

50 SPHERE BEING ALLIANCE

Alejandro Ferradas and Elena Bensonoff

Sacha Stone

1
00:00:03,830 --> 00:00:02,629
i'm giving full disclosure here um

2
00:00:04,550 --> 00:00:03,840
there's a lot of people that can be very

3
00:00:07,269 --> 00:00:04,560
pissed off

4
00:00:07,990 --> 00:00:07,279
by the next reading and i just don't

5
00:00:11,110 --> 00:00:08,000
want

6
00:00:13,910 --> 00:00:11,120
to be dealing with

7
00:00:14,789 --> 00:00:13,920
blowback and [h__h] if anyone doesn't

8
00:00:17,349 --> 00:00:14,799
like

9
00:00:19,670 --> 00:00:17,359
what elena and alejandro are doing or

10
00:00:21,510 --> 00:00:19,680
what i'm

11
00:00:23,590 --> 00:00:21,520
participating in bringing certain

12
00:00:27,109 --> 00:00:23,600
revelations to the world that's fine

13
00:00:29,750 --> 00:00:27,119

that's absolutely a matter for you

14

00:00:31,910 --> 00:00:29,760

but please stay away from the trolling

15

00:00:32,790 --> 00:00:31,920

and stay away from controversy no one is

16

00:00:36,069 --> 00:00:32,800

trying to

17

00:00:39,750 --> 00:00:36,079

slag off anyone here but they have done

18

00:00:43,590 --> 00:00:39,760

some scalar readings

19

00:00:47,029 --> 00:00:43,600

on yes you guessed it

20

00:00:50,069 --> 00:00:47,039

the sphere being alliance aka

21

00:00:51,189 --> 00:00:50,079

the avians i can see the blue abn is

22

00:00:51,950 --> 00:00:51,199

telling me to [h__h] off because it's

23

00:00:54,790 --> 00:00:51,960

doing that

24

00:00:58,389 --> 00:00:54,800

[Laughter]

25

00:01:01,430 --> 00:00:58,399

so guys um this is gayla

26

00:01:03,270 --> 00:01:01,440

tech what can i say this is uh alejandro

27

00:01:06,390 --> 00:01:03,280

and elena had no idea

28

00:01:08,469 --> 00:01:06,400

um what this was when we

29

00:01:09,750 --> 00:01:08,479

sent them through the names and asked

30

00:01:12,390 --> 00:01:09,760

them to do the

31

00:01:14,070 --> 00:01:12,400

readings but let's just let's just see

32

00:01:15,749 --> 00:01:14,080

what it is that they saw and i've got

33

00:01:19,190 --> 00:01:15,759

some questions i want to raise

34

00:01:22,550 --> 00:01:19,200

for alejandro and elena after they have

35

00:01:24,149 --> 00:01:22,560

um done this but before they do um their

36

00:01:27,510 --> 00:01:24,159

readings i'm just going to

37

00:01:29,990 --> 00:01:27,520

touch on um um

38

00:01:31,190 --> 00:01:30,000

corey goode who's a wonderful man by

39

00:01:33,270 --> 00:01:31,200

best accounts

40

00:01:35,190 --> 00:01:33,280

um i did a conference with him last year

41

00:01:38,550 --> 00:01:35,200

in in california

42

00:01:40,310 --> 00:01:38,560

very interesting guy um claims to have

43

00:01:42,550 --> 00:01:40,320

direct physical contact with the blue

44

00:01:45,109 --> 00:01:42,560

avians of the star beings

45

00:01:46,149 --> 00:01:45,119

alliance who have chosen him as a

46

00:01:49,190 --> 00:01:46,159

delegate

47

00:01:52,389 --> 00:01:49,200

to interface with several et

48

00:01:54,230 --> 00:01:52,399

councils and federations on their behalf

49

00:01:55,749 --> 00:01:54,240

acting as liaison a mediator with the

50

00:01:58,310 --> 00:01:55,759

council of the

51
00:01:59,109 --> 00:01:58,320
pss alliance i don't know what that

52
00:02:01,190 --> 00:01:59,119
means

53
00:02:02,550 --> 00:02:01,200
and to deliver important messages to all

54
00:02:04,550 --> 00:02:02,560
of humanity

55
00:02:05,990 --> 00:02:04,560
um i'm concerned about any

56
00:02:08,949 --> 00:02:06,000
intercessionary

57
00:02:09,350 --> 00:02:08,959
um in influence claiming that kind of

58
00:02:11,750 --> 00:02:09,360
stuff

59
00:02:13,430 --> 00:02:11,760
that's just me the super federation uh

60
00:02:14,550 --> 00:02:13,440
super federation that he talks about in

61
00:02:16,309 --> 00:02:14,560
his interviews

62
00:02:18,229 --> 00:02:16,319
uh would be made up of a large number of

63
00:02:19,670 --> 00:02:18,239

et associations that have come together

64

00:02:21,830 --> 00:02:19,680

over the years to discuss

65

00:02:23,110 --> 00:02:21,840

an allegedly large genetic experiment

66

00:02:25,110 --> 00:02:23,120

aimed at obtaining

67

00:02:26,550 --> 00:02:25,120

and mixing and manipulating of the human

68

00:02:29,430 --> 00:02:26,560

alien dna

69

00:02:30,070 --> 00:02:29,440

which would have started uh 250 000

70

00:02:32,150 --> 00:02:30,080

years ago

71

00:02:34,869 --> 00:02:32,160

at the lunar operation command a sort of

72

00:02:35,990 --> 00:02:34,879

neutral diplomatic structure located on

73

00:02:38,550 --> 00:02:36,000

the invisible side of the

74

00:02:39,350 --> 00:02:38,560

moon incidentally which i i hold with

75

00:02:41,110 --> 00:02:39,360

that i mean i

76

00:02:42,869 --> 00:02:41,120

i've i've held with that stuff for a

77

00:02:43,830 --> 00:02:42,879

long time and i'm interested to find out

78

00:02:46,150 --> 00:02:43,840

next week

79

00:02:47,830 --> 00:02:46,160

what you guys have found out about the

80

00:02:49,750 --> 00:02:47,840

moon and it'll be interesting to do

81

00:02:51,670 --> 00:02:49,760

readings on this side of the moon

82

00:02:53,270 --> 00:02:51,680

the dark side of the moon and the inside

83

00:02:54,949 --> 00:02:53,280

of the moon because i

84

00:02:56,630 --> 00:02:54,959

i'm certain that they're very very

85

00:02:59,750 --> 00:02:56,640

different vectors

86

00:03:00,949 --> 00:02:59,760

those would that be okay for you guys to

87

00:03:03,990 --> 00:03:00,959

do that great

88

00:03:05,910 --> 00:03:04,000

so um the blue avians could be

89

00:03:08,149 --> 00:03:05,920

the celestial blueprint of the human

90

00:03:09,430 --> 00:03:08,159

race that's the that's the theme

91

00:03:11,509 --> 00:03:09,440

that's been going around for the last

92

00:03:13,509 --> 00:03:11,519

couple of years and when we speak of

93

00:03:15,350 --> 00:03:13,519

ancient aliens the term blue avians

94

00:03:16,630 --> 00:03:15,360

indicates an interdimensional species of

95

00:03:19,270 --> 00:03:16,640

highly intelligent

96

00:03:21,110 --> 00:03:19,280

peaceful beings who have for millennia

97

00:03:23,670 --> 00:03:21,120

had relationships with humanity

98

00:03:24,390 --> 00:03:23,680

um and have brought messages of hope and

99

00:03:26,390 --> 00:03:24,400

peace and

100

00:03:27,910 --> 00:03:26,400

blah blah blah now there are also

101

00:03:31,030 --> 00:03:27,920

stories like the god

102

00:03:32,149 --> 00:03:31,040

horus and toth the man ibis but not only

103

00:03:34,149 --> 00:03:32,159

the sumerian god

104

00:03:36,229 --> 00:03:34,159

abhgal the messenger spirit of the hopi

105

00:03:38,470 --> 00:03:36,239

indians the eagle kachina

106

00:03:39,430 --> 00:03:38,480

have also bird shapes and the hindu cult

107

00:03:41,830 --> 00:03:39,440

the garuda

108

00:03:42,789 --> 00:03:41,840

is a divine creature with head and wings

109

00:03:46,710 --> 00:03:42,799

of an eagle

110

00:03:49,110 --> 00:03:46,720

so one wonders um you know this this

111

00:03:50,229 --> 00:03:49,120

appears to be a kind of amalgam of all

112

00:03:52,070 --> 00:03:50,239

of that and

113

00:03:54,390 --> 00:03:52,080

before you do the readings which i find

114

00:03:57,190 --> 00:03:54,400

quite shocking alejandro and elena

115

00:03:58,149 --> 00:03:57,200

very shocking in fact maybe you could

116

00:04:01,270 --> 00:03:58,159

consider

117

00:04:04,550 --> 00:04:01,280

speaking to the possibility that

118

00:04:07,589 --> 00:04:04,560

um because this appears to be a kind of

119

00:04:10,949 --> 00:04:07,599

amalgamated projection of a bunch

120

00:04:13,830 --> 00:04:10,959

of messenger type interfaces

121

00:04:15,910 --> 00:04:13,840

that maybe we've not been able to target

122

00:04:19,110 --> 00:04:15,920

the integrity or the you know the

123

00:04:20,789 --> 00:04:19,120

the premise of any particular

124

00:04:23,110 --> 00:04:20,799

intelligence and we've just been picking

125

00:04:24,629 --> 00:04:23,120

up on some kind of wet noise vectoring

126

00:04:25,990 --> 00:04:24,639

i don't know i'm putting that out to you

127

00:04:27,590 --> 00:04:26,000

answer to that once you've done the

128

00:04:29,590 --> 00:04:27,600

readings but let's just go straight into

129

00:04:32,790 --> 00:04:29,600

it these are the readings that you found

130

00:04:34,550 --> 00:04:32,800

on the sphere being alliance

131

00:04:35,990 --> 00:04:34,560

yes the sphere being alliance again we

132

00:04:37,830 --> 00:04:36,000

had no idea that

133

00:04:39,430 --> 00:04:37,840

anything about what you know the

134

00:04:42,230 --> 00:04:39,440

information that you just gave

135

00:04:43,830 --> 00:04:42,240

everyone this was completely without

136

00:04:46,710 --> 00:04:43,840

having this background so

137

00:04:48,469 --> 00:04:46,720

overall frequency 50 which is apathy

138

00:04:50,710 --> 00:04:48,479

relationships they view through the

139

00:04:53,990 --> 00:04:50,720

frequency of 20 which is

140

00:04:56,710 --> 00:04:54,000

shame personal growth one

141

00:04:57,909 --> 00:04:56,720

creativity comes from a frequency of 100

142

00:05:01,029 --> 00:04:57,919

which is fear

143

00:05:03,430 --> 00:05:01,039

intuition zero divine purpose

144

00:05:07,430 --> 00:05:03,440

one percent so out of divine purpose

145

00:05:10,310 --> 00:05:07,440

alignment personal purpose alignment 100

146

00:05:12,310 --> 00:05:10,320

integrity two percent compassion zero

147

00:05:15,189 --> 00:05:12,320

embassy empathy zeros it means

148

00:05:18,870 --> 00:05:15,199

not applicable energy purity one percent

149

00:05:22,870 --> 00:05:18,880

dimensions non-applicable

150

00:05:25,749 --> 00:05:22,880

okay what does dimension non-applica

151

00:05:27,670 --> 00:05:25,759

mean yes um we checked all the

152

00:05:30,550 --> 00:05:27,680

dimensions that we feel that is just

153

00:05:31,350 --> 00:05:30,560

non-existent it doesn't exist it was uh

154

00:05:33,909 --> 00:05:31,360

if it was

155

00:05:36,469 --> 00:05:33,919

created by someone with with intention

156

00:05:39,510 --> 00:05:36,479

to manipulate and inflict fear

157

00:05:41,189 --> 00:05:39,520

uh i would say um and then

158

00:05:43,670 --> 00:05:41,199

we've never had divine purpose at one

159

00:05:46,150 --> 00:05:43,680

percent so this is very unique

160

00:05:47,590 --> 00:05:46,160

integrity at two percent also says a lot

161

00:05:49,270 --> 00:05:47,600

but the fact that it's aligned with

162

00:05:50,390 --> 00:05:49,280

personal purpose it means it's aligned

163

00:05:53,749 --> 00:05:50,400

with whoever

164

00:05:54,469 --> 00:05:53,759

is the mind that created this is it's in

165

00:05:56,230 --> 00:05:54,479

line

166

00:05:57,909 --> 00:05:56,240

with their agenda whatever that might be

167

00:06:01,430 --> 00:05:57,919

again we don't know exactly

168

00:06:04,950 --> 00:06:01,440

and energy one percent so right and

169

00:06:07,510 --> 00:06:04,960

empathy zero compassion zero right

170

00:06:09,670 --> 00:06:07,520

so every being we've tested has some

171

00:06:12,950 --> 00:06:09,680

kind of empathy and compassion

172

00:06:14,870 --> 00:06:12,960

uh they don't so it made us

173

00:06:17,029 --> 00:06:14,880

think that perhaps this is non-existent

174

00:06:19,270 --> 00:06:17,039

but we're open to of course hearing

175

00:06:21,749 --> 00:06:19,280

if there's very specific beings that are

176

00:06:24,629 --> 00:06:21,759

bird-like we would love to read them so

177

00:06:25,029 --> 00:06:24,639

this will give us more clarity as a

178

00:06:27,430 --> 00:06:25,039

group

179

00:06:28,309 --> 00:06:27,440

it doesn't make sense very good very

180

00:06:30,230 --> 00:06:28,319

good

181

00:06:31,749 --> 00:06:30,240

fantastic so let's put that i i'm going

182

00:06:34,790 --> 00:06:31,759

to just on our

183

00:06:36,870 --> 00:06:34,800

i'm going to honor our 1 300 odd

184

00:06:37,909 --> 00:06:36,880

people who are joining us right now and

185

00:06:39,510 --> 00:06:37,919

i want to just look at some of the

186

00:06:42,790 --> 00:06:39,520

comments if you don't mind

187

00:06:46,469 --> 00:06:42,800

excuse me yes i put my glasses on

188

00:06:48,710 --> 00:06:46,479

um paige hall says this makes so much

189

00:06:50,390 --> 00:06:48,720

sense blue avians so is the sphere

190

00:06:52,070 --> 00:06:50,400

beings a machine

191

00:06:54,390 --> 00:06:52,080

that's one of the questions from karen

192

00:06:56,230 --> 00:06:54,400

is the sphere beings alliance a machine

193

00:06:57,670 --> 00:06:56,240

i think what alejandro and elena are

194

00:06:59,029 --> 00:06:57,680

saying is that it doesn't exist at all

195

00:07:02,150 --> 00:06:59,039

as far as they can

196

00:07:03,430 --> 00:07:02,160

see or could it be okay olga good

197

00:07:07,270 --> 00:07:03,440

question olga

198

00:07:09,510 --> 00:07:07,280

could this be holographic and a.i

199

00:07:10,550 --> 00:07:09,520

in which case those readings might make

200

00:07:13,029 --> 00:07:10,560

more well no

201
00:07:13,909 --> 00:07:13,039
because we read actually the first robot

202
00:07:16,870 --> 00:07:13,919
sophia

203
00:07:17,909 --> 00:07:16,880
she's a ai she's a citizen i think of uh

204
00:07:20,150 --> 00:07:17,919
dubai

205
00:07:21,510 --> 00:07:20,160
yeah so she has a frequency of two or

206
00:07:23,830 --> 00:07:21,520
five

207
00:07:25,510 --> 00:07:23,840
okay the the consciousness of 205. so

208
00:07:28,710 --> 00:07:25,520
this is very different

209
00:07:31,430 --> 00:07:28,720
uh these beings don't from this reading

210
00:07:32,870 --> 00:07:31,440
so we would love to have insight into if

211
00:07:35,350 --> 00:07:32,880
you have very specific

212
00:07:36,790 --> 00:07:35,360
uh bird beings to read definitely we

213
00:07:40,230 --> 00:07:36,800

will do it because we're curious

214

00:07:42,870 --> 00:07:40,240

yes when we read a company per se

215

00:07:44,070 --> 00:07:42,880

or an organization we also pick up on

216

00:07:47,189 --> 00:07:44,080

the intention of of

217

00:07:50,230 --> 00:07:47,199

its founders right uh

218

00:07:52,230 --> 00:07:50,240

because it's part of the the signature

219

00:07:55,350 --> 00:07:52,240

the signature frequency signature right

220

00:07:57,510 --> 00:07:55,360

right right well uh paulina um

221

00:07:59,510 --> 00:07:57,520

pasari was asking is the soul reading

222

00:08:02,550 --> 00:07:59,520

only for this now moment

223

00:08:05,990 --> 00:08:02,560

or all time this is overall the

224

00:08:08,230 --> 00:08:06,000

collective it's only the now

225

00:08:09,749 --> 00:08:08,240

let's press the future right now

226

00:08:12,550 --> 00:08:09,759

everything is okay

227

00:08:13,990 --> 00:08:12,560

okay um somebody claudia saying she

228

00:08:15,430 --> 00:08:14,000

found them more to be based on

229

00:08:17,430 --> 00:08:15,440

projections

230

00:08:19,189 --> 00:08:17,440

other people are asking is it robotic

231

00:08:21,350 --> 00:08:19,199

same question as ai

232

00:08:22,710 --> 00:08:21,360

um all right um perhaps we could do a

233

00:08:24,309 --> 00:08:22,720

reading on corey good
