

1
00:00:05,630 --> 00:00:28,830
[Music]

2
00:00:28,840 --> 00:00:37,310
so

3
00:00:59,070 --> 00:00:39,530
[Music]

4
00:01:33,500 --> 00:00:59,080
so

5
00:01:33,510 --> 00:02:00,550
[Music]

6
00:02:04,789 --> 00:02:03,270
well greetings and salutations friends

7
00:02:06,950 --> 00:02:04,799
uh boy

8
00:02:09,190 --> 00:02:06,960
gotta tell you that things in conspiracy

9
00:02:13,589 --> 00:02:09,200
land are getting

10
00:02:20,869 --> 00:02:17,350
sorry i had an echo here so uh

11
00:02:23,910 --> 00:02:20,879
yeah it's just gone crazy from

12
00:02:25,350 --> 00:02:23,920
the kicking the can down the line you

13
00:02:29,350 --> 00:02:25,360

know wait another month

14
00:02:32,630 --> 00:02:29,360
send me some more donations just a scam

15
00:02:36,790 --> 00:02:32,640
to some of the larger characters in that

16
00:02:39,030 --> 00:02:36,800
field going full on grift mode

17
00:02:40,390 --> 00:02:39,040
and coming up with all kinds of new

18
00:02:41,670 --> 00:02:40,400
stuff

19
00:02:43,670 --> 00:02:41,680
and tonight we're going to talk about

20
00:02:46,790 --> 00:02:43,680
some of that with my special guest

21
00:02:47,589 --> 00:02:46,800
daniel james from the warped podcast let

22
00:02:51,830 --> 00:02:47,599
me bring him

23
00:02:55,589 --> 00:02:51,840
in here there we go that's better

24
00:02:58,470 --> 00:02:55,599
daniel james you've been following

25
00:02:59,270 --> 00:02:58,480
you've been following this crazy train

26

00:03:03,190 --> 00:02:59,280

better than me

27

00:03:04,790 --> 00:03:03,200

i think right yeah it's been not

28

00:03:07,110 --> 00:03:04,800

slightly made it's been real

29

00:03:08,070 --> 00:03:07,120

crazy um but it's just been interesting

30

00:03:10,309 --> 00:03:08,080

to watch

31

00:03:11,509 --> 00:03:10,319

since january how things have really

32

00:03:15,430 --> 00:03:11,519

escalated

33

00:03:18,390 --> 00:03:15,440

and kicking up over in cue land

34

00:03:19,030 --> 00:03:18,400

no we say letter of the alphabet the

35

00:03:23,589 --> 00:03:19,040

alphabet

36

00:03:25,990 --> 00:03:23,599

i'm sorry i don't tend to curb my words

37

00:03:27,430 --> 00:03:26,000

too much i know you know i try not to

38

00:03:28,550 --> 00:03:27,440

too but i think it's just in the best

39

00:03:31,670 --> 00:03:28,560

interest of the ai

40

00:03:33,110 --> 00:03:31,680

algorithm gods we are speaking in

41

00:03:36,229 --> 00:03:33,120

mockery of this thing

42

00:03:39,750 --> 00:03:36,239

ai algorithm gods we pray

43

00:03:41,430 --> 00:03:39,760

we pray we pray to google amen yes

44

00:03:42,789 --> 00:03:41,440

say my daily prayer that i don't get

45

00:03:45,350 --> 00:03:42,799

stricken down because

46

00:03:46,789 --> 00:03:45,360

just because we talk about these things

47

00:03:48,869 --> 00:03:46,799

you know another story i'm following

48

00:03:49,430 --> 00:03:48,879

really closely is this gamestop thing

49

00:03:53,910 --> 00:03:49,440

have you

50

00:03:57,350 --> 00:03:53,920

great story it is a massive story

51

00:04:00,630 --> 00:03:57,360

yeah it is just an amazing story

52

00:04:04,789 --> 00:04:00,640

about a bunch of rich pricks who bet

53

00:04:07,670 --> 00:04:04,799

way too far you know went way too far

54

00:04:09,509 --> 00:04:07,680

with a bet they placed and people found

55

00:04:10,550 --> 00:04:09,519

out about it and got together on reddit

56

00:04:13,990 --> 00:04:10,560

and [h__h] them

57

00:04:15,990 --> 00:04:14,000

over bad it is but it's interesting

58

00:04:17,509 --> 00:04:16,000

the interesting part of the story is

59

00:04:19,349 --> 00:04:17,519

that now

60

00:04:21,670 --> 00:04:19,359

regular people are not allowed to trade

61

00:04:22,629 --> 00:04:21,680

that stock but the big hedge funds are

62

00:04:26,150 --> 00:04:22,639

allowed

63

00:04:27,510 --> 00:04:26,160

so super rich people yeah soup the super

64

00:04:29,510 --> 00:04:27,520

rich folks

65

00:04:31,510 --> 00:04:29,520

with the hedge funds and [h__h] they can

66

00:04:33,510 --> 00:04:31,520

make billions right

67

00:04:34,790 --> 00:04:33,520

but god forbid a bunch of people get

68

00:04:37,350 --> 00:04:34,800

together

69

00:04:39,270 --> 00:04:37,360

and [h__h] them out of their their their

70

00:04:41,189 --> 00:04:39,280

short bet

71

00:04:43,990 --> 00:04:41,199

basically they were claiming that they

72

00:04:46,550 --> 00:04:44,000

were betting for the stock to fail

73

00:04:48,469 --> 00:04:46,560

right and if it doesn't fail they're

74

00:04:50,870 --> 00:04:48,479

gonna lose billions so people

75

00:04:52,870 --> 00:04:50,880

regular people got together on reddit

76

00:04:55,270 --> 00:04:52,880

and just started buying the stock

77

00:04:56,070 --> 00:04:55,280

which anybody would agree gamestop is

78

00:04:59,030 --> 00:04:56,080

basically

79

00:05:01,110 --> 00:04:59,040

on its way to bankruptcy with every game

80

00:05:04,150 --> 00:05:01,120

gets downloaded now so gamestop

81

00:05:06,390 --> 00:05:04,160

is going it's gone one way or the other

82

00:05:07,189 --> 00:05:06,400

but this whole thing artificially

83

00:05:09,510 --> 00:05:07,199

inflated it

84

00:05:10,550 --> 00:05:09,520

and now all these rich people are really

85

00:05:12,469 --> 00:05:10,560

pissed off

86

00:05:13,909 --> 00:05:12,479

right and somehow they're still going to

87

00:05:15,749 --> 00:05:13,919

be able to pull it out because all the

88

00:05:16,710 --> 00:05:15,759

brokerage firms have stopped people from

89

00:05:20,790 --> 00:05:16,720

being able

90

00:05:22,390 --> 00:05:20,800

and sell certain stocks

91

00:05:24,390 --> 00:05:22,400

but the huge hedge funds are still

92

00:05:25,029 --> 00:05:24,400

allowed to buy and sell them so of

93

00:05:26,870 --> 00:05:25,039

course

94

00:05:28,870 --> 00:05:26,880

the price is going to go down now

95

00:05:31,350 --> 00:05:28,880

because you're stopping people

96

00:05:33,029 --> 00:05:31,360

from buying a stock so this is some kind

97

00:05:35,350 --> 00:05:33,039

of artificial

98

00:05:37,430 --> 00:05:35,360

manipulation of our entire financial

99

00:05:38,230 --> 00:05:37,440

system that only benefits the rich

100

00:05:41,430 --> 00:05:38,240

[h__\h]

101
00:05:44,230 --> 00:05:41,440
right it only benefits that yeah exactly

102
00:05:44,870 --> 00:05:44,240
it's spain it's a great story and it

103
00:05:48,469 --> 00:05:44,880
sums up

104
00:05:51,110 --> 00:05:48,479
america and capitalism all in one shot

105
00:05:54,870 --> 00:05:51,120
so well yeah yeah we're gonna get to we

106
00:05:57,350 --> 00:05:54,880
gotta get to buffalo horn guy

107
00:05:58,790 --> 00:05:57,360
also known as letter shaman i'm not

108
00:05:59,830 --> 00:05:58,800
gonna say the letter but you know who he

109
00:06:03,510 --> 00:05:59,840
is

110
00:06:06,870 --> 00:06:03,520
you know that he was in

111
00:06:09,909 --> 00:06:06,880
like all of these crazy conspiracy land

112
00:06:12,150 --> 00:06:09,919
ufo circles before

113
00:06:14,390 --> 00:06:12,160

coming to know him from the capitol

114

00:06:16,309 --> 00:06:14,400

riots because i didn't know

115

00:06:17,430 --> 00:06:16,319

yeah look i was aware that he had some

116

00:06:19,350 --> 00:06:17,440

history with

117

00:06:20,710 --> 00:06:19,360

um that was strong in queue but also

118

00:06:23,430 --> 00:06:20,720

into the more esoteric

119

00:06:24,390 --> 00:06:23,440

elements you said it again later in the

120

00:06:29,590 --> 00:06:24,400

alphabet

121

00:06:31,990 --> 00:06:29,600

yeah yeah i knew he was

122

00:06:33,990 --> 00:06:32,000

you know into a lot of wackier elements

123

00:06:36,150 --> 00:06:34,000

of it but i didn't know

124

00:06:37,670 --> 00:06:36,160

i mean he may as well have been

125

00:06:40,230 --> 00:06:37,680

parroting carrick cassidy

126
00:06:41,110 --> 00:06:40,240
when he was talking in that video he's

127
00:06:42,550 --> 00:06:41,120
he's really

128
00:06:44,710 --> 00:06:42,560
yeah we're going to share this tonight

129
00:06:47,270 --> 00:06:44,720
it is basically just a repeat

130
00:06:48,230 --> 00:06:47,280
of david wilcock lara eisenhower

131
00:06:49,990 --> 00:06:48,240
garbage

132
00:06:51,909 --> 00:06:50,000
you know a little bit of cory good

133
00:06:52,790 --> 00:06:51,919
garbage thrown in there with a secret

134
00:06:56,150 --> 00:06:52,800
space

135
00:06:58,390 --> 00:06:56,160
program they're keeping from us and yeah

136
00:06:59,749 --> 00:06:58,400
yeah my audio's too low apparently so

137
00:07:00,150 --> 00:06:59,759
i'll jack it up hopefully you can hear

138
00:07:01,589 --> 00:07:00,160

me a bit

139

00:07:03,589 --> 00:07:01,599

yeah i always bust his balls because

140

00:07:04,950 --> 00:07:03,599

he's got nice mics so i tell him like

141

00:07:07,990 --> 00:07:04,960

keep it low bro

142

00:07:09,110 --> 00:07:08,000

i'm the host here i should be louder i

143

00:07:10,870 --> 00:07:09,120

hear you don't like it

144

00:07:12,390 --> 00:07:10,880

it's in the in front of people's faces

145

00:07:13,589 --> 00:07:12,400

though so i've done this especially just

146

00:07:15,909 --> 00:07:13,599

for you

147

00:07:17,350 --> 00:07:15,919

yeah you know what most people don't

148

00:07:17,830 --> 00:07:17,360

have any complaints about the audio but

149

00:07:19,589 --> 00:07:17,840

i think

150

00:07:21,110 --> 00:07:19,599

a few people have said oh well you need

151
00:07:21,350 --> 00:07:21,120
to have a microphone right in your face

152
00:07:23,670 --> 00:07:21,360
and

153
00:07:25,110 --> 00:07:23,680
for me i just don't like that so i'd

154
00:07:27,110 --> 00:07:25,120
rather be a little lower and the

155
00:07:28,790 --> 00:07:27,120
microphone be over here out of frame or

156
00:07:30,309 --> 00:07:28,800
you know i don't know just me

157
00:07:31,830 --> 00:07:30,319
so we're gonna we're gonna listen to

158
00:07:34,070 --> 00:07:31,840
some of this guy's crazy

159
00:07:35,029 --> 00:07:34,080
and i just previewed this a little bit i

160
00:07:38,230 --> 00:07:35,039
wanted to save

161
00:07:39,430 --> 00:07:38,240
some of the crazy for live so we'll get

162
00:07:42,710 --> 00:07:39,440
his real live

163
00:07:44,230 --> 00:07:42,720

reaction from me have you watched this

164

00:07:46,710 --> 00:07:44,240

entire thing

165

00:07:48,950 --> 00:07:46,720

yeah i've watched it a couple of times

166

00:07:52,309 --> 00:07:48,960

oh man you're a bigger loser than me you

167

00:07:57,029 --> 00:07:55,430

this [h__h] is crazy so basically from

168

00:07:59,189 --> 00:07:57,039

what i previewed

169

00:08:01,990 --> 00:07:59,199

uh he's gonna start claiming that he's

170

00:08:04,390 --> 00:08:02,000

got superpowers like captain america

171

00:08:05,110 --> 00:08:04,400

he's a super soldier oh there's gonna be

172

00:08:06,950 --> 00:08:05,120

good friends

173

00:08:09,350 --> 00:08:06,960

everyone's got powers why why don't we

174

00:08:11,670 --> 00:08:09,360

get powers

175

00:08:13,350 --> 00:08:11,680

people have super powers right they all

176

00:08:16,710 --> 00:08:13,360

have super powers

177

00:08:18,390 --> 00:08:16,720

and uh i don't know why like and and uh

178

00:08:19,909 --> 00:08:18,400

i was a little disappointed because so

179

00:08:21,749 --> 00:08:19,919

far in the in this guy's video

180

00:08:24,390 --> 00:08:21,759

we didn't get the superpower origin

181

00:08:28,869 --> 00:08:24,400

story right like he didn't talk about

182

00:08:32,070 --> 00:08:28,879

the black goo that was it about him

183

00:08:35,350 --> 00:08:32,080

yeah yes

184

00:08:37,110 --> 00:08:35,360

that's just funny like you know uh

185

00:08:39,589 --> 00:08:37,120

all of a sudden this guy came up with

186

00:08:40,149 --> 00:08:39,599

this story and he's got superpowers so

187

00:08:43,269 --> 00:08:40,159

let's

188

00:08:44,389 --> 00:08:43,279

go right from the beginning i don't know

189

00:08:46,070 --> 00:08:44,399

how much of this we're going to get

190

00:08:47,670 --> 00:08:46,080

through right

191

00:08:49,190 --> 00:08:47,680

hopefully he gets to the good stuff

192

00:08:50,949 --> 00:08:49,200

quick

193

00:08:53,030 --> 00:08:50,959

yeah he does a little bit of a summary

194

00:08:54,710 --> 00:08:53,040

at the start where he talks about um

195

00:08:56,630 --> 00:08:54,720

you know the the three things he he

196

00:08:58,150 --> 00:08:56,640

wants people to um really take out of

197

00:09:00,949 --> 00:08:58,160

the video but then he goes into one

198

00:09:05,269 --> 00:09:03,110

and it's so funny like this has got to

199

00:09:07,750 --> 00:09:05,279

be the highlight of this guy's

200

00:09:09,750 --> 00:09:07,760

life like all of a sudden everyone

201
00:09:12,630 --> 00:09:09,760
everyone in america knows who he is

202
00:09:16,070 --> 00:09:12,640
the guy with the bull you know uh yeah

203
00:09:18,150 --> 00:09:16,080
buffalo horn guy from the capitol riot

204
00:09:20,470 --> 00:09:18,160
and now he's going to start his grift

205
00:09:22,550 --> 00:09:20,480
about being a super soldier bro

206
00:09:25,430 --> 00:09:22,560
this is priceless let's get into it

207
00:09:29,430 --> 00:09:25,440
friends let's go

208
00:09:31,350 --> 00:09:29,440
big reveal buffalo horn guy all right

209
00:09:32,550 --> 00:09:31,360
what is up everybody i'm yellow stone

210
00:09:35,910 --> 00:09:32,560
wolf aka

211
00:09:37,670 --> 00:09:35,920
captain america i did that to get your

212
00:09:39,590 --> 00:09:37,680
guys's attention and i certainly hope

213
00:09:41,750 --> 00:09:39,600

that it did it looks like it did

214

00:09:43,269 --> 00:09:41,760

i mean i am definitely captain america

215

00:09:44,550 --> 00:09:43,279

and i haven't been given that title

216

00:09:46,150 --> 00:09:44,560

lightly trust me on that

217

00:09:47,990 --> 00:09:46,160

but part of the reason why i came

218

00:09:50,389 --> 00:09:48,000

forward in this way and

219

00:09:51,430 --> 00:09:50,399

you know disruption in the cute

220

00:09:54,470 --> 00:09:51,440

community here

221

00:09:55,750 --> 00:09:54,480

is to get your guys's attention because

222

00:09:57,829 --> 00:09:55,760

whether or not you know it whether or

223

00:09:59,829 --> 00:09:57,839

not you believe it i am from the highest

224

00:10:01,030 --> 00:09:59,839

levels i am talking to you on behalf of

225

00:10:03,910 --> 00:10:01,040

the highest levels of

226

00:10:05,750 --> 00:10:03,920

the government and the military

227

00:10:07,269 --> 00:10:05,760

particular and working with

228

00:10:09,110 --> 00:10:07,279

navy i've been a part of the navy's

229

00:10:09,990 --> 00:10:09,120

super soldier program for quite some

230

00:10:11,990 --> 00:10:10,000

time

231

00:10:13,910 --> 00:10:12,000

and i have been communicating with them

232

00:10:15,190 --> 00:10:13,920

regarding this quote-unquote plan that

233

00:10:17,190 --> 00:10:15,200

has actually been in place for quite

234

00:10:18,230 --> 00:10:17,200

some time before the cue movement ever

235

00:10:20,550 --> 00:10:18,240

took place

236

00:10:21,430 --> 00:10:20,560

okay and what i'm doing in this video is

237

00:10:23,750 --> 00:10:21,440

i'm bringing you

238

00:10:26,069 --> 00:10:23,760

the quote-unquote plan that we have been

239

00:10:29,269 --> 00:10:26,079

asking you guys to trust for so long

240

00:10:32,470 --> 00:10:29,279

and where you fit in however you do

241

00:10:35,030 --> 00:10:32,480

and he's got to trust the plan man

242

00:10:36,389 --> 00:10:35,040

even after the whole plan fell as [h__h]

243

00:10:38,470 --> 00:10:36,399

right like the whole play

244

00:10:40,389 --> 00:10:38,480

there is no [h__h] plan this guy's a

245

00:10:41,910 --> 00:10:40,399

dumbass but okay yeah

246

00:10:43,990 --> 00:10:41,920

and he did this to get everyone's

247

00:10:45,990 --> 00:10:44,000

attention apparently you know

248

00:10:47,590 --> 00:10:46,000

strapped on the horns that david wilcock

249

00:10:49,190 --> 00:10:47,600

thought might have you know miniature

250

00:10:51,509 --> 00:10:49,200

cameras in them

251
00:10:52,230 --> 00:10:51,519
yeah they had they were implants maybe

252
00:10:54,310 --> 00:10:52,240
right

253
00:10:55,350 --> 00:10:54,320
yeah oh god let's see what else is crazy

254
00:10:57,829 --> 00:10:55,360
dude we're only

255
00:10:59,750 --> 00:10:57,839
we're only one minute in and he's

256
00:11:01,190 --> 00:10:59,760
already basically

257
00:11:03,829 --> 00:11:01,200
he's already claimed to be captain

258
00:11:05,509 --> 00:11:03,839
america but and is super soldier so he

259
00:11:07,110 --> 00:11:05,519
really is claiming to be like a real

260
00:11:10,470 --> 00:11:07,120
life captain america

261
00:11:11,190 --> 00:11:10,480
official awesome hopefully this is a

262
00:11:14,150 --> 00:11:11,200
good enough

263
00:11:16,949 --> 00:11:14,160

uh relay of information to where we can

264

00:11:19,910 --> 00:11:16,959

really move forward as a civilization

265

00:11:20,470 --> 00:11:19,920

okay i'm talking like next level stuff

266

00:11:22,550 --> 00:11:20,480

like

267

00:11:24,310 --> 00:11:22,560

free energy i'm talking about

268

00:11:25,509 --> 00:11:24,320

anti-gravity craft i'm talking about

269

00:11:28,550 --> 00:11:25,519

microcures

270

00:11:30,790 --> 00:11:28,560

these 5 000 disruptive patents okay

271

00:11:31,829 --> 00:11:30,800

that need to be released to the public

272

00:11:33,190 --> 00:11:31,839

and the only way that that's going to

273

00:11:34,790 --> 00:11:33,200

happen is if we demand it

274

00:11:36,710 --> 00:11:34,800

yeah somebody's been watching david

275

00:11:40,150 --> 00:11:36,720

wilcock right

276

00:11:42,710 --> 00:11:40,160

yeah i think um he's been watching all

277

00:11:45,110 --> 00:11:42,720

of those channels carry cassidy you know

278

00:11:46,630 --> 00:11:45,120

he's spouting and repeating all those

279

00:11:47,990 --> 00:11:46,640

yeah he's gonna he's gonna get into

280

00:11:50,870 --> 00:11:48,000

reptilian aliens and

281

00:11:51,910 --> 00:11:50,880

the good guys and the bad guys oh it's

282

00:11:56,389 --> 00:11:51,920

it's just a

283

00:11:58,230 --> 00:11:56,399

buffet of [h__h] nice

284

00:12:00,230 --> 00:11:58,240

if you're not gonna watch any more of

285

00:12:01,829 --> 00:12:00,240

this video if you're just gonna shut me

286

00:12:03,829 --> 00:12:01,839

down in the first few minutes

287

00:12:04,870 --> 00:12:03,839

this is the plan i'm gonna get into far

288

00:12:07,190 --> 00:12:04,880

more detail

289

00:12:09,190 --> 00:12:07,200

in the video if you want to stick around

290

00:12:10,550 --> 00:12:09,200

but here's the plan you guys

291

00:12:12,470 --> 00:12:10,560

while you're talking with your friends

292

00:12:14,389 --> 00:12:12,480

and family at easter

293

00:12:16,069 --> 00:12:14,399

okay what you need to be talking to them

294

00:12:16,550 --> 00:12:16,079

about are the three patents that the

295

00:12:19,590 --> 00:12:16,560

navy

296

00:12:20,629 --> 00:12:19,600

just released to the public one for an

297

00:12:24,870 --> 00:12:20,639

annual

298

00:12:27,269 --> 00:12:24,880

craft called tr350b okay a tr3b

299

00:12:29,030 --> 00:12:27,279

anti-gravity craft it's a triangle okay

300

00:12:31,509 --> 00:12:29,040

that we've had for quite some time

301
00:12:32,150 --> 00:12:31,519
that's patent number one patent number

302
00:12:35,269 --> 00:12:32,160
two

303
00:12:37,750 --> 00:12:35,279
is what is known as a zero point three

304
00:12:38,629 --> 00:12:37,760
energy we're talking about like a

305
00:12:41,430 --> 00:12:38,639
generator about

306
00:12:42,310 --> 00:12:41,440
this big that produces more energy in a

307
00:12:43,990 --> 00:12:42,320
single day

308
00:12:45,509 --> 00:12:44,000
than the largest nuclear power plant

309
00:12:48,949 --> 00:12:45,519
does in this whole country

310
00:12:50,949 --> 00:12:48,959
in a single year first of all

311
00:12:52,389 --> 00:12:50,959
this guy doesn't can't even do math

312
00:12:53,990 --> 00:12:52,399
right because that's a lot

313
00:12:55,430 --> 00:12:54,000

that's a lot of power like i know a

314

00:12:58,230 --> 00:12:55,440

little bit about electricity

315

00:12:58,949 --> 00:12:58,240

like come on bro you know that's

316

00:13:02,230 --> 00:12:58,959

basically

317

00:13:04,310 --> 00:13:02,240

he's describing a magic device you know

318

00:13:05,430 --> 00:13:04,320

it's like the magic beans or something

319

00:13:06,629 --> 00:13:05,440

literally

320

00:13:08,389 --> 00:13:06,639

yeah he's saying that these are just

321

00:13:10,150 --> 00:13:08,399

coming out as well which is untrue you

322

00:13:12,230 --> 00:13:10,160

know these patterns have been floating

323

00:13:13,829 --> 00:13:12,240

around in conspiracy land for

324

00:13:15,509 --> 00:13:13,839

quite a few years and you know even

325

00:13:18,550 --> 00:13:15,519

david yeah he must have just

326

00:13:21,910 --> 00:13:18,560

found them so to him this is new

327

00:13:23,670 --> 00:13:21,920

breaking news no stephen he's

328

00:13:26,150 --> 00:13:23,680

part of the super soldier program he's

329

00:13:29,430 --> 00:13:26,160

working hand in glove with donald trump

330

00:13:31,190 --> 00:13:29,440

yeah oh god this gets good okay so more

331

00:13:32,389 --> 00:13:31,200

energy in one day than a nuclear power

332

00:13:33,990 --> 00:13:32,399

plant does in a year

333

00:13:35,269 --> 00:13:34,000

that's the level of technology we were

334

00:13:36,790 --> 00:13:35,279

talking about that was released to the

335

00:13:38,389 --> 00:13:36,800

public by the navy

336

00:13:40,150 --> 00:13:38,399

okay i'm telling you i'm coming from the

337

00:13:42,629 --> 00:13:40,160

navy i'm telling you and by the way

338

00:13:43,910 --> 00:13:42,639

just to be clear i read those patents

339

00:13:45,910 --> 00:13:43,920

and they didn't discuss

340

00:13:47,189 --> 00:13:45,920

any amount of power that the so-called

341

00:13:50,069 --> 00:13:47,199

device would generate

342

00:13:51,030 --> 00:13:50,079

even if it was an operable working

343

00:13:53,269 --> 00:13:51,040

device

344

00:13:55,110 --> 00:13:53,279

so yeah where is he getting this he's

345

00:13:56,550 --> 00:13:55,120

just making this [h__\h] i guess he's just

346

00:13:58,069 --> 00:13:56,560

making this [h__\h] up because it sounds

347

00:13:59,990 --> 00:13:58,079

good right this little box

348

00:14:02,310 --> 00:14:00,000

and it can make more power in a day than

349

00:14:05,030 --> 00:14:02,320

a nuclear power plant can in a year

350

00:14:06,230 --> 00:14:05,040

but the patents didn't give any

351
00:14:08,470 --> 00:14:06,240
indication of any

352
00:14:10,790 --> 00:14:08,480
any kind of power like ratings or how

353
00:14:11,350 --> 00:14:10,800
much wax it generated per hour or

354
00:14:13,670 --> 00:14:11,360
anything

355
00:14:14,470 --> 00:14:13,680
so this is just all pulled from his ass

356
00:14:16,550 --> 00:14:14,480
i guess

357
00:14:17,829 --> 00:14:16,560
the navy is releasing these patents the

358
00:14:19,110 --> 00:14:17,839
final patent that they released is

359
00:14:20,150 --> 00:14:19,120
something known as a room temperature

360
00:14:23,030 --> 00:14:20,160
superconductor

361
00:14:25,189 --> 00:14:23,040
that allows this um free energy device

362
00:14:26,470 --> 00:14:25,199
to operate without protocol overheating

363
00:14:28,870 --> 00:14:26,480

at any point

364

00:14:29,509 --> 00:14:28,880

okay and if you combine these three

365

00:14:31,430 --> 00:14:29,519

things

366

00:14:33,189 --> 00:14:31,440

the room temperature superconductor the

367

00:14:35,910 --> 00:14:33,199

free energy device and

368

00:14:37,670 --> 00:14:35,920

the tr3b anti-gravity craft together

369

00:14:39,189 --> 00:14:37,680

then you get the space force this is

370

00:14:42,629 --> 00:14:39,199

where we get the space force

371

00:14:44,069 --> 00:14:42,639

so while you're at easter talk about the

372

00:14:46,550 --> 00:14:44,079

space force talk about

373

00:14:48,310 --> 00:14:46,560

getting this back to the public i can't

374

00:14:49,829 --> 00:14:48,320

wait until easter dinner to tell

375

00:14:51,750 --> 00:14:49,839

all my friends and family about the

376

00:14:59,269 --> 00:14:51,760

space force and the secret

377

00:15:01,590 --> 00:14:59,279

patents that just got revealed yeah

378

00:15:02,310 --> 00:15:01,600

you know it's can't wait it's fly to

379

00:15:05,430 --> 00:15:02,320

venus

380

00:15:06,949 --> 00:15:05,440

have a picnic [h__\h] yeah i think mars

381

00:15:09,189 --> 00:15:06,959

might be a better pet though

382

00:15:10,550 --> 00:15:09,199

yeah doing that this is a real thing

383

00:15:12,389 --> 00:15:10,560

that this is the future

384

00:15:14,150 --> 00:15:12,399

because everybody likes hearing about

385

00:15:15,670 --> 00:15:14,160

the future everybody likes the idea of

386

00:15:17,350 --> 00:15:15,680

going out into space

387

00:15:19,030 --> 00:15:17,360

okay nobody's going to want to hear

388

00:15:21,110 --> 00:15:19,040

about these dumbs being destroyed with

389

00:15:22,310 --> 00:15:21,120

earthquake machines or children being

390

00:15:23,910 --> 00:15:22,320

rescued or

391

00:15:27,670 --> 00:15:23,920

satan is drinking adrenochrome they

392

00:15:32,389 --> 00:15:30,470

he just hit like every uh conspiracy

393

00:15:33,749 --> 00:15:32,399

land hot spot there the satanic

394

00:15:36,870 --> 00:15:33,759

pedophiles the mole

395

00:15:39,030 --> 00:15:36,880

children the adrena chrome drinking

396

00:15:40,629 --> 00:15:39,040

right like trying to tell other people

397

00:15:41,910 --> 00:15:40,639

that are like really asleep

398

00:15:43,430 --> 00:15:41,920

okay they don't want to hear that stuff

399

00:15:44,629 --> 00:15:43,440

what they do want to hear though is the

400

00:15:46,629 --> 00:15:44,639

about the future

401
00:15:47,990 --> 00:15:46,639
they want to hear about us going out

402
00:15:50,389 --> 00:15:48,000
into space they want to hear about free

403
00:15:52,230 --> 00:15:50,399
energy so not ever having to pay for gas

404
00:15:53,509 --> 00:15:52,240
not ever having to pay for electricity

405
00:15:55,990 --> 00:15:53,519
ever again

406
00:15:58,870 --> 00:15:56,000
okay not ever having to pay to say like

407
00:16:00,870 --> 00:15:58,880
pay a toll at a bridge or on a road

408
00:16:02,310 --> 00:16:00,880
okay that essentially we're talking

409
00:16:05,430 --> 00:16:02,320
about flying craft

410
00:16:08,550 --> 00:16:05,440
all over the the globe going from london

411
00:16:11,590 --> 00:16:08,560
to la and the snap of a finger

412
00:16:12,949 --> 00:16:11,600
honk kong to paris in the snap of a

413
00:16:14,710 --> 00:16:12,959

finger

414

00:16:15,910 --> 00:16:14,720

okay that's what we are talking about

415

00:16:17,670 --> 00:16:15,920

here you guys we're talking about the

416

00:16:19,990 --> 00:16:17,680

future of community so this is what

417

00:16:21,670 --> 00:16:20,000

the plan is okay we're going to get a

418

00:16:22,310 --> 00:16:21,680

little more in the depth as to why this

419

00:16:24,949 --> 00:16:22,320

is the plan

420

00:16:25,350 --> 00:16:24,959

why we're choosing to do this now what i

421

00:16:28,790 --> 00:16:25,360

don't

422

00:16:30,710 --> 00:16:28,800

alphabet telling us about our jetsons

423

00:16:31,590 --> 00:16:30,720

like future with flying cars and all

424

00:16:34,310 --> 00:16:31,600

this

425

00:16:36,150 --> 00:16:34,320

[h__h] not so much not so much so he's

426

00:16:38,870 --> 00:16:36,160

just kind of telling us that that

427

00:16:39,670 --> 00:16:38,880

this is a new plan man forget the old

428

00:16:45,269 --> 00:16:39,680

plan

429

00:16:48,710 --> 00:16:45,279

been hidden in the back pocket

430

00:16:50,790 --> 00:16:48,720

just hanging out now 5d chess move

431

00:16:53,110 --> 00:16:50,800

what exactly it is that the bigger

432

00:16:55,269 --> 00:16:53,120

picture looks like from our perspective

433

00:16:56,710 --> 00:16:55,279

and how each individual american

434

00:16:59,269 --> 00:16:56,720

yourself myself and

435

00:17:00,069 --> 00:16:59,279

everybody in the world actually fits

436

00:17:01,990 --> 00:17:00,079

into

437

00:17:03,990 --> 00:17:02,000

this on like a global scale and they're

438

00:17:05,909 --> 00:17:04,000

either playing for one side or the other

439

00:17:06,949 --> 00:17:05,919

whether or not they know it so that's

440

00:17:07,829 --> 00:17:06,959

what we're going to talk about in this

441

00:17:09,510 --> 00:17:07,839

video that's what we're going to get

442

00:17:11,909 --> 00:17:09,520

into detail about so let's get started

443

00:17:15,990 --> 00:17:14,390

you must have some notes okie dokie so

444

00:17:19,110 --> 00:17:16,000

let's start with the idea

445

00:17:20,309 --> 00:17:19,120

that you guys are so so so well we are

446

00:17:22,710 --> 00:17:20,319

so proud of you

447

00:17:23,669 --> 00:17:22,720

we are so happy that you guys have come

448

00:17:26,309 --> 00:17:23,679

this far

449

00:17:26,710 --> 00:17:26,319

all right yeah you made it through this

450

00:17:29,750 --> 00:17:26,720

much

451

00:17:33,909 --> 00:17:29,760

[\h__\h] you are we're proud of you

452

00:17:35,909 --> 00:17:33,919

you later four years of [\h__\h] you've

453

00:17:38,710 --> 00:17:35,919

made it through four years of [\h__\h]

454

00:17:40,230 --> 00:17:38,720

now i got some new level up [\h__\h] for

455

00:17:43,270 --> 00:17:40,240

you

456

00:17:46,310 --> 00:17:43,280

this is just crazy daniel this is

457

00:17:47,990 --> 00:17:46,320

like crazy level maximum

458

00:17:49,430 --> 00:17:48,000

even the presentation even the

459

00:17:51,909 --> 00:17:49,440

presentation is like

460

00:17:53,750 --> 00:17:51,919

i know look at this he's got like hello

461

00:17:57,150 --> 00:17:53,760

kitty or is that like pikachu

462

00:18:01,750 --> 00:17:57,160

and [\h__\h] mixed with like babies and

463

00:18:04,310 --> 00:18:01,760

skydivers oh

464

00:18:06,630 --> 00:18:04,320

yeah you haven't necessarily understood

465

00:18:09,990 --> 00:18:06,640

all the comms or all the communications

466

00:18:11,430 --> 00:18:10,000

or the seen the patterns but that's okay

467

00:18:13,510 --> 00:18:11,440

other people figured it out and they

468

00:18:15,510 --> 00:18:13,520

relayed the concept and then you got

469

00:18:17,190 --> 00:18:15,520

what they were saying but there still

470

00:18:18,390 --> 00:18:17,200

have been some people that just haven't

471

00:18:20,390 --> 00:18:18,400

fully understood

472

00:18:22,070 --> 00:18:20,400

and they feel like cue isn't doing

473

00:18:23,270 --> 00:18:22,080

anything they feel like there isn't any

474

00:18:24,789 --> 00:18:23,280

movement going on

475

00:18:25,990 --> 00:18:24,799

but that's because in many cases these

476
00:18:26,870 --> 00:18:26,000
are people that are paying attention to

477
00:18:28,710 --> 00:18:26,880
the surface

478
00:18:29,830 --> 00:18:28,720
they're focused on trying to convert

479
00:18:31,590 --> 00:18:29,840
their friends or their family and

480
00:18:34,070 --> 00:18:31,600
they're not seeing the way that

481
00:18:36,789 --> 00:18:34,080
there's all sorts of changes going on

482
00:18:41,110 --> 00:18:38,549
yeah there have been changes going on

483
00:18:43,350 --> 00:18:41,120
daniel like you know

484
00:18:45,270 --> 00:18:43,360
in november when that election happened

485
00:18:48,710 --> 00:18:45,280
there were some changes to plan

486
00:18:50,630 --> 00:18:48,720
and then you know january 5th you know

487
00:18:52,950 --> 00:18:50,640
there were some more changes to the plan

488
00:18:55,430 --> 00:18:52,960

and then the inauguration happened and

489

00:18:56,150 --> 00:18:55,440

more changes to the plan but don't don't

490

00:18:58,230 --> 00:18:56,160

don't

491

00:18:59,669 --> 00:18:58,240

forget though like the real inauguration

492

00:19:02,710 --> 00:18:59,679

is going to be march 4

493

00:19:04,310 --> 00:19:02,720

that's when uh trump isn't going to be

494

00:19:05,669 --> 00:19:04,320

inaudible as the president yeah that's

495

00:19:06,230 --> 00:19:05,679

what you're saying now friends they're

496

00:19:09,190 --> 00:19:06,240

saying that

497

00:19:11,029 --> 00:19:09,200

it's all it's all an operation they're

498

00:19:11,590 --> 00:19:11,039

all going to get arrested those people

499

00:19:13,350 --> 00:19:11,600

that

500

00:19:15,029 --> 00:19:13,360

fraud their way into the white house

501
00:19:17,430 --> 00:19:15,039
they're all going to get arrested

502
00:19:18,789 --> 00:19:17,440
and uh trump is going to come riding

503
00:19:22,870 --> 00:19:18,799
back on his white horse

504
00:19:24,789 --> 00:19:22,880
and take over again on march 4th

505
00:19:26,630 --> 00:19:24,799
that way it doesn't disrupt the

506
00:19:28,950 --> 00:19:26,640
majority's

507
00:19:30,230 --> 00:19:28,960
paradigm essentially at least not too

508
00:19:31,590 --> 00:19:30,240
much so

509
00:19:33,270 --> 00:19:31,600
you guys have done a really good job at

510
00:19:34,950 --> 00:19:33,280
connecting the dots today is kind of

511
00:19:35,510 --> 00:19:34,960
like graduation day i'm going to help

512
00:19:38,549 --> 00:19:35,520
you to

513
00:19:39,190 --> 00:19:38,559

go from a a simple trail of breadcrumbs

514

00:19:40,630 --> 00:19:39,200

to a whole

515

00:19:42,390 --> 00:19:40,640

to working with whole loaves of

516

00:19:43,669 --> 00:19:42,400

information okay

517

00:19:45,510 --> 00:19:43,679

so instead of getting bread crumbs

518

00:19:47,590 --> 00:19:45,520

you're going to get a whole loaf

519

00:19:49,590 --> 00:19:47,600

you start getting whole loaves that way

520

00:19:51,830 --> 00:19:49,600

we can really start moving forward i'm

521

00:19:52,870 --> 00:19:51,840

in parables like jesus he did his

522

00:19:55,830 --> 00:19:52,880

homework on a

523

00:19:56,630 --> 00:19:55,840

ground of cons you have been getting

524

00:19:58,870 --> 00:19:56,640

whole loaves

525

00:20:00,870 --> 00:19:58,880

if you just watched my videos okay i

526
00:20:02,070 --> 00:20:00,880
talk about stargates i talk about aliens

527
00:20:03,590 --> 00:20:02,080
if you're really into that

528
00:20:05,190 --> 00:20:03,600
i talk about understanding the enemy's

529
00:20:06,549 --> 00:20:05,200
strategy and how it is that these

530
00:20:07,190 --> 00:20:06,559
volvo's been trying to take over the

531
00:20:09,029 --> 00:20:07,200
globe

532
00:20:10,630 --> 00:20:09,039
i talk about economics i talk about the

533
00:20:12,470 --> 00:20:10,640
health care system i talk about the

534
00:20:13,110 --> 00:20:12,480
education system okay i talk about all

535
00:20:15,830 --> 00:20:13,120
of it

536
00:20:16,950 --> 00:20:15,840
all right so in this video we're going

537
00:20:18,070 --> 00:20:16,960
to help you to level up we're going to

538
00:20:19,430 --> 00:20:18,080

help you to read the columns we're going

539

00:20:20,710 --> 00:20:19,440

to help you to read in between the lines

540

00:20:23,270 --> 00:20:20,720

a little bit and see

541

00:20:24,230 --> 00:20:23,280

these movements oh my god this guy's

542

00:20:29,590 --> 00:20:24,240

gonna help us

543

00:20:32,830 --> 00:20:29,600

i think jordan said he needs to step up

544

00:20:41,110 --> 00:20:32,840

his game because this guy is just

545

00:20:44,390 --> 00:20:42,870

and we're going to hopefully turn our uh

546

00:20:47,510 --> 00:20:44,400

some of the people within the

547

00:20:50,549 --> 00:20:47,520

our army of digital soldiers into

548

00:20:51,270 --> 00:20:50,559

uh yeah the keyboard warriors hold the

549

00:20:53,510 --> 00:20:51,280

line

550

00:20:56,870 --> 00:20:53,520

right they were all saying that what's

551
00:21:00,710 --> 00:20:56,880
like using military terms like coms

552
00:21:03,270 --> 00:21:00,720
and briefings and intel drops

553
00:21:04,789 --> 00:21:03,280
yeah they're keyboard warriors bro like

554
00:21:06,549 --> 00:21:04,799
but in the bad sense

555
00:21:08,390 --> 00:21:06,559
you know it's like some fat guy that

556
00:21:11,510 --> 00:21:08,400
loses his mom's basement

557
00:21:12,870 --> 00:21:11,520
right it's just fantastic i haven't seen

558
00:21:16,310 --> 00:21:12,880
a real live woman

559
00:21:19,430 --> 00:21:16,320
in like months right you know

560
00:21:21,430 --> 00:21:19,440
this from this into this okay forgive

561
00:21:24,549 --> 00:21:21,440
the miss speech

562
00:21:25,510 --> 00:21:24,559
okay so reading it in the quote-unquote

563
00:21:28,870 --> 00:21:25,520

normal way this

564

00:21:31,990 --> 00:21:28,880

message would read nothing read is ever

565

00:21:33,750 --> 00:21:32,000

between what it the lines seems

566

00:21:35,909 --> 00:21:33,760

but if you read it with an informed

567

00:21:39,270 --> 00:21:35,919

understanding it comes out

568

00:21:41,350 --> 00:21:39,280

nothing is ever what it seems read

569

00:21:44,390 --> 00:21:41,360

between the lines

570

00:21:46,070 --> 00:21:44,400

okay so in the intelligence community

571

00:21:47,909 --> 00:21:46,080

this is how they

572

00:21:50,230 --> 00:21:47,919

this guy's good man he's like using

573

00:21:51,590 --> 00:21:50,240

magic tricks daniel james

574

00:21:53,430 --> 00:21:51,600

yeah well you know where you have to

575

00:21:55,430 --> 00:21:53,440

read in between the lines they don't

576

00:21:56,549 --> 00:21:55,440

always tell you write out what exactly

577

00:21:58,789 --> 00:21:56,559

they're trying to say

578

00:22:00,870 --> 00:21:58,799

in many cases they use symbolism or

579

00:22:02,390 --> 00:22:00,880

memes or all sorts of ways of

580

00:22:04,230 --> 00:22:02,400

communicating yeah and i've heard this

581

00:22:05,830 --> 00:22:04,240

explanation from all of these guys

582

00:22:07,350 --> 00:22:05,840

about why nothing happened that was

583

00:22:09,350 --> 00:22:07,360

supposed to happen well

584

00:22:11,029 --> 00:22:09,360

we didn't maybe we didn't read the drops

585

00:22:14,470 --> 00:22:11,039

right you know

586

00:22:18,230 --> 00:22:14,480

uh maybe the dates uh were coded it's

587

00:22:21,669 --> 00:22:18,240

garbage it's every excuse

588

00:22:23,830 --> 00:22:21,679

absolutely yeah odd words and this is

589

00:22:26,230 --> 00:22:23,840

very important to understand

590

00:22:27,590 --> 00:22:26,240

okay that many of you do understand it

591

00:22:28,789 --> 00:22:27,600

and you understand that if you follow

592

00:22:30,390 --> 00:22:28,799

the white rabbit

593

00:22:32,230 --> 00:22:30,400

that you have been being prepped for

594

00:22:33,510 --> 00:22:32,240

something that you are a self-selected

595

00:22:35,029 --> 00:22:33,520

individual within

596

00:22:36,470 --> 00:22:35,039

either the republic of the

597

00:22:37,590 --> 00:22:36,480

constitutional republic of the united

598

00:22:40,549 --> 00:22:37,600

states of america

599

00:22:44,870 --> 00:22:40,559

or you are a citizen of your uh foreign

600

00:22:47,590 --> 00:22:44,880

nation to the united states of america

601
00:22:48,070 --> 00:22:47,600
um anyway so he just said there's two

602
00:22:49,590 --> 00:22:48,080
different

603
00:22:51,270 --> 00:22:49,600
americas that's another thing that

604
00:22:53,669 --> 00:22:51,280
they're pushing right and

605
00:22:54,789 --> 00:22:53,679
correct yeah trump is going to be the

606
00:22:58,230 --> 00:22:54,799
leader of the

607
00:23:01,430 --> 00:22:58,240
of the bet of the republic of america

608
00:23:02,470 --> 00:23:01,440
oh my god no this has been going on all

609
00:23:04,310 --> 00:23:02,480
over the globe and this

610
00:23:05,669 --> 00:23:04,320
hugh movement is actually a global

611
00:23:07,590 --> 00:23:05,679
movement okay

612
00:23:08,710 --> 00:23:07,600
full of self-selected individuals that

613
00:23:10,310 --> 00:23:08,720

have been seeing this

614

00:23:11,990 --> 00:23:10,320

pattern in their self-selected

615

00:23:13,669 --> 00:23:12,000

individuals they followed the white

616

00:23:15,669 --> 00:23:13,679

rabbit down the rabbit hole

617

00:23:17,270 --> 00:23:15,679

and more and more individuals started

618

00:23:18,710 --> 00:23:17,280

taking this leap of faith and then

619

00:23:20,710 --> 00:23:18,720

eventually everybody started to end up

620

00:23:22,470 --> 00:23:20,720

connecting and sharing information

621

00:23:24,630 --> 00:23:22,480

and everybody started seeing the same

622

00:23:25,270 --> 00:23:24,640

patterns okay and this was the intended

623

00:23:27,430 --> 00:23:25,280

idea

624

00:23:29,750 --> 00:23:27,440

everybody was neuro-linguistically

625

00:23:32,630 --> 00:23:29,760

reprogramming themselves to the truth

626
00:23:33,350 --> 00:23:32,640
based on disseminating our own

627
00:23:35,190 --> 00:23:33,360
government

628
00:23:36,870 --> 00:23:35,200
real information we're talking about

629
00:23:37,669 --> 00:23:36,880
real information of what's actually

630
00:23:40,230 --> 00:23:37,679
going on

631
00:23:42,470 --> 00:23:40,240
to the people for the first time in

632
00:23:44,789 --> 00:23:42,480
quite some time

633
00:23:47,909 --> 00:23:44,799
all right and now he's so happy with

634
00:23:53,110 --> 00:23:50,710
good job wasn't this [h__\h] part of

635
00:23:55,830 --> 00:23:53,120
the reason why this was done

636
00:23:56,950 --> 00:23:55,840
is to end up amassing this group of

637
00:23:58,630 --> 00:23:56,960
individuals

638
00:24:00,070 --> 00:23:58,640

that understand what's actually going on

639

00:24:00,789 --> 00:24:00,080

and having these individuals all be

640

00:24:02,950 --> 00:24:00,799

people that

641

00:24:04,310 --> 00:24:02,960

came to these conclusions themselves not

642

00:24:05,909 --> 00:24:04,320

necessarily something that they were

643

00:24:07,830 --> 00:24:05,919

told to think

644

00:24:09,350 --> 00:24:07,840

okay part of the reason why the plan has

645

00:24:11,430 --> 00:24:09,360

been kept quote unquote secret and why

646

00:24:13,269 --> 00:24:11,440

we're asking you to trust this plan

647

00:24:14,630 --> 00:24:13,279

is because we're talking about warfare

648

00:24:17,510 --> 00:24:14,640

here and loose lips

649

00:24:18,470 --> 00:24:17,520

sink ships and there if the enemy ends

650

00:24:20,950 --> 00:24:18,480

up figuring out

651
00:24:22,470 --> 00:24:20,960
what the information that we really are

652
00:24:25,029 --> 00:24:22,480
like communicating to each other

653
00:24:28,470 --> 00:24:25,039
is then they are far more able to take

654
00:24:30,070 --> 00:24:28,480
down our plans and destroy the plan

655
00:24:31,669 --> 00:24:30,080
i like this one stephen because it's

656
00:24:34,149 --> 00:24:31,679
like it's

657
00:24:35,669 --> 00:24:34,159
excusing why there's you know some of

658
00:24:37,269 --> 00:24:35,679
the drops don't come true oh that was

659
00:24:40,310 --> 00:24:37,279
just disinformation

660
00:24:45,350 --> 00:24:40,320
ignore those ones that's the [h__\h]

661
00:24:49,430 --> 00:24:47,750
so we are at a stage with the plan now

662
00:24:49,990 --> 00:24:49,440
where i can come forward and i can tell

663
00:24:52,310 --> 00:24:50,000

you this

664

00:24:53,350 --> 00:24:52,320

is the next step this is where we're

665

00:24:55,269 --> 00:24:53,360

going next

666

00:24:56,390 --> 00:24:55,279

yeah and of all the people in the world

667

00:24:59,669 --> 00:24:56,400

this guy knows

668

00:25:01,909 --> 00:24:59,679

what happens next right this guy

669

00:25:04,549 --> 00:25:01,919

yeah they all know what's gonna happen

670

00:25:06,310 --> 00:25:04,559

next but they were also wrong about all

671

00:25:06,870 --> 00:25:06,320

this [h__\h] that they talked for four

672

00:25:09,510 --> 00:25:06,880

years

673

00:25:10,870 --> 00:25:09,520

it's incredible and if you understand

674

00:25:12,870 --> 00:25:10,880

these comms here

675

00:25:14,230 --> 00:25:12,880

then you can see how what it is that i'm

676
00:25:17,990 --> 00:25:14,240
saying makes sense

677
00:25:20,310 --> 00:25:18,000
okay in many cases throughout this

678
00:25:21,110 --> 00:25:20,320
process to protect the integrity of the

679
00:25:23,990 --> 00:25:21,120
plan

680
00:25:24,470 --> 00:25:24,000
and to help you know people kind of just

681
00:25:27,750 --> 00:25:24,480
trust

682
00:25:29,669 --> 00:25:27,760
us you know at the highest levels

683
00:25:31,269 --> 00:25:29,679
we've a lot of people have been this way

684
00:25:32,710 --> 00:25:31,279
and they've gotten really really savage

685
00:25:33,669 --> 00:25:32,720
with people that are leaders in this

686
00:25:36,230 --> 00:25:33,679
community

687
00:25:37,909 --> 00:25:36,240
okay and they've tried to to in many

688
00:25:38,789 --> 00:25:37,919

cases they've acted like disinformation

689

00:25:40,630 --> 00:25:38,799

agents or

690

00:25:42,070 --> 00:25:40,640

they have uh actually been

691

00:25:44,870 --> 00:25:42,080

disinformation agents

692

00:25:45,750 --> 00:25:44,880

that are trying to mar and star the

693

00:25:49,190 --> 00:25:45,760

leadership

694

00:25:50,710 --> 00:25:49,200

okay so this is yeah uh because people

695

00:25:51,750 --> 00:25:50,720

came out and said that these are all

696

00:25:54,149 --> 00:25:51,760

full of [h__\h]

697

00:25:55,110 --> 00:25:54,159

so they're trying to mar and scar us

698

00:25:57,990 --> 00:25:55,120

right exactly

699

00:25:58,630 --> 00:25:58,000

yeah exactly this should we fast forward

700

00:26:00,950 --> 00:25:58,640

a little bit

701

00:26:03,110 --> 00:26:00,960

this is not getting any better skip to

702

00:26:06,070 --> 00:26:03,120

where he starts talking about like uh

703

00:26:08,870 --> 00:26:06,080

all of the wonderful things that are

704

00:26:11,190 --> 00:26:08,880

gonna come with the free energy and [h__h]

705

00:26:13,269 --> 00:26:11,200

do you have any idea what where about

706

00:26:14,950 --> 00:26:13,279

that is we're 10 minutes

707

00:26:16,470 --> 00:26:14,960

i don't have any time stamps so just

708

00:26:20,549 --> 00:26:16,480

just wear it all right we'll just go

709

00:26:23,909 --> 00:26:20,559

it's all around here yeah

710

00:26:25,430 --> 00:26:23,919

all right all of these things everything

711

00:26:28,470 --> 00:26:25,440

that we're disclosing to you this is

712

00:26:31,990 --> 00:26:28,480

full disclosure you guys

713

00:26:34,390 --> 00:26:32,000

okay this is the plan is full disclosure

714

00:26:35,830 --> 00:26:34,400

at least about the anti-gravity craft

715

00:26:38,070 --> 00:26:35,840

about the free energy

716

00:26:40,390 --> 00:26:38,080

about the existence of uaps or

717

00:26:42,549 --> 00:26:40,400

unidentified aerial phenomena

718

00:26:45,669 --> 00:26:42,559

that the fact that we have a military

719

00:26:47,350 --> 00:26:45,679

policy to deal with these things

720

00:26:48,789 --> 00:26:47,360

and the fact that we have a space force

721

00:26:50,830 --> 00:26:48,799

you guys we have a space where this is

722

00:26:57,909 --> 00:26:50,840

the future man this is what we talked

723

00:27:01,750 --> 00:26:59,669

and i know about all this stuff because

724

00:27:02,630 --> 00:27:01,760

i'm captain america and i'm a super

725

00:27:05,909 --> 00:27:02,640

soldier

726

00:27:07,590 --> 00:27:05,919

for the us navy in eggs with all that

727

00:27:08,789 --> 00:27:07,600

said um

728

00:27:10,710 --> 00:27:08,799

what i'm going to do is i'm going to get

729

00:27:13,750 --> 00:27:10,720

into a little more depth as

730

00:27:15,350 --> 00:27:13,760

to the dual sides to the military

731

00:27:17,029 --> 00:27:15,360

industrial complex okay

732

00:27:18,549 --> 00:27:17,039

because if you guys really are if you're

733

00:27:21,750 --> 00:27:18,559

still with me then

734

00:27:23,830 --> 00:27:21,760

i'm going to get barely with them okay

735

00:27:25,669 --> 00:27:23,840

we're barely with you this is how you we

736

00:27:28,070 --> 00:27:25,679

can look at it

737

00:27:29,750 --> 00:27:28,080

in a way that completely transforms our

738

00:27:31,590 --> 00:27:29,760

perspective in our paradigm

739

00:27:33,430 --> 00:27:31,600

okay and i'm sure many of you are

740

00:27:34,870 --> 00:27:33,440

already thinking along these lines and

741

00:27:37,430 --> 00:27:34,880

what it is that i'm doing for you

742

00:27:39,269 --> 00:27:37,440

is just verification and that's also

743

00:27:40,230 --> 00:27:39,279

part of this it's about reinforcing in

744

00:27:42,070 --> 00:27:40,240

your minds

745

00:27:43,590 --> 00:27:42,080

the fact that you do understand and know

746

00:27:44,710 --> 00:27:43,600

the truth

747

00:27:46,310 --> 00:27:44,720

this is kind of like all right we're

748

00:27:47,430 --> 00:27:46,320

going to fast forward again see if this

749

00:27:50,630 --> 00:27:47,440

gets any better um

750

00:27:52,870 --> 00:27:50,640

we're talking about the idea of creating

751
00:27:54,710 --> 00:27:52,880
um crops and stuff out in the middle of

752
00:27:56,549 --> 00:27:54,720
the ocean as opposed to digging up

753
00:27:57,909 --> 00:27:56,559
the earth and creating farming in that

754
00:28:00,830 --> 00:27:57,919
way we're talking about a

755
00:28:09,510 --> 00:28:00,840
symbiotic because that's much more

756
00:28:15,909 --> 00:28:12,710
they want to disassemble the corrupt

757
00:28:17,590 --> 00:28:15,919
and uh evil power structures that are

758
00:28:19,110 --> 00:28:17,600
already existing and creating this whole

759
00:28:20,870 --> 00:28:19,120
other system that is destroying the

760
00:28:23,430 --> 00:28:20,880
planet and enslaving the people

761
00:28:25,230 --> 00:28:23,440
okay so how would they do that though

762
00:28:27,350 --> 00:28:25,240
how do you get rid of a global

763
00:28:29,909 --> 00:28:27,360

socio-economic geopolitical

764

00:28:30,389 --> 00:28:29,919

force that is based in like all these

765

00:28:32,710 --> 00:28:30,399

other

766

00:28:34,070 --> 00:28:32,720

evil aspects of the psychic stuff

767

00:28:35,750 --> 00:28:34,080

involving satanism

768

00:28:37,669 --> 00:28:35,760

whether it be the economic stuff

769

00:28:38,789 --> 00:28:37,679

involving parasitism and the destruction

770

00:28:41,350 --> 00:28:38,799

of ecosystems

771

00:28:42,789 --> 00:28:41,360

whether it be the uh corrupt like law

772

00:28:43,990 --> 00:28:42,799

side and the way that these individuals

773

00:28:45,590 --> 00:28:44,000

have hijacked governments and have

774

00:28:47,029 --> 00:28:45,600

created laws with loopholes and allow

775

00:28:49,750 --> 00:28:47,039

them to do whatever they want yeah

776

00:28:51,110 --> 00:28:49,760

like how do you stop that how do you

777

00:28:52,710 --> 00:28:51,120

stop a a a

778

00:28:54,149 --> 00:28:52,720

cabal that has like time travel

779

00:28:56,230 --> 00:28:54,159

technology that has psychotronic

780

00:29:01,909 --> 00:28:56,240

weaponry

781

00:29:04,149 --> 00:29:01,919

and psychotronic weapons how are we

782

00:29:06,549 --> 00:29:04,159

going to stop them daniel james

783

00:29:08,149 --> 00:29:06,559

well if they've got time travel why

784

00:29:09,510 --> 00:29:08,159

wouldn't they be winning like if we

785

00:29:10,870 --> 00:29:09,520

haven't got that technology and they've

786

00:29:11,990 --> 00:29:10,880

got it like surely they'll be able to

787

00:29:15,830 --> 00:29:12,000

travel back and stop

788

00:29:18,070 --> 00:29:15,840

us man i don't know it's even i think um

789

00:29:19,510 --> 00:29:18,080

like as far as fighting the deep state

790

00:29:22,470 --> 00:29:19,520

and all that kind of stuff

791

00:29:24,549 --> 00:29:22,480

these guys on reddit tanking the stock

792

00:29:27,750 --> 00:29:24,559

market at wall street have done more

793

00:29:29,750 --> 00:29:27,760

more to yeah

794

00:29:31,510 --> 00:29:29,760

and listen i i don't have anything

795

00:29:33,669 --> 00:29:31,520

against rich people but i just have to

796

00:29:36,710 --> 00:29:33,679

say that when i see a story like that

797

00:29:37,110 --> 00:29:36,720

i say good good and i'm allowed to think

798

00:29:40,789 --> 00:29:37,120

that

799

00:29:41,110 --> 00:29:40,799

because you know i've been [h__\h] over

800

00:29:43,909 --> 00:29:41,120

by

801
00:29:44,710 --> 00:29:43,919
corporations more than the next guy has

802
00:29:46,710 --> 00:29:44,720
right

803
00:29:47,830 --> 00:29:46,720
i worked in corporate america for a long

804
00:29:51,430 --> 00:29:47,840
time i got

805
00:29:53,750 --> 00:29:51,440
[h__h] royally daily with no lube

806
00:29:55,029 --> 00:29:53,760
and seeing the evil that these

807
00:29:57,510 --> 00:29:55,039
corporations are

808
00:29:58,630 --> 00:29:57,520
especially it seems like the higher up

809
00:30:01,269 --> 00:29:58,640
you go

810
00:30:03,590 --> 00:30:01,279
the like more evil you get right so you

811
00:30:05,029 --> 00:30:03,600
get to like the ceo is like dracula

812
00:30:07,190 --> 00:30:05,039
level evil with like

813
00:30:09,590 --> 00:30:07,200

dark superpowers and then the people

814

00:30:13,029 --> 00:30:09,600

around him are always minions

815

00:30:15,269 --> 00:30:13,039

yeah all right let's see what else this

816

00:30:16,950 --> 00:30:15,279

clown is going to say this is i'm going

817

00:30:18,870 --> 00:30:16,960

to facebook again though because he's

818

00:30:20,630 --> 00:30:18,880

i can't believe he did this ramble for

819

00:30:23,190 --> 00:30:20,640

like an hour right

820

00:30:27,110 --> 00:30:23,200

jeez look at the the pictures like in

821

00:30:30,710 --> 00:30:29,430

it looks like he like collected [h__\h] off

822

00:30:33,510 --> 00:30:30,720

his facebook feed

823

00:30:34,470 --> 00:30:33,520

and glued it all together right okay and

824

00:30:36,549 --> 00:30:34,480

it'll tell you what

825

00:30:37,990 --> 00:30:36,559

mind control population or basically

826
00:30:39,909 --> 00:30:38,000
mass enslavement

827
00:30:42,149 --> 00:30:39,919
through the monopolies that they have on

828
00:30:43,590 --> 00:30:42,159
already existing resources and media

829
00:30:45,510 --> 00:30:43,600
outlets okay

830
00:30:47,750 --> 00:30:45,520
they want the illusion of scarcity

831
00:30:50,630 --> 00:30:47,760
everywhere for the sake of control

832
00:30:52,710 --> 00:30:50,640
and their own personal profit okay they

833
00:30:54,070 --> 00:30:52,720
want for the illusion of scarcity in the

834
00:30:56,149 --> 00:30:54,080
presence of abundance

835
00:30:57,590 --> 00:30:56,159
to create fear and mass hysteria that

836
00:31:00,950 --> 00:30:57,600
they control

837
00:31:01,509 --> 00:31:00,960
okay they want chaos they want violence

838
00:31:04,710 --> 00:31:01,519

they want

839

00:31:07,750 --> 00:31:04,720

things

840

00:31:09,029 --> 00:31:07,760

allow them to clamp down with more

841

00:31:11,269 --> 00:31:09,039

control

842

00:31:12,230 --> 00:31:11,279

and and more reason to quote unquote

843

00:31:15,669 --> 00:31:12,240

have the

844

00:31:17,430 --> 00:31:15,679

uh un step in or yadda yadda

845

00:31:19,110 --> 00:31:17,440

you know you know what this reminds me

846

00:31:20,710 --> 00:31:19,120

of daniel james have you ever been at a

847

00:31:23,190 --> 00:31:20,720

party or something

848

00:31:25,190 --> 00:31:23,200

and like some dude comes in with like

849

00:31:27,590 --> 00:31:25,200

wonder joints or like some kind of real

850

00:31:30,149 --> 00:31:27,600

high grade pot and smokes himself

851
00:31:31,590 --> 00:31:30,159
real bad and then he just starts on the

852
00:31:33,509 --> 00:31:31,600
conspiracy land

853
00:31:35,430 --> 00:31:33,519
[h__h] telling us telling everybody the

854
00:31:39,029 --> 00:31:35,440
party about like the government

855
00:31:42,230 --> 00:31:39,039
and you know how we're all slaves and

856
00:31:44,149 --> 00:31:42,240
jesus it's like this guy it's like the

857
00:31:44,470 --> 00:31:44,159
guy at the party that smoked too much

858
00:31:46,310 --> 00:31:44,480
and

859
00:31:48,549 --> 00:31:46,320
started getting paranoid thinking about

860
00:31:50,230 --> 00:31:48,559
the government or something

861
00:31:52,149 --> 00:31:50,240
basically i have a feeling that that

862
00:31:55,590 --> 00:31:52,159
might be what happened here

863
00:31:57,750 --> 00:31:55,600

yep but he seems like he's reading off

864

00:31:58,389 --> 00:31:57,760

of notes like he actually prepared all

865

00:32:01,590 --> 00:31:58,399

this stuff

866

00:32:03,509 --> 00:32:01,600

like it's a presentation right

867

00:32:05,029 --> 00:32:03,519

he's waking up he tells steven he's

868

00:32:06,470 --> 00:32:05,039

working off his intel he's got

869

00:32:08,230 --> 00:32:06,480

he's got all the briefings and

870

00:32:11,350 --> 00:32:08,240

everything there ready to go

871

00:32:13,590 --> 00:32:11,360

it's from the highest levels

872

00:32:14,549 --> 00:32:13,600

i swear to god when i see this guy talk

873

00:32:16,870 --> 00:32:14,559

to i i

874

00:32:18,870 --> 00:32:16,880

i could see him saying like meeting

875

00:32:20,630 --> 00:32:18,880

david wilcock and saying like you

876

00:32:22,710 --> 00:32:20,640

you were right i learned this by

877

00:32:23,269 --> 00:32:22,720

watching you because it's very similar

878

00:32:25,269 --> 00:32:23,279

like just

879

00:32:26,870 --> 00:32:25,279

throw together a bunch of disconnected

880

00:32:29,830 --> 00:32:26,880

[h__\h] doesn't

881

00:32:31,430 --> 00:32:29,840

make any sense but you know connect the

882

00:32:34,070 --> 00:32:31,440

dots for stupid people

883

00:32:35,430 --> 00:32:34,080

right like yep all right we're gonna

884

00:32:37,990 --> 00:32:35,440

fast forward again

885

00:32:39,110 --> 00:32:38,000

oh now we're into uh wow look at it look

886

00:32:42,230 --> 00:32:39,120

at these graphics

887

00:32:44,470 --> 00:32:42,240

high quality

888

00:32:45,909 --> 00:32:44,480

in many cases privately owned deep

889

00:32:47,509 --> 00:32:45,919

underground bases

890

00:32:50,070 --> 00:32:47,519

oh he's getting into deep underground

891

00:32:52,310 --> 00:32:50,080

bases and and the experiments and stuff

892

00:32:55,669 --> 00:32:52,320

right

893

00:32:58,149 --> 00:32:55,679

kids in cages yeah not all

894

00:32:59,830 --> 00:32:58,159

but many of these billionaires build

895

00:33:01,350 --> 00:32:59,840

these things with their money

896

00:33:02,789 --> 00:33:01,360

many of these trillionaires many of

897

00:33:03,909 --> 00:33:02,799

these international bankers they build

898

00:33:05,509 --> 00:33:03,919

this stuff with their money through

899

00:33:07,990 --> 00:33:05,519

corporations that they own

900

00:33:08,549 --> 00:33:08,000

okay the the easiest way to take over is

901
00:33:13,029 --> 00:33:08,559
through

902
00:33:17,110 --> 00:33:13,039
the use of

903
00:33:20,310 --> 00:33:17,120
banks to control the system itself

904
00:33:21,990 --> 00:33:20,320
through money okay and if you

905
00:33:23,669 --> 00:33:22,000
control that system then you can do

906
00:33:25,190 --> 00:33:23,679
whatever you want

907
00:33:26,470 --> 00:33:25,200
with the money because you can just make

908
00:33:28,950 --> 00:33:26,480
more and more money you can just throw

909
00:33:31,110 --> 00:33:28,960
more more money on it so

910
00:33:32,630 --> 00:33:31,120
something like a deep underground base

911
00:33:34,870 --> 00:33:32,640
is nothing

912
00:33:36,549 --> 00:33:34,880
yeah let's just spend billions daniel

913
00:33:38,870 --> 00:33:36,559

james

914

00:33:40,789 --> 00:33:38,880

so we can hide the children in the cages

915

00:33:42,710 --> 00:33:40,799

and harvest the adrenochrome

916

00:33:44,230 --> 00:33:42,720

right that's what he's saying like

917

00:33:45,750 --> 00:33:44,240

they've all these billionaires have got

918

00:33:49,110 --> 00:33:45,760

their private supply of

919

00:33:50,710 --> 00:33:49,120

like adrenochrome because extensive

920

00:33:54,149 --> 00:33:50,720

underground bases full of

921

00:33:56,630 --> 00:33:54,159

you know tortured children it's just

922

00:33:57,830 --> 00:33:56,640

i don't know wow this is yeah this is a

923

00:34:00,549 --> 00:33:57,840

bridge too far for me

924

00:34:01,990 --> 00:34:00,559

it's nothing forget about it okay all

925

00:34:02,310 --> 00:34:02,000

the while they're watching the people

926
00:34:04,389 --> 00:34:02,320
with

927
00:34:06,789 --> 00:34:04,399
above the uh base are the people in

928
00:34:10,230 --> 00:34:06,799
these cities like a hawk

929
00:34:17,669 --> 00:34:14,069
dual sides dual sides okay

930
00:34:31,349 --> 00:34:17,679
of course the chess game it's a flowing

931
00:34:35,589 --> 00:34:33,750
one side is the q movement the follow

932
00:34:37,030 --> 00:34:35,599
the white rabbit the military basically

933
00:34:38,710 --> 00:34:37,040
people that are trying to protect the

934
00:34:39,990 --> 00:34:38,720
people people that have to realize when

935
00:34:41,669 --> 00:34:40,000
their country is being attacked when

936
00:34:44,230 --> 00:34:41,679
they're at war

937
00:34:45,349 --> 00:34:44,240
okay yeah and we're all at war and how

938
00:34:47,349 --> 00:34:45,359

to fight it

939

00:34:49,270 --> 00:34:47,359

okay so in this case it's about

940

00:34:52,310 --> 00:34:49,280

disseminating true information to help

941

00:34:54,149 --> 00:34:52,320

amass an army of digital soldiers and

942

00:34:55,510 --> 00:34:54,159

people that are inundated with the truth

943

00:34:55,909 --> 00:34:55,520

that have followed the white rabbit that

944

00:34:57,510 --> 00:34:55,919

have

945

00:34:59,030 --> 00:34:57,520

put all this stuff together on their own

946

00:35:00,390 --> 00:34:59,040

so that we can change the collective

947

00:35:02,390 --> 00:35:00,400

mind of the species and push this

948

00:35:04,550 --> 00:35:02,400

interdimensional force off our planet

949

00:35:06,349 --> 00:35:04,560

all at the same time so that i just

950

00:35:07,910 --> 00:35:06,359

caught that so the bad guys are an

951
00:35:11,030 --> 00:35:07,920
interdimensional force

952
00:35:12,310 --> 00:35:11,040
in his comic book daniel james yeah

953
00:35:14,390 --> 00:35:12,320
yeah and we're going to push him off the

954
00:35:16,310 --> 00:35:14,400
planet oh good

955
00:35:18,230 --> 00:35:16,320
good i'm glad there's gonna be a happy

956
00:35:20,390 --> 00:35:18,240
ending to this comic book then all work

957
00:35:22,150 --> 00:35:20,400
together in this full disclosure push

958
00:35:24,390 --> 00:35:22,160
to where it breaks this other gear and

959
00:35:27,190 --> 00:35:24,400
moves the humanity forward

960
00:35:28,310 --> 00:35:27,200
in like a a metaphysical and physical

961
00:35:31,190 --> 00:35:28,320
sense

962
00:35:32,710 --> 00:35:31,200
okay and it's really not hard to do when

963
00:35:34,310 --> 00:35:32,720

you realize oh we gotta fast forward

964

00:35:38,470 --> 00:35:34,320

again this guy is getting to me

965

00:35:40,950 --> 00:35:38,480

oh he's got a new slide there we go yep

966

00:35:42,829 --> 00:35:40,960

and you know i would be curious to know

967

00:35:45,349 --> 00:35:42,839

this gentleman's level of

968

00:35:46,950 --> 00:35:45,359

education because it's always curious to

969

00:35:48,710 --> 00:35:46,960

me that it's people like

970

00:35:50,790 --> 00:35:48,720

you know simon parks a driving

971

00:35:52,950 --> 00:35:50,800

instructor right or this guy

972

00:35:54,550 --> 00:35:52,960

that is some kind of expert on all this

973

00:35:56,550 --> 00:35:54,560

stuff right

974

00:35:58,550 --> 00:35:56,560

yeah i think if if they've got like the

975

00:36:01,750 --> 00:35:58,560

confidence and the um

976
00:36:04,069 --> 00:36:01,760
ability to to communicate it that's

977
00:36:05,829 --> 00:36:04,079
half the battle to get a lot of people

978
00:36:09,750 --> 00:36:05,839
believing in their [h__\h]

979
00:36:11,109 --> 00:36:09,760
yeah case in point guys

980
00:36:13,589 --> 00:36:11,119
is we're talking about using this

981
00:36:15,990 --> 00:36:13,599
technology to move our civilization

982
00:36:18,790 --> 00:36:16,000
forward as opposed to in sleep

983
00:36:19,670 --> 00:36:18,800
okay this is full disclosure this this

984
00:36:21,990 --> 00:36:19,680
is the goal

985
00:36:24,470 --> 00:36:22,000
of the military of the navy they just

986
00:36:29,030 --> 00:36:24,480
need they needed somebody to to move

987
00:36:32,150 --> 00:36:29,040
up and step forward okay and i'm him

988
00:36:34,470 --> 00:36:32,160

i'm special out of everybody on planet

989

00:36:35,430 --> 00:36:34,480

earth i was chosen to bring you this

990

00:36:38,550 --> 00:36:35,440

information

991

00:36:40,790 --> 00:36:38,560

because i'm so special right

992

00:36:41,750 --> 00:36:40,800

and i want to know what his superpowers

993

00:36:43,190 --> 00:36:41,760

are

994

00:36:44,950 --> 00:36:43,200

that's what i want to know but i don't

995

00:36:46,069 --> 00:36:44,960

think he talks about specifically what

996

00:36:48,150 --> 00:36:46,079

his superpowers are

997

00:36:49,349 --> 00:36:48,160

or how he got them just that he is a

998

00:36:51,990 --> 00:36:49,359

super soldier

999

00:36:53,349 --> 00:36:52,000

correct yeah it's disappointing i guess

1000

00:36:56,550 --> 00:36:53,359

you're saving that for like an

1001

00:36:58,950 --> 00:36:56,560

origins episode right you gotta

1002

00:37:00,470 --> 00:36:58,960

do like an episode later like sometimes

1003

00:37:02,310 --> 00:37:00,480

when they introduce a new comical

1004

00:37:03,670 --> 00:37:02,320

character they don't give you the origin

1005

00:37:04,950 --> 00:37:03,680

you know what i mean like you just gotta

1006

00:37:06,790 --> 00:37:04,960

read the comics for a while

1007

00:37:08,630 --> 00:37:06,800

but eventually if the character takes

1008

00:37:10,550 --> 00:37:08,640

off they'll do a backstory of the

1009

00:37:11,990 --> 00:37:10,560

character that's what he's going to do

1010

00:37:13,829 --> 00:37:12,000

yeah eventually we find out he's a

1011

00:37:17,190 --> 00:37:13,839

pleiadian and he's been sent

1012

00:37:19,910 --> 00:37:17,200

you know no i'm ben a.i

1013

00:37:21,270 --> 00:37:19,920

gu bone marrow injections that's what

1014

00:37:23,030 --> 00:37:21,280

i'm bad

1015

00:37:24,550 --> 00:37:23,040

it's like that wolverine that scene in

1016

00:37:27,190 --> 00:37:24,560

wolverine uh

1017

00:37:29,190 --> 00:37:27,200

origins they all use that the black goo

1018

00:37:31,829 --> 00:37:29,200

got injected into their

1019

00:37:32,710 --> 00:37:31,839

into their [h__\h] bone marrow and oh

1020

00:37:35,270 --> 00:37:32,720

that's great

1021

00:37:36,950 --> 00:37:35,280

and it took it took a lot you guys it

1022

00:37:39,990 --> 00:37:36,960

took a lot

1023

00:37:40,710 --> 00:37:40,000

okay but but everybody i think and

1024

00:37:43,910 --> 00:37:40,720

certain

1025

00:37:45,750 --> 00:37:43,920

wants this

1026

00:37:47,589 --> 00:37:45,760

there's just individuals on the other

1027

00:37:49,030 --> 00:37:47,599

side that are quote-unquote fighting

1028

00:37:51,190 --> 00:37:49,040

because it's all that they have or

1029

00:37:54,390 --> 00:37:51,200

because it's their job

1030

00:37:56,230 --> 00:37:54,400

okay so the uh response

1031

00:37:58,710 --> 00:37:56,240

to this could get dangerous that's

1032

00:37:59,990 --> 00:37:58,720

happening yeah youtube doesn't like any

1033

00:38:00,870 --> 00:38:00,000

of the stuff that he's about to talk

1034

00:38:03,109 --> 00:38:00,880

about so we're gonna

1035

00:38:03,990 --> 00:38:03,119

fast forward yeah we're gonna fast

1036

00:38:05,589 --> 00:38:04,000

forward this part

1037

00:38:08,069 --> 00:38:05,599

we're gonna see up back to the top

1038

00:38:10,390 --> 00:38:08,079

secret pyramids and stuff yeah

1039

00:38:11,829 --> 00:38:10,400

well let's look at it like this we have

1040

00:38:13,430 --> 00:38:11,839

this covid thing

1041

00:38:14,550 --> 00:38:13,440

so we put everything on lockdown we know

1042

00:38:15,910 --> 00:38:14,560

this is coming we put everything on

1043

00:38:18,310 --> 00:38:15,920

lockdown that way there won't be a

1044

00:38:19,030 --> 00:38:18,320

casualty we also get everybody talking

1045

00:38:22,150 --> 00:38:19,040

about like

1046

00:38:23,589 --> 00:38:22,160

top secret uh stuff

1047

00:38:25,109 --> 00:38:23,599

with their friends and their family who

1048

00:38:26,550 --> 00:38:25,119

are wondering and worried oh my god

1049

00:38:27,030 --> 00:38:26,560

what's going on oh my god what's going

1050

00:38:29,270 --> 00:38:27,040

on

1051
00:38:30,630 --> 00:38:29,280
in in this time of curiosity and

1052
00:38:31,589 --> 00:38:30,640
wondering what's going on in

1053
00:38:33,349 --> 00:38:31,599
vulnerability

1054
00:38:34,710 --> 00:38:33,359
we've released this idea about these

1055
00:38:38,069 --> 00:38:34,720
patents these these

1056
00:38:39,430 --> 00:38:38,079
three navy pads boy he repeats himself a

1057
00:38:41,829 --> 00:38:39,440
lot

1058
00:38:42,870 --> 00:38:41,839
three patents that's what it was okay oh

1059
00:38:46,310 --> 00:38:42,880
look he's got

1060
00:38:48,950 --> 00:38:46,320
captain america here knocking out

1061
00:38:49,750 --> 00:38:48,960
the red skull and the captain america's

1062
00:38:52,069 --> 00:38:49,760
origin

1063
00:38:53,589 --> 00:38:52,079

in this slide there you go he doesn't

1064

00:38:54,150 --> 00:38:53,599

need his own origin story he's just

1065

00:38:57,670 --> 00:38:54,160

going to

1066

00:38:59,190 --> 00:38:57,680

copy and paste it from captain america

1067

00:39:02,230 --> 00:38:59,200

and he talks about the men and goats

1068

00:39:03,990 --> 00:39:02,240

because that was real right

1069

00:39:05,910 --> 00:39:04,000

it was a real government program but

1070

00:39:09,109 --> 00:39:05,920

it's a it's a [h__\h] movie dude

1071

00:39:10,390 --> 00:39:09,119

you know okay let's get into this you

1072

00:39:11,750 --> 00:39:10,400

guys

1073

00:39:13,270 --> 00:39:11,760

first of all like i said i'm not the

1074

00:39:14,069 --> 00:39:13,280

only person that's been recruited into

1075

00:39:18,870 --> 00:39:14,079

the super soldier

1076

00:39:20,790 --> 00:39:18,880

program number two

1077

00:39:22,550 --> 00:39:20,800

i am coming to you from the navy i've

1078

00:39:24,230 --> 00:39:22,560

said this numerous times

1079

00:39:25,829 --> 00:39:24,240

okay and this whole idea of captain

1080

00:39:29,030 --> 00:39:25,839

america fighting nazis

1081

00:39:31,349 --> 00:39:29,040

working with the military is is

1082

00:39:33,670 --> 00:39:31,359

a reality okay this is something that is

1083

00:39:35,589 --> 00:39:33,680

like drip disclosure at the time

1084

00:39:36,790 --> 00:39:35,599

and now it's being used to verify

1085

00:39:38,069 --> 00:39:36,800

everything it is that i'm telling you

1086

00:39:40,950 --> 00:39:38,079

that's what part of these

1087

00:39:43,109 --> 00:39:40,960

wait so uh when the comic books came out

1088

00:39:45,190 --> 00:39:43,119

that was drip drip disclosure but now

1089

00:39:46,710 --> 00:39:45,200

he's using it to verify

1090

00:39:49,349 --> 00:39:46,720

that everything that he's telling you is

1091

00:39:51,510 --> 00:39:49,359

true because

1092

00:39:53,190 --> 00:39:51,520

captain america is a comic book so what

1093

00:39:55,910 --> 00:39:53,200

i'm telling you must be true

1094

00:39:58,150 --> 00:39:55,920

this makes no sense now it's not just

1095

00:39:59,270 --> 00:39:58,160

the nazis there's space nazis

1096

00:40:01,510 --> 00:39:59,280

that's what he's trying to tell you

1097

00:40:03,430 --> 00:40:01,520

stephen oh okay well we gotta we gotta

1098

00:40:05,589 --> 00:40:03,440

get movies and stuff is about

1099

00:40:07,190 --> 00:40:05,599

okay it's helping the subconscious mind

1100

00:40:12,550 --> 00:40:07,200

of the pen of the planet and the people

1101
00:40:17,109 --> 00:40:15,430
captain america the the marvel like the

1102
00:40:19,750 --> 00:40:17,119
captain america movie was basically a

1103
00:40:21,589 --> 00:40:19,760
documentary then daniel james

1104
00:40:23,829 --> 00:40:21,599
it's all predictive programming it's all

1105
00:40:26,710 --> 00:40:23,839
wilcock isn't it speaking

1106
00:40:29,270 --> 00:40:26,720
yeah absolutely the most recent

1107
00:40:31,829 --> 00:40:29,280
quote-unquote step-down or resignation

1108
00:40:33,829 --> 00:40:31,839
on behalf of the secretary of the navy

1109
00:40:34,470 --> 00:40:33,839
and the recent press conferences with

1110
00:40:36,870 --> 00:40:34,480
trump

1111
00:40:38,470 --> 00:40:36,880
are all calms regarding the things that

1112
00:40:39,910 --> 00:40:38,480
i'm putting out there you guys have to

1113
00:40:41,589 --> 00:40:39,920

understand there's no way that they

1114

00:40:43,030 --> 00:40:41,599

would allow this information into the

1115

00:40:44,630 --> 00:40:43,040

cube community if they didn't want it do

1116

00:40:46,870 --> 00:40:44,640

you realize how much they track

1117

00:40:47,750 --> 00:40:46,880

the cute community boards do you realize

1118

00:40:50,309 --> 00:40:47,760

how much they

1119

00:40:51,670 --> 00:40:50,319

have like like tracking individuals that

1120

00:40:52,710 --> 00:40:51,680

are trying to like quote unquote

1121

00:40:55,990 --> 00:40:52,720

disseminate

1122

00:40:57,670 --> 00:40:56,000

disinformation okay they don't allow it

1123

00:40:59,030 --> 00:40:57,680

we're talking about a military operation

1124

00:41:00,550 --> 00:40:59,040

here

1125

00:41:04,790 --> 00:41:00,560

okay so they wouldn't be giving you this

1126

00:41:08,390 --> 00:41:06,390

they wouldn't be giving you this

1127

00:41:10,550 --> 00:41:08,400

information if it wasn't true but what

1128

00:41:13,589 --> 00:41:10,560

about all the information they gave us

1129

00:41:14,390 --> 00:41:13,599

dale james that was not true and we know

1130

00:41:17,589 --> 00:41:14,400

that now

1131

00:41:19,589 --> 00:41:17,599

yeah exactly

1132

00:41:21,510 --> 00:41:19,599

and he's got a and he's got something

1133

00:41:24,230 --> 00:41:21,520

about cognitive dissonance

1134

00:41:25,829 --> 00:41:24,240

on his haha on his presentation but he

1135

00:41:26,550 --> 00:41:25,839

doesn't suffer from that at all he's

1136

00:41:29,829 --> 00:41:26,560

gonna

1137

00:41:31,990 --> 00:41:29,839

give some examples of what i mean um

1138

00:41:33,430 --> 00:41:32,000

when this gentleman uh within sex what

1139

00:41:34,309 --> 00:41:33,440

use which he used to be the secretary of

1140

00:41:37,430 --> 00:41:34,319

the navy

1141

00:41:40,870 --> 00:41:37,440

was talking about this captain leaking

1142

00:41:42,230 --> 00:41:40,880

a letter about concerns about kobit 19

1143

00:41:45,670 --> 00:41:42,240

and blah blah blah and

1144

00:41:47,109 --> 00:41:45,680

how he resigned he stepped down okay

1145

00:41:48,550 --> 00:41:47,119

that was right around the time that i

1146

00:41:49,190 --> 00:41:48,560

started disclosing that i was captain

1147

00:41:51,270 --> 00:41:49,200

america

1148

00:41:52,950 --> 00:41:51,280

that i started to explain stuff about

1149

00:41:55,109 --> 00:41:52,960

disclosure and about my nature with the

1150

00:41:58,150 --> 00:41:55,119

super soldier program and all that stuff

1151
00:42:00,069 --> 00:41:58,160
look i always joke that these guys think

1152
00:42:01,750 --> 00:42:00,079
they're captain america these guys that

1153
00:42:05,430 --> 00:42:01,760
claim they're super soldiers

1154
00:42:08,470 --> 00:42:05,440
but this guy is taking the name bro

1155
00:42:10,390 --> 00:42:08,480
like that's some bold [h__h] like

1156
00:42:12,069 --> 00:42:10,400
i always joke like this guy thinks he's

1157
00:42:13,349 --> 00:42:12,079
captain america you know he thinks he's

1158
00:42:16,069 --> 00:42:13,359
a super soldier

1159
00:42:17,829 --> 00:42:16,079
but this guy's taking the name he's like

1160
00:42:18,790 --> 00:42:17,839
i started talking about being captain

1161
00:42:21,910 --> 00:42:18,800
america

1162
00:42:24,630 --> 00:42:21,920
this is crazy he might um he might get

1163
00:42:26,309 --> 00:42:24,640

into some trademark issues

1164

00:42:28,230 --> 00:42:26,319

yeah he might get him some trouble and

1165

00:42:29,750 --> 00:42:28,240

he was yeah yeah it's also around the

1166

00:42:30,630 --> 00:42:29,760

time that donald trump quote unquote

1167

00:42:33,109 --> 00:42:30,640

spelled out

1168

00:42:35,190 --> 00:42:33,119

covid19 he's trying to communicate with

1169

00:42:35,910 --> 00:42:35,200

you that i'm spelling everything out for

1170

00:42:38,470 --> 00:42:35,920

you guys

1171

00:42:39,430 --> 00:42:38,480

i'm excited things that the navy uh

1172

00:42:41,829 --> 00:42:39,440

secretaries

1173

00:42:43,589 --> 00:42:41,839

with other countries in every single way

1174

00:42:46,069 --> 00:42:43,599

through liberating ourselves

1175

00:42:47,270 --> 00:42:46,079

we can like create a blueprint for the

1176

00:42:49,109 --> 00:42:47,280

rest of the world

1177

00:42:51,270 --> 00:42:49,119

that way they can also overthrow this

1178

00:42:51,829 --> 00:42:51,280

cabal that way they can also get out of

1179

00:42:53,990 --> 00:42:51,839

debt

1180

00:42:55,589 --> 00:42:54,000

that way they can also create themselves

1181

00:42:59,109 --> 00:42:55,599

a new

1182

00:43:01,109 --> 00:42:59,119

and a thriving populations

1183

00:43:03,030 --> 00:43:01,119

is the thought occurs to me that many of

1184

00:43:05,030 --> 00:43:03,040

these speakers are always describing

1185

00:43:07,670 --> 00:43:05,040

some kind of utopia that we could all

1186

00:43:09,430 --> 00:43:07,680

live in if not for those bad guys right

1187

00:43:10,870 --> 00:43:09,440

yeah we could have free energy we

1188

00:43:13,510 --> 00:43:10,880

wouldn't have to pay for our

1189

00:43:14,390 --> 00:43:13,520

electricity or gasoline we can live in

1190

00:43:17,430 --> 00:43:14,400

this

1191

00:43:20,230 --> 00:43:17,440

wonderful utopian society right

1192

00:43:21,190 --> 00:43:20,240

it's it really is pure hopium for

1193

00:43:23,750 --> 00:43:21,200

hopeless people

1194

00:43:25,349 --> 00:43:23,760

it really is exactly i mean yeah that's

1195

00:43:28,550 --> 00:43:25,359

what you offered

1196

00:43:31,990 --> 00:43:28,560

yeah you know thriving thriving

1197

00:43:34,870 --> 00:43:32,000

uh country okay we just have to

1198

00:43:36,230 --> 00:43:34,880

recognize the patterns you guys

1199

00:43:39,430 --> 00:43:36,240

these people will be brought to

1200

00:43:44,309 --> 00:43:42,550

will will

1201
00:43:46,309 --> 00:43:44,319
you know he's being authentic when he's

1202
00:43:48,870 --> 00:43:46,319
using that apparently

1203
00:43:50,870 --> 00:43:48,880
imagery in the background as well yeah

1204
00:43:51,510 --> 00:43:50,880
yeah michael salas stuff man that's some

1205
00:43:54,950 --> 00:43:51,520
high quality

1206
00:43:55,349 --> 00:43:54,960
garbage in some cases people are bailing

1207
00:43:57,510 --> 00:43:55,359
out

1208
00:43:59,910 --> 00:43:57,520
of windows and stuff like that before

1209
00:44:01,910 --> 00:43:59,920
they can face military tribunals

1210
00:44:03,510 --> 00:44:01,920
oh the military tribunals the mass

1211
00:44:06,710 --> 00:44:03,520
arrests yeah this is like

1212
00:44:08,950 --> 00:44:06,720
david wilcock griff it's just

1213
00:44:11,109 --> 00:44:08,960

lifted mostly most of this is being

1214

00:44:14,069 --> 00:44:11,119

lifted from wilcock i think

1215

00:44:15,829 --> 00:44:14,079

yep you're watching that's repeating it

1216

00:44:19,589 --> 00:44:15,839

back to him

1217

00:44:22,470 --> 00:44:19,599

yeah we're using him for a source

1218

00:44:26,230 --> 00:44:22,480

it's coming bro it's coming my secret

1219

00:44:31,670 --> 00:44:29,510

you best believe stuff's going down [h__h]

1220

00:44:35,109 --> 00:44:31,680

has hit the fan

1221

00:44:36,950 --> 00:44:35,119

and the only reason why this whole cobin

1222

00:44:39,030 --> 00:44:36,960

19 thing is so

1223

00:44:41,430 --> 00:44:39,040

uh pervasive in the media is because

1224

00:44:45,190 --> 00:44:41,440

shit's going down

1225

00:44:47,670 --> 00:44:45,200

okay the media needs a way of pushing

1226
00:44:49,430 --> 00:44:47,680
james i was not aware but shit's going

1227
00:44:51,430 --> 00:44:49,440
down

1228
00:44:53,270 --> 00:44:51,440
we can't take any points off him for

1229
00:44:57,190 --> 00:44:53,280
entertainment value he is quite

1230
00:44:59,829 --> 00:44:57,200
quite funny yeah ideas

1231
00:45:00,470 --> 00:44:59,839
pushing uh a controlled narrative that

1232
00:45:02,790 --> 00:45:00,480
way

1233
00:45:03,990 --> 00:45:02,800
large groups of people can kind of like

1234
00:45:07,589 --> 00:45:04,000
be kept chill for

1235
00:45:09,030 --> 00:45:07,599
a bit while all this stuff goes on

1236
00:45:10,470 --> 00:45:09,040
okay we're talking about people with the

1237
00:45:11,910 --> 00:45:10,480
highest levels of banking people the

1238
00:45:13,670 --> 00:45:11,920

highest levels of like the entertainment

1239

00:45:14,870 --> 00:45:13,680

industry in hollywood and global

1240

00:45:16,950 --> 00:45:14,880

entertainment industries

1241

00:45:19,109 --> 00:45:16,960

we're talking about people like the

1242

00:45:21,270 --> 00:45:19,119

heights are like corporate

1243

00:45:23,349 --> 00:45:21,280

this is word for word david wilcock

1244

00:45:26,630 --> 00:45:23,359

garbage

1245

00:45:28,710 --> 00:45:26,640

word for word people in hollywood it's

1246

00:45:30,390 --> 00:45:28,720

all the enemies of trump

1247

00:45:32,150 --> 00:45:30,400

the people in hollywood people in the

1248

00:45:34,790 --> 00:45:32,160

media the

1249

00:45:35,990 --> 00:45:34,800

evil corporate evil corporate overlords

1250

00:45:37,829 --> 00:45:36,000

the technocrats

1251
00:45:39,990 --> 00:45:37,839
he's gonna conglomerates international

1252
00:45:43,030 --> 00:45:40,000
corporate conglomerates there you go

1253
00:45:46,550 --> 00:45:43,040
we're talking about like highest

1254
00:45:48,550 --> 00:45:46,560
level stuff here okay

1255
00:45:51,030 --> 00:45:48,560
and you guys gotta understand in order

1256
00:45:51,510 --> 00:45:51,040
to get to this point where we were able

1257
00:45:53,990 --> 00:45:51,520
to do

1258
00:45:54,710 --> 00:45:54,000
all of this it had to be drip drip drip

1259
00:45:56,550 --> 00:45:54,720
feed

1260
00:45:59,190 --> 00:45:56,560
okay it had to be breadcrumb breadcrumb

1261
00:46:01,349 --> 00:45:59,200
breadcrumb it had to be

1262
00:46:02,550 --> 00:46:01,359
follow the white rabbit oh it had to be

1263
00:46:04,630 --> 00:46:02,560

that one

1264

00:46:06,390 --> 00:46:04,640

why couldn't they just tell everybody

1265

00:46:09,589 --> 00:46:06,400

this stuff they got to put it all in

1266

00:46:11,670 --> 00:46:09,599

codes and you know drops and letters and

1267

00:46:13,190 --> 00:46:11,680

numbers and you got to connect this dot

1268

00:46:16,230 --> 00:46:13,200

with that thought

1269

00:46:17,190 --> 00:46:16,240

it doesn't expand yeah but it's it

1270

00:46:20,390 --> 00:46:17,200

really is like a

1271

00:46:23,349 --> 00:46:20,400

bad like spy novel right

1272

00:46:24,710 --> 00:46:23,359

yeah you know like we're at this place

1273

00:46:26,470 --> 00:46:24,720

i'm able to drop you a

1274

00:46:28,470 --> 00:46:26,480

loaf of bread i'm able to show you how

1275

00:46:30,069 --> 00:46:28,480

all that all those bread crumbs add up

1276

00:46:32,150 --> 00:46:30,079

to a whole loaf

1277

00:46:33,270 --> 00:46:32,160

and now we can all take this whole loaf

1278

00:46:36,550 --> 00:46:33,280

of understanding

1279

00:46:38,790 --> 00:46:36,560

and move forward with it

1280

00:46:39,750 --> 00:46:38,800

he's got whole loaves of understanding

1281

00:46:43,030 --> 00:46:39,760

daniel james

1282

00:46:44,470 --> 00:46:43,040

i don't understand any of this [h__\h] nice

1283

00:46:46,870 --> 00:46:44,480

but okay

1284

00:46:47,670 --> 00:46:46,880

whole lives of nothing all those

1285

00:46:49,190 --> 00:46:47,680

[h__\h]

1286

00:46:51,190 --> 00:46:49,200

yeah and we can change the

1287

00:46:53,910 --> 00:46:51,200

socio-economic and geopolitical system

1288

00:46:54,829 --> 00:46:53,920

in this country and in the world forever

1289

00:46:58,230 --> 00:46:54,839

you guys

1290

00:47:04,390 --> 00:47:01,910

so it is the military it is the q

1291

00:47:05,190 --> 00:47:04,400

community's goal to create heaven on

1292

00:47:08,470 --> 00:47:05,200

earth you guys

1293

00:47:11,030 --> 00:47:08,480

and to me jesus christ

1294

00:47:13,109 --> 00:47:11,040

talk about utopia it is our goal to

1295

00:47:14,470 --> 00:47:13,119

create heaven on earth and maintain

1296

00:47:17,109 --> 00:47:14,480

heaven on earth

1297

00:47:18,550 --> 00:47:17,119

okay he states at some point during the

1298

00:47:20,390 --> 00:47:18,560

video as well that he comes from like

1299

00:47:23,109 --> 00:47:20,400

the angelic light realms

1300

00:47:24,950 --> 00:47:23,119

something like that so he's he's an

1301

00:47:26,069 --> 00:47:24,960

angel he's it's in his name he's in his

1302

00:47:27,990 --> 00:47:26,079

name

1303

00:47:29,109 --> 00:47:28,000

and and jelly or something like that

1304

00:47:31,829 --> 00:47:29,119

yeah yeah he's an

1305

00:47:32,390 --> 00:47:31,839

angel and he's captain america so he's

1306

00:47:35,829 --> 00:47:32,400

got like

1307

00:47:39,510 --> 00:47:35,839

doubles double super powers right

1308

00:47:42,950 --> 00:47:39,520

yeah you got angel powers and he's got

1309

00:47:44,069 --> 00:47:42,960

super soldier powers by always being out

1310

00:47:46,230 --> 00:47:44,079

front

1311

00:47:48,069 --> 00:47:46,240

okay and you best believe i will be on

1312

00:47:50,710 --> 00:47:48,079

that front line you guys

1313

00:47:51,270 --> 00:47:50,720

me i will be on that front line and so

1314

00:47:53,349 --> 00:47:51,280

will

1315

00:47:54,549 --> 00:47:53,359

all the rest of these super soldiers so

1316

00:47:55,510 --> 00:47:54,559

will the rest of the people in the

1317

00:47:58,630 --> 00:47:55,520

military

1318

00:48:00,390 --> 00:47:58,640

so will our generals so

1319

00:48:01,829 --> 00:48:00,400

yeah this guy's hanging out with

1320

00:48:04,870 --> 00:48:01,839

generals right

1321

00:48:06,870 --> 00:48:04,880

daniel james why do they all

1322

00:48:08,069 --> 00:48:06,880

they all like to hang out with generals

1323

00:48:10,630 --> 00:48:08,079

or claim they do

1324

00:48:12,630 --> 00:48:10,640

right i'm just picturing the front lawn

1325

00:48:15,829 --> 00:48:12,640

and like there's the hulk and

1326

00:48:22,069 --> 00:48:18,950

yeah iron man right war machine

1327

00:48:23,190 --> 00:48:22,079

yeah yeah or if we go to dc you know you

1328

00:48:26,390 --> 00:48:23,200

gotta have like

1329

00:48:28,390 --> 00:48:26,400

because that's

1330

00:48:31,030 --> 00:48:28,400

sort of like a super soldier you know

1331

00:48:31,589 --> 00:48:31,040

and then superman's an alien so he'd fit

1332

00:48:35,750 --> 00:48:31,599

right in

1333

00:48:39,430 --> 00:48:35,760

this is great and everybody below them

1334

00:48:40,790 --> 00:48:39,440

okay because we believe in the usa we

1335

00:48:42,150 --> 00:48:40,800

believe in the constitution of the

1336

00:48:45,190 --> 00:48:42,160

united states of america

1337

00:48:46,549 --> 00:48:45,200

we believe in the people's ability to

1338

00:48:49,829 --> 00:48:46,559

govern themselves

1339

00:48:52,470 --> 00:48:49,839

if but allowed to

1340

00:48:54,630 --> 00:48:52,480

we believe in god we believe in truth we

1341

00:48:58,630 --> 00:48:54,640

believe in justice we believe in freedom

1342

00:49:01,109 --> 00:48:58,640

and we will not sit back and watch

1343

00:49:02,549 --> 00:49:01,119

as the world goes to hell in a handbag

1344

00:49:04,549 --> 00:49:02,559

i'm pretty sure he's going to sit back

1345

00:49:07,589 --> 00:49:04,559

and watch

1346

00:49:11,510 --> 00:49:09,430

another point i wanted to just make this

1347

00:49:13,910 --> 00:49:11,520

very important i think is that

1348

00:49:16,230 --> 00:49:13,920

the isn't this video been made like just

1349

00:49:19,750 --> 00:49:16,240

a few days after he was arrested

1350

00:49:21,589 --> 00:49:19,760

for the capital incident yeah i think so

1351

00:49:23,670 --> 00:49:21,599

i mean it must have been made afterwards

1352

00:49:25,750 --> 00:49:23,680

because at the very top of the video

1353

00:49:27,430 --> 00:49:25,760

he actually says you know he did that to

1354

00:49:29,430 --> 00:49:27,440

get your attention so now he can

1355

00:49:31,270 --> 00:49:29,440

sure have a platform just about his

1356

00:49:33,589 --> 00:49:31,280

[h__\h] so so he's going to build a

1357

00:49:34,470 --> 00:49:33,599

[h__\h] platform based on storming the

1358

00:49:37,430 --> 00:49:34,480

capital

1359

00:49:38,390 --> 00:49:37,440

and getting that guy yeah got a can of

1360

00:49:40,549 --> 00:49:38,400

tom though like

1361

00:49:43,510 --> 00:49:40,559

you're going to have that 15 minutes of

1362

00:49:48,069 --> 00:49:43,520

fame you know he's got a window here

1363

00:49:51,109 --> 00:49:48,079

milk at first it's like corey good yeah

1364

00:49:52,230 --> 00:49:51,119

we will not sit back and passively

1365

00:49:55,030 --> 00:49:52,240

observe

1366

00:49:56,309 --> 00:49:55,040

as our children and our women in

1367

00:50:00,150 --> 00:49:56,319

particular

1368

00:50:03,670 --> 00:50:00,160

are abused are abducted

1369

00:50:04,230 --> 00:50:03,680

and are used by evil people that know

1370

00:50:06,630 --> 00:50:04,240

not

1371

00:50:10,630 --> 00:50:06,640

of the true soul that is in them and

1372

00:50:15,270 --> 00:50:13,430

we are moving toward a civilization

1373

00:50:17,430 --> 00:50:15,280

based off of harmony you guys

1374

00:50:18,630 --> 00:50:17,440

based off of things like compassion

1375

00:50:21,670 --> 00:50:18,640

gratitude

1376

00:50:26,230 --> 00:50:21,680

real wisdom prayer dare i

1377

00:50:31,430 --> 00:50:26,240

say yes prayer

1378

00:50:33,910 --> 00:50:31,440

believe in god belief in christ

1379

00:50:34,870 --> 00:50:33,920

and if it's buddha if it's krishna for

1380

00:50:38,470 --> 00:50:34,880

you

1381

00:50:40,630 --> 00:50:38,480

know that all these teachers are

1382

00:50:41,589 --> 00:50:40,640

of the same light speaking the same

1383

00:50:44,870 --> 00:50:41,599

truth in different

1384

00:50:45,510 --> 00:50:44,880

tongues at different times that stopped

1385

00:50:48,870 --> 00:50:45,520

it

1386

00:50:50,309 --> 00:50:48,880

wow yeah this is some great a new age

1387

00:50:52,829 --> 00:50:50,319

horse [h__h] right

1388

00:50:54,309 --> 00:50:52,839

yes in addition to being an expert in

1389

00:50:57,430 --> 00:50:54,319

geopolitics

1390

00:51:01,109 --> 00:50:57,440

and the military and secret technology

1391

00:51:02,630 --> 00:51:01,119

he's also an expert on spirituality and

1392

00:51:05,510 --> 00:51:02,640

theology

1393

00:51:07,270 --> 00:51:05,520

well either that or he's watched quite a

1394

00:51:07,589 --> 00:51:07,280

few youtube videos i think i know what

1395

00:51:17,990 --> 00:51:07,599

the

1396

00:51:22,710 --> 00:51:19,750

yes i'm calling myself a prophet of

1397

00:51:26,309 --> 00:51:22,720

quote-unquote god in the same way

1398

00:51:29,349 --> 00:51:26,319

he's a prophet of god

1399

00:51:31,829 --> 00:51:29,359

he's the captain america angel line he's

1400

00:51:34,069 --> 00:51:31,839

from the angelic lineage

1401
00:51:35,030 --> 00:51:34,079
and he's captain america and a super

1402
00:51:37,990 --> 00:51:35,040
soldier

1403
00:51:39,190 --> 00:51:38,000
and he's a prophet of god this is a

1404
00:51:41,430 --> 00:51:39,200
mission

1405
00:51:43,430 --> 00:51:41,440
i think that you know like when you make

1406
00:51:45,829 --> 00:51:43,440
your superhero character

1407
00:51:50,069 --> 00:51:45,839
you can't mix that much [h__h] daniel

1408
00:51:52,390 --> 00:51:50,079
james you can't be an angel

1409
00:51:53,430 --> 00:51:52,400
and a [h__h] super soldier and a

1410
00:51:56,549 --> 00:51:53,440
prophet

1411
00:51:58,309 --> 00:51:56,559
right oh god you haven't got that many

1412
00:52:00,390 --> 00:51:58,319
points to sort of stack up in those

1413
00:52:01,990 --> 00:52:00,400

yeah you only get so many character

1414

00:52:04,069 --> 00:52:02,000

points and that's too much

1415

00:52:06,710 --> 00:52:04,079

bro you've got to back down on your

1416

00:52:08,630 --> 00:52:06,720

super power stories

1417

00:52:10,470 --> 00:52:08,640

you can't be and this is the same this

1418

00:52:11,670 --> 00:52:10,480

is you know why i know that this guy

1419

00:52:13,349 --> 00:52:11,680

watches way too much

1420

00:52:15,030 --> 00:52:13,359

david wilcox because david wilcock does

1421

00:52:18,150 --> 00:52:15,040

the same exact thing he's

1422

00:52:20,870 --> 00:52:18,160

you know mr prophet and he's a spiritual

1423

00:52:23,510 --> 00:52:20,880

guru and edgar cayce reincarnated

1424

00:52:23,990 --> 00:52:23,520

and has prophetic dreams and knows all

1425

00:52:26,549 --> 00:52:24,000

these

1426

00:52:27,190 --> 00:52:26,559

government insiders and like it's way

1427

00:52:29,990 --> 00:52:27,200

too much

1428

00:52:31,109 --> 00:52:30,000

bro you gotta pick elaine right i think

1429

00:52:33,750 --> 00:52:31,119

he's been watching

1430

00:52:34,470 --> 00:52:33,760

quite a few of them stephen as well like

1431

00:52:36,309 --> 00:52:34,480

yeah

1432

00:52:38,309 --> 00:52:36,319

i call it the roll-up it's like he's

1433

00:52:39,349 --> 00:52:38,319

rolled up a heap of the [h__h] and

1434

00:52:41,829 --> 00:52:39,359

just

1435

00:52:43,910 --> 00:52:41,839

yeah it's like corey good like let's mix

1436

00:52:51,270 --> 00:52:43,920

some of this [h__h] and this [h__h]

1437

00:52:55,589 --> 00:52:54,630

firefly a little bit of uh yeah stargate

1438

00:52:58,950 --> 00:52:55,599

sg1

1439

00:53:01,990 --> 00:52:58,960

you know egyptians and ancient gods

1440

00:53:05,109 --> 00:53:02,000

i don't shy away from that either

1441

00:53:07,030 --> 00:53:05,119

i'm here to help i'm here to guide

1442

00:53:09,430 --> 00:53:07,040

this process of moving from these really

1443

00:53:11,510 --> 00:53:09,440

low polluted nasty frequencies

1444

00:53:12,870 --> 00:53:11,520

based off of fear based off of chaos

1445

00:53:19,109 --> 00:53:12,880

based on wait a minute

1446

00:53:22,790 --> 00:53:20,630

i miss that actually i got a little word

1447

00:53:25,589 --> 00:53:22,800

on my phone yeah

1448

00:53:26,710 --> 00:53:25,599

he's got his chart it's like this is the

1449

00:53:28,790 --> 00:53:26,720

evil

1450

00:53:32,549 --> 00:53:28,800

negative frequencies and then he points

1451

00:53:36,230 --> 00:53:32,559

over to his chart and it's heavy metal

1452

00:53:39,430 --> 00:53:36,240

i will kill you fool water before

1453

00:53:42,069 --> 00:53:39,440

and after buddhist prayer yeah

1454

00:53:44,150 --> 00:53:42,079

destruction and death into higher

1455

00:53:47,430 --> 00:53:44,160

frequency realms of light of love

1456

00:53:50,630 --> 00:53:47,440

and somehow snowflakes can show you

1457

00:53:52,710 --> 00:53:50,640

compassion thank you wisdom i didn't

1458

00:53:53,030 --> 00:53:52,720

know that snowflakes could say words or

1459

00:53:54,630 --> 00:53:53,040

like

1460

00:53:57,910 --> 00:53:54,640

it's all about the frequency stephen

1461

00:54:02,630 --> 00:53:59,910

of truth of justice of loyalty of

1462

00:54:07,510 --> 00:54:05,589

these will be the emphasis for our new

1463

00:54:11,349 --> 00:54:07,520

civilization these will be

1464

00:54:16,069 --> 00:54:11,359

the the common traits the common uh

1465

00:54:19,190 --> 00:54:17,910

we're gonna have heaven on earth because

1466

00:54:21,270 --> 00:54:19,200

of this guy

1467

00:54:24,150 --> 00:54:21,280

he's gonna bring us heather on earth

1468

00:54:24,870 --> 00:54:24,160

daniel james this sounds good this is

1469

00:54:27,030 --> 00:54:24,880

we're gonna push

1470

00:54:29,270 --> 00:54:27,040

push those interdimensional foes off the

1471

00:54:30,870 --> 00:54:29,280

planet and it's gonna be heaven on earth

1472

00:54:32,950 --> 00:54:30,880

oh my god what i'm talking about is

1473

00:54:37,670 --> 00:54:32,960

helping individuals to liberate

1474

00:54:39,589 --> 00:54:37,680

themselves spiritually in a way that

1475

00:54:40,789 --> 00:54:39,599

might terrify some people and might

1476

00:54:42,470 --> 00:54:40,799

excite others

1477

00:54:43,990 --> 00:54:42,480

in a way that i'm excited i'm not

1478

00:54:46,630 --> 00:54:44,000

terrified personally

1479

00:54:49,990 --> 00:54:46,640

on earth for sure but truth always

1480

00:54:55,030 --> 00:54:52,870

because so many people are swimming in a

1481

00:54:56,870 --> 00:54:55,040

sea of lies

1482

00:54:58,710 --> 00:54:56,880

like you bro and what's actually going

1483

00:55:00,309 --> 00:54:58,720

on in reality that they leave it up to

1484

00:55:00,549 --> 00:55:00,319

other people whether it be politicians

1485

00:55:04,150 --> 00:55:00,559

or

1486

00:55:06,150 --> 00:55:04,160

tell them what's going on what

1487

00:55:07,750 --> 00:55:06,160

actually is [h__\h] going on and i'm

1488

00:55:09,430 --> 00:55:07,760

here to just tell you no guys this is

1489

00:55:11,670 --> 00:55:09,440

how it works

1490

00:55:12,950 --> 00:55:11,680

you just do this this this and this

1491

00:55:14,069 --> 00:55:12,960

you got it so

1492

00:55:17,190 --> 00:55:14,079

you just gotta put the puzzle together

1493

00:55:19,430 --> 00:55:17,200

like this and it and it works

1494

00:55:20,950 --> 00:55:19,440

you're gonna need some ganja this is the

1495

00:55:23,430 --> 00:55:20,960

lion lying down with the land

1496

00:55:25,349 --> 00:55:23,440

i am prostrating myself before you the

1497

00:55:26,630 --> 00:55:25,359

world going to hell in a hand basket and

1498

00:55:29,589 --> 00:55:26,640

telling you i love you

1499

00:55:30,870 --> 00:55:29,599

telling you that you know we love you at

1500

00:55:32,789 --> 00:55:30,880

the highest levels

1501

00:55:34,950 --> 00:55:32,799

we love you guys we at the highest

1502

00:55:38,069 --> 00:55:34,960

levels of this

1503

00:55:41,190 --> 00:55:38,079

[h__\h] love you guys for so long

1504

00:55:43,589 --> 00:55:41,200

since before kennedy

1505

00:55:44,870 --> 00:55:43,599

abraham lincoln gave his life for a very

1506

00:55:45,589 --> 00:55:44,880

similar cause of the one that we're

1507

00:55:48,829 --> 00:55:45,599

fighting now

1508

00:55:50,549 --> 00:55:48,839

just during his time wait wait was

1509

00:55:53,349 --> 00:55:50,559

ibrahimovic

1510

00:55:54,950 --> 00:55:53,359

abraham lincoln abraham lincoln gave his

1511

00:55:59,030 --> 00:55:54,960

life for this cause

1512

00:56:05,910 --> 00:56:02,789

jfk eisenhower reagan

1513

00:56:07,349 --> 00:56:05,920

in many cases how you know how you know

1514

00:56:09,990 --> 00:56:07,359

who the white house are who they try to

1515

00:56:13,829 --> 00:56:12,549

okay or do they hear like a mofo in the

1516

00:56:15,510 --> 00:56:13,839

media which is pretty much what they've

1517

00:56:16,470 --> 00:56:15,520

tried to do with trump they pretty much

1518

00:56:19,750 --> 00:56:16,480

tried to

1519

00:56:23,030 --> 00:56:19,760

uh assassinate him with

1520

00:56:27,430 --> 00:56:23,040

lies they've tried to smear his image

1521

00:56:29,190 --> 00:56:27,440

with fallacy with non-truth

1522

00:56:31,109 --> 00:56:29,200

and not for nothing but some such a

1523

00:56:32,789 --> 00:56:31,119

slime ball just in his own

1524

00:56:34,710 --> 00:56:32,799

personal business dealings before he

1525

00:56:38,230 --> 00:56:34,720

became president nobody needs to

1526

00:56:40,549 --> 00:56:38,240

like you know that's right

1527

00:56:42,069 --> 00:56:40,559

yeah you know he doesn't need help to

1528

00:56:45,829 --> 00:56:42,079

look like a [h__h] slimeball

1529

00:56:48,069 --> 00:56:45,839

rich slimeball [h__h] yes you know

1530

00:56:50,390 --> 00:56:48,079

yeah and it hasn't worked if anything

1531

00:56:52,230 --> 00:56:50,400

what it's done is it is exposed

1532

00:56:54,150 --> 00:56:52,240

and this is i think the final point that

1533

00:56:55,990 --> 00:56:54,160

i'd like to make and this is something i

1534

00:56:56,630 --> 00:56:56,000

think might help all of you to feel just

1535

00:56:59,349 --> 00:56:56,640

a little bit

1536

00:57:01,109 --> 00:56:59,359

better um regarding the opposition and

1537

00:57:01,910 --> 00:57:01,119

how to deal with the opposition because

1538

00:57:04,309 --> 00:57:01,920

sometimes

1539

00:57:06,630 --> 00:57:04,319

you know you guys believe me i know

1540

00:57:09,910 --> 00:57:06,640

sometimes it's like dude

1541

00:57:13,510 --> 00:57:09,920

how could you be so dense you know

1542

00:57:15,990 --> 00:57:13,520

um i believe that

1543

00:57:17,430 --> 00:57:16,000

but you know what this is great too like

1544

00:57:18,470 --> 00:57:17,440

if you're gonna claim to be captain

1545

00:57:20,309 --> 00:57:18,480

america

1546

00:57:22,230 --> 00:57:20,319

when you get yourself a good suit or

1547

00:57:23,270 --> 00:57:22,240

something this dude bought like a four

1548

00:57:25,910 --> 00:57:23,280

dollar

1549

00:57:27,190 --> 00:57:25,920

american flag do-rag on amazon and he

1550

00:57:30,309 --> 00:57:27,200

was off to the races

1551

00:57:33,270 --> 00:57:30,319

right like a five dollar shirt with a

1552

00:57:35,030 --> 00:57:33,280

[h__h] captain america oh jesus but

1553

00:57:37,750 --> 00:57:35,040

that's only because we have an informal

1554

00:57:39,670 --> 00:57:37,760

understanding and when we conduct

1555

00:57:40,309 --> 00:57:39,680

ourselves in a way that is calm that is

1556

00:57:44,069 --> 00:57:40,319

collected

1557

00:57:46,549 --> 00:57:44,079

that is um passionate but at the same

1558

00:57:48,470 --> 00:57:46,559

time humble and controlled

1559

00:57:49,829 --> 00:57:48,480

then we begin to get people to look at

1560

00:57:52,069 --> 00:57:49,839

us and go huh

1561

00:57:54,309 --> 00:57:52,079

i wonder what their thing is i wonder

1562

00:57:55,910 --> 00:57:54,319

what he's all about or she's all about

1563

00:57:57,270 --> 00:57:55,920

and then eventually they ask you believe

1564

00:57:58,470 --> 00:57:57,280

me they eventually ask and they're like

1565

00:57:59,750 --> 00:57:58,480

like what's your thing like what do you

1566

00:58:01,430 --> 00:57:59,760

believe in like what do you

1567

00:58:03,589 --> 00:58:01,440

what do you do what are you practicing i

1568

00:58:06,390 --> 00:58:03,599

believe i'm captain america and an

1569

00:58:08,789 --> 00:58:06,400

angel and i also believe that i'm a

1570

00:58:10,630 --> 00:58:08,799

prophet of jesus

1571

00:58:14,069 --> 00:58:10,640

i would actually pay to see this guy

1572

00:58:17,190 --> 00:58:16,710

if i think i might too i might too you

1573

00:58:19,270 --> 00:58:17,200

gotta get

1574

00:58:21,589 --> 00:58:19,280

real smoked up first and just go in

1575

00:58:22,710 --> 00:58:21,599

there and just giggle your ass off did

1576
00:58:25,109 --> 00:58:22,720
he just say

1577
00:58:25,829 --> 00:58:25,119
yeah just giggle your ass i'm like did

1578
00:58:28,549 --> 00:58:25,839
he just say

1579
00:58:30,230 --> 00:58:28,559
he's the real life captain america he he

1580
00:58:33,670 --> 00:58:30,240
did he just say he's from the

1581
00:58:35,109 --> 00:58:33,680
line of angel lineage i'll tell you what

1582
00:58:37,589 --> 00:58:35,119
if he does that i'm coming over and

1583
00:58:37,990 --> 00:58:37,599
we're gonna we're gonna do it yeah we're

1584
00:58:39,750 --> 00:58:38,000
gonna do

1585
00:58:41,109 --> 00:58:39,760
them well this is what i believe this is

1586
00:58:44,309 --> 00:58:41,119
what i do this is

1587
00:58:45,750 --> 00:58:44,319
the reason why and uh you know

1588
00:58:47,589 --> 00:58:45,760

i didn't come to these conclusions

1589

00:58:50,390 --> 00:58:47,599

lightly i actually came

1590

00:58:51,109 --> 00:58:50,400

through like lots and lots of research

1591

00:58:53,990 --> 00:58:51,119

and

1592

00:58:54,630 --> 00:58:54,000

lots of scrutiny on behalf of my peers

1593

00:58:57,109 --> 00:58:54,640

and

1594

00:58:57,750 --> 00:58:57,119

in many cases myself because this is

1595

00:59:00,069 --> 00:58:57,760

great

1596

00:59:02,230 --> 00:59:00,079

lots and lots of research and by that

1597

00:59:05,510 --> 00:59:02,240

daniel james he means that he watched an

1598

00:59:07,030 --> 00:59:05,520

awful lot of woo [\h__\h] garbage videos

1599

00:59:09,510 --> 00:59:07,040

on youtube

1600

00:59:11,670 --> 00:59:09,520

and somehow that qualifies as hours and

1601
00:59:14,870 --> 00:59:11,680
hours research right

1602
00:59:16,309 --> 00:59:14,880
connecting the dots yeah gotta do it

1603
00:59:18,390 --> 00:59:16,319
i understand the nature to some of this

1604
00:59:19,910 --> 00:59:18,400
information and how it may sound really

1605
00:59:22,069 --> 00:59:19,920
out there

1606
00:59:23,030 --> 00:59:22,079
may it may sound but when you really

1607
00:59:26,069 --> 00:59:23,040
really grasp

1608
00:59:27,750 --> 00:59:26,079
these levels you guys like we do you

1609
00:59:29,829 --> 00:59:27,760
know

1610
00:59:31,030 --> 00:59:29,839
it's going to be something that just our

1611
00:59:33,190 --> 00:59:31,040
presence and our opinion

1612
00:59:34,390 --> 00:59:33,200
shatters people's paradigms and there's

1613
00:59:37,910 --> 00:59:34,400

a way to do that

1614

00:59:40,230 --> 00:59:37,920

that makes you look like an

1615

00:59:41,750 --> 00:59:40,240

ally as opposed to a way that to do that

1616

00:59:44,549 --> 00:59:41,760

that isn't friendly in a way that makes

1617

00:59:45,990 --> 00:59:44,559

you look like an enemy

1618

00:59:47,589 --> 00:59:46,000

causes them to have a cognitive

1619

00:59:49,030 --> 00:59:47,599

dissonance that they don't like

1620

00:59:50,789 --> 00:59:49,040

versus the cognitive dissonance that

1621

00:59:52,309 --> 00:59:50,799

they do like like huh

1622

00:59:53,990 --> 00:59:52,319

that's interesting new information i'd

1623

00:59:55,349 --> 00:59:54,000

like to get more of that new information

1624

00:59:56,789 --> 00:59:55,359

and that's why i'm trying to explain

1625

00:59:57,109 --> 00:59:56,799

that this control of the narrative of

1626
00:59:58,630 --> 00:59:57,119
like

1627
00:59:59,829 --> 00:59:58,640
these three patents you guys i'm just

1628
01:00:00,950 --> 00:59:59,839
gonna keep eating the dead horse these

1629
01:00:02,870 --> 01:00:00,960
three patents and

1630
01:00:04,870 --> 01:00:02,880
the the gold standard yeah and by the

1631
01:00:06,630 --> 01:00:04,880
way just for the benefit of anybody that

1632
01:00:08,309 --> 01:00:06,640
isn't aware but the three patents that

1633
01:00:09,030 --> 01:00:08,319
he keeps referencing through this whole

1634
01:00:11,430 --> 01:00:09,040
thing

1635
01:00:13,430 --> 01:00:11,440
are three patents that have never been

1636
01:00:15,430 --> 01:00:13,440
shown to work

1637
01:00:17,990 --> 01:00:15,440
and it's very common that people will

1638
01:00:20,230 --> 01:00:18,000

will file patents for devices that

1639

01:00:21,990 --> 01:00:20,240

the patent office they can't test or you

1640

01:00:24,150 --> 01:00:22,000

know whatever so they just

1641

01:00:25,829 --> 01:00:24,160

by chance some of them get a patent

1642

01:00:27,190 --> 01:00:25,839

doesn't mean it's a working device you

1643

01:00:28,789 --> 01:00:27,200

don't have to prove it's a working

1644

01:00:31,430 --> 01:00:28,799

device to get the patent

1645

01:00:32,309 --> 01:00:31,440

you have to have the right paperwork and

1646

01:00:34,549 --> 01:00:32,319

pay the money

1647

01:00:36,150 --> 01:00:34,559

and you get a patent i can get a patent

1648

01:00:38,710 --> 01:00:36,160

on an anti-gravity

1649

01:00:40,390 --> 01:00:38,720

free energy machine tomorrow if i just

1650

01:00:43,349 --> 01:00:40,400

file a [h__h] form

1651

01:00:44,069 --> 01:00:43,359

right the patents that he's talking

1652

01:00:46,789 --> 01:00:44,079

about are not

1653

01:00:48,470 --> 01:00:46,799

proven machines that actually work

1654

01:00:51,910 --> 01:00:48,480

that's the that's correct and these guys

1655

01:00:54,069 --> 01:00:51,920

all push them like see there's a patent

1656

01:00:55,349 --> 01:00:54,079

for a free energy device

1657

01:00:57,430 --> 01:00:55,359

i've done enough looking into free

1658

01:00:58,630 --> 01:00:57,440

energy devices boy would i love to see

1659

01:01:01,030 --> 01:00:58,640

one but so far

1660

01:01:02,549 --> 01:01:01,040

i haven't out of thousands of claims of

1661

01:01:03,270 --> 01:01:02,559

people that have free energy devices not

1662

01:01:05,190 --> 01:01:03,280

one word

1663

01:01:06,549 --> 01:01:05,200

but okay but stephen you've got to

1664

01:01:09,430 --> 01:01:06,559

understand that the

1665

01:01:10,230 --> 01:01:09,440

materials don't uh exist yes yet that's

1666

01:01:13,030 --> 01:01:10,240

why

1667

01:01:16,470 --> 01:01:13,040

yeah like it would work but the element

1668

01:01:18,950 --> 01:01:16,480

115 or whatever it doesn't exist

1669

01:01:20,470 --> 01:01:18,960

yeah they need to call bizarre

1670

01:01:21,109 --> 01:01:20,480

conversation this is the stuff we are

1671

01:01:24,630 --> 01:01:21,119

pushing

1672

01:01:25,670 --> 01:01:24,640

this is the plan at this time push these

1673

01:01:29,670 --> 01:01:25,680

things and keep

1674

01:01:33,510 --> 01:01:29,680

on pushing them push these lies

1675

01:01:35,750 --> 01:01:33,520

half truths and garbage information

1676
01:01:36,870 --> 01:01:35,760
gotten from like less than scrupulous

1677
01:01:39,270 --> 01:01:36,880
websites or

1678
01:01:41,589 --> 01:01:39,280
hey my friend posted it on his blog so

1679
01:01:43,920 --> 01:01:41,599
it must be true right

1680
01:01:46,230 --> 01:01:43,930
yep great and wait further instruction

1681
01:01:49,030 --> 01:01:46,240
[Laughter]

1682
01:01:50,470 --> 01:01:49,040
myself included believe me i'm i'm i'm

1683
01:01:52,549 --> 01:01:50,480
like i said i'm working for

1684
01:01:54,710 --> 01:01:52,559
people above me are the higher levels of

1685
01:01:58,789 --> 01:01:54,720
power than myself in the sense

1686
01:02:02,069 --> 01:01:58,799
okay i'm i'm i'm he's doing god's work

1687
01:02:04,150 --> 01:02:02,079
daniel james he's working for god

1688
01:02:06,789 --> 01:02:04,160

i like what he says next here as well he

1689

01:02:08,549 --> 01:02:06,799

talks about um he's not they tell me

1690

01:02:10,150 --> 01:02:08,559

like i'm on their level but i'm not on

1691

01:02:11,750 --> 01:02:10,160

there it's like he's just trying to do a

1692

01:02:14,630 --> 01:02:11,760

humble brag

1693

01:02:15,430 --> 01:02:14,640

oh boy they tell me i'm on their level

1694

01:02:18,870 --> 01:02:15,440

but i

1695

01:02:22,069 --> 01:02:18,880

i try to be as much of a servant

1696

01:02:25,349 --> 01:02:22,079

as i possibly can okay

1697

01:02:26,309 --> 01:02:25,359

so god tells him that that he's on god's

1698

01:02:28,710 --> 01:02:26,319

level

1699

01:02:30,309 --> 01:02:28,720

like he's trying to be humble is he

1700

01:02:31,029 --> 01:02:30,319

talking about god or is he talking about

1701

01:02:34,870 --> 01:02:31,039

trump

1702

01:02:36,630 --> 01:02:34,880

he's a big shot either way

1703

01:02:38,230 --> 01:02:36,640

either he's talking to either god or

1704

01:02:40,630 --> 01:02:38,240

trump thinks that

1705

01:02:42,390 --> 01:02:40,640

this guy is just as powerful as them

1706

01:02:44,390 --> 01:02:42,400

that's what he's trying to say

1707

01:02:46,069 --> 01:02:44,400

one of the other try not to let this

1708

01:02:49,109 --> 01:02:46,079

level in this access

1709

01:02:49,990 --> 01:02:49,119

in this uh this level of power go to my

1710

01:02:52,870 --> 01:02:50,000

head

1711

01:02:53,910 --> 01:02:52,880

so i'm giving it away freely to you the

1712

01:02:57,109 --> 01:02:53,920

people

1713

01:02:59,190 --> 01:02:57,119

for you to do with as you please

1714

01:03:01,270 --> 01:02:59,200

i'm yellow stonewolf remember knowledge

1715

01:03:02,950 --> 01:03:01,280

always overcomes power

1716

01:03:04,470 --> 01:03:02,960

thank you for your time knowledge over

1717

01:03:06,630 --> 01:03:04,480

power is how i got here y'all

1718

01:03:08,150 --> 01:03:06,640

know all over power is how i got here

1719

01:03:12,549 --> 01:03:08,160

trust me when i say i'm giving you

1720

01:03:19,190 --> 01:03:15,589

that was cringy that laugh at the

1721

01:03:21,750 --> 01:03:19,200

end was cringe-worthy like cult-like

1722

01:03:22,870 --> 01:03:21,760

cringe-worthy yeah it was it was a

1723

01:03:24,230 --> 01:03:22,880

little bit unsettling

1724

01:03:26,150 --> 01:03:24,240

i think it was the most unsettling part

1725

01:03:26,470 --> 01:03:26,160

of the video because you you got to see

1726

01:03:36,309 --> 01:03:26,480

that

1727

01:03:38,549 --> 01:03:36,319

stephen i like the intro as well by the

1728

01:03:41,349 --> 01:03:38,559

way oh yeah

1729

01:03:42,230 --> 01:03:41,359

oh yeah yeah it's so funny i should warn

1730

01:03:44,549 --> 01:03:42,240

people like

1731

01:03:46,230 --> 01:03:44,559

like oh this is there's a new intro yeah

1732

01:03:47,910 --> 01:03:46,240

so far i haven't gotten too much [h__h]

1733

01:03:49,510 --> 01:03:47,920

about the dancing girls in the video but

1734

01:03:51,990 --> 01:03:49,520

i do want to say this

1735

01:03:53,670 --> 01:03:52,000

listen no i'm gonna say this my defense

1736

01:03:55,750 --> 01:03:53,680

daniel james because people are talking

1737

01:03:59,029 --> 01:03:55,760

[h__h] behind my back

1738

01:03:59,910 --> 01:03:59,039

i'm an artist okay i'm a [h__\h] artist

1739

01:04:02,549 --> 01:03:59,920

because

1740

01:04:04,789 --> 01:04:02,559

show me another artist on planet earth

1741

01:04:09,029 --> 01:04:04,799

that has seamlessly merged

1742

01:04:12,789 --> 01:04:09,039

ufos alien creatures bigfoot

1743

01:04:16,230 --> 01:04:12,799

fire and hot dancing girls

1744

01:04:18,230 --> 01:04:16,240

i'm an artist it's the kind of scenario

1745

01:04:19,829 --> 01:04:18,240

i'm an artist that's just it like they

1746

01:04:22,710 --> 01:04:19,839

don't understand

1747

01:04:23,270 --> 01:04:22,720

the artistic nature that i have put into

1748

01:04:27,109 --> 01:04:23,280

that

1749

01:04:29,589 --> 01:04:27,119

okay it's not just because i learned

1750

01:04:30,150 --> 01:04:29,599

i was reading a book about online

1751
01:04:31,670 --> 01:04:30,160
marketing

1752
01:04:33,670 --> 01:04:31,680
and learned that people decide in the

1753
01:04:35,349 --> 01:04:33,680
first two minutes of a show

1754
01:04:37,670 --> 01:04:35,359
whether they're gonna keep watching or

1755
01:04:39,430 --> 01:04:37,680
not i did not put hot stripper girls in

1756
01:04:42,710 --> 01:04:39,440
just because of that

1757
01:04:46,069 --> 01:04:42,720
okay i did it because i

1758
01:04:47,589 --> 01:04:46,079
am an artist okay just making it

1759
01:04:48,950 --> 01:04:47,599
code yeah i think you've cracked the

1760
01:04:49,910 --> 01:04:48,960
card you've come up with the perfect

1761
01:04:51,750 --> 01:04:49,920
recipe for

1762
01:04:53,670 --> 01:04:51,760
trapping people in that first two

1763
01:04:56,390 --> 01:04:53,680

minutes this

1764

01:04:59,029 --> 01:04:56,400

well yeah so far it seems to be working

1765

01:05:00,950 --> 01:04:59,039

according to google analytics so

1766

01:05:02,549 --> 01:05:00,960

i'm just going to trust the google gods

1767

01:05:05,109 --> 01:05:02,559

to tell me what to do

1768

01:05:05,670 --> 01:05:05,119

and if i got to put dancing girls and

1769

01:05:08,870 --> 01:05:05,680

yeah

1770

01:05:11,829 --> 01:05:08,880

sorry and i got bad news for everybody

1771

01:05:13,270 --> 01:05:11,839

i got a dvd collection of these girls

1772

01:05:17,190 --> 01:05:13,280

like

1773

01:05:19,990 --> 01:05:17,200

dancing girls and different

1774

01:05:20,309 --> 01:05:20,000

outfits and yeah and i got to use it

1775

01:05:23,670 --> 01:05:20,319

because

1776

01:05:25,109 --> 01:05:23,680

you know i paid money for it so it'll be

1777

01:05:27,430 --> 01:05:25,119

a shame not to

1778

01:05:28,870 --> 01:05:27,440

yeah yeah but back to this captain

1779

01:05:31,910 --> 01:05:28,880

america

1780

01:05:33,829 --> 01:05:31,920

sorry what was this or was this not one

1781

01:05:38,470 --> 01:05:33,839

of the craziest

1782

01:05:41,589 --> 01:05:38,480

like let's call it like first

1783

01:05:42,150 --> 01:05:41,599

big bomb from a character like right

1784

01:05:44,069 --> 01:05:42,160

like

1785

01:05:46,309 --> 01:05:44,079

these guys they they come on to the

1786

01:05:48,710 --> 01:05:46,319

scene usually there's some

1787

01:05:50,150 --> 01:05:48,720

one video that they make that then will

1788

01:05:53,349 --> 01:05:50,160

grow their

1789

01:05:55,589 --> 01:05:53,359

crazy fan base i guess i don't know like

1790

01:05:58,150 --> 01:05:55,599

this was one of i think this was one of

1791

01:06:02,150 --> 01:05:58,160

the craziest ones that i've seen

1792

01:06:04,870 --> 01:06:02,160

of like a first work from one of these

1793

01:06:05,430 --> 01:06:04,880

guys that is attempting to do this it's

1794

01:06:08,549 --> 01:06:05,440

like yeah

1795

01:06:10,150 --> 01:06:08,559

the speed of the grip yeah

1796

01:06:11,670 --> 01:06:10,160

i said on my last stream that i think

1797

01:06:13,109 --> 01:06:11,680

we're moving like with things like the

1798

01:06:15,430 --> 01:06:13,119

letter of the alphabet

1799

01:06:17,029 --> 01:06:15,440

we're moving from a point of um like

1800

01:06:20,630 --> 01:06:17,039

message drops and things like that

1801
01:06:21,750 --> 01:06:20,640
into action and this guy's the perfect

1802
01:06:25,029 --> 01:06:21,760
symbol of it because

1803
01:06:27,910 --> 01:06:25,039
he he's actually you know got his

1804
01:06:28,549 --> 01:06:27,920
15 minutes of fame from going and

1805
01:06:30,710 --> 01:06:28,559
physically

1806
01:06:32,549 --> 01:06:30,720
storming the capital so all this stuff

1807
01:06:33,750 --> 01:06:32,559
is in people's face now it's in the real

1808
01:06:35,829 --> 01:06:33,760
world it's not just

1809
01:06:37,349 --> 01:06:35,839
score it away on 4chan or 810 or

1810
01:06:39,349 --> 01:06:37,359
anything like that

1811
01:06:40,549 --> 01:06:39,359
um and people have to confront it now

1812
01:06:42,549 --> 01:06:40,559
and this guy's going to be making the

1813
01:06:44,230 --> 01:06:42,559

most of it

1814

01:06:47,029 --> 01:06:44,240

lee veltman says that our intro needs

1815

01:06:49,270 --> 01:06:47,039

more dildos i gotta work on that

1816

01:06:50,549 --> 01:06:49,280

i gotta work on that and v says oh my

1817

01:06:52,230 --> 01:06:50,559

god steve's poor wife

1818

01:06:55,029 --> 01:06:52,240

they're all fully clothed they're just

1819

01:06:58,789 --> 01:06:55,039

dancing on a set like

1820

01:07:01,349 --> 01:06:58,799

i got worse than that v trust me

1821

01:07:03,670 --> 01:07:01,359

yeah an all-around arbiter says this was

1822

01:07:05,910 --> 01:07:03,680

like his extended wrestling promo

1823

01:07:06,870 --> 01:07:05,920

yeah it is that's exactly what was i'm a

1824

01:07:09,190 --> 01:07:06,880

super soldier

1825

01:07:10,789 --> 01:07:09,200

and i got i i wanted him to talk more

1826
01:07:11,510 --> 01:07:10,799
about his superpowers though because

1827
01:07:13,349 --> 01:07:11,520
some of the

1828
01:07:14,870 --> 01:07:13,359
those guys do they'll start saying stuff

1829
01:07:17,589 --> 01:07:14,880
like well

1830
01:07:20,150 --> 01:07:17,599
after the ai algorithm or i'm sorry

1831
01:07:22,789 --> 01:07:20,160
after the black goo was injected

1832
01:07:23,510 --> 01:07:22,799
for several days i was in hell in pain

1833
01:07:25,430 --> 01:07:23,520
and then

1834
01:07:27,190 --> 01:07:25,440
start rebuilding my muscle structure you

1835
01:07:28,870 --> 01:07:27,200
know like they go into detail about how

1836
01:07:31,990 --> 01:07:28,880
the power and then they got

1837
01:07:34,069 --> 01:07:32,000
super strength and you know speed and

1838
01:07:37,510 --> 01:07:34,079

enhanced reflexes

1839

01:07:39,750 --> 01:07:37,520

and durability right like they could

1840

01:07:41,430 --> 01:07:39,760

some of them are bulletproof we're going

1841

01:07:42,470 --> 01:07:41,440

to get the origin story at some point

1842

01:07:42,870 --> 01:07:42,480

we're just going to hang in there i

1843

01:07:44,630 --> 01:07:42,880

think

1844

01:07:45,910 --> 01:07:44,640

hopefully he won't go to jail so he can

1845

01:07:47,750 --> 01:07:45,920

make more videos for us

1846

01:07:50,549 --> 01:07:47,760

yeah and that's another it's another

1847

01:07:52,470 --> 01:07:50,559

issue that i wanted to bring up like

1848

01:07:53,990 --> 01:07:52,480

listen they're going to crucify those

1849

01:07:56,230 --> 01:07:54,000

people that walked into that capital

1850

01:07:57,910 --> 01:07:56,240

whether you walk through an open door

1851

01:08:00,150 --> 01:07:57,920

whatever they're still going to crucify

1852

01:08:02,549 --> 01:08:00,160

those people this guy could be facing

1853

01:08:03,670 --> 01:08:02,559

at least 10 years in a federal prison

1854

01:08:06,870 --> 01:08:03,680

that's correct yeah

1855

01:08:08,789 --> 01:08:06,880

and so to me i guess his mom

1856

01:08:10,230 --> 01:08:08,799

bailed him out of jail i really think i

1857

01:08:12,390 --> 01:08:10,240

read that like his mom

1858

01:08:13,670 --> 01:08:12,400

bailed him out of jail right yeah

1859

01:08:15,670 --> 01:08:13,680

because he didn't like that

1860

01:08:17,910 --> 01:08:15,680

vegan oh they didn't have a vegan

1861

01:08:19,189 --> 01:08:17,920

friendly yeah that's another boy talk

1862

01:08:21,910 --> 01:08:19,199

about privilege right

1863

01:08:24,070 --> 01:08:21,920

he got organic food because he refused

1864

01:08:28,550 --> 01:08:24,080

to eat the non-organic food

1865

01:08:31,590 --> 01:08:31,189

and v says stephen on the artist campion

1866

01:08:34,149 --> 01:08:31,600

yeah

1867

01:08:34,709 --> 01:08:34,159

i it's it's in my twitter thing look it

1868

01:08:37,590 --> 01:08:34,719

says

1869

01:08:38,709 --> 01:08:37,600

i'm an artist i think right i think so i

1870

01:08:41,349 --> 01:08:38,719

put it in there

1871

01:08:43,269 --> 01:08:41,359

campion is an artist i'm an artist

1872

01:08:45,990 --> 01:08:43,279

that's what i do i'm an artist

1873

01:08:47,510 --> 01:08:46,000

okay and digital content producer maybe

1874

01:08:48,309 --> 01:08:47,520

you should put some of those dancing

1875

01:08:50,149 --> 01:08:48,319

girls in your

1876

01:08:51,349 --> 01:08:50,159

uh banner as well on twitter that might

1877

01:08:54,149 --> 01:08:51,359

get you more followers

1878

01:08:55,269 --> 01:08:54,159

yeah yeah but listen in my defense it's

1879

01:08:57,189 --> 01:08:55,279

all in good fun

1880

01:08:58,630 --> 01:08:57,199

and then if people have a laugh about it

1881

01:09:00,309 --> 01:08:58,640

because it is pretty bizarre

1882

01:09:02,309 --> 01:09:00,319

just like bigfoot walking and then you

1883

01:09:04,149 --> 01:09:02,319

just see these dancing girls

1884

01:09:05,749 --> 01:09:04,159

it's pretty bizarre i'll give you that

1885

01:09:07,829 --> 01:09:05,759

i'll give everybody that this is a

1886

01:09:10,309 --> 01:09:07,839

bizarre introduction to a show

1887

01:09:11,829 --> 01:09:10,319

but i kind of wanted that to people go

1888

01:09:14,229 --> 01:09:11,839

what the [h__\h] is this

1889

01:09:15,990 --> 01:09:14,239

like it's that reaction and it's working

1890

01:09:19,669 --> 01:09:16,000

so i'm an artist

1891

01:09:26,309 --> 01:09:21,349

oh this is great phil claire says if

1892

01:09:29,510 --> 01:09:27,669

i haven't actually seen him without

1893

01:09:32,470 --> 01:09:29,520

horns on his head or

1894

01:09:33,990 --> 01:09:32,480

a bandana or something else trust me any

1895

01:09:37,030 --> 01:09:34,000

guy that covers his head with it with

1896

01:09:38,789 --> 01:09:37,040

a do rag like that is bald

1897

01:09:40,789 --> 01:09:38,799

people that have hair don't cover their

1898

01:09:43,189 --> 01:09:40,799

head with a do-rag not

1899

01:09:44,630 --> 01:09:43,199

not that i know of i don't know so he's

1900

01:09:46,789 --> 01:09:44,640

probably both yeah wouldn't know like

1901

01:09:47,669 --> 01:09:46,799

super soldier serum they gave him regrow

1902

01:09:50,070 --> 01:09:47,679

his hair

1903

01:09:51,430 --> 01:09:50,080

but better than hair club for men right

1904

01:09:53,749 --> 01:09:51,440

yeah you think so

1905

01:09:55,510 --> 01:09:53,759

i think you'll be able to do that if

1906

01:09:58,149 --> 01:09:55,520

you're a prophet

1907

01:09:59,590 --> 01:09:58,159

one says they can all get off on mental

1908

01:10:03,270 --> 01:09:59,600

incompetency

1909

01:10:05,910 --> 01:10:03,280

yeah yeah yeah well he's like he's

1910

01:10:08,630 --> 01:10:05,920

actually he's looking down the barrel of

1911

01:10:10,149 --> 01:10:08,640

27 years if convicted or did i read that

1912

01:10:10,870 --> 01:10:10,159

wrong you could pro you're probably

1913

01:10:13,350 --> 01:10:10,880

right i know

1914

01:10:14,790 --> 01:10:13,360

i i heard it was at least 10 but i think

1915

01:10:16,390 --> 01:10:14,800

you're probably right

1916

01:10:17,750 --> 01:10:16,400

because they're throwing all kinds of

1917

01:10:19,430 --> 01:10:17,760

charges at him and see this is what

1918

01:10:21,830 --> 01:10:19,440

prosecutors do

1919

01:10:23,510 --> 01:10:21,840

uh they think they could get either sure

1920

01:10:25,110 --> 01:10:23,520

they could get you for one or two crimes

1921

01:10:26,870 --> 01:10:25,120

they're going to charge you with eight

1922

01:10:28,070 --> 01:10:26,880

because that makes it so much harder for

1923

01:10:29,750 --> 01:10:28,080

you to defend yourself because now you

1924

01:10:31,189 --> 01:10:29,760

have to defend against eight crimes

1925

01:10:35,750 --> 01:10:31,199

instead of two

1926

01:10:39,669 --> 01:10:37,669

into a play and not go to court just

1927

01:10:40,470 --> 01:10:39,679

like all right i'll do five years or

1928

01:10:43,990 --> 01:10:40,480

whatever

1929

01:10:46,149 --> 01:10:44,000

you know so my point was that this is

1930

01:10:47,590 --> 01:10:46,159

really interesting to me that this dude

1931

01:10:50,709 --> 01:10:47,600

was involved in this

1932

01:10:52,149 --> 01:10:50,719

capital ryan and you know walking into

1933

01:10:55,110 --> 01:10:52,159

the capitol

1934

01:10:55,830 --> 01:10:55,120

and got quickly got internet famous like

1935

01:10:58,630 --> 01:10:55,840

huge

1936

01:11:00,709 --> 01:10:58,640

internet fame but then he gets arrested

1937

01:11:02,870 --> 01:11:00,719

and his mom bails him out of jail

1938

01:11:05,430 --> 01:11:02,880

and one of the first things he does is

1939

01:11:07,350 --> 01:11:05,440

do this stream

1940

01:11:09,350 --> 01:11:07,360

yeah you might even say that he's

1941

01:11:10,390 --> 01:11:09,360

probably preempted and pre-planned all

1942

01:11:12,070 --> 01:11:10,400

of that

1943

01:11:13,590 --> 01:11:12,080

i think he has to some degree because

1944

01:11:15,510 --> 01:11:13,600

he's been going around the conferences

1945

01:11:18,790 --> 01:11:15,520

he's been going around all those

1946

01:11:19,750 --> 01:11:18,800

um scenes for for a few years now and

1947

01:11:21,510 --> 01:11:19,760

dressing up as the

1948

01:11:24,390 --> 01:11:21,520

the shaman and all that kind of stuff so

1949

01:11:26,229 --> 01:11:24,400

i think you know i actually think

1950

01:11:28,070 --> 01:11:26,239

a lot of what he's doing has been to get

1951

01:11:29,910 --> 01:11:28,080

attention to

1952

01:11:31,350 --> 01:11:29,920

yeah he seems to have some narcissistic

1953

01:11:32,950 --> 01:11:31,360

need for attention right

1954

01:11:35,189 --> 01:11:32,960

like going there and dressing up in

1955

01:11:37,270 --> 01:11:35,199

these costumes and he has been

1956

01:11:38,790 --> 01:11:37,280

i seen him do an interview with laura

1957

01:11:40,870 --> 01:11:38,800

eisenhower too

1958

01:11:42,070 --> 01:11:40,880

like really i haven't seen that yeah

1959

01:11:44,550 --> 01:11:42,080

that's crazy

1960

01:11:45,350 --> 01:11:44,560

oh yeah we'll cover that next i gotta

1961

01:11:47,590 --> 01:11:45,360

find it again

1962

01:11:48,950 --> 01:11:47,600

but i'm sure that there's a video that

1963

01:11:52,870 --> 01:11:48,960

exists of those two

1964

01:11:56,070 --> 01:11:52,880

together talking and it is woo fabulous

1965

01:11:58,550 --> 01:11:56,080

woods yeah but that was previous

1966

01:11:59,110 --> 01:11:58,560

of course to the capital the capital

1967

01:12:02,310 --> 01:11:59,120

event

1968

01:12:06,149 --> 01:12:02,320

yeah great

1969

01:12:08,470 --> 01:12:06,159

oh we got look at this you two

1970

01:12:11,910 --> 01:12:08,480

you are two pathetic loser especially

1971

01:12:14,550 --> 01:12:11,920

the dumb brain [h__h] with the sun glaze

1972

01:12:16,470 --> 01:12:14,560

yeah but i know how to spell sunglasses

1973

01:12:18,630 --> 01:12:16,480

you dumb [h__h]

1974

01:12:20,390 --> 01:12:18,640

right and i know how to spell a loser

1975

01:12:26,630 --> 01:12:20,400

come on

1976

01:12:30,229 --> 01:12:28,390

we don't really get a lot of trolls in

1977

01:12:32,870 --> 01:12:30,239

the live chat so when we do

1978

01:12:33,669 --> 01:12:32,880

i say that's engagement that's a viewer

1979

01:12:36,870 --> 01:12:33,679

welcome

1980

01:12:40,149 --> 01:12:36,880

i'm gonna

1981

01:12:44,310 --> 01:12:40,159

dude on

1982

01:12:47,270 --> 01:12:44,320

um well what's his name gm

1983

01:12:48,830 --> 01:12:47,280

yeah no that was a yo can do you mind if

1984

01:12:51,189 --> 01:12:48,840

we share that right now

1985

01:12:53,270 --> 01:12:51,199

yeah it's i'm gonna share it from your

1986

01:12:56,310 --> 01:12:53,280

twitter feed is that okay with you

1987

01:12:59,110 --> 01:12:56,320

of course it is all right so listen

1988

01:13:00,950 --> 01:12:59,120

daniel james grabbed this clip which

1989

01:13:03,189 --> 01:13:00,960

basically

1990

01:13:04,630 --> 01:13:03,199

this idiot that's that's gonna get so

1991

01:13:06,950 --> 01:13:04,640

upset in this clip

1992

01:13:09,590 --> 01:13:06,960

said all kinds of [h__h] that wasn't true

1993

01:13:12,550 --> 01:13:09,600

about the inauguration

1994

01:13:13,750 --> 01:13:12,560

all kinds of [h__h] like all kinds of [h__h]

1995

01:13:15,350 --> 01:13:13,760

that just wasn't true about the

1996

01:13:18,470 --> 01:13:15,360

inauguration

1997

01:13:20,310 --> 01:13:18,480

would never happen

1998

01:13:22,229 --> 01:13:20,320

so he's pissed off and then somebody in

1999

01:13:23,830 --> 01:13:22,239

the live chat just asked a question and

2000

01:13:26,149 --> 01:13:23,840

it's a very valid question

2001

01:13:27,830 --> 01:13:26,159

and this guy loses his [h__h] and it's

2002

01:13:30,390 --> 01:13:27,840

wonderful so we're gonna

2003

01:13:34,310 --> 01:13:30,400

we're gonna share it one second let me

2004

01:13:38,470 --> 01:13:34,320

find let me find you it's at though

2005

01:13:42,870 --> 01:13:40,550

there we go yeah and then i gotta find

2006

01:13:44,870 --> 01:13:42,880

it so just bear with me for a moment

2007

01:13:46,790 --> 01:13:44,880

and you know i gotta say like

2008

01:13:47,110 --> 01:13:46,800

jean-claude i think is losing his [h__h]

2009

01:13:50,390 --> 01:13:47,120

too

2010

01:13:52,390 --> 01:13:50,400

because this this level of like being

2011

01:13:53,270 --> 01:13:52,400

nasty to a guest that just asked a

2012

01:13:55,910 --> 01:13:53,280

simple question

2013

01:13:59,030 --> 01:13:55,920

is crazy oh here it is oh yeah he's been

2014

01:14:01,590 --> 01:13:59,040

doing a lot of streams lately

2015

01:14:02,870 --> 01:14:01,600

what's that john claude's been doing a

2016

01:14:04,310 --> 01:14:02,880

lot of streams like

2017

01:14:05,510 --> 01:14:04,320

i haven't been watching you know what

2018

01:14:06,390 --> 01:14:05,520

here's what i think about joe claude

2019

01:14:08,070 --> 01:14:06,400

when he does like

2020

01:14:10,070 --> 01:14:08,080

psychic girls and they talk about

2021

01:14:11,110 --> 01:14:10,080

psychic nonsense to me that's all like

2022

01:14:16,950 --> 01:14:11,120

harmless

2023

01:14:17,910 --> 01:14:16,960

his like view of this whole thing is

2024

01:14:21,430 --> 01:14:17,920

basically pro

2025

01:14:23,430 --> 01:14:21,440

alphabet conspiracy pro trump and

2026

01:14:25,430 --> 01:14:23,440

you know the deep state is the democrats

2027

01:14:28,870 --> 01:14:25,440

they're the evil ones and

2028

01:14:31,270 --> 01:14:28,880

it's bizarre to watch uh okay one second

2029

01:14:35,110 --> 01:14:31,280

i'm going to share this

2030

01:14:37,590 --> 01:14:35,120

and you you got i did not see this show

2031

01:14:38,149 --> 01:14:37,600

but when i seen this clip i went oh my

2032

01:14:41,350 --> 01:14:38,159

god

2033

01:14:43,669 --> 01:14:41,360

it is so good and this

2034

01:14:45,990 --> 01:14:43,679

listen this clip ladies and gentlemen

2035

01:14:47,590 --> 01:14:46,000

perfectly sums up what happens

2036

01:14:49,030 --> 01:14:47,600

when you go to one of these letter of

2037

01:14:50,950 --> 01:14:49,040

the alphabet

2038

01:14:52,950 --> 01:14:50,960

idiots that has been pushing us for four

2039

01:14:55,189 --> 01:14:52,960

years and go what about this this and

2040

01:14:57,189 --> 01:14:55,199

this that never happened wasn't that

2041

01:14:59,030 --> 01:14:57,199

why were you so wrong they all lose

2042

01:15:00,470 --> 01:14:59,040

their [h__h] they're losing their [h__h]

2043

01:15:03,110 --> 01:15:00,480

because they're losing the grip

2044

01:15:06,149 --> 01:15:03,120

the con is falling apart and they're all

2045

01:15:08,830 --> 01:15:06,159

making excuses for why that is and

2046

01:15:10,550 --> 01:15:08,840

okay so here we go we're gonna share

2047

01:15:15,270 --> 01:15:10,560

this

2048

01:15:17,669 --> 01:15:15,280

okay um i try not to be separated from

2049

01:15:20,790 --> 01:15:17,679

reality

2050

01:15:22,709 --> 01:15:20,800

i think i do pretty well with that i we

2051

01:15:25,270 --> 01:15:22,719

got i got to mention something that

2052

01:15:26,630 --> 01:15:25,280

a lady put up what about these foreign

2053

01:15:28,390 --> 01:15:26,640

governments

2054

01:15:29,910 --> 01:15:28,400

hold on hold on just a second let's get

2055

01:15:31,270 --> 01:15:29,920

into that there's a comment here

2056

01:15:33,030 --> 01:15:31,280

they're saying cbc coverage of the

2057

01:15:34,790 --> 01:15:33,040

inauguration the cross was not upside

2058

01:15:37,270 --> 01:15:34,800

down he did not remove his hand

2059

01:15:38,149 --> 01:15:37,280

okay i've said this many times and this

2060

01:15:39,669 --> 01:15:38,159

show here

2061

01:15:41,189 --> 01:15:39,679

over the last couple of weeks we are

2062

01:15:41,830 --> 01:15:41,199

trying to decipher the events that are

2063

01:15:43,669 --> 01:15:41,840

before us

2064

01:15:46,229 --> 01:15:43,679

sometimes we will air sometimes we're

2065

01:15:47,910 --> 01:15:46,239

having these uh out loud conversations

2066

01:15:49,669 --> 01:15:47,920

and we're trying to do our best to piece

2067

01:15:51,189 --> 01:15:49,679

the puzzle together so as opposed to

2068

01:15:52,709 --> 01:15:51,199

telling us what did not happen

2069

01:15:54,470 --> 01:15:52,719

please share your opinions on your own

2070

01:15:57,110 --> 01:15:54,480

youtube channels as what you think

2071

01:15:57,990 --> 01:15:57,120

happened contribute to building a better

2072

01:16:01,510 --> 01:15:58,000

puzzle for

2073

01:16:04,070 --> 01:16:01,520

your own channel okay

2074

01:16:05,910 --> 01:16:04,080

we are here comes idle conversation here

2075

01:16:06,470 --> 01:16:05,920

and we are trying to figure things out

2076

01:16:09,110 --> 01:16:06,480

we're not

2077

01:16:09,830 --> 01:16:09,120

saying that we know 100 what is going on

2078

01:16:12,390 --> 01:16:09,840

neither jim

2079

01:16:14,149 --> 01:16:12,400

nor i have made that claim although

2080

01:16:16,950 --> 01:16:14,159

other youtubers have and

2081

01:16:17,910 --> 01:16:16,960

i've placed my opinion on that already

2082

01:16:21,669 --> 01:16:17,920

jim back to you

2083

01:16:24,950 --> 01:16:21,679

okay uh charlene sapien is cbc

2084

01:16:29,030 --> 01:16:24,960

your ultimate source of news

2085

01:16:33,110 --> 01:16:32,390

go back to your closet we're trying to

2086

01:16:36,149 --> 01:16:33,120

do something

2087

01:16:39,030 --> 01:16:36,159

serious here gas lighting

2088

01:16:40,790 --> 01:16:39,040

why don't you go ahead and put your mask

2089

01:16:41,590 --> 01:16:40,800

on so you can avoid the hundred dollar

2090

01:16:46,950 --> 01:16:41,600

fine

2091

01:16:49,830 --> 01:16:46,960

in canada get lost

2092

01:16:51,990 --> 01:16:49,840

i'm tired of you shitty ass people we're

2093

01:16:54,229 --> 01:16:52,000

trying to have a serious conversation

2094

01:16:55,830 --> 01:16:54,239

do you mind you don't even know what

2095

01:16:59,590 --> 01:16:55,840

gaslighting is

2096

01:17:03,270 --> 01:16:59,600

if cbc is your source you'll eat a yard

2097

01:17:05,990 --> 01:17:03,280

of my [h__h]

2098

01:17:07,350 --> 01:17:06,000

let me um back to the question of the

2099

01:17:09,110 --> 01:17:07,360

audience asking you

2100

01:17:10,310 --> 01:17:09,120

uh about the massive animations around

2101
01:17:10,950 --> 01:17:10,320
the planet i think that's where you were

2102
01:17:20,149 --> 01:17:10,960
yeah

2103
01:17:24,470 --> 01:17:20,159
bible with an inverted

2104
01:17:27,350 --> 01:17:24,480
crucifix um there were a bunch of

2105
01:17:28,790 --> 01:17:27,360
oh that's enough so who's your ultimate

2106
01:17:30,390 --> 01:17:28,800
source of information that you would

2107
01:17:33,510 --> 01:17:30,400
trust more cbc

2108
01:17:34,870 --> 01:17:33,520
news or this dude this dude of course it

2109
01:17:36,390 --> 01:17:34,880
would have to be this dude

2110
01:17:38,790 --> 01:17:36,400
some old dude talking about john

2111
01:17:40,550 --> 01:17:38,800
claude's talking all kinds of smack

2112
01:17:42,470 --> 01:17:40,560
giving people exactly what they want to

2113
01:17:44,709 --> 01:17:42,480

hear on john claudes show

2114

01:17:45,669 --> 01:17:44,719

which you know listen not for nothing

2115

01:17:47,990 --> 01:17:45,679

john claudes but

2116

01:17:50,149 --> 01:17:48,000

thats what you do you have people on

2117

01:17:51,270 --> 01:17:50,159

your show that tell people exactly what

2118

01:17:54,149 --> 01:17:51,280

they want to hear

2119

01:17:54,550 --> 01:17:54,159

and i really dont i really dont think

2120

01:17:57,350 --> 01:17:54,560

that

2121

01:17:57,990 --> 01:17:57,360

he cares about if its true if its not

2122

01:17:59,910 --> 01:17:58,000

true its

2123

01:18:01,270 --> 01:17:59,920

just its literally a form of

2124

01:18:03,189 --> 01:18:01,280

entertainment and thats

2125

01:18:05,189 --> 01:18:03,199

it right well thats what we saw with

2126

01:18:07,350 --> 01:18:05,199

that clip i mean there was no

2127

01:18:09,590 --> 01:18:07,360

rigor around that and i noticed that on

2128

01:18:12,630 --> 01:18:09,600

a few channels actually lately

2129

01:18:14,229 --> 01:18:12,640

um as long as it sort of echoes with the

2130

01:18:16,070 --> 01:18:14,239

audience that's fine

2131

01:18:17,830 --> 01:18:16,080

you know you can spat all the the

2132

01:18:21,350 --> 01:18:17,840

[h__\h] that you want and that guy

2133

01:18:22,950 --> 01:18:21,360

he was a nasty piece of work and he got

2134

01:18:25,270 --> 01:18:22,960

well he's getting so pissed because he

2135

01:18:27,510 --> 01:18:25,280

knows he's wrong he knows he's getting

2136

01:18:29,350 --> 01:18:27,520

so pissed because oh [h__\h] yeah i [h__\h]

2137

01:18:31,270 --> 01:18:29,360

that prediction up this didn't

2138

01:18:32,950 --> 01:18:31,280

this wasn't true this wasn't true this

2139

01:18:34,950 --> 01:18:32,960

wasn't true this wasn't true

2140

01:18:36,070 --> 01:18:34,960

person's basically reading his lies back

2141

01:18:39,510 --> 01:18:36,080

to him and saying

2142

01:18:41,189 --> 01:18:39,520

no that was true he lost his [h__h] and

2143

01:18:43,110 --> 01:18:41,199

i was a little surprised that joel

2144

01:18:45,750 --> 01:18:43,120

claudé jumped right on defending him

2145

01:18:46,790 --> 01:18:45,760

but this [h__h] was set on his show

2146

01:18:50,149 --> 01:18:46,800

previously too

2147

01:18:51,189 --> 01:18:50,159

like all this [h__h] you know so it is

2148

01:18:53,510 --> 01:18:51,199

what it is

2149

01:18:55,590 --> 01:18:53,520

you know i don't know but it's

2150

01:18:58,310 --> 01:18:55,600

interesting to me that the woo channels

2151
01:18:58,630 --> 01:18:58,320
and the the peddlers of this stuff you

2152
01:19:01,910 --> 01:18:58,640
know

2153
01:19:03,830 --> 01:19:01,920
huge numbers huge numbers

2154
01:19:05,430 --> 01:19:03,840
it's always the case it is absolutely

2155
01:19:06,950 --> 01:19:05,440
always the case that these guys get the

2156
01:19:08,390 --> 01:19:06,960
big numbers and

2157
01:19:10,310 --> 01:19:08,400
anyone sort of trying to bring that

2158
01:19:13,030 --> 01:19:10,320
information back down to earth to cross

2159
01:19:13,750 --> 01:19:13,040
check it he told her to get in the

2160
01:19:19,669 --> 01:19:13,760
closet

2161
01:19:21,270 --> 01:19:19,679
we're doing some serious work here bean

2162
01:19:23,189 --> 01:19:21,280
get in a closet [h__\h]

2163
01:19:26,149 --> 01:19:23,199

he was talking about like shitty ass

2164

01:19:31,110 --> 01:19:27,750

worse than what i'm tired of these

2165

01:19:34,310 --> 01:19:31,120

shitty people that say i'm lying

2166

01:19:36,630 --> 01:19:34,320

about my [\h__\h] you shitty people he's

2167

01:19:36,950 --> 01:19:36,640

like an old he looks like my old ass

2168

01:19:39,030 --> 01:19:36,960

like

2169

01:19:41,430 --> 01:19:39,040

uncle that's always in a bad mood you

2170

01:19:42,470 --> 01:19:41,440

know you got that old relative like how

2171

01:19:45,510 --> 01:19:42,480

you doing uncle johnny

2172

01:19:46,310 --> 01:19:45,520

oh my [\h__\h] hip and [\h__\h] my check

2173

01:19:48,630 --> 01:19:46,320

was late

2174

01:19:50,870 --> 01:19:48,640

and [\h__\h] i haven't been [\h__\h] in

2175

01:19:53,270 --> 01:19:50,880

five years

2176

01:19:54,790 --> 01:19:53,280

all right uncle johnny you know that's

2177

01:19:57,270 --> 01:19:54,800

who that dude strikes me as

2178

01:19:59,110 --> 01:19:57,280

like old uncle johnny i think old uncle

2179

01:19:59,910 --> 01:19:59,120

johnny might need some of those cds that

2180

01:20:03,350 --> 01:19:59,920

you've got

2181

01:20:05,590 --> 01:20:03,360

around yeah yeah

2182

01:20:07,430 --> 01:20:05,600

well uh i wanted you to tell people

2183

01:20:10,310 --> 01:20:07,440

about your warped podcast

2184

01:20:10,950 --> 01:20:10,320

and uh where they can find you right

2185

01:20:13,750 --> 01:20:10,960

we're gonna

2186

01:20:14,870 --> 01:20:13,760

do this together but daniel was like nah

2187

01:20:16,709 --> 01:20:14,880

that's all right

2188

01:20:18,390 --> 01:20:16,719

he was like i said let's do it as a

2189

01:20:19,990 --> 01:20:18,400

simulcast and we'll both get a show out

2190

01:20:22,070 --> 01:20:20,000

of it and daniel basically said like i

2191

01:20:25,669 --> 01:20:22,080

don't really want you on my channel bro

2192

01:20:27,750 --> 01:20:25,679

so [h__h] off steve campion

2193

01:20:29,830 --> 01:20:27,760

you can [h__h] off i'm not doing that i'll

2194

01:20:33,110 --> 01:20:29,840

just be a guest okay i'll be a guest

2195

01:20:34,950 --> 01:20:33,120

on your show but you know oops i've

2196

01:20:35,270 --> 01:20:34,960

still got my training wheels on steve so

2197

01:20:37,830 --> 01:20:35,280

i'm

2198

01:20:39,590 --> 01:20:37,840

learning how to like do these technical

2199

01:20:40,870 --> 01:20:39,600

things with the streams and i just

2200

01:20:42,070 --> 01:20:40,880

when when you mention that like i

2201

01:20:42,950 --> 01:20:42,080

thought it was a good idea but then i

2202

01:20:46,709 --> 01:20:42,960

thought i'm

2203

01:20:48,629 --> 01:20:46,719

probably gonna [h__\h] it up it's okay

2204

01:20:50,470 --> 01:20:48,639

well i can always download it and just

2205

01:20:51,830 --> 01:20:50,480

give it to you on a google drive and you

2206

01:20:52,470 --> 01:20:51,840

can upload it to your channel if you

2207

01:20:54,310 --> 01:20:52,480

want to

2208

01:20:55,590 --> 01:20:54,320

my point is that it's good to kill two

2209

01:20:57,110 --> 01:20:55,600

birds with one stone and we could both

2210

01:21:00,070 --> 01:20:57,120

get a show out of it

2211

01:21:01,830 --> 01:21:00,080

yeah and i enjoy one of these otherwise

2212

01:21:02,229 --> 01:21:01,840

yeah i mean you always have a good time

2213

01:21:06,070 --> 01:21:02,239

and

2214

01:21:08,229 --> 01:21:06,080

i'm always fun to see like what stuff

2215

01:21:09,430 --> 01:21:08,239

you're finding that i'm not finding and

2216

01:21:12,390 --> 01:21:09,440

i think vice versa

2217

01:21:13,910 --> 01:21:12,400

you know yeah well i'm i'm going ahead

2218

01:21:15,669 --> 01:21:13,920

further into the queue stuff that'll be

2219

01:21:18,709 --> 01:21:15,679

a focus for me as well oh no

2220

01:21:20,950 --> 01:21:18,719

you said it again but that's okay also

2221

01:21:22,310 --> 01:21:20,960

the uh you know what also is funny is

2222

01:21:25,030 --> 01:21:22,320

that like

2223

01:21:26,709 --> 01:21:25,040

these letter of the alphabet guys are

2224

01:21:28,149 --> 01:21:26,719

now all pushing it till march

2225

01:21:30,550 --> 01:21:28,159

because they're trying to keep this

2226

01:21:33,990 --> 01:21:30,560

thing going for a few more months

2227

01:21:35,430 --> 01:21:34,000

right but uh interestingly i noticed

2228

01:21:38,070 --> 01:21:35,440

something important on david

2229

01:21:40,870 --> 01:21:38,080

wilcox last stream he normally gets

2230

01:21:44,070 --> 01:21:40,880

thousands of dollars in super chats

2231

01:21:46,470 --> 01:21:44,080

in one stream thousands

2232

01:21:47,990 --> 01:21:46,480

yesterday i don't believe he broke a

2233

01:21:49,990 --> 01:21:48,000

thousand

2234

01:21:51,430 --> 01:21:50,000

and that's the first time that i've seen

2235

01:21:53,030 --> 01:21:51,440

it that low

2236

01:21:55,110 --> 01:21:53,040

wow because i haven't actually caught up

2237

01:21:56,149 --> 01:21:55,120

with it i'm a few streams behind on a

2238

01:21:59,189 --> 01:21:56,159

number of um

2239

01:22:00,229 --> 01:21:59,199

things that are not yeah i i beat myself

2240

01:22:02,709 --> 01:22:00,239

up and had to

2241

01:22:04,470 --> 01:22:02,719

sit through that whole [h__h] show today

2242

01:22:05,270 --> 01:22:04,480

but you know i was doing something just

2243

01:22:08,550 --> 01:22:05,280

list

2244

01:22:10,470 --> 01:22:08,560

jesus

2245

01:22:12,149 --> 01:22:10,480

that was the worst i think that was the

2246

01:22:15,189 --> 01:22:12,159

worst

2247

01:22:17,910 --> 01:22:15,199

i've ever seen him do

2248

01:22:19,110 --> 01:22:17,920

and not because not because everything

2249

01:22:22,470 --> 01:22:19,120

was so ridiculous

2250

01:22:24,790 --> 01:22:22,480

or like you know uh some of the crazy

2251
01:22:26,390 --> 01:22:24,800
[h__h] that he says that couldn't make

2252
01:22:29,990 --> 01:22:26,400
sense because it was so

2253
01:22:32,229 --> 01:22:30,000
lacking in anything you know it was like

2254
01:22:34,310 --> 01:22:32,239
a bunch of spirituality garbage in the

2255
01:22:36,629 --> 01:22:34,320
beginning and you know

2256
01:22:39,030 --> 01:22:36,639
there was nothing there man it was like

2257
01:22:41,110 --> 01:22:39,040
he's running on empty and and

2258
01:22:42,790 --> 01:22:41,120
but part of it was all trying to justify

2259
01:22:45,430 --> 01:22:42,800
why he's been so wrong

2260
01:22:47,189 --> 01:22:45,440
right but the only thing i really want

2261
01:22:49,110 --> 01:22:47,199
to know before i watch it stephen is did

2262
01:22:50,229 --> 01:22:49,120
he have any technical mishaps did he

2263
01:22:53,910 --> 01:22:50,239

start oh my god

2264

01:22:56,310 --> 01:22:53,920

absolutely absolutely his voice is still

2265

01:22:57,830 --> 01:22:56,320

off of the video like they don't even it

2266

01:22:59,110 --> 01:22:57,840

doesn't even sync up

2267

01:23:01,030 --> 01:22:59,120

and i have a feeling that's because he's

2268

01:23:01,910 --> 01:23:01,040

trying to use seven cameras and [h__h] or

2269

01:23:05,510 --> 01:23:01,920

something

2270

01:23:06,950 --> 01:23:05,520

the latency there's a latency issue

2271

01:23:08,470 --> 01:23:06,960

and i love the fact that he spent like

2272

01:23:09,990 --> 01:23:08,480

ten thousand dollars on equipment and

2273

01:23:11,990 --> 01:23:10,000

none of it [h__h] works

2274

01:23:13,270 --> 01:23:12,000

it doesn't work and then he blames

2275

01:23:16,070 --> 01:23:13,280

elizabeth

2276

01:23:16,950 --> 01:23:16,080

yeah like make this work [\h__\h] this

2277

01:23:20,390 --> 01:23:16,960

camera over here

2278

01:23:20,950 --> 01:23:20,400

[\h__\h] say smack back up [\h__\h] say some

2279

01:23:24,310 --> 01:23:20,960

[\h__\h]

2280

01:23:26,550 --> 01:23:24,320

yeah in this stream he actually

2281

01:23:28,229 --> 01:23:26,560

she had to read some [\h__\h] about uh

2282

01:23:30,229 --> 01:23:28,239

the founder of aikido

2283

01:23:32,390 --> 01:23:30,239

who she says is a big influence on her

2284

01:23:34,149 --> 01:23:32,400

or something and he actually is like

2285

01:23:36,149 --> 01:23:34,159

elizabeth did you have something that

2286

01:23:38,950 --> 01:23:36,159

you wanted to read to the audience

2287

01:23:39,510 --> 01:23:38,960

it was so contrived and stupid it was

2288

01:23:41,910 --> 01:23:39,520

nice

2289

01:23:44,470 --> 01:23:41,920

i liked it does she sound like you're so

2290

01:23:46,390 --> 01:23:44,480

you're so dude

2291

01:23:47,669 --> 01:23:46,400

yeah what has people been saying that

2292

01:23:50,310 --> 01:23:47,679

that he has

2293

01:23:51,350 --> 01:23:50,320

she has a deeper voice than him right

2294

01:23:53,669 --> 01:23:51,360

yeah she's got the

2295

01:23:55,910 --> 01:23:53,679

deep sultry voice and david david's got

2296

01:24:00,149 --> 01:23:55,920

the high voice

2297

01:24:02,390 --> 01:24:00,159

yeah i got super powers yeah

2298

01:24:03,189 --> 01:24:02,400

still can't find that box i still can't

2299

01:24:06,149 --> 01:24:03,199

find that box

2300

01:24:07,669 --> 01:24:06,159

even oh okay spooky has some insight

2301

01:24:10,070 --> 01:24:07,679

into wise let's see

2302

01:24:11,910 --> 01:24:10,080

we're here to help david wilcock i will

2303

01:24:15,350 --> 01:24:11,920

click this out and email it to you

2304

01:24:17,750 --> 01:24:15,360

right uh you're using spooky says he's

2305

01:24:19,750 --> 01:24:17,760

using a macbook pro to stream 1440p

2306

01:24:22,070 --> 01:24:19,760

for multiple cams it simply doesn't work

2307

01:24:23,830 --> 01:24:22,080

makes you wonder where the money goes

2308

01:24:26,149 --> 01:24:23,840

yeah i think money's a problem spooky i

2309

01:24:29,430 --> 01:24:26,159

think it's intelligence

2310

01:24:31,669 --> 01:24:29,440

he's got 180 iq daniel james how dare

2311

01:24:34,470 --> 01:24:31,679

you he's [h__h] smarter than

2312

01:24:35,189 --> 01:24:34,480

einstein daniel james how [h__h] dare

2313

01:24:37,830 --> 01:24:35,199

you

2314

01:24:39,110 --> 01:24:37,840

he needs he needs the truth seekers uh

2315

01:24:43,430 --> 01:24:39,120

tech support team

2316

01:24:46,470 --> 01:24:43,440

to help him out yeah

2317

01:24:48,470 --> 01:24:46,480

uh if he

2318

01:24:50,310 --> 01:24:48,480

if he had the money he says he does yeah

2319

01:24:50,629 --> 01:24:50,320

he's one of those fronter people and i

2320

01:24:54,149 --> 01:24:50,639

don't

2321

01:24:55,430 --> 01:24:54,159

you know i think he's broke his [h__h]

2322

01:24:57,270 --> 01:24:55,440

looking around his million dollar

2323

01:24:58,550 --> 01:24:57,280

mansion you know

2324

01:25:00,550 --> 01:24:58,560

i don't think he's going to be able to

2325

01:25:02,470 --> 01:25:00,560

make that mortgage payment on super

2326

01:25:04,390 --> 01:25:02,480

chats anymore based on what i've seen

2327

01:25:06,229 --> 01:25:04,400

and i hate to take a victory lap and be

2328

01:25:08,310 --> 01:25:06,239

happy that people

2329

01:25:09,270 --> 01:25:08,320

i believe a lot of people have woken up

2330

01:25:10,709 --> 01:25:09,280

to his garbage

2331

01:25:12,950 --> 01:25:10,719

like he was wrong about this he's wrong

2332

01:25:14,310 --> 01:25:12,960

about that it keeps being wrong

2333

01:25:17,350 --> 01:25:14,320

i'm not giving him any more money

2334

01:25:20,870 --> 01:25:17,360

because it looks like he took a huge hit

2335

01:25:24,149 --> 01:25:20,880

from where it was pre-election

2336

01:25:26,070 --> 01:25:24,159

and inauguration to where it is now

2337

01:25:27,990 --> 01:25:26,080

well hopefully he's got a lot of his uh

2338

01:25:30,470 --> 01:25:28,000

money invested into hedge funds or

2339

01:25:32,950 --> 01:25:30,480

something like that

2340

01:25:34,470 --> 01:25:32,960

i hope to god that he has all of his

2341

01:25:35,030 --> 01:25:34,480

money in a hedge fund one of the ones

2342

01:25:37,910 --> 01:25:35,040

that went

2343

01:25:39,669 --> 01:25:37,920

[h__h] can't his insiders provide them

2344

01:25:40,870 --> 01:25:39,679

with a setup that at least has the right

2345

01:25:43,350 --> 01:25:40,880

audio video sync

2346

01:25:44,950 --> 01:25:43,360

yeah you would think so get a cia

2347

01:25:45,350 --> 01:25:44,960

handlers over there they got media

2348

01:25:49,430 --> 01:25:45,360

people

2349

01:25:55,910 --> 01:25:52,070

oh and the bus laden says them teeth are

2350

01:25:59,350 --> 01:25:57,990

the money goes to the teeth and hair

2351

01:26:03,030 --> 01:25:59,360

plugs

2352

01:26:07,990 --> 01:26:04,950

lee beltman says i don't feel bad for

2353

01:26:10,070 --> 01:26:08,000

beans say they're good wilcock rds

2354

01:26:11,830 --> 01:26:10,080

uh et cetera getting exposed by a fake

2355

01:26:13,350 --> 01:26:11,840

larp saving more kids from underground

2356

01:26:15,590 --> 01:26:13,360

tunnels in new york city

2357

01:26:16,790 --> 01:26:15,600

it's just ridiculous and it's funny to

2358

01:26:19,189 --> 01:26:16,800

see these guys

2359

01:26:21,430 --> 01:26:19,199

like scrambling to try to [h__\h]

2360

01:26:21,990 --> 01:26:21,440

justify all this [h__\h] and just keep it

2361

01:26:25,590 --> 01:26:22,000

rolling

2362

01:26:27,350 --> 01:26:25,600

still right because they made this one

2363

01:26:29,830 --> 01:26:27,360

yeah yeah we're good it's like an

2364

01:26:32,629 --> 01:26:29,840

episode of survivor it's like the con

2365

01:26:34,790 --> 01:26:32,639

survivor game who's going to survive the

2366

01:26:42,709 --> 01:26:34,800

letter of the alphabet con

2367

01:26:49,830 --> 01:26:46,390

a never-ending oracle of [h__h]

2368

01:26:50,310 --> 01:26:49,840

right listen if he can spin emery smith

2369

01:26:52,950 --> 01:26:50,320

getting

2370

01:26:54,390 --> 01:26:52,960

drunk and wasted and going having to go

2371

01:26:57,030 --> 01:26:54,400

to the hospital

2372

01:26:58,790 --> 01:26:57,040

into a grift that makes him what 50k on

2373

01:27:01,430 --> 01:26:58,800

paypal donations

2374

01:27:01,830 --> 01:27:01,440

that's pretty good that's impressive

2375

01:27:08,149 --> 01:27:01,840

that's

2376

01:27:10,470 --> 01:27:08,159

man it is spooky says

2377

01:27:12,790 --> 01:27:10,480

emily smith it's emmy smith's birthday

2378

01:27:14,470 --> 01:27:12,800

happy birthday emmy smith i hope you

2379

01:27:16,310 --> 01:27:14,480

aren't drinking and end up in the

2380

01:27:17,910 --> 01:27:16,320

hospital with alcohol poisoning on your

2381

01:27:19,030 --> 01:27:17,920

birthday that would suck but happy

2382

01:27:22,790 --> 01:27:19,040

birthday

2383

01:27:24,709 --> 01:27:22,800

he really does have those issues i hope

2384

01:27:27,990 --> 01:27:24,719

that he gets some kind of help

2385

01:27:29,110 --> 01:27:28,000

but yeah happy birthday bro maybe he

2386

01:27:30,149 --> 01:27:29,120

gets to like

2387

01:27:32,229 --> 01:27:30,159

what do you think he does on his

2388

01:27:33,590 --> 01:27:32,239

birthday does he like analyze alien

2389

01:27:36,390 --> 01:27:33,600

tissue samples

2390

01:27:37,189 --> 01:27:36,400

like on a live stream as long as he just

2391

01:27:39,750 --> 01:27:37,199

doesn't

2392

01:27:40,870 --> 01:27:39,760

go driving and hit any docks or anything

2393

01:27:43,590 --> 01:27:40,880

like that

2394

01:27:45,270 --> 01:27:43,600

we don't hate mario heat with some

2395

01:27:47,110 --> 01:27:45,280

insight into where david wilcox money

2396

01:27:49,750 --> 01:27:47,120

goes the money gets invested in the love

2397

01:27:52,550 --> 01:27:49,760

room for elizabeth's naked

2398

01:27:54,229 --> 01:27:52,560

sashes i don't know what that means uh i

2399

01:27:55,910 --> 01:27:54,239

don't want to imagine either those two

2400

01:27:57,750 --> 01:27:55,920

naked thanks i'll never get that out of

2401

01:28:01,910 --> 01:27:57,760

my [h__\h]

2402

01:28:06,870 --> 01:28:04,390

happy birthday emery smith here's the 10

2403

01:28:11,750 --> 01:28:06,880

000 more alien dissections

2404

01:28:15,830 --> 01:28:14,229

i'm dming you a video about the traitor

2405

01:28:18,070 --> 01:28:15,840

about the trade rooms

2406

01:28:19,990 --> 01:28:18,080

all right oh he's yeah uh spooky's gonna

2407

01:28:22,790 --> 01:28:20,000

be covering this uh

2408

01:28:24,390 --> 01:28:22,800

this game stop story i'm gonna look more

2409

01:28:25,669 --> 01:28:24,400

into it and i may do a show about it but

2410

01:28:28,790 --> 01:28:25,679

i want to understand

2411

01:28:31,189 --> 01:28:28,800

more clearly exactly what happened

2412

01:28:33,430 --> 01:28:31,199

and what is happening now because i

2413

01:28:35,910 --> 01:28:33,440

think i got it but i'm a little unclear

2414

01:28:37,510 --> 01:28:35,920

about you know i don't want to i don't

2415

01:28:38,709 --> 01:28:37,520

want to misspeak talking about that

2416

01:28:42,070 --> 01:28:38,719

story

2417

01:28:43,590 --> 01:28:42,080

yeah i'm not a solid expert into

2418

01:28:44,709 --> 01:28:43,600

investing or anything like that i'm just

2419

01:28:47,270 --> 01:28:44,719

annoyed that i can't

2420

01:28:47,910 --> 01:28:47,280

coinbase won't let me invest in dozecoin

2421

01:28:51,350 --> 01:28:47,920

so

2422

01:28:54,830 --> 01:28:51,360

i can't can't tip my money into that

2423

01:29:01,030 --> 01:28:58,070

wow i'm sorry i'm getting i'm getting

2424

01:29:06,870 --> 01:29:04,550

so uh yeah uh so on your podcast you

2425

01:29:09,189 --> 01:29:06,880

talk about a lot of these clowns too

2426

01:29:10,629 --> 01:29:09,199

so you know in that sense we're very

2427

01:29:12,229 --> 01:29:10,639

similar and i like

2428

01:29:14,550 --> 01:29:12,239

the take that you have on some of these

2429

01:29:16,310 --> 01:29:14,560

clowns and watching this stuff

2430

01:29:18,629 --> 01:29:16,320

it becomes like does it become like a

2431

01:29:18,950 --> 01:29:18,639

stupid hobby right like i gotta see what

2432

01:29:22,629 --> 01:29:18,960

this

2433

01:29:25,910 --> 01:29:22,639

[\h__\h] said now like what kind of [\h__\h]

2434

01:29:27,590 --> 01:29:25,920

is this guy gonna say now yeah it's it's

2435

01:29:29,430 --> 01:29:27,600

been good like the last seven weeks as

2436

01:29:31,350 --> 01:29:29,440

well i've been keeping it to uh

2437

01:29:33,350 --> 01:29:31,360

monday nights and hitting it regularly

2438

01:29:35,030 --> 01:29:33,360

so we were doing the podcast

2439

01:29:37,110 --> 01:29:35,040

to begin with and it was just like

2440

01:29:38,149 --> 01:29:37,120

really hard to line up times to record

2441

01:29:39,510 --> 01:29:38,159

and everything and

2442

01:29:41,110 --> 01:29:39,520

so i said to stanley you know it'd be

2443

01:29:43,189 --> 01:29:41,120

good just to be able to live stream

2444

01:29:45,910 --> 01:29:43,199

whenever and whoever can come on or

2445

01:29:48,390 --> 01:29:45,920

whatever but it's been good to have a

2446

01:29:50,310 --> 01:29:48,400

regular sort of forum to then

2447

01:29:52,310 --> 01:29:50,320

it actually it's good because it forced

2448

01:29:53,669 --> 01:29:52,320

me to reflect on like the last week and

2449

01:29:55,830 --> 01:29:53,679

what's happened and

2450

01:29:57,750 --> 01:29:55,840

exactly what stupid [h__h] has happened

2451

01:30:01,030 --> 01:29:57,760

out in there because

2452

01:30:02,470 --> 01:30:01,040

actually a lot of it happens

2453

01:30:05,430 --> 01:30:02,480

there's not a week that goes past

2454

01:30:07,189 --> 01:30:05,440

without some crazy [h__h] going on

2455

01:30:08,870 --> 01:30:07,199

yeah and i just i don't know but

2456

01:30:10,310 --> 01:30:08,880

sometimes it's like the level

2457

01:30:12,070 --> 01:30:10,320

gets a little too high for me and i

2458

01:30:13,910 --> 01:30:12,080

gotta back down and go like

2459

01:30:15,430 --> 01:30:13,920

i can't listen anymore this [h__h] for a

2460

01:30:18,550 --> 01:30:15,440

little while like i gotta take

2461

01:30:20,390 --> 01:30:18,560

a week off and just not you know

2462

01:30:22,470 --> 01:30:20,400

but then sometimes something big you

2463

01:30:28,310 --> 01:30:22,480

know like a big stream comes you go

2464

01:30:30,709 --> 01:30:28,320

oh i gotta dive back into the crazy pool

2465

01:30:31,830 --> 01:30:30,719

i couldn't do it every day that's that's

2466

01:30:34,470 --> 01:30:31,840

the thing for me like

2467

01:30:35,590 --> 01:30:34,480

once a week is fine but yeah every day

2468

01:30:38,629 --> 01:30:35,600

would

2469

01:30:40,550 --> 01:30:38,639

i feel your pain yeah

2470

01:30:41,830 --> 01:30:40,560

it's too much i try to do a show every

2471

01:30:42,950 --> 01:30:41,840

day for a while and i was having a real

2472

01:30:44,870 --> 01:30:42,960

hard time because i

2473

01:30:47,030 --> 01:30:44,880

you gotta listen in like three hours one

2474

01:30:48,709 --> 01:30:47,040

of these clowns talk and then

2475

01:30:50,950 --> 01:30:48,719

trying to make some kind of sense out of

2476

01:30:52,790 --> 01:30:50,960

it and like sometimes there is no sense

2477

01:30:54,310 --> 01:30:52,800

in any of it like this guy's

2478

01:30:56,310 --> 01:30:54,320

oh i want to ask you for a prediction

2479

01:30:58,550 --> 01:30:56,320

too um

2480

01:30:59,990 --> 01:30:58,560

this grift of this captain america this

2481

01:31:02,470 --> 01:31:00,000

is either going to be like

2482

01:31:03,110 --> 01:31:02,480

you know he took a shot and it works out

2483

01:31:06,229 --> 01:31:03,120

for him

2484

01:31:07,189 --> 01:31:06,239

or it's gonna this isn't gonna go

2485

01:31:09,350 --> 01:31:07,199

anywhere

2486

01:31:10,550 --> 01:31:09,360

what what of those two choices or do you

2487

01:31:13,510 --> 01:31:10,560

think it's somewhere in the middle

2488

01:31:14,870 --> 01:31:13,520

like i think this rift is gonna work i

2489

01:31:16,870 --> 01:31:14,880

think it's gonna work

2490

01:31:18,790 --> 01:31:16,880

because these people are [h__h] stupid

2491

01:31:19,189 --> 01:31:18,800

they'll hear and listen to any of these

2492

01:31:22,870 --> 01:31:19,199

people

2493

01:31:26,149 --> 01:31:22,880

talk to smack he's charismatic enough

2494

01:31:27,669 --> 01:31:26,159

and you know entertaining

2495

01:31:29,990 --> 01:31:27,679

yeah i think it's gonna work and it's

2496

01:31:31,510 --> 01:31:30,000

gonna continue to work even when march

2497

01:31:34,550 --> 01:31:31,520

rolls around and there's no

2498

01:31:35,750 --> 01:31:34,560

you know donald trump uh inauguration or

2499

01:31:37,110 --> 01:31:35,760

anything like that

2500

01:31:38,550 --> 01:31:37,120

i just don't think it matters at this

2501
01:31:39,750 --> 01:31:38,560
point i think we've burst through the

2502
01:31:41,990 --> 01:31:39,760
threshold

2503
01:31:43,270 --> 01:31:42,000
of if you were going to fall off the

2504
01:31:46,149 --> 01:31:43,280
letter of the alphabet

2505
01:31:47,830 --> 01:31:46,159
wagon you're going to do it by now now

2506
01:31:50,709 --> 01:31:47,840
we've reached a level of

2507
01:31:51,990 --> 01:31:50,719
delusion beyond any proof having to

2508
01:31:53,750 --> 01:31:52,000
unfold

2509
01:31:55,270 --> 01:31:53,760
it's it's just going to keep going it's

2510
01:31:57,350 --> 01:31:55,280
going to keep growing like i've

2511
01:32:00,390 --> 01:31:57,360
predicted before i think it goes more

2512
01:32:03,189 --> 01:32:00,400
global because then it doesn't come

2513
01:32:03,990 --> 01:32:03,199

centered so much around the u.s election

2514

01:32:05,510 --> 01:32:04,000

or

2515

01:32:08,709 --> 01:32:05,520

anything like that then it becomes a

2516

01:32:10,470 --> 01:32:08,719

bigger kind of more social movement

2517

01:32:11,990 --> 01:32:10,480

so what do you think is going to happen

2518

01:32:13,270 --> 01:32:12,000

on march 4th when none of this [h__h]

2519

01:32:17,990 --> 01:32:13,280

happens

2520

01:32:19,590 --> 01:32:18,000

there'll be a new spin to a new um

2521

01:32:21,669 --> 01:32:19,600

then just kick the can then it'll be

2522

01:32:24,149 --> 01:32:21,679

like no uh it's may 15th

2523

01:32:26,070 --> 01:32:24,159

that's when it's gonna all happen send

2524

01:32:29,189 --> 01:32:26,080

me a paypal donation

2525

01:32:31,430 --> 01:32:29,199

right we'll get to the point where the

2526

01:32:33,270 --> 01:32:31,440

cam will stop being kicked and it will

2527

01:32:35,510 --> 01:32:33,280

move all into a new direction that's

2528

01:32:37,350 --> 01:32:35,520

what i'm predicting because

2529

01:32:39,430 --> 01:32:37,360

i mean wilcox is a good example of that

2530

01:32:39,990 --> 01:32:39,440

i mean you look he's still surviving and

2531

01:32:42,709 --> 01:32:40,000

thriving

2532

01:32:44,310 --> 01:32:42,719

to a point when he was the guy that said

2533

01:32:45,590 --> 01:32:44,320

we're all going to turn to light beans

2534

01:32:48,390 --> 01:32:45,600

in 2000

2535

01:32:49,270 --> 01:32:48,400

and then 2012 we were gonna yeah he did

2536

01:32:51,110 --> 01:32:49,280

it again

2537

01:32:52,310 --> 01:32:51,120

pulled the scam back out and speaking of

2538

01:32:54,470 --> 01:32:52,320

money you know

2539

01:32:56,070 --> 01:32:54,480

if you do want to support our show we

2540

01:32:57,590 --> 01:32:56,080

would appreciate speaking of paypal

2541

01:32:59,350 --> 01:32:57,600

donations right

2542

01:33:02,070 --> 01:32:59,360

i'm not going to put a begging bowl out

2543

01:33:03,990 --> 01:33:02,080

or anything but the in the about section

2544

01:33:05,110 --> 01:33:04,000

there's links for both patreon and

2545

01:33:13,430 --> 01:33:05,120

paypal

2546

01:33:16,470 --> 01:33:15,030

so what do you got coming up on the

2547

01:33:20,229 --> 01:33:16,480

warped podcast do you

2548

01:33:21,750 --> 01:33:20,239

or do you not know i don't know honestly

2549

01:33:24,149 --> 01:33:21,760

yeah i'll be diving into more letter of

2550

01:33:27,350 --> 01:33:24,159

the alphabet stuff my telegram has been

2551
01:33:28,149 --> 01:33:27,360
just going off on tap with uh alerts and

2552
01:33:29,510 --> 01:33:28,159
notifications

2553
01:33:32,390 --> 01:33:29,520
like i think i'm following something

2554
01:33:35,990 --> 01:33:32,400
like 40 or 50 of these people that are

2555
01:33:40,870 --> 01:33:36,000
oh my god that's too much daniel james

2556
01:33:45,110 --> 01:33:43,110
yeah that'll be the focus and you're

2557
01:33:47,030 --> 01:33:45,120
going to need a psychiatrist on speed

2558
01:33:50,149 --> 01:33:47,040
dial if you watch all that [h__\h]

2559
01:33:51,830 --> 01:33:50,159
right you know that right

2560
01:33:54,629 --> 01:33:51,840
yeah well you gotta get you gotta

2561
01:33:56,709 --> 01:33:54,639
everyone's gonna have a hobby

2562
01:33:59,110 --> 01:33:56,719
that's what it is none of this stuff's

2563
01:34:00,550 --> 01:33:59,120

really serious for me it's um

2564

01:34:02,629 --> 01:34:00,560

you know i do do a little bit of

2565

01:34:04,550 --> 01:34:02,639

freelance work around it and i'll be

2566

01:34:07,030 --> 01:34:04,560

um hopefully announcing something quite

2567

01:34:09,669 --> 01:34:07,040

soon as well in relation to that but

2568

01:34:12,229 --> 01:34:09,679

um yeah for me all of this is a hobby

2569

01:34:14,950 --> 01:34:12,239

i've never made a cent off it so

2570

01:34:15,669 --> 01:34:14,960

yeah that's what i'll be doing steve

2571

01:34:17,750 --> 01:34:15,679

yeah

2572

01:34:19,590 --> 01:34:17,760

well it's pretty much a heartbeat for me

2573

01:34:24,550 --> 01:34:19,600

but i'd like it to be like a self

2574

01:34:27,590 --> 01:34:24,560

uh like a self-supporting hobby

2575

01:34:29,750 --> 01:34:27,600

okay uh you know what uh i will uh

2576

01:34:31,669 --> 01:34:29,760

i don't want to keep you any longer so

2577

01:34:32,390 --> 01:34:31,679

i'm gonna let you go and then i'm gonna

2578

01:34:34,229 --> 01:34:32,400

wrap up

2579

01:34:36,310 --> 01:34:34,239

the show and i'll talk to you a little

2580

01:34:37,750 --> 01:34:36,320

bit later thanks for being here daniel

2581

01:34:39,350 --> 01:34:37,760

james this was fun

2582

01:34:41,830 --> 01:34:39,360

thank you my friend it always is fun

2583

01:34:47,189 --> 01:34:41,840

with you and uh yes

2584

01:34:49,910 --> 01:34:47,199

all right thanks deal james right

2585

01:34:51,830 --> 01:34:49,920

there we go uh so i didn't want to keep

2586

01:34:52,629 --> 01:34:51,840

him too long i just wanted to wrap up

2587

01:34:56,149 --> 01:34:52,639

with some

2588

01:34:59,270 --> 01:34:56,159

show business i guess uh business yeah

2589

01:35:04,310 --> 01:34:59,280

yeah show business business right

2590

01:35:07,669 --> 01:35:04,320

um we now have a uh

2591

01:35:11,350 --> 01:35:07,679

rumble channel which i wanted to

2592

01:35:11,669 --> 01:35:11,360

just mention uh and so far i gotta say i

2593

01:35:16,470 --> 01:35:11,679

like

2594

01:35:18,310 --> 01:35:16,480

layout it's very easy to navigate and

2595

01:35:20,229 --> 01:35:18,320

do what i need to do which is just

2596

01:35:22,149 --> 01:35:20,239

upload some of the select shows

2597

01:35:24,229 --> 01:35:22,159

so some of our selections are going to

2598

01:35:27,590 --> 01:35:24,239

be available on rumble

2599

01:35:28,149 --> 01:35:27,600

going forward i'm not sure if this will

2600

01:35:31,030 --> 01:35:28,159

continue

2601
01:35:32,790 --> 01:35:31,040
but i'm going to do it for a while i

2602
01:35:33,109 --> 01:35:32,800
think we may have gotten i don't know 50

2603
01:35:37,669 --> 01:35:33,119
or

2604
01:35:44,229 --> 01:35:41,189
and i don't know honestly i don't know

2605
01:35:47,109 --> 01:35:44,239
very much about rumble or how to try to

2606
01:35:50,950 --> 01:35:47,119
build a following there but we're gonna

2607
01:35:53,030 --> 01:35:50,960
be sending shows there and we'll see uh

2608
01:35:54,070 --> 01:35:53,040
we'll see where it goes but i wanted to

2609
01:35:57,430 --> 01:35:54,080
invite you

2610
01:35:58,070 --> 01:35:57,440
uh hold on i will get the i'll get the

2611
01:36:00,310 --> 01:35:58,080
actual

2612
01:36:02,149 --> 01:36:00,320
link and i will put it in the live chat

2613
01:36:04,390 --> 01:36:02,159

if you are on rumble

2614

01:36:06,629 --> 01:36:04,400

please do go and follow us there that

2615

01:36:12,310 --> 01:36:06,639

would be helpful

2616

01:36:18,870 --> 01:36:15,750

get that in the live chat there is our

2617

01:36:20,550 --> 01:36:18,880

rumble channel uh

2618

01:36:22,070 --> 01:36:20,560

so yeah and i also want to remind

2619

01:36:25,109 --> 01:36:22,080

everybody that we have a twitch

2620

01:36:26,870 --> 01:36:25,119

channel which is twitch.tv backslash

2621

01:36:29,189 --> 01:36:26,880

truth seeker show

2622

01:36:30,310 --> 01:36:29,199

and i think we need something like 13

2623

01:36:33,750 --> 01:36:30,320

more

2624

01:36:37,270 --> 01:36:33,760

uh people to follow us on twitch

2625

01:36:40,870 --> 01:36:37,280

uh to get to the next tier

2626

01:37:36,629 --> 01:36:40,880

i don't know honestly twitch to me is uh

2627

01:37:41,430 --> 01:37:39,750

i think i brewed it myself sorry about

2628

01:37:45,030 --> 01:37:41,440

that friends

2629

01:37:47,109 --> 01:37:45,040

i i was trying to look at the twitch

2630

01:37:49,030 --> 01:37:47,119

and i think i opened twitch in the

2631

01:37:51,430 --> 01:37:49,040

window that the show's running on so

2632

01:37:53,830 --> 01:37:51,440

that was stupid

2633

01:37:55,830 --> 01:37:53,840

yes i crossed my streams this is a live

2634

01:37:59,430 --> 01:37:55,840

show it happened warts and all

2635

01:38:01,350 --> 01:37:59,440

sometimes uh uh jonas side is over in

2636

01:38:02,709 --> 01:38:01,360

the twitch chat now what just happened

2637

01:38:06,709 --> 01:38:02,719

it's david wilcock

2638

01:38:10,470 --> 01:38:06,719

he got a mustache run stephen run

2639

01:38:12,070 --> 01:38:10,480

uh no yeah kb i'm gonna be wrapping

2640

01:38:13,109 --> 01:38:12,080

things up so i wanted to mention the

2641

01:38:15,669 --> 01:38:13,119

rumple

2642

01:38:16,790 --> 01:38:15,679

i wanted to mention the twitch.tv

2643

01:38:19,830 --> 01:38:16,800

channel

2644

01:38:22,070 --> 01:38:19,840

show us some love over there and uh

2645

01:38:23,109 --> 01:38:22,080

also please do remember to like comment

2646

01:38:26,310 --> 01:38:23,119

and subscribe

2647

01:38:28,950 --> 01:38:26,320

on our channel here on youtube

2648

01:38:31,270 --> 01:38:28,960

uh if you're on facebook come over to

2649

01:38:32,070 --> 01:38:31,280

youtube please and subscribe to our

2650

01:38:34,229 --> 01:38:32,080

channel

2651

01:38:35,669 --> 01:38:34,239

hit that notification bell it really

2652

01:38:39,109 --> 01:38:35,679

does help to

2653

01:38:42,470 --> 01:38:39,119

raise us in the search rankings uh

2654

01:38:45,510 --> 01:38:42,480

when you like comment and share these

2655

01:38:47,030 --> 01:38:45,520

these videos and the other videos on our

2656

01:38:50,229 --> 01:38:47,040

channel if you missed one

2657

01:38:52,870 --> 01:38:50,239

like comment and share it um

2658

01:38:54,629 --> 01:38:52,880

that would be really helpful um and i'm

2659

01:38:56,790 --> 01:38:54,639

pleased to say that when we started our

2660

01:38:59,990 --> 01:38:56,800

show there was a comedy

2661

01:39:01,109 --> 01:39:00,000

an english comedy i think about called

2662

01:39:04,229 --> 01:39:01,119

truth seekers

2663

01:39:05,109 --> 01:39:04,239

and uh but thanks to the engagement that

2664

01:39:07,430 --> 01:39:05,119

we have here

2665

01:39:09,350 --> 01:39:07,440

if you search truth seekers now on on

2666

01:39:11,669 --> 01:39:09,360

youtube we're the first

2667

01:39:13,030 --> 01:39:11,679

what comes up first and all that other

2668

01:39:15,189 --> 01:39:13,040

show

2669

01:39:17,109 --> 01:39:15,199

comes up next so i want to keep the

2670

01:39:19,830 --> 01:39:17,119

engagement up so that we can

2671

01:39:21,189 --> 01:39:19,840

keep that search position and people can

2672

01:39:26,950 --> 01:39:21,199

find us when they look for us

2673

01:39:28,629 --> 01:39:26,960

it's so very important genocide is

2674

01:39:30,550 --> 01:39:28,639

he's like in three different places he

2675

01:39:32,629 --> 01:39:30,560

was in the facebook chat

2676

01:39:34,550 --> 01:39:32,639

now he's he was in the twitch chat he's

2677

01:39:38,629 --> 01:39:34,560

been in youtube chat

2678

01:39:41,510 --> 01:39:38,639

yeah okay friend so uh

2679

01:39:43,030 --> 01:39:41,520

we're to call it a night here i want to

2680

01:39:43,990 --> 01:39:43,040

thank each and every one of you for

2681

01:39:46,390 --> 01:39:44,000

joining us

2682

01:39:48,229 --> 01:39:46,400

uh especially my guest daniel james i

2683

01:39:50,470 --> 01:39:48,239

always like to just

2684

01:39:52,149 --> 01:39:50,480

he and i just can talk about this stuff

2685

01:39:54,870 --> 01:39:52,159

because we're both looking into this

2686

01:39:57,350 --> 01:39:54,880

crazy right and uh

2687

01:39:58,550 --> 01:39:57,360

there's some kind of understanding there

2688

01:40:01,350 --> 01:39:58,560

it's like

2689

01:40:03,510 --> 01:40:01,360

the [h__h] warriors like did you make

2690

01:40:05,669 --> 01:40:03,520

it through that last

2691

01:40:07,669 --> 01:40:05,679

[h__h] three hours of david walk yeah

2692

01:40:09,430 --> 01:40:07,679

no not yet man i'm

2693

01:40:21,590 --> 01:40:09,440

saving up the energy to get through that

2694

01:40:25,590 --> 01:40:23,910

okay friends so we're gonna we're gonna

2695

01:40:28,310 --> 01:40:25,600

wrap things up here

2696

01:40:29,350 --> 01:40:28,320

uh i want to thank everybody that did uh

2697

01:40:30,870 --> 01:40:29,360

reach out to me and

2698

01:40:32,629 --> 01:40:30,880

tell me that they like the new intros

2699

01:40:33,030 --> 01:40:32,639

and outros i did work pretty hard on

2700

01:40:35,189 --> 01:40:33,040

them

2701

01:40:36,070 --> 01:40:35,199

i'm happy with the outro not so much the

2702

01:40:38,229 --> 01:40:36,080

intro

2703

01:40:40,950 --> 01:40:38,239

i'm gonna make some more uh but in the

2704

01:40:43,430 --> 01:40:40,960

meantime these will do for now

2705

01:40:45,189 --> 01:40:43,440

so again i want to thank my guest daniel

2706

01:40:46,390 --> 01:40:45,199

james you can find him by searching

2707

01:40:50,310 --> 01:40:46,400

youtube for warped

2708

01:40:51,350 --> 01:40:50,320

podcast w-a-r-p-e-d podcast and you'll

2709

01:40:53,830 --> 01:40:51,360

find him

2710

01:40:55,669 --> 01:40:53,840

uh i highly recommend you check him out

2711

01:40:58,709 --> 01:40:55,679

please go over there and

2712

01:40:59,990 --> 01:40:58,719

subscribe to his channel that would

2713

01:41:05,669 --> 01:41:00,000

really

2714

01:41:07,270 --> 01:41:05,679

more viewers more listeners

2715

01:41:08,950 --> 01:41:07,280

so friends i'm always happy when there's

2716

01:41:09,590 --> 01:41:08,960

an audience thanks for being in mind

2717

01:41:11,189 --> 01:41:09,600

tonight

2718

01:41:12,790 --> 01:41:11,199

until next time my name is stephen

2719

01:41:18,430 --> 01:41:12,800

cambion good night

2720

01:41:30,830 --> 01:41:18,440

and god bless all of you

2721

01:41:48,430 --> 01:41:33,770

so

2722

01:42:38,790 --> 01:42:37,430

[Music]

2723

01:42:54,830 --> 01:42:38,800

[Applause]
