

The background is a dark space scene featuring a colorful nebula with shades of purple, pink, and blue on the right side. Numerous bright, multi-pointed stars are scattered across the field, with some appearing as streaks of light. The overall effect is a classic sci-fi or UFO-themed aesthetic.

**UFO'S  
ARE  
HERE**

1  
00:00:14,920 --> 00:00:28,830  
so

2  
00:00:28,840 --> 00:00:42,830  
changes

3  
00:00:42,840 --> 00:00:51,350  
great

4  
00:00:55,270 --> 00:00:53,430  
the film you're about to see has taken

5  
00:00:56,709 --> 00:00:55,280  
our investigation team six months to

6  
00:00:58,389 --> 00:00:56,719  
research and assembly

7  
00:01:01,029 --> 00:00:58,399  
and has involved them in a trip around

8  
00:01:02,950 --> 00:01:01,039  
the world we have met the people at the

9  
00:01:05,910 --> 00:01:02,960  
heart of the ufo phenomenon

10  
00:01:10,230 --> 00:01:05,920  
and it is their opinion that ufos are

11  
00:01:13,429 --> 00:01:12,230  
a major myth about ufos is that only

12  
00:01:15,429 --> 00:01:13,439  
kooks quacks

13  
00:01:16,950 --> 00:01:15,439

nuts strange people believe in them or

14

00:01:20,710 --> 00:01:16,960

interested in them or see them

15

00:01:29,270 --> 00:01:24,550

western australia is unique

16

00:01:31,830 --> 00:01:29,280

in the ufo problem because

17

00:01:33,670 --> 00:01:31,840

per capita i believe it has more

18

00:01:36,149 --> 00:01:33,680

sightings

19

00:01:39,190 --> 00:01:36,159

than any other civilized area in the

20

00:01:43,030 --> 00:01:41,350

i think the meaning of the word ufo is

21

00:01:44,630 --> 00:01:43,040

that they are unidentified

22

00:01:46,310 --> 00:01:44,640

and as long as they're unidentified we

23

00:01:48,710 --> 00:01:46,320

better try to identify them

24

00:01:50,710 --> 00:01:48,720

and that people you know waste a great

25

00:01:51,510 --> 00:01:50,720

deal of energy saying do you believe in

26

00:01:53,030 --> 00:01:51,520

them

27

00:01:56,069 --> 00:01:53,040

well the thing i believe in is they're

28

00:02:00,709 --> 00:01:58,789

actually everybody i bumped in bump into

29

00:02:02,469 --> 00:02:00,719

is either

30

00:02:05,990 --> 00:02:02,479

fascinated with the subject or willing

31

00:02:10,869 --> 00:02:09,589

people are describing um a technology

32

00:02:12,949 --> 00:02:10,879

but they are really around the

33

00:02:14,630 --> 00:02:12,959

technology there are a number of uh

34

00:02:16,470 --> 00:02:14,640

psychological and if you will even you

35

00:02:20,869 --> 00:02:16,480

know let's use the word psychic

36

00:02:26,550 --> 00:02:23,830

we did not notice teeth in fact when

37

00:02:28,630 --> 00:02:26,560

bonnie was lying on the table looking up

38

00:02:29,990 --> 00:02:28,640

one of them appeared to have sort of a

39

00:02:32,949 --> 00:02:30,000

membrane

40

00:02:33,670 --> 00:02:32,959

which flooded behind his lips it looked

41

00:02:36,390 --> 00:02:33,680

like a thin

42

00:02:38,150 --> 00:02:36,400

skinned however you look at the

43

00:02:41,110 --> 00:02:38,160

phenomenon of ufos

44

00:02:43,030 --> 00:02:41,120

it is not the 99 you can explain it's

45

00:02:45,110 --> 00:02:43,040

the one percent you can't

46

00:02:48,630 --> 00:02:45,120

and in this last category we include a

47

00:02:50,390 --> 00:02:48,640

sighting close to perth in 1976

48

00:02:52,630 --> 00:02:50,400

we talked to the western australian

49

00:02:53,920 --> 00:02:52,640

representative for dr heineck's ufo

50

00:03:00,710 --> 00:02:53,930

study center

51

00:03:05,190 --> 00:03:00,720

[Music]

52

00:03:06,790 --> 00:03:05,200

moonrise 325 one mile north of wanaroo

53

00:03:08,390 --> 00:03:06,800

going towards yanchep in western

54

00:03:09,030 --> 00:03:08,400

australia jeff bell what are we doing

55

00:03:11,750 --> 00:03:09,040

here

56

00:03:13,270 --> 00:03:11,760

well on february 8 1976 at this precise

57

00:03:15,270 --> 00:03:13,280

time and location

58

00:03:17,990 --> 00:03:15,280

two chaps were going along this road uh

59

00:03:20,390 --> 00:03:18,000

north of uh wanaroo road

60

00:03:22,390 --> 00:03:20,400

and they noticed something unusual and

61

00:03:24,710 --> 00:03:22,400

they sent us this report

62

00:03:27,430 --> 00:03:24,720

early on the morning of sunday february

63

00:03:28,309 --> 00:03:27,440

8 1976 while on our way fishing at the

64

00:03:31,430 --> 00:03:28,319

ancient

65

00:03:33,589 --> 00:03:31,440

we saw this red light low in the sky

66

00:03:34,869 --> 00:03:33,599

approximately a mile north of burns

67

00:03:37,509 --> 00:03:34,879

beach turn off in

68

00:03:39,030 --> 00:03:37,519

one roo road uh we talked about this

69

00:03:40,229 --> 00:03:39,040

thing whether it was a plane or

70

00:03:42,470 --> 00:03:40,239

something else and

71

00:03:43,509 --> 00:03:42,480

on approaching i could see it wasn't

72

00:03:46,390 --> 00:03:43,519

moving we were

73

00:03:48,309 --> 00:03:46,400

catching up to it getting level uh with

74

00:03:49,509 --> 00:03:48,319

this object i couldn't see the red light

75

00:03:52,070 --> 00:03:49,519

on the back so

76

00:03:53,350 --> 00:03:52,080

i asked my mate to stop and i opened the

77

00:03:55,429 --> 00:03:53,360

passenger side door

78

00:03:57,350 --> 00:03:55,439

and watched this thing and my mate moved

79

00:04:00,789 --> 00:03:57,360

over and watched with me

80

00:04:02,229 --> 00:04:00,799

while we were looking it was about a 150

81

00:04:04,869 --> 00:04:02,239

feet up and about

82

00:04:05,509 --> 00:04:04,879

90 degrees from the car and i noticed it

83

00:04:08,229 --> 00:04:05,519

had

84

00:04:09,509 --> 00:04:08,239

pink lights coming from windows what

85

00:04:12,149 --> 00:04:09,519

looked like the front

86

00:04:13,509 --> 00:04:12,159

and underneath it it had this big shiny

87

00:04:15,589 --> 00:04:13,519

silvery light which

88

00:04:16,550 --> 00:04:15,599

looked like it was you know spinning

89

00:04:18,310 --> 00:04:16,560

around

90

00:04:19,909 --> 00:04:18,320

while watching this thing for four

91

00:04:22,069 --> 00:04:19,919

minutes it took off

92

00:04:23,270 --> 00:04:22,079

very very slowly in a southwest

93

00:04:26,790 --> 00:04:23,280

direction about

94

00:04:29,189 --> 00:04:26,800

400 to 500 meters and stopped

95

00:04:30,710 --> 00:04:29,199

and hovered again we watched it for

96

00:04:32,469 --> 00:04:30,720

about another minute and then we

97

00:04:34,230 --> 00:04:32,479

we packed them and took off do you think

98

00:04:35,749 --> 00:04:34,240

that looks like a hollywood movie

99

00:04:37,350 --> 00:04:35,759

or is what they are saying so

100

00:04:39,510 --> 00:04:37,360

unbelievable

101  
00:04:41,189 --> 00:04:39,520  
star wars the film that is likely to

102  
00:04:42,070 --> 00:04:41,199  
make more money than any other in

103  
00:04:43,670 --> 00:04:42,080  
history

104  
00:04:46,070 --> 00:04:43,680  
is only letting us get out of the

105  
00:04:49,340 --> 00:04:46,080  
observer's seat and into the pilots

106  
00:04:54,830 --> 00:04:49,350  
that after all is where we'd all like to

107  
00:04:54,840 --> 00:04:57,920  
be

108  
00:05:14,469 --> 00:05:01,590  
[Music]

109  
00:05:18,790 --> 00:05:16,950  
none of men's fantasies of evil can

110  
00:05:22,510 --> 00:05:18,800  
compare with the reality

111  
00:05:26,150 --> 00:05:23,830  
[Applause]

112  
00:05:27,029 --> 00:05:26,160  
this is the extraordinary motion picture

113  
00:05:30,710 --> 00:05:27,039

version

114

00:05:34,310 --> 00:05:30,720

of the best-selling novel jaws

115

00:05:37,110 --> 00:05:34,320

that's a 20-footer 25

116

00:05:39,110 --> 00:05:37,120

three tons on he's coming straight us

117

00:05:44,870 --> 00:05:39,120

don't screw it up now don't wait for me

118

00:05:44,880 --> 00:05:50,830

remember brody i can't run

119

00:05:55,510 --> 00:05:52,629

oh

120

00:05:58,070 --> 00:05:55,520

before star wars jaws grossed more money

121

00:05:59,990 --> 00:05:58,080

at the box office than any other film

122

00:06:02,150 --> 00:06:00,000

at an exclusive interview in hollywood

123

00:06:04,309 --> 00:06:02,160

its director steven spielberg

124

00:06:06,230 --> 00:06:04,319

told us that while he was up to his neck

125

00:06:08,390 --> 00:06:06,240

in water filming jaws

126  
00:06:11,110 --> 00:06:08,400  
he was really thinking of his next film

127  
00:06:13,510 --> 00:06:11,120  
close encounters of the third kind

128  
00:06:15,029 --> 00:06:13,520  
a film concerned with ufo just after

129  
00:06:16,790 --> 00:06:15,039  
jaws finished uh

130  
00:06:18,150 --> 00:06:16,800  
i came back and i wanted to relate to

131  
00:06:19,350 --> 00:06:18,160  
dry land and i also wanted to think

132  
00:06:20,230 --> 00:06:19,360  
about close encounters so i went out to

133  
00:06:22,469 --> 00:06:20,240  
pear blossom

134  
00:06:23,749 --> 00:06:22,479  
which is the desert near mojave there's

135  
00:06:26,150 --> 00:06:23,759  
nothing around for miles

136  
00:06:27,510 --> 00:06:26,160  
and if you want to watch the cosmos

137  
00:06:28,390 --> 00:06:27,520  
that's the place to stand and do it i

138  
00:06:30,550 --> 00:06:28,400

mean you feel

139

00:06:32,150 --> 00:06:30,560

like a grain of salt and the stars are

140

00:06:33,590 --> 00:06:32,160

so vast i mean it's almost like looking

141

00:06:34,870 --> 00:06:33,600

down at the sky because the sky

142

00:06:36,550 --> 00:06:34,880

surrounds you it's an amazing

143

00:06:38,950 --> 00:06:36,560

planetarium show

144

00:06:40,230 --> 00:06:38,960

and i went out there and i parked my car

145

00:06:40,790 --> 00:06:40,240

turned the lights out and sat on the

146

00:06:42,790 --> 00:06:40,800

roof

147

00:06:45,430 --> 00:06:42,800

and looked up at the sky and said to

148

00:06:48,790 --> 00:06:45,440

myself if something

149

00:06:50,150 --> 00:06:48,800

comes down here right now and lands on

150

00:06:52,230 --> 00:06:50,160

the road

151  
00:06:53,589 --> 00:06:52,240  
and an opening appears would i get on

152  
00:06:55,589 --> 00:06:53,599  
take a ride

153  
00:06:57,029 --> 00:06:55,599  
i thought about it i looked up at the

154  
00:07:00,070 --> 00:06:57,039  
sky

155  
00:07:00,870 --> 00:07:00,080  
and i got very very nervous because i

156  
00:07:02,550 --> 00:07:00,880  
realized

157  
00:07:03,670 --> 00:07:02,560  
that i wouldn't get on and take a ride

158  
00:07:04,390 --> 00:07:03,680  
as a matter of fact i was getting so

159  
00:07:07,189 --> 00:07:04,400  
nervous

160  
00:07:08,710 --> 00:07:07,199  
by embracing and romancing that thought

161  
00:07:11,110 --> 00:07:08,720  
that i got back in my car i drove back

162  
00:07:13,270 --> 00:07:11,120  
to los angeles i was terrified

163  
00:07:15,749 --> 00:07:13,280

most people think the interest in ufos

164

00:07:17,430 --> 00:07:15,759

is limited to a few cranks

165

00:07:19,350 --> 00:07:17,440

in fact there are thousands of

166

00:07:20,950 --> 00:07:19,360

intelligent people who get together at

167

00:07:23,990 --> 00:07:20,960

international conferences

168

00:07:25,990 --> 00:07:24,000

all over the world to study them we

169

00:07:27,589 --> 00:07:26,000

visited one at chicago to interview the

170

00:07:29,110 --> 00:07:27,599

man who for 20 years

171

00:07:31,510 --> 00:07:29,120

was head of the u s air force top

172

00:07:44,790 --> 00:07:31,520

security investigation into ufos

173

00:07:47,589 --> 00:07:44,800

dr alan heineck

174

00:07:48,230 --> 00:07:47,599

it's particularly heartening to me to

175

00:07:51,029 --> 00:07:48,240

see the

176

00:07:52,869 --> 00:07:51,039

rise of interest among scientists and

177

00:07:55,510 --> 00:07:52,879

particularly astronomers

178

00:07:56,230 --> 00:07:55,520

uh in the ufo problem so it's often been

179

00:07:58,150 --> 00:07:56,240

said that

180

00:07:59,830 --> 00:07:58,160

why don't astronomers see ufos as a

181

00:08:02,869 --> 00:07:59,840

matter of fact they do

182

00:08:05,029 --> 00:08:02,879

in a very recent report uh by professor

183

00:08:07,830 --> 00:08:05,039

sturock of stanford university

184

00:08:09,830 --> 00:08:07,840

who queried all the members of the

185

00:08:12,390 --> 00:08:09,840

american astronomical society

186

00:08:13,749 --> 00:08:12,400

found that 53 percent of those who

187

00:08:16,150 --> 00:08:13,759

responded

188

00:08:16,790 --> 00:08:16,160

said that in their opinion the ufo

189

00:08:18,710 --> 00:08:16,800

problem was

190

00:08:21,749 --> 00:08:18,720

was worthy of scientific study and what

191

00:08:23,029 --> 00:08:21,759

is more 64 of the astronomers who

192

00:08:26,869 --> 00:08:23,039

responded

193

00:08:28,790 --> 00:08:26,879

uh gave what would be called ufo reports

194

00:08:30,869 --> 00:08:28,800

objects sightings that they personally

195

00:08:31,749 --> 00:08:30,879

had made at their observatories

196

00:08:34,790 --> 00:08:31,759

frequently

197

00:08:35,350 --> 00:08:34,800

which to them was unexplained one of the

198

00:08:38,949 --> 00:08:35,360

most

199

00:08:39,990 --> 00:08:38,959

important findings that has been made

200

00:08:43,110 --> 00:08:40,000

about this phenomenon

201  
00:08:43,589 --> 00:08:43,120  
is that it is global in scope in other

202  
00:08:45,750 --> 00:08:43,599  
words

203  
00:08:47,670 --> 00:08:45,760  
it doesn't belong to the french or the

204  
00:08:50,870 --> 00:08:47,680  
americans or the british or

205  
00:08:53,190 --> 00:08:50,880  
uh they have been waves of sightings uh

206  
00:08:54,949 --> 00:08:53,200  
usually lasting about a few weeks or a

207  
00:08:57,829 --> 00:08:54,959  
month or a month and a half

208  
00:08:59,509 --> 00:08:57,839  
over very uh in very concentrated

209  
00:09:01,030 --> 00:08:59,519  
fashions in certain areas of the world

210  
00:09:03,509 --> 00:09:01,040  
there have been such waves

211  
00:09:05,190 --> 00:09:03,519  
in western europe in 1954 for example in

212  
00:09:07,269 --> 00:09:05,200  
this country in 1947

213  
00:09:09,430 --> 00:09:07,279

we know of waves in the soviet union in

214

00:09:10,150 --> 00:09:09,440

china in australia especially in western

215

00:09:12,310 --> 00:09:10,160

australia

216

00:09:13,509 --> 00:09:12,320

and what is typical about these waves is

217

00:09:14,949 --> 00:09:13,519

that the

218

00:09:16,870 --> 00:09:14,959

the people from all these different

219

00:09:19,430 --> 00:09:16,880

cultures around the world are describing

220

00:09:20,550 --> 00:09:19,440

the same thing in their own terms what

221

00:09:22,790 --> 00:09:20,560

they are describing is

222

00:09:24,949 --> 00:09:22,800

an object that seems to be able to to

223

00:09:26,790 --> 00:09:24,959

maneuver it seems to be a technology

224

00:09:28,310 --> 00:09:26,800

it seems to come to the ground and leave

225

00:09:30,949 --> 00:09:28,320

traces and there have been

226

00:09:32,870 --> 00:09:30,959

rings especially that have been found uh

227

00:09:35,829 --> 00:09:32,880

burned circles have been found

228

00:09:37,350 --> 00:09:35,839

very commonly in australia that uh

229

00:09:39,590 --> 00:09:37,360

absolutely identical

230

00:09:40,389 --> 00:09:39,600

to things that have been catalogued in

231

00:09:42,150 --> 00:09:40,399

this country

232

00:09:44,470 --> 00:09:42,160

in france there is now a catalogue of

233

00:09:47,590 --> 00:09:44,480

such traces that encompasses more than a

234

00:09:51,350 --> 00:09:49,910

an ordinary man in an ordinary street in

235

00:09:53,990 --> 00:09:51,360

america

236

00:09:56,150 --> 00:09:54,000

but this man started the 1947 wave of

237

00:09:57,590 --> 00:09:56,160

sightings that swept the world

238

00:09:59,190 --> 00:09:57,600

when he claimed to have seen from his

239

00:10:02,550 --> 00:09:59,200

mountain rescue plane

240

00:10:03,269 --> 00:10:02,560

nine disc-like objects roughly 45 miles

241

00:10:04,949 --> 00:10:03,279

away

242

00:10:07,350 --> 00:10:04,959

flying at a speed of approximately

243

00:10:10,470 --> 00:10:07,360

fifteen hundred miles per hour

244

00:10:14,470 --> 00:10:10,480

near mount rainier oregon the date

245

00:10:15,910 --> 00:10:14,480

june 24 1947

246

00:10:18,150 --> 00:10:15,920

later when asked by a reporter to

247

00:10:19,990 --> 00:10:18,160

describe how they flew

248

00:10:22,550 --> 00:10:20,000

arnold said their motion was like

249

00:10:24,949 --> 00:10:22,560

sources skipping over water

250

00:10:26,550 --> 00:10:24,959

in the papers the next day the world

251

00:10:30,829 --> 00:10:26,560

first saw the term

252

00:10:33,670 --> 00:10:30,839

flying saucer on june 24

253

00:10:34,949 --> 00:10:33,680

1977 thirty years to the day after he

254

00:10:37,750 --> 00:10:34,959

first cited them

255

00:10:39,350 --> 00:10:37,760

ken arnold consented to speak to us he

256

00:10:42,230 --> 00:10:39,360

had refused to make any public

257

00:10:44,710 --> 00:10:42,240

statements for the last five years

258

00:10:46,470 --> 00:10:44,720

it's easy to see that after thirty years

259

00:10:48,150 --> 00:10:46,480

he's still angry at the disbelief right

260

00:10:49,829 --> 00:10:48,160

here we've seen something i've seen

261

00:10:50,790 --> 00:10:49,839

something hundreds of pilots have seen

262

00:10:54,389 --> 00:10:50,800

something

263

00:10:57,910 --> 00:10:54,399

in the skies we have dutifully reported

264

00:10:58,389 --> 00:10:57,920

these things and we have to have 15

265

00:11:00,470 --> 00:10:58,399

million

266

00:11:03,030 --> 00:11:00,480

witnesses before anybody's going to look

267

00:11:05,509 --> 00:11:03,040

into the problem seriously

268

00:11:06,870 --> 00:11:05,519

why this is utterly fantastic this is

269

00:11:09,110 --> 00:11:06,880

more fantastic than

270

00:11:12,829 --> 00:11:09,120

than flying saucers or or people from

271

00:11:12,839 --> 00:11:16,949

concerned

272

00:11:21,190 --> 00:11:19,590

arnold siting amazed many people but

273

00:11:24,150 --> 00:11:21,200

none more than publisher

274

00:11:25,990 --> 00:11:24,160

ray palmer kenneth arnold fits into it

275

00:11:27,910 --> 00:11:26,000

this is his 30th anniversary

276

00:11:29,990 --> 00:11:27,920

and strangely enough it's my 33rd

277

00:11:31,350 --> 00:11:30,000

because i knew about flying saucers

278

00:11:34,310 --> 00:11:31,360

three years before

279

00:11:36,389 --> 00:11:34,320

kenneth arnold made his first sighting

280

00:11:38,069 --> 00:11:36,399

in the middle 40s a man called william

281

00:11:40,790 --> 00:11:38,079

shaver had written to palmer about his

282

00:11:43,030 --> 00:11:40,800

alleged visit to a subterranean culture

283

00:11:45,590 --> 00:11:43,040

peopled by beings he referred to as

284

00:11:47,350 --> 00:11:45,600

deros and terrors

285

00:11:49,670 --> 00:11:47,360

what he wrote was to create another

286

00:11:52,870 --> 00:11:49,680

legend of ufo mythology

287

00:11:55,829 --> 00:11:52,880

briefly it was the story of of a

288

00:11:56,949 --> 00:11:55,839

radioactive flare from the sun around 12

289

00:11:59,509 --> 00:11:56,959

000 years ago

290

00:12:01,269 --> 00:11:59,519

which virtually wiped out life on earth

291

00:12:02,389 --> 00:12:01,279

and the survivors fled into space in

292

00:12:04,310 --> 00:12:02,399

spaceships

293

00:12:07,110 --> 00:12:04,320

while the the the persons left behind

294

00:12:08,949 --> 00:12:07,120

whom he called abandoned arrow

295

00:12:10,550 --> 00:12:08,959

went into into the cavern world and set

296

00:12:12,710 --> 00:12:10,560

up a civilization there

297

00:12:14,150 --> 00:12:12,720

which from that time on became

298

00:12:15,509 --> 00:12:14,160

contaminated because

299

00:12:17,190 --> 00:12:15,519

the atmosphere had to be drawn from the

300

00:12:18,870 --> 00:12:17,200

surface and so on in the water

301  
00:12:20,550 --> 00:12:18,880  
so they'd gradually degenerate it into

302  
00:12:22,790 --> 00:12:20,560  
what he called daryl's

303  
00:12:24,710 --> 00:12:22,800  
d meaning detrimental or destructive and

304  
00:12:26,790 --> 00:12:24,720  
we're being being a shortening of robot

305  
00:12:28,710 --> 00:12:26,800  
or robotic in other words he felt that

306  
00:12:30,790 --> 00:12:28,720  
these people were mentally controlled

307  
00:12:32,790 --> 00:12:30,800  
by robotic darrow influences in other

308  
00:12:34,310 --> 00:12:32,800  
words the radioactivity in their brain

309  
00:12:37,430 --> 00:12:34,320  
made them insane

310  
00:12:38,790 --> 00:12:37,440  
but they had at their access the

311  
00:12:40,230 --> 00:12:38,800  
wonderful machines left by this

312  
00:12:41,750 --> 00:12:40,240  
civilization which fled the earth

313  
00:12:43,350 --> 00:12:41,760

which had been taken down into the caves

314

00:12:45,509 --> 00:12:43,360

and among them

315

00:12:46,389 --> 00:12:45,519

was a craft they called a roll at row

316

00:12:49,190 --> 00:12:46,399

again for

317

00:12:50,710 --> 00:12:49,200

robotically controlled uh instrumentally

318

00:12:52,310 --> 00:12:50,720

controlled and so on

319

00:12:54,069 --> 00:12:52,320

and in the caves they use these things

320

00:12:54,870 --> 00:12:54,079

which were discs about 30 feet in

321

00:12:56,790 --> 00:12:54,880

diameter

322

00:12:58,629 --> 00:12:56,800

to go through tunnels and the torturous

323

00:12:59,269 --> 00:12:58,639

caves underneath the ground for hundreds

324

00:13:01,670 --> 00:12:59,279

of miles

325

00:13:03,190 --> 00:13:01,680

even from continent to continent and

326

00:13:03,509 --> 00:13:03,200

they were controlled automatically so

327

00:13:05,430 --> 00:13:03,519

they

328

00:13:07,990 --> 00:13:05,440

did not touch the floor of the ceiling

329

00:13:09,670 --> 00:13:08,000

or the walls and therefore they had this

330

00:13:11,350 --> 00:13:09,680

flipping motion and they went through

331

00:13:14,069 --> 00:13:11,360

caves where they had a right angle turn

332

00:13:15,030 --> 00:13:14,079

they traveled around 1200 miles an hour

333

00:13:16,790 --> 00:13:15,040

when

334

00:13:19,030 --> 00:13:16,800

uh shaver heard about kenneth arnold's

335

00:13:19,350 --> 00:13:19,040

siding he wrote me very triumphantly and

336

00:13:21,430 --> 00:13:19,360

said

337

00:13:22,389 --> 00:13:21,440

you see these robots do come out of the

338

00:13:24,870 --> 00:13:22,399

caves

339

00:13:26,389 --> 00:13:24,880

perhaps the greatest surprise was when

340

00:13:28,389 --> 00:13:26,399

arnold reported his sighting to the

341

00:13:30,150 --> 00:13:28,399

nearest u.s military air base

342

00:13:32,829 --> 00:13:30,160

he found on the wall of the commander's

343

00:13:35,110 --> 00:13:32,839

office this classified gun site

344

00:13:36,949 --> 00:13:35,120

photograph which bore a remarkable

345

00:13:38,230 --> 00:13:36,959

resemblance to what arnold claimed he

346

00:13:40,150 --> 00:13:38,240

had just seen

347

00:13:42,389 --> 00:13:40,160

and shaver had discussed three years

348

00:13:44,389 --> 00:13:42,399

before

349

00:13:45,910 --> 00:13:44,399

something else ken arnold didn't know

350

00:13:48,069 --> 00:13:45,920

was that dr heineck

351  
00:13:49,269 --> 00:13:48,079  
was officially researching ufos for the

352  
00:13:51,750 --> 00:13:49,279  
us air force

353  
00:13:52,710 --> 00:13:51,760  
and compiling a classified report known

354  
00:14:03,509 --> 00:13:52,720  
as project

355  
00:14:06,069 --> 00:14:03,519  
blue book

356  
00:14:08,389 --> 00:14:06,079  
well it was as an astronomer that i

357  
00:14:09,590 --> 00:14:08,399  
first became associated with the ufo

358  
00:14:13,110 --> 00:14:09,600  
problem

359  
00:14:15,189 --> 00:14:13,120  
in 1948 the air force asked me

360  
00:14:17,430 --> 00:14:15,199  
as an astronomer to assist them in

361  
00:14:19,430 --> 00:14:17,440  
seeing how many of the reports on flying

362  
00:14:21,910 --> 00:14:19,440  
saucers that were coming in at that time

363  
00:14:23,509 --> 00:14:21,920

could be explained astronomically and

364

00:14:24,949 --> 00:14:23,519

one thing led to another and i became

365

00:14:28,310 --> 00:14:24,959

scientific consultant to the air force

366

00:14:32,150 --> 00:14:28,320

and remained so for some 20 years

367

00:14:33,430 --> 00:14:32,160

i started almost as a complete skeptic

368

00:14:35,910 --> 00:14:33,440

because i thought the whole thing was a

369

00:14:37,269 --> 00:14:35,920

question of post-war nerves

370

00:14:39,829 --> 00:14:37,279

but it was the persistence of the

371

00:14:40,389 --> 00:14:39,839

phenomenon it refused to dry up and blow

372

00:14:43,750 --> 00:14:40,399

away

373

00:14:46,550 --> 00:14:43,760

it finally led me to the belief that

374

00:14:47,670 --> 00:14:46,560

we had a real phenomenon to deal with in

375

00:14:49,750 --> 00:14:47,680

the years that followed

376

00:14:51,590 --> 00:14:49,760

heineck was to investigate reports from

377

00:14:53,590 --> 00:14:51,600

all over the world

378

00:14:54,949 --> 00:14:53,600

soon clips of film like this one began

379

00:14:56,870 --> 00:14:54,959

to reach him

380

00:14:58,069 --> 00:14:56,880

this unique film that we've managed to

381

00:15:00,150 --> 00:14:58,079

obtain has puzzled

382

00:15:01,990 --> 00:15:00,160

scientists and experts all over the

383

00:15:04,230 --> 00:15:02,000

world and to this day

384

00:15:06,310 --> 00:15:04,240

remains a truly unidentified flying

385

00:15:08,389 --> 00:15:06,320

object

386

00:15:10,150 --> 00:15:08,399

meanwhile the media still referred to

387

00:15:12,470 --> 00:15:10,160

them as flying sources

388

00:15:14,230 --> 00:15:12,480

when in 1955 a group of italian

389

00:15:15,990 --> 00:15:14,240

scientists and cameramen went to

390

00:15:18,550 --> 00:15:16,000

photograph an eclipse of the sun

391

00:15:19,990 --> 00:15:18,560

from three miles up they were delighted

392

00:15:21,590 --> 00:15:20,000

to find not one

393

00:15:23,910 --> 00:15:21,600

but a group of objects which they

394

00:15:25,750 --> 00:15:23,920

proceeded to photograph

395

00:15:26,949 --> 00:15:25,760

next week the world's cinema screens

396

00:15:30,870 --> 00:15:26,959

carried the title

397

00:15:33,269 --> 00:15:30,880

three miles up flying saucers

398

00:15:34,230 --> 00:15:33,279

this year marks the 30th anniversary of

399

00:15:36,470 --> 00:15:34,240

the advent

400

00:15:39,110 --> 00:15:36,480

of the flying saucer and that is the

401  
00:15:42,710 --> 00:15:39,120  
most unfortunate term in my opinion

402  
00:15:44,150 --> 00:15:42,720  
because it invites ridicule it opens the

403  
00:15:47,670 --> 00:15:44,160  
door to a great deal of

404  
00:15:48,550 --> 00:15:47,680  
buffoonery and lampooning it had a

405  
00:15:51,350 --> 00:15:48,560  
perfectly good

406  
00:15:52,629 --> 00:15:51,360  
history because when kenneth arnold

407  
00:15:54,629 --> 00:15:52,639  
described

408  
00:15:56,150 --> 00:15:54,639  
the motions of the discs that he had

409  
00:15:59,910 --> 00:15:56,160  
seen he said that

410  
00:16:01,590 --> 00:15:59,920  
it was like skipping a saucer over water

411  
00:16:02,949 --> 00:16:01,600  
but some reporter thought that was a

412  
00:16:06,150 --> 00:16:02,959  
very clever

413  
00:16:06,710 --> 00:16:06,160

uh term and flying saucers were born but

414

00:16:13,269 --> 00:16:06,720

it

415

00:16:16,710 --> 00:16:13,279

and so forth

416

00:16:17,910 --> 00:16:16,720

for instance uh uh one common expression

417

00:16:19,670 --> 00:16:17,920

is that if you want to see a flying

418

00:16:20,629 --> 00:16:19,680

sausage just goose a waitress what do

419

00:16:22,949 --> 00:16:20,639

experts believe

420

00:16:24,230 --> 00:16:22,959

ufos look like typically we're dealing

421

00:16:26,230 --> 00:16:24,240

with apparently round

422

00:16:27,990 --> 00:16:26,240

symmetric disc shaped objects definite

423

00:16:29,590 --> 00:16:28,000

size shape surface texture

424

00:16:32,389 --> 00:16:29,600

bigger in diameter than they are in

425

00:16:35,030 --> 00:16:32,399

thickness a protuberances that might be

426  
00:16:36,870 --> 00:16:35,040  
landing gears or antenna windows might

427  
00:16:38,949 --> 00:16:36,880  
be decorations too we don't really know

428  
00:16:39,990 --> 00:16:38,959  
things with definite size shape surface

429  
00:16:42,870 --> 00:16:40,000  
texture

430  
00:16:43,990 --> 00:16:42,880  
there are other reports of things with

431  
00:16:47,189 --> 00:16:44,000  
that are cylindrical

432  
00:16:49,030 --> 00:16:47,199  
long cigar shaped objects and

433  
00:16:50,550 --> 00:16:49,040  
if you look at the landing cases and of

434  
00:16:51,910 --> 00:16:50,560  
course i'm most concerned with landing

435  
00:16:52,470 --> 00:16:51,920  
cases then we have something to work

436  
00:16:54,069 --> 00:16:52,480  
with

437  
00:16:56,389 --> 00:16:54,079  
these are cases landing trace cases

438  
00:16:58,230 --> 00:16:56,399

where ufo is seen on or near the ground

439

00:17:00,310 --> 00:16:58,240

and after it leaves one finds physical

440

00:17:01,670 --> 00:17:00,320

changes produced in the environment

441

00:17:03,269 --> 00:17:01,680

if you look at those cases and one

442

00:17:06,710 --> 00:17:03,279

researcher has collected more than a

443

00:17:07,750 --> 00:17:06,720

thousand such cases from 55 countries

444

00:17:09,590 --> 00:17:07,760

and they're similar whether you're

445

00:17:10,789 --> 00:17:09,600

dealing with sightings in australia new

446

00:17:12,390 --> 00:17:10,799

zealand you've got the same landing

447

00:17:14,549 --> 00:17:12,400

traces as in the united states as in

448

00:17:17,110 --> 00:17:14,559

south africa's in canada england france

449

00:17:18,630 --> 00:17:17,120

all over the world there aren't any laws

450

00:17:20,150 --> 00:17:18,640

of physics that stand in the way of

451  
00:17:21,590 --> 00:17:20,160  
flying saucers either getting here from

452  
00:17:23,990 --> 00:17:21,600  
other star systems or

453  
00:17:25,350 --> 00:17:24,000  
performing here once they're here uh

454  
00:17:26,710 --> 00:17:25,360  
many people think that you can't get

455  
00:17:27,990 --> 00:17:26,720  
here from there the fact of the matter

456  
00:17:29,590 --> 00:17:28,000  
is that there are published studies by

457  
00:17:30,950 --> 00:17:29,600  
reputable engineers and scientists and

458  
00:17:32,950 --> 00:17:30,960  
good technical journals

459  
00:17:34,710 --> 00:17:32,960  
showing that trips to nearby stars and i

460  
00:17:36,630 --> 00:17:34,720  
don't worry about the distant ones

461  
00:17:38,310 --> 00:17:36,640  
are feasible with reasonable round-trip

462  
00:17:39,909 --> 00:17:38,320  
time shorter than a person's lifetime

463  
00:17:42,070 --> 00:17:39,919

without violating any of the laws of

464

00:17:43,750 --> 00:17:42,080

physics and using staged fission or

465

00:17:45,350 --> 00:17:43,760

fusion propulsion systems on both of

466

00:17:47,270 --> 00:17:45,360

which i have worked now

467

00:17:48,470 --> 00:17:47,280

we physically tested fish and nuclear

468

00:17:49,270 --> 00:17:48,480

propulsion systems when i was at

469

00:17:52,390 --> 00:17:49,280

westinghouse

470

00:17:54,230 --> 00:17:52,400

in 1967 we tested the nrx a6

471

00:17:56,230 --> 00:17:54,240

less than three feet in diameter power

472

00:17:58,310 --> 00:17:56,240

level 1100 million

473

00:17:59,350 --> 00:17:58,320

watts that's roughly the same energy it

474

00:18:00,950 --> 00:17:59,360

takes to light this

475

00:18:03,750 --> 00:18:00,960

to provide the electricity for the city

476

00:18:08,150 --> 00:18:06,710

as perth the city of light was viewed by

477

00:18:10,470 --> 00:18:08,160

apollo astronauts

478

00:18:13,110 --> 00:18:10,480

other ufo sightings were being made in

479

00:18:15,669 --> 00:18:13,120

australia

480

00:18:17,430 --> 00:18:15,679

dr heineck's worldwide organization has

481

00:18:18,310 --> 00:18:17,440

a branch in sydney headed by harry

482

00:18:22,230 --> 00:18:18,320

greensburg

483

00:18:23,190 --> 00:18:22,240

and bill chalker sightings in australia

484

00:18:24,950 --> 00:18:23,200

are so numerous

485

00:18:43,270 --> 00:18:24,960

that a special computer is needed to

486

00:18:43,280 --> 00:18:49,990

[Music]

487

00:18:53,590 --> 00:18:52,630

my name is andrew cole and i work with

488

00:18:55,590 --> 00:18:53,600

computers

489

00:18:56,789 --> 00:18:55,600

i got actively involved with the ufo

490

00:19:00,549 --> 00:18:56,799

investigation center

491

00:19:02,870 --> 00:19:00,559

after an experience of my own

492

00:19:05,190 --> 00:19:02,880

we started out with a very small machine

493

00:19:06,950 --> 00:19:05,200

which we were able to recover from scrap

494

00:19:09,909 --> 00:19:06,960

and make it do what we wanted to do with

495

00:19:13,669 --> 00:19:09,919

it but since then the files have grown

496

00:19:17,270 --> 00:19:13,679

and we now have several thousand files

497

00:19:19,909 --> 00:19:17,280

which we can look at and

498

00:19:26,630 --> 00:19:19,919

reference whenever we need and this

499

00:19:30,470 --> 00:19:29,110

it's hard to imagine uh here in the

500

00:19:32,710 --> 00:19:30,480

middle of sydney amongst all this

501  
00:19:34,230 --> 00:19:32,720  
modern technology how fred birmingham a

502  
00:19:35,830 --> 00:19:34,240  
parramatta surveyor would have reacted

503  
00:19:37,669 --> 00:19:35,840  
to what he saw

504  
00:19:39,350 --> 00:19:37,679  
he described seeing a strange aerial

505  
00:19:42,470 --> 00:19:39,360  
object shaped like a

506  
00:19:44,150 --> 00:19:42,480  
an arc moving in in a zigzag manner and

507  
00:19:45,430 --> 00:19:44,160  
apparently landing in nearby parramatta

508  
00:19:48,310 --> 00:19:45,440  
park

509  
00:19:49,110 --> 00:19:48,320  
what followed uh he was a description of

510  
00:19:51,990 --> 00:19:49,120  
meeting

511  
00:19:53,110 --> 00:19:52,000  
a being he called a spirit and an

512  
00:19:56,390 --> 00:19:53,120  
invitation

513  
00:19:59,830 --> 00:19:56,400

to visit and walk on board this

514

00:20:01,270 --> 00:19:59,840

arc it paralleled

515

00:20:03,029 --> 00:20:01,280

many stories that are similar to it

516

00:20:05,830 --> 00:20:03,039

right around the world

517

00:20:07,669 --> 00:20:05,840

and you read about these stories and

518

00:20:10,470 --> 00:20:07,679

newspapers all the time

519

00:20:11,510 --> 00:20:10,480

but uh this story in fact is is what

520

00:20:14,070 --> 00:20:11,520

constitutes the

521

00:20:14,870 --> 00:20:14,080

first recorded place encounter in

522

00:20:19,270 --> 00:20:14,880

australia

523

00:20:22,230 --> 00:20:19,280

the date 1868. as an industrial chemist

524

00:20:23,510 --> 00:20:22,240

i specialize in the study of what we

525

00:20:25,750 --> 00:20:23,520

term

526

00:20:26,950 --> 00:20:25,760

close encounters of the third kind in

527

00:20:30,549 --> 00:20:26,960

this type of

528

00:20:31,830 --> 00:20:30,559

ufo sighting an unidentified aerial

529

00:20:33,590 --> 00:20:31,840

object

530

00:20:35,430 --> 00:20:33,600

inter-reacts with a physical environment

531

00:20:38,230 --> 00:20:35,440

thereby leaving a permanent

532

00:20:40,950 --> 00:20:38,240

physical record of its presence what is

533

00:20:49,029 --> 00:20:40,960

the rwaf's official view of this

534

00:20:50,390 --> 00:20:49,039

we visited them to find out

535

00:20:52,390 --> 00:20:50,400

squadronita white you're with the

536

00:20:54,310 --> 00:20:52,400

department of defense here in canberra

537

00:20:56,390 --> 00:20:54,320

is your function to deal with ufo

538

00:20:59,029 --> 00:20:56,400

inquiries entirely

539

00:21:00,390 --> 00:20:59,039

only partly in air force office here i

540

00:21:02,149 --> 00:21:00,400

have several duties

541

00:21:04,630 --> 00:21:02,159

one of which is to deal with what we

542

00:21:07,510 --> 00:21:04,640

prefer to call unusual aerial sightings

543

00:21:08,549 --> 00:21:07,520

ah now you departed from ufo uh for any

544

00:21:09,909 --> 00:21:08,559

particular reason

545

00:21:12,470 --> 00:21:09,919

yes we think there's a fairly good

546

00:21:15,430 --> 00:21:12,480

reason um to call them ufos

547

00:21:17,029 --> 00:21:15,440

the unidentified part of that statement

548

00:21:19,590 --> 00:21:17,039

is assuming immediately that we don't

549

00:21:21,909 --> 00:21:19,600

know what it is that people are seeing

550

00:21:23,669 --> 00:21:21,919

also objects what people see are not

551  
00:21:24,630 --> 00:21:23,679  
necessarily objects they can be weather

552  
00:21:28,070 --> 00:21:24,640  
factors

553  
00:21:30,630 --> 00:21:28,080  
marsh gas lightning that sort of thing

554  
00:21:31,909 --> 00:21:30,640  
the main problem that we see is the term

555  
00:21:33,510 --> 00:21:31,919  
ufo

556  
00:21:34,950 --> 00:21:33,520  
immediately conjures up in people's

557  
00:21:37,190 --> 00:21:34,960  
minds flying sources

558  
00:21:39,430 --> 00:21:37,200  
little green men yeah so unusual aerial

559  
00:21:41,830 --> 00:21:39,440  
sightings we prefer

560  
00:21:43,270 --> 00:21:41,840  
are there unusual aerial sightings that

561  
00:21:45,350 --> 00:21:43,280  
cannot be explained

562  
00:21:47,669 --> 00:21:45,360  
almost definitely yes yeah is there a

563  
00:21:51,110 --> 00:21:47,679

sort of percentile there somewhere that

564

00:21:53,909 --> 00:21:51,120

i'd say about uh 90 we can explain

565

00:21:55,110 --> 00:21:53,919

uh 10 percent on average we can't for

566

00:21:57,430 --> 00:21:55,120

various reasons

567

00:21:59,029 --> 00:21:57,440

they may be put in too late uh

568

00:22:01,430 --> 00:21:59,039

insufficient information

569

00:22:02,230 --> 00:22:01,440

some are hoaxes but definitely some we

570

00:22:06,470 --> 00:22:02,240

cannot explain

571

00:22:08,470 --> 00:22:06,480

yeah what's the it's a fairly uh

572

00:22:09,909 --> 00:22:08,480

unusual thing and we appreciate it very

573

00:22:12,230 --> 00:22:09,919

much that we can talk to you because

574

00:22:13,430 --> 00:22:12,240

it's i think fairly rare that um you

575

00:22:17,750 --> 00:22:13,440

give interviews at all

576  
00:22:19,830 --> 00:22:17,760  
correct thank you uh what's the official

577  
00:22:20,789 --> 00:22:19,840  
policy that i think we should establish

578  
00:22:23,190 --> 00:22:20,799  
yes i think so

579  
00:22:24,390 --> 00:22:23,200  
um in the early 1950s about the mid

580  
00:22:26,870 --> 00:22:24,400  
1950s

581  
00:22:28,549 --> 00:22:26,880  
um the government of australia along

582  
00:22:30,950 --> 00:22:28,559  
with the governments of america

583  
00:22:31,750 --> 00:22:30,960  
and united kingdom uh thought there

584  
00:22:34,149 --> 00:22:31,760  
might be some

585  
00:22:35,590 --> 00:22:34,159  
threat to national security with the

586  
00:22:38,710 --> 00:22:35,600  
sightings of all these

587  
00:22:39,510 --> 00:22:38,720  
peculiar happenings so they asked the

588  
00:22:42,149 --> 00:22:39,520

iwf

589

00:22:43,750 --> 00:22:42,159

to investigate all the reports and come

590

00:22:46,870 --> 00:22:43,760

up with the facts

591

00:22:49,669 --> 00:22:46,880

and after about 10 or 12 years

592

00:22:50,630 --> 00:22:49,679

we could not produce any information

593

00:22:52,070 --> 00:22:50,640

that suggested

594

00:22:54,549 --> 00:22:52,080

there were any interlopers from outer

595

00:22:57,669 --> 00:22:54,559

space the ten percent are so

596

00:22:58,470 --> 00:22:57,679

unexplained we couldn't explain but on

597

00:23:01,029 --> 00:22:58,480

the other hand

598

00:23:02,230 --> 00:23:01,039

they didn't suggest any interlopers the

599

00:23:05,590 --> 00:23:02,240

one thing of course that the

600

00:23:07,750 --> 00:23:05,600

ufo societies say to me

601  
00:23:09,590 --> 00:23:07,760  
is that they believe that the our double

602  
00:23:12,789 --> 00:23:09,600  
af is passing information to the

603  
00:23:15,590 --> 00:23:12,799  
usaf uh and other countries is that

604  
00:23:16,870 --> 00:23:15,600  
true not exactly we don't have any

605  
00:23:20,230 --> 00:23:16,880  
direct liaison

606  
00:23:22,070 --> 00:23:20,240  
with the usaf or the raf but certainly

607  
00:23:25,510 --> 00:23:22,080  
we get inquiries from overseas

608  
00:23:27,350 --> 00:23:25,520  
from the ufo societies from people

609  
00:23:28,870 --> 00:23:27,360  
and we will answer them if they want

610  
00:23:30,710 --> 00:23:28,880  
information on

611  
00:23:31,909 --> 00:23:30,720  
our sightings and we'll send it to them

612  
00:23:33,510 --> 00:23:31,919  
it is possible

613  
00:23:35,190 --> 00:23:33,520

some of these reports will filter their

614

00:23:39,029 --> 00:23:35,200

way back to the usaf

615

00:23:43,430 --> 00:23:40,950

that was the military air arm point of

616

00:23:44,470 --> 00:23:43,440

view what about the civilian aviation

617

00:23:46,390 --> 00:23:44,480

scene

618

00:23:48,310 --> 00:23:46,400

this confidential report from a civil

619

00:23:49,830 --> 00:23:48,320

airline captain was given to us

620

00:23:51,269 --> 00:23:49,840

reporting an incident that took place

621

00:23:55,430 --> 00:23:51,279

over western australia

622

00:23:56,070 --> 00:23:55,440

in 1976 the department of transport and

623

00:23:58,390 --> 00:23:56,080

you have no

624

00:24:00,470 --> 00:23:58,400

known traffic in the vicinity in the met

625

00:24:01,990 --> 00:24:00,480

office knew of no possible cause for

626  
00:24:05,190 --> 00:24:02,000  
turbulence

627  
00:24:07,830 --> 00:24:05,200  
an object i'd

628  
00:24:09,750 --> 00:24:07,840  
estimate it was moving at say between

629  
00:24:13,190 --> 00:24:09,760  
mark 2.5 to mark three

630  
00:24:15,750 --> 00:24:13,200  
that's uh around 2000 miles an hour

631  
00:24:17,990 --> 00:24:15,760  
passengers were hurt and the stewardess

632  
00:24:19,590 --> 00:24:18,000  
was off for six months and

633  
00:24:21,190 --> 00:24:19,600  
with an injured back and seats were

634  
00:24:23,269 --> 00:24:21,200  
broken

635  
00:24:25,029 --> 00:24:23,279  
we also spoke to a local air traffic

636  
00:24:27,510 --> 00:24:25,039  
controller who wishes to remain

637  
00:24:28,870 --> 00:24:27,520  
anonymous

638  
00:24:30,630 --> 00:24:28,880

i've been a radar controller for

639

00:24:33,510 --> 00:24:30,640

something over 10 years

640

00:24:36,149 --> 00:24:33,520

and during that time i've seen several

641

00:24:38,710 --> 00:24:36,159

returns on the radar screen

642

00:24:39,750 --> 00:24:38,720

they appear at an arrow and they they

643

00:24:41,430 --> 00:24:39,760

disappear

644

00:24:43,110 --> 00:24:41,440

and they don't appear to be able to be

645

00:24:46,390 --> 00:24:43,120

explained by

646

00:24:47,830 --> 00:24:46,400

the stock answers which we we can put to

647

00:24:54,630 --> 00:24:47,840

such

648

00:24:56,149 --> 00:24:54,640

balloons moving downwind some of these

649

00:24:57,430 --> 00:24:56,159

returns have been moving against the

650

00:24:59,590 --> 00:24:57,440

prevailing winds

651  
00:25:01,990 --> 00:24:59,600  
nothing as dramatic as perhaps the air

652  
00:25:03,269 --> 00:25:02,000  
traffic controllers in the states have

653  
00:25:05,909 --> 00:25:03,279  
where they've actually been able to

654  
00:25:06,390 --> 00:25:05,919  
investigate such sightings with aircraft

655  
00:25:08,230 --> 00:25:06,400  
nothing

656  
00:25:12,390 --> 00:25:08,240  
as spectacular as that nonetheless

657  
00:25:18,310 --> 00:25:15,029  
and from kalgoorlie airport last year a

658  
00:25:20,710 --> 00:25:18,320  
report from the duty meteorologist

659  
00:25:21,510 --> 00:25:20,720  
the ufo passed across the sky from the

660  
00:25:24,470 --> 00:25:21,520  
northeast

661  
00:25:26,470 --> 00:25:24,480  
to the southwest not directly overhead

662  
00:25:28,310 --> 00:25:26,480  
but a little to the south of me

663  
00:25:30,870 --> 00:25:28,320

the object looked oval from my viewing

664

00:25:31,750 --> 00:25:30,880

angle it appeared in size about half

665

00:25:34,549 --> 00:25:31,760

that a five cent

666

00:25:36,310 --> 00:25:34,559

coin would be when held at arm's length

667

00:25:38,149 --> 00:25:36,320

it was white and the whiteness seemed

668

00:25:41,190 --> 00:25:38,159

brightest at the edges which

669

00:25:42,870 --> 00:25:41,200

weren't sharply defined there was no

670

00:25:44,870 --> 00:25:42,880

sound and not knowing the size of the

671

00:25:46,950 --> 00:25:44,880

object it was pretty impossible to

672

00:25:49,590 --> 00:25:46,960

estimate its altitude

673

00:25:51,669 --> 00:25:49,600

the ufo took about 10 seconds from when

674

00:25:53,029 --> 00:25:51,679

i first sighted it in the northeast

675

00:25:55,990 --> 00:25:53,039

to when it appeared to stop in the

676  
00:25:58,870 --> 00:25:56,000  
southwest at about 40 to 45 degrees

677  
00:25:59,830 --> 00:25:58,880  
elevation it seemed to stay there for

678  
00:26:02,070 --> 00:25:59,840  
about

679  
00:26:03,830 --> 00:26:02,080  
five seconds then it seemed to just

680  
00:26:05,269 --> 00:26:03,840  
vanish instantly without moving from the

681  
00:26:08,390 --> 00:26:05,279  
spot

682  
00:26:10,230 --> 00:26:08,400  
with a jumbo cargo of over 300 people

683  
00:26:11,510 --> 00:26:10,240  
the responsibility on the pilot is

684  
00:26:14,070 --> 00:26:11,520  
tremendous

685  
00:26:15,269 --> 00:26:14,080  
did they ever see anything unusual on

686  
00:26:18,549 --> 00:26:15,279  
eastern airlines from

687  
00:26:19,750 --> 00:26:18,559  
l.a to new orleans and uh

688  
00:26:21,190 --> 00:26:19,760

my production designer was on the

689

00:26:22,630 --> 00:26:21,200

airplane with me was talking to the

690

00:26:23,590 --> 00:26:22,640

stewardesses about the movie we were

691

00:26:24,950 --> 00:26:23,600

making and he mentioned one of the

692

00:26:28,710 --> 00:26:24,960

stewardesses that it was a

693

00:26:29,909 --> 00:26:28,720

film about dealing you know with ufos

694

00:26:30,950 --> 00:26:29,919

and the stewardess apparently went into

695

00:26:32,070 --> 00:26:30,960

the cabin and mentioned this to the

696

00:26:33,909 --> 00:26:32,080

pilot and all of a sudden this big

697

00:26:34,549 --> 00:26:33,919

steely gray-haired guy with wings on his

698

00:26:36,390 --> 00:26:34,559

chest

699

00:26:38,390 --> 00:26:36,400

comes out the pile of the airplane they

700

00:26:41,029 --> 00:26:38,400

point me out he sits down next to me

701  
00:26:42,310 --> 00:26:41,039  
and he said uh are you will this be a

702  
00:26:42,870 --> 00:26:42,320  
serious movie or is this just going to

703  
00:26:45,669 --> 00:26:42,880  
be a

704  
00:26:46,549 --> 00:26:45,679  
a comedy or a or a sci-fi and i said no

705  
00:26:47,830 --> 00:26:46,559  
we were taking

706  
00:26:49,190 --> 00:26:47,840  
the subject very serious and then

707  
00:26:50,549 --> 00:26:49,200  
knowing that i wasn't about this laugh

708  
00:26:51,350 --> 00:26:50,559  
in his face and ridicule what he was

709  
00:26:53,029 --> 00:26:51,360  
about to tell me

710  
00:26:54,789 --> 00:26:53,039  
he sat down he told me two experiences

711  
00:26:57,990 --> 00:26:54,799  
he had while flying with eastern

712  
00:27:00,149 --> 00:26:58,000  
one was a nocturnal light

713  
00:27:01,750 --> 00:27:00,159

that traveled very very quickly across

714

00:27:03,110 --> 00:27:01,760

his glide path

715

00:27:04,390 --> 00:27:03,120

it startled everybody because of its

716

00:27:05,510 --> 00:27:04,400

speed it wasn't a shooting star it

717

00:27:08,070 --> 00:27:05,520

wasn't

718

00:27:09,029 --> 00:27:08,080

up there it was eye level and moving

719

00:27:10,710 --> 00:27:09,039

very very very quickly

720

00:27:14,149 --> 00:27:10,720

something that was it was passing very

721

00:27:17,909 --> 00:27:15,669

in the shadow of some of the world's

722

00:27:19,990 --> 00:27:17,919

tallest buildings we were told of the

723

00:27:25,590 --> 00:27:20,000

most dramatic ufo experience

724

00:27:32,470 --> 00:27:29,110

so we're traveling along when suddenly a

725

00:27:35,350 --> 00:27:32,480

very strange looking maneuvering craft

726

00:27:38,710 --> 00:27:35,360

started following us for several miles

727

00:27:41,830 --> 00:27:38,720

in an area called indian head this craft

728

00:27:43,430 --> 00:27:41,840

left the highway came out i'm excuse me

729

00:27:45,990 --> 00:27:43,440

left the top of the mountain

730

00:27:47,029 --> 00:27:46,000

came out over the highway and stopped in

731

00:27:48,310 --> 00:27:47,039

midair

732

00:27:51,830 --> 00:27:48,320

and we could see it through the

733

00:27:54,870 --> 00:27:51,840

binoculars a curved

734

00:27:56,549 --> 00:27:54,880

windows red light on each side that

735

00:27:59,669 --> 00:27:56,559

barney decided to get out

736

00:27:59,990 --> 00:27:59,679

and try to identify this craft and he

737

00:28:03,029 --> 00:28:00,000

saw

738

00:28:03,669 --> 00:28:03,039

a group of human-like figures standing

739

00:28:06,310 --> 00:28:03,679

in the window

740

00:28:08,470 --> 00:28:06,320

looking down at him and he had the

741

00:28:11,510 --> 00:28:08,480

feeling that he was being told

742

00:28:13,909 --> 00:28:11,520

to keep looking don't be afraid

743

00:28:17,350 --> 00:28:13,919

no harm's going to come to you and at

744

00:28:20,389 --> 00:28:17,360

that point the craft started to descend

745

00:28:22,789 --> 00:28:20,399

bonnie was filled with fear

746

00:28:24,710 --> 00:28:22,799

thinking he was going to be captured he

747

00:28:26,310 --> 00:28:24,720

ran back to the car

748

00:28:28,389 --> 00:28:26,320

and we took off speeding down the

749

00:28:31,190 --> 00:28:28,399

highway

750

00:28:32,230 --> 00:28:31,200

we had a series of evening sounds and a

751  
00:28:34,470 --> 00:28:32,240  
few miles

752  
00:28:36,310 --> 00:28:34,480  
beyond this we heard a second series of

753  
00:28:39,669 --> 00:28:36,320  
beeping sounds

754  
00:28:42,470 --> 00:28:39,679  
now later in our investigation of this

755  
00:28:43,190 --> 00:28:42,480  
we began to realize that we could not

756  
00:28:45,430 --> 00:28:43,200  
remember

757  
00:28:47,029 --> 00:28:45,440  
what had happened between the two series

758  
00:28:49,269 --> 00:28:47,039  
of beeping sounds

759  
00:28:51,190 --> 00:28:49,279  
when the story leaked out an eminent

760  
00:28:52,789 --> 00:28:51,200  
psychologist placed betty and barney

761  
00:28:55,110 --> 00:28:52,799  
into deep hypnosis

762  
00:28:56,230 --> 00:28:55,120  
the hypnosis proved that bonnie and i

763  
00:28:59,750 --> 00:28:56,240

had been captured

764

00:29:02,470 --> 00:28:59,760

and taken on board a ufo if

765

00:29:04,789 --> 00:29:02,480

after the first series of beeping sounds

766

00:29:07,269 --> 00:29:04,799

we were speeding down the highlight

767

00:29:07,990 --> 00:29:07,279

bonnie left the main highway onto a side

768

00:29:10,470 --> 00:29:08,000

road

769

00:29:12,549 --> 00:29:10,480

and then a sudden left hand turned onto

770

00:29:15,830 --> 00:29:12,559

a very narrow

771

00:29:17,990 --> 00:29:15,840

wood road the beings

772

00:29:20,630 --> 00:29:18,000

whom he had seen on board the craft were

773

00:29:23,029 --> 00:29:20,640

now standing in the middle of this road

774

00:29:25,029 --> 00:29:23,039

and the car motor stalled the body was

775

00:29:28,149 --> 00:29:25,039

trying and trying to stop the car

776

00:29:31,510 --> 00:29:28,159

it wouldn't start they separated came up

777

00:29:33,830 --> 00:29:31,520

and took us out of the car in two groups

778

00:29:36,549 --> 00:29:33,840

they took us through a path in the woods

779

00:29:39,510 --> 00:29:36,559

to where the craft was on the ground

780

00:29:41,029 --> 00:29:39,520

took us on board took us into separate

781

00:29:44,710 --> 00:29:41,039

rooms

782

00:29:47,110 --> 00:29:44,720

gave us physical examinations

783

00:29:48,789 --> 00:29:47,120

and during this examination we learned

784

00:29:51,990 --> 00:29:48,799

they had put a cup-like

785

00:29:55,590 --> 00:29:52,000

instrument on bonnie's abdomen now

786

00:29:58,549 --> 00:29:55,600

later when we returned home this

787

00:30:00,310 --> 00:29:58,559

bonnie developed a pattern of warts in a

788

00:30:01,990 --> 00:30:00,320

perfect circle

789

00:30:04,149 --> 00:30:02,000

and we never knew until the hypnosis

790

00:30:06,549 --> 00:30:04,159

that that was the spot

791

00:30:08,230 --> 00:30:06,559

where the this cup-like instrument was

792

00:30:09,590 --> 00:30:08,240

put onto him

793

00:30:12,389 --> 00:30:09,600

well you're one of the few people to

794

00:30:15,990 --> 00:30:12,399

have met aliens what do they look like

795

00:30:19,269 --> 00:30:16,000

they all had very very large eyes

796

00:30:22,549 --> 00:30:19,279

very small nose thin slit for mouth

797

00:30:24,789 --> 00:30:22,559

no hair no eyebrows eyelashes

798

00:30:27,909 --> 00:30:24,799

and no this part of the ear that we

799

00:30:33,590 --> 00:30:30,870

we did not notice teeth in fact when

800

00:30:35,669 --> 00:30:33,600

bonnie was lying on the table looking up

801  
00:30:37,029 --> 00:30:35,679  
one of them appeared to have sort of a

802  
00:30:39,990 --> 00:30:37,039  
membrane

803  
00:30:48,830 --> 00:30:40,000  
which flooded behind his lips it looked

804  
00:30:52,389 --> 00:30:50,310  
skinned

805  
00:30:54,310 --> 00:30:52,399  
but it's not an exclusive american right

806  
00:30:56,149 --> 00:30:54,320  
to see ufos

807  
00:30:58,470 --> 00:30:56,159  
one of the most credible witnesses we

808  
00:31:01,430 --> 00:30:58,480  
interviewed was an australian minister

809  
00:31:03,190 --> 00:31:01,440  
the reverend william gill posted before

810  
00:31:05,830 --> 00:31:03,200  
the time of his sighting to the

811  
00:31:07,350 --> 00:31:05,840  
anglican mission in boine papua new

812  
00:31:10,710 --> 00:31:07,360  
guinea

813  
00:31:12,149 --> 00:31:10,720

one night at 7 45 as he stood with 38

814

00:31:13,509 --> 00:31:12,159

other people at the edge of the mission

815

00:31:16,630 --> 00:31:13,519

playing field

816

00:31:19,190 --> 00:31:16,640

every one of them saw the same thing can

817

00:31:22,389 --> 00:31:19,200

you imagine what it's like to

818

00:31:25,509 --> 00:31:22,399

look up in the sky and see

819

00:31:26,310 --> 00:31:25,519

a totally foreign looking object they're

820

00:31:29,509 --> 00:31:26,320

stay as

821

00:31:31,590 --> 00:31:29,519

just hovering uh not

822

00:31:32,549 --> 00:31:31,600

very high up maybe two or three hundred

823

00:31:35,669 --> 00:31:32,559

feet

824

00:31:40,789 --> 00:31:35,679

up in the air and

825

00:31:43,990 --> 00:31:40,799

glowing and two

826

00:31:48,310 --> 00:31:44,000

bipods jutting out from behind it from

827

00:31:52,230 --> 00:31:48,320

underneath it and sparkling all around

828

00:31:56,470 --> 00:31:52,240

and some figures up there

829

00:32:00,149 --> 00:31:56,480

this solid looking object and

830

00:32:03,909 --> 00:32:00,159

figures walking about on top

831

00:32:07,590 --> 00:32:03,919

and not the slightest noise whatsoever

832

00:32:09,990 --> 00:32:07,600

and so we waved

833

00:32:10,950 --> 00:32:10,000

wouldn't it be wonderful if we could get

834

00:32:13,669 --> 00:32:10,960

this object

835

00:32:14,950 --> 00:32:13,679

down onto the playing field and as we

836

00:32:16,389 --> 00:32:14,960

waved

837

00:32:18,230 --> 00:32:16,399

wondering whether we'd get some

838

00:32:18,870 --> 00:32:18,240

recognition and whether perhaps they

839

00:32:21,509 --> 00:32:18,880

would

840

00:32:22,710 --> 00:32:21,519

uh understand what we wanted they waved

841

00:32:25,430 --> 00:32:22,720

back

842

00:32:26,310 --> 00:32:25,440

so i asked the boy to go quickly down

843

00:32:29,830 --> 00:32:26,320

bring the torch

844

00:32:31,669 --> 00:32:29,840

bring me a pencil bring me paper and

845

00:32:33,909 --> 00:32:31,679

return as quickly as he can so that i

846

00:32:34,310 --> 00:32:33,919

can get if or any other events that

847

00:32:37,669 --> 00:32:34,320

occur

848

00:32:39,830 --> 00:32:37,679

and minute by minute movements so that

849

00:32:41,269 --> 00:32:39,840

at least we'd be able to to talk about

850

00:32:43,029 --> 00:32:41,279

it the next day

851  
00:32:44,630 --> 00:32:43,039  
and this he did very very quickly he

852  
00:32:47,269 --> 00:32:44,640  
brought it back and he brought

853  
00:32:47,990 --> 00:32:47,279  
the torch and put the torch on and shone

854  
00:32:51,509 --> 00:32:48,000  
it

855  
00:32:54,549 --> 00:32:51,519  
to the the craft and

856  
00:32:57,590 --> 00:32:54,559  
as he did so he waved

857  
00:33:03,669 --> 00:33:00,789  
this way and

858  
00:33:04,470 --> 00:33:03,679  
we were dumbfounded when we looked at

859  
00:33:08,230 --> 00:33:04,480  
the craft

860  
00:33:11,110 --> 00:33:08,240  
responding to the torch

861  
00:33:11,830 --> 00:33:11,120  
it began to do this too you know like a

862  
00:33:19,830 --> 00:33:11,840  
a

863  
00:33:22,710 --> 00:33:19,840

movement of the torch

864

00:33:25,110 --> 00:33:22,720

next day uh just prior to the evening

865

00:33:28,149 --> 00:33:25,120

service about seven o'clock

866

00:33:31,509 --> 00:33:28,159

the thing was there again it had arrived

867

00:33:34,310 --> 00:33:31,519

about an hour earlier and um we

868

00:33:35,430 --> 00:33:34,320

all decided to uh have the normal even

869

00:33:39,430 --> 00:33:35,440

song that we

870

00:33:41,669 --> 00:33:39,440

do have on on those nights

871

00:33:43,430 --> 00:33:41,679

because well the thing was out there

872

00:33:44,950 --> 00:33:43,440

outside the church anyway and

873

00:33:47,269 --> 00:33:44,960

we thought it wouldn't go away during

874

00:33:50,310 --> 00:33:47,279

the service uh and it didn't

875

00:33:51,350 --> 00:33:50,320

when we came out there it was still up

876

00:33:53,750 --> 00:33:51,360

in the sky

877

00:33:54,789 --> 00:33:53,760

and so for another hour or two we

878

00:33:58,950 --> 00:33:54,799

watched

879

00:34:02,470 --> 00:33:58,960

um and then suddenly it did go

880

00:34:05,509 --> 00:34:02,480

and there was this amazingly

881

00:34:09,589 --> 00:34:05,519

incredible speed uh that the

882

00:34:11,669 --> 00:34:09,599

whole craft disappeared uh to nothing

883

00:34:13,349 --> 00:34:11,679

across the bay uh in a matter of a

884

00:34:15,669 --> 00:34:13,359

second or so

885

00:34:16,470 --> 00:34:15,679

from new guinea to china from china to

886

00:34:18,470 --> 00:34:16,480

peru

887

00:34:20,470 --> 00:34:18,480

native customs and beliefs reflect the

888

00:34:21,990 --> 00:34:20,480

history of such visits from gods of the

889

00:34:25,829 --> 00:34:22,000

sky

890

00:34:27,190 --> 00:34:25,839

myth are these one jinnah from the

891

00:34:28,869 --> 00:34:27,200

kimberley

892

00:34:30,869 --> 00:34:28,879

how similar they are to our own

893

00:34:32,790 --> 00:34:30,879

astronauts the ufo phenomenon didn't

894

00:34:34,629 --> 00:34:32,800

really start in 1947

895

00:34:36,310 --> 00:34:34,639

we have many sightings from during the

896

00:34:38,550 --> 00:34:36,320

war before the war

897

00:34:39,909 --> 00:34:38,560

in the 19th century and going back as

898

00:34:41,829 --> 00:34:39,919

far as we have records

899

00:34:43,109 --> 00:34:41,839

and in that regard i've been especially

900

00:34:45,909 --> 00:34:43,119

fascinated by the

901  
00:34:47,190 --> 00:34:45,919  
possible parallel between ufo sightings

902  
00:34:49,669 --> 00:34:47,200  
and folklore

903  
00:34:51,349 --> 00:34:49,679  
if you think of the the winjina drawings

904  
00:34:52,149 --> 00:34:51,359  
for example in australia if you think of

905  
00:34:54,230 --> 00:34:52,159  
similar

906  
00:34:56,230 --> 00:34:54,240  
cave drawings in from china to the

907  
00:34:57,829 --> 00:34:56,240  
sahara if you think of the celtic

908  
00:35:00,550 --> 00:34:57,839  
traditions in brittany

909  
00:35:01,430 --> 00:35:00,560  
in the celtic in the celtic countries if

910  
00:35:03,990 --> 00:35:01,440  
you think of the

911  
00:35:05,670 --> 00:35:04,000  
american indian folklore all of those

912  
00:35:07,750 --> 00:35:05,680  
have certain common

913  
00:35:09,670 --> 00:35:07,760

preoccupations with beings coming from

914

00:35:13,270 --> 00:35:09,680

the sky beings wearing some

915

00:35:15,670 --> 00:35:13,280

some sort of of suit uh beings

916

00:35:16,550 --> 00:35:15,680

the the whole mythology of contact

917

00:35:19,589 --> 00:35:16,560

between

918

00:35:20,470 --> 00:35:19,599

men and another culture possibly coming

919

00:35:22,470 --> 00:35:20,480

from space

920

00:35:23,589 --> 00:35:22,480

one night about 10 years ago in florida

921

00:35:25,190 --> 00:35:23,599

park in perth

922

00:35:27,190 --> 00:35:25,200

paul moynk saw something he couldn't

923

00:35:29,589 --> 00:35:27,200

quite explain paul tell me about that

924

00:35:31,589 --> 00:35:29,599

um well it would have been around about

925

00:35:33,589 --> 00:35:31,599

10 or 11 years ago i think it would be

926

00:35:35,030 --> 00:35:33,599

around about 1966

927

00:35:37,349 --> 00:35:35,040

i was going to bed it would have been

928

00:35:38,550 --> 00:35:37,359

about 11 or 12 o'clock at night

929

00:35:39,829 --> 00:35:38,560

i laid in bed looked out through the

930

00:35:41,109 --> 00:35:39,839

window and i saw this thing going

931

00:35:42,870 --> 00:35:41,119

backwards and forwards

932

00:35:44,230 --> 00:35:42,880

extremely fast i couldn't work out what

933

00:35:46,230 --> 00:35:44,240

it was so i jumped out of bed

934

00:35:47,349 --> 00:35:46,240

got both my parents out of bed and a

935

00:35:48,710 --> 00:35:47,359

friend who was staying with us at the

936

00:35:50,630 --> 00:35:48,720

time so there's four of us actually

937

00:35:52,870 --> 00:35:50,640

seeing it so i wasn't by myself

938

00:35:54,470 --> 00:35:52,880

and we stood out here and watched it for

939

00:35:56,710 --> 00:35:54,480

quite some time

940

00:35:58,950 --> 00:35:56,720

and we thought what the heck is it it

941

00:36:01,030 --> 00:35:58,960

was just too fast to be a jet

942

00:36:02,950 --> 00:36:01,040

it was changing direction too fast to be

943

00:36:05,990 --> 00:36:02,960

anything but

944

00:36:08,550 --> 00:36:06,000

i would say ufo

945

00:36:09,910 --> 00:36:08,560

in the same year this photograph claimed

946

00:36:12,710 --> 00:36:09,920

to be a ufo

947

00:36:14,790 --> 00:36:12,720

was taken from king's park in perth four

948

00:36:15,990 --> 00:36:14,800

miles away from where paul's family live

949

00:36:17,910 --> 00:36:16,000

in florida park

950

00:36:19,270 --> 00:36:17,920

we got a surprise because we didn't know

951  
00:36:21,990 --> 00:36:19,280  
actually what it was

952  
00:36:23,829 --> 00:36:22,000  
and we're puzzled and we couldn't tell

953  
00:36:24,870 --> 00:36:23,839  
the shape of it because it was going too

954  
00:36:28,069 --> 00:36:24,880  
fast

955  
00:36:29,190 --> 00:36:28,079  
and it was going it was flying actually

956  
00:36:32,630 --> 00:36:29,200  
like a kite

957  
00:36:35,030 --> 00:36:32,640  
but much faster well actually

958  
00:36:36,310 --> 00:36:35,040  
when we came out here to look at it we

959  
00:36:37,829 --> 00:36:36,320  
noticed we couldn't work out the

960  
00:36:40,069 --> 00:36:37,839  
distance it was because it was

961  
00:36:41,990 --> 00:36:40,079  
sort of about the height of those clouds

962  
00:36:42,870 --> 00:36:42,000  
there and i was going between that land

963  
00:36:45,109 --> 00:36:42,880

pole

964

00:36:46,790 --> 00:36:45,119

and that pine tree on the other side

965

00:36:48,310 --> 00:36:46,800

there backwards and forwards the way a

966

00:36:50,310 --> 00:36:48,320

kite would do if it was held there it

967

00:36:51,750 --> 00:36:50,320

goes backwards and forwards like that

968

00:36:53,670 --> 00:36:51,760

but it was not a kite because it

969

00:36:55,109 --> 00:36:53,680

couldn't go so far and it couldn't be

970

00:36:56,550 --> 00:36:55,119

lit up the way it was

971

00:36:58,550 --> 00:36:56,560

it was yellow and was going backwards

972

00:37:00,870 --> 00:36:58,560

and forwards pretty fast

973

00:37:02,470 --> 00:37:00,880

and it will look very unusual you know

974

00:37:05,109 --> 00:37:02,480

and rather interesting but

975

00:37:07,190 --> 00:37:05,119

of course it was fairly late and but it

976  
00:37:08,470 --> 00:37:07,200  
looked like a ufo i really did think

977  
00:37:09,750 --> 00:37:08,480  
that you know because i'd never seen

978  
00:37:11,510 --> 00:37:09,760  
anything like that before

979  
00:37:13,190 --> 00:37:11,520  
honestly i hadn't what happened in the

980  
00:37:14,470 --> 00:37:13,200  
end paul well

981  
00:37:15,910 --> 00:37:14,480  
the fact that was going backwards and

982  
00:37:17,349 --> 00:37:15,920  
forward so fast it wasn't actually

983  
00:37:18,310 --> 00:37:17,359  
stopping at each time that it got to the

984  
00:37:19,829 --> 00:37:18,320  
point that i wanted to

985  
00:37:21,190 --> 00:37:19,839  
turn out it was just going there and

986  
00:37:21,990 --> 00:37:21,200  
straight back again so it wasn't

987  
00:37:24,550 --> 00:37:22,000  
stopping

988  
00:37:25,829 --> 00:37:24,560

and after that after it had been doing

989

00:37:27,109 --> 00:37:25,839

this for quite some time it wasn't

990

00:37:28,630 --> 00:37:27,119

lighting anything up or looking at

991

00:37:30,710 --> 00:37:28,640

anything it didn't seem to be

992

00:37:32,710 --> 00:37:30,720

but it just disappeared straight away

993

00:37:34,950 --> 00:37:32,720

from us straight off into the north

994

00:37:36,390 --> 00:37:34,960

past fast yeah it just disappeared like

995

00:37:37,670 --> 00:37:36,400

it was going away so fast that it

996

00:37:40,550 --> 00:37:37,680

disappeared into the

997

00:37:41,990 --> 00:37:40,560

into the horizon sort of thing could the

998

00:37:45,510 --> 00:37:42,000

swift disappearance

999

00:37:54,470 --> 00:37:45,520

so typical of ufos because by pursuit

1000

00:38:00,230 --> 00:37:58,150

well it was on the 6th of january 1968

1001  
00:38:02,230 --> 00:38:00,240  
just by the edge of the riverbank near

1002  
00:38:03,670 --> 00:38:02,240  
this golf course that i witnessed the

1003  
00:38:07,190 --> 00:38:03,680  
landing of no less than

1004  
00:38:07,430 --> 00:38:07,200  
two flying sources a negative craft and

1005  
00:38:20,470 --> 00:38:07,440  
a

1006  
00:38:22,390 --> 00:38:20,480  
next door to my home

1007  
00:38:24,230 --> 00:38:22,400  
and these attracted the flying sources

1008  
00:38:26,069 --> 00:38:24,240  
which came and had a look at it while it

1009  
00:38:27,670 --> 00:38:26,079  
was in its construction stages and when

1010  
00:38:29,990 --> 00:38:27,680  
it was switched on especially

1011  
00:38:32,230 --> 00:38:30,000  
they came around in drives measuring the

1012  
00:38:36,069 --> 00:38:32,240  
magnetic fields around it

1013  
00:38:37,829 --> 00:38:36,079

in those days in 1968 we had essendon

1014

00:38:39,829 --> 00:38:37,839

airport in melbourne

1015

00:38:41,990 --> 00:38:39,839

uh tula marine hadn't been built and

1016

00:38:43,349 --> 00:38:42,000

aircraft took off like flocks of birds

1017

00:38:46,150 --> 00:38:43,359

all over the place

1018

00:38:48,310 --> 00:38:46,160

and this particular plane had to bank on

1019

00:38:50,630 --> 00:38:48,320

this evening the sixth of the first 68

1020

00:38:53,190 --> 00:38:50,640

in order to miss this flying saucer

1021

00:38:54,790 --> 00:38:53,200

which then after it left the paper mills

1022

00:38:57,910 --> 00:38:54,800

trundled off across the sky

1023

00:39:00,550 --> 00:38:57,920

over here to the q boulevard so i

1024

00:39:01,270 --> 00:39:00,560

had my camera loaded up with 400 asa

1025

00:39:04,230 --> 00:39:01,280

black and white

1026

00:39:05,910 --> 00:39:04,240

eight millimeter film and i took it and

1027

00:39:08,710 --> 00:39:05,920

followed this ufo

1028

00:39:09,030 --> 00:39:08,720

down by the roadside by the river and i

1029

00:39:11,349 --> 00:39:09,040

got

1030

00:39:13,030 --> 00:39:11,359

some spectacular film of a landing i had

1031

00:39:14,870 --> 00:39:13,040

a sudden impression to look up

1032

00:39:16,630 --> 00:39:14,880

and lo and behold this light in the sky

1033

00:39:19,750 --> 00:39:16,640

was getting bigger and bigger

1034

00:39:24,310 --> 00:39:19,760

and i realized it was going to land

1035

00:39:26,790 --> 00:39:24,320

and it did land

1036

00:39:29,190 --> 00:39:26,800

but i was so surprised because watching

1037

00:39:31,030 --> 00:39:29,200

a ufo land isn't any normal event i was

1038

00:39:32,230 --> 00:39:31,040

so surprised i didn't get a picture of

1039

00:39:33,990 --> 00:39:32,240

the first landing

1040

00:39:35,750 --> 00:39:34,000

and just as well because this was a

1041

00:39:37,589 --> 00:39:35,760

landing by the men in black

1042

00:39:40,150 --> 00:39:37,599

what we know is the negative flying

1043

00:39:41,750 --> 00:39:40,160

sources but after i'd recovered from my

1044

00:39:44,790 --> 00:39:41,760

surprise i did

1045

00:39:45,510 --> 00:39:44,800

get enough gumption to photograph the

1046

00:39:48,069 --> 00:39:45,520

second

1047

00:39:51,030 --> 00:39:48,079

ufo which came from ashtar command which

1048

00:39:53,430 --> 00:39:51,040

was in hot pursuit of this first ufo

1049

00:39:55,430 --> 00:39:53,440

and this is the one that landed in the

1050

00:39:58,390 --> 00:39:55,440

movie film i took

1051  
00:39:59,430 --> 00:39:58,400  
now 10 years later this is the spot

1052  
00:40:02,630 --> 00:39:59,440  
where

1053  
00:40:03,510 --> 00:40:02,640  
the flying saucer landed and i revisited

1054  
00:40:06,390 --> 00:40:03,520  
the

1055  
00:40:07,589 --> 00:40:06,400  
location and this is an approximate

1056  
00:40:10,230 --> 00:40:07,599  
angle

1057  
00:40:10,870 --> 00:40:10,240  
of what i shot on my movie film 10 years

1058  
00:40:15,750 --> 00:40:10,880  
later on

1059  
00:40:18,309 --> 00:40:15,760  
today this picture was taken

1060  
00:40:19,190 --> 00:40:18,319  
the morning after the landing it left a

1061  
00:40:22,309 --> 00:40:19,200  
burnt circle

1062  
00:40:23,430 --> 00:40:22,319  
60 feet big in the grass this second

1063  
00:40:25,990 --> 00:40:23,440

picture was taken

1064

00:40:26,790 --> 00:40:26,000

seven years later of the same burnt

1065

00:40:29,430 --> 00:40:26,800

circle

1066

00:40:33,030 --> 00:40:29,440

and as you see nothing has grown on the

1067

00:40:36,069 --> 00:40:35,430

well now let's take a look at the bone

1068

00:40:38,870 --> 00:40:36,079

circle

1069

00:40:53,829 --> 00:40:38,880

ten years later and see whether or not

1070

00:40:57,190 --> 00:40:53,839

anything has grown

1071

00:40:59,430 --> 00:40:57,200

yes well this is the burnt circle um

1072

00:41:00,790 --> 00:40:59,440

a lot of flying saucer landings leave

1073

00:41:03,990 --> 00:41:00,800

burnt circles

1074

00:41:06,150 --> 00:41:04,000

and nothing has grown on this one

1075

00:41:07,510 --> 00:41:06,160

since the original landing on that

1076

00:41:09,190 --> 00:41:07,520

particular night

1077

00:41:11,030 --> 00:41:09,200

and over the years we've come back to

1078

00:41:15,750 --> 00:41:11,040

the boulevard and checked this area

1079

00:41:19,589 --> 00:41:18,150

along with shaver colin cameron claims

1080

00:41:21,990 --> 00:41:19,599

to have had contact with the

1081

00:41:25,270 --> 00:41:22,000

subterranean deros and terrors

1082

00:41:27,270 --> 00:41:25,280

here in australia this belief should not

1083

00:41:29,510 --> 00:41:27,280

be dismissed too lightly

1084

00:41:30,390 --> 00:41:29,520

ray palmer came up with some astonishing

1085

00:41:32,870 --> 00:41:30,400

details about

1086

00:41:34,550 --> 00:41:32,880

chambers experience i think mr shaver

1087

00:41:35,349 --> 00:41:34,560

well he originally claimed that he spent

1088

00:41:36,870 --> 00:41:35,359

eight years

1089

00:41:38,390 --> 00:41:36,880

in these caves with these darrow and

1090

00:41:41,910 --> 00:41:38,400

tarot people t

1091

00:41:44,550 --> 00:41:41,920

being me being integrative and

1092

00:41:45,910 --> 00:41:44,560

i discovered later much to my

1093

00:41:47,510 --> 00:41:45,920

embarrassment

1094

00:41:49,670 --> 00:41:47,520

uh that he had spent these eight years

1095

00:41:52,069 --> 00:41:49,680

in the impilante state hospital for the

1096

00:41:54,069 --> 00:41:52,079

insane in michigan

1097

00:41:55,750 --> 00:41:54,079

i contacted the doctors and they said he

1098

00:41:58,470 --> 00:41:55,760

was catatonic

1099

00:42:01,109 --> 00:41:58,480

he lived in a world even had to feed him

1100

00:42:03,990 --> 00:42:01,119

in this imaginary world of his

1101  
00:42:04,630 --> 00:42:04,000  
except for one thing when kenneth arnold

1102  
00:42:07,109 --> 00:42:04,640  
uh

1103  
00:42:08,470 --> 00:42:07,119  
saw the flying saucers i put together

1104  
00:42:10,309 --> 00:42:08,480  
two and two and i said

1105  
00:42:12,390 --> 00:42:10,319  
is the man catatonic or is there

1106  
00:42:14,630 --> 00:42:12,400  
something else going on

1107  
00:42:16,150 --> 00:42:14,640  
but i got 50 000 letters we ordinarily

1108  
00:42:18,069 --> 00:42:16,160  
get 50 or 60 a month

1109  
00:42:19,270 --> 00:42:18,079  
from people who said mr shaver is

1110  
00:42:20,790 --> 00:42:19,280  
telling the truth

1111  
00:42:23,109 --> 00:42:20,800  
and not only that i have been in the

1112  
00:42:25,109 --> 00:42:23,119  
caves too and i hear the voices

1113  
00:42:27,109 --> 00:42:25,119

i've been hearing these voices now for

1114

00:42:28,950 --> 00:42:27,119

oh for about the next seven years

1115

00:42:31,829 --> 00:42:28,960

onwards every night

1116

00:42:33,270 --> 00:42:31,839

and uh until i started taking some

1117

00:42:36,470 --> 00:42:33,280

infrared film

1118

00:42:37,589 --> 00:42:36,480

which i'd read in a book by um i can't

1119

00:42:41,510 --> 00:42:37,599

think of his name now

1120

00:42:44,069 --> 00:42:41,520

but uh trevor james and um

1121

00:42:44,950 --> 00:42:44,079

he had at the suggestion of astar space

1122

00:42:47,670 --> 00:42:44,960

command

1123

00:42:49,510 --> 00:42:47,680

taken infrared photography and got these

1124

00:42:51,670 --> 00:42:49,520

invisible flying sources

1125

00:42:53,430 --> 00:42:51,680

so i thought well as these entities were

1126  
00:42:54,710 --> 00:42:53,440  
invisible and they were bothering me i'd

1127  
00:42:56,470 --> 00:42:54,720  
try some infrared film

1128  
00:42:59,829 --> 00:42:56,480  
too and that's where i got these

1129  
00:43:02,870 --> 00:42:59,839  
pictures of these entities

1130  
00:43:04,309 --> 00:43:02,880  
and after those nights

1131  
00:43:06,150 --> 00:43:04,319  
what was happening to me was i was

1132  
00:43:09,349 --> 00:43:06,160  
starting to hear these voices just like

1133  
00:43:11,510 --> 00:43:09,359  
shaver was saying i was going to die

1134  
00:43:13,270 --> 00:43:11,520  
saying they were going to get me saying

1135  
00:43:14,790 --> 00:43:13,280  
they wanted to stop me researching into

1136  
00:43:16,790 --> 00:43:14,800  
flying sources

1137  
00:43:18,230 --> 00:43:16,800  
and generally trying to terrify me but i

1138  
00:43:20,309 --> 00:43:18,240

was never scared throughout the whole

1139

00:43:22,710 --> 00:43:20,319

thing this is what's kept me going

1140

00:43:24,230 --> 00:43:22,720

brilliant brains including nobel prize

1141

00:43:27,349 --> 00:43:24,240

winners around the world

1142

00:43:27,990 --> 00:43:27,359

are still puzzling not are there ufos

1143

00:43:31,510 --> 00:43:28,000

but

1144

00:43:33,829 --> 00:43:31,520

what are ufos we talked to klaus nobel

1145

00:43:35,109 --> 00:43:33,839

himself

1146

00:43:38,790 --> 00:43:35,119

it's something that man cannot

1147

00:43:42,710 --> 00:43:38,800

comprehend i think it's very likely that

1148

00:43:45,990 --> 00:43:42,720

there are unexplained phenomena and

1149

00:43:47,270 --> 00:43:46,000

i certainly many times hoped that they

1150

00:43:50,470 --> 00:43:47,280

would come and visit us

1151  
00:43:52,470 --> 00:43:50,480  
now and tell us here on earth that

1152  
00:43:54,470 --> 00:43:52,480  
we are in the process of doing things

1153  
00:43:56,230 --> 00:43:54,480  
that are not really in our best

1154  
00:43:57,589 --> 00:43:56,240  
interest because right now it seems like

1155  
00:43:59,430 --> 00:43:57,599  
you're self-destructive

1156  
00:44:05,430 --> 00:43:59,440  
and i would like to have them to come

1157  
00:44:09,349 --> 00:44:07,829  
my personal opinion today is that the

1158  
00:44:11,349 --> 00:44:09,359  
flying saucers

1159  
00:44:12,790 --> 00:44:11,359  
exist in our atmosphere they are

1160  
00:44:15,990 --> 00:44:12,800  
intelligently controlled

1161  
00:44:19,270 --> 00:44:16,000  
that they are they do uh convey or carry

1162  
00:44:21,190 --> 00:44:19,280  
uh people just as real as you and i

1163  
00:44:22,550 --> 00:44:21,200

except in a different sense personally

1164

00:44:24,470 --> 00:44:22,560

i'd say i'm an agnostic

1165

00:44:25,990 --> 00:44:24,480

if one can apply that term to the

1166

00:44:29,270 --> 00:44:26,000

subject

1167

00:44:33,910 --> 00:44:29,280

i've seen many reports some of them

1168

00:44:35,829 --> 00:44:33,920

are definitely weird but until i see one

1169

00:44:36,950 --> 00:44:35,839

i don't believe but i'm not going to say

1170

00:44:39,829 --> 00:44:36,960

they're not there

1171

00:44:40,630 --> 00:44:39,839

well now what are we to think of this

1172

00:44:44,790 --> 00:44:40,640

kind of

1173

00:44:47,990 --> 00:44:44,800

phenomenon people claiming to see

1174

00:44:50,710 --> 00:44:48,000

things such as i did the 38 of us

1175

00:44:52,069 --> 00:44:50,720

and we all believe that we saw us but of

1176

00:44:53,990 --> 00:44:52,079

course we

1177

00:44:56,150 --> 00:44:54,000

don't expect other people to believe us

1178

00:44:58,150 --> 00:44:56,160

if we if they don't want to

1179

00:45:00,870 --> 00:44:58,160

and i have very little time with the

1180

00:45:03,510 --> 00:45:00,880

attitudes of traditional science

1181

00:45:05,670 --> 00:45:03,520

which behave much more like religious

1182

00:45:07,750 --> 00:45:05,680

dictatorships in many instances

1183

00:45:10,550 --> 00:45:07,760

than they do like open-minded scientific

1184

00:45:12,710 --> 00:45:10,560

communities we have to have 15 million

1185

00:45:15,270 --> 00:45:12,720

witnesses before anybody's going to look

1186

00:45:17,670 --> 00:45:15,280

into the problem seriously

1187

00:45:19,109 --> 00:45:17,680

but this is utterly fantastic this is

1188

00:45:21,349 --> 00:45:19,119

more fantastic than

1189

00:45:22,950 --> 00:45:21,359

than flying saucers or or people from

1190

00:45:23,990 --> 00:45:22,960

venus or anything as far as i'm

1191

00:45:26,470 --> 00:45:24,000

concerned

1192

00:45:27,910 --> 00:45:26,480

if 15 million people did collectively

1193

00:45:30,069 --> 00:45:27,920

see something like this

1194

00:45:32,950 --> 00:45:30,079

flying over a major city is here in

1195

00:45:33,670 --> 00:45:32,960

perth australia experience leads us to

1196

00:45:35,589 --> 00:45:33,680

believe

1197

00:45:37,270 --> 00:45:35,599

that there would be a complete breakdown

1198

00:45:38,790 --> 00:45:37,280

of the social order

1199

00:45:40,390 --> 00:45:38,800

like the riots in new york when the

1200

00:45:43,190 --> 00:45:40,400

lights went out

1201  
00:45:56,470 --> 00:45:43,200  
in the mgm film soylent green we get a

1202  
00:46:00,390 --> 00:45:58,309  
i wouldn't put it past this government

1203  
00:46:03,910 --> 00:46:00,400  
that a cosmic watergate has

1204  
00:46:04,950 --> 00:46:03,920  
been underway for the last you know 25

1205  
00:46:08,550 --> 00:46:04,960  
years

1206  
00:46:10,550 --> 00:46:08,560  
at the same time i don't think it's uh

1207  
00:46:11,670 --> 00:46:10,560  
i think as we're growing up or from the

1208  
00:46:14,390 --> 00:46:11,680  
government's point of view

1209  
00:46:15,750 --> 00:46:14,400  
uh i think we've you know we're we've

1210  
00:46:17,030 --> 00:46:15,760  
been adults uh for

1211  
00:46:18,309 --> 00:46:17,040  
hundreds of years but from the

1212  
00:46:19,910 --> 00:46:18,319  
government's point of view uh we're

1213  
00:46:21,030 --> 00:46:19,920

still growing up and eventually

1214

00:46:23,190 --> 00:46:21,040

they might want to tell us something

1215

00:46:26,390 --> 00:46:23,200

about what they've uh discovered over

1216

00:46:28,069 --> 00:46:26,400

over the decades uh there is a rumor

1217

00:46:29,589 --> 00:46:28,079

that was in u.s news world report a

1218

00:46:32,630 --> 00:46:29,599

number of months ago that uh

1219

00:46:34,710 --> 00:46:32,640

jimmy carter might make a uh

1220

00:46:35,670 --> 00:46:34,720

uh make some unsettling disclosures

1221

00:46:38,550 --> 00:46:35,680

about the ufo

1222

00:46:39,910 --> 00:46:38,560

phenomena sometime in december uh it's

1223

00:46:41,510 --> 00:46:39,920

pretty timing i opened my movie in

1224

00:46:43,670 --> 00:46:41,520

december so it's perfect timing

1225

00:46:45,030 --> 00:46:43,680

there is a shyness and a reluctance on

1226

00:46:48,069 --> 00:46:45,040

the part of many witnesses and

1227

00:46:49,109 --> 00:46:48,079

understandably so uh against reporting

1228

00:46:51,670 --> 00:46:49,119

because

1229

00:46:53,190 --> 00:46:51,680

too many have been ridiculed and the

1230

00:46:54,710 --> 00:46:53,200

life has been made somewhat miserable

1231

00:46:55,589 --> 00:46:54,720

for them but at the center for ufo

1232

00:46:59,910 --> 00:46:55,599

studies

1233

00:47:03,349 --> 00:46:59,920

both in the states and in australia

1234

00:47:05,349 --> 00:47:03,359

is our standard practice never to use a

1235

00:47:06,309 --> 00:47:05,359

person's name without their specific

1236

00:47:09,430 --> 00:47:06,319

permission

1237

00:47:11,589 --> 00:47:09,440

so if any of our viewers have

1238

00:47:13,750 --> 00:47:11,599

a what they feel is a valid ufo

1239

00:47:15,270 --> 00:47:13,760

experience and have not reported it

1240

00:47:18,069 --> 00:47:15,280

by all means i would say it is your

1241

00:47:20,549 --> 00:47:18,079

scientific duty to report this

1242

00:47:23,349 --> 00:47:20,559

and with the assurance that your names

1243

00:47:25,990 --> 00:47:23,359

will not be used without your permission

1244

00:47:28,069 --> 00:47:26,000

a graduate nuclear physicist in america

1245

00:47:30,790 --> 00:47:28,079

felt at his duty to report a sighting he

1246

00:47:32,710 --> 00:47:30,800

shared with 12 other people

1247

00:47:33,829 --> 00:47:32,720

perhaps he will prove in the light of

1248

00:47:36,870 --> 00:47:33,839

future events

1249

00:47:39,109 --> 00:47:36,880

to be the most credible witness of all

1250

00:47:40,710 --> 00:47:39,119

this rare official document was signed

1251  
00:47:41,750 --> 00:47:40,720  
by the then governor of the state of

1252  
00:47:44,309 --> 00:47:41,760  
georgia

1253  
00:47:48,790 --> 00:47:44,319  
now the president of the united states

1254  
00:47:52,230 --> 00:47:50,150  
as we were about to finish this

1255  
00:47:54,710 --> 00:47:52,240  
documentary another intriguing

1256  
00:47:57,670 --> 00:47:54,720  
explanation of ufos was given to us

1257  
00:47:59,030 --> 00:47:57,680  
by an ex-fbi informer now living in

1258  
00:48:01,670 --> 00:47:59,040  
perth

1259  
00:48:03,990 --> 00:48:01,680  
a research physicist what he has to say

1260  
00:48:06,630 --> 00:48:04,000  
is what he believes to be the truth

1261  
00:48:07,990 --> 00:48:06,640  
it is so staggering we felt we should

1262  
00:48:20,710 --> 00:48:08,000  
extend this program

1263  
00:48:22,790 --> 00:48:20,720

so that he could be heard

1264

00:48:24,470 --> 00:48:22,800

this scientist believes that man holds

1265

00:48:27,589 --> 00:48:24,480

the secret of anti-gravity

1266

00:48:32,829 --> 00:48:27,599

and can produce flying sources at will

1267

00:48:35,910 --> 00:48:33,990

perth

1268

00:48:39,589 --> 00:48:35,920

well originally i didn't start to

1269

00:48:41,990 --> 00:48:39,599

investigate ufo phenomena

1270

00:48:43,750 --> 00:48:42,000

i suppose i started studying the physics

1271

00:48:47,510 --> 00:48:43,760

that led me to this point

1272

00:48:49,190 --> 00:48:47,520

62 to 64 at the united states air force

1273

00:48:51,589 --> 00:48:49,200

academy as a cadet

1274

00:48:52,710 --> 00:48:51,599

and a special government program as

1275

00:48:55,270 --> 00:48:52,720

you're aware the

1276

00:48:56,870 --> 00:48:55,280

air force academy is outside norad in

1277

00:48:58,630 --> 00:48:56,880

the colorado mountains it's a few miles

1278

00:49:01,030 --> 00:48:58,640

up the hill from it

1279

00:49:02,630 --> 00:49:01,040

and i was trained there with 180

1280

00:49:06,630 --> 00:49:02,640

somewhat other characters

1281

00:49:09,270 --> 00:49:06,640

to do research in areas of

1282

00:49:11,030 --> 00:49:09,280

electrogravitics later we were

1283

00:49:12,230 --> 00:49:11,040

programmed with libraries of information

1284

00:49:14,069 --> 00:49:12,240

by

1285

00:49:16,069 --> 00:49:14,079

slides flashed up on a wall at the rate

1286

00:49:17,589 --> 00:49:16,079

of 200 pages a second we couldn't even

1287

00:49:18,309 --> 00:49:17,599

read them but they were being implanted

1288

00:49:20,710 --> 00:49:18,319

in our minds

1289

00:49:22,630 --> 00:49:20,720

subliminally it was a very classified

1290

00:49:23,990 --> 00:49:22,640

project and for the

1291

00:49:25,910 --> 00:49:24,000

most part of it while we were being

1292

00:49:27,510 --> 00:49:25,920

programmed we weren't aware

1293

00:49:29,510 --> 00:49:27,520

of what was going on we had normal

1294

00:49:30,950 --> 00:49:29,520

classes in the physics and

1295

00:49:32,790 --> 00:49:30,960

calculus and this sort of things but

1296

00:49:35,030 --> 00:49:32,800

this stuff was being programmed in

1297

00:49:36,950 --> 00:49:35,040

so that we had to assimilate it or bring

1298

00:49:38,230 --> 00:49:36,960

it to our conscious mind over the months

1299

00:49:41,349 --> 00:49:38,240

and years it followed in

1300

00:49:42,790 --> 00:49:41,359

dreams and kind of

1301  
00:49:44,390 --> 00:49:42,800  
daydream periods during the day when

1302  
00:49:47,750 --> 00:49:44,400  
we're awake but

1303  
00:49:49,270 --> 00:49:47,760  
um i left the academy in 64.

1304  
00:49:50,390 --> 00:49:49,280  
i had a top secret security clearance

1305  
00:49:52,069 --> 00:49:50,400  
with the government and then eventually

1306  
00:49:53,670 --> 00:49:52,079  
that lapsed to secret

1307  
00:49:55,270 --> 00:49:53,680  
and i did a bit of time in the reserves

1308  
00:49:56,470 --> 00:49:55,280  
air force reserves with the strategic

1309  
00:49:59,510 --> 00:49:56,480  
air command outside of

1310  
00:50:01,829 --> 00:49:59,520  
fort worth and then um

1311  
00:50:03,270 --> 00:50:01,839  
i proceeded to do private research in

1312  
00:50:05,829 --> 00:50:03,280  
this electric gravity

1313  
00:50:07,510 --> 00:50:05,839

thinking that i had cracked the secret

1314

00:50:08,309 --> 00:50:07,520

evan of gravity all by myself and

1315

00:50:10,829 --> 00:50:08,319

jumping up and down

1316

00:50:12,309 --> 00:50:10,839

my father's labs and mines in dallas and

1317

00:50:13,430 --> 00:50:12,319

um

1318

00:50:16,069 --> 00:50:13,440

one day i was approached by the

1319

00:50:18,230 --> 00:50:16,079

government and a kind of a

1320

00:50:20,309 --> 00:50:18,240

adversary from dr edward teller's office

1321

00:50:21,910 --> 00:50:20,319

uh dr james r maxfield

1322

00:50:23,750 --> 00:50:21,920

when he told me what i'd been doing in

1323

00:50:26,150 --> 00:50:23,760

my lab and the details of stuff i

1324

00:50:26,549 --> 00:50:26,160

haven't written down or told anybody he

1325

00:50:29,510 --> 00:50:26,559

knew

1326

00:50:30,390 --> 00:50:29,520

and he had other people like myself

1327

00:50:32,230 --> 00:50:30,400

sponsored in

1328

00:50:33,670 --> 00:50:32,240

this kind of research around the country

1329

00:50:35,109 --> 00:50:33,680

and that was the first time that i knew

1330

00:50:36,870 --> 00:50:35,119

that the u.s government

1331

00:50:38,470 --> 00:50:36,880

was actively involved had been and was

1332

00:50:40,390 --> 00:50:38,480

still actively involved

1333

00:50:42,309 --> 00:50:40,400

in the control of gravity with

1334

00:50:44,150 --> 00:50:42,319

electricity and who did this man

1335

00:50:47,349 --> 00:50:44,160

represent

1336

00:50:49,510 --> 00:50:47,359

well his job

1337

00:50:51,109 --> 00:50:49,520

as his job qualification is he's the

1338

00:50:52,790 --> 00:50:51,119

director of the james r maxfield

1339

00:50:54,150 --> 00:50:52,800

radiation research clinic in dallas

1340

00:50:56,630 --> 00:50:54,160

texas the

1341

00:50:57,670 --> 00:50:56,640

same max phillip invented the irradiated

1342

00:51:02,309 --> 00:50:57,680

thread

1343

00:51:03,589 --> 00:51:02,319

treatment for cancer of various organs

1344

00:51:05,910 --> 00:51:03,599

if you look at this little dossier

1345

00:51:06,470 --> 00:51:05,920

that's in the who's who you find that he

1346

00:51:07,910 --> 00:51:06,480

was

1347

00:51:09,829 --> 00:51:07,920

on the president's national security

1348

00:51:12,230 --> 00:51:09,839

advisory board which is

1349

00:51:14,390 --> 00:51:12,240

really a rather important log in the u.s

1350

00:51:15,670 --> 00:51:14,400

intelligence system

1351  
00:51:17,910 --> 00:51:15,680  
kissinger would have been on the same

1352  
00:51:19,829 --> 00:51:17,920  
rank um

1353  
00:51:21,670 --> 00:51:19,839  
you'll find that he was closely

1354  
00:51:23,589 --> 00:51:21,680  
affiliated with dr edward teller who was

1355  
00:51:32,390 --> 00:51:23,599  
the

1356  
00:51:33,670 --> 00:51:32,400  
don't know where he still is

1357  
00:51:35,750 --> 00:51:33,680  
and that he had worked on a similar

1358  
00:51:36,390 --> 00:51:35,760  
project with him in fact the letter that

1359  
00:51:38,549 --> 00:51:36,400  
you and i

1360  
00:51:40,150 --> 00:51:38,559  
viewed earlier from my files from dr

1361  
00:51:41,750 --> 00:51:40,160  
maxfield to this government and to sir

1362  
00:51:44,470 --> 00:51:41,760  
john williams

1363  
00:51:46,390 --> 00:51:44,480

did mention that fact if you recall so

1364

00:51:49,430 --> 00:51:46,400

what happened to you then

1365

00:51:49,990 --> 00:51:49,440

well they suggested that i finished my

1366

00:51:52,630 --> 00:51:50,000

research

1367

00:51:53,750 --> 00:51:52,640

in australia i wasn't enthralled with

1368

00:51:56,790 --> 00:51:53,760

the idea but

1369

00:51:57,589 --> 00:51:56,800

dr maxfield told me that i would be paid

1370

00:51:59,510 --> 00:51:57,599

to come down

1371

00:52:00,870 --> 00:51:59,520

and that i was to call the australian

1372

00:52:03,829 --> 00:52:00,880

consulate in

1373

00:52:04,549 --> 00:52:03,839

san francisco and ask for bob gray i'm

1374

00:52:06,390 --> 00:52:04,559

telling it

1375

00:52:07,910 --> 00:52:06,400

in these words that i was a member of

1376

00:52:10,230 --> 00:52:07,920

maxwell's party

1377

00:52:12,069 --> 00:52:10,240

at the same time that i was being

1378

00:52:13,670 --> 00:52:12,079

approached by dr maxwell's party to come

1379

00:52:15,750 --> 00:52:13,680

down here and finish my research

1380

00:52:17,430 --> 00:52:15,760

i'd been approached already by the fbi

1381

00:52:18,950 --> 00:52:17,440

and was working for them as an informant

1382

00:52:20,549 --> 00:52:18,960

that doesn't mean that you're a trained

1383

00:52:21,990 --> 00:52:20,559

agent it just means that

1384

00:52:23,670 --> 00:52:22,000

you're somewhere in industry where they

1385

00:52:25,910 --> 00:52:23,680

need someone they don't have time

1386

00:52:27,510 --> 00:52:25,920

to get them in there informing them what

1387

00:52:29,190 --> 00:52:27,520

well the particular thing i was to

1388

00:52:30,870 --> 00:52:29,200

inform on was the comings and goings of

1389

00:52:33,589 --> 00:52:30,880

various people from the white house

1390

00:52:35,030 --> 00:52:33,599

to my group of companies in dallas and

1391

00:52:37,270 --> 00:52:35,040

also their connection to israel in the

1392

00:52:40,390 --> 00:52:37,280

middle east political situation

1393

00:52:41,030 --> 00:52:40,400

and and i did my job rather well just

1394

00:52:43,349 --> 00:52:41,040

reporting

1395

00:52:44,829 --> 00:52:43,359

who came and went and various amounts of

1396

00:52:46,710 --> 00:52:44,839

money and things that i didn't know that

1397

00:52:48,069 --> 00:52:46,720

transferred um

1398

00:52:52,069 --> 00:52:48,079

there were about seven or eight hundred

1399

00:52:55,670 --> 00:52:53,990

employed by the fbi in this matter i

1400

00:52:56,710 --> 00:52:55,680

didn't take money i took information in

1401  
00:52:59,109 --> 00:52:56,720  
exchange

1402  
00:53:01,589 --> 00:52:59,119  
but um at any rate they came and told me

1403  
00:53:03,270 --> 00:53:01,599  
the fbi did that i had been compromised

1404  
00:53:05,750 --> 00:53:03,280  
by a break-in in one of their agencies

1405  
00:53:08,150 --> 00:53:05,760  
in louisiana or someplace like that

1406  
00:53:09,589 --> 00:53:08,160  
and that i was going to get shot and

1407  
00:53:10,230 --> 00:53:09,599  
wish they'd explained to me at the

1408  
00:53:12,309 --> 00:53:10,240  
beginning

1409  
00:53:13,349 --> 00:53:12,319  
the risks involved but i thought they

1410  
00:53:17,589 --> 00:53:13,359  
were joking

1411  
00:53:19,750 --> 00:53:17,599  
until i went back to the uh the office

1412  
00:53:21,750 --> 00:53:19,760  
the computer division there in dallas

1413  
00:53:23,589 --> 00:53:21,760

and uh was sacked given 30 minutes to

1414

00:53:26,309 --> 00:53:23,599

clean up my desk and leave

1415

00:53:26,870 --> 00:53:26,319

and uh by an old friend of mine and so

1416

00:53:30,069 --> 00:53:26,880

he

1417

00:53:32,470 --> 00:53:30,079

spy ring and all kinds of stuff

1418

00:53:34,230 --> 00:53:32,480

and so i left and uh in fact i didn't

1419

00:53:35,589 --> 00:53:34,240

have my last meeting with the fbi and i

1420

00:53:37,270 --> 00:53:35,599

didn't have my last meeting with dr

1421

00:53:39,270 --> 00:53:37,280

maxfield i just uh

1422

00:53:41,430 --> 00:53:39,280

bundled a few things in the family into

1423

00:53:43,109 --> 00:53:41,440

a plane and headed for australia

1424

00:53:45,270 --> 00:53:43,119

i didn't make it and i was quite quite

1425

00:53:47,910 --> 00:53:45,280

glad to and

1426  
00:53:48,870 --> 00:53:47,920  
kept a very low profile for seven months

1427  
00:53:50,549 --> 00:53:48,880  
but

1428  
00:53:52,069 --> 00:53:50,559  
i continued to do my research and i

1429  
00:53:53,430 --> 00:53:52,079  
wrote dr maxfield a letter and that was

1430  
00:53:55,750 --> 00:53:53,440  
perhaps my mistake

1431  
00:53:57,030 --> 00:53:55,760  
i said look i've done it i've figured

1432  
00:53:59,510 --> 00:53:57,040  
out the wave

1433  
00:54:00,950 --> 00:53:59,520  
equation that we were looking for and

1434  
00:54:02,390 --> 00:54:00,960  
again in my ignorance i didn't realize

1435  
00:54:03,910 --> 00:54:02,400  
how much work had already been done and

1436  
00:54:05,750 --> 00:54:03,920  
gone before me i was just

1437  
00:54:07,030 --> 00:54:05,760  
kind of on the periphery or the edge of

1438  
00:54:09,510 --> 00:54:07,040

this whole development

1439

00:54:11,589 --> 00:54:09,520

that's a device to be able to make

1440

00:54:14,790 --> 00:54:11,599

things like flying sources fly is it

1441

00:54:18,549 --> 00:54:14,800

yes also it's a device to store um

1442

00:54:22,069 --> 00:54:18,559

energy in the form of motion like of a

1443

00:54:24,990 --> 00:54:22,079

a small star or a big atom it's called

1444

00:54:27,190 --> 00:54:25,000

this is a long word an mhd plasma

1445

00:54:29,030 --> 00:54:27,200

magnetohydrodynamic plasma

1446

00:54:30,950 --> 00:54:29,040

like ball lightning and it contains

1447

00:54:32,549 --> 00:54:30,960

itself but it's a way to turn

1448

00:54:34,150 --> 00:54:32,559

all sorts of electricity into a high

1449

00:54:35,589 --> 00:54:34,160

voltage battery

1450

00:54:37,589 --> 00:54:35,599

now this would have been an immediate

1451

00:54:41,430 --> 00:54:37,599

solution for the middle east

1452

00:54:43,589 --> 00:54:41,440

oil blockade at that time now um

1453

00:54:45,030 --> 00:54:43,599

i wrote the letter in good faith trying

1454

00:54:46,789 --> 00:54:45,040

to say look we can

1455

00:54:48,069 --> 00:54:46,799

stop the threat of war in the middle

1456

00:54:49,750 --> 00:54:48,079

east by using this as an

1457

00:54:51,430 --> 00:54:49,760

alternate energy source it's very

1458

00:54:53,190 --> 00:54:51,440

portable it's non-polluting

1459

00:54:55,430 --> 00:54:53,200

it had some by-product radiation

1460

00:54:58,069 --> 00:54:55,440

problems but things we could solve

1461

00:54:59,910 --> 00:54:58,079

it'll be cleaner than fission or fusion

1462

00:55:02,230 --> 00:54:59,920

now

1463

00:55:03,510 --> 00:55:02,240

that's when um people here in this

1464

00:55:05,190 --> 00:55:03,520

country

1465

00:55:06,789 --> 00:55:05,200

at the aeronautical research labs and

1466

00:55:09,349 --> 00:55:06,799

politicians started to get a hold of me

1467

00:55:11,349 --> 00:55:09,359

azo contacted me good grief

1468

00:55:13,030 --> 00:55:11,359

an odd infant item a chain of

1469

00:55:14,789 --> 00:55:13,040

intelligence people including two cia

1470

00:55:16,630 --> 00:55:14,799

people from the states

1471

00:55:18,870 --> 00:55:16,640

and then the fbi eventually started

1472

00:55:20,230 --> 00:55:18,880

looking for me in this country and

1473

00:55:23,430 --> 00:55:20,240

that again was after the intelligence

1474

00:55:25,750 --> 00:55:23,440

war over there after hoover died

1475

00:55:27,510 --> 00:55:25,760

and i was unable to finish my research

1476

00:55:29,109 --> 00:55:27,520

in this country in fact i met many

1477

00:55:30,549 --> 00:55:29,119

dead-ends and government departments and

1478

00:55:31,510 --> 00:55:30,559

research facilities where they told me

1479

00:55:34,549 --> 00:55:31,520

privately

1480

00:55:35,990 --> 00:55:34,559

like dr tom keeble in the aeronautical

1481

00:55:37,430 --> 00:55:36,000

research labs he told me yes

1482

00:55:39,030 --> 00:55:37,440

we know about the flying saucers your

1483

00:55:40,069 --> 00:55:39,040

countrymen have built in england and

1484

00:55:41,750 --> 00:55:40,079

canada

1485

00:55:43,190 --> 00:55:41,760

and in fact we have film records of them

1486

00:55:45,829 --> 00:55:43,200

here in the r double af

1487

00:55:46,309 --> 00:55:45,839

files i said i want to stop you there

1488

00:55:48,549 --> 00:55:46,319

yeah

1489

00:55:49,430 --> 00:55:48,559

are you saying stan that there are such

1490

00:55:51,589 --> 00:55:49,440

things as

1491

00:55:54,230 --> 00:55:51,599

let's call them flying sources but they

1492

00:55:56,710 --> 00:55:54,240

are built on earth

1493

00:55:58,870 --> 00:55:56,720

yes uh that doesn't mean that i um rule

1494

00:56:00,950 --> 00:55:58,880

out the possibility of other

1495

00:56:02,069 --> 00:56:00,960

flying devices or intelligent beings

1496

00:56:05,270 --> 00:56:02,079

visiting the planet either

1497

00:56:07,510 --> 00:56:05,280

from the oceanic bottoms or

1498

00:56:08,789 --> 00:56:07,520

deeper areas or from other areas in

1499

00:56:10,309 --> 00:56:08,799

space but

1500

00:56:11,670 --> 00:56:10,319

i am positive that we have the

1501  
00:56:13,430 --> 00:56:11,680  
technology i can even name it the

1502  
00:56:16,230 --> 00:56:13,440  
companies and people involved

1503  
00:56:17,990 --> 00:56:16,240  
in making high-speed electric aircraft

1504  
00:56:21,030 --> 00:56:18,000  
that do look strange enough like a

1505  
00:56:22,309 --> 00:56:21,040  
saucer what sort of proof can one

1506  
00:56:24,789 --> 00:56:22,319  
furnish for that

1507  
00:56:25,829 --> 00:56:24,799  
oh good grievance the briefcase i've got

1508  
00:56:28,150 --> 00:56:25,839  
down here is uh

1509  
00:56:30,150 --> 00:56:28,160  
full of documented evidence that is not

1510  
00:56:33,349 --> 00:56:30,160  
all secret

1511  
00:56:36,309 --> 00:56:33,359  
if you go to uh to the

1512  
00:56:38,230 --> 00:56:36,319  
um the records of the new york herald

1513  
00:56:39,510 --> 00:56:38,240

tribune the newspapers now defunct i

1514

00:56:44,069 --> 00:56:39,520

think it's being stored in the

1515

00:56:47,270 --> 00:56:44,079

wisconsin um state historical society

1516

00:56:48,630 --> 00:56:47,280

and look for november 20th 21st and 22nd

1517

00:56:50,470 --> 00:56:48,640

1955

1518

00:56:53,510 --> 00:56:50,480

there are three articles in the series

1519

00:56:54,870 --> 00:56:53,520

on antigravity and the various companies

1520

00:56:56,950 --> 00:56:54,880

and people involved in the research of

1521

00:56:59,030 --> 00:56:56,960

the united states japan europe

1522

00:57:01,270 --> 00:56:59,040

the list is like a who's who of nuclear

1523

00:57:02,150 --> 00:57:01,280

physics it was written by ansel e

1524

00:57:03,750 --> 00:57:02,160

talbert the

1525

00:57:05,910 --> 00:57:03,760

science and aviation editor for the new

1526

00:57:07,670 --> 00:57:05,920

york herald tribune at that time

1527

00:57:09,510 --> 00:57:07,680

you can look there you can look in the

1528

00:57:12,230 --> 00:57:09,520

electrical engineering index for that

1529

00:57:13,030 --> 00:57:12,240

period between 55 and 58 that's a long

1530

00:57:16,390 --> 00:57:13,040

time ago

1531

00:57:18,870 --> 00:57:16,400

yes 57 about march

1532

00:57:20,710 --> 00:57:18,880

the security curtain went down and there

1533

00:57:22,950 --> 00:57:20,720

were at that time over 100 published

1534

00:57:23,270 --> 00:57:22,960

universities and organizations including

1535

00:57:24,789 --> 00:57:23,280

the

1536

00:57:27,430 --> 00:57:24,799

gravity research foundation which is

1537

00:57:28,870 --> 00:57:27,440

still operational in gravity village

1538

00:57:30,549 --> 00:57:28,880

and the united states there were over

1539

00:57:32,950 --> 00:57:30,559

100 of these things operating to

1540

00:57:34,630 --> 00:57:32,960

develop gravity the control of it as a

1541

00:57:38,230 --> 00:57:34,640

power source and communication

1542

00:57:39,670 --> 00:57:38,240

and locomotion etc now in 57 the blanket

1543

00:57:42,549 --> 00:57:39,680

went down to security

1544

00:57:42,870 --> 00:57:42,559

and there was no more reported news on

1545

00:57:47,349 --> 00:57:42,880

it

1546

00:57:48,309 --> 00:57:47,359

research avenue that everybody had

1547

00:57:49,910 --> 00:57:48,319

stopped working on it

1548

00:57:51,030 --> 00:57:49,920

or that it was highly successful and

1549

00:57:52,870 --> 00:57:51,040

there'd been a few breakthroughs there

1550

00:57:54,230 --> 00:57:52,880

was just nothing it wasn't quiet

1551

00:57:55,990 --> 00:57:54,240

if you go back in the period and look

1552

00:57:58,069 --> 00:57:56,000

you will see that for a number of years

1553

00:57:59,750 --> 00:57:58,079

after 57 there was no mention of this

1554

00:58:01,190 --> 00:57:59,760

sort of research in print

1555

00:58:02,950 --> 00:58:01,200

behind the scenes there was a lot of

1556

00:58:05,910 --> 00:58:02,960

discussion and even walt disney's

1557

00:58:07,030 --> 00:58:05,920

sorry mgm studios made the movie the

1558

00:58:09,349 --> 00:58:07,040

forbidden planet

1559

00:58:11,190 --> 00:58:09,359

revealing at that time a lot as what

1560

00:58:13,349 --> 00:58:11,200

were fiction of the technology

1561

00:58:20,829 --> 00:58:13,359

and why it had to be covered up i think

1562

00:58:20,839 --> 00:58:39,990

job

1563

00:58:40,000 --> 00:58:57,349

7 800 levels

1564

00:59:00,950 --> 00:58:59,430

basically they decided mankind wasn't

1565

00:59:02,789 --> 00:59:00,960

ready for you because he

1566

00:59:05,270 --> 00:59:02,799

proceeded to misuse it like he had the

1567

00:59:08,789 --> 00:59:05,280

atom or the hydrogen bomb

1568

00:59:10,789 --> 00:59:08,799

now recent evidence is very hard to get

1569

00:59:12,549 --> 00:59:10,799

however in this country a little leak

1570

00:59:14,950 --> 00:59:12,559

occurred over here with william h martin

1571

00:59:19,030 --> 00:59:14,960

in the nation review

1572

00:59:22,630 --> 00:59:19,040

may of 1970

1573

00:59:25,349 --> 00:59:22,640

or 4 i believe i can't remember now um

1574

00:59:28,030 --> 00:59:25,359

he um published an article on pine gap

1575

00:59:29,670 --> 00:59:28,040

and how nixon had intended to use it in

1576

00:59:32,309 --> 00:59:29,680

1975

1577

00:59:33,910 --> 00:59:32,319

to solve the energy crisis by announcing

1578

00:59:34,870 --> 00:59:33,920

a new method of electromagnetic

1579

00:59:37,030 --> 00:59:34,880

propulsion

1580

00:59:37,910 --> 00:59:37,040

which would be based from the pine gap

1581

00:59:40,150 --> 00:59:37,920

facility

1582

00:59:41,109 --> 00:59:40,160

so now for my knowledge of the of the

1583

00:59:42,789 --> 00:59:41,119

technology what

1584

00:59:44,549 --> 00:59:42,799

small knowledge i do have from my little

1585

00:59:47,349 --> 00:59:44,559

viewpoint

1586

00:59:48,870 --> 00:59:47,359

pine gap has all of the inherent

1587

00:59:52,069 --> 00:59:48,880

descriptions necessary for

1588

00:59:53,990 --> 00:59:52,079

a high voltage low frequency

1589

00:59:55,270 --> 00:59:54,000

power broadcast station to broadcast

1590

00:59:57,270 --> 00:59:55,280

electricity

1591

00:59:58,390 --> 00:59:57,280

to various receivers like cars and

1592

01:00:00,549 --> 00:59:58,400

submarines and

1593

01:00:01,589 --> 01:00:00,559

aircraft that are tuned to that power

1594

01:00:04,230 --> 01:00:01,599

station

1595

01:00:05,670 --> 01:00:04,240

it's just a more efficient version of

1596

01:00:07,589 --> 01:00:05,680

the exmouth facility here at the

1597

01:00:10,549 --> 01:00:07,599

northwest cape

1598

01:00:10,950 --> 01:00:10,559

um so it's right here on our doorstep is

1599

01:00:13,510 --> 01:00:10,960

it

1600

01:00:14,230 --> 01:00:13,520

oh yes the big question you have to ask

1601  
01:00:17,910 --> 01:00:14,240  
yourself

1602  
01:00:18,390 --> 01:00:17,920  
uh guys why would such a thing be kept

1603  
01:00:20,710 --> 01:00:18,400  
secret

1604  
01:00:21,589 --> 01:00:20,720  
i mean people at the levels that are

1605  
01:00:23,750 --> 01:00:21,599  
covering it up

1606  
01:00:24,710 --> 01:00:23,760  
i i know some of them personally and

1607  
01:00:27,430 --> 01:00:24,720  
they aren't

1608  
01:00:28,710 --> 01:00:27,440  
in my opinion villains they're very uh

1609  
01:00:31,829 --> 01:00:28,720  
sincere humanists

1610  
01:00:32,710 --> 01:00:31,839  
they are trying to solve planet earth uh

1611  
01:00:35,430 --> 01:00:32,720  
trying to bring

1612  
01:00:36,470 --> 01:00:35,440  
unity their way you speak of them as

1613  
01:00:38,309 --> 01:00:36,480

though they were

1614

01:00:40,150 --> 01:00:38,319

they were collective rather than

1615

01:00:43,190 --> 01:00:40,160

singular is that right yes

1616

01:00:44,470 --> 01:00:43,200

um dr kibel as i mentioned before in

1617

01:00:47,589 --> 01:00:44,480

melbourne at the aeronautical research

1618

01:00:50,630 --> 01:00:47,599

lab tried to explain to me about

1619

01:00:54,630 --> 01:00:50,640

they he mentioned we as though it was

1620

01:00:57,430 --> 01:00:54,640

a an organization a group of scientists

1621

01:00:58,069 --> 01:00:57,440

academics industrialistic he couldn't be

1622

01:01:00,069 --> 01:00:58,079

exact

1623

01:01:02,309 --> 01:01:00,079

now he never put a name to it but i said

1624

01:01:06,150 --> 01:01:02,319

well do you mean like a club and he said

1625

01:01:07,670 --> 01:01:06,160

yes but no we are aware of these

1626  
01:01:10,309 --> 01:01:07,680  
problems and we're trying to solve them

1627  
01:01:12,069 --> 01:01:10,319  
in the best way we know how

1628  
01:01:14,309 --> 01:01:12,079  
granted there are things that should be

1629  
01:01:16,390 --> 01:01:14,319  
kept from the public eye

1630  
01:01:18,870 --> 01:01:16,400  
until we do have some sort of a unity in

1631  
01:01:21,589 --> 01:01:18,880  
the world economy

1632  
01:01:22,230 --> 01:01:21,599  
but i think the manner which has been

1633  
01:01:24,549 --> 01:01:22,240  
gone about

1634  
01:01:26,789 --> 01:01:24,559  
is most unfortunate i would not have

1635  
01:01:29,589 --> 01:01:26,799  
taken the same tag myself

1636  
01:01:31,270 --> 01:01:29,599  
the power politics involved in keeping

1637  
01:01:32,230 --> 01:01:31,280  
the secrets that we now have across the

1638  
01:01:35,430 --> 01:01:32,240

planet

1639

01:01:36,470 --> 01:01:35,440

have allowed well in my opinion groups

1640

01:01:38,710 --> 01:01:36,480

that aren't

1641

01:01:40,789 --> 01:01:38,720

capable of handling uh control the

1642

01:01:43,030 --> 01:01:40,799

planet to take power

1643

01:01:44,309 --> 01:01:43,040

so what basically you're saying and

1644

01:01:46,870 --> 01:01:44,319

correct me if i'm wrong

1645

01:01:47,829 --> 01:01:46,880

is that we've got a situation where you

1646

01:01:51,030 --> 01:01:47,839

maintain

1647

01:01:53,030 --> 01:01:51,040

various countries have perhaps

1648

01:01:54,549 --> 01:01:53,040

a top level intelligentsia who are in

1649

01:01:58,069 --> 01:01:54,559

possession of a common

1650

01:01:59,670 --> 01:01:58,079

set of facts which which transpose

1651

01:02:01,990 --> 01:01:59,680

country boundaries now and it's a

1652

01:02:03,990 --> 01:02:02,000

worldwide sort of yeah

1653

01:02:05,750 --> 01:02:04,000

in russia uh involved in this would be

1654

01:02:06,630 --> 01:02:05,760

the russian physicist who's been in the

1655

01:02:08,150 --> 01:02:06,640

news recently

1656

01:02:09,990 --> 01:02:08,160

with the civil rights movement's dr

1657

01:02:12,950 --> 01:02:10,000

andrei sakharov

1658

01:02:15,029 --> 01:02:12,960

also in his country an ex-kgb agent some

1659

01:02:18,549 --> 01:02:15,039

25 years but a physicist

1660

01:02:21,270 --> 01:02:18,559

and a former hydrogen bomb project

1661

01:02:21,670 --> 01:02:21,280

development engineer or sorry physicist

1662

01:02:24,789 --> 01:02:21,680

is

1663

01:02:27,430 --> 01:02:24,799

dr bruno porter ponte corvo working on

1664

01:02:29,589 --> 01:02:27,440

gravity engines in siberia

1665

01:02:31,910 --> 01:02:29,599

as i told you in the states it was dr

1666

01:02:34,390 --> 01:02:31,920

teller and affiliates there i

1667

01:02:35,430 --> 01:02:34,400

don't know all of their names but these

1668

01:02:38,069 --> 01:02:35,440

people have all

1669

01:02:38,950 --> 01:02:38,079

been working together as scientists who

1670

01:02:42,150 --> 01:02:38,960

go above

1671

01:02:43,589 --> 01:02:42,160

governments and look they're sincere i

1672

01:02:45,190 --> 01:02:43,599

can't blame them for doing this it's

1673

01:02:46,789 --> 01:02:45,200

just that they have lost control of what

1674

01:02:50,230 --> 01:02:46,799

they tried to set up

1675

01:02:52,390 --> 01:02:50,240

has that association got a name

1676

01:02:53,670 --> 01:02:52,400

i don't think so when i worked with the

1677

01:02:55,190 --> 01:02:53,680

fbi

1678

01:02:56,950 --> 01:02:55,200

there was a political and financial

1679

01:02:59,349 --> 01:02:56,960

institution that i was

1680

01:03:00,870 --> 01:02:59,359

ordered to investigate with many other

1681

01:03:03,589 --> 01:03:00,880

agents and it was called the

1682

01:03:05,510 --> 01:03:03,599

the illuminati which is a general term

1683

01:03:08,630 --> 01:03:05,520

meaning the enlightened or the

1684

01:03:10,150 --> 01:03:08,640

wise ones um it uh

1685

01:03:11,829 --> 01:03:10,160

the investigation this led me to the

1686

01:03:12,630 --> 01:03:11,839

council on foreign relations and to the

1687

01:03:14,630 --> 01:03:12,640

club of rome

1688

01:03:17,270 --> 01:03:14,640

which are linked by joint directorships

1689

01:03:19,270 --> 01:03:17,280

under carol wilson

1690

01:03:21,349 --> 01:03:19,280

this is again another tale but you put

1691

01:03:24,630 --> 01:03:21,359

yourself in the scientist position

1692

01:03:26,950 --> 01:03:24,640

in the mid 50s what you see

1693

01:03:29,430 --> 01:03:26,960

is that you've got a technology that if

1694

01:03:32,230 --> 01:03:29,440

announced to the public would cause mass

1695

01:03:33,910 --> 01:03:32,240

reactions in the economy in social moves

1696

01:03:35,430 --> 01:03:33,920

and cultural reactions that could

1697

01:03:36,870 --> 01:03:35,440

probably bring about the demise of the

1698

01:03:39,029 --> 01:03:36,880

whole human civilization

1699

01:03:40,549 --> 01:03:39,039

a simple example would be this as a

1700

01:03:41,589 --> 01:03:40,559

scientist you come out in the mid 50s

1701

01:03:43,990 --> 01:03:41,599

and you say

1702

01:03:45,029 --> 01:03:44,000

we have a process which will allow us to

1703

01:03:48,870 --> 01:03:45,039

get rid of

1704

01:03:52,230 --> 01:03:48,880

engine hence the petrol

1705

01:03:53,990 --> 01:03:52,240

hence all the dependent industries

1706

01:03:56,069 --> 01:03:54,000

it will be available for you in 24

1707

01:03:58,630 --> 01:03:56,079

months time it will only cost you

1708

01:04:00,150 --> 01:03:58,640

three or four thousand dollars now what

1709

01:04:02,309 --> 01:04:00,160

kind he's right mind would buy a new

1710

01:04:03,910 --> 01:04:02,319

petrol engine car if he could have one

1711

01:04:06,150 --> 01:04:03,920

of those new ones in two years that

1712

01:04:06,470 --> 01:04:06,160

don't need roads and run on electricity

1713

01:04:09,349 --> 01:04:06,480

and

1714

01:04:10,870 --> 01:04:09,359

no petrol necessary they'd all stop

1715

01:04:12,230 --> 01:04:10,880

their buying trends which would then

1716

01:04:14,470 --> 01:04:12,240

collapse the economies that would be

1717

01:04:17,270 --> 01:04:14,480

building the other one in 24 months

1718

01:04:19,990 --> 01:04:17,280

if you had a central world authority uh

1719

01:04:21,750 --> 01:04:20,000

like dr pachay's club of rome group want

1720

01:04:22,870 --> 01:04:21,760

then if you announced when you

1721

01:04:25,589 --> 01:04:22,880

controlled all the nations and the

1722

01:04:27,349 --> 01:04:25,599

economies if you announced and said

1723

01:04:28,870 --> 01:04:27,359

we've got a new car that does this

1724

01:04:30,390 --> 01:04:28,880

nobody panic because they know that if

1725

01:04:31,750 --> 01:04:30,400

their industry became redundant they

1726

01:04:32,470 --> 01:04:31,760

would be retrained and paid while

1727

01:04:34,870 --> 01:04:32,480

they're doing it

1728

01:04:35,510 --> 01:04:34,880

in some other support industry we don't

1729

01:04:37,109 --> 01:04:35,520

have that

1730

01:04:39,190 --> 01:04:37,119

facility on the planet at the moment

1731

01:04:40,710 --> 01:04:39,200

because we're greatly disordered

1732

01:04:42,789 --> 01:04:40,720

and many of the cultures fight against

1733

01:04:44,230 --> 01:04:42,799

each other scientists industrialist

1734

01:04:46,710 --> 01:04:44,240

engineers found this problem in the mid

1735

01:04:47,910 --> 01:04:46,720

50s now we're playing their part so we

1736

01:04:50,950 --> 01:04:47,920

sit here and we say

1737

01:04:53,190 --> 01:04:50,960

how do we get world unity the united

1738

01:04:54,549 --> 01:04:53,200

nations the league of nations had failed

1739

01:04:56,390 --> 01:04:54,559

you couldn't get any two or three of

1740

01:04:59,270 --> 01:04:56,400

them to agree to turn their sovereignty

1741

01:04:59,990 --> 01:04:59,280

over to a third party you couldn't come

1742

01:05:01,829 --> 01:05:00,000

out and

1743

01:05:03,510 --> 01:05:01,839

field an army from the united nations or

1744

01:05:05,670 --> 01:05:03,520

league of nations or any anywhere

1745

01:05:07,349 --> 01:05:05,680

even a corporate army until the people

1746

01:05:08,950 --> 01:05:07,359

of earth you're taking over

1747

01:05:10,470 --> 01:05:08,960

as some people suggested the

1748

01:05:12,230 --> 01:05:10,480

multinationals might do

1749

01:05:13,589 --> 01:05:12,240

you can't do that because the mass

1750

01:05:15,270 --> 01:05:13,599

resistance would be

1751

01:05:17,190 --> 01:05:15,280

worse than the french resistance to

1752

01:05:18,309 --> 01:05:17,200

hitler it'd destroy the unity they were

1753

01:05:21,109 --> 01:05:18,319

trying to get

1754

01:05:21,990 --> 01:05:21,119

so by peaceful discussion over the

1755

01:05:25,190 --> 01:05:22,000

conference table

1756

01:05:26,630 --> 01:05:25,200

and by force it wasn't possible yet as

1757

01:05:27,589 --> 01:05:26,640

the scientific community looked at this

1758

01:05:29,349 --> 01:05:27,599

new technology

1759

01:05:31,029 --> 01:05:29,359

it reached into all human endeavor

1760

01:05:33,910 --> 01:05:31,039

touched many points of life

1761

01:05:35,589 --> 01:05:33,920

they said look if we develop this

1762

01:05:38,230 --> 01:05:35,599

completely develop it into a social

1763

01:05:40,069 --> 01:05:38,240

technological integrated model

1764

01:05:41,670 --> 01:05:40,079

away from the rest of people in islands

1765

01:05:44,069 --> 01:05:41,680

or in back rooms however we do it keep

1766

01:05:48,710 --> 01:05:44,079

it quite even from the politicians

1767

01:05:50,630 --> 01:05:48,720

at some point later after 1956 57 58

1768

01:05:53,029 --> 01:05:50,640

some point later we'll have it ready to

1769

01:05:55,029 --> 01:05:53,039

announce to the world as a global system

1770

01:05:57,190 --> 01:05:55,039

then all we've got to do is figure out

1771

01:05:59,430 --> 01:05:57,200

how to convince them to give it a try

1772

01:06:00,549 --> 01:05:59,440

in unity right well this this was 20

1773

01:06:02,630 --> 01:06:00,559

years ago

1774

01:06:04,069 --> 01:06:02,640

are we now saying that this is

1775

01:06:06,549 --> 01:06:04,079

approaching the time

1776

01:06:08,069 --> 01:06:06,559

i think we are and it's not like some

1777

01:06:11,109 --> 01:06:08,079

prophecy or something it's

1778

01:06:11,750 --> 01:06:11,119

just looking at events in the media for

1779

01:06:13,430 --> 01:06:11,760

the first

1780

01:06:15,349 --> 01:06:13,440

10 years of that 20-year period you're

1781

01:06:16,870 --> 01:06:15,359

talking about people that saw ufos or

1782

01:06:18,230 --> 01:06:16,880

flying saucers were nuts

1783

01:06:20,549 --> 01:06:18,240

they were played that way in the media

1784

01:06:22,470 --> 01:06:20,559

it was a bad thing to even talk about it

1785

01:06:24,390 --> 01:06:22,480

now toward the end of this 20-year

1786

01:06:25,829 --> 01:06:24,400

period if you see one

1787

01:06:27,109 --> 01:06:25,839

you're a great guy in the neighborhood

1788

01:06:28,309 --> 01:06:27,119

everybody wants to talk to everybody

1789

01:06:30,309 --> 01:06:28,319

wants to know you

1790

01:06:32,390 --> 01:06:30,319

pilots physicists all kinds of people

1791

01:06:35,829 --> 01:06:32,400

are coming forward now presidents

1792

01:06:37,829 --> 01:06:35,839

dictators yes i've seen a ufo now

1793

01:06:39,510 --> 01:06:37,839

to me the shift in the public

1794

01:06:42,470 --> 01:06:39,520

conditioning

1795

01:06:44,069 --> 01:06:42,480

medium is to get people ready for the

1796

01:06:45,589 --> 01:06:44,079

announcement of the new technology

1797

01:06:46,789 --> 01:06:45,599

now scientists aren't going to come out

1798

01:06:48,470 --> 01:06:46,799

industrious aren't going to come out and

1799

01:06:51,029 --> 01:06:48,480

say okay here it is children

1800

01:06:53,190 --> 01:06:51,039

here you go the new model for planet

1801

01:06:56,150 --> 01:06:53,200

earth using this technology

1802

01:06:57,430 --> 01:06:56,160

must be independent of any established

1803

01:06:59,990 --> 01:06:57,440

government or order

1804

01:07:01,589 --> 01:07:00,000

it can't be russian or capitalist or

1805

01:07:02,870 --> 01:07:01,599

dictatorial it's got to be independent

1806

01:07:04,870 --> 01:07:02,880

and the only way you can do it is a

1807

01:07:06,150 --> 01:07:04,880

an external culture whether it be called

1808

01:07:07,829 --> 01:07:06,160

from the ocean bottom

1809

01:07:09,270 --> 01:07:07,839

uh whether it's from the bermuda

1810

01:07:10,150 --> 01:07:09,280

triangle or whether it's from outer

1811

01:07:12,309 --> 01:07:10,160

space

1812

01:07:13,670 --> 01:07:12,319

they have got to see it in this way so

1813

01:07:15,670 --> 01:07:13,680

that for a short time

1814

01:07:17,190 --> 01:07:15,680

the masses will overlook their cultural

1815

01:07:20,789 --> 01:07:17,200

differences to unite

1816

01:07:22,150 --> 01:07:20,799

to form this one world order then

1817

01:07:23,670 --> 01:07:22,160

after seven or eight years if you can

1818

01:07:25,510 --> 01:07:23,680

hold the ruse that long you explain to

1819

01:07:27,670 --> 01:07:25,520

them this is how we brought peace

1820

01:07:29,029 --> 01:07:27,680

i still maintain i don't think that it

1821

01:07:32,069 --> 01:07:29,039

will work because at the top

1822

01:07:34,390 --> 01:07:32,079

these organizations are fighting

1823

01:07:36,309 --> 01:07:34,400

i'd like to ask you a direct question

1824

01:07:39,670 --> 01:07:36,319

you work in the field of

1825

01:07:41,670 --> 01:07:39,680

anti-gravity could you make what we call

1826

01:07:43,670 --> 01:07:41,680

a flying saucer oh yes with adequate

1827

01:07:45,589 --> 01:07:43,680

funds and time sure

1828

01:07:47,349 --> 01:07:45,599

i'd still be doing it for the research

1829

01:07:48,710 --> 01:07:47,359

organizations if i hadn't differed

1830

01:07:50,549 --> 01:07:48,720

in philosophy that's where i got in

1831

01:07:51,750 --> 01:07:50,559

trouble because i stood up and said why

1832

01:07:56,069 --> 01:07:51,760

are you doing this

1833

01:07:57,430 --> 01:07:56,079

and it wasn't for me to know ufos if

1834

01:07:58,789 --> 01:07:57,440

they don't exist or these electric

1835

01:08:00,549 --> 01:07:58,799

flying saucers

1836

01:08:02,470 --> 01:08:00,559

yeah if they don't exist in our current

1837

01:08:04,150 --> 01:08:02,480

technology i'll give it to the world

1838

01:08:06,390 --> 01:08:04,160

i'll be a hero but i'll tell you right

1839

01:08:09,430 --> 01:08:06,400

now i don't need to do that

1840

01:08:12,630 --> 01:08:09,440

it's already done this does not mean

1841

01:08:13,109 --> 01:08:12,640

that in the past before 47 49 whenever

1842

01:08:15,670 --> 01:08:13,119

the first

1843

01:08:17,269 --> 01:08:15,680

flying saucers were supposedly sited in

1844

01:08:19,749 --> 01:08:17,279

this planet does not mean

1845

01:08:20,390 --> 01:08:19,759

that the time before that was to be

1846

01:08:23,269 --> 01:08:20,400

explained by

1847

01:08:24,870 --> 01:08:23,279

earth technology it wasn't even back in

1848

01:08:28,070 --> 01:08:24,880

the bible and

1849

01:08:28,950 --> 01:08:28,080

uh mooses encounter with god in the

1850

01:08:31,269 --> 01:08:28,960

flaming bush

1851  
01:08:32,789 --> 01:08:31,279  
and uh don't uh walk on this ground with

1852  
01:08:34,470 --> 01:08:32,799  
your shoes on take one off it sounded

1853  
01:08:37,590 --> 01:08:34,480  
like he was in a field any rate

1854  
01:08:38,470 --> 01:08:37,600  
and ezekeil's flaming chariot you go

1855  
01:08:40,149 --> 01:08:38,480  
back

1856  
01:08:41,829 --> 01:08:40,159  
thousands of years and you find we had

1857  
01:08:43,669 --> 01:08:41,839  
encounters with things that could only

1858  
01:08:45,269 --> 01:08:43,679  
be explained in their own words as being

1859  
01:08:47,269 --> 01:08:45,279  
from the heavens

1860  
01:08:49,189 --> 01:08:47,279  
in the last two thousand years after the

1861  
01:08:52,149 --> 01:08:49,199  
birth of christ we find that

1862  
01:08:53,910 --> 01:08:52,159  
these encounter cases were many of them

1863  
01:08:55,110 --> 01:08:53,920

more bizarre where they didn't have the

1864

01:08:57,749 --> 01:08:55,120

same

1865

01:08:58,630 --> 01:08:57,759

good side to them people suffered

1866

01:09:01,349 --> 01:08:58,640

headaches

1867

01:09:02,950 --> 01:09:01,359

some cases disappearance livestock were

1868

01:09:04,229 --> 01:09:02,960

cut apart and the blood drained out them

1869

01:09:06,709 --> 01:09:04,239

you see it quite frequently now

1870

01:09:07,990 --> 01:09:06,719

it seems as though the more recent uh

1871

01:09:09,269 --> 01:09:08,000

contact cases from these

1872

01:09:12,229 --> 01:09:09,279

extraterrestrial origins

1873

01:09:14,309 --> 01:09:12,239

have been malevolent or bad whereas the

1874

01:09:14,950 --> 01:09:14,319

old testament versions were benevolent

1875

01:09:19,349 --> 01:09:14,960

or good

1876

01:09:21,910 --> 01:09:19,359

we do have the technology now to

1877

01:09:22,630 --> 01:09:21,920

give ufos with electric flying saucers

1878

01:09:25,510 --> 01:09:22,640

to the world

1879

01:09:26,309 --> 01:09:25,520

it is a when i say way it's a joint

1880

01:09:28,070 --> 01:09:26,319

scientific

1881

01:09:29,990 --> 01:09:28,080

effort from many of the countries of the

1882

01:09:31,269 --> 01:09:30,000

world russia united states england

1883

01:09:34,309 --> 01:09:31,279

canada

1884

01:09:35,990 --> 01:09:34,319

now it is just the manner in which to

1885

01:09:37,430 --> 01:09:36,000

announce it

1886

01:09:40,149 --> 01:09:37,440

what we have here is the tip of the

1887

01:09:42,309 --> 01:09:40,159

iceberg with the anti-gravity device the

1888

01:09:43,669 --> 01:09:42,319

flying saucer we've been discussing

1889

01:09:44,950 --> 01:09:43,679

there are many other things that the

1890

01:09:47,189 --> 01:09:44,960

technology offers

1891

01:09:49,510 --> 01:09:47,199

new medicine which allows limbs to be

1892

01:09:50,550 --> 01:09:49,520

regrown through electric field processes

1893

01:09:54,390 --> 01:09:50,560

and plasma

1894

01:09:57,350 --> 01:09:54,400

research bioplasma the tissue

1895

01:09:59,350 --> 01:09:57,360

restructuring we have devices which can

1896

01:10:01,510 --> 01:09:59,360

transmit power around the entire planet

1897

01:10:03,189 --> 01:10:01,520

without wires so that you can tune to

1898

01:10:04,709 --> 01:10:03,199

electricity stations like you would tune

1899

01:10:05,510 --> 01:10:04,719

to a radio station but it would run your

1900

01:10:07,030 --> 01:10:05,520

house or your

1901

01:10:08,709 --> 01:10:07,040

caravan or wherever you are in the bush

1902

01:10:11,110 --> 01:10:08,719

or the water or the air

1903

01:10:12,870 --> 01:10:11,120

we have theory now but i don't think any

1904

01:10:14,630 --> 01:10:12,880

practical devices that would allow us to

1905

01:10:16,630 --> 01:10:14,640

go faster than the speed of light

1906

01:10:19,189 --> 01:10:16,640

and traverse many light years of

1907

01:10:22,310 --> 01:10:19,199

distance in a very very short time

1908

01:10:24,070 --> 01:10:22,320

using the same technique that we used to

1909

01:10:26,709 --> 01:10:24,080

break the sound barrier where we

1910

01:10:28,149 --> 01:10:26,719

warp the shock wave perhaps this is

1911

01:10:30,149 --> 01:10:28,159

where star trek developed their

1912

01:10:31,510 --> 01:10:30,159

terminology warp factor 1 and warp

1913

01:10:34,709 --> 01:10:31,520

factor 2.

1914

01:10:36,310 --> 01:10:34,719

we have devices to make weapons which is

1915

01:10:37,669 --> 01:10:36,320

an unfortunate thing could be used for

1916

01:10:39,750 --> 01:10:37,679

other applications but

1917

01:10:42,550 --> 01:10:39,760

in transmitting power in little hand or

1918

01:10:46,470 --> 01:10:42,560

backpack units or even

1919

01:10:48,630 --> 01:10:46,480

on tops of the decks of ships that shoot

1920

01:10:50,790 --> 01:10:48,640

smoke rings or charged particle rings

1921

01:10:53,110 --> 01:10:50,800

like smoke rings at targets long

1922

01:10:54,149 --> 01:10:53,120

distances away and strike them with

1923

01:10:56,550 --> 01:10:54,159

enough force to

1924

01:10:58,790 --> 01:10:56,560

electrocute or burn the target depending

1925

01:11:00,470 --> 01:10:58,800

upon what frequencies are used

1926

01:11:02,470 --> 01:11:00,480

there are numerous things there is even

1927

01:11:04,630 --> 01:11:02,480

a way to use this process to control

1928

01:11:06,550 --> 01:11:04,640

mines at a distance of 10 to 15 miles

1929

01:11:07,910 --> 01:11:06,560

from a center central transmitter

1930

01:11:09,990 --> 01:11:07,920

where people aren't even aware of it

1931

01:11:13,110 --> 01:11:10,000

during their sleep some

1932

01:11:14,070 --> 01:11:13,120

what like post hypnotic suggestion this

1933

01:11:34,970 --> 01:11:14,080

in the wrong hands

1934

01:11:34,980 --> 01:12:10,470

[Music]

1935

01:12:15,110 --> 01:12:13,189

we have to have 15 million witnesses
