

1
00:00:05,430 --> 00:00:04,150
my stepdaughter was scared to death

2
00:00:06,950 --> 00:00:05,440
okay she wouldn't leave the house

3
00:00:10,230 --> 00:00:06,960
because there was something flying over

4
00:00:18,790 --> 00:00:17,109
we thought it was the end of time

5
00:00:20,550 --> 00:00:18,800
when i regained consciousness i was on

6
00:00:23,750 --> 00:00:20,560
board of this uh

7
00:00:28,830 --> 00:00:23,760
apparently on board the spacecraft and i

8
00:00:32,790 --> 00:00:30,390
beings

9
00:00:34,310 --> 00:00:32,800
we have photographs we have films we

10
00:00:36,549 --> 00:00:34,320
have expert witnesses

11
00:00:38,549 --> 00:00:36,559
what more do you want we could prove

12
00:00:39,190 --> 00:00:38,559
that these objects exist we're past the

13
00:00:41,190 --> 00:00:39,200

point

14

00:00:42,470 --> 00:00:41,200

of proving they exist the question now

15

00:00:45,190 --> 00:00:42,480

is why are they here

16

00:00:46,470 --> 00:00:45,200

and what do they want unidentified

17

00:00:49,270 --> 00:00:46,480

flying objects

18

00:00:51,590 --> 00:00:49,280

ufos are they spaceships from other

19

00:00:54,950 --> 00:00:51,600

worlds traveling through our galaxy

20

00:00:57,910 --> 00:00:54,960

or are they something else so far

21

00:00:59,590 --> 00:00:57,920

we cannot escape our own solar system

22

00:01:02,630 --> 00:00:59,600

our technology has placed man

23

00:01:03,670 --> 00:01:02,640

no further out than the moon if we can't

24

00:01:06,789 --> 00:01:03,680

travel to them

25

00:01:09,830 --> 00:01:06,799

can they be coming to us

26
00:01:10,870 --> 00:01:09,840
the american government says no despite

27
00:01:13,030 --> 00:01:10,880
films like this

28
00:01:14,390 --> 00:01:13,040
they say it's physically impossible so

29
00:01:17,190 --> 00:01:14,400
they've closed all their official

30
00:01:19,670 --> 00:01:17,200
investigations of ufos

31
00:01:20,950 --> 00:01:19,680
that was a fallacy 69 they claimed to

32
00:01:22,469 --> 00:01:20,960
the public that they closed the doors

33
00:01:23,670 --> 00:01:22,479
and they didn't because the document

34
00:01:26,070 --> 00:01:23,680
shows that they

35
00:01:27,590 --> 00:01:26,080
continued on gathering information so

36
00:01:29,190 --> 00:01:27,600
that was an out-and-out lie

37
00:01:31,030 --> 00:01:29,200
under the freedom of information act

38
00:01:33,030 --> 00:01:31,040

some americans petitioned the government

39

00:01:33,830 --> 00:01:33,040

for the release of top-secret ufo

40

00:01:37,830 --> 00:01:33,840

documents

41

00:01:39,670 --> 00:01:37,840

cover-up a cosmic watergate

42

00:01:41,350 --> 00:01:39,680

all we want to know is what's going on

43

00:01:43,070 --> 00:01:41,360

we want the government to tell us the

44

00:01:57,190 --> 00:01:43,080

truth

45

00:01:58,389 --> 00:01:57,200

intelligence from a planet far beyond

46

00:02:00,389 --> 00:01:58,399

our galaxy

47

00:02:01,510 --> 00:02:00,399

has mastered a technology that makes it

48

00:02:05,190 --> 00:02:01,520

possible for them

49

00:02:06,709 --> 00:02:05,200

to do things we can only dream of

50

00:02:08,469 --> 00:02:06,719

they believe that these beams are

51
00:02:10,869 --> 00:02:08,479
penetrating the galactic mist that

52
00:02:11,750 --> 00:02:10,879
shrouds and protects our planet

53
00:02:13,830 --> 00:02:11,760
some believe that these

54
00:02:14,550 --> 00:02:13,840
extraterrestrials technology is so

55
00:02:16,229 --> 00:02:14,560
advanced

56
00:02:20,630 --> 00:02:16,239
that they might even have visited us

57
00:02:25,270 --> 00:02:22,470
are there secret messages carved in the

58
00:02:27,190 --> 00:02:25,280
stones of the pyramids of egypt

59
00:02:31,190 --> 00:02:27,200
messages that tell us of the mysterious

60
00:02:33,350 --> 00:02:31,200
voyages of ancient astronauts

61
00:02:35,030 --> 00:02:33,360
on the pyramids of egypt and mexico and

62
00:02:37,430 --> 00:02:35,040
in primitive cave drawings all over the

63
00:02:39,030 --> 00:02:37,440

world there are carvings and images that

64

00:02:41,190 --> 00:02:39,040

many describe as being of

65

00:02:44,190 --> 00:02:41,200

intergalactic travelers dressed in space

66

00:02:48,790 --> 00:02:44,200

suits and helmets

67

00:02:51,509 --> 00:02:48,800

[Music]

68

00:02:53,750 --> 00:02:51,519

early romans wrote about flying shields

69

00:02:56,470 --> 00:02:53,760

ancient egyptians about circles of fire

70

00:03:00,149 --> 00:02:58,470

are these references and these drawings

71

00:03:01,910 --> 00:03:00,159

about spacemen

72

00:03:04,710 --> 00:03:01,920

or about the gods they worshipped in the

73

00:03:06,070 --> 00:03:04,720

heavens above

74

00:03:08,229 --> 00:03:06,080

aliens from other worlds with

75

00:03:10,070 --> 00:03:08,239

extraterrestrial powers are credited by

76
00:03:16,309 --> 00:03:10,080
some with having moved the great stone

77
00:03:19,910 --> 00:03:17,910
others point to the giant circle of

78
00:03:21,509 --> 00:03:19,920
stonehenge as being a sophisticated

79
00:03:23,509 --> 00:03:21,519
astronomical tool

80
00:03:25,430 --> 00:03:23,519
only possible at the time if it were

81
00:03:28,070 --> 00:03:25,440
designed by others with a more advanced

82
00:03:30,550 --> 00:03:28,080
knowledge of the universe

83
00:03:32,949 --> 00:03:30,560
and then there are the nazca lines and

84
00:03:35,190 --> 00:03:32,959
alleged spaceport

85
00:03:37,110 --> 00:03:35,200
these mysterious images decipherable

86
00:03:39,350 --> 00:03:37,120
only when seen from the air

87
00:03:44,070 --> 00:03:39,360
were carved in the ancient times atop a

88
00:03:49,589 --> 00:03:46,229

many claim this was a landing area for

89

00:03:53,429 --> 00:03:51,430

if there were ats coming here in ancient

90

00:03:54,229 --> 00:03:53,439

times they seemed to have lost interest

91

00:03:57,429 --> 00:03:54,239

in us

92

00:03:59,509 --> 00:03:57,439

until 1947 then suddenly

93

00:04:01,429 --> 00:03:59,519

around the world people of all kinds

94

00:04:02,470 --> 00:04:01,439

began to report seeing them in the skies

95

00:04:04,630 --> 00:04:02,480

above

96

00:04:06,070 --> 00:04:04,640

some claim to have photographed them in

97

00:04:07,670 --> 00:04:06,080

the united states the government

98

00:04:09,509 --> 00:04:07,680

dismissed the phenomena

99

00:04:11,670 --> 00:04:09,519

they described the mysterious objects as

100

00:04:15,320 --> 00:04:11,680

weather balloons hoaxes swamp gas

101
00:04:20,789 --> 00:04:15,330
and other scientific anomalies

102
00:04:23,270 --> 00:04:20,799
[Music]

103
00:04:25,030 --> 00:04:23,280
world war ii it just ended a new age had

104
00:04:26,390 --> 00:04:25,040
begun at the alamos flats of new

105
00:04:28,710 --> 00:04:26,400
mexico

106
00:04:30,390 --> 00:04:28,720
the atomic bomb had unleashed an energy

107
00:04:32,070 --> 00:04:30,400
that some believe would take us beyond

108
00:04:34,230 --> 00:04:32,080
the stars

109
00:04:36,230 --> 00:04:34,240
reason enough some say for those higher

110
00:04:38,150 --> 00:04:36,240
intelligences who dwell in other worlds

111
00:04:40,070 --> 00:04:38,160
to return for a second look at us

112
00:04:41,510 --> 00:04:40,080
earthlings

113
00:04:44,230 --> 00:04:41,520

they would have to look beyond the

114

00:04:45,510 --> 00:04:44,240

shadows of our mushroom clouds

115

00:04:48,200 --> 00:04:45,520

they would need to know what our

116

00:04:49,670 --> 00:04:48,210

universal intentions were

117

00:04:51,830 --> 00:04:49,680

[Music]

118

00:04:53,749 --> 00:04:51,840

in the years after the war navy and air

119

00:04:56,629 --> 00:04:53,759

force pilots regularly reported

120

00:04:58,150 --> 00:04:56,639

sightings of ufos repeatedly

121

00:04:59,830 --> 00:04:58,160

these sightings were dismissed by the

122

00:05:02,390 --> 00:04:59,840

military

123

00:05:04,550 --> 00:05:02,400

one pilot captain thomas mantell radioed

124

00:05:06,629 --> 00:05:04,560

he was pursuing a ufo

125

00:05:07,590 --> 00:05:06,639

the saucer shaped craft he said was

126

00:05:10,710 --> 00:05:07,600

moving at speeds

127

00:05:15,430 --> 00:05:10,720

unknown demand he pursued the craft

128

00:05:19,110 --> 00:05:17,189

the navy investigated the crash and

129

00:05:21,029 --> 00:05:19,120

attributed the explosion to the pilots

130

00:05:23,990 --> 00:05:21,039

pushing his plane too high and too

131

00:05:27,350 --> 00:05:24,000

fast others said mantel was a casualty

132

00:05:29,510 --> 00:05:27,360

of an extraterrestrial attack

133

00:05:30,390 --> 00:05:29,520

ufo proponents charged a government

134

00:05:34,790 --> 00:05:30,400

cover-up

135

00:05:38,550 --> 00:05:36,710

ufo investigators allege that the

136

00:05:40,629 --> 00:05:38,560

government cover-up went into high gear

137

00:05:44,710 --> 00:05:40,639

with the roswell new mexico incident in

138

00:05:49,670 --> 00:05:46,790

roswell was the site of an army air

139

00:05:52,390 --> 00:05:49,680

force base 118 miles from the atomic

140

00:05:54,230 --> 00:05:52,400

testing grounds at alamogordo and only

141

00:05:58,390 --> 00:05:54,240

220 miles from los

142

00:06:01,590 --> 00:05:58,400

alamos birthplace of the atomic bomb

143

00:06:05,110 --> 00:06:01,600

on july 2nd this rancher mack brazil saw

144

00:06:08,150 --> 00:06:05,120

something crash in a field outside town

145

00:06:09,749 --> 00:06:08,160

razzle died in 1963 having kept a pledge

146

00:06:11,670 --> 00:06:09,759

to the air force to keep secret the

147

00:06:12,870 --> 00:06:11,680

story of what really happened in this

148

00:06:14,950 --> 00:06:12,880

field

149

00:06:15,990 --> 00:06:14,960

brazil talked to only one person about

150

00:06:19,430 --> 00:06:16,000

those events

151

00:06:21,270 --> 00:06:19,440

his son bill now 60 years old

152

00:06:24,070 --> 00:06:21,280

he told him that whatever crashed here

153

00:06:27,590 --> 00:06:24,080

was something he could not identify

154

00:06:30,390 --> 00:06:27,600

according to my dad there was a bad

155

00:06:30,870 --> 00:06:30,400

thunderstorm the night before the next

156

00:06:33,350 --> 00:06:30,880

day

157

00:06:35,110 --> 00:06:33,360

he was out on the ranch and he found

158

00:06:38,230 --> 00:06:35,120

this debris

159

00:06:41,430 --> 00:06:38,240

and he picked it all up in his pickup

160

00:06:45,510 --> 00:06:41,440

and was talking to people and

161

00:06:48,550 --> 00:06:45,520

of course there was some talk about ufos

162

00:06:49,430 --> 00:06:48,560

he was going to roswell and as far as i

163

00:06:51,270 --> 00:06:49,440

know

164

00:06:53,350 --> 00:06:51,280

he got in touch with the sheriff's

165

00:07:00,390 --> 00:06:53,360

department they in turn

166

00:07:04,309 --> 00:07:03,749

got with dad and uh swore him to secrecy

167

00:07:08,870 --> 00:07:04,319

and

168

00:07:10,870 --> 00:07:08,880

this debris

169

00:07:12,870 --> 00:07:10,880

major jesse marcel the chief

170

00:07:14,550 --> 00:07:12,880

intelligence officer at the base

171

00:07:16,390 --> 00:07:14,560

was assigned the task of collecting the

172

00:07:18,950 --> 00:07:16,400

debris from the crash site

173

00:07:19,670 --> 00:07:18,960

his selection for the job ufo proponents

174

00:07:21,510 --> 00:07:19,680

say

175

00:07:24,870 --> 00:07:21,520

is proof that the air force knew from

176

00:07:30,150 --> 00:07:28,150

with my knife i found one piece of what

177

00:07:33,189 --> 00:07:30,160

looked like metal anyway

178

00:07:33,670 --> 00:07:33,199

it was not flexible but it was as thin

179

00:07:37,990 --> 00:07:33,680

as a

180

00:07:40,870 --> 00:07:38,000

fall pack of cigarettes it was that thin

181

00:07:42,309 --> 00:07:40,880

one of my boys told me something unusual

182

00:07:46,150 --> 00:07:42,319

here

183

00:07:50,309 --> 00:07:48,950

i tried to make a depth in this metal

184

00:07:53,029 --> 00:07:50,319

and he said you can't bend it

185

00:07:54,629 --> 00:07:53,039

you can't make a mark on it since i took

186

00:07:56,629 --> 00:07:54,639

a sledgehammer and

187

00:07:58,869 --> 00:07:56,639

and winded i put it on the ground and

188

00:08:02,070 --> 00:07:58,879

went it just let's

189

00:08:04,070 --> 00:08:02,080

let's have it bounced off of it

190

00:08:05,589 --> 00:08:04,080

when major marcel reported his findings

191

00:08:08,150 --> 00:08:05,599

to officials back at the base

192

00:08:10,150 --> 00:08:08,160

they issued a startling press release

193

00:08:12,390 --> 00:08:10,160

they had a flying saucer

194

00:08:13,990 --> 00:08:12,400

the next day major marcel was assigned

195

00:08:15,990 --> 00:08:14,000

to take the remains of the crashed

196

00:08:17,749 --> 00:08:16,000

objects to right field in ohio for

197

00:08:20,150 --> 00:08:17,759

further examination

198

00:08:22,550 --> 00:08:20,160

however the plane landed at carswell air

199

00:08:24,550 --> 00:08:22,560

force base in fort worth texas

200

00:08:26,309 --> 00:08:24,560

general alfred ramy took one piece of

201
00:08:27,670 --> 00:08:26,319
the object off the plane and called a

202
00:08:29,670 --> 00:08:27,680
press conference

203
00:08:31,110 --> 00:08:29,680
then major marcel was given different

204
00:08:33,829 --> 00:08:31,120
orders by raymie

205
00:08:34,630 --> 00:08:33,839
he was not to continue on to right field

206
00:08:36,389 --> 00:08:34,640
he told me

207
00:08:38,230 --> 00:08:36,399
not to say anything he says i'll handle

208
00:08:40,790 --> 00:08:38,240
it from now on

209
00:08:41,750 --> 00:08:40,800
and that's exactly what he did when he

210
00:08:44,710 --> 00:08:41,760
came out he said

211
00:08:45,030 --> 00:08:44,720
he told the the press that was there he

212
00:08:46,710 --> 00:08:45,040
said

213
00:08:50,310 --> 00:08:46,720

uh that was nothing but a weather

214

00:08:54,710 --> 00:08:52,310

marcel under orders not to say what he

215

00:08:57,110 --> 00:08:54,720

believed only recently spoke out against

216

00:08:59,750 --> 00:08:57,120

the air force's revised story

217

00:09:00,150 --> 00:08:59,760

it was definitely not a weather balloon

218

00:09:03,910 --> 00:09:00,160

and

219

00:09:04,470 --> 00:09:03,920

it was an aircraft so what it could have

220

00:09:08,150 --> 00:09:04,480

been

221

00:09:10,070 --> 00:09:08,160

i wouldn't know i still don't know mac

222

00:09:11,110 --> 00:09:10,080

brazil who had a rancher's knowledge of

223

00:09:13,750 --> 00:09:11,120

such things

224

00:09:15,430 --> 00:09:13,760

told his son that like major marcel he

225

00:09:16,630 --> 00:09:15,440

knew the object was not a weather

226

00:09:18,470 --> 00:09:16,640

balloon

227

00:09:20,389 --> 00:09:18,480

he said that's what the air force tried

228

00:09:22,070 --> 00:09:20,399

to make him believe that it was weather

229

00:09:24,150 --> 00:09:22,080

boom and he said bill he said

230

00:09:26,790 --> 00:09:24,160

it was not a weather balloon he said i

231

00:09:30,310 --> 00:09:26,800

don't know what it was

232

00:09:32,389 --> 00:09:30,320

but he said it was something altogether

233

00:09:35,590 --> 00:09:32,399

different

234

00:09:37,509 --> 00:09:35,600

and much bigger if extraterrestrials

235

00:09:40,310 --> 00:09:37,519

phillip class a military expert

236

00:09:40,710 --> 00:09:40,320

disagrees the fact the matter is that it

237

00:09:43,910 --> 00:09:40,720

was

238

00:09:47,110 --> 00:09:43,920

not a weather balloon as such it

239

00:09:47,990 --> 00:09:47,120

used a weather balloon as a vehicle but

240

00:09:51,030 --> 00:09:48,000

what it was

241

00:09:54,150 --> 00:09:51,040

is called a radar corner reflector

242

00:09:56,949 --> 00:09:54,160

it's an object that is roughly hexagonal

243

00:09:57,910 --> 00:09:56,959

so that it can be tracked by radar and

244

00:10:01,350 --> 00:09:57,920

no matter what

245

00:10:04,630 --> 00:10:01,360

angle this hexagonal thing is pointing

246

00:10:07,110 --> 00:10:04,640

it always returns a strong radar echo

247

00:10:09,670 --> 00:10:07,120

so the object was not a weather balloon

248

00:10:12,389 --> 00:10:09,680

as such but it used the weather balloon

249

00:10:13,190 --> 00:10:12,399

to hoist it if the object were only a

250

00:10:15,670 --> 00:10:13,200

weather balloon

251
00:10:16,470 --> 00:10:15,680
ufo proponents say then why did the air

252
00:10:18,870 --> 00:10:16,480
force pledge

253
00:10:20,470 --> 00:10:18,880
mac brazil to secrecy and why did the

254
00:10:22,550 --> 00:10:20,480
air force pursue his son in the months

255
00:10:25,350 --> 00:10:22,560
that followed

256
00:10:27,350 --> 00:10:25,360
only 22 years old at the time bill could

257
00:10:29,269 --> 00:10:27,360
not help but be intrigued by his dad's

258
00:10:30,470 --> 00:10:29,279
discovery of the strange materials in

259
00:10:32,550 --> 00:10:30,480
this field

260
00:10:34,470 --> 00:10:32,560
he searched for and found some remnants

261
00:10:36,949 --> 00:10:34,480
of the crashed object

262
00:10:39,509 --> 00:10:36,959
and i was talking about it i went into

263
00:10:41,990 --> 00:10:39,519

corona and i was

264

00:10:42,870 --> 00:10:42,000

sitting there in the beer joint and i

265

00:10:44,949 --> 00:10:42,880

got this

266

00:10:46,230 --> 00:10:44,959

of course my friends was asking me if

267

00:10:49,030 --> 00:10:46,240

i'd found any more

268

00:10:50,310 --> 00:10:49,040

or anything like this and i said well

269

00:10:55,590 --> 00:10:50,320

i've picked up a few

270

00:11:00,389 --> 00:10:55,600

scraps about a cigar box full

271

00:11:03,590 --> 00:11:00,399

and somebody i don't know

272

00:11:06,470 --> 00:11:03,600

must have informed the air force because

273

00:11:06,870 --> 00:11:06,480

first thing i know i have visitors and

274

00:11:16,069 --> 00:11:06,880

they

275

00:11:21,990 --> 00:11:20,230

well like we're gonna have it one way or

276

00:11:23,990 --> 00:11:22,000

the other you know

277

00:11:25,910 --> 00:11:24,000

what bill and his father found was taken

278

00:11:27,350 --> 00:11:25,920

to what is now called wright-patterson

279

00:11:29,590 --> 00:11:27,360

air force base

280

00:11:30,710 --> 00:11:29,600

some believe however that much more was

281

00:11:33,110 --> 00:11:30,720

taken there

282

00:11:34,310 --> 00:11:33,120

what they say is the actual shell of a

283

00:11:37,990 --> 00:11:34,320

spacecraft

284

00:11:40,230 --> 00:11:38,000

by lightning causing pieces of it to

285

00:11:42,630 --> 00:11:40,240

fall away into mack brazil's field

286

00:11:43,990 --> 00:11:42,640

the craft itself they say crashed 78

287

00:11:46,230 --> 00:11:44,000

miles away

288

00:11:48,069 --> 00:11:46,240

the story has it that the spacecraft and

289

00:11:49,829 --> 00:11:48,079

the bodies of its alien crew members

290

00:11:53,110 --> 00:11:49,839

were then taken to right field

291

00:11:55,670 --> 00:11:53,120

and stored in hangar 18. myth

292

00:11:59,030 --> 00:11:55,680

or fact the air force denies the

293

00:12:00,710 --> 00:11:59,040

existence of craft or et bodies

294

00:12:02,710 --> 00:12:00,720

nothing has surfaced in the freedom of

295

00:12:04,230 --> 00:12:02,720

information act released top-secret

296

00:12:06,230 --> 00:12:04,240

government documents

297

00:12:11,350 --> 00:12:06,240

nothing to support what some claim is

298

00:12:13,509 --> 00:12:11,360

this actual photo of an et's arm

299

00:12:15,430 --> 00:12:13,519

the air force also denies the existence

300

00:12:17,430 --> 00:12:15,440

of hangar 18 itself

301
00:12:18,949 --> 00:12:17,440
senator barry goldwater has written that

302
00:12:20,629 --> 00:12:18,959
he has tried to gain access to the

303
00:12:22,949 --> 00:12:20,639
legendary building

304
00:12:24,949 --> 00:12:22,959
in letters to ufo proponents goldwater

305
00:12:26,790 --> 00:12:24,959
enigmatically says that he has given up

306
00:12:28,550 --> 00:12:26,800
trying to solve the mystery

307
00:12:30,150 --> 00:12:28,560
not because he's satisfied with what he

308
00:12:32,310 --> 00:12:30,160
hears but because

309
00:12:33,190 --> 00:12:32,320
it's just impossible to get anything on

310
00:12:35,030 --> 00:12:33,200
it

311
00:12:37,350 --> 00:12:35,040
nuclear physicist stanton freeman

312
00:12:39,110 --> 00:12:37,360
however believes the evidence is there

313
00:12:41,910 --> 00:12:39,120

there's just no question at all in my

314

00:12:43,590 --> 00:12:41,920

mind that a saucer did crash

315

00:12:45,430 --> 00:12:43,600

that bodies were found by the government

316

00:12:47,910 --> 00:12:45,440

that the saucer itself was picked up by

317

00:12:51,350 --> 00:12:47,920

the government carted off for study

318

00:12:53,509 --> 00:12:51,360

uh the tremendous potential for gaining

319

00:12:56,870 --> 00:12:53,519

new technology

320

00:12:58,310 --> 00:12:56,880

from a thing is just enormous

321

00:12:59,910 --> 00:12:58,320

and no government would be foolish

322

00:13:01,509 --> 00:12:59,920

enough to put it on display instead of

323

00:13:03,509 --> 00:13:01,519

cutting it off the laboratory

324

00:13:06,230 --> 00:13:03,519

look it's one of these situations where

325

00:13:07,910 --> 00:13:06,240

if i were a freelance writer or or

326

00:13:09,910 --> 00:13:07,920

i'd like to make a story i would love

327

00:13:10,550 --> 00:13:09,920

this story it's great it would make good

328

00:13:12,790 --> 00:13:10,560

copy

329

00:13:14,069 --> 00:13:12,800

but unfortunately or fortunately i

330

00:13:15,829 --> 00:13:14,079

happen to be a scientist

331

00:13:18,470 --> 00:13:15,839

and i have you might say the hippocratic

332

00:13:20,949 --> 00:13:18,480

oath of a scientist i will not

333

00:13:22,710 --> 00:13:20,959

say something is so until i'm very

334

00:13:25,590 --> 00:13:22,720

certain in my own mind that it is

335

00:13:25,829 --> 00:13:25,600

so as far as the creatures are concerned

336

00:13:30,550 --> 00:13:25,839

i

337

00:13:31,590 --> 00:13:30,560

astronomer from harvard and northwestern

338

00:13:33,269 --> 00:13:31,600

universities

339

00:13:36,710 --> 00:13:33,279

has been a persistent investigator of

340

00:13:37,990 --> 00:13:36,720

ufo cases in 1952 he was asked by the

341

00:13:40,150 --> 00:13:38,000

air force to join

342

00:13:41,829 --> 00:13:40,160

project blue book their ufo

343

00:13:43,670 --> 00:13:41,839

investigation unit

344

00:13:45,430 --> 00:13:43,680

17 years later he joined air force

345

00:13:47,030 --> 00:13:45,440

secretary harold brown at a press

346

00:13:47,990 --> 00:13:47,040

conference to announce the team's

347

00:13:49,350 --> 00:13:48,000

conclusions

348

00:13:51,590 --> 00:13:49,360

none of the evidence that i have

349

00:13:54,150 --> 00:13:51,600

examined would indicate

350

00:13:56,069 --> 00:13:54,160

any proof at all that we are being

351
00:13:57,750 --> 00:13:56,079
visited by extraterrestrials

352
00:14:00,230 --> 00:13:57,760
what is the air force hiding in this

353
00:14:02,710 --> 00:14:00,240
investigation we have

354
00:14:04,629 --> 00:14:02,720
not been hiding anything the

355
00:14:07,910 --> 00:14:04,639
investigations have been

356
00:14:09,910 --> 00:14:07,920
made public the explanations of those

357
00:14:11,670 --> 00:14:09,920
where there is a clear explanation

358
00:14:14,230 --> 00:14:11,680
have been made public the hearing this

359
00:14:16,389 --> 00:14:14,240
morning was public for just that reason

360
00:14:17,910 --> 00:14:16,399
project blue book was activated to deal

361
00:14:20,870 --> 00:14:17,920
with what the media was calling

362
00:14:21,870 --> 00:14:20,880
flying saucer hysteria they investigated

363
00:14:24,710 --> 00:14:21,880

12

364

00:14:28,710 --> 00:14:24,720

518 sightings

365

00:14:30,710 --> 00:14:28,720

they could not explain 701 of them

366

00:14:31,910 --> 00:14:30,720

doubts lingered long past the report's

367

00:14:33,430 --> 00:14:31,920

publication

368

00:14:35,030 --> 00:14:33,440

even supporters of the project's

369

00:14:37,189 --> 00:14:35,040

conclusions had to wonder about

370

00:14:39,430 --> 00:14:37,199

photographs like these

371

00:14:41,590 --> 00:14:39,440

in a series of three pictures one can

372

00:14:42,150 --> 00:14:41,600

judge relative size because of the car

373

00:14:45,030 --> 00:14:42,160

window

374

00:14:47,030 --> 00:14:45,040

the telephone poles and the highway one

375

00:14:48,870 --> 00:14:47,040

can also speculate about the dirt being

376

00:14:51,189 --> 00:14:48,880

kicked up into the air

377

00:14:52,550 --> 00:14:51,199

dr heineck the leading scientist on the

378

00:14:55,750 --> 00:14:52,560

blue book panel

379

00:14:57,829 --> 00:14:55,760

began to have doubts he personally went

380

00:15:00,310 --> 00:14:57,839

to brazil to talk to the man who took

381

00:15:01,750 --> 00:15:00,320

these pictures he discussed the matters

382

00:15:03,509 --> 00:15:01,760

with the president of brazil

383

00:15:06,150 --> 00:15:03,519

and with photo analysts on both

384

00:15:08,550 --> 00:15:06,160

continents by 1973

385

00:15:09,990 --> 00:15:08,560

he had completely reevaluated his blue

386

00:15:11,430 --> 00:15:10,000

book experiences

387

00:15:13,829 --> 00:15:11,440

he now became a critic of the

388

00:15:16,949 --> 00:15:13,839

investigation and an advocate for more

389

00:15:17,670 --> 00:15:16,959

ufo study i was there at blue book and i

390

00:15:21,189 --> 00:15:17,680

know

391

00:15:25,110 --> 00:15:21,199

the the the job they had they were

392

00:15:28,550 --> 00:15:25,120

told not to excite the public

393

00:15:31,030 --> 00:15:28,560

don't uh rock the boat uh

394

00:15:32,870 --> 00:15:31,040

and i saw it in my own eyes happened

395

00:15:35,030 --> 00:15:32,880

that whenever a case happened that

396

00:15:37,430 --> 00:15:35,040

they could explain which is quite a few

397

00:15:39,590 --> 00:15:37,440

they made point of that and and

398

00:15:41,829 --> 00:15:39,600

let that out to the media things that

399

00:15:42,629 --> 00:15:41,839

the the cases that were very difficult

400

00:15:45,590 --> 00:15:42,639

to explain

401
00:15:46,150 --> 00:15:45,600
they would jump the handsprings to keep

402
00:15:49,269 --> 00:15:46,160
the

403
00:15:52,389 --> 00:15:49,279
had

404
00:15:55,509 --> 00:15:52,399
a job to do to

405
00:15:56,310 --> 00:15:55,519
whether rightfully or wrongly to keep

406
00:15:59,509 --> 00:15:56,320
the

407
00:16:01,269 --> 00:15:59,519
public from getting excited

408
00:16:03,110 --> 00:16:01,279
heineck's concession that it was

409
00:16:03,829 --> 00:16:03,120
possible that extraterrestrials were

410
00:16:06,870 --> 00:16:03,839
visiting us

411
00:16:07,990 --> 00:16:06,880
raised the ufo debate to another level a

412
00:16:10,069 --> 00:16:08,000
major establishment

413
00:16:12,230 --> 00:16:10,079

astronomer and a man trusted by the air

414

00:16:13,110 --> 00:16:12,240

force was now saying that intergalactic

415

00:16:14,710 --> 00:16:13,120

spacecraft

416

00:16:16,389 --> 00:16:14,720

could be traveling through our solar

417

00:16:18,150 --> 00:16:16,399

system

418

00:16:19,670 --> 00:16:18,160

his pronouncements cause scientists who

419

00:16:20,629 --> 00:16:19,680

might otherwise have stayed out of the

420

00:16:22,710 --> 00:16:20,639

ufo debate

421

00:16:23,670 --> 00:16:22,720

to enter it they called heineck's

422

00:16:25,749 --> 00:16:23,680

proposition

423

00:16:28,069 --> 00:16:25,759

fantasy but if we just think of our own

424

00:16:30,310 --> 00:16:28,079

galaxy you know it's a hundred thousand

425

00:16:32,069 --> 00:16:30,320

light years across that means to travel

426
00:16:35,350 --> 00:16:32,079
from one side of that

427
00:16:37,749 --> 00:16:35,360
galaxy to another side the other extreme

428
00:16:40,069 --> 00:16:37,759
edge would take you a hundred thousand

429
00:16:40,949 --> 00:16:40,079
years if you traveled at the speed of

430
00:16:42,870 --> 00:16:40,959
light

431
00:16:44,629 --> 00:16:42,880
now there's very good evidence that

432
00:16:46,629 --> 00:16:44,639
nothing travels faster than the speed of

433
00:16:48,230 --> 00:16:46,639
light i mean it seems to be the ultimate

434
00:16:51,269 --> 00:16:48,240
speed limit in the universe

435
00:16:53,430 --> 00:16:51,279
if however uh

436
00:16:55,110 --> 00:16:53,440
aliens know something we don't suppose

437
00:16:57,430 --> 00:16:55,120
they are able to

438
00:16:59,670 --> 00:16:57,440

um transform space and time or

439

00:17:04,549 --> 00:16:59,680

manipulate space and time in some way

440

00:17:06,290 --> 00:17:04,559

or travel in other dimensions then

441

00:17:08,309 --> 00:17:06,300

all things are possible

442

00:17:10,309 --> 00:17:08,319

[Music]

443

00:17:12,390 --> 00:17:10,319

as man has entered the space age the

444

00:17:14,230 --> 00:17:12,400

concept that all things are possible has

445

00:17:15,590 --> 00:17:14,240

indeed become part of a new way of

446

00:17:17,189 --> 00:17:15,600

thinking

447

00:17:18,470 --> 00:17:17,199

some of the men who investigated blue

448

00:17:20,230 --> 00:17:18,480

book were born before the wright

449

00:17:21,829 --> 00:17:20,240

brothers flew at kitty hawk

450

00:17:23,990 --> 00:17:21,839

they conducted their investigation

451
00:17:25,029 --> 00:17:24,000
before man flew faster than the speed of

452
00:17:26,949 --> 00:17:25,039
sound

453
00:17:29,510 --> 00:17:26,959
even the men who flew our space missions

454
00:17:32,549 --> 00:17:29,520
concede unusual experiences that they

455
00:17:34,950 --> 00:17:32,559
cannot explain

456
00:17:36,789 --> 00:17:34,960
astronauts like james mcdivitt on gemini

457
00:17:38,870 --> 00:17:36,799
4 and ed white

458
00:17:41,350 --> 00:17:38,880
have reported seeing unidentified flying

459
00:17:44,710 --> 00:17:41,360
objects in space

460
00:17:47,270 --> 00:17:44,720
pete conrad on gemini 11 in 1966

461
00:17:50,789 --> 00:17:47,280
is another of the 11 astronauts who have

462
00:17:52,870 --> 00:17:50,799
seen ufos on nasa's space flights

463
00:17:55,270 --> 00:17:52,880

some of these objects the astronauts saw

464

00:17:57,590 --> 00:17:55,280

were photographed

465

00:18:02,549 --> 00:17:57,600

nasa has called some of these sun flares

466

00:18:13,029 --> 00:18:05,020

some are still labeled unidentified

467

00:18:17,510 --> 00:18:15,510

astronaut gordon cooper was so impressed

468

00:18:18,390 --> 00:18:17,520

with an unidentified flying object he

469

00:18:19,909 --> 00:18:18,400

saw

470

00:18:21,830 --> 00:18:19,919

that he wrote about it to a special

471

00:18:24,310 --> 00:18:21,840

united nations commission studying the

472

00:18:26,710 --> 00:18:24,320

phenomena

473

00:18:28,390 --> 00:18:26,720

he wrote i believe these

474

00:18:31,029 --> 00:18:28,400

extraterrestrial vehicles

475

00:18:32,630 --> 00:18:31,039

and their crews are visiting this planet

476
00:18:34,390 --> 00:18:32,640
from other planets

477
00:18:35,830 --> 00:18:34,400
which obviously are a lot more

478
00:18:41,510 --> 00:18:35,840
technically advanced

479
00:18:46,470 --> 00:18:44,470
recently cooper reversed himself he does

480
00:18:49,029 --> 00:18:46,480
not now believe that what he saw was an

481
00:18:51,029 --> 00:18:49,039
extraterrestrial spacecraft

482
00:18:52,230 --> 00:18:51,039
another of the original mercury seven

483
00:18:54,549 --> 00:18:52,240
astronauts however

484
00:18:58,230 --> 00:18:54,559
has not changed his mind about what he

485
00:19:00,870 --> 00:18:58,240
saw on a test pilot flight in 1952

486
00:19:03,430 --> 00:19:00,880
deke slayton as i closed on this thing

487
00:19:05,990 --> 00:19:03,440
why it looked like a weather balloon

488
00:19:06,870 --> 00:19:06,000

and that's what i presumed it was and i

489

00:19:08,390 --> 00:19:06,880

had plenty of gas

490

00:19:09,990 --> 00:19:08,400

and time so i decided i'll just come

491

00:19:12,710 --> 00:19:10,000

back around and make a make a pass

492

00:19:14,230 --> 00:19:12,720

on it and i got around where i should

493

00:19:15,029 --> 00:19:14,240

have been coming back on this thing all

494

00:19:17,110 --> 00:19:15,039

of a sudden it didn't look like a

495

00:19:20,310 --> 00:19:17,120

balloon anymore it looked like a

496

00:19:22,070 --> 00:19:20,320

saucer sitting on edge about a 45 degree

497

00:19:23,750 --> 00:19:22,080

angle

498

00:19:25,430 --> 00:19:23,760

i didn't have any gun camera film on

499

00:19:27,270 --> 00:19:25,440

board unfortunately or i shot some

500

00:19:29,029 --> 00:19:27,280

pictures of it

501
00:19:31,110 --> 00:19:29,039
and about that time i guess what

502
00:19:33,350 --> 00:19:31,120
whatever it was for whatever reason just

503
00:19:34,710 --> 00:19:33,360
took off climbing at about a 45 degree

504
00:19:37,110 --> 00:19:34,720
angle and

505
00:19:39,190 --> 00:19:37,120
and just accelerated and disappeared and

506
00:19:39,990 --> 00:19:39,200
i obviously couldn't follow with an old

507
00:19:44,470 --> 00:19:40,000
piston engine

508
00:19:46,789 --> 00:19:44,480
fighter so i turned around and went home

509
00:19:48,630 --> 00:19:46,799
some ufo observers however have had

510
00:19:49,510 --> 00:19:48,640
camera and film on hand at the critical

511
00:19:51,350 --> 00:19:49,520
moment

512
00:19:54,230 --> 00:19:51,360
this footage was shot from a helicopter

513
00:19:57,350 --> 00:19:54,240

off catalina island in 1966

514

00:19:59,029 --> 00:19:57,360

some say this is a single wing aircraft

515

00:20:00,630 --> 00:19:59,039

this film was shot by the coach of the

516

00:20:03,510 --> 00:20:00,640

great falls montana minor league

517

00:20:05,430 --> 00:20:03,520

baseball team in 1950

518

00:20:08,149 --> 00:20:05,440

the air force says it is a picture of

519

00:20:10,390 --> 00:20:08,159

two aircraft

520

00:20:13,029 --> 00:20:10,400

this film was shot by a newsreel unit in

521

00:20:21,110 --> 00:20:13,039

guatemala in 1976

522

00:20:23,110 --> 00:20:21,120

some say this is also an aircraft

523

00:20:26,390 --> 00:20:23,120

this film was taken by a navy cameraman

524

00:20:28,070 --> 00:20:26,400

on vacation in trementon utah in 1952

525

00:20:29,590 --> 00:20:28,080

the air force speculates that these are

526
00:20:31,590 --> 00:20:29,600
seagulls

527
00:20:33,350 --> 00:20:31,600
dr heineck disputes the air force's

528
00:20:34,870 --> 00:20:33,360
explanation of these films

529
00:20:37,669 --> 00:20:34,880
this plus his feelings about the

530
00:20:40,070 --> 00:20:37,679
eyewitnesses helped change his mind

531
00:20:41,830 --> 00:20:40,080
i began to get certain doubts because

532
00:20:44,630 --> 00:20:41,840
not so much of any specific

533
00:20:46,470 --> 00:20:44,640
case well there were quite a few it was

534
00:20:48,710 --> 00:20:46,480
the people themselves

535
00:20:50,230 --> 00:20:48,720
i said to myself well now come on how

536
00:20:51,830 --> 00:20:50,240
much longer am i going to call these

537
00:20:54,630 --> 00:20:51,840
people crazy

538
00:20:56,630 --> 00:20:54,640

uh and when i changed my glasses you

539

00:20:59,110 --> 00:20:56,640

might say a little bit and took a view

540

00:21:00,630 --> 00:20:59,120

that maybe these people aren't crazy and

541

00:21:03,510 --> 00:21:00,640

began to realize what

542

00:21:04,710 --> 00:21:03,520

sort of people they were the people who

543

00:21:07,669 --> 00:21:04,720

would be accepted

544

00:21:08,789 --> 00:21:07,679

in any court of law uh as a witness

545

00:21:11,750 --> 00:21:08,799

let's say

546

00:21:13,270 --> 00:21:11,760

uh good solid people i said to myself

547

00:21:16,710 --> 00:21:13,280

well

548

00:21:18,310 --> 00:21:16,720

the time has come to maybe change my

549

00:21:20,870 --> 00:21:18,320

attitude

550

00:21:22,310 --> 00:21:20,880

it was heineken the expressions close

551
00:21:25,110 --> 00:21:22,320
encounters of the first

552
00:21:26,870 --> 00:21:25,120
second and third kinds a close encounter

553
00:21:29,029 --> 00:21:26,880
of the first kind is one that centers

554
00:21:30,710 --> 00:21:29,039
upon a visual sighting

555
00:21:32,789 --> 00:21:30,720
heinek investigated first kind

556
00:21:35,590 --> 00:21:32,799
encounters in 1983

557
00:21:36,549 --> 00:21:35,600
in new york state local residents and

558
00:21:38,870 --> 00:21:36,559
commuters just

559
00:21:41,190 --> 00:21:38,880
40 miles from new york city had been

560
00:21:43,350 --> 00:21:41,200
reporting sightings of an unusual object

561
00:21:45,110 --> 00:21:43,360
in the night skies for over a year and a

562
00:21:47,750 --> 00:21:45,120
half

563
00:21:49,590 --> 00:21:47,760

sightings were reported on at least 50

564

00:21:50,710 --> 00:21:49,600

separate nights during the 18-month

565

00:21:54,230 --> 00:21:50,720

period

566

00:21:57,190 --> 00:21:54,240

over 9 000 eyewitnesses lawyers

567

00:21:57,990 --> 00:21:57,200

teachers cpas advertising executives

568

00:22:00,310 --> 00:21:58,000

nurses and

569

00:22:02,710 --> 00:22:00,320

factory workers reported seeing the

570

00:22:05,110 --> 00:22:02,720

unidentified phenomena

571

00:22:09,110 --> 00:22:05,120

newspapers and television almost weekly

572

00:22:13,590 --> 00:22:10,549

from different places throughout the

573

00:22:16,549 --> 00:22:13,600

area eyewitnesses all reported seeing

574

00:22:17,430 --> 00:22:16,559

the same thing i looked up and right

575

00:22:19,430 --> 00:22:17,440

over my head

576

00:22:21,510 --> 00:22:19,440

virtually it wasn't far off it was right

577

00:22:23,430 --> 00:22:21,520

over my head and very still

578

00:22:24,789 --> 00:22:23,440

there was a rim of lights in the shape

579

00:22:26,789 --> 00:22:24,799

of the triangle

580

00:22:28,870 --> 00:22:26,799

it was just a tremendous object it was

581

00:22:31,909 --> 00:22:28,880

anywhere from wing tip to wingtip

582

00:22:34,710 --> 00:22:31,919

about 4 50 or 60 yards

583

00:22:36,710 --> 00:22:34,720

these were very very unusual lights i've

584

00:22:38,630 --> 00:22:36,720

never seen anything like it in my life

585

00:22:40,549 --> 00:22:38,640

and so i pulled my car over and i had to

586

00:22:42,310 --> 00:22:40,559

take a look i mean he would drive down

587

00:22:44,230 --> 00:22:42,320

the road and look up in the sky

588

00:22:45,909 --> 00:22:44,240

some people like bob and laurie posioli

589

00:22:48,870 --> 00:22:45,919

were determined to film the object

590

00:22:49,909 --> 00:22:48,880

and then one night he spotted this one

591

00:22:52,549 --> 00:22:49,919

round

592

00:22:54,310 --> 00:22:52,559

object and that's when he called me and

593

00:22:59,590 --> 00:22:54,320

he said quick let's get the camera

594

00:23:03,190 --> 00:22:59,600

and we did oh good god

595

00:23:04,870 --> 00:23:03,200

i don't know i'll be

596

00:23:07,990 --> 00:23:04,880

i'm going to tell you something honey i

597

00:23:10,549 --> 00:23:08,000

don't know what the hell it is

598

00:23:12,710 --> 00:23:10,559

rotating bob and laurie photographed

599

00:23:13,350 --> 00:23:12,720

this unidentified flying object near

600

00:23:15,830 --> 00:23:13,360

their home

601
00:23:18,549 --> 00:23:15,840
in brewster new york bob is a vice

602
00:23:19,990 --> 00:23:18,559
president in a manhattan computer firm

603
00:23:22,070 --> 00:23:20,000
some of their friends and laurie's

604
00:23:24,950 --> 00:23:22,080
parents thought they were crazy

605
00:23:28,230 --> 00:23:24,960
despite this photographic evidence yeah

606
00:23:31,270 --> 00:23:28,240
it's turning very very slowly

607
00:23:34,390 --> 00:23:31,280
9 000 odd people have seen this thing or

608
00:23:37,510 --> 00:23:34,400
whatever it is and they

609
00:23:38,549 --> 00:23:37,520
all just can't be crazy bob and laurie

610
00:23:40,230 --> 00:23:38,559
have two children

611
00:23:42,710 --> 00:23:40,240
they are concerned about what they saw

612
00:23:45,909 --> 00:23:42,720
in the sky they also wonder why the

613
00:23:47,590 --> 00:23:45,919

government hasn't investigated the event

614

00:23:49,669 --> 00:23:47,600

their concern is shared by david

615

00:23:50,710 --> 00:23:49,679

scarpino an accountant who works in new

616

00:23:53,190 --> 00:23:50,720

york city

617

00:23:55,669 --> 00:23:53,200

scarpino a family man has publicly

618

00:23:57,190 --> 00:23:55,679

called for a government investigation

619

00:23:59,590 --> 00:23:57,200

he and others like bill healey a

620

00:24:02,149 --> 00:23:59,600

meteorologist at the county airport

621

00:24:03,990 --> 00:24:02,159

made this demand at a town meeting

622

00:24:06,549 --> 00:24:04,000

public furore has been led by county

623

00:24:08,549 --> 00:24:06,559

clerk dennis sant sant feels that a

624

00:24:10,230 --> 00:24:08,559

government investigation is indicated by

625

00:24:11,269 --> 00:24:10,240

the fact that eyewitnesses have all

626
00:24:13,430 --> 00:24:11,279
reported seeing

627
00:24:15,269 --> 00:24:13,440
the same thing you know the movement was

628
00:24:18,310 --> 00:24:15,279
almost like a probing movement

629
00:24:21,510 --> 00:24:18,320
it was very slow and it stopped

630
00:24:23,590 --> 00:24:21,520
uh periodically and stationary where it

631
00:24:25,669 --> 00:24:23,600
just came to a standstill

632
00:24:27,590 --> 00:24:25,679
and then it would move to an another

633
00:24:29,110 --> 00:24:27,600
position and the movement from one

634
00:24:32,950 --> 00:24:29,120
position to another was

635
00:24:34,710 --> 00:24:32,960
just extremely slow now the speed

636
00:24:36,950 --> 00:24:34,720
at which it was going at that point was

637
00:24:39,029 --> 00:24:36,960
very slow because i had to walk at a

638
00:24:41,510 --> 00:24:39,039

very slow delivery gate to keep up with

639

00:24:42,710 --> 00:24:41,520

just keep up the lights very step i took

640

00:24:45,029 --> 00:24:42,720

it moved a little bit

641

00:24:47,750 --> 00:24:45,039

it moved in a very straight line very

642

00:24:49,669 --> 00:24:47,760

slowly there was absolutely no noise

643

00:24:50,950 --> 00:24:49,679

when i walked away from it at that point

644

00:24:53,590 --> 00:24:50,960

it started to rotate

645

00:24:54,310 --> 00:24:53,600

virtually almost as it was on an axis it

646

00:24:57,110 --> 00:24:54,320

didn't make a big

647

00:24:58,070 --> 00:24:57,120

loop it just rotated it appeared as i

648

00:25:00,950 --> 00:24:58,080

said to rotate

649

00:25:01,990 --> 00:25:00,960

in the sky change lights aircraft i

650

00:25:04,390 --> 00:25:02,000

don't care how

651
00:25:05,110 --> 00:25:04,400
well precise you want to be in flying

652
00:25:06,149 --> 00:25:05,120
those suckers

653
00:25:08,789 --> 00:25:06,159
you're not going to be able to make them

654
00:25:10,710 --> 00:25:08,799
move 90 degrees all right this thing did

655
00:25:13,669 --> 00:25:10,720
apparently rotate

656
00:25:15,830 --> 00:25:13,679
you can't do that with aircraft could it

657
00:25:18,149 --> 00:25:15,840
have been an aircraft or many smaller

658
00:25:19,990 --> 00:25:18,159
light planes flying in formation

659
00:25:22,149 --> 00:25:20,000
the media attention given the sightings

660
00:25:23,750 --> 00:25:22,159
prompted six pilots at a local airport

661
00:25:28,070 --> 00:25:23,760
to try to prove that it could be

662
00:25:30,470 --> 00:25:28,080
just that amused by the idea of ufos the

663
00:25:32,870 --> 00:25:30,480

pilots planned and flew at least 18

664

00:25:33,590 --> 00:25:32,880

daring nighttime missions flying in

665

00:25:37,020 --> 00:25:33,600

formation

666

00:25:40,390 --> 00:25:37,030

sometimes without lights

667

00:25:41,909 --> 00:25:40,400

[Music]

668

00:25:43,590 --> 00:25:41,919

this hoax fooled at least some of the

669

00:25:46,070 --> 00:25:43,600

eyewitnesses

670

00:25:48,310 --> 00:25:46,080

but not bob and laurie they claimed that

671

00:25:50,549 --> 00:25:48,320

in addition to photographing the ufo

672

00:25:55,110 --> 00:25:50,559

they also videotaped the light airplanes

673

00:26:01,510 --> 00:25:58,470

there are six and the lead one has his

674

00:26:03,750 --> 00:26:01,520

three lights on everybody else only has

675

00:26:04,900 --> 00:26:03,760

two

676

00:26:07,269 --> 00:26:04,910

did you hear the engines

677

00:26:09,590 --> 00:26:07,279

[Music]

678

00:26:11,750 --> 00:26:09,600

some ufo investigators agree that many

679

00:26:12,950 --> 00:26:11,760

of the reported sightings were probably

680

00:26:15,350 --> 00:26:12,960

of the hoax

681

00:26:17,269 --> 00:26:15,360

but some eyewitnesses they say were

682

00:26:18,310 --> 00:26:17,279

clearly able to differentiate between

683

00:26:22,470 --> 00:26:18,320

the hoax

684

00:26:25,990 --> 00:26:24,230

as it was coming over there was a star

685

00:26:29,510 --> 00:26:26,000

in the sky and

686

00:26:31,350 --> 00:26:29,520

as the lead light went

687

00:26:32,549 --> 00:26:31,360

under that star right behind it you

688

00:26:35,190 --> 00:26:32,559

could still see the star

689

00:26:37,269 --> 00:26:35,200

which meant it was not a solid object

690

00:26:38,070 --> 00:26:37,279

and as it was going overhead you did

691

00:26:41,750 --> 00:26:38,080

hear

692

00:26:43,190 --> 00:26:41,760

engines right now what kind of aircraft

693

00:26:45,590 --> 00:26:43,200

engines i don't know but

694

00:26:46,470 --> 00:26:45,600

you did hear aircraft engine noise

695

00:26:48,230 --> 00:26:46,480

engine noise

696

00:26:50,470 --> 00:26:48,240

different lights and different flying

697

00:26:53,110 --> 00:26:50,480

movements ufo proponents say

698

00:26:56,149 --> 00:26:53,120

clearly make the airplanes ifos

699

00:26:59,029 --> 00:26:56,159

identified flying objects

700

00:27:03,990 --> 00:26:59,039

but this object or objects remains

701
00:27:07,909 --> 00:27:05,990
some eyewitnesses refused to accept the

702
00:27:10,310 --> 00:27:07,919
possibility that these are also the

703
00:27:12,070 --> 00:27:10,320
likes of the airplanes

704
00:27:13,590 --> 00:27:12,080
i know it wasn't it wasn't an ultra

705
00:27:16,630 --> 00:27:13,600
light it wasn't a blimp

706
00:27:17,269 --> 00:27:16,640
it wasn't gas no one's tried to tell me

707
00:27:21,350 --> 00:27:17,279
what it was

708
00:27:23,830 --> 00:27:21,360
have subjected the videotape

709
00:27:24,470 --> 00:27:23,840
images of the hoax and the unidentified

710
00:27:26,950 --> 00:27:24,480
lights

711
00:27:28,870 --> 00:27:26,960
to various computer analyses by

712
00:27:30,549 --> 00:27:28,880
digitalization of the images

713
00:27:32,630 --> 00:27:30,559

they hope to be able to determine if the

714

00:27:33,350 --> 00:27:32,640

area between the lights of the ufo was

715

00:27:35,909 --> 00:27:33,360

solid

716

00:27:36,630 --> 00:27:35,919

indicating one craft the airplanes they

717

00:27:39,269 --> 00:27:36,640

hoped would show

718

00:27:40,070 --> 00:27:39,279

night sky in the center of the lights

719

00:27:43,430 --> 00:27:40,080

physicist

720

00:27:46,470 --> 00:27:43,440

al hibbs pictures like this a

721

00:27:48,470 --> 00:27:46,480

night sky a few lights taken with a

722

00:27:48,950 --> 00:27:48,480

television camera that was perhaps being

723

00:27:50,870 --> 00:27:48,960

moved

724

00:27:52,630 --> 00:27:50,880

act not deliberately but accidentally

725

00:27:54,149 --> 00:27:52,640

while i was taking the pictures

726

00:27:55,830 --> 00:27:54,159

there's really nothing you can you can

727

00:27:57,909 --> 00:27:55,840

say about these things in

728

00:27:59,269 --> 00:27:57,919

one case there a very good explanation

729

00:27:59,909 --> 00:27:59,279

is offered and i see no reason to just

730

00:28:01,669 --> 00:27:59,919

believe it

731

00:28:03,190 --> 00:28:01,679

in the other case there's no explanation

732

00:28:06,950 --> 00:28:03,200

i certainly can't offer one

733

00:28:08,710 --> 00:28:06,960

i would love it if ufos if some ufos

734

00:28:09,590 --> 00:28:08,720

were extraterrestrial objects being

735

00:28:11,350 --> 00:28:09,600

piloted by

736

00:28:13,110 --> 00:28:11,360

extraterrestrial beings i think that'd

737

00:28:14,789 --> 00:28:13,120

be the most marvelous discovery

738

00:28:16,149 --> 00:28:14,799

of the history of man i'd love to have

739

00:28:19,830 --> 00:28:16,159

that be true

740

00:28:22,549 --> 00:28:19,840

so i'm not going to say that uh

741

00:28:24,070 --> 00:28:22,559

objects foreign objects artifacts made

742

00:28:25,269 --> 00:28:24,080

by intelligent creatures in the solar

743

00:28:26,470 --> 00:28:25,279

system i'm not going to say that's

744

00:28:29,510 --> 00:28:26,480

preposterous

745

00:28:31,830 --> 00:28:29,520

i'm going to say it is so unusual so

746

00:28:33,510 --> 00:28:31,840

immensely important that i'm not going

747

00:28:35,669 --> 00:28:33,520

to assign anything like any sightings

748

00:28:38,230 --> 00:28:35,679

like this to that phenomenon

749

00:28:38,870 --> 00:28:38,240

without a lot more data insufficient

750

00:28:41,669 --> 00:28:38,880

data

751
00:28:43,430 --> 00:28:41,679
the object remains unidentified for

752
00:28:44,950 --> 00:28:43,440
government officials therefore it is of

753
00:28:47,110 --> 00:28:44,960
no consequence

754
00:28:49,990 --> 00:28:47,120
but for the new york eyewitnesses the

755
00:28:51,750 --> 00:28:50,000
question of what it is remains

756
00:28:53,909 --> 00:28:51,760
they find the government's apparent lack

757
00:28:55,990 --> 00:28:53,919
of interest puzzling

758
00:28:57,510 --> 00:28:56,000
the government didn't come to me as a

759
00:29:00,070 --> 00:28:57,520
rational individual

760
00:29:01,029 --> 00:29:00,080
as an accountant i like concrete things

761
00:29:02,549 --> 00:29:01,039
i like evidence

762
00:29:04,389 --> 00:29:02,559
for them to say that i didn't see

763
00:29:05,750 --> 00:29:04,399

anything without really talking to me

764

00:29:07,590 --> 00:29:05,760

and investigating it

765

00:29:09,029 --> 00:29:07,600

it means that they were trying to hide

766

00:29:10,230 --> 00:29:09,039

something that was my feeling from the

767

00:29:14,070 --> 00:29:10,240

very beginning

768

00:29:15,669 --> 00:29:14,080

they know something okay they know

769

00:29:17,110 --> 00:29:15,679

something either they know that there's

770

00:29:18,950 --> 00:29:17,120

something up there

771

00:29:21,029 --> 00:29:18,960

and they don't they want to investigate

772

00:29:24,149 --> 00:29:21,039

it themselves and don't want

773

00:29:26,149 --> 00:29:24,159

other people trying to handle it or

774

00:29:27,830 --> 00:29:26,159

they're doing something but if they're

775

00:29:30,870 --> 00:29:27,840

doing something then let

776

00:29:33,190 --> 00:29:30,880

people know about it this new york state

777

00:29:33,669 --> 00:29:33,200

event occurred over a densely populated

778

00:29:36,310 --> 00:29:33,679

area

779

00:29:38,149 --> 00:29:36,320

and over a nuclear plant prompting one

780

00:29:38,950 --> 00:29:38,159

eyewitness new york attorney peter

781

00:29:41,669 --> 00:29:38,960

gerstin

782

00:29:43,110 --> 00:29:41,679

to suspect a government cover-up with

783

00:29:45,350 --> 00:29:43,120

others like larry fossett

784

00:29:46,470 --> 00:29:45,360

a police officer in coventry connecticut

785

00:29:49,510 --> 00:29:46,480

he helped establish

786

00:29:51,430 --> 00:29:49,520

citizens against ufo secrecy

787

00:29:53,430 --> 00:29:51,440

fawcett who says the way he views the

788

00:29:56,470 --> 00:29:53,440

world has been drastically affected by

789

00:29:57,750 --> 00:29:56,480

his sightings of the ufo in 1965

790

00:30:00,470 --> 00:29:57,760

petitioned the government for the

791

00:30:02,230 --> 00:30:00,480

release of ufo-related documents

792

00:30:03,750 --> 00:30:02,240

these documents released under the

793

00:30:05,430 --> 00:30:03,760

freedom of information act were

794

00:30:07,590 --> 00:30:05,440

previously classified

795

00:30:09,430 --> 00:30:07,600

top secret example of some of the

796

00:30:11,430 --> 00:30:09,440

government documents we have

797

00:30:14,230 --> 00:30:11,440

obtained are the overflights over the

798

00:30:16,789 --> 00:30:14,240

military bases in 1975

799

00:30:17,510 --> 00:30:16,799

over worksmith air force base in

800

00:30:20,149 --> 00:30:17,520

michigan

801
00:30:22,149 --> 00:30:20,159
over malmstrom air force base in montana

802
00:30:24,630 --> 00:30:22,159
loring air force base in maine

803
00:30:26,389 --> 00:30:24,640
midnight air force base in north dakota

804
00:30:29,750 --> 00:30:26,399
over a period of six

805
00:30:30,470 --> 00:30:29,760
weeks unusual unknown unidentified

806
00:30:33,750 --> 00:30:30,480
objects

807
00:30:36,630 --> 00:30:33,760
were traveling at exceedingly quick

808
00:30:37,590 --> 00:30:36,640
and fast speeds what's interesting is

809
00:30:40,070 --> 00:30:37,600
that

810
00:30:41,430 --> 00:30:40,080
even to this date the government has not

811
00:30:42,789 --> 00:30:41,440
acknowledged that it was able to

812
00:30:46,230 --> 00:30:42,799
identify any of those

813
00:30:47,990 --> 00:30:46,240

objects the documents do state

814

00:30:50,510 --> 00:30:48,000

that there were confirmed sightings at

815

00:30:52,470 --> 00:30:50,520

all four bases in october and november

816

00:30:54,070 --> 00:30:52,480

1975.

817

00:30:55,830 --> 00:30:54,080

the first sighting was at lauren air

818

00:30:57,909 --> 00:30:55,840

force base in maine

819

00:31:02,070 --> 00:30:57,919

loring like the other bases was a

820

00:31:05,269 --> 00:31:04,230

the documents do not state however that

821

00:31:08,870 --> 00:31:05,279

these objects were

822

00:31:11,990 --> 00:31:08,880

alien spacecraft they do state

823

00:31:15,110 --> 00:31:12,000

that the military reaction was swift and

824

00:31:19,190 --> 00:31:17,430

at lauren there were two separate events

825

00:31:24,340 --> 00:31:19,200

something unidentified appeared in the

826

00:31:27,430 --> 00:31:25,909

[Music]

827

00:31:29,029 --> 00:31:27,440

larry fawcett having learned of the

828

00:31:31,830 --> 00:31:29,039

event in the release documents

829

00:31:33,830 --> 00:31:31,840

investigated military people and guards

830

00:31:36,149 --> 00:31:33,840

in and around the weapons storage areas

831

00:31:38,630 --> 00:31:36,159

began to report lights

832

00:31:40,950 --> 00:31:38,640

hovering or landing within the weapons

833

00:31:43,110 --> 00:31:40,960

storage areas

834

00:31:45,110 --> 00:31:43,120

people would military people would

835

00:31:46,230 --> 00:31:45,120

respond to the area only to see the

836

00:31:47,750 --> 00:31:46,240

lights go out

837

00:31:49,509 --> 00:31:47,760

and the object disappear and then

838

00:31:52,710 --> 00:31:49,519

reappear over the runway

839

00:31:54,389 --> 00:31:52,720

it's described as football shaped

840

00:31:57,029 --> 00:31:54,399

the length of maybe two or three

841

00:31:58,950 --> 00:31:57,039

vehicles cars if you will

842

00:32:00,630 --> 00:31:58,960

the witness telling us that there are

843

00:32:02,710 --> 00:32:00,640

shimmerings of heat

844

00:32:04,710 --> 00:32:02,720

as you would see off a desert scene in a

845

00:32:05,990 --> 00:32:04,720

movie uh when we questioned the

846

00:32:07,269 --> 00:32:06,000

individual could it have been an

847

00:32:08,470 --> 00:32:07,279

aircraft could it have been in

848

00:32:10,389 --> 00:32:08,480

helicopter

849

00:32:12,070 --> 00:32:10,399

the military person and i'll give you

850

00:32:13,909 --> 00:32:12,080

his name steve eichner

851
00:32:15,509 --> 00:32:13,919
telling us no i know what helicopters

852
00:32:17,110 --> 00:32:15,519
look like i've been around aircraft i

853
00:32:18,549 --> 00:32:17,120
work on aircraft this is something i've

854
00:32:20,710 --> 00:32:18,559
never seen before

855
00:32:22,950 --> 00:32:20,720
the official records which i quote in my

856
00:32:24,630 --> 00:32:22,960
book indicate that on the first night

857
00:32:26,549 --> 00:32:24,640
it certainly was a helicopter it was

858
00:32:29,909 --> 00:32:26,559
described as a helicopter

859
00:32:32,470 --> 00:32:29,919
now if the officers on the base

860
00:32:35,430 --> 00:32:32,480
experienced pilots if they don't know a

861
00:32:38,789 --> 00:32:35,440
helicopter and we have to depend on some

862
00:32:41,750 --> 00:32:38,799
gi who's not a pilot who comes forward

863
00:32:43,590 --> 00:32:41,760

not at the time but years later he

864

00:32:45,350 --> 00:32:43,600

claims to have been there and claimed it

865

00:32:48,470 --> 00:32:45,360

was not a helicopter

866

00:32:50,630 --> 00:32:48,480

again let's go on the official records

867

00:32:52,710 --> 00:32:50,640

it is the official records that fawcett

868

00:32:54,389 --> 00:32:52,720

uses to substantiate his claim

869

00:32:55,990 --> 00:32:54,399

that helicopters could not be the

870

00:32:58,389 --> 00:32:56,000

explanation the military

871

00:32:59,190 --> 00:32:58,399

response at all four bases he says was

872

00:33:01,190 --> 00:32:59,200

too dramatic

873

00:33:02,710 --> 00:33:01,200

we from our documentation we know of

874

00:33:05,269 --> 00:33:02,720

pursuits that occurred

875

00:33:07,110 --> 00:33:05,279

uh scrambling of aircraft from warring

876

00:33:08,470 --> 00:33:07,120

air force base and the chases went up

877

00:33:11,190 --> 00:33:08,480

into the canadian

878

00:33:12,789 --> 00:33:11,200

territory if you will only to be lost

879

00:33:13,909 --> 00:33:12,799

around new brunswick somewhere up in

880

00:33:14,710 --> 00:33:13,919

that area

881

00:33:17,590 --> 00:33:14,720

there's no question there were

882

00:33:19,350 --> 00:33:17,600

overflights of unknowns

883

00:33:20,950 --> 00:33:19,360

sometimes referred to as helicopters but

884

00:33:23,110 --> 00:33:20,960

if you talk till the people read the

885

00:33:25,269 --> 00:33:23,120

official government statements

886

00:33:27,190 --> 00:33:25,279

it's clear that they were concerned that

887

00:33:28,070 --> 00:33:27,200

there were scrambles of jets to go after

888

00:33:29,669 --> 00:33:28,080

these things

889

00:33:32,070 --> 00:33:29,679

that they were being observed by highly

890

00:33:34,470 --> 00:33:32,080

qualified people

891

00:33:35,909 --> 00:33:34,480

we were lied to flat out about those

892

00:33:37,990 --> 00:33:35,919

cases as a matter of fact some of the

893

00:33:39,110 --> 00:33:38,000

documents we eventually got

894

00:33:41,590 --> 00:33:39,120

clearly indicated that there were

895

00:33:43,990 --> 00:33:41,600

instructions to local based commanders

896

00:33:45,430 --> 00:33:44,000

don't say anything about the sightings

897

00:33:47,350 --> 00:33:45,440

at the other bases

898

00:33:48,870 --> 00:33:47,360

make it appear to be an isolated

899

00:33:50,870 --> 00:33:48,880

instance

900

00:33:52,070 --> 00:33:50,880

military authorities will not comment on

901
00:33:54,389 --> 00:33:52,080
the 1975

902
00:33:55,909 --> 00:33:54,399
overflights they simply state that at

903
00:33:57,509 --> 00:33:55,919
any sac installation

904
00:33:59,350 --> 00:33:57,519
there would always be an immediate

905
00:34:02,310 --> 00:33:59,360
defensive response to anything

906
00:34:02,789 --> 00:34:02,320
unknown putting planes in the air they

907
00:34:05,029 --> 00:34:02,799
say

908
00:34:06,950 --> 00:34:05,039
does not confirm a penetration of an

909
00:34:09,589 --> 00:34:06,960
intergalactic crap

910
00:34:11,510 --> 00:34:09,599
citizens against ufo secrecy however

911
00:34:13,589 --> 00:34:11,520
refer to other documents they've gotten

912
00:34:14,310 --> 00:34:13,599
released by the pentagon to prove their

913
00:34:17,829 --> 00:34:14,320

claims

914

00:34:20,389 --> 00:34:17,839

in may of 1985 we've

915

00:34:22,710 --> 00:34:20,399

gotten a document that was classified

916

00:34:26,149 --> 00:34:22,720

top secret in 1948

917

00:34:28,310 --> 00:34:26,159

and about a month after its

918

00:34:29,829 --> 00:34:28,320

its release to the other agencies its

919

00:34:31,669 --> 00:34:29,839

distribution it was ordered

920

00:34:34,149 --> 00:34:31,679

recalled and destroyed each and every

921

00:34:35,589 --> 00:34:34,159

copy one copy was kept and it has

922

00:34:37,990 --> 00:34:35,599

remained top secret

923

00:34:39,510 --> 00:34:38,000

classified top secret for the last what

924

00:34:41,109 --> 00:34:39,520

is it 40 years almost

925

00:34:43,990 --> 00:34:41,119

and in the document the government

926
00:34:45,750 --> 00:34:44,000
acknowledges back in 1948 the existence

927
00:34:47,829 --> 00:34:45,760
and reality of the objects

928
00:34:49,669 --> 00:34:47,839
the official military position about any

929
00:34:50,869 --> 00:34:49,679
document issued before the project blue

930
00:34:53,109 --> 00:34:50,879
book investigation

931
00:34:53,909 --> 00:34:53,119
is that blue book later explained them

932
00:34:55,589 --> 00:34:53,919
this includes

933
00:34:57,750 --> 00:34:55,599
a startling document written by a

934
00:35:00,630 --> 00:34:57,760
canadian wilbert smith

935
00:35:01,990 --> 00:35:00,640
stated flat out in his top secret memo

936
00:35:04,230 --> 00:35:02,000
and i think it was declassified by

937
00:35:06,069 --> 00:35:04,240
mistake frankly that this is the most

938
00:35:07,910 --> 00:35:06,079

classified subject in the united states

939

00:35:11,829 --> 00:35:07,920

even more so than the h-bomb

940

00:35:13,910 --> 00:35:11,839

and that flat out flying saucers exist

941

00:35:15,190 --> 00:35:13,920

this is the opinion of one man a

942

00:35:18,600 --> 00:35:15,200

canadian officer

943

00:35:25,030 --> 00:35:22,630

[Music]

944

00:35:26,150 --> 00:35:25,040

for proof that flying saucers do exist

945

00:35:28,069 --> 00:35:26,160

some critics demand

946

00:35:30,150 --> 00:35:28,079

more than just the accounts of those who

947

00:35:33,349 --> 00:35:30,160

have had close encounters of the first

948

00:35:35,349 --> 00:35:33,359

kind visual sightings even when first

949

00:35:37,349 --> 00:35:35,359

kind encounters are reinforced by

950

00:35:39,670 --> 00:35:37,359

photographs they fail to satisfy the

951
00:35:41,349 --> 00:35:39,680
need for physical evidence

952
00:35:44,069 --> 00:35:41,359
this woman claims that she has had a

953
00:35:46,710 --> 00:35:44,079
close encounter of the second kind

954
00:35:49,430 --> 00:35:46,720
a second kind encounter is defined by

955
00:35:51,430 --> 00:35:49,440
its having physical evidence

956
00:35:53,750 --> 00:35:51,440
vicki landrum along with her grandson

957
00:35:55,750 --> 00:35:53,760
kobe lee alleges that they along with

958
00:35:57,270 --> 00:35:55,760
betty cash were on their way home from a

959
00:35:59,990 --> 00:35:57,280
bingo game when they encountered

960
00:36:04,790 --> 00:36:00,000
something they had never seen before

961
00:36:06,950 --> 00:36:04,800
[Music]

962
00:36:07,829 --> 00:36:06,960
the alleged event took place on december

963
00:36:11,589 --> 00:36:07,839

28th

964

00:36:13,550 --> 00:36:11,599

1980 vicky and colby

965

00:36:15,510 --> 00:36:13,560

were driving in betty's car on highway

966

00:36:18,710 --> 00:36:15,520

1485

967

00:36:20,870 --> 00:36:18,720

30 miles from the houston airport and

968

00:36:24,550 --> 00:36:20,880

only 37 miles from nasa's

969

00:36:28,069 --> 00:36:24,560

american space headquarters kobe lee

970

00:36:30,950 --> 00:36:28,079

saw a light and uh he kept

971

00:36:33,589 --> 00:36:30,960

asking us what the light was and he kept

972

00:36:35,829 --> 00:36:33,599

pulling my face around and asking me

973

00:36:36,950 --> 00:36:35,839

mama what is it and i said honey i don't

974

00:36:40,470 --> 00:36:36,960

know

975

00:36:42,230 --> 00:36:40,480

and uh um but he said i believe it's

976
00:36:43,430 --> 00:36:42,240
getting closer and i says well it kind

977
00:36:45,510 --> 00:36:43,440
of looks like it

978
00:36:46,870 --> 00:36:45,520
but we had no idea that we were going to

979
00:36:50,230 --> 00:36:46,880
get hurt

980
00:36:53,190 --> 00:36:50,240
i would say within an instant of soul

981
00:36:54,390 --> 00:36:53,200
all of us noticed it because it lit up

982
00:36:56,470 --> 00:36:54,400
the entire sky

983
00:36:58,470 --> 00:36:56,480
there was no way you could have missed

984
00:36:59,750 --> 00:36:58,480
it it looked like the woods were being

985
00:37:03,190 --> 00:36:59,760
set on fire

986
00:37:06,710 --> 00:37:03,200
and uh uh

987
00:37:09,589 --> 00:37:06,720
inside the car it was so hot

988
00:37:14,470 --> 00:37:09,599

to my handprint is yet on the dashboard

989

00:37:19,030 --> 00:37:16,630

they got out on their side of the car i

990

00:37:21,750 --> 00:37:19,040

stepped out on mine

991

00:37:22,710 --> 00:37:21,760

i stood behind the corridor for just a

992

00:37:24,390 --> 00:37:22,720

second or so

993

00:37:26,150 --> 00:37:24,400

and i walked toward the front of the

994

00:37:30,630 --> 00:37:26,160

automobile

995

00:37:34,950 --> 00:37:30,640

i stood there for just a short time

996

00:37:38,550 --> 00:37:34,960

i don't know how long trying to see

997

00:37:39,349 --> 00:37:38,560

what i could figure this object out to

998

00:37:42,790 --> 00:37:39,359

be

999

00:37:44,150 --> 00:37:42,800

it was diamond shaped it didn't mean it

1000

00:37:46,470 --> 00:37:44,160

was sharp up here

1001
00:37:48,790 --> 00:37:46,480
and short down here it was kind of round

1002
00:37:52,790 --> 00:37:48,800
and the fire come out the bottom of it

1003
00:37:56,150 --> 00:37:52,800
but here was this huge object

1004
00:37:56,950 --> 00:37:56,160
and flame shooting from it and they

1005
00:37:59,990 --> 00:37:56,960
weren't just

1006
00:38:03,109 --> 00:38:00,000
small flames they were

1007
00:38:04,310 --> 00:38:03,119
gushing from it and kobe was hanging on

1008
00:38:07,030 --> 00:38:04,320
to me

1009
00:38:08,230 --> 00:38:07,040
and i he was trying to get uh he started

1010
00:38:10,069 --> 00:38:08,240
pulling away from me

1011
00:38:11,829 --> 00:38:10,079
and i pushed him back in the car and i

1012
00:38:13,670 --> 00:38:11,839
got inside the car

1013
00:38:15,750 --> 00:38:13,680

and put my arm around him and hugged him

1014

00:38:19,190 --> 00:38:15,760

up real close to me

1015

00:38:23,829 --> 00:38:19,200

we thought it was the end of time

1016

00:38:29,190 --> 00:38:23,839

i says uh um kobe don't be afraid

1017

00:38:31,510 --> 00:38:29,200

i said if you see a man it'll be jesus

1018

00:38:32,550 --> 00:38:31,520

and i said he or come to carry us to a

1019

00:38:35,430 --> 00:38:32,560

better place

1020

00:38:37,349 --> 00:38:35,440

he will not hurt you it was just burning

1021

00:38:38,790 --> 00:38:37,359

it was just too much heat i could not

1022

00:38:40,870 --> 00:38:38,800

tolerate it

1023

00:38:42,550 --> 00:38:40,880

so vicki screamed and begged for me to

1024

00:38:44,870 --> 00:38:42,560

get back in the car

1025

00:38:46,390 --> 00:38:44,880

well i did but i had to use the end of

1026

00:38:48,790 --> 00:38:46,400

my leather jacket

1027

00:38:51,430 --> 00:38:48,800

in order to open my car door to get back

1028

00:38:54,470 --> 00:38:51,440

in that's just how hot it was

1029

00:38:57,109 --> 00:38:54,480

and when the object lifted and

1030

00:38:57,670 --> 00:38:57,119

slowly moved over to the right of us her

1031

00:39:01,109 --> 00:38:57,680

and

1032

00:39:02,310 --> 00:39:01,119

kobe saw some helicopters there were so

1033

00:39:06,150 --> 00:39:02,320

many of them it

1034

00:39:09,829 --> 00:39:06,160

sounded like a tornado and we counted

1035

00:39:11,750 --> 00:39:09,839

23 i counted 22 really but kobe said

1036

00:39:14,790 --> 00:39:11,760

there's one more

1037

00:39:17,589 --> 00:39:14,800

and i said yeah baby that makes 23. and

1038

00:39:21,270 --> 00:39:17,599

they were helicopters on both sides

1039

00:39:23,589 --> 00:39:21,280

and also over the top

1040

00:39:25,109 --> 00:39:23,599

of the object or like they were trying

1041

00:39:27,109 --> 00:39:25,119

to hem it in

1042

00:39:28,310 --> 00:39:27,119

the only apparent proof the women have

1043

00:39:30,230 --> 00:39:28,320

for what happened to them

1044

00:39:31,990 --> 00:39:30,240

is the illness they claim they suffered

1045

00:39:34,150 --> 00:39:32,000

as a result of the encounter

1046

00:39:36,310 --> 00:39:34,160

it is the record of these illnesses that

1047

00:39:36,870 --> 00:39:36,320

made this an encounter of the second

1048

00:39:40,710 --> 00:39:36,880

kind

1049

00:39:44,150 --> 00:39:40,720

my eyes were burned so till they

1050

00:39:45,829 --> 00:39:44,160

would swell and they were tearing till i

1051

00:39:47,589 --> 00:39:45,839

could lay down at night and the next

1052

00:39:48,790 --> 00:39:47,599

morning my pillow would be completely

1053

00:39:51,670 --> 00:39:48,800

wet

1054

00:39:52,950 --> 00:39:51,680

and i couldn't i couldn't hardly see

1055

00:39:55,270 --> 00:39:52,960

anything

1056

00:39:57,190 --> 00:39:55,280

vicki was treated for burns and she and

1057

00:39:58,150 --> 00:39:57,200

kolbe lee suffered long periods of

1058

00:40:00,310 --> 00:39:58,160

nausea

1059

00:40:01,349 --> 00:40:00,320

betty cash was hospitalized immediately

1060

00:40:03,349 --> 00:40:01,359

after the event

1061

00:40:05,750 --> 00:40:03,359

she suffered severe hair loss and was

1062

00:40:07,829 --> 00:40:05,760

also treated for burns and nausea

1063

00:40:08,870 --> 00:40:07,839

since then she has been hospitalized

1064

00:40:11,190 --> 00:40:08,880

several times

1065

00:40:13,349 --> 00:40:11,200

it was the first time that i went into

1066

00:40:17,510 --> 00:40:13,359

the hospital they were treating us

1067

00:40:19,270 --> 00:40:17,520

as burns but then after they found out

1068

00:40:22,150 --> 00:40:19,280

really what had happened

1069

00:40:25,030 --> 00:40:22,160

then they started treating us as

1070

00:40:28,950 --> 00:40:25,040

radioactive burns

1071

00:40:30,550 --> 00:40:28,960

and since i have had cancer

1072

00:40:32,470 --> 00:40:30,560

betty's hospital records do not

1073

00:40:34,550 --> 00:40:32,480

explicitly state that she was treated

1074

00:40:36,870 --> 00:40:34,560

for radioactive burns

1075

00:40:37,990 --> 00:40:36,880

they do state however that she exhibited

1076

00:40:40,309 --> 00:40:38,000

the symptoms similar

1077

00:40:41,510 --> 00:40:40,319

to someone who might have been exposed

1078

00:40:44,069 --> 00:40:41,520

to a radioactive

1079

00:40:46,230 --> 00:40:44,079

element betty further maintains that she

1080

00:40:47,589 --> 00:40:46,240

had no cancer history previous to the

1081

00:40:50,150 --> 00:40:47,599

alleged encounter

1082

00:40:52,790 --> 00:40:50,160

her records do confirm however that she

1083

00:40:56,550 --> 00:40:52,800

does now have the disease

1084

00:40:59,990 --> 00:40:56,560

no i'm not well by no means

1085

00:41:03,430 --> 00:41:00,000

i wish i pray that i

1086

00:41:05,030 --> 00:41:03,440

could be with the help of peter gersten

1087

00:41:06,790 --> 00:41:05,040

the new york attorney for citizens

1088

00:41:08,710 --> 00:41:06,800

against ufo secrecy

1089

00:41:11,190 --> 00:41:08,720

the two women have sued the government

1090

00:41:12,309 --> 00:41:11,200

to find out what it was they encountered

1091

00:41:15,030 --> 00:41:12,319

that night

1092

00:41:16,069 --> 00:41:15,040

was it a ufo or an american weapon gone

1093

00:41:19,349 --> 00:41:16,079

awry

1094

00:41:23,510 --> 00:41:19,359

or something else i believe the story is

1095

00:41:26,950 --> 00:41:23,520

a hoax there is absolutely no evidence

1096

00:41:29,670 --> 00:41:26,960

the women's story is supported only

1097

00:41:31,349 --> 00:41:29,680

by the claim of betty cash that she had

1098

00:41:33,510 --> 00:41:31,359

serious health problems

1099

00:41:35,589 --> 00:41:33,520

after the alleged incident from my

1100

00:41:37,109 --> 00:41:35,599

review of the cash land room case

1101
00:41:38,710 --> 00:41:37,119
i would say that there's no question

1102
00:41:39,270 --> 00:41:38,720
that an event took place that those

1103
00:41:40,710 --> 00:41:39,280
people

1104
00:41:43,270 --> 00:41:40,720
were near something that was emitting

1105
00:41:44,390 --> 00:41:43,280
radiation i don't think it was an alien

1106
00:41:45,670 --> 00:41:44,400
spacecraft frankly

1107
00:41:48,230 --> 00:41:45,680
i think it was a nuclear-powered

1108
00:41:49,670 --> 00:41:48,240
aircraft that's why all helicopters

1109
00:41:51,270 --> 00:41:49,680
it's standard practice if there's a

1110
00:41:53,109 --> 00:41:51,280
classified system around

1111
00:41:54,870 --> 00:41:53,119
their guys ready to go there to keep

1112
00:41:58,069 --> 00:41:54,880
somebody else from getting that should

1113
00:42:01,270 --> 00:41:58,079

crash the facts are that

1114

00:42:02,230 --> 00:42:01,280

the u s defense department investigated

1115

00:42:06,390 --> 00:42:02,240

they could not

1116

00:42:08,309 --> 00:42:06,400

locate 22 twin rotor helicopters

1117

00:42:11,109 --> 00:42:08,319

that could possibly have been flying in

1118

00:42:11,510 --> 00:42:11,119

that area and in fact as colonel saran

1119

00:42:13,829 --> 00:42:11,520

who

1120

00:42:15,670 --> 00:42:13,839

made the investigation told me he said

1121

00:42:17,190 --> 00:42:15,680

phil this occurred over the christmas

1122

00:42:19,430 --> 00:42:17,200

new year's holiday

1123

00:42:21,589 --> 00:42:19,440

he said you couldn't get that many

1124

00:42:22,710 --> 00:42:21,599

helicopters you couldn't get a military

1125

00:42:24,950 --> 00:42:22,720

operation

1126

00:42:25,910 --> 00:42:24,960

into the air over the christmas new

1127

00:42:28,630 --> 00:42:25,920

year's holiday

1128

00:42:30,390 --> 00:42:28,640

unless the nation was at war the object

1129

00:42:31,589 --> 00:42:30,400

was there it existed there's no question

1130

00:42:33,109 --> 00:42:31,599

about that

1131

00:42:34,870 --> 00:42:33,119

what's interesting is that for the first

1132

00:42:36,230 --> 00:42:34,880

time the government has suggested

1133

00:42:38,230 --> 00:42:36,240

that it wasn't theirs that it was

1134

00:42:40,069 --> 00:42:38,240

possibly a true ufo

1135

00:42:41,750 --> 00:42:40,079

and nowhere has the government ever ever

1136

00:42:43,910 --> 00:42:41,760

admitted other than this

1137

00:42:46,630 --> 00:42:43,920

basic document that we've gotten from

1138

00:42:50,230 --> 00:42:46,640

1948 that ufos exist

1139

00:42:51,670 --> 00:42:50,240

i love this country and all it stands

1140

00:42:55,670 --> 00:42:51,680

for

1141

00:42:57,829 --> 00:42:55,680

but i wish they would tell us the truth

1142

00:42:59,109 --> 00:42:57,839

if extraterrestrials are coming here

1143

00:43:01,109 --> 00:42:59,119

what do they want

1144

00:43:03,349 --> 00:43:01,119

are they coming here just to observe us

1145

00:43:04,790 --> 00:43:03,359

or are they making actual contact with

1146

00:43:07,030 --> 00:43:04,800

some of us

1147

00:43:09,349 --> 00:43:07,040

contact with an alien is what dr heineck

1148

00:43:11,030 --> 00:43:09,359

calls and what steven spielberg has

1149

00:43:13,829 --> 00:43:11,040

celebrated in the movies

1150

00:43:14,790 --> 00:43:13,839

as a close encounter of the third kind

1151
00:43:17,510 --> 00:43:14,800
charlie hixson

1152
00:43:18,790 --> 00:43:17,520
says he's had such an encounter these

1153
00:43:20,630 --> 00:43:18,800
things evidently they

1154
00:43:21,910 --> 00:43:20,640
they are coming from another world

1155
00:43:23,910 --> 00:43:21,920
somewhere

1156
00:43:25,910 --> 00:43:23,920
uh i don't know what message they have

1157
00:43:27,270 --> 00:43:25,920
for us or what they intend to help us

1158
00:43:30,230 --> 00:43:27,280
but certainly they're not going to harm

1159
00:43:31,910 --> 00:43:30,240
us because they didn't harm me

1160
00:43:34,550 --> 00:43:31,920
charlie hickson's alleged abduction

1161
00:43:36,309 --> 00:43:34,560
aboard a ufo in 1973

1162
00:43:38,790 --> 00:43:36,319
followed the story of betty and barney

1163
00:43:43,190 --> 00:43:38,800

hills abduction in exeter new hampshire

1164

00:43:44,710 --> 00:43:43,200

in 1961 a most recent claim of a close

1165

00:43:46,230 --> 00:43:44,720

encounter of the third kind

1166

00:43:48,790 --> 00:43:46,240

occurred not in the backwaters of

1167

00:43:49,510 --> 00:43:48,800

mississippi but in the heart of new york

1168

00:43:52,950 --> 00:43:49,520

city

1169

00:43:54,550 --> 00:43:52,960

rosemary osnato suddenly i hesitated or

1170

00:43:56,069 --> 00:43:54,560

i couldn't seem to put the key in the

1171

00:43:59,430 --> 00:43:56,079

door

1172

00:44:02,630 --> 00:43:59,440

and i just turned around

1173

00:44:04,390 --> 00:44:02,640

and and wanted to go up to the roof

1174

00:44:05,829 --> 00:44:04,400

and this seemed rather odd because you

1175

00:44:07,430 --> 00:44:05,839

just don't do that in new york you don't

1176

00:44:07,990 --> 00:44:07,440

go up on the roof at one o'clock in the

1177

00:44:10,470 --> 00:44:08,000

morning it's

1178

00:44:11,670 --> 00:44:10,480

just not something you do and yet i was

1179

00:44:14,630 --> 00:44:11,680

doing it

1180

00:44:15,430 --> 00:44:14,640

and it seemed to be a very bright light

1181

00:44:17,510 --> 00:44:15,440

that was

1182

00:44:19,190 --> 00:44:17,520

shining in the hallway and i thought

1183

00:44:22,550 --> 00:44:19,200

this was moonlight at first

1184

00:44:24,309 --> 00:44:22,560

you know and apparently it wasn't

1185

00:44:26,230 --> 00:44:24,319

moonlight because when i got up there

1186

00:44:29,109 --> 00:44:26,240

there was a very bright light

1187

00:44:30,870 --> 00:44:29,119

up on the roof and then it went out for

1188

00:44:33,990 --> 00:44:30,880

a few seconds

1189

00:44:38,390 --> 00:44:34,000

and then it came back on again and i

1190

00:44:41,190 --> 00:44:38,400

was just lifted physically lifted

1191

00:44:41,510 --> 00:44:41,200

in that beam of light when i got into

1192

00:44:49,670 --> 00:44:41,520

the

1193

00:44:53,349 --> 00:44:49,680

led by a group of

1194

00:44:56,950 --> 00:44:53,359

i guess more than one group of grayish

1195

00:44:58,870 --> 00:44:56,960

skinned uh small

1196

00:45:00,790 --> 00:44:58,880

men or women i don't know what they were

1197

00:45:05,589 --> 00:45:00,800

but large

1198

00:45:09,109 --> 00:45:05,599

large eyes um

1199

00:45:13,109 --> 00:45:09,119

sin frail

1200

00:45:14,790 --> 00:45:13,119

and they communicated telepathically

1201
00:45:17,270 --> 00:45:14,800
nineteen-year-old travis walton of

1202
00:45:20,150 --> 00:45:17,280
snowflake arizona claims he encountered

1203
00:45:22,950 --> 00:45:20,160
similar aliens in 1975.

1204
00:45:24,630 --> 00:45:22,960
walton was in his words zapped by a blue

1205
00:45:27,030 --> 00:45:24,640
light when the spaceship appeared

1206
00:45:28,790 --> 00:45:27,040
when he was working in the forest when i

1207
00:45:29,190 --> 00:45:28,800
regained consciousness i was on board of

1208
00:45:32,390 --> 00:45:29,200
this

1209
00:45:35,670 --> 00:45:32,400
uh apparently on board the spacecraft

1210
00:45:38,950 --> 00:45:35,680
and uh i encountered

1211
00:45:40,950 --> 00:45:38,960
two different types of beings the first

1212
00:45:42,230 --> 00:45:40,960
type of creature i saw was about five

1213
00:45:45,030 --> 00:45:42,240

feet tall

1214

00:45:46,230 --> 00:45:45,040

they were very white looking their skin

1215

00:45:49,109 --> 00:45:46,240

was very pale

1216

00:45:50,710 --> 00:45:49,119

and they didn't have any hair on their

1217

00:45:54,470 --> 00:45:50,720

heads and they had enormous

1218

00:45:54,790 --> 00:45:54,480

eyes there was a type of being there

1219

00:45:56,550 --> 00:45:54,800

that

1220

00:45:58,150 --> 00:45:56,560

you know anyone else would consider to

1221

00:46:00,870 --> 00:45:58,160

be look very

1222

00:46:03,270 --> 00:46:00,880

human-like walton was found on a

1223

00:46:04,309 --> 00:46:03,280

roadside five days after he disappeared

1224

00:46:06,710 --> 00:46:04,319

from the forest

1225

00:46:07,910 --> 00:46:06,720

he could however recall only what seemed

1226

00:46:11,430 --> 00:46:07,920

like an hour of time

1227

00:46:13,510 --> 00:46:11,440

past time he claims he spent aboard an

1228

00:46:17,109 --> 00:46:13,520

alien spacecraft

1229

00:46:20,309 --> 00:46:17,119

now 29 he reflects on that experience

1230

00:46:22,950 --> 00:46:20,319

i lost my job uh the you know the the

1231

00:46:23,589 --> 00:46:22,960

the effects were quite negative you know

1232

00:46:25,109 --> 00:46:23,599

time lost

1233

00:46:28,230 --> 00:46:25,119

you know it's a very disturbing thing in

1234

00:46:29,910 --> 00:46:28,240

my life a lot of uh

1235

00:46:31,510 --> 00:46:29,920

publicity really you know this is a kind

1236

00:46:35,109 --> 00:46:31,520

of a stigmatizing thing for

1237

00:46:36,550 --> 00:46:35,119

for people to you know consider you

1238

00:46:38,309 --> 00:46:36,560

you know you know certain percentage of

1239

00:46:40,309 --> 00:46:38,319

people think that you're wacko

1240

00:46:43,190 --> 00:46:40,319

what travis walton and others claim they

1241

00:46:44,950 --> 00:46:43,200

have experienced has according to some

1242

00:46:46,470 --> 00:46:44,960

now been validated by government

1243

00:46:48,150 --> 00:46:46,480

documents

1244

00:46:50,710 --> 00:46:48,160

about to join the literature of third

1245

00:46:52,630 --> 00:46:50,720

kind encounters is the startling tale of

1246

00:46:55,190 --> 00:46:52,640

an alleged landing of a spacecraft

1247

00:46:56,710 --> 00:46:55,200

outside an american air force bait in

1248

00:46:58,470 --> 00:46:56,720

rental from england

1249

00:47:01,109 --> 00:46:58,480

the american military admits they are

1250

00:47:02,710 --> 00:47:01,119

still withholding six documents

1251
00:47:04,550 --> 00:47:02,720
in the bent waters case we have an

1252
00:47:07,190 --> 00:47:04,560
eyewitness which is rare

1253
00:47:08,710 --> 00:47:07,200
we have an audio tape made at the time

1254
00:47:10,710 --> 00:47:08,720
of the actual event

1255
00:47:12,390 --> 00:47:10,720
we have a government document which uh

1256
00:47:13,030 --> 00:47:12,400
corroborates the existence of the

1257
00:47:14,710 --> 00:47:13,040
incident

1258
00:47:16,309 --> 00:47:14,720
the government has no reason to withhold

1259
00:47:18,150 --> 00:47:16,319
the information

1260
00:47:20,630 --> 00:47:18,160
the ufo is said to have crashed in the

1261
00:47:23,270 --> 00:47:20,640
rendelsham forest in an area two miles

1262
00:47:25,270 --> 00:47:23,280
from the american military installation

1263
00:47:27,349 --> 00:47:25,280

released air force documents confirmed

1264

00:47:28,470 --> 00:47:27,359

that military personnel were dispatched

1265

00:47:31,030 --> 00:47:28,480

to the site on the first

1266

00:47:33,510 --> 00:47:31,040

night they reported seeing the lights of

1267

00:47:35,670 --> 00:47:33,520

the mysterious craft

1268

00:47:37,109 --> 00:47:35,680

on the second night after geiger counter

1269

00:47:39,109 --> 00:47:37,119

readings indicated increased

1270

00:47:40,950 --> 00:47:39,119

radioactivity in the area where it

1271

00:47:43,109 --> 00:47:40,960

seemed something could have landed

1272

00:47:44,630 --> 00:47:43,119

the commanding officer of the base

1273

00:47:46,710 --> 00:47:44,640

colonel charles halt

1274

00:47:50,470 --> 00:47:46,720

along with several officers and enlisted

1275

00:47:52,549 --> 00:47:50,480

men also reported seeing the ufo

1276
00:47:54,150 --> 00:47:52,559
halt wrote this document reporting the

1277
00:47:56,069 --> 00:47:54,160
sighting

1278
00:47:57,510 --> 00:47:56,079
it clearly indicated the presence of a

1279
00:48:00,790 --> 00:47:57,520
strange glowing light

1280
00:48:02,870 --> 00:48:00,800
that illuminated the entire forest

1281
00:48:11,190 --> 00:48:02,880
it tells of pulsating red and blue

1282
00:48:18,829 --> 00:48:13,349
colonel halt also made this tape

1283
00:48:18,839 --> 00:48:24,340
incident

1284
00:48:28,549 --> 00:48:26,790
[Applause]

1285
00:48:29,910 --> 00:48:28,559
what colonel halt was describing that

1286
00:48:31,910 --> 00:48:29,920
night some believe

1287
00:48:34,390 --> 00:48:31,920
was the pulsating light emanating from a

1288
00:48:35,670 --> 00:48:34,400

lighthouse five miles away

1289

00:48:37,270 --> 00:48:35,680

those who believe that it could not have

1290

00:48:39,349 --> 00:48:37,280

been the lighthouse quickly point out

1291

00:48:40,790 --> 00:48:39,359

that hulk's report indicates lights of

1292

00:48:42,630 --> 00:48:40,800

different colors

1293

00:48:43,829 --> 00:48:42,640

critics respond that pulsating lights

1294

00:48:46,470 --> 00:48:43,839

can play tricks

1295

00:48:48,069 --> 00:48:46,480

create illusions and the light comes in

1296

00:48:50,549 --> 00:48:48,079

at you at a roughly tree

1297

00:48:51,670 --> 00:48:50,559

level and it turns and it rotates so

1298

00:48:53,589 --> 00:48:51,680

it's flashing on

1299

00:48:55,510 --> 00:48:53,599

and off if you look at the the

1300

00:48:57,670 --> 00:48:55,520

transcripts of the

1301
00:48:59,510 --> 00:48:57,680
taped account of what the colonel and

1302
00:49:00,710 --> 00:48:59,520
his men said that night you'll find they

1303
00:49:03,109 --> 00:49:00,720
were saying such things as

1304
00:49:04,470 --> 00:49:03,119
it's on now it's off it's on it's off if

1305
00:49:06,710 --> 00:49:04,480
i remember correctly

1306
00:49:08,630 --> 00:49:06,720
and that sequencing corresponds

1307
00:49:10,870 --> 00:49:08,640
precisely with what the

1308
00:49:11,990 --> 00:49:10,880
rotational frequency is for the the

1309
00:49:16,390 --> 00:49:12,000
lighthouse

1310
00:49:18,230 --> 00:49:16,400
close encounter of the first kind

1311
00:49:20,870 --> 00:49:18,240
one of the close encounter of the third

1312
00:49:22,630 --> 00:49:20,880
kind the story told later by several

1313
00:49:25,670 --> 00:49:22,640

american enlisted men

1314

00:49:27,190 --> 00:49:25,680

the story they say they were ordered not

1315

00:49:29,190 --> 00:49:27,200

to tell

1316

00:49:31,589 --> 00:49:29,200

afraid to reveal his identity one of

1317

00:49:33,829 --> 00:49:31,599

them talks about the alleged encounter

1318

00:49:35,750 --> 00:49:33,839

the senior officers seemed very calm

1319

00:49:37,910 --> 00:49:35,760

with it

1320

00:49:39,750 --> 00:49:37,920

and they thought the lower ranking

1321

00:49:41,030 --> 00:49:39,760

people like myself

1322

00:49:44,230 --> 00:49:41,040

didn't know what to make of it and

1323

00:49:44,950 --> 00:49:44,240

almost maybe shock had set in because we

1324

00:49:47,349 --> 00:49:44,960

were very

1325

00:49:49,270 --> 00:49:47,359

apt to listen to what we were told to do

1326
00:49:51,270 --> 00:49:49,280
i know conversation took place between

1327
00:49:51,910 --> 00:49:51,280
our base commander and individuals that

1328
00:49:55,109 --> 00:49:51,920
were in the

1329
00:49:57,990 --> 00:49:55,119
craft our base commander at that time

1330
00:49:59,990 --> 00:49:58,000
apparently even shook one of their hands

1331
00:50:03,190 --> 00:50:00,000
something tells me at that time they had

1332
00:50:05,829 --> 00:50:03,200
difficulty with the craft and we

1333
00:50:07,589 --> 00:50:05,839
even gave them help in repairing the

1334
00:50:09,349 --> 00:50:07,599
craft

1335
00:50:11,349 --> 00:50:09,359
the lighthouse explanation for colonel

1336
00:50:13,430 --> 00:50:11,359
halt's report cannot explain away the

1337
00:50:15,109 --> 00:50:13,440
account of the alleged landing and third

1338
00:50:17,349 --> 00:50:15,119

kind encounter

1339

00:50:19,349 --> 00:50:17,359

and so far nothing in the released

1340

00:50:20,790 --> 00:50:19,359

government documents confirms such an

1341

00:50:22,390 --> 00:50:20,800

encounter

1342

00:50:24,150 --> 00:50:22,400

there are six documents that the

1343

00:50:25,670 --> 00:50:24,160

government is withholding concerning the

1344

00:50:27,109 --> 00:50:25,680

incident in bent waters

1345

00:50:28,710 --> 00:50:27,119

i want to know why they're withholding

1346

00:50:30,390 --> 00:50:28,720

that information they do not have a

1347

00:50:32,069 --> 00:50:30,400

right to withhold that information

1348

00:50:34,390 --> 00:50:32,079

and i want to know what that information

1349

00:50:35,109 --> 00:50:34,400

is the government will not release the

1350

00:50:37,829 --> 00:50:35,119

documents

1351
00:50:40,230 --> 00:50:37,839
for national security reasons citizens

1352
00:50:42,230 --> 00:50:40,240
against ufo secrecy maintain

1353
00:50:43,270 --> 00:50:42,240
that the government uses national

1354
00:50:45,430 --> 00:50:43,280
security

1355
00:50:46,710 --> 00:50:45,440
as a cover for withholding ufo-related

1356
00:50:48,630 --> 00:50:46,720
material

1357
00:50:50,390 --> 00:50:48,640
recently they sued for release of a

1358
00:50:51,190 --> 00:50:50,400
document from the national security

1359
00:50:53,589 --> 00:50:51,200
agency

1360
00:50:54,870 --> 00:50:53,599
when they got it it looked like this

1361
00:50:57,349 --> 00:50:54,880
when you go through it all

1362
00:50:59,349 --> 00:50:57,359
and somebody actually added up the

1363
00:51:01,109 --> 00:50:59,359

percentage of the paper

1364

00:51:02,390 --> 00:51:01,119

more than three quarters of this

1365

00:51:06,230 --> 00:51:02,400

document

1366

00:51:09,510 --> 00:51:06,240

isn't there it means quite clearly

1367

00:51:10,230 --> 00:51:09,520

that there is a cover-up anybody who

1368

00:51:11,670 --> 00:51:10,240

says

1369

00:51:13,030 --> 00:51:11,680

the government isn't holding anything

1370

00:51:14,549 --> 00:51:13,040

back has to say well except for that

1371

00:51:17,430 --> 00:51:14,559

stuff they won't release

1372

00:51:17,829 --> 00:51:17,440

i mean this is a ufo document it tells

1373

00:51:21,270 --> 00:51:17,839

about

1374

00:51:23,349 --> 00:51:21,280

one hand

1375

00:51:25,589 --> 00:51:23,359

we the government is still saying ufos

1376

00:51:27,910 --> 00:51:25,599

don't exist now if ufos don't exist how

1377

00:51:29,829 --> 00:51:27,920

can they affect national security

1378

00:51:32,230 --> 00:51:29,839

the government maintains that what is in

1379

00:51:34,390 --> 00:51:32,240

the censored and unreleased documents

1380

00:51:36,710 --> 00:51:34,400

is information that does not support the

1381

00:51:38,549 --> 00:51:36,720

existence of extraterrestrials

1382

00:51:39,910 --> 00:51:38,559

but rather information that if released

1383

00:51:42,069 --> 00:51:39,920

would compromise our own

1384

00:51:44,069 --> 00:51:42,079

intelligence network much of the

1385

00:51:45,430 --> 00:51:44,079

information in those ufo documents the

1386

00:51:47,430 --> 00:51:45,440

government claims

1387

00:51:50,069 --> 00:51:47,440

has to do with how we intercept and

1388

00:51:51,270 --> 00:51:50,079

decode soviet blocked messages to

1389

00:51:54,069 --> 00:51:51,280

release them

1390

00:51:55,910 --> 00:51:54,079

would reveal to the soviets and other

1391

00:51:58,390 --> 00:51:55,920

potential enemies

1392

00:52:00,150 --> 00:51:58,400

where we have listening stations my

1393

00:52:02,630 --> 00:52:00,160

goodness the russians might discover

1394

00:52:03,270 --> 00:52:02,640

might discover that we have a listening

1395

00:52:06,150 --> 00:52:03,280

station

1396

00:52:09,349 --> 00:52:06,160

in leningrad as an example that we had

1397

00:52:11,910 --> 00:52:09,359

intercepted some communications there

1398

00:52:14,150 --> 00:52:11,920

more important it would reveal that we

1399

00:52:17,510 --> 00:52:14,160

were able to decode

1400

00:52:18,950 --> 00:52:17,520

soviet coded messages

1401
00:52:20,309 --> 00:52:18,960
there are three basic reasons why the

1402
00:52:22,230 --> 00:52:20,319
government does not come forward and

1403
00:52:23,510 --> 00:52:22,240
release the information it has in ufos

1404
00:52:25,270 --> 00:52:23,520
the first reason is

1405
00:52:27,270 --> 00:52:25,280
technology is trying to learn as much

1406
00:52:30,150 --> 00:52:27,280
about the objects before the russians

1407
00:52:31,510 --> 00:52:30,160
the second reason is the vulnerability

1408
00:52:34,150 --> 00:52:31,520
that could be shown

1409
00:52:35,990 --> 00:52:34,160
by the revelations that might be

1410
00:52:37,910 --> 00:52:36,000
forthcoming concerning ufos

1411
00:52:39,670 --> 00:52:37,920
and the third reason is the hysteria

1412
00:52:43,390 --> 00:52:39,680
that might be caused by the release of

1413
00:52:48,790 --> 00:52:45,430

[Music]

1414

00:52:50,870 --> 00:52:48,800

are these spaceships from other worlds

1415

00:52:52,549 --> 00:52:50,880

are we being visited by intergalactic

1416

00:52:55,270 --> 00:52:52,559

aliens with the technology and

1417

00:52:57,990 --> 00:52:55,280

civilization that dwarfs ours

1418

00:53:00,230 --> 00:52:58,000

most scientists say no they are not

1419

00:53:02,950 --> 00:53:00,240

because they cannot

1420

00:53:05,109 --> 00:53:02,960

ufo proponents say they are that our

1421

00:53:05,910 --> 00:53:05,119

myopia prevents us from seeing life

1422

00:53:08,630 --> 00:53:05,920

elsewhere

1423

00:53:10,309 --> 00:53:08,640

as being different from ours i think

1424

00:53:12,150 --> 00:53:10,319

it's one should also point out as

1425

00:53:13,430 --> 00:53:12,160

arthur c clarke has said that when we

1426
00:53:14,870 --> 00:53:13,440
look for life elsewhere we should not

1427
00:53:16,549 --> 00:53:14,880
look only for life as we know

1428
00:53:18,150 --> 00:53:16,559
but life is we don't know and he went so

1429
00:53:19,430 --> 00:53:18,160
far as to say we should even look for

1430
00:53:20,770 --> 00:53:19,440
life as we can't

1431
00:53:23,829 --> 00:53:20,780
understand it

1432
00:53:25,589 --> 00:53:23,839
[Music]

1433
00:53:27,510 --> 00:53:25,599
we are now only beginning to free

1434
00:53:29,750 --> 00:53:27,520
ourselves from the gravity that binds us

1435
00:53:32,309 --> 00:53:29,760
to our own planet

1436
00:53:33,510 --> 00:53:32,319
a new generation of americans those born

1437
00:53:36,549 --> 00:53:33,520
in the space age

1438
00:53:38,549 --> 00:53:36,559

demand new answers to old questions

1439

00:53:40,790 --> 00:53:38,559

more receptive to the possibilities they

1440

00:53:43,030 --> 00:53:40,800

want to know are we being visited by

1441

00:53:44,870 --> 00:53:43,040

intergalactic travelers

1442

00:53:47,030 --> 00:53:44,880

they have joined their voices to others

1443

00:53:49,510 --> 00:53:47,040

asking what's going on

1444

00:53:51,190 --> 00:53:49,520

is there a government cover-up do the

1445

00:53:53,990 --> 00:53:51,200

unreleased documents contain

1446

00:53:55,910 --> 00:53:54,000

evidence that proves that ufos over our

1447

00:53:56,710 --> 00:53:55,920

nuclear plants and air bases are

1448

00:53:59,510 --> 00:53:56,720

actually from

1449

00:54:00,950 --> 00:53:59,520

other worlds or are they from earthly

1450

00:54:02,950 --> 00:54:00,960

neighbors

1451
00:54:04,710 --> 00:54:02,960
most scientists agree that there is life

1452
00:54:06,069 --> 00:54:04,720
in the universe but that it cannot

1453
00:54:07,910 --> 00:54:06,079
travel here

1454
00:54:10,630 --> 00:54:07,920
they hope only to communicate with that

1455
00:54:12,069 --> 00:54:10,640
life with giant radio telescopes

1456
00:54:13,990 --> 00:54:12,079
these scientists believe that what is

1457
00:54:16,710 --> 00:54:14,000
being hidden in the government documents

1458
00:54:18,790 --> 00:54:16,720
is probably not secrets of other worlds

1459
00:54:20,470 --> 00:54:18,800
but the secrets of an earthbound cold

1460
00:54:23,510 --> 00:54:20,480
war

1461
00:54:40,150 --> 00:54:23,520
either way we want to know
