

TRUTHSEEKERS

The Return

TONIGHT AT 8PM (EST)

1
00:02:05,670 --> 00:00:44,960

[Music]

2
00:02:10,550 --> 00:02:07,990
greetings and salutations friends

3
00:02:12,390 --> 00:02:10,560
and welcome back and a big welcome back

4
00:02:15,510 --> 00:02:12,400
we have been gone for

5
00:02:18,710 --> 00:02:15,520
i kind of lost track a number of days

6
00:02:21,670 --> 00:02:18,720
uh very busy uh

7
00:02:23,110 --> 00:02:21,680
boy i always think that december and

8
00:02:26,390 --> 00:02:23,120
january

9
00:02:28,949 --> 00:02:26,400
uh are my busiest times of the year

10
00:02:30,390 --> 00:02:28,959
uh my wife god bless her always tries to

11
00:02:33,910 --> 00:02:30,400
make a big

12
00:02:34,790 --> 00:02:33,920
you know big holiday event for the

13
00:02:37,110 --> 00:02:34,800

children

14

00:02:38,070 --> 00:02:37,120

and uh so we've had christmas eve and

15

00:02:41,030 --> 00:02:38,080

christmas day

16

00:02:43,190 --> 00:02:41,040

and uh new year's eve and new year's day

17

00:02:47,030 --> 00:02:43,200

then her birthday

18

00:02:50,070 --> 00:02:47,040

uh my son xavier especially

19

00:02:54,710 --> 00:02:50,080

you gotta have a party right get a music

20

00:02:58,630 --> 00:02:54,720

you have cake i'm i'm all partied out

21

00:02:59,240 --> 00:02:58,640

i think and uh ready i suppose to get

22

00:03:00,630 --> 00:02:59,250

back to

23

00:03:04,149 --> 00:03:00,640

[Music]

24

00:03:08,070 --> 00:03:04,159

something like work uh

25

00:03:11,509 --> 00:03:08,080

i meant to come back yesterday and then

26

00:03:13,869 --> 00:03:11,519

the day before or last saturday

27

00:03:16,550 --> 00:03:13,879

um and i suppose i have been

28

00:03:19,430 --> 00:03:16,560

procrastinating

29

00:03:20,390 --> 00:03:19,440

not quite sure if i was going to skate

30

00:03:24,309 --> 00:03:20,400

into these

31

00:03:30,830 --> 00:03:28,390

uh pardon me i got these new

32

00:03:32,949 --> 00:03:30,840

headphones which are a little

33

00:03:33,270 --> 00:03:32,959

detrimental because they really muffle

34

00:03:36,949 --> 00:03:33,280

my

35

00:03:39,830 --> 00:03:36,959

ears and uh not sure

36

00:03:42,149 --> 00:03:39,840

maybe uh the big ones are better for me

37

00:03:45,830 --> 00:03:42,159

but we're trying this out

38

00:03:47,910 --> 00:03:45,840

so yeah i've had a lot of time to think

39

00:03:50,789 --> 00:03:47,920

though about the future of the show

40

00:03:52,309 --> 00:03:50,799

first um show business to get out of the

41

00:03:53,350 --> 00:03:52,319

way is that people have noticed i'm

42

00:03:56,710 --> 00:03:53,360

uploading

43

00:04:00,070 --> 00:03:56,720

a bunch of old documentaries um yeah

44

00:04:02,869 --> 00:04:00,080

because i have a treasure trove of them

45

00:04:04,390 --> 00:04:02,879

um i have hundreds of really old

46

00:04:07,750 --> 00:04:04,400

documentaries 50s

47

00:04:11,750 --> 00:04:07,760

60s 70s about uh

48

00:04:16,150 --> 00:04:11,760

not just ufos um sort of ufos bigfoot

49

00:04:19,030 --> 00:04:16,160

cryptid creatures loch ness monster

50

00:04:20,069 --> 00:04:19,040

it's just interesting to me to sort of

51

00:04:22,870 --> 00:04:20,079

see the history

52

00:04:23,430 --> 00:04:22,880

and to look back and see so many of the

53

00:04:26,629 --> 00:04:23,440

same

54

00:04:29,909 --> 00:04:29,030

and how those stories have been retold

55

00:04:33,270 --> 00:04:29,919

and retold

56

00:04:35,270 --> 00:04:33,280

again and each time those stories are

57

00:04:37,110 --> 00:04:35,280

told new things are tacked on to the

58

00:04:41,110 --> 00:04:37,120

stories it seems

59

00:04:41,990 --> 00:04:41,120

at least to me having observed these

60

00:04:44,870 --> 00:04:42,000

things happen

61

00:04:46,150 --> 00:04:44,880

this phenomenon of adding to the story

62

00:04:49,350 --> 00:04:46,160

expanding that

63

00:04:51,909 --> 00:04:49,360

original myth um

64

00:04:52,629 --> 00:04:51,919

and we see it time and time again with

65

00:04:55,350 --> 00:04:52,639

the reynolds

66

00:04:56,390 --> 00:04:55,360

forest incident lots of things tacked on

67

00:04:58,950 --> 00:04:56,400

to that

68

00:04:59,670 --> 00:04:58,960

we see it with the barney and betty hill

69

00:05:02,950 --> 00:04:59,680

lots of

70

00:05:05,749 --> 00:05:02,960

new things tacked on to that

71

00:05:06,950 --> 00:05:05,759

let's see whitley striper is the king of

72

00:05:12,629 --> 00:05:06,960

attacking new [h__h]

73

00:05:16,469 --> 00:05:15,670

but this is uh part of the game i

74

00:05:19,909 --> 00:05:16,479

suppose

75

00:05:22,950 --> 00:05:19,919

we need to identify those people who are

76

00:05:25,749 --> 00:05:22,960

telling stories for money

77

00:05:27,110 --> 00:05:25,759

or to profit or fame or whatever reason

78

00:05:29,749 --> 00:05:27,120

and those who

79

00:05:31,590 --> 00:05:29,759

had a genuine experience and it's hard

80

00:05:34,550 --> 00:05:31,600

to separate those

81

00:05:36,070 --> 00:05:34,560

i keep trying uh but i've previously

82

00:05:39,749 --> 00:05:36,080

talked about it that that

83

00:05:42,230 --> 00:05:39,759

this is a fool's mission of course

84

00:05:45,029 --> 00:05:42,240

so uh yeah so the first bit of business

85

00:05:47,749 --> 00:05:45,039

is why am i uploading those things

86

00:05:49,350 --> 00:05:47,759

because i can because i have them and

87

00:05:53,270 --> 00:05:49,360

many of my friends here

88

00:05:56,309 --> 00:05:53,280

have expressed uh lot of

89

00:05:58,469 --> 00:05:56,319

positive thoughts about

90

00:05:59,430 --> 00:05:58,479

those being available again and those

91

00:06:01,670 --> 00:05:59,440

being here

92

00:06:04,230 --> 00:06:01,680

for people to enjoy and to see the

93

00:06:06,870 --> 00:06:04,240

history of this phenomenon

94

00:06:08,870 --> 00:06:06,880

and so that is going to continue here it

95

00:06:09,830 --> 00:06:08,880

won't be our focus but if i have a day

96

00:06:13,430 --> 00:06:09,840

where

97

00:06:16,629 --> 00:06:13,440

i'm not doing much with our show here

98

00:06:19,430 --> 00:06:16,639

surely i can uh give some time to

99

00:06:21,110 --> 00:06:19,440

what i think is a worthwhile endeavor

100

00:06:23,590 --> 00:06:21,120

and for those that have been very

101
00:06:24,390 --> 00:06:23,600
positive and supportive and enjoyed

102
00:06:26,390 --> 00:06:24,400
these things

103
00:06:28,309 --> 00:06:26,400
great to those who have said what are

104
00:06:29,029 --> 00:06:28,319
you doing why don't you just do your

105
00:06:30,230 --> 00:06:29,039
show

106
00:06:32,309 --> 00:06:30,240
we don't want to see these things from

107
00:06:35,510 --> 00:06:32,319
the 1970s

108
00:06:39,510 --> 00:06:35,520
i'm sorry i do it's my channel

109
00:06:42,710 --> 00:06:39,520
uh and we're gonna do that uh so i hope

110
00:06:45,990 --> 00:06:42,720
that everybody has had uh

111
00:06:48,710 --> 00:06:46,000
a good holiday season like i said i'm

112
00:06:49,350 --> 00:06:48,720
tuckered out like i am party partied out

113
00:06:53,670 --> 00:06:49,360

i think

114

00:06:56,390 --> 00:06:53,680

uh we've uh you know

115

00:06:57,350 --> 00:06:56,400

done all we can to make a big event for

116

00:06:59,110 --> 00:06:57,360

each day

117

00:07:00,830 --> 00:06:59,120

including my wife's birthday so we've

118

00:07:04,150 --> 00:07:00,840

had like five

119

00:07:06,070 --> 00:07:04,160

big big little family parties does that

120

00:07:08,629 --> 00:07:06,080

make sense it's just us here

121

00:07:10,550 --> 00:07:08,639

but my wife really tried to make a big

122

00:07:12,629 --> 00:07:10,560

thing out of each event

123

00:07:13,670 --> 00:07:12,639

you know and the food i think i gained

124

00:07:16,070 --> 00:07:13,680

15 pounds

125

00:07:17,029 --> 00:07:16,080

my wife cooks very well so i hope you

126

00:07:20,230 --> 00:07:17,039

all

127

00:07:23,830 --> 00:07:20,240

also had a busy and uh good

128

00:07:25,189 --> 00:07:23,840

holiday season uh on to the other show

129

00:07:28,390 --> 00:07:25,199

business

130

00:07:29,670 --> 00:07:28,400

this is a selfish thing but i knew that

131

00:07:31,749 --> 00:07:29,680

i was going to take a break over

132

00:07:34,390 --> 00:07:31,759

christmas sometime

133

00:07:34,950 --> 00:07:34,400

and so i sort of looked at the numbers

134

00:07:37,990 --> 00:07:34,960

and

135

00:07:39,589 --> 00:07:38,000

um thought to myself you know uh if

136

00:07:42,790 --> 00:07:39,599

things pan out okay

137

00:07:45,430 --> 00:07:42,800

i think i could go on break

138

00:07:48,869 --> 00:07:45,440

and just slide into those analytic

139

00:07:50,469 --> 00:07:48,879

numbers that we need to be monetized

140

00:07:52,309 --> 00:07:50,479

uh which is of course a thousand

141

00:07:54,790 --> 00:07:52,319

subscribers and 4 000

142

00:07:56,869 --> 00:07:54,800

hours of watch time we were just under

143

00:07:57,990 --> 00:07:56,879

the watch time and i don't know 100 or

144

00:08:00,150 --> 00:07:58,000

150 under

145

00:08:01,189 --> 00:08:00,160

the sub count when i started our break

146

00:08:03,749 --> 00:08:01,199

here

147

00:08:04,710 --> 00:08:03,759

and uh boy i really thought i thought we

148

00:08:07,189 --> 00:08:04,720

were going to make it

149

00:08:08,629 --> 00:08:07,199

but we're just shy but i didn't want to

150

00:08:12,070 --> 00:08:08,639

wait any longer so

151
00:08:13,830 --> 00:08:12,080
yeah we're back to shows but uh we did

152
00:08:15,189 --> 00:08:13,840
hit the watch time so thank you to

153
00:08:18,869 --> 00:08:15,199
everybody who's been watching

154
00:08:21,430 --> 00:08:18,879
uh especially you know the old

155
00:08:22,070 --> 00:08:21,440
five or six hour long streams that does

156
00:08:25,510 --> 00:08:22,080
help

157
00:08:27,830 --> 00:08:25,520
but we're still

158
00:08:29,990 --> 00:08:27,840
a little bit short on the sub count uh

159
00:08:32,630 --> 00:08:30,000
we're at 982

160
00:08:33,110 --> 00:08:32,640
so we need 18 more people but really we

161
00:08:36,230 --> 00:08:33,120
need

162
00:08:37,990 --> 00:08:36,240
about 70 more subscribers because i'm

163
00:08:38,630 --> 00:08:38,000

not going to fill out all that paperwork

164

00:08:41,829 --> 00:08:38,640

and

165

00:08:44,070 --> 00:08:41,839

whatever for the verification process

166

00:08:46,630 --> 00:08:44,080

for ebay monetization or i'm sorry for

167

00:08:49,590 --> 00:08:46,640

youtube monetization until we're at at

168

00:08:52,230 --> 00:08:49,600

least 1050 subscribers because

169

00:08:53,269 --> 00:08:52,240

every once in a while i look and two or

170

00:08:55,910 --> 00:08:53,279

three or five

171

00:08:57,910 --> 00:08:55,920

people just unsubscribed that day and i

172

00:08:59,910 --> 00:08:57,920

don't want to do all that stuff and then

173

00:09:01,829 --> 00:08:59,920

when youtube gets the paperwork somehow

174

00:09:04,389 --> 00:09:01,839

we jut it under the

175

00:09:06,710 --> 00:09:04,399

requirements so there's still a ways to

176

00:09:10,389 --> 00:09:06,720

go on the subcount but on the analytics

177

00:09:12,070 --> 00:09:10,399

uh i'm sorry on the watch time

178

00:09:14,389 --> 00:09:12,080

we're doing good and that does not go

179

00:09:15,750 --> 00:09:14,399

down you know once you hit the whatever

180

00:09:19,110 --> 00:09:15,760

watch time you've hit

181

00:09:21,590 --> 00:09:19,120

you hit it you were required by youtube

182

00:09:22,630 --> 00:09:21,600

for monetization to hit 4 000 hours of

183

00:09:25,030 --> 00:09:22,640

watch time

184

00:09:25,990 --> 00:09:25,040

within the past year our channel's not

185

00:09:29,350 --> 00:09:26,000

been up for

186

00:09:30,470 --> 00:09:29,360

a whole year yet um i don't know how

187

00:09:33,350 --> 00:09:30,480

many months but

188

00:09:36,470 --> 00:09:33,360

well well under a year and we're at 4

189

00:09:40,310 --> 00:09:36,480

200 hours of watch time so

190

00:09:43,829 --> 00:09:40,320

yay we hit one of their analytic metrics

191

00:09:44,230 --> 00:09:43,839

we've just gotta we just gotta continue

192

00:09:47,110 --> 00:09:44,240

to

193

00:09:50,230 --> 00:09:47,120

uh beg for subscribers and i'm not above

194

00:09:52,949 --> 00:09:50,240

begging friends

195

00:09:54,389 --> 00:09:52,959

because praise the cash praise the cash

196

00:09:56,550 --> 00:09:54,399

praise the cash

197

00:09:59,030 --> 00:09:56,560

if all these people out there selling

198

00:10:02,069 --> 00:09:59,040

lies and tell people fairy tales

199

00:10:02,550 --> 00:10:02,079

can be you know youtube monetized and

200

00:10:05,430 --> 00:10:02,560

make

201
00:10:07,110 --> 00:10:05,440
their youtube pennies then god damn it i

202
00:10:08,310 --> 00:10:07,120
should be allowed to make my youtube

203
00:10:11,750 --> 00:10:08,320
pennies for

204
00:10:14,310 --> 00:10:11,760
trying at least to give people

205
00:10:15,269 --> 00:10:14,320
the real truth behind these stories i

206
00:10:19,269 --> 00:10:15,279
believe that

207
00:10:21,590 --> 00:10:19,279
universe and if this universe is going

208
00:10:24,949 --> 00:10:21,600
to let a bunch of [h__h] criminals

209
00:10:27,910 --> 00:10:24,959
make youtube add money and take you to

210
00:10:29,269 --> 00:10:27,920
super chat donations then god damn it i

211
00:10:32,710 --> 00:10:29,279
should be allowed

212
00:10:36,630 --> 00:10:32,720
to get you to add revenue and

213
00:10:38,550 --> 00:10:36,640

collect youtube super chat donations

214

00:10:40,630 --> 00:10:38,560

i should be allowed i think that's fair

215

00:10:44,230 --> 00:10:40,640

it's just all it's only fair

216

00:10:45,910 --> 00:10:44,240

if the criminals and the crooks you know

217

00:10:49,509 --> 00:10:45,920

and the people that are literally

218

00:10:55,430 --> 00:10:52,710

hoaxing things faking things

219

00:10:56,389 --> 00:10:55,440

knowingly using fake sources to sell a

220

00:10:59,509 --> 00:10:56,399

story

221

00:11:01,910 --> 00:10:59,519

about aliens or whatever are allowed to

222

00:11:03,190 --> 00:11:01,920

be monetized and god damn it i should be

223

00:11:05,590 --> 00:11:03,200

allowed to

224

00:11:06,949 --> 00:11:05,600

sorry repeat myself i feel very strongly

225

00:11:09,910 --> 00:11:06,959

about this

226

00:11:11,430 --> 00:11:09,920

and if you do too then please listen

227

00:11:14,470 --> 00:11:11,440

send our channel address

228

00:11:15,030 --> 00:11:14,480

to your friends your family anybody that

229

00:11:17,110 --> 00:11:15,040

you know

230

00:11:19,430 --> 00:11:17,120

that could just help us out and click

231

00:11:21,350 --> 00:11:19,440

that red subscribe button

232

00:11:22,710 --> 00:11:21,360

it really does help if you like comment

233

00:11:24,470 --> 00:11:22,720

and subscribe

234

00:11:26,150 --> 00:11:24,480

please send our channel address to some

235

00:11:27,590 --> 00:11:26,160

friends so that uh

236

00:11:29,509 --> 00:11:27,600

you know i could be right with the

237

00:11:32,630 --> 00:11:29,519

universe as long as the universe

238

00:11:35,269 --> 00:11:32,640

is fair i i'm i'm good with that

239

00:11:36,310 --> 00:11:35,279

but it's not fair that so many channels

240

00:11:38,470 --> 00:11:36,320

that uh

241

00:11:40,389 --> 00:11:38,480

aren't selling fairy tales and nonsense

242

00:11:41,990 --> 00:11:40,399

and [h__h] you know you can have i've

243

00:11:44,310 --> 00:11:42,000

said this before i think it's

244

00:11:46,630 --> 00:11:44,320

very important you could have a valid

245

00:11:49,350 --> 00:11:46,640

interest in paranormal subjects

246

00:11:51,110 --> 00:11:49,360

and not just believe any bunch of

247

00:11:54,310 --> 00:11:51,120

[h__h] nutty nonsense

248

00:11:57,750 --> 00:11:54,320

garbage that people come to you with or

249

00:11:59,990 --> 00:11:57,760

tell you or write in a on a website

250

00:12:01,430 --> 00:12:00,000

somewhere or make a video about you can

251

00:12:04,470 --> 00:12:01,440

have an interest in this stuff

252

00:12:06,710 --> 00:12:04,480

and not be totally

253

00:12:08,790 --> 00:12:06,720

on the side of woo and just believe any

254

00:12:10,710 --> 00:12:08,800

of this [h__h]

255

00:12:12,310 --> 00:12:10,720

a lot of respectable people i know

256

00:12:15,350 --> 00:12:12,320

science people

257

00:12:16,310 --> 00:12:15,360

medical people people much smarter than

258

00:12:26,949 --> 00:12:16,320

me

259

00:12:26,959 --> 00:12:31,509

cryptid creatures

260

00:12:35,990 --> 00:12:34,790

demons and demon possession lots of very

261

00:12:38,150 --> 00:12:36,000

intelligent people

262

00:12:39,910 --> 00:12:38,160

believe in these things it's okay to

263

00:12:43,990 --> 00:12:39,920

believe in these things it's not okay

264

00:12:47,030 --> 00:12:44,000

to just listen to people that are

265

00:12:49,990 --> 00:12:47,040

shoveling garbage into your eyes

266

00:12:51,430 --> 00:12:50,000

into your ears down your throats and

267

00:12:57,910 --> 00:12:51,440

they always need money

268

00:12:59,030 --> 00:12:57,920

and listen uh third bit of show business

269

00:13:01,990 --> 00:12:59,040

i have i actually have

270

00:13:04,389 --> 00:13:02,000

notes i feel somewhat organized today

271

00:13:07,829 --> 00:13:04,399

and uh

272

00:13:08,310 --> 00:13:07,839

yeah so uh people have asked me like

273

00:13:10,230 --> 00:13:08,320

what is

274

00:13:13,750 --> 00:13:10,240

going on with the future of the channel

275

00:13:16,310 --> 00:13:13,760

and what are your plans for 2021

276

00:13:17,750 --> 00:13:16,320

and here are my plans uh and i'm sorry

277

00:13:19,269 --> 00:13:17,760

to say this but i'm always honest with

278

00:13:22,550 --> 00:13:19,279

my audience so i'm gonna

279

00:13:25,750 --> 00:13:22,560

be here's my cards on the table uh we're

280

00:13:26,870 --> 00:13:25,760

approaching 100 episodes that i've

281

00:13:29,910 --> 00:13:26,880

produced

282

00:13:33,750 --> 00:13:29,920

and we still are not monetized so

283

00:13:35,350 --> 00:13:33,760

essentially except for the patreon

284

00:13:37,030 --> 00:13:35,360

which i'm extremely thankful for don't

285

00:13:39,189 --> 00:13:37,040

get me wrong and uh in

286

00:13:40,150 --> 00:13:39,199

some paypal donations you know we've

287

00:13:43,750 --> 00:13:40,160

made zero

288

00:13:46,629 --> 00:13:43,760

on youtube uh

289

00:13:47,030 --> 00:13:46,639

no ad revenue no super chat donations

290

00:13:50,150 --> 00:13:47,040

for

291

00:13:51,269 --> 00:13:50,160

a hundred episodes and i don't know

292

00:13:56,150 --> 00:13:51,279

about you but

293

00:13:59,670 --> 00:13:56,160

if a large corporation made uh

294

00:14:01,189 --> 00:13:59,680

any kind of a sort of

295

00:14:03,670 --> 00:14:01,199

pitch to you that you might be able to

296

00:14:04,150 --> 00:14:03,680

make money with us become an affiliate

297

00:14:05,750 --> 00:14:04,160

become

298

00:14:07,910 --> 00:14:05,760

you know a subcontractor because that's

299

00:14:11,030 --> 00:14:07,920

essentially what we're doing here

300

00:14:13,829 --> 00:14:11,040

um working with a corporate partner

301
00:14:14,710 --> 00:14:13,839
creating this content which they deliver

302
00:14:17,509 --> 00:14:14,720
and

303
00:14:18,710 --> 00:14:17,519
essentially so far we make almost no

304
00:14:22,230 --> 00:14:18,720
money from

305
00:14:23,430 --> 00:14:22,240
uh so yeah i deemed that as a bad

306
00:14:27,509 --> 00:14:23,440
situation

307
00:14:29,350 --> 00:14:27,519
now and just as i wouldn't show up

308
00:14:31,030 --> 00:14:29,360
like you know i thought about it in

309
00:14:31,430 --> 00:14:31,040
these terms like what if a friend of

310
00:14:33,430 --> 00:14:31,440
mine

311
00:14:34,949 --> 00:14:33,440
said hey if you uh if you can help me

312
00:14:36,389 --> 00:14:34,959
out on a job site tomorrow i'll give you

313
00:14:39,030 --> 00:14:36,399

a hundred bucks

314

00:14:40,870 --> 00:14:39,040

and then i did and at the end of the day

315

00:14:44,389 --> 00:14:40,880

i didn't get the hundred bucks

316

00:14:47,430 --> 00:14:44,399

would i show up the next day so uh

317

00:14:50,629 --> 00:14:47,440

where a hundred shows

318

00:14:51,910 --> 00:14:50,639

a hundred episodes we're approaching and

319

00:14:53,990 --> 00:14:51,920

still not monetized

320

00:14:56,230 --> 00:14:54,000

you know and i kind of look i i'm okay

321

00:14:59,509 --> 00:14:56,240

with like look i gotta do some demos

322

00:15:02,870 --> 00:14:59,519

and show what we're capable of here uh

323

00:15:04,389 --> 00:15:02,880

but jeez and maybe this is just me

324

00:15:06,069 --> 00:15:04,399

bitching because this has been a lot

325

00:15:07,750 --> 00:15:06,079

harder than i thought it was gonna be to

326

00:15:08,389 --> 00:15:07,760

get to a thousand subscribers my last

327

00:15:10,389 --> 00:15:08,399

channel

328

00:15:12,069 --> 00:15:10,399

i don't know what happened but i think

329

00:15:15,030 --> 00:15:12,079

the channel address got posted

330

00:15:17,350 --> 00:15:15,040

in a national magazine and this was

331

00:15:19,670 --> 00:15:17,360

early earlier youtube you know

332

00:15:21,350 --> 00:15:19,680

and i just got a thousand subscribers in

333

00:15:24,870 --> 00:15:21,360

a week or two or something

334

00:15:26,710 --> 00:15:24,880

it was a lot different so in this new

335

00:15:28,470 --> 00:15:26,720

climate i guess there's thousands

336

00:15:30,230 --> 00:15:28,480

tens of thousands hundreds of thousands

337

00:15:32,470 --> 00:15:30,240

more content creators whatever

338

00:15:33,990 --> 00:15:32,480

whatever it is but i'm getting off in

339

00:15:36,949 --> 00:15:34,000

the weeds as i tend to do

340

00:15:38,550 --> 00:15:36,959

so you know listen my point is i was

341

00:15:41,269 --> 00:15:38,560

listen you can count up the shows

342

00:15:42,949 --> 00:15:41,279

right there's almost a hundred i'm

343

00:15:45,509 --> 00:15:42,959

before

344

00:15:45,990 --> 00:15:45,519

i'd say two probably three weeks ago or

345

00:15:49,350 --> 00:15:46,000

no no

346

00:15:51,749 --> 00:15:49,360

you know what it was it was right it was

347

00:15:53,670 --> 00:15:51,759

right before christmas i just started

348

00:15:57,749 --> 00:15:53,680

looking at things and going

349

00:16:00,790 --> 00:15:57,759

this isn't this is just it's it's a

350

00:16:02,310 --> 00:16:00,800

hobby at best it's me uh doing something

351

00:16:04,550 --> 00:16:02,320

i like to do but i'm never

352

00:16:05,749 --> 00:16:04,560

gonna make any money at this and then

353

00:16:07,670 --> 00:16:05,759

you know

354

00:16:08,790 --> 00:16:07,680

the other side of it is seeing all these

355

00:16:11,910 --> 00:16:08,800

people that are

356

00:16:14,470 --> 00:16:11,920

but they're on the dark side cell lies

357

00:16:15,350 --> 00:16:14,480

right and it just doesn't sit well with

358

00:16:18,389 --> 00:16:15,360

me so

359

00:16:20,470 --> 00:16:18,399

i don't know long story short i said i

360

00:16:22,710 --> 00:16:20,480

think i'm going to finish the 100th show

361

00:16:24,310 --> 00:16:22,720

and i'm going to call it a day i'm gonna

362

00:16:27,269 --> 00:16:24,320

bail out of this thing

363

00:16:28,069 --> 00:16:27,279

at least for a long time and when i met

364

00:16:29,990 --> 00:16:28,079

a long time

365

00:16:31,829 --> 00:16:30,000

in my mind i meant you know maybe i'll

366

00:16:32,949 --> 00:16:31,839

go back to it in a few years if i have

367

00:16:38,550 --> 00:16:32,959

time

368

00:16:40,550 --> 00:16:38,560

and and i feel the uh desire to do it

369

00:16:42,069 --> 00:16:40,560

and there was some things that just

370

00:16:43,590 --> 00:16:42,079

happened that just rubbed me the wrong

371

00:16:45,749 --> 00:16:43,600

way right around that time

372

00:16:47,829 --> 00:16:45,759

with the show you know i had guests come

373

00:16:50,629 --> 00:16:47,839

on and just [h__h] all over

374

00:16:51,829 --> 00:16:50,639

future huge potential guest here that

375

00:16:55,509 --> 00:16:51,839

wasn't even

376

00:16:57,670 --> 00:16:55,519

on the show yet and uh you know listen

377

00:16:58,629 --> 00:16:57,680

i'm all for free speech but if you come

378

00:17:01,189 --> 00:16:58,639

on my show

379

00:17:02,790 --> 00:17:01,199

literally accusing people of committing

380

00:17:05,669 --> 00:17:02,800

felonies

381

00:17:07,590 --> 00:17:05,679

uh with no proof no evidence just like i

382

00:17:10,309 --> 00:17:07,600

heard from this girl

383

00:17:11,270 --> 00:17:10,319

then that's a problem and i can't really

384

00:17:13,110 --> 00:17:11,280

allow that

385

00:17:14,789 --> 00:17:13,120

and again i'm gonna blame my

386

00:17:15,429 --> 00:17:14,799

inexperience as a show host i don't know

387

00:17:17,429 --> 00:17:15,439

what to do

388

00:17:18,870 --> 00:17:17,439

try to shut them down three times like

389

00:17:20,789 --> 00:17:18,880

this isn't the place for it

390

00:17:22,390 --> 00:17:20,799

he's not here to defend himself this

391

00:17:23,669 --> 00:17:22,400

isn't fair to him like wait till he's

392

00:17:26,549 --> 00:17:23,679

here then he can ask him he's

393

00:17:27,829 --> 00:17:26,559

nope nope just gonna [h__h] all over that

394

00:17:31,029 --> 00:17:27,839

potential guest

395

00:17:32,990 --> 00:17:31,039

a guest which by the way has

396

00:17:35,430 --> 00:17:33,000

uh i don't know if the top of my head

397

00:17:37,830 --> 00:17:35,440

120 000 subscribers

398

00:17:40,390 --> 00:17:37,840

right and he was going to be here and

399

00:17:43,590 --> 00:17:40,400

work with me to try to

400

00:17:44,230 --> 00:17:43,600

uh he was going to give me a bump let's

401
00:17:46,150 --> 00:17:44,240

just put it

402
00:17:47,750 --> 00:17:46,160

that's just the reality of it i always

403
00:17:49,750 --> 00:17:47,760

say i'm honest like that's my

404
00:17:51,590 --> 00:17:49,760

understanding we had a nice conversation

405
00:17:52,789 --> 00:17:51,600

some of you know who i'm talking about

406
00:17:54,710 --> 00:17:52,799

and like

407
00:17:56,070 --> 00:17:54,720

we agree on a lot of things we don't

408
00:17:57,750 --> 00:17:56,080

agree on some things

409
00:17:59,270 --> 00:17:57,760

i don't have to agree with some of the

410
00:18:00,630 --> 00:17:59,280

[h__\h] that that guy

411
00:18:02,230 --> 00:18:00,640

the other show always talks about it's

412
00:18:04,549 --> 00:18:02,240

the same thing with the the situation

413
00:18:07,110 --> 00:18:04,559

with john claude from beyond mystic

414

00:18:09,830 --> 00:18:07,120

love the guy but some of the [h__h] on his

415

00:18:10,870 --> 00:18:09,840

show is [h__h] whacking doodle nonsense

416

00:18:13,350 --> 00:18:10,880

garbage

417

00:18:15,190 --> 00:18:13,360

and i tell that to his face because i

418

00:18:15,669 --> 00:18:15,200

can because he's a man and he can take

419

00:18:20,070 --> 00:18:15,679

it

420

00:18:20,549 --> 00:18:20,080

by the way i've talked to him and we're

421

00:18:22,870 --> 00:18:20,559

good

422

00:18:23,909 --> 00:18:22,880

we're okay so you know he didn't even

423

00:18:26,310 --> 00:18:23,919

catch what

424

00:18:27,990 --> 00:18:26,320

the end of that where somebody you know

425

00:18:30,070 --> 00:18:28,000

had a nice christmas special and then at

426

00:18:32,789 --> 00:18:30,080

the end it just went to [h__h]

427

00:18:34,789 --> 00:18:32,799

right and by the way i pulled it and put

428

00:18:35,590 --> 00:18:34,799

it on patreon if you're interested in

429

00:18:39,350 --> 00:18:35,600

that

430

00:18:41,270 --> 00:18:39,360

okay so i was ready to just kill it i'm

431

00:18:41,510 --> 00:18:41,280

telling you i was just ready to kill it

432

00:18:43,590 --> 00:18:41,520

and

433

00:18:45,270 --> 00:18:43,600

the more i thought about i'm like you

434

00:18:48,150 --> 00:18:45,280

know we're so close to these

435

00:18:50,870 --> 00:18:48,160

monetization numbers that it's like

436

00:18:52,710 --> 00:18:50,880

you know it's like closing a restaurant

437

00:18:54,230 --> 00:18:52,720

just as it's about to make money

438

00:18:57,029 --> 00:18:54,240

you know you're going to operate at a

439

00:19:00,390 --> 00:18:57,039

loss for a while that's just the reality

440

00:19:03,830 --> 00:19:00,400

of any business i suppose

441

00:19:07,270 --> 00:19:03,840

but i have a

442

00:19:09,909 --> 00:19:07,280

i have a real real fascination

443

00:19:11,510 --> 00:19:09,919

some would say obsession with time and

444

00:19:15,990 --> 00:19:11,520

what i do with it

445

00:19:19,430 --> 00:19:16,000

and i i think this came from having a uh

446

00:19:21,750 --> 00:19:19,440

having a life threatening illness

447

00:19:22,470 --> 00:19:21,760

once right that'll wake you up and you

448

00:19:25,830 --> 00:19:22,480

go oh

449

00:19:28,070 --> 00:19:25,840

[h__h] i could punch out at any minute

450

00:19:29,750 --> 00:19:28,080

and not do all the things that i always

451
00:19:31,750 --> 00:19:29,760
planned to do or thought i'd have time

452
00:19:32,549 --> 00:19:31,760
to do or wanted to do with my life and

453
00:19:35,830 --> 00:19:32,559
my time

454
00:19:39,430 --> 00:19:35,840
and this could all just end

455
00:19:40,310 --> 00:19:39,440
tomorrow somehow yeah we don't have any

456
00:19:41,830 --> 00:19:40,320
guarantees

457
00:19:43,430 --> 00:19:41,840
and i learned that when i had a

458
00:19:45,590 --> 00:19:43,440
life-threatening illness so

459
00:19:46,710 --> 00:19:45,600
i have this thing about time and wasting

460
00:19:49,830 --> 00:19:46,720
time

461
00:19:51,190 --> 00:19:49,840
i can't stand it i i feel like i always

462
00:19:54,070 --> 00:19:51,200
have to be doing something

463
00:19:57,029 --> 00:19:54,080

part of that may be a little add my wife

464

00:20:00,230 --> 00:19:57,039

would say i'm a lot addie

465

00:20:01,990 --> 00:20:00,240

i gotta be doing stuff and like

466

00:20:03,590 --> 00:20:02,000

and it's gotta be something i feel like

467

00:20:07,029 --> 00:20:03,600

is worth doing and it's

468

00:20:10,630 --> 00:20:07,039

and it's you know anyway

469

00:20:11,510 --> 00:20:10,640

uh when my show's getting [h__h] on even

470

00:20:14,630 --> 00:20:11,520

by my own

471

00:20:16,950 --> 00:20:14,640

guests live on air i'm not

472

00:20:18,870 --> 00:20:16,960

feeling like this is something that i

473

00:20:20,310 --> 00:20:18,880

should be putting my time in

474

00:20:22,149 --> 00:20:20,320

but i had to remember all the good

475

00:20:24,149 --> 00:20:22,159

people and good guests and like yeah

476
00:20:25,430 --> 00:20:24,159
look that was an isolated incident and i

477
00:20:28,070 --> 00:20:25,440
gotta tell you it's

478
00:20:30,630 --> 00:20:28,080
never gonna happen again because i'm

479
00:20:33,510 --> 00:20:30,640
gonna keep a tighter

480
00:20:33,990 --> 00:20:33,520
leash or control on my show i don't want

481
00:20:35,830 --> 00:20:34,000
to censor

482
00:20:37,830 --> 00:20:35,840
anybody but it's not too much to ask

483
00:20:41,430 --> 00:20:37,840
that you don't accuse

484
00:20:42,549 --> 00:20:41,440
an international media content producer

485
00:20:45,510 --> 00:20:42,559
of

486
00:20:46,830 --> 00:20:45,520
an internationally known content media

487
00:20:50,230 --> 00:20:46,840
producer of

488
00:20:52,470 --> 00:20:50,240

literally you know uh committing

489

00:20:53,110 --> 00:20:52,480

felonies and grand theft and all this

490

00:20:56,070 --> 00:20:53,120

[h__\h]

491

00:20:56,870 --> 00:20:56,080

you just i'm not no this isn't the place

492

00:20:58,390 --> 00:20:56,880

for that [h__\h]

493

00:21:00,830 --> 00:20:58,400

if he's here sure you can ask him

494

00:21:04,149 --> 00:21:00,840

anything you want but jesus

495

00:21:06,149 --> 00:21:04,159

christ so

496

00:21:08,549 --> 00:21:06,159

i should have made notes for this part i

497

00:21:10,710 --> 00:21:08,559

i just have one line

498

00:21:12,230 --> 00:21:10,720

and it's not sufficient to explain how i

499

00:21:14,870 --> 00:21:12,240

feel about all this so

500

00:21:16,230 --> 00:21:14,880

we're gonna we're gonna just table that

501
00:21:17,669 --> 00:21:16,240
so i felt bad

502
00:21:19,590 --> 00:21:17,679
and then there was somebody in the live

503
00:21:21,110 --> 00:21:19,600
chat when i talked and that worked out

504
00:21:22,230 --> 00:21:21,120
okay but there was also somebody in live

505
00:21:24,630 --> 00:21:22,240
chat [h__\h] on another

506
00:21:26,470 --> 00:21:24,640
potential guest and like you guys don't

507
00:21:29,430 --> 00:21:26,480
know how hard it is to get guests

508
00:21:31,430 --> 00:21:29,440
come on here uh some of you may be

509
00:21:34,470 --> 00:21:31,440
surprised to know this but i have

510
00:21:34,789 --> 00:21:34,480
a little bit of a harsh reputation and

511
00:21:38,070 --> 00:21:34,799
uh

512
00:21:38,950 --> 00:21:38,080
so you know when i have like oh my god i

513
00:21:41,669 --> 00:21:38,960

got a guest

514

00:21:43,110 --> 00:21:41,679

like just be kind to the guest you can

515

00:21:45,270 --> 00:21:43,120

ask them anything you want

516

00:21:47,990 --> 00:21:45,280

you can disagree with them just be kind

517

00:21:51,909 --> 00:21:48,000

to them don't be nasty about anything

518

00:21:53,750 --> 00:21:51,919

and let them have a voice here like

519

00:21:56,950 --> 00:21:53,760

everyone

520

00:21:58,950 --> 00:21:56,960

and uh yeah so it is what it is so i

521

00:22:01,430 --> 00:21:58,960

felt this discouragement and i said

522

00:22:02,950 --> 00:22:01,440

i'm just i've had enough of this [h__\h]

523

00:22:05,110 --> 00:22:02,960

like i just

524

00:22:06,549 --> 00:22:05,120

you know i and then i felt i really did

525

00:22:08,950 --> 00:22:06,559

feel like man

526

00:22:11,190 --> 00:22:08,960

i felt like i just ran a marathon i

527

00:22:14,950 --> 00:22:11,200

really did work hard to hit these goals

528

00:22:18,149 --> 00:22:14,960

right these [h__h] stupid numbers up in

529

00:22:21,510 --> 00:22:18,159

some cloud computer system somewhere

530

00:22:24,070 --> 00:22:21,520

this ai algorithm this corporate mega

531

00:22:26,070 --> 00:22:24,080

media giant says that i gotta do this

532

00:22:28,870 --> 00:22:26,080

and this before they'll give me

533

00:22:30,310 --> 00:22:28,880

any of the pennies that i'm gonna be do

534

00:22:32,630 --> 00:22:30,320

and by the way

535

00:22:33,990 --> 00:22:32,640

even once i hit these analytics i'm

536

00:22:36,310 --> 00:22:34,000

gonna [h__h] share

537

00:22:37,750 --> 00:22:36,320

the money situation with everyone so

538

00:22:40,310 --> 00:22:37,760

that you could see

539

00:22:41,669 --> 00:22:40,320

the [h__h] pennies that youtube content

540

00:22:44,310 --> 00:22:41,679

creators work for

541

00:22:44,950 --> 00:22:44,320

right most of them work for [h__h]

542

00:22:47,510 --> 00:22:44,960

pennies

543

00:22:49,110 --> 00:22:47,520

it's not a lot of money friends but i

544

00:22:50,950 --> 00:22:49,120

still feel like it's unfair that i'm not

545

00:22:52,149 --> 00:22:50,960

even getting the [h__h] pennies right

546

00:22:55,029 --> 00:22:52,159

now

547

00:22:56,470 --> 00:22:55,039

but it is what it is and i after feeling

548

00:22:59,830 --> 00:22:56,480

all these negative feelings i

549

00:23:01,270 --> 00:22:59,840

felt better i felt like i clicked on the

550

00:23:03,750 --> 00:23:01,280

tail

551
00:23:04,630 --> 00:23:03,760
but then i feel like like i lost and i

552
00:23:06,630 --> 00:23:04,640
don't

553
00:23:07,990 --> 00:23:06,640
i gotta tell you i'm a sore loser i

554
00:23:09,830 --> 00:23:08,000
don't lose well

555
00:23:11,510 --> 00:23:09,840
right if i want to do something i would

556
00:23:14,870 --> 00:23:11,520
have win it

557
00:23:17,110 --> 00:23:14,880
and uh i reflect it back

558
00:23:19,270 --> 00:23:17,120
onto the show when it first started

559
00:23:22,710 --> 00:23:19,280
having like 200 subscribers

560
00:23:24,870 --> 00:23:22,720
and somebody was commenting like

561
00:23:26,230 --> 00:23:24,880
i don't even remember their name now see

562
00:23:27,909 --> 00:23:26,240
that's terrible because it was such a

563
00:23:28,870 --> 00:23:27,919

big deal back then they're commenting

564

00:23:31,029 --> 00:23:28,880

like your show

565

00:23:32,950 --> 00:23:31,039

sucks you suck you're never gonna that's

566

00:23:33,990 --> 00:23:32,960

why nobody watches you and this and that

567

00:23:35,430 --> 00:23:34,000

and like okay

568

00:23:37,110 --> 00:23:35,440

and here we are a few months later and

569

00:23:38,870 --> 00:23:37,120

there's five times as many people

570

00:23:42,149 --> 00:23:38,880

watching me how many people are watching

571

00:23:42,630 --> 00:23:42,159

you you know and i guess i did also let

572

00:23:44,950 --> 00:23:42,640

some

573

00:23:45,669 --> 00:23:44,960

there's a lot of negative [h__\h] going on

574

00:23:48,789 --> 00:23:45,679

with

575

00:23:51,669 --> 00:23:48,799

messages behind my back and you know

576

00:23:53,269 --> 00:23:51,679

this person said that and whatever like

577

00:23:57,190 --> 00:23:53,279

again dramarama [h__\h]

578

00:23:59,669 --> 00:23:57,200

i don't care um so anyway uh

579

00:24:01,510 --> 00:23:59,679

i keep i could keep saying long story

580

00:24:02,870 --> 00:24:01,520

short but this long story is not getting

581

00:24:05,350 --> 00:24:02,880

any shorter

582

00:24:06,870 --> 00:24:05,360

so i'll just try to sum it up like this

583

00:24:09,430 --> 00:24:06,880

felt pretty shitty

584

00:24:10,070 --> 00:24:09,440

was thrown in the towel then i felt

585

00:24:14,390 --> 00:24:10,080

better

586

00:24:16,149 --> 00:24:14,400

doing something

587

00:24:17,669 --> 00:24:16,159

uh you know giving up on something i

588

00:24:20,870 --> 00:24:17,679

believe in

589

00:24:22,470 --> 00:24:20,880

so uh i'm gonna double down i've said

590

00:24:24,310 --> 00:24:22,480

this before i've got

591

00:24:26,310 --> 00:24:24,320

a lot more resources than we're

592

00:24:30,230 --> 00:24:26,320

currently using

593

00:24:34,230 --> 00:24:30,240

and uh yeah those uh

594

00:24:36,549 --> 00:24:34,240

sort of ufo old documentary restoring

595

00:24:38,070 --> 00:24:36,559

uh you know i put some more computers to

596

00:24:41,430 --> 00:24:38,080

work here and

597

00:24:45,110 --> 00:24:41,440

they build another studio i don't know

598

00:24:46,950 --> 00:24:45,120

and uh yeah so

599

00:24:48,390 --> 00:24:46,960

as far as the future of the show what i

600

00:24:49,909 --> 00:24:48,400

decided is that we're going to get a

601
00:24:51,430 --> 00:24:49,919
little more segmented we're going to

602
00:24:54,549 --> 00:24:51,440
have

603
00:24:57,669 --> 00:24:54,559
more than one story per show if i can

604
00:25:00,470 --> 00:24:57,679
figure this out um and it'll be more of

605
00:25:01,750 --> 00:25:00,480
a general show

606
00:25:03,590 --> 00:25:01,760
i'd like to have some shows that are a

607
00:25:05,190 --> 00:25:03,600
little more general about

608
00:25:07,029 --> 00:25:05,200
paranormal subjects in other words we

609
00:25:09,430 --> 00:25:07,039
could have one

610
00:25:10,549 --> 00:25:09,440
you know 90-minute show when we'll talk

611
00:25:13,750 --> 00:25:10,559
about a ufo

612
00:25:16,070 --> 00:25:13,760
story then talk about a

613
00:25:16,870 --> 00:25:16,080

cryptid creature sighting story then

614

00:25:19,430 --> 00:25:16,880

talk about

615

00:25:21,430 --> 00:25:19,440

uh maybe one of the catholic mysteries

616

00:25:23,669 --> 00:25:21,440

or a general mystery

617

00:25:25,669 --> 00:25:23,679

or a mysterious thing a story like

618

00:25:28,390 --> 00:25:25,679

centralia pennsylvania that's been

619

00:25:32,070 --> 00:25:28,400

burning for hundreds of years

620

00:25:32,950 --> 00:25:32,080

uh underground coal fire abandoned ghost

621

00:25:36,149 --> 00:25:32,960

town now

622

00:25:38,710 --> 00:25:36,159

more or less crazy place yeah

623

00:25:40,870 --> 00:25:38,720

um and there's a lot of stories too that

624

00:25:43,269 --> 00:25:40,880

i i did want to get back to

625

00:25:45,269 --> 00:25:43,279

and sort of rekindle my interest in a

626

00:25:48,310 --> 00:25:45,279

ufo phenomenon

627

00:25:51,830 --> 00:25:48,320

on my list so far the aurora ufo crash

628

00:25:53,669 --> 00:25:51,840

um returning to roswell and presenting

629

00:25:55,269 --> 00:25:53,679

we're going to do a multi-part series on

630

00:25:58,470 --> 00:25:55,279

roswell

631

00:26:01,269 --> 00:25:58,480

uh we have an expose

632

00:26:01,990 --> 00:26:01,279

and a deep dive and some would say

633

00:26:07,110 --> 00:26:02,000

debunk

634

00:26:10,950 --> 00:26:09,510

something i feel is somewhat related and

635

00:26:14,789 --> 00:26:10,960

a story that's not

636

00:26:17,830 --> 00:26:14,799

told enough is the paul bennowitz case

637

00:26:21,029 --> 00:26:17,840

it's uh made famous by

638

00:26:24,149 --> 00:26:21,039

probably one of my favorite ufo related

639

00:26:27,110 --> 00:26:24,159

documentaries mirage men

640

00:26:29,750 --> 00:26:27,120

um i'd like to also cover the barney and

641

00:26:34,070 --> 00:26:29,760

betty hill case

642

00:26:35,909 --> 00:26:34,080

the travis walton abduction

643

00:26:37,669 --> 00:26:35,919

we're gonna get into and we're gonna

644

00:26:40,710 --> 00:26:37,679

have a whole series actually on whitley

645

00:26:43,430 --> 00:26:40,720

stribber's alien experiences

646

00:26:44,230 --> 00:26:43,440

i've got a few newer lesser known

647

00:26:46,549 --> 00:26:44,240

abductee

648

00:26:49,110 --> 00:26:46,559

experiencers that have signed on to be

649

00:26:50,950 --> 00:26:49,120

guests here and we're going to let them

650

00:26:52,549 --> 00:26:50,960

long-form recount their entire

651
00:26:55,909 --> 00:26:52,559
experiences

652
00:27:00,870 --> 00:26:55,919
and i can't wait for that because that

653
00:27:04,310 --> 00:27:00,880
there are some really interesting

654
00:27:06,470 --> 00:27:04,320
little bits i guess i could say

655
00:27:08,950 --> 00:27:06,480
in each of these people's stories that

656
00:27:10,390 --> 00:27:08,960
is fascinating and remarkable

657
00:27:12,549 --> 00:27:10,400
and i can't wait to help them share

658
00:27:14,870 --> 00:27:12,559
those experiences

659
00:27:16,549 --> 00:27:14,880
um yeah there's going to be other things

660
00:27:18,870 --> 00:27:16,559
that are a little just off the beaten

661
00:27:23,029 --> 00:27:18,880
track mysterious things like black-eyed

662
00:27:26,789 --> 00:27:23,039
children you know or maybe uh

663
00:27:30,070 --> 00:27:26,799

urban legends right slenderman

664

00:27:31,669 --> 00:27:30,080

bloody mary i've got a series of shows

665

00:27:33,350 --> 00:27:31,679

by popular demand i was surprised to

666

00:27:35,909 --> 00:27:33,360

hear that people like these

667

00:27:36,630 --> 00:27:35,919

shows on catholic mysteries i grew up

668

00:27:40,549 --> 00:27:36,640

catholic

669

00:27:43,990 --> 00:27:40,559

especially the

670

00:27:47,510 --> 00:27:44,000

more esoteric things surrounding

671

00:27:48,789 --> 00:27:47,520

catholicism so we're going to be

672

00:27:49,830 --> 00:27:48,799

covering some of those catholic

673

00:27:53,830 --> 00:27:49,840

mysteries including

674

00:27:57,269 --> 00:27:53,840

fatima uh the papal murder conspiracy

675

00:28:00,630 --> 00:27:57,279

the vatican secret vaults

676
00:28:04,310 --> 00:28:00,640
the vatican and secret et information

677
00:28:05,430 --> 00:28:04,320
and maybe even bodies

678
00:28:07,110 --> 00:28:05,440
and then of course there's going to be

679
00:28:08,630 --> 00:28:07,120
some miscellaneous stories i'd like to

680
00:28:12,710 --> 00:28:08,640
get into covering

681
00:28:15,510 --> 00:28:12,720
uh missing 4-1-1 which is uh

682
00:28:17,269 --> 00:28:15,520
just amazing story about just how many

683
00:28:18,230 --> 00:28:17,279
people vanish from the national park

684
00:28:22,149 --> 00:28:18,240
service

685
00:28:24,630 --> 00:28:22,159
from the national parks in this country

686
00:28:25,750 --> 00:28:24,640
and uh under incredibly mysterious

687
00:28:28,830 --> 00:28:25,760
circumstances

688
00:28:31,430 --> 00:28:28,840

literally people just vanish from state

689

00:28:34,389 --> 00:28:31,440

parks

690

00:28:36,310 --> 00:28:34,399

so uh you know and along with that we're

691

00:28:37,909 --> 00:28:36,320

not going to abandon some previous

692

00:28:39,669 --> 00:28:37,919

things that have worked for us there's

693

00:28:43,110 --> 00:28:39,679

going to be some cosmic con

694

00:28:45,669 --> 00:28:43,120

artist debunking uh there's going to be

695

00:28:46,470 --> 00:28:45,679

[h__\h] busting hard hitting coverage

696

00:28:48,310 --> 00:28:46,480

here

697

00:28:49,830 --> 00:28:48,320

of just some of the slime balls that are

698

00:28:50,710 --> 00:28:49,840

out there selling fairy tales and

699

00:28:53,750 --> 00:28:50,720

[h__\h] for

700

00:28:54,549 --> 00:28:53,760

paypal cash and we're going to cover

701
00:28:58,070 --> 00:28:54,559
them

702
00:29:00,149 --> 00:28:58,080
um and without apology and without

703
00:29:02,470 --> 00:29:00,159
you know it is what it is if you don't

704
00:29:06,310 --> 00:29:02,480
like it then

705
00:29:08,389 --> 00:29:06,320
tune off tune out tune out click off

706
00:29:09,909 --> 00:29:08,399
watch some fairy tales uh you know i'm

707
00:29:11,110 --> 00:29:09,919
sure there's plenty of other channels

708
00:29:14,230 --> 00:29:11,120
that you could be

709
00:29:14,870 --> 00:29:14,240
looking at um and with that i will also

710
00:29:17,110 --> 00:29:14,880
take

711
00:29:18,389 --> 00:29:17,120
uh audience suggestions for shows i've

712
00:29:21,750 --> 00:29:18,399
got a few

713
00:29:24,070 --> 00:29:21,760

things that people want me to look into

714

00:29:25,029 --> 00:29:24,080

and uh yeah it is what it is and with

715

00:29:26,389 --> 00:29:25,039

that also

716

00:29:28,389 --> 00:29:26,399

i'm just going to turn my total

717

00:29:30,789 --> 00:29:28,399

attention to the live chat

718

00:29:32,789 --> 00:29:30,799

tonight there isn't going to be a usual

719

00:29:34,789 --> 00:29:32,799

sort of presentation or

720

00:29:35,990 --> 00:29:34,799

you know subject i just wanted to

721

00:29:38,230 --> 00:29:36,000

reconnect

722

00:29:40,870 --> 00:29:38,240

tell you what's going on and about our

723

00:29:43,110 --> 00:29:40,880

plans for the show going forward

724

00:29:44,470 --> 00:29:43,120

it's important to me to just be honest

725

00:29:46,070 --> 00:29:44,480

with you all and i do

726

00:29:47,590 --> 00:29:46,080

actually i want to thank a few you know

727

00:29:49,430 --> 00:29:47,600

a few people reached out to me just to

728

00:29:52,950 --> 00:29:49,440

make sure everything was okay with me

729

00:29:56,789 --> 00:29:52,960

i'm good i'm in a good place now

730

00:29:58,710 --> 00:29:56,799

uh you know things uh peaks and valleys

731

00:30:00,710 --> 00:29:58,720

right that's what makes life interesting

732

00:30:01,909 --> 00:30:00,720

i was feeling a little down i'm feeling

733

00:30:05,029 --> 00:30:01,919

better now

734

00:30:07,430 --> 00:30:05,039

and slowly uh just

735

00:30:08,389 --> 00:30:07,440

confirming my own resolve to continue

736

00:30:10,950 --> 00:30:08,399

doing this

737

00:30:12,549 --> 00:30:10,960

and uh honestly i'm kind of struggling

738

00:30:14,789 --> 00:30:12,559

like how do i make the show better

739

00:30:16,630 --> 00:30:14,799

i gotta figure some things out until

740

00:30:18,230 --> 00:30:16,640

then we're gonna stick with uh what has

741

00:30:20,870 --> 00:30:18,240

worked for us in the past

742

00:30:22,070 --> 00:30:20,880

this kind of same format and see where

743

00:30:25,110 --> 00:30:22,080

things go

744

00:30:26,630 --> 00:30:25,120

but i will say too that i i gotta be

745

00:30:28,389 --> 00:30:26,640

honest with myself that i

746

00:30:29,830 --> 00:30:28,399

haven't worked hard enough sometimes

747

00:30:33,029 --> 00:30:29,840

there's no reason

748

00:30:35,430 --> 00:30:33,039

why why i couldn't do the three

749

00:30:37,269 --> 00:30:35,440

or four shows during the day a week and

750

00:30:39,750 --> 00:30:37,279

do some night shows

751

00:30:40,630 --> 00:30:39,760

um but then i wonder like i don't want

752

00:30:43,909 --> 00:30:40,640

to inundate

753

00:30:46,950 --> 00:30:43,919

the interwebs with me you know

754

00:30:49,110 --> 00:30:46,960

like how much is working hard and how

755

00:30:50,789 --> 00:30:49,120

much is this is too much bro

756

00:30:53,190 --> 00:30:50,799

i don't want to become a live streamer

757

00:30:55,110 --> 00:30:53,200

like those people that do a show

758

00:30:57,110 --> 00:30:55,120

where they do a stream talking about

759

00:30:58,070 --> 00:30:57,120

whatever while they go get a soda at

760

00:31:00,789 --> 00:30:58,080

7-eleven

761

00:31:01,990 --> 00:31:00,799

if i ever turn into that guy shoot me i

762

00:31:03,990 --> 00:31:02,000

don't want to do that

763

00:31:05,830 --> 00:31:04,000

so we have to have some balance between

764

00:31:08,549 --> 00:31:05,840

pumping out good content and

765

00:31:08,950 --> 00:31:08,559

this is too much and you gotta back off

766

00:31:12,630 --> 00:31:08,960

and

767

00:31:15,110 --> 00:31:12,640

you know don't stream so much right

768

00:31:17,990 --> 00:31:15,120

i've noticed there's a lot of shows that

769

00:31:20,870 --> 00:31:18,000

i just

770

00:31:22,630 --> 00:31:20,880

it's like hit or miss it's like if you

771

00:31:25,029 --> 00:31:22,640

some of these people if they stream six

772

00:31:26,870 --> 00:31:25,039

seven times a week you know five of

773

00:31:29,909 --> 00:31:26,880

those times a week will be really

774

00:31:31,669 --> 00:31:29,919

really not very interesting

775

00:31:33,750 --> 00:31:31,679

kind of this is my opinion just like

776

00:31:35,750 --> 00:31:33,760

five or you know out of seven

777

00:31:36,870 --> 00:31:35,760

streams they do it's like five of them

778

00:31:38,950 --> 00:31:36,880

it's like

779

00:31:40,630 --> 00:31:38,960

well couldn't think of any subjects so

780

00:31:42,389 --> 00:31:40,640

i'm just gonna wing it today and and

781

00:31:44,470 --> 00:31:42,399

sometimes that's good i guess but

782

00:31:48,870 --> 00:31:44,480

it's not for me i gotta be a little we

783

00:31:55,509 --> 00:31:52,070

uh yeah so let's go to the live chat

784

00:31:57,430 --> 00:31:55,519

and uh i will

785

00:32:03,430 --> 00:31:57,440

take any questions you can ask me about

786

00:32:07,509 --> 00:32:05,190

okay you just need a few shout outs from

787

00:32:09,909 --> 00:32:07,519

bigger challenge alien to scientist

788

00:32:11,269 --> 00:32:09,919

alien scientist is how i found you yeah

789

00:32:14,470 --> 00:32:11,279

you're probably right chris

790

00:32:16,470 --> 00:32:14,480

uh you know but it's tough like you know

791

00:32:17,669 --> 00:32:16,480

you gotta go hey bro help a brother out

792

00:32:19,669 --> 00:32:17,679

i don't know how to ask for

793

00:32:20,870 --> 00:32:19,679

the shout outs i know being a guest on a

794

00:32:22,310 --> 00:32:20,880

bigger channel

795

00:32:23,990 --> 00:32:22,320

helps because then people from the

796

00:32:27,669 --> 00:32:24,000

bigger

797

00:32:28,070 --> 00:32:27,679

does help because then you know on the

798

00:32:30,630 --> 00:32:28,080

show

799

00:32:31,590 --> 00:32:30,640

you can pitch your channel and then a

800

00:32:33,350 --> 00:32:31,600

lot of those people

801

00:32:35,029 --> 00:32:33,360

if they like to you will find their way

802

00:32:37,029 --> 00:32:35,039

so maybe i'll do some more guest spots

803

00:32:38,149 --> 00:32:37,039

jonasite says i need a co-host i wonder

804

00:32:41,350 --> 00:32:38,159

who's good at just being here

805

00:32:42,710 --> 00:32:41,360

talking and not looking and looking not

806

00:32:44,630 --> 00:32:42,720

talking and looking good yeah

807

00:32:46,149 --> 00:32:44,640

but that's not helping genocide if i

808

00:32:48,310 --> 00:32:46,159

want to show host

809

00:32:49,509 --> 00:32:48,320

honestly if i had my choice if i had a

810

00:32:52,950 --> 00:32:49,519

show host uh

811

00:32:55,990 --> 00:32:52,960

it would probably be a female co-host

812

00:33:08,830 --> 00:32:56,000

no offense you don't have the required

813

00:33:13,029 --> 00:33:10,149

okay

814

00:33:13,750 --> 00:33:13,039

stripper intermissions you know i've got

815

00:33:15,750 --> 00:33:13,760

it already

816

00:33:17,430 --> 00:33:15,760

mario heat we've i've already got some

817

00:33:20,630 --> 00:33:17,440

stuff i've got

818

00:33:22,630 --> 00:33:20,640

um a whole bunch of stripper footage and

819

00:33:24,389 --> 00:33:22,640

music that i can use i just have to cut

820

00:33:26,389 --> 00:33:24,399

it together and that's

821

00:33:28,630 --> 00:33:26,399

great minds think alike mario heat yes

822

00:33:34,470 --> 00:33:28,640

we're going to need

823

00:33:40,389 --> 00:33:38,310

i know you can yeah come on v come on

824

00:33:42,789 --> 00:33:40,399

we'll see how that goes watch v will

825

00:33:43,509 --> 00:33:42,799

come on and like probably wear like some

826
00:33:46,310 --> 00:33:43,519
low-cut

827
00:33:48,230 --> 00:33:46,320
shirt and we'll get like 18 times the

828
00:33:51,590 --> 00:33:48,240
views that we usually get

829
00:33:55,190 --> 00:33:51,600
right whatever works

830
00:33:56,710 --> 00:33:55,200
whatever works why are you assuming

831
00:33:58,630 --> 00:33:56,720
genocide's gender

832
00:34:00,389 --> 00:33:58,640
well he's got a beard so i'm pretty sure

833
00:34:02,630 --> 00:34:00,399
he's a dude and he calls himself

834
00:34:03,750 --> 00:34:02,640
a father so i'm pretty sure he's a dude

835
00:34:05,509 --> 00:34:03,760
okay

836
00:34:07,190 --> 00:34:05,519
we're an alternative to the alternative

837
00:34:08,869 --> 00:34:07,200
to the alternative way like the island

838
00:34:11,030 --> 00:34:08,879

of misfit toys and you know i'm quite

839

00:34:12,629 --> 00:34:11,040

frankly cool with it yeah you gotta be

840

00:34:14,149 --> 00:34:12,639

okay with your place i was getting a

841

00:34:15,750 --> 00:34:14,159

little bitter going

842

00:34:17,669 --> 00:34:15,760

some of these people are making so much

843

00:34:18,629 --> 00:34:17,679

money selling fairy tales and i'm making

844

00:34:20,389 --> 00:34:18,639

pennies here

845

00:34:21,750 --> 00:34:20,399

and i'm telling you the truth behind

846

00:34:25,270 --> 00:34:21,760

some of this [h__h]

847

00:34:28,389 --> 00:34:25,280

and it just boy oh lady liberty is here

848

00:34:33,190 --> 00:34:31,349

sorry i just popped over to the dw live

849

00:34:34,069 --> 00:34:33,200

he just announced the large country in

850

00:34:36,710 --> 00:34:34,079

asia

851

00:34:38,310 --> 00:34:36,720

has a shrink ray machine oh i didn't

852

00:34:38,710 --> 00:34:38,320

know that now we're gonna have to cover

853

00:34:40,310 --> 00:34:38,720

that

854

00:34:43,109 --> 00:34:40,320

laney liberty we're gonna have to cover

855

00:34:45,909 --> 00:34:43,119

his stupid stream

856

00:34:46,389 --> 00:34:45,919

v wants 85 of the donations that's

857

00:34:54,149 --> 00:34:46,399

usually

858

00:34:59,109 --> 00:34:57,510

but then again you know it's 85 percent

859

00:35:01,190 --> 00:34:59,119

of not much

860

00:35:04,790 --> 00:35:01,200

but i'm thankful to have it so there you

861

00:35:10,950 --> 00:35:07,349

yeah genocide needs to recharge his rose

862

00:35:14,230 --> 00:35:12,470

are you saying that girls can't be

863

00:35:16,710 --> 00:35:14,240

fathers and don't start your [h__\h]

864

00:35:17,430 --> 00:35:16,720

mario heat everybody's welcome here if

865

00:35:19,270 --> 00:35:17,440

you want to

866

00:35:21,109 --> 00:35:19,280

identify as a woman and have a beard and

867

00:35:21,910 --> 00:35:21,119

call yourself a father i guess it's okay

868

00:35:26,630 --> 00:35:21,920

with me

869

00:35:31,270 --> 00:35:29,430

uh oh lady liberty i unsubscribed from

870

00:35:33,589 --> 00:35:31,280

his email for the fourth time dw

871

00:35:35,990 --> 00:35:33,599

refuses to stop emailing me yeah you're

872

00:35:49,750 --> 00:35:36,000

not getting off that list man he's got

873

00:36:01,270 --> 00:35:59,349

if not i'm not going to watch oh my god

874

00:36:03,109 --> 00:36:01,280

show [h__\h] is shoveling the manure help

875

00:36:03,829 --> 00:36:03,119

me by posting this if you feel like it

876
00:36:08,150 --> 00:36:03,839
report

877
00:36:11,990 --> 00:36:08,160
chicken 501c3 fraud to irs go

878
00:36:14,150 --> 00:36:12,000
yeah oh then we just need 18

879
00:36:15,270 --> 00:36:14,160
subscribers but really i got to get 70

880
00:36:16,950 --> 00:36:15,280
because i don't want to fill out the

881
00:36:19,030 --> 00:36:16,960
paperwork and then it drops like

882
00:36:20,069 --> 00:36:19,040
sometimes it drops by five or six or

883
00:36:23,030 --> 00:36:20,079
even 10

884
00:36:24,630 --> 00:36:23,040
some days and you know i could fill out

885
00:36:26,550 --> 00:36:24,640
the paperwork and then send it in and

886
00:36:27,670 --> 00:36:26,560
then we can drop below the 1000 so i'm

887
00:36:30,710 --> 00:36:27,680
going to wait until we're at

888
00:36:32,310 --> 00:36:30,720

10 50 or maybe even 1100 before i felt

889

00:36:34,390 --> 00:36:32,320

the paperwork but our watch time is good

890

00:36:37,910 --> 00:36:34,400

so we have half the analytics and we're

891

00:36:41,109 --> 00:36:37,920

18 short of the of the total

892

00:36:42,950 --> 00:36:41,119

sub count needed so michael says share

893

00:36:46,390 --> 00:36:42,960

to our group and thank you very much

894

00:36:50,790 --> 00:36:48,950

bailey says monetization is a

895

00:36:52,470 --> 00:36:50,800

double-edged sword you get money but you

896

00:36:53,510 --> 00:36:52,480

also watch your content much more

897

00:36:55,109 --> 00:36:53,520

closely

898

00:36:56,950 --> 00:36:55,119

yeah i don't know if i'm going to like

899

00:36:58,470 --> 00:36:56,960

this

900

00:37:00,150 --> 00:36:58,480

i'm kind of like right now i'm kind of

901
00:37:02,150 --> 00:37:00,160
like [h__h] it you know

902
00:37:03,270 --> 00:37:02,160
if they don't like it don't monetize it

903
00:37:05,109 --> 00:37:03,280
but then you're right

904
00:37:06,630 --> 00:37:05,119
you might go well maybe we shouldn't

905
00:37:10,230 --> 00:37:06,640
cover that story because they won't want

906
00:37:11,990 --> 00:37:10,240
to monetize it or this or that

907
00:37:14,069 --> 00:37:12,000
david wilcock needs a shrink rate for

908
00:37:18,150 --> 00:37:14,079
his five heads

909
00:37:22,150 --> 00:37:19,910
yeah i didn't know that that clan was

910
00:37:24,550 --> 00:37:22,160
streaming or we might have covered him

911
00:37:25,910 --> 00:37:24,560
and i can't like tonight i just wanted

912
00:37:29,829 --> 00:37:25,920
to reconnect

913
00:37:32,390 --> 00:37:29,839

do a quick show keep it light and fluffy

914

00:37:35,030 --> 00:37:32,400

because i've got some heat and hammering

915

00:37:38,790 --> 00:37:35,040

planned for the next couple of shows

916

00:37:41,670 --> 00:37:38,800

and uh yeah interesting uh

917

00:37:42,950 --> 00:37:41,680

day for this uh also for this corey good

918

00:37:45,270 --> 00:37:42,960

accountability project

919

00:37:46,630 --> 00:37:45,280

which i'm not really gonna comment on

920

00:37:49,670 --> 00:37:46,640

other than to say that i

921

00:37:52,710 --> 00:37:49,680

don't i think it's like

922

00:37:53,670 --> 00:37:52,720

it's like walking into a dentist's

923

00:37:55,109 --> 00:37:53,680

snakes

924

00:37:56,950 --> 00:37:55,119

and trying to figure out who the good

925

00:38:00,230 --> 00:37:56,960

snakes are right

926

00:38:03,270 --> 00:38:00,240

that's all i'm gonna say i have

927

00:38:04,870 --> 00:38:03,280

no [h__h] i don't have a horse in this

928

00:38:08,710 --> 00:38:04,880

game right

929

00:38:11,109 --> 00:38:08,720

so to me it looks like a den of snakes

930

00:38:13,589 --> 00:38:11,119

trying to tell everyone else we're the

931

00:38:16,230 --> 00:38:13,599

good snakes they're the bad snakes

932

00:38:18,150 --> 00:38:16,240

but they're all selling [h__h] right

933

00:38:18,870 --> 00:38:18,160

all of them all of them are selling some

934

00:38:23,030 --> 00:38:18,880

form of

935

00:38:24,390 --> 00:38:23,040

fakery fraudery hoaxery fake superpowers

936

00:38:26,069 --> 00:38:24,400

all of them are selling some kind of

937

00:38:33,670 --> 00:38:26,079

[h__h] so

938

00:38:35,109 --> 00:38:33,680

i don't trust not one of them not a one

939

00:38:36,550 --> 00:38:35,119

yeah it's just honey rose herbal

940

00:38:37,829 --> 00:38:36,560

cigarettes i used to smoke clothes back

941

00:38:39,270 --> 00:38:37,839

in the 80s and early 90s and they're

942

00:38:39,670 --> 00:38:39,280

really good and you know they do smell

943

00:38:42,310 --> 00:38:39,680

like

944

00:38:48,470 --> 00:38:42,320

hot though never heard of them i'll

945

00:38:54,150 --> 00:38:51,829

has over 12 000 watching bots you know

946

00:38:55,829 --> 00:38:54,160

i'm probably now i gotta watch it thanks

947

00:38:56,870 --> 00:38:55,839

out of mine now i'm gonna have to watch

948

00:39:03,670 --> 00:38:56,880

it

949

00:39:06,710 --> 00:39:05,109

but you know what i think what i'm going

950

00:39:07,349 --> 00:39:06,720

to do out of mind is i'm not going to

951

00:39:10,710 --> 00:39:07,359

watch it

952

00:39:13,430 --> 00:39:10,720

you and cover it

953

00:39:13,990 --> 00:39:13,440

i can't i usually watch it first so that

954

00:39:16,790 --> 00:39:14,000

i could get

955

00:39:17,670 --> 00:39:16,800

some things to say or critique or talk

956

00:39:19,349 --> 00:39:17,680

about

957

00:39:21,829 --> 00:39:19,359

and then we'll replay it but then that

958

00:39:23,910 --> 00:39:21,839

means i gotta listen to that guy twice

959

00:39:25,430 --> 00:39:23,920

i don't need to listen to him twice i

960

00:39:28,230 --> 00:39:25,440

honestly i don't need to listen to him

961

00:39:34,630 --> 00:39:28,240

once to know he's [h__h] but people

962

00:39:38,230 --> 00:39:36,230

don't quit streaming i'll have to watch

963

00:39:41,270 --> 00:39:38,240

cosmic agency

964

00:39:42,230 --> 00:39:41,280

yeah yeah there it is right it is what

965

00:39:45,270 --> 00:39:42,240

it is friends

966

00:39:47,910 --> 00:39:45,280

what are you gonna do so any more

967

00:39:51,910 --> 00:39:47,920

questions or comments for me

968

00:39:57,190 --> 00:39:55,990

no genocide i don't know i haven't

969

00:39:59,510 --> 00:39:57,200

checked it so i'm going to check it

970

00:40:01,829 --> 00:39:59,520

right now you were right

971

00:40:03,270 --> 00:40:01,839

but i do want to thank everybody who was

972

00:40:04,150 --> 00:40:03,280

so generous with their sort of

973

00:40:06,630 --> 00:40:04,160

christmasy

974

00:40:08,150 --> 00:40:06,640

december donations because i did manage

975

00:40:11,349 --> 00:40:08,160

to uh

976

00:40:13,910 --> 00:40:11,359

get um a 27-inch imac

977

00:40:15,430 --> 00:40:13,920

an old one but you know i'm more much

978

00:40:17,030 --> 00:40:15,440

more interested in the screen and the

979

00:40:20,309 --> 00:40:17,040

thing being

980

00:40:23,750 --> 00:40:20,319

big processing power oh and there we go

981

00:40:26,790 --> 00:40:23,760

so yeah and uh i'll check in

982

00:40:37,190 --> 00:40:26,800

also with the paypal if everybody

983

00:40:40,309 --> 00:40:38,950

yeah i gotta try something because this

984

00:40:44,950 --> 00:40:40,319

vaping is not working

985

00:40:48,630 --> 00:40:47,270

clean out my lungs too sounds good to me

986

00:40:50,309 --> 00:40:48,640

i'm gonna order it send me the link

987

00:40:54,390 --> 00:40:50,319

again if you don't mind because that was

988

00:40:58,710 --> 00:40:56,710

and mario he just watches dw stuff to

989

00:41:01,829 --> 00:40:58,720

get fun screenshots

990

00:41:04,710 --> 00:41:01,839

yeah so uh we do have a paypal

991

00:41:06,950 --> 00:41:04,720

donate button and you can uh sign up to

992

00:41:08,710 --> 00:41:06,960

be a patreon supporter as well

993

00:41:11,349 --> 00:41:08,720

and this month so far we have

994

00:41:14,470 --> 00:41:11,359

condemnation from genocide

995

00:41:15,510 --> 00:41:14,480

uh and uh thank you very much genocide

996

00:41:17,190 --> 00:41:15,520

for your continued

997

00:41:20,710 --> 00:41:17,200

support of the show big supporter of the

998

00:41:22,550 --> 00:41:20,720

show strong silent type

999

00:41:24,710 --> 00:41:22,560

genocide's the only guest that will come

1000

00:41:25,109 --> 00:41:24,720

on your show and he will sit there for

1001

00:41:29,990 --> 00:41:25,119

like

1002

00:41:34,630 --> 00:41:33,109

strong silent type yeah yeah but

1003

00:41:36,550 --> 00:41:34,640

i would like to get him on and talk

1004

00:41:38,390 --> 00:41:36,560

about i think it was like honeycomber

1005

00:41:40,630 --> 00:41:38,400

people or something he wanted me to do a

1006

00:41:41,829 --> 00:41:40,640

show on and i said if you'll talk about

1007

00:41:42,630 --> 00:41:41,839

it because i don't know anything about

1008

00:41:49,910 --> 00:41:42,640

the honeycomb

1009

00:41:54,150 --> 00:41:52,309

what do i think of a rally okay we'll do

1010

00:41:56,710 --> 00:41:54,160

what do i think of the rally in dc

1011

00:41:58,470 --> 00:41:56,720

tomorrow um i don't know what to think

1012

00:42:00,309 --> 00:41:58,480

about any of this circus sideshow that

1013

00:42:03,510 --> 00:42:00,319

we call government right now

1014

00:42:06,710 --> 00:42:03,520

i don't care largely i disconnect

1015

00:42:08,870 --> 00:42:06,720

they're all criminals um and everybody's

1016

00:42:13,109 --> 00:42:08,880

fighting over who's criminal

1017

00:42:15,190 --> 00:42:13,119

is the lesser of the two criminals right

1018

00:42:17,349 --> 00:42:15,200

i don't care nothing's gonna change for

1019

00:42:19,589 --> 00:42:17,359

me or my family no matter who is in the

1020

00:42:21,109 --> 00:42:19,599

oval office no matter who is my senator

1021

00:42:23,270 --> 00:42:21,119

no matter who is my governor

1022

00:42:24,550 --> 00:42:23,280

no matter who's my mayor nothing changes

1023

00:42:26,309 --> 00:42:24,560

for my family

1024

00:42:28,870 --> 00:42:26,319

you wake up every day go to work try to

1025

00:42:30,870 --> 00:42:28,880

provide try to do something of value

1026

00:42:31,589 --> 00:42:30,880

that people will find value in worthy of

1027

00:42:35,109 --> 00:42:31,599

purchasing

1028

00:42:37,349 --> 00:42:35,119

that's been my life uh recently

1029

00:42:38,870 --> 00:42:37,359

oh genocide says flat hollow earth how

1030

00:42:39,750 --> 00:42:38,880

the hell can it be flat and hollow at

1031

00:42:42,150 --> 00:42:39,760

the same time john

1032

00:42:49,510 --> 00:42:42,160

side come on man this is a show worth

1033

00:42:54,309 --> 00:42:52,550

yes it's now 2021 january 2021 and david

1034

00:42:58,470 --> 00:42:54,319

wilcock has yet to find a single dildo

1035

00:43:00,390 --> 00:42:58,480

that's been buried for him

1036

00:43:09,670 --> 00:43:00,400

and we're up to 12 countries all around

1037

00:43:13,829 --> 00:43:11,670

wilcock is claiming that the military is

1038

00:43:17,910 --> 00:43:13,839

preparing for war tomorrow and on and

1039

00:43:24,150 --> 00:43:22,309

is that kind of like that failed chinese

1040

00:43:26,069 --> 00:43:24,160

invasion of our country that he said

1041

00:43:29,589 --> 00:43:26,079

happened on his last stream

1042

00:43:34,550 --> 00:43:32,950

it would be funny the if this [h__\h]

1043

00:43:37,990 --> 00:43:34,560

wasn't so sad

1044

00:43:40,950 --> 00:43:38,000

this [h__\h] guy like we gotta start

1045

00:43:42,470 --> 00:43:40,960

bullet pointing these things right

1046

00:43:45,030 --> 00:43:42,480

trump's going to win the election by a

1047

00:43:48,309 --> 00:43:45,040

landslide he said that on one stream

1048

00:43:50,230 --> 00:43:48,319

chinese 50 000 chinese troops

1049

00:43:52,550 --> 00:43:50,240

tried to invade the united states and we

1050

00:43:53,190 --> 00:43:52,560

dropped the bunker busting bomb on them

1051
00:43:54,710 --> 00:43:53,200
and then

1052
00:43:56,390 --> 00:43:54,720
they covered it up claiming it was an

1053
00:43:57,670 --> 00:43:56,400
earthquake that was another one and now

1054
00:43:59,670 --> 00:43:57,680
he's saying that the military is

1055
00:44:04,069 --> 00:43:59,680
preparing for war tomorrow

1056
00:44:06,630 --> 00:44:04,079
on and off the east coast come on man

1057
00:44:08,470 --> 00:44:06,640
david wilcock you [h__\h] clown get off

1058
00:44:10,150 --> 00:44:08,480
the internet stop lying to people for

1059
00:44:12,309 --> 00:44:10,160
money do something of value with your

1060
00:44:15,990 --> 00:44:12,319
[h__\h] life

1061
00:44:17,030 --> 00:44:16,000
jesus see i'm not even covering him this

1062
00:44:20,230 --> 00:44:17,040
[h__\h] is just

1063
00:44:22,950 --> 00:44:20,240

flowing into me through this live chat

1064

00:44:23,589 --> 00:44:22,960

i'm not even covering this clown tonight

1065

00:44:24,950 --> 00:44:23,599

but

1066

00:44:29,030 --> 00:44:24,960

you know if people talk about a live

1067

00:44:35,589 --> 00:44:31,030

jonah sign that's how it works quantum

1068

00:44:35,599 --> 00:44:41,050

flat hollowed out earth happens okay

1069

00:44:46,950 --> 00:44:44,230

[Music]

1070

00:44:48,550 --> 00:44:46,960

yeah uh that's foul weather bluff it's

1071

00:44:50,309 --> 00:44:48,560

that's actually on my list of things to

1072

00:44:52,790 --> 00:44:50,319

do i heard this

1073

00:44:54,309 --> 00:44:52,800

stream earlier but i've already reached

1074

00:44:57,910 --> 00:44:54,319

out to him

1075

00:44:59,910 --> 00:44:57,920

through facebook and through adrian

1076

00:45:00,950 --> 00:44:59,920

youngblood i asked her to forward a

1077

00:45:03,109 --> 00:45:00,960

message to him

1078

00:45:04,069 --> 00:45:03,119

and she said she would didn't hear back

1079

00:45:06,309 --> 00:45:04,079

from them yet

1080

00:45:07,910 --> 00:45:06,319

but i'll email them too just so that

1081

00:45:09,910 --> 00:45:07,920

people know that would be

1082

00:45:11,589 --> 00:45:09,920

if i email them at this website that's

1083

00:45:12,950 --> 00:45:11,599

going to be three times i've requested

1084

00:45:15,829 --> 00:45:12,960

an interview

1085

00:45:17,109 --> 00:45:15,839

i think uh any more than that would be

1086

00:45:19,589 --> 00:45:17,119

you know

1087

00:45:21,349 --> 00:45:19,599

a waste of time so but i'll do it you

1088

00:45:22,950 --> 00:45:21,359

know and i always kind of get pissy like

1089

00:45:24,950 --> 00:45:22,960

now i gotta do this again

1090

00:45:27,750 --> 00:45:24,960

just so that everybody knows i did my

1091

00:45:30,470 --> 00:45:27,760

due diligence i did my part of the deal

1092

00:45:31,109 --> 00:45:30,480

all i can do all i can do is ask for an

1093

00:45:33,510 --> 00:45:31,119

interview

1094

00:45:34,790 --> 00:45:33,520

if somebody won't is not interested in

1095

00:45:36,150 --> 00:45:34,800

getting it and there could be various

1096

00:45:39,270 --> 00:45:36,160

reasons for that whether

1097

00:45:40,950 --> 00:45:39,280

they don't think i'll do a good job

1098

00:45:43,190 --> 00:45:40,960

interviewing them whether they don't

1099

00:45:45,030 --> 00:45:43,200

you know think that channel here is big

1100

00:45:52,870 --> 00:45:45,040

enough for them to warrant doing it

1101

00:45:56,790 --> 00:45:55,030

yeah i believe i agree with you abiding

1102

00:45:58,470 --> 00:45:56,800

balancing says god do these people like

1103

00:46:00,069 --> 00:45:58,480

laura wilcock and sell and not realize

1104

00:46:01,750 --> 00:46:00,079

the reach they have when they tell these

1105

00:46:03,190 --> 00:46:01,760

people to use violence

1106

00:46:05,030 --> 00:46:03,200

yeah they're basically calling for civil

1107

00:46:07,270 --> 00:46:05,040

war

1108

00:46:08,710 --> 00:46:07,280

very irresponsible but how very loving

1109

00:46:09,990 --> 00:46:08,720

light

1110

00:46:12,069 --> 00:46:10,000

what are people going to do when there

1111

00:46:13,990 --> 00:46:12,079

is no war tomorrow nothing

1112

00:46:15,510 --> 00:46:14,000

wilcock will just go on with his con

1113

00:46:18,390 --> 00:46:15,520

forget that he said that

1114

00:46:19,990 --> 00:46:18,400

oh his intel may have been off that that

1115

00:46:24,630 --> 00:46:20,000

that's going to happen next year b

1116

00:46:26,870 --> 00:46:24,640

not this year it's [h__h] ridiculous

1117

00:46:27,670 --> 00:46:26,880

it's ridiculous and right now as we

1118

00:46:29,589 --> 00:46:27,680

speak

1119

00:46:31,990 --> 00:46:29,599

people are throwing super chat donations

1120

00:46:35,190 --> 00:46:32,000

at him while i can't get

1121

00:46:38,150 --> 00:46:35,200

any super chat donations for checks

1122

00:46:39,589 --> 00:46:38,160

doing what i do sometimes the universe

1123

00:46:42,150 --> 00:46:39,599

just isn't fair right

1124

00:46:43,990 --> 00:46:42,160

who is it sylvester stallone and rocky

1125

00:46:48,309 --> 00:46:44,000

balboa said

1126

00:46:52,870 --> 00:46:49,829

and that kind of stuff pisses me off

1127

00:46:54,630 --> 00:46:52,880

though uh you know

1128

00:46:55,990 --> 00:46:54,640

david wilcock is right now live

1129

00:46:57,910 --> 00:46:56,000

streaming on his channel telling

1130

00:46:59,670 --> 00:46:57,920

people about an imminent war that the

1131

00:47:02,230 --> 00:46:59,680

united states is preparing for

1132

00:47:03,589 --> 00:47:02,240

off the east coast and people are giving

1133

00:47:05,670 --> 00:47:03,599

him money

1134

00:47:07,430 --> 00:47:05,680

for giving them that valuable

1135

00:47:09,030 --> 00:47:07,440

information right

1136

00:47:10,710 --> 00:47:09,040

but it's not valuable information

1137

00:47:13,109 --> 00:47:10,720

because it's [h__\h]

1138

00:47:15,910 --> 00:47:13,119

and tomorrow we'll find out for sure and

1139

00:47:17,910 --> 00:47:15,920

know that it's [h__h]

1140

00:47:19,829 --> 00:47:17,920

but by then he will have already

1141

00:47:21,430 --> 00:47:19,839

deposited all that money in his account

1142

00:47:23,349 --> 00:47:21,440

and have left

1143

00:47:25,109 --> 00:47:23,359

all the way to the bank at all you

1144

00:47:27,430 --> 00:47:25,119

stupid [h__h]

1145

00:47:28,470 --> 00:47:27,440

who keep giving them money not that i'm

1146

00:47:32,309 --> 00:47:28,480

better

1147

00:47:33,829 --> 00:47:32,319

i'm a little bitter yeah [h__h] yeah i'm a

1148

00:47:36,390 --> 00:47:33,839

little bitter mr millionaire

1149

00:47:37,990 --> 00:47:36,400

mr millionaire's lifestyle right how

1150

00:47:39,990 --> 00:47:38,000

many million dollar [h__h] mansions

1151

00:47:42,150 --> 00:47:40,000

does david wilcock need

1152

00:47:44,150 --> 00:47:42,160

how many [h__h] mansions does one man

1153

00:47:48,150 --> 00:47:44,160

need

1154

00:47:50,069 --> 00:47:48,160

right and you know

1155

00:47:51,510 --> 00:47:50,079

i try to be a good person but i'd be

1156

00:47:53,829 --> 00:47:51,520

lying if i

1157

00:47:57,030 --> 00:47:53,839

said that i have not fantasized about

1158

00:47:59,910 --> 00:47:57,040

david wilcock being federally prosecuted

1159

00:48:00,710 --> 00:47:59,920

and ending up in some sort of uh work

1160

00:48:05,589 --> 00:48:00,720

prison

1161

00:48:05,990 --> 00:48:05,599

him go clean up trash at the side of a

1162

00:48:07,589 --> 00:48:06,000

[h__h]

1163

00:48:11,030 --> 00:48:07,599

highway for the next three years and

1164

00:48:13,270 --> 00:48:11,040

think about what he's done with his life

1165

00:48:15,670 --> 00:48:13,280

but that would be uh really harsh and

1166

00:48:17,589 --> 00:48:15,680

very unforgiving of me so i try to not

1167

00:48:20,870 --> 00:48:17,599

entertain those thoughts

1168

00:48:23,349 --> 00:48:20,880

i try to be the better person karma

1169

00:48:25,109 --> 00:48:23,359

like i said before it comes to all men

1170

00:48:28,230 --> 00:48:25,119

in good time

1171

00:48:30,309 --> 00:48:28,240

um and every time i feel like

1172

00:48:32,309 --> 00:48:30,319

i could or should try to speed that

1173

00:48:34,950 --> 00:48:32,319

along for somebody

1174

00:48:36,950 --> 00:48:34,960

you know it's a fool's mission just

1175

00:48:37,750 --> 00:48:36,960

gotta sit back and wait for it it'll

1176

00:48:44,150 --> 00:48:37,760

come

1177

00:48:48,630 --> 00:48:46,790

and uh that applies to some other cosmic

1178

00:48:50,950 --> 00:48:48,640

con men and you know who i'm talking

1179

00:48:52,790 --> 00:48:50,960

about

1180

00:48:54,630 --> 00:48:52,800

dan hogan that's not very loving light

1181

00:48:55,190 --> 00:48:54,640

yeah well i never claimed to be loving

1182

00:48:57,510 --> 00:48:55,200

light

1183

00:48:59,030 --> 00:48:57,520

uh dan hogan unlike these [h__h] people

1184

00:49:01,430 --> 00:48:59,040

so

1185

00:49:02,549 --> 00:49:01,440

i could say any [h__h] thing i want to

1186

00:49:08,630 --> 00:49:02,559

it's very freeing

1187

00:49:11,230 --> 00:49:08,640

yeah it's a nice feeling of freedom like

1188

00:49:14,390 --> 00:49:11,240

i don't have to conform to some

1189

00:49:16,230 --> 00:49:14,400

pre-existing you know mold that i try to

1190

00:49:18,309 --> 00:49:16,240

cast for people of who i am

1191

00:49:20,150 --> 00:49:18,319

i am who i am cards on the table kind

1192

00:49:22,950 --> 00:49:20,160

guy if you don't like it

1193

00:49:23,829 --> 00:49:22,960

click off watch another [h__h] show i

1194

00:49:24,170 --> 00:49:23,839

don't care

1195

00:49:28,230 --> 00:49:24,180

you know

1196

00:49:30,150 --> 00:49:28,240

[Music]

1197

00:49:31,430 --> 00:49:30,160

wilco can't close his mouth with those

1198

00:49:33,349 --> 00:49:31,440

horse teeth yeah

1199

00:49:35,190 --> 00:49:33,359

but that's because he's lied through his

1200

00:49:37,349 --> 00:49:35,200

fake [h__h] teeth so many times

1201
00:49:38,630 --> 00:49:37,359
they've gotten out of whack right you

1202
00:49:39,750 --> 00:49:38,640
can't lie through your fake [h__h]

1203
00:49:42,150 --> 00:49:39,760
teeth that much

1204
00:49:42,950 --> 00:49:42,160
without your teeth getting out of whack

1205
00:49:47,190 --> 00:49:42,960
i guess

1206
00:49:51,670 --> 00:49:49,589
lynnwood yeah boy that's the height of

1207
00:49:53,109 --> 00:49:51,680
some crazy [h__h] right we're getting to

1208
00:49:55,190 --> 00:49:53,119
the reptiles now

1209
00:49:56,470 --> 00:49:55,200
right we're getting to the reptilian

1210
00:50:00,230 --> 00:49:56,480
overlords

1211
00:50:04,309 --> 00:50:01,910
you know it's funny i thought things

1212
00:50:06,150 --> 00:50:04,319
might change once 2021 hit

1213
00:50:12,549 --> 00:50:06,160

and it just seems like the crazy just

1214

00:50:15,349 --> 00:50:12,559

gets crazier

1215

00:50:16,870 --> 00:50:15,359

no wilcock mustache disappointing he

1216

00:50:17,990 --> 00:50:16,880

would look like a smackdaise with a

1217

00:50:20,630 --> 00:50:18,000

mustache me

1218

00:50:21,589 --> 00:50:20,640

then again i think i do too do you know

1219

00:50:23,430 --> 00:50:21,599

me i'm

1220

00:50:25,270 --> 00:50:23,440

literally i'm not allowed to have facial

1221

00:50:26,630 --> 00:50:25,280

hair because my wife says i look like a

1222

00:50:28,630 --> 00:50:26,640

smackdais

1223

00:50:30,630 --> 00:50:28,640

and there's been various attempts you

1224

00:50:33,990 --> 00:50:30,640

know like i tried this like

1225

00:50:35,829 --> 00:50:34,000

nice like goatee nope and

1226

00:50:37,430 --> 00:50:35,839

if i try the full beard thing it just

1227

00:50:39,030 --> 00:50:37,440

looks like a patchy mess and i look like

1228

00:50:42,470 --> 00:50:39,040

a 12 year old who can't

1229

00:50:44,790 --> 00:50:42,480

grow a beard it's all patchy and [h__h]

1230

00:50:46,470 --> 00:50:44,800

it looks terrible so yeah i'm not even

1231

00:50:48,390 --> 00:50:46,480

allowed to have facial hair

1232

00:50:49,990 --> 00:50:48,400

and i don't know i have no desire to

1233

00:50:52,069 --> 00:50:50,000

have just a mustache because that looks

1234

00:50:54,309 --> 00:50:52,079

like a 70s porn dude anytime i see a guy

1235

00:51:06,950 --> 00:50:54,319

with just a mustache i think 70 sport

1236

00:51:06,960 --> 00:51:13,270

okay

1237

00:51:17,430 --> 00:51:15,829

yeah lots of interesting things going on

1238

00:51:18,790 --> 00:51:17,440

okay the already shows what you could do

1239

00:51:20,630 --> 00:51:18,800

about your work as a magician or like

1240

00:51:21,670 --> 00:51:20,640

maybe discuss the history of stage magic

1241

00:51:23,430 --> 00:51:21,680

or figure is

1242

00:51:25,670 --> 00:51:23,440

magicians are illusionists you know i

1243

00:51:28,710 --> 00:51:25,680

might do that and i have a lot of

1244

00:51:29,750 --> 00:51:28,720

much better known magician friends that

1245

00:51:31,990 --> 00:51:29,760

might come on and

1246

00:51:33,109 --> 00:51:32,000

do a talk about magic i had talked to a

1247

00:51:34,870 --> 00:51:33,119

few of them and then

1248

00:51:37,109 --> 00:51:34,880

you know everybody gets busy with the

1249

00:51:42,470 --> 00:51:37,119

holidays we might revisit that

1250

00:51:45,589 --> 00:51:44,549

what is the prague magic versus candy

1251
00:51:48,549 --> 00:51:45,599
magic show i'm

1252
00:51:52,390 --> 00:51:48,559
up [\h__\h] [\h__\h] prank magic [\h__\h] [\h__\h]

1253
00:51:55,510 --> 00:51:52,400
prank [\h__\h] prank magic [\h__\h] that guy

1254
00:51:57,030 --> 00:51:55,520
he can't magic like i can magic you know

1255
00:51:59,589 --> 00:51:57,040
v i still got doves

1256
00:52:01,190 --> 00:51:59,599
and everything the rabbits died it's

1257
00:52:01,990 --> 00:52:01,200
been a while since i've done a magic

1258
00:52:03,910 --> 00:52:02,000
show

1259
00:52:05,910 --> 00:52:03,920
but i've still got the doubts those

1260
00:52:07,750 --> 00:52:05,920
lived for like 30 or 40 years and some

1261
00:52:09,030 --> 00:52:07,760
of my dogs are 20 years old and have

1262
00:52:11,750 --> 00:52:09,040
been with me

1263
00:52:12,309 --> 00:52:11,760

forever so i still got the doves prank

1264

00:52:15,750 --> 00:52:12,319

magic

1265

00:52:19,589 --> 00:52:18,790

he says yeah that sounds funny come at

1266

00:52:22,470 --> 00:52:19,599

me bro

1267

00:52:23,990 --> 00:52:22,480

oh challenge accepted prank magic on the

1268

00:52:25,589 --> 00:52:24,000

next show i'm gonna

1269

00:52:27,349 --> 00:52:25,599

you know we got to do it in pieces like

1270

00:52:29,990 --> 00:52:27,359

i'll do a piece and like

1271

00:52:31,510 --> 00:52:30,000

i'll say [h__h] prank magic's magic show

1272

00:52:34,069 --> 00:52:31,520

mine's better and then i'll do

1273

00:52:34,950 --> 00:52:34,079

like five minutes and then you can do

1274

00:52:38,470 --> 00:52:34,960

your

1275

00:52:39,270 --> 00:52:38,480

magic [h__h] whatever that is i don't know

1276

00:52:41,670 --> 00:52:39,280

this thing

1277

00:52:42,549 --> 00:52:41,680

sounds like a bad idea dude's got those

1278

00:52:45,190 --> 00:52:42,559

yes i still

1279

00:52:46,710 --> 00:52:45,200

have dubs yeah absolutely still have

1280

00:52:49,990 --> 00:52:46,720

doves

1281

00:52:51,750 --> 00:52:50,000

and uh i've been getting in trouble with

1282

00:52:53,829 --> 00:52:51,760

my wife because i've been

1283

00:52:55,750 --> 00:52:53,839

not neglectful i just forget and then

1284

00:52:57,349 --> 00:52:55,760

she has to do it they always get food

1285

00:52:59,109 --> 00:52:57,359

and water and they always get well taken

1286

00:53:01,030 --> 00:52:59,119

care of but

1287

00:53:02,150 --> 00:53:01,040

if i forget to do it too much then she

1288

00:53:05,349 --> 00:53:02,160

does it and then

1289

00:53:07,910 --> 00:53:05,359

i get in trouble so i got to get better

1290

00:53:11,030 --> 00:53:07,920

at taking care of my fathom last

1291

00:53:13,430 --> 00:53:11,040

time you know and uh

1292

00:53:14,710 --> 00:53:13,440

they're good right now so but i gotta

1293

00:53:17,829 --> 00:53:14,720

feed them

1294

00:53:20,069 --> 00:53:17,839

before i go um actually yeah that's a

1295

00:53:21,030 --> 00:53:20,079

nice note that's another bit of show

1296

00:53:24,549 --> 00:53:21,040

business

1297

00:53:24,950 --> 00:53:24,559

uh that i have on my notes here which is

1298

00:53:28,390 --> 00:53:24,960

uh

1299

00:53:40,309 --> 00:53:28,400

shows from the cabin you know i gotta

1300

00:53:43,829 --> 00:53:42,150

sorry friends i forgot i actually have a

1301

00:53:47,270 --> 00:53:43,839

cough button here now

1302

00:53:48,710 --> 00:53:47,280

so uh yeah and uh

1303

00:53:51,589 --> 00:53:48,720

i thought a lot about it during the

1304

00:53:52,630 --> 00:53:51,599

break and i really should be focusing a

1305

00:53:55,109 --> 00:53:52,640

lot more on that

1306

00:53:55,990 --> 00:53:55,119

on finishing the cabin and here's what i

1307

00:53:58,230 --> 00:53:56,000

do

1308

00:53:59,190 --> 00:53:58,240

generally i work during the day while

1309

00:54:01,109 --> 00:53:59,200

it's light out

1310

00:54:03,270 --> 00:54:01,119

and then as soon as it's not laid out i

1311

00:54:04,790 --> 00:54:03,280

just cozy up in the cabin and don't do

1312

00:54:07,430 --> 00:54:04,800

much

1313

00:54:09,670 --> 00:54:07,440

but then i said well i'll do shoes at

1314

00:54:11,750 --> 00:54:09,680

night that'll give me something to do

1315

00:54:13,829 --> 00:54:11,760

but i kind of feel like i should be

1316

00:54:15,829 --> 00:54:13,839

working on the cabin

1317

00:54:17,349 --> 00:54:15,839

you know there's all this work on the

1318

00:54:17,829 --> 00:54:17,359

inside of the cabin that i should be

1319

00:54:21,829 --> 00:54:17,839

doing

1320

00:54:23,510 --> 00:54:21,839

at night again this comes back to my

1321

00:54:24,870 --> 00:54:23,520

problem of not working hard enough on

1322

00:54:26,710 --> 00:54:24,880

certain goals

1323

00:54:28,309 --> 00:54:26,720

so i haven't decided if there's going to

1324

00:54:29,750 --> 00:54:28,319

be any shows from the cabin and that

1325

00:54:31,349 --> 00:54:29,760

could be a problem because i'm leaving

1326

00:54:33,510 --> 00:54:31,359

for the cabin tomorrow not returning

1327

00:54:35,990 --> 00:54:33,520

till next sunday i believe

1328

00:54:37,349 --> 00:54:36,000

um but there probably will be i just

1329

00:54:42,870 --> 00:54:37,359

gotta

1330

00:54:47,270 --> 00:54:45,190

apocalypse cabin con we just show up in

1331

00:54:50,309 --> 00:54:47,280

cambium pizza's pizza holy [h__h] i'm

1332

00:54:51,829 --> 00:54:50,319

gonna need a bigger oven genocide

1333

00:54:54,150 --> 00:54:51,839

yeah definitely going to need a bigger

1334

00:54:55,990 --> 00:54:54,160

oven so i'm going to be packing up all

1335

00:54:57,589 --> 00:54:56,000

my stuff i've got a whole bunch of stuff

1336

00:55:00,950 --> 00:54:57,599

to go to the cabin

1337

00:55:03,430 --> 00:55:00,960

um my wife got me a uh

1338

00:55:05,270 --> 00:55:03,440

a cast iron dutch oven which i'm afraid

1339

00:55:06,549 --> 00:55:05,280

i'm more excited than any man should be

1340

00:55:09,030 --> 00:55:06,559

about a dutch oven but i

1341

00:55:10,549 --> 00:55:09,040

am because dutch oven lets you cook

1342

00:55:12,789 --> 00:55:10,559

outside on the fire

1343

00:55:15,430 --> 00:55:12,799

you can use it on the wood stove to cook

1344

00:55:17,190 --> 00:55:15,440

stews and whatever

1345

00:55:19,109 --> 00:55:17,200

it's something that we could really use

1346

00:55:21,190 --> 00:55:19,119

there so

1347

00:55:22,950 --> 00:55:21,200

i got that i've got a bunch of candles

1348

00:55:25,030 --> 00:55:22,960

candle holders

1349

00:55:26,870 --> 00:55:25,040

just like odds and ends for decorating

1350

00:55:28,789 --> 00:55:26,880

the cabin which is the funnest part to

1351

00:55:31,510 --> 00:55:28,799

me it's like that living room's done

1352

00:55:33,030 --> 00:55:31,520

let's hang some paintings and candle

1353

00:55:34,630 --> 00:55:33,040

holders and

1354

00:55:36,150 --> 00:55:34,640

i like that part of it that's my

1355

00:55:38,390 --> 00:55:36,160

favorite part of it so i'm looking

1356

00:55:42,150 --> 00:55:38,400

forward to working on that some

1357

00:55:43,910 --> 00:55:42,160

and i've got more oil lamps to take

1358

00:55:45,510 --> 00:55:43,920

there

1359

00:55:47,750 --> 00:55:45,520

and i suppose the final bit of business

1360

00:55:48,950 --> 00:55:47,760

is that i may be starting a channel just

1361

00:55:50,950 --> 00:55:48,960

for the cabin

1362

00:55:53,109 --> 00:55:50,960

a lot of interest in this sort of

1363

00:55:55,829 --> 00:55:53,119

off-grid build your own cabin in the

1364

00:55:57,510 --> 00:55:55,839

woods stuff right now and i think that i

1365

00:55:59,270 --> 00:55:57,520

have a lot that i could share with

1366

00:56:00,710 --> 00:55:59,280

people about how to do that if that's

1367

00:56:02,150 --> 00:56:00,720

your dream

1368

00:56:03,910 --> 00:56:02,160

so that's something i'm looking forward

1369

00:56:05,589 --> 00:56:03,920

to starting in the new year

1370

00:56:08,630 --> 00:56:05,599

i've made some other goals for the new

1371

00:56:14,069 --> 00:56:08,640

year and we'll see where those goals go

1372

00:56:17,589 --> 00:56:16,549

okay zen i love your honest about your

1373

00:56:21,430 --> 00:56:17,599

goals yeah i ha

1374

00:56:23,270 --> 00:56:21,440

look they change too like and yeah why

1375

00:56:24,870 --> 00:56:23,280

call me zen because i have an apocalypse

1376

00:56:27,030 --> 00:56:24,880

cabin look dude

1377

00:56:27,910 --> 00:56:27,040

i may need an apocalypse cabin you don't

1378

00:56:30,789 --> 00:56:27,920

look how

1379

00:56:32,710 --> 00:56:30,799

[h__\h] terrible 20 was we have no

1380

00:56:37,349 --> 00:56:32,720

guarantee that 2021 isn't going to be

1381

00:56:41,990 --> 00:56:39,270

yeah and dan hogan's lawyers are sending

1382

00:56:43,349 --> 00:56:42,000

me a cease and desist letter

1383

00:56:49,109 --> 00:56:43,359

i'm going to sue the balls off of you

1384

00:56:54,549 --> 00:56:52,549

yeah yeah so uh but yeah i built i'm

1385

00:56:56,870 --> 00:56:54,559

building this cap apocalypse cabin

1386

00:56:58,470 --> 00:56:56,880

by battle changer and you know what if

1387

00:57:01,910 --> 00:56:58,480

[h__\h] hits the fan you're gonna wish you

1388

00:57:03,829 --> 00:57:01,920

had an apocalypse cabin bro

1389

00:57:05,349 --> 00:57:03,839

and this gets into some of my anxiety

1390

00:57:07,510 --> 00:57:05,359

and crazy too because

1391

00:57:08,710 --> 00:57:07,520

essentially like unless i was just

1392

00:57:10,549 --> 00:57:08,720

talking about i'm taking all these

1393

00:57:13,190 --> 00:57:10,559

candles to the cabin

1394

00:57:14,549 --> 00:57:13,200

and i'm candle holders candles so that

1395

00:57:16,390 --> 00:57:14,559

the cabin can be lit

1396

00:57:19,270 --> 00:57:16,400

completely by candles if there's no

1397

00:57:21,109 --> 00:57:19,280

electricity if there's no oil lamps

1398

00:57:22,789 --> 00:57:21,119

if there is oil and then i'm taking all

1399

00:57:24,549 --> 00:57:22,799

these oil lamps there

1400

00:57:26,150 --> 00:57:24,559

the cabin can be lit entirely by these

1401

00:57:28,309 --> 00:57:26,160

oil lamps there's going to be like seven

1402

00:57:32,309 --> 00:57:28,319

or nine of them there in total

1403

00:57:36,230 --> 00:57:32,319

and gallons and gallons of lamp oil

1404

00:57:40,390 --> 00:57:36,240

so and there's 12 volt lighting

1405

00:57:42,870 --> 00:57:40,400

um and 120 volt electric lighting

1406

00:57:44,470 --> 00:57:42,880

so we've got you know four methods of

1407

00:57:46,789 --> 00:57:44,480

lighting the cabin

1408

00:57:48,710 --> 00:57:46,799

uh no matter what happens you'll be able

1409

00:57:50,870 --> 00:57:48,720

to see in the cabin at night

1410

00:57:52,150 --> 00:57:50,880

and this is the level of my crazy and we

1411

00:57:55,910 --> 00:57:52,160

kind of need four of

1412

00:57:59,270 --> 00:57:55,920

these systems for everything right

1413

00:58:03,030 --> 00:57:59,280

everything important should things

1414

00:58:05,349 --> 00:58:03,040

turn to [h__h] and and listen if they

1415

00:58:08,630 --> 00:58:05,359

don't i just have a very well prepared

1416

00:58:10,630 --> 00:58:08,640

vacation home that's all that's all

1417

00:58:12,069 --> 00:58:10,640

when people think you're crazy don't

1418

00:58:14,309 --> 00:58:12,079

tell them that you're building an

1419

00:58:16,470 --> 00:58:14,319

apocalypse cabin just telling you you're

1420

00:58:17,510 --> 00:58:16,480

building a vacation home for your family

1421

00:58:19,510 --> 00:58:17,520

that's what i do

1422

00:58:21,270 --> 00:58:19,520

works great nobody thinks you're a

1423

00:58:24,230 --> 00:58:21,280

[h__h] nut job prepper

1424

00:58:24,710 --> 00:58:24,240

nobody bust your balls yeah but then

1425

00:58:26,710 --> 00:58:24,720

again

1426

00:58:28,789 --> 00:58:26,720

a lot less people busting balls on that

1427

00:58:31,910 --> 00:58:28,799

kind of stuff post

1428

00:58:33,990 --> 00:58:31,920

code right post 2020

1429

00:58:35,190 --> 00:58:34,000

i'm sorry i don't even want to say that

1430

00:58:37,510 --> 00:58:35,200

word here

1431

00:58:38,309 --> 00:58:37,520

uh could get flagged for something you

1432

00:58:40,069 --> 00:58:38,319

know

1433

00:58:41,670 --> 00:58:40,079

that's another issue that we dealt with

1434

00:58:43,990 --> 00:58:41,680

uh towards the end here is

1435

00:58:44,870 --> 00:58:44,000

all this censorship i'm not gonna deal

1436

00:58:46,789 --> 00:58:44,880

with that [h__\h]

1437

00:58:48,710 --> 00:58:46,799

uh i just decided i'm gonna say whatever

1438

00:58:50,470 --> 00:58:48,720

i'm gonna say for the most part i'm

1439

00:58:51,990 --> 00:58:50,480

gonna avoid subjects that i

1440

00:58:54,470 --> 00:58:52,000

think are hot button and don't care

1441

00:58:57,670 --> 00:58:54,480

about like the current health crisis

1442

00:58:59,990 --> 00:58:57,680

or uh

1443

00:59:02,069 --> 00:59:00,000

you know who's going to be the next

1444

00:59:05,270 --> 00:59:02,079

president i don't care

1445

00:59:07,109 --> 00:59:05,280

doesn't i i don't care so i don't care

1446

00:59:09,190 --> 00:59:07,119

or feel censored if i don't talk about

1447

00:59:10,710 --> 00:59:09,200

those two subjects or a certain letter

1448

00:59:13,109 --> 00:59:10,720

of the alphabet

1449

00:59:14,390 --> 00:59:13,119

it's all [h__h] don't care about that

1450

00:59:17,670 --> 00:59:14,400

right

1451

00:59:20,870 --> 00:59:17,680

but anything uh anything that i

1452

00:59:22,309 --> 00:59:20,880

actually care about right

1453

00:59:23,750 --> 00:59:22,319

that i want to talk about i am going to

1454

00:59:25,270 --> 00:59:23,760

talk about and i'm just going to let the

1455

00:59:26,549 --> 00:59:25,280

chips fall where there may i can't live

1456

00:59:27,589 --> 00:59:26,559

my life worrying about every little

1457

00:59:29,750 --> 00:59:27,599

thing that i say or

1458

00:59:31,670 --> 00:59:29,760

what a guest says or any of that [h__h]

1459

00:59:34,789 --> 00:59:31,680

and if we have to we'll be

1460

00:59:36,950 --> 00:59:34,799

a twitch only stream or you know d live

1461

00:59:39,510 --> 00:59:36,960

only stream i don't know

1462

00:59:41,190 --> 00:59:39,520

or maybe facebook live i don't know

1463

00:59:41,829 --> 00:59:41,200

someplace that will just let us do the

1464

00:59:43,109 --> 00:59:41,839

show

1465

00:59:44,630 --> 00:59:43,119

there's always going to be a place

1466

00:59:46,309 --> 00:59:44,640

that's going to let us do the show

1467

00:59:47,270 --> 00:59:46,319

youtube's got the biggest audience

1468

00:59:49,589 --> 00:59:47,280

though so

1469

00:59:50,789 --> 00:59:49,599

we're our best bet is to try our best to

1470

00:59:58,150 --> 00:59:50,799

behave

1471

01:00:03,270 --> 01:00:01,270

yeah a big reveal and take off my son i

1472

01:00:05,270 --> 01:00:03,280

think i have taken off my glasses here

1473

01:00:07,270 --> 01:00:05,280

before just to show people

1474

01:00:09,190 --> 01:00:07,280

i have a paralyzed eye felt with a bluff

1475

01:00:11,670 --> 01:00:09,200

which is why i wear them

1476

01:00:13,430 --> 01:00:11,680

but it's all good uh you know it's like

1477

01:00:15,270 --> 01:00:13,440

that saying that i was upset that i had

1478

01:00:16,230 --> 01:00:15,280

no shoes until i met a man that had no

1479

01:00:18,309 --> 01:00:16,240

feet

1480

01:00:20,390 --> 01:00:18,319

i was upset about having a paralyzed eye

1481

01:00:22,950 --> 01:00:20,400

until i met a man who was completely

1482

01:00:27,270 --> 01:00:25,589

do i have use a generator or battery

1483

01:00:29,190 --> 01:00:27,280

actually right now the only thing that

1484

01:00:32,069 --> 01:00:29,200

the local township could give us

1485

01:00:33,510 --> 01:00:32,079

was electricity so we have on grid power

1486

01:00:37,109 --> 01:00:33,520

at the moment but i also have a

1487

01:00:39,829 --> 01:00:37,119

generator and i have solar panel backups

1488

01:00:41,190 --> 01:00:39,839

and a whole solar system with these big

1489

01:00:44,470 --> 01:00:41,200

golf cart batteries

1490

01:00:45,270 --> 01:00:44,480

so if the if the grid power goes down

1491

01:00:48,230 --> 01:00:45,280

we've got

1492

01:00:48,950 --> 01:00:48,240

power from two different sources of gas

1493

01:00:52,630 --> 01:00:48,960

generator

1494

01:00:54,470 --> 01:00:52,640

and solar powered uh battery and

1495

01:00:56,710 --> 01:00:54,480

inverter system

1496

01:00:57,670 --> 01:00:56,720

so i've got three ways right now to

1497

01:01:00,710 --> 01:00:57,680

power the cabin

1498

01:01:03,750 --> 01:01:02,710

depending on that grid power though and

1499

01:01:05,510 --> 01:01:03,760

that will be cut

1500

01:01:08,069 --> 01:01:05,520

as soon as i'm a little more confident

1501
01:01:10,230 --> 01:01:08,079
in the solar system that i'm developing

1502
01:01:12,789 --> 01:01:10,240
and hopefully that'll be by summer but

1503
01:01:15,430 --> 01:01:12,799
uh it needs work and we need to just

1504
01:01:17,270 --> 01:01:15,440
expand it i try to build it modular i

1505
01:01:17,750 --> 01:01:17,280
want to have much more solar power than

1506
01:01:20,950 --> 01:01:17,760
we

1507
01:01:22,630 --> 01:01:20,960
could possibly need other than because i

1508
01:01:24,390 --> 01:01:22,640
know too many people who went on solar

1509
01:01:26,390 --> 01:01:24,400
and then they were always like gee i'd

1510
01:01:28,309 --> 01:01:26,400
like to

1511
01:01:29,670 --> 01:01:28,319
dry my hair with a hair dryer but i

1512
01:01:32,710 --> 01:01:29,680
can't because

1513
01:01:35,430 --> 01:01:32,720

it might pop the circuit or you know you

1514

01:01:37,670 --> 01:01:35,440

got to build a big one

1515

01:01:39,349 --> 01:01:37,680

yeah dude do shows about building your

1516

01:01:41,030 --> 01:01:39,359

cabin foul weather bluff i mentioned i

1517

01:01:42,870 --> 01:01:41,040

think i'm going to do a split

1518

01:01:44,309 --> 01:01:42,880

and we're going to do another channel

1519

01:01:46,230 --> 01:01:44,319

just about the cabin because there is

1520

01:01:50,710 --> 01:01:46,240

tremendous interest in that

1521

01:01:53,349 --> 01:01:50,720

sort of lifestyle right now and

1522

01:01:57,349 --> 01:01:53,359

i've got a lot of experience in that and

1523

01:02:00,789 --> 01:01:59,829

party at cambians in the poconos we are

1524

01:02:02,870 --> 01:02:00,799

all invited

1525

01:02:04,230 --> 01:02:02,880

oh actually v you just reminded me of

1526

01:02:06,069 --> 01:02:04,240

something that's very important

1527

01:02:08,549 --> 01:02:06,079

since we're talking about the cabin so

1528

01:02:11,829 --> 01:02:08,559

my wife and i kind of talked and uh

1529

01:02:13,750 --> 01:02:11,839

we decided that we're going to build a

1530

01:02:15,430 --> 01:02:13,760

i'm going to buy another plot of land or

1531

01:02:17,510 --> 01:02:15,440

we're going to buy another plot of land

1532

01:02:19,109 --> 01:02:17,520

nearby the cabin it's going to be nearby

1533

01:02:22,789 --> 01:02:19,119

the cabin because

1534

01:02:24,870 --> 01:02:22,799

we love that area so much plus um

1535

01:02:26,789 --> 01:02:24,880

i have a good friend and neighbor that's

1536

01:02:29,029 --> 01:02:26,799

helped with so many things with building

1537

01:02:30,069 --> 01:02:29,039

this first cabin that i'm i'm hopeful

1538

01:02:33,349 --> 01:02:30,079

that maybe

1539

01:02:33,990 --> 01:02:33,359

if i build another cabin on a new plot

1540

01:02:36,390 --> 01:02:34,000

of land

1541

01:02:38,390 --> 01:02:36,400

he could you know if it was close enough

1542

01:02:40,069 --> 01:02:38,400

i could say hey can you give me a hand

1543

01:02:42,950 --> 01:02:40,079

put this wood stove in or you know

1544

01:02:46,710 --> 01:02:42,960

whatever and he'd be able to help

1545

01:02:51,109 --> 01:02:46,720

um so we just started looking

1546

01:02:53,990 --> 01:02:51,119

and that's going to be a process uh but

1547

01:02:55,349 --> 01:02:54,000

i already have some ideas and i got

1548

01:02:58,470 --> 01:02:55,359

inspired by

1549

01:03:01,029 --> 01:02:58,480

step pyramids um i'm going to see if i

1550

01:03:03,349 --> 01:03:01,039

can pull it up on my twitter

1551
01:03:04,630 --> 01:03:03,359
this is what a random post to make and i

1552
01:03:07,829 --> 01:03:04,640
did it in ascii

1553
01:03:11,109 --> 01:03:07,839
text the first drawing

1554
01:03:14,230 --> 01:03:11,119
uh but i'm gonna i'm gonna share this

1555
01:03:16,549 --> 01:03:14,240
i'm gonna share this this is my crazy

1556
01:03:19,589 --> 01:03:16,559
plan for a new cabin

1557
01:03:26,950 --> 01:03:23,750
and this is inspired by a

1558
01:03:29,670 --> 01:03:26,960
a step pyramid um

1559
01:03:30,470 --> 01:03:29,680
but this one's going to be built all out

1560
01:03:32,549 --> 01:03:30,480
of logs

1561
01:03:34,470 --> 01:03:32,559
the whole thing and it's going to be

1562
01:03:38,069 --> 01:03:34,480
three stories tall

1563
01:03:40,710 --> 01:03:38,079

and a hugely obviously hugely ambitious

1564

01:03:42,150 --> 01:03:40,720

project should look a little nicer than

1565

01:03:44,069 --> 01:03:42,160

this first drawing

1566

01:03:45,510 --> 01:03:44,079

but i just wanted to get the shape of it

1567

01:03:49,109 --> 01:03:45,520

and the quickest way i could do that

1568

01:03:51,750 --> 01:03:49,119

was just ascii text on notepad

1569

01:03:53,430 --> 01:03:51,760

right i've since drawn a few drawings

1570

01:03:58,710 --> 01:03:53,440

and other things

1571

01:04:02,950 --> 01:03:58,720

so um this is a crazy idea uh but i

1572

01:04:08,390 --> 01:04:02,960

i feel a little more confident in my

1573

01:04:10,230 --> 01:04:08,400

building skills right i built this first

1574

01:04:12,789 --> 01:04:10,240

cabin i mentioned to a friend it just

1575

01:04:13,750 --> 01:04:12,799

kind of grew right out of that ground

1576

01:04:16,470 --> 01:04:13,760

organically

1577

01:04:17,910 --> 01:04:16,480

piece by piece like a big 10 000 piece

1578

01:04:20,549 --> 01:04:17,920

puzzle

1579

01:04:21,829 --> 01:04:20,559

but it all came together and collated

1580

01:04:26,549 --> 01:04:21,839

and

1581

01:04:28,309 --> 01:04:26,559

i've enjoyed building it so much that

1582

01:04:29,589 --> 01:04:28,319

uh you know i talked to my wife like i

1583

01:04:31,589 --> 01:04:29,599

don't what am i gonna

1584

01:04:32,630 --> 01:04:31,599

do when that's done i'm not just gonna

1585

01:04:34,870 --> 01:04:32,640

sit around

1586

01:04:36,470 --> 01:04:34,880

in this finished cabin or go fishing all

1587

01:04:37,910 --> 01:04:36,480

the time or hiking i'm gonna do a little

1588

01:04:40,309 --> 01:04:37,920

bit of that but i love

1589

01:04:42,069 --> 01:04:40,319

this getting outside and working hard

1590

01:04:45,990 --> 01:04:42,079

and building stuff

1591

01:04:48,710 --> 01:04:46,000

so there's uh there's a big goal for

1592

01:04:52,230 --> 01:04:48,720

2021 and my big goal for 2021 with

1593

01:04:53,670 --> 01:04:52,240

this new project is not going to be it

1594

01:04:55,670 --> 01:04:53,680

build it it's just going to be to buy

1595

01:04:57,910 --> 01:04:55,680

the land and get started on it

1596

01:04:58,950 --> 01:04:57,920

and whatever form that takes it's going

1597

01:05:00,789 --> 01:04:58,960

to take but

1598

01:05:02,069 --> 01:05:00,799

i'd like by the end of 21 to have at

1599

01:05:05,510 --> 01:05:02,079

least reached the goal

1600

01:05:07,510 --> 01:05:05,520

of bought this new plot of land

1601
01:05:09,510 --> 01:05:07,520
and we're looking at you know i don't

1602
01:05:13,430 --> 01:05:09,520
know 10 acre plots

1603
01:05:14,630 --> 01:05:13,440
um wooded land and um

1604
01:05:18,470 --> 01:05:14,640
but you know i'm going to be very

1605
01:05:21,510 --> 01:05:20,150
i don't even know what the word is where

1606
01:05:23,990 --> 01:05:21,520
i'm going to shop around

1607
01:05:25,510 --> 01:05:24,000
a long time i'm not going to rush into

1608
01:05:27,270 --> 01:05:25,520
buying land the first

1609
01:05:29,750 --> 01:05:27,280
bunch that i see so i'm just going to

1610
01:05:31,829 --> 01:05:29,760
keep looking at plots of land and

1611
01:05:33,990 --> 01:05:31,839
making notes which ones have the best

1612
01:05:35,430 --> 01:05:34,000
resources for building materials because

1613
01:05:38,470 --> 01:05:35,440

i'm going to need stones

1614

01:05:41,430 --> 01:05:38,480

clay lots of trees

1615

01:05:44,150 --> 01:05:41,440

right would be helpful if there'd be a

1616

01:05:46,069 --> 01:05:44,160

spring or a pond or some water source on

1617

01:05:47,910 --> 01:05:46,079

the new land

1618

01:05:49,510 --> 01:05:47,920

because this trucking in water gets old

1619

01:05:51,750 --> 01:05:49,520

fast

1620

01:05:53,910 --> 01:05:51,760

and uh if you shop around like that

1621

01:05:55,589 --> 01:05:53,920

looking for land you get a better deal

1622

01:05:57,990 --> 01:05:55,599

you definitely get a better deal so i'm

1623

01:06:04,710 --> 01:05:58,000

gonna be

1624

01:06:07,109 --> 01:06:04,720

looking for a while and uh

1625

01:06:08,470 --> 01:06:07,119

yeah buy a ballot changer i agree and

1626

01:06:10,230 --> 01:06:08,480

but i think a side channel where we talk

1627

01:06:12,549 --> 01:06:10,240

about how to build a cabin would be cool

1628

01:06:13,990 --> 01:06:12,559

yeah and it's going to be a mix of bag

1629

01:06:16,150 --> 01:06:14,000

of stuff like

1630

01:06:17,829 --> 01:06:16,160

product reviews for camping equipment

1631

01:06:20,630 --> 01:06:17,839

and off-grid

1632

01:06:26,549 --> 01:06:20,640

supplies and prepper stuff maybe a

1633

01:06:26,559 --> 01:06:30,829

he wants to build a wizards mound out of

1634

01:06:33,510 --> 01:06:32,069

stone

1635

01:06:35,510 --> 01:06:33,520

joe decide here's what you do get

1636

01:06:38,870 --> 01:06:35,520

yourself some type s mortar

1637

01:06:41,510 --> 01:06:38,880

at home depot and a bunch of stones

1638

01:06:44,829 --> 01:06:41,520

and it's stones and mud in between bro

1639

01:06:49,829 --> 01:06:44,839

it's not rocket science you'll figure it

1640

01:06:53,829 --> 01:06:52,710

yes go to be able to get to the cabin if

1641

01:06:55,029 --> 01:06:53,839

everyone's trying to get out of the

1642

01:06:57,029 --> 01:06:55,039

cities be prepped

1643

01:06:58,549 --> 01:06:57,039

for a hunker down at home also yeah

1644

01:07:00,789 --> 01:06:58,559

we're pretty

1645

01:07:01,990 --> 01:07:00,799

we have a big pantry here my wife keeps

1646

01:07:04,950 --> 01:07:02,000

it

1647

01:07:08,390 --> 01:07:04,960

really well stocked most of the time so

1648

01:07:11,910 --> 01:07:11,109

the cabin is not very well stocked in

1649

01:07:15,109 --> 01:07:11,920

the winter

1650

01:07:17,990 --> 01:07:15,119

um it's more well stocked in the spring

1651
01:07:19,430 --> 01:07:18,000
and fall and summer when my wife and

1652
01:07:20,309 --> 01:07:19,440
children spend more time there when it's

1653
01:07:22,069 --> 01:07:20,319
just me

1654
01:07:24,470 --> 01:07:22,079
you know i take a couple of bags of food

1655
01:07:28,230 --> 01:07:24,480
for the weekend and

1656
01:07:37,510 --> 01:07:28,240
there's a bunch of stuff there but

1657
01:07:40,309 --> 01:07:38,870
what i find interesting is how you come

1658
01:07:41,270 --> 01:07:40,319
to decisions by considering all the

1659
01:07:42,950 --> 01:07:41,280
angles

1660
01:07:44,710 --> 01:07:42,960
like the land talk you just did it helps

1661
01:07:48,950 --> 01:07:44,720
people who are thinking about it yeah

1662
01:07:50,950 --> 01:07:48,960
um there's a lot of things

1663
01:07:53,029 --> 01:07:50,960

that i did wrong by in the first

1664

01:07:54,150 --> 01:07:53,039

spotlight too though so you learn from

1665

01:07:55,990 --> 01:07:54,160

experience

1666

01:07:57,910 --> 01:07:56,000

first of all there's no there was no

1667

01:07:59,430 --> 01:07:57,920

well or water source

1668

01:08:01,910 --> 01:07:59,440

on the land that we bought first that

1669

01:08:04,150 --> 01:08:01,920

was a much smaller plot of land too

1670

01:08:05,190 --> 01:08:04,160

and there's neighbors you know but the

1671

01:08:07,349 --> 01:08:05,200

neighbors are pretty

1672

01:08:08,710 --> 01:08:07,359

far away and so there's a lot of things

1673

01:08:10,470 --> 01:08:08,720

i would just do differently that we're

1674

01:08:12,549 --> 01:08:10,480

doing differently with the second

1675

01:08:14,069 --> 01:08:12,559

try you might call it first of all we're

1676

01:08:18,550 --> 01:08:14,079

getting a lot more land

1677

01:08:20,630 --> 01:08:18,560

i really like five or ten acres this way

1678

01:08:21,910 --> 01:08:20,640

if i put it if i put the new cabin

1679

01:08:22,550 --> 01:08:21,920

right in the middle of the new plot of

1680

01:08:25,590 --> 01:08:22,560

land

1681

01:08:27,430 --> 01:08:25,600

me or whatever

1682

01:08:28,950 --> 01:08:27,440

it's not going to bother me if they're

1683

01:08:29,910 --> 01:08:28,960

over there building something or

1684

01:08:31,590 --> 01:08:29,920

whatever

1685

01:08:33,269 --> 01:08:31,600

they're far enough away i just want to

1686

01:08:35,189 --> 01:08:33,279

have enough of a buffer and i grew up in

1687

01:08:38,229 --> 01:08:35,199

row houses in the city where

1688

01:08:41,510 --> 01:08:38,239

everybody's crammed in to 10 feet wide

1689

01:08:47,030 --> 01:08:41,520

apartments really so

1690

01:08:51,030 --> 01:08:50,630

a viking mead hall genocide if i get my

1691

01:08:52,630 --> 01:08:51,040

new

1692

01:08:54,870 --> 01:08:52,640

of land you're welcome to come build a

1693

01:08:55,990 --> 01:08:54,880

viking meat hall as long as i can drink

1694

01:08:59,189 --> 01:08:56,000

all the meat i want

1695

01:09:04,709 --> 01:09:02,229

no i'm not v but i'd like to uh

1696

01:09:05,990 --> 01:09:04,719

that's a business opportunity for real

1697

01:09:09,030 --> 01:09:06,000

but a lot of the land shot

1698

01:09:10,709 --> 01:09:09,040

up after covid it really did it's a lot

1699

01:09:12,470 --> 01:09:10,719

more expensive than it used to be

1700

01:09:13,749 --> 01:09:12,480

and i feel stupid for not doing this

1701

01:09:15,590 --> 01:09:13,759

sooner because now we're going to pay

1702

01:09:17,669 --> 01:09:15,600

more for less land than we would if we

1703

01:09:20,470 --> 01:09:17,679

would have did it two years ago

1704

01:09:22,870 --> 01:09:20,480

but you live and learn and uh you know

1705

01:09:25,110 --> 01:09:22,880

i'm going to basically build a freaking

1706

01:09:29,030 --> 01:09:25,120

a crazy pyramid out of logs in the

1707

01:09:33,510 --> 01:09:31,829

you know what made me you know what made

1708

01:09:34,950 --> 01:09:33,520

you start putting up those old ufo

1709

01:09:35,669 --> 01:09:34,960

documentaries i've been digging those

1710

01:09:37,510 --> 01:09:35,679

lately

1711

01:09:39,110 --> 01:09:37,520

what made me do that is that i've got

1712

01:09:40,709 --> 01:09:39,120

hundreds and hundreds of them

1713

01:09:43,189 --> 01:09:40,719

but they all needed a little bit of

1714

01:09:45,030 --> 01:09:43,199

tweaking right they look like [h__\h]

1715

01:09:46,390 --> 01:09:45,040

so i'm running them all through the same

1716

01:09:48,870 --> 01:09:46,400

thing like

1717

01:09:49,990 --> 01:09:48,880

color correcting and exposure correcting

1718

01:09:51,749 --> 01:09:50,000

them

1719

01:09:53,590 --> 01:09:51,759

and fixing the lighting and whenever

1720

01:09:55,910 --> 01:09:53,600

possible

1721

01:09:57,510 --> 01:09:55,920

cutting the down the screen a little bit

1722

01:09:59,110 --> 01:09:57,520

because there was like lines on the

1723

01:10:00,790 --> 01:09:59,120

sides and

1724

01:10:02,630 --> 01:10:00,800

just restoring them so that they're as

1725

01:10:04,310 --> 01:10:02,640

watchable as possible and putting them

1726

01:10:05,990 --> 01:10:04,320

back up this is part of my history i've

1727

01:10:07,270 --> 01:10:06,000

got hundreds and hundreds of these

1728

01:10:08,630 --> 01:10:07,280

things

1729

01:10:13,189 --> 01:10:08,640

and i thought other people would enjoy

1730

01:10:16,790 --> 01:10:13,199

it and uh so far everyone has so

1731

01:10:18,550 --> 01:10:16,800

i'm thankful for that so friends uh

1732

01:10:20,070 --> 01:10:18,560

really i just want to come and reconnect

1733

01:10:21,750 --> 01:10:20,080

with everybody let you know everything

1734

01:10:24,070 --> 01:10:21,760

is good in my world

1735

01:10:26,229 --> 01:10:24,080

and hope i really hope it's good in your

1736

01:10:27,430 --> 01:10:26,239

world too

1737

01:10:29,669 --> 01:10:27,440

we're going to be back with a more

1738

01:10:31,110 --> 01:10:29,679

structured show shortly

1739

01:10:32,550 --> 01:10:31,120

i don't know about tomorrow because i

1740

01:10:33,030 --> 01:10:32,560

gotta drive to the cabin and that's

1741

01:10:35,990 --> 01:10:33,040

always

1742

01:10:37,030 --> 01:10:36,000

like drive to the cabin get the wood

1743

01:10:40,070 --> 01:10:37,040

stove going

1744

01:10:40,950 --> 01:10:40,080

do i have time to do a show maybe we'll

1745

01:10:46,070 --> 01:10:40,960

see what happens

1746

01:10:50,550 --> 01:10:49,189

and i'm able to possibly get another

1747

01:10:52,390 --> 01:10:50,560

show together but we've got

1748

01:10:53,830 --> 01:10:52,400

some structured shows on structured

1749

01:10:56,470 --> 01:10:53,840

subjects coming up with

1750

01:10:58,149 --> 01:10:56,480

presentations and i hope you will join

1751

01:11:00,149 --> 01:10:58,159

us for them in the meantime please do

1752

01:11:01,590 --> 01:11:00,159

like comment subscribe and share these

1753

01:11:03,510 --> 01:11:01,600

videos we're very close

1754

01:11:04,950 --> 01:11:03,520

just over the target very close to our

1755

01:11:07,910 --> 01:11:04,960

goals i want to thank each and every one

1756

01:11:10,550 --> 01:11:07,920

of you who's helped us getting here

1757

01:11:12,070 --> 01:11:10,560

it's we're almost there friends you know

1758

01:11:13,830 --> 01:11:12,080

i can see the finish line it's going to

1759

01:11:16,149 --> 01:11:13,840

be one final sprint in

1760

01:11:18,149 --> 01:11:16,159

and i'm going to do it and we win the

1761

01:11:21,510 --> 01:11:18,159

stupid race

1762

01:11:24,550 --> 01:11:21,520

uh and yeah that is what it is

1763

01:11:26,870 --> 01:11:24,560

it's you got to hit some stupid number

1764

01:11:29,350 --> 01:11:26,880

that some guy at some mega corporation

1765

01:11:32,790 --> 01:11:29,360

made up before they decide you're worthy

1766

01:11:34,630 --> 01:11:32,800

of something okay we jump through the

1767

01:11:38,229 --> 01:11:34,640

[h__\h] hoops let's get to the

1768

01:11:39,510 --> 01:11:38,239

good part right we're just about there

1769

01:11:41,189 --> 01:11:39,520

i'm always happy when there's an

1770

01:11:42,070 --> 01:11:41,199

audience friends i'm glad that you could

1771

01:11:43,430 --> 01:11:42,080

be in mine

1772

01:11:45,430 --> 01:11:43,440

i want to thank each and every one of

1773

01:11:47,830 --> 01:11:45,440

you for joining us

1774

01:11:50,630 --> 01:11:47,840

i should be back tomorrow night if not

1775

01:11:53,669 --> 01:11:50,640

uh thursday night for sure at the latest

1776

01:11:54,149 --> 01:11:53,679

uh we'll be doing another show and i

1777

01:11:55,350 --> 01:11:54,159

hope

1778

01:11:58,310 --> 01:11:55,360

that we're going to keep a pretty

1779

01:12:00,630 --> 01:11:58,320

regular schedule going forward

1780

01:12:01,669 --> 01:12:00,640

i want to thank everybody that was uh

1781

01:12:04,070 --> 01:12:01,679

checking in on me

1782

01:12:04,790 --> 01:12:04,080

like i said everything's good glad that

1783

01:12:08,470 --> 01:12:04,800

you guys

1784

01:12:11,910 --> 01:12:08,480

uh could be here to

1785

01:12:13,270 --> 01:12:11,920

reconnect for the first you know stream

1786

01:12:15,350 --> 01:12:13,280

of 2021

1787

01:12:16,470 --> 01:12:15,360

a lot of stuff to cover things that i've

1788

01:12:19,030 --> 01:12:16,480

been thinking about

1789

01:12:19,750 --> 01:12:19,040

thanks for indulging me until next time

1790

01:12:38,290 --> 01:12:19,760

friends

1791

01:12:38,300 --> 01:13:02,830

[Music]

1792

01:13:02,840 --> 01:13:16,830

do

1793

01:13:49,940 --> 01:13:17,920

so

1794

01:14:29,180 --> 01:13:57,520

[Music]
