

1
00:00:11,190 --> 00:00:08,950
the following story is based on the

2
00:00:13,749 --> 00:00:11,200
records of the united states air force

3
00:00:15,829 --> 00:00:13,759
the files of the hayden planetarium and

4
00:00:17,189 --> 00:00:15,839
the actual transcripts of the tapes made

5
00:00:20,470 --> 00:00:17,199
by betty and barney hill

6
00:00:22,630 --> 00:00:20,480
under hypnosis by dr benjamin simon

7
00:00:25,029 --> 00:00:22,640
the purpose to penetrate an

8
00:00:26,870 --> 00:00:25,039
extraordinary case of double amnesia

9
00:00:31,140 --> 00:00:26,880
precipitated by their claimed sighting

10
00:01:04,229 --> 00:00:31,150
of a ufo in nineteen sixty one

11
00:01:09,510 --> 00:01:07,270
we know it's route three i mean

12
00:01:11,750 --> 00:01:09,520
off routes and we've been on every

13
00:01:14,230 --> 00:01:11,760

single side road

14

00:01:15,109 --> 00:01:14,240

dirt road dead in and there's no road

15

00:01:36,230 --> 00:01:15,119

there's no

16

00:01:40,230 --> 00:01:38,390

i saw the thing i knew i saw the thing

17

00:01:42,469 --> 00:01:40,240

if my best friend told me he'd seen it

18

00:01:45,830 --> 00:01:42,479

i'd say he was crazy

19

00:01:47,270 --> 00:01:45,840

bernie they've been ufo sightings all

20

00:01:47,590 --> 00:01:47,280

over new hampshire are you saying

21

00:01:50,789 --> 00:01:47,600

they're

22

00:01:53,670 --> 00:01:50,799

all nuts all those people maybe yeah

23

00:01:54,789 --> 00:01:53,680

maybe it's crazy to keep coming back

24

00:01:57,190 --> 00:01:54,799

here

25

00:01:58,789 --> 00:01:57,200

it's like a like a compulsion like some

26

00:02:01,270 --> 00:01:58,799

of those people you deal with at work

27

00:02:02,950 --> 00:02:01,280

compulsive gamblers compulsive wife

28

00:02:04,630 --> 00:02:02,960

beaters

29

00:02:07,350 --> 00:02:04,640

what does that make us compulsive

30

00:02:11,350 --> 00:02:09,589

what's so bad about that because we only

31

00:02:12,550 --> 00:02:11,360

travel to indian head we only travel

32

00:02:14,070 --> 00:02:12,560

route three looking for a road that

33

00:02:15,270 --> 00:02:14,080

doesn't exist

34

00:02:17,430 --> 00:02:15,280

how many times we've been back here

35

00:02:18,070 --> 00:02:17,440

betty seven eight times and always end

36

00:02:21,589 --> 00:02:18,080

up

37

00:02:25,589 --> 00:02:21,599

exhausted and fighting each other

38

00:02:29,910 --> 00:02:28,949

let's not come back let's just decide

39

00:02:33,350 --> 00:02:29,920

not to come back

40

00:02:40,070 --> 00:02:36,630

no we will

41

00:02:52,530 --> 00:02:40,080

oh it's funny how we do that

42

00:03:05,820 --> 00:02:55,190

[Music]

43

00:03:20,149 --> 00:03:05,830

just a little tolerance that's the last

44

00:03:43,589 --> 00:03:20,159

[Music]

45

00:03:43,599 --> 00:03:47,580

that was a dream

46

00:03:47,590 --> 00:03:57,030

[Music]

47

00:04:02,390 --> 00:03:58,630

we almost smashed up this car because

48

00:04:10,149 --> 00:04:06,470

don't do that fanny please

49

00:04:28,540 --> 00:04:15,350

talk to me tell me what you feel

50

00:04:33,730 --> 00:04:28,550

i feel that your dreams are dreams

51

00:04:44,310 --> 00:04:40,830

[Music]

52

00:04:49,110 --> 00:04:47,830

is that reality but every dumb kid will

53

00:04:52,550 --> 00:04:49,120

love the jackets out there

54

00:05:03,660 --> 00:04:52,560

on you what are you talking about

55

00:05:09,350 --> 00:05:06,230

[Music]

56

00:05:10,950 --> 00:05:09,360

i was brought up to be

57

00:05:13,350 --> 00:05:10,960

it's careful remember old scratched

58

00:05:15,350 --> 00:05:13,360

broken record playing inside of me

59

00:05:17,909 --> 00:05:15,360

be careful kid or they'll kill you

60

00:05:21,500 --> 00:05:17,919

[Music]

61

00:05:22,830 --> 00:05:21,510

bearing me wasn't being very careful

62

00:05:28,150 --> 00:05:22,840

[Music]

63

00:05:32,870 --> 00:05:31,110

i loved you so much i forgot to be

64

00:05:40,430 --> 00:05:32,880

careful

65

00:05:53,430 --> 00:05:42,710

[Music]

66

00:05:56,230 --> 00:05:53,440

ernie what are we gonna do

67

00:05:58,870 --> 00:05:56,240

how do i know this thing happened how do

68

00:06:02,070 --> 00:05:58,880

i know i wasn't just seeing things

69

00:06:04,550 --> 00:06:02,080

i'm in this terrible position where

70

00:06:06,950 --> 00:06:04,560

i know what happened but i can't get

71

00:06:09,830 --> 00:06:06,960

myself to believe it

72

00:06:12,309 --> 00:06:09,840

and it's bugging me so much that my

73

00:06:18,150 --> 00:06:12,319

houses were kicking up again

74

00:06:26,150 --> 00:06:21,990

it's worse than that i'm trying to

75

00:06:29,749 --> 00:06:26,160

minimize i was out of work for

76

00:06:30,950 --> 00:06:29,759

six months on disability the doctor said

77

00:06:35,590 --> 00:06:30,960

i was suffering from

78

00:06:39,749 --> 00:06:35,600

the complete physical exhaustion

79

00:06:46,870 --> 00:06:43,029

and betty betty was having those

80

00:06:49,029 --> 00:06:46,880

nightmares sudden fears out of nowhere

81

00:06:52,390 --> 00:06:49,039

things that are really not like betty

82

00:06:57,189 --> 00:06:55,350

and it's been almost two years since the

83

00:07:00,070 --> 00:06:57,199

experience

84

00:07:01,270 --> 00:07:00,080

yes i keep trying to remember what

85

00:07:04,629 --> 00:07:01,280

happened

86

00:07:08,710 --> 00:07:04,639

where we were there's a whole

87

00:07:11,670 --> 00:07:08,720

area that's lost 36 miles and they

88

00:07:13,670 --> 00:07:11,680

between the time we saw the ufo or

89

00:07:17,029 --> 00:07:13,680

whatever and

90

00:07:17,909 --> 00:07:17,039

and when we heard the beeps now concord

91

00:07:27,909 --> 00:07:17,919

is about

92

00:07:32,790 --> 00:07:30,790

is there something shifting in the car i

93

00:07:35,510 --> 00:07:32,800

don't know

94

00:07:42,150 --> 00:07:35,520

hello do you think that thing is back

95

00:07:48,790 --> 00:07:44,869

wait a minute i wonder if i can make the

96

00:07:54,710 --> 00:07:51,990

it was at this moment

97

00:07:57,029 --> 00:07:54,720

when your memory returned it's a time

98

00:08:00,230 --> 00:07:57,039

previous to this that you can't remember

99

00:08:01,589 --> 00:08:00,240

yes dr simon that's right i see we go

100

00:08:03,510 --> 00:08:01,599

back there

101
00:08:05,350 --> 00:08:03,520
weekends holidays whenever we get a

102
00:08:06,950 --> 00:08:05,360
chance we were just there a couple of

103
00:08:09,749 --> 00:08:06,960
days ago

104
00:08:14,150 --> 00:08:09,759
they do indian that you mean yes trying

105
00:08:20,950 --> 00:08:17,350
i sort of woke up from our days and

106
00:08:34,149 --> 00:08:20,960
saw the sign conquered 17 miles suddenly

107
00:08:39,190 --> 00:08:37,029
barney and betty hill began general

108
00:08:40,630 --> 00:08:39,200
history of their anxiety problems in

109
00:08:43,670 --> 00:08:40,640
amnesia

110
00:08:47,750 --> 00:08:43,680
highlighted by their claimed sighting

111
00:08:50,230 --> 00:08:47,760
of a ufo at indian head two years ago

112
00:08:52,230 --> 00:08:50,240
the hill's clearest memory their return

113
00:08:56,310 --> 00:08:52,240

home from the ufo

114

00:09:00,070 --> 00:08:58,310

treatment is to be centered on their

115

00:09:03,590 --> 00:09:00,080

anxiety reaction

116

00:09:05,350 --> 00:09:03,600

with their apparent amnesia unidentified

117

00:09:09,269 --> 00:09:05,360

flying object

118

00:09:11,269 --> 00:09:09,279

secondary matter major job

119

00:09:13,269 --> 00:09:11,279

is to determine treatment of patients

120

00:09:15,430 --> 00:09:13,279

and overcoming this unique case of

121

00:09:22,949 --> 00:09:15,440

double amnesia

122

00:09:27,590 --> 00:09:22,959

most probably by means of hypnosis

123

00:09:31,269 --> 00:09:27,600

barney hill 39 works for the post office

124

00:09:33,110 --> 00:09:31,279

his distinguished member of naacp

125

00:09:35,190 --> 00:09:33,120

and active in community affairs

126
00:09:39,660 --> 00:09:35,200
portsmouth new hampshire

127
00:09:41,829 --> 00:09:39,670
well read educated iq of 140

128
00:09:46,070 --> 00:09:41,839
[Music]

129
00:09:48,310 --> 00:09:46,080
previously married two children

130
00:09:50,070 --> 00:09:48,320
suffers deep guilt of leaving marriage

131
00:09:53,590 --> 00:09:50,080
and children

132
00:10:02,829 --> 00:09:53,600
but sees them as often as he can

133
00:10:16,829 --> 00:10:04,560
strife

134
00:10:23,030 --> 00:10:19,410
okay

135
00:10:30,829 --> 00:10:26,870
betty hill 42 comes from an old new

136
00:10:36,150 --> 00:10:32,870
1629

137
00:10:37,350 --> 00:10:36,160
previously married 13 years two adopted

138
00:10:40,389 --> 00:10:37,360

children

139

00:10:41,750 --> 00:10:40,399

now grown return to university after

140

00:10:45,110 --> 00:10:41,760

divorce

141

00:10:48,790 --> 00:10:45,120

received degree presently works

142

00:10:52,150 --> 00:10:48,800

as i work for the state of new hampshire

143

00:10:55,269 --> 00:10:52,160

he has a background of security

144

00:10:58,790 --> 00:10:55,279

in both upbringing and heritage

145

00:11:00,790 --> 00:10:58,800

funny bunny did you take the clothes in

146

00:11:03,750 --> 00:11:00,800

their house what

147

00:11:04,310 --> 00:11:03,760

the clothes did you bring them in no i

148

00:11:06,310 --> 00:11:04,320

was too

149

00:11:08,230 --> 00:11:06,320

tired i'll bring all that stuff in

150

00:11:09,829 --> 00:11:08,240

tomorrow

151

00:11:12,470 --> 00:11:09,839

i didn't want you to bring the clothes

152

00:11:14,470 --> 00:11:12,480

in the house

153

00:11:16,949 --> 00:11:14,480

about the clock you said you glanced at

154

00:11:19,990 --> 00:11:16,959

the clock because you were undressing

155

00:11:20,310 --> 00:11:20,000

did you see the time i saw that it was

156

00:11:26,310 --> 00:11:20,320

five

157

00:11:28,550 --> 00:11:26,320

bonnie realized it either

158

00:11:41,030 --> 00:11:28,560

neither one of us realized till months

159

00:11:41,040 --> 00:11:58,710

i'm not strange barney but it was

160

00:11:58,720 --> 00:12:06,430

tops my shoes are scuffed

161

00:12:13,990 --> 00:12:08,829

[Applause]

162

00:12:26,949 --> 00:12:24,470

i don't understand how could that be

163

00:12:28,790 --> 00:12:26,959

hello mr hill when you woke up the next

164

00:12:31,910 --> 00:12:28,800

morning did you

165

00:12:33,829 --> 00:12:31,920

experience any particular discomfort on

166

00:12:37,430 --> 00:12:33,839

your grind

167

00:12:44,389 --> 00:12:41,030

it was there i could uh

168

00:12:47,030 --> 00:12:44,399

just had a feeling but

169

00:12:48,470 --> 00:12:47,040

there was no pain or anything well how

170

00:12:52,230 --> 00:12:48,480

much later was it that the

171

00:12:55,990 --> 00:12:52,240

the warts appeared

172

00:12:57,590 --> 00:12:56,000

oh two months i guess

173

00:12:59,350 --> 00:12:57,600

before they actually appeared before i

174

00:13:01,430 --> 00:12:59,360

actually saw them because

175

00:13:02,389 --> 00:13:01,440

i had a feeling before they actually

176

00:13:03,990 --> 00:13:02,399

appeared

177

00:13:06,470 --> 00:13:04,000

and he went to the doctor and he

178

00:13:08,310 --> 00:13:06,480

diagnosed it and by means of

179

00:13:08,629 --> 00:13:08,320

electrolysis he was able to get rid of

180

00:13:10,389 --> 00:13:08,639

them

181

00:13:11,910 --> 00:13:10,399

yes and you haven't been in trouble with

182

00:13:22,230 --> 00:13:11,920

them no haven't

183

00:13:22,240 --> 00:13:25,750

betty

184

00:13:29,750 --> 00:13:29,110

i don't want to talk to anybody about

185

00:13:35,110 --> 00:13:29,760

last night

186

00:13:38,470 --> 00:13:35,120

all right all right

187

00:13:49,670 --> 00:13:38,480

guess if you want to talk about it

188

00:13:51,910 --> 00:13:49,680

we can display it to ourselves

189

00:13:54,069 --> 00:13:51,920

that we can't just not talk about it you

190

00:14:00,710 --> 00:13:54,079

know

191

00:14:01,030 --> 00:14:00,720

i want to talk about it to you i don't

192

00:14:05,269 --> 00:14:01,040

like

193

00:14:15,189 --> 00:14:08,389

you're not alone with that love

194

00:14:20,069 --> 00:14:17,509

wondered about it and we talked about it

195

00:14:23,189 --> 00:14:20,079

and then i asked bonnie if he thought we

196

00:14:26,310 --> 00:14:23,199

could draw what we saw

197

00:14:29,509 --> 00:14:26,320

and he didn't want to do that but

198

00:14:32,790 --> 00:14:29,519

he found a way to talk me into it well

199

00:14:37,030 --> 00:14:34,389

and then when the drawings were

200

00:14:38,470 --> 00:14:37,040

identical well bonnie thought they were

201
00:14:40,949 --> 00:14:38,480
only simple

202
00:14:42,829 --> 00:14:40,959
i wanted to call my sister bonnie didn't

203
00:14:45,269 --> 00:14:42,839
want me to do that he got

204
00:14:47,350 --> 00:14:45,279
angry and then when she wanted me to

205
00:14:50,389 --> 00:14:47,360
check for radiation barney got

206
00:14:52,389 --> 00:14:50,399
really upset where's the canvas

207
00:14:53,829 --> 00:14:52,399
where's the compass i don't know what

208
00:14:55,590 --> 00:14:53,839
you're talking about betty

209
00:14:57,829 --> 00:14:55,600
the compass the covers where's the

210
00:14:59,110 --> 00:14:57,839
compass i don't know where it is how am

211
00:15:00,150 --> 00:14:59,120
i supposed to know where the competition

212
00:15:01,750 --> 00:15:00,160
is

213
00:15:03,430 --> 00:15:01,760

you're a big help it's in the drawer

214

00:15:05,990 --> 00:15:03,440

where it always is

215

00:15:07,509 --> 00:15:06,000

why don't you look before your ass it's

216

00:15:10,710 --> 00:15:07,519

always there in the space

217

00:15:12,470 --> 00:15:10,720

ready listen i think you're getting too

218

00:15:14,310 --> 00:15:12,480

excited about all this and i think you

219

00:15:16,389 --> 00:15:14,320

better calm down

220

00:15:17,509 --> 00:15:16,399

i think we just better forget about all

221

00:15:20,550 --> 00:15:17,519

this

222

00:15:22,069 --> 00:15:20,560

bonnie would you please come outside and

223

00:15:23,670 --> 00:15:22,079

look at the back of the car and see what

224

00:15:25,430 --> 00:15:23,680

happens to this compass

225

00:15:27,670 --> 00:15:25,440

janet says that compass works like a

226

00:15:28,710 --> 00:15:27,680

geiger counter and if the car has any

227

00:15:31,910 --> 00:15:28,720

radiation oh

228

00:15:33,910 --> 00:15:31,920

betty it's also ridiculous

229

00:15:35,749 --> 00:15:33,920

a car is made out of metal and any metal

230

00:15:38,389 --> 00:15:35,759

would attract a compass

231

00:15:39,990 --> 00:15:38,399

compass just went crazy near the trunk

232

00:15:41,829 --> 00:15:40,000

the spare tire

233

00:15:43,509 --> 00:15:41,839

not near the battery or where you'd

234

00:15:46,230 --> 00:15:43,519

expect it to

235

00:15:48,150 --> 00:15:46,240

and there were these strange shiny spots

236

00:15:50,550 --> 00:15:48,160

on the back of the car

237

00:15:51,670 --> 00:15:50,560

i finally got bonnie to come out and

238

00:15:53,910 --> 00:15:51,680

look at them

239

00:15:55,269 --> 00:15:53,920

i figured if i humaned her and looked

240

00:15:58,629 --> 00:15:55,279

she'd calm down

241

00:16:02,310 --> 00:15:58,639

or did the spots stay on the car no

242

00:16:05,189 --> 00:16:02,320

they disappeared they didn't disappear

243

00:16:08,389 --> 00:16:05,199

at least not right away what happened is

244

00:16:12,710 --> 00:16:08,399

that when i had the car washed it

245

00:16:16,069 --> 00:16:12,720

they stayed all right

246

00:16:17,829 --> 00:16:16,079

let's go on janet it went crazy

247

00:16:21,430 --> 00:16:17,839

yes the compass and there are strange

248

00:16:25,749 --> 00:16:24,389

i couldn't call anybody they laughed at

249

00:16:28,870 --> 00:16:25,759

me

250

00:16:31,030 --> 00:16:28,880

no i'd be embarrassed and bernie bonnie

251
00:16:34,550 --> 00:16:31,040
and i decided not to tell anyone

252
00:16:39,189 --> 00:16:34,560
not anyone else are you able to

253
00:16:42,870 --> 00:16:39,199
deal with that to live with that yes

254
00:16:43,829 --> 00:16:42,880
well yes and no you see so much of our

255
00:16:46,629 --> 00:16:43,839
life was so

256
00:16:48,150 --> 00:16:46,639
happy we'd only been married about a

257
00:16:51,910 --> 00:16:48,160
year

258
00:16:55,430 --> 00:16:51,920
and so many things were new

259
00:16:58,550 --> 00:16:55,440
especially for bonnie especially for

260
00:17:02,949 --> 00:17:00,790
the only change in my life was that i

261
00:17:05,270 --> 00:17:02,959
was married

262
00:17:06,230 --> 00:17:05,280
honey i lived in the house where i'd

263
00:17:09,350 --> 00:17:06,240

lived for

264

00:17:11,029 --> 00:17:09,360

years i had the same job and the same

265

00:17:14,309 --> 00:17:11,039

friends

266

00:17:16,630 --> 00:17:14,319

but for bonnie fabani everything was

267

00:17:19,990 --> 00:17:16,640

different he lived in philadelphia and

268

00:17:23,270 --> 00:17:20,000

what was really an all-black society and

269

00:17:25,990 --> 00:17:23,280

and here in portsmouth it's pretty much

270

00:17:28,150 --> 00:17:26,000

an all-white society

271

00:17:29,830 --> 00:17:28,160

it wasn't just a new marriage for bonnie

272

00:17:32,090 --> 00:17:29,840

it was a whole

273

00:17:33,669 --> 00:17:32,100

new life new friends

274

00:17:36,950 --> 00:17:33,679

[Applause]

275

00:17:39,430 --> 00:17:36,960

funny makes spend so easily

276

00:17:40,950 --> 00:17:39,440

my best friend camera jack and lisa

277

00:17:43,190 --> 00:17:40,960

mccraney jack's a

278

00:17:44,310 --> 00:17:43,200

lieutenant colonel at the peace air

279

00:17:48,470 --> 00:17:44,320

force base and

280

00:17:55,990 --> 00:17:52,630

i knew barney wanted to tell jack

281

00:17:59,190 --> 00:17:56,000

about what we saw

282

00:18:02,390 --> 00:17:59,200

and he kept putting it off

283

00:18:04,789 --> 00:18:02,400

but i finally came out with it deciding

284

00:18:07,750 --> 00:18:04,799

if it was exciting

285

00:18:09,990 --> 00:18:07,760

it was still annoying away at me the

286

00:18:15,669 --> 00:18:10,000

sighting itself

287

00:18:21,110 --> 00:18:15,679

no whether or not there was a sighting

288

00:18:27,029 --> 00:18:24,710

we were seeing things

289

00:18:28,630 --> 00:18:27,039

and jack just confirmed my suspicion he

290

00:18:32,310 --> 00:18:28,640

said in so many words that

291

00:18:37,430 --> 00:18:32,320

anyone that said they saw ufo

292

00:18:41,190 --> 00:18:39,350

he made things worse you know they were

293

00:18:42,630 --> 00:18:41,200

our best friends they were around all

294

00:18:44,470 --> 00:18:42,640

the time

295

00:18:45,750 --> 00:18:44,480

we could talk to them about anything

296

00:18:48,470 --> 00:18:45,760

anything at all

297

00:18:52,150 --> 00:18:48,480

except ufos that subject was just plain

298

00:18:58,150 --> 00:18:56,230

and those terrible dreams were starting

299

00:18:59,750 --> 00:18:58,160

have you told barney about your dreams

300

00:19:02,870 --> 00:18:59,760

yet mentioned

301

00:19:06,070 --> 00:19:02,880

them it's a little time

302

00:19:09,669 --> 00:19:06,080

bonnie was working nights in boston

303

00:19:11,990 --> 00:19:09,679

60 mile drive back and forth

304

00:19:14,630 --> 00:19:12,000

we were except for weekends we were sort

305

00:19:17,510 --> 00:19:14,640

of passing in the hallway

306

00:19:19,669 --> 00:19:17,520

it's the moon you idiot what are you

307

00:19:21,909 --> 00:19:19,679

backing at the moon for

308

00:19:23,029 --> 00:19:21,919

but i imagine they were long nights for

309

00:19:31,590 --> 00:19:23,039

you

310

00:19:34,710 --> 00:19:31,600

were having so much fun

311

00:19:36,830 --> 00:19:34,720

bonnie had joined the toastmasters

312

00:19:39,029 --> 00:19:36,840

because he thought he couldn't speak in

313

00:19:42,310 --> 00:19:39,039

public

314

00:19:44,789 --> 00:19:42,320

he found out he could then he found out

315

00:19:47,510 --> 00:19:44,799

he could make people laugh

316

00:19:50,830 --> 00:19:47,520

the house was filling up with old jokes

317

00:20:02,530 --> 00:19:50,840

books and old routines on

318

00:20:09,669 --> 00:20:04,149

[Applause]

319

00:20:13,350 --> 00:20:12,390

bossy little figured she you never knew

320

00:20:15,510 --> 00:20:13,360

she was the

321

00:20:17,830 --> 00:20:15,520

oldest of five children just grew up

322

00:20:28,800 --> 00:20:17,840

bossing everybody

323

00:20:34,230 --> 00:20:31,029

[Music]

324

00:20:37,909 --> 00:20:34,240

would get terrible

325

00:20:40,950 --> 00:20:37,919

like that night jack and lisa were

326

00:20:43,029 --> 00:20:40,960

having their problems

327

00:20:44,390 --> 00:20:43,039

lisa knew we thought we had seen

328

00:20:46,470 --> 00:20:44,400

something

329

00:20:48,149 --> 00:20:46,480

somehow we got under very cold water

330

00:20:49,510 --> 00:20:48,159

goodness only nose how i got the very

331

00:20:51,350 --> 00:20:49,520

gold water

332

00:20:52,549 --> 00:20:51,360

i heard myself saying you know you know

333

00:20:54,149 --> 00:20:52,559

the trouble with you white people the

334

00:20:56,549 --> 00:20:54,159

top with you white people

335

00:20:57,830 --> 00:20:56,559

don't call me you white people don't

336

00:21:00,789 --> 00:20:57,840

ever call me

337

00:21:01,750 --> 00:21:00,799

you white people you can say those white

338

00:21:05,110 --> 00:21:01,760

people but don't

339

00:21:09,830 --> 00:21:05,120

include me bonnie hill i'm not white i'm

340

00:21:19,270 --> 00:21:13,029

well i didn't ever say that again

341

00:21:23,750 --> 00:21:21,830

and then they were getting ready to

342

00:21:24,149 --> 00:21:23,760

leave bonnie too because he had to be at

343

00:21:31,830 --> 00:21:24,159

the

344

00:21:33,350 --> 00:21:31,840

tension with a hatchet my fellow

345

00:21:35,669 --> 00:21:33,360

citizens

346

00:21:36,630 --> 00:21:35,679

let no one doubt that this is a

347

00:21:39,029 --> 00:21:36,640

difficult

348

00:21:39,990 --> 00:21:39,039

and dangerous effort on which we have

349

00:21:41,830 --> 00:21:40,000

set out

350

00:21:43,029 --> 00:21:41,840

the path we have chosen for the present

351

00:21:45,909 --> 00:21:43,039

is full of hazards

352

00:21:48,549 --> 00:21:45,919

but it is the one most consistent with

353

00:21:51,590 --> 00:21:48,559

our character and courage as a nation

354

00:21:53,590 --> 00:21:51,600

and our commitments around the world

355

00:21:55,750 --> 00:21:53,600

and then bonnie came back he's gonna

356

00:21:58,789 --> 00:21:55,760

call in sick

357

00:21:59,750 --> 00:21:58,799

he was so worried and he was just lying

358

00:22:02,070 --> 00:21:59,760

there with this

359

00:22:04,070 --> 00:22:02,080

white cloth over his face to help his

360

00:22:09,110 --> 00:22:04,080

headache

361

00:22:09,120 --> 00:22:15,350

betty i want to ask you something

362

00:22:20,390 --> 00:22:17,590

i can't not with that thing over your

363

00:22:20,400 --> 00:22:24,470

it was your idea

364

00:22:31,190 --> 00:22:28,549

this probably isn't the time anyway

365

00:22:31,990 --> 00:22:31,200

but i really wanted to ask you listen

366

00:22:34,870 --> 00:22:32,000

betty

367

00:22:37,510 --> 00:22:34,880

i was just listening to the news bonnie

368

00:22:41,750 --> 00:22:37,520

i said i wanted to ask you something

369

00:22:43,750 --> 00:22:41,760

this is important very really important

370

00:22:46,870 --> 00:22:43,760

if they actually do start shooting

371

00:22:48,310 --> 00:22:46,880

missiles oh

372

00:22:50,789 --> 00:22:48,320

nobody's going to start shooting

373

00:22:53,590 --> 00:22:50,799

missiles bonnie they do

374

00:22:54,950 --> 00:22:53,600

and together if i'm at work and can't

375

00:22:58,310 --> 00:22:54,960

get here

376

00:23:01,029 --> 00:22:58,320

now listen to me what i want you to do

377

00:23:03,190 --> 00:23:01,039

is make your way to your mother's house

378

00:23:06,549 --> 00:23:03,200

now managed to get there

379

00:23:11,029 --> 00:23:06,559

is that clear yes

380

00:23:11,039 --> 00:23:16,789

good

381

00:23:22,950 --> 00:23:20,470

funny what i wanted to ask you before

382

00:23:25,430 --> 00:23:22,960

is how come we can talk about this ufo

383

00:23:26,710 --> 00:23:25,440

business together and wonder what it was

384

00:23:29,590 --> 00:23:26,720

together

385

00:23:33,510 --> 00:23:29,600

but with janet with jack it was a plane

386

00:23:38,390 --> 00:23:36,470

with you i can look like a fool but with

387

00:23:43,350 --> 00:23:38,400

my friends i can't afford to look like a

388

00:23:49,269 --> 00:23:47,110

i got to hate that wash cloth

389

00:23:51,750 --> 00:23:49,279

more and more he'd just lie there was

390

00:23:55,190 --> 00:23:51,760

over his face

391

00:23:57,990 --> 00:23:55,200

i just kept calling in sick well

392

00:23:59,110 --> 00:23:58,000

i was sick the ulcers the headaches and

393

00:24:00,870 --> 00:23:59,120

i was worrying i mean

394

00:24:03,029 --> 00:24:00,880

i've always been a warrior but this is

395

00:24:05,350 --> 00:24:03,039

really getting out of proportion

396

00:24:08,310 --> 00:24:05,360

worrying about things that i didn't have

397

00:24:09,430 --> 00:24:08,320

any control over

398

00:24:11,350 --> 00:24:09,440

i really thought we were going to be

399

00:24:17,269 --> 00:24:11,360

attacked

400

00:24:17,279 --> 00:24:24,149

i thought russia i don't know

401
00:24:30,710 --> 00:24:27,430
and were the nightmares continuing yes

402
00:24:31,990 --> 00:24:30,720
on and on i started writing them down

403
00:24:34,789 --> 00:24:32,000
i'd get it in the middle of the night

404
00:24:35,909 --> 00:24:34,799
and write till i was exhausted i had

405
00:24:38,230 --> 00:24:35,919
done that before

406
00:24:40,390 --> 00:24:38,240
when when things upset me i would write

407
00:24:44,310 --> 00:24:40,400
them down it would help

408
00:24:46,310 --> 00:24:44,320
you uh still have a copy of those dreams

409
00:24:47,830 --> 00:24:46,320
yes i stuck them away somewhere you know

410
00:24:51,990 --> 00:24:47,840
that's funny

411
00:24:53,830 --> 00:24:52,000
i i've forgotten i wrote them down

412
00:24:59,110 --> 00:24:53,840
because i'd uh like a copy of those you

413
00:25:03,029 --> 00:25:01,029

and it was about this time barney that

414

00:25:05,510 --> 00:25:03,039

uh you went to see the doctor and he

415

00:25:07,990 --> 00:25:05,520

suggested that uh you take a rest

416

00:25:10,310 --> 00:25:08,000

take a sick leave yes it was about this

417

00:25:17,029 --> 00:25:13,590

so i just started staying home

418

00:25:20,070 --> 00:25:17,039

trying to relax work in the garden

419

00:25:23,350 --> 00:25:22,230

the kids came more often i could see

420

00:25:26,830 --> 00:25:23,360

them

421

00:25:28,390 --> 00:25:26,840

more often but he really liked barely

422

00:25:30,789 --> 00:25:28,400

anything

423

00:25:33,750 --> 00:25:30,799

they got along well with it they really

424

00:25:37,750 --> 00:25:35,590

because i used to tease her i told her

425

00:25:41,110 --> 00:25:37,760

that it was her cooking they loved

426
00:25:41,120 --> 00:25:45,430
maybe i was just lying around reading

427
00:26:08,830 --> 00:25:57,020
ufo books

428
00:26:08,840 --> 00:26:12,230
hi

429
00:26:17,510 --> 00:26:15,029
what's smart are you upset no i'm not

430
00:26:20,149 --> 00:26:17,520
upset why

431
00:26:21,669 --> 00:26:20,159
you weren't smiling when you came in you

432
00:26:25,029 --> 00:26:21,679
weren't smiling

433
00:26:26,789 --> 00:26:25,039
i didn't notice i did well

434
00:26:28,070 --> 00:26:26,799
obviously you did or you wouldn't be

435
00:26:35,430 --> 00:26:28,080
uptight about it

436
00:26:44,870 --> 00:26:39,430
sorry about that

437
00:26:44,880 --> 00:26:49,669
if i knew

438
00:26:52,149 --> 00:26:50,789

what would be lying around this

439

00:26:53,630 --> 00:26:52,159

household day without with me reading

440

00:26:55,590 --> 00:26:53,640

these stupid books

441

00:27:07,750 --> 00:26:55,600

[Applause]

442

00:27:16,070 --> 00:27:07,760

my eyes are falling until

443

00:27:22,630 --> 00:27:18,789

when i ask you to marry me you said you

444

00:27:30,549 --> 00:27:22,640

wanted a psychiatric evaluation

445

00:27:36,310 --> 00:27:33,990

what do you mean i mean

446

00:27:38,149 --> 00:27:36,320

that you your instincts may have been

447

00:27:40,950 --> 00:27:38,159

right

448

00:27:41,590 --> 00:27:40,960

you may have sent something oh no my

449

00:27:46,230 --> 00:27:41,600

love

450

00:27:52,470 --> 00:27:46,240

oh no you didn't understand

451
00:27:52,480 --> 00:27:56,230
i couldn't tell you

452
00:27:56,240 --> 00:28:01,350
what

453
00:28:14,830 --> 00:28:04,389
i still can't listen

454
00:28:19,669 --> 00:28:16,230
anything

455
00:28:22,870 --> 00:28:19,679
i'm not pretty who says

456
00:28:24,950 --> 00:28:22,880
nobody it's something i know

457
00:28:27,510 --> 00:28:24,960
something i've always known i'm not

458
00:28:29,110 --> 00:28:27,520
pretty and that's nonsense

459
00:28:32,630 --> 00:28:29,120
and what's it got to do with a

460
00:28:37,350 --> 00:28:32,640
psychiatric evaluation of me

461
00:28:41,590 --> 00:28:37,360
oh you don't understand

462
00:28:44,710 --> 00:28:41,600
i was afraid i was afraid you

463
00:28:49,990 --> 00:28:44,720

thought you thought you loved me you

464

00:28:50,000 --> 00:29:01,190

because i was white

465

00:29:08,389 --> 00:29:05,350

eddie that's like

466

00:29:10,870 --> 00:29:08,399

that's like me being afraid

467

00:29:13,269 --> 00:29:10,880

you love me you only love my beautiful

468

00:29:16,630 --> 00:29:13,279

black body

469

00:29:20,070 --> 00:29:18,800

there's that too

470

00:29:23,430 --> 00:29:20,080

[Music]

471

00:29:26,549 --> 00:29:23,440

you're right you're not pretty

472

00:29:27,669 --> 00:29:26,559

you're beautiful and i see the whole

473

00:29:31,029 --> 00:29:27,679

world

474

00:29:33,669 --> 00:29:31,039

bed i see

475

00:29:40,470 --> 00:29:33,679

every bit of beauty in the whole world

476
00:30:00,710 --> 00:29:40,480
in your face

477
00:30:05,269 --> 00:30:03,190
this is the way it should be this is the

478
00:30:07,190 --> 00:30:05,279
way it was

479
00:30:11,110 --> 00:30:07,200
well finally i convinced it that we had

480
00:30:17,990 --> 00:30:14,389
she cried that that's really what did it

481
00:30:19,830 --> 00:30:18,000
well we never did it we did call

482
00:30:21,990 --> 00:30:19,840
i wasn't too impressed with how the air

483
00:30:25,029 --> 00:30:22,000
force handled it

484
00:30:26,870 --> 00:30:25,039
but when wayne webb from the hayden

485
00:30:28,870 --> 00:30:26,880
planetarium contacted us then i knew

486
00:30:31,029 --> 00:30:28,880
that

487
00:30:44,310 --> 00:30:31,039
betty was right and we had to tell

488
00:30:51,029 --> 00:30:47,750

no need for you to be concerned

489

00:30:51,750 --> 00:30:51,039

no need for you to be worried you are

490

00:31:00,230 --> 00:30:51,760

deeper

491

00:31:03,590 --> 00:31:00,240

asleep you will remember everything

492

00:31:05,389 --> 00:31:03,600

and you will tell me everything is now

493

00:31:08,149 --> 00:31:05,399

september 19

494

00:31:10,870 --> 00:31:08,159

1961

495

00:31:13,509 --> 00:31:10,880

you will remember everything and it

496

00:31:24,230 --> 00:31:13,519

won't trouble you

497

00:31:29,029 --> 00:31:26,149

i want you to go back to the time of

498

00:31:30,710 --> 00:31:29,039

your vacation in montreal

499

00:31:32,470 --> 00:31:30,720

beginning with the time you left your

500

00:31:36,389 --> 00:31:32,480

hotel in montreal

501
00:31:40,630 --> 00:31:36,399
yes i want you to tell me in full detail

502
00:31:43,990 --> 00:31:40,640
all your experiences all your thoughts

503
00:31:49,110 --> 00:31:44,000
all your feelings beginning from the

504
00:31:49,120 --> 00:31:53,669
now were you in montreal

505
00:32:02,870 --> 00:31:58,830
it was approximately 112 miles from

506
00:32:07,269 --> 00:32:02,880
montreal we were driving from

507
00:32:10,230 --> 00:32:07,279
walls through canada we'll just go on

508
00:32:13,110 --> 00:32:10,240
tell me about your arrival there the

509
00:32:16,710 --> 00:32:13,120
thoughts that were going through my mind

510
00:32:25,269 --> 00:32:21,830
they accept me at the motel because

511
00:32:28,549 --> 00:32:25,279
what they say they were filled up

512
00:32:32,710 --> 00:32:28,559
and i was wondering if they

513
00:32:37,350 --> 00:32:32,720

were doing this because i was prejudiced

514

00:32:43,990 --> 00:32:40,950
because they were prejudiced

515

00:32:46,149 --> 00:32:44,000
you run into this a lot i take it

516

00:32:47,110 --> 00:32:46,159
i have not actually run into being

517

00:32:50,950 --> 00:32:47,120
denied

518

00:32:53,830 --> 00:32:50,960
accommodation yet you mean you

519

00:32:55,269 --> 00:32:53,840
worry about it but i know that this does

520

00:32:58,389 --> 00:32:55,279
happen

521

00:33:00,310 --> 00:32:58,399
and i am concerned

522

00:33:02,789 --> 00:33:00,320
did you tell your wife about your

523

00:33:06,070 --> 00:33:02,799
concern

524

00:33:10,789 --> 00:33:06,080
does she share it

525

00:33:13,029 --> 00:33:10,799
i express it but

526
00:33:14,470 --> 00:33:13,039
she does not share my concern in this

527
00:33:18,470 --> 00:33:14,480
matter

528
00:33:35,830 --> 00:33:21,830
we are riding around

529
00:33:43,269 --> 00:33:39,110
i have a gun

530
00:33:46,710 --> 00:33:43,279
in the trunk of the car a

531
00:33:52,070 --> 00:33:49,909
pistol and it is hidden

532
00:33:53,810 --> 00:33:52,080
in the well of the trunk of the car with

533
00:33:55,190 --> 00:33:53,820
the top mat over it

534
00:33:59,110 --> 00:33:55,200
[Applause]

535
00:34:02,230 --> 00:33:59,120
and i'm thinking why did i do this

536
00:34:05,350 --> 00:34:02,240
why did i bring this gun along and i

537
00:34:08,470 --> 00:34:05,360
know it is all my fears

538
00:34:09,669 --> 00:34:08,480

that i believe the hostility of white

539

00:34:12,149 --> 00:34:09,679

people

540

00:34:14,069 --> 00:34:12,159

particularly when there is an

541

00:34:19,510 --> 00:34:14,079

interracial couple

542

00:34:23,510 --> 00:34:19,520

yes well go on your memory is sharp

543

00:34:26,149 --> 00:34:23,520

where are you now now

544

00:34:28,710 --> 00:34:26,159

we're in the country part of new

545

00:34:33,030 --> 00:34:28,720

hampshire on route 3

546

00:34:34,629 --> 00:34:33,040

and i'm thinking i've got to get a hold

547

00:34:38,069 --> 00:34:34,639

of myself and

548

00:34:42,069 --> 00:34:38,079

not expect hostility when there

549

00:34:46,829 --> 00:34:42,079

it was no hostility there

550

00:34:51,510 --> 00:34:46,839

and i look up through the

551
00:34:56,389 --> 00:34:55,030
look up through the windshield of the

552
00:35:00,829 --> 00:34:56,399
car

553
00:35:09,190 --> 00:35:05,349
oh that's funny

554
00:35:16,710 --> 00:35:09,200
but i said betty that is not a star it's

555
00:35:22,790 --> 00:35:16,720
a satellite

556
00:35:28,550 --> 00:35:25,910
hurry up betty so i can see

557
00:35:31,430 --> 00:35:28,560
not a satellite it's a plane what kind

558
00:35:34,550 --> 00:35:31,440
of a plane is that

559
00:35:39,190 --> 00:35:34,560
what kind of plane was it it is

560
00:35:41,750 --> 00:35:39,200
right over my right and it does not go

561
00:35:43,349 --> 00:35:41,760
where i thought it would go honey i'm

562
00:35:45,510 --> 00:35:43,359
asking you a question what kind of a

563
00:35:49,270 --> 00:35:45,520

plane is that

564

00:35:53,349 --> 00:35:49,280

oh that's funny

565

00:35:53,359 --> 00:35:56,870

it was funny

566

00:36:00,710 --> 00:35:58,870

they're coming around tortoise they're

567

00:36:06,470 --> 00:36:00,720

changing course just a

568

00:36:10,150 --> 00:36:06,480

piper cub bonnie it's not a piper cub

569

00:36:13,349 --> 00:36:10,160

you still have a small plate

570

00:36:18,950 --> 00:36:13,359

funny that's not a plane that's still

571

00:36:18,960 --> 00:36:25,270

where are you going i just want to see

572

00:36:31,109 --> 00:36:28,630

still it it's coming closer

573

00:36:32,230 --> 00:36:31,119

it is not it is not coming closer just

574

00:36:38,829 --> 00:36:32,240

way up there

575

00:36:44,390 --> 00:36:41,349

believe

576

00:36:44,400 --> 00:36:50,870

we'll stop here for now

577

00:36:57,190 --> 00:36:55,190

just relax

578

00:37:00,069 --> 00:36:57,200

until you hear me speak again you won't

579

00:37:14,390 --> 00:37:00,079

hear any sound here

580

00:37:14,400 --> 00:37:20,829

all right you may proceed now

581

00:37:25,750 --> 00:37:22,069

and

582

00:37:29,190 --> 00:37:25,760

i i'm wondering

583

00:37:32,390 --> 00:37:29,200

why doesn't it go away do you

584

00:37:37,589 --> 00:37:32,400

still think it was a small plane

585

00:37:40,630 --> 00:37:37,599

and i'm wondering why

586

00:37:47,990 --> 00:37:44,150

well they shouldn't do that

587

00:37:51,510 --> 00:37:48,000

they shouldn't do that and

588

00:37:55,030 --> 00:37:51,520

i can't hear any noise

589

00:37:58,710 --> 00:37:55,040

and i think this is ridiculous

590

00:38:02,150 --> 00:37:58,720

i can't hear any sound

591

00:38:04,710 --> 00:38:02,160

and i want to get back in the car and

592

00:38:06,550 --> 00:38:04,720

get out of there i gotta get out of

593

00:38:09,990 --> 00:38:06,560

there

594

00:38:13,030 --> 00:38:10,000

and it is still

595

00:38:16,710 --> 00:38:13,040

coming around towards us

596

00:38:20,310 --> 00:38:16,720

and i look up and down the road

597

00:38:25,750 --> 00:38:20,320

and i think how dark it is

598

00:38:29,750 --> 00:38:25,760

and i think what if a bear

599

00:38:33,510 --> 00:38:29,760

were to come out and betty is looking

600

00:38:37,510 --> 00:38:33,520

i think she said and

601
00:38:39,990 --> 00:38:37,520
i'm mad with her i think betty

602
00:38:42,230 --> 00:38:40,000
is trying to make me believe this is a

603
00:38:45,670 --> 00:38:42,240
flying saucer

604
00:38:50,790 --> 00:38:45,680
and i am wondering

605
00:39:02,490 --> 00:38:54,470
i won't wake up you won't wake up

606
00:39:10,630 --> 00:39:05,109
[Music]

607
00:39:16,790 --> 00:39:13,990
what is it

608
00:39:17,109 --> 00:39:16,800
i gotta get out of here this won't trump

609
00:39:20,230 --> 00:39:17,119
you

610
00:39:24,310 --> 00:39:20,240
go on remembering everything now

611
00:39:27,670 --> 00:39:24,320
and i tried to maintain control

612
00:39:31,109 --> 00:39:27,680
so betty cannot tell that i am scared oh

613
00:39:32,069 --> 00:39:31,119

i'm so scared go on this won't hurt you

614

00:39:36,470 --> 00:39:32,079

experience it

615

00:39:45,660 --> 00:39:39,670

i gotta get my gun i gotta get my gun

616

00:39:57,670 --> 00:39:50,310

[Applause]

617

00:40:00,790 --> 00:39:57,680

nothing can harm you here

618

00:40:04,790 --> 00:40:00,800

you're in a deep sleep you can remember

619

00:40:16,870 --> 00:40:08,550

now now calm yourself

620

00:40:16,880 --> 00:40:20,470

now come on back

621

00:40:20,480 --> 00:40:51,720

and sit down

622

00:41:09,589 --> 00:40:57,880

[Applause]

623

00:41:09,599 --> 00:41:16,150

all right you can wake up now

624

00:41:23,270 --> 00:41:19,430

you can remember everything just go on

625

00:41:25,510 --> 00:41:23,280

remembering there's no need for you to

626
00:41:29,109 --> 00:41:25,520
cry out you

627
00:41:32,790 --> 00:41:31,349
you still feel you have to get your gun

628
00:41:40,470 --> 00:41:32,800
yes

629
00:41:43,670 --> 00:41:40,480
and i open the trunk and i

630
00:41:46,710 --> 00:41:43,680
take it out and i put it in my coat

631
00:41:49,990 --> 00:41:46,720
and i look and i look and i say

632
00:41:50,950 --> 00:41:50,000
i'm not afraid i'm not afraid i'll shoot

633
00:41:54,309 --> 00:41:50,960
it down

634
00:41:57,670 --> 00:41:54,319
and and i run out across the road

635
00:41:57,680 --> 00:42:07,510
there it is

636
00:42:07,520 --> 00:42:11,270
and man

637
00:42:19,750 --> 00:42:14,790
amen is

638
00:42:24,309 --> 00:42:19,760

he a captain what is he

639

00:42:28,630 --> 00:42:24,319

and he's looking at me

640

00:42:31,670 --> 00:42:28,640

and i say no i have to shake my head

641

00:42:34,950 --> 00:42:31,680

this isn't true this can't be true

642

00:42:38,069 --> 00:42:34,960

and it's still there

643

00:42:39,109 --> 00:42:38,079

and i look up and down the road and i

644

00:42:42,470 --> 00:42:39,119

think

645

00:42:47,589 --> 00:42:42,480

can somebody come along and eat it

646

00:42:54,150 --> 00:42:51,680

it's there are you sure it's there

647

00:42:57,190 --> 00:42:54,160

[Applause]

648

00:43:04,870 --> 00:43:00,390

and dream touch my

649

00:43:07,610 --> 00:43:04,880

right arm it's not my right it's my

650

00:43:09,270 --> 00:43:07,620

left arm and it's there

651
00:43:13,829 --> 00:43:09,280

[Music]

652
00:43:15,360 --> 00:43:13,839

if i let my binoculars fall and dangle

653
00:43:15,420 --> 00:43:15,370

maybe it won't be there

654
00:43:23,109 --> 00:43:15,430

[Applause]

655
00:43:26,790 --> 00:43:23,119

[Music]

656
00:43:30,309 --> 00:43:26,800

but it's there

657
00:43:33,910 --> 00:43:30,319

why what do they want

658
00:43:42,390 --> 00:43:39,190

and this one person

659
00:43:45,910 --> 00:43:42,400

look friendly to me

660
00:43:49,190 --> 00:43:48,470

and he's looking over his right shoulder

661
00:43:53,430 --> 00:43:49,200

at me and

662
00:43:56,790 --> 00:43:53,440

he's smiling and he's friendly

663
00:44:00,550 --> 00:43:56,800

but the other one

664

00:44:03,829 --> 00:44:00,560

with the evil face

665

00:44:07,920 --> 00:44:03,839

he looks like a nazi

666

00:44:11,589 --> 00:44:07,930

he's a nazi did he have on a uniform

667

00:44:15,109 --> 00:44:13,670

and they have faces like like other

668

00:44:20,080 --> 00:44:15,119

people

669

00:44:24,950 --> 00:44:21,510

[Music]

670

00:44:34,150 --> 00:44:29,829

oh i feel like a rabbit

671

00:44:37,670 --> 00:44:34,160

what do you mean by that when i was

672

00:44:41,270 --> 00:44:37,680

hunting for rabbits in virginia

673

00:44:43,109 --> 00:44:41,280

this cute little bunny went into a bush

674

00:44:45,349 --> 00:44:43,119

that wasn't very thick

675

00:44:47,910 --> 00:44:45,359

and my cousin marge was on one side of

676
00:44:51,270 --> 00:44:47,920
the bushing

677
00:44:53,990 --> 00:44:51,280
i was on the other with a hat

678
00:44:55,510 --> 00:44:54,000
and this poor little bunny thought he

679
00:44:58,710 --> 00:44:55,520
was safe

680
00:45:01,270 --> 00:44:58,720
and it tickled me because he was just

681
00:45:04,550 --> 00:45:01,280
hiding behind this little stalk

682
00:45:08,309 --> 00:45:04,560
that meant security for him

683
00:45:10,950 --> 00:45:08,319
and i pounced on him and threw my hat

684
00:45:12,069 --> 00:45:10,960
on him and captured the poor little

685
00:45:20,230 --> 00:45:12,079
bunny

686
00:45:27,990 --> 00:45:23,030
isn't that funny i thought of that

687
00:45:28,000 --> 00:45:31,190
i'm that bunny

688
00:45:37,990 --> 00:45:34,470

i'm gonna be pounced on

689

00:45:39,589 --> 00:45:38,000

i'm that but this creature is trying to

690

00:45:42,950 --> 00:45:39,599

tell me something

691

00:45:45,670 --> 00:45:42,960

i can see it in his face are its lips

692

00:45:52,390 --> 00:45:49,829

no his lips aren't moving

693

00:45:53,510 --> 00:45:52,400

but he's he's looking at me and he's

694

00:45:57,349 --> 00:45:53,520

saying to me

695

00:45:59,270 --> 00:45:57,359

don't be afraid did you hear him tell

696

00:46:02,710 --> 00:45:59,280

you this

697

00:46:07,430 --> 00:46:02,720

no you

698

00:46:11,589 --> 00:46:07,440

felt he said it uh

699

00:46:15,030 --> 00:46:11,599

i know and he said

700

00:46:17,190 --> 00:46:15,040

just stay there he said and he's telling

701
00:46:18,550 --> 00:46:17,200
me not to pull the binoculars away from

702
00:46:21,670 --> 00:46:18,560
my eyes

703
00:46:25,109 --> 00:46:21,680
and and i

704
00:46:40,710 --> 00:46:25,119
i oh god

705
00:46:49,030 --> 00:46:44,950
please wake up just a little longer

706
00:46:54,309 --> 00:46:52,950
i don't understand their eyes don't have

707
00:46:58,069 --> 00:46:54,319
no body

708
00:47:05,990 --> 00:47:02,790
oh oh that's what it's got to be

709
00:47:09,030 --> 00:47:06,000
a wild cat

710
00:47:13,109 --> 00:47:09,040
of a tree oh

711
00:47:20,309 --> 00:47:17,510
oh i know

712
00:47:22,470 --> 00:47:20,319
it's the cheshire cat in alice in

713
00:47:24,710 --> 00:47:22,480

wonderland

714

00:47:30,230 --> 00:47:24,720

it disappeared too and only the eyes

715

00:47:38,390 --> 00:47:34,069

you don't seem to be frightened no

716

00:47:41,829 --> 00:47:38,400

they're not gonna do anything bad

717

00:47:46,630 --> 00:47:41,839

just floating about

718

00:47:52,870 --> 00:47:46,640

on that bunny i've been captured

719

00:47:56,470 --> 00:47:52,880

but just floating about

720

00:48:01,510 --> 00:47:56,480

it's so ridiculous isn't it

721

00:48:05,750 --> 00:48:04,470

i wonder where they come from they're

722

00:48:10,470 --> 00:48:05,760

not going to

723

00:48:10,480 --> 00:48:14,069

i wish i could go with him

724

00:48:22,549 --> 00:48:18,390

oh what an experience

725

00:48:28,870 --> 00:48:25,829

maybe this will prove the existence of

726

00:48:36,630 --> 00:48:32,549

isn't that fun to look

727

00:49:00,829 --> 00:48:36,640

for the existence of god

728

00:49:00,839 --> 00:49:11,910

hmm

729

00:49:15,510 --> 00:49:13,750

i don't know if he was laughing or

730

00:49:19,190 --> 00:49:15,520

crying but

731

00:49:21,670 --> 00:49:19,200

he said to me they were going to

732

00:49:23,190 --> 00:49:21,680

capture us we're going to capture it you

733

00:49:25,109 --> 00:49:23,200

got to get out of here

734

00:49:26,710 --> 00:49:25,119

look up look out you can see them

735

00:49:32,870 --> 00:49:26,720

they're right overhead

736

00:49:51,349 --> 00:49:35,990

they're active i don't see anything

737

00:49:58,790 --> 00:49:55,349

what's that what's that noise

738

00:49:59,270 --> 00:49:58,800

i don't know at a moment this was the

739

00:50:03,109 --> 00:49:59,280

first

740

00:50:05,990 --> 00:50:03,119

series of beeps when your amnesia begins

741

00:50:07,109 --> 00:50:06,000

i don't want to there's the second

742

00:50:11,430 --> 00:50:07,119

series of beeps

743

00:50:15,910 --> 00:50:11,440

when your memory returned i don't know

744

00:50:22,630 --> 00:50:19,190

but i

745

00:50:26,549 --> 00:50:22,640

that my mind

746

00:50:33,910 --> 00:50:30,069

but i i could not

747

00:50:40,309 --> 00:50:33,920

i almost remember

748

00:50:43,910 --> 00:50:40,319

you can remember

749

00:50:45,030 --> 00:50:43,920

oh i get this point i can't get behind

750

00:50:48,549 --> 00:50:45,040

those

751
00:50:49,990 --> 00:50:48,559
beeping you can you can get beyond it

752
00:50:52,390 --> 00:50:50,000
it's all right you've never remembered

753
00:50:54,870 --> 00:50:52,400
it before this is the two hours you

754
00:50:58,309 --> 00:50:54,880
could never remember until now

755
00:51:01,510 --> 00:50:58,319
because you're there now all right

756
00:51:08,069 --> 00:51:01,520
go on remember

757
00:51:12,790 --> 00:51:08,079
no need to be upset

758
00:51:15,990 --> 00:51:12,800
i'm not supposed to not supposed to

759
00:51:20,230 --> 00:51:16,000
who told you you're not supposed to

760
00:51:33,829 --> 00:51:20,240
they did all right

761
00:51:33,839 --> 00:51:40,790
we're driving along

762
00:51:47,430 --> 00:51:44,390
i don't know where we are i

763
00:51:50,549 --> 00:51:47,440

i don't even know how we

764

00:51:53,910 --> 00:51:50,559

got here

765

00:51:57,030 --> 00:51:53,920

fanny and i we're we were

766

00:51:57,040 --> 00:52:02,829

i don't know how long i i don't know how

767

00:52:08,790 --> 00:52:05,670

long

768

00:52:13,030 --> 00:52:08,800

we haven't even been talking i'm

769

00:52:22,309 --> 00:52:16,790

feeling that something

770

00:52:29,349 --> 00:52:25,589

i'm not really too afraid

771

00:52:33,190 --> 00:52:29,359

except now i am

772

00:52:37,109 --> 00:52:33,200

that time i didn't feel afraid

773

00:52:44,630 --> 00:52:40,309

i'm afraid now ben i

774

00:52:54,350 --> 00:52:44,640

wasn't i don't i wasn't i wasn't afraid

775

00:52:59,270 --> 00:52:55,800

[Music]

776

00:53:03,270 --> 00:53:02,150

tell me about the men in the road it's

777

00:53:06,390 --> 00:53:03,280

all right

778

00:53:08,710 --> 00:53:06,400

you're safe here tell me about the men

779

00:53:13,109 --> 00:53:08,720

in the room

780

00:53:15,510 --> 00:53:13,119

betty betty don't fall asleep

781

00:53:18,630 --> 00:53:15,520

i want you to stay awake so you can

782

00:53:32,150 --> 00:53:28,790

tell me about the men in the road

783

00:53:34,950 --> 00:53:32,160

i wasn't too afraid of them

784

00:53:37,510 --> 00:53:34,960

and when i saw them they were standing

785

00:53:42,870 --> 00:53:40,549

and i thought oh well you know they are

786

00:53:46,069 --> 00:53:42,880

not so awful

787

00:53:49,670 --> 00:53:46,079

i there was

788

00:53:52,100 --> 00:53:49,680

i i don't know they were i wasn't

789

00:53:53,670 --> 00:53:52,110

too afraid when i saw them they were

790

00:53:56,630 --> 00:53:53,680

[Music]

791

00:54:00,060 --> 00:53:56,640

and they would just now i couldn't get a

792

00:54:07,910 --> 00:54:03,990

[Music]

793

00:54:11,510 --> 00:54:07,920

maybe their car's broken down

794

00:54:14,710 --> 00:54:11,520

what are they doing here

795

00:54:17,910 --> 00:54:14,720

yeah they started coming

796

00:54:28,470 --> 00:54:21,270

and i when they did that i

797

00:54:35,670 --> 00:54:32,980

[Laughter]

798

00:54:39,510 --> 00:54:35,680

[Music]

799

00:54:42,710 --> 00:54:39,520

i didn't hear that

800

00:54:45,990 --> 00:54:42,720

i thought i could just

801
00:54:47,190 --> 00:54:46,000
get my hand on the door of the gun open

802
00:54:50,170 --> 00:54:47,200
it

803
00:55:04,829 --> 00:54:50,180
can run into the woods and hide

804
00:55:06,130 --> 00:55:04,839
[Music]

805
00:55:17,190 --> 00:55:06,140
oh

806
00:55:27,810 --> 00:55:20,510
can i open it

807
00:55:34,069 --> 00:55:30,789
[Music]

808
00:55:41,100 --> 00:55:34,079
one two three

809
00:55:46,829 --> 00:55:44,990
[Laughter]

810
00:55:49,589 --> 00:55:46,839
[Music]

811
00:55:57,589 --> 00:55:49,599
more

812
00:55:57,599 --> 00:56:06,490
you'll be relieved and relaxed

813
00:56:06,500 --> 00:56:12,309

[Laughter]

814

00:56:40,470 --> 00:56:16,150

all right comfortable

815

00:56:40,480 --> 00:56:55,510

hello the beautiful people

816

00:57:02,950 --> 00:56:58,069

don't give me that talk about your

817

00:57:07,190 --> 00:57:04,789

now how could i go and marry a girl with

818

00:57:10,069 --> 00:57:07,200

no class

819

00:57:11,109 --> 00:57:10,079

no betty betty no not that no betty not

820

00:57:14,549 --> 00:57:11,119

not not that no

821

00:57:14,559 --> 00:57:19,030

serves your right no class

822

00:57:29,829 --> 00:57:26,549

you're really feeling good yes i am

823

00:57:32,870 --> 00:57:29,839

just minutes

824

00:57:34,390 --> 00:57:32,880

i really feel good i come out of those

825

00:57:37,349 --> 00:57:34,400

sessions

826

00:57:38,870 --> 00:57:37,359

it's like a weight lifted and i don't

827

00:57:39,510 --> 00:57:38,880

know what the way it is but something's

828

00:57:42,309 --> 00:57:39,520

working

829

00:57:44,950 --> 00:57:42,319

because there are these minutes before

830

00:57:49,349 --> 00:57:44,960

it all comes creeping back again

831

00:57:53,430 --> 00:57:51,030

and then i can't wait for the end of the

832

00:57:56,870 --> 00:57:53,440

week to get back in there

833

00:57:59,910 --> 00:57:56,880

like today at lunch

834

00:58:03,190 --> 00:57:59,920

i felt so cool i had an onion

835

00:58:05,670 --> 00:58:03,200

with my hamburger danny you

836

00:58:06,390 --> 00:58:05,680

know we said we wouldn't eat onions

837

00:58:09,589 --> 00:58:06,400

unless we

838

00:58:10,390 --> 00:58:09,599

both had oh i'm sorry i forgot i'll get

839

00:58:20,829 --> 00:58:10,400

you one

840

00:58:20,839 --> 00:58:25,349

onion

841

00:58:25,359 --> 00:58:29,030

it's really strange isn't it

842

00:58:29,040 --> 00:58:32,069

it really is

843

00:58:38,789 --> 00:58:36,230

so amazed so curious

844

00:58:41,670 --> 00:58:38,799

just dying to find out what's going on

845

00:58:45,270 --> 00:58:44,069

it's amazing i didn't think i could be

846

00:58:48,549 --> 00:58:45,280

hypnotized

847

00:58:53,349 --> 00:58:48,559

he's so unlike me just

848

00:59:00,630 --> 00:58:57,349

but i walk in there and bang

849

00:59:03,990 --> 00:59:00,640

i guess i trust him hmm

850

00:59:07,190 --> 00:59:04,000

funny ill trusting somebody except

851
00:59:09,030 --> 00:59:07,200
me and him it's funny i just trusted him

852
00:59:10,549 --> 00:59:09,040
right away

853
00:59:12,230 --> 00:59:10,559
oh yeah but you're used to trusting

854
00:59:15,589 --> 00:59:12,240
people

855
00:59:18,309 --> 00:59:15,599
you know me i'm not paranoid just the

856
00:59:22,150 --> 00:59:18,319
whole world is out to get me

857
00:59:22,630 --> 00:59:22,160
especially boys with ducktale haircuts

858
00:59:28,630 --> 00:59:22,640
and

859
00:59:28,640 --> 00:59:34,150
are you kidding yeah sort of

860
00:59:34,160 --> 00:59:38,789
no not really

861
00:59:42,549 --> 00:59:40,630
my earliest memory except that i don't

862
00:59:43,670 --> 00:59:42,559
think it was really a memory just that

863
00:59:47,670 --> 00:59:43,680

my mother

864

00:59:51,670 --> 00:59:47,680

told the story so much that i feel

865

00:59:55,430 --> 00:59:51,680

i remembered it i was just a baby

866

00:59:58,870 --> 00:59:55,440

six months nine months and moved into an

867

01:00:00,950 --> 00:59:58,880

all-white neighborhood in philadelphia

868

01:00:03,430 --> 01:00:00,960

and my mother put me out on the porch in

869

01:00:05,589 --> 01:00:03,440

a carriage

870

01:00:06,950 --> 01:00:05,599

she came out just in time to see an old

871

01:00:09,670 --> 01:00:06,960

lady

872

01:00:10,230 --> 01:00:09,680

sneaking across the porch with a pot of

873

01:00:14,870 --> 01:00:10,240

boiling

874

01:00:19,349 --> 01:00:14,880

water and she was gonna dump it on me oh

875

01:00:23,349 --> 01:00:19,359

you're not crazy well i don't know

876

01:00:23,359 --> 01:00:27,589

i grew up on stuff like that

877

01:00:32,789 --> 01:00:30,710

all those summers in virginia remember

878

01:00:34,950 --> 01:00:32,799

my uncle

879

01:00:36,870 --> 01:00:34,960

all the men on the farm sitting up on

880

01:00:42,069 --> 01:00:36,880

the porch all night little loaded

881

01:00:43,349 --> 01:00:42,079

guns all night because they were coming

882

01:00:45,510 --> 01:00:43,359

they said they were coming but they

883

01:00:48,950 --> 01:00:45,520

didn't come

884

01:00:55,750 --> 01:00:52,789

no i don't know

885

01:00:56,390 --> 01:00:55,760

because no way i could ever know is that

886

01:01:40,789 --> 01:00:56,400

no

887

01:01:40,799 --> 01:01:43,990

you promise me something

888

01:01:51,430 --> 01:01:46,309

if i get a stroke something like that

889

01:01:51,440 --> 01:01:55,829

would you put a pillow over my face

890

01:01:55,839 --> 01:01:59,270

that's not fair bunny

891

01:02:02,789 --> 01:02:01,670

bunny that's not fair to ask me a thing

892

01:02:05,270 --> 01:02:02,799

like that now

893

01:02:05,990 --> 01:02:05,280

ask me to promise all right don't

894

01:02:09,750 --> 01:02:06,000

promise now

895

01:02:13,190 --> 01:02:09,760

but if just decide then

896

01:02:16,789 --> 01:02:13,200

knowing okay i'll decide then

897

01:02:17,510 --> 01:02:16,799

when you're 102. it runs in the family

898

01:02:23,109 --> 01:02:17,520

you know

899

01:02:27,109 --> 01:02:25,589

i would have told you about that and

900

01:02:29,990 --> 01:02:27,119

asked you about that before but i didn't

901
01:02:40,470 --> 01:02:34,390
would you be all right no

902
01:02:45,990 --> 01:02:44,870
baby don't try didn't mean to try yes

903
01:02:52,549 --> 01:02:46,000
you did

904
01:02:56,230 --> 01:02:52,559
everything was just fine

905
01:03:05,029 --> 01:02:56,240
we were laughing we were fine

906
01:03:05,039 --> 01:03:09,270
i'm sorry

907
01:03:21,829 --> 01:03:15,990
i know i know so am i

908
01:03:29,270 --> 01:03:25,349
we keep right on doing it

909
01:03:39,109 --> 01:03:32,549
why

910
01:03:39,119 --> 01:03:42,549
go on betty

911
01:03:50,789 --> 01:03:46,710
it's all right you can go on now

912
01:03:54,710 --> 01:03:50,799
i i don't know what happened

913
01:03:59,349 --> 01:03:57,510

what did these men look like did you see

914

01:04:03,349 --> 01:03:59,359

their faces

915

01:04:05,750 --> 01:04:03,359

no how were they dressed

916

01:04:06,630 --> 01:04:05,760

did they have on a uniform or ordinary

917

01:04:09,670 --> 01:04:06,640

clothes

918

01:04:13,670 --> 01:04:09,680

i couldn't say i don't know

919

01:04:18,950 --> 01:04:13,680

i can't remember i'm not supposed to

920

01:04:25,670 --> 01:04:22,630

all right your memory is sharp

921

01:04:28,789 --> 01:04:25,680

now you needn't worry

922

01:04:32,789 --> 01:04:28,799

you can remember everything

923

01:04:32,799 --> 01:04:36,390

what are you thinking now

924

01:04:43,910 --> 01:04:39,829

i'm thinking i'm asleep

925

01:04:45,029 --> 01:04:43,920

in the car i'm asleep and i've got to

926
01:04:48,470 --> 01:04:45,039
wake up i

927
01:04:55,190 --> 01:04:48,480
i don't want to be asleep i keep

928
01:04:59,109 --> 01:04:55,200
keep trying to wake up

929
01:05:01,589 --> 01:04:59,119
and then i i open my eyes

930
01:05:04,069 --> 01:05:01,599
i'm walking through the woods i open my

931
01:05:07,029 --> 01:05:04,079
eyes quick and i shut them again

932
01:05:08,069 --> 01:05:07,039
barney is behind you there's a couple of

933
01:05:10,470 --> 01:05:08,079
men behind me

934
01:05:14,390 --> 01:05:10,480
and then there's bonnie there's a

935
01:05:17,109 --> 01:05:14,400
there's a man on each side of him

936
01:05:18,950 --> 01:05:17,119
and my eyes are open but bonnie's still

937
01:05:26,230 --> 01:05:18,960
asleep

938
01:05:29,430 --> 01:05:26,240

and then i begin to get mad

939

01:05:29,829 --> 01:05:29,440

and i said to myself who the heck are

940

01:05:31,270 --> 01:05:29,839

these

941

01:05:33,990 --> 01:05:31,280

characters and what do they think

942

01:05:37,190 --> 01:05:34,000

they're doing

943

01:05:37,670 --> 01:05:37,200

and i turn around and i said bonnie wake

944

01:05:43,029 --> 01:05:37,680

up

945

01:05:51,990 --> 01:05:47,670

and i'm getting really annoyed at bonnie

946

01:05:58,309 --> 01:05:52,000

and i say bonnie wake up

947

01:06:02,630 --> 01:06:01,430

and then the leader there's no reason to

948

01:06:05,829 --> 01:06:02,640

be afraid

949

01:06:07,270 --> 01:06:05,839

we just want to do some tests and then

950

01:06:09,430 --> 01:06:07,280

when the tests are over

951
01:06:11,109 --> 01:06:09,440
we'll take you and bonnie back to your

952
01:06:14,710 --> 01:06:11,119
car you'll be

953
01:06:23,030 --> 01:06:14,720
on your way back home in no time

954
01:06:34,150 --> 01:06:29,349
[Music]

955
01:06:37,349 --> 01:06:34,160
the object was on the ground

956
01:06:40,150 --> 01:06:37,359
the moon sitting on the ground

957
01:06:43,589 --> 01:06:40,160
the object was on the ground i think

958
01:06:46,789 --> 01:06:43,599
that's the same one i saw in the sky

959
01:06:50,069 --> 01:06:46,799
and i thought it was the moon

960
01:06:54,630 --> 01:06:50,079
go inside and there's a there was a

961
01:06:54,640 --> 01:07:01,990
and the car was a rump spoke

962
01:07:05,910 --> 01:07:04,309
and then another man comes in i haven't

963
01:07:08,789 --> 01:07:05,920

seen him before

964

01:07:09,670 --> 01:07:08,799

i think he's the doctor and they both

965

01:07:13,029 --> 01:07:09,680

look through this

966

01:07:15,430 --> 01:07:13,039

machine here and here

967

01:07:18,870 --> 01:07:15,440

what do you think they were doing i i

968

01:07:22,870 --> 01:07:18,880

have an idea they're

969

01:07:26,150 --> 01:07:22,880

taking a picture of my skin

970

01:07:29,510 --> 01:07:26,160

they're doing all kinds of things

971

01:07:33,109 --> 01:07:29,520

and then they they took something like a

972

01:07:36,300 --> 01:07:33,119

letter opener only it wasn't and they

973

01:07:37,990 --> 01:07:36,310

scraped my army

974

01:07:41,109 --> 01:07:38,000

[Music]

975

01:07:46,309 --> 01:07:41,119

and then they put the little

976

01:07:50,150 --> 01:07:46,319

skin scraping in a piece of cellophane

977

01:07:53,510 --> 01:07:50,160

plastic something i know then they

978

01:07:56,950 --> 01:07:53,520

feel my hair back on my head and

979

01:07:59,910 --> 01:07:56,960

take a couple of strands and pull it out

980

01:08:00,710 --> 01:07:59,920

the examiner tells me to take my dress

981

01:08:03,750 --> 01:08:00,720

off

982

01:08:07,270 --> 01:08:03,760

before i even have a chance to

983

01:08:08,710 --> 01:08:07,280

stand up to do it your dress has a

984

01:08:12,069 --> 01:08:08,720

zipper down the back

985

01:08:16,390 --> 01:08:12,079

yes it zips down the back the examiner

986

01:08:19,910 --> 01:08:16,400

unzipped it and flipped my dress off

987

01:08:22,390 --> 01:08:19,920

and they're talking i

988

01:08:24,630 --> 01:08:22,400

don't know what they're saying i

989

01:08:27,910 --> 01:08:24,640

couldn't understand that part

990

01:08:31,110 --> 01:08:27,920

i want to do some tests i want to test

991

01:08:34,149 --> 01:08:31,120

your nervous system

992

01:08:34,709 --> 01:08:34,159

i don't know how our nervous systems are

993

01:08:38,309 --> 01:08:34,719

but i

994

01:08:40,709 --> 01:08:38,319

hope we never have nerve enough to to go

995

01:08:42,390 --> 01:08:40,719

kidnapping people off the highways as

996

01:08:45,990 --> 01:08:42,400

you've done

997

01:08:47,990 --> 01:08:46,000

i'm lying on the table

998

01:08:49,910 --> 01:08:48,000

i don't know what they're doing but they

999

01:08:53,510 --> 01:08:49,920

seem so

1000

01:08:57,030 --> 01:08:53,520

happy with whatever it is they're doing

1001
01:09:00,789 --> 01:08:57,040
and they touch me with a needle then

1002
01:09:03,669 --> 01:09:00,799
it's something like tv screen

1003
01:09:04,789 --> 01:09:03,679
and then they tear me on my stomach and

1004
01:09:10,550 --> 01:09:04,799
then

1005
01:09:18,229 --> 01:09:14,950
i see the dodger has a

1006
01:09:21,269 --> 01:09:18,239
long needle in his hand

1007
01:09:24,630 --> 01:09:21,279
go what's going on it's all right

1008
01:09:28,709 --> 01:09:24,640
what are you going to do with that

1009
01:09:32,229 --> 01:09:28,719
and he tells me that it won't hurt he

1010
01:09:39,170 --> 01:09:32,239
just wants to put it in my navel it's

1011
01:09:40,110 --> 01:09:39,180
just a simple task

1012
01:09:40,610 --> 01:09:40,120
[Applause]

1013
01:09:45,110 --> 01:09:40,620

[Music]

1014

01:09:45,120 --> 01:09:50,160

he rubs his hands up

1015

01:09:50,170 --> 01:10:00,870

[Applause]

1016

01:10:08,470 --> 01:10:05,270

that needless i don't know why they

1017

01:10:09,030 --> 01:10:08,480

did that because i told them they

1018

01:10:12,470 --> 01:10:09,040

shouldn't

1019

01:10:15,030 --> 01:10:12,480

do it did they make any sexual advances

1020

01:10:15,040 --> 01:10:21,189

no i asked the leader i said

1021

01:10:21,199 --> 01:10:26,550

why did you put that needle in my navel

1022

01:10:33,990 --> 01:10:30,229

and he said

1023

01:10:38,350 --> 01:10:34,000

it was a pregnancy test

1024

01:10:41,350 --> 01:10:38,360

i said i don't know what you

1025

01:10:45,270 --> 01:10:41,360

expected but

1026

01:10:47,830 --> 01:10:45,280

that was no pregnancy test

1027

01:10:50,149 --> 01:10:47,840

when you had all of these experiences

1028

01:10:53,030 --> 01:10:50,159

with your dreams

1029

01:10:53,450 --> 01:10:53,040

why would you have dreamed all these

1030

01:10:55,030 --> 01:10:53,460

things

1031

01:10:56,550 --> 01:10:55,040

[Music]

1032

01:10:59,510 --> 01:10:56,560

the dreams were the same as the

1033

01:11:02,310 --> 01:10:59,520

experiences that you felt you had

1034

01:11:13,350 --> 01:11:02,320

i figured that in my dreams i remembered

1035

01:11:16,149 --> 01:11:13,360

what actually happened

1036

01:11:17,990 --> 01:11:16,159

did these men speak to you only the one

1037

01:11:20,550 --> 01:11:18,000

i thought was the leader

1038

01:11:22,229 --> 01:11:20,560

what kind of language do you use he did

1039

01:11:26,310 --> 01:11:22,239

not speak a word

1040

01:11:29,350 --> 01:11:26,320

i was told what to do by his thought

1041

01:11:33,270 --> 01:11:29,360

his thoughts and

1042

01:11:36,790 --> 01:11:33,280

i was always aware that somehow

1043

01:11:40,229 --> 01:11:36,800

there was something peculiar which is

1044

01:11:42,149 --> 01:11:40,239

the absence of a mouth there seem to be

1045

01:11:43,350 --> 01:11:42,159

indications that a great deal of the

1046

01:11:46,550 --> 01:11:43,360

experience

1047

01:11:49,110 --> 01:11:46,560

was absorbed by barney hill from betty

1048

01:11:50,870 --> 01:11:49,120

in spite of his insistence that this was

1049

01:11:53,350 --> 01:11:50,880

his own

1050

01:11:55,110 --> 01:11:53,360

and there are definite indications that

1051

01:11:58,229 --> 01:11:55,120

her dreams

1052

01:12:01,540 --> 01:11:58,239

have been suggested as a reality

1053

01:12:05,590 --> 01:12:01,550

the implications are self-evident

1054

01:12:13,270 --> 01:12:10,149

go on it's all right and so then i said

1055

01:12:15,430 --> 01:12:13,280

i asked him where he was from

1056

01:12:17,110 --> 01:12:15,440

and he asked me if i knew anything about

1057

01:12:20,149 --> 01:12:17,120

the universe

1058

01:12:24,070 --> 01:12:20,159

and i told him no

1059

01:12:25,830 --> 01:12:24,080

i knew almost nothing but don't judge

1060

01:12:28,149 --> 01:12:25,840

this country by me

1061

01:12:29,990 --> 01:12:28,159

there are people who do know all about

1062

01:12:33,990 --> 01:12:30,000

the stars

1063

01:12:36,310 --> 01:12:34,000

and there was this one big circle

1064

01:12:38,229 --> 01:12:36,320

and it had a lot of lines coming out

1065

01:12:41,669 --> 01:12:38,239

from it

1066

01:12:44,790 --> 01:12:41,679

and then to another circle quite close

1067

01:12:46,870 --> 01:12:44,800

but not as big you think you could draw

1068

01:12:50,550 --> 01:12:46,880

the map

1069

01:12:53,750 --> 01:12:50,560

yes i think so

1070

01:12:55,510 --> 01:12:53,760

he said these are places they went to

1071

01:12:59,550 --> 01:12:55,520

occasionally

1072

01:13:04,229 --> 01:12:59,560

and the broken lines were

1073

01:13:07,510 --> 01:13:04,239

expeditions and i asked him again where

1074

01:13:12,229 --> 01:13:07,520

his home port was

1075

01:13:17,669 --> 01:13:12,239

and he said where are you on the map

1076

01:13:21,669 --> 01:13:17,679

and i looked i laughed and i said

1077

01:13:23,910 --> 01:13:21,679

i don't know and he said

1078

01:13:26,310 --> 01:13:23,920

if you don't know where you are there

1079

01:13:27,750 --> 01:13:26,320

isn't any point of my telling where i am

1080

01:13:31,110 --> 01:13:27,760

from

1081

01:13:33,590 --> 01:13:31,120

or did they actually speak english

1082

01:13:35,189 --> 01:13:33,600

have been telling myself i heard them in

1083

01:13:39,430 --> 01:13:35,199

english

1084

01:13:47,669 --> 01:13:42,950

i don't know could it have been

1085

01:13:49,830 --> 01:13:47,679

thought transference no

1086

01:13:51,189 --> 01:13:49,840

i knew what they were saying and they

1087

01:13:55,590 --> 01:13:51,199

knew what i was saying

1088

01:14:12,950 --> 01:14:01,830

they knew what they were thinking

1089

01:14:12,960 --> 01:14:16,550

i said

1090

01:14:16,560 --> 01:14:21,270

you promised i could have the book

1091

01:14:26,550 --> 01:14:24,550

and he said i know it but the others

1092

01:14:37,430 --> 01:14:26,560

object

1093

01:14:49,350 --> 01:14:39,510

they don't want you to know what

1094

01:15:01,590 --> 01:14:51,590

you can take the book but you can never

1095

01:15:08,830 --> 01:15:05,670

i'll remember if it's the last thing i

1096

01:15:19,990 --> 01:15:08,840

[Applause]

1097

01:15:23,910 --> 01:15:21,350

why do you think they were examining

1098

01:15:25,990 --> 01:15:23,920

your skin i suppose it was because your

1099

01:15:29,350 --> 01:15:26,000

skin and barney skin were of a different

1100

01:15:35,590 --> 01:15:32,790

i don't know i think

1101

01:15:36,709 --> 01:15:35,600

it's because their skin and mind were

1102

01:15:40,550 --> 01:15:36,719

different

1103

01:15:44,390 --> 01:15:40,560

and i started to get out of my car

1104

01:15:47,430 --> 01:15:44,400

and i felt myself supported by two men

1105

01:15:48,390 --> 01:15:47,440

and my eyes were closed now just a

1106

01:15:51,350 --> 01:15:48,400

minute

1107

01:15:52,149 --> 01:15:51,360

didn't betty tell you this no betty

1108

01:15:54,870 --> 01:15:52,159

never told

1109

01:15:56,070 --> 01:15:54,880

me this but didn't she have dreams of

1110

01:15:59,590 --> 01:15:56,080

this and

1111

01:16:03,590 --> 01:15:59,600

talk to you about them betty said that

1112

01:16:07,110 --> 01:16:03,600

we were inside a ufo in her dreams

1113

01:16:07,830 --> 01:16:07,120

not out there yes but didn't she tell

1114

01:16:10,630 --> 01:16:07,840

you that

1115

01:16:12,070 --> 01:16:10,640

you were taken inside yes she did well

1116

01:16:13,430 --> 01:16:12,080

then she told you everything that was

1117

01:16:17,030 --> 01:16:13,440

seen inside

1118

01:16:20,149 --> 01:16:17,040

about being stopped by these men no

1119

01:16:21,270 --> 01:16:20,159

she did not tell me about being stopped

1120

01:16:23,990 --> 01:16:21,280

by the men

1121

01:16:48,390 --> 01:16:24,000

she did not have this in her dreams i

1122

01:16:48,400 --> 01:16:52,470

general davidson please

1123

01:16:58,790 --> 01:16:55,669

hey jim ben

1124

01:17:01,110 --> 01:16:58,800

look i've uh i've got a problem as i

1125

01:17:04,470 --> 01:17:01,120

said there are four possibilities

1126

01:17:05,910 --> 01:17:04,480

one they're lying i can discount that

1127

01:17:09,110 --> 01:17:05,920

because they're honest people

1128

01:17:11,590 --> 01:17:09,120

high integrity two there's a case of

1129

01:17:13,350 --> 01:17:11,600

dual hallucination

1130

01:17:15,510 --> 01:17:13,360

it's improbable for reasons i won't go

1131

01:17:18,470 --> 01:17:15,520

into and three the

1132

01:17:19,430 --> 01:17:18,480

incident was a dream or an illusion now

1133

01:17:21,430 --> 01:17:19,440

this

1134

01:17:22,790 --> 01:17:21,440

i intend to explore further what makes

1135

01:17:23,110 --> 01:17:22,800

you think it was a dream well i didn't

1136

01:17:24,550 --> 01:17:23,120

say

1137

01:17:26,149 --> 01:17:24,560

i thought it was a dream i said i'd

1138

01:17:28,070 --> 01:17:26,159

explore it further

1139

01:17:29,510 --> 01:17:28,080

you know i remember you saying exactly

1140

01:17:31,189 --> 01:17:29,520

the same thing about a young lady in

1141

01:17:31,510 --> 01:17:31,199

freshman biology that you thought you

1142

01:17:33,430 --> 01:17:31,520

were

1143

01:17:35,350 --> 01:17:33,440

but that you want to explore all right

1144

01:17:37,030 --> 01:17:35,360

all right the reason i'm going to

1145

01:17:39,750 --> 01:17:37,040

explore it further is because

1146

01:17:42,310 --> 01:17:39,760

a background existed a sensitized

1147

01:17:44,630 --> 01:17:42,320

background existed on which a fantasy

1148

01:17:45,590 --> 01:17:44,640

could be imprinted to be experienced

1149

01:17:47,510 --> 01:17:45,600

later as a dream

1150

01:17:49,270 --> 01:17:47,520

and not hold it when you lost me yeah

1151

01:17:51,669 --> 01:17:49,280

well forget about that

1152

01:17:53,590 --> 01:17:51,679

i can't discuss the personal aspects of

1153

01:17:56,310 --> 01:17:53,600

this

1154

01:17:58,149 --> 01:17:56,320

but what i really want to know is is the

1155

01:18:00,950 --> 01:17:58,159

sighting of a ufo

1156

01:18:02,870 --> 01:18:00,960

probable more important than that has

1157

01:18:05,669 --> 01:18:02,880

there ever been an actual case of uh

1158

01:18:07,750 --> 01:18:05,679

an abduction of broader ufos is that

1159

01:18:09,510 --> 01:18:07,760

possible

1160

01:18:11,910 --> 01:18:09,520

do you want the official air force

1161

01:18:14,870 --> 01:18:11,920

position or uh well i want

1162

01:18:16,149 --> 01:18:14,880

whatever you can tell me all right the

1163

01:18:19,669 --> 01:18:16,159

official position is

1164

01:18:23,510 --> 01:18:21,030

you think you could take that a step

1165

01:18:25,270 --> 01:18:23,520

further yeah but not too much

1166

01:18:28,149 --> 01:18:25,280

because each year after investigating

1167

01:18:30,310 --> 01:18:28,159

about 1500 reports of ufo sightings

1168

01:18:31,830 --> 01:18:30,320

we've come up with a 95 unexplained

1169

01:18:34,390 --> 01:18:31,840

natural phenomena

1170

01:18:35,990 --> 01:18:34,400

name balloons and things balloons

1171

01:18:38,709 --> 01:18:36,000

weather inversions cokes

1172

01:18:40,630 --> 01:18:38,719

and 5 unexplained now that unexplained

1173

01:18:41,350 --> 01:18:40,640

is never denied we just file it under

1174

01:18:43,990 --> 01:18:41,360

the heading of

1175

01:18:44,790 --> 01:18:44,000

insufficient data but ben is a friend

1176

01:18:47,350 --> 01:18:44,800

i'll tell you

1177

01:18:49,590 --> 01:18:47,360

i wonder about that five percent there

1178

01:18:51,669 --> 01:18:49,600

are just too many reports good people

1179

01:18:54,790 --> 01:18:51,679

sound people and we can't we can't seem

1180

01:18:56,870 --> 01:18:54,800

to find any answers that make any sense

1181

01:18:59,590 --> 01:18:56,880

this was for the sightings yeah i really

1182

01:19:02,390 --> 01:18:59,600

wonder about that

1183

01:19:03,350 --> 01:19:02,400

but for an actual abduction now that i

1184

01:19:05,350 --> 01:19:03,360

never heard of

1185

01:19:07,350 --> 01:19:05,360

and off hand i'd say that it's extremely

1186

01:19:09,990 --> 01:19:07,360

unlikely no no i'm not saying that

1187

01:19:11,030 --> 01:19:10,000

what i'm saying is i think a sighting is

1188

01:19:13,030 --> 01:19:11,040

possible

1189

01:19:14,229 --> 01:19:13,040

but an abduction then i'd have to have

1190

01:19:17,430 --> 01:19:14,239

an awful lot of proof an

1191

01:19:19,910 --> 01:19:17,440

awful lot of facts so you're saying that

1192

01:19:21,669 --> 01:19:19,920

without the facts you'd consider it

1193

01:19:24,709 --> 01:19:21,679

highly improper

1194

01:19:31,910 --> 01:19:24,719

even impossible um yeah but that's what

1195

01:19:37,750 --> 01:19:35,590

barney and betty hill have hypnotized

1196

01:19:41,350 --> 01:19:37,760

each of them separately

1197

01:19:44,550 --> 01:19:41,360

general

1198

01:19:46,790 --> 01:19:44,560

the same experience i suspect that in

1199

01:19:49,750 --> 01:19:46,800

this stage of therapy

1200

01:19:52,550 --> 01:19:49,760

the sighting of an object which could

1201

01:19:57,030 --> 01:19:52,560

possibly be a ufo

1202

01:20:00,229 --> 01:19:57,040

triggered an externalized fantasy

1203

01:20:06,629 --> 01:20:00,239

a fantasized trauma which the

1204

01:20:09,830 --> 01:20:09,350

i just had a hysterical thought what if

1205

01:20:13,750 --> 01:20:09,840

dr

1206

01:20:22,070 --> 01:20:18,709

oh betty don't be ridiculous

1207

01:20:23,990 --> 01:20:22,080

neither barney hill nor betty hill

1208

01:20:25,590 --> 01:20:24,000

realize that their experience as

1209

01:20:29,350 --> 01:20:25,600

described

1210

01:20:35,110 --> 01:20:29,360

almost identical to the long report

1211

01:20:41,910 --> 01:20:38,149

if he changes his mind and decides

1212

01:20:46,390 --> 01:20:43,990

of course he's gonna let us listen he

1213

01:20:54,950 --> 01:20:46,400

said so

1214

01:21:01,270 --> 01:20:58,470

so he asked me what a vegetable

1215

01:21:02,229 --> 01:21:01,280

i just couldn't explain what vegetables

1216

01:21:05,030 --> 01:21:02,239

are and he said

1217

01:21:07,430 --> 01:21:05,040

was the one kind i liked and i said my

1218

01:21:10,790 --> 01:21:07,440

favorite was squash

1219

01:21:14,550 --> 01:21:10,800

and he said tell me about squash

1220

01:21:15,910 --> 01:21:14,560

so i said it was it was yellow usually

1221

01:21:19,350 --> 01:21:15,920

and he said

1222

01:21:21,030 --> 01:21:19,360

what's yellow and i started looking

1223

01:21:23,270 --> 01:21:21,040

around the room

1224

01:21:25,030 --> 01:21:23,280

and i couldn't find anything yellow at

1225

01:21:28,870 --> 01:21:25,040

all

1226

01:21:31,910 --> 01:21:28,880

no i i want to read something to you

1227

01:21:32,629 --> 01:21:31,920

he asked questions what did vegetables

1228

01:21:35,510 --> 01:21:32,639

look like

1229

01:21:36,310 --> 01:21:35,520

my favorite one squash what did it look

1230

01:21:38,629 --> 01:21:36,320

like

1231

01:21:40,310 --> 01:21:38,639

i tried to explain the color of it and

1232

01:21:43,590 --> 01:21:40,320

looked for some yellow coloring in the

1233

01:21:47,030 --> 01:21:43,600

room but could not find any

1234

01:21:48,709 --> 01:21:47,040

it's from my dream but i wrote down

1235

01:21:51,590 --> 01:21:48,719

now i want to explain something to you

1236

01:21:55,430 --> 01:21:51,600

that you probably know already

1237

01:21:57,910 --> 01:21:55,440

the rules operate for the conscious mind

1238

01:21:58,550 --> 01:21:57,920

don't operate for the unconscious mind

1239

01:22:01,669 --> 01:21:58,560

things are

1240

01:22:03,510 --> 01:22:01,679

and are not all at the same time now

1241

01:22:07,110 --> 01:22:03,520

under hypnosis

1242

01:22:08,229 --> 01:22:07,120

what a subject believes determines what

1243

01:22:10,390 --> 01:22:08,239

is truth to him

1244

01:22:12,229 --> 01:22:10,400

wait a minute would you say that again

1245

01:22:14,950 --> 01:22:12,239

well in other words

1246

01:22:16,390 --> 01:22:14,960

what comes out under hypnosis you

1247

01:22:20,310 --> 01:22:16,400

believe to be true

1248

01:22:24,229 --> 01:22:20,320

it is true for you but a fantasy

1249

01:22:30,310 --> 01:22:24,239

or a dream can be as true for you

1250

01:22:33,910 --> 01:22:33,110

i said i hope that somehow we would meet

1251

01:22:36,550 --> 01:22:33,920

again

1252

01:22:38,550 --> 01:22:36,560

maybe he would come back and he said

1253

01:22:40,629 --> 01:22:38,560

well he would try

1254

01:22:41,830 --> 01:22:40,639

and then they all turned and started to

1255

01:22:43,910 --> 01:22:41,840

go back

1256

01:22:45,350 --> 01:22:43,920

and i get up to the car and bonnie's

1257

01:22:48,550 --> 01:22:45,360

inside and i say

1258

01:22:50,470 --> 01:22:48,560

come on out watch him leave don't be

1259

01:22:51,590 --> 01:22:50,480

afraid delsie there's nothing to be

1260

01:22:54,470 --> 01:22:51,600

afraid of

1261

01:22:55,030 --> 01:22:54,480

and so we're watching them leave and it

1262

01:22:58,950 --> 01:22:55,040

starts

1263

01:23:01,990 --> 01:22:58,960

glowing getting brighter and brighter

1264

01:23:02,310 --> 01:23:02,000

it's a large ball a big orange ball and

1265

01:23:05,430 --> 01:23:02,320

it's

1266

01:23:06,070 --> 01:23:05,440

glowing and rolling just like a ball and

1267

01:23:09,510 --> 01:23:06,080

i'm so

1268

01:23:12,950 --> 01:23:11,669

suddenly the ship became a bright

1269

01:23:15,510 --> 01:23:12,960

glowing object

1270

01:23:17,990 --> 01:23:15,520

and it appeared to roll over like a ball

1271

01:23:21,189 --> 01:23:18,000

turning over about three or four times

1272

01:23:23,189 --> 01:23:21,199

and then sailing into the sky

1273

01:23:25,189 --> 01:23:23,199

there's one thing i don't understand

1274

01:23:27,110 --> 01:23:25,199

suppose it was a dream could we have

1275

01:23:28,709 --> 01:23:27,120

both had the same dream

1276

01:23:30,149 --> 01:23:28,719

well that's an aspect that's been

1277

01:23:33,189 --> 01:23:30,159

puzzling me and uh

1278

01:23:34,149 --> 01:23:33,199

no i don't think it could at first i

1279

01:23:36,550 --> 01:23:34,159

thought

1280

01:23:38,870 --> 01:23:36,560

because barney was more ready for a

1281

01:23:39,990 --> 01:23:38,880

trauma that he had transferred a fantasy

1282

01:23:42,229 --> 01:23:40,000

to you

1283

01:23:44,070 --> 01:23:42,239

and i thought because it seemed more

1284

01:23:46,149 --> 01:23:44,080

likely that you had transferred your

1285

01:23:50,709 --> 01:23:46,159

dreams to barney

1286

01:23:57,830 --> 01:23:53,830

well i'm not quite sure how to take that

1287

01:23:59,430 --> 01:23:57,840

but i'll tell you something

1288

01:24:01,750 --> 01:23:59,440

i don't really care if it's a dream or

1289

01:24:02,149 --> 01:24:01,760

reel because the longer these tapes play

1290

01:24:06,629 --> 01:24:02,159

and

1291

01:24:07,990 --> 01:24:06,639

get into it

1292

01:24:10,390 --> 01:24:08,000

i feel as though something is being

1293

01:24:12,229 --> 01:24:10,400

lifted off my shoulders

1294

01:24:13,590 --> 01:24:12,239

and it's better than suffering with it

1295

01:24:16,390 --> 01:24:13,600

you know

1296

01:24:17,830 --> 01:24:16,400

all those anxieties and wondering that's

1297

01:24:23,030 --> 01:24:17,840

the whole point

1298

01:24:29,110 --> 01:24:26,070

how do you feel now betty

1299

01:24:31,030 --> 01:24:29,120

i feel fine i

1300

01:24:37,750 --> 01:24:31,040

i guess it was just the fear of the

1301

01:24:44,950 --> 01:24:42,229

and i don't want to be operated on

1302

01:24:45,510 --> 01:24:44,960

you don't want to be operated on what

1303

01:24:47,910 --> 01:24:45,520

makes you

1304

01:24:51,510 --> 01:24:47,920

think of an operation oh i just

1305

01:24:55,189 --> 01:24:52,790

i don't know if i went into this detail

1306

01:25:00,470 --> 01:24:55,199

or not when i was hypnotized what detail

1307

01:25:05,910 --> 01:25:03,110

oh i don't know maybe it's just

1308

01:25:07,590 --> 01:25:05,920

psychological

1309

01:25:11,189 --> 01:25:07,600

i didn't want to hear anymore that for a

1310

01:25:11,199 --> 01:25:14,950

what detail

1311

01:25:19,750 --> 01:25:18,070

without listening i remembered what they

1312

01:25:21,350 --> 01:25:19,760

examined my drawing with it was a

1313

01:25:22,870 --> 01:25:21,360

circular instrument and they pressed

1314

01:25:26,149 --> 01:25:22,880

down with it

1315

01:25:27,990 --> 01:25:26,159

you know that small ring of wards that

1316

01:25:30,470 --> 01:25:28,000

developed in an almost geometrically

1317

01:25:33,270 --> 01:25:30,480

perfect circle around my groin

1318

01:25:34,870 --> 01:25:33,280

since the therapy began it's become a

1319

01:25:37,910 --> 01:25:34,880

little painful

1320

01:25:40,950 --> 01:25:37,920

and flamed around the whole area

1321

01:25:43,030 --> 01:25:40,960

i was wondering those awards

1322

01:25:44,950 --> 01:25:43,040

originally appeared way back in 1962

1323

01:25:48,070 --> 01:25:44,960

when i had no conscious memory of the

1324

01:25:50,470 --> 01:25:48,080

aboard the craft right now here it is

1325

01:25:55,750 --> 01:25:50,480

1964

1326

01:26:01,110 --> 01:25:55,760

and they get inflamed

1327

01:26:11,270 --> 01:26:05,750

i don't know it may still be part of a

1328

01:26:11,280 --> 01:26:19,669

but i i just don't know

1329

01:26:23,350 --> 01:26:22,390

i don't want to wake up you won't wake

1330

01:26:27,750 --> 01:26:23,360

up

1331

01:26:30,790 --> 01:26:27,760

you're in a deep sleep you can go on

1332

01:26:34,070 --> 01:26:30,800

and i look and i look and i say

1333

01:26:35,030 --> 01:26:34,080

i'm not afraid i'm not afraid i'll shoot

1334

01:26:38,390 --> 01:26:35,040

it down

1335

01:26:41,750 --> 01:26:38,400

and i run out across the road

1336

01:26:41,760 --> 01:26:55,390

there it is

1337

01:26:55,400 --> 01:27:02,830

[Laughter]

1338

01:27:09,350 --> 01:27:06,550

oh i'm not afraid

1339

01:27:10,870 --> 01:27:09,360

and i run out across the road and there

1340

01:27:14,629 --> 01:27:10,880

it is up there

1341

01:27:18,390 --> 01:27:14,639

oh my gosh oh

1342

01:27:20,390 --> 01:27:18,400

can i please wake up go on

1343

01:27:24,629 --> 01:27:20,400

this won't hurt you experience it it

1344

01:27:24,639 --> 01:27:41,350

i gotta get my gun i gotta turn it off

1345

01:27:54,370 --> 01:27:45,350

it's all right barney i'll just be calm

1346

01:27:59,830 --> 01:27:55,990

[Applause]

1347

01:28:02,229 --> 01:27:59,840

dr simon i don't want to offend you in

1348

01:28:05,030 --> 01:28:02,239

any way you understand

1349

01:28:06,229 --> 01:28:05,040

i have a great respect and admiration

1350

01:28:08,070 --> 01:28:06,239

for you

1351

01:28:10,550 --> 01:28:08,080

and i can only thank god that we came to

1352

01:28:14,070 --> 01:28:10,560

you with all this

1353

01:28:20,229 --> 01:28:14,080

but your theory about uh

1354

01:28:20,239 --> 01:28:26,470

it's real it did happen

1355

01:28:26,480 --> 01:28:34,870

i know that now

1356

01:28:34,880 --> 01:28:54,830

i know it

1357

01:28:54,840 --> 01:29:01,189

uh

1358

01:29:07,830 --> 01:29:04,550

dr simon i haven't said before either

1359

01:29:08,229 --> 01:29:07,840

how grateful i am i just want to say too

1360

01:29:11,590 --> 01:29:08,239

thank

1361

01:29:15,189 --> 01:29:11,600

we came to you with all this yeah

1362

01:29:21,669 --> 01:29:15,199

thank you buddy barney

1363

01:29:27,990 --> 01:29:24,790

i had the feeling listening that uh

1364

01:29:31,350 --> 01:29:28,000

and gave you a few bad moments there oh

1365

01:29:33,590 --> 01:29:31,360

i tell you this little heart went

1366

01:29:35,270 --> 01:29:33,600

pitter-pat a couple of times

1367

01:29:38,310 --> 01:29:35,280

you're a big man barney and going for

1368

01:29:39,669 --> 01:29:38,320

your weapon

1369

01:29:42,149 --> 01:29:39,679

i had that gun in the coat the whole

1370

01:29:45,830 --> 01:29:42,159

time can you believe that

1371

01:29:49,270 --> 01:29:45,840

walking along nice shut

1372

01:29:51,270 --> 01:29:49,280

scared little bunny rabbit a gun in my

1373

01:29:52,950 --> 01:29:51,280

coat and you

1374

01:29:54,390 --> 01:29:52,960

you didn't have a gun and you're half my

1375

01:29:58,229 --> 01:29:54,400

size and

1376

01:29:58,239 --> 01:30:03,669

mighty mouse

1377

01:30:03,679 --> 01:30:08,470

what in the world was i so afraid of

1378

01:30:08,480 --> 01:30:11,830

you had a good time

1379

01:30:23,750 --> 01:30:14,149

well what do you think you must have

1380

01:30:32,830 --> 01:30:28,149

the bunny capture

1381

01:30:40,470 --> 01:30:36,390

yeah any kind

1382

01:30:44,149 --> 01:30:40,480

the dark the dark

1383

01:30:46,070 --> 01:30:44,159

well that's all i did you know

1384

01:30:47,590 --> 01:30:46,080

a child is frightened of his dark

1385

01:30:50,709 --> 01:30:47,600

bedroom he'll lead them

1386

01:30:52,310 --> 01:30:50,719

slowly gently into that dark frightening

1387

01:30:55,750 --> 01:30:52,320

room

1388

01:30:59,189 --> 01:30:55,760

let them touch all the corners all the

1389

01:31:01,669 --> 01:30:59,199

objects that seem like monsters

1390

01:31:03,750 --> 01:31:01,679

until he knows that those corners are

1391

01:31:09,990 --> 01:31:03,760

just corners

1392

01:31:17,350 --> 01:31:13,110

dog bedroom spaceship

1393

01:31:20,310 --> 01:31:17,360

or the mind

1394

01:31:21,990 --> 01:31:20,320

hey listen the next time we go in the

1395

01:31:24,229 --> 01:31:22,000

dark together would you please for

1396

01:31:25,430 --> 01:31:24,239

pete's sake telling me to keep my eyes

1397

01:31:30,629 --> 01:31:25,440

open

1398

01:31:36,229 --> 01:31:30,639

i did you didn't listen

1399

01:31:40,550 --> 01:31:38,550

with active treatment discontinued

1400

01:31:43,350 --> 01:31:40,560

barney and betty hill

1401
01:31:45,270 --> 01:31:43,360
settle down to their routine life betty

1402
01:31:47,110 --> 01:31:45,280
hill's schedule as a social worker for

1403
01:31:50,390 --> 01:31:47,120
the state of new hampshire

1404
01:31:52,950 --> 01:31:50,400
was both demanding and rewarding

1405
01:31:55,270 --> 01:31:52,960
barney hill continued in normal fashion

1406
01:31:56,790 --> 01:31:55,280
at the post office department

1407
01:31:59,189 --> 01:31:56,800
and increased his community and

1408
01:32:00,709 --> 01:31:59,199
political activities

1409
01:32:01,990 --> 01:32:00,719
he served on the board of directors of

1410
01:32:02,950 --> 01:32:02,000
the united states civil rights

1411
01:32:07,430 --> 01:32:02,960
commission

1412
01:32:09,910 --> 01:32:07,440
the naacp and the anti-poverty program

1413
01:32:11,750 --> 01:32:09,920

as their doctor i felt that their

1414

01:32:13,270 --> 01:32:11,760

treatment had been successful the

1415

01:32:15,350 --> 01:32:13,280

primary purpose

1416

01:32:17,189 --> 01:32:15,360

to penetrate the amnesia in order to

1417

01:32:19,110 --> 01:32:17,199

relieve their anxieties

1418

01:32:20,229 --> 01:32:19,120

have been accomplished the question

1419

01:32:22,790 --> 01:32:20,239

concerning the real

1420

01:32:24,790 --> 01:32:22,800

or fantasized aspects of the trauma

1421

01:32:29,830 --> 01:32:24,800

remains a question

1422

01:32:33,189 --> 01:32:31,960

and i'm so proud of you

1423

01:32:37,430 --> 01:32:33,199

[Applause]

1424

01:32:40,190 --> 01:32:38,870

you remember when we were in the middle

1425

01:32:41,990 --> 01:32:40,200

of all that mess

1426

01:32:46,149 --> 01:32:42,000

[Music]

1427

01:32:48,870 --> 01:32:46,159

we were fighting all the time about just

1428

01:32:55,669 --> 01:32:53,030

well i told you no well first

1429

01:32:56,629 --> 01:32:55,679

you said that well you know you were

1430

01:33:00,390 --> 01:32:56,639

talking about

1431

01:33:09,910 --> 01:33:03,590

you asked me if i would be all right

1432

01:33:09,920 --> 01:33:12,950

well bonnie

1433

01:33:12,960 --> 01:33:16,709

that's not true what i said

1434

01:33:16,719 --> 01:33:20,310

i would be all right

1435

01:33:24,390 --> 01:33:23,430

you know why because they've given you

1436

01:33:31,780 --> 01:33:24,400

so much

1437

01:33:35,510 --> 01:33:31,790

that's the rest of my life

1438

01:33:40,709 --> 01:33:35,520

[Music]

1439

01:33:45,669 --> 01:33:40,719

so i could be alone if i had to

1440

01:33:50,229 --> 01:33:48,629

and you you made it for every bit of

1441

01:33:52,100 --> 01:33:50,239

unhappiness that i've

1442

01:34:00,550 --> 01:33:52,110

experienced in my whole life

1443

01:34:04,950 --> 01:34:03,590

in 1963 under hypnotic suggestion betty

1444

01:34:06,390 --> 01:34:04,960

hill drew from memory

1445

01:34:09,350 --> 01:34:06,400

the map shown to her aboard the

1446

01:34:11,030 --> 01:34:09,360

spacecraft astronomers became fascinated

1447

01:34:12,790 --> 01:34:11,040

for what if the map corresponded to a

1448

01:34:15,110 --> 01:34:12,800

pattern of real stars from an

1449

01:34:17,189 --> 01:34:15,120

alien viewpoint astronomers reasoned

1450

01:34:19,110 --> 01:34:17,199

that the majority of star systems likely

1451
01:34:20,870 --> 01:34:19,120
to have life-supporting planets

1452
01:34:22,709 --> 01:34:20,880
were located in the obscure southern

1453
01:34:24,470 --> 01:34:22,719
constellation of reticulum

1454
01:34:26,629 --> 01:34:24,480
yet three stars in the cluster were

1455
01:34:28,709 --> 01:34:26,639
unknown until 1969

1456
01:34:30,390 --> 01:34:28,719
no astronomers knew their position in

1457
01:34:32,629 --> 01:34:30,400
1963

1458
01:34:35,270 --> 01:34:32,639
but that same year betty hill drew a map

1459
01:34:37,510 --> 01:34:35,280
which contained these undiscovered stars

1460
01:34:39,189 --> 01:34:37,520
astronomers at ohio state university

1461
01:34:40,550 --> 01:34:39,199
requested a computer to put them in

1462
01:34:42,550 --> 01:34:40,560
their correct position

1463
01:34:44,550 --> 01:34:42,560

out beyond the incredible double star

1464

01:34:45,270 --> 01:34:44,560

system of zeta reticuli 1 and zeta

1465

01:34:49,030 --> 01:34:45,280

reticuli

1466

01:34:49,990 --> 01:34:49,040

ii 220 trillion miles 37 light years

1467

01:34:52,550 --> 01:34:50,000

away from earth

1468

01:34:55,109 --> 01:34:52,560

looking toward our sun and the computer

1469

01:35:12,830 --> 01:34:55,119

duplicated with virtually no variation
