[Music]

2  
00:00:35,610 --> 00:00:32,480  
in the beginning

3  
00:00:39,510 --> 00:00:35,620  
god created the heavens and the earth

4  
00:00:42,150 --> 00:00:39,520  
[Music]

5  
00:00:43,190 --> 00:00:42,160  
and i looked and behold a whirlwind came

6  
00:00:45,750 --> 00:00:43,200  
out of the north

7  
00:00:46,470 --> 00:00:45,760  
a great cloud and the fire enfolding

8  
00:00:48,229 --> 00:00:46,480  
itself

9  
00:00:50,069 --> 00:00:48,239  
and the brightness was about it and out

10  
00:00:50,790 --> 00:00:50,079  
of the midst thereof as the color of

11  
00:00:53,110 --> 00:00:50,800  
amber

12  
00:00:53,910 --> 00:00:53,120  
out of the midst of the fire came the

13  
00:00:56,869 --> 00:00:53,920

likeness of

14

00:00:57,430 --> 00:00:56,879

four living creatures and this was their

15

00:01:00,549 --> 00:00:57,440

appearance

16

00:01:03,670 --> 00:01:00,559

they had the likeness of a man

17

00:01:06,469 --> 00:01:03,680

and everyone had four faces and everyone

18

00:01:07,670 --> 00:01:06,479

had four wings and their feet were

19

00:01:09,510 --> 00:01:07,680

straight feet

20

00:01:11,109 --> 00:01:09,520

and the sole of their feet was like the

21

00:01:12,789 --> 00:01:11,119

sole of a calf's foot

22

00:01:14,230 --> 00:01:12,799

and they sparkled like the color of

23

00:01:16,310 --> 00:01:14,240

burnished brass

24

00:01:17,670 --> 00:01:16,320

and they had the hands of a man under

25

00:01:20,390 --> 00:01:17,680

their wings

26

00:01:21,429 --> 00:01:20,400

now as i beheld the living creatures

27

00:01:26,250 --> 00:01:21,439

behold

28

00:01:29,670 --> 00:01:26,260

one wheel upon the earth

29

00:01:31,830 --> 00:01:29,680

[Music]

30

00:01:34,230 --> 00:01:31,840

in an infinite universe with an infinite

31

00:01:36,469 --> 00:01:34,240

capacity for life we dwell in a remote

32

00:01:37,749 --> 00:01:36,479

region of a single galaxy containing a

33

00:01:40,310 --> 00:01:37,759

billion stars

34

00:01:41,270 --> 00:01:40,320

upon a small water-laden planet we call

35

00:01:42,870 --> 00:01:41,280

earth

36

00:01:44,950 --> 00:01:42,880

life forms have come and gone on this

37

00:01:46,230 --> 00:01:44,960

planet the human race has been here only

38

00:01:47,910 --> 00:01:46,240

a million years

39

00:01:49,830 --> 00:01:47,920

over this period of time we have become

40

00:01:50,230 --> 00:01:49,840

the most technically adept species on

41

00:01:52,950 --> 00:01:50,240

earth

42

00:01:54,310 --> 00:01:52,960

a technically adept species with dreams

43

00:01:55,990 --> 00:01:54,320

of flight

44

00:01:58,149 --> 00:01:56,000

after thousands of years of trying in

45

00:01:59,830 --> 00:01:58,159

1903 two men in kitty hawk north

46

00:02:02,149 --> 00:01:59,840

carolina took to the air

47

00:02:03,830 --> 00:02:02,159

reaching for the sky the wright brothers

48

00:02:04,870 --> 00:02:03,840

had done something no other human beings

49

00:02:07,910 --> 00:02:04,880

had ever done before

50

00:02:09,029 --> 00:02:07,920

proving that man could indeed fly just

51  
00:02:10,949 --> 00:02:09,039  
60 years later

52  
00:02:12,550 --> 00:02:10,959  
human technology had become so

53  
00:02:13,910 --> 00:02:12,560  
sophisticated that we started reaching

54  
00:02:17,350 --> 00:02:13,920  
beyond the sky

55  
00:02:18,630 --> 00:02:17,360  
into the heavens as the 1960s began

56  
00:02:20,390 --> 00:02:18,640  
john glenn orbited the earth

57  
00:02:21,510 --> 00:02:20,400  
successfully to the astonishment and

58  
00:02:24,309 --> 00:02:21,520  
cheers of millions

59  
00:02:24,790 --> 00:02:24,319  
as the 60s ended another era in space

60  
00:02:28,070 --> 00:02:24,800  
flight

61  
00:02:29,670 --> 00:02:28,080  
had begun today voyager 2

62  
00:02:31,190 --> 00:02:29,680  
an unmanned spacecraft filled with

63  
00:02:32,630 --> 00:02:31,200

scientific instruments and human

64

00:02:34,390 --> 00:02:32,640

greetings from earth will soon be

65

00:02:35,190 --> 00:02:34,400

leaving our solar system to visit other

66

00:02:37,350 --> 00:02:35,200

galaxies

67

00:02:39,509 --> 00:02:37,360

just 80 years after the wright brothers

68

00:02:41,670 --> 00:02:39,519

first engine powered flight

69

00:02:43,190 --> 00:02:41,680

is it possible for living creatures to

70

00:02:45,190 --> 00:02:43,200

visit other worlds

71

00:02:48,830 --> 00:02:45,200

is it possible for other life forms to

72

00:02:52,790 --> 00:02:50,070

contact

73

00:02:54,229 --> 00:02:52,800

our story begins here on the banks of

74

00:02:55,990 --> 00:02:54,239

the pascagoula river

75

00:02:57,750 --> 00:02:56,000

an area that gained its notoriety for

76

00:02:59,110 --> 00:02:57,760

being the site of a rather temperature

77

00:03:00,790 --> 00:02:59,120

the first flaps that were brought to

78

00:03:02,790 --> 00:03:00,800

public attention occurred in the summer

79

00:03:05,110 --> 00:03:02,800

and fall of 1947.

80

00:03:06,949 --> 00:03:05,120

in april of that year a meteorologist

81

00:03:08,550 --> 00:03:06,959

and his staff at the richmond virginia

82

00:03:10,229 --> 00:03:08,560

weather bureau reported citing an

83

00:03:11,030 --> 00:03:10,239

unusual craft while tracking weather

84

00:03:13,270 --> 00:03:11,040

balloons

85

00:03:15,350 --> 00:03:13,280

it was flat bottomed with a dome on top

86

00:03:17,110 --> 00:03:15,360

the ufo traveled in a westerly direction

87

00:03:19,190 --> 00:03:17,120

and soon disappeared from sight

88

00:03:21,190 --> 00:03:19,200

it was june 24th of that same year when

89

00:03:23,030 --> 00:03:21,200

a credible honest businessman from boise

90

00:03:24,390 --> 00:03:23,040

idaho named kenneth arnold reported the

91

00:03:25,030 --> 00:03:24,400

sighting that fully captured the

92

00:03:27,350 --> 00:03:25,040

attention

93

00:03:28,710 --> 00:03:27,360

of the american public while flying his

94

00:03:29,509 --> 00:03:28,720

private plane near mount rainier

95

00:03:31,750 --> 00:03:29,519

washington

96

00:03:33,990 --> 00:03:31,760

mr arnold observed nine disc-like

97

00:03:37,030 --> 00:03:34,000

objects flying in formation at speeds

98

00:03:37,910 --> 00:03:37,040

estimated to be in excess of 1400 miles

99

00:03:39,430 --> 00:03:37,920

per hour

100

00:03:41,270 --> 00:03:39,440

they were moving in an unconventional

101  
00:03:42,229 --> 00:03:41,280  
manner which mr arnold would later

102  
00:03:44,149 --> 00:03:42,239  
describe

103  
00:03:45,350 --> 00:03:44,159  
not unlike a saucer if you skipped it

104  
00:03:46,949 --> 00:03:45,360  
across the water

105  
00:03:48,869 --> 00:03:46,959  
it was the reporter that interviewed

106  
00:03:51,190 --> 00:03:48,879  
kenneth arnold after he landed

107  
00:03:53,110 --> 00:03:51,200  
that coined the phrase flying saucer

108  
00:03:54,229 --> 00:03:53,120  
with the story widely distributed on

109  
00:03:55,750 --> 00:03:54,239  
wire services

110  
00:03:57,589 --> 00:03:55,760  
kenneth arnold received national

111  
00:03:58,309 --> 00:03:57,599  
attention and reports of similar

112  
00:04:00,309 --> 00:03:58,319  
sightings

113  
00:04:02,309 --> 00:04:00,319

soon flooded in in a recently

114

00:04:03,830 --> 00:04:02,319

declassified document addressed to the

115

00:04:05,830 --> 00:04:03,840

director of the fbi

116

00:04:07,509 --> 00:04:05,840

an official at strategic air command in

117

00:04:09,350 --> 00:04:07,519

washington describes an incident that

118

00:04:11,990 --> 00:04:09,360

occurred in roswell new mexico

119

00:04:12,949 --> 00:04:12,000

it seems three so-called flying saucers

120

00:04:14,710 --> 00:04:12,959

were recovered

121

00:04:16,550 --> 00:04:14,720

described as being circular in shape

122

00:04:17,590 --> 00:04:16,560

with raised centers approximately 50

123

00:04:21,110 --> 00:04:17,600

feet in diameter

124

00:04:23,749 --> 00:04:21,120

each was occupied by a human-shaped body

125

00:04:25,830 --> 00:04:23,759

but only three feet tall each of the

126

00:04:27,990 --> 00:04:25,840

three was clothed in a metallic cloth of

127

00:04:29,749 --> 00:04:28,000

a very fine texture each body had been

128

00:04:31,749 --> 00:04:29,759

bandaged in a manner similar to the

129

00:04:32,710 --> 00:04:31,759

blackout suits worn by speed fliers and

130

00:04:34,390 --> 00:04:32,720

test pilots

131

00:04:36,390 --> 00:04:34,400

the document went on to say that the

132

00:04:37,990 --> 00:04:36,400

saucers were found due to a very high

133

00:04:39,430 --> 00:04:38,000

powered radar that the government was

134

00:04:41,590 --> 00:04:39,440

operating in that area

135

00:04:43,749 --> 00:04:41,600

it was believed that the radar

136

00:04:46,790 --> 00:04:43,759

interfered with the operating mechanisms

137

00:04:49,030 --> 00:04:46,800

of the saucers things seemed to quiet

138

00:04:51,030 --> 00:04:49,040

down toward the end of 1947

139

00:04:53,110 --> 00:04:51,040

with fewer sightings being reported in

140

00:04:55,030 --> 00:04:53,120

the late 40s and early 50s the air force

141

00:04:57,430 --> 00:04:55,040

became involved in a series of projects

142

00:04:59,189 --> 00:04:57,440

to deal with a phenomenon of ufos

143

00:05:00,950 --> 00:04:59,199

after satisfying itself that the objects

144

00:05:01,590 --> 00:05:00,960

were not secret weapons from another

145

00:05:03,350 --> 00:05:01,600

country

146

00:05:05,110 --> 00:05:03,360

the air force concluded that people were

147

00:05:07,350 --> 00:05:05,120

not accurately interpreting and

148

00:05:09,270 --> 00:05:07,360

reporting what they saw and experienced

149

00:05:11,189 --> 00:05:09,280

the conclusion was drawn that the ufo

150

00:05:13,110 --> 00:05:11,199

phenomenon was due primarily

151  
00:05:14,469 --> 00:05:13,120  
to abnormal psychological and

152  
00:05:17,189 --> 00:05:14,479  
physiological states

153  
00:05:18,710 --> 00:05:17,199  
societal stress or hoaxes the air force

154  
00:05:20,469 --> 00:05:18,720  
attempted to distance itself from the

155  
00:05:22,070 --> 00:05:20,479  
subject by eventually closing down its

156  
00:05:23,510 --> 00:05:22,080  
ufo investigation unit

157  
00:05:26,230 --> 00:05:23,520  
in hopes that people would get the

158  
00:05:27,270 --> 00:05:26,240  
message and cease to report ufo

159  
00:05:30,550 --> 00:05:27,280  
sightings

160  
00:05:32,790 --> 00:05:30,560  
then on october 11 1973

161  
00:05:34,469 --> 00:05:32,800  
again at the peak of a flap an incident

162  
00:05:36,469 --> 00:05:34,479  
occurred right here on the banks of the

163  
00:05:37,670 --> 00:05:36,479

pascagoula river

164

00:05:42,060 --> 00:05:37,680

that would change the minds and

165

00:05:48,629 --> 00:05:46,870

[Applause]

166

00:05:50,550 --> 00:05:48,639

i don't think i'll ever forget what did

167

00:05:54,710 --> 00:05:50,560

happen

168

00:05:57,350 --> 00:05:54,720

of course it was on october 11th of 73

169

00:05:59,270 --> 00:05:57,360

i was employed by fb walker and son

170

00:06:01,990 --> 00:05:59,280

shipyard at that time and kelvin was

171

00:06:05,430 --> 00:06:02,000

also a friend of mine

172

00:06:07,189 --> 00:06:05,440

um many evenings after work

173

00:06:09,270 --> 00:06:07,199

you know i'd go fishing on the river

174

00:06:11,990 --> 00:06:09,280

when i when i'd have time so

175

00:06:12,950 --> 00:06:12,000

that day in particular about noon calvin

176

00:06:14,629 --> 00:06:12,960

and myself had

177

00:06:17,029 --> 00:06:14,639

planned on going fishing that evening

178

00:06:19,830 --> 00:06:17,039

after work

179

00:06:21,430 --> 00:06:19,840

and uh after we had went home and got

180

00:06:22,309 --> 00:06:21,440

our tackle of course and went down to

181

00:06:25,350 --> 00:06:22,319

the river we

182

00:06:25,830 --> 00:06:25,360

tried several places and we came back up

183

00:06:28,309 --> 00:06:25,840

by

184

00:06:30,150 --> 00:06:28,319

to the old schumpeter shipyard and i was

185

00:06:32,629 --> 00:06:30,160

sitting on an old pair fishing out into

186

00:06:39,029 --> 00:06:36,150

and i don't know whether um

187

00:06:39,430 --> 00:06:39,039

what really attracted my attention but

188

00:06:42,629 --> 00:06:39,440

uh

189

00:06:43,350 --> 00:06:42,639

i heard a history like sound and when i

190

00:06:46,150 --> 00:06:43,360

turned

191

00:06:46,790 --> 00:06:46,160

and looked behind me uh there was

192

00:06:49,110 --> 00:06:46,800

something

193

00:06:50,710 --> 00:06:49,120

some kind of craft that was uh it was

194

00:06:52,550 --> 00:06:50,720

probably 18 or

195

00:06:54,629 --> 00:06:52,560

inches or a foot off the ground just

196

00:06:56,790 --> 00:06:54,639

hovering there

197

00:06:58,550 --> 00:06:56,800

and there were two blue lights up toward

198

00:07:00,830 --> 00:06:58,560

the front of it

199

00:07:02,390 --> 00:07:00,840

and they were either revolving or

200

00:07:04,550 --> 00:07:02,400

pulsating

201  
00:07:06,070 --> 00:07:04,560  
and i really didn't know what to think

202  
00:07:08,870 --> 00:07:06,080  
and i didn't know what it was

203  
00:07:11,670 --> 00:07:08,880  
it startled me at first and i stepped

204  
00:07:13,909 --> 00:07:11,680  
down off of the pier

205  
00:07:15,430 --> 00:07:13,919  
and and i looked around and well i saw

206  
00:07:18,150 --> 00:07:15,440  
calvin stepped down too and he was

207  
00:07:20,629 --> 00:07:18,160  
looking the same thing i was

208  
00:07:21,990 --> 00:07:20,639  
and about time we stepped on the ground

209  
00:07:23,670 --> 00:07:22,000  
there was a door

210  
00:07:25,029 --> 00:07:23,680  
open there in the front just seemed to

211  
00:07:28,390 --> 00:07:25,039  
appear there probably a

212  
00:07:31,029 --> 00:07:28,400  
sliding door and it was brilliant light

213  
00:07:34,390 --> 00:07:31,039

it came out of the from outside of the

214

00:07:37,430 --> 00:07:34,400

the craft just to be in the flight

215

00:07:40,070 --> 00:07:37,440

and there was something that that some

216

00:07:41,350 --> 00:07:40,080

uh well i know that was robots but there

217

00:07:43,270 --> 00:07:41,360

was something that came

218

00:07:44,950 --> 00:07:43,280

into the door there was three of them in

219

00:07:47,110 --> 00:07:44,960

fact one behind the other one and they

220

00:07:50,309 --> 00:07:47,120

just seemed to glide out of the door

221

00:07:52,230 --> 00:07:50,319

they never touched the ground and um

222

00:07:54,230 --> 00:07:52,240

i didn't know what to do i became quite

223

00:07:56,550 --> 00:07:54,240

frightened at that time

224

00:07:58,790 --> 00:07:56,560

and the rivers behind us we couldn't uh

225

00:08:01,110 --> 00:07:58,800

we couldn't go that way

226

00:08:02,629 --> 00:08:01,120

so then those things were getting close

227

00:08:06,070 --> 00:08:02,639

to us

228

00:08:08,790 --> 00:08:06,080

and when when they got up real close to

229

00:08:09,430 --> 00:08:08,800

me i i i guess i just froze i don't know

230

00:08:10,790 --> 00:08:09,440

but

231

00:08:13,350 --> 00:08:10,800

then they came around and one of them

232

00:08:13,830 --> 00:08:13,360

took hold of this arm and i felt pain in

233

00:08:16,309 --> 00:08:13,840

it just

234

00:08:17,510 --> 00:08:16,319

instantly and one of them took hold of

235

00:08:19,270 --> 00:08:17,520

the other arm

236

00:08:20,629 --> 00:08:19,280

and i seen them just rise up from the

237

00:08:23,430 --> 00:08:20,639

ground at the height

238

00:08:24,309 --> 00:08:23,440

they were in more lassolinian position

239

00:08:26,230 --> 00:08:24,319

so

240

00:08:27,909 --> 00:08:26,240

they weren't very tall i mean i'm not

241

00:08:30,869 --> 00:08:27,919

i'm five foot eight and i was a little

242

00:08:34,230 --> 00:08:30,879

taller than they were

243

00:08:37,829 --> 00:08:34,240

and about that time calvin uh he was to

244

00:08:38,550 --> 00:08:37,839

to my right uh i saw one take hold of

245

00:08:42,310 --> 00:08:38,560

him

246

00:08:44,389 --> 00:08:42,320

and he just went left and i found out

247

00:08:45,590 --> 00:08:44,399

later that he had he had passed out he

248

00:08:48,150 --> 00:08:45,600

had fainted

249

00:08:49,110 --> 00:08:48,160

from the fear i suppose but anyway these

250

00:08:50,949 --> 00:08:49,120

things

251  
00:08:52,870 --> 00:08:50,959  
they just we just went right on to the

252  
00:08:54,070 --> 00:08:52,880  
crab through that door into that bright

253  
00:08:55,990 --> 00:08:54,080  
light

254  
00:08:58,389 --> 00:08:56,000  
went into what was probably the middle

255  
00:08:58,710 --> 00:08:58,399  
of a room or compartment and it appeared

256  
00:09:02,230 --> 00:08:58,720  
to me

257  
00:09:03,509 --> 00:09:02,240  
it was round and the light was glowing

258  
00:09:08,070 --> 00:09:03,519  
from the walls and the

259  
00:09:10,470 --> 00:09:08,080  
overhead and the floor and

260  
00:09:12,310 --> 00:09:10,480  
we stopped about about middle ways of

261  
00:09:15,110 --> 00:09:12,320  
the room i suppose and

262  
00:09:17,269 --> 00:09:15,120  
um they just released me i couldn't move

263  
00:09:18,310 --> 00:09:17,279

anything but my eyes i could move my

264

00:09:19,509 --> 00:09:18,320

eyes i

265

00:09:21,670 --> 00:09:19,519

don't know why i could move them and

266

00:09:24,310 --> 00:09:21,680

couldn't move anything else

267

00:09:26,389 --> 00:09:24,320

but anyway they released me and a few

268

00:09:27,910 --> 00:09:26,399

moments i suppose it was

269

00:09:30,389 --> 00:09:27,920

but out directly in front of me

270

00:09:33,590 --> 00:09:30,399

something came out of the wall

271

00:09:35,829 --> 00:09:33,600

that it appeared to me that just a big i

272

00:09:37,670 --> 00:09:35,839

always refer to it as an eye a big pupil

273

00:09:40,150 --> 00:09:37,680

and an eye

274

00:09:41,590 --> 00:09:40,160

and it moved up in front of my face and

275

00:09:44,710 --> 00:09:41,600

it remained there for a

276

00:09:47,269 --> 00:09:44,720

few few minutes of moments i suppose

277

00:09:47,910 --> 00:09:47,279

and he went downward and went under me

278

00:09:49,829 --> 00:09:47,920

and

279

00:09:52,230 --> 00:09:49,839

i'm assuming he went up the backside

280

00:09:54,710 --> 00:09:52,240

because it came back up over my head

281

00:09:56,470 --> 00:09:54,720

came back in front of me and it remained

282

00:09:59,350 --> 00:09:56,480

there for a few more

283

00:10:01,110 --> 00:09:59,360

probably a minute or two or more and it

284

00:10:03,350 --> 00:10:01,120

moved back into the light in the wall

285

00:10:06,150 --> 00:10:03,360

and disappeared

286

00:10:08,310 --> 00:10:06,160

my first and only contact with charles

287

00:10:11,470 --> 00:10:08,320

hickson and calvin parker

288

00:10:12,630 --> 00:10:11,480

was on the morning october the 12th of

289

00:10:14,630 --> 00:10:12,640

1973

290

00:10:16,829 --> 00:10:14,640

early in the morning i was working in

291

00:10:20,630 --> 00:10:16,839

the x-ray department at the hospital

292

00:10:22,710 --> 00:10:20,640

and if you for those of you who

293

00:10:24,870 --> 00:10:22,720

knew the scenery hospital back at that

294

00:10:26,310 --> 00:10:24,880

time we had a route that went up back to

295

00:10:28,069 --> 00:10:26,320

the emergency room where the

296

00:10:30,710 --> 00:10:28,079

ambulances used to have come up to bring

297

00:10:32,630 --> 00:10:30,720

to patients and the emergency room was

298

00:10:34,150 --> 00:10:32,640

right next to the x-ray department and

299

00:10:35,670 --> 00:10:34,160

some people from the emergency room came

300

00:10:38,389 --> 00:10:35,680

to the x-ray department

301  
00:10:38,870 --> 00:10:38,399  
and uh told me that there were some guys

302  
00:10:40,230 --> 00:10:38,880  
down

303  
00:10:42,630 --> 00:10:40,240  
in the emergency room that they had they

304  
00:10:45,190 --> 00:10:42,640  
said you got to come see these guys they

305  
00:10:45,990 --> 00:10:45,200  
claim they got picked up by a spaceship

306  
00:10:47,269 --> 00:10:46,000  
so me and a

307  
00:10:48,790 --> 00:10:47,279  
couple of my buddies that were there at

308  
00:10:50,310 --> 00:10:48,800  
the time sort of started laughing you

309  
00:10:51,670 --> 00:10:50,320  
know you got to imagine being in the

310  
00:10:53,430 --> 00:10:51,680  
hospital some of the stories that you

311  
00:10:55,829 --> 00:10:53,440  
can hear

312  
00:10:57,430 --> 00:10:55,839  
in a hospital so i went down to the

313  
00:10:59,030 --> 00:10:57,440

emergency room which is just a very few

314

00:11:00,069 --> 00:10:59,040

steps from the x-ray department at that

315

00:11:02,310 --> 00:11:00,079

time

316

00:11:04,310 --> 00:11:02,320

it was early in the morning to my

317

00:11:06,790 --> 00:11:04,320

understanding

318

00:11:08,870 --> 00:11:06,800

they had brought charles hickson and

319

00:11:10,630 --> 00:11:08,880

calvin parker to the hospital very early

320

00:11:11,910 --> 00:11:10,640

in the morning they had spent maybe

321

00:11:13,590 --> 00:11:11,920

part of the night at the sheriff's

322

00:11:15,350 --> 00:11:13,600

department but at that time i didn't

323

00:11:17,269 --> 00:11:15,360

know anything about that

324

00:11:19,190 --> 00:11:17,279

so i went down there and they were

325

00:11:20,310 --> 00:11:19,200

checking these two guys out presumably

326

00:11:21,990 --> 00:11:20,320

for

327

00:11:23,190 --> 00:11:22,000

whether drinking drugs or anything i

328

00:11:24,470 --> 00:11:23,200

don't know if something was happening to

329

00:11:26,550 --> 00:11:24,480

them or whatever

330

00:11:28,550 --> 00:11:26,560

i didn't get to see that portion of it

331

00:11:30,310 --> 00:11:28,560

but when it got through uh the two guys

332

00:11:31,670 --> 00:11:30,320

were standing there and definitely to my

333

00:11:33,750 --> 00:11:31,680

curiosity i was uh

334

00:11:35,590 --> 00:11:33,760

wanting to know what was going on and

335

00:11:36,710 --> 00:11:35,600

right about that time the television

336

00:11:38,710 --> 00:11:36,720

station out of

337

00:11:39,750 --> 00:11:38,720

biloxi showed up and it was just one

338

00:11:43,430 --> 00:11:39,760

cameraman with uh

339

00:11:45,750 --> 00:11:43,440

one of those shoulder cameras and

340

00:11:47,670 --> 00:11:45,760

a guy that was like a an announcer

341

00:11:51,190 --> 00:11:47,680

interviewer or whatever so

342

00:11:52,949 --> 00:11:51,200

they asked charles and calvin to step

343

00:11:54,389 --> 00:11:52,959

out on the ramp which right outside the

344

00:11:55,990 --> 00:11:54,399

door there and i went out with them

345

00:11:57,670 --> 00:11:56,000

because i sort of knew the

346

00:11:59,750 --> 00:11:57,680

cameraman that was there at the time i

347

00:12:02,790 --> 00:11:59,760

was on speaking terms with him anyway

348

00:12:05,430 --> 00:12:02,800

so we went outside i walked out with him

349

00:12:07,590 --> 00:12:05,440

and i stood beside the cameraman

350

00:12:09,110 --> 00:12:07,600

and the guy was interviewing charles

351  
00:12:12,150 --> 00:12:09,120  
hickson probably

352  
00:12:12,710 --> 00:12:12,160  
10 feet from where we were standing so i

353  
00:12:14,470 --> 00:12:12,720  
can

354  
00:12:16,710 --> 00:12:14,480  
very easily say that i was one of the

355  
00:12:19,829 --> 00:12:16,720  
very first people to ever

356  
00:12:21,590 --> 00:12:19,839  
hear charles hickson interviewed and i

357  
00:12:23,110 --> 00:12:21,600  
listened to him what's amazed me over

358  
00:12:24,310 --> 00:12:23,120  
the years is the fact that the exact

359  
00:12:27,269 --> 00:12:24,320  
story that i heard

360  
00:12:28,069 --> 00:12:27,279  
him tell he hasn't changed his story at

361  
00:12:30,629 --> 00:12:28,079  
all

362  
00:12:31,910 --> 00:12:30,639  
it was identical and i'm sure people

363  
00:12:34,949 --> 00:12:31,920

that are watching this program

364

00:12:36,870 --> 00:12:34,959

have heard his story that it hasn't

365

00:12:39,590 --> 00:12:36,880

wavered the way he describes

366

00:12:40,310 --> 00:12:39,600

what happened and the whole story is

367

00:12:41,829 --> 00:12:40,320

exactly

368

00:12:43,910 --> 00:12:41,839

the same over the years he hasn't

369

00:12:46,790 --> 00:12:43,920

changed at all and my uh

370

00:12:47,910 --> 00:12:46,800

the thing that ralph my interest was

371

00:12:51,190 --> 00:12:47,920

calvin parker

372

00:12:53,350 --> 00:12:51,200

was very quiet and

373

00:12:54,310 --> 00:12:53,360

he seemed to me to be a very timid young

374

00:12:57,030 --> 00:12:54,320

man

375

00:12:57,670 --> 00:12:57,040

and so i myself went over to calvin and

376

00:13:00,949 --> 00:12:57,680

we walked

377

00:13:02,870 --> 00:13:00,959

down halfway down that ramp

378

00:13:04,629 --> 00:13:02,880

and so i started asking calvin what was

379

00:13:06,629 --> 00:13:04,639

going on because you know of course at

380

00:13:07,670 --> 00:13:06,639

the first uh we had a big laugh about it

381

00:13:08,949 --> 00:13:07,680

and uh

382

00:13:10,470 --> 00:13:08,959

and then i started listening when i

383

00:13:11,829 --> 00:13:10,480

heard the story i started thinking this

384

00:13:13,430 --> 00:13:11,839

story is it's got to be

385

00:13:15,110 --> 00:13:13,440

one of the strangest stories that i've

386

00:13:18,310 --> 00:13:15,120

i've heard so

387

00:13:20,230 --> 00:13:18,320

i wanted a second opinion so i walked

388

00:13:22,230 --> 00:13:20,240

down the ramp with calvin

389

00:13:24,310 --> 00:13:22,240

and i asked him about it and calvin he

390

00:13:25,590 --> 00:13:24,320

really seemed scared he uh he was sort

391

00:13:29,190 --> 00:13:25,600

of white in the face and

392

00:13:31,509 --> 00:13:29,200

he was still nervous and he told me the

393

00:13:33,430 --> 00:13:31,519

story of what happened said that

394

00:13:34,790 --> 00:13:33,440

they heard the noise and he looked back

395

00:13:36,230 --> 00:13:34,800

and these things came out and they

396

00:13:36,870 --> 00:13:36,240

reached down to get him and he passed

397

00:13:38,310 --> 00:13:36,880

out

398

00:13:40,310 --> 00:13:38,320

and that's all that he remembered that

399

00:13:43,430 --> 00:13:40,320

was a story that he told me

400

00:13:45,430 --> 00:13:43,440

and so uh listening to charles hickson's

401  
00:13:47,030 --> 00:13:45,440  
story and seeing calvin's reaction had

402  
00:13:48,710 --> 00:13:47,040  
me

403  
00:13:50,150 --> 00:13:48,720  
a little concern this is a point where

404  
00:13:51,509 --> 00:13:50,160  
it sort of wiped a little bit of smile

405  
00:13:54,870 --> 00:13:51,519  
off of my face

406  
00:13:56,230 --> 00:13:54,880  
and i'm still very reluctant to believe

407  
00:13:59,350 --> 00:13:56,240  
such a story like

408  
00:14:02,150 --> 00:13:59,360  
many people are but but still in all uh

409  
00:14:03,030 --> 00:14:02,160  
i'm also reluctant to uh to call these

410  
00:14:06,710 --> 00:14:03,040  
two guys

411  
00:14:09,350 --> 00:14:06,720  
total wackos so to speak

412  
00:14:10,629 --> 00:14:09,360  
because listening to a story like that

413  
00:14:11,590 --> 00:14:10,639

and then hearing it over the years and

414

00:14:14,790 --> 00:14:11,600

hearing the story

415

00:14:16,629 --> 00:14:14,800

told the same after repeated

416

00:14:19,030 --> 00:14:16,639

interrogation if you want to call it or

417

00:14:22,310 --> 00:14:19,040

interviews it's got to make you

418

00:14:24,230 --> 00:14:22,320

sit back and listen some pascagoula's

419

00:14:25,829 --> 00:14:24,240

julius bosco was one of the first

420

00:14:27,670 --> 00:14:25,839

physicians to examine the men

421

00:14:29,189 --> 00:14:27,680

i remember meeting them was fairly early

422

00:14:31,829 --> 00:14:29,199

saturday morning about 8 or 8

423

00:14:33,910 --> 00:14:31,839

30 before really the news meter or

424

00:14:36,230 --> 00:14:33,920

anyone else had gotten to them

425

00:14:37,430 --> 00:14:36,240

i was a casual visitor visiting mr

426

00:14:40,310 --> 00:14:37,440

walker who owned

427

00:14:41,350 --> 00:14:40,320

the shipyard and who was their employer

428

00:14:45,750 --> 00:14:41,360

i was uh

429

00:14:49,269 --> 00:14:45,760

i was fascinated what they said and

430

00:14:51,590 --> 00:14:49,279

i really i found it difficult to accept

431

00:14:53,829 --> 00:14:51,600

everything that was said however i

432

00:14:55,670 --> 00:14:53,839

believe that they were sincere i do not

433

00:14:58,710 --> 00:14:55,680

believe that either of them at that time

434

00:15:00,550 --> 00:14:58,720

was putting on

435

00:15:02,069 --> 00:15:00,560

charlie and calvin's story seemed so

436

00:15:03,990 --> 00:15:02,079

incredible that it attracted

437

00:15:05,910 --> 00:15:04,000

professional doctors scientists and

438

00:15:07,990 --> 00:15:05,920

hypnotists from the entire country to

439

00:15:10,550 --> 00:15:08,000

test the validity of their encounter

440

00:15:12,949 --> 00:15:10,560

or to discredit it surprisingly it was

441

00:15:14,870 --> 00:15:12,959

these hypnosis sessions polygraph tests

442

00:15:16,870 --> 00:15:14,880

and examinations that deemed this as one

443

00:15:17,910 --> 00:15:16,880

of the most authentic ufo sightings in

444

00:15:19,750 --> 00:15:17,920

history

445

00:15:21,189 --> 00:15:19,760

recently in a phone interview with dr

446

00:15:22,710 --> 00:15:21,199

james harder a professor at the

447

00:15:24,710 --> 00:15:22,720

university of california

448

00:15:26,389 --> 00:15:24,720

he told us of his initial hypnosis

449

00:15:28,710 --> 00:15:26,399

session with charles hickson

450

00:15:29,430 --> 00:15:28,720

which took place within 36 hours of the

451  
00:15:31,189 --> 00:15:29,440  
abduction

452  
00:15:33,110 --> 00:15:31,199  
dr james harder is a professor of

453  
00:15:35,590 --> 00:15:33,120  
engineering in berkeley california

454  
00:15:36,949 --> 00:15:35,600  
also an investigator of ufos we want to

455  
00:15:39,749 --> 00:15:36,959  
thank you for joining us here on

456  
00:15:41,509 --> 00:15:39,759  
in contact this evening dr harder as i

457  
00:15:43,509 --> 00:15:41,519  
understand it you flew to pascagoula

458  
00:15:44,550 --> 00:15:43,519  
within 36 hours of charlie hixson and

459  
00:15:46,870 --> 00:15:44,560  
calvin parker's

460  
00:15:47,590 --> 00:15:46,880  
contact and shortly thereafter placed

461  
00:15:50,870 --> 00:15:47,600  
both men

462  
00:15:52,069 --> 00:15:50,880  
under hypnosis of course dr heineck also

463  
00:15:55,189 --> 00:15:52,079

dr bosco and dr

464

00:15:56,470 --> 00:15:55,199

bridge is present and we would like you

465

00:15:59,189 --> 00:15:56,480

to if you would tell us

466

00:16:00,310 --> 00:15:59,199

what transpired and what conclusions you

467

00:16:02,150 --> 00:16:00,320

arrived at

468

00:16:04,389 --> 00:16:02,160

well i arrived saturday morning which

469

00:16:06,150 --> 00:16:04,399

was uh in the midst of an enormous

470

00:16:07,030 --> 00:16:06,160

amount of confusion we were more or less

471

00:16:09,590 --> 00:16:07,040

holed up or

472

00:16:10,230 --> 00:16:09,600

besieged in the office where charlie

473

00:16:12,790 --> 00:16:10,240

worked

474

00:16:14,230 --> 00:16:12,800

and outside there were all kinds of tv

475

00:16:16,710 --> 00:16:14,240

people and other people

476  
00:16:17,430 --> 00:16:16,720  
anxious to get the story we were trying

477  
00:16:20,790 --> 00:16:17,440  
to do

478  
00:16:23,430 --> 00:16:20,800  
as investigators as a job of

479  
00:16:24,150 --> 00:16:23,440  
of determining exactly what additional

480  
00:16:26,230 --> 00:16:24,160  
information

481  
00:16:28,230 --> 00:16:26,240  
charlie or or calvin might have

482  
00:16:30,389 --> 00:16:28,240  
remembered under hypnosis

483  
00:16:32,150 --> 00:16:30,399  
with some difficulty we we managed to

484  
00:16:35,030 --> 00:16:32,160  
get things calmed down

485  
00:16:36,470 --> 00:16:35,040  
and i hypnotized charlie with the notion

486  
00:16:37,829 --> 00:16:36,480  
that we wouldn't ask you to

487  
00:16:39,590 --> 00:16:37,839  
ask him to go through any of his

488  
00:16:41,269 --> 00:16:39,600

experience but just see if he could go

489

00:16:44,310 --> 00:16:41,279

into hypnosis

490

00:16:45,990 --> 00:16:44,320

he did and he lost a terrific headache

491

00:16:47,189 --> 00:16:46,000

and he was much pleased i believe by

492

00:16:49,110 --> 00:16:47,199

that

493

00:16:50,870 --> 00:16:49,120

he told an incredible story to the

494

00:16:52,470 --> 00:16:50,880

people there although it's not quite so

495

00:16:55,749 --> 00:16:52,480

incredible to those of us who have other

496

00:16:59,269 --> 00:16:55,759

kinds of investigations we've conducted

497

00:17:01,590 --> 00:16:59,279

i think particularly um telling is his

498

00:17:04,230 --> 00:17:01,600

recalling that he was levitated as he

499

00:17:05,829 --> 00:17:04,240

was taken aboard the craft now i don't

500

00:17:06,870 --> 00:17:05,839

think charlie at the time was

501  
00:17:09,029 --> 00:17:06,880  
sufficiently

502  
00:17:10,470 --> 00:17:09,039  
sophisticated to know that that happens

503  
00:17:12,390 --> 00:17:10,480  
fairly frequently it wouldn't be

504  
00:17:15,510 --> 00:17:12,400  
something i should think

505  
00:17:17,669 --> 00:17:15,520  
that he would have made up but

506  
00:17:19,429 --> 00:17:17,679  
it was an extraordinary story and i

507  
00:17:20,549 --> 00:17:19,439  
think he's able to tell it in his own

508  
00:17:25,029 --> 00:17:20,559  
words better than i

509  
00:17:27,350 --> 00:17:25,039  
am but i had no doubt at any time

510  
00:17:29,590 --> 00:17:27,360  
that he wasn't telling the truth as he

511  
00:17:31,190 --> 00:17:29,600  
knew it and that the case was not an

512  
00:17:32,950 --> 00:17:31,200  
excellent one from the standpoint of

513  
00:17:36,150 --> 00:17:32,960

credibility

514

00:17:40,150 --> 00:17:36,160

we talked about uh whether to

515

00:17:41,110 --> 00:17:40,160

tell someone or to not say nothing to no

516

00:17:43,270 --> 00:17:41,120

one

517

00:17:44,310 --> 00:17:43,280

but uh we felt like we needed to tell

518

00:17:46,150 --> 00:17:44,320

someone

519

00:17:48,150 --> 00:17:46,160

but we didn't know who to tell so we

520

00:17:49,430 --> 00:17:48,160

decided to call keisler and kessler told

521

00:17:50,630 --> 00:17:49,440

us they didn't want anything to do with

522

00:17:51,750 --> 00:17:50,640

this to call our local sheriff's

523

00:17:53,270 --> 00:17:51,760

department

524

00:17:55,110 --> 00:17:53,280

so we did we stopped and called the

525

00:17:58,310 --> 00:17:55,120

local sheriff's department and

526

00:18:00,390 --> 00:17:58,320

um now i don't have any idea what time

527

00:18:02,230 --> 00:18:00,400

in all this was taking place

528

00:18:04,230 --> 00:18:02,240

so after we called our local sheriff's

529

00:18:06,710 --> 00:18:04,240

department they sent a car patrol car

530

00:18:08,630 --> 00:18:06,720

out to pick us up at charlie's apartment

531

00:18:10,870 --> 00:18:08,640

the pair did go to the jackson county

532

00:18:18,549 --> 00:18:10,880

sheriff's office fred diamond was the

533

00:18:21,830 --> 00:18:21,029

all the conversation they had we had it

534

00:18:25,830 --> 00:18:21,840

on tape

535

00:18:28,230 --> 00:18:25,840

captain ryder taped it all

536

00:18:29,350 --> 00:18:28,240

while they while he was interviewing him

537

00:18:31,110 --> 00:18:29,360

on the left

538

00:18:32,789 --> 00:18:31,120

okay now they didn't realize that this

539

00:18:33,750 --> 00:18:32,799

was being they didn't know that it was

540

00:18:36,789 --> 00:18:33,760

being real uh

541

00:18:41,830 --> 00:18:36,799

didn't realize that it was uh

542

00:18:44,390 --> 00:18:41,840

being taped or anything and so

543

00:18:46,549 --> 00:18:44,400

uh it's been so long it's kind of hard

544

00:18:47,590 --> 00:18:46,559

for me to remember everything but i do

545

00:18:50,710 --> 00:18:47,600

know that

546

00:18:52,870 --> 00:18:50,720

when i was talking to him i taped it

547

00:18:55,029 --> 00:18:52,880

the recording referred to was to become

548

00:18:56,070 --> 00:18:55,039

a vital piece of evidence in making this

549

00:18:59,029 --> 00:18:56,080

one of the most credible

550

00:18:59,830 --> 00:18:59,039

ufo incidents in modern history after

551  
00:19:02,070 --> 00:18:59,840  
being questioned

552  
00:19:03,590 --> 00:19:02,080  
separately charlie and calvin were later

553  
00:19:04,950 --> 00:19:03,600  
left alone in the same room at the

554  
00:19:06,870 --> 00:19:04,960  
sheriff's station

555  
00:19:10,270 --> 00:19:06,880  
and little did they realize at the time

556  
00:19:14,870 --> 00:19:10,280  
that they were being recorded

557  
00:19:22,950 --> 00:19:14,880  
[Music]

558  
00:19:27,430 --> 00:19:25,590  
had to go through christ like this i was

559  
00:19:29,110 --> 00:19:27,440  
i was still suspended there

560  
00:19:30,630 --> 00:19:29,120  
i didn't know what wasn't anything i

561  
00:19:32,070 --> 00:19:30,640  
could do i just kept thinking you know

562  
00:19:34,870 --> 00:19:32,080  
what are they going to do with me

563  
00:19:36,070 --> 00:19:34,880

are they going to take me away or i

564

00:19:38,390 --> 00:19:36,080

couldn't imagine what they were going to

565

00:19:40,230 --> 00:19:38,400

do or what they were doing with me

566

00:19:42,870 --> 00:19:40,240

but anyhow after a while these things

567

00:19:45,270 --> 00:19:42,880

came back and they took hold of me and

568

00:19:46,310 --> 00:19:45,280

we seemed to turn they're in the room

569

00:19:48,870 --> 00:19:46,320

and we moved back

570

00:19:50,870 --> 00:19:48,880

out the doorway and they moved back to

571

00:19:52,150 --> 00:19:50,880

almost the exact spot that they had

572

00:19:53,909 --> 00:19:52,160

picked me up from

573

00:19:55,270 --> 00:19:53,919

and they just released me and i fell to

574

00:19:57,430 --> 00:19:55,280

the ground

575

00:19:59,510 --> 00:19:57,440

well it was this time that i saw calvin

576  
00:20:01,029 --> 00:19:59,520  
again and he was

577  
00:20:03,110 --> 00:20:01,039  
he was standing there in front of the

578  
00:20:05,270 --> 00:20:03,120  
river with his arms outstretched

579  
00:20:06,390 --> 00:20:05,280  
and he appeared to me to be going in

580  
00:20:08,950 --> 00:20:06,400  
shop

581  
00:20:09,830 --> 00:20:08,960  
and i was trying to get up to my feet to

582  
00:20:11,510 --> 00:20:09,840  
make it

583  
00:20:14,789 --> 00:20:11,520  
to him to see if i could help him some

584  
00:20:17,990 --> 00:20:14,799  
way and i heard that hissing sound again

585  
00:20:20,710 --> 00:20:18,000  
and i looked behind me and i saw those

586  
00:20:21,430 --> 00:20:20,720  
blue lights just instantly and this

587  
00:20:24,470 --> 00:20:21,440  
craft just

588  
00:20:26,310 --> 00:20:24,480

it just went away

589

00:20:28,630 --> 00:20:26,320

well i made my way on the calvin and i

590

00:20:30,950 --> 00:20:28,640

could get up on my feet by this time and

591

00:20:32,470 --> 00:20:30,960

it took me a while to to get him where i

592

00:20:35,029 --> 00:20:32,480

could talk to him and

593

00:20:35,750 --> 00:20:35,039

and assure him that maybe you know that

594

00:20:39,990 --> 00:20:35,760

we

595

00:20:42,549 --> 00:20:40,000

to us

596

00:20:45,110 --> 00:20:42,559

eddie on october 11th 1973 you were

597

00:20:47,510 --> 00:20:45,120

stationed in okinawa and the u.s marines

598

00:20:48,870 --> 00:20:47,520

and you didn't hear about the encounter

599

00:20:50,950 --> 00:20:48,880

from your mother and father

600

00:20:52,390 --> 00:20:50,960

you read about it in stars and stripes

601  
00:20:54,710 --> 00:20:52,400  
could you tell us about your reaction

602  
00:20:58,630 --> 00:20:54,720  
and and what it felt like to

603  
00:21:02,230 --> 00:20:58,640  
find out about that this way yes uh

604  
00:21:03,590 --> 00:21:02,240  
my first reaction was shock because

605  
00:21:05,270 --> 00:21:03,600  
i really didn't understand what had

606  
00:21:07,750 --> 00:21:05,280  
happened to my father

607  
00:21:09,590 --> 00:21:07,760  
and when i read the parts about where dr

608  
00:21:12,390 --> 00:21:09,600  
harder and dr heineck came down

609  
00:21:13,350 --> 00:21:12,400  
to do an investigation i didn't really

610  
00:21:15,590 --> 00:21:13,360  
understand what all

611  
00:21:17,350 --> 00:21:15,600  
that involved that led me to believe

612  
00:21:18,710 --> 00:21:17,360  
that there there may have been some harm

613  
00:21:21,430 --> 00:21:18,720

done to them

614

00:21:22,870 --> 00:21:21,440

um i had no way of finding out other

615

00:21:23,830 --> 00:21:22,880

than waiting for a letter to come from

616

00:21:26,230 --> 00:21:23,840

home

617

00:21:27,669 --> 00:21:26,240

and the the the articles in the paper

618

00:21:30,470 --> 00:21:27,679

were just bits and pieces

619

00:21:32,230 --> 00:21:30,480

you might say two men were picked up and

620

00:21:34,390 --> 00:21:32,240

were boarded a ufo on the pascagoula

621

00:21:36,549 --> 00:21:34,400

river in pascagoula mississippi

622

00:21:38,710 --> 00:21:36,559

and basically that's all that was in the

623

00:21:40,789 --> 00:21:38,720

paper the first article

624

00:21:42,870 --> 00:21:40,799

i think there was two articles that

625

00:21:43,990 --> 00:21:42,880

followed that maybe in a week's time

626  
00:21:46,149 --> 00:21:44,000  
but it didn't give me much more

627  
00:21:48,950 --> 00:21:46,159  
information than that

628  
00:21:49,750 --> 00:21:48,960  
and i really didn't know what to think

629  
00:21:52,950 --> 00:21:49,760  
how did the

630  
00:21:56,230 --> 00:21:52,960  
other members of your company react they

631  
00:21:57,990 --> 00:21:56,240  
um they acted

632  
00:21:59,590 --> 00:21:58,000  
reacted sort of surprised there was

633  
00:22:00,950 --> 00:21:59,600  
several guys in my company there from

634  
00:22:02,630 --> 00:22:00,960  
mississippi

635  
00:22:05,350 --> 00:22:02,640  
they were quite concerned because we had

636  
00:22:08,149 --> 00:22:05,360  
been stationed at other bases together

637  
00:22:10,149 --> 00:22:08,159  
nobody ridiculed me they were quite

638  
00:22:11,909 --> 00:22:10,159

interested in it

639

00:22:13,350 --> 00:22:11,919

they were as anxious as i was to find

640

00:22:17,669 --> 00:22:13,360

out some information from home

641

00:22:21,669 --> 00:22:20,230

they were just basically good-natured

642

00:22:23,270 --> 00:22:21,679

about it you know

643

00:22:24,710 --> 00:22:23,280

tisha at the time of your father and

644

00:22:27,350 --> 00:22:24,720

calvin's encounter

645

00:22:29,270 --> 00:22:27,360

you were very small child so young that

646

00:22:32,390 --> 00:22:29,280

you don't even really remember

647

00:22:33,270 --> 00:22:32,400

the encounter but the years have come

648

00:22:36,950 --> 00:22:33,280

and gone

649

00:22:39,750 --> 00:22:36,960

were here 14 years later and

650

00:22:39,990 --> 00:22:39,760

the book ufo contacted pascagoula has

651  
00:22:42,630 --> 00:22:40,000  
been

652  
00:22:44,549 --> 00:22:42,640  
published your father and calvin's story

653  
00:22:47,430 --> 00:22:44,559  
has been

654  
00:22:49,350 --> 00:22:47,440  
on the front page of the major newspaper

655  
00:22:51,990 --> 00:22:49,360  
here on the gulf coast as well as

656  
00:22:53,590 --> 00:22:52,000  
some of the smaller newspapers tell us

657  
00:22:56,789 --> 00:22:53,600  
about

658  
00:22:59,350 --> 00:22:56,799  
the years growing up the uh

659  
00:23:00,630 --> 00:22:59,360  
was there every time they had any doubt

660  
00:23:03,909 --> 00:23:00,640  
about their story and

661  
00:23:04,950 --> 00:23:03,919  
and also if you would the reaction of

662  
00:23:07,909 --> 00:23:04,960  
your friends

663  
00:23:08,630 --> 00:23:07,919

and acquaintances outside of the family

664

00:23:11,110 --> 00:23:08,640

well i've

665

00:23:12,149 --> 00:23:11,120

never doubted my parents i believe

666

00:23:14,870 --> 00:23:12,159

everything they say

667

00:23:15,430 --> 00:23:14,880

and my friends have supported me real

668

00:23:17,750 --> 00:23:15,440

well

669

00:23:19,430 --> 00:23:17,760

and they've always been there there's

670

00:23:22,789 --> 00:23:19,440

been no ridicule towards me

671

00:23:25,750 --> 00:23:22,799

or towards the book and everybody's just

672

00:23:28,789 --> 00:23:27,830

blanche if it could all be done over

673

00:23:31,430 --> 00:23:28,799

again

674

00:23:34,310 --> 00:23:31,440

would you prefer that charlie and calvin

675

00:23:38,390 --> 00:23:34,320

didn't report this incident

676

00:23:44,310 --> 00:23:42,549

i certainly would because he has it's

677

00:23:46,149 --> 00:23:44,320

happened to him and he's proven he's

678

00:23:50,390 --> 00:23:46,159

proven it's happened to him

679

00:23:53,750 --> 00:23:50,400

and it's all true so regardless of

680

00:23:56,149 --> 00:23:53,760

uh any of the frustrations or

681

00:23:57,750 --> 00:23:56,159

or problems that may have created over

682

00:24:00,070 --> 00:23:57,760

the years

683

00:24:02,390 --> 00:24:00,080

if any you would still want it to be

684

00:24:05,830 --> 00:24:02,400

reported and for people to know

685

00:24:07,990 --> 00:24:05,840

i certainly would

686

00:24:09,110 --> 00:24:08,000

it was real frightening to me that night

687

00:24:10,789 --> 00:24:09,120

and scary

688

00:24:12,149 --> 00:24:10,799

it was hard for me to believe you know

689

00:24:12,710 --> 00:24:12,159

just like everybody else you know i

690

00:24:14,390 --> 00:24:12,720

guess they

691

00:24:15,669 --> 00:24:14,400

thought the same thing i did you know we

692

00:24:17,830 --> 00:24:15,679

didn't know if it was real or what

693

00:24:20,870 --> 00:24:17,840

happened

694

00:24:22,310 --> 00:24:20,880

uh the next day i knew it did happen to

695

00:24:24,549 --> 00:24:22,320

him

696

00:24:25,909 --> 00:24:24,559

and from days on a week zone and months

697

00:24:27,430 --> 00:24:25,919

on i knew it happened to him because he

698

00:24:29,029 --> 00:24:27,440

had cold sweats

699

00:24:30,630 --> 00:24:29,039

had to change his sheets at least two

700

00:24:33,510 --> 00:24:30,640

and three times a night

701  
00:24:34,390 --> 00:24:33,520  
from cold sweats and he's never been the

702  
00:24:37,990 --> 00:24:34,400  
same since

703  
00:24:40,070 --> 00:24:38,000  
and i haven't either you

704  
00:24:41,350 --> 00:24:40,080  
did not weather through all of this

705  
00:24:44,470 --> 00:24:41,360  
quite as well as

706  
00:24:46,470 --> 00:24:44,480  
charles did you experienced a couple of

707  
00:24:48,950 --> 00:24:46,480  
breakdowns is that correct

708  
00:24:50,870 --> 00:24:48,960  
yeah i really wouldn't say it was a a

709  
00:24:52,549 --> 00:24:50,880  
severe nervous breakdown or anything but

710  
00:24:53,830 --> 00:24:52,559  
it's just more stress than what i could

711  
00:24:56,549 --> 00:24:53,840  
handle

712  
00:24:57,510 --> 00:24:56,559  
uh because i had more things you know

713  
00:25:00,950 --> 00:24:57,520

going on

714

00:25:03,669 --> 00:25:00,960

trying to make a living i was

715

00:25:05,190 --> 00:25:03,679

getting married in that year the same

716

00:25:06,390 --> 00:25:05,200

year just about a month after this

717

00:25:07,990 --> 00:25:06,400

happened

718

00:25:09,430 --> 00:25:08,000

and it's just so much pressure on me i

719

00:25:11,190 --> 00:25:09,440

just couldn't stand it you know so i

720

00:25:13,269 --> 00:25:11,200

pretty much stayed out of the media

721

00:25:14,549 --> 00:25:13,279

and uh you know there's a time or two

722

00:25:15,830 --> 00:25:14,559

that i had to go in the hospital on

723

00:25:17,269 --> 00:25:15,840

count of my nerves

724

00:25:19,029 --> 00:25:17,279

and you know i still have problems with

725

00:25:20,950 --> 00:25:19,039

my nerves okay at one point you even

726

00:25:24,470 --> 00:25:20,960

relieved a reporter of his camera

727

00:25:25,430 --> 00:25:24,480

yes sir i did uh i'd had so many

728

00:25:28,549 --> 00:25:25,440

reporters

729

00:25:31,269 --> 00:25:28,559

i mean no privacy whatsoever and

730

00:25:32,549 --> 00:25:31,279

i was just tired of reporters so the one

731

00:25:34,230 --> 00:25:32,559

from

732

00:25:35,990 --> 00:25:34,240

the press i believe it was mississippi

733

00:25:37,029 --> 00:25:36,000

press came up was taking pictures and i

734

00:25:39,909 --> 00:25:37,039

told him you know

735

00:25:42,070 --> 00:25:39,919

huh let's not do this today unless this

736

00:25:43,990 --> 00:25:42,080

not in the program here

737

00:25:46,149 --> 00:25:44,000

so he wouldn't listen so i had to take

738

00:25:47,990 --> 00:25:46,159

his old camera away and throw it down

739

00:25:49,590 --> 00:25:48,000

take his old film out and all for him

740

00:25:50,549 --> 00:25:49,600

charlie's story has since appeared in

741

00:25:52,310 --> 00:25:50,559

many national and

742

00:25:54,630 --> 00:25:52,320

international publications becoming one

743

00:25:56,070 --> 00:25:54,640

of the most documented accounts of a ufo

744

00:25:57,909 --> 00:25:56,080

experience in history

745

00:25:59,430 --> 00:25:57,919

huge write-ups and periodicals like the

746

00:26:01,029 --> 00:25:59,440

globe the examiner

747

00:26:02,310 --> 00:26:01,039

the national star and many other

748

00:26:04,310 --> 00:26:02,320

magazines have been done about this

749

00:26:06,470 --> 00:26:04,320

major encounter in mississippi

750

00:26:07,590 --> 00:26:06,480

in turn many renowned international ufo

751

00:26:09,430 --> 00:26:07,600

experts have become aware of the

752

00:26:10,870 --> 00:26:09,440

pascagoula story and have already begun

753

00:26:12,549 --> 00:26:10,880

calling on charlie hixson

754

00:26:13,990 --> 00:26:12,559

charlie started to receive hundreds of

755

00:26:15,350 --> 00:26:14,000

letters from people around the world who

756

00:26:16,789 --> 00:26:15,360

had had their own experiences with

757

00:26:18,070 --> 00:26:16,799

extraterrestrial life

758

00:26:19,669 --> 00:26:18,080

of course some of the letters weren't to

759

00:26:21,590 --> 00:26:19,679

be taken seriously at all and proved

760

00:26:23,350 --> 00:26:21,600

suspect after the first paragraph

761

00:26:25,110 --> 00:26:23,360

but many of the correspondents wrote of

762

00:26:26,950 --> 00:26:25,120

the comfort they felt after reading

763

00:26:28,070 --> 00:26:26,960

about the adversity charlie faced after

764

00:26:29,430 --> 00:26:28,080

his ordeal

765

00:26:31,190 --> 00:26:29,440

some relate their own encounters and

766

00:26:32,710 --> 00:26:31,200

then asked charlie to shed light upon a

767

00:26:34,390 --> 00:26:32,720

topic that keeps these contactees

768

00:26:35,750 --> 00:26:34,400

suspect in public view

769

00:26:37,430 --> 00:26:35,760

there are hopeful letters that request

770

00:26:39,269 --> 00:26:37,440

charlie to be an intermediary for

771

00:26:41,029 --> 00:26:39,279

opening up channels of communication to

772

00:26:42,950 --> 00:26:41,039

the extraterrestrial beings

773

00:26:44,549 --> 00:26:42,960

in these letters expectations run high

774

00:26:45,909 --> 00:26:44,559

the charlie hixson will someday be

775

00:26:48,549 --> 00:26:45,919

contacted again

776

00:26:50,149 --> 00:26:48,559

by aliens there are religious groups and

777

00:26:50,789 --> 00:26:50,159

ministers who write him encouragement

778

00:26:52,470 --> 00:26:50,799

and profess

779

00:26:54,470 --> 00:26:52,480

daily support for his endeavors in their

780

00:26:56,390 --> 00:26:54,480

prayers and they also write to charlie

781

00:26:57,909 --> 00:26:56,400

about how the spirituality of the church

782

00:26:59,909 --> 00:26:57,919

and its encompassing of all god's

783

00:27:01,830 --> 00:26:59,919

creatures can inspire those who believe

784

00:27:03,750 --> 00:27:01,840

that humans are not alone in this

785

00:27:06,710 --> 00:27:03,760

universe

786

00:27:08,310 --> 00:27:06,720

in 1974 a year after his ufo experience

787

00:27:09,669 --> 00:27:08,320

charlie made a record at the gulf coast

788

00:27:11,669 --> 00:27:09,679

recording studio

789

00:27:13,110 --> 00:27:11,679

with this record charles hickson ufo

790

00:27:14,549 --> 00:27:13,120

story parts 1 and 2

791

00:27:16,549 --> 00:27:14,559

charlie hoped to explain himself

792

00:27:18,070 --> 00:27:16,559

publicly and in his own words

793

00:27:20,950 --> 00:27:18,080

exactly what happened the night of

794

00:27:24,310 --> 00:27:20,960

october 11 1973

795

00:27:27,669 --> 00:27:24,320

i believe these things are making

796

00:27:29,269 --> 00:27:27,679

preparations to communicate in some way

797

00:27:32,470 --> 00:27:29,279

with our government

798

00:27:34,470 --> 00:27:32,480

only time will tell in 1983

799

00:27:36,630 --> 00:27:34,480

charlie co wrote a book entitled ufo

800

00:27:37,350 --> 00:27:36,640

contact in pascagoula with investigative

801  
00:27:39,990 --> 00:27:37,360  
reporter

802  
00:27:41,590 --> 00:27:40,000  
william mendez published by wendell c

803  
00:27:43,590 --> 00:27:41,600  
stephens in tucson arizona the book

804  
00:27:44,950 --> 00:27:43,600  
scrutinized every angle of charlie and

805  
00:27:46,630 --> 00:27:44,960  
calvin's experience

806  
00:27:48,149 --> 00:27:46,640  
included his original testimony

807  
00:27:50,230 --> 00:27:48,159  
testimony under hypnosis

808  
00:27:52,630 --> 00:27:50,240  
a psychological report scientific

809  
00:27:53,909 --> 00:27:52,640  
analysis and an appendix of theoretical

810  
00:27:55,510 --> 00:27:53,919  
arguments that covers many of the

811  
00:27:56,310 --> 00:27:55,520  
questions charlie has run across over

812  
00:27:58,070 --> 00:27:56,320  
the years

813  
00:27:59,669 --> 00:27:58,080

in his introduction william medes

814

00:28:01,029 --> 00:27:59,679

explains the reasons why he decided to

815

00:28:02,310 --> 00:28:01,039

help charlie with such a book

816

00:28:04,070 --> 00:28:02,320

and how he had to maintain his

817

00:28:05,669 --> 00:28:04,080

objectivity even as the evidence in

818

00:28:06,870 --> 00:28:05,679

charlie's case grew seemingly more

819

00:28:09,269 --> 00:28:06,880

fantastic

820

00:28:10,870 --> 00:28:09,279

ufo contact in pascagoula contains

821

00:28:12,230 --> 00:28:10,880

photographs and maps which depict the

822

00:28:13,510 --> 00:28:12,240

places and events that have become the

823

00:28:17,029 --> 00:28:13,520

shocking reality

824

00:28:18,710 --> 00:28:17,039

of charlie hixson's life

825

00:28:20,870 --> 00:28:18,720

speculation as to whether or not the

826

00:28:22,549 --> 00:28:20,880

federal government has actual proof that

827

00:28:24,630 --> 00:28:22,559

ufos do indeed exist

828

00:28:27,110 --> 00:28:24,640

has been a major topic of discussion

829

00:28:28,149 --> 00:28:27,120

since the 1947 roswell new mexico

830

00:28:30,549 --> 00:28:28,159

incident

831

00:28:32,389 --> 00:28:30,559

most ufologists believe the air force is

832

00:28:33,029 --> 00:28:32,399

under direct orders from the pentagon to

833

00:28:36,149 --> 00:28:33,039

debunk

834

00:28:37,669 --> 00:28:36,159

ufos stan friedman a nuclear physicist

835

00:28:39,269 --> 00:28:37,679

from new brunswick canada

836

00:28:40,950 --> 00:28:39,279

who has been a guest on all the major

837

00:28:43,830 --> 00:28:40,960

networks recently spoke of the

838

00:28:46,310 --> 00:28:43,840

government's premier top secret ufo team

839

00:28:47,830 --> 00:28:46,320

majestic 12 and of the crash in new

840

00:28:51,029 --> 00:28:47,840

mexico

841

00:28:52,950 --> 00:28:51,039

it happened 40 years ago july 1947

842

00:28:55,110 --> 00:28:52,960

within two weeks of when the first big

843

00:28:57,029 --> 00:28:55,120

public noise began about flying saucers

844

00:28:59,269 --> 00:28:57,039

and apparently one ran into a big storm

845

00:29:01,669 --> 00:28:59,279

of flying saucer

846

00:29:03,430 --> 00:29:01,679

exploded pieces were scattered over an

847

00:29:05,830 --> 00:29:03,440

area three quarters of a mile long and a

848

00:29:07,909 --> 00:29:05,840

quarter mile wide and as it turns out as

849

00:29:09,750 --> 00:29:07,919

determined by an aerial surveillance a

850

00:29:11,669 --> 00:29:09,760

few days later

851  
00:29:13,269 --> 00:29:11,679  
after an initial statement was made by

852  
00:29:14,870 --> 00:29:13,279  
the government that they now had one of

853  
00:29:15,510 --> 00:29:14,880  
these flying discs that people have been

854  
00:29:17,510 --> 00:29:15,520  
seeing

855  
00:29:18,789 --> 00:29:17,520  
that four bodies were discovered two

856  
00:29:20,710 --> 00:29:18,799  
miles away

857  
00:29:22,549 --> 00:29:20,720  
uh somewhat disturbed by predators of

858  
00:29:24,070 --> 00:29:22,559  
various sorts

859  
00:29:26,149 --> 00:29:24,080  
according to a document that's just

860  
00:29:27,590 --> 00:29:26,159  
recently been released a top secret eyes

861  
00:29:30,149 --> 00:29:27,600  
only document this led to the

862  
00:29:30,950 --> 00:29:30,159  
establishment of a team a super special

863  
00:29:33,190 --> 00:29:30,960

team of 12

864

00:29:34,710 --> 00:29:33,200

people reporting only to the president

865

00:29:36,070 --> 00:29:34,720

including the secretary of defense and

866

00:29:37,909 --> 00:29:36,080

the first three heads of the central

867

00:29:39,590 --> 00:29:37,919

intelligence group incidentally

868

00:29:41,510 --> 00:29:39,600

and that group is apparently still in

869

00:29:42,470 --> 00:29:41,520

place trying to figure out the

870

00:29:44,389 --> 00:29:42,480

technology

871

00:29:46,470 --> 00:29:44,399

uh having evaluated the bodies to say

872

00:29:48,149 --> 00:29:46,480

they're not from a common biological

873

00:29:51,269 --> 00:29:48,159

background with us

874

00:29:54,789 --> 00:29:51,279

and expressing concern with public panic

875

00:29:58,070 --> 00:29:54,799

um the key agency uh majestic

876

00:29:59,590 --> 00:29:58,080

12 it was called everything we found so

877

00:29:59,990 --> 00:29:59,600

far and we've been doing some very hard

878

00:30:01,750 --> 00:30:00,000

looking

879

00:30:03,110 --> 00:30:01,760

uh seems to suggest that this document

880

00:30:05,590 --> 00:30:03,120

is genuine

881

00:30:06,389 --> 00:30:05,600

and it's a very exciting twist of events

882

00:30:08,389 --> 00:30:06,399

because

883

00:30:10,789 --> 00:30:08,399

we were able to check the information in

884

00:30:12,630 --> 00:30:10,799

it about roswell against the data we had

885

00:30:13,990 --> 00:30:12,640

from all these people that we had talked

886

00:30:15,669 --> 00:30:14,000

to and

887

00:30:18,310 --> 00:30:15,679

we can't find anything in disagreement

888

00:30:20,070 --> 00:30:18,320

with what we already knew on that score

889

00:30:21,669 --> 00:30:20,080

and we checked all the people and they

890

00:30:22,870 --> 00:30:21,679

all had high level security clearance

891

00:30:24,710 --> 00:30:22,880

it's just the kind of people you'd

892

00:30:25,590 --> 00:30:24,720

expect to be involved in this kind of

893

00:30:27,830 --> 00:30:25,600

thing

894

00:30:29,669 --> 00:30:27,840

we've also checked dates when people

895

00:30:32,470 --> 00:30:29,679

supposedly got together and

896

00:30:33,909 --> 00:30:32,480

again everything checks out for example

897

00:30:36,470 --> 00:30:33,919

the document was actually a briefing

898

00:30:40,230 --> 00:30:36,480

document from president-elect eisenhower

899

00:30:42,070 --> 00:30:40,240

november 18th 1952 uh two weeks after he

900

00:30:43,590 --> 00:30:42,080

was elected for the first time and we

901  
00:30:45,510 --> 00:30:43,600  
were able to establish that he did

902  
00:30:47,750 --> 00:30:45,520  
indeed receive a briefing from at least

903  
00:30:49,669 --> 00:30:47,760  
one member of majestic 12 on that date

904  
00:30:52,549 --> 00:30:49,679  
according to the new york times

905  
00:30:53,269 --> 00:30:52,559  
leonard stringfield noted author and ufo

906  
00:30:55,830 --> 00:30:53,279  
crash site

907  
00:30:57,350 --> 00:30:55,840  
investigator talks of a recent ufo crash

908  
00:31:00,070 --> 00:30:57,360  
and government cover-up

909  
00:31:02,470 --> 00:31:00,080  
in the southeast of the united states a

910  
00:31:05,269 --> 00:31:02,480  
very recent one of interest

911  
00:31:07,029 --> 00:31:05,279  
occurred in western kentucky well just

912  
00:31:10,549 --> 00:31:07,039  
about six or seven months ago

913  
00:31:12,230 --> 00:31:10,559

and the remains the skeletal remains of

914

00:31:15,590 --> 00:31:12,240

the two creatures

915

00:31:18,389 --> 00:31:15,600

not human or animal were found on a

916

00:31:19,750 --> 00:31:18,399

farm a doctor who lives in the western i

917

00:31:21,990 --> 00:31:19,760

can't name it i'm not allowed to even

918

00:31:24,549 --> 00:31:22,000

name the town mind you but anyway

919

00:31:25,110 --> 00:31:24,559

a doctor owns a he uh who is retired

920

00:31:27,830 --> 00:31:25,120

don't say

921

00:31:29,830 --> 00:31:27,840

large tract of land farmland and in

922

00:31:31,590 --> 00:31:29,840

making one of his occasional strolls on

923

00:31:34,630 --> 00:31:31,600

his property he ran across these two

924

00:31:37,110 --> 00:31:34,640

sets of bones a little burned out area

925

00:31:39,110 --> 00:31:37,120

and uh he estimated that the bone

926  
00:31:41,350 --> 00:31:39,120  
remains some of the ligaments ligaments

927  
00:31:43,110 --> 00:31:41,360  
attached to the bone structure

928  
00:31:44,630 --> 00:31:43,120  
had been there for four or five months

929  
00:31:47,350 --> 00:31:44,640  
which would put it back to

930  
00:31:47,830 --> 00:31:47,360  
possibly the end of last year or the

931  
00:31:51,269 --> 00:31:47,840  
first

932  
00:31:53,110 --> 00:31:51,279  
year so uh the

933  
00:31:54,710 --> 00:31:53,120  
he in turn called the sheriff and the

934  
00:31:57,509 --> 00:31:54,720  
sheriff in turn

935  
00:31:57,909 --> 00:31:57,519  
called the military and uh they sent

936  
00:31:59,750 --> 00:31:57,919  
from

937  
00:32:01,269 --> 00:31:59,760  
fort campbell in kentucky they said

938  
00:32:02,870 --> 00:32:01,279

three helicopters are following

939

00:32:05,990 --> 00:32:02,880

the following morning this according to

940

00:32:09,110 --> 00:32:06,000

the doctor uh

941

00:32:09,430 --> 00:32:09,120

they sent the 20 20 people came out of

942

00:32:14,070 --> 00:32:09,440

the

943

00:32:16,470 --> 00:32:14,080

helicopters some military some civilians

944

00:32:17,110 --> 00:32:16,480

and just took over the whole property

945

00:32:19,350 --> 00:32:17,120

and they

946

00:32:20,950 --> 00:32:19,360

it was uh sophisticated equipment they

947

00:32:22,710 --> 00:32:20,960

made to

948

00:32:24,389 --> 00:32:22,720

get the area where the buns were and

949

00:32:27,350 --> 00:32:24,399

also the burned out area

950

00:32:28,950 --> 00:32:27,360

and then they returned the next morning

951  
00:32:30,789 --> 00:32:28,960  
with some new dirt with dirt phil

952  
00:32:32,710 --> 00:32:30,799  
to cover up everything make sure nobody

953  
00:32:33,350 --> 00:32:32,720  
got there see the doctor was asked not

954  
00:32:37,190 --> 00:32:33,360  
to

955  
00:32:39,110 --> 00:32:37,200  
years

956  
00:32:41,750 --> 00:32:39,120  
not all high level officials have chosen

957  
00:32:43,350 --> 00:32:41,760  
to remain silent on the ufo phenomenon

958  
00:32:44,549 --> 00:32:43,360  
clarence darjee who worked on the

959  
00:32:46,310 --> 00:32:44,559  
project blue book

960  
00:32:48,549 --> 00:32:46,320  
and is now retired from the air force

961  
00:32:52,750 --> 00:32:48,559  
remembers quotes by general macarthur

962  
00:32:55,750 --> 00:32:52,760  
and president reagan let's go back to

963  
00:32:57,509 --> 00:32:55,760

1954 with gerald douglas macarthur and

964

00:32:58,149 --> 00:32:57,519

we're all aware of that's a household

965

00:33:01,430 --> 00:32:58,159

word

966

00:33:02,950 --> 00:33:01,440

household name knows and

967

00:33:05,669 --> 00:33:02,960

of course i lived during the period when

968

00:33:07,430 --> 00:33:05,679

he was active and history has

969

00:33:10,310 --> 00:33:07,440

carried on his name he was not a man to

970

00:33:12,789 --> 00:33:10,320

make flip or idle statements

971

00:33:13,909 --> 00:33:12,799

during one of his press conferences

972

00:33:16,789 --> 00:33:13,919

shortly after he

973

00:33:18,149 --> 00:33:16,799

retired from the army he was asked at

974

00:33:20,070 --> 00:33:18,159

that time to

975

00:33:22,310 --> 00:33:20,080

give his opinion as to the chances for

976

00:33:23,029 --> 00:33:22,320

mankind's continuation on this earth now

977

00:33:25,590 --> 00:33:23,039

that

978

00:33:28,470 --> 00:33:25,600

we had invented these horrendous weapons

979

00:33:30,230 --> 00:33:28,480

such as atomic bombs and hydrogen bombs

980

00:33:32,950 --> 00:33:30,240

and he dropped a little bombshell of his

981

00:33:36,789 --> 00:33:32,960

own he said

982

00:33:38,710 --> 00:33:36,799

the greatest uh danger to mankind's

983

00:33:41,269 --> 00:33:38,720

continuation on this earth he said will

984

00:33:42,950 --> 00:33:41,279

not come from international strife

985

00:33:44,789 --> 00:33:42,960

he said immediately he said uh

986

00:33:46,470 --> 00:33:44,799

eventually runner he said all of the

987

00:33:48,710 --> 00:33:46,480

nations of the world will have to band

988

00:33:51,990 --> 00:33:48,720

together to face a greater threat

989

00:33:53,990 --> 00:33:52,000

and that is a threat from outer space

990

00:33:55,909 --> 00:33:54,000

that is a man who was privy to

991

00:33:58,710 --> 00:33:55,919

information that

992

00:33:59,909 --> 00:33:58,720

a lot of other sources did not have even

993

00:34:02,870 --> 00:33:59,919

as late as

994

00:34:03,990 --> 00:34:02,880

last year with the uh the summit meeting

995

00:34:07,110 --> 00:34:04,000

at the regiment

996

00:34:09,909 --> 00:34:07,120

in iceland at that time

997

00:34:10,790 --> 00:34:09,919

president reagan made an offer to

998

00:34:13,349 --> 00:34:10,800

gorbachev

999

00:34:15,109 --> 00:34:13,359

premier gilbert and said he would be

1000

00:34:16,790 --> 00:34:15,119

willing to ally our forces were the

1001  
00:34:18,629 --> 00:34:16,800  
russian forces in the event of an

1002  
00:34:20,790 --> 00:34:18,639  
invasion from outer space

1003  
00:34:23,669 --> 00:34:20,800  
jay allen heineck was an astrophysicist

1004  
00:34:25,430 --> 00:34:23,679  
and consultant from 1948 to 1969 on the

1005  
00:34:27,750 --> 00:34:25,440  
air force's project grudge which later

1006  
00:34:29,669 --> 00:34:27,760  
became the now famous project blue book

1007  
00:34:31,030 --> 00:34:29,679  
heineken became extremely disenchanted

1008  
00:34:33,030 --> 00:34:31,040  
with the air force's reluctance in

1009  
00:34:35,589 --> 00:34:33,040  
taking ufo sightings seriously

1010  
00:34:37,190 --> 00:34:35,599  
in 1973 he founded the j allen heineck

1011  
00:34:39,109 --> 00:34:37,200  
center for ufo studies

1012  
00:34:41,030 --> 00:34:39,119  
kufos was the first research facility

1013  
00:34:42,550 --> 00:34:41,040

established by a scientist and dedicated

1014

00:34:44,310 --> 00:34:42,560

to the collection investigation and

1015

00:34:45,589 --> 00:34:44,320

analysis of ufo research

1016

00:34:47,349 --> 00:34:45,599

here are some of the most interesting

1017

00:34:50,389 --> 00:34:47,359

stories out of their recent files

1018

00:34:52,389 --> 00:34:50,399

in october of 1979 lou blackburn shot

1019

00:34:53,750 --> 00:34:52,399

slides of a ufo over a title river mouth

1020

00:34:55,190 --> 00:34:53,760

at motu now new zealand

1021

00:34:56,629 --> 00:34:55,200

the pictures were taken while blackburn

1022

00:34:57,270 --> 00:34:56,639

was photographing a friend's fishing

1023

00:34:59,030 --> 00:34:57,280

boat

1024

00:35:00,550 --> 00:34:59,040

fifteen-year-old franklin abraham yuri

1025

00:35:01,349 --> 00:35:00,560

was living in iran with his parents and

1026  
00:35:03,829 --> 00:35:01,359  
younger brother

1027  
00:35:05,589 --> 00:35:03,839  
october 8th 1978 franklin was playing

1028  
00:35:07,750 --> 00:35:05,599  
soccer in his backyard when a strange

1029  
00:35:09,510 --> 00:35:07,760  
white object approached him from the sky

1030  
00:35:11,829 --> 00:35:09,520  
franklin snapped photos from a kodak

1031  
00:35:13,910 --> 00:35:11,839  
camera loaded with 126 color film

1032  
00:35:15,589 --> 00:35:13,920  
from scotland 14 year old james allen

1033  
00:35:16,710 --> 00:35:15,599  
took this picture while photographing a

1034  
00:35:18,150 --> 00:35:16,720  
dead volcano

1035  
00:35:20,230 --> 00:35:18,160  
walking home he heard a weird humming

1036  
00:35:22,069 --> 00:35:20,240  
noise looked up saw the object aimed his

1037  
00:35:23,270 --> 00:35:22,079  
extra 12 camera and took a picture of

1038  
00:35:25,910 --> 00:35:23,280

the flying object

1039

00:35:27,990 --> 00:35:25,920

august 1977 canoe jensen snapped

1040

00:35:30,550 --> 00:35:28,000

photographs with his fixed focused kodak

1041

00:35:33,109 --> 00:35:30,560

pocket camera in edmonton alberta canada

1042

00:35:34,870 --> 00:35:33,119

and going back to august 2nd 1965 alan

1043

00:35:35,670 --> 00:35:34,880

smith was over tulsa oklahoma and took

1044

00:35:37,910 --> 00:35:35,680

this photo

1045

00:35:39,750 --> 00:35:37,920

and in the early 70s jay allen heineck

1046

00:35:41,349 --> 00:35:39,760

himself spotted this ufo from an

1047

00:35:43,270 --> 00:35:41,359

airliner

1048

00:35:44,470 --> 00:35:43,280

following jay allen heineck's death

1049

00:35:46,550 --> 00:35:44,480

donald c schmidt

1050

00:35:49,030 --> 00:35:46,560

became director of the center for ufo

1051  
00:35:51,430 --> 00:35:49,040  
studies he is also wisconsin state

1052  
00:35:53,270 --> 00:35:51,440  
director for the mutual ufo network

1053  
00:35:55,349 --> 00:35:53,280  
author of numerous published articles

1054  
00:35:57,030 --> 00:35:55,359  
and newspaper columns on ufos he has

1055  
00:35:59,030 --> 00:35:57,040  
lectured widely on the subject

1056  
00:36:01,430 --> 00:35:59,040  
and has frequently been interviewed by

1057  
00:36:02,870 --> 00:36:01,440  
tv and radio stations newspapers and

1058  
00:36:05,670 --> 00:36:02,880  
magazines

1059  
00:36:06,870 --> 00:36:05,680  
well the center on an average receives

1060  
00:36:09,030 --> 00:36:06,880  
from two to three

1061  
00:36:10,069 --> 00:36:09,040  
reports a day and when i say the word

1062  
00:36:11,990 --> 00:36:10,079  
report

1063  
00:36:13,990 --> 00:36:12,000

that only means that it comes to us as

1064

00:36:15,589 --> 00:36:14,000

nothing more than a report

1065

00:36:17,750 --> 00:36:15,599

when we talk about legitimate ufo

1066

00:36:20,950 --> 00:36:17,760

activity we do explain

1067

00:36:21,270 --> 00:36:20,960

roughly 90 of the cases that come in so

1068

00:36:23,990 --> 00:36:21,280

that

1069

00:36:25,510 --> 00:36:24,000

leaves us with only a few dozen cases

1070

00:36:28,470 --> 00:36:25,520

that really stand out

1071

00:36:30,470 --> 00:36:28,480

as legitimate ufos at year's end and

1072

00:36:33,670 --> 00:36:30,480

those are cases that you follow up on

1073

00:36:35,430 --> 00:36:33,680

uh do you go to the locations and and

1074

00:36:37,190 --> 00:36:35,440

investigate them thoroughly

1075

00:36:39,190 --> 00:36:37,200

and we in fact we will assign

1076  
00:36:40,470 --> 00:36:39,200  
investigators who work specifically

1077  
00:36:43,109 --> 00:36:40,480  
through the center

1078  
00:36:44,790 --> 00:36:43,119  
and if they really warrant scientific

1079  
00:36:45,430 --> 00:36:44,800  
investigation we would actually get

1080  
00:36:47,349 --> 00:36:45,440  
involved

1081  
00:36:49,109 --> 00:36:47,359  
ourselves as far as the scientific

1082  
00:36:50,390 --> 00:36:49,119  
directors of the senate

1083  
00:36:51,750 --> 00:36:50,400  
could you tell us about some of the most

1084  
00:36:54,390 --> 00:36:51,760  
well-known cases that you've

1085  
00:36:57,349 --> 00:36:54,400  
investigated through the center

1086  
00:36:57,910 --> 00:36:57,359  
we're currently working on what has been

1087  
00:37:00,790 --> 00:36:57,920  
originally

1088  
00:37:02,630 --> 00:37:00,800

classified as a mini ufo slab in

1089

00:37:06,710 --> 00:37:02,640

midwestern wisconsin

1090

00:37:09,750 --> 00:37:06,720

where to be since mid-january we have

1091

00:37:11,750 --> 00:37:09,760

about 40 independent reports

1092

00:37:13,589 --> 00:37:11,760

involving police officers a number of

1093

00:37:15,510 --> 00:37:13,599

scientists and other people

1094

00:37:17,270 --> 00:37:15,520

one particular night in question we had

1095

00:37:19,750 --> 00:37:17,280

four separate police

1096

00:37:21,510 --> 00:37:19,760

officers involved all describing

1097

00:37:24,790 --> 00:37:21,520

essentially the same thing

1098

00:37:25,910 --> 00:37:24,800

cigar shaped objects uh red white blue

1099

00:37:29,349 --> 00:37:25,920

configurations of

1100

00:37:29,589 --> 00:37:29,359

lights objects passing directly overhead

1101

00:37:36,310 --> 00:37:29,599

of

1102

00:37:37,990 --> 00:37:36,320

tracked on radar

1103

00:37:40,069 --> 00:37:38,000

by the flight control center down in

1104

00:37:42,150 --> 00:37:40,079

aurora illinois which confirmed the fact

1105

00:37:45,030 --> 00:37:42,160

that there was some actual object

1106

00:37:46,630 --> 00:37:45,040

present at ticker evening at first we

1107

00:37:48,470 --> 00:37:46,640

decided we wouldn't tell anyone we just

1108

00:37:50,630 --> 00:37:48,480

keep it to ourselves because

1109

00:37:51,589 --> 00:37:50,640

you know i didn't want to be caught nut

1110

00:37:52,870 --> 00:37:51,599

and crazy

1111

00:37:55,670 --> 00:37:52,880

those things are just not supposed to

1112

00:37:57,190 --> 00:37:55,680

happen but the more i thought about it

1113

00:37:59,109 --> 00:37:57,200

the more i realized that

1114

00:38:00,230 --> 00:37:59,119

that we had to tell someone maybe the

1115

00:38:02,069 --> 00:38:00,240

military because

1116

00:38:04,310 --> 00:38:02,079

you know possibly our country could be a

1117

00:38:06,150 --> 00:38:04,320

threat to our country

1118

00:38:07,990 --> 00:38:06,160

so we stopped on the way home and i

1119

00:38:09,270 --> 00:38:08,000

called keisler air force base from a

1120

00:38:12,150 --> 00:38:09,280

paid phone

1121

00:38:13,510 --> 00:38:12,160

and uh briefly i tried to explain to

1122

00:38:15,190 --> 00:38:13,520

them what had happened but

1123

00:38:16,470 --> 00:38:15,200

they informed me that they didn't handle

1124

00:38:18,950 --> 00:38:16,480

those things that we'd have to go

1125

00:38:20,710 --> 00:38:18,960

through the local church department

1126

00:38:22,390 --> 00:38:20,720

well we hesitated there we didn't want

1127

00:38:23,190 --> 00:38:22,400

to go through the sheriff's department

1128

00:38:24,710 --> 00:38:23,200

because

1129

00:38:27,990 --> 00:38:24,720

you know they might just grab a sudden

1130

00:38:29,670 --> 00:38:28,000

take us onto the nut house

1131

00:38:31,349 --> 00:38:29,680

but anyway we talked it over again and

1132

00:38:32,630 --> 00:38:31,359

decided we would call the sheriff's

1133

00:38:34,870 --> 00:38:32,640

department and

1134

00:38:36,470 --> 00:38:34,880

maybe we could get him to assure us that

1135

00:38:37,910 --> 00:38:36,480

that we wouldn't have any publicity

1136

00:38:39,430 --> 00:38:37,920

about it

1137

00:38:41,190 --> 00:38:39,440

so i called the sheriff's department and

1138

00:38:42,790 --> 00:38:41,200

they sent two deputies over which after

1139

00:38:45,109 --> 00:38:42,800

talking with us asked us to follow him

1140

00:38:47,750 --> 00:38:45,119

to the sheriff's department and we did

1141

00:38:49,589 --> 00:38:47,760

and they are questions there for several

1142

00:38:52,069 --> 00:38:49,599

hours

1143

00:38:52,950 --> 00:38:52,079

and the sheriff assured me that night

1144

00:38:54,710 --> 00:38:52,960

that

1145

00:38:56,230 --> 00:38:54,720

uh we wouldn't have any publicity about

1146

00:38:58,069 --> 00:38:56,240

it at all he would try to

1147

00:38:59,670 --> 00:38:58,079

to maybe report it to the proper

1148

00:39:00,790 --> 00:38:59,680

authorities whoever the proper

1149

00:39:02,310 --> 00:39:00,800

authorities were and it could be

1150

00:39:06,310 --> 00:39:02,320

investigated

1151

00:39:09,349 --> 00:39:06,320

but the next day uh when we reached work

1152

00:39:10,150 --> 00:39:09,359

my telephone was was ringing and it was

1153

00:39:13,349 --> 00:39:10,160

some

1154

00:39:15,030 --> 00:39:13,359

reporter from jackson and then uh all

1155

00:39:15,990 --> 00:39:15,040

the telephones at the shipyard started

1156

00:39:17,910 --> 00:39:16,000

ringing and

1157

00:39:19,510 --> 00:39:17,920

they were trying to get information

1158

00:39:21,030 --> 00:39:19,520

about what happened to charlie x and

1159

00:39:23,910 --> 00:39:21,040

calvin parker

1160

00:39:25,910 --> 00:39:23,920

that past night in past school public

1161

00:39:27,990 --> 00:39:25,920

awareness about ufos has increased

1162

00:39:30,310 --> 00:39:28,000

tremendously in the past few years

1163

00:39:31,750 --> 00:39:30,320

in a recent gallup poll 15 million

1164

00:39:34,710 --> 00:39:31,760

americans claimed to have had an

1165

00:39:35,829 --> 00:39:34,720

actual ufo sighting the poll went on to

1166

00:39:38,390 --> 00:39:35,839

say that 51

1167

00:39:39,750 --> 00:39:38,400

of all americans believe that ufos exist

1168

00:39:41,910 --> 00:39:39,760

and 46

1169

00:39:43,270 --> 00:39:41,920

believe that there is intelligent life

1170

00:39:45,430 --> 00:39:43,280

on other planets

1171

00:39:47,349 --> 00:39:45,440

sightings are being reported daily and

1172

00:39:48,790 --> 00:39:47,359

people are actively looking to the skies

1173

00:39:49,829 --> 00:39:48,800

in hopes of catching a glimpse of the

1174

00:39:51,910 --> 00:39:49,839

ufo

1175

00:39:54,390 --> 00:39:51,920

the national enquirer a weekly

1176

00:39:55,510 --> 00:39:54,400

supermarket tabloid has even gone as far

1177

00:39:58,390 --> 00:39:55,520

as to offer a 50

1178

00:39:59,750 --> 00:39:58,400

000 reward for positive proof that ufos

1179

00:40:02,470 --> 00:39:59,760

exist

1180

00:40:03,990 --> 00:40:02,480

during the latter part of 1987 charles

1181

00:40:05,990 --> 00:40:04,000

hickson and calvin parker were the

1182

00:40:07,910 --> 00:40:06,000

subject of a series of television shows

1183

00:40:09,430 --> 00:40:07,920

in the pascagoula area

1184

00:40:11,510 --> 00:40:09,440

the shows were broadcast live by

1185

00:40:13,430 --> 00:40:11,520

mississippi community television and

1186

00:40:15,510 --> 00:40:13,440

gave viewers the opportunity to call in

1187

00:40:16,950 --> 00:40:15,520

and ask questions or direct comments to

1188

00:40:19,349 --> 00:40:16,960

charlie and calvin

1189

00:40:21,829 --> 00:40:19,359

in all 15 shows were aired during this

1190

00:40:24,069 --> 00:40:21,839

time 209 phone calls were taken

1191

00:40:26,390 --> 00:40:24,079

and almost all of them expressed support

1192

00:40:28,069 --> 00:40:26,400

and belief in charlie and calvin's story

1193

00:40:30,150 --> 00:40:28,079

during these shows charlie was often

1194

00:40:35,750 --> 00:40:30,160

joined by other noteworthy people

1195

00:40:38,630 --> 00:40:35,760

in the ufo field i saw a number of them

1196

00:40:39,510 --> 00:40:38,640

well the first ones i saw was in alabama

1197

00:40:42,390 --> 00:40:39,520

and

1198

00:40:44,150 --> 00:40:42,400

they were in the form of the lights that

1199

00:40:46,550 --> 00:40:44,160

everybody saw

1200

00:40:47,430 --> 00:40:46,560

you know so many people saw the years of

1201  
00:40:49,829 --> 00:40:47,440  
bright

1202  
00:40:52,150 --> 00:40:49,839  
moving lights some of them sometimes

1203  
00:40:54,710 --> 00:40:52,160  
they changed direction

1204  
00:40:56,710 --> 00:40:54,720  
and they change colors intensity the

1205  
00:40:59,349 --> 00:40:56,720  
intensity of the light change

1206  
00:41:00,150 --> 00:40:59,359  
and one time i even saw one break up a

1207  
00:41:03,670 --> 00:41:00,160  
flight of

1208  
00:41:05,190 --> 00:41:03,680  
airplanes at night and

1209  
00:41:07,030 --> 00:41:05,200  
it fascinated me i knew there was

1210  
00:41:08,870 --> 00:41:07,040  
something going on i didn't you know i

1211  
00:41:11,910 --> 00:41:08,880  
was like everybody else i didn't know

1212  
00:41:15,270 --> 00:41:11,920  
what it was but i as a hobby i

1213  
00:41:16,230 --> 00:41:15,280

i kept up with what was uh published

1214

00:41:20,069 --> 00:41:16,240

about

1215

00:41:22,790 --> 00:41:20,079

these objects and in 1952

1216

00:41:24,630 --> 00:41:22,800

a man by the name of george adamski this

1217

00:41:28,230 --> 00:41:24,640

gentleman right here

1218

00:41:30,550 --> 00:41:28,240

he uh he took this

1219

00:41:32,710 --> 00:41:30,560

photograph is a he took a series of

1220

00:41:34,950 --> 00:41:32,720

photographs but this photograph

1221

00:41:36,550 --> 00:41:34,960

was the clearest of the ones that he

1222

00:41:39,750 --> 00:41:36,560

took

1223

00:41:41,589 --> 00:41:39,760

and he published it saying it was a ufo

1224

00:41:43,349 --> 00:41:41,599

and he took the picture

1225

00:41:45,829 --> 00:41:43,359

he had a camera mounted on he was an

1226

00:41:46,790 --> 00:41:45,839

amateur astronomer and he had a camera

1227

00:41:51,589 --> 00:41:46,800

mounted on a six

1228

00:41:55,270 --> 00:41:51,599

inch telescope out in the back of his uh

1229

00:41:57,670 --> 00:41:55,280

home in california and

1230

00:41:58,630 --> 00:41:57,680

he managed to get this picture uh and

1231

00:42:03,270 --> 00:41:58,640

several others

1232

00:42:05,829 --> 00:42:03,280

and so he published it and

1233

00:42:08,550 --> 00:42:05,839

it went worldwide became famous and he

1234

00:42:12,470 --> 00:42:10,710

giving uh more information about the

1235

00:42:15,589 --> 00:42:12,480

photograph because he said that

1236

00:42:16,470 --> 00:42:15,599

the people flying this aircraft uh gave

1237

00:42:19,589 --> 00:42:16,480

him a ride and

1238

00:42:21,030 --> 00:42:19,599

eventually several rides and he said

1239

00:42:21,670 --> 00:42:21,040

they told him they came from other

1240

00:42:24,870 --> 00:42:21,680

planets

1241

00:42:27,510 --> 00:42:24,880

and uh i honestly

1242

00:42:27,990 --> 00:42:27,520

uh in the beginning didn't believe the

1243

00:42:30,870 --> 00:42:28,000

man

1244

00:42:33,030 --> 00:42:30,880

but the photograph alone fascinated me i

1245

00:42:35,190 --> 00:42:33,040

i believed that that he saw something

1246

00:42:36,550 --> 00:42:35,200

because i saw the objects flying around

1247

00:42:38,309 --> 00:42:36,560

in form of

1248

00:42:40,150 --> 00:42:38,319

balls of light and so on as everybody

1249

00:42:42,069 --> 00:42:40,160

else did but

1250

00:42:43,829 --> 00:42:42,079

i was skeptical about him saying that he

1251

00:42:45,750 --> 00:42:43,839

took a ride

1252

00:42:47,589 --> 00:42:45,760

at an annual convention of ufology

1253

00:42:48,870 --> 00:42:47,599

experts charlie joined hundreds of other

1254

00:42:50,309 --> 00:42:48,880

interested people in gathering the

1255

00:42:51,990 --> 00:42:50,319

latest information dealing with

1256

00:42:54,150 --> 00:42:52,000

extraterrestrial phenomena

1257

00:42:55,589 --> 00:42:54,160

the mutual ufo network symposium brings

1258

00:42:57,030 --> 00:42:55,599

together people from all over the world

1259

00:42:57,990 --> 00:42:57,040

to speak about their theories and

1260

00:42:59,430 --> 00:42:58,000

experiences

1261

00:43:01,190 --> 00:42:59,440

charlie himself joined a panel of

1262

00:43:02,470 --> 00:43:01,200

speakers who each had their own alleged

1263

00:43:04,309 --> 00:43:02,480

contact with aliens

1264

00:43:06,069 --> 00:43:04,319

he found himself listening with awe and

1265

00:43:07,750 --> 00:43:06,079

fascination as these perfectly normal

1266

00:43:09,910 --> 00:43:07,760

people related frightening encounters

1267

00:43:11,589 --> 00:43:09,920

with strange beings from other worlds

1268

00:43:13,430 --> 00:43:11,599

charlie was also able to seek out advice

1269

00:43:16,390 --> 00:43:13,440

and gain the camaraderie of famous ufo

1270

00:43:18,710 --> 00:43:16,400

researchers attending the symposium

1271

00:43:20,630 --> 00:43:18,720

the first documented and perhaps most

1272

00:43:21,790 --> 00:43:20,640

publicized deduction took place on

1273

00:43:24,470 --> 00:43:21,800

september 19

1274

00:43:25,430 --> 00:43:24,480

1961 in the white mountains of new

1275

00:43:27,910 --> 00:43:25,440

hampshire

1276  
00:43:29,510 --> 00:43:27,920  
unbeknownst to them at the time betty

1277  
00:43:30,390 --> 00:43:29,520  
and barney hill were taken aboard a

1278  
00:43:33,030 --> 00:43:30,400  
spacecraft

1279  
00:43:34,630 --> 00:43:33,040  
examined and released the only memory

1280  
00:43:35,270 --> 00:43:34,640  
they had of that night was returning

1281  
00:43:37,510 --> 00:43:35,280  
home late

1282  
00:43:40,069 --> 00:43:37,520  
from the trip and being unable to

1283  
00:43:42,390 --> 00:43:40,079  
account for two hours during that time

1284  
00:43:43,190 --> 00:43:42,400  
four years later under hypnosis the

1285  
00:43:45,990 --> 00:43:43,200  
whole story

1286  
00:43:46,950 --> 00:43:46,000  
finally came to light the car motor

1287  
00:43:50,230 --> 00:43:46,960  
stalled

1288  
00:43:50,870 --> 00:43:50,240

they came up on each side took us out of

1289

00:43:52,710 --> 00:43:50,880

the car

1290

00:43:54,790 --> 00:43:52,720

along a path in the woods to where the

1291

00:43:58,550 --> 00:43:54,800

craft was on the ground

1292

00:43:58,950 --> 00:43:58,560

took us on board said they wanted to

1293

00:44:02,309 --> 00:43:58,960

find

1294

00:44:02,950 --> 00:44:02,319

out how we were like them or different

1295

00:44:05,109 --> 00:44:02,960

from them

1296

00:44:06,950 --> 00:44:05,119

and they were going to do some testing

1297

00:44:08,630 --> 00:44:06,960

and as soon as the testing was over with

1298

00:44:10,470 --> 00:44:08,640

they'd take us back to the car and we'd

1299

00:44:12,069 --> 00:44:10,480

be able to go home

1300

00:44:13,910 --> 00:44:12,079

they gave each they took us into

1301  
00:44:15,670 --> 00:44:13,920  
separate rooms and they gave

1302  
00:44:17,990 --> 00:44:15,680  
each of us a form of physical

1303  
00:44:22,069 --> 00:44:18,000  
examination

1304  
00:44:24,870 --> 00:44:22,079  
and uh there was one

1305  
00:44:25,270 --> 00:44:24,880  
who spoke english there was a total of

1306  
00:44:27,990 --> 00:44:25,280  
11

1307  
00:44:29,910 --> 00:44:28,000  
altogether so for purposes of

1308  
00:44:31,349 --> 00:44:29,920  
identification the one who spoke english

1309  
00:44:33,030 --> 00:44:31,359  
we called the leader

1310  
00:44:34,390 --> 00:44:33,040  
the one who did the testing we called

1311  
00:44:36,710 --> 00:44:34,400  
the examiner

1312  
00:44:37,829 --> 00:44:36,720  
and the nine of those stayed out in the

1313  
00:44:40,309 --> 00:44:37,839

corridor

1314

00:44:42,230 --> 00:44:40,319

so we call them the crew members i was

1315

00:44:44,390 --> 00:44:42,240

examined first

1316

00:44:45,829 --> 00:44:44,400

and then the examiner went into the room

1317

00:44:48,069 --> 00:44:45,839

where barney was

1318

00:44:49,270 --> 00:44:48,079

and i was beginning to overcome some of

1319

00:44:51,829 --> 00:44:49,280

my terror

1320

00:44:53,349 --> 00:44:51,839

and beginning to relax and i said to the

1321

00:44:55,750 --> 00:44:53,359

leader

1322

00:44:57,670 --> 00:44:55,760

i know you're not from this planet i'd

1323

00:45:00,870 --> 00:44:57,680

like to know where you're from

1324

00:45:03,109 --> 00:45:00,880

he showed me a star map

1325

00:45:05,670 --> 00:45:03,119

and he explained it to me briefly and

1326

00:45:07,670 --> 00:45:05,680

then later dr simon gave me the

1327

00:45:08,630 --> 00:45:07,680

post-hypnotic suggestion that if i'd

1328

00:45:12,069 --> 00:45:08,640

like to i'd be

1329

00:45:14,950 --> 00:45:12,079

able to sketch the map which i did

1330

00:45:15,670 --> 00:45:14,960

this became important later because

1331

00:45:18,470 --> 00:45:15,680

marjorie

1332

00:45:19,030 --> 00:45:18,480

fish who at that time was a school

1333

00:45:22,069 --> 00:45:19,040

teacher

1334

00:45:25,270 --> 00:45:22,079

in ohio did the research

1335

00:45:29,589 --> 00:45:25,280

and found out that this pattern of stars

1336

00:45:32,390 --> 00:45:29,599

that i had scheduled actually exists

1337

00:45:33,430 --> 00:45:32,400

and she was able to identify these i

1338

00:45:36,390 --> 00:45:33,440

mean this took

1339

00:45:38,230 --> 00:45:36,400

many years for one thing her research

1340

00:45:41,670 --> 00:45:38,240

was handicapped by

1341

00:45:45,670 --> 00:45:41,680

i had two maps two stars on the map

1342

00:45:48,790 --> 00:45:45,680

that our astronomers had not found

1343

00:45:50,390 --> 00:45:48,800

but later they did and that completed

1344

00:45:53,829 --> 00:45:50,400

the research

1345

00:45:56,950 --> 00:45:53,839

kurt october 11th 1973 was

1346

00:45:58,390 --> 00:45:56,960

the first of several encounters for your

1347

00:45:59,910 --> 00:45:58,400

father

1348

00:46:01,430 --> 00:45:59,920

one i would like to speak with you about

1349

00:46:04,710 --> 00:46:01,440

specifically is

1350

00:46:07,589 --> 00:46:04,720

may of 1974 mother's day

1351  
00:46:08,630 --> 00:46:07,599  
when you were with your father and you

1352  
00:46:10,550 --> 00:46:08,640  
had a siding

1353  
00:46:12,950 --> 00:46:10,560  
with him and several other members of

1354  
00:46:14,950 --> 00:46:12,960  
your family would you tell us about that

1355  
00:46:16,870 --> 00:46:14,960  
oh yes we were traveling back from jones

1356  
00:46:19,109 --> 00:46:16,880  
county coming back mother's day

1357  
00:46:20,630 --> 00:46:19,119  
up at my grandmother's house and uh we

1358  
00:46:21,430 --> 00:46:20,640  
would come out of the town called sochi

1359  
00:46:24,230 --> 00:46:21,440  
there

1360  
00:46:25,990 --> 00:46:24,240  
headed back and uh i had noticed a light

1361  
00:46:28,790 --> 00:46:26,000  
back over to the right

1362  
00:46:30,230 --> 00:46:28,800  
i was real young then and kept on

1363  
00:46:32,390 --> 00:46:30,240

watching it to come on around the car it

1364

00:46:34,150 --> 00:46:32,400

was still pretty good ways off

1365

00:46:36,390 --> 00:46:34,160

and uh it come on around to the left

1366

00:46:37,750 --> 00:46:36,400

there and kind of slowed down it kind of

1367

00:46:40,309 --> 00:46:37,760

got closer

1368

00:46:42,150 --> 00:46:40,319

to us and then my brother-in-law was

1369

00:46:43,109 --> 00:46:42,160

driving the car he had slowed the car

1370

00:46:44,950 --> 00:46:43,119

down some

1371

00:46:47,750 --> 00:46:44,960

the light had got brighter and come on

1372

00:46:49,990 --> 00:46:47,760

around and come in front of the car

1373

00:46:51,750 --> 00:46:50,000

i would say 500 yards off and just kind

1374

00:46:53,190 --> 00:46:51,760

of hovered over the road like

1375

00:46:55,510 --> 00:46:53,200

enough where you could tell the lights

1376

00:46:57,829 --> 00:46:55,520

and see what it looked like now

1377

00:46:59,510 --> 00:46:57,839

after he kind of like was going to spell

1378

00:47:00,230 --> 00:46:59,520

back up that kind of picked back up

1379

00:47:01,829 --> 00:47:00,240

again

1380

00:47:03,589 --> 00:47:01,839

and off to the right it went back off to

1381

00:47:05,109 --> 00:47:03,599

the right again and you can see what it

1382

00:47:05,589 --> 00:47:05,119

looked like it had landed back in there

1383

00:47:10,790 --> 00:47:05,599

with him

1384

00:47:12,069 --> 00:47:10,800

tall pine tree there and uh

1385

00:47:13,829 --> 00:47:12,079

it was something that i won't never

1386

00:47:15,349 --> 00:47:13,839

forget i can always say that i've seen

1387

00:47:18,550 --> 00:47:15,359

one for myself

1388

00:47:19,430 --> 00:47:18,560

you know to know that they are real and

1389

00:47:22,069 --> 00:47:19,440

your dad

1390

00:47:23,430 --> 00:47:22,079

he tried to get out of the car right he

1391

00:47:25,190 --> 00:47:23,440

tried to get out of the car and my

1392

00:47:27,190 --> 00:47:25,200

mother she was all in hysterics

1393

00:47:28,230 --> 00:47:27,200

she didn't want him to get out and uh

1394

00:47:29,750 --> 00:47:28,240

after

1395

00:47:31,670 --> 00:47:29,760

she had done about to win his third he

1396

00:47:32,309 --> 00:47:31,680

decided well he wouldn't get out that

1397

00:47:33,829 --> 00:47:32,319

time he

1398

00:47:35,670 --> 00:47:33,839

i reckon he figured my name would be

1399

00:47:38,150 --> 00:47:35,680

another time

1400

00:47:39,030 --> 00:47:38,160

tell me about your life since that night

1401

00:47:43,510 --> 00:47:39,040

october 11th

1402

00:47:46,790 --> 00:47:43,520

1973 well it's not much to tell about uh

1403

00:47:48,630 --> 00:47:46,800

i've been through a couple of bad

1404

00:47:51,910 --> 00:47:48,640

relationships bad marriages

1405

00:47:53,510 --> 00:47:51,920

uh and most of it was my fault you know

1406

00:47:57,109 --> 00:47:53,520

i wouldn't say it was my wife's fault

1407

00:47:59,750 --> 00:47:57,119

during the time um

1408

00:48:02,549 --> 00:47:59,760

nerve problems changed jobs you know

1409

00:48:04,630 --> 00:48:02,559

several different times

1410

00:48:06,790 --> 00:48:04,640

just a lot of different things as a

1411

00:48:08,710 --> 00:48:06,800

whole i think the public has been real

1412

00:48:12,470 --> 00:48:08,720

decent to me

1413

00:48:14,309 --> 00:48:12,480

um i haven't had any ridicule over all

1414

00:48:17,030 --> 00:48:14,319

these years

1415

00:48:17,990 --> 00:48:17,040

uh i think it's because i've been honest

1416

00:48:19,910 --> 00:48:18,000

uh

1417

00:48:22,069 --> 00:48:19,920

and when people wanted to ask me

1418

00:48:25,750 --> 00:48:22,079

questions about it and talk about it i

1419

00:48:27,829 --> 00:48:25,760

took up my time to do it religion

1420

00:48:29,750 --> 00:48:27,839

far from being at odds from science may

1421

00:48:31,349 --> 00:48:29,760

itself be a vague and distorted memory

1422

00:48:33,190 --> 00:48:31,359

of things once known

1423

00:48:35,109 --> 00:48:33,200

things we're beginning to rediscover

1424

00:48:37,190 --> 00:48:35,119

through science however

1425

00:48:38,790 --> 00:48:37,200

the religious convictions of many are a

1426

00:48:41,030 --> 00:48:38,800

considerable source of bias in the

1427

00:48:43,270 --> 00:48:41,040

matter of extraterrestrial visitors

1428

00:48:44,710 --> 00:48:43,280

recently we talked with ted peters a

1429

00:48:45,990 --> 00:48:44,720

lutheran minister and professor of

1430

00:48:48,390 --> 00:48:46,000

systematic theology

1431

00:48:50,390 --> 00:48:48,400

at pacific lutheran seminary about his

1432

00:48:51,030 --> 00:48:50,400

philosophic views which are shared by

1433

00:48:54,069 --> 00:48:51,040

many

1434

00:48:55,750 --> 00:48:54,079

times i've taught

1435

00:48:59,190 --> 00:48:55,760

courses on the book of revelation

1436

00:49:03,190 --> 00:48:59,200

there's absolutely nothing in there

1437

00:49:04,549 --> 00:49:03,200

about aliens uh putting human beings uh

1438

00:49:07,670 --> 00:49:04,559

here on earth

1439

00:49:10,230 --> 00:49:07,680

i think that we can

1440

00:49:10,710 --> 00:49:10,240

ask seriously whether or not there might

1441

00:49:13,750 --> 00:49:10,720

be

1442

00:49:15,990 --> 00:49:13,760

intelligent life on other planets and

1443

00:49:16,790 --> 00:49:16,000

uh but i don't think that we need to

1444

00:49:19,190 --> 00:49:16,800

necessarily

1445

00:49:21,270 --> 00:49:19,200

uh pin it on the bible to do that i know

1446

00:49:24,069 --> 00:49:21,280

there are some people who say

1447

00:49:27,190 --> 00:49:24,079

that the belief that people live in

1448

00:49:29,990 --> 00:49:27,200

other planets come to us from the devil

1449

00:49:31,990 --> 00:49:30,000

i think that that's wrong i remember

1450

00:49:33,990 --> 00:49:32,000

charles hickson saying one time when i

1451

00:49:37,430 --> 00:49:34,000

quizzed him i asked him

1452

00:49:39,430 --> 00:49:37,440

how did your experience with the ufo um

1453

00:49:41,270 --> 00:49:39,440

change your religious beliefs he said

1454

00:49:44,309 --> 00:49:41,280

well it didn't change him much i'm a

1455

00:49:47,430 --> 00:49:44,319

hardshell baptist he said but now i have

1456

00:49:49,750 --> 00:49:47,440

a picture of the of the bigness of god's

1457

00:49:50,069 --> 00:49:49,760

creation in many ways i think that the

1458

00:49:52,150 --> 00:49:50,079

most

1459

00:49:53,430 --> 00:49:52,160

thoughtful theologians say exactly the

1460

00:49:56,309 --> 00:49:53,440

same thing

1461

00:49:56,710 --> 00:49:56,319

that god created the whole cosmos and if

1462

00:49:58,790 --> 00:49:56,720

there

1463

00:50:00,710 --> 00:49:58,800

are intelligent beings on other planets

1464

00:50:03,510 --> 00:50:00,720

then they're part of the divine creation

1465

00:50:04,069 --> 00:50:03,520

as well and whether the bible says that

1466

00:50:05,910 --> 00:50:04,079

or not

1467

00:50:07,829 --> 00:50:05,920

it's certainly an exciting thought to

1468

00:50:09,910 --> 00:50:07,839

ponder

1469

00:50:11,510 --> 00:50:09,920

man has always had an unquenchable

1470

00:50:13,510 --> 00:50:11,520

thirst for knowledge

1471

00:50:15,670 --> 00:50:13,520

a never-ending search for this knowledge

1472

00:50:18,870 --> 00:50:15,680

has taken him into the boundless expanse

1473

00:50:24,309 --> 00:50:21,910

on april 12 1961 russian cosmonaut yuri

1474

00:50:27,589 --> 00:50:24,319

gagarin became the first man to leave

1475

00:50:31,270 --> 00:50:27,599

earth's atmosphere and travel into space

1476  
00:50:33,030 --> 00:50:31,280  
on july 16 1969 neil armstrong became

1477  
00:50:34,710 --> 00:50:33,040  
the first man to set foot on another

1478  
00:50:45,430 --> 00:50:34,720  
celestial body

1479  
00:50:51,190 --> 00:50:49,030  
by 1974 our space probes were exploring

1480  
00:50:54,349 --> 00:50:51,200  
the outer atmospheres of mars

1481  
00:50:57,910 --> 00:50:54,359  
venus and mercury on june 19

1482  
00:50:58,549 --> 00:50:57,920  
1976 viking one landed on the service of

1483  
00:51:01,510 --> 00:50:58,559  
mars

1484  
00:51:02,069 --> 00:51:01,520  
in search of living organisms what it

1485  
00:51:04,549 --> 00:51:02,079  
found

1486  
00:51:05,349 --> 00:51:04,559  
shocked the world as far as the eye

1487  
00:51:07,589 --> 00:51:05,359  
could see

1488  
00:51:09,109 --> 00:51:07,599

there was desert similar to the mojave

1489

00:51:11,030 --> 00:51:09,119

desert on earth

1490

00:51:13,510 --> 00:51:11,040

canyons so large that they could stretch

1491

00:51:15,430 --> 00:51:13,520

from new york to san francisco

1492

00:51:17,190 --> 00:51:15,440

river channels larger than the largest

1493

00:51:19,990 --> 00:51:17,200

rivers on earth

1494

00:51:21,670 --> 00:51:20,000

scientists believe that water once ran

1495

00:51:24,230 --> 00:51:21,680

on the surface of mars

1496

00:51:26,230 --> 00:51:24,240

and that huge glaciers once covered

1497

00:51:28,309 --> 00:51:26,240

parts of the landscape

1498

00:51:29,270 --> 00:51:28,319

after further examination it was

1499

00:51:32,069 --> 00:51:29,280

believed

1500

00:51:33,030 --> 00:51:32,079

that the atmosphere on mars was once

1501  
00:51:36,549 --> 00:51:33,040  
conducive

1502  
00:51:37,990 --> 00:51:36,559  
to the sustainment of life in less than

1503  
00:51:39,990 --> 00:51:38,000  
a lifetime

1504  
00:51:42,150 --> 00:51:40,000  
matt has come from utter astonishment at

1505  
00:51:44,470 --> 00:51:42,160  
the wright brothers first rickety plane

1506  
00:51:46,790 --> 00:51:44,480  
ride to curious observation

1507  
00:51:50,069 --> 00:51:46,800  
of the pictures and information received

1508  
00:51:51,990 --> 00:51:50,079  
from our interplanetary probes

1509  
00:51:54,069 --> 00:51:52,000  
due to information gathered by probes

1510  
00:51:55,510 --> 00:51:54,079  
such as mariner and voyager

1511  
00:51:58,069 --> 00:51:55,520  
scientists have deduced that the

1512  
00:51:59,829 --> 00:51:58,079  
formation of planets around the spa

1513  
00:52:01,589 --> 00:51:59,839

is a fairly common occurrence in the

1514

00:52:04,790 --> 00:52:01,599

universe a process

1515

00:52:06,230 --> 00:52:04,800

which is still occurring today given

1516

00:52:08,630 --> 00:52:06,240

this idea

1517

00:52:10,990 --> 00:52:08,640

along with relatively recent discoveries

1518

00:52:13,190 --> 00:52:11,000

in biochemistry and astronomy

1519

00:52:14,309 --> 00:52:13,200

extraterrestrial life is now an

1520

00:52:17,829 --> 00:52:14,319

acceptable notion

1521

00:52:19,589 --> 00:52:17,839

in the scientific community man has

1522

00:52:21,670 --> 00:52:19,599

always been reluctant to believe what he

1523

00:52:23,829 --> 00:52:21,680

cannot comprehend

1524

00:52:26,069 --> 00:52:23,839

where space travel was once the myth of

1525

00:52:28,230 --> 00:52:26,079

comic books and adventure films

1526  
00:52:29,430 --> 00:52:28,240  
it is now a commonplace method of

1527  
00:52:32,150 --> 00:52:29,440  
further exploring

1528  
00:52:33,910 --> 00:52:32,160  
our celestial backyard but once

1529  
00:52:35,430 --> 00:52:33,920  
extraterrestrial life was considered

1530  
00:52:37,430 --> 00:52:35,440  
fiction and fantasy

1531  
00:52:38,870 --> 00:52:37,440  
the vast amounts of research and

1532  
00:52:41,030 --> 00:52:38,880  
eyewitness reports

1533  
00:52:42,549 --> 00:52:41,040  
now seem to put it in a credible

1534  
00:52:44,950 --> 00:52:42,559  
perspective

1535  
00:52:45,990 --> 00:52:44,960  
perhaps one day our questions will be

1536  
00:52:49,030 --> 00:52:46,000  
answered

1537  
00:52:49,430 --> 00:52:49,040  
perhaps one day man and extraterrestrial

1538  
00:52:56,950 --> 00:52:49,440

life

1539

00:53:01,270 --> 00:52:58,549

sometimes i think maybe i shouldn't have

1540

00:53:04,309 --> 00:53:01,280

told anyone what happened

1541

00:53:07,990 --> 00:53:04,319

to me here on this pascal river

1542

00:53:08,950 --> 00:53:08,000

many years ago but then again i realized

1543

00:53:13,030 --> 00:53:08,960

that i did

1544

00:53:17,030 --> 00:53:15,670

i think most of the people knows where

1545

00:53:20,150 --> 00:53:17,040

man has been

1546

00:53:21,030 --> 00:53:20,160

i think i know where we're going maybe

1547

00:53:25,349 --> 00:53:21,040

someday i can

1548

00:53:29,349 --> 00:53:26,870

i know there's other worlds out there

1549

00:53:31,270 --> 00:53:29,359

with life on it and someday everyone

1550

00:53:44,160 --> 00:53:31,280

will know that to be a fight

1551

00:53:44,170 --> 00:56:28,829

[Music]

1552

00:56:28,839 --> 00:56:33,330

do
