --> 00:41:14,160

email us here at truthseekershow

989

00:41:23,349 --> 00:41:20,630

not sure if you watch our show someone

990

00:41:26,630 --> 00:41:23,359

told me that you are aware of us

991

00:41:29,270 --> 00:41:26,640

um but

992

00:41:30,390 --> 00:41:29,280

you know i have no way of knowing so

993

00:41:33,030 --> 00:41:30,400

what i'm going to do is

994

00:41:35,109 --> 00:41:33,040

i'm going to email this show a link to

995

00:41:36,390 --> 00:41:35,119

this show to your publicist

996

00:41:38,550 --> 00:41:36,400

yeah because the guy that's going to

997

00:41:41,030 --> 00:41:38,560

bring about an alien disclosure needs

998

00:41:42,630 --> 00:41:41,040

like a hollywood level publicist right

999

00:41:44,230 --> 00:41:42,640

no i don't know that he has one but

1000

00:41:44,950 --> 00:41:44,240

there's got to be a way that i can get

1001
00:41:48,069 --> 00:41:44,960
through

1002
00:41:50,710 --> 00:41:48,079
so i'll be sending links to this show

1003
00:41:52,550 --> 00:41:50,720
and a list of my questions about stephen

1004
00:41:54,069 --> 00:41:52,560
greer's orion project

1005
00:42:04,630 --> 00:41:54,079
and i'd like them to email me at

1006
00:42:08,150 --> 00:42:06,390
thank god i finally got the mute button

1007
00:42:11,589 --> 00:42:08,160
going

1008
00:42:13,670 --> 00:42:11,599
uh working so

1009
00:42:15,990 --> 00:42:13,680
if you missed last night's show it was

1010
00:42:18,470 --> 00:42:16,000
really a two-in-one show

1011
00:42:20,390 --> 00:42:18,480
which i was not planning but what

1012
00:42:23,750 --> 00:42:20,400
happened is uh

1013
00:42:25,910 --> 00:42:23,760

we covered captain randy kramer

1014

00:42:27,510 --> 00:42:25,920

and i knew that was going to take maybe

1015

00:42:30,950 --> 00:42:27,520

an hour and a half or two hours

1016

00:42:34,150 --> 00:42:30,960

and then we got to the end of that

1017

00:42:35,829 --> 00:42:34,160

journey and then just by chance alien

1018

00:42:37,349 --> 00:42:35,839

scientist

1019

00:42:39,349 --> 00:42:37,359

if you don't know his channel it's great

1020

00:42:40,230 --> 00:42:39,359

it's all about ufo propulsion and french

1021

00:42:42,950 --> 00:42:40,240

science and

1022

00:42:44,950 --> 00:42:42,960

he's a real physicist great guy and

1023

00:42:48,630 --> 00:42:44,960

solar marshall just by chance

1024

00:42:49,109 --> 00:42:48,640

both wanted to come on and uh so then we

1025

00:42:51,349 --> 00:42:49,119

did

1026
00:42:52,390 --> 00:42:51,359
basically a second show after the first

1027
00:42:55,109 --> 00:42:52,400
one

1028
00:42:56,950 --> 00:42:55,119
it's a long stream uh but i think it's

1029
00:42:59,430 --> 00:42:56,960
got a lot of good information and

1030
00:43:00,230 --> 00:42:59,440
i was thinking of chopping it in half

1031
00:43:02,150 --> 00:43:00,240
and uh

1032
00:43:03,990 --> 00:43:02,160
presenting it as two other episodes but

1033
00:43:05,430 --> 00:43:04,000
i just kind of feel like what's done is

1034
00:43:06,630 --> 00:43:05,440
done and that would take a lot of time

1035
00:43:09,349 --> 00:43:06,640
to do

1036
00:43:10,309 --> 00:43:09,359
uh i'm picking my battles here so we're

1037
00:43:14,390 --> 00:43:10,319
going to leave that up

1038
00:43:16,950 --> 00:43:14,400

as just one big one big

1039

00:43:18,870 --> 00:43:16,960

truth seeker special and i hope people

1040

00:43:22,390 --> 00:43:18,880

enjoy that there's a lot of information

1041

00:43:29,030 --> 00:43:22,400

presented in both part one and part two

1042

00:43:32,309 --> 00:43:31,510

oh there's robin eagle song behind robin

1043

00:43:35,430 --> 00:43:32,319

eagle song

1044

00:43:37,589 --> 00:43:35,440

some shout outs we have charles

1045

00:43:42,630 --> 00:43:37,599

unleashed here out of mind is here

1046

00:43:50,710 --> 00:43:46,470

genocide is here lee beltman

1047

00:43:50,720 --> 00:43:55,950

i thought i saw some others

1048

00:44:00,630 --> 00:43:58,270

vandersar32 is here shout out to

1049

00:44:05,510 --> 00:44:00,640

vanderstar32 spudwife is here shout out

1050

00:44:11,829 --> 00:44:08,950

and we have robin

1051
00:44:13,270 --> 00:44:11,839
eagle song here as well so it's good

1052
00:44:17,030 --> 00:44:13,280
that uh

1053
00:44:20,470 --> 00:44:17,040
i can come and get some

1054
00:44:23,109 --> 00:44:20,480
uh get some garden work done

1055
00:44:24,309 --> 00:44:23,119
you know i keep comparing things i also

1056
00:44:27,750 --> 00:44:24,319
want to mention this is

1057
00:44:29,109 --> 00:44:27,760
good news we are over 800 subscribers

1058
00:44:32,309 --> 00:44:29,119
now

1059
00:44:35,589 --> 00:44:32,319
and uh slowly

1060
00:44:38,710 --> 00:44:35,599
slowly but surely we are

1061
00:44:40,870 --> 00:44:38,720
gaining new subscribers and

1062
00:44:43,589 --> 00:44:40,880
view counts are certainly starting to

1063
00:44:47,270 --> 00:44:43,599

increase here

1064

00:44:49,349 --> 00:44:47,280

uh we're in a good position now

1065

00:44:50,950 --> 00:44:49,359

and closing in on that magic number to

1066

00:44:54,630 --> 00:44:50,960

be monetized

1067

00:44:56,150 --> 00:44:54,640

uh which sometimes i think is not that

1068

00:44:58,230 --> 00:44:56,160

important we have other

1069

00:45:00,309 --> 00:44:58,240

means of monetizing the show but then i

1070

00:45:02,150 --> 00:45:00,319

think it to me it's just not fair if

1071

00:45:03,990 --> 00:45:02,160

another guy has the right to take super

1072

00:45:06,550 --> 00:45:04,000

chat donations and i don't for

1073

00:45:08,150 --> 00:45:06,560

whatever you know you gotta jump through

1074

00:45:09,670 --> 00:45:08,160

these hoops for youtube first

1075

00:45:11,589 --> 00:45:09,680

show a certain amount of watch time and

1076

00:45:14,069 --> 00:45:11,599

subscribers our watch time is very

1077

00:45:14,870 --> 00:45:14,079

high i think we'll be good on that end

1078

00:45:17,589 --> 00:45:14,880

right now

1079

00:45:18,470 --> 00:45:17,599

the watch time is good but the sub count

1080

00:45:22,309 --> 00:45:18,480

is

1081

00:45:26,150 --> 00:45:22,319

still we need about another 200

1082

00:45:31,030 --> 00:45:29,109

i would encourage you to certainly

1083

00:45:33,349 --> 00:45:31,040

please like comment and subscribe

1084

00:45:34,790 --> 00:45:33,359

to the channel here and send our channel

1085

00:45:37,990 --> 00:45:34,800

address to some friends ask

1086

00:45:39,910 --> 00:45:38,000

them to subscribe we really need to get

1087

00:45:41,349 --> 00:45:39,920

get the last part of this race over with

1088

00:45:43,990 --> 00:45:41,359

and then i'll just feel better

1089

00:45:46,230 --> 00:45:44,000

and we'll just move forward after those

1090

00:45:48,550 --> 00:45:46,240

goals are reached but it's uh

1091

00:45:49,349 --> 00:45:48,560

it's a goal of mine it has been to get

1092

00:45:53,270 --> 00:45:49,359

there

1093

00:45:55,190 --> 00:45:53,280

any means necessary

1094

00:45:56,950 --> 00:45:55,200

if i got to start interviewing reptilian

1095

00:46:00,470 --> 00:45:56,960

alien hybrids

1096

00:46:02,230 --> 00:46:00,480

then that's what we're going to do and i

1097

00:46:02,550 --> 00:46:02,240

have been talking about turning up the

1098

00:46:08,230 --> 00:46:02,560

woo

1099

00:46:10,230 --> 00:46:08,240

but tomorrow night will be a very uh i

1100

00:46:11,829 --> 00:46:10,240

think like a more philosophical show

1101

00:46:15,990 --> 00:46:11,839

because we're going to have a class

1102

00:46:17,910 --> 00:46:16,000

act here gracing our [h__h] show here and

1103

00:46:20,550 --> 00:46:17,920

hoping you know definitely bringing a

1104

00:46:22,309 --> 00:46:20,560

lot more class to the show

1105

00:46:24,470 --> 00:46:22,319

is going to be kelly from explaining

1106

00:46:27,670 --> 00:46:24,480

esoterica tomorrow night

1107

00:46:29,589 --> 00:46:27,680

at 7 p.m eastern so hey sometimes i

1108

00:46:30,309 --> 00:46:29,599

can't schedule things but when i have a

1109

00:46:32,710 --> 00:46:30,319

guest i

1110

00:46:33,589 --> 00:46:32,720

i have to so that's for spud way

1111

00:46:36,309 --> 00:46:33,599

tomorrow night

1112

00:46:37,030 --> 00:46:36,319

7 p.m eastern standard time will be

1113

00:46:39,829 --> 00:46:37,040

myself

1114

00:46:42,069 --> 00:46:39,839

and kelly from explaining esoterica and

1115

00:46:43,829 --> 00:46:42,079

i have selfishly enlisted her help to

1116

00:46:47,030 --> 00:46:43,839

help me understand

1117

00:46:50,630 --> 00:46:47,040

um buddhism

1118

00:46:51,910 --> 00:46:50,640

deities and the spirits in the spirit

1119

00:46:55,349 --> 00:46:51,920

worlds of buddhism

1120

00:46:58,390 --> 00:46:55,359

and the deities and the gods

1121

00:47:01,349 --> 00:46:58,400

or demigods

1122

00:47:03,349 --> 00:47:01,359

i want to understand that the that

1123

00:47:06,390 --> 00:47:03,359

system of buddhism because

1124

00:47:09,430 --> 00:47:06,400

it's always been confusing to me uh

1125

00:47:10,630 --> 00:47:09,440

many buddhists are atheists many sects

1126
00:47:14,150 --> 00:47:10,640
of buddhism

1127
00:47:15,670 --> 00:47:14,160
don't talk about the the spiritual

1128
00:47:17,829 --> 00:47:15,680
entities

1129
00:47:22,069 --> 00:47:17,839
surrounding buddhism and i think it's

1130
00:47:25,109 --> 00:47:24,549
so please do tune in tomorrow night at 7

1131
00:47:26,710 --> 00:47:25,119
p.m

1132
00:47:28,470 --> 00:47:26,720
for those that want a scheduled show

1133
00:47:29,510 --> 00:47:28,480
there you have it there's a scheduled

1134
00:47:31,670 --> 00:47:29,520
show

1135
00:47:33,030 --> 00:47:31,680
uh and i want to thank kelly we're going

1136
00:47:35,030 --> 00:47:33,040
to have a good time

1137
00:47:36,309 --> 00:47:35,040
and i'm going to become educated on

1138
00:47:38,390 --> 00:47:36,319

something

1139

00:47:39,910 --> 00:47:38,400

sometimes i use the show selfishly and

1140

00:47:42,390 --> 00:47:39,920

tomorrow night's gonna be one of them

1141

00:47:44,790 --> 00:47:42,400

because i've tried to read up on these

1142

00:47:48,309 --> 00:47:44,800

subjects and i get confused real quickly

1143

00:47:50,950 --> 00:47:48,319

because it's like there's different

1144

00:47:52,630 --> 00:47:50,960

countries of buddhism you know like

1145

00:47:54,630 --> 00:47:52,640

vietnamese buddhism

1146

00:47:56,470 --> 00:47:54,640

they have certain sets of spiritual

1147

00:47:59,910 --> 00:47:56,480

entities and

1148

00:48:01,990 --> 00:47:59,920

japanese and indian uh

1149

00:48:03,030 --> 00:48:02,000

indians are certainly influenced by

1150

00:48:07,109 --> 00:48:03,040

hinduism

1151

00:48:10,790 --> 00:48:07,119

as far as their spiritual you know

1152

00:48:13,270 --> 00:48:10,800

the spirits around their traditions

1153

00:48:15,190 --> 00:48:13,280

i think it's gonna be uh fun so yeah i'm

1154

00:48:16,790 --> 00:48:15,200

selfishly gonna bring her on here and

1155

00:48:20,470 --> 00:48:16,800

make her explain all this to me

1156

00:48:21,430 --> 00:48:20,480

poor girl but i think it would be a fun

1157

00:48:24,549 --> 00:48:21,440

talk and

1158

00:48:26,790 --> 00:48:24,559

like sort of off the beaten track for us

1159

00:48:29,349 --> 00:48:26,800

and uh we have a few other guests coming

1160

00:48:31,349 --> 00:48:29,359

up which what i will announce as soon as

1161

00:48:34,710 --> 00:48:31,359

they are uh

1162

00:48:37,829 --> 00:48:34,720

confirmed let's leave it at that

1163

00:48:41,750 --> 00:48:40,870

yeah any comments or questions for me in

1164

00:48:45,270 --> 00:48:41,760

the live chat

1165

00:48:49,349 --> 00:48:45,280

you can ask me anything yeah buddhisms

1166

00:48:57,430 --> 00:48:49,359

are a lot of fun

1167

00:49:04,150 --> 00:48:59,349

oh yeah it could be an interesting chat

1168

00:49:08,230 --> 00:49:06,950

out of mind says cool yay kelly yeah i

1169

00:49:10,630 --> 00:49:08,240

missed uh

1170

00:49:16,069 --> 00:49:10,640

i missed her i'm glad that uh we'll get

1171

00:49:18,549 --> 00:49:16,079

a chance to reconnect

1172

00:49:19,270 --> 00:49:18,559

i'm not familiar with dr grier's orion

1173

00:49:23,510 --> 00:49:19,280

project

1174

00:49:25,270 --> 00:49:23,520

of people are not

1175

00:49:26,870 --> 00:49:25,280

and that's why i wanted to do the show

1176

00:49:28,829 --> 00:49:26,880

you know part of our show here is to

1177

00:49:32,549 --> 00:49:28,839

educate the public about some of these

1178

00:49:35,990 --> 00:49:34,549

is this a normal thing afternoon live

1179

00:49:37,510 --> 00:49:36,000

stream this is awesome

1180

00:49:39,349 --> 00:49:37,520

thank you missy i'm going to try to do

1181

00:49:41,990 --> 00:49:39,359

more of them

1182

00:49:44,069 --> 00:49:42,000

and we have uh paranormal hajiki is here

1183

00:49:46,470 --> 00:49:44,079

but he is on cpt

1184

00:49:48,069 --> 00:49:46,480

for those that don't know paranormal

1185

00:49:51,589 --> 00:49:48,079

jiggy is on cpt

1186

00:49:53,910 --> 00:49:51,599

what's cpt colored people time

1187

00:49:55,829 --> 00:49:53,920

he's an hourly getting to the stream

1188

00:49:58,790 --> 00:49:55,839

because he's on color people time

1189

00:50:00,390 --> 00:49:58,800

and it's perfectly okay paranormal ge i

1190

00:50:02,710 --> 00:50:00,400

understand that you have

1191

00:50:04,790 --> 00:50:02,720

a handicap of having to deal with

1192

00:50:06,630 --> 00:50:04,800

colored people time

1193

00:50:09,109 --> 00:50:06,640

i suffer from that myself even though

1194

00:50:10,549 --> 00:50:09,119

i'm not colored

1195

00:50:12,630 --> 00:50:10,559

you're like yeah i'll pick you up at one

1196

00:50:15,589 --> 00:50:12,640

o'clock like four o'clock i'm there

1197

00:50:20,069 --> 00:50:15,599

you know like sorry i had some [h__h] to

1198

00:50:24,230 --> 00:50:22,549

yeah this is good the brutus cosmology

1199

00:50:27,270 --> 00:50:24,240

the wheel turning monarch truth seekers

1200

00:50:35,190 --> 00:50:27,280

ufos and ancient buddhism

1201

00:50:42,309 --> 00:50:38,710

i thought you said khan people time

1202

00:50:44,870 --> 00:50:42,319

oh con people time at first

1203

00:50:45,750 --> 00:50:44,880

this is dr greer time yeah i can't

1204

00:50:48,069 --> 00:50:45,760

believe that these

1205

00:50:50,069 --> 00:50:48,079

i just listen the more i look into these

1206

00:50:51,109 --> 00:50:50,079

guys and how they're always all begging

1207

00:50:54,230 --> 00:50:51,119

for money i just

1208

00:50:55,910 --> 00:50:54,240

can't i can't believe that they get away

1209

00:50:58,309 --> 00:50:55,920

with this stuff and there's never

1210

00:50:59,910 --> 00:50:58,319

nobody gets prosecuted you know they go

1211

00:51:03,670 --> 00:50:59,920

right to the edge

1212

00:51:05,430 --> 00:51:03,680

of like what is or should be legal

1213

00:51:07,270 --> 00:51:05,440

and nobody ever explains what happens to

1214

00:51:09,349 --> 00:51:07,280

all the money it's like a black hole

1215

00:51:11,030 --> 00:51:09,359

they all have a black hole

1216

00:51:12,790 --> 00:51:11,040

vacuum and they're just running around

1217

00:51:13,349 --> 00:51:12,800

the internet sucking up every dollar

1218

00:51:15,589 --> 00:51:13,359

they can

1219

00:51:18,390 --> 00:51:15,599

run around at ufo conferences sucking up

1220

00:51:21,589 --> 00:51:18,400

every dollar they can

1221

00:51:24,950 --> 00:51:21,599

must be nice i wish that i had my own uh

1222

00:51:31,349 --> 00:51:24,960

cosmic money machine right maybe i'll

1223

00:51:35,109 --> 00:51:32,790

that's another thing i always think is

1224

00:51:36,150 --> 00:51:35,119

funny to all the people that want a free

1225

00:51:38,549 --> 00:51:36,160

energy device

1226

00:51:40,740 --> 00:51:38,559

it's not free you gotta donate you gotta

1227

00:51:44,390 --> 00:51:40,750

give me some money

1228

00:51:48,790 --> 00:51:46,630

people eat that [h__h] up they earn for

1229

00:51:51,030 --> 00:51:48,800

the great beyond like most snakes

1230

00:51:51,829 --> 00:51:51,040

yeah it's ridiculous it's ridiculous

1231

00:51:53,670 --> 00:51:51,839

that this

1232

00:51:55,750 --> 00:51:53,680

these guys are always begging for money

1233

00:51:56,630 --> 00:51:55,760

they never produce anything meaningful

1234

00:52:00,150 --> 00:51:56,640

or worthwhile

1235

00:52:06,710 --> 00:52:04,150

i just don't i don't know

1236

00:52:07,589 --> 00:52:06,720

i i don't know how they get away with it

1237

00:52:09,710 --> 00:52:07,599

for so long

1238

00:52:11,349 --> 00:52:09,720

like this video we saw earlier was from

1239

00:52:13,910 --> 00:52:11,359

2008

1240

00:52:15,910 --> 00:52:13,920

so unless i'm mistaken it appears that

1241

00:52:18,069 --> 00:52:15,920

he's and the website's still up so

1242

00:52:19,190 --> 00:52:18,079

unless i'm mistaken it appears that he's

1243

00:52:21,109 --> 00:52:19,200

had this

1244

00:52:22,309 --> 00:52:21,119

charitable organization for at least 12

1245

00:52:24,549 --> 00:52:22,319

years and

1246

00:52:26,230 --> 00:52:24,559

and i'm assuming as well and these are

1247

00:52:28,710 --> 00:52:26,240

assumptions to be fair

1248

00:52:30,470 --> 00:52:28,720

that he has collected money for 12 years

1249

00:52:32,390 --> 00:52:30,480

so as i stated in the beginning of the

1250

00:52:34,150 --> 00:52:32,400

broadcast we have some questions for dr

1251

00:52:36,069 --> 00:52:34,160

stephen greer we'd like to know how much

1252

00:52:37,990 --> 00:52:36,079

money you've collected so far

1253

00:52:39,829 --> 00:52:38,000

every year your organization has been in

1254

00:52:41,430 --> 00:52:39,839

existence and we'd like to see a

1255

00:52:44,790 --> 00:52:41,440

breakdown of what you did with

1256

00:52:47,589 --> 00:52:44,800

all that money we'd like to see

1257

00:52:48,950 --> 00:52:47,599

pictures or a tour of the laboratory

1258

00:52:50,470 --> 00:52:48,960

that you said you were going to create

1259

00:52:53,990 --> 00:52:50,480

with the donations

1260

00:52:55,910 --> 00:52:54,000

and we'd also like to see uh scholarly

1261

00:52:57,589 --> 00:52:55,920

articles and papers written by these

1262

00:52:58,630 --> 00:52:57,599

scientists and engineers that you were

1263

00:53:00,309 --> 00:52:58,640

all going to bring together

1264

00:53:02,069 --> 00:53:00,319

under the one roof of that laboratory

1265

00:53:04,230 --> 00:53:02,079

you're going to create

1266

00:53:05,990 --> 00:53:04,240

and we'd also like to see working

1267

00:53:07,430 --> 00:53:06,000

versions of the prototypes

1268

00:53:09,109 --> 00:53:07,440

and i guess we'd also like to see

1269

00:53:10,069 --> 00:53:09,119

working versions of the prototypes that

1270

00:53:12,230 --> 00:53:10,079

you gave away

1271

00:53:13,670 --> 00:53:12,240

to these emergency you know third world

1272

00:53:15,349 --> 00:53:13,680

situations where they needed it

1273

00:53:18,069 --> 00:53:15,359

desperately right away

1274

00:53:20,950 --> 00:53:18,079

you said you were going to get those

1275

00:53:24,230 --> 00:53:20,960

free energy devices to those

1276

00:53:27,589 --> 00:53:24,240

i don't know countries

1277

00:53:28,549 --> 00:53:27,599

villages third world developing people

1278

00:53:30,790 --> 00:53:28,559

in need

1279

00:53:32,470 --> 00:53:30,800

so we'd like to see those we'd like to

1280

00:53:35,109 --> 00:53:32,480

see some documentation about how many

1281

00:53:36,950 --> 00:53:35,119

free energy devices you've given away to

1282

00:53:38,870 --> 00:53:36,960

you know these poor starving developing

1283

00:53:42,790 --> 00:53:38,880

countries who

1284

00:53:44,630 --> 00:53:42,800

uh who need free energy

1285

00:53:48,710 --> 00:53:44,640

jason albert is here shout out to jason

1286

00:53:50,710 --> 00:53:48,720

albert hello steve good to see you well

1287

00:53:53,190 --> 00:53:50,720

does that mean it's just good to see me

1288

00:53:56,710 --> 00:53:53,200

sober is that what it means

1289

00:53:59,349 --> 00:53:56,720

if so that's rude jason albert i am well

1290

00:54:01,030 --> 00:53:59,359

and sober but it's you know it's one

1291

00:54:04,230 --> 00:54:01,040

o'clock it's an early show

1292

00:54:05,270 --> 00:54:04,240

so yeah i might do a drunk stream later

1293

00:54:13,190 --> 00:54:05,280

you never know

1294

00:54:16,790 --> 00:54:15,750

does steven greer have apac abs i don't

1295

00:54:18,470 --> 00:54:16,800

know i think

1296

00:54:20,710 --> 00:54:18,480

somebody said he was really buff for a

1297

00:54:23,270 --> 00:54:20,720

while and into bodybuilding and stuff so

1298

00:54:23,990 --> 00:54:23,280

i don't know that's bizarre i know he's

1299

00:54:28,150 --> 00:54:24,000

got a big ass

1300

00:54:33,510 --> 00:54:30,230

yeah ask for evidence once the evidence

1301
00:54:36,549 --> 00:54:35,910
funny that how that works out right

1302
00:54:39,109 --> 00:54:36,559
missy

1303
00:54:39,910 --> 00:54:39,119
it's just funny how that works out and

1304
00:54:42,069 --> 00:54:39,920
missy

1305
00:54:43,030 --> 00:54:42,079
correct uh listen correct me if i'm

1306
00:54:45,109 --> 00:54:43,040
wrong

1307
00:54:46,870 --> 00:54:45,119
i think that i'm connecting the dots

1308
00:54:48,870 --> 00:54:46,880
right

1309
00:54:52,470 --> 00:54:48,880
missy asked about my glasses in a

1310
00:54:54,950 --> 00:54:52,480
previous show and people jumped on her

1311
00:54:56,950 --> 00:54:54,960
because and and i i just want to explain

1312
00:54:58,870 --> 00:54:56,960
it so that there's some context

1313
00:55:01,109 --> 00:54:58,880

please people in the live chat if

1314

00:55:02,390 --> 00:55:01,119

anybody asks about my glasses or my

1315

00:55:04,870 --> 00:55:02,400

vision condition

1316

00:55:06,069 --> 00:55:04,880

don't be nasty or rude to them they may

1317

00:55:08,549 --> 00:55:06,079

just not be aware

1318

00:55:10,069 --> 00:55:08,559

and be asking questions but what

1319

00:55:12,870 --> 00:55:10,079

happened is that there have been some

1320

00:55:15,589 --> 00:55:12,880

trolls coming into the live chat

1321

00:55:18,470 --> 00:55:15,599

uh busting my balls for wearing

1322

00:55:20,390 --> 00:55:18,480

sunglasses all the time

1323

00:55:23,190 --> 00:55:20,400

and then people got defensive for me

1324

00:55:26,150 --> 00:55:23,200

knowing that i have a paralyzed eye

1325

00:55:27,990 --> 00:55:26,160

so if somebody innocently asks about the

1326

00:55:30,150 --> 00:55:28,000

glasses or comments on the glasses

1327

00:55:32,150 --> 00:55:30,160

please nobody be rude to them unless

1328

00:55:33,670 --> 00:55:32,160

if you're sure that they're in trolls

1329

00:55:34,950 --> 00:55:33,680

just busting my balls for having a

1330

00:55:36,630 --> 00:55:34,960

paralyzed die

1331

00:55:38,390 --> 00:55:36,640

just a misunderstanding but i want

1332

00:55:39,190 --> 00:55:38,400

everybody to be welcome here and not

1333

00:55:42,390 --> 00:55:39,200

feel

1334

00:55:44,309 --> 00:55:42,400

like they got jumped on especially

1335

00:55:47,589 --> 00:55:44,319

if it was about something stupid like

1336

00:55:50,630 --> 00:55:47,599

that where people did not know

1337

00:55:52,470 --> 00:55:50,640

missy is most welcome here and so is

1338

00:55:54,470 --> 00:55:52,480

anybody and anybody's free to ask about

1339

00:55:57,349 --> 00:55:54,480

the glasses or anything else here

1340

00:55:59,109 --> 00:55:57,359

um i'm an open book uh you know but i

1341

00:55:59,510 --> 00:55:59,119

think people have gotten defensive of me

1342

00:56:01,910 --> 00:55:59,520

and

1343

00:56:03,589 --> 00:56:01,920

for that i'm thankful but don't get that

1344

00:56:06,870 --> 00:56:03,599

defensive if somebody

1345

00:56:07,990 --> 00:56:06,880

comments or questions my use of glasses

1346

00:56:11,030 --> 00:56:08,000

you can just tell them i have a

1347

00:56:12,390 --> 00:56:11,040

paralyzed eye or whatever

1348

00:56:14,150 --> 00:56:12,400

yeah but i want everybody to feel

1349

00:56:16,630 --> 00:56:14,160

welcome here and invited

1350

00:56:17,510 --> 00:56:16,640

right you're all invited here we're all

1351

00:56:21,670 --> 00:56:17,520

welcome

1352

00:56:23,990 --> 00:56:21,680

uh to partake in this [\h__\h] show

1353

00:56:31,109 --> 00:56:24,000

crazy train whatever you want to call it

1354

00:56:32,870 --> 00:56:31,119

this thing we do here yes fusion and

1355

00:56:33,670 --> 00:56:32,880

zero point are two different topics but

1356

00:56:36,870 --> 00:56:33,680

these guys

1357

00:56:39,910 --> 00:56:36,880

we got when they mix those topics up

1358

00:56:41,430 --> 00:56:39,920

they mix the topics up i dig the glasses

1359

00:56:43,109 --> 00:56:41,440

yeah i gotta get some more because i'm

1360

00:56:44,950 --> 00:56:43,119

down to like one or two pair

1361

00:56:48,150 --> 00:56:44,960

and every time before the show i'm like

1362

00:56:50,069 --> 00:56:48,160

where's the glasses where's the glasses

1363

00:56:51,990 --> 00:56:50,079

i keep saying this i'm going to put a

1364

00:56:54,630 --> 00:56:52,000

shelf up which is just

1365

00:56:56,150 --> 00:56:54,640

cool sunglasses that i like you know and

1366

00:56:56,710 --> 00:56:56,160

every time before a show i could just go

1367

00:57:00,390 --> 00:56:56,720

over and

1368

00:57:02,390 --> 00:57:00,400

pick one goals you gotta have goals

1369

00:57:03,829 --> 00:57:02,400

it's covered goals too like putting up a

1370

00:57:07,109 --> 00:57:03,839

shelf that's something to do

1371

00:57:08,309 --> 00:57:07,119

while you're stuck in [\h__\h] covet hell

1372

00:57:10,390 --> 00:57:08,319

quarantine

1373

00:57:15,670 --> 00:57:10,400

it's all starting again friends it's all

1374

00:57:19,270 --> 00:57:17,670

yes good work stevens i've got about an

1375

00:57:21,190 --> 00:57:19,280

hour to spare why not spend it with my

1376

00:57:23,510 --> 00:57:21,200

friends that's how i felt about today

1377

00:57:24,230 --> 00:57:23,520

i think we're uh we're going to be

1378

00:57:28,309 --> 00:57:24,240

approaching

1379

00:57:30,069 --> 00:57:28,319

an hour here and uh yeah but

1380

00:57:32,549 --> 00:57:30,079

didn't have much to cover as far as the

1381

00:57:34,630 --> 00:57:32,559

stephen grier i mean that this short

1382

00:57:36,150 --> 00:57:34,640

version of it is that he started this

1383

00:57:38,309 --> 00:57:36,160

organization he made

1384

00:57:39,670 --> 00:57:38,319

really out there fantastical claims

1385

00:57:40,069 --> 00:57:39,680

about what he was going to do with the

1386

00:57:42,789 --> 00:57:40,079

money

1387

00:57:46,789 --> 00:57:42,799

that he generated from this charity and

1388

00:57:49,990 --> 00:57:48,549

maybe i missed it maybe i missed the

1389

00:57:51,990 --> 00:57:50,000

press conference where he showed

1390

00:57:53,190 --> 00:57:52,000

everybody the free energy devices he had

1391

00:57:59,030 --> 00:57:53,200

made

1392

00:57:59,040 --> 00:58:05,510

to the dark alliance

1393

00:58:08,630 --> 00:58:07,349

oh i don't know why it's not let me

1394

00:58:10,470 --> 00:58:08,640

share that yeah welcome to the dark

1395

00:58:11,829 --> 00:58:10,480

alliance missy it's just like the hotel

1396

00:58:13,349 --> 00:58:11,839

california

1397

00:58:15,670 --> 00:58:13,359

yeah you can get in but you won't get

1398

00:58:17,670 --> 00:58:15,680

out and of course

1399

00:58:19,430 --> 00:58:17,680

the dark alliance does not exist it's a

1400

00:58:22,710 --> 00:58:19,440

figment of some of these

1401
00:58:23,670 --> 00:58:22,720
cosmic clown imagination to explain away

1402
00:58:27,510 --> 00:58:23,680
their critics

1403
00:58:29,510 --> 00:58:27,520
me sometimes being one of them yeah

1404
00:58:30,950 --> 00:58:29,520
the glasses and the laugh priceless i do

1405
00:58:32,549 --> 00:58:30,960
like your shows even though we may have

1406
00:58:34,309 --> 00:58:32,559
different opinions i like the reason and

1407
00:58:35,510 --> 00:58:34,319
logic first and foremost you're very

1408
00:58:37,589 --> 00:58:35,520
logical

1409
00:58:39,349 --> 00:58:37,599
yeah i guess i watched too much star

1410
00:58:41,190 --> 00:58:39,359
trek and liked spock when i was growing

1411
00:58:43,190 --> 00:58:41,200
up right

1412
00:58:44,870 --> 00:58:43,200
logic is the basis of all things

1413
00:58:46,789 --> 00:58:44,880

actually if you apply logic to some of

1414

00:58:49,990 --> 00:58:46,799

these cosmic clouds

1415

00:58:51,910 --> 00:58:50,000

uh it just it just

1416

00:58:53,349 --> 00:58:51,920

makes you wonder why you're even reading

1417

00:58:55,910 --> 00:58:53,359

about them or you know

1418

00:58:57,430 --> 00:58:55,920

wasting any time on them and i'm hopeful

1419

00:59:00,150 --> 00:58:57,440

i think we're gonna get

1420

00:59:02,309 --> 00:59:00,160

listen here's the truth people like it

1421

00:59:04,470 --> 00:59:02,319

when i bust some of these guys balls

1422

00:59:05,589 --> 00:59:04,480

they like it it's like a it's like a

1423

00:59:07,829 --> 00:59:05,599

spectator sport

1424

00:59:08,870 --> 00:59:07,839

like who's he going to bust balls on

1425

00:59:10,789 --> 00:59:08,880

today

1426

00:59:12,549 --> 00:59:10,799

and who better than somebody like dr

1427

00:59:14,789 --> 00:59:12,559

stephen greer who has generated millions

1428

00:59:17,430 --> 00:59:14,799

of dollars for disclosure

1429

00:59:18,630 --> 00:59:17,440

right and and i don't know how much for

1430

00:59:20,309 --> 00:59:18,640

this free energy

1431

00:59:22,470 --> 00:59:20,319

stuff and he's never produced any

1432

00:59:24,069 --> 00:59:22,480

meaningful evidence of anything

1433

00:59:25,990 --> 00:59:24,079

he's never produced anything that

1434

00:59:27,910 --> 00:59:26,000

benefited the world

1435

00:59:30,829 --> 00:59:27,920

no matter how much money he's collected

1436

00:59:31,990 --> 00:59:30,839

he doesn't have proof of alien life or

1437

00:59:33,910 --> 00:59:32,000

visitation

1438

00:59:35,750 --> 00:59:33,920

but that hasn't stopped him from keeping

1439

00:59:39,349 --> 00:59:35,760

that collection bowl out

1440

00:59:40,789 --> 00:59:39,359

for decades now decades now dr stephen

1441

00:59:42,069 --> 00:59:40,799

greer has been collecting money from

1442

00:59:44,710 --> 00:59:42,079

people

1443

00:59:46,950 --> 00:59:44,720

for this stuff for alien disclosure for

1444

00:59:51,589 --> 00:59:46,960

proof of alien visitation

1445

00:59:54,470 --> 00:59:51,599

right or you can buy his app

1446

00:59:55,270 --> 00:59:54,480

and study his ce5 meditation protocols

1447

00:59:57,109 --> 00:59:55,280

and you too

1448

00:59:59,109 --> 00:59:57,119

can communicate with extraterrestrial

1449

01:00:02,549 --> 00:59:59,119

aliens

1450

01:00:04,789 --> 01:00:02,559

okay okay

1451

01:00:07,030 --> 01:00:04,799

and we we never get to he's never

1452

01:00:09,510 --> 01:00:07,040

produced any proof of this [h__\h]

1453

01:00:11,030 --> 01:00:09,520

you know and he's been listen another

1454

01:00:12,710 --> 01:00:11,040

little known fact is that he's been

1455

01:00:15,349 --> 01:00:12,720

caught hoaxing [h__\h]

1456

01:00:15,990 --> 01:00:15,359

you know what is it uh pictures of a

1457

01:00:17,589 --> 01:00:16,000

moth

1458

01:00:19,349 --> 01:00:17,599

were taken and claimed to be an

1459

01:00:20,549 --> 01:00:19,359

interdimensional entity

1460

01:00:22,470 --> 01:00:20,559

there was also a time when he was

1461

01:00:24,470 --> 01:00:22,480

running a group and there was verified

1462

01:00:26,069 --> 01:00:24,480

military reports of flares being dropped

1463

01:00:27,349 --> 01:00:26,079

in that area but they weren't flares to

1464

01:00:29,030 --> 01:00:27,359

him those were extra

1465

01:00:31,109 --> 01:00:29,040

terrestrial spacecraft that he had

1466

01:00:35,829 --> 01:00:31,119

contacted with a seat

1467

01:00:39,030 --> 01:00:37,910

how much money is steven grier going to

1468

01:00:41,990 --> 01:00:39,040

collect

1469

01:00:42,870 --> 01:00:42,000

before people call his bluff i'm calling

1470

01:00:47,750 --> 01:00:42,880

your bluff

1471

01:00:49,430 --> 01:00:47,760

where's the [h__\h] free energy devices

1472

01:00:51,589 --> 01:00:49,440

where's the [h__\h] aliens

1473

01:00:52,549 --> 01:00:51,599

stephen greer i don't see any [h__\h]

1474

01:00:55,030 --> 01:00:52,559

aliens

1475

01:00:56,549 --> 01:00:55,040

when you meditate okay i've seen a

1476
01:00:57,910 --> 01:00:56,559
picture of a [h__h] moth that you

1477
01:01:01,750 --> 01:00:57,920
claimed was an alien or

1478
01:01:04,150 --> 01:01:01,760
interdimensional entity right

1479
01:01:05,670 --> 01:01:04,160
i've seen flares drop from military

1480
01:01:07,589 --> 01:01:05,680
aircraft that you claimed were

1481
01:01:09,430 --> 01:01:07,599
extraterrestrial spacecraft

1482
01:01:11,349 --> 01:01:09,440
where's the [h__h] aliens and where's

1483
01:01:13,430 --> 01:01:11,359
the [h__h] free energy device that you

1484
01:01:15,430 --> 01:01:13,440
promised us all

1485
01:01:17,109 --> 01:01:15,440
and what about that [h__h] fake alien

1486
01:01:18,150 --> 01:01:17,119
that you pushed for years and years and

1487
01:01:21,030 --> 01:01:18,160
years right

1488
01:01:21,510 --> 01:01:21,040

how much money did you [h__h] collect

1489

01:01:23,190 --> 01:01:21,520

right

1490

01:01:25,430 --> 01:01:23,200

for that documentary and isn't it

1491

01:01:26,150 --> 01:01:25,440

convenient that the proof that that was

1492

01:01:27,829 --> 01:01:26,160

fake

1493

01:01:29,430 --> 01:01:27,839

didn't come out till a few months after

1494

01:01:31,190 --> 01:01:29,440

the documentary came out

1495

01:01:33,109 --> 01:01:31,200

where he left it open-ended where we

1496

01:01:36,230 --> 01:01:33,119

were going to study that alien

1497

01:01:37,910 --> 01:01:36,240

it's not an alien you [h__h] and

1498

01:01:40,230 --> 01:01:37,920

who the [h__h] is stephen grier to just

1499

01:01:43,190 --> 01:01:40,240

take some [h__h] deformed mummy

1500

01:01:44,710 --> 01:01:43,200

out of a [h__h] desert right and run

1501
01:01:47,190 --> 01:01:44,720
around with it like pt

1502
01:01:49,270 --> 01:01:47,200
barnum selling a [h__h] fiji mermaid

1503
01:01:51,910 --> 01:01:49,280
for years but that's what he did

1504
01:01:52,789 --> 01:01:51,920
he's a [h__h] carnival huckster like pt

1505
01:01:55,430 --> 01:01:52,799
barnum

1506
01:01:56,309 --> 01:01:55,440
step right up folks see the alien

1507
01:02:00,710 --> 01:01:56,319
creature

1508
01:02:01,349 --> 01:02:00,720
right but just as in the case of pt

1509
01:02:05,029 --> 01:02:01,359
barnum's

1510
01:02:10,069 --> 01:02:05,039
fiji mermaid it wasn't real

1511
01:02:13,190 --> 01:02:10,079
friends it wasn't real it was a fantasy

1512
01:02:15,430 --> 01:02:13,200
and a money-making scheme

1513
01:02:16,470 --> 01:02:15,440

that in the end gets revealed for what

1514

01:02:19,670 --> 01:02:16,480

it is

1515

01:02:21,990 --> 01:02:19,680

a money-making scheme

1516

01:02:22,950 --> 01:02:22,000

how much money did you collect stephen

1517

01:02:26,390 --> 01:02:22,960

greer

1518

01:02:28,630 --> 01:02:26,400

promising to prove that that mummy was

1519

01:02:31,029 --> 01:02:28,640

an alien

1520

01:02:32,470 --> 01:02:31,039

now that it's been proven definitively

1521

01:02:35,670 --> 01:02:32,480

that it's just a human

1522

01:02:38,870 --> 01:02:35,680

with multiple genetic deformities right

1523

01:02:39,349 --> 01:02:38,880

a tragedy will you give all that money

1524

01:02:41,430 --> 01:02:39,359

back

1525

01:02:44,470 --> 01:02:41,440

that people donated to you for that

1526

01:02:48,069 --> 01:02:44,480

documentary that was [h__h]

1527

01:02:52,230 --> 01:02:48,079

did you give any of the money back

1528

01:02:54,549 --> 01:02:52,240

no no i don't think so

1529

01:02:56,230 --> 01:02:54,559

dr steven greer is living a millionaires

1530

01:02:59,430 --> 01:02:56,240

lifestyle right now

1531

01:03:03,270 --> 01:02:59,440

funded by stupid people

1532

01:03:04,549 --> 01:03:03,280

stupid people sourced both his latest

1533

01:03:06,950 --> 01:03:04,559

films to the tune

1534

01:03:08,630 --> 01:03:06,960

of over a million dollars each of those

1535

01:03:09,910 --> 01:03:08,640

films generated in crowdsourced funds

1536

01:03:12,470 --> 01:03:09,920

and let me tell you

1537

01:03:14,309 --> 01:03:12,480

generating a documentary the quality of

1538

01:03:16,549 --> 01:03:14,319

which he generates does not take a

1539

01:03:18,230 --> 01:03:16,559

million dollars

1540

01:03:19,990 --> 01:03:18,240

what happened to the rest of that money

1541

01:03:23,109 --> 01:03:20,000

can we get a breakdown of that

1542

01:03:26,309 --> 01:03:23,119

dr steven greer

1543

01:03:28,789 --> 01:03:26,319

but we never do we never get to it

1544

01:03:30,549 --> 01:03:28,799

yeah here we are did steven greer fake a

1545

01:03:32,630 --> 01:03:30,559

ufo with flares this is from the

1546

01:03:36,710 --> 01:03:32,640

washington examiner

1547

01:03:38,789 --> 01:03:36,720

i've looked into this evidence i have uh

1548

01:03:39,829 --> 01:03:38,799

really done my due diligence i did my

1549

01:03:41,190 --> 01:03:39,839

homework

1550

01:03:43,349 --> 01:03:41,200

i guess i should explain that at a

1551

01:03:44,069 --> 01:03:43,359

certain point in time early in my

1552

01:03:45,750 --> 01:03:44,079

reading about

1553

01:03:48,069 --> 01:03:45,760

these characters i really wanted to

1554

01:03:50,390 --> 01:03:48,079

believe dr stephen greer right he's a

1555

01:03:53,029 --> 01:03:50,400

doctor he's credible

1556

01:03:53,589 --> 01:03:53,039

he's just a [h__h] carnival hubster

1557

01:03:55,670 --> 01:03:53,599

selling

1558

01:03:56,710 --> 01:03:55,680

ufo [h__h] like all the rest of them

1559

01:03:58,630 --> 01:03:56,720

doesn't matter

1560

01:04:00,230 --> 01:03:58,640

you know maybe he's just better at it

1561

01:04:00,789 --> 01:04:00,240

he's very successful at this because

1562

01:04:03,510 --> 01:04:00,799

he's so

1563

01:04:04,630 --> 01:04:03,520

educated he knows how stupid you people

1564

01:04:07,589 --> 01:04:04,640

are how you [h__h]

1565

01:04:08,870 --> 01:04:07,599

dumb new age [h__h] will buy anything

1566

01:04:11,829 --> 01:04:08,880

and he uses that

1567

01:04:15,670 --> 01:04:11,839

to his advantage to line his [h__h]

1568

01:04:18,710 --> 01:04:15,680

pockets with the money of stupid people

1569

01:04:21,430 --> 01:04:18,720

yes i believe that he did fake a ufo

1570

01:04:23,750 --> 01:04:21,440

with flares

1571

01:04:25,510 --> 01:04:23,760

and there's other supportive evidence

1572

01:04:27,670 --> 01:04:25,520

that he fakes things including using

1573

01:04:30,950 --> 01:04:27,680

drones at some of his events which

1574

01:04:33,670 --> 01:04:30,960

by the way you pay 350 is it 300 bucks

1575

01:04:36,150 --> 01:04:33,680

dr stephen grier or is it 350 to attend

1576

01:04:38,390 --> 01:04:36,160

one of dr stephen greer's ce5 events

1577

01:04:42,069 --> 01:04:38,400

where you too were going to communicate

1578

01:04:43,910 --> 01:04:42,079

telepathically with aliens bro but

1579

01:04:46,549 --> 01:04:43,920

you're not allowed to film anything and

1580

01:04:48,789 --> 01:04:46,559

they take people's cell phones away

1581

01:04:50,630 --> 01:04:48,799

why is that why can't i film the aliens

1582

01:04:53,430 --> 01:04:50,640

dr stephen greer

1583

01:04:54,150 --> 01:04:53,440

could it be could it be that you're

1584

01:04:57,510 --> 01:04:54,160

using some

1585

01:05:00,309 --> 01:04:57,520

sort of trickery to produce

1586

01:05:01,910 --> 01:05:00,319

fake ufos fake extraterrestrial

1587

01:05:02,470 --> 01:05:01,920

spacecraft that people could see in the

1588

01:05:03,990 --> 01:05:02,480

sky

1589

01:05:06,150 --> 01:05:04,000

and feel like they got their 300 bucks

1590

01:05:07,430 --> 01:05:06,160

worth could that be it

1591

01:05:09,589 --> 01:05:07,440

could that be why nobody's allowed to

1592

01:05:11,910 --> 01:05:09,599

film anything why don't you let me come

1593

01:05:13,910 --> 01:05:11,920

and do it why don't you let me

1594

01:05:15,990 --> 01:05:13,920

why don't you let any skeptic come and

1595

01:05:17,109 --> 01:05:16,000

do it and film what actually happens at

1596

01:05:20,789 --> 01:05:17,119

one of your events that people are

1597

01:05:23,270 --> 01:05:20,799

paying all this money to [h__\h] attend

1598

01:05:24,390 --> 01:05:23,280

doesn't look good that you won't let

1599

01:05:25,829 --> 01:05:24,400

reporters in there

1600

01:05:27,750 --> 01:05:25,839

doesn't look good that you won't let

1601
01:05:32,789 --> 01:05:27,760
people film what actually happens at one

1602
01:05:36,390 --> 01:05:35,510
people want to see ufos you give them

1603
01:05:40,950 --> 01:05:36,400
what they want

1604
01:05:43,270 --> 01:05:40,960
good for you pt greer

1605
01:05:45,430 --> 01:05:43,280
step right up folks see the alien

1606
01:05:48,630 --> 01:05:45,440
spacecraft that i just brought here

1607
01:05:50,710 --> 01:05:48,640
by psychic ability i meditated the

1608
01:05:54,470 --> 01:05:50,720
aliens and they came here

1609
01:05:55,430 --> 01:05:54,480
praise the alien brothers i meditated on

1610
01:05:57,910 --> 01:05:55,440
peace and love

1611
01:05:59,750 --> 01:05:57,920
and connectivity oh and here come the

1612
01:06:01,750 --> 01:05:59,760
aliens and now we're gonna see them but

1613
01:06:03,750 --> 01:06:01,760

nobody film them don't you dare [h__h]

1614

01:06:05,589 --> 01:06:03,760

film these aliens that i'm showing you

1615

01:06:07,829 --> 01:06:05,599

don't you dare [h__h] keep your cell

1616

01:06:09,589 --> 01:06:07,839

phone and record this event

1617

01:06:11,589 --> 01:06:09,599

so you can go out into the public and

1618

01:06:14,870 --> 01:06:11,599

show them what happens

1619

01:06:16,630 --> 01:06:14,880

literally it's behind closed doors but

1620

01:06:18,549 --> 01:06:16,640

there are no doors but

1621

01:06:20,950 --> 01:06:18,559

they won't let you film anything they

1622

01:06:23,829 --> 01:06:20,960

won't let you audio record anything

1623

01:06:26,069 --> 01:06:23,839

why why greer if you're really talking

1624

01:06:27,670 --> 01:06:26,079

the [h__h] bringing aliens down for us all

1625

01:06:29,589 --> 01:06:27,680

to [h__h] witness

1626

01:06:31,589 --> 01:06:29,599

would you be proud of that you're the

1627

01:06:32,150 --> 01:06:31,599

one claiming that you can telepathically

1628

01:06:35,109 --> 01:06:32,160

communicate

1629

01:06:37,109 --> 01:06:35,119

alie to aliens and make them appear in

1630

01:06:38,309 --> 01:06:37,119

the skies for these groups right

1631

01:06:40,549 --> 01:06:38,319

you're the one that's making these

1632

01:06:41,510 --> 01:06:40,559

[h__\h] claims why can't i come there

1633

01:06:44,309 --> 01:06:41,520

and film it

1634

01:06:46,710 --> 01:06:44,319

with high definition telescoping cameras

1635

01:06:49,430 --> 01:06:46,720

so we can see what we're actually seeing

1636

01:06:51,109 --> 01:06:49,440

or are they [h__\h] drones or flares or

1637

01:06:55,190 --> 01:06:51,119

satellites or

1638

01:06:59,029 --> 01:06:57,430

folks there's a reason that he won't let

1639

01:07:05,589 --> 01:06:59,039

a skeptic like me in there

1640

01:07:14,549 --> 01:07:09,190

if you had the proof why not

1641

01:07:16,309 --> 01:07:14,559

why not why not invite skeptical people

1642

01:07:17,750 --> 01:07:16,319

shove it down my throat stephen grier

1643

01:07:19,029 --> 01:07:17,760

you want to shut me up show me the

1644

01:07:21,029 --> 01:07:19,039

[h__\h] aliens

1645

01:07:22,710 --> 01:07:21,039

bro show me the [h__\h] free energy

1646

01:07:24,549 --> 01:07:22,720

device

1647

01:07:27,029 --> 01:07:24,559

but you can't because you don't got

1648

01:07:30,309 --> 01:07:27,039

either and you've dedicated your life

1649

01:07:32,630 --> 01:07:30,319

to promising people that you do

1650

01:07:34,710 --> 01:07:32,640

but it's like trying to be santa claus

1651
01:07:36,549 --> 01:07:34,720
bro you're always going to come up short

1652
01:07:40,710 --> 01:07:36,559
right

1653
01:07:42,390 --> 01:07:40,720
you're never going to get to the level

1654
01:07:43,829 --> 01:07:42,400
of the bullshittery that you've already

1655
01:07:46,710 --> 01:07:43,839
promised you over

1656
01:07:48,789 --> 01:07:46,720
promised and under delivered for decades

1657
01:07:50,950 --> 01:07:48,799
now stephen greer

1658
01:07:51,910 --> 01:07:50,960
but i'm here to call your bluff i'm here

1659
01:07:53,829 --> 01:07:51,920
to call your bluff

1660
01:07:55,910 --> 01:07:53,839
show us the [h__\h] aliens that you're

1661
01:07:58,470 --> 01:07:55,920
taking all this money from people for

1662
01:08:02,150 --> 01:07:58,480
show us the [h__\h] alien spacecraft

1663
01:08:03,910 --> 01:08:02,160

right show us show us the [h__h] free

1664

01:08:04,230 --> 01:08:03,920

energy devices that you collected money

1665

01:08:09,270 --> 01:08:04,240

for

1666

01:08:11,430 --> 01:08:09,280

free energy devices bro

1667

01:08:12,710 --> 01:08:11,440

i'm not being unreasonable after all

1668

01:08:13,829 --> 01:08:12,720

you're the one making these [h__h]

1669

01:08:17,189 --> 01:08:13,839

claims not me

1670

01:08:21,110 --> 01:08:17,199

i'm just saying prove it bro prove it

1671

01:08:27,590 --> 01:08:23,189

and so stupid people will continue to

1672

01:08:30,870 --> 01:08:28,950

and usually there's quite a few

1673

01:08:32,070 --> 01:08:30,880

supporters of mr grier in the live chat

1674

01:08:36,870 --> 01:08:32,080

but i don't really see

1675

01:08:43,990 --> 01:08:36,880

any yeah you can't handle the truth

1676

01:08:47,510 --> 01:08:45,829

that's got to be the number one tell all

1677

01:08:49,430 --> 01:08:47,520

when they cannot show you the machines

1678

01:08:51,030 --> 01:08:49,440

in operation the aliens

1679

01:08:52,470 --> 01:08:51,040

they have living in their basement they

1680

01:08:53,349 --> 01:08:52,480

can't even show the slightest of

1681

01:08:55,349 --> 01:08:53,359

evidence yeah

1682

01:08:56,550 --> 01:08:55,359

extr we come back to this time and time

1683

01:08:58,950 --> 01:08:56,560

against design

1684

01:09:00,550 --> 01:08:58,960

extraordinary extraordinary claims

1685

01:09:03,030 --> 01:09:00,560

require extraordinary proof

1686

01:09:05,030 --> 01:09:03,040

but dr steven greer doesn't not only

1687

01:09:08,070 --> 01:09:05,040

does he not have extraordinary proof

1688

01:09:09,990 --> 01:09:08,080

he has no proof of any of this [h__h] he's

1689

01:09:12,070 --> 01:09:10,000

been caught time and time again lying

1690

01:09:14,870 --> 01:09:12,080

like when he claimed that he

1691

01:09:16,470 --> 01:09:14,880

uh briefed uh cia director woolsey and

1692

01:09:19,349 --> 01:09:16,480

then woolsey said

1693

01:09:21,669 --> 01:09:19,359

that never happened right hasn't stopped

1694

01:09:24,870 --> 01:09:21,679

him from continuing to claim it

1695

01:09:26,630 --> 01:09:24,880

and look into his disclosure project

1696

01:09:28,950 --> 01:09:26,640

half those [h__h] so-called witnesses

1697

01:09:30,229 --> 01:09:28,960

were whack-a-doo nut jobs like dr

1698

01:09:32,550 --> 01:09:30,239

clifford stone

1699

01:09:34,070 --> 01:09:32,560

that have never proven their claims dr

1700

01:09:37,110 --> 01:09:34,080

clifford stone famously

1701

01:09:39,349 --> 01:09:37,120

claimed that he was a member of a secret

1702

01:09:41,669 --> 01:09:39,359

u.s army team that recovered alien

1703

01:09:45,030 --> 01:09:41,679

crashed alien flying saucers

1704

01:09:46,630 --> 01:09:45,040

right zero proof zero proof and later

1705

01:09:48,470 --> 01:09:46,640

that guy came out and decided he had

1706

01:09:49,829 --> 01:09:48,480

psychic powers and superpowers so that

1707

01:09:50,550 --> 01:09:49,839

shows you the credibility of his

1708

01:09:52,470 --> 01:09:50,560

so-called

1709

01:09:53,749 --> 01:09:52,480

disclosure project witnesses and

1710

01:09:56,229 --> 01:09:53,759

whistleblowers

1711

01:09:58,070 --> 01:09:56,239

it's all [h__\h] it's all a [h__\h]

1712

01:10:00,709 --> 01:09:58,080

circus welcome to the [h__\h] circus

1713

01:10:02,870 --> 01:10:00,719

send me some money buy your ticket now

1714

01:10:04,229 --> 01:10:02,880

send me the [h__h] circus send me to

1715

01:10:05,990 --> 01:10:04,239

the [h__h] circus right

1716

01:10:07,430 --> 01:10:06,000

that's what these guys do steven grier

1717

01:10:08,950 --> 01:10:07,440

has been sending me to the [h__h]

1718

01:10:11,030 --> 01:10:08,960

circus for years

1719

01:10:12,790 --> 01:10:11,040

and i bought a ticket a bunch of times i

1720

01:10:16,950 --> 01:10:12,800

bought a ticket bought a book

1721

01:10:19,430 --> 01:10:16,960

bought a video right never has he

1722

01:10:20,550 --> 01:10:19,440

uh delivered on any of his promises it's

1723

01:10:25,510 --> 01:10:20,560

just a [h__h]

1724

01:10:29,430 --> 01:10:27,430

i used to support him until this month

1725

01:10:30,550 --> 01:10:29,440

over issues not related to his supreme

1726

01:10:32,709 --> 01:10:30,560

grift

1727

01:10:33,830 --> 01:10:32,719

oh so there may be some more behind the

1728

01:10:37,830 --> 01:10:33,840

scenes uh

1729

01:10:41,350 --> 01:10:39,910

yes he is a transcendental meditation

1730

01:10:43,750 --> 01:10:41,360

expert and took that model to

1731

01:10:45,830 --> 01:10:43,760

successfully found ce5 he's an nlp

1732

01:10:47,110 --> 01:10:45,840

master as well yes i have heard him

1733

01:10:49,189 --> 01:10:47,120

myself using

1734

01:10:51,189 --> 01:10:49,199

neuro-linguistic programming techniques

1735

01:10:53,350 --> 01:10:51,199

in lectures and talks that he gives and

1736

01:10:55,110 --> 01:10:53,360

i found that to be extremely odd

1737

01:10:56,790 --> 01:10:55,120

you don't use nlp unless you're trying

1738

01:10:58,390 --> 01:10:56,800

to manipulate people

1739

01:11:00,310 --> 01:10:58,400

so is he just trying to manipulate

1740

01:11:01,189 --> 01:11:00,320

people and he knows what he's using is

1741

01:11:03,030 --> 01:11:01,199

nlp

1742

01:11:05,110 --> 01:11:03,040

he's a smart man he's very educated he

1743

01:11:07,350 --> 01:11:05,120

knows he's using nlp to manipulate large

1744

01:11:10,390 --> 01:11:07,360

crowds of people and audiences

1745

01:11:12,470 --> 01:11:10,400

why is he using a technique to

1746

01:11:13,510 --> 01:11:12,480

manipulate people in his lectures and

1747

01:11:15,990 --> 01:11:13,520

his talks

1748

01:11:17,430 --> 01:11:16,000

it does not make any sense and yes he

1749

01:11:18,550 --> 01:11:17,440

has a strong connection to the

1750

01:11:21,590 --> 01:11:18,560

transcendental

1751

01:11:23,590 --> 01:11:21,600

trans central meditation uh movement

1752

01:11:25,350 --> 01:11:23,600

he was a big supporter of that before he

1753

01:11:28,470 --> 01:11:25,360

decided that he was going to go

1754

01:11:30,870 --> 01:11:28,480

prove to the world that aliens exist

1755

01:11:32,550 --> 01:11:30,880

his word isn't proof i think he thinks

1756

01:11:33,990 --> 01:11:32,560

his word is golden he sure likes to tell

1757

01:11:35,270 --> 01:11:34,000

his stats all the time

1758

01:11:37,189 --> 01:11:35,280

yeah he talks about the millions of

1759

01:11:37,669 --> 01:11:37,199

people that visit his website and this

1760

01:11:44,310 --> 01:11:37,679

and that

1761

01:11:49,189 --> 01:11:48,070

yes galleon dialects and nlp is

1762

01:11:50,630 --> 01:11:49,199

interesting stuff

1763

01:11:52,310 --> 01:11:50,640

it is but i never could get my brain

1764

01:11:54,550 --> 01:11:52,320

around how to do it effectively so i've

1765

01:11:56,149 --> 01:11:54,560

never used it

1766

01:11:58,229 --> 01:11:56,159

i would heavily string them up in the

1767

01:12:00,310 --> 01:11:58,239

palm trees while shooting them with

1768

01:12:03,750 --> 01:12:00,320

spitballs all day long

1769

01:12:05,910 --> 01:12:03,760

i have no idea what that's sometimes

1770

01:12:07,350 --> 01:12:05,920

it's best to read the comments before we

1771

01:12:09,350 --> 01:12:07,360

pop them up

1772

01:12:10,470 --> 01:12:09,360

yes friends so uh we're coming up on an

1773

01:12:12,149 --> 01:12:10,480

hour and 15 minutes

1774

01:12:13,510 --> 01:12:12,159

i said i was gonna make this a short one

1775

01:12:14,550 --> 01:12:13,520

and i mean it yesterday we had a four

1776

01:12:17,510 --> 01:12:14,560

hour stream

1777

01:12:18,709 --> 01:12:17,520

so you know i've sort of expelled uh

1778

01:12:20,709 --> 01:12:18,719

this

1779

01:12:22,630 --> 01:12:20,719

these nagging questions i've had for

1780

01:12:25,110 --> 01:12:22,640

steven greer that i've been wanting to

1781

01:12:27,110 --> 01:12:25,120

ask him publicly for some time but never

1782

01:12:27,990 --> 01:12:27,120

really got to we glanced on some of this

1783

01:12:29,510 --> 01:12:28,000

stuff

1784

01:12:31,189 --> 01:12:29,520

on different shows you know we would

1785

01:12:32,470 --> 01:12:31,199

talk about grier five minutes because

1786

01:12:34,070 --> 01:12:32,480

somebody in the live chat brought him up

1787

01:12:35,350 --> 01:12:34,080

but i thought it would be good

1788

01:12:37,669 --> 01:12:35,360

if we could put this out into the

1789

01:12:39,669 --> 01:12:37,679

universe and say hey i've got questions

1790

01:12:42,310 --> 01:12:39,679

steven grier and they're valid questions

1791

01:12:46,149 --> 01:12:42,320

and i'm going to do this one more time

1792

01:12:47,669 --> 01:12:46,159

uh i'm fair dr stephen greer we'd love

1793

01:12:48,630 --> 01:12:47,679

to have an interview you can come on our

1794

01:12:52,149 --> 01:12:48,640

show

1795

01:12:54,390 --> 01:12:52,159

gmail.com

1796

01:12:55,510 --> 01:12:54,400

failing i know you're such a busy guy

1797

01:12:59,110 --> 01:12:55,520

you know having to

1798

01:13:01,350 --> 01:12:59,120

show people aliens and you know um

1799

01:13:02,870 --> 01:13:01,360

bring about ufo disclosure and stop the

1800

01:13:04,470 --> 01:13:02,880

government cover up and all that

1801

01:13:06,630 --> 01:13:04,480

yeah i know you're busy and you also

1802

01:13:08,229 --> 01:13:06,640

gotta create free energy devices somehow

1803

01:13:09,110 --> 01:13:08,239

because you've been taking donations for

1804

01:13:11,590 --> 01:13:09,120

that too

1805

01:13:12,790 --> 01:13:11,600

so i know you're busy so if you can't

1806

01:13:14,070 --> 01:13:12,800

actually come on the show

1807

01:13:15,750 --> 01:13:14,080

i can just give you a list of my

1808

01:13:16,630 --> 01:13:15,760

questions but principally they are we

1809

01:13:20,070 --> 01:13:16,640

want to know

1810

01:13:22,149 --> 01:13:20,080

how much money you have uh collected

1811

01:13:23,430 --> 01:13:22,159

with this project orion since its

1812

01:13:25,510 --> 01:13:23,440

inception and

1813

01:13:27,189 --> 01:13:25,520

what you did with all the money the

1814

01:13:28,630 --> 01:13:27,199

second question is can we see the

1815

01:13:30,390 --> 01:13:28,640

laboratory you promised that you were

1816

01:13:33,110 --> 01:13:30,400

going to create or lease

1817

01:13:34,630 --> 01:13:33,120

can we get a walk through third can we

1818

01:13:36,630 --> 01:13:34,640

talk to the scientists and see their

1819

01:13:38,470 --> 01:13:36,640

scholarly articles and papers they've

1820

01:13:39,110 --> 01:13:38,480

written on this free energy technology

1821

01:13:42,470 --> 01:13:39,120

that

1822

01:13:44,470 --> 01:13:42,480

in a short time after you brought them

1823

01:13:46,630 --> 01:13:44,480

together

1824

01:13:48,630 --> 01:13:46,640

can we see the working prototypes that

1825

01:13:50,149 --> 01:13:48,640

you claim the technology demonstrators

1826

01:13:52,229 --> 01:13:50,159

you are going to have and can we see how

1827

01:13:54,149 --> 01:13:52,239

many free energy devices you gave away

1828

01:13:55,830 --> 01:13:54,159

to third world and developing countries

1829

01:13:57,030 --> 01:13:55,840

as gifts as you claimed that you were

1830

01:13:59,030 --> 01:13:57,040

going to do

1831

01:14:01,510 --> 01:13:59,040

i'm sure i have more questions but those

1832

01:14:04,550 --> 01:14:01,520

are the gist of my questions

1833

01:14:05,030 --> 01:14:04,560

uh these are valid questions and failing

1834

01:14:06,790 --> 01:14:05,040

that

1835

01:14:09,350 --> 01:14:06,800

uh i guess i should just let him know

1836

01:14:11,669 --> 01:14:09,360

that if that's a 501c3 then there's

1837

01:14:14,070 --> 01:14:11,679

something called a 990

1838

01:14:16,229 --> 01:14:14,080

which means he's legally obligated to

1839

01:14:19,510 --> 01:14:16,239

produce on request

1840

01:14:21,430 --> 01:14:19,520

a 990 form for each year uh

1841

01:14:23,030 --> 01:14:21,440

but i believe i can only legally ask for

1842

01:14:25,350 --> 01:14:23,040

three years so i would

1843

01:14:26,709 --> 01:14:25,360

i suppose if dr stephen greer refuses to

1844

01:14:28,550 --> 01:14:26,719

answer my questions then we're going to

1845

01:14:29,990 --> 01:14:28,560

get the 990 forms for

1846

01:14:31,590 --> 01:14:30,000

that this organization and we're going

1847

01:14:33,350 --> 01:14:31,600

to make those public

1848

01:14:35,510 --> 01:14:33,360

um but it'd be a lot easier if he just

1849

01:14:38,709 --> 01:14:35,520

gave them to us

1850

01:14:41,110 --> 01:14:38,719

and he is actually he's legally

1851

01:14:42,790 --> 01:14:41,120

obligated to give them to me if i ask

1852

01:14:44,149 --> 01:14:42,800

for them so here i am i'm asking for

1853

01:14:46,070 --> 01:14:44,159

them and i'm going to send a formal

1854

01:14:47,910 --> 01:14:46,080

written request later today

1855

01:14:49,350 --> 01:14:47,920

for those 990 forms and then we're going

1856

01:14:51,510 --> 01:14:49,360

to share them here on my show because

1857

01:14:53,910 --> 01:14:51,520

it's in the public interest to see

1858

01:14:57,030 --> 01:14:53,920

how much money mr greer collected with

1859

01:14:58,470 --> 01:14:57,040

this orionproject.org

1860

01:15:00,070 --> 01:14:58,480

and for those who want to visit the

1861

01:15:03,189 --> 01:15:00,080

website it's the

1862

01:15:04,470 --> 01:15:03,199

t-h-e orionproject.org to go to the

1863

01:15:05,990 --> 01:15:04,480

website you can see it's still in

1864

01:15:09,110 --> 01:15:06,000

existence

1865

01:15:11,750 --> 01:15:09,120

i didn't see a paypal donate button but

1866

01:15:12,709 --> 01:15:11,760

i'm sure if he wanted to donate uh he

1867

01:15:15,110 --> 01:15:12,719

would take the money

1868

01:15:17,430 --> 01:15:15,120

right if that organization is indeed

1869

01:15:20,390 --> 01:15:17,440

still active i could be

1870

01:15:22,310 --> 01:15:20,400

um way misinformed we're just beginning

1871

01:15:24,950 --> 01:15:22,320

this this is sort of an introduction

1872

01:15:26,470 --> 01:15:24,960

a part one into dr stephen greer's orion

1873

01:15:27,430 --> 01:15:26,480

project and certainly there will be a

1874

01:15:29,669 --> 01:15:27,440

part two

1875

01:15:31,910 --> 01:15:29,679

when i have more information to share

1876

01:15:33,110 --> 01:15:31,920

especially those financial forms can't

1877

01:15:36,070 --> 01:15:33,120

wait to see

1878

01:15:36,870 --> 01:15:36,080

dr stephen grier how much cash you

1879

01:15:39,990 --> 01:15:36,880

collected

1880

01:15:41,910 --> 01:15:40,000

cash free tax free cash right

1881

01:15:43,669 --> 01:15:41,920

and can't wait to see what you spend it

1882

01:15:46,630 --> 01:15:43,679

all on that's what the 994

1883

01:15:48,149 --> 01:15:46,640

tells us thank god for 990 forms because

1884

01:15:56,950 --> 01:15:48,159

we're going to be able to see it

1885

01:16:05,590 --> 01:15:59,990

he's a little dehydrated freaks people

1886

01:16:07,430 --> 01:16:05,600

yeah he's starting to shrivel

1887

01:16:09,669 --> 01:16:07,440

all right friends i appreciate everybody

1888

01:16:11,270 --> 01:16:09,679

that joined us today for this rare early

1889

01:16:12,790 --> 01:16:11,280

show i want to thank each and every one

1890

01:16:14,550 --> 01:16:12,800

of you for joining us there may be a

1891

01:16:16,229 --> 01:16:14,560

show later it depends on if i finish

1892

01:16:18,229 --> 01:16:16,239

some things that i need to finish

1893

01:16:19,990 --> 01:16:18,239

i've got a bunch in q here that are like

1894

01:16:23,669 --> 01:16:20,000

this sort of uh

1895

01:16:24,070 --> 01:16:23,679

you know uh just some information to

1896

01:16:27,189 --> 01:16:24,080

share

1897

01:16:29,030 --> 01:16:27,199

and some good things to talk about

1898

01:16:30,470 --> 01:16:29,040

so friends uh i want to thank you all

1899

01:16:32,470 --> 01:16:30,480

for joining us please check

1900

01:16:34,550 --> 01:16:32,480

back in with us please do like comment

1901

01:16:37,350 --> 01:16:34,560

and subscribe that really does help

1902

01:16:38,870 --> 01:16:37,360

the show it helps uh raise us in the

1903

01:16:41,990 --> 01:16:38,880

search engine

1904

01:16:43,669 --> 01:16:42,000

and uh that's why everybody asks every

1905

01:16:44,790 --> 01:16:43,679

youtube content creator asks people to

1906

01:16:47,669 --> 01:16:44,800

do that

1907

01:16:49,669 --> 01:16:47,679

you can also make a paypal donation or

1908

01:16:50,470 --> 01:16:49,679

support us on patreon there's links in

1909

01:16:53,669 --> 01:16:50,480

the about

1910

01:16:57,110 --> 01:16:53,679

section of our show here so until next

1911

01:17:03,810 --> 01:16:57,120

time friends my name is stephen campion

1912

01:17:54,810 --> 01:17:03,820

good afternoon and god bless all of you

1913

01:18:33,980 --> 01:18:02,380

[Music]
