

# The Grift of Gab

w. Steven Cambian

[www.TheSecretTeachings.info](http://www.TheSecretTeachings.info)

1  
00:00:07,110 --> 00:00:03,350  
greetings and salutations friends this

2  
00:00:09,830 --> 00:00:07,120  
is a first time uh for both of our shows

3  
00:00:12,150 --> 00:00:09,840  
today uh ryan from the secret teachings

4  
00:00:13,830 --> 00:00:12,160  
and me steven cambion from truth seekers

5  
00:00:16,630 --> 00:00:13,840  
are going to be doing

6  
00:00:17,590 --> 00:00:16,640  
something like an old school simulcast

7  
00:00:19,510 --> 00:00:17,600  
back in the day

8  
00:00:21,429 --> 00:00:19,520  
radio stations to increase viewership

9  
00:00:23,830 --> 00:00:21,439  
would sometimes both

10  
00:00:25,429 --> 00:00:23,840  
broadcast the same show and work on it

11  
00:00:27,830 --> 00:00:25,439  
as a team together so i'm

12  
00:00:29,109 --> 00:00:27,840  
pleased and excited ryan how are you

13  
00:00:32,950 --> 00:00:29,119

doing

14

00:00:35,750 --> 00:00:32,960

watching the uh the truth seeker videos

15

00:00:36,310 --> 00:00:35,760

and i've been laughing in the morning at

16

00:00:38,869 --> 00:00:36,320

work

17

00:00:40,950 --> 00:00:38,879

anywhere i go i've got you playing good

18

00:00:43,590 --> 00:00:40,960

good i'm glad to hear it and i i'm a big

19

00:00:45,110 --> 00:00:43,600

fan of of the secret teachings and uh

20

00:00:49,350 --> 00:00:45,120

you can find

21

00:00:52,229 --> 00:00:49,360

know we're just a

22

00:00:53,029 --> 00:00:52,239

stream show but he's is on any any place

23

00:00:56,709 --> 00:00:53,039

you

24

00:00:59,670 --> 00:00:56,719

uh some

25

00:01:00,869 --> 00:00:59,680

some of them are kind of like hijacked

26

00:01:03,029 --> 00:01:00,879

but you can get them

27

00:01:05,030 --> 00:01:03,039

even though they're hijacked they should

28

00:01:07,270 --> 00:01:05,040

only be on the fringe fm and itunes and

29

00:01:10,469 --> 00:01:07,280

a few other places or might yeah i

30

00:01:13,350 --> 00:01:10,479

i just had somebody try to uh

31

00:01:13,670 --> 00:01:13,360

take all of my old radio shows and put

32

00:01:16,950 --> 00:01:13,680

them

33

00:01:17,749 --> 00:01:16,960

on another on a podcast network full of

34

00:01:19,670 --> 00:01:17,759

ads

35

00:01:22,469 --> 00:01:19,680

without my knowledge permission or

36

00:01:23,910 --> 00:01:22,479

consent so i had to send them a letter

37

00:01:26,230 --> 00:01:23,920

yeah those are the those are like

38

00:01:27,429 --> 00:01:26,240

low-level cons low-level cons stephen

39

00:01:30,149 --> 00:01:27,439

those are the people

40

00:01:32,069 --> 00:01:30,159

yeah yeah but like i was thinking i'm

41

00:01:33,749 --> 00:01:32,079

like that's like a hundred hours of my

42

00:01:35,990 --> 00:01:33,759

life and you're not gonna

43

00:01:37,190 --> 00:01:36,000

take that and put a bunch of your stupid

44

00:01:39,590 --> 00:01:37,200

ads in there

45

00:01:41,109 --> 00:01:39,600

and collect the money every month like

46

00:01:41,990 --> 00:01:41,119

people have done that to me on youtube

47

00:01:43,510 --> 00:01:42,000

and what that is

48

00:01:45,190 --> 00:01:43,520

that's like people that aren't even

49

00:01:48,550 --> 00:01:45,200

trying to make up some crap

50

00:01:49,030 --> 00:01:48,560

they're just just steal other people's

51

00:01:50,950 --> 00:01:49,040

shows

52

00:01:53,270 --> 00:01:50,960

if it's about something that they think

53

00:01:55,030 --> 00:01:53,280

will sell or people will click on

54

00:01:57,350 --> 00:01:55,040

yeah and they click baited a lot of the

55

00:01:58,870 --> 00:01:57,360

titles that like they changed my titles

56

00:02:01,670 --> 00:01:58,880

to all clickbaity stuff

57

00:02:03,030 --> 00:02:01,680

you know like like oh yeah you know like

58

00:02:05,270 --> 00:02:03,040

alien abductee

59

00:02:06,709 --> 00:02:05,280

or alien hybrid speaks or all this and

60

00:02:08,630 --> 00:02:06,719

i'm like wait a minute that's not even

61

00:02:10,869 --> 00:02:08,640

what the show's about but yeah i mean

62

00:02:12,390 --> 00:02:10,879

i for those of those people listening

63

00:02:13,990 --> 00:02:12,400

who can't see you've got glasses on

64

00:02:16,710 --> 00:02:14,000

right now i can't see your eyes they

65

00:02:18,550 --> 00:02:16,720

might be reptilian

66

00:02:20,390 --> 00:02:18,560

now you know i get a lot of [h\_\_\h] once in

67

00:02:22,229 --> 00:02:20,400

a while it's you know because i

68

00:02:24,309 --> 00:02:22,239

do that because i have a paralyzed eye

69

00:02:26,150 --> 00:02:24,319

and on video it looks really bad

70

00:02:28,150 --> 00:02:26,160

it's like quasimodo you know like i

71

00:02:30,229 --> 00:02:28,160

could be looking at the audience but my

72

00:02:32,390 --> 00:02:30,239

one eye is going over here so

73

00:02:34,150 --> 00:02:32,400

yeah so you've been you've been keeping

74

00:02:36,710 --> 00:02:34,160

up with the latest of the

75

00:02:39,030 --> 00:02:36,720

the garbage brigade that's what i call

76  
00:02:41,270 --> 00:02:39,040  
it we have simon parks kerry cassidy and

77  
00:02:42,309 --> 00:02:41,280  
most notably david wilcock world's worst

78  
00:02:44,550 --> 00:02:42,319  
psychic

79  
00:02:45,509 --> 00:02:44,560  
out there pushing this letter of the

80  
00:02:47,270 --> 00:02:45,519  
alphabet

81  
00:02:49,589 --> 00:02:47,280  
uh and by the way we don't want to

82  
00:02:51,430 --> 00:02:49,599  
mention that letter here ryan

83  
00:02:53,509 --> 00:02:51,440  
we just say the letter of the alphabet

84  
00:02:54,869 --> 00:02:53,519  
because that algorithms are going crazy

85  
00:02:56,869 --> 00:02:54,879  
and they don't know if we're

86  
00:02:58,309 --> 00:02:56,879  
talking about it like it's real or if

87  
00:02:59,670 --> 00:02:58,319  
we're doing what we're doing which is

88  
00:03:00,229 --> 00:02:59,680

making fun of it but you've been

89

00:03:02,470 --> 00:03:00,239

watching

90

00:03:03,990 --> 00:03:02,480

what's your take on some of these people

91

00:03:06,470 --> 00:03:04,000

lately while on the scene

92

00:03:07,509 --> 00:03:06,480

a couple of things i like your google

93

00:03:09,589 --> 00:03:07,519

prayer

94

00:03:10,710 --> 00:03:09,599

you've been saying a prior to google we

95

00:03:13,670 --> 00:03:10,720

gotta do it every time

96

00:03:15,830 --> 00:03:13,680

dear ai algorithm gods please realize we

97

00:03:17,030 --> 00:03:15,840

are making fun of these stupid people

98

00:03:19,589 --> 00:03:17,040

talking about this letter of the

99

00:03:21,910 --> 00:03:19,599

alphabet nonsense for people spreading

100

00:03:23,430 --> 00:03:21,920

health pandemic misinformation we are

101  
00:03:25,750 --> 00:03:23,440  
making fun of them we are critiquing

102  
00:03:29,190 --> 00:03:25,760  
them we do not agree with these crazy

103  
00:03:31,270 --> 00:03:29,200  
[h\_\_\h] praise google amen

104  
00:03:32,869 --> 00:03:31,280  
every day i do a prayer to the ai

105  
00:03:33,910 --> 00:03:32,879  
algorithm guides that i will not be

106  
00:03:35,350 --> 00:03:33,920  
stricken down

107  
00:03:37,990 --> 00:03:35,360  
simply from mentioning some of this

108  
00:03:40,710 --> 00:03:38,000  
stuff and see this this is the danger

109  
00:03:42,710 --> 00:03:40,720  
these [h\_\_\h] have done this all of us

110  
00:03:44,229 --> 00:03:42,720  
they've made everybody's lives so much

111  
00:03:45,589 --> 00:03:44,239  
harder now

112  
00:03:46,949 --> 00:03:45,599  
they have and that's this is the reason

113  
00:03:48,710 --> 00:03:46,959

people ask me all the time why do you

114

00:03:50,390 --> 00:03:48,720

talk about people like david wilcock why

115

00:03:50,949 --> 00:03:50,400

do you talk about people like jordan say

116

00:03:54,869 --> 00:03:50,959

there

117

00:03:55,830 --> 00:03:54,879

reasons one this guy has blackballed me

118

00:04:00,550 --> 00:03:55,840

from conferences

119

00:04:02,949 --> 00:04:00,560

personally so

120

00:04:04,470 --> 00:04:02,959

for those that don't know uh ryan was

121

00:04:07,190 --> 00:04:04,480

accused of being a terrorist

122

00:04:09,270 --> 00:04:07,200

at a conference simply because he was

123

00:04:11,589 --> 00:04:09,280

going to sit in the audience of david

124

00:04:13,110 --> 00:04:11,599

wilcock and take notes and david wilcock

125

00:04:14,710 --> 00:04:13,120

all but refused to speak

126

00:04:17,189 --> 00:04:14,720

if he was going to be allowed in the

127

00:04:19,749 --> 00:04:17,199

room even that's what a coward

128

00:04:20,550 --> 00:04:19,759

mr william yeah they had to give me my

129

00:04:23,909 --> 00:04:20,560

press pass

130

00:04:27,270 --> 00:04:23,919

under the table stevia stephen without

131

00:04:28,150 --> 00:04:27,280

calling anybody oh by the way yeah

132

00:04:31,030 --> 00:04:28,160

speaking of that so

133

00:04:31,990 --> 00:04:31,040

i i guess to answer your question that

134

00:04:34,629 --> 00:04:32,000

nonsense

135

00:04:36,390 --> 00:04:34,639

all the willcock say they're good emery

136

00:04:37,670 --> 00:04:36,400

smith all that nonsense i don't know for

137

00:04:40,830 --> 00:04:37,680

people that are watching the video they

138

00:04:42,870 --> 00:04:40,840

can see my blue rooster robot chicken

139

00:04:46,070 --> 00:04:42,880

shirt

140

00:04:47,749 --> 00:04:46,080

um we've got um we've got these on our t

141

00:04:48,950 --> 00:04:47,759

public site at the secret teachings dot

142

00:04:52,310 --> 00:04:48,960

info but

143

00:04:54,950 --> 00:04:52,320

i've been for a while oh i swear

144

00:04:55,430 --> 00:04:54,960

i'm ordering one of them i gotta have

145

00:04:57,590 --> 00:04:55,440

one

146

00:04:59,030 --> 00:04:57,600

we gotta get a whole line of these we

147

00:05:00,469 --> 00:04:59,040

gotta get one where david wilcox

148

00:05:02,870 --> 00:05:00,479

saluting

149

00:05:04,390 --> 00:05:02,880

yeah that was one of my favorite uh

150

00:05:06,790 --> 00:05:04,400

favorite memes that we made

151  
00:05:08,150 --> 00:05:06,800  
yeah and i stole it from you and i made

152  
00:05:10,870 --> 00:05:08,160  
some salute

153  
00:05:12,390 --> 00:05:10,880  
truth seekers yeah i totally stole it

154  
00:05:14,070 --> 00:05:12,400  
from ryan ryan had him

155  
00:05:15,510 --> 00:05:14,080  
ryan had him saluting the secret

156  
00:05:16,550 --> 00:05:15,520  
teachings

157  
00:05:18,629 --> 00:05:16,560  
yeah you know what that you know what

158  
00:05:21,670 --> 00:05:18,639  
that was though he was saluting woody

159  
00:05:23,430 --> 00:05:21,680  
the fallen whistleblower yeah and pete

160  
00:05:25,670 --> 00:05:23,440  
peterson the fake ronald

161  
00:05:27,670 --> 00:05:25,680  
science and technology advisor that

162  
00:05:30,870 --> 00:05:27,680  
never worked for ronald reagan

163  
00:05:32,390 --> 00:05:30,880

yeah who had pee and jars in his house i

164

00:05:36,310 --> 00:05:32,400

think yeah he cleaned it out

165

00:05:40,550 --> 00:05:38,550

real high quality whistleblower he's got

166

00:05:41,749 --> 00:05:40,560

jars of piss all over his house

167

00:05:42,950 --> 00:05:41,759

well he had a ten thousand dollar

168

00:05:45,029 --> 00:05:42,960

microscope and there were a million

169

00:05:47,430 --> 00:05:45,039

dollar microscope a microscope right

170

00:05:48,950 --> 00:05:47,440

yeah oh yeah yeah i don't know i've been

171

00:05:50,950 --> 00:05:48,960

away from it for a while

172

00:05:52,070 --> 00:05:50,960

and to be honest with you it was because

173

00:05:54,550 --> 00:05:52,080

of you stephen that i got

174

00:05:55,909 --> 00:05:54,560

back into it so thanks for that i had

175

00:05:56,629 --> 00:05:55,919

forgotten yeah you don't know whether

176

00:05:58,469 --> 00:05:56,639

you want to

177

00:06:01,110 --> 00:05:58,479

thank me or punch me in the face because

178

00:06:01,510 --> 00:06:01,120

somehow i'm making people listen to this

179

00:06:04,070 --> 00:06:01,520

[h\_\_\h]

180

00:06:05,990 --> 00:06:04,080

i'm making them they got to they're

181

00:06:08,230 --> 00:06:06,000

forcing that i stayed away too

182

00:06:10,950 --> 00:06:08,240

but then i checked back in and i went

183

00:06:11,749 --> 00:06:10,960

holy geez the level of crazy has just

184

00:06:15,029 --> 00:06:11,759

risen

185

00:06:16,070 --> 00:06:15,039

like a hundred percent it's like it's so

186

00:06:18,070 --> 00:06:16,080

bad and

187

00:06:20,469 --> 00:06:18,080

what i love most about david wilcox

188

00:06:21,830 --> 00:06:20,479

latest is that now he's pivoting

189

00:06:23,670 --> 00:06:21,840

from the letter of the alphabet and

190

00:06:26,870 --> 00:06:23,680

trying to prove to everybody what

191

00:06:30,309 --> 00:06:26,880

what a psychic he is while

192

00:06:32,830 --> 00:06:30,319

the last month has been giving terrible

193

00:06:35,110 --> 00:06:32,840

awful predictions none of which came

194

00:06:38,150 --> 00:06:35,120

true that trump would win

195

00:06:40,150 --> 00:06:38,160

then he predicted that the the the the

196

00:06:41,670 --> 00:06:40,160

election will never be certified because

197

00:06:43,990 --> 00:06:41,680

of all the fraud proof

198

00:06:45,189 --> 00:06:44,000

and the supreme court that didn't happen

199

00:06:48,230 --> 00:06:45,199

then he predicted

200

00:06:49,909 --> 00:06:48,240

that the inauguration would never happen

201  
00:06:51,990 --> 00:06:49,919  
that's not going to happen because if it

202  
00:06:53,830 --> 00:06:52,000  
happens all the alliance

203  
00:06:55,430 --> 00:06:53,840  
are going to get murdered and guess

204  
00:06:56,950 --> 00:06:55,440  
including him and corey good

205  
00:06:59,350 --> 00:06:56,960  
they're alliance members they're the

206  
00:06:59,749 --> 00:06:59,360  
good guys all of his predictions for the

207  
00:07:02,790 --> 00:06:59,759  
past

208  
00:07:05,270 --> 00:07:02,800  
month or two totally bad [h\_\_h] wrong

209  
00:07:07,110 --> 00:07:05,280  
and he's trying to still convince

210  
00:07:08,469 --> 00:07:07,120  
everybody that he has superpowers

211  
00:07:10,870 --> 00:07:08,479  
i mean these these are really bold

212  
00:07:12,629 --> 00:07:10,880  
predictions i mean to say that

213  
00:07:14,469 --> 00:07:12,639

the president won't be the president to

214

00:07:15,830 --> 00:07:14,479

say the inauguration won't happen

215

00:07:17,510 --> 00:07:15,840

i mean these are very very bold

216

00:07:19,749 --> 00:07:17,520

predictions to make but see

217

00:07:20,550 --> 00:07:19,759

what he's done i noticed this about a

218

00:07:22,950 --> 00:07:20,560

year ago

219

00:07:24,870 --> 00:07:22,960

he started to pivot away from the

220

00:07:26,150 --> 00:07:24,880

definitive prophecies you know because

221

00:07:29,430 --> 00:07:26,160

he's edgar casey

222

00:07:32,710 --> 00:07:29,440

uh reincarnated he started

223

00:07:34,629 --> 00:07:32,720

into using words i think he got a lawyer

224

00:07:36,469 --> 00:07:34,639

and lawyers advised him or other con

225

00:07:36,790 --> 00:07:36,479

artists who are better at this advised

226

00:07:39,350 --> 00:07:36,800

him

227

00:07:40,390 --> 00:07:39,360

now he starts using words like maybe

228

00:07:43,670 --> 00:07:40,400

perhaps

229

00:07:46,070 --> 00:07:43,680

might it appears possibly

230

00:07:48,629 --> 00:07:46,080

just very vague generalized terms so he

231

00:07:50,230 --> 00:07:48,639

can back easier out of the bs

232

00:07:52,150 --> 00:07:50,240

when it's obvious that he was wrong

233

00:07:53,830 --> 00:07:52,160

which that's my big question to people

234

00:07:55,029 --> 00:07:53,840

that follow wilcock and the so-called

235

00:07:56,309 --> 00:07:55,039

letter of the alphabet

236

00:07:57,990 --> 00:07:56,319

how many times have these people been

237

00:07:58,790 --> 00:07:58,000

wrong why are they still getting super

238

00:08:00,070 --> 00:07:58,800

chat stephen

239

00:08:01,830 --> 00:08:00,080

why are they still making tens of

240

00:08:04,710 --> 00:08:01,840

thousands of dollars

241

00:08:05,270 --> 00:08:04,720

yeah and the money keeps rolling in and

242

00:08:07,350 --> 00:08:05,280

you're right

243

00:08:09,029 --> 00:08:07,360

i noticed the definite change in his

244

00:08:11,670 --> 00:08:09,039

verbiage lately

245

00:08:14,629 --> 00:08:11,680

i think uh he's he's watching people

246

00:08:16,869 --> 00:08:14,639

like you he's watching people like me

247

00:08:18,869 --> 00:08:16,879

and and maybe cw channel and a few

248

00:08:19,909 --> 00:08:18,879

others that are very critical of his

249

00:08:23,350 --> 00:08:19,919

streams

250

00:08:25,029 --> 00:08:23,360

and he's trying at least to you know

251  
00:08:26,629 --> 00:08:25,039  
answer some of the criticism but he's

252  
00:08:27,589 --> 00:08:26,639  
doing a terrible job of it because now

253  
00:08:31,990 --> 00:08:27,599  
it's like

254  
00:08:34,790 --> 00:08:32,000  
listen uh this uh this source of mine

255  
00:08:36,550 --> 00:08:34,800  
said that 50 000 chinese troops are

256  
00:08:37,829 --> 00:08:36,560  
invading the united states from the

257  
00:08:40,070 --> 00:08:37,839  
canadian border

258  
00:08:42,230 --> 00:08:40,080  
but don't worry we dropped a bunker

259  
00:08:43,350 --> 00:08:42,240  
busting bomb on all 50 000 of them and

260  
00:08:46,550 --> 00:08:43,360  
killed them all

261  
00:08:50,470 --> 00:08:46,560  
now this uh this this source of mind

262  
00:08:52,630 --> 00:08:50,480  
says this is true uh it may not be true

263  
00:08:54,310 --> 00:08:52,640

it could possibly be true i'm not sure

264

00:08:57,670 --> 00:08:54,320

if it's true

265

00:09:01,110 --> 00:08:57,680

but here is what i believe and then

266

00:09:02,230 --> 00:09:01,120

he goes on to tack on his garbage

267

00:09:05,190 --> 00:09:02,240

theories on top

268

00:09:07,110 --> 00:09:05,200

of one thing that he can point to on the

269

00:09:08,470 --> 00:09:07,120

internet which isn't even a good source

270

00:09:09,670 --> 00:09:08,480

because by the way his source for the

271

00:09:12,470 --> 00:09:09,680

chinese invasion

272

00:09:13,750 --> 00:09:12,480

was hal turner a white supremacist

273

00:09:16,949 --> 00:09:13,760

holocaust denying

274

00:09:17,509 --> 00:09:16,959

convicted felon said that 50 000 chinese

275

00:09:19,750 --> 00:09:17,519

troops so

276

00:09:21,269 --> 00:09:19,760

david wilcock runs with it then he does

277

00:09:23,350 --> 00:09:21,279

something that i like to call

278

00:09:24,550 --> 00:09:23,360

the super duper david wilcock proverb

279

00:09:27,350 --> 00:09:24,560

maneuver

280

00:09:29,590 --> 00:09:27,360

he's he shows you know this he does it

281

00:09:31,670 --> 00:09:29,600

all the time he does it all the time

282

00:09:33,269 --> 00:09:31,680

and it wasn't me who mentioned uh who

283

00:09:35,509 --> 00:09:33,279

figured this out actually i

284

00:09:36,949 --> 00:09:35,519

i heard cw channel talk about this and

285

00:09:39,110 --> 00:09:36,959

then i started going

286

00:09:41,110 --> 00:09:39,120

oh chatter's right he does it all the

287

00:09:41,829 --> 00:09:41,120

time it's the super duper prover

288

00:09:44,150 --> 00:09:41,839

maneuver

289

00:09:46,710 --> 00:09:44,160

here's what he does he throws out one

290

00:09:48,389 --> 00:09:46,720

thing that he can show you a source for

291

00:09:50,310 --> 00:09:48,399

even if the source is terrible like a

292

00:09:52,630 --> 00:09:50,320

white supremacist holocaust denying

293

00:09:55,750 --> 00:09:52,640

convicted felon said that chinese troops

294

00:09:58,070 --> 00:09:55,760

so he'll show people that and then the

295

00:09:59,910 --> 00:09:58,080

super duper proven maneuver is

296

00:10:02,389 --> 00:09:59,920

he'll start talking about like he got a

297

00:10:04,310 --> 00:10:02,399

dream about this is really happening

298

00:10:06,069 --> 00:10:04,320

or he invents a brand new source right

299

00:10:09,750 --> 00:10:06,079

on them right at the moment

300

00:10:12,710 --> 00:10:09,760

like i was talking to a new insider

301  
00:10:13,910 --> 00:10:12,720  
that i was talking to that also confirms

302  
00:10:16,389 --> 00:10:13,920  
the validity of

303  
00:10:18,230 --> 00:10:16,399  
what i'm showing you here it's the super

304  
00:10:19,269 --> 00:10:18,240  
duper prover maneuver well yeah yeah i

305  
00:10:21,269 --> 00:10:19,279  
didn't know that's what it was called

306  
00:10:22,790 --> 00:10:21,279  
but that's what

307  
00:10:24,710 --> 00:10:22,800  
that's that's what i i'm not sure what

308  
00:10:26,069 --> 00:10:24,720  
he calls it i call it the super duper

309  
00:10:28,150 --> 00:10:26,079  
proven maneuver

310  
00:10:29,509 --> 00:10:28,160  
he's got to prove you know and then and

311  
00:10:31,269 --> 00:10:29,519  
this is like see

312  
00:10:32,949 --> 00:10:31,279  
what i'm telling you is accurate i just

313  
00:10:34,150 --> 00:10:32,959

talked to a brand new insider that

314

00:10:36,550 --> 00:10:34,160

confirms this

315

00:10:37,269 --> 00:10:36,560

i'm not going to tell you who they are

316

00:10:38,949 --> 00:10:37,279

right

317

00:10:40,550 --> 00:10:38,959

i read a story stephen about it was from

318

00:10:42,069 --> 00:10:40,560

yahoo news and they mentioned that there

319

00:10:49,350 --> 00:10:42,079

were chinese troops that were like

320

00:10:53,829 --> 00:10:52,389

of truth it's just like you know

321

00:10:55,670 --> 00:10:53,839

there's always a little bit of truth in

322

00:10:57,670 --> 00:10:55,680

a myth right these people that

323

00:10:59,670 --> 00:10:57,680

take this little bit of truth and then

324

00:11:02,310 --> 00:10:59,680

they just go nuts with it

325

00:11:03,750 --> 00:11:02,320

chinese troops training in canada you

326

00:11:05,829 --> 00:11:03,760

know on a peaceful mission

327

00:11:06,949 --> 00:11:05,839

is a bunker busting bomb being dropped

328

00:11:10,150 --> 00:11:06,959

yeah they're

329

00:11:12,389 --> 00:11:10,160

nuclear you know and my new favorite

330

00:11:14,630 --> 00:11:12,399

of david wilcox latest [h\_\_h] is the

331

00:11:18,310 --> 00:11:14,640

nuclear weapon

332

00:11:19,670 --> 00:11:18,320

doesn't blow anything up it shrinks

333

00:11:21,910 --> 00:11:19,680

everything

334

00:11:23,829 --> 00:11:21,920

you know like the like the kryptonite

335

00:11:25,750 --> 00:11:23,839

the krypton city

336

00:11:27,990 --> 00:11:25,760

right like superman has that little

337

00:11:30,230 --> 00:11:28,000

bottle city candor

338

00:11:32,230 --> 00:11:30,240

it's [\h\_\_\h] comic books this is all

339

00:11:33,829 --> 00:11:32,240

from comic books he reads too many comic

340

00:11:34,630 --> 00:11:33,839

books and then he thinks this [\h\_\_\h] is

341

00:11:36,310 --> 00:11:34,640

real

342

00:11:37,910 --> 00:11:36,320

yeah yeah you know i used to listen to

343

00:11:38,949 --> 00:11:37,920

him and emery smith go at it on like

344

00:11:40,790 --> 00:11:38,959

gaia tv

345

00:11:43,269 --> 00:11:40,800

and i would sit there and think like

346

00:11:46,630 --> 00:11:43,279

that's star wars that's star trek

347

00:11:49,750 --> 00:11:49,350

yeah and believe it or not david wilcock

348

00:11:54,870 --> 00:11:49,760

and

349

00:11:57,030 --> 00:11:54,880

steal from babylon 5 which is a much

350

00:11:59,670 --> 00:11:57,040

lesser it's a much lesser known science

351  
00:12:02,069 --> 00:11:59,680  
fiction old school but it's a great show

352  
00:12:04,230 --> 00:12:02,079  
about aliens and earth and different

353  
00:12:06,150 --> 00:12:04,240  
species and yeah you know he

354  
00:12:09,030 --> 00:12:06,160  
he claimed that he had a dream well he

355  
00:12:11,750 --> 00:12:09,040  
always had that's the proof again

356  
00:12:13,750 --> 00:12:11,760  
part of the dreams maneuver yeah because

357  
00:12:16,629 --> 00:12:13,760  
i dreamed about it i dreamed about it

358  
00:12:18,470 --> 00:12:16,639  
my mom slipped on ice you know i slept

359  
00:12:20,629 --> 00:12:18,480  
on ice i dreamed about it

360  
00:12:22,150 --> 00:12:20,639  
that's what he said so my superpowers

361  
00:12:24,230 --> 00:12:22,160  
must be real

362  
00:12:25,750 --> 00:12:24,240  
what was the the thing he said i think

363  
00:12:28,389 --> 00:12:25,760

it was one of his books

364

00:12:29,350 --> 00:12:28,399

it was about how he he watched star wars

365

00:12:30,710 --> 00:12:29,360

and then he gave this

366

00:12:32,550 --> 00:12:30,720

when he was a kid and he gave this other

367

00:12:33,829 --> 00:12:32,560

description about how he felt after that

368

00:12:38,069 --> 00:12:33,839

and then he had a dream

369

00:12:40,790 --> 00:12:38,079

of obi-wan kenobi oh yeah obi-wan kenobi

370

00:12:42,310 --> 00:12:40,800

is the spirit guide yep he said it was

371

00:12:45,509 --> 00:12:42,320

his father

372

00:12:48,550 --> 00:12:45,519

in a dream

373

00:12:50,710 --> 00:12:48,560

and gave him this info gave him this

374

00:12:52,470 --> 00:12:50,720

he's also said that star wars he said

375

00:12:55,269 --> 00:12:52,480

this on the jenny mccarthy show

376

00:12:56,310 --> 00:12:55,279

star wars is basically a documentary all

377

00:12:58,949 --> 00:12:56,320

that's real

378

00:13:00,550 --> 00:12:58,959

it's basically a documentary yeah yeah

379

00:13:05,269 --> 00:13:00,560

yeah it all happened in the galaxy far

380

00:13:08,230 --> 00:13:06,790

well you know that's like the the

381

00:13:09,829 --> 00:13:08,240

electric wars you ever heard them talk

382

00:13:12,629 --> 00:13:09,839

about the electric war stephen

383

00:13:14,470 --> 00:13:12,639

yeah yeah i confronted laura laura

384

00:13:16,150 --> 00:13:14,480

eisenhower about that at a conference

385

00:13:18,069 --> 00:13:16,160

you know what she said to me she said

386

00:13:20,949 --> 00:13:18,079

yeah i'd be happy to show you the source

387

00:13:21,990 --> 00:13:20,959

i got this on video i said okay yeah

388

00:13:26,550 --> 00:13:22,000

it's my friend's

389

00:13:29,829 --> 00:13:26,560

wackadoo website yeah ascensionfiles.net

390

00:13:33,509 --> 00:13:32,069

these people that's another common trait

391

00:13:36,710 --> 00:13:33,519

we find with these people

392

00:13:38,870 --> 00:13:36,720

is that they all have these sources that

393

00:13:40,550 --> 00:13:38,880

if you peel back a few layers of the

394

00:13:42,230 --> 00:13:40,560

deception that they're using when they

395

00:13:44,870 --> 00:13:42,240

present these sources

396

00:13:45,670 --> 00:13:44,880

it's it's ridiculous i mean like they've

397

00:13:47,750 --> 00:13:45,680

got

398

00:13:48,870 --> 00:13:47,760

uh let's see court-martial child

399

00:13:50,790 --> 00:13:48,880

molesters

400

00:13:53,189 --> 00:13:50,800

white supremacist holocaust denying

401

00:13:55,350 --> 00:13:53,199

convicted felons as sources

402

00:13:57,189 --> 00:13:55,360

a fake ronald reagan science and

403

00:13:58,870 --> 00:13:57,199

technology advisor who worked for the

404

00:14:00,870 --> 00:13:58,880

russian equivalent of nasa

405

00:14:02,629 --> 00:14:00,880

but he never worked for ronald reagan or

406

00:14:04,550 --> 00:14:02,639

the russian equipment of nasa and he

407

00:14:06,230 --> 00:14:04,560

didn't win the order of lenin award

408

00:14:07,030 --> 00:14:06,240

anybody can look up who won the order of

409

00:14:09,590 --> 00:14:07,040

lenin award

410

00:14:10,150 --> 00:14:09,600

pete peterson was not on the list so

411

00:14:12,230 --> 00:14:10,160

they just

412

00:14:13,910 --> 00:14:12,240

make these people's histories up and

413

00:14:16,710 --> 00:14:13,920

they're criminals or

414

00:14:17,509 --> 00:14:16,720

you know felons we've got carrie cassidy

415

00:14:20,550 --> 00:14:17,519

richards

416

00:14:23,750 --> 00:14:20,560

yeah they got dementia yeah

417

00:14:25,590 --> 00:14:23,760

what is his name uh uh jay weiner from

418

00:14:28,150 --> 00:14:25,600

reality check who was the producer on

419

00:14:30,629 --> 00:14:28,160

cosmic disclosure said

420

00:14:32,870 --> 00:14:30,639

publicly that pete peterson was such a

421

00:14:34,389 --> 00:14:32,880

rambling senile old man

422

00:14:36,470 --> 00:14:34,399

and david wilcock was trying to like

423

00:14:38,230 --> 00:14:36,480

handle him you know like try to guide

424

00:14:41,030 --> 00:14:38,240

him and push him to say what

425

00:14:41,350 --> 00:14:41,040

he needed him to say and it took them

426  
00:14:43,590 --> 00:14:41,360  
like

427  
00:14:44,629 --> 00:14:43,600  
hours and hours and hours of this guy

428  
00:14:46,870 --> 00:14:44,639  
rambling and then they

429  
00:14:49,350 --> 00:14:46,880  
they it was a nightmare to try to edit

430  
00:14:51,750 --> 00:14:49,360  
into some kind of congruent

431  
00:14:53,670 --> 00:14:51,760  
thought process he just was a senile old

432  
00:14:55,269 --> 00:14:53,680  
man rambling about off-world planets and

433  
00:14:55,990 --> 00:14:55,279  
aliens that he visited and all this

434  
00:14:59,030 --> 00:14:56,000  
garbage

435  
00:15:00,710 --> 00:14:59,040  
so is wilcox smarter than we think he is

436  
00:15:02,629 --> 00:15:00,720  
and he's really good at grifting he's

437  
00:15:04,870 --> 00:15:02,639  
really good at conning or is he just

438  
00:15:06,310 --> 00:15:04,880

gullible or is it a combination that's a

439

00:15:06,949 --> 00:15:06,320

serious question for you stephen what do

440

00:15:10,310 --> 00:15:06,959

you think

441

00:15:12,550 --> 00:15:10,320

i know i i i think he truly believes

442

00:15:13,509 --> 00:15:12,560

the longer that i am subjected to his

443

00:15:15,350 --> 00:15:13,519

garbage

444

00:15:17,509 --> 00:15:15,360

the more i think that he truly believes

445

00:15:19,509 --> 00:15:17,519

this [h\_\_h] he truly believes it but

446

00:15:21,910 --> 00:15:19,519

i do believe that there is a component

447

00:15:24,470 --> 00:15:21,920

to he's always grubbing for money there

448

00:15:27,030 --> 00:15:24,480

is definitely a component of the con

449

00:15:27,829 --> 00:15:27,040

he's well aware that this [h\_\_h] is making

450

00:15:29,990 --> 00:15:27,839

him money

451  
00:15:31,910 --> 00:15:30,000  
and the more fantastical the claims the

452  
00:15:32,470 --> 00:15:31,920  
bigger the the payoff seems to be for

453  
00:15:35,670 --> 00:15:32,480  
him

454  
00:15:36,870 --> 00:15:35,680  
i mean think about it before before good

455  
00:15:38,389 --> 00:15:36,880  
right he was running around telling

456  
00:15:39,350 --> 00:15:38,399  
everybody he was edgar casey

457  
00:15:40,949 --> 00:15:39,360  
reincarnated

458  
00:15:43,509 --> 00:15:40,959  
right and then we're all going to get

459  
00:15:45,829 --> 00:15:43,519  
light bodies right then he pivots into

460  
00:15:48,150 --> 00:15:45,839  
corey good's five-year narrative of

461  
00:15:49,189 --> 00:15:48,160  
garbage [h\_\_h] with no evidence after

462  
00:15:51,590 --> 00:15:49,199  
five years

463  
00:15:52,550 --> 00:15:51,600

and more money comes his way then he

464

00:15:54,550 --> 00:15:52,560

pivots into this

465

00:15:56,069 --> 00:15:54,560

letter of the alphabet and more money

466

00:15:58,790 --> 00:15:56,079

comes his way he keeps growing

467

00:15:59,670 --> 00:15:58,800

the base of lunatics that watch him and

468

00:16:01,269 --> 00:15:59,680

sending money

469

00:16:03,430 --> 00:16:01,279

and now he's going to the uh the

470

00:16:04,069 --> 00:16:03,440

channeling again he's going back to the

471

00:16:07,509 --> 00:16:04,079

channeling

472

00:16:10,069 --> 00:16:07,519

yeah

473

00:16:10,870 --> 00:16:10,079

jesus angelic beings and tall white

474

00:16:13,590 --> 00:16:10,880

aliens

475

00:16:14,550 --> 00:16:13,600

and by the way the mythos or the

476  
00:16:16,230 --> 00:16:14,560  
mythology

477  
00:16:18,230 --> 00:16:16,240  
of the tall white aliens were all

478  
00:16:21,110 --> 00:16:18,240  
invented by charles hall

479  
00:16:21,509 --> 00:16:21,120  
who is a complete and total fraud he was

480  
00:16:24,389 --> 00:16:21,519  
never

481  
00:16:25,749 --> 00:16:24,399  
in the air force we checked we went to

482  
00:16:27,350 --> 00:16:25,759  
the ends of the earth

483  
00:16:28,949 --> 00:16:27,360  
checking out that guy's background he

484  
00:16:29,749 --> 00:16:28,959  
claims he was in the air force he claims

485  
00:16:32,870 --> 00:16:29,759  
that he went to this

486  
00:16:34,790 --> 00:16:32,880  
air force weather training school he

487  
00:16:35,509 --> 00:16:34,800  
wasn't in any of the pictures he wasn't

488  
00:16:37,269 --> 00:16:35,519

in the

489

00:16:38,710 --> 00:16:37,279

list of people that graduated from that

490

00:16:40,629 --> 00:16:38,720

class at that base

491

00:16:42,710 --> 00:16:40,639

complete and total fraud so david

492

00:16:45,990 --> 00:16:42,720

wilcock is channeling fake aliens

493

00:16:47,590 --> 00:16:46,000

made up by a fake other guy it's awesome

494

00:16:49,030 --> 00:16:47,600

well you know what they do stephen what

495

00:16:50,470 --> 00:16:49,040

they do is i think i've been in the

496

00:16:51,990 --> 00:16:50,480

minds of these people so long

497

00:16:54,310 --> 00:16:52,000

i know how they think so what they'll

498

00:16:56,629 --> 00:16:54,320

say is you couldn't find his record

499

00:16:58,150 --> 00:16:56,639

because the cabal wiped it so there

500

00:17:00,069 --> 00:16:58,160

wasn't any proof that he was in the

501  
00:17:01,350 --> 00:17:00,079  
military yeah just like bob lazar they

502  
00:17:04,470 --> 00:17:01,360  
just completely and totally

503  
00:17:06,549 --> 00:17:04,480  
erased him from mit and caltech

504  
00:17:07,510 --> 00:17:06,559  
and the men in black i love this about

505  
00:17:08,949 --> 00:17:07,520  
bob lazar

506  
00:17:10,309 --> 00:17:08,959  
if we're to believe that line of

507  
00:17:11,510 --> 00:17:10,319  
thinking that means that the men in

508  
00:17:14,710 --> 00:17:11,520  
black had to crawl

509  
00:17:17,669 --> 00:17:14,720  
into every dusty attic every basement

510  
00:17:19,189 --> 00:17:17,679  
every garage of everybody at that school

511  
00:17:21,750 --> 00:17:19,199  
for those times

512  
00:17:23,829 --> 00:17:21,760  
steal out the the real year book that

513  
00:17:24,710 --> 00:17:23,839

had pictures of bob lazar and mentioned

514

00:17:27,829 --> 00:17:24,720

the problem

515

00:17:29,430 --> 00:17:27,839

and switch it out hundreds and thousands

516

00:17:30,470 --> 00:17:29,440

of men in black had to go all over the

517

00:17:32,870 --> 00:17:30,480

country

518

00:17:33,990 --> 00:17:32,880

and sneak into people's houses garages

519

00:17:36,630 --> 00:17:34,000

addicts storage

520

00:17:37,510 --> 00:17:36,640

areas whatever steal out the yearbooks

521

00:17:39,590 --> 00:17:37,520

and put them back

522

00:17:40,549 --> 00:17:39,600

it's a ridiculous explanation and they

523

00:17:42,070 --> 00:17:40,559

all use it

524

00:17:45,430 --> 00:17:42,080

you gotta bring out the men in black

525

00:17:46,950 --> 00:17:45,440

explanation if you get caught

526  
00:17:48,470 --> 00:17:46,960  
you know another thing i noticed is that

527  
00:17:50,310 --> 00:17:48,480  
some of these claims they make they're

528  
00:17:51,190 --> 00:17:50,320  
so outlandish they're they're beyond

529  
00:17:52,630 --> 00:17:51,200  
outlandish

530  
00:17:54,549 --> 00:17:52,640  
like you mentioned on one of your shows

531  
00:17:56,390 --> 00:17:54,559  
recently how willcock said that they had

532  
00:17:58,150 --> 00:17:56,400  
put bombs under all these bridges right

533  
00:17:58,630 --> 00:17:58,160  
across the internet yeah i got that from

534  
00:18:00,870 --> 00:17:58,640  
you

535  
00:18:02,710 --> 00:18:00,880  
from a clip we talked about this before

536  
00:18:06,150 --> 00:18:02,720  
yeah so tell us a little bit about

537  
00:18:08,230 --> 00:18:06,160  
the bomb plot bridges that david wilcock

538  
00:18:10,950 --> 00:18:08,240

has talked about before because listen

539

00:18:12,230 --> 00:18:10,960

this i think some of these things

540

00:18:14,390 --> 00:18:12,240

perfectly display

541

00:18:16,630 --> 00:18:14,400

how ridiculous this man is and how

542

00:18:17,750 --> 00:18:16,640

worthless his garbage information is

543

00:18:19,430 --> 00:18:17,760

well this is one of my favorite

544

00:18:21,190 --> 00:18:19,440

predictions he goes from saying there's

545

00:18:23,510 --> 00:18:21,200

a bomb under every bridge

546

00:18:25,669 --> 00:18:23,520

on the expressways across across the

547

00:18:27,350 --> 00:18:25,679

country so they can blow the bridges and

548

00:18:28,710 --> 00:18:27,360

prevent us from leaving the big cities

549

00:18:30,789 --> 00:18:28,720

and stuff and going into the countryside

550

00:18:32,870 --> 00:18:30,799

to hide from i guess the chinese troops

551  
00:18:34,470 --> 00:18:32,880  
but the bigger one stephen was when he

552  
00:18:37,029 --> 00:18:34,480  
said the cabal

553  
00:18:38,549 --> 00:18:37,039  
they have tanker trucks they have cabal

554  
00:18:41,510 --> 00:18:38,559  
tanker trucks they're gasoline

555  
00:18:42,390 --> 00:18:41,520  
yeah they're going to come siphon the

556  
00:18:44,870 --> 00:18:42,400  
car or the

557  
00:18:46,789 --> 00:18:44,880  
the gas out of your car and then he like

558  
00:18:48,230 --> 00:18:46,799  
as he's explaining it he's basically

559  
00:18:48,630 --> 00:18:48,240  
saying they're going to siphon the gas

560  
00:18:50,549 --> 00:18:48,640  
out of

561  
00:18:51,990 --> 00:18:50,559  
every single vehicle in the united

562  
00:18:54,549 --> 00:18:52,000  
states and i was thinking like

563  
00:18:55,909 --> 00:18:54,559

there's like 60 cars on my street you

564

00:18:58,150 --> 00:18:55,919

know how long it would take

565

00:18:59,830 --> 00:18:58,160

the gas out of one car yeah and we

566

00:19:01,430 --> 00:18:59,840

talked about this like i lived in

567

00:19:03,190 --> 00:19:01,440

philadelphia where there would be

568

00:19:05,029 --> 00:19:03,200

i don't know hundreds of thousands of

569

00:19:06,789 --> 00:19:05,039

cars right

570

00:19:09,270 --> 00:19:06,799

so how many [h\_\_h] tankers they would

571

00:19:11,270 --> 00:19:09,280

need like they would need like uh

572

00:19:12,710 --> 00:19:11,280

the world's hugest fleet of tanker

573

00:19:14,390 --> 00:19:12,720

trucks to empty out

574

00:19:15,750 --> 00:19:14,400

a hundred thousand cars of all the

575

00:19:17,590 --> 00:19:15,760

gasoline it's so

576

00:19:19,110 --> 00:19:17,600

[h\_\_h] and he doesn't even stop to

577

00:19:21,350 --> 00:19:19,120

think like

578

00:19:22,630 --> 00:19:21,360

how ridiculous is this is this too

579

00:19:25,430 --> 00:19:22,640

ridiculous

580

00:19:25,909 --> 00:19:25,440

like the math doesn't even add up you

581

00:19:29,430 --> 00:19:25,919

can't

582

00:19:31,430 --> 00:19:29,440

empty into tanker trucks every car in a

583

00:19:32,070 --> 00:19:31,440

major city imagine new york city how

584

00:19:34,390 --> 00:19:32,080

many wouldn't it

585

00:19:36,630 --> 00:19:34,400

work wouldn't it be just easier to set

586

00:19:39,669 --> 00:19:36,640

off like an electromagnetic pulse

587

00:19:41,110 --> 00:19:39,679

to disable the cars see i i have

588

00:19:42,789 --> 00:19:41,120

you you ought to email him that he'll

589

00:19:44,789 --> 00:19:42,799

talk about it on his next [\h\_\_\h]

590

00:19:46,310 --> 00:19:44,799

stream well you know you know when you

591

00:19:47,669 --> 00:19:46,320

say that he's listening to us i heard

592

00:19:48,470 --> 00:19:47,679

you say he was listening to the truth

593

00:19:50,390 --> 00:19:48,480

seeker show

594

00:19:51,590 --> 00:19:50,400

you know when you've done it he watched

595

00:19:53,669 --> 00:19:51,600

listen he

596

00:19:54,630 --> 00:19:53,679

he he could say whatever he wants behind

597

00:19:57,830 --> 00:19:54,640

my back

598

00:19:59,750 --> 00:19:57,840

but i know people who know him very well

599

00:20:01,909 --> 00:19:59,760

right and some of those people are not

600

00:20:04,149 --> 00:20:01,919

his friends i'll just leave it at that

601  
00:20:05,190 --> 00:20:04,159  
and say that i have it on very good

602  
00:20:07,669 --> 00:20:05,200  
authority

603  
00:20:09,270 --> 00:20:07,679  
that he is such an ego maniac it's it's

604  
00:20:11,510 --> 00:20:09,280  
not just my show

605  
00:20:13,990 --> 00:20:11,520  
he googles himself constantly and

606  
00:20:15,270 --> 00:20:14,000  
anybody that talks about him he watches

607  
00:20:18,470 --> 00:20:15,280  
it it doesn't matter if it's

608  
00:20:21,830 --> 00:20:18,480  
you me another show host paranormal hood

609  
00:20:24,710 --> 00:20:21,840  
uh stina bobina uh

610  
00:20:26,070 --> 00:20:24,720  
c.w channer anybody that talks about him

611  
00:20:29,669 --> 00:20:26,080  
critically he watches

612  
00:20:30,390 --> 00:20:29,679  
every moment of it and he has said some

613  
00:20:33,669 --> 00:20:30,400

things

614

00:20:36,789 --> 00:20:33,679

on his show that directly

615

00:20:37,430 --> 00:20:36,799

oh you know i don't want to say real

616

00:20:39,270 --> 00:20:37,440

directly

617

00:20:40,470 --> 00:20:39,280

but it's like anybody that watches my

618

00:20:42,549 --> 00:20:40,480

show

619

00:20:43,909 --> 00:20:42,559

has been hearing him say some things

620

00:20:46,789 --> 00:20:43,919

that they know

621

00:20:48,470 --> 00:20:46,799

he heard on my show he's starting to

622

00:20:49,430 --> 00:20:48,480

address yeah he's starting to address

623

00:20:51,270 --> 00:20:49,440

the criticism

624

00:20:53,590 --> 00:20:51,280

right he's saying like yeah on his

625

00:20:55,430 --> 00:20:53,600

latest my favorite was he's like oh yeah

626

00:20:57,750 --> 00:20:55,440

i know what these critics are all all

627

00:21:00,710 --> 00:20:57,760

say david wilcock does a stream and then

628

00:21:03,990 --> 00:21:00,720

none of this ever happens

629

00:21:05,350 --> 00:21:04,000

and it doesn't yeah well i think

630

00:21:07,270 --> 00:21:05,360

my whole thing with him started at

631

00:21:07,830 --> 00:21:07,280

contacting the desert like five years

632

00:21:09,110 --> 00:21:07,840

ago

633

00:21:10,710 --> 00:21:09,120

and i just went into the conference i

634

00:21:11,750 --> 00:21:10,720

knew who he was i didn't have any

635

00:21:13,270 --> 00:21:11,760

feelings on him

636

00:21:14,870 --> 00:21:13,280

i just went in and i watched it and i

637

00:21:16,549 --> 00:21:14,880

listened to him he like yelled at his

638

00:21:18,549 --> 00:21:16,559

audience and he there's like a weird

639

00:21:20,470 --> 00:21:18,559

woman doing yoga in front of him bowing

640

00:21:22,630 --> 00:21:20,480

down to him that was very weird

641

00:21:24,470 --> 00:21:22,640

i just started thinking like this is

642

00:21:27,190 --> 00:21:24,480

like a cult or something

643

00:21:27,830 --> 00:21:27,200

yeah i left and i did a radio show

644

00:21:29,110 --> 00:21:27,840

because you know

645

00:21:30,630 --> 00:21:29,120

people had supported the secret

646

00:21:32,149 --> 00:21:30,640

teachings to send me out there i did a

647

00:21:34,149 --> 00:21:32,159

show on the on the event

648

00:21:35,590 --> 00:21:34,159

and all i did was i made this one really

649

00:21:37,430 --> 00:21:35,600

terrible joke i said

650

00:21:39,669 --> 00:21:37,440

i did go to see wilcock i went into the

651  
00:21:41,270 --> 00:21:39,679  
room but his ego was so big there wasn't

652  
00:21:44,870 --> 00:21:41,280  
anywhere for me to sit

653  
00:21:46,470 --> 00:21:44,880  
and that's that's all i said

654  
00:21:48,230 --> 00:21:46,480  
and then i got it i got a message from

655  
00:21:49,830 --> 00:21:48,240  
my friend he calls me the next day

656  
00:21:51,190 --> 00:21:49,840  
and he's like did you did you talk about

657  
00:21:52,310 --> 00:21:51,200  
wilcock on your show and i said yeah i

658  
00:21:53,350 --> 00:21:52,320  
said he had a big ego

659  
00:21:55,190 --> 00:21:53,360  
he's like you gotta check out his

660  
00:21:57,270 --> 00:21:55,200  
website man he wrote like a six page

661  
00:21:58,630 --> 00:21:57,280  
article on how he doesn't have a big ego

662  
00:22:00,950 --> 00:21:58,640  
and i was that was the first time i

663  
00:22:03,990 --> 00:22:00,960

experienced it and then i started like

664

00:22:05,990 --> 00:22:04,000

i started seeding it stephen

665

00:22:07,669 --> 00:22:06,000

make a comment you know make a comment

666

00:22:09,190 --> 00:22:07,679

do a big show put the promo out there

667

00:22:10,070 --> 00:22:09,200

and then like a week later he'd do his

668

00:22:11,909 --> 00:22:10,080

live stream

669

00:22:13,430 --> 00:22:11,919

and he's just addressing like what me or

670

00:22:13,830 --> 00:22:13,440

you or other people are saying yeah it's

671

00:22:19,190 --> 00:22:13,840

not

672

00:22:23,430 --> 00:22:21,270

yeah and i thought of a great example i

673

00:22:24,310 --> 00:22:23,440

did this david wilcox box of dildos

674

00:22:26,789 --> 00:22:24,320

challenge

675

00:22:28,710 --> 00:22:26,799

and for those for those who don't know i

676

00:22:30,390 --> 00:22:28,720

just challenged him like let's check out

677

00:22:31,990 --> 00:22:30,400

your superpowers if your super powers

678

00:22:33,590 --> 00:22:32,000

are real i'll give you ten thousand

679

00:22:35,430 --> 00:22:33,600

dollars to your favorite charity if you

680

00:22:37,430 --> 00:22:35,440

could find where i buried this huge box

681

00:22:39,029 --> 00:22:37,440

of dildos somewhere in the world

682

00:22:40,789 --> 00:22:39,039

you can use your superpowers whatever

683

00:22:42,549 --> 00:22:40,799

you want to use and i kept pushing that

684

00:22:43,110 --> 00:22:42,559

box of dildos box of dildos box of

685

00:22:45,510 --> 00:22:43,120

dildos

686

00:22:46,630 --> 00:22:45,520

he's never used the term box in any of

687

00:22:49,190 --> 00:22:46,640

his posts

688

00:22:51,430 --> 00:22:49,200

right after i did that he starts saying

689

00:22:54,950 --> 00:22:51,440

that him and danny brinkley were gonna

690

00:22:57,430 --> 00:22:54,960

unlock boxes of knowledge right

691

00:22:59,029 --> 00:22:57,440

and everybody emailed me these posts

692

00:23:01,110 --> 00:22:59,039

because they know that he had a c

693

00:23:02,870 --> 00:23:01,120

knows about that box of dildos hasn't

694

00:23:05,990 --> 00:23:02,880

found one of them yet

695

00:23:06,630 --> 00:23:06,000

we've got dildos we've got dildos in 12

696

00:23:09,510 --> 00:23:06,640

countries

697

00:23:11,190 --> 00:23:09,520

viewers of mine buried dildos oh then

698

00:23:12,390 --> 00:23:11,200

they sent me pictures of like then

699

00:23:14,390 --> 00:23:12,400

burying the dildo

700

00:23:16,230 --> 00:23:14,400

and like if he finds the viewer of

701

00:23:17,909 --> 00:23:16,240

dildos he gets ten dollars if he finds

702

00:23:19,750 --> 00:23:17,919

the huge box of dildos he gets ten

703

00:23:21,669 --> 00:23:19,760

thousand dollars

704

00:23:24,390 --> 00:23:21,679

so far he hasn't found a single dildo

705

00:23:26,070 --> 00:23:24,400

with his superpowers

706

00:23:27,830 --> 00:23:26,080

well you know the super powers and the

707

00:23:28,230 --> 00:23:27,840

pivoting away from things that he can't

708

00:23:30,390 --> 00:23:28,240

prove

709

00:23:31,750 --> 00:23:30,400

and those vague words that he uses i've

710

00:23:32,710 --> 00:23:31,760

noticed all that he's doing that but

711

00:23:34,630 --> 00:23:32,720

he's also

712

00:23:36,390 --> 00:23:34,640

i think the subconscious is getting to

713

00:23:36,710 --> 00:23:36,400

him i really do because a lot of you're

714

00:23:38,630 --> 00:23:36,720

right

715

00:23:39,990 --> 00:23:38,640

it's leaking it's leaking it's bleeding

716

00:23:41,669 --> 00:23:40,000

through yeah it's bleeding through now

717

00:23:43,909 --> 00:23:41,679

you can see it more and more

718

00:23:45,510 --> 00:23:43,919

yeah i've i've noticed that lately and i

719

00:23:47,510 --> 00:23:45,520

comment on it while we're watching his

720

00:23:49,510 --> 00:23:47,520

video like he'll say something like

721

00:23:51,269 --> 00:23:49,520

oh yeah david wilcock does the stream

722

00:23:54,149 --> 00:23:51,279

and then nothing ever happens

723

00:23:54,789 --> 00:23:54,159

you know it's bleeding through you know

724

00:24:01,510 --> 00:23:54,799

or

725

00:24:02,710 --> 00:24:01,520

you know like

726

00:24:04,710 --> 00:24:02,720

it's caught you're right his

727

00:24:06,630 --> 00:24:04,720

subconscious is bleed and guilt

728

00:24:08,950 --> 00:24:06,640

is bleeding in there to his conscious

729

00:24:11,190 --> 00:24:08,960

waking mind while he's speaking now

730

00:24:13,110 --> 00:24:11,200

it's like breaking he's breaking down in

731

00:24:15,029 --> 00:24:13,120

there

732

00:24:16,549 --> 00:24:15,039

i i talked to someone who knew him

733

00:24:18,710 --> 00:24:16,559

really well um a

734

00:24:20,310 --> 00:24:18,720

really big-name person just for the the

735

00:24:22,070 --> 00:24:20,320

credibility of this statement

736

00:24:23,590 --> 00:24:22,080

uh and he told me he's like yeah i met

737

00:24:25,430 --> 00:24:23,600

willcock and

738

00:24:27,110 --> 00:24:25,440

he said i didn't have a good experience

739

00:24:29,269 --> 00:24:27,120

with him but he said yeah he he owns or

740

00:24:32,149 --> 00:24:29,279

his family owns they own this big

741

00:24:33,990 --> 00:24:32,159

malibu mansion and i never had that

742

00:24:35,350 --> 00:24:34,000

verified until the video i watched of

743

00:24:36,630 --> 00:24:35,360

him his the other night

744

00:24:38,710 --> 00:24:36,640

where he was talking about how he's like

745

00:24:39,990 --> 00:24:38,720

well i used to live in malibu on the top

746

00:24:42,149 --> 00:24:40,000

of this mountain and i was like yeah

747

00:24:44,230 --> 00:24:42,159

that's the mountain house in malibu like

748

00:24:47,350 --> 00:24:44,240

your property taxes are probably more

749

00:24:49,029 --> 00:24:47,360

than my rent over 10 years

750

00:24:50,950 --> 00:24:49,039

yeah and it's and it's i've done

751  
00:24:53,190 --> 00:24:50,960  
reporting on this the house that he

752  
00:24:57,430 --> 00:24:53,200  
actually lives in in colorado

753  
00:24:59,909 --> 00:24:57,440  
yeah 1.3 million mansion cabin

754  
00:25:01,590 --> 00:24:59,919  
not a regular one and he only put 300

755  
00:25:02,549 --> 00:25:01,600  
down so he's got a million dollar

756  
00:25:04,549 --> 00:25:02,559  
mortgage

757  
00:25:06,630 --> 00:25:04,559  
in other words he owes a million dollars

758  
00:25:08,149 --> 00:25:06,640  
on a 1.3 million dollar mansion i don't

759  
00:25:08,710 --> 00:25:08,159  
know what the payment it's got to be 20

760  
00:25:10,630 --> 00:25:08,720  
000

761  
00:25:11,990 --> 00:25:10,640  
a month just for the mortgage payment so

762  
00:25:13,269 --> 00:25:12,000  
you got to be really he's got to be

763  
00:25:16,070 --> 00:25:13,279

coming up with new gifts

764

00:25:17,669 --> 00:25:16,080

i think that's why the grip goes on man

765

00:25:20,149 --> 00:25:17,679

he's got a mansion a

766

00:25:21,190 --> 00:25:20,159

long cabin mansion to pay for and it's

767

00:25:23,029 --> 00:25:21,200

not just that

768

00:25:24,789 --> 00:25:23,039

i think it was you who told me that uh

769

00:25:25,909 --> 00:25:24,799

he showed up to the one conference in a

770

00:25:28,230 --> 00:25:25,919

hundred thousand dollar

771

00:25:29,750 --> 00:25:28,240

base model car now that may have been a

772

00:25:31,430 --> 00:25:29,760

rental but still

773

00:25:33,590 --> 00:25:31,440

i didn't i didn't say that but i

774

00:25:33,990 --> 00:25:33,600

remember i was that contact he showed up

775

00:25:38,310 --> 00:25:34,000

to

776

00:25:40,070 --> 00:25:38,320

yeah anyway hundred thousand dollars

777

00:25:42,230 --> 00:25:40,080

that see that's the thing i i was at

778

00:25:44,149 --> 00:25:42,240

contact that year and that's the year i

779

00:25:49,430 --> 00:25:44,159

talked to jordan sather and was accused

780

00:25:53,110 --> 00:25:51,190

how dare you ask a question you

781

00:25:54,310 --> 00:25:53,120

terrorist but that's what they do they

782

00:25:57,909 --> 00:25:54,320

amplify everything

783

00:26:01,190 --> 00:26:00,390

we're under constant attack he said he

784

00:26:03,110 --> 00:26:01,200

was terrified

785

00:26:04,549 --> 00:26:03,120

wilcox said he was scared to turn around

786

00:26:06,070 --> 00:26:04,559

on stage because he said he was going to

787

00:26:07,510 --> 00:26:06,080

be assassinated

788

00:26:09,590 --> 00:26:07,520

did you hear that he's got to have all

789

00:26:10,310 --> 00:26:09,600

this he's got to have all this security

790

00:26:13,110 --> 00:26:10,320

and everything

791

00:26:15,110 --> 00:26:13,120

like he yeah he he made those conference

792

00:26:18,549 --> 00:26:15,120

organizers spend a lot of

793

00:26:21,590 --> 00:26:18,559

extra money that was ridiculous on on

794

00:26:23,909 --> 00:26:21,600

extra security and then he also said

795

00:26:25,430 --> 00:26:23,919

that the police were the police were

796

00:26:26,950 --> 00:26:25,440

standing by

797

00:26:29,029 --> 00:26:26,960

i called the police they didn't know

798

00:26:30,549 --> 00:26:29,039

anything about it they didn't hear

799

00:26:31,909 --> 00:26:30,559

they barely knew that conference was

800

00:26:33,190 --> 00:26:31,919

they knew there was a conference going

801  
00:26:35,350 --> 00:26:33,200  
on at that hotel

802  
00:26:37,190 --> 00:26:35,360  
but they didn't that nobody reported any

803  
00:26:38,230 --> 00:26:37,200  
death threats there was no reports of

804  
00:26:40,149 --> 00:26:38,240  
any violent

805  
00:26:41,750 --> 00:26:40,159  
you know threats against anybody it's

806  
00:26:43,669 --> 00:26:41,760  
just made up poor [h\_\_h]

807  
00:26:44,950 --> 00:26:43,679  
to make make it seem like his

808  
00:26:47,269 --> 00:26:44,960  
information is so

809  
00:26:48,470 --> 00:26:47,279  
important that people are trying to stop

810  
00:26:51,590 --> 00:26:48,480  
him

811  
00:26:53,510 --> 00:26:51,600  
black in the deep state yeah

812  
00:26:55,110 --> 00:26:53,520  
and radio hosts and journalists who have

813  
00:26:56,549 --> 00:26:55,120

questions to ask and this this is a

814

00:26:57,990 --> 00:26:56,559

great example of what they do

815

00:26:59,430 --> 00:26:58,000

so like will [h\_\_h] and say that we're at

816

00:27:01,110 --> 00:26:59,440

this conference and say that he's

817

00:27:02,470 --> 00:27:01,120

outside after his presentation he's

818

00:27:04,789 --> 00:27:02,480

talking to these people

819

00:27:07,190 --> 00:27:04,799

all i did was go up and ask a question

820

00:27:09,350 --> 00:27:07,200

and that turned into like this big uh

821

00:27:11,029 --> 00:27:09,360

this big issue outside people were

822

00:27:12,710 --> 00:27:11,039

yelling at me it was like a cult

823

00:27:14,070 --> 00:27:12,720

his followers were attacking me like

824

00:27:15,190 --> 00:27:14,080

screaming at me they're trying to shout

825

00:27:17,350 --> 00:27:15,200

you down yeah

826

00:27:19,430 --> 00:27:17,360

yeah and telling cause and all i said

827

00:27:21,029 --> 00:27:19,440

was i don't buy this alliance deep state

828

00:27:23,110 --> 00:27:21,039

stuff i said it sounds like some

829

00:27:25,029 --> 00:27:23,120

dogma it sounds like heaven and hell and

830

00:27:25,669 --> 00:27:25,039

you know you got your priests your high

831

00:27:27,830 --> 00:27:25,679

priests and

832

00:27:29,110 --> 00:27:27,840

the textbooks of eric von daniken and

833

00:27:31,430 --> 00:27:29,120

all these other people that

834

00:27:32,870 --> 00:27:31,440

you know yeah you can't question that's

835

00:27:34,710 --> 00:27:32,880

it's like a big cult and you got your

836

00:27:36,549 --> 00:27:34,720

platy and aliens those are your angels

837

00:27:38,630 --> 00:27:36,559

and your reptilian demons and

838

00:27:39,830 --> 00:27:38,640

you know ascension is the rapture and it

839

00:27:41,830 --> 00:27:39,840

just goes on and on

840

00:27:43,350 --> 00:27:41,840

so i was explaining this to like the

841

00:27:45,029 --> 00:27:43,360

crowd and they and they were

842

00:27:46,149 --> 00:27:45,039

yelling and heckling me back but i did

843

00:27:47,590 --> 00:27:46,159

have a few other people that came up to

844

00:27:48,870 --> 00:27:47,600

me and they asked me like where are you

845

00:27:50,149 --> 00:27:48,880

hearing this at where did you get this

846

00:27:51,269 --> 00:27:50,159

information like i'm interested

847

00:27:54,710 --> 00:27:51,279

legitimately

848

00:27:56,789 --> 00:27:54,720

so that plus there was an issue with

849

00:27:57,750 --> 00:27:56,799

say there's video feed and they didn't

850

00:28:00,870 --> 00:27:57,760

get the dvd

851  
00:28:03,510 --> 00:28:00,880  
out right away that all turned into

852  
00:28:05,029 --> 00:28:03,520  
contact in the desert is censoring it

853  
00:28:07,029 --> 00:28:05,039  
back in the desert doesn't want you to

854  
00:28:09,029 --> 00:28:07,039  
know about the letter of the alphabet

855  
00:28:10,870 --> 00:28:09,039  
and meanwhile they told him this

856  
00:28:12,549 --> 00:28:10,880  
conference is not about politics

857  
00:28:14,149 --> 00:28:12,559  
if you're going to speak we want you to

858  
00:28:16,310 --> 00:28:14,159  
be a speaker but you can't you can't

859  
00:28:17,750 --> 00:28:16,320  
talk about politics he agrees okay i

860  
00:28:18,470 --> 00:28:17,760  
won't talk about politics and then what

861  
00:28:19,909 --> 00:28:18,480  
does he do

862  
00:28:21,990 --> 00:28:19,919  
he goes and he talks about politics

863  
00:28:23,750 --> 00:28:22,000

because that's all he has yeah that's

864

00:28:25,029 --> 00:28:23,760

the alphabet correct and all they did

865

00:28:27,110 --> 00:28:25,039

though was just that they were

866

00:28:28,950 --> 00:28:27,120

they took a while to get the dvd out so

867

00:28:30,470 --> 00:28:28,960

basically in simple terms the video

868

00:28:32,310 --> 00:28:30,480

there's an issue with the video that

869

00:28:33,750 --> 00:28:32,320

turns into i'm being censored

870

00:28:35,830 --> 00:28:33,760

there's a guy that asks me a question

871

00:28:37,430 --> 00:28:35,840

that turns into i was being harassed by

872

00:28:39,110 --> 00:28:37,440

a guy who wanted to know about

873

00:28:40,710 --> 00:28:39,120

why i believed in the letter of the

874

00:28:41,990 --> 00:28:40,720

alphabet and then that turned into

875

00:28:43,750 --> 00:28:42,000

because he told wilcock

876

00:28:45,909 --> 00:28:43,760

that i was a terrorist and they had to

877

00:28:47,430 --> 00:28:45,919

have extra extra police

878

00:28:49,110 --> 00:28:47,440

and i was there the whole time stephen

879

00:28:50,710 --> 00:28:49,120

there was one cop car

880

00:28:52,630 --> 00:28:50,720

just because he was like on a typical

881

00:28:54,310 --> 00:28:52,640

patrol just driving around and that was

882

00:28:56,710 --> 00:28:54,320

the police force they had there

883

00:28:57,510 --> 00:28:56,720

to protect wilcock yeah it's so

884

00:29:00,230 --> 00:28:57,520

ridiculous

885

00:29:01,830 --> 00:29:00,240

this constant and they all do it like

886

00:29:03,590 --> 00:29:01,840

carrie cassidy right now

887

00:29:05,029 --> 00:29:03,600

i just talked about her last night on my

888

00:29:07,750 --> 00:29:05,039

show she's

889

00:29:09,430 --> 00:29:07,760

grifting and and collecting donations

890

00:29:12,310 --> 00:29:09,440

claiming that her website

891

00:29:14,310 --> 00:29:12,320

is under constant cyber attack people

892

00:29:16,389 --> 00:29:14,320

are trying to take her website down

893

00:29:17,830 --> 00:29:16,399

so you need to send me a check so that

894

00:29:19,909 --> 00:29:17,840

we can stay online

895

00:29:20,870 --> 00:29:19,919

and and my point is that if she can't

896

00:29:22,710 --> 00:29:20,880

show us the proof

897

00:29:25,190 --> 00:29:22,720

that her website is actually under

898

00:29:27,750 --> 00:29:25,200

constant cyber attack and any i'm an i.t

899

00:29:29,990 --> 00:29:27,760

guy like any it guy can look at her

900

00:29:31,510 --> 00:29:30,000

website logs and tell you if that's an

901  
00:29:33,830 --> 00:29:31,520  
accurate statement or not

902  
00:29:35,830 --> 00:29:33,840  
and if it's not then that's consumer

903  
00:29:37,909 --> 00:29:35,840  
fraud she's telling you

904  
00:29:39,750 --> 00:29:37,919  
as a factual statement my website is

905  
00:29:41,590 --> 00:29:39,760  
under constant cyber attack you've got

906  
00:29:43,909 --> 00:29:41,600  
to send me money

907  
00:29:45,190 --> 00:29:43,919  
that's consumer fraud and they all do it

908  
00:29:46,870 --> 00:29:45,200  
they all do it yep

909  
00:29:48,789 --> 00:29:46,880  
yeah well and well that's what another

910  
00:29:49,990 --> 00:29:48,799  
reason i think wilcock has recently he's

911  
00:29:51,350 --> 00:29:50,000  
been talking about how

912  
00:30:03,110 --> 00:29:51,360  
you know he's got to speak in code now

913  
00:30:07,190 --> 00:30:05,269

it's ridiculous if he believed what he

914

00:30:09,510 --> 00:30:07,200

was saying was real and true

915

00:30:11,669 --> 00:30:09,520

wouldn't he just be a man and say it and

916

00:30:13,269 --> 00:30:11,679

not try he's trying so hard to preserve

917

00:30:14,710 --> 00:30:13,279

those super chats that's what it is

918

00:30:16,070 --> 00:30:14,720

that's where he's making his money well

919

00:30:17,669 --> 00:30:16,080

that actually tells us something maybe

920

00:30:19,269 --> 00:30:17,679

he's really hurting for money

921

00:30:20,470 --> 00:30:19,279

because of his lifestyle so he's really

922

00:30:22,070 --> 00:30:20,480

trying to make sure that youtube page

923

00:30:24,070 --> 00:30:22,080

don't get taken down

924

00:30:25,669 --> 00:30:24,080

well we've heard from this corey good

925

00:30:27,110 --> 00:30:25,679

accountability project that corey good

926  
00:30:28,230 --> 00:30:27,120  
blows through money like there's no

927  
00:30:29,750 --> 00:30:28,240  
tomorrow well

928  
00:30:31,269 --> 00:30:29,760  
i i didn't know about a corey good

929  
00:30:33,830 --> 00:30:31,279  
accountability project

930  
00:30:34,710 --> 00:30:33,840  
oh yeah it's on my website oh this is

931  
00:30:37,909 --> 00:30:34,720  
great if

932  
00:30:39,590 --> 00:30:37,919  
you you haven't been keeping up so uh

933  
00:30:40,950 --> 00:30:39,600  
all of the people that used to work

934  
00:30:43,269 --> 00:30:40,960  
directly with and for

935  
00:30:44,549 --> 00:30:43,279  
corey goode they started this project

936  
00:30:46,149 --> 00:30:44,559  
with and it's kind of

937  
00:30:47,990 --> 00:30:46,159  
nutter because there's a nutter that

938  
00:30:49,669 --> 00:30:48,000

claims that he talks to aliens that's

939

00:30:52,070 --> 00:30:49,679

the host of the show

940

00:30:53,990 --> 00:30:52,080

but they're they all just went and tried

941

00:30:55,909 --> 00:30:54,000

leon isaac kennedy

942

00:30:57,990 --> 00:30:55,919

all the people that are getting sued by

943

00:30:58,710 --> 00:30:58,000

him adrian youngblood the person that

944

00:31:00,549 --> 00:30:58,720

ran

945

00:31:01,909 --> 00:31:00,559

the dimensions of disclosure conference

946

00:31:04,389 --> 00:31:01,919

poor and with him

947

00:31:06,470 --> 00:31:04,399

they all came out and said you know

948

00:31:09,029 --> 00:31:06,480

basically he's a low-life scumball

949

00:31:09,909 --> 00:31:09,039

that only cares about money and he [h\_\_h]

950

00:31:13,350 --> 00:31:09,919

everybody

951  
00:31:14,950 --> 00:31:13,360  
it's great and i i i copied it and i put

952  
00:31:18,070 --> 00:31:14,960  
it on my channel

953  
00:31:19,750 --> 00:31:18,080  
because i figured that some of those uh

954  
00:31:21,509 --> 00:31:19,760  
videos would be taken down and they've

955  
00:31:23,110 --> 00:31:21,519  
already been a few of them

956  
00:31:25,509 --> 00:31:23,120  
you know like one of them his former

957  
00:31:27,190 --> 00:31:25,519  
lawyer liz laurie

958  
00:31:29,110 --> 00:31:27,200  
the one that threatened everybody with

959  
00:31:32,310 --> 00:31:29,120  
cease and desist yeah yeah

960  
00:31:34,470 --> 00:31:32,320  
yeah she no i never got one she

961  
00:31:36,630 --> 00:31:34,480  
she came out against him and said that

962  
00:31:38,630 --> 00:31:36,640  
basically she wrote corey good's entire

963  
00:31:40,230 --> 00:31:38,640

last course and she was supposed to get

964

00:31:42,230 --> 00:31:40,240

40 of the money

965

00:31:43,669 --> 00:31:42,240

and it was some ridiculous number like

966

00:31:46,310 --> 00:31:43,679

700 000

967

00:31:47,830 --> 00:31:46,320

they made and she was supposed to get 45

968

00:31:49,269 --> 00:31:47,840

of it or something and he refused to

969

00:31:50,470 --> 00:31:49,279

give her the money

970

00:31:52,789 --> 00:31:50,480

off of one of those blue chicken

971

00:31:55,669 --> 00:31:52,799

disclosure courses yeah

972

00:31:56,070 --> 00:31:55,679

yeah seven hundred thousand dollars

973

00:31:59,430 --> 00:31:56,080

who's

974

00:32:01,269 --> 00:31:59,440

paying this man it was 333 dollars so

975

00:32:03,830 --> 00:32:01,279

you can imagine he only needed

976  
00:32:05,190 --> 00:32:03,840  
i don't know you know a few hundred

977  
00:32:08,070 --> 00:32:05,200  
people to sign up with that

978  
00:32:09,110 --> 00:32:08,080  
kind of money i guess but these are

979  
00:32:13,990 --> 00:32:09,120  
claims that

980  
00:32:16,710 --> 00:32:14,000  
she's trying to sue him for money so she

981  
00:32:17,350 --> 00:32:16,720  
could be exaggerating what he actually

982  
00:32:19,350 --> 00:32:17,360  
made

983  
00:32:21,430 --> 00:32:19,360  
but i don't know but my point was that

984  
00:32:22,789 --> 00:32:21,440  
we've heard from many people that corey

985  
00:32:24,549 --> 00:32:22,799  
good blows through money like there's no

986  
00:32:25,350 --> 00:32:24,559  
tomorrow leon isaac kennedy said that he

987  
00:32:27,350 --> 00:32:25,360  
got him

988  
00:32:28,950 --> 00:32:27,360

like a short-term loan for fifty

989

00:32:30,070 --> 00:32:28,960

thousand dollars and then the next month

990

00:32:31,430 --> 00:32:30,080

he was broke again

991

00:32:34,070 --> 00:32:31,440

so i don't know what you spend fifty

992

00:32:35,350 --> 00:32:34,080

thousand dollars in a month on but

993

00:32:37,350 --> 00:32:35,360

you know and i have a feeling that

994

00:32:39,430 --> 00:32:37,360

wilcock is the same way he lives this

995

00:32:41,750 --> 00:32:39,440

millionaires lifestyle he's got

996

00:32:42,710 --> 00:32:41,760

a million dollar home hundred thousand

997

00:32:45,350 --> 00:32:42,720

dollar cars

998

00:32:47,269 --> 00:32:45,360

these things are not cheap you know i

999

00:32:48,710 --> 00:32:47,279

had somebody email me one time and

1000

00:32:51,269 --> 00:32:48,720

i i don't know about the validity of

1001  
00:32:53,909 --> 00:32:51,279  
this but they said you know henry smith

1002  
00:32:54,950 --> 00:32:53,919  
uh he lived in like palm springs right

1003  
00:32:56,950 --> 00:32:54,960  
and that's where they have the

1004  
00:32:58,470 --> 00:32:56,960  
big conference and he said he's like man

1005  
00:32:59,909 --> 00:32:58,480  
he's like i used to know emory smith

1006  
00:33:01,269 --> 00:32:59,919  
like he was i didn't know him personally

1007  
00:33:02,389 --> 00:33:01,279  
but i saw him he was like a gym

1008  
00:33:04,389 --> 00:33:02,399  
instructor

1009  
00:33:06,389 --> 00:33:04,399  
right at a gym and he's like then

1010  
00:33:07,509 --> 00:33:06,399  
suddenly i saw this guy on like gaia tv

1011  
00:33:08,870 --> 00:33:07,519  
and i was wondering i was like what the

1012  
00:33:10,470 --> 00:33:08,880  
what the hell is this this guy was like

1013  
00:33:11,509 --> 00:33:10,480

an instructor at a gym and now he's

1014

00:33:13,509 --> 00:33:11,519

talking about how he

1015

00:33:15,990 --> 00:33:13,519

met aliens in some underground military

1016

00:33:21,509 --> 00:33:19,190

he did 3 000 alien autopsy

1017

00:33:22,230 --> 00:33:21,519

yeah okay well you know i asked him

1018

00:33:24,470 --> 00:33:22,240

about that

1019

00:33:26,070 --> 00:33:24,480

yeah yeah and yeah and he said no uh

1020

00:33:30,070 --> 00:33:26,080

wilcox made that up i didn't know

1021

00:33:33,269 --> 00:33:30,080

autopsy yeah i didn't autopsy 300 aliens

1022

00:33:35,269 --> 00:33:33,279

i i looked at 300 aliens tissue

1023

00:33:37,190 --> 00:33:35,279

yeah tissue samples but yeah he actually

1024

00:33:39,750 --> 00:33:37,200

can believe him probably not but he said

1025

00:33:41,590 --> 00:33:39,760

wilcox just made up all that stuff

1026

00:33:43,430 --> 00:33:41,600

well it was interesting there was also

1027

00:33:43,990 --> 00:33:43,440

another revelation that points on the

1028

00:33:46,389 --> 00:33:44,000

curve

1029

00:33:47,830 --> 00:33:46,399

that was a was a youtube channel that

1030

00:33:50,070 --> 00:33:47,840

his father-in-law

1031

00:33:51,990 --> 00:33:50,080

basically emery smith's father-in-law

1032

00:33:54,549 --> 00:33:52,000

came out with a youtube channel

1033

00:33:55,750 --> 00:33:54,559

and told everybody that like when he was

1034

00:33:57,350 --> 00:33:55,760

in the hospital and it was supposed to

1035

00:33:59,190 --> 00:33:57,360

be a deep state attack

1036

00:34:00,389 --> 00:33:59,200

that was just because he went on an

1037

00:34:03,909 --> 00:34:00,399

alcoholic binge

1038

00:34:05,590 --> 00:34:03,919

bender then he was dead yeah that was

1039

00:34:07,990 --> 00:34:05,600

that was my theory me and my co-host

1040

00:34:09,430 --> 00:34:08,000

mike d we theorized on that

1041

00:34:11,270 --> 00:34:09,440

my friend said it looks like he went on

1042

00:34:13,829 --> 00:34:11,280

more of a bender than anything yeah

1043

00:34:15,030 --> 00:34:13,839

well you were right so it turns out that

1044

00:34:17,510 --> 00:34:15,040

he went on such an

1045

00:34:19,990 --> 00:34:17,520

alcohol and drug bender that he ended up

1046

00:34:22,710 --> 00:34:20,000

in the hospital for alcohol poisoning

1047

00:34:24,389 --> 00:34:22,720

and meanwhile wilcock and emery smith

1048

00:34:27,270 --> 00:34:24,399

put that up on their website and

1049

00:34:28,790 --> 00:34:27,280

collected something like 50 000 in

1050

00:34:31,430 --> 00:34:28,800

donations for henry smith

1051  
00:34:32,389 --> 00:34:31,440  
oh my god because he's under deep state

1052  
00:34:35,030 --> 00:34:32,399  
attack

1053  
00:34:36,069 --> 00:34:35,040  
by a bottle of [\h\_\_\h] jack daniels

1054  
00:34:38,550 --> 00:34:36,079  
apparently

1055  
00:34:40,710 --> 00:34:38,560  
the deep state are so devious they sent

1056  
00:34:43,270 --> 00:34:40,720  
emery smith a whole bunch of alcohol and

1057  
00:34:44,869 --> 00:34:43,280  
he drank it all and [\h\_\_\h] himself up

1058  
00:34:45,990 --> 00:34:44,879  
what was that what was that one story i

1059  
00:34:48,230 --> 00:34:46,000  
don't remember this story too well but

1060  
00:34:49,909 --> 00:34:48,240  
one of them was driving like a uh

1061  
00:34:51,349 --> 00:34:49,919  
it was probably drunk driving is what it

1062  
00:34:53,990 --> 00:34:51,359  
was they were driving like uh

1063  
00:34:55,510 --> 00:34:54,000

it was drunk it was drunk driving yeah i

1064

00:34:57,829 --> 00:34:55,520

figured it was it was like

1065

00:34:58,950 --> 00:34:57,839

a big accident drunk driving a range

1066

00:35:01,270 --> 00:34:58,960

rover right

1067

00:35:02,950 --> 00:35:01,280

yeah i drove past this range rover

1068

00:35:04,310 --> 00:35:02,960

dealership in palm springs when i was at

1069

00:35:06,470 --> 00:35:04,320

the conference and i was thinking i bet

1070

00:35:09,910 --> 00:35:06,480

that's where emery smith bought his car

1071

00:35:11,349 --> 00:35:09,920

and then i looked up how much a range

1072

00:35:12,630 --> 00:35:11,359

rover was brand new it was like 80

1073

00:35:14,550 --> 00:35:12,640

thousand dollars

1074

00:35:17,109 --> 00:35:14,560

yeah that's what that's where he's going

1075

00:35:17,829 --> 00:35:17,119

you've got to use everything you can if

1076

00:35:24,069 --> 00:35:17,839

you

1077

00:35:25,430 --> 00:35:24,079

that's an opportunity to grip that's a

1078

00:35:26,630 --> 00:35:25,440

cutting opportunity you could take

1079

00:35:28,710 --> 00:35:26,640

pictures of yourself

1080

00:35:30,150 --> 00:35:28,720

claim the deep state poisoned you with

1081

00:35:33,349 --> 00:35:30,160

slow acting cancer

1082

00:35:34,390 --> 00:35:33,359

or some [h\_\_h] right and start getting

1083

00:35:37,589 --> 00:35:34,400

those donations

1084

00:35:41,030 --> 00:35:37,599

not

1085

00:35:43,430 --> 00:35:41,040

can't lie so

1086

00:35:45,430 --> 00:35:43,440

so easily like i might be wrong i might

1087

00:35:45,670 --> 00:35:45,440

be wrong sometimes but it's not because

1088

00:36:10,390 --> 00:35:45,680

i

1089

00:36:11,750 --> 00:36:10,400

characters comments lately

1090

00:36:13,589 --> 00:36:11,760

there's an awful lot more negative

1091

00:36:15,270 --> 00:36:13,599

comments than there used to be like on

1092

00:36:17,030 --> 00:36:15,280

twitter and facebook oh twitter

1093

00:36:19,109 --> 00:36:17,040

facebook all over the place and i'm not

1094

00:36:21,589 --> 00:36:19,119

sure if it's because some of them

1095

00:36:23,270 --> 00:36:21,599

uh you know like i know for example

1096

00:36:25,430 --> 00:36:23,280

corey goode had a full-time

1097

00:36:26,950 --> 00:36:25,440

social media person whose only job it

1098

00:36:28,790 --> 00:36:26,960

was and i've heard this this could be

1099

00:36:32,069 --> 00:36:28,800

rumors and speculation but

1100

00:36:35,750 --> 00:36:32,079

i know his social media manager quit and

1101

00:36:37,829 --> 00:36:35,760

after she quit cory good's feeds were

1102

00:36:39,670 --> 00:36:37,839

much fuller with people going come on

1103

00:36:41,990 --> 00:36:39,680

corey this is garbage or you know

1104

00:36:42,870 --> 00:36:42,000

why are you posting this this is a fake

1105

00:36:45,270 --> 00:36:42,880

story

1106

00:36:45,990 --> 00:36:45,280

corey good literally posted a picture of

1107

00:36:52,230 --> 00:36:46,000

titan

1108

00:36:55,030 --> 00:36:52,240

guy in a [h\_\_h] robot costume and

1109

00:36:57,750 --> 00:36:55,040

said that it was saudi arabia's new

1110

00:36:58,870 --> 00:36:57,760

battle robots

1111

00:37:00,470 --> 00:36:58,880

you know that's there's a lot of that

1112

00:37:02,310 --> 00:37:00,480

going on online there's like a youtube

1113

00:37:03,829 --> 00:37:02,320

channel where they have a guy in a suit

1114

00:37:05,349 --> 00:37:03,839

with the little balls on them you know

1115

00:37:07,349 --> 00:37:05,359

like they're making a video game or some

1116

00:37:08,630 --> 00:37:07,359

kind of you

1117

00:37:10,230 --> 00:37:08,640

you've know that and they do it with the

1118

00:37:11,510 --> 00:37:10,240

robot and people will send me that and

1119

00:37:12,630 --> 00:37:11,520

say look at these robots

1120

00:37:14,710 --> 00:37:12,640

they've got guns now they're going to

1121

00:37:17,349 --> 00:37:14,720

release them on the public and then

1122

00:37:18,950 --> 00:37:17,359

yeah if you finish the video that's like

1123

00:37:19,990 --> 00:37:18,960

this is how we made the video it's a guy

1124

00:37:21,270 --> 00:37:20,000

in a suit

1125

00:37:23,589 --> 00:37:21,280

so these people don't even get to the

1126  
00:37:24,630 --> 00:37:23,599  
end of the video it's just so ridiculous

1127  
00:37:26,710 --> 00:37:24,640  
yeah it's just so

1128  
00:37:27,829 --> 00:37:26,720  
but i am seeing encouraging signs that

1129  
00:37:30,630 --> 00:37:27,839  
people are starting

1130  
00:37:32,310 --> 00:37:30,640  
i see it on carry cassidy's a lot like

1131  
00:37:34,069 --> 00:37:32,320  
like people are starting to go like why

1132  
00:37:35,910 --> 00:37:34,079  
would you spread this garbage

1133  
00:37:37,750 --> 00:37:35,920  
you know i can't believe she still does

1134  
00:37:39,430 --> 00:37:37,760  
that stuff i can't believe

1135  
00:37:41,270 --> 00:37:39,440  
i mean it's one thing with wilcock i

1136  
00:37:44,310 --> 00:37:41,280  
guess i follow that closer but

1137  
00:37:48,870 --> 00:37:44,320  
i can't stand project uh scam a lot

1138  
00:37:51,430 --> 00:37:48,880

scam a lot it's project scam a lot ryan

1139

00:37:52,870 --> 00:37:51,440

and and her information is so valuable

1140

00:37:54,069 --> 00:37:52,880

that you've got to sign up at five

1141

00:37:56,950 --> 00:37:54,079

dollars a month

1142

00:37:59,270 --> 00:37:56,960

and i announced yesterday the quality of

1143

00:37:59,990 --> 00:37:59,280

her garbage information that she puts in

1144

00:38:02,470 --> 00:38:00,000

the public

1145

00:38:04,790 --> 00:38:02,480

is so good you know things like reptile

1146

00:38:07,750 --> 00:38:04,800

aliens want to [h\_\_h] us and eat us

1147

00:38:09,670 --> 00:38:07,760

things like uh there are chinese there's

1148

00:38:11,109 --> 00:38:09,680

hundreds of thousands of chinese troops

1149

00:38:13,270 --> 00:38:11,119

amassing on the mexican

1150

00:38:14,310 --> 00:38:13,280

and canadian border getting ready to

1151

00:38:17,270 --> 00:38:14,320

invade us

1152

00:38:18,470 --> 00:38:17,280

okay joe biden joe biden is a clone

1153

00:38:21,510 --> 00:38:18,480

kamala harris

1154

00:38:22,950 --> 00:38:21,520

is a satanic concoction and i didn't

1155

00:38:23,270 --> 00:38:22,960

realize that somebody had pointed out to

1156

00:38:26,870 --> 00:38:23,280

me

1157

00:38:31,910 --> 00:38:26,880

because

1158

00:38:34,630 --> 00:38:31,920

racists believe that anybody of mixed

1159

00:38:37,030 --> 00:38:34,640

race is a satanic concoction

1160

00:38:38,150 --> 00:38:37,040

so she's talking in white supremacist

1161

00:38:40,069 --> 00:38:38,160

codes

1162

00:38:42,150 --> 00:38:40,079

and all this information is the stuff

1163

00:38:44,390 --> 00:38:42,160

she's putting out in the public

1164

00:38:46,630 --> 00:38:44,400

so i'm gonna sign up for five dollars a

1165

00:38:48,230 --> 00:38:46,640

month and we're gonna try to see if we

1166

00:38:48,870 --> 00:38:48,240

can grab some of the [h\_\_h] that she's

1167

00:38:50,950 --> 00:38:48,880

saying

1168

00:38:52,870 --> 00:38:50,960

behind a paywall because it's got to be

1169

00:38:55,030 --> 00:38:52,880

better it's got to be better right

1170

00:38:56,390 --> 00:38:55,040

higher quality [h\_\_h] i was really

1171

00:38:58,790 --> 00:38:56,400

disappointed when i saw

1172

00:39:00,310 --> 00:38:58,800

um i saw that remember that alien video

1173

00:39:02,950 --> 00:39:00,320

game area 51

1174

00:39:04,550 --> 00:39:02,960

and a fake picture yeah i got linda

1175

00:39:07,030 --> 00:39:04,560

multinail on that one boy

1176  
00:39:09,270 --> 00:39:07,040  
yep yeah for those that don't know linda

1177  
00:39:12,150 --> 00:39:09,280  
molten howe posted a picture

1178  
00:39:14,069 --> 00:39:12,160  
uh and said that it was a genuine gray

1179  
00:39:15,910 --> 00:39:14,079  
alien taken on a moon

1180  
00:39:18,550 --> 00:39:15,920  
a picture of a genuine grey alien taken

1181  
00:39:19,670 --> 00:39:18,560  
on the moon and i recognized it and i'm

1182  
00:39:21,430 --> 00:39:19,680  
like wait a minute

1183  
00:39:23,190 --> 00:39:21,440  
i know this picture from somebody played

1184  
00:39:24,710 --> 00:39:23,200  
that game i played that game i got a cop

1185  
00:39:27,270 --> 00:39:24,720  
yeah me too i have a copy of it

1186  
00:39:29,190 --> 00:39:27,280  
somewhere yeah so it turns out i do

1187  
00:39:30,630 --> 00:39:29,200  
a reverse google image search and it

1188  
00:39:32,390 --> 00:39:30,640

turns out that the picture that linda

1189

00:39:34,310 --> 00:39:32,400

multnow is claiming

1190

00:39:35,430 --> 00:39:34,320

was a genuine grey alien taken on the

1191

00:39:38,870 --> 00:39:35,440

moon was

1192

00:39:40,390 --> 00:39:38,880

actually from a 2005 video game cover uh

1193

00:39:43,589 --> 00:39:40,400

which was a first person shooter where

1194

00:39:46,390 --> 00:39:43,599

you run around area 51 shooting aliens

1195

00:39:47,670 --> 00:39:46,400

and then she i emailed her and she

1196

00:39:49,670 --> 00:39:47,680

emailed me back like

1197

00:39:52,310 --> 00:39:49,680

well maybe the video game manufacturer

1198

00:39:54,310 --> 00:39:52,320

got a hold of this secret photo

1199

00:39:56,950 --> 00:39:54,320

like she would double down on the

1200

00:39:57,829 --> 00:39:56,960

garbage information like you got caught

1201  
00:40:00,310 --> 00:39:57,839  
honey just

1202  
00:40:01,270 --> 00:40:00,320  
give it up you got [\h\_\_\h] you sold a

1203  
00:40:02,870 --> 00:40:01,280  
fake picture

1204  
00:40:04,390 --> 00:40:02,880  
she put it behind a paywall too it was

1205  
00:40:06,550 --> 00:40:04,400  
like pay three dollars

1206  
00:40:07,990 --> 00:40:06,560  
join my website and you could see the

1207  
00:40:10,630 --> 00:40:08,000  
picture and then

1208  
00:40:11,829 --> 00:40:10,640  
she had it labeled genuine gray alien

1209  
00:40:13,750 --> 00:40:11,839  
taken on the moon

1210  
00:40:16,150 --> 00:40:13,760  
and after i got in this email spat with

1211  
00:40:17,270 --> 00:40:16,160  
her she kept taking people's money but

1212  
00:40:19,990 --> 00:40:17,280  
she changed it from

1213  
00:40:21,190 --> 00:40:20,000

genuine gray alien taking on the moon to

1214

00:40:23,349 --> 00:40:21,200

alleged

1215

00:40:24,630 --> 00:40:23,359

grey alien you got to be careful with

1216

00:40:26,230 --> 00:40:24,640

the words like you were saying earlier

1217

00:40:28,870 --> 00:40:26,240

with wilcock maybe

1218

00:40:30,069 --> 00:40:28,880

this may be true this could be true he

1219

00:40:33,349 --> 00:40:30,079

likes it

1220

00:40:35,349 --> 00:40:33,359

this might happen apparently apparently

1221

00:40:36,950 --> 00:40:35,359

my new insider is saying this apparently

1222

00:40:38,710 --> 00:40:36,960

this is going to happen tomorrow

1223

00:40:40,870 --> 00:40:38,720

yeah that gets them out of the out of

1224

00:40:41,510 --> 00:40:40,880

out of being guilty for just outright

1225

00:40:44,390 --> 00:40:41,520

lying

1226

00:40:45,910 --> 00:40:44,400

now every time i can't stand this guy

1227

00:40:48,710 --> 00:40:45,920

saying briefings or

1228

00:40:49,430 --> 00:40:48,720

intel because i keep making this

1229

00:40:52,150 --> 00:40:49,440

argument like

1230

00:40:54,069 --> 00:40:52,160

generals get breathing diplomats get

1231

00:40:55,270 --> 00:40:54,079

briefings government officials get

1232

00:40:57,190 --> 00:40:55,280

briefings

1233

00:40:58,390 --> 00:40:57,200

a washed up guy that was on ancient

1234

00:41:00,870 --> 00:40:58,400

aliens

1235

00:41:01,670 --> 00:41:00,880

it's no fake fake teeth and a recent

1236

00:41:04,230 --> 00:41:01,680

hair even

1237

00:41:05,349 --> 00:41:04,240

a receding hairline on youtube and a bad

1238

00:41:07,190 --> 00:41:05,359

dye job

1239

00:41:08,550 --> 00:41:07,200

is not getting any briefings from

1240

00:41:11,589 --> 00:41:08,560

anybody of importance

1241

00:41:13,670 --> 00:41:11,599

he's not getting intel my my question

1242

00:41:15,829 --> 00:41:13,680

was when i was at contact in the desert

1243

00:41:17,190 --> 00:41:15,839

i remember elizabeth wilcock his wife

1244

00:41:19,510 --> 00:41:17,200

speaking and there was a big line of

1245

00:41:21,270 --> 00:41:19,520

people to go in and see her talk

1246

00:41:22,710 --> 00:41:21,280

i said i said who who's in there talking

1247

00:41:24,069 --> 00:41:22,720

they said it's elizabeth wilcock and i

1248

00:41:25,190 --> 00:41:24,079

said what has she got to talk about and

1249

00:41:26,470 --> 00:41:25,200

they said i don't know but she's

1250

00:41:28,069 --> 00:41:26,480

wilcock's wife so we're going to go

1251

00:41:28,630 --> 00:41:28,079

listen to her talk and i started

1252

00:41:30,790 --> 00:41:28,640

thinking

1253

00:41:32,550 --> 00:41:30,800

because i watched her do these videos i

1254

00:41:34,309 --> 00:41:32,560

was thinking like like if i was getting

1255

00:41:35,750 --> 00:41:34,319

briefings like if i really was getting

1256

00:41:36,550 --> 00:41:35,760

briefings and people were coming to me

1257

00:41:38,870 --> 00:41:36,560

with intel

1258

00:41:40,150 --> 00:41:38,880

stephen if i just married some random

1259

00:41:42,069 --> 00:41:40,160

blonde woman right

1260

00:41:43,670 --> 00:41:42,079

and i just brought her to the briefing

1261

00:41:44,790 --> 00:41:43,680

this this this like deep throat

1262

00:41:45,750 --> 00:41:44,800

character wouldn't be like who the

1263

00:41:48,309 --> 00:41:45,760

hell's this woman

1264

00:41:49,829 --> 00:41:48,319

and just like take off not give her the

1265

00:41:52,630 --> 00:41:49,839

same information too

1266

00:41:53,750 --> 00:41:52,640

yeah she's getting this she's she's she

1267

00:41:56,950 --> 00:41:53,760

has her own insiders

1268

00:41:58,069 --> 00:41:56,960

they're coming to her now she's part of

1269

00:42:00,069 --> 00:41:58,079

the grift apparently

1270

00:42:02,069 --> 00:42:00,079

and i did some work on their charity

1271

00:42:04,950 --> 00:42:02,079

recently you'll love to hear this

1272

00:42:06,710 --> 00:42:04,960

they list uh animal charities on their

1273

00:42:08,390 --> 00:42:06,720

charity page and at the bottom of their

1274

00:42:10,150 --> 00:42:08,400

charity page it says

1275

00:42:12,230 --> 00:42:10,160

when you donate to the wilcock and

1276

00:42:14,069 --> 00:42:12,240

elizabeth spiritual foundation

1277

00:42:16,150 --> 00:42:14,079

that money is used to take care of

1278

00:42:17,910 --> 00:42:16,160

animal you know to feed animals and take

1279

00:42:21,190 --> 00:42:17,920

care of good people

1280

00:42:23,430 --> 00:42:21,200

and so i call the uh animal charities

1281

00:42:24,470 --> 00:42:23,440

and find out that they've never given

1282

00:42:27,750 --> 00:42:24,480

them any money

1283

00:42:30,470 --> 00:42:27,760

they just put their direct donate

1284

00:42:31,829 --> 00:42:30,480

button so i'd like to know for all the

1285

00:42:33,349 --> 00:42:31,839

money they're donating

1286

00:42:34,950 --> 00:42:33,359

people are donating to their charity

1287

00:42:35,670 --> 00:42:34,960

what animals are they feeding are they

1288

00:42:38,150 --> 00:42:35,680

feeding their

1289

00:42:40,069 --> 00:42:38,160

like their house dog and that qualifies

1290

00:42:40,630 --> 00:42:40,079

for charitable donation like yeah

1291

00:42:43,510 --> 00:42:40,640

they're not

1292

00:42:44,069 --> 00:42:43,520

feeding sloths near as i can tell and

1293

00:42:46,230 --> 00:42:44,079

they're not

1294

00:42:48,150 --> 00:42:46,240

feeding elephants in a sanctuary with

1295

00:42:49,510 --> 00:42:48,160

that money but they imply at the bottom

1296

00:42:51,829 --> 00:42:49,520

of their page that they're feeding

1297

00:42:53,589 --> 00:42:51,839

animals with donations to their charity

1298

00:42:55,349 --> 00:42:53,599

i think i remember when that started it

1299

00:42:56,790 --> 00:42:55,359

was around the time of the fires in

1300

00:42:58,309 --> 00:42:56,800

california a couple years ago the

1301  
00:42:59,829 --> 00:42:58,319  
paradise fire where they said these

1302  
00:43:00,390 --> 00:42:59,839  
aliens were getting burned out or

1303  
00:43:02,470 --> 00:43:00,400  
something

1304  
00:43:03,990 --> 00:43:02,480  
yeah that was that that was a tall white

1305  
00:43:08,790 --> 00:43:04,000  
alien

1306  
00:43:10,710 --> 00:43:08,800  
about how paradise was filled with tall

1307  
00:43:12,870 --> 00:43:10,720  
white aliens and dentists

1308  
00:43:15,510 --> 00:43:12,880  
how to be specially trained their teeth

1309  
00:43:17,510 --> 00:43:15,520  
and i called everything

1310  
00:43:18,550 --> 00:43:17,520  
and they were all like this are you

1311  
00:43:21,589 --> 00:43:18,560  
crazy you

1312  
00:43:23,349 --> 00:43:21,599  
what you want to know if if the guy from

1313  
00:43:24,550 --> 00:43:23,359

ancient aliens was telling the truth and

1314

00:43:26,870 --> 00:43:24,560

i've been trained to

1315

00:43:28,390 --> 00:43:26,880

deal with alien teeth no no where are

1316

00:43:30,309 --> 00:43:28,400

you getting this and i'm like you know

1317

00:43:31,510 --> 00:43:30,319

david wilcock he was on ancient aliens

1318

00:43:34,630 --> 00:43:31,520

it was so funny

1319

00:43:35,270 --> 00:43:34,640

alien recorded it all yeah you need to

1320

00:43:36,870 --> 00:43:35,280

record you

1321

00:43:39,030 --> 00:43:36,880

record it and then play it on the show

1322

00:43:41,030 --> 00:43:39,040

that would be fantastic

1323

00:43:42,790 --> 00:43:41,040

well it's not too late i can call some

1324

00:43:45,030 --> 00:43:42,800

dentists again yeah

1325

00:43:46,309 --> 00:43:45,040

i thought i thought these aliens didn't

1326

00:43:46,790 --> 00:43:46,319

have mouths i thought they just like

1327

00:43:49,990 --> 00:43:46,800

took in

1328

00:43:51,430 --> 00:43:50,000

sunlight is what i heard from insiders

1329

00:43:53,190 --> 00:43:51,440

they just take in sunlight they have no

1330

00:43:54,150 --> 00:43:53,200

mouth no tongue they communicate

1331

00:43:56,710 --> 00:43:54,160

telepathically

1332

00:43:57,510 --> 00:43:56,720

no they all drink adrenochrome that's

1333

00:43:59,510 --> 00:43:57,520

where they get their

1334

00:44:01,430 --> 00:43:59,520

oh that's right and then the mole

1335

00:44:03,109 --> 00:44:01,440

children in the underground bases

1336

00:44:05,109 --> 00:44:03,119

where the children are getting their

1337

00:44:08,470 --> 00:44:05,119

adrenal chrome harvested

1338

00:44:13,430 --> 00:44:08,480

and it's a dual us government and alien

1339

00:44:17,829 --> 00:44:15,910

the the ridiculous level is just going

1340

00:44:18,710 --> 00:44:17,839

off the charts with this guy lately

1341

00:44:20,390 --> 00:44:18,720

though it's just

1342

00:44:21,990 --> 00:44:20,400

going off the charts what what you got

1343

00:44:22,790 --> 00:44:22,000

to do is like when the fires were in

1344

00:44:27,349 --> 00:44:22,800

paradise

1345

00:44:28,790 --> 00:44:27,359

these fires all in the news big story

1346

00:44:30,790 --> 00:44:28,800

that's a true story like that's

1347

00:44:32,710 --> 00:44:30,800

happening so what they do is they say

1348

00:44:33,510 --> 00:44:32,720

okay some animals probably died in that

1349

00:44:35,589 --> 00:44:33,520

fire

1350

00:44:37,589 --> 00:44:35,599

and it's an event that actually happens

1351

00:44:39,589 --> 00:44:37,599

so then they just create this

1352

00:44:41,750 --> 00:44:39,599

mythos around it so we're going to feed

1353

00:44:44,150 --> 00:44:41,760

the animals that survived the fire

1354

00:44:46,470 --> 00:44:44,160

with charitable donations and by the way

1355

00:44:47,829 --> 00:44:46,480

they it burned because there were aliens

1356

00:44:49,750 --> 00:44:47,839

there that got burned out

1357

00:44:51,589 --> 00:44:49,760

but it's a real story that's how they

1358

00:44:53,589 --> 00:44:51,599

make it oh this is part of the david

1359

00:44:55,750 --> 00:44:53,599

this is part of his tactics with the

1360

00:44:56,790 --> 00:44:55,760

david wilcock proverb maneuver he throws

1361

00:44:59,030 --> 00:44:56,800

out just like you said

1362

00:45:01,190 --> 00:44:59,040

he'll throw out one real and factual

1363

00:45:03,589 --> 00:45:01,200

piece of thing that really happened

1364

00:45:04,230 --> 00:45:03,599

and then he tacks on ten piles of

1365

00:45:07,109 --> 00:45:04,240

[h\_\_\h]

1366

00:45:09,190 --> 00:45:07,119

on top of it and somehow in his mind

1367

00:45:11,190 --> 00:45:09,200

that makes it real because he started at

1368

00:45:13,430 --> 00:45:11,200

a real factual event

1369

00:45:15,030 --> 00:45:13,440

did you hear the one video he did where

1370

00:45:15,829 --> 00:45:15,040

he the first video he did when he got

1371

00:45:17,430 --> 00:45:15,839

the new teeth

1372

00:45:18,950 --> 00:45:17,440

because he said the cabal made him grind

1373

00:45:21,510 --> 00:45:18,960

his other teeth down

1374

00:45:23,030 --> 00:45:21,520

yeah yeah the first official video he

1375

00:45:25,430 --> 00:45:23,040

did the whole video i put in one of my

1376  
00:45:27,109 --> 00:45:25,440  
montages where everything he showed

1377  
00:45:29,349 --> 00:45:27,119  
he said people say wilcox got no

1378  
00:45:32,870 --> 00:45:29,359  
evidence wilcox got no evidence he says

1379  
00:45:33,589 --> 00:45:32,880  
this is a reputable documented provable

1380  
00:45:35,670 --> 00:45:33,599  
source

1381  
00:45:38,630 --> 00:45:35,680  
this is somethingsomething.com he's like

1382  
00:45:41,270 --> 00:45:38,640  
here's another reputable official

1383  
00:45:43,270 --> 00:45:41,280  
journalistic integrity source he started

1384  
00:45:43,910 --> 00:45:43,280  
using that to back up every news article

1385  
00:45:45,349 --> 00:45:43,920  
he shared

1386  
00:45:47,750 --> 00:45:45,359  
but then the news article had nothing to

1387  
00:45:49,349 --> 00:45:47,760  
do with what he was saying

1388  
00:45:50,870 --> 00:45:49,359

he made a claim in his new video that

1389

00:45:52,470 --> 00:45:50,880

the one that i watched after i

1390

00:45:53,910 --> 00:45:52,480

watched your show steve and i watched

1391

00:45:55,270 --> 00:45:53,920

this video he did it was like five

1392

00:45:57,109 --> 00:45:55,280

minutes into the video

1393

00:45:58,550 --> 00:45:57,119

and he said this is really exciting

1394

00:45:59,190 --> 00:45:58,560

everything we've been saying is coming

1395

00:46:01,190 --> 00:45:59,200

true

1396

00:46:02,309 --> 00:46:01,200

um here's what they're saying on twitter

1397

00:46:04,230 --> 00:46:02,319

about me and the

1398

00:46:05,750 --> 00:46:04,240

random person on twitter said david

1399

00:46:08,790 --> 00:46:05,760

everything you're saying is true

1400

00:46:10,950 --> 00:46:08,800

which probably a bot and he said that

1401  
00:46:12,710 --> 00:46:10,960  
or a sock puppet account yeah or a stock

1402  
00:46:14,710 --> 00:46:12,720  
puppet account exactly and then he said

1403  
00:46:16,470 --> 00:46:14,720  
that that basically he's implying that's

1404  
00:46:17,750 --> 00:46:16,480  
the evidence that all the letter of the

1405  
00:46:20,230 --> 00:46:17,760  
alphabet stuff is true

1406  
00:46:21,910 --> 00:46:20,240  
because of a sock puppet account a

1407  
00:46:24,150 --> 00:46:21,920  
random document

1408  
00:46:25,829 --> 00:46:24,160  
yeah a random nameless faceless twitter

1409  
00:46:26,950 --> 00:46:25,839  
account said that he was right so he

1410  
00:46:29,349 --> 00:46:26,960  
must be right

1411  
00:46:30,069 --> 00:46:29,359  
just like his superpowers must be real

1412  
00:46:31,910 --> 00:46:30,079  
because

1413  
00:46:34,630 --> 00:46:31,920

one day he dreamed that he would fall on

1414

00:46:36,390 --> 00:46:34,640

the ice and the next day he did

1415

00:46:37,750 --> 00:46:36,400

and then his mother fell and broke her

1416

00:46:43,030 --> 00:46:37,760

hip so his

1417

00:46:44,950 --> 00:46:43,040

powers they got to be real i also

1418

00:46:46,390 --> 00:46:44,960

the level of ridiculousness and he's

1419

00:46:48,630 --> 00:46:46,400

really trying hard

1420

00:46:49,829 --> 00:46:48,640

to prove his superpowers lately he's

1421

00:46:52,550 --> 00:46:49,839

been doing this thing too

1422

00:46:53,910 --> 00:46:52,560

where he's like taking sentences from a

1423

00:46:56,390 --> 00:46:53,920

book that he wrote

1424

00:46:57,430 --> 00:46:56,400

and then he's flipping the words around

1425

00:47:00,950 --> 00:46:57,440

and the letters

1426

00:47:04,069 --> 00:47:00,960

to try to spell out like trump

1427

00:47:06,390 --> 00:47:04,079

or biden or you know

1428

00:47:07,349 --> 00:47:06,400

it's just it's just a bridge too far for

1429

00:47:10,150 --> 00:47:07,359

me like

1430

00:47:11,270 --> 00:47:10,160

if he's got to reach that far to prove

1431

00:47:13,670 --> 00:47:11,280

his superpowers

1432

00:47:16,069 --> 00:47:13,680

you know and then he'll say i've proven

1433

00:47:18,470 --> 00:47:16,079

that my books are prophetically accurate

1434

00:47:20,309 --> 00:47:18,480

but if you gotta move sentences around

1435

00:47:22,630 --> 00:47:20,319

and move the words

1436

00:47:25,109 --> 00:47:22,640

and then we have to add a letter and my

1437

00:47:27,829 --> 00:47:25,119

favorite is we have to reverse a letter

1438

00:47:29,670 --> 00:47:27,839

like we have to turn a d into a b so

1439

00:47:31,990 --> 00:47:29,680

we're gonna have to reverse that one

1440

00:47:33,349 --> 00:47:32,000

but this is prophetically accurate no

1441

00:47:35,349 --> 00:47:33,359

it's not accurate

1442

00:47:36,470 --> 00:47:35,359

none of this is accurate it doesn't none

1443

00:47:38,549 --> 00:47:36,480

of this makes any sense

1444

00:47:40,150 --> 00:47:38,559

yeah these people are like they act like

1445

00:47:41,270 --> 00:47:40,160

they're code breakers or something you

1446

00:47:43,109 --> 00:47:41,280

notice that

1447

00:47:44,870 --> 00:47:43,119

yeah yeah they're like they're like

1448

00:47:47,430 --> 00:47:44,880

james bond's cia

1449

00:47:49,589 --> 00:47:47,440

cryptographers man they're yeah yeah

1450

00:47:51,190 --> 00:47:49,599

like when jordan saylor was on uh

1451  
00:47:53,349 --> 00:47:51,200  
what was that that comedy central show

1452  
00:47:54,150 --> 00:47:53,359  
he was on with those other guys and that

1453  
00:47:56,309 --> 00:47:54,160  
one lady

1454  
00:47:57,589 --> 00:47:56,319  
you remember that i do remember i don't

1455  
00:47:58,950 --> 00:47:57,599  
recall the name of the show but they

1456  
00:47:59,829 --> 00:47:58,960  
basically made fun of them through the

1457  
00:48:01,030 --> 00:47:59,839  
whole show

1458  
00:48:04,870 --> 00:48:01,040  
they made fun of them yeah yeah the

1459  
00:48:06,790 --> 00:48:04,880  
whole show about and the one one person

1460  
00:48:08,390 --> 00:48:06,800  
the woman didn't speak very much but

1461  
00:48:09,829 --> 00:48:08,400  
jordan saylor i think was speaking half

1462  
00:48:12,230 --> 00:48:09,839  
the time then they had this other guy

1463  
00:48:13,430 --> 00:48:12,240

who was like a q anon expert and they

1464

00:48:15,270 --> 00:48:13,440

show this

1465

00:48:17,430 --> 00:48:15,280

you know president trump twitter right

1466

00:48:19,430 --> 00:48:17,440

this tweet and he says like

1467

00:48:20,870 --> 00:48:19,440

well how is that a cue post and the guy

1468

00:48:22,470 --> 00:48:20,880

goes on to explain he's like well these

1469

00:48:24,230 --> 00:48:22,480

letters here are capitalized and this

1470

00:48:25,589 --> 00:48:24,240

word's capitalized if you add those up

1471

00:48:27,270 --> 00:48:25,599

and divide by this and it comes to

1472

00:48:28,549 --> 00:48:27,280

number 17 and there you go

1473

00:48:31,430 --> 00:48:28,559

he's like what does that mean he's like

1474

00:48:33,349 --> 00:48:31,440

well 17th letter of the alphabet

1475

00:48:35,829 --> 00:48:33,359

yeah and again we're not saying that

1476

00:48:39,270 --> 00:48:35,839

letter of the alphabet you just did

1477

00:48:41,030 --> 00:48:39,280

ai algorithm guys we are critiquing this

1478

00:48:43,109 --> 00:48:41,040

please forgive brian gable for

1479

00:48:45,589 --> 00:48:43,119

mentioning the bouinon

1480

00:48:48,390 --> 00:48:45,599

the letter we do not agree with the

1481

00:48:51,750 --> 00:48:48,400

letter it's garbage

1482

00:48:52,630 --> 00:48:51,760

praise google amen yeah i'm sorry mark

1483

00:48:53,910 --> 00:48:52,640

zuckerberg

1484

00:48:55,990 --> 00:48:53,920

but see this is the level of

1485

00:48:56,790 --> 00:48:56,000

ridiculousness because of these [h\_\_\h]

1486

00:48:59,349 --> 00:48:56,800

you can't even

1487

00:48:59,990 --> 00:48:59,359

say certain things on certain platforms

1488

00:49:01,990 --> 00:49:00,000

because

1489

00:49:04,150 --> 00:49:02,000

the ai algorithms are running around

1490

00:49:04,790 --> 00:49:04,160

just grabbing videos that mention key

1491

00:49:06,790 --> 00:49:04,800

words

1492

00:49:08,630 --> 00:49:06,800

and it doesn't matter if we're saying

1493

00:49:09,190 --> 00:49:08,640

what garbage this is it doesn't matter

1494

00:49:12,309 --> 00:49:09,200

if we're

1495

00:49:14,549 --> 00:49:12,319

critiquing it or saying it's ridiculous

1496

00:49:15,349 --> 00:49:14,559

you know debunking it we're just getting

1497

00:49:17,910 --> 00:49:15,359

lumped in

1498

00:49:19,510 --> 00:49:17,920

with the people that are yay letter of

1499

00:49:21,990 --> 00:49:19,520

the alphabet

1500

00:49:23,109 --> 00:49:22,000

trust the scan right i love trust the

1501

00:49:26,069 --> 00:49:23,119

scam yeah that's

1502

00:49:28,470 --> 00:49:26,079

that's one of my show names i think uh

1503

00:49:30,870 --> 00:49:28,480

if you have to go to the level of

1504

00:49:32,150 --> 00:49:30,880

decoding things that aren't really

1505

00:49:34,470 --> 00:49:32,160

aren't really coded

1506

00:49:35,910 --> 00:49:34,480

and using very vague terminology and

1507

00:49:37,990 --> 00:49:35,920

fake whistleblowers

1508

00:49:39,829 --> 00:49:38,000

what does your life come to i wonder if

1509

00:49:41,750 --> 00:49:39,839

these people have any like introspection

1510

00:49:42,390 --> 00:49:41,760

whatsoever if they sit down at night and

1511

00:49:45,670 --> 00:49:42,400

think like

1512

00:49:46,950 --> 00:49:45,680

i'm a piece of [h\_\_h] yeah i've talked

1513

00:49:49,510 --> 00:49:46,960

about this on my show

1514

00:49:51,190 --> 00:49:49,520

and i famously said like does david

1515

00:49:51,829 --> 00:49:51,200

wilcock does he sit around in his

1516

00:49:54,710 --> 00:49:51,839

mansion

1517

00:49:55,430 --> 00:49:54,720

and look around at his big [h\_\_h] huge

1518

00:49:58,150 --> 00:49:55,440

mansion

1519

00:49:59,190 --> 00:49:58,160

and go you know i've done real good

1520

00:50:01,190 --> 00:49:59,200

lying to people

1521

00:50:03,670 --> 00:50:01,200

like i've earned this million-dollar

1522

00:50:05,190 --> 00:50:03,680

mansion by lying through my fake [h\_\_h]

1523

00:50:07,670 --> 00:50:05,200

teeth i'm a good person

1524

00:50:08,309 --> 00:50:07,680

like how do you square yourself with

1525

00:50:11,589 --> 00:50:08,319

that i

1526

00:50:14,230 --> 00:50:11,599

couldn't do it i also feel like if i was

1527

00:50:15,750 --> 00:50:14,240

if i was a con artist and i i made that

1528

00:50:17,430 --> 00:50:15,760

kind of money enough to even put

1529

00:50:19,109 --> 00:50:17,440

three hundred thousand dollars down on a

1530

00:50:21,750 --> 00:50:19,119

lot a million dollar log cabin

1531

00:50:22,390 --> 00:50:21,760

i feel like i would just like cut and

1532

00:50:24,790 --> 00:50:22,400

run

1533

00:50:26,549 --> 00:50:24,800

at some point like not keep it going

1534

00:50:29,750 --> 00:50:26,559

just keep keeps going and going

1535

00:50:31,750 --> 00:50:29,760

do one big payout right and just retire

1536

00:50:33,430 --> 00:50:31,760

yeah it's like yeah it's like a big it's

1537

00:50:34,390 --> 00:50:33,440

like a big heist or something just do

1538

00:50:36,150 --> 00:50:34,400

the big heist

1539

00:50:38,069 --> 00:50:36,160

and just yeah disappear change your

1540

00:50:38,790 --> 00:50:38,079

identity you know get some new different

1541

00:50:40,710 --> 00:50:38,800

teeth and

1542

00:50:43,990 --> 00:50:40,720

change your hair get another dye job in

1543

00:50:47,270 --> 00:50:45,589

yeah i think that he should have got

1544

00:50:49,910 --> 00:50:47,280

gold teeth that's what i think

1545

00:50:51,270 --> 00:50:49,920

i think he should have a gold grill

1546

00:50:53,349 --> 00:50:51,280

that's what he should have did

1547

00:50:55,190 --> 00:50:53,359

he'd be and he was talking about hanging

1548

00:50:55,829 --> 00:50:55,200

out with black people on his stream

1549

00:50:57,750 --> 00:50:55,839

recently

1550

00:50:58,950 --> 00:50:57,760

oh i did not hear that i used to smoke

1551  
00:51:01,270 --> 00:50:58,960  
once you know

1552  
00:51:03,270 --> 00:51:01,280  
with black people and then he goes on to

1553  
00:51:05,430 --> 00:51:03,280  
explain to all the stupid white people

1554  
00:51:07,430 --> 00:51:05,440  
watching him what a blunt is you know

1555  
00:51:09,750 --> 00:51:07,440  
they take the wrapper and they empty it

1556  
00:51:11,910 --> 00:51:09,760  
out and then they put marijuana inside

1557  
00:51:14,069 --> 00:51:11,920  
it and then we smoked it so i know

1558  
00:51:15,829 --> 00:51:14,079  
about black culture because i smoked the

1559  
00:51:16,950 --> 00:51:15,839  
blood with some black people once while

1560  
00:51:19,430 --> 00:51:16,960  
i was in college

1561  
00:51:21,589 --> 00:51:19,440  
it was awesome so he's also a black

1562  
00:51:23,190 --> 00:51:21,599  
history professor on top of being a film

1563  
00:51:26,390 --> 00:51:23,200

director

1564

00:51:28,630 --> 00:51:26,400

yeah and i've done some work on that uh

1565

00:51:29,910 --> 00:51:28,640

what uh oh i listened i listened to your

1566

00:51:32,390 --> 00:51:29,920

whole yeah whole bit on that

1567

00:51:34,870 --> 00:51:32,400

he talked for like 35 40 minutes on how

1568

00:51:36,230 --> 00:51:34,880

to write a script

1569

00:51:37,510 --> 00:51:36,240

that's why his streams are three hours

1570

00:51:38,470 --> 00:51:37,520

long because he talks about [h\_\_h] that

1571

00:51:40,309 --> 00:51:38,480

nobody cares about you

1572

00:51:41,829 --> 00:51:40,319

imagine this and and then i started

1573

00:51:44,150 --> 00:51:41,839

noticing it more when once

1574

00:51:45,670 --> 00:51:44,160

we talked about it like he'll talk about

1575

00:51:48,710 --> 00:51:45,680

his shoes or his

1576  
00:51:49,990 --> 00:51:48,720  
pants or like something that happened on

1577  
00:51:53,750 --> 00:51:50,000  
the way to driving

1578  
00:51:55,670 --> 00:51:53,760  
to his talk or like for like 25 minutes

1579  
00:51:56,870 --> 00:51:55,680  
and it fills it fills the time with

1580  
00:51:59,589 --> 00:51:56,880  
garbage i guess

1581  
00:51:59,910 --> 00:51:59,599  
i don't know he had the vegas jacket the

1582  
00:52:01,670 --> 00:51:59,920  
last

1583  
00:52:03,910 --> 00:52:01,680  
like six months ago when he did that one

1584  
00:52:07,030 --> 00:52:03,920  
stream and then he

1585  
00:52:10,150 --> 00:52:07,040  
now he's got the gold shoes

1586  
00:52:11,670 --> 00:52:10,160  
yeah it's great it's like honey we're

1587  
00:52:13,750 --> 00:52:11,680  
not in kansas anymore

1588  
00:52:15,510 --> 00:52:13,760

or he started this one talk out stephen

1589

00:52:16,950 --> 00:52:15,520

where he came on stage and he's like

1590

00:52:18,790 --> 00:52:16,960

did you hear the one about the chocolate

1591

00:52:19,270 --> 00:52:18,800

on the pants where he spent like the

1592

00:52:21,349 --> 00:52:19,280

first

1593

00:52:23,109 --> 00:52:21,359

20 minutes of his talk explaining why

1594

00:52:25,430 --> 00:52:23,119

this chocolate stain was not

1595

00:52:27,750 --> 00:52:25,440

he didn't like crap his pants and he

1596

00:52:31,990 --> 00:52:27,760

spent like this is a spiritual guru

1597

00:52:34,549 --> 00:52:32,000

this guy's communicating with music

1598

00:52:35,910 --> 00:52:34,559

he's channeling jesus and angels brian

1599

00:52:38,390 --> 00:52:35,920

gable how dare you

1600

00:52:41,510 --> 00:52:38,400

uh how dare you question him yeah he's

1601  
00:52:43,750 --> 00:52:41,520  
gonna talk about i didn't [\h\_\_\h] myself

1602  
00:52:46,309 --> 00:52:43,760  
i spilled chocolate on my pants i did

1603  
00:52:48,309 --> 00:52:46,319  
not [\h\_\_\h] myself i'm a spiritual guru

1604  
00:52:50,470 --> 00:52:48,319  
spiritual gurus do not [\h\_\_\h] their own

1605  
00:52:52,470 --> 00:52:50,480  
pants okay

1606  
00:52:53,910 --> 00:52:52,480  
i love the spiritual guru angle and i

1607  
00:52:56,950 --> 00:52:53,920  
love to attack him

1608  
00:52:58,309 --> 00:52:56,960  
on that angle because you know like i

1609  
00:53:00,950 --> 00:52:58,319  
don't know i grew up christian

1610  
00:53:03,190 --> 00:53:00,960  
and just somebody saying that they're

1611  
00:53:06,069 --> 00:53:03,200  
channeling jesus christ is offensive to

1612  
00:53:07,030 --> 00:53:06,079  
to any christian you can't channel jesus

1613  
00:53:09,670 --> 00:53:07,040

christ

1614

00:53:11,109 --> 00:53:09,680

and you can't collect money from people

1615

00:53:12,630 --> 00:53:11,119

telling them that you're channeling

1616

00:53:14,710 --> 00:53:12,640

jesus christ

1617

00:53:17,430 --> 00:53:14,720

and there's also this christian concept

1618

00:53:19,430 --> 00:53:17,440

called uh the proof of a prophet

1619

00:53:21,109 --> 00:53:19,440

which basically goes like this if

1620

00:53:21,750 --> 00:53:21,119

somebody's really having prophetic

1621

00:53:23,910 --> 00:53:21,760

dreams

1622

00:53:24,950 --> 00:53:23,920

and and is giving you real prophecies

1623

00:53:27,510 --> 00:53:24,960

from god

1624

00:53:27,990 --> 00:53:27,520

they would never make a mistake they

1625

00:53:30,870 --> 00:53:28,000

would never

1626  
00:53:32,549 --> 00:53:30,880  
be wrong because god would not send

1627  
00:53:33,190 --> 00:53:32,559  
inaccurate information through a real

1628  
00:53:35,030 --> 00:53:33,200  
prophet

1629  
00:53:36,790 --> 00:53:35,040  
so he's pivoting now trying to tell

1630  
00:53:37,589 --> 00:53:36,800  
everybody that his prophetic dreams are

1631  
00:53:39,430 --> 00:53:37,599  
real

1632  
00:53:40,790 --> 00:53:39,440  
that he's got these superpowers he's

1633  
00:53:41,990 --> 00:53:40,800  
channeling jesus

1634  
00:53:44,870 --> 00:53:42,000  
he's going to tell us all about the

1635  
00:53:48,069 --> 00:53:44,880  
future but he's wrong about everything

1636  
00:53:49,589 --> 00:53:48,079  
so for a real spiritual person he can't

1637  
00:53:51,750 --> 00:53:49,599  
pass the test of a prophet

1638  
00:53:53,430 --> 00:53:51,760

you and i can both mention a hundred of

1639

00:53:56,549 --> 00:53:53,440

his so-called predictions

1640

00:53:57,109 --> 00:53:56,559

off the top of our heads that none of it

1641

00:54:00,069 --> 00:53:57,119

happened

1642

00:54:01,750 --> 00:54:00,079

yes yeah and another thing that bothers

1643

00:54:03,750 --> 00:54:01,760

me about wilcock and these people

1644

00:54:05,829 --> 00:54:03,760

is that the way that they do it the way

1645

00:54:07,750 --> 00:54:05,839

that they bring about the con

1646

00:54:09,990 --> 00:54:07,760

they do it in a way that's like you can

1647

00:54:11,589 --> 00:54:10,000

tell if you can think for yourself you

1648

00:54:14,390 --> 00:54:11,599

can tell that they're slimy

1649

00:54:15,910 --> 00:54:14,400

that they're sleazy you can tell you

1650

00:54:17,510 --> 00:54:15,920

know you're getting conned it's like

1651  
00:54:19,030 --> 00:54:17,520  
people want to be con

1652  
00:54:20,390 --> 00:54:19,040  
they want to be ripped off they want to

1653  
00:54:21,670 --> 00:54:20,400  
give them that super chat even though

1654  
00:54:24,150 --> 00:54:21,680  
they know he's

1655  
00:54:24,870 --> 00:54:24,160  
he's inaccurate on virtually everything

1656  
00:54:26,950 --> 00:54:24,880  
that he says

1657  
00:54:28,870 --> 00:54:26,960  
there's a there's a weird injury like if

1658  
00:54:29,589 --> 00:54:28,880  
i was a psychologist i would do a case

1659  
00:54:32,150 --> 00:54:29,599  
study

1660  
00:54:33,109 --> 00:54:32,160  
in this cult you know this weird new age

1661  
00:54:34,790 --> 00:54:33,119  
ufo

1662  
00:54:36,390 --> 00:54:34,800  
letter of the alphabet cult it's a

1663  
00:54:36,870 --> 00:54:36,400

combination and that's not going to ask

1664

00:54:39,109 --> 00:54:36,880

you that

1665

00:54:40,309 --> 00:54:39,119

it's a combination like carrie cassidy

1666

00:54:41,470 --> 00:54:40,319

and these other people how are they

1667

00:54:44,470 --> 00:54:41,480

suddenly like

1668

00:54:44,870 --> 00:54:44,480

geopolitical experts how are you i know

1669

00:54:54,069 --> 00:54:44,880

i

1670

00:54:55,829 --> 00:54:54,079

the secret government cover-up of the

1671

00:54:57,750 --> 00:54:55,839

ufo phenomenon

1672

00:54:58,870 --> 00:54:57,760

and then suddenly they're experts in

1673

00:55:01,109 --> 00:54:58,880

geopolitics

1674

00:55:02,390 --> 00:55:01,119

and and united states politics and i

1675

00:55:05,190 --> 00:55:02,400

love like simon parks

1676

00:55:05,990 --> 00:55:05,200

he's he's a driving instructor in

1677

00:55:07,990 --> 00:55:06,000

england but

1678

00:55:09,750 --> 00:55:08,000

somehow he's an expert on american

1679

00:55:11,030 --> 00:55:09,760

politics and what's really happening

1680

00:55:13,109 --> 00:55:11,040

behind the scenes

1681

00:55:14,630 --> 00:55:13,119

it's such garbage and then here's

1682

00:55:18,150 --> 00:55:14,640

another tidbit that you'll like

1683

00:55:21,349 --> 00:55:18,160

uh the david wilcox spiritual foundation

1684

00:55:23,430 --> 00:55:21,359

uh lists charities that

1685

00:55:25,349 --> 00:55:23,440

they are supporting and one of them is

1686

00:55:27,750 --> 00:55:25,359

danny brinkley's charity

1687

00:55:29,589 --> 00:55:27,760

uh which is called twilight brigade no

1688

00:55:32,470 --> 00:55:29,599

veteran dies alone

1689

00:55:34,069 --> 00:55:32,480

uh founded in 1997 the twilight brigade

1690

00:55:36,870 --> 00:55:34,079

has recruited and trained over 6

1691

00:55:39,109 --> 00:55:36,880

500 bedside volunteers across the

1692

00:55:40,789 --> 00:55:39,119

country the twilight brigade meets uh

1693

00:55:43,030 --> 00:55:40,799

the unique needs of dying veterans and

1694

00:55:45,030 --> 00:55:43,040

their survivors with significant results

1695

00:55:46,230 --> 00:55:45,040

sounds like a good charity right i guess

1696

00:55:48,630 --> 00:55:46,240

they send people

1697

00:55:49,829 --> 00:55:48,640

uh to be with people that are veterans

1698

00:55:51,109 --> 00:55:49,839

and are dying

1699

00:55:52,950 --> 00:55:51,119

you know so that they don't have to die

1700

00:55:55,030 --> 00:55:52,960

alone and all this stuff but

1701

00:55:56,870 --> 00:55:55,040

i talked to william hatfield there who

1702

00:55:57,910 --> 00:55:56,880

runs that organization with daniel

1703

00:56:00,630 --> 00:55:57,920

brinkley

1704

00:56:02,710 --> 00:56:00,640

and i i asked him because remember

1705

00:56:04,630 --> 00:56:02,720

famously david wilcock was

1706

00:56:06,309 --> 00:56:04,640

pitching a course with daniel brinkley

1707

00:56:09,270 --> 00:56:06,319

and he was saying

1708

00:56:10,309 --> 00:56:09,280

danny is going to die any day now he he

1709

00:56:12,549 --> 00:56:10,319

is near death

1710

00:56:14,789 --> 00:56:12,559

this could be his last course you got to

1711

00:56:17,349 --> 00:56:14,799

hurry up and sign up for this class

1712

00:56:19,990 --> 00:56:17,359

because danny brinkley is dying and this

1713

00:56:20,630 --> 00:56:20,000

is likely to be his last class his last

1714

00:56:23,430 --> 00:56:20,640

blast

1715

00:56:25,109 --> 00:56:23,440

he's gonna drop boxes of knowledge he's

1716

00:56:26,630 --> 00:56:25,119

gonna give us all the good stuff you

1717

00:56:28,069 --> 00:56:26,640

gotta sign up for this class it's a

1718

00:56:30,390 --> 00:56:28,079

couple hundred dollars

1719

00:56:31,670 --> 00:56:30,400

you gotta do it you got to sign up

1720

00:56:34,710 --> 00:56:31,680

because he's going to die

1721

00:56:37,030 --> 00:56:34,720

any day now and then you'll miss sale

1722

00:56:38,710 --> 00:56:37,040

it turns out that at least according to

1723

00:56:39,750 --> 00:56:38,720

william i believe his name is william

1724

00:56:41,670 --> 00:56:39,760

hatfield

1725

00:56:43,510 --> 00:56:41,680

i'd have to check my notes but he's a

1726

00:56:45,510 --> 00:56:43,520

person that ran the charity with danny

1727

00:56:46,710 --> 00:56:45,520

brinkley i asked him about mr brinkley's

1728

00:56:48,549 --> 00:56:46,720

health and he said

1729

00:56:49,750 --> 00:56:48,559

well he's an older man he's not in great

1730

00:56:51,589 --> 00:56:49,760

health but

1731

00:56:53,750 --> 00:56:51,599

no he's not dying who told you he was

1732

00:56:56,309 --> 00:56:53,760

dying and i said well

1733

00:56:57,510 --> 00:56:56,319

he sat next to david wilcock on a

1734

00:56:59,109 --> 00:56:57,520

youtube video

1735

00:57:01,349 --> 00:56:59,119

and david wilcox said that he was going

1736

00:57:04,150 --> 00:57:01,359

to die any day now and that guy said

1737

00:57:05,910 --> 00:57:04,160

no he's perfectly healthy why would

1738

00:57:07,349 --> 00:57:05,920

somebody say he's dying and i said well

1739

00:57:08,150 --> 00:57:07,359

apparently they were trying to push some

1740

00:57:10,630 --> 00:57:08,160

course

1741

00:57:12,549 --> 00:57:10,640

to sell and saying that you better hurry

1742

00:57:14,230 --> 00:57:12,559

up and sign up for it because danny

1743

00:57:15,589 --> 00:57:14,240

parker is going to die any day now and

1744

00:57:17,430 --> 00:57:15,599

he said

1745

00:57:18,870 --> 00:57:17,440

i i haven't heard anything about his

1746

00:57:21,109 --> 00:57:18,880

health being that bad

1747

00:57:23,030 --> 00:57:21,119

he you know he's an older man certainly

1748

00:57:24,309 --> 00:57:23,040

and uh maybe his health's not great but

1749

00:57:26,549 --> 00:57:24,319

he's nowhere near

1750

00:57:28,309 --> 00:57:26,559

death i don't believe that he's anywhere

1751

00:57:31,750 --> 00:57:28,319

near death so that was a con

1752

00:57:33,430 --> 00:57:31,760

that was a con well the pete peterson

1753

00:57:35,829 --> 00:57:33,440

pete peterson wasn't the first time that

1754

00:57:38,470 --> 00:57:35,839

wilcock is used like an old guy

1755

00:57:39,270 --> 00:57:38,480

to push his pawn no that's another thing

1756

00:57:42,309 --> 00:57:39,280

i think that

1757

00:57:43,829 --> 00:57:42,319

anybody familiar with elder abuse

1758

00:57:46,069 --> 00:57:43,839

would be interested in some of the

1759

00:57:48,789 --> 00:57:46,079

things that mr wilcock has done like

1760

00:57:49,910 --> 00:57:48,799

sit a senile old man down a man that's

1761

00:57:53,030 --> 00:57:49,920

so mentally

1762

00:57:53,430 --> 00:57:53,040

ill and senile that he's got literally

1763

00:57:56,549 --> 00:57:53,440

got

1764

00:57:57,589 --> 00:57:56,559

jars of piss all over his house sit that

1765

00:57:59,750 --> 00:57:57,599

guy down

1766

00:58:01,589 --> 00:57:59,760

slap a camera up and try to get that guy

1767

00:58:04,390 --> 00:58:01,599

to talk about aliens to me

1768

00:58:04,950 --> 00:58:04,400

that's elder abuse right and then we

1769

00:58:07,270 --> 00:58:04,960

have this

1770

00:58:07,990 --> 00:58:07,280

he's using daniel brinkley saying daniel

1771

00:58:09,910 --> 00:58:08,000

going to die any

1772

00:58:11,750 --> 00:58:09,920

day now you got to sign up for this

1773

00:58:15,109 --> 00:58:11,760

class and again

1774

00:58:17,990 --> 00:58:15,119

it's a con and emery smith lands in the

1775

00:58:18,950 --> 00:58:18,000

in prison in the hospital for alcohol

1776

00:58:20,309 --> 00:58:18,960

abuse

1777

00:58:22,150 --> 00:58:20,319

they take pictures of him in the

1778

00:58:24,549 --> 00:58:22,160

hospital and then it turns into

1779

00:58:26,870 --> 00:58:24,559

the deep state is attacking him send him

1780

00:58:27,750 --> 00:58:26,880

paypal donations do you remember the the

1781

00:58:30,630 --> 00:58:27,760

hospital uh

1782

00:58:31,349 --> 00:58:30,640

discharge letter did you read that no i

1783

00:58:32,870 --> 00:58:31,359

didn't

1784

00:58:34,950 --> 00:58:32,880

but i do remember something about that

1785

00:58:36,309 --> 00:58:34,960

yeah yeah it said he had like pneumonia

1786

00:58:37,670 --> 00:58:36,319

or something so when that final when

1787

00:58:38,470 --> 00:58:37,680

that came out or he had some kind of

1788

00:58:40,390 --> 00:58:38,480

just

1789

00:58:42,870 --> 00:58:40,400

he really wasn't sick he had a flu or an

1790

00:58:46,150 --> 00:58:42,880

ammonia but then wilcox said well

1791

00:58:48,789 --> 00:58:46,160

that the cabal gave him the pneumonia

1792

00:58:49,990 --> 00:58:48,799

energy weapon well yeah they uh they

1793

00:58:52,309 --> 00:58:50,000

could have oh he said

1794

00:58:53,430 --> 00:58:52,319

they could have they have these darts

1795

00:58:55,109 --> 00:58:53,440

and they could have just

1796

00:58:57,510 --> 00:58:55,119

you know and they're made of ice right

1797

00:58:59,190 --> 00:58:57,520

wasn't it that they have these darts

1798

00:59:01,510 --> 00:58:59,200

and the darts are made of ice so they

1799

00:59:04,470 --> 00:59:01,520

shoot it into you and then it melts

1800

00:59:05,589 --> 00:59:04,480

but it delivers the the toxin or the

1801  
00:59:07,510 --> 00:59:05,599  
pneumonia

1802  
00:59:09,030 --> 00:59:07,520  
right and that that's that could be what

1803  
00:59:10,950 --> 00:59:09,040  
happened to emery smith

1804  
00:59:13,270 --> 00:59:10,960  
not that he got drunk and high on a

1805  
00:59:16,789 --> 00:59:13,280  
bender and and landed himself

1806  
00:59:20,150 --> 00:59:16,799  
in a hospital from alcohol poisoning

1807  
00:59:21,990 --> 00:59:20,160  
it was the deep state i heard i heard dw

1808  
00:59:24,950 --> 00:59:22,000  
david wilcock on jc

1809  
00:59:26,150 --> 00:59:24,960  
you know jc the jc show not jesus christ

1810  
00:59:27,910 --> 00:59:26,160  
but the other jc

1811  
00:59:29,430 --> 00:59:27,920  
the church guy and he was on there

1812  
00:59:31,109 --> 00:59:29,440  
telling him that uh

1813  
00:59:32,950 --> 00:59:31,119

alex jones is going to have a heart

1814

00:59:34,630 --> 00:59:32,960

attack and that wilcock is going to

1815

00:59:35,270 --> 00:59:34,640

replace him on infowars did you hear

1816

00:59:38,789 --> 00:59:35,280

that

1817

00:59:41,990 --> 00:59:41,349

again oh and it was the rothschilds

1818

00:59:43,990 --> 00:59:42,000

wanted to

1819

00:59:45,829 --> 00:59:44,000

set him up to be the next downstairs

1820

00:59:47,589 --> 00:59:45,839

yeah they were yeah and then after that

1821

00:59:49,589 --> 00:59:47,599

david knight who's been fired from

1822

00:59:50,309 --> 00:59:49,599

infowars david knight did have a heart

1823

00:59:51,829 --> 00:59:50,319

attack

1824

00:59:53,910 --> 00:59:51,839

and then some of these wilcock people

1825

00:59:55,030 --> 00:59:53,920

said well they tried to get alex but

1826  
00:59:58,710 --> 00:59:55,040  
they missed

1827  
01:00:02,150 --> 00:59:58,720  
and they hit me at night instead

1828  
01:00:05,349 --> 01:00:02,160  
and i love this i love this uh i i love

1829  
01:00:06,870 --> 01:00:05,359  
what alex j even alex jones is sick of

1830  
01:00:08,390 --> 01:00:06,880  
this letter of the alphabet [h\_\_h] and

1831  
01:00:12,069 --> 01:00:08,400  
here i'm gonna play this

1832  
01:00:15,270 --> 01:00:12,079  
uh i think this will work you you got

1833  
01:00:17,510 --> 01:00:15,280  
this is just pure fun even alex jones

1834  
01:00:18,470 --> 01:00:17,520  
is tired of this letter of the alphabet

1835  
01:00:21,270 --> 01:00:18,480  
garbage there's

1836  
01:00:22,309 --> 01:00:21,280  
he's sick of it he's sick of it friends

1837  
01:00:24,069 --> 01:00:22,319  
let's take a listen

1838  
01:00:27,920 --> 01:00:24,079

i'm sick of all these witches and

1839

01:00:34,630 --> 01:00:27,930

warlocks they're full of shirts

1840

01:00:34,640 --> 01:00:38,870

[Music]

1841

01:00:38,880 --> 01:00:50,770

you said he was invincible i will not

1842

01:00:57,670 --> 01:00:54,829

[Music]

1843

01:00:59,109 --> 01:00:57,680

because you're lying that's why every

1844

01:01:00,309 --> 01:00:59,119

goddamn thing out of your people's

1845

01:01:09,109 --> 01:01:00,319

mouths then come true

1846

01:01:12,630 --> 01:01:11,910

witches and warlocks you're full of [h\_\_h]

1847

01:01:17,109 --> 01:01:12,640

pumpkin

1848

01:01:21,589 --> 01:01:19,510

alex jones is sick of it friends he's

1849

01:01:24,950 --> 01:01:21,599

sick of it and you know what so am i

1850

01:01:26,630 --> 01:01:24,960

i have digested so much of this garbage

1851  
01:01:27,750 --> 01:01:26,640  
in the past couple of weeks that i have

1852  
01:01:30,870 --> 01:01:27,760  
to pivot

1853  
01:01:32,549 --> 01:01:30,880  
uh to new subjects and new shows because

1854  
01:01:34,150 --> 01:01:32,559  
my brain just can't take any more

1855  
01:01:38,390 --> 01:01:34,160  
[h\_\_\h]

1856  
01:01:40,630 --> 01:01:38,400  
as some of it is

1857  
01:01:42,150 --> 01:01:40,640  
after a while you go you know like i

1858  
01:01:43,349 --> 01:01:42,160  
don't think i'm gonna be on my deathbed

1859  
01:01:45,109 --> 01:01:43,359  
thinking you know

1860  
01:01:47,030 --> 01:01:45,119  
i wish i would have listened to more

1861  
01:01:49,589 --> 01:01:47,040  
videos of david wilcock

1862  
01:01:51,109 --> 01:01:49,599  
carrie cassidy simon parks all lying

1863  
01:01:53,109 --> 01:01:51,119

through their [\h\_\_\h] teeth

1864

01:01:54,470 --> 01:01:53,119

you know i just i don't want to put any

1865

01:01:55,750 --> 01:01:54,480

more time even when you talk to me about

1866

01:01:57,829 --> 01:01:55,760

doing this show it's like

1867

01:01:59,029 --> 01:01:57,839

i think i'm all talked out of this [\h\_\_\h]

1868

01:02:02,069 --> 01:01:59,039

like this [\h\_\_\h]

1869

01:02:03,670 --> 01:02:02,079

is getting crazy time to check out

1870

01:02:05,349 --> 01:02:03,680

right tonight's my last night on the

1871

01:02:07,829 --> 01:02:05,359

secret teachings doing this for

1872

01:02:09,990 --> 01:02:07,839

for a while at least i mean yeah you go

1873

01:02:11,910 --> 01:02:10,000

in and out you go in and now and so do i

1874

01:02:13,190 --> 01:02:11,920

you got it there's you got it you got to

1875

01:02:16,150 --> 01:02:13,200

jump in there

1876

01:02:17,589 --> 01:02:16,160

you got to ingest the [h\_\_h] try to

1877

01:02:20,309 --> 01:02:17,599

block your brain

1878

01:02:21,349 --> 01:02:20,319

right so it doesn't really affect you or

1879

01:02:24,069 --> 01:02:21,359

infect you

1880

01:02:24,789 --> 01:02:24,079

with the [h\_\_h] disease and then you

1881

01:02:26,630 --> 01:02:24,799

gotta run

1882

01:02:28,950 --> 01:02:26,640

you gotta you gotta bail out after a

1883

01:02:30,789 --> 01:02:28,960

while i gotta do to wilcox stuff

1884

01:02:32,309 --> 01:02:30,799

basically what he does with his audience

1885

01:02:34,150 --> 01:02:32,319

he comes in real hard for

1886

01:02:36,230 --> 01:02:34,160

a couple six hour presentations and then

1887

01:02:37,109 --> 01:02:36,240

he's gone for nine months that's how i

1888

01:02:38,710 --> 01:02:37,119

have to view it

1889

01:02:41,270 --> 01:02:38,720

i'll put three hours into it and then

1890

01:02:44,870 --> 01:02:41,280

i'm gone i was gonna ask you like

1891

01:02:48,069 --> 01:02:44,880

i think that we may see a david wilcock

1892

01:02:50,950 --> 01:02:48,079

vanishing act for a while but

1893

01:02:51,510 --> 01:02:50,960

i'm i'm thinking that he can't because

1894

01:02:54,230 --> 01:02:51,520

of that

1895

01:02:55,349 --> 01:02:54,240

900 or a million dollar mortgage that

1896

01:02:59,349 --> 01:02:55,359

he's yeah

1897

01:03:00,950 --> 01:02:59,359

so he may not do that after 2000 he was

1898

01:03:04,069 --> 01:03:00,960

so wrong he disappeared for

1899

01:03:06,069 --> 01:03:04,079

quite a long time and after 2012 when he

1900

01:03:07,349 --> 01:03:06,079

told us that we'd all get light bodies

1901

01:03:10,950 --> 01:03:07,359

and superpowers

1902

01:03:12,470 --> 01:03:10,960

when 2012 hit uh he disappeared for a

1903

01:03:14,470 --> 01:03:12,480

long time too

1904

01:03:16,470 --> 01:03:14,480

he's got it like disappear so people

1905

01:03:18,390 --> 01:03:16,480

forget how wrong he was

1906

01:03:20,309 --> 01:03:18,400

and then he comes back with new [h\_\_h]

1907

01:03:23,029 --> 01:03:20,319

but uh

1908

01:03:23,750 --> 01:03:23,039

yeah i'm a channeler i'm channeling

1909

01:03:29,270 --> 01:03:23,760

jesus

1910

01:03:30,789 --> 01:03:29,280

curious to see if he's going to

1911

01:03:33,270 --> 01:03:30,799

disappear for a while

1912

01:03:35,109 --> 01:03:33,280

i don't know about you but if i told

1913

01:03:35,750 --> 01:03:35,119

everybody the inauguration will never

1914

01:03:37,430 --> 01:03:35,760

happen

1915

01:03:38,950 --> 01:03:37,440

biden will never step foot in the white

1916

01:03:41,270 --> 01:03:38,960

house trust the scam

1917

01:03:43,190 --> 01:03:41,280

it's never going to happen friends if i

1918

01:03:44,470 --> 01:03:43,200

told everybody the supreme court was

1919

01:03:47,589 --> 01:03:44,480

going to reverse the

1920

01:03:50,230 --> 01:03:47,599

the results of

1921

01:03:52,150 --> 01:03:50,240

the votes right if i told people all of

1922

01:03:55,430 --> 01:03:52,160

this stuff that was so wrong oh

1923

01:03:56,870 --> 01:03:55,440

by the way he predicted that that mr

1924

01:03:59,510 --> 01:03:56,880

trump would win

1925

01:04:00,630 --> 01:03:59,520

in a landslide it would be a landslide

1926

01:04:02,630 --> 01:04:00,640

victory

1927

01:04:04,630 --> 01:04:02,640

and he did that the night before it

1928

01:04:06,630 --> 01:04:04,640

happened and he was totally wrong

1929

01:04:08,069 --> 01:04:06,640

you know like a normal person has some

1930

01:04:10,069 --> 01:04:08,079

kind of shame right

1931

01:04:11,430 --> 01:04:10,079

yeah like if you were this wrong you'd

1932

01:04:13,430 --> 01:04:11,440

be afraid it's like

1933

01:04:14,710 --> 01:04:13,440

it's like you know it's like being in

1934

01:04:17,029 --> 01:04:14,720

high school and like

1935

01:04:18,549 --> 01:04:17,039

claiming that some girl blew you behind

1936

01:04:20,549 --> 01:04:18,559

the school dance

1937

01:04:21,589 --> 01:04:20,559

and then everybody finds out that no she

1938

01:04:24,230 --> 01:04:21,599

didn't blow you

1939

01:04:25,589 --> 01:04:24,240

you you gotta [h\_\_h] you know you gotta

1940

01:04:28,950 --> 01:04:25,599

have some shame

1941

01:04:31,510 --> 01:04:28,960

for your lying and getting caught so

1942

01:04:33,029 --> 01:04:31,520

lying so profusely that you got to like

1943

01:04:35,029 --> 01:04:33,039

step away for a while

1944

01:04:37,109 --> 01:04:35,039

but i have a feeling his money his need

1945

01:04:38,069 --> 01:04:37,119

for money is so strong that he's not

1946

01:04:40,150 --> 01:04:38,079

going to be able to do it

1947

01:04:42,549 --> 01:04:40,160

he's going to pivot to this channeling

1948

01:04:44,630 --> 01:04:42,559

[h\_\_h] now that's who's gonna pivot to

1949

01:04:46,150 --> 01:04:44,640

if you've got any level of conscious at

1950

01:04:48,309 --> 01:04:46,160

all it happens

1951

01:04:49,270 --> 01:04:48,319

it has to weigh on you at some point no

1952

01:04:52,309 --> 01:04:49,280

he's he's

1953

01:04:52,710 --> 01:04:52,319

he's the savior of the world man the the

1954

01:04:55,029 --> 01:04:52,720

people

1955

01:04:57,029 --> 01:04:55,039

his imaginary friends that he's

1956

01:04:59,029 --> 01:04:57,039

channeling are telling him he spent an

1957

01:05:00,789 --> 01:04:59,039

hour telling everybody in his last

1958

01:05:01,910 --> 01:05:00,799

stream that his imaginary friends that

1959

01:05:04,950 --> 01:05:01,920

he's channeling

1960

01:05:06,710 --> 01:05:04,960

are very proud of him and and his wife

1961

01:05:07,990 --> 01:05:06,720

for all of the important work they're

1962

01:05:09,750 --> 01:05:08,000

doing do we have

1963

01:05:11,829 --> 01:05:09,760

i want to go i want to go back to the

1964

01:05:13,589 --> 01:05:11,839

wilcock uh what he's going to do in the

1965

01:05:13,829 --> 01:05:13,599

next six months to a year because i have

1966

01:05:41,829 --> 01:05:13,839

a

1967

01:05:44,150 --> 01:05:41,839

nothing

1968

01:05:46,150 --> 01:05:44,160

he he's i was like this in school he's

1969

01:05:49,990 --> 01:05:46,160

the kid who didn't prepare for his

1970

01:05:51,510 --> 01:05:50,000

like five minute presentation

1971

01:05:54,150 --> 01:05:51,520

so you're just like can you turn the

1972

01:05:57,349 --> 01:05:54,160

lights down some can i move the podium

1973

01:05:58,470 --> 01:05:57,359

you know yeah he's like the kid that

1974

01:06:00,230 --> 01:05:58,480

didn't prepare for

1975

01:06:01,670 --> 01:06:00,240

show-and-tell day so he just shows

1976

01:06:04,150 --> 01:06:01,680

everybody his pencil

1977

01:06:04,870 --> 01:06:04,160

you know like you're right he doesn't

1978

01:06:07,349 --> 01:06:04,880

and and

1979

01:06:08,150 --> 01:06:07,359

but then there's this other part that i

1980

01:06:10,309 --> 01:06:08,160

think is very

1981

01:06:12,150 --> 01:06:10,319

psychologically based with him he's

1982

01:06:12,870 --> 01:06:12,160

always telling people about how hard he

1983

01:06:14,309 --> 01:06:12,880

works

1984

01:06:16,549 --> 01:06:14,319

and i gotta tell you friends oh yeah

1985

01:06:20,950 --> 01:06:16,559

i've heard that collecting 25

1986

01:06:23,349 --> 01:06:20,960

uh collecting 25 slides about garbage

1987

01:06:25,589 --> 01:06:23,359

that's that doesn't take that long you

1988

01:06:27,270 --> 01:06:25,599

know especially if you can

1989

01:06:28,630 --> 01:06:27,280

he doesn't realize like i think it's

1990

01:06:30,230 --> 01:06:28,640

subconscious with him again

1991

01:06:32,150 --> 01:06:30,240

this is his subconscious mind he's so

1992

01:06:33,670 --> 01:06:32,160

guilty because he knows he just sits

1993

01:06:35,589 --> 01:06:33,680

around his mansion all day

1994

01:06:37,190 --> 01:06:35,599

and then i don't know what is it an hour

1995

01:06:39,029 --> 01:06:37,200

or two before he has to stream a

1996

01:06:42,230 --> 01:06:39,039

six-hour stream you just put some slides

1997

01:06:45,109 --> 01:06:42,240

together and goes with whatever [h\_\_h]

1998

01:06:47,109 --> 01:06:45,119

that and you notice every single video

1999

01:06:48,710 --> 01:06:47,119

this this irritates me about wilcox

2000

01:06:50,069 --> 01:06:48,720

videos when i when i sit down and watch

2001

01:06:51,589 --> 01:06:50,079

these things

2002

01:06:54,950 --> 01:06:51,599

he always starts it out with there's

2003

01:06:56,630 --> 01:06:54,960

like an audio issue a video issue

2004

01:06:58,069 --> 01:06:56,640

a camera lights out he's like this is

2005

01:06:58,950 --> 01:06:58,079

what we have to do with folks doing a

2006

01:07:00,549 --> 01:06:58,960

live stream

2007

01:07:02,549 --> 01:07:00,559

it's always something there's always a

2008

01:07:04,630 --> 01:07:02,559

problem there's always a technical issue

2009

01:07:06,390 --> 01:07:04,640

well and that i almost agree with him

2010

01:07:08,950 --> 01:07:06,400

but here's what i will say

2011

01:07:10,150 --> 01:07:08,960

he i don't think he does that he does

2012

01:07:13,510 --> 01:07:10,160

that to give himself

2013

01:07:15,589 --> 01:07:13,520

credibility like he's under attack is

2014

01:07:17,430 --> 01:07:15,599

he claimed that the that's the the last

2015

01:07:19,670 --> 01:07:17,440

stream he did was so [h\_\_h]

2016

01:07:21,349 --> 01:07:19,680

jittery and the audio was out of sync

2017

01:07:23,190 --> 01:07:21,359

that he basically claimed it was the

2018

01:07:25,349 --> 01:07:23,200

deep state attacking his stream

2019

01:07:27,029 --> 01:07:25,359

exactly yeah and the other thing that

2020

01:07:29,670 --> 01:07:27,039

people should be aware of is

2021

01:07:30,950 --> 01:07:29,680

you know uh ryan i know you do an

2022

01:07:33,190 --> 01:07:30,960

incredible amount of work

2023

01:07:36,870 --> 01:07:33,200

with very little resources and so do i

2024

01:07:37,750 --> 01:07:36,880

hear on his 2018 990 tax returns for his

2025

01:07:39,589 --> 01:07:37,760

charity

2026

01:07:41,750 --> 01:07:39,599

david wilcock claimed that he spent ten

2027

01:07:45,109 --> 01:07:41,760

thousand dollars on equipment and

2028

01:07:47,910 --> 01:07:45,119

software so he's got 10 000

2029

01:07:48,549 --> 01:07:47,920

worth of stuff and he can't work youtube

2030

01:07:52,069 --> 01:07:48,559

and

2031

01:07:52,789 --> 01:07:52,079

he's got a 180 iq which is smarter than

2032

01:07:55,589 --> 01:07:52,799

einstein

2033

01:07:55,990 --> 01:07:55,599

so here's this guy here's this guy who

2034

01:07:58,230 --> 01:07:56,000

spent

2035

01:08:00,230 --> 01:07:58,240

ten thousand dollars of free money that

2036

01:08:01,910 --> 01:08:00,240

people gave him on all of his equipment

2037

01:08:04,230 --> 01:08:01,920

to run his streams

2038

01:08:05,910 --> 01:08:04,240

claiming that he has a 180 iq which

2039

01:08:08,710 --> 01:08:05,920

would basically mean he's smarter than

2040

01:08:09,510 --> 01:08:08,720

einstein or tesla or elon musk or bill

2041

01:08:12,870 --> 01:08:09,520

gates

2042

01:08:14,789 --> 01:08:12,880

they're all uh way under 180. and he

2043

01:08:17,990 --> 01:08:14,799

can't work a [h\_\_\h] live stream

2044

01:08:19,749 --> 01:08:18,000

with 10 grand and a 180 iq some

2045

01:08:21,349 --> 01:08:19,759

something doesn't add up here well

2046

01:08:23,110 --> 01:08:21,359

that's what i'm saying that even even

2047

01:08:24,070 --> 01:08:23,120

you know there are obviously issues when

2048

01:08:25,829 --> 01:08:24,080

you have live streams

2049

01:08:27,189 --> 01:08:25,839

i've done that for 10 years but the

2050

01:08:29,030 --> 01:08:27,199

issue with wilcock is

2051

01:08:30,470 --> 01:08:29,040

you have all that money you have all

2052

01:08:32,309 --> 01:08:30,480

this all these resources you've got all

2053

01:08:34,709 --> 01:08:32,319

these camera angles he's got like six

2054

01:08:36,789 --> 01:08:34,719

cameras it's like he's shooting some big

2055

01:08:40,709 --> 01:08:36,799

hollywood blockbuster he has to get that

2056

01:08:44,070 --> 01:08:42,390

and you still at some point like you

2057

01:08:45,030 --> 01:08:44,080

can't figure out how to get the live

2058

01:08:46,870 --> 01:08:45,040

stream going

2059

01:08:49,189 --> 01:08:46,880

there's always an issue with it that's

2060

01:08:49,749 --> 01:08:49,199

why i love i love that the audio is

2061

01:08:53,430 --> 01:08:49,759

always

2062

01:08:55,189 --> 01:08:53,440

sync in other words like

2063

01:08:56,630 --> 01:08:55,199

he's a little bit behind or a little bit

2064

01:08:59,510 --> 01:08:56,640

ahead of the video

2065

01:09:00,550 --> 01:08:59,520

and the audio and i'm thinking like i uh

2066

01:09:03,349 --> 01:09:00,560

everything here

2067

01:09:04,630 --> 01:09:03,359

my lighting my backdrops the webcam the

2068

01:09:06,630 --> 01:09:04,640

microphone i'm using

2069

01:09:08,309 --> 01:09:06,640

even the computer like you know

2070

01:09:10,470 --> 01:09:08,319

everything here came from patreon

2071

01:09:12,390 --> 01:09:10,480

supporters and paypal donators

2072

01:09:13,590 --> 01:09:12,400

and it's but really it's literally a

2073

01:09:14,309 --> 01:09:13,600

couple hundred dollars worth of

2074

01:09:17,189 --> 01:09:14,319

equipment

2075

01:09:18,309 --> 01:09:17,199

and my audio is in sync and yeah we have

2076

01:09:20,789 --> 01:09:18,319

technical issues

2077

01:09:21,990 --> 01:09:20,799

usually it's user error like my big one

2078

01:09:23,669 --> 01:09:22,000

is with this software

2079

01:09:25,510 --> 01:09:23,679

when you share a video you have to click

2080

01:09:27,110 --> 01:09:25,520

share audio and i keep doing it like

2081

01:09:28,309 --> 01:09:27,120

i'll share the video and then people in

2082

01:09:30,789 --> 01:09:28,319

the live chat say

2083

01:09:31,829 --> 01:09:30,799

no audio no audio people start texting

2084

01:09:33,189 --> 01:09:31,839

me you know

2085

01:09:34,950 --> 01:09:33,199

there's no audio on the video and then i

2086

01:09:35,990 --> 01:09:34,960

have to read you know yes so technical

2087

01:09:38,070 --> 01:09:36,000

issues happen

2088

01:09:39,590 --> 01:09:38,080

but the fact that he spent 10 grand of

2089

01:09:41,349 --> 01:09:39,600

other people's money

2090

01:09:43,430 --> 01:09:41,359

and this is another point that's worth

2091

01:09:44,470 --> 01:09:43,440

pondering like i don't understand the

2092

01:09:46,630 --> 01:09:44,480

money circle

2093

01:09:47,669 --> 01:09:46,640

you're taking tax-free donations from

2094

01:09:51,030 --> 01:09:47,679

people

2095

01:09:54,470 --> 01:09:51,040

so that you can make videos that go on a

2096

01:09:57,510 --> 01:09:54,480

monetized money making profit

2097

01:09:58,229 --> 01:09:57,520

motive youtube channel and then people

2098

01:10:01,110 --> 01:09:58,239

can send you

2099

01:10:02,070 --> 01:10:01,120

more money more money from super chats

2100

01:10:04,390 --> 01:10:02,080

and are the super

2101

01:10:05,110 --> 01:10:04,400

chats going to his charity or are they

2102

01:10:07,750 --> 01:10:05,120

going to

2103

01:10:08,790 --> 01:10:07,760

his business and he won't answer these

2104

01:10:10,070 --> 01:10:08,800

questions

2105

01:10:11,590 --> 01:10:10,080

did you ever hear the one where he was

2106

01:10:13,350 --> 01:10:11,600

sitting down talking about how he has to

2107

01:10:14,149 --> 01:10:13,360

spin multiple plates because he's so

2108

01:10:15,910 --> 01:10:14,159

broke

2109

01:10:17,350 --> 01:10:15,920

yeah oh he's got to write books and do

2110

01:10:18,790 --> 01:10:17,360

conference appearances he can't make

2111

01:10:20,229 --> 01:10:18,800

money just being an author

2112

01:10:21,189 --> 01:10:20,239

yeah he can't make money being an author

2113

01:10:22,149 --> 01:10:21,199

and then he sits there and he starts

2114

01:10:23,590 --> 01:10:22,159

going through

2115

01:10:25,189 --> 01:10:23,600

you know i'm not saying you have to be

2116

01:10:26,470 --> 01:10:25,199

rich to shop at whole foods but he

2117

01:10:28,149 --> 01:10:26,480

starts going through these different

2118

01:10:29,750 --> 01:10:28,159

stores he's like yeah me and my wife

2119

01:10:30,470 --> 01:10:29,760

elizabeth we had to go to creighton

2120

01:10:32,630 --> 01:10:30,480

barrel

2121

01:10:33,750 --> 01:10:32,640

we had to go to whole foods we had to go

2122

01:10:35,030 --> 01:10:33,760

to home depot

2123

01:10:36,790 --> 01:10:35,040

and he starts listing like all these

2124

01:10:37,189 --> 01:10:36,800

high class stores or at least stores

2125

01:10:38,470 --> 01:10:37,199

where

2126  
01:10:40,470 --> 01:10:38,480  
you gotta have a little bit of money to

2127  
01:10:41,510 --> 01:10:40,480  
go shopping there but see it's people

2128  
01:10:42,950 --> 01:10:41,520  
like this that

2129  
01:10:45,270 --> 01:10:42,960  
they're so delusional and so

2130  
01:10:48,310 --> 01:10:45,280  
disconnected from reality

2131  
01:10:49,910 --> 01:10:48,320  
absolutely he grew up so wealthy that's

2132  
01:10:51,669 --> 01:10:49,920  
the lifestyle

2133  
01:10:53,110 --> 01:10:51,679  
he grew up in a giant house in malibu

2134  
01:10:54,550 --> 01:10:53,120  
these they're used to that he doesn't

2135  
01:10:56,790 --> 01:10:54,560  
know what to do without it

2136  
01:10:59,030 --> 01:10:56,800  
and it's not it's not like wilcock is a

2137  
01:11:00,310 --> 01:10:59,040  
random person as i've said like he's a

2138  
01:11:02,149 --> 01:11:00,320

he's come after me and tried to

2139

01:11:05,110 --> 01:11:02,159

blackball me from conferences

2140

01:11:06,550 --> 01:11:05,120

it's just it makes my job harder steven

2141

01:11:07,990 --> 01:11:06,560

steven when i want to sit here and i

2142

01:11:10,550 --> 01:11:08,000

want to talk about i don't care if it's

2143

01:11:12,709 --> 01:11:10,560

aliens or whatever and do it objectively

2144

01:11:14,790 --> 01:11:12,719

and i got this clown and other people

2145

01:11:15,590 --> 01:11:14,800

like him attacking me for trying to be

2146

01:11:17,350 --> 01:11:15,600

objective

2147

01:11:19,270 --> 01:11:17,360

and then ripping other people off with

2148

01:11:21,750 --> 01:11:19,280

stuff that's a phone call

2149

01:11:22,470 --> 01:11:21,760

or you know a document which can prove

2150

01:11:24,630 --> 01:11:22,480

them wrong

2151  
01:11:25,990 --> 01:11:24,640  
that's what bothers me about it it makes

2152  
01:11:29,110 --> 01:11:26,000  
my makes my job

2153  
01:11:29,590 --> 01:11:29,120  
harder i can't lie i'm a very flawed

2154  
01:11:31,750 --> 01:11:29,600  
human

2155  
01:11:33,990 --> 01:11:31,760  
and uh i just mentioned this on my show

2156  
01:11:36,709 --> 01:11:34,000  
like i've discovered something

2157  
01:11:37,110 --> 01:11:36,719  
the truth doesn't sell well the truth is

2158  
01:11:41,669 --> 01:11:37,120  
not

2159  
01:11:43,110 --> 01:11:41,679  
my meager income from the show that i'm

2160  
01:11:45,750 --> 01:11:43,120  
trying to build here

2161  
01:11:47,430 --> 01:11:45,760  
and then you sit there and in his live

2162  
01:11:49,110 --> 01:11:47,440  
chat and you see like

2163  
01:11:50,790 --> 01:11:49,120

somebody just gave him a two thousand

2164

01:11:54,149 --> 01:11:50,800

dollar super chat one

2165

01:11:56,310 --> 01:11:54,159

person gave him a tooth that like [h\_\_h]

2166

01:11:57,430 --> 01:11:56,320

and and i've i've said this and i really

2167

01:11:59,990 --> 01:11:57,440

mean it

2168

01:12:00,950 --> 01:12:00,000

you know uh ryan anybody can listen to

2169

01:12:03,510 --> 01:12:00,960

your show and

2170

01:12:04,790 --> 01:12:03,520

see that you do you put in the time you

2171

01:12:07,270 --> 01:12:04,800

do this research

2172

01:12:08,950 --> 01:12:07,280

you can cite sources journalistic

2173

01:12:09,350 --> 01:12:08,960

sources that are trusted sources they're

2174

01:12:12,470 --> 01:12:09,360

not

2175

01:12:17,030 --> 01:12:12,480

you're

2176  
01:12:19,590 --> 01:12:17,040  
know like you do this real work and i'm

2177  
01:12:20,870 --> 01:12:19,600  
kind of similar to that or trying to be

2178  
01:12:23,189 --> 01:12:20,880  
and meanwhile

2179  
01:12:24,229 --> 01:12:23,199  
these guys can just go and say whatever

2180  
01:12:26,709 --> 01:12:24,239  
[h\_\_\h] they want

2181  
01:12:28,229 --> 01:12:26,719  
and and they're making tons of money and

2182  
01:12:31,110 --> 01:12:28,239  
yeah i'm a flawed human but i

2183  
01:12:32,630 --> 01:12:31,120  
i hate that and i i gotta believe that

2184  
01:12:33,990 --> 01:12:32,640  
the universe has got to be more fair

2185  
01:12:34,870 --> 01:12:34,000  
than that and that there will be a

2186  
01:12:38,470 --> 01:12:34,880  
balance

2187  
01:12:39,430 --> 01:12:38,480  
eventually right you heard that on that

2188  
01:12:41,030 --> 01:12:39,440

show that i think

2189

01:12:42,550 --> 01:12:41,040

and i agree with you i think that they

2190

01:12:44,630 --> 01:12:42,560

should lose money

2191

01:12:45,669 --> 01:12:44,640

now i mean i i think the pendulum is

2192

01:12:48,790 --> 01:12:45,679

swinging the other way

2193

01:12:50,630 --> 01:12:48,800

you lied and ripped people off for so

2194

01:12:51,990 --> 01:12:50,640

long especially four years

2195

01:12:54,070 --> 01:12:52,000

yeah four years on the letter of the

2196

01:12:56,229 --> 01:12:54,080

alphabet garbage four years just

2197

01:12:58,390 --> 01:12:56,239

and and attacked people like verbally

2198

01:13:00,630 --> 01:12:58,400

attacked and came after people like us

2199

01:13:03,110 --> 01:13:00,640

like you stephen and myself for just

2200

01:13:05,030 --> 01:13:03,120

questioning what they were saying

2201

01:13:06,149 --> 01:13:05,040

yeah how dare you you're a terrorist

2202

01:13:07,830 --> 01:13:06,159

brian

2203

01:13:09,430 --> 01:13:07,840

i am a terrorist you're a terrorist too

2204

01:13:11,030 --> 01:13:09,440

we're all terrorists and

2205

01:13:12,870 --> 01:13:11,040

well okay so there's another thing i've

2206

01:13:13,510 --> 01:13:12,880

got my thoughts are all over the place

2207

01:13:15,750 --> 01:13:13,520

on this guy

2208

01:13:17,669 --> 01:13:15,760

that's another thing he made say there

2209

01:13:19,270 --> 01:13:17,679

in willcock they make these claims

2210

01:13:20,870 --> 01:13:19,280

and say there he was going to come on my

2211

01:13:23,189 --> 01:13:20,880

radio show did you know that

2212

01:13:25,830 --> 01:13:23,199

he was lined up yeah he i have an email

2213

01:13:28,870 --> 01:13:25,840

from him saying he he'd love to come on

2214

01:13:29,270 --> 01:13:28,880

and and i got him in like five years ago

2215

01:13:31,270 --> 01:13:29,280

two

2216

01:13:32,950 --> 01:13:31,280

that's right you got it in the wilcox

2217

01:13:33,990 --> 01:13:32,960

talk yeah you like he didn't have a

2218

01:13:36,390 --> 01:13:34,000

press badge he

2219

01:13:38,070 --> 01:13:36,400

piggy packed on your press badge yeah

2220

01:13:38,870 --> 01:13:38,080

and then the next year he said he never

2221

01:13:41,430 --> 01:13:38,880

heard of me

2222

01:13:42,310 --> 01:13:41,440

he said never heard that and then as

2223

01:13:43,990 --> 01:13:42,320

he's leaving the

2224

01:13:45,430 --> 01:13:44,000

i think i told you this as he i was

2225

01:13:47,350 --> 01:13:45,440

walking out of the conference to go

2226

01:13:50,390 --> 01:13:47,360

across the street to the hotel

2227

01:13:52,310 --> 01:13:50,400

and he drives by in this giant suv

2228

01:13:54,070 --> 01:13:52,320

knowing who i am and starts yelling at

2229

01:13:57,510 --> 01:13:54,080

me and heckling me out the window

2230

01:14:01,990 --> 01:13:57,520

it's that that level of

2231

01:14:07,189 --> 01:14:03,830

excuse me it probably looked like a 10

2232

01:14:10,470 --> 01:14:07,199

year old driving a big truck right

2233

01:14:12,870 --> 01:14:10,480

he's so tiny he got that suv

2234

01:14:14,790 --> 01:14:12,880

making smoothies there's another thing

2235

01:14:17,430 --> 01:14:14,800

how do you go from making smoothies

2236

01:14:18,470 --> 01:14:17,440

to being an insider who saw the cure for

2237

01:14:20,149 --> 01:14:18,480

cancer

2238

01:14:21,990 --> 01:14:20,159

how does that happen because you already

2239

01:14:23,669 --> 01:14:22,000

said that he said he saw physically with

2240

01:14:25,030 --> 01:14:23,679

his own eyes he touched the cure for

2241

01:14:27,350 --> 01:14:25,040

cancer

2242

01:14:28,790 --> 01:14:27,360

i mean yeah well listen he's a health

2243

01:14:31,030 --> 01:14:28,800

expert because

2244

01:14:32,709 --> 01:14:31,040

he made some smoothies for health food

2245

01:14:33,350 --> 01:14:32,719

people while he worked at a health food

2246

01:14:35,830 --> 01:14:33,360

store

2247

01:14:37,270 --> 01:14:35,840

so he's a [h\_\_h] expert ryan gable how

2248

01:14:40,229 --> 01:14:37,280

dare you question his

2249

01:14:41,030 --> 01:14:40,239

uh authenticity he made smoothies there

2250

01:14:43,910 --> 01:14:41,040

was probably

2251  
01:14:45,590 --> 01:14:43,920  
grass and [h\_\_\h] like that tofu in those

2252  
01:14:47,590 --> 01:14:45,600  
smoothies for all you know

2253  
01:14:49,910 --> 01:14:47,600  
right how did they get picked how did

2254  
01:14:51,590 --> 01:14:49,920  
they how did they get did wilcox movie

2255  
01:14:52,870 --> 01:14:51,600  
one day and he saw this guy and said we

2256  
01:14:55,990 --> 01:14:52,880  
can use this guy

2257  
01:14:59,669 --> 01:14:56,000  
was he like i heard

2258  
01:15:02,470 --> 01:14:59,679  
something about uh cory's

2259  
01:15:03,110 --> 01:15:02,480  
corey good's former manager roger

2260  
01:15:05,990 --> 01:15:03,120  
somehow

2261  
01:15:07,750 --> 01:15:06,000  
set up sather and helped him take off

2262  
01:15:10,070 --> 01:15:07,760  
but i don't know if that's accurate

2263  
01:15:11,430 --> 01:15:10,080

i'm not that interested in cedar in fact

2264

01:15:13,030 --> 01:15:11,440

i have a real

2265

01:15:14,470 --> 01:15:13,040

problem with him because i have an

2266

01:15:16,630 --> 01:15:14,480

autistic child

2267

01:15:18,310 --> 01:15:16,640

and this clown talking at autism

2268

01:15:20,550 --> 01:15:18,320

conferences telling people to

2269

01:15:22,229 --> 01:15:20,560

give their children bleach he was

2270

01:15:24,470 --> 01:15:22,239

talking to the autism conference

2271

01:15:25,669 --> 01:15:24,480

autism one which is a word very less

2272

01:15:30,310 --> 01:15:25,679

than reputable

2273

01:15:32,470 --> 01:15:30,320

autism what [h\_\_h] gave him that spot

2274

01:15:33,430 --> 01:15:32,480

to talk on i don't know i don't know and

2275

01:15:35,990 --> 01:15:33,440

i've invited him

2276

01:15:38,390 --> 01:15:36,000

i've said on my show publicly he doesn't

2277

01:15:41,189 --> 01:15:38,400

know anything about autism or especially

2278

01:15:42,790 --> 01:15:41,199

the plight of a family that has to care

2279

01:15:45,510 --> 01:15:42,800

for an autistic child

2280

01:15:46,310 --> 01:15:45,520

so i said famously before you open your

2281

01:15:48,470 --> 01:15:46,320

[h\_\_\h] mail

2282

01:15:49,750 --> 01:15:48,480

telling parents with autistic children

2283

01:15:52,550 --> 01:15:49,760

what to do

2284

01:15:54,149 --> 01:15:52,560

come and i'll we got a guest room here

2285

01:15:55,910 --> 01:15:54,159

i'll let him stay here for the weekend

2286

01:15:56,550 --> 01:15:55,920

and help me take care of my autistic

2287

01:15:59,510 --> 01:15:56,560

child

2288

01:16:00,790 --> 01:15:59,520

just for two days because then before he

2289

01:16:03,750 --> 01:16:00,800

opens his [h\_\_\h] mouth

2290

01:16:05,590 --> 01:16:03,760

about things that he has no idea about

2291

01:16:06,950 --> 01:16:05,600

he'll have at least some experience with

2292

01:16:08,070 --> 01:16:06,960

what it's really like to care for an

2293

01:16:10,470 --> 01:16:08,080

autistic child

2294

01:16:11,830 --> 01:16:10,480

before he does stupid irresponsible

2295

01:16:13,910 --> 01:16:11,840

things like telling their

2296

01:16:16,229 --> 01:16:13,920

telling autistic parents about fake

2297

01:16:16,709 --> 01:16:16,239

cures like the miracle mineral solution

2298

01:16:21,350 --> 01:16:16,719

yeah

2299

01:16:23,110 --> 01:16:21,360

actually made it onto the fda's website

2300

01:16:25,030 --> 01:16:23,120

i was looking at stuff on the website

2301

01:16:25,669 --> 01:16:25,040

and it's one of the popular questions

2302

01:16:28,709 --> 01:16:25,679

was

2303

01:16:30,550 --> 01:16:28,719

can i drink disinfectant can i inject

2304

01:16:32,709 --> 01:16:30,560

disinfectant to prevent myself from

2305

01:16:33,350 --> 01:16:32,719

getting sick it's because of people like

2306

01:16:36,149 --> 01:16:33,360

sather

2307

01:16:36,950 --> 01:16:36,159

and people are given worse than listen i

2308

01:16:39,110 --> 01:16:36,960

said this uh

2309

01:16:40,630 --> 01:16:39,120

recently if you're 18 and you want to

2310

01:16:42,310 --> 01:16:40,640

give yourself a bleach enema

2311

01:16:43,750 --> 01:16:42,320

or drink bleach because you think that's

2312

01:16:45,750 --> 01:16:43,760

good for your health

2313

01:16:47,350 --> 01:16:45,760

habit i hope it works out for you good

2314

01:16:49,430 --> 01:16:47,360

luck but

2315

01:16:50,790 --> 01:16:49,440

these people are instructing people and

2316

01:16:52,149 --> 01:16:50,800

i don't want to say say they did this

2317

01:16:54,390 --> 01:16:52,159

specifically but

2318

01:16:55,510 --> 01:16:54,400

some of these people promoting this mms

2319

01:16:58,070 --> 01:16:55,520

are instructing

2320

01:17:00,390 --> 01:16:58,080

parents of autistic children to give

2321

01:17:02,870 --> 01:17:00,400

that to their children

2322

01:17:03,910 --> 01:17:02,880

you got to be you you could be yeah you

2323

01:17:08,070 --> 01:17:03,920

could be arrested

2324

01:17:10,870 --> 01:17:08,080

arrested for that yeah

2325

01:17:11,830 --> 01:17:10,880

listen he made smoothies at a [h\_\_\h]

2326

01:17:14,310 --> 01:17:11,840

health food store

2327

01:17:16,630 --> 01:17:14,320

so you should listen to him and cure

2328

01:17:19,990 --> 01:17:16,640

your child of autism and see

2329

01:17:22,070 --> 01:17:20,000

they prey on the desperation i listen

2330

01:17:23,990 --> 01:17:22,080

i love my son he's very challenging but

2331

01:17:25,110 --> 01:17:24,000

we're more fortunate than most because

2332

01:17:27,510 --> 01:17:25,120

he's what's called high

2333

01:17:28,470 --> 01:17:27,520

functioning and he doesn't speak he's

2334

01:17:30,070 --> 01:17:28,480

non-verbal

2335

01:17:32,310 --> 01:17:30,080

but he does things like go to the

2336

01:17:34,630 --> 01:17:32,320

bathroom on his own he eats on his own

2337

01:17:35,510 --> 01:17:34,640

you know so we're better than most but

2338

01:17:38,310 --> 01:17:35,520

there are some

2339

01:17:39,270 --> 01:17:38,320

families that suffer tremendously and

2340

01:17:41,669 --> 01:17:39,280

they're willing to try

2341

01:17:42,950 --> 01:17:41,679

anything to improve their situation and

2342

01:17:45,669 --> 01:17:42,960

their child situation

2343

01:17:47,270 --> 01:17:45,679

so they're preying on desperate people

2344

01:17:48,950 --> 01:17:47,280

that are in pain

2345

01:17:50,709 --> 01:17:48,960

suffering with this illness because the

2346

01:17:51,910 --> 01:17:50,719

whole family suffers it's not just the

2347

01:17:53,669 --> 01:17:51,920

child

2348

01:17:55,830 --> 01:17:53,679

this is what and that's what bothers me

2349

01:17:57,990 --> 01:17:55,840

is like for some people

2350

01:18:00,149 --> 01:17:58,000

if i was to look for an alternative to

2351

01:18:02,630 --> 01:18:00,159

like aspirin or tylenol right

2352

01:18:03,430 --> 01:18:02,640

maybe i'll try like turmeric turmeric

2353

01:18:05,750 --> 01:18:03,440

helps with

2354

01:18:06,950 --> 01:18:05,760

pains and joint pain things like that

2355

01:18:09,189 --> 01:18:06,960

inflammation

2356

01:18:10,390 --> 01:18:09,199

if i want to do that that somehow as an

2357

01:18:12,390 --> 01:18:10,400

alternative you know

2358

01:18:14,390 --> 01:18:12,400

cure gets grouped in with drinking

2359

01:18:15,990 --> 01:18:14,400

bleach and then they come after

2360

01:18:16,550 --> 01:18:16,000

everybody who's doing anything yeah so

2361

01:18:21,669 --> 01:18:16,560

they do

2362

01:18:24,070 --> 01:18:21,679

mean in the current health situation

2363

01:18:25,270 --> 01:18:24,080

it's kind of stupid but you know there's

2364

01:18:28,550 --> 01:18:25,280

a lot of studies

2365

01:18:30,870 --> 01:18:28,560

that a lot of people that are dying uh

2366

01:18:33,110 --> 01:18:30,880

during this health crisis are very

2367

01:18:35,830 --> 01:18:33,120

deficient in vitamin d

2368

01:18:37,110 --> 01:18:35,840

but i can't tell people that you better

2369

01:18:38,550 --> 01:18:37,120

take some vitamin d

2370

01:18:40,550 --> 01:18:38,560

because i'm not a health expert or

2371

01:18:42,390 --> 01:18:40,560

whatever but you know you're right like

2372

01:18:43,750 --> 01:18:42,400

even people that are giving common sense

2373

01:18:45,669 --> 01:18:43,760

advice like

2374

01:18:46,790 --> 01:18:45,679

work on your immune system right now are

2375

01:18:49,189 --> 01:18:46,800

getting vilified

2376

01:18:51,189 --> 01:18:49,199

because you're not a health you know

2377

01:18:53,430 --> 01:18:51,199

expert

2378

01:18:54,950 --> 01:18:53,440

i know because these nut jobs have been

2379

01:18:57,510 --> 01:18:54,960

pushed into snake oil

2380

01:18:58,470 --> 01:18:57,520

you know i think that they're recruiting

2381

01:19:00,149 --> 01:18:58,480

this is where it gets

2382

01:19:02,470 --> 01:19:00,159

really weird like they're recruiting

2383

01:19:04,070 --> 01:19:02,480

these younger people like wilcock and

2384

01:19:06,390 --> 01:19:04,080

good and them recruiting people like

2385

01:19:08,470 --> 01:19:06,400

sather to just come into and

2386

01:19:09,910 --> 01:19:08,480

suddenly say there was like on a panel

2387

01:19:11,430 --> 01:19:09,920

at a conference last year it's like this

2388

01:19:13,350 --> 01:19:11,440

guy went from making smoothies to being

2389

01:19:15,350 --> 01:19:13,360

on an expert panel about aliens in the

2390

01:19:16,950 --> 01:19:15,360

deep state

2391

01:19:18,790 --> 01:19:16,960

you know it doesn't it doesn't make any

2392

01:19:20,870 --> 01:19:18,800

sense

2393

01:19:22,790 --> 01:19:20,880

to anyone who can think and by the way

2394

01:19:25,189 --> 01:19:22,800

uh people like corey goode

2395

01:19:26,630 --> 01:19:25,199

when i was at a talk um i forget the

2396

01:19:27,830 --> 01:19:26,640

guy's name i was at the top well freddie

2397

01:19:28,790 --> 01:19:27,840

silva i was listening to him talk about

2398

01:19:30,229 --> 01:19:28,800

crop circles

2399

01:19:31,590 --> 01:19:30,239

and this guy he's really intelligent if

2400

01:19:33,189 --> 01:19:31,600

you know freddie silva is a very good

2401

01:19:35,750 --> 01:19:33,199

writer good author

2402

01:19:37,590 --> 01:19:35,760

good sources good research very good

2403

01:19:39,669 --> 01:19:37,600

sources and he's breaking down the crop

2404

01:19:41,910 --> 01:19:39,679

circle stuff i never heard before very

2405

01:19:42,790 --> 01:19:41,920

new stuff for me and i'm sitting there

2406

01:19:44,550 --> 01:19:42,800

and like i

2407

01:19:46,470 --> 01:19:44,560

gave him a round of applause at the end

2408

01:19:49,110 --> 01:19:46,480

because it was a good presentation

2409

01:19:50,790 --> 01:19:49,120

and we here next door it sounds like a

2410

01:19:52,709 --> 01:19:50,800

club we heard

2411

01:19:54,630 --> 01:19:52,719

all right harry is you know like the

2412

01:19:57,830 --> 01:19:54,640

starting lineup to like a basketball

2413

01:20:01,030 --> 01:20:00,310

starting at yard number three you know

2414

01:20:02,950 --> 01:20:01,040

and it's like

2415

01:20:04,870 --> 01:20:02,960

corey good and then we hear yeah we

2416

01:20:07,430 --> 01:20:04,880

heard all these people screaming

2417

01:20:08,550 --> 01:20:07,440

just like overpowering freddy silva

2418

01:20:10,390 --> 01:20:08,560

giving his talk

2419

01:20:12,229 --> 01:20:10,400

and just because corey good walked on

2420

01:20:13,750 --> 01:20:12,239

stage and sat in a chair

2421

01:20:15,990 --> 01:20:13,760

people are like throwing their panties

2422

01:20:18,870 --> 01:20:16,000

on stage

2423

01:20:19,350 --> 01:20:18,880

you know and he's another he's another

2424

01:20:23,830 --> 01:20:19,360

funny

2425

01:20:25,910 --> 01:20:23,840

out of nowhere lifelong loser

2426

01:20:27,030 --> 01:20:25,920

and uh listen this is my opinion this is

2427

01:20:28,950 --> 01:20:27,040

my speculation

2428

01:20:30,390 --> 01:20:28,960

uh hopefully he won't sue me for saying

2429

01:20:33,110 --> 01:20:30,400

this but corey goode

2430

01:20:35,750 --> 01:20:33,120

was a lifelong loser before he locked on

2431

01:20:39,750 --> 01:20:35,760

to a television show in the form of gaia

2432

01:20:43,189 --> 01:20:39,760

cosmic disclosure and became uh

2433

01:20:45,990 --> 01:20:43,199

david wilcox storytelling friend right

2434

01:20:47,590 --> 01:20:46,000

and now he's making all this money he's

2435

01:20:50,229 --> 01:20:47,600

trying to keep it going

2436

01:20:52,070 --> 01:20:50,239

uh but it's slowly it's slowly falling

2437

01:20:53,510 --> 01:20:52,080

apart for him i think

2438

01:20:55,350 --> 01:20:53,520

yeah well i didn't get one of the cease

2439

01:20:57,189 --> 01:20:55,360

and desist letters i know you didn't

2440

01:20:58,550 --> 01:20:57,199

i know kev baker didn't some people

2441

01:20:58,870 --> 01:20:58,560

didn't get those letters but a lot of

2442

01:21:02,550 --> 01:20:58,880

big

2443

01:21:04,870 --> 01:21:02,560

and uh

2444

01:21:05,990 --> 01:21:04,880

i was i wondered why people like us

2445

01:21:07,750 --> 01:21:06,000

didn't get them

2446

01:21:09,510 --> 01:21:07,760

and i was thinking maybe it's because we

2447

01:21:11,350 --> 01:21:09,520

don't have like contracts there's no

2448

01:21:12,229 --> 01:21:11,360

like legal contract with a business we

2449

01:21:14,310 --> 01:21:12,239

work for

2450

01:21:17,750 --> 01:21:14,320

and people like us we can say whatever

2451

01:21:20,149 --> 01:21:17,760

we want a lot more freely

2452

01:21:21,910 --> 01:21:20,159

yeah well actually i i actually have

2453

01:21:24,310 --> 01:21:21,920

some legal protections in place

2454

01:21:26,550 --> 01:21:24,320

for my own show like i say that my show

2455

01:21:28,870 --> 01:21:26,560

is produced by my llc

2456

01:21:30,709 --> 01:21:28,880

so if somebody wants to sue me they

2457

01:21:32,229 --> 01:21:30,719

gotta sue the llc

2458

01:21:33,990 --> 01:21:32,239

and i don't know the last i checked

2459

01:21:36,310 --> 01:21:34,000

there's something like 47

2460

01:21:38,390 --> 01:21:36,320

in my llc corporate account so you know

2461

01:21:39,990 --> 01:21:38,400

have at it but you're not gonna sue me

2462

01:21:41,590 --> 01:21:40,000

personally you're gonna sue my company

2463

01:21:43,590 --> 01:21:41,600

which produces my show

2464

01:21:44,790 --> 01:21:43,600

you know good luck good luck with that

2465

01:21:47,110 --> 01:21:44,800

because you know

2466

01:21:48,149 --> 01:21:47,120

if push comes to shove i i there's

2467

01:21:50,310 --> 01:21:48,159

there's certainly a lot

2468

01:21:51,590 --> 01:21:50,320

more things you can do if you have the

2469

01:21:52,790 --> 01:21:51,600

company in front of you and i would

2470

01:21:54,070 --> 01:21:52,800

encourage you to look into doing that

2471

01:21:55,669 --> 01:21:54,080

it's only a couple hundred dollars to

2472

01:21:57,510 --> 01:21:55,679

register an llc just so you have the

2473

01:22:00,149 --> 01:21:57,520

protection and the peace of mind

2474

01:22:00,790 --> 01:22:00,159

that they can never you know uh some of

2475

01:22:02,550 --> 01:22:00,800

these

2476

01:22:04,229 --> 01:22:02,560

crazy people suing everybody are

2477

01:22:05,830 --> 01:22:04,239

basically telling people that they want

2478

01:22:07,990 --> 01:22:05,840

to take their retirement money they want

2479

01:22:09,030 --> 01:22:08,000

to take their houses their cars their

2480

01:22:11,110 --> 01:22:09,040

assets

2481

01:22:12,070 --> 01:22:11,120

and that's a crazy situation but if you

2482

01:22:14,229 --> 01:22:12,080

have a

2483

01:22:15,110 --> 01:22:14,239

corporate entity in place that you work

2484

01:22:17,669 --> 01:22:15,120

for

2485

01:22:19,270 --> 01:22:17,679

they can only get to the corporate side

2486

01:22:21,750 --> 01:22:19,280

of things not your personal

2487

01:22:23,189 --> 01:22:21,760

you know i i i'm surprised if someone

2488

01:22:25,189 --> 01:22:23,199

hasn't done it already that

2489

01:22:27,510 --> 01:22:25,199

that someone hasn't like turned david

2490

01:22:29,510 --> 01:22:27,520

wilcox stuff into the irs

2491

01:22:31,350 --> 01:22:29,520

for the fraud that he's running you know

2492

01:22:33,430 --> 01:22:31,360

well you know it's interesting i

2493

01:22:35,350 --> 01:22:33,440

uh requested the 990 forms and he's

2494

01:22:38,550 --> 01:22:35,360

required by law to give them to me

2495

01:22:41,110 --> 01:22:38,560

the 2018 is on the irs.gov website but

2496

01:22:43,270 --> 01:22:41,120

the 2019 and the 2020 are not

2497

01:22:45,350 --> 01:22:43,280

which basically can mean one of two

2498

01:22:46,870 --> 01:22:45,360

things either he filed extensions or he

2499

01:22:49,350 --> 01:22:46,880

never filed them

2500

01:22:50,470 --> 01:22:49,360

and uh nearest to my understanding of

2501

01:22:52,229 --> 01:22:50,480

the way the law works

2502

01:22:53,910 --> 01:22:52,239

any member of the public can go to a

2503

01:22:56,629 --> 01:22:53,920

charity and say i'd like

2504

01:22:57,270 --> 01:22:56,639

copies of your 990 yeah they legally

2505

01:22:58,870 --> 01:22:57,280

give it to you

2506

01:23:01,030 --> 01:22:58,880

they have to they have 30 days to

2507

01:23:02,870 --> 01:23:01,040

provide it for you and i've done that

2508

01:23:05,270 --> 01:23:02,880

several times i've even called their

2509

01:23:07,910 --> 01:23:05,280

accounting firm listed on their

2510

01:23:09,510 --> 01:23:07,920

charity paperwork and said i want copies

2511

01:23:11,990 --> 01:23:09,520

of them and so far

2512

01:23:13,270 --> 01:23:12,000

nobody's given me copies so the only

2513

01:23:14,790 --> 01:23:13,280

next step that i have

2514

01:23:17,669 --> 01:23:14,800

is that i could file a complaint with

2515

01:23:19,669 --> 01:23:17,679

the irs for their lack of compliance

2516

01:23:21,030 --> 01:23:19,679

but you know i would be an act of

2517

01:23:22,629 --> 01:23:21,040

terrorism stephen

2518

01:23:25,030 --> 01:23:22,639

exactly why i'm on the fence because i

2519

01:23:27,110 --> 01:23:25,040

don't know that's pretty aggressive act

2520

01:23:28,870 --> 01:23:27,120

so we're i'm just in limbo waiting for

2521

01:23:30,149 --> 01:23:28,880

these 990 forms i think it's in the

2522

01:23:32,950 --> 01:23:30,159

public's

2523

01:23:35,189 --> 01:23:32,960

interest to know how much money is david

2524

01:23:37,030 --> 01:23:35,199

wilcock collecting with his charity

2525

01:23:39,270 --> 01:23:37,040

and what is he spending the money on

2526

01:23:40,149 --> 01:23:39,280

that's why these federal laws are in

2527

01:23:41,910 --> 01:23:40,159

place

2528

01:23:44,310 --> 01:23:41,920

surrounding charities for the

2529

01:23:44,790 --> 01:23:44,320

transparency so he's collecting all this

2530

01:23:47,990 --> 01:23:44,800

money

2531

01:23:49,510 --> 01:23:48,000

and he refuses to give the legal forms

2532

01:23:50,629 --> 01:23:49,520

showing where the money's going or how

2533

01:23:53,270 --> 01:23:50,639

much he collected

2534

01:23:54,229 --> 01:23:53,280

just an example in 2018 when he started

2535

01:23:57,510 --> 01:23:54,239

that it was only

2536

01:23:59,430 --> 01:23:57,520

it was only up for five months of 2018.

2537

01:24:00,790 --> 01:23:59,440

he collected almost a hundred thousand

2538

01:24:04,310 --> 01:24:00,800

dollars

2539

01:24:06,149 --> 01:24:04,320

in five months and

2540

01:24:07,350 --> 01:24:06,159

he didn't do much with the money except

2541

01:24:08,950 --> 01:24:07,360

spend it on himself

2542

01:24:11,270 --> 01:24:08,960

near as i could tell from the form that

2543

01:24:13,189 --> 01:24:11,280

i do have he spent it on you know

2544

01:24:14,790 --> 01:24:13,199

i don't know five was it ten thousand

2545

01:24:16,470 --> 01:24:14,800

dollars on equipment and software

2546

01:24:18,070 --> 01:24:16,480

five thousand dollars on meals and

2547

01:24:19,990 --> 01:24:18,080

entertainment

2548

01:24:22,310 --> 01:24:20,000

you know i don't know about you ryan but

2549

01:24:24,709 --> 01:24:22,320

like i have a family of four

2550

01:24:26,470 --> 01:24:24,719

and i did not spend five thousand

2551

01:24:28,310 --> 01:24:26,480

dollars on take out meals and

2552

01:24:29,350 --> 01:24:28,320

entertainment last year for a family of

2553

01:24:31,110 --> 01:24:29,360

four

2554

01:24:33,669 --> 01:24:31,120

we didn't spend anywhere near that i

2555

01:24:35,750 --> 01:24:33,679

mean we cook at home you know

2556

01:24:37,430 --> 01:24:35,760

yeah and i do too and i've uh i've told

2557

01:24:38,390 --> 01:24:37,440

people on my show the secret teachings

2558

01:24:40,070 --> 01:24:38,400

that i

2559

01:24:42,310 --> 01:24:40,080

live i've told people what basically

2560

01:24:44,790 --> 01:24:42,320

what i live on i live like

2561

01:24:46,550 --> 01:24:44,800

underneath the poverty line i live under

2562

01:24:51,030 --> 01:24:46,560

like fifteen thousand dollars a year

2563

01:24:54,950 --> 01:24:53,110

well i certainly feel better about my

2564

01:24:57,510 --> 01:24:54,960

wealth now thank you

2565

01:24:58,070 --> 01:24:57,520

i am cable cause i am poor but i ain't

2566

01:24:59,830 --> 01:24:58,080

that poor

2567

01:25:01,189 --> 01:24:59,840

brother that's right well see i tell

2568

01:25:02,629 --> 01:25:01,199

people that because it's like if i can

2569

01:25:03,430 --> 01:25:02,639

do what i'm doing with that kind of

2570

01:25:04,870 --> 01:25:03,440

money

2571

01:25:06,629 --> 01:25:04,880

what what could this guy be doing with

2572

01:25:08,550 --> 01:25:06,639

the kind of money that he's got you know

2573

01:25:10,629 --> 01:25:08,560

exactly where's that money you know

2574

01:25:12,149 --> 01:25:10,639

i should mention yeah i'm always honest

2575

01:25:14,790 --> 01:25:12,159

with my audience the reason

2576

01:25:16,790 --> 01:25:14,800

that i'm not at the poverty level is

2577

01:25:19,189 --> 01:25:16,800

because of my wonderful wife

2578

01:25:20,709 --> 01:25:19,199

that's the only thing saving me she's

2579

01:25:23,830 --> 01:25:20,719

got a great job

2580

01:25:26,629 --> 01:25:23,840

lovely woman great mom great wife

2581

01:25:27,590 --> 01:25:26,639

uh other if i was solo i would be in the

2582

01:25:29,669 --> 01:25:27,600

same situation

2583

01:25:30,709 --> 01:25:29,679

you were like me yeah yeah i would be

2584

01:25:32,629 --> 01:25:30,719

yeah i'm right on

2585

01:25:35,510 --> 01:25:32,639

yeah as far as incoming probably worse

2586

01:25:38,629 --> 01:25:35,520

than you right now

2587

01:25:39,030 --> 01:25:38,639

it's rough out there right now i i

2588

01:25:40,950 --> 01:25:39,040

thought

2589

01:25:42,390 --> 01:25:40,960

how is it possible that's because i was

2590

01:25:44,470 --> 01:25:42,400

looking at it logical

2591

01:25:46,070 --> 01:25:44,480

stupid me i was looking at this stuff

2592

01:25:47,030 --> 01:25:46,080

logical when i first came across the

2593

01:25:48,950 --> 01:25:47,040

wilcock crap

2594

01:25:50,629 --> 01:25:48,960

i was thinking like well i don't make

2595

01:25:52,470 --> 01:25:50,639

more than twenty thousand dollars a year

2596

01:25:55,030 --> 01:25:52,480

how can i travel to conferences

2597

01:25:56,229 --> 01:25:55,040

and do radio and do all the stuff that i

2598

01:25:57,990 --> 01:25:56,239

do and you know have a good

2599

01:26:00,149 --> 01:25:58,000

have basically have a good life in terms

2600

01:26:01,430 --> 01:26:00,159

of what i do on that kind of money and

2601

01:26:03,350 --> 01:26:01,440

this guy's on youtube

2602

01:26:05,189 --> 01:26:03,360

getting like thousand dollar super chats

2603

01:26:06,709 --> 01:26:05,199

and complaining that he has no money

2604

01:26:09,030 --> 01:26:06,719

and that the cabal is trying to bring

2605

01:26:11,030 --> 01:26:09,040

him down

2606

01:26:12,310 --> 01:26:11,040

he's being stalked and they're leaving

2607

01:26:15,350 --> 01:26:12,320

bullets on its counter

2608

01:26:17,030 --> 01:26:15,360

how can this guy not get by yeah you're

2609

01:26:18,790 --> 01:26:17,040

right and they spend money like rock

2610

01:26:20,870 --> 01:26:18,800

stars apparently from several

2611

01:26:22,070 --> 01:26:20,880

different insider sources have revealed

2612

01:26:25,110 --> 01:26:22,080

they these guys

2613

01:26:27,910 --> 01:26:25,120

spend money like rock stores you know

2614

01:26:29,030 --> 01:26:27,920

who's the guy steven that had the bullet

2615

01:26:31,110 --> 01:26:29,040

that's emery smith

2616

01:26:33,189 --> 01:26:31,120

that was emery yeah yeah and that was

2617

01:26:33,510 --> 01:26:33,199

all manufactured garbage according to

2618

01:26:36,229 --> 01:26:33,520

his

2619

01:26:38,070 --> 01:26:36,239

uh one-time father-in-law i've got i've

2620

01:26:39,750 --> 01:26:38,080

got some like 38 rounds in the other

2621

01:26:41,030 --> 01:26:39,760

room i can just bring one and just sit

2622

01:26:43,110 --> 01:26:41,040

down

2623

01:26:45,350 --> 01:26:43,120

take a picture i'm gonna do that i'm

2624

01:26:47,030 --> 01:26:45,360

gonna put one outside my front door

2625

01:26:49,030 --> 01:26:47,040

and then i'm gonna say i'm under deep

2626

01:26:49,750 --> 01:26:49,040

state attack they're trying to stop my

2627

01:26:51,350 --> 01:26:49,760

show

2628

01:26:53,110 --> 01:26:51,360

they don't want the truth getting out so

2629

01:26:54,870 --> 01:26:53,120

you got to send me some money

2630

01:26:56,550 --> 01:26:54,880

did you hear the one i mean i'm just

2631

01:26:57,830 --> 01:26:56,560

reminiscing with you at this point did

2632

01:26:59,669 --> 01:26:57,840

you hear the one

2633

01:27:01,110 --> 01:26:59,679

it's almost like it's it's like a comedy

2634

01:27:03,430 --> 01:27:01,120

show or something like remember that

2635

01:27:06,149 --> 01:27:03,440

episode

2636

01:27:07,430 --> 01:27:06,159

yeah yeah it's a who would have ever

2637

01:27:10,629 --> 01:27:07,440

thought too

2638

01:27:13,189 --> 01:27:10,639

uh ryan and that like just

2639

01:27:14,149 --> 01:27:13,199

listening to these guys and the crazy

2640

01:27:16,629 --> 01:27:14,159

[h\_\_\h] they say

2641

01:27:17,990 --> 01:27:16,639

and stopping it and joking about it or

2642

01:27:21,030 --> 01:27:18,000

commenting on how stupid

2643

01:27:23,590 --> 01:27:21,040

it is or ridiculous or unplausible or un

2644

01:27:25,590 --> 01:27:23,600

impossible that this is real would

2645

01:27:27,270 --> 01:27:25,600

become like a form of entertainment for

2646

01:27:30,310 --> 01:27:27,280

people like people coming to watch

2647

01:27:31,189 --> 01:27:30,320

me just say look at this [h\_\_\h] this [h\_\_\h]

2648

01:27:33,590 --> 01:27:31,199

is crazy

2649

01:27:35,750 --> 01:27:33,600

you know and back to your point though

2650

01:27:39,189 --> 01:27:35,760

about the money situation with him

2651  
01:27:42,950 --> 01:27:39,199  
you know mr spiritual guru collecting

2652  
01:27:45,510 --> 01:27:42,960  
apparently tens or hundreds of thousands

2653  
01:27:47,990 --> 01:27:45,520  
of dollars in charitable donations

2654  
01:27:49,270 --> 01:27:48,000  
and what for the last three years has

2655  
01:27:51,189 --> 01:27:49,280  
has charity done

2656  
01:27:53,189 --> 01:27:51,199  
for people they put a bunch of other

2657  
01:27:55,990 --> 01:27:53,199  
charities on their website

2658  
01:27:57,910 --> 01:27:56,000  
elizabeth made a video about elephants

2659  
01:28:00,950 --> 01:27:57,920  
and what about sloths

2660  
01:28:03,270 --> 01:28:00,960  
and that got like 600 views each

2661  
01:28:05,030 --> 01:28:03,280  
that's all they've done that i can find

2662  
01:28:06,870 --> 01:28:05,040  
out that's all that i can find that

2663  
01:28:09,750 --> 01:28:06,880

they've actually done

2664

01:28:11,510 --> 01:28:09,760

they made two youtube videos two youtube

2665

01:28:13,030 --> 01:28:11,520

videos or three maybe

2666

01:28:14,629 --> 01:28:13,040

about the charities they're saying they

2667

01:28:16,950 --> 01:28:14,639

support that they don't actually send

2668

01:28:19,669 --> 01:28:16,960

any money to they just put the button

2669

01:28:21,590 --> 01:28:19,679

so other you know when you're done

2670

01:28:23,990 --> 01:28:21,600

donating to our charity give them

2671

01:28:25,350 --> 01:28:24,000

some money directly are you sure it goes

2672

01:28:25,669 --> 01:28:25,360

to those charities have you clicked on

2673

01:28:29,110 --> 01:28:25,679

it

2674

01:28:31,830 --> 01:28:29,120

they did

2675

01:28:32,550 --> 01:28:31,840

they have a list on their charity site

2676

01:28:34,310 --> 01:28:32,560

that says

2677

01:28:35,669 --> 01:28:34,320

these are the charities we support and

2678

01:28:37,590 --> 01:28:35,679

then they list each charity

2679

01:28:40,149 --> 01:28:37,600

and then it says direct donation and

2680

01:28:42,470 --> 01:28:40,159

when you click the direct donation

2681

01:28:43,910 --> 01:28:42,480

you are donating directly to those

2682

01:28:45,990 --> 01:28:43,920

organizations

2683

01:28:48,070 --> 01:28:46,000

but then at the bottom they say that the

2684

01:28:51,430 --> 01:28:48,080

money donated to their foundation

2685

01:28:54,709 --> 01:28:51,440

feeds animals and helps people

2686

01:28:55,990 --> 01:28:54,719

and i talked to at least several of the

2687

01:28:57,910 --> 01:28:56,000

organizations listed

2688

01:28:59,830 --> 01:28:57,920

and everyone that i've been able to get

2689

01:29:02,470 --> 01:28:59,840

on the phone so far has told me

2690

01:29:04,149 --> 01:29:02,480

that they do not get any direct money

2691

01:29:05,189 --> 01:29:04,159

from david and wilcox spiritual

2692

01:29:07,270 --> 01:29:05,199

foundation

2693

01:29:08,950 --> 01:29:07,280

they're just helping them advertise so

2694

01:29:10,310 --> 01:29:08,960

people can donate to maybe

2695

01:29:12,310 --> 01:29:10,320

maybe they're like feeding the

2696

01:29:15,030 --> 01:29:12,320

neighborhood cats or something

2697

01:29:15,430 --> 01:29:15,040

yeah and that would be like a that's a

2698

01:29:17,669 --> 01:29:15,440

very

2699

01:29:18,790 --> 01:29:17,679

honest statement we use this money to

2700

01:29:22,149 --> 01:29:18,800

feed animals

2701  
01:29:23,990 --> 01:29:22,159  
or feed like you said feed their own dog

2702  
01:29:26,070 --> 01:29:24,000  
i just think it's very deceptive to put

2703  
01:29:28,550 --> 01:29:26,080  
two animal charities up there

2704  
01:29:30,470 --> 01:29:28,560  
and then you say that the money that is

2705  
01:29:33,189 --> 01:29:30,480  
donated to our foundation helps feed

2706  
01:29:34,229 --> 01:29:33,199  
animals it's very deceptive i don't know

2707  
01:29:35,669 --> 01:29:34,239  
how anybody could give money i don't

2708  
01:29:37,110 --> 01:29:35,679  
care if it's a charity or not or if it's

2709  
01:29:38,070 --> 01:29:37,120  
a legitimate charity how you can give

2710  
01:29:41,270 --> 01:29:38,080  
money to or

2711  
01:29:43,030 --> 01:29:41,280  
through uh another site when the people

2712  
01:29:45,910 --> 01:29:43,040  
that run that site wilcox site

2713  
01:29:47,430 --> 01:29:45,920

have lied about virtually everything

2714

01:29:49,669 --> 01:29:47,440

since they've been

2715

01:29:50,470 --> 01:29:49,679

right i wouldn't want my charity listed

2716

01:29:53,510 --> 01:29:50,480

on theirs

2717

01:29:54,790 --> 01:29:53,520

no yeah do you remember when he talked

2718

01:29:57,750 --> 01:29:54,800

about the um

2719

01:29:59,510 --> 01:29:57,760

the tree falling in his yard oh yeah

2720

01:30:01,430 --> 01:29:59,520

that was a big sign from god

2721

01:30:02,870 --> 01:30:01,440

right yeah it was a big sign from god

2722

01:30:04,709 --> 01:30:02,880

and it just kind of like when i listened

2723

01:30:06,709 --> 01:30:04,719

to him talk about that he said something

2724

01:30:08,550 --> 01:30:06,719

like he's like this tree fell over

2725

01:30:10,149 --> 01:30:08,560

he's like it was just a huge disaster

2726

01:30:12,070 --> 01:30:10,159

sticks hit the window

2727

01:30:13,910 --> 01:30:12,080

and there was just a huge mess of like

2728

01:30:16,390 --> 01:30:13,920

brush and leaves

2729

01:30:17,510 --> 01:30:16,400

and and like branches in my yard and i

2730

01:30:19,350 --> 01:30:17,520

was thinking like

2731

01:30:21,030 --> 01:30:19,360

where i was living at the time a

2732

01:30:22,550 --> 01:30:21,040

lightning struck a tree and knocked the

2733

01:30:23,750 --> 01:30:22,560

tree down i was living in just like a

2734

01:30:26,070 --> 01:30:23,760

[h\_\_\h] apartment

2735

01:30:27,350 --> 01:30:26,080

in near downtown rochester you could see

2736

01:30:29,350 --> 01:30:27,360

through the floorboards into the

2737

01:30:31,350 --> 01:30:29,360

basement

2738

01:30:33,350 --> 01:30:31,360

there's just trash in this trash in the

2739

01:30:35,110 --> 01:30:33,360

street and this guy's upset because he's

2740

01:30:37,350 --> 01:30:35,120

got some branches in his yard

2741

01:30:38,149 --> 01:30:37,360

i mean that shows you that that's the

2742

01:30:41,270 --> 01:30:38,159

level

2743

01:30:42,390 --> 01:30:41,280

of ego and narcissism and psychosis of

2744

01:30:44,870 --> 01:30:42,400

david wilcock

2745

01:30:45,830 --> 01:30:44,880

his giant mansion there's from branches

2746

01:30:49,350 --> 01:30:45,840

in his yard

2747

01:30:51,750 --> 01:30:49,360

you know yeah absolutely yeah and

2748

01:30:52,390 --> 01:30:51,760

and to the point about the charity is

2749

01:30:55,030 --> 01:30:52,400

i'm all

2750

01:30:56,470 --> 01:30:55,040

i just want people to understand and let

2751  
01:30:59,510 --> 01:30:56,480  
me be very clear about this

2752  
01:31:00,629 --> 01:30:59,520  
i'm all for charity if it's a good

2753  
01:31:02,550 --> 01:31:00,639  
charity that actually

2754  
01:31:04,229 --> 01:31:02,560  
does something good for the community

2755  
01:31:05,750 --> 01:31:04,239  
you know charities are great there's

2756  
01:31:07,830 --> 01:31:05,760  
charities that feed the homeless

2757  
01:31:09,669 --> 01:31:07,840  
there's charities that help veterans but

2758  
01:31:10,070 --> 01:31:09,679  
they're not doing anything that we can

2759  
01:31:11,830 --> 01:31:10,080  
see

2760  
01:31:13,350 --> 01:31:11,840  
with any of this money other than paying

2761  
01:31:14,390 --> 01:31:13,360  
for their [h\_\_\h] mansion and that

2762  
01:31:17,590 --> 01:31:14,400  
bothers me

2763  
01:31:19,830 --> 01:31:17,600

love to see i'd love to

2764

01:31:22,070 --> 01:31:19,840

uh and i invite him i'll i'll find some

2765

01:31:22,790 --> 01:31:22,080

charities around where he lives i'll fly

2766

01:31:25,270 --> 01:31:22,800

in

2767

01:31:26,870 --> 01:31:25,280

and we'll go work at a soup kitchen for

2768

01:31:28,390 --> 01:31:26,880

the day together and we'll talk about

2769

01:31:29,750 --> 01:31:28,400

our disagreements

2770

01:31:31,669 --> 01:31:29,760

i'd be willing to do that with david

2771

01:31:33,750 --> 01:31:31,679

wilcock let's go feed the homeless

2772

01:31:34,870 --> 01:31:33,760

together spirit guru guy that talks to

2773

01:31:37,910 --> 01:31:34,880

jesus

2774

01:31:39,910 --> 01:31:37,920

is he gonna do that [h\_\_h] no no

2775

01:31:41,430 --> 01:31:39,920

[h\_\_h] no he's not gonna go feed the

2776

01:31:44,550 --> 01:31:41,440

homeless with me

2777

01:31:47,750 --> 01:31:44,560

he's not gonna go you know help uh

2778

01:31:48,470 --> 01:31:47,760

shelter animals with me or anything that

2779

01:31:50,790 --> 01:31:48,480

has

2780

01:31:53,189 --> 01:31:50,800

social value he's just gonna take that

2781

01:31:55,990 --> 01:31:53,199

money and maybe buy a new mansion

2782

01:31:57,590 --> 01:31:56,000

right new hundred thousand dollar cars

2783

01:31:58,229 --> 01:31:57,600

didn't you say he has another mansion

2784

01:32:01,350 --> 01:31:58,239

didn't you guys

2785

01:32:04,470 --> 01:32:01,360

i believe i believe i believe i found

2786

01:32:08,310 --> 01:32:04,480

two of them i believe that

2787

01:32:10,070 --> 01:32:08,320

he owns the one log cabin mansion

2788

01:32:11,350 --> 01:32:10,080

that's a million dollar mansion and then

2789

01:32:14,070 --> 01:32:11,360

he rents at least

2790

01:32:15,830 --> 01:32:14,080

one other million dollar home well i

2791

01:32:17,590 --> 01:32:15,840

think the one he rents was the one he

2792

01:32:20,070 --> 01:32:17,600

claimed was his studio

2793

01:32:20,950 --> 01:32:20,080

to do the six camera angle videos for

2794

01:32:23,030 --> 01:32:20,960

youtube

2795

01:32:24,070 --> 01:32:23,040

there you go that could be the mansion

2796

01:32:27,590 --> 01:32:24,080

that he rents

2797

01:32:28,870 --> 01:32:27,600

for so when you idiots donate to his

2798

01:32:30,629 --> 01:32:28,880

charity

2799

01:32:32,470 --> 01:32:30,639

that's another thing he does with a

2800

01:32:34,629 --> 01:32:32,480

charity money he rents

2801

01:32:35,990 --> 01:32:34,639

a million dollar mansion to do his

2802

01:32:38,709 --> 01:32:36,000

youtube videos from

2803

01:32:40,550 --> 01:32:38,719

meanwhile i'm in this tiny little office

2804

01:32:42,070 --> 01:32:40,560

and if i pan the camera back it would be

2805

01:32:43,669 --> 01:32:42,080

embarrassing there's like it looks like

2806

01:32:46,790 --> 01:32:43,679

a frat house in here there's like

2807

01:32:47,189 --> 01:32:46,800

beer cans and pizza boxes and [h\_\_h] and

2808

01:32:49,910 --> 01:32:47,199

this

2809

01:32:51,430 --> 01:32:49,920

dude needs a million dollar mansion to

2810

01:32:53,510 --> 01:32:51,440

do his show from

2811

01:32:55,189 --> 01:32:53,520

six camera angles and a forty thousand

2812

01:32:57,669 --> 01:32:55,199

dollar crystal on the table behind him

2813

01:32:59,350 --> 01:32:57,679

you ever seen how much

2814

01:33:01,189 --> 01:32:59,360

yeah that's what he's doing with the

2815

01:33:01,990 --> 01:33:01,199

money he's buying forty thousand dollar

2816

01:33:03,110 --> 01:33:02,000

crystals

2817

01:33:05,110 --> 01:33:03,120

maybe that's what he's doing with the

2818

01:33:06,709 --> 01:33:05,120

money i don't know yeah

2819

01:33:08,229 --> 01:33:06,719

well you know that another thing is i'm

2820

01:33:09,350 --> 01:33:08,239

curious what you think what do you think

2821

01:33:10,950 --> 01:33:09,360

about him

2822

01:33:13,270 --> 01:33:10,960

and that weird like business

2823

01:33:18,550 --> 01:33:13,280

relationship he has with with elizabeth

2824

01:33:23,910 --> 01:33:21,669

put the slider put the slider yeah this

2825

01:33:25,110 --> 01:33:23,920

angle thanks for holding up those papers

2826

01:33:26,950 --> 01:33:25,120

while i'm trying to speak

2827

01:33:28,390 --> 01:33:26,960

she's holding up the cue cards he's like

2828

01:33:32,870 --> 01:33:28,400

thanks for holding the paper in my face

2829

01:33:36,070 --> 01:33:34,390

yeah and then he tells her when she's

2830

01:33:37,669 --> 01:33:36,080

allowed to talk too

2831

01:33:39,350 --> 01:33:37,679

you know yeah you want to comment on

2832

01:33:42,550 --> 01:33:39,360

that

2833

01:33:44,709 --> 01:33:42,560

all right like i was saying yeah yeah

2834

01:33:46,790 --> 01:33:44,719

it seems to me like you know it's like

2835

01:33:48,229 --> 01:33:46,800

that it's it's very uncomfortable

2836

01:33:50,390 --> 01:33:48,239

watching them to interact

2837

01:33:52,070 --> 01:33:50,400

because it makes me think that like

2838

01:33:53,830 --> 01:33:52,080

she's suffering some kind of at least

2839

01:33:55,910 --> 01:33:53,840

psychological abuse

2840

01:33:57,910 --> 01:33:55,920

you know or something and it's what's

2841

01:33:59,110 --> 01:33:57,920

funny is she's supposed to be a woman

2842

01:34:02,310 --> 01:33:59,120

warrior

2843

01:34:04,470 --> 01:34:02,320

dude if i talk to my if i talk to my

2844

01:34:06,470 --> 01:34:04,480

wife the way that i've seen him do

2845

01:34:08,149 --> 01:34:06,480

dude she would punch me in the face

2846

01:34:09,350 --> 01:34:08,159

that's the kind of woman i'm married to

2847

01:34:11,669 --> 01:34:09,360

she would punch me in the face

2848

01:34:12,390 --> 01:34:11,679

that's a woman warrior not a fake woman

2849

01:34:16,149 --> 01:34:12,400

warrior

2850

01:34:18,310 --> 01:34:16,159

with fake she's got fake kung fu belts

2851  
01:34:19,750 --> 01:34:18,320  
there's no such thing as belts and kung

2852  
01:34:22,310 --> 01:34:19,760  
fu you dummy

2853  
01:34:24,550 --> 01:34:22,320  
she's got five black belts and kung fu

2854  
01:34:25,030 --> 01:34:24,560  
except there's no black belts and kung

2855  
01:34:29,030 --> 01:34:25,040  
fu

2856  
01:34:31,270 --> 01:34:29,040  
who gave her her black belts

2857  
01:34:32,229 --> 01:34:31,280  
her husband the one she had before

2858  
01:34:34,310 --> 01:34:32,239  
welcome

2859  
01:34:35,270 --> 01:34:34,320  
she's got so she's got five black belts

2860  
01:34:37,110 --> 01:34:35,280  
in kung fu

2861  
01:34:38,629 --> 01:34:37,120  
and i remember reading her bio at

2862  
01:34:39,430 --> 01:34:38,639  
contact in the desert and then on her

2863  
01:34:41,510 --> 01:34:39,440

website

2864

01:34:42,790 --> 01:34:41,520

it was like a long this is what laura

2865

01:34:44,550 --> 01:34:42,800

eisenhower and all these people do it's

2866

01:34:47,430 --> 01:34:44,560

like a long list of buzzwords like

2867

01:34:49,750 --> 01:34:47,440

labeling a youtube video or something

2868

01:34:50,709 --> 01:34:49,760

amazonian warrior priestess goddess

2869

01:34:53,750 --> 01:34:50,719

lioness

2870

01:34:57,270 --> 01:34:53,760

of light you get

2871

01:35:00,629 --> 01:34:57,280

quantum you gotta throw quantum condom

2872

01:35:01,350 --> 01:35:00,639

priestess yes she's taking i noticed

2873

01:35:03,750 --> 01:35:01,360

this

2874

01:35:04,870 --> 01:35:03,760

uh on when she somehow i get these like

2875

01:35:06,950 --> 01:35:04,880

emails from some

2876

01:35:08,870 --> 01:35:06,960

conferences and groups and i get corey

2877

01:35:09,830 --> 01:35:08,880

good emails and i get elizabeth wilcock

2878

01:35:11,350 --> 01:35:09,840

email still

2879

01:35:13,510 --> 01:35:11,360

and i got one from her it was like the

2880

01:35:14,629 --> 01:35:13,520

lioness priestess goddess temple of

2881

01:35:15,910 --> 01:35:14,639

light organization

2882

01:35:17,910 --> 01:35:15,920

is what it was called that was like the

2883

01:35:19,910 --> 01:35:17,920

name of it

2884

01:35:22,229 --> 01:35:19,920

and it was it was specifically targeted

2885

01:35:24,149 --> 01:35:22,239

at women so i'm thinking like her griff

2886

01:35:26,950 --> 01:35:24,159

she's getting the new age soccer moms

2887

01:35:28,550 --> 01:35:26,960

involved david wilcox going after the

2888

01:35:30,390 --> 01:35:28,560

people that can't think for themselves

2889

01:35:32,229 --> 01:35:30,400

mostly primarily men

2890

01:35:35,350 --> 01:35:32,239

and they're just together they're just

2891

01:35:37,750 --> 01:35:35,360

like a con family

2892

01:35:38,470 --> 01:35:37,760

the con heads i call them the con heads

2893

01:35:42,149 --> 01:35:38,480

they just rip

2894

01:35:44,950 --> 01:35:42,159

everybody out it could be

2895

01:35:45,990 --> 01:35:44,960

i mean look i'm sure there's value in

2896

01:35:49,350 --> 01:35:46,000

some courses

2897

01:35:50,870 --> 01:35:49,360

that are designed or or or offering to

2898

01:35:53,510 --> 01:35:50,880

empower women

2899

01:35:54,070 --> 01:35:53,520

but i just don't see some girl with five

2900

01:35:56,229 --> 01:35:54,080

fake

2901

01:35:58,070 --> 01:35:56,239

kung fu belts as being an incredible

2902

01:36:00,310 --> 01:35:58,080

person to teach that class

2903

01:36:02,550 --> 01:36:00,320

and and you know this is crude but like

2904

01:36:04,149 --> 01:36:02,560

if you've had to [h\_\_\h] the guy that gave

2905

01:36:06,070 --> 01:36:04,159

you the black belts

2906

01:36:07,510 --> 01:36:06,080

then maybe those black belts are not

2907

01:36:09,990 --> 01:36:07,520

worth very much

2908

01:36:11,750 --> 01:36:10,000

and and she reminds me of like the girl

2909

01:36:12,470 --> 01:36:11,760

like the groupie girl that [h\_\_\h] the

2910

01:36:16,070 --> 01:36:12,480

wrong

2911

01:36:17,830 --> 01:36:16,080

guy you know like she blew some dude to

2912

01:36:19,669 --> 01:36:17,840

get backstage and then figured out that

2913

01:36:21,830 --> 01:36:19,679

he couldn't get her backstage

2914

01:36:23,030 --> 01:36:21,840

you know like she had a [h\_\_h] dude

2915

01:36:24,709 --> 01:36:23,040

together she was

2916

01:36:26,229 --> 01:36:24,719

[h\_\_h] the guy that was giving her the

2917

01:36:29,590 --> 01:36:26,239

black belts

2918

01:36:30,790 --> 01:36:29,600

that aren't real you know yeah she's

2919

01:36:32,390 --> 01:36:30,800

like blowing somebody who's

2920

01:36:35,109 --> 01:36:32,400

who's like an audience member pretending

2921

01:36:37,830 --> 01:36:35,119

to be a security guard

2922

01:36:38,790 --> 01:36:37,840

yes and we do listen let's get off this

2923

01:36:41,910 --> 01:36:38,800

subject

2924

01:36:42,870 --> 01:36:41,920

that's good this is not good i i wish

2925

01:36:45,830 --> 01:36:42,880

the best work

2926

01:36:47,189 --> 01:36:45,840

i heard from this elephant guy uh i

2927

01:36:49,669 --> 01:36:47,199

think his name was the show

2928

01:36:50,310 --> 01:36:49,679

the chair yeah i talked to one of her he

2929

01:36:52,070 --> 01:36:50,320

was very

2930

01:36:54,470 --> 01:36:52,080

like genuine and he said i don't know

2931

01:36:56,229 --> 01:36:54,480

which even he said i don't know what

2932

01:36:58,310 --> 01:36:56,239

she's doing with david wilcock

2933

01:37:00,229 --> 01:36:58,320

i knew her before wilcox she's a great

2934

01:37:02,470 --> 01:37:00,239

girl i don't know what the hell

2935

01:37:03,590 --> 01:37:02,480

is going on with her you know and i

2936

01:37:06,629 --> 01:37:03,600

don't know her husband

2937

01:37:08,870 --> 01:37:06,639

nobody does so apparently like

2938

01:37:10,709 --> 01:37:08,880

the sense that i got is like when you

2939

01:37:12,310 --> 01:37:10,719

ever know somebody that like if they get

2940

01:37:13,990 --> 01:37:12,320

a new girlfriend

2941

01:37:15,750 --> 01:37:14,000

you're not allowed to hang out with them

2942

01:37:17,750 --> 01:37:15,760

anymore you know what i mean like that's

2943

01:37:19,669 --> 01:37:17,760

the sense that i got from him like

2944

01:37:21,189 --> 01:37:19,679

yeah well we used to be friends and we

2945

01:37:22,229 --> 01:37:21,199

used to be close but you know she

2946

01:37:25,590 --> 01:37:22,239

married this guy

2947

01:37:27,350 --> 01:37:25,600

you know david wilcox like the keith

2948

01:37:29,189 --> 01:37:27,360

ranierie of the new age movement and

2949

01:37:31,750 --> 01:37:29,199

she's like the allison mack

2950

01:37:33,510 --> 01:37:31,760

you know what i mean oh it's this whole

2951  
01:37:35,109 --> 01:37:33,520  
the whole situation is crazy but i agree

2952  
01:37:39,430 --> 01:37:35,119  
with you it's like the connie

2953  
01:37:41,030 --> 01:37:39,440  
you know the khan you family yeah

2954  
01:37:42,550 --> 01:37:41,040  
that's right i don't know what uh

2955  
01:37:44,550 --> 01:37:42,560  
getting those new way they're getting

2956  
01:37:47,830 --> 01:37:44,560  
those new age dollars brother

2957  
01:37:48,709 --> 01:37:47,840  
and now wilcox going back to channeling

2958  
01:37:51,910 --> 01:37:48,719  
right

2959  
01:37:53,590 --> 01:37:51,920  
they found a way to to merge like

2960  
01:37:55,189 --> 01:37:53,600  
if it was some kind of like super

2961  
01:37:57,109 --> 01:37:55,199  
advanced technology like

2962  
01:37:59,669 --> 01:37:57,119  
cold fusion like they've had a

2963  
01:38:01,590 --> 01:37:59,679

breakthrough in like psychological

2964

01:38:02,950 --> 01:38:01,600

manipulation and conning they found a

2965

01:38:06,229 --> 01:38:02,960

way to merge like

2966

01:38:07,189 --> 01:38:06,239

hardcore extremist political views with

2967

01:38:10,149 --> 01:38:07,199

aliens

2968

01:38:12,390 --> 01:38:10,159

new age communities and ufo cults and

2969

01:38:14,390 --> 01:38:12,400

they just bring it all together

2970

01:38:16,390 --> 01:38:14,400

under this one giant con that they call

2971

01:38:17,350 --> 01:38:16,400

the alliance versus the deep state which

2972

01:38:19,030 --> 01:38:17,360

apparently

2973

01:38:21,270 --> 01:38:19,040

where they merge the politics with the

2974

01:38:22,629 --> 01:38:21,280

aliens apparently the deep state also

2975

01:38:24,550 --> 01:38:22,639

involves aliens

2976

01:38:26,870 --> 01:38:24,560

and then they've got like galactic

2977

01:38:28,070 --> 01:38:26,880

galactic federations yeah they've mixed

2978

01:38:30,709 --> 01:38:28,080

and matched it

2979

01:38:32,149 --> 01:38:30,719

i think if if if you were to think stop

2980

01:38:33,750 --> 01:38:32,159

and think about it you've got to give

2981

01:38:35,750 --> 01:38:33,760

some of them credit for that

2982

01:38:37,109 --> 01:38:35,760

level of counting ability and the

2983

01:38:40,310 --> 01:38:37,119

realization that

2984

01:38:42,390 --> 01:38:40,320

look all these weird subcultures are too

2985

01:38:44,229 --> 01:38:42,400

small on their own to make

2986

01:38:45,430 --> 01:38:44,239

enough money so we're gonna bring

2987

01:38:47,030 --> 01:38:45,440

together

2988

01:38:49,270 --> 01:38:47,040

all these different disparate

2989

01:38:52,709 --> 01:38:49,280

subcultures that all have

2990

01:38:54,470 --> 01:38:52,719

you know uh similar beliefs or they're

2991

01:38:56,830 --> 01:38:54,480

open-minded enough to believe

2992

01:38:58,070 --> 01:38:56,840

some of this [h\_\_h] and just jam them

2993

01:39:03,750 --> 01:38:58,080

together

2994

01:39:04,390 --> 01:39:03,760

throw the ball throw them all you know

2995

01:39:05,669 --> 01:39:04,400

the meat

2996

01:39:07,030 --> 01:39:05,679

every once in a while like we'll talk

2997

01:39:07,590 --> 01:39:07,040

about the letter of the alphabet for a

2998

01:39:08,870 --> 01:39:07,600

while

2999

01:39:10,550 --> 01:39:08,880

then we'll talk about some alien

3000

01:39:12,310 --> 01:39:10,560

[h\_\_h] then we'll talk about some

3001

01:39:14,149 --> 01:39:12,320

ascension [h\_\_h]

3002

01:39:15,669 --> 01:39:14,159

it's almost like a con it's like a

3003

01:39:17,030 --> 01:39:15,679

conspiracy quilt

3004

01:39:18,790 --> 01:39:17,040

they've sewn all these different

3005

01:39:21,830 --> 01:39:18,800

narratives together and then they sell

3006

01:39:25,030 --> 01:39:21,840

you this this nice quilt but it's just

3007

01:39:26,790 --> 01:39:25,040

it's all a fraud absolutely

3008

01:39:28,629 --> 01:39:26,800

i think we can end on that i want to ask

3009

01:39:30,390 --> 01:39:28,639

you a serious question what is it about

3010

01:39:30,790 --> 01:39:30,400

wilcock and these people what what makes

3011

01:39:33,270 --> 01:39:30,800

you

3012

01:39:34,070 --> 01:39:33,280

talk about this is it just the the

3013

01:39:35,830 --> 01:39:34,080

conning

3014

01:39:37,510 --> 01:39:35,840

and and people being ripped off and not

3015

01:39:38,709 --> 01:39:37,520

knowing the behind the scenes stuff what

3016

01:39:39,430 --> 01:39:38,719

is it about this that makes you

3017

01:39:41,750 --> 01:39:39,440

interested

3018

01:39:43,510 --> 01:39:41,760

yeah i think i think i have some level

3019

01:39:44,229 --> 01:39:43,520

of fascination with the psychological

3020

01:39:46,629 --> 01:39:44,239

aspects of

3021

01:39:47,830 --> 01:39:46,639

all of this i'm interested in how people

3022

01:39:49,270 --> 01:39:47,840

can believe

3023

01:39:51,030 --> 01:39:49,280

the things that he's been saying

3024

01:39:52,470 --> 01:39:51,040

especially when he's been so wrong over

3025

01:39:54,709 --> 01:39:52,480

20 years and made up

3026

01:39:56,550 --> 01:39:54,719

such incredible stories that were so

3027

01:39:58,070 --> 01:39:56,560

fantastical and never came true and

3028

01:39:59,669 --> 01:39:58,080

never happened

3029

01:40:02,310 --> 01:39:59,679

but the other part of it is probably

3030

01:40:04,310 --> 01:40:02,320

like i consider a public service too

3031

01:40:05,910 --> 01:40:04,320

to like show people like look at this

3032

01:40:06,629 --> 01:40:05,920

[h\_\_h] like you're gonna give this guy

3033

01:40:09,030 --> 01:40:06,639

your money

3034

01:40:10,470 --> 01:40:09,040

really look at this [h\_\_h] some of this

3035

01:40:12,709 --> 01:40:10,480

[h\_\_h] does not look good especially

3036

01:40:14,470 --> 01:40:12,719

around the money situation

3037

01:40:16,870 --> 01:40:14,480

let me let me tell you that the last

3038

01:40:20,229 --> 01:40:16,880

thing he said about that mini nuke

3039

01:40:21,990 --> 01:40:20,239

would shrink cities

3040

01:40:23,669 --> 01:40:22,000

in a big i guess he said it makes a big

3041

01:40:24,629 --> 01:40:23,679

crater but it doesn't cause any

3042

01:40:26,149 --> 01:40:24,639

destruction

3043

01:40:27,910 --> 01:40:26,159

i i noticed two things about that

3044

01:40:29,990 --> 01:40:27,920

stephen one it's steve it's

3045

01:40:30,950 --> 01:40:30,000

very similar to that crap he said about

3046

01:40:33,350 --> 01:40:30,960

ascension

3047

01:40:34,629 --> 01:40:33,360

where he said even if you don't listen

3048

01:40:36,390 --> 01:40:34,639

to what he's saying

3049

01:40:38,149 --> 01:40:36,400

and you're not a part of the alliance

3050

01:40:39,350 --> 01:40:38,159

you're still going to go to a really

3051

01:40:41,350 --> 01:40:39,360

cool place

3052

01:40:43,430 --> 01:40:41,360

so like he's cut out anything where

3053

01:40:44,629 --> 01:40:43,440

there's punishment or destruction or

3054

01:40:47,669 --> 01:40:44,639

negativity

3055

01:40:49,030 --> 01:40:47,679

that's that new age crap then the other

3056

01:40:50,870 --> 01:40:49,040

stuff that he says

3057

01:40:52,870 --> 01:40:50,880

where i ca i think like there's no way

3058

01:40:54,390 --> 01:40:52,880

this guy can can beat the claim that the

3059

01:40:56,470 --> 01:40:54,400

kabbalah's

3060

01:40:58,229 --> 01:40:56,480

out of my car and then come from with a

3061

01:41:00,629 --> 01:40:58,239

mini nuke you know

3062

01:41:03,430 --> 01:41:00,639

i wonder if like i really think that

3063

01:41:06,470 --> 01:41:03,440

maybe there's something

3064

01:41:07,990 --> 01:41:06,480

it's almost like this guy is like it's

3065

01:41:09,990 --> 01:41:08,000

like a tv show

3066

01:41:12,070 --> 01:41:10,000

it's like a truman show it's like

3067

01:41:13,910 --> 01:41:12,080

someone's like financing and funding

3068

01:41:15,750 --> 01:41:13,920

this guy and writing the script and he's

3069

01:41:17,910 --> 01:41:15,760

performing it that's how surreal it

3070

01:41:19,669 --> 01:41:17,920

feels to me

3071

01:41:21,669 --> 01:41:19,679

i'm not saying that i'm not saying it

3072

01:41:24,149 --> 01:41:21,679

literally stephen i'm just saying like

3073

01:41:25,750 --> 01:41:24,159

but it could be though it could be it

3074

01:41:28,629 --> 01:41:25,760

absolutely could be

3075

01:41:28,950 --> 01:41:28,639

and if if people don't think that you

3076

01:41:30,790 --> 01:41:28,960

know

3077

01:41:32,390 --> 01:41:30,800

i i think it's given him too much credit

3078

01:41:33,030 --> 01:41:32,400

i really truly believe he's just a con

3079

01:41:34,870 --> 01:41:33,040

artist but

3080

01:41:36,550 --> 01:41:34,880

a lot of people have said that yeah like

3081

01:41:39,189 --> 01:41:36,560

there's some kind of government

3082

01:41:41,189 --> 01:41:39,199

agency running him and he goes out there

3083

01:41:44,070 --> 01:41:41,199

and makes everybody look ridiculous

3084

01:41:45,430 --> 01:41:44,080

that's researching secret space program

3085

01:41:47,669 --> 01:41:45,440

because before he

3086

01:41:49,990 --> 01:41:47,679

came and shat all over that it was a

3087

01:41:51,750 --> 01:41:50,000

really interesting field of research

3088

01:41:53,270 --> 01:41:51,760

and people were starting to find out

3089

01:41:54,870 --> 01:41:53,280

some stuff that the government was

3090

01:41:56,790 --> 01:41:54,880

hiding from us right

3091

01:41:59,189 --> 01:41:56,800

and then here comes this guy with this

3092

01:42:01,270 --> 01:41:59,199

fake secret space soldier

3093

01:42:03,109 --> 01:42:01,280

[h\_\_h] buck rogers in the form of corey

3094

01:42:05,030 --> 01:42:03,119

good and now

3095

01:42:06,310 --> 01:42:05,040

like when people talk about secret space

3096

01:42:07,910 --> 01:42:06,320

program they're not talking about the

3097

01:42:09,910 --> 01:42:07,920

real research they're talking about

3098

01:42:12,070 --> 01:42:09,920

this garbage and the same thing with

3099

01:42:14,390 --> 01:42:12,080

ufos like he tells so many ridiculous

3100

01:42:16,629 --> 01:42:14,400

stories about ufos that are all fake

3101

01:42:18,070 --> 01:42:16,639

he he claimed okay so this is the mini

3102

01:42:19,990 --> 01:42:18,080

nuke story he claimed that

3103

01:42:21,270 --> 01:42:20,000

the reason the chinese didn't drop the

3104

01:42:23,189 --> 01:42:21,280

mininu

3105

01:42:24,709 --> 01:42:23,199

and i mean many in quotations the mini

3106

01:42:25,270 --> 01:42:24,719

nuke it miniaturizes everything is

3107

01:42:27,990 --> 01:42:25,280

because

3108

01:42:28,550 --> 01:42:28,000

aliens shut it down and then he starts

3109

01:42:30,310 --> 01:42:28,560

citing

3110

01:42:32,629 --> 01:42:30,320

all these military stories from like the

3111

01:42:34,070 --> 01:42:32,639

cold war where you've got like ufos over

3112

01:42:36,070 --> 01:42:34,080

military bases now like that's all

3113

01:42:37,910 --> 01:42:36,080

declassified a lot of it and it's

3114

01:42:39,750 --> 01:42:37,920

though at least the people that saw them

3115

01:42:41,669 --> 01:42:39,760

were there it supposedly happened right

3116

01:42:43,510 --> 01:42:41,679

with the nuclear weapons being shut down

3117

01:42:45,669 --> 01:42:43,520

but that's like a story from the cold

3118

01:42:48,070 --> 01:42:45,679

war it has nothing to do with a nuclear

3119

01:42:51,189 --> 01:42:50,470

you throw out the one piece of fact and

3120

01:42:52,950 --> 01:42:51,199

then you

3121

01:42:55,350 --> 01:42:52,960

attack your [h\_\_h] on top of it and

3122

01:42:57,510 --> 01:42:55,360

then people will believe you ryan gable

3123

01:42:58,790 --> 01:42:57,520

i i got i got to show you something for

3124

01:42:59,990 --> 01:42:58,800

one second i'm going to go away from the

3125

01:43:00,470 --> 01:43:00,000

video i got to show you something i

3126  
01:43:03,030 --> 01:43:00,480  
found

3127  
01:43:04,070 --> 01:43:03,040  
you're going to love this okay it's show

3128  
01:43:06,950 --> 01:43:04,080  
and tell time here

3129  
01:43:07,590 --> 01:43:06,960  
show and tell i didn't pre i didn't go

3130  
01:43:09,510 --> 01:43:07,600  
get it

3131  
01:43:11,510 --> 01:43:09,520  
now it's quite all right now i'm going

3132  
01:43:14,790 --> 01:43:11,520  
to try to fill some dead air

3133  
01:43:16,709 --> 01:43:14,800  
uh while mr gable finds whatever it is

3134  
01:43:17,990 --> 01:43:16,719  
that he's looking for well that was fast

3135  
01:43:19,750 --> 01:43:18,000  
yeah it was right around the corner in

3136  
01:43:20,950 --> 01:43:19,760  
the the bookshelf so they have these

3137  
01:43:24,229 --> 01:43:20,960  
free libraries

3138  
01:43:26,950 --> 01:43:24,239

cities where you get

3139

01:43:28,390 --> 01:43:26,960

a book yeah library look what i found i

3140

01:43:31,030 --> 01:43:28,400

found a brand new copy

3141

01:43:32,550 --> 01:43:31,040

never been open of the source field in

3142

01:43:34,790 --> 01:43:32,560

one of these libraries

3143

01:43:36,229 --> 01:43:34,800

and i opened it up wilcox book and i'm

3144

01:43:38,470 --> 01:43:36,239

looking through it

3145

01:43:41,109 --> 01:43:38,480

and he's got like he's got sources in

3146

01:43:42,149 --> 01:43:41,119

here there's like 50 pages of sources

3147

01:43:44,669 --> 01:43:42,159

and notes

3148

01:43:46,149 --> 01:43:44,679

but it's from his own website like david

3149

01:43:48,629 --> 01:43:46,159

wilcock.com

3150

01:43:51,510 --> 01:43:48,639

uh david wilcock and what is this other

3151

01:43:54,149 --> 01:43:51,520

book the the 2000 2012 enigma

3152

01:43:55,590 --> 01:43:54,159

he's referencing his own books and his

3153

01:43:57,990 --> 01:43:55,600

own

3154

01:44:00,310 --> 01:43:58,000

website he's copying and pasting from

3155

01:44:02,390 --> 01:44:00,320

himself yeah dude that's the sources

3156

01:44:03,990 --> 01:44:02,400

he's co he's yeah he's he's copying and

3157

01:44:05,669 --> 01:44:04,000

pasting from his other books

3158

01:44:07,990 --> 01:44:05,679

and then referencing those as sources in

3159

01:44:10,070 --> 01:44:08,000

the new books well it gets better if you

3160

01:44:11,510 --> 01:44:10,080

copy any of his books into a plagiarism

3161

01:44:14,629 --> 01:44:11,520

checker you'll find that they're

3162

01:44:17,109 --> 01:44:14,639

they come back 50 to 60 plagiarized

3163

01:44:18,709 --> 01:44:17,119

so he also yeah so besides copying and

3164

01:44:20,550 --> 01:44:18,719

pasting his own [h\_\_h] from his

3165

01:44:21,189 --> 01:44:20,560

websites he copies and pastes a whole

3166

01:44:24,070 --> 01:44:21,199

bunch of stuff

3167

01:44:25,590 --> 01:44:24,080

out of everybody else's books dude this

3168

01:44:27,990 --> 01:44:25,600

literally says

3169

01:44:30,390 --> 01:44:28,000

his preference is referenced under

3170

01:44:31,590 --> 01:44:30,400

wilcock david 2012 enigma the

3171

01:44:33,470 --> 01:44:31,600

documentary

3172

01:44:35,030 --> 01:44:33,480

and then the next reference is divine

3173

01:44:36,790 --> 01:44:35,040

divinecosmos.com

3174

01:44:38,070 --> 01:44:36,800

and then the next reference is a random

3175

01:44:39,990 --> 01:44:38,080

google video

3176

01:44:42,870 --> 01:44:40,000

and the next reference and it just goes

3177

01:44:45,990 --> 01:44:45,270

someone probably bought this book and

3178

01:44:47,910 --> 01:44:46,000

they thought

3179

01:44:49,430 --> 01:44:47,920

this is just full of [ʌ\_\_ʌ] and they just

3180

01:44:50,070 --> 01:44:49,440

dumped it immediately there's never been

3181

01:44:52,629 --> 01:44:50,080

yeah

3182

01:44:54,629 --> 01:44:52,639

you know like not for nothing i didn't

3183

01:44:56,870 --> 01:44:54,639

get very far in college but i got as far

3184

01:44:59,590 --> 01:44:56,880

as english 101 and 102.

3185

01:45:00,149 --> 01:44:59,600

and i'm sure that a real college level

3186

01:45:02,870 --> 01:45:00,159

course

3187

01:45:05,030 --> 01:45:02,880

in writing would say those sources are

3188

01:45:05,910 --> 01:45:05,040

garbage you can't cite yourself you

3189

01:45:08,550 --> 01:45:05,920

dummy

3190

01:45:09,990 --> 01:45:08,560

yourself and he listen that's another

3191

01:45:11,910 --> 01:45:10,000

thing he's had the benefit

3192

01:45:14,070 --> 01:45:11,920

of mommy and daddy paying for a real

3193

01:45:16,229 --> 01:45:14,080

education he should know better than

3194

01:45:18,149 --> 01:45:16,239

you know like i went to community

3195

01:45:20,310 --> 01:45:18,159

college but even i know

3196

01:45:21,350 --> 01:45:20,320

that you can't just cite yourself in a

3197

01:45:24,310 --> 01:45:21,360

book you know

3198

01:45:25,990 --> 01:45:24,320

you can't cite yourself as the source to

3199

01:45:26,390 --> 01:45:26,000

prove your arguments especially if

3200

01:45:32,229 --> 01:45:26,400

you're

3201  
01:45:33,750 --> 01:45:32,239  
move a discussion about these subjects

3202  
01:45:35,109 --> 01:45:33,760  
forward like i'm just going to cite

3203  
01:45:36,950 --> 01:45:35,119  
myself

3204  
01:45:38,629 --> 01:45:36,960  
there it is i'm just glancing through it

3205  
01:45:39,669 --> 01:45:38,639  
this isn't a big deal i just wanted to

3206  
01:45:40,229 --> 01:45:39,679  
bring it up because i thought it was

3207  
01:45:42,070 --> 01:45:40,239  
funny

3208  
01:45:43,669 --> 01:45:42,080  
yeah that book in particular is filled

3209  
01:45:45,430 --> 01:45:43,679  
with pete peterson stories he was a

3210  
01:45:47,910 --> 01:45:45,440  
complete

3211  
01:45:49,669 --> 01:45:47,920  
fake fake made up whistleblower that was

3212  
01:45:53,030 --> 01:45:49,679  
senile

3213  
01:45:54,950 --> 01:45:53,040

yeah great good quality work he does

3214

01:45:56,629 --> 01:45:54,960

such great quality work it probably

3215

01:46:01,590 --> 01:45:56,639

doesn't take very long to write when you

3216

01:46:06,870 --> 01:46:04,870

i bet you that i bet you the c and v

3217

01:46:10,229 --> 01:46:06,880

keys on his uh [h\_\_h] keyboard are like

3218

01:46:13,990 --> 01:46:12,310

copy and pasted another book together

3219

01:46:14,790 --> 01:46:14,000

i'm the new york times best-selling

3220

01:46:16,870 --> 01:46:14,800

author

3221

01:46:18,550 --> 01:46:16,880

but you can win you can't make money off

3222

01:46:21,109 --> 01:46:18,560

that though

3223

01:46:22,229 --> 01:46:21,119

yeah yeah well uh apparently he buys a

3224

01:46:23,910 --> 01:46:22,239

lot of his own books

3225

01:46:25,510 --> 01:46:23,920

and i have that from several sources

3226

01:46:26,149 --> 01:46:25,520

i've heard that from different people

3227

01:46:28,070 --> 01:46:26,159

too yeah

3228

01:46:29,990 --> 01:46:28,080

to put himself on the new york times

3229

01:46:31,750 --> 01:46:30,000

bestseller list he buys

3230

01:46:33,510 --> 01:46:31,760

thousands of his own books maybe they're

3231

01:46:36,870 --> 01:46:33,520

stacked up in his garage

3232

01:46:40,310 --> 01:46:36,880

i don't know using firewood

3233

01:46:42,149 --> 01:46:40,320

right i i sometimes you don't have to um

3234

01:46:44,149 --> 01:46:42,159

you don't have to really like make stuff

3235

01:46:46,149 --> 01:46:44,159

up i think it's a mindset

3236

01:46:47,750 --> 01:46:46,159

that people have i think it's really

3237

01:46:48,709 --> 01:46:47,760

psych warfare that is giving people this

3238

01:46:51,750 --> 01:46:48,719

mindset

3239

01:46:52,070 --> 01:46:51,760

like i heard that there wasn't a riot or

3240

01:46:57,430 --> 01:46:52,080

a

3241

01:47:00,709 --> 01:46:57,440

doesn't exist

3242

01:47:02,229 --> 01:47:00,719

it's a sound sign oh yeah yeah oh i've

3243

01:47:03,830 --> 01:47:02,239

heard that about the inauguration that

3244

01:47:04,629 --> 01:47:03,840

it was all fake it was all done on a

3245

01:47:08,470 --> 01:47:04,639

movie set

3246

01:47:10,629 --> 01:47:08,480

this is like intel

3247

01:47:11,990 --> 01:47:10,639

agency crap man this is like flower

3248

01:47:14,470 --> 01:47:12,000

power passive uh

3249

01:47:16,470 --> 01:47:14,480

resistance to the vietnam war the

3250

01:47:17,750 --> 01:47:16,480

hundred flowers campaign in communist

3251

01:47:19,750 --> 01:47:17,760

china this is like

3252

01:47:21,030 --> 01:47:19,760

intel stuff that's why i really do think

3253

01:47:23,109 --> 01:47:21,040

like behind the scenes

3254

01:47:24,229 --> 01:47:23,119

this guy can't just be i mean this is

3255

01:47:27,430 --> 01:47:24,239

like pentagon

3256

01:47:29,510 --> 01:47:27,440

you know disinformation disinformation

3257

01:47:31,270 --> 01:47:29,520

could be i don't know i hate to give him

3258

01:47:33,109 --> 01:47:31,280

that much credit but

3259

01:47:34,790 --> 01:47:33,119

even if you even if we were to believe

3260

01:47:35,990 --> 01:47:34,800

that that he does have some kind of

3261

01:47:39,350 --> 01:47:36,000

government handlers

3262

01:47:40,950 --> 01:47:39,360

and and helpers or whatever then at most

3263

01:47:42,950 --> 01:47:40,960

he's just a useful idiot

3264

01:47:44,709 --> 01:47:42,960

right just spreading this information

3265

01:47:46,950 --> 01:47:44,719

that they want out there or

3266

01:47:47,830 --> 01:47:46,960

i've often said this and we we touched

3267

01:47:49,510 --> 01:47:47,840

on it briefly

3268

01:47:50,950 --> 01:47:49,520

like him coming out and [h\_\_h] all

3269

01:47:52,790 --> 01:47:50,960

over these subcultures

3270

01:47:54,709 --> 01:47:52,800

where people were once doing great

3271

01:47:56,470 --> 01:47:54,719

research is muddying the waters

3272

01:47:57,910 --> 01:47:56,480

and it's making those subjects laughable

3273

01:47:59,990 --> 01:47:57,920

to the average person

3274

01:48:01,030 --> 01:48:00,000

oh yeah there's a secret space program

3275

01:48:03,830 --> 01:48:01,040

yeah because some guy

3276

01:48:05,350 --> 01:48:03,840

time traveled and fought aliens on mars

3277

01:48:06,870 --> 01:48:05,360

and then he came back

3278

01:48:08,550 --> 01:48:06,880

right but he doesn't have any proof yeah

3279

01:48:11,109 --> 01:48:08,560

there's a secret space program

3280

01:48:11,750 --> 01:48:11,119

i think that it may just be that some

3281

01:48:13,350 --> 01:48:11,760

people

3282

01:48:14,870 --> 01:48:13,360

were getting a little too close to some

3283

01:48:17,109 --> 01:48:14,880

of the real truth about what the

3284

01:48:18,790 --> 01:48:17,119

government is hiding in space

3285

01:48:20,550 --> 01:48:18,800

and they wanted to muddy the waters and

3286

01:48:23,350 --> 01:48:20,560

we've seen they do that

3287

01:48:24,950 --> 01:48:23,360

they absolutely they do that well they

3288

01:48:26,390 --> 01:48:24,960

don't even have to nobody has to like

3289

01:48:28,390 --> 01:48:26,400

hire david wilcock or

3290

01:48:29,590 --> 01:48:28,400

hire any of these people like corey good

3291

01:48:31,750 --> 01:48:29,600

all they would have to do

3292

01:48:33,189 --> 01:48:31,760

i guess i would imagine is like through

3293

01:48:35,910 --> 01:48:33,199

big tech companies just go

3294

01:48:37,990 --> 01:48:35,920

and you know have them like promote and

3295

01:48:39,910 --> 01:48:38,000

advertise and push their material that's

3296

01:48:40,950 --> 01:48:39,920

why wilcock never gets taken off youtube

3297

01:48:43,830 --> 01:48:40,960

his stuff gets

3298

01:48:45,270 --> 01:48:43,840

millions of views and while other stuff

3299

01:48:45,990 --> 01:48:45,280

of a guy with a hundred you know

3300

01:48:48,550 --> 01:48:46,000

subscribers

3301

01:48:50,709 --> 01:48:48,560

and 25 views talking about the same

3302

01:48:52,070 --> 01:48:50,719

thing just gets shut down because it's

3303

01:48:54,229 --> 01:48:52,080

or talking about something that's more

3304

01:48:55,750 --> 01:48:54,239

objective they get shut down and wilco

3305

01:48:58,070 --> 01:48:55,760

can keep doing his stuff

3306

01:48:59,430 --> 01:48:58,080

and facebook doesn't block him you know

3307

01:49:00,790 --> 01:48:59,440

youtube doesn't block him twitter

3308

01:49:03,270 --> 01:49:00,800

doesn't block him

3309

01:49:04,950 --> 01:49:03,280

i mean well she certainly was in

3310

01:49:06,709 --> 01:49:04,960

violation of the youtube terms of

3311

01:49:07,990 --> 01:49:06,719

service many times talking about the

3312

01:49:10,709 --> 01:49:08,000

health situation

3313

01:49:12,709 --> 01:49:10,719

many times talking about the

3314

01:49:14,470 --> 01:49:12,719

presidential situation

3315

01:49:16,550 --> 01:49:14,480

and you're right other channels just get

3316

01:49:17,350 --> 01:49:16,560

stamped right now and meanwhile he just

3317

01:49:19,270 --> 01:49:17,360

keeps going

3318

01:49:21,030 --> 01:49:19,280

and that has been one argument i have a

3319

01:49:22,790 --> 01:49:21,040

friend that's convinced that he's some

3320

01:49:25,669 --> 01:49:22,800

kind of cia operative

3321

01:49:26,390 --> 01:49:25,679

oh the cia and he'll tell me that's why

3322

01:49:28,310 --> 01:49:26,400

that's why

3323

01:49:29,510 --> 01:49:28,320

he can he can violate the youtube

3324

01:49:31,830 --> 01:49:29,520

services service

3325

01:49:33,510 --> 01:49:31,840

and not get taken down because he's got

3326

01:49:34,470 --> 01:49:33,520

backers in the government and they're

3327

01:49:36,629 --> 01:49:34,480

and they're in line

3328

01:49:37,750 --> 01:49:36,639

they want him spreading this garbage and

3329

01:49:41,109 --> 01:49:37,760

making these subjects

3330

01:49:44,470 --> 01:49:41,119

laughable and not worthy of credible

3331

01:49:46,470 --> 01:49:44,480

study plausible highly speculative

3332

01:49:47,750 --> 01:49:46,480

plausible though but i don't necessarily

3333

01:49:48,870 --> 01:49:47,760

think that's the case either i think the

3334

01:49:51,350 --> 01:49:48,880

guy is a con

3335

01:49:53,030 --> 01:49:51,360

i think he's a fraud i think he's he's

3336

01:49:57,910 --> 01:49:53,040

got the grift of gab

3337

01:50:01,350 --> 01:49:59,030

i got to send you the other ones like

3338

01:50:04,070 --> 01:50:01,360

the mystery scam theater and lord of the

3339

01:50:07,109 --> 01:50:05,910

mystery scam theater yeah you've done

3340

01:50:09,350 --> 01:50:07,119

multiple parts of that

3341

01:50:10,390 --> 01:50:09,360

yeah i'm on part four but i know we're

3342

01:50:12,149 --> 01:50:10,400

about out of time i don't know if you

3343

01:50:14,790 --> 01:50:12,159

wanted to end on something

3344

01:50:16,790 --> 01:50:14,800

um no why don't you just tell everybody

3345

01:50:18,790 --> 01:50:16,800

where they could find you

3346

01:50:20,790 --> 01:50:18,800

because everybody knows oh oh for we're

3347

01:50:22,149 --> 01:50:20,800

doing this simulcast so for your viewers

3348

01:50:23,430 --> 01:50:22,159

and your listeners that want to find out

3349

01:50:25,109 --> 01:50:23,440

more about my show

3350

01:50:26,709 --> 01:50:25,119

we're just gonna fight stephen campbell

3351

01:50:30,070 --> 01:50:26,719

we're gonna find you

3352

01:50:32,950 --> 01:50:30,080

just search truth seekers on youtube or

3353

01:50:35,270 --> 01:50:32,960

uh at stevencambian on twitter i post

3354

01:50:37,430 --> 01:50:35,280

all the shows the day that we do them

3355

01:50:38,790 --> 01:50:37,440

and uh you know if you missed the live

3356

01:50:40,870 --> 01:50:38,800

show we have a live chat

3357

01:50:42,470 --> 01:50:40,880

and live call in lines here while we do

3358

01:50:44,310 --> 01:50:42,480

the show you can always catch the

3359

01:50:45,990 --> 01:50:44,320

replays on the youtube channel just

3360

01:50:48,310 --> 01:50:46,000

search truth seekers

3361

01:50:51,109 --> 01:50:48,320

on youtube and ryan why don't you tell

3362

01:50:53,750 --> 01:50:51,119

my side here where they can find you

3363

01:50:54,629 --> 01:50:53,760

yeah you can find me on the fringe fm

3364

01:50:56,390 --> 01:50:54,639

which you can find

3365

01:50:58,470 --> 01:50:56,400

on you know talk stream live and others

3366

01:51:00,310 --> 01:50:58,480

but the easiest way you can go to

3367

01:51:02,149 --> 01:51:00,320

the secret teachings dot info that's my

3368

01:51:04,310 --> 01:51:02,159

website where you can find my books the

3369

01:51:05,990 --> 01:51:04,320

archive i do montages for most of my

3370

01:51:07,270 --> 01:51:06,000

shows so that's a separate archive on

3371

01:51:08,790 --> 01:51:07,280

the website

3372

01:51:10,790 --> 01:51:08,800

i do a promo pic every night for the

3373

01:51:11,830 --> 01:51:10,800

show put it up on social media that's

3374

01:51:12,870 --> 01:51:11,840

how you can kind of keep up with the

3375

01:51:14,709 --> 01:51:12,880

topic matter

3376

01:51:16,070 --> 01:51:14,719

and we'll bounce around all over the

3377

01:51:18,629 --> 01:51:16,080

place hopefully

3378

01:51:22,629 --> 01:51:18,639

i can pull away from the gravity of the

3379

01:51:26,070 --> 01:51:25,350

i'm checking out too i can't take any

3380

01:51:28,790 --> 01:51:26,080

more of this

3381

01:51:29,910 --> 01:51:28,800

[h\_\_h] it's just [h\_\_h] overload i'm

3382

01:51:33,030 --> 01:51:29,920

up to my ears

3383

01:51:35,109 --> 01:51:33,040

in [h\_\_h] like literally okay

3384

01:51:37,750 --> 01:51:35,119

i can't do it i'm going to have like an

3385

01:51:39,430 --> 01:51:37,760

aneurysm if i watch any more of these

3386

01:51:41,350 --> 01:51:39,440

yeah but listen here's what we got to do

3387

01:51:44,229 --> 01:51:41,360

let's hope he takes some time off

3388

01:51:45,030 --> 01:51:44,239

right but when he comes back we'll do

3389

01:51:48,310 --> 01:51:45,040

this again

3390

01:51:50,149 --> 01:51:48,320

and we'll and we'll in live time

3391

01:51:51,830 --> 01:51:50,159

like you will have his video playing and

3392

01:51:53,669 --> 01:51:51,840

we'll both laugh at it and

3393

01:51:55,270 --> 01:51:53,679

yeah the mystery scam mystery scam

3394

01:51:55,589 --> 01:51:55,280

theater would probably be on part seven

3395

01:51:57,109 --> 01:51:55,599

but

3396

01:51:58,870 --> 01:51:57,119

well if i don't do anything until then

3397

01:52:02,870 --> 01:51:58,880

part five

3398

01:52:03,990 --> 01:52:02,880

here we go if i'm making a prediction my

3399

01:52:05,750 --> 01:52:04,000

prediction is

3400

01:52:07,270 --> 01:52:05,760

he's either i've got three predictions

3401  
01:52:08,870 --> 01:52:07,280  
so one of them might come true so it'll

3402  
01:52:11,830 --> 01:52:08,880  
make me a better profit if i give a lot

3403  
01:52:15,109 --> 01:52:13,750  
throw a lot of [h\_\_h] out there do ten

3404  
01:52:17,990 --> 01:52:15,119  
yeah okay

3405  
01:52:18,390 --> 01:52:18,000  
so my three are wilcox gonna continue

3406  
01:52:22,709 --> 01:52:18,400  
with

3407  
01:52:24,470 --> 01:52:22,719  
a degree but shift into the uh

3408  
01:52:26,149 --> 01:52:24,480  
the imaginary friend channeling and the

3409  
01:52:27,350 --> 01:52:26,159  
jesus christ channeling and maybe he's

3410  
01:52:29,430 --> 01:52:27,360  
gonna change

3411  
01:52:30,550 --> 01:52:29,440  
muhammad to who knows you know or buddha

3412  
01:52:31,750 --> 01:52:30,560  
but i think

3413  
01:52:32,950 --> 01:52:31,760

what they're going to do with the letter

3414

01:52:33,990 --> 01:52:32,960

of the alphabet movement is they're

3415

01:52:36,149 --> 01:52:34,000

going to claim

3416

01:52:37,750 --> 01:52:36,159

that it was infiltrated and they're

3417

01:52:38,550 --> 01:52:37,760

going to stick with it because there's

3418

01:52:40,229 --> 01:52:38,560

still a plan

3419

01:52:41,910 --> 01:52:40,239

and because it was infiltrated the real

3420

01:52:43,189 --> 01:52:41,920

plan didn't get carried out

3421

01:52:44,550 --> 01:52:43,199

or what's going to happen with the

3422

01:52:45,189 --> 01:52:44,560

letter of the alphabet is they're going

3423

01:52:47,510 --> 01:52:45,199

to claim

3424

01:52:49,510 --> 01:52:47,520

that it's the plan went through and that

3425

01:52:51,189 --> 01:52:49,520

like trump made a deal with biden

3426

01:52:55,350 --> 01:52:51,199

and trump still running the united

3427

01:52:58,629 --> 01:52:57,990

it's still happening or it all did

3428

01:53:01,109 --> 01:52:58,639

happen

3429

01:53:01,750 --> 01:53:01,119

the plan took place but there's a

3430

01:53:03,910 --> 01:53:01,760

divergent

3431

01:53:05,189 --> 01:53:03,920

timeline now and we ended up with the

3432

01:53:08,390 --> 01:53:05,199

wrong side of it

3433

01:53:09,270 --> 01:53:08,400

yeah that's good i would give you a

3434

01:53:13,030 --> 01:53:09,280

super chat

3435

01:53:14,550 --> 01:53:13,040

if i was on youtube watching this yeah

3436

01:53:15,990 --> 01:53:14,560

all right well i i want to thank

3437

01:53:18,070 --> 01:53:16,000

everybody for joining us this is the

3438

01:53:21,030 --> 01:53:18,080

first of hopefully we'll do this again

3439

01:53:22,390 --> 01:53:21,040

simulcast between truth seekers and the

3440

01:53:24,709 --> 01:53:22,400

secret teachings

3441

01:53:26,790 --> 01:53:24,719

thank you thank you and i'm gonna i'm
