

LOVE, LIGHT, & LITIGATION

PART 7

1  
00:00:36,310 --> 00:00:34,229  
here we are once again ladies and

2  
00:00:38,790 --> 00:00:36,320  
gentlemen the year is 2020 and this is

3  
00:00:40,869 --> 00:00:38,800  
cosmic redemption the corey good

4  
00:00:42,950 --> 00:00:40,879  
accountability project and over the past

5  
00:00:46,069 --> 00:00:42,960  
week we have been privileged to receive

6  
00:00:46,950 --> 00:00:46,079  
many insider testimonies shocking

7  
00:00:49,590 --> 00:00:46,960  
stories

8  
00:00:51,830 --> 00:00:49,600  
the truth about the false light

9  
00:00:53,830 --> 00:00:51,840  
ascension disclosure cult known as the

10  
00:00:55,990 --> 00:00:53,840  
sphere being alliance and the individual

11  
00:00:58,470 --> 00:00:56,000  
known as mr corey good

12  
00:00:59,189 --> 00:00:58,480  
what we've found over the past week is a

13  
00:01:02,150 --> 00:00:59,199

very very

14

00:01:03,830 --> 00:01:02,160

tangled web of literal lies literal

15

00:01:05,590 --> 00:01:03,840

deceit and what has been shown

16

00:01:07,350 --> 00:01:05,600

time and time again ladies and gentlemen

17

00:01:10,710 --> 00:01:07,360

to be something almost

18

00:01:13,030 --> 00:01:10,720

very much like a disclosure mafia

19

00:01:15,190 --> 00:01:13,040

a force in this soul group that has been

20

00:01:18,390 --> 00:01:15,200

coming at people with lawsuits

21

00:01:19,830 --> 00:01:18,400

with lies with fake blogs with secret

22

00:01:22,310 --> 00:01:19,840

teams of individuals

23

00:01:23,670 --> 00:01:22,320

organized in the background to slander

24

00:01:26,469 --> 00:01:23,680

people in our community

25

00:01:27,350 --> 00:01:26,479

and in certain cases even assault them

26

00:01:30,310 --> 00:01:27,360

energetically

27

00:01:32,550 --> 00:01:30,320

psychically emotionally manipulating

28

00:01:35,030 --> 00:01:32,560

those who work for him and then

29

00:01:35,910 --> 00:01:35,040

taking their money into attempting to

30

00:01:38,870 --> 00:01:35,920

silence them

31

00:01:41,270 --> 00:01:38,880

legally we have seen such a tremendously

32

00:01:42,870 --> 00:01:41,280

tangled web of lies and deceit

33

00:01:44,550 --> 00:01:42,880

on behalf of corey good and the sphere

34

00:01:46,630 --> 00:01:44,560

being alliance over the past few weeks

35

00:01:48,230 --> 00:01:46,640

that people have been coming out of the

36

00:01:51,749 --> 00:01:48,240

woodwork we have none other

37

00:01:53,830 --> 00:01:51,759

than laura eisenhower and for the record

38

00:01:56,069 --> 00:01:53,840

laura eisenhower is not involved with

39

00:01:58,469 --> 00:01:56,079

corey goode in any lawsuits or any sort

40

00:01:58,870 --> 00:01:58,479

of litigation laura has chosen to come

41

00:02:01,670 --> 00:01:58,880

forth

42

00:02:02,550 --> 00:02:01,680

of her own choice as a leader in this

43

00:02:04,789 --> 00:02:02,560

soul group

44

00:02:05,990 --> 00:02:04,799

to begin to tell the truth to begin to

45

00:02:08,070 --> 00:02:06,000

tell the story and for

46

00:02:09,910 --> 00:02:08,080

all those newly awakening souls that are

47

00:02:11,910 --> 00:02:09,920

coming into this realm that are trying

48

00:02:14,229 --> 00:02:11,920

to find the frequency of truth

49

00:02:16,070 --> 00:02:14,239

that are trying to understand light from

50

00:02:17,990 --> 00:02:16,080

dark and how we get through this crazy

51  
00:02:19,750 --> 00:02:18,000  
ascension and disclosure game

52  
00:02:22,550 --> 00:02:19,760  
laura's here to help set the record

53  
00:02:24,390 --> 00:02:22,560  
straight in her own way and so without

54  
00:02:25,830 --> 00:02:24,400  
much further ado laura first of all i

55  
00:02:27,670 --> 00:02:25,840  
want to thank you for showing up here

56  
00:02:29,430 --> 00:02:27,680  
this is a very very brave thing

57  
00:02:31,589 --> 00:02:29,440  
there are going to be a tremendous

58  
00:02:33,509 --> 00:02:31,599  
amount of people in this soul group

59  
00:02:35,190 --> 00:02:33,519  
they're going to be greatly greatly

60  
00:02:37,190 --> 00:02:35,200  
heartened by seeing your face

61  
00:02:38,470 --> 00:02:37,200  
up here at this time because we really

62  
00:02:40,949 --> 00:02:38,480  
really need it and so

63  
00:02:42,630 --> 00:02:40,959

that said uh thank you for being here

64

00:02:43,509 --> 00:02:42,640

how's it going what do you think people

65

00:02:45,589 --> 00:02:43,519

need to know

66

00:02:47,270 --> 00:02:45,599

oh thank you so much matthew and it's so

67

00:02:48,949 --> 00:02:47,280

awesome that you're doing this

68

00:02:50,869 --> 00:02:48,959

um and coming from a place of such high

69

00:02:52,710 --> 00:02:50,879

integrity because this isn't about

70

00:02:56,070 --> 00:02:52,720

attack it isn't about stooping to that

71

00:02:58,869 --> 00:02:56,080

level of um yeah

72

00:02:59,670 --> 00:02:58,879

you know kind of going against this

73

00:03:01,430 --> 00:02:59,680

individual

74

00:03:02,710 --> 00:03:01,440

uh or getting caught in some sort of

75

00:03:04,550 --> 00:03:02,720

divide and conquer thing which some

76

00:03:06,790 --> 00:03:04,560

people think the thing is

77

00:03:08,149 --> 00:03:06,800

stated thank you yeah we're taking a

78

00:03:11,430 --> 00:03:08,159

step in in

79

00:03:14,470 --> 00:03:11,440

in um a place of uh

80

00:03:16,229 --> 00:03:14,480

concern for one another for this for

81

00:03:17,750 --> 00:03:16,239

for for the ability for this community

82

00:03:20,630 --> 00:03:17,760

to move forward and

83

00:03:21,509 --> 00:03:20,640

for the people that have witnessed it or

84

00:03:23,030 --> 00:03:21,519

have seen

85

00:03:25,350 --> 00:03:23,040

some of this and have been confused by

86

00:03:26,710 --> 00:03:25,360

it to gain some clarity because

87

00:03:29,350 --> 00:03:26,720

it's it's just like i'm seeing what it's

88

00:03:30,070 --> 00:03:29,360

doing to the people and um and i know

89

00:03:33,270 --> 00:03:30,080

this is very

90

00:03:35,190 --> 00:03:33,280

uh difficult um for them uh to

91

00:03:37,030 --> 00:03:35,200

go through all this so so this is what i

92

00:03:39,750 --> 00:03:37,040

feel um is is

93

00:03:40,470 --> 00:03:39,760

necessary uh because we are all about

94

00:03:42,710 --> 00:03:40,480

truth

95

00:03:43,990 --> 00:03:42,720

and it wouldn't be right for us to just

96

00:03:45,110 --> 00:03:44,000

brush this under the carpet

97

00:03:48,390 --> 00:03:45,120

because we don't want to see any more

98

00:03:51,509 --> 00:03:48,400

people get hurt yeah

99

00:03:52,869 --> 00:03:51,519

so yeah um you know what we were kind of

100

00:03:54,470 --> 00:03:52,879

discussing before

101  
00:03:56,309 --> 00:03:54,480  
we need to understand that you know if

102  
00:03:58,550 --> 00:03:56,319  
his story is true

103  
00:04:00,070 --> 00:03:58,560  
and i do know a lot of his information

104  
00:04:01,429 --> 00:04:00,080  
is really right on i think michael saul

105  
00:04:02,949 --> 00:04:01,439  
has done a brilliant job

106  
00:04:05,589 --> 00:04:02,959  
capturing the best of his information

107  
00:04:07,670 --> 00:04:05,599  
the most accurate

108  
00:04:08,949 --> 00:04:07,680  
uh part of his information and compiled

109  
00:04:10,710 --> 00:04:08,959  
it into these books

110  
00:04:12,149 --> 00:04:10,720  
and it connects dots with other research

111  
00:04:13,270 --> 00:04:12,159  
he has done so i just want to show

112  
00:04:15,270 --> 00:04:13,280  
respect to him

113  
00:04:16,629 --> 00:04:15,280

um and that not all of corey's stuff are

114

00:04:18,310 --> 00:04:16,639

are not truths

115

00:04:20,069 --> 00:04:18,320

and and we see this in the world because

116

00:04:21,270 --> 00:04:20,079

you know there can be a lot of truth and

117

00:04:22,230 --> 00:04:21,280

then all of a sudden you know something

118

00:04:24,790 --> 00:04:22,240

happens so

119

00:04:26,469 --> 00:04:24,800

if he indeed is a mylab and if it's

120

00:04:26,950 --> 00:04:26,479

something else and it's not a mylab

121

00:04:28,310 --> 00:04:26,960

thing

122

00:04:29,830 --> 00:04:28,320

we have to understand that like if

123

00:04:30,950 --> 00:04:29,840

somebody's pulled into a project at the

124

00:04:32,790 --> 00:04:30,960

age of six

125

00:04:34,310 --> 00:04:32,800

there's a very good chance that they're

126

00:04:36,310 --> 00:04:34,320

either a sleeper agent

127

00:04:37,909 --> 00:04:36,320

or they have many alters and i've done

128

00:04:38,550 --> 00:04:37,919

interviews with people and i've worked

129

00:04:41,590 --> 00:04:38,560

with

130

00:04:43,510 --> 00:04:41,600

clients uh one particular name derek who

131

00:04:45,350 --> 00:04:43,520

has 200 altars and he said that some of

132

00:04:47,270 --> 00:04:45,360

those altars were programmed to play a

133

00:04:49,110 --> 00:04:47,280

particular role in these end times

134

00:04:50,469 --> 00:04:49,120

to act as some sort of leader on a

135

00:04:52,629 --> 00:04:50,479

spiritual level and then to pull the

136

00:04:54,950 --> 00:04:52,639

carpet out from underneath everybody

137

00:04:56,230 --> 00:04:54,960

and uh and he said that's what they grew

138

00:04:57,510 --> 00:04:56,240

you to do and um

139

00:05:00,150 --> 00:04:57,520

and it's all about the end times it's

140

00:05:01,909 --> 00:05:00,160

all about uh you know torturing uh the

141

00:05:04,469 --> 00:05:01,919

multi-generational abuse and

142

00:05:05,189 --> 00:05:04,479

ritual abuse in order to you know create

143

00:05:08,070 --> 00:05:05,199

um

144

00:05:09,270 --> 00:05:08,080

you know more than one altar in order to

145

00:05:11,590 --> 00:05:09,280

make that happen so

146

00:05:12,629 --> 00:05:11,600

so it seems like he's not the same cory

147

00:05:15,510 --> 00:05:12,639

i used to know

148

00:05:16,310 --> 00:05:15,520

but again i mean i feel like concerned

149

00:05:17,990 --> 00:05:16,320

for him and

150

00:05:19,830 --> 00:05:18,000

i don't know what's behind him something

151  
00:05:20,469 --> 00:05:19,840  
is infiltrating and it's much larger

152  
00:05:22,710 --> 00:05:20,479  
than him

153  
00:05:24,150 --> 00:05:22,720  
and we have to be aware of it because

154  
00:05:27,029 --> 00:05:24,160  
you know so many people

155  
00:05:27,749 --> 00:05:27,039  
have i mean witnessing what what's

156  
00:05:29,749 --> 00:05:27,759  
happened

157  
00:05:31,510 --> 00:05:29,759  
is is just crazy because i've really

158  
00:05:32,629 --> 00:05:31,520  
seen it up close and personal i've done

159  
00:05:34,629 --> 00:05:32,639  
so many events

160  
00:05:35,990 --> 00:05:34,639  
spent you know like a whole week you

161  
00:05:38,070 --> 00:05:36,000  
know in hawaii and

162  
00:05:39,029 --> 00:05:38,080  
been to spain you know with corey and

163  
00:05:41,270 --> 00:05:39,039

team and

164

00:05:43,189 --> 00:05:41,280

but i was always independent and and i

165

00:05:44,070 --> 00:05:43,199

was in this field long before corey came

166

00:05:45,830 --> 00:05:44,080

into the scene

167

00:05:47,270 --> 00:05:45,840

and so people who are sort of newbies

168

00:05:48,870 --> 00:05:47,280

that got exposed to cory

169

00:05:50,870 --> 00:05:48,880

and saw me associated with them

170

00:05:51,590 --> 00:05:50,880

automatically say i'm in a blue chicken

171

00:05:53,189 --> 00:05:51,600

cult right

172

00:05:54,950 --> 00:05:53,199

right and then there's the other side

173

00:05:55,990 --> 00:05:54,960

that if you're not aligned once you've

174

00:05:58,390 --> 00:05:56,000

been exposed

175

00:05:59,670 --> 00:05:58,400

as being a colleague of his if you're

176  
00:06:01,590 --> 00:05:59,680  
not aligned or questioned the narrative

177  
00:06:03,590 --> 00:06:01,600  
you're dark alliance and i'm like this

178  
00:06:04,950 --> 00:06:03,600  
is nuts what the hell is going on here

179  
00:06:06,469 --> 00:06:04,960  
yeah and and that is

180  
00:06:08,070 --> 00:06:06,479  
it's really good to hear you say that

181  
00:06:10,150 --> 00:06:08,080  
because this is once again

182  
00:06:12,230 --> 00:06:10,160  
echoing a sentiment that has come back

183  
00:06:15,110 --> 00:06:12,240  
to us over and over and over again

184  
00:06:16,870 --> 00:06:15,120  
over the past week this sort of attitude

185  
00:06:19,830 --> 00:06:16,880  
this literal behavior this

186  
00:06:20,950 --> 00:06:19,840  
frequency of if you're not with me

187  
00:06:23,590 --> 00:06:20,960  
you're against me

188  
00:06:25,430 --> 00:06:23,600

it's literally like a sith thing in star

189

00:06:25,830 --> 00:06:25,440

wars it's like you either are you know

190

00:06:29,189 --> 00:06:25,840

you're

191

00:06:30,870 --> 00:06:29,199

enemy and i will crush you and it's

192

00:06:32,550 --> 00:06:30,880

it's it's interesting to hear you

193

00:06:35,510 --> 00:06:32,560

indicate that as

194

00:06:37,510 --> 00:06:35,520

as also it is very very interesting to

195

00:06:39,510 --> 00:06:37,520

hear about the phenomenon of

196

00:06:41,110 --> 00:06:39,520

altars in the manner by which at a

197

00:06:42,790 --> 00:06:41,120

certain stage in the game people that

198

00:06:43,909 --> 00:06:42,800

are subjected to certain types of

199

00:06:45,990 --> 00:06:43,919

fracturing

200

00:06:47,670 --> 00:06:46,000

which we know at this stage is very very

201

00:06:50,469 --> 00:06:47,680

genuine it's a literal

202

00:06:51,749 --> 00:06:50,479

real thing that takes place they can

203

00:06:53,749 --> 00:06:51,759

literally be shifted

204

00:06:55,430 --> 00:06:53,759

activated there's a number of ways by

205

00:06:57,189 --> 00:06:55,440

which that change will take place but

206

00:06:58,230 --> 00:06:57,199

if you don't mind before i go down a

207

00:06:58,870 --> 00:06:58,240

weird road because you know i'm just

208

00:07:00,710 --> 00:06:58,880

gonna like

209

00:07:02,390 --> 00:07:00,720

you know drive in this weird crazy

210

00:07:03,749 --> 00:07:02,400

neighborhood take us back to the

211

00:07:05,110 --> 00:07:03,759

beginning because you said that you'd

212

00:07:07,029 --> 00:07:05,120

notice the change as well

213

00:07:08,710 --> 00:07:07,039

take us back to the start when you first

214

00:07:10,150 --> 00:07:08,720

started kind of doing events and you

215

00:07:12,309 --> 00:07:10,160

were hanging out around cory and there

216

00:07:14,830 --> 00:07:12,319

was a positive vibe and things were

217

00:07:16,070 --> 00:07:14,840

different take us back to what was that

218

00:07:18,550 --> 00:07:16,080

2016-17

219

00:07:20,629 --> 00:07:18,560

yeah i think so uh we we had gotten in

220

00:07:24,309 --> 00:07:20,639

contact with each other and i just

221

00:07:28,629 --> 00:07:24,319

really felt his his heart and

222

00:07:30,469 --> 00:07:28,639

uh sincerity and we became i considered

223

00:07:32,870 --> 00:07:30,479

him you know a friend not not super

224

00:07:35,189 --> 00:07:32,880

close but you know it's like

225

00:07:36,390 --> 00:07:35,199

um i do events all the time um and i

226

00:07:37,990 --> 00:07:36,400

have been for a while

227

00:07:39,830 --> 00:07:38,000

so doing events with him it's just like

228

00:07:40,390 --> 00:07:39,840

okay well this event he happens to be a

229

00:07:42,790 --> 00:07:40,400

speaker

230

00:07:44,309 --> 00:07:42,800

it's just like any event like oh um

231

00:07:45,749 --> 00:07:44,319

so-and-so is going to be there

232

00:07:48,230 --> 00:07:45,759

so so the whole cult thing was always

233

00:07:49,510 --> 00:07:48,240

confusing because i'm like you know

234

00:07:51,270 --> 00:07:49,520

doesn't matter i'm just going to events

235

00:07:52,070 --> 00:07:51,280

and i am independent and i present my

236

00:07:54,469 --> 00:07:52,080

own stuff

237

00:07:56,830 --> 00:07:54,479

but i started to kind of notice a lot of

238

00:08:00,790 --> 00:07:56,840

um attention on him

239

00:08:02,550 --> 00:08:00,800

and a lot and and i can understand he

240

00:08:04,150 --> 00:08:02,560

has a ton of information

241

00:08:06,070 --> 00:08:04,160

and you know he's partnered up with

242

00:08:07,749 --> 00:08:06,080

david wilcock and i just want to shout

243

00:08:10,309 --> 00:08:07,759

out you know if david sees this

244

00:08:11,749 --> 00:08:10,319

you know much respect to you and an

245

00:08:14,550 --> 00:08:11,759

apology to elizabeth

246

00:08:15,430 --> 00:08:14,560

for some of my late night um facebook

247

00:08:17,110 --> 00:08:15,440

posts when i just

248

00:08:18,469 --> 00:08:17,120

kind of snapped and i didn't i couldn't

249

00:08:19,749 --> 00:08:18,479

tell where they were at with the whole

250

00:08:21,189 --> 00:08:19,759

thing so i'm going to leave that to the

251  
00:08:22,710 --> 00:08:21,199  
side but i just wanted to make a public

252  
00:08:24,710 --> 00:08:22,720  
apology to them

253  
00:08:26,790 --> 00:08:24,720  
because uh you know i've never said

254  
00:08:27,510 --> 00:08:26,800  
anything about anybody publicly i've

255  
00:08:29,830 --> 00:08:27,520  
always

256  
00:08:31,029 --> 00:08:29,840  
it doesn't matter what they're about it

257  
00:08:31,430 --> 00:08:31,039  
doesn't matter what they're doing it's

258  
00:08:34,550 --> 00:08:31,440  
just

259  
00:08:35,909 --> 00:08:34,560  
part of like how i roll i don't like to

260  
00:08:37,589 --> 00:08:35,919  
bash anybody i don't like to smear

261  
00:08:39,430 --> 00:08:37,599  
anybody i don't like drama

262  
00:08:41,029 --> 00:08:39,440  
i just want to keep everything high

263  
00:08:42,389 --> 00:08:41,039

vibration and all about

264

00:08:43,829 --> 00:08:42,399

you know mutual love and respect and

265

00:08:45,110 --> 00:08:43,839

appreciating other people's stories

266

00:08:46,949 --> 00:08:45,120

other people's experiences

267

00:08:49,030 --> 00:08:46,959

other people's research and just having

268

00:08:49,750 --> 00:08:49,040

an open mind and staying flexible in my

269

00:08:51,670 --> 00:08:49,760

beliefs

270

00:08:52,790 --> 00:08:51,680

so anyway not to go off on a tangent

271

00:08:54,630 --> 00:08:52,800

here but

272

00:08:56,550 --> 00:08:54,640

some of the events though that were

273

00:08:58,310 --> 00:08:56,560

specific to like

274

00:09:00,150 --> 00:08:58,320

corey being much more of the headliner

275

00:09:01,509 --> 00:09:00,160

like the eclipse of disclosure

276

00:09:03,910 --> 00:09:01,519

dimensions of disclosure

277

00:09:05,110 --> 00:09:03,920

and there was another one and those the

278

00:09:08,870 --> 00:09:05,120

initial ones

279

00:09:10,310 --> 00:09:08,880

in the beginning were we're awesome um

280

00:09:11,990 --> 00:09:10,320

but uh yeah i just kind of started to

281

00:09:12,870 --> 00:09:12,000

notice stuff and i'm like you know i i'm

282

00:09:15,110 --> 00:09:12,880

not really

283

00:09:16,150 --> 00:09:15,120

gonna get into it all anyway because and

284

00:09:17,910 --> 00:09:16,160

then there's that whole

285

00:09:19,269 --> 00:09:17,920

she said he said and i'm like you know i

286

00:09:20,150 --> 00:09:19,279

don't want to drop down into that and i

287

00:09:23,190 --> 00:09:20,160

don't need

288

00:09:24,070 --> 00:09:23,200

to you know go into all that but um i

289

00:09:25,829 --> 00:09:24,080

guess it was

290

00:09:27,590 --> 00:09:25,839

eclipses of disclosure i think that's

291

00:09:29,110 --> 00:09:27,600

when teresa yanaros

292

00:09:31,350 --> 00:09:29,120

was the host and she did a really

293

00:09:32,470 --> 00:09:31,360

amazing job and then uh you know kind of

294

00:09:35,509 --> 00:09:32,480

was getting pulled in

295

00:09:36,870 --> 00:09:35,519

a little bit more to some of um the uh

296

00:09:38,710 --> 00:09:36,880

administration or

297

00:09:40,150 --> 00:09:38,720

or some of the there was going to be

298

00:09:42,150 --> 00:09:40,160

that um

299

00:09:44,230 --> 00:09:42,160

that halloween party it was around that

300

00:09:44,870 --> 00:09:44,240

time of i think the graphic novel coming

301  
00:09:45,910 --> 00:09:44,880  
out and

302  
00:09:47,350 --> 00:09:45,920  
and it just seemed like everything was

303  
00:09:48,829 --> 00:09:47,360  
starting to get hyped up almost into

304  
00:09:51,509 --> 00:09:48,839  
this

305  
00:09:52,070 --> 00:09:51,519  
uh all about you know the money part and

306  
00:09:54,470 --> 00:09:52,080  
just

307  
00:09:55,430 --> 00:09:54,480  
and like he had to be sort of um the

308  
00:09:57,590 --> 00:09:55,440  
leader and

309  
00:09:59,430 --> 00:09:57,600  
and kind of recruiting people building

310  
00:10:02,829 --> 00:09:59,440  
his security team having

311  
00:10:06,790 --> 00:10:02,839  
um kind of agents around him you know to

312  
00:10:10,150 --> 00:10:08,389  
yeah go ahead sorry it's great he can

313  
00:10:11,430 --> 00:10:10,160

afford all that and like yeah if he sees

314

00:10:12,949 --> 00:10:11,440

it important you know he's putting out a

315

00:10:14,790 --> 00:10:12,959

lot of stuff that makes sense

316

00:10:16,230 --> 00:10:14,800

so i was you know feeling the concern

317

00:10:17,590 --> 00:10:16,240

like you know okay

318

00:10:19,829 --> 00:10:17,600

i'm not saying you know paranoid or

319

00:10:21,430 --> 00:10:19,839

anything but the first kind of

320

00:10:23,269 --> 00:10:21,440

wave of lawsuits when it was connected

321

00:10:25,829 --> 00:10:23,279

to the cyber bullying i'm like okay

322

00:10:27,030 --> 00:10:25,839

that kind of makes sense um i've been

323

00:10:29,110 --> 00:10:27,040

cyber bullied a lot i

324

00:10:31,030 --> 00:10:29,120

i just ended up blocking and ignoring

325

00:10:32,550 --> 00:10:31,040

and trying to just manage it but uh

326

00:10:34,710 --> 00:10:32,560

yeah if he has the resources and he's

327

00:10:35,670 --> 00:10:34,720

able to call that out um yeah some of it

328

00:10:37,190 --> 00:10:35,680

did seem

329

00:10:38,230 --> 00:10:37,200

completely out of line but you know at

330

00:10:39,110 --> 00:10:38,240

the same time we don't want to feed the

331

00:10:41,269 --> 00:10:39,120

trolls right

332

00:10:42,389 --> 00:10:41,279

so anyway that first initial you know

333

00:10:44,470 --> 00:10:42,399

conference

334

00:10:45,910 --> 00:10:44,480

um you know i'm i'm kind of standing on

335

00:10:47,350 --> 00:10:45,920

the outside anyway i'm not getting very

336

00:10:48,790 --> 00:10:47,360

involved i wasn't kind of in the inner

337

00:10:50,550 --> 00:10:48,800

inner circle and i don't like using that

338

00:10:53,269 --> 00:10:50,560

word like in a clicky way but

339

00:10:53,910 --> 00:10:53,279

i wasn't really in the deeper dynamics

340

00:10:56,069 --> 00:10:53,920

of how

341

00:10:57,430 --> 00:10:56,079

he was working with individuals on a

342

00:11:00,470 --> 00:10:57,440

one-on-one or sort of

343

00:11:01,990 --> 00:11:00,480

uh maybe like more of a group basis like

344

00:11:02,630 --> 00:11:02,000

like we saw with some of the production

345

00:11:04,949 --> 00:11:02,640

of project

346

00:11:05,990 --> 00:11:04,959

um excuse me above majestic and cosmic

347

00:11:07,829 --> 00:11:06,000

secret where

348

00:11:10,470 --> 00:11:07,839

you know some of those people are being

349

00:11:11,750 --> 00:11:10,480

sued now so when i saw the change that

350

00:11:13,350 --> 00:11:11,760

happened theresa i was really really

351  
00:11:14,069 --> 00:11:13,360  
concerned but i wanted to give her space

352  
00:11:16,550 --> 00:11:14,079  
i knew she was going

353  
00:11:17,670 --> 00:11:16,560  
through you know something and um and

354  
00:11:19,990 --> 00:11:17,680  
then i was just like what is

355  
00:11:21,750 --> 00:11:20,000  
wrong here you know um she's super high

356  
00:11:24,069 --> 00:11:21,760  
vibe and this is kind of weird

357  
00:11:25,509 --> 00:11:24,079  
but again it's like i'm i'm so

358  
00:11:27,190 --> 00:11:25,519  
overwhelmed with my own mission that i

359  
00:11:28,550 --> 00:11:27,200  
don't have time to do all this but i

360  
00:11:29,910 --> 00:11:28,560  
mean i think most people know i'm here

361  
00:11:32,550 --> 00:11:29,920  
for you and if you need to reach out

362  
00:11:33,990 --> 00:11:32,560  
i'll i have you know um but but i just

363  
00:11:35,910 --> 00:11:34,000

yeah we just kind of took a little bit

364

00:11:37,750 --> 00:11:35,920

of a break we've we've talked recently

365

00:11:39,269 --> 00:11:37,760

but yeah just noticing all that and then

366

00:11:40,829 --> 00:11:39,279

the lawsuits weren't about the cyber

367

00:11:44,069 --> 00:11:40,839

bullies the lawsuits were

368

00:11:46,710 --> 00:11:44,079

against our friends and and so the whole

369

00:11:49,030 --> 00:11:46,720

gaia thing was really weird because

370

00:11:50,470 --> 00:11:49,040

i never did anything with gaia i think i

371

00:11:52,150 --> 00:11:50,480

did an interview though maybe i had

372

00:11:52,550 --> 00:11:52,160

contact in the desert with jay widener

373

00:11:55,350 --> 00:11:52,560

and they

374

00:11:56,550 --> 00:11:55,360

maybe put it on gaia but i never had i

375

00:11:59,030 --> 00:11:56,560

was never pulled into that

376

00:12:00,310 --> 00:11:59,040

i was never a part of the corey thing in

377

00:12:01,509 --> 00:12:00,320

ways that people thought because they

378

00:12:02,550 --> 00:12:01,519

always like grouped me with corey and

379

00:12:04,389 --> 00:12:02,560

david i'm like

380

00:12:05,590 --> 00:12:04,399

we're not really that connected i mean i

381

00:12:07,509 --> 00:12:05,600

appreciate them

382

00:12:09,590 --> 00:12:07,519

um why am i always being lumped in with

383

00:12:09,990 --> 00:12:09,600

these guys so when the resignation

384

00:12:12,870 --> 00:12:10,000

letter

385

00:12:14,069 --> 00:12:12,880

came out i'm dealing with one person

386

00:12:16,230 --> 00:12:14,079

i'll protect her name

387

00:12:17,750 --> 00:12:16,240

sending me all the gem drops all these

388

00:12:20,310 --> 00:12:17,760

frantic gem drops

389

00:12:22,389 --> 00:12:20,320

one being the resignation letter that

390

00:12:23,750 --> 00:12:22,399

has to be posted for the safety of so

391

00:12:25,590 --> 00:12:23,760

and so you know it was like urgent

392

00:12:25,990 --> 00:12:25,600

urgent urgent coming from the gem drops

393

00:12:28,790 --> 00:12:26,000

of

394

00:12:30,389 --> 00:12:28,800

these supposed abused employees and

395

00:12:31,509 --> 00:12:30,399

meanwhile i'm kind of you know having a

396

00:12:32,790 --> 00:12:31,519

conversation with him but he's not

397

00:12:34,389 --> 00:12:32,800

pushing me to do anything

398

00:12:36,310 --> 00:12:34,399

i later find out that there might be

399

00:12:37,750 --> 00:12:36,320

some involvement with

400

00:12:39,030 --> 00:12:37,760

this particular setup but i don't want

401  
00:12:39,829 --> 00:12:39,040  
to blame him for something i don't have

402  
00:12:41,750 --> 00:12:39,839  
proof of

403  
00:12:43,750 --> 00:12:41,760  
and i feel very protective over him even

404  
00:12:45,670 --> 00:12:43,760  
though i had to kind of distance myself

405  
00:12:47,750 --> 00:12:45,680  
um just because that's just my nature

406  
00:12:50,069 --> 00:12:47,760  
and i and i just don't want to

407  
00:12:51,509 --> 00:12:50,079  
um assume anything or project until i

408  
00:12:53,110 --> 00:12:51,519  
have all the facts but

409  
00:12:54,230 --> 00:12:53,120  
all of a sudden you know i'm feeling

410  
00:12:55,670 --> 00:12:54,240  
really really pushed to share this

411  
00:12:57,110 --> 00:12:55,680  
resignation letter and i have nothing to

412  
00:12:58,550 --> 00:12:57,120  
do with any of this right

413  
00:13:00,470 --> 00:12:58,560

so i share it and then i'm like this

414

00:13:01,910 --> 00:13:00,480

doesn't feel right so 10 minutes later

415

00:13:03,670 --> 00:13:01,920

or so i took it down

416

00:13:05,670 --> 00:13:03,680

but read it picks it up and posted and

417

00:13:05,990 --> 00:13:05,680

then oh i'm like oh shoot and then it

418

00:13:08,870 --> 00:13:06,000

took

419

00:13:10,629 --> 00:13:08,880

off like wildfire over the internet yeah

420

00:13:13,430 --> 00:13:10,639

and so later somebody um

421

00:13:15,190 --> 00:13:13,440

said uh you know corey was behind

422

00:13:16,629 --> 00:13:15,200

setting that all up i don't know

423

00:13:19,110 --> 00:13:16,639

so i was just like i gotta just be

424

00:13:20,629 --> 00:13:19,120

careful um and and that's also

425

00:13:22,230 --> 00:13:20,639

what we see in the community a lot of

426

00:13:23,910 --> 00:13:22,240

blame and and and

427

00:13:25,829 --> 00:13:23,920

pointing fingers and i just don't like

428

00:13:27,430 --> 00:13:25,839

you know to get into all that unless

429

00:13:29,269 --> 00:13:27,440

there's you know solid evidence so i'm

430

00:13:29,990 --> 00:13:29,279

not blaming him for anything in regards

431

00:13:31,430 --> 00:13:30,000

to that but

432

00:13:33,750 --> 00:13:31,440

it was all really uncomfortable it put

433

00:13:35,829 --> 00:13:33,760

me in an awkward position and it kind of

434

00:13:37,590 --> 00:13:35,839

you know created a weird energy between

435

00:13:38,150 --> 00:13:37,600

uh david elizabeth and i but we worked

436

00:13:39,750 --> 00:13:38,160

it out at

437

00:13:41,590 --> 00:13:39,760

one of the conferences but now you know

438

00:13:43,910 --> 00:13:41,600

things are strained because of one

439

00:13:45,430 --> 00:13:43,920

stupid facebook post that i took down

440

00:13:46,790 --> 00:13:45,440

immediately and i've already apologized

441

00:13:49,670 --> 00:13:46,800

and i think everything

442

00:13:50,150 --> 00:13:49,680

it's water under a bridge but i i just

443

00:13:51,670 --> 00:13:50,160

you know

444

00:13:53,030 --> 00:13:51,680

it's like holding all this in feeling

445

00:13:53,590 --> 00:13:53,040

like you can't share because if you

446

00:13:56,069 --> 00:13:53,600

share

447

00:13:57,269 --> 00:13:56,079

people are like oh you know how dare you

448

00:13:58,790 --> 00:13:57,279

and and it's like

449

00:14:00,389 --> 00:13:58,800

what there's one kid that was at

450

00:14:02,389 --> 00:14:00,399

dimensions of disclosure who's like

451

00:14:04,550 --> 00:14:02,399

literally insane and so vile

452

00:14:06,389 --> 00:14:04,560

evil to me um and i'd love to mention

453

00:14:08,150 --> 00:14:06,399

his name i can't even remember it but

454

00:14:10,150 --> 00:14:08,160

i'll just say he's got like longish red

455

00:14:11,269 --> 00:14:10,160

hair and he's just like one of corey's

456

00:14:13,670 --> 00:14:11,279

biggest champions

457

00:14:15,189 --> 00:14:13,680

and if i were to say anything

458

00:14:16,550 --> 00:14:15,199

questioning anything about what was

459

00:14:17,590 --> 00:14:16,560

going on and deep concern for our

460

00:14:19,509 --> 00:14:17,600

community

461

00:14:21,509 --> 00:14:19,519

um he would just go ballistic on me and

462

00:14:24,150 --> 00:14:21,519

just be like you're this and you're that

463

00:14:25,509 --> 00:14:24,160

so okay all right i've seen the same

464

00:14:27,829 --> 00:14:25,519

exact thing it's as

465

00:14:29,910 --> 00:14:27,839

literally as if there is this entire

466

00:14:31,030 --> 00:14:29,920

group of individuals that are at his

467

00:14:33,990 --> 00:14:31,040

beck and call

468

00:14:36,629 --> 00:14:34,000

with the wave of a tweet you yourself

469

00:14:39,590 --> 00:14:36,639

are the dark alliance it does not matter

470

00:14:41,430 --> 00:14:39,600

what it's about suddenly he's fighting a

471

00:14:42,949 --> 00:14:41,440

war against disclosure and by the way

472

00:14:43,590 --> 00:14:42,959

that includes you know you and anyone

473

00:14:45,670 --> 00:14:43,600

else that

474

00:14:47,670 --> 00:14:45,680

opposes him but anyway not to go down a

475

00:14:49,990 --> 00:14:47,680

weird road instantly go ahead go ahead

476  
00:14:51,670 --> 00:14:50,000  
yeah so you know that's when it kind of

477  
00:14:53,189 --> 00:14:51,680  
started and then

478  
00:14:55,350 --> 00:14:53,199  
you know i mean corey and i had kind of

479  
00:14:56,230 --> 00:14:55,360  
a casual sort of you know connection i

480  
00:14:58,230 --> 00:14:56,240  
was never very

481  
00:15:00,069 --> 00:14:58,240  
you know super close but you know going

482  
00:15:01,509 --> 00:15:00,079  
to hawaii and swimming with the dolphins

483  
00:15:03,030 --> 00:15:01,519  
and spending time together

484  
00:15:04,470 --> 00:15:03,040  
and knowing that he supported my work

485  
00:15:05,269 --> 00:15:04,480  
and he invited me to these things that

486  
00:15:07,110 --> 00:15:05,279  
he was

487  
00:15:08,389 --> 00:15:07,120  
um you know headlining or he would

488  
00:15:09,189 --> 00:15:08,399

suggest oh you know let's have laura

489

00:15:10,629 --> 00:15:09,199

come i don't quite

490

00:15:12,790 --> 00:15:10,639

i mean usually it's the producer that

491

00:15:14,389 --> 00:15:12,800

invites me it wasn't so much cory but

492

00:15:15,670 --> 00:15:14,399

anyway you know we ended up doing stuff

493

00:15:17,590 --> 00:15:15,680

and it was fine you know the vibe was

494

00:15:19,430 --> 00:15:17,600

fine he's never

495

00:15:21,910 --> 00:15:19,440

gone after me right but i feel like

496

00:15:24,150 --> 00:15:21,920

there's been something subtle going on

497

00:15:25,670 --> 00:15:24,160

and i don't have it fully figured out

498

00:15:27,509 --> 00:15:25,680

and and i'll tell you when sort of the

499

00:15:30,230 --> 00:15:27,519

straw broke the camel's back

500

00:15:30,550 --> 00:15:30,240

um i already was you know wary because i

501  
00:15:33,269 --> 00:15:30,560  
know

502  
00:15:35,030 --> 00:15:33,279  
okay if he's a mylab victim um uh and he

503  
00:15:36,389 --> 00:15:35,040  
was pulled into the age of six

504  
00:15:37,910 --> 00:15:36,399  
we we need to understand what we're

505  
00:15:39,350 --> 00:15:37,920  
dealing with here and why isn't that

506  
00:15:40,870 --> 00:15:39,360  
being talked about more

507  
00:15:42,470 --> 00:15:40,880  
um why aren't people being a little bit

508  
00:15:43,590 --> 00:15:42,480  
more careful knowing that you just don't

509  
00:15:45,829 --> 00:15:43,600  
snap out of that

510  
00:15:47,910 --> 00:15:45,839  
i mean one can admit they have ptsd but

511  
00:15:49,030 --> 00:15:47,920  
i have ptsd i don't have alt there's a

512  
00:15:50,870 --> 00:15:49,040  
vast difference between

513  
00:15:52,710 --> 00:15:50,880

absolutely ptsd feeling a little bit

514

00:15:54,310 --> 00:15:52,720

paranoid about who to trust and being a

515

00:15:55,829 --> 00:15:54,320

part of these projects i was recruited

516

00:15:56,710 --> 00:15:55,839

to go off planet i was never in these

517

00:15:58,629 --> 00:15:56,720

projects

518

00:16:00,629 --> 00:15:58,639

so unless a person's been in the project

519

00:16:01,829 --> 00:16:00,639

one doesn't know even penny bradley has

520

00:16:04,629 --> 00:16:01,839

been in these projects

521

00:16:05,910 --> 00:16:04,639

she still does operations she still is

522

00:16:06,710 --> 00:16:05,920

tasked with doing certain things and

523

00:16:09,350 --> 00:16:06,720

then she's got

524

00:16:10,230 --> 00:16:09,360

her penny and she's a wonderful person i

525

00:16:13,430 --> 00:16:10,240

love penny

526

00:16:15,269 --> 00:16:13,440

so anyway um but at least

527

00:16:17,110 --> 00:16:15,279

she is transparent about what she's

528

00:16:19,030 --> 00:16:17,120

dealing with and i'm not

529

00:16:20,310 --> 00:16:19,040

judging corey for not i mean there's so

530

00:16:20,949 --> 00:16:20,320

many different projects and this and

531

00:16:22,550 --> 00:16:20,959

that

532

00:16:24,470 --> 00:16:22,560

one thing i didn't like is immediately

533

00:16:26,710 --> 00:16:24,480

when i did an interview with

534

00:16:28,949 --> 00:16:26,720

certain individuals like um i don't know

535

00:16:31,269 --> 00:16:28,959

if i guess it doesn't really matter

536

00:16:32,550 --> 00:16:31,279

maybe i won't mention the name um about

537

00:16:34,069 --> 00:16:32,560

somebody else exposing

538

00:16:35,990 --> 00:16:34,079

their experience in the secret space

539

00:16:37,990 --> 00:16:36,000

program he he would say you know that

540

00:16:39,430 --> 00:16:38,000

person's a fraud i'm going to sue them

541

00:16:40,790 --> 00:16:39,440

they stole my story and i'm like their

542

00:16:41,590 --> 00:16:40,800

story is absolutely and totally

543

00:16:43,590 --> 00:16:41,600

different

544

00:16:44,629 --> 00:16:43,600

and why does this feel like sort of deep

545

00:16:46,310 --> 00:16:44,639

state tactics

546

00:16:49,030 --> 00:16:46,320

we're dealing with censorship you know

547

00:16:50,790 --> 00:16:49,040

on social media and if he's all about

548

00:16:52,710 --> 00:16:50,800

freedom of speech and taking down the

549

00:16:55,350 --> 00:16:52,720

cabal why are you trying to

550

00:16:55,990 --> 00:16:55,360

silence people yeah i mean that that

551  
00:16:57,829 --> 00:16:56,000  
first off

552  
00:16:59,509 --> 00:16:57,839  
is inappropriate why are you going after

553  
00:17:01,269 --> 00:16:59,519  
people that loved and supported you

554  
00:17:02,710 --> 00:17:01,279  
and so when i started to see the hurt

555  
00:17:04,549 --> 00:17:02,720  
that people were feeling

556  
00:17:06,069 --> 00:17:04,559  
i mean and really like feeling because

557  
00:17:07,429 --> 00:17:06,079  
i'm super empathic so i was starting to

558  
00:17:09,829 --> 00:17:07,439  
really feel a lot of pain

559  
00:17:11,189 --> 00:17:09,839  
and i'm like they are literally going

560  
00:17:11,990 --> 00:17:11,199  
through the deepest and darkest

561  
00:17:14,870 --> 00:17:12,000  
depressions

562  
00:17:16,549 --> 00:17:14,880  
where is the high vibe in this where is

563  
00:17:17,990 --> 00:17:16,559

the unity in the community where is the

564

00:17:21,110 --> 00:17:18,000

energy of ascension

565

00:17:22,630 --> 00:17:21,120

why all of a sudden are people

566

00:17:24,230 --> 00:17:22,640

becoming suspicious of each other it's

567

00:17:27,189 --> 00:17:24,240

almost like

568

00:17:28,789 --> 00:17:27,199

people are being uh used to uh not you

569

00:17:29,830 --> 00:17:28,799

know trust one another like who's who

570

00:17:31,590 --> 00:17:29,840

nobody really knows

571

00:17:33,190 --> 00:17:31,600

and then the public is completely

572

00:17:33,909 --> 00:17:33,200

confused the public's completely

573

00:17:35,430 --> 00:17:33,919

confused

574

00:17:37,350 --> 00:17:35,440

and they're either lumping you into the

575

00:17:38,470 --> 00:17:37,360

chicken cult or like i said dark

576  
00:17:40,630 --> 00:17:38,480  
alliance

577  
00:17:42,470 --> 00:17:40,640  
so the big one is coming though as far

578  
00:17:44,150 --> 00:17:42,480  
as what really was just like whoa and

579  
00:17:45,990 --> 00:17:44,160  
that was dimensions of disclosure

580  
00:17:48,470 --> 00:17:46,000  
yeah tell us about that that was a very

581  
00:17:50,390 --> 00:17:48,480  
that was a polarizing experience for a

582  
00:17:51,270 --> 00:17:50,400  
lot of people and i know you had a hard

583  
00:17:53,190 --> 00:17:51,280  
time there

584  
00:17:54,789 --> 00:17:53,200  
there was a lot of suspicion around

585  
00:17:57,190 --> 00:17:54,799  
something you know other things there as

586  
00:17:59,190 --> 00:17:57,200  
well but yeah feel free what do you

587  
00:18:01,190 --> 00:17:59,200  
yeah go ahead and again i i feel like

588  
00:18:03,029 --> 00:18:01,200

michael salah has pulled out the best

589

00:18:04,549 --> 00:18:03,039

of his work and i love michael saul and

590

00:18:06,470 --> 00:18:04,559

i are special so much

591

00:18:07,830 --> 00:18:06,480

i really you know it's hard to come

592

00:18:09,110 --> 00:18:07,840

forward because it can be easily

593

00:18:09,590 --> 00:18:09,120

misunderstood and i'm willing to take

594

00:18:11,270 --> 00:18:09,600

the risk

595

00:18:12,789 --> 00:18:11,280

i'm not here for money or followers i

596

00:18:13,669 --> 00:18:12,799

have a mission take it or leave it you

597

00:18:16,150 --> 00:18:13,679

know

598

00:18:18,070 --> 00:18:16,160

um so i always felt caught in the middle

599

00:18:19,909 --> 00:18:18,080

without really being involved i'm like

600

00:18:21,830 --> 00:18:19,919

why i feel like

601  
00:18:23,510 --> 00:18:21,840  
why is this all coming to me why why is

602  
00:18:24,789 --> 00:18:23,520  
so-and-so sending me this and so-and-so

603  
00:18:26,390 --> 00:18:24,799  
is sending me that and

604  
00:18:28,549 --> 00:18:26,400  
and my name is being attached to this

605  
00:18:29,669 --> 00:18:28,559  
and that and then you know i felt the

606  
00:18:31,669 --> 00:18:29,679  
hysteria of the

607  
00:18:33,510 --> 00:18:31,679  
resignation letter almost like they were

608  
00:18:34,950 --> 00:18:33,520  
like he wants it to go public

609  
00:18:36,630 --> 00:18:34,960  
you know you you need to do that you

610  
00:18:38,150 --> 00:18:36,640  
know and it's just like what is that and

611  
00:18:40,310 --> 00:18:38,160  
i felt really set up and that's fine

612  
00:18:41,510 --> 00:18:40,320  
maybe you got used in that sense well i

613  
00:18:42,950 --> 00:18:41,520

definitely know that but that's why i

614

00:18:43,909 --> 00:18:42,960

took down right away i'm like unless i

615

00:18:45,750 --> 00:18:43,919

talk to david

616

00:18:47,830 --> 00:18:45,760

directly i don't feel comfortable doing

617

00:18:49,750 --> 00:18:47,840

this i need his permission he wrote this

618

00:18:51,590 --> 00:18:49,760

i'm not involved and so i felt bad i

619

00:18:53,669 --> 00:18:51,600

apologize um

620

00:18:55,669 --> 00:18:53,679

but dimensions of disclosure holy crap

621

00:18:57,430 --> 00:18:55,679

so uh

622

00:18:59,510 --> 00:18:57,440

it's probably the hardest conference

623

00:19:00,710 --> 00:18:59,520

i've ever done and anybody who's never

624

00:19:02,310 --> 00:19:00,720

seen me speak

625

00:19:03,909 --> 00:19:02,320

who might have seen me on the panel

626  
00:19:04,710 --> 00:19:03,919  
would have been like what is wrong with

627  
00:19:06,549 --> 00:19:04,720  
laura

628  
00:19:08,310 --> 00:19:06,559  
fortunately the two presentations i did

629  
00:19:09,110 --> 00:19:08,320  
i got a standing ovation my talks went

630  
00:19:11,750 --> 00:19:09,120  
well

631  
00:19:12,950 --> 00:19:11,760  
and um and and i'm so used to doing

632  
00:19:15,029 --> 00:19:12,960  
presentations that you know

633  
00:19:16,390 --> 00:19:15,039  
i'm in my flow and everything's fine but

634  
00:19:17,750 --> 00:19:16,400  
uh we first get there and for some

635  
00:19:19,990 --> 00:19:17,760  
reason it's like

636  
00:19:20,789 --> 00:19:20,000  
previous to the event um i i went

637  
00:19:22,390 --> 00:19:20,799  
through something

638  
00:19:24,390 --> 00:19:22,400

pretty terrible that had nothing to do

639

00:19:25,909 --> 00:19:24,400

with him and if it did well you know

640

00:19:28,630 --> 00:19:25,919

i'm not going to assume until i have

641

00:19:30,150 --> 00:19:28,640

proof um i just gotten back from china

642

00:19:30,710 --> 00:19:30,160

and australia and i had the worst jet

643

00:19:33,110 --> 00:19:30,720

lag

644

00:19:33,909 --> 00:19:33,120

and we needed to reshoot for cosmic

645

00:19:37,110 --> 00:19:33,919

secret

646

00:19:39,510 --> 00:19:37,120

the the the footage that we shot shot

647

00:19:40,549 --> 00:19:39,520

shot in hawaii was like actually

648

00:19:43,590 --> 00:19:40,559

really good

649

00:19:44,230 --> 00:19:43,600

and then you know we have to reshoot so

650

00:19:46,230 --> 00:19:44,240

um

651  
00:19:47,990 --> 00:19:46,240  
i i should have just gotten rest and and

652  
00:19:50,150 --> 00:19:48,000  
said you know i'm not really up for it

653  
00:19:51,990 --> 00:19:50,160  
but i ended up uh going to portland to

654  
00:19:52,789 --> 00:19:52,000  
reshoot and i it's a long story but i

655  
00:19:56,310 --> 00:19:52,799  
ended up

656  
00:19:57,430 --> 00:19:56,320  
um having my phone and credit card taken

657  
00:19:59,590 --> 00:19:57,440  
and i ended up on the streets of

658  
00:20:00,789 --> 00:19:59,600  
portland for two days trying to like get

659  
00:20:02,230 --> 00:20:00,799  
it back and then i befriended this

660  
00:20:05,510 --> 00:20:02,240  
pregnant mother living in this

661  
00:20:08,230 --> 00:20:05,520  
homeless like stretch

662  
00:20:09,750 --> 00:20:08,240  
uh in a tent and i befriended her and i

663  
00:20:11,190 --> 00:20:09,760

was taking care of her children

664

00:20:13,110 --> 00:20:11,200

and then she pulls out my phone she goes

665

00:20:15,190 --> 00:20:13,120

i feel really bad now she's like here

666

00:20:16,710 --> 00:20:15,200

here's your stuff back so i was like

667

00:20:17,590 --> 00:20:16,720

that really kind of screwed me up and i

668

00:20:19,590 --> 00:20:17,600

didn't really know how to

669

00:20:21,430 --> 00:20:19,600

like it it brought up a lot of ptsd you

670

00:20:23,430 --> 00:20:21,440

and i spoke around that time that was a

671

00:20:25,430 --> 00:20:23,440

very very difficult period and that is

672

00:20:26,870 --> 00:20:25,440

absolutely real that's absolutely

673

00:20:28,549 --> 00:20:26,880

authentic and i i

674

00:20:30,390 --> 00:20:28,559

i'm sorry to interrupt you but people

675

00:20:31,990 --> 00:20:30,400

are going to understand in the future

676

00:20:34,149 --> 00:20:32,000

when we begin to understand

677

00:20:35,510 --> 00:20:34,159

or begin to unpack the phenomenon of

678

00:20:37,990 --> 00:20:35,520

energy transmission

679

00:20:39,270 --> 00:20:38,000

and psychic attack and and i'm just

680

00:20:41,029 --> 00:20:39,280

gonna be you know i'll just

681

00:20:42,950 --> 00:20:41,039

i'll just stop there because everybody's

682

00:20:44,710 --> 00:20:42,960

gonna get mad at me on youtube so

683

00:20:46,549 --> 00:20:44,720

go ahead oh no everything you say is so

684

00:20:49,590 --> 00:20:46,559

important and you you you're

685

00:20:51,350 --> 00:20:49,600

just awesome um but that kind of undid

686

00:20:52,789 --> 00:20:51,360

me i already had jet lag

687

00:20:54,230 --> 00:20:52,799

and you know and i'm trying to watch

688

00:20:54,710 --> 00:20:54,240

like not drinking i think everybody

689

00:20:57,029 --> 00:20:54,720

knows

690

00:20:58,070 --> 00:20:57,039

you know i've had my issues with it over

691

00:21:01,029 --> 00:20:58,080

the course of time

692

00:21:02,789 --> 00:21:01,039

um here and there you are real and and i

693

00:21:03,830 --> 00:21:02,799

think that is why people love you it's

694

00:21:06,230 --> 00:21:03,840

like you are the most

695

00:21:07,750 --> 00:21:06,240

authentic version of yourself in the

696

00:21:09,590 --> 00:21:07,760

public eye and i'm sorry

697

00:21:11,669 --> 00:21:09,600

i literally just interrupted you once

698

00:21:13,990 --> 00:21:11,679

again but i think like when we look at

699

00:21:16,310 --> 00:21:14,000

the mark of integrity of our leaders

700

00:21:18,149 --> 00:21:16,320

they are the individuals who are willing

701  
00:21:19,830 --> 00:21:18,159  
to be so real that you know what when

702  
00:21:21,750 --> 00:21:19,840  
we're on the top we're on the top and

703  
00:21:23,350 --> 00:21:21,760  
when we're then we're

704  
00:21:25,270 --> 00:21:23,360  
you know what i mean and we are

705  
00:21:27,430 --> 00:21:25,280  
absolutely the most realist

706  
00:21:28,549 --> 00:21:27,440  
version of ourselves and i think history

707  
00:21:31,270 --> 00:21:28,559  
will show laura

708  
00:21:31,590 --> 00:21:31,280  
that you are absolutely one of the most

709  
00:21:33,110 --> 00:21:31,600  
real

710  
00:21:34,710 --> 00:21:33,120  
and i say that with the heart and i'm

711  
00:21:36,950 --> 00:21:34,720  
sorry for getting all graphic but it's

712  
00:21:39,350 --> 00:21:36,960  
something that i truly truly mean

713  
00:21:41,270 --> 00:21:39,360

because i've seen it time and time again

714

00:21:43,430 --> 00:21:41,280

those that are authentic like we walk a

715

00:21:44,470 --> 00:21:43,440

very narrow road and everyone gets this

716

00:21:47,990 --> 00:21:44,480

little

717

00:21:49,990 --> 00:21:48,000

damn okay oh everybody gets it myself

718

00:21:52,149 --> 00:21:50,000

included so anyway i'm sorry to be so

719

00:21:53,190 --> 00:21:52,159

crazy oh no that's so great and i really

720

00:21:56,390 --> 00:21:53,200

appreciate it

721

00:21:58,950 --> 00:21:56,400

i mean yeah i'm not here to be some

722

00:21:59,830 --> 00:21:58,960

you know figure or to be in a facade i

723

00:22:01,590 --> 00:21:59,840

mean to me

724

00:22:03,029 --> 00:22:01,600

i'm so sick of that old paradigm world

725

00:22:04,149 --> 00:22:03,039

you know why can't we just be real we're

726

00:22:06,870 --> 00:22:04,159

all trying to heal we

727

00:22:08,470 --> 00:22:06,880

it's been so difficult uh for thousands

728

00:22:10,870 --> 00:22:08,480

of years on this planet um

729

00:22:12,710 --> 00:22:10,880

and why can't we just how are we

730

00:22:15,669 --> 00:22:12,720

possibly going to heal if we can't

731

00:22:17,110 --> 00:22:15,679

be open and and and reveal you know our

732

00:22:19,750 --> 00:22:17,120

our struggles but also

733

00:22:21,190 --> 00:22:19,760

uh where we have found resources um that

734

00:22:22,950 --> 00:22:21,200

has helped us um

735

00:22:25,190 --> 00:22:22,960

that's why i mean i built my whole

736

00:22:26,470 --> 00:22:25,200

platform around having resources

737

00:22:27,590 --> 00:22:26,480

building community helping people

738

00:22:29,590 --> 00:22:27,600

transition out of

739

00:22:31,029 --> 00:22:29,600

you know the matrix that's compromising

740

00:22:32,310 --> 00:22:31,039

them or forcing them to do things

741

00:22:33,750 --> 00:22:32,320

and trying to raise money for them and

742

00:22:35,270 --> 00:22:33,760

everything like that it's like you know

743

00:22:36,310 --> 00:22:35,280

and i'm very real with my subscribers

744

00:22:37,590 --> 00:22:36,320

probably to the point where they're like

745

00:22:39,669 --> 00:22:37,600

oh god you know

746

00:22:41,270 --> 00:22:39,679

if they thought that like i was some i

747

00:22:43,909 --> 00:22:41,280

don't know

748

00:22:45,990 --> 00:22:43,919

i i'm not ashamed of my flaws and i i'm

749

00:22:47,590 --> 00:22:46,000

on on a healing journey just like anyone

750

00:22:49,270 --> 00:22:47,600

so but dimensions of disclosure i was

751  
00:22:50,230 --> 00:22:49,280  
feeling really triggered but i had lived

752  
00:22:53,990 --> 00:22:50,240  
in ventura

753  
00:22:55,830 --> 00:22:54,000  
so i was facing a lot of memories of

754  
00:22:57,830 --> 00:22:55,840  
a really really gnarly breakup and it

755  
00:23:00,149 --> 00:22:57,840  
was just you know kind of difficult and

756  
00:23:02,070 --> 00:23:00,159  
and i wasn't fully um yeah it doesn't

757  
00:23:03,270 --> 00:23:02,080  
matter but anyway i just i felt like man

758  
00:23:04,710 --> 00:23:03,280  
you know for some reason i really want

759  
00:23:07,190 --> 00:23:04,720  
to drink and

760  
00:23:08,149 --> 00:23:07,200  
and that wasn't the best move under the

761  
00:23:09,830 --> 00:23:08,159  
feeling of like

762  
00:23:11,750 --> 00:23:09,840  
a bit of stress and after being on the

763  
00:23:13,270 --> 00:23:11,760

streets because that was

764

00:23:15,270 --> 00:23:13,280

you know only like a week and a half

765

00:23:17,029 --> 00:23:15,280

previous to that but i felt a really

766

00:23:19,350 --> 00:23:17,039

really dark energy not with

767

00:23:21,270 --> 00:23:19,360

the producers not with my friends not

768

00:23:23,270 --> 00:23:21,280

with the vendors not with

769

00:23:24,390 --> 00:23:23,280

a lot of the other speakers it was like

770

00:23:26,630 --> 00:23:24,400

awesome

771

00:23:28,470 --> 00:23:26,640

but like my intuitive sense or something

772

00:23:30,310 --> 00:23:28,480

in my empathic body was like man i'm

773

00:23:31,669 --> 00:23:30,320

just in pain i don't know what to do and

774

00:23:32,390 --> 00:23:31,679

kevin's just like i don't know what's

775

00:23:33,750 --> 00:23:32,400

going on

776

00:23:36,070 --> 00:23:33,760

and i'm just hanging at the bar having

777

00:23:37,990 --> 00:23:36,080

mimosas like okay i just just

778

00:23:40,230 --> 00:23:38,000

gonna kind of like lighten up my mind

779

00:23:41,669 --> 00:23:40,240

keep going

780

00:23:44,149 --> 00:23:41,679

yeah i'm like i'm just trying to lighten

781

00:23:45,909 --> 00:23:44,159

up my um energies because i just feel so

782

00:23:48,789 --> 00:23:45,919

much heaviness for some reason that

783

00:23:50,549 --> 00:23:48,799

isn't the the dominant vibe but

784

00:23:51,190 --> 00:23:50,559

something that involved me directly

785

00:23:54,549 --> 00:23:51,200

right

786

00:23:56,710 --> 00:23:54,559

so i feel corey uh felt that there was

787

00:23:59,430 --> 00:23:56,720

something up with kevin because in spain

788

00:24:01,110 --> 00:23:59,440

there was something weird going on um

789

00:24:02,549 --> 00:24:01,120

the trip went great it was most one of

790

00:24:03,110 --> 00:24:02,559

the most beautiful adventures i've ever

791

00:24:04,630 --> 00:24:03,120

been on

792

00:24:05,990 --> 00:24:04,640

but the whole vetting thing i mean i

793

00:24:07,350 --> 00:24:06,000

think you know kevin was totally clear

794

00:24:07,830 --> 00:24:07,360

he has nothing on his record he's never

795

00:24:10,230 --> 00:24:07,840

done

796

00:24:12,070 --> 00:24:10,240

you know and and uh but i think it was

797

00:24:13,510 --> 00:24:12,080

sort of like oh because laura was

798

00:24:13,909 --> 00:24:13,520

recruited to mars you know she might

799

00:24:16,390 --> 00:24:13,919

have

800

00:24:17,590 --> 00:24:16,400

a handler and and i thought he knew my

801  
00:24:19,190 --> 00:24:17,600  
story a little bit better but it just

802  
00:24:21,029 --> 00:24:19,200  
ended up coming back to

803  
00:24:22,390 --> 00:24:21,039  
maybe him being concerned about that and

804  
00:24:23,830 --> 00:24:22,400  
rumors were spreading around it but

805  
00:24:25,669 --> 00:24:23,840  
again i don't have proof that he started

806  
00:24:27,110 --> 00:24:25,679  
that rumor so i don't want to

807  
00:24:28,470 --> 00:24:27,120  
you know say something that i don't have

808  
00:24:30,070 --> 00:24:28,480  
proof of but it was just a little

809  
00:24:31,269 --> 00:24:30,080  
suspicious but anyway so kevin and i are

810  
00:24:34,390 --> 00:24:31,279  
hanging out

811  
00:24:36,230 --> 00:24:34,400  
and i like i said my talks went fine

812  
00:24:38,149 --> 00:24:36,240  
but um it was like i wasn't grounded and

813  
00:24:39,350 --> 00:24:38,159

just something was off and so i kind of

814

00:24:39,990 --> 00:24:39,360

just wanted to take the edge off a

815

00:24:41,590 --> 00:24:40,000

little bit

816

00:24:44,310 --> 00:24:41,600

and all of a sudden kevin befriends

817

00:24:45,590 --> 00:24:44,320

somebody who is part of corey's team but

818

00:24:48,070 --> 00:24:45,600

we didn't know it

819

00:24:49,430 --> 00:24:48,080

um we we might have seen them together

820

00:24:51,269 --> 00:24:49,440

and knew that they were friends or that

821

00:24:53,830 --> 00:24:51,279

he was one of these event goers

822

00:24:55,350 --> 00:24:53,840

but we didn't really know um who was on

823

00:24:56,230 --> 00:24:55,360

his team i mean we know a few of them

824

00:24:57,190 --> 00:24:56,240

and they're obvious because they wear

825

00:25:00,390 --> 00:24:57,200

their security

826

00:25:01,990 --> 00:25:00,400

uniforms um but anyway so this guy is

827

00:25:03,909 --> 00:25:02,000

just totally befriending kevin

828

00:25:05,590 --> 00:25:03,919

and they're becoming really good buddies

829

00:25:07,029 --> 00:25:05,600

uh and they're even crying about their

830

00:25:08,950 --> 00:25:07,039

childhood and they're just like forming

831

00:25:11,990 --> 00:25:08,960

this bond i'm like oh that's so cool

832

00:25:13,830 --> 00:25:12,000

that's so nice you know and uh

833

00:25:15,909 --> 00:25:13,840

and then you know the next day comes and

834

00:25:17,430 --> 00:25:15,919

we're just kind of hanging out and

835

00:25:18,789 --> 00:25:17,440

uh we go back to the bar and you know

836

00:25:19,430 --> 00:25:18,799

i'm just having fun hanging out with

837

00:25:20,870 --> 00:25:19,440

people that

838

00:25:22,390 --> 00:25:20,880

don't mind having a drink here and there

839

00:25:23,110 --> 00:25:22,400

and it wasn't you know too much to the

840

00:25:25,430 --> 00:25:23,120

extreme

841

00:25:26,870 --> 00:25:25,440

except i just want to acknowledge the

842

00:25:28,310 --> 00:25:26,880

fact that i was drinking and

843

00:25:29,669 --> 00:25:28,320

and not leave that out of the story

844

00:25:30,310 --> 00:25:29,679

because i know people saw that and i'm

845

00:25:31,830 --> 00:25:30,320

not

846

00:25:34,470 --> 00:25:31,840

you know proud of it especially you know

847

00:25:36,149 --> 00:25:34,480

i i try and be moderate and

848

00:25:37,750 --> 00:25:36,159

again the stress of it all and

849

00:25:39,350 --> 00:25:37,760

overcoming the portland thing it just

850

00:25:41,830 --> 00:25:39,360

brought up all my ptsd

851

00:25:43,750 --> 00:25:41,840

um so anyway the second day sorry for

852

00:25:46,070 --> 00:25:43,760

all the extra details no no please be

853

00:25:47,830 --> 00:25:46,080

real this is this is why people love you

854

00:25:49,510 --> 00:25:47,840

seriously i mean honestly this is

855

00:25:50,390 --> 00:25:49,520

authenticity like look guys here's

856

00:25:52,070 --> 00:25:50,400

what's up man

857

00:25:53,909 --> 00:25:52,080

people go through some out there

858

00:25:56,230 --> 00:25:53,919

but anyway go ahead

859

00:25:56,950 --> 00:25:56,240

oh yeah oh god yeah i've got some crazy

860

00:25:59,430 --> 00:25:56,960

stories but

861

00:26:00,310 --> 00:25:59,440

this isn't um we're gonna i'm not gonna

862

00:26:05,430 --> 00:26:00,320

go into those

863

00:26:06,950 --> 00:26:05,440

but anyway so uh the second day um

864

00:26:08,789 --> 00:26:06,960

the guy shows up again and it's just

865

00:26:09,430 --> 00:26:08,799

like yo you know and they're hanging out

866

00:26:14,390 --> 00:26:09,440

and

867

00:26:16,630 --> 00:26:14,400

didn't really say much

868

00:26:17,750 --> 00:26:16,640

and uh you know and then it's like he

869

00:26:19,669 --> 00:26:17,760

keeps asking

870

00:26:20,789 --> 00:26:19,679

um and i think it was either the

871

00:26:23,750 --> 00:26:20,799

following day or

872

00:26:23,990 --> 00:26:23,760

that particular evening um and after he

873

00:26:27,430 --> 00:26:24,000

had

874

00:26:28,630 --> 00:26:27,440

little and he felt safe with this person

875

00:26:30,549 --> 00:26:28,640

because they had bonded

876

00:26:32,149 --> 00:26:30,559

he told him exactly what he thought and

877

00:26:33,350 --> 00:26:32,159

it wasn't something that kevin would

878

00:26:35,430 --> 00:26:33,360

ever have spread

879

00:26:36,789 --> 00:26:35,440

or done to hurt cory at all it was just

880

00:26:37,430 --> 00:26:36,799

his okay it's like all right now we're

881

00:26:38,870 --> 00:26:37,440

friends and

882

00:26:40,470 --> 00:26:38,880

this is confidential this is what i

883

00:26:42,470 --> 00:26:40,480

really think so

884

00:26:43,510 --> 00:26:42,480

without kevin knowing he's recording him

885

00:26:45,430 --> 00:26:43,520

on his phone

886

00:26:47,350 --> 00:26:45,440

and then sends it back to corey and then

887

00:26:48,710 --> 00:26:47,360

corey writes me a rumor starts to spread

888

00:26:50,630 --> 00:26:48,720

that kevin's my handler

889

00:26:51,990 --> 00:26:50,640

and then corey explains that he felt

890

00:26:54,549 --> 00:26:52,000

that he was a security threat

891

00:26:56,230 --> 00:26:54,559

and i respect that and he apologized and

892

00:26:57,590 --> 00:26:56,240

and if it was him really writing it he

893

00:26:58,870 --> 00:26:57,600

said i love you and i said i love you

894

00:27:00,390 --> 00:26:58,880

too and it's okay

895

00:27:02,310 --> 00:27:00,400

and so i wasn't you know and i'm not

896

00:27:03,510 --> 00:27:02,320

against him this is not a smear on him

897

00:27:05,110 --> 00:27:03,520

it's it's we're talking there's

898

00:27:05,750 --> 00:27:05,120

something behind all of this that is

899

00:27:07,590 --> 00:27:05,760

dangerous

900

00:27:09,269 --> 00:27:07,600

that has hurt a lot of people and it's

901  
00:27:10,710 --> 00:27:09,279  
probably freaking hurting him he's been

902  
00:27:13,350 --> 00:27:10,720  
hurt since he was a kid

903  
00:27:15,190 --> 00:27:13,360  
by these other things right so you know

904  
00:27:18,149 --> 00:27:15,200  
he needs to heal and be okay

905  
00:27:19,909 --> 00:27:18,159  
and so you know corey we you know we

906  
00:27:20,870 --> 00:27:19,919  
care about you a lot of us do this is

907  
00:27:23,510 --> 00:27:20,880  
just

908  
00:27:24,230 --> 00:27:23,520  
so anyway i think people need to hear

909  
00:27:26,149 --> 00:27:24,240  
that thank you

910  
00:27:28,149 --> 00:27:26,159  
and i'm sorry to interrupt that but that

911  
00:27:29,190 --> 00:27:28,159  
that's a point that needs emphasis when

912  
00:27:31,430 --> 00:27:29,200  
people look back

913  
00:27:33,350 --> 00:27:31,440

on the saga of the sphere being alliance

914

00:27:34,950 --> 00:27:33,360

and corey good and once again we're not

915

00:27:35,750 --> 00:27:34,960

talking about the testimony or the

916

00:27:37,830 --> 00:27:35,760

projects

917

00:27:38,950 --> 00:27:37,840

we're talking about is the personal

918

00:27:41,510 --> 00:27:38,960

behavior

919

00:27:42,630 --> 00:27:41,520

that in this case was so suspicious it

920

00:27:46,870 --> 00:27:42,640

was so

921

00:27:49,990 --> 00:27:46,880

devious to the extent

922

00:27:50,310 --> 00:27:50,000

that they hired their security guards to

923

00:27:52,789 --> 00:27:50,320

go

924

00:27:54,710 --> 00:27:52,799

drum up a conversation with your husband

925

00:27:56,870 --> 00:27:54,720

and record it

926  
00:27:58,470 --> 00:27:56,880  
without him now see let's just see let's

927  
00:27:59,350 --> 00:27:58,480  
just see let's just see what this guy

928  
00:28:01,870 --> 00:27:59,360  
says i want to see

929  
00:28:03,029 --> 00:28:01,880  
are you real i mean that level of

930  
00:28:06,389 --> 00:28:03,039  
manipulation

931  
00:28:08,789 --> 00:28:06,399  
and just underhanded i mean it is

932  
00:28:10,470 --> 00:28:08,799  
absolutely ridiculous and yes i too

933  
00:28:11,549 --> 00:28:10,480  
understand the need for operational

934  
00:28:15,590 --> 00:28:11,559  
security

935  
00:28:17,590 --> 00:28:15,600  
absolutely 100 but when you go about it

936  
00:28:19,669 --> 00:28:17,600  
at a conference of people that are a

937  
00:28:21,190 --> 00:28:19,679  
part of this soul group for ascension

938  
00:28:23,110 --> 00:28:21,200

you know or disclosure

939

00:28:24,870 --> 00:28:23,120

yes whatever new age term you want to

940

00:28:26,230 --> 00:28:24,880

add to it i know a lot of people like to

941

00:28:28,710 --> 00:28:26,240

talk about that as well

942

00:28:30,149 --> 00:28:28,720

but whatever it is people are there for

943

00:28:32,070 --> 00:28:30,159

the purpose of truth

944

00:28:33,669 --> 00:28:32,080

and healing and you know learning about

945

00:28:34,310 --> 00:28:33,679

what's really going on in the world and

946

00:28:36,549 --> 00:28:34,320

the very

947

00:28:38,070 --> 00:28:36,559

top headliner of that conference is

948

00:28:39,510 --> 00:28:38,080

sending out his security guard to be

949

00:28:40,230 --> 00:28:39,520

like i want to see if laura's got a

950

00:28:42,149 --> 00:28:40,240

handler

951  
00:28:43,269 --> 00:28:42,159  
i'm gonna i'm gonna find out i mean just

952  
00:28:46,789 --> 00:28:43,279  
that that

953  
00:28:47,430 --> 00:28:46,799  
level of inward deception and suspicion

954  
00:28:50,870 --> 00:28:47,440  
i i

955  
00:28:52,710 --> 00:28:50,880  
to me is is of incredible concern for

956  
00:28:55,110 --> 00:28:52,720  
anyone that's putting money

957  
00:28:56,950 --> 00:28:55,120  
or time or putting their energy into

958  
00:28:59,110 --> 00:28:56,960  
this person and so anyway

959  
00:29:00,470 --> 00:28:59,120  
yeah yeah i'm sorry oh no please

960  
00:29:01,590 --> 00:29:00,480  
everything you share is important it's a

961  
00:29:05,190 --> 00:29:01,600  
conversation too

962  
00:29:07,430 --> 00:29:05,200  
um so it's like corey i've known you for

963  
00:29:08,549 --> 00:29:07,440

a lot of years he's like yeah i probably

964

00:29:11,350 --> 00:29:08,559

should have just uh

965

00:29:12,710 --> 00:29:11,360

or i'm sorry i didn't come to you first

966

00:29:13,350 --> 00:29:12,720

but we just felt he was a security

967

00:29:16,630 --> 00:29:13,360

threat

968

00:29:19,909 --> 00:29:16,640

um and you know my husband's always got

969

00:29:22,149 --> 00:29:19,919

protection um because he's sort of like

970

00:29:23,269 --> 00:29:22,159

a security person like he he's trained

971

00:29:25,269 --> 00:29:23,279

and he's got

972

00:29:27,430 --> 00:29:25,279

well i don't mean train train but he's

973

00:29:29,669 --> 00:29:27,440

he's got you know licenses to carry

974

00:29:31,190 --> 00:29:29,679

you know um certain you know things in

975

00:29:31,909 --> 00:29:31,200

the event that we get attacked you know

976

00:29:33,909 --> 00:29:31,919

because he knows

977

00:29:36,630 --> 00:29:33,919

in this he knows how to handle himself

978

00:29:40,310 --> 00:29:39,669

and he felt really called um after you

979

00:29:43,190 --> 00:29:40,320

know just

980

00:29:44,630 --> 00:29:43,200

sort of being exposed to me since 2011

981

00:29:46,230 --> 00:29:44,640

to you know really helped me out when i

982

00:29:46,789 --> 00:29:46,240

was going through the worst hell on

983

00:29:49,830 --> 00:29:46,799

earth he

984

00:29:51,269 --> 00:29:49,840

he um just had my back like nobody's

985

00:29:53,190 --> 00:29:51,279

business and we became really really

986

00:29:55,110 --> 00:29:53,200

good friends and uh

987

00:29:56,950 --> 00:29:55,120

and he's just the purest and sweetest

988

00:29:59,190 --> 00:29:56,960

and kindest person ever so

989

00:30:00,630 --> 00:29:59,200

you know and i know the energy signature

990

00:30:02,149 --> 00:30:00,640

of a handler i wouldn't say i've ever

991

00:30:04,149 --> 00:30:02,159

had a handler but i did have

992

00:30:05,510 --> 00:30:04,159

i i experienced plants coming into my

993

00:30:08,470 --> 00:30:05,520

life to trip me up

994

00:30:09,990 --> 00:30:08,480

and so i can understand that and so i

995

00:30:11,990 --> 00:30:10,000

agree with what you're saying

996

00:30:13,990 --> 00:30:12,000

but in in you know as i was kind of

997

00:30:14,630 --> 00:30:14,000

going through it i kept making excuses

998

00:30:15,750 --> 00:30:14,640

for him

999

00:30:18,149 --> 00:30:15,760

because i just wanted to give him the

1000

00:30:21,110 --> 00:30:18,159

bed and fit it out um and then it just

1001  
00:30:24,389 --> 00:30:21,120  
got worse because after the event uh

1002  
00:30:25,590 --> 00:30:24,399  
you know i just decided to just block

1003  
00:30:27,990 --> 00:30:25,600  
our ability to have any more

1004  
00:30:29,590 --> 00:30:28,000  
communication and it's just because i

1005  
00:30:31,110 --> 00:30:29,600  
need space from this it's just i don't

1006  
00:30:33,990 --> 00:30:31,120  
know what to think and this

1007  
00:30:34,630 --> 00:30:34,000  
this was sort of a little bit too much

1008  
00:30:36,549 --> 00:30:34,640  
um

1009  
00:30:37,830 --> 00:30:36,559  
if you really know how to vet people i

1010  
00:30:39,430 --> 00:30:37,840  
think you'd be able to figure out pretty

1011  
00:30:40,710 --> 00:30:39,440  
quick who's a handler and who isn't you

1012  
00:30:41,669 --> 00:30:40,720  
know without having to do something

1013  
00:30:43,269 --> 00:30:41,679

that's deceptive

1014

00:30:44,710 --> 00:30:43,279

because the whole evening of crying

1015

00:30:46,389 --> 00:30:44,720

about childhood and this guy's

1016

00:30:49,110 --> 00:30:46,399

manipulating him and filming him later

1017

00:30:51,669 --> 00:30:49,120

is just so gross to me and inappropriate

1018

00:30:53,190 --> 00:30:51,679

like you said so after all that i just

1019

00:30:55,750 --> 00:30:53,200

that's when it was like

1020

00:30:57,029 --> 00:30:55,760

and i think maybe a couple weeks after

1021

00:31:00,149 --> 00:30:57,039

uh

1022

00:31:02,310 --> 00:31:00,159

and then the lawsuit against adrian leon

1023

00:31:04,310 --> 00:31:02,320

and roger all three of them who i love

1024

00:31:06,630 --> 00:31:04,320

and respect so much you know

1025

00:31:07,590 --> 00:31:06,640

and what i see them do for this

1026  
00:31:09,509 --> 00:31:07,600  
community

1027  
00:31:10,870 --> 00:31:09,519  
and how hard they've worked and what

1028  
00:31:13,110 --> 00:31:10,880  
they've done at these events

1029  
00:31:15,430 --> 00:31:13,120  
uh and producing these events and how

1030  
00:31:17,350 --> 00:31:15,440  
they are some of the best producers or

1031  
00:31:18,789 --> 00:31:17,360  
adrian that i've i mean i've done a lot

1032  
00:31:21,909 --> 00:31:18,799  
of conferences she

1033  
00:31:25,509 --> 00:31:21,919  
is the best of them all she she has

1034  
00:31:27,350 --> 00:31:25,519  
um given me the financial uh

1035  
00:31:28,630 --> 00:31:27,360  
i don't want to how do you put it she

1036  
00:31:31,269 --> 00:31:28,640  
has uh given me

1037  
00:31:33,269 --> 00:31:31,279  
the financial or honorarium on a speaker

1038  
00:31:35,190 --> 00:31:33,279

level that i've never received before

1039

00:31:36,870 --> 00:31:35,200

absolutely generous totally kind totally

1040

00:31:40,070 --> 00:31:36,880

professional and on top of it

1041

00:31:41,669 --> 00:31:40,080

roger is on her word right like she

1042

00:31:44,549 --> 00:31:41,679

literally she followed through

1043

00:31:45,590 --> 00:31:44,559

right highest level every time i've done

1044

00:31:47,430 --> 00:31:45,600

tons of events with her

1045

00:31:50,149 --> 00:31:47,440

we've been friends for a long time too

1046

00:31:52,310 --> 00:31:50,159

um and roger i just adore roger and

1047

00:31:53,190 --> 00:31:52,320

he's so talented and he's been such a

1048

00:31:54,630 --> 00:31:53,200

great friend

1049

00:31:57,110 --> 00:31:54,640

and he's you know been there for me and

1050

00:31:59,110 --> 00:31:57,120

then leon is just great we had so much

1051

00:32:01,269 --> 00:31:59,120

fun in hawaii and it's like what

1052

00:32:03,029 --> 00:32:01,279

i'm like this is about money and you're

1053

00:32:04,950 --> 00:32:03,039

blaming them for all this stuff

1054

00:32:05,990 --> 00:32:04,960

and so so i'm just like confused i'm

1055

00:32:06,870 --> 00:32:06,000

like i don't want to get involved i

1056

00:32:07,830 --> 00:32:06,880

don't want to get involved and i'm

1057

00:32:08,789 --> 00:32:07,840

certainly not going to say anything

1058

00:32:11,110 --> 00:32:08,799

publicly

1059

00:32:12,710 --> 00:32:11,120

um you know i'm kind of knowing though

1060

00:32:13,990 --> 00:32:12,720

that there's going to be a time where

1061

00:32:15,430 --> 00:32:14,000

we're going gonna all have to probably

1062

00:32:16,389 --> 00:32:15,440

do what we're doing right now yeah but

1063

00:32:18,230 --> 00:32:16,399

what did you think

1064

00:32:19,430 --> 00:32:18,240

to yourself though when you saw his

1065

00:32:22,630 --> 00:32:19,440

whole team quit

1066

00:32:25,509 --> 00:32:22,640

when you saw everyone not too long ago

1067

00:32:26,549 --> 00:32:25,519

they all jumped boom boom boom one

1068

00:32:28,310 --> 00:32:26,559

after the other

1069

00:32:30,149 --> 00:32:28,320

i mean at least now like with that

1070

00:32:32,149 --> 00:32:30,159

hindsight like what

1071

00:32:34,070 --> 00:32:32,159

what or rather what were you thinking at

1072

00:32:35,669 --> 00:32:34,080

the time you know like

1073

00:32:37,110 --> 00:32:35,679

well i i sort of posted something

1074

00:32:38,389 --> 00:32:37,120

publicly um

1075

00:32:40,149 --> 00:32:38,399

trying to word it in the best way

1076

00:32:41,669 --> 00:32:40,159

possible i was feeling

1077

00:32:43,350 --> 00:32:41,679

like it was so hard to word it in the

1078

00:32:46,470 --> 00:32:43,360

best way possible because i i

1079

00:32:47,990 --> 00:32:46,480

it's like i i kind of snapped and you

1080

00:32:51,350 --> 00:32:48,000

know again i took it down

1081

00:32:54,710 --> 00:32:51,360

not too long after uh

1082

00:32:55,509 --> 00:32:54,720

uh but renee um armenta uh posted

1083

00:32:58,310 --> 00:32:55,519

something

1084

00:33:00,149 --> 00:32:58,320

you know around the same time and he was

1085

00:33:02,310 --> 00:33:00,159

very much a part of that team too

1086

00:33:03,830 --> 00:33:02,320

so seeing all these people drop away and

1087

00:33:04,630 --> 00:33:03,840

and all this sort of hurt and all this

1088

00:33:06,389 --> 00:33:04,640

sort of like

1089

00:33:08,470 --> 00:33:06,399

corey's the victim it's like there are

1090

00:33:09,990 --> 00:33:08,480

way too many people the list is getting

1091

00:33:12,470 --> 00:33:10,000

really long now and this

1092

00:33:13,830 --> 00:33:12,480

is out of control and at this point it's

1093

00:33:17,350 --> 00:33:13,840

just like

1094

00:33:20,549 --> 00:33:17,360

yeah so stina bobina did a brilliant job

1095

00:33:21,029 --> 00:33:20,559

of creating videos about uh what took

1096

00:33:23,590 --> 00:33:21,039

place

1097

00:33:24,310 --> 00:33:23,600

at dimensions as disclosure and how much

1098

00:33:28,070 --> 00:33:24,320

adrian

1099

00:33:30,470 --> 00:33:28,080

was being um honored and cheered on

1100

00:33:32,070 --> 00:33:30,480

for producing the event but for some

1101

00:33:35,190 --> 00:33:32,080

reason he's suing

1102

00:33:37,590 --> 00:33:35,200

um and on all the copyright stuff too

1103

00:33:38,470 --> 00:33:37,600

uh and so it's a bummer i'm not saying

1104

00:33:39,830 --> 00:33:38,480

that like

1105

00:33:42,389 --> 00:33:39,840

for anybody who signs up with his

1106

00:33:43,909 --> 00:33:42,399

courses we're not trying to um

1107

00:33:45,590 --> 00:33:43,919

turn you the other way we're not trying

1108

00:33:49,029 --> 00:33:45,600

to screw him over

1109

00:33:49,750 --> 00:33:49,039

but we love you and we are concerned you

1110

00:33:51,509 --> 00:33:49,760

know and

1111

00:33:54,149 --> 00:33:51,519

and this is our duty if we're going to

1112

00:33:57,669 --> 00:33:54,159

be truthers we're here to expose

1113

00:34:00,630 --> 00:33:57,679

stuff that is based in um

1114

00:34:02,389 --> 00:34:00,640

you know our experiences based on

1115

00:34:03,669 --> 00:34:02,399

something that feels necessary for the

1116

00:34:06,070 --> 00:34:03,679

best of reasons

1117

00:34:07,509 --> 00:34:06,080

in order to protect you this is not some

1118

00:34:08,869 --> 00:34:07,519

gossip thing this is not just some

1119

00:34:10,950 --> 00:34:08,879

difference of opinion

1120

00:34:13,190 --> 00:34:10,960

um this is yeah it's going to be way

1121

00:34:14,230 --> 00:34:13,200

bigger than that it's been way past that

1122

00:34:17,270 --> 00:34:14,240

too many people

1123

00:34:19,510 --> 00:34:17,280

too many lawsuits too many too many

1124

00:34:20,950 --> 00:34:19,520

threats like two i'm gonna say it as

1125

00:34:23,829 --> 00:34:20,960

well and you guys are gonna find out in

1126

00:34:26,149 --> 00:34:23,839

the future too many women

1127

00:34:27,750 --> 00:34:26,159

and so anyway i'm sorry to sorry to you

1128

00:34:28,230 --> 00:34:27,760

know jump in there and get weird but

1129

00:34:29,829 --> 00:34:28,240

yeah

1130

00:34:31,669 --> 00:34:29,839

go ahead no you don't ever have to say

1131

00:34:33,190 --> 00:34:31,679

sorry i do

1132

00:34:35,270 --> 00:34:33,200

i do it anyway it's just kind of my

1133

00:34:38,629 --> 00:34:35,280

thing but anyway yeah

1134

00:34:40,310 --> 00:34:38,639

so the reason i sort of included david

1135

00:34:41,589 --> 00:34:40,320

and elizabeth in one of my posts that i

1136

00:34:44,869 --> 00:34:41,599

took down right away

1137

00:34:46,869 --> 00:34:44,879

um was because i'm like why aren't you

1138

00:34:47,990 --> 00:34:46,879

you know if you're gonna work so closely

1139

00:34:50,230 --> 00:34:48,000

with him you know

1140

00:34:51,829 --> 00:34:50,240

why why why aren't you saying anything

1141

00:34:52,790 --> 00:34:51,839

you know if you and why are you still

1142

00:34:54,389 --> 00:34:52,800

working with him

1143

00:34:56,950 --> 00:34:54,399

so so there's probably something going

1144

00:34:58,710 --> 00:34:56,960

on um around that

1145

00:35:00,470 --> 00:34:58,720

that i just don't know or understand but

1146

00:35:02,870 --> 00:35:00,480

i'm not like

1147

00:35:03,829 --> 00:35:02,880

you know i i just i hope they're okay

1148

00:35:06,710 --> 00:35:03,839

and uh

1149

00:35:08,310 --> 00:35:06,720

and i and i you know i spent so much

1150

00:35:10,230 --> 00:35:08,320

time feeling bad about you know

1151

00:35:11,829 --> 00:35:10,240

my little like ooh could have done that

1152

00:35:14,950 --> 00:35:11,839

differently and this and that

1153

00:35:16,630 --> 00:35:14,960

um and uh yeah there became a breaking

1154

00:35:18,230 --> 00:35:16,640

point um at dimensions of disclosure

1155

00:35:21,589 --> 00:35:18,240

where it's like

1156

00:35:22,790 --> 00:35:21,599

um yeah it just really all came to a

1157

00:35:23,270 --> 00:35:22,800

head as far as what he had done to

1158

00:35:25,990 --> 00:35:23,280

others

1159

00:35:26,870 --> 00:35:26,000

and what i felt used about when it came

1160

00:35:29,589 --> 00:35:26,880

to

1161

00:35:30,470 --> 00:35:29,599

um some other stuff and then yeah that

1162

00:35:33,510 --> 00:35:30,480

that

1163

00:35:35,430 --> 00:35:33,520

enough to want to be

1164

00:35:37,750 --> 00:35:35,440

angry or to go against him no that's why

1165

00:35:39,109 --> 00:35:37,760

i'm not but what i've seen and witnessed

1166

00:35:41,670 --> 00:35:39,119

with everybody else

1167

00:35:43,030 --> 00:35:41,680

on top of what i've been through as well

1168

00:35:44,150 --> 00:35:43,040

you know even if i hadn't gone through

1169

00:35:45,990 --> 00:35:44,160

anything with him

1170

00:35:47,430 --> 00:35:46,000

i would still have your guys's back

1171

00:35:49,829 --> 00:35:47,440

because every single person

1172

00:35:51,589 --> 00:35:49,839

that he's created a lawsuit with um or

1173

00:35:55,430 --> 00:35:51,599

or or given a problem to

1174

00:35:56,950 --> 00:35:55,440

uh or at least a a big handful of them

1175

00:35:58,550 --> 00:35:56,960

i just have too much love and respect

1176  
00:36:00,550 --> 00:35:58,560  
for and i'm doing this because i want

1177  
00:36:03,349 --> 00:36:00,560  
them to know that i have their back

1178  
00:36:05,030 --> 00:36:03,359  
and uh and i want to um and i'm here for

1179  
00:36:06,630 --> 00:36:05,040  
truth uh whatever whatever

1180  
00:36:08,310 --> 00:36:06,640  
ramifications come along with it i'm

1181  
00:36:10,390 --> 00:36:08,320  
willing yeah

1182  
00:36:12,069 --> 00:36:10,400  
no thank you thank you absolutely to

1183  
00:36:13,750 --> 00:36:12,079  
those that have been harmed by corey

1184  
00:36:14,310 --> 00:36:13,760  
good and the sphere being alliance we

1185  
00:36:18,150 --> 00:36:14,320  
see you

1186  
00:36:20,630 --> 00:36:18,160  
we hear you the reason why we are here

1187  
00:36:21,990 --> 00:36:20,640  
as individuals in this soul group is to

1188  
00:36:24,230 --> 00:36:22,000

begin to write

1189

00:36:25,750 --> 00:36:24,240

great wrongs to begin to tell the truth

1190

00:36:28,550 --> 00:36:25,760

to bring dark to light

1191

00:36:30,790 --> 00:36:28,560

this is part of our process of awakening

1192

00:36:33,109 --> 00:36:30,800

as a group to understand okay guys

1193

00:36:34,150 --> 00:36:33,119

you know maybe we were wrong you know

1194

00:36:36,150 --> 00:36:34,160

maybe we

1195

00:36:38,310 --> 00:36:36,160

and many of us as we go through the

1196

00:36:40,230 --> 00:36:38,320

process especially this series it is

1197

00:36:41,510 --> 00:36:40,240

it is a thing a lot of us have come to

1198

00:36:43,270 --> 00:36:41,520

the conclusion where we were like you

1199

00:36:44,870 --> 00:36:43,280

know what we had the wrong idea and

1200

00:36:45,430 --> 00:36:44,880

granted a lot of people saw it from the

1201  
00:36:47,990 --> 00:36:45,440  
start

1202  
00:36:49,349 --> 00:36:48,000  
you know props to all you guys but you

1203  
00:36:51,349 --> 00:36:49,359  
know and there's also some of us here

1204  
00:36:53,589 --> 00:36:51,359  
that have been playing the long game

1205  
00:36:56,150 --> 00:36:53,599  
and you need to understand how that goes

1206  
00:36:58,790 --> 00:36:56,160  
and what that actually means and so

1207  
00:37:00,150 --> 00:36:58,800  
you know all that said we are coming to

1208  
00:37:03,589 --> 00:37:00,160  
a conclusion

1209  
00:37:04,230 --> 00:37:03,599  
as a community that i think we can no

1210  
00:37:06,870 --> 00:37:04,240  
longer

1211  
00:37:09,109 --> 00:37:06,880  
stand for this type of predatory

1212  
00:37:12,390 --> 00:37:09,119  
behavior as a soul group

1213  
00:37:14,630 --> 00:37:12,400

as a as a family that is truly here to

1214

00:37:16,710 --> 00:37:14,640

understand this ascension and disclosure

1215

00:37:17,750 --> 00:37:16,720

i think it is time that we say enough is

1216

00:37:19,829 --> 00:37:17,760

enough

1217

00:37:21,270 --> 00:37:19,839

and so you know all that said lord go

1218

00:37:22,390 --> 00:37:21,280

ahead is there anything else that you

1219

00:37:24,230 --> 00:37:22,400

want to say is there anything you want

1220

00:37:24,710 --> 00:37:24,240

to say to corey or any of the people

1221

00:37:27,910 --> 00:37:24,720

that are

1222

00:37:28,870 --> 00:37:27,920

buying into this do you have any message

1223

00:37:30,630 --> 00:37:28,880

from them

1224

00:37:32,550 --> 00:37:30,640

absolutely okay so we just had the

1225

00:37:34,069 --> 00:37:32,560

jupiter saturn conjunction we're still

1226

00:37:36,069 --> 00:37:34,079

very much in that energy and will be for

1227

00:37:36,470 --> 00:37:36,079

a while and it's amazing the timing of

1228

00:37:37,990 --> 00:37:36,480

this

1229

00:37:39,030 --> 00:37:38,000

some people feel like it's a sabotage oh

1230

00:37:40,470 --> 00:37:39,040

i can't believe you guys are putting

1231

00:37:41,030 --> 00:37:40,480

this out there around these times just

1232

00:37:43,349 --> 00:37:41,040

to drop

1233

00:37:45,190 --> 00:37:43,359

our energies it's like no this is about

1234

00:37:46,950 --> 00:37:45,200

truth and this is about

1235

00:37:48,870 --> 00:37:46,960

you know what's important because you

1236

00:37:50,550 --> 00:37:48,880

know what

1237

00:37:52,150 --> 00:37:50,560

we're dealing with a deep state cabal

1238

00:37:54,230 --> 00:37:52,160

we're dealing with trying to take down

1239

00:37:56,390 --> 00:37:54,240

child traffickers human trafficking

1240

00:37:58,069 --> 00:37:56,400

rings pedophilia satanic ritual abuse

1241

00:37:59,990 --> 00:37:58,079

we're here for disclosure we're here to

1242

00:38:00,710 --> 00:38:00,000

expose what we haven't been told or

1243

00:38:02,710 --> 00:38:00,720

taught

1244

00:38:04,230 --> 00:38:02,720

we are here to uplift humanity we're

1245

00:38:07,270 --> 00:38:04,240

here to unite

1246

00:38:08,310 --> 00:38:07,280

and and and be like team light i keep

1247

00:38:11,270 --> 00:38:08,320

calling i don't know what well

1248

00:38:11,670 --> 00:38:11,280

that's not a bad term team light right

1249

00:38:15,829 --> 00:38:11,680

and

1250

00:38:18,630 --> 00:38:15,839

always known since i was a kid you know

1251

00:38:20,390 --> 00:38:18,640

the whole unity thing is like humanity

1252

00:38:22,630 --> 00:38:20,400

building the immune system

1253

00:38:24,390 --> 00:38:22,640

and and being able to you know detach

1254

00:38:28,550 --> 00:38:24,400

and

1255

00:38:30,150 --> 00:38:28,560

uh unplug from the the the controllers

1256

00:38:31,510 --> 00:38:30,160

and all the manipulative tactics that

1257

00:38:32,710 --> 00:38:31,520

they've used to keep us dependent on

1258

00:38:35,270 --> 00:38:32,720

them that we

1259

00:38:37,109 --> 00:38:35,280

are going to rise up and inspire people

1260

00:38:39,030 --> 00:38:37,119

to to say goodbye to that

1261

00:38:40,310 --> 00:38:39,040

because they're able to see the hidden

1262

00:38:42,230 --> 00:38:40,320

elements that

1263

00:38:44,310 --> 00:38:42,240

operate behind it and that is the

1264

00:38:45,829 --> 00:38:44,320

priority and we're still doing that

1265

00:38:47,750 --> 00:38:45,839

and whatever it takes and this is a part

1266

00:38:48,550 --> 00:38:47,760

of it so this is why we're doing it

1267

00:38:52,069 --> 00:38:48,560

because

1268

00:38:52,950 --> 00:38:52,079

um we all of us that that uh feel this

1269

00:38:54,630 --> 00:38:52,960

is important

1270

00:38:56,069 --> 00:38:54,640

hold that deep in our heart and it's our

1271

00:38:56,870 --> 00:38:56,079

mission and there's nothing that can

1272

00:38:59,750 --> 00:38:56,880

stop it

1273

00:39:01,430 --> 00:38:59,760

and no outer force no predator no no

1274

00:39:03,589 --> 00:39:01,440

infiltration or attack

1275

00:39:04,950 --> 00:39:03,599

um is is going to get in our way and

1276

00:39:07,670 --> 00:39:04,960

this is proof of that

1277

00:39:08,630 --> 00:39:07,680

and we'll just continue to expand and

1278

00:39:12,069 --> 00:39:08,640

grow together

1279

00:39:12,790 --> 00:39:12,079

and and uh strengthen our bonds and and

1280

00:39:15,430 --> 00:39:12,800

our

1281

00:39:17,030 --> 00:39:15,440

connections with mutual love and respect

1282

00:39:17,910 --> 00:39:17,040

and inspire other people to step into

1283

00:39:20,069 --> 00:39:17,920

their missions

1284

00:39:21,829 --> 00:39:20,079

and and really switch the lights on and

1285

00:39:22,550 --> 00:39:21,839

and and i pray that corey can turn

1286

00:39:25,670 --> 00:39:22,560

around

1287

00:39:27,030 --> 00:39:25,680

and you know join this is not about

1288

00:39:28,630 --> 00:39:27,040

rejection or abandonment

1289

00:39:30,710 --> 00:39:28,640

it's like let's all hold ourselves

1290

00:39:32,550 --> 00:39:30,720

accountable if we've been compromised

1291

00:39:34,550 --> 00:39:32,560

let's stand for truth and let's be

1292

00:39:35,349 --> 00:39:34,560

willing to heal where we may have fallen

1293

00:39:37,990 --> 00:39:35,359

into

1294

00:39:39,510 --> 00:39:38,000

um uh you know some sort of either

1295

00:39:43,270 --> 00:39:39,520

negative ego

1296

00:39:45,910 --> 00:39:43,280

uh behavior or fallen into um

1297

00:39:48,069 --> 00:39:45,920

you know being compromised so that we

1298

00:39:51,510 --> 00:39:48,079

can all help each other be uncompromised

1299

00:39:52,710 --> 00:39:51,520

so that's kind of my my last thing is

1300

00:39:54,230 --> 00:39:52,720

and that's the most important thing to

1301  
00:39:58,390 --> 00:39:54,240  
me and um

1302  
00:40:00,310 --> 00:39:58,400  
you know when when i when i feel like

1303  
00:40:01,750 --> 00:40:00,320  
this this fracturing of our community i

1304  
00:40:03,589 --> 00:40:01,760  
mean i have to admit like

1305  
00:40:05,349 --> 00:40:03,599  
it broke it broke my heart and and i've

1306  
00:40:06,550 --> 00:40:05,359  
talked to a lot of people that feel

1307  
00:40:07,670 --> 00:40:06,560  
really affected too

1308  
00:40:09,109 --> 00:40:07,680  
you know and it's like we don't have

1309  
00:40:10,309 --> 00:40:09,119  
time for depression we're here to raise

1310  
00:40:12,230 --> 00:40:10,319  
a vibration right

1311  
00:40:13,910 --> 00:40:12,240  
we don't have time to feel this

1312  
00:40:16,069 --> 00:40:13,920  
unbelievable grief

1313  
00:40:17,190 --> 00:40:16,079

um so but but it's all part of the

1314

00:40:19,109 --> 00:40:17,200

process to

1315

00:40:20,230 --> 00:40:19,119

you know work through it and and um

1316

00:40:23,270 --> 00:40:20,240

acknowledge it

1317

00:40:25,510 --> 00:40:23,280

so i've acknowledged it and that's uh

1318

00:40:26,630 --> 00:40:25,520

you know why i've wanted to say more the

1319

00:40:29,349 --> 00:40:26,640

timing wasn't right

1320

00:40:31,190 --> 00:40:29,359

and and and it just seemed perfect that

1321

00:40:32,630 --> 00:40:31,200

you've created this so that it's on more

1322

00:40:33,829 --> 00:40:32,640

of a community level

1323

00:40:35,510 --> 00:40:33,839

um because it because it's like it

1324

00:40:36,309 --> 00:40:35,520

weighs on you like what what do you do

1325

00:40:38,309 --> 00:40:36,319

with this it's like

1326

00:40:39,829 --> 00:40:38,319

you can't say anything but you want to

1327

00:40:41,270 --> 00:40:39,839

say something it slips out and then you

1328

00:40:43,270 --> 00:40:41,280

have to bring it back but it's like

1329

00:40:44,710 --> 00:40:43,280

that trust i held this trust that one

1330

00:40:46,150 --> 00:40:44,720

day it's all going to be revealed

1331

00:40:47,910 --> 00:40:46,160

and it's going to be the proper timing

1332

00:40:48,710 --> 00:40:47,920

can you believe it's on it was on the

1333

00:40:52,950 --> 00:40:48,720

solstice

1334

00:40:54,790 --> 00:40:52,960

i mean you've been doing so yeah

1335

00:40:56,630 --> 00:40:54,800

that's that's kind of my final you know

1336

00:40:59,910 --> 00:40:56,640

piece and just to corey like

1337

00:41:01,670 --> 00:40:59,920

you know um you play

1338

00:41:03,589 --> 00:41:01,680

a really big role in this community and

1339

00:41:07,109 --> 00:41:03,599

you influence a lot of people

1340

00:41:11,109 --> 00:41:07,119

and uh we just you know

1341

00:41:16,230 --> 00:41:14,309

drop all of this and make it right

1342

00:41:17,670 --> 00:41:16,240

do the right thing you know people don't

1343

00:41:18,470 --> 00:41:17,680

need to be spending thousands of dollars

1344

00:41:20,470 --> 00:41:18,480

in lawsuits

1345

00:41:21,910 --> 00:41:20,480

when we're dealing with masks and all

1346

00:41:24,630 --> 00:41:21,920

these other things this is what really

1347

00:41:25,750 --> 00:41:24,640

upsets me is like all this energy is

1348

00:41:27,750 --> 00:41:25,760

going into

1349

00:41:29,030 --> 00:41:27,760

lawsuits the energetic drain that comes

1350

00:41:30,710 --> 00:41:29,040

with it when we need

1351  
00:41:32,630 --> 00:41:30,720  
to pull our powers and energies and

1352  
00:41:35,030 --> 00:41:32,640  
intentions together to to

1353  
00:41:35,829 --> 00:41:35,040  
collapse you know this dark agenda that

1354  
00:41:37,910 --> 00:41:35,839  
is literally

1355  
00:41:39,270 --> 00:41:37,920  
getting heavier and heavier all the time

1356  
00:41:41,910 --> 00:41:39,280  
we don't have time for this

1357  
00:41:42,630 --> 00:41:41,920  
that's our priority is not to be suing

1358  
00:41:44,790 --> 00:41:42,640  
each other

1359  
00:41:47,349 --> 00:41:44,800  
and and creating division in a community

1360  
00:41:50,309 --> 00:41:47,359  
that has a responsibility to the world

1361  
00:41:51,349 --> 00:41:50,319  
to lift us out of this terrible new

1362  
00:41:54,390 --> 00:41:51,359  
world order agenda

1363  
00:41:57,990 --> 00:41:54,400

and dark cabal um evil so

1364

00:41:59,750 --> 00:41:58,000

yeah absolutely my god thank you

1365

00:42:02,150 --> 00:41:59,760

thank you laura thank you for bringing

1366

00:42:04,309 --> 00:42:02,160

it thank you for being real um

1367

00:42:05,190 --> 00:42:04,319

honestly thank you for being true and

1368

00:42:08,150 --> 00:42:05,200

authentic

1369

00:42:10,230 --> 00:42:08,160

and walking the actual walk as a warrior

1370

00:42:11,990 --> 00:42:10,240

for truth and i say that with sincerity

1371

00:42:13,990 --> 00:42:12,000

because we all hear those terms those

1372

00:42:14,950 --> 00:42:14,000

like spiritual new age buzzwords you

1373

00:42:17,190 --> 00:42:14,960

know it's just like

1374

00:42:18,950 --> 00:42:17,200

they get thrown around and the reality

1375

00:42:20,870 --> 00:42:18,960

is ladies and gentlemen in this

1376

00:42:23,270 --> 00:42:20,880

you know this this little soul group not

1377

00:42:26,470 --> 00:42:23,280

too many people have seen the real

1378

00:42:28,230 --> 00:42:26,480

example of a spiritual warrior and what

1379

00:42:29,430 --> 00:42:28,240

it looks like when someone is really

1380

00:42:31,589 --> 00:42:29,440

walking the talk

1381

00:42:32,950 --> 00:42:31,599

and so we have one here with us here

1382

00:42:34,390 --> 00:42:32,960

today thank you very much

1383

00:42:35,990 --> 00:42:34,400

laura eisenhower for being here and

1384

00:42:38,309 --> 00:42:36,000

being a part of this project and

1385

00:42:39,190 --> 00:42:38,319

you guys have heard it here literally

1386

00:42:41,829 --> 00:42:39,200

the whole

1387

00:42:43,510 --> 00:42:41,839

community at this stage are speaking out

1388

00:42:46,230 --> 00:42:43,520

against what we are seeing

1389

00:42:47,270 --> 00:42:46,240

this incredible wave of deception of

1390

00:42:51,030 --> 00:42:47,280

litigation

1391

00:42:52,870 --> 00:42:51,040

of lies of targeting of slandering of

1392

00:42:56,309 --> 00:42:52,880

secretly recording

1393

00:42:59,270 --> 00:42:56,319

of psychic attacks the web has become

1394

00:43:00,790 --> 00:42:59,280

so incredibly tangled and deep that we

1395

00:43:02,150 --> 00:43:00,800

are at the stage ladies and gentlemen in

1396

00:43:04,790 --> 00:43:02,160

which it is time

1397

00:43:06,550 --> 00:43:04,800

for corey good to just begin answering

1398

00:43:08,390 --> 00:43:06,560

some questions

1399

00:43:10,550 --> 00:43:08,400

and that's all we're asking it's time

1400

00:43:11,910 --> 00:43:10,560

for healing it's time for truth

1401  
00:43:13,750 --> 00:43:11,920  
and for those of you guys that have been

1402  
00:43:15,829 --> 00:43:13,760  
a part of this process we truly truly

1403  
00:43:17,670 --> 00:43:15,839  
thank you for keeping an open mind

1404  
00:43:19,670 --> 00:43:17,680  
and for sharing these videos for helping

1405  
00:43:21,829 --> 00:43:19,680  
us get the word out about bringing dark

1406  
00:43:22,390 --> 00:43:21,839  
to light in the disclosure community and

1407  
00:43:23,990 --> 00:43:22,400  
so

1408  
00:43:25,430 --> 00:43:24,000  
it has been a windy road lara i want to

1409  
00:43:26,230 --> 00:43:25,440  
thank you once again for the last time

1410  
00:43:27,829 --> 00:43:26,240  
for being here

1411  
00:43:29,270 --> 00:43:27,839  
and we will say it for the record ladies

1412  
00:43:31,030 --> 00:43:29,280  
and gentlemen we are live on the earth

1413  
00:43:31,910 --> 00:43:31,040

plane in the year 2020 my name is

1414

00:43:34,470 --> 00:43:31,920

matthew

1415

00:43:35,990 --> 00:43:34,480

this is the forward action committee a

1416

00:43:38,150 --> 00:43:36,000

council for truth

1417

00:43:39,190 --> 00:43:38,160

and justice for setting right great

1418

00:43:41,030 --> 00:43:39,200

wrongs

1419

00:43:42,870 --> 00:43:41,040

and we are honored thank you thank you

1420

00:43:44,230 --> 00:43:42,880

for being here oh thank you so much

1421

00:43:45,670 --> 00:43:44,240

matthew thank you for all you're doing

1422

00:43:48,309 --> 00:43:45,680

and and for

1423

00:43:50,230 --> 00:43:48,319

just taking this step i'm just you're
