

1
00:02:05,109 --> 00:00:17,860
[Music]

2
00:02:09,990 --> 00:02:08,710
greetings and salutations um

3
00:02:12,710 --> 00:02:10,000
we are back

4
00:02:13,910 --> 00:02:12,720
um i almost was not going to do a show

5
00:02:16,630 --> 00:02:13,920
today

6
00:02:18,470 --> 00:02:16,640
because quite honestly i'm feeling very

7
00:02:20,949 --> 00:02:18,480
uh

8
00:02:22,790 --> 00:02:20,959
somber and discouraged

9
00:02:23,910 --> 00:02:22,800
for those who don't know yesterday we

10
00:02:25,910 --> 00:02:23,920
covered

11
00:02:27,750 --> 00:02:25,920
the latest interview i don't even want

12
00:02:29,110 --> 00:02:27,760
to say her name

13
00:02:30,790 --> 00:02:29,120

right

14

00:02:32,869 --> 00:02:30,800

we covered the latest interview of a

15

00:02:35,110 --> 00:02:32,879

well-known conspiracy theorist that's

16

00:02:37,750 --> 00:02:35,120

been around

17

00:02:40,470 --> 00:02:37,760

telling fairy tales for 16 years and we

18

00:02:43,110 --> 00:02:40,480

sort of made fun of that interview and

19

00:02:45,270 --> 00:02:43,120

some of the claims that she made

20

00:02:47,110 --> 00:02:45,280

um

21

00:02:48,630 --> 00:02:47,120

but again for those that don't know

22

00:02:51,509 --> 00:02:48,640

here's what happened

23

00:02:53,430 --> 00:02:51,519

the person the show

24

00:02:56,790 --> 00:02:53,440

the show that she appeared on their

25

00:03:00,070 --> 00:02:56,800

youtube channel this warning

26

00:03:02,470 --> 00:03:00,080

uh got newt from youtube completely

27

00:03:03,670 --> 00:03:02,480

deleted from youtube

28

00:03:05,509 --> 00:03:03,680

and uh

29

00:03:09,270 --> 00:03:05,519

it's my belief that that happened

30

00:03:14,070 --> 00:03:09,280

largely because of this person going on

31

00:03:19,110 --> 00:03:16,869

an incredible amount of irresponsible

32

00:03:22,710 --> 00:03:19,120

untrue and misleading

33

00:03:23,670 --> 00:03:22,720

statements that she presents as facts

34

00:03:25,350 --> 00:03:23,680

um

35

00:03:27,830 --> 00:03:25,360

and

36

00:03:30,789 --> 00:03:27,840

i don't know today i

37

00:03:32,630 --> 00:03:30,799

i feel terrible for that content creator

38

00:03:34,869 --> 00:03:32,640

and here's the problem

39

00:03:36,949 --> 00:03:34,879

you know a lot of people were doing a

40

00:03:39,589 --> 00:03:36,959

victory dance when certain people's

41

00:03:40,789 --> 00:03:39,599

channels were getting stamped out

42

00:03:42,229 --> 00:03:40,799

but not me

43

00:03:43,110 --> 00:03:42,239

not me

44

00:03:45,750 --> 00:03:43,120

because

45

00:03:48,630 --> 00:03:45,760

although i did not like some of those

46

00:03:51,190 --> 00:03:48,640

content creators personally i don't i

47

00:03:52,309 --> 00:03:51,200

did not like their shows i did not like

48

00:03:53,270 --> 00:03:52,319

them

49

00:03:56,070 --> 00:03:53,280

um

50

00:03:59,190 --> 00:03:56,080

especially one of them which is actually

51
00:04:06,309 --> 00:03:59,200
a propaganda

52
00:04:07,990 --> 00:04:06,319
cult okay so yeah i sort of went

53
00:04:10,149 --> 00:04:08,000
they shouldn't have a youtube channel

54
00:04:12,229 --> 00:04:10,159
not when they're pretending to be

55
00:04:15,190 --> 00:04:12,239
independent content creators and they're

56
00:04:17,590 --> 00:04:15,200
actually working for a chinese cult

57
00:04:21,270 --> 00:04:17,600
putting out propaganda

58
00:04:25,510 --> 00:04:23,590
i was not happy about even their channel

59
00:04:28,070 --> 00:04:25,520
being stamped out

60
00:04:30,070 --> 00:04:28,080
because of that old saying there before

61
00:04:32,870 --> 00:04:30,080
the grace of god go i

62
00:04:35,110 --> 00:04:32,880
we talk a lot of uh

63
00:04:35,990 --> 00:04:35,120

we talk about a lot of strange topics

64

00:04:37,510 --> 00:04:36,000

here

65

00:04:41,270 --> 00:04:37,520

uh

66

00:04:46,469 --> 00:04:44,390

welcome alternative viewpoints

67

00:04:48,950 --> 00:04:46,479

uh as long as they come with some facts

68

00:04:51,110 --> 00:04:48,960

and evidence and see

69

00:04:53,189 --> 00:04:51,120

herein lies the problem

70

00:04:54,310 --> 00:04:53,199

um one of them

71

00:04:58,629 --> 00:04:54,320

so

72

00:05:01,189 --> 00:04:58,639

here's a big problem a big problem is

73

00:05:03,749 --> 00:05:01,199

youtube's algorithm which makes these

74

00:05:05,030 --> 00:05:03,759

stamping out channels decisions doesn't

75

00:05:07,590 --> 00:05:05,040

know

76

00:05:09,270 --> 00:05:07,600

if somebody is talking

77

00:05:10,870 --> 00:05:09,280

sarcastically

78

00:05:12,230 --> 00:05:10,880

if somebody's being sarcastic when they

79

00:05:14,710 --> 00:05:12,240

make a statement

80

00:05:17,510 --> 00:05:14,720

the youtube algorithm doesn't know if

81

00:05:19,749 --> 00:05:17,520

someone is making fun of people who are

82

00:05:21,430 --> 00:05:19,759

talking about these conspiracy land

83

00:05:24,070 --> 00:05:21,440

topics

84

00:05:27,029 --> 00:05:24,080

or if they are talking about those

85

00:05:29,189 --> 00:05:27,039

topics in support of them

86

00:05:31,110 --> 00:05:29,199

the youtube algorithm is very very

87

00:05:32,550 --> 00:05:31,120

flawed

88

00:05:33,590 --> 00:05:32,560

and

89

00:05:35,350 --> 00:05:33,600

a lot of you know that i have a

90

00:05:37,510 --> 00:05:35,360

background in computer science i have

91

00:05:39,830 --> 00:05:37,520

friends that work in silicon valley and

92

00:05:41,830 --> 00:05:39,840

i'm hesitant to say this let's just say

93

00:05:44,950 --> 00:05:41,840

i have friends that work for some tech

94

00:05:46,790 --> 00:05:44,960

giants in silicon valley

95

00:05:48,870 --> 00:05:46,800

we don't have to say who those are but

96

00:05:51,110 --> 00:05:48,880

you can guess and you're probably right

97

00:05:52,790 --> 00:05:51,120

there's you know two major of them three

98

00:05:54,150 --> 00:05:52,800

major of them

99

00:05:56,310 --> 00:05:54,160

uh

100

00:05:58,230 --> 00:05:56,320

and what i was told by every one of the

101
00:06:00,469 --> 00:05:58,240
people employed by these tech giants is

102
00:06:03,110 --> 00:06:00,479
there's no people making the decisions

103
00:06:05,029 --> 00:06:03,120
we've got algorithms that do everything

104
00:06:06,870 --> 00:06:05,039
everything is automated

105
00:06:09,270 --> 00:06:06,880
there's no human

106
00:06:12,790 --> 00:06:09,280
with human reasoning capability that can

107
00:06:15,270 --> 00:06:12,800
look at a piece of content and say oh

108
00:06:18,629 --> 00:06:15,280
this show host is making fun of those

109
00:06:20,950 --> 00:06:18,639
people talking about this crazy stuff

110
00:06:23,670 --> 00:06:20,960
right there's no human

111
00:06:24,629 --> 00:06:23,680
that's going to step in and and say oh

112
00:06:27,270 --> 00:06:24,639
okay

113
00:06:29,830 --> 00:06:27,280

you're not in support you're you're

114

00:06:31,749 --> 00:06:29,840

speaking out against this content

115

00:06:34,390 --> 00:06:31,759

creator who's spreading this false

116

00:06:36,390 --> 00:06:34,400

information you're you're critiquing

117

00:06:38,150 --> 00:06:36,400

them and saying hey

118

00:06:40,629 --> 00:06:38,160

they're saying this and it's false

119

00:06:43,670 --> 00:06:40,639

information so you you shouldn't get

120

00:06:45,830 --> 00:06:43,680

stamped there's no human

121

00:06:48,150 --> 00:06:45,840

this algorithm just goes through

122

00:06:49,430 --> 00:06:48,160

thousands tens of thousands of youtube

123

00:06:51,830 --> 00:06:49,440

videos

124

00:06:54,070 --> 00:06:51,840

maybe probably hundreds of thousands

125

00:06:56,070 --> 00:06:54,080

maybe even a million youtube videos i

126
00:06:58,070 --> 00:06:56,080
don't know how many get uploaded a day

127
00:07:00,710 --> 00:06:58,080
but this algorithm

128
00:07:02,790 --> 00:07:00,720
simply goes through uploaded content

129
00:07:05,589 --> 00:07:02,800
or even old content

130
00:07:08,150 --> 00:07:05,599
and looks for keywords and if it finds

131
00:07:09,589 --> 00:07:08,160
those keywords it flags you and you

132
00:07:10,629 --> 00:07:09,599
could either get

133
00:07:12,390 --> 00:07:10,639
a

134
00:07:14,230 --> 00:07:12,400
community strike

135
00:07:16,390 --> 00:07:14,240
for going against community guidelines

136
00:07:17,670 --> 00:07:16,400
or you they'll just delete your entire

137
00:07:20,230 --> 00:07:17,680
channel

138
00:07:22,070 --> 00:07:20,240

now in the case of the content creator

139

00:07:24,150 --> 00:07:22,080

uh whose

140

00:07:25,589 --> 00:07:24,160

show we were sort of critiquing

141

00:07:27,510 --> 00:07:25,599

yesterday

142

00:07:30,230 --> 00:07:27,520

he made a video today claiming that he

143

00:07:31,909 --> 00:07:30,240

has never gotten a community strike he's

144

00:07:33,430 --> 00:07:31,919

not he doesn't have three strikes that

145

00:07:34,870 --> 00:07:33,440

wasn't his third strike he doesn't have

146

00:07:37,189 --> 00:07:34,880

any strikes

147

00:07:39,110 --> 00:07:37,199

um and i've

148

00:07:41,270 --> 00:07:39,120

i've heard other content creators who

149

00:07:43,510 --> 00:07:41,280

were stamped out

150

00:07:44,390 --> 00:07:43,520

say the same thing but i didn't know or

151
00:07:46,629 --> 00:07:44,400
trust

152
00:07:48,710 --> 00:07:46,639
those other people to be honest

153
00:07:50,230 --> 00:07:48,720
when this particular content creator and

154
00:07:51,909 --> 00:07:50,240
most of you know who we're talking about

155
00:07:54,469 --> 00:07:51,919
i'm going to speak in very vague terms

156
00:07:57,510 --> 00:07:54,479
because that's i i don't want to anger

157
00:08:00,230 --> 00:07:57,520
this youtube ai algorithm god who

158
00:08:02,070 --> 00:08:00,240
decides the fate of us and our channel

159
00:08:03,430 --> 00:08:02,080
here

160
00:08:07,189 --> 00:08:03,440
so

161
00:08:09,430 --> 00:08:07,199
have a little bit of a knowledge of what

162
00:08:10,469 --> 00:08:09,440
kind of person he is right what kind of

163
00:08:13,909 --> 00:08:10,479

uh

164

00:08:16,230 --> 00:08:13,919

i don't know i just know him and if he

165

00:08:18,550 --> 00:08:16,240

says that they didn't give him

166

00:08:21,430 --> 00:08:18,560

the usual three strikes i sort of trust

167

00:08:23,510 --> 00:08:21,440

that he's being honest in saying that

168

00:08:25,990 --> 00:08:23,520

and that is disturbing

169

00:08:28,550 --> 00:08:26,000

and alarming because that would mean

170

00:08:30,790 --> 00:08:28,560

that that the company

171

00:08:32,870 --> 00:08:30,800

doesn't even follow their own guidelines

172

00:08:34,230 --> 00:08:32,880

they can just

173

00:08:37,269 --> 00:08:34,240

and

174

00:08:39,750 --> 00:08:37,279

this gets all gets very complicated do

175

00:08:41,829 --> 00:08:39,760

they have to follow their own rules not

176

00:08:43,909 --> 00:08:41,839

really they're a private company they

177

00:08:47,829 --> 00:08:43,919

can do as they wish

178

00:08:50,550 --> 00:08:47,839

and what rights do we as users

179

00:08:53,190 --> 00:08:50,560

of this platform have

180

00:08:54,949 --> 00:08:53,200

well the truth is we have no rights

181

00:08:57,590 --> 00:08:54,959

we're guests

182

00:09:03,190 --> 00:08:57,600

just as you know you could have a guest

183

00:09:07,910 --> 00:09:06,230

you could have a guest at your house

184

00:09:11,269 --> 00:09:07,920

they don't have any rights inside your

185

00:09:13,990 --> 00:09:11,279

house you know what it's your house

186

00:09:15,990 --> 00:09:14,000

and so uh

187

00:09:17,350 --> 00:09:16,000

you know i i just don't

188

00:09:21,190 --> 00:09:17,360

i don't know

189

00:09:23,910 --> 00:09:21,200

i i felt very somber today i felt sad

190

00:09:25,750 --> 00:09:23,920

and uh well i felt sad that uh sort of

191

00:09:28,949 --> 00:09:25,760

another show host i was pretty friendly

192

00:09:31,670 --> 00:09:28,959

with just lost his channel because you

193

00:09:33,670 --> 00:09:31,680

know but honestly i don't blame him for

194

00:09:35,509 --> 00:09:33,680

the loss of his channel i don't think he

195

00:09:37,110 --> 00:09:35,519

did anything wrong

196

00:09:38,870 --> 00:09:37,120

except

197

00:09:40,710 --> 00:09:38,880

he booked a guest that he he should have

198

00:09:43,110 --> 00:09:40,720

known not to book

199

00:09:44,389 --> 00:09:43,120

but i don't blame him you know it's not

200

00:09:46,230 --> 00:09:44,399

his fault

201
00:09:50,949 --> 00:09:46,240
and this brings up more complicated

202
00:09:56,230 --> 00:09:53,030
am i responsible for something that a

203
00:09:59,590 --> 00:09:56,240
guest says on my show

204
00:10:00,630 --> 00:09:59,600
does the youtube algorithm know

205
00:10:03,350 --> 00:10:00,640
if i

206
00:10:05,430 --> 00:10:03,360
tell a guest i disagree with you

207
00:10:07,829 --> 00:10:05,440
on that point you just made does it

208
00:10:10,150 --> 00:10:07,839
understand that i disagree

209
00:10:11,750 --> 00:10:10,160
or am i going to be held responsible for

210
00:10:13,269 --> 00:10:11,760
every single thing that comes out of a

211
00:10:15,030 --> 00:10:13,279
guest's mouth

212
00:10:16,790 --> 00:10:15,040
because it would appear that in the case

213
00:10:18,949 --> 00:10:16,800

of this other show

214

00:10:21,590 --> 00:10:18,959

and this other content creator

215

00:10:24,069 --> 00:10:21,600

um and you know what i'm this this is

216

00:10:26,710 --> 00:10:24,079

how this is how things have gotten i'm

217

00:10:29,990 --> 00:10:26,720

just gonna put in the live chat

218

00:10:35,430 --> 00:10:30,000

uh the other content creator so

219

00:10:38,870 --> 00:10:37,509

so people know if they don't already i

220

00:10:41,509 --> 00:10:38,880

think everybody knows who i'm talking

221

00:10:43,910 --> 00:10:41,519

about but just for the benefit of those

222

00:10:46,550 --> 00:10:43,920

that don't i just put in the live chat

223

00:10:49,030 --> 00:10:46,560

that content creator and his uh

224

00:10:52,710 --> 00:10:49,040

and his channel his show which by the

225

00:10:55,430 --> 00:10:52,720

way had i think 10 or 15 000 subscribers

226

00:10:58,069 --> 00:10:55,440

he averaged 400 live viewers every time

227

00:11:00,630 --> 00:10:58,079

he did a live stream you know

228

00:11:02,230 --> 00:11:00,640

big big much bigger channel in our [h__\h]

229

00:11:05,590 --> 00:11:02,240

show here

230

00:11:09,190 --> 00:11:07,750

according to uh

231

00:11:11,509 --> 00:11:09,200

according to him he didn't have any

232

00:11:13,670 --> 00:11:11,519

community strikes against him they just

233

00:11:15,990 --> 00:11:13,680

stamped out his channel

234

00:11:17,430 --> 00:11:16,000

and uh yeah oh but getting back to this

235

00:11:19,030 --> 00:11:17,440

so uh

236

00:11:22,150 --> 00:11:19,040

i guess we're gonna have to have some

237

00:11:23,430 --> 00:11:22,160

changes on the channel and uh oh i saw

238

00:11:25,110 --> 00:11:23,440

CW

239

00:11:27,590 --> 00:11:25,120
channels here

240

00:11:29,829 --> 00:11:27,600
i listened to a stream of his like the

241

00:11:33,030 --> 00:11:29,839
end of my channel or something like that

242

00:11:35,509 --> 00:11:33,040
uh a few days ago and i thought you're

243

00:11:37,990 --> 00:11:35,519
overreacting bro it's not that bad you

244

00:11:40,949 --> 00:11:38,000
don't have to change much but you do

245

00:11:43,030 --> 00:11:40,959
um because along with these

246

00:11:44,150 --> 00:11:43,040
these rolling

247

00:11:47,110 --> 00:11:44,160
you know

248

00:11:49,430 --> 00:11:47,120
deletion of people's channels based on

249

00:11:51,430 --> 00:11:49,440
something a guest on their show said we

250

00:11:52,310 --> 00:11:51,440
also have now

251

00:11:54,550 --> 00:11:52,320

um

252

00:11:57,829 --> 00:11:54,560

several reports i've gotten of people

253

00:12:00,550 --> 00:11:57,839

that have been given a community strike

254

00:12:02,470 --> 00:12:00,560

for hate speech when they were talking

255

00:12:04,710 --> 00:12:02,480

[h__\h] about somebody

256

00:12:05,590 --> 00:12:04,720

and considering that i talk a lot of

257

00:12:07,910 --> 00:12:05,600

[h__\h]

258

00:12:11,269 --> 00:12:07,920

and tend to get angry and yell about

259

00:12:13,670 --> 00:12:11,279

people and you know very

260

00:12:15,910 --> 00:12:13,680

i guess animatedly

261

00:12:18,470 --> 00:12:15,920

insult them uh that could get a

262

00:12:20,629 --> 00:12:18,480

community strike so we're gonna have to

263

00:12:23,430 --> 00:12:20,639

do our best to avoid that

264

00:12:24,949 --> 00:12:23,440

um and uh i don't know if i'm supposed

265

00:12:27,350 --> 00:12:24,959

to mark

266

00:12:28,710 --> 00:12:27,360

old videos private but i'm hearing from

267

00:12:30,550 --> 00:12:28,720

several people that you could have a

268

00:12:32,389 --> 00:12:30,560

video that's three years old then this

269

00:12:33,750 --> 00:12:32,399

algorithm could find it and give you a

270

00:12:36,470 --> 00:12:33,760

strike

271

00:12:42,550 --> 00:12:38,870

so

272

00:12:45,269 --> 00:12:42,560

to be that i'm going to have to be a lot

273

00:12:46,870 --> 00:12:45,279

more professional if i want to cover

274

00:12:49,430 --> 00:12:46,880

certain people

275

00:12:52,629 --> 00:12:49,440

certain characters in this so-called new

276

00:12:53,990 --> 00:12:52,639

age spiritual ufo alien community i'm

277

00:12:58,550 --> 00:12:54,000

gonna have to be

278

00:13:00,310 --> 00:12:58,560

a lot more like a real journalist like

279

00:13:03,190 --> 00:13:00,320

i thought about this today and i've

280

00:13:05,350 --> 00:13:03,200

never heard a real journalist

281

00:13:07,430 --> 00:13:05,360

start yelling and screaming when they

282

00:13:09,670 --> 00:13:07,440

recover even if they were covering

283

00:13:12,710 --> 00:13:09,680

somebody that was scamming people which

284

00:13:14,790 --> 00:13:12,720

we do quite often here or people that i

285

00:13:15,670 --> 00:13:14,800

in my opinion i think are scamming

286

00:13:18,389 --> 00:13:15,680

people

287

00:13:21,350 --> 00:13:18,399

right and i yell but they're slime balls

288

00:13:23,910 --> 00:13:21,360

or whatever you don't see like a real

289

00:13:25,910 --> 00:13:23,920

journalist do that not that i won't ever

290

00:13:27,910 --> 00:13:25,920

thought that i would want to become a

291

00:13:30,069 --> 00:13:27,920

real journalist or that's my goal in

292

00:13:32,550 --> 00:13:30,079

life i just mean

293

00:13:34,629 --> 00:13:32,560

i i suppose i have to get much more

294

00:13:37,269 --> 00:13:34,639

professional if i'm gonna cover certain

295

00:13:40,069 --> 00:13:37,279

things i can't get emotional i can't

296

00:13:41,990 --> 00:13:40,079

call people slime balls i can't because

297

00:13:43,990 --> 00:13:42,000

that could be a violation of the terms

298

00:13:45,670 --> 00:13:44,000

of service and uh

299

00:13:46,790 --> 00:13:45,680

and another change that i'm gonna have

300

00:13:48,710 --> 00:13:46,800

to make

301
00:13:50,710 --> 00:13:48,720
and this is important and i guess i

302
00:13:55,269 --> 00:13:50,720
gotta write something up to hand out to

303
00:13:58,310 --> 00:13:56,230
um

304
00:14:00,790 --> 00:13:58,320
i'm gonna have to ask potential guests

305
00:14:02,389 --> 00:14:00,800
or just let them know that we gonna have

306
00:14:05,110 --> 00:14:02,399
a general rule here

307
00:14:07,670 --> 00:14:05,120
and here's going to be the rule

308
00:14:09,829 --> 00:14:07,680
and it's for two reasons really

309
00:14:12,550 --> 00:14:09,839
the rule is going to be that we don't

310
00:14:15,110 --> 00:14:12,560
talk about the current health crisis and

311
00:14:18,310 --> 00:14:15,120
we don't talk about anything to do with

312
00:14:20,550 --> 00:14:18,320
the election or politics in general

313
00:14:22,949 --> 00:14:20,560

now there's two reasons for this

314

00:14:24,230 --> 00:14:22,959

the first is

315

00:14:27,189 --> 00:14:24,240

selfish

316

00:14:30,790 --> 00:14:27,199

well maybe three reasons so the first is

317

00:14:32,550 --> 00:14:30,800

selfishly i just i get enough i get my

318

00:14:35,430 --> 00:14:32,560

fill of all that crap

319

00:14:37,829 --> 00:14:35,440

um especially in this lockdown and uh

320

00:14:40,230 --> 00:14:37,839

you know my state's really pulling

321

00:14:41,430 --> 00:14:40,240

things back and putting restrictions

322

00:14:43,670 --> 00:14:41,440

more they

323

00:14:46,069 --> 00:14:43,680

they didn't put us back in a lockdown

324

00:14:47,910 --> 00:14:46,079

they're sort of uh

325

00:14:50,310 --> 00:14:47,920

taking an inch a day

326

00:14:51,910 --> 00:14:50,320

does that make any sense you know like

327

00:14:53,750 --> 00:14:51,920

they're not doing it all at once but it

328

00:14:55,430 --> 00:14:53,760

seems like they're slowly rolling

329

00:14:59,269 --> 00:14:55,440

towards another lock

330

00:15:01,670 --> 00:14:59,279

lock down and uh

331

00:15:03,670 --> 00:15:01,680

i've had nine months of this eight eight

332

00:15:05,670 --> 00:15:03,680

or nine months of this i've had my

333

00:15:07,910 --> 00:15:05,680

children home with me

334

00:15:09,509 --> 00:15:07,920

for the whole nine months just about up

335

00:15:12,230 --> 00:15:09,519

until recently

336

00:15:14,790 --> 00:15:12,240

uh when at least my older son is now

337

00:15:16,790 --> 00:15:14,800

attending school four days a week

338

00:15:19,030 --> 00:15:16,800

um

339

00:15:20,870 --> 00:15:19,040

this is not to complain i i just i'm

340

00:15:22,310 --> 00:15:20,880

trying to express here

341

00:15:24,069 --> 00:15:22,320

why i don't want to talk about the

342

00:15:26,550 --> 00:15:24,079

health crisis right

343

00:15:27,990 --> 00:15:26,560

i just want to roll on with this

344

00:15:30,389 --> 00:15:28,000

whatever's going to happen is going to

345

00:15:32,710 --> 00:15:30,399

happen i just want to roll on with it

346

00:15:34,550 --> 00:15:32,720

until it's over and hopefully it will be

347

00:15:37,269 --> 00:15:34,560

soon there's some

348

00:15:38,629 --> 00:15:37,279

hopefully good news on the horizon

349

00:15:40,949 --> 00:15:38,639

but here's

350

00:15:42,470 --> 00:15:40,959

the and the second reason is that i

351

00:15:44,150 --> 00:15:42,480

think that people come here for an

352

00:15:45,910 --> 00:15:44,160

escape

353

00:15:47,990 --> 00:15:45,920

from their own

354

00:15:49,590 --> 00:15:48,000

situations with the health crisis

355

00:15:52,150 --> 00:15:49,600

everyone's under a tremendous amount of

356

00:15:53,030 --> 00:15:52,160

stress anxiety

357

00:15:55,110 --> 00:15:53,040

um

358

00:15:56,389 --> 00:15:55,120

depressions you know i know a lot of

359

00:15:58,870 --> 00:15:56,399

people

360

00:16:00,470 --> 00:15:58,880

um that i would never

361

00:16:01,590 --> 00:16:00,480

have thought would be depressed and i

362

00:16:04,550 --> 00:16:01,600

can tell

363

00:16:06,310 --> 00:16:04,560

in interacting i know them i've known

364

00:16:07,350 --> 00:16:06,320

some of these people for years friends

365

00:16:10,470 --> 00:16:07,360

family

366

00:16:12,550 --> 00:16:10,480

you know uh relatives that

367

00:16:14,949 --> 00:16:12,560

i would never have

368

00:16:16,389 --> 00:16:14,959

thought that a few of these people would

369

00:16:18,629 --> 00:16:16,399

become depressed

370

00:16:20,710 --> 00:16:18,639

and they i i know i just know that they

371

00:16:23,829 --> 00:16:20,720

are

372

00:16:25,670 --> 00:16:23,839

with this stuff and i think we all have

373

00:16:27,590 --> 00:16:25,680

to be conscious of that

374

00:16:29,990 --> 00:16:27,600

so my point is people come here for an

375

00:16:32,790 --> 00:16:30,000

escape from these things

376

00:16:35,030 --> 00:16:32,800

and as far as politics

377

00:16:37,670 --> 00:16:35,040

generally and i've said this before

378

00:16:40,470 --> 00:16:37,680

i think both sides are criminals

379

00:16:43,030 --> 00:16:40,480

i don't care if you've decided that your

380

00:16:43,749 --> 00:16:43,040

criminal is somewhat less of a criminal

381

00:16:47,030 --> 00:16:43,759

than

382

00:16:49,910 --> 00:16:47,040

a criminal that someone else prefers

383

00:16:52,069 --> 00:16:49,920

both sides are criminals

384

00:16:54,550 --> 00:16:52,079

my personal belief is that this country

385

00:16:55,350 --> 00:16:54,560

is not run by individuals but it's run

386

00:16:57,590 --> 00:16:55,360

by

387

00:16:59,430 --> 00:16:57,600

corporations

388

00:17:02,230 --> 00:16:59,440

and

389

00:17:04,870 --> 00:17:02,240

i guess you know i just consider any

390

00:17:07,429 --> 00:17:04,880

discussion or debate or argument on

391

00:17:10,990 --> 00:17:07,439

politics to be pointless because both

392

00:17:13,270 --> 00:17:11,000

sides are criminals right

393

00:17:15,590 --> 00:17:13,280

congratulations if your criminal is

394

00:17:18,150 --> 00:17:15,600

somewhat less of a criminal than my

395

00:17:21,429 --> 00:17:18,160

criminal my preferred crew you know i

396

00:17:23,829 --> 00:17:21,439

don't i'm not choosing sides anymore

397

00:17:26,309 --> 00:17:23,839

because i believe both sides are

398

00:17:28,950 --> 00:17:26,319

criminals so it's

399

00:17:31,190 --> 00:17:28,960

me talking about politics to me like

400

00:17:33,750 --> 00:17:31,200

mike i start as soon as somebody starts

401
00:17:35,510 --> 00:17:33,760
talking about politics

402
00:17:38,230 --> 00:17:35,520
uh and i don't even want to say but we

403
00:17:40,310 --> 00:17:38,240
just had you know a vote happen right so

404
00:17:42,150 --> 00:17:40,320
that whole thing that's going on and

405
00:17:43,510 --> 00:17:42,160
people making claims about what happened

406
00:17:46,230 --> 00:17:43,520
when people were making that book i

407
00:17:48,870 --> 00:17:46,240
don't care i don't care i don't care

408
00:17:50,549 --> 00:17:48,880
because both sides are criminals

409
00:17:52,549 --> 00:17:50,559
so as soon as people start talking about

410
00:17:54,070 --> 00:17:52,559
politics or that stuff my eyes glaze

411
00:17:55,350 --> 00:17:54,080
over

412
00:17:57,350 --> 00:17:55,360
i lose

413
00:17:59,350 --> 00:17:57,360

total focus and attention on whatever

414

00:18:01,270 --> 00:17:59,360

they're saying and i hear that charlie

415

00:18:02,950 --> 00:18:01,280

brown teacher like well

416

00:18:03,750 --> 00:18:02,960

that's what i hear

417

00:18:06,070 --> 00:18:03,760

um

418

00:18:08,310 --> 00:18:06,080

and the other so the third major so

419

00:18:10,150 --> 00:18:08,320

people want an escape and i think

420

00:18:12,070 --> 00:18:10,160

as far as politics i don't care i don't

421

00:18:13,590 --> 00:18:12,080

want to argue with you if you want to go

422

00:18:15,350 --> 00:18:13,600

and argue about politics there's other

423

00:18:17,190 --> 00:18:15,360

channels there's whole channels

424

00:18:20,630 --> 00:18:17,200

dedicated that's all they do is talk

425

00:18:23,110 --> 00:18:20,640

about politics and you can pick a side

426

00:18:24,710 --> 00:18:23,120

you know if you're if you're

427

00:18:26,070 --> 00:18:24,720

one side of the criminal aisle or the

428

00:18:27,990 --> 00:18:26,080

other side of the criminal aisle there's

429

00:18:29,270 --> 00:18:28,000

people for you to go and listen to and

430

00:18:31,510 --> 00:18:29,280

do that with

431

00:18:34,070 --> 00:18:31,520

i'm not i don't want to do it here

432

00:18:38,150 --> 00:18:34,080

and uh the third major reason why i'm

433

00:18:39,909 --> 00:18:38,160

gonna ask guests or just let guests know

434

00:18:42,470 --> 00:18:39,919

and just let it be known we don't talk

435

00:18:45,669 --> 00:18:42,480

about the health crisis or politics here

436

00:18:47,909 --> 00:18:45,679

uh is because of the ai algorithm

437

00:18:50,390 --> 00:18:47,919

i could say anything

438

00:18:53,270 --> 00:18:50,400

and it could be misconstrued right even

439

00:18:56,230 --> 00:18:53,280

if i totally agree with

440

00:18:58,789 --> 00:18:56,240

this tech giant's

441

00:19:00,710 --> 00:18:58,799

version of reality right even if i

442

00:19:03,110 --> 00:19:00,720

totally agree with them i could have a

443

00:19:04,950 --> 00:19:03,120

guest come on here and say something

444

00:19:06,630 --> 00:19:04,960

like what happened to this other content

445

00:19:07,909 --> 00:19:06,640

creator whose channel was deleted this

446

00:19:11,270 --> 00:19:07,919

morning

447

00:19:13,750 --> 00:19:11,280

he didn't say those things but his guest

448

00:19:16,710 --> 00:19:13,760

it was like she came on there to make

449

00:19:19,190 --> 00:19:16,720

this happen she wrung every one of the

450

00:19:22,710 --> 00:19:19,200

bells that we've all heard about you

451
00:19:25,190 --> 00:19:22,720
don't say on that platform she was like

452
00:19:28,230 --> 00:19:25,200
going through a checklist ringing every

453
00:19:31,029 --> 00:19:28,240
one of those bells multiple times

454
00:19:32,310 --> 00:19:31,039
and the show host even commented on it

455
00:19:33,909 --> 00:19:32,320
she said well i don't know what you

456
00:19:36,070 --> 00:19:33,919
where if you want to unpack some of this

457
00:19:37,590 --> 00:19:36,080
or where you want to go next and he said

458
00:19:39,430 --> 00:19:37,600
well we can go anywhere because you've

459
00:19:42,150 --> 00:19:39,440
just said everything you're not supposed

460
00:19:44,230 --> 00:19:42,160
to say and this might get me banned

461
00:19:46,150 --> 00:19:44,240
and sadly this morning he woke up and

462
00:19:48,549 --> 00:19:46,160
his channel was gone

463
00:19:51,270 --> 00:19:48,559

and that's a terrible thing i have such

464

00:19:53,029 --> 00:19:51,280

empathy and sympathy for him you know

465

00:19:54,950 --> 00:19:53,039

and i've saw some of the chatter today

466

00:19:57,270 --> 00:19:54,960

somebody said well he let her say this

467

00:19:58,549 --> 00:19:57,280

stuff and like

468

00:20:00,549 --> 00:19:58,559

i don't know if you've ever been in a

469

00:20:02,950 --> 00:20:00,559

position of interviewing somebody and

470

00:20:04,630 --> 00:20:02,960

it's not and it's going that way you

471

00:20:06,789 --> 00:20:04,640

just got to do the best you can as a

472

00:20:09,669 --> 00:20:06,799

show host to

473

00:20:11,590 --> 00:20:09,679

move the show along and try to minimize

474

00:20:13,590 --> 00:20:11,600

the damage if you've got a guest

475

00:20:15,510 --> 00:20:13,600

spouting off about this

476
00:20:17,190 --> 00:20:15,520
and some people said well that show host

477
00:20:19,750 --> 00:20:17,200
agrees with a lot of what she said and

478
00:20:21,510 --> 00:20:19,760
that may be true i don't know

479
00:20:24,470 --> 00:20:21,520
but i do know

480
00:20:26,630 --> 00:20:24,480
that a very irresponsible person went on

481
00:20:29,750 --> 00:20:26,640
this other show host show

482
00:20:31,430 --> 00:20:29,760
literally ticked all the check boxes of

483
00:20:34,789 --> 00:20:31,440
things you're not supposed to say on

484
00:20:37,350 --> 00:20:34,799
this platform multiple times

485
00:20:40,390 --> 00:20:37,360
defiantly right

486
00:20:43,590 --> 00:20:40,400
then she also laid out her own plans to

487
00:20:46,310 --> 00:20:43,600
avoid getting strikes or whatever

488
00:20:48,070 --> 00:20:46,320

or how to you know get around youtube's

489

00:20:50,310 --> 00:20:48,080

terms of service and still be able to

490

00:20:51,270 --> 00:20:50,320

say or create the crazy [h__\h] that she

491

00:20:54,230 --> 00:20:51,280

says

492

00:20:55,750 --> 00:20:54,240

which in and of itself you're you're on

493

00:20:58,149 --> 00:20:55,760

that platform

494

00:21:01,029 --> 00:20:58,159

talking about how you're gonna evade or

495

00:21:02,870 --> 00:21:01,039

get around that platform's rules not a

496

00:21:04,470 --> 00:21:02,880

god not a good idea

497

00:21:06,470 --> 00:21:04,480

right

498

00:21:08,870 --> 00:21:06,480

that could have been what caused that

499

00:21:10,789 --> 00:21:08,880

channel's deletion maybe that platform

500

00:21:13,590 --> 00:21:10,799

doesn't want people telling other people

501
00:21:14,870 --> 00:21:13,600
how to evade or avoid their rules i

502
00:21:16,630 --> 00:21:14,880
don't know

503
00:21:18,549 --> 00:21:16,640
um so i guess

504
00:21:21,029 --> 00:21:18,559
we're just gonna have some changes here

505
00:21:22,549 --> 00:21:21,039
like uh

506
00:21:24,070 --> 00:21:22,559
like i said we're not gonna talk about

507
00:21:30,870 --> 00:21:24,080
those two subjects

508
00:21:34,870 --> 00:21:33,029
anything else is on the table especially

509
00:21:37,510 --> 00:21:34,880
strange and mysterious topics which is

510
00:21:41,350 --> 00:21:37,520
supposed to be our focus here

511
00:21:43,830 --> 00:21:41,360
the paranormal ufos cryptoid creatures

512
00:21:47,270 --> 00:21:43,840
ghosts

513
00:21:48,789 --> 00:21:47,280

stargates i don't know uh hidden history

514

00:21:50,390 --> 00:21:48,799

anything

515

00:21:52,310 --> 00:21:50,400

you know that's what we're going to be

516

00:21:55,190 --> 00:21:52,320

talking about here

517

00:21:58,630 --> 00:21:55,200

and trying to focus on and listen uh i

518

00:22:01,190 --> 00:21:58,640

know i'm guilty i veered off into some

519

00:22:02,710 --> 00:22:01,200

strange other places

520

00:22:04,950 --> 00:22:02,720

and but i feel like i did that for a

521

00:22:06,230 --> 00:22:04,960

reason like we covered the riots in the

522

00:22:08,470 --> 00:22:06,240

the neighborhood i grew up in in

523

00:22:11,750 --> 00:22:08,480

philadelphia because i was just

524

00:22:13,990 --> 00:22:11,760

shocked that nobody was talking about it

525

00:22:15,510 --> 00:22:14,000

and nobody was covering it and i thought

526
00:22:17,669 --> 00:22:15,520
somebody should

527
00:22:19,750 --> 00:22:17,679
you know but generally

528
00:22:21,830 --> 00:22:19,760
we're not a news channel here if you're

529
00:22:24,549 --> 00:22:21,840
coming to me for your news you're doing

530
00:22:27,510 --> 00:22:24,559
it wrong bro like i'm not a journalist

531
00:22:29,909 --> 00:22:27,520
i'm not a news i'm not a news source

532
00:22:32,149 --> 00:22:29,919
maybe i'm a news source about like

533
00:22:34,870 --> 00:22:32,159
what's going on in crazy land but you

534
00:22:36,149 --> 00:22:34,880
don't want to get like real news from me

535
00:22:39,750 --> 00:22:36,159
if you want to know what's going on in

536
00:22:41,590 --> 00:22:39,760
crazy land i'm i might be your guy right

537
00:22:44,230 --> 00:22:41,600
but if you want to know like what's

538
00:22:46,789 --> 00:22:44,240

going on in the world or with the

539

00:22:48,789 --> 00:22:46,799

you know current health situation

540

00:22:50,310 --> 00:22:48,799

or any of that stuff

541

00:22:53,430 --> 00:22:50,320

um

542

00:22:56,549 --> 00:22:54,950

all right we'll take some comments and

543

00:22:58,310 --> 00:22:56,559

questions no offense but getting your

544

00:22:59,990 --> 00:22:58,320

channel struck usually will have strange

545

00:23:01,270 --> 00:23:00,000

repercussions most people have gained

546

00:23:04,549 --> 00:23:01,280

bigger subs

547

00:23:09,510 --> 00:23:04,559

on their backup and rebranding

548

00:23:15,750 --> 00:23:11,669

which is what this other i do i don't

549

00:23:20,470 --> 00:23:18,549

if you get your channel deleted uh

550

00:23:22,549 --> 00:23:20,480

i'm not even sure if you're technically

551

00:23:24,470 --> 00:23:22,559

allowed to start a new channel like i

552

00:23:26,789 --> 00:23:24,480

don't know some people like alex jones i

553

00:23:28,870 --> 00:23:26,799

know for a fact alex jones after they

554

00:23:31,430 --> 00:23:28,880

deleted his channel he was told you were

555

00:23:33,830 --> 00:23:31,440

never allowed to start a new channel

556

00:23:34,950 --> 00:23:33,840

so he can't even start a new channel

557

00:23:38,470 --> 00:23:34,960

i don't know if they do that with

558

00:23:40,070 --> 00:23:38,480

everybody who gets d platformed but uh

559

00:23:41,270 --> 00:23:40,080

i have to read the terms of service

560

00:23:43,270 --> 00:23:41,280

because

561

00:23:45,430 --> 00:23:43,280

it may be that if you get your channel

562

00:23:48,149 --> 00:23:45,440

deleted and you just start a new one and

563

00:23:49,110 --> 00:23:48,159

like if i started truth seekers 2 if we

564

00:23:50,710 --> 00:23:49,120

got

565

00:23:51,590 --> 00:23:50,720

banned or deleted

566

00:23:53,590 --> 00:23:51,600

um

567

00:23:56,149 --> 00:23:53,600

would that be a violation i don't even

568

00:23:58,950 --> 00:23:56,159

know and somebody just reminded me it

569

00:24:00,630 --> 00:23:58,960

was v just reminded me thank you v that

570

00:24:02,830 --> 00:24:00,640

i was saying i don't understand the

571

00:24:05,190 --> 00:24:02,840

rules here you know and i want to be

572

00:24:08,310 --> 00:24:05,200

compliant and she said that there's some

573

00:24:11,269 --> 00:24:08,320

guidance in the terms of service so

574

00:24:12,470 --> 00:24:11,279

i'm gonna go back to youtube school

575

00:24:14,710 --> 00:24:12,480

and i'm gonna

576

00:24:18,789 --> 00:24:14,720

there i i saw there are some videos

577

00:24:21,269 --> 00:24:18,799

about what is and what is not within

578

00:24:23,750 --> 00:24:21,279

the rules here

579

00:24:24,870 --> 00:24:23,760

and i realized uh you know i mentioned

580

00:24:26,310 --> 00:24:24,880

this to

581

00:24:29,190 --> 00:24:26,320

uh

582

00:24:31,990 --> 00:24:29,200

i mentioned this to me like

583

00:24:33,750 --> 00:24:32,000

i haven't read those terms so come on

584

00:24:36,310 --> 00:24:33,760

who reads i haven't read those terms of

585

00:24:38,390 --> 00:24:36,320

service since i got a strike on my

586

00:24:41,190 --> 00:24:38,400

original channel

587

00:24:43,190 --> 00:24:42,310

and

588

00:24:46,630 --> 00:24:43,200

that was

589

00:24:48,470 --> 00:24:46,640

probably five or eight years ago i read

590

00:24:50,630 --> 00:24:48,480

sometimes i read when they email you

591

00:24:52,549 --> 00:24:50,640

we've updated our terms of service like

592

00:24:54,470 --> 00:24:52,559

once in a while i'll skim through that

593

00:24:56,870 --> 00:24:54,480

and see like what are the changes here

594

00:24:59,510 --> 00:24:56,880

do i have to worry about any of this

595

00:25:00,870 --> 00:24:59,520

but generally like a lot of people i

596

00:25:01,830 --> 00:25:00,880

don't have the mental bandwidth for

597

00:25:03,510 --> 00:25:01,840

things

598

00:25:05,590 --> 00:25:03,520

you know i just

599

00:25:08,070 --> 00:25:05,600

have ignored that i have to re and i

600

00:25:08,950 --> 00:25:08,080

want to be in compliance right and

601
00:25:11,510 --> 00:25:08,960
listen

602
00:25:17,029 --> 00:25:14,230
if i make a mistake or i do something

603
00:25:18,710 --> 00:25:17,039
intentionally against the rules

604
00:25:21,750 --> 00:25:18,720
then i would understand them taking

605
00:25:24,470 --> 00:25:21,760
action against me but

606
00:25:26,710 --> 00:25:24,480
i at this point i'm not sure what is

607
00:25:28,870 --> 00:25:26,720
permissible what is not permissible what

608
00:25:30,390 --> 00:25:28,880
is within the terms of service what is

609
00:25:32,310 --> 00:25:30,400
against the terms of service what is

610
00:25:34,789 --> 00:25:32,320
within community guidelines what is

611
00:25:36,470 --> 00:25:34,799
without or against community guidelines

612
00:25:38,310 --> 00:25:36,480
i'm not even sure

613
00:25:40,549 --> 00:25:38,320

and and part of the reason is because

614

00:25:42,630 --> 00:25:40,559

there's all these changes that they keep

615

00:25:45,830 --> 00:25:42,640

making and i guess

616

00:25:47,590 --> 00:25:45,840

it's not their fault like they have to

617

00:25:49,110 --> 00:25:47,600

update as things

618

00:25:50,549 --> 00:25:49,120

uh go on

619

00:25:51,830 --> 00:25:50,559

and uh

620

00:25:54,470 --> 00:25:51,840

you know there's a lot of discussion

621

00:25:59,590 --> 00:25:56,630

you know

622

00:26:02,230 --> 00:25:59,600

biases with these tech companies and

623

00:26:03,750 --> 00:26:02,240

yeah all companies are biased

624

00:26:06,310 --> 00:26:03,760

they want the guy in office that's going

625

00:26:07,110 --> 00:26:06,320

to do the best for their company that's

626
00:26:11,750 --> 00:26:07,120
that's

627
00:26:14,149 --> 00:26:11,760
right so

628
00:26:17,029 --> 00:26:14,159
it just is what it is

629
00:26:21,269 --> 00:26:17,039
so you know i guess here uh we'll go to

630
00:26:25,830 --> 00:26:22,710
i did not

631
00:26:28,149 --> 00:26:25,840
leave beltman uh yeah about the backup

632
00:26:31,029 --> 00:26:28,159
channel before they yeah i don't even

633
00:26:37,669 --> 00:26:31,039
put that up on the screen right

634
00:26:37,679 --> 00:26:44,870
yeah and i guess we'll do that too

635
00:26:49,590 --> 00:26:47,350
triple hashtags are working with others

636
00:26:50,950 --> 00:26:49,600
to get things to trend on twitter and

637
00:26:52,470 --> 00:26:50,960
all the jazz

638
00:26:55,669 --> 00:26:52,480

yeah

639

00:26:57,750 --> 00:26:55,679

and you know uh the other thing i should

640

00:26:59,510 --> 00:26:57,760

mention is that the cabin is snowed out

641

00:27:00,870 --> 00:26:59,520

which i'm that's why i'm still home i

642

00:27:01,750 --> 00:27:00,880

was supposed to be in the cabin right

643

00:27:04,470 --> 00:27:01,760

now

644

00:27:07,750 --> 00:27:04,480

but the uh road leading to the cabin is

645

00:27:09,430 --> 00:27:07,760

snowed out and

646

00:27:10,549 --> 00:27:09,440

it's going to take them uh until

647

00:27:14,950 --> 00:27:10,559

tomorrow

648

00:27:17,510 --> 00:27:14,960

morning to plow

649

00:27:20,630 --> 00:27:17,520

and uh clear the path

650

00:27:23,029 --> 00:27:20,640

so i'll be able to even get to the cabin

651
00:27:26,870 --> 00:27:23,039
um there's about six inches of snow

652
00:27:29,830 --> 00:27:28,630
that's when my car has a little bit of

653
00:27:31,269 --> 00:27:29,840
trouble

654
00:27:32,950 --> 00:27:31,279
you know if it's a couple inches it's

655
00:27:35,269 --> 00:27:32,960
not a big deal you know i just take it

656
00:27:36,390 --> 00:27:35,279
real slow put the traction control on i

657
00:27:37,830 --> 00:27:36,400
don't have four wheel drive but i have

658
00:27:39,590 --> 00:27:37,840
traction control

659
00:27:40,710 --> 00:27:39,600
but one time when there were six inches

660
00:27:43,190 --> 00:27:40,720
of snow

661
00:27:45,590 --> 00:27:43,200
as slow as i was going i still slid down

662
00:27:48,149 --> 00:27:45,600
a hill and i ended up in a ditch

663
00:27:50,070 --> 00:27:48,159

and it took a uh a tow truck how to come

664

00:27:52,390 --> 00:27:50,080

with these winches and like with these

665

00:27:53,510 --> 00:27:52,400

two metal things and like pull me out of

666

00:27:56,630 --> 00:27:53,520

the ditch

667

00:27:58,630 --> 00:27:56,640

um so when there's that much snow

668

00:28:00,230 --> 00:27:58,640

uh you know i have a neighbor that calls

669

00:28:02,149 --> 00:28:00,240

me and says like yeah you might want to

670

00:28:03,830 --> 00:28:02,159

come in tomorrow not today because it's

671

00:28:07,830 --> 00:28:03,840

still a mess out there

672

00:28:12,549 --> 00:28:10,870

i failed i bailed on going i chickened

673

00:28:15,269 --> 00:28:12,559

out and uh

674

00:28:17,430 --> 00:28:15,279

you know sometimes i'm regretful because

675

00:28:19,430 --> 00:28:17,440

i had to buy a new vehicle like last

676

00:28:20,950 --> 00:28:19,440

year and uh i really looked for a four

677

00:28:23,029 --> 00:28:20,960

wheel drive vehicle but it just wasn't

678

00:28:25,190 --> 00:28:23,039

in the budget so i settled for traction

679

00:28:25,909 --> 00:28:25,200

control and when days like this happen i

680

00:28:31,590 --> 00:28:25,919

go

681

00:28:33,269 --> 00:28:31,600

freaking four-wheel drive because

682

00:28:38,710 --> 00:28:33,279

six inches of snow if you got four wheel

683

00:28:38,720 --> 00:28:42,870

so uh

684

00:28:46,389 --> 00:28:44,950

we'll go to the live chat there's

685

00:28:48,149 --> 00:28:46,399

another way to put the account under

686

00:28:49,990 --> 00:28:48,159

another person says owner so they can

687

00:28:52,070 --> 00:28:50,000

say technically they don't own it yeah i

688

00:28:53,510 --> 00:28:52,080

guess there's always way around these

689

00:29:02,830 --> 00:28:53,520

things but

690

00:29:02,840 --> 00:29:11,430

[Music]

691

00:29:15,669 --> 00:29:13,190

need that rocket mass heater put in

692

00:29:17,669 --> 00:29:15,679

already

693

00:29:19,269 --> 00:29:17,679

yeah i have one room left to build for

694

00:29:22,470 --> 00:29:19,279

the cabin after the sunroom and that's

695

00:29:25,590 --> 00:29:22,480

going to be a studio and i may build

696

00:29:28,230 --> 00:29:25,600

a rock mass a rocket mass heater

697

00:29:30,230 --> 00:29:28,240

i'm fascinated by what little

698

00:29:33,669 --> 00:29:30,240

firewood those things take and that

699

00:29:35,830 --> 00:29:33,679

might be on my list of things to do

700

00:29:37,510 --> 00:29:35,840

youtube does nothing about socks

701
00:29:39,510 --> 00:29:37,520
accounts at all people create hundreds

702
00:29:40,950 --> 00:29:39,520
of them that is so obviously wrong but

703
00:29:42,710 --> 00:29:40,960
it makes youtube look like they have

704
00:29:43,909 --> 00:29:42,720
lots of users when a fair amount or

705
00:29:44,950 --> 00:29:43,919
sucks

706
00:29:47,190 --> 00:29:44,960
could be

707
00:29:58,470 --> 00:29:47,200
yeah

708
00:30:02,389 --> 00:30:01,430
jeanette krazenko how many feet

709
00:30:04,070 --> 00:30:02,399
uh

710
00:30:06,070 --> 00:30:04,080
what

711
00:30:08,710 --> 00:30:06,080
do you mean how many feet for the last

712
00:30:11,269 --> 00:30:08,720
room i have to build

713
00:30:12,789 --> 00:30:11,279

i'm not sure i understand

714

00:30:16,950 --> 00:30:12,799

there should be one account per email

715

00:30:21,430 --> 00:30:19,750

actually i thought you had to have a

716

00:30:22,950 --> 00:30:21,440

separate google account to start a

717

00:30:25,830 --> 00:30:22,960

youtube account

718

00:30:27,830 --> 00:30:25,840

i didn't know that you could have

719

00:30:30,070 --> 00:30:27,840

yeah i guess maybe you can right can you

720

00:30:33,269 --> 00:30:30,080

have multiple youtube channels on one

721

00:30:36,710 --> 00:30:35,029

it's impossible to get to my pops pad

722

00:30:38,549 --> 00:30:36,720

during winter months some years the one

723

00:30:40,630 --> 00:30:38,559

road that leads into this town is steep

724

00:30:43,990 --> 00:30:40,640

and there's some yeah mine too it's like

725

00:30:45,590 --> 00:30:44,000

a winding mountain road so

726

00:30:47,350 --> 00:30:45,600

it's fine in the

727

00:30:51,830 --> 00:30:47,360

in the warm months but in the winter

728

00:30:54,230 --> 00:30:51,840

it's a little treacherous and uh

729

00:30:56,470 --> 00:30:54,240

i have to say michael i was a lot braver

730

00:30:58,389 --> 00:30:56,480

before i went in a ditch right because

731

00:31:00,470 --> 00:30:58,399

when i went in that ditch like i wasn't

732

00:31:02,310 --> 00:31:00,480

going that fast i was doing five miles

733

00:31:04,310 --> 00:31:02,320

an hour and i don't even think there was

734

00:31:06,389 --> 00:31:04,320

six inches there was maybe three but it

735

00:31:09,269 --> 00:31:06,399

was like pretty compact down and i think

736

00:31:12,630 --> 00:31:09,279

i hit an ice patch and i just slid down

737

00:31:15,190 --> 00:31:12,640

this hill and swerved and hit a tree an

738

00:31:16,830 --> 00:31:15,200

embankment you know like

739

00:31:20,310 --> 00:31:16,840

um

740

00:31:24,149 --> 00:31:20,320

yeah so after that happened i became a

741

00:31:26,950 --> 00:31:24,159

lot more cowardly right and i

742

00:31:28,710 --> 00:31:26,960

get a neighbor who lives across he has

743

00:31:30,710 --> 00:31:28,720

the he has the

744

00:31:32,549 --> 00:31:30,720

i have like the richest neighbor in the

745

00:31:35,590 --> 00:31:32,559

neighborhood right across from me he has

746

00:31:38,310 --> 00:31:35,600

like a big real house like a big 3 000

747

00:31:40,310 --> 00:31:38,320

square foot a big real house you know

748

00:31:42,950 --> 00:31:40,320

over there

749

00:31:45,269 --> 00:31:42,960

and uh he calls me and he like lets me

750

00:31:47,990 --> 00:31:45,279

know and he he's got a four-wheel drive

751

00:31:49,590 --> 00:31:48,000

truck but he knows like if his wife is

752

00:31:51,909 --> 00:31:49,600

gonna have problems getting in and out

753

00:31:54,630 --> 00:31:51,919

with her car so will i so he calls me

754

00:31:56,149 --> 00:31:54,640

and lets me know

755

00:31:57,269 --> 00:31:56,159

they don't mind dirty socks so much

756

00:31:59,029 --> 00:31:57,279

anymore

757

00:32:01,190 --> 00:31:59,039

they all chat the same way so it's to

758

00:32:03,269 --> 00:32:01,200

find out what hater group they're from

759

00:32:04,710 --> 00:32:03,279

if you ask the right questions that is

760

00:32:06,389 --> 00:32:04,720

oh geez

761

00:32:11,350 --> 00:32:06,399

yeah all these troll games lee

762

00:32:15,909 --> 00:32:13,430

six design i have four-wheel drive i

763

00:32:17,990 --> 00:32:15,919

need it yeah i think i do too my next

764

00:32:19,990 --> 00:32:18,000

vehicle i don't care what it costs i

765

00:32:21,029 --> 00:32:20,000

i'll just wait and save up whatever

766

00:32:22,710 --> 00:32:21,039

whatever

767

00:32:24,389 --> 00:32:22,720

my next car is gonna have four-wheel

768

00:32:26,070 --> 00:32:24,399

drive i would

769

00:32:27,350 --> 00:32:26,080

i wanted to buy a four wheel drive truck

770

00:32:29,110 --> 00:32:27,360

but the problem with that is that my

771

00:32:30,310 --> 00:32:29,120

wife's so concerned with the children

772

00:32:33,509 --> 00:32:30,320

and trucks

773

00:32:35,350 --> 00:32:33,519

pickup trucks are not ideal for uh car

774

00:32:37,350 --> 00:32:35,360

seats and having children and even if

775

00:32:38,470 --> 00:32:37,360

you get a double cab

776

00:32:40,389 --> 00:32:38,480

um

777

00:32:42,470 --> 00:32:40,399

and the ones that were affordable that i

778

00:32:44,389 --> 00:32:42,480

saw were pretty beat up and

779

00:32:45,990 --> 00:32:44,399

she was like no i don't think so and

780

00:32:48,310 --> 00:32:46,000

plus she doesn't want to drive a pickup

781

00:32:50,870 --> 00:32:48,320

truck because occasionally you know she

782

00:32:52,710 --> 00:32:50,880

has her own vehicle but if her vehicle's

783

00:32:54,389 --> 00:32:52,720

in the shop and she needs mine to get to

784

00:32:56,710 --> 00:32:54,399

work or you know so it's got to be a

785

00:33:03,029 --> 00:32:56,720

vehicle that she is okay with driving

786

00:33:07,269 --> 00:33:05,750

so any questions or comments uh i guess

787

00:33:09,590 --> 00:33:07,279

we'll open the phone lines too if

788

00:33:11,669 --> 00:33:09,600

anybody wants to call in and i'm sorry

789

00:33:13,750 --> 00:33:11,679

i'm sorry i just kind of started this

790

00:33:16,710 --> 00:33:13,760

whole show it's like a big downer i'm

791

00:33:19,269 --> 00:33:16,720

feeling very somber today and very like

792

00:33:20,950 --> 00:33:19,279

i'm sad for my friend that lost his

793

00:33:22,389 --> 00:33:20,960

channel because he may have lost his

794

00:33:25,509 --> 00:33:22,399

entire

795

00:33:26,789 --> 00:33:25,519

library of videos which made me go

796

00:33:32,470 --> 00:33:26,799

oh

797

00:33:33,830 --> 00:33:32,480

yeah i should and i'm not

798

00:33:35,909 --> 00:33:33,840

because

799

00:33:38,870 --> 00:33:35,919

you know previous to all of this youtube

800

00:33:40,950 --> 00:33:38,880

stuff like you just knew that that video

801
00:33:42,230 --> 00:33:40,960
is gonna be there forever

802
00:33:44,389 --> 00:33:42,240
um

803
00:33:46,789 --> 00:33:44,399
i have to check though i think facebook

804
00:33:49,269 --> 00:33:46,799
just leaves them forever uh twitch only

805
00:33:51,590 --> 00:33:49,279
leaves them for five days and then they

806
00:33:53,029 --> 00:33:51,600
disappear from twitch

807
00:33:55,029 --> 00:33:53,039
oh and uh

808
00:33:57,430 --> 00:33:55,039
here i'm gonna i'm gonna do something

809
00:33:58,870 --> 00:33:57,440
else so if anybody here's another bit of

810
00:34:01,750 --> 00:33:58,880
business that we have to get out of the

811
00:34:04,789 --> 00:34:01,760
way so because this other youtube

812
00:34:07,029 --> 00:34:04,799
content creators channel got deleted for

813
00:34:09,109 --> 00:34:07,039

having this

814

00:34:10,550 --> 00:34:09,119
conspiracy theorist who was

815

00:34:12,310 --> 00:34:10,560
sadly

816

00:34:14,550 --> 00:34:12,320
counting you know all kinds of

817

00:34:16,950 --> 00:34:14,560
misinformation and false statements

818

00:34:19,030 --> 00:34:16,960
their channel got deleted

819

00:34:20,710 --> 00:34:19,040
and we did a video yesterday where we

820

00:34:23,909 --> 00:34:20,720
were making fun of her and the

821

00:34:26,149 --> 00:34:23,919
statements that she was making but again

822

00:34:28,310 --> 00:34:26,159
i have zero confidence that the youtube

823

00:34:30,790 --> 00:34:28,320
algorithm is going to understand that we

824

00:34:32,710 --> 00:34:30,800
were critiquing and saying that she's

825

00:34:34,710 --> 00:34:32,720
crazy or you know she shouldn't be

826

00:34:36,389 --> 00:34:34,720

making i even said that she's making

827

00:34:37,990 --> 00:34:36,399

irresponsible statements when she

828

00:34:40,389 --> 00:34:38,000

started to get into the care and health

829

00:34:42,149 --> 00:34:40,399

crisis she's not a doctor she's not a

830

00:34:43,909 --> 00:34:42,159

nurse she's not a health expert she

831

00:34:45,990 --> 00:34:43,919

shouldn't be giving people advice on

832

00:34:47,510 --> 00:34:46,000

anything to do with health

833

00:34:48,950 --> 00:34:47,520

and i said that was irresponsible but

834

00:34:51,109 --> 00:34:48,960

the point being

835

00:34:53,510 --> 00:34:51,119

that the algorithm doesn't know they

836

00:34:54,869 --> 00:34:53,520

don't know that i'm saying i disagree

837

00:34:57,109 --> 00:34:54,879

with her saying this and she's

838

00:34:59,430 --> 00:34:57,119

irresponsible and people could get hurt

839

00:35:01,510 --> 00:34:59,440

if they listen to her terrible advice

840

00:35:02,950 --> 00:35:01,520

right the algorithm doesn't know but

841

00:35:04,870 --> 00:35:02,960

they might have heard her in there

842

00:35:08,069 --> 00:35:04,880

saying what she said

843

00:35:10,630 --> 00:35:08,079

and therefore delete my channel

844

00:35:13,589 --> 00:35:10,640

so i marked that

845

00:35:15,829 --> 00:35:13,599

uh show from yesterday private

846

00:35:17,910 --> 00:35:15,839

if however you missed it and would still

847

00:35:20,310 --> 00:35:17,920

like to uh

848

00:35:22,230 --> 00:35:20,320

still like to view that show

849

00:35:25,270 --> 00:35:22,240

it's still available on twitch and it's

850

00:35:27,430 --> 00:35:25,280

still available on my facebook uh we

851
00:35:29,750 --> 00:35:27,440
stream to three locations

852
00:35:31,910 --> 00:35:29,760
apparently twitch doesn't really

853
00:35:33,910 --> 00:35:31,920
they don't censor videos i don't think

854
00:35:38,230 --> 00:35:33,920
that they have the

855
00:35:39,829 --> 00:35:38,240
capability or the resources to do

856
00:35:42,069 --> 00:35:39,839
especially the

857
00:35:43,750 --> 00:35:42,079
you know artificially intelligent bots

858
00:35:44,710 --> 00:35:43,760
that are going around checking videos

859
00:35:48,630 --> 00:35:44,720
for

860
00:35:52,710 --> 00:35:51,270
i don't think they have the resources or

861
00:35:53,910 --> 00:35:52,720
the

862
00:35:55,990 --> 00:35:53,920
you know

863
00:35:57,670 --> 00:35:56,000

tools available to them to censor people

864

00:35:59,510 --> 00:35:57,680

in the same way so

865

00:36:01,670 --> 00:35:59,520

things are a little safer

866

00:36:03,670 --> 00:36:01,680

to stay on twitch so the link to that

867

00:36:05,670 --> 00:36:03,680

video and it'll be on twitch for

868

00:36:07,750 --> 00:36:05,680

four more days i'm putting in a live

869

00:36:11,109 --> 00:36:07,760

chat just in case you missed it and you

870

00:36:14,470 --> 00:36:13,109

it is what it is uh otherwise it'll be

871

00:36:16,230 --> 00:36:14,480

on facebook

872

00:36:17,670 --> 00:36:16,240

later tonight i'm going to download the

873

00:36:18,950 --> 00:36:17,680

video

874

00:36:20,130 --> 00:36:18,960

um

875

00:36:21,430 --> 00:36:20,140

and i'm going to

876

00:36:23,910 --> 00:36:21,440

[Music]

877

00:36:26,710 --> 00:36:23,920

put put it on a google drive and send

878

00:36:28,310 --> 00:36:26,720

the link to the patreon people

879

00:36:30,310 --> 00:36:28,320

um

880

00:36:31,829 --> 00:36:30,320

you know robin eagle song i think d live

881

00:36:32,710 --> 00:36:31,839

is pretty decent yeah i've heard that

882

00:36:35,750 --> 00:36:32,720

too

883

00:36:37,829 --> 00:36:35,760

and and this gets into um

884

00:36:40,150 --> 00:36:37,839

chris michael her channel is still up

885

00:36:40,870 --> 00:36:40,160

yeah her channel's still up but she got

886

00:36:42,950 --> 00:36:40,880

that

887

00:36:43,829 --> 00:36:42,960

other show's

888

00:36:44,710 --> 00:36:43,839

channel

889

00:36:49,510 --> 00:36:44,720

just

890

00:36:51,750 --> 00:36:49,520

internet webverse

891

00:36:55,270 --> 00:36:51,760

so and that's probably that's one of the

892

00:36:56,870 --> 00:36:55,280

reasons why i'm a little sad because

893

00:37:00,069 --> 00:36:56,880

like i said there but for the grace of

894

00:37:01,990 --> 00:37:00,079

god go i i don't know i could listen i

895

00:37:04,069 --> 00:37:02,000

could have a guest come on and say all

896

00:37:05,430 --> 00:37:04,079

kinds of stuff

897

00:37:06,870 --> 00:37:05,440

and then i'm going to be held

898

00:37:08,550 --> 00:37:06,880

responsible for the things coming out of

899

00:37:10,150 --> 00:37:08,560

somebody else's mouth

900

00:37:11,670 --> 00:37:10,160

even if i disagree with the things that

901
00:37:13,190 --> 00:37:11,680
came out of their mouth and say i

902
00:37:15,109 --> 00:37:13,200
disagree with them

903
00:37:16,710 --> 00:37:15,119
it's just this

904
00:37:19,030 --> 00:37:16,720
this is not good

905
00:37:21,349 --> 00:37:19,040
it's not good for creative people

906
00:37:23,349 --> 00:37:21,359
because now every time i do something

907
00:37:25,910 --> 00:37:23,359
here i have to stop

908
00:37:28,470 --> 00:37:25,920
and think about if there's going to be

909
00:37:30,069 --> 00:37:28,480
repercussions from anything that i say

910
00:37:31,829 --> 00:37:30,079
anything that i do could that be

911
00:37:34,550 --> 00:37:31,839
misconstrued

912
00:37:35,589 --> 00:37:34,560
um you know part of me thinks maybe this

913
00:37:37,270 --> 00:37:35,599

is good

914

00:37:39,270 --> 00:37:37,280

maybe this is like a wake-up call i

915

00:37:41,150 --> 00:37:39,280

gotta stop being such a clown and start

916

00:37:43,270 --> 00:37:41,160

being a little more professional in my

917

00:37:45,349 --> 00:37:43,280

presentations right

918

00:37:47,510 --> 00:37:45,359

um or do people come here to see me

919

00:37:49,510 --> 00:37:47,520

clown around and just make fun of a lot

920

00:37:52,390 --> 00:37:49,520

of this stuff

921

00:37:53,430 --> 00:37:52,400

um yeah oh yeah michael i replied to

922

00:37:56,069 --> 00:37:53,440

your

923

00:37:58,230 --> 00:37:56,079

yeah uh two engines failed before the

924

00:38:00,069 --> 00:37:58,240

belly flop it was expected but wow that

925

00:38:02,630 --> 00:38:00,079

thing was quite a sight to behold and

926

00:38:05,270 --> 00:38:02,640

he's talking about spacex's

927

00:38:07,510 --> 00:38:05,280

uh launched today which i watched with

928

00:38:10,150 --> 00:38:07,520

great interests because that thing looks

929

00:38:11,990 --> 00:38:10,160

like a rocket ship from flash gordon

930

00:38:15,030 --> 00:38:12,000

isn't it beautiful michael i love that

931

00:38:17,990 --> 00:38:15,040

design i think it's a great design

932

00:38:21,270 --> 00:38:18,000

and i saw michael comment on like oh

933

00:38:25,829 --> 00:38:23,190

the high altitude flight test today went

934

00:38:27,670 --> 00:38:25,839

very well for spacex when it was going

935

00:38:31,270 --> 00:38:27,680

up

936

00:38:33,589 --> 00:38:31,280

and then it even went well right to it

937

00:38:35,430 --> 00:38:33,599

looked like it was 50 feet off the

938

00:38:38,630 --> 00:38:35,440

launch pad

939

00:38:40,710 --> 00:38:38,640

coming down it came down and you know it

940

00:38:42,150 --> 00:38:40,720

it goes up to its apex and then it

941

00:38:44,069 --> 00:38:42,160

turned

942

00:38:45,589 --> 00:38:44,079

and then the engines reignite for the

943

00:38:47,990 --> 00:38:45,599

recovery and it's supposed to be coming

944

00:38:49,750 --> 00:38:48,000

down and it did

945

00:38:51,270 --> 00:38:49,760

everything looked beautiful

946

00:38:53,829 --> 00:38:51,280

i thought it was going to touch down i

947

00:38:56,870 --> 00:38:53,839

thought they were going to have you know

948

00:38:59,510 --> 00:38:56,880

total success um i heard later that yeah

949

00:39:02,150 --> 00:38:59,520

they expected that it might have issues

950

00:39:05,030 --> 00:39:02,160

with the landing so it looked to me like

951
00:39:07,270 --> 00:39:05,040
50 feet before touchdown something went

952
00:39:08,470 --> 00:39:07,280
wrong and it exploded

953
00:39:09,270 --> 00:39:08,480
uh

954
00:39:11,589 --> 00:39:09,280
but

955
00:39:14,470 --> 00:39:11,599
congratulations though to spacex and

956
00:39:16,710 --> 00:39:14,480
elon musk and the whole spacex team it's

957
00:39:18,150 --> 00:39:16,720
progress and i said to michael earlier

958
00:39:19,829 --> 00:39:18,160
this is all part of research and

959
00:39:22,550 --> 00:39:19,839
development and they'll get it next time

960
00:39:25,270 --> 00:39:22,560
they'll nail it next time i'm confident

961
00:39:27,510 --> 00:39:25,280
that that thing's going to work

962
00:39:30,390 --> 00:39:27,520
musk besides musk he's got some of the

963
00:39:33,829 --> 00:39:30,400

greatest rocket brains in the world

964

00:39:35,829 --> 00:39:33,839

working in spacex now he got people to

965

00:39:39,030 --> 00:39:35,839

just quit nasa to work for him because

966

00:39:41,349 --> 00:39:39,040

he's actually doing something

967

00:39:42,870 --> 00:39:41,359

and that was the good news today and i

968

00:39:44,230 --> 00:39:42,880

post on my twitter in case you want to

969

00:39:45,670 --> 00:39:44,240

see the launch

970

00:39:48,390 --> 00:39:45,680

it's on my twitter

971

00:39:50,870 --> 00:39:48,400

um that was the good news today we're

972

00:39:51,670 --> 00:39:50,880

moving forward with some sort of vision

973

00:39:53,750 --> 00:39:51,680

for

974

00:39:55,589 --> 00:39:53,760

the exploration of space

975

00:39:57,750 --> 00:39:55,599

it's unfortunate that private company

976

00:39:59,910 --> 00:39:57,760

has to do it and nasa is pretty much

977

00:40:01,829 --> 00:39:59,920

being left in the dust by private

978

00:40:03,670 --> 00:40:01,839

companies now

979

00:40:07,510 --> 00:40:03,680

it makes me sad because i grew up with

980

00:40:11,270 --> 00:40:08,950

i don't know i don't know what they're

981

00:40:15,270 --> 00:40:11,280

doing i don't know what nasa is doing i

982

00:40:18,950 --> 00:40:17,109

i did not know this live shows are much

983

00:40:20,710 --> 00:40:18,960

more prone to total bands where

984

00:40:33,270 --> 00:40:20,720

otherwise a recorded show might give you

985

00:40:37,670 --> 00:40:35,270

i would sell my soul for a shot to walk

986

00:40:39,430 --> 00:40:37,680

on the martian surface

987

00:40:41,109 --> 00:40:39,440

i've always been fascinated with mars

988

00:40:44,230 --> 00:40:41,119

since i was a child

989

00:40:46,390 --> 00:40:44,240

uh and i was very curious about

990

00:40:48,710 --> 00:40:46,400

mars growing up and whether we could

991

00:40:51,030 --> 00:40:48,720

turn it into an earth-like planet and

992

00:40:53,990 --> 00:40:51,040

later found out that yeah we we could

993

00:40:56,069 --> 00:40:54,000

terraform mars and it could become

994

00:40:56,790 --> 00:40:56,079

very very earth-like with the exception

995

00:41:00,230 --> 00:40:56,800

of

996

00:41:02,230 --> 00:41:00,240

slightly different gravity it's its day

997

00:41:03,109 --> 00:41:02,240

is even just about as long as an earth

998

00:41:04,390 --> 00:41:03,119

day

999

00:41:06,550 --> 00:41:04,400

you know

1000

00:41:08,230 --> 00:41:06,560

the big issue there michael is that they

1001
00:41:09,910 --> 00:41:08,240
they'd have to release huge amounts of

1002
00:41:12,870 --> 00:41:09,920
carbon dioxide

1003
00:41:16,630 --> 00:41:12,880
in order to hold heat in and make the

1004
00:41:18,069 --> 00:41:16,640
habitat for you know plants and people

1005
00:41:20,630 --> 00:41:18,079
um but

1006
00:41:23,030 --> 00:41:20,640
here's the thing we're great at co2

1007
00:41:23,990 --> 00:41:23,040
emissions so i think someday mars will

1008
00:41:28,309 --> 00:41:24,000
be

1009
00:41:31,750 --> 00:41:28,319
there without breathers or any of that

1010
00:41:35,829 --> 00:41:33,589
oh i didn't know that tiff's co-worker

1011
00:41:39,430 --> 00:41:35,839
hubby works at spacex as some rocket

1012
00:41:43,589 --> 00:41:41,270
you know i always wanted to be a rocket

1013
00:41:45,750 --> 00:41:43,599

scientist just so i could constantly say

1014

00:41:48,710 --> 00:41:45,760

it doesn't take a rocket scientist to do

1015

00:41:51,270 --> 00:41:48,720

this you know

1016

00:41:54,550 --> 00:41:51,280

and uh michael growing up i was really

1017

00:41:56,630 --> 00:41:54,560

big into model rockets i built huge big

1018

00:41:58,390 --> 00:41:56,640

model rockets

1019

00:42:01,670 --> 00:41:58,400

the biggest one i ever built was bigger

1020

00:42:03,510 --> 00:42:01,680

than me and i'm 6'3 6'4

1021

00:42:06,309 --> 00:42:03,520

so i think i think the biggest one i

1022

00:42:10,470 --> 00:42:06,319

ever built was like seven foot tall

1023

00:42:12,550 --> 00:42:10,480

and uh used sugar rocket engine

1024

00:42:16,710 --> 00:42:12,560

um but i got in trouble for that one

1025

00:42:19,349 --> 00:42:16,720

because it was well well bigger than

1026

00:42:25,510 --> 00:42:19,359

a hobby level thing

1027

00:42:29,190 --> 00:42:27,030

wow i didn't know this charles and lee

1028

00:42:31,190 --> 00:42:29,200

says mars has three breasted women and

1029

00:42:46,150 --> 00:42:31,200

johnny cabs oh you're talking about

1030

00:42:50,790 --> 00:42:48,309

so any comments or questions otherwise i

1031

00:42:51,750 --> 00:42:50,800

guess we'll make this a short show

1032

00:42:54,309 --> 00:42:51,760

today

1033

00:42:55,750 --> 00:42:54,319

bunya is there life on mars

1034

00:42:57,349 --> 00:42:55,760

i believe that there's at least

1035

00:42:59,109 --> 00:42:57,359

microbial life

1036

00:43:01,589 --> 00:42:59,119

i don't think that there's uh you know

1037

00:43:03,750 --> 00:43:01,599

intelligent life there may have at one

1038

00:43:05,270 --> 00:43:03,760

point a lot of people believe that mars

1039

00:43:07,109 --> 00:43:05,280

was once very earth-like and then

1040

00:43:08,790 --> 00:43:07,119

something happened and their atmosphere

1041

00:43:10,630 --> 00:43:08,800

is gone

1042

00:43:12,390 --> 00:43:10,640

and there are some conspiracy theories

1043

00:43:15,190 --> 00:43:12,400

that there's some evidence on the

1044

00:43:17,990 --> 00:43:15,200

martian surface of

1045

00:43:19,829 --> 00:43:18,000

radioactivity so maybe

1046

00:43:21,109 --> 00:43:19,839

some people have theorized that there

1047

00:43:23,349 --> 00:43:21,119

has been

1048

00:43:25,349 --> 00:43:23,359

in the distant past of mars if there was

1049

00:43:27,510 --> 00:43:25,359

intelligent life maybe they

1050

00:43:29,270 --> 00:43:27,520

developed a civilization discovered the

1051
00:43:30,550 --> 00:43:29,280
atomic bomb and then destroyed their

1052
00:43:35,670 --> 00:43:30,560
world

1053
00:43:42,150 --> 00:43:38,390
rds is pimping out the sex slaves up

1054
00:43:46,069 --> 00:43:44,069
yeah that's where that's where they send

1055
00:43:48,390 --> 00:43:46,079
the sex slaves leave eltman they send

1056
00:43:53,349 --> 00:43:48,400
them to the martian colony it's a secret

1057
00:43:57,910 --> 00:43:55,190
prank magic is here and prank magic is

1058
00:43:59,829 --> 00:43:57,920
going to be on our show friday at 8pm

1059
00:44:02,069 --> 00:43:59,839
eastern standard time

1060
00:44:04,630 --> 00:44:02,079
and uh hopefully that show will be much

1061
00:44:06,829 --> 00:44:04,640
less of a downer we'll be talking about

1062
00:44:09,510 --> 00:44:06,839
songwriting and his concept of

1063
00:44:10,790 --> 00:44:09,520

audiomancy which i'm kind of fascinated

1064

00:44:11,750 --> 00:44:10,800

with

1065

00:44:13,829 --> 00:44:11,760

and

1066

00:44:17,589 --> 00:44:13,839

i've been thinking a lot about that

1067

00:44:40,150 --> 00:44:18,470

i

1068

00:44:43,109 --> 00:44:40,160

started

1069

00:44:45,349 --> 00:44:43,119

playing this keyboard again and uh

1070

00:44:46,470 --> 00:44:45,359

messing with guitars again and like what

1071

00:44:49,430 --> 00:44:46,480

is it

1072

00:44:52,150 --> 00:44:49,440

that i like here and uh

1073

00:44:54,150 --> 00:44:52,160

looking for sounds

1074

00:44:55,349 --> 00:44:54,160

i could get dangerous i guess now

1075

00:44:58,069 --> 00:44:55,359

because

1076

00:44:59,910 --> 00:44:58,079

i just started collecting samples again

1077

00:45:02,390 --> 00:44:59,920

by that i mean like bass drum samples

1078

00:45:03,589 --> 00:45:02,400

snare samples hi-hat samples that's what

1079

00:45:05,430 --> 00:45:03,599

i used to build

1080

00:45:07,349 --> 00:45:05,440

most of my songs out of just sampled

1081

00:45:11,750 --> 00:45:07,359

instruments

1082

00:45:15,030 --> 00:45:13,190

magic you didn't miss much i was just

1083

00:45:19,670 --> 00:45:15,040

talking about the

1084

00:45:24,150 --> 00:45:21,670

how cautious everyone has to be right

1085

00:45:27,349 --> 00:45:24,160

now given the current climate lest you

1086

00:45:30,630 --> 00:45:28,790

and uh

1087

00:45:32,150 --> 00:45:30,640

yesterday we covered this conspiracy

1088

00:45:33,349 --> 00:45:32,160

theorist that was a guest on another

1089

00:45:34,870 --> 00:45:33,359

show

1090

00:45:36,870 --> 00:45:34,880

and that

1091

00:45:38,309 --> 00:45:36,880

conspiracy theorist channel is still up

1092

00:45:39,910 --> 00:45:38,319

but the show

1093

00:45:41,750 --> 00:45:39,920

who she went on as a guest and talked

1094

00:45:43,589 --> 00:45:41,760

all this crazy smack on like she was

1095

00:45:45,270 --> 00:45:43,599

ticking the boxes for how you get

1096

00:45:46,390 --> 00:45:45,280

deleted from youtube while she was

1097

00:45:47,750 --> 00:45:46,400

talking

1098

00:45:49,510 --> 00:45:47,760

got deleted

1099

00:45:52,390 --> 00:45:49,520

which is sad i don't want to see

1100

00:45:54,390 --> 00:45:52,400

anybody's you know channel get deleted

1101

00:45:56,950 --> 00:45:54,400

that's an awful lot of work

1102

00:45:59,270 --> 00:45:56,960

and that guy probably had i don't know

1103

00:46:02,150 --> 00:45:59,280

100 or more videos

1104

00:46:04,230 --> 00:46:02,160

he started last march and was doing

1105

00:46:06,870 --> 00:46:04,240

five shows a week so

1106

00:46:11,109 --> 00:46:06,880

more than 100 probably shows and he

1107

00:46:17,190 --> 00:46:12,870

prank magic i have eight sample

1108

00:46:20,150 --> 00:46:18,470

would you care to share and help a

1109

00:46:21,750 --> 00:46:20,160

brother out because

1110

00:46:25,510 --> 00:46:21,760

i have a few

1111

00:46:29,510 --> 00:46:25,520

of

1112

00:46:32,470 --> 00:46:29,520

both loops and and and one shots

1113

00:46:34,150 --> 00:46:32,480

so uh yeah we should trade

1114

00:46:36,470 --> 00:46:34,160

i love getting somebody else's

1115

00:46:38,630 --> 00:46:36,480

collection i used to trade with this guy

1116

00:46:41,589 --> 00:46:38,640

that had a lot of

1117

00:46:44,230 --> 00:46:41,599

vintage analog synthesizers and and step

1118

00:46:47,030 --> 00:46:44,240

sequencers and he used to make like

1119

00:46:49,910 --> 00:46:47,040

these really cool synth bass lines and

1120

00:46:53,910 --> 00:46:49,920

then record them as loops

1121

00:46:56,069 --> 00:46:53,920

because the analog synthesizers and uh

1122

00:46:57,030 --> 00:46:56,079

step sequencers that i was using were so

1123

00:46:58,950 --> 00:46:57,040

old

1124

00:47:01,510 --> 00:46:58,960

that they don't have like a digital way

1125

00:47:02,950 --> 00:47:01,520

to save the sequence and the sound so he

1126

00:47:05,430 --> 00:47:02,960

had to

1127

00:47:06,950 --> 00:47:05,440

sort of make loops out of them

1128

00:47:08,790 --> 00:47:06,960

before he could make another loop with

1129

00:47:11,349 --> 00:47:08,800

the same synthesizer

1130

00:47:12,950 --> 00:47:11,359

i love getting stuff from that guy or

1131

00:47:15,349 --> 00:47:12,960

you know i had another friend that used

1132

00:47:16,630 --> 00:47:15,359

to sample a lot of weird stuff

1133

00:47:18,150 --> 00:47:16,640

and uh

1134

00:47:20,390 --> 00:47:18,160

i like weird stuff

1135

00:47:23,910 --> 00:47:20,400

you know especially in the undertones of

1136

00:47:25,670 --> 00:47:23,920

the music or like just under the mix

1137

00:47:33,750 --> 00:47:25,680

pragmatic would love to share good i'll

1138

00:47:38,069 --> 00:47:35,349

did you hear about the galactic

1139

00:47:40,390 --> 00:47:38,079

federation jolly they're here oh yeah we

1140

00:47:42,470 --> 00:47:40,400

can get to that business too by the way

1141

00:47:44,069 --> 00:47:42,480

lee veltman uh

1142

00:47:46,710 --> 00:47:44,079

a lot of people have been asking me

1143

00:47:48,309 --> 00:47:46,720

about this story about this israeli

1144

00:47:49,829 --> 00:47:48,319

former official who came out and said

1145

00:47:52,309 --> 00:47:49,839

that there is really a galactic

1146

00:47:53,910 --> 00:47:52,319

federation full of aliens but they don't

1147

00:47:55,750 --> 00:47:53,920

want humans to know about it yet because

1148

00:47:56,710 --> 00:47:55,760

we're not ready

1149

00:47:58,870 --> 00:47:56,720

um

1150

00:48:00,710 --> 00:47:58,880

and what did i think about that and and

1151

00:48:03,030 --> 00:48:00,720

i here's what i think about it if

1152

00:48:05,190 --> 00:48:03,040

somebody could it's this is i feel

1153

00:48:07,030 --> 00:48:05,200

exactly the same way about him as i feel

1154

00:48:09,349 --> 00:48:07,040

about the former

1155

00:48:11,750 --> 00:48:09,359

canadian defense minister coming out and

1156

00:48:13,510 --> 00:48:11,760

claiming aliens are real

1157

00:48:15,349 --> 00:48:13,520

just because the guy worked for the

1158

00:48:17,270 --> 00:48:15,359

government and he says that doesn't mean

1159

00:48:19,750 --> 00:48:17,280

that's accurate information

1160

00:48:21,750 --> 00:48:19,760

in the case of paul hellyer he believes

1161

00:48:23,910 --> 00:48:21,760

every everything he reads in a book he

1162

00:48:25,670 --> 00:48:23,920

believes is factually correct it doesn't

1163

00:48:27,589 --> 00:48:25,680

matter who wrote the book it doesn't

1164

00:48:29,670 --> 00:48:27,599

matter that the person that wrote the

1165

00:48:31,750 --> 00:48:29,680

book just made up the stories doesn't

1166

00:48:33,750 --> 00:48:31,760

have good sources or proof or evidence

1167

00:48:35,750 --> 00:48:33,760

he just believed everything like he read

1168

00:48:38,630 --> 00:48:35,760

the day after roswell

1169

00:48:41,030 --> 00:48:38,640

and uh he believed that everything in

1170

00:48:42,710 --> 00:48:41,040

the book the day after roswell was 100

1171

00:48:43,510 --> 00:48:42,720

factually correct

1172

00:48:45,270 --> 00:48:43,520

so

1173

00:48:47,589 --> 00:48:45,280

we don't know what the motivations of

1174

00:48:49,349 --> 00:48:47,599

this israeli person are

1175

00:48:51,030 --> 00:48:49,359

we don't know if

1176

00:48:54,150 --> 00:48:51,040

he's not

1177

00:48:56,710 --> 00:48:54,160

suffering from uh senility or dementia

1178

00:48:59,109 --> 00:48:56,720

as has been claimed several i've seen

1179

00:49:01,750 --> 00:48:59,119

several posts on social media where

1180

00:49:03,670 --> 00:49:01,760

somebody is chastising the media

1181

00:49:06,230 --> 00:49:03,680

organizations running with the story

1182

00:49:08,390 --> 00:49:06,240

because that gentleman is 87 years old

1183

00:49:11,109 --> 00:49:08,400

and is suffering from dementia

1184

00:49:13,030 --> 00:49:11,119

and they're using him to sell a story

1185

00:49:14,390 --> 00:49:13,040

and his family apparently is not happy

1186

00:49:15,990 --> 00:49:14,400

about it

1187

00:49:17,750 --> 00:49:16,000

this is what i've heard i haven't

1188

00:49:20,069 --> 00:49:17,760

verified that information i don't know

1189

00:49:21,990 --> 00:49:20,079

if it's accurate but it sounds like that

1190

00:49:24,069 --> 00:49:22,000

could be the case

1191

00:49:27,589 --> 00:49:24,079

and so all of these people are doing a

1192

00:49:32,069 --> 00:49:27,599

cartwheel right and some secret space

1193

00:49:34,950 --> 00:49:32,079

astro knots are claiming c i i was right

1194

00:49:38,230 --> 00:49:34,960

there is a galactic council no you said

1195

00:49:41,829 --> 00:49:38,240

council not federation but okay

1196

00:49:44,630 --> 00:49:41,839

uh it's [h__h] and until there's

1197

00:49:47,829 --> 00:49:44,640

you know evidentiary support in the form

1198

00:49:49,829 --> 00:49:47,839

of documents proof i don't know

1199

00:49:52,390 --> 00:49:49,839

a little more than an 87 year old

1200

00:49:53,270 --> 00:49:52,400

possibly senile old man saying it is

1201
00:49:55,589 --> 00:49:53,280
true

1202
00:49:57,430 --> 00:49:55,599
that's what i require for

1203
00:49:59,190 --> 00:49:57,440
what i

1204
00:50:00,790 --> 00:49:59,200
would term proof

1205
00:50:02,710 --> 00:50:00,800
right

1206
00:50:04,870 --> 00:50:02,720
so that's my take on it i just don't

1207
00:50:06,230 --> 00:50:04,880
think it's a big story i think an 87

1208
00:50:08,230 --> 00:50:06,240
year old man

1209
00:50:11,430 --> 00:50:08,240
who may be senile

1210
00:50:14,150 --> 00:50:11,440
said something but he offered no proof

1211
00:50:15,190 --> 00:50:14,160
of this information other than his word

1212
00:50:18,109 --> 00:50:15,200
and uh

1213
00:50:19,829 --> 00:50:18,119

it goes to richard dolan's concept of

1214

00:50:22,150 --> 00:50:19,839

falsifiability

1215

00:50:24,150 --> 00:50:22,160

and that is that a piece of information

1216

00:50:27,270 --> 00:50:24,160

which can neither be proven true or

1217

00:50:30,710 --> 00:50:27,280

false has no value and that's what this

1218

00:50:33,030 --> 00:50:30,720

piece of information uh falls under

1219

00:50:35,510 --> 00:50:33,040

i can't prove that that's true

1220

00:50:37,670 --> 00:50:35,520

based on just what the guy said and i

1221

00:50:39,910 --> 00:50:37,680

can't prove that it's false based on

1222

00:50:41,030 --> 00:50:39,920

what the guy said or that he's lying i

1223

00:50:42,870 --> 00:50:41,040

don't know

1224

00:50:44,790 --> 00:50:42,880

and that's my take on it now people

1225

00:50:47,270 --> 00:50:44,800

wanted me to do a whole show on that i

1226
00:50:50,150 --> 00:50:47,280
just did the whole show on it or what i

1227
00:50:52,230 --> 00:50:50,160
could say about it in five minutes

1228
00:50:54,630 --> 00:50:52,240
we could read the articles

1229
00:50:57,190 --> 00:50:54,640
dissect word by word exactly what he

1230
00:51:00,710 --> 00:50:57,200
said but i think everybody's already

1231
00:51:02,630 --> 00:51:00,720
read the articles and knows

1232
00:51:05,190 --> 00:51:02,640
what the gentleman said

1233
00:51:08,150 --> 00:51:05,200
and if it's true of course that's got a

1234
00:51:10,630 --> 00:51:08,160
huge impact but

1235
00:51:12,710 --> 00:51:10,640
so far uh we're not seeing you know

1236
00:51:14,790 --> 00:51:12,720
corroborating witnesses to this guy's

1237
00:51:15,829 --> 00:51:14,800
story you know we didn't see like

1238
00:51:17,990 --> 00:51:15,839

somebody that

1239

00:51:21,750 --> 00:51:18,000

worked under him or with him say yeah

1240

00:51:27,430 --> 00:51:24,230

i don't know

1241

00:51:32,069 --> 00:51:29,670

oh yeah and youtube just updated their

1242

00:51:33,750 --> 00:51:32,079

rules concerning election coverage 13

1243

00:51:35,750 --> 00:51:33,760

hours ago

1244

00:51:37,670 --> 00:51:35,760

uh which by the way we're not going to

1245

00:51:39,270 --> 00:51:37,680

cover that because as i said we're just

1246

00:51:42,069 --> 00:51:39,280

not going to get into politics we're not

1247

00:51:44,950 --> 00:51:42,079

going to get into politics and uh the

1248

00:51:47,109 --> 00:51:44,960

health crisis anymore period

1249

00:51:49,109 --> 00:51:47,119

um and i'm going to

1250

00:51:51,030 --> 00:51:49,119

caution guests

1251
00:51:52,230 --> 00:51:51,040
don't bring up politics or the health

1252
00:51:53,270 --> 00:51:52,240
crisis

1253
00:51:55,510 --> 00:51:53,280
um

1254
00:51:57,349 --> 00:51:55,520
and i guess i'm also going to have to go

1255
00:51:59,190 --> 00:51:57,359
through the current youtube terms of

1256
00:52:02,829 --> 00:51:59,200
service and the

1257
00:52:07,109 --> 00:52:05,510
um i'm going to have to figure out if

1258
00:52:09,349 --> 00:52:07,119
there's anything else that i want to

1259
00:52:11,190 --> 00:52:09,359
flag and tell guests we don't want to

1260
00:52:12,549 --> 00:52:11,200
talk about that because

1261
00:52:16,829 --> 00:52:12,559
majorly i don't want to get held

1262
00:52:19,589 --> 00:52:16,839
responsible if some nut job uh like

1263
00:52:21,910 --> 00:52:19,599

kc i don't want to say her name anymore

1264

00:52:26,630 --> 00:52:21,920

because that might be enough you know if

1265

00:52:30,470 --> 00:52:26,640

some uh guest is like unhinged like this

1266

00:52:32,309 --> 00:52:30,480

kc and comes on my show saying things

1267

00:52:33,750 --> 00:52:32,319

i don't want to be held responsible for

1268

00:52:36,549 --> 00:52:33,760

what they say

1269

00:52:39,109 --> 00:52:36,559

uh especially by an ai algorithm where i

1270

00:52:41,589 --> 00:52:39,119

have no due process i you know you know

1271

00:52:43,510 --> 00:52:41,599

it's like you get a you get a trial

1272

00:52:45,750 --> 00:52:43,520

where you can present evidence and show

1273

00:52:48,390 --> 00:52:45,760

that you didn't

1274

00:52:50,549 --> 00:52:48,400

violate anything you you can't even get

1275

00:52:53,109 --> 00:52:50,559

to talk to a person these decisions are

1276

00:52:54,069 --> 00:52:53,119

all made by ai algorithms

1277

00:52:59,589 --> 00:52:54,079

so

1278

00:52:59,599 --> 00:53:03,750

it is what it is

1279

00:53:09,030 --> 00:53:05,589

just why i posted steven a heads up for

1280

00:53:11,349 --> 00:53:09,040

everyone else too yeah

1281

00:53:13,589 --> 00:53:11,359

yeah it's downer

1282

00:53:15,910 --> 00:53:13,599

this this whole show is a downer you

1283

00:53:17,990 --> 00:53:15,920

know we need we need some strippers

1284

00:53:20,069 --> 00:53:18,000

but that may be against the terms i

1285

00:53:21,829 --> 00:53:20,079

don't know that may be against the terms

1286

00:53:24,150 --> 00:53:21,839

of service can't even get cheered up by

1287

00:53:25,270 --> 00:53:24,160

some lovely ladies dancing on a pole

1288

00:53:26,630 --> 00:53:25,280

today

1289

00:53:28,630 --> 00:53:26,640

right

1290

00:53:33,510 --> 00:53:28,640

you would think

1291

00:53:35,670 --> 00:53:33,520

would be allowed especially on a somber

1292

00:53:38,069 --> 00:53:35,680

day where you're sort of like

1293

00:53:40,870 --> 00:53:38,079

sad and uh

1294

00:53:42,870 --> 00:53:40,880

i'm i'm very uh

1295

00:53:44,150 --> 00:53:42,880

yeah i just i feel bad for that other

1296

00:53:46,630 --> 00:53:44,160

show host

1297

00:53:49,349 --> 00:53:46,640

right worked since march building this

1298

00:53:51,270 --> 00:53:49,359

monster and dude did a much better job

1299

00:53:53,109 --> 00:53:51,280

than i have so i have a lot of respect

1300

00:53:54,870 --> 00:53:53,119

for the guy even though i disagree with

1301
00:53:57,589 --> 00:53:54,880
almost everything he talks about on his

1302
00:54:00,630 --> 00:53:57,599
show i still have respect for the guy

1303
00:54:02,710 --> 00:54:00,640
because he built this monster channel

1304
00:54:03,829 --> 00:54:02,720
and he did it and virtually the same

1305
00:54:09,109 --> 00:54:03,839
time

1306
00:54:12,470 --> 00:54:09,119
subscribers and view counts

1307
00:54:14,230 --> 00:54:12,480
now in my defense he's very his show and

1308
00:54:16,390 --> 00:54:14,240
channel are very woo

1309
00:54:18,950 --> 00:54:16,400
based you know

1310
00:54:21,349 --> 00:54:18,960
which i hear is a lot easier to get subs

1311
00:54:23,910 --> 00:54:21,359
and views if you're going you're gonna

1312
00:54:25,829 --> 00:54:23,920
go full whoa and we are a little more

1313
00:54:28,630 --> 00:54:25,839

skeptical here

1314

00:54:30,069 --> 00:54:28,640

and so we don't get a lot of that crowd

1315

00:54:32,390 --> 00:54:30,079

i suppose

1316

00:54:34,549 --> 00:54:32,400

uh but still

1317

00:54:36,710 --> 00:54:34,559

i have uh

1318

00:54:38,470 --> 00:54:36,720

i have respect for the guy building a

1319

00:54:39,990 --> 00:54:38,480

monster channel that in that short

1320

00:54:41,510 --> 00:54:40,000

amount of time building a monster

1321

00:54:43,829 --> 00:54:41,520

channel

1322

00:54:43,839 --> 00:54:48,630

and to lose all of his uh work

1323

00:54:52,549 --> 00:54:50,710

because of an irresponsible guest

1324

00:54:54,390 --> 00:54:52,559

spouting off at the mouth saying all

1325

00:54:57,109 --> 00:54:54,400

kinds of stupid [h__h] that she should

1326
00:54:58,710 --> 00:54:57,119
know better that she shouldn't be saying

1327
00:55:01,349 --> 00:54:58,720
you know and i find it interesting that

1328
00:55:03,670 --> 00:55:01,359
she didn't say that [\h__\h] on her channel

1329
00:55:04,710 --> 00:55:03,680
she said it on somebody else's channel

1330
00:55:08,390 --> 00:55:04,720
right

1331
00:55:11,109 --> 00:55:09,589
and you know

1332
00:55:17,030 --> 00:55:11,119
uh

1333
00:55:18,790 --> 00:55:17,040
well we all got to go to d live or we

1334
00:55:22,950 --> 00:55:18,800
all got to go to periscope and forget

1335
00:55:25,109 --> 00:55:22,960
about youtube let let youtube die look

1336
00:55:27,030 --> 00:55:25,119
it's the monopoly right now all the

1337
00:55:28,230 --> 00:55:27,040
viewers are on youtube

1338
00:55:30,230 --> 00:55:28,240

d live

1339

00:55:33,109 --> 00:55:30,240

all the alternative platforms and i mean

1340

00:55:36,069 --> 00:55:33,119

all of them put together twitch d live

1341

00:55:37,990 --> 00:55:36,079

periscope uh what is that daily caller

1342

00:55:39,030 --> 00:55:38,000

or dailymotion

1343

00:55:40,150 --> 00:55:39,040

um

1344

00:55:42,790 --> 00:55:40,160

vimeo

1345

00:55:44,950 --> 00:55:42,800

all of the alternative platforms to

1346

00:55:48,230 --> 00:55:44,960

youtube or streaming

1347

00:55:50,549 --> 00:55:48,240

youtube streaming put together

1348

00:55:51,829 --> 00:55:50,559

don't have five percent of the

1349

00:55:53,829 --> 00:55:51,839

viewership

1350

00:55:56,309 --> 00:55:53,839

that youtube has

1351

00:55:58,870 --> 00:55:56,319

will that increase over time

1352

00:56:01,470 --> 00:55:58,880

maybe i'm hopeful that it will so that

1353

00:56:04,150 --> 00:56:01,480

part of the problem here with this

1354

00:56:07,109 --> 00:56:04,160

monopolization of things and and one

1355

00:56:09,190 --> 00:56:07,119

company having far far too much power

1356

00:56:09,990 --> 00:56:09,200

will resolve itself

1357

00:56:12,069 --> 00:56:10,000

but

1358

00:56:13,750 --> 00:56:12,079

knowing what i know about capitalism i

1359

00:56:15,910 --> 00:56:13,760

don't see that happening

1360

00:56:17,349 --> 00:56:15,920

i don't see those alternative platforms

1361

00:56:19,430 --> 00:56:17,359

taking off

1362

00:56:22,230 --> 00:56:19,440

i mean uh you know twitch is run by

1363

00:56:24,950 --> 00:56:22,240

amazon they have the best shot since uh

1364

00:56:27,349 --> 00:56:24,960

amazon has billions and can invest a

1365

00:56:28,150 --> 00:56:27,359

great deal more money into them and

1366

00:56:29,750 --> 00:56:28,160

but

1367

00:56:32,470 --> 00:56:29,760

twitch seems to be a place to go to

1368

00:56:35,270 --> 00:56:32,480

watch people play video games uh there's

1369

00:56:38,470 --> 00:56:35,280

very little other content on twitch will

1370

00:56:40,069 --> 00:56:38,480

that change too i don't know i hope

1371

00:56:41,430 --> 00:56:40,079

but i was told by a friend that's a big

1372

00:56:42,549 --> 00:56:41,440

twitch

1373

00:56:49,030 --> 00:56:42,559

uh

1374

00:56:51,750 --> 00:56:49,040

other you know

1375

00:56:52,630 --> 00:56:51,760

sort of games and also watch twitch a

1376

00:56:53,990 --> 00:56:52,640

lot

1377

00:56:55,750 --> 00:56:54,000

that our

1378

00:56:58,789 --> 00:56:55,760

show is one of the only shows like it on

1379

00:57:01,190 --> 00:56:58,799

twitch you know there's not much going

1380

00:57:02,870 --> 00:57:01,200

on over there or any of the other

1381

00:57:04,630 --> 00:57:02,880

alternatives so while i understand

1382

00:57:07,510 --> 00:57:04,640

people saying we need to get off of

1383

00:57:11,030 --> 00:57:07,520

youtube and go you can't you can't all

1384

00:57:12,950 --> 00:57:11,040

of the viewers are on youtube 95 of them

1385

00:57:13,990 --> 00:57:12,960

are on youtube so what are you going to

1386

00:57:16,470 --> 00:57:14,000

do

1387

00:57:18,789 --> 00:57:16,480

and especially in our case like if we're

1388

00:57:21,030 --> 00:57:18,799

lucky like a good number of views for us

1389

00:57:22,549 --> 00:57:21,040

would be a thousand views on a video

1390

00:57:23,430 --> 00:57:22,559

right that would be pretty good numbers

1391

00:57:26,390 --> 00:57:23,440

for us

1392

00:57:27,430 --> 00:57:26,400

so if i go to

1393

00:57:30,470 --> 00:57:27,440

uh

1394

00:57:33,270 --> 00:57:30,480

alternative platforms and i get 95 less

1395

00:57:36,069 --> 00:57:33,280

than that then i will do a show and get

1396

00:57:37,670 --> 00:57:36,079

50 views for a good show

1397

00:57:40,309 --> 00:57:37,680

you know

1398

00:57:41,270 --> 00:57:40,319

and that's

1399

00:57:43,670 --> 00:57:41,280

just

1400

00:57:45,190 --> 00:57:43,680

i mean the math doesn't work out why

1401
00:57:46,789 --> 00:57:45,200
should i go and do an alternative

1402
00:57:49,190 --> 00:57:46,799
platform when i can stay here and get

1403
00:57:50,230 --> 00:57:49,200
the thousand views or whatever the most

1404
00:57:51,190 --> 00:57:50,240
views

1405
00:57:54,309 --> 00:57:51,200
so

1406
00:57:55,990 --> 00:57:54,319
as a content creator looking to grow too

1407
00:57:57,670 --> 00:57:56,000
you're not going to grow if you get off

1408
00:57:59,829 --> 00:57:57,680
of youtube and you're solely on these

1409
00:58:01,349 --> 00:57:59,839
alternative platforms that's my opinion

1410
00:58:03,030 --> 00:58:01,359
i could be wrong

1411
00:58:04,549 --> 00:58:03,040
um

1412
00:58:06,230 --> 00:58:04,559
you know there's exceptions to every

1413
00:58:08,630 --> 00:58:06,240

rule like if you created something that

1414

00:58:10,870 --> 00:58:08,640

was truly unique and entertaining enough

1415

00:58:13,990 --> 00:58:10,880

people wouldn't care where they watched

1416

00:58:16,069 --> 00:58:14,000

it maybe maybe you could do okay but i

1417

00:58:17,190 --> 00:58:16,079

think you need to be on youtube to find

1418

00:58:24,630 --> 00:58:17,200

the viewers

1419

00:58:28,470 --> 00:58:26,630

yes uh youtube is king when it comes to

1420

00:58:31,349 --> 00:58:28,480

viewers by far even with the extremely

1421

00:58:32,950 --> 00:58:31,359

strict rules yeah and and here's another

1422

00:58:35,270 --> 00:58:32,960

bit of business i guess that i wanted to

1423

00:58:37,750 --> 00:58:35,280

get out of the way and just mention

1424

00:58:40,710 --> 00:58:37,760

uh the the search algorithm is kind of

1425

00:58:42,950 --> 00:58:40,720

fixed now it used to be if you put in

1426

00:58:45,430 --> 00:58:42,960

just truth seekers we would cut we would

1427

00:58:47,190 --> 00:58:45,440

come up like way way way down on the

1428

00:58:50,230 --> 00:58:47,200

list and this

1429

00:58:53,109 --> 00:58:50,240

sort of uh comedy show somebody created

1430

00:58:55,910 --> 00:58:53,119

with the same name would there be a

1431

00:58:58,230 --> 00:58:55,920

hundred of theirs first but somehow now

1432

00:58:59,910 --> 00:58:58,240

let me check again just to be sure

1433

00:59:01,589 --> 00:58:59,920

i checked this earlier somebody

1434

00:59:02,630 --> 00:59:01,599

mentioned it to me

1435

00:59:05,589 --> 00:59:02,640

and i

1436

00:59:07,510 --> 00:59:05,599

said that well that's interesting

1437

00:59:10,950 --> 00:59:07,520

um

1438

00:59:14,870 --> 00:59:10,960

so i'm going to just put truth seekers

1439

00:59:21,430 --> 00:59:17,109

see

1440

00:59:22,710 --> 00:59:21,440

search bar we're the first channel that

1441

00:59:24,309 --> 00:59:22,720

comes up

1442

00:59:26,630 --> 00:59:24,319

uh which is great

1443

00:59:28,630 --> 00:59:26,640

uh and there's a few videos so we have

1444

00:59:32,150 --> 00:59:28,640

the first three search results and then

1445

00:59:37,589 --> 00:59:32,160

the rest is that comedy show for the

1446

00:59:42,950 --> 00:59:40,789

yeah so that's some good news because

1447

00:59:44,390 --> 00:59:42,960

i was even thinking um that we're just

1448

00:59:46,710 --> 00:59:44,400

going to change the name of the show

1449

00:59:48,710 --> 00:59:46,720

because nobody could if you just typed

1450

00:59:50,630 --> 00:59:48,720

in truth seekers you wouldn't find our

1451

00:59:51,589 --> 00:59:50,640

channel or our shows

1452

00:59:54,309 --> 00:59:51,599

and that's

1453

00:59:56,470 --> 00:59:54,319

uh you know not good if you're trying to

1454

00:59:58,470 --> 00:59:56,480

grow a channel

1455

01:00:00,069 --> 00:59:58,480

oh and uh

1456

01:00:02,710 --> 01:00:00,079

wow one of the other things i'll say is

1457

01:00:05,349 --> 01:00:02,720

that we lost 10

1458

01:00:06,870 --> 01:00:05,359

subscribers in the past day

1459

01:00:09,190 --> 01:00:06,880

and i think that has something to do

1460

01:00:11,270 --> 01:00:09,200

with us covering that other show host

1461

01:00:12,309 --> 01:00:11,280

and here's the because some of those

1462

01:00:14,630 --> 01:00:12,319

subs

1463

01:00:16,789 --> 01:00:14,640

migrated here from his channel he we

1464

01:00:19,510 --> 01:00:16,799

i've been on his show he's given me a

1465

01:00:21,829 --> 01:00:19,520

bunch of plugs told people go subscribe

1466

01:00:23,270 --> 01:00:21,839

and if that's the case then i apologize

1467

01:00:26,230 --> 01:00:23,280

if you were unhappy

1468

01:00:28,710 --> 01:00:26,240

i wasn't uh

1469

01:00:31,109 --> 01:00:28,720

i wasn't covering that show host i was

1470

01:00:33,109 --> 01:00:31,119

covering the guest

1471

01:00:35,190 --> 01:00:33,119

and given what happened

1472

01:00:38,150 --> 01:00:35,200

after that guest was on his show i think

1473

01:00:40,470 --> 01:00:38,160

i made a good decision to cover that

1474

01:00:43,030 --> 01:00:40,480

i knew so i had a feeling that something

1475

01:00:46,150 --> 01:00:43,040

like this might happen right like what

1476

01:00:48,470 --> 01:00:46,160

is this dummy gonna say right i couldn't

1477

01:00:52,470 --> 01:00:48,480

believe it when she was

1478

01:00:54,150 --> 01:00:52,480

literally like saying everything

1479

01:00:55,349 --> 01:00:54,160

that she knew

1480

01:00:56,470 --> 01:00:55,359

that could get you in trouble with

1481

01:00:59,430 --> 01:00:56,480

youtube

1482

01:01:00,309 --> 01:00:59,440

in one one hour guest appearance

1483

01:01:02,789 --> 01:01:00,319

right

1484

01:01:05,670 --> 01:01:02,799

so uh i don't know like 10 subscribers

1485

01:01:09,109 --> 01:01:05,680

dropped off maybe uh people were unhappy

1486

01:01:11,430 --> 01:01:09,119

with uh me covering that other show host

1487

01:01:13,190 --> 01:01:11,440

listen i support that other show host i

1488

01:01:14,230 --> 01:01:13,200

and i feel terrible that he lost his

1489

01:01:16,309 --> 01:01:14,240

channel

1490

01:01:18,150 --> 01:01:16,319

i hope we're still friendly i sent him a

1491

01:01:20,069 --> 01:01:18,160

message earlier telling him you know i

1492

01:01:21,589 --> 01:01:20,079

heard the news it's terrible news and

1493

01:01:23,829 --> 01:01:21,599

this and that he hasn't gotten back to

1494

01:01:25,750 --> 01:01:23,839

me i don't know if he's pissed at me too

1495

01:01:28,309 --> 01:01:25,760

or maybe he's just uh

1496

01:01:31,670 --> 01:01:28,319

in an extremely bad mood as well he

1497

01:01:33,990 --> 01:01:31,680

should be because he just lost

1498

01:01:36,390 --> 01:01:34,000

nine or ten months worth of extremely

1499

01:01:38,630 --> 01:01:36,400

hard work creating content all of his

1500

01:01:40,069 --> 01:01:38,640

shows he doesn't have

1501

01:01:44,150 --> 01:01:40,079

uh

1502

01:01:45,990 --> 01:01:44,160

but

1503

01:01:48,470 --> 01:01:46,000

i explained earlier i took that episode

1504

01:01:51,430 --> 01:01:48,480

down it's still on twitch it's still on

1505

01:01:52,950 --> 01:01:51,440

facebook and i'm putting it on patreon

1506

01:01:54,230 --> 01:01:52,960

uh

1507

01:01:57,109 --> 01:01:54,240

or

1508

01:01:59,270 --> 01:01:57,119

what i may do is i may create an

1509

01:02:01,750 --> 01:01:59,280

alternate channel

1510

01:02:03,750 --> 01:02:01,760

and put things there that

1511

01:02:05,030 --> 01:02:03,760

may be problematic but i don't really

1512

01:02:06,950 --> 01:02:05,040

want to do that

1513

01:02:10,630 --> 01:02:06,960

it's still on twitch i'll post the

1514

01:02:12,630 --> 01:02:10,640

twitch uh link on my twitter

1515

01:02:15,109 --> 01:02:12,640

for p or i did i've already posted the

1516

01:02:16,789 --> 01:02:15,119

twitch link to the show from yesterday

1517

01:02:20,230 --> 01:02:16,799

which we did take down

1518

01:02:22,789 --> 01:02:20,240

we just marked it private um

1519

01:02:25,829 --> 01:02:22,799

because if they're going to delete the

1520

01:02:27,589 --> 01:02:25,839

show hosts channel for hosting this

1521

01:02:29,670 --> 01:02:27,599

person saying these things for all i

1522

01:02:31,109 --> 01:02:29,680

know they would delete my channel

1523

01:02:32,710 --> 01:02:31,119

because we

1524

01:02:34,470 --> 01:02:32,720

we stopped the video along the way and

1525

01:02:35,670 --> 01:02:34,480

we're critiquing but

1526

01:02:37,270 --> 01:02:35,680

the algorithm doesn't know the

1527

01:02:39,270 --> 01:02:37,280

difference the algorithm may just pick

1528

01:02:40,230 --> 01:02:39,280

up on those keywords that this casey was

1529

01:02:44,630 --> 01:02:40,240

saying

1530

01:02:48,870 --> 01:02:46,549

yeah probably for the best i heard about

1531

01:02:51,990 --> 01:02:48,880

the reckoning i don't know if it was

1532

01:02:53,109 --> 01:02:52,000

many more i don't i didn't hear

1533

01:02:55,349 --> 01:02:53,119

um

1534

01:02:57,109 --> 01:02:55,359

more than this

1535

01:02:59,589 --> 01:02:57,119

show host channel who we covered

1536

01:03:01,510 --> 01:02:59,599

yesterday i i don't know if there was

1537

01:03:03,670 --> 01:03:01,520

like a lot more is there a lot more that

1538

01:03:09,349 --> 01:03:03,680

got i betcha i bet you they took out a

1539

01:03:12,870 --> 01:03:10,789

jeanette kuzenko maybe he just doesn't

1540

01:03:15,270 --> 01:03:12,880

want to speak to anyone right now yeah

1541

01:03:17,510 --> 01:03:15,280

and uh listen if he's angry with me then

1542

01:03:19,349 --> 01:03:17,520

you know i apologize if i did anything

1543

01:03:21,589 --> 01:03:19,359

that pissed him off or offended him it

1544

01:03:23,109 --> 01:03:21,599

was certainly not my intention

1545

01:03:24,870 --> 01:03:23,119

and uh

1546

01:03:25,670 --> 01:03:24,880

i had

1547

01:03:28,549 --> 01:03:25,680

no

1548

01:03:30,789 --> 01:03:28,559

towards him i just don't like that

1549

01:03:32,950 --> 01:03:30,799

honestly here's the truth jeanette i

1550

01:03:35,270 --> 01:03:32,960

don't like that guest that he had

1551

01:03:36,710 --> 01:03:35,280

i don't like the things that she says

1552

01:03:39,510 --> 01:03:36,720

i think the things that she says are

1553

01:03:41,510 --> 01:03:39,520

extremely stupid irresponsible

1554

01:03:43,430 --> 01:03:41,520

there's no evidence to anything she says

1555

01:03:45,829 --> 01:03:43,440

and she's been running around selling

1556

01:03:48,069 --> 01:03:45,839

people fairy tales and lies for 16 years

1557

01:03:50,069 --> 01:03:48,079

now with no evidence

1558

01:03:52,470 --> 01:03:50,079

and terrible sources

1559

01:03:55,589 --> 01:03:52,480

uh sources like convicted murderers or

1560

01:03:57,510 --> 01:03:55,599

child molesters right senile old men you

1561

01:03:59,910 --> 01:03:57,520

know i just don't like her

1562

01:04:03,589 --> 01:04:02,390

i mean hindsight is always 20 20 do i do

1563

01:04:07,270 --> 01:04:03,599

i wish i would have did a different show

1564

01:04:09,910 --> 01:04:07,280

yesterday yeah probably because uh

1565

01:04:14,309 --> 01:04:11,750

on top of losing his channel that other

1566

01:04:16,230 --> 01:04:14,319

show host doesn't need

1567

01:04:18,230 --> 01:04:16,240

the day before for somebody to be making

1568

01:04:20,150 --> 01:04:18,240

fun of a guest on his show and then the

1569

01:04:22,950 --> 01:04:20,160

next day he loses his channel you know

1570

01:04:24,470 --> 01:04:22,960

that's like two gut punches and uh

1571

01:04:26,950 --> 01:04:24,480

i don't know

1572

01:04:28,950 --> 01:04:26,960

you know uh i'm sorry to that other

1573

01:04:30,870 --> 01:04:28,960

content creator if i did anything that

1574

01:04:33,190 --> 01:04:30,880

pissed you off because uh i think you're

1575

01:04:35,510 --> 01:04:33,200

a good person and a good show host and

1576

01:04:38,069 --> 01:04:35,520

uh i learned a lot from him and i i

1577

01:04:40,069 --> 01:04:38,079

don't want him to be upset with me

1578

01:04:41,829 --> 01:04:40,079

but i understand it's like losing your

1579

01:04:44,789 --> 01:04:41,839

channel sucks especially if you just

1580

01:04:46,710 --> 01:04:44,799

lost like 150 videos that you made that

1581

01:04:49,670 --> 01:04:46,720

are all two or three hours long and it's

1582

01:04:57,270 --> 01:04:49,680

gone forever you have no way

1583

01:05:00,950 --> 01:04:59,109

i would suggest to just delete it

1584

01:05:02,950 --> 01:05:00,960

private unlisted videos are prone to

1585

01:05:03,990 --> 01:05:02,960

strikes too

1586

01:05:05,750 --> 01:05:04,000

uh

1587

01:05:08,069 --> 01:05:05,760

yeah

1588

01:05:08,870 --> 01:05:08,079

you know what uh i'm gonna do that right

1589

01:05:14,789 --> 01:05:08,880

now

1590

01:05:19,910 --> 01:05:14,799

i don't how come i don't see it i should

1591

01:05:28,950 --> 01:05:21,910

oh i have to go to a youtube studio i

1592

01:05:33,349 --> 01:05:30,630

i get where you delete one from yeah i

1593

01:05:35,349 --> 01:05:33,359

have a backup copy of that show already

1594

01:05:52,309 --> 01:05:35,359

on my hard drive so

1595

01:05:55,670 --> 01:05:53,430

options

1596

01:05:58,069 --> 01:05:55,680

delete forever and that's a sad thing

1597

01:05:59,589 --> 01:05:58,079

you have to do that

1598

01:06:03,990 --> 01:05:59,599

i understand that the leading is

1599

01:06:09,029 --> 01:06:06,630

yeah there you go so you're right sixes

1600

01:06:10,549 --> 01:06:09,039

i just deleted that video

1601
01:06:12,549 --> 01:06:10,559
and and uh

1602
01:06:14,430 --> 01:06:12,559
you know part of me thinks

1603
01:06:16,950 --> 01:06:14,440
it's ridiculous it's it's [h__\h]

1604
01:06:20,309 --> 01:06:16,960
ridiculous that i have to do that such a

1605
01:06:24,870 --> 01:06:22,630
we were making fun of a person making

1606
01:06:26,870 --> 01:06:24,880
irresponsible stupid ridiculous

1607
01:06:27,670 --> 01:06:26,880
statements we should be allowed to do

1608
01:06:29,029 --> 01:06:27,680
that

1609
01:06:30,630 --> 01:06:29,039
what

1610
01:06:34,230 --> 01:06:30,640
you know you never know how that

1611
01:06:36,230 --> 01:06:34,240
algorithm is going to uh

1612
01:06:37,750 --> 01:06:36,240
how it's going to affect me yeah it's

1613
01:06:39,910 --> 01:06:37,760

not worth it dude it stinks with soda's

1614

01:06:42,870 --> 01:06:39,920

life sometimes yeah life ain't all

1615

01:06:47,270 --> 01:06:42,880

sunshine and rainbows design that much

1616

01:06:51,829 --> 01:06:49,670

i back up everything i got to especially

1617

01:06:53,510 --> 01:06:51,839

my music yeah you're right about that i

1618

01:06:55,589 --> 01:06:53,520

learned a hard lesson about that once i

1619

01:06:57,349 --> 01:06:55,599

worked on a record for like

1620

01:07:00,390 --> 01:06:57,359

a year and a half and i only had one

1621

01:07:02,789 --> 01:07:00,400

backup of it and it just like the

1622

01:07:05,190 --> 01:07:02,799

perfect storm happened i had a usb

1623

01:07:07,029 --> 01:07:05,200

external backup drive that the whole

1624

01:07:09,190 --> 01:07:07,039

album

1625

01:07:11,109 --> 01:07:09,200

sessions were copied to and they were on

1626

01:07:12,150 --> 01:07:11,119

a hard drive of a computer

1627

01:07:14,069 --> 01:07:12,160

my son

1628

01:07:16,789 --> 01:07:14,079

zachary was a toddler at the time and he

1629

01:07:19,029 --> 01:07:16,799

dumped this huge

1630

01:07:20,630 --> 01:07:19,039

i don't know like he dumped the whole

1631

01:07:23,109 --> 01:07:20,640

thing of the bottle of juice or

1632

01:07:24,069 --> 01:07:23,119

something on the computer

1633

01:07:26,150 --> 01:07:24,079

so

1634

01:07:28,549 --> 01:07:26,160

the hard drive died and then when i went

1635

01:07:31,190 --> 01:07:28,559

to get the backup the usb external drive

1636

01:07:33,510 --> 01:07:31,200

died so now i'm big on four backups i

1637

01:07:35,190 --> 01:07:33,520

have cloud backup and three local

1638

01:07:37,510 --> 01:07:35,200

backups

1639

01:07:43,750 --> 01:07:37,520

you work for a month on one song you

1640

01:07:47,910 --> 01:07:46,549

carry the toe has beef with linda little

1641

01:07:50,150 --> 01:07:47,920

leech

1642

01:07:52,470 --> 01:07:50,160

those two i'd like to see those two mud

1643

01:07:54,309 --> 01:07:52,480

wrestle charles unleashed let's make it

1644

01:07:56,870 --> 01:07:54,319

happen

1645

01:08:02,549 --> 01:07:56,880

dude it is ridiculous but if we don't we

1646

01:08:07,109 --> 01:08:04,390

just promise me we won't

1647

01:08:08,950 --> 01:08:07,119

have a pat a loose panel on friday no

1648

01:08:10,390 --> 01:08:08,960

pregnant it's only gonna be me and you i

1649

01:08:11,670 --> 01:08:10,400

wasn't going to do a panel it's going to

1650

01:08:13,670 --> 01:08:11,680

be me and you we're going to talk about

1651

01:08:15,990 --> 01:08:13,680

music and hopefully nobody will be

1652

01:08:17,669 --> 01:08:16,000

offended and the youtube algorithm gods

1653

01:08:18,630 --> 01:08:17,679

will find no fault in anything we

1654

01:08:19,990 --> 01:08:18,640

discuss

1655

01:08:22,709 --> 01:08:20,000

but i'm going to say the same thing to

1656

01:08:24,950 --> 01:08:22,719

you that i'm saying to every guest now

1657

01:08:26,870 --> 01:08:24,960

nothing about politics and nothing about

1658

01:08:29,749 --> 01:08:26,880

the current health crisis now when we're

1659

01:08:31,430 --> 01:08:29,759

having our discussion i may say

1660

01:08:34,550 --> 01:08:31,440

to you something like

1661

01:08:38,789 --> 01:08:34,560

this may be a good time given

1662

01:08:40,870 --> 01:08:38,799

uh current situation and and isolation

1663

01:08:42,789 --> 01:08:40,880

to write songs right

1664

01:08:44,870 --> 01:08:42,799

prank magic what do you think that's

1665

01:08:47,349 --> 01:08:44,880

okay i just mean i don't want somebody

1666

01:08:51,430 --> 01:08:47,359

coming on my show and starting uh an

1667

01:08:53,349 --> 01:08:51,440

anti-vaxxed discussion or an anti

1668

01:08:54,950 --> 01:08:53,359

mask discussion or anything like that

1669

01:08:56,630 --> 01:08:54,960

and no politics

1670

01:08:58,630 --> 01:08:56,640

because i don't care

1671

01:09:00,709 --> 01:08:58,640

i just don't care they're all [h__\h]

1672

01:09:02,709 --> 01:09:00,719

criminals it doesn't matter and i get

1673

01:09:04,309 --> 01:09:02,719

mad at people who like picked aside and

1674

01:09:05,590 --> 01:09:04,319

they're so adamant that their side is

1675

01:09:07,990 --> 01:09:05,600

right no

1676

01:09:09,990 --> 01:09:08,000

your site's criminals too let's compare

1677

01:09:11,669 --> 01:09:10,000

and contrast both sides are criminals

1678

01:09:13,749 --> 01:09:11,679

maybe your criminal is slightly less

1679

01:09:15,749 --> 01:09:13,759

criminal than this criminal

1680

01:09:17,349 --> 01:09:15,759

on the other side but you don't get a

1681

01:09:24,630 --> 01:09:17,359

prize for picking

1682

01:09:28,390 --> 01:09:26,070

you may not have

1683

01:09:30,070 --> 01:09:28,400

had to delete it that's safer too though

1684

01:09:32,229 --> 01:09:30,080

michael and i've got a backup right on

1685

01:09:34,870 --> 01:09:32,239

my hard drive and it's going on patreon

1686

01:09:35,829 --> 01:09:34,880

so for the patreon supporters uh

1687

01:09:38,390 --> 01:09:35,839

you know

1688

01:09:40,309 --> 01:09:38,400

you'll get access to it forever and

1689

01:09:41,910 --> 01:09:40,319

that'll be like a lost

1690

01:09:43,669 --> 01:09:41,920

truth seekers show

1691

01:09:45,349 --> 01:09:43,679

uh and i just wanted to mention too i

1692

01:09:47,030 --> 01:09:45,359

just realized today because i stopped

1693

01:09:48,789 --> 01:09:47,040

numbering the shows for a time because

1694

01:09:51,430 --> 01:09:48,799

here's what i realized

1695

01:09:55,590 --> 01:09:51,440

i had this um formatting where i would

1696

01:09:56,550 --> 01:09:55,600

put like truth seekers episode 0 0

1697

01:10:00,390 --> 01:09:56,560

you know

1698

01:10:05,910 --> 01:10:03,350

and that takes up the whole

1699

01:10:06,630 --> 01:10:05,920

the whole first line right

1700

01:10:08,229 --> 01:10:06,640

so

1701
01:10:10,310 --> 01:10:08,239
people would have to click on the video

1702
01:10:11,830 --> 01:10:10,320
to see what that show was about so i

1703
01:10:14,149 --> 01:10:11,840
changed and just started putting the

1704
01:10:16,550 --> 01:10:14,159
subject of the video or what the topic

1705
01:10:18,149 --> 01:10:16,560
was and not numbering anything

1706
01:10:22,310 --> 01:10:18,159
and i didn't realize it but tonight

1707
01:10:25,430 --> 01:10:22,320
we're now this is episode 77 so it's

1708
01:10:27,030 --> 01:10:25,440
amazing to me that we've produced now 77

1709
01:10:28,470 --> 01:10:27,040
shows

1710
01:10:30,310 --> 01:10:28,480
and that doesn't count a few other

1711
01:10:32,790 --> 01:10:30,320
videos that i made and uploaded to the

1712
01:10:34,390 --> 01:10:32,800
channel that's just

1713
01:10:36,950 --> 01:10:34,400

you know shows

1714

01:10:39,830 --> 01:10:36,960

so that's amazing to me because

1715

01:10:41,830 --> 01:10:39,840

uh in radio land i did one show a week

1716

01:10:43,830 --> 01:10:41,840

and it took all week to produce

1717

01:10:45,510 --> 01:10:43,840

sometimes it took all week to produce

1718

01:10:46,870 --> 01:10:45,520

the one show

1719

01:10:48,870 --> 01:10:46,880

all that

1720

01:10:53,030 --> 01:10:48,880

uh

1721

01:10:55,350 --> 01:10:53,040

editing and

1722

01:10:56,470 --> 01:10:55,360

formatting and putting commercials in

1723

01:11:02,630 --> 01:10:56,480

and

1724

01:11:04,870 --> 01:11:02,640

i much prefer this new format we just

1725

01:11:07,590 --> 01:11:04,880

made more shows in a few months than i

1726

01:11:09,990 --> 01:11:07,600

made in like literally two years making

1727

01:11:11,590 --> 01:11:10,000

radio shows once a week i mean given it

1728

01:11:12,870 --> 01:11:11,600

was supposed to be a once a week show

1729

01:11:14,470 --> 01:11:12,880

but

1730

01:11:16,630 --> 01:11:14,480

i just

1731

01:11:18,470 --> 01:11:16,640

i couldn't do more than one show a week

1732

01:11:19,910 --> 01:11:18,480

i was asked to at one point and i said

1733

01:11:22,229 --> 01:11:19,920

there's no way there's no way that i

1734

01:11:23,990 --> 01:11:22,239

could do that it just takes you know

1735

01:11:25,350 --> 01:11:24,000

it took me some when i started

1736

01:11:27,910 --> 01:11:25,360

especially i didn't know what i was

1737

01:11:30,470 --> 01:11:27,920

doing so it would take me 10 or 20 hours

1738

01:11:32,630 --> 01:11:30,480

20 hours sometimes two really good full

1739

01:11:34,149 --> 01:11:32,640

days of work and editing to make one two

1740

01:11:36,470 --> 01:11:34,159

hour show

1741

01:11:38,630 --> 01:11:36,480

so no way that i wanted to do a show

1742

01:11:41,110 --> 01:11:38,640

three days a week but with this format i

1743

01:11:45,510 --> 01:11:41,120

can and uh everything works much better

1744

01:11:48,870 --> 01:11:46,870

prank magic

1745

01:11:50,709 --> 01:11:48,880

no here's what we're gonna do i'm gonna

1746

01:11:53,750 --> 01:11:50,719

have a panel show and we're gonna put

1747

01:11:56,470 --> 01:11:53,760

you on it and then your job is to say

1748

01:12:01,669 --> 01:11:56,480

something stupid and make it a [h__h]

1749

01:12:05,750 --> 01:12:03,590

i think that would be a fun show and

1750

01:12:14,950 --> 01:12:05,760

then everybody can blame the whole thing

1751

01:12:17,910 --> 01:12:16,310

yeah and uh

1752

01:12:20,390 --> 01:12:17,920

i heard mention

1753

01:12:23,110 --> 01:12:20,400

i haven't seen mario heat for a while so

1754

01:12:24,950 --> 01:12:23,120

shout out to mario he uh

1755

01:12:26,630 --> 01:12:24,960

i don't i heard there's some kind of

1756

01:12:28,709 --> 01:12:26,640

drama going on between him and another

1757

01:12:30,790 --> 01:12:28,719

show host or something and so he hasn't

1758

01:12:31,910 --> 01:12:30,800

been around and i just wanted to

1759

01:12:33,830 --> 01:12:31,920

tell him like

1760

01:12:36,550 --> 01:12:33,840

hey mario heat like

1761

01:12:38,870 --> 01:12:36,560

you know i didn't do nothing we mean you

1762

01:12:41,910 --> 01:12:38,880

ain't got no beef so you know you can

1763

01:12:43,750 --> 01:12:41,920

come to my show it's okay and uh you

1764

01:12:44,950 --> 01:12:43,760

know but i hope everything works out

1765

01:12:47,110 --> 01:12:44,960

with the other

1766

01:12:49,910 --> 01:12:47,120

shows too because

1767

01:12:52,310 --> 01:12:49,920

you know anyway you know i've noticed

1768

01:12:54,310 --> 01:12:52,320

his absence and uh we're thinking of you

1769

01:12:55,270 --> 01:12:54,320

bro so uh

1770

01:12:57,750 --> 01:12:55,280

you know

1771

01:12:59,189 --> 01:12:57,760

be sure to check back in with us let

1772

01:13:09,510 --> 01:12:59,199

everybody know

1773

01:13:13,110 --> 01:13:11,590

yeah charles elise where's mario i don't

1774

01:13:14,870 --> 01:13:13,120

know he had some kind of falling out

1775

01:13:17,350 --> 01:13:14,880

with another show host and a live chat

1776

01:13:19,430 --> 01:13:17,360

or something and and he had just kind of

1777

01:13:21,510 --> 01:13:19,440

bailed out and he hasn't been

1778

01:13:23,030 --> 01:13:21,520

he hasn't been around so

1779

01:13:25,750 --> 01:13:23,040

i don't know i don't know what's going

1780

01:13:27,510 --> 01:13:25,760

on but i hope he's good and healthy and

1781

01:13:29,030 --> 01:13:27,520

happy and you know

1782

01:13:35,350 --> 01:13:29,040

and uh

1783

01:13:38,950 --> 01:13:36,950

right magic

1784

01:13:41,030 --> 01:13:38,960

you don't know me well enough but the

1785

01:13:43,830 --> 01:13:41,040

best way to get me to do something is to

1786

01:13:46,470 --> 01:13:43,840

tell me no don't do it

1787

01:13:48,790 --> 01:13:46,480

so we're doing a panel show bro not on

1788

01:13:51,270 --> 01:13:48,800

friday but we'll do it

1789

01:13:55,110 --> 01:13:52,950

editing takes a lot of work some time

1790

01:13:58,790 --> 01:13:55,120

hours and hours a lot of times just for

1791

01:14:00,870 --> 01:13:58,800

something 10 minutes or less yeah i mean

1792

01:14:02,550 --> 01:14:00,880

i i don't miss

1793

01:14:04,470 --> 01:14:02,560

i really don't miss all the editing i

1794

01:14:07,350 --> 01:14:04,480

used to have to do

1795

01:14:13,430 --> 01:14:08,630

you know the other thing i have to say

1796

01:14:18,310 --> 01:14:15,110

i'm going to say this as diplomatically

1797

01:14:23,669 --> 01:14:21,030

if you're thinking about doing a podcast

1798

01:14:24,709 --> 01:14:23,679

don't do it on an on any kind of podcast

1799

01:14:26,149 --> 01:14:24,719

network

1800

01:14:28,630 --> 01:14:26,159

do it yourself

1801
01:14:30,630 --> 01:14:28,640
um because here's the problem a lot of

1802
01:14:32,070 --> 01:14:30,640
these podcast network

1803
01:14:33,430 --> 01:14:32,080
they mean well

1804
01:14:35,110 --> 01:14:33,440
and they think they're going to give you

1805
01:14:37,830 --> 01:14:35,120
some kind of resources or some kind of

1806
01:14:39,590 --> 01:14:37,840
bump up you know like well we've got

1807
01:14:41,350 --> 01:14:39,600
this many listeners and we're going to

1808
01:14:43,510 --> 01:14:41,360
put you in our rotation at a certain

1809
01:14:45,510 --> 01:14:43,520
time every week and people get used to

1810
01:14:47,350 --> 01:14:45,520
seeing you or hearing you there and

1811
01:14:51,110 --> 01:14:47,360
you're going to grow your audience no

1812
01:14:55,430 --> 01:14:52,950
i grew my own audience and then i

1813
01:14:57,510 --> 01:14:55,440

brought it to a podcast network and my

1814

01:14:58,550 --> 01:14:57,520

audience grew very little

1815

01:15:03,110 --> 01:14:58,560

uh

1816

01:15:04,950 --> 01:15:03,120

podcast network didn't do most of the

1817

01:15:06,790 --> 01:15:04,960

things that they promised to do like the

1818

01:15:07,750 --> 01:15:06,800

distribution you know

1819

01:15:08,950 --> 01:15:07,760

so

1820

01:15:11,910 --> 01:15:08,960

uh

1821

01:15:13,830 --> 01:15:11,920

and i wasn't making anywhere near as

1822

01:15:15,750 --> 01:15:13,840

much money as little money as i'm making

1823

01:15:17,270 --> 01:15:15,760

with this show it's still worlds better

1824

01:15:29,590 --> 01:15:17,280

than i made

1825

01:15:33,750 --> 01:15:31,830

yeah six design i understand that and

1826

01:15:35,990 --> 01:15:33,760

given the current climate i understand a

1827

01:15:37,669 --> 01:15:36,000

show host getting upset if somebody says

1828

01:15:38,790 --> 01:15:37,679

something that could be

1829

01:15:40,310 --> 01:15:38,800

you know

1830

01:15:41,750 --> 01:15:40,320

a problem

1831

01:15:43,990 --> 01:15:41,760

but i think

1832

01:15:46,709 --> 01:15:44,000

you know this situation is bad right

1833

01:15:49,030 --> 01:15:46,719

it's designed because we're i'm on edge

1834

01:15:51,110 --> 01:15:49,040

people in the live chat now are kind of

1835

01:15:53,110 --> 01:15:51,120

on edge like well i don't want to say

1836

01:15:55,430 --> 01:15:53,120

anything that might get steve's show in

1837

01:15:57,430 --> 01:15:55,440

trouble or get him a strut you know

1838

01:16:00,149 --> 01:15:57,440

and it and that's not a

1839

01:16:02,709 --> 01:16:00,159

it's not a entertaining

1840

01:16:05,270 --> 01:16:02,719

fun you know light

1841

01:16:07,510 --> 01:16:05,280

mood for people to come into like people

1842

01:16:17,430 --> 01:16:07,520

want to go into oppressive environment

1843

01:16:22,550 --> 01:16:20,229

ah yes i have heard about this did you

1844

01:16:24,709 --> 01:16:22,560

see that the earth is taking a coronal

1845

01:16:26,070 --> 01:16:24,719

mass ejection flare tonight and tomorrow

1846

01:16:27,590 --> 01:16:26,080

you should be able to see the aurora

1847

01:16:29,030 --> 01:16:27,600

borealis all the way down to

1848

01:16:30,870 --> 01:16:29,040

pennsylvania

1849

01:16:33,750 --> 01:16:30,880

um

1850

01:16:35,430 --> 01:16:33,760

i have heard this uh three different

1851
01:16:36,950 --> 01:16:35,440
times lamont that you're gonna be able

1852
01:16:38,310 --> 01:16:36,960
to see the aurora borealis in

1853
01:16:39,830 --> 01:16:38,320
pennsylvania

1854
01:16:41,110 --> 01:16:39,840
and

1855
01:16:44,470 --> 01:16:41,120
i don't think so

1856
01:16:46,550 --> 01:16:44,480
uh all three times i was there at the

1857
01:16:49,430 --> 01:16:46,560
cabin waiting

1858
01:16:51,189 --> 01:16:49,440
to see this and really hoping to because

1859
01:16:53,189 --> 01:16:51,199
i've never seen the uh the northern

1860
01:16:56,070 --> 01:16:53,199
lights the aurora borealis

1861
01:16:58,470 --> 01:16:56,080
um that's on my bucket list actually

1862
01:17:00,709 --> 01:16:58,480
um and i'm at the highest elevation in

1863
01:17:02,149 --> 01:17:00,719

pennsylvania so if you're actually

1864

01:17:05,110 --> 01:17:02,159
supposed to be able to see it then i

1865

01:17:06,790 --> 01:17:05,120
should see it but i'll report back if i

1866

01:17:08,950 --> 01:17:06,800
do i'll try to get some pictures or

1867

01:17:10,950 --> 01:17:08,960
video or something

1868

01:17:12,709 --> 01:17:10,960
um

1869

01:17:14,470 --> 01:17:12,719
wow i didn't know this

1870

01:17:17,110 --> 01:17:14,480
now you're making me even more paranoid

1871

01:17:19,030 --> 01:17:17,120
thanks six's design thank you thank you

1872

01:17:21,430 --> 01:17:19,040
you're really helping my paranoid state

1873

01:17:23,430 --> 01:17:21,440
of delusion that i'm in right now

1874

01:17:27,030 --> 01:17:23,440
youtube is checking chat just as much as

1875

01:17:29,990 --> 01:17:28,550
and with that it's getting harder and

1876

01:17:34,070 --> 01:17:30,000

harder to accommodate the rules

1877

01:17:38,709 --> 01:17:36,709

it is bad i completely agree

1878

01:17:41,430 --> 01:17:38,719

shout out to madeleine

1879

01:17:42,870 --> 01:17:41,440

meadows absolutely

1880

01:17:44,630 --> 01:17:42,880

um

1881

01:17:46,550 --> 01:17:44,640

good to have you here yeah you can

1882

01:17:48,709 --> 01:17:46,560

always get a shout out i didn't shout

1883

01:17:50,310 --> 01:17:48,719

everybody out we've got a good number of

1884

01:17:52,229 --> 01:17:50,320

people here today i'll go through the

1885

01:17:53,990 --> 01:17:52,239

live chat we'll do some shout outs for

1886

01:17:55,750 --> 01:17:54,000

everyone sixth design is here lee

1887

01:17:57,910 --> 01:17:55,760

beltman is here

1888

01:18:00,070 --> 01:17:57,920

uh that clown prague magic is here and

1889

01:18:01,590 --> 01:18:00,080

he'll be on our show on friday at 8 pm

1890

01:18:04,070 --> 01:18:01,600

eastern time

1891

01:18:07,110 --> 01:18:04,080

michael is here charles unleashed we

1892

01:18:10,830 --> 01:18:07,120

said lee beltman uh paul cargo is here

1893

01:18:17,669 --> 01:18:14,149

uh i don't know jeanette krazenko is

1894

01:18:22,790 --> 01:18:19,910

let me see if i got everyone

1895

01:18:27,350 --> 01:18:25,189

jolly bridgeburner is here shout out to

1896

01:18:29,189 --> 01:18:27,360

jolly bridgeburner

1897

01:18:30,950 --> 01:18:29,199

and of course shout out once again to

1898

01:18:32,630 --> 01:18:30,960

melinda

1899

01:18:35,189 --> 01:18:32,640

uh

1900

01:18:36,950 --> 01:18:35,199

bunya is here shout out to bunya chris

1901

01:18:38,149 --> 01:18:36,960

michael is here shout out to chris

1902

01:18:40,790 --> 01:18:38,159

michael

1903

01:18:42,709 --> 01:18:40,800

and i think we got all of you guys in

1904

01:18:45,590 --> 01:18:42,719

the shout outs why do i smoke because

1905

01:18:47,750 --> 01:18:45,600

i'm stupid and uh i have them right here

1906

01:18:49,750 --> 01:18:47,760

where do i have one

1907

01:18:51,430 --> 01:18:49,760

i have a vape

1908

01:18:54,229 --> 01:18:51,440

somewhere here i'm supposed to be

1909

01:18:55,910 --> 01:18:54,239

switching to vaping

1910

01:18:57,350 --> 01:18:55,920

but i'm stupid

1911

01:18:58,390 --> 01:18:57,360

that would be that that would be the

1912

01:19:01,030 --> 01:18:58,400

best

1913

01:19:06,470 --> 01:19:01,040

answer uh that i could give you

1914

01:19:10,070 --> 01:19:08,070

and i'm going back and forth with those

1915

01:19:12,630 --> 01:19:10,080

things like sometimes for about half the

1916

01:19:14,550 --> 01:19:12,640

day i'm okay with it then i still seem

1917

01:19:15,750 --> 01:19:14,560

like i always just want a real cigarette

1918

01:19:17,510 --> 01:19:15,760

so

1919

01:19:20,390 --> 01:19:17,520

this happened the last time i switched

1920

01:19:26,870 --> 01:19:20,400

to vaping for two years previous and

1921

01:19:30,790 --> 01:19:28,470

yeah i have to be no you can always be

1922

01:19:32,630 --> 01:19:30,800

honest with me though it's fine i'm only

1923

01:19:33,910 --> 01:19:32,640

teasing you that you're making me more

1924

01:19:35,189 --> 01:19:33,920

paranoid

1925

01:19:37,590 --> 01:19:35,199

there's things that i have to be

1926

01:19:39,990 --> 01:19:37,600

watchful for here now six of design and

1927

01:19:43,189 --> 01:19:40,000

i appreciate you letting me letting me

1928

01:19:49,510 --> 01:19:45,110

i'm trying to vape as we speak only

1929

01:19:52,870 --> 01:19:49,520

because i'm out of cigars yeah uh

1930

01:19:56,390 --> 01:19:52,880

that uh did it for me uh one time i

1931

01:19:58,390 --> 01:19:56,400

think i i started vaping because i was

1932

01:20:00,390 --> 01:19:58,400

totally broken out of money and i had a

1933

01:20:03,030 --> 01:20:00,400

bunch of vaping stuff

1934

01:20:05,350 --> 01:20:03,040

um sort of stacked up that i didn't use

1935

01:20:06,790 --> 01:20:05,360

different juices and stuff

1936

01:20:08,790 --> 01:20:06,800

uh

1937

01:20:11,350 --> 01:20:08,800

yeah i i don't know

1938

01:20:14,790 --> 01:20:11,360

that might be hate speech i just don't

1939

01:20:17,590 --> 01:20:16,229

it's a hell of a thing to see i guess

1940

01:20:20,310 --> 01:20:17,600

you're talking about the northern whites

1941

01:20:22,630 --> 01:20:20,320

yeah i would love to see them uh and and

1942

01:20:25,270 --> 01:20:22,640

we'll see you know like

1943

01:20:27,189 --> 01:20:25,280

maybe just maybe uh

1944

01:20:28,870 --> 01:20:27,199

i'll be able to see it and if i do i'll

1945

01:20:30,229 --> 01:20:28,880

report on that i'm gonna look up what

1946

01:20:31,830 --> 01:20:30,239

night is supposed to be best and i'll

1947

01:20:34,709 --> 01:20:31,840

make sure that i'm

1948

01:20:35,910 --> 01:20:34,719

outside looking up and and see

1949

01:20:42,070 --> 01:20:35,920

what it is that

1950

01:20:46,550 --> 01:20:43,270

i think we're going to re-title

1951

01:20:49,030 --> 01:20:46,560

tonight's show the downer of censorship

1952

01:20:53,910 --> 01:20:51,350

but that might be an accurate title and

1953

01:20:55,830 --> 01:20:53,920

get me banned

1954

01:21:00,470 --> 01:20:55,840

because it's not censorship it's just

1955

01:21:04,790 --> 01:21:02,550

i uh

1956

01:21:07,590 --> 01:21:04,800

yeah this is this is occupied my brain

1957

01:21:09,910 --> 01:21:07,600

space all day like me thinking

1958

01:21:10,709 --> 01:21:09,920

like now i've got to make some changes

1959

01:21:13,270 --> 01:21:10,719

and

1960

01:21:14,950 --> 01:21:13,280

i've got to

1961

01:21:17,110 --> 01:21:14,960

be sure to

1962

01:21:18,870 --> 01:21:17,120

uh caution guests

1963

01:21:19,910 --> 01:21:18,880

that i don't want any guests talking

1964

01:21:21,510 --> 01:21:19,920

about

1965

01:21:23,510 --> 01:21:21,520

anything to do with politics or the

1966

01:21:26,550 --> 01:21:23,520

health crisis uh those seem to be the

1967

01:21:28,709 --> 01:21:26,560

two hot buttons for this platform

1968

01:21:30,709 --> 01:21:28,719

and uh

1969

01:21:32,470 --> 01:21:30,719

and like i said i honestly i don't want

1970

01:21:33,590 --> 01:21:32,480

to talk about either of those two things

1971

01:21:34,390 --> 01:21:33,600

anyway

1972

01:21:35,910 --> 01:21:34,400

so

1973

01:21:38,070 --> 01:21:35,920

first of all it's not worth the risk of

1974

01:21:40,070 --> 01:21:38,080

losing your channel and secondly i don't

1975

01:21:42,950 --> 01:21:40,080

care about those subjects i don't want

1976

01:21:44,229 --> 01:21:42,960

to

1977

01:21:45,290 --> 01:21:44,239

uh

1978

01:21:46,790 --> 01:21:45,300

i don't want to

1979

01:21:48,790 --> 01:21:46,800

[Music]

1980

01:21:50,390 --> 01:21:48,800

run the risk and i don't even care to

1981

01:21:51,750 --> 01:21:50,400

speaking about them so i'm not going to run

1982

01:21:53,590 --> 01:21:51,760

the risk of losing my channel over

1983

01:21:55,990 --> 01:21:53,600

something i generally don't want to talk

1984

01:22:00,950 --> 01:21:56,000

about or care about

1985

01:22:04,870 --> 01:22:02,870

and uh i forgot in the shout out cw

1986

01:22:06,709 --> 01:22:04,880

channel was here earlier so shout out to

1987

01:22:09,030 --> 01:22:06,719

cw channel

1988

01:22:11,430 --> 01:22:09,040

and you know he apparently is facing

1989

01:22:14,709 --> 01:22:11,440

similar issues with his channel and he's

1990

01:22:17,430 --> 01:22:14,719

uh taken a step to private i believe all

1991

01:22:19,270 --> 01:22:17,440

of his previous shows because

1992

01:22:21,189 --> 01:22:19,280

that algorithm could find a show he did

1993

01:22:23,189 --> 01:22:21,199

two or five years ago and find fault

1994

01:22:25,110 --> 01:22:23,199

with it and give him a strike and he

1995

01:22:27,750 --> 01:22:25,120

doesn't want to see that happen

1996

01:22:29,750 --> 01:22:27,760

and i believe he like me has suddenly

1997

01:22:31,830 --> 01:22:29,760

found the urgency of backing up his

1998

01:22:33,590 --> 01:22:31,840

channel

1999

01:22:36,870 --> 01:22:33,600

um

2000

01:22:38,870 --> 01:22:36,880

and that's not an easy thing to do uh

2001

01:22:42,070 --> 01:22:38,880

you need a youtube i have all the

2002

01:22:43,830 --> 01:22:42,080

software uh cw so if you need help i can

2003

01:22:47,270 --> 01:22:43,840

maybe i can help you

2004

01:22:49,830 --> 01:22:47,280

i have software to download youtube uh

2005

01:22:53,189 --> 01:22:49,840

content i just need the links

2006

01:22:54,470 --> 01:22:53,199

and i guess uh well you'd have to

2007

01:22:56,149 --> 01:22:54,480

i don't know i'll talk to you offline

2008

01:22:58,149 --> 01:22:56,159

about it but if you need help to back up

2009

01:23:00,390 --> 01:22:58,159

your uh your whole channel

2010

01:23:01,910 --> 01:23:00,400

i may be able to help with that but

2011

01:23:04,070 --> 01:23:01,920

given that you have like a thousand

2012

01:23:06,149 --> 01:23:04,080

videos boy that could take some time i

2013

01:23:07,189 --> 01:23:06,159

think he has a thousand i could be wrong

2014

01:23:12,229 --> 01:23:07,199

he's got

2015

01:23:18,070 --> 01:23:15,510

yes uh dale jones i think galactic

2016

01:23:21,430 --> 01:23:18,080

federation is fair game and we talked a

2017

01:23:32,470 --> 01:23:21,440

little bit about that earlier uh

2018

01:23:35,750 --> 01:23:34,950

bought out the competition allegedly

2019

01:23:37,030 --> 01:23:35,760

yeah

2020

01:23:38,790 --> 01:23:37,040

i i think

2021

01:23:41,270 --> 01:23:38,800

i think all these tech giants have way

2022

01:23:43,350 --> 01:23:41,280

too much power and control

2023

01:23:45,510 --> 01:23:43,360

and uh

2024

01:23:47,830 --> 01:23:45,520

it's it's inevitable that the government

2025

01:23:49,990 --> 01:23:47,840

is going to get involved and say hey

2026

01:23:58,229 --> 01:23:50,000

you're abusing users

2027

01:24:03,510 --> 01:24:00,229

i didn't i did not know that i need to

2028

01:24:04,870 --> 01:24:03,520

get a mic for our lives on facebook uh

2029

01:24:06,550 --> 01:24:04,880

the imac

2030

01:24:08,390 --> 01:24:06,560

mic is garbage

2031

01:24:10,629 --> 01:24:08,400

yeah

2032

01:24:12,629 --> 01:24:10,639

i was surprised michael because i got

2033

01:24:14,709 --> 01:24:12,639

this few year old

2034

01:24:15,590 --> 01:24:14,719

27 inch imac

2035

01:24:17,430 --> 01:24:15,600

and

2036

01:24:19,830 --> 01:24:17,440

you know

2037

01:24:21,830 --> 01:24:19,840

i i it's probably the first apple

2038

01:24:24,709 --> 01:24:21,840

product that i've actually used you know

2039

01:24:26,790 --> 01:24:24,719

like i had an old

2040

01:24:28,149 --> 01:24:26,800

emacs but i didn't use somebody gave it

2041

01:24:29,750 --> 01:24:28,159

to me because they know i'm a computer

2042

01:24:31,830 --> 01:24:29,760

guy and i just sort of [h__h] around

2043

01:24:32,870 --> 01:24:31,840

with it and went yeah mac is terrible

2044

01:24:35,350 --> 01:24:32,880

especially

2045

01:24:37,990 --> 01:24:35,360

os 7 you know

2046

01:24:40,470 --> 01:24:38,000

it was that old of an emacs so

2047

01:24:42,790 --> 01:24:40,480

i was surprised i was shocked

2048

01:24:44,790 --> 01:24:42,800

at the shitty quality of both the built

2049

01:24:46,870 --> 01:24:44,800

the microphone in the imac and the

2050

01:24:49,350 --> 01:24:46,880

webcam the webcam in the microphone was

2051

01:24:51,189 --> 01:24:49,360

[h__\h] terrible too

2052

01:24:53,350 --> 01:24:51,199

uh

2053

01:24:54,709 --> 01:24:53,360

yeah charles unleashed you may be right

2054

01:24:56,709 --> 01:24:54,719

you may be right

2055

01:24:58,629 --> 01:24:56,719

dark journalist will probably be next he

2056

01:25:00,470 --> 01:24:58,639

could be he talks about a lot of crazy

2057

01:25:07,350 --> 01:25:00,480

[h__\h] and lets a lot of guests talk a lot

2058

01:25:10,550 --> 01:25:09,590

who owns the videos once you post them

2059

01:25:13,270 --> 01:25:10,560

uh

2060

01:25:16,229 --> 01:25:13,280

that's a gray area i think both of

2061

01:25:17,990 --> 01:25:16,239

youtube doesn't own anything they're

2062

01:25:20,550 --> 01:25:18,000

just a distributor

2063

01:25:22,470 --> 01:25:20,560

i believe i could be wrong i i believe

2064

01:25:25,189 --> 01:25:22,480

so there's too many people that are

2065

01:25:26,870 --> 01:25:25,199

putting copyrighted material on youtube

2066

01:25:29,189 --> 01:25:26,880

and claiming ownership of that material

2067

01:25:30,550 --> 01:25:29,199

so i think you still own your material

2068

01:25:32,310 --> 01:25:30,560

but

2069

01:25:37,910 --> 01:25:32,320

they can just delete it all at any time

2070

01:25:40,550 --> 01:25:39,430

free speech is so funny you can speak

2071

01:25:41,990 --> 01:25:40,560

all you want but dealing with the

2072

01:25:43,669 --> 01:25:42,000

consequences is a totally different

2073

01:25:44,709 --> 01:25:43,679

monster waiting for you on the other

2074

01:25:48,310 --> 01:25:44,719

side

2075

01:25:51,350 --> 01:25:50,390

yeah and so michael i was saying earlier

2076

01:25:52,790 --> 01:25:51,360

uh

2077

01:25:55,189 --> 01:25:52,800

that you were talking about the mic

2078

01:25:57,189 --> 01:25:55,199

being garbage the screen on the imacs

2079

01:25:59,350 --> 01:25:57,199

are beautiful though and to me being

2080

01:26:00,950 --> 01:25:59,360

vision impaired it's the best screen

2081

01:26:03,830 --> 01:26:00,960

that you could get

2082

01:26:05,110 --> 01:26:03,840

uh and that's why even though i hate i

2083

01:26:08,149 --> 01:26:05,120

hate apple

2084

01:26:10,629 --> 01:26:08,159

os i just i'm just gonna get imax and

2085

01:26:11,830 --> 01:26:10,639

put my version of linux on them

2086

01:26:13,590 --> 01:26:11,840

and that's how we're going to run the

2087

01:26:15,910 --> 01:26:13,600

show that's how i'm going to run my

2088

01:26:19,590 --> 01:26:15,920

cabin studio that's how we're going to

2089

01:26:21,350 --> 01:26:19,600

do everything with 27 inch imacs but

2090

01:26:23,990 --> 01:26:21,360

actually i got a

2091

01:26:27,350 --> 01:26:24,000

boy what a nightmare

2092

01:26:28,550 --> 01:26:27,360

i uh i found i wanted to see if the

2093

01:26:32,709 --> 01:26:28,560

older

2094

01:26:35,030 --> 01:26:32,719

17 inch imacs were as good as

2095

01:26:35,990 --> 01:26:35,040

this 27 inch as far as the screen goes

2096

01:26:38,070 --> 01:26:36,000

but i didn't want to spend a lot of

2097

01:26:41,510 --> 01:26:38,080

money so i found one for like

2098

01:26:42,790 --> 01:26:41,520

50 on ebay and 20 shipping or 27

2099

01:26:43,910 --> 01:26:42,800

shipping or something like that and

2100

01:26:45,430 --> 01:26:43,920

bought it

2101

01:26:48,629 --> 01:26:45,440

and then it turned out to be some kind

2102

01:26:50,950 --> 01:26:48,639

of scammer who was like oh the shipping

2103

01:26:53,350 --> 01:26:50,960

ebay didn't calculate the shipping

2104

01:26:55,030 --> 01:26:53,360

right it's three dollars more to ship it

2105

01:26:56,790 --> 01:26:55,040

and he didn't give me an option to give

2106

01:26:58,629 --> 01:26:56,800

him the three dollars he just canceled

2107

01:27:00,149 --> 01:26:58,639

the ebay

2108

01:27:02,550 --> 01:27:00,159

cancelled the purchase

2109

01:27:04,470 --> 01:27:02,560

but now he won't give me the money back

2110

01:27:05,750 --> 01:27:04,480

and he's giving me some kind of excuses

2111

01:27:07,669 --> 01:27:05,760

like he doesn't have any money in his

2112

01:27:09,590 --> 01:27:07,679

paypal account and i have to wait seven

2113

01:27:13,270 --> 01:27:09,600

days before he's gonna have money and

2114

01:27:15,750 --> 01:27:13,280

like what a [h__h] nightmare uh so i

2115

01:27:17,669 --> 01:27:15,760

bought another one that's cheap for like

2116

01:27:20,390 --> 01:27:17,679

fifty dollars shipped so it actually

2117

01:27:21,990 --> 01:27:20,400

came out to my favor and i'm confident

2118

01:27:24,229 --> 01:27:22,000

that

2119

01:27:25,669 --> 01:27:24,239

ebay and paypal will force this idiot to

2120

01:27:26,629 --> 01:27:25,679

give me my money back but it might take

2121

01:27:28,709 --> 01:27:26,639

a week

2122

01:27:30,470 --> 01:27:28,719

oh what a nightmare right and what a

2123

01:27:31,350 --> 01:27:30,480

[h__h] slime ball right around

2124

01:27:33,189 --> 01:27:31,360

christmas you're going to take

2125

01:27:34,950 --> 01:27:33,199

somebody's money and then make them wait

2126
01:27:36,470 --> 01:27:34,960
a week to give them their money back

2127
01:27:37,590 --> 01:27:36,480
when you don't want to ship an item

2128
01:27:40,070 --> 01:27:37,600
because

2129
01:27:41,350 --> 01:27:40,080
the shipping was three dollars more

2130
01:27:43,990 --> 01:27:41,360
right

2131
01:27:46,229 --> 01:27:44,000
and the best is he he said well you i'll

2132
01:27:48,149 --> 01:27:46,239
relist it and you could buy it at the at

2133
01:27:50,149 --> 01:27:48,159
the right shipping and mail

2134
01:27:51,910 --> 01:27:50,159
but he won't give me my money back so he

2135
01:27:53,669 --> 01:27:51,920
re-listed the item

2136
01:27:55,669 --> 01:27:53,679
and tells me that i could buy so what

2137
01:27:57,030 --> 01:27:55,679
i'm supposed to pay him twice and he

2138
01:28:00,390 --> 01:27:57,040

won't give me my money back for the

2139

01:28:02,470 --> 01:28:00,400

first one [h__h] you pal right

2140

01:28:06,070 --> 01:28:02,480

and it's really like a really old

2141

01:28:07,669 --> 01:28:06,080

17-inch imac that i got but uh i don't

2142

01:28:09,750 --> 01:28:07,679

need a lot of processing power

2143

01:28:12,070 --> 01:28:09,760

especially for streaming i need so it's

2144

01:28:15,030 --> 01:28:12,080

like a quart ii duo and like

2145

01:28:18,310 --> 01:28:15,040

two gigs of ram but i want to see if

2146

01:28:20,149 --> 01:28:18,320

that 17-inch older imac screens are good

2147

01:28:22,709 --> 01:28:20,159

because if they are i'm going to buy a

2148

01:28:24,830 --> 01:28:22,719

bunch of those older imac workstations

2149

01:28:28,310 --> 01:28:24,840

and use them here for various different

2150

01:28:29,430 --> 01:28:28,320

things um

2151

01:28:31,669 --> 01:28:29,440

and

2152

01:28:33,270 --> 01:28:31,679

you know but it's funny that like i

2153

01:28:35,350 --> 01:28:33,280

almost never have a problem buying

2154

01:28:37,830 --> 01:28:35,360

something on ebay you know

2155

01:28:39,270 --> 01:28:37,840

but when i do it turns into this thing

2156

01:28:41,510 --> 01:28:39,280

where i gotta like write letters to

2157

01:28:43,110 --> 01:28:41,520

paypal explain what happened and why

2158

01:28:43,990 --> 01:28:43,120

this guy wouldn't give me my money back

2159

01:28:46,310 --> 01:28:44,000

and like

2160

01:28:47,910 --> 01:28:46,320

so today i just said i'm not [h__h]

2161

01:28:50,310 --> 01:28:47,920

waiting for all this and i just filed

2162

01:28:52,390 --> 01:28:50,320

everything right away like give me my

2163

01:28:53,910 --> 01:28:52,400

money back you [\h__\h] scuzz ball low

2164

01:28:55,510 --> 01:28:53,920

life loser

2165

01:28:57,430 --> 01:28:55,520

and uh

2166

01:28:58,790 --> 01:28:57,440

and he even said something to me like oh

2167

01:29:01,110 --> 01:28:58,800

uh i'll give you your money back in a

2168

01:29:03,430 --> 01:29:01,120

week i hope you won't go bankrupt before

2169

01:29:06,870 --> 01:29:03,440

then like listen it's a tough time right

2170

01:29:10,550 --> 01:29:06,880

now bro and uh 70 dollars is 70

2171

01:29:12,149 --> 01:29:10,560

and i i need the machine here in order

2172

01:29:12,870 --> 01:29:12,159

to do some work

2173

01:29:15,030 --> 01:29:12,880

so

2174

01:29:17,189 --> 01:29:15,040

it is a big deal to me because you just

2175

01:29:19,510 --> 01:29:17,199

made me wait three or four days you

2176

01:29:20,950 --> 01:29:19,520

didn't ship it and then now you won't

2177

01:29:23,270 --> 01:29:20,960

give me my money back for seven days

2178

01:29:25,110 --> 01:29:23,280

that's ten days waiting for buying some

2179

01:29:27,910 --> 01:29:25,120

cheap ass old

2180

01:29:29,590 --> 01:29:27,920

obsolete imac that is probably worthless

2181

01:29:39,350 --> 01:29:29,600

to everybody but a nerd like me that

2182

01:29:43,430 --> 01:29:41,270

youtube reserves the right to censor

2183

01:29:45,669 --> 01:29:43,440

content but the creator ultimately owns

2184

01:29:55,669 --> 01:29:45,679

it okay so yeah there's confirmation

2185

01:29:55,679 --> 01:30:10,629

hmm

2186

01:30:16,950 --> 01:30:13,110

no comment

2187

01:30:18,229 --> 01:30:16,960

say nasty things about people that i

2188

01:30:19,189 --> 01:30:18,239

dislike

2189

01:30:21,910 --> 01:30:19,199

uh

2190

01:30:24,070 --> 01:30:21,920

because that just fosters more

2191

01:30:26,390 --> 01:30:24,080

negative emotion towards them when you

2192

01:30:32,870 --> 01:30:26,400

still want it or you know

2193

01:30:39,990 --> 01:30:36,950

i just bought the uh lebano yoga

2194

01:30:42,070 --> 01:30:40,000

[h__\h] rocks not cheap

2195

01:30:43,910 --> 01:30:42,080

yeah well shout out to river dogma

2196

01:30:45,669 --> 01:30:43,920

pitbull i don't believe we've seen you

2197

01:30:47,270 --> 01:30:45,679

here before you might you may be new

2198

01:30:50,149 --> 01:30:47,280

this is kind of a downer of a show with

2199

01:30:51,750 --> 01:30:50,159

no topic we're just open format open

2200

01:30:53,669 --> 01:30:51,760

lines tonight

2201
01:30:55,830 --> 01:30:53,679
usually we have some sort of subject

2202
01:30:57,750 --> 01:30:55,840
matter

2203
01:30:59,590 --> 01:30:57,760
i do not believe nor follow any expert

2204
01:31:01,669 --> 01:30:59,600
or celebrity in the field of ufology

2205
01:31:03,350 --> 01:31:01,679
whatsoever i'm with you on that one

2206
01:31:07,990 --> 01:31:03,360
michael

2207
01:31:10,870 --> 01:31:09,030
again

2208
01:31:13,510 --> 01:31:10,880
i'm not gonna comment negatively on

2209
01:31:15,750 --> 01:31:13,520
another show host jimmy

2210
01:31:17,830 --> 01:31:15,760
i mean michael

2211
01:31:20,629 --> 01:31:17,840
not gonna comment

2212
01:31:22,390 --> 01:31:20,639
uh on what you've said here and i'm not

2213
01:31:31,030 --> 01:31:22,400

gonna

2214

01:31:37,750 --> 01:31:31,040

michael and you understand

2215

01:31:40,709 --> 01:31:39,270

there are people

2216

01:31:43,430 --> 01:31:40,719

uh

2217

01:31:44,470 --> 01:31:43,440

really who do not deserve

2218

01:31:45,830 --> 01:31:44,480

their

2219

01:31:53,030 --> 01:31:45,840

place

2220

01:31:57,430 --> 01:31:55,030

it's better to underclock them some of

2221

01:31:59,990 --> 01:31:57,440

them for stability my current void board

2222

01:32:02,390 --> 01:32:00,000

has all types of overclock

2223

01:32:04,550 --> 01:32:02,400

features with great protections

2224

01:32:06,390 --> 01:32:04,560

yeah i got into overclocking for a

2225

01:32:08,229 --> 01:32:06,400

little while but i burn a few very

2226
01:32:10,390 --> 01:32:08,239
expensive processors so i stopped doing

2227
01:32:13,270 --> 01:32:10,400
that but this is way early on before

2228
01:32:15,750 --> 01:32:13,280
they had those things six design like

2229
01:32:17,030 --> 01:32:15,760
like were you know the protections built

2230
01:32:19,030 --> 01:32:17,040
into the motherboard that would shut

2231
01:32:20,310 --> 01:32:19,040
down the processor before it overheated

2232
01:32:31,030 --> 01:32:20,320
and smoked

2233
01:32:35,669 --> 01:32:32,950
in the matrix shady grove and then

2234
01:32:37,430 --> 01:32:35,679
pushing that larp stuff has me upset

2235
01:32:38,870 --> 01:32:37,440
leave elmin you live in an entirely

2236
01:32:41,430 --> 01:32:38,880
different world and i don't even know

2237
01:32:45,189 --> 01:32:41,440
what you're talking about but i know it

2238
01:32:46,550 --> 01:32:45,199

probably is q-related [\h__\h]

2239

01:32:47,270 --> 01:32:46,560

and you know what i'm not even going to

2240

01:32:50,149 --> 01:32:47,280

say

2241

01:32:52,310 --> 01:32:50,159

letter

2242

01:32:55,270 --> 01:32:52,320

conspiracy theory that's what i'll say

2243

01:32:59,750 --> 01:32:55,280

from now on

2244

01:33:03,189 --> 01:33:01,110

yeah

2245

01:33:05,030 --> 01:33:03,199

that that's why i like this one it has

2246

01:33:07,669 --> 01:33:05,040

crazy protection it holds two sets of

2247

01:33:09,830 --> 01:33:07,679

cmos bios backups wonderful stuff yeah

2248

01:33:12,229 --> 01:33:09,840

you live in a

2249

01:33:13,910 --> 01:33:12,239

listen success design i get by with

2250

01:33:16,709 --> 01:33:13,920

computers that i literally get out of

2251

01:33:19,510 --> 01:33:16,719

that trash or people give me i'm really

2252

01:33:22,709 --> 01:33:19,520

not big on buying computers

2253

01:33:24,709 --> 01:33:22,719

um i'm making an exception in the case

2254

01:33:26,709 --> 01:33:24,719

of these imacs but that's only because

2255

01:33:29,510 --> 01:33:26,719

i've recently discovered that the imac

2256

01:33:32,470 --> 01:33:29,520

screen is the best screen

2257

01:33:34,709 --> 01:33:32,480

um at least the one that i have

2258

01:33:37,030 --> 01:33:34,719

is the best screen that i've ever seen

2259

01:33:39,669 --> 01:33:37,040

for my vision impairment problems and i

2260

01:33:42,310 --> 01:33:39,679

have a much easier time working on them

2261

01:33:44,070 --> 01:33:42,320

so but i want to get some old imac

2262

01:33:45,350 --> 01:33:44,080

beaters and fix them up

2263

01:33:46,790 --> 01:33:45,360

because i don't like spending a lot of

2264

01:33:48,629 --> 01:33:46,800

money on

2265

01:33:50,149 --> 01:33:48,639

on hardware

2266

01:33:54,070 --> 01:33:50,159

uh

2267

01:33:56,709 --> 01:33:54,080

and really for my purposes with linux um

2268

01:33:59,270 --> 01:33:56,719

it's kind of host independent you know i

2269

01:34:02,790 --> 01:33:59,280

could keep my whole computer on a

2270

01:34:05,189 --> 01:34:02,800

on a usb thumb drive or on a laptop hard

2271

01:34:07,350 --> 01:34:05,199

drive and a usb adapter and put it on

2272

01:34:08,470 --> 01:34:07,360

literally any computer in my house and

2273

01:34:09,830 --> 01:34:08,480

it'll boot

2274

01:34:11,910 --> 01:34:09,840

so

2275

01:34:14,070 --> 01:34:11,920

i just don't find a value in having like

2276

01:34:15,669 --> 01:34:14,080

a big delay and especially paying that

2277

01:34:17,350 --> 01:34:15,679

much for the latest and greatest you

2278

01:34:21,830 --> 01:34:17,360

know

2279

01:34:23,830 --> 01:34:21,840

rippers though if anybody has seen these

2280

01:34:25,510 --> 01:34:23,840

rising thread rippers

2281

01:34:27,030 --> 01:34:25,520

man that's a beautiful processor

2282

01:34:28,709 --> 01:34:27,040

especially if you want to make videos

2283

01:34:30,790 --> 01:34:28,719

right

2284

01:34:32,229 --> 01:34:30,800

here yeah many frankenstein creations i

2285

01:34:34,310 --> 01:34:32,239

don't pay as much though i buy them two

2286

01:34:36,790 --> 01:34:34,320

years after they came out saved like 50

2287

01:34:37,590 --> 01:34:36,800

easy yeah that's the way to do it that

2288

01:34:39,669 --> 01:34:37,600

or

2289

01:34:42,390 --> 01:34:39,679

taking you know i have a few friends

2290

01:34:43,590 --> 01:34:42,400

that upgrade their pcs every year and a

2291

01:34:45,350 --> 01:34:43,600

half

2292

01:34:47,110 --> 01:34:45,360

and so when they do that they're always

2293

01:34:49,590 --> 01:34:47,120

giving me like motherboards or video

2294

01:34:52,870 --> 01:34:49,600

cards and i take it all

2295

01:34:57,990 --> 01:34:55,189

oh spooky i hate you

2296

01:35:01,669 --> 01:34:59,830

having a cup of tea before bed i just

2297

01:35:03,110 --> 01:35:01,679

played three hours of cyberpunk and it's

2298

01:35:05,030 --> 01:35:03,120

simply incredible

2299

01:35:06,229 --> 01:35:05,040

uh

2300

01:35:07,750 --> 01:35:06,239

spooky

2301

01:35:11,669 --> 01:35:07,760

i'm poor

2302

01:35:13,910 --> 01:35:11,679

and the 500 or 600 dollars plus the cost

2303

01:35:15,669 --> 01:35:13,920

of the game that it would cost for me to

2304

01:35:18,950 --> 01:35:15,679

be able to play that game

2305

01:35:21,990 --> 01:35:18,960

to me might as well be uh 500 million

2306

01:35:27,189 --> 01:35:22,000

right because i don't know i couldn't

2307

01:35:29,030 --> 01:35:27,199

tell you when i may have that much money

2308

01:35:31,110 --> 01:35:29,040

to spare

2309

01:35:34,790 --> 01:35:31,120

to be able to buy that

2310

01:35:37,510 --> 01:35:34,800

playstation or the game itself

2311

01:35:38,390 --> 01:35:37,520

that makes me a little sad uh but then i

2312

01:35:40,629 --> 01:35:38,400

think

2313

01:35:42,950 --> 01:35:40,639

in two years i'll be able to get it for

2314

01:35:43,750 --> 01:35:42,960

a third of the price that you paid

2315

01:35:57,910 --> 01:35:43,760

so

2316

01:36:04,709 --> 01:36:00,149

michael i'm not sure

2317

01:36:08,070 --> 01:36:06,470

i have listened and joined in our shows

2318

01:36:09,430 --> 01:36:08,080

on speaker not in the past two weeks

2319

01:36:10,870 --> 01:36:09,440

though she's had some loot people and i

2320

01:36:15,590 --> 01:36:10,880

just can't sit and listen to those types

2321

01:36:15,600 --> 01:36:20,709

oh you're talking about erica luke's

2322

01:36:27,110 --> 01:36:22,950

not familiar with that show or that show

2323

01:36:31,590 --> 01:36:30,070

do android stream of electric debt

2324

01:36:32,390 --> 01:36:31,600

yeah that's another thing prank magic

2325

01:36:34,709 --> 01:36:32,400

like

2326

01:36:36,550 --> 01:36:34,719

i got a credit card right i could just

2327

01:36:39,590 --> 01:36:36,560

buy it right

2328

01:36:41,830 --> 01:36:39,600

but and my wife and i have this sort of

2329

01:36:44,629 --> 01:36:41,840

agreement that our credit cards are at

2330

01:36:45,510 --> 01:36:44,639

zero and or near zero you know i don't

2331

01:36:47,990 --> 01:36:45,520

know

2332

01:36:49,350 --> 01:36:48,000

uh maybe if there's uh

2333

01:36:53,109 --> 01:36:49,360

some stuff from the cab maybe a few

2334

01:36:55,750 --> 01:36:53,119

hundred dollars on that one card but

2335

01:36:58,470 --> 01:36:55,760

that's it right we don't have that and

2336

01:37:00,310 --> 01:36:58,480

uh we sort of have this on

2337

01:37:01,750 --> 01:37:00,320

well no we talked about it we i was

2338

01:37:04,070 --> 01:37:01,760

going to say unwritten

2339

01:37:06,310 --> 01:37:04,080

rule no it's it's not a written rule but

2340

01:37:07,990 --> 01:37:06,320

it's an agreed to rule that we only use

2341

01:37:09,590 --> 01:37:08,000

credit cards for an emergency and she

2342

01:37:12,149 --> 01:37:09,600

went out of her way to say like buying a

2343

01:37:15,510 --> 01:37:12,159

new playstation is not an emergency when

2344

01:37:18,310 --> 01:37:15,520

we sort of agreed to this so

2345

01:37:20,149 --> 01:37:18,320

i don't know that i get a uh

2346

01:37:21,910 --> 01:37:20,159

i don't know if i could get a pass for

2347

01:37:23,990 --> 01:37:21,920

that so i could just put on a credit

2348

01:37:32,950 --> 01:37:24,000

card but i don't want to go into debt

2349

01:37:36,229 --> 01:37:34,550

without talking [h__h] i'll just say that

2350

01:37:38,790 --> 01:37:36,239

anyone who's telling you that they're in

2351

01:37:45,189 --> 01:37:38,800

the no is not yeah that's the way that's

2352

01:37:49,430 --> 01:37:47,189

spooky cyberpunk is like shadowrun the

2353

01:37:51,510 --> 01:37:49,440

table top i don't know michael but

2354

01:37:53,669 --> 01:37:51,520

everybody that i know that got that game

2355

01:37:55,910 --> 01:37:53,679

is telling me how amazing it is so far

2356

01:37:58,070 --> 01:37:55,920

so uh

2357

01:38:00,070 --> 01:37:58,080

i don't know but i want to tell you

2358

01:38:02,149 --> 01:38:00,080

spooky i feel like an old man because

2359

01:38:03,270 --> 01:38:02,159

like

2360

01:38:06,070 --> 01:38:03,280

i don't

2361

01:38:09,189 --> 01:38:06,080

i generally prefer old games like you

2362

01:38:11,750 --> 01:38:09,199

know my kid got a nintendo this like

2363

01:38:13,910 --> 01:38:11,760

nintendo classic with all the games

2364

01:38:16,470 --> 01:38:13,920

and i have thoroughly enjoyed playing

2365

01:38:19,109 --> 01:38:16,480

that again and i got a sega genesis

2366

01:38:20,149 --> 01:38:19,119

and uh thoroughly enjoyed playing that

2367

01:38:23,270 --> 01:38:20,159

again

2368

01:38:25,750 --> 01:38:23,280

just simpler you know you guys your

2369

01:38:29,109 --> 01:38:25,760

generation with these modern games and

2370

01:38:30,709 --> 01:38:29,119

18 button controllers and [h__h] it's so

2371

01:38:32,070 --> 01:38:30,719

complicated

2372

01:38:34,310 --> 01:38:32,080

uh

2373

01:38:36,229 --> 01:38:34,320

and also the time you know

2374

01:38:38,550 --> 01:38:36,239

i don't know

2375

01:38:40,629 --> 01:38:38,560

i don't i know people that spend 12

2376

01:38:42,550 --> 01:38:40,639

hours a day playing games

2377

01:38:44,470 --> 01:38:42,560

and to me like

2378

01:38:46,470 --> 01:38:44,480

wow i get it that people need to escape

2379

01:38:48,629 --> 01:38:46,480

right now so maybe that's what's driving

2380

01:38:51,430 --> 01:38:48,639

people to spend uh

2381

01:38:52,229 --> 01:38:51,440

12 hours a day inside a video game world

2382

01:38:53,750 --> 01:38:52,239

but

2383

01:38:56,390 --> 01:38:53,760

i don't want to do that

2384

01:38:58,629 --> 01:38:56,400

well maybe i do some days but i can't

2385

01:39:01,189 --> 01:38:58,639

because i have [h__\h] to do spooky like i

2386

01:39:03,830 --> 01:39:01,199

got [h__\h] i gotta do i have to i have to

2387

01:39:05,990 --> 01:39:03,840

make accomplishments in this world

2388

01:39:07,990 --> 01:39:06,000

and i think that's part of the

2389

01:39:10,950 --> 01:39:08,000

allure of video games you know like i

2390

01:39:12,310 --> 01:39:10,960

have a friend that's playing uh

2391

01:39:14,470 --> 01:39:12,320

i don't know what the hell is he playing

2392

01:39:17,109 --> 01:39:14,480

wow online still

2393

01:39:19,510 --> 01:39:17,119

you know and he'll tell me like

2394

01:39:22,790 --> 01:39:19,520

oh i got this many experience points

2395

01:39:25,109 --> 01:39:22,800

today and uh and this much gold like

2396

01:39:27,910 --> 01:39:25,119

that's a real accomplishment like well

2397

01:39:29,910 --> 01:39:27,920

good for you bro in a [h__\h] fake video

2398

01:39:32,310 --> 01:39:29,920

game world you're loaded but you're a

2399

01:39:33,590 --> 01:39:32,320

loser living on your mom's couch in the

2400

01:39:36,229 --> 01:39:33,600

basement

2401

01:39:38,550 --> 01:39:36,239

in the real world you know

2402

01:39:41,189 --> 01:39:38,560

i just got [h__h] to do

2403

01:39:43,350 --> 01:39:41,199

i can't i'd love to just escape to a

2404

01:39:47,030 --> 01:39:43,360

[h__h] fake video game world and have

2405

01:39:49,030 --> 01:39:47,040

adventures right for 12 hours a day

2406

01:39:57,990 --> 01:39:49,040

i got [h__h] i gotta get done in the real

2407

01:40:01,669 --> 01:40:00,229

okay spooky fair enough i play like an

2408

01:40:04,790 --> 01:40:01,679

hour a day

2409

01:40:07,669 --> 01:40:04,800

you stream as much as this my dude yeah

2410

01:40:09,830 --> 01:40:07,679

maybe you're right and maybe i'm also i

2411

01:40:11,669 --> 01:40:09,840

take getting a stream done as an

2412

01:40:13,590 --> 01:40:11,679

accomplishment

2413

01:40:15,590 --> 01:40:13,600

right and maybe it's not because all

2414

01:40:18,870 --> 01:40:15,600

i've done is injected

2415

01:40:20,870 --> 01:40:18,880

you know this thing into into the web

2416

01:40:23,350 --> 01:40:20,880

verse is that accomplishment in the real

2417

01:40:25,910 --> 01:40:23,360

world maybe not i don't know

2418

01:40:27,590 --> 01:40:25,920

it gets complicated

2419

01:40:29,350 --> 01:40:27,600

tonight is an exception and the last i

2420

01:40:31,109 --> 01:40:29,360

must sleep well you have a good rest

2421

01:40:33,750 --> 01:40:31,119

there bro and we're going to wrap things

2422

01:40:35,590 --> 01:40:33,760

up here i'm sorry i thought it'd be best

2423

01:40:37,590 --> 01:40:35,600

if we don't have a topic tonight so we

2424

01:40:40,709 --> 01:40:37,600

can just talk about some of the

2425

01:40:43,910 --> 01:40:40,719

stuff that's going on

2426

01:40:46,470 --> 01:40:43,920

i buy telescopes who don't use them

2427

01:40:47,750 --> 01:40:46,480

i'd use one michael you know just put

2428

01:40:49,189 --> 01:40:47,760

that out there

2429

01:40:50,470 --> 01:40:49,199

i'll send you a picture of the shitty

2430

01:40:53,830 --> 01:40:50,480

one that i have at the cabin that i'm

2431

01:40:55,669 --> 01:40:53,840

trying to refurbish or get working

2432

01:40:57,910 --> 01:40:55,679

it came with my house and it's really

2433

01:40:58,790 --> 01:40:57,920

old and i don't even know how good it is

2434

01:41:00,629 --> 01:40:58,800

but

2435

01:41:05,109 --> 01:41:00,639

i wanted to see the moon better at the

2436

01:41:08,950 --> 01:41:07,109

so i thought it best if there be no

2437

01:41:09,990 --> 01:41:08,960

topic tonight

2438

01:41:11,430 --> 01:41:10,000

uh

2439

01:41:14,229 --> 01:41:11,440

and we can just sort of talk about the

2440

01:41:17,350 --> 01:41:14,239

latest happenings with of uh

2441

01:41:19,189 --> 01:41:17,360

streamland and the changes that

2442

01:41:21,830 --> 01:41:19,199

are really going to be necessary going

2443

01:41:23,830 --> 01:41:21,840

forward in order to preserve the channel

2444

01:41:25,910 --> 01:41:23,840

and it's depressing and it's a downer

2445

01:41:29,109 --> 01:41:25,920

and i apologize for you having to sit

2446

01:41:33,910 --> 01:41:31,510

but you know look tomorrow i'm going to

2447

01:41:35,189 --> 01:41:33,920

try to pick a fun topic

2448

01:41:36,550 --> 01:41:35,199

and uh

2449

01:41:43,590 --> 01:41:36,560

well actually i think i've already got a

2450

01:41:48,629 --> 01:41:46,870

love the cabin see the moon better yeah

2451

01:41:50,470 --> 01:41:48,639

nowadays just getting off my asses

2452

01:41:52,870 --> 01:41:50,480

enough yeah i hear you love the cabins

2453

01:41:55,590 --> 01:41:52,880

see the moon but uh

2454

01:41:57,590 --> 01:41:55,600

yeah i i'm at the highest elevation in

2455

01:41:59,350 --> 01:41:57,600

pennsylvania prague magic and you can

2456

01:42:01,350 --> 01:41:59,360

see like the international space station

2457

01:42:03,270 --> 01:42:01,360

with the naked eye

2458

01:42:04,550 --> 01:42:03,280

you can see satellites passing over with

2459

01:42:06,629 --> 01:42:04,560

the naked eye

2460

01:42:08,790 --> 01:42:06,639

so i thought we gotta have a telescope

2461

01:42:10,870 --> 01:42:08,800

here so we can look at some of this [h__\h]

2462

01:42:14,390 --> 01:42:10,880

better and the moon's amazing there you

2463

01:42:14,400 --> 01:42:19,189

kb is here shout out to kb

2464

01:42:19,199 --> 01:42:22,390
down jones muller

2465

01:42:22,400 --> 01:42:26,830
it looks really misty there

2466

01:42:42,149 --> 01:42:28,709
yeah

2467

01:42:45,750 --> 01:42:43,750
that's a good strategy

2468

01:42:47,669 --> 01:42:45,760
one-on-one topic based constructive and

2469

01:42:50,470 --> 01:42:47,679
positive that's what i do doesn't keep

2470

01:42:52,550 --> 01:42:50,480
get clicks but hey welcome to my world

2471

01:42:54,229 --> 01:42:52,560
well you know what i'm realizing magic

2472

01:42:56,149 --> 01:42:54,239
when i go talking [h__h] about people it

2473

01:42:58,470 --> 01:42:56,159
gets the most views but now that could

2474

01:43:00,709 --> 01:42:58,480
be considered hate speech so

2475

01:43:02,390 --> 01:43:00,719
that's off the table you know or could

2476

01:43:03,590 --> 01:43:02,400

be off the table

2477

01:43:05,990 --> 01:43:03,600

i don't know

2478

01:43:07,430 --> 01:43:06,000

maybe i'll do like twitch only streams

2479

01:43:09,430 --> 01:43:07,440

when i want to talk [\h__\h] about people

2480

01:43:17,430 --> 01:43:09,440

and not worry about getting deleted or

2481

01:43:22,629 --> 01:43:20,070

yeah and i i like your videos i think

2482

01:43:25,590 --> 01:43:22,639

you do fine craig yeah

2483

01:43:28,070 --> 01:43:25,600

and really

2484

01:43:31,030 --> 01:43:28,080

if you were just after youtube clicks

2485

01:43:33,350 --> 01:43:31,040

and views then you could do

2486

01:43:35,590 --> 01:43:33,360

uh you know you could unbox transformers

2487

01:43:37,669 --> 01:43:35,600

toys pragmatic and get 10 times the

2488

01:43:40,390 --> 01:43:37,679

views you did if your goal is simply to

2489

01:43:42,229 --> 01:43:40,400

get views there's ways to do that i

2490

01:43:44,070 --> 01:43:42,239

don't think that's most artists goals

2491

01:43:47,189 --> 01:43:44,080

most artist schools want to share their

2492

01:43:49,830 --> 01:43:47,199

thoughts their feelings or their art

2493

01:43:52,870 --> 01:43:49,840

or that creative thing that they

2494

01:43:55,350 --> 01:43:52,880

create right and

2495

01:43:57,350 --> 01:43:55,360

i guess divorcing yourself from outcome

2496

01:43:59,430 --> 01:43:57,360

is a good idea right

2497

01:44:01,830 --> 01:43:59,440

but it's hard to do that like today i

2498

01:44:03,350 --> 01:44:01,840

noticed that the sub count dropped by 10

2499

01:44:07,669 --> 01:44:03,360

and i was like well i must have pissed

2500

01:44:08,470 --> 01:44:07,679

somebody off with that last show oh 11.

2501

01:44:12,070 --> 01:44:08,480

so

2502

01:44:19,350 --> 01:44:14,470

try to divorce myself from it from the

2503

01:44:24,229 --> 01:44:22,470

i want to read 90s comics on stream that

2504

01:44:27,030 --> 01:44:24,239

sounds like ah that's something that i

2505

01:44:29,590 --> 01:44:27,040

would tune into i grew up reading comics

2506

01:44:35,350 --> 01:44:29,600

in the 90s so for sure

2507

01:44:40,149 --> 01:44:37,590

somebody asked where carol was not sure

2508

01:44:41,910 --> 01:44:40,159

i have not seen them

2509

01:44:44,310 --> 01:44:41,920

yeah so friends we're gonna wrap things

2510

01:44:46,870 --> 01:44:44,320

up here we're at about almost an hour

2511

01:44:48,550 --> 01:44:46,880

and uh 45 minutes and i

2512

01:44:50,950 --> 01:44:48,560

didn't i thought this was going to be a

2513

01:44:52,709 --> 01:44:50,960

half hour so uh but you know i wanted to

2514

01:44:54,229 --> 01:44:52,719

give some time and attention to people

2515

01:44:55,109 --> 01:44:54,239

in the live chat

2516

01:44:56,230 --> 01:44:55,119

so

2517

01:44:57,750 --> 01:44:56,240

we could all share

2518

01:45:00,470 --> 01:44:57,760

[Music]

2519

01:45:01,830 --> 01:45:00,480

stuff here together right

2520

01:45:03,669 --> 01:45:01,840

i want to thank each and every one of

2521

01:45:05,030 --> 01:45:03,679

you for joining us

2522

01:45:06,550 --> 01:45:05,040

i'm always happy when there's an

2523

01:45:08,149 --> 01:45:06,560

audience and i'm glad that you could be

2524

01:45:10,229 --> 01:45:08,159

a part of mine

2525

01:45:12,790 --> 01:45:10,239

until next time friends my name is

2526

01:45:17,310 --> 01:45:12,800

stephen cambion good night and god bless

2527

01:46:47,470 --> 01:46:08,300

[Music]
