00:00:42,830 --> 00:00:29,670
[Applause]

2
00:00:42,840 --> 00:00:48,410
hey

3
00:00:48,420 --> 00:00:52,570
[Applause]

4
00:02:00,000 --> 00:01:08,340
[Music]

5
00:02:05,480 --> 00:02:00,010
[Applause]

6
00:02:08,810 --> 00:02:05,490
[Music]

7
00:02:11,290 --> 00:02:08,820
[Applause]

8
00:02:15,580 --> 00:02:11,300
[Music]

9
00:02:19,320 --> 00:02:15,590
[Applause]

10
00:02:22,229 --> 00:02:19,330
[Music]

11
00:02:25,510 --> 00:02:22,239
[Applause]

12
00:02:26,309 --> 00:02:25,520
ufos are real 55 of the americans are

13
00:02:28,710 --> 00:02:26,319

convinced

14

00:02:30,630 --> 00:02:28,720

but why they're here the answer to this

15

00:02:31,670 --> 00:02:30,640

question according to researchers and

16

00:02:33,670 --> 00:02:31,680

witnesses

17

00:02:35,430 --> 00:02:33,680

might lie in a phenomenon which is

18

00:02:38,150 --> 00:02:35,440

generally known under the term

19

00:02:39,589 --> 00:02:38,160

abductions or close encounters of the

20

00:02:42,550 --> 00:02:39,599

fourth kind

21

00:02:43,350 --> 00:02:42,560

do aliens come and take earthlings if

22

00:02:45,750 --> 00:02:43,360

yes

23

00:02:50,390 --> 00:02:45,760

what is their agenda let's have a look

24

00:02:51,270 --> 00:02:50,400

into the closest encounters it was about

25

00:02:54,630 --> 00:02:51,280

three in the morning

26

00:02:57,830 --> 00:02:54,640

november 30 1989 and

27

00:03:01,750 --> 00:02:57,840

my husband was already sleeping

28

00:03:04,949 --> 00:03:01,760

and i got into bed and uh

29

00:03:09,030 --> 00:03:04,959

because i'm a christian i

30

00:03:11,430 --> 00:03:09,040

say a prayer to myself mentally

31

00:03:13,190 --> 00:03:11,440

and and so that's what i did i prepared

32

00:03:14,149 --> 00:03:13,200

as usual to go to sleep i said my

33

00:03:17,270 --> 00:03:14,159

prayers

34

00:03:19,030 --> 00:03:17,280

in my mind and i felt a strange presence

35

00:03:21,350 --> 00:03:19,040

in the room

36

00:03:22,949 --> 00:03:21,360

two girlfriends and myself were out

37

00:03:23,430 --> 00:03:22,959

running around around two o'clock in the

38

00:03:25,910 --> 00:03:23,440

morning

39

00:03:26,470 --> 00:03:25,920

out in the country spying on one of our

40

00:03:29,750 --> 00:03:26,480

one of

41

00:03:33,430 --> 00:03:29,760

her boyfriends and this was in november

42

00:03:35,910 --> 00:03:33,440

of 77 i

43

00:03:36,949 --> 00:03:35,920

remembered uh seeing a light dancing

44

00:03:39,430 --> 00:03:36,959

around the sky and

45

00:03:41,270 --> 00:03:39,440

kind of laughingly joking with my friend

46

00:03:43,110 --> 00:03:41,280

saying i like the ufo

47

00:03:44,390 --> 00:03:43,120

and one the girlfriend driving thought

48

00:03:46,070 --> 00:03:44,400

it was funny and we giggled and the

49

00:03:48,390 --> 00:03:46,080

other girl got really scared in the back

50

00:03:53,429 --> 00:03:48,400

seat and so we were laughing at that too

51
00:03:55,830 --> 00:03:54,630
well then the lights started getting

52
00:03:57,429 --> 00:03:55,840
closer and we all started kind of

53
00:03:59,030 --> 00:03:57,439
getting creeps because it was acting

54
00:04:00,550 --> 00:03:59,040
stranger and we were feeling really

55
00:04:02,309 --> 00:04:00,560
weird and

56
00:04:03,589 --> 00:04:02,319
the girl in the back seat just went

57
00:04:05,589 --> 00:04:03,599
bananas and she

58
00:04:07,190 --> 00:04:05,599
dove into the floorboard screaming and

59
00:04:10,869 --> 00:04:07,200
hollering

60
00:04:12,470 --> 00:04:10,879
and um i remember the car slowing down

61
00:04:13,190 --> 00:04:12,480
remember she slowed the car down and we

62
00:04:15,270 --> 00:04:13,200
rolled her

63
00:04:16,949 --> 00:04:15,280

windows down to look out and get a good

64

00:04:20,069 --> 00:04:16,959

look at this thing

65

00:04:20,710 --> 00:04:20,079

and then it was fuzzy for me for a while

66

00:04:23,030 --> 00:04:20,720

after that

67

00:04:24,310 --> 00:04:23,040

what i remembered except for driving

68

00:04:25,990 --> 00:04:24,320

home

69

00:04:28,469 --> 00:04:26,000

you know and suddenly realizing it's 4

70

00:04:29,830 --> 00:04:28,479

30 4 in the morning she looks down

71

00:04:31,189 --> 00:04:29,840

her girl drive and looks down and

72

00:04:32,469 --> 00:04:31,199

watching goes oh my god it's four

73

00:04:34,070 --> 00:04:32,479

o'clock in the morning you know time

74

00:04:37,110 --> 00:04:34,080

flies when you're having fun

75

00:04:38,070 --> 00:04:37,120

kind of snotty like but um and i

76

00:04:41,430 --> 00:04:38,080

remembered

77

00:04:46,950 --> 00:04:41,440

more later um about that night

78

00:04:54,710 --> 00:04:50,469

then this thing this

79

00:04:56,550 --> 00:04:54,720

huge black thing black craft like swoops

80

00:05:00,230 --> 00:04:56,560

down in front of the car

81

00:05:02,550 --> 00:05:00,240

and i see all this it's like the cars

82

00:05:06,310 --> 00:05:02,560

enveloped in black you know and i can't

83

00:05:09,350 --> 00:05:07,909

it feels as if i'm being pulled out of

84

00:05:13,590 --> 00:05:09,360

car by my legs

85

00:05:17,510 --> 00:05:13,600

and then i eventually

86

00:05:23,830 --> 00:05:20,950

being on an odd kind of table where the

87

00:05:26,710 --> 00:05:23,840

bottom dropped out and the legs went up

88

00:05:33,270 --> 00:05:30,390

this something hard and

89

00:05:34,710 --> 00:05:33,280

cold going up inside of me i woke up in

90

00:05:35,909 --> 00:05:34,720

the middle of the night immediately

91

00:05:38,390 --> 00:05:35,919

aware because there seemed to be

92

00:05:42,070 --> 00:05:38,400

something very wrong and

93

00:05:43,430 --> 00:05:42,080

uh i opened my eyes and i was in a

94

00:05:45,510 --> 00:05:43,440

little round room

95

00:05:46,870 --> 00:05:45,520

and there were these strange figures

96

00:05:51,430 --> 00:05:46,880

around me

97

00:05:54,790 --> 00:05:51,440

one with a big head and big black eyes

98

00:05:58,629 --> 00:05:54,800

and others with small and blue

99

00:06:00,950 --> 00:05:58,639

moving very quickly and uh

100

00:06:02,790 --> 00:06:00,960

i kept trying to keep waking up because

101
00:06:04,950 --> 00:06:02,800
i couldn't believe they could be real

102
00:06:06,230 --> 00:06:04,960
and how had i gotten there it seemed it

103
00:06:08,710 --> 00:06:06,240
seemed like a nightmare from which i

104
00:06:10,550 --> 00:06:08,720
couldn't awaken this what it seemed like

105
00:06:11,749 --> 00:06:10,560
and i struggled with it for a few

106
00:06:14,629 --> 00:06:11,759
seconds and then

107
00:06:16,469 --> 00:06:14,639
when i still could not wake up and i

108
00:06:17,510 --> 00:06:16,479
began to feel that i was awake i started

109
00:06:18,629 --> 00:06:17,520
to scream because i was really

110
00:06:20,629 --> 00:06:18,639
frightened

111
00:06:22,230 --> 00:06:20,639
and at that point they turned on a

112
00:06:24,469 --> 00:06:22,240
machine that had a sort of

113
00:06:26,390 --> 00:06:24,479

soothing sounding voice but very

114

00:06:27,830 --> 00:06:26,400

electronic and it kept saying

115

00:06:29,510 --> 00:06:27,840

what can we do to help you stop

116

00:06:32,230 --> 00:06:29,520

screaming first of all

117

00:06:33,430 --> 00:06:32,240

an abduction can happen to one person or

118

00:06:36,870 --> 00:06:33,440

two or three i've got

119

00:06:39,590 --> 00:06:36,880

cases involving seven people at once

120

00:06:42,309 --> 00:06:39,600

but uh let's say first the nighttime

121

00:06:45,909 --> 00:06:42,319

visitation which is very typical

122

00:06:49,029 --> 00:06:45,919

uh let's say a man and woman are asleep

123

00:06:52,070 --> 00:06:49,039

and the man wakes up

124

00:06:52,790 --> 00:06:52,080

he doesn't know why he's wakened up and

125

00:06:54,710 --> 00:06:52,800

realizes

126

00:06:56,309 --> 00:06:54,720

that he's paralyzed and absolutely

127

00:06:58,550 --> 00:06:56,319

cannot move

128

00:07:00,150 --> 00:06:58,560

and he's quite terrified doesn't know

129

00:07:02,230 --> 00:07:00,160

what's happening

130

00:07:03,270 --> 00:07:02,240

cannot alert his wife who seems totally

131

00:07:06,390 --> 00:07:03,280

oblivious

132

00:07:10,230 --> 00:07:06,400

sound asleep we use the term

133

00:07:12,150 --> 00:07:10,240

switched off at some point he

134

00:07:13,909 --> 00:07:12,160

becomes aware of a figure in the room or

135

00:07:15,510 --> 00:07:13,919

several figures either they approach the

136

00:07:18,710 --> 00:07:15,520

bed or they're standing

137

00:07:22,950 --> 00:07:18,720

by the window or whatnot he next

138

00:07:25,589 --> 00:07:22,960

finds himself levitating off the bed

139

00:07:27,589 --> 00:07:25,599

he will find himself then floating

140

00:07:29,909 --> 00:07:27,599

usually towards the window

141

00:07:31,350 --> 00:07:29,919

let's say it's a closed window and he

142

00:07:34,390 --> 00:07:31,360

and the small figures

143

00:07:36,309 --> 00:07:34,400

float through the closed window this is

144

00:07:37,990 --> 00:07:36,319

not an out-of-body experience

145

00:07:39,589 --> 00:07:38,000

if he looks back to the bed if he can

146

00:07:41,830 --> 00:07:39,599

see back to the bed he's not in the bed

147

00:07:44,629 --> 00:07:41,840

he's he's gone

148

00:07:45,350 --> 00:07:44,639

uh he floats out the window and there's

149

00:07:48,309 --> 00:07:45,360

usually at

150

00:07:50,629 --> 00:07:48,319

outside some kind of intense light which

151
00:07:52,070 --> 00:07:50,639
functions as some sort of tractor beam

152
00:07:53,670 --> 00:07:52,080
or whatever we want to call it

153
00:07:55,909 --> 00:07:53,680
and the person and the figures are

154
00:07:58,469 --> 00:07:55,919
floated up into the craft

155
00:08:00,950 --> 00:07:58,479
he floats up into the craft usually

156
00:08:04,390 --> 00:08:00,960
through an opening in the bottom

157
00:08:05,749 --> 00:08:04,400
and finds himself very often immediately

158
00:08:08,550 --> 00:08:05,759
on a table

159
00:08:09,110 --> 00:08:08,560
without his clothes very few people

160
00:08:11,350 --> 00:08:09,120
remember

161
00:08:13,350 --> 00:08:11,360
the act of either disrobing or being

162
00:08:16,710 --> 00:08:13,360
disrobed

163
00:08:17,430 --> 00:08:16,720

he's on a table and a series of medical

164

00:08:21,029 --> 00:08:17,440

procedures

165

00:08:23,830 --> 00:08:21,039

undertaken

166

00:08:25,350 --> 00:08:23,840

they end up very often focusing on the

167

00:08:28,469 --> 00:08:25,360

genitals

168

00:08:31,990 --> 00:08:28,479

if it's a male very often some kind of

169

00:08:33,909 --> 00:08:32,000

instrument is placed around the penis

170

00:08:35,269 --> 00:08:33,919

very often at that point either

171

00:08:37,750 --> 00:08:35,279

painfully or

172

00:08:39,670 --> 00:08:37,760

through some kind of induced climax a

173

00:08:42,310 --> 00:08:39,680

sperm sample is taken

174

00:08:44,389 --> 00:08:42,320

very often probes are inserted in the

175

00:08:45,990 --> 00:08:44,399

nostril or ear

176

00:08:48,389 --> 00:08:46,000

there are a series of other procedures

177

00:08:50,870 --> 00:08:48,399

that happen very frequently

178

00:08:52,949 --> 00:08:50,880

sometimes nerve centers are stimulated

179

00:08:56,230 --> 00:08:52,959

and various muscle groups will move

180

00:08:58,470 --> 00:08:56,240

we don't know why any of this happens

181

00:08:59,910 --> 00:08:58,480

the person can be shown some things very

182

00:09:03,350 --> 00:08:59,920

often can be shown a small

183

00:09:05,269 --> 00:09:03,360

child or a baby even men

184

00:09:07,190 --> 00:09:05,279

are shown these strange hybrid

185

00:09:10,070 --> 00:09:07,200

offsprings and then

186

00:09:10,790 --> 00:09:10,080

eventually the person is returned the

187

00:09:13,910 --> 00:09:10,800

same way

188

00:09:14,949 --> 00:09:13,920

he came back to bed often dropped from a

189

00:09:17,990 --> 00:09:14,959

certain height

190

00:09:18,949 --> 00:09:18,000

onto the bed still not disturbing the

191

00:09:22,230 --> 00:09:18,959

wife

192

00:09:24,630 --> 00:09:22,240

and immediately goes to sleep

193

00:09:25,829 --> 00:09:24,640

in the morning wakes up has no idea what

194

00:09:27,829 --> 00:09:25,839

happened is this a dream

195

00:09:29,670 --> 00:09:27,839

very often we'll find his pajamas on the

196

00:09:31,910 --> 00:09:29,680

floor next to the bed

197

00:09:33,670 --> 00:09:31,920

doesn't remember having taken them off

198

00:09:36,470 --> 00:09:33,680

very often he will notice a

199

00:09:38,389 --> 00:09:36,480

pain or odd sensation a certain part of

200

00:09:40,230 --> 00:09:38,399

his body finds a small mark

201
00:09:41,670 --> 00:09:40,240
that's a typical kind of nighttime

202
00:09:43,350 --> 00:09:41,680
visitation

203
00:09:46,070 --> 00:09:43,360
we have hundreds and hundreds and

204
00:09:49,110 --> 00:09:46,080
hundreds of these cases

205
00:09:49,990 --> 00:09:49,120
in 1991 but hopkins and i uh decided to

206
00:09:51,750 --> 00:09:50,000
find out how many

207
00:09:53,430 --> 00:09:51,760
people have had abduction experiences in

208
00:09:55,030 --> 00:09:53,440
the united states at least

209
00:09:57,350 --> 00:09:55,040
in order to do that we went to a

210
00:09:58,230 --> 00:09:57,360
national polling organization the roper

211
00:10:02,630 --> 00:09:58,240
institute

212
00:10:03,990 --> 00:10:02,640
rover poll and we asked 6 000 americans

213
00:10:06,470 --> 00:10:04,000

whether they had experiences

214

00:10:08,310 --> 00:10:06,480

that abductees say that they have had

215

00:10:09,190 --> 00:10:08,320

before they knew they were abductees

216

00:10:11,030 --> 00:10:09,200

like uh

217

00:10:13,350 --> 00:10:11,040

traveling on the astral plane or seeing

218

00:10:15,990 --> 00:10:13,360

unusual lights in their room or

219

00:10:17,190 --> 00:10:16,000

or having missing time episodes and

220

00:10:20,230 --> 00:10:17,200

things like that

221

00:10:22,150 --> 00:10:20,240

we asked ten questions uh ultimately we

222

00:10:22,630 --> 00:10:22,160

found that two percent of the american

223

00:10:25,430 --> 00:10:22,640

people

224

00:10:27,430 --> 00:10:25,440

at least at the very least have had

225

00:10:28,470 --> 00:10:27,440

experiences that abductees have had

226

00:10:29,590 --> 00:10:28,480

before they knew where they were

227

00:10:31,350 --> 00:10:29,600

abductees of course

228

00:10:32,790 --> 00:10:31,360

each one has to be examined individually

229

00:10:33,509 --> 00:10:32,800

to see whether they've had abductions or

230

00:10:35,350 --> 00:10:33,519

not

231

00:10:37,269 --> 00:10:35,360

but it's an awful lot of people and it

232

00:10:41,030 --> 00:10:37,279

suggests that the phenomenon is

233

00:10:44,389 --> 00:10:41,040

extremely widespread everywhere

234

00:10:46,069 --> 00:10:44,399

i've been interested in the boundaries

235

00:10:47,269 --> 00:10:46,079

of human consciousness for quite a few

236

00:10:49,350 --> 00:10:47,279

years and

237

00:10:50,550 --> 00:10:49,360

yet when i first heard about this

238

00:10:54,150 --> 00:10:50,560

phenomenon

239

00:10:56,470 --> 00:10:54,160

through a colleague of mine who told me

240

00:10:59,590 --> 00:10:56,480

about bud hopkins in his work i thought

241

00:11:02,069 --> 00:10:59,600

this was some kind of madness and

242

00:11:02,710 --> 00:11:02,079

so it was a gradual process of talking

243

00:11:05,269 --> 00:11:02,720

with him

244

00:11:06,310 --> 00:11:05,279

of seeing these cases and realizing that

245

00:11:09,590 --> 00:11:06,320

i had no

246

00:11:12,710 --> 00:11:09,600

explanation as a psychiatrist of what

247

00:11:15,509 --> 00:11:12,720

people who are now called abductees or

248

00:11:16,870 --> 00:11:15,519

anomalous experiences were undergoing it

249

00:11:19,670 --> 00:11:16,880

it behaved like

250

00:11:20,949 --> 00:11:19,680

real experience and so the question then

251
00:11:24,230 --> 00:11:20,959
became what is

252
00:11:28,630 --> 00:11:24,240
going on because psychological

253
00:11:31,910 --> 00:11:28,640
uh or unconscious or

254
00:11:34,150 --> 00:11:31,920
inner experiences or past

255
00:11:36,630 --> 00:11:34,160
experiences which determine present

256
00:11:39,350 --> 00:11:36,640
experiences are very private

257
00:11:41,030 --> 00:11:39,360
they differ among people enormously if

258
00:11:43,110 --> 00:11:41,040
you're having a

259
00:11:44,310 --> 00:11:43,120
symptomatic expression which is about

260
00:11:45,590 --> 00:11:44,320
something that happened to you as a

261
00:11:49,590 --> 00:11:45,600
child or if you

262
00:11:51,430 --> 00:11:49,600
uh have been abused or if you're having

263
00:11:54,310 --> 00:11:51,440

dreams or if you're

264

00:11:56,550 --> 00:11:54,320

having some kind of fantasy this will be

265

00:11:59,190 --> 00:11:56,560

very personal very

266

00:12:00,389 --> 00:11:59,200

variable among individuals you will not

267

00:12:04,310 --> 00:12:00,399

have a consistent

268

00:12:06,310 --> 00:12:04,320

complex narrative which

269

00:12:07,590 --> 00:12:06,320

is similar from one person to another

270

00:12:09,269 --> 00:12:07,600

from beginning to end

271

00:12:11,030 --> 00:12:09,279

the only thing that behaves like that is

272

00:12:13,430 --> 00:12:11,040

real experience something which

273

00:12:14,470 --> 00:12:13,440

is generated internally does not have

274

00:12:17,030 --> 00:12:14,480

that quality

275

00:12:19,350 --> 00:12:17,040

certain patterns began to emerge and up

276

00:12:20,550 --> 00:12:19,360

until the time i started doing this work

277

00:12:23,030 --> 00:12:20,560

i don't think people were paying

278

00:12:24,790 --> 00:12:23,040

attention to any particular sets of

279

00:12:27,750 --> 00:12:24,800

patterns as they emerged

280

00:12:28,470 --> 00:12:27,760

in the investigations that were underway

281

00:12:30,629 --> 00:12:28,480

uh

282

00:12:32,470 --> 00:12:30,639

i got very interested in that issue what

283

00:12:33,590 --> 00:12:32,480

were the similarities from case to case

284

00:12:35,750 --> 00:12:33,600

because that helped

285

00:12:36,829 --> 00:12:35,760

establish that we were dealing with some

286

00:12:40,150 --> 00:12:36,839

kind of

287

00:12:42,310 --> 00:12:40,160

rather definite precise

288

00:12:44,550 --> 00:12:42,320

external phenomena rather than just the

289

00:12:46,069 --> 00:12:44,560

the complete range of human fantasy

290

00:12:47,910 --> 00:12:46,079

if you've got patterns that are very

291

00:12:50,949 --> 00:12:47,920

tight

292

00:12:53,990 --> 00:12:50,959

the idea of fantasy is probably very

293

00:12:57,269 --> 00:12:54,000

much weakened at that point

294

00:12:59,750 --> 00:12:57,279

abductees describe approximately

295

00:13:01,829 --> 00:12:59,760

four different types of aliens although

296

00:13:04,310 --> 00:13:01,839

we have to be careful because oftentimes

297

00:13:06,230 --> 00:13:04,320

we get many different descriptions

298

00:13:07,829 --> 00:13:06,240

but one of the one one of the great

299

00:13:11,190 --> 00:13:07,839

problems in hypnosis

300

00:13:13,430 --> 00:13:11,200

is is identifying and describing

301
00:13:15,670 --> 00:13:13,440
aliens because uh particularly in a

302
00:13:17,590 --> 00:13:15,680
first session of hypnosis

303
00:13:19,350 --> 00:13:17,600
uh people tend to confabulate and they

304
00:13:20,470 --> 00:13:19,360
tend to say things that are not exactly

305
00:13:22,710 --> 00:13:20,480
true

306
00:13:24,470 --> 00:13:22,720
so uh when everything is controlled for

307
00:13:25,670 --> 00:13:24,480
we get about four different types of

308
00:13:28,310 --> 00:13:25,680
aliens

309
00:13:30,069 --> 00:13:28,320
one is the standard sort of gray alien

310
00:13:30,870 --> 00:13:30,079
that everybody i think is familiar with

311
00:13:34,069 --> 00:13:30,880
now

312
00:13:37,269 --> 00:13:34,079
small with thin arms thin legs thin body

313
00:13:39,910 --> 00:13:37,279

big black eyes no hair no nose no mouth

314

00:13:41,110 --> 00:13:39,920

no ears then there's ones that look more

315

00:13:43,590 --> 00:13:41,120

insect like

316

00:13:44,750 --> 00:13:43,600

maybe like a praying mantis ones that

317

00:13:49,189 --> 00:13:44,760

look more

318

00:13:51,990 --> 00:13:49,199

human-like

319

00:13:52,949 --> 00:13:52,000

in the end it doesn't matter they're all

320

00:13:54,870 --> 00:13:52,959

seen together

321

00:13:56,550 --> 00:13:54,880

they're all doing the same thing they're

322

00:13:58,949 --> 00:13:56,560

all working together they're all

323

00:14:01,750 --> 00:13:58,959

pursuing the common goal

324

00:14:03,670 --> 00:14:01,760

and therefore for our purposes they

325

00:14:05,990 --> 00:14:03,680

probably come from one place

326

00:14:07,829 --> 00:14:06,000

and what we are looking at is a unified

327

00:14:10,550 --> 00:14:07,839

body of aliens

328

00:14:12,389 --> 00:14:10,560

uh all doing the same thing the eighties

329

00:14:14,069 --> 00:14:12,399

brought the breakthrough for the alien

330

00:14:16,790 --> 00:14:14,079

abduction phenomenon

331

00:14:18,949 --> 00:14:16,800

two bestsellers intruders by pod hopkins

332

00:14:21,430 --> 00:14:18,959

and communion by whitley strieber

333

00:14:31,330 --> 00:14:21,440

presented new witnesses and documented

334

00:14:32,040 --> 00:14:31,340

the new aspect of a threatening reality

335

00:14:36,790 --> 00:14:32,050

[Applause]

336

00:14:38,629 --> 00:14:36,800

[Music]

337

00:14:41,110 --> 00:14:38,639

we didn't we didn't see the mark in the

338

00:14:45,350 --> 00:14:41,120

yard for like two or three days

339

00:14:48,470 --> 00:14:45,360

after the night of june 30 1983 when

340

00:14:49,350 --> 00:14:48,480

i had the experience of being in the

341

00:14:51,269 --> 00:14:49,360

garage

342

00:14:53,670 --> 00:14:51,279

hunting for what i thought was a burglar

343

00:14:55,509 --> 00:14:53,680

coming out of the garage

344

00:14:57,350 --> 00:14:55,519

because all of a sudden my skin started

345

00:14:59,269 --> 00:14:57,360

feeling was on fire like i was burning

346

00:15:02,230 --> 00:14:59,279

and had to get out of there

347

00:15:04,870 --> 00:15:02,240

and being hit in the chest by a bolt of

348

00:15:08,629 --> 00:15:04,880

lightning for lack of anything better

349

00:15:11,990 --> 00:15:08,639

to describe it like and

350

00:15:14,629 --> 00:15:12,000

then seeing the

351
00:15:15,990 --> 00:15:14,639
silhouettes of small figures about four

352
00:15:20,230 --> 00:15:16,000
feet or so it's all

353
00:15:22,550 --> 00:15:20,240
moving in the yard six of them um

354
00:15:24,389 --> 00:15:22,560
and moving towards a small or sort of

355
00:15:28,310 --> 00:15:24,399
egg shaped like

356
00:15:30,310 --> 00:15:28,320
craft and um

357
00:15:31,350 --> 00:15:30,320
and the next morning when i got up after

358
00:15:34,790 --> 00:15:31,360
this was all over with

359
00:15:36,550 --> 00:15:34,800
i uh my eyes were swollen shut

360
00:15:37,910 --> 00:15:36,560
i was taken to the emergency room of the

361
00:15:41,030 --> 00:15:37,920
hospital who sent me

362
00:15:43,189 --> 00:15:41,040
directly to an ophthalmologist i guess

363
00:15:46,230 --> 00:15:43,199

an eye specialist who

364

00:15:48,150 --> 00:15:46,240

uh basically accused me of looking into

365

00:15:50,550 --> 00:15:48,160

the arc of a welder's torch

366

00:15:51,990 --> 00:15:50,560

somehow frying my eyes give me a lot of

367

00:15:53,829 --> 00:15:52,000

medication drops and

368

00:15:57,110 --> 00:15:53,839

and cream to put took a couple weeks for

369

00:16:00,949 --> 00:15:59,030

then we saw the mark in the yard and the

370

00:16:02,870 --> 00:16:00,959

very first thing

371

00:16:04,470 --> 00:16:02,880

that i remember when i looked at that

372

00:16:06,069 --> 00:16:04,480

mark in the yard the very very first

373

00:16:09,350 --> 00:16:06,079

thing i remember is

374

00:16:11,430 --> 00:16:09,360

suddenly seeing these two black eyes

375

00:16:13,670 --> 00:16:11,440

so sort of superimposed over the mark in

376

00:16:15,189 --> 00:16:13,680

the arctic stunned me

377

00:16:16,870 --> 00:16:15,199

and my mother was talking about oh

378

00:16:20,470 --> 00:16:16,880

that's where our ufo landed

379

00:16:21,829 --> 00:16:20,480

laughing about it you know and uh

380

00:16:23,590 --> 00:16:21,839

then i started thinking about the

381

00:16:25,829 --> 00:16:23,600

hopkins book missing time

382

00:16:27,110 --> 00:16:25,839

but in that circular area all the grass

383

00:16:29,670 --> 00:16:27,120

was killed and the ground

384

00:16:30,790 --> 00:16:29,680

that i was in the soil was fused into a

385

00:16:34,790 --> 00:16:30,800

kind of rock-like

386

00:16:37,269 --> 00:16:34,800

hardness uh the there was a again

387

00:16:38,550 --> 00:16:37,279

something like a 40 foot long a little

388

00:16:41,269 --> 00:16:38,560

bit longer than that

389

00:16:41,990 --> 00:16:41,279

straight swath away from there away from

390

00:16:44,069 --> 00:16:42,000

that

391

00:16:47,829 --> 00:16:44,079

landing area where again the soil was

392

00:16:52,150 --> 00:16:50,389

now this is of course something that was

393

00:16:53,829 --> 00:16:52,160

very mysterious because

394

00:16:56,150 --> 00:16:53,839

the soil was very moist there'd been a

395

00:16:57,110 --> 00:16:56,160

lot of rain but this soil was so dry it

396

00:16:59,910 --> 00:16:57,120

cracked open

397

00:17:01,350 --> 00:16:59,920

and as i said fused on to an almost

398

00:17:03,110 --> 00:17:01,360

rock-like hardness

399

00:17:05,669 --> 00:17:03,120

we've tried to duplicate that effect in

400

00:17:07,750 --> 00:17:05,679

the laboratory taking control soil

401
00:17:10,390 --> 00:17:07,760
and we can't do it we don't know what

402
00:17:13,590 --> 00:17:10,400
kind of energy affected that soil

403
00:17:15,189 --> 00:17:13,600
but any rate we know from her

404
00:17:16,549 --> 00:17:15,199
recollections where the ufo sat and

405
00:17:18,710 --> 00:17:16,559
that's where the ground was

406
00:17:20,549 --> 00:17:18,720
fused so you have a very powerful kind

407
00:17:24,390 --> 00:17:20,559
of physical evidence supporting

408
00:17:26,390 --> 00:17:24,400
her her account on top of which the ufo

409
00:17:28,309 --> 00:17:26,400
when it took off evidently created a

410
00:17:30,150 --> 00:17:28,319
tremendous flash which was seen by a

411
00:17:32,630 --> 00:17:30,160
neighbor in exactly the spot where

412
00:17:35,190 --> 00:17:32,640
she remembered it having been sitting

413
00:17:37,350 --> 00:17:35,200

and as it flew over the neighbor's house

414

00:17:38,230 --> 00:17:37,360

uh all of the lights went out in the

415

00:17:40,230 --> 00:17:38,240

neighbor's

416

00:17:41,669 --> 00:17:40,240

house she heard a roaring sound she was

417

00:17:43,270 --> 00:17:41,679

absolutely terrified

418

00:17:46,390 --> 00:17:43,280

the lights all came back on again

419

00:17:49,430 --> 00:17:46,400

without tripping any

420

00:17:52,070 --> 00:17:49,440

circuit breakers that mark in the yard

421

00:17:53,590 --> 00:17:52,080

has it it's just healed up in the last

422

00:17:55,029 --> 00:17:53,600

few years it remained there for five

423

00:17:57,669 --> 00:17:55,039

years very visible

424

00:17:58,390 --> 00:17:57,679

snow melted off of it water ran over it

425

00:17:59,909 --> 00:17:58,400

you can still

426

00:18:01,350 --> 00:17:59,919

feel it even though you can no longer

427

00:18:02,070 --> 00:18:01,360

see where it is when you walk on the

428

00:18:03,830 --> 00:18:02,080

yard

429

00:18:05,270 --> 00:18:03,840

you can still feel where it is because

430

00:18:14,380 --> 00:18:05,280

the ground is still very much firmer

431

00:18:15,100 --> 00:18:14,390

than the rest of the yard

432

00:18:33,029 --> 00:18:15,110

[Applause]

433

00:18:36,789 --> 00:18:35,909

subsequent to the contact experience i

434

00:18:40,870 --> 00:18:36,799

began to have

435

00:18:43,669 --> 00:18:40,880

groups of people up to my cabin i had

436

00:18:45,750 --> 00:18:43,679

groups of friends i mean and and they

437

00:18:46,390 --> 00:18:45,760

began to have contact on mass at the

438

00:18:49,590 --> 00:18:46,400

cabin

439

00:18:51,590 --> 00:18:49,600

um to quite an amazing degree even

440

00:18:52,310 --> 00:18:51,600

people who weren't involved at all and

441

00:18:53,990 --> 00:18:52,320

knew nothing

442

00:18:55,350 --> 00:18:54,000

little or nothing about it would have

443

00:18:57,270 --> 00:18:55,360

these encounters

444

00:18:58,549 --> 00:18:57,280

and that continued for about two or

445

00:19:00,950 --> 00:18:58,559

three years

446

00:19:03,029 --> 00:19:00,960

well i was whitley strieber's upstate

447

00:19:06,470 --> 00:19:03,039

new york cabin guest

448

00:19:08,950 --> 00:19:06,480

one night and when i went to bed i felt

449

00:19:11,110 --> 00:19:08,960

this overwhelming sense of euphoria as

450

00:19:13,270 --> 00:19:11,120

if i had been drugged

451
00:19:15,029 --> 00:19:13,280
to my knowledge i wasn't it was a

452
00:19:17,430 --> 00:19:15,039
wonderful feeling i felt at one with the

453
00:19:19,110 --> 00:19:17,440
universe and then i went out to sleep

454
00:19:21,590 --> 00:19:19,120
and a person that was in the room with

455
00:19:23,590 --> 00:19:21,600
me also had similar feelings

456
00:19:24,870 --> 00:19:23,600
and also had seen light forms in the

457
00:19:28,150 --> 00:19:24,880
room

458
00:19:30,789 --> 00:19:28,160
at first uh it was extremely terrifying

459
00:19:32,450 --> 00:19:30,799
when i ran out of options in february of

460
00:19:33,669 --> 00:19:32,460
that of 1986

461
00:19:36,070 --> 00:19:33,679
[Music]

462
00:19:38,789 --> 00:19:36,080
i was incredibly frightened because i

463
00:19:40,150 --> 00:19:38,799

couldn't think of any way to explain

464

00:19:43,909 --> 00:19:40,160

this

465

00:19:46,950 --> 00:19:45,350

it was a bit like discovering you're not

466

00:19:47,830 --> 00:19:46,960

who you think you are you know it was

467

00:19:50,830 --> 00:19:47,840

just a

468

00:19:52,549 --> 00:19:50,840

shocking terrible experience and i began

469

00:19:57,270 --> 00:19:52,559

to

470

00:20:00,070 --> 00:19:57,280

debilitating it was devastating

471

00:20:00,710 --> 00:20:00,080

by going and walking in the night in the

472

00:20:03,750 --> 00:20:00,720

woods

473

00:20:04,950 --> 00:20:03,760

where it happened and it became quite

474

00:20:06,630 --> 00:20:04,960

obsessive

475

00:20:07,909 --> 00:20:06,640

i couldn't really settle down at night

476
00:20:09,669 --> 00:20:07,919
unless i went out and walked through

477
00:20:11,590 --> 00:20:09,679
those woods and at the same time it was

478
00:20:13,510 --> 00:20:11,600
very hard to do because it was extremely

479
00:20:15,990 --> 00:20:13,520
scary to do that

480
00:20:18,870 --> 00:20:16,000
and the visitors began to react to this

481
00:20:21,669 --> 00:20:18,880
to my effort to overcome my fear

482
00:20:23,029 --> 00:20:21,679
and they began to come back to the house

483
00:20:25,750 --> 00:20:23,039
and showed up

484
00:20:26,230 --> 00:20:25,760
they began showing up fairly frequently

485
00:20:28,149 --> 00:20:26,240
and

486
00:20:29,270 --> 00:20:28,159
i didn't have any more abductions but i

487
00:20:32,310 --> 00:20:29,280
had a few contact

488
00:20:33,990 --> 00:20:32,320

very brief sort of half

489

00:20:35,350 --> 00:20:34,000

put together contact experiences that

490

00:20:37,110 --> 00:20:35,360

didn't quite work

491

00:20:48,510 --> 00:20:37,120

because i was too scared to take it any

492

00:20:52,230 --> 00:20:48,520

to take it farther

493

00:20:55,430 --> 00:20:52,240

[Music]

494

00:20:56,710 --> 00:20:55,440

i tried to wake my husband i still

495

00:20:58,149 --> 00:20:56,720

closed

496

00:21:00,149 --> 00:20:58,159

and there was no response from my

497

00:21:02,070 --> 00:21:00,159

husband

498

00:21:03,669 --> 00:21:02,080

and that's when i did open my eyes and i

499

00:21:06,310 --> 00:21:03,679

looked straight ahead

500

00:21:10,070 --> 00:21:06,320

and there was this thing this creature

501
00:21:14,070 --> 00:21:11,750
and it was the first time i had ever

502
00:21:16,230 --> 00:21:14,080
seen that consciously i was awake i

503
00:21:19,470 --> 00:21:16,240
hadn't gone to sleep yet

504
00:21:21,110 --> 00:21:19,480
i was saying my prayers and

505
00:21:24,149 --> 00:21:21,120
[Music]

506
00:21:27,590 --> 00:21:24,159
so by this time my legs were numb

507
00:21:29,190 --> 00:21:27,600
and uh i sat up in bed dragging my heavy

508
00:21:32,390 --> 00:21:29,200
legs with me and

509
00:21:35,830 --> 00:21:32,400
turned up behind me and threw a pillow

510
00:21:37,750 --> 00:21:35,840
big pillow that i made you would think

511
00:21:40,549 --> 00:21:37,760
that i stuffed them or rock

512
00:21:41,669 --> 00:21:40,559
was heavy and i hit him too that

513
00:21:44,950 --> 00:21:41,679

creature

514

00:21:48,149 --> 00:21:44,960
and my next conscious memory

515

00:21:51,830 --> 00:21:48,159
uh fragmented memory was um

516

00:21:54,070 --> 00:21:51,840
seeing white fabric flow up and over my

517

00:21:57,190 --> 00:21:54,080
eyes and then down again

518

00:21:57,990 --> 00:21:57,200
and then i felt something perhaps little

519

00:22:02,870 --> 00:21:58,000
fists or

520

00:22:06,470 --> 00:22:02,880
maybe an instrument pounding on my back

521

00:22:08,870 --> 00:22:06,480
and uh and that was all i remembered

522

00:22:09,669 --> 00:22:08,880
and then my next conscious memory was

523

00:22:12,070 --> 00:22:09,679
that of

524

00:22:14,070 --> 00:22:12,080
falling into my bed i could have fallen

525

00:22:16,789 --> 00:22:14,080
anywhere from two inches

526

00:22:18,789 --> 00:22:16,799

up or two feet up or whatever but i was

527

00:22:20,390 --> 00:22:18,799

conscious and i felt myself falling to

528

00:22:23,590 --> 00:22:20,400

bed

529

00:22:25,029 --> 00:22:23,600

well i was contacted by two of the

530

00:22:28,070 --> 00:22:25,039

witnesses by letter

531

00:22:29,510 --> 00:22:28,080

and they found it

532

00:22:31,350 --> 00:22:29,520

out about the third witness a little

533

00:22:32,310 --> 00:22:31,360

later on and then ultimately the fourth

534

00:22:35,510 --> 00:22:32,320

witness

535

00:22:38,710 --> 00:22:35,520

uh i received a letter from her and

536

00:22:40,630 --> 00:22:38,720

dealt with her on a personal basis

537

00:22:42,710 --> 00:22:40,640

the uh there's a fifth witness who i

538

00:22:45,029 --> 00:22:42,720

dealt with earlier who had seen

539

00:22:46,310 --> 00:22:45,039

the ufo from another point of view she'd

540

00:22:47,830 --> 00:22:46,320

not seen the figures

541

00:22:50,070 --> 00:22:47,840

floating in the air but she had seen the

542

00:22:53,669 --> 00:22:50,080

ufo at exactly that hour

543

00:22:55,750 --> 00:22:53,679

on that night so um

544

00:22:57,350 --> 00:22:55,760

there are obviously many other witnesses

545

00:22:59,029 --> 00:22:57,360

and essentially from some

546

00:23:01,750 --> 00:22:59,039

distance it's about a quarter of a mile

547

00:23:03,430 --> 00:23:01,760

she saw this very large

548

00:23:05,909 --> 00:23:03,440

ship above the building and this

549

00:23:06,549 --> 00:23:05,919

occurred after the motor died in her car

550

00:23:08,070 --> 00:23:06,559

and the car

551
00:23:10,549 --> 00:23:08,080
stopped and the lights went out in the

552
00:23:12,789 --> 00:23:10,559
car and on the bridge

553
00:23:14,549 --> 00:23:12,799
and on the bridge roadway and several

554
00:23:16,070 --> 00:23:14,559
other cars also stopped with their

555
00:23:17,510 --> 00:23:16,080
lights out

556
00:23:19,510 --> 00:23:17,520
no one knew what was happening to the

557
00:23:20,710 --> 00:23:19,520
cars why everybody's automobiles were

558
00:23:24,070 --> 00:23:20,720
stopping and she

559
00:23:25,270 --> 00:23:24,080
looked to the to her right and saw this

560
00:23:27,029 --> 00:23:25,280
enormous object

561
00:23:29,190 --> 00:23:27,039
very very brightly lit above the

562
00:23:31,270 --> 00:23:29,200
building and then

563
00:23:32,390 --> 00:23:31,280

a blue white light came out in the

564

00:23:35,350 --> 00:23:32,400

bottom of it and she

565

00:23:36,470 --> 00:23:35,360

at that point saw these figures she

566

00:23:37,110 --> 00:23:36,480

didn't know what they were at that time

567

00:23:39,350 --> 00:23:37,120

they looked like

568

00:23:41,110 --> 00:23:39,360

balls they were people rolled up and

569

00:23:42,870 --> 00:23:41,120

that kind of fetal position came popping

570

00:23:43,830 --> 00:23:42,880

out of the window 12 stories off the

571

00:23:47,269 --> 00:23:43,840

ground

572

00:23:49,269 --> 00:23:47,279

and they all unfolded once and

573

00:23:50,630 --> 00:23:49,279

then were taken up quickly into the

574

00:23:54,710 --> 00:23:50,640

crack this whole thing

575

00:23:56,710 --> 00:23:54,720

taking roughly about 12 seconds

576
00:23:58,630 --> 00:23:56,720
and then the craft moved away and her

577
00:24:00,470 --> 00:23:58,640
descriptions exactly corroborate the

578
00:24:03,830 --> 00:24:00,480
descriptions of

579
00:24:05,909 --> 00:24:03,840
the two intelligent security agents

580
00:24:07,269 --> 00:24:05,919
in the car down below who were

581
00:24:08,310 --> 00:24:07,279
accompanying an important political

582
00:24:09,669 --> 00:24:08,320
figure

583
00:24:20,950 --> 00:24:09,679
they all saw the same thing with the

584
00:24:23,909 --> 00:24:22,230
i think you have to remember that this

585
00:24:25,190 --> 00:24:23,919
is a phenomenon that is not only just

586
00:24:26,789 --> 00:24:25,200
stories that people tell

587
00:24:28,789 --> 00:24:26,799
there is a very strong physical

588
00:24:30,310 --> 00:24:28,799

component that is related to this that

589

00:24:31,110 --> 00:24:30,320

that everybody is involved with for

590

00:24:32,870 --> 00:24:31,120

example

591

00:24:34,310 --> 00:24:32,880

when people say they're abducted they're

592

00:24:36,310 --> 00:24:34,320

physically missing from their normal

593

00:24:37,990 --> 00:24:36,320

environment they're not there nobody's

594

00:24:41,190 --> 00:24:38,000

ever found anybody who has

595

00:24:43,830 --> 00:24:41,200

been abducted people come back with

596

00:24:44,310 --> 00:24:43,840

unusual marks and scars on their bodies

597

00:24:51,750 --> 00:24:44,320

that

598

00:24:54,630 --> 00:24:51,760

people see other people being abducted

599

00:24:55,110 --> 00:24:54,640

of the 750 abduction regressions that i

600

00:24:58,470 --> 00:24:55,120

have done

601
00:25:01,750 --> 00:24:58,480
that i have investigated uh fully

602
00:25:03,110 --> 00:25:01,760
20 percent of them are of two or more

603
00:25:06,470 --> 00:25:03,120
people

604
00:25:08,230 --> 00:25:06,480
other's abductions they see

605
00:25:09,669 --> 00:25:08,240
each other and sometimes the person is

606
00:25:12,830 --> 00:25:09,679
not one person's not abducted and the

607
00:25:15,669 --> 00:25:12,840
other one is and they still see it

608
00:25:16,630 --> 00:25:15,679
furthermore the precise detail that

609
00:25:18,630 --> 00:25:16,640
people describe

610
00:25:20,390 --> 00:25:18,640
is extraordinary they can describe

611
00:25:21,029 --> 00:25:20,400
certain instruments that are used on

612
00:25:22,549 --> 00:25:21,039
them

613
00:25:24,149 --> 00:25:22,559

and we know what those instruments are

614

00:25:25,590 --> 00:25:24,159

for and they may not understand what

615

00:25:26,470 --> 00:25:25,600

they're for they may not even know it

616

00:25:28,789 --> 00:25:26,480

but we've seen those

617

00:25:29,990 --> 00:25:28,799

instruments so many times we know what

618

00:25:31,430 --> 00:25:30,000

they're for

619

00:25:33,750 --> 00:25:31,440

not only that but when they describe

620

00:25:34,470 --> 00:25:33,760

procedures they'll describe procedure a

621

00:25:37,190 --> 00:25:34,480

procedure b

622

00:25:37,990 --> 00:25:37,200

procedure c and we know procedure d is

623

00:25:39,510 --> 00:25:38,000

coming

624

00:25:41,190 --> 00:25:39,520

and they don't know it and then they go

625

00:25:43,750 --> 00:25:41,200

ahead and describe procedure g d

626
00:25:44,470 --> 00:25:43,760
just like everybody else has done so

627
00:25:45,990 --> 00:25:44,480
therefore

628
00:25:48,630 --> 00:25:46,000
any theory that accounts for this

629
00:25:49,110 --> 00:25:48,640
phenomenon must take into account its

630
00:25:52,470 --> 00:25:49,120
strong

631
00:25:53,669 --> 00:25:52,480
physical component and deal with it

632
00:25:55,430 --> 00:25:53,679
oh yes i'm certain that they're

633
00:25:56,390 --> 00:25:55,440
happening in the physical reality

634
00:25:58,950 --> 00:25:56,400
because

635
00:26:02,230 --> 00:25:58,960
i wake up with various marks on my body

636
00:26:05,110 --> 00:26:02,240
that i've received overnight

637
00:26:06,470 --> 00:26:05,120
here are some examples there's a little

638
00:26:08,470 --> 00:26:06,480

piece of skin

639

00:26:10,070 --> 00:26:08,480

scooped out of my chin over here there's

640

00:26:11,190 --> 00:26:10,080

another one that i've had here since

641

00:26:13,269 --> 00:26:11,200

childhood but i never

642

00:26:15,510 --> 00:26:13,279

knew how it happened but this one over

643

00:26:18,549 --> 00:26:15,520

here i received this year

644

00:26:20,549 --> 00:26:18,559

i think it was in march of this year i

645

00:26:22,310 --> 00:26:20,559

just woke up with a little piece of skin

646

00:26:25,110 --> 00:26:22,320

missing out of my face

647

00:26:26,870 --> 00:26:25,120

you know when when you cut yourself or

648

00:26:28,549 --> 00:26:26,880

or scrape yourself you know first it's

649

00:26:29,029 --> 00:26:28,559

going to bleed and then it's going to

650

00:26:31,510 --> 00:26:29,039

scab

651
00:26:32,470 --> 00:26:31,520
is going to fall off and have the

652
00:26:38,149 --> 00:26:32,480
natural

653
00:26:38,950 --> 00:26:38,159
this little scoop out of skin never it

654
00:26:41,990 --> 00:26:38,960
never bled

655
00:26:44,390 --> 00:26:42,000
there was no scab it was just not there

656
00:26:47,669 --> 00:26:44,400
one day and the next day i had a

657
00:26:51,029 --> 00:26:47,679
healed scoop mark out of my face

658
00:26:54,070 --> 00:26:51,039
i've had one on each leg i

659
00:26:54,870 --> 00:26:54,080
woke up one day and discovered a tiny

660
00:26:58,630 --> 00:26:54,880
little

661
00:27:02,070 --> 00:26:58,640
that had not been there before

662
00:27:03,830 --> 00:27:02,080
i woke up with with um various types of

663
00:27:07,510 --> 00:27:03,840

other marks on my body

664

00:27:10,070 --> 00:27:07,520

for instance back in january

665

00:27:11,269 --> 00:27:10,080

and february of this year i discovered

666

00:27:14,470 --> 00:27:11,279

on my back

667

00:27:18,070 --> 00:27:14,480

two circular marks that looked like

668

00:27:20,549 --> 00:27:18,080

punctures in the form of a circle

669

00:27:21,750 --> 00:27:20,559

like seven punctures in a circle and one

670

00:27:23,350 --> 00:27:21,760

in the middle

671

00:27:25,590 --> 00:27:23,360

but the ultimate evidence for the

672

00:27:26,630 --> 00:27:25,600

physical reality of alien abductions

673

00:27:37,190 --> 00:27:26,640

were strange

674

00:27:41,430 --> 00:27:39,430

the issue of implants is an extremely

675

00:27:44,310 --> 00:27:41,440

interesting issue because

676
00:27:45,750 --> 00:27:44,320
a number of objects alleged implants

677
00:27:49,990 --> 00:27:45,760
have been recovered

678
00:27:51,350 --> 00:27:50,000
and um the they vary in

679
00:27:53,269 --> 00:27:51,360
size and shape and they seem to have

680
00:27:55,909 --> 00:27:53,279
come from odd places

681
00:27:56,470 --> 00:27:55,919
from in one case the underside of the

682
00:27:59,830 --> 00:27:56,480
penis

683
00:28:01,830 --> 00:27:59,840
in another case uh the nasal cavity and

684
00:28:03,750 --> 00:28:01,840
so on

685
00:28:05,590 --> 00:28:03,760
these particular objects have in common

686
00:28:06,470 --> 00:28:05,600
the fact that none of them are radio

687
00:28:08,470 --> 00:28:06,480
opaque

688
00:28:09,750 --> 00:28:08,480

meaning they do not show up on an x-ray

689

00:28:12,789 --> 00:28:09,760

which is interesting

690

00:28:15,830 --> 00:28:12,799

they're also mainly consisting of

691

00:28:19,510 --> 00:28:15,840

organic materials like

692

00:28:23,990 --> 00:28:19,520

silicon carbon oxygen and so forth

693

00:28:27,190 --> 00:28:24,000

they're not they don't look like

694

00:28:28,630 --> 00:28:27,200

a piece of machinery we don't know

695

00:28:30,310 --> 00:28:28,640

really what these things are

696

00:28:32,230 --> 00:28:30,320

it's very difficult to get the

697

00:28:33,909 --> 00:28:32,240

scientists who have studied these things

698

00:28:35,269 --> 00:28:33,919

to go out on a limb and say there's no

699

00:28:37,190 --> 00:28:35,279

way that this object could have been

700

00:28:39,669 --> 00:28:37,200

produced on earth

701
00:28:41,990 --> 00:28:39,679
no scientist wants to be forced to try

702
00:28:43,510 --> 00:28:42,000
to prove a negative

703
00:28:45,590 --> 00:28:43,520
but yet none of these things should have

704
00:28:46,870 --> 00:28:45,600
been found in the places they were found

705
00:28:48,549 --> 00:28:46,880
in the human body

706
00:28:50,870 --> 00:28:48,559
we have no idea of their function either

707
00:28:53,350 --> 00:28:50,880
we have some speculative guesses

708
00:28:53,909 --> 00:28:53,360
but um and we have some x-ray pictures

709
00:28:57,190 --> 00:28:53,919
and some

710
00:29:02,470 --> 00:28:57,200
mri photographs uh of

711
00:29:07,029 --> 00:29:04,710
abduction researcher daryl thinks

712
00:29:13,240 --> 00:29:07,039
investigated several of those alleged

713
00:29:18,630 --> 00:29:13,250

alien implants

714

00:29:22,149 --> 00:29:20,549

first of all when we found it it was we

715

00:29:23,430 --> 00:29:22,159

were quite excited when the lady brought

716

00:29:24,230 --> 00:29:23,440

it to us she brought it to us quite by

717

00:29:26,149 --> 00:29:24,240

accident

718

00:29:27,430 --> 00:29:26,159

she's rubbing her eye the next morning

719

00:29:29,190 --> 00:29:27,440

after december the 10th

720

00:29:30,789 --> 00:29:29,200

next morning something was bothering her

721

00:29:32,630 --> 00:29:30,799

eyes she rubbed her eye and and it fell

722

00:29:33,350 --> 00:29:32,640

out on her desk and it landed its little

723

00:29:35,350 --> 00:29:33,360

tiny thing

724

00:29:36,789 --> 00:29:35,360

but it's so hard she actually heard it

725

00:29:38,470 --> 00:29:36,799

hit the desk

726
00:29:40,389 --> 00:29:38,480
her boss happened to be standing there

727
00:29:41,510 --> 00:29:40,399
and looked at and says what is that she

728
00:29:43,029 --> 00:29:41,520
said i know it's a piece of sand or

729
00:29:43,990 --> 00:29:43,039
something is in my eyes hurting my eye

730
00:29:45,430 --> 00:29:44,000
all night

731
00:29:47,190 --> 00:29:45,440
and she said take it to that uh

732
00:29:48,389 --> 00:29:47,200
investigator mr sims

733
00:29:49,990 --> 00:29:48,399
and she said she's probably be some

734
00:29:50,789 --> 00:29:50,000
sense just don't take it to him please

735
00:29:52,630 --> 00:29:50,799
do that

736
00:29:54,789 --> 00:29:52,640
that's the only reason we have that

737
00:29:56,549 --> 00:29:54,799
actual evidence in regressive hypnosis

738
00:29:58,389 --> 00:29:56,559

she describes this object how it was

739

00:30:00,149 --> 00:29:58,399

installed with the surgical instruments

740

00:30:01,590 --> 00:30:00,159

and a different instrument that was used

741

00:30:03,110 --> 00:30:01,600

to take it out

742

00:30:05,110 --> 00:30:03,120

first of all i brought an entomologist

743

00:30:07,430 --> 00:30:05,120

biologist they looked at it to determine

744

00:30:08,870 --> 00:30:07,440

whether or not is it a seed

745

00:30:10,710 --> 00:30:08,880

is it a plant seed that's what it kind

746

00:30:12,950 --> 00:30:10,720

of looks like when you look at it

747

00:30:14,630 --> 00:30:12,960

it's so small and i brought in

748

00:30:15,110 --> 00:30:14,640

entomologists to see if it was an insect

749

00:30:16,630 --> 00:30:15,120

egg

750

00:30:18,070 --> 00:30:16,640

of course i knew i'd already looked at

751
00:30:20,070 --> 00:30:18,080
the object i knew that was not the case

752
00:30:21,909 --> 00:30:20,080
but i wanted that verified by

753
00:30:24,230 --> 00:30:21,919
people who these are post doctorate

754
00:30:26,070 --> 00:30:24,240
students

755
00:30:27,990 --> 00:30:26,080
now the individuals looked at this then

756
00:30:31,669 --> 00:30:28,000
i had a microbiologist look at it and

757
00:30:33,350 --> 00:30:31,679
uh he was quite uh vocal in his

758
00:30:33,830 --> 00:30:33,360
description he said my god what is this

759
00:30:35,190 --> 00:30:33,840
thing

760
00:30:37,190 --> 00:30:35,200
he said looks like hard plastic on the

761
00:30:38,310 --> 00:30:37,200
outside looks like an egg on the outside

762
00:30:39,909 --> 00:30:38,320
with the end of it open

763
00:30:42,230 --> 00:30:39,919

with packing material on the inside he

764

00:30:42,870 --> 00:30:42,240

said like something was housed inside

765

00:30:45,510 --> 00:30:42,880

this

766

00:30:46,389 --> 00:30:45,520

course all the information i gave him

767

00:30:48,070 --> 00:30:46,399

was simply

768

00:30:49,430 --> 00:30:48,080

i fell out of a lady's eye he said it

769

00:30:51,750 --> 00:30:49,440

couldn't this thing how could this be in

770

00:30:53,909 --> 00:30:51,760

someone's eye

771

00:30:55,350 --> 00:30:53,919

what is how what is it saying i i really

772

00:30:58,310 --> 00:30:55,360

can't tell you anymore about it

773

00:30:58,710 --> 00:30:58,320

that's all later i took it uh then to

774

00:31:04,149 --> 00:30:58,720

the

775

00:31:07,350 --> 00:31:04,159

electron microscope what we found is uh

776

00:31:08,149 --> 00:31:07,360

rare uh traces of beryllium and uh

777

00:31:10,549 --> 00:31:08,159

titanium

778

00:31:12,630 --> 00:31:10,559

which then just tends to show up in ufo

779

00:31:14,149 --> 00:31:12,640

type related material

780

00:31:15,909 --> 00:31:14,159

as as well as other things but those

781

00:31:18,230 --> 00:31:15,919

were the things were kind of interesting

782

00:31:21,269 --> 00:31:18,240

to that showed up in this object

783

00:31:23,590 --> 00:31:21,279

i started in this by uh

784

00:31:25,110 --> 00:31:23,600

meeting a researcher in texas by the

785

00:31:27,110 --> 00:31:25,120

name of gerald simms

786

00:31:30,549 --> 00:31:27,120

who have been investigating the alien

787

00:31:32,710 --> 00:31:30,559

abduction phenomena for some 27 years

788

00:31:34,149 --> 00:31:32,720

he got me interested by showing me a set

789

00:31:38,070 --> 00:31:34,159

of x-rays of a foot

790

00:31:41,190 --> 00:31:38,080

which contained two metallic objects

791

00:31:43,269 --> 00:31:41,200

and i offered to remove them

792

00:31:46,070 --> 00:31:43,279

by the time that case was set for

793

00:31:47,990 --> 00:31:46,080

removal another case had come up and had

794

00:31:49,350 --> 00:31:48,000

the metallic object in the back of the

795

00:31:53,029 --> 00:31:49,360

hand

796

00:31:56,070 --> 00:31:53,039

i organized the surgical team both

797

00:32:00,149 --> 00:31:56,080

cases were done and the biological

798

00:32:02,870 --> 00:32:00,159

findings were

799

00:32:05,909 --> 00:32:02,880

recorded as well as the beginning of a

800

00:32:08,310 --> 00:32:05,919

long set of metallurgical findings

801
00:32:09,430 --> 00:32:08,320
to date we've done uh six different

802
00:32:12,630 --> 00:32:09,440
procedures

803
00:32:14,389 --> 00:32:12,640
the results of which we have three that

804
00:32:17,190 --> 00:32:14,399
are similar as far as objects

805
00:32:17,750 --> 00:32:17,200
and the other three are similar we have

806
00:32:20,870 --> 00:32:17,760
the

807
00:32:23,669 --> 00:32:20,880
non-metallic

808
00:32:25,669 --> 00:32:23,679
the metallic objects uh vary in shapes

809
00:32:28,149 --> 00:32:25,679
and are covered with a dark gray

810
00:32:30,310 --> 00:32:28,159
dense membrane that you can't cut

811
00:32:33,590 --> 00:32:30,320
through with a surgical blade

812
00:32:36,710 --> 00:32:33,600
the other three were small uh bb

813
00:32:39,750 --> 00:32:36,720

sized uh balls that were grayish

814

00:32:41,509 --> 00:32:39,760

color and uh they are not calcium

815

00:32:43,990 --> 00:32:41,519

they've had one analyzed and it's a

816

00:32:47,190 --> 00:32:44,000

multitude of different elements

817

00:32:49,269 --> 00:32:47,200

the biological findings include

818

00:32:52,230 --> 00:32:49,279

the tissue surrounding area which shows

819

00:32:55,590 --> 00:32:52,240

no evidence of an inflammatory response

820

00:32:57,430 --> 00:32:55,600

which is virtually humanly impossible

821

00:32:58,870 --> 00:32:57,440

and a large amount of nerve

822

00:33:00,870 --> 00:32:58,880

proprioceptors

823

00:33:02,230 --> 00:33:00,880

all from areas of tissue where they

824

00:33:03,990 --> 00:33:02,240

don't belong

825

00:33:05,509 --> 00:33:04,000

and after these two people were taken

826

00:33:07,430 --> 00:33:05,519

back to houston i took the implants of

827

00:33:09,269 --> 00:33:07,440

me dr lear did the pathology

828

00:33:10,710 --> 00:33:09,279

so there was a good chain of evidence on

829

00:33:12,789 --> 00:33:10,720

on the objects

830

00:33:13,909 --> 00:33:12,799

he sent off the pathology and from two

831

00:33:16,230 --> 00:33:13,919

separate pathologists

832

00:33:18,070 --> 00:33:16,240

he found the following report no signs

833

00:33:18,870 --> 00:33:18,080

of inflammatory response either chronic

834

00:33:20,789 --> 00:33:18,880

or acute

835

00:33:21,990 --> 00:33:20,799

and the wrong nerve cells present nerve

836

00:33:26,070 --> 00:33:22,000

proprioceptors

837

00:33:27,990 --> 00:33:26,080

nerve cells that you have on the

838

00:33:30,230 --> 00:33:28,000

their sense cells that you use on the

839

00:33:32,389 --> 00:33:30,240

outside of your skin for touch for taste

840

00:33:33,430 --> 00:33:32,399

uh touch and feelings that pressure and

841

00:33:35,909 --> 00:33:33,440

this sort of thing

842

00:33:36,710 --> 00:33:35,919

these are found in mass surrounding the

843

00:33:41,990 --> 00:33:36,720

alleged

844

00:33:43,350 --> 00:33:42,000

inside the lady's feet and also in the

845

00:33:45,350 --> 00:33:43,360

man's hand

846

00:33:47,909 --> 00:33:45,360

the two uh biological coverings

847

00:33:51,430 --> 00:33:47,919

surrounding these metal objects

848

00:33:54,630 --> 00:33:51,440

seem to be made possibly from the

849

00:33:56,310 --> 00:33:54,640

abductee's own surface skin i think that

850

00:33:58,389 --> 00:33:56,320

there's a possibility that

851
00:33:59,909 --> 00:33:58,399
the scoop marks may suggest that the

852
00:34:02,630 --> 00:33:59,919
alien presence

853
00:34:03,990 --> 00:34:02,640
uh it is reasonable for me to believe

854
00:34:05,990 --> 00:34:04,000
that they could take the scoop

855
00:34:08,069 --> 00:34:06,000
from anyone and culture that and would

856
00:34:09,669 --> 00:34:08,079
literally have tissue for you anytime

857
00:34:11,190 --> 00:34:09,679
they wanted to wrap an implant with it

858
00:34:12,790 --> 00:34:11,200
and install it in your body

859
00:34:14,389 --> 00:34:12,800
which would account for nerve tissue

860
00:34:16,230 --> 00:34:14,399
like nerve proprioceptors

861
00:34:17,510 --> 00:34:16,240
on the surface of skin being wrapped

862
00:34:19,109 --> 00:34:17,520
around the object but then

863
00:34:22,069 --> 00:34:19,119

how those neuroproprio receptors could

864

00:34:24,389 --> 00:34:22,079

reattach to other nerves inside the body

865

00:34:25,669 --> 00:34:24,399

i have no idea because as soon as those

866

00:34:26,950 --> 00:34:25,679

objects were touched now you got to

867

00:34:29,990 --> 00:34:26,960

realize this one lady

868

00:34:30,710 --> 00:34:30,000

is under hypnotic anesthesia and two

869

00:34:32,629 --> 00:34:30,720

local

870

00:34:34,389 --> 00:34:32,639

injections of carbocane you could have

871

00:34:35,270 --> 00:34:34,399

cut her leg off and she wouldn't have

872

00:34:37,510 --> 00:34:35,280

known it

873

00:34:39,349 --> 00:34:37,520

as soon as those objects were touched

874

00:34:40,869 --> 00:34:39,359

and it was the same case with the man

875

00:34:42,950 --> 00:34:40,879

as soon as the object was touched not

876
00:34:45,030 --> 00:34:42,960
taken out touched there was immediate

877
00:34:46,310 --> 00:34:45,040
violent reaction

878
00:34:48,149 --> 00:34:46,320
which suggests that the objects were

879
00:34:50,069 --> 00:34:48,159
attached to a main nerve the

880
00:34:51,909 --> 00:34:50,079
metallurgical analysis after nearly

881
00:34:52,230 --> 00:34:51,919
fifty thousand dollars of research done

882
00:34:55,349 --> 00:34:52,240
on

883
00:34:55,750 --> 00:34:55,359
them to this date so far shows us that

884
00:34:58,950 --> 00:34:55,760
the

885
00:34:59,829 --> 00:34:58,960
objects uh appear to be meteoric in

886
00:35:01,349 --> 00:34:59,839
origin

887
00:35:03,270 --> 00:35:01,359
the reason they were they use the word

888
00:35:04,310 --> 00:35:03,280

appear is because the closest metals

889

00:35:07,109 --> 00:35:04,320

that they have found

890

00:35:08,870 --> 00:35:07,119

to these objects is the windmin starting

891

00:35:12,950 --> 00:35:08,880

structure meteorite and the

892

00:35:14,950 --> 00:35:12,960

meteorite now these rare meteorites

893

00:35:16,710 --> 00:35:14,960

could explain some of it but the problem

894

00:35:19,030 --> 00:35:16,720

is in meteorites you have

895

00:35:19,910 --> 00:35:19,040

a nickel content of six percent or more

896

00:35:22,550 --> 00:35:19,920

iron

897

00:35:24,390 --> 00:35:22,560

in a meteorite these do not contain that

898

00:35:26,630 --> 00:35:24,400

so this has provided some kind of an

899

00:35:29,190 --> 00:35:26,640

anomaly for them

900

00:35:29,990 --> 00:35:29,200

the so-called alien abductions are close

901
00:35:32,390 --> 00:35:30,000
encounters

902
00:35:34,069 --> 00:35:32,400
of the fourth kind made headlines and

903
00:35:36,230 --> 00:35:34,079
bestsellers in the usa

904
00:35:37,349 --> 00:35:36,240
but it is not an exclusively american

905
00:35:40,069 --> 00:35:37,359
phenomenon

906
00:35:40,710 --> 00:35:40,079
indeed we found events following the

907
00:35:47,240 --> 00:35:40,720
same or

908
00:35:47,250 --> 00:36:03,190
[Applause]

909
00:36:06,950 --> 00:36:05,829
phillip spencer a former police officer

910
00:36:09,190 --> 00:36:06,960
left his house

911
00:36:10,150 --> 00:36:09,200
in ilkley at approximately 10 past seven

912
00:36:13,750 --> 00:36:10,160
in the morning

913
00:36:16,150 --> 00:36:13,760

on the 1st of december 1987.

914

00:36:18,390 --> 00:36:16,160

his intentions were to walk across the

915

00:36:20,310 --> 00:36:18,400

moor and visit a relative who lived in

916

00:36:24,230 --> 00:36:20,320

the village of east morton on the far

917

00:36:27,109 --> 00:36:24,240

side he took with him a camera

918

00:36:29,270 --> 00:36:27,119

and this compass the compass in case he

919

00:36:30,069 --> 00:36:29,280

got lost because he wasn't that familiar

920

00:36:32,150 --> 00:36:30,079

with them all

921

00:36:33,349 --> 00:36:32,160

and the camera to take some photographs

922

00:36:36,230 --> 00:36:33,359

of oakley town

923

00:36:37,030 --> 00:36:36,240

from the more tops he actually began his

924

00:36:39,430 --> 00:36:37,040

walk

925

00:36:41,109 --> 00:36:39,440

just below the white wells building down

926
00:36:45,109 --> 00:36:41,119
there and wound his way

927
00:36:47,990 --> 00:36:45,119
up the hill to this point where we are

928
00:36:48,790 --> 00:36:48,000
he consciously remembers walking along

929
00:36:51,589 --> 00:36:48,800
this path

930
00:36:53,349 --> 00:36:51,599
and then up over the rise and past a

931
00:36:56,390 --> 00:36:53,359
small quarry

932
00:36:57,589 --> 00:36:56,400
just as he was walking past the quarry a

933
00:37:00,550 --> 00:36:57,599
movement caught his

934
00:37:02,470 --> 00:37:00,560
attention from his right eye and he spun

935
00:37:04,870 --> 00:37:02,480
round and he was amazed to see

936
00:37:06,550 --> 00:37:04,880
just about ten feet away from him a

937
00:37:09,829 --> 00:37:06,560
small green creature

938
00:37:12,230 --> 00:37:09,839

about four foot six inches tall

939

00:37:14,790 --> 00:37:12,240

it suddenly turned and scuttled away at

940

00:37:18,150 --> 00:37:14,800

terrific rate away from him

941

00:37:19,510 --> 00:37:18,160

spencer shouted out hey brought the

942

00:37:23,270 --> 00:37:19,520

camera up

943

00:37:25,589 --> 00:37:23,280

and took one shot the creature then

944

00:37:29,750 --> 00:37:25,599

continued running around a bluff

945

00:37:31,829 --> 00:37:29,760

out of sight spencer then ran after it

946

00:37:33,430 --> 00:37:31,839

and as he turned the corner the creature

947

00:37:36,310 --> 00:37:33,440

had disappeared

948

00:37:37,589 --> 00:37:36,320

but he was confronted by a silver disc

949

00:37:40,710 --> 00:37:37,599

shaped object

950

00:37:41,510 --> 00:37:40,720

which almost immediately shot up and

951
00:37:45,510 --> 00:37:41,520
disappeared

952
00:37:47,990 --> 00:37:45,520
in the into the clouds out of sight

953
00:37:50,069 --> 00:37:48,000
instead of continuing his journey he

954
00:37:53,030 --> 00:37:50,079
decided to retrace his steps and go

955
00:37:54,870 --> 00:37:53,040
back down into oakley and a further

956
00:37:57,190 --> 00:37:54,880
surprise awaited him there

957
00:37:58,630 --> 00:37:57,200
because he discovered that the streets

958
00:38:00,550 --> 00:37:58,640
were full of shoppers

959
00:38:02,230 --> 00:38:00,560
the shops were all open and he couldn't

960
00:38:04,310 --> 00:38:02,240
understand this because

961
00:38:06,150 --> 00:38:04,320
to him it should have been about just

962
00:38:08,390 --> 00:38:06,160
after eight o'clock in the morning

963
00:38:10,230 --> 00:38:08,400

and yet when he looked at the clock on

964

00:38:14,660 --> 00:38:10,240

the church tower

965

00:38:16,069 --> 00:38:14,670

he discovered he was now 10 a.m

966

00:38:20,790 --> 00:38:16,079

[Applause]

967

00:38:23,990 --> 00:38:23,030

well it's a very interesting picture my

968

00:38:27,270 --> 00:38:24,000

impression is

969

00:38:28,870 --> 00:38:27,280

that it made my uh my blood pump

970

00:38:31,589 --> 00:38:28,880

you know when you see a picture like

971

00:38:32,150 --> 00:38:31,599

that of course i'm exposed to pictures

972

00:38:35,910 --> 00:38:32,160

like this

973

00:38:39,190 --> 00:38:35,920

all the time ufo craft and

974

00:38:43,589 --> 00:38:39,200

occasionally photographs of beings but

975

00:38:45,589 --> 00:38:43,599

something about it seems right about it

976
00:38:47,510 --> 00:38:45,599
when i first looked at it of course

977
00:38:49,270 --> 00:38:47,520
there was the skepticism that always

978
00:38:53,670 --> 00:38:49,280
goes along with it because

979
00:38:55,990 --> 00:38:53,680
as a scientist i'm to rule out

980
00:38:56,950 --> 00:38:56,000
photographs that would have some aspect

981
00:38:59,990 --> 00:38:56,960
of a hoax

982
00:39:01,109 --> 00:39:00,000
it doesn't seem like it's a hoax it

983
00:39:05,190 --> 00:39:01,119
seems

984
00:39:07,109 --> 00:39:05,200
that it is what the witness reported

985
00:39:08,630 --> 00:39:07,119
we heard about it from the the chap

986
00:39:10,870 --> 00:39:08,640
himself phoning me

987
00:39:12,150 --> 00:39:10,880
inviting us to go up there to show us a

988
00:39:17,510 --> 00:39:12,160

photograph he'd taken

989

00:39:19,030 --> 00:39:17,520

of this creature um we went to see him

990

00:39:20,470 --> 00:39:19,040

well the first time we went we were a

991

00:39:21,990 --> 00:39:20,480

bit late we got there in the dark he

992

00:39:24,630 --> 00:39:22,000

took us up on the moor he pitched

993

00:39:27,750 --> 00:39:24,640

blackness just to show us the spot

994

00:39:29,190 --> 00:39:27,760

and then we went up again we took peter

995

00:39:30,150 --> 00:39:29,200

off with us this time we did an

996

00:39:36,470 --> 00:39:30,160

interview

997

00:39:38,230 --> 00:39:36,480

then we suggested that

998

00:39:39,750 --> 00:39:38,240

you know i had this missing time period

999

00:39:41,829 --> 00:39:39,760

we suggested that uh

1000

00:39:43,190 --> 00:39:41,839

we could do a hypnotic regression for

1001
00:39:45,349 --> 00:39:43,200
him if we could find something to do and

1002
00:39:46,710 --> 00:39:45,359
if he agreed to it

1003
00:39:49,030 --> 00:39:46,720
at first he was a bit worried about

1004
00:39:51,349 --> 00:39:49,040
hypnotism but we reassured him

1005
00:39:52,550 --> 00:39:51,359
after another week he agreed that he

1006
00:39:54,790 --> 00:39:52,560
would like to be regressed on the

1007
00:39:58,069 --> 00:39:54,800
hypnosis

1008
00:40:01,030 --> 00:39:58,079
so we brought him here to my house

1009
00:40:02,390 --> 00:40:01,040
together with the dr singleton they met

1010
00:40:05,109 --> 00:40:02,400
on a wednesday

1011
00:40:06,630 --> 00:40:05,119
and they had a preliminary discussion

1012
00:40:07,270 --> 00:40:06,640
they agreed to do the session at the

1013
00:40:12,150 --> 00:40:07,280

weekend

1014

00:40:14,150 --> 00:40:12,160
on the saturday then took place

1015

00:40:15,349 --> 00:40:14,160
which explained all the missing time

1016

00:40:18,710 --> 00:40:15,359
period that the

1017

00:40:20,710 --> 00:40:18,720
witness had about meeting these green

1018

00:40:23,589 --> 00:40:20,720
creatures and being taken in the craft

1019

00:40:27,030 --> 00:40:23,599
and shown various moving pictures

1020

00:40:28,710 --> 00:40:27,040
and it also explained

1021

00:40:30,309 --> 00:40:28,720
his compass being reversed it had been

1022

00:40:33,030 --> 00:40:30,319
in a strong magnetic field which

1023

00:40:35,589 --> 00:40:33,040
apparently connected with the craft

1024

00:40:37,030 --> 00:40:35,599
um as far as the case itself is

1025

00:40:40,390 --> 00:40:37,040
concerned i'm 100

1026

00:40:41,990 --> 00:40:40,400

sure that it's genuine hypnosis was

1027

00:40:45,349 --> 00:40:42,000

carried out by a clinical

1028

00:40:46,710 --> 00:40:45,359

psychologist and we discovered that in

1029

00:40:48,630 --> 00:40:46,720

fact the story

1030

00:40:50,390 --> 00:40:48,640

did not begin with the taking of the

1031

00:40:53,829 --> 00:40:50,400

photograph it began

1032

00:40:55,670 --> 00:40:53,839

at this point here just a few yards from

1033

00:40:58,550 --> 00:40:55,680

where we're standing

1034

00:41:00,069 --> 00:40:58,560

it was at this point where he noticed

1035

00:41:03,349 --> 00:41:00,079

the small creature

1036

00:41:05,030 --> 00:41:03,359

coming down the hill towards him

1037

00:41:07,030 --> 00:41:05,040

he stopped because he was absolutely

1038

00:41:09,109 --> 00:41:07,040

petrified with fear

1039

00:41:11,349 --> 00:41:09,119

and wanted to turn and run but he

1040

00:41:14,150 --> 00:41:11,359

discovered that every muscle in his body

1041

00:41:15,910 --> 00:41:14,160

was paralyzed he couldn't move at all

1042

00:41:16,870 --> 00:41:15,920

the creature then turned around and

1043

00:41:19,430 --> 00:41:16,880

started going back

1044

00:41:19,990 --> 00:41:19,440

up the hill and he discovered to his

1045

00:41:22,230 --> 00:41:20,000

aura

1046

00:41:23,510 --> 00:41:22,240

that he was actually following it but he

1047

00:41:26,550 --> 00:41:23,520

wasn't walking

1048

00:41:29,910 --> 00:41:26,560

he was now levitated a few inches

1049

00:41:32,390 --> 00:41:29,920

above the ground um similar to a balloon

1050

00:41:34,069 --> 00:41:32,400

being tethered by a piece of string he

1051

00:41:37,270 --> 00:41:34,079

was pulled up the hill

1052

00:41:40,309 --> 00:41:37,280

over the prow of the hill and into the

1053

00:41:41,270 --> 00:41:40,319

small quarry at the other side in the

1054

00:41:43,910 --> 00:41:41,280

quarry

1055

00:41:44,710 --> 00:41:43,920

he saw for the first time the silver

1056

00:41:47,109 --> 00:41:44,720

disk

1057

00:41:48,790 --> 00:41:47,119

and a door opened in it but he has no

1058

00:41:49,589 --> 00:41:48,800

memory of actually going inside the

1059

00:41:51,990 --> 00:41:49,599

object

1060

00:41:53,349 --> 00:41:52,000

just an overwhelming blackness which

1061

00:41:56,230 --> 00:41:53,359

then disappeared

1062

00:41:59,109 --> 00:41:56,240

and he found himself in a white room he

1063

00:42:01,109 --> 00:41:59,119

was very brightly illuminated with white

1064

00:42:02,309 --> 00:42:01,119

light but he could see no source for

1065

00:42:04,150 --> 00:42:02,319

that light

1066

00:42:05,510 --> 00:42:04,160

he heard a voice in his head telling him

1067

00:42:07,829 --> 00:42:05,520

not to be afraid

1068

00:42:09,270 --> 00:42:07,839

and ordering him to lie down on a table

1069

00:42:11,270 --> 00:42:09,280

which was in the room

1070

00:42:12,950 --> 00:42:11,280

this he did and he found he couldn't

1071

00:42:16,950 --> 00:42:12,960

move and he was surrounded by

1072

00:42:18,790 --> 00:42:16,960

four or five of the green creatures

1073

00:42:20,950 --> 00:42:18,800

they carried out some kind of medical

1074

00:42:24,230 --> 00:42:20,960

examination which basically

1075

00:42:26,630 --> 00:42:24,240

involved a fluorescent

1076

00:42:28,710 --> 00:42:26,640

uh light in the shape of a tube which

1077

00:42:29,510 --> 00:42:28,720

passed along the length of his body much

1078

00:42:32,390 --> 00:42:29,520

in the way

1079

00:42:34,390 --> 00:42:32,400

of a body scanner he was then told he

1080

00:42:35,589 --> 00:42:34,400

could get off the table and given a

1081

00:42:38,230 --> 00:42:35,599

conducted tour

1082

00:42:39,829 --> 00:42:38,240

of the object this involved taking him

1083

00:42:41,990 --> 00:42:39,839

down the corridor

1084

00:42:43,670 --> 00:42:42,000

and he looked through a window and

1085

00:42:44,230 --> 00:42:43,680

couldn't believe his eyes because there

1086

00:42:46,230 --> 00:42:44,240

was the

1087

00:42:48,630 --> 00:42:46,240

planet earth in the distance for the

1088

00:42:51,109 --> 00:42:48,640

first time he realized he wasn't

1089

00:42:52,550 --> 00:42:51,119

on the earth he was somewhere high up in

1090

00:42:54,710 --> 00:42:52,560

space

1091

00:42:55,750 --> 00:42:54,720

he was taken into a room which seemed to

1092

00:42:58,069 --> 00:42:55,760

be an

1093

00:42:59,750 --> 00:42:58,079

engine room there was a piece of

1094

00:43:02,550 --> 00:42:59,760

equipment in the middle of it

1095

00:43:03,349 --> 00:43:02,560

which was like a gyroscope this was

1096

00:43:05,990 --> 00:43:03,359

spinning

1097

00:43:07,910 --> 00:43:06,000

rapidly and his camera which was hanging

1098

00:43:11,349 --> 00:43:07,920

around his neck by a cord

1099

00:43:15,430 --> 00:43:11,359

was drawn towards it as was the

1100

00:43:18,309 --> 00:43:15,440

compass he was then taken from that room

1101
00:43:19,349 --> 00:43:18,319
uh into another where he was shown two

1102
00:43:22,950 --> 00:43:19,359
films

1103
00:43:26,309 --> 00:43:22,960
were more three-dimensional

1104
00:43:28,069 --> 00:43:26,319
very realistic in the first film he was

1105
00:43:31,190 --> 00:43:28,079
shown the planet earth

1106
00:43:32,630 --> 00:43:31,200
and he saw people starving millions of

1107
00:43:35,990 --> 00:43:32,640
people starving

1108
00:43:38,550 --> 00:43:36,000
he saw rivers full of pollution it was

1109
00:43:39,270 --> 00:43:38,560
the worst parts of the planet earth now

1110
00:43:41,510 --> 00:43:39,280
but

1111
00:43:42,470 --> 00:43:41,520
made much much worse it was our own

1112
00:43:43,910 --> 00:43:42,480
future

1113
00:43:45,270 --> 00:43:43,920

and there was a warning here that we

1114

00:43:46,230 --> 00:43:45,280

have to get our act together as a

1115

00:43:48,950 --> 00:43:46,240

species

1116

00:43:49,510 --> 00:43:48,960

otherwise this is what would happen it

1117

00:43:52,309 --> 00:43:49,520

was then

1118

00:43:53,990 --> 00:43:52,319

shown a second film now i believe this

1119

00:43:56,470 --> 00:43:54,000

was very personal because neither

1120

00:43:57,589 --> 00:43:56,480

under hypnosis nor consciously since

1121

00:44:00,630 --> 00:43:57,599

when he discussed

1122

00:44:01,430 --> 00:44:00,640

the details of this it's quite possible

1123

00:44:04,550 --> 00:44:01,440

from one or two

1124

00:44:07,430 --> 00:44:04,560

hints i've had from philip spencer

1125

00:44:09,589 --> 00:44:07,440

that he predicted his own personal

1126

00:44:11,910 --> 00:44:09,599

future

1127

00:44:13,510 --> 00:44:11,920

the next thing he remembers is being

1128

00:44:17,030 --> 00:44:13,520

back on the moor

1129

00:44:19,030 --> 00:44:17,040

and suddenly seeing the green creature

1130

00:44:20,069 --> 00:44:19,040

and having no memory of what had just

1131

00:44:22,150 --> 00:44:20,079

happened

1132

00:44:23,190 --> 00:44:22,160

bringing up the camera taking the

1133

00:44:25,829 --> 00:44:23,200

photograph

1134

00:44:27,190 --> 00:44:25,839

chasing it seeing the object which then

1135

00:44:31,109 --> 00:44:27,200

rapidly disappeared

1136

00:44:31,829 --> 00:44:31,119

up into the air well it was a perfectly

1137

00:44:33,910 --> 00:44:31,839

normal

1138

00:44:35,829 --> 00:44:33,920

session to him and he did nothing about

1139

00:44:36,870 --> 00:44:35,839

aliens or spacecraft or anything like

1140

00:44:38,870 --> 00:44:36,880

that he's just

1141

00:44:39,910 --> 00:44:38,880

doing a straightforward regression on a

1142

00:44:41,829 --> 00:44:39,920

person and

1143

00:44:43,670 --> 00:44:41,839

as far as he was concerned all the

1144

00:44:46,870 --> 00:44:43,680

normal reactions occurred

1145

00:44:48,950 --> 00:44:46,880

that a person would do when telling the

1146

00:44:50,790 --> 00:44:48,960

truth under hypnosis

1147

00:44:53,109 --> 00:44:50,800

so he was very impressed with it okay

1148

00:44:54,230 --> 00:44:53,119

well one of the interesting aspects of

1149

00:44:57,510 --> 00:44:54,240

this picture

1150

00:44:59,349 --> 00:44:57,520

is this tubular shaped object that's up

1151
00:45:02,309 --> 00:44:59,359
on the horizon here

1152
00:45:03,109 --> 00:45:02,319
um we thought it was some kind of pipe

1153
00:45:07,190 --> 00:45:03,119
or perhaps an

1154
00:45:09,829 --> 00:45:07,200
antenna or something in doing contour

1155
00:45:11,829 --> 00:45:09,839
enhancement and building a contour map

1156
00:45:14,470 --> 00:45:11,839
like a topographical map

1157
00:45:16,630 --> 00:45:14,480
it is indeed a cylinder and you could

1158
00:45:18,710 --> 00:45:16,640
view it as a cylinder perhaps

1159
00:45:20,390 --> 00:45:18,720
three and a half inches or so in

1160
00:45:22,309 --> 00:45:20,400
diameter two to three inches because we

1161
00:45:24,069 --> 00:45:22,319
don't know the different distance away

1162
00:45:26,230 --> 00:45:24,079
we do know that it's a cylinder shape

1163
00:45:29,910 --> 00:45:26,240

and it's reflecting light

1164

00:45:33,349 --> 00:45:29,920

therefore from filtering inverse phong

1165

00:45:34,870 --> 00:45:33,359

shading filtering we believe that it's a

1166

00:45:36,550 --> 00:45:34,880

metallic object

1167

00:45:38,550 --> 00:45:36,560

we'll have to do some more tests on to

1168

00:45:39,109 --> 00:45:38,560

be certain of that but we know for

1169

00:45:42,150 --> 00:45:39,119

certain

1170

00:45:43,430 --> 00:45:42,160

that it's not a natural object it's not

1171

00:45:45,750 --> 00:45:43,440

a tree

1172

00:45:47,430 --> 00:45:45,760

branch it's not the trunk of a bush or

1173

00:45:48,870 --> 00:45:47,440

something like that it's a metallic

1174

00:45:51,990 --> 00:45:48,880

object

1175

00:45:52,790 --> 00:45:52,000

well it's got loads and loads of ancient

1176
00:45:56,470 --> 00:45:52,800
stones

1177
00:45:57,589 --> 00:45:56,480
circles and carved rocks the swastikas

1178
00:45:59,910 --> 00:45:57,599
on them and that kind of thing

1179
00:46:01,589 --> 00:45:59,920
and cup and ring marks so there's many

1180
00:46:03,430 --> 00:46:01,599
legends attached to it

1181
00:46:05,190 --> 00:46:03,440
but one of the most interesting ones as

1182
00:46:07,990 --> 00:46:05,200
far as this case goes is that white

1183
00:46:10,069 --> 00:46:08,000
walls museum which is a spa

1184
00:46:11,589 --> 00:46:10,079
in the 19th century something happened

1185
00:46:13,589 --> 00:46:11,599
there the curator of the museum was

1186
00:46:15,990 --> 00:46:13,599
going to open up one morning when he

1187
00:46:17,750 --> 00:46:16,000
heard a noise from inside and he opened

1188
00:46:19,829 --> 00:46:17,760

the door and he found inside

1189

00:46:22,309 --> 00:46:19,839

several green creatures dancing around

1190

00:46:24,630 --> 00:46:22,319

the spa

1191

00:46:30,069 --> 00:46:24,640

small green creatures very similar to

1192

00:46:33,670 --> 00:46:32,710

philip spencer is not the only british

1193

00:46:39,270 --> 00:46:33,680

policeman

1194

00:46:42,150 --> 00:46:40,630

he was driving back to the police

1195

00:46:43,030 --> 00:46:42,160

station about quarter to five one

1196

00:46:45,990 --> 00:46:43,040

morning

1197

00:46:46,630 --> 00:46:46,000

and he was about to turn right at the

1198

00:46:49,510 --> 00:46:46,640

leg of a t

1199

00:46:50,550 --> 00:46:49,520

junction when he noticed something odd

1200

00:46:52,790 --> 00:46:50,560

illuminated

1201
00:46:54,150 --> 00:46:52,800
further up the road uh at first he

1202
00:46:55,430 --> 00:46:54,160
thought it was a worx burst

1203
00:46:57,430 --> 00:46:55,440
and he looked again and realized it

1204
00:46:57,829 --> 00:46:57,440
wasn't so he drove on to have a look at

1205
00:47:03,589 --> 00:46:57,839
it

1206
00:47:06,390 --> 00:47:03,599
described as a classic flying saucer

1207
00:47:07,990 --> 00:47:06,400
blocking his uh route through the road

1208
00:47:09,910 --> 00:47:08,000
he tried to summon assistance with his

1209
00:47:10,870 --> 00:47:09,920
car radio and his personal radio neither

1210
00:47:13,349 --> 00:47:10,880
would work

1211
00:47:14,950 --> 00:47:13,359
then he did a drawing of the object when

1212
00:47:17,589 --> 00:47:14,960
i just as he'd finished the drawing

1213
00:47:19,190 --> 00:47:17,599

he found himself driving in first gear

1214

00:47:19,990 --> 00:47:19,200

on the other side of where the object

1215

00:47:22,630 --> 00:47:20,000

had been but

1216

00:47:23,349 --> 00:47:22,640

he looked in his mirror and it had gone

1217

00:47:25,030 --> 00:47:23,359

um

1218

00:47:28,150 --> 00:47:25,040

he then realized that he'd lost about 20

1219

00:47:31,109 --> 00:47:28,160

minutes to half an hour of time

1220

00:47:32,630 --> 00:47:31,119

the object itself was cited by other

1221

00:47:34,069 --> 00:47:32,640

police officers on the moors

1222

00:47:35,910 --> 00:47:34,079

outside halifax who are looking for

1223

00:47:37,910 --> 00:47:35,920

stolen motorbikes they

1224

00:47:39,109 --> 00:47:37,920

are radioed in i have a video filmed

1225

00:47:40,150 --> 00:47:39,119

interview with two out of three of those

1226

00:47:42,950 --> 00:47:40,160

police officers

1227

00:47:44,710 --> 00:47:42,960

they radioed in to their headquarters to

1228

00:47:45,190 --> 00:47:44,720

see if anybody could identify it for

1229

00:47:48,470 --> 00:47:45,200

them

1230

00:47:51,349 --> 00:47:48,480

and they they hq checked with

1231

00:47:51,990 --> 00:47:51,359

leeds bradford airport the military etc

1232

00:47:55,109 --> 00:47:52,000

uh there were no

1233

00:47:57,589 --> 00:47:55,119

aircraft in the vicinity uh no nothing

1234

00:47:58,309 --> 00:47:57,599

no army maneuvers nothing that could

1235

00:48:00,230 --> 00:47:58,319

explain

1236

00:48:01,349 --> 00:48:00,240

he then describes a bright light coming

1237

00:48:03,750 --> 00:48:01,359

from underneath it

1238

00:48:04,710 --> 00:48:03,760

gets back in his car finds his car won't

1239

00:48:07,750 --> 00:48:04,720

go

1240

00:48:09,190 --> 00:48:07,760

then he seems to black out he has a

1241

00:48:13,589 --> 00:48:09,200

sensation of

1242

00:48:16,790 --> 00:48:13,599

wakes up inside a room

1243

00:48:19,430 --> 00:48:16,800

surrounded by several small robots and

1244

00:48:19,990 --> 00:48:19,440

a humanoid character he's led to a bed

1245

00:48:23,030 --> 00:48:20,000

he's eventually

1246

00:48:25,430 --> 00:48:23,040

persuaded to lie down on this bed and

1247

00:48:27,430 --> 00:48:25,440

some sort of pseudo-medical examination

1248

00:48:30,309 --> 00:48:27,440

or process is carried out on him

1249

00:48:32,150 --> 00:48:30,319

which to us does not make any sense uh

1250

00:48:33,270 --> 00:48:32,160

he receives a telepathic communication

1251

00:48:35,990 --> 00:48:33,280

from the humanoid

1252

00:48:37,990 --> 00:48:36,000

character telling him not to be afraid

1253

00:48:39,829 --> 00:48:38,000

under hypnosis he even describes or

1254

00:48:40,870 --> 00:48:39,839

impersonates the voice that he is in his

1255

00:48:42,630 --> 00:48:40,880

mind

1256

00:48:45,829 --> 00:48:42,640

which is a voice i've heard many other

1257

00:48:47,109 --> 00:48:45,839

witnesses similarly describe

1258

00:48:48,950 --> 00:48:47,119

eventually when they finish doing

1259

00:48:50,870 --> 00:48:48,960

whatever they are doing with him he's

1260

00:48:52,549 --> 00:48:50,880

put back down again in his car

1261

00:48:54,549 --> 00:48:52,559

and the conscious memory of course takes

1262

00:49:02,069 --> 00:48:54,559

over he's driving on the other side of

1263

00:49:04,630 --> 00:49:02,079

where the object would be

1264

00:49:05,190 --> 00:49:04,640

in london england we interviewed nick

1265

00:49:07,990 --> 00:49:05,200

pope

1266

00:49:09,589 --> 00:49:08,000

the former official ministry of defense

1267

00:49:11,750 --> 00:49:09,599

ufo expert

1268

00:49:17,660 --> 00:49:11,760

in this function he had investigated

1269

00:49:23,190 --> 00:49:17,670

several cases of alleged alien abduction

1270

00:49:26,390 --> 00:49:25,430

my second book the uninvited deals with

1271

00:49:28,230 --> 00:49:26,400

abductions

1272

00:49:30,710 --> 00:49:28,240

and it was a subject that i was led to

1273

00:49:33,030 --> 00:49:30,720

logically through my official research

1274

00:49:34,549 --> 00:49:33,040

uh into ufos uh carried out at the

1275

00:49:38,230 --> 00:49:34,559

ministry of defence

1276

00:49:39,990 --> 00:49:38,240

simply when i first began to

1277

00:49:41,829 --> 00:49:40,000

obviously display a real interest in

1278

00:49:42,710 --> 00:49:41,839

this subject and take these reports

1279

00:49:45,349 --> 00:49:42,720

seriously

1280

00:49:47,750 --> 00:49:45,359

i found that some people began to

1281

00:49:49,510 --> 00:49:47,760

approach me with stories of abductions

1282

00:49:50,790 --> 00:49:49,520

clearly i couldn't ignore these very

1283

00:49:53,109 --> 00:49:50,800

serious claims

1284

00:49:55,349 --> 00:49:53,119

so i made it my business to look into

1285

00:49:57,190 --> 00:49:55,359

the background to these sorts of claims

1286

00:49:58,470 --> 00:49:57,200

and to actually do my own research and

1287

00:49:59,910 --> 00:49:58,480

investigation

1288

00:50:01,510 --> 00:49:59,920

my view is that clearly there is

1289

00:50:04,470 --> 00:50:01,520

something going on here

1290

00:50:06,390 --> 00:50:04,480

the official ministry of defense view is

1291

00:50:08,710 --> 00:50:06,400

is actually rather amusing

1292

00:50:10,230 --> 00:50:08,720

they they were asked specifically about

1293

00:50:13,510 --> 00:50:10,240

alien abductions

1294

00:50:15,349 --> 00:50:13,520

and a formal reply came back

1295

00:50:17,030 --> 00:50:15,359

in the form of a letter from the

1296

00:50:19,829 --> 00:50:17,040

department and it said

1297

00:50:35,349 --> 00:50:19,839

abduction is a criminal offence and as

1298

00:50:42,790 --> 00:50:39,270

the most impressive experience i had is

1299

00:50:43,910 --> 00:50:42,800

a full contact that happened to me in

1300

00:50:48,630 --> 00:50:43,920

november 11

1301
00:50:51,670 --> 00:50:48,640
1981 at 10 30 p.m in the south of france

1302
00:50:53,190 --> 00:50:51,680
as we were driving to my brother's

1303
00:50:57,589 --> 00:50:53,200
discotheque

1304
00:50:59,270 --> 00:50:57,599
on that evening we saw some light

1305
00:51:01,270 --> 00:50:59,280
which happened to be a spaceship of

1306
00:51:03,190 --> 00:51:01,280
course at this point i did not know it

1307
00:51:05,589 --> 00:51:03,200
was a spaceship

1308
00:51:07,589 --> 00:51:05,599
but it happened once in a million with

1309
00:51:09,430 --> 00:51:07,599
this way the flying saucer came up right

1310
00:51:10,790 --> 00:51:09,440
above the car and my brother at that

1311
00:51:13,109 --> 00:51:10,800
time used to drive

1312
00:51:14,390 --> 00:51:13,119
a brand new methodist which is a very

1313
00:51:18,309 --> 00:51:14,400

reliable car

1314

00:51:20,790 --> 00:51:18,319

everything died and we both were totally

1315

00:51:22,870 --> 00:51:20,800

surprised what was happening

1316

00:51:23,829 --> 00:51:22,880

as we both look up through the

1317

00:51:25,589 --> 00:51:23,839

windscreen

1318

00:51:27,910 --> 00:51:25,599

the only thing we could see is all this

1319

00:51:30,150 --> 00:51:27,920

light that was blinding us

1320

00:51:31,670 --> 00:51:30,160

so my brother was very scared but i

1321

00:51:34,790 --> 00:51:31,680

managed to go out

1322

00:51:37,829 --> 00:51:34,800

for the car and then for some reason

1323

00:51:39,109 --> 00:51:37,839

these intelligent spirits must be

1324

00:51:40,230 --> 00:51:39,119

intelligent because they turned their

1325

00:51:43,190 --> 00:51:40,240

lights off

1326
00:51:44,549 --> 00:51:43,200
and i could discern very clearly michael

1327
00:51:48,069 --> 00:51:44,559
less than 30 feet

1328
00:51:50,069 --> 00:51:48,079
above my head a flying saucer

1329
00:51:51,750 --> 00:51:50,079
this is my first experience yes i do

1330
00:51:52,790 --> 00:51:51,760
recall this one but remember i was a

1331
00:51:55,990 --> 00:51:52,800
child

1332
00:51:57,750 --> 00:51:56,000
and i was complaining as i could not be

1333
00:51:59,750 --> 00:51:57,760
left alone

1334
00:52:01,190 --> 00:51:59,760
i was complaining to my mom that small

1335
00:52:03,270 --> 00:52:01,200
little thing was coming

1336
00:52:05,190 --> 00:52:03,280
every night in my bedroom and i

1337
00:52:08,069 --> 00:52:05,200
described them as little monkeys

1338
00:52:08,790 --> 00:52:08,079

of course not having any ufos experience

1339

00:52:10,630 --> 00:52:08,800

before

1340

00:52:11,910 --> 00:52:10,640

i did i didn't know what those things

1341

00:52:16,870 --> 00:52:11,920

were

1342

00:52:18,069 --> 00:52:16,880

used to hide away from them behind the

1343

00:52:19,349 --> 00:52:18,079

blanket

1344

00:52:21,349 --> 00:52:19,359

then once i get a little bit more

1345

00:52:23,829 --> 00:52:21,359

courageous and i kind of pip out and i

1346

00:52:27,190 --> 00:52:23,839

had one of them very very close to me

1347

00:52:28,549 --> 00:52:27,200

and i passed out and then when i was in

1348

00:52:30,870 --> 00:52:28,559

the regression

1349

00:52:32,470 --> 00:52:30,880

i was recalling you know all sorts of

1350

00:52:34,390 --> 00:52:32,480

very very interesting things which i

1351
00:52:35,270 --> 00:52:34,400
have problem myself to understand or

1352
00:52:44,829 --> 00:52:35,280
believe

1353
00:52:44,839 --> 00:52:48,549
here

1354
00:52:52,230 --> 00:52:51,030
well it was in 85 when i had actually

1355
00:52:54,230 --> 00:52:52,240
invited them to come

1356
00:52:55,990 --> 00:52:54,240
because i had met an american

1357
00:52:57,270 --> 00:52:56,000
czechoslovakian doctor who said he was

1358
00:53:00,069 --> 00:52:57,280
flying with ufos

1359
00:53:00,630 --> 00:53:00,079
so i said why don't you take me along

1360
00:53:03,750 --> 00:53:00,640
and

1361
00:53:05,910 --> 00:53:03,760
one day when i was reading a book called

1362
00:53:07,190 --> 00:53:05,920
actually was a book of poems called um

1363
00:53:09,270 --> 00:53:07,200

the first contact

1364

00:53:11,109 --> 00:53:09,280

with a friend all of a sudden i looked

1365

00:53:12,470 --> 00:53:11,119

outside from the window and there it was

1366

00:53:15,750 --> 00:53:12,480

100 yards from me

1367

00:53:16,309 --> 00:53:15,760

the ufo and i went into total panic

1368

00:53:17,910 --> 00:53:16,319

because i

1369

00:53:19,990 --> 00:53:17,920

realized that i was dealing with

1370

00:53:22,790 --> 00:53:20,000

something which i didn't understand

1371

00:53:24,790 --> 00:53:22,800

that very night later i found out i was

1372

00:53:27,430 --> 00:53:24,800

abducted for the first time

1373

00:53:30,069 --> 00:53:27,440

and that changed my whole life and all

1374

00:53:32,230 --> 00:53:30,079

of a sudden i saw myself

1375

00:53:33,990 --> 00:53:32,240

on a table being operated on and i'm a

1376

00:53:35,030 --> 00:53:34,000

medical doctor so of course i was very

1377

00:53:37,109 --> 00:53:35,040

interested

1378

00:53:38,549 --> 00:53:37,119

in the technique and the technique was

1379

00:53:41,190 --> 00:53:38,559

very very advanced

1380

00:53:42,790 --> 00:53:41,200

in our comparison to our medical

1381

00:53:45,829 --> 00:53:42,800

technique today it was

1382

00:53:47,190 --> 00:53:45,839

laser beams it was colors and i couldn't

1383

00:53:50,230 --> 00:53:47,200

understand what was being done

1384

00:53:52,950 --> 00:53:50,240

but i did understand something that they

1385

00:53:54,230 --> 00:53:52,960

for instance were implanting implants

1386

00:53:56,790 --> 00:53:54,240

into my body

1387

00:53:57,349 --> 00:53:56,800

and i didn't know why now i know when i

1388

00:53:59,750 --> 00:53:57,359

have

1389

00:54:00,790 --> 00:53:59,760

heard more about it that these implants

1390

00:54:03,589 --> 00:54:00,800

are for

1391

00:54:06,230 --> 00:54:03,599

changing our vibrational level and for

1392

00:54:09,430 --> 00:54:06,240

helping us in case of crisis for storing

1393

00:54:11,270 --> 00:54:09,440

information and that is one of the very

1394

00:54:12,950 --> 00:54:11,280

big things i think that people should

1395

00:54:14,710 --> 00:54:12,960

learn to know about that we are being

1396

00:54:18,230 --> 00:54:14,720

controlled we are being

1397

00:54:19,670 --> 00:54:18,240

taught we are being actually taken as

1398

00:54:22,630 --> 00:54:19,680

members of the

1399

00:54:23,670 --> 00:54:22,640

galaxies as i would say the u.n of the

1400

00:54:25,750 --> 00:54:23,680

galaxies

1401

00:54:26,870 --> 00:54:25,760

and the people who have had the contacts

1402

00:54:29,030 --> 00:54:26,880

and have had

1403

00:54:30,630 --> 00:54:29,040

abductions they are the contact people

1404

00:54:32,069 --> 00:54:30,640

it's a very positive thing

1405

00:54:39,730 --> 00:54:32,079

even if many people are very very

1406

00:54:43,410 --> 00:54:39,740

frightened of the medical examination

1407

00:54:45,800 --> 00:54:43,420

[Applause]

1408

00:54:51,810 --> 00:54:45,810

[Music]

1409

00:54:53,170 --> 00:54:51,820

[Applause]

1410

00:54:56,830 --> 00:54:53,180

[Music]

1411

00:55:00,600 --> 00:54:56,840

[Applause]

1412

00:55:02,580 --> 00:55:00,610

[Music]

1413

00:55:08,069 --> 00:55:02,590

[Applause]

1414

00:55:10,230 --> 00:55:08,079

[Music]

1415

00:55:12,069 --> 00:55:10,240

i made numerous regressions with people

1416

00:55:13,589 --> 00:55:12,079

who under hypnosis

1417

00:55:15,910 --> 00:55:13,599

remembered how they found themselves

1418

00:55:18,710 --> 00:55:15,920

lying on a table surrounded by small

1419

00:55:20,390 --> 00:55:18,720

gray humanoid extraterrestrials

1420

00:55:22,309 --> 00:55:20,400

in other cases they remembered how they

1421

00:55:24,710 --> 00:55:22,319

were guided into the spaceship

1422

00:55:25,510 --> 00:55:24,720

how the aliens show them their craft its

1423

00:55:41,290 --> 00:55:25,520

monitors

1424

00:55:55,510 --> 00:55:43,330

[Applause]

1425

00:55:58,710 --> 00:55:57,510

they look very different one from the

1426
00:56:06,390 --> 00:55:58,720
other

1427
00:56:10,470 --> 00:56:06,400
world let me explain

1428
00:56:13,349 --> 00:56:10,480
let's say the the greys the eb's

1429
00:56:14,470 --> 00:56:13,359
that are so much say the fashion in the

1430
00:56:16,630 --> 00:56:14,480
states

1431
00:56:19,030 --> 00:56:16,640
you only think of the craze in the

1432
00:56:21,829 --> 00:56:19,040
united states

1433
00:56:23,670 --> 00:56:21,839
we have some of those but sometimes with

1434
00:56:27,829 --> 00:56:23,680
other characteristics

1435
00:56:31,109 --> 00:56:27,839
and we have all other kinds i should say

1436
00:56:32,309 --> 00:56:31,119
that we have quite a quantity of cases

1437
00:56:36,150 --> 00:56:32,319
in which

1438
00:56:39,190 --> 00:56:36,160

they look like humans or like

1439

00:56:43,030 --> 00:56:39,200

very similar to humans or much

1440

00:56:46,069 --> 00:56:43,040

more beautiful and taller than humans

1441

00:56:49,190 --> 00:56:46,079

or like what we would call

1442

00:56:51,510 --> 00:56:49,200

not monsters but freaks of nature

1443

00:56:53,829 --> 00:56:51,520

something very different to what we're

1444

00:56:56,829 --> 00:56:53,839

accustomed to

1445

00:57:00,090 --> 00:56:56,839

that is a very intriguing aspect of the

1446

00:57:26,309 --> 00:57:18,990

[Music]

1447

00:57:28,230 --> 00:57:26,319

[Applause]

1448

00:57:29,510 --> 00:57:28,240

a lonely road in the outbacks of

1449

00:57:32,630 --> 00:57:29,520

australia

1450

00:57:34,069 --> 00:57:32,640

the great down under was a scene of an

1451

00:57:36,069 --> 00:57:34,079

unique mass abduction

1452

00:57:38,470 --> 00:57:36,079

in the early hours of sunday morning

1453

00:57:40,470 --> 00:57:38,480

august 8 1993

1454

00:57:42,789 --> 00:57:40,480

three independent groups of people

1455

00:57:45,670 --> 00:57:42,799

traveling in separate cars were taken

1456

00:57:48,230 --> 00:57:45,680

aboard an alien craft and only later

1457

00:57:49,030 --> 00:57:48,240

remember the event without knowing each

1458

00:57:52,150 --> 00:57:49,040

other

1459

00:57:53,670 --> 00:57:52,160

kelly cahill was one of them

1460

00:57:55,990 --> 00:57:53,680

when my husband and i were driving home

1461

00:58:00,230 --> 00:57:56,000

from a friend's house one night when

1462

00:58:01,829 --> 00:58:00,240

we saw a a 50 meter craft in a field a

1463

00:58:04,950 --> 00:58:01,839

paddock on the side of the road and

1464

00:58:05,750 --> 00:58:04,960

um we stopped and got out and crossed

1465

00:58:08,309 --> 00:58:05,760

the road

1466

00:58:10,870 --> 00:58:08,319

and so did a second party of individuals

1467

00:58:13,109 --> 00:58:10,880

who pulled up about 100 metres behind us

1468

00:58:14,309 --> 00:58:13,119

all i could remember was seeing a craft

1469

00:58:15,510 --> 00:58:14,319

hovering in the air

1470

00:58:17,430 --> 00:58:15,520

which we've encountered a couple of

1471

00:58:18,950 --> 00:58:17,440

kilometers beforehand and then

1472

00:58:20,630 --> 00:58:18,960

just seeing a blinding light and

1473

00:58:21,990 --> 00:58:20,640

remembering nothing um

1474

00:58:24,309 --> 00:58:22,000

except knowing that something had

1475

00:58:25,190 --> 00:58:24,319

happened because uh my heart was

1476

00:58:26,470 --> 00:58:25,200

thumping and

1477

00:58:28,230 --> 00:58:26,480

and the adrenaline was pumping through

1478

00:58:30,630 --> 00:58:28,240

my body and all of a sudden

1479

00:58:31,990 --> 00:58:30,640

i'm totally disoriented and relaxed in

1480

00:58:32,390 --> 00:58:32,000

the car and i didn't know what had gone

1481

00:58:34,789 --> 00:58:32,400

on

1482

00:58:35,430 --> 00:58:34,799

it was like i had a blackout driving

1483

00:58:37,670 --> 00:58:35,440

back past

1484

00:58:39,510 --> 00:58:37,680

the same area i um just got this

1485

00:58:39,829 --> 00:58:39,520

horrifying feeling in my stomach and i

1486

00:58:41,349 --> 00:58:39,839

just

1487

00:58:42,870 --> 00:58:41,359

remembered everything that had happened

1488

00:58:43,670 --> 00:58:42,880

when we stopped the car out on the field

1489

00:58:47,430 --> 00:58:43,680

but

1490

00:58:48,950 --> 00:58:47,440

i um had probably about six weeks

1491

00:58:50,710 --> 00:58:48,960

where i couldn't remember anything where

1492

00:58:52,309 --> 00:58:50,720

i had this blank space and i've still

1493

00:58:54,549 --> 00:58:52,319

got some missing time it's not all there

1494

00:58:56,150 --> 00:58:54,559

it's only the first 10 minutes

1495

00:58:57,589 --> 00:58:56,160

basically after we got out of the car we

1496

00:58:59,510 --> 00:58:57,599

saw this uh this

1497

00:59:01,829 --> 00:58:59,520

craft i suppose some sort of

1498

00:59:03,990 --> 00:59:01,839

configuration of round orange lights

1499

00:59:05,190 --> 00:59:04,000

with a blue fluorescent haze underneath

1500

00:59:08,150 --> 00:59:05,200

it um that

1501
00:59:10,230 --> 00:59:08,160
came down in a uh a conical shape and

1502
00:59:14,069 --> 00:59:10,240
hit the ground in a semi circle

1503
00:59:16,309 --> 00:59:14,079
and um and as we stood there

1504
00:59:17,750 --> 00:59:16,319
a tall black being seemed to just appear

1505
00:59:17,990 --> 00:59:17,760
in front of it followed by seven or

1506
00:59:21,589 --> 00:59:18,000
eight

1507
00:59:23,109 --> 00:59:21,599
others i felt this energy force through

1508
00:59:24,549 --> 00:59:23,119
my body is the only way i can explain it

1509
00:59:28,390 --> 00:59:24,559
and i became hysterical and

1510
00:59:30,950 --> 00:59:28,400
um they came rushing across the field

1511
00:59:33,829 --> 00:59:30,960
i was given a blow to the stomach and

1512
00:59:35,829 --> 00:59:33,839
landed flat on my back in the grass and

1513
00:59:37,430 --> 00:59:35,839

basically there was a bit of a

1514

00:59:40,390 --> 00:59:37,440

conversation going on that

1515

00:59:41,430 --> 00:59:40,400

i could hear a male voice but uh i guess

1516

00:59:43,750 --> 00:59:41,440

that

1517

00:59:45,990 --> 00:59:43,760

i was really struggling to stay

1518

00:59:48,230 --> 00:59:46,000

conscious at that stage and um

1519

00:59:49,430 --> 00:59:48,240

i remember the last thing i remember was

1520

00:59:51,750 --> 00:59:49,440

uh

1521

00:59:53,430 --> 00:59:51,760

calling calling for god's help i suppose

1522

00:59:55,109 --> 00:59:53,440

and and we were back in the cast about

1523

00:59:59,270 --> 00:59:55,119

seven foot tall they were black

1524

01:00:00,630 --> 00:59:59,280

um their eyes lit up red

1525

01:00:02,710 --> 01:00:00,640

they weren't like that at first only

1526

01:00:04,230 --> 01:00:02,720

when i started screaming um

1527

01:00:06,470 --> 01:00:04,240

and that's when they crossed the field

1528

01:00:07,750 --> 01:00:06,480

as well um

1529

01:00:09,510 --> 01:00:07,760

basically i couldn't see any other

1530

01:00:12,630 --> 01:00:09,520

facial features except these big glowing

1531

01:00:15,670 --> 01:00:12,640

red eyes and these tall dark figures um

1532

01:00:17,190 --> 01:00:15,680

yeah that was about about what we saw if

1533

01:00:17,829 --> 01:00:17,200

kelly had come in on her own we wouldn't

1534

01:00:20,470 --> 01:00:17,839

have found it

1535

01:00:21,750 --> 01:00:20,480

uh just a normal case but um what

1536

01:00:23,670 --> 01:00:21,760

occurred was that we were up

1537

01:00:25,510 --> 01:00:23,680

the other couple uh the other car that

1538

01:00:27,109 --> 01:00:25,520

was involved in the encounter

1539

01:00:28,710 --> 01:00:27,119

and what what made the encounter

1540

01:00:30,150 --> 01:00:28,720

important to us was that there were two

1541

01:00:32,870 --> 01:00:30,160

independent sources

1542

01:00:34,549 --> 01:00:32,880

that viewed the same encounter and if

1543

01:00:37,190 --> 01:00:34,559

you do research you discover in these

1544

01:00:40,150 --> 01:00:37,200

type of reduction cases

1545

01:00:41,109 --> 01:00:40,160

you tend to find that the groups are

1546

01:00:43,109 --> 01:00:41,119

coming

1547

01:00:44,309 --> 01:00:43,119

you know some way related in some sense

1548

01:00:45,589 --> 01:00:44,319

in other words the account occurs on the

1549

01:00:46,470 --> 01:00:45,599

road everybody hops out and has a look

1550

01:00:48,630 --> 01:00:46,480

at it

1551

01:00:50,230 --> 01:00:48,640

in this case the the two cars are

1552

01:00:53,430 --> 01:00:50,240

separated by distance and

1553

01:00:54,230 --> 01:00:53,440

uh the the two groups don't know each

1554

01:00:55,910 --> 01:00:54,240

other and they

1555

01:00:57,430 --> 01:00:55,920

uh in the end disappear from the

1556

01:00:59,510 --> 01:00:57,440

location and

1557

01:01:01,190 --> 01:00:59,520

consequently come back to have research

1558

01:01:04,230 --> 01:01:01,200

done them on them in a separate

1559

01:01:06,309 --> 01:01:04,240

at a different time down the road so

1560

01:01:08,230 --> 01:01:06,319

well there was uh what we did uh we were

1561

01:01:10,470 --> 01:01:08,240

first looking for the location uh

1562

01:01:13,109 --> 01:01:10,480

to get the general location of the

1563

01:01:15,990 --> 01:01:13,119

encounter which we discovered reasonably

1564

01:01:16,470 --> 01:01:16,000

easily but the main data that we got was

1565

01:01:18,230 --> 01:01:16,480

uh

1566

01:01:20,230 --> 01:01:18,240

from the field analysis with some

1567

01:01:23,030 --> 01:01:20,240

chemical changes to the soil

1568

01:01:24,630 --> 01:01:23,040

uh three markings on the ground uh there

1569

01:01:28,390 --> 01:01:24,640

are approximately

1570

01:01:30,870 --> 01:01:28,400

75 centimeters in sir in diameter

1571

01:01:33,270 --> 01:01:30,880

also they we used a special magnetometer

1572

01:01:35,829 --> 01:01:33,280

to um

1573

01:01:37,670 --> 01:01:35,839

on the field itself and we discovered a

1574

01:01:38,630 --> 01:01:37,680

an unusual anomaly on the field that

1575

01:01:41,670 --> 01:01:38,640

looked like a half

1576

01:01:44,150 --> 01:01:41,680

moon or facing towards the north

1577

01:01:46,309 --> 01:01:44,160

uh there was other things that came from

1578

01:01:48,309 --> 01:01:46,319

the encounter was that

1579

01:01:50,230 --> 01:01:48,319

each of the girls especially because the

1580

01:01:53,190 --> 01:01:50,240

men seem to be isolated from both of the

1581

01:01:55,270 --> 01:01:53,200

cars but the girls indicated to us that

1582

01:01:57,750 --> 01:01:55,280

they'd been interfered in some way

1583

01:01:58,630 --> 01:01:57,760

and that one of the girls called glenda

1584

01:02:01,829 --> 01:01:58,640

who's a

1585

01:02:03,510 --> 01:02:01,839

trained nurse a registered nurse she had

1586

01:02:07,029 --> 01:02:03,520

markings on her which

1587

01:02:07,589 --> 01:02:07,039

she went to a gp and the gp photographed

1588

01:02:09,029 --> 01:02:07,599

them and

1589

01:02:11,349 --> 01:02:09,039

constantly had some very good evidence

1590

01:02:14,710 --> 01:02:11,359

of a triangle under her navel

1591

01:02:17,190 --> 01:02:14,720

and a mark on the left inner thigh and

1592

01:02:18,710 --> 01:02:17,200

a mark on the base of her down towards

1593

01:02:19,829 --> 01:02:18,720

her ankle

1594

01:02:23,510 --> 01:02:19,839

so there was a lot of good evidence

1595

01:02:25,109 --> 01:02:23,520

available in the evening of september 15

1596

01:02:26,870 --> 01:02:25,119

i walked to the post office when some

1597

01:02:29,109 --> 01:02:26,880

400 meters from my home

1598

01:02:30,710 --> 01:02:29,119

i saw a huge round craft hovering only a

1599

01:02:33,109 --> 01:02:30,720

few feet above me

1600

01:02:36,069 --> 01:02:33,119

it has five lights each containing three

1601
01:02:38,150 --> 01:02:36,079
smaller ones red and brown and white

1602
01:02:39,190 --> 01:02:38,160
when i stood there and looked at the

1603
01:02:41,990 --> 01:02:39,200
craft

1604
01:02:44,069 --> 01:02:42,000
i suddenly was lifted into it i found

1605
01:02:46,390 --> 01:02:44,079
myself surrounded by small creatures

1606
01:02:47,270 --> 01:02:46,400
with stubby arms and tentacles coming

1607
01:02:49,829 --> 01:02:47,280
out of them

1608
01:02:51,190 --> 01:02:49,839
one of them was a woman wearing a shiny

1609
01:02:54,230 --> 01:02:51,200
green garment

1610
01:02:56,069 --> 01:02:54,240
and a moon shaped kind of helmet or hat

1611
01:02:58,069 --> 01:02:56,079
then a larger creature appeared and the

1612
01:03:00,710 --> 01:02:58,079
small ones gathered around it

1613
01:03:02,069 --> 01:03:00,720

it issued an order in a world what

1614

01:03:04,710 --> 01:03:02,079

sounded like a needle

1615

01:03:07,589 --> 01:03:04,720

scratching across a record and one of

1616

01:03:09,589 --> 01:03:07,599

the smaller beans came closer to me

1617

01:03:11,910 --> 01:03:09,599

and suddenly threw some kind of yellow

1618

01:03:14,470 --> 01:03:11,920

powder at my upper body and face

1619

01:03:15,190 --> 01:03:14,480

that's all what i remember i found

1620

01:03:17,349 --> 01:03:15,200

myself

1621

01:03:18,950 --> 01:03:17,359

on the spot ground of a school just a

1622

01:03:19,589 --> 01:03:18,960

few hundred meters from where i was

1623

01:03:21,829 --> 01:03:19,599

taken

1624

01:03:23,670 --> 01:03:21,839

i was totally confused but i decided to

1625

01:03:26,230 --> 01:03:23,680

go to the police station

1626
01:03:27,670 --> 01:03:26,240
and report what happened to me i arrived

1627
01:03:28,230 --> 01:03:27,680
at the police station a few minutes

1628
01:03:30,309 --> 01:03:28,240
later

1629
01:03:32,230 --> 01:03:30,319
but when i looked at the clock it was

1630
01:03:33,990 --> 01:03:32,240
almost 11 p.m

1631
01:03:35,510 --> 01:03:34,000
when i went to the post office it was

1632
01:03:42,829 --> 01:03:35,520
just before we closed

1633
01:03:42,839 --> 01:03:56,870
but

1634
01:03:56,880 --> 01:04:10,870
hey

1635
01:04:15,109 --> 01:04:12,630
especially interesting he went to the

1636
01:04:17,829 --> 01:04:15,119
police the police removed

1637
01:04:19,190 --> 01:04:17,839
the yellow powder from his arm from his

1638
01:04:21,270 --> 01:04:19,200

elbow all the way to his wrist

1639

01:04:22,230 --> 01:04:21,280

it was analyzed at a fuller hospital it

1640

01:04:24,870 --> 01:04:22,240

was found to

1641

01:04:25,270 --> 01:04:24,880

be composed of a compound just unknown

1642

01:04:28,230 --> 01:04:25,280

to the

1643

01:04:29,510 --> 01:04:28,240

analysts there it was 55 aluminum and

1644

01:04:31,190 --> 01:04:29,520

after that was

1645

01:04:33,430 --> 01:04:31,200

we never got the results after that it

1646

01:04:35,829 --> 01:04:33,440

was very strange the papers reported

1647

01:04:37,430 --> 01:04:35,839

that the soil itself could not have been

1648

01:04:38,549 --> 01:04:37,440

from israel there is no soil like this

1649

01:04:40,470 --> 01:04:38,559

in israel

1650

01:04:41,829 --> 01:04:40,480

and they said the composition was

1651

01:04:44,870 --> 01:04:41,839

extremely strange

1652

01:04:48,230 --> 01:04:44,880

and then since then nothing

1653

01:04:50,630 --> 01:04:48,240

but again we have physical evidence uh

1654

01:04:52,710 --> 01:04:50,640

yuri isakoff a 63 year old retired

1655

01:04:56,150 --> 01:04:52,720

seaman did not fly somewhere

1656

01:04:57,990 --> 01:04:56,160

in his secret lab cook up

1657

01:05:01,750 --> 01:04:58,000

this strange powder in order to go to

1658

01:05:05,910 --> 01:05:04,390

the next day i felt very bad i had burn

1659

01:05:07,829 --> 01:05:05,920

marks on my arm and face

1660

01:05:09,029 --> 01:05:07,839

which itched horribly and burned so much

1661

01:05:11,109 --> 01:05:09,039

when water touched them

1662

01:05:13,510 --> 01:05:11,119

but i was not able to take any buff or

1663

01:05:15,829 --> 01:05:13,520

shower anymore until this very day

1664

01:05:16,549 --> 01:05:15,839

in december one gonad became badly

1665

01:05:19,190 --> 01:05:16,559

inflamed

1666

01:05:34,069 --> 01:05:19,200

most of the time i'm in pain so badly

1667

01:05:41,029 --> 01:05:38,069

is very interesting because till today

1668

01:05:42,150 --> 01:05:41,039

from the day that he was captured by

1669

01:05:45,829 --> 01:05:42,160

aliens

1670

01:05:49,029 --> 01:05:45,839

as he told us his wounds

1671

01:05:52,870 --> 01:05:49,039

didn't heal now and he is bleeding

1672

01:05:54,950 --> 01:05:52,880

and nobody really takes care of him

1673

01:05:55,910 --> 01:05:54,960

and he told me last time when i was in

1674

01:05:58,230 --> 01:05:55,920

his home

1675

01:05:59,029 --> 01:05:58,240

maybe the government just waits that

1676

01:06:01,589 --> 01:05:59,039

i'll die

1677

01:06:02,630 --> 01:06:01,599

so they can examine my body and it was

1678

01:06:04,270 --> 01:06:02,640

very sad

1679

01:06:23,109 --> 01:06:04,280

to hear it

1680

01:06:27,990 --> 01:06:25,589

indeed international experts agreed that

1681

01:06:28,870 --> 01:06:28,000

the abduction phenomenon is global by

1682

01:06:31,190 --> 01:06:28,880

nature

1683

01:06:33,990 --> 01:06:31,200

not only in europe australia and israel

1684

01:06:35,990 --> 01:06:34,000

but also in africa and south america

1685

01:06:38,470 --> 01:06:36,000

only the reaction of different peoples

1686

01:06:39,430 --> 01:06:38,480

is different from panic and hysteria to

1687

01:06:42,150 --> 01:06:39,440

curiosity

1688

01:06:43,109 --> 01:06:42,160

and an inner transformation the question

1689

01:06:45,589 --> 01:06:43,119

remains

1690

01:06:49,670 --> 01:06:45,599

what does it all mean let's hear to

1691

01:06:51,589 --> 01:06:49,680

which conclusions the researchers came

1692

01:06:53,430 --> 01:06:51,599

it's difficult to come to any personal

1693

01:06:55,910 --> 01:06:53,440

conclusion about abduction

1694

01:06:58,309 --> 01:06:55,920

but one factor that does interest me is

1695

01:06:59,589 --> 01:06:58,319

the inappropriate nature of the response

1696

01:07:02,789 --> 01:06:59,599

to this phenomenon

1697

01:07:05,029 --> 01:07:02,799

i would suspect and i would fully expect

1698

01:07:05,990 --> 01:07:05,039

abductees to react with fear and anger

1699

01:07:07,829 --> 01:07:06,000

to what's happened

1700

01:07:10,069 --> 01:07:07,839

uh particularly when painful and

1701
01:07:11,829 --> 01:07:10,079
intrusive procedures are being reported

1702
01:07:14,630 --> 01:07:11,839
but a lot of them don't they react in a

1703
01:07:16,630 --> 01:07:14,640
much more positive way

1704
01:07:17,829 --> 01:07:16,640
they go on to develop spontaneous

1705
01:07:21,430 --> 01:07:17,839
interests in

1706
01:07:25,029 --> 01:07:21,440
new age issues they develop skills

1707
01:07:28,549 --> 01:07:25,039
as artists poets painters whatever

1708
01:07:29,109 --> 01:07:28,559
they become adept in uh spiritual

1709
01:07:31,349 --> 01:07:29,119
healing

1710
01:07:32,950 --> 01:07:31,359
for example this strikes me as an

1711
01:07:35,349 --> 01:07:32,960
artificial response

1712
01:07:37,829 --> 01:07:35,359
perhaps something that's been induced in

1713
01:07:40,789 --> 01:07:37,839

them i can't help but wonder whether the

1714

01:07:42,950 --> 01:07:40,799

transformative nature of this experience

1715

01:07:45,510 --> 01:07:42,960

shows that it's something been done to

1716

01:07:47,670 --> 01:07:45,520

us by someone or something else

1717

01:07:51,349 --> 01:07:47,680

perhaps to try and lessen the threat we

1718

01:07:52,870 --> 01:07:51,359

pose as we begin to go out in space

1719

01:07:54,870 --> 01:07:52,880

there could be any number of different

1720

01:07:56,950 --> 01:07:54,880

reasons for them

1721

01:07:59,349 --> 01:07:56,960

for example there's a tremendous amount

1722

01:08:01,270 --> 01:07:59,359

of sexual content and abductions

1723

01:08:03,750 --> 01:08:01,280

and if it was it you know if there were

1724

01:08:07,510 --> 01:08:03,760

aliens here who were

1725

01:08:11,750 --> 01:08:07,520

who were uh examining us

1726

01:08:13,510 --> 01:08:11,760

and and and and trying to understand us

1727

01:08:15,990 --> 01:08:13,520

one of the first things they would do

1728

01:08:17,990 --> 01:08:16,000

would be to look to our sexual content

1729

01:08:20,229 --> 01:08:18,000

to our genetic content and so forth in

1730

01:08:22,070 --> 01:08:20,239

an effort to understand us

1731

01:08:24,309 --> 01:08:22,080

uh if we went to another planet we would

1732

01:08:26,309 --> 01:08:24,319

do precisely the same thing

1733

01:08:27,590 --> 01:08:26,319

and uh if we went to another planet

1734

01:08:29,030 --> 01:08:27,600

where the people were very much more

1735

01:08:31,430 --> 01:08:29,040

primitive than we are

1736

01:08:33,189 --> 01:08:31,440

if we had any ethics at all we would be

1737

01:08:34,870 --> 01:08:33,199

extremely secretive

1738

01:08:36,390 --> 01:08:34,880

so that we wouldn't shock them and

1739

01:08:38,870 --> 01:08:36,400

destroy their growing

1740

01:08:40,950 --> 01:08:38,880

culture and cause it to plunge into the

1741

01:08:44,950 --> 01:08:40,960

same kind of non-meaning that happens in

1742

01:08:46,470 --> 01:08:44,960

this world when uh when uh

1743

01:08:48,229 --> 01:08:46,480

native cultures are exposed to

1744

01:08:49,349 --> 01:08:48,239

technology everything that they believed

1745

01:08:51,430 --> 01:08:49,359

in is ruined

1746

01:08:52,789 --> 01:08:51,440

and they usually the culture itself just

1747

01:08:55,269 --> 01:08:52,799

dies

1748

01:08:56,390 --> 01:08:55,279

whoever's out there is making a great

1749

01:08:58,390 --> 01:08:56,400

effort

1750

01:09:01,590 --> 01:08:58,400

to bring us into contact without

1751

01:09:05,749 --> 01:09:03,510

the majority of abductees tell us that

1752

01:09:06,550 --> 01:09:05,759

the et's want to direct our attention on

1753

01:09:08,390 --> 01:09:06,560

our ecology

1754

01:09:10,070 --> 01:09:08,400

and its destruction and that we cannot

1755

01:09:11,430 --> 01:09:10,080

continue that way

1756

01:09:13,110 --> 01:09:11,440

furthermore they want to learn more

1757

01:09:14,789 --> 01:09:13,120

about our anatomy

1758

01:09:16,229 --> 01:09:14,799

third they want to teach us something

1759

01:09:18,390 --> 01:09:16,239

from what they have learned

1760

01:09:22,390 --> 01:09:18,400

and fourth they want to heal us which

1761

01:09:26,950 --> 01:09:25,110

it is for our own good because we are

1762

01:09:27,669 --> 01:09:26,960

destroying this planet i mean it's quite

1763

01:09:30,789 --> 01:09:27,679

evident that

1764

01:09:32,390 --> 01:09:30,799

if we don't change in our thinking

1765

01:09:33,990 --> 01:09:32,400

in our ways of handling with other

1766

01:09:35,990 --> 01:09:34,000

people we look down upon other

1767

01:09:37,590 --> 01:09:36,000

people we do down upon people who are

1768

01:09:39,349 --> 01:09:37,600

different or people who

1769

01:09:40,870 --> 01:09:39,359

have another skin color or people who

1770

01:09:43,110 --> 01:09:40,880

have no other religion

1771

01:09:45,430 --> 01:09:43,120

if we don't change and we don't realize

1772

01:09:46,870 --> 01:09:45,440

that the planet earth is alive

1773

01:09:48,950 --> 01:09:46,880

we are going to destroy this with

1774

01:09:52,229 --> 01:09:48,960

pollution with radioactivity with

1775

01:09:52,550 --> 01:09:52,239

atomic installations so they are trying

1776

01:10:00,070 --> 01:09:52,560

to

1777

01:10:02,870 --> 01:10:00,080

have it somewhere

1778

01:10:05,669 --> 01:10:02,880

if we blow up this planet and they are

1779

01:10:09,189 --> 01:10:05,679

also trying to make another race because

1780

01:10:12,550 --> 01:10:09,199

it seems that our race which kills which

1781

01:10:15,430 --> 01:10:12,560

even today in yugoslavia area in europe

1782

01:10:17,510 --> 01:10:15,440

is having a war killing its own people

1783

01:10:18,310 --> 01:10:17,520

is so primitive that it has to be

1784

01:10:19,990 --> 01:10:18,320

changed

1785

01:10:22,390 --> 01:10:20,000

and this isn't the first time we have

1786

01:10:24,470 --> 01:10:22,400

been subject to genetic manipulation

1787

01:10:25,990 --> 01:10:24,480

for thousands of years sometimes say

1788

01:10:27,990 --> 01:10:26,000

it's it's like a spiritual

1789

01:10:29,910 --> 01:10:28,000

outreach program from the cosmos to the

1790

01:10:30,950 --> 01:10:29,920

consciously impaired in other words i i

1791

01:10:34,149 --> 01:10:30,960

see it as a

1792

01:10:36,790 --> 01:10:34,159

as a uh

1793

01:10:38,630 --> 01:10:36,800

really an opportunity an outreach uh

1794

01:10:41,910 --> 01:10:38,640

phenomenon that can

1795

01:10:43,669 --> 01:10:41,920

enable through the hundreds of thousands

1796

01:10:45,510 --> 01:10:43,679

now millions of people that appear to be

1797

01:10:48,709 --> 01:10:45,520

being reached by this to

1798

01:10:49,830 --> 01:10:48,719

open consciousness to uh open its up

1799

01:10:52,149 --> 01:10:49,840

once again to the

1800

01:10:53,270 --> 01:10:52,159

to a universe that is filled with life

1801

01:10:55,990 --> 01:10:53,280

that is alive that

1802

01:10:56,870 --> 01:10:56,000

that is intelligent it's not simply a

1803

01:11:00,870 --> 01:10:56,880

lifeless

1804

01:11:01,590 --> 01:11:00,880

uh energy matter vast tremendous but

1805

01:11:06,310 --> 01:11:01,600

which is

1806

01:11:08,790 --> 01:11:06,320

is divine and sacred and has

1807

01:11:11,430 --> 01:11:08,800

all kinds of possibilities but it is it

1808

01:11:13,750 --> 01:11:11,440

does open us to the unknown and i think

1809

01:11:15,510 --> 01:11:13,760

we've always been living in mystery in

1810

01:11:17,590 --> 01:11:15,520

the unknown but this confronts us so

1811

01:11:28,650 --> 01:11:17,600

vividly that i think we have to face a

1812

01:11:38,830 --> 01:11:29,510

[Applause]

1813

01:12:00,050 --> 01:11:38,840

[Music]

1814

01:12:20,830 --> 01:12:00,060

[Applause]

1815

01:12:20,840 --> 01:12:34,830

my

1816

01:12:37,350 --> 01:12:36,240

so

1817

01:13:23,830 --> 01:12:37,360

[Applause]
