[Music]

2
00:00:33,830 --> 00:00:32,229

hey terry take a look at these four

3
00:00:35,030 --> 00:00:33,840

targets they've been in this approximate

4
00:00:36,389 --> 00:00:35,040

area for over an hour

5
00:00:37,830 --> 00:00:36,399

you've never seen anything like it they

6
00:00:40,310 --> 00:00:37,840

hover for a while and then jump to

7
00:00:42,229 --> 00:00:40,320

another location

8
00:00:44,069 --> 00:00:42,239

they moved five miles in one update

9
00:00:45,910 --> 00:00:44,079

several minutes ago that's over 3000

10
00:00:47,350 --> 00:00:45,920

miles an hour

11
00:00:48,790 --> 00:00:47,360

have you checked with the military to

12
00:00:49,350 --> 00:00:48,800

see if they have anything going out

13
00:00:50,630 --> 00:00:49,360

there

14

00:00:52,310 --> 00:00:50,640

yeah and they don't have any scheduled

15

00:00:53,830 --> 00:00:52,320

activity tonight and a weather balloon

16

00:00:55,590 --> 00:00:53,840

couldn't begin to do that

17

00:00:57,590 --> 00:00:55,600

well try broadcasting in the blind and

18

00:00:59,270 --> 00:00:57,600

see if you get any reply

19

00:01:01,110 --> 00:00:59,280

this is magoo approach control any

20

00:01:01,910 --> 00:01:01,120

aircraft within 10 nautical miles of

21

00:01:03,990 --> 00:01:01,920

oxnard field

22

00:01:08,149 --> 00:01:04,000

identify yourself or repeat identify

23

00:01:12,550 --> 00:01:10,950

there's pacific 618 ask him if he sees

24

00:01:14,789 --> 00:01:12,560

anything

25

00:01:16,789 --> 00:01:14,799

pacific 618 this is magoo approach

26
00:01:20,070 --> 00:01:16,799
traffic at 10 o'clock close proximity do

27
00:01:24,789 --> 00:01:23,270
pacific 618 has two bright lights nine

28
00:01:31,270 --> 00:01:24,799
and ten o'clock position

29
00:01:35,590 --> 00:01:34,230
we're painting only one target now but

30
00:01:37,030 --> 00:01:35,600
just a second

31
00:01:40,310 --> 00:01:37,040
it seems to be jumping around at

32
00:01:42,870 --> 00:01:40,320
tremendous speeds

33
00:01:43,749 --> 00:01:42,880
look at that thing go what do you make

34
00:01:46,950 --> 00:01:43,759
of that

35
00:01:49,429 --> 00:01:46,960
you got me could be military

36
00:01:50,469 --> 00:01:49,439
there it is again you go to contact la

37
00:01:53,510 --> 00:01:50,479
approached

38
00:01:54,789 --> 00:01:53,520

la approaches a specific flight 618 four

39

00:01:58,069 --> 00:01:54,799

miles northwest of

40

00:01:59,910 --> 00:01:58,079

malibu roger pacific this is los angeles

41

00:02:02,310 --> 00:01:59,920

approach control

42

00:02:03,270 --> 00:02:02,320

we've got a large white light directly

43

00:02:06,230 --> 00:02:03,280

ahead of us

44

00:02:08,469 --> 00:02:06,240

estimated range about a mile uh

45

00:02:11,910 --> 00:02:08,479

maintaining the separation

46

00:02:12,470 --> 00:02:11,920

and uh it's playing some strange games

47

00:02:15,430 --> 00:02:12,480

with us

48

00:02:17,830 --> 00:02:15,440

do you show any traffic we show nothing

49

00:02:21,030 --> 00:02:17,840

on radar anywhere near you

50

00:02:23,190 --> 00:02:21,040

impossible there goes again

51
00:02:25,990 --> 00:02:23,200
that can't be a plane how they approach

52
00:02:28,229 --> 00:02:26,000
specific 618. did you just see that

53
00:02:30,309 --> 00:02:28,239
i've told you we have nothing and you

54
00:02:34,309 --> 00:02:30,319
have nothing

55
00:02:37,509 --> 00:02:36,309
what you've seen is a reenactment of an

56
00:02:40,630 --> 00:02:37,519
incident that took place

57
00:02:42,229 --> 00:02:40,640
five years ago to this day it remains

58
00:02:43,990 --> 00:02:42,239
unexplained

59
00:02:45,830 --> 00:02:44,000
these people have joined the ranks of

60
00:02:47,270 --> 00:02:45,840
hundreds of others who have also

61
00:03:02,830 --> 00:02:47,280
experienced one of the most

62
00:03:02,840 --> 00:03:12,149
ufos

63
00:03:16,229 --> 00:03:14,550

if you study the sky in a planetarium

64

00:03:19,030 --> 00:03:16,239

you can be pretty certain that any of

65

00:03:22,229 --> 00:03:19,040

your questions can be answered

66

00:03:23,910 --> 00:03:22,239

but if you observe the real night sky

67

00:03:25,430 --> 00:03:23,920

there is a chance that you may see

68

00:03:26,710 --> 00:03:25,440

something moving that you don't

69

00:03:31,350 --> 00:03:26,720

recognize

70

00:03:33,509 --> 00:03:31,360

a ufo an unidentified flying object

71

00:03:35,350 --> 00:03:33,519

for the untrained observer it is easy to

72

00:03:37,190 --> 00:03:35,360

be fooled and there's usually some

73

00:03:39,670 --> 00:03:37,200

simple explanation

74

00:03:41,750 --> 00:03:39,680

but as you've just seen even for people

75

00:03:43,430 --> 00:03:41,760

who are used to watching the sky

76

00:03:45,110 --> 00:03:43,440

there are some things that defy

77

00:03:48,390 --> 00:03:45,120

explanation

78

00:03:49,030 --> 00:03:48,400

hello i'm peter coyote and in the movie

79

00:03:51,750 --> 00:03:49,040

et

80

00:03:54,070 --> 00:03:51,760

i play a ufo investigator who like

81

00:03:55,670 --> 00:03:54,080

myself has always wanted to have a ufo

82

00:03:57,589 --> 00:03:55,680

experience

83

00:03:59,990 --> 00:03:57,599

i think that many people are fascinated

84

00:04:03,509 --> 00:04:00,000

by the possibility that ufos might be

85

00:04:05,429 --> 00:04:03,519

spacecraft piloted by intelligent beings

86

00:04:07,990 --> 00:04:05,439

in my case it's a curiosity that's

87

00:04:10,470 --> 00:04:08,000

existed for more than 30 years

88

00:04:13,270 --> 00:04:10,480

but the real question is is there any

89

00:04:15,270 --> 00:04:13,280

validity to the ufo experience

90

00:04:18,390 --> 00:04:15,280

anything beyond just our wishful

91

00:04:21,670 --> 00:04:20,150

about ninety percent of the objects that

92

00:04:24,550 --> 00:04:21,680

are reported as ufos

93

00:04:26,710 --> 00:04:24,560

are explainable usually they turn out to

94

00:04:28,150 --> 00:04:26,720

be celestial bodies or military and

95

00:04:30,629 --> 00:04:28,160

civilian aircraft

96

00:04:32,390 --> 00:04:30,639

and a certain number of them are hoaxes

97

00:04:35,510 --> 00:04:32,400

like this one

98

00:04:37,909 --> 00:04:35,520

and this one to the skeptics

99

00:04:39,430 --> 00:04:37,919

35 years of investigations have failed

100

00:04:42,390 --> 00:04:39,440

to turn up any evidence

101
00:04:44,469 --> 00:04:42,400
that ufos really exist one of the

102
00:04:44,950 --> 00:04:44,479
leading critics is aviation writer

103
00:04:49,270 --> 00:04:44,960
philip

104
00:04:50,310 --> 00:04:49,280
class we've had tens of thousands of ufo

105
00:04:54,230 --> 00:04:50,320
reports

106
00:04:57,110 --> 00:04:54,240
yet there is not a single not a single

107
00:04:58,950 --> 00:04:57,120
photograph of an extraordinary

108
00:05:01,830 --> 00:04:58,960
craft-like object

109
00:05:03,510 --> 00:05:01,840
that cannot be explained as a hoax or in

110
00:05:07,670 --> 00:05:03,520
other prosaic terms

111
00:05:10,710 --> 00:05:07,680
there is not a single physical artifact

112
00:05:14,070 --> 00:05:10,720
not a residue that would say

113
00:05:16,230 --> 00:05:14,080

something extraordinary is underway

114

00:05:17,189 --> 00:05:16,240

then are ufos just part of our modern

115

00:05:20,230 --> 00:05:17,199

mythology

116

00:05:21,670 --> 00:05:20,240

reflected in hollywood films all through

117

00:05:22,790 --> 00:05:21,680

history mankind has always looked to the

118

00:05:24,390 --> 00:05:22,800

skies for help

119

00:05:26,390 --> 00:05:24,400

in times of tension they've always

120

00:05:28,629 --> 00:05:26,400

looked to the skies and today when we

121

00:05:32,150 --> 00:05:28,639

have the possible

122

00:05:34,469 --> 00:05:32,160

the fear of nuclear holocaust

123

00:05:36,390 --> 00:05:34,479

of overpopulation of pollution of the

124

00:05:37,430 --> 00:05:36,400

energy crisis my gosh what's more

125

00:05:39,350 --> 00:05:37,440

natural

126

00:05:40,629 --> 00:05:39,360

for the people than to say wouldn't it

127

00:05:42,310 --> 00:05:40,639

be nice if some

128

00:05:44,950 --> 00:05:42,320

intelligence could come in from above

129

00:05:46,710 --> 00:05:44,960

and help us out with all this stuff

130

00:05:49,590 --> 00:05:46,720

astronomer alan heineck has been

131

00:05:51,350 --> 00:05:49,600

studying ufos for over 30 years now

132

00:05:53,110 --> 00:05:51,360

and he's convinced that there's nothing

133

00:05:55,189 --> 00:05:53,120

fictional about them

134

00:05:57,189 --> 00:05:55,199

starting as a complete skeptic i

135

00:06:00,469 --> 00:05:57,199

underwent a transformation

136

00:06:02,150 --> 00:06:00,479

and now i've simply um it's i guess the

137

00:06:03,909 --> 00:06:02,160

best way of saying it is it's an itch

138

00:06:07,510 --> 00:06:03,919

that i just have to scratch

139

00:06:11,189 --> 00:06:07,520

it's it's um there and it i feel that

140

00:06:11,909 --> 00:06:11,199

we have a phenomenon that is uh could be

141

00:06:17,110 --> 00:06:11,919

of

142

00:06:19,430 --> 00:06:17,120

human race i feel that strongly about it

143

00:06:20,790 --> 00:06:19,440

so who is right the believer or the

144

00:06:22,710 --> 00:06:20,800

skeptic

145

00:06:38,320 --> 00:06:22,720

in a moment we'll look at the evidence

146

00:06:38,330 --> 00:06:47,590

[Music]

147

00:06:51,909 --> 00:06:49,749

an unidentified flying object that's

148

00:06:53,110 --> 00:06:51,919

what people reported seeing on march of

149

00:06:56,230 --> 00:06:53,120

1982

150

00:06:58,150 --> 00:06:56,240

circling the sky over san francisco at

151
00:07:00,070 --> 00:06:58,160
least a half dozen people say they saw a

152
00:07:00,790 --> 00:07:00,080
ufo near the golden gate bridge this

153
00:07:03,029 --> 00:07:00,800
morning

154
00:07:04,629 --> 00:07:03,039
a cluster of lights was first spotted by

155
00:07:07,749 --> 00:07:04,639
one commuter crossing the bridge

156
00:07:09,670 --> 00:07:07,759
just after 6am it looked neon

157
00:07:11,110 --> 00:07:09,680
and it was just kind of hovering and it

158
00:07:14,629 --> 00:07:11,120
looked like a big white wing

159
00:07:16,710 --> 00:07:14,639
you know to me each year hundreds of

160
00:07:19,670 --> 00:07:16,720
people claim to see ufos

161
00:07:21,430 --> 00:07:19,680
most are eventually identified this

162
00:07:23,270 --> 00:07:21,440
particular object turned out to be an

163
00:07:25,940 --> 00:07:23,280

advertising plane which is frequently

164

00:07:27,749 --> 00:07:25,950

mistaken for a ufo

165

00:07:29,510 --> 00:07:27,759

[Music]

166

00:07:31,189 --> 00:07:29,520

when people do see things in the sky

167

00:07:34,230 --> 00:07:31,199

that mystify them

168

00:07:35,430 --> 00:07:34,240

who can they turn to publicly government

169

00:07:38,550 --> 00:07:35,440

agencies claim no

170

00:07:38,950 --> 00:07:38,560

interest in ufo sightings this leaves a

171

00:07:41,430 --> 00:07:38,960

few

172

00:07:43,430 --> 00:07:41,440

small private organizations the task of

173

00:07:45,749 --> 00:07:43,440

investigating the literally hundreds of

174

00:07:47,909 --> 00:07:45,759

ufo sightings every year

175

00:07:49,029 --> 00:07:47,919

these organizations are small and have

176

00:07:51,510 --> 00:07:49,039

tiny budgets

177

00:07:53,589 --> 00:07:51,520

and are staffed by volunteers who must

178

00:07:58,550 --> 00:07:53,599

investigate these eyewitness reports in

179

00:08:00,550 --> 00:07:58,560

their spare time

180

00:08:02,230 --> 00:08:00,560

tom page is a high school astronomy

181

00:08:04,550 --> 00:08:02,240

teacher in northern california

182

00:08:06,629 --> 00:08:04,560

on weekends and whenever time allows

183

00:08:07,909 --> 00:08:06,639

he's a field investigator for the mutual

184

00:08:10,309 --> 00:08:07,919

ufo network

185

00:08:12,390 --> 00:08:10,319

one of the largest groups in the country

186

00:08:15,029 --> 00:08:12,400

one of his more recent cases involves a

187

00:08:17,029 --> 00:08:15,039

young pilot from novato california

188

00:08:19,749 --> 00:08:17,039

shannon davis is a flight instructor who

189

00:08:26,710 --> 00:08:19,759

has logged over 3000 hours in the air

190

00:08:28,309 --> 00:08:26,720

600 of those at night

191

00:08:31,110 --> 00:08:28,319

his sighting on the night of november

192

00:08:34,310 --> 00:08:31,120

5th 1980 is typical of the five to ten

193

00:08:36,709 --> 00:08:34,320

percent that remain unidentified

194

00:08:38,230 --> 00:08:36,719

i noticed the light up in my left wing

195

00:08:39,430 --> 00:08:38,240

at about the seven o'clock position of

196

00:08:41,750 --> 00:08:39,440

the airplane

197

00:08:44,470 --> 00:08:41,760

and because i was in radar contact with

198

00:08:46,310 --> 00:08:44,480

oakland center because the ifr flight

199

00:08:47,590 --> 00:08:46,320

i asked them how close that aircraft was

200

00:08:49,990 --> 00:08:47,600

from us and they said that they didn't

201
00:08:51,269 --> 00:08:50,000
show anything on radar out there

202
00:08:53,430 --> 00:08:51,279
then i noticed that it pulled up

203
00:08:55,670 --> 00:08:53,440
alongside my left wing

204
00:08:57,590 --> 00:08:55,680
it was a bullet shape rounded at the

205
00:08:58,949 --> 00:08:57,600
front that widened out and tapered to a

206
00:09:00,550 --> 00:08:58,959
point at the end

207
00:09:02,710 --> 00:09:00,560
but one of the things i really wondered

208
00:09:04,550 --> 00:09:02,720
about it is around the main body the

209
00:09:06,630 --> 00:09:04,560
center but just past the nose

210
00:09:08,389 --> 00:09:06,640
there was a ring spinning around and it

211
00:09:10,230 --> 00:09:08,399
did a couple of things simultaneously

212
00:09:12,710 --> 00:09:10,240
what happened is the pulsation

213
00:09:14,710 --> 00:09:12,720

quickened up on the nose and the whole

214

00:09:16,870 --> 00:09:14,720

thing went to a very bright color

215

00:09:18,949 --> 00:09:16,880

at the same time the ring seemed to spin

216

00:09:20,550 --> 00:09:18,959

faster until that whole ring disappeared

217

00:09:22,070 --> 00:09:20,560

and with a matter of seconds the

218

00:09:23,030 --> 00:09:22,080

brightness of the object appeared to be

219

00:09:25,509 --> 00:09:23,040

just like a

220

00:09:26,949 --> 00:09:25,519

blowing bright fireball and i kind of

221

00:09:28,389 --> 00:09:26,959

jumped because at first i

222

00:09:30,230 --> 00:09:28,399

was i guess i was thinking it was some

223

00:09:32,630 --> 00:09:30,240

kind of missile that was detonated

224

00:09:33,269 --> 00:09:32,640

and the thing took off forward and it

225

00:09:34,790 --> 00:09:33,279

shot out

226

00:09:37,269 --> 00:09:34,800

to forward of the nose i estimate about

227

00:09:39,910 --> 00:09:37,279

two or three miles ahead of the aircraft

228

00:09:41,750 --> 00:09:39,920

and it made an instantaneous 90 degree

229

00:09:42,389 --> 00:09:41,760

right angle turn and it went vertical

230

00:09:44,790 --> 00:09:42,399

until

231

00:09:45,750 --> 00:09:44,800

it went up out of sight and i sat there

232

00:09:49,829 --> 00:09:45,760

looking at it

233

00:09:53,990 --> 00:09:51,670

five minutes later shannon saw the

234

00:09:54,790 --> 00:09:54,000

object again and it repeated the same

235

00:09:57,269 --> 00:09:54,800

pattern

236

00:09:58,310 --> 00:09:57,279

only this time two pilots flying in the

237

00:10:07,350 --> 00:09:58,320

opposite direction

238

00:10:10,949 --> 00:10:09,269

i have to the best my knowledge rule on

239

00:10:12,069 --> 00:10:10,959

any kind of meteor or shooting star

240

00:10:13,590 --> 00:10:12,079

because i don't know if any meteor

241

00:10:15,110 --> 00:10:13,600

that'll come alongside

242

00:10:17,030 --> 00:10:15,120

pace you and then take off forward and

243

00:10:19,110 --> 00:10:17,040

go vertical okay

244

00:10:20,470 --> 00:10:19,120

any kind of spacecraft or military

245

00:10:21,829 --> 00:10:20,480

aircraft

246

00:10:22,870 --> 00:10:21,839

technically that was defined all

247

00:10:24,550 --> 00:10:22,880

physical laws would make an

248

00:10:25,670 --> 00:10:24,560

instantaneous 90 degree turn

249

00:10:27,750 --> 00:10:25,680

according to the laws of physics that

250

00:10:29,750 --> 00:10:27,760

can't be done and you know i watched it

251
00:10:32,389 --> 00:10:29,760
do it twice

252
00:10:34,790 --> 00:10:32,399
the first step in any ufo investigation

253
00:10:36,710 --> 00:10:34,800
is to check out witness credibility

254
00:10:38,069 --> 00:10:36,720
in this particular case it was easy

255
00:10:41,269 --> 00:10:38,079
since tom already knew

256
00:10:43,750 --> 00:10:41,279
shannon i first met shannon davis

257
00:10:45,190 --> 00:10:43,760
as a student in one of my classes as far

258
00:10:46,550 --> 00:10:45,200
as the credibility of the weddings in

259
00:10:48,230 --> 00:10:46,560
this case i feel that this particular

260
00:10:49,110 --> 00:10:48,240
individual is telling the truth i think

261
00:10:51,190 --> 00:10:49,120
he's a very

262
00:10:52,150 --> 00:10:51,200
truthful individual he had no reason to

263
00:10:54,389 --> 00:10:52,160

lie

264

00:10:56,389 --> 00:10:54,399

and at the time he didn't want any

265

00:10:57,829 --> 00:10:56,399

publicity now he said that he would be

266

00:10:58,829 --> 00:10:57,839

willing to make this public just for

267

00:11:01,509 --> 00:10:58,839

scientific

268

00:11:02,870 --> 00:11:01,519

information but one witness does not

269

00:11:04,870 --> 00:11:02,880

make a strong case

270

00:11:05,910 --> 00:11:04,880

so tom tried to locate the other two

271

00:11:07,350 --> 00:11:05,920

pilots

272

00:11:08,470 --> 00:11:07,360

there's a possibility in this particular

273

00:11:09,350 --> 00:11:08,480

setting that there were two other

274

00:11:10,949 --> 00:11:09,360

witnesses two

275

00:11:13,750 --> 00:11:10,959

pilots who saw something come out

276

00:11:16,150 --> 00:11:13,760

overcast above shannon

277

00:11:17,990 --> 00:11:16,160

i do not know what airline they were

278

00:11:20,470 --> 00:11:18,000

from and shannon didn't either and were

279

00:11:22,550 --> 00:11:20,480

unable to contact them

280

00:11:24,790 --> 00:11:22,560

and what about radar during the

281

00:11:25,829 --> 00:11:24,800

encounter shannon radioed oakland center

282

00:11:28,949 --> 00:11:25,839

flight facility

283

00:11:30,389 --> 00:11:28,959

but their response was negative if a

284

00:11:32,949 --> 00:11:30,399

pilot would inform us

285

00:11:33,829 --> 00:11:32,959

that he had a sighting of a ufo in close

286

00:11:35,350 --> 00:11:33,839

proximity

287

00:11:37,350 --> 00:11:35,360

we would not be able to distinguish

288

00:11:38,870 --> 00:11:37,360

between he and that ufo would be all one

289

00:11:40,870 --> 00:11:38,880

target test

290

00:11:42,790 --> 00:11:40,880

could the object have been man-made or a

291

00:11:44,550 --> 00:11:42,800

natural phenomenon

292

00:11:46,069 --> 00:11:44,560

none of those things could do the things

293

00:11:47,750 --> 00:11:46,079

that this particular object did moving

294

00:11:49,350 --> 00:11:47,760

forward at a high speed making a right

295

00:11:51,269 --> 00:11:49,360

angle turn

296

00:11:52,550 --> 00:11:51,279

possibly military aircraft could but the

297

00:11:54,389 --> 00:11:52,560

military certainly wouldn't be telling

298

00:11:56,949 --> 00:11:54,399

us about it

299

00:11:57,990 --> 00:11:56,959

the case closed this is how the evidence

300

00:12:00,870 --> 00:11:58,000

stood

301
00:12:03,110 --> 00:12:00,880
was the main witness credible yes were

302
00:12:04,150 --> 00:12:03,120
other eyewitnesses contacted to support

303
00:12:07,430 --> 00:12:04,160
the story

304
00:12:10,150 --> 00:12:07,440
no was the object tracked on radar

305
00:12:12,230 --> 00:12:10,160
no could the object have been man-made

306
00:12:15,350 --> 00:12:12,240
or some celestial body

307
00:12:17,750 --> 00:12:15,360
inconclusive that's the problem we have

308
00:12:18,710 --> 00:12:17,760
is that we're basing the whole ufo study

309
00:12:20,710 --> 00:12:18,720
on

310
00:12:21,990 --> 00:12:20,720
uh the report of witnesses and we have

311
00:12:24,949 --> 00:12:22,000
to just determine whether these

312
00:12:26,629 --> 00:12:24,959
witnesses are telling truth or not

313
00:12:29,829 --> 00:12:26,639

shannon believes he saw something

314

00:12:31,590 --> 00:12:29,839

extraordinary and paige agrees with him

315

00:12:33,590 --> 00:12:31,600

but to the doubters without hard

316

00:12:35,910 --> 00:12:33,600

evidence they're inclined toward a more

317

00:12:39,110 --> 00:12:35,920

conventional explanation

318

00:12:42,150 --> 00:12:39,120

there are dozens simply dozens of things

319

00:12:44,550 --> 00:12:42,160

to be seen in the night skies and i

320

00:12:47,190 --> 00:12:44,560

say to any of your viewers if they will

321

00:12:50,230 --> 00:12:47,200

go out tonight if it's a clear night

322

00:12:52,949 --> 00:12:50,240

and spend three hours looking at the

323

00:12:54,389 --> 00:12:52,959

night skies i can almost guarantee them

324

00:12:57,829 --> 00:12:54,399

they will see something that will

325

00:13:00,550 --> 00:12:57,839

surprise them something unusual

326

00:13:02,310 --> 00:13:00,560

but ufologists like paige argue that the

327

00:13:03,670 --> 00:13:02,320

problem is not the validity of the

328

00:13:05,590 --> 00:13:03,680

eyewitness accounts

329

00:13:06,710 --> 00:13:05,600

but the lack of professionally trained

330

00:13:10,470 --> 00:13:06,720

full-time people

331

00:13:12,710 --> 00:13:10,480

to investigate cases like shannon's

332

00:13:14,389 --> 00:13:12,720

look we wouldn't have gone to the moon

333

00:13:16,069 --> 00:13:14,399

if we'd had to depend on people who

334

00:13:16,790 --> 00:13:16,079

could work only on weekends and without

335

00:13:20,310 --> 00:13:16,800

salary

336

00:13:23,750 --> 00:13:20,320

as a hobby uh

337

00:13:27,990 --> 00:13:23,760

the what we need in ufology

338

00:13:32,629 --> 00:13:30,790

not all ufo investigators are amateurs

339

00:13:34,230 --> 00:13:32,639

there are professionals and many with

340

00:13:36,550 --> 00:13:34,240

scientific backgrounds who are

341

00:13:38,790 --> 00:13:36,560

conducting diligent studies

342

00:13:40,550 --> 00:13:38,800

their efforts have brought ufo research

343

00:14:00,490 --> 00:13:40,560

out of the realm of fantasy

344

00:14:00,500 --> 00:14:09,189

[Music]

345

00:14:13,829 --> 00:14:11,509

in the last 40 years technology has

346

00:14:16,550 --> 00:14:13,839

moved us from an earthbound existence

347

00:14:18,790 --> 00:14:16,560

straight into the outer reaches of space

348

00:14:21,189 --> 00:14:18,800

and now that technological know-how is

349

00:14:22,550 --> 00:14:21,199

being used to try and unravel the ufo

350

00:14:24,710 --> 00:14:22,560

mystery

351
00:14:27,269 --> 00:14:24,720
john schussler is a mechanical engineer

352
00:14:29,030 --> 00:14:27,279
for mcdonnell douglas and nasa

353
00:14:31,350 --> 00:14:29,040
here at the johnson space center in

354
00:14:32,470 --> 00:14:31,360
houston schussler has worked on several

355
00:14:35,350 --> 00:14:32,480
space programs

356
00:14:38,069 --> 00:14:35,360
including skylab and the space shuttle

357
00:14:39,829 --> 00:14:38,079
shustler's lifelong interest in ufos

358
00:14:41,590 --> 00:14:39,839
prompted him to bring together other

359
00:14:44,230 --> 00:14:41,600
interested aerospace workers

360
00:14:45,910 --> 00:14:44,240
and form a group called visit our

361
00:14:48,310 --> 00:14:45,920
project visit

362
00:14:50,069 --> 00:14:48,320
is a very unique organization in that

363
00:14:52,470 --> 00:14:50,079

our acronym stands for vehicle

364

00:14:54,710 --> 00:14:52,480

internal systems investigative team and

365

00:14:57,350 --> 00:14:54,720

by that we mean that ufos

366

00:14:59,430 --> 00:14:57,360

if they exist must have internal systems

367

00:15:00,790 --> 00:14:59,440

as do our spacecraft such as the space

368

00:15:02,790 --> 00:15:00,800

shuttle

369

00:15:03,910 --> 00:15:02,800

we feel that by investigating cases

370

00:15:05,829 --> 00:15:03,920

where there are

371

00:15:07,590 --> 00:15:05,839

unique attributes such as medical

372

00:15:11,030 --> 00:15:07,600

injuries abductions

373

00:15:13,590 --> 00:15:11,040

trace effects materials metals

374

00:15:14,150 --> 00:15:13,600

photographs anything technological that

375

00:15:16,550 --> 00:15:14,160

we can

376

00:15:17,350 --> 00:15:16,560

take the end result and model it

377

00:15:20,069 --> 00:15:17,360

backtrack

378

00:15:22,870 --> 00:15:20,079

and define define and design exactly

379

00:15:26,710 --> 00:15:24,710

over the past several months shustler

380

00:15:29,030 --> 00:15:26,720

and his group have accumulated a file of

381

00:15:32,870 --> 00:15:29,040

a hundred cases of ufo encounters

382

00:15:36,949 --> 00:15:34,710

one of the most intriguing cases that

383

00:15:39,590 --> 00:15:36,959

schusler and his group are investigating

384

00:15:41,430 --> 00:15:39,600

involves these women betty cash vicki

385

00:15:44,629 --> 00:15:41,440

landrum and vicki's grandson

386

00:15:46,629 --> 00:15:44,639

colby in december of 1980

387

00:15:50,629 --> 00:15:46,639

the three of them encountered an unusual

388

00:15:55,189 --> 00:15:53,269

we had been driving out this country

389

00:15:58,389 --> 00:15:55,199

road which it is a

390

00:16:01,910 --> 00:15:58,399

very desolate area

391

00:16:06,790 --> 00:16:01,920

and all of a sudden we've seen this

392

00:16:09,670 --> 00:16:06,800

object so i didn't know whether to stop

393

00:16:12,470 --> 00:16:09,680

to back up keep going or what so we just

394

00:16:15,749 --> 00:16:12,480

kept driving

395

00:16:17,749 --> 00:16:15,759

we thought well maybe it's it's an

396

00:16:19,510 --> 00:16:17,759

air balloon or something you know

397

00:16:21,430 --> 00:16:19,520

weather balloon or something

398

00:16:24,550 --> 00:16:21,440

[Music]

399

00:16:27,590 --> 00:16:24,560

but the closer we got we could tell

400

00:16:30,710 --> 00:16:27,600

that either it was going to be us

401
00:16:34,790 --> 00:16:30,720
or it because it kept getting lower

402
00:16:40,470 --> 00:16:37,910
and this object come down

403
00:16:43,189 --> 00:16:40,480
almost to the treetops almost ahead of

404
00:16:45,189 --> 00:16:43,199
us and i screamed for betty to stop

405
00:16:54,150 --> 00:16:45,199
and i think if she hadn't stopped and we

406
00:17:00,470 --> 00:16:57,430
i got out in the car cobing me for about

407
00:17:01,910 --> 00:17:00,480
i guess a minute or two and he was

408
00:17:03,269 --> 00:17:01,920
screaming

409
00:17:04,949 --> 00:17:03,279
like he was trying to get away from me

410
00:17:05,909 --> 00:17:04,959
and then pulling me back in the car and

411
00:17:08,800 --> 00:17:05,919
i got back in the car

412
00:17:10,470 --> 00:17:08,810
and betty walked to the head of the car

413
00:17:12,870 --> 00:17:10,480

[Music]

414

00:17:13,909 --> 00:17:12,880

i thought it was the end of time because

415

00:17:17,669 --> 00:17:13,919

i've always been

416

00:17:19,909 --> 00:17:17,679

taught the bible says the world will be

417

00:17:23,350 --> 00:17:19,919

destroyed by fire

418

00:17:26,150 --> 00:17:23,360

hell and brimstone well how did i know

419

00:17:29,190 --> 00:17:26,160

that the hell in brimstone wasn't

420

00:17:33,909 --> 00:17:33,029

and as hot as it was if hell is any

421

00:17:37,350 --> 00:17:33,919

hotter

422

00:17:40,549 --> 00:17:37,360

god forbid i want to live a good life

423

00:17:43,750 --> 00:17:40,559

because it was just it was just almost

424

00:17:47,750 --> 00:17:45,669

i kept trying to calm kobe and i

425

00:17:48,470 --> 00:17:47,760

couldn't i had to tell him something

426
00:17:50,549 --> 00:17:48,480
that would

427
00:17:54,549 --> 00:17:50,559
come him and i said if you see this big

428
00:17:57,830 --> 00:17:54,559
man come out of it it'd be jesus

429
00:17:59,590 --> 00:17:57,840
well i just had a feeling to look up in

430
00:18:01,110 --> 00:17:59,600
the sky

431
00:18:03,430 --> 00:18:01,120
i looked around a little bit more and i

432
00:18:06,630 --> 00:18:03,440
saw that object

433
00:18:09,750 --> 00:18:06,640
it looked like a diamond it lit up the

434
00:18:15,590 --> 00:18:13,830
it was a grayish metallic looking color

435
00:18:19,909 --> 00:18:15,600
but yet the flames that was

436
00:18:23,510 --> 00:18:19,919
thrown out was a reddish yellowish

437
00:18:24,789 --> 00:18:23,520
looking glow besides the strange object

438
00:18:27,669 --> 00:18:24,799

they all claim to have seen

439

00:18:28,230 --> 00:18:27,679

several helicopters hovering around it

440

00:18:30,870 --> 00:18:28,240

just

441

00:18:31,750 --> 00:18:30,880

about the minute that i got up close

442

00:18:36,150 --> 00:18:31,760

enough to

443

00:18:39,990 --> 00:18:36,160

really make the shape of the

444

00:18:41,750 --> 00:18:40,000

object whatever it is the helicopters

445

00:18:44,310 --> 00:18:41,760

were there

446

00:18:45,750 --> 00:18:44,320

we was amazed at you know what kind of

447

00:18:46,789 --> 00:18:45,760

helicopters they were we were about

448

00:18:50,150 --> 00:18:46,799

scared to death

449

00:18:53,590 --> 00:18:50,160

the double rotary kind of helicopters

450

00:18:55,350 --> 00:18:53,600

i never saw one before whatever they saw

451
00:18:56,549 --> 00:18:55,360
that night the physical impact was

452
00:18:58,310 --> 00:18:56,559
immediate

453
00:19:01,350 --> 00:18:58,320
within hours they were suffering from

454
00:19:04,310 --> 00:19:01,360
severe headaches diarrhea and vomiting

455
00:19:07,029 --> 00:19:04,320
betty cash had the worst symptoms her

456
00:19:09,430 --> 00:19:07,039
main problem at that time was severe

457
00:19:10,310 --> 00:19:09,440
headache swelling of the face swelling

458
00:19:11,909 --> 00:19:10,320
of the eyelids

459
00:19:14,230 --> 00:19:11,919
and the swelling of the skull that is

460
00:19:16,230 --> 00:19:14,240
the the top of the head

461
00:19:18,310 --> 00:19:16,240
the fear of ridicule kept betty from

462
00:19:20,310 --> 00:19:18,320
telling about her ufo encounter

463
00:19:21,590 --> 00:19:20,320

but weeks later when patches of her hair

464

00:19:24,230 --> 00:19:21,600
started falling out

465

00:19:25,510 --> 00:19:24,240
she told her doctor about the incident

466

00:19:27,110 --> 00:19:25,520
specialists were brought in

467

00:19:29,029 --> 00:19:27,120
including a dermatologist and a

468

00:19:31,909 --> 00:19:29,039
radiologist to run tests

469

00:19:32,950 --> 00:19:31,919
they all turned up negative john

470

00:19:34,710 --> 00:19:32,960
schussler and his group

471

00:19:35,990 --> 00:19:34,720
started their own investigation several

472

00:19:38,310 --> 00:19:36,000
months later

473

00:19:39,830 --> 00:19:38,320
despite the inconclusive medical reports

474

00:19:42,070 --> 00:19:39,840
schussler believes that all three

475

00:19:42,950 --> 00:19:42,080
victims received some kind of radiation

476

00:19:46,230 --> 00:19:42,960

exposure

477

00:19:47,990 --> 00:19:46,240

caused by the ufo it's a package of

478

00:19:49,590 --> 00:19:48,000

symptoms that all three had

479

00:19:51,510 --> 00:19:49,600

and all three being different kinds of

480

00:19:53,590 --> 00:19:51,520

people that's the significant thing

481

00:19:55,029 --> 00:19:53,600

from their age their the past history

482

00:19:57,990 --> 00:19:55,039

medical history etc

483

00:19:59,350 --> 00:19:58,000

but they all had common symptoms the

484

00:20:01,590 --> 00:19:59,360

common symptoms all

485

00:20:04,470 --> 00:20:01,600

manifested themselves right after the

486

00:20:06,149 --> 00:20:04,480

incident starting within hours

487

00:20:08,630 --> 00:20:06,159

and what about the helicopters that were

488

00:20:10,470 --> 00:20:08,640

supposedly hovering around the object

489

00:20:12,870 --> 00:20:10,480

shustler's investigators found other

490

00:20:15,669 --> 00:20:12,880

witnesses who saw them

491

00:20:17,190 --> 00:20:15,679

the helicopters must have been military

492

00:20:19,350 --> 00:20:17,200

if they existed

493

00:20:20,390 --> 00:20:19,360

that has to be a given there are no

494

00:20:22,789 --> 00:20:20,400

civilian

495

00:20:23,830 --> 00:20:22,799

operations of ch-47 chinook type

496

00:20:27,750 --> 00:20:23,840

helicopters

497

00:20:29,669 --> 00:20:27,760

in the houston or gulf coast area

498

00:20:31,350 --> 00:20:29,679

major dennis hare is a commander with

499

00:20:33,029 --> 00:20:31,360

the national guard at ellington air

500

00:20:35,190 --> 00:20:33,039

force base near houston

501
00:20:37,270 --> 00:20:35,200
he says none of the chinooks in his unit

502
00:20:39,029 --> 00:20:37,280
flew the night of the incident

503
00:20:40,789 --> 00:20:39,039
i personally was not up in the air that

504
00:20:42,390 --> 00:20:40,799
night and and to the best of my

505
00:20:44,870 --> 00:20:42,400
knowledge uh

506
00:20:45,990 --> 00:20:44,880
no member of my unit or or the aircraft

507
00:20:48,630 --> 00:20:46,000
that's under my command

508
00:20:50,230 --> 00:20:48,640
were up in the air on that particular

509
00:20:52,549 --> 00:20:50,240
date

510
00:20:53,590 --> 00:20:52,559
a fleet of helicopters an unidentified

511
00:20:56,070 --> 00:20:53,600
flying object

512
00:20:57,909 --> 00:20:56,080
and three victims who were injured by it

513
00:21:00,950 --> 00:20:57,919

what do they all add up to

514

00:21:02,070 --> 00:21:00,960

no one is sure shusler and his group

515

00:21:04,070 --> 00:21:02,080

think that one possible

516

00:21:06,070 --> 00:21:04,080

explanation is that our government may

517

00:21:06,789 --> 00:21:06,080

have been testing a secret aircraft that

518

00:21:08,710 --> 00:21:06,799

night

519

00:21:10,310 --> 00:21:08,720

powered by some type of microwave

520

00:21:12,470 --> 00:21:10,320

propulsion system

521

00:21:14,310 --> 00:21:12,480

the craft may have gone out of control

522

00:21:17,590 --> 00:21:14,320

almost touching down when betty

523

00:21:18,310 --> 00:21:17,600

vicky and colby saw they have what would

524

00:21:21,909 --> 00:21:18,320

normally be

525

00:21:25,190 --> 00:21:21,919

seen from a heavy dose of microwave

526
00:21:27,350 --> 00:21:25,200
and possibly an x-ray component and we

527
00:21:29,990 --> 00:21:27,360
do know that pulsed microwave gives off

528
00:21:33,110 --> 00:21:30,000
an x-ray component

529
00:21:34,630 --> 00:21:33,120
if the military is involved they deny it

530
00:21:36,630 --> 00:21:34,640
citizens of the united states were

531
00:21:38,310 --> 00:21:36,640
subjected to chemical exposures

532
00:21:39,750 --> 00:21:38,320
radiation exposures and various other

533
00:21:41,990 --> 00:21:39,760
things over the past

534
00:21:43,590 --> 00:21:42,000
30 years at different times in the

535
00:21:44,710 --> 00:21:43,600
interest of research or military

536
00:21:46,549 --> 00:21:44,720
operations

537
00:21:47,990 --> 00:21:46,559
and a lot of those people kept saying

538
00:21:49,830 --> 00:21:48,000

hey look i was hurt

539

00:21:52,230 --> 00:21:49,840

believe me i was hurt and everybody said

540

00:21:54,789 --> 00:21:52,240

you're crazy it couldn't have happened

541

00:21:57,270 --> 00:21:54,799

as for betty and vicky they still suffer

542

00:22:00,070 --> 00:21:57,280

from hypersensitivity to heat

543

00:22:01,909 --> 00:22:00,080

i do expect them to take care of my

544

00:22:04,390 --> 00:22:01,919

medical bills

545

00:22:06,710 --> 00:22:04,400

and what i have had to go through with

546

00:22:08,789 --> 00:22:06,720

and what i'm still going through with

547

00:22:10,149 --> 00:22:08,799

and what i may have to continue for

548

00:22:12,070 --> 00:22:10,159

years

549

00:22:15,350 --> 00:22:12,080

i don't believe in the little green men

550

00:22:18,310 --> 00:22:15,360

and all of that stuff from outer space

551
00:22:19,909 --> 00:22:18,320
but if it's some something that people

552
00:22:21,830 --> 00:22:19,919
don't know about

553
00:22:23,029 --> 00:22:21,840
and it slipped in here and did that to

554
00:22:25,669 --> 00:22:23,039
us

555
00:22:26,870 --> 00:22:25,679
and the government say yet say they

556
00:22:30,470 --> 00:22:26,880
don't know about it

557
00:22:33,590 --> 00:22:30,480
when they had the helicopters up there

558
00:22:35,990 --> 00:22:33,600
we in a terrible shape

559
00:22:38,789 --> 00:22:36,000
because if it can happen to us it could

560
00:22:42,390 --> 00:22:38,799
happen to a whole city

561
00:22:43,909 --> 00:22:42,400
a postscript to the case vicky and betty

562
00:22:44,710 --> 00:22:43,919
have filed suit against the federal

563
00:22:46,549 --> 00:22:44,720

government

564

00:22:47,909 --> 00:22:46,559

attempting to win compensation for their

565

00:22:49,510 --> 00:22:47,919

injuries

566

00:22:51,430 --> 00:22:49,520

they remain firmly convinced that

567

00:22:54,549 --> 00:22:51,440

whatever it was they saw it was attached

568

00:22:56,549 --> 00:22:54,559

to the united states military

569

00:22:58,390 --> 00:22:56,559

after pressure from a texas congressman

570

00:23:00,549 --> 00:22:58,400

the u.s air force sent its own special

571

00:23:02,470 --> 00:23:00,559

investigator to look into the matter

572

00:23:04,310 --> 00:23:02,480

his report states that he was unable to

573

00:23:06,630 --> 00:23:04,320

find any connection whatsoever

574

00:23:08,549 --> 00:23:06,640

between the ufo and any branch of the

575

00:23:10,870 --> 00:23:08,559

u.s military

576

00:23:12,789 --> 00:23:10,880

and so the case remains unsolved but it

577

00:23:14,870 --> 00:23:12,799

does raise some questions

578

00:23:16,870 --> 00:23:14,880

is it possible that some unidentified

579

00:23:18,870 --> 00:23:16,880

flying objects could be secret u.s

580

00:23:21,909 --> 00:23:18,880

military test planes

581

00:23:47,990 --> 00:23:21,919

and if so what recourse do citizens have

582

00:23:55,669 --> 00:23:51,110

the earth it's so beautiful

583

00:23:55,679 --> 00:24:01,430

and what are you doing lying around

584

00:24:07,430 --> 00:24:04,789

or leaving the earth

585

00:24:09,750 --> 00:24:07,440

under deep regressive hypnosis carol del

586

00:24:11,190 --> 00:24:09,760

duca is recounting a bizarre story in

587

00:24:12,470 --> 00:24:11,200

which she was whisked away in a

588

00:24:15,110 --> 00:24:12,480

spaceship

589

00:24:16,870 --> 00:24:15,120

her husband joseph also under hypnosis

590

00:24:20,310 --> 00:24:16,880

tells the same story

591

00:24:22,310 --> 00:24:20,320

is it real or imagined in the whole area

592

00:24:24,710 --> 00:24:22,320

of ufo experiences

593

00:24:26,870 --> 00:24:24,720

the strangest and most controversial are

594

00:24:29,110 --> 00:24:26,880

the abduction cases

595

00:24:31,269 --> 00:24:29,120

since the early 1970s there have been

596

00:24:33,510 --> 00:24:31,279

well over 300 incidents of people

597

00:24:35,430 --> 00:24:33,520

claiming to have been forcibly abducted

598

00:24:37,510 --> 00:24:35,440

and taken onto spaceships where they met

599

00:24:39,430 --> 00:24:37,520

extraterrestrial beings

600

00:24:41,269 --> 00:24:39,440

these incredible stories have divided

601
00:24:43,510 --> 00:24:41,279
ufo investigators

602
00:24:45,510 --> 00:24:43,520
our own examination of this began with

603
00:24:51,510 --> 00:24:45,520
joseph and carol del

604
00:24:55,269 --> 00:24:53,990
the del duca case was investigated by dr

605
00:24:57,029 --> 00:24:55,279
richard sigismund

606
00:24:58,549 --> 00:24:57,039
a social psychologist in boulder

607
00:25:00,549 --> 00:24:58,559
colorado

608
00:25:02,470 --> 00:25:00,559
their story begins late one night while

609
00:25:04,070 --> 00:25:02,480
driving down a lonely stretch of highway

610
00:25:04,870 --> 00:25:04,080
on their way home from a trip with their

611
00:25:08,230 --> 00:25:04,880
four-month-old

612
00:25:09,909 --> 00:25:08,240
son all they can remember is seeing four

613
00:25:11,990 --> 00:25:09,919

ufos

614

00:25:13,990 --> 00:25:12,000

only under deep hypnosis do they begin

615

00:25:17,269 --> 00:25:14,000

to fill in the lost hours

616

00:25:28,710 --> 00:25:20,710

sleep joe and carol are each hypnotized

617

00:25:32,230 --> 00:25:28,720

separately but relate similar stories

618

00:25:36,710 --> 00:25:32,240

you're pulling into where the wood

619

00:25:36,720 --> 00:25:44,149

we're going to the spaceship

620

00:25:57,190 --> 00:25:56,390

going to a what spaceship tell me what

621

00:26:01,110 --> 00:25:57,200

you're doing then

622

00:26:03,490 --> 00:26:01,120

[Music]

623

00:26:07,830 --> 00:26:03,500

going into the room

624

00:26:14,149 --> 00:26:11,190

it's a bright room it's a bright room

625

00:26:16,149 --> 00:26:14,159

what are you doing in this room joe just

626
00:26:18,549 --> 00:26:16,159
laying there

627
00:26:20,230 --> 00:26:18,559
in these rooms joe and carol talk about

628
00:26:22,870 --> 00:26:20,240
undergoing some kind of physical

629
00:26:26,230 --> 00:26:22,880
examination

630
00:26:27,430 --> 00:26:26,240
i'm looking at my feet that look at your

631
00:26:32,070 --> 00:26:27,440
feet you said

632
00:26:36,789 --> 00:26:35,490
[Laughter]

633
00:26:41,190 --> 00:26:36,799
[Music]

634
00:26:47,990 --> 00:26:41,200
he's hurting me would you say carol

635
00:26:54,070 --> 00:26:51,669
is there already my

636
00:26:55,600 --> 00:26:54,080
they're doing what they pulled on my

637
00:26:58,070 --> 00:26:55,610
ankle

638
00:26:59,710 --> 00:26:58,080

[Music]

639

00:27:05,269 --> 00:26:59,720

feels like they broke it

640

00:27:10,789 --> 00:27:09,190

there's people would you describe these

641

00:27:13,029 --> 00:27:10,799

people to me joe

642

00:27:15,110 --> 00:27:13,039

tell me what you see tell me what

643

00:27:22,310 --> 00:27:15,120

they're doing if anything

644

00:27:35,710 --> 00:27:25,830

they're real skinny at the waist

645

00:27:41,190 --> 00:27:35,720

but they have a big chest

646

00:27:42,950 --> 00:27:41,200

[Music]

647

00:27:44,630 --> 00:27:42,960

it's clear that joe and carol are

648

00:27:45,830 --> 00:27:44,640

reliving an intensely emotional

649

00:27:48,230 --> 00:27:45,840

experience

650

00:27:50,310 --> 00:27:48,240

especially joe who describes an unusual

651
00:27:53,510 --> 00:27:50,320
meeting with one of the entities

652
00:27:57,190 --> 00:27:53,520
he just pulled me out

653
00:28:06,470 --> 00:28:02,070
out of my body

654
00:28:16,230 --> 00:28:10,310
he's so nice he's

655
00:28:31,669 --> 00:28:16,240
he's warm

656
00:28:33,990 --> 00:28:31,679
he likes me

657
00:28:35,269 --> 00:28:34,000
were joe and carol abducted by aliens

658
00:28:38,070 --> 00:28:35,279
from another world

659
00:28:40,549 --> 00:28:38,080
or did they imagine it dr sigismund

660
00:28:42,789 --> 00:28:40,559
believes it did happen

661
00:28:44,470 --> 00:28:42,799
the stories on every significant in fact

662
00:28:47,510 --> 00:28:44,480
minor details

663
00:28:50,549 --> 00:28:47,520

they match even though each individual

664

00:28:53,029 --> 00:28:50,559

had distinctly different

665

00:28:54,310 --> 00:28:53,039

type of experience which they relived

666

00:28:55,830 --> 00:28:54,320

under the hypnosis

667

00:28:58,389 --> 00:28:55,840

nonetheless that they were describing

668

00:29:01,750 --> 00:28:58,399

the shape of the so-called craft of the

669

00:29:05,669 --> 00:29:01,760

describing the suits of the entities

670

00:29:07,590 --> 00:29:05,679

it all dovetailed to a minute degree

671

00:29:10,310 --> 00:29:07,600

it would be a great difficulty if

672

00:29:13,750 --> 00:29:10,320

individuals sought to perpetrate a hoax

673

00:29:16,710 --> 00:29:13,760

to maintain it under deep hypnosis

674

00:29:19,269 --> 00:29:16,720

we sometimes doubted ourselves did that

675

00:29:23,029 --> 00:29:19,279

really happen that's incredible

676

00:29:26,070 --> 00:29:23,039

that after we realized

677

00:29:29,350 --> 00:29:26,080

that this was a good thing

678

00:29:33,510 --> 00:29:29,360

and very few people have the privilege

679

00:29:36,149 --> 00:29:33,520

of getting to do something like that

680

00:29:38,789 --> 00:29:36,159

that it had a good it left us with good

681

00:29:47,909 --> 00:29:43,430

it was just mind-boggling but

682

00:29:52,310 --> 00:29:49,830

but the theory of abductions is being

683

00:29:54,710 --> 00:29:52,320

challenged by this team of investigators

684

00:29:56,549 --> 00:29:54,720

dr alvin lawson an english professor at

685

00:29:59,110 --> 00:29:56,559

long beach state university

686

00:30:00,950 --> 00:29:59,120

dr william mccall a medical doctor who

687

00:30:03,669 --> 00:30:00,960

specializes in hypnotism

688

00:30:05,990 --> 00:30:03,679

and john herrera a writer they

689

00:30:07,430 --> 00:30:06,000

demonstrated for us a basic experiment

690

00:30:08,789 --> 00:30:07,440

that they have conducted with hundreds

691

00:30:10,789 --> 00:30:08,799

of people

692

00:30:11,990 --> 00:30:10,799

they hypnotize a person who believes she

693

00:30:14,310 --> 00:30:12,000

was abducted

694

00:30:15,510 --> 00:30:14,320

and the volunteer who is told to imagine

695

00:30:19,190 --> 00:30:15,520

an abduction

696

00:30:21,350 --> 00:30:19,200

the result both stories are similar

697

00:30:23,350 --> 00:30:21,360

what is it that you're seeing their

698

00:30:27,669 --> 00:30:23,360

shapes

699

00:30:27,679 --> 00:30:32,549

they're tall and slim

700

00:30:41,510 --> 00:30:37,669

with large eyes

701
00:30:43,190 --> 00:30:41,520
long fingers it's like this bright light

702
00:30:46,470 --> 00:30:43,200
and their heads looking down at me

703
00:30:53,029 --> 00:30:49,750
um but they're like shadows

704
00:30:56,789 --> 00:30:53,039
and something's passing across yes

705
00:31:01,430 --> 00:30:56,799
it's sort of like a piece of something

706
00:31:04,549 --> 00:31:03,110
there's no communication that they know

707
00:31:07,909 --> 00:31:04,559
what i'm thinking

708
00:31:10,950 --> 00:31:07,919
uh no verbal communication

709
00:31:14,870 --> 00:31:10,960
it's like they're bleeping something i

710
00:31:21,350 --> 00:31:18,549
like electrical impulses or something

711
00:31:23,350 --> 00:31:21,360
in general the imaginary and the real

712
00:31:23,909 --> 00:31:23,360
experiences as we've experienced them

713
00:31:27,110 --> 00:31:23,919

here

714

00:31:30,310 --> 00:31:27,120

real

715

00:31:33,110 --> 00:31:30,320

substantive differences all of these

716

00:31:33,990 --> 00:31:33,120

indicate to me that and to my colleagues

717

00:31:36,710 --> 00:31:34,000

i'm sure

718

00:31:37,909 --> 00:31:36,720

that the imaginary or the abduction

719

00:31:40,789 --> 00:31:37,919

narratives

720

00:31:41,350 --> 00:31:40,799

aren't real physical experiences that is

721

00:31:44,549 --> 00:31:41,360

there are not

722

00:31:46,310 --> 00:31:44,559

aliens coming here and

723

00:31:47,830 --> 00:31:46,320

they indicate however that the people

724

00:31:49,430 --> 00:31:47,840

believe that something might well have

725

00:31:50,950 --> 00:31:49,440

happened to them

726

00:31:52,870 --> 00:31:50,960

this is what's so fascinating i think

727

00:31:54,950 --> 00:31:52,880

something quite real in psychological

728

00:31:56,549 --> 00:31:54,960

terms is happening to these people

729

00:31:58,470 --> 00:31:56,559

i don't think little green men are doing

730

00:31:59,269 --> 00:31:58,480

it i think we're doing it or the mind is

731

00:32:04,230 --> 00:31:59,279

doing it

732

00:32:06,310 --> 00:32:04,240

to us experiments by lawson mccall and

733

00:32:08,389 --> 00:32:06,320

others seem to prove that abductions are

734

00:32:10,310 --> 00:32:08,399

essentially psychological

735

00:32:11,909 --> 00:32:10,320

this does not invalidate them however

736

00:32:13,269 --> 00:32:11,919

and they are still happening to people

737

00:32:16,120 --> 00:32:13,279

all over the world

738

00:32:26,830 --> 00:32:16,130

it's up to the researchers to find out

739

00:32:26,840 --> 00:32:39,480

why

740

00:32:50,630 --> 00:32:47,590

[Music]

741

00:32:52,789 --> 00:32:50,640

guatemala city 1976

742

00:32:53,750 --> 00:32:52,799

a tv crew is shooting a commercial when

743

00:32:56,549 --> 00:32:53,760

they suddenly spot

744

00:32:57,190 --> 00:32:56,559

something strange flying overhead to

745

00:33:00,070 --> 00:32:57,200

this day

746

00:33:01,830 --> 00:33:00,080

no one has been able to identify it but

747

00:33:03,590 --> 00:33:01,840

as spectacular as it appears

748

00:33:04,870 --> 00:33:03,600

this videotape and other forms of

749

00:33:06,630 --> 00:33:04,880

pictorial evidence

750

00:33:09,830 --> 00:33:06,640

have only limited value in our

751
00:33:11,830 --> 00:33:09,840
understanding of ufos

752
00:33:14,070 --> 00:33:11,840
haynes is a research scientist who has

753
00:33:15,590 --> 00:33:14,080
studied many photographs

754
00:33:17,269 --> 00:33:15,600
in order to make sense out of

755
00:33:19,430 --> 00:33:17,279
photographic evidence

756
00:33:21,430 --> 00:33:19,440
it's extremely important to know a great

757
00:33:23,909 --> 00:33:21,440
deal about the photographer

758
00:33:26,630 --> 00:33:23,919
about the camera system he uses about

759
00:33:28,710 --> 00:33:26,640
the development process that is used

760
00:33:31,190 --> 00:33:28,720
and in general about the context in

761
00:33:33,590 --> 00:33:31,200
which the picture was taken

762
00:33:35,430 --> 00:33:33,600
oftentimes we come across photographic

763
00:33:37,190 --> 00:33:35,440

evidence long after the fact and because

764

00:33:39,029 --> 00:33:37,200

of that we don't have much of that

765

00:33:42,630 --> 00:33:39,039

fine detail information that we need to

766

00:33:43,669 --> 00:33:42,640

do a good systematic analysis

767

00:33:45,509 --> 00:33:43,679

but with the development of

768

00:33:46,389 --> 00:33:45,519

sophisticated image enhancement

769

00:33:48,470 --> 00:33:46,399

equipment

770

00:33:49,990 --> 00:33:48,480

investigators can gain new information

771

00:33:52,230 --> 00:33:50,000

from photographs

772

00:33:55,430 --> 00:33:52,240

haynes demonstrated how this can be done

773

00:33:57,350 --> 00:33:55,440

by analyzing this particular photograph

774

00:33:59,110 --> 00:33:57,360

the picture of a tiny object trailing a

775

00:34:00,230 --> 00:33:59,120

plane has long been considered by

776
00:34:02,149 --> 00:34:00,240
ufologists

777
00:34:03,909 --> 00:34:02,159
to be a good example of photographic

778
00:34:06,070 --> 00:34:03,919
evidence of the ufo

779
00:34:08,710 --> 00:34:06,080
but skeptics claim the object is really

780
00:34:10,790 --> 00:34:08,720
something on the ground

781
00:34:12,470 --> 00:34:10,800
to try to settle the question haynes had

782
00:34:12,790 --> 00:34:12,480
the photograph put through a process

783
00:34:15,190 --> 00:34:12,800
called

784
00:34:16,230 --> 00:34:15,200
color enhancement this gives the picture

785
00:34:18,149 --> 00:34:16,240
more detail

786
00:34:19,270 --> 00:34:18,159
allowing haynes to do a more extensive

787
00:34:23,829 --> 00:34:19,280
analysis

788
00:34:27,109 --> 00:34:23,839

digitization of this photograph

789

00:34:30,629 --> 00:34:27,119

is that the darkness of this major disc

790

00:34:32,389 --> 00:34:30,639

shaped image right here is a very close

791

00:34:34,310 --> 00:34:32,399

to the same darkness as the tail

792

00:34:37,349 --> 00:34:34,320

structure here of the airplane

793

00:34:39,270 --> 00:34:37,359

the wing tank and the main body

794

00:34:41,510 --> 00:34:39,280

and we find that there's no objects on

795

00:34:43,510 --> 00:34:41,520

the ground at that equivalent range with

796

00:34:46,230 --> 00:34:43,520

the equivalent darkness

797

00:34:48,710 --> 00:34:46,240

now what this suggests then is that in

798

00:34:50,790 --> 00:34:48,720

fact it's an airborne object

799

00:34:52,389 --> 00:34:50,800

but even faux enhancement equipment has

800

00:34:54,149 --> 00:34:52,399

its limits

801
00:34:55,510 --> 00:34:54,159
in the final analysis however we're

802
00:34:58,710 --> 00:34:55,520
stuck with an image

803
00:35:00,630 --> 00:34:58,720
of something we don't understand if that

804
00:35:02,550 --> 00:35:00,640
enhancement process shows the image to

805
00:35:04,550 --> 00:35:02,560
be an airplane outline

806
00:35:06,069 --> 00:35:04,560
we're home free but on the other hand if

807
00:35:08,630 --> 00:35:06,079
it shows a

808
00:35:10,230 --> 00:35:08,640
symmetrical airform uh an oblate

809
00:35:13,430 --> 00:35:10,240
spheroid for instance with no

810
00:35:15,030 --> 00:35:13,440
uh means propulsion or support or lift

811
00:35:17,430 --> 00:35:15,040
we're right back where we started you

812
00:35:19,510 --> 00:35:17,440
see so photographic analysis must be

813
00:35:22,710 --> 00:35:19,520

coupled with a very creative approach on

814

00:35:24,390 --> 00:35:22,720

the part of the photo interpreter

815

00:35:26,710 --> 00:35:24,400

so without additional evidence

816

00:35:27,910 --> 00:35:26,720

photographs of ufos really prove nothing

817

00:35:29,829 --> 00:35:27,920

at all

818

00:35:31,990 --> 00:35:29,839

but when there is additional evidence

819

00:35:33,430 --> 00:35:32,000

ufologists believe that they can make a

820

00:35:35,430 --> 00:35:33,440

strong case

821

00:35:38,310 --> 00:35:35,440

and right now we look at one of their

822

00:35:42,550 --> 00:35:40,390

[Music]

823

00:35:44,550 --> 00:35:42,560

no other pictorial evidence has created

824

00:35:46,150 --> 00:35:44,560

as much interest as these images shot

825

00:35:48,190 --> 00:35:46,160

from an airplane during the early

826

00:35:52,230 --> 00:35:48,200

morning hours of december 31st

827

00:35:54,150 --> 00:35:52,240

1978. this is the new zealand film

828

00:35:56,790 --> 00:35:54,160

considered by most experts to be the

829

00:35:58,710 --> 00:35:56,800

single strongest evidence of a ufo ever

830

00:36:01,109 --> 00:35:58,720

captured on film

831

00:36:03,190 --> 00:36:01,119

to most of us it may not seem impressive

832

00:36:05,270 --> 00:36:03,200

a small bright light in the night sky

833

00:36:07,430 --> 00:36:05,280

off the new zealand coast

834

00:36:09,430 --> 00:36:07,440

but it is the only case of a ufo that

835

00:36:10,230 --> 00:36:09,440

was seen by several pilots and crew

836

00:36:12,950 --> 00:36:10,240

members

837

00:36:15,270 --> 00:36:12,960

picked up on radar and photographed on

838

00:36:16,150 --> 00:36:15,280

several thousand frames of 16 millimeter

839

00:36:21,270 --> 00:36:16,160

color film

840

00:36:25,190 --> 00:36:21,280

shot by a tv crew it appears to have

841

00:36:27,829 --> 00:36:25,200

a brightly lit bottom and a transparent

842

00:36:29,349 --> 00:36:27,839

sort of sphere on top so it appears to

843

00:36:34,310 --> 00:36:29,359

be

844

00:36:36,230 --> 00:36:34,320

well like a flying saucer

845

00:36:38,150 --> 00:36:36,240

no one has studied the new zealand film

846

00:36:40,230 --> 00:36:38,160

more than this man

847

00:36:42,710 --> 00:36:40,240

bruce mcabee is a physicist who spent

848

00:36:44,870 --> 00:36:42,720

over a year analyzing the film

849

00:36:46,310 --> 00:36:44,880

now my claim is that having looked at

850

00:36:47,190 --> 00:36:46,320

the film and the whole sighting in

851
00:36:49,910 --> 00:36:47,200

general

852
00:36:50,470 --> 00:36:49,920

that the film shows objects which cannot

853
00:36:53,589 --> 00:36:50,480

be

854
00:36:53,990 --> 00:36:53,599

identified by conventional means to

855
00:36:55,990 --> 00:36:54,000

arrive

856
00:36:57,750 --> 00:36:56,000

at that conclusion mcabee first flew the

857
00:36:58,870 --> 00:36:57,760

same route in which the sightings were

858
00:37:00,790 --> 00:36:58,880

made

859
00:37:02,790 --> 00:37:00,800

he set out to disprove one of the first

860
00:37:04,870 --> 00:37:02,800

conventional explanations offered

861
00:37:06,550 --> 00:37:04,880

that the object was a celestial body

862
00:37:08,069 --> 00:37:06,560

like venus

863
00:37:09,990 --> 00:37:08,079

the lights that they were talking about

864

00:37:10,950 --> 00:37:10,000

was below the level of that mountain

865

00:37:12,710 --> 00:37:10,960

range

866

00:37:14,630 --> 00:37:12,720

in other words silhouetted against the

867

00:37:16,630 --> 00:37:14,640

mountain range if you wish rather than

868

00:37:19,910 --> 00:37:16,640

above the mountain range

869

00:37:22,390 --> 00:37:19,920

so uh i i don't see any

870

00:37:24,550 --> 00:37:22,400

celestial body we could have done that

871

00:37:26,230 --> 00:37:24,560

also if you look at the image carefully

872

00:37:26,870 --> 00:37:26,240

you'll see it does strange things like

873

00:37:31,670 --> 00:37:26,880

when it

874

00:37:33,910 --> 00:37:31,680

shape from being sort of oval to

875

00:37:36,630 --> 00:37:33,920

sort of thin in a vertical direction and

876

00:37:38,390 --> 00:37:36,640

then just fades out

877

00:37:39,670 --> 00:37:38,400

other skeptics suggested that the light

878

00:37:41,750 --> 00:37:39,680

came from squid boats

879

00:37:43,430 --> 00:37:41,760

which use bright lights to draw squid to

880

00:37:45,349 --> 00:37:43,440

the water surface

881

00:37:47,510 --> 00:37:45,359

to eliminate that possibility maccabee

882

00:37:48,310 --> 00:37:47,520

made a direct comparison between a squid

883

00:37:51,430 --> 00:37:48,320

boat light

884

00:37:53,589 --> 00:37:51,440

and the light in the film the squid boat

885

00:37:54,630 --> 00:37:53,599

picture clearly shows a reflection in

886

00:37:56,310 --> 00:37:54,640

the water

887

00:37:58,470 --> 00:37:56,320

extending underneath the image of the

888

00:38:00,150 --> 00:37:58,480

squid boat sort of a dull reddish

889

00:38:01,430 --> 00:38:00,160

triangular reflection extending

890

00:38:04,790 --> 00:38:01,440

downwards

891

00:38:07,750 --> 00:38:04,800

in none of the images in this

892

00:38:10,390 --> 00:38:07,760

ufo film have i been able to find any

893

00:38:11,990 --> 00:38:10,400

indication of a reflection in the water

894

00:38:14,870 --> 00:38:12,000

which you would expect if it's a squid

895

00:38:16,710 --> 00:38:14,880

boat according to air controllers

896

00:38:18,470 --> 00:38:16,720

their radar picked up the object and

897

00:38:19,030 --> 00:38:18,480

estimated the distance to the airplane

898

00:38:22,550 --> 00:38:19,040

at between

899

00:38:24,950 --> 00:38:22,560

10 to 20 miles using a densitometer

900

00:38:26,550 --> 00:38:24,960

an instrument that measures film density

901
00:38:28,550 --> 00:38:26,560
maccabee was able to determine the

902
00:38:30,710 --> 00:38:28,560
object's brightness

903
00:38:31,990 --> 00:38:30,720
if the light source had been for example

904
00:38:34,950 --> 00:38:32,000
10 nautical miles

905
00:38:36,069 --> 00:38:34,960
away then it was putting out a power

906
00:38:37,910 --> 00:38:36,079
equivalent to

907
00:38:39,910 --> 00:38:37,920
several hundred thousand watts worth of

908
00:38:42,310 --> 00:38:39,920
incandescent light bulbs

909
00:38:43,990 --> 00:38:42,320
a several hundred thousand watt source

910
00:38:47,349 --> 00:38:44,000
is not a small

911
00:38:48,630 --> 00:38:47,359
amount of power that's a that's an awful

912
00:38:50,390 --> 00:38:48,640
lot of

913
00:38:54,550 --> 00:38:50,400

energy being used up and they saw this

914

00:38:59,109 --> 00:38:55,910

it must have been a considerable source

915

00:39:03,109 --> 00:39:00,870

but the most amazing conclusion that

916

00:39:04,550 --> 00:39:03,119

maccabee reached centered on these last

917

00:39:07,589 --> 00:39:04,560

few feet of film

918

00:39:09,750 --> 00:39:07,599

shown here in extremely slow motion

919

00:39:11,510 --> 00:39:09,760

it shows the object flashing from bright

920

00:39:15,349 --> 00:39:11,520

white to a dim red

921

00:39:18,470 --> 00:39:15,359

and then orange color the periodicity

922

00:39:21,589 --> 00:39:18,480

of this flashing is essentially

923

00:39:24,550 --> 00:39:21,599

perfect for 30 cycles

924

00:39:25,430 --> 00:39:24,560

such a regular flashing of a light

925

00:39:28,870 --> 00:39:25,440

implies

926
00:39:32,230 --> 00:39:28,880
intelligent control we could find no

927
00:39:32,470 --> 00:39:32,240
human-made light source to account for

928
00:39:38,790 --> 00:39:32,480
it

929
00:39:41,510 --> 00:39:38,800
intelligence and yet we can't find any

930
00:39:43,990 --> 00:39:41,520
conventional explanation

931
00:39:46,069 --> 00:39:44,000
that suggests that we have some sort of

932
00:39:49,349 --> 00:39:46,079
an intelligence on our hands here and

933
00:39:51,829 --> 00:39:49,359
uh that removes it being you know beyond

934
00:39:53,829 --> 00:39:51,839
the pale of science i'm afraid

935
00:39:55,510 --> 00:39:53,839
no one has yet been able to refute any

936
00:39:57,270 --> 00:39:55,520
of maccabees work

937
00:39:59,270 --> 00:39:57,280
he believes that the significance of the

938
00:40:01,270 --> 00:39:59,280

new zealand film goes far beyond the

939

00:40:02,950 --> 00:40:01,280

scope of just one case

940

00:40:04,950 --> 00:40:02,960

the hard evidence left over in this case

941

00:40:06,790 --> 00:40:04,960

suggests we have something which cannot

942

00:40:08,550 --> 00:40:06,800

be explained in conventional terms and

943

00:40:12,470 --> 00:40:08,560

that opens up a new

944

00:40:16,710 --> 00:40:15,109

it suggests that we should go back and

945

00:40:36,470 --> 00:40:16,720

rethink what we've been saying about

946

00:40:41,589 --> 00:40:39,589

october 25th 1975

947

00:40:43,750 --> 00:40:41,599

fighter planes are sent in hot pursuit

948

00:40:45,589 --> 00:40:43,760

after an unidentified flying object

949

00:40:48,950 --> 00:40:45,599

seen hovering over missile sites at

950

00:40:51,349 --> 00:40:48,960

malmstrom air force base in montana

951
00:40:52,790 --> 00:40:51,359
norad the north american air defense

952
00:40:54,550 --> 00:40:52,800
reports that the jets failed to

953
00:40:56,710 --> 00:40:54,560
intercept the object

954
00:40:58,710 --> 00:40:56,720
for the next two months norad recorded

955
00:41:00,470 --> 00:40:58,720
other sightings of ufos over missile

956
00:41:02,309 --> 00:41:00,480
launching sites and nuclear weapons

957
00:41:05,270 --> 00:41:02,319
storage areas in michigan

958
00:41:08,870 --> 00:41:05,280
maine and north dakota in all cases our

959
00:41:12,230 --> 00:41:08,880
jets were unable to overtake the objects

960
00:41:14,390 --> 00:41:12,240
the 1975 sightings show us dramatically

961
00:41:16,309 --> 00:41:14,400
that unidentified flying objects have

962
00:41:18,870 --> 00:41:16,319
invaded our airspace

963
00:41:19,990 --> 00:41:18,880

and yet since 1969 the federal

964

00:41:21,910 --> 00:41:20,000

government's position has

965

00:41:24,630 --> 00:41:21,920

been that it is not interested in

966

00:41:27,589 --> 00:41:24,640

investigating ufos

967

00:41:28,150 --> 00:41:27,599

it was in 1969 that the air force ended

968

00:41:30,950 --> 00:41:28,160

project

969

00:41:32,390 --> 00:41:30,960

blue book a 21-year investigation of

970

00:41:34,309 --> 00:41:32,400

ufos

971

00:41:35,670 --> 00:41:34,319

their basic conclusion was that lack of

972

00:41:38,630 --> 00:41:35,680

evidence warranted no

973

00:41:39,589 --> 00:41:38,640

further study of the matter there was no

974

00:41:42,630 --> 00:41:39,599

evidence of

975

00:41:44,470 --> 00:41:42,640

a threat to national security

976
00:41:46,790 --> 00:41:44,480
there was no evidence that we had been

977
00:41:50,470 --> 00:41:46,800
visited by extraterrestrial vehicles

978
00:41:53,109 --> 00:41:50,480
and finally there was no evidence that

979
00:41:54,950 --> 00:41:53,119
after evaluating these ufo sightings

980
00:41:57,109 --> 00:41:54,960
that there was any indication

981
00:41:58,950 --> 00:41:57,119
of scientific knowledge the existence of

982
00:42:01,349 --> 00:41:58,960
scientific knowledge beyond the present

983
00:42:03,349 --> 00:42:01,359
state of knowledge

984
00:42:05,270 --> 00:42:03,359
but government documents on the norad

985
00:42:05,990 --> 00:42:05,280
incidents as well as thousands of other

986
00:42:07,990 --> 00:42:06,000
reports

987
00:42:09,910 --> 00:42:08,000
reveal that the government continues to

988
00:42:12,870 --> 00:42:09,920

investigate a phenomenon that is much

989

00:42:16,150 --> 00:42:12,880

more than just a few isolated incidents

990

00:42:18,150 --> 00:42:16,160

since 1969 as many as 10 governmental

991

00:42:18,950 --> 00:42:18,160

agencies have been involved in ufo

992

00:42:22,950 --> 00:42:18,960

inquiries

993

00:42:25,510 --> 00:42:22,960

including the cia the fbi

994

00:42:26,710 --> 00:42:25,520

the national security agency and the air

995

00:42:28,950 --> 00:42:26,720

force

996

00:42:31,109 --> 00:42:28,960

attorney peter gersten has led the fight

997

00:42:31,990 --> 00:42:31,119

to unearth these documents on behalf of

998

00:42:35,430 --> 00:42:32,000

a group called

999

00:42:37,670 --> 00:42:35,440

citizens against ufo secrecy

1000

00:42:39,910 --> 00:42:37,680

the documents confirm the reality of

1001
00:42:42,870 --> 00:42:39,920
these unconventional objects

1002
00:42:44,870 --> 00:42:42,880
and there is further more evidence that

1003
00:42:48,230 --> 00:42:44,880
these objects exhibit

1004
00:42:50,069 --> 00:42:48,240
a technology that is beyond present-day

1005
00:42:52,710 --> 00:42:50,079
technology and advanced technology a

1006
00:42:54,950 --> 00:42:52,720
more sophisticated technology

1007
00:42:56,470 --> 00:42:54,960
a graphic example of that technology was

1008
00:42:59,910 --> 00:42:56,480
reported in this document

1009
00:43:01,270 --> 00:42:59,920
about an incident on september 19 1976

1010
00:43:03,990 --> 00:43:01,280
in iran

1011
00:43:06,230 --> 00:43:04,000
an f4 jet similar to this one was sent

1012
00:43:08,150 --> 00:43:06,240
to intercept unusual objects seen over

1013
00:43:09,910 --> 00:43:08,160

the city of tehran

1014

00:43:12,309 --> 00:43:09,920

as the f4 approached the brilliant

1015

00:43:13,990 --> 00:43:12,319

object the jet lost all instrumentation

1016

00:43:15,589 --> 00:43:14,000

and communication

1017

00:43:17,190 --> 00:43:15,599

later when the jet tried to shoot a

1018

00:43:20,550 --> 00:43:17,200

missile at a second object

1019

00:43:24,069 --> 00:43:20,560

the f4 weapon control panel went dead

1020

00:43:25,270 --> 00:43:24,079

what makes this incident interesting and

1021

00:43:28,390 --> 00:43:25,280

significant

1022

00:43:31,349 --> 00:43:28,400

is that it involves the malfunction

1023

00:43:32,550 --> 00:43:31,359

of an american-made defensive tactical

1024

00:43:35,589 --> 00:43:32,560

weapon system

1025

00:43:37,829 --> 00:43:35,599

uh specifically an f4 jet

1026

00:43:38,630 --> 00:43:37,839

the interesting part of the incident is

1027

00:43:40,870 --> 00:43:38,640

that

1028

00:43:42,950 --> 00:43:40,880

the defense intelligence agency did an

1029

00:43:45,670 --> 00:43:42,960

evaluation of the incident

1030

00:43:46,870 --> 00:43:45,680

and found the incident to be a classic

1031

00:43:50,069 --> 00:43:46,880

ufo case

1032

00:43:53,349 --> 00:43:50,079

because of eyewitness verification

1033

00:43:56,550 --> 00:43:53,359

uh confirmed by radar and

1034

00:43:58,550 --> 00:43:56,560

and so forth documents show repeatedly

1035

00:44:00,470 --> 00:43:58,560

that ufos have been able to penetrate

1036

00:44:03,270 --> 00:44:00,480

our military airspace

1037

00:44:04,950 --> 00:44:03,280

in one incident in 1980 ufos were seen

1038

00:44:06,069 --> 00:44:04,960

over kirkland air force base in new

1039

00:44:07,670 --> 00:44:06,079

mexico

1040

00:44:09,510 --> 00:44:07,680

the base is a highly sensitive

1041

00:44:11,670 --> 00:44:09,520

installation that includes an advanced

1042

00:44:13,829 --> 00:44:11,680

weapons research laboratory

1043

00:44:16,069 --> 00:44:13,839

documents show that bright objects were

1044

00:44:17,109 --> 00:44:16,079

able to land at the base undetected by

1045

00:44:19,349 --> 00:44:17,119

radar

1046

00:44:20,150 --> 00:44:19,359

when security police tried to pursue the

1047

00:44:23,190 --> 00:44:20,160

objects

1048

00:44:25,030 --> 00:44:23,200

they took off ufos pose a threat to

1049

00:44:27,510 --> 00:44:25,040

national security for many reasons

1050

00:44:29,190 --> 00:44:27,520

the first of which relate to the general

1051
00:44:31,109 --> 00:44:29,200
principle that these objects have been

1052
00:44:31,910 --> 00:44:31,119
unable to be identified by this

1053
00:44:34,950 --> 00:44:31,920
government for

1054
00:44:36,069 --> 00:44:34,960
the last 35 years another reason we see

1055
00:44:39,030 --> 00:44:36,079
in the documents

1056
00:44:41,990 --> 00:44:39,040
which relate to the overflights over the

1057
00:44:44,309 --> 00:44:42,000
military bases in 1975

1058
00:44:46,069 --> 00:44:44,319
the unrestricted and unlimited access

1059
00:44:47,670 --> 00:44:46,079
that these objects had

1060
00:44:49,109 --> 00:44:47,680
but gersten and his group have been

1061
00:44:50,470 --> 00:44:49,119
stopped in their pursuit of more

1062
00:44:53,349 --> 00:44:50,480
information

1063
00:44:54,309 --> 00:44:53,359

the cia refused to send gerston 57

1064

00:44:55,910 --> 00:44:54,319

documents

1065

00:44:58,069 --> 00:44:55,920

and the air force has a hundred

1066

00:44:59,910 --> 00:44:58,079

documents that it refused to release

1067

00:45:01,589 --> 00:44:59,920

and recently the national security

1068

00:45:03,670 --> 00:45:01,599

agency did not release a hundred and

1069

00:45:06,230 --> 00:45:03,680

sixty documents for the same reason

1070

00:45:06,790 --> 00:45:06,240

national security and in may of this

1071

00:45:08,630 --> 00:45:06,800

year

1072

00:45:11,270 --> 00:45:08,640

the supreme court agreed with that

1073

00:45:13,510 --> 00:45:11,280

agency the release of that information

1074

00:45:14,390 --> 00:45:13,520

would be both embarrassing to the agency

1075

00:45:17,270 --> 00:45:14,400

because it would show

1076

00:45:19,589 --> 00:45:17,280

once again that the objects exist that

1077

00:45:21,030 --> 00:45:19,599

the objects are in advanced technology

1078

00:45:23,109 --> 00:45:21,040

and the objects do

1079

00:45:24,230 --> 00:45:23,119

in one way or another pose a threat so

1080

00:45:27,750 --> 00:45:24,240

they don't want to release the

1081

00:45:33,270 --> 00:45:29,589

how much should the public be told about

1082

00:45:35,430 --> 00:45:33,280

our government's investigations of ufos

1083

00:45:36,710 --> 00:45:35,440

it's true that some information pertains

1084

00:45:39,270 --> 00:45:36,720

to national defense

1085

00:45:41,910 --> 00:45:39,280

and should be classified but what about

1086

00:45:43,829 --> 00:45:41,920

other information

1087

00:45:45,589 --> 00:45:43,839

what's needed now are not more secrecy

1088

00:45:47,430 --> 00:45:45,599

shrouded investigations

1089

00:45:48,630 --> 00:45:47,440

but a joint effort between government

1090

00:45:51,589 --> 00:45:48,640

and scientists

1091

00:45:53,109 --> 00:45:51,599

dedicated to unraveling the ufo mystery

1092

00:45:55,750 --> 00:45:53,119

because it's obvious

1093

00:46:38,790 --> 00:45:55,760

that project blue book was not the last

1094

00:46:41,990 --> 00:46:40,870

many astronomers would agree that it is

1095

00:46:44,950 --> 00:46:42,000

likely that there are other

1096

00:46:46,550 --> 00:46:44,960

civilizations in our galaxy but most

1097

00:46:48,790 --> 00:46:46,560

astronomers doubt that we have been

1098

00:46:50,710 --> 00:46:48,800

visited by aliens

1099

00:46:52,550 --> 00:46:50,720

you see no other civilization could know

1100

00:46:54,309 --> 00:46:52,560

in advance that we exist

1101
00:46:55,990 --> 00:46:54,319
because our only means of telling them

1102
00:46:57,750 --> 00:46:56,000
about us or by radio waves

1103
00:46:59,750 --> 00:46:57,760
that we broadcast into space and we've

1104
00:47:01,670 --> 00:46:59,760
already been doing that half a century

1105
00:47:02,950 --> 00:47:01,680
which means there's a big sphere of

1106
00:47:04,710 --> 00:47:02,960
radio radiation

1107
00:47:07,270 --> 00:47:04,720
expanding outward at the speed of light

1108
00:47:10,630 --> 00:47:07,280
that's how fast radio waves go

1109
00:47:12,309 --> 00:47:10,640
now about 50 light years in radius

1110
00:47:14,390 --> 00:47:12,319
and even with the most optimistic

1111
00:47:16,630 --> 00:47:14,400
guesses the most likely

1112
00:47:18,309 --> 00:47:16,640
nearest civilization is many times

1113
00:47:21,990 --> 00:47:18,319

further away than that

1114

00:47:23,270 --> 00:47:22,000

so any inter extraterrestrial spaceships

1115

00:47:24,950 --> 00:47:23,280

visiting earth

1116

00:47:26,630 --> 00:47:24,960

but have people have been cruising

1117

00:47:28,710 --> 00:47:26,640

around sort of at random looking

1118

00:47:29,829 --> 00:47:28,720

in space in general and if you work out

1119

00:47:31,349 --> 00:47:29,839

the numbers

1120

00:47:34,069 --> 00:47:31,359

it turns out you would have to suppose

1121

00:47:35,030 --> 00:47:34,079

that every conceivable civilization that

1122

00:47:36,630 --> 00:47:35,040

could exist

1123

00:47:38,630 --> 00:47:36,640

would be launching ships at the rate of

1124

00:47:40,950 --> 00:47:38,640

one every few seconds to account

1125

00:47:43,589 --> 00:47:40,960

for the number of reports of ufos that

1126

00:47:45,829 --> 00:47:43,599

are made here on the earth

1127

00:47:47,030 --> 00:47:45,839

if not aliens then what do ufos

1128

00:47:49,589 --> 00:47:47,040

represent

1129

00:47:50,470 --> 00:47:49,599

for scientists like abel the answer is

1130

00:47:52,870 --> 00:47:50,480

very little

1131

00:47:54,390 --> 00:47:52,880

if anything i think it's fair to say

1132

00:47:56,230 --> 00:47:54,400

that uh members of the scientific

1133

00:47:58,630 --> 00:47:56,240

community would be extremely delighted

1134

00:47:59,990 --> 00:47:58,640

to investigate ufos very seriously if

1135

00:48:01,589 --> 00:48:00,000

there is anything concrete to

1136

00:48:03,510 --> 00:48:01,599

investigate

1137

00:48:05,430 --> 00:48:03,520

the difficulty is the more you look into

1138

00:48:10,470 --> 00:48:05,440

it the more you find the evidence is

1139

00:48:12,309 --> 00:48:10,480

hearsay or are slip shot evidence or

1140

00:48:14,150 --> 00:48:12,319

things which we can very well understand

1141

00:48:17,349 --> 00:48:14,160

without the need to investigate

1142

00:48:18,950 --> 00:48:17,359

i can appreciate the desire of the

1143

00:48:20,630 --> 00:48:18,960

physical scientists the so-called hard

1144

00:48:23,510 --> 00:48:20,640

scientists

1145

00:48:24,549 --> 00:48:23,520

to have what they call hard data i would

1146

00:48:26,390 --> 00:48:24,559

like it to

1147

00:48:29,349 --> 00:48:26,400

but when you have a phenomenon that

1148

00:48:30,870 --> 00:48:29,359

doesn't seem to produce the hard data

1149

00:48:32,470 --> 00:48:30,880

one might ask you might as well have

1150

00:48:35,190 --> 00:48:32,480

asked frau sigmund freud

1151

00:48:36,790 --> 00:48:35,200

what is the hard data in dream analysis

1152

00:48:38,790 --> 00:48:36,800

what do you take in the laboratory what

1153

00:48:39,829 --> 00:48:38,800

do you put under a microscope in dream

1154

00:48:41,750 --> 00:48:39,839

analysis

1155

00:48:44,710 --> 00:48:41,760

and yet we have the whole structure of

1156

00:48:46,950 --> 00:48:44,720

psychoanalysis today

1157

00:48:48,790 --> 00:48:46,960

and so we've come full circle around the

1158

00:48:51,190 --> 00:48:48,800

subject of ufos

1159

00:48:53,430 --> 00:48:51,200

and it's a standoff between those who

1160

00:48:56,069 --> 00:48:53,440

believe and those who don't

1161

00:48:56,790 --> 00:48:56,079

but it seems to me that ufologists have

1162

00:48:59,109 --> 00:48:56,800

a strong

1163

00:49:01,430 --> 00:48:59,119

case when they argue for a serious

1164

00:49:04,150 --> 00:49:01,440

investigation of the phenomenon

1165

00:49:05,349 --> 00:49:04,160

because scientists who dismiss ufos are

1166

00:49:08,390 --> 00:49:05,359

either unwilling

1167

00:49:09,109 --> 00:49:08,400

or unable to refute the most outstanding

1168

00:49:12,549 --> 00:49:09,119

cases

1169

00:49:13,109 --> 00:49:12,559

like the new zealand film if documents

1170

00:49:15,190 --> 00:49:13,119

show that

1171

00:49:17,750 --> 00:49:15,200

sightings over military installations

1172

00:49:21,030 --> 00:49:17,760

are taken seriously by our government

1173

00:49:21,910 --> 00:49:21,040

shouldn't that be investigated if a

1174

00:49:23,670 --> 00:49:21,920

videotape

1175

00:49:27,190 --> 00:49:23,680

shows an object that defies

1176
00:49:29,349 --> 00:49:27,200
identification shouldn't it be analyzed

1177
00:49:31,430 --> 00:49:29,359
and if people believe they were abducted

1178
00:49:32,950 --> 00:49:31,440
by aliens from outer space

1179
00:49:35,510 --> 00:49:32,960
isn't that a subject that merits

1180
00:49:38,390 --> 00:49:35,520
psychological study

1181
00:49:39,190 --> 00:49:38,400
dr haines and others say yes and they

1182
00:49:41,589 --> 00:49:39,200
make a plea

1183
00:49:43,270 --> 00:49:41,599
for time and money to do a thorough

1184
00:49:46,630 --> 00:49:43,280
investigation of the strongest

1185
00:49:48,710 --> 00:49:46,640
ufo cases but even more important

1186
00:49:50,470 --> 00:49:48,720
they want their fellow scientists to

1187
00:49:51,910 --> 00:49:50,480
keep an open mind

1188
00:49:54,549 --> 00:49:51,920

because we're dealing with a phenomenon

1189

00:49:57,430 --> 00:49:54,559

we don't understand and because of that

1190

00:49:58,069 --> 00:49:57,440

we need to keep every avenue open in

1191

00:50:00,390 --> 00:49:58,079

terms of

1192

00:50:02,549 --> 00:50:00,400

of the approach taken to understand it

1193

00:50:04,069 --> 00:50:02,559

it might take physics

1194

00:50:06,309 --> 00:50:04,079

some breakthrough in in molecular

1195

00:50:09,190 --> 00:50:06,319

physics say or plasma physics

1196

00:50:10,390 --> 00:50:09,200

it might take some understandings of the

1197

00:50:12,549 --> 00:50:10,400

psyche

1198

00:50:13,990 --> 00:50:12,559

of the unconscious it might take a

1199

00:50:15,990 --> 00:50:14,000

combination of the two

1200

00:50:17,829 --> 00:50:16,000

it might take some totally new field of

1201

00:50:20,630 --> 00:50:17,839

science we don't have yet

1202

00:50:22,230 --> 00:50:20,640

ufology today is in the state i would

1203

00:50:25,510 --> 00:50:22,240

say that say chemistry was

1204

00:50:27,030 --> 00:50:25,520

when chemistry was alchemy a mixture of

1205

00:50:30,470 --> 00:50:27,040

superstition

1206

00:50:31,910 --> 00:50:30,480

wild ideas unproved claims and yet out

1207

00:50:34,390 --> 00:50:31,920

of that whole mess

1208

00:50:35,270 --> 00:50:34,400

finally the very first class science of

1209

00:50:38,069 --> 00:50:35,280

chemistry

1210

00:50:40,790 --> 00:50:38,079

evolved i think the same thing is going

1211

00:50:44,069 --> 00:50:40,800

to happen eventually with ufology it's

1212

00:50:48,069 --> 00:50:44,079

but right now it is a mess there's

1213

00:50:51,309 --> 00:50:48,079

a fantastic amount of wishful thinking

1214

00:50:52,710 --> 00:50:51,319

of desire of pseudoscience of

1215

00:50:55,750 --> 00:50:52,720

pseudo-religion

1216

00:50:56,470 --> 00:50:55,760

of cultism but eventually i think that

1217

00:50:59,109 --> 00:50:56,480

will all

1218

00:51:00,230 --> 00:50:59,119

finally sink to the bottom and we'll

1219

00:51:03,589 --> 00:51:00,240

have

1220

00:51:05,109 --> 00:51:03,599

uh out of our whole thing a a clear

1221

00:51:07,030 --> 00:51:05,119

liquid of

1222

00:51:10,069 --> 00:51:07,040

of something that we can really see and

1223

00:51:13,829 --> 00:51:11,510

it doesn't seem likely that the

1224

00:51:15,990 --> 00:51:13,839

government will join with scientists

1225

00:51:18,950 --> 00:51:16,000

in a complete public investigation of

1226

00:51:20,790 --> 00:51:18,960

the ufo phenomenon

1227

00:51:21,990 --> 00:51:20,800

and this leaves the job to be done by

1228

00:51:23,670 --> 00:51:22,000

the alan heineck's

1229

00:51:25,190 --> 00:51:23,680

and the richard haynes's and the

1230

00:51:27,109 --> 00:51:25,200

hundreds of investigators

1231

00:51:29,910 --> 00:51:27,119

all over the world struggling against

1232

00:51:32,069 --> 00:51:29,920

all odds to make some sense of the ufo

1233

00:51:33,670 --> 00:51:32,079

experience

1234

00:51:35,430 --> 00:51:33,680

but the lack of information does not

1235

00:51:37,430 --> 00:51:35,440

diminish our interest

1236

00:51:38,630 --> 00:51:37,440

indeed it's the mystery that feeds our

1237

00:51:42,540 --> 00:51:38,640

imagination

1238

00:51:48,829 --> 00:51:42,550

and allows us to wonder about marvelous
