

Truth Seekers

1
00:02:13,270 --> 00:00:26,410

[Music]

2
00:02:18,390 --> 00:02:14,229

greetings

3
00:02:21,350 --> 00:02:18,400

and salutations friends welcome back

4
00:02:22,550 --> 00:02:21,360

so uh this is going to be sort of an

5
00:02:26,070 --> 00:02:22,560

off-the-cuff

6
00:02:27,990 --> 00:02:26,080

quick check-in kind of a show

7
00:02:29,110 --> 00:02:28,000

today i recorded a two-hour show with

8
00:02:34,869 --> 00:02:29,120

ryan

9
00:02:35,670 --> 00:02:34,879

uh who you may be aware of got that big

10
00:02:37,830 --> 00:02:35,680

interview

11
00:02:39,589 --> 00:02:37,840

sort of thing with emery smith that

12
00:02:40,710 --> 00:02:39,599

contacted the desert that turned into

13
00:02:42,630 --> 00:02:40,720

this big thing

14

00:02:46,070 --> 00:02:42,640
because emery smith was talking [h__\h]

15

00:02:49,509 --> 00:02:46,080
about his fellow cosmic con artists

16

00:02:51,750 --> 00:02:49,519
right and uh

17

00:02:53,430 --> 00:02:51,760
we decided we were going to do that as a

18

00:02:54,150 --> 00:02:53,440
simulcast so that's not going to air

19

00:02:58,790 --> 00:02:54,160
until

20

00:03:01,589 --> 00:02:58,800
uh 2 a.m eastern standard time

21

00:03:03,270 --> 00:03:01,599
later tonight and uh it's pre-recorded

22

00:03:05,110 --> 00:03:03,280
but it's just us talking so we figured

23

00:03:06,309 --> 00:03:05,120
we could both use it and so we'll be

24

00:03:09,910 --> 00:03:06,319
broadcasting

25

00:03:12,309 --> 00:03:09,920
on the fringe fm uh at 2 am

26

00:03:13,030 --> 00:03:12,319

you can go to the fringe.fm and listen

27

00:03:15,430 --> 00:03:13,040

there

28

00:03:16,710 --> 00:03:15,440

or on our side here we'll have the video

29

00:03:18,790 --> 00:03:16,720

feed

30

00:03:20,309 --> 00:03:18,800

so that's the only difference we're both

31

00:03:24,390 --> 00:03:20,319

broadcasting the same thing

32

00:03:27,910 --> 00:03:24,400

except ryan's audio uh you know uh

33

00:03:29,910 --> 00:03:27,920

podcast audio format and ours will be

34

00:03:31,430 --> 00:03:29,920

here with uh just the video of us which

35

00:03:33,110 --> 00:03:31,440

isn't very impressive it's just that's

36

00:03:35,910 --> 00:03:33,120

too talking but

37

00:03:37,589 --> 00:03:35,920

uh that's the only difference so i've

38

00:03:39,430 --> 00:03:37,599

been

39

00:03:40,869 --> 00:03:39,440

i mentioned to everybody that you know

40

00:03:43,190 --> 00:03:40,879

cards on the table i

41

00:03:45,670 --> 00:03:43,200

thought a few weeks ago that i was not

42

00:03:47,270 --> 00:03:45,680

working hard enough on the show

43

00:03:49,270 --> 00:03:47,280

and that i really should start doing

44

00:03:51,910 --> 00:03:49,280

five shows a week because

45

00:03:52,309 --> 00:03:51,920

i told myself i have the time to do it

46

00:03:54,789 --> 00:03:52,319

and i

47

00:03:57,190 --> 00:03:54,799

should be doing that for that would

48

00:04:00,949 --> 00:03:57,200

certainly be what's best for the show

49

00:04:03,509 --> 00:04:00,959

is to do five shows a week but

50

00:04:05,110 --> 00:04:03,519

you know even that sometimes feels like

51
00:04:07,110 --> 00:04:05,120
that's not enough and you have

52
00:04:09,270 --> 00:04:07,120
additional time or energy to do

53
00:04:12,309 --> 00:04:09,280
something so why not do more

54
00:04:15,350 --> 00:04:12,319
so today we did a show with another show

55
00:04:18,870 --> 00:04:15,360
host for a simulcast a two-hour show

56
00:04:20,629 --> 00:04:18,880
and here i am again uh

57
00:04:23,270 --> 00:04:20,639
and that will mean and we're doing this

58
00:04:28,150 --> 00:04:23,280
special event show tomorrow

59
00:04:31,909 --> 00:04:28,160
um i'm going to find the bed

60
00:04:39,430 --> 00:04:35,350
okay one second friends bear with me

61
00:04:43,830 --> 00:04:42,629
yeah so tomorrow night 9 p.m eastern

62
00:04:46,790 --> 00:04:43,840
standard time is

63
00:04:48,710 --> 00:04:46,800

going to be a special event for our show

64

00:04:51,270 --> 00:04:48,720

and again that's tomorrow night saturday

65

00:04:53,110 --> 00:04:51,280

january 23rd at 9 00 p.m that's eastern

66

00:04:55,350 --> 00:04:53,120

standard time new york time

67

00:04:56,310 --> 00:04:55,360

east coast time a truth seeker special

68

00:04:58,710 --> 00:04:56,320

event

69

00:05:00,469 --> 00:04:58,720

we will be revisiting roswell with kevin

70

00:05:02,469 --> 00:05:00,479

randall and myself

71

00:05:04,870 --> 00:05:02,479

uh and you are invited to join us with

72

00:05:06,310 --> 00:05:04,880

your questions in the live chat or call

73

00:05:07,830 --> 00:05:06,320

in live

74

00:05:09,590 --> 00:05:07,840

for those that don't know kevin randle

75

00:05:12,790 --> 00:05:09,600

has written many books

76

00:05:15,430 --> 00:05:12,800

on the roswell event as well as

77

00:05:17,909 --> 00:05:15,440

his book co authored with don schmidt

78

00:05:21,350 --> 00:05:17,919

was the basis for the hollywood roswell

79

00:05:23,430 --> 00:05:21,360

film which i highly recommend

80

00:05:24,550 --> 00:05:23,440

you watch i just rewatched it again

81

00:05:27,110 --> 00:05:24,560

recently

82

00:05:29,430 --> 00:05:27,120

and still find it to be a great film now

83

00:05:31,270 --> 00:05:29,440

i know there's historical inaccuracies

84

00:05:32,629 --> 00:05:31,280

uh especially with this character at the

85

00:05:35,670 --> 00:05:32,639

end that

86

00:05:37,350 --> 00:05:35,680

sort of does the big reveal um

87

00:05:39,350 --> 00:05:37,360

but i understand why they did that for

88

00:05:41,350 --> 00:05:39,360

dramatic purposes and this and that and

89

00:05:43,430 --> 00:05:41,360

they sort of amalgamized a bunch of

90

00:05:46,710 --> 00:05:43,440

people that mr marcel talked to

91

00:05:48,550 --> 00:05:46,720

into one character uh

92

00:05:50,870 --> 00:05:48,560

i still think that the movie is a great

93

00:05:53,270 --> 00:05:50,880

movie and uh

94

00:05:54,550 --> 00:05:53,280

yeah i'm happy that we're gonna get to

95

00:05:57,909 --> 00:05:54,560

interview

96

00:06:00,390 --> 00:05:57,919

kevin randall to hear his take on

97

00:06:03,430 --> 00:06:00,400

the roswell event and what does he

98

00:06:06,629 --> 00:06:03,440

having studied this thing for decades

99

00:06:07,990 --> 00:06:06,639

interviewed i believe it's hundreds of

100

00:06:10,309 --> 00:06:08,000

witnesses either first-hand or

101
00:06:13,590 --> 00:06:10,319
second-hand witnesses family members of

102
00:06:15,430 --> 00:06:13,600
first-hand witnesses as well i can't

103
00:06:19,189 --> 00:06:15,440
wait to get his take on what

104
00:06:21,909 --> 00:06:19,199
it is that really happened at roswell

105
00:06:22,309 --> 00:06:21,919
uh now we heard from kalkorf uh on our

106
00:06:25,270 --> 00:06:22,319
first

107
00:06:25,590 --> 00:06:25,280
revisit to roswell in our series here

108
00:06:28,790 --> 00:06:25,600
and

109
00:06:30,230 --> 00:06:28,800
uh i don't know about the rest of you

110
00:06:34,070 --> 00:06:30,240
but i came away

111
00:06:36,790 --> 00:06:34,080
sort of disillusioned and disappointed

112
00:06:38,230 --> 00:06:36,800
in a lot of what cow court had to say

113
00:06:39,590 --> 00:06:38,240

now some of that may be my own

114

00:06:41,749 --> 00:06:39,600

confirmation bias

115

00:06:42,629 --> 00:06:41,759

right i'd really like to believe that

116

00:06:45,749 --> 00:06:42,639

roswell

117

00:06:47,189 --> 00:06:45,759

was aliens i mean that would be my

118

00:06:50,070 --> 00:06:47,199

preferred explanation

119

00:06:50,870 --> 00:06:50,080

right and we there's people that saw

120

00:06:52,950 --> 00:06:50,880

bodies

121

00:06:55,670 --> 00:06:52,960

that told their children on their death

122

00:06:57,589 --> 00:06:55,680

beds that they saw alien bodies

123

00:06:59,110 --> 00:06:57,599

it's kind of hard for me to dismiss all

124

00:07:01,189 --> 00:06:59,120

that and

125

00:07:03,510 --> 00:07:01,199

cal's explanation is basically that

126

00:07:05,110 --> 00:07:03,520

those people exaggerated or did it for

127

00:07:07,350 --> 00:07:05,120

fame or money or

128

00:07:09,510 --> 00:07:07,360

they're not credible witnesses or that

129

00:07:13,029 --> 00:07:09,520

they never said the things that i've

130

00:07:16,070 --> 00:07:13,039

read they said in print quote it to them

131

00:07:18,309 --> 00:07:16,080

so i came away a little bit

132

00:07:20,390 --> 00:07:18,319

disappointed in cal's explanation for

133

00:07:23,270 --> 00:07:20,400

some of these events

134

00:07:24,629 --> 00:07:23,280

some of these first-hand and second-hand

135

00:07:28,150 --> 00:07:24,639

witnesses

136

00:07:29,909 --> 00:07:28,160

to the event um

137

00:07:31,189 --> 00:07:29,919

and i think from mr randall we're going

138

00:07:33,350 --> 00:07:31,199

to get a little different

139

00:07:35,029 --> 00:07:33,360

of a story about the first-hand

140

00:07:36,390 --> 00:07:35,039

witnesses about the second-hand

141

00:07:39,670 --> 00:07:36,400

witnesses

142

00:07:44,150 --> 00:07:39,680

about some of the high-ranking

143

00:07:47,029 --> 00:07:44,160

um high-ranking military officers

144

00:07:47,350 --> 00:07:47,039

who said it was an alien crash landing

145

00:07:53,510 --> 00:07:47,360

with

146

00:07:54,710 --> 00:07:53,520

i find that evidence very compelling now

147

00:07:56,230 --> 00:07:54,720

again

148

00:07:58,390 --> 00:07:56,240

cards on the table i'm always honest

149

00:08:00,230 --> 00:07:58,400

with my audience i want to believe that

150

00:08:04,070 --> 00:08:00,240

roswell was aliens

151

00:08:07,110 --> 00:08:04,080

right that would be

152

00:08:10,230 --> 00:08:07,120

just such an amazing story

153

00:08:13,110 --> 00:08:10,240

especially if one day it's really and

154

00:08:15,749 --> 00:08:13,120

definitively proven to be true

155

00:08:17,029 --> 00:08:15,759

and i believe it may be someday but in

156

00:08:19,830 --> 00:08:17,039

the meantime

157

00:08:20,710 --> 00:08:19,840

the debate rages on so we've had kalkorf

158

00:08:24,070 --> 00:08:20,720

who is very

159

00:08:26,309 --> 00:08:24,080

uh sort of um

160

00:08:27,189 --> 00:08:26,319

dismissive of a lot of the alien

161

00:08:29,990 --> 00:08:27,199

hypothesis

162

00:08:31,749 --> 00:08:30,000

and alien stories a very dismissive of

163

00:08:33,750 --> 00:08:31,759

witnesses and what people have had to

164

00:08:35,670 --> 00:08:33,760

say over the years

165

00:08:37,430 --> 00:08:35,680

um and now i think we're going to get

166

00:08:40,870 --> 00:08:37,440

the other side of the coin

167

00:08:45,590 --> 00:08:40,880

uh in the form of mr randall's

168

00:08:47,750 --> 00:08:45,600

experience with the case um

169

00:08:49,670 --> 00:08:47,760

you know recently mr randall has taken a

170

00:08:50,949 --> 00:08:49,680

lot of flack because he went back on

171

00:08:52,230 --> 00:08:50,959

some of the things that are in his own

172

00:08:54,230 --> 00:08:52,240

books and said

173

00:08:56,230 --> 00:08:54,240

after further research and study that

174

00:08:58,389 --> 00:08:56,240

witness uh has to be

175

00:08:59,910 --> 00:08:58,399

sort of stricken from the former record

176

00:09:02,949 --> 00:08:59,920

or were you know

177

00:09:06,150 --> 00:09:02,959

not taken as being honest or genuine

178

00:09:07,350 --> 00:09:06,160

having found more information on them or

179

00:09:09,670 --> 00:09:07,360

why they're

180

00:09:11,430 --> 00:09:09,680

contribution to the case was not as

181

00:09:13,269 --> 00:09:11,440

credible as he once thought

182

00:09:15,030 --> 00:09:13,279

he's taken a lot of flack for that but i

183

00:09:16,870 --> 00:09:15,040

for one find that refreshing

184

00:09:19,030 --> 00:09:16,880

because the guy is a researcher and he's

185

00:09:21,350 --> 00:09:19,040

saying i included these people's

186

00:09:23,990 --> 00:09:21,360

statements they said this

187

00:09:24,790 --> 00:09:24,000

in one previous book i wrote uh later it

188

00:09:28,310 --> 00:09:24,800

was revealed

189

00:09:29,350 --> 00:09:28,320

that that they were not at that event or

190

00:09:31,350 --> 00:09:29,360

whatever

191

00:09:33,350 --> 00:09:31,360

and so now you know we want to take

192

00:09:34,790 --> 00:09:33,360

those people off the table and

193

00:09:37,190 --> 00:09:34,800

some of these witnesses aren't as

194

00:09:39,509 --> 00:09:37,200

credible as i first thought

195

00:09:41,110 --> 00:09:39,519

i find that refreshing because at least

196

00:09:43,430 --> 00:09:41,120

he's being honest he's going

197

00:09:45,110 --> 00:09:43,440

i i [h__h] up i put this guy in this

198

00:09:48,630 --> 00:09:45,120

book he said this

199

00:09:51,110 --> 00:09:48,640

turns out that's not probably

200

00:09:53,670 --> 00:09:51,120

accurate information so we have to take

201

00:09:56,710 --> 00:09:53,680

that back off the table

202

00:09:58,790 --> 00:09:56,720

i am perfectly okay with that uh i am

203

00:10:00,949 --> 00:09:58,800

perfectly okay with the researcher

204

00:10:02,630 --> 00:10:00,959

making mistakes we're all human

205

00:10:07,030 --> 00:10:02,640

certainly we're gonna make a mistake

206

00:10:09,269 --> 00:10:07,040

and perhaps uh trust someone that we

207

00:10:10,310 --> 00:10:09,279

are you know trust someone too quickly

208

00:10:13,430 --> 00:10:10,320

that we

209

00:10:16,230 --> 00:10:13,440

may benefit more from more

210

00:10:17,269 --> 00:10:16,240

study and verification and corroboration

211

00:10:22,310 --> 00:10:17,279

before running with

212

00:10:26,389 --> 00:10:22,320

what they tell us but it happens right

213

00:10:29,430 --> 00:10:26,399

so i don't fault him for that um

214

00:10:31,670 --> 00:10:29,440

and everything else you know there's a

215

00:10:34,790 --> 00:10:31,680

lot of controversy i suppose between cal

216

00:10:36,630 --> 00:10:34,800

and uh randall they're all equal

217

00:10:38,550 --> 00:10:36,640

but they're on opposite ends of the

218

00:10:40,230 --> 00:10:38,560

spectrum of explaining what happened at

219

00:10:41,590 --> 00:10:40,240

roswell both pretty convinced that they

220

00:10:43,110 --> 00:10:41,600

have a good understanding of what

221

00:10:45,590 --> 00:10:43,120

actually happened

222

00:10:47,269 --> 00:10:45,600

uh both have spent lots and time and

223

00:10:50,389 --> 00:10:47,279

energy trying to prove

224

00:10:53,269 --> 00:10:50,399

that their sort of version of events

225

00:10:55,110 --> 00:10:53,279

is the accurate version of events and

226

00:10:57,030 --> 00:10:55,120

i'm sure yeah there's a lot of personal

227

00:10:58,230 --> 00:10:57,040

stuff between these two guys people have

228

00:11:00,790 --> 00:10:58,240

asked

229

00:11:02,470 --> 00:11:00,800

are we going to get them on together uh

230

00:11:05,590 --> 00:11:02,480

maybe

231

00:11:06,389 --> 00:11:05,600

but in the meantime uh we're gonna do a

232

00:11:09,910 --> 00:11:06,399

third

233

00:11:11,030 --> 00:11:09,920

uh episode in our new series revisit to

234

00:11:13,590 --> 00:11:11,040

roswell

235

00:11:15,750 --> 00:11:13,600

uh we're gonna have a nice talk and

236

00:11:18,710 --> 00:11:15,760

discussion with walter bosley

237

00:11:21,430 --> 00:11:18,720

who has an even different explanation of

238

00:11:25,269 --> 00:11:21,440

what roswell really was and his

239

00:11:29,190 --> 00:11:25,279

uh hypothesis centered around nazi

240

00:11:32,710 --> 00:11:29,200

technology and project paperclip

241

00:11:33,190 --> 00:11:32,720

and mr bosley believes uh and and i'm

242

00:11:37,590 --> 00:11:33,200

this is

243

00:11:38,389 --> 00:11:37,600

but mr bosley believes after careful

244

00:11:41,030 --> 00:11:38,399

study that

245

00:11:42,870 --> 00:11:41,040

what crashed at roswell was nazi

246

00:11:44,949 --> 00:11:42,880

technology the paperclip had

247

00:11:46,790 --> 00:11:44,959

re-engineered and was trying to rebuild

248

00:11:49,670 --> 00:11:46,800

for the us government

249

00:11:51,990 --> 00:11:49,680

and that's why there was this huge clamp

250

00:11:53,829 --> 00:11:52,000

down in secrecy and everybody had to go

251
00:11:55,190 --> 00:11:53,839
and get every little bit of the wreckage

252
00:11:57,509 --> 00:11:55,200
and this and that

253
00:11:58,790 --> 00:11:57,519
and that's a very good hypothesis after

254
00:12:01,350 --> 00:11:58,800
all there may have been some

255
00:12:03,030 --> 00:12:01,360
exotic unknown materials comprising

256
00:12:06,230 --> 00:12:03,040
those secret nazi

257
00:12:08,870 --> 00:12:06,240
technology aircraft that even

258
00:12:10,629 --> 00:12:08,880
seasoned pilots and intelligence

259
00:12:13,190 --> 00:12:10,639
officers would not have been familiar

260
00:12:16,389 --> 00:12:13,200
with some strange exotic materials

261
00:12:19,110 --> 00:12:16,399
that may have been nazi in origin

262
00:12:20,790 --> 00:12:19,120
uh so you know part three we're going to

263
00:12:24,230 --> 00:12:20,800

talk to walter bosley

264

00:12:26,230 --> 00:12:24,240

and do a deep dive revisit to roswell

265

00:12:28,230 --> 00:12:26,240

i think that's going to be great because

266

00:12:31,350 --> 00:12:28,240

then we'll get three

267

00:12:33,110 --> 00:12:31,360

really different perspectives of what it

268

00:12:34,389 --> 00:12:33,120

what it may have been that crashed at

269

00:12:37,670 --> 00:12:34,399

roswell

270

00:12:37,990 --> 00:12:37,680

and then if i'll ask them people really

271

00:12:40,790 --> 00:12:38,000

want

272

00:12:42,710 --> 00:12:40,800

to hear uh mr randall and kalkwarf

273

00:12:44,710 --> 00:12:42,720

together on the same show

274

00:12:46,790 --> 00:12:44,720

and honestly i think that's going to be

275

00:12:49,430 --> 00:12:46,800

like i'm a show host not a

276

00:12:50,230 --> 00:12:49,440

boxing referee i don't know how to do

277

00:12:52,949 --> 00:12:50,240

that but

278

00:12:53,910 --> 00:12:52,959

everybody wants me to so if we can

279

00:12:55,990 --> 00:12:53,920

arrange

280

00:12:57,430 --> 00:12:56,000

those guys to be all together and be

281

00:12:59,990 --> 00:12:57,440

civil you know i'm gonna have to lay

282

00:13:01,590 --> 00:13:00,000

down some kind of rules like okay

283

00:13:03,110 --> 00:13:01,600

you can talk for five minutes and then i

284

00:13:05,509 --> 00:13:03,120

have to cut you off because

285

00:13:07,190 --> 00:13:05,519

both of these guys could probably talk

286

00:13:10,069 --> 00:13:07,200

you know for a half hour

287

00:13:10,470 --> 00:13:10,079

or one point uh and that becomes so i

288

00:13:12,389 --> 00:13:10,480

think

289

00:13:13,750 --> 00:13:12,399

the challenge if we have these two guys

290

00:13:15,670 --> 00:13:13,760

on the show is simply going to be to

291

00:13:18,829 --> 00:13:15,680

moderate the time so they're each giving

292

00:13:21,590 --> 00:13:18,839

equal time to discuss their points

293

00:13:24,150 --> 00:13:21,600

uh and and

294

00:13:25,990 --> 00:13:24,160

do what it is that needs to be done yes

295

00:13:27,030 --> 00:13:26,000

i see spooky in the live chat saying you

296

00:13:30,790 --> 00:13:27,040

have a mute button

297

00:13:31,509 --> 00:13:30,800

easy yeah that's kind of rude though

298

00:13:34,150 --> 00:13:31,519

right

299

00:13:34,550 --> 00:13:34,160

i would rather not just physically mute

300

00:13:38,949 --> 00:13:34,560

them

301

00:13:42,470 --> 00:13:38,959

but i will if i have to i suppose right

302

00:13:44,230 --> 00:13:42,480

so i mentioned uh you know i i had this

303

00:13:46,069 --> 00:13:44,240

feeling that i just wasn't working hard

304

00:13:47,110 --> 00:13:46,079

enough and i really i really should work

305

00:13:48,870 --> 00:13:47,120

harder on the show

306

00:13:51,350 --> 00:13:48,880

and then this week since i wasn't going

307

00:13:53,030 --> 00:13:51,360

to the cabin i didn't have an excuse

308

00:13:55,189 --> 00:13:53,040

sometimes i would go i got to work on

309

00:13:56,310 --> 00:13:55,199

that cabin i'm exhausted after a hard

310

00:13:59,269 --> 00:13:56,320

day

311

00:14:01,269 --> 00:13:59,279

you know carrying logs around and [\h__\h]

312

00:14:03,910 --> 00:14:01,279

so i'm just going to chill out and

313

00:14:05,990 --> 00:14:03,920

not do a show and you know there so

314

00:14:08,389 --> 00:14:06,000

there would be four nights without a

315

00:14:09,829 --> 00:14:08,399

three or four nights with no show you

316

00:14:11,670 --> 00:14:09,839

know this week i didn't have an excuse

317

00:14:13,750 --> 00:14:11,680

so we did monday tuesday wednesday

318

00:14:16,470 --> 00:14:13,760

thursday here it is friday we've done

319

00:14:17,269 --> 00:14:16,480

two and then there's a show tomorrow on

320

00:14:18,790 --> 00:14:17,279

saturday

321

00:14:21,269 --> 00:14:18,800

uh it just worked out that that was the

322

00:14:24,710 --> 00:14:21,279

best day that mr randall could do it

323

00:14:26,629 --> 00:14:24,720

um generally i'd prefer to not do shows

324

00:14:28,710 --> 00:14:26,639

on saturday or sunday

325

00:14:30,550 --> 00:14:28,720

uh i'd like to keep things to monday to

326

00:14:32,310 --> 00:14:30,560

friday and just five shows and then i

327

00:14:34,069 --> 00:14:32,320

suddenly realized that this week if i

328

00:14:35,990 --> 00:14:34,079

count the simulcast

329

00:14:37,750 --> 00:14:36,000

and this special event show on saturday

330

00:14:41,350 --> 00:14:37,760

that means we will have produced

331

00:14:44,310 --> 00:14:41,360

seven seven shows in one week

332

00:14:45,509 --> 00:14:44,320

and i gotta stop to think and say uh

333

00:14:48,710 --> 00:14:45,519

does the world

334

00:14:49,910 --> 00:14:48,720

really need or want seven shows a week

335

00:14:52,310 --> 00:14:49,920

from me

336

00:14:54,470 --> 00:14:52,320

and uh you know as much as i'd like to

337

00:14:57,030 --> 00:14:54,480

think that everybody loves this show

338

00:14:58,389 --> 00:14:57,040

right uh and what's more of it i think

339

00:15:00,790 --> 00:14:58,399

that's too much

340

00:15:02,470 --> 00:15:00,800

so you know i've got to get some just

341

00:15:05,110 --> 00:15:02,480

and plus i'm exhausted

342

00:15:06,470 --> 00:15:05,120

like i did two two and a half hours

343

00:15:08,550 --> 00:15:06,480

earlier today

344

00:15:11,350 --> 00:15:08,560

just to do the simulcast pre-recorded

345

00:15:16,949 --> 00:15:11,360

show and here we are again

346

00:15:21,030 --> 00:15:19,430

sort of homework i suppose for

347

00:15:22,230 --> 00:15:21,040

tomorrow's special event to do i still

348

00:15:24,150 --> 00:15:22,240

have to write

349

00:15:25,509 --> 00:15:24,160

a better i have a list of questions for

350

00:15:27,829 --> 00:15:25,519

mr randall but

351

00:15:28,629 --> 00:15:27,839

i wanted to go over it and and really

352

00:15:30,550 --> 00:15:28,639

drill down

353

00:15:31,990 --> 00:15:30,560

on some points that i think haven't been

354

00:15:34,790 --> 00:15:32,000

more fully explored by

355

00:15:36,710 --> 00:15:34,800

other interviewers right it's important

356

00:15:38,389 --> 00:15:36,720

to me to try to ask them questions that

357

00:15:39,189 --> 00:15:38,399

nobody else has asked them because we

358

00:15:42,550 --> 00:15:39,199

could

359

00:15:44,710 --> 00:15:42,560

just repeat the 50 other interviews that

360

00:15:46,230 --> 00:15:44,720

he's had on roswell or we can try to

361

00:15:47,670 --> 00:15:46,240

really drill down on some things so i

362

00:15:49,829 --> 00:15:47,680

think it's important

363

00:15:52,310 --> 00:15:49,839

to spend the time and do that homework

364

00:15:54,870 --> 00:15:52,320

to prepare for such a well-known guest

365

00:15:55,430 --> 00:15:54,880

i still have to do that today uh yeah

366

00:15:59,749 --> 00:15:55,440

i'm

367

00:16:02,790 --> 00:15:59,759

exhausted this go to work every day

368

00:16:03,749 --> 00:16:02,800

this is like a job right it's like a

369

00:16:06,629 --> 00:16:03,759

j-o-b

370

00:16:08,629 --> 00:16:06,639

all of a sudden like i gotta go and work

371

00:16:11,670 --> 00:16:08,639

every day

372

00:16:11,910 --> 00:16:11,680

and uh you know not for nothing because

373

00:16:21,670 --> 00:16:11,920

i

374

00:16:23,749 --> 00:16:21,680

money

375

00:16:26,550 --> 00:16:23,759

but when i count the hours this week i

376

00:16:29,829 --> 00:16:29,269

these this is not working out so well

377

00:16:31,509 --> 00:16:29,839

for me

378

00:16:33,189 --> 00:16:31,519

and and here's the thing i don't have

379

00:16:36,870 --> 00:16:33,199

the patience right

380

00:16:38,629 --> 00:16:36,880

to just wait and just let the show grow

381

00:16:40,710 --> 00:16:38,639

right i don't know some part of me

382

00:16:42,230 --> 00:16:40,720

thinks just keep pumping out more shows

383

00:16:44,069 --> 00:16:42,240

and then the show will grow quicker but

384

00:16:45,590 --> 00:16:44,079

i don't think so i don't i don't think

385

00:16:48,629 --> 00:16:45,600

that that is

386

00:16:50,550 --> 00:16:48,639

the best way to go about it and again if

387

00:16:52,949 --> 00:16:50,560

you have a market

388

00:16:53,910 --> 00:16:52,959

that only has so much demand for what

389

00:16:56,310 --> 00:16:53,920

you're producing

390

00:16:57,829 --> 00:16:56,320

and you saturate the market with three

391

00:17:00,629 --> 00:16:57,839

times more

392

00:17:01,670 --> 00:17:00,639

than the audience really wants it's not

393

00:17:04,789 --> 00:17:01,680

gonna you know

394

00:17:05,270 --> 00:17:04,799

so i could do seven shows in a week and

395

00:17:08,549 --> 00:17:05,280

get

396

00:17:11,110 --> 00:17:08,559

uh i don't know let's say

397

00:17:12,949 --> 00:17:11,120

thirty five hundred or four thousand

398

00:17:16,630 --> 00:17:12,959

seven thousand views whatever

399

00:17:18,470 --> 00:17:16,640

right or i could do

400

00:17:20,309 --> 00:17:18,480

four shows in a week and get the same

401
00:17:20,870 --> 00:17:20,319
number of views i think i think there's

402
00:17:22,390 --> 00:17:20,880
only

403
00:17:24,710 --> 00:17:22,400
so many people that actually want to

404
00:17:26,150 --> 00:17:24,720
tune in and also

405
00:17:28,069 --> 00:17:26,160
i don't want to find myself in a

406
00:17:30,310 --> 00:17:28,079
position

407
00:17:31,990 --> 00:17:30,320
honestly like i find myself right now

408
00:17:34,549 --> 00:17:32,000
like i don't really have very much

409
00:17:35,430 --> 00:17:34,559
to talk about but i should do a show

410
00:17:38,549 --> 00:17:35,440
i've seen

411
00:17:41,190 --> 00:17:38,559
some people you know and

412
00:17:42,870 --> 00:17:41,200
and uh i don't know i've just seen some

413
00:17:44,630 --> 00:17:42,880

people that do live streaming and do

414

00:17:46,710 --> 00:17:44,640

shows that i don't really care for

415

00:17:49,350 --> 00:17:46,720

because they seem like they just

416

00:17:49,830 --> 00:17:49,360

click live and talk about nothing you

417

00:17:53,110 --> 00:17:49,840

know

418

00:17:56,310 --> 00:17:53,120

and i would prefer that we have more

419

00:17:58,470 --> 00:17:56,320

you know topic driven shows at least

420

00:17:59,990 --> 00:17:58,480

have a subject in mind to talk about a

421

00:18:03,669 --> 00:18:00,000

list of topics

422

00:18:04,870 --> 00:18:03,679

something right so i guess i'm doing

423

00:18:07,430 --> 00:18:04,880

some thinking

424

00:18:09,350 --> 00:18:07,440

and here's what i think i wasn't working

425

00:18:11,990 --> 00:18:09,360

hard enough on the show

426
00:18:12,950 --> 00:18:12,000
but now i'm stupid and i'm working way

427
00:18:16,549 --> 00:18:12,960
too hard

428
00:18:18,549 --> 00:18:16,559
and not get seeing like gains

429
00:18:20,070 --> 00:18:18,559
for doing that work like i'm fine with

430
00:18:20,630 --> 00:18:20,080
putting the time in i'm fine with doing

431
00:18:23,270 --> 00:18:20,640
the work

432
00:18:23,990 --> 00:18:23,280
if the show is really going to benefit

433
00:18:26,070 --> 00:18:24,000
like

434
00:18:27,590 --> 00:18:26,080
we took the time to do one short show to

435
00:18:30,310 --> 00:18:27,600
make sure that we could

436
00:18:31,350 --> 00:18:30,320
hit the time limits for what is it

437
00:18:33,669 --> 00:18:31,360
dailymotion

438
00:18:35,750 --> 00:18:33,679

and we uploaded a video there and it's

439

00:18:38,950 --> 00:18:35,760

been there for five days i think now

440

00:18:40,789 --> 00:18:38,960

and it's gotten four views and that was

441

00:18:41,990 --> 00:18:40,799

a lot of extra time and energy to kind

442

00:18:45,430 --> 00:18:42,000

of edit try to edit

443

00:18:48,549 --> 00:18:45,440

things down to a real short show and

444

00:18:51,190 --> 00:18:48,559

to get four views for it is kind of like

445

00:18:52,710 --> 00:18:51,200

well that wasn't really uh really

446

00:18:54,789 --> 00:18:52,720

helping the show very much

447

00:18:56,630 --> 00:18:54,799

and then you know i was thinking you

448

00:18:58,470 --> 00:18:56,640

know people aren't complaining about the

449

00:19:01,270 --> 00:18:58,480

simulcast show being on

450

00:19:03,110 --> 00:19:01,280

in the middle of the night and i'm sorry

451
00:19:04,150 --> 00:19:03,120
for that but the reason for that is

452
00:19:07,430 --> 00:19:04,160
that's when

453
00:19:08,549 --> 00:19:07,440
uh ryan from the secret teachings radio

454
00:19:11,350 --> 00:19:08,559
show his podcast

455
00:19:12,630 --> 00:19:11,360
airs at 2 am and if we're going to call

456
00:19:14,549 --> 00:19:12,640
it a simulcast

457
00:19:15,830 --> 00:19:14,559
we both have to play it at the same time

458
00:19:17,909 --> 00:19:15,840
otherwise

459
00:19:19,510 --> 00:19:17,919
either you know if i could have played

460
00:19:20,870 --> 00:19:19,520
it this afternoon right i could have

461
00:19:22,470 --> 00:19:20,880
just uploaded it

462
00:19:24,789 --> 00:19:22,480
but then i thought well that's not fair

463
00:19:25,430 --> 00:19:24,799

because everybody will just listen to my

464

00:19:28,630 --> 00:19:25,440

show

465

00:19:31,270 --> 00:19:28,640

and then they won't tune in to his

466

00:19:32,789 --> 00:19:31,280

so i said no i can't do that and we just

467

00:19:34,150 --> 00:19:32,799

sort of agreed we'd play ours at the

468

00:19:36,470 --> 00:19:34,160

same time

469

00:19:38,630 --> 00:19:36,480

um yeah and i'm sorry if that's

470

00:19:40,150 --> 00:19:38,640

inconvenient time for everybody

471

00:19:41,830 --> 00:19:40,160

but again this is another one of those

472

00:19:43,909 --> 00:19:41,840

things like i didn't think about this

473

00:19:48,150 --> 00:19:43,919

when we decided to do this

474

00:19:51,510 --> 00:19:48,160

it's like gee maybe like a random

475

00:19:54,390 --> 00:19:51,520

extra show that's going to be starting

476

00:19:56,230 --> 00:19:54,400

at two o'clock in the morning

477

00:19:58,150 --> 00:19:56,240

is really not going to benefit the show

478

00:19:59,909 --> 00:19:58,160

very much i mean yeah i think it will

479

00:20:03,350 --> 00:19:59,919

because people will watch it tomorrow

480

00:20:05,430 --> 00:20:03,360

right i i guess but is that really was

481

00:20:08,230 --> 00:20:05,440

that really worth the extra

482

00:20:10,149 --> 00:20:08,240

double duty today you know to do a whole

483

00:20:10,470 --> 00:20:10,159

couple hours with another show host and

484

00:20:13,190 --> 00:20:10,480

then

485

00:20:15,110 --> 00:20:13,200

here we are to do another show regular

486

00:20:16,950 --> 00:20:15,120

live show for the day

487

00:20:18,630 --> 00:20:16,960

i guess i don't know i guess i'm still

488

00:20:23,270 --> 00:20:18,640

figuring a lot of this stuff out

489

00:20:27,029 --> 00:20:23,280

don't know

490

00:20:28,070 --> 00:20:27,039

uh yeah solar marshall plays tonight at

491

00:20:29,909 --> 00:20:28,080

2 a.m

492

00:20:31,110 --> 00:20:29,919

which is the same time that his show

493

00:20:32,950 --> 00:20:31,120

airs you know

494

00:20:34,630 --> 00:20:32,960

on the fringe so we wanted to both

495

00:20:37,990 --> 00:20:34,640

broadcast the same show

496

00:20:40,549 --> 00:20:38,000

at the same time and and another thing

497

00:20:42,470 --> 00:20:40,559

is the reason of doing that is i had

498

00:20:44,230 --> 00:20:42,480

previously asked him to come on this

499

00:20:44,789 --> 00:20:44,240

show as a guest and he had previously

500

00:20:47,270 --> 00:20:44,799

asked me

501
00:20:48,310 --> 00:20:47,280
to come back onto his show as a guest

502
00:20:50,950 --> 00:20:48,320
and then i thought you know

503
00:20:52,710 --> 00:20:50,960
what if we we both we just do one show

504
00:20:54,390 --> 00:20:52,720
together and we'll both use it so that's

505
00:20:56,070 --> 00:20:54,400
what we decided to do

506
00:20:57,510 --> 00:20:56,080
i don't know that it being on at two

507
00:21:00,870 --> 00:20:57,520
o'clock in the morning is really

508
00:21:01,510 --> 00:21:00,880
good for us but uh ryan has a good

509
00:21:04,230 --> 00:21:01,520
following

510
00:21:06,470 --> 00:21:04,240
and you know we plugged the show as well

511
00:21:08,630 --> 00:21:06,480
and he plucked his show as well

512
00:21:10,230 --> 00:21:08,640
so maybe some of his listeners will find

513
00:21:13,190 --> 00:21:10,240

their way over here

514

00:21:14,789 --> 00:21:13,200

um and maybe some of those fringe

515

00:21:16,390 --> 00:21:14,799

listeners that used to listen to me on

516

00:21:20,390 --> 00:21:16,400

the fringe fm as well

517

00:21:23,510 --> 00:21:20,400

have uh have found their way back to me

518

00:21:25,190 --> 00:21:23,520

and also uh during our uh

519

00:21:26,310 --> 00:21:25,200

like we wrapped up the show and then you

520

00:21:28,310 --> 00:21:26,320

know you always do this sort of

521

00:21:31,830 --> 00:21:28,320

backstage talk for a few minutes

522

00:21:33,270 --> 00:21:31,840

after after the recorded portion is over

523

00:21:35,510 --> 00:21:33,280

he let me know that the fringe would

524

00:21:38,630 --> 00:21:35,520

like to have uh

525

00:21:41,110 --> 00:21:38,640

me back um

526

00:21:43,190 --> 00:21:41,120

as as a podcast so in other words we

527

00:21:44,789 --> 00:21:43,200

would just take the audio from this

528

00:21:48,789 --> 00:21:44,799

truth seeker show and they will

529

00:21:51,909 --> 00:21:48,799

broadcast it as a podcaster radio show

530

00:21:53,190 --> 00:21:51,919

but just the audio and i think that

531

00:21:56,149 --> 00:21:53,200

would probably work

532

00:21:56,710 --> 00:21:56,159

but i'm not sure that i want to do that

533

00:22:02,710 --> 00:21:56,720

for

534

00:22:05,669 --> 00:22:04,149

you know so i guess it's something to

535

00:22:07,110 --> 00:22:05,679

think about because that's gonna be more

536

00:22:09,430 --> 00:22:07,120

work i'm gonna have to download the

537

00:22:14,070 --> 00:22:09,440

audio of each show

538

00:22:20,630 --> 00:22:18,710

yeah edit it

539

00:22:23,190 --> 00:22:20,640

you know add commercials that i may or

540

00:22:26,950 --> 00:22:23,200

may not be making any money from

541

00:22:28,870 --> 00:22:26,960

right like when i think about the fact

542

00:22:30,950 --> 00:22:28,880

that i may have to spend hours a week

543

00:22:33,350 --> 00:22:30,960

putting in commercials that i'm not

544

00:22:36,470 --> 00:22:33,360

gonna get any money from

545

00:22:38,830 --> 00:22:36,480

uh then i start to think that i i don't

546

00:22:40,870 --> 00:22:38,840

i don't know that that's a good idea

547

00:22:45,669 --> 00:22:40,880

right uh and also

548

00:22:47,750 --> 00:22:45,679

uh i think i think that uh

549

00:22:48,950 --> 00:22:47,760

i don't like i don't like my life to go

550

00:22:51,510 --> 00:22:48,960

in circles right

551

00:22:52,149 --> 00:22:51,520

i kind of feel like you know we were hey

552

00:22:55,190 --> 00:22:52,159

god bless

553

00:22:57,750 --> 00:22:55,200

roop and

554

00:22:59,110 --> 00:22:57,760

uh ryan is one of their big show hosts

555

00:23:00,390 --> 00:22:59,120

that we did the show with today god

556

00:23:01,669 --> 00:23:00,400

bless all those guys

557

00:23:04,710 --> 00:23:01,679

but i kind of feel like i've been there

558

00:23:07,510 --> 00:23:04,720

and done that and i don't really know

559

00:23:08,549 --> 00:23:07,520

that i want to go back and do that again

560

00:23:11,029 --> 00:23:08,559

um

561

00:23:13,029 --> 00:23:11,039

but then i also think that you know

562

00:23:15,190 --> 00:23:13,039

hindsight is 20 20 and there's a lot of

563

00:23:17,590 --> 00:23:15,200

things that i didn't know when i started

564

00:23:19,590 --> 00:23:17,600

my first show the midnight hour when i

565

00:23:20,230 --> 00:23:19,600

started my show there i was so green as

566

00:23:23,190 --> 00:23:20,240

a show

567

00:23:24,950 --> 00:23:23,200

i didn't know [h__h] about anything how to

568

00:23:27,750 --> 00:23:24,960

do it how to edit it

569

00:23:29,350 --> 00:23:27,760

nothing and they really helped me and

570

00:23:30,710 --> 00:23:29,360

you know i think if i did do it again i

571

00:23:31,750 --> 00:23:30,720

could do it better and quicker and

572

00:23:33,909 --> 00:23:31,760

faster

573

00:23:36,390 --> 00:23:33,919

and it wouldn't be such a drag and it

574

00:23:38,470 --> 00:23:36,400

may be beneficial for the show so

575

00:23:39,909 --> 00:23:38,480

i don't know i'm gonna think about it

576

00:23:43,190 --> 00:23:39,919

for a while and see

577

00:23:44,549 --> 00:23:43,200

uh see what we get uh

578

00:23:46,789 --> 00:23:44,559

and we'll take some questions from the

579

00:23:48,070 --> 00:23:46,799

live chat can we ask walter questions

580

00:23:49,190 --> 00:23:48,080

yes of course you're gonna be able to

581

00:23:50,950 --> 00:23:49,200

ask

582

00:23:52,789 --> 00:23:50,960

kevin randle questions as well i'm going

583

00:23:53,350 --> 00:23:52,799

to leave a section of for questions at

584

00:23:56,149 --> 00:23:53,360

the end

585

00:23:57,909 --> 00:23:56,159

for both guests i think it's important

586

00:24:01,909 --> 00:23:57,919

uh

587

00:24:05,110 --> 00:24:04,149

give the live chat an opportunity to ask

588

00:24:08,630 --> 00:24:05,120

these experts

589

00:24:12,549 --> 00:24:11,269

fringe fm sounds like late night alien

590

00:24:15,909 --> 00:24:12,559

erotica

591

00:24:20,230 --> 00:24:15,919

uh okay mario heat

592

00:24:23,669 --> 00:24:20,240

oh and here's one thing that i will say

593

00:24:27,190 --> 00:24:23,679

it's something about fm

594

00:24:27,590 --> 00:24:27,200

right when i did when i did my radio

595

00:24:30,070 --> 00:24:27,600

show

596

00:24:31,190 --> 00:24:30,080

and it was on the fringe fm when i had

597

00:24:35,430 --> 00:24:31,200

to do research

598

00:24:38,390 --> 00:24:35,440

and call people i had press credentials

599

00:24:40,230 --> 00:24:38,400

i could say that my show where i'm an

600

00:24:41,909 --> 00:24:40,240

investigative journalist and my show is

601
00:24:43,590 --> 00:24:41,919
on the fringe fm

602
00:24:45,110 --> 00:24:43,600
and i don't know it's something about

603
00:24:47,269 --> 00:24:45,120
people just hearing fm

604
00:24:49,830 --> 00:24:47,279
they just constantly think like oh oh

605
00:24:52,390 --> 00:24:49,840
okay so you have a radio show

606
00:24:54,070 --> 00:24:52,400
well it's a podcast i called it a radio

607
00:24:55,990 --> 00:24:54,080
show and a pocket i don't know

608
00:24:57,510 --> 00:24:56,000
but there was something about being on

609
00:24:58,710 --> 00:24:57,520
there and having the press credentials

610
00:25:01,269 --> 00:24:58,720
that i liked

611
00:25:01,750 --> 00:25:01,279
when i called like a police department

612
00:25:03,510 --> 00:25:01,760
and

613
00:25:05,750 --> 00:25:03,520

they called me back they always called

614

00:25:07,190 --> 00:25:05,760

me back i could say

615

00:25:08,630 --> 00:25:07,200

that i'm an investigative journalist i

616

00:25:09,990 --> 00:25:08,640

have a show every saturday night on the

617

00:25:12,830 --> 00:25:10,000

fringe fm

618

00:25:14,710 --> 00:25:12,840

people called me back when i had

619

00:25:17,990 --> 00:25:14,720

questions or

620

00:25:19,510 --> 00:25:18,000

they took my calls more or you know

621

00:25:21,750 --> 00:25:19,520

people were more forthcoming with

622

00:25:22,710 --> 00:25:21,760

information it was it was almost as if

623

00:25:26,230 --> 00:25:22,720

that gave me some

624

00:25:29,350 --> 00:25:26,240

air of legitimacy that being a a soul

625

00:25:30,950 --> 00:25:29,360

independent content creator doesn't

626
00:25:33,830 --> 00:25:30,960
really get the same

627
00:25:36,149 --> 00:25:33,840
level of respect or callbacks or

628
00:25:37,669 --> 00:25:36,159
acceptance maybe

629
00:25:39,669 --> 00:25:37,679
so i may do it just for the press

630
00:25:40,310 --> 00:25:39,679
credentials right i may do it just so

631
00:25:42,470 --> 00:25:40,320
that i could

632
00:25:44,070 --> 00:25:42,480
say that again i i have a show it's on

633
00:25:46,549 --> 00:25:44,080
the fringe fm

634
00:25:47,669 --> 00:25:46,559
and uh here's some questions can you get

635
00:25:50,070 --> 00:25:47,679
back to me

636
00:25:51,669 --> 00:25:50,080
uh i was amazed at the difference when i

637
00:25:53,269 --> 00:25:51,679
had sort of turned in those press

638
00:25:54,310 --> 00:25:53,279

credentials and couldn't say that

639

00:25:56,390 --> 00:25:54,320

anymore

640

00:25:58,070 --> 00:25:56,400

nobody's calling me back when i make

641

00:25:59,750 --> 00:25:58,080

phone calls now i say i'm

642

00:26:02,070 --> 00:25:59,760

my name's steven i have a show called

643

00:26:03,669 --> 00:26:02,080

truth seekers it's on twitch and youtube

644

00:26:05,909 --> 00:26:03,679

and facebook

645

00:26:07,269 --> 00:26:05,919

nobody calls me back you know because i

646

00:26:08,950 --> 00:26:07,279

guess they assume that any

647

00:26:11,029 --> 00:26:08,960

anybody can have a show on twitch

648

00:26:11,990 --> 00:26:11,039

youtube and facebook and that's true

649

00:26:15,110 --> 00:26:12,000

because here i am

650

00:26:16,710 --> 00:26:15,120

i'm nobody uh yeah

651

00:26:18,710 --> 00:26:16,720

so the friend japan thing is an

652

00:26:20,549 --> 00:26:18,720

interesting i i don't know

653

00:26:21,830 --> 00:26:20,559

it's an interesting thing like what are

654

00:26:27,430 --> 00:26:21,840

we gonna do are we gonna

655

00:26:31,430 --> 00:26:30,149

you can genocide genocide is asking do

656

00:26:34,950 --> 00:26:31,440

the questions have to be

657

00:26:36,789 --> 00:26:34,960

roswell or could we ask uh would david

658

00:26:40,549 --> 00:26:36,799

wilcock look cool with the mustache

659

00:26:43,909 --> 00:26:43,350

yeah you can ask anything that you want

660

00:26:47,909 --> 00:26:43,919

and

661

00:26:49,750 --> 00:26:47,919

uh yeah fm is legit yeah it just that's

662

00:26:52,310 --> 00:26:49,760

what it translated to v

663

00:26:55,110 --> 00:26:52,320

it's so stupid like i may do it just so

664

00:26:57,669 --> 00:26:55,120

that i get that air of legitimacy back

665

00:26:59,350 --> 00:26:57,679

right but i don't know i have to talk to

666

00:27:00,870 --> 00:26:59,360

the guy that runs that and we have to

667

00:27:03,669 --> 00:27:00,880

reach a better understanding than we

668

00:27:06,870 --> 00:27:03,679

reach the first time

669

00:27:09,110 --> 00:27:06,880

uh oh my god seller marshall

670

00:27:11,430 --> 00:27:09,120

you get on here right now let's call her

671

00:27:14,870 --> 00:27:11,440

up let's tell her that we're

672

00:27:17,750 --> 00:27:14,880

we're cute let's do it if you

673

00:27:18,870 --> 00:27:17,760

really got her cell phone do it all

674

00:27:24,870 --> 00:27:18,880

right question this is

675

00:27:28,710 --> 00:27:26,950

the infinite fringe is good billy ray

676

00:27:30,389 --> 00:27:28,720

valentine is a good dude

677

00:27:33,190 --> 00:27:30,399

not familiar with that but it sounds

678

00:27:33,590 --> 00:27:33,200

familiar yeah solar marshall you so you

679

00:27:35,590 --> 00:27:33,600

say

680

00:27:37,029 --> 00:27:35,600

come on dude let's call her up and tell

681

00:27:38,870 --> 00:27:37,039

her that we're cute

682

00:27:40,630 --> 00:27:38,880

and we want to talk to her about the

683

00:27:41,190 --> 00:27:40,640

information she's been spreading or

684

00:27:43,909 --> 00:27:41,200

something

685

00:27:45,669 --> 00:27:43,919

come on you're gonna message it to me oh

686

00:27:47,909 --> 00:27:45,679

don't do that to me

687

00:27:49,909 --> 00:27:47,919

do you know right now so like where is

688

00:27:52,710 --> 00:27:49,919

it at oh it's not here

689

00:27:53,750 --> 00:27:52,720

my phone is broken i dropped my phone

690

00:27:55,669 --> 00:27:53,760

three days ago

691

00:27:57,669 --> 00:27:55,679

and cracked the screen it's totally

692

00:27:58,310 --> 00:27:57,679

unusable i couldn't call her if i wanted

693

00:27:59,909 --> 00:27:58,320

to

694

00:28:01,990 --> 00:27:59,919

right now i guess i could call her

695

00:28:05,190 --> 00:28:02,000

through uh like a google

696

00:28:05,669 --> 00:28:05,200

app or something but yeah message it to

697

00:28:07,669 --> 00:28:05,679

me is

698

00:28:10,549 --> 00:28:07,679

now i got now i got a reason to hurry up

699

00:28:13,190 --> 00:28:10,559

and fix my phone solar marshall

700

00:28:19,669 --> 00:28:13,200

i have a mission i'm gonna call her up

701

00:28:25,190 --> 00:28:23,510

jill big don't make me do it

702

00:28:27,269 --> 00:28:25,200

are you gonna make me do it do i really

703

00:28:30,310 --> 00:28:27,279

have to do it i think that

704

00:28:31,110 --> 00:28:30,320

carrie cassidy is on john claude from

705

00:28:34,630 --> 00:28:31,120

beyond mystic

706

00:28:37,350 --> 00:28:34,640

show right now but i could be wrong

707

00:28:38,230 --> 00:28:37,360

uh let me see i'll take a look we'll

708

00:28:39,909 --> 00:28:38,240

check in

709

00:28:41,669 --> 00:28:39,919

god please don't make me have to listen

710

00:28:45,269 --> 00:28:41,679

to carrie cassidy

711

00:28:56,830 --> 00:28:45,279

oh no yeah they're simulcasting so it's

712

00:29:02,310 --> 00:29:00,070

yeah they're simulcasting

713

00:29:03,590 --> 00:29:02,320

all right friends no i don't know that i

714

00:29:05,510 --> 00:29:03,600

want to do that joel d

715

00:29:06,710 --> 00:29:05,520

do you know the last time i shared a

716

00:29:09,510 --> 00:29:06,720

show

717

00:29:10,310 --> 00:29:09,520

uh where john claude was interviewing

718

00:29:12,470 --> 00:29:10,320

her

719

00:29:14,470 --> 00:29:12,480

he got his whole channel deleted and if

720

00:29:16,710 --> 00:29:14,480

that happens again

721

00:29:18,070 --> 00:29:16,720

i think he might blame me a little i

722

00:29:19,269 --> 00:29:18,080

don't know should we do this

723

00:29:21,190 --> 00:29:19,279

what was everybody in the live chat

724

00:29:24,230 --> 00:29:21,200

think should we go we're gonna go we're

725

00:29:27,909 --> 00:29:26,710

we're gonna go and we're gonna listen in

726

00:29:30,950 --> 00:29:27,919

see what this

727

00:29:34,470 --> 00:29:30,960

crazy woman is talking about

728

00:29:52,830 --> 00:29:34,480

and this is being simulcast so uh this

729

00:29:52,840 --> 00:29:57,750

buffering

730

00:30:03,830 --> 00:30:00,789

yeah not good friends

731

00:30:06,549 --> 00:30:03,840

i'll let you know if that returns right

732

00:30:08,230 --> 00:30:06,559

now it's just buffering

733

00:30:09,669 --> 00:30:08,240

and it's not my computer everything's

734

00:30:15,590 --> 00:30:09,679

closed down here everything's running

735

00:30:20,870 --> 00:30:18,630

huh yeah still buffering

736

00:30:23,430 --> 00:30:20,880

i could get it up on junk let's go to

737

00:30:43,190 --> 00:30:23,440

joan claudes

738

00:30:46,470 --> 00:30:44,710

hold on friends i'm going to find it on

739

00:30:47,990 --> 00:30:46,480

joan claude's channel because hers is

740

00:30:48,789 --> 00:30:48,000

buffering and i don't know what that's

741

00:30:50,389 --> 00:30:48,799

about

742

00:31:00,549 --> 00:30:50,399

maybe they're finally taking her channel

743

00:31:00,559 --> 00:31:03,590

oh my god

744

00:31:12,950 --> 00:31:06,389

thank you solar marshall uh that's all i

745

00:31:12,960 --> 00:31:17,590

all right we're going to try to find a

746

00:31:17,600 --> 00:31:28,789

john claude's live stream

747

00:31:33,269 --> 00:31:31,110

oh they must have just taken it down

748

00:31:35,350 --> 00:31:33,279

it's no longer live

749

00:31:36,470 --> 00:31:35,360

says streamed live two hours ago so how

750

00:31:38,630 --> 00:31:36,480

is she why

751
00:31:39,909 --> 00:31:38,640
this doesn't make any sense so maybe she

752
00:31:50,950 --> 00:31:39,919
was

753
00:31:50,960 --> 00:31:56,549
one second friends

754
00:32:01,029 --> 00:31:58,549
she's still talking about trump is still

755
00:32:03,509 --> 00:32:01,039
in charge all right we're gonna

756
00:32:05,669 --> 00:32:03,519
we're gonna share some of this and i'm

757
00:32:07,269 --> 00:32:05,679
gonna cite fair use

758
00:32:08,789 --> 00:32:07,279
uh this is fair use this is

759
00:32:12,470 --> 00:32:08,799
transformative work we're educating the

760
00:32:16,549 --> 00:32:14,789
i don't know oh wait a minute i always

761
00:32:26,830 --> 00:32:16,559
do that

762
00:32:33,430 --> 00:32:28,789
oh all right

763
00:32:41,509 --> 00:32:36,630

nothing is cooperating with me today

764

00:32:45,350 --> 00:32:44,310

oh are know that's like okay that's your

765

00:32:48,789 --> 00:32:45,360

decision

766

00:32:50,710 --> 00:32:48,799

you report to

767

00:32:52,549 --> 00:32:50,720

they want to put you in that position

768

00:32:55,190 --> 00:32:52,559

well maybe i question that

769

00:32:56,310 --> 00:32:55,200

okay but she seems like a good person

770

00:32:59,430 --> 00:32:56,320

and she seems like a

771

00:33:00,470 --> 00:32:59,440

you know well-meaning being so fair

772

00:33:03,190 --> 00:33:00,480

enough

773

00:33:04,950 --> 00:33:03,200

um she's excellent in her analysis of

774

00:33:05,909 --> 00:33:04,960

the you know power structure and the

775

00:33:08,950 --> 00:33:05,919

occult

776

00:33:10,710 --> 00:33:08,960

and the uh the whole financial situation

777

00:33:12,470 --> 00:33:10,720

so good for her on that

778

00:33:13,909 --> 00:33:12,480

um you know so i wouldn't throw

779

00:33:16,470 --> 00:33:13,919

everything out at all

780

00:33:18,389 --> 00:33:16,480

that she's talking about i just you know

781

00:33:19,029 --> 00:33:18,399

i'm not sure i assign her as a general

782

00:33:23,909 --> 00:33:19,039

of

783

00:33:25,029 --> 00:33:23,919

my general so to speak but nonetheless

784

00:33:29,110 --> 00:33:25,039

going forward

785

00:33:31,509 --> 00:33:29,120

um what how is the financial system

786

00:33:33,350 --> 00:33:31,519

changing with respect to maybe here the

787

00:33:37,029 --> 00:33:33,360

second declaration of independence

788

00:33:39,269 --> 00:33:37,039

i've interviewed people on this um

789

00:33:40,549 --> 00:33:39,279

it it kind of goes part and parcel with

790

00:33:43,590 --> 00:33:40,559

who's winning

791

00:33:46,950 --> 00:33:43,600

you do understand that i mean if

792

00:33:49,669 --> 00:33:46,960

if the deep state continues to win

793

00:33:50,789 --> 00:33:49,679

um sorry to say this in this way but

794

00:33:53,029 --> 00:33:50,799

nonetheless

795

00:33:53,830 --> 00:33:53,039

you see in a sense that you know penny

796

00:33:56,310 --> 00:33:53,840

was even saying

797

00:33:57,350 --> 00:33:56,320

who's the enemy well the enemy is

798

00:34:00,149 --> 00:33:57,360

definitely

799

00:34:00,870 --> 00:34:00,159

the communist chinese party and the ai

800

00:34:06,789 --> 00:34:00,880

that they're

801
00:34:09,589 --> 00:34:06,799
gray et's and the republicans

802
00:34:11,750 --> 00:34:09,599
and you know that how that has affected

803
00:34:12,230 --> 00:34:11,760
the globe and the peoples around the

804
00:34:14,069 --> 00:34:12,240
globe

805
00:34:15,349 --> 00:34:14,079
oh i forgot friends i have to put my

806
00:34:18,470 --> 00:34:15,359
fair use banner up

807
00:34:19,909 --> 00:34:18,480
even though i'm fairly friendly with

808
00:34:21,589 --> 00:34:19,919
john claude and i don't think that you

809
00:34:22,629 --> 00:34:21,599
would mind us sharing this portion of

810
00:34:23,990 --> 00:34:22,639
his video

811
00:34:26,869 --> 00:34:24,000
i still want to mention that this is a

812
00:34:27,589 --> 00:34:26,879
transformative work and we're educating

813
00:34:30,149 --> 00:34:27,599

the public

814

00:34:31,750 --> 00:34:30,159

uh about the claims of crazy carrie

815

00:34:33,669 --> 00:34:31,760

cassidy

816

00:34:34,790 --> 00:34:33,679

and again i wasn't planning to do this i

817

00:34:35,430 --> 00:34:34,800

knew they were doing this today but i

818

00:34:39,030 --> 00:34:35,440

was hoping

819

00:34:42,310 --> 00:34:39,040

and some are more infected than others

820

00:34:44,389 --> 00:34:42,320

okay so that gets into the financial

821

00:34:45,430 --> 00:34:44,399

system how successfully they're going to

822

00:34:48,550 --> 00:34:45,440

be able to roll

823

00:34:50,550 --> 00:34:48,560

out what they want i have some high

824

00:34:53,669 --> 00:34:50,560

level financial contacts

825

00:34:55,589 --> 00:34:53,679

that have told me some bits and pieces

826

00:34:57,109 --> 00:34:55,599

yes she's got big sources in the

827

00:34:59,030 --> 00:34:57,119

financial world because you know

828

00:35:01,829 --> 00:34:59,040

everybody that worked at goldman sachs

829

00:35:02,310 --> 00:35:01,839

wants to hang out with and talk to them

830

00:35:07,589 --> 00:35:02,320

that

831

00:35:09,190 --> 00:35:07,599

about reptilian aliens wanting to [h__h]

832

00:35:10,470 --> 00:35:09,200

us and eat us on the internet for the

833

00:35:13,030 --> 00:35:10,480

past 20 years

834

00:35:15,109 --> 00:35:13,040

oh i know many high-level wall street

835

00:35:16,790 --> 00:35:15,119

people they can't wait to be a source

836

00:35:19,430 --> 00:35:16,800

for carrie cassidy

837

00:35:21,109 --> 00:35:19,440

yeah okay lady you've got high level

838

00:35:23,829 --> 00:35:21,119

sources in the financial world telling

839

00:35:26,390 --> 00:35:23,839

you about the financial reset

840

00:35:27,349 --> 00:35:26,400

no no she doesn't friends she doesn't

841

00:35:30,870 --> 00:35:27,359

got [h__\h]

842

00:35:33,589 --> 00:35:30,880

the deep state still has some

843

00:35:36,150 --> 00:35:33,599

control from what i understand now i

844

00:35:39,030 --> 00:35:36,160

think kim possible is saying they don't

845

00:35:40,069 --> 00:35:39,040

um i think she thinks she's turning the

846

00:35:43,670 --> 00:35:40,079

financial lever

847

00:35:44,790 --> 00:35:43,680

off but um i can tell you that my deep

848

00:35:47,589 --> 00:35:44,800

state

849

00:35:48,390 --> 00:35:47,599

let's see they're promising funds to

850

00:35:50,710 --> 00:35:48,400

countries

851
00:35:53,030 --> 00:35:50,720
okay that the deep state actually came

852
00:35:53,910 --> 00:35:53,040
in a week or two ago according to my

853
00:35:57,109 --> 00:35:53,920
source

854
00:36:01,589 --> 00:35:57,119
and this may have been what began the

855
00:36:05,190 --> 00:36:04,550
we're doing in essence offering free

856
00:36:07,510 --> 00:36:05,200
money

857
00:36:08,950 --> 00:36:07,520
if you want to look at it that way a la

858
00:36:11,349 --> 00:36:08,960
the economic hitman

859
00:36:12,230 --> 00:36:11,359
imf what they've been doing forever but

860
00:36:14,470 --> 00:36:12,240
on a more

861
00:36:16,870 --> 00:36:14,480
uh escalated scale in a way that

862
00:36:18,870 --> 00:36:16,880
surprised even my source

863
00:36:20,950 --> 00:36:18,880

saying that they literally said they're

864

00:36:23,349 --> 00:36:20,960

gonna rule out a huge amount of money

865

00:36:24,069 --> 00:36:23,359

to countries okay and they were

866

00:36:26,870 --> 00:36:24,079

literally

867

00:36:27,910 --> 00:36:26,880

no offense solar marshall but if if i

868

00:36:31,030 --> 00:36:27,920

was at a party

869

00:36:31,990 --> 00:36:31,040

and i had to hang out with dan burrish

870

00:36:33,589 --> 00:36:32,000

and this lady

871

00:36:36,150 --> 00:36:33,599

i don't think that would be much of a

872

00:36:38,470 --> 00:36:36,160

party i don't think that was much the

873

00:36:40,790 --> 00:36:38,480

party

874

00:36:43,190 --> 00:36:40,800

rudy was literally trump's lawyer these

875

00:36:45,750 --> 00:36:43,200

people are clueless yeah they really are

876

00:36:47,349 --> 00:36:45,760

making that available now i don't know

877

00:36:48,150 --> 00:36:47,359

what kim would say about that but she

878

00:36:50,310 --> 00:36:48,160

may know what i'm

879

00:36:52,150 --> 00:36:50,320

exactly what i'm talking about yeah i

880

00:36:54,870 --> 00:36:52,160

don't know who this is

881

00:36:56,470 --> 00:36:54,880

you know this nasari yeah i don't know

882

00:36:58,310 --> 00:36:56,480

who she's talking about because kim

883

00:36:59,829 --> 00:36:58,320

possible is a cartoon is there some

884

00:37:02,230 --> 00:36:59,839

conspiracy land person

885

00:37:04,470 --> 00:37:02,240

also named kim possible because i try to

886

00:37:06,150 --> 00:37:04,480

find this person and all i found was the

887

00:37:07,510 --> 00:37:06,160

cartoons about the cheerleader that

888

00:37:10,230 --> 00:37:07,520

saves the world

889

00:37:12,069 --> 00:37:10,240

so i don't know what she's talking about

890

00:37:13,829 --> 00:37:12,079

jasari is supposed to do something

891

00:37:15,109 --> 00:37:13,839

similar so it's really interesting so

892

00:37:17,190 --> 00:37:15,119

both sides

893

00:37:18,950 --> 00:37:17,200

are now saying well they've got tons of

894

00:37:21,750 --> 00:37:18,960

money and they're going to suddenly

895

00:37:22,069 --> 00:37:21,760

give us that money well that'll be the

896

00:37:23,670 --> 00:37:22,079

day

897

00:37:25,510 --> 00:37:23,680

that i i want to see that you know what

898

00:37:28,390 --> 00:37:25,520

i mean uh now i agree

899

00:37:29,910 --> 00:37:28,400

let's not pay our taxes i mean maybe i'm

900

00:37:34,790 --> 00:37:29,920

not supposed to say that so i don't get

901
00:37:38,230 --> 00:37:36,550
oh the deep state will come after your

902
00:37:40,870 --> 00:37:38,240
website if you say that right

903
00:37:41,510 --> 00:37:40,880
you'll be attacked by the men in black

904
00:37:44,230 --> 00:37:41,520
actually

905
00:37:45,910 --> 00:37:44,240
let's put it that way okay are you going

906
00:37:47,750 --> 00:37:45,920
to pay your taxes to the defunct

907
00:37:50,710 --> 00:37:47,760
corporation run by

908
00:37:51,670 --> 00:37:50,720
sorry to say you know a clone which is

909
00:37:55,589 --> 00:37:51,680
what

910
00:37:58,390 --> 00:37:55,599
biden is a clone she says that joe biden

911
00:38:00,950 --> 00:37:58,400
is not real that he's a manufactured

912
00:38:03,190 --> 00:38:00,960
clone that they grew in a vat

913
00:38:04,550 --> 00:38:03,200

because they wanted a puppet leader so

914

00:38:07,990 --> 00:38:04,560

they cloned

915

00:38:10,710 --> 00:38:08,000

joe biden what biden is and a satanist

916

00:38:12,069 --> 00:38:10,720

which is you know i'm i i got i got to

917

00:38:14,310 --> 00:38:12,079

be a little careful i mean

918

00:38:16,230 --> 00:38:14,320

i know that i'm going to be a target you

919

00:38:18,390 --> 00:38:16,240

know so

920

00:38:19,829 --> 00:38:18,400

you're going to be a target of anyone

921

00:38:21,910 --> 00:38:19,839

intelligent for saying

922

00:38:22,950 --> 00:38:21,920

stupid [h__h] like this carrie cassidy

923

00:38:24,870 --> 00:38:22,960

come on

924

00:38:26,069 --> 00:38:24,880

you know this is this this is the thing

925

00:38:28,710 --> 00:38:26,079

i mean

926

00:38:30,390 --> 00:38:28,720

it's i hope that we don't always have to

927

00:38:33,430 --> 00:38:30,400

spell things out for people

928

00:38:34,470 --> 00:38:33,440

but i do yes i'm hopeful about a

929

00:38:37,030 --> 00:38:34,480

positive

930

00:38:38,950 --> 00:38:37,040

change financially who wouldn't be but

931

00:38:41,589 --> 00:38:38,960

how it's going to come about

932

00:38:42,310 --> 00:38:41,599

i think it's wonderful that that's you

933

00:38:46,310 --> 00:38:42,320

know trump

934

00:38:48,550 --> 00:38:46,320

took over the fed but trump you know

935

00:38:51,349 --> 00:38:48,560

so now trump took over the federal

936

00:38:52,950 --> 00:38:51,359

reserve that's what she's saying friends

937

00:38:55,109 --> 00:38:52,960

he's in charge of the federal reserve

938

00:38:57,829 --> 00:38:55,119

now donald trump he took over the

939

00:38:59,109 --> 00:38:57,839

fed and put it under the treasury but at

940

00:39:00,790 --> 00:38:59,119

the moment

941

00:39:02,790 --> 00:39:00,800

i don't know if he can still be in

942

00:39:04,950 --> 00:39:02,800

charge of it you know what i'm saying

943

00:39:06,550 --> 00:39:04,960

now well considering he's no longer

944

00:39:09,589 --> 00:39:06,560

president you dumb [h__\h]

945

00:39:11,910 --> 00:39:09,599

i'm guessing no that's just my opinion

946

00:39:13,990 --> 00:39:11,920

he's whatever by the way i'm no

947

00:39:14,790 --> 00:39:14,000

geopolitical expert like you purport to

948

00:39:18,069 --> 00:39:14,800

be

949

00:39:21,589 --> 00:39:18,079

that weird kind of um

950

00:39:23,670 --> 00:39:21,599

no man's land he's in you see um

951
00:39:25,829 --> 00:39:23,680
so then who's in charge of the fed right

952
00:39:26,950 --> 00:39:25,839
now that's the question we have to ask

953
00:39:29,670 --> 00:39:26,960
we have to ask

954
00:39:31,589 --> 00:39:29,680
if if if chris miller is in charge of

955
00:39:32,470 --> 00:39:31,599
the troops well he was left in charge of

956
00:39:35,349 --> 00:39:32,480
the troops

957
00:39:37,990 --> 00:39:35,359
but at what point you know see it's

958
00:39:38,950 --> 00:39:38,000
wonderful that the pentagon is rebelling

959
00:39:40,920 --> 00:39:38,960
right now

960
00:39:46,230 --> 00:39:40,930
but how long

961
00:39:49,670 --> 00:39:48,950
they're going to have to have these

962
00:39:53,190 --> 00:39:49,680
really

963
00:39:56,470 --> 00:39:53,200

strong lines of where we

964

00:39:58,870 --> 00:39:56,480

have control of the republic

965

00:40:00,710 --> 00:39:58,880

and where we have control of the

966

00:40:01,990 --> 00:40:00,720

corporation you know where one side

967

00:40:02,550 --> 00:40:02,000

thinks they're in control on the other

968

00:40:05,510 --> 00:40:02,560

side

969

00:40:07,349 --> 00:40:05,520

thinks they're in control and by the way

970

00:40:09,349 --> 00:40:07,359

it's worth noting like you know how

971

00:40:10,870 --> 00:40:09,359

melania trump didn't want to go into the

972

00:40:11,910 --> 00:40:10,880

white house until it was cleared of

973

00:40:13,349 --> 00:40:11,920

black magic

974

00:40:15,510 --> 00:40:13,359

and they also had to clear it out

975

00:40:16,710 --> 00:40:15,520

several times i can tell you that i saw

976
00:40:18,950 --> 00:40:16,720
that

977
00:40:20,710 --> 00:40:18,960
it's a victim of black there's a they're

978
00:40:21,589 --> 00:40:20,720
victims of black magic and they had to

979
00:40:24,309 --> 00:40:21,599
clear it out

980
00:40:25,750 --> 00:40:24,319
oh there's some really you know negative

981
00:40:27,589 --> 00:40:25,760
stuff out there

982
00:40:29,030 --> 00:40:27,599
uh that these people have had to deal

983
00:40:31,030 --> 00:40:29,040
with i mean

984
00:40:32,309 --> 00:40:31,040
the battles you hear about like even the

985
00:40:35,430 --> 00:40:32,319
rescue of children

986
00:40:37,990 --> 00:40:35,440
involves a lot of the called

987
00:40:39,990 --> 00:40:38,000
occult knowledge the moral children very

988
00:40:41,589 --> 00:40:40,000

dark the mole children the underground

989

00:40:44,790 --> 00:40:41,599

bases we gotta rescue those

990

00:40:45,829 --> 00:40:44,800

poor mole children dark stuff well the

991

00:40:48,069 --> 00:40:45,839

financial thing

992

00:40:49,109 --> 00:40:48,079

is also surrounded by a lot of dark

993

00:40:52,069 --> 00:40:49,119

energy

994

00:40:53,750 --> 00:40:52,079

so getting beyond that into the positive

995

00:40:56,550 --> 00:40:53,760

taking that whole

996

00:40:57,510 --> 00:40:56,560

sort of system into the positive is is

997

00:41:00,309 --> 00:40:57,520

is a spiritual

998

00:41:00,870 --> 00:41:00,319

exercise as well as you know a nuts and

999

00:41:03,589 --> 00:41:00,880

bolts

1000

00:41:04,150 --> 00:41:03,599

go you know take like i think they took

1001
00:41:05,589 --> 00:41:04,160
some

1002
00:41:07,750 --> 00:41:05,599
money with them when they left the white

1003
00:41:09,510 --> 00:41:07,760
house or whatever they did

1004
00:41:11,510 --> 00:41:09,520
trump took some money with them when he

1005
00:41:13,670 --> 00:41:11,520
left the white house okay

1006
00:41:16,150 --> 00:41:13,680
that kind of thing so i'm not an expert

1007
00:41:17,910 --> 00:41:16,160
on financial finances but

1008
00:41:20,150 --> 00:41:17,920
you're not an expert on anything but

1009
00:41:21,829 --> 00:41:20,160
cuckoo crazy [h__\h] lady like you know

1010
00:41:24,950 --> 00:41:21,839
reptilian aliens

1011
00:41:26,630 --> 00:41:24,960
and and the spider people and how they

1012
00:41:27,829 --> 00:41:26,640
want to [h__\h] us and eat us and anally

1013
00:41:31,109 --> 00:41:27,839

probe us

1014

00:41:33,430 --> 00:41:31,119

i do get information from sources

1015

00:41:35,349 --> 00:41:33,440

i also get it from my downloads etc oh

1016

00:41:37,910 --> 00:41:35,359

she gets downloads all right

1017

00:41:40,950 --> 00:41:37,920

it's downloads of [h__h] it is

1018

00:41:43,750 --> 00:41:40,960

downloads of [h__h]

1019

00:41:46,230 --> 00:41:43,760

she's doing all the talking as always

1020

00:41:47,910 --> 00:41:46,240

goldie says yeah

1021

00:41:49,349 --> 00:41:47,920

i know the mole children are going to

1022

00:41:52,150 --> 00:41:49,359

save us all right

1023

00:41:53,190 --> 00:41:52,160

look friends we had a long week covering

1024

00:41:55,030 --> 00:41:53,200

this craziness

1025

00:41:56,950 --> 00:41:55,040

i can't do i'm not going to do any more

1026

00:42:01,030 --> 00:41:56,960

i said this is just going to be

1027

00:42:02,230 --> 00:42:01,040

uh we this is just going to be like a

1028

00:42:04,630 --> 00:42:02,240

quick check in and then

1029

00:42:06,309 --> 00:42:04,640

ask me anything show i don't want to do

1030

00:42:08,550 --> 00:42:06,319

another two hours covering

1031

00:42:09,510 --> 00:42:08,560

the ridiculous crazy [h__h] this woman

1032

00:42:12,309 --> 00:42:09,520

says

1033

00:42:13,990 --> 00:42:12,319

and and i gotta say like you know i'm

1034

00:42:16,150 --> 00:42:14,000

friendly with jean claude from beyond

1035

00:42:19,750 --> 00:42:16,160

mystic but i have no idea

1036

00:42:22,870 --> 00:42:19,760

why he would put her on his show uh

1037

00:42:26,550 --> 00:42:22,880

well i have one idea clicks and views

1038

00:42:29,349 --> 00:42:26,560

right but the the the information that

1039

00:42:32,870 --> 00:42:29,359

she has to share is so stupid

1040

00:42:37,270 --> 00:42:32,880

so worthless you know

1041

00:42:39,990 --> 00:42:37,280

meaningless garbage that i think that it

1042

00:42:41,589 --> 00:42:40,000

it doesn't look good for any show that

1043

00:42:43,829 --> 00:42:41,599

would have her as a guest

1044

00:42:44,630 --> 00:42:43,839

now that's my personal opinion other

1045

00:42:48,150 --> 00:42:44,640

people

1046

00:42:49,990 --> 00:42:48,160

may value hearing about the reptilian

1047

00:42:52,950 --> 00:42:50,000

aliens they're controlling

1048

00:42:54,230 --> 00:42:52,960

the the clone that's running the united

1049

00:42:55,750 --> 00:42:54,240

states

1050

00:42:57,270 --> 00:42:55,760

and the mold children and the

1051

00:42:59,030 --> 00:42:57,280

underground bases

1052

00:43:01,510 --> 00:42:59,040

and how donald trump is still running

1053

00:43:02,230 --> 00:43:01,520

the fed even though he's no longer the

1054

00:43:04,790 --> 00:43:02,240

president

1055

00:43:05,589 --> 00:43:04,800

right yeah and there's going to be a new

1056

00:43:07,670 --> 00:43:05,599

republic

1057

00:43:09,270 --> 00:43:07,680

started by donald trump he's going to

1058

00:43:10,230 --> 00:43:09,280

start the patriot party and then he's

1059

00:43:13,990 --> 00:43:10,240

going to start the new

1060

00:43:17,750 --> 00:43:14,000

united states republic and be its leader

1061

00:43:19,829 --> 00:43:17,760

this is all fantasyland garbage

1062

00:43:20,870 --> 00:43:19,839

but god bless you unclaude if you want

1063

00:43:24,630 --> 00:43:20,880

to have this

1064

00:43:28,710 --> 00:43:26,550

i like clicks and views as much as the

1065

00:43:31,510 --> 00:43:28,720

next shows but not at

1066

00:43:33,750 --> 00:43:31,520

not at the cost of like any kind of

1067

00:43:35,829 --> 00:43:33,760

integrity you have being just thrown out

1068

00:43:38,710 --> 00:43:35,839

the window

1069

00:43:39,990 --> 00:43:38,720

but yeah jean-claude i love you bro but

1070

00:43:41,990 --> 00:43:40,000

you are way on the wu side

1071

00:43:43,990 --> 00:43:42,000

anyway i mean he's got all those girls

1072

00:43:46,550 --> 00:43:44,000

with super powers and psychic powers on

1073

00:43:49,589 --> 00:43:46,560

his show right

1074

00:43:53,670 --> 00:43:51,750

genocide ask anything can we do a

1075

00:43:54,309 --> 00:43:53,680

two-hour show about crazy carrie tonight

1076

00:43:59,430 --> 00:43:54,319

no

1077

00:44:02,710 --> 00:44:01,510

do the spiders have eight legs or two

1078

00:44:05,430 --> 00:44:02,720

legs and eight eyes

1079

00:44:07,190 --> 00:44:05,440

no idea jason quit but she did say they

1080

00:44:09,270 --> 00:44:07,200

were spider people

1081

00:44:11,030 --> 00:44:09,280

so i would assume that they're bipedal

1082

00:44:13,349 --> 00:44:11,040

maybe they do have two legs

1083

00:44:14,870 --> 00:44:13,359

right and eight eyes i don't know you're

1084

00:44:15,750 --> 00:44:14,880

right that's a good that's a very good

1085

00:44:17,430 --> 00:44:15,760

question

1086

00:44:20,710 --> 00:44:17,440

i have to ask her about the spider

1087

00:44:24,470 --> 00:44:24,069

i she thinks donald trump trump is in a

1088

00:44:29,750 --> 00:44:24,480

deep

1089

00:44:31,910 --> 00:44:29,760

underground base get tom delonge on next

1090

00:44:33,270 --> 00:44:31,920

hey from your mouth to god's ears that

1091

00:44:35,109 --> 00:44:33,280

would do wonders for me

1092

00:44:37,030 --> 00:44:35,119

as much [h__h] talking as i've done about

1093

00:44:39,349 --> 00:44:37,040

time belong i'd have him on my show in a

1094

00:44:50,230 --> 00:44:39,359

moment

1095

00:44:56,390 --> 00:44:50,240

i would book him so fast

1096

00:45:03,030 --> 00:44:59,910

oh genocide thank you one second i will

1097

00:45:05,190 --> 00:45:03,040

i will check in i'm

1098

00:45:06,069 --> 00:45:05,200

to check in with our paypal and notice

1099

00:45:08,390 --> 00:45:06,079

please friends

1100

00:45:09,190 --> 00:45:08,400

there's an about section here on our

1101
00:45:12,230 --> 00:45:09,200
channel

1102
00:45:15,750 --> 00:45:12,240
where you can donate by paypal or donate

1103
00:45:17,510 --> 00:45:15,760
uh and become a patreon member paypal's

1104
00:45:22,230 --> 00:45:17,520
one-time donation

1105
00:45:22,240 --> 00:45:27,430
oh wow that's very nice

1106
00:45:32,309 --> 00:45:30,550
so we i what we do if you make a paypal

1107
00:45:33,910 --> 00:45:32,319
donation you put add a note

1108
00:45:35,510 --> 00:45:33,920
and then whatever it is that you put

1109
00:45:36,870 --> 00:45:35,520
your chat room user id or whatever you

1110
00:45:39,190 --> 00:45:36,880
want me to share

1111
00:45:40,150 --> 00:45:39,200
uh so today we had two donations one

1112
00:45:43,430 --> 00:45:40,160
very kind

1113
00:45:45,589 --> 00:45:43,440

donation of twenty dollars from jill d

1114

00:45:47,190 --> 00:45:45,599

and she says this is jill dee thanks for

1115

00:45:48,950 --> 00:45:47,200

all your hard work thank you for your

1116

00:45:50,870 --> 00:45:48,960

generosity your support and your

1117

00:45:51,910 --> 00:45:50,880

contribution to the show it really does

1118

00:45:54,790 --> 00:45:51,920

help

1119

00:45:56,069 --> 00:45:54,800

um lately some of the things i'm working

1120

00:45:57,510 --> 00:45:56,079

on is we're going to upgrade our

1121

00:45:59,030 --> 00:45:57,520

software here and that's going to be a

1122

00:46:00,470 --> 00:45:59,040

little more pricey

1123

00:46:03,109 --> 00:46:00,480

and that will come out of the paypal and

1124

00:46:05,030 --> 00:46:03,119

patreon donations so thank you for your

1125

00:46:07,750 --> 00:46:05,040

generosity your support

1126

00:46:09,750 --> 00:46:07,760

jill dee it is much appreciated and

1127

00:46:14,309 --> 00:46:09,760

genocide with a kind five dollar

1128

00:46:15,910 --> 00:46:14,319

donation he's my my biggest genocide

1129

00:46:17,349 --> 00:46:15,920

really is one of the biggest supporters

1130

00:46:19,430 --> 00:46:17,359

that we have here since the very

1131

00:46:21,349 --> 00:46:19,440

beginning of the show he has been here

1132

00:46:22,790 --> 00:46:21,359

throwing me a couple of bucks every time

1133

00:46:24,790 --> 00:46:22,800

i needed them

1134

00:46:27,030 --> 00:46:24,800

uh he has been there to help a brother

1135

00:46:28,710 --> 00:46:27,040

out so i truly appreciate it genocide

1136

00:46:30,950 --> 00:46:28,720

friend of the show and jill d

1137

00:46:33,270 --> 00:46:30,960

friend of the show for your kindness

1138

00:46:37,190 --> 00:46:33,280

your generosity and your support

1139

00:46:39,030 --> 00:46:37,200

also if anybody becomes a patreon member

1140

00:46:43,109 --> 00:46:39,040

while we're doing a broadcast

1141

00:46:46,150 --> 00:46:43,119

uh we shout you out if you become a

1142

00:46:46,870 --> 00:46:46,160

patron in between shows we shout out the

1143

00:46:50,390 --> 00:46:46,880

latest

1144

00:46:53,510 --> 00:46:50,400

of the the patreon supporters uh so

1145

00:46:59,030 --> 00:46:53,520

we have not had anybody sign up today

1146

00:47:02,390 --> 00:46:59,040

i will just mention uh dobromir

1147

00:47:05,829 --> 00:47:02,400

genocide doubling his donation

1148

00:47:09,430 --> 00:47:05,839

on patreon uh very nice

1149

00:47:13,190 --> 00:47:09,440

uh una song we have jennifer and

1150

00:47:15,990 --> 00:47:13,200

uh bailey have been our last

1151
00:47:17,349 --> 00:47:16,000
bunch of paypal or excuse me patreon

1152
00:47:20,790 --> 00:47:17,359
supporters

1153
00:47:24,309 --> 00:47:20,800
also uh rick i'm sorry rich

1154
00:47:25,990 --> 00:47:24,319
and steve all within this last

1155
00:47:27,750 --> 00:47:26,000
month these are the new paid

1156
00:47:29,430 --> 00:47:27,760
transporters or people that have altered

1157
00:47:31,430 --> 00:47:29,440
their pledge in my favor

1158
00:47:32,470 --> 00:47:31,440
thank you all very much i appreciate it

1159
00:47:34,230 --> 00:47:32,480
immensely

1160
00:47:35,670 --> 00:47:34,240
uh if anybody else would like to donate

1161
00:47:38,309 --> 00:47:35,680
again you can go to

1162
00:47:39,750 --> 00:47:38,319
the about section of our website and

1163
00:47:41,829 --> 00:47:39,760

there are links there

1164

00:47:44,150 --> 00:47:41,839

uh and that'll be my begging both speech

1165

00:47:48,309 --> 00:47:44,160

for today so thank you guys

1166

00:47:50,950 --> 00:47:48,319

um thank you guys for

1167

00:47:52,549 --> 00:47:50,960

all your support i am kind of running

1168

00:47:53,670 --> 00:47:52,559

out of things to do though except build

1169

00:47:56,549 --> 00:47:53,680

that new studio

1170

00:47:57,670 --> 00:47:56,559

i'm going to need uh some stain and

1171

00:48:00,150 --> 00:47:57,680

varnish for the

1172

00:48:01,190 --> 00:48:00,160

wood floor in there it's got to be re

1173

00:48:02,630 --> 00:48:01,200

redone

1174

00:48:04,950 --> 00:48:02,640

and a little bit of money for some

1175

00:48:06,549 --> 00:48:04,960

lumber i'm determined if i build the

1176

00:48:09,270 --> 00:48:06,559

studio in this bigger room

1177

00:48:10,309 --> 00:48:09,280

i am going to build custom desks and

1178

00:48:14,069 --> 00:48:10,319

everything

1179

00:48:15,030 --> 00:48:14,079

uh exactly what i need to do the show

1180

00:48:17,910 --> 00:48:15,040

with

1181

00:48:19,190 --> 00:48:17,920

um and i've got a few ideas for that

1182

00:48:22,390 --> 00:48:19,200

which would be

1183

00:48:25,910 --> 00:48:22,400

uh basically that the uh screen

1184

00:48:29,190 --> 00:48:25,920

would be on the desk like you know

1185

00:48:30,950 --> 00:48:29,200

like and covered in glass so that you

1186

00:48:37,109 --> 00:48:30,960

just see the show host and

1187

00:48:41,589 --> 00:48:39,349

a few more webcams i don't want to turn

1188

00:48:43,589 --> 00:48:41,599

into david wilcock and need six cameras

1189

00:48:46,710 --> 00:48:43,599

but i'd like to try a few cameras

1190

00:48:48,230 --> 00:48:46,720

uh and that may be in our future i

1191

00:48:50,069 --> 00:48:48,240

kind of messed around with it but then i

1192

00:48:51,190 --> 00:48:50,079

took the extra webcams to the cabin i

1193

00:48:53,430 --> 00:48:51,200

thought that would be better

1194

00:49:00,470 --> 00:48:53,440

i don't know we'll see what happens but

1195

00:49:08,230 --> 00:49:03,829

jason quit is gonna order half for 333

1196

00:49:12,470 --> 00:49:11,510

canon eos yeah i hate you alien

1197

00:49:15,190 --> 00:49:12,480

scientist

1198

00:49:17,030 --> 00:49:15,200

i'm poor [h__\h] there's no 4k camera in my

1199

00:49:19,829 --> 00:49:17,040

future i just gotta

1200

00:49:21,349 --> 00:49:19,839

i gotta roll with my ancient i got some

1201
00:49:25,270 --> 00:49:21,359
of the first

1202
00:49:28,790 --> 00:49:25,280
millimeter

1203
00:49:31,270 --> 00:49:28,800
look i have one here or i'm sorry i have

1204
00:49:31,910 --> 00:49:31,280
these are some of the first kodak

1205
00:49:35,990 --> 00:49:31,920
digital

1206
00:49:37,270 --> 00:49:36,000
hd cameras uh that were consumer quality

1207
00:49:39,190 --> 00:49:37,280
but with the right lighting

1208
00:49:41,349 --> 00:49:39,200
they're amazing they really look great

1209
00:49:44,549 --> 00:49:41,359
so that's what i do

1210
00:49:48,309 --> 00:49:44,559
all of my uh everything with and

1211
00:49:49,829 --> 00:49:48,319
there's no 4k camera in my future

1212
00:49:51,750 --> 00:49:49,839
alien scientist says it can work as

1213
00:49:53,270 --> 00:49:51,760

webcam too yeah that's one of the things

1214

00:49:55,430 --> 00:49:53,280

we're going to be upgrading the software

1215

00:49:59,990 --> 00:49:55,440

here and then we're going to be able to

1216

00:50:00,549 --> 00:50:00,000

do uh hd which uh we can only do 720

1217

00:50:02,309 --> 00:50:00,559

right now

1218

00:50:04,470 --> 00:50:02,319

and that's a software limitation not a

1219

00:50:05,510 --> 00:50:04,480

hardware limitation all my webcams are

1220

00:50:07,670 --> 00:50:05,520

hd

1221

00:50:09,349 --> 00:50:07,680

but they only go to 720 because of

1222

00:50:11,510 --> 00:50:09,359

stream yard stream limits i

1223

00:50:12,710 --> 00:50:11,520

guess they want that extra 25 a month

1224

00:50:15,510 --> 00:50:12,720

out of you

1225

00:50:17,670 --> 00:50:15,520

um but mostly i'm upgrading so that we

1226

00:50:20,549 --> 00:50:17,680

can stream to eight locations at once

1227

00:50:21,030 --> 00:50:20,559

i think that's awesome and and imagine

1228

00:50:22,790 --> 00:50:21,040

you know

1229

00:50:24,150 --> 00:50:22,800

we're gonna stream to eight locations at

1230

00:50:26,710 --> 00:50:24,160

once come on

1231

00:50:27,670 --> 00:50:26,720

that's cool and i love the technology

1232

00:50:29,670 --> 00:50:27,680

like

1233

00:50:31,750 --> 00:50:29,680

once that's those eight locations are

1234

00:50:32,549 --> 00:50:31,760

set up i just click go live and it

1235

00:50:35,430 --> 00:50:32,559

shoots the show

1236

00:50:37,510 --> 00:50:35,440

out to eight different websites or

1237

00:50:40,950 --> 00:50:37,520

destinations at once

1238

00:50:43,109 --> 00:50:40,960

i think that's pretty awesome

1239

00:50:45,349 --> 00:50:43,119

alien scientist is going to uh start

1240

00:50:46,230 --> 00:50:45,359

going to labs across america and film

1241

00:50:48,390 --> 00:50:46,240

experiments

1242

00:50:50,069 --> 00:50:48,400

yes so you kind of need it yeah i guess

1243

00:50:51,030 --> 00:50:50,079

you want you want it to be great quality

1244

00:50:52,390 --> 00:50:51,040

if you're going to take the time to

1245

00:51:00,350 --> 00:50:52,400

drive all over the place

1246

00:51:03,190 --> 00:51:01,670

[Music]

1247

00:51:05,270 --> 00:51:03,200

oh i don't know what's going on in the

1248

00:51:05,910 --> 00:51:05,280

live chat jolly bridge brother is saying

1249

00:51:07,510 --> 00:51:05,920

what

1250

00:51:09,829 --> 00:51:07,520

you're looking for some action there

1251
00:51:10,710 --> 00:51:09,839
bust laden i have a bottom funk you can

1252
00:51:13,990 --> 00:51:10,720
share

1253
00:51:18,470 --> 00:51:14,000
what i don't know what he's talking

1254
00:51:22,150 --> 00:51:20,790
you like the green screen oh this isn't

1255
00:51:25,990 --> 00:51:22,160
a green screen

1256
00:51:29,030 --> 00:51:26,000
this is an actual backdrop and i have

1257
00:51:31,750 --> 00:51:29,040
these lights here uh that make

1258
00:51:33,750 --> 00:51:31,760
they make it look animated it's it's a

1259
00:51:35,589 --> 00:51:33,760
cheat way of doing something like a

1260
00:51:38,790 --> 00:51:35,599
green screen effect

1261
00:51:41,910 --> 00:51:38,800
um streamyard does support green screen

1262
00:51:43,030 --> 00:51:41,920
but uh i need to get better lights and

1263
00:51:45,910 --> 00:51:43,040

then they don't support

1264

00:51:46,790 --> 00:51:45,920

animated backdrops just static ones like

1265

00:51:50,950 --> 00:51:46,800

just a picture

1266

00:51:52,390 --> 00:51:50,960

a jpg or png you can't use an animated

1267

00:51:53,990 --> 00:51:52,400

background which i hate

1268

00:51:55,430 --> 00:51:54,000

if the green screen works i want an

1269

00:51:57,030 --> 00:51:55,440

animated background

1270

00:51:59,670 --> 00:51:57,040

and you know what else i have alien

1271

00:52:01,670 --> 00:51:59,680

scientist i have a 50 inch tv over there

1272

00:52:03,990 --> 00:52:01,680

and i've run a few experiments with just

1273

00:52:06,309 --> 00:52:04,000

sitting in front of the 50 50-inch tv

1274

00:52:07,349 --> 00:52:06,319

and using that to run animations and it

1275

00:52:10,710 --> 00:52:07,359

looks great

1276
00:52:12,870 --> 00:52:10,720
um i know that's not the usual way but

1277
00:52:14,230 --> 00:52:12,880
yeah so this isn't a green screen this

1278
00:52:18,069 --> 00:52:14,240
is an actual

1279
00:52:21,190 --> 00:52:18,079
you know like fabric i don't know

1280
00:52:22,870 --> 00:52:21,200
uh backdrop that i got someplace

1281
00:52:25,190 --> 00:52:22,880
and we just put some of these cool

1282
00:52:28,069 --> 00:52:25,200
animated lights

1283
00:52:30,829 --> 00:52:28,079
uh just to sort of make dress the set

1284
00:52:33,829 --> 00:52:30,839
make it look a little more interesting

1285
00:52:36,309 --> 00:52:33,839
right who is your favorite content

1286
00:52:38,230 --> 00:52:36,319
creator in this community

1287
00:52:40,470 --> 00:52:38,240
you know that would be a hard one i

1288
00:52:42,950 --> 00:52:40,480

don't really

1289

00:52:44,150 --> 00:52:42,960

what i will say is that lately i don't

1290

00:52:47,510 --> 00:52:44,160

have time

1291

00:52:49,030 --> 00:52:47,520

to watch everybody and i spend more time

1292

00:52:51,829 --> 00:52:49,040

watching

1293

00:52:52,790 --> 00:52:51,839

off-grid and cabin channels than i do

1294

00:52:57,109 --> 00:52:52,800

watching

1295

00:53:01,670 --> 00:53:00,710

hey there lula pays fortune ripley says

1296

00:53:04,230 --> 00:53:01,680

i love your set

1297

00:53:05,190 --> 00:53:04,240

it looks groovy as [\h__\h] thank you i

1298

00:53:07,190 --> 00:53:05,200

tried

1299

00:53:09,750 --> 00:53:07,200

i bought three different backdrops and

1300

00:53:12,390 --> 00:53:09,760

the other two looked stupid as [\h__\h]

1301
00:53:14,390 --> 00:53:12,400
it made me look like a bad newscaster

1302
00:53:15,750 --> 00:53:14,400
this was the only one that was passing

1303
00:53:17,990 --> 00:53:15,760
or acceptable

1304
00:53:19,750 --> 00:53:18,000
so uh i went with this one and

1305
00:53:21,430 --> 00:53:19,760
interestingly i have a much bigger

1306
00:53:23,750 --> 00:53:21,440
version of this backdrop

1307
00:53:25,750 --> 00:53:23,760
that's twice this size for the new

1308
00:53:27,510 --> 00:53:25,760
studio that we'll be building

1309
00:53:29,910 --> 00:53:27,520
so we're gonna we're gonna stick with

1310
00:53:32,549 --> 00:53:29,920
the uh with the backdrop

1311
00:53:33,430 --> 00:53:32,559
you know alien scientist no it's not a

1312
00:53:36,950 --> 00:53:33,440
smoke machine

1313
00:53:38,710 --> 00:53:36,960

i'm gonna see no look let's see if i

1314

00:53:42,069 --> 00:53:38,720

can't

1315

00:53:42,710 --> 00:53:42,079

i gotta unplug it to do this to show you

1316

00:53:47,030 --> 00:53:42,720

what it is

1317

00:53:50,630 --> 00:53:47,040

it's a little projector light and it

1318

00:53:55,109 --> 00:53:50,640

uh you see that one's over here

1319

00:53:58,790 --> 00:53:55,119

it just projects light that looks like

1320

00:54:02,150 --> 00:53:58,800

smoke so it's like uh yeah

1321

00:54:05,270 --> 00:54:02,160

gotta leds and this thing

1322

00:54:07,270 --> 00:54:05,280

spins to just produce that effect uh

1323

00:54:09,190 --> 00:54:07,280

these are leftovers from my magic show

1324

00:54:12,470 --> 00:54:09,200

days i had tons of cool

1325

00:54:13,430 --> 00:54:12,480

weird lights like this and the guy who

1326
00:54:15,670 --> 00:54:13,440
used to work

1327
00:54:16,790 --> 00:54:15,680
with me and for me doing the magic shows

1328
00:54:18,710 --> 00:54:16,800
hated me

1329
00:54:20,710 --> 00:54:18,720
because as soon as he would finally

1330
00:54:22,549 --> 00:54:20,720
figure out like how everything that i

1331
00:54:24,790 --> 00:54:22,559
had to set up worked

1332
00:54:25,589 --> 00:54:24,800
and was able to set it up when we got to

1333
00:54:27,510 --> 00:54:25,599
the show

1334
00:54:28,630 --> 00:54:27,520
you know like got to the theaters and

1335
00:54:30,710 --> 00:54:28,640
could set everything up

1336
00:54:33,030 --> 00:54:30,720
as soon as he finally figures it all out

1337
00:54:34,870 --> 00:54:33,040
i would add more [h__h] and more [h__h] and

1338
00:54:36,309 --> 00:54:34,880

i was constantly aggravating the poor

1339

00:54:40,069 --> 00:54:36,319

guy with lights and

1340

00:54:41,109 --> 00:54:40,079

lasers and all kinds of weirdness and

1341

00:54:43,030 --> 00:54:41,119

you would be like

1342

00:54:46,069 --> 00:54:43,040

dude you don't need all this and

1343

00:54:49,670 --> 00:54:46,079

eventually i i agreed that he was right

1344

00:54:55,349 --> 00:54:49,680

dark and mysterious so it fits well yeah

1345

00:54:59,910 --> 00:54:56,789

you know i was just watching how to

1346

00:55:03,430 --> 00:54:59,920

build a small fishing cabin tonight

1347

00:55:05,349 --> 00:55:03,440

yeah um i'm i realized uh

1348

00:55:06,870 --> 00:55:05,359

also i mentioned that my wife and i

1349

00:55:08,870 --> 00:55:06,880

decided we're going to build some more

1350

00:55:11,990 --> 00:55:08,880

land we're going to buy some more land

1351
00:55:14,789 --> 00:55:12,000
and i'm going to build on a second cabin

1352
00:55:17,829 --> 00:55:14,799
and uh but i realize i may be getting

1353
00:55:20,230 --> 00:55:17,839
ahead of myself with that because

1354
00:55:22,230 --> 00:55:20,240
honestly i i'd like to tell myself that

1355
00:55:24,230 --> 00:55:22,240
the current cabin is almost done

1356
00:55:25,910 --> 00:55:24,240
right but it's not because i have to

1357
00:55:29,430 --> 00:55:25,920
finish an entire floor

1358
00:55:31,109 --> 00:55:29,440
in the sun room and a bunch of odds and

1359
00:55:33,349 --> 00:55:31,119
ends in the sun room i have to build

1360
00:55:34,069 --> 00:55:33,359
shelves in a potting stand in the sun

1361
00:55:36,390 --> 00:55:34,079
room and

1362
00:55:38,470 --> 00:55:36,400
furniture for the sun room i have to

1363
00:55:40,549 --> 00:55:38,480

build a front porch

1364

00:55:42,230 --> 00:55:40,559

and uh then there's a lot of work to be

1365

00:55:44,069 --> 00:55:42,240

done on the back wall

1366

00:55:45,750 --> 00:55:44,079

i sort of rushed that because winter was

1367

00:55:47,030 --> 00:55:45,760

coming you know just kind of slapped it

1368

00:55:48,950 --> 00:55:47,040

together in the back

1369

00:55:50,390 --> 00:55:48,960

you know it's like i you have to submit

1370

00:55:52,470 --> 00:55:50,400

when you do this live building you have

1371

00:55:53,510 --> 00:55:52,480

to cement the front the inside and the

1372

00:55:55,829 --> 00:55:53,520

outside

1373

00:55:57,990 --> 00:55:55,839

and the back wall of the cabin it was so

1374

00:55:59,430 --> 00:55:58,000

freezing and the stuff was cracking and

1375

00:56:01,270 --> 00:55:59,440

nothing was working that i just said

1376

00:56:02,870 --> 00:56:01,280

i'll just cement the front the inside

1377

00:56:05,270 --> 00:56:02,880

and i'll do the outside

1378

00:56:07,430 --> 00:56:05,280

later and still haven't gotten to it so

1379

00:56:10,230 --> 00:56:07,440

now we're waiting again for

1380

00:56:15,510 --> 00:56:10,240

sub for above freezing temperatures so

1381

00:56:20,069 --> 00:56:18,309

yeah i don't know solar solar marshall i

1382

00:56:21,589 --> 00:56:20,079

like these some of these tiny cabin

1383

00:56:24,230 --> 00:56:21,599

designs but

1384

00:56:25,910 --> 00:56:24,240

i started with a 12 by 24 and i thought

1385

00:56:27,829 --> 00:56:25,920

that was going to be plenty

1386

00:56:29,030 --> 00:56:27,839

and then you get all your furniture and

1387

00:56:32,069 --> 00:56:29,040

your [h__h] in there

1388

00:56:35,270 --> 00:56:32,079

right a kitchen a bathroom that was

1389

00:56:37,750 --> 00:56:35,280

no it was tiny it was so tiny

1390

00:56:39,589 --> 00:56:37,760

and then i spent two weekends at the

1391

00:56:41,829 --> 00:56:39,599

cabin with my wife

1392

00:56:43,670 --> 00:56:41,839

two children and mother-in-law in this

1393

00:56:46,390 --> 00:56:43,680

tiny 12x24 cabin

1394

00:56:47,270 --> 00:56:46,400

and it rained all weekend two weekends

1395

00:56:50,309 --> 00:56:47,280

so

1396

00:56:52,230 --> 00:56:50,319

that sucked and you quickly realize

1397

00:56:54,150 --> 00:56:52,240

like a tiny house is fun if you're

1398

00:56:56,789 --> 00:56:54,160

single and live by yourself

1399

00:56:58,549 --> 00:56:56,799

but if you have children or other people

1400

00:57:00,069 --> 00:56:58,559

it is just too small

1401

00:57:01,829 --> 00:57:00,079

and like we have a sleeping loft and

1402

00:57:03,349 --> 00:57:01,839

nobody wants to sleep in it everybody

1403

00:57:05,030 --> 00:57:03,359

feels weird sleeping up there and it's

1404

00:57:05,430 --> 00:57:05,040

kind of cramped sleeping off it's not

1405

00:57:08,549 --> 00:57:05,440

real

1406

00:57:11,349 --> 00:57:08,559

big you know so i had to add on

1407

00:57:11,990 --> 00:57:11,359

uh you know original plan out the window

1408

00:57:17,750 --> 00:57:12,000

i said no

1409

00:57:20,710 --> 00:57:19,190

but what if i have a second floor yeah

1410

00:57:23,589 --> 00:57:20,720

well then that doubles the floor space

1411

00:57:26,150 --> 00:57:23,599

and that may be very helpful

1412

00:57:28,150 --> 00:57:26,160

sorry marshall 12x24 is what i wanted i

1413

00:57:31,430 --> 00:57:28,160

would tell you do 12 by 32

1414

00:57:35,990 --> 00:57:31,440

at least bro 16 by 32

1415

00:57:38,150 --> 00:57:36,000

you know 12 by 48

1416

00:57:39,670 --> 00:57:38,160

because you think that's going to be

1417

00:57:41,430 --> 00:57:39,680

enough you really do and you know what i

1418

00:57:42,470 --> 00:57:41,440

have to say if i when i was at the cabin

1419

00:57:44,789 --> 00:57:42,480

by myself

1420

00:57:46,630 --> 00:57:44,799

it's plenty of room for one person we

1421

00:57:48,710 --> 00:57:46,640

have like a 16 by 12

1422

00:57:50,230 --> 00:57:48,720

living room and kitchenette eating

1423

00:57:52,390 --> 00:57:50,240

kitchen and living room

1424

00:57:53,910 --> 00:57:52,400

and the loft is above that and then you

1425

00:57:55,109 --> 00:57:53,920

know the other little room is the

1426

00:57:57,270 --> 00:57:55,119

bathroom

1427

00:57:59,109 --> 00:57:57,280

that's plenty of space right no not

1428

00:57:59,750 --> 00:57:59,119

really i mean once you get all your gear

1429

00:58:01,670 --> 00:57:59,760

in there

1430

00:58:03,510 --> 00:58:01,680

and then especially if you have kids and

1431

00:58:06,309 --> 00:58:03,520

they're bringing toys and [\h__\h]

1432

00:58:08,150 --> 00:58:06,319

and like and if you have a wife or a

1433

00:58:09,670 --> 00:58:08,160

girlfriend she's gonna fill the place

1434

00:58:11,990 --> 00:58:09,680

i don't know what it is my wife fills

1435

00:58:14,470 --> 00:58:12,000

every inch of that place with stuff like

1436

00:58:16,150 --> 00:58:14,480

especially the refrigerator you know

1437

00:58:18,069 --> 00:58:16,160

we've got this little apartment size

1438

00:58:21,670 --> 00:58:18,079

refrigerator she just stuffs it full of

1439

00:58:26,870 --> 00:58:25,190

yeah i am tall so which eye should i

1440

00:58:29,670 --> 00:58:26,880

make it i then i would do

1441

00:58:30,710 --> 00:58:29,680

12 foot ceilings bro or 10 foot ceilings

1442

00:58:32,470 --> 00:58:30,720

at least

1443

00:58:36,710 --> 00:58:32,480

it's all up to you man find a design you

1444

00:58:38,950 --> 00:58:36,720

like and go go at it my

1445

00:58:39,910 --> 00:58:38,960

my old lady leaves me for five years at

1446

00:58:43,109 --> 00:58:39,920

a time

1447

00:58:45,670 --> 00:58:43,119

boy i wish mine would

1448

00:58:46,230 --> 00:58:45,680

don't complain bro no i don't wish that

1449

00:58:48,230 --> 00:58:46,240

i don't wish

1450

00:58:49,589 --> 00:58:48,240

i would be a mess without my uh she's

1451
00:58:51,430 --> 00:58:49,599
been going for a while now sorry to hear

1452
00:58:53,030 --> 00:58:51,440
that bro i'd be a mess without my wife

1453
00:59:02,230 --> 00:58:53,040
she does so much for

1454
00:59:05,430 --> 00:59:04,390
i can design it all in chief architect

1455
00:59:08,309 --> 00:59:05,440
studio first

1456
00:59:10,390 --> 00:59:08,319
yeah i i listen i went low tech and i

1457
00:59:11,270 --> 00:59:10,400
just drew things on pieces of paper with

1458
00:59:13,270 --> 00:59:11,280
a pencil

1459
00:59:14,549 --> 00:59:13,280
that was my design studio alien

1460
00:59:17,349 --> 00:59:14,559
scientist and as

1461
00:59:19,349 --> 00:59:17,359
technical as i am as a computer guy i

1462
00:59:22,069 --> 00:59:19,359
don't do cad software well and i don't

1463
00:59:25,270 --> 00:59:22,079

know cat software well so i just said

1464

00:59:28,950 --> 00:59:25,280

uh yeah jill d oh

1465

00:59:31,510 --> 00:59:28,960

oh it's not just me stupid toys take it

1466

00:59:32,230 --> 00:59:31,520

up 75 of the space in my house do you

1467

00:59:35,349 --> 00:59:32,240

know jill d

1468

00:59:37,270 --> 00:59:35,359

when i moved from philadelphia to this

1469

00:59:38,870 --> 00:59:37,280

new house where we're at now

1470

00:59:40,470 --> 00:59:38,880

you know i told my wife i'm like these

1471

00:59:42,390 --> 00:59:40,480

kids have way too many toys it's going

1472

00:59:44,069 --> 00:59:42,400

to take so many van loads of

1473

00:59:46,549 --> 00:59:44,079

to get all their [h__h] to the new house

1474

00:59:47,910 --> 00:59:46,559

you got to pare down oh yeah yeah

1475

00:59:49,990 --> 00:59:47,920

we'll go through some of it we'll give

1476

00:59:52,710 --> 00:59:50,000

some of it away no

1477

00:59:53,990 --> 00:59:52,720

uh so when i moved there was i think

1478

01:00:01,030 --> 00:59:54,000

five

1479

01:00:04,789 --> 01:00:01,040

cargo van full of toys and [h__\h]

1480

01:00:08,870 --> 01:00:04,799

and their stuff it took so long and then

1481

01:00:10,870 --> 01:00:08,880

you know my wife's got a huge family so

1482

01:00:13,030 --> 01:00:10,880

she's got six brothers and sisters and

1483

01:00:14,150 --> 01:00:13,040

so every time it's a birthday or holiday

1484

01:00:16,789 --> 01:00:14,160

or christmas they get

1485

01:00:17,589 --> 01:00:16,799

another mountain a pile of [h__\h] and i

1486

01:00:19,510 --> 01:00:17,599

gotta deal with

1487

01:00:21,990 --> 01:00:19,520

i don't i don't know we've got these

1488

01:00:23,750 --> 01:00:22,000

huge toy boxes they're not big enough

1489

01:00:26,150 --> 01:00:23,760

we can have five of them they're not big

1490

01:00:28,230 --> 01:00:26,160

enough this is what i do now do you know

1491

01:00:31,109 --> 01:00:28,240

how i clean the living room now

1492

01:00:33,510 --> 01:00:31,119

i get a snow shovel and i open the big

1493

01:00:35,670 --> 01:00:33,520

toy boxes and i just snow shovel

1494

01:00:37,430 --> 01:00:35,680

all this [h__\h] into the toy boxes and

1495

01:00:38,950 --> 01:00:37,440

then my wife gets mad at me

1496

01:00:41,270 --> 01:00:38,960

because she expects me to sit there and

1497

01:00:42,630 --> 01:00:41,280

like separate the games into these

1498

01:00:45,510 --> 01:00:42,640

plastic bags

1499

01:00:45,990 --> 01:00:45,520

right and like no i don't have time for

1500

01:00:47,990 --> 01:00:46,000

all that

1501
01:00:49,589 --> 01:00:48,000
i'm just going to snow shovel this [h__h]

1502
01:00:51,589 --> 01:00:49,599
into a toy box

1503
01:00:55,030 --> 01:00:51,599
and roll along with my day i got a

1504
01:00:57,109 --> 01:00:55,040
vacuum here i don't have time

1505
01:00:58,549 --> 01:00:57,119
yeah i didn't build it myself it was a

1506
01:01:03,990 --> 01:00:58,559
cgi clone

1507
01:01:09,190 --> 01:01:07,829
oh wow lula yeah you must be new lula i

1508
01:01:09,990 --> 01:01:09,200
don't know that i've seen you here

1509
01:01:12,950 --> 01:01:10,000
before and if

1510
01:01:14,710 --> 01:01:12,960
you are new welcome uh yeah well you

1511
01:01:16,230 --> 01:01:14,720
picked an odd time to come to a show

1512
01:01:16,710 --> 01:01:16,240
though we don't really have a topic

1513
01:01:19,430 --> 01:01:16,720

tonight

1514

01:01:19,829 --> 01:01:19,440

and i'm rambling about toys and how

1515

01:01:22,230 --> 01:01:19,839

small

1516

01:01:24,789 --> 01:01:22,240

the cabin once was so you spent half

1517

01:01:27,990 --> 01:01:24,799

your time in an rv with your old man

1518

01:01:30,309 --> 01:01:28,000

my 16 year old son and two cats it gets

1519

01:01:31,990 --> 01:01:30,319

annoying to say the least after a while

1520

01:01:33,990 --> 01:01:32,000

well i hope it's warm where you are

1521

01:01:34,789 --> 01:01:34,000

because rvs are no joke in the middle of

1522

01:01:43,030 --> 01:01:34,799

winter

1523

01:01:45,910 --> 01:01:43,040

old rv trailer and that did not go well

1524

01:01:47,510 --> 01:01:45,920

those things are not insulated one bit

1525

01:01:50,470 --> 01:01:47,520

you know unless you've got eight million

1526
01:01:52,630 --> 01:01:50,480
dollars worth of propane for the winter

1527
01:01:54,630 --> 01:01:52,640
you just blast that propane heater it

1528
01:01:56,950 --> 01:01:54,640
just runs right out

1529
01:01:59,029 --> 01:01:56,960
it was terrible so i hope wherever you

1530
01:02:01,589 --> 01:01:59,039
are you are safe and warm

1531
01:02:02,150 --> 01:02:01,599
uh yeah i'm very fortunate the cabin is

1532
01:02:03,829 --> 01:02:02,160
like

1533
01:02:05,910 --> 01:02:03,839
the walls in the living room are two

1534
01:02:07,430 --> 01:02:05,920
foot thick logs and it's insulated

1535
01:02:10,710 --> 01:02:07,440
extremely well

1536
01:02:16,789 --> 01:02:10,720
so uh when i can get back there i'll be

1537
01:02:20,150 --> 01:02:18,549
then what i do is put on those space

1538
01:02:21,670 --> 01:02:20,160

lights in the cabin while watching the

1539

01:02:28,230 --> 01:02:21,680

aurora borealis

1540

01:02:34,789 --> 01:02:30,150

it's possible that mark richards is

1541

01:02:38,069 --> 01:02:34,799

watching from a spaceship

1542

01:02:40,630 --> 01:02:38,079

yes that is exactly uh that's i shovel

1543

01:02:43,910 --> 01:02:40,640

the dildos back into the love rooms toy

1544

01:02:46,870 --> 01:02:43,920

box yes i have a big toy box mario he

1545

01:02:48,710 --> 01:02:46,880

you should come and play because you're

1546

01:02:50,710 --> 01:02:48,720

my favorite mexican canadian and you're

1547

01:02:54,950 --> 01:02:50,720

allowed in my love room

1548

01:02:58,150 --> 01:02:56,789

yeah i did the same but it only lasted a

1549

01:03:00,870 --> 01:02:58,160

week my kids

1550

01:03:02,230 --> 01:03:00,880

only missed a day i could spend a year

1551

01:03:04,549 --> 01:03:02,240

organizing their [h__\h]

1552

01:03:05,270 --> 01:03:04,559

you know once i spent a day organizing

1553

01:03:08,549 --> 01:03:05,280

their stuff

1554

01:03:09,029 --> 01:03:08,559

and uh that was all a mess the next day

1555

01:03:12,870 --> 01:03:09,039

you know

1556

01:03:15,990 --> 01:03:12,880

you got like monopoly pieces

1557

01:03:17,910 --> 01:03:16,000

with candy land in the candyland box

1558

01:03:19,270 --> 01:03:17,920

and like i i don't have the patience

1559

01:03:20,230 --> 01:03:19,280

you'll be i just shovel it all in the

1560

01:03:21,750 --> 01:03:20,240

box

1561

01:03:39,589 --> 01:03:21,760

figure it out you want to play monopoly

1562

01:03:43,430 --> 01:03:41,589

okay as for being cold i just got back

1563

01:03:44,309 --> 01:03:43,440

from indiana and we froze up three times

1564

01:03:48,470 --> 01:03:44,319

last month

1565

01:03:51,910 --> 01:03:50,630

oh okay i missed your previous comment

1566

01:03:53,750 --> 01:03:51,920

i've been here for a while and i

1567

01:03:55,270 --> 01:03:53,760

subscribed to your patreon i just got a

1568

01:03:57,190 --> 01:03:55,280

keyword that reaches to me

1569

01:03:58,950 --> 01:03:57,200

so i don't usually chat okay well good

1570

01:04:01,029 --> 01:03:58,960

i'm glad that you're here i'm glad that

1571

01:04:03,750 --> 01:04:01,039

you felt comfortable to come and join us

1572

01:04:05,990 --> 01:04:03,760

welcome you are most welcome there lula

1573

01:04:14,710 --> 01:04:06,000

pays fortune ripley and boy

1574

01:04:18,470 --> 01:04:16,789

with all the lawsuits i never thought to

1575

01:04:19,589 --> 01:04:18,480

check when richards was eligible for

1576

01:04:22,950 --> 01:04:19,599

parole

1577

01:04:25,589 --> 01:04:22,960

time or was that

1578

01:04:26,069 --> 01:04:25,599

his co-conspirator murderer that got

1579

01:04:35,270 --> 01:04:26,079

denied

1580

01:04:39,349 --> 01:04:38,549

i think yeah so i think that he is still

1581

01:04:42,230 --> 01:04:39,359

in prison

1582

01:04:44,230 --> 01:04:42,240

near as i can tell and it's got no

1583

01:04:46,789 --> 01:04:44,240

possibility to get out but i could be

1584

01:04:48,309 --> 01:04:46,799

mistaken about that

1585

01:04:50,230 --> 01:04:48,319

let's hope he doesn't get out because

1586

01:04:52,150 --> 01:04:50,240

what's he gonna do he's probably gonna

1587

01:04:55,910 --> 01:04:52,160

go try to work the ufo

1588

01:04:57,750 --> 01:04:55,920

uh circuit right the ufo

1589

01:05:01,029 --> 01:04:57,760

convention circuit or something like

1590

01:05:02,789 --> 01:05:01,039

that that that would be my prediction

1591

01:05:04,630 --> 01:05:02,799

if he ever gets out of prison that is

1592

01:05:07,430 --> 01:05:04,640

right

1593

01:05:09,430 --> 01:05:07,440

if he ever gets out of prison yeah good

1594

01:05:10,150 --> 01:05:09,440

old kerry cassidy using murderers for

1595

01:05:12,150 --> 01:05:10,160

sources

1596

01:05:20,829 --> 01:05:12,160

since oh i don't know about the year

1597

01:05:20,839 --> 01:05:24,950

right

1598

01:05:24,960 --> 01:05:35,109

victor search my name is dildo

1599

01:05:35,119 --> 01:05:42,150

okay dildo

1600

01:05:46,390 --> 01:05:44,630

renee miss genocide says jill d my boys

1601

01:05:48,390 --> 01:05:46,400

have legos nerf and so much other crap

1602

01:05:51,270 --> 01:05:48,400

and they're 20 and 19.

1603

01:05:52,470 --> 01:05:51,280

hey uh when my kids are 18 i'm throwing

1604

01:05:54,230 --> 01:05:52,480

them out the [h__h] house

1605

01:05:56,390 --> 01:05:54,240

i'm gonna say i have no more legal

1606

01:05:57,349 --> 01:05:56,400

responsibility i don't have to feed you

1607

01:06:01,430 --> 01:05:57,359

clothe you

1608

01:06:04,780 --> 01:06:01,440

get out bro learn you know

1609

01:06:15,029 --> 01:06:04,790

you're gonna learn some independence boy

1610

01:06:18,549 --> 01:06:17,190

yeah these guys are doing life for

1611

01:06:19,910 --> 01:06:18,559

murder

1612

01:06:27,990 --> 01:06:19,920

it's not like they're supposed to get

1613

01:06:31,670 --> 01:06:30,230

victor clero says i have some elephant

1614

01:06:37,510 --> 01:06:31,680

115 to sell

1615

01:06:44,829 --> 01:06:37,520

you and george knapp then bob lazar and

1616

01:06:44,839 --> 01:06:48,150

right

1617

01:06:51,270 --> 01:06:50,309

her name is jonas side says no you are

1618

01:06:52,950 --> 01:06:51,280

not i'm

1619

01:06:54,630 --> 01:06:52,960

if she means me throwing my children out

1620

01:06:55,670 --> 01:06:54,640

at 18 she's probably right my wife won't

1621

01:06:57,670 --> 01:06:55,680

let me do that

1622

01:06:59,109 --> 01:06:57,680

miss jonas you know that she won't let

1623

01:07:02,309 --> 01:06:59,119

me do that those kids will stay here

1624

01:07:06,630 --> 01:07:04,789

and i have nothing to say about it yes

1625

01:07:12,309 --> 01:07:06,640

dear

1626

01:07:16,230 --> 01:07:14,710

charles and lee says you see this is

1627

01:07:18,150 --> 01:07:16,240

what happens when you show carrie

1628

01:07:19,750 --> 01:07:18,160

everyone goes into a fook state and

1629

01:07:22,150 --> 01:07:19,760

talks weird yeah

1630

01:07:23,349 --> 01:07:22,160

that's exactly so any ques this is

1631

01:07:26,870 --> 01:07:23,359

supposed to be an ask me

1632

01:07:28,789 --> 01:07:26,880

anything so uh any

1633

01:07:30,789 --> 01:07:28,799

comments or questions for me either

1634

01:07:31,910 --> 01:07:30,799

about the show future topics whatever

1635

01:07:35,349 --> 01:07:31,920

you want to ask me

1636

01:07:37,109 --> 01:07:35,359

it's now's your chance you know i uh we

1637

01:07:38,470 --> 01:07:37,119

we used to do an ask me anything once in

1638

01:07:39,349 --> 01:07:38,480

a while that's when i was still trying

1639

01:07:41,190 --> 01:07:39,359

to get my

1640

01:07:42,630 --> 01:07:41,200

you know show host legs and didn't know

1641

01:07:45,750 --> 01:07:42,640

what the hell i was doing

1642

01:07:47,190 --> 01:07:45,760

but here we are again right so ask me

1643

01:07:50,390 --> 01:07:47,200

anything

1644

01:07:52,710 --> 01:07:50,400

uh well

1645

01:07:54,230 --> 01:07:52,720

lula says i can't wait to get one of the

1646

01:07:55,990 --> 01:07:54,240

drunk streams i keep hearing so much

1647

01:07:58,950 --> 01:07:56,000

about your riots over right because of

1648

01:08:02,710 --> 01:07:58,960

my pants hearing you drunk i'm sure

1649

01:08:05,510 --> 01:08:02,720

well uh there's some good news on that

1650

01:08:07,430 --> 01:08:05,520

i just got some uh i think it's nine

1651

01:08:11,270 --> 01:08:07,440

percent alcohol

1652

01:08:14,230 --> 01:08:11,280

uh ipas so we'll see how that goes

1653

01:08:15,190 --> 01:08:14,240

i'm going to crack a few of them and and

1654

01:08:18,870 --> 01:08:15,200

do it

1655

01:08:23,189 --> 01:08:18,880

okay how far are you from super chats um

1656

01:08:25,910 --> 01:08:23,199

i have to fix my phone uh my phone broke

1657

01:08:27,349 --> 01:08:25,920

the screen cracked and it and the touch

1658

01:08:28,630 --> 01:08:27,359

screen doesn't work and you can't see

1659

01:08:30,550 --> 01:08:28,640

anything on it

1660

01:08:32,709 --> 01:08:30,560

and it's been like that for three days

1661

01:08:35,030 --> 01:08:32,719

now me lazy as i am was kind of hoping

1662

01:08:36,550 --> 01:08:35,040

that my wife would get tired of me

1663

01:08:38,229 --> 01:08:36,560

not being able to message with her and

1664

01:08:39,269 --> 01:08:38,239

she'd go down to the phone store and get

1665

01:08:41,510 --> 01:08:39,279

me another one

1666

01:08:43,510 --> 01:08:41,520

but she hasn't yet so i think i gotta do

1667

01:08:45,269 --> 01:08:43,520

it and i gotta fix the phone before i

1668

01:08:48,390 --> 01:08:45,279

can register

1669

01:08:51,669 --> 01:08:48,400

uh for the adsense account

1670

01:08:53,510 --> 01:08:51,679

they verified by cell phone so i just

1671

01:08:55,669 --> 01:08:53,520

gotta fill out some forms and give them

1672

01:08:58,309 --> 01:08:55,679

my cell phone fix my cell phone

1673

01:08:59,910 --> 01:08:58,319

and of course uh mario he the universe

1674

01:09:01,829 --> 01:08:59,920

that's just the way my universe works

1675

01:09:02,470 --> 01:09:01,839

it's gotta throw an extra monkey wrench

1676

01:09:04,309 --> 01:09:02,480

in there

1677

01:09:06,309 --> 01:09:04,319

and my phone is broken so i have to go

1678

01:09:07,829 --> 01:09:06,319

you know a and b to get to c that's how

1679

01:09:10,229 --> 01:09:07,839

my life goes i gotta do a

1680

01:09:11,829 --> 01:09:10,239

and b first before i can get to c but we

1681

01:09:15,430 --> 01:09:11,839

should have them shortly

1682

01:09:16,950 --> 01:09:15,440

um i i think so

1683

01:09:19,030 --> 01:09:16,960

did you have any training before you

1684

01:09:20,070 --> 01:09:19,040

built that cabin no other than like

1685

01:09:22,070 --> 01:09:20,080

holding the flashlight

1686

01:09:24,149 --> 01:09:22,080

for my dad while he built stuff and

1687

01:09:25,910 --> 01:09:24,159

yelled at me

1688

01:09:27,669 --> 01:09:25,920

right you remember your kid your dad be

1689

01:09:29,990 --> 01:09:27,679

like hold the flashlight did he start

1690

01:09:32,309 --> 01:09:30,000

yelling and screaming at you

1691

01:09:34,470 --> 01:09:32,319

that was my only training never built

1692

01:09:36,789 --> 01:09:34,480

anything before the cabin

1693

01:09:38,390 --> 01:09:36,799

never built anything yeah camping likes

1694

01:09:40,550 --> 01:09:38,400

to scream when he gets drunk

1695

01:09:42,229 --> 01:09:40,560

yeah and you know what's so funny me

1696

01:09:43,030 --> 01:09:42,239

there's a window right behind this

1697

01:09:45,430 --> 01:09:43,040

backdrop

1698

01:09:46,789 --> 01:09:45,440

and my neighbors have like a patio that

1699

01:09:49,510 --> 01:09:46,799

they sit on

1700

01:09:52,149 --> 01:09:49,520

right underneath me here it's like

1701

01:09:54,709 --> 01:09:52,159

literally like 15 feet away

1702

01:09:56,709 --> 01:09:54,719

and i can hear them talking sometimes so

1703

01:09:58,470 --> 01:09:56,719

my wife just commented like

1704

01:09:59,590 --> 01:09:58,480

you know i wonder what those neighbors

1705

01:10:02,070 --> 01:09:59,600

think when you start yelling and

1706

01:10:03,990 --> 01:10:02,080

screaming about dildos and [h__\h] and i go

1707

01:10:05,990 --> 01:10:04,000

oh my god i never even thought about

1708

01:10:10,229 --> 01:10:06,000

that so now i may be

1709

01:10:13,510 --> 01:10:10,239

a little a little more reserved

1710

01:10:16,310 --> 01:10:13,520

wait maybe he's always drunk could be

1711

01:10:18,149 --> 01:10:16,320

no today i'm very sober i'm i'm

1712

01:10:19,030 --> 01:10:18,159

yesterday i was drunk i think i was a

1713

01:10:20,790 --> 01:10:19,040

little drunk

1714

01:10:23,590 --> 01:10:20,800

the day before that and the day before

1715

01:10:25,270 --> 01:10:23,600

that too so i'm giving my every you know

1716

01:10:26,790 --> 01:10:25,280

got to give your liver a rest once in a

1717

01:10:28,149 --> 01:10:26,800

while that's my wife says

1718

01:10:30,470 --> 01:10:28,159

aren't you going to give your liver a

1719

01:10:34,310 --> 01:10:30,480

rest so

1720

01:10:36,630 --> 01:10:34,320

and yes he says i scream sober

1721

01:10:37,350 --> 01:10:36,640

too yeah i do yeah but i scream more

1722

01:10:41,110 --> 01:10:37,360

when i'm drunk

1723

01:10:43,030 --> 01:10:41,120

probably yeah why are we doing a panel

1724

01:10:44,790 --> 01:10:43,040

show about how cool david

1725

01:10:46,630 --> 01:10:44,800

wilcock would look with a mustache he'd

1726

01:10:50,550 --> 01:10:46,640

be more believable too

1727

01:10:53,189 --> 01:10:50,560

yeah and i listen i can't i cannot say

1728

01:10:56,310 --> 01:10:53,199

that i disagree with genocide because

1729

01:10:58,790 --> 01:10:56,320

somebody did an artist rendering

1730

01:10:59,750 --> 01:10:58,800

just for genocide i think of david

1731

01:11:03,590 --> 01:10:59,760

wilcock with

1732

01:11:04,070 --> 01:11:03,600

a uh what would be my preferred mustache

1733

01:11:06,470 --> 01:11:04,080

type

1734

01:11:07,430 --> 01:11:06,480

for david wilcock which is a handlebar

1735

01:11:10,470 --> 01:11:07,440

mustache

1736

01:11:13,990 --> 01:11:10,480

you know like the uh

1737

01:11:17,669 --> 01:11:14,000

the old cowboy one you know and

1738

01:11:19,750 --> 01:11:17,679

boy i think it is a major improvement

1739

01:11:21,750 --> 01:11:19,760

in fact we're gonna we're gonna share

1740

01:11:24,870 --> 01:11:21,760

that right now

1741

01:11:26,709 --> 01:11:24,880

and we'll see jonah genocide is the one

1742

01:11:29,430 --> 01:11:26,719

who came up with this idea

1743

01:11:29,990 --> 01:11:29,440

that david wilcock would look much more

1744

01:11:31,669 --> 01:11:30,000

cool

1745

01:11:33,750 --> 01:11:31,679

and look more believable with the

1746

01:11:37,030 --> 01:11:33,760

mustache and i gotta say

1747

01:11:38,390 --> 01:11:37,040

i was i was not i did not think the

1748

01:11:41,350 --> 01:11:38,400

genocide was right

1749

01:11:43,350 --> 01:11:41,360

in this theory and assertion of his

1750

01:11:46,149 --> 01:11:43,360

until i see the results

1751

01:11:47,590 --> 01:11:46,159

and i gotta say that i completely and

1752

01:11:50,149 --> 01:11:47,600

totally

1753

01:11:51,510 --> 01:11:50,159

i agree with genocide he looks much more

1754

01:11:54,310 --> 01:11:51,520

believable

1755

01:11:56,470 --> 01:11:54,320

he looks much much more like a friendly

1756

01:11:58,870 --> 01:11:56,480

guy right he could twirl it maybe

1757

01:11:59,510 --> 01:11:58,880

you know hi i'm dave holcock can i tell

1758

01:12:02,390 --> 01:11:59,520

lies

1759

01:12:04,709 --> 01:12:02,400

yeah yeah that's what i do you twirl it

1760

01:12:07,990 --> 01:12:04,719

every once in a while

1761

01:12:11,110 --> 01:12:08,000

oh friends jesus christ

1762

01:12:15,830 --> 01:12:11,120

this is my life now

1763

01:12:21,510 --> 01:12:17,830

i was trying to get nick redfern on my

1764

01:12:24,709 --> 01:12:23,110

yeah let me know how that goes for you

1765

01:12:28,950 --> 01:12:24,719

the only scientist because he's on my

1766

01:12:33,830 --> 01:12:30,950

jordan saylor keeps doubling down epic

1767

01:12:36,790 --> 01:12:33,840

failures yeah there's no

1768

01:12:41,990 --> 01:12:36,800

guilty says nailed it genocide i agree

1769

01:12:49,189 --> 01:12:45,030

yeah i'm trying to get him too he's one

1770

01:12:53,430 --> 01:12:51,590

well i don't know i just think that uh

1771

01:12:56,709 --> 01:12:53,440

you know there's certain levels of

1772

01:12:58,550 --> 01:12:56,719

guests that i could get and uh

1773

01:13:00,950 --> 01:12:58,560

every once in a while i get a good one

1774

01:13:02,550 --> 01:13:00,960

but a lot of people just ignore me

1775

01:13:04,229 --> 01:13:02,560

because i guess the numbers aren't big

1776

01:13:05,990 --> 01:13:04,239

enough for them you know

1777

01:13:08,229 --> 01:13:06,000

a lot of these guys they only want to

1778

01:13:09,750 --> 01:13:08,239

really do a guest show

1779

01:13:12,070 --> 01:13:09,760

on somebody's show so they can sell

1780

01:13:14,229 --> 01:13:12,080

books and if you you know only have

1781

01:13:15,750 --> 01:13:14,239

you know 50 or 100 people watching you

1782

01:13:18,070 --> 01:13:15,760

when the show goes on

1783

01:13:19,590 --> 01:13:18,080

that's not good math for them right it's

1784

01:13:21,189 --> 01:13:19,600

the same thing with these hot psychic

1785

01:13:23,110 --> 01:13:21,199

chicks they all like money too much so

1786

01:13:24,149 --> 01:13:23,120

we can't get any hot psychic chicks as

1787

01:13:30,229 --> 01:13:24,159

guests

1788

01:13:33,990 --> 01:13:32,630

that would be funny find those dildos

1789

01:13:35,510 --> 01:13:34,000

use your psychic powers

1790

01:13:37,189 --> 01:13:35,520

yeah my poor neighbors they're probably

1791

01:13:39,590 --> 01:13:37,199

like what the [ʌ__ʌ] is that guy

1792

01:13:40,550 --> 01:13:39,600

yelling about over there and i the

1793

01:13:43,189 --> 01:13:40,560

thought of like

1794

01:13:44,630 --> 01:13:43,199

the the uh the realization that they're

1795

01:13:46,070 --> 01:13:44,640

sitting over there listening to me

1796

01:13:48,149 --> 01:13:46,080

scream about some

1797

01:13:49,110 --> 01:13:48,159

fake psychic using his superpowers to

1798

01:13:50,550 --> 01:13:49,120

find dildos

1799

01:13:52,310 --> 01:13:50,560

did not occur to me until my wife

1800

01:13:54,070 --> 01:13:52,320

mentioned it so now i think i'm going to

1801

01:13:59,990 --> 01:13:54,080

be a little more self-conscious when i

1802

01:14:04,950 --> 01:14:03,189

yes absolutely actually will my show

1803

01:14:07,110 --> 01:14:04,960

give a platform to actual sky watchers

1804

01:14:09,350 --> 01:14:07,120

looking for evidence today

1805

01:14:11,350 --> 01:14:09,360

uh or will you still be outing charlotte

1806

01:14:13,510 --> 01:14:11,360

and garbage spreaders uh

1807

01:14:14,790 --> 01:14:13,520

well there's no there's no reason i

1808

01:14:18,070 --> 01:14:14,800

can't do both i

1809

01:14:21,110 --> 01:14:18,080

listen we welcome a lot of guests and

1810

01:14:22,790 --> 01:14:21,120

uh you and anybody else that's doing

1811

01:14:23,590 --> 01:14:22,800

credible research would certainly be

1812

01:14:25,510 --> 01:14:23,600

welcome here

1813

01:14:30,709 --> 01:14:25,520

so but i'm yeah i'm still going to be

1814

01:14:35,270 --> 01:14:32,950

he has a good agent that steers him away

1815

01:14:41,110 --> 01:14:35,280

from potential controversy

1816

01:14:45,750 --> 01:14:42,950

i haven't been drunk or had hangover in

1817

01:14:49,189 --> 01:14:45,760

15 years well

1818

01:14:50,870 --> 01:14:49,199

yeah i can't say that i uh you know

1819

01:14:52,709 --> 01:14:50,880

my wife is kind of mad at me because i

1820

01:14:54,709 --> 01:14:52,719

said i was going to do this 75 hard

1821

01:14:56,790 --> 01:14:54,719

thing and quit drinking for 75 days and

1822

01:14:58,709 --> 01:14:56,800

go on a good strict diet and start

1823

01:15:00,390 --> 01:14:58,719

exercising again

1824

01:15:02,630 --> 01:15:00,400

and you know i was going to do that

1825

01:15:05,669 --> 01:15:02,640

january 1st

1826

01:15:06,709 --> 01:15:05,679

and here we are it's january 27th and i

1827

01:15:22,070 --> 01:15:06,719

have not begun

1828

01:15:26,950 --> 01:15:24,870

yes yeah absolutely is it a prerequisite

1829

01:15:30,149 --> 01:15:26,960

that the psychic chicks need to be hot

1830

01:15:30,950 --> 01:15:30,159

yeah i'm sorry uh look if i have to

1831

01:15:33,510 --> 01:15:30,960

choose

1832

01:15:33,990 --> 01:15:33,520

between who i'd rather have on my guest

1833

01:15:36,870 --> 01:15:34,000

list

1834

01:15:38,310 --> 01:15:36,880

a hot psychic chick or a not a hot

1835

01:15:42,310 --> 01:15:38,320

psychic chick

1836

01:15:43,910 --> 01:15:42,320

and uh jody if you don't know

1837

01:15:46,390 --> 01:15:43,920

i'm always busting the balls of

1838

01:15:49,510 --> 01:15:46,400

jean-claude from beyond mystic because

1839

01:15:51,750 --> 01:15:49,520

he's got like 12 hot psychic chicks

1840

01:15:53,350 --> 01:15:51,760

that is our only show it's like one week

1841

01:15:53,750 --> 01:15:53,360

he gets this one and then they all come

1842

01:15:56,229 --> 01:15:53,760

back

1843

01:15:58,470 --> 01:15:56,239

and they're just always on his show he

1844

01:16:00,070 --> 01:15:58,480

got all these he's got the monopoly on

1845

01:16:00,950 --> 01:16:00,080

the hot psychic chicks and i don't think

1846

01:16:02,630 --> 01:16:00,960

it's fair

1847

01:16:04,630 --> 01:16:02,640

i'm gonna complain to the canadian

1848

01:16:06,709 --> 01:16:04,640

government about that guy

1849

01:16:09,990 --> 01:16:06,719

and he's monopolizing the hot psychic

1850

01:16:14,709 --> 01:16:12,630

yeah jill why do all the psychic dudes

1851

01:16:17,270 --> 01:16:14,719

look like they need a shower they do

1852

01:16:19,510 --> 01:16:17,280

they do yeah and they look like they

1853

01:16:21,750 --> 01:16:19,520

they look like they smell like patchouli

1854

01:16:23,990 --> 01:16:21,760

even if you can't smell them like if you

1855

01:16:25,910 --> 01:16:24,000

see them you look at them you go

1856

01:16:36,149 --> 01:16:25,920

that dude smells like patchouli i can

1857

01:16:40,310 --> 01:16:38,390

pizzagate is q is flat earth and the

1858

01:16:44,550 --> 01:16:40,320

mandela effect proved me wrong

1859

01:16:46,390 --> 01:16:44,560

i don't even want to go there conspiracy

1860

01:16:48,630 --> 01:16:46,400

says i could dress up like a hot psychic

1861

01:16:49,750 --> 01:16:48,640

chick if that would help it depends on

1862

01:16:52,950 --> 01:16:49,760

how believable

1863

01:16:56,070 --> 01:16:52,960

right if it's like top grade level

1864

01:16:58,709 --> 01:16:56,080

like you know cross-dressing where you

1865

01:17:01,350 --> 01:16:58,719

really can't tell you're a dude

1866

01:17:02,470 --> 01:17:01,360

then i'm okay with that i will we'll

1867

01:17:05,189 --> 01:17:02,480

we'll work it out

1868

01:17:06,709 --> 01:17:05,199

sure but if it's like five o'clock

1869

01:17:10,390 --> 01:17:06,719

shadow

1870

01:17:12,790 --> 01:17:10,400

flat chest you know bad

1871

01:17:14,950 --> 01:17:12,800

curls dressing no no we don't we don't

1872

01:17:20,149 --> 01:17:14,960

want to go there

1873

01:17:26,630 --> 01:17:24,790

time phone hack yep time time phone hack

1874

01:17:28,070 --> 01:17:26,640

yeah so i guess uh you know we're going

1875

01:17:29,350 --> 01:17:28,080

to call this one a short one

1876

01:17:31,830 --> 01:17:29,360

i really just wanted to come here and

1877

01:17:32,470 --> 01:17:31,840

check in with you guys uh if you're

1878

01:17:36,950 --> 01:17:32,480

really

1879

01:17:38,950 --> 01:17:36,960

uh like i'm trying to describe like

1880

01:17:41,030 --> 01:17:38,960

this conversation that i had with ryan

1881

01:17:43,270 --> 01:17:41,040

gable was more of our usual

1882

01:17:44,070 --> 01:17:43,280

we just ripped into david wilcock for

1883

01:17:46,229 --> 01:17:44,080

two hours

1884

01:17:47,430 --> 01:17:46,239

and he's got his own stories about

1885

01:17:49,030 --> 01:17:47,440

wilcox

1886

01:17:51,510 --> 01:17:49,040

getting him you know trying to get him

1887

01:17:53,030 --> 01:17:51,520

banned from contact in the desert and

1888

01:17:54,870 --> 01:17:53,040

him getting called to terrorists because

1889

01:18:07,110 --> 01:17:54,880

he asked a question

1890

01:18:14,390 --> 01:18:10,390

is your prepper kitty decoder ring is

1891

01:18:17,030 --> 01:18:14,400

glitching genocide yeah maybe

1892

01:18:18,709 --> 01:18:17,040

so any more questions for me in the live

1893

01:18:20,630 --> 01:18:18,719

chat please put them in all caps

1894

01:18:23,910 --> 01:18:20,640

otherwise we're gonna wrap things up

1895

01:18:26,470 --> 01:18:23,920

it has been a long day today two shows

1896

01:18:27,830 --> 01:18:26,480

plus work for future shows i was working

1897

01:18:29,910 --> 01:18:27,840

on this kind of randall interview

1898

01:18:31,830 --> 01:18:29,920

questions as well today

1899

01:18:34,310 --> 01:18:31,840

uh this started to feel like a job for

1900

01:18:35,750 --> 01:18:34,320

me never i can't say that i don't like

1901

01:18:38,070 --> 01:18:35,760

that because

1902

01:18:40,149 --> 01:18:38,080

uh things are sure keeping me busy here

1903

01:18:43,510 --> 01:18:40,159

trying to expand and grow the show

1904

01:18:44,790 --> 01:18:43,520

and things like that you know

1905

01:18:47,110 --> 01:18:44,800

and i'm hopeful that things are going to

1906

01:18:50,550 --> 01:18:47,120

continue to improve for us

1907

01:18:53,510 --> 01:18:50,560

um yeah i have no complaints

1908

01:18:55,189 --> 01:18:53,520

actually i really have no complaints you

1909

01:18:57,030 --> 01:18:55,199

know i was thinking about things today

1910

01:18:58,950 --> 01:18:57,040

and from an attitude of gratitude i'm

1911

01:19:00,470 --> 01:18:58,960

thankful you know i have a great wife i

1912

01:19:02,550 --> 01:19:00,480

have a great life here

1913

01:19:04,630 --> 01:19:02,560

great house i have a cabin in the

1914

01:19:07,669 --> 01:19:04,640

mountains which is a thing of a dream

1915

01:19:10,310 --> 01:19:07,679

that i built with my own two hands i

1916

01:19:11,110 --> 01:19:10,320

you know two beautiful children i love

1917

01:19:14,229 --> 01:19:11,120

uh

1918

01:19:17,590 --> 01:19:14,239

and i have this show to do

1919

01:19:19,189 --> 01:19:17,600

uh we all get our missions in life and

1920

01:19:21,430 --> 01:19:19,199

this has been one of mine

1921

01:19:22,790 --> 01:19:21,440

uh and i can't say that i haven't

1922

01:19:30,310 --> 01:19:22,800

enjoyed every minute of it

1923

01:19:33,750 --> 01:19:32,149

morse code follow the plan do you know

1924

01:19:35,189 --> 01:19:33,760

they actually said that some of the

1925

01:19:35,990 --> 01:19:35,199

communication was going to be happening

1926

01:19:38,070 --> 01:19:36,000

in morse code

1927

01:19:41,669 --> 01:19:38,080

because everybody's getting banned from

1928

01:19:45,830 --> 01:19:45,030

oh yeah those are so very similar alien

1929

01:19:48,790 --> 01:19:45,840

scientists

1930

01:19:49,590 --> 01:19:48,800

i heard about that six or eight months

1931

01:19:51,590 --> 01:19:49,600

ago

1932

01:19:53,110 --> 01:19:51,600

and when you read the bolshevik

1933

01:19:56,870 --> 01:19:53,120

operation trust

1934

01:19:59,990 --> 01:19:56,880

you go holy [h__h] this is stolen from

1935

01:20:03,110 --> 01:20:00,000

soviet era propaganda

1936

01:20:03,990 --> 01:20:03,120

i think it is definitely a possibility

1937

01:20:06,709 --> 01:20:04,000

that somebody

1938

01:20:07,510 --> 01:20:06,719

that was involved with those drops was

1939

01:20:11,189 --> 01:20:07,520

reading

1940

01:20:16,390 --> 01:20:11,199

that operation trust and knew that the

1941

01:20:20,629 --> 01:20:18,550

i wish that connection got more press

1942

01:20:22,790 --> 01:20:20,639

yeah you would think that it would right

1943

01:20:23,830 --> 01:20:22,800

you would think that it would it's so

1944

01:20:25,990 --> 01:20:23,840

similar

1945

01:20:29,350 --> 01:20:26,000

that to me it cannot really just be a

1946

01:20:32,390 --> 01:20:29,360

coincidence it's just too similar

1947

01:20:42,310 --> 01:20:32,400

the whole gist of it is in the is in the

1948

01:20:45,990 --> 01:20:44,709

carrying the scam a lot bear from scare

1949

01:20:49,189 --> 01:20:46,000

bears she's a dark

1950

01:20:50,790 --> 01:20:49,199

hearts go-to bear that's so there's a

1951

01:20:53,990 --> 01:20:50,800

twitter this is

1952

01:21:00,229 --> 01:20:54,000

this is vanessa look this is so funny

1953

01:21:03,350 --> 01:21:00,239

i'll share this as well

1954

01:21:05,189 --> 01:21:03,360

i think that's it yeah there we go

1955

01:21:06,550 --> 01:21:05,199

everything i touch will be drained of

1956

01:21:08,950 --> 01:21:06,560

goodness and kindness

1957

01:21:10,870 --> 01:21:08,960

is that really from the scare bears and

1958

01:21:11,910 --> 01:21:10,880

are the scare bears like the evil care

1959

01:21:15,030 --> 01:21:11,920

bears

1960

01:21:17,110 --> 01:21:15,040

i don't remember i had female uh v

1961

01:21:19,110 --> 01:21:17,120

i had female cousins about my age and

1962

01:21:20,950 --> 01:21:19,120

they used to make me watch care bears

1963

01:21:22,709 --> 01:21:20,960

and some of this [h__\h] sounds familiar to

1964

01:21:24,229 --> 01:21:22,719

me but i don't know

1965

01:21:27,830 --> 01:21:24,239

so the scare bears are they like they're

1966

01:21:32,390 --> 01:21:27,840

like the evil care bears right

1967

01:21:36,870 --> 01:21:34,390

hey we actually have somebody in the

1968

01:21:38,550 --> 01:21:36,880

twitch chat good day what up i checked

1969

01:21:41,590 --> 01:21:38,560

out your truth seekers show

1970

01:21:43,270 --> 01:21:41,600

channel uh glad to see you there

1971

01:21:45,110 --> 01:21:43,280

we're here on youtube as well if you

1972

01:21:48,629 --> 01:21:45,120

want to join in in the live chat

1973

01:21:51,110 --> 01:21:48,639

uh otherwise uh only i will see

1974

01:21:51,910 --> 01:21:51,120

but thank you for being in the twitch

1975

01:21:54,470 --> 01:21:51,920

chat

1976

01:21:57,830 --> 01:21:54,480

welcome you picked a bad time today is

1977

01:22:00,390 --> 01:21:57,840

an uh nothing show with no topic

1978

01:22:01,270 --> 01:22:00,400

ask me anything usually we have

1979

01:22:04,709 --> 01:22:01,280

paranormal

1980

01:22:07,030 --> 01:22:04,719

uh and strange mysterious subjects

1981

01:22:09,270 --> 01:22:07,040

uh and a bit more structured but not

1982

01:22:12,629 --> 01:22:09,280

today but i welcome you to check us out

1983

01:22:14,629 --> 01:22:12,639

and uh please do follow us on twitter we

1984

01:22:16,149 --> 01:22:14,639

need like 15 more followers to get to

1985

01:22:18,790 --> 01:22:16,159

the twitch money

1986

01:22:20,149 --> 01:22:18,800

so uh and anyone else who would like to

1987

01:22:22,070 --> 01:22:20,159

it's twitch.tv

1988

01:22:24,470 --> 01:22:22,080

backslash truthseeker show it really

1989

01:22:27,830 --> 01:22:24,480

would help us out if you went over there

1990

01:22:31,669 --> 01:22:27,840

and uh just followed us on twitch

1991

01:22:35,030 --> 01:22:31,679

help us get to the twitch cash why

1992

01:22:36,790 --> 01:22:35,040

because we like the money

1993

01:22:38,229 --> 01:22:36,800

it's all it's all about the benjamin's

1994

01:22:41,030 --> 01:22:38,239

friends it's

1995

01:22:41,669 --> 01:22:41,040

it's all about the money we gotta get to

1996

01:22:45,350 --> 01:22:41,679

the money

1997

01:22:49,430 --> 01:22:45,360

there's some things we have to do

1998

01:22:51,270 --> 01:22:49,440

like get 15 more twitch followers

1999

01:22:53,910 --> 01:22:51,280

so if you want to help us get to the

2000

01:22:54,950 --> 01:22:53,920

money praise the cash praise the cash

2001

01:22:58,070 --> 01:22:54,960

praise the cash

2002

01:23:00,629 --> 01:22:58,080

go on over to twitch.tv backslash

2003

01:23:02,709 --> 01:23:00,639

truth seeker show all one word

2004

01:23:06,310 --> 01:23:02,719

truthseeker show

2005

01:23:09,910 --> 01:23:06,320

and click that follow button it really

2006

01:23:10,310 --> 01:23:09,920

does help it really does help and please

2007

01:23:13,030 --> 01:23:10,320

to

2008

01:23:14,070 --> 01:23:13,040

also make sure that you like comment and

2009

01:23:16,629 --> 01:23:14,080

share

2010

01:23:17,270 --> 01:23:16,639

on the video here on youtube or on

2011

01:23:20,229 --> 01:23:17,280

facebook

2012

01:23:20,870 --> 01:23:20,239

like comment and share everywhere you

2013

01:23:24,070 --> 01:23:20,880

see it

2014

01:23:26,149 --> 01:23:24,080

that really does help us out

2015

01:23:27,990 --> 01:23:26,159

so i'm going to put the little money up

2016

01:23:30,229 --> 01:23:28,000

take away the big money

2017

01:23:31,910 --> 01:23:30,239

and uh you know i it's funny i was just

2018

01:23:34,229 --> 01:23:31,920

talking to ryan from the

2019

01:23:36,390 --> 01:23:34,239

secret teachings and you know he does a

2020

01:23:38,149 --> 01:23:36,400

five day a week radio show and has for a

2021

01:23:39,669 --> 01:23:38,159

few years now and doesn't have a real

2022

01:23:41,910 --> 01:23:39,679

job i mean he's got to do a lot of

2023

01:23:45,430 --> 01:23:41,920

different things writing books and

2024

01:23:46,629 --> 01:23:45,440

uh doing uh some production work for

2025

01:23:49,430 --> 01:23:46,639

other show hosts

2026

01:23:51,430 --> 01:23:49,440

in his spare time to make you know he's

2027

01:23:52,950 --> 01:23:51,440

got to do a lot of things to make ends

2028

01:23:55,910 --> 01:23:52,960

meet but he's very happy with

2029

01:23:56,629 --> 01:23:55,920

what he's chosen to do with his life and

2030

01:23:58,310 --> 01:23:56,639

you know

2031

01:24:00,229 --> 01:23:58,320

i was talking to him about like the

2032

01:24:01,750 --> 01:24:00,239

whole money situation and

2033

01:24:03,990 --> 01:24:01,760

you know i agree with him i would i

2034

01:24:07,350 --> 01:24:04,000

would rather do what i want to do

2035

01:24:08,790 --> 01:24:07,360

for a lot less money than you know uh

2036

01:24:10,470 --> 01:24:08,800

i'm not going back to sitting in a

2037

01:24:10,870 --> 01:24:10,480

cubicle and wanting to blow my brains

2038

01:24:13,910 --> 01:24:10,880

out

2039

01:24:14,390 --> 01:24:13,920

uh 12-hour day uh anymore i'd rather be

2040

01:24:18,070 --> 01:24:14,400

poor

2041

01:24:23,910 --> 01:24:18,080

uh

2042

01:24:25,189 --> 01:24:23,920

when we were talking ryan and i was kind

2043

01:24:25,990 --> 01:24:25,199

of like we both agree the same thing

2044

01:24:29,430 --> 01:24:26,000

like

2045

01:24:33,270 --> 01:24:29,440

you don't need that much money to live

2046

01:24:35,350 --> 01:24:33,280

and be happy right if you want you know

2047

01:24:37,350 --> 01:24:35,360

million dollar homes and stuff then sure

2048

01:24:41,189 --> 01:24:37,360

you've got a problem

2049

01:24:44,070 --> 01:24:41,199

but i want to live simple and cheap

2050

01:24:45,590 --> 01:24:44,080

as much as i can right and i don't need

2051

01:24:47,510 --> 01:24:45,600

that much

2052

01:24:48,709 --> 01:24:47,520

uh so i'm not looking for millions of

2053

01:24:52,390 --> 01:24:48,719

dollars here but

2054

01:24:54,709 --> 01:24:52,400

uh i would like to make you know if this

2055

01:24:57,510 --> 01:24:54,719

will be a part-time job for me

2056

01:24:58,470 --> 01:24:57,520

and take 20 hours a week to do it or

2057

01:25:00,229 --> 01:24:58,480

more

2058

01:25:01,910 --> 01:25:00,239

then i would like to make the equivalent

2059

01:25:04,070 --> 01:25:01,920

of working at taco bell

2060

01:25:05,830 --> 01:25:04,080

and i don't think that's too much to ask

2061

01:25:09,590 --> 01:25:05,840

the universe so

2062

01:25:11,590 --> 01:25:09,600

we'll see all around arbiter asks who's

2063

01:25:14,070 --> 01:25:11,600

my favorite comedian

2064

01:25:16,070 --> 01:25:14,080

uh i would have to say my favorite

2065

01:25:18,229 --> 01:25:16,080

comedian would probably be

2066

01:25:19,350 --> 01:25:18,239

of all time would probably be george

2067

01:25:21,669 --> 01:25:19,360

carlin

2068

01:25:23,270 --> 01:25:21,679

i really you know just felt some kind of

2069

01:25:27,189 --> 01:25:23,280

connection to him and my father

2070

01:25:28,229 --> 01:25:27,199

loved george garland and even when i was

2071

01:25:29,830 --> 01:25:28,239

like young and

2072

01:25:32,310 --> 01:25:29,840

probably too young to be hearing that

2073

01:25:34,870 --> 01:25:32,320

many curse words my father would let me

2074

01:25:37,270 --> 01:25:34,880

sit up late at night and watch george

2075

01:25:40,629 --> 01:25:37,280

carlin on hbo with him

2076

01:25:43,110 --> 01:25:40,639

and so uh

2077

01:25:44,629 --> 01:25:43,120

yeah i'd say george carlin for a lot of

2078

01:25:46,709 --> 01:25:44,639

reasons but one of which is just

2079

01:25:47,669 --> 01:25:46,719

every time i hear george carlin i think

2080

01:25:49,910 --> 01:25:47,679

of my father

2081

01:25:52,550 --> 01:25:49,920

and the time that i spent with my father

2082

01:25:55,270 --> 01:25:52,560

watching george carlin hbo specials

2083

01:25:57,750 --> 01:25:55,280

and it makes me feel good and george

2084

01:26:01,270 --> 01:25:57,760

carlin is hysterical

2085

01:26:05,669 --> 01:26:01,280

check my twitter dms okay we'll check my

2086

01:26:13,750 --> 01:26:09,830

oh man is this really gonna infect

2087

01:26:22,870 --> 01:26:17,750

okay it is friends it is going to

2088

01:26:26,390 --> 01:26:22,880

infect everything yes

2089

01:26:30,229 --> 01:26:26,400

bernie has made it everywhere including

2090

01:26:33,189 --> 01:26:30,239

my set and that looks pretty realistic

2091

01:26:34,950 --> 01:26:33,199

it really looks like bernie's sitting in

2092

01:26:41,189 --> 01:26:34,960

my background over there

2093

01:26:45,830 --> 01:26:44,390

oh geez yeah george carlin he was so

2094

01:26:48,709 --> 01:26:45,840

awake so long ago

2095

01:26:50,390 --> 01:26:48,719

yeah i love some of his riffs on like

2096

01:26:51,270 --> 01:26:50,400

these rich [h__\h] don't care

2097

01:26:55,030 --> 01:26:51,280

about you

2098

01:26:57,270 --> 01:26:55,040

and and or religion you know

2099

01:26:58,629 --> 01:26:57,280

i love his riff on the catholic church

2100

01:27:01,750 --> 01:26:58,639

it's like

2101

01:27:06,229 --> 01:27:01,760

there's a invisible man up in the sky

2102

01:27:10,390 --> 01:27:06,239

and he's all powerful omnipotent

2103

01:27:11,830 --> 01:27:10,400

but he always needs money he loves you

2104

01:27:13,590 --> 01:27:11,840

but if you don't follow his rules he

2105

01:27:14,390 --> 01:27:13,600

will send you to burn in hell for an

2106

01:27:17,350 --> 01:27:14,400

eternity

2107

01:27:19,350 --> 01:27:17,360

but he loves you yeah he was just a

2108

01:27:21,189 --> 01:27:19,360

great writer and a great

2109

01:27:24,310 --> 01:27:21,199

uh yeah mario he he's having a lot of

2110

01:27:24,320 --> 01:27:29,510

oh geez

2111

01:27:33,669 --> 01:27:31,030

victor stark says yeah i make my own

2112

01:27:36,149 --> 01:27:33,679

schedule screw working at a cubicle

2113

01:27:40,629 --> 01:27:36,159

yeah i just i i couldn't do the

2114

01:27:40,639 --> 01:27:49,910

it probably helps that

2115

01:27:49,920 --> 01:27:59,110

pardon me

2116

01:28:04,790 --> 01:28:02,950

it probably helps that

2117

01:28:07,590 --> 01:28:04,800

the last corporate job that i had was

2118

01:28:11,510 --> 01:28:07,600

the worst job that i ever had

2119

01:28:13,590 --> 01:28:11,520

um corporate wise and terrible boss-wise

2120

01:28:17,669 --> 01:28:13,600

like

2121

01:28:19,669 --> 01:28:17,679

the the my direct superior was the owner

2122

01:28:22,310 --> 01:28:19,679

of the company's daughter

2123

01:28:23,430 --> 01:28:22,320

whose only qualification to have her job

2124

01:28:27,030 --> 01:28:23,440

was

2125

01:28:30,390 --> 01:28:27,040

daughter

2126

01:28:33,510 --> 01:28:30,400

so you can imagine

2127

01:28:34,950 --> 01:28:33,520

uh i did not get along with her she was

2128

01:28:39,030 --> 01:28:34,960

an idiot

2129

01:28:41,590 --> 01:28:39,040

and uh a very nasty

2130

01:28:43,510 --> 01:28:41,600

person you know like a poor little rich

2131

01:28:44,149 --> 01:28:43,520

girl that never really had a work in our

2132

01:28:47,270 --> 01:28:44,159

life

2133

01:28:51,270 --> 01:28:49,669

yeah seller marshal there isn't many

2134

01:28:54,470 --> 01:28:51,280

jobs out there anyway

2135

01:28:57,669 --> 01:28:54,480

yeah that's why dan i decided that

2136

01:28:59,189 --> 01:28:57,679

i'm just going to try to work for myself

2137

01:29:01,990 --> 01:28:59,199

and there have been various times in my

2138

01:29:05,990 --> 01:29:02,000

life when i have just worked for myself

2139

01:29:08,229 --> 01:29:06,000

and sometimes i've been

2140

01:29:10,629 --> 01:29:08,239

more successful working for myself and

2141

01:29:14,470 --> 01:29:10,639

sometimes i've been a total failure

2142

01:29:17,669 --> 01:29:14,480

uh working for myself so

2143

01:29:18,950 --> 01:29:17,679

we'll see how this is um you know i'm

2144

01:29:20,390 --> 01:29:18,960

sorry to hear that he says i know i'm

2145

01:29:22,870 --> 01:29:20,400

going to end up working in a [ʌ__ʌ]

2146

01:29:26,950 --> 01:29:25,590

yeah yeah the jobs are drying up you

2147

01:29:28,709 --> 01:29:26,960

know they're trying to kill everybody in

2148

01:29:29,030 --> 01:29:28,719

the middle class they want you to either

2149

01:29:33,350 --> 01:29:29,040

be

2150

01:29:35,189 --> 01:29:33,360

poor and completely dependent on the

2151
01:29:36,629 --> 01:29:35,199
government for everything those that's

2152
01:29:40,950 --> 01:29:36,639
what they want

2153
01:29:48,470 --> 01:29:42,950
steamed ham collective is in the twitch

2154
01:29:51,830 --> 01:29:50,149
yeah sir marshall i agree with you

2155
01:29:53,590 --> 01:29:51,840
things are drying up they really are

2156
01:29:54,950 --> 01:29:53,600
yeah all the jobs are gone

2157
01:29:57,030 --> 01:29:54,960
they killed off half the small

2158
01:29:58,470 --> 01:29:57,040
businesses so like of course there's a

2159
01:30:00,390 --> 01:29:58,480
lot of jobs

2160
01:30:02,070 --> 01:30:00,400
they're just not there anymore okay this

2161
01:30:02,390 --> 01:30:02,080
is victor okay thanks for letting us

2162
01:30:04,390 --> 01:30:02,400
know

2163
01:30:05,990 --> 01:30:04,400

thanks for going over to the twitch chat

2164

01:30:07,270 --> 01:30:06,000

please click that follow button while

2165

01:30:10,709 --> 01:30:07,280

you're over there victor help but

2166

01:30:14,709 --> 01:30:13,110

yeah i believe bernie is jason quit's

2167

01:30:16,629 --> 01:30:14,719

fault he started with chandra blame it

2168

01:30:20,950 --> 01:30:16,639

on quit

2169

01:30:24,550 --> 01:30:20,960

yeah human futures market

2170

01:30:27,750 --> 01:30:24,560

is paying huge uh

2171

01:30:29,350 --> 01:30:27,760

i'll have to look into that all around

2172

01:30:31,189 --> 01:30:29,360

arbiter says i don't want to be rich i

2173

01:30:35,590 --> 01:30:31,199

want to be comfortable

2174

01:30:37,910 --> 01:30:35,600

um yeah i

2175

01:30:40,470 --> 01:30:37,920

i guess i learned a long time ago that

2176

01:30:43,189 --> 01:30:40,480

money really can't make you happy

2177

01:30:44,550 --> 01:30:43,199

uh it can make you more secure i think

2178

01:30:46,310 --> 01:30:44,560

and it can make you

2179

01:30:48,229 --> 01:30:46,320

more comfortable but it can't make you

2180

01:30:51,669 --> 01:30:48,239

happy right

2181

01:30:54,390 --> 01:30:51,679

um i guess i'm fortunate like the things

2182

01:30:56,470 --> 01:30:54,400

that make me happy are like

2183

01:30:58,310 --> 01:30:56,480

stupid things to most people like

2184

01:30:59,350 --> 01:30:58,320

something creative or artistic that i

2185

01:31:01,750 --> 01:30:59,360

did or

2186

01:31:03,750 --> 01:31:01,760

a computer problem that i solved or

2187

01:31:04,229 --> 01:31:03,760

computer code that i've written that i

2188

01:31:05,669 --> 01:31:04,239

think

2189

01:31:08,149 --> 01:31:05,679

does something interesting that other

2190

01:31:10,790 --> 01:31:08,159

computer coders haven't done and like

2191

01:31:11,910 --> 01:31:10,800

yeah i have weird goals for what makes

2192

01:31:14,149 --> 01:31:11,920

me happy

2193

01:31:16,310 --> 01:31:14,159

and of course my kids and my wife make

2194

01:31:17,030 --> 01:31:16,320

me very happy sometimes they drive me

2195

01:31:21,990 --> 01:31:17,040

nuts too

2196

01:31:26,870 --> 01:31:23,990

but generally i learned that money

2197

01:31:30,229 --> 01:31:26,880

really money cannot make you happy

2198

01:31:33,110 --> 01:31:30,239

so you have to uh

2199

01:31:33,510 --> 01:31:33,120

learn to find happiness and other things

2200

01:31:35,189 --> 01:31:33,520

and

2201
01:31:37,189 --> 01:31:35,199
it's probably good that money can't make

2202
01:31:39,350 --> 01:31:37,199
you happy because

2203
01:31:41,110 --> 01:31:39,360
i don't know about you guys but i've

2204
01:31:41,990 --> 01:31:41,120
known a lot of wealthy people that were

2205
01:31:44,070 --> 01:31:42,000
miserable

2206
01:31:46,070 --> 01:31:44,080
[h__\h] like that boss that i

2207
01:31:52,149 --> 01:31:46,080
mentioned that i worked for

2208
01:31:57,110 --> 01:31:55,270
just can't even describe how nasty of a

2209
01:32:00,310 --> 01:31:57,120
person that she was

2210
01:32:03,750 --> 01:32:00,320
she actually asked me if i was [h__\h]

2211
01:32:05,110 --> 01:32:03,760
in front of like 40 people in a big

2212
01:32:08,229 --> 01:32:05,120
meeting once

2213
01:32:09,910 --> 01:32:08,239

she asked me on a microphone if i was

2214

01:32:13,590 --> 01:32:09,920

[h__\h]

2215

01:32:16,390 --> 01:32:13,600

in front of 40 people and then

2216

01:32:17,990 --> 01:32:16,400

it turns out that she was the one that

2217

01:32:21,030 --> 01:32:18,000

made the mistake

2218

01:32:22,310 --> 01:32:21,040

that she was calling me [h__\h] for and

2219

01:32:25,350 --> 01:32:22,320

when i

2220

01:32:28,709 --> 01:32:25,360

showed on the like projector on the

2221

01:32:31,990 --> 01:32:28,719

you know let's

2222

01:32:34,310 --> 01:32:32,000

advance the slide one once advance the

2223

01:32:37,110 --> 01:32:34,320

slide i made all the slides for her

2224

01:32:38,229 --> 01:32:37,120

for the powerpoint so she's asking me if

2225

01:32:40,870 --> 01:32:38,239

i'm [h__\h]

2226

01:32:42,709 --> 01:32:40,880

and then the slide advances and she's

2227

01:32:44,390 --> 01:32:42,719

completely and totally wrong

2228

01:32:45,990 --> 01:32:44,400

and what she's blaming me for being

2229

01:32:48,709 --> 01:32:46,000

[h__\h] for

2230

01:32:50,470 --> 01:32:48,719

and then i almost got fired because i

2231

01:32:51,830 --> 01:32:50,480

made her look like a dummy for calling

2232

01:32:55,750 --> 01:32:51,840

me [h__\h]

2233

01:32:57,990 --> 01:32:55,760

that's corporate america it's awesome

2234

01:32:58,870 --> 01:32:58,000

but she was a nasty nasty miserable

2235

01:33:01,030 --> 01:32:58,880

person

2236

01:33:02,950 --> 01:33:01,040

like who does that who asked somebody if

2237

01:33:04,470 --> 01:33:02,960

they're [h__\h] in front of 40 people

2238

01:33:08,550 --> 01:33:04,480

in a business meeting

2239

01:33:10,870 --> 01:33:08,560

you know yeah yeah oh v

2240

01:33:12,950 --> 01:33:10,880

you have no idea my wife wanted to go up

2241

01:33:14,790 --> 01:33:12,960

there and beat the [h__h] out of her

2242

01:33:15,990 --> 01:33:14,800

because my wife doesn't play she's from

2243

01:33:16,950 --> 01:33:16,000

a place in philadelphia called

2244

01:33:19,110 --> 01:33:16,960

kensington

2245

01:33:20,470 --> 01:33:19,120

look it up it's like heroin capital of

2246

01:33:22,950 --> 01:33:20,480

the world just

2247

01:33:26,310 --> 01:33:22,960

hookers and pips and crackheads oh my

2248

01:33:28,070 --> 01:33:26,320

it's a ghetto she don't play

2249

01:33:29,510 --> 01:33:28,080

well now it's funny she's all college

2250

01:33:31,510 --> 01:33:29,520

educated and much

2251

01:33:33,030 --> 01:33:31,520

calmer now but when we were younger she

2252

01:33:36,550 --> 01:33:33,040

would have punched that girl out for

2253

01:33:38,790 --> 01:33:36,560

saying that

2254

01:33:41,110 --> 01:33:38,800

and i was so miserable there me i would

2255

01:33:43,990 --> 01:33:41,120

go there and i would like

2256

01:33:44,950 --> 01:33:44,000

i would sit in my car like at lunch just

2257

01:33:46,629 --> 01:33:44,960

to just walk

2258

01:33:48,550 --> 01:33:46,639

out of there i wouldn't i didn't want to

2259

01:33:50,390 --> 01:33:48,560

even eat with those people or sit

2260

01:33:52,470 --> 01:33:50,400

near people or talk to anybody because i

2261

01:33:55,590 --> 01:33:52,480

hated everything about the place i hated

2262

01:33:57,910 --> 01:33:55,600

my boss i hated my job hate my life i

2263

01:34:00,470 --> 01:33:57,920

remember i was driving to work one day

2264

01:34:02,149 --> 01:34:00,480

and somebody swerved and almost made me

2265

01:34:04,149 --> 01:34:02,159

go into a ditch

2266

01:34:05,830 --> 01:34:04,159

you know like i had a swerve to avoid

2267

01:34:07,350 --> 01:34:05,840

this guy that cut me off and i almost

2268

01:34:07,990 --> 01:34:07,360

went into the ditch into the side of the

2269

01:34:10,310 --> 01:34:08,000

road

2270

01:34:11,510 --> 01:34:10,320

and i remember thinking like man i could

2271

01:34:13,430 --> 01:34:11,520

have been killed

2272

01:34:15,030 --> 01:34:13,440

and then i thought damn i'm a little

2273

01:34:16,790 --> 01:34:15,040

disappointed because at least if i got

2274

01:34:17,990 --> 01:34:16,800

killed in a car crash i wouldn't have to

2275

01:34:22,149 --> 01:34:18,000

go to this [h__h] job

2276

01:34:26,550 --> 01:34:25,110

i bet mrs c is great sorry marshall i'll

2277

01:34:29,510 --> 01:34:26,560

tell you a funny story

2278

01:34:30,070 --> 01:34:29,520

and my wife she just not does not like

2279

01:34:33,110 --> 01:34:30,080

when

2280

01:34:35,990 --> 01:34:33,120

i bring this stuff up but

2281

01:34:36,950 --> 01:34:36,000

i used to do this one music show and

2282

01:34:39,430 --> 01:34:36,960

there would be

2283

01:34:40,709 --> 01:34:39,440

uh girls dancing in a cage and for a

2284

01:34:43,669 --> 01:34:40,719

while it was my

2285

01:34:44,830 --> 01:34:43,679

current wife was one of the cage dancers

2286

01:34:49,189 --> 01:34:44,840

and some big

2287

01:34:52,070 --> 01:34:49,199

dude huge biker dude he had to be like

2288

01:34:52,709 --> 01:34:52,080

six foot eight i'm not i'm six four and

2289

01:34:57,030 --> 01:34:52,719

a dude

2290

01:34:59,350 --> 01:34:57,040

towered me and he was huge he's like 350

2291

01:35:01,990 --> 01:34:59,360

maybe 400 pounds six foot eight

2292

01:35:04,070 --> 01:35:02,000

big fat guy he goes up and he's trying

2293

01:35:04,390 --> 01:35:04,080

to reach into the cage and like feel her

2294

01:35:07,270 --> 01:35:04,400

up

2295

01:35:08,070 --> 01:35:07,280

she punched him in the face punched this

2296

01:35:11,350 --> 01:35:08,080

huge guy

2297

01:35:13,910 --> 01:35:11,360

in the face from a cage that's awesome

2298

01:35:15,109 --> 01:35:13,920

uh and then always i was like oh my god

2299

01:35:17,510 --> 01:35:15,119

we're all gonna get killed

2300

01:35:18,950 --> 01:35:17,520

but he laughed it off and so did all his

2301
01:35:20,229 --> 01:35:18,960
biker friends and they're like yeah

2302
01:35:23,910 --> 01:35:20,239
don't [\h__\h] with her

2303
01:35:25,830 --> 01:35:23,920
you know she'll [\h__\h] knock you out

2304
01:35:27,510 --> 01:35:25,840
and uh and then he was friendly he was

2305
01:35:29,030 --> 01:35:27,520
like yeah i'm sorry i was a little drunk

2306
01:35:31,030 --> 01:35:29,040
i shouldn't have reached in the cage bro

2307
01:35:32,550 --> 01:35:31,040
i'm sorry and i was like oh that's quite

2308
01:35:36,310 --> 01:35:32,560
right don't eat me

2309
01:35:40,229 --> 01:35:38,390
oh wow check this out if you ever want

2310
01:35:41,830 --> 01:35:40,239
any truth seekers embroidered patchers

2311
01:35:43,350 --> 01:35:41,840
or vital stickers hit me up i'm an

2312
01:35:45,030 --> 01:35:43,360
artist and do all my own work

2313
01:35:46,870 --> 01:35:45,040

now i make money during this [\h__\h]

2314

01:35:50,870 --> 01:35:46,880

shameless self promo

2315

01:35:52,310 --> 01:35:50,880

over yeah hey lula uh do me a favor i'm

2316

01:35:54,390 --> 01:35:52,320

interested in

2317

01:35:56,790 --> 01:35:54,400

all that stuff i'd like to have some

2318

01:35:59,350 --> 01:35:56,800

swag to give away to people

2319

01:36:00,950 --> 01:35:59,360

uh that would be very beneficial so

2320

01:36:04,310 --> 01:36:00,960

let's do this

2321

01:36:06,310 --> 01:36:04,320

uh where is that i know i have it here

2322

01:36:08,950 --> 01:36:06,320

somewhere

2323

01:36:09,990 --> 01:36:08,960

oh here this is my email address just

2324

01:36:11,910 --> 01:36:10,000

drop me an email

2325

01:36:13,669 --> 01:36:11,920

and remind me that you do the vinyl

2326

01:36:16,629 --> 01:36:13,679

patches and

2327

01:36:18,149 --> 01:36:16,639

and embroidery stuff because uh yeah we

2328

01:36:21,990 --> 01:36:18,159

could use some show swag

2329

01:36:24,070 --> 01:36:22,000

that would be great i would like that

2330

01:36:25,430 --> 01:36:24,080

but then then we're gonna have to like

2331

01:36:33,430 --> 01:36:25,440

mail stuff to people

2332

01:36:37,990 --> 01:36:37,350

oh okay 15 minus one is conspiracy 14

2333

01:36:41,189 --> 01:36:38,000

more needed

2334

01:36:41,830 --> 01:36:41,199

yeah i think we have 35 followers and i

2335

01:36:49,189 --> 01:36:41,840

needed

2336

01:36:54,870 --> 01:36:52,470

i think that's it i think we had

2337

01:36:57,510 --> 01:36:54,880

35 and we need 50 to get to the twitch

2338

01:37:01,430 --> 01:36:59,750

but then i was wrong before i thought we

2339

01:37:02,229 --> 01:37:01,440

only needed 10 twitch followers to get

2340

01:37:04,550 --> 01:37:02,239

to the twitch

2341

01:37:06,790 --> 01:37:04,560

i don't know how twitch works twitch is

2342

01:37:08,629 --> 01:37:06,800

kind of annoying me because

2343

01:37:09,910 --> 01:37:08,639

sometimes i look at twitch and and we've

2344

01:37:12,790 --> 01:37:09,920

only gotten

2345

01:37:13,590 --> 01:37:12,800

like 10 views or something and it's been

2346

01:37:15,750 --> 01:37:13,600

two weeks

2347

01:37:16,870 --> 01:37:15,760

or something and then sometimes i look

2348

01:37:19,669 --> 01:37:16,880

on and then i go oh

2349

01:37:20,550 --> 01:37:19,679

35 views okay so twitch is worth it

2350

01:37:23,109 --> 01:37:20,560

right

2351

01:37:23,990 --> 01:37:23,119

it's like just enough views over there

2352

01:37:26,629 --> 01:37:24,000

to continue

2353

01:37:28,229 --> 01:37:26,639

using it uh but it doesn't seem like

2354

01:37:31,270 --> 01:37:28,239

it's growing

2355

01:37:33,910 --> 01:37:31,280

and people are over there looking for um

2356

01:37:35,830 --> 01:37:33,920

hot girls playing fortnite they're not

2357

01:37:36,950 --> 01:37:35,840

over there looking for shows like ours

2358

01:37:38,790 --> 01:37:36,960

but

2359

01:37:40,629 --> 01:37:38,800

twitch was an option i had a twitch

2360

01:37:46,870 --> 01:37:40,639

account so we went

2361

01:37:50,709 --> 01:37:50,149

louis says great all sweet i'll get with

2362

01:37:54,470 --> 01:37:50,719

you good

2363

01:37:57,750 --> 01:37:56,550

card paul cargo's asking are you posting

2364

01:38:00,470 --> 01:37:57,760

to rumble no

2365

01:38:02,870 --> 01:38:00,480

uh but i did post a show to dailymotion

2366

01:38:05,270 --> 01:38:02,880

and that only got four views

2367

01:38:07,189 --> 01:38:05,280

i'm gonna sign up for rumble i went to

2368

01:38:08,310 --> 01:38:07,199

sign up for rumble paul cargo but again

2369

01:38:11,030 --> 01:38:08,320

my phone is dead

2370

01:38:13,669 --> 01:38:11,040

and they make you verify your account

2371

01:38:16,149 --> 01:38:13,679

with the phone before you can upload

2372

01:38:17,750 --> 01:38:16,159

so i'm gonna have to uh get my phone

2373

01:38:21,430 --> 01:38:17,760

fixed tomorrow

2374

01:38:26,149 --> 01:38:23,830

finish signing up for rumble what about

2375

01:38:29,350 --> 01:38:26,159

the live d-live is on my list

2376

01:38:30,629 --> 01:38:29,360

and bit shoot and periscope but i think

2377

01:38:32,470 --> 01:38:30,639

isn't periscope the one that's going

2378

01:38:34,550 --> 01:38:32,480

away so that one's off my list

2379

01:38:35,910 --> 01:38:34,560

d live and bit shoot are on my list once

2380

01:38:36,709 --> 01:38:35,920

we do the software upgrade we're going

2381

01:38:48,390 --> 01:38:36,719

to be going to d

2382

01:38:53,750 --> 01:38:51,590

yeah i definitely do need more subs too

2383

01:38:55,750 --> 01:38:53,760

what are you gonna do you know you know

2384

01:38:57,910 --> 01:38:55,760

i kind of think like the show's going

2385

01:38:58,950 --> 01:38:57,920

okay

2386

01:39:01,990 --> 01:38:58,960

you know one of the things i was

2387

01:39:03,590 --> 01:39:02,000

wondering about is uh

2388

01:39:05,350 --> 01:39:03,600

once we reach a point where there's too

2389

01:39:07,430 --> 01:39:05,360

many people in the live chat for people

2390

01:39:11,109 --> 01:39:07,440

to even keep up with the live chat

2391

01:39:13,350 --> 01:39:11,119

then the live chat will sort of not be

2392

01:39:15,350 --> 01:39:13,360

what it is now and that might be a

2393

01:39:16,950 --> 01:39:15,360

problem like what if it gets so busy in

2394

01:39:18,870 --> 01:39:16,960

the live chat that you can't even read

2395

01:39:20,229 --> 01:39:18,880

it because i've seen some live chat like

2396

01:39:23,109 --> 01:39:20,239

you know like that where they're going

2397

01:39:25,030 --> 01:39:23,119

so fast you can't read you can't have a

2398

01:39:28,390 --> 01:39:25,040

conversation with people you can't keep

2399

01:39:29,750 --> 01:39:28,400

up um

2400

01:39:32,070 --> 01:39:29,760

okay but it looks like i posted

2401

01:39:34,709 --> 01:39:32,080

something like we got 18 000 views or

2402

01:39:37,750 --> 01:39:34,719

something in the past 28 days

2403

01:39:40,070 --> 01:39:37,760

so uh let me i'm sorry

2404

01:39:41,910 --> 01:39:40,080

let me check what what the actual number

2405

01:39:43,669 --> 01:39:41,920

is because

2406

01:39:45,910 --> 01:39:43,679

once in a while i talk about numbers and

2407

01:39:46,629 --> 01:39:45,920

then somebody messaged me some nasty

2408

01:39:50,390 --> 01:39:46,639

thing like

2409

01:39:52,870 --> 01:39:50,400

you didn't get 18 000 views you got

2410

01:39:54,470 --> 01:39:52,880

16 000 views or you know because i got

2411

01:39:56,390 --> 01:39:54,480

the number wrong

2412

01:39:58,390 --> 01:39:56,400

like i'm trying to be deceptive versus

2413

01:40:04,709 --> 01:39:58,400

you know like no i just

2414

01:40:07,750 --> 01:40:07,109

oh okay yeah so i was wrong our youtube

2415

01:40:11,189 --> 01:40:07,760

channel got

2416

01:40:13,350 --> 01:40:11,199

13 418 views in the past 28 days

2417

01:40:15,990 --> 01:40:13,360

i think that's pretty good especially

2418

01:40:18,709 --> 01:40:16,000

for an unmonetized channel that's new

2419

01:40:19,990 --> 01:40:18,719

uh with the new kind of show new kind of

2420

01:40:27,030 --> 01:40:20,000

format

2421

01:40:30,390 --> 01:40:29,030

yeah i am at a thousand i'm at a

2422

01:40:34,310 --> 01:40:30,400

thousand thirteen

2423

01:40:36,709 --> 01:40:34,320

right now we just uh

2424

01:40:38,950 --> 01:40:36,719

we just passed a thousand and so we can

2425

01:40:41,109 --> 01:40:38,960

get the super chat donations soon

2426
01:40:42,629 --> 01:40:41,119
keep having good guests i'm trying man

2427
01:40:52,070 --> 01:40:42,639
you know it's not easy

2428
01:40:57,830 --> 01:40:55,830
uh-oh what happens when the bible belt

2429
01:41:00,149 --> 01:40:57,840
letter tards realize that they were

2430
01:41:01,350 --> 01:41:00,159
psyops bolshevik style and the real

2431
01:41:03,750 --> 01:41:01,360
conspiracy is

2432
01:41:04,709 --> 01:41:03,760
alien technology i don't know what

2433
01:41:06,229 --> 01:41:04,719
happens

2434
01:41:07,750 --> 01:41:06,239
they're freaking out now they're having

2435
01:41:09,350 --> 01:41:07,760
quite some of them are having quite the

2436
01:41:11,030 --> 01:41:09,360
meltdown right

2437
01:41:16,830 --> 01:41:11,040
the nanobots are in the black goo they

2438
01:41:20,629 --> 01:41:18,470

exactly

2439

01:41:21,669 --> 01:41:20,639

yeah promises promises solar marshall

2440

01:41:26,709 --> 01:41:21,679

yeah get a couple of

2441

01:41:31,430 --> 01:41:28,629

have some people that others don't have

2442

01:41:33,750 --> 01:41:31,440

on um you know i'm all for suggestions

2443

01:41:38,229 --> 01:41:33,760

so if anybody has any contacts

2444

01:41:41,590 --> 01:41:40,229

one second i just got to check my email

2445

01:41:45,270 --> 01:41:41,600

because i don't want to misspeak the

2446

01:41:51,430 --> 01:41:49,109

okay so uh i keep getting people to tell

2447

01:41:58,709 --> 01:41:51,440

me about this one book

2448

01:42:02,149 --> 01:42:01,750

a book written by david halperin it's

2449

01:42:04,310 --> 01:42:02,159

called

2450

01:42:05,270 --> 01:42:04,320

intimate alien the hidden story of the

2451

01:42:06,709 --> 01:42:05,280

ufo

2452

01:42:08,950 --> 01:42:06,719

and it was published by stanford

2453

01:42:11,750 --> 01:42:08,960

university press in 2020

2454

01:42:12,790 --> 01:42:11,760

so i keep hearing about that author and

2455

01:42:15,590 --> 01:42:12,800

uh

2456

01:42:16,950 --> 01:42:15,600

we got in touch with each other and he's

2457

01:42:18,550 --> 01:42:16,960

scheduled to be a guest

2458

01:42:20,070 --> 01:42:18,560

but he wants to send me the book and

2459

01:42:20,870 --> 01:42:20,080

give me a little bit of time to read it

2460

01:42:22,790 --> 01:42:20,880

before i

2461

01:42:24,550 --> 01:42:22,800

interview him and that's certainly the

2462

01:42:25,830 --> 01:42:24,560

best way to do it i want to read the

2463

01:42:28,790 --> 01:42:25,840

book anyway

2464

01:42:29,270 --> 01:42:28,800

so uh i just gave my address and he sent

2465

01:42:31,910 --> 01:42:29,280

the book

2466

01:42:33,189 --> 01:42:31,920

uh probably in the last day or so so

2467

01:42:35,030 --> 01:42:33,199

that's an upcoming guest

2468

01:42:38,149 --> 01:42:35,040

i don't know about any more upcoming

2469

01:42:42,070 --> 01:42:40,070

have carrie cassidy on she will do your

2470

01:42:43,910 --> 01:42:42,080

show not if she knows

2471

01:42:45,750 --> 01:42:43,920

we've been calling her crazy cassidy for

2472

01:42:49,270 --> 01:42:45,760

two months but uh

2473

01:42:50,870 --> 01:42:49,280

we'll see i would i would

2474

01:42:52,870 --> 01:42:50,880

try to interview her she won't let me

2475

01:42:54,830 --> 01:42:52,880

talk though she talks over everyone so

2476

01:43:01,990 --> 01:42:54,840

that would be a real tough interview i

2477

01:43:06,470 --> 01:43:03,990

tracy beds pamphlet microchip lost

2478

01:43:09,350 --> 01:43:06,480

control of the trip code back in 2018

2479

01:43:10,790 --> 01:43:09,360

sorry but letter tyler white rabbit and

2480

01:43:19,510 --> 01:43:10,800

circuit 3301

2481

01:43:23,590 --> 01:43:21,430

no man yeah what am i going to do i'll

2482

01:43:25,189 --> 01:43:23,600

just mark all the shows private and then

2483

01:43:26,229 --> 01:43:25,199

call her and try to get her to come on

2484

01:43:29,910 --> 01:43:26,239

the show

2485

01:43:38,950 --> 01:43:33,830

get the pillow guy as a sponsor sure

2486

01:43:41,430 --> 01:43:38,960

yeah yeah

2487

01:43:42,550 --> 01:43:41,440

this genocide is over there into twitch

2488

01:43:43,990 --> 01:43:42,560

chat

2489

01:43:45,830 --> 01:43:44,000

nice to see some people over in the

2490

01:43:48,149 --> 01:43:45,840

twitch chat

2491

01:43:49,990 --> 01:43:48,159

have that jason quick guy on that

2492

01:43:51,910 --> 01:43:50,000

everybody says that he sucks

2493

01:43:53,109 --> 01:43:51,920

i don't want to have a guess that nobody

2494

01:43:55,510 --> 01:43:53,119

likes odd

2495

01:43:57,990 --> 01:43:55,520

come on no he probably will be actually

2496

01:44:00,950 --> 01:43:58,000

it's funny

2497

01:44:03,830 --> 01:44:00,960

i have jason quit's book right here it's

2498

01:44:07,510 --> 01:44:03,840

called forbidden knowledge

2499

01:44:09,669 --> 01:44:07,520

right revelations of a multi-dimensional

2500

01:44:11,109 --> 01:44:09,679

time traveler by jason quit and bob

2501

01:44:12,550 --> 01:44:11,119

mittell and we're going to be starting

2502

01:44:14,629 --> 01:44:12,560

a book club reading this

2503

01:44:16,470 --> 01:44:14,639

and by the way like somebody already

2504

01:44:17,109 --> 01:44:16,480

gave me a load of [h__h] in the comments

2505

01:44:19,510 --> 01:44:17,119

like

2506

01:44:21,510 --> 01:44:19,520

oh some secret space program guys a

2507

01:44:22,310 --> 01:44:21,520

lying [h__h] but a multi-dimensional

2508

01:44:25,669 --> 01:44:22,320

time traveler

2509

01:44:27,350 --> 01:44:25,679

with no evidence is real and you know i

2510

01:44:32,709 --> 01:44:27,360

think there's a vast difference between

2511

01:44:38,229 --> 01:44:36,070

the spider story she believes that

2512

01:44:43,750 --> 01:44:38,239

kerry talks as much as jonah side i know

2513

01:44:47,030 --> 01:44:45,590

she will never find the videos

2514

01:44:48,629 --> 01:44:47,040

band-mouthing her

2515

01:44:57,990 --> 01:44:48,639

she has the research skills of a

2516

01:45:01,189 --> 01:44:59,350

i don't think it's gonna work but i

2517

01:45:02,390 --> 01:45:01,199

could try it i could try an alien

2518

01:45:04,070 --> 01:45:02,400

scientist

2519

01:45:05,669 --> 01:45:04,080

she knows who i am though because i was

2520

01:45:09,030 --> 01:45:05,679

once in joan claude's

2521

01:45:10,629 --> 01:45:09,040

live chat and he put like some questions

2522

01:45:13,430 --> 01:45:10,639

that i had in the live chat

2523

01:45:15,189 --> 01:45:13,440

up on the screen and asked her and she

2524

01:45:18,390 --> 01:45:15,199

got real nasty

2525

01:45:21,430 --> 01:45:20,310

i don't think she likes me but she knows

2526

01:45:24,709 --> 01:45:21,440

who i am so

2527

01:45:26,070 --> 01:45:24,719

that yeah that may not work out trying

2528

01:45:28,629 --> 01:45:26,080

to like

2529

01:45:29,430 --> 01:45:28,639

you know twist her arm into uh into

2530

01:45:33,109 --> 01:45:29,440

doing

2531

01:45:37,750 --> 01:45:35,990

i am going to check check in to make

2532

01:45:40,950 --> 01:45:37,760

sure that i have no

2533

01:45:42,390 --> 01:45:40,960

other important messages sometimes

2534

01:45:44,229 --> 01:45:42,400

people email me stuff right in the

2535

01:45:45,910 --> 01:45:44,239

middle of the show and then they go

2536

01:45:47,430 --> 01:45:45,920

why didn't you use that thing i emailed

2537

01:45:50,629 --> 01:45:47,440

you and then i have to say

2538

01:45:51,510 --> 01:45:50,639

because i didn't check my email during

2539

01:45:53,270 --> 01:45:51,520

the show

2540

01:45:55,590 --> 01:45:53,280

so i'm gonna make it a point to check

2541

01:45:56,950 --> 01:45:55,600

every show at the beginning and the end

2542

01:45:58,629 --> 01:45:56,960

and here we are now so i don't have

2543

01:46:03,510 --> 01:45:58,639

anything that's

2544

01:46:07,350 --> 01:46:05,430

and it looks like the numbers tonight

2545

01:46:08,950 --> 01:46:07,360

not so good so i think we're better off

2546

01:46:11,669 --> 01:46:08,960

doing the show earlier

2547

01:46:12,709 --> 01:46:11,679

and i'm going to continue to probably do

2548

01:46:15,350 --> 01:46:12,719

the show

2549

01:46:16,790 --> 01:46:15,360

around between seven and eight pm start

2550

01:46:18,470 --> 01:46:16,800

time every day

2551
01:46:20,950 --> 01:46:18,480
that seems to be the sweet spot for us

2552
01:46:25,030 --> 01:46:20,960
where we get the the better views

2553
01:46:27,910 --> 01:46:25,040
right we get more views certainly

2554
01:46:35,430 --> 01:46:27,920
at those times that we have been lately

2555
01:46:38,470 --> 01:46:37,350
mystic virtue with the latest youtube

2556
01:46:41,270 --> 01:46:38,480
comment on our channel

2557
01:46:43,510 --> 01:46:41,280
says lara eisenhower and her kids

2558
01:46:45,590 --> 01:46:43,520
attended my presentation in 2010

2559
01:46:47,189 --> 01:46:45,600
she is a flake just rattles on about

2560
01:46:51,750 --> 01:46:47,199
nothing

2561
01:46:55,189 --> 01:46:51,760
and i can't say i disagree uh

2562
01:46:59,270 --> 01:46:55,199
and i'm going to remind everyone that

2563
01:47:03,430 --> 01:46:59,280

uh there is a simulcast later on tonight

2564

01:47:08,229 --> 01:47:06,149

there's another show and it's actually a

2565

01:47:12,470 --> 01:47:08,239

joint show

2566

01:47:15,750 --> 01:47:12,480

that is between uh ryan gable from

2567

01:47:18,149 --> 01:47:15,760

the secret teachings and us here at

2568

01:47:22,070 --> 01:47:18,159

truth seekers

2569

01:47:27,990 --> 01:47:22,080

one second let me see if we can get that

2570

01:47:34,830 --> 01:47:32,070

yes i can see if we can share that just

2571

01:47:34,840 --> 01:47:40,310

that

2572

01:47:47,030 --> 01:47:45,350

wow so uh in 45 minutes

2573

01:47:49,109 --> 01:47:47,040

uh this is going to premiere so i have

2574

01:47:50,229 --> 01:47:49,119

to get off of here soon so that the next

2575

01:47:53,910 --> 01:47:50,239

show can play

2576

01:47:54,709 --> 01:47:53,920

see this is bad planning friends this is

2577

01:47:58,550 --> 01:47:54,719

why

2578

01:48:03,510 --> 01:48:01,510

because i make decisions that just don't

2579

01:48:04,149 --> 01:48:03,520

this doesn't make any sense like okay

2580

01:48:07,350 --> 01:48:04,159

i'm

2581

01:48:10,709 --> 01:48:07,360

like

2582

01:48:13,189 --> 01:48:10,719

my head

2583

01:48:15,109 --> 01:48:13,199

we'll put it like that there we go yeah

2584

01:48:16,790 --> 01:48:15,119

so this is why i'm not a pro show host

2585

01:48:19,270 --> 01:48:16,800

because i make decisions like this

2586

01:48:20,470 --> 01:48:19,280

like we pre-recorded this show at about

2587

01:48:23,030 --> 01:48:20,480

one or two p.m

2588

01:48:24,550 --> 01:48:23,040

in the afternoon but he can't air it

2589

01:48:27,590 --> 01:48:24,560

until two a.m

2590

01:48:30,550 --> 01:48:27,600

eastern time on his show

2591

01:48:33,030 --> 01:48:30,560

uh so i aired mine in the same time 2

2592

01:48:35,109 --> 01:48:33,040

a.m eastern time and here i am doing a

2593

01:48:37,109 --> 01:48:35,119

live show that has nothing to do with

2594

01:48:39,189 --> 01:48:37,119

this other show

2595

01:48:40,709 --> 01:48:39,199

i think it's too much so i'm going to

2596

01:48:42,950 --> 01:48:40,719

get done here

2597

01:48:44,790 --> 01:48:42,960

shortly and if you want you can come

2598

01:48:47,030 --> 01:48:44,800

back for that pre-recorded and it's

2599

01:48:48,870 --> 01:48:47,040

really a fun it is a fun conversation

2600

01:48:50,390 --> 01:48:48,880

it's not like i'm interviewing him or

2601

01:48:52,629 --> 01:48:50,400

he's interviewing me

2602

01:48:54,149 --> 01:48:52,639

it's just like two friends talking about

2603

01:49:04,470 --> 01:48:54,159

this

2604

01:49:06,149 --> 01:49:04,480

i'm in i'm in the same boat as you i

2605

01:49:08,070 --> 01:49:06,159

didn't even listen to the whole thing

2606

01:49:09,590 --> 01:49:08,080

and uh usually especially if i

2607

01:49:11,030 --> 01:49:09,600

pre-record something

2608

01:49:12,950 --> 01:49:11,040

i want to listen to the whole thing and

2609

01:49:14,870 --> 01:49:12,960

then maybe edit things out that i don't

2610

01:49:21,910 --> 01:49:14,880

i don't have time i just

2611

01:49:25,270 --> 01:49:23,430

[h__h] stephen so we get to have a

2612

01:49:29,030 --> 01:49:25,280

bathroom break and another drink

2613

01:49:30,070 --> 01:49:29,040

yeah you have 48 minutes away according

2614

01:49:32,870 --> 01:49:30,080

to my timeline

2615

01:49:33,430 --> 01:49:32,880

yeah you're right i don't know exactly

2616

01:49:37,350 --> 01:49:33,440

how many

2617

01:49:40,550 --> 01:49:37,360

you know let's i don't know exactly how

2618

01:49:44,550 --> 01:49:40,560

it says 45 minutes right now so

2619

01:49:47,910 --> 01:49:44,560

and i have 1 15 a.m money

2620

01:49:48,629 --> 01:49:47,920

yeah so this is probably bad planning on

2621

01:49:52,229 --> 01:49:48,639

my part

2622

01:49:54,390 --> 01:49:52,239

to dump two shows almost back to back

2623

01:49:55,990 --> 01:49:54,400

right sort of wear out the audience

2624

01:49:58,709 --> 01:49:56,000

before they get a chance to see

2625

01:50:00,709 --> 01:49:58,719

and trust me that's a much better show

2626

01:50:01,589 --> 01:50:00,719

than this [h__\h] show that i got going on

2627

01:50:04,310 --> 01:50:01,599

here right now

2628

01:50:05,910 --> 01:50:04,320

so this is poor plane definitely poor

2629

01:50:08,629 --> 01:50:05,920

planning on my part

2630

01:50:09,669 --> 01:50:08,639

mark robertson is here and says morning

2631

01:50:12,070 --> 01:50:09,679

all yeah

2632

01:50:13,270 --> 01:50:12,080

and we don't have many people here uh

2633

01:50:15,589 --> 01:50:13,280

tonight so i can

2634

01:50:16,790 --> 01:50:15,599

try to i'm gonna try to roll back the

2635

01:50:20,550 --> 01:50:16,800

chat a ways

2636

01:50:23,270 --> 01:50:20,560

and give everybody here that's uh

2637

01:50:23,990 --> 01:50:23,280

steven collective from the twitch chat

2638

01:50:27,030 --> 01:50:24,000

jill diaz

2639

01:50:29,109 --> 01:50:27,040

here shout out to jill g and jason quit

2640

01:50:30,390 --> 01:50:29,119

is here jolly bridge burner mario heat

2641

01:50:33,750 --> 01:50:30,400

solar marshall

2642

01:50:37,510 --> 01:50:33,760

charles unleashed v is here uh

2643

01:50:41,109 --> 01:50:37,520

gs crippler levelman of course

2644

01:50:45,109 --> 01:50:41,119

is here uh paul cargo

2645

01:50:48,629 --> 01:50:45,119

is here renee miss jonassite is here

2646

01:50:51,189 --> 01:50:48,639

lula pays fortune ripley is here

2647

01:50:54,589 --> 01:50:51,199

uh and let's see i think i mentioned

2648

01:50:57,589 --> 01:50:54,599

alien scientists here cons

2649

01:51:02,229 --> 01:50:57,599

conspiracy is here

2650

01:51:06,790 --> 01:51:02,239

uh see

2651
01:51:09,750 --> 01:51:06,800
said victor sarge is here

2652
01:51:11,030 --> 01:51:09,760
genocide of course is here genocide is

2653
01:51:12,950 --> 01:51:11,040
always here

2654
01:51:14,629 --> 01:51:12,960
always happy to see jonas sign and we've

2655
01:51:17,669 --> 01:51:14,639
got mario heat as well

2656
01:51:21,830 --> 01:51:17,679
and i think we've gotten

2657
01:51:24,629 --> 01:51:21,840
gee robertson

2658
01:51:25,750 --> 01:51:24,639
late to the party but i don't blame you

2659
01:51:29,589 --> 01:51:25,760
it's like

2660
01:51:37,430 --> 01:51:33,189
yeah so friends uh we've got

2661
01:51:40,470 --> 01:51:37,440
this simulcast show coming up

2662
01:51:42,709 --> 01:51:40,480
shortly at 2 a.m eastern time

2663
01:51:43,830 --> 01:51:42,719

uh and also though i want to be sure

2664

01:51:46,629 --> 01:51:43,840

that i

2665

01:51:47,510 --> 01:51:46,639

once again peter street gang says all

2666

01:51:51,189 --> 01:51:47,520

here

2667

01:51:54,149 --> 01:51:51,199

yeah i forgot pbr street gang and kb

2668

01:51:54,790 --> 01:51:54,159

shout out to kb and pbr street i think i

2669

01:51:57,910 --> 01:51:54,800

missed you

2670

01:52:00,550 --> 01:51:57,920

in the in the original shout outs

2671

01:52:01,350 --> 01:52:00,560

and lou johnson is here from the

2672

01:52:04,070 --> 01:52:01,360

facebook

2673

01:52:05,910 --> 01:52:04,080

live uh comments says sorry i can't chat

2674

01:52:07,910 --> 01:52:05,920

with you my wife is sleeping nearby

2675

01:52:09,189 --> 01:52:07,920

fight the fight for turning magic on its

2676

01:52:13,510 --> 01:52:09,199

head uh

2677

01:52:16,149 --> 01:52:13,520

okay whatever you say lou jonathan

2678

01:52:17,030 --> 01:52:16,159

i think blue johnson's got the drinky on

2679

01:52:23,910 --> 01:52:17,040

right

2680

01:52:27,189 --> 01:52:25,990

play some strippers to send us off

2681

01:52:29,910 --> 01:52:27,199

gambian you know

2682

01:52:31,350 --> 01:52:29,920

it can't make this [h__h] it can't make

2683

01:52:38,070 --> 01:52:31,360

this show any worse

2684

01:52:39,030 --> 01:52:38,080

uh we'll see if we can accommodate you

2685

01:52:44,390 --> 01:52:39,040

because we

2686

01:52:47,589 --> 01:52:44,400

definitely want to do

2687

01:53:00,870 --> 01:52:47,599

that makes our

2688

01:53:03,350 --> 01:53:02,149

all right but i'm not going to play the

2689

01:53:04,950 --> 01:53:03,360

music because the music may be

2690

01:53:05,750 --> 01:53:04,960

copyrighted and that's could be a

2691

01:53:09,189 --> 01:53:05,760

problem

2692

01:53:17,109 --> 01:53:13,030

you just get you just get the stripper

2693

01:53:17,119 --> 01:53:23,589

pole dance anyone there you are

2694

01:53:36,390 --> 01:53:25,589

yeah that suddenly made things a little

2695

01:53:36,400 --> 01:53:56,950

wow very flexible right mario he

2696

01:54:00,470 --> 01:53:59,430

for the benefit of those just tuning in

2697

01:54:02,390 --> 01:54:00,480

i don't just play

2698

01:54:04,470 --> 01:54:02,400

strippers at random somebody in the live

2699

01:54:06,830 --> 01:54:04,480

chat mario key

2700

01:54:08,470 --> 01:54:06,840

horndog that he is asked me to play some

2701

01:54:11,750 --> 01:54:08,480

strippers uh

2702

01:54:14,310 --> 01:54:11,760

and so uh i don't know who she is

2703

01:54:15,430 --> 01:54:14,320

a random pole stripper i just put hot

2704

01:54:17,669 --> 01:54:15,440

stripper in the

2705

01:54:19,589 --> 01:54:17,679

in the youtube search and it was on the

2706

01:54:24,470 --> 01:54:19,599

first page so you too can find her

2707

01:54:32,229 --> 01:54:27,950

isn't that at the cabin yeah i wish

2708

01:54:41,109 --> 01:54:37,589

i definitely wish

2709

01:54:41,750 --> 01:54:41,119

yeah definitely and every time that i do

2710

01:54:44,870 --> 01:54:41,760

this

2711

01:54:45,350 --> 01:54:44,880

if my wife should happen to catch the

2712

01:54:48,790 --> 01:54:45,360

show

2713

01:54:50,870 --> 01:54:48,800

then

2714

01:54:52,950 --> 01:54:50,880

my four-year-old will be watching it my

2715

01:54:54,310 --> 01:54:52,960

wife's like great steve great

2716

01:54:56,149 --> 01:54:54,320

what are you playing that on your show

2717

01:54:56,870 --> 01:54:56,159

for that has nothing to do with aliens

2718

01:54:58,709 --> 01:54:56,880

and [h__h]

2719

01:55:00,550 --> 01:54:58,719

what are you playing that [h__h] for

2720

01:55:10,550 --> 01:55:00,560

because it's funny

2721

01:55:18,790 --> 01:55:15,109

yeah can't say that i uh

2722

01:55:23,910 --> 01:55:18,800

don't find this uh entertaining right

2723

01:55:29,270 --> 01:55:27,270

look at that jesus that's

2724

01:55:30,310 --> 01:55:29,280

that's some practice to do all this

2725

01:55:32,950 --> 01:55:30,320

stuff right

2726

01:55:33,910 --> 01:55:32,960

that is definitely some practice all

2727

01:55:37,030 --> 01:55:33,920

right so there you are

2728

01:55:39,270 --> 01:55:37,040

mario heat let no viewer of mine say

2729

01:55:42,629 --> 01:55:39,280

that we do not aim to please

2730

01:55:43,990 --> 01:55:42,639

those watching our show right just for

2731

01:55:46,629 --> 01:55:44,000

mario heat

2732

01:55:49,750 --> 01:55:46,639

hot pole stripper dancer girl there you

2733

01:55:56,149 --> 01:55:53,030

all right yeah so friends we're gonna

2734

01:55:59,430 --> 01:55:56,159

we're gonna take that as a landing

2735

01:55:59,990 --> 01:55:59,440

you know an offering we're gonna take

2736

01:56:03,830 --> 01:56:00,000

that as an

2737

01:56:06,229 --> 01:56:03,840

off ramp i gotta get out of here

2738

01:56:07,669 --> 01:56:06,239

i have uh some other stuff that i gotta

2739

01:56:09,510 --> 01:56:07,679

do for the show tonight before i'm

2740

01:56:12,950 --> 01:56:09,520

allowed to go to sleep

2741

01:56:14,550 --> 01:56:12,960

again i said that i i decided i wasn't

2742

01:56:16,629 --> 01:56:14,560

working hard enough on the show but then

2743

01:56:18,390 --> 01:56:16,639

this week i really overloaded myself and

2744

01:56:19,350 --> 01:56:18,400

i think i worked too hard on the show

2745

01:56:21,589 --> 01:56:19,360

and did

2746

01:56:22,629 --> 01:56:21,599

some stupid i made some dumb decisions

2747

01:56:25,830 --> 01:56:22,639

that like

2748

01:56:26,470 --> 01:56:25,840

putting in hours isn't what it's results

2749

01:56:28,310 --> 01:56:26,480

that matter

2750

01:56:29,990 --> 01:56:28,320

right it doesn't matter if i put in you

2751

01:56:34,149 --> 01:56:30,000

know 10 hours

2752

01:56:38,310 --> 01:56:34,159

and then it doesn't really help the show

2753

01:56:42,149 --> 01:56:38,320

right so i guess i gotta learn to work

2754

01:56:43,990 --> 01:56:42,159

smart not hard

2755

01:56:45,910 --> 01:56:44,000

pvr street gang is this the secret

2756

01:56:49,350 --> 01:56:45,920

teachings no that one goes

2757

01:56:53,430 --> 01:56:49,360

on at 2 00 a.m in about uh

2758

01:56:54,950 --> 01:56:53,440

40 minutes uh it's a timed premiere

2759

01:56:57,270 --> 01:56:54,960

right here on our channel you can come

2760

01:56:59,990 --> 01:56:57,280

back in about 40 minutes for that show

2761

01:57:02,149 --> 01:57:00,000

pbr street gang and that's me and ryan

2762

01:57:04,310 --> 01:57:02,159

gable from the secret teachings

2763

01:57:06,149 --> 01:57:04,320

we had a great fun conversation i think

2764

01:57:06,870 --> 01:57:06,159

it's a good thing and you guys will

2765

01:57:09,030 --> 01:57:06,880

enjoy it

2766

01:57:10,870 --> 01:57:09,040

if you can stand another round of this

2767

01:57:13,270 --> 01:57:10,880

[h__\h] and if you do

2768

01:57:14,870 --> 01:57:13,280

i say more power to you i'm gonna be

2769

01:57:16,629 --> 01:57:14,880

doing some things in the background

2770

01:57:18,070 --> 01:57:16,639

but when it starts i'll try to jump in

2771

01:57:20,070 --> 01:57:18,080

the live chat uh

2772

01:57:22,229 --> 01:57:20,080

and participate if there's anybody in

2773

01:57:25,270 --> 01:57:22,239

there if nobody's there i'm gonna

2774

01:57:26,950 --> 01:57:25,280

you know bail out of there

2775

01:57:28,870 --> 01:57:26,960

all around orbiter says it's never a

2776
01:57:29,350 --> 01:57:28,880
dull moment around here i'd rather enjoy

2777
01:57:33,270 --> 01:57:29,360
this

2778
01:57:35,430 --> 01:57:33,280
well good i'm good to hear it uh

2779
01:57:36,830 --> 01:57:35,440
i'm glad to hear it this is the secrets

2780
01:57:39,910 --> 01:57:36,840
of pole dancing

2781
01:57:42,950 --> 01:57:39,920
yeah it's the mystery of the hot

2782
01:57:43,430 --> 01:57:42,960
pole dancing girl yeah who is she where

2783
01:57:46,470 --> 01:57:43,440
did she

2784
01:57:48,229 --> 01:57:46,480
train right it is a mystery everything

2785
01:57:49,350 --> 01:57:48,239
could be a mystery if you think about it

2786
01:57:52,229 --> 01:57:49,360
mario heat

2787
01:57:53,109 --> 01:57:52,239
well friends i'm glad that i was able to

2788
01:57:55,830 --> 01:57:53,119

take this time

2789

01:57:57,669 --> 01:57:55,840

and check in with you uh sort of give

2790

01:57:59,669 --> 01:57:57,679

you an update on where things are with

2791

01:58:00,629 --> 01:57:59,679

the show and what i'm trying to do here

2792

01:58:04,470 --> 01:58:00,639

and

2793

01:58:06,790 --> 01:58:04,480

all of these things um

2794

01:58:09,109 --> 01:58:06,800

we'll be back tomorrow night i'm going

2795

01:58:10,709 --> 01:58:09,119

to plug it one more time on the way out

2796

01:58:12,390 --> 01:58:10,719

because then i will know that i have

2797

01:58:13,830 --> 01:58:12,400

done everything i could to get a good

2798

01:58:17,109 --> 01:58:13,840

audience

2799

01:58:19,430 --> 01:58:17,119

uh for this upcoming special event which

2800

01:58:23,910 --> 01:58:19,440

is tomorrow night at 9 00 p.m

2801
01:58:26,950 --> 01:58:23,920
tomorrow night at 9 00 pm we will be

2802
01:58:28,870 --> 01:58:26,960
uh interviewing

2803
01:58:30,709 --> 01:58:28,880
kevin randle roswell expert who's

2804
01:58:32,709 --> 01:58:30,719
written many books on roswell

2805
01:58:34,070 --> 01:58:32,719
who's been interviewed on television

2806
01:58:36,950 --> 01:58:34,080
unsolved mysteries

2807
01:58:40,390 --> 01:58:36,960
regarding roswell his book and don

2808
01:58:44,950 --> 01:58:42,790
what the hollywood roswell movie was

2809
01:58:47,270 --> 01:58:44,960
based on or i think it was hbo pictures

2810
01:58:49,189 --> 01:58:47,280
but still it was a big movie with

2811
01:58:51,589 --> 01:58:49,199
hollywood stars and everything

2812
01:58:52,550 --> 01:58:51,599
uh was based on don schmidt's book so

2813
01:58:54,790 --> 01:58:52,560

tomorrow night

2814

01:58:55,990 --> 01:58:54,800

a special event 9 p.m eastern standard

2815

01:58:58,709 --> 01:58:56,000

time we will be

2816

01:59:00,390 --> 01:58:58,719

revisiting roswell this time with author

2817

01:59:03,510 --> 01:59:00,400

lecturer researcher

2818

01:59:04,709 --> 01:59:03,520

kevin uh and we're going to get his take

2819

01:59:08,310 --> 01:59:04,719

on what

2820

01:59:09,910 --> 01:59:08,320

really crashed uh at roswell in 1947

2821

01:59:13,430 --> 01:59:09,920

wasn't it an alien spacecraft

2822

01:59:15,109 --> 01:59:13,440

or something else i want to find out

2823

01:59:18,229 --> 01:59:15,119

friends and i hope you will join us for

2824

01:59:21,830 --> 01:59:20,390

so friends until next time i want to

2825

01:59:23,510 --> 01:59:21,840

thank you all for being here i'm always

2826

01:59:25,109 --> 01:59:23,520

happy when there's an audience and i'm

2827

01:59:26,790 --> 01:59:25,119

so happy you could be a part of mine

2828

01:59:29,189 --> 01:59:26,800

tonight

2829

01:59:30,550 --> 01:59:29,199

uh until next time friends i'm stephen

2830

01:59:48,310 --> 01:59:30,560

cambion

2831

02:01:06,660 --> 02:00:27,400

[Music]
