[Music]

2
00:00:49,260 --> 00:00:16,190
so

3
00:02:09,749 --> 00:01:04,220
[Music]

4
00:02:13,990 --> 00:02:13,430
greetings and salutations we are once

5
00:02:17,670 --> 00:02:14,000
again

6
00:02:19,190 --> 00:02:17,680
broadcasting live from the apocalypse

7
00:02:23,110 --> 00:02:19,200
cabin

8
00:02:23,670 --> 00:02:23,120
uh boy uh this weekend has been rough

9
00:02:34,229 --> 00:02:23,680
here

10
00:02:36,550 --> 00:02:34,239
always makes things difficult i try to

11
00:02:39,350 --> 00:02:36,560
go on a hike i don't have snow shoes

12
00:02:40,550 --> 00:02:39,360
not recommended in a foot of snow

13
00:02:43,910 --> 00:02:40,560

everywhere

14

00:02:46,150 --> 00:02:43,920

so uh i've just been

15

00:02:48,470 --> 00:02:46,160

making some notes at the cabin working

16

00:02:51,190 --> 00:02:48,480

on little things

17

00:02:53,270 --> 00:02:51,200

that are on my to-do list here trying to

18

00:02:55,030 --> 00:02:53,280

button this place up a little more

19

00:02:56,790 --> 00:02:55,040

i think we're gonna need some real thick

20

00:02:58,710 --> 00:02:56,800

curtains for these huge windows

21

00:03:00,710 --> 00:02:58,720

there's a definite draft there even

22

00:03:03,990 --> 00:03:00,720

though they're double paned

23

00:03:07,030 --> 00:03:04,000

um boy yeah it went down to

24

00:03:09,030 --> 00:03:07,040

eight last night uh

25

00:03:10,390 --> 00:03:09,040

according to my outside thermometers but

26

00:03:10,949 --> 00:03:10,400

i don't know the local weather service

27

00:03:14,470 --> 00:03:10,959

said

28

00:03:15,910 --> 00:03:14,480

13 what's the low uh but we're a little

29

00:03:19,110 --> 00:03:15,920

higher up on the mountain

30

00:03:22,149 --> 00:03:19,120

so maybe that explains yeah

31

00:03:23,589 --> 00:03:22,159

it's cold here friends uh it's pretty

32

00:03:25,910 --> 00:03:23,599

comfortable in here now

33

00:03:27,990 --> 00:03:25,920

the problem i suppose is that there's so

34

00:03:29,830 --> 00:03:28,000

much thermal mass in these walls with

35

00:03:32,550 --> 00:03:29,840

all these logs that

36

00:03:33,430 --> 00:03:32,560

i was not here for three weeks so they

37

00:03:36,949 --> 00:03:33,440

all got

38

00:03:40,789 --> 00:03:36,959

you know cold the whole thermal mass

39

00:03:43,589 --> 00:03:40,799

becomes really cold so it took

40

00:03:45,190 --> 00:03:43,599

a good day of running this wood stove to

41

00:03:48,390 --> 00:03:45,200

really heat this place up

42

00:03:50,149 --> 00:03:48,400

to be comfortable but you know i'm good

43

00:03:53,750 --> 00:03:50,159

i have long

44

00:03:54,550 --> 00:03:53,760

shirts and this is a wool shirt i cannot

45

00:03:57,350 --> 00:03:54,560

stand

46

00:03:58,710 --> 00:03:57,360

wool on my skin right but if you put a

47

00:04:01,830 --> 00:03:58,720

shirt under it

48

00:04:05,190 --> 00:04:01,840

it's really warm uh you know

49

00:04:07,350 --> 00:04:05,200

and so there we have it basically uh

50

00:04:08,550 --> 00:04:07,360

but this was a good test of the cabin

51

00:04:12,149 --> 00:04:08,560

because it's eight

52

00:04:13,429 --> 00:04:12,159

outside and i'm still able uh after a

53

00:04:17,349 --> 00:04:13,439

little bit of

54

00:04:18,949 --> 00:04:17,359

you know firesmithing i suppose

55

00:04:22,069 --> 00:04:18,959

you know i had to really try to get this

56

00:04:25,030 --> 00:04:22,079

thing cranked up uh

57

00:04:27,270 --> 00:04:25,040

you know once once it drops i'd say

58

00:04:29,510 --> 00:04:27,280

below 30 here at the cabin

59

00:04:30,550 --> 00:04:29,520

you know gets a little difficult for the

60

00:04:33,110 --> 00:04:30,560

wood stove to

61

00:04:33,909 --> 00:04:33,120

keep up if you're not on top of it so

62

00:04:36,950 --> 00:04:33,919

i'm trying to be

63

00:04:39,749 --> 00:04:36,960

on top of these things and i think

64

00:04:42,310 --> 00:04:39,759

it is uh you know just one of those

65

00:04:45,830 --> 00:04:42,320

things it's a learning process for me

66

00:04:47,670 --> 00:04:45,840

i'll improve as time goes on you know

67

00:04:49,270 --> 00:04:47,680

i was much more comfortable yesterday

68

00:04:52,550 --> 00:04:49,280

than i was on

69

00:04:55,110 --> 00:04:52,560

thursday for sure

70

00:04:56,950 --> 00:04:55,120

and even more comfortable today like i

71

00:04:59,110 --> 00:04:56,960

said it takes a while to just heat this

72

00:05:00,790 --> 00:04:59,120

whole building up right

73

00:05:03,029 --> 00:05:00,800

and i'm running around trying to find

74

00:05:06,070 --> 00:05:03,039

drafts or cracks in the

75

00:05:07,430 --> 00:05:06,080

mortar to uh just kind of button this

76

00:05:12,629 --> 00:05:07,440

place up

77

00:05:16,629 --> 00:05:14,550

situation with the building getting so

78

00:05:17,749 --> 00:05:16,639

cold and then taking a while to heat up

79

00:05:20,629 --> 00:05:17,759

wouldn't be an issue

80

00:05:21,510 --> 00:05:20,639

it would just be heated every day so you

81

00:05:24,310 --> 00:05:21,520

know

82

00:05:25,990 --> 00:05:24,320

and uh i posted a picture earlier i'm

83

00:05:28,070 --> 00:05:26,000

making uh

84

00:05:29,189 --> 00:05:28,080

chicken and potatoes and carrots in the

85

00:05:32,469 --> 00:05:29,199

dutch oven

86

00:05:34,310 --> 00:05:32,479

it's on the wood stove right now i

87

00:05:36,230 --> 00:05:34,320

generally let that go for like four

88

00:05:38,070 --> 00:05:36,240

hours and when it's done

89

00:05:39,350 --> 00:05:38,080

uh the chicken's like falling off the

90

00:05:42,390 --> 00:05:39,360

bone

91

00:05:45,270 --> 00:05:42,400

juicy wonderful and

92

00:05:47,430 --> 00:05:45,280

everything is well well cooked and i

93

00:05:48,870 --> 00:05:47,440

love these kind of meals here because

94

00:05:51,029 --> 00:05:48,880

i don't have to do anything i throw it

95

00:05:52,150 --> 00:05:51,039

all in the pot and i leave it on there

96

00:05:55,189 --> 00:05:52,160

for a few hours

97

00:05:58,150 --> 00:05:55,199

come back to it and it's time to eat

98

00:05:59,189 --> 00:05:58,160

um it looks almost ready but i'm letting

99

00:06:02,710 --> 00:05:59,199

it go

100

00:06:04,469 --> 00:06:02,720

until after this stream so

101
00:06:07,189 --> 00:06:04,479
while i've had some free time i've been

102
00:06:09,430 --> 00:06:07,199
trying to get up on current events

103
00:06:11,110 --> 00:06:09,440
something that i generally try to ignore

104
00:06:14,309 --> 00:06:11,120
as much as possible

105
00:06:15,029 --> 00:06:14,319
due to my uh probably anxiety issues i

106
00:06:18,550 --> 00:06:15,039
can't take

107
00:06:20,629 --> 00:06:18,560
all of the chaos but since wednesday

108
00:06:22,790 --> 00:06:20,639
yeah i'm

109
00:06:24,550 --> 00:06:22,800
let's see what's going on are we gonna

110
00:06:27,909 --> 00:06:24,560
have a civil war

111
00:06:30,550 --> 00:06:27,919
um the divisiveness in this country

112
00:06:32,390 --> 00:06:30,560
is absolutely the worst i've ever seen

113
00:06:37,110 --> 00:06:32,400

it in my entire life

114

00:06:40,710 --> 00:06:37,120

this you know uh blue versus red

115

00:06:43,350 --> 00:06:40,720

lib versus republican

116

00:06:45,110 --> 00:06:43,360

i'm sorry you know liberal versus

117

00:06:49,189 --> 00:06:45,120

conservative

118

00:06:52,390 --> 00:06:49,199

that these lines are just drawn

119

00:06:54,230 --> 00:06:52,400

so huge right now you know i don't know

120

00:06:55,430 --> 00:06:54,240

but i seem to recall growing up that

121

00:06:59,110 --> 00:06:55,440

like

122

00:07:00,710 --> 00:06:59,120

these guys you know politicians may not

123

00:07:02,550 --> 00:07:00,720

like each other but they had to work

124

00:07:03,589 --> 00:07:02,560

with each other in order to get anything

125

00:07:05,909 --> 00:07:03,599

done

126

00:07:07,110 --> 00:07:05,919

but we live in a country where largely

127

00:07:09,670 --> 00:07:07,120

nothing gets done

128

00:07:11,189 --> 00:07:09,680

unless it's you know bankrolled by the

129

00:07:14,550 --> 00:07:11,199

corporations that really

130

00:07:17,430 --> 00:07:14,560

own our politicians so but this

131

00:07:18,870 --> 00:07:17,440

it is what it is as far as the events at

132

00:07:22,230 --> 00:07:18,880

the capitol

133

00:07:23,990 --> 00:07:22,240

i watched and i got to tell you i do not

134

00:07:25,430 --> 00:07:24,000

support or condone any violence

135

00:07:29,189 --> 00:07:25,440

whatsoever

136

00:07:30,710 --> 00:07:29,199

um but with that being said

137

00:07:32,710 --> 00:07:30,720

the whole thing is very interesting

138

00:07:35,589 --> 00:07:32,720

we've got governor cuomo

139

00:07:36,309 --> 00:07:35,599

uh just not long ago saying that you

140

00:07:38,870 --> 00:07:36,319

know

141

00:07:40,550 --> 00:07:38,880

all protests can't be non-violent or

142

00:07:44,550 --> 00:07:40,560

something like that

143

00:07:46,790 --> 00:07:44,560

and uh you know the

144

00:07:48,230 --> 00:07:46,800

i don't know the lenses through which

145

00:07:50,550 --> 00:07:48,240

both of these sides

146

00:07:51,909 --> 00:07:50,560

view these events it's just interesting

147

00:07:55,589 --> 00:07:51,919

to me

148

00:07:57,909 --> 00:07:55,599

we had look at the situation in portland

149

00:07:58,629 --> 00:07:57,919

how long they took over whole city

150

00:08:01,510 --> 00:07:58,639

blocks

151
00:08:02,629 --> 00:08:01,520
right they burned buildings demolished

152
00:08:05,270 --> 00:08:02,639
things

153
00:08:05,830 --> 00:08:05,280
we've had riots we've had looting that

154
00:08:09,029 --> 00:08:05,840
was all

155
00:08:09,749 --> 00:08:09,039
violent right but that was excusable

156
00:08:12,070 --> 00:08:09,759
somehow

157
00:08:13,189 --> 00:08:12,080
you don't understand the rage right this

158
00:08:16,469 --> 00:08:13,199
is what happens

159
00:08:18,950 --> 00:08:16,479
systemic racism and all these things

160
00:08:20,070 --> 00:08:18,960
foment and you know and people even

161
00:08:23,270 --> 00:08:20,080
called the looting

162
00:08:25,990 --> 00:08:23,280
reparations right and all of that

163
00:08:29,110 --> 00:08:26,000

violence was largely ignored by the

164

00:08:31,270 --> 00:08:29,120

mainstream media i watched

165

00:08:32,389 --> 00:08:31,280

a guy standing in front of a burning

166

00:08:35,350 --> 00:08:32,399

building

167

00:08:36,469 --> 00:08:35,360

and the headline read mostly peaceful

168

00:08:39,990 --> 00:08:36,479

protests

169

00:08:42,149 --> 00:08:40,000

right well by that definition then what

170

00:08:43,190 --> 00:08:42,159

happened in washington was mostly

171

00:08:45,590 --> 00:08:43,200

peaceful

172

00:08:46,230 --> 00:08:45,600

but of course it wasn't because people

173

00:08:52,870 --> 00:08:46,240

literally

174

00:08:56,310 --> 00:08:52,880

died for nothing for garbage

175

00:08:59,750 --> 00:08:56,320

and how interesting it was to see uh

176

00:09:01,030 --> 00:08:59,760

the orange man in chief throw all those

177

00:09:03,750 --> 00:09:01,040

people his supporters

178

00:09:05,350 --> 00:09:03,760

under the bus the moment it became clear

179

00:09:07,509 --> 00:09:05,360

to him that this looked real but the

180

00:09:09,430 --> 00:09:07,519

optics of this are really bad

181

00:09:11,190 --> 00:09:09,440

and people are saying i caused this so i

182

00:09:13,430 --> 00:09:11,200

have to condemn those people

183

00:09:14,630 --> 00:09:13,440

even though i basically sent them on

184

00:09:17,910 --> 00:09:14,640

their way

185

00:09:18,470 --> 00:09:17,920

it's like these people are using the

186

00:09:21,030 --> 00:09:18,480

peasants

187

00:09:22,070 --> 00:09:21,040

the rich and the powerful on both sides

188

00:09:25,350 --> 00:09:22,080

are using these

189

00:09:28,150 --> 00:09:25,360

peasants like wind-up toys wind them up

190

00:09:30,150 --> 00:09:28,160

send them out see what happens then wash

191

00:09:32,949 --> 00:09:30,160

your hands of them

192

00:09:36,150 --> 00:09:32,959

if it doesn't go well or if the optics

193

00:09:39,430 --> 00:09:36,160

don't look good

194

00:09:41,670 --> 00:09:39,440

you know violence never works

195

00:09:43,030 --> 00:09:41,680

i saw some statistics about black lives

196

00:09:45,910 --> 00:09:43,040

matter and before

197

00:09:47,350 --> 00:09:45,920

all the riots uh they had something like

198

00:09:51,110 --> 00:09:47,360

a 24

199

00:09:52,949 --> 00:09:51,120

28 maybe it was approval rating

200

00:09:54,630 --> 00:09:52,959

from most people when asked do you

201
00:09:57,190 --> 00:09:54,640
support black lives matter

202
00:10:00,310 --> 00:09:57,200
after that it went down for them they

203
00:10:03,190 --> 00:10:00,320
lost half of their support

204
00:10:04,710 --> 00:10:03,200
because of the violence people generally

205
00:10:06,790 --> 00:10:04,720
don't respond well

206
00:10:11,350 --> 00:10:06,800
when you become violent in the pursuit

207
00:10:16,150 --> 00:10:14,389
it's interesting to me that some also

208
00:10:17,990 --> 00:10:16,160
i want to see what happens next with

209
00:10:21,269 --> 00:10:18,000
these people following a certain letter

210
00:10:23,910 --> 00:10:21,279
of the alphabet these stupid people

211
00:10:25,509 --> 00:10:23,920
i'm sorry if you believe this [h__\h]

212
00:10:29,030 --> 00:10:25,519
you're stupid

213
00:10:30,870 --> 00:10:29,040

none of that [\h__\h] happened i just

214

00:10:32,630 --> 00:10:30,880

i was just on twitter and i think it's

215

00:10:35,430 --> 00:10:32,640

tina maria posted

216

00:10:36,550 --> 00:10:35,440

like alex jones is even tired of this

217

00:10:38,550 --> 00:10:36,560

letter of the alphabet

218

00:10:39,750 --> 00:10:38,560

[\h__\h] he's yelling and screaming at

219

00:10:41,829 --> 00:10:39,760

somebody on

220

00:10:42,870 --> 00:10:41,839

on live on air like none of this [\h__\h]

221

00:10:45,509 --> 00:10:42,880

ever happens

222

00:10:46,949 --> 00:10:45,519

it never comes true all this [\h__\h] never

223

00:10:50,870 --> 00:10:46,959

happens

224

00:10:54,550 --> 00:10:50,880

yeah trust the scam it was a scam

225

00:10:55,190 --> 00:10:54,560

it was all a scam i i can't believe

226

00:10:56,630 --> 00:10:55,200

though

227

00:10:58,870 --> 00:10:56,640

that some of the people that were so

228

00:11:01,350 --> 00:10:58,880

deeply involved in this

229

00:11:02,790 --> 00:11:01,360

you know like jordan sather and others

230

00:11:05,910 --> 00:11:02,800

aren't coming out and saying

231

00:11:09,430 --> 00:11:05,920

it was all [h__\h] sorry sorry that i

232

00:11:12,870 --> 00:11:09,440

you know spent how many hours

233

00:11:16,790 --> 00:11:12,880

did somebody like a jordan sather or uh

234

00:11:20,069 --> 00:11:16,800

simon parks or robert david steele

235

00:11:23,190 --> 00:11:20,079

stream about this letter of the alphabet

236

00:11:25,829 --> 00:11:23,200

[h__\h] nonsense how much of their

237

00:11:29,509 --> 00:11:25,839

lives did they waste

238

00:11:29,990 --> 00:11:29,519

following this [\h__\h] [\h__\h] it's

239

00:11:32,069 --> 00:11:30,000

just

240

00:11:33,030 --> 00:11:32,079

it was all [\h__\h] nothing ever

241

00:11:35,990 --> 00:11:33,040

happened

242

00:11:37,590 --> 00:11:36,000

the first major prediction was that

243

00:11:39,829 --> 00:11:37,600

hillary clinton was going to be arrested

244

00:11:41,910 --> 00:11:39,839

the following week that didn't happen

245

00:11:43,110 --> 00:11:41,920

and it just goes on and on and on from

246

00:11:46,630 --> 00:11:43,120

there yeah friends

247

00:11:48,230 --> 00:11:46,640

trust the scam you know and i think it's

248

00:11:51,750 --> 00:11:48,240

pretty interesting too

249

00:11:54,790 --> 00:11:51,760

that these people are [\h__\h] stupid

250

00:11:57,910 --> 00:11:54,800

the followers of this alphabet

251
00:12:01,030 --> 00:11:57,920
letter of the alphabet are stupid

252
00:12:04,310 --> 00:12:01,040
even in their slogans they tell you

253
00:12:06,790 --> 00:12:04,320
who they are where we go one we go all

254
00:12:08,389 --> 00:12:06,800
do you know who else does that sheep

255
00:12:10,629 --> 00:12:08,399
sheep do that

256
00:12:11,670 --> 00:12:10,639
where we go one we go all sounds like

257
00:12:14,710 --> 00:12:11,680
sheep to me

258
00:12:15,430 --> 00:12:14,720
and that's what these people were but

259
00:12:18,310 --> 00:12:15,440
what happens

260
00:12:19,509 --> 00:12:18,320
next what are they gonna say now that

261
00:12:23,590 --> 00:12:19,519
all of these

262
00:12:27,030 --> 00:12:23,600
none of this predicted rise of the

263
00:12:30,550 --> 00:12:27,040

you know right happened it was all

264

00:12:32,870 --> 00:12:30,560

sadly defeated and another thing i i

265

00:12:33,829 --> 00:12:32,880

i thought really funny and worthy of

266

00:12:37,269 --> 00:12:33,839

mention is that

267

00:12:40,470 --> 00:12:37,279

all these idiots that are you know were

268

00:12:42,069 --> 00:12:40,480

on the trump train and the letter of the

269

00:12:45,030 --> 00:12:42,079

alphabet train

270

00:12:45,430 --> 00:12:45,040

talking about mass arrests well at least

271

00:12:47,750 --> 00:12:45,440

that

272

00:12:49,590 --> 00:12:47,760

came true but the mass arrests were the

273

00:12:51,350 --> 00:12:49,600

[h__h] stupid people

274

00:12:53,590 --> 00:12:51,360

that were stupid enough to believe this

275

00:12:58,069 --> 00:12:53,600

letter of the alphabet garbage

276
00:13:01,670 --> 00:12:58,079
and risk huge huge criminal prosecution

277
00:13:02,230 --> 00:13:01,680
to go break their way into the capitol

278
00:13:07,190 --> 00:13:02,240
building

279
00:13:10,870 --> 00:13:07,200
for nothing what what was gained

280
00:13:13,990 --> 00:13:10,880
but friends to the bitter end idiots

281
00:13:14,870 --> 00:13:14,000
and stupid people are still clinging to

282
00:13:18,150 --> 00:13:14,880
some kind of

283
00:13:20,550 --> 00:13:18,160
trust a scam narrative right

284
00:13:21,670 --> 00:13:20,560
i saw robert david steele in simon parks

285
00:13:23,750 --> 00:13:21,680
earlier today

286
00:13:25,030 --> 00:13:23,760
and simon parks and and this idiot are

287
00:13:27,269 --> 00:13:25,040
telling everybody

288
00:13:28,870 --> 00:13:27,279

that's all this is all part of the plan

289

00:13:29,269 --> 00:13:28,880

friends it's all part of the plan you

290

00:13:31,590 --> 00:13:29,279

see

291

00:13:32,629 --> 00:13:31,600

when those people broke in what they did

292

00:13:34,470 --> 00:13:32,639

is they took all these

293

00:13:36,470 --> 00:13:34,480

laptops and that's what has the evidence

294

00:13:37,430 --> 00:13:36,480

of the satanic pedophiles and the mole

295

00:13:39,750 --> 00:13:37,440

children

296

00:13:40,629 --> 00:13:39,760

and that's all coming out it's all gonna

297

00:13:43,670 --> 00:13:40,639

come out now

298

00:13:47,189 --> 00:13:43,680

we've got the laptops oh

299

00:13:50,470 --> 00:13:47,199

[h__h] it's so [h__h] fake

300

00:13:51,430 --> 00:13:50,480

it's [h__h] fake uh and i i notice uh

301
00:13:54,389 --> 00:13:51,440
um

302
00:13:55,910 --> 00:13:54,399
i am watching the live chat out of mind

303
00:13:58,389 --> 00:13:55,920
says but did they really

304
00:13:59,269 --> 00:13:58,399
break into the capitol no not really it

305
00:14:01,350 --> 00:13:59,279
looked as if

306
00:14:03,910 --> 00:14:01,360
the doors were open and the police just

307
00:14:05,750 --> 00:14:03,920
let them in in many cases

308
00:14:08,470 --> 00:14:05,760
but you have to remember that there's

309
00:14:11,030 --> 00:14:08,480
like 25 entrances to that building

310
00:14:12,389 --> 00:14:11,040
so maybe some of them the police said

311
00:14:15,430 --> 00:14:12,399
tried to stop them but

312
00:14:17,829 --> 00:14:15,440
they're certainly on record videos of

313
00:14:19,990 --> 00:14:17,839

police just opening the door or stepping

314

00:14:23,350 --> 00:14:20,000

aside and letting them walk right in

315

00:14:25,509 --> 00:14:23,360

so yeah lots of uh

316

00:14:26,629 --> 00:14:25,519

strangeness with that event did they

317

00:14:30,069 --> 00:14:26,639

really break in

318

00:14:30,790 --> 00:14:30,079

i don't know uh you know and reports

319

00:14:32,870 --> 00:14:30,800

from

320

00:14:34,230 --> 00:14:32,880

actual reporters that were in there and

321

00:14:35,750 --> 00:14:34,240

on the ground were like they were just a

322

00:14:38,949 --> 00:14:35,760

bunch of bumbling

323

00:14:41,590 --> 00:14:38,959

fools with no leadership it wasn't like

324

00:14:41,990 --> 00:14:41,600

you know so to call this an insurrection

325

00:14:45,110 --> 00:14:42,000

or

326

00:14:48,069 --> 00:14:45,120

whatever it's it is a stretch

327

00:14:50,069 --> 00:14:48,079

but the left and the corporate media are

328

00:14:53,030 --> 00:14:50,079

running with that story this was a

329

00:14:54,710 --> 00:14:53,040

this was an attempt uh you know to

330

00:14:55,590 --> 00:14:54,720

destroy our democracy this is

331

00:14:57,910 --> 00:14:55,600

insurrection

332

00:14:58,949 --> 00:14:57,920

and this and that according to the

333

00:15:02,230 --> 00:14:58,959

reporters

334

00:15:03,189 --> 00:15:02,240

i heard many of them say that it was

335

00:15:05,269 --> 00:15:03,199

literally like

336

00:15:06,870 --> 00:15:05,279

you know yeah you had some guys with

337

00:15:09,350 --> 00:15:06,880

tactical gear and stuff

338

00:15:10,870 --> 00:15:09,360

right that were inten and some people

339

00:15:12,310 --> 00:15:10,880

were intent on just smashing and

340

00:15:14,150 --> 00:15:12,320

destroying things

341

00:15:16,310 --> 00:15:14,160

but most of the people were just walking

342

00:15:18,230 --> 00:15:16,320

around like bumbling idiots like just

343

00:15:20,230 --> 00:15:18,240

what are we doing here wow we're in the

344

00:15:23,269 --> 00:15:20,240

capital we stormed the capital that you

345

00:15:27,350 --> 00:15:25,750

yeah so i think the reports that there

346

00:15:30,790 --> 00:15:27,360

is some sort of

347

00:15:31,269 --> 00:15:30,800

you know master plan here i mean if you

348

00:15:33,829 --> 00:15:31,279

still

349

00:15:35,030 --> 00:15:33,839

[h__h] believe that after all of the

350

00:15:37,030 --> 00:15:35,040

failed

351

00:15:38,389 --> 00:15:37,040

this didn't work and that didn't work

352

00:15:40,550 --> 00:15:38,399

and you know

353

00:15:42,710 --> 00:15:40,560

it's just getting ridiculous it's

354

00:15:47,990 --> 00:15:42,720

getting to the point of ridiculous

355

00:15:51,829 --> 00:15:48,000

and now these idiots these maga idiots

356

00:15:55,990 --> 00:15:51,839

have given the left corporate media

357

00:16:00,230 --> 00:15:56,000

and corporate social media tech giants

358

00:16:03,670 --> 00:16:00,240

and google everything they want

359

00:16:08,069 --> 00:16:03,680

right because now they have an excuse

360

00:16:11,509 --> 00:16:08,079

to stamp anyone's free speech away

361

00:16:14,949 --> 00:16:11,519

right because look what this right

362

00:16:17,990 --> 00:16:14,959

leaning propaganda and lies led to

363

00:16:21,670 --> 00:16:18,000

all that violence people dead

364

00:16:24,710 --> 00:16:21,680

right a 14-year

365

00:16:28,069 --> 00:16:24,720

air force veteran shot and killed for

366

00:16:32,230 --> 00:16:28,079

nothing for garbage for

367

00:16:35,509 --> 00:16:32,240

garbage unproven

368

00:16:39,350 --> 00:16:35,519

untrue theories

369

00:16:43,829 --> 00:16:42,629

that caused these people right and being

370

00:16:47,829 --> 00:16:43,839

railed up

371

00:16:51,430 --> 00:16:47,839

right where we go when we go all

372

00:16:52,949 --> 00:16:51,440

great you're gonna walk into a federal

373

00:16:55,990 --> 00:16:52,959

building commit a federal

374

00:17:01,350 --> 00:16:56,000

felony and risk 10 years

375

00:17:05,909 --> 00:17:03,590

you know and i have some friends that

376

00:17:09,510 --> 00:17:05,919

are staunch

377

00:17:11,829 --> 00:17:09,520

trump trained guys right but even then

378

00:17:13,189 --> 00:17:11,839

after this [h__\h] happened or like this

379

00:17:15,429 --> 00:17:13,199

shit's going too far

380

00:17:16,230 --> 00:17:15,439

yeah you think you think it's going a

381

00:17:20,230 --> 00:17:16,240

little too far

382

00:17:22,150 --> 00:17:20,240

maybe it's gone a lot too far

383

00:17:26,150 --> 00:17:22,160

but back to my point about the tech

384

00:17:28,150 --> 00:17:26,160

giants i'm sorry friends hold on

385

00:17:30,150 --> 00:17:28,160

i'm fighting with this wood stove try

386

00:17:33,909 --> 00:17:30,160

not to freeze to death

387

00:17:37,110 --> 00:17:33,919

there we go okay so

388

00:17:40,630 --> 00:17:37,120

you know they just gave the right

389

00:17:43,190 --> 00:17:40,640

leaning idiots just gave

390

00:17:44,150 --> 00:17:43,200

all the tech giants and all the soft you

391

00:17:46,870 --> 00:17:44,160

know

392

00:17:47,909 --> 00:17:46,880

the tech giants and the corporate

393

00:17:50,470 --> 00:17:47,919

controlled media

394

00:17:52,710 --> 00:17:50,480

now have every reason in the world to

395

00:17:55,029 --> 00:17:52,720

vilify you

396

00:17:55,750 --> 00:17:55,039

right they have every reason in the

397

00:17:58,150 --> 00:17:55,760

world to

398

00:18:00,630 --> 00:17:58,160

cancel you now because your speech

399

00:18:03,830 --> 00:18:00,640

causes violent things to happen

400

00:18:07,110 --> 00:18:03,840

right it was like the gift

401
00:18:08,870 --> 00:18:07,120
i think that you know uh zuckerberg and

402
00:18:12,070 --> 00:18:08,880
dorsey and all of these and

403
00:18:13,669 --> 00:18:12,080
and you know the head of google

404
00:18:15,270 --> 00:18:13,679
all their higher-ups when they saw this

405
00:18:17,830 --> 00:18:15,280
happen they were like

406
00:18:18,310 --> 00:18:17,840
god damn now we got what we need we

407
00:18:21,590 --> 00:18:18,320
could just

408
00:18:23,350 --> 00:18:21,600
point to this and say you can't

409
00:18:25,110 --> 00:18:23,360
be platformed because this is the kind

410
00:18:27,990 --> 00:18:25,120
of stuff that happens when people like

411
00:18:30,150 --> 00:18:28,000
you are platformed

412
00:18:31,909 --> 00:18:30,160
you can have your free speech we're just

413
00:18:36,310 --> 00:18:31,919

gonna cancel you

414

00:18:42,870 --> 00:18:39,430

this is troubling and

415

00:18:46,070 --> 00:18:42,880

regardless of what a [h__h]

416

00:18:49,350 --> 00:18:46,080

idiot i really believe he's an idiot uh

417

00:18:50,310 --> 00:18:49,360

i regardless of what an idiot i believe

418

00:18:51,909 --> 00:18:50,320

our current

419

00:18:54,470 --> 00:18:51,919

president for the next what is it 12

420

00:18:57,190 --> 00:18:54,480

more days of this [h__h] i don't know

421

00:18:58,950 --> 00:18:57,200

no matter what my disagreements with the

422

00:19:00,150 --> 00:18:58,960

president of the united states honestly

423

00:19:03,350 --> 00:19:00,160

no matter what he

424

00:19:06,470 --> 00:19:03,360

said what he's done the fact

425

00:19:09,510 --> 00:19:06,480

that a tech giant monopoly

426

00:19:11,430 --> 00:19:09,520

can just delete the president

427

00:19:13,190 --> 00:19:11,440

of the united states off of their

428

00:19:16,390 --> 00:19:13,200

platform

429

00:19:18,630 --> 00:19:16,400

is crazy to me and you know

430

00:19:20,070 --> 00:19:18,640

i see all these left-leaning people all

431

00:19:22,070 --> 00:19:20,080

these liberals that i know

432

00:19:23,270 --> 00:19:22,080

doing cartwheels like good [h__\h] trump

433

00:19:23,990 --> 00:19:23,280

get him off of here he shouldn't have

434

00:19:25,990 --> 00:19:24,000

been here

435

00:19:27,430 --> 00:19:26,000

he should they should have did that

436

00:19:30,470 --> 00:19:27,440

years ago right

437

00:19:33,029 --> 00:19:30,480

yeah maybe but here's the problem

438

00:19:34,870 --> 00:19:33,039

it's not just and all of these guys now

439

00:19:35,510 --> 00:19:34,880

are complaining they're losing followers

440

00:19:38,710 --> 00:19:35,520

somehow

441

00:19:41,990 --> 00:19:38,720

75 000 followers got dropped from

442

00:19:43,430 --> 00:19:42,000

somebody i was just seeing uh the

443

00:19:46,230 --> 00:19:43,440

project varieties guy

444

00:19:47,430 --> 00:19:46,240

was complaining that 75 000 followers

445

00:19:50,950 --> 00:19:47,440

were gone

446

00:19:53,990 --> 00:19:53,430

this is problematic for me i don't know

447

00:19:57,029 --> 00:19:54,000

i'm a

448

00:19:59,190 --> 00:19:57,039

huge supporter of free speech but free

449

00:19:59,750 --> 00:19:59,200

speech stops the minute that you incite

450

00:20:03,430 --> 00:19:59,760

violence

451

00:20:06,630 --> 00:20:03,440

of course but you know the fact that

452

00:20:08,549 --> 00:20:06,640

mega tech giants in the form of facebook

453

00:20:10,630 --> 00:20:08,559

and twitter can just say

454

00:20:11,909 --> 00:20:10,640

you know we disagree with the [h__h] that

455

00:20:15,270 --> 00:20:11,919

the president says so

456

00:20:19,190 --> 00:20:15,280

we're going to de-platform him

457

00:20:22,950 --> 00:20:19,200

that's crazy and it reminds me as well

458

00:20:25,590 --> 00:20:22,960

of the there was a time when

459

00:20:26,390 --> 00:20:25,600

president trump was doing a news

460

00:20:28,310 --> 00:20:26,400

conference

461

00:20:29,990 --> 00:20:28,320

and he started talking about the

462

00:20:32,230 --> 00:20:30,000

election fraud

463

00:20:34,549 --> 00:20:32,240

whether you believe his evidence or not

464

00:20:35,590 --> 00:20:34,559

he was giving a speech to the american

465

00:20:37,190 --> 00:20:35,600

people

466

00:20:39,430 --> 00:20:37,200

he called the press conference to do

467

00:20:40,149 --> 00:20:39,440

just that and the corporate media just

468

00:20:42,470 --> 00:20:40,159

shut him off

469

00:20:43,750 --> 00:20:42,480

they just said oh we don't agree with

470

00:20:47,190 --> 00:20:43,760

what he's saying

471

00:20:49,270 --> 00:20:47,200

we're just gonna shut him off friends

472

00:20:50,230 --> 00:20:49,280

that's the president of the i've never

473

00:20:52,310 --> 00:20:50,240

seen

474

00:20:55,110 --> 00:20:52,320

the president of the united states get

475

00:20:56,390 --> 00:20:55,120

muted on live national television before

476
00:20:59,430 --> 00:20:56,400
this one

477
00:21:01,029 --> 00:20:59,440
never no matter how much the media

478
00:21:01,430 --> 00:21:01,039
disagreed with the president they at

479
00:21:03,830 --> 00:21:01,440
least

480
00:21:05,669 --> 00:21:03,840
let him speak and and communicate

481
00:21:07,669 --> 00:21:05,679
whatever he was trying to communicate

482
00:21:08,789 --> 00:21:07,679
to the american people we don't have

483
00:21:10,870 --> 00:21:08,799
that now

484
00:21:12,310 --> 00:21:10,880
now the corporate media could just say

485
00:21:13,909 --> 00:21:12,320
you know we really don't like what this

486
00:21:16,070 --> 00:21:13,919
guy's saying so we're gonna shut him off

487
00:21:18,870 --> 00:21:16,080
we're gonna mute his microphone [\h__\h] him

488
00:21:19,909 --> 00:21:18,880

right and this is the strange world that

489

00:21:22,950 --> 00:21:19,919

we live in now

490

00:21:27,029 --> 00:21:25,590

and friends it's not gonna stop once the

491

00:21:29,909 --> 00:21:27,039

pendulum switch

492

00:21:30,870 --> 00:21:29,919

you know swings here once biden is

493

00:21:33,590 --> 00:21:30,880

inaugurated

494

00:21:34,070 --> 00:21:33,600

this [h__h] is just gonna get worse

495

00:21:39,270 --> 00:21:34,080

because

496

00:21:42,230 --> 00:21:39,280

he's in the pocket of the tech giants

497

00:21:43,590 --> 00:21:42,240

so you know it is what it is but this is

498

00:21:46,630 --> 00:21:43,600

where we find ourselves

499

00:21:50,149 --> 00:21:46,640

now the pendulum is going to swing

500

00:21:53,110 --> 00:21:50,159

right and we'll have a liberal democrat

501
00:21:55,510 --> 00:21:53,120
president but i believe what's going to

502
00:21:58,549 --> 00:21:55,520
happen is that any voices of dissent

503
00:22:01,110 --> 00:21:58,559
against that liberal democrat president

504
00:22:02,390 --> 00:22:01,120
are going to be getting silenced any

505
00:22:05,430 --> 00:22:02,400
evidence of corruption

506
00:22:10,830 --> 00:22:05,440
is going to be called a c theory i don't

507
00:22:15,990 --> 00:22:13,669
right

508
00:22:16,789 --> 00:22:16,000
the tech giants have spoken and if they

509
00:22:19,350 --> 00:22:16,799
disagree

510
00:22:21,029 --> 00:22:19,360
with your beliefs or what you're talking

511
00:22:24,310 --> 00:22:21,039
about

512
00:22:25,750 --> 00:22:24,320
soon they will just not allow you to say

513
00:22:28,710 --> 00:22:25,760

it at all

514

00:22:29,270 --> 00:22:28,720

on their platforms these guys have too

515

00:22:32,950 --> 00:22:29,280

much

516

00:22:36,630 --> 00:22:32,960

power and you know i noticed recently

517

00:22:37,190 --> 00:22:36,640

uh the story about parlor i'm not an on

518

00:22:38,950 --> 00:22:37,200

parlor

519

00:22:40,230 --> 00:22:38,960

but i support their right to do

520

00:22:43,669 --> 00:22:40,240

something like that

521

00:22:45,510 --> 00:22:43,679

right if the if the

522

00:22:47,190 --> 00:22:45,520

right leaning people feel like they're

523

00:22:48,070 --> 00:22:47,200

getting stepped on and censored then

524

00:22:50,310 --> 00:22:48,080

they should have

525

00:22:51,110 --> 00:22:50,320

a platform similar i guess to twitter

526
00:22:54,230 --> 00:22:51,120
where they won't

527
00:22:57,430 --> 00:22:54,240
feel that way right

528
00:23:00,230 --> 00:22:57,440
after all twitter is

529
00:23:01,669 --> 00:23:00,240
absolutely positively left leaning and

530
00:23:04,710 --> 00:23:01,679
no one can deny that

531
00:23:05,909 --> 00:23:04,720
so why then should there not be a

532
00:23:09,430 --> 00:23:05,919
similar

533
00:23:11,590 --> 00:23:09,440
social media site that is right leaning

534
00:23:12,630 --> 00:23:11,600
that would be the fair and equitable way

535
00:23:15,990 --> 00:23:12,640
to

536
00:23:16,549 --> 00:23:16,000
resolve this kind of dispute that people

537
00:23:20,390 --> 00:23:16,559
have

538
00:23:21,990 --> 00:23:20,400

with twitter you guys are

539

00:23:23,750 --> 00:23:22,000
shadow banning and censoring

540

00:23:27,270 --> 00:23:23,760
conservative voices okay so

541

00:23:29,430 --> 00:23:27,280
go start your own but you can't

542

00:23:31,350 --> 00:23:29,440
apparently you can't even do that you

543

00:23:34,310 --> 00:23:31,360
can't go start your own

544

00:23:36,470 --> 00:23:34,320
because then the other tech giants that

545

00:23:40,390 --> 00:23:36,480
don't want the competition or

546

00:23:42,470 --> 00:23:40,400
disagree with the voices of the people

547

00:23:45,750 --> 00:23:42,480
on that platform are now going to try to

548

00:23:47,909 --> 00:23:45,760
de-platform your new platform

549

00:23:50,310 --> 00:23:47,919
in the form of apple taking it off of

550

00:23:52,149 --> 00:23:50,320
its app store and google play so apple

551
00:23:53,669 --> 00:23:52,159
and google just said [h__\h] you parlor

552
00:23:56,070 --> 00:23:53,679
you can't have your app you can't

553
00:23:58,870 --> 00:23:56,080
distribute it on our platforms

554
00:24:00,870 --> 00:23:58,880
does that stop them and their ability to

555
00:24:03,830 --> 00:24:00,880
continue with their platform no

556
00:24:04,710 --> 00:24:03,840
no but it hinders them for sure and it

557
00:24:07,590 --> 00:24:04,720
should not be

558
00:24:08,470 --> 00:24:07,600
allowed somebody wants to start a new

559
00:24:11,590 --> 00:24:08,480
platform

560
00:24:12,310 --> 00:24:11,600
that is right leaning go for it it's

561
00:24:13,990 --> 00:24:12,320
their money

562
00:24:21,909 --> 00:24:14,000
it's their investment capital it's their

563
00:24:26,390 --> 00:24:23,590

yeah i hear what you're saying v but

564

00:24:29,590 --> 00:24:26,400

they have a policy against incitement of

565

00:24:32,630 --> 00:24:29,600

of violence so you know

566

00:24:33,110 --> 00:24:32,640

and there's just as many people let's

567

00:24:36,149 --> 00:24:33,120

see

568

00:24:39,190 --> 00:24:36,159

on twitter calling people nazis

569

00:24:39,750 --> 00:24:39,200

right and that's okay i don't know i

570

00:24:42,149 --> 00:24:39,760

just see

571

00:24:43,510 --> 00:24:42,159

i understand that there can't you know

572

00:24:46,070 --> 00:24:43,520

they have to have some degree of

573

00:24:47,909 --> 00:24:46,080

standards for parlor like you can't have

574

00:24:49,750 --> 00:24:47,919

people inciting violence and you can't

575

00:24:50,789 --> 00:24:49,760

have this and that but look at their

576
00:24:55,269 --> 00:24:50,799
terms of service

577
00:24:57,990 --> 00:24:55,279
if somebody is doing that

578
00:24:58,950 --> 00:24:58,000
and it's not being deleted or dealt with

579
00:25:01,430 --> 00:24:58,960
maybe it's because

580
00:25:02,070 --> 00:25:01,440
they're too new at this game yet to have

581
00:25:04,149 --> 00:25:02,080
as much

582
00:25:05,830 --> 00:25:04,159
automated algorithms running around

583
00:25:08,070 --> 00:25:05,840
deleting stuff that's against their

584
00:25:14,630 --> 00:25:08,080
policy

585
00:25:16,789 --> 00:25:14,640
i'm just saying uh give them a chance

586
00:25:18,230 --> 00:25:16,799
i think that it's fair that if you're

587
00:25:19,669 --> 00:25:18,240
gonna have right leaning

588
00:25:21,990 --> 00:25:19,679

i'm sorry if you're gonna have a left

589

00:25:24,470 --> 00:25:22,000

leaning social media platform

590

00:25:25,990 --> 00:25:24,480

and all of them are left leaning then

591

00:25:27,190 --> 00:25:26,000

there should be

592

00:25:29,029 --> 00:25:27,200

you should be allowed to have a

593

00:25:31,590 --> 00:25:29,039

right-leaning one but

594

00:25:32,630 --> 00:25:31,600

yeah i do agree that i anybody that's on

595

00:25:35,510 --> 00:25:32,640

any platform

596

00:25:36,149 --> 00:25:35,520

inciting violence or you know telling

597

00:25:39,110 --> 00:25:36,159

people to

598

00:25:40,830 --> 00:25:39,120

to create violence i'm completely and

599

00:25:44,549 --> 00:25:40,840

totally

600

00:25:49,190 --> 00:25:46,950

yeah and uh carol utley mentions isn't

601
00:25:50,549 --> 00:25:49,200
amazon taking parlor down i believe that

602
00:25:54,470 --> 00:25:50,559
it somehow has

603
00:25:57,669 --> 00:25:54,480
yeah uh amazon as well

604
00:26:00,149 --> 00:25:57,679
so yeah

605
00:26:02,310 --> 00:26:00,159
and and you know this kind of situation

606
00:26:04,549 --> 00:26:02,320
is only going to make people go see

607
00:26:06,710 --> 00:26:04,559
see they are trying to censor us even

608
00:26:07,430 --> 00:26:06,720
when we start our own platform we're not

609
00:26:09,029 --> 00:26:07,440
allowed

610
00:26:11,669 --> 00:26:09,039
they're trying to interfere with us

611
00:26:15,750 --> 00:26:11,679
starting our own platform

612
00:26:16,549 --> 00:26:15,760
you know this whole situation just makes

613
00:26:18,390 --> 00:26:16,559

me sad

614

00:26:20,950 --> 00:26:18,400

it's like why can't everybody just get

615

00:26:22,070 --> 00:26:20,960

along and i keep coming back to this

616

00:26:24,549 --> 00:26:22,080

time and time again

617

00:26:26,950 --> 00:26:24,559

both sides of this argument are stupid

618

00:26:27,350 --> 00:26:26,960

if you're really really right or really

619

00:26:29,990 --> 00:26:27,360

really

620

00:26:31,669 --> 00:26:30,000

left right and you're so into this [h__\h]

621

00:26:33,350 --> 00:26:31,679

that you spend all day arguing with

622

00:26:35,909 --> 00:26:33,360

people on social media

623

00:26:37,669 --> 00:26:35,919

about this [h__\h] or that [h__\h] i feel

624

00:26:40,789 --> 00:26:37,679

sorry for you because

625

00:26:43,269 --> 00:26:40,799

you know the real situation is

626

00:26:44,310 --> 00:26:43,279

both sides are criminals both sides

627

00:26:46,630 --> 00:26:44,320

don't give a

628

00:26:48,390 --> 00:26:46,640

[\h__\h] about do you think these rich

629

00:26:51,510 --> 00:26:48,400

powerful elite people

630

00:26:55,269 --> 00:26:51,520

give a [\h__\h] about you

631

00:26:58,549 --> 00:26:55,279

and your family [\h__\h] no

632

00:27:00,630 --> 00:26:58,559

they only care about money and power

633

00:27:02,310 --> 00:27:00,640

that's it and keeping their power

634

00:27:05,669 --> 00:27:02,320

expanding their power

635

00:27:09,190 --> 00:27:08,310

expanding their control over things more

636

00:27:11,669 --> 00:27:09,200

money for me

637

00:27:12,230 --> 00:27:11,679

and less for you [\h__\h] peasants that's

638

00:27:15,750 --> 00:27:12,240

what

639

00:27:17,830 --> 00:27:15,760

all of this is about and i think

640

00:27:19,110 --> 00:27:17,840

these rich people like the divisiveness

641

00:27:21,830 --> 00:27:19,120

right let's

642

00:27:24,149 --> 00:27:21,840

that it's it's classic tactic like let's

643

00:27:24,630 --> 00:27:24,159

separate these people by races religions

644

00:27:29,190 --> 00:27:24,640

right

645

00:27:32,310 --> 00:27:29,200

together we're [h__\h] there's more of

646

00:27:35,750 --> 00:27:32,320

them than there is of us

647

00:27:38,389 --> 00:27:35,760

and this this situation has been ongoing

648

00:27:39,350 --> 00:27:38,399

these rich [h__\h] do not care

649

00:27:47,750 --> 00:27:39,360

about you

650

00:27:50,789 --> 00:27:47,760

prosperity they don't care about

651
00:27:53,590 --> 00:27:50,799
your opportunities or you having

652
00:27:54,630 --> 00:27:53,600
more opportunities to be successful they

653
00:27:57,990 --> 00:27:54,640
do not care

654
00:28:00,870 --> 00:27:58,000
they just don't care so for you to care

655
00:28:01,990 --> 00:28:00,880
about arguing over which of these rich

656
00:28:05,830 --> 00:28:02,000
powerful elite

657
00:28:10,549 --> 00:28:08,470
than the other guy is a waste of time

658
00:28:14,230 --> 00:28:10,559
it's ridiculous

659
00:28:16,070 --> 00:28:14,240
and it doesn't it doesn't change a thing

660
00:28:17,269 --> 00:28:16,080
it's not gonna i don't care how many

661
00:28:20,549 --> 00:28:17,279
hours a day

662
00:28:20,870 --> 00:28:20,559
you spend tweeting anti-trump tweets

663
00:28:22,470 --> 00:28:20,880

right

664

00:28:25,830 --> 00:28:22,480

i don't care how many hours a day you

665

00:28:28,070 --> 00:28:25,840

spend tweeting biden is a senile old man

666

00:28:29,350 --> 00:28:28,080

and a pedo right it's not gonna change

667

00:28:32,230 --> 00:28:29,360

hearts and minds

668

00:28:33,350 --> 00:28:32,240

people's minds are made up it's a waste

669

00:28:42,830 --> 00:28:33,360

of time

670

00:28:48,149 --> 00:28:44,549

right

671

00:28:50,870 --> 00:28:48,159

but i got to tell you uh

672

00:28:51,990 --> 00:28:50,880

i expected the events of last wednesday

673

00:28:54,310 --> 00:28:52,000

to be worse

674

00:28:55,750 --> 00:28:54,320

i truly did i thought it was going to

675

00:28:58,549 --> 00:28:55,760

pop off worse than it did

676
00:29:00,070 --> 00:28:58,559
had a feeling things might pop off but i

677
00:29:02,470 --> 00:29:00,080
thought it was going to be much worse

678
00:29:04,710 --> 00:29:02,480
and and we can see with the you know

679
00:29:09,110 --> 00:29:04,720
there were literal bombs

680
00:29:12,630 --> 00:29:09,120
in the area and we have

681
00:29:13,430 --> 00:29:12,640
you know armed people in sort of riot

682
00:29:16,630 --> 00:29:13,440
gear right

683
00:29:18,630 --> 00:29:16,640
like with zip ties what were they going

684
00:29:21,990 --> 00:29:18,640
to do with the zip ties take hostages

685
00:29:23,830 --> 00:29:22,000
people have assumed it could have went

686
00:29:29,669 --> 00:29:23,840
it could have been much much worse you

687
00:29:33,029 --> 00:29:31,190
as bad as it was it could have been much

688
00:29:35,110 --> 00:29:33,039

much worse

689

00:29:36,389 --> 00:29:35,120

you know and i and my heart goes out to

690

00:29:40,710 --> 00:29:36,399

the

691

00:29:44,950 --> 00:29:40,720

police officer and a 14-year

692

00:29:48,310 --> 00:29:44,960

air force veteran was shot for nothing

693

00:29:52,870 --> 00:29:48,320

both sides are crazy yeah brent

694

00:29:54,310 --> 00:29:52,880

both sides are crazy and uh

695

00:29:56,149 --> 00:29:54,320

i think things are only going to get

696

00:29:57,990 --> 00:29:56,159

crazier so

697

00:30:00,710 --> 00:29:58,000

you know i made some notes from my

698

00:30:02,549 --> 00:30:00,720

apocalypse cabin today

699

00:30:04,789 --> 00:30:02,559

just about things that i want to do

700

00:30:08,470 --> 00:30:04,799

around here just in case

701
00:30:11,350 --> 00:30:08,480
[h__\h] hits the fan uh and uh

702
00:30:12,870 --> 00:30:11,360
i don't know we're good on lighting here

703
00:30:15,350 --> 00:30:12,880
i did spend some time today

704
00:30:16,630 --> 00:30:15,360
getting all i've got all these oil lamps

705
00:30:19,669 --> 00:30:16,640
and i got those out

706
00:30:19,679 --> 00:30:24,310
there's a big box of candles here

707
00:30:30,950 --> 00:30:27,909
just in case uh and we've got

708
00:30:32,230 --> 00:30:30,960
120 volt lighting and we've got 12 volt

709
00:30:33,190 --> 00:30:32,240
lighting that works better with the

710
00:30:37,909 --> 00:30:33,200
solar

711
00:30:41,510 --> 00:30:40,789
you know i don't know tools and

712
00:30:42,710 --> 00:30:41,520
equipment

713
00:30:44,710 --> 00:30:42,720

i have everything that you could

714

00:30:48,470 --> 00:30:44,720

possibly need as far as tools or

715

00:30:52,710 --> 00:30:50,230

and and the cabin here continues to

716

00:30:56,389 --> 00:30:52,720

evolve i guess and get better stocked

717

00:30:59,590 --> 00:30:56,399

you know better equipped um

718

00:31:02,950 --> 00:30:59,600

should we end up moving here

719

00:31:04,470 --> 00:31:02,960

for whatever reason you know and i gotta

720

00:31:05,830 --> 00:31:04,480

say i thought that having this place

721

00:31:09,110 --> 00:31:05,840

would ease some of my

722

00:31:10,070 --> 00:31:09,120

anxiety about events that i believe may

723

00:31:12,710 --> 00:31:10,080

be coming

724

00:31:13,750 --> 00:31:12,720

but i think it in some ways it made it

725

00:31:15,990 --> 00:31:13,760

made me worse

726
00:31:17,029 --> 00:31:16,000
because now uh instead of worrying about

727
00:31:20,070 --> 00:31:17,039
having the place

728
00:31:22,389 --> 00:31:20,080
now i'm just constantly worrying about

729
00:31:23,269 --> 00:31:22,399
should i buy more candles you know

730
00:31:25,830 --> 00:31:23,279
should we

731
00:31:27,190 --> 00:31:25,840
buy more solar panels just in case even

732
00:31:28,789 --> 00:31:27,200
though i can't i don't have time to hook

733
00:31:31,430 --> 00:31:28,799
them up right now maybe i'll just

734
00:31:33,110 --> 00:31:31,440
buy them and put them in the shed for

735
00:31:33,990 --> 00:31:33,120
you know in case we need them they're in

736
00:31:39,029 --> 00:31:34,000
there

737
00:31:43,509 --> 00:31:41,269
the heating situation here the propane

738
00:31:46,630 --> 00:31:43,519

situation here

739

00:31:50,470 --> 00:31:46,640

ran out of propane uh and

740

00:31:52,310 --> 00:31:50,480

i hate that because i you know it's like

741

00:31:53,750 --> 00:31:52,320

it always happens like when you're in

742

00:31:54,710 --> 00:31:53,760

the middle of cooking dinner or

743

00:31:56,310 --> 00:31:54,720

something right

744

00:31:58,389 --> 00:31:56,320

that's when i just got these little

745

00:31:59,590 --> 00:31:58,399

barbecue tanks and usually they last a

746

00:32:04,310 --> 00:31:59,600

good

747

00:32:06,149 --> 00:32:04,320

you know so i tried to use the uh

748

00:32:10,149 --> 00:32:06,159

propane stove and and that

749

00:32:13,669 --> 00:32:10,159

stove died in the middle so yeah

750

00:32:15,509 --> 00:32:13,679

i really need bigger propane tanks

751
00:32:17,669 --> 00:32:15,519
that's one thing that's definitely on

752
00:32:20,389 --> 00:32:17,679
the list for upgrades here

753
00:32:21,909 --> 00:32:20,399
and uh and it's in a bigger another big

754
00:32:22,789 --> 00:32:21,919
propane tank because we have a propane

755
00:32:24,870 --> 00:32:22,799
heater here

756
00:32:26,149 --> 00:32:24,880
and that if i had that hooked up right

757
00:32:27,830 --> 00:32:26,159
now that would have really helped with

758
00:32:29,750 --> 00:32:27,840
this weekend situation because when it's

759
00:32:32,389 --> 00:32:29,760
eight outside man it is

760
00:32:32,870 --> 00:32:32,399
cold you know i'm fine if i'm like right

761
00:32:35,990 --> 00:32:32,880
here

762
00:32:38,630 --> 00:32:36,000
the wood stove's right next to me so

763
00:32:39,990 --> 00:32:38,640

but if i you know go to the front door

764

00:32:42,710 --> 00:32:40,000

and man there was a

765

00:32:44,230 --> 00:32:42,720

big draft of blast of cold air coming

766

00:32:46,070 --> 00:32:44,240

from under that door so i threw like

767

00:32:48,310 --> 00:32:46,080

some pillows

768

00:32:51,029 --> 00:32:48,320

in the door frame and that seemed to

769

00:32:54,630 --> 00:32:51,039

help you know i don't know

770

00:32:56,630 --> 00:32:54,640

so i i'm i'm curious in the live chat

771

00:32:58,389 --> 00:32:56,640

i'll ask you my audience what do you

772

00:32:59,509 --> 00:32:58,399

think is going to happen next with these

773

00:33:02,870 --> 00:32:59,519

followers of the

774

00:33:06,549 --> 00:33:02,880

alphabet are these people

775

00:33:09,990 --> 00:33:06,559

finally going to realize like gee

776

00:33:11,350 --> 00:33:10,000

none of this was real what are the

777

00:33:13,430 --> 00:33:11,360

people that have been making a living

778

00:33:18,310 --> 00:33:13,440

selling this garbage

779

00:33:22,789 --> 00:33:18,320

gonna do i'm curious i can't wait to see

780

00:33:29,190 --> 00:33:25,909

are people like david wilcock just gonna

781

00:33:31,269 --> 00:33:29,200

you know sort of segue back into

782

00:33:33,430 --> 00:33:31,279

new age [h__h] and get away from the

783

00:33:37,029 --> 00:33:33,440

politics right

784

00:33:40,389 --> 00:33:37,039

i think so because they lost big

785

00:33:42,549 --> 00:33:40,399

jumping on that train right they lost

786

00:33:44,470 --> 00:33:42,559

big everybody who jumped on that

787

00:33:50,830 --> 00:33:44,480

alphabet train or the trump train

788

00:33:55,830 --> 00:33:52,389

right

789

00:33:57,590 --> 00:33:55,840

yeah i i hear you dan dan is saying uh

790

00:33:59,269 --> 00:33:57,600

there's already [\h__h] spreading online

791

00:34:00,630 --> 00:33:59,279

about people coming to washington for

792

00:34:01,909 --> 00:34:00,640

the inauguration

793

00:34:04,830 --> 00:34:01,919

yeah and they're saying that that's

794

00:34:08,550 --> 00:34:04,840

going to be worse than the capital

795

00:34:12,550 --> 00:34:10,950

it is interesting you know uh i heard

796

00:34:15,750 --> 00:34:12,560

several people comment and i can't

797

00:34:17,750 --> 00:34:15,760

disagree that those people that stormed

798

00:34:19,190 --> 00:34:17,760

the capital if they were brown people

799

00:34:20,790 --> 00:34:19,200

would have got shot and killed all of

800

00:34:22,389 --> 00:34:20,800

them right if there was

801
00:34:24,790 --> 00:34:22,399
if those were imagine if those were

802
00:34:26,149 --> 00:34:24,800
brown people or black lives matter

803
00:34:27,510 --> 00:34:26,159
right remember when black lives matter

804
00:34:28,470 --> 00:34:27,520
was going to march in washington there

805
00:34:31,109 --> 00:34:28,480
was

806
00:34:31,669 --> 00:34:31,119
riot gear national guard everywhere

807
00:34:34,869 --> 00:34:31,679
there was

808
00:34:39,270 --> 00:34:34,879
troops everywhere police everywhere

809
00:34:43,109 --> 00:34:39,280
plenty of police to prevent any violence

810
00:34:47,349 --> 00:34:43,119
these mega idiots right

811
00:34:51,510 --> 00:34:49,190
they get to storm the capital break

812
00:34:54,470 --> 00:34:51,520
windows vandalize

813
00:34:56,310 --> 00:34:54,480

our nation's capitol building and

814

00:34:57,829 --> 00:34:56,320

largely most of them just went home

815

00:35:01,270 --> 00:34:57,839

right after that happened went back to

816

00:35:01,280 --> 00:35:04,870

i mean they're like

817

00:35:07,910 --> 00:35:06,950

some of them like went out to dinner

818

00:35:10,310 --> 00:35:07,920

after they did that

819

00:35:11,430 --> 00:35:10,320

like yeah we stormed the capitol we're

820

00:35:15,270 --> 00:35:11,440

patriots

821

00:35:17,109 --> 00:35:15,280

it's [h__h] ridiculous but you know

822

00:35:18,470 --> 00:35:17,119

this is where we find ourselves but my

823

00:35:22,150 --> 00:35:18,480

point is if the

824

00:35:25,349 --> 00:35:22,160

imagine if let's say a muslim

825

00:35:27,109 --> 00:35:25,359

like you know like if if

826

00:35:29,030 --> 00:35:27,119

that many muslims descended on

827

00:35:31,589 --> 00:35:29,040

washington dc

828

00:35:32,710 --> 00:35:31,599

were that many black lives matter

829

00:35:36,310 --> 00:35:32,720

protesters or

830

00:35:37,910 --> 00:35:36,320

antifa or whoever right

831

00:35:39,829 --> 00:35:37,920

the response would have been far

832

00:35:41,910 --> 00:35:39,839

different and i think

833

00:35:43,430 --> 00:35:41,920

somebody some heads are gonna roll and

834

00:35:45,349 --> 00:35:43,440

i'd be like who is in charge i think

835

00:35:46,150 --> 00:35:45,359

it's the capital police are in charge of

836

00:35:49,349 --> 00:35:46,160

securing

837

00:35:54,390 --> 00:35:49,359

these buildings right it was a huge

838

00:35:57,589 --> 00:35:54,400

huge failure you know huge failure

839

00:36:00,150 --> 00:35:57,599

yeah and brent brennan's on facebook

840

00:36:03,349 --> 00:36:00,160

commenting they let them do it

841

00:36:04,790 --> 00:36:03,359

all game yeah it's all game you know a

842

00:36:05,510 --> 00:36:04,800

lot of people are saying that some kind

843

00:36:09,109 --> 00:36:05,520

of

844

00:36:10,870 --> 00:36:09,119

psyop or that the that the

845

00:36:12,710 --> 00:36:10,880

you know the left people knew that this

846

00:36:14,710 --> 00:36:12,720

was this was going to look real bad for

847

00:36:16,790 --> 00:36:14,720

trump so they sort of like

848

00:36:18,470 --> 00:36:16,800

let the people in and knowing that they

849

00:36:21,030 --> 00:36:18,480

wouldn't do much damage

850

00:36:23,030 --> 00:36:21,040

i don't know there's going to be people

851
00:36:24,230 --> 00:36:23,040
writing and talking about this event for

852
00:36:26,230 --> 00:36:24,240
years to come

853
00:36:27,990 --> 00:36:26,240
and there be all kinds of theories

854
00:36:30,710 --> 00:36:28,000
spouting out of it

855
00:36:32,870 --> 00:36:30,720
right i mean there already are oh they

856
00:36:34,950 --> 00:36:32,880
stole laptops while we were there

857
00:36:37,109 --> 00:36:34,960
senators laptops and congressman's

858
00:36:40,630 --> 00:36:37,119
laptops and they got all this evidence

859
00:36:50,790 --> 00:36:40,640
you know of the cabal

860
00:36:55,270 --> 00:36:54,230
yes and someone is commenting about in a

861
00:36:58,390 --> 00:36:55,280
live chat

862
00:36:59,829 --> 00:36:58,400
uh these people were like all flew their

863
00:37:01,750 --> 00:36:59,839

first class

864

00:37:03,829 --> 00:37:01,760

these were affluent white people that

865

00:37:07,589 --> 00:37:03,839

did this these are not like

866

00:37:10,950 --> 00:37:10,310

educated people people with power and

867

00:37:15,030 --> 00:37:10,960

authority

868

00:37:20,829 --> 00:37:15,040

and influence and money all went there

869

00:37:20,839 --> 00:37:25,829

right

870

00:37:32,790 --> 00:37:29,270

yeah okay we'll take

871

00:37:35,030 --> 00:37:32,800

a oh dan hogan to be fair

872

00:37:37,349 --> 00:37:35,040

black lives matter didn't burn multiple

873

00:37:39,589 --> 00:37:37,359

cities worse places for the fires was

874

00:37:40,230 --> 00:37:39,599

minneapolis they did some serious damage

875

00:37:45,750 --> 00:37:40,240

there

876

00:37:51,829 --> 00:37:48,790

uh genocide says i think it's a psyop

877

00:37:55,430 --> 00:37:51,839

yeah i'm not sure i like this new theme

878

00:37:57,430 --> 00:37:55,440

so uh hold on it's it i like the theme

879

00:38:00,470 --> 00:37:57,440

but it's harder

880

00:38:05,910 --> 00:38:00,480

it's harder for me to read so

881

00:38:10,630 --> 00:38:08,630

that's the old one that's better we'll

882

00:38:12,870 --> 00:38:10,640

use the big ones because i'm on a laptop

883

00:38:16,150 --> 00:38:12,880

and having trouble seeing

884

00:38:16,790 --> 00:38:16,160

yeah yeah i agree with you genocide it

885

00:38:19,109 --> 00:38:16,800

may

886

00:38:21,190 --> 00:38:19,119

have been some kind of psyop but they

887

00:38:23,750 --> 00:38:21,200

used useful idiots in the form of maggot

888

00:38:26,069 --> 00:38:23,760

idiots right

889

00:38:28,150 --> 00:38:26,079

michael says worst city burning i ever

890

00:38:30,950 --> 00:38:28,160

saw was back in 1992.

891

00:38:32,550 --> 00:38:30,960

that was los angeles oh the los angeles

892

00:38:36,790 --> 00:38:32,560

92 riots you were in that

893

00:38:39,109 --> 00:38:36,800

you saw that that's interesting i uh

894

00:38:40,390 --> 00:38:39,119

got to watch my the neighborhood i grew

895

00:38:42,630 --> 00:38:40,400

up in burn and

896

00:38:43,990 --> 00:38:42,640

get looted on my birthday this year that

897

00:38:46,630 --> 00:38:44,000

was fun

898

00:38:47,750 --> 00:38:46,640

and uh you know oh that's another thing

899

00:38:49,910 --> 00:38:47,760

i wanted to mention

900

00:38:52,230 --> 00:38:49,920

some of these crazy theories that are

901
00:38:55,270 --> 00:38:52,240
going around are so stupid

902
00:38:57,990 --> 00:38:55,280
uh like oh

903
00:38:59,109 --> 00:38:58,000
it wasn't it wasn't mega people it was

904
00:39:02,150 --> 00:38:59,119
antifa

905
00:39:03,750 --> 00:39:02,160
members disguised as mega people and i

906
00:39:05,990 --> 00:39:03,760
just want to say that that's just as

907
00:39:06,870 --> 00:39:06,000
ridiculous as the people who told me

908
00:39:09,190 --> 00:39:06,880
during

909
00:39:10,870 --> 00:39:09,200
my philadelphia city you know the city i

910
00:39:15,030 --> 00:39:10,880
grew up in getting

911
00:39:17,750 --> 00:39:15,040
rioted and looted that those weren't

912
00:39:19,349 --> 00:39:17,760
blm people that were rioting and looting

913
00:39:23,430 --> 00:39:19,359

in philadelphia

914

00:39:26,829 --> 00:39:23,440

no those were white supremacists

915

00:39:30,069 --> 00:39:26,839

disguised as black lives matter

916

00:39:31,589 --> 00:39:30,079

protests both of you people spouting

917

00:39:34,950 --> 00:39:31,599

either of those

918

00:39:36,710 --> 00:39:34,960

theories are [h__\h] ridiculous

919

00:39:38,310 --> 00:39:36,720

especially in the case of blm in

920

00:39:38,790 --> 00:39:38,320

philadelphia i mean you can look at the

921

00:39:40,470 --> 00:39:38,800

people

922

00:39:41,990 --> 00:39:40,480

and go does this look like a bunch of

923

00:39:44,630 --> 00:39:42,000

white supremacists to you

924

00:39:45,190 --> 00:39:44,640

because it didn't to me right and the

925

00:39:48,470 --> 00:39:45,200

same

926

00:39:50,950 --> 00:39:48,480

[h__h] these people you could look at them

927

00:39:53,990 --> 00:39:50,960

and see these are dumpy white guy

928

00:39:57,829 --> 00:39:54,000

mega people these are not antifa

929

00:39:59,589 --> 00:39:57,839

right disguise as mega people

930

00:40:01,030 --> 00:39:59,599

but hey we don't want to accept

931

00:40:03,190 --> 00:40:01,040

responsibility for this

932

00:40:05,430 --> 00:40:03,200

ridiculous thing that happened it's

933

00:40:07,030 --> 00:40:05,440

embarrassing so let's deflect it and say

934

00:40:09,270 --> 00:40:07,040

no it was the other side pretending to

935

00:40:12,390 --> 00:40:09,280

be us that did it

936

00:40:19,829 --> 00:40:12,400

it was ridiculous it's ridiculous in all

937

00:40:23,510 --> 00:40:22,550

dan hogan says i do want that guys for a

938

00:40:25,190 --> 00:40:23,520

viking helmet

939

00:40:28,230 --> 00:40:25,200

i'd wear that thing everywhere i'd wear

940

00:40:30,470 --> 00:40:28,240

it at the apocalypse cabin dan hogan

941

00:40:36,950 --> 00:40:30,480

yeah i would definitely wear it at the

942

00:40:41,109 --> 00:40:39,190

oh i did not i wasn't aware of that

943

00:40:42,870 --> 00:40:41,119

norse tattoos are white supremacy

944

00:40:49,990 --> 00:40:42,880

tattoos are they

945

00:40:53,109 --> 00:40:51,589

there were squads on patrol but you

946

00:40:56,309 --> 00:40:53,119

didn't have to call the police they were

947

00:41:00,069 --> 00:40:58,950

yeah i agree phil blair as long as

948

00:41:01,829 --> 00:41:00,079

people

949

00:41:03,990 --> 00:41:01,839

are told that they can legally get a

950

00:41:06,230 --> 00:41:04,000

prescription of opiates in pennsylvania

951
00:41:07,750 --> 00:41:06,240
but not recreational or med cannabis for

952
00:41:09,829 --> 00:41:07,760
ptsd

953
00:41:11,670 --> 00:41:09,839
nothing is going to get better we have

954
00:41:14,390 --> 00:41:11,680
medical actually philip layer we have

955
00:41:18,230 --> 00:41:14,400
medical marijuana but you have to

956
00:41:20,150 --> 00:41:18,240
you know i call it sideways legalization

957
00:41:21,750 --> 00:41:20,160
and it's legalization for people of

958
00:41:25,030 --> 00:41:21,760
means and affluence

959
00:41:27,030 --> 00:41:25,040
in other words if you've got 300 bucks

960
00:41:30,710 --> 00:41:27,040
and can afford to go to a doctor

961
00:41:32,710 --> 00:41:30,720
with i i'm i think it's literally any

962
00:41:34,470 --> 00:41:32,720
condition now when they first opened it

963
00:41:35,910 --> 00:41:34,480

up it was you really need it

964

00:41:38,230 --> 00:41:35,920

you had to be a cancer patient or

965

00:41:39,109 --> 00:41:38,240

something serious for the doctors to

966

00:41:42,550 --> 00:41:39,119

approve you

967

00:41:44,230 --> 00:41:42,560

for anything you can walk in and say you

968

00:41:45,349 --> 00:41:44,240

have insomnia you can say you have

969

00:41:48,710 --> 00:41:45,359

headaches

970

00:41:50,550 --> 00:41:48,720

okay stamp and here's your card so you

971

00:41:52,309 --> 00:41:50,560

if you can pay the 300 bucks in the

972

00:41:55,510 --> 00:41:52,319

state of pennsylvania or whatever it is

973

00:41:58,309 --> 00:41:55,520

a couple hundred bucks you you can

974

00:41:59,270 --> 00:41:58,319

you can legally use cannabis but if you

975

00:42:01,190 --> 00:41:59,280

don't have the money

976

00:42:02,470 --> 00:42:01,200

you could still be arrested right if you

977

00:42:03,910 --> 00:42:02,480

just bought up the street because you

978

00:42:07,829 --> 00:42:03,920

didn't have the money for the doctor

979

00:42:11,190 --> 00:42:07,839

visit and all that and and and that

980

00:42:12,950 --> 00:42:11,200

is definitely not okay with me if it's

981

00:42:13,510 --> 00:42:12,960

okay for people with 300 bucks it should

982

00:42:16,710 --> 00:42:13,520

be okay

983

00:42:20,309 --> 00:42:16,720

for anybody but they need to do it

984

00:42:20,950 --> 00:42:20,319

they need a new law right the guy in the

985

00:42:23,349 --> 00:42:20,960

fur

986

00:42:24,550 --> 00:42:23,359

horns told the fbi that trump told them

987

00:42:26,390 --> 00:42:24,560

to attack the capital

988

00:42:28,150 --> 00:42:26,400

yeah i'd heard that too and that's

989

00:42:28,630 --> 00:42:28,160

pretty damaging evidence against mr

990

00:42:31,109 --> 00:42:28,640

trump

991

00:42:33,109 --> 00:42:31,119

i don't i don't believe that donald

992

00:42:35,190 --> 00:42:33,119

trump like called the fur hat guy

993

00:42:37,510 --> 00:42:35,200

on the phone and told him to do that so

994

00:42:39,030 --> 00:42:37,520

i don't know how directly

995

00:42:40,550 --> 00:42:39,040

you know what i mean like i don't know

996

00:42:43,030 --> 00:42:40,560

how directly he means

997

00:42:43,589 --> 00:42:43,040

that or did he just mean it like you

998

00:42:45,349 --> 00:42:43,599

know

999

00:42:46,790 --> 00:42:45,359

trump told us to fight fight fight so we

1000

00:42:48,309 --> 00:42:46,800

went there and stormed you know

1001
00:42:50,550 --> 00:42:48,319
it's going to be hard to connect those

1002
00:42:51,510 --> 00:42:50,560
dots and criminally prosecute trump i

1003
00:42:54,710 --> 00:42:51,520
think but they are

1004
00:42:55,910 --> 00:42:54,720
already calling for article 25 to remove

1005
00:42:59,190 --> 00:42:55,920
him from office

1006
00:43:00,390 --> 00:42:59,200
and uh i believe on monday they're

1007
00:43:03,270 --> 00:43:00,400
saying that they're gonna

1008
00:43:05,270 --> 00:43:03,280
they're gonna do another impeachment but

1009
00:43:07,109 --> 00:43:05,280
the guy's only got 12 days left

1010
00:43:09,030 --> 00:43:07,119
in office like i don't know how they

1011
00:43:10,950 --> 00:43:09,040
could get through in a whole impeachment

1012
00:43:12,790 --> 00:43:10,960
trial and hearing in 12 days i think

1013
00:43:16,230 --> 00:43:12,800

it's largely

1014

00:43:20,230 --> 00:43:16,240

more sending him a message you know

1015

00:43:22,230 --> 00:43:20,240

and his supporters a message right

1016

00:43:24,150 --> 00:43:22,240

the shamrock is a white supremacist only

1017

00:43:27,270 --> 00:43:24,160

the five leaders have the shamrock

1018

00:43:30,150 --> 00:43:27,280

have not heard that

1019

00:43:32,390 --> 00:43:30,160

jonassite says i have valk nut it's an

1020

00:43:34,550 --> 00:43:32,400

odin symbol for the fallen warriors that

1021

00:43:37,109 --> 00:43:34,560

have died and go to valhalla to fight in

1022

00:43:39,589 --> 00:43:37,119

ragnarok

1023

00:43:42,069 --> 00:43:39,599

jonas that sounds like a horror movie

1024

00:43:45,109 --> 00:43:43,670

that sounds like a thor movie you're

1025

00:43:46,470 --> 00:43:45,119

talking about i don't know what kind of

1026
00:43:47,510 --> 00:43:46,480
[h__h] you're talking about but it sounds

1027
00:43:52,150 --> 00:43:47,520
like a thor

1028
00:43:56,230 --> 00:43:54,069
i learned most of what i know about

1029
00:44:01,349 --> 00:43:56,240
norse mythology from thor comic books

1030
00:44:05,109 --> 00:44:03,510
he can also be impeached after his term

1031
00:44:07,030 --> 00:44:05,119
ends i didn't know that

1032
00:44:08,870 --> 00:44:07,040
i thought the the purpose of an

1033
00:44:12,069 --> 00:44:08,880
impeachment is to remove

1034
00:44:13,510 --> 00:44:12,079
uh is to remove a president from office

1035
00:44:15,910 --> 00:44:13,520
for criminal acts

1036
00:44:16,950 --> 00:44:15,920
uh you can impeach him after he's no

1037
00:44:19,349 --> 00:44:16,960
longer president

1038
00:44:21,030 --> 00:44:19,359

i don't know i'll have to look i have to

1039

00:44:24,069 --> 00:44:21,040

look that up

1040

00:44:34,829 --> 00:44:24,079

i i've never heard that i thought you

1041

00:44:39,190 --> 00:44:37,430

office

1042

00:44:41,430 --> 00:44:39,200

you don't get the munchies on medical

1043

00:44:44,710 --> 00:44:41,440

weed carol utley says well maybe you do

1044

00:44:45,349 --> 00:44:44,720

actually oh i forgot we have to give a

1045

00:44:48,390 --> 00:44:45,359

shout out

1046

00:44:51,270 --> 00:44:48,400

to uh i want to thank

1047

00:44:51,910 --> 00:44:51,280

uh we have some new patreon supporters

1048

00:44:57,910 --> 00:44:51,920

uh

1049

00:45:01,589 --> 00:44:57,920

kind and generous donation from jill d

1050

00:45:02,870 --> 00:45:01,599

of 20 and i missed calling it out on the

1051

00:45:05,910 --> 00:45:02,880

night that she did that

1052

00:45:08,550 --> 00:45:05,920

so my apologies thank you

1053

00:45:10,150 --> 00:45:08,560

jill d for your kindness your generosity

1054

00:45:13,990 --> 00:45:10,160

and your support of our show

1055

00:45:18,230 --> 00:45:14,000

it really does help keep us going here

1056

00:45:20,950 --> 00:45:18,240

and it helps uh to

1057

00:45:21,990 --> 00:45:20,960

continue their journey here so thank you

1058

00:45:25,190 --> 00:45:22,000

jilti

1059

00:45:31,990 --> 00:45:28,870

you have my gratitude and my uh

1060

00:45:33,750 --> 00:45:32,000

my thanks i can't thank you enough uh

1061

00:45:35,270 --> 00:45:33,760

every time i log into paypal and see

1062

00:45:37,430 --> 00:45:35,280

somebody send a couple of bucks

1063

00:45:39,589 --> 00:45:37,440

it puts a smile on my face so thanks

1064

00:45:43,190 --> 00:45:39,599

jill dee for putting a smile on my face

1065

00:45:46,069 --> 00:45:43,200

i needed a smile that day honestly

1066

00:45:47,829 --> 00:45:46,079

okay and i don't want to give their name

1067

00:45:51,190 --> 00:45:47,839

um

1068

00:45:55,589 --> 00:45:51,200

we have a new patreon our

1069

00:45:59,109 --> 00:45:55,599

initials rk because i got the real name

1070

00:46:03,270 --> 00:45:59,119

uh and then somebody deleted theirs

1071

00:46:06,390 --> 00:46:03,280

huh okay

1072

00:46:08,069 --> 00:46:06,400

so yeah we went up one

1073

00:46:09,990 --> 00:46:08,079

and then we went down one as far as

1074

00:46:12,230 --> 00:46:10,000

patreon uh

1075

00:46:14,790 --> 00:46:12,240

there if anybody would like to help our

1076

00:46:17,829 --> 00:46:14,800

show there's a patreon

1077

00:46:20,470 --> 00:46:17,839

donate or join button in the

1078

00:46:20,870 --> 00:46:20,480

about section here on our main channel

1079

00:46:26,230 --> 00:46:20,880

or

1080

00:46:28,309 --> 00:46:26,240

you can make a one-time donation

1081

00:46:30,390 --> 00:46:28,319

my thanks to everybody that has donated

1082

00:46:32,230 --> 00:46:30,400

or joined us on patreon

1083

00:46:36,309 --> 00:46:32,240

uh really does help to keep the show

1084

00:46:40,710 --> 00:46:38,710

so uh some people have asked if i'm

1085

00:46:42,710 --> 00:46:40,720

going to continue this coverage of this

1086

00:46:43,829 --> 00:46:42,720

david wilcox latest live stream and i

1087

00:46:46,710 --> 00:46:43,839

thought a lot about it and

1088

00:46:48,630 --> 00:46:46,720

no i think i'm not uh because i

1089

00:46:50,950 --> 00:46:48,640

previewed more of his stream

1090

00:46:52,470 --> 00:46:50,960

and me covering that stream is gonna go

1091

00:46:55,190 --> 00:46:52,480

a lot like this

1092

00:46:57,349 --> 00:46:55,200

what a [h__h] liar jesus christ david

1093

00:46:59,430 --> 00:46:57,359

wilcock you [h__h] lied again

1094

00:47:01,030 --> 00:46:59,440

jesus christ david wilcock this source

1095

00:47:02,550 --> 00:47:01,040

is terrible

1096

00:47:05,589 --> 00:47:02,560

are you [h__h] kidding me connected

1097

00:47:06,950 --> 00:47:05,599

dots aren't there [h__h] you david wilcock

1098

00:47:09,750 --> 00:47:06,960

i can't believe how much you [h__h]

1099

00:47:10,790 --> 00:47:09,760

lied jesus christ you lied again that's

1100

00:47:14,630 --> 00:47:10,800

exact

1101

00:47:17,270 --> 00:47:14,640

dude it will take five more shows

1102

00:47:17,750 --> 00:47:17,280

probably maybe four to get through

1103

00:47:21,589 --> 00:47:17,760

another

1104

00:47:24,470 --> 00:47:21,599

two hours of him talking

1105

00:47:24,870 --> 00:47:24,480

and i think that the first show we did

1106

00:47:27,190 --> 00:47:24,880

is

1107

00:47:28,230 --> 00:47:27,200

more than sufficient to show people what

1108

00:47:31,030 --> 00:47:28,240

a liar this guy

1109

00:47:32,549 --> 00:47:31,040

is that the first half hour he lied so

1110

00:47:33,829 --> 00:47:32,559

many times

1111

00:47:36,790 --> 00:47:33,839

what are the chances he's going to start

1112

00:47:40,069 --> 00:47:36,800

telling the truth for the next two hours

1113

00:47:41,430 --> 00:47:40,079

the chances are about zero right or what

1114

00:47:43,589 --> 00:47:41,440

are the chances he's going to provide

1115

00:47:45,270 --> 00:47:43,599

any valuable information or something

1116

00:47:46,950 --> 00:47:45,280

that's true and accurate in the next two

1117

00:47:49,589 --> 00:47:46,960

hours when he spent the first 40 minutes

1118

00:47:51,750 --> 00:47:49,599

lying through his fake [h__h] teeth

1119

00:47:53,510 --> 00:47:51,760

and i don't know maybe i'm being lazy

1120

00:47:54,870 --> 00:47:53,520

but i did preview some of

1121

00:47:56,790 --> 00:47:54,880

what he was talking about i just went

1122

00:47:58,630 --> 00:47:56,800

jesus christ like

1123

00:47:59,829 --> 00:47:58,640

that it's not entertaining for me to

1124

00:48:01,589 --> 00:47:59,839

just sit there and go what a [h__h]

1125

00:48:02,230 --> 00:48:01,599

liar what a [h__h] liar stop him every

1126

00:48:04,069 --> 00:48:02,240

two minutes

1127

00:48:05,589 --> 00:48:04,079

he [h__h] lied again there he goes

1128

00:48:07,589 --> 00:48:05,599

lying again right

1129

00:48:12,309 --> 00:48:07,599

do we really want five more shows of me

1130

00:48:18,390 --> 00:48:15,349

uh yeah i just don't think so so

1131

00:48:18,870 --> 00:48:18,400

uh we're gonna call it at the one uh the

1132

00:48:20,790 --> 00:48:18,880

one

1133

00:48:22,309 --> 00:48:20,800

coverage of the first 40 minutes of it

1134

00:48:23,990 --> 00:48:22,319

because i you know

1135

00:48:25,270 --> 00:48:24,000

but i reserve the right to go back to it

1136

00:48:27,030 --> 00:48:25,280

if there's something good in there that

1137

00:48:27,990 --> 00:48:27,040

somebody sends me that i do want to talk

1138

00:48:31,349 --> 00:48:28,000

about

1139

00:48:33,589 --> 00:48:31,359

right uh because you never know

1140

00:48:34,790 --> 00:48:33,599

i mean the gem my favorite gem from the

1141

00:48:38,390 --> 00:48:34,800

first

1142

00:48:40,870 --> 00:48:38,400

clown

1143

00:48:42,710 --> 00:48:40,880

his latest stream was the new kind of

1144

00:48:43,030 --> 00:48:42,720

nuclear weapon that doesn't blow things

1145

00:48:46,470 --> 00:48:43,040

up

1146

00:48:49,750 --> 00:48:46,480

but shrinks them honey i shrunk the kids

1147

00:48:53,190 --> 00:48:49,760

right what a bunch of [h__h]

1148

00:48:55,589 --> 00:48:53,200

man what a bunch of [h__h]

1149

00:48:57,510 --> 00:48:55,599

a a new kind of nuclear he said it

1150

00:48:59,589 --> 00:48:57,520

there's a new kind of nuclear weapon

1151
00:49:01,750 --> 00:48:59,599
but it doesn't blow things up it shrinks

1152
00:49:05,190 --> 00:49:01,760
them

1153
00:49:09,030 --> 00:49:05,200
that was my favorite from from this last

1154
00:49:10,710 --> 00:49:09,040
from this first 40 minutes of a stream

1155
00:49:12,390 --> 00:49:10,720
if there's some more gems in there like

1156
00:49:15,030 --> 00:49:12,400
that i may

1157
00:49:16,630 --> 00:49:15,040
uh go back to covering his latest stream

1158
00:49:18,710 --> 00:49:16,640
but like i said

1159
00:49:20,549 --> 00:49:18,720
it it wouldn't be entertaining not for

1160
00:49:23,190 --> 00:49:20,559
five you know

1161
00:49:23,910 --> 00:49:23,200
five more two hour shows to do that that

1162
00:49:26,470 --> 00:49:23,920
would be ten

1163
00:49:27,670 --> 00:49:26,480

hours of me going david will come you're

1164

00:49:35,190 --> 00:49:27,680

such a [h__h] liar

1165

00:49:39,109 --> 00:49:37,270

hmm let's see did you see colonel

1166

00:49:40,309 --> 00:49:39,119

lawrence walkerson's analysis of what

1167

00:49:42,150 --> 00:49:40,319

happened at the capitol

1168

00:49:47,829 --> 00:49:42,160

development it was good food for thought

1169

00:49:57,030 --> 00:49:50,069

from the future fake guy david wilcock

1170

00:50:04,470 --> 00:49:59,670

i'm still fighting with this wood stove

1171

00:50:09,670 --> 00:50:07,510

there we go yeah

1172

00:50:11,349 --> 00:50:09,680

i'm like trying real hard not to not to

1173

00:50:13,430 --> 00:50:11,359

freeze to death during the stream

1174

00:50:15,349 --> 00:50:13,440

so just bear with me while i throw a

1175

00:50:19,109 --> 00:50:15,359

couple more logs in there

1176
00:50:19,829 --> 00:50:19,119
hopefully yeah the worst thing in the

1177
00:50:23,510 --> 00:50:19,839
world

1178
00:50:23,990 --> 00:50:23,520
is if you like i only have to put logs

1179
00:50:25,589 --> 00:50:24,000
on this

1180
00:50:27,750 --> 00:50:25,599
every couple of hours but sometimes you

1181
00:50:29,750 --> 00:50:27,760
get busy in here if i'm doing something

1182
00:50:31,349 --> 00:50:29,760
i get busy and i'll forget

1183
00:50:34,230 --> 00:50:31,359
and then the next thing i know it's like

1184
00:50:36,390 --> 00:50:34,240
going out and it's hard to keep it

1185
00:50:37,270 --> 00:50:36,400
you know to get it started again if you

1186
00:50:40,309 --> 00:50:37,280
wait too long

1187
00:50:42,870 --> 00:50:40,319
so considering it's

1188
00:50:44,150 --> 00:50:42,880

like i don't know i think it's probably

1189

00:50:48,549 --> 00:50:44,160

10 out there again

1190

00:50:48,559 --> 00:50:51,990

load it and rolling

1191

00:50:55,349 --> 00:50:54,549

there we go thanks friends sorry about

1192

00:50:58,710 --> 00:50:55,359

that

1193

00:51:04,150 --> 00:51:01,670

yeah so any comments or questions for me

1194

00:51:06,150 --> 00:51:04,160

please put them in the live chat

1195

00:51:08,230 --> 00:51:06,160

uh you know otherwise we're going to

1196

00:51:09,910 --> 00:51:08,240

call it a quick one tonight i just

1197

00:51:11,990 --> 00:51:09,920

wanted to uh

1198

00:51:17,990 --> 00:51:12,000

come back spend some time with you talk

1199

00:51:22,390 --> 00:51:20,790

uh london where are you i don't know if

1200

00:51:24,309 --> 00:51:22,400

you're talking to me but i'm in the

1201

00:51:28,470 --> 00:51:24,319

mountains of pennsylvania

1202

00:51:31,589 --> 00:51:30,390

victor surge says he's in the woods of

1203

00:51:34,950 --> 00:51:31,599

northern canada

1204

00:51:41,109 --> 00:51:34,960

no i'm uh i'm in the mountains of

1205

00:51:45,589 --> 00:51:43,750

as far as riots go dc was a [h__h] fest

1206

00:51:50,390 --> 00:51:45,599

yeah that wasn't that much destruction

1207

00:51:52,150 --> 00:51:50,400

or anything like you know i think i

1208

00:51:54,230 --> 00:51:52,160

heard though that they did do some major

1209

00:51:57,190 --> 00:51:54,240

damage to some historical items which

1210

00:51:59,430 --> 00:51:57,200

bothers me because you know

1211

00:52:00,630 --> 00:51:59,440

those paintings or whatever documents

1212

00:52:02,470 --> 00:52:00,640

they damaged could be

1213

00:52:04,470 --> 00:52:02,480

hundreds of years old and be important

1214

00:52:06,069 --> 00:52:04,480

to our nation's history

1215

00:52:07,589 --> 00:52:06,079

and to me things like that should be

1216

00:52:10,870 --> 00:52:07,599

revered

1217

00:52:13,270 --> 00:52:10,880

and respected and certainly not

1218

00:52:19,990 --> 00:52:13,280

destroyed in a hissy fit

1219

00:52:23,109 --> 00:52:21,430

another point of interest to me is the

1220

00:52:23,829 --> 00:52:23,119

people are like surprised that this [h__h]

1221

00:52:27,270 --> 00:52:23,839

has happened

1222

00:52:29,270 --> 00:52:27,280

like like all of this [h__h] happened like

1223

00:52:31,829 --> 00:52:29,280

what do you think is gonna happen when

1224

00:52:32,470 --> 00:52:31,839

you hire a former reality star to be the

1225

00:52:35,990 --> 00:52:32,480

president

1226
00:52:37,109 --> 00:52:36,000
right sweet chicks will you take us on a

1227
00:52:39,910 --> 00:52:37,119
cabin tour sometime

1228
00:52:40,390 --> 00:52:39,920
absolutely sweet cheeks uh i will do

1229
00:52:44,069 --> 00:52:40,400
that

1230
00:52:45,829 --> 00:52:44,079
and i uh gonna start a new youtube

1231
00:52:48,790 --> 00:52:45,839
channel soon

1232
00:52:49,829 --> 00:52:48,800
that is just going to be about the cabin

1233
00:52:53,109 --> 00:52:49,839
uh

1234
00:52:53,750 --> 00:52:53,119
all about the cabin and i'd like to

1235
00:52:56,950 --> 00:52:53,760
thank

1236
00:52:59,670 --> 00:52:56,960
uh our haters because we have three

1237
00:53:04,230 --> 00:52:59,680
thumbs downs already

1238
00:53:08,790 --> 00:53:06,470

but that's okay i love thumbs downs just

1239

00:53:11,270 --> 00:53:08,800

as much as i love thumbs ups because

1240

00:53:12,069 --> 00:53:11,280

it's engagement so thank you to the

1241

00:53:14,470 --> 00:53:12,079

haters

1242

00:53:15,270 --> 00:53:14,480

or the people that think i suck uh it

1243

00:53:18,549 --> 00:53:15,280

still helps

1244

00:53:21,190 --> 00:53:18,559

you can thumbs down me all you like uh

1245

00:53:22,549 --> 00:53:21,200

it helps engagement is is a good thing

1246

00:53:26,630 --> 00:53:22,559

whether it's a positive or negative

1247

00:53:31,510 --> 00:53:29,270

joan aside apocalypse cabin con details

1248

00:53:33,829 --> 00:53:31,520

coming soon you know if not for covid

1249

00:53:35,829 --> 00:53:33,839

i would do something like that genocide

1250

00:53:37,270 --> 00:53:35,839

especially if we get this new land that

1251

00:53:39,910 --> 00:53:37,280

i'm looking for

1252

00:53:41,510 --> 00:53:39,920

uh which is um going to be a lot more

1253

00:53:43,349 --> 00:53:41,520

land so it'll be a lot more places for

1254

00:53:45,190 --> 00:53:43,359

people to camp and hang out i guess

1255

00:53:46,390 --> 00:53:45,200

i don't know we'll see something like

1256

00:53:49,190 --> 00:53:46,400

that what might happen

1257

00:53:50,549 --> 00:53:49,200

before covet i was talking about doing

1258

00:53:55,190 --> 00:53:50,559

something like

1259

00:53:57,030 --> 00:53:55,200

uh contact in the mountains

1260

00:53:58,790 --> 00:53:57,040

and it would be a free event anybody

1261

00:54:00,950 --> 00:53:58,800

could come um

1262

00:54:02,870 --> 00:54:00,960

i was just really hoping that i could

1263

00:54:04,230 --> 00:54:02,880

get some friends to be speakers or

1264

00:54:05,430 --> 00:54:04,240

something because i don't want to

1265

00:54:07,910 --> 00:54:05,440

you know what am i going to talk about

1266

00:54:09,589 --> 00:54:07,920

for a couple of days right

1267

00:54:11,349 --> 00:54:09,599

but i thought if we get enough people we

1268

00:54:12,870 --> 00:54:11,359

can have people do presentations on

1269

00:54:16,150 --> 00:54:12,880

different subjects or cases

1270

00:54:16,790 --> 00:54:16,160

or whatever give talks and it would all

1271

00:54:19,430 --> 00:54:16,800

be free

1272

00:54:21,270 --> 00:54:19,440

right instead of you know paying for a

1273

00:54:22,069 --> 00:54:21,280

plane ticket and paying for this and

1274

00:54:24,069 --> 00:54:22,079

paying for that

1275

00:54:25,430 --> 00:54:24,079

just bring a tent in a sleeping bag and

1276

00:54:27,670 --> 00:54:25,440

something to eat

1277

00:54:29,030 --> 00:54:27,680

and we'll give you a fire ring and uh

1278

00:54:34,150 --> 00:54:29,040

you know

1279

00:54:37,270 --> 00:54:35,910

genocide says three those are rookie

1280

00:54:41,910 --> 00:54:37,280

numbers you get you need to get the

1281

00:54:47,589 --> 00:54:45,030

cuertards need love too yeah lee

1282

00:54:48,710 --> 00:54:47,599

follow the scam right what to leave what

1283

00:54:50,470 --> 00:54:48,720

are you gonna do

1284

00:54:52,150 --> 00:54:50,480

if that fizzles out right you've been

1285

00:54:57,670 --> 00:54:52,160

following this crap for years

1286

00:55:02,870 --> 00:55:00,789

the q people are so close to realizing

1287

00:55:04,870 --> 00:55:02,880

capitalism as the problem

1288

00:55:06,710 --> 00:55:04,880

i don't have a problem with capitalism

1289

00:55:08,309 --> 00:55:06,720

victor sarge i have a problem with crony

1290

00:55:13,510 --> 00:55:08,319

capitalism though there's a big

1291

00:55:20,630 --> 00:55:16,390

out of mind says i love that idea yeah

1292

00:55:22,150 --> 00:55:20,640

we'll see i mean

1293

00:55:23,670 --> 00:55:22,160

i think a problem might be parking

1294

00:55:25,829 --> 00:55:23,680

though like that's why i'm thinking

1295

00:55:27,109 --> 00:55:25,839

if i get this new plot of land i'll put

1296

00:55:30,230 --> 00:55:27,119

a big

1297

00:55:32,309 --> 00:55:30,240

place for people to park

1298

00:55:34,069 --> 00:55:32,319

right even if they have to hike into the

1299

00:55:35,829 --> 00:55:34,079

campsite or whatever

1300

00:55:37,750 --> 00:55:35,839

but i don't know uh we're gonna we're

1301
00:55:40,069 --> 00:55:37,760
gonna investigate the possibility of

1302
00:55:43,270 --> 00:55:40,079
doing something like that in the future

1303
00:55:45,670 --> 00:55:43,280
um or i could just have people like

1304
00:55:46,549 --> 00:55:45,680
from the show or the live chat as guests

1305
00:55:50,069 --> 00:55:46,559
but not like

1306
00:55:52,789 --> 00:55:50,079
you know 50 of you you know like maybe

1307
00:55:54,950 --> 00:55:52,799
you know one person or we'll do like a

1308
00:55:55,670 --> 00:55:54,960
prize like weekend at the cabin if you

1309
00:55:57,589 --> 00:55:55,680
can get here

1310
00:56:00,829 --> 00:55:57,599
you're welcome and we'll feed you and

1311
00:56:06,150 --> 00:56:05,109
yeah we were going to rent a space for

1312
00:56:09,270 --> 00:56:06,160
free conventions

1313
00:56:09,670 --> 00:56:09,280

out here in la yeah yeah you know what

1314

00:56:13,030 --> 00:56:09,680

look

1315

00:56:15,030 --> 00:56:13,040

because some of them will let you rent

1316

00:56:18,710 --> 00:56:15,040

their hall for like 100 bucks a day

1317

00:56:21,510 --> 00:56:18,720

right you don't need a big a big

1318

00:56:30,069 --> 00:56:21,520

you know concert hall or a big like

1319

00:56:33,109 --> 00:56:30,079

convention hall from a hotel

1320

00:56:34,390 --> 00:56:33,119

biden is my creepy old uncle yeah i

1321

00:56:37,430 --> 00:56:34,400

agree with you

1322

00:56:42,870 --> 00:56:37,440

that dude is creepy joe biden's creepy

1323

00:56:46,390 --> 00:56:44,710

in an unregulated free market with no

1324

00:56:47,829 --> 00:56:46,400

accountability that is to stop they have

1325

00:56:51,990 --> 00:56:47,839

faith actors from creating crony

1326

00:56:55,510 --> 00:56:53,750

well i think there could be safeguards

1327

00:56:57,349 --> 00:56:55,520

put in place to prevent that

1328

00:57:00,710 --> 00:56:57,359

but the crony capitalists don't want

1329

00:57:03,990 --> 00:57:02,549

michael says finding venues is what he

1330

00:57:07,349 --> 00:57:04,000

does yeah good

1331

00:57:07,910 --> 00:57:07,359

find some i uh early on in the music

1332

00:57:10,470 --> 00:57:07,920

business

1333

00:57:11,190 --> 00:57:10,480

i figured out real fast that like i

1334

00:57:13,750 --> 00:57:11,200

could go play

1335

00:57:14,710 --> 00:57:13,760

bars and get paid like nothing whatever

1336

00:57:16,789 --> 00:57:14,720

they felt was

1337

00:57:18,309 --> 00:57:16,799

you know and it was always you were

1338

00:57:19,589 --> 00:57:18,319

always getting ripped off like okay

1339

00:57:20,630 --> 00:57:19,599

we're going to have 50 people show up

1340

00:57:23,190 --> 00:57:20,640

here and pay 10

1341

00:57:23,910 --> 00:57:23,200

to get in and then they're gonna all buy

1342

00:57:27,030 --> 00:57:23,920

eight dollar

1343

00:57:28,150 --> 00:57:27,040

beer beers all night so the venue cleans

1344

00:57:30,230 --> 00:57:28,160

up and then they give

1345

00:57:32,309 --> 00:57:30,240

the band like 50 bucks or something so i

1346

00:57:35,750 --> 00:57:32,319

figured out real fast that i could

1347

00:57:36,309 --> 00:57:35,760

rent my own venue right and we did a

1348

00:57:38,069 --> 00:57:36,319

bunch of

1349

00:57:39,430 --> 00:57:38,079

shows like that where we just rented a

1350

00:57:42,549 --> 00:57:39,440

hall uh

1351

00:57:44,390 --> 00:57:42,559

church halls yeah

1352

00:57:46,309 --> 00:57:44,400

yeah so some shout outs we have philip

1353

00:57:48,309 --> 00:57:46,319

blair we have michael we have bee gees

1354

00:57:52,069 --> 00:57:48,319

we have carol utley we have victor

1355

00:57:54,789 --> 00:57:52,079

serge is here uh paul cargo is here

1356

00:57:59,109 --> 00:57:54,799

paranormal hood live is here

1357

00:58:03,829 --> 00:57:59,119

genocide is here pragmatic is here

1358

00:58:07,990 --> 00:58:03,839

uh eileen ebony is here

1359

00:58:13,430 --> 00:58:08,000

brock landers is here andrew whitley

1360

00:58:13,440 --> 00:58:17,670

dan hogan is here

1361

00:58:27,430 --> 00:58:22,390

luden barnes is here

1362

00:58:30,630 --> 00:58:29,910

will ets embrace us with open arms or

1363

00:58:33,670 --> 00:58:30,640

destroy

1364

00:58:37,510 --> 00:58:33,680

our whole race uh i would

1365

00:58:38,870 --> 00:58:37,520

say 50 50. you know a lot of people have

1366

00:58:42,230 --> 00:58:38,880

this argument that all

1367

00:58:43,430 --> 00:58:42,240

ets are benevolent and then there's

1368

00:58:45,349 --> 00:58:43,440

another side of that

1369

00:58:47,990 --> 00:58:45,359

which is saying that all ets are a

1370

00:58:51,990 --> 00:58:48,000

threat i think

1371

00:58:53,589 --> 00:58:52,000

if the animal kingdom is any indication

1372

00:58:55,430 --> 00:58:53,599

you know you're gonna have some species

1373

00:58:58,549 --> 00:58:55,440

that will be

1374

00:59:01,030 --> 00:58:58,559

violent and predatory

1375

00:59:02,470 --> 00:59:01,040

right either by nature or by nurture or

1376

00:59:03,750 --> 00:59:02,480

for whatever reason they're gonna be

1377

00:59:05,190 --> 00:59:03,760

predatory

1378

00:59:07,990 --> 00:59:05,200

and then they're gonna have some species

1379

00:59:10,150 --> 00:59:08,000

that are peaceful and not predatory

1380

00:59:11,430 --> 00:59:10,160

uh so i think it's it's really a

1381

00:59:13,190 --> 00:59:11,440

crapshoot

1382

00:59:15,670 --> 00:59:13,200

uh whether they will embrace us with

1383

00:59:17,510 --> 00:59:15,680

open arms or destroy our whole race

1384

00:59:19,430 --> 00:59:17,520

i think it depends on what species we

1385

00:59:21,990 --> 00:59:19,440

encounter right

1386

00:59:23,750 --> 00:59:22,000

and interesting thought experiment is

1387

00:59:26,309 --> 00:59:23,760

what if we encounter

1388

00:59:28,549 --> 00:59:26,319

only the good type first will we then

1389

00:59:31,270 --> 00:59:28,559

let our guard down and think all of them

1390

00:59:33,670 --> 00:59:31,280

are going to be you know our space

1391

00:59:36,789 --> 00:59:33,680

brothers

1392

00:59:40,870 --> 00:59:36,799

i don't know i don't know but it's

1393

00:59:44,069 --> 00:59:42,470

too much woo we don't have to worry

1394

00:59:45,270 --> 00:59:44,079

about aliens killing us we're good at

1395

00:59:48,069 --> 00:59:45,280

that on our own

1396

00:59:49,190 --> 00:59:48,079

yeah absolutely we are definitely good

1397

00:59:50,870 --> 00:59:49,200

at that

1398

00:59:52,230 --> 00:59:50,880

we are definitely definitely good at

1399

00:59:55,750 --> 00:59:52,240

that

1400

00:59:56,549 --> 00:59:55,760

and i'm gonna put my begging bowl out

1401

00:59:59,270 --> 00:59:56,559

let's see

1402

01:00:00,150 --> 00:59:59,280

uh well first i'll say this please do

1403

01:00:03,589 --> 01:00:00,160

like comment

1404

01:00:05,910 --> 01:00:03,599

and subscribe to our channel

1405

01:00:07,510 --> 01:00:05,920

add their channel address send the

1406

01:00:13,349 --> 01:00:07,520

channel address to some friends

1407

01:00:18,150 --> 01:00:16,150

expand the show we really do need just a

1408

01:00:19,670 --> 01:00:18,160

few more subscribers before these stupid

1409

01:00:22,069 --> 01:00:19,680

numbers are gonna

1410

01:00:23,030 --> 01:00:22,079

you know be good enough that we're gonna

1411

01:00:30,710 --> 01:00:23,040

be allowed

1412

01:00:37,750 --> 01:00:34,069

and uh i got a message from michael

1413

01:00:39,990 --> 01:00:37,760

on facebook and yes we can uh sure thing

1414

01:00:42,230 --> 01:00:40,000

absolutely and he knows what i'm talking

1415

01:00:44,870 --> 01:00:42,240

about even if most of you don't so uh

1416

01:00:47,349 --> 01:00:44,880

i got sidetracked yeah yeah like comment

1417

01:00:48,950 --> 01:00:47,359

subscribe hit that notification bell

1418

01:00:50,390 --> 01:00:48,960

please send our channel address to some

1419

01:00:51,190 --> 01:00:50,400

other friends we're trying really hard

1420

01:00:54,309 --> 01:00:51,200

to get

1421

01:00:58,390 --> 01:00:54,319

just about there

1422

01:01:00,390 --> 01:00:58,400

go down a bunch

1423

01:01:02,470 --> 01:01:00,400

like by five and i was pissed off when

1424

01:01:04,069 --> 01:01:02,480

you only need like 10 or 11 more and

1425

01:01:05,750 --> 01:01:04,079

then it goes down by five but then it

1426

01:01:08,950 --> 01:01:05,760

went back up and i don't know i'm gonna

1427

01:01:10,309 --> 01:01:08,960

stop looking at it for a while

1428

01:01:11,670 --> 01:01:10,319

and also it's important for me to

1429

01:01:13,190 --> 01:01:11,680

mention that we do need your financial

1430

01:01:15,270 --> 01:01:13,200

support to continue the show please

1431

01:01:17,190 --> 01:01:15,280

consider a paypal donation or becoming a

1432

01:01:19,750 --> 01:01:17,200

patreon supporter

1433

01:01:22,309 --> 01:01:19,760

uh if you do want to see our show

1434

01:01:24,470 --> 01:01:22,319

continue

1435

01:01:25,750 --> 01:01:24,480

there are links in the about section for

1436

01:01:28,470 --> 01:01:25,760

either and you can

1437

01:01:29,990 --> 01:01:28,480

uh you know there's a patreon join

1438

01:01:30,549 --> 01:01:30,000

patreon it'll take you right to our

1439

01:01:33,349 --> 01:01:30,559

patreon

1440

01:01:34,150 --> 01:01:33,359

or donate one-time donation by paypal

1441

01:01:37,349 --> 01:01:34,160

please please

1442

01:01:39,750 --> 01:01:37,359

if you send um yeah send us some money

1443

01:01:41,910 --> 01:01:39,760

you leeches make a paypal donation but

1444

01:01:43,109 --> 01:01:41,920

listen if you make a paypal donation

1445

01:01:45,589 --> 01:01:43,119

please click

1446

01:01:46,630 --> 01:01:45,599

add a note and give us your chat room

1447

01:01:48,710 --> 01:01:46,640

user id

1448

01:01:50,309 --> 01:01:48,720

i don't want to shout out your real name

1449

01:01:52,390 --> 01:01:50,319

you probably don't want me to shout out

1450

01:01:55,589 --> 01:01:52,400

your real name so just add a note

1451

01:01:57,029 --> 01:01:55,599

put your chat room user id and then

1452

01:01:58,710 --> 01:01:57,039

anything that you'd like me to share on

1453

01:02:01,829 --> 01:01:58,720

the show on your behalf

1454

01:02:03,829 --> 01:02:01,839

and i'd be happy to do that yeah so uh

1455

01:02:05,510 --> 01:02:03,839

if you do send a paypal donation again

1456

01:02:07,349 --> 01:02:05,520

include your chat room user id in the

1457

01:02:09,510 --> 01:02:07,359

note line and any message you'd like me

1458

01:02:11,430 --> 01:02:09,520

to shout out

1459

01:02:13,029 --> 01:02:11,440

it really does help if you add the note

1460

01:02:14,870 --> 01:02:13,039

line because otherwise sometimes i get

1461

01:02:18,390 --> 01:02:14,880

these paypal donations and

1462

01:02:22,309 --> 01:02:18,400

people don't know uh you know like

1463

01:02:26,630 --> 01:02:25,430

i don't know sometimes who that is from

1464

01:02:28,150 --> 01:02:26,640

the live chat

1465

01:02:29,990 --> 01:02:28,160

you know like sometimes the dots don't

1466

01:02:30,870 --> 01:02:30,000

connect for me some of you i know by now

1467

01:02:34,549 --> 01:02:30,880

but

1468

01:02:36,870 --> 01:02:34,559

some of them not so much right

1469

01:02:38,470 --> 01:02:36,880

so i'm gonna once again check in with

1470

01:02:40,309 --> 01:02:38,480

our our paypal

1471

01:02:43,190 --> 01:02:40,319

just to make sure there's not anybody

1472

01:02:45,510 --> 01:02:43,200

that i have to shout out

1473

01:02:46,390 --> 01:02:45,520

and we're good on that and i'll check in

1474

01:02:49,029 --> 01:02:46,400

with our

1475

01:02:50,470 --> 01:02:49,039

patreon notifications notice also if you

1476

01:02:52,390 --> 01:02:50,480

sign up for patreon

1477

01:02:53,589 --> 01:02:52,400

while we're live on air i do monitor

1478

01:02:56,870 --> 01:02:53,599

that and we'll shout

1479

01:03:00,789 --> 01:02:56,880

you out and thank you profusely

1480

01:03:03,109 --> 01:03:00,799

so yeah okay well

1481

01:03:05,430 --> 01:03:03,119

friends i'm glad that i got a chance to

1482

01:03:06,549 --> 01:03:05,440

just check in with you talk about a few

1483

01:03:08,870 --> 01:03:06,559

things

1484

01:03:10,549 --> 01:03:08,880

on my mind from current events i can't

1485

01:03:12,470 --> 01:03:10,559

wait to see where these letter of the

1486

01:03:14,630 --> 01:03:12,480

alphabet idiots are going to go next

1487

01:03:16,150 --> 01:03:14,640

right where we go when we go all right

1488

01:03:19,829 --> 01:03:16,160

off a [h__h] cliff

1489

01:03:22,710 --> 01:03:19,839

apparently right and it's so funny

1490

01:03:24,390 --> 01:03:22,720

uh that some people are so adamantly

1491

01:03:26,309 --> 01:03:24,400

into this [h__h] that they're still

1492

01:03:28,950 --> 01:03:26,319

thinking that something's gonna happen

1493

01:03:30,150 --> 01:03:28,960

oh before january 20th the military is

1494

01:03:33,910 --> 01:03:30,160

going to intervene

1495

01:03:37,109 --> 01:03:33,920

right the supreme court's going to step

1496

01:03:40,549 --> 01:03:37,119

in because the evidence of of

1497

01:03:43,109 --> 01:03:40,559

fraud is too great right yeah

1498

01:03:44,549 --> 01:03:43,119

yeah right i think the next hot button

1499

01:03:45,589 --> 01:03:44,559

day to watch though is going to be

1500

01:03:48,630 --> 01:03:45,599

january 20th

1501

01:03:50,309 --> 01:03:48,640

i think things friends could pop off and

1502

01:03:53,190 --> 01:03:50,319

pop off big

1503

01:03:54,710 --> 01:03:53,200

uh if it does just be sure to have you

1504

01:03:58,710 --> 01:03:54,720

know

1505

01:04:00,789 --> 01:03:58,720

have some supplies be ready just in case

1506

01:04:02,630 --> 01:04:00,799

just in case can't hurt then you're not

1507

01:04:03,829 --> 01:04:02,640

a preppy crazy person prepper crazy

1508

01:04:06,789 --> 01:04:03,839

person you're just

1509

01:04:08,309 --> 01:04:06,799

overly cautious abundantly cautious and

1510

01:04:10,950 --> 01:04:08,319

no harm can come

1511

01:04:12,630 --> 01:04:10,960

from being abundantly cautious at least

1512

01:04:14,710 --> 01:04:12,640

i don't think so

1513

01:04:16,390 --> 01:04:14,720

i mean i've got an entire apocalypse

1514

01:04:19,589 --> 01:04:16,400

cabin you don't need all that

1515

01:04:22,150 --> 01:04:19,599

right but having

1516

01:04:23,270 --> 01:04:22,160

a little bit of extra supplies batteries

1517

01:04:26,549 --> 01:04:23,280

candles

1518

01:04:27,270 --> 01:04:26,559

things like that uh can't hurt the extra

1519

01:04:30,950 --> 01:04:27,280

food

1520

01:04:33,670 --> 01:04:30,960

in your cupboard right just in case

1521

01:04:35,750 --> 01:04:33,680

just in case genocide says yep jfk is

1522

01:04:42,630 --> 01:04:35,760

coming back any day now any day

1523

01:04:45,990 --> 01:04:45,270

renee is here her name is genocide stay

1524

01:04:47,510 --> 01:04:46,000

warm

1525

01:04:49,589 --> 01:04:47,520

stephen we don't want you to be a steve

1526

01:04:51,270 --> 01:04:49,599

pop yeah it was this was the

1527

01:04:52,630 --> 01:04:51,280

one of the coldest weekends i've ever

1528

01:04:55,670 --> 01:04:52,640

been here

1529

01:04:57,910 --> 01:04:55,680

uh and and uh and it just slows me down

1530

01:04:59,750 --> 01:04:57,920

when it's too cold in here i can't

1531

01:05:02,069 --> 01:04:59,760

really work you know i spend most of my

1532

01:05:03,109 --> 01:05:02,079

time like stoking the fire and trying to

1533

01:05:05,430 --> 01:05:03,119

get the

1534

01:05:06,150 --> 01:05:05,440

the coals hot you know trying to get

1535

01:05:08,390 --> 01:05:06,160

this

1536

01:05:09,589 --> 01:05:08,400

place warmed up and you just it becomes

1537

01:05:16,470 --> 01:05:09,599

like a part-time job

1538

01:05:22,710 --> 01:05:19,510

andrew whitley when are you here next uh

1539

01:05:25,829 --> 01:05:22,720

i'm gonna do a show on monday night

1540

01:05:29,029 --> 01:05:25,839

from the regular studio my home studio

1541

01:05:31,990 --> 01:05:29,039

uh and i think that will be

1542

01:05:34,150 --> 01:05:32,000

uh you know where i have a presentation

1543

01:05:35,910 --> 01:05:34,160

that i've been preparing

1544

01:05:37,109 --> 01:05:35,920

on a strange mysterious subject that

1545

01:05:38,230 --> 01:05:37,119

i've been wanting to get into for a

1546

01:05:39,829 --> 01:05:38,240

while i think it's going to be a good

1547

01:05:43,829 --> 01:05:39,839

time that'll be monday night

1548

01:05:46,069 --> 01:05:43,839

at uh 8 p.m i believe

1549

01:05:47,029 --> 01:05:46,079

um but subject to change because i'm a

1550

01:05:51,109 --> 01:05:47,039

busy guy

1551
01:05:52,150 --> 01:05:51,119
and uh sweet cheeks would love to see

1552
01:05:54,630 --> 01:05:52,160
the cabin

1553
01:05:56,630 --> 01:05:54,640
uh well uh you know just for you sweet

1554
01:05:59,270 --> 01:05:56,640
cheeks you're a patreon supporter

1555
01:06:00,630 --> 01:05:59,280
just for you i will post a whole bunch

1556
01:06:02,630 --> 01:06:00,640
of pictures of the cabin

1557
01:06:04,230 --> 01:06:02,640
just for patreon supporters since you

1558
01:06:05,510 --> 01:06:04,240
asked i will definitely do that for you

1559
01:06:09,349 --> 01:06:05,520
in the next couple of days

1560
01:06:11,270 --> 01:06:09,359
i've got to anyway uh get my pictures

1561
01:06:14,470 --> 01:06:11,280
together for another project so

1562
01:06:16,470 --> 01:06:14,480
that will give me another thing

1563
01:06:17,589 --> 01:06:16,480

reason to get that project getting all

1564

01:06:20,789 --> 01:06:17,599

the pictures together

1565

01:06:25,109 --> 01:06:20,799

uh hunt you know it would give me a

1566

01:06:30,789 --> 01:06:26,630

yes people are going to say it happened

1567

01:06:35,750 --> 01:06:33,029

yeah the alternate timeline that's what

1568

01:06:37,430 --> 01:06:35,760

happened that's why the whole

1569

01:06:39,109 --> 01:06:37,440

letter of the alphabet thing came

1570

01:06:40,470 --> 01:06:39,119

crashing down because an alternate

1571

01:06:42,630 --> 01:06:40,480

timeline got started

1572

01:06:44,470 --> 01:06:42,640

and all that stuff that those drops were

1573

01:06:47,510 --> 01:06:44,480

talking about did happen

1574

01:06:52,069 --> 01:06:47,520

in an alternate timeline right it's

1575

01:06:55,829 --> 01:06:54,309

yeah absolutely cabin champion's gonna

1576

01:06:58,150 --> 01:06:55,839

post cabin

1577

01:06:59,029 --> 01:06:58,160

uh pizza pictures on patreon just to

1578

01:07:02,230 --> 01:06:59,039

spite me

1579

01:07:05,349 --> 01:07:02,240

yeah absolutely absolutely i am

1580

01:07:06,870 --> 01:07:05,359

just just despite dan hogan you know

1581

01:07:08,230 --> 01:07:06,880

it'll be funny when dan actually does

1582

01:07:09,510 --> 01:07:08,240

he's

1583

01:07:11,589 --> 01:07:09,520

i don't know what are you like a four

1584

01:07:13,750 --> 01:07:11,599

hour drive from the cabin probably but

1585

01:07:15,109 --> 01:07:13,760

you're within like the driving distance

1586

01:07:16,230 --> 01:07:15,119

to visit and i hope you'll do that

1587

01:07:18,789 --> 01:07:16,240

someday

1588

01:07:20,230 --> 01:07:18,799

dan and when you do you'll finally get

1589

01:07:24,470 --> 01:07:20,240

you'll finally get some

1590

01:07:27,270 --> 01:07:24,480

wood stove pizza

1591

01:07:29,270 --> 01:07:27,280

but just above just to bug him i do i

1592

01:07:32,069 --> 01:07:29,280

bust his balls every time

1593

01:07:32,870 --> 01:07:32,079

i have to post you know have to post the

1594

01:07:34,390 --> 01:07:32,880

picture

1595

01:07:36,309 --> 01:07:34,400

of the pizza coming out of the wood

1596

01:07:38,309 --> 01:07:36,319

stoves here

1597

01:07:40,230 --> 01:07:38,319

this one was pretty good this is peppers

1598

01:07:44,309 --> 01:07:40,240

pepperoni onions

1599

01:07:47,510 --> 01:07:44,319

and sausage real good

1600

01:07:53,510 --> 01:07:51,270

there we go so that's for dan hogan

1601
01:07:54,309 --> 01:07:53,520
pizza yeah and dan hogan says he's four

1602
01:07:56,390 --> 01:07:54,319
hours from there

1603
01:07:57,589 --> 01:07:56,400
yeah well you know in the summertime as

1604
01:08:00,549 --> 01:07:57,599
long as you've got your

1605
01:08:01,829 --> 01:08:00,559
shots i don't know if we'll all have our

1606
01:08:04,150 --> 01:08:01,839
shots by then

1607
01:08:05,430 --> 01:08:04,160
my wife is a little crazy about that

1608
01:08:07,510 --> 01:08:05,440
right now

1609
01:08:10,870 --> 01:08:07,520
and will remain so probably until

1610
01:08:15,029 --> 01:08:10,880
everyone uh

1611
01:08:16,550 --> 01:08:15,039
everyone is not a risk to

1612
01:08:19,189 --> 01:08:16,560
her family's health i think that's how

1613
01:08:21,990 --> 01:08:19,199

she's viewing it you know like

1614

01:08:23,590 --> 01:08:22,000

dana hook it says storm the cabin you

1615

01:08:26,229 --> 01:08:23,600

better not [h__h] because i got a

1616

01:08:29,110 --> 01:08:26,239

lot of guns in here

1617

01:08:29,990 --> 01:08:29,120

yeah i got a lot of guns and weapons

1618

01:08:32,149 --> 01:08:30,000

here

1619

01:08:34,390 --> 01:08:32,159

i even got a little crazy dan hogan and

1620

01:08:35,669 --> 01:08:34,400

i got like bows and arrows and like

1621

01:08:38,470 --> 01:08:35,679

spears and [h__h]

1622

01:08:40,630 --> 01:08:38,480

like you know swords i wanted to have

1623

01:08:43,990 --> 01:08:40,640

some primitive weapons just in case

1624

01:08:45,590 --> 01:08:44,000

you ran out of bullets right it's an

1625

01:08:46,950 --> 01:08:45,600

apocalypse cabin after all you never

1626
01:08:48,229 --> 01:08:46,960
know what could happen i could run out

1627
01:08:51,510 --> 01:08:48,239
of bullets

1628
01:08:53,590 --> 01:08:51,520
uh oh yeah dark raven says look like

1629
01:08:55,430 --> 01:08:53,600
i'll be stopping by for some pizza dark

1630
01:08:57,829 --> 01:08:55,440
ravens is my nephew

1631
01:08:59,749 --> 01:08:57,839
and he actually lives with his family

1632
01:09:01,749 --> 01:08:59,759
not too far from here i think he's about

1633
01:09:03,749 --> 01:09:01,759
20 minutes from here 25 minutes from

1634
01:09:05,189 --> 01:09:03,759
here and you are most welcome why don't

1635
01:09:07,669 --> 01:09:05,199
you come and co-host a show

1636
01:09:08,789 --> 01:09:07,679
one time that would be good and then

1637
01:09:11,030 --> 01:09:08,799
it'll look a little better

1638
01:09:12,789 --> 01:09:11,040

like higher production value than just

1639

01:09:13,269 --> 01:09:12,799

me right you could be a co-host for the

1640

01:09:15,349 --> 01:09:13,279

night

1641

01:09:16,950 --> 01:09:15,359

just come and hang out right maybe we'll

1642

01:09:21,189 --> 01:09:16,960

play some chess drink some beers

1643

01:09:23,269 --> 01:09:21,199

eat some pizza it'll be a good time

1644

01:09:25,590 --> 01:09:23,279

andrew whitley see see what you [h__h]

1645

01:09:30,709 --> 01:09:25,600

started let's storm the cambian cabin

1646

01:09:35,990 --> 01:09:34,390

michael says michael says heard there's

1647

01:09:41,510 --> 01:09:36,000

a shortage of drones greer must be

1648

01:09:44,630 --> 01:09:43,749

uh oh dan and i will send the termite

1649

01:09:48,309 --> 01:09:44,640

drones

1650

01:09:50,470 --> 01:09:48,319

oh boy okay date and time

1651

01:09:52,149 --> 01:09:50,480

how about next week i'm leaving tomorrow

1652

01:09:53,910 --> 01:09:52,159

you know but uh next week

1653

01:09:55,510 --> 01:09:53,920

like you should come here on a saturday

1654

01:09:57,990 --> 01:09:55,520

night next saturday night

1655

01:09:59,189 --> 01:09:58,000

i'll be here i'll i'll make sure we have

1656

01:10:02,870 --> 01:09:59,199

plenty of pizza stuff

1657

01:10:04,630 --> 01:10:02,880

and beers and yeah you're you're welcome

1658

01:10:06,950 --> 01:10:04,640

i'm gonna have to rearrange things so

1659

01:10:08,229 --> 01:10:06,960

that you can sit we want to move [h__h]

1660

01:10:11,030 --> 01:10:08,239

back or i don't know

1661

01:10:12,790 --> 01:10:11,040

i've never had a stream nice and and and

1662

01:10:13,350 --> 01:10:12,800

a co-host but we'll figure it out i mean

1663

01:10:16,070 --> 01:10:13,360

i've got

1664

01:10:17,590 --> 01:10:16,080

extra stuff here so we'll be fine yeah

1665

01:10:19,430 --> 01:10:17,600

next saturday would be good for me if

1666

01:10:26,709 --> 01:10:19,440

that's not good for you then next friday

1667

01:10:30,070 --> 01:10:29,350

the mole kids i've rescued will go in as

1668

01:10:31,990 --> 01:10:30,080

infantry

1669

01:10:33,830 --> 01:10:32,000

all right this is getting crazy all

1670

01:10:36,950 --> 01:10:33,840

right and

1671

01:10:38,709 --> 01:10:36,960

nicholas my nephew sounds like a plan

1672

01:10:40,149 --> 01:10:38,719

i always feel weird that he's my nephew

1673

01:10:42,630 --> 01:10:40,159

because he's like a big dude

1674

01:10:44,310 --> 01:10:42,640

and is bigger than me probably and you

1675

01:10:45,270 --> 01:10:44,320

know we're about the same age so it's

1676

01:10:46,790 --> 01:10:45,280

funny to like

1677

01:10:50,310 --> 01:10:46,800

call him my nephew but that's just the

1678

01:10:52,390 --> 01:10:50,320

way it worked out i get you know

1679

01:10:53,430 --> 01:10:52,400

yeah i'm hiding the aliens in the

1680

01:10:58,790 --> 01:10:53,440

apocalypse cat

1681

01:11:01,350 --> 01:10:58,800

yeah i have the uh yeah i have the

1682

01:11:02,950 --> 01:11:01,360

cryogenic chambers next door right

1683

01:11:05,270 --> 01:11:02,960

that's what the sun room is for

1684

01:11:06,070 --> 01:11:05,280

it's actually an uh underground under

1685

01:11:08,229 --> 01:11:06,080

the sun room

1686

01:11:09,510 --> 01:11:08,239

is alien cryogenic chambers where i'm

1687

01:11:11,830 --> 01:11:09,520

storing all of the

1688

01:11:15,750 --> 01:11:11,840

aliens and bodies that's exactly what's

1689

01:11:18,390 --> 01:11:17,270

yeah you have an ant older than you by

1690

01:11:20,630 --> 01:11:18,400

four months michael so you know what i

1691

01:11:23,189 --> 01:11:20,640

mean it just seems weird to call

1692

01:11:26,229 --> 01:11:23,199

you know call him my nephew but you know

1693

01:11:27,910 --> 01:11:26,239

it is what it is

1694

01:11:30,070 --> 01:11:27,920

knows cambium is working with the tall

1695

01:11:31,110 --> 01:11:30,080

grays no i like the little ones they're

1696

01:11:34,790 --> 01:11:31,120

cuter

1697

01:11:36,950 --> 01:11:34,800

the little grays yeah

1698

01:11:38,709 --> 01:11:36,960

so friends i just wanted to come check

1699

01:11:42,390 --> 01:11:38,719

in with you glad that i did

1700

01:11:44,390 --> 01:11:42,400

so uh i am gonna

1701

01:11:46,390 --> 01:11:44,400

check on my dinner which is on the wood

1702

01:11:48,229 --> 01:11:46,400

stove slow cooking here we're having

1703

01:11:51,110 --> 01:11:48,239

chicken and carrots and potatoes

1704

01:11:52,310 --> 01:11:51,120

it smells great i i'm sure it's done by

1705

01:11:55,669 --> 01:11:52,320

now

1706

01:11:59,189 --> 01:11:55,679

so we're gonna roll out i will be back

1707

01:12:02,950 --> 01:11:59,199
