

1
00:00:18,730 --> 00:00:17,650
[Music]

2
00:00:35,569 --> 00:00:18,740
thank you

3
00:00:35,579 --> 00:00:39,200
foreign

4
00:01:11,940 --> 00:01:09,230
[Music]

5
00:01:40,930 --> 00:01:11,950
foreign

6
00:02:11,869 --> 00:01:46,429
[Music]

7
00:02:19,850 --> 00:02:15,770
and salutations friends and welcome back

8
00:02:23,089 --> 00:02:19,860
today uh I thought that we would take a

9
00:02:25,610 --> 00:02:23,099
look at some of the Ridiculousness going

10
00:02:29,030 --> 00:02:25,620
on in conspiracy land

11
00:02:34,190 --> 00:02:29,040
uh especially with a

12
00:02:39,290 --> 00:02:36,949
for various reasons I'm not going to be

13
00:02:42,650 --> 00:02:39,300

mentioning which letter of the alphabet

14

00:02:47,809 --> 00:02:42,660

but most people are going to know what

15

00:02:52,250 --> 00:02:50,030

the reason that I can't mention the

16

00:02:53,270 --> 00:02:52,260

letter of the alphabet is because the

17

00:02:56,330 --> 00:02:53,280

idiots

18

00:02:58,850 --> 00:02:56,340

the stupid people the con artists and

19

00:03:01,190 --> 00:02:58,860

the grifters that have been pushing that

20

00:03:04,130 --> 00:03:01,200

letter of the alphabet for the past

21

00:03:06,949 --> 00:03:04,140

I don't know several years now four

22

00:03:11,809 --> 00:03:10,009

have made things incredibly difficult

23

00:03:15,649 --> 00:03:11,819

not just for

24

00:03:21,410 --> 00:03:15,659

me but for anyone who is a journalist a

25

00:03:26,030 --> 00:03:23,809

they're irresponsible spreading of

26
00:03:30,470 --> 00:03:26,040
complete and total garbage information

27
00:03:33,470 --> 00:03:30,480
that's not real that's made up fake [h__h]

28
00:03:35,089 --> 00:03:33,480
has led the tech Giants

29
00:03:38,149 --> 00:03:35,099
to

30
00:03:45,110 --> 00:03:38,159
New Heights

31
00:03:48,110 --> 00:03:45,120
of

32
00:03:51,470 --> 00:03:48,120
clamping down on these things on

33
00:03:53,630 --> 00:03:51,480
censoring people who talk about them

34
00:03:56,390 --> 00:03:53,640
after all

35
00:03:58,630 --> 00:03:56,400
one could argue how dangerous this

36
00:04:03,050 --> 00:03:58,640
letter of the alphabet

37
00:04:04,750 --> 00:04:03,060
conspiracy nonsense was after all

38
00:04:08,330 --> 00:04:04,760

uh

39

00:04:12,289 --> 00:04:08,340

I believe that there have been

40

00:04:19,310 --> 00:04:12,299

multiple murders and deaths

41

00:04:19,320 --> 00:04:25,670

this letter of the alphabet nonsense

42

00:04:29,810 --> 00:04:27,590

but it wasn't just that people were

43

00:04:30,950 --> 00:04:29,820

murdered over it or that people were

44

00:04:33,830 --> 00:04:30,960

killed

45

00:04:37,430 --> 00:04:33,840

over this nonsense

46

00:04:40,550 --> 00:04:37,440

it was that the proponents and pushers

47

00:04:47,749 --> 00:04:44,469

what can only be called a grand social

48

00:04:50,930 --> 00:04:47,759

experiment con

49

00:04:52,310 --> 00:04:50,940

those people who pushed this profited

50

00:04:55,070 --> 00:04:52,320

from it

51
00:04:56,990 --> 00:04:55,080
collected PayPal donations and super

52
00:04:59,870 --> 00:04:57,000
chats and

53
00:05:02,390 --> 00:04:59,880
sold books about it even in some cases

54
00:05:07,969 --> 00:05:05,090
many people cashed in on this letter of

55
00:05:11,450 --> 00:05:07,979
the alphabet conspiracy theory

56
00:05:14,330 --> 00:05:11,460
and everyone who did has the blood of

57
00:05:17,210 --> 00:05:14,340
those murdered people and people who

58
00:05:22,850 --> 00:05:20,629
ought certainly on their hands

59
00:05:25,249 --> 00:05:22,860
they all have blood on their hands

60
00:05:31,969 --> 00:05:25,259
because by stoking

61
00:05:42,650 --> 00:05:34,850
they literally helped cause the death of

62
00:05:48,290 --> 00:05:45,350
how many suicides

63
00:05:51,230 --> 00:05:48,300

can we attribute to this letter of the

64

00:05:58,550 --> 00:05:51,240

alphabet conspiracy

65

00:06:06,650 --> 00:06:02,990

of this failed social experiment or

66

00:06:09,469 --> 00:06:06,660

psyop some say

67

00:06:11,330 --> 00:06:09,479

how many people took their own lives for

68

00:06:13,070 --> 00:06:11,340

one reason or another

69

00:06:15,710 --> 00:06:13,080

after

70

00:06:17,390 --> 00:06:15,720

finding themselves in

71

00:06:19,309 --> 00:06:17,400

too deep

72

00:06:21,950 --> 00:06:19,319

into that

73

00:06:25,309 --> 00:06:21,960

very dark rabbit hole

74

00:06:28,610 --> 00:06:25,319

created by the proponents and promoters

75

00:06:31,309 --> 00:06:28,620

of this letter of the conspiracy

76

00:06:37,070 --> 00:06:31,319

nonsense

77

00:06:43,909 --> 00:06:39,110

those are the Forgotten victims we don't

78

00:06:50,150 --> 00:06:47,990

about a follower of this garbage

79

00:06:53,089 --> 00:06:50,160

who suddenly became convinced that his

80

00:06:55,969 --> 00:06:53,099

brother was a reptilian alien

81

00:07:01,790 --> 00:06:55,979

and so one day he took a sword

82

00:07:05,749 --> 00:07:03,770

just one

83

00:07:09,830 --> 00:07:05,759

of the victim

84

00:07:11,689 --> 00:07:09,840

the victims

85

00:07:13,490 --> 00:07:11,699

I suppose in that case we have two

86

00:07:17,390 --> 00:07:13,500

victims because

87

00:07:20,629 --> 00:07:17,400

this man has that killed his brother

88

00:07:22,610 --> 00:07:20,639

over this [h__h] is gonna have to rot away

89

00:07:25,550 --> 00:07:22,620

for the rest of his life in a prison

90

00:07:26,689 --> 00:07:25,560

cell thinking about what he did to his

91

00:07:30,610 --> 00:07:26,699

own brother

92

00:07:38,089 --> 00:07:30,620

over this garbage fake information

93

00:07:42,650 --> 00:07:40,249

but there's more victims

94

00:07:45,050 --> 00:07:42,660

not just people who were murdered or

95

00:07:49,450 --> 00:07:45,060

committed to murder or

96

00:07:53,990 --> 00:07:49,460

were killed because of this garbage

97

00:07:57,290 --> 00:07:54,000

I submit to you friends that every

98

00:08:02,290 --> 00:07:57,300

content creator journalist documentary

99

00:08:05,150 --> 00:08:02,300

filmmaker writer anyone who talks about

100

00:08:08,270 --> 00:08:05,160

conspiracy theories anyone who talks

101
00:08:09,350 --> 00:08:08,280
about paranormal topics anyone who talks

102
00:08:12,950 --> 00:08:09,360
about

103
00:08:16,550 --> 00:08:12,960
things on The Fringe let's say UFOs

104
00:08:23,990 --> 00:08:19,430
other conspiracies or paranormal things

105
00:08:31,129 --> 00:08:27,110
whole communities of people that create

106
00:08:36,409 --> 00:08:33,409
well that could be argued in some some

107
00:08:38,630 --> 00:08:36,419
of those circumstances but the

108
00:08:40,370 --> 00:08:38,640
spirituality Community the Consciousness

109
00:08:43,449 --> 00:08:40,380
community

110
00:08:46,790 --> 00:08:43,459
so many communities have been affected

111
00:08:52,070 --> 00:08:46,800
by this garbage

112
00:08:58,009 --> 00:08:54,889
think about what we were allowed to

113
00:09:00,829 --> 00:08:58,019

openly discuss and talk about on our

114

00:09:04,130 --> 00:09:00,839

shows on our blogs on our

115

00:09:06,470 --> 00:09:04,140

chat servers

116

00:09:09,350 --> 00:09:06,480

what we were allowed to tweet about what

117

00:09:13,130 --> 00:09:09,360

we were allowed to post on Facebook

118

00:09:16,130 --> 00:09:13,140

think about all of those things pre

119

00:09:17,870 --> 00:09:16,140

this letter of conspiracy nonsense

120

00:09:20,329 --> 00:09:17,880

coming out

121

00:09:23,269 --> 00:09:20,339

and sort of taking

122

00:09:28,250 --> 00:09:23,279

all the room all the air out of the room

123

00:09:32,930 --> 00:09:31,009

somehow all these different communities

124

00:09:35,810 --> 00:09:32,940

that I mentioned

125

00:09:39,050 --> 00:09:35,820

got lumped in with that letter of the

126

00:09:41,630 --> 00:09:39,060

alphabet nonsense

127

00:09:45,650 --> 00:09:41,640

and the censorship began and it's

128

00:09:48,710 --> 00:09:45,660

ramping up now I literally I cannot say

129

00:09:50,150 --> 00:09:48,720

a letter of the alphabet out loud on

130

00:09:52,970 --> 00:09:50,160

this video

131

00:09:55,670 --> 00:09:52,980

or the AI algorithm gods of YouTube

132

00:09:57,889 --> 00:09:55,680

could strike me down and by the way I

133

00:09:58,910 --> 00:09:57,899

say my daily prayer to the AI algorithm

134

00:10:05,449 --> 00:09:58,920

God

135

00:10:07,850 --> 00:10:05,459

speaking in support of your efforts to

136

00:10:11,090 --> 00:10:07,860

eradicate the scourge of this letter

137

00:10:13,730 --> 00:10:11,100

alphabet from your platform

138

00:10:16,790 --> 00:10:13,740

we are critiquing It And discussing it

139

00:10:18,530 --> 00:10:16,800

we are not supporting it please know the

140

00:10:21,650 --> 00:10:18,540

difference and understand it AI

141

00:10:24,590 --> 00:10:21,660

algorithm gods

142

00:10:27,470 --> 00:10:24,600

and Google's name amen

143

00:10:31,910 --> 00:10:27,480

all right that's all I can do as a show

144

00:10:33,829 --> 00:10:31,920

host I know five different people who

145

00:10:37,810 --> 00:10:33,839

were mentioning that letter of the

146

00:10:41,030 --> 00:10:37,820

alphabet and not always

147

00:10:43,250 --> 00:10:41,040

supporting you know a few of them at

148

00:10:45,769 --> 00:10:43,260

least were very critical you're like I

149

00:10:48,650 --> 00:10:45,779

don't know about this

150

00:10:50,630 --> 00:10:48,660

boo stuff right

151
00:10:51,769 --> 00:10:50,640
I think a lot of this boost up is

152
00:10:54,949 --> 00:10:51,779
garbage

153
00:10:57,110 --> 00:10:54,959
mentioned it on their Channel boom your

154
00:11:00,230 --> 00:10:57,120
entire channel is gone you get no

155
00:11:03,350 --> 00:11:00,240
Community strike you get no warning you

156
00:11:06,050 --> 00:11:03,360
get no email they just delete your

157
00:11:12,410 --> 00:11:09,590
and so my friends I submit to you

158
00:11:18,590 --> 00:11:15,530
the reason we're all in this situation

159
00:11:20,990 --> 00:11:18,600
right now is because of the stupid

160
00:11:23,150 --> 00:11:21,000
people the con artists and the

161
00:11:26,389 --> 00:11:23,160
profiteers that were pushing that letter

162
00:11:28,610 --> 00:11:26,399
of the alphabet conspiracy nonsense so

163
00:11:31,310 --> 00:11:28,620

hard that it

164

00:11:33,650 --> 00:11:31,320

bled into all the other communities

165

00:11:36,829 --> 00:11:33,660

right

166

00:11:41,449 --> 00:11:36,839

I mean previous to this I don't remember

167

00:11:43,670 --> 00:11:41,459

any politics being involved in so-called

168

00:11:46,250 --> 00:11:43,680

ufology right

169

00:11:48,170 --> 00:11:46,260

and I don't remember any politics being

170

00:11:50,750 --> 00:11:48,180

involved in

171

00:11:52,190 --> 00:11:50,760

people who did shows about paranormal

172

00:11:54,350 --> 00:11:52,200

stuff

173

00:11:56,750 --> 00:11:54,360

I don't remember any politics being

174

00:11:59,870 --> 00:11:56,760

involved

175

00:12:01,910 --> 00:11:59,880

but the grifters were among some of

176
00:12:05,210 --> 00:12:01,920
these communities and they jumped on

177
00:12:07,430 --> 00:12:05,220
this train to profit

178
00:12:09,650 --> 00:12:07,440
and isn't it interesting that some of

179
00:12:11,870 --> 00:12:09,660
these people

180
00:12:14,750 --> 00:12:11,880
before they were you know political

181
00:12:16,370 --> 00:12:14,760
commentators somehow and experts in

182
00:12:18,530 --> 00:12:16,380
American politics

183
00:12:21,769 --> 00:12:18,540
what were they talking about well I

184
00:12:24,829 --> 00:12:21,779
thought friends I'd show you an example

185
00:12:27,949 --> 00:12:24,839
one my favorite example

186
00:12:30,290 --> 00:12:27,959
of these idiots Simon parks

187
00:12:32,269 --> 00:12:30,300
you see before Simon Parks decided that

188
00:12:35,449 --> 00:12:32,279

he was a political commentator and an

189

00:12:37,190 --> 00:12:35,459

expert on United States politics and

190

00:12:38,569 --> 00:12:37,200

what's really happening behind the

191

00:12:41,269 --> 00:12:38,579

scenes

192

00:12:44,509 --> 00:12:41,279

of U.S politics

193

00:12:47,930 --> 00:12:44,519

before he was that he was a guy who

194

00:12:51,230 --> 00:12:47,940

claimed to [h__h] a cat Queen alien right

195

00:12:53,210 --> 00:12:51,240

he fought the cat Queen alien and his

196

00:12:54,710 --> 00:12:53,220

mother was a mantis alien you know what

197

00:12:56,509 --> 00:12:54,720

that is those are ones that look like

198

00:12:58,910 --> 00:12:56,519

insects they look they have heads like

199

00:13:00,769 --> 00:12:58,920

praying mantis that was his mother and

200

00:13:03,110 --> 00:13:00,779

his father was also some kind of an

201

00:13:06,170 --> 00:13:03,120

alien too right

202

00:13:09,110 --> 00:13:06,180

but somehow that gets swept under the

203

00:13:11,389 --> 00:13:09,120

rug as long as this idiot is giving

204

00:13:14,870 --> 00:13:11,399

these people that are following this

205

00:13:19,310 --> 00:13:14,880

garbage the hopium hits that they want

206

00:13:21,530 --> 00:13:19,320

to believe that any of this [h__h] is true

207

00:13:23,629 --> 00:13:21,540

there is a saying Don't Kill the

208

00:13:25,730 --> 00:13:23,639

Messenger but what do you do when the

209

00:13:28,610 --> 00:13:25,740

messenger used to [h__h] a cat Queen alien

210

00:13:30,949 --> 00:13:28,620

and his mom's a manted alien you know a

211

00:13:35,810 --> 00:13:30,959

bug-headed alien and his dad's some kind

212

00:13:41,509 --> 00:13:38,629

do we forget that do we just we don't

213

00:13:43,490 --> 00:13:41,519

nobody is nobody out of these idiots is

214

00:13:46,250 --> 00:13:43,500

talking about this

215

00:13:49,490 --> 00:13:46,260

about the past of some of these people

216

00:13:51,350 --> 00:13:49,500

that have been pushing this complete and

217

00:13:53,509 --> 00:13:51,360

total garbage

218

00:13:55,370 --> 00:13:53,519

and I got to tell you that some of these

219

00:13:56,569 --> 00:13:55,380

people they've been making their living

220

00:14:00,050 --> 00:13:56,579

out of this

221

00:14:03,530 --> 00:14:00,060

for years right so they're pushing this

222

00:14:07,730 --> 00:14:03,540

train right off the cliff man they're

223

00:14:09,710 --> 00:14:07,740

going right to the end of this grip this

224

00:14:11,389 --> 00:14:09,720

Con

225

00:14:14,329 --> 00:14:11,399

this

226

00:14:18,110 --> 00:14:14,339

theft of people's hearts minds and

227

00:14:20,629 --> 00:14:18,120

bodies for clicks views PayPal and Super

228

00:14:22,850 --> 00:14:20,639

Chat cash

229

00:14:25,730 --> 00:14:22,860

they're going right to the end

230

00:14:31,610 --> 00:14:25,740

and even right now it's the very last

231

00:14:34,250 --> 00:14:31,620

day of uh the presidency of Donald Trump

232

00:14:39,290 --> 00:14:34,260

they're still going nuts with the

233

00:14:43,610 --> 00:14:40,790

but I thought I would share with you

234

00:14:46,189 --> 00:14:43,620

first just to prove a point of how

235

00:14:48,470 --> 00:14:46,199

stupid you are if you listen to this

236

00:14:51,889 --> 00:14:48,480

letter of the alphabet nonsense coming

237

00:14:54,590 --> 00:14:51,899

out of especially people like Simon

238

00:14:55,550 --> 00:14:54,600

Parks or Kerry Cassidy right Carrie

239

00:14:58,250 --> 00:14:55,560

Cassidy's going to tell you about

240

00:15:00,769 --> 00:14:58,260

American politics the same woman who

241

00:15:02,689 --> 00:15:00,779

believes that reptilian aliens rule the

242

00:15:06,170 --> 00:15:02,699

Earth and they want to [h__h] us and eat

243

00:15:08,389 --> 00:15:06,180

us the same woman that once said all

244

00:15:11,269 --> 00:15:08,399

that is now going to tell you all about

245

00:15:14,629 --> 00:15:11,279

the Deep State and Donald Trump and 40

246

00:15:16,790 --> 00:15:14,639

chess forget all about her telling

247

00:15:18,889 --> 00:15:16,800

everybody that she's a pre-cox she has

248

00:15:20,689 --> 00:15:18,899

super powers forget all about her

249

00:15:23,569 --> 00:15:20,699

telling us about aliens that want to

250

00:15:25,670 --> 00:15:23,579

[h__h] us and eat us right and this I

251

00:15:28,370 --> 00:15:25,680

don't understand these people how do you

252

00:15:29,990 --> 00:15:28,380

not look into the speaker and then when

253

00:15:32,810 --> 00:15:30,000

you find out that the speaker used to

254

00:15:35,269 --> 00:15:32,820

talk about you know [h__h] an alien cat

255

00:15:37,370 --> 00:15:35,279

Queen like Simon Parks he used to

256

00:15:41,150 --> 00:15:37,380

[h__h] alien cat Queen and they had a

257

00:15:43,550 --> 00:15:41,160

baby right what was a baby's name zatar

258

00:15:45,769 --> 00:15:43,560

or something like that you know it's

259

00:15:48,350 --> 00:15:45,779

[h__h] crazy and ridiculous that these

260

00:15:50,150 --> 00:15:48,360

people following these people and Simon

261

00:15:53,030 --> 00:15:50,160

Parks is getting hundreds of thousands

262

00:15:56,389 --> 00:15:53,040

of views when he puts this garbage out

263

00:15:57,829 --> 00:15:56,399

maybe that bothers me right

264

00:15:59,509 --> 00:15:57,839

I gotta tell you I've been doing this

265

00:16:02,389 --> 00:15:59,519

show for a while now friends and I can

266

00:16:04,370 --> 00:16:02,399

tell you that truth does not sell well

267

00:16:08,749 --> 00:16:04,380

it doesn't sell well at all you know

268

00:16:11,509 --> 00:16:08,759

what sells well lies opium

269

00:16:13,550 --> 00:16:11,519

telling people exactly what they want to

270

00:16:16,910 --> 00:16:13,560

hear right now that's what sells truth

271

00:16:18,290 --> 00:16:16,920

does not sell so back to Simon parks

272

00:16:20,090 --> 00:16:18,300

boy

273

00:16:24,230 --> 00:16:20,100

I'm going to share this just to remind

274

00:16:25,430 --> 00:16:24,240

the stupid people of who you have been

275

00:16:28,610 --> 00:16:25,440

listening to

276

00:16:30,530 --> 00:16:28,620

right I have to share this uh this is an

277

00:16:33,590 --> 00:16:30,540

early morning this is a morning show

278

00:16:35,329 --> 00:16:33,600

appearance Simon Parks first television

279

00:16:37,970 --> 00:16:35,339

show and this is courtesy of Spud wife

280

00:16:39,829 --> 00:16:37,980

on Twitter I noticed this came across my

281

00:16:41,810 --> 00:16:39,839

Twitter and I said this is gold I'm

282

00:16:45,050 --> 00:16:41,820

going to share this so thank you Spud

283

00:16:46,629 --> 00:16:45,060

wipe and you should follow them on you

284

00:16:51,110 --> 00:16:46,639

should follow us by the wife on Twitter

285

00:16:53,329 --> 00:16:51,120

always good posts that I enjoy okay so

286

00:16:55,490 --> 00:16:53,339

this is Simon Park's interview on this

287

00:16:58,430 --> 00:16:55,500

morning show

288

00:17:01,370 --> 00:16:58,440

and uh by the way this is fair use what

289

00:17:03,889 --> 00:17:01,380

I gotta put the batter up

290

00:17:07,250 --> 00:17:03,899

this is fair use this transformative

291

00:17:09,890 --> 00:17:07,260

work we are discussing Simon Parks uh

292

00:17:11,929 --> 00:17:09,900

the conspiracy theorist who once uh said

293

00:17:16,010 --> 00:17:11,939

that he [h__h] an alien called cat

294

00:17:19,850 --> 00:17:16,020

Queen and who uh said his mommy is a

295

00:17:22,309 --> 00:17:19,860

manta alien with a bug head uh who later

296

00:17:24,949 --> 00:17:22,319

went on to trying to convince everyone

297

00:17:27,529 --> 00:17:24,959

that he was some kind of U.S political

298

00:17:29,930 --> 00:17:27,539

commentator an expert on the Trump

299

00:17:33,470 --> 00:17:29,940

Administration and the Deep State and

300

00:17:35,570 --> 00:17:33,480

the cabal you know but that was after he

301
00:17:37,669 --> 00:17:35,580
said he [\h__\h] the cat Queen alien so

302
00:17:41,450 --> 00:17:37,679
we're gonna just remind people of some

303
00:17:46,430 --> 00:17:41,460
of this [\h__\h] so this is fair use friends

304
00:17:51,230 --> 00:17:49,130
this is ridiculous this is my life I

305
00:17:54,169 --> 00:17:51,240
gotta I gotta teach people

306
00:17:56,450 --> 00:17:54,179
not to trust a guy who said [\h__\h] the cat

307
00:17:59,750 --> 00:17:56,460
Queen alien and had a cat Queen alien

308
00:18:01,730 --> 00:17:59,760
and human baby with her Jesus this is my

309
00:18:04,789 --> 00:18:01,740
[\h__\h] life friends

310
00:18:08,270 --> 00:18:04,799
all right here we go this is Simon

311
00:18:10,549 --> 00:18:08,280
Park's first television interview [\h__\h]

312
00:18:16,070 --> 00:18:10,559
let's do this one more time she's

313
00:18:20,870 --> 00:18:18,010

all right Simon Park's first interview

314

00:18:22,310 --> 00:18:20,880

fair use yeah the best of luck now then

315

00:18:24,409 --> 00:18:22,320

it was the end of an era for the

316

00:18:26,390 --> 00:18:24,419

so-called British X-Files last week as

317

00:18:29,029 --> 00:18:26,400

the ministry of Defense shut down it's a

318

00:18:31,490 --> 00:18:29,039

UFO desk after 60 years of operation the

319

00:18:34,310 --> 00:18:31,500

conclusion of their investigations is

320

00:18:36,289 --> 00:18:34,320

that aliens probably don't exist but one

321

00:18:38,810 --> 00:18:36,299

man who definitely believes in Aliens is

322

00:18:41,090 --> 00:18:38,820

labor councilor Simon Parks what's more

323

00:18:43,190 --> 00:18:41,100

he claims he's having an affair with one

324

00:18:45,890 --> 00:18:43,200

and after the story hit the headlines

325

00:18:48,529 --> 00:18:45,900

he's now facing calls to quit well he uh

326

00:18:50,510 --> 00:18:48,539

joins us now and uh we'll come to all of

327

00:18:52,190 --> 00:18:50,520

those calls in a moment after yeah and

328

00:18:54,289 --> 00:18:52,200

the reason that Simon Parks took off is

329

00:18:56,930 --> 00:18:54,299

because he held some low-level political

330

00:18:59,990 --> 00:18:56,940

office like being a member of a Town

331

00:19:01,970 --> 00:19:00,000

Council so that's why this story about

332

00:19:05,450 --> 00:19:01,980

him saying that he [h__h] an alien cat

333

00:19:07,070 --> 00:19:05,460

Queen had a baby uh sort of got legs

334

00:19:10,130 --> 00:19:07,080

after we've heard some of the story

335

00:19:12,770 --> 00:19:10,140

which is remarkable extraordinary and

336

00:19:14,930 --> 00:19:12,780

starts before you were even born

337

00:19:16,669 --> 00:19:14,940

well first of all can I say how pleased

338

00:19:19,430 --> 00:19:16,679

I am that you've invited me to your show

339

00:19:21,950 --> 00:19:19,440

oh it's delightful to be here alive and

340

00:19:24,289 --> 00:19:21,960

on air yeah um yes indeed my first

341

00:19:26,750 --> 00:19:24,299

memories are very very early

342

00:19:29,450 --> 00:19:26,760

uh so in the womb yes

343

00:19:31,789 --> 00:19:29,460

um and what what because very few people

344

00:19:34,010 --> 00:19:31,799

if any others that I've ever met can

345

00:19:35,690 --> 00:19:34,020

remember that far back so how come you

346

00:19:37,549 --> 00:19:35,700

can remember what was happening in the

347

00:19:39,650 --> 00:19:37,559

world well you're absolutely right most

348

00:19:42,049 --> 00:19:39,660

people can't remember for some reason I

349

00:19:44,390 --> 00:19:42,059

have a very good memory I can't answer

350

00:19:46,610 --> 00:19:44,400

your question as his memory is so good

351

00:19:48,350 --> 00:19:46,620

that he can remember being in his

352

00:19:51,590 --> 00:19:48,360

mother's womb

353

00:19:54,049 --> 00:19:51,600

friends I'm sorry that's impossible ask

354

00:19:57,289 --> 00:19:54,059

any neurologist you don't remember being

355

00:19:59,330 --> 00:19:57,299

in the womb that is just [h__h] but

356

00:20:01,669 --> 00:19:59,340

okay you remember being in your mommy's

357

00:20:04,130 --> 00:20:01,679

womb but was that your human mother who

358

00:20:07,370 --> 00:20:04,140

birthed you's womb or was that your

359

00:20:10,730 --> 00:20:07,380

alien mother the bug lady I I'm confused

360

00:20:12,710 --> 00:20:10,740

as to why I know just that I do have a

361

00:20:15,049 --> 00:20:12,720

so what do you remember I have a very

362

00:20:17,090 --> 00:20:15,059

clear memory of the face

363

00:20:20,090 --> 00:20:17,100

um just a face no real distinct features

364

00:20:22,490 --> 00:20:20,100

and then suddenly being aware that there

365

00:20:23,330 --> 00:20:22,500

was much more to this world than than I

366

00:20:24,830 --> 00:20:23,340

knew

367

00:20:26,810 --> 00:20:24,840

um it was a far wider spiritual

368

00:20:29,029 --> 00:20:26,820

experience and then it just closed down

369

00:20:31,010 --> 00:20:29,039

and that's all I remember and your first

370

00:20:32,510 --> 00:20:31,020

time you came face to face with an alien

371

00:20:35,090 --> 00:20:32,520

was when you were about sort of six to

372

00:20:36,830 --> 00:20:35,100

eight months no I would have come face

373

00:20:38,930 --> 00:20:36,840

to face with such a creature much

374

00:20:43,310 --> 00:20:38,940

earlier the one you're referring to I

375

00:20:48,289 --> 00:20:46,549

three months okay all right so he saw an

376

00:20:50,930 --> 00:20:48,299

alien when he was three months old and

377

00:20:54,529 --> 00:20:50,940

he remembers who he was you know he

378

00:20:57,289 --> 00:20:54,539

remembered being in his mother's womb

379

00:21:00,529 --> 00:20:57,299

so far my [h__h] detectors going

380

00:21:03,110 --> 00:21:00,539

overload right now but okay Simon Parks

381

00:21:06,230 --> 00:21:03,120

but listen is this is very important

382

00:21:08,090 --> 00:21:06,240

right this is the kind of [h__h] that this

383

00:21:09,710 --> 00:21:08,100

idiot was talking about before he was

384

00:21:11,870 --> 00:21:09,720

talking about the letter of the alphabet

385

00:21:15,230 --> 00:21:11,880

nonsense he was talking about a lifetime

386

00:21:16,970 --> 00:21:15,240

full of experience with aliens Friends

387

00:21:19,310 --> 00:21:16,980

Meeting aliens

388

00:21:21,770 --> 00:21:19,320

chatting with aliens having an alien for

389

00:21:25,490 --> 00:21:21,780

a mom [h__h] an alien having a half

390

00:21:27,049 --> 00:21:25,500

alien baby this is the man that we're

391

00:21:29,630 --> 00:21:27,059

supposed to

392

00:21:33,710 --> 00:21:29,640

you know trust the plan we're supposed

393

00:21:35,450 --> 00:21:33,720

to trust this guy's playing okay and

394

00:21:37,010 --> 00:21:35,460

what is what does this alien look like

395

00:21:38,570 --> 00:21:37,020

because obviously we have images in our

396

00:21:40,909 --> 00:21:38,580

mind just the ones that we see you know

397

00:21:42,950 --> 00:21:40,919

in movies or those that sort of image

398

00:21:44,330 --> 00:21:42,960

what did your alien look like you're

399

00:21:45,950 --> 00:21:44,340

absolutely right Hollywood's very good

400

00:21:47,870 --> 00:21:45,960

at putting out little creatures that

401
00:21:50,149 --> 00:21:47,880
people know as Grays this one

402
00:21:53,029 --> 00:21:50,159
researchers call lamented or in America

403
00:21:54,710 --> 00:21:53,039
it's referred to as a mantis it's a

404
00:21:57,350 --> 00:21:54,720
green creature it's about seven foot

405
00:21:59,090 --> 00:21:57,360
tall and this one wore a robe or a cloak

406
00:22:00,529 --> 00:21:59,100
purple colored

407
00:22:04,370 --> 00:22:00,539
um there we go that's one of my drawings

408
00:22:07,010 --> 00:22:04,380
there oh okay this is the alien that's

409
00:22:10,070 --> 00:22:07,020
his mommy friends

410
00:22:14,830 --> 00:22:10,080
this idiot's mommy looks like this

411
00:22:20,870 --> 00:22:18,350
and um the the creature uh literally

412
00:22:22,610 --> 00:22:20,880
reached into the cot that I was in if I

413
00:22:24,649 --> 00:22:22,620

remember it distinctly had wooden bars

414

00:22:26,990 --> 00:22:24,659

green yellow red blue with like an

415

00:22:28,490 --> 00:22:27,000

abacus painted Abacus on the top and

416

00:22:31,250 --> 00:22:28,500

this creature just reached and lift me

417

00:22:33,289 --> 00:22:31,260

up and then I was actually tilted over

418

00:22:36,529 --> 00:22:33,299

to look straight into its face so these

419

00:22:38,090 --> 00:22:36,539

are experiences and um you don't use the

420

00:22:40,310 --> 00:22:38,100

word abduction but use the word contact

421

00:22:41,210 --> 00:22:40,320

because you you are a willing subject

422

00:22:44,149 --> 00:22:41,220

yes

423

00:22:45,230 --> 00:22:44,159

um a winning participant so from the

424

00:22:47,930 --> 00:22:45,240

moment there when you were obviously

425

00:22:50,510 --> 00:22:47,940

very young uh and and you were meeting

426

00:22:52,490 --> 00:22:50,520

them in their various guises

427

00:22:55,370 --> 00:22:52,500

um when was the first time that you

428

00:22:58,130 --> 00:22:55,380

believed that you had contact

429

00:22:59,450 --> 00:22:58,140

outside of your living environment I

430

00:23:00,830 --> 00:22:59,460

want to say the word abducted obviously

431

00:23:03,110 --> 00:23:00,840

but when were you taken when did you go

432

00:23:04,669 --> 00:23:03,120

that's a very um incisive question it's

433

00:23:06,409 --> 00:23:04,679

a very good question

434

00:23:08,330 --> 00:23:06,419

um in those early days I wouldn't know

435

00:23:09,890 --> 00:23:08,340

they were aliens to me they were just

436

00:23:11,510 --> 00:23:09,900

things that came to visit me and I were

437

00:23:13,789 --> 00:23:11,520

not distinguishable from my real family

438

00:23:16,370 --> 00:23:13,799

and because these things have never hurt

439

00:23:18,770 --> 00:23:16,380

me I never built up any sort of scare

440

00:23:21,110 --> 00:23:18,780

mongering or or fear of them and I think

441

00:23:23,870 --> 00:23:21,120

yes salmon Parks pushed that they're all

442

00:23:26,510 --> 00:23:23,880

beneficial space Brothers sort of

443

00:23:29,029 --> 00:23:26,520

narrative I mean they must be friendly

444

00:23:31,070 --> 00:23:29,039

like a cat Queen alien came to all the

445

00:23:33,890 --> 00:23:31,080

way from a distant star system all the

446

00:23:37,970 --> 00:23:33,900

way to Earth just to [h__h] this guy right

447

00:23:40,549 --> 00:23:37,980

just to [h__h] this guy she came with her

448

00:23:43,610 --> 00:23:40,559

warp drive and her spaceship all the way

449

00:23:45,909 --> 00:23:43,620

from another solar system a distant star

450

00:23:50,570 --> 00:23:45,919

from Earth she came all the way here

451
00:23:54,049 --> 00:23:50,580
just to [\h__\h] this guy yeah right okay

452
00:23:56,269 --> 00:23:54,059
about 1963 that was my first experience

453
00:23:57,590 --> 00:23:56,279
of being taken off the Earth into a

454
00:23:59,029 --> 00:23:57,600
craft and what did that can you remember

455
00:24:01,010 --> 00:23:59,039
what that looked like oh absolutely it

456
00:24:04,190 --> 00:24:01,020
was it was a not a traditional Hollywood

457
00:24:05,690 --> 00:24:04,200
type uh Flying Saucer it was a teardrop

458
00:24:07,730 --> 00:24:05,700
shaped craft if you can imagine a

459
00:24:09,950 --> 00:24:07,740
teardrop like a water drop but with a

460
00:24:12,649 --> 00:24:09,960
blunt end going forward and the pointy

461
00:24:13,370 --> 00:24:12,659
end at the back wow and one other one of

462
00:24:19,549 --> 00:24:13,380
the

463
00:24:21,769 --> 00:24:19,559

was been quite confusing because I mean

464

00:24:23,510 --> 00:24:21,779

how old would you have been then very

465

00:24:25,250 --> 00:24:23,520

young very young so that's what I mean

466

00:24:27,649 --> 00:24:25,260

it's quite a difficult thing to comprehend

467

00:24:29,510 --> 00:24:27,659

and you had your human mother and that

468

00:24:31,669 --> 00:24:29,520

did lead to a bit of confusion there for

469

00:24:33,830 --> 00:24:31,679

you didn't it in fact you called your

470

00:24:35,029 --> 00:24:33,840

human mother Daddy for a while correct

471

00:24:36,890 --> 00:24:35,039

because you couldn't work out why you

472

00:24:40,130 --> 00:24:36,900

had well why would I need two mothers

473

00:24:42,049 --> 00:24:40,140

exactly so I'm sorry I spoke uh

474

00:24:44,810 --> 00:24:42,059

incorrectly then he didn't have an alien

475

00:24:45,830 --> 00:24:44,820

mother he had both an alien mother and a

476

00:24:49,130 --> 00:24:45,840

human mother

477

00:24:52,370 --> 00:24:49,140

okay all right and that was before the

478

00:24:54,110 --> 00:24:52,380

cat Queen alien came to [h__h] him yeah so

479

00:24:56,390 --> 00:24:54,120

I already had a mother so this person

480

00:24:57,890 --> 00:24:56,400

can't be my mother it must be my daddy

481

00:24:59,450 --> 00:24:57,900

um and then as you get older you realize

482

00:25:01,909 --> 00:24:59,460

that certain things are not acceptable

483

00:25:03,169 --> 00:25:01,919

in human society so I probably you know

484

00:25:04,490 --> 00:25:03,179

stop saying

485

00:25:07,130 --> 00:25:04,500

um daddy and mummy and got the words

486

00:25:09,350 --> 00:25:07,140

right and learned not to be open not to

487

00:25:11,330 --> 00:25:09,360

discuss it because outside of the very

488

00:25:14,330 --> 00:25:11,340

close family most people can't handle it

489

00:25:15,830 --> 00:25:14,340

and so this progressed through your

490

00:25:18,470 --> 00:25:15,840

through your childhood and quite early

491

00:25:21,049 --> 00:25:18,480

on you lost your virginity to one of

492

00:25:23,450 --> 00:25:21,059

these aliens who now this is quite a

493

00:25:25,850 --> 00:25:23,460

this is quite confusing of the story

494

00:25:28,789 --> 00:25:25,860

here because from what I read the alien

495

00:25:31,789 --> 00:25:28,799

turned themselves into the woman from

496

00:25:33,710 --> 00:25:31,799

the Fry's Turkish delight advert yes

497

00:25:35,630 --> 00:25:33,720

this is holographic so I wouldn't have

498

00:25:37,909 --> 00:25:35,640

actually lost my virginity

499

00:25:39,649 --> 00:25:37,919

um this is a holographic image and we

500

00:25:41,630 --> 00:25:39,659

think we have some wonderful technology

501
00:25:43,850 --> 00:25:41,640
here on this Earth but the technology

502
00:25:46,490 --> 00:25:43,860
that I've seen is he about to say that

503
00:25:50,810 --> 00:25:46,500
he [h__h] a hologram like his first time

504
00:25:53,570 --> 00:25:50,820
getting some was a holographic oh my God

505
00:25:55,370 --> 00:25:53,580
in Far surpasses anything that we have

506
00:25:57,110 --> 00:25:55,380
here or at least anything that the

507
00:25:59,390 --> 00:25:57,120
military tell us they have

508
00:26:00,850 --> 00:25:59,400
um this was a holographic experience how

509
00:26:03,590 --> 00:26:00,860
old were you and that would be about

510
00:26:06,230 --> 00:26:03,600
1965. what age were you then I would be

511
00:26:08,029 --> 00:26:06,240
bus five or six you lost your virginity

512
00:26:10,970 --> 00:26:08,039
at six years ago I didn't say that it

513
00:26:14,149 --> 00:26:10,980

was a holographic yeah so you had a

514

00:26:17,390 --> 00:26:14,159

sexual encounter with exactly absolutely

515

00:26:19,430 --> 00:26:17,400

yes so age doesn't matter to them uh no

516

00:26:20,810 --> 00:26:19,440

because it's about it

517

00:26:23,810 --> 00:26:20,820

about

518

00:26:25,909 --> 00:26:23,820

um your soul hey does that mean that

519

00:26:28,730 --> 00:26:25,919

those aliens or pedophiles because they

520

00:26:31,370 --> 00:26:28,740

want to [h__\h] a six-year-old I I'm just

521

00:26:32,930 --> 00:26:31,380

asking I'm just asking I know in the

522

00:26:35,090 --> 00:26:32,940

west we don't really understand Souls

523

00:26:36,590 --> 00:26:35,100

but in the East and in the Bible they

524

00:26:38,110 --> 00:26:36,600

actually understands Souls very very

525

00:26:41,210 --> 00:26:38,120

clearly you went on to have

526
00:26:45,950 --> 00:26:41,220
non-holographic sex with an alien called

527
00:26:47,690 --> 00:26:45,960
a lion lady yes and and although you

528
00:26:49,310 --> 00:26:47,700
weren't attracted to her you said that

529
00:26:50,930 --> 00:26:49,320
wasn't really what it was about it

530
00:26:52,250 --> 00:26:50,940
wasn't like what we have here where

531
00:26:53,269 --> 00:26:52,260
they're sort of for the majority of

532
00:26:56,690 --> 00:26:53,279
people that has to be a sort of

533
00:26:57,230 --> 00:26:56,700
Attraction it was for other memes

534
00:26:59,510 --> 00:26:57,240
um

535
00:27:02,049 --> 00:26:59,520
this is an incredibly difficult subject

536
00:27:04,310 --> 00:27:02,059
for most people to understand

537
00:27:06,169 --> 00:27:04,320
you can't get the head around it he's

538
00:27:08,090 --> 00:27:06,179

fathered numerous Alien Children about

539

00:27:09,470 --> 00:27:08,100

creatures that have the ability to enter

540

00:27:14,450 --> 00:27:09,480

your mind

541

00:27:16,310 --> 00:27:14,460

and to make you think one thing when

542

00:27:18,169 --> 00:27:16,320

actually you think another so I think

543

00:27:20,389 --> 00:27:18,179

these creatures would have actually

544

00:27:22,430 --> 00:27:20,399

um come into my mind and made me appear

545

00:27:25,430 --> 00:27:22,440

to love them because otherwise

546

00:27:27,350 --> 00:27:25,440

um you wouldn't actually have a a sexual

547

00:27:28,789 --> 00:27:27,360

reaction with anybody unless you felt

548

00:27:30,529 --> 00:27:28,799

something for them

549

00:27:33,409 --> 00:27:30,539

um so I think it's more to do with that

550

00:27:35,029 --> 00:27:33,419

than anything else so they raped him is

551
00:27:37,490 --> 00:27:35,039
that is that what he's saying he didn't

552
00:27:40,789 --> 00:27:37,500
willingly have sex with the lion lady

553
00:27:43,070 --> 00:27:40,799
cat Queen alien but she kind of mind

554
00:27:46,070 --> 00:27:43,080
[h__h] them and then she really [h__h]

555
00:27:48,350 --> 00:27:46,080
them like this is getting good friends

556
00:27:50,389 --> 00:27:48,360
this is getting good does that not

557
00:27:51,830 --> 00:27:50,399
bother you they're doing that well I

558
00:27:53,269 --> 00:27:51,840
mean I'd be quite upset someone came

559
00:27:55,190 --> 00:27:53,279
into my mind and convinced me that I

560
00:27:56,690 --> 00:27:55,200
fenced them yeah the thing is I've I've

561
00:27:59,269 --> 00:27:56,700
seen these creatures ever since I was

562
00:28:02,149 --> 00:27:59,279
very young yeah um from a very early age

563
00:28:04,250 --> 00:28:02,159

and when you realize that humanity is

564

00:28:07,149 --> 00:28:04,260

not the only thing in this galaxy in

565

00:28:09,409 --> 00:28:07,159

this hole in this whole world

566

00:28:12,950 --> 00:28:09,419

only if it was

567

00:28:15,350 --> 00:28:12,960

land on the White House alone and when

568

00:28:17,570 --> 00:28:15,360

you get used to these creatures and you

569

00:28:20,810 --> 00:28:17,580

realize that mankind is literally just a

570

00:28:23,570 --> 00:28:20,820

pinprick in a massive constellation

571

00:28:24,649 --> 00:28:23,580

um some things become less important I

572

00:28:26,690 --> 00:28:24,659

can I can

573

00:28:29,630 --> 00:28:26,700

just get my head around that in the in

574

00:28:31,490 --> 00:28:29,640

the great Universe I think I always

575

00:28:33,430 --> 00:28:31,500

thought this hugely arrogant to assume

576

00:28:36,710 --> 00:28:33,440

that we might be wrong

577

00:28:38,810 --> 00:28:36,720

but but why did they pick you what is

578

00:28:41,510 --> 00:28:38,820

their agenda do they do they plan

579

00:28:42,350 --> 00:28:41,520

eventually to take over

580

00:28:44,269 --> 00:28:42,360

um

581

00:28:46,430 --> 00:28:44,279

that's a question that I've asked them

582

00:28:48,529 --> 00:28:46,440

and I've always made clear in all of the

583

00:28:50,510 --> 00:28:48,539

presentations that I've done that I

584

00:28:52,909 --> 00:28:50,520

don't consider myself special I don't

585

00:28:55,669 --> 00:28:52,919

consider myself important at all he's

586

00:28:57,710 --> 00:28:55,679

not special he's not important come on

587

00:29:00,710 --> 00:28:57,720

SO Parks give yourself a little credit

588

00:29:02,450 --> 00:29:00,720

after all a lion lady cat Queen alien

589

00:29:05,810 --> 00:29:02,460

came all the way here from another

590

00:29:07,970 --> 00:29:05,820

source system just to rape you and [\h__\h]

591

00:29:10,789 --> 00:29:07,980

you and make you have babies with her

592

00:29:13,970 --> 00:29:10,799

that means that she picked you out of

593

00:29:16,789 --> 00:29:13,980

every other human on planet earth to

594

00:29:20,690 --> 00:29:16,799

travel from another star system and come

595

00:29:22,250 --> 00:29:20,700

here just to [\h__\h] you are special don't

596

00:29:23,930 --> 00:29:22,260

sell yourself sure

597

00:29:25,730 --> 00:29:23,940

and the best way to answer it would be

598

00:29:28,370 --> 00:29:25,740

to give the answer they gave and they

599

00:29:31,490 --> 00:29:28,380

said that earth scientists trap a wild

600

00:29:33,590 --> 00:29:31,500

animal put a tag on it follow it when it

601
00:29:35,029 --> 00:29:33,600
has Cubs they'll put tags on those Cubs

602
00:29:36,710 --> 00:29:35,039
and they'll follow those wild animals

603
00:29:39,470 --> 00:29:36,720
for 20 30 years generation after

604
00:29:42,289 --> 00:29:39,480
generation and in the same way these

605
00:29:44,529 --> 00:29:42,299
creatures follow generational lines of

606
00:29:47,090 --> 00:29:44,539
humans right back from Egyptian times

607
00:29:49,310 --> 00:29:47,100
Babylonian times Sumerian times so this

608
00:29:51,289 --> 00:29:49,320
is what they followed your soul through

609
00:29:52,789 --> 00:29:51,299
the generation correct and then just to

610
00:29:55,310 --> 00:29:52,799
answer the other question that you yeah

611
00:29:57,610 --> 00:29:55,320
but he's not special but an alien race

612
00:30:00,230 --> 00:29:57,620
dedicated

613
00:30:02,690 --> 00:30:00,240

multi-generational project to tracking

614

00:30:05,630 --> 00:30:02,700

him through time somehow

615

00:30:06,950 --> 00:30:05,640

okay you said no because if they wanted

616

00:30:08,630 --> 00:30:06,960

to take over the Earth in the

617

00:30:10,010 --> 00:30:08,640

traditional Hollywood style yeah they'd

618

00:30:11,149 --> 00:30:10,020

have done it in the Stone Age when all

619

00:30:12,710 --> 00:30:11,159

we would have had between bows and

620

00:30:14,690 --> 00:30:12,720

arrows when was the last time you had an

621

00:30:16,130 --> 00:30:14,700

encounter and what was it um it would be

622

00:30:18,350 --> 00:30:16,140

about six weeks ago

623

00:30:20,510 --> 00:30:18,360

and that would have been just a a

624

00:30:22,310 --> 00:30:20,520

general encounter for health check they

625

00:30:23,510 --> 00:30:22,320

checked your health absolutely and are

626

00:30:29,750 --> 00:30:23,520

you in good health

627

00:30:35,210 --> 00:30:31,130

foreign

628

00:30:37,850 --> 00:30:35,220

something one second friends oh

629

00:30:42,409 --> 00:30:37,860

yeah I don't know it's not gonna play so

630

00:30:47,090 --> 00:30:43,850

we are

631

00:30:50,389 --> 00:30:48,529

so

632

00:30:52,250 --> 00:30:50,399

before he was talking about this letter

633

00:30:55,070 --> 00:30:52,260

of the alphabet nonsense conspiracy

634

00:30:56,630 --> 00:30:55,080

garbage here that's what Simon Parks was

635

00:31:00,409 --> 00:30:56,640

talking about

636

00:31:02,450 --> 00:31:00,419

alien lion ladies called the cat queen

637

00:31:04,430 --> 00:31:02,460

that came all the way from another star

638

00:31:08,630 --> 00:31:04,440

system just to [h__h] them and have babies

639

00:31:11,450 --> 00:31:08,640

with them right and it's Mommy alien

640

00:31:15,830 --> 00:31:11,460

his alien Mommy right

641

00:31:15,840 --> 00:31:22,850

one second

642

00:31:30,830 --> 00:31:24,590

I'm sorry I'm checking in with my

643

00:31:38,149 --> 00:31:35,149

oh boy uh Donald Trump just sent me a uh

644

00:31:40,990 --> 00:31:38,159

I'm sorry not Donald Trump just sent me

645

00:31:43,669 --> 00:31:41,000

a book that he has about uh the election

646

00:31:46,669 --> 00:31:43,679

conspiracies against Donald Trump

647

00:31:51,409 --> 00:31:46,679

uh yeah maybe we'll talk about that some

648

00:31:53,509 --> 00:31:51,419

night but back to the topic at hand so

649

00:31:55,669 --> 00:31:53,519

we've got Kerry Cassidy who talks about

650

00:31:58,190 --> 00:31:55,679

reptilian aliens wanting to [h__h] us need

651
00:32:00,310 --> 00:31:58,200
us we've got this guy Simon Parks he

652
00:32:03,169 --> 00:32:00,320
talks about an alien cat Queen lion

653
00:32:05,990 --> 00:32:03,179
alien lady coming here and [\h__\h] them

654
00:32:07,850 --> 00:32:06,000
and making alien babies right

655
00:32:10,070 --> 00:32:07,860
these are the people that are pushing

656
00:32:12,169 --> 00:32:10,080
this garbage these are the people that

657
00:32:15,230 --> 00:32:12,179
are pushing this complete and total

658
00:32:17,149 --> 00:32:15,240
nonsense these are the people

659
00:32:19,130 --> 00:32:17,159
that we're supposed to trust the plan

660
00:32:21,470 --> 00:32:19,140
from

661
00:32:24,110 --> 00:32:21,480
uh not for nothing but

662
00:32:25,549 --> 00:32:24,120
I got a real problem with this one I got

663
00:32:26,990 --> 00:32:25,559

a real problem with this

664

00:32:29,810 --> 00:32:27,000

and

665

00:32:32,750 --> 00:32:29,820

uh I was gonna

666

00:32:35,509 --> 00:32:32,760

yeah let's get to uh one more thing that

667

00:32:36,830 --> 00:32:35,519

I really would like to share one second

668

00:32:46,310 --> 00:32:36,840

I'm just checking in with my messages

669

00:32:46,320 --> 00:32:50,149

all right

670

00:32:55,250 --> 00:32:53,090

oh yeah somebody just sent me a message

671

00:32:57,590 --> 00:32:55,260

all right one second friends I'm gonna

672

00:33:00,049 --> 00:32:57,600

try to find what it is I want to share

673

00:33:03,889 --> 00:33:00,059

which is simply the

674

00:33:07,909 --> 00:33:03,899

uh project scam a lot Twitter

675

00:33:10,310 --> 00:33:07,919

project scam a lot run by Carrie Cassidy

676
00:33:12,830 --> 00:33:10,320
um has been pushing this garbage for a

677
00:33:15,350 --> 00:33:12,840
long time

678
00:33:17,570 --> 00:33:15,360
I'm going to drop my fair use Banner uh

679
00:33:18,590 --> 00:33:17,580
because this public posts that we'll be

680
00:33:25,070 --> 00:33:18,600
sharing

681
00:33:27,830 --> 00:33:25,080
project scam a lot Twitter feed

682
00:33:29,389 --> 00:33:27,840
uh because it's newsworthy and worthy of

683
00:33:30,950 --> 00:33:29,399
discussion

684
00:33:35,450 --> 00:33:30,960
all right

685
00:33:37,850 --> 00:33:35,460
so earlier today uh yeah uh a guy

686
00:33:39,830 --> 00:33:37,860
misspoke you know a national Guardsman

687
00:33:42,529 --> 00:33:39,840
misspoke and he said something like uh

688
00:33:43,970 --> 00:33:42,539

there'll be uh a peaceful transition to

689

00:33:47,149 --> 00:33:43,980

military power

690

00:33:49,850 --> 00:33:47,159

she takes that as that's a oh this is a

691

00:33:51,049 --> 00:33:49,860

this is a conspiracy this is a total

692

00:33:53,930 --> 00:33:51,059

conspiracy

693

00:34:01,850 --> 00:33:53,940

here she's sharing unusual flights

694

00:34:06,289 --> 00:34:03,110

she's

695

00:34:08,450 --> 00:34:06,299

sharing uh conspiracy theories regarding

696

00:34:11,869 --> 00:34:08,460

the current Health crisis and this has

697

00:34:16,669 --> 00:34:14,329

what is it with all these people from

698

00:34:18,349 --> 00:34:16,679

David Wilcock to Carrie Cassidy saying

699

00:34:21,530 --> 00:34:18,359

that Chinese troops are invading the

700

00:34:24,770 --> 00:34:21,540

United States they're all saying it

701
00:34:26,990 --> 00:34:24,780
David Wilcox famously said that 50 000

702
00:34:28,669 --> 00:34:27,000
Chinese troops were coming over the

703
00:34:31,129 --> 00:34:28,679
border from Canada

704
00:34:33,109 --> 00:34:31,139
into what was it Michigan but don't

705
00:34:34,550 --> 00:34:33,119
worry because we hit them with a bunker

706
00:34:37,970 --> 00:34:34,560
busting bomb

707
00:34:41,149 --> 00:34:37,980
Carrie Cassidy up in the ante she's

708
00:34:43,069 --> 00:34:41,159
saying and pushing that 250 000 Chinese

709
00:34:46,550 --> 00:34:43,079
troops are at the border of Mexico and

710
00:34:50,329 --> 00:34:46,560
Canada and who's your Source Lynn wood

711
00:34:53,510 --> 00:34:50,339
okay yeah yeah

712
00:34:56,210 --> 00:34:53,520
here She is again pushing this stuff

713
00:34:57,910 --> 00:34:56,220

off the luciferians it's all there it's

714

00:35:01,190 --> 00:34:57,920

there yeah

715

00:35:03,589 --> 00:35:01,200

and here's you know listen

716

00:35:05,150 --> 00:35:03,599

Chinese mechanized military units are on

717

00:35:06,710 --> 00:35:05,160

the Move in an area adjacent in

718

00:35:09,230 --> 00:35:06,720

Minnesota Wisconsin and Michigan on

719

00:35:10,790 --> 00:35:09,240

Canada's border from Dave Hodges and

720

00:35:14,150 --> 00:35:10,800

Paul Martin

721

00:35:15,770 --> 00:35:14,160

to basically idiots I suppose all

722

00:35:17,690 --> 00:35:15,780

training within Canada has stopped and

723

00:35:23,329 --> 00:35:17,700

Chinese mechanized military are moving

724

00:35:29,089 --> 00:35:25,970

troop build up in DC 30 000 troops

725

00:35:31,370 --> 00:35:29,099

anti-air missiles large armored vehicles

726
00:35:37,970 --> 00:35:31,380
for inauguration

727
00:35:43,310 --> 00:35:40,609
parlor CEO got death threats went into

728
00:35:43,320 --> 00:35:47,150
more Health conspiracies

729
00:35:53,510 --> 00:35:50,390
U.S regime run by E.T race behind the

730
00:35:57,349 --> 00:35:53,520
scenes says Iran's far

731
00:36:03,069 --> 00:35:57,359
s news so is Iran

732
00:36:07,849 --> 00:36:06,050
I don't know about you friends but just

733
00:36:09,829 --> 00:36:07,859
reading the stuff that she posts it's

734
00:36:11,750 --> 00:36:09,839
like being in the checkout aisle right

735
00:36:13,670 --> 00:36:11,760
what is that thing called the world

736
00:36:14,870 --> 00:36:13,680
Weekly News they used to have and it was

737
00:36:17,329 --> 00:36:14,880
all like

738
00:36:21,290 --> 00:36:17,339

Clinton father to love baby and stuff

739

00:36:25,790 --> 00:36:24,410

oh she did an interview with this girl I

740

00:36:30,589 --> 00:36:25,800

probably missed that I haven't been

741

00:36:35,390 --> 00:36:33,050

yeah Trump signals Remember the Alamo

742

00:36:37,550 --> 00:36:35,400

they're pushing this whole thing and

743

00:36:41,270 --> 00:36:37,560

according to Carrie Cassidy Simon Parks

744

00:36:43,730 --> 00:36:41,280

David Wilcock Robert David Steele and

745

00:36:47,390 --> 00:36:43,740

many of these other people

746

00:36:49,670 --> 00:36:47,400

Biden will never be inaugurated tomorrow

747

00:36:52,390 --> 00:36:49,680

and again I'm not saying I agree with

748

00:36:54,770 --> 00:36:52,400

that I'm just reporting on what these

749

00:36:57,589 --> 00:36:54,780

influencers in that letter of the

750

00:37:00,650 --> 00:36:57,599

alphabet conspiracy

751
00:37:05,630 --> 00:37:00,660
community of idiots have been saying

752
00:37:05,640 --> 00:37:09,730
pushing David Rodriguez

753
00:37:19,010 --> 00:37:12,770
listen to this why did Italy and other

754
00:37:25,550 --> 00:37:23,089
impeachment stuff she's retweeting Trump

755
00:37:28,250 --> 00:37:25,560
propaganda

756
00:37:30,349 --> 00:37:28,260
oh she's interviewing a super soldier

757
00:37:33,410 --> 00:37:30,359
and I missed it

758
00:37:35,510 --> 00:37:33,420
Penny Bradley he's a super soldier oh

759
00:37:37,970 --> 00:37:35,520
we're gonna look into that guy crazy

760
00:37:41,210 --> 00:37:37,980
Cassidy we're coming for that guy in you

761
00:37:43,849 --> 00:37:41,220
and we're gonna we're gonna I will find

762
00:37:46,130 --> 00:37:43,859
that interview and I'm gonna we're gonna

763
00:37:48,530 --> 00:37:46,140

cover that

764

00:37:50,210 --> 00:37:48,540

because you know basically Carrie

765

00:37:52,250 --> 00:37:50,220

Cassidy's interviewing people who think

766

00:37:53,750 --> 00:37:52,260

they're Captain America do you know who

767

00:37:56,030 --> 00:37:53,760

the first Super Soldier was it was

768

00:37:59,089 --> 00:37:56,040

Captain America read your Comics man how

769

00:38:02,510 --> 00:37:59,099

how come so many of these people in this

770

00:38:04,490 --> 00:38:02,520

weirdo wacko world I find myself in all

771

00:38:06,470 --> 00:38:04,500

think they have super powers did they

772

00:38:09,710 --> 00:38:06,480

all read too much comics when they were

773

00:38:12,290 --> 00:38:09,720

a kid I'm a super soldier sure you are

774

00:38:14,630 --> 00:38:12,300

sure yeah just like Steve Rogers right

775

00:38:16,310 --> 00:38:14,640

you're like Captain America and they all

776

00:38:18,410 --> 00:38:16,320

got some kind of injection just like

777

00:38:20,510 --> 00:38:18,420

Captain America that made them into the

778

00:38:23,329 --> 00:38:20,520

Super Soldier but one thing you'll find

779

00:38:25,630 --> 00:38:23,339

about super soldiers is they all look uh

780

00:38:29,030 --> 00:38:25,640

about 70 or 80 or

781

00:38:30,950 --> 00:38:29,040

150 pounds overweight right they all

782

00:38:32,990 --> 00:38:30,960

look like they've all seen better days

783

00:38:34,550 --> 00:38:33,000

but they're a super soldier and they're

784

00:38:36,890 --> 00:38:34,560

going to tell you all about fighting

785

00:38:42,910 --> 00:38:36,900

reptilian aliens in space and things

786

00:38:47,510 --> 00:38:45,589

clearly he's saying he's in charge not

787

00:38:48,770 --> 00:38:47,520

revealing what they're doing who they

788

00:38:50,750 --> 00:38:48,780

are targeting

789

00:38:54,290 --> 00:38:50,760

he's in stealth mode

790

00:38:57,890 --> 00:38:54,300

again hope for the Hopeless garbage this

791

00:39:00,710 --> 00:38:57,900

is all garbage U.S declare look look U.S

792

00:39:02,450 --> 00:39:00,720

declares war on China I must have missed

793

00:39:04,550 --> 00:39:02,460

that I must have missed that I don't

794

00:39:06,470 --> 00:39:04,560

know because you know I I read like The

795

00:39:10,069 --> 00:39:06,480

New York Times and like

796

00:39:12,230 --> 00:39:10,079

uh you know the Washington Post and like

797

00:39:14,990 --> 00:39:12,240

credibility or I don't know maybe I

798

00:39:16,730 --> 00:39:15,000

missed it did we declare war on China oh

799

00:39:18,190 --> 00:39:16,740

but it's okay that she's lying to

800

00:39:21,530 --> 00:39:18,200

everyone because she puts a big

801
00:39:24,829 --> 00:39:21,540
unconfirmed on it so it's okay to lie

802
00:39:27,250 --> 00:39:24,839
through your teeth to people or spread

803
00:39:32,270 --> 00:39:27,260
dangerous false misinformation

804
00:39:35,210 --> 00:39:32,280
disinformation and garbage on Twitter

805
00:39:39,170 --> 00:39:35,220
and I just want to say Carrie Cassidy

806
00:39:45,890 --> 00:39:39,180
how [h__\h] stupid are you

807
00:39:47,750 --> 00:39:45,900
believe this [h__\h] do you really [h__\h]

808
00:39:50,569 --> 00:39:47,760
believe this [h__\h] there's only two

809
00:39:53,150 --> 00:39:50,579
choices either crazy Carrie Cassidy

810
00:39:54,950 --> 00:39:53,160
believes this [h__\h] or she knows it's

811
00:39:57,589 --> 00:39:54,960
fake and she's just pushing it to make

812
00:39:59,630 --> 00:39:57,599
money and get donations from the hopeful

813
00:40:03,109 --> 00:39:59,640

right

814

00:40:05,569 --> 00:40:03,119

and who wants us to be in a war with

815

00:40:06,829 --> 00:40:05,579

China do you understand Kerry Castle you

816

00:40:09,170 --> 00:40:06,839

dumbass

817

00:40:11,089 --> 00:40:09,180

that they have a huge nuclear Arsenal

818

00:40:13,130 --> 00:40:11,099

and that would just destroy our entire

819

00:40:16,130 --> 00:40:13,140

planet if China and the United States

820

00:40:17,630 --> 00:40:16,140

actually went to war why are you pushing

821

00:40:22,250 --> 00:40:17,640

that

822

00:40:30,829 --> 00:40:25,790

interview with Charlie Miller oh yeah

823

00:40:36,609 --> 00:40:33,710

oh and she joined telegram oh and here

824

00:40:39,950 --> 00:40:36,619

we go JFK Jr is Alive and Well States

825

00:40:42,770 --> 00:40:39,960

107 over dinner with Robert David Steele

826

00:40:45,890 --> 00:40:42,780

Robert David Steele you know the guy who

827

00:40:48,290 --> 00:40:45,900

said that there's a martian uh slave

828

00:40:49,670 --> 00:40:48,300

Colony on the Alex Jones Show yeah that

829

00:40:52,069 --> 00:40:49,680

guy what a great source of information

830

00:40:54,410 --> 00:40:52,079

we should trust him

831

00:40:56,870 --> 00:40:54,420

yeah

832

00:40:58,790 --> 00:40:56,880

Trump is going to Los Alamos we have a

833

00:41:00,410 --> 00:40:58,800

massive underground base there oh and

834

00:41:06,050 --> 00:41:00,420

then she's pushing Simon Park's latest

835

00:41:11,329 --> 00:41:08,569

oh and she's got to give the disclaimer

836

00:41:13,670 --> 00:41:11,339

on this one latest update from Danielle

837

00:41:15,170 --> 00:41:13,680

Charlie Ward and Simon Parks no be aware

838

00:41:17,750 --> 00:41:15,180

that they are revealing what they are

839

00:41:20,030 --> 00:41:17,760

told not necessarily exactly what is

840

00:41:22,849 --> 00:41:20,040

coming Trump and team have to protect

841

00:41:26,089 --> 00:41:22,859

their tactics maintain the element of

842

00:41:28,849 --> 00:41:26,099

surprise yeah because Simon Parks Carrie

843

00:41:32,089 --> 00:41:28,859

Cassidy David Wilcox Robert David Steele

844

00:41:35,089 --> 00:41:32,099

these idiots since the election happened

845

00:41:36,470 --> 00:41:35,099

have been saying all this stuff is going

846

00:41:38,150 --> 00:41:36,480

to happen don't worry we have the

847

00:41:40,130 --> 00:41:38,160

evidence we're going to get we're going

848

00:41:41,809 --> 00:41:40,140

to get the evidence and then Biden's

849

00:41:43,370 --> 00:41:41,819

going to get arrested for election for

850

00:41:45,410 --> 00:41:43,380

that didn't happen

851
00:41:47,930 --> 00:41:45,420
the election will never be certified

852
00:41:50,030 --> 00:41:47,940
that didn't happen

853
00:41:53,089 --> 00:41:50,040
Biden is never going to be inaugurated

854
00:41:59,210 --> 00:41:53,099
I'm I'm sorry to let you stupid people

855
00:42:03,349 --> 00:42:01,849
do I know I gotta be honest do I have

856
00:42:05,510 --> 00:42:03,359
some kind of concerns that there'll be

857
00:42:08,569 --> 00:42:05,520
some kind of disruption yeah a part of

858
00:42:11,569 --> 00:42:08,579
me thinks there may be a very uh some

859
00:42:14,870 --> 00:42:11,579
kind of disruption that prevents the

860
00:42:16,430 --> 00:42:14,880
the thing from happening but really I

861
00:42:19,010 --> 00:42:16,440
believe all he has to do is put his hand

862
00:42:21,230 --> 00:42:19,020
on a Bible and and be sworn in and that

863
00:42:23,530 --> 00:42:21,240

only takes a few minutes so I think no

864

00:42:26,390 --> 00:42:23,540

matter what happens one way or the other

865

00:42:29,630 --> 00:42:26,400

Biden's your next president like it love

866

00:42:31,490 --> 00:42:29,640

it hate it swallow it down friends

867

00:42:32,630 --> 00:42:31,500

because that's what's gonna happen

868

00:42:34,849 --> 00:42:32,640

tomorrow

869

00:42:36,710 --> 00:42:34,859

so we're going to stop this

870

00:42:38,690 --> 00:42:36,720

I've got one more thing to share and

871

00:42:40,730 --> 00:42:38,700

that is from my other favorite letter of

872

00:42:41,809 --> 00:42:40,740

the alphabet nonsense conspiracy

873

00:42:45,349 --> 00:42:41,819

theorist

874

00:42:50,089 --> 00:42:45,359

and that would be Jordan sather

875

00:42:52,609 --> 00:42:50,099

I just want to display the level of the

876

00:42:55,069 --> 00:42:52,619

I think I could say retardation here and

877

00:42:57,109 --> 00:42:55,079

that wouldn't be can I say retardation I

878

00:43:00,589 --> 00:42:57,119

want to display the level of retardation

879

00:43:02,450 --> 00:43:00,599

of Jordan sather and some of these

880

00:43:04,970 --> 00:43:02,460

people that have been pushing this

881

00:43:07,190 --> 00:43:04,980

letter of the alphabet nonsense

882

00:43:08,809 --> 00:43:07,200

and by the way now lady think about it

883

00:43:09,650 --> 00:43:08,819

it's probably not a good use of that

884

00:43:11,630 --> 00:43:09,660

word

885

00:43:13,190 --> 00:43:11,640

I want to display the level of I'm

886

00:43:14,870 --> 00:43:13,200

trying to work on my vocabulary friends

887

00:43:17,870 --> 00:43:14,880

I even got one of those word of day

888

00:43:20,270 --> 00:43:17,880

things that comes in my email

889

00:43:24,290 --> 00:43:20,280

I want to display some of the

890

00:43:27,410 --> 00:43:24,300

Ridiculousness of these people uh some

891

00:43:30,170 --> 00:43:27,420

of the out and out

892

00:43:33,170 --> 00:43:30,180

speculative garbage that they're sharing

893

00:43:39,589 --> 00:43:36,410

um I'm not sure if this is going to work

894

00:43:42,950 --> 00:43:39,599

I never try to do this

895

00:43:48,470 --> 00:43:42,960

of course it's not gonna work

896

00:43:48,480 --> 00:43:52,190

one second friends

897

00:43:58,910 --> 00:43:54,890

I gotta put this thing

898

00:43:58,920 --> 00:44:05,150

let's try that one more time

899

00:44:10,730 --> 00:44:08,990

Oh no I got it I'm proud of myself all

900

00:44:12,770 --> 00:44:10,740

right uh

901
00:44:15,470 --> 00:44:12,780
I'm going to share this this is a post

902
00:44:18,290 --> 00:44:15,480
that somebody's reposting and it's

903
00:44:19,910 --> 00:44:18,300
written by Jordan sather

904
00:44:21,710 --> 00:44:19,920
so uh

905
00:44:24,410 --> 00:44:21,720
we're gonna cite fair use but this is a

906
00:44:27,530 --> 00:44:24,420
public post apparently I found it on

907
00:44:28,250 --> 00:44:27,540
Twitter thanks to

908
00:44:30,470 --> 00:44:28,260
um

909
00:44:32,750 --> 00:44:30,480
I'll get the source who who sent this to

910
00:44:34,730 --> 00:44:32,760
me and thank you by the way just

911
00:44:38,270 --> 00:44:34,740
multitasking a lot right now and I can't

912
00:44:40,630 --> 00:44:38,280
recall right at this moment

913
00:44:44,030 --> 00:44:40,640

all right

914

00:44:45,829 --> 00:44:44,040

from Jordan sander president Donald is

915

00:44:48,530 --> 00:44:45,839

it possible the White House will be

916

00:44:50,150 --> 00:44:48,540

burned down could he be saying goodbye

917

00:44:52,250 --> 00:44:50,160

to the White House specifically because

918

00:44:55,010 --> 00:44:52,260

he knows something was the fire

919

00:44:56,990 --> 00:44:55,020

yesterday a warning or a clue this place

920

00:44:59,270 --> 00:44:57,000

is seeped in Illuminati symbolism

921

00:45:01,910 --> 00:44:59,280

politicians and media called The Sacred

922

00:45:05,829 --> 00:45:01,920

Temple hinting at how the D's see the

923

00:45:08,390 --> 00:45:05,839

capital and how they use it

924

00:45:10,849 --> 00:45:08,400

them deliberately

925

00:45:12,710 --> 00:45:10,859

I don't even want to say it

926

00:45:15,550 --> 00:45:12,720

the whole place

927

00:45:18,290 --> 00:45:15,560

down could be a last-ditch effort to

928

00:45:20,329 --> 00:45:18,300

destroy evidence and could be used as a

929

00:45:22,069 --> 00:45:20,339

false flag to blame Trump supporters or

930

00:45:24,349 --> 00:45:22,079

to make it look like Trump is declaring

931

00:45:28,250 --> 00:45:24,359

war on the new Administration

932

00:45:30,050 --> 00:45:28,260

literally a dictator

933

00:45:32,030 --> 00:45:30,060

there have been lots of movies and TV

934

00:45:33,190 --> 00:45:32,040

shows about

935

00:45:35,829 --> 00:45:33,200

that

936

00:45:38,150 --> 00:45:35,839

Capital exploring the Fallout

937

00:45:40,069 --> 00:45:38,160

consequences suggested pre-programmed

938

00:45:41,750 --> 00:45:40,079

for such an event but if they are

939

00:45:44,210 --> 00:45:41,760

planning something like this would Trump

940

00:45:46,190 --> 00:45:44,220

allow it as an event it would be worse

941

00:45:48,470 --> 00:45:46,200

than 9 11. the emotional Fallout would

942

00:45:49,970 --> 00:45:48,480

be practically unprecedented but it

943

00:45:52,190 --> 00:45:49,980

could destroy the Dee's most sacred

944

00:45:54,349 --> 00:45:52,200

Temple Trump proving it to be a false

945

00:45:56,750 --> 00:45:54,359

flag

946

00:45:58,730 --> 00:45:56,760

would wake up a lot of people it would

947

00:46:00,950 --> 00:45:58,740

be very symbolic of destroying an old

948

00:46:03,410 --> 00:46:00,960

corrupt order and building a new one out

949

00:46:05,410 --> 00:46:03,420

of the ashes and Trump would design and

950

00:46:10,130 --> 00:46:05,420

build

951
00:46:11,930 --> 00:46:10,140
house also preventing the Deeds from

952
00:46:14,930 --> 00:46:11,940
putting their dark symbolism into the

953
00:46:17,270 --> 00:46:14,940
new architecture scary but interesting

954
00:46:18,589 --> 00:46:17,280
thoughts I had

955
00:46:21,710 --> 00:46:18,599
and again

956
00:46:23,270 --> 00:46:21,720
this is uh this is a post for me now I

957
00:46:28,430 --> 00:46:23,280
mean this is garbage

958
00:46:34,670 --> 00:46:31,550
why would you even

959
00:46:36,890 --> 00:46:34,680
share something so incendiary

960
00:46:38,510 --> 00:46:36,900
when you you know the guy's got

961
00:46:41,809 --> 00:46:38,520
thousands and thousands of followers

962
00:46:43,490 --> 00:46:41,819
whether I like that or not uh the guy's

963
00:46:46,250 --> 00:46:43,500

got thousands and thousands of followers

964

00:46:49,430 --> 00:46:46,260

so spreading that kind of incendiary

965

00:46:52,069 --> 00:46:49,440

garbage right after what happened at the

966

00:46:55,670 --> 00:46:52,079

Capitol is incredibly stupid and

967

00:46:57,230 --> 00:46:55,680

irresponsible and uh for those unaware I

968

00:46:59,510 --> 00:46:57,240

couldn't even I didn't I shouldn't even

969

00:47:02,569 --> 00:46:59,520

have said some of those things because

970

00:47:05,510 --> 00:47:02,579

the AI algorithm Bots are looking for

971

00:47:10,849 --> 00:47:05,520

people spreading messages about

972

00:47:14,150 --> 00:47:10,859

Terror or doing Terror plots right

973

00:47:17,390 --> 00:47:14,160

and even that even just speaking those

974

00:47:22,370 --> 00:47:17,400

words here could flag us and cause all

975

00:47:29,510 --> 00:47:27,049

my last point to get to is really this

976

00:47:32,870 --> 00:47:29,520

there should be some kind of

977

00:47:35,270 --> 00:47:32,880

consequences for these [h__\h] for all

978

00:47:38,329 --> 00:47:35,280

of them that were pushing this garbage

979

00:47:41,470 --> 00:47:38,339

this nonsense for all the damage that

980

00:47:45,650 --> 00:47:41,480

they have done the murders the literal

981

00:47:47,569 --> 00:47:45,660

murders that they have helped

982

00:47:50,870 --> 00:47:47,579

cause

983

00:47:54,349 --> 00:47:50,880

people have actually lost their lives

984

00:48:03,290 --> 00:47:54,359

over this garbage that they have been

985

00:48:08,690 --> 00:48:05,930

I suppose it's times like this that

986

00:48:10,910 --> 00:48:08,700

people like that are glad that I'm not

987

00:48:13,250 --> 00:48:10,920

in charge because if I was I'm not

988

00:48:15,589 --> 00:48:13,260

saying I would set up a firing squad but

989

00:48:18,349 --> 00:48:15,599

there'd be some jail time there'd be

990

00:48:20,990 --> 00:48:18,359

some jail time in many of these people's

991

00:48:23,930 --> 00:48:21,000

futures and for one reason or another

992

00:48:27,410 --> 00:48:23,940

some of them it's not just the letter of

993

00:48:29,690 --> 00:48:27,420

the alphabet con and scan Simon Parks

994

00:48:31,549 --> 00:48:29,700

was involved in a scam to sell you a

995

00:48:34,010 --> 00:48:31,559

little sticker that you put on a phone

996

00:48:37,849 --> 00:48:34,020

right and and it blocks all that harmful

997

00:48:40,370 --> 00:48:37,859

5G but it doesn't it doesn't do that at

998

00:48:43,609 --> 00:48:40,380

all it doesn't do anything it's a

999

00:48:45,829 --> 00:48:43,619

[h__\h] sticker right or was his the

1000

00:48:47,990 --> 00:48:45,839

fake USB devices I think his might have

1001

00:48:50,089 --> 00:48:48,000

been the fake in any case

1002

00:48:53,210 --> 00:48:50,099

many of these people are involved in

1003

00:48:55,069 --> 00:48:53,220

multiple scams right besides the letter

1004

00:48:58,549 --> 00:48:55,079

of the alphabet scams that they've been

1005

00:49:03,349 --> 00:49:01,309

there should be consequences and not my

1006

00:49:07,010 --> 00:49:03,359

friends just legal consequences there

1007

00:49:09,470 --> 00:49:07,020

should be some form if the universe is

1008

00:49:11,930 --> 00:49:09,480

fair and just and I believe that it is

1009

00:49:13,130 --> 00:49:11,940

and I will pray for this myself I will

1010

00:49:17,150 --> 00:49:13,140

just pray

1011

00:49:19,370 --> 00:49:17,160

for the playing field to be leveled now

1012

00:49:21,710 --> 00:49:19,380

you know they made all this money

1013

00:49:24,410 --> 00:49:21,720

selling these lies for four years they

1014

00:49:27,530 --> 00:49:24,420

can't keep going with this thing

1015

00:49:29,930 --> 00:49:27,540

right some of them are already pivoting

1016

00:49:32,569 --> 00:49:29,940

away from it David Wilcock is now going

1017

00:49:34,490 --> 00:49:32,579

to be a Channeler again because he lost

1018

00:49:36,470 --> 00:49:34,500

the letter of the alphabet [h__\h] to

1019

00:49:38,329 --> 00:49:36,480

share and talk about so now he's just

1020

00:49:42,230 --> 00:49:38,339

going to go back to talking to his

1021

00:49:43,549 --> 00:49:42,240

imaginary friends right uh let's see I

1022

00:49:47,930 --> 00:49:43,559

don't know what's going on with Mr

1023

00:49:52,790 --> 00:49:47,940

sather but uh his former huge platform

1024

00:49:54,829 --> 00:49:52,800

is incredibly incredibly reduced and uh

1025

00:49:56,870 --> 00:49:54,839

from what I noticed from a little bit of

1026

00:49:59,930 --> 00:49:56,880

metrics I looked into with him it's

1027

00:50:02,030 --> 00:49:59,940

getting worse it's getting worse for him

1028

00:50:05,450 --> 00:50:02,040

um so I think that the pendulum should

1029

00:50:06,290 --> 00:50:05,460

not only swing it should swing really

1030

00:50:12,109 --> 00:50:06,300

far

1031

00:50:13,910 --> 00:50:12,119

incredibly unbalanced here for quite a

1032

00:50:17,410 --> 00:50:13,920

while with these guys making all this

1033

00:50:20,390 --> 00:50:17,420

money selling all this trash garbage

1034

00:50:22,250 --> 00:50:20,400

nonsense for years

1035

00:50:24,349 --> 00:50:22,260

time to get a real [h__h] job how about

1036

00:50:26,690 --> 00:50:24,359

that get up off your ass and get a real

1037

00:50:28,390 --> 00:50:26,700

[h__h] job instead of going on the

1038

00:50:32,270 --> 00:50:28,400

internet and [h__\h] lying to everybody

1039

00:50:35,450 --> 00:50:32,280

some of these [h__\h] right get a real

1040

00:50:38,569 --> 00:50:35,460

[h__\h] job offer some value to the

1041

00:50:44,329 --> 00:50:38,579

world do something that makes the world

1042

00:50:48,290 --> 00:50:46,490

now what other consequences can I think

1043

00:50:49,549 --> 00:50:48,300

of I don't know

1044

00:50:51,290 --> 00:50:49,559

I would think

1045

00:50:53,569 --> 00:50:51,300

the people that organize all these

1046

00:50:56,170 --> 00:50:53,579

conferences right the UFO conferences

1047

00:51:00,890 --> 00:50:56,180

the Consciousness conferences the

1048

00:51:05,690 --> 00:51:02,870

I think that those people should no

1049

00:51:08,390 --> 00:51:05,700

longer be welcome this is my opinion you

1050

00:51:10,609 --> 00:51:08,400

may disagree with me but I think

1051
00:51:13,670 --> 00:51:10,619
you know how they should be punished

1052
00:51:16,250 --> 00:51:13,680
they should be punished in their wallets

1053
00:51:18,829 --> 00:51:16,260
for pushing this garbage they should be

1054
00:51:19,870 --> 00:51:18,839
punished in their wallets for pushing

1055
00:51:23,089 --> 00:51:19,880
this

1056
00:51:25,490 --> 00:51:23,099
total garbage do you know why

1057
00:51:28,069 --> 00:51:25,500
because they've been rewarded in their

1058
00:51:30,109 --> 00:51:28,079
wallets for the past four years selling

1059
00:51:32,089 --> 00:51:30,119
this trash

1060
00:51:34,670 --> 00:51:32,099
and things have to come back into

1061
00:51:38,450 --> 00:51:34,680
balance That's The Way of the World all

1062
00:51:41,390 --> 00:51:38,460
right Carrie Cassidy David Wilcock Simon

1063
00:51:44,450 --> 00:51:41,400

Parks Robert David Steele Jordan say

1064

00:51:47,349 --> 00:51:44,460

they're and many of you others Corey

1065

00:51:50,690 --> 00:51:47,359

good comes to mind you've all made money

1066

00:51:53,569 --> 00:51:50,700

selling this [h__h] this garbage trash now

1067

00:51:56,950 --> 00:51:53,579

proven completely and totally fake and

1068

00:51:59,870 --> 00:51:56,960

fraudulent made up LARP [h__h]

1069

00:52:02,809 --> 00:51:59,880

nonsense you've all made a lot of money

1070

00:52:07,910 --> 00:52:05,690

and I think that if the universe is a

1071

00:52:10,849 --> 00:52:07,920

fair place right

1072

00:52:12,710 --> 00:52:10,859

if karma really works and I gotta

1073

00:52:14,930 --> 00:52:12,720

believe in my heart of hearts that it

1074

00:52:18,049 --> 00:52:14,940

does

1075

00:52:20,390 --> 00:52:18,059

is that now in order for balance to be

1076
00:52:23,390 --> 00:52:20,400
achieved you're going to lose a lot of

1077
00:52:24,890 --> 00:52:23,400
money you're going to lose a great deal

1078
00:52:29,210 --> 00:52:24,900
of money

1079
00:52:34,910 --> 00:52:32,210
all of you knowingly willingly and

1080
00:52:38,030 --> 00:52:34,920
deliberately participated in this thing

1081
00:52:39,770 --> 00:52:38,040
to make money and not and by the way I

1082
00:52:43,130 --> 00:52:39,780
don't want to just single people out not

1083
00:52:45,950 --> 00:52:43,140
just the people I mentioned anyone who

1084
00:52:48,349 --> 00:52:45,960
made money from this garbage especially

1085
00:52:51,290 --> 00:52:48,359
the people who somehow made it their

1086
00:52:54,710 --> 00:52:51,300
full-time job for the past four years to

1087
00:52:57,650 --> 00:52:54,720
spread this garbage all of you all of

1088
00:53:01,309 --> 00:52:57,660

you who participated every single one of

1089

00:53:03,650 --> 00:53:01,319

you who participated in it should come

1090

00:53:05,930 --> 00:53:03,660

into balance now

1091

00:53:07,010 --> 00:53:05,940

you made a ton of money doing something

1092

00:53:09,710 --> 00:53:07,020

dirty

1093

00:53:12,290 --> 00:53:09,720

if the universe is fair and I believe it

1094

00:53:14,630 --> 00:53:12,300

is if Karma works and I believe it does

1095

00:53:16,790 --> 00:53:14,640

now that money

1096

00:53:18,770 --> 00:53:16,800

you should lose a lot of money for the

1097

00:53:24,950 --> 00:53:18,780

next four years

1098

00:53:29,270 --> 00:53:26,809

but it's not just the people that made

1099

00:53:32,390 --> 00:53:29,280

this a full-time job that are

1100

00:53:37,010 --> 00:53:32,400

responsible remember the tentacles of

1101

00:53:40,309 --> 00:53:37,020

this web you know go very far

1102

00:53:42,829 --> 00:53:40,319

there have literally been politicians

1103

00:53:46,010 --> 00:53:42,839

elected because they supported this

1104

00:53:49,069 --> 00:53:46,020

letter of the alphabet nonsense

1105

00:53:52,190 --> 00:53:49,079

if my plan for balance is going to work

1106

00:53:54,710 --> 00:53:52,200

they've got to lose their job as a

1107

00:53:56,870 --> 00:53:54,720

senator a congressperson a local state

1108

00:53:59,030 --> 00:53:56,880

representative whatever because they

1109

00:54:01,010 --> 00:53:59,040

supported this garbage that would be

1110

00:54:02,809 --> 00:54:01,020

balanced they've got it they gained

1111

00:54:04,609 --> 00:54:02,819

something from something dirty now they

1112

00:54:07,490 --> 00:54:04,619

gotta lose something

1113

00:54:12,950 --> 00:54:10,250

but the web extends further and further

1114

00:54:16,910 --> 00:54:12,960

right there have been people making

1115

00:54:21,170 --> 00:54:16,920

documentaries selling books right

1116

00:54:23,750 --> 00:54:21,180

selling all access pass on my patreon

1117

00:54:26,750 --> 00:54:23,760

hear the hear the analysis of the drop

1118

00:54:29,750 --> 00:54:26,760

side oh Pop drop publicly

1119

00:54:32,030 --> 00:54:29,760

ten dollar membership level you too can

1120

00:54:34,309 --> 00:54:32,040

get the extra [h__h] I don't put out

1121

00:54:36,109 --> 00:54:34,319

on my main [h__h]

1122

00:54:39,170 --> 00:54:36,119

Channel

1123

00:54:41,329 --> 00:54:39,180

you too you gotta lose a bunch of money

1124

00:54:46,849 --> 00:54:41,339

in the next few years because you

1125

00:54:51,230 --> 00:54:49,130

and if I had my way

1126

00:54:53,210 --> 00:54:51,240

this would happen friends

1127

00:54:59,809 --> 00:54:53,220

I think that's a fair and just

1128

00:55:02,270 --> 00:54:59,819

resolution right to this whole situation

1129

00:55:04,430 --> 00:55:02,280

now we can talk just very briefly I'm

1130

00:55:06,410 --> 00:55:04,440

sorry I didn't mean to go this long we

1131

00:55:08,150 --> 00:55:06,420

can talk just very briefly about what

1132

00:55:10,730 --> 00:55:08,160

are all of these [h__h] going to do

1133

00:55:13,910 --> 00:55:10,740

next right we know that David Wilcock is

1134

00:55:16,609 --> 00:55:13,920

pivoting back into uh I'm a Channeler

1135

00:55:19,309 --> 00:55:16,619

and I talked to imaginary friends and

1136

00:55:22,730 --> 00:55:19,319

I'm channeling Jesus he's channeling

1137

00:55:26,390 --> 00:55:22,740

Jesus now that's his new scan he's going

1138

00:55:28,789 --> 00:55:26,400

to channel Jesus I'm channeling Jesus

1139

00:55:31,069 --> 00:55:28,799

he's not channeling Jesus friends it's

1140

00:55:33,950 --> 00:55:31,079

just a new con just like the old con

1141

00:55:36,109 --> 00:55:33,960

that he just wore out he wore out his

1142

00:55:38,030 --> 00:55:36,119

old car and that Khan's wearing out its

1143

00:55:40,430 --> 00:55:38,040

welcome you got to get up with the new

1144

00:55:42,289 --> 00:55:40,440

con so for David Wilcock he's going to

1145

00:55:44,690 --> 00:55:42,299

go back to channeling his imaginary

1146

00:55:47,450 --> 00:55:44,700

friends that he says is Jesus and the

1147

00:55:50,150 --> 00:55:47,460

Angelic beings yeah yeah that's what

1148

00:55:51,829 --> 00:55:50,160

he's gonna do Carrie Cassidy I think

1149

00:55:53,809 --> 00:55:51,839

she's probably gonna go back to talking

1150

00:55:56,030 --> 00:55:53,819

about aliens wanting to [h__\h] us and eat

1151
00:55:58,670 --> 00:55:56,040
us and you know the reptilian overlords

1152
00:56:01,910 --> 00:55:58,680
in space and her face and her [h__h]

1153
00:56:04,910 --> 00:56:01,920
fake super soldiers and and Space Heroes

1154
00:56:06,770 --> 00:56:04,920
that she talks to right

1155
00:56:08,630 --> 00:56:06,780
I think that's what Kerry Cassidy is

1156
00:56:10,970 --> 00:56:08,640
going to do Simon Park's going to go

1157
00:56:14,569 --> 00:56:10,980
back to talking about [h__h] that lion

1158
00:56:19,309 --> 00:56:14,579
girl I was [h__h] this lying girl right

1159
00:56:21,710 --> 00:56:19,319
he was [h__h] a lying girl alien man

1160
00:56:23,750 --> 00:56:21,720
he must have a thing for cats and

1161
00:56:25,910 --> 00:56:23,760
actually he does I've seen him like show

1162
00:56:27,289 --> 00:56:25,920
people his cat on his stream like look

1163
00:56:29,510 --> 00:56:27,299

my [\h__\h]

1164

00:56:32,270 --> 00:56:29,520

that's about the only [\h__\h] that Simon

1165

00:56:34,190 --> 00:56:32,280

Parks is getting friends yeah

1166

00:56:37,430 --> 00:56:34,200

uh he's gonna go back to talk about

1167

00:56:41,870 --> 00:56:37,440

[\h__\h] a cat Queen uh Lionel was it

1168

00:56:44,210 --> 00:56:41,880

lion girl I uh lioness lion o it's like

1169

00:56:46,370 --> 00:56:44,220

the [\h__\h] Thundercats Lionel right he

1170

00:56:50,390 --> 00:56:46,380

was [\h__\h] lying though

1171

00:56:53,870 --> 00:56:50,400

but it was the girl lionette Lionel the

1172

00:56:55,789 --> 00:56:53,880

lion alien girl

1173

00:56:58,609 --> 00:56:55,799

and maybe he's gonna talk about his

1174

00:57:02,089 --> 00:56:58,619

insectoid alien Mommy right that's what

1175

00:57:03,890 --> 00:57:02,099

he's gonna go back to uh let's see uh

1176

00:57:06,170 --> 00:57:03,900

Robert David Steele is gonna push

1177

00:57:08,750 --> 00:57:06,180

whatever garbage conspiracies he can

1178

00:57:09,650 --> 00:57:08,760

because he's full of opium and [h__h]

1179

00:57:12,589 --> 00:57:09,660

too

1180

00:57:15,170 --> 00:57:12,599

uh and you know I don't know about the

1181

00:57:16,609 --> 00:57:15,180

rest of them Jordan Sayer the Griff goes

1182

00:57:19,069 --> 00:57:16,619

on what's he gonna he's been talking

1183

00:57:21,170 --> 00:57:19,079

about this [h__h] for four years grew his

1184

00:57:23,990 --> 00:57:21,180

entire Following over it and now they're

1185

00:57:27,470 --> 00:57:24,000

all leaving like Rats from a [h__h]

1186

00:57:29,990 --> 00:57:27,480

sinking ship and as well they should and

1187

00:57:32,569 --> 00:57:30,000

again for Jordan sather that's to me

1188

00:57:34,849 --> 00:57:32,579

that's balance you built a huge social

1189

00:57:37,309 --> 00:57:34,859

media following that you extracted all

1190

00:57:40,089 --> 00:57:37,319

the money you could from selling this

1191

00:57:43,609 --> 00:57:40,099

garbage this hopium

1192

00:57:46,789 --> 00:57:43,619

[\h__\h] nonsense for [\h__\h] four years

1193

00:57:48,950 --> 00:57:46,799

now you built a career out of it now you

1194

00:57:51,770 --> 00:57:48,960

got to lose money bro now it's the time

1195

00:57:55,309 --> 00:57:51,780

for the [\h__\h] balance of things to go

1196

00:57:56,589 --> 00:57:55,319

back to balance you benefit it you

1197

00:58:01,010 --> 00:57:56,599

profit it

1198

00:58:02,930 --> 00:58:01,020

unfairly selling garbage for four years

1199

00:58:04,250 --> 00:58:02,940

things got to come back into balance for

1200

00:58:05,809 --> 00:58:04,260

him

1201

00:58:07,549 --> 00:58:05,819

I don't know where all these clowns are

1202

00:58:09,049 --> 00:58:07,559

gonna do but I'm gonna check in with

1203

00:58:11,150 --> 00:58:09,059

them and we're gonna report on it

1204

00:58:12,829 --> 00:58:11,160

because that's what we do here

1205

00:58:15,109 --> 00:58:12,839

well friends

1206

00:58:17,930 --> 00:58:15,119

uh you know I'm sorry we went a lot

1207

00:58:20,329 --> 00:58:17,940

longer than I anticipated here uh but a

1208

00:58:21,890 --> 00:58:20,339

lot of stuff to cover things I just want

1209

00:58:24,049 --> 00:58:21,900

to get off my chest that I've been

1210

00:58:26,089 --> 00:58:24,059

thinking about and thank you for being

1211

00:58:27,410 --> 00:58:26,099

here and helping me and letting me to do

1212

00:58:29,030 --> 00:58:27,420

that

1213

00:58:31,030 --> 00:58:29,040

you always feel better at the event

1214

00:58:34,370 --> 00:58:31,040

right

1215

00:58:36,170 --> 00:58:34,380

and unfortunately no one in my household

1216

00:58:38,150 --> 00:58:36,180

wants to hear about this

1217

00:58:40,069 --> 00:58:38,160

trying to talk to my four-year-old about

1218

00:58:42,289 --> 00:58:40,079

aliens the other day and he started

1219

00:58:46,190 --> 00:58:42,299

schooling me

1220

00:58:48,109 --> 00:58:46,200

uh yeah so I have some announcements for

1221

00:58:50,089 --> 00:58:48,119

the show and then we'll get right to the

1222

00:58:53,089 --> 00:58:50,099

live chat give some time and energy to

1223

00:58:58,069 --> 00:58:53,099

that so uh we're starting something new

1224

00:59:00,470 --> 00:58:58,079

here and that is uh a book club and uh I

1225

00:59:02,809 --> 00:59:00,480

was remembering that uh I think it was

1226
00:59:05,089 --> 00:59:02,819
Kelly from explaining us and tarika did

1227
00:59:07,789 --> 00:59:05,099
that book club and it was a lot of fun I

1228
00:59:09,710 --> 00:59:07,799
try to and I remember being in a book

1229
00:59:12,010 --> 00:59:09,720
club when I was very very young when I

1230
00:59:15,289 --> 00:59:12,020
had the time to read books a lot more

1231
00:59:18,049 --> 00:59:15,299
and so this is our first book and it is

1232
00:59:20,030 --> 00:59:18,059
Forbidden Knowledge by Jason quit and

1233
00:59:22,490 --> 00:59:20,040
Bob Mitchell and we're going to start

1234
00:59:24,049 --> 00:59:22,500
with this book and uh every time we do a

1235
00:59:25,970 --> 00:59:24,059
show for the book club I'm just going to

1236
00:59:28,190 --> 00:59:25,980
read different excerpts and we're going

1237
00:59:30,069 --> 00:59:28,200
to talk about it and see this is where

1238
00:59:33,130 --> 00:59:30,079

the book club gets interesting because

1239

00:59:35,150 --> 00:59:33,140

uh for those that don't know

1240

00:59:37,309 --> 00:59:35,160

uh yeah

1241

00:59:40,010 --> 00:59:37,319

this is Revelations of a

1242

00:59:42,289 --> 00:59:40,020

multi-dimensional time traveler in the

1243

00:59:45,530 --> 00:59:42,299

form of Jason quit it's all about his

1244

00:59:48,770 --> 00:59:45,540

crazy and incredible experiences with

1245

00:59:50,990 --> 00:59:48,780

interdimensional beings time travel uh

1246

00:59:51,589 --> 00:59:51,000

all kinds of things

1247

00:59:56,510 --> 00:59:51,599

um

1248

00:59:58,910 --> 00:59:56,520

and uh I don't know what I believe about

1249

01:00:02,049 --> 00:59:58,920

the some of the stuff in this book but I

1250

01:00:05,630 --> 01:00:02,059

find his uh writing and his experiences

1251

01:00:07,670 --> 01:00:05,640

fascinating and thought provoking so

1252

01:00:09,410 --> 01:00:07,680

we're gonna we're gonna start with this

1253

01:00:11,210 --> 01:00:09,420

so if you wanna We're not gonna start

1254

01:00:11,990 --> 01:00:11,220

right away so if you want to get the

1255

01:00:14,329 --> 01:00:12,000

book

1256

01:00:17,690 --> 01:00:14,339

I think it's on Amazon it's Forbidden

1257

01:00:19,309 --> 01:00:17,700

Knowledge Jason quit and Bob Mitchell

1258

01:00:21,650 --> 01:00:19,319

uh yeah

1259

01:00:22,849 --> 01:00:21,660

Revelations of a multi-dimensional time

1260

01:00:25,010 --> 01:00:22,859

traveler

1261

01:00:26,809 --> 01:00:25,020

we're going to do that we're gonna we're

1262

01:00:28,789 --> 01:00:26,819

gonna dive into this and we're gonna see

1263

01:00:30,589 --> 01:00:28,799

what everybody thinks of it

1264

01:00:31,549 --> 01:00:30,599

um and if you don't have a book you can

1265

01:00:33,710 --> 01:00:31,559

just

1266

01:00:35,150 --> 01:00:33,720

you know tune in I'm gonna be reading

1267

01:00:37,730 --> 01:00:35,160

portions of the book and then we're

1268

01:00:39,530 --> 01:00:37,740

going to be discussing them uh oh but I

1269

01:00:41,809 --> 01:00:39,540

said where the book club gets

1270

01:00:43,670 --> 01:00:41,819

interesting is at the end of this after

1271

01:00:45,049 --> 01:00:43,680

we've gone through the book sufficiently

1272

01:00:46,970 --> 01:00:45,059

we might be able to get Jason Quotes

1273

01:00:49,250 --> 01:00:46,980

come on here and talk more about his

1274

01:00:51,470 --> 01:00:49,260

experiences

1275

01:00:54,770 --> 01:00:51,480

um so there you go through Seekers book

1276

01:00:56,630 --> 01:00:54,780

club and our first one is by an author I

1277

01:00:59,270 --> 01:00:56,640

I wanted to pick an author that I kind

1278

01:01:01,010 --> 01:00:59,280

of know so I can maybe twist their arm

1279

01:01:02,930 --> 01:01:01,020

and get him to come on and talk to the

1280

01:01:06,410 --> 01:01:02,940

book club that's reading the book with

1281

01:01:12,470 --> 01:01:06,420

them so I think this is a good idea

1282

01:01:16,069 --> 01:01:14,510

Okay so we've been talking for a while

1283

01:01:19,190 --> 01:01:16,079

about expanding the show to other

1284

01:01:22,069 --> 01:01:19,200

streaming locations so today I I signed

1285

01:01:28,010 --> 01:01:22,079

up for D live Periscope Dailymotion

1286

01:01:29,870 --> 01:01:28,020

Vimeo and a few others and um I have a

1287

01:01:32,569 --> 01:01:29,880

little bit more work to do believe it or

1288

01:01:35,450 --> 01:01:32,579

not I have to redo in order to upgrade

1289

01:01:37,849 --> 01:01:35,460

our software I don't have to

1290

01:01:39,650 --> 01:01:37,859

redo all of the intros and bumpers and

1291

01:01:41,510 --> 01:01:39,660

everything but yes I do because they're

1292

01:01:45,049 --> 01:01:41,520

all at lower quality

1293

01:01:46,250 --> 01:01:45,059

and uh soon we'll have HD quality and I

1294

01:01:48,049 --> 01:01:46,260

want the

1295

01:01:49,910 --> 01:01:48,059

I've got a few new intros I was working

1296

01:01:52,010 --> 01:01:49,920

on anyway but I want them to be more

1297

01:01:55,190 --> 01:01:52,020

crisp and you know

1298

01:01:57,829 --> 01:01:55,200

not so pixelated and garbagey those are

1299

01:01:59,450 --> 01:01:57,839

kind of thrown together uh and in a

1300

01:02:02,870 --> 01:01:59,460

short order we're going to be upgrading

1301
01:02:04,430 --> 01:02:02,880
and going to a bunch of different uh a

1302
01:02:07,190 --> 01:02:04,440
bunch of different more streaming

1303
01:02:09,950 --> 01:02:07,200
platforms all at once

1304
01:02:12,650 --> 01:02:09,960
okay

1305
01:02:15,170 --> 01:02:12,660
yes alien Sciences here and says smash

1306
01:02:18,470 --> 01:02:15,180
that like button absolutely

1307
01:02:21,289 --> 01:02:18,480
uh and uh yeah I wanted to talk to you

1308
01:02:23,870 --> 01:02:21,299
about this Nick Pope thing uh off air

1309
01:02:25,970 --> 01:02:23,880
though let's do that off air

1310
01:02:31,910 --> 01:02:25,980
uh

1311
01:02:32,930 --> 01:02:31,920
or I've got some questions let's put it

1312
01:02:34,789 --> 01:02:32,940
that

1313
01:02:37,490 --> 01:02:34,799

all right so any comments or questions

1314

01:02:39,049 --> 01:02:37,500

for me in the live chat uh we'll be

1315

01:02:43,250 --> 01:02:39,059

sharing some things

1316

01:02:46,690 --> 01:02:43,260

okay tomato gate issues might not be so

1317

01:02:51,410 --> 01:02:49,309

uh I'm wondering we were wondering

1318

01:02:54,109 --> 01:02:51,420

earlier on Twitter what is Lee veldman

1319

01:02:57,049 --> 01:02:54,119

going to do after tomorrow you've been

1320

01:02:59,329 --> 01:02:57,059

following this nonsense for a long time

1321

01:03:02,450 --> 01:02:59,339

and I mean following it like making fun

1322

01:03:05,029 --> 01:03:02,460

of it but still he had like he's always

1323

01:03:07,910 --> 01:03:05,039

reposting stuff and talking about stuff

1324

01:03:11,270 --> 01:03:07,920

and saying like what idiots they are

1325

01:03:17,450 --> 01:03:11,280

right and now it's all over

1326

01:03:23,630 --> 01:03:19,910

Eric says I saw Jason walk through a

1327

01:03:25,730 --> 01:03:23,640

wall one night in 2017. uh send me the

1328

01:03:26,690 --> 01:03:25,740

video where it didn't happen you're full

1329

01:03:29,089 --> 01:03:26,700

[h__\h]

1330

01:03:31,130 --> 01:03:29,099

uh did he walk through a wall while you

1331

01:03:33,529 --> 01:03:31,140

were [h__\h] eating mushrooms or

1332

01:03:36,710 --> 01:03:33,539

something or you know high off your

1333

01:03:37,549 --> 01:03:36,720

[h__\h] ass on a DMT trip when he did

1334

01:03:41,930 --> 01:03:37,559

that

1335

01:03:48,470 --> 01:03:46,430

oh spooky says we bought deactivated oh

1336

01:03:53,210 --> 01:03:48,480

no

1337

01:03:55,730 --> 01:03:53,220

Mario heed says ceases is our CIA

1338

01:03:58,730 --> 01:03:55,740

uh

1339

01:04:01,190 --> 01:03:58,740

I was at the Canadian version of the CIA

1340

01:04:03,829 --> 01:04:01,200

you guys have an Intelligence Agency for

1341

01:04:06,049 --> 01:04:03,839

what to find out where to [h__\h] make

1342

01:04:07,970 --> 01:04:06,059

the best maple syrup like well nobody

1343

01:04:10,730 --> 01:04:07,980

[h__\h] with Canada you guys don't have to

1344

01:04:12,170 --> 01:04:10,740

worry about intelligence and

1345

01:04:14,329 --> 01:04:12,180

oh

1346

01:04:16,250 --> 01:04:14,339

my favorite Canadian Mexican is Mario

1347

01:04:18,589 --> 01:04:16,260

heat I'm just stating that for the

1348

01:04:23,150 --> 01:04:21,529

oh okay well this makes sense Jason quit

1349

01:04:25,970 --> 01:04:23,160

says no I fell and went right through

1350

01:04:32,390 --> 01:04:25,980

the drywall all right well then you did

1351

01:04:38,150 --> 01:04:35,870

oh yeah when are you doing that when is

1352

01:04:40,490 --> 01:04:38,160

it alien Sciences when is the Nick poke

1353

01:04:42,109 --> 01:04:40,500

thing I thought it was 3 P.M today but

1354

01:04:43,789 --> 01:04:42,119

then I got busy and I didn't check back

1355

01:04:46,970 --> 01:04:43,799

and I haven't watched it or checked it

1356

01:04:48,710 --> 01:04:46,980

when it what time is it alien scientist

1357

01:04:53,150 --> 01:04:48,720

or are you doing one of those eight hour

1358

01:04:59,829 --> 01:04:55,849

yes Eric says Lee needs a vacation and

1359

01:05:04,609 --> 01:05:02,029

he walked through a mall it was

1360

01:05:11,329 --> 01:05:04,619

plasterboard he only got minor scratches

1361

01:05:15,470 --> 01:05:13,549

yeah alien scientists

1362

01:05:17,029 --> 01:05:15,480

let me know when the Nick poke thing is

1363

01:05:20,029 --> 01:05:17,039

or is it already done and I'll just

1364

01:05:21,950 --> 01:05:20,039

watch the replay I just wanted to uh

1365

01:05:23,569 --> 01:05:21,960

I was gonna I was gonna give you a few

1366

01:05:25,250 --> 01:05:23,579

questions to ask them that I think are

1367

01:05:26,630 --> 01:05:25,260

important

1368

01:05:28,430 --> 01:05:26,640

um and for those who don't know Nick

1369

01:05:31,970 --> 01:05:28,440

Pope got

1370

01:05:34,490 --> 01:05:31,980

sort of blasted recently for basically

1371

01:05:36,770 --> 01:05:34,500

lying or overstating that he worked on

1372

01:05:38,329 --> 01:05:36,780

any kind of UFOs for the British

1373

01:05:40,250 --> 01:05:38,339

government

1374

01:05:42,289 --> 01:05:40,260

um and I wanted to hear him comment on

1375

01:05:50,329 --> 01:05:42,299

that more I mean I've kind of heard him

1376

01:05:55,549 --> 01:05:52,910

I hear quit like since

1377

01:05:57,950 --> 01:05:55,559

yeah Keith I'm getting them to send me

1378

01:05:59,510 --> 01:05:57,960

stuff for my new album and soon I'll be

1379

01:06:02,630 --> 01:05:59,520

sending you a track with some of his

1380

01:06:04,069 --> 01:06:02,640

stuff on there to play on I'm working on

1381

01:06:06,710 --> 01:06:04,079

it

1382

01:06:07,849 --> 01:06:06,720

yes great synth player he says I love

1383

01:06:09,770 --> 01:06:07,859

the sense

1384

01:06:11,450 --> 01:06:09,780

yeah Elliot scientists it's already done

1385

01:06:13,309 --> 01:06:11,460

yeah I figured that I thought it was at

1386

01:06:15,470 --> 01:06:13,319

3 P.M and listen I'm sorry I wanted to

1387

01:06:16,549 --> 01:06:15,480

be there if I had some [h__\h] going off my

1388

01:06:18,770 --> 01:06:16,559

car today

1389

01:06:21,049 --> 01:06:18,780

but the good news is that's all worked

1390

01:06:23,630 --> 01:06:21,059

out and it's not going to cost anything

1391

01:06:26,089 --> 01:06:23,640

which is the best resolution to a car

1392

01:06:29,569 --> 01:06:26,099

problem you could actually have it's so

1393

01:06:31,490 --> 01:06:29,579

much better than a mechanic telling you

1394

01:06:34,089 --> 01:06:31,500

uh this is gonna cost fourteen hundred

1395

01:06:35,750 --> 01:06:34,099

dollars to fix you know

1396

01:06:37,549 --> 01:06:35,760

so

1397

01:06:39,069 --> 01:06:37,559

for the members of the live chat what do

1398

01:06:42,109 --> 01:06:39,079

you what do you think is going to happen

1399

01:06:43,789 --> 01:06:42,119

next for this conspiracy letter of the

1400

01:06:46,309 --> 01:06:43,799

alphabet garbage

1401
01:06:48,589 --> 01:06:46,319
and why do I keep getting

1402
01:06:52,670 --> 01:06:48,599
keep getting

1403
01:06:57,049 --> 01:06:54,289
please let me know

1404
01:06:59,450 --> 01:06:57,059
what you guys think what you guys think

1405
01:07:02,210 --> 01:06:59,460
what's next for these

1406
01:07:03,890 --> 01:07:02,220
millions of people have been following

1407
01:07:08,270 --> 01:07:03,900
this conspiracy

1408
01:07:10,010 --> 01:07:08,280
land fairy tale story for four years now

1409
01:07:11,270 --> 01:07:10,020
and I wonder where they're all going to

1410
01:07:15,890 --> 01:07:11,280
go

1411
01:07:17,450 --> 01:07:15,900
yes William Pixley says grifters will

1412
01:07:33,109 --> 01:07:17,460
keep grifting

1413
01:07:37,609 --> 01:07:35,450

the room at the mod building that he

1414

01:07:39,650 --> 01:07:37,619

worked at was in the Attic seriously

1415

01:07:41,950 --> 01:07:39,660

that's where they put the UFO

1416

01:07:45,349 --> 01:07:41,960

investigators

1417

01:07:46,730 --> 01:07:45,359

no respect Nick Pope gets no respect you

1418

01:07:48,829 --> 01:07:46,740

know what though I like him because I

1419

01:07:50,329 --> 01:07:48,839

kind of I kind of barged with him a

1420

01:07:52,730 --> 01:07:50,339

little bit on Twitter and he didn't like

1421

01:07:55,549 --> 01:07:52,740

block me right away and to me that's a

1422

01:07:57,109 --> 01:07:55,559

man like out whatever I want to say

1423

01:07:58,789 --> 01:07:57,119

about Nick Pope at least he's manly

1424

01:08:00,349 --> 01:07:58,799

enough that when it bust his balls a

1425

01:08:01,789 --> 01:08:00,359

little bit he gives it back I can't

1426

01:08:04,730 --> 01:08:01,799

remember I bust his balls without being

1427

01:08:06,829 --> 01:08:04,740

kidney being from England or something

1428

01:08:08,210 --> 01:08:06,839

because he was posting about American

1429

01:08:09,710 --> 01:08:08,220

politics and I was kind of like why

1430

01:08:11,630 --> 01:08:09,720

don't you stay out of it like me bro

1431

01:08:13,309 --> 01:08:11,640

like why are you English people always

1432

01:08:14,990 --> 01:08:13,319

commenting on what we should do in the

1433

01:08:17,030 --> 01:08:15,000

United States go back and eat some tea

1434

01:08:18,890 --> 01:08:17,040

and crumpets and shut the [h__h] up

1435

01:08:20,930 --> 01:08:18,900

and then he gave it back to me he was

1436

01:08:22,370 --> 01:08:20,940

like [h__h] you Steve cambia because I'm

1437

01:08:24,950 --> 01:08:22,380

in Seattle Washington and I've been

1438

01:08:27,769 --> 01:08:24,960

living here for 12 years and I'm as

1439

01:08:29,570 --> 01:08:27,779

American as he it was funny but he

1440

01:08:33,110 --> 01:08:29,580

didn't you know he didn't block me and

1441

01:08:37,550 --> 01:08:35,630

yes rimsy I don't want to put your

1442

01:08:40,070 --> 01:08:37,560

comment up on screen because you use the

1443

01:08:42,829 --> 01:08:40,080

letter of the alphabet that cell remain

1444

01:08:45,470 --> 01:08:42,839

nameless but uh it hasn't made a post in

1445

01:08:47,090 --> 01:08:45,480

40 something days now there have been no

1446

01:08:49,010 --> 01:08:47,100

new drops

1447

01:08:50,809 --> 01:08:49,020

uh

1448

01:08:52,370 --> 01:08:50,819

Jonah's side wow that's very generous

1449

01:08:54,110 --> 01:08:52,380

when Jason quit told me that every book

1450

01:08:56,749 --> 01:08:54,120

you buy he will personally deliver some

1451

01:08:58,990 --> 01:08:56,759

maple syrup to your home those Canadians

1452

01:09:01,430 --> 01:08:59,000

are so polite

1453

01:09:03,289 --> 01:09:01,440

alien scientist on Nick Pope says he

1454

01:09:05,870 --> 01:09:03,299

busted his balls on 911 and he blocked

1455

01:09:07,849 --> 01:09:05,880

me almost instantly well I guess you can

1456

01:09:09,470 --> 01:09:07,859

bust his balls call it a limey bastard

1457

01:09:13,669 --> 01:09:09,480

uh but you're not allowed to bust his

1458

01:09:19,610 --> 01:09:16,209

combine it looks like an abductee

1459

01:09:21,530 --> 01:09:19,620

yeah cue the Clone conspiracies they're

1460

01:09:24,229 --> 01:09:21,540

all going to start real soon where that

1461

01:09:26,630 --> 01:09:24,239

is bioelectric Android right

1462

01:09:29,149 --> 01:09:26,640

a biomechanical Android that they made

1463

01:09:31,189 --> 01:09:29,159

that you know so there's people in the

1464

01:09:32,990 --> 01:09:31,199

Deep State and the cabal are behind him

1465

01:09:35,689 --> 01:09:33,000

and that's just literally a

1466

01:09:37,309 --> 01:09:35,699

biomechanical puppet it's common friends

1467

01:09:40,490 --> 01:09:37,319

it's common

1468

01:09:47,349 --> 01:09:40,500

the conspiracy train will not stop here

1469

01:09:53,090 --> 01:09:50,149

spooky craves Maple go visit Jason quit

1470

01:10:03,709 --> 01:09:53,100

he's got a [h__\h] massive amount of it

1471

01:10:07,850 --> 01:10:06,169

alien scientists uh or visas and

1472

01:10:09,530 --> 01:10:07,860

scientists I never even busted his balls

1473

01:10:11,870 --> 01:10:09,540

I just asked him politely about the

1474

01:10:14,390 --> 01:10:11,880

local SF Bay Area issue he was posting

1475

01:10:16,370 --> 01:10:14,400

about and boom blocked yeah why are

1476

01:10:18,050 --> 01:10:16,380

these guys so sensitive right V they're

1477

01:10:19,130 --> 01:10:18,060

like [h__h] worse than women I was

1478

01:10:20,689 --> 01:10:19,140

going to say they're women but that's

1479

01:10:23,510 --> 01:10:20,699

insulting to women they're worse than

1480

01:10:25,850 --> 01:10:23,520

women like oh I don't like what you said

1481

01:10:27,530 --> 01:10:25,860

I'm gonna block you

1482

01:10:30,290 --> 01:10:27,540

and I say that as somebody who has

1483

01:10:32,330 --> 01:10:30,300

rarely blocked people so far on Twitter

1484

01:10:35,330 --> 01:10:32,340

I only blocked that guy who's always

1485

01:10:38,169 --> 01:10:35,340

talking about uh CW Chandler getting

1486

01:10:40,610 --> 01:10:38,179

[h__h] in his ass in prison like I I

1487

01:10:43,130 --> 01:10:40,620

[h__h] yeah I blocked that guy because he

1488

01:10:44,930 --> 01:10:43,140

busts my balls too he never said he

1489

01:10:47,410 --> 01:10:44,940

wishes that I get raped in prison but he

1490

01:10:50,330 --> 01:10:47,420

said similar

1491

01:10:51,890 --> 01:10:50,340

threatening and nasty things like block

1492

01:10:53,570 --> 01:10:51,900

that guy every time he makes a new

1493

01:10:55,490 --> 01:10:53,580

account and comes at me again but

1494

01:10:57,410 --> 01:10:55,500

generally I don't block anybody you

1495

01:10:59,209 --> 01:10:57,420

could say whatever you want especially

1496

01:11:03,130 --> 01:10:59,219

if you're respectful like I'm hoping the

1497

01:11:08,030 --> 01:11:05,689

now I gotta get Nick Redford on because

1498

01:11:10,610 --> 01:11:08,040

he hates Nick Pope hey it worked for me

1499

01:11:12,350 --> 01:11:10,620

alien scientist I had calc worth come on

1500

01:11:15,770 --> 01:11:12,360

and calcwork talked a bunch of [h__\h]

1501

01:11:17,570 --> 01:11:15,780

about Kevin Randall and suddenly I got a

1502

01:11:20,570 --> 01:11:17,580

Kevin Randall interview isn't that great

1503

01:11:23,209 --> 01:11:20,580

how that worked out it's awesome oh and

1504

01:11:25,189 --> 01:11:23,219

by the way yeah I'm gonna share that we

1505

01:11:28,490 --> 01:11:25,199

gotta talk about this this is important

1506

01:11:32,630 --> 01:11:28,500

to me because listen friends I grew up

1507

01:11:34,490 --> 01:11:32,640

uh watching things like uh

1508

01:11:37,250 --> 01:11:34,500

things like

1509

01:11:40,430 --> 01:11:37,260

Unsolved Mysteries especially when they

1510

01:11:44,930 --> 01:11:40,440

had an episode about aliens or UFOs

1511

01:11:46,790 --> 01:11:44,940

right and so one of the earliest things

1512

01:11:49,610 --> 01:11:46,800

that I'm sure that I saw

1513

01:11:53,570 --> 01:11:49,620

was the uh Unsolved Mysteries about

1514

01:11:55,310 --> 01:11:53,580

Roswell and it was uh and Kevin Randall

1515

01:11:57,169 --> 01:11:55,320

was involved in that

1516

01:11:59,209 --> 01:11:57,179

and that's one of the things that really

1517

01:12:03,290 --> 01:11:59,219

got me interested in starting down this

1518

01:12:05,870 --> 01:12:03,300

Rabbit Hole so I don't know uh

1519

01:12:10,310 --> 01:12:05,880

I don't know whether I should

1520

01:12:13,130 --> 01:12:10,320

thank uh Mr Randall for getting me so

1521

01:12:14,590 --> 01:12:13,140

interested in this stuff or if I should

1522

01:12:17,810 --> 01:12:14,600

punch him in the face

1523

01:12:20,330 --> 01:12:17,820

I'm not sure it's kind of 50 50 for me

1524

01:12:22,070 --> 01:12:20,340

but it's kind of really got a connection

1525

01:12:24,350 --> 01:12:22,080

to Kevin Randall through my childhood

1526

01:12:27,890 --> 01:12:24,360

that I remember this unsolved mystery so

1527

01:12:30,410 --> 01:12:27,900

well uh the one about Roswell and he was

1528

01:12:34,189 --> 01:12:30,420

really fully involved in that he's

1529

01:12:36,890 --> 01:12:34,199

written several books on Roswell uh and

1530

01:12:39,530 --> 01:12:36,900

I just have been catching up and I read

1531

01:12:41,930 --> 01:12:39,540

or I listened to an interview and he

1532

01:12:44,030 --> 01:12:41,940

perfectly called out the Roswell slides

1533

01:12:47,169 --> 01:12:44,040

as a complete so hoax saying this is not

1534

01:12:50,090 --> 01:12:47,179

going to end well friends and it didn't

1535

01:12:52,970 --> 01:12:50,100

wrote a bunch of books that I like on

1536

01:12:54,470 --> 01:12:52,980

Roswell has written many many articles

1537

01:12:57,250 --> 01:12:54,480

on Roswell

1538

01:12:59,930 --> 01:12:57,260

I really like his take and his work

1539

01:13:03,169 --> 01:12:59,940

regardless of what calcor thinks about

1540

01:13:04,790 --> 01:13:03,179

him and isn't it listen uh I just want

1541

01:13:06,649 --> 01:13:04,800

to mention this like

1542

01:13:08,450 --> 01:13:06,659

I could be friends with two different

1543

01:13:10,970 --> 01:13:08,460

people that don't like each other and

1544

01:13:12,649 --> 01:13:10,980

disagree with each other and still be

1545

01:13:15,530 --> 01:13:12,659

friends with both and that's the way

1546

01:13:18,229 --> 01:13:15,540

that it should be you know I didn't want

1547

01:13:19,970 --> 01:13:18,239

to get in a situation where like well uh

1548

01:13:21,709 --> 01:13:19,980

Cal's a guest here I can't have this

1549

01:13:25,130 --> 01:13:21,719

other guest because he doesn't like cow

1550

01:13:26,330 --> 01:13:25,140

or whatever and you know I don't I think

1551

01:13:27,649 --> 01:13:26,340

things are going to work out because

1552

01:13:29,750 --> 01:13:27,659

we're just going to hear both sides of

1553

01:13:31,310 --> 01:13:29,760

the issue and if either person doesn't

1554

01:13:33,050 --> 01:13:31,320

like that then they don't have to come

1555

01:13:36,410 --> 01:13:33,060

back but what I'm saying is everything

1556

01:13:38,209 --> 01:13:36,420

works out like I can have calcorov come

1557

01:13:40,550 --> 01:13:38,219

on and say it's all weather balloon it's

1558

01:13:41,870 --> 01:13:40,560

all it's all garbage none of this

1559

01:13:44,390 --> 01:13:41,880

happens and then we can have Kevin

1560

01:13:45,709 --> 01:13:44,400

Randall come on he's gonna have a lot

1561

01:13:48,410 --> 01:13:45,719

more to say than it was a weather

1562

01:13:50,510 --> 01:13:48,420

balloon friends and I'm happy about that

1563

01:13:53,390 --> 01:13:50,520

uh so this is going to be this Saturday

1564

01:13:55,729 --> 01:13:53,400

January 23rd 9 pm and it's a treat

1565

01:13:57,830 --> 01:13:55,739

Seeker special event we're going to be

1566

01:13:59,930 --> 01:13:57,840

revisiting Roswell this time with Kevin

1567

01:14:02,149 --> 01:13:59,940

Randall and me

1568

01:14:04,189 --> 01:14:02,159

and I can't tell you how happy I am that

1569

01:14:06,410 --> 01:14:04,199

that guy I remember watching on Unsolved

1570

01:14:08,750 --> 01:14:06,420

Mysteries when I was a kid is now going

1571

01:14:10,729 --> 01:14:08,760

to be on my show I can't tell you I

1572

01:14:13,010 --> 01:14:10,739

don't know why but this just makes me so

1573

01:14:14,630 --> 01:14:13,020

happy and I want to thank Mr Randall for

1574

01:14:16,490 --> 01:14:14,640

agreeing to do it I want to thank Cal

1575

01:14:19,189 --> 01:14:16,500

core for pissing him off and and

1576

01:14:21,350 --> 01:14:19,199

prompting in the contact me and say not

1577

01:14:22,910 --> 01:14:21,360

so fast I have some information on

1578

01:14:23,630 --> 01:14:22,920

Roswell your viewers might want to hear

1579

01:14:26,870 --> 01:14:23,640

about

1580

01:14:29,870 --> 01:14:26,880

uh so everything works out right this

1581

01:14:32,870 --> 01:14:29,880

Saturday night uh I'm gonna get to

1582

01:14:34,910 --> 01:14:32,880

basically interview a childhood hero of

1583

01:14:36,350 --> 01:14:34,920

mine I guess and I can't say how happy I

1584

01:14:38,570 --> 01:14:36,360

am to do that I hope you're going to be

1585

01:14:40,430 --> 01:14:38,580

here I've been working on this all week

1586

01:14:42,649 --> 01:14:40,440

like I wanted to make sure I listened to

1587

01:14:44,570 --> 01:14:42,659

lots of different interviews Mr Randalls

1588

01:14:47,209 --> 01:14:44,580

again I've listened to most of them but

1589

01:14:48,649 --> 01:14:47,219

listen again remind myself about some of

1590

01:14:50,390 --> 01:14:48,659

his history some of the things he's

1591

01:14:53,090 --> 01:14:50,400

talked about over the years concerning

1592

01:14:54,830 --> 01:14:53,100

the case I'm locked and loaded and I

1593

01:14:58,370 --> 01:14:54,840

can't wait to do it friends and I hope

1594

01:15:00,530 --> 01:14:58,380

that you guys are going to join us uh

1595

01:15:03,290 --> 01:15:00,540

for this special event it's this

1596

01:15:05,330 --> 01:15:03,300

Saturday night 9 p.m Eastern Standard

1597

01:15:08,209 --> 01:15:05,340

Time please make sure that you be there

1598

01:15:09,590 --> 01:15:08,219

it's going to be a fun time for all and

1599

01:15:11,270 --> 01:15:09,600

we're going to make sure we leave time

1600

01:15:14,390 --> 01:15:11,280

for questions so if you have questions

1601
01:15:15,590 --> 01:15:14,400
for Kevin Randall get them together and

1602
01:15:17,990 --> 01:15:15,600
we're going to be sharing those

1603
01:15:19,669 --> 01:15:18,000
questions with Mr Randall

1604
01:15:21,410 --> 01:15:19,679
got a lot of ground to cover but I'm

1605
01:15:24,610 --> 01:15:21,420
going to make sure to make a point that

1606
01:15:28,850 --> 01:15:24,620
we give the the

1607
01:15:34,390 --> 01:15:28,860
live chat time to also contribute some

1608
01:15:39,530 --> 01:15:37,729
room C they're going to insurrect it's

1609
01:15:41,209 --> 01:15:39,540
best to be nice to everyone in the

1610
01:15:43,669 --> 01:15:41,219
planet except the Trump people the Trump

1611
01:15:45,470 --> 01:15:43,679
people will insurrect all over you

1612
01:15:48,350 --> 01:15:45,480
but doesn't that mean rimsy that the

1613
01:15:50,810 --> 01:15:48,360

Biden people will Riot all over you

1614

01:15:52,910 --> 01:15:50,820

I guess it goes both ways

1615

01:15:56,030 --> 01:15:52,920

yeah I don't know about you friends but

1616

01:15:57,950 --> 01:15:56,040

I for one am glad I think maybe things

1617

01:15:59,930 --> 01:15:57,960

may calm down going forward that's what

1618

01:16:01,729 --> 01:15:59,940

I'm hopeful for I'm hopeful that things

1619

01:16:04,070 --> 01:16:01,739

are going to calm down it won't be such

1620

01:16:07,070 --> 01:16:04,080

a circus or government won't be such a

1621

01:16:11,630 --> 01:16:07,080

circus Sideshow with all these crazy

1622

01:16:13,790 --> 01:16:11,640

Donald Trump Antics and you know

1623

01:16:15,950 --> 01:16:13,800

yeah

1624

01:16:18,050 --> 01:16:15,960

you know it is funny to think about this

1625

01:16:20,810 --> 01:16:18,060

though friends if Donald Trump had just

1626
01:16:24,890 --> 01:16:20,820
calmed the [h__h] down a little bit right

1627
01:16:28,310 --> 01:16:24,900
if he had put on even just like a 20

1628
01:16:31,010 --> 01:16:28,320
filter of his crazy [h__h] he would have

1629
01:16:33,770 --> 01:16:31,020
pulled out another term all he had to do

1630
01:16:37,010 --> 01:16:33,780
was calm the [h__h] down shut the [h__h] up

1631
01:16:39,649 --> 01:16:37,020
right be a little more presidential a

1632
01:16:41,810 --> 01:16:39,659
little more of you know somebody you

1633
01:16:42,950 --> 01:16:41,820
don't want to punch in the face he would

1634
01:16:45,830 --> 01:16:42,960
have pulled out another four years

1635
01:16:48,890 --> 01:16:45,840
friends I it was very close

1636
01:16:51,229 --> 01:16:48,900
regardless of what uh the

1637
01:16:52,130 --> 01:16:51,239
left will tell you it was very very

1638
01:16:54,770 --> 01:16:52,140

close

1639

01:16:56,570 --> 01:16:54,780

uh all he had to do was shut the [\h__\h] up

1640

01:16:58,030 --> 01:16:56,580

right

1641

01:17:00,649 --> 01:16:58,040

couldn't do it

1642

01:17:02,149 --> 01:17:00,659

and as to everyone you know I've got

1643

01:17:03,590 --> 01:17:02,159

people who are like even people I know

1644

01:17:05,870 --> 01:17:03,600

they're big supporters of him are like

1645

01:17:08,930 --> 01:17:05,880

Jesus Christ is having a [\h__\h] tantrum

1646

01:17:10,970 --> 01:17:08,940

on the way out like yeah yeah like my

1647

01:17:13,790 --> 01:17:10,980

four-year-old has a [\h__\h] tantrum

1648

01:17:16,910 --> 01:17:13,800

right I don't get the toy I want for the

1649

01:17:19,790 --> 01:17:16,920

next four years [\h__\h] everybody

1650

01:17:24,110 --> 01:17:19,800

it's crazy friends it's it's really

1651

01:17:29,390 --> 01:17:26,450

all right friends so listen we're gonna

1652

01:17:30,229 --> 01:17:29,400

we're gonna wrap things up here

1653

01:17:32,149 --> 01:17:30,239

um

1654

01:17:34,550 --> 01:17:32,159

I didn't even put the begging bowl out

1655

01:17:35,930 --> 01:17:34,560

but uh I'll put up the banner for a

1656

01:17:37,850 --> 01:17:35,940

moment

1657

01:17:40,910 --> 01:17:37,860

uh which

1658

01:17:44,149 --> 01:17:40,920

is basically begging for dollars to help

1659

01:17:46,430 --> 01:17:44,159

support the show and uh we could use

1660

01:17:48,169 --> 01:17:46,440

your support there's an about section if

1661

01:17:50,870 --> 01:17:48,179

you go to the about on our YouTube

1662

01:17:53,630 --> 01:17:50,880

channel there's a PayPal at a patreon

1663

01:17:57,770 --> 01:17:53,640

donate button I want to thank our latest

1664

01:18:01,189 --> 01:17:57,780

patreon supporter uh is I Believe una's

1665

01:18:03,530 --> 01:18:01,199

song and uh some recent ones sweet

1666

01:18:06,229 --> 01:18:03,540

cheeks as well recently signed up for

1667

01:18:09,169 --> 01:18:06,239

patreon so thank you guys uh the patreon

1668

01:18:11,990 --> 01:18:09,179

is spiking up and I'm happy I'm so happy

1669

01:18:13,930 --> 01:18:12,000

to do that tomorrow sometime I'm going

1670

01:18:16,910 --> 01:18:13,940

to be recording a

1671

01:18:19,130 --> 01:18:16,920

uh like almost a commercial because I

1672

01:18:22,550 --> 01:18:19,140

don't it feels awkward to me to do this

1673

01:18:24,590 --> 01:18:22,560

money pitch every show like and please

1674

01:18:26,750 --> 01:18:24,600

support me on patreon and send me some

1675

01:18:30,110 --> 01:18:26,760

dollars you're like I'm just gonna cut

1676

01:18:32,149 --> 01:18:30,120

uh almost a commercial to beg with you

1677

01:18:34,669 --> 01:18:32,159

know make my begging bull life easier

1678

01:18:37,970 --> 01:18:34,679

but if you want to do that you can give

1679

01:18:40,010 --> 01:18:37,980

me a PayPal donation or a uh we're gonna

1680

01:18:42,110 --> 01:18:40,020

get the super chats working soon friends

1681

01:18:43,490 --> 01:18:42,120

until then we have the not so super chat

1682

01:18:46,910 --> 01:18:43,500

donations you just make a PayPal

1683

01:18:50,030 --> 01:18:46,920

donation and it

1684

01:18:51,770 --> 01:18:50,040

you make a PayPal donation and uh click

1685

01:18:53,750 --> 01:18:51,780

add a note and whatever you want me to

1686

01:18:55,930 --> 01:18:53,760

shout it out on the show and I will do

1687

01:18:58,910 --> 01:18:55,940

that so that's my begging bull

1688

01:19:00,350 --> 01:18:58,920

abbreviated speech uh but I want to

1689

01:19:02,810 --> 01:19:00,360

thank everybody who has donated because

1690

01:19:05,390 --> 01:19:02,820

literally everything here came from

1691

01:19:07,189 --> 01:19:05,400

PayPal money and patreon supporters the

1692

01:19:09,470 --> 01:19:07,199

microphone that I am using the web

1693

01:19:14,689 --> 01:19:09,480

camera that I am using the backdrop that

1694

01:19:16,850 --> 01:19:14,699

I purchased uh these weird lights uh and

1695

01:19:19,370 --> 01:19:16,860

now even the computer that I am using

1696

01:19:21,169 --> 01:19:19,380

all came from the generous support of

1697

01:19:24,110 --> 01:19:21,179

the patreon people and the PayPal

1698

01:19:26,209 --> 01:19:24,120

donators so thank you all very much uh

1699

01:19:27,950 --> 01:19:26,219

you have my gratitude it's always good

1700

01:19:30,050 --> 01:19:27,960

to have an attitude of gratitude and I

1701

01:19:33,530 --> 01:19:30,060

am thankful for each and every one of

1702

01:19:35,750 --> 01:19:33,540

you honestly truly thank you guys

1703

01:19:39,290 --> 01:19:35,760

all right so we're going to wrap things

1704

01:19:41,590 --> 01:19:39,300

up here tomorrow we may be covering the

1705

01:19:43,850 --> 01:19:41,600

uh you know

1706

01:19:45,649 --> 01:19:43,860

apocalypse for all I I don't know I

1707

01:19:50,209 --> 01:19:45,659

don't know what's I'm I'm

1708

01:19:54,590 --> 01:19:52,130

I have high anxiety levels about

1709

01:19:56,750 --> 01:19:54,600

everything so I'm naturally a little bit

1710

01:19:58,790 --> 01:19:56,760

worried about tomorrow

1711

01:20:01,970 --> 01:19:58,800

um I don't even know what I'm worried

1712

01:20:08,030 --> 01:20:05,630

uh and spooky is tell me I have to tweak

1713

01:20:10,430 --> 01:20:08,040

my EQ and gain it's probably because I'm

1714

01:20:12,169 --> 01:20:10,440

not close enough to the microphone but

1715

01:20:15,290 --> 01:20:12,179

you know what I don't like I don't like

1716

01:20:17,270 --> 01:20:15,300

this spooky I don't like this I hate

1717

01:20:18,590 --> 01:20:17,280

that when I see a stream like that where

1718

01:20:21,530 --> 01:20:18,600

the microphone is like right in the

1719

01:20:23,510 --> 01:20:21,540

guy's face I don't like that so yeah

1720

01:20:25,370 --> 01:20:23,520

I'll mess with the game though

1721

01:20:26,870 --> 01:20:25,380

and uh

1722

01:20:29,149 --> 01:20:26,880

yeah and by the way that's nice

1723

01:20:31,550 --> 01:20:29,159

microphone and stand came from PayPal

1724

01:20:34,250 --> 01:20:31,560

and patreon supporters so again

1725

01:20:36,169 --> 01:20:34,260

I I gotta tell you how happy I am about

1726

01:20:38,450 --> 01:20:36,179

that because when I do the show I sit

1727

01:20:40,610 --> 01:20:38,460

down and I look around and I see support

1728

01:20:43,010 --> 01:20:40,620

all around me and I see people who want

1729

01:20:46,430 --> 01:20:43,020

me to do this and I kind of tell you it

1730

01:20:48,169 --> 01:20:46,440

feels good uh you know I probably it

1731

01:20:50,870 --> 01:20:48,179

would be fair to say that I failed that

1732

01:20:52,850 --> 01:20:50,880

a lot of Endeavors in my life but this

1733

01:20:54,709 --> 01:20:52,860

one seems to be going well

1734

01:20:57,110 --> 01:20:54,719

yeah and yeah prank magic I'm talking

1735

01:20:59,270 --> 01:20:57,120

about you you [h__\h] with a big [h__\h]

1736

01:21:02,090 --> 01:20:59,280

fat microphone in your face can't see

1737

01:21:03,729 --> 01:21:02,100

the host face [h__\h] like you prank

1738

01:21:08,450 --> 01:21:03,739

Magic

1739

01:21:13,850 --> 01:21:11,390

yeah and uh spooky I'm actually running

1740

01:21:15,350 --> 01:21:13,860

this on Linux on my Linux so it's a

1741

01:21:18,110 --> 01:21:15,360

[h__h] miracle that any of this is

1742

01:21:21,229 --> 01:21:18,120

working the operating system running the

1743

01:21:23,390 --> 01:21:21,239

show is mine how many people could say

1744

01:21:24,770 --> 01:21:23,400

that right and I'm starting to think

1745

01:21:26,570 --> 01:21:24,780

that we're gonna put I'm going to put

1746

01:21:29,030 --> 01:21:26,580

some custom things into the operating

1747

01:21:31,070 --> 01:21:29,040

system that may interact with stream

1748

01:21:34,250 --> 01:21:31,080

yard I'm I'm thinking about that now

1749

01:21:35,750 --> 01:21:34,260

planning stages so yeah friends I want

1750

01:21:37,310 --> 01:21:35,760

to thank each and every one of you for

1751
01:21:38,149 --> 01:21:37,320
joining us

1752
01:21:41,689 --> 01:21:38,159
um

1753
01:21:43,430 --> 01:21:41,699
I always say this and I mean it I am so

1754
01:21:44,870 --> 01:21:43,440
happy always when there's an audience

1755
01:21:47,270 --> 01:21:44,880
and I've been very thankful because

1756
01:21:49,070 --> 01:21:47,280
every time I come here to do this uh

1757
01:21:51,590 --> 01:21:49,080
there's a bunch of people to watch me do

1758
01:21:53,750 --> 01:21:51,600
it nothing is worse friends than working

1759
01:21:56,149 --> 01:21:53,760
real hard on doing something creative

1760
01:21:58,669 --> 01:21:56,159
and then you go and no one is there to

1761
01:22:02,570 --> 01:21:58,679
see it it's a terrible sinking feeling

1762
01:22:04,850 --> 01:22:02,580
and I am not uh

1763
01:22:07,010 --> 01:22:04,860

yeah all right well listen I'm trying to

1764

01:22:08,689 --> 01:22:07,020

I'm trying to get a jumping off point

1765

01:22:10,310 --> 01:22:08,699

but people keep making good points in

1766

01:22:12,709 --> 01:22:10,320

the live chat everything is happening

1767

01:22:15,590 --> 01:22:12,719

exactly as it should and life is really

1768

01:22:17,570 --> 01:22:15,600

dang good yeah I have no complaints

1769

01:22:20,390 --> 01:22:17,580

I'm sure if I thought about it a while

1770

01:22:22,970 --> 01:22:20,400

I'd come up with some but I'm trying not

1771

01:22:24,890 --> 01:22:22,980

to you know life is good I just I almost

1772

01:22:27,290 --> 01:22:24,900

had to fix my car for fourteen hundred

1773

01:22:29,030 --> 01:22:27,300

dollars and got out of that just by luck

1774

01:22:33,189 --> 01:22:29,040

and chance and uh

1775

01:22:38,209 --> 01:22:36,229

so I want to thank everybody I was

1776

01:22:40,010 --> 01:22:38,219

talking about being in uh everybody with

1777

01:22:41,570 --> 01:22:40,020

the audience yeah I'm always thankful

1778

01:22:43,310 --> 01:22:41,580

because every time I come here there's a

1779

01:22:44,830 --> 01:22:43,320

lot of people who see me do what we're

1780

01:22:47,090 --> 01:22:44,840

gonna do we got great numbers tonight

1781

01:22:48,709 --> 01:22:47,100

I'm always thankful when there is an

1782

01:22:50,689 --> 01:22:48,719

audience friends and I do want to thank

1783

01:22:54,110 --> 01:22:50,699

you for being a part of mine

1784

01:22:57,290 --> 01:22:54,120

uh so tomorrow we're doing another show

1785

01:22:58,970 --> 01:22:57,300

uh I'm trying to go back to five days a

1786

01:23:01,310 --> 01:22:58,980

week I'm really trying

1787

01:23:03,290 --> 01:23:01,320

so uh I hope that you'll join me

1788

01:23:06,290 --> 01:23:03,300

tomorrow around this time for another

1789

01:23:07,550 --> 01:23:06,300

ride into conspiracy land craziness

1790

01:23:09,229 --> 01:23:07,560

because we don't know what's going to

1791

01:23:11,209 --> 01:23:09,239

happen tomorrow and I'm gonna stream

1792

01:23:13,490 --> 01:23:11,219

about it whatever it is we're gonna do a

1793

01:23:16,010 --> 01:23:13,500

show about it so until next time friends

1794

01:23:20,930 --> 01:23:16,020

my name is Stephen Champion good night

1795

01:23:47,629 --> 01:23:42,310

[Music]

1796

01:23:47,639 --> 01:24:11,900

foreign

1797

01:24:51,080 --> 01:24:19,480

[Music]

1798

01:26:37,810 --> 01:24:51,090

[Applause]

1799

01:26:44,870 --> 01:26:40,910

what if it was possible to learn how to

1800

01:26:47,149 --> 01:26:44,880

hack or program your own mind the truth

1801
01:26:49,669 --> 01:26:47,159
is your mind has already been programmed

1802
01:26:53,330 --> 01:26:49,679
and controlled by others for years

1803
01:26:55,310 --> 01:26:53,340
this this is how you break free this is

1804
01:26:58,669 --> 01:26:55,320
how you learn to program your own mind

1805
01:27:02,330 --> 01:26:58,679
and finally take control of your destiny

1806
01:27:04,490 --> 01:27:02,340
this is how you break that bondage this

1807
01:27:07,610 --> 01:27:04,500
is how you learn to hack your own mind

1808
01:27:08,990 --> 01:27:07,620
and learn to finally be free

1809
01:27:11,750 --> 01:27:09,000
welcome

1810
01:27:14,450 --> 01:27:11,760
to mind hack

1811
01:27:16,030 --> 01:27:14,460
the Mind hack system includes includes

1812
01:27:19,030 --> 01:27:16,040
guided meditations

1813
01:27:22,129 --> 01:27:19,040

binaural beats for each brain State

1814

01:27:25,970 --> 01:27:22,139

motivational speaking hypnotic

1815

01:27:28,610 --> 01:27:25,980

inductions and much much more

1816

01:27:31,669 --> 01:27:28,620

the Mind hexa system puts you back in

1817

01:27:33,350 --> 01:27:31,679

control the minehack system helps you

1818

01:27:36,350 --> 01:27:33,360

read your goals

1819

01:27:39,050 --> 01:27:36,360

the Mind hack system helps you manifest

1820

01:27:41,450 --> 01:27:39,060

your dreams into reality

1821

01:27:44,209 --> 01:27:41,460

by finally taking control of your own

1822

01:27:48,310 --> 01:27:44,219

mind you will learn to focus and take

1823

01:28:39,370 --> 01:27:48,320

control of your own infinite potential

1824

01:28:45,280 --> 01:28:41,870

I'm sick of all these witches and

1825

01:28:50,930 --> 01:28:47,530

[Music]

1826

01:28:54,350 --> 01:28:50,940

all of its life because you're lying

1827

01:28:56,149 --> 01:28:54,360

that's why oh there's energy and oh now

1828

01:28:58,729 --> 01:28:56,159

we're done

1829

01:29:08,150 --> 01:28:58,739

out you said he was invincible I will

1830

01:29:08,160 --> 01:29:26,350

[Music]
