

300 THE FOOL ♈

1
00:00:42,830 --> 00:00:36,320
[Music]

2
00:00:42,840 --> 00:01:00,500
so

3
00:01:00,510 --> 00:01:10,830
[Music]

4
00:01:10,840 --> 00:01:14,680
so

5
00:01:25,950 --> 00:01:24,830
[Music]

6
00:01:38,050 --> 00:01:25,960
so

7
00:01:38,060 --> 00:02:07,109
[Music]

8
00:02:11,270 --> 00:02:09,430
greetings and salutations friends and

9
00:02:14,710 --> 00:02:11,280
welcome back

10
00:02:17,990 --> 00:02:14,720
boy it has been a crazy

11
00:02:21,750 --> 00:02:18,000
few days has it not uh

12
00:02:23,589 --> 00:02:21,760
a crazy week actually uh

13
00:02:25,510 --> 00:02:23,599

and you know something i learned during

14

00:02:28,309 --> 00:02:25,520

the philadelphia riots which is not

15

00:02:32,229 --> 00:02:28,319

something that i would usually cover

16

00:02:34,550 --> 00:02:32,239

is that when everyone is talking about

17

00:02:35,990 --> 00:02:34,560

a particular story it's important to

18

00:02:38,949 --> 00:02:36,000

jump in there to the mix

19

00:02:41,190 --> 00:02:38,959

go live and talk about it become part of

20

00:02:43,830 --> 00:02:41,200

that conversation

21

00:02:45,830 --> 00:02:43,840

i was just commenting to daniel from the

22

00:02:48,470 --> 00:02:45,840

context that i prefer this live

23

00:02:50,229 --> 00:02:48,480

streaming format so much more

24

00:02:52,790 --> 00:02:50,239

than my previous show which was a

25

00:02:54,869 --> 00:02:52,800

pre-recorded radio show

26

00:02:55,990 --> 00:02:54,879

i uh my radio show would be on at

27

00:03:02,830 --> 00:02:56,000

midnight

28

00:03:06,470 --> 00:03:02,840

all week long from sunday until

29

00:03:07,030 --> 00:03:06,480

sometimes 10 p.m until i uploaded the

30

00:03:10,710 --> 00:03:07,040

show

31

00:03:13,830 --> 00:03:10,720

i would be busily editing and

32

00:03:15,589 --> 00:03:13,840

cutting things adding things but it

33

00:03:18,309 --> 00:03:15,599

always felt like

34

00:03:20,949 --> 00:03:18,319

i wasn't a part of the that week's

35

00:03:24,149 --> 00:03:20,959

conversation i was a week behind

36

00:03:27,670 --> 00:03:24,159

sometimes more it felt like

37

00:03:30,149 --> 00:03:27,680

i was sending my

38

00:03:32,229 --> 00:03:30,159

comments about the current conversation

39

00:03:33,589 --> 00:03:32,239

in after the conversation had already

40

00:03:35,830 --> 00:03:33,599

ended

41

00:03:38,710 --> 00:03:35,840

but this format allows us to be a little

42

00:03:41,830 --> 00:03:38,720

more topical and a little more on point

43

00:03:46,229 --> 00:03:41,840

uh to

44

00:03:49,430 --> 00:03:46,239

be a part of the current conversation

45

00:03:53,670 --> 00:03:51,670

lately that i've been feeling is uh you

46

00:03:55,429 --> 00:03:53,680

know i found some original notes i've

47

00:03:55,910 --> 00:03:55,439

been thinking about the goals for my

48

00:03:58,949 --> 00:03:55,920

show

49

00:04:03,110 --> 00:03:58,959

and uh one of the goals was to

50

00:04:06,309 --> 00:04:03,120

go off the beaten path you know do not

51
00:04:10,789 --> 00:04:06,319
follow uh follow the path

52
00:04:13,350 --> 00:04:10,799
but rather create your own path

53
00:04:15,270 --> 00:04:13,360
and uh in some ways i think we've been

54
00:04:15,910 --> 00:04:15,280
successful in doing that but when we get

55
00:04:17,670 --> 00:04:15,920
into these

56
00:04:20,069 --> 00:04:17,680
let's talk about what everybody's

57
00:04:22,550 --> 00:04:20,079
talking about right now

58
00:04:24,230 --> 00:04:22,560
it's a little problematic for me i want

59
00:04:27,510 --> 00:04:24,240
to give people what they want

60
00:04:27,990 --> 00:04:27,520
but i want to feel fulfilled and i would

61
00:04:31,830 --> 00:04:28,000
feel like

62
00:04:33,990 --> 00:04:31,840
i'm doing following my bliss

63
00:04:35,749 --> 00:04:34,000

so this whole past week i've put a

64

00:04:39,110 --> 00:04:35,759

tremendous amount of time into

65

00:04:43,909 --> 00:04:39,120

uh this whole story of

66

00:04:47,350 --> 00:04:43,919

this psychopathic cult leader and

67

00:04:49,830 --> 00:04:47,360

it's been kind of taxing so at the

68

00:04:51,430 --> 00:04:49,840

same time i've been thinking i'm not

69

00:04:54,629 --> 00:04:51,440

reaching my goals with the show

70

00:04:56,870 --> 00:04:54,639

because i'm i'm not working hard enough

71

00:04:58,469 --> 00:04:56,880

then alone comes this story and there's

72

00:05:03,270 --> 00:04:58,479

so much information

73

00:05:06,310 --> 00:05:03,280

to digest to analyze to

74

00:05:08,830 --> 00:05:06,320

comment on uh that has been like a

75

00:05:11,909 --> 00:05:08,840

marathon for the past week

76

00:05:13,430 --> 00:05:11,919

um i don't have my sh my

77

00:05:17,350 --> 00:05:13,440

channel in front of me but i think

78

00:05:22,070 --> 00:05:19,830

several uploads a day since i decided to

79

00:05:25,110 --> 00:05:22,080

share this

80

00:05:27,110 --> 00:05:25,120

accountability project videos and the

81

00:05:29,110 --> 00:05:27,120

reason i decided to share those videos

82

00:05:31,510 --> 00:05:29,120

is because

83

00:05:33,110 --> 00:05:31,520

having followed some of these people for

84

00:05:34,230 --> 00:05:33,120

quite some time i've learned to be

85

00:05:36,230 --> 00:05:34,240

cautious

86

00:05:38,070 --> 00:05:36,240

if someone posts something on twitter

87

00:05:41,990 --> 00:05:38,080

you got to screenshot it right away

88

00:05:44,469 --> 00:05:42,000

because they may delete it the next day

89

00:05:45,510 --> 00:05:44,479

if someone posts a video you gotta you

90

00:05:47,270 --> 00:05:45,520

gotta grab it

91

00:05:49,830 --> 00:05:47,280

because they may take it down the next

92

00:05:53,990 --> 00:05:52,950

yesterday's show was very cathartic for

93

00:05:56,710 --> 00:05:54,000

me i commented

94

00:05:58,390 --> 00:05:56,720

like look i'm gonna try to keep more of

95

00:06:00,870 --> 00:05:58,400

an open mind i'm not gonna be so

96

00:06:03,749 --> 00:06:00,880

harsh with some of these victims of this

97

00:06:07,430 --> 00:06:03,759

terrible ufo cult

98

00:06:09,430 --> 00:06:07,440

or participants either some of them

99

00:06:11,510 --> 00:06:09,440

i never viewed as victims i viewed them

100

00:06:14,550 --> 00:06:11,520

as lieutenants of the cult leader

101
00:06:17,749 --> 00:06:14,560
and uh participants in the con

102
00:06:21,029 --> 00:06:17,759
in the scam and had been in the past

103
00:06:22,550 --> 00:06:21,039
very very harsh in talking about them

104
00:06:24,070 --> 00:06:22,560
commenting on them and their

105
00:06:27,749 --> 00:06:24,080
participation

106
00:06:29,510 --> 00:06:27,759
uh yesterday i said i'm not gonna

107
00:06:31,990 --> 00:06:29,520
i'm i'm gonna give them the benefit of

108
00:06:34,710 --> 00:06:32,000
the doubt they too

109
00:06:35,909 --> 00:06:34,720
could be considered victims of this

110
00:06:41,350 --> 00:06:35,919
dangerous

111
00:06:45,350 --> 00:06:43,590
i also decided that i was going to share

112
00:06:47,749 --> 00:06:45,360
their videos to my channel

113
00:06:49,589 --> 00:06:47,759

just in case anything happened and

114

00:06:53,990 --> 00:06:49,599

suddenly those videos disappeared i

115

00:06:55,990 --> 00:06:54,000

wanted those testimonies to be preserved

116

00:06:57,990 --> 00:06:56,000

preserved for all time i didn't want

117

00:07:01,589 --> 00:06:58,000

them lost

118

00:07:03,589 --> 00:07:01,599

and i feared that some of those videos

119

00:07:07,350 --> 00:07:03,599

or all of them may start disappearing

120

00:07:10,230 --> 00:07:07,360

so i have been um

121

00:07:11,510 --> 00:07:10,240

very proactive in making sure that i got

122

00:07:16,550 --> 00:07:11,520

them as soon as they

123

00:07:19,510 --> 00:07:16,560

were on the chat his channel and uh

124

00:07:21,510 --> 00:07:19,520

it seems to me that my fears were well

125

00:07:23,830 --> 00:07:21,520

pleased

126

00:07:25,110 --> 00:07:23,840

and uh you know yesterday i started

127

00:07:28,070 --> 00:07:25,120

talking about you know i want to

128

00:07:29,189 --> 00:07:28,080

be this kindler gentler person i don't

129

00:07:30,390 --> 00:07:29,199

want to assume

130

00:07:31,909 --> 00:07:30,400

one of the things yesterday i was

131

00:07:33,110 --> 00:07:31,919

thinking that maybe i didn't articulate

132

00:07:35,430 --> 00:07:33,120

well enough is that i

133

00:07:37,350 --> 00:07:35,440

tend to assume the worst in people call

134

00:07:39,830 --> 00:07:37,360

it a character flaw

135

00:07:41,189 --> 00:07:39,840

right especially in dealing with these

136

00:07:45,029 --> 00:07:41,199

cosmic

137

00:07:45,430 --> 00:07:45,039

cons and this whole grifting business of

138

00:07:48,230 --> 00:07:45,440

you know

139

00:07:48,710 --> 00:07:48,240

disclosure for money spirituality for

140

00:07:55,670 --> 00:07:48,720

money

141

00:07:56,309 --> 00:07:55,680

i don't and have not and still don't

142

00:07:59,830 --> 00:07:56,319

deem

143

00:08:03,430 --> 00:07:59,840

trustworthy but for the greater good

144

00:08:05,029 --> 00:08:03,440

right i'm trying or was trying to say

145

00:08:07,510 --> 00:08:05,039

i have to give people the benefit of

146

00:08:11,270 --> 00:08:07,520

doubt i have to be more open-minded

147

00:08:14,390 --> 00:08:11,280

i have to be more forgiving and i

148

00:08:16,950 --> 00:08:14,400

tried and i'm still trying

149

00:08:18,629 --> 00:08:16,960

um but last night i was told and

150

00:08:21,990 --> 00:08:18,639

verified that the

151
00:08:25,189 --> 00:08:22,000
the first video that this group put out

152
00:08:27,830 --> 00:08:25,199
was gone deleted from the channel

153
00:08:28,550 --> 00:08:27,840
i have since verified however that

154
00:08:31,189 --> 00:08:28,560
that's not

155
00:08:33,029 --> 00:08:31,199
entirely accurate the video is still

156
00:08:36,149 --> 00:08:33,039
there but it's been

157
00:08:36,469 --> 00:08:36,159
changed to unlisted so i suppose people

158
00:08:41,829 --> 00:08:36,479
can

159
00:08:43,829 --> 00:08:41,839
find it on my channel

160
00:08:45,910 --> 00:08:43,839
you know i said i was going to give this

161
00:08:49,430 --> 00:08:45,920
matthew the benefit of the doubt

162
00:08:51,910 --> 00:08:49,440
i was going to set aside my uh

163
00:08:53,750 --> 00:08:51,920

my problems right and i was just going

164

00:08:55,509 --> 00:08:53,760

to agree to disagree with him about his

165

00:08:58,389 --> 00:08:55,519

superpowers

166

00:08:59,110 --> 00:08:58,399

and how you can go on his website and

167

00:09:03,269 --> 00:08:59,120

see

168

00:09:05,269 --> 00:09:03,279

what i believe are typical psychic scams

169

00:09:07,509 --> 00:09:05,279

he's going to clear your energy right

170

00:09:11,990 --> 00:09:07,519

align your chakras and

171

00:09:14,710 --> 00:09:12,000

he'll remove negative entities from you

172

00:09:15,750 --> 00:09:14,720

every service that this guy offers you

173

00:09:18,470 --> 00:09:15,760

can't verify

174

00:09:19,269 --> 00:09:18,480

he did anything and this my friends is

175

00:09:22,550 --> 00:09:19,279

the typical

176

00:09:25,190 --> 00:09:22,560

psychic fake psychic scam

177

00:09:28,230 --> 00:09:25,200

they offer you know all this word salad

178

00:09:31,750 --> 00:09:28,240

will clear your chakras i'm gonna

179

00:09:35,190 --> 00:09:31,760

uh i'm gonna realign your energetic body

180

00:09:35,990 --> 00:09:35,200

right i'm going to cleanse your light

181

00:09:41,190 --> 00:09:36,000

body and your

182

00:09:44,870 --> 00:09:41,200

aura for 149.95

183

00:09:45,590 --> 00:09:44,880

but nobody can verify that that service

184

00:09:47,509 --> 00:09:45,600

was actually

185

00:09:49,430 --> 00:09:47,519

offered nobody can prove that that

186

00:09:52,949 --> 00:09:49,440

service is real

187

00:09:54,070 --> 00:09:52,959

you can't you know does anybody have a

188

00:09:56,710 --> 00:09:54,080

chakra meter

189

00:09:58,550 --> 00:09:56,720

that can tell scientifically that my

190

00:09:59,590 --> 00:09:58,560

chakras are out of alignment and then we

191

00:10:01,430 --> 00:09:59,600

can let a psychic

192

00:10:03,670 --> 00:10:01,440

do his thing on me and then we can get

193

00:10:04,550 --> 00:10:03,680

that chakra meter out again and find out

194

00:10:07,750 --> 00:10:04,560

oh yeah he did

195

00:10:09,829 --> 00:10:07,760

now my chakras are are aligned no of

196

00:10:11,430 --> 00:10:09,839

course not

197

00:10:13,430 --> 00:10:11,440

and i'm going to say this as politely as

198

00:10:14,230 --> 00:10:13,440

possible because i'm thinking of my

199

00:10:16,790 --> 00:10:14,240

father

200

00:10:17,350 --> 00:10:16,800

when i when i think of this do you know

201
00:10:19,829 --> 00:10:17,360
why

202
00:10:20,630 --> 00:10:19,839
they all offer these services that can

203
00:10:24,230 --> 00:10:20,640
never be

204
00:10:26,630 --> 00:10:24,240
scientifically proven that they've given

205
00:10:29,350 --> 00:10:26,640
it's because it's horseshit friends it's

206
00:10:32,870 --> 00:10:31,190
but i was gonna i'm i'm more than

207
00:10:34,710 --> 00:10:32,880
willing and i still

208
00:10:37,509 --> 00:10:34,720
to some extent am more than willing i'm

209
00:10:40,550 --> 00:10:37,519
going to set aside my feelings

210
00:10:43,110 --> 00:10:40,560
about what horseshit this presenter

211
00:10:44,790 --> 00:10:43,120
is selling people for money right maybe

212
00:10:46,310 --> 00:10:44,800
his heart's in the right place

213
00:10:48,069 --> 00:10:46,320

some people told me he's a good person

214

00:10:51,910 --> 00:10:48,079

hearts in the right place this and that

215

00:10:54,069 --> 00:10:51,920

okay um you know and we talked just

216

00:10:55,910 --> 00:10:54,079

yesterday about

217

00:10:58,069 --> 00:10:55,920

sometimes you just it's better for the

218

00:11:01,110 --> 00:10:58,079

greater good to shave your sword

219

00:11:03,350 --> 00:11:01,120

you know and sometimes the adversary of

220

00:11:06,550 --> 00:11:03,360

my adversary may not be my friend but

221

00:11:09,750 --> 00:11:06,560

maybe they could be my temporary ally

222

00:11:11,910 --> 00:11:09,760

because you see i'm a fool off on a

223

00:11:14,389 --> 00:11:11,920

fool's mission

224

00:11:15,590 --> 00:11:14,399

since first encountering this clown i

225

00:11:17,110 --> 00:11:15,600

started covering some of the

226

00:11:20,470 --> 00:11:17,120

ridiculousness

227

00:11:22,389 --> 00:11:20,480

of his claims and the drama

228

00:11:23,910 --> 00:11:22,399

always surrounding him and the darkness

229

00:11:27,110 --> 00:11:23,920

always surrounding him

230

00:11:28,389 --> 00:11:27,120

on my radio show and at the time i

231

00:11:30,870 --> 00:11:28,399

really thought

232

00:11:31,430 --> 00:11:30,880

boy i could change a lot of hearts and

233

00:11:33,990 --> 00:11:31,440

minds

234

00:11:35,750 --> 00:11:34,000

right i can save a lot of those lost

235

00:11:37,110 --> 00:11:35,760

struggling people that believe this

236

00:11:40,389 --> 00:11:37,120

idiot

237

00:11:44,870 --> 00:11:40,399

that are paying into

238

00:11:47,350 --> 00:11:44,880

this con i believe that

239

00:11:48,310 --> 00:11:47,360

yesterday i thought i will sheath my

240

00:11:50,389 --> 00:11:48,320

sword i will

241

00:11:52,470 --> 00:11:50,399

set aside my feelings about this guy and

242

00:11:54,949 --> 00:11:52,480

his fake superpowers

243

00:11:56,389 --> 00:11:54,959

maybe his heart's in the right place but

244

00:11:58,230 --> 00:11:56,399

you know

245

00:12:00,870 --> 00:11:58,240

there's already been signs that i'm

246

00:12:04,629 --> 00:12:00,880

being played a fool

247

00:12:06,629 --> 00:12:04,639

first the comments

248

00:12:08,829 --> 00:12:06,639

people were commenting on that liz lori

249

00:12:11,750 --> 00:12:08,839

the first video he posted

250

00:12:14,629 --> 00:12:11,760

apparently uh either he

251

00:12:16,150 --> 00:12:14,639

or more likely i'm told liz lori didn't

252

00:12:18,150 --> 00:12:16,160

like those comments

253

00:12:21,910 --> 00:12:18,160

so she requested that those comments get

254

00:12:23,750 --> 00:12:21,920

deleted and comments be disabled

255

00:12:25,910 --> 00:12:23,760

and that's what they did they deleted

256

00:12:29,030 --> 00:12:25,920

the comments and i thought

257

00:12:29,590 --> 00:12:29,040

well for somebody interested in in the

258

00:12:34,949 --> 00:12:29,600

truth

259

00:12:37,829 --> 00:12:34,959

questions comments debate

260

00:12:39,829 --> 00:12:37,839

and discussion doesn't seem very love

261

00:12:42,310 --> 00:12:39,839

and light to me

262

00:12:44,550 --> 00:12:42,320

in fact it seems like the exact same

263

00:12:47,750 --> 00:12:44,560

tactics

264

00:12:48,790 --> 00:12:47,760

that this ufo cult used to silence

265

00:12:51,190 --> 00:12:48,800

critics

266

00:12:54,629 --> 00:12:51,200

they block anyone on social media that

267

00:13:01,829 --> 00:12:57,910

next the live chat

268

00:13:04,550 --> 00:13:01,839

replay got turned off because apparently

269

00:13:06,069 --> 00:13:04,560

either matthew or liz laurie more likely

270

00:13:11,110 --> 00:13:06,079

didn't like some of the comments that

271

00:13:15,430 --> 00:13:13,990

and still still i was willing to give

272

00:13:18,790 --> 00:13:15,440

them the benefit of the doubt

273

00:13:20,310 --> 00:13:18,800

okay look i'm gonna try to set aside my

274

00:13:22,710 --> 00:13:20,320

issues with these people i'm going to

275

00:13:27,269 --> 00:13:22,720

try to set aside my reservations my

276

00:13:34,069 --> 00:13:30,150

and and try to keep an open mind and

277

00:13:35,670 --> 00:13:34,079

perhaps work for the greater good

278

00:13:37,030 --> 00:13:35,680

and then late last night i don't know

279

00:13:37,829 --> 00:13:37,040

three or four o'clock in the morning

280

00:13:41,030 --> 00:13:37,839

because i was up

281

00:13:43,910 --> 00:13:41,040

all night trying to uh work on

282

00:13:44,629 --> 00:13:43,920

our show here and our channel i got

283

00:13:47,269 --> 00:13:44,639

notice from

284

00:13:50,470 --> 00:13:47,279

uh someone that the entire video got

285

00:13:50,480 --> 00:13:54,069

that's problematic for me

286

00:13:57,990 --> 00:13:55,910

more than a little bit problematic but

287

00:13:59,829 --> 00:13:58,000

it didn't get deleted in fairness it got

288

00:14:02,870 --> 00:13:59,839

unlisted

289

00:14:03,509 --> 00:14:02,880

uh so if you search for that video you

290

00:14:06,470 --> 00:14:03,519

might find

291

00:14:08,389 --> 00:14:06,480

my copy of it on our channel here

292

00:14:09,350 --> 00:14:08,399

because we're the truth seekers and we

293

00:14:13,350 --> 00:14:09,360

don't mind

294

00:14:17,030 --> 00:14:13,360

debate comments questions criticism

295

00:14:19,590 --> 00:14:17,040

we welcome that

296

00:14:21,590 --> 00:14:19,600

but you can't find the original video

297

00:14:22,710 --> 00:14:21,600

you can't find all the original comments

298

00:14:25,189 --> 00:14:22,720

that were made

299

00:14:28,310 --> 00:14:25,199

some of them were very valid points that

300

00:14:31,430 --> 00:14:28,320

and questions that should be answered

301

00:14:34,389 --> 00:14:31,440

those are gone deleted gone

302

00:14:35,110 --> 00:14:34,399

because the council for truth doesn't

303

00:14:36,629 --> 00:14:35,120

apparently

304

00:14:40,790 --> 00:14:36,639

think they have to tell you the truth

305

00:14:45,829 --> 00:14:43,030

trying very hard here i'm gonna i'm

306

00:14:49,750 --> 00:14:45,839

trying i'm i gotta remain calm

307

00:14:51,269 --> 00:14:49,760

not get upset i refuse to get

308

00:14:53,110 --> 00:14:51,279

so emotional that i start yelling

309

00:14:55,189 --> 00:14:53,120

screaming today right it's almost

310

00:14:57,430 --> 00:14:55,199

christmas

311

00:14:58,550 --> 00:14:57,440

i i'm trying not to get angry about all

312

00:15:01,670 --> 00:14:58,560

this

313

00:15:03,110 --> 00:15:01,680

but then i think am i being played for a

314

00:15:06,550 --> 00:15:03,120

fool

315

00:15:09,590 --> 00:15:06,560

am i a useful idiot just helping

316

00:15:15,030 --> 00:15:12,069

spread what could essentially be

317

00:15:21,189 --> 00:15:18,069

no i don't think it goes that far

318

00:15:22,470 --> 00:15:21,199

but these current actions that they're

319

00:15:25,829 --> 00:15:22,480

taking

320

00:15:28,150 --> 00:15:25,839

certainly make me wonder now about that

321

00:15:31,350 --> 00:15:28,160

fool's mission

322

00:15:33,670 --> 00:15:31,360

i could spend

323

00:15:34,389 --> 00:15:33,680

literally all my time on this fool's

324

00:15:36,389 --> 00:15:34,399

mission

325

00:15:38,629 --> 00:15:36,399

trying to prove to people what a liar

326

00:15:40,069 --> 00:15:38,639

this ufo cult leader is trying to prove

327

00:15:44,710 --> 00:15:40,079

to people what a fake he

328

00:15:46,550 --> 00:15:44,720

is and i have spent a significant amount

329

00:15:48,470 --> 00:15:46,560

of my time doing that

330

00:15:50,629 --> 00:15:48,480

trying to change hearts and minds trying

331

00:15:53,670 --> 00:15:50,639

to save those lost

332

00:15:56,870 --> 00:15:53,680

sometimes sick or mentally ill people

333

00:16:00,629 --> 00:15:56,880

that are following this clown

334

00:16:03,430 --> 00:16:00,639

but it is a fool's mission

335

00:16:04,949 --> 00:16:03,440

how much more information is going to

336

00:16:09,509 --> 00:16:04,959

come out about that clown

337

00:16:13,269 --> 00:16:09,519

until people wake up

338

00:16:13,829 --> 00:16:13,279

sometimes i wonder no matter how many

339

00:16:17,670 --> 00:16:13,839

people

340

00:16:18,150 --> 00:16:17,680

even now his own team members are coming

341

00:16:28,310 --> 00:16:18,160

out

342

00:16:32,230 --> 00:16:28,320

destructive and negative influence he is

343

00:16:35,590 --> 00:16:32,240

what a dark person he is what a fraud

344

00:16:39,269 --> 00:16:35,600

mr love and light is the people

345

00:16:42,790 --> 00:16:39,279

very the people closest to him

346

00:16:45,430 --> 00:16:42,800

are coming out and saying all this

347

00:16:46,629 --> 00:16:45,440

but still some of these brainwashed cult

348

00:16:49,509 --> 00:16:46,639

members won't let

349

00:16:51,110 --> 00:16:49,519

their belief system go won't admit that

350

00:16:55,910 --> 00:16:51,120

they were wrong

351

00:16:59,670 --> 00:16:55,920

or hoodwinked or conned by this guy

352

00:17:05,110 --> 00:17:02,949

and so this fool's mission is a mission

353

00:17:07,110 --> 00:17:05,120

for a fool

354

00:17:09,590 --> 00:17:07,120

you will never convince all of these

355

00:17:11,350 --> 00:17:09,600

people i will never convince no one

356

00:17:12,630 --> 00:17:11,360

apparently will ever convince all these

357

00:17:16,710 --> 00:17:12,640

people who are

358

00:17:19,350 --> 00:17:16,720

so convinced

359

00:17:23,270 --> 00:17:19,360

in a flash gordon buck rogers space hero

360

00:17:30,710 --> 00:17:27,189

he's got to be real you're [h__h]

361

00:17:34,150 --> 00:17:30,720

delusional if you believe this guy

362

00:17:37,510 --> 00:17:34,160

you you need to seek psychiatric help

363

00:17:38,950 --> 00:17:37,520

if you believe this guy if you believe

364

00:17:41,990 --> 00:17:38,960

this person you have

365

00:17:44,549 --> 00:17:42,000

zero ability to critically think

366

00:17:46,150 --> 00:17:44,559

maybe it's been pulled away from you

367

00:17:49,190 --> 00:17:46,160

maybe it's been brainwashed

368

00:17:51,909 --> 00:17:49,200

out of you i don't know but after all

369

00:17:52,630 --> 00:17:51,919

this if you still want to give that guy

370

00:17:56,150 --> 00:17:52,640

your money

371

00:17:58,230 --> 00:17:56,160

i can't help you i can't that's a fool's

372

00:18:01,590 --> 00:17:58,240

mission

373

00:18:04,950 --> 00:18:01,600

and i

374

00:18:08,470 --> 00:18:04,960

question why i'm on that fool's mission

375

00:18:11,430 --> 00:18:08,480

and you know this whole thing about

376

00:18:13,110 --> 00:18:11,440

trying to be nice and forgiving and and

377

00:18:15,190 --> 00:18:13,120

understanding reminded me

378

00:18:16,549 --> 00:18:15,200

of the boy in the rattlesnake

379

00:18:17,990 --> 00:18:16,559

story

380

00:18:20,390 --> 00:18:18,000

which believe it or not is something

381

00:18:21,830 --> 00:18:20,400

that i heard in boy scouts of all things

382

00:18:24,310 --> 00:18:21,840

when i was a child

383

00:18:25,510 --> 00:18:24,320

but i'm going to share it here because i

384

00:18:28,710 --> 00:18:25,520

think

385

00:18:30,390 --> 00:18:28,720

some may benefit from it so the story

386

00:18:32,870 --> 00:18:30,400

goes a little boy was walking down a

387

00:18:34,870 --> 00:18:32,880

path and he came across a rattlesnake

388

00:18:36,150 --> 00:18:34,880

the rattlesnake was getting old he asked

389

00:18:37,510 --> 00:18:36,160

please little boy

390

00:18:39,830 --> 00:18:37,520

can you take me to the top of the

391

00:18:43,190 --> 00:18:39,840

mountain i hope to see the sunlight

392

00:18:44,789 --> 00:18:43,200

sunset one last time before i die

393

00:18:46,950 --> 00:18:44,799

the little boy answered no mr

394

00:18:47,510 --> 00:18:46,960

rattlesnake if i pick you up you'll bite

395

00:18:50,710 --> 00:18:47,520

me

396

00:18:53,510 --> 00:18:50,720

and i'll die the rattlesnake said no

397

00:18:55,029 --> 00:18:53,520

i promise i won't bite you just please

398

00:18:56,549 --> 00:18:55,039

take me up the mountain

399

00:18:58,310 --> 00:18:56,559

the little boy thought about it and

400

00:19:00,390 --> 00:18:58,320

finally picked up the rattlesnake and

401
00:19:02,150 --> 00:19:00,400
took it close to his chest

402
00:19:04,310 --> 00:19:02,160
and carried it up to the top of the

403
00:19:06,710 --> 00:19:04,320
mountain

404
00:19:09,990 --> 00:19:06,720
they sat there and watched the beautiful

405
00:19:13,110 --> 00:19:10,000
sunset together

406
00:19:14,950 --> 00:19:13,120
was so beautiful then after sunset

407
00:19:17,029 --> 00:19:14,960
the rattlesnake turned to the little boy

408
00:19:20,950 --> 00:19:17,039
and asked can i go home now

409
00:19:23,029 --> 00:19:20,960
i am tired and i am old the little boy

410
00:19:25,110 --> 00:19:23,039
picked up the rattlesnake once again and

411
00:19:25,430 --> 00:19:25,120
took it to his chest and held it tightly

412
00:19:29,110 --> 00:19:25,440
and

413
00:19:32,789 --> 00:19:29,120

safely he came all the way down the

414

00:19:39,669 --> 00:19:37,430

carefully and took it back to his home

415

00:19:41,190 --> 00:19:39,679

he gave it some food and a place to

416

00:19:43,110 --> 00:19:41,200

sleep

417

00:19:45,510 --> 00:19:43,120

the next day the rattlesnake turned to

418

00:19:48,390 --> 00:19:45,520

the boy and asked please little boy

419

00:19:50,870 --> 00:19:48,400

will you take me back to my home now it

420

00:19:54,470 --> 00:19:50,880

is time for me to leave this world

421

00:19:56,470 --> 00:19:54,480

and i would like to be at home now

422

00:19:58,230 --> 00:19:56,480

the little boy felt he had been safe all

423

00:19:59,350 --> 00:19:58,240

this time and the snake had kept his

424

00:20:01,590 --> 00:19:59,360

word

425

00:20:02,789 --> 00:20:01,600

so he would take it home as the snake

426
00:20:04,710 --> 00:20:02,799
asked

427
00:20:05,990 --> 00:20:04,720
he carefully picked up the snake and

428
00:20:08,630 --> 00:20:06,000
took it close to his chest

429
00:20:09,430 --> 00:20:08,640
and he carried him back to the woods to

430
00:20:12,870 --> 00:20:09,440
his home

431
00:20:14,630 --> 00:20:12,880
so he could die in peace at home as he

432
00:20:18,149 --> 00:20:14,640
asked

433
00:20:20,549 --> 00:20:18,159
just before he laid the rattlesnake down

434
00:20:21,990 --> 00:20:20,559
the rattlesnake turned and bit him right

435
00:20:23,830 --> 00:20:22,000
in the chest

436
00:20:25,830 --> 00:20:23,840
the little boy cried out and threw the

437
00:20:29,029 --> 00:20:25,840
snake upon the ground

438
00:20:32,390 --> 00:20:29,039

mr rattlesnake why did you do that now

439

00:20:35,110 --> 00:20:32,400

i will surely die the rattlesnake looked

440

00:20:37,190 --> 00:20:35,120

up at him and grinned

441

00:20:38,230 --> 00:20:37,200

you knew what i was when you first

442

00:20:41,909 --> 00:20:38,240

picked me up

443

00:20:46,710 --> 00:20:45,029

and this my friends is where i find

444

00:20:49,909 --> 00:20:46,720

myself am i going to pick up this

445

00:20:53,190 --> 00:20:49,919

how many times am i gonna trust a snake

446

00:20:54,149 --> 00:20:53,200

before i get bit how many times am i

447

00:20:56,950 --> 00:20:54,159

gonna

448

00:20:58,310 --> 00:20:56,960

try to be the better man and forgive try

449

00:21:00,390 --> 00:20:58,320

to be the better person

450

00:21:02,230 --> 00:21:00,400

and let things go try to be the better

451
00:21:06,310 --> 00:21:02,240
person and keep an open mind

452
00:21:11,029 --> 00:21:06,320
and have sympathy and empathy for

453
00:21:15,029 --> 00:21:12,950
how many times before it comes back to

454
00:21:17,510 --> 00:21:15,039
bite me

455
00:21:18,870 --> 00:21:17,520
even talking about all this stuff

456
00:21:22,870 --> 00:21:18,880
hosting these videos

457
00:21:27,830 --> 00:21:26,310
in truth i felt a responsibility to my

458
00:21:30,390 --> 00:21:27,840
audience to cover this story because

459
00:21:32,149 --> 00:21:30,400
everybody's talking about it

460
00:21:36,149 --> 00:21:32,159
so many people want to know what i think

461
00:21:40,470 --> 00:21:38,870
i think it's a fool's mission for me to

462
00:21:41,590 --> 00:21:40,480
cover this i think it's a fool's mission

463
00:21:44,549 --> 00:21:41,600

for me to continue

464

00:21:45,750 --> 00:21:44,559

down this path and it's certainly a

465

00:21:49,029 --> 00:21:45,760

fool's mission for

466

00:21:54,070 --> 00:21:51,590

any of these people who may turn out to

467

00:21:57,350 --> 00:21:54,080

be snakes

468

00:22:02,630 --> 00:22:00,870

on this fool's mission hoping

469

00:22:05,750 --> 00:22:02,640

that none of these snakes come back and

470

00:22:11,110 --> 00:22:08,549

and that's where i find myself and i

471

00:22:12,310 --> 00:22:11,120

also find myself wondering and worrying

472

00:22:15,750 --> 00:22:12,320

that i have put

473

00:22:19,270 --> 00:22:15,760

far too much time energy attention

474

00:22:22,870 --> 00:22:19,280

mental bandwidth even into this

475

00:22:29,909 --> 00:22:26,070

you know the truth is the karma

476
00:22:31,990 --> 00:22:29,919
always has its way i suppose the problem

477
00:22:34,310 --> 00:22:32,000
is that most people including me

478
00:22:36,070 --> 00:22:34,320
get real impatient with karma and we

479
00:22:40,710 --> 00:22:36,080
think we can help karma

480
00:22:45,590 --> 00:22:40,720
along right we can help speed

481
00:22:51,029 --> 00:22:48,710
a karma comes in its own time that much

482
00:22:53,990 --> 00:22:51,039
i've learned

483
00:22:55,510 --> 00:22:54,000
we can try to manipulate the forces of

484
00:22:58,870 --> 00:22:55,520
karma we can try to help

485
00:22:59,590 --> 00:22:58,880
along the forces of karma but karma

486
00:23:02,630 --> 00:22:59,600
comes when

487
00:23:07,990 --> 00:23:02,640
it decides to

488
00:23:10,470 --> 00:23:08,000

and i can't control another man's karma

489

00:23:12,310 --> 00:23:10,480

i can't even control my own well i can't

490

00:23:14,310 --> 00:23:12,320

control my own through my thoughts my

491

00:23:18,230 --> 00:23:14,320

deeds my actions

492

00:23:20,549 --> 00:23:18,240

but i cannot control another man's karma

493

00:23:21,990 --> 00:23:20,559

i can try to help another man have good

494

00:23:24,870 --> 00:23:22,000

karma i could try to help another

495

00:23:26,710 --> 00:23:24,880

man do good deeds and generate good

496

00:23:29,750 --> 00:23:26,720

karma for himself but

497

00:23:31,110 --> 00:23:29,760

if a man has generated so much bad karma

498

00:23:34,549 --> 00:23:31,120

for himself there's nothing

499

00:23:39,669 --> 00:23:34,559

i can do to speed

500

00:23:42,789 --> 00:23:39,679

the karmic wheel along though i've tried

501
00:23:45,990 --> 00:23:42,799
though i've attempted to though i've

502
00:23:48,310 --> 00:23:46,000
been sure that i could affect some

503
00:23:51,190 --> 00:23:48,320
change here

504
00:23:53,510 --> 00:23:51,200
and in truth i do believe that i've done

505
00:23:55,669 --> 00:23:53,520
a great deal of good

506
00:23:56,549 --> 00:23:55,679
not just covering this ufo cult clown

507
00:24:04,070 --> 00:23:56,559
but many

508
00:24:06,390 --> 00:24:04,080
of these con artists grifters and

509
00:24:09,350 --> 00:24:06,400
less than reputable sources of so-called

510
00:24:11,669 --> 00:24:09,360
new age information

511
00:24:13,350 --> 00:24:11,679
i think i've done some good things in

512
00:24:17,430 --> 00:24:13,360
that arena

513
00:24:23,990 --> 00:24:21,430

but at the same time i realized that

514

00:24:26,470 --> 00:24:24,000

some people just can't be helped some

515

00:24:29,909 --> 00:24:26,480

people can't be saved and i

516

00:24:32,710 --> 00:24:29,919

am powerless to speed along the wheels

517

00:24:35,190 --> 00:24:32,720

of karma

518

00:24:38,710 --> 00:24:35,200

karma comes to each man in its own good

519

00:24:42,230 --> 00:24:41,190

so i suppose i have to learn to be more

520

00:24:45,269 --> 00:24:42,240

patient

521

00:24:47,510 --> 00:24:45,279

with that wheel of karma and realize

522

00:24:51,269 --> 00:24:47,520

that

523

00:25:02,149 --> 00:24:51,279

can't

524

00:25:06,149 --> 00:25:05,269

worry and work on my own karma try to do

525

00:25:13,669 --> 00:25:06,159

good things

526
00:25:17,029 --> 00:25:15,830
i suppose seeing the damage the

527
00:25:20,870 --> 00:25:17,039
destruction

528
00:25:22,630 --> 00:25:20,880
the terror the harassment

529
00:25:24,789 --> 00:25:22,640
and all the negative actions that this

530
00:25:27,029 --> 00:25:24,799
ufo cult leader and his

531
00:25:28,549 --> 00:25:27,039
cult-like brainwashed followers have

532
00:25:32,070 --> 00:25:28,559
brought upon

533
00:25:35,909 --> 00:25:32,080
people that i know like respect

534
00:25:40,470 --> 00:25:38,070
has caused me to go on this fool's

535
00:25:43,669 --> 00:25:40,480
mission

536
00:25:47,990 --> 00:25:43,679
for surely as i said yesterday evil does

537
00:25:52,149 --> 00:25:49,909
but how much does a good man have to

538
00:25:54,830 --> 00:25:52,159

give how much of his time

539

00:25:56,789 --> 00:25:54,840

his energy his dedication his financial

540

00:25:59,990 --> 00:25:56,799

resources

541

00:26:03,510 --> 00:26:00,000

how much does a good man have to give

542

00:26:05,430 --> 00:26:03,520

to stop that evil from triumphing

543

00:26:08,230 --> 00:26:05,440

and no matter how good a man is or how

544

00:26:11,590 --> 00:26:08,240

much energy that man gives

545

00:26:12,470 --> 00:26:11,600

he may be unable to stop that evil from

546

00:26:14,390 --> 00:26:12,480

triumphing

547

00:26:16,310 --> 00:26:14,400

maybe that evil is meant to triumph for

548

00:26:18,789 --> 00:26:16,320

just right now

549

00:26:24,549 --> 00:26:18,799

and karma will come in its own due time

550

00:26:28,230 --> 00:26:24,559

and take care of them

551

00:26:31,830 --> 00:26:28,240

i uh started a company

552

00:26:33,669 --> 00:26:31,840

not long ago and i have

553

00:26:35,830 --> 00:26:33,679

asked anybody that's ever done a startup

554

00:26:36,310 --> 00:26:35,840

i have a hundred things that i should be

555

00:26:39,750 --> 00:26:36,320

doing

556

00:26:41,029 --> 00:26:39,760

right now a hundred literally i have a

557

00:26:43,110 --> 00:26:41,039

checklist

558

00:26:44,789 --> 00:26:43,120

i made a list of all the things that

559

00:26:47,590 --> 00:26:44,799

i've got to really work on and

560

00:26:49,510 --> 00:26:47,600

focus on and get and little goals to get

561

00:26:53,350 --> 00:26:49,520

finished to make my

562

00:26:56,390 --> 00:26:53,360

startup here my company successful

563

00:26:59,590 --> 00:26:56,400

literally a hundred things uh

564

00:27:01,590 --> 00:26:59,600

there's a operating system that's in

565

00:27:04,549 --> 00:27:01,600

various stages of development and

566

00:27:06,950 --> 00:27:04,559

being done done is an operating system

567

00:27:11,269 --> 00:27:06,960

is never done um

568

00:27:14,630 --> 00:27:11,279

there is what i believe may be

569

00:27:18,070 --> 00:27:14,640

a revolutionary personal computer

570

00:27:21,909 --> 00:27:18,080

sitting on a workbench three quarters of

571

00:27:26,950 --> 00:27:21,919

the way working with lots of problems

572

00:27:29,990 --> 00:27:26,960

to work out with lots of bugs and issues

573

00:27:33,350 --> 00:27:30,000

challenges to overcome until it could be

574

00:27:36,070 --> 00:27:33,360

a retail ready commercial product

575

00:27:37,350 --> 00:27:36,080

that i could sell and recoup some of my

576

00:27:42,950 --> 00:27:37,360

investment

577

00:27:47,350 --> 00:27:42,960

but more importantly time i put a lot

578

00:27:51,110 --> 00:27:49,110

parts weren't that expensive but putting

579

00:27:53,830 --> 00:27:51,120

them together the way that we did which

580

00:27:57,990 --> 00:27:53,840

i think is revolutionary

581

00:28:03,029 --> 00:27:58,000

it had a it had a total it had a cost

582

00:28:05,350 --> 00:28:03,039

this thing is one of my

583

00:28:07,269 --> 00:28:05,360

dreams one of my callings in life is to

584

00:28:10,549 --> 00:28:07,279

create that thing

585

00:28:13,190 --> 00:28:10,559

and it's sitting on a workbench not

586

00:28:19,110 --> 00:28:16,470

because i'm on fool's mission here

587

00:28:21,029 --> 00:28:19,120

and sometimes this thing takes up way

588

00:28:24,070 --> 00:28:21,039

too much of my time way too much my

589

00:28:24,549 --> 00:28:24,080

energy way too much of my dedication you

590

00:28:27,590 --> 00:28:24,559

only

591

00:28:30,789 --> 00:28:27,600

get so much juice friends every day

592

00:28:35,110 --> 00:28:30,799

there is an ebb and flow of energy

593

00:28:38,870 --> 00:28:35,120

spiritual energy mental energy

594

00:28:42,389 --> 00:28:41,430

yesterday i promised that i was going to

595

00:28:45,510 --> 00:28:42,399

upload this

596

00:28:47,510 --> 00:28:45,520

uh

597

00:28:49,110 --> 00:28:47,520

panel discussion video and then the

598

00:28:51,510 --> 00:28:49,120

latest of this

599

00:28:52,870 --> 00:28:51,520

accountability project video which i

600

00:28:54,789 --> 00:28:52,880

flubbed the day before

601
00:28:57,190 --> 00:28:54,799
wasted a few hours uploading the same

602
00:29:00,630 --> 00:28:57,200
video twice by accident

603
00:29:03,590 --> 00:29:00,640
so i was up until

604
00:29:04,070 --> 00:29:03,600
i don't know 10 a.m today and i slept

605
00:29:06,870 --> 00:29:04,080
and

606
00:29:07,750 --> 00:29:06,880
you know i got for my wife to cover me

607
00:29:11,590 --> 00:29:07,760
being a mess

608
00:29:14,470 --> 00:29:11,600
and you know take care of the children

609
00:29:16,149 --> 00:29:14,480
so this fool's mission has a cost

610
00:29:18,549 --> 00:29:16,159
there's always a cost

611
00:29:22,070 --> 00:29:18,559
to everything there's only so much

612
00:29:25,350 --> 00:29:22,080
spiritual energy mental energy

613
00:29:28,710 --> 00:29:25,360

physical energy to give

614

00:29:31,110 --> 00:29:28,720

to your goals on a given day

615

00:29:33,029 --> 00:29:31,120

and it was never a goal i've never woke

616

00:29:36,630 --> 00:29:33,039

up one day and say you know what

617

00:29:38,630 --> 00:29:36,640

i'm gonna be the guy that

618

00:29:40,310 --> 00:29:38,640

proves to everyone in the world that

619

00:29:45,029 --> 00:29:40,320

this ufo cult leader

620

00:29:48,389 --> 00:29:45,039

is a clown and a fake and a fraud

621

00:29:50,470 --> 00:29:48,399

that was never a goal of mine i never

622

00:29:51,830 --> 00:29:50,480

wrote that down you know what i do i if

623

00:29:52,870 --> 00:29:51,840

you want to reach your goals write them

624

00:30:02,710 --> 00:29:52,880

down

625

00:30:06,389 --> 00:30:02,720

intention out into the world

626

00:30:08,310 --> 00:30:06,399

to be that guy to do that thing never

627

00:30:10,470 --> 00:30:08,320

it was never a goal of mine it just sort

628

00:30:12,630 --> 00:30:10,480

of happened

629

00:30:14,710 --> 00:30:12,640

and this brings me into there's this

630

00:30:15,430 --> 00:30:14,720

discussion of this guy's using black

631

00:30:17,110 --> 00:30:15,440

magic and

632

00:30:18,789 --> 00:30:17,120

i don't know what i believe about that

633

00:30:21,750 --> 00:30:18,799

but for all i know

634

00:30:23,269 --> 00:30:21,760

yeah these things could be accurate

635

00:30:25,990 --> 00:30:23,279

there could be

636

00:30:26,789 --> 00:30:26,000

chaos magic at work ceremonial magic at

637

00:30:30,389 --> 00:30:26,799

work

638

00:30:33,510 --> 00:30:30,399

witchcraft black magic you know

639

00:30:39,350 --> 00:30:36,630

maybe there for all i know there's

640

00:30:39,750 --> 00:30:39,360

literally some kind of psychic magic

641

00:30:42,470 --> 00:30:39,760

dark

642

00:30:45,510 --> 00:30:42,480

forces at work to drain my time my

643

00:30:54,310 --> 00:30:51,909

from me that's disturbing to think about

644

00:30:55,909 --> 00:30:54,320

what if that's true holy [h__h] do i need

645

00:30:59,029 --> 00:30:55,919

a witch doctor

646

00:31:01,350 --> 00:30:59,039

right do i have to find a witch maybe to

647

00:31:03,110 --> 00:31:01,360

cast some protective circles around me

648

00:31:05,909 --> 00:31:03,120

and you know i was going back to things

649

00:31:06,870 --> 00:31:05,919

i i read so much about all this magic

650

00:31:12,470 --> 00:31:06,880

stuff when i was

651

00:31:17,350 --> 00:31:14,789

do i need to get some salt and put a

652

00:31:19,350 --> 00:31:17,360

ring around myself here in the studio

653

00:31:21,110 --> 00:31:19,360

to protect myself from those negative

654

00:31:23,269 --> 00:31:21,120

dark forces and energy

655

00:31:25,110 --> 00:31:23,279

those psychic vampires stealing my

656

00:31:27,590 --> 00:31:25,120

energy

657

00:31:28,870 --> 00:31:27,600

i don't know but something to think

658

00:31:30,549 --> 00:31:28,880

about

659

00:31:31,990 --> 00:31:30,559

and it's ridiculous that i'm even

660

00:31:35,830 --> 00:31:32,000

entertaining this

661

00:31:40,630 --> 00:31:35,840

as a possibility but

662

00:31:44,389 --> 00:31:40,640

here we are off in crazy land

663

00:31:47,909 --> 00:31:44,399

so about this fool's mission

664

00:31:48,710 --> 00:31:47,919

i really have to make some kind of

665

00:31:50,070 --> 00:31:48,720

changes

666

00:31:52,310 --> 00:31:50,080

i'm going to continue to cover it

667

00:31:55,669 --> 00:31:52,320

because people want to hear about it but

668

00:31:56,070 --> 00:31:55,679

i can't i just i cannot give so much

669

00:31:58,789 --> 00:31:56,080

time

670

00:32:01,909 --> 00:31:58,799

so much energy so much dedication to

671

00:32:03,750 --> 00:32:01,919

proving something i already know

672

00:32:06,389 --> 00:32:03,760

and and and this leads me to another

673

00:32:10,630 --> 00:32:08,630

why do i care if a bunch of people

674

00:32:12,710 --> 00:32:10,640

believe that this clown

675

00:32:13,990 --> 00:32:12,720

time traveled and went to secret moon

676

00:32:16,389 --> 00:32:14,000

bases and spent time

677

00:32:17,350 --> 00:32:16,399

on mars and fought draco reptilian

678

00:32:19,990 --> 00:32:17,360

aliens in space

679

00:32:22,070 --> 00:32:20,000

what do i care if people believe that if

680

00:32:24,950 --> 00:32:22,080

they're that [\h__\h] stupid

681

00:32:25,430 --> 00:32:24,960

let them believe that it's not worth my

682

00:32:27,190 --> 00:32:25,440

time

683

00:32:28,710 --> 00:32:27,200

or my energy to try to convince those

684

00:32:31,350 --> 00:32:28,720

stupid people

685

00:32:33,190 --> 00:32:31,360

and largely here most of you in the live

686

00:32:35,669 --> 00:32:33,200

chat will agree

687

00:32:37,029 --> 00:32:35,679

as far as here goes i'm preaching to the

688

00:32:39,029 --> 00:32:37,039

choir

689

00:32:40,549 --> 00:32:39,039

my audience is not a bunch of [\h__\h]

690

00:32:43,430 --> 00:32:40,559

brainwashed idiots

691

00:32:44,389 --> 00:32:43,440

they know that shit's all fake so

692

00:32:47,750 --> 00:32:44,399

continuing to

693

00:32:49,750 --> 00:32:47,760

you know spend so much time preaching to

694

00:32:52,549 --> 00:32:49,760

the choir here that we have we have

695

00:32:54,310 --> 00:32:52,559

intelligent people here in our live chat

696

00:32:56,549 --> 00:32:54,320

in our community here we have people

697

00:32:59,509 --> 00:32:56,559

that have good discernment

698

00:32:59,830 --> 00:32:59,519

good critical thinking skills there are

699

00:33:03,110 --> 00:32:59,840

some

700

00:33:04,310 --> 00:33:03,120

amazing researchers people that dig deep

701
00:33:07,430 --> 00:33:04,320
into some of these

702
00:33:10,950 --> 00:33:07,440
strange mysterious and esoteric subjects

703
00:33:13,269 --> 00:33:10,960
and come up with the real truth

704
00:33:16,149 --> 00:33:13,279
that's the point of our show here not to

705
00:33:18,310 --> 00:33:16,159
continue to beat a dead horse

706
00:33:20,070 --> 00:33:18,320
proving to ourselves and each other

707
00:33:24,950 --> 00:33:20,080
something that we already know

708
00:33:27,750 --> 00:33:24,960
we already know

709
00:33:29,269 --> 00:33:27,760
but for those still unfortunate enough

710
00:33:32,950 --> 00:33:29,279
to still be struggling

711
00:33:35,190 --> 00:33:32,960
believing this clown i say

712
00:33:36,870 --> 00:33:35,200
there are resources to help you there's

713
00:33:38,070 --> 00:33:36,880

something called the cult awareness

714

00:33:40,230 --> 00:33:38,080

network

715

00:33:42,789 --> 00:33:40,240

they can connect you with someone who

716

00:33:45,350 --> 00:33:42,799

specializes in cult deprogramming

717

00:33:46,549 --> 00:33:45,360

they can help you put your life back

718

00:33:49,830 --> 00:33:46,559

together

719

00:33:51,269 --> 00:33:49,840

they can help you recover from the

720

00:33:55,750 --> 00:33:51,279

brainwashing you receive

721

00:33:57,750 --> 00:33:55,760

from the cult group dynamics and

722

00:33:59,110 --> 00:33:57,760

whatever whatever detrimental effects

723

00:34:02,070 --> 00:33:59,120

that you you're going to

724

00:34:03,750 --> 00:34:02,080

suffer from having been involved in this

725

00:34:04,389 --> 00:34:03,760

cult there are people out there that can

726
00:34:07,590 --> 00:34:04,399
help you

727
00:34:08,950 --> 00:34:07,600
i'm not qualified to i'm not a counselor

728
00:34:13,669 --> 00:34:08,960
i'm not a psychiatrist i'm not a

729
00:34:16,869 --> 00:34:16,069
if you're coming to me for help all i

730
00:34:21,510 --> 00:34:16,879
can do is

731
00:34:26,389 --> 00:34:21,520
is offer you my

732
00:34:31,589 --> 00:34:29,030
direct you to an appropriate person that

733
00:34:33,349 --> 00:34:31,599
can really help you

734
00:34:36,149 --> 00:34:33,359
and if you're on the fence wondering

735
00:34:40,629 --> 00:34:36,159
about this clown still

736
00:34:43,909 --> 00:34:40,639
there's so many resources out there

737
00:34:45,270 --> 00:34:43,919
that you can look at for years now

738
00:34:47,270 --> 00:34:45,280

people have been talking about what a

739

00:34:50,310 --> 00:34:47,280

fake a fraud and a liar this guy

740

00:34:51,589 --> 00:34:50,320

is look at dark journalists videos look

741

00:34:56,149 --> 00:34:51,599

at richard dolan's

742

00:34:59,349 --> 00:34:58,390

i was about to say look at c.w jenner's

743

00:35:00,829 --> 00:34:59,359

channel but

744

00:35:02,390 --> 00:35:00,839

that's not possible right now

745

00:35:06,230 --> 00:35:02,400

unfortunately

746

00:35:10,470 --> 00:35:06,240

terrible timing there's previous shows

747

00:35:16,470 --> 00:35:14,470

and there's you know

748

00:35:19,670 --> 00:35:16,480

a lot of resources here on on this

749

00:35:25,670 --> 00:35:19,680

channel that you can watch and listen to

750

00:35:29,430 --> 00:35:27,270

but i feel like we're rapidly

751
00:35:32,710 --> 00:35:29,440
approaching a situation where

752
00:35:36,150 --> 00:35:32,720
i've done what i can i've done all i can

753
00:35:44,230 --> 00:35:39,910
i once had a friend who had a lot of

754
00:35:45,510 --> 00:35:44,240
psychological problems and i for time

755
00:35:48,550 --> 00:35:45,520
let him live with me

756
00:35:52,950 --> 00:35:48,560
and that was not advisable

757
00:35:58,390 --> 00:35:52,960
not a good idea also had drug problems

758
00:35:58,870 --> 00:35:58,400
so i got him into drug rehab he came

759
00:36:04,150 --> 00:35:58,880
back

760
00:36:09,910 --> 00:36:07,829
things started disappearing imagine that

761
00:36:12,950 --> 00:36:09,920
because despite lying straight to my

762
00:36:14,390 --> 00:36:12,960
face about

763
00:36:16,470 --> 00:36:14,400

you know still being on the straight and

764

00:36:17,750 --> 00:36:16,480

narrow he was sneaking out at three

765

00:36:20,710 --> 00:36:17,760

o'clock in the morning and

766

00:36:22,310 --> 00:36:20,720

you know getting high and he'd have a

767

00:36:22,870 --> 00:36:22,320

job or anything he was sleeping on my

768

00:36:25,990 --> 00:36:22,880

couch

769

00:36:27,750 --> 00:36:26,000

you know so uh

770

00:36:29,589 --> 00:36:27,760

apparently i was buying him drugs and i

771

00:36:31,829 --> 00:36:29,599

just didn't know it because

772

00:36:32,710 --> 00:36:31,839

everything in my house just of value

773

00:36:35,990 --> 00:36:32,720

just started

774

00:36:37,430 --> 00:36:36,000

slowly disappearing uh but he didn't

775

00:36:41,349 --> 00:36:37,440

know about any of that

776

00:36:43,670 --> 00:36:41,359

right got him into rehab again

777

00:36:45,510 --> 00:36:43,680

um a 90-day program the first was a

778

00:36:47,589 --> 00:36:45,520

30-day program the second was a 90-day

779

00:36:51,109 --> 00:36:47,599

program

780

00:36:52,790 --> 00:36:51,119

and uh came out of that

781

00:36:55,349 --> 00:36:52,800

that time i thought better of him living

782

00:36:55,670 --> 00:36:55,359

with me having him steal from me and you

783

00:36:59,190 --> 00:36:55,680

know

784

00:37:05,990 --> 00:36:59,200

all these things i said not again

785

00:37:11,030 --> 00:37:09,109

then i remembered after new things

786

00:37:13,109 --> 00:37:11,040

started disappearing from my house that

787

00:37:17,510 --> 00:37:13,119

he still had a key to my house

788

00:37:24,069 --> 00:37:20,710

i confronted him he denied everything

789

00:37:25,990 --> 00:37:24,079

at some point i decided that

790

00:37:28,790 --> 00:37:26,000

i could no longer in good conscience

791

00:37:31,430 --> 00:37:28,800

continue to help him

792

00:37:34,829 --> 00:37:31,440

since he like the snake in our story had

793

00:37:40,950 --> 00:37:38,069

right at some point i just decided i've

794

00:37:41,829 --> 00:37:40,960

helped you all i can and i i can't

795

00:37:48,790 --> 00:37:41,839

continue

796

00:37:53,190 --> 00:37:51,910

if you won't change you know and some

797

00:37:56,390 --> 00:37:53,200

people are simply

798

00:37:57,510 --> 00:37:56,400

never going to change you know maybe

799

00:38:00,150 --> 00:37:57,520

they'll get off of this

800

00:38:00,790 --> 00:38:00,160

con artist grifter ufo cult leader and

801
00:38:02,790 --> 00:38:00,800
they'll

802
00:38:04,150 --> 00:38:02,800
latch on to a new one we've seen that

803
00:38:05,670 --> 00:38:04,160
time and time again

804
00:38:07,349 --> 00:38:05,680
it's interesting that most of the people

805
00:38:09,270 --> 00:38:07,359
in the heavens gate cult

806
00:38:10,870 --> 00:38:09,280
were sort of spiritual searchers and

807
00:38:15,430 --> 00:38:10,880
they were in other cults before they

808
00:38:19,349 --> 00:38:18,069
now i believe that there i truly truly

809
00:38:21,109 --> 00:38:19,359
believe that there is a road to

810
00:38:26,150 --> 00:38:21,119
redemption for every man

811
00:38:29,349 --> 00:38:28,150
but at some point with some people you

812
00:38:31,109 --> 00:38:29,359
just have to say

813
00:38:32,710 --> 00:38:31,119

i've done all i could to help you i

814

00:38:35,030 --> 00:38:32,720

tried to be a good person

815

00:38:36,550 --> 00:38:35,040

i was called to help you i tried to help

816

00:38:42,710 --> 00:38:36,560

you

817

00:38:45,190 --> 00:38:42,720

and we may be reaching that point we

818

00:38:47,510 --> 00:38:45,200

really may

819

00:38:49,030 --> 00:38:47,520

i'm thankful to some people who have

820

00:38:54,550 --> 00:38:49,040

sent me emails the past

821

00:38:54,560 --> 00:38:59,430

victims

822

00:39:04,790 --> 00:39:02,550

i'm thankful if i was able to change

823

00:39:09,270 --> 00:39:04,800

some hearts and minds or help

824

00:39:13,670 --> 00:39:12,150

but this fool's mission is just going to

825

00:39:21,349 --> 00:39:13,680

continue to be that

826

00:39:28,470 --> 00:39:25,109

every mission has consequences

827

00:39:30,710 --> 00:39:28,480

right and certainly there have been

828

00:39:32,870 --> 00:39:30,720

consequences to mine

829

00:39:35,270 --> 00:39:32,880

i'm letting things with my business get

830

00:39:42,150 --> 00:39:35,280

far behind because i'm focused on

831

00:39:45,030 --> 00:39:42,160

this horseshit it's horseshit

832

00:39:46,390 --> 00:39:45,040

should i set aside every one of my hopes

833

00:39:49,670 --> 00:39:46,400

and dreams for my future

834

00:39:52,069 --> 00:39:49,680

every one of my goals to just

835

00:39:53,510 --> 00:39:52,079

keep running down this road this fool's

836

00:39:58,470 --> 00:39:53,520

mission

837

00:40:02,390 --> 00:40:00,790

now as far as the uh accountability

838

00:40:05,109 --> 00:40:02,400

project good for them

839

00:40:06,870 --> 00:40:05,119

you know i hope they do some good and i

840

00:40:09,670 --> 00:40:06,880

will continue to share the videos

841

00:40:11,430 --> 00:40:09,680

uh because i think people need to hear

842

00:40:14,390 --> 00:40:11,440

them

843

00:40:17,910 --> 00:40:14,400

but we've got to move on to some other

844

00:40:21,349 --> 00:40:20,470

we seriously have to move on to some

845

00:40:23,510 --> 00:40:21,359

other topics

846

00:40:25,349 --> 00:40:23,520

and that is incredibly important for us

847

00:40:27,589 --> 00:40:25,359

to do

848

00:40:29,910 --> 00:40:27,599

for those unaware there's a big split in

849

00:40:33,030 --> 00:40:29,920

the to the stars academy right now

850

00:40:34,950 --> 00:40:33,040

and uh just a shout out to daniel james

851
00:40:37,670 --> 00:40:34,960
from the context

852
00:40:39,109 --> 00:40:37,680
uh he did a podcast that's for the warp

853
00:40:41,829 --> 00:40:39,119
podcast and it's called

854
00:40:44,230 --> 00:40:41,839
million dollar money pits and people are

855
00:40:46,870 --> 00:40:44,240
asking me to cover this tsa split

856
00:40:47,510 --> 00:40:46,880
i don't think i need to go watch daniels

857
00:40:50,150 --> 00:40:47,520
it's

858
00:40:50,950 --> 00:40:50,160
great he did an amazing job very proud

859
00:40:53,430 --> 00:40:50,960
of him i think

860
00:40:55,750 --> 00:40:53,440
uh you know he and i think a lot of like

861
00:40:58,790 --> 00:40:55,760
on that subject and

862
00:41:01,990 --> 00:40:58,800
he broke it down i mean uh

863
00:41:06,150 --> 00:41:02,000

just a quick preview he shows a clip

864

00:41:08,550 --> 00:41:06,160

of tom delong from to the stars academy

865

00:41:09,270 --> 00:41:08,560

begging for investor money three years

866

00:41:10,950 --> 00:41:09,280

ago

867

00:41:12,309 --> 00:41:10,960

while he promises that they're going to

868

00:41:14,309 --> 00:41:12,319

build a spaceship

869

00:41:15,589 --> 00:41:14,319

with a revolutionary power source that's

870

00:41:18,870 --> 00:41:15,599

going to change the world

871

00:41:23,829 --> 00:41:18,880

while begging for investor money

872

00:41:26,550 --> 00:41:23,839

folks it's a scam

873

00:41:27,750 --> 00:41:26,560

that's the quick version but really you

874

00:41:28,230 --> 00:41:27,760

should get the total breakdown from

875

00:41:31,270 --> 00:41:28,240

daniel

876

00:41:33,270 --> 00:41:31,280

did a great job uh somebody please

877

00:41:36,069 --> 00:41:33,280

maybe we could put the uh the link to

878

00:41:38,630 --> 00:41:36,079

his uh youtube channel

879

00:41:39,109 --> 00:41:38,640

it's the warp podcast warped live i

880

00:41:42,309 --> 00:41:39,119

believe

881

00:41:43,670 --> 00:41:42,319

podcast he did an amazing job

882

00:41:46,150 --> 00:41:43,680

and i kind of feel like well i could

883

00:41:49,109 --> 00:41:46,160

cover it but i feel like he just

884

00:41:50,550 --> 00:41:49,119

[h__\h] you know stole my thunder damn

885

00:41:53,109 --> 00:41:50,560

it daniel

886

00:41:54,870 --> 00:41:53,119

and i really don't like to like waste

887

00:41:55,990 --> 00:41:54,880

energy on something that somebody else

888

00:41:59,829 --> 00:41:56,000

already did

889

00:42:01,270 --> 00:41:59,839

a great job on so putting my email

890

00:42:04,470 --> 00:42:01,280

address up here

891

00:42:08,069 --> 00:42:04,480

with a very important uh

892

00:42:11,589 --> 00:42:08,079

request what is it that you want

893

00:42:14,950 --> 00:42:11,599

to see us cover here what subjects

894

00:42:16,630 --> 00:42:14,960

do you want us to talk about what guests

895

00:42:20,630 --> 00:42:16,640

would you like me to reach out to and

896

00:42:23,750 --> 00:42:20,640

try to bring here to our community

897

00:42:26,710 --> 00:42:23,760

i'm leaving it in the audience's hands

898

00:42:28,150 --> 00:42:26,720

and by the same token if the audience

899

00:42:32,069 --> 00:42:28,160

wants me to do nothing but

900

00:42:35,510 --> 00:42:32,079

bus balls on cosmic con men i'll do that

901
00:42:39,990 --> 00:42:35,520
for a while there is some other shows

902
00:42:41,990 --> 00:42:40,000
that i have in queue of a more

903
00:42:44,390 --> 00:42:42,000
sort of mysterious nature i've got a

904
00:42:48,390 --> 00:42:44,400
show on black-eyed children and some

905
00:42:50,950 --> 00:42:48,400
ghost shows another show on a very

906
00:42:52,150 --> 00:42:50,960
disturbing disturbing case of demon

907
00:42:55,670 --> 00:42:52,160
possession

908
00:42:57,750 --> 00:42:55,680
and a few other things so the context is

909
00:42:58,550 --> 00:42:57,760
here did i hear my name yes daniel

910
00:43:02,309 --> 00:42:58,560
shared the

911
00:43:03,990 --> 00:43:02,319
link to your uh breakdown on the ttsa

912
00:43:05,750 --> 00:43:04,000
split because i i thought it was very

913
00:43:06,470 --> 00:43:05,760

well done people are asking me what i

914

00:43:09,589 --> 00:43:06,480

think

915

00:43:14,630 --> 00:43:09,599

uh

916

00:43:19,030 --> 00:43:16,870

dan hogan says i would like to hear more

917

00:43:21,510 --> 00:43:19,040

about cabin-made wood fire pizza

918

00:43:23,190 --> 00:43:21,520

uh here's all i could tell you dan hogan

919

00:43:27,349 --> 00:43:23,200

no pizza for you

920

00:43:31,109 --> 00:43:27,359

okay psychic surgeons effluent for you

921

00:43:31,430 --> 00:43:31,119

what an amazing idea i can demonstrate

922

00:43:34,950 --> 00:43:31,440

that

923

00:43:38,069 --> 00:43:34,960

can demonstrate healthy

924

00:43:38,470 --> 00:43:38,079

surgeons full people and do their work i

925

00:43:45,910 --> 00:43:38,480

can

926

00:43:48,950 --> 00:43:47,910

and uh it's it's so stupid and

927

00:43:50,710 --> 00:43:48,960

ridiculous how they

928

00:43:53,190 --> 00:43:50,720

you know using chicken guts and blood

929

00:43:55,109 --> 00:43:53,200

and [\h__\h] it's ridiculous how that works

930

00:43:56,230 --> 00:43:55,119

and yeah that would be a great show i

931

00:43:59,670 --> 00:43:56,240

would do

932

00:44:04,069 --> 00:44:02,230

six design is that the right link uh i

933

00:44:06,150 --> 00:44:04,079

don't know i believe that is uh warp

934

00:44:09,109 --> 00:44:06,160

live channel yes so here's daniel's

935

00:44:09,990 --> 00:44:09,119

look uh somebody daniel just saved me

936

00:44:12,390 --> 00:44:10,000

three hours

937

00:44:13,670 --> 00:44:12,400

right or two hours well probably more

938

00:44:15,750 --> 00:44:13,680

than that because i don't have to do all

939

00:44:18,550 --> 00:44:15,760

the research get all the links

940

00:44:20,309 --> 00:44:18,560

you know uh if you want to know what's

941

00:44:21,589 --> 00:44:20,319

going on with the tsa split

942

00:44:23,670 --> 00:44:21,599

and all the money that they're

943

00:44:26,230 --> 00:44:23,680

collecting to do nothing

944

00:44:27,190 --> 00:44:26,240

uh but i will invite i want to invite

945

00:44:29,190 --> 00:44:27,200

daniel here

946

00:44:31,990 --> 00:44:29,200

and we're going to do a show called tom

947

00:44:33,910 --> 00:44:32,000

delong show us the spaceship

948

00:44:35,990 --> 00:44:33,920

because that would be fun right daniel

949

00:44:37,430 --> 00:44:36,000

time's along show us the spaceship and

950

00:44:39,990 --> 00:44:37,440

we're going to play the clip of him

951
00:44:41,349 --> 00:44:40,000
collecting investor money and donations

952
00:44:43,589 --> 00:44:41,359
telling everybody that he's going to

953
00:44:46,069 --> 00:44:43,599
build a [h__h] spaceship

954
00:44:46,790 --> 00:44:46,079
and then we're going to ask him come on

955
00:44:48,790 --> 00:44:46,800
tom delong

956
00:44:50,790 --> 00:44:48,800
show us the [h__h] spaceship because

957
00:44:52,710 --> 00:44:50,800
that would be funny

958
00:44:54,150 --> 00:44:52,720
so i'm devoting my full attention to

959
00:44:55,910 --> 00:44:54,160
live chat folks this

960
00:44:57,589 --> 00:44:55,920
is going to be a short one after all

961
00:45:00,870 --> 00:44:57,599
it's almost christmas

962
00:45:01,990 --> 00:45:00,880
uh yeah jeanette said i saw that it was

963
00:45:05,510 --> 00:45:02,000

a scam

964

00:45:07,510 --> 00:45:05,520

yeah absolutely absolutely

965

00:45:09,829 --> 00:45:07,520

the context says i want that spaceship

966

00:45:11,510 --> 00:45:09,839

yeah i wanna listen

967

00:45:13,349 --> 00:45:11,520

after collecting how many millions of

968

00:45:15,349 --> 00:45:13,359

dollars daniel i think he should be

969

00:45:16,630 --> 00:45:15,359

giving [\h__\h] spaceship rides right

970

00:45:18,790 --> 00:45:16,640

or at least show us the [\h__\h]

971

00:45:19,510 --> 00:45:18,800

spaceship show us a [\h__\h] spaceship

972

00:45:22,790 --> 00:45:19,520

tom delong

973

00:45:26,710 --> 00:45:22,800

or give all the money back he

974

00:45:29,349 --> 00:45:26,720

said we're going to build a spaceship

975

00:45:29,750 --> 00:45:29,359

with a revolutionary power system that

976

00:45:32,870 --> 00:45:29,760

will

977

00:45:34,069 --> 00:45:32,880

change the world and that was three

978

00:45:35,829 --> 00:45:34,079

years ago

979

00:45:37,109 --> 00:45:35,839

i don't know how long daniel how long

980

00:45:37,750 --> 00:45:37,119

does it take to build a [h__h]

981

00:45:40,950 --> 00:45:37,760

spaceship

982

00:45:43,510 --> 00:45:40,960

like a year

983

00:45:46,710 --> 00:45:43,520

right they've had three years i want to

984

00:45:49,990 --> 00:45:46,720

see the [h__h] spaceship

985

00:45:52,069 --> 00:45:50,000

so uh you know along with my sort of

986

00:45:53,750 --> 00:45:52,079

somber attitude about this fool's

987

00:45:55,670 --> 00:45:53,760

mission comes new

988

00:45:57,190 --> 00:45:55,680

missions that i think will be more fun

989

00:45:58,870 --> 00:45:57,200

and more comedic

990

00:46:00,870 --> 00:45:58,880

daniel and i both agree that like

991

00:46:01,270 --> 00:46:00,880

sometimes you just gotta laugh at this

992

00:46:04,309 --> 00:46:01,280

[h__\h]

993

00:46:07,190 --> 00:46:04,319

like tom delong literally stood up on a

994

00:46:09,990 --> 00:46:07,200

[h__\h] stage with a bunch of former cia

995

00:46:11,589 --> 00:46:10,000

people that were gonna work for him and

996

00:46:13,750 --> 00:46:11,599

with him and

997

00:46:15,109 --> 00:46:13,760

told the world that he was going to

998

00:46:16,870 --> 00:46:15,119

build a [h__\h] spaceship

999

00:46:18,470 --> 00:46:16,880

with a revolutionary power system that

1000

00:46:20,870 --> 00:46:18,480

would change the world and this is an

1001

00:46:22,550 --> 00:46:20,880

opportunity for you to be a part of it

1002

00:46:24,870 --> 00:46:22,560

and people send in money

1003

00:46:25,750 --> 00:46:24,880

and three years later still no [h__\h]

1004

00:46:27,990 --> 00:46:25,760

spaceship

1005

00:46:29,990 --> 00:46:28,000

but all the money's gone all the money's

1006

00:46:33,349 --> 00:46:30,000

going daniel where the [h__\h] money go

1007

00:46:33,359 --> 00:46:41,589

so that may be a mission for us

1008

00:46:45,589 --> 00:46:44,069

holy [h__\h] someone replied to me in one

1009

00:46:48,230 --> 00:46:45,599

of my tweets on tsa

1010

00:46:50,069 --> 00:46:48,240

telling me that they donated 4 500 to

1011

00:46:50,630 --> 00:46:50,079

them and he may as well have burned that

1012

00:46:55,030 --> 00:46:50,640

in

1013

00:46:58,390 --> 00:46:55,040

the trash right

1014

00:47:00,069 --> 00:46:58,400

you didn't get nothing for your 4500

1015

00:47:02,230 --> 00:47:00,079

you sure didn't get a [\h__\h] spaceship

1016

00:47:04,390 --> 00:47:02,240

where's the [\h__\h] spaceship tom belong

1017

00:47:06,069 --> 00:47:04,400

and can me and daniel you know i don't

1018

00:47:07,589 --> 00:47:06,079

know how many daniel how many people do

1019

00:47:10,309 --> 00:47:07,599

you think can fit in the spaceship

1020

00:47:10,950 --> 00:47:10,319

right i don't know but maybe me you and

1021

00:47:12,870 --> 00:47:10,960

tom dalon

1022

00:47:14,550 --> 00:47:12,880

can take a ride in his spaceship that

1023

00:47:15,990 --> 00:47:14,560

would be fun

1024

00:47:17,670 --> 00:47:16,000

maybe you could go back and cover more

1025

00:47:19,030 --> 00:47:17,680

catholic based mysteries i'd like that

1026

00:47:21,910 --> 00:47:19,040

maybe you could do something on our lady

1027

00:47:24,790 --> 00:47:21,920

of fatima or the prophecies of seeing

1028

00:47:25,750 --> 00:47:24,800

uh maliki yeah i have then i have

1029

00:47:29,109 --> 00:47:25,760

folders for both

1030

00:47:30,870 --> 00:47:29,119

and we got into the stigmata and

1031

00:47:33,430 --> 00:47:30,880

incorruptable bodies and all these

1032

00:47:36,630 --> 00:47:33,440

different things the catholic mysteries

1033

00:47:38,230 --> 00:47:36,640

i've had uh an entire

1034

00:47:39,990 --> 00:47:38,240

lifetime of catholic education and

1035

00:47:41,510 --> 00:47:40,000

scripture study i'm well versed in all

1036

00:47:42,549 --> 00:47:41,520

these things and yeah i'd be happy to

1037

00:47:44,230 --> 00:47:42,559

share it

1038

00:47:46,309 --> 00:47:44,240

with you guys especially if there's

1039

00:47:47,109 --> 00:47:46,319

interest so that's another mission for

1040

00:47:48,870 --> 00:47:47,119

us

1041

00:47:50,790 --> 00:47:48,880

that would be a little less of a fool's

1042

00:47:53,190 --> 00:47:50,800

mission

1043

00:47:53,990 --> 00:47:53,200

and you know listen i'm not trying to

1044

00:47:55,990 --> 00:47:54,000

get negative

1045

00:47:57,430 --> 00:47:56,000

i enjoy coming here no matter what we're

1046

00:47:59,829 --> 00:47:57,440

covering but

1047

00:48:01,270 --> 00:47:59,839

go look at our channel for the last week

1048

00:48:04,150 --> 00:48:01,280

right

1049

00:48:05,270 --> 00:48:04,160

this is not the [h__h] corey good

1050

00:48:08,630 --> 00:48:05,280

busted channel

1051

00:48:10,950 --> 00:48:08,640

you know i didn't even

1052

00:48:12,950 --> 00:48:10,960

realize until i saw that today and i was

1053

00:48:14,950 --> 00:48:12,960

thinking about like jesus how much time

1054

00:48:16,870 --> 00:48:14,960

and energy did i give to this [h__h] this

1055

00:48:18,309 --> 00:48:16,880

week and yeah i'm a little bitter

1056

00:48:20,230 --> 00:48:18,319

because i'm behind in other projects

1057

00:48:21,589 --> 00:48:20,240

behind in other things got other things

1058

00:48:26,710 --> 00:48:21,599

to do

1059

00:48:33,430 --> 00:48:29,990

i uh what

1060

00:48:37,829 --> 00:48:33,440

what which schooling montessori myself

1061

00:48:40,390 --> 00:48:37,839

mostly uh lee i was mostly educated by

1062

00:48:42,150 --> 00:48:40,400

jesuits and uh that's going to be a

1063

00:48:43,190 --> 00:48:42,160

whole conspiracy theory now having said

1064

00:48:43,990 --> 00:48:43,200

that because there's all these

1065

00:48:46,549 --> 00:48:44,000

conspiracies

1066

00:48:47,670 --> 00:48:46,559

theories surrounding the jesuit sect of

1067

00:48:51,910 --> 00:48:47,680

catholics

1068

00:48:56,790 --> 00:48:53,910

i don't know you know they're human uh

1069

00:49:02,069 --> 00:48:56,800

priests are funny some of them were very

1070

00:49:03,910 --> 00:49:02,079

humorous and and likable and uh

1071

00:49:05,349 --> 00:49:03,920

some of them were very strict and

1072

00:49:07,270 --> 00:49:05,359

staunch and

1073

00:49:08,950 --> 00:49:07,280

you know like stuffed shirts and too

1074

00:49:11,349 --> 00:49:08,960

serious for me

1075

00:49:13,190 --> 00:49:11,359

but there were some that were human you

1076

00:49:15,750 --> 00:49:13,200

know more human

1077

00:49:16,790 --> 00:49:15,760

and uh i have a lot of problems with

1078

00:49:18,710 --> 00:49:16,800

catholicism i

1079

00:49:20,150 --> 00:49:18,720

i like to consider and call myself a

1080

00:49:21,910 --> 00:49:20,160

recovering catholic still

1081

00:49:24,710 --> 00:49:21,920

today i consider myself christian not

1082

00:49:26,470 --> 00:49:24,720

catholic however

1083

00:49:27,829 --> 00:49:26,480

the one thing i will say about catholics

1084

00:49:31,430 --> 00:49:27,839

is that they

1085

00:49:35,030 --> 00:49:31,440

are amazing at being educators

1086

00:49:36,390 --> 00:49:35,040

um i had the benefit of an incredible

1087

00:49:37,910 --> 00:49:36,400

education

1088

00:49:39,430 --> 00:49:37,920

that i wouldn't if i would have went to

1089

00:49:40,549 --> 00:49:39,440

public school i would have been barely

1090

00:49:42,710 --> 00:49:40,559

able to read

1091

00:49:44,470 --> 00:49:42,720

in in philadelphia trust me you don't

1092

00:49:47,750 --> 00:49:44,480

want to go to philadelphia public school

1093

00:49:50,790 --> 00:49:47,760

you it's horrible the philadelphia

1094

00:49:54,309 --> 00:49:52,150

brad gray have you heard of richard

1095

00:49:57,030 --> 00:49:54,319

turner the card mechanic yes brad gray

1096

00:49:58,549 --> 00:49:57,040

and he is blind and i've met him several

1097

00:50:01,510 --> 00:49:58,559

times actually

1098

00:50:02,710 --> 00:50:01,520

it's a weird subculture strange world

1099

00:50:06,470 --> 00:50:02,720

and

1100

00:50:08,390 --> 00:50:06,480

magicians

1101
00:50:10,069 --> 00:50:08,400
is this you know you know that saying

1102
00:50:11,670 --> 00:50:10,079
this there's only seven degrees of

1103
00:50:12,870 --> 00:50:11,680
separation between you and any other

1104
00:50:14,470 --> 00:50:12,880
people

1105
00:50:16,870 --> 00:50:14,480
between magicians there's only one

1106
00:50:18,069 --> 00:50:16,880
degree of separation in other words if i

1107
00:50:19,990 --> 00:50:18,079
don't know a magician

1108
00:50:21,190 --> 00:50:20,000
i know some of his friends it's just

1109
00:50:22,710 --> 00:50:21,200
such a small world

1110
00:50:28,630 --> 00:50:22,720
right you think our subculture is

1111
00:50:33,510 --> 00:50:30,710
oh here we go a collaborative fun

1112
00:50:37,030 --> 00:50:33,520
debater show with pragmatic on magic vs

1113
00:50:39,349 --> 00:50:37,040

magic with a k okay v

1114

00:50:41,109 --> 00:50:39,359

well you got to pick who's going to be

1115

00:50:42,710 --> 00:50:41,119

the magic with a c

1116

00:50:46,150 --> 00:50:42,720

or do you want me to do that do you mean

1117

00:50:48,870 --> 00:50:46,160

like stage magic versus ceremonial magic

1118

00:50:50,470 --> 00:50:48,880

i'll do that if prank magic is down we

1119

00:50:53,510 --> 00:50:50,480

can there's a lot of

1120

00:50:57,109 --> 00:50:53,520

there's a lot of places v where that

1121

00:50:58,230 --> 00:50:57,119

those worlds interlap and and magicians

1122

00:51:02,309 --> 00:50:58,240

take from

1123

00:51:05,829 --> 00:51:02,319

uh some of the traditions and sort of

1124

00:51:08,630 --> 00:51:05,839

stagery and and ceremonialness of stage

1125

00:51:10,710 --> 00:51:08,640

of that kind of magic and i think

1126
00:51:13,270 --> 00:51:10,720
ceremonial magicians to some extent

1127
00:51:14,950 --> 00:51:13,280
at one point or another would use magic

1128
00:51:19,109 --> 00:51:14,960
tricks to prove

1129
00:51:19,589 --> 00:51:19,119
you know to perform ceremonies and you

1130
00:51:21,430 --> 00:51:19,599
know

1131
00:51:23,270 --> 00:51:21,440
flash powder and things like that

1132
00:51:24,950 --> 00:51:23,280
there's a lot of overlaps between

1133
00:51:27,670 --> 00:51:24,960
those two worlds and i would definitely

1134
00:51:29,589 --> 00:51:27,680
like to explore that

1135
00:51:31,109 --> 00:51:29,599
prank magic says sounds fun we'll book

1136
00:51:34,870 --> 00:51:31,119
it then right after christmas prank

1137
00:51:39,349 --> 00:51:37,190
oh really one is an illusionist the

1138
00:51:42,309 --> 00:51:39,359

other dispels illusions oh yeah

1139

00:51:43,109 --> 00:51:42,319

okay we can have a debate about that bro

1140

00:51:46,230 --> 00:51:43,119

um

1141

00:51:47,190 --> 00:51:46,240

i'm not sure how i feel about magic with

1142

00:51:50,390 --> 00:51:47,200

the k

1143

00:51:51,430 --> 00:51:50,400

um used to be very into that when i was

1144

00:51:54,390 --> 00:51:51,440

a teenager

1145

00:51:55,109 --> 00:51:54,400

uh but after years of experimenting with

1146

00:51:57,510 --> 00:51:55,119

it i went

1147

00:51:59,829 --> 00:51:57,520

either i'm a terrible [h__h] ceremonial

1148

00:52:01,750 --> 00:51:59,839

magician or none of this [h__h] works

1149

00:52:03,589 --> 00:52:01,760

right prank magic maybe you can correct

1150

00:52:05,430 --> 00:52:03,599

me maybe i just did all the

1151
00:52:06,630 --> 00:52:05,440
spells wrong because nothing i ever

1152
00:52:09,910 --> 00:52:06,640
tried worked

1153
00:52:17,270 --> 00:52:09,920
and boy did i try right that could be a

1154
00:52:21,349 --> 00:52:19,910
six's design says blink 182 was a fail

1155
00:52:24,870 --> 00:52:21,359
so they did the next big thing

1156
00:52:30,390 --> 00:52:28,150
yeah yeah absolutely

1157
00:52:31,190 --> 00:52:30,400
absolutely and you know so if you have

1158
00:52:33,349 --> 00:52:31,200
any questions

1159
00:52:35,349 --> 00:52:33,359
comments suggestions for me please do

1160
00:52:37,589 --> 00:52:35,359
put them in the live chat

1161
00:52:38,950 --> 00:52:37,599
um i'm not going to throw out the

1162
00:52:41,750 --> 00:52:38,960
begging bowl today it's

1163
00:52:42,790 --> 00:52:41,760

two days before christmas and but if you

1164

00:52:45,910 --> 00:52:42,800

want to help a brother

1165

00:52:47,670 --> 00:52:45,920

out there's paypal and patreon oh that

1166

00:52:49,910 --> 00:52:47,680

does remind me though

1167

00:52:52,150 --> 00:52:49,920

i i want to thank someone we had a new

1168

00:52:54,870 --> 00:52:52,160

patreon supporter today

1169

00:52:56,470 --> 00:52:54,880

and i don't see her in the live chat but

1170

00:52:59,349 --> 00:52:56,480

i still want to acknowledge her

1171

00:52:59,990 --> 00:52:59,359

and and thank her and offer her my

1172

00:53:04,950 --> 00:53:00,000

kindness

1173

00:53:08,549 --> 00:53:06,390

you know from the bottom of my heart

1174

00:53:11,670 --> 00:53:08,559

every single person that helps

1175

00:53:15,750 --> 00:53:11,680

it really does help here

1176

00:53:18,549 --> 00:53:15,760

so uh i just want to thank acknowledge

1177

00:53:19,510 --> 00:53:18,559

and congratulate our latest patreon

1178

00:53:22,069 --> 00:53:19,520

supporter

1179

00:53:23,430 --> 00:53:22,079

sweet cheeks who december 23rd became a

1180

00:53:26,790 --> 00:53:23,440

patreon supporter

1181

00:53:30,549 --> 00:53:26,800

spooky

1182

00:53:34,549 --> 00:53:30,559

mark daniel james melisa

1183

00:53:36,950 --> 00:53:34,559

and jacqueline uh so there's about links

1184

00:53:37,910 --> 00:53:36,960

in the patreon in the in the about links

1185

00:53:39,589 --> 00:53:37,920

there's a patreon

1186

00:53:41,750 --> 00:53:39,599

support page for the littlest dollar a

1187

00:53:43,589 --> 00:53:41,760

month or the paypal

1188

00:53:45,030 --> 00:53:43,599

you can make a one-time donation i'll

1189

00:53:46,549 --> 00:53:45,040

check that just in case but i think

1190

00:53:48,790 --> 00:53:46,559

we're good on that

1191

00:53:50,630 --> 00:53:48,800

uh we always we always shout out and

1192

00:53:52,390 --> 00:53:50,640

thank every single person who becomes a

1193

00:53:55,910 --> 00:53:52,400

new patreon supporter

1194

00:53:57,829 --> 00:53:55,920

i'm or we shout out and thank everybody

1195

00:53:59,750 --> 00:53:57,839

that sends a paypal donation

1196

00:54:01,910 --> 00:53:59,760

if you do send a paypal donation put add

1197

00:54:02,950 --> 00:54:01,920

a note line and give us your chat room

1198

00:54:04,069 --> 00:54:02,960

user id

1199

00:54:05,510 --> 00:54:04,079

because you probably don't want me

1200

00:54:06,710 --> 00:54:05,520

shouting at your real name if paypal

1201

00:54:12,549 --> 00:54:06,720

gives me that

1202

00:54:15,589 --> 00:54:14,870

yes we are good we haven't had no new

1203

00:54:17,990 --> 00:54:15,599

paypal

1204

00:54:19,430 --> 00:54:18,000

donations since the 18th and the last

1205

00:54:22,069 --> 00:54:19,440

one was from jonas side

1206

00:54:23,990 --> 00:54:22,079

so my thanks uh genocide for his

1207

00:54:24,470 --> 00:54:24,000

kindness supports oh sweet chicks is

1208

00:54:26,950 --> 00:54:24,480

here

1209

00:54:30,309 --> 00:54:26,960

thank you sweet cheeks and a happy

1210

00:54:33,829 --> 00:54:30,319

holiday and a merry christmas to you

1211

00:54:36,150 --> 00:54:33,839

i appreciate immensely what you did

1212

00:54:37,109 --> 00:54:36,160

becoming a patreon supporter every

1213

00:54:39,109 --> 00:54:37,119

dollar helps

1214

00:54:40,470 --> 00:54:39,119

and it really does help us to keep the

1215

00:54:42,069 --> 00:54:40,480

show going and

1216

00:54:43,589 --> 00:54:42,079

i hope you enjoy all the patreon

1217

00:54:45,829 --> 00:54:43,599

benefits if you have any

1218

00:54:48,069 --> 00:54:45,839

questions about the patreon benefits you

1219

00:54:48,789 --> 00:54:48,079

can just look in posts there and you can

1220

00:54:50,309 --> 00:54:48,799

get all the

1221

00:54:52,789 --> 00:54:50,319

you can get everything i've ever posted

1222

00:54:54,870 --> 00:54:52,799

there all the audio journals

1223

00:54:56,150 --> 00:54:54,880

all of the uh there's the mind hack

1224

00:54:57,910 --> 00:54:56,160

project

1225

00:54:59,190 --> 00:54:57,920

in pieces but then there's the bigger

1226

00:55:01,349 --> 00:54:59,200

one that's three hours

1227

00:55:03,349 --> 00:55:01,359

and 30 minutes i hope you enjoy that and

1228

00:55:05,190 --> 00:55:03,359

we'll be adding new patreon stuff soon

1229

00:55:10,230 --> 00:55:05,200

including music

1230

00:55:14,549 --> 00:55:13,030

going to get back into that i'm going to

1231

00:55:15,990 --> 00:55:14,559

be sharing that stuff

1232

00:55:17,430 --> 00:55:16,000

yeah so here we go i said i wasn't going

1233

00:55:19,030 --> 00:55:17,440

to put the begging bull out but i forgot

1234

00:55:20,950 --> 00:55:19,040

that we had sweet cheeks donate and one

1235

00:55:23,270 --> 00:55:20,960

to acknowledge and thank her

1236

00:55:25,190 --> 00:55:23,280

uh really thank you so much sweeties i

1237

00:55:27,349 --> 00:55:25,200

appreciate that made my day every

1238

00:55:28,309 --> 00:55:27,359

day that i look and i see a new patreon

1239

00:55:30,309 --> 00:55:28,319

supporter

1240

00:55:32,069 --> 00:55:30,319

yeah that's the world we live in it

1241

00:55:33,430 --> 00:55:32,079

could be as little as a dollar could

1242

00:55:35,030 --> 00:55:33,440

make my day friends

1243

00:55:40,390 --> 00:55:35,040

that really does make a difference it

1244

00:55:44,870 --> 00:55:42,470

okay what is prank magic what are you

1245

00:55:47,510 --> 00:55:44,880

talking about

1246

00:55:49,430 --> 00:55:47,520

stephen campaign is deleting his channel

1247

00:55:51,829 --> 00:55:49,440

okay and he says because of mario

1248

00:55:53,510 --> 00:55:51,839

yeah [h__h] that mexican canadian i'm

1249

00:55:58,390 --> 00:55:53,520

gonna delete my channel just because of

1250

00:56:01,430 --> 00:56:00,230

oh michael that's very nice but you know

1251

00:56:02,710 --> 00:56:01,440

i don't really

1252

00:56:04,950 --> 00:56:02,720

you know i gotta think about that

1253

00:56:06,950 --> 00:56:04,960

because it's an expensive sort of gift

1254

00:56:09,270 --> 00:56:06,960

right and sure i'd love to have that at

1255

00:56:11,270 --> 00:56:09,280

my cabin but uh we have this beat up one

1256

00:56:12,470 --> 00:56:11,280

so what i would say is to hold off on

1257

00:56:14,230 --> 00:56:12,480

that michael i appreciate your

1258

00:56:15,510 --> 00:56:14,240

generosity your support your willingness

1259

00:56:18,870 --> 00:56:15,520

to uh

1260

00:56:19,430 --> 00:56:18,880

donate a really nice telescope to help

1261

00:56:22,069 --> 00:56:19,440

me sky

1262

00:56:23,750 --> 00:56:22,079

watch and maybe help you find some ufos

1263

00:56:24,309 --> 00:56:23,760

but i've got one at the cabin a little

1264

00:56:25,750 --> 00:56:24,319

beat up

1265

00:56:27,430 --> 00:56:25,760

needs a little work i'm gonna send you a

1266

00:56:30,549 --> 00:56:27,440

picture of it next time i'm there

1267

00:56:32,150 --> 00:56:30,559

so hold off on your donation i think

1268

00:56:36,150 --> 00:56:32,160

that someone else

1269

00:56:36,870 --> 00:56:36,160

who may be uh less able to purchase

1270

00:56:41,190 --> 00:56:36,880

their own

1271

00:56:46,470 --> 00:56:45,030

mario he are deleting your channel yeah

1272

00:56:48,069 --> 00:56:46,480

you're late to the show the news

1273

00:56:49,670 --> 00:56:48,079

it's called the fool's mission i decided

1274

00:56:52,470 --> 00:56:49,680

it's a fool's mission and i'm just going

1275

00:56:57,190 --> 00:56:52,480

to delete the whole channel mario heat

1276

00:57:00,870 --> 00:56:59,270

and it's all and i'm gonna say it's all

1277

00:57:02,789 --> 00:57:00,880

mario's fault i'm gonna write a blog

1278

00:57:04,710 --> 00:57:02,799

post that mario heap pissed me off and

1279

00:57:06,390 --> 00:57:04,720

that's why i deleted the whole channel

1280

00:57:08,470 --> 00:57:06,400

no mario here i'm not deleting the

1281

00:57:10,630 --> 00:57:08,480

channel youtube might

1282

00:57:13,510 --> 00:57:10,640

i don't know you know that algo's going

1283

00:57:15,589 --> 00:57:13,520

ape [h__h] and by the way everyone please

1284

00:57:16,789 --> 00:57:15,599

uh six of design please put cw

1285

00:57:19,430 --> 00:57:16,799

channelers alternate

1286

00:57:21,270 --> 00:57:19,440

uh channel his where he's streaming

1287

00:57:22,470 --> 00:57:21,280

right now into the live chat we've got

1288

00:57:24,069 --> 00:57:22,480

to support our friends

1289

00:57:26,069 --> 00:57:24,079

his channel he's he's feeling a little

1290

00:57:28,850 --> 00:57:26,079

better today he's trying to get things

1291

00:57:32,710 --> 00:57:30,309

[Music]

1292

00:57:34,950 --> 00:57:32,720

six design you are correct uh there is

1293

00:57:38,069 --> 00:57:34,960

zero light pollution at the cabin

1294

00:57:40,710 --> 00:57:38,079

well honestly i've got

1295

00:57:41,589 --> 00:57:40,720

neighbors not far from me that have a

1296

00:57:43,910 --> 00:57:41,599

pretty bright

1297

00:57:45,430 --> 00:57:43,920

yard light and and i feel like going

1298

00:57:46,230 --> 00:57:45,440

over there and going can you do me a

1299

00:57:47,910 --> 00:57:46,240

favor

1300

00:57:49,589 --> 00:57:47,920

can you only leave that on until like

1301

00:57:52,230 --> 00:57:49,599

three o'clock in the morning

1302

00:57:53,109 --> 00:57:52,240

because if not for that light there is

1303

00:57:56,230 --> 00:57:53,119

no light

1304

00:57:57,990 --> 00:57:56,240

anywhere near me um but

1305

00:57:59,510 --> 00:57:58,000

yeah even with that it's just a yard

1306

00:58:01,190 --> 00:57:59,520

light and it's off in the distance but

1307

00:58:02,549 --> 00:58:01,200

you could see it off in the woods like a

1308

00:58:03,190 --> 00:58:02,559

little bit of a light but other than

1309

00:58:05,670 --> 00:58:03,200

that

1310

00:58:06,950 --> 00:58:05,680

nothing no street lights no headlights

1311

00:58:09,190 --> 00:58:06,960

no it is

1312

00:58:11,030 --> 00:58:09,200

dark as [h__\h] at the cabin and the other

1313

00:58:15,109 --> 00:58:11,040

advantage to skywatching at the cabin

1314

00:58:17,030 --> 00:58:15,119

is that there is um i have a uh

1315

00:58:19,270 --> 00:58:17,040

i'll have to repost on my twitter six

1316

00:58:21,510 --> 00:58:19,280

design but there's a sign

1317

00:58:23,190 --> 00:58:21,520

one mile from my cabin that says what

1318

00:58:24,549 --> 00:58:23,200

the elevation is and then it says

1319

00:58:27,030 --> 00:58:24,559

highest elevation

1320

00:58:29,510 --> 00:58:27,040

in all of pennsylvania so in all of

1321

00:58:31,030 --> 00:58:29,520

pennsylvania my cabin is one mile from

1322

00:58:33,990 --> 00:58:31,040

the highest point it's

1323

00:58:35,109 --> 00:58:34,000

really literally up on a mountain so

1324

00:58:36,549 --> 00:58:35,119

with the naked eye

1325

00:58:39,030 --> 00:58:36,559

you could see the international space

1326

00:58:40,069 --> 00:58:39,040

station you can quite often see just

1327

00:58:42,870 --> 00:58:40,079

satellites

1328

00:58:44,470 --> 00:58:42,880

whizzing by with the naked eye so i'm

1329

00:58:47,829 --> 00:58:44,480

gonna get a telescope going there so i

1330

00:58:52,710 --> 00:58:50,630

and uh you know michael says that sounds

1331

00:58:53,510 --> 00:58:52,720

like my pop cabin yeah that's the

1332

00:58:55,109 --> 00:58:53,520

greatest place

1333

00:58:57,190 --> 00:58:55,119

i one of the greatest things that i love

1334

00:58:59,349 --> 00:58:57,200

is a clear night there michael

1335

00:59:01,670 --> 00:58:59,359

and i literally just lay down on the

1336

00:59:03,829 --> 00:59:01,680

ground in a clearing in the forest

1337

00:59:05,349 --> 00:59:03,839

there's some clearings and i've sort of

1338

00:59:07,030 --> 00:59:05,359

you know hiked around the cabin and

1339

00:59:08,870 --> 00:59:07,040

identified where you know

1340

00:59:10,470 --> 00:59:08,880

the forest just opens up sometimes

1341

00:59:11,990 --> 00:59:10,480

naturally there's just not a group of

1342

00:59:14,789 --> 00:59:12,000

trees there whatever

1343

00:59:16,870 --> 00:59:14,799

and there's trees all around you and you

1344

00:59:20,150 --> 00:59:16,880

just lay down in the forest

1345

00:59:23,109 --> 00:59:20,160

and look up and you can see

1346

00:59:24,150 --> 00:59:23,119

the universe and and it's one of my

1347

00:59:28,309 --> 00:59:24,160

favorite things to do

1348

00:59:29,829 --> 00:59:28,319

chandler's alternate channel is here

1349

00:59:33,030 --> 00:59:29,839

friends please do

1350

00:59:35,190 --> 00:59:33,040

go over there right now there's 30 or 40

1351

00:59:37,109 --> 00:59:35,200

people in the live chat

1352

00:59:38,230 --> 00:59:37,119

every 40 every one of you people if you

1353

00:59:40,789 --> 00:59:38,240

haven't already go over there and

1354

00:59:44,069 --> 00:59:40,799

subscribe to his alternate channel

1355

00:59:44,549 --> 00:59:44,079

um he really could use he really could

1356

00:59:46,789 --> 00:59:44,559

use

1357

00:59:47,750 --> 00:59:46,799

a helping hand right now and it's time

1358

00:59:50,549 --> 00:59:47,760

to be

1359

00:59:52,630 --> 00:59:50,559

giving and you know all that stuff what

1360

00:59:54,390 --> 00:59:52,640

happened to cw's channel he got a strike

1361

00:59:54,950 --> 00:59:54,400

so he's not able to stream on his normal

1362

00:59:57,109 --> 00:59:54,960

channel

1363

00:59:58,630 --> 00:59:57,119

and now because of this algo going crazy

1364

01:00:00,069 --> 00:59:58,640

terry he's really worried that his whole

1365

01:00:01,910 --> 01:00:00,079

channel is going to get deleted

1366

01:00:03,589 --> 01:00:01,920

so he's having panic attacks well not

1367

01:00:06,710 --> 01:00:03,599

panic attacks but he's having

1368

01:00:08,549 --> 01:00:06,720

you know he's having mental distress

1369

01:00:10,069 --> 01:00:08,559

trying to hurry up and download 500

1370

01:00:13,270 --> 01:00:10,079

videos so imagine that

1371

01:00:14,789 --> 01:00:13,280

that sucks i wish him the best

1372

01:00:16,950 --> 01:00:14,799

and see if there's anything that i can

1373

01:00:18,870 --> 01:00:16,960

do to help you please feel free to

1374

01:00:26,390 --> 01:00:18,880

contact me and i will certainly try

1375

01:00:31,270 --> 01:00:29,589

use a filter for your eyes you know i

1376

01:00:33,750 --> 01:00:31,280

never thought of that and i don't know

1377

01:00:35,670 --> 01:00:33,760

how to get filters on a pc webcam

1378

01:00:37,750 --> 01:00:35,680

jeanette that might work on a phone but

1379

01:00:40,549 --> 01:00:37,760

i'm not sure that would work

1380

01:00:45,430 --> 01:00:40,559

on a pc webcam i'm fine with the glasses

1381

01:00:48,789 --> 01:00:46,950

yeah terry's yours he got a strike and

1382

01:00:49,910 --> 01:00:48,799

now he has to delete all his content

1383

01:00:51,829 --> 01:00:49,920

before he can broadcast

1384

01:00:53,670 --> 01:00:51,839

again i don't believe that's accurately

1385

01:00:55,109 --> 01:00:53,680

he doesn't have to delete anything

1386

01:00:56,630 --> 01:00:55,119

but he's worried that if he doesn't

1387

01:00:57,190 --> 01:00:56,640

delete anything he's going to get more

1388

01:00:59,670 --> 01:00:57,200

strikes

1389

01:01:00,390 --> 01:00:59,680

if he doesn't delete everything so he is

1390

01:01:02,470 --> 01:01:00,400

basically

1391

01:01:03,910 --> 01:01:02,480

i believe trying to download it all and

1392

01:01:06,309 --> 01:01:03,920

delete it like download

1393

01:01:14,069 --> 01:01:06,319

delete download delete each video out of

1394

01:01:17,270 --> 01:01:16,069

once this pandemic is over we plan on

1395

01:01:19,190 --> 01:01:17,280

visiting with our group members and

1396

01:01:19,910 --> 01:01:19,200

skywatch cook for them yeah you can cook

1397

01:01:24,390 --> 01:01:19,920

for me

1398

01:01:27,030 --> 01:01:24,400

boy michael i like to eat i'm uh

1399

01:01:28,069 --> 01:01:27,040

i some people have seen a picture of the

1400

01:01:31,109 --> 01:01:28,079

front of the cabin

1401
01:01:32,390 --> 01:01:31,119
i'm planning uh on putting a front porch

1402
01:01:35,829 --> 01:01:32,400
on the cabin

1403
01:01:37,589 --> 01:01:35,839
and uh after the sunroom is all done

1404
01:01:39,030 --> 01:01:37,599
and then after that i'm building a

1405
01:01:42,069 --> 01:01:39,040
stone-fired wok

1406
01:01:45,750 --> 01:01:42,079
and and maybe a stone fire pizza oven

1407
01:01:48,230 --> 01:01:45,760
just to annoy uh or i'm sorry a stone

1408
01:01:49,829 --> 01:01:48,240
pizza oven so there's gonna be a stone

1409
01:01:51,270 --> 01:01:49,839
wood-fired wok

1410
01:01:53,030 --> 01:01:51,280
and a lot of people don't know but when

1411
01:01:53,990 --> 01:01:53,040
you try to cook chinese food at home on

1412
01:01:55,750 --> 01:01:54,000
a gas range

1413
01:01:57,029 --> 01:01:55,760

it just doesn't come out as good and the

1414

01:01:58,710 --> 01:01:57,039

reason is

1415

01:02:00,549 --> 01:01:58,720

the chinese food places have special

1416

01:02:02,069 --> 01:02:00,559

burners that get that wok

1417

01:02:04,549 --> 01:02:02,079

up to a much higher temperature than you

1418

01:02:05,670 --> 01:02:04,559

can at home but on a wood-fired walk you

1419

01:02:07,270 --> 01:02:05,680

can get it up to that

1420

01:02:09,190 --> 01:02:07,280

same temperature that the chinese food

1421

01:02:10,069 --> 01:02:09,200

restaurants use so stir-fry comes out so

1422

01:02:11,829 --> 01:02:10,079

much better

1423

01:02:13,109 --> 01:02:11,839

so i'm going to build a wood-fired wok

1424

01:02:14,950 --> 01:02:13,119

and hopefully a

1425

01:02:20,789 --> 01:02:14,960

stone pizza oven just to annoy dan

1426

01:02:23,510 --> 01:02:20,799

hooker because no pizza for him

1427

01:02:25,349 --> 01:02:23,520

okay six design i'm sorry i keep all my

1428

01:02:26,950 --> 01:02:25,359

files locally gigs and gigs and gigs

1429

01:02:30,549 --> 01:02:26,960

takes up a lot of space

1430

01:02:33,750 --> 01:02:30,559

yeah um i am just

1431

01:02:34,950 --> 01:02:33,760

speaking of that i have just started the

1432

01:02:37,829 --> 01:02:34,960

process of

1433

01:02:38,549 --> 01:02:37,839

of backing up our channel here and uh

1434

01:02:40,470 --> 01:02:38,559

what i have

1435

01:02:42,390 --> 01:02:40,480

here is i always use these i have a

1436

01:02:43,990 --> 01:02:42,400

little adapter that turns these into

1437

01:02:46,309 --> 01:02:44,000

you know i can plug them into usb but

1438

01:02:49,029 --> 01:02:46,319

these are just laptop hard drives

1439

01:02:50,309 --> 01:02:49,039

um so many times uh a customer will like

1440

01:02:52,870 --> 01:02:50,319

throw out a laptop

1441

01:02:54,390 --> 01:02:52,880

or upgrade a laptop and just tell me

1442

01:02:55,910 --> 01:02:54,400

well you can keep the laptop if the

1443

01:02:57,829 --> 01:02:55,920

laptop's really old and [h__h]

1444

01:02:59,190 --> 01:02:57,839

i just take drives out of them and use

1445

01:03:01,109 --> 01:02:59,200

them for backups

1446

01:03:02,870 --> 01:03:01,119

these actually though are all 500

1447

01:03:05,990 --> 01:03:02,880

gigabyte but even still

1448

01:03:07,670 --> 01:03:06,000

you know uh so i use these for backups

1449

01:03:10,150 --> 01:03:07,680

and i just started the process

1450

01:03:11,910 --> 01:03:10,160

i want to make sure i was scared after

1451
01:03:13,750 --> 01:03:11,920
hearing what happened to c.w chatter and

1452
01:03:15,910 --> 01:03:13,760
john clark from beyond mystic

1453
01:03:18,230 --> 01:03:15,920
his channel's gone he couldn't even get

1454
01:03:20,150 --> 01:03:18,240
back in to download anything so

1455
01:03:22,710 --> 01:03:20,160
it kind of scared me and i have stuff on

1456
01:03:25,109 --> 01:03:22,720
my old youtube channel

1457
01:03:27,510 --> 01:03:25,119
that i believe i believe everything on

1458
01:03:29,029 --> 01:03:27,520
my old youtube channel is backed up

1459
01:03:31,589 --> 01:03:29,039
but not everything on this new channel

1460
01:03:33,430 --> 01:03:31,599
so i've started to uh

1461
01:03:35,510 --> 01:03:33,440
i'm going to download everything on both

1462
01:03:37,029 --> 01:03:35,520
of my youtube channels put them on these

1463
01:03:38,950 --> 01:03:37,039

hard drives you know so i can have

1464

01:03:41,029 --> 01:03:38,960

multiple backups i believe

1465

01:03:41,990 --> 01:03:41,039

everything will fit on maybe on the

1466

01:03:44,390 --> 01:03:42,000

first channel

1467

01:03:45,829 --> 01:03:44,400

of maybe like two of these and in the

1468

01:03:47,990 --> 01:03:45,839

second channel

1469

01:03:49,990 --> 01:03:48,000

two of these and then i've got more so

1470

01:03:51,430 --> 01:03:50,000

i'll make multiple backups of each of

1471

01:03:53,109 --> 01:03:51,440

the youtube channels and then

1472

01:03:54,950 --> 01:03:53,119

and then i just put these in a fireproof

1473

01:03:56,150 --> 01:03:54,960

metal box in my house just in case

1474

01:03:59,270 --> 01:03:56,160

there's a fire

1475

01:04:02,150 --> 01:03:59,280

um and i label them and and then you

1476

01:04:05,990 --> 01:04:04,309

and then all of the things that i've

1477

01:04:06,630 --> 01:04:06,000

created and shared with people will be

1478

01:04:08,549 --> 01:04:06,640

preserved

1479

01:04:10,230 --> 01:04:08,559

because it's a terrible thing with just

1480

01:04:12,309 --> 01:04:10,240

wake up all of a sudden and holy [h__h]

1481

01:04:13,510 --> 01:04:12,319

i've been making youtube videos for five

1482

01:04:17,589 --> 01:04:13,520

years and now they're all

1483

01:04:18,390 --> 01:04:17,599

going to be gone mario heat is today the

1484

01:04:20,390 --> 01:04:18,400

live stream

1485

01:04:22,069 --> 01:04:20,400

uh no is it the last stream before

1486

01:04:24,950 --> 01:04:22,079

christmas probably

1487

01:04:27,029 --> 01:04:24,960

i haven't decided may still do a show uh

1488

01:04:27,589 --> 01:04:27,039

depends on how i feel but honestly you

1489

01:04:29,990 --> 01:04:27,599

know

1490

01:04:31,910 --> 01:04:30,000

my children could use some daddy time

1491

01:04:33,349 --> 01:04:31,920

mario heat and my wife

1492

01:04:35,349 --> 01:04:33,359

well she doesn't care she didn't spend

1493

01:04:36,950 --> 01:04:35,359

any time with me

1494

01:04:38,549 --> 01:04:36,960

actually i think my wife's kind of

1495

01:04:40,309 --> 01:04:38,559

pissed about this whole christmas thing

1496

01:04:41,029 --> 01:04:40,319

mario heat because i'm going to the

1497

01:04:42,470 --> 01:04:41,039

cabin

1498

01:04:44,309 --> 01:04:42,480

first of all there was a big snowstorm

1499

01:04:45,029 --> 01:04:44,319

last week so i couldn't get into the

1500

01:04:46,789 --> 01:04:45,039

cabin

1501

01:04:48,230 --> 01:04:46,799

you know neighbors call me and warn me

1502

01:04:49,029 --> 01:04:48,240

like unless you have four wheel drive

1503

01:04:50,230 --> 01:04:49,039

you ain't getting in

1504

01:04:52,470 --> 01:04:50,240

you're not going to be able to make it

1505

01:04:55,349 --> 01:04:52,480

to the cabin um

1506

01:04:56,230 --> 01:04:55,359

from the main road at all so i couldn't

1507

01:04:59,270 --> 01:04:56,240

go

1508

01:05:00,549 --> 01:04:59,280

because it's christmas and then i'm

1509

01:05:01,430 --> 01:05:00,559

probably not going next week because

1510

01:05:03,430 --> 01:05:01,440

it's new year's

1511

01:05:05,910 --> 01:05:03,440

so quite honestly mario heat my wife is

1512

01:05:10,069 --> 01:05:05,920

getting sick of me

1513

01:05:12,150 --> 01:05:10,079

she's like are you gonna go to the cabin

1514

01:05:13,430 --> 01:05:12,160

uh on new year's day and i'm like new

1515

01:05:16,390 --> 01:05:13,440

year's day

1516

01:05:17,910 --> 01:05:16,400

uh i wasn't planning on i don't know i

1517

01:05:19,510 --> 01:05:17,920

was spending quite a lot of time over

1518

01:05:21,190 --> 01:05:19,520

there though so i guess it's a bit of an

1519

01:05:21,990 --> 01:05:21,200

adjustment for her for me to be around

1520

01:05:23,670 --> 01:05:22,000

all the time because

1521

01:05:25,510 --> 01:05:23,680

then mary she has to worry about you

1522

01:05:26,789 --> 01:05:25,520

know feeding me and stuff the kids are a

1523

01:05:28,309 --> 01:05:26,799

little easier

1524

01:05:30,789 --> 01:05:28,319

you know but when i'm here she's gotta

1525

01:05:33,829 --> 01:05:30,799

cook more and and this and that

1526

01:05:35,430 --> 01:05:33,839

sweet chick says where are you i grew up

1527

01:05:35,990 --> 01:05:35,440

it was born and raised sweet cheeks in

1528

01:05:38,549 --> 01:05:36,000

philadelphia

1529

01:05:40,230 --> 01:05:38,559

pennsylvania i always tell people this

1530

01:05:41,750 --> 01:05:40,240

because everybody knows what i'm talking

1531

01:05:44,470 --> 01:05:41,760

about when i tell people this

1532

01:05:45,670 --> 01:05:44,480

if you've ever seen the movie rocky the

1533

01:05:48,470 --> 01:05:45,680

first one

1534

01:05:49,589 --> 01:05:48,480

or the second one right where rocky

1535

01:05:51,829 --> 01:05:49,599

lives and where

1536

01:05:52,789 --> 01:05:51,839

his wife's worked at the fish store and

1537

01:05:54,630 --> 01:05:52,799

where mixed gym

1538

01:05:56,150 --> 01:05:54,640

is i grew up right around the corner

1539

01:05:59,029 --> 01:05:56,160

from there like literally

1540

01:05:59,910 --> 01:05:59,039

a five minute walk from mick's gym and

1541

01:06:02,390 --> 01:05:59,920

um

1542

01:06:03,990 --> 01:06:02,400

and the fish you know the pet store that

1543

01:06:06,549 --> 01:06:04,000

adrian rocky's wife worked

1544

01:06:08,470 --> 01:06:06,559

at in philadelphia lived there my whole

1545

01:06:10,230 --> 01:06:08,480

life until two years ago

1546

01:06:11,910 --> 01:06:10,240

uh when my wife and i decided that the

1547

01:06:13,990 --> 01:06:11,920

crime and the crackheads and everything

1548

01:06:15,670 --> 01:06:14,000

in the city was getting too crazy

1549

01:06:17,270 --> 01:06:15,680

uh pennsylvania so it's philadelphia

1550

01:06:18,870 --> 01:06:17,280

pennsylvania is where i grew up

1551

01:06:20,630 --> 01:06:18,880

and now we live in the philadelphia

1552

01:06:23,670 --> 01:06:20,640

suburbs in a town

1553

01:06:25,750 --> 01:06:23,680

called warminster i also have a cabin

1554

01:06:27,349 --> 01:06:25,760

uh in the poconos in pennsylvania that's

1555

01:06:28,309 --> 01:06:27,359

where whenever he mentions the cabin

1556

01:06:31,109 --> 01:06:28,319

it's way way

1557

01:06:37,190 --> 01:06:31,119

up north in the poconos mountains of

1558

01:06:40,549 --> 01:06:39,270

six design a man after my own heart i

1559

01:06:41,829 --> 01:06:40,559

keep the magnets when

1560

01:06:43,750 --> 01:06:41,839

drives are toast i use them for

1561

01:06:45,430 --> 01:06:43,760

electrical projects and such me too i

1562

01:06:46,390 --> 01:06:45,440

have quite a collection and a drawer in

1563

01:06:48,309 --> 01:06:46,400

the garage

1564

01:06:49,990 --> 01:06:48,319

and my wife's always gets mad at me

1565

01:06:52,309 --> 01:06:50,000

because she says i'm cheap or something

1566

01:06:54,230 --> 01:06:52,319

like i don't it's a magnet you could use

1567

01:06:56,230 --> 01:06:54,240

a magnet for something someday so i take

1568

01:06:58,150 --> 01:06:56,240

them out too

1569

01:06:59,990 --> 01:06:58,160

and i drive her nuts with this six

1570

01:07:02,069 --> 01:07:00,000

design i got this for my father i don't

1571

01:07:04,870 --> 01:07:02,079

know why i do it but to this day

1572

01:07:05,990 --> 01:07:04,880

i still do it let's say a toaster stops

1573

01:07:08,390 --> 01:07:06,000

working

1574

01:07:10,230 --> 01:07:08,400

i got and i gotta throw it out i cannot

1575

01:07:11,589 --> 01:07:10,240

throw it out until i cut that cord

1576

01:07:13,430 --> 01:07:11,599

because i may need that cord for

1577

01:07:15,589 --> 01:07:13,440

something and i got a drawer full of

1578

01:07:18,789 --> 01:07:15,599

those [h__h] cords i never use

1579

01:07:21,190 --> 01:07:18,799

so there you go yeah the old four-wheel

1580

01:07:23,430 --> 01:07:21,200

drive excuse i tried prank magic

1581

01:07:25,029 --> 01:07:23,440

i had to buy a new vehicle and i tried i

1582

01:07:26,710 --> 01:07:25,039

was adamant i told my wife i'm like i'm

1583

01:07:28,390 --> 01:07:26,720

getting a car four-wheel drive i need it

1584

01:07:29,990 --> 01:07:28,400

for the cabin and

1585

01:07:31,910 --> 01:07:30,000

the money just wasn't there so i settled

1586

01:07:33,829 --> 01:07:31,920

for a car with traction control which is

1587

01:07:36,710 --> 01:07:33,839

slightly less worthless than

1588

01:07:38,309 --> 01:07:36,720

you know any other car without traction

1589

01:07:41,029 --> 01:07:38,319

control

1590

01:07:42,390 --> 01:07:41,039

but my previous car prank magic had rear

1591

01:07:44,710 --> 01:07:42,400

wheel drive

1592

01:07:46,549 --> 01:07:44,720

so uh there was no getting in and out of

1593

01:07:47,430 --> 01:07:46,559

the cabin with rear wheel drive even if

1594

01:07:50,710 --> 01:07:47,440

there was

1595

01:07:52,630 --> 01:07:50,720

not much snow it was terrible mario he

1596

01:07:54,630 --> 01:07:52,640

stopped talking like that because you

1597

01:07:56,870 --> 01:07:54,640

could create a self-fulfilling prophecy

1598

01:08:00,390 --> 01:07:56,880

or something you dumbass

1599

01:08:04,630 --> 01:08:02,390

seth eisenbaugh says two thousand dollar

1600

01:08:06,630 --> 01:08:04,640

stimulus trump 2021

1601

01:08:09,029 --> 01:08:06,640

i'd like to generally don't want to

1602

01:08:10,789 --> 01:08:09,039

comment on politics here we don't

1603

01:08:12,950 --> 01:08:10,799

generally talk about politics but for

1604

01:08:14,390 --> 01:08:12,960

once i agree with donald trump he listed

1605

01:08:15,750 --> 01:08:14,400

that stimulus bill is supposed to be to

1606

01:08:17,349 --> 01:08:15,760

help americans

1607

01:08:19,349 --> 01:08:17,359

look at all that money they were going

1608

01:08:21,349 --> 01:08:19,359

to give foreign countries and then give

1609

01:08:23,110 --> 01:08:21,359

americans just 600 bucks

1610

01:08:24,789 --> 01:08:23,120

and there's all these jokes going around

1611

01:08:26,070 --> 01:08:24,799

you know there's more than 600 bucks in

1612

01:08:30,149 --> 01:08:26,080

nancy pelosi's

1613

01:08:32,149 --> 01:08:30,159

ice cream freezer you know

1614

01:08:35,030 --> 01:08:32,159

jeanette f i'm not far from pa what

1615

01:08:37,349 --> 01:08:35,040

state are you internet

1616

01:08:38,229 --> 01:08:37,359

or where are you at just vaguely you

1617

01:08:39,590 --> 01:08:38,239

know

1618

01:08:44,709 --> 01:08:39,600

don't give away your super secret

1619

01:08:48,229 --> 01:08:47,430

seth he dumped that when he dumped the

1620

01:08:50,789 --> 01:08:48,239

military

1621

01:08:52,630 --> 01:08:50,799

the 2k is still just a dream yeah we'll

1622

01:08:54,070 --> 01:08:52,640

see what happens but i'd sure rather get

1623

01:08:56,390 --> 01:08:54,080

two thousand dollars and

1624

01:08:57,510 --> 01:08:56,400

actually if he's if he's telling the

1625

01:08:59,030 --> 01:08:57,520

truth design

1626

01:09:01,110 --> 01:08:59,040

it's not it's two thousand dollars a

1627

01:09:02,390 --> 01:09:01,120

person so like a couple like my wife and

1628

01:09:04,630 --> 01:09:02,400

me will get four

1629

01:09:06,149 --> 01:09:04,640

that could that four thousand dollars is

1630

01:09:07,349 --> 01:09:06,159

life-changing money you could do

1631

01:09:09,269 --> 01:09:07,359

something with that

1632

01:09:11,030 --> 01:09:09,279

six hundred dollars ain't gonna do [h__h]

1633

01:09:12,550 --> 01:09:11,040

for me you know it's gonna help me buy

1634

01:09:14,789 --> 01:09:12,560

some groceries that month

1635

01:09:16,390 --> 01:09:14,799

that's it because groceries doubled in

1636

01:09:17,110 --> 01:09:16,400

price too that's another thing nobody's

1637

01:09:19,749 --> 01:09:17,120

talking about that

1638

01:09:21,189 --> 01:09:19,759

all the groceries like double in price

1639

01:09:22,789 --> 01:09:21,199

everything's so much more expensive than

1640

01:09:25,030 --> 01:09:22,799

before this [h__h] and the prices will

1641

01:09:26,470 --> 01:09:25,040

never go back down

1642

01:09:28,870 --> 01:09:26,480

is that where rocky was filmed i thought

1643

01:09:30,550 --> 01:09:28,880

it was new york no no it's philadelphia

1644

01:09:32,470 --> 01:09:30,560

absolutely philadelphia

1645

01:09:33,590 --> 01:09:32,480

right in the neighborhood i grew up in

1646

01:09:35,269 --> 01:09:33,600

brad gray so

1647

01:09:36,709 --> 01:09:35,279

it's always interesting no matter who i

1648

01:09:38,229 --> 01:09:36,719

meet like i've traveled to foreign

1649

01:09:40,470 --> 01:09:38,239

countries and they ask me where i'm from

1650

01:09:42,870 --> 01:09:40,480

and i say philadelphia and they go

1651

01:09:44,390 --> 01:09:42,880

what's that where is that and then i

1652

01:09:45,269 --> 01:09:44,400

then i tell them the rocky story and

1653

01:09:48,390 --> 01:09:45,279

then they go oh

1654

01:09:50,229 --> 01:09:48,400

rocky rocky yeah

1655

01:09:52,390 --> 01:09:50,239

everybody has seen rocky and that

1656

01:09:54,070 --> 01:09:52,400

neighborhood and it's always been close

1657

01:09:56,070 --> 01:09:54,080

to me and interestingly they're always

1658

01:09:58,950 --> 01:09:56,080

filming rocky movies wherever i live

1659

01:10:00,310 --> 01:09:58,960

this creed film they filmed in my new

1660

01:10:01,430 --> 01:10:00,320

neighborhood where i was living in

1661

01:10:03,830 --> 01:10:01,440

philadelphia

1662

01:10:05,590 --> 01:10:03,840

that's a few miles from the original

1663

01:10:07,510 --> 01:10:05,600

neighborhood i grew up in

1664

01:10:08,709 --> 01:10:07,520

uh it's called port richmond they put a

1665

01:10:11,750 --> 01:10:08,719

fake

1666

01:10:14,790 --> 01:10:11,760

uh gym in a storefront

1667

01:10:17,430 --> 01:10:14,800

like a five minute walk from my house

1668

01:10:17,910 --> 01:10:17,440

where you know uh that was supposed to

1669

01:10:20,950 --> 01:10:17,920

be

1670

01:10:22,229 --> 01:10:20,960

apollo creed's gym and his son's gym

1671

01:10:23,910 --> 01:10:22,239

and they just made it up it was

1672

01:10:24,550 --> 01:10:23,920

interesting i got to go in there and see

1673

01:10:26,790 --> 01:10:24,560

it

1674

01:10:28,950 --> 01:10:26,800

um they just put up like posters of

1675

01:10:29,350 --> 01:10:28,960

apollo creed and rocky and [\h__\h] like

1676

01:10:35,910 --> 01:10:29,360

that

1677

01:10:35,920 --> 01:10:41,430

okay

1678

01:10:44,870 --> 01:10:42,709

those certainly would certainly help a

1679

01:10:46,950 --> 01:10:44,880

lot right 600 beans is crud

1680

01:10:51,830 --> 01:10:46,960

i completely and totally agree with you

1681

01:10:55,189 --> 01:10:53,750

wow sorry to hear that prank magic me

1682

01:10:56,630 --> 01:10:55,199

too i had called for hours and filled

1683

01:10:58,310 --> 01:10:56,640

out paperwork and still never got the

1684

01:10:59,590 --> 01:10:58,320

first check i think it's my ex-husband's

1685

01:11:02,870 --> 01:10:59,600

irs debt

1686

01:11:05,270 --> 01:11:02,880

oh that's a bummer v i'm sorry

1687

01:11:06,070 --> 01:11:05,280

yeah uh i got the twelve hundred dollars

1688

01:11:08,310 --> 01:11:06,080

but that's it

1689

01:11:10,310 --> 01:11:08,320

i have a business i don't qualify for

1690

01:11:12,550 --> 01:11:10,320

unemployment or anything like that

1691

01:11:14,149 --> 01:11:12,560

my business is in the [h__h] but i did

1692

01:11:17,270 --> 01:11:14,159

get the twelve hundred dollars and b

1693

01:11:19,669 --> 01:11:17,280

i used that to build the

1694

01:11:20,790 --> 01:11:19,679

i used it to build the uh sun room at

1695

01:11:23,830 --> 01:11:20,800

the cabin

1696

01:11:24,709 --> 01:11:23,840

and i came in just about on budget just

1697

01:11:26,470 --> 01:11:24,719

about i

1698

01:11:28,470 --> 01:11:26,480

i'd have to check with my wife but i

1699

01:11:29,830 --> 01:11:28,480

think 600

1700

01:11:39,510 --> 01:11:29,840

is better than nothing and nothing is

1701

01:11:44,149 --> 01:11:41,430

you should record yourself on the stairs

1702

01:11:46,149 --> 01:11:44,159

there mocking rocky music and all

1703

01:11:47,990 --> 01:11:46,159

you know what's interesting six design

1704

01:11:50,630 --> 01:11:48,000

um when i was

1705

01:11:51,910 --> 01:11:50,640

in high school my go-to place to take

1706

01:11:54,630 --> 01:11:51,920

girls for a date

1707

01:11:56,149 --> 01:11:54,640

was the art museum do you know why uh

1708

01:11:57,990 --> 01:11:56,159

because they had some kind of like early

1709

01:11:58,630 --> 01:11:58,000

bird special where if you got there

1710

01:12:00,709 --> 01:11:58,640

before

1711

01:12:02,470 --> 01:12:00,719

noon it was like two dollars or

1712

01:12:04,149 --> 01:12:02,480

something you know and i was poor and

1713

01:12:05,910 --> 01:12:04,159

cheap

1714

01:12:07,910 --> 01:12:05,920

and besides it was a fun date like you

1715

01:12:09,189 --> 01:12:07,920

take this girl there see which things of

1716

01:12:11,430 --> 01:12:09,199

all this different art

1717

01:12:12,310 --> 01:12:11,440

and uh yeah i went to that art museum a

1718

01:12:14,790 --> 01:12:12,320

hundred times

1719

01:12:17,189 --> 01:12:14,800

you know go to date place two dollars

1720

01:12:20,470 --> 01:12:17,199

four dollars for the cost of the date

1721

01:12:20,790 --> 01:12:20,480

maybe uh you know a lunch or something

1722

01:12:24,310 --> 01:12:20,800

too

1723

01:12:26,229 --> 01:12:24,320

but it was my go-to date place

1724

01:12:30,550 --> 01:12:26,239

six hundred dollars oh okay sorry we got

1725

01:12:34,390 --> 01:12:32,390

out of mine says i'll be happy for six

1726

01:12:35,270 --> 01:12:34,400

hundred dollars or any bone they decide

1727

01:12:39,030 --> 01:12:35,280

to throw me

1728

01:12:41,110 --> 01:12:39,040

yeah wow mario heat over here we get

1729

01:12:41,910 --> 01:12:41,120

1800 canadian dollars if you're making

1730

01:12:45,590 --> 01:12:41,920

less

1731

01:12:49,110 --> 01:12:45,600

would make in a month does that include

1732

01:12:51,750 --> 01:12:49,120

even if you own a small business though

1733

01:12:56,390 --> 01:12:51,760

sweet cheeks i live in henderson

1734

01:12:59,750 --> 01:12:58,229

sweet cheeks small world she's a medical

1735

01:13:01,750 --> 01:12:59,760

code manager

1736

01:13:03,189 --> 01:13:01,760

yeah interesting yeah it'll be

1737

01:13:05,350 --> 01:13:03,199

interesting to see what these

1738

01:13:07,910 --> 01:13:05,360

what these clowns give us and uh you

1739

01:13:09,350 --> 01:13:07,920

know i love trailer park boys by the way

1740

01:13:10,229 --> 01:13:09,360

and there's a meme floating around it's

1741

01:13:14,149 --> 01:13:10,239

on my twitter

1742

01:13:19,110 --> 01:13:14,159

and uh you know it's mr leahy

1743

01:13:21,990 --> 01:13:19,120

that says like you know americans dying

1744

01:13:23,270 --> 01:13:22,000

starving and dying and then you know

1745

01:13:24,790 --> 01:13:23,280

congress

1746

01:13:28,070 --> 01:13:24,800

i'm gonna give you six hundred dollars

1747

01:13:28,080 --> 01:13:31,110

it's funny

1748

01:13:36,870 --> 01:13:34,870

brad gray i you have yeah yeah

1749

01:13:39,030 --> 01:13:36,880

i don't know maybe i i dated a lot of

1750

01:13:39,430 --> 01:13:39,040

like sort of arty girls so that was a

1751

01:13:41,110 --> 01:13:39,440

good

1752

01:13:42,390 --> 01:13:41,120

it was always a safe bet if you take a

1753

01:13:44,149 --> 01:13:42,400

girl in the art museum you'll have a

1754

01:13:45,590 --> 01:13:44,159

good time and you know

1755

01:13:46,950 --> 01:13:45,600

for me the dating thing was always like

1756

01:13:48,630 --> 01:13:46,960

trying to figure out as quickly as

1757

01:13:50,390 --> 01:13:48,640

possible because i'm lazy whether there

1758

01:13:53,350 --> 01:13:50,400

was anything with the girl

1759

01:13:54,390 --> 01:13:53,360

right otherwise boom on to the next one

1760

01:13:56,070 --> 01:13:54,400

you know

1761

01:13:57,990 --> 01:13:56,080

trying to find them trying to find the

1762

01:13:59,669 --> 01:13:58,000

right one i guess you know i didn't like

1763

01:14:07,510 --> 01:13:59,679

to waste time growing up like

1764

01:14:10,470 --> 01:14:09,030

oh dana hogan how did you end up

1765

01:14:11,510 --> 01:14:10,480

becoming a magician is there a story

1766

01:14:13,750 --> 01:14:11,520

behind that

1767

01:14:15,189 --> 01:14:13,760

um well you know first of all i had some

1768

01:14:18,229 --> 01:14:15,199

in my family

1769

01:14:20,790 --> 01:14:18,239

uh and

1770

01:14:23,669 --> 01:14:20,800

as a child i tried to do that but i was

1771

01:14:26,630 --> 01:14:23,679

terrible at it and then later on in life

1772

01:14:28,229 --> 01:14:26,640

i uh was in rock bands and we were in i

1773

01:14:29,350 --> 01:14:28,239

was in this rock band and we were very

1774

01:14:31,430 --> 01:14:29,360

theatrical it's called

1775

01:14:33,270 --> 01:14:31,440

acid another cry in darkness it was kind

1776

01:14:36,790 --> 01:14:33,280

of like kiss

1777

01:14:39,750 --> 01:14:36,800

and the misfits at the same time right

1778

01:14:41,990 --> 01:14:39,760

and i remembered magic and like the

1779

01:14:43,270 --> 01:14:42,000

flashpots and the smoke and stuff and i

1780

01:14:45,270 --> 01:14:43,280

wanted some stuff like that

1781

01:14:47,430 --> 01:14:45,280

so i wandered into a magic shop and my

1782

01:14:49,189 --> 01:14:47,440

interest got rekindled and

1783

01:14:51,189 --> 01:14:49,199

eventually i got a bunch of magic

1784

01:14:54,630 --> 01:14:51,199

teachers and uh

1785

01:14:56,550 --> 01:14:54,640

and then interestingly um

1786

01:14:58,149 --> 01:14:56,560

you know like my rock band at the time i

1787

01:14:59,830 --> 01:14:58,159

mean i was like 20 years old but still

1788

01:15:01,270 --> 01:14:59,840

my rock band at the time we were lucky

1789

01:15:03,590 --> 01:15:01,280

because we were playing original music

1790

01:15:05,590 --> 01:15:03,600

and even with like costumes and makeup

1791

01:15:06,709 --> 01:15:05,600

and theatrics and all this stuff we were

1792

01:15:10,310 --> 01:15:06,719

lucky to get like

1793

01:15:12,709 --> 01:15:10,320

50 or 100 for the whole band

1794

01:15:14,310 --> 01:15:12,719

and um you know then through magic i

1795

01:15:17,750 --> 01:15:14,320

learned that i could get

1796

01:15:21,189 --> 01:15:17,760

200 to do a kids show by myself

1797

01:15:24,709 --> 01:15:21,199

and keep the whole 200 and uh

1798

01:15:26,229 --> 01:15:24,719

you know i slowly just said wow

1799

01:15:27,990 --> 01:15:26,239

and people don't know this but in the

1800

01:15:29,110 --> 01:15:28,000

music business you know everybody wants

1801

01:15:31,270 --> 01:15:29,120

to be a rock star

1802

01:15:32,950 --> 01:15:31,280

so all these venues they [h__\h] you and

1803

01:15:35,430 --> 01:15:32,960

[h__\h] you and [h__\h] you again

1804

01:15:36,709 --> 01:15:35,440

here's how the rock business works go

1805

01:15:38,870 --> 01:15:36,719

get 100 of your

1806

01:15:40,470 --> 01:15:38,880

of your friends and family to come here

1807

01:15:42,390 --> 01:15:40,480

and pay eight or ten dollars

1808

01:15:44,149 --> 01:15:42,400

cover charge and then pay eight dollars

1809

01:15:46,470 --> 01:15:44,159

a beer all night

1810

01:15:47,750 --> 01:15:46,480

and we as a venue are gonna literally

1811

01:15:49,990 --> 01:15:47,760

make

1812

01:15:50,870 --> 01:15:50,000

thousands of dollars off of your friends

1813

01:15:52,310 --> 01:15:50,880

your family

1814

01:15:54,550 --> 01:15:52,320

well you get but you're gonna get to

1815

01:15:56,709 --> 01:15:54,560

play rockstar tonight you're gonna get

1816

01:15:59,910 --> 01:15:56,719

to be a star and be on the stage and

1817

01:16:02,390 --> 01:15:59,920

sing your songs and all that stuff right

1818

01:16:04,149 --> 01:16:02,400

but we're gonna keep all the money and

1819

01:16:05,830 --> 01:16:04,159

if you won't play ball

1820

01:16:07,830 --> 01:16:05,840

somebody else will and you'll just never

1821

01:16:09,830 --> 01:16:07,840

do shows so you i i just kept getting

1822

01:16:11,590 --> 01:16:09,840

[h__\h] and [h__\h] and [h__\h] again

1823

01:16:13,910 --> 01:16:11,600

trying to make it in the rock business

1824

01:16:14,390 --> 01:16:13,920

and uh you know suddenly i found magic

1825

01:16:16,229 --> 01:16:14,400

where

1826

01:16:18,390 --> 01:16:16,239

it was a totally different thing and

1827

01:16:19,030 --> 01:16:18,400

nobody had any respect for all the bands

1828

01:16:21,669 --> 01:16:19,040

right

1829

01:16:23,110 --> 01:16:21,679

you were just uh you know they were just

1830

01:16:25,110 --> 01:16:23,120

very disrespectful

1831

01:16:26,390 --> 01:16:25,120

to us we didn't have like dressing rooms

1832

01:16:28,870 --> 01:16:26,400

we didn't have backstage

1833

01:16:30,790 --> 01:16:28,880

no nothing you'd be lucky if they gave

1834

01:16:33,110 --> 01:16:30,800

you a free beer some places

1835

01:16:34,630 --> 01:16:33,120

you know while they were [h__h] you and

1836

01:16:36,550 --> 01:16:34,640

so uh

1837

01:16:37,910 --> 01:16:36,560

you know i started bringing so i started

1838

01:16:41,110 --> 01:16:37,920

doing some magic

1839

01:16:42,550 --> 01:16:41,120

in the rock band uh like the the band

1840

01:16:44,630 --> 01:16:42,560

would play an instrumental and i would

1841

01:16:48,310 --> 01:16:44,640

do a bunch of stuff with you know doves

1842

01:16:52,310 --> 01:16:48,320

appearing and weird stuff and then uh

1843

01:16:54,310 --> 01:16:52,320

you know a magician was at the show

1844

01:16:55,350 --> 01:16:54,320

who got me aside and said you're really

1845

01:16:59,430 --> 01:16:55,360

good at all

1846

01:17:01,590 --> 01:16:59,440

all this stage magic and theater stuff

1847

01:17:03,430 --> 01:17:01,600

but you're not making any money doing it

1848

01:17:03,910 --> 01:17:03,440

in a rock band are you and i said not

1849

01:17:06,149 --> 01:17:03,920

really

1850

01:17:07,270 --> 01:17:06,159

and he said uh i can help you out with

1851

01:17:09,830 --> 01:17:07,280

that he got me like an

1852

01:17:10,790 --> 01:17:09,840

agent and suddenly things just took off

1853

01:17:13,910 --> 01:17:10,800

for me

1854

01:17:15,110 --> 01:17:13,920

and i got like real money i couldn't

1855

01:17:17,270 --> 01:17:15,120

believe the difference

1856

01:17:19,270 --> 01:17:17,280

and so you know then i started doing

1857

01:17:21,350 --> 01:17:19,280

magic shows because the money was great

1858

01:17:22,550 --> 01:17:21,360

and i always enjoyed the way people

1859

01:17:24,550 --> 01:17:22,560

treated you

1860

01:17:25,750 --> 01:17:24,560

they had respect for you it's an ancient

1861

01:17:28,790 --> 01:17:25,760

art form

1862

01:17:30,709 --> 01:17:28,800

everybody's fascinated by it and you

1863

01:17:32,790 --> 01:17:30,719

just get more respect walking into

1864

01:17:33,830 --> 01:17:32,800

like you know and then it was a

1865

01:17:35,830 --> 01:17:33,840

different kind of thing for me because i

1866

01:17:37,910 --> 01:17:35,840

had like long hair and i was all gothic

1867

01:17:40,070 --> 01:17:37,920

and freaky and eventually i became a

1868

01:17:40,950 --> 01:17:40,080

little more reserved than corporate

1869

01:17:42,630 --> 01:17:40,960

because

1870

01:17:43,990 --> 01:17:42,640

those corporate shows like a corporate

1871

01:17:46,630 --> 01:17:44,000

christmas party doing a magic

1872

01:17:47,590 --> 01:17:46,640

show paid like fifteen hundred dollars

1873

01:17:50,709 --> 01:17:47,600

so uh

1874

01:17:51,270 --> 01:17:50,719

the money was great dan hogan and i just

1875

01:17:53,669 --> 01:17:51,280

felt like

1876

01:17:54,310 --> 01:17:53,679

people were pushing me in that direction

1877

01:17:57,030 --> 01:17:54,320

and i was

1878

01:17:57,990 --> 01:17:57,040

disgusted and tired of the music

1879

01:18:00,229 --> 01:17:58,000

business quite honestly

1880

01:18:01,110 --> 01:18:00,239

i was tired of feeling like i nobody

1881

01:18:02,709 --> 01:18:01,120

respected me

1882

01:18:04,709 --> 01:18:02,719

that everybody and their mother was

1883

01:18:05,750 --> 01:18:04,719

stealing from me including the band that

1884

01:18:07,510 --> 01:18:05,760

you're in

1885

01:18:09,189 --> 01:18:07,520

you know i've i've been in rock bands

1886

01:18:11,030 --> 01:18:09,199

where like

1887

01:18:12,390 --> 01:18:11,040

there's guys in the band that think

1888

01:18:14,470 --> 01:18:12,400

there's all this money

1889

01:18:16,070 --> 01:18:14,480

like right like they think i'm lying

1890

01:18:17,750 --> 01:18:16,080

that the guy didn't give me a hundred

1891

01:18:20,229 --> 01:18:17,760

dollars for the show he actually gave me

1892

01:18:22,790 --> 01:18:20,239

500 and i pocketed 400

1893

01:18:24,229 --> 01:18:22,800

and just gave them each 25 or something

1894

01:18:25,430 --> 01:18:24,239

it's ridiculous

1895

01:18:28,149 --> 01:18:25,440

you know i would tell them you want to

1896

01:18:30,070 --> 01:18:28,159

go you go get the money you know

1897

01:18:32,550 --> 01:18:30,080

i had one guy in my band i made him go

1898

01:18:35,510 --> 01:18:32,560

get the money just so that he wouldn't

1899

01:18:37,430 --> 01:18:35,520

think i was ripping people off right and

1900

01:18:40,070 --> 01:18:37,440

then you know

1901

01:18:41,189 --> 01:18:40,080

musicians are losers i'm sorry

1902

01:18:43,590 --> 01:18:41,199

everybody's drinking

1903

01:18:45,110 --> 01:18:43,600

everybody's partying doing drugs they

1904

01:18:46,070 --> 01:18:45,120

don't show up for the gigs all this

1905

01:18:48,470 --> 01:18:46,080

other stuff

1906

01:18:50,390 --> 01:18:48,480

so magic also afforded me the

1907

01:18:52,229 --> 01:18:50,400

opportunity to just be a solo performer

1908

01:18:55,030 --> 01:18:52,239

i can control whether i show up and do

1909

01:18:56,470 --> 01:18:55,040

the show and practice for the show and

1910

01:19:01,030 --> 01:18:56,480

yeah so that's how it happened low

1911

01:19:03,990 --> 01:19:02,630

sixth design says i never had that one

1912

01:19:05,590 --> 01:19:04,000

to be a rock star syndrome i don't know

1913

01:19:06,470 --> 01:19:05,600

i guess it annoyed me other band members

1914

01:19:08,550 --> 01:19:06,480

were like that

1915

01:19:09,990 --> 01:19:08,560

not all but a handful yeah it's not that

1916

01:19:11,030 --> 01:19:10,000

i wanted to be a rock star but i wanted

1917

01:19:13,030 --> 01:19:11,040

to make a living

1918

01:19:14,630 --> 01:19:13,040

uh six design i didn't care very much

1919

01:19:16,950 --> 01:19:14,640

about fame though i did get

1920

01:19:17,910 --> 01:19:16,960

locally in philadelphia i got pretty

1921

01:19:21,669 --> 01:19:17,920

well known

1922

01:19:24,790 --> 01:19:21,679

to this day

1923

01:19:25,669 --> 01:19:24,800

i read uh something called mosh for aids

1924

01:19:27,750 --> 01:19:25,679

which was a big

1925

01:19:30,070 --> 01:19:27,760

concert with like 10 bands and that

1926

01:19:31,910 --> 01:19:30,080

became famous and to this day

1927

01:19:33,910 --> 01:19:31,920

people stopped me on the street and say

1928

01:19:34,390 --> 01:19:33,920

steve campion i saw you at march for

1929

01:19:37,830 --> 01:19:34,400

aids

1930

01:19:39,030 --> 01:19:37,840

and i went you know i go good thanks for

1931

01:19:43,189 --> 01:19:39,040

remembering me

1932

01:19:45,350 --> 01:19:43,199

um you know but never made

1933

01:19:46,630 --> 01:19:45,360

i'd be lucky to say if i broke even on

1934

01:19:48,310 --> 01:19:46,640

the whole music business thing and

1935

01:19:50,310 --> 01:19:48,320

that's after investing

1936

01:19:51,990 --> 01:19:50,320

i don't know thousands of hours

1937

01:19:54,229 --> 01:19:52,000

thousands of uh

1938

01:19:56,229 --> 01:19:54,239

dollars into equipment you know and

1939

01:19:57,990 --> 01:19:56,239

again musicians are losers so there was

1940

01:19:58,950 --> 01:19:58,000

times when like i had to buy the drummer

1941

01:20:01,030 --> 01:19:58,960

drumsticks

1942

01:20:02,870 --> 01:20:01,040

like dude really you're a [h__h]

1943

01:20:05,430 --> 01:20:02,880

drummer and you don't have money to buy

1944

01:20:06,870 --> 01:20:05,440

drumsticks i gotta go buy you drumsticks

1945

01:20:09,350 --> 01:20:06,880

and the drummer would say something like

1946

01:20:10,790 --> 01:20:09,360

well unless i have drumsticks i can't

1947

01:20:12,390 --> 01:20:10,800

play the show because my drumsticks are

1948

01:20:12,870 --> 01:20:12,400

all [h__h] and falling apart right now and

1949

01:20:15,030 --> 01:20:12,880

they're all

1950

01:20:16,550 --> 01:20:15,040

about to break so if you don't buy me

1951

01:20:18,070 --> 01:20:16,560

drumsticks i'm not playing the show

1952

01:20:19,590 --> 01:20:18,080

so then i have to go buy the [h__\h]

1953

01:20:22,229 --> 01:20:19,600

loser drumsticks

1954

01:20:23,110 --> 01:20:22,239

or buy the loser guitar player guitar

1955

01:20:25,110 --> 01:20:23,120

strings

1956

01:20:27,590 --> 01:20:25,120

not that i'm bitter but yeah i'm

1957

01:20:30,870 --> 01:20:27,600

probably better

1958

01:20:32,390 --> 01:20:30,880

but i will listen i'll say this i i

1959

01:20:35,830 --> 01:20:32,400

[h__\h] and moan now

1960

01:20:36,950 --> 01:20:35,840

right because you know hindsight's

1961

01:20:40,790 --> 01:20:36,960

always 20 20

1962

01:20:42,470 --> 01:20:40,800

right um and the

1963

01:20:44,390 --> 01:20:42,480

the one thing i will say though is i

1964

01:20:47,669 --> 01:20:44,400

would not trade a minute

1965

01:20:50,709 --> 01:20:47,679

of the time i was on stage

1966

01:20:52,950 --> 01:20:50,719

doing my thing with with music

1967

01:20:54,790 --> 01:20:52,960

um and i still think very fondly about a

1968

01:20:56,149 --> 01:20:54,800

whole lot of different shows there's

1969

01:20:59,430 --> 01:20:56,159

nothing better than that

1970

01:21:01,189 --> 01:20:59,440

feeling of all that you know rock energy

1971

01:21:03,910 --> 01:21:01,199

and the crowd and

1972

01:21:07,350 --> 01:21:03,920

the hot chicks in the crowd it was

1973

01:21:09,830 --> 01:21:07,360

lovely friends it was lovely i would not

1974

01:21:11,990 --> 01:21:09,840

i wouldn't change a minute of it i would

1975

01:21:14,470 --> 01:21:12,000

if i had to do over again knowing what i

1976

01:21:16,229 --> 01:21:14,480

know now i would be able to do it better

1977

01:21:18,550 --> 01:21:16,239

and i would have dealt with a lot less

1978

01:21:19,910 --> 01:21:18,560

loser musicians you know

1979

01:21:21,590 --> 01:21:19,920

after a while you learn how to deal with

1980

01:21:21,990 --> 01:21:21,600

the loser musicians here's how you deal

1981

01:21:23,750 --> 01:21:22,000

with them

1982

01:21:25,270 --> 01:21:23,760

you identify right away that they're

1983

01:21:27,189 --> 01:21:25,280

going to be a leech and a loser

1984

01:21:28,550 --> 01:21:27,199

and you get rid of them and you get

1985

01:21:29,510 --> 01:21:28,560

somebody that's not going to be a leech

1986

01:21:31,990 --> 01:21:29,520

and a loser

1987

01:21:34,229 --> 01:21:32,000

but me and my willingness you know my

1988

01:21:35,350 --> 01:21:34,239

desire like we got a show next month the

1989

01:21:37,590 --> 01:21:35,360

guitar player quit

1990

01:21:39,110 --> 01:21:37,600

we just need somebody so we can make

1991

01:21:39,830 --> 01:21:39,120

that show that's already booked and

1992

01:21:41,830 --> 01:21:39,840

promoted

1993

01:21:43,590 --> 01:21:41,840

we've got to get a guitar player take

1994

01:21:44,870 --> 01:21:43,600

this loser and deal with this loser for

1995

01:21:46,070 --> 01:21:44,880

a month or two

1996

01:21:48,070 --> 01:21:46,080

until we can get rid of him and get a

1997

01:21:51,350 --> 01:21:48,080

new guy you know lots of

1998

01:21:53,189 --> 01:21:51,360

fun though except for

1999

01:21:55,669 --> 01:21:53,199

yeah you know it was very challenging

2000

01:21:57,990 --> 01:21:55,679

but like i said i wouldn't change

2001
01:21:59,910 --> 01:21:58,000
i would not change a minute of the time

2002
01:22:01,910 --> 01:21:59,920
i spent on stage

2003
01:22:03,430 --> 01:22:01,920
uh if i had to do over again i would do

2004
01:22:05,350 --> 01:22:03,440
it better and i would get

2005
01:22:06,709 --> 01:22:05,360
better musicians more dedicated

2006
01:22:09,510 --> 01:22:06,719
musicians

2007
01:22:09,990 --> 01:22:09,520
and less and deal with less losers oh

2008
01:22:11,270 --> 01:22:10,000
yes being

2009
01:22:12,790 --> 01:22:11,280
successful in music is certainly

2010
01:22:13,990 --> 01:22:12,800
something to be proud of no doubt i

2011
01:22:15,110 --> 01:22:14,000
pretty much just love playing and when

2012
01:22:16,870 --> 01:22:15,120
the crowd went well

2013
01:22:18,709 --> 01:22:16,880

talk about adrenaline wow yeah it's

2014

01:22:23,270 --> 01:22:18,719

better than any drug better than any

2015

01:22:27,350 --> 01:22:25,669

wow chris 77 says playing guitar has

2016

01:22:29,189 --> 01:22:27,360

been awesome for me financially over the

2017

01:22:29,669 --> 01:22:29,199

years do you but you play covers though

2018

01:22:31,430 --> 01:22:29,679

right

2019

01:22:33,270 --> 01:22:31,440

chris do you play covers or original

2020

01:22:34,709 --> 01:22:33,280

music or what do you do to earn money

2021

01:22:36,709 --> 01:22:34,719

playing guitar

2022

01:22:38,870 --> 01:22:36,719

share your secret with me i'd love to

2023

01:22:40,950 --> 01:22:38,880

know the excitement of the crowd was the

2024

01:22:44,790 --> 01:22:40,960

coolest feeling it was amazing oh yeah

2025

01:22:48,550 --> 01:22:47,590

oh i think very fondly about some of

2026

01:22:51,669 --> 01:22:48,560

them still

2027

01:22:53,430 --> 01:22:51,679

you know i was very fortunate uh

2028

01:22:55,350 --> 01:22:53,440

two that i got out of the rock business

2029

01:22:57,669 --> 01:22:55,360

without any venereal diseases

2030

01:22:59,590 --> 01:22:57,679

it's a [h__h] miracle sex design it's a

2031

01:23:00,310 --> 01:22:59,600

[h__h] miracle i got out of the music

2032

01:23:02,950 --> 01:23:00,320

business

2033

01:23:04,629 --> 01:23:02,960

and never contracted a venereal disease

2034

01:23:06,790 --> 01:23:04,639

the entire time i was in there

2035

01:23:08,550 --> 01:23:06,800

i was always very safe kept it covered

2036

01:23:09,270 --> 01:23:08,560

but still you worry you know things

2037

01:23:11,430 --> 01:23:09,280

break

2038

01:23:14,149 --> 01:23:11,440

things don't work out stuff you know

2039

01:23:15,669 --> 01:23:14,159

bleeds through whatever

2040

01:23:17,110 --> 01:23:15,679

i'm sorry my grandpa gave me acoustic

2041

01:23:18,310 --> 01:23:17,120

guitar many many years ago and i fiddled

2042

01:23:20,709 --> 01:23:18,320

with it over the years but i've never

2043

01:23:21,590 --> 01:23:20,719

learned how to play it one of my regrets

2044

01:23:23,030 --> 01:23:21,600

over the years

2045

01:23:25,030 --> 01:23:23,040

yeah we always regret the things we

2046

01:23:26,950 --> 01:23:25,040

don't do dan hogan we never regret the

2047

01:23:28,790 --> 01:23:26,960

stuff that we try to fail that but we

2048

01:23:32,830 --> 01:23:28,800

often regret the things we never tried

2049

01:23:37,189 --> 01:23:35,430

right

2050

01:23:38,629 --> 01:23:37,199

has he had a live stream lately maybe

2051

01:23:39,750 --> 01:23:38,639

you're having an impact no he was in

2052

01:23:41,910 --> 01:23:39,760

some meditation

2053

01:23:42,790 --> 01:23:41,920

live stream with james gilead and all he

2054

01:23:45,910 --> 01:23:42,800

did was uh

2055

01:23:46,950 --> 01:23:45,920

talk about you know by my course and you

2056

01:23:49,510 --> 01:23:46,960

know

2057

01:23:51,110 --> 01:23:49,520

fake politics stuff and the fake chinese

2058

01:23:52,629 --> 01:23:51,120

invasion that's already been just proven

2059

01:23:54,870 --> 01:23:52,639

to be a complete total hoax

2060

01:23:57,350 --> 01:23:54,880

he has no value he offers no value to

2061

01:24:02,629 --> 01:24:00,870

no value to the world oh chris 77

2062

01:24:04,149 --> 01:24:02,639

flamenco yeah there's a market for that

2063

01:24:06,390 --> 01:24:04,159

like you can go get paid

2064

01:24:11,270 --> 01:24:06,400

good right for a night of going to like

2065

01:24:15,189 --> 01:24:12,950

yeah and i agree never too late to learn

2066

01:24:16,470 --> 01:24:15,199

dan dan check out something called the

2067

01:24:19,750 --> 01:24:16,480

chord buddy

2068

01:24:20,950 --> 01:24:19,760

it for 50 bucks and you'll be playing

2069

01:24:23,110 --> 01:24:20,960

guitar next week i

2070

01:24:24,950 --> 01:24:23,120

guarantee you i i know the guy who

2071

01:24:27,110 --> 01:24:24,960

invented that a little bit

2072

01:24:28,709 --> 01:24:27,120

great guy it's a great device and

2073

01:24:29,990 --> 01:24:28,719

basically it's something you strap on

2074

01:24:31,350 --> 01:24:30,000

the guitar

2075

01:24:33,189 --> 01:24:31,360

and then instead of having to learn all

2076

01:24:34,870 --> 01:24:33,199

the complicated chords

2077

01:24:36,790 --> 01:24:34,880

and fingering for the chords it's just

2078

01:24:38,629 --> 01:24:36,800

buttons and it's four chords

2079

01:24:40,149 --> 01:24:38,639

and most songs are four chords so with

2080

01:24:40,950 --> 01:24:40,159

that little device strapped onto the

2081

01:24:42,550 --> 01:24:40,960

guitar

2082

01:24:43,669 --> 01:24:42,560

and he shows you how and there's a book

2083

01:24:45,189 --> 01:24:43,679

that comes with it you'll be able to

2084

01:24:47,270 --> 01:24:45,199

play a hundred different songs right

2085

01:24:48,629 --> 01:24:47,280

away

2086

01:24:50,470 --> 01:24:48,639

takes a little bit of practice but not

2087

01:24:52,629 --> 01:24:50,480

as much as learning guitar fingering and

2088

01:24:54,310 --> 01:24:52,639

the other thing you can learn is drop d

2089

01:24:56,629 --> 01:24:54,320

where you tune the first string to d and

2090

01:24:59,350 --> 01:24:56,639

the rest stay standard tuning

2091

01:25:01,189 --> 01:24:59,360

and then instead of complicated chording

2092

01:25:03,510 --> 01:25:01,199

it's just you put your whole finger over

2093

01:25:04,950 --> 01:25:03,520

in between the whole fret and you that's

2094

01:25:07,910 --> 01:25:04,960

how you make chords

2095

01:25:08,229 --> 01:25:07,920

open is d the first one is d sharp and

2096

01:25:11,750 --> 01:25:08,239

and

2097

01:25:12,390 --> 01:25:11,760

on down the line uh i all my songs were

2098

01:25:13,750 --> 01:25:12,400

in drop d

2099

01:25:15,910 --> 01:25:13,760

because i couldn't play guitar the real

2100

01:25:17,590 --> 01:25:15,920

way uh and that's a dirty little secret

2101
01:25:19,110 --> 01:25:17,600
of the music business but it is what it

2102
01:25:20,550 --> 01:25:19,120
is

2103
01:25:22,629 --> 01:25:20,560
all right friends we're coming up on an

2104
01:25:24,229 --> 01:25:22,639
hour and a half and we've gotten off on

2105
01:25:27,270 --> 01:25:24,239
many different tangents today

2106
01:25:29,590 --> 01:25:27,280
and i'm always a little

2107
01:25:31,350 --> 01:25:29,600
i don't mind sharing and i don't i never

2108
01:25:32,870 --> 01:25:31,360
mind answering questions or sharing

2109
01:25:34,470 --> 01:25:32,880
things from my life but i'm always a

2110
01:25:37,189 --> 01:25:34,480
little like

2111
01:25:38,390 --> 01:25:37,199
weirded out like uh what are people

2112
01:25:41,350 --> 01:25:38,400
going to think of this

2113
01:25:43,030 --> 01:25:41,360

of this show when it's me you know

2114

01:25:45,750 --> 01:25:43,040

blabbing about

2115

01:25:47,510 --> 01:25:45,760

stories from my life right and not

2116

01:25:50,870 --> 01:25:47,520

necessarily on the topic

2117

01:25:52,390 --> 01:25:50,880

at hand but hey i did what i set out to

2118

01:25:55,270 --> 01:25:52,400

do tonight and said some things i felt

2119

01:25:57,830 --> 01:25:55,280

like i needed to say

2120

01:25:59,189 --> 01:25:57,840

and whatever else happens is just gravy

2121

01:26:02,709 --> 01:25:59,199

i suppose and if people

2122

01:26:05,030 --> 01:26:02,719

don't want to hear uh me answering

2123

01:26:07,430 --> 01:26:05,040

the audience's questions they can click

2124

01:26:10,229 --> 01:26:07,440

off i suppose

2125

01:26:12,229 --> 01:26:10,239

but listen if i don't see any of you i

2126

01:26:14,470 --> 01:26:12,239

want to tell you how much

2127

01:26:16,149 --> 01:26:14,480

i have uh loved and appreciated every

2128

01:26:17,750 --> 01:26:16,159

single one of you being a part of this

2129

01:26:19,350 --> 01:26:17,760

thing that i've been doing

2130

01:26:21,590 --> 01:26:19,360

it means a lot to me that there's an

2131

01:26:23,830 --> 01:26:21,600

audience and and really i'm so thankful

2132

01:26:25,750 --> 01:26:23,840

that all of you have been part of mine

2133

01:26:27,990 --> 01:26:25,760

and if i don't see you i want to wish

2134

01:26:28,870 --> 01:26:28,000

you all happy holidays whatever it is

2135

01:26:35,750 --> 01:26:28,880

you

2136

01:26:35,990 --> 01:26:35,760

before the new year but if not happy new

2137

01:26:38,709 --> 01:26:36,000

year

2138

01:26:40,950 --> 01:26:38,719

as well i'm hope i can't wait to get

2139

01:26:44,310 --> 01:26:40,960

2020 in the [h__h] rearview mirror

2140

01:26:46,070 --> 01:26:44,320

right and i was about to say something

2141

01:26:47,510 --> 01:26:46,080

about 2021 but i'm not

2142

01:26:49,990 --> 01:26:47,520

saying nothing because i don't want to

2143

01:26:52,709 --> 01:26:50,000

jinx anything all i want to say is

2144

01:26:55,830 --> 01:26:52,719

goodbye 2020. it's been a rough year

2145

01:26:57,510 --> 01:26:55,840

it's been a rough year for all of us

2146

01:26:59,270 --> 01:26:57,520

oh thanks pragmatic that means a lot to

2147

01:27:01,110 --> 01:26:59,280

me you were answering the chat

2148

01:27:02,310 --> 01:27:01,120

after the topic and we are grateful and

2149

01:27:04,390 --> 01:27:02,320

by the way prank magic

2150

01:27:05,750 --> 01:27:04,400

i got some songs to send you i have to

2151

01:27:07,590 --> 01:27:05,760

get with you offline

2152

01:27:09,270 --> 01:27:07,600

i want to get i'm going to draft

2153

01:27:10,790 --> 01:27:09,280

pragmatic you know why because he's not

2154

01:27:14,149 --> 01:27:10,800

a loser musician

2155

01:27:15,990 --> 01:27:14,159

he's got his own prank magic do you buy

2156

01:27:18,390 --> 01:27:16,000

your own guitar strings

2157

01:27:19,910 --> 01:27:18,400

if so you're hired you're hired bro

2158

01:27:20,870 --> 01:27:19,920

that's the only requirement you don't

2159

01:27:23,990 --> 01:27:20,880

make me buy you

2160

01:27:26,070 --> 01:27:24,000

i used to piss me off so bad when a guy

2161

01:27:27,669 --> 01:27:26,080

in my band was such a [h__h] loser

2162

01:27:29,430 --> 01:27:27,679

that he couldn't buy his own guitar

2163

01:27:30,070 --> 01:27:29,440

strings or he couldn't buy his own

2164

01:27:32,310 --> 01:27:30,080

[h__\h]

2165

01:27:34,629 --> 01:27:32,320

guitar picks like picks her like a

2166

01:27:35,270 --> 01:27:34,639

dollar dude really i gotta drive to the

2167

01:27:37,430 --> 01:27:35,280

music store

2168

01:27:39,430 --> 01:27:37,440

buy you pics before this show on friday

2169

01:27:41,189 --> 01:27:39,440

are you [h__\h] kidding me

2170

01:27:42,470 --> 01:27:41,199

so pragmatic can buy his own guitar

2171

01:27:44,310 --> 01:27:42,480

strings he's hired

2172

01:27:49,830 --> 01:27:44,320

to be one of the studio guitar players

2173

01:27:52,870 --> 01:27:51,590

mario heat can i play the triangle on

2174

01:27:54,709 --> 01:27:52,880

your band no

2175

01:27:56,390 --> 01:27:54,719

but i will let you play the cowbell

2176
01:27:57,270 --> 01:27:56,400
because it might some songs might need

2177
01:28:00,550 --> 01:27:57,280
more cowbell

2178
01:28:01,270 --> 01:28:00,560
mario heat and who better than a mexican

2179
01:28:06,310 --> 01:28:01,280
canadian

2180
01:28:11,590 --> 01:28:09,750
sure do why i'm in debt yeah

2181
01:28:13,110 --> 01:28:11,600
i uh oh boy you should have seen the

2182
01:28:16,070 --> 01:28:13,120
debt that i was in when i built that

2183
01:28:18,790 --> 01:28:16,080
studio like

2184
01:28:20,229 --> 01:28:18,800
yeah and the sad thing is i sold most of

2185
01:28:22,149 --> 01:28:20,239
that for pennies on a dollar

2186
01:28:24,709 --> 01:28:22,159
when i had a legal issue pop up and i

2187
01:28:26,709 --> 01:28:24,719
had to pay a lawyer thousands of dollars

2188
01:28:29,430 --> 01:28:26,719

for nothing

2189

01:28:31,030 --> 01:28:29,440

can we split the cowbell 60 40 sure sure

2190

01:28:37,910 --> 01:28:31,040

absolutely

2191

01:28:39,990 --> 01:28:37,920

well listen it has been a crazy week and

2192

01:28:41,669 --> 01:28:40,000

we didn't even really discuss this

2193

01:28:43,350 --> 01:28:41,679

video that dropped today because

2194

01:28:44,070 --> 01:28:43,360

honestly i don't think there was much to

2195

01:28:47,189 --> 01:28:44,080

discuss

2196

01:28:49,590 --> 01:28:47,199

people uh mr sater

2197

01:28:51,590 --> 01:28:49,600

except for one thing i'll say he threw

2198

01:28:53,510 --> 01:28:51,600

uh david wilcock under the bus for being

2199

01:28:54,229 --> 01:28:53,520

a terrible horrible researcher something

2200

01:28:56,870 --> 01:28:54,239

that i

2201

01:28:58,149 --> 01:28:56,880

certainly um agree with and i can't

2202

01:28:58,790 --> 01:28:58,159

believe i'm saying i agree with that

2203

01:29:02,470 --> 01:28:58,800

clown

2204

01:29:05,910 --> 01:29:03,990

i can't believe that i agree with jordan

2205

01:29:07,110 --> 01:29:05,920

say that we'll just leave it at that

2206

01:29:09,030 --> 01:29:07,120

listen i'm trying to get over my

2207

01:29:10,870 --> 01:29:09,040

previous feelings about people

2208

01:29:12,709 --> 01:29:10,880

and you know just not worth the energy

2209

01:29:15,590 --> 01:29:12,719

to dislike somebody

2210

01:29:17,110 --> 01:29:15,600

whatever i feel about the guy you know i

2211

01:29:18,870 --> 01:29:17,120

think he did a good thing and

2212

01:29:20,310 --> 01:29:18,880

talking about some of his experience but

2213

01:29:21,750 --> 01:29:20,320

i don't think there was any

2214

01:29:23,910 --> 01:29:21,760

bombshells in there i don't think there

2215

01:29:29,030 --> 01:29:23,920

was anything most people didn't already

2216

01:29:32,709 --> 01:29:31,030

oh wow look at this moody mogul i'm

2217

01:29:34,310 --> 01:29:32,719

guilty too i have a degree in music plus

2218

01:29:35,990 --> 01:29:34,320

engineering and i ended up in a triple a

2219

01:29:36,629 --> 01:29:36,000

games company at the bleeding edge of

2220

01:29:38,310 --> 01:29:36,639

the game

2221

01:29:40,149 --> 01:29:38,320

games industry nothing to do with music

2222

01:29:42,229 --> 01:29:40,159

really uh yeah but

2223

01:29:43,510 --> 01:29:42,239

listen through music you learn to be

2224

01:29:46,870 --> 01:29:43,520

creative

2225

01:29:49,430 --> 01:29:46,880

and you know produce things

2226

01:29:51,910 --> 01:29:49,440

and that certainly applies those skills

2227

01:29:52,470 --> 01:29:51,920

can certainly apply to other areas so

2228

01:29:56,310 --> 01:29:52,480

good

2229

01:30:01,669 --> 01:29:56,320

game company like that that would be an

2230

01:30:05,030 --> 01:30:03,270

did say they're apologized for being a

2231

01:30:07,030 --> 01:30:05,040

sun [ʌ__ʌ] not really no

2232

01:30:08,070 --> 01:30:07,040

and he didn't apologize and he did not

2233

01:30:10,070 --> 01:30:08,080

apologize for

2234

01:30:11,830 --> 01:30:10,080

retweeting the docs of joe from the

2235

01:30:14,550 --> 01:30:11,840

carolinas which is something

2236

01:30:15,669 --> 01:30:14,560

that many people i'm not going to talk

2237

01:30:19,030 --> 01:30:15,679

about my own feelings

2238

01:30:20,470 --> 01:30:19,040

many people will never forgive him for

2239

01:30:21,910 --> 01:30:20,480

i i think there's many people that

2240

01:30:23,750 --> 01:30:21,920

wouldn't forgive him for that even if he

2241

01:30:24,870 --> 01:30:23,760

did apologize but so far he has not

2242

01:30:32,070 --> 01:30:24,880

apologized for that

2243

01:30:38,070 --> 01:30:35,189

so friends uh i am going to

2244

01:30:38,709 --> 01:30:38,080

sign off here uh like i said if i don't

2245

01:30:41,030 --> 01:30:38,719

see you

2246

01:30:41,990 --> 01:30:41,040

happy holidays merry christmas happy

2247

01:30:43,990 --> 01:30:42,000

kwanzaa

2248

01:30:46,229 --> 01:30:44,000

happy hanukkah whatever it is you

2249

01:30:48,390 --> 01:30:46,239

celebrate um

2250

01:30:49,590 --> 01:30:48,400

you know i hope you have a good time

2251

01:30:52,470 --> 01:30:49,600

with your family

2252

01:30:53,510 --> 01:30:52,480

and friends and uh well some of us are

2253

01:30:55,350 --> 01:30:53,520

locked down ice

2254

01:30:56,790 --> 01:30:55,360

i'm locked down we're just gonna have a

2255

01:30:59,990 --> 01:30:56,800

family holiday just here

2256

01:31:02,229 --> 01:31:00,000

my wife and me and my two kids

2257

01:31:03,510 --> 01:31:02,239

but still i'm grateful that it's

2258

01:31:06,310 --> 01:31:03,520

christmas

2259

01:31:09,110 --> 01:31:06,320

and uh you know my wife is an amazing

2260

01:31:11,830 --> 01:31:09,120

cook i'm looking forward to that meal

2261

01:31:13,910 --> 01:31:11,840

and time with my kids i get such a kick

2262

01:31:14,870 --> 01:31:13,920

my wife does such an incredible job on

2263

01:31:17,430 --> 01:31:14,880

christmas

2264

01:31:18,390 --> 01:31:17,440

uh she's gonna be rapping all night uh

2265

01:31:21,830 --> 01:31:18,400

and uh

2266

01:31:23,030 --> 01:31:21,840

it's gonna look like christmas land here

2267

01:31:24,629 --> 01:31:23,040

i don't know where she's gonna fit all

2268

01:31:25,830 --> 01:31:24,639

the stuff they won't fit under the tree

2269

01:31:26,870 --> 01:31:25,840

there's so much stuff there's a whole

2270

01:31:29,189 --> 01:31:26,880

room over there

2271

01:31:30,070 --> 01:31:29,199

that's locked uh that's filled with [h__\h]

2272

01:31:32,790 --> 01:31:30,080

like just been

2273

01:31:33,430 --> 01:31:32,800

it's like amazon boxes everywhere in

2274

01:31:35,430 --> 01:31:33,440

there

2275

01:31:37,350 --> 01:31:35,440

she does a great job doesn't get enough

2276

01:31:38,550 --> 01:31:37,360

credit uh does a great job on christmas

2277

01:31:39,750 --> 01:31:38,560

for the kids every year i'm really

2278

01:31:41,430 --> 01:31:39,760

looking forward to that and then new

2279

01:31:42,870 --> 01:31:41,440

year's

2280

01:31:44,870 --> 01:31:42,880

my wife and i have a tradition on new

2281

01:31:47,110 --> 01:31:44,880

year's we eat

2282

01:31:49,270 --> 01:31:47,120

tons of appetizers she makes tons of

2283

01:31:51,750 --> 01:31:49,280

appetizers like she'll

2284

01:31:52,629 --> 01:31:51,760

make like mozzarella sticks french fries

2285

01:31:56,229 --> 01:31:52,639

onion rings

2286

01:32:00,229 --> 01:31:56,239

uh potato bacon

2287

01:32:03,430 --> 01:32:00,239

cheddar potato peels and uh

2288

01:32:05,189 --> 01:32:03,440

little chicken wings and shrimp and

2289

01:32:07,189 --> 01:32:05,199

just all that stuff and that's what we

2290

01:32:10,790 --> 01:32:07,199

eat we eat we don't eat dinner we just

2291

01:32:13,030 --> 01:32:10,800

eat tons of appetizers and you know

2292

01:32:14,229 --> 01:32:13,040

have some drinks and i'm looking forward

2293

01:32:16,229 --> 01:32:14,239

to that as well

2294

01:32:17,990 --> 01:32:16,239

whatever it is you're doing i hope that

2295

01:32:20,709 --> 01:32:18,000

you are

2296

01:32:22,470 --> 01:32:20,719

have a great time and are and welcome in

2297

01:32:25,430 --> 01:32:22,480

the new year and are happy healthy

2298

01:32:28,070 --> 01:32:25,440

and successful in the new year and i

2299

01:32:30,070 --> 01:32:28,080

wish that for all of you

2300

01:32:33,110 --> 01:32:30,080

so friends until next time my name is

2301
01:32:36,149 --> 01:32:34,950
thanking you i'm always happy when

2302
01:32:38,629 --> 01:32:36,159
there's an audience i'm

2303
01:32:39,990 --> 01:32:38,639
thanking you for being a part of mine

2304
01:33:07,950 --> 01:32:40,000
until next time friends good

2305
01:33:58,930 --> 01:33:16,720
[Music]

2306
01:34:23,810 --> 01:33:58,940
[Applause]

2307
01:34:25,880 --> 01:34:23,820
[Music]

2308
01:34:54,070 --> 01:34:25,890
[Applause]

2309
01:34:55,060 --> 01:34:54,080
[Music]
