

A close-up photograph of a red sign with the word "WRONG" in white, bold, sans-serif capital letters. The sign is heavily worn, with significant peeling and cracking of the red surface, particularly around the letters. The background is dark, possibly black, which makes the red sign stand out. There are two small circular holes visible on the red surface, one above the 'W' and one above the 'G'. The overall appearance is that of an old, damaged sign.

1
00:02:04,950 --> 00:00:18,020

[Music]

2
00:02:07,990 --> 00:02:07,590
greetings and salutations friends and

3
00:02:11,750 --> 00:02:08,000
welcome

4
00:02:15,190 --> 00:02:11,760
back and i suppose i should be

5
00:02:16,510 --> 00:02:15,200
uh i would be remiss if i didn't wish

6
00:02:20,309 --> 00:02:16,520
you a happy

7
00:02:23,110 --> 00:02:20,319
inauguration day uh i hope that you

8
00:02:24,070 --> 00:02:23,120
had a happy day today while you were

9
00:02:27,910 --> 00:02:24,080
watching

10
00:02:34,869 --> 00:02:31,110
and boy i'd be lying

11
00:02:36,949 --> 00:02:34,879
if i didn't say i was happy that

12
00:02:37,910 --> 00:02:36,959
all the things that this letter of the

13
00:02:41,030 --> 00:02:37,920

alphabet

14

00:02:44,309 --> 00:02:41,040

conspiracy nonsense has been predicting

15

00:02:47,509 --> 00:02:44,319

for months now didn't happen in fact

16

00:02:53,190 --> 00:02:47,519

nothing happened uh everything proceeded

17

00:03:00,309 --> 00:02:56,470

but watching today's events did give me

18

00:03:01,270 --> 00:03:00,319

an idea i think that if the united

19

00:03:03,830 --> 00:03:01,280

states government

20

00:03:05,190 --> 00:03:03,840

is so concerned with conspiracy

21

00:03:08,390 --> 00:03:05,200

theorists

22

00:03:11,270 --> 00:03:08,400

and the danger

23

00:03:13,030 --> 00:03:11,280

of conspiracy theorists than they really

24

00:03:14,869 --> 00:03:13,040

need

25

00:03:17,270 --> 00:03:14,879

maybe i'm the first thing to suggest

26

00:03:21,270 --> 00:03:17,280

this but i think they really need

27

00:03:24,630 --> 00:03:21,280

a conspiracy theory consultant

28

00:03:27,750 --> 00:03:24,640

in the white house right who can go

29

00:03:28,710 --> 00:03:27,760

look if you do this these people are

30

00:03:31,030 --> 00:03:28,720

going to go nuts

31

00:03:32,869 --> 00:03:31,040

because this [h__h] don't look right and

32

00:03:36,550 --> 00:03:32,879

if you

33

00:03:38,949 --> 00:03:36,560

just fill the square with flags right

34

00:03:40,630 --> 00:03:38,959

that's not gonna look right people are

35

00:03:42,390 --> 00:03:40,640

gonna say all kinds of [h__h] about why

36

00:03:45,030 --> 00:03:42,400

you really did that maybe that's not a

37

00:03:48,229 --> 00:03:45,040

good idea right

38

00:03:50,229 --> 00:03:48,239

they need a conspiracy theory consultant

39

00:03:52,550 --> 00:03:50,239

to tell them that the optics of some of

40

00:03:55,589 --> 00:03:52,560

the [h__\h] they do looks crazy

41

00:03:56,229 --> 00:03:55,599

because it does but they don't get it i

42

00:03:58,830 --> 00:03:56,239

guess

43

00:04:01,509 --> 00:03:58,840

right they're not thinking like i

44

00:04:05,270 --> 00:04:01,519

suppose

45

00:04:06,149 --> 00:04:05,280

people on the anxiety high or paranoia

46

00:04:09,270 --> 00:04:06,159

high side

47

00:04:12,309 --> 00:04:09,280

think um

48

00:04:14,470 --> 00:04:12,319

but i think that would be helpful now i

49

00:04:18,150 --> 00:04:14,480

gotta say um

50

00:04:21,349 --> 00:04:18,160

boy i've been watching i watched today

51
00:04:23,430 --> 00:04:21,359
let's start with mr simon parks you know

52
00:04:24,390 --> 00:04:23,440
the guy who [h__\h] the cat queen alien

53
00:04:27,430 --> 00:04:24,400
the lioness

54
00:04:29,749 --> 00:04:27,440
alien yeah uh and the guy who

55
00:04:30,870 --> 00:04:29,759
had hybrid alien babies you know that

56
00:04:34,790 --> 00:04:30,880
was an expert

57
00:04:37,670 --> 00:04:34,800
right uh he said

58
00:04:40,230 --> 00:04:37,680
the inauguration would never ever happen

59
00:04:46,230 --> 00:04:40,240
he said

60
00:04:48,150 --> 00:04:46,240
joe biden will never step foot in the

61
00:04:50,469 --> 00:04:48,160
white house

62
00:04:51,350 --> 00:04:50,479
he said a lot of smack he talked a lot

63
00:04:55,430 --> 00:04:51,360

of smack

64

00:04:58,950 --> 00:04:55,440

and it was all wrong and interestingly

65

00:05:02,390 --> 00:04:58,960

i got to watch that clown today it's so

66

00:05:04,710 --> 00:05:02,400

terrible they took a damn sasha

67

00:05:05,749 --> 00:05:04,720

stone did a stream today with robert

68

00:05:10,550 --> 00:05:05,759

david steele

69

00:05:13,670 --> 00:05:10,560

and crazy simon parks

70

00:05:15,990 --> 00:05:13,680

uh watching the inauguration happen live

71

00:05:18,230 --> 00:05:16,000

and it was so awesome to see both of

72

00:05:22,830 --> 00:05:18,240

those clowns losing their [h__h]

73

00:05:24,870 --> 00:05:22,840

moving the goal post sour graping

74

00:05:27,110 --> 00:05:24,880

right

75

00:05:28,710 --> 00:05:27,120

i'm not sure why but sasha stone took

76

00:05:33,110 --> 00:05:28,720

that stream down

77

00:05:35,909 --> 00:05:33,120

um maybe he too realized the

78

00:05:38,150 --> 00:05:35,919

ridiculousness of those two idiots

79

00:05:41,270 --> 00:05:38,160

but he talked about them like they were

80

00:05:43,029 --> 00:05:41,280

best friends right

81

00:05:45,029 --> 00:05:43,039

robert david steele he said he would

82

00:05:46,629 --> 00:05:45,039

trust his life with simon parks

83

00:05:51,029 --> 00:05:46,639

information

84

00:05:53,110 --> 00:05:51,039

okay but you were all wrong

85

00:05:55,749 --> 00:05:53,120

crazy carry cassidy is doubling down on

86

00:05:59,350 --> 00:05:55,759

the china is invading us

87

00:06:03,029 --> 00:05:59,360

china interfered with the

88

00:06:07,110 --> 00:06:03,039

system i didn't want to say the e-word

89
00:06:09,430 --> 00:06:07,120
yeah for weeks and weeks now she's been

90
00:06:10,870 --> 00:06:09,440
saying

91
00:06:12,629 --> 00:06:10,880
that donald trump was still going to be

92
00:06:15,110 --> 00:06:12,639
our president for months

93
00:06:18,469 --> 00:06:15,120
she's been saying that even after he

94
00:06:21,590 --> 00:06:18,479
lost the election she said that

95
00:06:24,469 --> 00:06:21,600
then she said they will never

96
00:06:25,110 --> 00:06:24,479
certify the votes the supreme court is

97
00:06:29,350 --> 00:06:25,120
going to step

98
00:06:32,469 --> 00:06:29,360
in and fix this trust the plan

99
00:06:37,110 --> 00:06:32,479
uh that didn't happen

100
00:06:41,510 --> 00:06:37,120
then she said the election will never be

101
00:06:49,029 --> 00:06:46,550
trust the plan but then that happened

102
00:06:52,469 --> 00:06:49,039
then she said biden will never be

103
00:06:52,479 --> 00:06:58,230
and then that happened right

104
00:07:01,350 --> 00:06:59,749
robert david steele has been pushing

105
00:07:05,189 --> 00:07:01,360
this garbage for

106
00:07:09,510 --> 00:07:05,199
months uh and by the way uh mr jordan

107
00:07:13,830 --> 00:07:11,670
right up to the end people send me some

108
00:07:16,309 --> 00:07:13,840
crazy stuff something about

109
00:07:17,270 --> 00:07:16,319
trump having surgery to get biden's face

110
00:07:20,070 --> 00:07:17,280
put on him or

111
00:07:21,749 --> 00:07:20,080
i i don't know if that was a real post

112
00:07:23,029 --> 00:07:21,759
but this is the crazy level that we've

113
00:07:26,790 --> 00:07:23,039

reached

114

00:07:28,230 --> 00:07:26,800

uh you've got to remember and understand

115

00:07:29,670 --> 00:07:28,240

that these people have been making money

116

00:07:33,270 --> 00:07:29,680

selling this horse [h__h] for

117

00:07:35,909 --> 00:07:33,280

years now and today

118

00:07:37,670 --> 00:07:35,919

today i'm hopeful that it's finally come

119

00:07:40,950 --> 00:07:37,680

to a crashing

120

00:07:42,950 --> 00:07:40,960

crashing conclusion

121

00:07:45,110 --> 00:07:42,960

i was happy to see a lot of former

122

00:07:47,909 --> 00:07:45,120

believers of this alphabet

123

00:07:49,909 --> 00:07:47,919

conspiracy nonsense sort of waking up

124

00:07:52,950 --> 00:07:49,919

today

125

00:07:56,629 --> 00:07:52,960

angry really

126
00:08:02,790 --> 00:07:56,639
about feeling foolish

127
00:08:06,070 --> 00:08:04,550
and good for the ones who will wake up

128
00:08:09,189 --> 00:08:06,080
and realize it was all

129
00:08:13,830 --> 00:08:09,199
a larp and a pile of horseshit and just

130
00:08:16,150 --> 00:08:13,840
move on with their lives even prominent

131
00:08:17,189 --> 00:08:16,160
influencers in this community came out

132
00:08:18,790 --> 00:08:17,199
today and basically

133
00:08:20,390 --> 00:08:18,800
said they were going to disappear off

134
00:08:21,189 --> 00:08:20,400
the internet and you know go back to

135
00:08:24,950 --> 00:08:21,199
your family

136
00:08:28,790 --> 00:08:24,960
it's all over we tried we did our best

137
00:08:32,070 --> 00:08:28,800
with our larp but nothing happened

138
00:08:35,990 --> 00:08:32,080

nothing happened

139

00:08:37,509 --> 00:08:36,000

yeah wait there's some people are still

140

00:08:40,630 --> 00:08:37,519

out there trusting the scam

141

00:08:43,110 --> 00:08:40,640

right they're modifying the whole

142

00:08:45,030 --> 00:08:43,120

[h__h] narrative now the bindings part

143

00:08:46,790 --> 00:08:45,040

of the plan

144

00:08:49,829 --> 00:08:46,800

and some of these idiots are going to

145

00:08:52,949 --> 00:08:49,839

move forward with this garbage

146

00:08:54,870 --> 00:08:52,959

um that's my prediction that's what i

147

00:08:57,509 --> 00:08:54,880

think is gonna happen someone just will

148

00:09:00,710 --> 00:08:57,519

not be able to let this go

149

00:09:03,670 --> 00:09:00,720

even after this incredible proof that

150

00:09:05,590 --> 00:09:03,680

none of this [h__h] was real right in

151

00:09:09,269 --> 00:09:05,600

these last few weeks

152

00:09:11,269 --> 00:09:09,279

you know the believers of this nonsense

153

00:09:14,630 --> 00:09:11,279

got punched in a dick like

154

00:09:16,310 --> 00:09:14,640

five times in the past month right oh no

155

00:09:17,509 --> 00:09:16,320

the supreme court's gonna step nope no

156

00:09:20,070 --> 00:09:17,519

they didn't

157

00:09:21,829 --> 00:09:20,080

oh no all the all the evidence of fraud

158

00:09:25,110 --> 00:09:21,839

it's all gonna come out

159

00:09:28,389 --> 00:09:25,120

no it didn't uh

160

00:09:31,269 --> 00:09:28,399

oh no uh you know the the

161

00:09:32,710 --> 00:09:31,279

the senators are going to object and the

162

00:09:34,150 --> 00:09:32,720

votes will never be

163

00:09:36,150 --> 00:09:34,160

you know the electoral votes will never

164

00:09:39,509 --> 00:09:36,160

be counted in congress and so

165

00:09:42,230 --> 00:09:39,519

the biden can't get you know

166

00:09:44,470 --> 00:09:42,240

get to the two set yet well [h__h] then

167

00:09:46,389 --> 00:09:44,480

that happened another punch in the dick

168

00:09:47,829 --> 00:09:46,399

for these stupid people believing this

169

00:09:50,470 --> 00:09:47,839

nonsense

170

00:09:51,990 --> 00:09:50,480

right and oh and then it was oh no no no

171

00:09:54,870 --> 00:09:52,000

uh

172

00:09:56,389 --> 00:09:54,880

mike pence is gonna is gonna refuse to

173

00:09:58,389 --> 00:09:56,399

accept

174

00:09:59,670 --> 00:09:58,399

the the states you know where they're

175

00:10:02,310 --> 00:09:59,680

claiming fraud and

176

00:10:04,389 --> 00:10:02,320

trump is still gonna be president after

177

00:10:05,350 --> 00:10:04,399

they throw those state no that didn't

178

00:10:11,030 --> 00:10:05,360

happen

179

00:10:16,790 --> 00:10:14,630

then it was storming the capital

180

00:10:17,990 --> 00:10:16,800

and boy what a great plan that turned

181

00:10:19,829 --> 00:10:18,000

out to be right

182

00:10:21,430 --> 00:10:19,839

lots of people are gonna spend a lot of

183

00:10:25,190 --> 00:10:21,440

time in jail

184

00:10:27,670 --> 00:10:25,200

for nothing they did nothing

185

00:10:29,430 --> 00:10:27,680

they delayed the count of the electoral

186

00:10:32,470 --> 00:10:29,440

votes by three or four hours

187

00:10:34,949 --> 00:10:32,480

that's all they accomplished delaying

188

00:10:38,069 --> 00:10:34,959

the inevitable

189

00:10:41,110 --> 00:10:38,079

is that the best these guys could do

190

00:10:42,630 --> 00:10:41,120

delaying something a few hours with

191

00:10:45,590 --> 00:10:42,640

all of that violence and people

192

00:10:50,790 --> 00:10:45,600

literally being murdered

193

00:10:55,110 --> 00:10:53,350

and you know i suppose the final few

194

00:10:57,910 --> 00:10:55,120

punches in the dicks

195

00:10:59,030 --> 00:10:57,920

was that people were still clinging to

196

00:11:01,590 --> 00:10:59,040

this hope and belief

197

00:11:03,509 --> 00:11:01,600

there's no way that binding's getting

198

00:11:07,030 --> 00:11:03,519

inaugurated it's not going to happen

199

00:11:10,150 --> 00:11:07,040

trust the scam but then it happened

200

00:11:11,750 --> 00:11:10,160

oh another punch in the dick

201
00:11:13,509 --> 00:11:11,760
and then some of these idiots were

202
00:11:14,949 --> 00:11:13,519
saying like oh no they had to let him

203
00:11:17,750 --> 00:11:14,959
get inaugurated

204
00:11:19,190 --> 00:11:17,760
because that's going to be proof of you

205
00:11:22,389 --> 00:11:19,200
know his accepting

206
00:11:23,750 --> 00:11:22,399
of the fraud right he benefits from it

207
00:11:25,430 --> 00:11:23,760
he's going to take the office and then

208
00:11:29,590 --> 00:11:25,440
they can charge him with more

209
00:11:31,910 --> 00:11:29,600
crimes right yeah no

210
00:11:32,870 --> 00:11:31,920
none of that's gonna happen and that my

211
00:11:34,630 --> 00:11:32,880
friends will be

212
00:11:36,790 --> 00:11:34,640
another punching the dick to these

213
00:11:41,110 --> 00:11:36,800

[h__\h]

214

00:11:43,670 --> 00:11:41,120

um yeah so

215

00:11:45,350 --> 00:11:43,680

what can i say the the supporters of

216

00:11:48,269 --> 00:11:45,360

this garbage

217

00:11:50,230 --> 00:11:48,279

uh there's a nice article on

218

00:11:51,509 --> 00:11:50,240

dailymail.com.uk and i don't usually

219

00:11:53,670 --> 00:11:51,519

read that site

220

00:11:55,030 --> 00:11:53,680

but uh there's a nice article on there

221

00:11:59,110 --> 00:11:55,040

about

222

00:12:04,150 --> 00:11:59,120

uh disillusioned letter of the alphabet

223

00:12:07,990 --> 00:12:06,230

and i'm gonna share i'm gonna share

224

00:12:09,670 --> 00:12:08,000

because there's some good pictures

225

00:12:11,030 --> 00:12:09,680

about what people are talking about

226

00:12:15,430 --> 00:12:11,040

today

227

00:12:18,470 --> 00:12:15,440

uh yeah so what happened to the coup

228

00:12:20,470 --> 00:12:18,480

alphabet and on and company in crisis as

229

00:12:23,110 --> 00:12:20,480

biden is sworn in without the violent

230

00:12:23,990 --> 00:12:23,120

trump storm they were expecting to foil

231

00:12:27,430 --> 00:12:24,000

handover at the

232

00:12:30,790 --> 00:12:27,440

last minute as one lonesome mega fan

233

00:12:31,509 --> 00:12:30,800

outside new york state state house holds

234

00:12:35,190 --> 00:12:31,519

on to

235

00:12:37,829 --> 00:12:35,200

the end so the believers took to the

236

00:12:39,829 --> 00:12:37,839

right wing online chat groups on

237

00:12:41,670 --> 00:12:39,839

wednesday to express disappointment when

238

00:12:42,150 --> 00:12:41,680

trump wasn't going to seize a second

239

00:12:44,150 --> 00:12:42,160

term

240

00:12:46,230 --> 00:12:44,160

they were shocked to find their belief

241

00:12:48,150 --> 00:12:46,240

and the conspiracy that top democrats

242

00:12:51,269 --> 00:12:48,160

would be arrested for a sex trafficking

243

00:12:53,110 --> 00:12:51,279

brain was not going to materialize

244

00:12:55,110 --> 00:12:53,120

message boards descended into crisis

245

00:12:57,670 --> 00:12:55,120

mode with some questioning where's the

246

00:13:00,629 --> 00:12:57,680

damn storm and others saying

247

00:13:01,990 --> 00:13:00,639

we all got played ron watkins who was

248

00:13:06,470 --> 00:13:02,000

the administrator of

249

00:13:09,910 --> 00:13:06,480

uh lettering on preferred message board

250

00:13:12,150 --> 00:13:09,920

it couldn't also pull the plug and urge

251

00:13:13,990 --> 00:13:12,160

followers to return to their lives so in

252

00:13:15,670 --> 00:13:14,000

other words the administrator of the

253

00:13:16,470 --> 00:13:15,680

board where all this garbage was coming

254

00:13:20,230 --> 00:13:16,480

from

255

00:13:22,310 --> 00:13:20,240

took it down uh in a dramatic reversal

256

00:13:24,069 --> 00:13:22,320

some members of the far right proud boys

257

00:13:25,910 --> 00:13:24,079

even started turning on trump

258

00:13:27,670 --> 00:13:25,920

in chat groups and message board

259

00:13:29,750 --> 00:13:27,680

declaring him a total failure and

260

00:13:32,829 --> 00:13:29,760

extraordinarily weak

261

00:13:34,069 --> 00:13:32,839

their disbelief came as a loan maga

262

00:13:35,910 --> 00:13:34,079

supporter

263

00:13:38,949 --> 00:13:35,920

was spotted outside the new york state

264

00:13:41,030 --> 00:13:38,959

capitol holding an american flag

265

00:13:42,870 --> 00:13:41,040

he said he had been expecting thousands

266

00:13:44,310 --> 00:13:42,880

of other trump fans to be there to

267

00:13:46,150 --> 00:13:44,320

protest over bart

268

00:13:47,750 --> 00:13:46,160

biden's inauguration others were also

269

00:13:49,590 --> 00:13:47,760

spotted outside capitol buildings in

270

00:13:51,509 --> 00:13:49,600

utah and arizona

271

00:13:53,509 --> 00:13:51,519

but it was a stark contrast to the

272

00:13:59,829 --> 00:13:53,519

violent scenes outside the u.s capitol

273

00:14:03,829 --> 00:14:02,389

so they took to the to their chat groups

274

00:14:04,790 --> 00:14:03,839

to express their disappointment and

275

00:14:06,310 --> 00:14:04,800

doubt

276

00:14:08,949 --> 00:14:06,320

many were shocked to learn that their

277

00:14:12,069 --> 00:14:08,959

long-held belief in the conspiracy

278

00:14:13,750 --> 00:14:12,079

uh was not going to materialize and

279

00:14:16,710 --> 00:14:13,760

trump wasn't going to bring down the

280

00:14:17,509 --> 00:14:16,720

so-called deep state in the so-called

281

00:14:21,189 --> 00:14:17,519

storm

282

00:14:26,470 --> 00:14:24,230

my friends wow this is just

283

00:14:27,829 --> 00:14:26,480

it's you know it's kind of like taking a

284

00:14:30,470 --> 00:14:27,839

victory lap

285

00:14:32,230 --> 00:14:30,480

and i hate to say i told you so but for

286

00:14:35,430 --> 00:14:32,240

years now i've been telling people this

287

00:14:42,829 --> 00:14:40,020

you know i think let me see

288

00:14:43,990 --> 00:14:42,839

[Music]

289

00:14:45,430 --> 00:14:44,000

okay

290

00:14:47,910 --> 00:14:45,440

so i wanted to show you some of these

291

00:14:50,710 --> 00:14:47,920

screenshots like look at this

292

00:14:52,870 --> 00:14:50,720

then played like fools it's over someone

293

00:14:53,990 --> 00:14:52,880

replies what a joke then the silence has

294

00:14:57,110 --> 00:14:54,000

definitely

295

00:15:00,230 --> 00:14:57,120

been played like fools somebody says we

296

00:15:02,870 --> 00:15:00,240

need to unite in prayer

297

00:15:04,389 --> 00:15:02,880

uh here chill everyone this has to

298

00:15:06,470 --> 00:15:04,399

happen to seal the crime stop

299

00:15:08,150 --> 00:15:06,480

acting like we know when things will

300

00:15:11,350 --> 00:15:08,160

happen

301
00:15:15,189 --> 00:15:11,360
can be tomorrow or next week

302
00:15:18,389 --> 00:15:15,199
someone said i had hope but it's over

303
00:15:19,030 --> 00:15:18,399
desperation setting in you know what and

304
00:15:22,069 --> 00:15:19,040
on

305
00:15:23,350 --> 00:15:22,079
telegram i'm holding i'm holding holding

306
00:15:26,310 --> 00:15:23,360
but i feel really sick

307
00:15:27,350 --> 00:15:26,320
the line is broken have faith trust the

308
00:15:31,590 --> 00:15:27,360
plan

309
00:15:35,189 --> 00:15:33,430
we gave it our all now we have to keep

310
00:15:42,550 --> 00:15:35,199
our chins up and go back to our lives

311
00:15:46,310 --> 00:15:44,389
yeah so here's ron watkins who's the

312
00:15:48,629 --> 00:15:46,320
administrator of

313
00:15:50,550 --> 00:15:48,639

the anon's preferred message board it

314

00:15:53,030 --> 00:15:50,560

could also pull the plug

315

00:15:54,069 --> 00:15:53,040

and urge followers to return to their

316

00:15:55,990 --> 00:15:54,079

lives

317

00:16:00,470 --> 00:15:56,000

what are we gonna what are they gonna do

318

00:16:08,629 --> 00:16:03,110

i will denounce after like four years of

319

00:16:11,030 --> 00:16:08,639

jail but not a moment before

320

00:16:12,629 --> 00:16:11,040

here's some things that i'm sure were a

321

00:16:14,550 --> 00:16:12,639

lot of people were feeling well on the

322

00:16:15,350 --> 00:16:14,560

official laughing stock of my family now

323

00:16:17,430 --> 00:16:15,360

awesome

324

00:16:19,189 --> 00:16:17,440

this is an embarrassment here come all

325

00:16:21,670 --> 00:16:19,199

the excuses now

326

00:16:24,310 --> 00:16:21,680

he said noon i will start kicking people

327

00:16:27,030 --> 00:16:24,320

out for their attitudes we're patriots

328

00:16:27,990 --> 00:16:27,040

hold the line with us or you can leave

329

00:16:31,350 --> 00:16:28,000

these people are such

330

00:16:33,350 --> 00:16:31,360

keyboard warriors it's amazing

331

00:16:34,790 --> 00:16:33,360

yes sir as the inauguration unfolded

332

00:16:36,389 --> 00:16:34,800

followers start raising questions

333

00:16:40,550 --> 00:16:36,399

somewhere still clinging on to hope

334

00:16:42,389 --> 00:16:40,560

and urging the nons to keep the faith

335

00:16:44,389 --> 00:16:42,399

yeah it just gets worse and worse and it

336

00:16:46,150 --> 00:16:44,399

just goes on and on and here's that lone

337

00:16:47,509 --> 00:16:46,160

person standing outside the new york

338

00:16:50,310 --> 00:16:47,519

state capitol he's the only one that

339

00:16:53,030 --> 00:16:50,320

showed up

340

00:16:54,150 --> 00:16:53,040

oh that's great what a great photo one

341

00:16:56,870 --> 00:16:54,160

one dude there

342

00:17:01,430 --> 00:16:56,880

right here some photos of the capital

343

00:17:05,270 --> 00:17:04,069

yeah and here's what they feared

344

00:17:07,829 --> 00:17:05,280

happening

345

00:17:08,789 --> 00:17:07,839

right in front of their eyes president

346

00:17:11,750 --> 00:17:08,799

leaving

347

00:17:12,630 --> 00:17:11,760

uh and here here is a scene of the

348

00:17:16,069 --> 00:17:12,640

inauguration

349

00:17:16,870 --> 00:17:16,079

like i said uh hello people that run the

350

00:17:18,630 --> 00:17:16,880

government

351

00:17:22,390 --> 00:17:18,640

if you don't want but you know this

352

00:17:24,630 --> 00:17:22,400

looks like a conspiracy right here

353

00:17:25,750 --> 00:17:24,640

but that's the time for another story i

354

00:17:27,510 --> 00:17:25,760

suppose friends

355

00:17:29,830 --> 00:17:27,520

so yeah here's the national guard troops

356

00:17:33,110 --> 00:17:29,840

just hanging out

357

00:17:36,630 --> 00:17:33,120

oh so today happened

358

00:17:39,270 --> 00:17:36,640

and the meltdowns continued

359

00:17:40,630 --> 00:17:39,280

and some don't know but you know like i

360

00:17:43,669 --> 00:17:40,640

i even have friends

361

00:17:44,150 --> 00:17:43,679

and family that are into this garbage

362

00:17:46,950 --> 00:17:44,160

right

363

00:17:49,190 --> 00:17:46,960

big time into it and they're all melting

364

00:17:53,669 --> 00:17:49,200

down today and a few of them

365

00:17:57,669 --> 00:17:53,679

you know sent me a message or something

366

00:18:01,750 --> 00:18:00,230

if you have friends if you have family

367

00:18:03,830 --> 00:18:01,760

if you have people that have been

368

00:18:05,669 --> 00:18:03,840

involved in this garbage

369

00:18:07,750 --> 00:18:05,679

look check in on them make sure they're

370

00:18:09,510 --> 00:18:07,760

okay imagine

371

00:18:11,029 --> 00:18:09,520

[h__h] suddenly realizing that you've

372

00:18:12,950 --> 00:18:11,039

been following something

373

00:18:14,789 --> 00:18:12,960

for four years that was a complete and

374

00:18:16,950 --> 00:18:14,799

total garbage and a lie

375

00:18:18,870 --> 00:18:16,960

he wasted hundreds of hours reading the

376

00:18:21,190 --> 00:18:18,880

posts and watching the videos

377

00:18:23,270 --> 00:18:21,200

and listening to this [h__h] for four

378

00:18:25,430 --> 00:18:23,280

years only to find out

379

00:18:27,590 --> 00:18:25,440

at the very end of the road it was

380

00:18:31,110 --> 00:18:27,600

horseshit

381

00:18:34,470 --> 00:18:33,110

okay and i have uh something else that i

382

00:18:35,350 --> 00:18:34,480

wanted to include in tonight's

383

00:18:38,549 --> 00:18:35,360

presentation

384

00:18:42,070 --> 00:18:38,559

is this david wilcock was

385

00:18:45,270 --> 00:18:42,080

so [h__h] wrong and i thought about

386

00:18:47,190 --> 00:18:45,280

clipping out like the 10 of my favorite

387

00:18:48,390 --> 00:18:47,200

stupid things that he said in the past

388

00:18:51,990 --> 00:18:48,400

month or two

389

00:18:53,750 --> 00:18:52,000

but i think that one uh really really

390

00:18:55,190 --> 00:18:53,760

will put the point across better than

391

00:18:56,630 --> 00:18:55,200

any other clip

392

00:18:58,390 --> 00:18:56,640

and i don't want to be here for five

393

00:19:01,510 --> 00:18:58,400

hours so we're just gonna

394

00:19:07,270 --> 00:19:01,520

i'm gonna cite fair use we are going to

395

00:19:11,190 --> 00:19:09,669

there's my fair use banner this is a

396

00:19:12,950 --> 00:19:11,200

transformative work we're educating the

397

00:19:13,270 --> 00:19:12,960

public and critiquing the video that we

398

00:19:16,549 --> 00:19:13,280

are

399

00:19:17,190 --> 00:19:16,559

sharing uh this is covered under fair

400

00:19:18,630 --> 00:19:17,200

use

401
00:19:21,190 --> 00:19:18,640
we're going to be educating the public

402
00:19:21,990 --> 00:19:21,200
about how wrong david wilcock was with

403
00:19:25,110 --> 00:19:22,000
his [h__h]

404
00:19:26,630 --> 00:19:25,120
stupid predictions hey [h__h] david

405
00:19:29,350 --> 00:19:26,640
wilcock you [h__h]

406
00:19:30,470 --> 00:19:29,360
you're supposed to have super powers bro

407
00:19:32,150 --> 00:19:30,480
what happened

408
00:19:34,230 --> 00:19:32,160
did somebody stick some kryptonite up

409
00:19:35,750 --> 00:19:34,240
your ass and your superpowers didn't

410
00:19:37,029 --> 00:19:35,760
work while you were making these [h__h]

411
00:19:38,950 --> 00:19:37,039
predictions

412
00:19:41,190 --> 00:19:38,960
what the [h__h] happened bro you're

413
00:19:41,510 --> 00:19:41,200

supposed to be edgar casey reincarnated

414

00:19:45,270 --> 00:19:41,520

you

415

00:19:47,029 --> 00:19:45,280

prophetic dreams right

416

00:19:48,310 --> 00:19:47,039

and you talk to space aliens and

417

00:19:50,950 --> 00:19:48,320

imaginary friends

418

00:19:52,390 --> 00:19:50,960

right i'm sorry you channel raw you

419

00:19:55,750 --> 00:19:52,400

channel the god

420

00:19:58,870 --> 00:19:55,760

raw and you channel jesus christ

421

00:20:00,470 --> 00:19:58,880

according to you right and angels

422

00:20:06,789 --> 00:20:00,480

how the [h__\h] did you get these

423

00:20:08,310 --> 00:20:06,799

predictions so [h__\h] wrong you [h__\h]

424

00:20:09,830 --> 00:20:08,320

i don't have superpowers but i could

425

00:20:11,669 --> 00:20:09,840

have told you that none of the [h__\h] that

426
00:20:13,830 --> 00:20:11,679
you were talking about was gonna happen

427
00:20:15,990 --> 00:20:13,840
you dumbass

428
00:20:17,750 --> 00:20:16,000
jesus christ david wilcock and his

429
00:20:20,789 --> 00:20:17,760
[h__h] superpowers

430
00:20:22,390 --> 00:20:20,799
bro this should prove to everyone that

431
00:20:24,950 --> 00:20:22,400
your [h__h] super powers

432
00:20:26,789 --> 00:20:24,960
aren't real you [h__h] if you were

433
00:20:30,149 --> 00:20:26,799
talking to angels and jesus

434
00:20:31,350 --> 00:20:30,159
christ and the god ra right wouldn't one

435
00:20:33,350 --> 00:20:31,360
of them tell you

436
00:20:34,630 --> 00:20:33,360
that this letter of the alphabet garbage

437
00:20:37,110 --> 00:20:34,640
is all [h__h]

438
00:20:37,990 --> 00:20:37,120

right when they care enough about you to

439

00:20:39,909 --> 00:20:38,000

not

440

00:20:41,990 --> 00:20:39,919

let you go out on the internet and make

441

00:20:42,549 --> 00:20:42,000

yourself look like a complete and total

442

00:20:48,390 --> 00:20:42,559

[h__\h]

443

00:20:50,710 --> 00:20:48,400

when your imaginary friends your space

444

00:20:52,549 --> 00:20:50,720

alien space brothers [h__\h] tell you

445

00:20:54,470 --> 00:20:52,559

that this [h__\h] was all garbage

446

00:20:56,470 --> 00:20:54,480

so you wouldn't go chasing it and

447

00:20:59,669 --> 00:20:56,480

following it and reporting on it for

448

00:21:01,110 --> 00:20:59,679

years when they if your [h__\h]

449

00:21:01,510 --> 00:21:01,120

superpowers are real and you're really

450

00:21:03,669 --> 00:21:01,520

talking

451

00:21:06,549 --> 00:21:03,679

aliens bro they'd help you out they

452

00:21:09,590 --> 00:21:06,559

would say that's some [h__\h]

453

00:21:10,549 --> 00:21:09,600

david wilcock don't talk about that or

454

00:21:12,950 --> 00:21:10,559

jesus

455

00:21:14,310 --> 00:21:12,960

or ross somebody would have told you you

456

00:21:16,470 --> 00:21:14,320

dumbass

457

00:21:17,750 --> 00:21:16,480

but you can cling to anybody that

458

00:21:20,950 --> 00:21:17,760

[h__\h] believes

459

00:21:22,870 --> 00:21:20,960

david wilcock is an a [h__\h] idiot and

460

00:21:25,270 --> 00:21:22,880

we're going to show you why right now

461

00:21:27,909 --> 00:21:25,280

we're going to show you why anybody that

462

00:21:28,470 --> 00:21:27,919

believes david wilcox garbage is a

463

00:21:31,590 --> 00:21:28,480

[h__\h]

464

00:21:33,830 --> 00:21:31,600

idiot or they're delusional

465

00:21:35,909 --> 00:21:33,840

and they want to live in david wilcox

466

00:21:39,029 --> 00:21:35,919

land of the [h__\h] make-believe where

467

00:21:41,430 --> 00:21:39,039

he has superpowers and prophetic dreams

468

00:21:48,310 --> 00:21:45,270

he's a psychic right he channels jesus

469

00:21:50,789 --> 00:21:48,320

christ and rob god ra and

470

00:21:51,669 --> 00:21:50,799

angels and tall white aliens that's

471

00:21:55,190 --> 00:21:51,679

where he gets

472

00:21:57,270 --> 00:21:55,200

his information from well

473

00:21:59,350 --> 00:21:57,280

let's let's review some of his

474

00:22:01,909 --> 00:21:59,360

information then right now and see how

475

00:22:05,590 --> 00:22:01,919

good those angels and jesus and ra

476
00:22:05,990 --> 00:22:05,600
are doing and how good his superpowers

477
00:22:07,990 --> 00:22:06,000
were

478
00:22:09,990 --> 00:22:08,000
like i said i think somebody must have

479
00:22:11,990 --> 00:22:10,000
jammed some kryptonite up his ass before

480
00:22:15,510 --> 00:22:12,000
he came up with this [h__\h] because

481
00:22:20,789 --> 00:22:15,520
his super powers completely failed him

482
00:22:26,390 --> 00:22:24,230
okay i have this cued up

483
00:22:32,230 --> 00:22:26,400
and this is from david wilcock global

484
00:22:38,470 --> 00:22:35,830
oh i did it again let me try that one

485
00:22:43,029 --> 00:22:38,480
more time friends

486
00:22:43,039 --> 00:22:48,470
all right so uh

487
00:22:54,549 --> 00:22:51,750
this was posted this was streamed live

488
00:23:05,909 --> 00:22:54,559

on january 5th

489

00:23:08,149 --> 00:23:05,919

listen very carefully to these

490

00:23:10,950 --> 00:23:08,159

predictions that he makes here

491

00:23:11,830 --> 00:23:10,960

very carefully friends let's listen the

492

00:23:13,830 --> 00:23:11,840

next big

493

00:23:16,230 --> 00:23:13,840

deadline that we absolutely cannot get

494

00:23:18,630 --> 00:23:16,240

around here back to the slide

495

00:23:20,630 --> 00:23:18,640

is the inauguration and this is

496

00:23:22,630 --> 00:23:20,640

wednesday the 20th now

497

00:23:23,669 --> 00:23:22,640

notice that google is kind of making it

498

00:23:25,029 --> 00:23:23,679

easy for you right

499

00:23:27,350 --> 00:23:25,039

what they're thinking is going to turn

500

00:23:27,909 --> 00:23:27,360

into because it says the inauguration of

501

00:23:31,110 --> 00:23:27,919

jb

502

00:23:33,029 --> 00:23:31,120

2021 no irony at all

503

00:23:35,110 --> 00:23:33,039

no no no questioning of whether this is

504

00:23:37,190 --> 00:23:35,120

real and then you go to the sidebar

505

00:23:38,710 --> 00:23:37,200

it says yeah the inauguration of jb is

506

00:23:40,149 --> 00:23:38,720

the 46th president united states will

507

00:23:41,909 --> 00:23:40,159

mark the commencement of the four-year

508

00:23:44,390 --> 00:23:41,919

term of jb's president

509

00:23:45,669 --> 00:23:44,400

kamala harris's vice president there you

510

00:23:49,430 --> 00:23:45,679

go

511

00:23:52,070 --> 00:23:49,440

happening folks he just said

512

00:23:53,350 --> 00:23:52,080

that is not what's going to be happening

513

00:23:55,510 --> 00:23:53,360

he just said

514

00:23:57,110 --> 00:23:55,520

that joe biden will not be getting

515

00:23:59,350 --> 00:23:57,120

inaugurated

516

00:24:01,990 --> 00:23:59,360

and remember he's the one that says he

517

00:24:05,909 --> 00:24:02,000

has psychic superpowers not me

518

00:24:08,310 --> 00:24:05,919

he says that so what happened

519

00:24:09,430 --> 00:24:08,320

david wilcock you said this is not gonna

520

00:24:15,110 --> 00:24:09,440

happen

521

00:24:16,070 --> 00:24:15,120

stupid do you look right now what a

522

00:24:18,950 --> 00:24:16,080

[h__h]

523

00:24:19,750 --> 00:24:18,960

douchebag you look like right now and

524

00:24:21,909 --> 00:24:19,760

you know what

525

00:24:24,390 --> 00:24:21,919

i predict that [h__h] david wilcock is

526
00:24:28,470 --> 00:24:24,400
gonna have to disappear from the scene

527
00:24:31,669 --> 00:24:30,630
until people forget this tremendous

528
00:24:35,110 --> 00:24:31,679
blunder this is

529
00:24:36,710 --> 00:24:35,120
almost as good as when he the [h__\h] that

530
00:24:39,110 --> 00:24:36,720
he was talking right before the year

531
00:24:40,149 --> 00:24:39,120
2000 about us all getting light bodies

532
00:24:42,789 --> 00:24:40,159
and super powers

533
00:24:44,310 --> 00:24:42,799
and then that didn't happen and then he

534
00:24:47,110 --> 00:24:44,320
pulled that scam again

535
00:24:47,430 --> 00:24:47,120
in 2012 we're all gonna get light bodies

536
00:24:53,510 --> 00:24:47,440
and

537
00:24:55,510 --> 00:24:53,520
it's kind of like this he's pushing this

538
00:24:56,310 --> 00:24:55,520

[h__\h] right up to the deadline his

539

00:24:59,750 --> 00:24:56,320

[h__\h]

540

00:25:01,830 --> 00:24:59,760

this

541

00:25:03,909 --> 00:25:01,840

is not going to happen the inauguration

542

00:25:05,990 --> 00:25:03,919

of joe biden is not what's going to

543

00:25:07,830 --> 00:25:06,000

happen

544

00:25:09,430 --> 00:25:07,840

and i will tell you multiple reasons why

545

00:25:11,029 --> 00:25:09,440

that's not going to be happening

546

00:25:13,590 --> 00:25:11,039

it's not going to be happening because

547

00:25:15,350 --> 00:25:13,600

everybody in the alliance is dead

548

00:25:19,750 --> 00:25:15,360

if they allow this to happen and that's

549

00:25:23,830 --> 00:25:21,750

they're gonna get you they're gonna find

550

00:25:25,430 --> 00:25:23,840

you and they're gonna snuff you out

551
00:25:26,710 --> 00:25:25,440
okay and i'm not talking about everybody

552
00:25:28,390 --> 00:25:26,720
like you guys in the audience i'm

553
00:25:30,310 --> 00:25:28,400
talking about the key people

554
00:25:31,590 --> 00:25:30,320
who have been working on this they know

555
00:25:35,029 --> 00:25:31,600
this folks

556
00:25:36,789 --> 00:25:35,039
you have to remember that uh and not for

557
00:25:38,870 --> 00:25:36,799
nothing but

558
00:25:40,950 --> 00:25:38,880
hasn't david wilcox said that he's a

559
00:25:42,070 --> 00:25:40,960
member of the alliance and so is corey

560
00:25:46,390 --> 00:25:42,080
good

561
00:25:48,390 --> 00:25:46,400
so by his logic here

562
00:25:49,909 --> 00:25:48,400
does that mean that some deep state is

563
00:25:52,549 --> 00:25:49,919

going to come murder him and

564

00:25:55,029 --> 00:25:52,559

his buddies because they're the alliance

565

00:25:56,630 --> 00:25:55,039

right they're the good guys

566

00:25:58,630 --> 00:25:56,640

and the good guys are not going to let

567

00:26:00,070 --> 00:25:58,640

joe biden get inaugurated because if

568

00:26:02,870 --> 00:26:00,080

they did

569

00:26:04,230 --> 00:26:02,880

they don't get murdered great this is

570

00:26:07,029 --> 00:26:04,240

some great [h__h]

571

00:26:07,830 --> 00:26:07,039

david wilcock oh my god your superpowers

572

00:26:11,190 --> 00:26:07,840

failed you

573

00:26:14,390 --> 00:26:11,200

and i love it i love it i'm sorry

574

00:26:18,149 --> 00:26:14,400

i'm a flawed human i'm a bad

575

00:26:19,269 --> 00:26:18,159

man for being so happy that your dumb

576

00:26:22,630 --> 00:26:19,279

ass predictions

577

00:26:25,190 --> 00:26:22,640

failed this [h__h] miserably

578

00:26:25,909 --> 00:26:25,200

everybody knows it's now or never this

579

00:26:28,390 --> 00:26:25,919

is it

580

00:26:30,070 --> 00:26:28,400

okay so we're not talking about oh i

581

00:26:31,269 --> 00:26:30,080

wonder if something might happen or yeah

582

00:26:32,789 --> 00:26:31,279

you know i don't know i don't know i'm

583

00:26:33,909 --> 00:26:32,799

not really this is just another one of

584

00:26:35,909 --> 00:26:33,919

those things

585

00:26:37,029 --> 00:26:35,919

david does a video and then nothing

586

00:26:39,190 --> 00:26:37,039

happens

587

00:26:41,510 --> 00:26:39,200

david does a video and then nothing

588

00:26:43,029 --> 00:26:41,520

happens boy what a self-fulfilling

589

00:26:46,630 --> 00:26:43,039

prophecy that was you

590

00:26:47,590 --> 00:26:46,640

dumbass look friends his super powers

591

00:26:50,149 --> 00:26:47,600

failed him

592

00:26:51,029 --> 00:26:50,159

his subconscious is leaking into his

593

00:26:54,390 --> 00:26:51,039

conscious

594

00:26:55,990 --> 00:26:54,400

weight mind while he is speaking because

595

00:26:58,470 --> 00:26:56,000

his subconscious knows

596

00:27:00,149 --> 00:26:58,480

that he makes these videos and nothing

597

00:27:02,310 --> 00:27:00,159

ever [h__h] happens

598

00:27:04,230 --> 00:27:02,320

and he knew here that he's making this

599

00:27:04,710 --> 00:27:04,240

video and nothing was gonna [h__h]

600

00:27:08,630 --> 00:27:04,720

happen

601
00:27:12,950 --> 00:27:11,269
wait a minute wait a minute freedom back

602
00:27:13,669 --> 00:27:12,960
to the slide freedom is about to be

603
00:27:16,549 --> 00:27:13,679
restored

604
00:27:18,630 --> 00:27:16,559
like never before what you're gonna see

605
00:27:20,950 --> 00:27:18,640
is not a negative at all i'm concerned

606
00:27:22,470 --> 00:27:20,960
about it but honestly i think the whole

607
00:27:23,750 --> 00:27:22,480
thing is going to go pretty smoothly and

608
00:27:24,549 --> 00:27:23,760
i don't think it's going to take that

609
00:27:26,549 --> 00:27:24,559
long

610
00:27:28,310 --> 00:27:26,559
could be three days could be five days

611
00:27:29,750 --> 00:27:28,320
could be a week could be two weeks i

612
00:27:31,510 --> 00:27:29,760
doubt it's going to be much more in that

613
00:27:33,430 --> 00:27:31,520

based on what everybody seems to be

614

00:27:36,789 --> 00:27:33,440

thinking on the inside

615

00:27:40,149 --> 00:27:36,799

but you know if you follow my work

616

00:27:40,990 --> 00:27:40,159

something like this arrest all the way

617

00:27:44,389 --> 00:27:41,000

back since

618

00:27:45,029 --> 00:27:44,399

2009. now what is that that i'm talking

619

00:27:47,830 --> 00:27:45,039

about

620

00:27:50,389 --> 00:27:47,840

okay the mass arrest scenario and i

621

00:27:54,149 --> 00:27:50,399

usually put those three words together

622

00:27:57,510 --> 00:27:54,159

the mass arrest scenario involves

623

00:28:00,470 --> 00:27:57,520

the idea that the people who have really

624

00:28:04,389 --> 00:28:00,480

been doing the evil stuff the people who

625

00:28:06,950 --> 00:28:04,399

are the hidden elite conspirators

626

00:28:07,430 --> 00:28:06,960

that the bad guys they're gonna mass

627

00:28:10,230 --> 00:28:07,440

arrest

628

00:28:12,149 --> 00:28:10,240

all the bad guys and biden's not getting

629

00:28:12,870 --> 00:28:12,159

inaugurated but this is what's gonna

630

00:28:15,110 --> 00:28:12,880

happen

631

00:28:15,990 --> 00:28:15,120

biden's not getting inaugurated and mass

632

00:28:19,110 --> 00:28:16,000

arrests are gonna

633

00:28:20,310 --> 00:28:19,120

happen but none of this [h__h] happened

634

00:28:22,630 --> 00:28:20,320

david wilcock

635

00:28:25,190 --> 00:28:22,640

that have done so much to try to damage

636

00:28:28,630 --> 00:28:25,200

and destroy life on earth

637

00:28:30,149 --> 00:28:28,640

that there is a layer of

638

00:28:32,149 --> 00:28:30,159

history that we're going to hit where

639

00:28:33,750 --> 00:28:32,159

the only way we can solve this thing

640

00:28:35,350 --> 00:28:33,760

is to arrest them and the only way you

641

00:28:36,789 --> 00:28:35,360

can do something like that since it's an

642

00:28:39,990 --> 00:28:36,799

organized crime ring

643

00:28:41,350 --> 00:28:40,000

is to do a whole bunch of it at once and

644

00:28:44,310 --> 00:28:41,360

so we're looking at

645

00:28:46,149 --> 00:28:44,320

the the distinct possibility that in

646

00:28:47,830 --> 00:28:46,159

multiple sectors

647

00:28:50,230 --> 00:28:47,840

in which the public has been greatly

648

00:28:54,149 --> 00:28:50,240

deceived that there will be arrests

649

00:28:56,630 --> 00:28:54,159

this includes media social media big

650

00:29:02,310 --> 00:28:56,640

text oh boy big sex getting arrested

651
00:29:05,510 --> 00:29:04,310
and many many other things financial

652
00:29:07,190 --> 00:29:05,520
related uh

653
00:29:09,190 --> 00:29:07,200
corporate related probably

654
00:29:12,230 --> 00:29:09,200
pharmaceutical related

655
00:29:14,230 --> 00:29:12,240
i would imagine that uh

656
00:29:15,430 --> 00:29:14,240
the president has made his list ejected

657
00:29:17,269 --> 00:29:15,440
twice and he

658
00:29:19,909 --> 00:29:17,279
he would imagine yeah because he

659
00:29:23,350 --> 00:29:19,919
imagines all this [h__h] it all comes from

660
00:29:25,430 --> 00:29:23,360
david wilcox land of make-believe right

661
00:29:27,269 --> 00:29:25,440
because he's got super powers and he can

662
00:29:30,470 --> 00:29:27,279
make accurate predictions

663
00:29:31,350 --> 00:29:30,480

by the way before he just made this

664

00:29:34,389 --> 00:29:31,360

prediction

665

00:29:36,630 --> 00:29:34,399

that joe biden would never be

666

00:29:38,789 --> 00:29:36,640

inaugurated and that is not going to

667

00:29:40,230 --> 00:29:38,799

happen joe biden's inauguration is not

668

00:29:41,510 --> 00:29:40,240

going to happen that's not gonna be what

669

00:29:43,350 --> 00:29:41,520

happens

670

00:29:45,430 --> 00:29:43,360

before he made that prediction he

671

00:29:46,549 --> 00:29:45,440

predicted that donald trump was gonna

672

00:29:49,990 --> 00:29:46,559

win the election

673

00:29:50,950 --> 00:29:50,000

in a landslide and gee that didn't

674

00:29:53,510 --> 00:29:50,960

happen

675

00:29:55,110 --> 00:29:53,520

that's how good david wilcox superpowers

676
00:29:57,029 --> 00:29:55,120
are that's how accurate

677
00:29:58,710 --> 00:29:57,039
his prophetic dreams and his alien

678
00:30:01,750 --> 00:29:58,720
friends and his jesus christ

679
00:30:02,950 --> 00:30:01,760
channeling and david you know raw that's

680
00:30:04,950 --> 00:30:02,960
how accurate

681
00:30:06,070 --> 00:30:04,960
the information sources he's tapping

682
00:30:08,549 --> 00:30:06,080
into are

683
00:30:09,430 --> 00:30:08,559
they're [h__h] terrible he knows who's

684
00:30:10,470 --> 00:30:09,440
naughty or nice and

685
00:30:13,350 --> 00:30:10,480
they're probably gonna try to get as

686
00:30:15,430 --> 00:30:13,360
many of them as they can so

687
00:30:17,110 --> 00:30:15,440
usually when i do this stuff the there's

688
00:30:18,710 --> 00:30:17,120

applause breaks in the audience people

689

00:30:19,269 --> 00:30:18,720

start cheering clapping they get up on

690

00:30:22,870 --> 00:30:19,279

their feet

691

00:30:27,029 --> 00:30:25,190

people don't want to see our planet just

692

00:30:28,630 --> 00:30:27,039

go down the tubes

693

00:30:30,470 --> 00:30:28,640

and we're very very frightened about

694

00:30:33,190 --> 00:30:30,480

what might happen because if the

695

00:30:35,750 --> 00:30:33,200

inauguration takes place on the 20th

696

00:30:36,950 --> 00:30:35,760

jb could immediately invoke the

697

00:30:38,950 --> 00:30:36,960

insurrection

698

00:30:40,789 --> 00:30:38,960

as it's called the act and i'm not going

699

00:30:43,830 --> 00:30:40,799

to say it back to back

700

00:30:46,070 --> 00:30:43,840

he could invoke that and immediately

701
00:30:47,269 --> 00:30:46,080
you know go to business on the alliance

702
00:30:48,789 --> 00:30:47,279
and so

703
00:30:50,310 --> 00:30:48,799
they're very concerned about the 20th

704
00:30:51,909 --> 00:30:50,320
and that he could get slipped in you

705
00:30:54,149 --> 00:30:51,919
know even though there's something going

706
00:30:55,590 --> 00:30:54,159
on in dispute

707
00:30:57,590 --> 00:30:55,600
so what we're really trying to do here

708
00:30:59,750 --> 00:30:57,600
folks is is hopefully get this to work

709
00:31:01,430 --> 00:30:59,760
without a whole lot of of crazy stuff

710
00:31:02,389 --> 00:31:01,440
but no matter what back to the slide

711
00:31:04,789 --> 00:31:02,399
again

712
00:31:05,669 --> 00:31:04,799
this may require a short but very real

713
00:31:08,870 --> 00:31:05,679

war

714

00:31:11,110 --> 00:31:08,880

probably going to be

715

00:31:12,149 --> 00:31:11,120

some big time damage in the major urban

716

00:31:16,310 --> 00:31:12,159

areas

717

00:31:20,149 --> 00:31:19,509

hey [h__h] none of this happened just

718

00:31:23,750 --> 00:31:20,159

so you know

719

00:31:26,470 --> 00:31:23,760

david wilcock you [h__h] none of this

720

00:31:27,590 --> 00:31:26,480

happened not let's go back to the front

721

00:31:30,470 --> 00:31:27,600

one here

722

00:31:32,070 --> 00:31:30,480

it's not a good time to be unprepared

723

00:31:33,190 --> 00:31:32,080

and so one of the main messages that i

724

00:31:36,149 --> 00:31:33,200

also have today is

725

00:31:37,350 --> 00:31:36,159

is to be prepared to do the things that

726

00:31:39,750 --> 00:31:37,360

you need to do to make it

727

00:31:40,389 --> 00:31:39,760

and then have fuel and he goes on to

728

00:31:45,110 --> 00:31:40,399

give

729

00:31:47,029 --> 00:31:45,120

advice for surviving urban warfare

730

00:31:48,789 --> 00:31:47,039

you know from a guy that's hanging out

731

00:31:53,029 --> 00:31:48,799

this million dollar mansion

732

00:31:56,070 --> 00:31:53,039

right yeah garbage david wilcock

733

00:31:57,509 --> 00:31:56,080

you [h__h] [h__h] you said that if

734

00:31:59,269 --> 00:31:57,519

fine gets inaugurated

735

00:32:00,549 --> 00:31:59,279

all the alliance members are gonna get

736

00:32:03,909 --> 00:32:00,559

murdered

737

00:32:04,950 --> 00:32:03,919

and you said joe biden would never be

738

00:32:06,789 --> 00:32:04,960

inaugurated

739

00:32:08,389 --> 00:32:06,799

right you said it in another stream and

740

00:32:10,710 --> 00:32:08,399

you said it in this stream

741

00:32:12,310 --> 00:32:10,720

the joe biden inauguration that's not

742

00:32:15,669 --> 00:32:12,320

what's gonna happen

743

00:32:18,149 --> 00:32:15,679

you said that in another stream you said

744

00:32:19,750 --> 00:32:18,159

joe biden would never be inaugurated

745

00:32:21,029 --> 00:32:19,760

never step foot in the white house it's

746

00:32:23,430 --> 00:32:21,039

not going to happen

747

00:32:25,990 --> 00:32:23,440

there are forces at work right trust the

748

00:32:29,669 --> 00:32:28,070

where the dumb of us go one the two of

749

00:32:33,590 --> 00:32:29,679

us go all right

750

00:32:37,509 --> 00:32:36,630

so there we have it i guess look what

751
00:32:39,350 --> 00:32:37,519
can i say

752
00:32:41,029 --> 00:32:39,360
david look now he's gonna go back to

753
00:32:44,149 --> 00:32:41,039
talking to his imaginary friends

754
00:32:46,070 --> 00:32:44,159
that's what he's gonna do uh this

755
00:32:48,149 --> 00:32:46,080
letter the conspiracy train is over for

756
00:32:50,710 --> 00:32:48,159
him he's gonna hope

757
00:32:52,310 --> 00:32:50,720
uh that nobody remembers all the [h__h] he

758
00:32:54,549 --> 00:32:52,320
got wrong but jesus

759
00:32:56,710 --> 00:32:54,559
christ david wilcock you got everything

760
00:32:58,070 --> 00:32:56,720
wrong every [h__h] thing you said for

761
00:33:00,950 --> 00:32:58,080
the past couple of months

762
00:33:03,110 --> 00:33:00,960
has been wrong and you're the one that

763
00:33:05,909 --> 00:33:03,120

claims you got super powers

764

00:33:06,789 --> 00:33:05,919

and gee simon parks you were [\h__\h]

765

00:33:08,549 --> 00:33:06,799

wrong about

766

00:33:11,110 --> 00:33:08,559

everything and i watch you trying to

767

00:33:14,070 --> 00:33:11,120

move the goal post make excuses on sasha

768

00:33:17,430 --> 00:33:14,080

stone show today

769

00:33:18,310 --> 00:33:17,440

these clowns should all be afraid to

770

00:33:21,750 --> 00:33:18,320

show their face

771

00:33:23,430 --> 00:33:21,760

in public again ever wouldn't you be

772

00:33:24,070 --> 00:33:23,440

embarrassed if you've been pushing this

773

00:33:26,470 --> 00:33:24,080

garbage

774

00:33:29,350 --> 00:33:26,480

for years and then one day everybody

775

00:33:30,230 --> 00:33:29,360

just woke up and realized what a [\h__\h]

776

00:33:33,430 --> 00:33:30,240

pile of

777

00:33:36,630 --> 00:33:33,440

steaming horseshit it all was

778

00:33:41,350 --> 00:33:39,509

and by the way to tell those lies and

779

00:33:43,590 --> 00:33:41,360

those terrible predictions

780

00:33:44,389 --> 00:33:43,600

david wilcock had people throwing money

781

00:33:49,110 --> 00:33:44,399

at him

782

00:33:53,909 --> 00:33:52,710

what can i say uh it's the end of an

783

00:33:57,110 --> 00:33:53,919

error here today

784

00:34:00,389 --> 00:33:57,120

i hope i think

785

00:34:03,430 --> 00:34:00,399

i think it's the end of an error

786

00:34:05,029 --> 00:34:03,440

uh i think that people are going to move

787

00:34:07,909 --> 00:34:05,039

on from this garbage now

788

00:34:08,950 --> 00:34:07,919

that's what i think is going to happen

789

00:34:12,149 --> 00:34:08,960

uh

790

00:34:13,829 --> 00:34:12,159

comments

791

00:34:16,389 --> 00:34:13,839

dan hogan is here he says i think the

792

00:34:18,829 --> 00:34:16,399

grifters got played with this they all

793

00:34:22,860 --> 00:34:18,839

they went they all went all in on this

794

00:34:27,829 --> 00:34:25,430

[Music]

795

00:34:28,869 --> 00:34:27,839

this says they have no shame yeah you're

796

00:34:31,109 --> 00:34:28,879

right they don't care

797

00:34:32,389 --> 00:34:31,119

they got paid right as long as they got

798

00:34:35,030 --> 00:34:32,399

paid for this garbage

799

00:34:36,950 --> 00:34:35,040

right they all got paid for this bunch

800

00:34:40,230 --> 00:34:36,960

of garbage

801
00:34:44,069 --> 00:34:42,629
they all got paid as long as you get

802
00:34:47,190 --> 00:34:44,079
paid for it it's okay

803
00:34:51,270 --> 00:34:47,200
you know to do despicable things i

804
00:34:55,030 --> 00:34:52,580
oh

805
00:34:56,230 --> 00:34:55,040
[Music]

806
00:34:58,710 --> 00:34:56,240
all right i'm going to share one more

807
00:35:00,829 --> 00:34:58,720
thing which somebody just sent me

808
00:35:02,390 --> 00:35:00,839
this is from my twitter it's actually

809
00:35:09,270 --> 00:35:02,400
from uh

810
00:35:14,310 --> 00:35:12,150
well it's this is great like many of you

811
00:35:16,630 --> 00:35:14,320
i'm in shock by today's

812
00:35:17,510 --> 00:35:16,640
and then i realized why it had to happen

813
00:35:19,510 --> 00:35:17,520

and that

814

00:35:21,430 --> 00:35:19,520

letter told us that it would happen and

815

00:35:24,230 --> 00:35:21,440

why this needed to happen

816

00:35:25,349 --> 00:35:24,240

letter did tell us that a scare event

817

00:35:28,390 --> 00:35:25,359

would be needed well

818

00:35:30,390 --> 00:35:28,400

are you scared yet I posts and then they

819

00:35:32,150 --> 00:35:30,400

list a bunch of I posts told us about by

820

00:35:34,150 --> 00:35:32,160

him being sworn in

821

00:35:35,510 --> 00:35:34,160

and with the countries he took bribes

822

00:35:36,390 --> 00:35:35,520

from then be in control of the

823

00:35:39,430 --> 00:35:36,400

government

824

00:35:42,150 --> 00:35:39,440

important point i will be coming back to

825

00:35:42,870 --> 00:35:42,160

biden had to take a private jet to

826

00:35:45,750 --> 00:35:42,880

washington

827

00:35:47,270 --> 00:35:45,760

and he was not sent a government plane

828

00:35:48,470 --> 00:35:47,280

this was the first time in the history

829

00:35:50,870 --> 00:35:48,480

this has happened

830

00:35:52,950 --> 00:35:50,880

again i will get back to it many of us

831

00:35:54,310 --> 00:35:52,960

assumed when trump

832

00:35:56,069 --> 00:35:54,320

and those in his administration were

833

00:35:57,670 --> 00:35:56,079

referring to the next administration it

834

00:35:57,990 --> 00:35:57,680

meant the military we expected him to

835

00:36:00,470 --> 00:35:58,000

step

836

00:36:01,109 --> 00:36:00,480

down to remain neutral as the letter

837

00:36:03,030 --> 00:36:01,119

said

838

00:36:04,470 --> 00:36:03,040

while all this went down trump did say

839

00:36:07,589 --> 00:36:04,480

the next administration

840

00:36:07,990 --> 00:36:07,599

would be taken over at noon today like

841

00:36:09,829 --> 00:36:08,000

many

842

00:36:12,230 --> 00:36:09,839

i thought this was over when biden was

843

00:36:14,790 --> 00:36:12,240

sworn in as he had now become

844

00:36:15,430 --> 00:36:14,800

the cic boy was i wrong because of the

845

00:36:17,670 --> 00:36:15,440

fraud

846

00:36:19,270 --> 00:36:17,680

as pointed out if the military has proof

847

00:36:20,470 --> 00:36:19,280

of it then they have a duty under

848

00:36:22,870 --> 00:36:20,480

military code

849

00:36:25,270 --> 00:36:22,880

to remove the false government and

850

00:36:26,069 --> 00:36:25,280

restore a new legal civilian government

851
00:36:29,829 --> 00:36:26,079
under military

852
00:36:31,270 --> 00:36:29,839
code 11.3 which triggered when biden was

853
00:36:34,710 --> 00:36:31,280
sworn in today

854
00:36:38,069 --> 00:36:34,720
oh my god they just won't let this go

855
00:36:39,510 --> 00:36:38,079
they just won't let this go there was

856
00:36:40,630 --> 00:36:39,520
fear in the mccarthy area that the

857
00:36:42,069 --> 00:36:40,640
communists would take over our

858
00:36:43,829 --> 00:36:42,079
governments or provisions were put in

859
00:36:45,750 --> 00:36:43,839
place for the military to protect that

860
00:36:47,430 --> 00:36:45,760
[h__h] that happened yeah of course biden

861
00:36:49,030 --> 00:36:47,440
and everybody they're the commies

862
00:36:50,390 --> 00:36:49,040
these provisions allow the military to

863
00:36:51,829 --> 00:36:50,400

take control while they remove the

864

00:36:53,990 --> 00:36:51,839

belittling government and restore

865

00:36:55,750 --> 00:36:54,000

illegal civilian government

866

00:36:57,829 --> 00:36:55,760

with the military running elections to

867

00:36:58,390 --> 00:36:57,839

do that literally the military was put

868

00:37:00,230 --> 00:36:58,400

in place

869

00:37:02,310 --> 00:37:00,240

as the last line of defense of the

870

00:37:03,750 --> 00:37:02,320

constitution should legal government be

871

00:37:05,270 --> 00:37:03,760

installed

872

00:37:07,589 --> 00:37:05,280

this is why they didn't send a

873

00:37:09,589 --> 00:37:07,599

government plane for president-elect

874

00:37:11,910 --> 00:37:09,599

because they know he is not a legitimate

875

00:37:13,750 --> 00:37:11,920

president and once he was sworn in the

876

00:37:15,670 --> 00:37:13,760

government became illegitimate

877

00:37:17,430 --> 00:37:15,680

and the military is now responsible for

878

00:37:18,150 --> 00:37:17,440

restoring a legitimate civilian

879

00:37:19,829 --> 00:37:18,160

government

880

00:37:21,430 --> 00:37:19,839

otherwise foreign powers will gain

881

00:37:24,950 --> 00:37:21,440

control

882

00:37:25,670 --> 00:37:24,960

the letter said the end wouldn't be for

883

00:37:27,829 --> 00:37:25,680

everybody

884

00:37:29,750 --> 00:37:27,839

we have been told by trump flynn and

885

00:37:30,310 --> 00:37:29,760

others that america would soon get a

886

00:37:33,109 --> 00:37:30,320

lesson

887

00:37:35,589 --> 00:37:33,119

in the constitution well folks effective

888

00:37:37,030 --> 00:37:35,599

at noon today when biden illegally swore

889

00:37:39,349 --> 00:37:37,040

in with the assistance

890

00:37:40,870 --> 00:37:39,359

of foreign nations he just made the

891

00:37:42,310 --> 00:37:40,880

government illegitimate and was

892

00:37:45,430 --> 00:37:42,320

effectively

893

00:37:47,510 --> 00:37:45,440

control

894

00:37:49,030 --> 00:37:47,520

so like many i thought it was over when

895

00:37:50,870 --> 00:37:49,040

biden scored in today

896

00:37:52,710 --> 00:37:50,880

i realized the letter told us it needed

897

00:37:53,829 --> 00:37:52,720

to happen for the military to assume

898

00:37:56,710 --> 00:37:53,839

control

899

00:37:57,349 --> 00:37:56,720

without it being a military coup the

900

00:38:00,550 --> 00:37:57,359

letter

901
00:38:03,990 --> 00:38:00,560
said it all had to be done by the book

902
00:38:04,630 --> 00:38:04,000
oh [\h__\h] it's just the level of like

903
00:38:06,790 --> 00:38:04,640
they're just

904
00:38:09,030 --> 00:38:06,800
still going to cling to any little hope

905
00:38:12,310 --> 00:38:09,040
or belief that this wasn't

906
00:38:15,510 --> 00:38:12,320
garbage and [\h__\h] the whole time

907
00:38:18,470 --> 00:38:15,520
right some people are so heavily

908
00:38:19,910 --> 00:38:18,480
invested in this heavily heavily

909
00:38:24,710 --> 00:38:19,920
invested in this that they just

910
00:38:29,430 --> 00:38:26,310
and well friends i wanted to mention

911
00:38:30,310 --> 00:38:29,440
that uh i signed up for dailymotion and

912
00:38:33,670 --> 00:38:30,320
uh

913
00:38:35,030 --> 00:38:33,680

they have a one hour limit for the show

914

00:38:35,829 --> 00:38:35,040

so we're gonna try to keep this one

915

00:38:37,589 --> 00:38:35,839

short

916

00:38:38,950 --> 00:38:37,599

because i want to test uploading to

917

00:38:42,550 --> 00:38:38,960

dailymotion later

918

00:38:44,069 --> 00:38:42,560

and see how that goes and got a lot of

919

00:38:46,630 --> 00:38:44,079

weird research stuff

920

00:38:47,670 --> 00:38:46,640

about other platforms to do tonight uh

921

00:38:50,630 --> 00:38:47,680

for the show

922

00:38:51,990 --> 00:38:50,640

so it's a good time to do a short actual

923

00:38:53,829 --> 00:38:52,000

broadcast

924

00:39:00,069 --> 00:38:53,839

there's not much more i can say about

925

00:39:03,270 --> 00:39:00,079

all this right

926
00:39:05,109 --> 00:39:03,280
yeah legally speaking under dod's cog

927
00:39:06,950 --> 00:39:05,119
guidelines if brian was illegitimate

928
00:39:11,910 --> 00:39:06,960
that would be true except he's obviously

929
00:39:15,589 --> 00:39:13,349
mainly are going to write a book called

930
00:39:19,829 --> 00:39:15,599
we were there moments of history

931
00:39:23,030 --> 00:39:19,839
16 to 20. yeah uh and that reminds me

932
00:39:23,990 --> 00:39:23,040
uh jason quit is here shout out to jason

933
00:39:25,829 --> 00:39:24,000
quinn so

934
00:39:27,670 --> 00:39:25,839
uh we're gonna be we're gonna be

935
00:39:30,710 --> 00:39:27,680
starting a book club

936
00:39:31,430 --> 00:39:30,720
here on truth seekers and this is the

937
00:39:34,710 --> 00:39:31,440
first book

938
00:39:36,550 --> 00:39:34,720

it's by jason quit uh

939

00:39:38,069 --> 00:39:36,560

and bob mitchell it's called forbidden

940

00:39:39,990 --> 00:39:38,079

knowledge

941

00:39:42,470 --> 00:39:40,000

and this is revelations of an

942

00:39:44,390 --> 00:39:42,480

interdimensional time traveler

943

00:39:45,670 --> 00:39:44,400

uh i think it's gonna be an interesting

944

00:39:48,310 --> 00:39:45,680

read so

945

00:39:50,230 --> 00:39:48,320

uh i think you can get it on amazon so

946

00:39:51,990 --> 00:39:50,240

we're gonna be starting this shortly

947

00:39:53,270 --> 00:39:52,000

we're gonna do a book club episode of

948

00:39:54,870 --> 00:39:53,280

truth seekers where we're gonna read

949

00:39:56,630 --> 00:39:54,880

from the book and discuss parts of the

950

00:39:57,910 --> 00:39:56,640

book um

951
00:39:59,670 --> 00:39:57,920
so if you want to get a book so you can

952
00:40:00,390 --> 00:39:59,680
follow along great now if you can't

953
00:40:03,510 --> 00:40:00,400
afford to

954
00:40:05,190 --> 00:40:03,520
or otherwise don't care to you can just

955
00:40:08,069 --> 00:40:05,200
listen to me read parts of the book and

956
00:40:09,990 --> 00:40:08,079
take part in the discussion and tell us

957
00:40:12,550 --> 00:40:10,000
all what you think of the

958
00:40:13,030 --> 00:40:12,560
information in the book so that's coming

959
00:40:16,710 --> 00:40:13,040
up

960
00:40:18,309 --> 00:40:16,720
um and when i'm trying to think if

961
00:40:21,589 --> 00:40:18,319
there's any other show business

962
00:40:25,670 --> 00:40:21,599
i can or i should

963
00:40:33,109 --> 00:40:25,680

check in with uh paypal on patreon

964

00:40:33,119 --> 00:40:40,870

just bear with me friends

965

00:40:51,990 --> 00:40:42,950

this ram shackle system that i have is

966

00:40:59,510 --> 00:40:52,000

not good

967

00:41:06,390 --> 00:41:02,309

yeah uh what a crazy day today has been

968

00:41:08,790 --> 00:41:06,400

feels pretty crazy

969

00:41:10,790 --> 00:41:08,800

i don't know about the rest of you but i

970

00:41:13,430 --> 00:41:10,800

was very interested in seeing

971

00:41:14,470 --> 00:41:13,440

the effects or or what some of these

972

00:41:17,030 --> 00:41:14,480

clowns that are

973

00:41:20,069 --> 00:41:17,040

really pushing this stuff what they were

974

00:41:21,670 --> 00:41:20,079

going to be saying today and uh

975

00:41:24,230 --> 00:41:21,680

i checked in with a few and it seems

976

00:41:28,630 --> 00:41:24,240

like they are just sour graping right

977

00:41:31,750 --> 00:41:28,640

they're like you know and coming up with

978

00:41:39,109 --> 00:41:31,760

excuses for why they were so wrong

979

00:41:43,990 --> 00:41:42,630

okay i'm checking okay so nobody to

980

00:41:47,430 --> 00:41:44,000

shout out so

981

00:41:55,109 --> 00:41:47,440

i'm gonna take down that fair use banner

982

00:41:55,119 --> 00:41:58,470

yeah so

983

00:42:02,069 --> 00:42:00,790

that's me and the money uh there's a few

984

00:42:04,550 --> 00:42:02,079

ways you can support our show

985

00:42:05,589 --> 00:42:04,560

like comment and subscribe that really

986

00:42:07,430 --> 00:42:05,599

does help

987

00:42:09,190 --> 00:42:07,440

otherwise in the about section there's a

988

00:42:12,630 --> 00:42:09,200

paypal and patreon donate

989

00:42:15,430 --> 00:42:12,640

button uh that really also helps us to

990

00:42:16,710 --> 00:42:15,440

continue and keep the show going i

991

00:42:17,430 --> 00:42:16,720

appreciate everybody that has

992

00:42:19,030 --> 00:42:17,440

contributed

993

00:42:20,550 --> 00:42:19,040

everything that you see here came from

994

00:42:23,190 --> 00:42:20,560

those donations

995

00:42:23,990 --> 00:42:23,200

uh it really does all go right back into

996

00:42:25,349 --> 00:42:24,000

the show

997

00:42:27,030 --> 00:42:25,359

in one form or another we'll be

998

00:42:27,910 --> 00:42:27,040

upgrading the software that we use here

999

00:42:29,990 --> 00:42:27,920

shortly

1000

00:42:31,510 --> 00:42:30,000

so that'll be paid for through the

1001
00:42:35,670 --> 00:42:31,520
patreon money

1002
00:42:36,630 --> 00:42:35,680
um i'm gonna hopefully we'll be building

1003
00:42:39,349 --> 00:42:36,640
a bigger

1004
00:42:40,150 --> 00:42:39,359
better studio or place to do the show

1005
00:42:42,069 --> 00:42:40,160
from

1006
00:42:43,349 --> 00:42:42,079
with a little more room i'm in a crank

1007
00:42:46,069 --> 00:42:43,359
little office

1008
00:42:47,109 --> 00:42:46,079
and it's not it's not good it's really

1009
00:42:50,470 --> 00:42:47,119
not good

1010
00:42:53,430 --> 00:42:50,480
so one second let me go back to that

1011
00:43:01,270 --> 00:42:53,440
take that down so yeah i appreciate any

1012
00:43:04,870 --> 00:43:03,270
uh yeah jason quit's talking about his

1013
00:43:06,630 --> 00:43:04,880

book he says bob mitchell was a famous

1014

00:43:07,270 --> 00:43:06,640

journalist in toronto who wrote many

1015

00:43:08,710 --> 00:43:07,280

books

1016

00:43:10,829 --> 00:43:08,720

he wrote the book with me and sadly

1017

00:43:14,630 --> 00:43:10,839

passed away just months after its

1018

00:43:18,309 --> 00:43:16,150

yeah bob mitchell was very interesting

1019

00:43:19,670 --> 00:43:18,319

guy he would kind of like

1020

00:43:21,670 --> 00:43:19,680

have people tell them stories about

1021

00:43:22,950 --> 00:43:21,680

being abducted by aliens and seeing

1022

00:43:27,990 --> 00:43:22,960

bigfoot and all this stuff and then he

1023

00:43:28,000 --> 00:43:35,510

i think he was an interesting character

1024

00:43:40,390 --> 00:43:38,309

a [h__h] was wiped by a rogue monitor

1025

00:43:42,069 --> 00:43:40,400

moderator i think that they wiped

1026

00:43:44,150 --> 00:43:42,079

all the letter of the alphabet stuff

1027

00:43:45,510 --> 00:43:44,160

earlier today did they wipe the entire

1028

00:43:54,630 --> 00:43:45,520

thing now

1029

00:43:57,109 --> 00:43:54,640

oh no site back up yeah

1030

00:43:59,190 --> 00:43:57,119

interesting if the whole thing just gets

1031

00:44:02,150 --> 00:43:59,200

deleted right like it's including all

1032

00:44:05,829 --> 00:44:02,160

the history of all those posts

1033

00:44:09,190 --> 00:44:05,839

somebody is not happy about the events

1034

00:44:13,270 --> 00:44:09,200

of today right somebody is not

1035

00:44:23,910 --> 00:44:13,280

not happy i'm gonna check in with

1036

00:44:23,920 --> 00:44:35,109

that's interesting

1037

00:44:38,790 --> 00:44:36,870

yeah i was checking on something to do

1038

00:44:40,630 --> 00:44:38,800

with the numbers because uh stream

1039

00:44:41,990 --> 00:44:40,640

yard's been acting a little funny lately

1040

00:44:44,069 --> 00:44:42,000

and i don't know whether it's giving me

1041

00:44:45,510 --> 00:44:44,079

the total number of people watching or

1042

00:44:46,950 --> 00:44:45,520

just the people from youtube

1043

00:44:49,270 --> 00:44:46,960

it looks like just the people from

1044

00:44:52,069 --> 00:44:49,280

youtube

1045

00:44:53,270 --> 00:44:52,079

so don craig's face asks have you done

1046

00:44:55,270 --> 00:44:53,280

that career show yet

1047

00:44:57,510 --> 00:44:55,280

no i have to talk to michael and

1048

00:45:01,750 --> 00:44:57,520

schedule we're going to try to do that

1049

00:45:07,109 --> 00:45:01,760

this week but i would like to

1050

00:45:07,119 --> 00:45:10,950

let's see here

1051
00:45:14,069 --> 00:45:12,150
yeah and i don't know about the rest of

1052
00:45:16,069 --> 00:45:14,079
you but i was very disappointed that

1053
00:45:18,470 --> 00:45:16,079
julian assange and snowden were not

1054
00:45:20,150 --> 00:45:18,480
pardoned i was really expecting that

1055
00:45:25,670 --> 00:45:20,160
they would be

1056
00:45:27,510 --> 00:45:25,680
i don't know so much that i expected it

1057
00:45:29,109 --> 00:45:27,520
but i really i really thought he was

1058
00:45:30,950 --> 00:45:29,119
gonna do it because

1059
00:45:32,630 --> 00:45:30,960
i thought his kids would get to him and

1060
00:45:34,870 --> 00:45:32,640
his kids would let him know like what a

1061
00:45:38,710 --> 00:45:34,880
good move that would be for him

1062
00:45:40,710 --> 00:45:38,720
to you know to pardon those two

1063
00:45:42,230 --> 00:45:40,720

i mean it's you know talk about draining

1064

00:45:42,870 --> 00:45:42,240

the swamp that would do more to drain

1065

00:45:45,829 --> 00:45:42,880

the swamp than

1066

00:45:46,630 --> 00:45:45,839

anything anything else he's done didn't

1067

00:45:48,710 --> 00:45:46,640

do it

1068

00:45:51,030 --> 00:45:48,720

very disappointed but you know he

1069

00:45:54,470 --> 00:45:51,040

pardoned bad and so

1070

00:45:56,630 --> 00:45:54,480

you know somehow that's good right

1071

00:45:58,069 --> 00:45:56,640

yeah i can't believe it i just i can't

1072

00:45:59,430 --> 00:45:58,079

believe it

1073

00:46:01,190 --> 00:45:59,440

i can't believe he would pardon that

1074

00:46:05,990 --> 00:46:01,200

clown and not these two

1075

00:46:10,230 --> 00:46:07,750

he could have ended julian assange's

1076

00:46:13,190 --> 00:46:10,240

nightmare with a pen

1077

00:46:14,069 --> 00:46:13,200

he could have ended snowden's exile in

1078

00:46:17,349 --> 00:46:14,079

russia

1079

00:46:18,550 --> 00:46:17,359

for how many years now with a pen but he

1080

00:46:19,910 --> 00:46:18,560

chose not to

1081

00:46:21,349 --> 00:46:19,920

you know because he's the alliance

1082

00:46:23,589 --> 00:46:21,359

loving life president that's going to

1083

00:46:26,710 --> 00:46:23,599

drain the swamp

1084

00:46:29,430 --> 00:46:26,720

[h__\h] [h__\h]

1085

00:46:31,589 --> 00:46:29,440

so i do want to uh plug and mention that

1086

00:46:32,790 --> 00:46:31,599

this saturday night at 9 00 p.m

1087

00:46:35,510 --> 00:46:32,800

here on truth seekers you're going to be

1088

00:46:38,790 --> 00:46:35,520

having a very special event

1089

00:46:41,990 --> 00:46:38,800

and uh i'm going to share this here now

1090

00:46:43,890 --> 00:46:42,000

oh that's not what i wanted to share

1091

00:46:48,150 --> 00:46:43,900

let's try that again

1092

00:46:51,270 --> 00:46:50,390

oh here we go i wanted to share it from

1093

00:46:53,910 --> 00:46:51,280

facebook so

1094

00:46:55,910 --> 00:46:53,920

uh this saturday night january 23rd at 9

1095

00:46:57,190 --> 00:46:55,920

00 pm eastern time is a truth seeker

1096

00:46:59,510 --> 00:46:57,200

special event

1097

00:47:00,390 --> 00:46:59,520

we're going to be revisiting roswell

1098

00:47:02,390 --> 00:47:00,400

with

1099

00:47:03,670 --> 00:47:02,400

the amazing kevin randall for those that

1100

00:47:07,750 --> 00:47:03,680

don't know kevin randall has written

1101
00:47:11,190 --> 00:47:10,550
sort of consultant for the roswell

1102
00:47:14,390 --> 00:47:11,200
hollywood

1103
00:47:15,589 --> 00:47:14,400
film he's been uh interviewed hundreds

1104
00:47:19,750 --> 00:47:15,599
of times on radio

1105
00:47:21,589 --> 00:47:19,760
television and documentaries

1106
00:47:22,950 --> 00:47:21,599
and we're going to do another dive on

1107
00:47:26,870 --> 00:47:22,960
roswell and hear

1108
00:47:27,750 --> 00:47:26,880
his side of the story which i gotta tell

1109
00:47:29,829 --> 00:47:27,760
you i can't

1110
00:47:31,349 --> 00:47:29,839
i can't wait to i can't wait to

1111
00:47:33,430 --> 00:47:31,359
interview him i can't wait to have him

1112
00:47:35,470 --> 00:47:33,440
on the show i first saw him

1113
00:47:36,870 --> 00:47:35,480

on unsolved mysteries i think it was in

1114

00:47:39,030 --> 00:47:36,880

1989

1115

00:47:40,710 --> 00:47:39,040

and now he's going to be on my show to

1116

00:47:42,710 --> 00:47:40,720

me that is amazing

1117

00:47:44,390 --> 00:47:42,720

so i want to thank mr randall for

1118

00:47:47,030 --> 00:47:44,400

agreeing to participate

1119

00:47:49,030 --> 00:47:47,040

in this true seeker special event i'm

1120

00:47:49,670 --> 00:47:49,040

looking forward to it i hope you guys

1121

00:47:53,030 --> 00:47:49,680

are too

1122

00:47:55,270 --> 00:47:53,040

it's going to be a fun time please do uh

1123

00:47:57,430 --> 00:47:55,280

come and uh you know we're gonna have

1124

00:48:00,069 --> 00:47:57,440

open phone lines and we're gonna have

1125

00:48:01,990 --> 00:48:00,079

uh the chat room open for questions for

1126

00:48:03,349 --> 00:48:02,000

mr randall i'll try to make sure that we

1127

00:48:05,109 --> 00:48:03,359

have time for that

1128

00:48:16,069 --> 00:48:05,119

it's gonna be a fun time i hope you can

1129

00:48:19,750 --> 00:48:18,069

lee beltman i can cover it for you right

1130

00:48:22,470 --> 00:48:19,760

now they didn't talk about

1131

00:48:23,750 --> 00:48:22,480

anything that anybody wanted to hear at

1132

00:48:26,150 --> 00:48:23,760

all

1133

00:48:27,430 --> 00:48:26,160

and i'm not gonna say anything else

1134

00:48:29,430 --> 00:48:27,440

because if i

1135

00:48:31,670 --> 00:48:29,440

listen lee if i start talking about what

1136

00:48:33,750 --> 00:48:31,680

i think about that

1137

00:48:35,589 --> 00:48:33,760

i'm gonna start calling people [h__h]

1138

00:48:36,390 --> 00:48:35,599

again and i don't want to do that right

1139

00:48:39,510 --> 00:48:36,400

i don't call

1140

00:48:42,630 --> 00:48:39,520

other show hosts [h__h] right i don't

1141

00:48:45,910 --> 00:48:42,640

want to say another show host is a [h__h]

1142

00:48:49,750 --> 00:48:45,920

so don't bring that up again

1143

00:48:54,069 --> 00:48:49,760

you triggered me lee beltman yeah

1144

00:48:59,589 --> 00:48:58,069

what else can i say about that you know

1145

00:49:02,069 --> 00:48:59,599

you have a guest on that everybody wants

1146

00:49:03,430 --> 00:49:02,079

to hear from but you don't ask him any

1147

00:49:05,990 --> 00:49:03,440

of the questions that people

1148

00:49:07,190 --> 00:49:06,000

want you to right you don't talk about

1149

00:49:09,109 --> 00:49:07,200

any of the things that people want to

1150

00:49:10,630 --> 00:49:09,119

hear about

1151
00:49:12,230 --> 00:49:10,640
i think it's time for some people to

1152
00:49:14,549 --> 00:49:12,240
find a new [\h__\h] line of work

1153
00:49:16,630 --> 00:49:14,559
if you're that dumb or that stupid you

1154
00:49:19,030 --> 00:49:16,640
don't know how to ask a few

1155
00:49:20,470 --> 00:49:19,040
key questions that is on everyone's

1156
00:49:23,270 --> 00:49:20,480
minds

1157
00:49:23,510 --> 00:49:23,280
it is what it is friends and uh yeah i

1158
00:49:26,230 --> 00:49:23,520
don't

1159
00:49:28,069 --> 00:49:26,240
call any other show host a [\h__\h] so so i

1160
00:49:31,430 --> 00:49:28,079
won't

1161
00:49:34,390 --> 00:49:31,440
yeah uh that's that's kind of like uh

1162
00:49:39,030 --> 00:49:34,400
it's not a good subject for me level not

1163
00:49:43,510 --> 00:49:41,510

okay so uh like i said we're going to

1164

00:49:45,190 --> 00:49:43,520

keep this one really short because i

1165

00:49:47,349 --> 00:49:45,200

want to try to upload a show to

1166

00:49:48,950 --> 00:49:47,359

dailymotion and see what that's about

1167

00:49:50,230 --> 00:49:48,960

and how that goes and they have a one

1168

00:49:51,829 --> 00:49:50,240

hour show limit

1169

00:49:53,270 --> 00:49:51,839

so i want to thank you all for being on

1170

00:49:56,870 --> 00:49:53,280

what will be the first

1171

00:49:58,069 --> 00:49:56,880

uh dailymotion video uh

1172

00:49:59,990 --> 00:49:58,079

i'm always happy when there is an

1173

00:50:02,549 --> 00:50:00,000

audience i'm glad that you guys could be

1174

00:50:03,990 --> 00:50:02,559

here and be a part of mine

1175

00:50:05,910 --> 00:50:04,000

until next time friends my name is

1176

00:50:12,230 --> 00:50:05,920

stephen cambion

1177

00:51:03,230 --> 00:50:12,240

good night and god bless all of you
