

1
00:01:52,830 --> 00:01:01,870

[Music]

2
00:01:52,840 --> 00:02:08,219

so

3
00:02:22,150 --> 00:02:15,050

[Music]

4
00:02:26,630 --> 00:02:25,430
greetings and salutations uh we are back

5
00:02:30,309 --> 00:02:26,640
after a short break

6
00:02:33,350 --> 00:02:30,319
and tonight we're going to be uh really

7
00:02:33,990 --> 00:02:33,360
going down a rabbit hole here i suppose

8
00:02:37,990 --> 00:02:34,000
but that's

9
00:02:41,190 --> 00:02:38,000
kind of what we do here so

10
00:02:45,190 --> 00:02:41,200
early on i had an intense interest in

11
00:02:47,670 --> 00:02:45,200
ufos and aliens and flying saucers

12
00:02:49,670 --> 00:02:47,680
and i digested as much of the material

13
00:02:52,790 --> 00:02:49,680

out there that i could

14

00:02:56,070 --> 00:02:52,800
and somewhere along the way

15

00:03:02,630 --> 00:02:59,750
some of these people who claim that they

16

00:03:04,869 --> 00:03:02,640
channel extraterrestrial aliens from

17

00:03:07,270 --> 00:03:04,879
other star systems

18

00:03:07,910 --> 00:03:07,280
for those that are not aware channeling

19

00:03:12,470 --> 00:03:07,920
is not

20

00:03:16,149 --> 00:03:12,480
new people have claimed to channel

21

00:03:19,430 --> 00:03:16,159
uh demons angels

22

00:03:22,550 --> 00:03:19,440
otherworldly entities for thousands

23

00:03:24,070 --> 00:03:22,560
and thousands of years but the

24

00:03:27,589 --> 00:03:24,080
phenomenon i suppose

25

00:03:30,869 --> 00:03:27,599
of someone channeling

26

00:03:33,910 --> 00:03:30,879

alien is somewhat more

27

00:03:37,830 --> 00:03:33,920

recent so

28

00:03:41,589 --> 00:03:37,840

early on i uh wanting to digest

29

00:03:44,830 --> 00:03:41,599

everything on this subject i looked into

30

00:03:49,110 --> 00:03:44,840

many of them these

31

00:03:52,309 --> 00:03:49,120

so-called e.t channelers

32

00:03:56,309 --> 00:03:52,319

and i suppose after uh i don't know

33

00:03:59,350 --> 00:03:56,319

spending a great deal of time

34

00:04:01,110 --> 00:03:59,360

energy and attention

35

00:04:02,630 --> 00:04:01,120

i came away thinking that there was

36

00:04:05,110 --> 00:04:02,640

nothing of value

37

00:04:05,830 --> 00:04:05,120

to anything that these people were

38

00:04:10,470 --> 00:04:05,840

saying

39

00:04:14,070 --> 00:04:10,480

or selling it's interesting to note that

40

00:04:17,270 --> 00:04:14,080

those messages from other star systems

41

00:04:17,909 --> 00:04:17,280

being channeled into a human are not

42

00:04:21,189 --> 00:04:17,919

free

43

00:04:24,790 --> 00:04:21,199

in many cases and in fact many of these

44

00:04:29,590 --> 00:04:24,800

channelers put their alien

45

00:04:32,230 --> 00:04:29,600

channeled messages behind a paywall

46

00:04:33,430 --> 00:04:32,240

i find that fascinating so you're

47

00:04:36,230 --> 00:04:33,440

talking to

48

00:04:37,110 --> 00:04:36,240

extra terrestrial aliens from other star

49

00:04:39,430 --> 00:04:37,120

systems or

50

00:04:40,950 --> 00:04:39,440

i'm sorry they're talking through you

51
00:04:43,990 --> 00:04:40,960
and delivering

52
00:04:46,790 --> 00:04:44,000
important messages for all of humankind

53
00:04:47,749 --> 00:04:46,800
but you gotta pay for those messages

54
00:04:50,469 --> 00:04:47,759
right

55
00:04:52,710 --> 00:04:50,479
now to be fair uh many of them put a lot

56
00:04:56,310 --> 00:04:52,720
of their

57
00:04:59,270 --> 00:04:56,320
material on youtube for free

58
00:05:00,629 --> 00:04:59,280
but most that i have encountered of any

59
00:05:03,189 --> 00:05:00,639
prominence

60
00:05:04,790 --> 00:05:03,199
are the ones that are charging cash for

61
00:05:08,070 --> 00:05:04,800
their channel

62
00:05:11,110 --> 00:05:08,080
alien mumbo jumbo

63
00:05:13,749 --> 00:05:11,120

and in studying a lot of them it seems

64

00:05:14,150 --> 00:05:13,759

there's a common thread and that is that

65

00:05:16,870 --> 00:05:14,160

these

66

00:05:17,430 --> 00:05:16,880

aliens that are being channeled are

67

00:05:20,950 --> 00:05:17,440

space

68

00:05:23,990 --> 00:05:20,960

brothers they want the best for humanity

69

00:05:27,029 --> 00:05:24,000

and there is a tacking on or

70

00:05:29,590 --> 00:05:27,039

inclusion of some sort of spiritualist

71

00:05:32,469 --> 00:05:29,600

or spiritual i should say

72

00:05:33,830 --> 00:05:32,479

message through these aliens which is

73

00:05:36,469 --> 00:05:33,840

interesting

74

00:05:38,870 --> 00:05:36,479

you know and there are famous examples

75

00:05:42,950 --> 00:05:38,880

of this like the law of one

76

00:05:45,189 --> 00:05:42,960

and uh you know i suppose also

77

00:05:48,629 --> 00:05:45,199

a very famous book that was channeled

78

00:05:50,870 --> 00:05:48,639

information was the arancia book

79

00:05:52,629 --> 00:05:50,880

but these are different to me than some

80

00:05:54,790 --> 00:05:52,639

of these alien channelers

81

00:05:57,430 --> 00:05:54,800

both the long one and the urantia book

82

00:06:00,150 --> 00:05:57,440

because it seems to me that many people

83

00:06:01,029 --> 00:06:00,160

find tremendous value in both of those

84

00:06:02,710 --> 00:06:01,039

books

85

00:06:04,710 --> 00:06:02,720

both of which are based on channeled

86

00:06:09,110 --> 00:06:04,720

information

87

00:06:12,550 --> 00:06:09,120

but i'm not able to find uh really

88

00:06:13,270 --> 00:06:12,560

any proof that there's value any sort of

89

00:06:16,309 --> 00:06:13,280

value

90

00:06:19,270 --> 00:06:16,319

in what these so-called

91

00:06:20,230 --> 00:06:19,280

alien channelers are putting out there

92

00:06:22,629 --> 00:06:20,240

um

93

00:06:24,309 --> 00:06:22,639

recently i've sort of at the request

94

00:06:26,469 --> 00:06:24,319

this is this show is a

95

00:06:28,629 --> 00:06:26,479

viewer request who wanted me to cover

96

00:06:32,309 --> 00:06:28,639

these alien channelers

97

00:06:33,590 --> 00:06:32,319

so uh we try to please our audience here

98

00:06:35,830 --> 00:06:33,600

so i have been

99

00:06:36,790 --> 00:06:35,840

sort of dipping my feet in again and

100

00:06:38,390 --> 00:06:36,800

seeing

101
00:06:40,870 --> 00:06:38,400
what is out there it's been a year since

102
00:06:43,909 --> 00:06:40,880
i've listened to one of these people

103
00:06:45,990 --> 00:06:43,919
again on my first uh that sort of

104
00:06:49,029 --> 00:06:46,000
investigation into these

105
00:06:55,510 --> 00:06:49,039
people i oh

106
00:07:07,589 --> 00:07:02,710
check one here

107
00:07:07,599 --> 00:07:13,110
is that better genocide

108
00:07:19,029 --> 00:07:16,710
this is all backwards hold on hold on

109
00:07:19,749 --> 00:07:19,039
there we go i can get it right in my

110
00:07:24,469 --> 00:07:19,759
face there

111
00:07:27,990 --> 00:07:24,479
genocide that should be better

112
00:07:29,670 --> 00:07:28,000
okay sorry about that friends so uh

113
00:07:31,270 --> 00:07:29,680

yeah it's a live show these things are

114

00:07:32,950 --> 00:07:31,280

going to happen

115

00:07:35,350 --> 00:07:32,960

one second let me see if i can get that

116

00:07:38,390 --> 00:07:35,360

out of your camera

117

00:07:40,390 --> 00:07:38,400

there we go so you know on first

118

00:07:43,430 --> 00:07:40,400

examination of these people

119

00:07:44,230 --> 00:07:43,440

uh i did not find much value in

120

00:07:46,469 --> 00:07:44,240

continuing

121

00:07:47,670 --> 00:07:46,479

listening to any of them it seemed to me

122

00:07:50,150 --> 00:07:47,680

that many of them have

123

00:07:52,469 --> 00:07:50,160

similar messages of light and love and

124

00:07:55,350 --> 00:07:52,479

hope for humanity

125

00:07:57,350 --> 00:07:55,360

um and again most of them put their

126

00:07:59,029 --> 00:07:57,360

messages behind pay walls or they're

127

00:08:02,629 --> 00:07:59,039

always selling something

128

00:08:05,909 --> 00:08:02,639

you know like my book of channelings

129

00:08:08,950 --> 00:08:05,919

uh my dvd of my channelings

130

00:08:12,230 --> 00:08:08,960

or pay me on patreon and i put

131

00:08:13,430 --> 00:08:12,240

a lot of things behind my paywall

132

00:08:15,270 --> 00:08:13,440

not that there's anything wrong with

133

00:08:18,390 --> 00:08:15,280

that i have a patreon

134

00:08:21,110 --> 00:08:18,400

um but i don't

135

00:08:22,710 --> 00:08:21,120

i just don't see the value in what these

136

00:08:25,430 --> 00:08:22,720

people are talking about

137

00:08:25,990 --> 00:08:25,440

and uh i thought tonight we're just

138

00:08:29,270 --> 00:08:26,000

gonna

139

00:08:32,389 --> 00:08:29,280

go through a few of them and

140

00:08:34,230 --> 00:08:32,399

talk about them uh and what it is that

141

00:08:37,430 --> 00:08:34,240

they are

142

00:08:40,630 --> 00:08:37,440

world and uh

143

00:08:41,029 --> 00:08:40,640

we can decide together if these messages

144

00:08:44,389 --> 00:08:41,039

these

145

00:08:47,030 --> 00:08:44,399

so-called alien messages being channeled

146

00:08:50,870 --> 00:08:47,040

through humans on planet earth have any

147

00:08:55,430 --> 00:08:50,880

value to anyone

148

00:08:57,590 --> 00:08:55,440

i i i i'm trying not to be cynical

149

00:09:00,070 --> 00:08:57,600

and i'm also trying to keep an open mind

150

00:09:02,150 --> 00:09:00,080

because i was reminded earlier today

151
00:09:04,389 --> 00:09:02,160
from someone who is friends with one of

152
00:09:08,310 --> 00:09:04,399
these alien channelers that some of them

153
00:09:11,190 --> 00:09:08,320
are really good and nice people

154
00:09:12,070 --> 00:09:11,200
or so i'm told and this person earlier

155
00:09:14,389 --> 00:09:12,080
today

156
00:09:15,590 --> 00:09:14,399
wasn't the first person to mention one

157
00:09:18,949 --> 00:09:15,600
person in particular

158
00:09:23,350 --> 00:09:18,959
as being such a tremendous human being

159
00:09:26,470 --> 00:09:23,360
such a good person um so i'm trying to

160
00:09:30,630 --> 00:09:26,480
put aside my usual cynical nature

161
00:09:35,829 --> 00:09:30,640
and uh be a little more open-minded

162
00:09:37,590 --> 00:09:35,839
uh can i disprove that these people

163
00:09:39,670 --> 00:09:37,600

aren't really talking to aliens not

164

00:09:42,949 --> 00:09:39,680

really can i prove it

165

00:09:44,790 --> 00:09:42,959

no i can't prove they can't prove that

166

00:09:49,190 --> 00:09:44,800

they're really talking to aliens

167

00:09:50,949 --> 00:09:49,200

some try with like predictions and

168

00:09:52,710 --> 00:09:50,959

different things like that i don't think

169

00:09:56,389 --> 00:09:52,720

that most of these people can prove

170

00:09:59,829 --> 00:09:56,399

that they are channeling aliens but i

171

00:10:02,069 --> 00:09:59,839

as an investigator could not disprove it

172

00:10:03,269 --> 00:10:02,079

either it's kind of my word against

173

00:10:06,310 --> 00:10:03,279

theirs

174

00:10:08,470 --> 00:10:06,320

i suppose or my beliefs versus their

175

00:10:09,829 --> 00:10:08,480

beliefs

176

00:10:12,470 --> 00:10:09,839

some of these people dedicate their

177

00:10:14,069 --> 00:10:12,480

lives to this which leads me to believe

178

00:10:15,910 --> 00:10:14,079

that they at least much

179

00:10:18,069 --> 00:10:15,920

really believe that they're channeling

180

00:10:21,269 --> 00:10:18,079

aliens or why dedicate most of your

181

00:10:24,389 --> 00:10:21,279

life to this phenomenon

182

00:10:27,990 --> 00:10:24,399

so uh we're gonna cite fair use and

183

00:10:31,990 --> 00:10:28,000

we will be sharing a video

184

00:10:34,310 --> 00:10:32,000

on someone called the e

185

00:10:35,990 --> 00:10:34,320

oh actually wait we're going to start

186

00:10:39,190 --> 00:10:36,000

with the alien channeler

187

00:10:42,949 --> 00:10:39,200

who says he speaks to extraterrestrials

188

00:10:47,110 --> 00:10:42,959

and this is a vice piece um

189

00:10:51,590 --> 00:10:47,120

a piece from vice video

190

00:10:55,509 --> 00:10:53,509

we have a fair use banner now we're

191

00:10:57,269 --> 00:10:55,519

moving up in the world

192

00:10:58,949 --> 00:10:57,279

okay there we go fair use this is a

193

00:10:59,990 --> 00:10:58,959

transformative work we're educating the

194

00:11:03,590 --> 00:11:00,000

public and critiquing

195

00:11:08,550 --> 00:11:03,600

the video shared so we're going to be

196

00:11:12,710 --> 00:11:11,269

this video about a gentleman who claims

197

00:11:15,990 --> 00:11:12,720

that he

198

00:11:17,590 --> 00:11:16,000

speaks to extraterrestrials and uh from

199

00:11:18,710 --> 00:11:17,600

what i'm told from several friends that

200

00:11:22,069 --> 00:11:18,720

are into this

201
00:11:23,829 --> 00:11:22,079
sort of thing i'm generally not uh this

202
00:11:25,910 --> 00:11:23,839
is one of the more popular

203
00:11:27,269 --> 00:11:25,920
guys in the world who claims to channel

204
00:11:34,389 --> 00:11:27,279
aliens

205
00:11:38,069 --> 00:11:35,990
again this is fair use i'm going to be

206
00:11:39,110 --> 00:11:38,079
stopping and i will be discussing this

207
00:11:45,269 --> 00:11:39,120
video along the way

208
00:11:49,829 --> 00:11:48,949
hello hello we are the ielts we are the

209
00:11:52,069 --> 00:11:49,839
iel

210
00:11:54,550 --> 00:11:52,079
we are the yael and we i would like to

211
00:11:59,829 --> 00:11:54,560
be of service to you today if we can

212
00:12:03,829 --> 00:12:03,030
i see some of these guys seem pretty

213
00:12:05,509 --> 00:12:03,839

hokey to me

214

00:12:08,230 --> 00:12:05,519

and this guy just strikes me as pretty

215

00:12:13,110 --> 00:12:08,240

hokey you know

216

00:12:16,870 --> 00:12:14,710

ten questions you've always wanted i'm

217

00:12:20,389 --> 00:12:16,880

jonathan martin i'm an extraterrestrial

218

00:12:23,829 --> 00:12:22,600

they're an extraterrestrial civilization

219

00:12:27,190 --> 00:12:23,839

[Music]

220

00:12:28,470 --> 00:12:27,200

our future they tunnel through to our

221

00:12:31,750 --> 00:12:28,480

timeline

222

00:12:32,629 --> 00:12:31,760

to reproduce with us they're actually

223

00:12:35,110 --> 00:12:32,639

extracting

224

00:12:37,269 --> 00:12:35,120

um semen and eggs from male and females

225

00:12:40,150 --> 00:12:37,279

and mixing our genetic material with

226

00:12:41,990 --> 00:12:40,160

they're harvesting us to well i'm not

227

00:12:43,269 --> 00:12:42,000

sure what's worse the reptilians who

228

00:12:46,069 --> 00:12:43,279

want to [h__h] us and eat us

229

00:12:47,829 --> 00:12:46,079

i'm not sure in what order maybe they

230

00:12:49,750 --> 00:12:47,839

[h__h] you for a while until they're sick

231

00:12:51,990 --> 00:12:49,760

of [h__h] you and then they eat you

232

00:12:53,670 --> 00:12:52,000

the easy i yell aliens that heat

233

00:12:57,269 --> 00:12:53,680

channels are

234

00:13:02,550 --> 00:12:57,279

harvesting humans for eggs and sperm

235

00:13:06,389 --> 00:13:03,750

i'm pretty sure i've heard this one

236

00:13:09,509 --> 00:13:06,399

before to produce a hybrid race to help

237

00:13:12,389 --> 00:13:09,519

them to help prolong their civilization

238

00:13:13,590 --> 00:13:12,399

now yes there's a common uh in ufo

239

00:13:16,870 --> 00:13:13,600

mythology that

240

00:13:21,190 --> 00:13:16,880

the grey aliens have some form of

241

00:13:24,710 --> 00:13:21,200

neuropathy or genetic neuropathy or

242

00:13:28,710 --> 00:13:24,720

genetic failure and they need our dna

243

00:13:32,069 --> 00:13:28,720

to quicken themselves and continue the

244

00:13:33,110 --> 00:13:32,079

their race existing somehow this is a

245

00:13:34,949 --> 00:13:33,120

common theme

246

00:13:37,430 --> 00:13:34,959

i suspect he just kind of picked up on

247

00:13:40,470 --> 00:13:37,440

that and ran with it

248

00:13:43,189 --> 00:13:40,480

oh consensual sex with aliens

249

00:13:44,870 --> 00:13:43,199

yes well from what they teach we're

250

00:13:46,629 --> 00:13:44,880

going to be a seventh hybrid race

251
00:13:48,389 --> 00:13:46,639
and we're all going to interbreed with

252
00:13:49,509 --> 00:13:48,399
all the hybrid civilizations and the

253
00:13:50,949 --> 00:13:49,519
extraterrestrials and we're going to be

254
00:13:53,430 --> 00:13:50,959
a new species formed

255
00:13:55,189 --> 00:13:53,440
so yes presumably to achieve that we're

256
00:13:57,269 --> 00:13:55,199
going to be having consensual sex with

257
00:13:59,110 --> 00:13:57,279
these extraterrestrials

258
00:14:01,350 --> 00:13:59,120
well i guess that's so much better

259
00:14:03,189 --> 00:14:01,360
though these yao yell

260
00:14:05,189 --> 00:14:03,199
they want to have consensual sex with

261
00:14:07,110 --> 00:14:05,199
humans right because the

262
00:14:09,110 --> 00:14:07,120
reptilian aliens just want to [h__\h] us

263
00:14:12,230 --> 00:14:09,120

and eat us so that's kind of like

264

00:14:14,230 --> 00:14:12,240

reptilian rape i would think right

265

00:14:15,990 --> 00:14:14,240

the reptilian aliens want to rape us

266

00:14:22,470 --> 00:14:16,000

these aliens are better because they

267

00:14:28,629 --> 00:14:25,670

a sort of a blend of

268

00:14:29,990 --> 00:14:28,639

the the grey extraterrestrial and the

269

00:14:31,590 --> 00:14:30,000

humans i don't know if other

270

00:14:33,189 --> 00:14:31,600

civilizations may be involved because

271

00:14:34,949 --> 00:14:33,199

there's some well-known extraterrestrial

272

00:14:36,710 --> 00:14:34,959

racessuch as the pleiadians are known

273

00:14:37,590 --> 00:14:36,720

as very beautiful beings they sometimes

274

00:14:39,750 --> 00:14:37,600

call them

275

00:14:41,269 --> 00:14:39,760

nordics because they're like blonde and

276

00:14:43,509 --> 00:14:41,279

long hair and like

277

00:14:45,750 --> 00:14:43,519

really yes there isn't just one kind of

278

00:14:47,990 --> 00:14:45,760

alien friends there is a gallery of

279

00:14:49,829 --> 00:14:48,000

aliens that you can choose from

280

00:14:51,590 --> 00:14:49,839

and one person that talks about this

281

00:14:54,470 --> 00:14:51,600

stuff builds on the [h__\h] of

282

00:14:55,590 --> 00:14:54,480

someone else the pleadians of course

283

00:15:01,430 --> 00:14:55,600

billy meyer

284

00:15:05,430 --> 00:15:03,590

from what i understand they view us as

285

00:15:07,670 --> 00:15:05,440

basically completely insane

286

00:15:09,030 --> 00:15:07,680

when they see us worrying about things

287

00:15:11,110 --> 00:15:09,040

things like death

288

00:15:12,710 --> 00:15:11,120

they find it hilarious and when they see

289

00:15:13,509 --> 00:15:12,720

us like running around like headless

290

00:15:14,790 --> 00:15:13,519

chickens

291

00:15:16,310 --> 00:15:14,800

just to create money just to keep

292

00:15:18,470 --> 00:15:16,320

ourselves alive and they know it's all a

293

00:15:20,310 --> 00:15:18,480

big joke because you can't die anyway

294

00:15:27,829 --> 00:15:20,320

and they say even if we did die you can

295

00:15:29,910 --> 00:15:27,839

choose to come back from the death state

296

00:15:31,269 --> 00:15:29,920

yeah when i first came yeah i could

297

00:15:33,350 --> 00:15:31,279

imagine that telling your friends and

298

00:15:34,150 --> 00:15:33,360

family that you channel aliens is uh

299

00:15:35,990 --> 00:15:34,160

kind of like

300

00:15:37,829 --> 00:15:36,000

coming out as being gay or something

301

00:15:39,590 --> 00:15:37,839

like out with it when i first started

302

00:15:41,189 --> 00:15:39,600

doing youtube videos there was a bit of

303

00:15:43,749 --> 00:15:41,199

mickey taking

304

00:15:45,910 --> 00:15:43,759

from some of my old friends for sure but

305

00:15:49,269 --> 00:15:45,920

i think generally they're a lot more

306

00:15:51,189 --> 00:15:49,279

supportive i think people are just um

307

00:15:52,870 --> 00:15:51,199

like to see me doing my thing you know i

308

00:15:54,310 --> 00:15:52,880

mean people are

309

00:15:55,749 --> 00:15:54,320

like yeah well done you know what i mean

310

00:15:57,350 --> 00:15:55,759

we may not agree with what you're doing

311

00:15:58,790 --> 00:15:57,360

but good on you for not worrying about

312

00:16:00,069 --> 00:15:58,800

what other people think and going out

313

00:16:03,269 --> 00:16:00,079

there and doing it and that

314

00:16:05,749 --> 00:16:03,279

that's generally the perception yeah

315

00:16:06,389 --> 00:16:05,759

uh we think you're full of [\h__\h] but good

316

00:16:08,710 --> 00:16:06,399

for you

317

00:16:09,509 --> 00:16:08,720

for being full of [\h__\h] with full

318

00:16:12,949 --> 00:16:09,519

confidence

319

00:16:16,230 --> 00:16:12,959

about being full of [\h__\h] like i i don't

320

00:16:21,030 --> 00:16:18,870

oh an alien best friend i have one

321

00:16:24,310 --> 00:16:21,040

entity that's

322

00:16:25,749 --> 00:16:24,320

it's called or refers to himself to me

323

00:16:29,189 --> 00:16:25,759

as tahini era

324

00:16:31,749 --> 00:16:29,199

he's all my tahini raw raw

325

00:16:33,110 --> 00:16:31,759

this guy's channeling raw why don't all

326

00:16:35,110 --> 00:16:33,120

these guys

327

00:16:37,910 --> 00:16:35,120

connect themselves to raw for some

328

00:16:41,189 --> 00:16:37,920

reason it's not me

329

00:16:43,910 --> 00:16:41,199

it's not all of them but

330

00:16:44,949 --> 00:16:43,920

david wilcock famously channeled raw is

331

00:16:50,629 --> 00:16:44,959

he

332

00:16:52,230 --> 00:16:50,639

david wilcock channels

333

00:16:54,790 --> 00:16:52,240

that is david wilcock going to sue him

334

00:16:58,470 --> 00:16:54,800

for channeling his alien

335

00:16:59,990 --> 00:16:58,480

his alien god ra it's quite weird when i

336

00:17:01,670 --> 00:17:00,000

first saw him because it was like seeing

337

00:17:04,710 --> 00:17:01,680

me and another person

338

00:17:10,390 --> 00:17:04,720

and so yeah you could say we're best

339

00:17:13,669 --> 00:17:12,069

part of the process of spiritual

340

00:17:16,470 --> 00:17:13,679

awakening is

341

00:17:17,270 --> 00:17:16,480

bring to the surface out of any out of

342

00:17:18,470 --> 00:17:17,280

alignment

343

00:17:20,949 --> 00:17:18,480

where we have beliefs of lack of

344

00:17:21,829 --> 00:17:20,959

self-worth you know beliefs of not being

345

00:17:24,150 --> 00:17:21,839

loved

346

00:17:25,189 --> 00:17:24,160

beliefs i'm useless i'm a failure i'm

347

00:17:26,949 --> 00:17:25,199

ugly

348

00:17:28,390 --> 00:17:26,959

it can be very painful at times yeah

349

00:17:31,909 --> 00:17:28,400

dealing with your um

350

00:17:33,830 --> 00:17:31,919

darkest fears about yourself uh they

351

00:17:35,270 --> 00:17:33,840

asked him if the aliens ever heard his

352

00:17:37,110 --> 00:17:35,280

feelings and he's talking about

353

00:17:37,830 --> 00:17:37,120

confronting the darkest fears about

354

00:17:40,950 --> 00:17:37,840

himself

355

00:17:44,870 --> 00:17:40,960

i think he's confused uh

356

00:17:49,350 --> 00:17:46,390

yeah let's say that's the alien some

357

00:17:53,029 --> 00:17:49,360

questions oh here we go

358

00:17:54,470 --> 00:17:53,039

he's gonna channel some aliens bro

359

00:17:56,630 --> 00:17:54,480

if you wish to proceed with your

360

00:17:57,430 --> 00:17:56,640

questions we shall answer to the best of

361

00:17:59,190 --> 00:17:57,440

our ability

362

00:18:01,750 --> 00:17:59,200

in this given present moment here in

363

00:18:02,950 --> 00:18:01,760

this time space reality you call planet

364

00:18:06,870 --> 00:18:02,960

earth

365

00:18:11,590 --> 00:18:06,880

aliens speak perfect

366

00:18:11,600 --> 00:18:15,669

messenger

367

00:18:20,150 --> 00:18:18,549

follow your excitement follow your heart

368

00:18:26,390 --> 00:18:20,160

to the best of your ability

369

00:18:30,070 --> 00:18:27,990

they're gonna ask the aliens if they

370

00:18:32,310 --> 00:18:30,080

heard a voice

371

00:18:33,430 --> 00:18:32,320

we have heard of your company vice

372

00:18:35,190 --> 00:18:33,440

through the channel

373

00:18:37,270 --> 00:18:35,200

and through a variety of contests we

374

00:18:40,390 --> 00:18:37,280

understand you're an expanding company

375

00:18:41,350 --> 00:18:40,400

an expanding organization a very new age

376

00:18:45,350 --> 00:18:41,360

a very

377

00:18:47,669 --> 00:18:45,360

civilization we like the idea that you

378

00:18:48,870 --> 00:18:47,679

explore new ideas new creative ideas

379

00:18:51,990 --> 00:18:48,880

because this is the idea

380

00:18:55,190 --> 00:18:52,000

is the cutting edge of your civilization

381

00:18:58,950 --> 00:18:55,200

why would an alien species care about

382

00:19:00,950 --> 00:18:58,960

a media company on another planet

383

00:19:05,590 --> 00:19:00,960

why would they know about that that's

384

00:19:09,430 --> 00:19:07,909

it's a perspective you define your

385

00:19:11,270 --> 00:19:09,440

reality your definitions and your

386

00:19:13,029 --> 00:19:11,280

beliefs create your reality

387

00:19:15,669 --> 00:19:13,039

anything you give a positive definition

388

00:19:18,310 --> 00:19:15,679

to can only create a positive outcome

389

00:19:19,669 --> 00:19:18,320

so if you say to yourself i believe

390

00:19:24,150 --> 00:19:19,679

brexit will create

391

00:19:27,350 --> 00:19:24,160

a positive outcome for us it will

392

00:19:28,870 --> 00:19:27,360

oh a final message for us now this has

393

00:19:30,230 --> 00:19:28,880

got to be an important message right

394

00:19:32,630 --> 00:19:30,240

this is the final message

395

00:19:35,190 --> 00:19:32,640

we'll see we'll see what the alien says

396

00:19:37,750 --> 00:19:35,200

we would say to you

397

00:19:38,950 --> 00:19:37,760

with regards to a previous question from

398

00:19:42,070 --> 00:19:38,960

our hearts

399

00:19:44,310 --> 00:19:42,080

your civilization is going to make it

400

00:19:45,830 --> 00:19:44,320

you have been through bumpy times there

401
00:19:48,230 --> 00:19:45,840
were times

402
00:19:49,110 --> 00:19:48,240
on some timelines there have been

403
00:19:50,710 --> 00:19:49,120
timelines

404
00:19:55,909 --> 00:19:50,720
where your civilization has already come

405
00:19:59,590 --> 00:19:58,710
well thank you to you vice and thank you

406
00:20:02,390 --> 00:19:59,600
to you

407
00:20:04,070 --> 00:20:02,400
planet humanity and we say shivai for we

408
00:20:05,590 --> 00:20:04,080
are following our excitement as you are

409
00:20:06,070 --> 00:20:05,600
following your excitement and we are

410
00:20:08,870 --> 00:20:06,080
becoming

411
00:20:10,310 --> 00:20:08,880
one new civilization a new third reality

412
00:20:12,390 --> 00:20:10,320
with our civilization and your

413
00:20:17,110 --> 00:20:12,400

civilization co-creating on planet earth

414

00:20:26,230 --> 00:20:20,710

yeah i'm sorry uh this guy uh i've come

415

00:20:32,230 --> 00:20:28,950

it just just seems like gobbly [h__h]

416

00:20:38,870 --> 00:20:35,270

but you know like yeah i guess good for

417

00:20:45,270 --> 00:20:42,789

okay so now uh i've got two more

418

00:20:46,549 --> 00:20:45,280

including somebody who channels a

419

00:20:51,110 --> 00:20:46,559

pleiadian

420

00:20:57,270 --> 00:20:51,120

and somebody who channels

421

00:21:03,029 --> 00:21:01,110

um i guess we'll we'll start with the

422

00:21:06,390 --> 00:21:03,039

pleiadian channeler

423

00:21:09,590 --> 00:21:06,400

because i feel why not

424

00:21:12,630 --> 00:21:09,600

so this woman is out of england and

425

00:21:15,029 --> 00:21:12,640

is very popular some of her channel

426

00:21:17,590 --> 00:21:15,039

videos get over 100 000 views

427

00:21:19,110 --> 00:21:17,600

i found that interesting i've been

428

00:21:22,070 --> 00:21:19,120

listening to this woman for

429

00:21:23,510 --> 00:21:22,080

several days now and still i'm not

430

00:21:25,750 --> 00:21:23,520

really

431

00:21:27,750 --> 00:21:25,760

sure what she's talking about most of

432

00:21:28,870 --> 00:21:27,760

the time it seems like a lot of words

433

00:21:33,270 --> 00:21:28,880

salad

434

00:21:37,430 --> 00:21:33,280

love life you know hope for the future

435

00:21:41,029 --> 00:21:37,440

kind of messages that are very broad

436

00:21:44,230 --> 00:21:41,039

and unspecific but

437

00:21:46,710 --> 00:21:44,240

again it is what it is so we're gonna

438

00:21:50,710 --> 00:21:49,510

share this one and this is pleiadian

439

00:21:57,510 --> 00:21:50,720

messages for

440

00:22:00,950 --> 00:21:59,830

okay friends again this is fair use

441

00:22:04,470 --> 00:22:00,960

we're going to be

442

00:22:09,750 --> 00:22:04,480

uh talking about this uh woman who's

443

00:22:15,029 --> 00:22:12,870

hi everybody welcome and now i shall

444

00:22:17,430 --> 00:22:15,039

bring in the pleiadians to see what they

445

00:22:21,750 --> 00:22:17,440

would like to share with you

446

00:22:23,430 --> 00:22:21,760

about the coming year 2021 to 2022.

447

00:22:25,510 --> 00:22:23,440

we love you all so very much we really

448

00:22:28,470 --> 00:22:25,520

do wow she's that fast

449

00:22:29,029 --> 00:22:28,480

that fast she channeled an alien bro she

450

00:22:31,190 --> 00:22:29,039

just bro

451

00:22:33,029 --> 00:22:31,200

let's back that up let's see how quick

452

00:22:35,510 --> 00:22:33,039

she does that again

453

00:22:39,270 --> 00:22:35,520

that alien just jumped right in her body

454

00:22:44,950 --> 00:22:43,190

about the coming year 2021 to 2022.

455

00:22:46,470 --> 00:22:44,960

oh we love you all so very much we

456

00:22:49,590 --> 00:22:46,480

really do it's a year of

457

00:22:51,029 --> 00:22:49,600

uh striving forwards keeping going you

458

00:22:52,710 --> 00:22:51,039

mustn't stop

459

00:22:54,230 --> 00:22:52,720

there is a tendency to want to stop and

460

00:22:56,149 --> 00:22:54,240

get off the bus and have a break and

461

00:22:58,070 --> 00:22:56,159

have a picnic and go in the park and in

462

00:22:59,909 --> 00:22:58,080

the sea and paddle a little

463

00:23:01,190 --> 00:22:59,919

but you won't have time to do that this

464

00:23:02,549 --> 00:23:01,200

year there once you're going to have to

465

00:23:04,549 --> 00:23:02,559

just keep moving

466

00:23:05,669 --> 00:23:04,559

it's a year when it's movement is

467

00:23:09,669 --> 00:23:05,679

essential

468

00:23:12,070 --> 00:23:09,679

wow okay so i can't

469

00:23:12,950 --> 00:23:12,080

like take a break and have a picnic in

470

00:23:16,230 --> 00:23:12,960

the park

471

00:23:17,909 --> 00:23:16,240

because i gotta keep moving um

472

00:23:19,510 --> 00:23:17,919

you know this is what i'm talking about

473

00:23:22,789 --> 00:23:19,520

like the value of

474

00:23:24,710 --> 00:23:22,799

i just trying not to be cynical i'm

475

00:23:27,029 --> 00:23:24,720

trying not to

476

00:23:28,149 --> 00:23:27,039

sort of make fun of this but like an

477

00:23:31,909 --> 00:23:28,159

extra

478

00:23:34,149 --> 00:23:31,919

star

479

00:23:35,110 --> 00:23:34,159

system can somehow shoot their

480

00:23:38,710 --> 00:23:35,120

consciousness

481

00:23:41,750 --> 00:23:38,720

across time and space occupy a human's

482

00:23:43,830 --> 00:23:41,760

brain and body to bring us messages

483

00:23:45,510 --> 00:23:43,840

and that's the quality of the messages

484

00:23:47,590 --> 00:23:45,520

that they're bringing us

485

00:23:49,110 --> 00:23:47,600

don't take a break keep moving keep

486

00:23:53,430 --> 00:23:49,120

moving forward

487

00:23:55,430 --> 00:23:53,440

okay all right pleiadian alien lady

488

00:23:57,190 --> 00:23:55,440

or well i guess you could be channeling

489

00:23:58,070 --> 00:23:57,200

a male pleiadian for all i know but

490

00:24:00,950 --> 00:23:58,080

again

491

00:24:03,190 --> 00:24:00,960

this alien speaks perfectly good english

492

00:24:05,669 --> 00:24:03,200

so even if you are in your home

493

00:24:06,870 --> 00:24:05,679

you have to keep moving you mention in

494

00:24:09,990 --> 00:24:06,880

every way

495

00:24:10,870 --> 00:24:10,000

keep yourself moving don't allow

496

00:24:12,630 --> 00:24:10,880

yourself to get

497

00:24:14,230 --> 00:24:12,640

stuck on any one thing because things

498

00:24:16,230 --> 00:24:14,240

are going to be moving at the speed of

499

00:24:17,110 --> 00:24:16,240

light and beyond the speed of life here

500

00:24:19,430 --> 00:24:17,120

once

501
00:24:21,110 --> 00:24:19,440
you're going to have to just keep on it

502
00:24:21,430 --> 00:24:21,120
stay wait what's going to be moving at

503
00:24:22,789 --> 00:24:21,440
this

504
00:24:25,350 --> 00:24:22,799
everything is going to move at the speed

505
00:24:28,149 --> 00:24:25,360
of light okay stay on the bus

506
00:24:28,549 --> 00:24:28,159
connect with other people on other buses

507
00:24:30,470 --> 00:24:28,559
but

508
00:24:32,710 --> 00:24:30,480
don't get off the bus this is the main

509
00:24:36,710 --> 00:24:32,720
thing imagine that you are moving

510
00:24:39,269 --> 00:24:36,720
moving moving it's going to be a year of

511
00:24:39,909 --> 00:24:39,279
strange happenings you're going to go

512
00:24:41,990 --> 00:24:39,919
and say oh

513
00:24:43,350 --> 00:24:42,000

i didn't expect that oh i didn't expect

514

00:24:45,990 --> 00:24:43,360

that yet

515

00:24:47,750 --> 00:24:46,000

didn't expect that they're going to be

516

00:24:49,269 --> 00:24:47,760

things that will change and then in the

517

00:24:51,350 --> 00:24:49,279

twinkling of an eye

518

00:24:52,870 --> 00:24:51,360

you'll see to yourself oh yes i'm all

519

00:24:55,190 --> 00:24:52,880

settled now and uh

520

00:24:56,950 --> 00:24:55,200

suddenly all things won't be set they'll

521

00:24:59,430 --> 00:24:56,960

be different again

522

00:25:01,190 --> 00:24:59,440

so welcome this dear ones don't say oh i

523

00:25:01,990 --> 00:25:01,200

don't like all these changes say to

524

00:25:05,269 --> 00:25:02,000

yourself

525

00:25:07,269 --> 00:25:05,279

well i'm not bored am i i'm interested

526

00:25:07,909 --> 00:25:07,279

there's so many new things happening all

527

00:25:11,430 --> 00:25:07,919

over

528

00:25:13,190 --> 00:25:11,440

because this is such a general sort of

529

00:25:15,190 --> 00:25:13,200

prophecy i guess you're going to be

530

00:25:18,390 --> 00:25:15,200

surprised at things that happen

531

00:25:21,669 --> 00:25:18,400

things are going to be changing yeah

532

00:25:24,070 --> 00:25:21,679

time brings changes for everyone

533

00:25:26,230 --> 00:25:24,080

as your senses are being awakened you

534

00:25:27,190 --> 00:25:26,240

are being awakened out of the five or

535

00:25:29,669 --> 00:25:27,200

should we say six

536

00:25:30,950 --> 00:25:29,679

limited senses that you have and you are

537

00:25:33,590 --> 00:25:30,960

being awakened to having

538

00:25:34,789 --> 00:25:33,600

senses in every place that you could

539

00:25:38,230 --> 00:25:34,799

imagine

540

00:25:40,830 --> 00:25:38,240

you have hundreds and hundreds of senses

541

00:25:42,310 --> 00:25:40,840

uh we have hundreds and hundreds of

542

00:25:44,070 --> 00:25:42,320

senses uh

543

00:25:45,510 --> 00:25:44,080

last night checked we only had five

544

00:25:47,909 --> 00:25:45,520

alien lady

545

00:25:48,950 --> 00:25:47,919

but okay we have hundreds according to

546

00:25:51,909 --> 00:25:48,960

this alien

547

00:25:53,830 --> 00:25:51,919

that's being channeled by this lady okay

548

00:25:55,350 --> 00:25:53,840

three of which are going to be activated

549

00:25:56,789 --> 00:25:55,360

more and more for many of you during

550

00:25:58,070 --> 00:25:56,799

this coming year

551
00:25:59,669 --> 00:25:58,080
you're going to get active you'll find

552
00:26:01,590 --> 00:25:59,679
that you tune into things that you

553
00:26:03,350 --> 00:26:01,600
previously couldn't tune into

554
00:26:04,470 --> 00:26:03,360
you'll get information you'll get data

555
00:26:06,149 --> 00:26:04,480
you're getting wait i'm going to tune

556
00:26:07,590 --> 00:26:06,159
into things that i previously couldn't

557
00:26:10,710 --> 00:26:07,600
tune into

558
00:26:12,630 --> 00:26:10,720
yo i'm feeling synchronicity like she

559
00:26:15,190 --> 00:26:12,640
just nailed things for me

560
00:26:16,230 --> 00:26:15,200
because my wife just got us hulu so in

561
00:26:17,750 --> 00:26:16,240
the coming year

562
00:26:19,750 --> 00:26:17,760
i'm definitely going to be able to tune

563
00:26:21,669 --> 00:26:19,760

into things that i previously could not

564

00:26:23,750 --> 00:26:21,679

tune into

565

00:26:25,510 --> 00:26:23,760

that's one point for her accuracy on

566

00:26:27,909 --> 00:26:25,520

this reading wow

567

00:26:28,950 --> 00:26:27,919

now i'm impressed and interested

568

00:26:30,950 --> 00:26:28,960

messages

569

00:26:33,029 --> 00:26:30,960

you'll get downloads you'll get visions

570

00:26:34,950 --> 00:26:33,039

you'll get dreams

571

00:26:37,110 --> 00:26:34,960

but you know you're going to have dreams

572

00:26:38,710 --> 00:26:37,120

in the coming year again that's such a

573

00:26:40,230 --> 00:26:38,720

everybody's gonna have dreams in the

574

00:26:42,149 --> 00:26:40,240

coming year but we're gonna have

575

00:26:42,549 --> 00:26:42,159

downloads and visions that's something

576

00:26:44,390 --> 00:26:42,559

new

577

00:26:45,830 --> 00:26:44,400

will be clearer than it's been and it's

578

00:26:48,230 --> 00:26:45,840

important to go with that

579

00:26:49,990 --> 00:26:48,240

information because much of this

580

00:26:52,230 --> 00:26:50,000

information will be very valuable your

581

00:26:53,830 --> 00:26:52,240

inner world is going to be very rich

582

00:26:55,750 --> 00:26:53,840

oh goodness gracious don't look for

583

00:26:58,230 --> 00:26:55,760

riches externally

584

00:26:59,350 --> 00:26:58,240

look for the internal riches within you

585

00:27:01,750 --> 00:26:59,360

and also don't look

586

00:27:04,390 --> 00:27:01,760

to external sources or riches look to

587

00:27:08,070 --> 00:27:04,400

the sources within you

588

00:27:10,230 --> 00:27:08,080

again this is spiritual gobbly [\h__\h]

589

00:27:11,909 --> 00:27:10,240

seems like they all have this list of

590

00:27:15,029 --> 00:27:11,919

spiritually gobbly [\h__\h]

591

00:27:18,710 --> 00:27:15,039

like avoid materialism

592

00:27:20,070 --> 00:27:18,720

find peace within same same rift that a

593

00:27:23,590 --> 00:27:20,080

lot of these

594

00:27:25,110 --> 00:27:23,600

people use somehow and if you listen to

595

00:27:27,110 --> 00:27:25,120

enough of them you start seeing the

596

00:27:28,149 --> 00:27:27,120

similarities between the same things

597

00:27:31,430 --> 00:27:28,159

they all talk about

598

00:27:34,230 --> 00:27:31,440

so much that it's literally

599

00:27:35,990 --> 00:27:34,240

shocking how many of them have sort of

600

00:27:38,389 --> 00:27:36,000

the same

601
00:27:40,149 --> 00:27:38,399
i don't know uh talking points that's

602
00:27:42,310 --> 00:27:40,159
what i would call it they all have these

603
00:27:43,669 --> 00:27:42,320
talking points about spirituality and

604
00:27:46,710 --> 00:27:43,679
love and

605
00:27:49,909 --> 00:27:46,720
don't be selfish and don't be greedy it

606
00:27:51,269 --> 00:27:49,919
sounds good but i wonder why it's all so

607
00:27:52,710 --> 00:27:51,279
similar if they're all talking to

608
00:27:53,990 --> 00:27:52,720
different aliens and they all claim to

609
00:27:57,350 --> 00:27:54,000
be talking to different aliens from

610
00:27:59,909 --> 00:27:57,360
different star systems so i don't know

611
00:28:01,669 --> 00:27:59,919
it's going to be a year of laughter a

612
00:28:04,630 --> 00:28:01,679
year to remember to laugh

613
00:28:05,350 --> 00:28:04,640

to make one another laugh to sing to one

614

00:28:08,310 --> 00:28:05,360

another to

615

00:28:09,190 --> 00:28:08,320

raise yourselves up laughter is going to

616

00:28:10,310 --> 00:28:09,200

be a key

617

00:28:12,389 --> 00:28:10,320

you're going to have to practice

618

00:28:14,230 --> 00:28:12,399

laughing

619

00:28:16,789 --> 00:28:14,240

yes we we do that with bracha you know

620

00:28:19,110 --> 00:28:16,799

we do in the mornings we

621

00:28:21,510 --> 00:28:19,120

exercise the muscles of the mouth and

622

00:28:24,070 --> 00:28:21,520

the laughter muscles yes

623

00:28:26,549 --> 00:28:24,080

okay so aliens exercise their laughter

624

00:28:28,789 --> 00:28:26,559

muscles in the morning

625

00:28:29,750 --> 00:28:28,799

all right i changed my mind i'm learning

626

00:28:32,470 --> 00:28:29,760

something here i

627

00:28:34,789 --> 00:28:32,480

never knew lady that aliens exercised

628

00:28:37,590 --> 00:28:34,799

their laughter muscles every morning

629

00:28:39,430 --> 00:28:37,600

while pleiadian aliens it tones up your

630

00:28:41,510 --> 00:28:39,440

tummy you know when you ladies who are

631

00:28:42,070 --> 00:28:41,520

worrying about sagging this and sucking

632

00:28:44,230 --> 00:28:42,080

that

633

00:28:45,909 --> 00:28:44,240

if you laughed a little more you'd find

634

00:28:46,389 --> 00:28:45,919

things that just are lifted a little

635

00:28:48,950 --> 00:28:46,399

more

636

00:28:52,070 --> 00:28:48,960

oh yes so we love you all that's all you

637

00:28:55,110 --> 00:28:52,080

have to do if you're overweight is laugh

638

00:29:00,230 --> 00:28:55,120

okay alien lady so very much there once

639

00:29:03,110 --> 00:29:00,240

it's a time for laughing and allowing

640

00:29:05,590 --> 00:29:03,120

many of you resist up against things we

641

00:29:06,789 --> 00:29:05,600

want you just to allow things

642

00:29:08,070 --> 00:29:06,799

it doesn't mean to say that you're not

643

00:29:09,909 --> 00:29:08,080

going to take actions because the

644

00:29:12,549 --> 00:29:09,919

natural thing for a human is to take

645

00:29:15,269 --> 00:29:12,559

action is to move

646

00:29:17,990 --> 00:29:15,279

but we are saying allow things to unfold

647

00:29:19,830 --> 00:29:18,000

don't have your life mapped out

648

00:29:21,590 --> 00:29:19,840

allow things to unfold most of us don't

649

00:29:22,630 --> 00:29:21,600

have a choice we just have to allow

650

00:29:25,269 --> 00:29:22,640

things to unfold

651
00:29:26,149 --> 00:29:25,279
alien lady but okay you used to be able

652
00:29:29,029 --> 00:29:26,159
to have goals

653
00:29:32,710 --> 00:29:29,039
10-year goals 20-year goals all that no

654
00:29:36,470 --> 00:29:35,269
have a goal to relax have a goal to

655
00:29:38,470 --> 00:29:36,480
enjoy your life

656
00:29:39,510 --> 00:29:38,480
well this sounds good forget about

657
00:29:42,950 --> 00:29:39,520
long-term goals

658
00:29:45,830 --> 00:29:42,960
just relax enjoy your life

659
00:29:47,190 --> 00:29:45,840
[h__h] working hard this sounds good to me

660
00:29:49,990 --> 00:29:47,200
this alien [h__h]

661
00:29:51,590 --> 00:29:50,000
is sounding real good to me because i am

662
00:29:54,310 --> 00:29:51,600
a bit too

663
00:29:56,549 --> 00:29:54,320

challenged uh with long-term goals i

664

00:29:59,669 --> 00:29:56,559

should just forget him and relax

665

00:30:00,710 --> 00:29:59,679

right [h__h] it that [h__h] will get done

666

00:30:03,190 --> 00:30:00,720

someday

667

00:30:04,470 --> 00:30:03,200

have a goal to be a peaceful being upon

668

00:30:06,630 --> 00:30:04,480

this planet earth

669

00:30:07,990 --> 00:30:06,640

have a goal to connect with your fellow

670

00:30:10,230 --> 00:30:08,000

human beings in peace

671

00:30:11,350 --> 00:30:10,240

in love in harmony have that as your

672

00:30:13,350 --> 00:30:11,360

goal dear ones

673

00:30:15,510 --> 00:30:13,360

not these other little a little uh shall

674

00:30:19,110 --> 00:30:15,520

we say personal goals

675

00:30:22,789 --> 00:30:19,120

the personal has to go many of you

676

00:30:25,590 --> 00:30:22,799

death of ego this is another centric

677

00:30:26,630 --> 00:30:25,600

centrist point they all talk about the

678

00:30:29,830 --> 00:30:26,640

death of ego

679

00:30:33,669 --> 00:30:29,840

and becoming one with everyone else and

680

00:30:36,310 --> 00:30:33,679

you know again all this stuff

681

00:30:37,269 --> 00:30:36,320

they all have the same talking points

682

00:30:40,389 --> 00:30:37,279

somehow

683

00:30:43,750 --> 00:30:40,399

and death of ego or uh

684

00:30:47,029 --> 00:30:43,760

minimizing as much as possible your

685

00:30:47,350 --> 00:30:47,039

self and connecting as much as possible

686

00:30:50,870 --> 00:30:47,360

with

687

00:30:51,510 --> 00:30:50,880

source of god or universal energy out

688

00:30:53,510 --> 00:30:51,520

there

689

00:30:55,669 --> 00:30:53,520

it's a center talking point for many of

690

00:30:56,630 --> 00:30:55,679

these people who say oh don't like that

691

00:30:58,789 --> 00:30:56,640

very much

692

00:31:00,630 --> 00:30:58,799

and doesn't like it as well she's sort

693

00:31:02,549 --> 00:31:00,640

of having a little aside

694

00:31:04,470 --> 00:31:02,559

conversation here as we're talking with

695

00:31:05,830 --> 00:31:04,480

all of you because you want your

696

00:31:06,789 --> 00:31:05,840

personal things but you'll have your

697

00:31:08,789 --> 00:31:06,799

personal things

698

00:31:11,430 --> 00:31:08,799

but they need to be pushed shall we say

699

00:31:13,590 --> 00:31:11,440

further back

700

00:31:15,909 --> 00:31:13,600

don't make them the mainstream of your

701
00:31:16,710 --> 00:31:15,919
life the mainstream of your life has to

702
00:31:19,590 --> 00:31:16,720
become

703
00:31:21,350 --> 00:31:19,600
now with the connection with one another

704
00:31:22,789 --> 00:31:21,360
and as you connect more with one another

705
00:31:24,230 --> 00:31:22,799
you'll find that your personal life

706
00:31:25,990 --> 00:31:24,240
begins to transform

707
00:31:28,710 --> 00:31:26,000
in ways you couldn't have dreamed of you

708
00:31:30,870 --> 00:31:28,720
see your own little mind with your five

709
00:31:33,269 --> 00:31:30,880
little senses and we love you very much

710
00:31:35,269 --> 00:31:33,279
now she says we have five senses earlier

711
00:31:35,990 --> 00:31:35,279
she had she said we have hundreds of

712
00:31:39,110 --> 00:31:36,000
senses

713
00:31:40,070 --> 00:31:39,120

she's contradicting herself in the same

714

00:31:42,710 --> 00:31:40,080

exact

715

00:31:44,470 --> 00:31:42,720

channel reading here's another thing

716

00:31:46,710 --> 00:31:44,480

you're gonna find with these people

717

00:31:48,470 --> 00:31:46,720

that channel they'll say one thing in

718

00:31:51,190 --> 00:31:48,480

the beginning of the channeling

719

00:31:53,190 --> 00:31:51,200

and by the end of the channeling they've

720

00:31:54,630 --> 00:31:53,200

completely and totally contradicted what

721

00:31:57,509 --> 00:31:54,640

they said earlier

722

00:31:59,830 --> 00:31:57,519

she earlier said we have hundreds of

723

00:32:00,470 --> 00:31:59,840

senses i commented on it now she's

724

00:32:02,470 --> 00:32:00,480

saying

725

00:32:04,389 --> 00:32:02,480

with your paltry minds and your just

726

00:32:08,310 --> 00:32:04,399

your five senses

727

00:32:10,710 --> 00:32:08,320

okay lady i can't dream big enough now

728

00:32:12,630 --> 00:32:10,720

you need one another to dream bigger you

729

00:32:13,509 --> 00:32:12,640

need one another to take it to the new

730

00:32:15,509 --> 00:32:13,519

level

731

00:32:17,029 --> 00:32:15,519

and as you begin to work together in

732

00:32:19,830 --> 00:32:17,039

groups and communities

733

00:32:21,590 --> 00:32:19,840

yeah online offline and uh in space and

734

00:32:22,870 --> 00:32:21,600

all different kinds of places you're

735

00:32:24,230 --> 00:32:22,880

going to find different places there

736

00:32:25,110 --> 00:32:24,240

one's a goodness gracious there's so

737

00:32:27,029 --> 00:32:25,120

much here

738

00:32:29,590 --> 00:32:27,039

you will find that your dreams become

739

00:32:30,149 --> 00:32:29,600

bigger they become more encompassing

740

00:32:33,350 --> 00:32:30,159

they're not

741

00:32:34,950 --> 00:32:33,360

little in that i've got to go beyond you

742

00:32:36,710 --> 00:32:34,960

and this person with this and i'm

743

00:32:40,070 --> 00:32:36,720

looking to go beyond that

744

00:32:43,350 --> 00:32:40,080

and my competition no no no

745

00:32:46,710 --> 00:32:43,360

it is collaboration there once this is

746

00:32:48,870 --> 00:32:46,720

the key word for 2021 collaboration how

747

00:32:51,990 --> 00:32:48,880

can i collaborate

748

00:32:53,269 --> 00:32:52,000

uh okay i'm supposed to collaborate who

749

00:32:54,230 --> 00:32:53,279

am i supposed to collaborate with the

750

00:32:57,590 --> 00:32:54,240

alien lady

751

00:32:59,909 --> 00:32:57,600

how can i uh connect with people in new

752

00:33:01,909 --> 00:32:59,919

ways and allow new ideas to come in and

753

00:33:06,230 --> 00:33:01,919

new dreams and new visions

754

00:33:09,830 --> 00:33:08,070

the doors are opening dear ones the

755

00:33:11,909 --> 00:33:09,840

doors are opening they've been shut

756

00:33:14,149 --> 00:33:11,919

tight for a very long time

757

00:33:16,710 --> 00:33:14,159

and during 2021 you will find these

758

00:33:20,389 --> 00:33:16,720

doors opening in new and magical ways

759

00:33:22,310 --> 00:33:20,399

but maybe she means like the store doors

760

00:33:24,470 --> 00:33:22,320

and the bar doors and the restaurant

761

00:33:25,509 --> 00:33:24,480

doors and the comedy club doors and the

762

00:33:28,549 --> 00:33:25,519

theater doors

763

00:33:31,509 --> 00:33:28,559

and the you know

764

00:33:33,110 --> 00:33:31,519

amphitheater doors i'm hoping those will

765

00:33:36,710 --> 00:33:33,120

be open in 2021

766

00:33:39,350 --> 00:33:36,720

which i think this alien speaking more

767

00:33:44,070 --> 00:33:39,360

of like uh you know

768

00:33:48,310 --> 00:33:44,080

cosmic doors i don't know begin to allow

769

00:33:55,269 --> 00:33:48,320

explore explore okay remember to smile

770

00:33:58,389 --> 00:33:56,950

challenging yes we're not going to say

771

00:34:00,070 --> 00:33:58,399

that it won't be challenging

772

00:34:01,830 --> 00:34:00,080

but you like a challenge you human

773

00:34:03,909 --> 00:34:01,840

beings you get so bored if you haven't

774

00:34:06,389 --> 00:34:03,919

got something you want to go for

775

00:34:07,590 --> 00:34:06,399

yes and we are giving you what to go for

776

00:34:09,589 --> 00:34:07,600

love one another

777

00:34:11,430 --> 00:34:09,599

find the love find the love you want to

778

00:34:12,950 --> 00:34:11,440

be loved and you want to love

779

00:34:14,550 --> 00:34:12,960

and that's the end of it really that's

780

00:34:16,149 --> 00:34:14,560

the bottom line dear ones we love you

781

00:34:18,550 --> 00:34:16,159

all so very very much

782

00:34:20,310 --> 00:34:18,560

be creative bring forth the creative

783

00:34:22,629 --> 00:34:20,320

streaks within one another

784

00:34:25,030 --> 00:34:22,639

support one another in that hold one

785

00:34:27,109 --> 00:34:25,040

another hold one another's hands

786

00:34:29,430 --> 00:34:27,119

see yourself holding hands with many

787

00:34:32,149 --> 00:34:29,440

many millions upon this planet earth

788

00:34:34,069 --> 00:34:32,159

see yours we're all gonna hold hands

789

00:34:36,149 --> 00:34:34,079

everyone on the planet and

790

00:34:37,430 --> 00:34:36,159

if she says then we're going to sit down

791

00:34:40,069 --> 00:34:37,440

and sing kumbaya

792

00:34:40,470 --> 00:34:40,079

i'm going to [ʌ__ʌ] my pants so far we're

793

00:34:44,310 --> 00:34:40,480

just

794

00:34:48,149 --> 00:34:44,320

holding pants okay peace and love

795

00:34:49,829 --> 00:34:48,159

unity it's such a nice message

796

00:34:52,470 --> 00:34:49,839

how to come from aliens because us

797

00:34:55,589 --> 00:34:52,480

humans are scuzz balls and we can't

798

00:34:56,950 --> 00:34:55,599

you know we can't possibly communicate

799

00:34:59,990 --> 00:34:56,960

ideas like that we need an

800

00:35:02,069 --> 00:35:00,000

alien to come and habitat you know take

801
00:35:06,069 --> 00:35:02,079
over our bodies in order to communicate

802
00:35:08,950 --> 00:35:06,079
these radical ideas self-holding hands

803
00:35:11,109 --> 00:35:08,960
reaching out to one another reaching out

804
00:35:14,870 --> 00:35:11,119
and loving one another

805
00:35:15,990 --> 00:35:14,880
holding hands if you can't do it in

806
00:35:18,870 --> 00:35:16,000
person you can certainly

807
00:35:21,030 --> 00:35:18,880
do it in your imagination human beings

808
00:35:22,390 --> 00:35:21,040
are unique in the imagination that you

809
00:35:24,150 --> 00:35:22,400
are able to uh

810
00:35:26,150 --> 00:35:24,160
imagine that there's a power upon them

811
00:35:26,710 --> 00:35:26,160
i'm imagining myself holding hands with

812
00:35:29,349 --> 00:35:26,720
everyone

813
00:35:30,390 --> 00:35:29,359

in the live chat and oh i just got award

814

00:35:33,510 --> 00:35:30,400

fuzzy feeling

815

00:35:36,870 --> 00:35:33,520

it's just thank you guys for

816

00:35:37,910 --> 00:35:36,880

holding hands virtually she said we

817

00:35:42,710 --> 00:35:37,920

could imagine it

818

00:35:47,510 --> 00:35:42,720

so okay i'm imagining that okay

819

00:35:51,589 --> 00:35:49,510

we really really do and we wish you a

820

00:35:53,430 --> 00:35:51,599

wonderful 2021

821

00:35:55,670 --> 00:35:53,440

we are always here we are more here than

822

00:35:58,390 --> 00:35:55,680

we've ever been you can speak to us at

823

00:36:00,390 --> 00:35:58,400

any time we are ready to help we want to

824

00:36:00,870 --> 00:36:00,400

help we are here to help and we love you

825

00:36:15,270 --> 00:36:00,880

love you

826

00:36:18,069 --> 00:36:15,280

i guess that's it oh

827

00:36:20,230 --> 00:36:18,079

she's gonna talk she's gonna talk about

828

00:36:22,630 --> 00:36:20,240

her alien experience here

829

00:36:23,670 --> 00:36:22,640

thank you everybody i hope you enjoyed

830

00:36:27,190 --> 00:36:23,680

their

831

00:36:29,750 --> 00:36:27,200

2021 message and i look forward to your

832

00:36:33,190 --> 00:36:29,760

comments and feedback

833

00:36:37,589 --> 00:36:35,109

what the [h__\h] am i doing wrong friends

834

00:36:39,349 --> 00:36:37,599

because this woman with this message

835

00:36:42,310 --> 00:36:39,359

channeled alien message got over a

836

00:36:45,430 --> 00:36:42,320

hundred thousand views

837

00:36:47,829 --> 00:36:45,440

and i gotta say like

838

00:36:48,470 --> 00:36:47,839

what i i just don't i don't see any

839

00:36:50,710 --> 00:36:48,480

value

840

00:36:52,829 --> 00:36:50,720

in any of this in anything this woman

841

00:36:55,510 --> 00:36:52,839

just said

842

00:36:59,270 --> 00:36:55,520

uh i just don't

843

00:37:01,109 --> 00:36:59,280

i don't i don't see it

844

00:37:02,870 --> 00:37:01,119

hold on friends okay there we go get rid

845

00:37:05,270 --> 00:37:02,880

of that one

846

00:37:06,230 --> 00:37:05,280

i you know it seems like a bunch of

847

00:37:09,030 --> 00:37:06,240

general

848

00:37:11,430 --> 00:37:09,040

statements and it's the same riff that

849

00:37:14,230 --> 00:37:11,440

they all use like peace and love and

850

00:37:15,990 --> 00:37:14,240

you know separate yourself from ego

851
00:37:19,910 --> 00:37:16,000
don't be selfish

852
00:37:22,870 --> 00:37:19,920
hold hands let's all be unified in peace

853
00:37:26,150 --> 00:37:22,880
and love and brotherhood

854
00:37:28,390 --> 00:37:26,160
okay so aliens from another star system

855
00:37:29,190 --> 00:37:28,400
thought that that [h__h] was so important

856
00:37:32,230 --> 00:37:29,200
that they

857
00:37:32,950 --> 00:37:32,240
somehow channeled that message through i

858
00:37:34,790 --> 00:37:32,960
don't know

859
00:37:40,470 --> 00:37:34,800
hundreds of these people that claim that

860
00:37:44,470 --> 00:37:42,950
i don't know what to do with this i just

861
00:37:46,150 --> 00:37:44,480
you know like i said in the beginning of

862
00:37:48,630 --> 00:37:46,160
the broadcast i can't

863
00:37:49,430 --> 00:37:48,640

i can't prove they're not channeling

864

00:37:52,870 --> 00:37:49,440

aliens

865

00:37:55,829 --> 00:37:52,880

but i don't believe that they are

866

00:37:56,870 --> 00:37:55,839

uh yeah i i think that some of these

867

00:37:58,310 --> 00:37:56,880

people are mental

868

00:38:01,030 --> 00:37:58,320

i think some of these people want to be

869

00:38:04,150 --> 00:38:01,040

special i think some of these people

870

00:38:07,430 --> 00:38:04,160

are yeah they have some sort of

871

00:38:08,550 --> 00:38:07,440

mental issue which created this need in

872

00:38:11,270 --> 00:38:08,560

themselves to

873

00:38:11,910 --> 00:38:11,280

be special you know their earth's

874

00:38:13,589 --> 00:38:11,920

galactic

875

00:38:15,270 --> 00:38:13,599

ambassador right and they're going to

876

00:38:17,190 --> 00:38:15,280

channel these aliens

877

00:38:18,310 --> 00:38:17,200

and they have these very important

878

00:38:20,470 --> 00:38:18,320

messages

879

00:38:24,069 --> 00:38:20,480

that are virtually all the same with

880

00:38:27,670 --> 00:38:24,079

peace and love and brotherhood and

881

00:38:31,190 --> 00:38:27,680

you know happiness

882

00:38:35,430 --> 00:38:31,200

peace and love yeah

883

00:38:37,910 --> 00:38:35,440

peace and love now i was just going to

884

00:38:39,670 --> 00:38:37,920

cover these two and make this a short

885

00:38:40,390 --> 00:38:39,680

show and then have a discussion with a

886

00:38:43,510 --> 00:38:40,400

live chat

887

00:38:46,950 --> 00:38:43,520

but somebody earlier and that would be

888

00:38:53,030 --> 00:38:50,470

told me about another channeler the e.t

889

00:38:53,910 --> 00:38:53,040

whisperer who i have heard of and

890

00:38:58,069 --> 00:38:53,920

listened to

891

00:39:01,109 --> 00:38:58,079

for some time some time ago

892

00:39:03,349 --> 00:39:01,119

but again i i didn't get it

893

00:39:05,109 --> 00:39:03,359

uh maybe i'm just not spiritually

894

00:39:07,109 --> 00:39:05,119

involved enough

895

00:39:08,310 --> 00:39:07,119

to understand what some of these people

896

00:39:11,190 --> 00:39:08,320

are talking about

897

00:39:13,430 --> 00:39:11,200

but to me it seems like they all have

898

00:39:15,750 --> 00:39:13,440

similar patterns and talk about similar

899

00:39:18,069 --> 00:39:15,760

things it's like they all got a sheet of

900

00:39:20,790 --> 00:39:18,079

talking points

901
00:39:22,230 --> 00:39:20,800
and but they're all channeling different

902
00:39:24,310 --> 00:39:22,240
some of them say they're channeling

903
00:39:25,589 --> 00:39:24,320
interdimensional beings some of them say

904
00:39:27,349 --> 00:39:25,599
no that they're channeling

905
00:39:28,230 --> 00:39:27,359
extraterrestrial beings this next

906
00:39:31,510 --> 00:39:28,240
gentleman

907
00:39:33,430 --> 00:39:31,520
channels let's see archangels uh

908
00:39:34,630 --> 00:39:33,440
inter-dimensional beings which he calls

909
00:39:36,870 --> 00:39:34,640
id

910
00:39:38,680 --> 00:39:36,880
and extra terrestrial beings which he

911
00:39:39,829 --> 00:39:38,690
calls et's

912
00:39:43,990 --> 00:39:39,839
[Music]

913
00:39:47,829 --> 00:39:44,000

okay and also his um

914

00:39:49,430 --> 00:39:47,839

his fiancée i is uh

915

00:39:51,670 --> 00:39:49,440

maybe his wife by now it's been a while

916

00:39:52,310 --> 00:39:51,680

since i checked in is also a channeler

917

00:39:56,069 --> 00:39:52,320

and she

918

00:39:59,190 --> 00:39:56,079

channels octorion aliens

919

00:40:01,349 --> 00:39:59,200

for those not aware there are various

920

00:40:03,990 --> 00:40:01,359

alien races that these people talk about

921

00:40:04,630 --> 00:40:04,000

the gray aliens the reptilian aliens the

922

00:40:07,030 --> 00:40:04,640

mantis

923

00:40:08,710 --> 00:40:07,040

aliens we have the nordic aliens that

924

00:40:09,510 --> 00:40:08,720

look a lot like us but they're blonde

925

00:40:11,510 --> 00:40:09,520

and hot

926
00:40:12,550 --> 00:40:11,520
and the women always have big tits and

927
00:40:15,109 --> 00:40:12,560
long blonde hair

928
00:40:17,750 --> 00:40:15,119
and they're beautiful those are the

929
00:40:20,470 --> 00:40:17,760
nordics or the pleadians

930
00:40:22,150 --> 00:40:20,480
and then there's the octorians which i

931
00:40:23,990 --> 00:40:22,160
don't recall specifics

932
00:40:25,829 --> 00:40:24,000
about them but i think they are sort of

933
00:40:28,950 --> 00:40:25,839
another lighting of

934
00:40:29,910 --> 00:40:28,960
alien race spreading that message of

935
00:40:32,630 --> 00:40:29,920
light and love

936
00:40:33,670 --> 00:40:32,640
and there i do recall talking to

937
00:40:37,589 --> 00:40:33,680
somebody who was

938
00:40:40,150 --> 00:40:37,599

on uh gee the uh

939

00:40:42,470 --> 00:40:40,160

disclosure support network that claimed

940

00:40:43,270 --> 00:40:42,480

that she got her healing powers from

941

00:40:46,550 --> 00:40:43,280

victorian

942

00:40:48,150 --> 00:40:46,560

aliens uh

943

00:40:49,990 --> 00:40:48,160

i've encountered someone else who

944

00:40:52,710 --> 00:40:50,000

claimed that they were

945

00:40:54,630 --> 00:40:52,720

in direct communication with arcturian

946

00:40:55,910 --> 00:40:54,640

aliens

947

00:40:58,870 --> 00:40:55,920

i don't know what to believe about any

948

00:41:00,309 --> 00:40:58,880

of that uh arcturian aliens pleiadian

949

00:41:03,670 --> 00:41:00,319

aliens grey aliens

950

00:41:04,950 --> 00:41:03,680

reptilian aliens uh but this is part of

951

00:41:06,950 --> 00:41:04,960

ufo mythology

952

00:41:08,870 --> 00:41:06,960

there's these different races and each

953

00:41:12,150 --> 00:41:08,880

of them has sort of their own

954

00:41:13,109 --> 00:41:12,160

spin on things and uh you know their own

955

00:41:15,589 --> 00:41:13,119

motivations

956

00:41:16,470 --> 00:41:15,599

some of them are coming here to harvest

957

00:41:19,910 --> 00:41:16,480

our

958

00:41:21,910 --> 00:41:19,920

sperm and eggs right and according to

959

00:41:24,309 --> 00:41:21,920

crazy carrie cassidy the reptilians are

960

00:41:26,069 --> 00:41:24,319

coming here to [h__h] us and eat us

961

00:41:27,910 --> 00:41:26,079

man they're coming here to [h__h] us and

962

00:41:30,630 --> 00:41:27,920

eat us and

963

00:41:32,309 --> 00:41:30,640

uh the nordic aliens the pleiadians are

964

00:41:34,630 --> 00:41:32,319

mostly coming here to spread that

965

00:41:38,309 --> 00:41:34,640

message of light and love through

966

00:41:39,349 --> 00:41:38,319

uh contactees that they have like billy

967

00:41:43,349 --> 00:41:39,359

meyer

968

00:41:45,589 --> 00:41:43,359

right um and i'm sure there's

969

00:41:47,030 --> 00:41:45,599

many other we have mantis aliens people

970

00:41:49,589 --> 00:41:47,040

see during abductions

971

00:41:50,230 --> 00:41:49,599

we have the typical gray alien small

972

00:41:54,630 --> 00:41:50,240

ones

973

00:41:57,670 --> 00:41:54,640

white aliens which uh

974

00:42:01,670 --> 00:41:57,680

yeah people also mention

975

00:42:02,950 --> 00:42:01,680

uh that's all whites

976

00:42:05,270 --> 00:42:02,960

anyway friends we're going to share

977

00:42:08,309 --> 00:42:05,280

another video here and this is uh

978

00:42:11,589 --> 00:42:08,319

i hope i'm saying his name right uh

979

00:42:13,589 --> 00:42:11,599

rob gauthier the e.t whisperer

980

00:42:15,030 --> 00:42:13,599

and he's been mentioned to me many times

981

00:42:16,230 --> 00:42:15,040

and people have wanted me to cover him

982

00:42:20,309 --> 00:42:16,240

so

983

00:42:23,510 --> 00:42:20,319

earlier that they knew

984

00:42:26,069 --> 00:42:23,520

him and his wife and you know but

985

00:42:28,230 --> 00:42:26,079

again repeating what great person this

986

00:42:31,589 --> 00:42:28,240

guy is what a nice guy he is and how

987

00:42:34,390 --> 00:42:31,599

you know good

988

00:42:35,910 --> 00:42:34,400

because uh some of these guys are scammy

989

00:42:38,150 --> 00:42:35,920

but you know i'm sure there's good and

990

00:42:41,670 --> 00:42:38,160

bad in all things right

991

00:42:43,349 --> 00:42:41,680

there are scammy people in ufo circles

992

00:42:44,870 --> 00:42:43,359

and then there are very good people in

993

00:42:46,790 --> 00:42:44,880

the ufo circles

994

00:42:49,349 --> 00:42:46,800

so i'm sure in this channeling sort of

995

00:42:51,990 --> 00:42:49,359

subculture world there are some stud

996

00:42:52,390 --> 00:42:52,000

balls and there are some good people i'm

997

00:42:55,270 --> 00:42:52,400

told

998

00:42:56,309 --> 00:42:55,280

mr gautier is one of the good ones i

999

00:43:00,230 --> 00:42:56,319

don't know

1000

00:43:02,069 --> 00:43:00,240

about his actual channelings being good

1001
00:43:04,630 --> 00:43:02,079
i just mean that people speak very

1002
00:43:07,750 --> 00:43:04,640
highly of him being a good person

1003
00:43:08,950 --> 00:43:07,760
and you know good for him because many

1004
00:43:10,790 --> 00:43:08,960
people talk about

1005
00:43:13,109 --> 00:43:10,800
other people involved in this channeling

1006
00:43:17,510 --> 00:43:13,119
as being extremely

1007
00:43:20,230 --> 00:43:17,520
devious profit driven people

1008
00:43:20,550 --> 00:43:20,240
so it is what it is friends all right

1009
00:43:24,470 --> 00:43:20,560
and

1010
00:43:28,150 --> 00:43:24,480
his channel but he gives quite a good

1011
00:43:31,430 --> 00:43:28,160
uh explanation of what he does and

1012
00:43:31,440 --> 00:43:35,190
i think we're gonna

1013
00:43:39,430 --> 00:43:37,990

we're gonna advance a little bit here

1014

00:43:43,190 --> 00:43:39,440

and again this is

1015

00:43:46,309 --> 00:43:43,200

uh fair use the fair use pattern backup

1016

00:43:47,750 --> 00:43:46,319

one second friends this is fair use

1017

00:43:50,230 --> 00:43:47,760

we're educating the public

1018

00:43:51,589 --> 00:43:50,240

uh this is a transformative work we're

1019

00:43:52,950 --> 00:43:51,599

educating the public about the subject

1020

00:43:54,390 --> 00:43:52,960

we're discussing which is people who

1021

00:43:55,589 --> 00:43:54,400

channel aliens

1022

00:43:57,349 --> 00:43:55,599

so we're sharing this video for the

1023

00:43:58,870 --> 00:43:57,359

purpose of educating the public again

1024

00:44:00,870 --> 00:43:58,880

that's a transformative work we'll be

1025

00:44:04,710 --> 00:44:00,880

stopping and discussing what we are

1026
00:44:07,910 --> 00:44:04,720
sharing and discussing it with our

1027
00:44:15,910 --> 00:44:07,920
live chat participants at the conclusion

1028
00:44:23,030 --> 00:44:17,589
and thirdly what we're going to have on

1029
00:44:25,750 --> 00:44:23,040
our channel here in the future

1030
00:44:27,910 --> 00:44:25,760
so what this channel is is a combination

1031
00:44:29,910 --> 00:44:27,920
of channel materials spiritual material

1032
00:44:32,470 --> 00:44:29,920
metaphysics and many other things

1033
00:44:33,670 --> 00:44:32,480
involving spirit consciousness and

1034
00:44:36,550 --> 00:44:33,680
integration

1035
00:44:37,109 --> 00:44:36,560
into your daily life secondly what we

1036
00:44:39,349 --> 00:44:37,119
have

1037
00:44:40,630 --> 00:44:39,359
more than anything else is channeling

1038
00:44:41,829 --> 00:44:40,640

now for those of you who might not know

1039

00:44:44,470 --> 00:44:41,839

what channeling is

1040

00:44:45,829 --> 00:44:44,480

channeling is basically a mediumship or

1041

00:44:47,670 --> 00:44:45,839

psychic ability

1042

00:44:49,589 --> 00:44:47,680

that allows consciousness to flow

1043

00:44:51,510 --> 00:44:49,599

through you in that flow of

1044

00:44:53,910 --> 00:44:51,520

consciousness other entities bring

1045

00:44:55,510 --> 00:44:53,920

forward their own wisdom and information

1046

00:44:56,630 --> 00:44:55,520

through your body and sometimes it looks

1047

00:44:58,630 --> 00:44:56,640

a little odd

1048

00:45:00,230 --> 00:44:58,640

sometimes it looks a little weird but

1049

00:45:01,270 --> 00:45:00,240

channeling has been around for thousands

1050

00:45:03,510 --> 00:45:01,280

of years now

1051
00:45:05,270 --> 00:45:03,520
some i thought it was good to play this

1052
00:45:06,630 --> 00:45:05,280
video because he actually gives i agree

1053
00:45:09,109 --> 00:45:06,640
that's a very good

1054
00:45:10,470 --> 00:45:09,119
concise explanation of channeling you

1055
00:45:12,470 --> 00:45:10,480
might know channeling without

1056
00:45:14,230 --> 00:45:12,480
knowing that you know channeling if

1057
00:45:17,030 --> 00:45:14,240
you've ever heard of esther hicks

1058
00:45:19,349 --> 00:45:17,040
or daryl anka or jane roberts those are

1059
00:45:21,510 --> 00:45:19,359
three of the most noteworthy channelers

1060
00:45:23,510 --> 00:45:21,520
as far as it comes to public awareness

1061
00:45:25,109 --> 00:45:23,520
so if you know who esther hicks says

1062
00:45:26,550 --> 00:45:25,119
that's channeling now this is going to

1063
00:45:27,670 --> 00:45:26,560

be channeling just in a bit of a

1064

00:45:30,550 --> 00:45:27,680

different way

1065

00:45:31,510 --> 00:45:30,560

now et whisperer was known as trep

1066

00:45:33,510 --> 00:45:31,520

channeling

1067

00:45:35,510 --> 00:45:33,520

now we shifted it to et whisper because

1068

00:45:37,510 --> 00:45:35,520

it's not just about trev

1069

00:45:39,829 --> 00:45:37,520

for those of you who don't know who trev

1070

00:45:41,510 --> 00:45:39,839

is trev is one entity of many that i've

1071

00:45:43,910 --> 00:45:41,520

channeled no reason

1072

00:45:45,349 --> 00:45:43,920

so trev is what this guy claims that he

1073

00:45:47,349 --> 00:45:45,359

has channeled

1074

00:45:49,670 --> 00:45:47,359

i believe i heard him say in another

1075

00:45:53,430 --> 00:45:49,680

video over a thousand different alien

1076

00:45:53,750 --> 00:45:53,440

entities why we are called e.t whisper

1077

00:45:55,990 --> 00:45:53,760

now

1078

00:45:58,790 --> 00:45:56,000

is because up until this date i have

1079

00:45:59,190 --> 00:45:58,800

channeled more than over 150 different

1080

00:46:02,630 --> 00:45:59,200

eating

1081

00:46:04,870 --> 00:46:02,640

sorry he says 150 here consciousness is

1082

00:46:07,030 --> 00:46:04,880

i started this in a book long ago with a

1083

00:46:08,710 --> 00:46:07,040

man named jefferson viscardi and

1084

00:46:10,710 --> 00:46:08,720

in this book there's a great deal of

1085

00:46:12,550 --> 00:46:10,720

information about trevino's race

1086

00:46:14,069 --> 00:46:12,560

but since then we've added many more

1087

00:46:16,790 --> 00:46:14,079

entities right

1088

00:46:17,430 --> 00:46:16,800

now i channel metatron which most people

1089

00:46:20,069 --> 00:46:17,440

think of as

1090

00:46:20,870 --> 00:46:20,079

art angel consciousness i also channel

1091

00:46:22,870 --> 00:46:20,880

our death

1092

00:46:24,069 --> 00:46:22,880

who has had to rewind this because i

1093

00:46:26,069 --> 00:46:24,079

thought that he said he

1094

00:46:28,150 --> 00:46:26,079

channeled the archangel megatron but

1095

00:46:30,950 --> 00:46:28,160

it's metatron

1096

00:46:32,309 --> 00:46:30,960

uh who he claims is an archangel

1097

00:46:35,030 --> 00:46:32,319

consciousness

1098

00:46:35,910 --> 00:46:35,040

it's an ancient pleiadian being i also

1099

00:46:38,550 --> 00:46:35,920

channel trav

1100

00:46:39,670 --> 00:46:38,560

and many more entities often when

1101
00:46:41,750 --> 00:46:39,680
someone comes

1102
00:46:43,349 --> 00:46:41,760
and has a private session with myself or

1103
00:46:44,309 --> 00:46:43,359
when i'm doing an event they ask a

1104
00:46:46,309 --> 00:46:44,319
question

1105
00:46:47,589 --> 00:46:46,319
about an entity that they're aware of in

1106
00:46:50,069 --> 00:46:47,599
their self or

1107
00:46:50,790 --> 00:46:50,079
one of their guides trevor r to bring

1108
00:46:55,510 --> 00:46:50,800
forward

1109
00:46:57,910 --> 00:46:55,520
that entity

1110
00:46:59,829 --> 00:46:57,920
the second part of our so i guess if you

1111
00:47:00,150 --> 00:46:59,839
pay him for a private session he can

1112
00:47:02,950 --> 00:47:00,160
bring

1113
00:47:04,950 --> 00:47:02,960

forth an entity for you i find that a

1114

00:47:07,190 --> 00:47:04,960

little suspect

1115

00:47:09,430 --> 00:47:07,200

you know like that's channeling on

1116

00:47:11,910 --> 00:47:09,440

request or that's like

1117

00:47:13,750 --> 00:47:11,920

you know it's like being a channeling

1118

00:47:15,589 --> 00:47:13,760

jukebox like you want to talk to one of

1119

00:47:18,870 --> 00:47:15,599

your spirit guides

1120

00:47:19,990 --> 00:47:18,880

we'll do that for you but okay this is

1121

00:47:22,950 --> 00:47:20,000

what it is this is a

1122

00:47:23,990 --> 00:47:22,960

pretty strange claim to make though

1123

00:47:26,630 --> 00:47:24,000

because again

1124

00:47:28,470 --> 00:47:26,640

how can you prove or disprove that he's

1125

00:47:30,309 --> 00:47:28,480

channeling one of your spirit guides or

1126

00:47:32,230 --> 00:47:30,319

an entity that you've encountered on the

1127

00:47:34,150 --> 00:47:32,240

actual plane that you're requesting a

1128

00:47:37,349 --> 00:47:34,160

channel or whatever

1129

00:47:39,510 --> 00:47:37,359

and again this is the gray area can't

1130

00:47:40,870 --> 00:47:39,520

just prove that he's not channeling that

1131

00:47:43,430 --> 00:47:40,880

entity

1132

00:47:44,390 --> 00:47:43,440

but i he can't prove it either our

1133

00:47:46,230 --> 00:47:44,400

channel

1134

00:47:48,230 --> 00:47:46,240

is what we've done in the past now there

1135

00:47:50,390 --> 00:47:48,240

are a lot of old videos that we keep up

1136

00:47:51,270 --> 00:47:50,400

and we do that for a reason it's very

1137

00:47:53,589 --> 00:47:51,280

important

1138

00:47:55,510 --> 00:47:53,599

in our opinion for people to have access

1139

00:47:58,630 --> 00:47:55,520

to information

1140

00:48:00,549 --> 00:47:58,640

now what our channel used to be is all

1141

00:48:03,349 --> 00:48:00,559

of the personal sessions

1142

00:48:05,750 --> 00:48:03,359

events or radio shows we like to keep

1143

00:48:07,589 --> 00:48:05,760

them archived on the youtube channel

1144

00:48:09,270 --> 00:48:07,599

now that comes in direct video format

1145

00:48:10,069 --> 00:48:09,280

like now like you're seeing me talking

1146

00:48:12,390 --> 00:48:10,079

channel

1147

00:48:13,990 --> 00:48:12,400

that also comes in audio format and

1148

00:48:15,190 --> 00:48:14,000

because we put it to youtube we need to

1149

00:48:16,870 --> 00:48:15,200

put pictures in there

1150

00:48:18,390 --> 00:48:16,880

we try to make it interesting and pretty

1151
00:48:20,390 --> 00:48:18,400
for you

1152
00:48:21,829 --> 00:48:20,400
along with the free work we also do

1153
00:48:23,510 --> 00:48:21,839
one-on-one channeling is where you

1154
00:48:26,069 --> 00:48:23,520
yourself can have a private session with

1155
00:48:28,309 --> 00:48:26,079
trev ardiff an entity in your oversoul

1156
00:48:29,190 --> 00:48:28,319
hybrid children all sorts of different

1157
00:48:30,790 --> 00:48:29,200
guides and

1158
00:48:32,470 --> 00:48:30,800
entities come through during these

1159
00:48:35,750 --> 00:48:32,480
sessions all right uh

1160
00:48:36,470 --> 00:48:35,760
we gotta play that again because again

1161
00:48:40,549 --> 00:48:36,480
that's pretty

1162
00:48:43,510 --> 00:48:40,559
that's a pretty big statement uh i

1163
00:48:45,190 --> 00:48:43,520

so he if you hire him for a private

1164

00:48:47,109 --> 00:48:45,200

session you could talk to your alien

1165

00:48:50,309 --> 00:48:47,119

hybrid children

1166

00:48:53,829 --> 00:48:50,319

uh spirit from your over guide what

1167

00:48:55,829 --> 00:48:53,839

let's let's listen to that again

1168

00:48:57,270 --> 00:48:55,839

along with the free work we also do

1169

00:48:59,030 --> 00:48:57,280

one-on-one channelings where you

1170

00:49:01,510 --> 00:48:59,040

yourself can have a private session with

1171

00:49:03,750 --> 00:49:01,520

trev ardif an entity in your oversoul

1172

00:49:04,710 --> 00:49:03,760

hybrid children all sorts of different

1173

00:49:06,790 --> 00:49:04,720

guides and

1174

00:49:08,549 --> 00:49:06,800

entities come through during the session

1175

00:49:10,309 --> 00:49:08,559

another okay so if you pay him for a

1176

00:49:12,390 --> 00:49:10,319

session you could talk to his alien

1177

00:49:15,109 --> 00:49:12,400

friends or your own alien friends or

1178

00:49:17,750 --> 00:49:15,119

your own alien hybrid children

1179

00:49:18,470 --> 00:49:17,760

i guess that's if you were abducted and

1180

00:49:22,549 --> 00:49:18,480

they

1181

00:49:25,270 --> 00:49:22,559

created hybrid children he can channel

1182

00:49:28,470 --> 00:49:25,280

those hybrid children for you

1183

00:49:33,109 --> 00:49:28,480

again i find that to be a hugely

1184

00:49:36,630 --> 00:49:33,119

hugely fantastical claim hugely

1185

00:49:38,230 --> 00:49:36,640

but again i can't prove that he can't

1186

00:49:40,950 --> 00:49:38,240

talk to your alien

1187

00:49:42,069 --> 00:49:40,960

hybrid children or channel them for you

1188

00:49:44,790 --> 00:49:42,079

for a fee

1189

00:49:45,990 --> 00:49:44,800

you know for a set price like and i

1190

00:49:50,150 --> 00:49:46,000

wonder what does it cost

1191

00:49:52,549 --> 00:49:50,160

like how much does it cost to get

1192

00:49:54,390 --> 00:49:52,559

this guy to channel my alien hybrid

1193

00:49:56,470 --> 00:49:54,400

children i'm gonna find out

1194

00:49:58,390 --> 00:49:56,480

i'm gonna find out and then but i guess

1195

00:50:01,510 --> 00:49:58,400

i got first i got to be sure that i have

1196

00:50:04,150 --> 00:50:01,520

alien hybrid children and i don't know

1197

00:50:05,030 --> 00:50:04,160

like what are the requirements here this

1198

00:50:07,990 --> 00:50:05,040

is getting

1199

00:50:09,270 --> 00:50:08,000

uh confusing other thing that e.t

1200

00:50:11,430 --> 00:50:09,280

whisper does

1201
00:50:13,190 --> 00:50:11,440
is doing events across the country we

1202
00:50:16,390 --> 00:50:13,200
have the channel panel september 19th

1203
00:50:18,870 --> 00:50:16,400
and 20th 2015.

1204
00:50:19,589 --> 00:50:18,880
two days eight channelers and we did

1205
00:50:21,750 --> 00:50:19,599
that in

1206
00:50:23,430 --> 00:50:21,760
los angeles and it was amazing amazing

1207
00:50:25,109 --> 00:50:23,440
of that we also do

1208
00:50:28,150 --> 00:50:25,119
an annual trip to asheville with

1209
00:50:29,109 --> 00:50:28,160
three-day workshop the 2015 workshop was

1210
00:50:31,510 --> 00:50:29,119
amazing

1211
00:50:33,270 --> 00:50:31,520
and we have many videos that show a live

1212
00:50:35,109 --> 00:50:33,280
events that we do and also

1213
00:50:36,950 --> 00:50:35,119

all the archived information for you

1214

00:50:38,390 --> 00:50:36,960

from the past so

1215

00:50:41,750 --> 00:50:38,400

one of the things that's striking to me

1216

00:50:43,670 --> 00:50:41,760

is that this is this guy's full-time job

1217

00:50:45,190 --> 00:50:43,680

apparently to be doing all these things

1218

00:50:46,309 --> 00:50:45,200

i would assume that this is his

1219

00:50:49,510 --> 00:50:46,319

full-time job

1220

00:50:53,270 --> 00:50:49,520

he channels archangels and

1221

00:50:55,030 --> 00:50:53,280

aliens for full-time living

1222

00:50:56,309 --> 00:50:55,040

that's amazing to me that there would be

1223

00:51:00,150 --> 00:50:56,319

that much demand

1224

00:51:01,270 --> 00:51:00,160

for these readings or services that

1225

00:51:03,349 --> 00:51:01,280

there could be

1226

00:51:05,589 --> 00:51:03,359

many p it's not just him there's many

1227

00:51:06,470 --> 00:51:05,599

people whose full-time job it is to do

1228

00:51:09,589 --> 00:51:06,480

this

1229

00:51:12,150 --> 00:51:09,599

that is a bizarre job if you ask me

1230

00:51:12,950 --> 00:51:12,160

the third thing is what we are going to

1231

00:51:15,349 --> 00:51:12,960

be doing

1232

00:51:17,030 --> 00:51:15,359

in this upcoming year 2016 is going to

1233

00:51:18,069 --> 00:51:17,040

be amazing this is quite an old video

1234

00:51:19,829 --> 00:51:18,079

but i thought this was a good

1235

00:51:21,670 --> 00:51:19,839

explanation because he's explaining

1236

00:51:23,109 --> 00:51:21,680

a lot of the things that they do and

1237

00:51:25,829 --> 00:51:23,119

what he's working on

1238

00:51:27,589 --> 00:51:25,839

and things like that instead of just

1239

00:51:29,030 --> 00:51:27,599

let's watch him channel an alien we

1240

00:51:32,230 --> 00:51:29,040

could do that next

1241

00:51:34,390 --> 00:51:32,240

year once per month we are going to have

1242

00:51:36,710 --> 00:51:34,400

a video just like this one with

1243

00:51:38,710 --> 00:51:36,720

archangel metatron now this entity i've

1244

00:51:40,790 --> 00:51:38,720

channeled just a few times publicly

1245

00:51:42,230 --> 00:51:40,800

and i've grown a great connection with

1246

00:51:45,190 --> 00:51:42,240

this so we get to hear

1247

00:51:47,270 --> 00:51:45,200

the archangel metatron speaking through

1248

00:51:50,309 --> 00:51:47,280

this gentleman

1249

00:51:52,390 --> 00:51:50,319

uh i'm already interested i want to hear

1250

00:51:54,549 --> 00:51:52,400

the archangel metatron

1251
00:51:55,510 --> 00:51:54,559
this entity is all about moving towards

1252
00:51:57,430 --> 00:51:55,520
the center

1253
00:51:59,589 --> 00:51:57,440
what that means is energetically

1254
00:52:02,470 --> 00:51:59,599
connecting to your own consciousness

1255
00:52:02,790 --> 00:52:02,480
and finding a resistance-free lifestyle

1256
00:52:04,390 --> 00:52:02,800
this

1257
00:52:05,670 --> 00:52:04,400
entity has been around for thousands of

1258
00:52:06,309 --> 00:52:05,680
years through many different human

1259
00:52:07,910 --> 00:52:06,319
beings

1260
00:52:09,750 --> 00:52:07,920
and has shared a great deal of

1261
00:52:13,109 --> 00:52:09,760
information with us

1262
00:52:15,910 --> 00:52:13,119
also we are going to do a once per month

1263
00:52:18,230 --> 00:52:15,920

video where we are connecting to

1264

00:52:19,349 --> 00:52:18,240

different entities within the galactic

1265

00:52:21,829 --> 00:52:19,359

consciousness

1266

00:52:24,470 --> 00:52:21,839

and we can connect to different entities

1267

00:52:26,710 --> 00:52:24,480

within the galactic consciousness

1268

00:52:27,990 --> 00:52:26,720

all right so so far we're five minutes

1269

00:52:30,710 --> 00:52:28,000

in and these are some

1270

00:52:31,589 --> 00:52:30,720

pretty fantastical claims but again i

1271

00:52:35,910 --> 00:52:31,599

can't

1272

00:52:38,549 --> 00:52:35,920

consciousnesses

1273

00:52:39,190 --> 00:52:38,559

i don't know in simple terms what that

1274

00:52:40,309 --> 00:52:39,200

means is

1275

00:52:42,870 --> 00:52:40,319

each month we're going to have a

1276

00:52:45,910 --> 00:52:42,880

different et or ed consciousness

1277

00:52:46,870 --> 00:52:45,920

et for extraterrestrial ed for extra

1278

00:52:49,829 --> 00:52:46,880

dimensional

1279

00:52:51,270 --> 00:52:49,839

and this must be quite the talented

1280

00:52:52,430 --> 00:52:51,280

channeler because not only can he

1281

00:52:55,589 --> 00:52:52,440

channel

1282

00:52:59,270 --> 00:52:55,599

interdimensionals

1283

00:53:02,630 --> 00:52:59,280

and archangels and and

1284

00:53:03,670 --> 00:53:02,640

hybrid alien children will have a great

1285

00:53:05,829 --> 00:53:03,680

ability

1286

00:53:08,309 --> 00:53:05,839

to connect to different perceptions

1287

00:53:10,710 --> 00:53:08,319

thoughts and ideas throughout the

1288

00:53:11,349 --> 00:53:10,720

galaxy how they live and what

1289

00:53:14,790 --> 00:53:11,359

perspective

1290

00:53:16,230 --> 00:53:14,800

is on earth and our growth as individual

1291

00:53:18,390 --> 00:53:16,240

consciousnesses

1292

00:53:20,150 --> 00:53:18,400

that will be a very very exciting part

1293

00:53:22,630 --> 00:53:20,160

and both metatron and

1294

00:53:23,510 --> 00:53:22,640

the galactic consciousness channelings

1295

00:53:26,309 --> 00:53:23,520

will be

1296

00:53:27,589 --> 00:53:26,319

once per month also once every four

1297

00:53:29,750 --> 00:53:27,599

months we're going to bring

1298

00:53:30,870 --> 00:53:29,760

forward the knee hall collective

1299

00:53:33,109 --> 00:53:30,880

consciousness

1300

00:53:35,270 --> 00:53:33,119

the neat the knee hall collective

1301

00:53:37,750 --> 00:53:35,280

consciousness i've never heard of that

1302

00:53:38,470 --> 00:53:37,760

the knee hall is a group of future human

1303

00:53:40,710 --> 00:53:38,480

beings

1304

00:53:41,589 --> 00:53:40,720

who also were the mothering race to

1305

00:53:43,829 --> 00:53:41,599

traps race

1306

00:53:46,470 --> 00:53:43,839

so it's a very exciting way to see one

1307

00:53:49,270 --> 00:53:46,480

aspect or one probability of humanity

1308

00:53:51,430 --> 00:53:49,280

going forward and experiencing a vast

1309

00:53:52,549 --> 00:53:51,440

amount of growth and expansion and see

1310

00:53:54,230 --> 00:53:52,559

how they did this

1311

00:53:56,230 --> 00:53:54,240

this will help guide us in our own

1312

00:53:56,950 --> 00:53:56,240

personal journey and we will be doing

1313

00:54:00,309 --> 00:53:56,960

those

1314

00:54:02,549 --> 00:54:00,319

at least once every four months

1315

00:54:03,670 --> 00:54:02,559

wow so that's a special event channeling

1316

00:54:07,190 --> 00:54:03,680

that

1317

00:54:08,790 --> 00:54:07,200

and to your group of entities

1318

00:54:10,470 --> 00:54:08,800

the last thing that we're going to do is

1319

00:54:12,630 --> 00:54:10,480

being interviews

1320

00:54:14,309 --> 00:54:12,640

connections with other channelers one

1321

00:54:15,910 --> 00:54:14,319

channeler specifically

1322

00:54:18,069 --> 00:54:15,920

we're going to bring forward a lot in

1323

00:54:21,430 --> 00:54:18,079

the 2016 year

1324

00:54:23,430 --> 00:54:21,440

kalina angel my partner for e.t whisper

1325

00:54:25,190 --> 00:54:23,440

most of you have heard on the radio show

1326

00:54:27,990 --> 00:54:25,200

most of you have seen her

1327

00:54:28,790 --> 00:54:28,000

on events or doing videos for live

1328

00:54:30,950 --> 00:54:28,800

events

1329

00:54:33,270 --> 00:54:30,960

and some of you are not quite sure who

1330

00:54:35,109 --> 00:54:33,280

she is or what her connection is with et

1331

00:54:38,230 --> 00:54:35,119

whisper

1332

00:54:39,990 --> 00:54:38,240

uh well let us know fill us in

1333

00:54:41,750 --> 00:54:40,000

so what i'll tell you is that her

1334

00:54:45,270 --> 00:54:41,760

connection to e.t whisper

1335

00:54:45,829 --> 00:54:45,280

is a very great life support chewie t

1336

00:54:49,190 --> 00:54:45,839

whisper

1337

00:54:51,270 --> 00:54:49,200

she is my own partner my fiance the love

1338

00:54:53,990 --> 00:54:51,280

of my life and my connection

1339

00:54:54,549 --> 00:54:54,000

she is going to bring forward an amazing

1340

00:54:57,030 --> 00:54:54,559

amount of

1341

00:54:58,870 --> 00:54:57,040

information and energy to easy whisper

1342

00:55:01,910 --> 00:54:58,880

in 2016.

1343

00:55:02,789 --> 00:55:01,920

she connects to an octurian 103

1344

00:55:06,069 --> 00:55:02,799

collective

1345

00:55:11,349 --> 00:55:06,079

one

1346

00:55:14,470 --> 00:55:11,359

she connects to an arcturian

1347

00:55:16,870 --> 00:55:14,480

collective of aliens 103

1348

00:55:17,589 --> 00:55:16,880

did he say does that mean 103 different

1349

00:55:19,349 --> 00:55:17,599

arcturian

1350

00:55:22,309 --> 00:55:19,359

aliens will be channeled through one

1351

00:55:25,750 --> 00:55:22,319

woman wow

1352

00:55:27,910 --> 00:55:25,760

that means there are 103 entities

1353

00:55:30,069 --> 00:55:27,920

that are in a collective group that come

1354

00:55:33,829 --> 00:55:30,079

and connect directly through her

1355

00:55:35,190 --> 00:55:33,839

she connects to 103 octonion aliens bro

1356

00:55:37,109 --> 00:55:35,200

she does it in writing

1357

00:55:39,109 --> 00:55:37,119

she's working on the verbal aspects of

1358

00:55:41,270 --> 00:55:39,119

it and she will be sharing that publicly

1359

00:55:44,710 --> 00:55:41,280

next year on et whisper

1360

00:55:47,510 --> 00:55:44,720

now lastly but not least i'd like to say

1361

00:55:48,230 --> 00:55:47,520

this channel this year is going through

1362

00:55:51,349 --> 00:55:48,240

a total

1363

00:55:51,829 --> 00:55:51,359

revamp we've upgraded our video as you

1364

00:55:53,349 --> 00:55:51,839

see

1365

00:55:54,950 --> 00:55:53,359

we're one of the few channelers in our

1366

00:55:58,870 --> 00:55:54,960

own circles who use 4k

1367

00:56:01,190 --> 00:55:58,880

equipment wow a channeler using 4k

1368

00:56:02,710 --> 00:56:01,200

video cameras to capture those alien

1369

00:56:04,789 --> 00:56:02,720

channeling sessions

1370

00:56:06,549 --> 00:56:04,799

this is some high quality alien

1371

00:56:09,430 --> 00:56:06,559

channeling channel right here

1372

00:56:11,430 --> 00:56:09,440

friends we're also using better audio

1373

00:56:13,750 --> 00:56:11,440

and we're going to be documenting

1374

00:56:15,349 --> 00:56:13,760

live video channelings for the benefit

1375

00:56:16,789 --> 00:56:15,359

of all of you guys this year

1376

00:56:19,589 --> 00:56:16,799

the ones that we talked about with

1377

00:56:21,829 --> 00:56:19,599

metatron galactic entities trap artif

1378

00:56:23,750 --> 00:56:21,839

we're also going to be shooting all of

1379

00:56:25,750 --> 00:56:23,760

our events in 4k

1380

00:56:28,150 --> 00:56:25,760

so we're upgrading this channel this

1381

00:56:29,589 --> 00:56:28,160

year and the way that we continue to

1382

00:56:31,990 --> 00:56:29,599

share this information

1383

00:56:32,870 --> 00:56:32,000

is through people purchasing personal

1384

00:56:35,190 --> 00:56:32,880

sessions

1385

00:56:36,230 --> 00:56:35,200

channeling classes meditation classes

1386

00:56:39,670 --> 00:56:36,240

one-on-one

1387

00:56:42,309 --> 00:56:39,680

counseling or training so he also

1388

00:56:42,789 --> 00:56:42,319

sells training classes to learn how to

1389

00:56:46,470 --> 00:56:42,799

channel

1390

00:56:49,670 --> 00:56:46,480

aliens bro and personal sessions so

1391

00:56:51,829 --> 00:56:49,680

you too can have him

1392

00:56:53,349 --> 00:56:51,839

privately while he's talking to the

1393

00:56:55,510 --> 00:56:53,359

aliens and i guess you can

1394

00:56:57,030 --> 00:56:55,520

interview the aliens and ask them

1395

00:57:00,309 --> 00:56:57,040

questions

1396

00:57:01,270 --> 00:57:00,319

and also donations donations are a big

1397

00:57:02,950 --> 00:57:01,280

part and thank

1398

00:57:05,349 --> 00:57:02,960

all of you who have been donating it's

1399

00:57:07,030 --> 00:57:05,359

been helping us be able to bring forward

1400

00:57:08,789 --> 00:57:07,040

this free information to you

1401

00:57:10,630 --> 00:57:08,799

in the way that you desire and the way

1402

00:57:13,109 --> 00:57:10,640

that we're excited to do

1403

00:57:14,470 --> 00:57:13,119

myself and kalina are very very excited

1404

00:57:16,710 --> 00:57:14,480

about this next year

1405

00:57:18,390 --> 00:57:16,720

and we cannot wait for all of you to

1406

00:57:20,230 --> 00:57:18,400

come on that journey with us

1407

00:57:22,309 --> 00:57:20,240

if you want to be a member of this

1408

00:57:23,270 --> 00:57:22,319

journey please remember to subscribe to

1409

00:57:25,589 --> 00:57:23,280

the channel

1410

00:57:26,710 --> 00:57:25,599

and you will come along with that ride

1411

00:57:28,710 --> 00:57:26,720

with us for sure

1412

00:57:30,630 --> 00:57:28,720

thank you guys so much i love you very

1413

00:57:32,950 --> 00:57:30,640

much and we'll see you

1414

00:57:34,789 --> 00:57:32,960

several times this year on the youtube

1415

00:57:37,030 --> 00:57:34,799

channel make sure to check out

1416

00:57:38,230 --> 00:57:37,040

facebook page with the link below and

1417

00:57:40,069 --> 00:57:38,240

many links below

1418

00:57:42,230 --> 00:57:40,079

will find different ways to connect to

1419

00:57:46,069 --> 00:57:42,240

us

1420

00:57:49,589 --> 00:57:46,079

yeah so uh we could uh

1421

00:57:59,430 --> 00:57:49,599

we could also preview uh a video of him

1422

00:58:03,750 --> 00:58:01,109

i'm looking at his channel and there are

1423

00:58:09,109 --> 00:58:03,760

some wacky pretty wacky uh

1424

00:58:13,670 --> 00:58:09,119

titles to some of some of the stuff

1425

00:58:19,109 --> 00:58:16,710

whoa here we go theta atari

1426

00:58:21,109 --> 00:58:19,119

white reptilians galactic weekly

1427

00:58:24,309 --> 00:58:21,119

channeling

1428

00:58:26,710 --> 00:58:24,319

i want to hear uh reptilian a white

1429

00:58:28,549 --> 00:58:26,720

reptilian

1430

00:58:30,630 --> 00:58:28,559

wait i didn't even know there was white

1431

00:58:35,349 --> 00:58:30,640

reptilian aliens

1432

00:58:39,190 --> 00:58:36,870

so we're going to cite fair use and

1433

00:58:41,750 --> 00:58:39,200

we're going to sample him channeling a

1434

00:58:43,349 --> 00:58:41,760

white reptilian alien

1435

00:58:44,789 --> 00:58:43,359

and again this is fair use this is a

1436

00:58:46,950 --> 00:58:44,799

transformative work we

1437

00:58:48,630 --> 00:58:46,960

are uh educating the public about people

1438

00:58:49,430 --> 00:58:48,640

who channel aliens including this

1439

00:58:51,270 --> 00:58:49,440

gentleman

1440

00:58:52,789 --> 00:58:51,280

we'll be discussing and critiquing the

1441

00:58:56,069 --> 00:58:52,799

contents of the video we are

1442

00:58:59,829 --> 00:58:56,079

sharing this is a transformative work

1443

00:59:05,109 --> 00:59:01,510

okay he's going to talk to a white

1444

00:59:07,750 --> 00:59:05,119

reptilian alien in this video apparently

1445

00:59:09,109 --> 00:59:07,760

rob gothier the et whisper and welcome

1446

00:59:18,180 --> 00:59:09,119

to the et whisper

1447

00:59:24,150 --> 00:59:18,190

youtube channel

1448

00:59:32,000 --> 00:59:24,160

[Music]

1449

00:59:38,470 --> 00:59:32,010

yeah and again with the love wisdom

1450

00:59:42,230 --> 00:59:40,309

hey everybody rob gothier the e.t

1451

00:59:43,829 --> 00:59:42,240

whisperer here we're hoping so i did

1452

00:59:46,309 --> 00:59:43,839

pronounce his name wrong it's not

1453

00:59:47,910 --> 00:59:46,319

gauthier it's goth he's saying just as

1454

00:59:51,190 --> 00:59:47,920

god so i apologize

1455

00:59:51,910 --> 00:59:51,200

mr god uh names are important and i

1456

00:59:54,150 --> 00:59:51,920

should have

1457

00:59:55,510 --> 00:59:54,160

gotten your name right i won't get it

1458

00:59:57,990 --> 00:59:55,520

wrong again though

1459

01:00:00,710 --> 00:59:58,000

thanks for correcting me you're enjoying

1460

01:00:03,510 --> 01:00:00,720

this installment which was all shot

1461

01:00:05,270 --> 01:00:03,520

one through four at the same time which

1462

01:00:06,789 --> 01:00:05,280

we're going to try to do every month so

1463

01:00:08,789 --> 01:00:06,799

that you guys get something

1464

01:00:10,470 --> 01:00:08,799

every week we hope you're enjoying the

1465

01:00:12,390 --> 01:00:10,480

series so far

1466

01:00:14,069 --> 01:00:12,400

please feel free to keep supporting us

1467

01:00:17,109 --> 01:00:14,079

by subscribing liking

1468

01:00:19,270 --> 01:00:17,119

or commenting in the section everything

1469

01:00:21,349 --> 01:00:19,280

that you guys share is important to us

1470

01:00:23,190 --> 01:00:21,359

we hold it dear we love you guys so so

1471

01:00:26,309 --> 01:00:23,200

much and thank you for being a part

1472

01:00:27,430 --> 01:00:26,319

of the et whisper love you guys i think

1473

01:00:29,829 --> 01:00:27,440

i gotta lump bomb

1474

01:00:31,750 --> 01:00:29,839

people more on my channel greetings to

1475

01:00:35,910 --> 01:00:31,760

all the sardis that is a

1476

01:00:38,230 --> 01:00:35,920

i d i f and this is despair

1477

01:00:39,990 --> 01:00:38,240

we understand natural desire to hear the

1478

01:00:42,549 --> 01:00:40,000

fourth installment

1479

01:00:44,230 --> 01:00:42,559

of your weekly galactic traveling but

1480

01:00:46,230 --> 01:00:44,240

before connecting

1481

01:00:48,390 --> 01:00:46,240

we wish to whoa so this guy's like got a

1482

01:00:50,470 --> 01:00:48,400

contract with the aliens they know

1483

01:00:51,430 --> 01:00:50,480

like i'm going to do a weekly galactic

1484

01:00:53,109 --> 01:00:51,440

channeling through

1485

01:00:54,870 --> 01:00:53,119

you and you're going to show up every

1486

01:00:58,069 --> 01:00:54,880

week and do the

1487

01:01:01,430 --> 01:00:58,079

okay express first

1488

01:01:02,789 --> 01:01:01,440

an interpretation previous engagements

1489

01:01:05,270 --> 01:01:02,799

that we've had with that

1490

01:01:06,549 --> 01:01:05,280

energy there have been multiple points

1491

01:01:08,470 --> 01:01:06,559

of views some

1492

01:01:09,990 --> 01:01:08,480

in our own perspective that are brought

1493

01:01:12,630 --> 01:01:10,000

forward in better more

1494

01:01:14,789 --> 01:01:12,640

clear manners than others in the

1495

01:01:16,549 --> 01:01:14,799

fluctuation of the energy in which they

1496

01:01:19,990 --> 01:01:16,559

are able to speak through rob

1497

01:01:23,109 --> 01:01:20,000

also speaks highly to the vibrational

1498

01:01:26,150 --> 01:01:23,119

difference the entities some of these

1499

01:01:26,950 --> 01:01:26,160

entities are of those nature that are

1500

01:01:30,950 --> 01:01:26,960

perceived as

1501
01:01:34,630 --> 01:01:30,960
mid-grade type 2 semi-benevolent or

1502
01:01:37,270 --> 01:01:34,640
similar benevolent whatever you perceive

1503
01:01:39,109 --> 01:01:37,280
yet the others are highly benevolent in

1504
01:01:41,829 --> 01:01:39,119
their own perspective

1505
01:01:42,390 --> 01:01:41,839
okay so this is kind of like the intro

1506
01:01:46,230 --> 01:01:42,400
alien

1507
01:01:50,390 --> 01:01:46,240
gonna channel

1508
01:01:53,270 --> 01:01:50,400
and gather i guess okay

1509
01:01:54,789 --> 01:01:53,280
and it's got an english accent that's

1510
01:01:59,069 --> 01:01:54,799
interesting

1511
01:02:01,510 --> 01:01:59,079
that energy is why we are co-creating

1512
01:02:02,789 --> 01:02:01,520
accountability with the connection of

1513
01:02:04,710 --> 01:02:02,799

the energy

1514

01:02:07,349 --> 01:02:04,720

with the entities to the earth

1515

01:02:10,470 --> 01:02:07,359

collective consciousness

1516

01:02:12,309 --> 01:02:10,480

rob himself and our own sense and

1517

01:02:15,349 --> 01:02:12,319

co-creation agreed

1518

01:02:17,510 --> 01:02:15,359

that without multiple perspectives and

1519

01:02:19,430 --> 01:02:17,520

multiple points of view

1520

01:02:20,549 --> 01:02:19,440

it will not give all of you the

1521

01:02:23,910 --> 01:02:20,559

opportunity

1522

01:02:26,069 --> 01:02:23,920

to perceive and reflect the differences

1523

01:02:29,349 --> 01:02:26,079

within yourselves

1524

01:02:32,470 --> 01:02:29,359

and this is why we bring forward energy

1525

01:02:35,029 --> 01:02:32,480

that is very different in this day

1526
01:02:35,990 --> 01:02:35,039
than what we have created with before

1527
01:02:39,349 --> 01:02:36,000
this energy

1528
01:02:43,670 --> 01:02:39,359
isn't the type 2 variety but is in

1529
01:02:48,789 --> 01:02:43,680
the vibration spectrum of malevolency

1530
01:02:50,069 --> 01:02:48,799
again all this just sounds like word

1531
01:02:53,750 --> 01:02:50,079
salad to me

1532
01:02:58,069 --> 01:02:53,760
from the human perspective in 70 percent

1533
01:03:01,029 --> 01:02:58,079
malevolency in the approximated spectrum

1534
01:03:02,230 --> 01:03:01,039
but it will bring great insight on the

1535
01:03:05,589 --> 01:03:02,240
different perspective

1536
01:03:07,670 --> 01:03:05,599
of those that co-create the entity

1537
01:03:09,670 --> 01:03:07,680
is within the theta terrain even

1538
01:03:11,510 --> 01:03:09,680

co-created collective

1539

01:03:13,349 --> 01:03:11,520

and it's bringing forth its own

1540

01:03:16,789 --> 01:03:13,359

perspective in creating

1541

01:03:18,390 --> 01:03:16,799

with humans although some of the ideas

1542

01:03:21,349 --> 01:03:18,400

can be perceived

1543

01:03:22,390 --> 01:03:21,359

as jarring or some of the ideals can be

1544

01:03:25,910 --> 01:03:22,400

perceived

1545

01:03:27,910 --> 01:03:25,920

as negative we do express that we

1546

01:03:31,670 --> 01:03:27,920

ourselves with wrong

1547

01:03:34,470 --> 01:03:31,680

are not only protecting rob's own energy

1548

01:03:36,789 --> 01:03:34,480

as a shield of his own understanding

1549

01:03:37,109 --> 01:03:36,799

that others cannot interfere with his

1550

01:03:40,630 --> 01:03:37,119

own

1551

01:03:41,990 --> 01:03:40,640

energy but will all so he's got aliens

1552

01:03:44,870 --> 01:03:42,000

protecting him while he

1553

01:03:45,750 --> 01:03:44,880

channels these malevolent aliens i guess

1554

01:03:49,190 --> 01:03:45,760

also bring

1555

01:03:52,549 --> 01:03:49,200

forward energy in clearest fashion

1556

01:03:56,549 --> 01:03:52,559

possible we oh we're gonna have an

1557

01:03:59,990 --> 01:03:56,559

ad so i'm gonna stop this let me just uh

1558

01:04:00,000 --> 01:04:05,109

just bear with me for a moment friends

1559

01:04:19,349 --> 01:04:06,870

and it's interesting that gaia is

1560

01:04:23,349 --> 01:04:22,150

okay one second let me just kill it back

1561

01:05:30,390 --> 01:04:23,359

there we go friends

1562

01:06:02,069 --> 01:05:31,670

well it's good to know that he's talking

1563

01:06:05,589 --> 01:06:03,829

so basically this alien that he's

1564

01:06:09,270 --> 01:06:05,599

channeling is talking trash about those

1565

01:06:11,750 --> 01:06:09,280

other aliens the pleiadians

1566

01:06:12,549 --> 01:06:11,760

okay i don't know the value in any of

1567

01:06:15,109 --> 01:06:12,559

this or

1568

01:06:15,589 --> 01:06:15,119

why people care to listen to this guy

1569

01:06:56,230 --> 01:06:15,599

but

1570

01:07:01,670 --> 01:06:59,750

okay again i don't

1571

01:07:03,910 --> 01:07:01,680

i don't really know what he's getting at

1572

01:07:04,870 --> 01:07:03,920

like don't worry about what others think

1573

01:07:06,630 --> 01:07:04,880

of you

1574

01:07:08,150 --> 01:07:06,640

you know all these guys seem to just

1575

01:07:11,270 --> 01:07:08,160

like real

1576

01:07:15,190 --> 01:07:11,280

dumb common sense common advice

1577

01:07:17,430 --> 01:07:15,200

that you maybe get from you know a human

1578

01:07:18,549 --> 01:07:17,440

so it just seems so strange to me like

1579

01:07:21,430 --> 01:07:18,559

oh let's

1580

01:07:23,589 --> 01:07:21,440

let's inhabit the body of a being on

1581

01:07:25,190 --> 01:07:23,599

another planet in another star system so

1582

01:07:40,829 --> 01:07:25,200

that we can give

1583

01:07:40,839 --> 01:08:10,309

happiness

1584

01:08:13,510 --> 01:08:12,230

so this alien is also talking trash

1585

01:08:15,430 --> 01:08:13,520

about humans too

1586

01:08:17,110 --> 01:08:15,440

because like only half the humans they

1587

01:08:28,229 --> 01:08:17,120

respect the other half they have no

1588

01:08:42,390 --> 01:08:29,669

don't don't worry what other people

1589

01:08:45,910 --> 01:08:44,070

so he's talking about himself you're

1590

01:08:49,269 --> 01:08:45,920

strong enough to make a living

1591

01:08:51,590 --> 01:08:49,279

channeling beings okay so he's having a

1592

01:08:53,829 --> 01:08:51,600

conversation with himself

1593

01:08:56,229 --> 01:08:53,839

maybe subconscious is leaking into this

1594

01:08:59,590 --> 01:08:56,239

so-called channeling right

1595

01:09:02,550 --> 01:08:59,600

i'm strong i'm worthy of respect

1596

01:09:37,749 --> 01:09:02,560

because i'm following my passion and

1597

01:09:42,789 --> 01:09:39,829

yeah all those people working day jobs

1598

01:09:45,030 --> 01:09:42,799

[h__\h] them just channel aliens bro

1599

01:09:46,309 --> 01:09:45,040

[h__\h] those people working day jobs you

1600

01:09:49,669 --> 01:09:46,319

know

1601
01:09:58,630 --> 01:09:49,679
normal life

1602
01:10:09,590 --> 01:10:03,510
sickness yeah

1603
01:10:13,270 --> 01:10:12,229
according john lennon or i'm sorry paul

1604
01:10:32,790 --> 01:10:13,280
mccartney

1605
01:10:35,830 --> 01:10:33,750
again it's like he's having a

1606
01:10:42,830 --> 01:10:35,840
conversation with himself you have to

1607
01:10:42,840 --> 01:10:55,189
aliens

1608
01:10:55,199 --> 01:11:09,110
it's not fun

1609
01:11:12,310 --> 01:11:10,950
i just don't get what he's getting at

1610
01:11:14,149 --> 01:11:12,320
it's like he's having a conversation

1611
01:11:17,110 --> 01:11:14,159
with himself

1612
01:11:19,030 --> 01:11:17,120
about how hard it is to [h__\h] society and

1613
01:11:19,750 --> 01:11:19,040

[h__h] that day job and be an alien

1614

01:11:41,270 --> 01:11:19,760

channel or

1615

01:11:46,470 --> 01:11:43,830

yeah i think i think i've heard enough

1616

01:11:49,110 --> 01:11:46,480

of this so-called alien channeling

1617

01:11:49,590 --> 01:11:49,120

because again i just don't i don't get

1618

01:11:52,310 --> 01:11:49,600

it

1619

01:11:52,790 --> 01:11:52,320

like what is the value in this where is

1620

01:11:57,830 --> 01:11:52,800

the

1621

01:11:57,840 --> 01:12:13,270

i don't understand

1622

01:12:19,510 --> 01:12:16,470

oh no sound

1623

01:12:21,590 --> 01:12:19,520

so uh listen it's okay uh i'm not gonna

1624

01:12:24,229 --> 01:12:21,600

play through that again

1625

01:12:25,189 --> 01:12:24,239

i forgot to click include audio i

1626

01:12:27,189 --> 01:12:25,199

apologize

1627

01:12:29,430 --> 01:12:27,199

one second friends let me get the banner

1628

01:12:31,990 --> 01:12:29,440

off you're right i should be monitoring

1629

01:12:33,990 --> 01:12:32,000

the live chat more

1630

01:12:35,750 --> 01:12:34,000

one second all right let's get that

1631

01:12:37,910 --> 01:12:35,760

banner off so

1632

01:12:39,030 --> 01:12:37,920

in the second in the in this last video

1633

01:12:43,350 --> 01:12:39,040

that i was sharing

1634

01:12:45,910 --> 01:12:43,360

he basically uh channels one alien

1635

01:12:47,189 --> 01:12:45,920

who talks about the alien that he would

1636

01:12:50,390 --> 01:12:47,199

be channeling next

1637

01:12:50,790 --> 01:12:50,400

being malevolent and then he goes on to

1638

01:12:52,470 --> 01:12:50,800

have

1639

01:12:54,550 --> 01:12:52,480

sort of a conversation with himself

1640

01:12:56,870 --> 01:12:54,560

about you know

1641

01:12:59,110 --> 01:12:56,880

[h__h] society and you know living the

1642

01:13:02,470 --> 01:12:59,120

societal norms and

1643

01:13:04,630 --> 01:13:02,480

you know having the strength to pursue

1644

01:13:05,830 --> 01:13:04,640

being a channeler make a living at it

1645

01:13:07,669 --> 01:13:05,840

it's like he's having a conversation

1646

01:13:08,149 --> 01:13:07,679

with himself i don't see any value in

1647

01:13:11,830 --> 01:13:08,159

this

1648

01:13:14,070 --> 01:13:11,840

why people watch that stuff it's like

1649

01:13:15,750 --> 01:13:14,080

sitting through a guy having a therapy

1650

01:13:17,350 --> 01:13:15,760

session with himself that's what this

1651

01:13:19,110 --> 01:13:17,360

last video was like because he's like

1652

01:13:22,470 --> 01:13:19,120

having a conversation

1653

01:13:24,870 --> 01:13:22,480

like the alien is saying it's okay

1654

01:13:25,669 --> 01:13:24,880

live your life your way don't worry

1655

01:13:27,430 --> 01:13:25,679

about what people

1656

01:13:29,910 --> 01:13:27,440

think of you if you want to make a

1657

01:13:33,110 --> 01:13:29,920

living channeling aliens

1658

01:13:34,709 --> 01:13:33,120

go for it bro it's ridiculous it's

1659

01:13:36,310 --> 01:13:34,719

absolutely ridiculous i don't know any

1660

01:13:39,510 --> 01:13:36,320

other word for it

1661

01:13:44,390 --> 01:13:42,390

and uh yeah so i apologize that i didn't

1662

01:13:44,950 --> 01:13:44,400

know about the audio this is a live show

1663

01:13:52,070 --> 01:13:44,960

friends

1664

01:13:55,510 --> 01:13:53,910

brad gray we're going to take comments

1665

01:13:57,030 --> 01:13:55,520

and questions from the live chat and as

1666

01:13:57,990 --> 01:13:57,040

i have said in the past why do you need

1667

01:13:59,990 --> 01:13:58,000

to close your eyes

1668

01:14:01,430 --> 01:14:00,000

is that only way you can make contact

1669

01:14:04,310 --> 01:14:01,440

yeah i've never seen a channeler with

1670

01:14:08,390 --> 01:14:04,320

their eyes open channeling an alien

1671

01:14:09,590 --> 01:14:08,400

if you were entering the body of a human

1672

01:14:11,669 --> 01:14:09,600

wouldn't you want to see through their

1673

01:14:16,550 --> 01:14:11,679

eyes i sure would

1674

01:14:25,669 --> 01:14:20,229

rob was channeling raw oh okay

1675

01:14:29,030 --> 01:14:27,590

it has your question how much of it is

1676

01:14:30,950 --> 01:14:29,040

completely made up

1677

01:14:32,390 --> 01:14:30,960

yeah i'd like to know like how much of

1678

01:14:34,390 --> 01:14:32,400

this stuff that's coming out of these

1679

01:14:37,510 --> 01:14:34,400

people's mails it's just completely made

1680

01:14:41,750 --> 01:14:39,270

things are getting interesting kev baker

1681

01:14:43,430 --> 01:14:41,760

showed to cambridge alex and fusion gps

1682

01:14:44,870 --> 01:14:43,440

tank with neil will be cool lots more

1683

01:14:47,350 --> 01:14:44,880

going on

1684

01:14:49,910 --> 01:14:47,360

uh yeah and uh isn't ken baker's show

1685

01:14:55,669 --> 01:14:49,920

he's got channeling.com he's a big

1686

01:14:59,590 --> 01:14:58,070

okay it's supposed to be you so if

1687

01:15:00,630 --> 01:14:59,600

you're channeling an alien you gotta

1688

01:15:03,110 --> 01:15:00,640

close your eyes

1689

01:15:04,950 --> 01:15:03,120
so that it it shut it's to shut out

1690

01:15:06,790 --> 01:15:04,960
stimulation

1691

01:15:08,830 --> 01:15:06,800
uh i guess so that you can more properly

1692

01:15:20,310 --> 01:15:08,840
connect with the alien

1693

01:15:27,270 --> 01:15:23,590
i'm looking at the older live chat

1694

01:15:31,030 --> 01:15:27,280
he is the destroyer of dreams

1695

01:15:34,390 --> 01:15:31,040
yeah i think so so

1696

01:15:38,630 --> 01:15:34,400
oh the kevin baker show is here

1697

01:15:40,229 --> 01:15:38,640
good to see you yes uh he says wonder

1698

01:15:43,030 --> 01:15:40,239
why that happens yeah i just

1699

01:15:43,430 --> 01:15:43,040
forget to click share audio sometimes

1700

01:15:45,990 --> 01:15:43,440
and

1701

01:15:47,430 --> 01:15:46,000

you know what i gotta i got that hasn't

1702

01:15:49,030 --> 01:15:47,440

happened in a while because i've been

1703

01:15:51,270 --> 01:15:49,040

remembering but uh

1704

01:15:52,470 --> 01:15:51,280

i wasn't planning on doing that last

1705

01:15:55,350 --> 01:15:52,480

video but

1706

01:15:57,030 --> 01:15:55,360

you know it is what it is i thought this

1707

01:15:59,590 --> 01:15:57,040

was a professional show

1708

01:16:01,110 --> 01:15:59,600

[h__h] you genocide but actually no i

1709

01:16:03,590 --> 01:16:01,120

shouldn't say it

1710

01:16:06,149 --> 01:16:03,600

thank you because genocide messaged me i

1711

01:16:06,870 --> 01:16:06,159

just wasn't monitoring messages or the

1712

01:16:08,709 --> 01:16:06,880

live chat

1713

01:16:09,910 --> 01:16:08,719

like i get in the zone here like okay

1714

01:16:11,590 --> 01:16:09,920

we're going to cover this and i got

1715

01:16:14,630 --> 01:16:11,600

totally focused on the video

1716

01:16:20,390 --> 01:16:14,640

i heard it uh and with their

1717

01:16:22,870 --> 01:16:20,400

commentary on it is what it is

1718

01:16:24,709 --> 01:16:22,880

oh there kev baker i like your stuff

1719

01:16:26,390 --> 01:16:24,719

loving your content enjoy

1720

01:16:28,229 --> 01:16:26,400

being here you got a good vibe and good

1721

01:16:29,750 --> 01:16:28,239

people in the chat yeah i'm glad to see

1722

01:16:30,709 --> 01:16:29,760

you here i've been watching you for

1723

01:16:32,709 --> 01:16:30,719

years

1724

01:16:34,630 --> 01:16:32,719

and you and i disagree on a lot of

1725

01:16:37,750 --> 01:16:34,640

things including this whole

1726

01:16:39,910 --> 01:16:37,760

channeling thing i i don't maybe you can

1727

01:16:42,950 --> 01:16:39,920

come on and we'll talk about

1728

01:16:44,630 --> 01:16:42,960

the value in it for people there's got

1729

01:16:46,149 --> 01:16:44,640

to be some value in it for people

1730

01:16:47,750 --> 01:16:46,159

because so many people are willing to

1731

01:16:47,990 --> 01:16:47,760

shell out hard-earned money to hear

1732

01:16:50,950 --> 01:16:48,000

these

1733

01:16:53,910 --> 01:16:50,960

people channel stuff or you know ask

1734

01:16:56,709 --> 01:16:53,920

these people channeling aliens questions

1735

01:16:57,110 --> 01:16:56,719

so i'm trying to not be so critical

1736

01:17:00,229 --> 01:16:57,120

right

1737

01:17:04,070 --> 01:17:00,239

and cynical and saying this is crazy but

1738

01:17:07,110 --> 01:17:04,080

it is crazy they're channeling aliens

1739

01:17:08,870 --> 01:17:07,120

i'd like to uh we're gonna

1740

01:17:11,030 --> 01:17:08,880

we're gonna find a few more alien

1741

01:17:13,430 --> 01:17:11,040

channelers and with any luck we're gonna

1742

01:17:15,750 --> 01:17:13,440

get one as a guest on our show

1743

01:17:18,070 --> 01:17:15,760

and then we can interview an alien

1744

01:17:21,110 --> 01:17:18,080

entity that somebody's channeling

1745

01:17:24,470 --> 01:17:21,120

i would like to yeah uh

1746

01:17:27,030 --> 01:17:24,480

v you know this rob goth like

1747

01:17:28,870 --> 01:17:27,040

get get me him or his wife and i'll be

1748

01:17:29,669 --> 01:17:28,880

respectful and we'll be nice but we

1749

01:17:33,270 --> 01:17:29,679

might be

1750

01:17:36,070 --> 01:17:33,280

you know uh we might

1751
01:17:37,430 --> 01:17:36,080
be have a lot of hard questions for them

1752
01:17:38,870 --> 01:17:37,440
if they're willing to do that i would be

1753
01:17:42,070 --> 01:17:38,880
respectful and not

1754
01:17:44,390 --> 01:17:42,080
and be real nice to them bashar and the

1755
01:17:47,590 --> 01:17:44,400
rest look and sound fake same

1756
01:17:50,870 --> 01:17:47,600
dub voice yeah i agree with you uh

1757
01:17:53,750 --> 01:17:50,880
i mean absolutely i've heard bashar

1758
01:17:54,229 --> 01:17:53,760
and bashar is uh is interesting in that

1759
01:17:58,550 --> 01:17:54,239
he's

1760
01:18:00,390 --> 01:17:58,560
all of his stuff

1761
01:18:02,390 --> 01:18:00,400
off of any free source on the internet

1762
01:18:04,149 --> 01:18:02,400
so that people have to pay

1763
01:18:07,510 --> 01:18:04,159

through his paywall to get to his

1764

01:18:12,950 --> 01:18:09,990

sixth design i swear 50 of everything in

1765

01:18:16,709 --> 01:18:12,960

media is completely fake

1766

01:18:25,350 --> 01:18:16,719

yeah i think more than that

1767

01:18:28,950 --> 01:18:27,030

the scammers and frauds are multiplying

1768

01:18:29,430 --> 01:18:28,960

faster than the honest and trustworthy

1769

01:18:32,149 --> 01:18:29,440

people

1770

01:18:33,270 --> 01:18:32,159

for sure success design absolutely for

1771

01:18:36,070 --> 01:18:33,280

sure

1772

01:18:36,950 --> 01:18:36,080

you know and i listen in a lot of this

1773

01:18:39,590 --> 01:18:36,960

stuff you just

1774

01:18:41,350 --> 01:18:39,600

if you follow the money you quickly see

1775

01:18:41,830 --> 01:18:41,360

what the motivation may be for these

1776

01:18:43,510 --> 01:18:41,840

people

1777

01:18:45,830 --> 01:18:43,520

saying that they're channeling aliens if

1778

01:18:48,310 --> 01:18:45,840

they're making a good living doing it

1779

01:18:50,870 --> 01:18:48,320

and hey if they truly believe that what

1780

01:18:53,990 --> 01:18:50,880

they're doing has value and is real

1781

01:18:58,470 --> 01:18:54,000

uh yeah then good

1782

01:19:00,709 --> 01:18:58,480

for them you know i i suppose

1783

01:19:02,229 --> 01:19:00,719

kevin baker show definitely bro we don't

1784

01:19:04,149 --> 01:19:02,239

need to agree on anything makes it more

1785

01:19:05,350 --> 01:19:04,159

fun and it's cool to agree to disagree

1786

01:19:08,709 --> 01:19:05,360

i'm more

1787

01:19:10,149 --> 01:19:08,719

in a very skeptical camp these days yeah

1788

01:19:12,390 --> 01:19:10,159

but aren't you a big supporter of

1789

01:19:16,229 --> 01:19:12,400

channeling though i thought you're a big

1790

01:19:21,270 --> 01:19:19,510

so which is an interesting situation

1791

01:19:23,350 --> 01:19:21,280

because i know you're very critical of

1792

01:19:25,750 --> 01:19:23,360

like a lot of ufo frauds and secret

1793

01:19:28,390 --> 01:19:25,760

space frauds and mark richards and

1794

01:19:30,310 --> 01:19:28,400

crazy carrie cassidy you know she says

1795

01:19:32,870 --> 01:19:30,320

the reptilian aliens are gonna

1796

01:19:33,430 --> 01:19:32,880

[h__\h] us anita's kev baker i'm a little

1797

01:19:35,350 --> 01:19:33,440

worried

1798

01:19:36,630 --> 01:19:35,360

i don't want to get raped by a reptilian

1799

01:19:44,870 --> 01:19:36,640

alien that would be a

1800

01:19:48,709 --> 01:19:47,110

okay so he says i've been so far down

1801

01:19:50,310 --> 01:19:48,719

the rabbit hole i did believe lots of

1802

01:19:51,910 --> 01:19:50,320

this stuff but thankfully didn't hit the

1803

01:19:54,790 --> 01:19:51,920

bottom of the rabbit hole and turned my

1804

01:19:57,030 --> 01:19:54,800

brain to black goo

1805

01:19:59,830 --> 01:19:57,040

yeah i gotta back off with some of this

1806

01:20:03,590 --> 01:19:59,840

stuff sometimes i just sometimes i say

1807

01:20:05,350 --> 01:20:03,600

uh i just my brain

1808

01:20:07,030 --> 01:20:05,360

i don't have a mental bandwidth to

1809

01:20:08,629 --> 01:20:07,040

absorb any more of this stuff

1810

01:20:11,110 --> 01:20:08,639

especially if i don't find that it has

1811

01:20:13,430 --> 01:20:11,120

any value like

1812

01:20:15,430 --> 01:20:13,440

i feel the same way about people with no

1813

01:20:17,750 --> 01:20:15,440

evidentiary support telling buck rogers

1814

01:20:18,790 --> 01:20:17,760

fantasy stories the secret space program

1815

01:20:20,550 --> 01:20:18,800

guys it's like

1816

01:20:22,070 --> 01:20:20,560

well i can't prove that what you're

1817

01:20:25,669 --> 01:20:22,080

saying is not

1818

01:20:26,870 --> 01:20:25,679

true but you can't prove that it is true

1819

01:20:29,270 --> 01:20:26,880

it's sort of the same thing with

1820

01:20:31,990 --> 01:20:29,280

channelers like to me if there's not

1821

01:20:32,950 --> 01:20:32,000

that's a sufficient amount of evidence

1822

01:20:35,350 --> 01:20:32,960

and support

1823

01:20:36,790 --> 01:20:35,360

of that there that that's true and

1824

01:20:39,189 --> 01:20:36,800

accurate information

1825

01:20:41,270 --> 01:20:39,199

and it just doesn't have value to me and

1826

01:20:43,350 --> 01:20:41,280

again i'm not saying that all channelers

1827

01:20:43,750 --> 01:20:43,360

have no value i just maybe the ones that

1828

01:20:45,669 --> 01:20:43,760

i've

1829

01:20:47,590 --> 01:20:45,679

encountered maybe there are channelers

1830

01:20:53,030 --> 01:20:47,600

that have

1831

01:20:57,270 --> 01:20:54,870

i can't stand that man bashar as a

1832

01:20:59,669 --> 01:20:57,280

person he convinced a gal i know in

1833

01:21:01,030 --> 01:20:59,679

sedona that he had 50 plus hybrid babies

1834

01:21:02,470 --> 01:21:01,040

and that's why she kept having

1835

01:21:06,310 --> 01:21:02,480

miscarriages

1836

01:21:07,430 --> 01:21:06,320

1500 later wow and somebody is sharing a

1837

01:21:10,149 --> 01:21:07,440

kev baker show

1838

01:21:11,669 --> 01:21:10,159

make sure that you sign up subscribe

1839

01:21:14,229 --> 01:21:11,679

support his work

1840

01:21:16,709 --> 01:21:14,239

he does a very good job better than us

1841

01:21:20,950 --> 01:21:16,719

amateurs here

1842

01:21:23,270 --> 01:21:20,960

he's got a professional like a good show

1843

01:21:24,470 --> 01:21:23,280

he ought to plug me right why am i

1844

01:21:27,189 --> 01:21:24,480

plugging him

1845

01:21:28,070 --> 01:21:27,199

kevin baker you know we need like

1846

01:21:29,750 --> 01:21:28,080

hundred and something

1847

01:21:33,590 --> 01:21:29,760

more subs to get to the magic money

1848

01:21:37,510 --> 01:21:35,270

that's exactly stephen i think it can be

1849

01:21:38,550 --> 01:21:37,520

a thing but just so many liars to wade

1850

01:21:40,950 --> 01:21:38,560

through to get

1851
01:21:41,990 --> 01:21:40,960
any good ones there might be yeah that's

1852
01:21:44,310 --> 01:21:42,000
how ufo

1853
01:21:45,270 --> 01:21:44,320
stories are you've got to wade through

1854
01:21:48,629 --> 01:21:45,280
nine

1855
01:21:50,149 --> 01:21:48,639
freaking you know 90 stories that you

1856
01:21:51,910 --> 01:21:50,159
can quickly pick apart as being

1857
01:21:52,950 --> 01:21:51,920
completely and totally factually

1858
01:21:54,550 --> 01:21:52,960
inaccurate

1859
01:21:56,629 --> 01:21:54,560
before you get to one that you're like

1860
01:21:58,229 --> 01:21:56,639
hmm there might be some kind of meat on

1861
01:22:01,270 --> 01:21:58,239
the bones on this story

1862
01:22:03,110 --> 01:22:01,280
you know yeah yeah

1863
01:22:05,590 --> 01:22:03,120

please do send them to my channel we

1864

01:22:06,070 --> 01:22:05,600

need like 150 more people to get to the

1865

01:22:08,790 --> 01:22:06,080

magic

1866

01:22:09,430 --> 01:22:08,800

money number and you know like a lot of

1867

01:22:12,950 --> 01:22:09,440

people

1868

01:22:16,790 --> 01:22:12,960

i like money oh speaking of that

1869

01:22:20,550 --> 01:22:16,800

uh i always forget i forget to do the

1870

01:22:25,830 --> 01:22:20,560

uh first of all i want to thank dennis

1871

01:22:27,669 --> 01:22:25,840

[h__\h] coach coke it's coke

1872

01:22:29,270 --> 01:22:27,679

some names are very difficult and i'm

1873

01:22:32,229 --> 01:22:29,280

making it a point in my life to get

1874

01:22:34,870 --> 01:22:32,239

people's names right it's dennis coke

1875

01:22:36,709 --> 01:22:34,880

um upgraded his patreon from a dollar a

1876

01:22:39,510 --> 01:22:36,719

month to ten dollars a month so

1877

01:22:39,910 --> 01:22:39,520

shout out to dennis for believing in the

1878

01:22:43,189 --> 01:22:39,920

show

1879

01:22:43,830 --> 01:22:43,199

and not only donating the required

1880

01:22:46,709 --> 01:22:43,840

patreon

1881

01:22:48,550 --> 01:22:46,719

only requires a dollar to sign up we

1882

01:22:51,110 --> 01:22:48,560

don't have any tiers it's just a dollar

1883

01:22:53,510 --> 01:22:51,120

or more but some people have chosen

1884

01:22:55,189 --> 01:22:53,520

like a very kind dentist to say he's

1885

01:22:56,070 --> 01:22:55,199

worth more than a dollar a month to me

1886

01:22:59,669 --> 01:22:56,080

so i'm going to give him

1887

01:23:02,149 --> 01:22:59,679

10 and thank you for your kindness and

1888

01:23:04,870 --> 01:23:02,159

your generosity and support

1889

01:23:06,070 --> 01:23:04,880

and like we do need your financial

1890

01:23:07,990 --> 01:23:06,080

support to continue the show

1891

01:23:09,910 --> 01:23:08,000

so please consider one-time paypal

1892

01:23:11,110 --> 01:23:09,920

donation it's in the about section right

1893

01:23:13,830 --> 01:23:11,120

here on our channel

1894

01:23:15,430 --> 01:23:13,840

or become a patreon supporter if you do

1895

01:23:17,270 --> 01:23:15,440

want to see this show continue

1896

01:23:19,189 --> 01:23:17,280

uh the links are in the about section of

1897

01:23:19,990 --> 01:23:19,199

the channel you can make a one-time

1898

01:23:22,149 --> 01:23:20,000

paypal donation

1899

01:23:24,070 --> 01:23:22,159

and if you do add a note and say

1900

01:23:24,470 --> 01:23:24,080

whatever you'd like me to shout out to

1901

01:23:32,310 --> 01:23:24,480

you

1902

01:23:33,750 --> 01:23:32,320

user id so that i

1903

01:23:35,189 --> 01:23:33,760

you know a lot of times i get people's

1904

01:23:36,550 --> 01:23:35,199

real names and we don't want to shout

1905

01:23:38,310 --> 01:23:36,560

out somebody's real name if

1906

01:23:39,669 --> 01:23:38,320

that's not their wish so put your chat

1907

01:23:42,470 --> 01:23:39,679

room user id in

1908

01:23:43,910 --> 01:23:42,480

anything um that you send me through

1909

01:23:45,669 --> 01:23:43,920

paypal

1910

01:23:47,910 --> 01:23:45,679

or become a patreon supporter where you

1911

01:23:50,790 --> 01:23:47,920

get sort of a backstage pass we do a

1912

01:23:54,390 --> 01:23:50,800

monthly journal every month

1913

01:23:57,430 --> 01:23:54,400

i'm giving away for free my linux based

1914

01:23:59,510 --> 01:23:57,440

operating system altos

1915

01:24:01,110 --> 01:23:59,520

to patreon supporters and free support

1916

01:24:01,510 --> 01:24:01,120

so if you download it and you have

1917

01:24:03,590 --> 01:24:01,520

trouble

1918

01:24:05,669 --> 01:24:03,600

getting it going you can email me and i

1919

01:24:06,229 --> 01:24:05,679

will reply and help you to try to get

1920

01:24:07,910 --> 01:24:06,239

going

1921

01:24:09,750 --> 01:24:07,920

we also give away this thing called the

1922

01:24:12,629 --> 01:24:09,760

mind hack project

1923

01:24:13,990 --> 01:24:12,639

uh every month uh most months this month

1924

01:24:15,669 --> 01:24:14,000

there wasn't but every month we're

1925

01:24:16,950 --> 01:24:15,679

adding something to it's up to three

1926

01:24:20,070 --> 01:24:16,960

hours and 20 minutes

1927

01:24:21,189 --> 01:24:20,080

of a mix of binaural beats guided

1928

01:24:24,470 --> 01:24:21,199

meditations

1929

01:24:28,629 --> 01:24:27,350

sort of subliminal positive

1930

01:24:31,350 --> 01:24:28,639

reinforcement

1931

01:24:33,430 --> 01:24:31,360

audio tracks and also a great deal of

1932

01:24:35,110 --> 01:24:33,440

motivational speaking it's my project

1933

01:24:36,550 --> 01:24:35,120

mind hack it's a personal development

1934

01:24:37,590 --> 01:24:36,560

system a lot of people have found it

1935

01:24:41,189 --> 01:24:37,600

very helpful

1936

01:24:43,669 --> 01:24:41,199

you get that for free on our patreon

1937

01:24:45,270 --> 01:24:43,679

so that's my begging bowl pitch uh and

1938

01:24:46,550 --> 01:24:45,280

we'll go back to the live chat with

1939

01:24:52,790 --> 01:24:46,560

comments questions

1940

01:24:55,910 --> 01:24:54,550

yeah kevin baker shows out here he says

1941

01:24:57,430 --> 01:24:55,920

gotta run two guys but thanks for the

1942

01:24:58,310 --> 01:24:57,440

content you bring definitely hang out

1943

01:25:00,070 --> 01:24:58,320

sometime in

1944

01:25:01,590 --> 01:25:00,080

uh tweeted the stream out so hopefully

1945

01:25:03,830 --> 01:25:01,600

if you click in oh that's

1946

01:25:05,270 --> 01:25:03,840

awesome of you thank you i appreciate it

1947

01:25:10,229 --> 01:25:05,280

i appreciate the tweet

1948

01:25:13,510 --> 01:25:12,390

yeah i believe that he is uh he owns

1949

01:25:16,629 --> 01:25:13,520

channeling.com

1950

01:25:18,790 --> 01:25:16,639

imagine what that.com is worth uh and he

1951

01:25:20,470 --> 01:25:18,800

presents a lot of channelers i believe

1952

01:25:21,510 --> 01:25:20,480

he has a channel dedicated to that

1953

01:25:25,750 --> 01:25:21,520

doesn't besides

1954

01:25:32,790 --> 01:25:29,990

yeah and uh six design kind enough to

1955

01:25:34,070 --> 01:25:32,800

kind enough to share on patreon so that

1956

01:25:35,270 --> 01:25:34,080

you can hopefully get a little more

1957

01:25:37,110 --> 01:25:35,280

support there

1958

01:25:38,629 --> 01:25:37,120

you won't find anyone channeling on my

1959

01:25:41,669 --> 01:25:38,639

channel so

1960

01:25:42,149 --> 01:25:41,679

if that's our core so be it okay all

1961

01:25:45,590 --> 01:25:42,159

right

1962

01:25:48,629 --> 01:25:45,600

i i'm that we're mistaken

1963

01:25:51,430 --> 01:25:48,639

so any questions comments uh

1964

01:25:53,830 --> 01:25:51,440

discussion points if you want to suggest

1965

01:25:54,470 --> 01:25:53,840

another channeler that we can look into

1966

01:25:56,390 --> 01:25:54,480

we can do

1967

01:25:57,590 --> 01:25:56,400

a part two of this there's hundreds of

1968

01:25:59,910 --> 01:25:57,600

these people

1969

01:26:01,110 --> 01:25:59,920

uh bashar being one of the more famous

1970

01:26:05,270 --> 01:26:01,120

one and who's that

1971

01:26:08,790 --> 01:26:05,280

uh ramtha lady right

1972

01:26:09,270 --> 01:26:08,800

um try to think of any other famous

1973

01:26:11,350 --> 01:26:09,280

channel

1974

01:26:12,629 --> 01:26:11,360

i think bashar and romfo would be the

1975

01:26:14,390 --> 01:26:12,639

two

1976

01:26:16,149 --> 01:26:14,400

probably the most famous but then

1977

01:26:18,070 --> 01:26:16,159

there's a lot of up-and-comers we see

1978

01:26:23,350 --> 01:26:18,080

like this e.t whisperer i

1979

01:26:26,070 --> 01:26:23,360

see that he's very popular um

1980

01:26:29,590 --> 01:26:26,080

yeah he's got you know his videos get

1981

01:26:35,510 --> 01:26:33,430

i just uh i don't get it

1982

01:26:37,430 --> 01:26:35,520

i listen i'd like to have a more

1983

01:26:40,950 --> 01:26:37,440

succinct

1984

01:26:44,229 --> 01:26:40,960

um thought-provoking well-spoken

1985

01:26:46,950 --> 01:26:44,239

wrap-up about these

1986

01:26:49,270 --> 01:26:46,960

alien channelers to wrap our show up you

1987

01:26:51,990 --> 01:26:49,280

know like a professional would do

1988

01:26:54,149 --> 01:26:52,000

but unfortunately the best really the

1989

01:26:58,229 --> 01:26:54,159

best that i could do on this subject

1990

01:27:00,470 --> 01:26:58,239

is tonight is i don't get it i don't get

1991

01:27:01,669 --> 01:27:00,480

i don't get people doing this i don't

1992

01:27:07,590 --> 01:27:01,679

get

1993

01:27:08,390 --> 01:27:07,600

to watch people do this it seems to me

1994

01:27:11,430 --> 01:27:08,400

like a

1995

01:27:13,750 --> 01:27:11,440

strange form of performance art like

1996

01:27:15,590 --> 01:27:13,760

let's pay fifty dollars to get into this

1997

01:27:17,350 --> 01:27:15,600

conference and see these people channel

1998

01:27:24,550 --> 01:27:17,360

aliens bro

1999

01:27:28,870 --> 01:27:26,310

question from the live chat how does

2000

01:27:31,270 --> 01:27:28,880

altars handle multi-platform

2001

01:27:32,149 --> 01:27:31,280

i'm not sure what you mean dennis uh you

2002

01:27:34,550 --> 01:27:32,159

can

2003

01:27:36,470 --> 01:27:34,560

install it on a thumb drive and then you

2004

01:27:38,229 --> 01:27:36,480

can set any computer that you have to

2005

01:27:39,510 --> 01:27:38,239

boot to thumb drive first you put the

2006

01:27:43,110 --> 01:27:39,520

thumb drive in

2007

01:27:46,790 --> 01:27:43,120

and it will boot to altos so like for

2008

01:27:48,950 --> 01:27:46,800

example if you have a windows machine

2009

01:27:49,990 --> 01:27:48,960

you create the thumb drive you put you

2010

01:27:52,629 --> 01:27:50,000

put the thumb drive

2011

01:27:54,229 --> 01:27:52,639

in and in the computer and send it to

2012

01:27:55,910 --> 01:27:54,239

boot to thumb drive first it'll boot to

2013

01:27:57,110 --> 01:27:55,920

alters if you want to go back to windows

2014

01:27:59,669 --> 01:27:57,120

you just take the thumb drive

2015

01:28:00,790 --> 01:27:59,679

out and reboot the computer and it will

2016

01:28:02,629 --> 01:28:00,800

go

2017

01:28:03,910 --> 01:28:02,639

and boot from the computer's internal

2018

01:28:07,030 --> 01:28:03,920

hard drive to

2019

01:28:10,390 --> 01:28:07,040

your operating system be that windows or

2020

01:28:11,910 --> 01:28:10,400

another linux system and as far as macs

2021

01:28:13,189 --> 01:28:11,920

go it's a little more difficult you have

2022

01:28:16,229 --> 01:28:13,199

to create a boot cd

2023

01:28:18,870 --> 01:28:16,239

and put it in the cd drive and then put

2024

01:28:21,990 --> 01:28:18,880

the thumb drive in

2025

01:28:23,830 --> 01:28:22,000

so a little more difficult because

2026

01:28:32,790 --> 01:28:23,840

apple has to make things more difficult

2027

01:28:37,270 --> 01:28:35,350

okay it's not my jam but i don't mind

2028

01:28:39,830 --> 01:28:37,280

rob g he believes in his work

2029

01:28:41,430 --> 01:28:39,840

and yeah people paying seek him out

2030

01:28:43,110 --> 01:28:41,440

therapeutically

2031

01:28:44,470 --> 01:28:43,120

i guess people feel like they get some

2032

01:28:47,590 --> 01:28:44,480

therapeutic benefit

2033

01:28:49,110 --> 01:28:47,600

uh okay

2034

01:28:50,709 --> 01:28:49,120

some of these prices these people charge

2035

01:28:52,070 --> 01:28:50,719

is totally ridiculous what if somebody

2036

01:28:53,990 --> 01:28:52,080

got hooked like an addiction you would

2037

01:28:55,830 --> 01:28:54,000

go broke in no time

2038

01:28:57,189 --> 01:28:55,840

yeah i hear it's uh several hundred

2039

01:28:59,590 --> 01:28:57,199

dollars for

2040

01:29:00,790 --> 01:28:59,600

somebody to do this channeling aliens

2041

01:29:04,790 --> 01:29:00,800

for with you

2042

01:29:06,390 --> 01:29:04,800

or whatever for an hour right

2043

01:29:08,229 --> 01:29:06,400

it's a couple hundred dollars most of

2044

01:29:13,030 --> 01:29:08,239

them

2045

01:29:14,950 --> 01:29:13,040

okay good live os on usb it's actually

2046

01:29:16,709 --> 01:29:14,960

i would suggest very fast usb speed the

2047

01:29:18,070 --> 01:29:16,719

best your computer can handle yeah it

2048

01:29:21,430 --> 01:29:18,080

doesn't work well at

2049

01:29:25,189 --> 01:29:21,440

all on usb 2.0 so you really need a usb

2050

01:29:30,149 --> 01:29:25,199

3 port on the pc and a usb

2051

01:29:34,070 --> 01:29:30,159

3 capable thumb drive

2052

01:29:37,270 --> 01:29:34,080

though it will work on a usb 2.0

2053

01:29:39,990 --> 01:29:37,280

connection and uh you know usb 2

2054

01:29:42,070 --> 01:29:40,000

compliant thumb drive it's just not the

2055

01:29:46,310 --> 01:29:42,080

ideal experience

2056

01:29:47,910 --> 01:29:46,320

at all casey still lives on immortality

2057

01:29:49,189 --> 01:29:47,920

yeah he's one of the more famous but he

2058

01:29:50,629 --> 01:29:49,199

didn't really he wasn't really a

2059

01:29:52,390 --> 01:29:50,639

channeler though right

2060

01:29:54,550 --> 01:29:52,400

well i guess he got channeled yeah he

2061

01:29:55,030 --> 01:29:54,560

channeled these readings that he got he

2062

01:29:57,830 --> 01:29:55,040

believed

2063

01:29:59,189 --> 01:29:57,840

that he was channeling them connected to

2064

01:30:02,629 --> 01:29:59,199

a certain energy

2065

01:30:06,149 --> 01:30:04,870

did those readings in his sleep which is

2066

01:30:06,790 --> 01:30:06,159

interesting people called him the

2067

01:30:09,990 --> 01:30:06,800

sleeping

2068

01:30:14,390 --> 01:30:13,669

i edgar casey is a mystery wrapped in an

2069

01:30:16,709 --> 01:30:14,400

enigma

2070

01:30:18,070 --> 01:30:16,719

really if you really dig into him

2071

01:30:18,470 --> 01:30:18,080

because there's so many things that he

2072

01:30:20,870 --> 01:30:18,480

got

2073

01:30:23,189 --> 01:30:20,880

entirely right but then he realized that

2074

01:30:26,310 --> 01:30:23,199

the volume of what he wrote would feel

2075

01:30:29,350 --> 01:30:26,320

like a small town library

2076

01:30:32,390 --> 01:30:29,360

he wrote so many prophetic

2077

01:30:34,870 --> 01:30:32,400

predictions that you know i think that's

2078

01:30:36,950 --> 01:30:34,880

how some of these people are so

2079

01:30:40,629 --> 01:30:36,960

seemingly successful at making

2080

01:30:47,590 --> 01:30:42,149

they just write so much stuff that

2081

01:30:51,990 --> 01:30:50,149

yeah casey channeled source that's what

2082

01:30:56,550 --> 01:30:52,000

i've heard which is god or

2083

01:31:00,390 --> 01:30:56,560

source energy universal concept of god

2084

01:31:01,350 --> 01:31:00,400

or you know the source energy behind the

2085

01:31:05,750 --> 01:31:01,360

entire universe

2086

01:31:09,430 --> 01:31:07,510

some people just say they read the

2087

01:31:13,669 --> 01:31:09,440

akashic records

2088

01:31:18,629 --> 01:31:17,030

wow holy [h__h] rob charges 450 for less

2089

01:31:20,070 --> 01:31:18,639

than two hours this is more than a

2090

01:31:23,430 --> 01:31:20,080

psychiatrist

2091

01:31:27,590 --> 01:31:25,910

yeah but psychologists don't have the

2092

01:31:31,110 --> 01:31:27,600

alien answers b

2093

01:31:33,030 --> 01:31:31,120

like come on why would i want to talk to

2094

01:31:35,270 --> 01:31:33,040

a psychologist or a psychiatrist when i

2095

01:31:37,750 --> 01:31:35,280

could talk to a guy that got aliens

2096

01:31:40,310 --> 01:31:37,760

helping me out like who's got aliens

2097

01:31:42,070 --> 01:31:40,320

helping them out with their lives

2098

01:31:43,350 --> 01:31:42,080

i could get aliens helping me out with

2099

01:31:47,110 --> 01:31:43,360

my life

2100

01:31:49,750 --> 01:31:47,120

for 450 for less than two hours

2101
01:31:51,189 --> 01:31:49,760
it's good 225 an hour i wonder how

2102
01:31:57,990 --> 01:31:51,199
booked up that guy is though do you

2103
01:31:59,750 --> 01:31:58,000
think he's very busy

2104
01:32:01,590 --> 01:31:59,760
i went to his library in virginia beach

2105
01:32:04,629 --> 01:32:01,600
yeah i have as well

2106
01:32:07,030 --> 01:32:04,639
that's how i found our belt interesting

2107
01:32:07,750 --> 01:32:07,040
yeah i've been there and i was blown

2108
01:32:10,550 --> 01:32:07,760
away by

2109
01:32:11,669 --> 01:32:10,560
the amount of material he had written in

2110
01:32:14,709 --> 01:32:11,679
his lifetime

2111
01:32:18,870 --> 01:32:14,719
and then i suppose

2112
01:32:21,350 --> 01:32:18,880
uh i sort of lost faith in him as a

2113
01:32:22,550 --> 01:32:21,360

really psychic a real psychic because i

2114

01:32:25,350 --> 01:32:22,560

kind of thought

2115

01:32:26,070 --> 01:32:25,360

again if you've written a libraries full

2116

01:32:27,590 --> 01:32:26,080

of material

2117

01:32:29,189 --> 01:32:27,600

and predictions of course you're going

2118

01:32:32,870 --> 01:32:29,199

to get some hits

2119

01:32:36,149 --> 01:32:34,470

just what i'm saying v i don't know how

2120

01:32:40,070 --> 01:32:36,159

people can afford it even if they make

2121

01:32:42,550 --> 01:32:40,080

buku bucks

2122

01:32:45,030 --> 01:32:42,560

yeah here you can book the e.t whisperer

2123

01:32:48,950 --> 01:32:45,040

online

2124

01:32:53,590 --> 01:32:52,070

450 455 i gotta

2125

01:32:56,149 --> 01:32:53,600

listen v i'm gonna start talking to

2126

01:32:59,669 --> 01:32:56,159

aliens because i need some cash

2127

01:33:00,950 --> 01:32:59,679

right i need some cash and the universe

2128

01:33:02,470 --> 01:33:00,960

is gonna help me out i'm just gonna

2129

01:33:04,870 --> 01:33:02,480

start channeling aliens

2130

01:33:05,830 --> 01:33:04,880

i'm just gonna channel aliens before but

2131

01:33:07,669 --> 01:33:05,840

look i'm not even gonna

2132

01:33:09,270 --> 01:33:07,679

i'm not gonna charge 450 for two hours

2133

01:33:12,470 --> 01:33:09,280

i'll turn 350

2134

01:33:14,790 --> 01:33:12,480

350 350 right

2135

01:33:16,709 --> 01:33:14,800

and i'll channel aliens for you cheaper

2136

01:33:20,149 --> 01:33:16,719

than this rob got

2137

01:33:21,510 --> 01:33:20,159

guy you know and [h__h] him you know what

2138

01:33:22,310 --> 01:33:21,520

i'm gonna do i'm gonna make a better

2139

01:33:27,830 --> 01:33:22,320

[h__\h]

2140

01:33:40,070 --> 01:33:27,840

i'm gonna have

2141

01:33:42,629 --> 01:33:40,080

primus that's my that's my archangel

2142

01:33:44,070 --> 01:33:42,639

[h__\h] grab god [h__\h] rob gotham his

2143

01:33:48,149 --> 01:33:44,080

metatron

2144

01:33:50,550 --> 01:33:48,159

[h__\h] angel right [h__\h] him

2145

01:33:52,070 --> 01:33:50,560

i'm gonna have optus prime that's gonna

2146

01:33:55,350 --> 01:33:52,080

be mine

2147

01:33:58,709 --> 01:33:55,360

rob goth [h__\h] you and your metatron

2148

01:34:00,870 --> 01:33:58,719

i've got optus prime right i got the

2149

01:34:04,149 --> 01:34:00,880

good guy

2150

01:34:06,550 --> 01:34:04,159

[h__\h] rob god and he's got uh

2151
01:34:07,590 --> 01:34:06,560
dooku or something alien that he talks

2152
01:34:09,270 --> 01:34:07,600
to i'm gonna have

2153
01:34:10,870 --> 01:34:09,280
and he talks to whole councils of it

2154
01:34:13,030 --> 01:34:10,880
that's what i gotta do i gotta get a

2155
01:34:14,470 --> 01:34:13,040
get together an entire galactic council

2156
01:34:16,709 --> 01:34:14,480
of aliens

2157
01:34:18,070 --> 01:34:16,719
that i'm gonna talk to and then i'm

2158
01:34:20,709 --> 01:34:18,080
gonna undercut that dude

2159
01:34:23,830 --> 01:34:20,719
and just charge 350 to talk to my aliens

2160
01:34:25,830 --> 01:34:23,840
instead of his 450.

2161
01:34:27,110 --> 01:34:25,840
but [h__h] i gotta get a wife that

2162
01:34:29,270 --> 01:34:27,120
channels a whole

2163
01:34:30,790 --> 01:34:29,280

[h__h] man he's great kind of how am i

2164

01:34:32,629 --> 01:34:30,800

gonna compete with this guy

2165

01:34:34,550 --> 01:34:32,639

i gotta get me a wife that can talk to

2166

01:34:37,990 --> 01:34:34,560

104 octorian

2167

01:34:40,709 --> 01:34:38,000

aliens because his wife can talk to 103.

2168

01:34:42,709 --> 01:34:40,719

you know what let's just make it 120

2169

01:34:45,270 --> 01:34:42,719

just to [h__h] him and his

2170

01:34:45,750 --> 01:34:45,280

[h__h] whole business over you got

2171

01:34:48,629 --> 01:34:45,760

you've got

2172

01:34:51,030 --> 01:34:48,639

metatron the archangel i'm going to have

2173

01:34:53,590 --> 01:34:51,040

optus prime the archangel

2174

01:34:55,430 --> 01:34:53,600

and he's got a wife that can channel 103

2175

01:34:57,750 --> 01:34:55,440

octorian aliens but i'm going to have a

2176

01:35:00,870 --> 01:34:57,760

wife that can channel 120

2177

01:35:11,990 --> 01:35:00,880

octorion aliens [h__h] rob god

2178

01:35:16,070 --> 01:35:14,550

my psychiatrist for my adhd is 600 hours

2179

01:35:16,709 --> 01:35:16,080

but i choose the best of my field to be

2180

01:35:20,310 --> 01:35:16,719

fear

2181

01:35:22,310 --> 01:35:20,320

wow yeah and he says i hope insurance

2182

01:35:23,510 --> 01:35:22,320

jesus christ dennis i hope insurance

2183

01:35:25,750 --> 01:35:23,520

covers it and do you

2184

01:35:27,750 --> 01:35:25,760

listen i grew up with adhd i've always

2185

01:35:30,550 --> 01:35:27,760

been i had

2186

01:35:32,390 --> 01:35:30,560

bad um and uh but i've never really been

2187

01:35:34,310 --> 01:35:32,400

officially diagnosed did you find a

2188

01:35:35,990 --> 01:35:34,320

psychiatrist helpful for dealing with

2189

01:35:39,750 --> 01:35:36,000

those issues

2190

01:35:42,470 --> 01:35:39,760

i kind of just figured out how to use

2191

01:35:42,790 --> 01:35:42,480

my situation to my advantage like i work

2192

01:35:48,070 --> 01:35:42,800

on

2193

01:35:50,070 --> 01:35:48,080

gets strange and i try to

2194

01:35:51,669 --> 01:35:50,080

force myself to not start a new project

2195

01:35:52,629 --> 01:35:51,679

because i've got so many other projects

2196

01:35:55,990 --> 01:35:52,639

going on

2197

01:35:58,870 --> 01:35:56,000

that are unfinished but i've always

2198

01:36:01,270 --> 01:35:58,880

wondered if there's a medication right

2199

01:36:03,270 --> 01:36:01,280

that might slow me down but then i

2200

01:36:04,790 --> 01:36:03,280

then i worry that like creatively that

2201

01:36:08,870 --> 01:36:04,800

would affect me and not

2202

01:36:10,310 --> 01:36:08,880

be beneficial like it's kind of like is

2203

01:36:13,590 --> 01:36:10,320

this a curse or a gift

2204

01:36:16,070 --> 01:36:13,600

i i view my crazy

2205

01:36:18,790 --> 01:36:16,080

my crazy brain as a gift because i'm

2206

01:36:21,430 --> 01:36:18,800

able to accomplish a great many things

2207

01:36:22,229 --> 01:36:21,440

if i can focus on each enough right

2208

01:36:29,510 --> 01:36:22,239

that's the

2209

01:36:33,350 --> 01:36:31,510

oh that's right dennis is in canada i do

2210

01:36:37,189 --> 01:36:33,360

have insurance but canada will cover it

2211

01:36:39,030 --> 01:36:37,199

if i cannot afford it good for you

2212

01:36:41,030 --> 01:36:39,040

the pleiadian woman had to move from

2213

01:36:42,550 --> 01:36:41,040

england to new zealand greece to italy

2214

01:36:46,790 --> 01:36:42,560

in two years because she kept getting a

2215

01:36:49,910 --> 01:36:48,310

that's interesting charles unleashed i

2216

01:36:53,830 --> 01:36:49,920

had not heard that so she was taking

2217

01:36:56,310 --> 01:36:53,840

money from people too

2218

01:36:57,830 --> 01:36:56,320

i wonder how will addiction to alien

2219

01:37:01,910 --> 01:36:57,840

channeling lead to so much worse and

2220

01:37:05,189 --> 01:37:04,229

yeah i'm jellyfish yeah me too [\h__\h]

2221

01:37:07,350 --> 01:37:05,199

america

2222

01:37:09,030 --> 01:37:07,360

we don't we can't go get psychiatric

2223

01:37:11,109 --> 01:37:09,040

help right

2224

01:37:13,270 --> 01:37:11,119

unless we have really good insurance and

2225

01:37:15,750 --> 01:37:13,280

most american insurance the psychiatric

2226

01:37:17,669 --> 01:37:15,760

portion is like

2227

01:37:19,270 --> 01:37:17,679

it's not good there's not you can't go

2228

01:37:21,270 --> 01:37:19,280

see a therapist long term

2229

01:37:22,790 --> 01:37:21,280

on most american health insurance if you

2230

01:37:25,030 --> 01:37:22,800

want to and have

2231

01:37:27,669 --> 01:37:25,040

medical insurance pay for it even though

2232

01:37:29,189 --> 01:37:27,679

i believe that that's a valid human need

2233

01:37:31,510 --> 01:37:29,199

and medical need

2234

01:37:33,109 --> 01:37:31,520

your mental health is is important but

2235

01:37:34,790 --> 01:37:33,119

we sort of glance over here in the

2236

01:37:36,470 --> 01:37:34,800

united states and you're on your own and

2237

01:37:37,830 --> 01:37:36,480

maybe you can afford or maybe you pay

2238

01:37:40,070 --> 01:37:37,840

out of pocket

2239

01:37:41,590 --> 01:37:40,080

to a counselor or whatever to try to

2240

01:37:46,550 --> 01:37:41,600

deal with your issues but they

2241

01:37:46,560 --> 01:37:51,350

yes the uh official adhd

2242

01:37:54,390 --> 01:37:53,030

is useful because the hyperactive part

2243

01:37:58,870 --> 01:37:54,400

of it can get out of control

2244

01:38:02,149 --> 01:37:58,880

i don't know if i'm add or adhd

2245

01:38:04,709 --> 01:38:02,159

not very hyper i'm very uh

2246

01:38:05,189 --> 01:38:04,719

scatterbrained and i've got to work on

2247

01:38:07,109 --> 01:38:05,199

like

2248

01:38:09,669 --> 01:38:07,119

a lot of different things at once and i

2249

01:38:11,669 --> 01:38:09,679

have to constantly be

2250

01:38:12,950 --> 01:38:11,679

sort of uh working on something to be

2251

01:38:14,870 --> 01:38:12,960

happy like

2252

01:38:16,950 --> 01:38:14,880

i'm not happy well yeah i guess i am

2253

01:38:19,270 --> 01:38:16,960

hyperactive right so i'm not happy just

2254

01:38:20,709 --> 01:38:19,280

like sitting and watching tv or

2255

01:38:24,149 --> 01:38:20,719

something

2256

01:38:26,629 --> 01:38:24,159

um i gotta be doing stuff and

2257

01:38:27,510 --> 01:38:26,639

especially cerebral things you know

2258

01:38:29,910 --> 01:38:27,520

anything that's

2259

01:38:31,669 --> 01:38:29,920

that's probably why i gravitate towards

2260

01:38:31,990 --> 01:38:31,679

computers so much because there's like a

2261

01:38:33,669 --> 01:38:32,000

wall

2262

01:38:35,430 --> 01:38:33,679

there's a whole world inside a computer

2263

01:38:48,310 --> 01:38:35,440

that you can explore and adapt

2264

01:38:51,910 --> 01:38:50,629

genocide says you got any of the rampa

2265

01:38:57,109 --> 01:38:51,920

i'm hurting man

2266

01:38:58,870 --> 01:38:57,119

yeah wow

2267

01:39:01,750 --> 01:38:58,880

i missed that hold on charles at least

2268

01:39:04,390 --> 01:39:01,760

she charges 750 for 30-minute

2269

01:39:05,030 --> 01:39:04,400

channel business advice oh my god people

2270

01:39:09,350 --> 01:39:05,040

pay that

2271

01:39:12,550 --> 01:39:10,870

yeah you're right yeah it's a

2272

01:39:14,149 --> 01:39:12,560

pre-existing condition going forward and

2273

01:39:15,590 --> 01:39:14,159

then you can get [h__h] and pay higher

2274

01:39:16,709 --> 01:39:15,600

premiums going forward because they know

2275

01:39:20,790 --> 01:39:16,719

that you're going to be

2276

01:39:23,830 --> 01:39:22,310

doctors play pinball with you bouncing

2277

01:39:25,669 --> 01:39:23,840

you back and forth to other doctor

2278

01:39:26,149 --> 01:39:25,679

friends they will trap you in an endless

2279

01:39:29,030 --> 01:39:26,159

cycle

2280

01:39:29,750 --> 01:39:29,040

yeah uh i knew a doctor once told me

2281

01:39:31,510 --> 01:39:29,760

that the whole

2282

01:39:32,870 --> 01:39:31,520

deal with the insurance it was my doctor

2283

01:39:34,790 --> 01:39:32,880

he's very honest guy

2284

01:39:37,669 --> 01:39:34,800

he told me that the whole deal with the

2285

01:39:39,910 --> 01:39:37,679

medical profession is that they

2286

01:39:40,790 --> 01:39:39,920

get to know the insurance companies and

2287

01:39:42,950 --> 01:39:40,800

they get to know

2288

01:39:44,950 --> 01:39:42,960

exactly how much money they can extract

2289

01:39:45,990 --> 01:39:44,960

from each patient's medical insurance

2290

01:39:48,550 --> 01:39:46,000

and they try to

2291

01:39:50,070 --> 01:39:48,560

you know let's get every dollar we can

2292

01:39:51,830 --> 01:39:50,080

out of that insurance company then the

2293

01:39:53,510 --> 01:39:51,840

insurance company fights back with them

2294

01:39:55,750 --> 01:39:53,520

like your patient doesn't need this or

2295

01:39:58,470 --> 01:39:55,760

that or you know

2296

01:40:00,310 --> 01:39:58,480

and it's just our system sucks our

2297

01:40:02,149 --> 01:40:00,320

medical system sucks

2298

01:40:03,990 --> 01:40:02,159

i don't know if socialized medicine is

2299

01:40:04,550 --> 01:40:04,000

the answer but it seems like it should

2300

01:40:06,870 --> 01:40:04,560

be

2301
01:40:08,310 --> 01:40:06,880
like it really does i don't know anybody

2302
01:40:09,510 --> 01:40:08,320
from canada that isn't happy with their

2303
01:40:13,750 --> 01:40:09,520
healthcare

2304
01:40:17,430 --> 01:40:13,760
um and what a

2305
01:40:18,870 --> 01:40:17,440
just lack what a great feeling it must

2306
01:40:21,430 --> 01:40:18,880
be to know like if you get

2307
01:40:23,109 --> 01:40:21,440
sick if you're seriously ill it's not

2308
01:40:25,270 --> 01:40:23,119
going to bankrupt your family

2309
01:40:26,790 --> 01:40:25,280
or you know you're going to be and

2310
01:40:28,229 --> 01:40:26,800
you're going to be able to get treatment

2311
01:40:31,030 --> 01:40:28,239
for whatever you need

2312
01:40:32,790 --> 01:40:31,040
i'm like in our country where it's like

2313
01:40:34,830 --> 01:40:32,800

hope you got real good insurance because

2314

01:40:42,149 --> 01:40:34,840

you need

2315

01:40:45,109 --> 01:40:43,830

yes u.s has the worst health coverage

2316

01:40:46,470 --> 01:40:45,119

the worst doctors trust me i have

2317

01:40:47,910 --> 01:40:46,480

personal experience with medical

2318

01:40:49,189 --> 01:40:47,920

malpractice

2319

01:40:51,189 --> 01:40:49,199

it's terrible how they get away with

2320

01:40:55,430 --> 01:40:51,199

that

2321

01:40:58,070 --> 01:40:55,440

centralized medicine like canada

2322

01:40:59,750 --> 01:40:58,080

but you know what are you going to do

2323

01:41:03,109 --> 01:40:59,760

except move to canada

2324

01:41:04,229 --> 01:41:03,119

and uh if if i could i i would i would

2325

01:41:06,550 --> 01:41:04,239

honestly

2326

01:41:07,669 --> 01:41:06,560

if i was single still today i would

2327

01:41:09,669 --> 01:41:07,679

honestly

2328

01:41:11,030 --> 01:41:09,679

consider becoming a canadian citizen

2329

01:41:12,310 --> 01:41:11,040

just so i would never have to worry

2330

01:41:13,669 --> 01:41:12,320

about health care

2331

01:41:15,990 --> 01:41:13,679

because if you take that health care

2332

01:41:17,430 --> 01:41:16,000

expense away you know

2333

01:41:18,950 --> 01:41:17,440

especially me being interested in like

2334

01:41:20,870 --> 01:41:18,960

living off in the woods somewhere that

2335

01:41:21,430 --> 01:41:20,880

would be great for me but those winners

2336

01:41:25,910 --> 01:41:21,440

being

2337

01:41:29,750 --> 01:41:27,750

one thing about adhd is there is usually

2338

01:41:30,629 --> 01:41:29,760

one focal interest or specialty for me

2339

01:41:32,390 --> 01:41:30,639

it's writing

2340

01:41:34,070 --> 01:41:32,400

with art and media coming in close

2341

01:41:35,990 --> 01:41:34,080

seconds yeah with me it's always been

2342

01:41:37,590 --> 01:41:36,000

computers then it's like

2343

01:41:39,510 --> 01:41:37,600

anything to do with the computer fixing

2344

01:41:43,109 --> 01:41:39,520

them uh

2345

01:41:45,109 --> 01:41:43,119

upgrading them making content on making

2346

01:41:46,229 --> 01:41:45,119

music on a computer making videos on a

2347

01:41:47,830 --> 01:41:46,239

computer uh

2348

01:41:50,310 --> 01:41:47,840

graphics on it anything to do with

2349

01:41:52,310 --> 01:41:50,320

computers just helps me

2350

01:41:54,310 --> 01:41:52,320

i'm totally i've always been fascinated

2351

01:41:55,750 --> 01:41:54,320

with them not just like i said there's

2352

01:41:59,030 --> 01:41:55,760

like a world in there

2353

01:42:02,149 --> 01:41:59,040

that you can explore so growing up like

2354

01:42:03,189 --> 01:42:02,159

you know i didn't want to go outside i i

2355

01:42:05,510 --> 01:42:03,199

wanted to

2356

01:42:07,270 --> 01:42:05,520

sit in front of a computer my my mother

2357

01:42:08,950 --> 01:42:07,280

used to like throw me out of the house

2358

01:42:10,870 --> 01:42:08,960

to get me out of

2359

01:42:12,470 --> 01:42:10,880

you know my bedroom and messing with

2360

01:42:15,669 --> 01:42:12,480

these computers go

2361

01:42:16,709 --> 01:42:15,679

ride a bike do something you know so

2362

01:42:19,669 --> 01:42:16,719

yeah i think there is

2363

01:42:22,149 --> 01:42:19,679

always a tremendous so along with the

2364

01:42:25,030 --> 01:42:22,159

problems of adhd comes

2365

01:42:26,470 --> 01:42:25,040

sort of a tremendous ability to focus on

2366

01:42:28,149 --> 01:42:26,480

some intense interest

2367

01:42:29,830 --> 01:42:28,159

i found that throughout my entire life

2368

01:42:33,590 --> 01:42:29,840

if i'm really interested in something

2369

01:42:37,189 --> 01:42:33,600

i can focus 100 on it totally

2370

01:42:40,070 --> 01:42:37,199

focused on that on that subject matter

2371

01:42:41,990 --> 01:42:40,080

or that project or whatever it is

2372

01:42:43,270 --> 01:42:42,000

if i'm not interested in something i

2373

01:42:45,669 --> 01:42:43,280

can't i

2374

01:42:47,430 --> 01:42:45,679

just that's probably why i didn't i did

2375

01:42:48,870 --> 01:42:47,440

very well in school to a certain point

2376

01:42:50,229 --> 01:42:48,880

and then i just was like i don't care

2377

01:42:53,430 --> 01:42:50,239

about any of this [h__\h]

2378

01:42:57,270 --> 01:42:53,440

i care about technology computers

2379

01:42:59,430 --> 01:42:57,280

music uh you know synthesizers

2380

01:43:01,830 --> 01:42:59,440

samplers i don't give a [h__\h] about any

2381

01:43:05,109 --> 01:43:01,840

of this stuff they're trying to teach me

2382

01:43:07,350 --> 01:43:05,119

you know and that's a problem and it's

2383

01:43:11,109 --> 01:43:07,360

definitely can become a problem

2384

01:43:12,070 --> 01:43:11,119

you know in a perfect world i would find

2385

01:43:13,750 --> 01:43:12,080

a job too

2386

01:43:15,030 --> 01:43:13,760

where i was really interested most of

2387

01:43:16,790 --> 01:43:15,040

the jobs that i've had especially in

2388

01:43:17,590 --> 01:43:16,800

corporate america i could have given a

2389

01:43:19,830 --> 01:43:17,600

[h__\h]

2390

01:43:21,510 --> 01:43:19,840

about that company or my responsibility

2391

01:43:23,109 --> 01:43:21,520

within the company it's just a paycheck

2392

01:43:27,430 --> 01:43:23,119

let me do what i got to do to get the

2393

01:43:31,669 --> 01:43:29,830

yes i would then as stephen would be one

2394

01:43:34,149 --> 01:43:31,679

of those canadians who lived 40 miles

2395

01:43:35,830 --> 01:43:34,159

outside a town and a handmade cabin by

2396

01:43:38,149 --> 01:43:35,840

the lake like about 15

2397

01:43:39,189 --> 01:43:38,159

of us [h__\h] yeah sounds like a good life

2398

01:43:41,510 --> 01:43:39,199

to me

2399

01:43:43,590 --> 01:43:41,520

sounds like a peaceful life right a

2400

01:43:44,950 --> 01:43:43,600

quiet life dennis that's what i like

2401

01:43:46,709 --> 01:43:44,960

that's what i would want

2402

01:43:48,229 --> 01:43:46,719

but i have two children four and eight

2403

01:43:51,430 --> 01:43:48,239

so if they lived there with me

2404

01:43:53,430 --> 01:43:51,440

it would never be [ʌ__ʌ] quiet

2405

01:43:55,590 --> 01:43:53,440

they've been getting crazy sometimes my

2406

01:43:56,790 --> 01:43:55,600

wife yesterday she normally never loses

2407

01:43:59,030 --> 01:43:56,800

her temper with the children but

2408

01:44:01,430 --> 01:43:59,040

yesterday she was like

2409

01:44:02,629 --> 01:44:01,440

you stop that you suck a [ʌ__ʌ] what are

2410

01:44:06,070 --> 01:44:02,639

you doing now

2411

01:44:08,070 --> 01:44:06,080

you know like that was funny

2412

01:44:09,430 --> 01:44:08,080

she rarely gets to the point of losing

2413

01:44:11,109 --> 01:44:09,440

your patience but you know

2414

01:44:13,590 --> 01:44:11,119

once in a while they're running around

2415

01:44:15,590 --> 01:44:13,600

crazy like maniacs

2416

01:44:17,669 --> 01:44:15,600

with we just called the crazies we say

2417

01:44:22,870 --> 01:44:17,679

to each other like oh [h__h] they got the

2418

01:44:26,629 --> 01:44:25,510

okay i love how the government promises

2419

01:44:28,149 --> 01:44:26,639

to fix health care

2420

01:44:29,910 --> 01:44:28,159

well they only make it worse they reward

2421

01:44:31,189 --> 01:44:29,920

doctors that rip off the system by

2422

01:44:33,109 --> 01:44:31,199

giving them

2423

01:44:35,430 --> 01:44:33,119

even more clients they are in bed with

2424

01:44:39,590 --> 01:44:35,440

them yeah absolutely they are

2425

01:44:44,470 --> 01:44:42,470

clearly not me cabins are awesome in the

2426

01:44:45,910 --> 01:44:44,480

mountains it's even better yeah my cabin

2427

01:44:47,430 --> 01:44:45,920

is at the highest elevation in

2428

01:44:49,910 --> 01:44:47,440

pennsylvania to

2429

01:44:52,470 --> 01:44:49,920

sign for that says highest elevation in

2430

01:44:54,950 --> 01:44:52,480

pennsylvania is a mile from my cabin

2431

01:44:57,669 --> 01:44:54,960

so that's basically i'm at the highest

2432

01:45:00,310 --> 01:44:57,679

point in my entire state

2433

01:45:00,709 --> 01:45:00,320

uh which is why the uh sky watching and

2434

01:45:03,669 --> 01:45:00,719

the

2435

01:45:05,590 --> 01:45:03,679

and if you want to see some stars i got

2436

01:45:05,910 --> 01:45:05,600

a place for you and that's my cabin it's

2437

01:45:08,390 --> 01:45:05,920

just

2438

01:45:10,149 --> 01:45:08,400

awesome i'm very happy too because i've

2439

01:45:10,550 --> 01:45:10,159

been trying to get a telescope going

2440

01:45:12,790 --> 01:45:10,560

there

2441

01:45:14,629 --> 01:45:12,800

for some time now but i got one

2442

01:45:16,070 --> 01:45:14,639

secondhand cheap somewhere and it

2443

01:45:18,790 --> 01:45:16,080

wouldn't focus

2444

01:45:20,709 --> 01:45:18,800

so it was worthless uh so we threw that

2445

01:45:23,270 --> 01:45:20,719

one out and then i found another one

2446

01:45:25,510 --> 01:45:23,280

actually one came with the house that i

2447

01:45:28,950 --> 01:45:25,520

live in in the suburbs

2448

01:45:32,310 --> 01:45:28,960

it was just in a big old like

2449

01:45:35,109 --> 01:45:32,320

uh wooden box this big old

2450

01:45:36,470 --> 01:45:35,119

telescope uh and a bunch of eyepieces

2451

01:45:37,510 --> 01:45:36,480
and things like that so i put that

2452

01:45:40,310 --> 01:45:37,520
together

2453

01:45:41,109 --> 01:45:40,320
and then my kids lost the eyepiece the

2454

01:45:44,550 --> 01:45:41,119
only one that

2455

01:45:47,350 --> 01:45:44,560
worked but then i got

2456

01:45:48,070 --> 01:45:47,360
lucky and found it it was like thrown

2457

01:45:50,310 --> 01:45:48,080
you know

2458

01:45:51,669 --> 01:45:50,320
and it's fall there so it's it's so easy

2459

01:45:53,430 --> 01:45:51,679
to lose stuff but i was blowing some

2460

01:45:55,430 --> 01:45:53,440
leaves and i found it so i'm

2461

01:45:57,109 --> 01:45:55,440
gonna try this weekend to get that

2462

01:45:59,510 --> 01:45:57,119
telescope up and running

2463

01:46:00,629 --> 01:45:59,520

and be able to see the moon uh with the

2464

01:46:02,470 --> 01:46:00,639

telescope

2465

01:46:03,750 --> 01:46:02,480

that would be awesome and be able to

2466

01:46:07,750 --> 01:46:03,760

spot uh

2467

01:46:10,149 --> 01:46:07,760

sort of satellites from there

2468

01:46:11,910 --> 01:46:10,159

uh you can see with the bare naked eye

2469

01:46:14,550 --> 01:46:11,920

you can see the international space

2470

01:46:16,550 --> 01:46:14,560

station transiting earth

2471

01:46:18,390 --> 01:46:16,560

so i really would like to have a

2472

01:46:20,070 --> 01:46:18,400

telescope to get those things a little

2473

01:46:22,550 --> 01:46:20,080

closer in my eye

2474

01:46:24,070 --> 01:46:22,560

and and experience the stars and the

2475

01:46:29,189 --> 01:46:24,080

moon that high up with

2476
01:46:32,870 --> 01:46:31,109
yeah have i thought of wind power yeah

2477
01:46:34,709 --> 01:46:32,880
i've got a real little but it's really

2478
01:46:36,550 --> 01:46:34,719
just like a technology demonstrator wind

2479
01:46:37,830 --> 01:46:36,560
turbine in a box that i never did

2480
01:46:39,430 --> 01:46:37,840
anything with yet

2481
01:46:41,750 --> 01:46:39,440
i'm thinking about getting a bigger one

2482
01:46:44,310 --> 01:46:41,760
like one that would generate 500 watts

2483
01:46:44,950 --> 01:46:44,320
and we were just going to put it like

2484
01:46:46,629 --> 01:46:44,960
way way

2485
01:46:49,350 --> 01:46:46,639
way high up in a tree forget about a

2486
01:46:51,430 --> 01:46:49,360
tripod just mount it real good

2487
01:46:54,229 --> 01:46:51,440
on one of our very tall trees if i could

2488
01:46:57,750 --> 01:46:54,239

get up one high enough um

2489

01:46:59,669 --> 01:46:57,760

but mostly i have solar but the solar is

2490

01:47:01,350 --> 01:46:59,679

a backup we have on grid power there

2491

01:47:03,669 --> 01:47:01,360

because it's the only thing that the

2492

01:47:05,270 --> 01:47:03,679

local municipality can deliver to us we

2493

01:47:08,870 --> 01:47:05,280

can't get water

2494

01:47:13,590 --> 01:47:08,880

or sewage we can't get you know

2495

01:47:21,030 --> 01:47:17,990

we can get electricity and we can get uh

2496

01:47:23,270 --> 01:47:21,040

the internet so we get both of those i

2497

01:47:24,390 --> 01:47:23,280

have plans to get rid of the electricity

2498

01:47:26,550 --> 01:47:24,400

though

2499

01:47:28,470 --> 01:47:26,560

but at this point it's very inexpensive

2500

01:47:29,990 --> 01:47:28,480

it's like 35 bucks a month

2501
01:47:31,510 --> 01:47:30,000
well maybe a little more in the winter

2502
01:47:32,870 --> 01:47:31,520
because i'm using electric heaters there

2503
01:47:35,189 --> 01:47:32,880
sometimes

2504
01:47:36,950 --> 01:47:35,199
just to kind of like level things out

2505
01:47:37,510 --> 01:47:36,960
sometimes the wood burners don't last

2506
01:47:38,950 --> 01:47:37,520
all night

2507
01:47:41,189 --> 01:47:38,960
and if you have the electric here going

2508
01:47:44,310 --> 01:47:41,199
at least it won't wake up freezing

2509
01:47:46,070 --> 01:47:44,320
and uh yes and we have

2510
01:47:47,750 --> 01:47:46,080
you know it's a little bit more if we

2511
01:47:50,229 --> 01:47:47,760
have these heaters going but

2512
01:47:52,149 --> 01:47:50,239
it's very convenient to just anything i

2513
01:47:53,590 --> 01:47:52,159

plug in works and i don't have to worry

2514

01:47:55,270 --> 01:47:53,600

about it this

2515

01:47:56,390 --> 01:47:55,280

solar is a little more difficult than i

2516

01:47:59,189 --> 01:47:56,400

thought it was going to be but i'm going

2517

01:48:01,590 --> 01:47:59,199

to be doing a test soon

2518

01:48:02,870 --> 01:48:01,600

of the backup solar system i'm going to

2519

01:48:04,550 --> 01:48:02,880

do an entire weekend

2520

01:48:06,950 --> 01:48:04,560

i'm going to turn off the grid power and

2521

01:48:11,350 --> 01:48:06,960

do an entire weekend just on the solar

2522

01:48:14,070 --> 01:48:11,360

and see how things go i really only need

2523

01:48:16,070 --> 01:48:14,080

i only need enough power for uh some

2524

01:48:18,070 --> 01:48:16,080

lights and we have 12 volt lights

2525

01:48:19,590 --> 01:48:18,080

the cabin is wired for both 12 volt and

2526

01:48:21,430 --> 01:48:19,600

120 lights

2527

01:48:23,830 --> 01:48:21,440

so when we're on on grid power we use

2528

01:48:25,270 --> 01:48:23,840

the 120 lights but if we were on solar i

2529

01:48:27,270 --> 01:48:25,280

would use the 12 volt lights

2530

01:48:29,350 --> 01:48:27,280

we only need power for the lights and a

2531

01:48:30,709 --> 01:48:29,360

laptop i think even a small

2532

01:48:33,109 --> 01:48:30,719

solar system is going to be able to do

2533

01:48:33,910 --> 01:48:33,119

that no problem i'm going to do a whole

2534

01:48:37,109 --> 01:48:33,920

weekend

2535

01:48:38,790 --> 01:48:37,119

test i don't want to get too far ahead

2536

01:48:40,070 --> 01:48:38,800

of myself and say yeah cut the power

2537

01:48:41,830 --> 01:48:40,080

we'll get out of that bill

2538

01:48:43,030 --> 01:48:41,840

because then the only bills if we get

2539

01:48:44,629 --> 01:48:43,040

out of the electric bill the only bills

2540

01:48:48,229 --> 01:48:44,639

for the cabinet are going to be

2541

01:48:50,950 --> 01:48:48,239

the annual taxes and the internet

2542

01:48:52,550 --> 01:48:50,960

so the expenses there will be like i

2543

01:48:53,990 --> 01:48:52,560

don't know a few hundred dollars a year

2544

01:48:57,350 --> 01:48:54,000

in total

2545

01:49:01,750 --> 01:48:59,910

well yeah maybe just under i guess the

2546

01:49:03,750 --> 01:49:01,760

expenses for you would probably be like

2547

01:49:06,950 --> 01:49:03,760

a thousand dollars for the whole year

2548

01:49:08,470 --> 01:49:06,960

that's pretty cool that's pretty low

2549

01:49:09,669 --> 01:49:08,480

and that could be cut even more if we

2550

01:49:11,510 --> 01:49:09,679

got rid of the internet and it would

2551

01:49:14,550 --> 01:49:11,520

just be a few hundred dollars a year for

2552

01:49:17,350 --> 01:49:14,560

the taxes there

2553

01:49:19,109 --> 01:49:17,360

my land is zoned recreational which

2554

01:49:26,709 --> 01:49:19,119

means that the taxes are really cheap

2555

01:49:30,149 --> 01:49:28,149

yeah people are still discussing the

2556

01:49:31,910 --> 01:49:30,159

healthcare differences between canada

2557

01:49:40,390 --> 01:49:31,920

i think canada's got a good system and i

2558

01:49:44,870 --> 01:49:43,430

okay so for some uh he says that for me

2559

01:49:47,109 --> 01:49:44,880

and my family having a

2560

01:49:48,390 --> 01:49:47,119

quadriplegic son and myself also

2561

01:49:50,390 --> 01:49:48,400

pre-existing conditions

2562

01:49:53,109 --> 01:49:50,400

it was the first affordable insurance

2563

01:49:55,589 --> 01:49:53,119

ever it's just talking about obamacare

2564

01:49:56,629 --> 01:49:55,599

yeah i've seen that it's not a lot of

2565

01:49:57,750 --> 01:49:56,639

good for people so

2566

01:49:59,589 --> 01:49:57,760

i think it's a step in the right

2567

01:50:00,390 --> 01:49:59,599

direction but i don't think they should

2568

01:50:01,990 --> 01:50:00,400

stop there

2569

01:50:05,350 --> 01:50:02,000

i think they should just socialize

2570

01:50:07,750 --> 01:50:05,360

medicine let everyone have access to it

2571

01:50:08,629 --> 01:50:07,760

that to me will be the most humane thing

2572

01:50:12,470 --> 01:50:08,639

to do

2573

01:50:13,910 --> 01:50:12,480

make sure anybody that needs health care

2574

01:50:16,870 --> 01:50:13,920

can get it

2575

01:50:19,030 --> 01:50:16,880

um that's not the world that we live in

2576

01:50:20,870 --> 01:50:19,040

capitalists that we are

2577

01:50:22,310 --> 01:50:20,880

if it's not profitable people aren't

2578

01:50:24,550 --> 01:50:22,320

interested you know

2579

01:50:25,990 --> 01:50:24,560

and that's unfortunate i wish the world

2580

01:50:28,790 --> 01:50:26,000

was a better place but

2581

01:50:30,310 --> 01:50:28,800

uh who was it sylvester stallone and

2582

01:50:34,229 --> 01:50:30,320

rocky balboa said life

2583

01:50:36,950 --> 01:50:34,239

ain't all sunshine and rainbows

2584

01:50:45,990 --> 01:50:36,960

i love that saying life anal sunshine

2585

01:50:50,550 --> 01:50:48,310

yeah so friends i guess uh we're gonna

2586

01:50:52,149 --> 01:50:50,560

we're gonna wrap things up here

2587

01:50:55,270 --> 01:50:52,159

i want to thank each and every one of

2588

01:50:57,109 --> 01:50:55,280

you for joining me i am always happy to

2589

01:50:59,589 --> 01:50:57,119

when there's an audience and i'm happy

2590

01:51:03,669 --> 01:50:59,599

that you could be part of mine

2591

01:51:06,790 --> 01:51:03,679

um we are going to

2592

01:51:08,149 --> 01:51:06,800

play us out here uh before i go i guess

2593

01:51:09,990 --> 01:51:08,159

i should mention that we have some

2594

01:51:11,189 --> 01:51:10,000

upcoming guests we're gonna have prague

2595

01:51:14,709 --> 01:51:11,199

magic

2596

01:51:15,910 --> 01:51:14,719

uh come on the show i think sometime

2597

01:51:17,270 --> 01:51:15,920

this weekend we're gonna try to do

2598

01:51:19,430 --> 01:51:17,280

another panel show

2599

01:51:21,270 --> 01:51:19,440

and i've got cal court coming up next

2600

01:51:23,109 --> 01:51:21,280

week we actually schedule him due to uh

2601
01:51:24,229 --> 01:51:23,119
he's working crazy hours and getting

2602
01:51:26,470 --> 01:51:24,239
called in

2603
01:51:28,550 --> 01:51:26,480
uh on days off because of this coveted

2604
01:51:29,750 --> 01:51:28,560
uh spike where he lives

2605
01:51:31,669 --> 01:51:29,760
you know we're all dealing with

2606
01:51:32,550 --> 01:51:31,679
different things a lot of times covered

2607
01:51:34,790 --> 01:51:32,560
is screwing up

2608
01:51:37,350 --> 01:51:34,800
things like scheduling guests but you

2609
01:51:39,750 --> 01:51:37,360
know we roll with the punches here

2610
01:51:40,950 --> 01:51:39,760
so until next time friends my name is

2611
01:51:58,710 --> 01:51:40,960
stephen champion

2612
01:53:17,040 --> 01:52:37,850
[Music]
