00:00:29,580 --> 00:00:28,970  
[Music]

2  
00:00:38,890 --> 00:00:29,590  
[Applause]

3  
00:01:10,830 --> 00:00:38,900  
[Music]

4  
00:01:33,430 --> 00:01:13,800  
so

5  
00:01:33,440 --> 00:01:59,109  
[Music]

6  
00:02:03,109 --> 00:02:01,429  
well greetings and salutations friends

7  
00:02:03,590 --> 00:02:03,119  
and welcome back to truth seekers

8  
00:02:06,630 --> 00:02:03,600  
tonight

9  
00:02:10,309 --> 00:02:06,640  
is another of our special events

10  
00:02:13,110 --> 00:02:10,319  
in our new series revisiting roswell

11  
00:02:16,070 --> 00:02:13,120  
i uh selfishly thought that i could use

12  
00:02:18,630 --> 00:02:16,080  
the show here as a passport to talk to

13  
00:02:20,470 --> 00:02:18,640

some of the world's greatest experts on

14

00:02:23,670 --> 00:02:20,480

the roswell event

15

00:02:24,550 --> 00:02:23,680

so far we've heard from kalkor uh we've

16

00:02:27,670 --> 00:02:24,560

heard from dr

17

00:02:30,070 --> 00:02:27,680

kevin randle and walter bosley

18

00:02:31,270 --> 00:02:30,080

each with their own perspective and

19

00:02:33,830 --> 00:02:31,280

beliefs

20

00:02:35,110 --> 00:02:33,840

and research about just what might have

21

00:02:40,229 --> 00:02:35,120

crashed

22

00:02:43,990 --> 00:02:41,910

the two other people that i really

23

00:02:47,190 --> 00:02:44,000

wanted to talk to i'm happy to say that

24

00:02:51,589 --> 00:02:47,200

tonight we have uh mr tom carey

25

00:02:54,630 --> 00:02:51,599

and uh coming up we'll have also uh his

26

00:02:56,229 --> 00:02:54,640

writing partner mr don schmidt on a

27

00:02:58,309 --> 00:02:56,239

future event here

28

00:03:00,309 --> 00:02:58,319

uh without further ado i want to bring

29

00:03:02,149 --> 00:03:00,319

in tonight's very special guest

30

00:03:03,430 --> 00:03:02,159

he's one of my favorite authors you guys

31

00:03:06,229 --> 00:03:03,440

have heard me mention

32

00:03:07,670 --> 00:03:06,239

these two books uh that he was a wrote

33

00:03:09,910 --> 00:03:07,680

with mr schmidt

34

00:03:12,070 --> 00:03:09,920

called witness to roswell and children

35

00:03:15,190 --> 00:03:12,080

of roswell among others but those are

36

00:03:17,350 --> 00:03:15,200

two of my favorite books on the event uh

37

00:03:20,229 --> 00:03:17,360

so let's welcome him in here

38

00:03:20,790 --> 00:03:20,239

there you go mr tom carey good to see

39

00:03:23,030 --> 00:03:20,800

you

40

00:03:24,710 --> 00:03:23,040

good evening steven it's nice to be with

41

00:03:26,949 --> 00:03:24,720

you this evening

42

00:03:28,550 --> 00:03:26,959

i can't tell you how happy i am having

43

00:03:30,630 --> 00:03:28,560

read a bunch of your books

44

00:03:31,990 --> 00:03:30,640

and listen to uh so many of your

45

00:03:34,309 --> 00:03:32,000

interviews that i get

46

00:03:36,070 --> 00:03:34,319

to to have you on my show it's a dream

47

00:03:38,630 --> 00:03:36,080

come true for me thank you so much for

48

00:03:41,670 --> 00:03:38,640

agreeing to do this first of all

49

00:03:45,589 --> 00:03:41,680

well i hope i don't uh disappoint

50

00:03:46,949 --> 00:03:45,599

i was always happy to talk about roswell

51

00:03:49,509 --> 00:03:46,959

i don't think that's that that's

52

00:03:51,750 --> 00:03:49,519

possible so listen

53

00:03:53,509 --> 00:03:51,760

we we there that people are hotly

54

00:03:54,789 --> 00:03:53,519

debating everything in the live chat

55

00:03:56,710 --> 00:03:54,799

already

56

00:03:58,949 --> 00:03:56,720

one of the one of the things in our

57

00:04:01,670 --> 00:03:58,959

series here that a lot of people

58

00:04:02,789 --> 00:04:01,680

had a problem with including me uh was

59

00:04:04,710 --> 00:04:02,799

mr kalkorf

60

00:04:06,789 --> 00:04:04,720

uh you know he wrote the book the truth

61

00:04:07,830 --> 00:04:06,799

about roswell and he claims it was just

62

00:04:09,589 --> 00:04:07,840

a mogul balloon

63

00:04:10,869 --> 00:04:09,599

and all these stories were embellished

64

00:04:12,949 --> 00:04:10,879

or made up

65

00:04:15,589 --> 00:04:12,959

i have a real problem with his assertion

66

00:04:17,349 --> 00:04:15,599

of that mostly because i read

67

00:04:19,990 --> 00:04:17,359

your two books especially witness to

68

00:04:21,830 --> 00:04:20,000

roswell and children of roswell

69

00:04:23,990 --> 00:04:21,840

i want you to talk about some of the

70

00:04:26,710 --> 00:04:24,000

first-hand witnesses that you

71

00:04:28,629 --> 00:04:26,720

spoke with and whether or not they were

72

00:04:29,590 --> 00:04:28,639

that you believed that they were telling

73

00:04:32,230 --> 00:04:29,600

you the truth

74

00:04:33,430 --> 00:04:32,240

or making up stories as some people

75

00:04:36,070 --> 00:04:33,440

believe

76  
00:04:37,030 --> 00:04:36,080  
well well stephen we uh don schmidt and

77  
00:04:40,230 --> 00:04:37,040  
i have

78  
00:04:42,469 --> 00:04:40,240  
interviewed over 600

79  
00:04:44,790 --> 00:04:42,479  
first and second hand witnesses to

80  
00:04:48,150 --> 00:04:44,800  
roswell

81  
00:04:51,990 --> 00:04:48,160  
and uh i can

82  
00:04:55,110 --> 00:04:52,000  
tell you as a fact that

83  
00:04:59,270 --> 00:04:55,120  
most or all of the first hand witnesses

84  
00:05:01,590 --> 00:04:59,280  
are gone now and we're only left with

85  
00:05:02,469 --> 00:05:01,600  
second and third hand witnesses mostly

86  
00:05:09,990 --> 00:05:02,479  
mostly

87  
00:05:13,430 --> 00:05:10,000  
grandchildren so

88  
00:05:14,469 --> 00:05:13,440

it's um to pick out the the best

89

00:05:18,070 --> 00:05:14,479

witnesses

90

00:05:22,390 --> 00:05:18,080

uh it's uh the way we look at it

91

00:05:25,270 --> 00:05:22,400

is that uh each witness is a little

92

00:05:26,629 --> 00:05:25,280

a little piece of the puzzle some are

93

00:05:28,469 --> 00:05:26,639

bigger pieces and

94

00:05:29,749 --> 00:05:28,479

others are smaller pieces but

95

00:05:32,150 --> 00:05:29,759

nevertheless they all

96

00:05:33,990 --> 00:05:32,160

fit into the the puzzle to make a

97

00:05:37,110 --> 00:05:34,000

picture

98

00:05:38,150 --> 00:05:37,120

and with 600 first and second hand

99

00:05:41,590 --> 00:05:38,160

witnesses

100

00:05:44,790 --> 00:05:41,600

we believe that we have the the picture

101

00:05:48,870 --> 00:05:44,800

uh complete or nearly

102

00:05:51,790 --> 00:05:48,880

99 complete the the only thing

103

00:05:53,590 --> 00:05:51,800

the only piece that we're missing is an

104

00:05:56,390 --> 00:05:53,600

incontrovertible piece of

105

00:05:58,150 --> 00:05:56,400

physical evidence and that's the only

106

00:05:59,990 --> 00:05:58,160

thing that's missing otherwise we do

107

00:06:02,469 --> 00:06:00,000

have the story

108

00:06:04,830 --> 00:06:02,479

some of the most notable witnesses that

109

00:06:07,830 --> 00:06:04,840

we interviewed

110

00:06:11,510 --> 00:06:07,840

um i would say uh

111

00:06:14,710 --> 00:06:11,520

uh certainly certainly mac brazil's son

112

00:06:18,309 --> 00:06:14,720

the rancher's son bill brazel

113

00:06:21,590 --> 00:06:18,319

had a lot to tell us so edwin easley

114

00:06:24,950 --> 00:06:21,600

the base provost marshal

115

00:06:27,110 --> 00:06:24,960

was a key witness and that was

116

00:06:28,629 --> 00:06:27,120

interviewed he was interviewed by kevin

117

00:06:31,749 --> 00:06:28,639

randle

118

00:06:33,350 --> 00:06:31,759

before i actually became an official

119

00:06:36,790 --> 00:06:33,360

part of the team

120

00:06:40,309 --> 00:06:36,800

along about 1991

121

00:06:43,990 --> 00:06:40,319

and the thing about though edwin easley

122

00:06:49,909 --> 00:06:47,909

was that he was interviewed by randall

123

00:06:52,550 --> 00:06:49,919

at a time when they were

124

00:06:53,589 --> 00:06:52,560

still wondering if they were really on

125

00:06:56,710 --> 00:06:53,599

the right track

126

00:06:59,830 --> 00:06:56,720

of investigating roswell

127

00:07:00,870 --> 00:06:59,840

as a ufo event and not not something

128

00:07:05,350 --> 00:07:00,880

else

129

00:07:08,790 --> 00:07:05,360

and uh randall so randall interviews

130

00:07:12,390 --> 00:07:11,749

and to every one of kevin's questions

131

00:07:14,950 --> 00:07:12,400

easily

132

00:07:16,950 --> 00:07:14,960

answers like i can't answer that i'm

133

00:07:19,189 --> 00:07:16,960

sworn to secrecy

134

00:07:20,230 --> 00:07:19,199

i'm sworn to secretly so every question

135

00:07:22,870 --> 00:07:20,240

every

136

00:07:24,550 --> 00:07:22,880

uh myself i would have given up at that

137

00:07:28,469 --> 00:07:24,560

point

138

00:07:31,670 --> 00:07:28,479

yeah but uh kevin to his credit

139

00:07:35,350 --> 00:07:31,680

everlasting credit he says

140

00:07:37,589 --> 00:07:35,360

he asks easily he says well major easley

141

00:07:38,790 --> 00:07:37,599

i guess he's retired he's retired as a

142

00:07:41,909 --> 00:07:38,800

lieutenant colonel

143

00:07:43,589 --> 00:07:41,919

doesn't matter but

144

00:07:46,469 --> 00:07:43,599

he says well can you tell us if we're on

145

00:07:49,909 --> 00:07:46,479

the right track or not and beasley

146

00:07:52,390 --> 00:07:49,919

pauses for a second and he says uh

147

00:07:53,029 --> 00:07:52,400

what do you mean by that and kevin says

148

00:07:56,150 --> 00:07:53,039

well

149

00:07:57,110 --> 00:07:56,160

that it was a that we're investigating a

150

00:08:02,710 --> 00:07:57,120

ufo

151  
00:08:06,390 --> 00:08:02,720  
crash from 1947 so there's a long pause

152  
00:08:09,350 --> 00:08:06,400  
and eastley says well

153  
00:08:09,749 --> 00:08:09,360  
let me say this you're not going on the

154  
00:08:13,270 --> 00:08:09,759  
wrong

155  
00:08:14,950 --> 00:08:13,280  
track exactly yeah so that

156  
00:08:16,869 --> 00:08:14,960  
at that point in time in the

157  
00:08:18,230 --> 00:08:16,879  
investigation that was absolutely

158  
00:08:21,670 --> 00:08:18,240  
critical

159  
00:08:22,950 --> 00:08:21,680  
you have a a fella who was on the base

160  
00:08:26,309 --> 00:08:22,960  
he was the

161  
00:08:28,629 --> 00:08:26,319  
head of the mp unit there and uh yeah he

162  
00:08:30,950 --> 00:08:28,639  
was at all the crash sites

163  
00:08:33,110 --> 00:08:30,960

uh there were three of them involved and

164

00:09:04,790 --> 00:08:33,120

he

165

00:09:09,910 --> 00:09:04,800

that's about 1992

166

00:09:13,990 --> 00:09:13,430

by uh i guess kevin randle and don

167

00:09:16,389 --> 00:09:14,000

schmidt

168

00:09:17,829 --> 00:09:16,399

i i'm guessing both were there i'm not

169

00:09:22,070 --> 00:09:17,839

sure

170

00:09:24,389 --> 00:09:22,080

in parkland hospital in dallas texas

171

00:09:25,829 --> 00:09:24,399

that's where president kennedy was taken

172

00:09:27,750 --> 00:09:25,839

after he was assassinated

173

00:09:28,870 --> 00:09:27,760

when you know when he was shot they

174

00:09:32,550 --> 00:09:28,880

removed him to

175

00:09:36,949 --> 00:09:32,560

parkland hospital so uh

176

00:09:39,590 --> 00:09:36,959

he's gonna be breaking up huh

177

00:09:41,110 --> 00:09:39,600

i'm sorry no it's okay you're back now

178

00:09:42,150 --> 00:09:41,120

you were kind of breaking up there for a

179

00:09:45,509 --> 00:09:42,160

moment

180

00:09:53,509 --> 00:09:49,190

uh so let me try

181

00:09:58,150 --> 00:09:53,519

let me try easley's on his deathbed

182

00:10:01,350 --> 00:09:58,160

and uh randall and schmidt had just

183

00:10:05,269 --> 00:10:01,360

published a book called the truth about

184

00:10:08,790 --> 00:10:05,279

the ufo crash at roswell

185

00:10:10,389 --> 00:10:08,800

and uh this is 19 uh well

186

00:10:12,389 --> 00:10:10,399

no i guess they hadn't at that time if

187

00:10:14,870 --> 00:10:12,399

this was 1992

188

00:10:16,310 --> 00:10:14,880

they still had the first book that they

189

00:10:20,870 --> 00:10:16,320

had written together called

190

00:10:24,069 --> 00:10:20,880

ufo crash at roswell a huge best seller

191

00:10:26,710 --> 00:10:24,079

and uh so

192

00:10:29,350 --> 00:10:26,720

easley's granddaughter comes in with the

193

00:10:33,910 --> 00:10:29,360

copy of ufo crash at roswell

194

00:10:35,990 --> 00:10:33,920

she holds it up to the major

195

00:10:37,110 --> 00:10:36,000

uh he's sitting up in his in his

196

00:10:40,710 --> 00:10:37,120

hospital bed

197

00:10:44,630 --> 00:10:40,720

and he holds it up the cover of the book

198

00:10:47,910 --> 00:10:44,640

and he goes oh the creatures

199

00:10:50,150 --> 00:10:47,920

the creatures so he's talking about the

200

00:10:53,750 --> 00:10:50,160

bodies

201  
00:10:55,990 --> 00:10:53,760  
so coming from edwin easily you have the

202  
00:10:59,910 --> 00:10:56,000  
crashers ufo

203  
00:11:00,470 --> 00:10:59,920  
and there were bodies so he is a key

204  
00:11:03,030 --> 00:11:00,480  
witness

205  
00:11:05,190 --> 00:11:03,040  
at least in my my humble opinion he was

206  
00:11:08,310 --> 00:11:05,200  
a key witness

207  
00:11:08,790 --> 00:11:08,320  
and there were others walter howe the

208  
00:11:12,550 --> 00:11:08,800  
base

209  
00:11:14,870 --> 00:11:12,560  
uh public information officer finally

210  
00:11:19,670 --> 00:11:14,880  
told everything that he knew in a sealed

211  
00:11:22,150 --> 00:11:19,680  
statement after he passed away in 2005.

212  
00:11:23,750 --> 00:11:22,160  
uh let's see mack brazza was already

213  
00:11:30,630 --> 00:11:23,760

gone

214

00:11:36,680 --> 00:11:34,870

i'm sorry yeah i was i was just

215

00:11:39,190 --> 00:11:36,690

just reiterating that you know so

216

00:11:41,350 --> 00:11:39,200

[Music]

217

00:11:42,470 --> 00:11:41,360

all these people wanted to tackle to the

218

00:11:44,550 --> 00:11:42,480

story

219

00:11:46,150 --> 00:11:44,560

it doesn't make any sense to me that

220

00:11:47,990 --> 00:11:46,160

somebody would be on their deathbed

221

00:11:50,069 --> 00:11:48,000

and and suddenly start talking about

222

00:11:53,350 --> 00:11:50,079

aliens

223

00:11:53,990 --> 00:11:53,360

well uh stephen uh i can't answer for

224

00:11:57,350 --> 00:11:54,000

the

225

00:11:58,629 --> 00:11:57,360

critics uh i don't think if you're just

226

00:12:01,269 --> 00:11:58,639

sitting back in your

227

00:12:02,470 --> 00:12:01,279

living room in an easy chair and uh

228

00:12:05,590 --> 00:12:02,480

reading things

229

00:12:06,710 --> 00:12:05,600

you don't have a sense from speaking

230

00:12:09,750 --> 00:12:06,720

with the actual

231

00:12:12,629 --> 00:12:09,760

witnesses and if you

232

00:12:13,829 --> 00:12:12,639

interview enough of them you get a sense

233

00:12:16,870 --> 00:12:13,839

of what is true

234

00:12:17,190 --> 00:12:16,880

and what is not true and that only comes

235

00:12:20,230 --> 00:12:17,200

with

236

00:12:22,150 --> 00:12:20,240

experience so

237

00:12:23,430 --> 00:12:22,160

i don't know what yeah and your sense

238

00:12:25,350 --> 00:12:23,440

was that they were all being

239

00:12:27,030 --> 00:12:25,360

very truthful right i mean you didn't

240

00:12:28,870 --> 00:12:27,040

you you wouldn't include them in a book

241

00:12:29,910 --> 00:12:28,880

and talk about them for years and their

242

00:12:30,870 --> 00:12:29,920

testimony

243

00:12:32,949 --> 00:12:30,880

if you thought they were just

244

00:12:35,829 --> 00:12:32,959

embellishing or making up stories

245

00:12:38,710 --> 00:12:35,839

fantastical stories right we we do we do

246

00:12:40,750 --> 00:12:38,720

mention a few um

247

00:12:41,910 --> 00:12:40,760

what would you call them uh

248

00:12:45,990 --> 00:12:41,920

disinformation

249

00:12:48,790 --> 00:12:46,000

people or uh we we do mention a few of

250

00:12:52,069 --> 00:12:48,800

them in our books uh most notably

251  
00:12:54,629 --> 00:12:52,079  
a fellow by the name of frank kaufman

252  
00:12:56,629 --> 00:12:54,639  
who really who really spun us some

253  
00:12:58,870 --> 00:12:56,639  
stories

254  
00:13:00,150 --> 00:12:58,880  
about being right in the eye of the

255  
00:13:03,350 --> 00:13:00,160  
hurricane he was

256  
00:13:08,310 --> 00:13:03,360  
he and it was all

257  
00:13:14,790 --> 00:13:11,590  
and tell and determine that they're

258  
00:13:17,590 --> 00:13:14,800  
not telling the truth are those who were

259  
00:13:19,590 --> 00:13:17,600  
on the scene

260  
00:13:21,350 --> 00:13:19,600  
pretty near the time so they they know

261  
00:13:24,150 --> 00:13:21,360  
the lay of the land that they just plug

262  
00:13:28,310 --> 00:13:24,160  
themselves into the story

263  
00:13:31,430 --> 00:13:28,320

and the two come to mind right away

264

00:13:35,670 --> 00:13:31,440

what is frank kaufman

265

00:13:38,150 --> 00:13:35,680

who was a personnel clerk

266

00:13:39,910 --> 00:13:38,160

he was a sergeant he was a personnel

267

00:13:43,030 --> 00:13:39,920

clerk on the base

268

00:13:45,110 --> 00:13:43,040

at the time and he knew pretty much

269

00:13:48,150 --> 00:13:45,120

everybody on the base so he could

270

00:13:51,590 --> 00:13:48,160

speaking with a offhand experience

271

00:13:52,790 --> 00:13:51,600

oh yeah i i knew marcel i knew this guy

272

00:13:55,350 --> 00:13:52,800

i knew that guy

273

00:13:56,230 --> 00:13:55,360

i know where that's at and you say oh my

274

00:13:59,430 --> 00:13:56,240

god hit this guy

275

00:14:02,470 --> 00:13:59,440

he knows everything well

276

00:14:05,590 --> 00:14:02,480

uh it took us a while but we

277

00:14:10,310 --> 00:14:05,600

finally came to the conclusion he was

278

00:14:13,430 --> 00:14:10,320

full of it that he was spinning a tail

279

00:14:16,710 --> 00:14:13,440

he put himself into it uh

280

00:14:18,949 --> 00:14:16,720

he he never came across to me as an

281

00:14:22,470 --> 00:14:18,959

officer but he said he was like a high

282

00:14:25,350 --> 00:14:22,480

officer and i i was in the air force and

283

00:14:26,389 --> 00:14:25,360

you know i i know a enlisted person from

284

00:14:31,030 --> 00:14:26,399

an officer

285

00:14:32,949 --> 00:14:31,040

sometimes you can definitely tell the

286

00:14:34,870 --> 00:14:32,959

difference between it was a grunt

287

00:14:36,629 --> 00:14:34,880

and a guy who was an officer just by

288

00:14:37,269 --> 00:14:36,639

their mannerisms and things like that i

289

00:14:39,509 --> 00:14:37,279

remember

290

00:14:41,430 --> 00:14:39,519

my father was in the navy and uh one

291

00:14:42,949 --> 00:14:41,440

time we're at some barbecue or something

292

00:14:46,069 --> 00:14:42,959

and some guy was telling

293

00:14:47,910 --> 00:14:46,079

stories about being like a captain of a

294

00:14:49,350 --> 00:14:47,920

ship and my dad was like there's no way

295

00:14:50,150 --> 00:14:49,360

on god's screen or if that guy was a

296

00:14:53,189 --> 00:14:50,160

captain

297

00:14:53,910 --> 00:14:53,199

he was yeah he was you know enlisted you

298

00:15:01,509 --> 00:14:53,920

can tell

299

00:15:03,750 --> 00:15:01,519

the ones crash site that

300

00:15:05,269 --> 00:15:03,760

even the air force agreed that was a

301

00:15:08,629 --> 00:15:05,279

that was the crash site

302

00:15:11,910 --> 00:15:08,639

the so-called the so-called debris field

303

00:15:14,150 --> 00:15:11,920

site on the foster ranch even the air

304

00:15:17,350 --> 00:15:14,160

force agreed that was the site

305

00:15:18,949 --> 00:15:17,360

or the main site well kaufman said well

306

00:15:21,990 --> 00:15:18,959

that was a salted site

307

00:15:23,590 --> 00:15:22,000

meaning one that was uh artificial

308

00:15:25,030 --> 00:15:23,600

people went there and they threw things

309

00:15:27,030 --> 00:15:25,040

on the ground

310

00:15:28,629 --> 00:15:27,040

metal pieces to make it appear that that

311

00:15:32,150 --> 00:15:28,639

was a crash site and we're thinking

312

00:15:33,990 --> 00:15:32,160

what is this guy talking about

313

00:15:35,590 --> 00:15:34,000

we've got witnesses that tell us that

314

00:15:37,590 --> 00:15:35,600

that this is the site and even the air

315

00:15:41,350 --> 00:15:37,600

force agrees that it was and he's trying

316

00:15:47,350 --> 00:15:45,509

so uh it just from that point on we we

317

00:15:47,910 --> 00:15:47,360

finally said what is what was he talking

318

00:15:52,629 --> 00:15:47,920

about and

319

00:15:56,550 --> 00:15:52,639

on his deathbed he died of bone cancer

320

00:15:59,350 --> 00:15:56,560

don schmidt and i went to and said frank

321

00:16:01,110 --> 00:15:59,360

why did you do it why did you do it tell

322

00:16:04,150 --> 00:16:01,120

all of these tales

323

00:16:06,470 --> 00:16:04,160

he said well i didn't mean to

324

00:16:07,590 --> 00:16:06,480

it i didn't mean for it to go this far

325

00:16:10,550 --> 00:16:07,600

but it got out of

326

00:16:12,230 --> 00:16:10,560

out of control so i guess he meant that

327

00:16:14,310 --> 00:16:12,240

he was going to tell a little fib and

328

00:16:15,990 --> 00:16:14,320

then it just got it mushroomed

329

00:16:19,670 --> 00:16:16,000

and got bigger and bigger and bigger and

330

00:16:21,670 --> 00:16:19,680

he had tv cameras knocking on his door

331

00:16:23,509 --> 00:16:21,680

his name was known all over the place

332

00:16:25,590 --> 00:16:23,519

they were offering him

333

00:16:28,470 --> 00:16:25,600

many dollars to be interviewed and it

334

00:16:31,829 --> 00:16:28,480

just just got out of control

335

00:16:32,310 --> 00:16:31,839

and he also the third thing was he

336

00:16:34,710 --> 00:16:32,320

pointed

337

00:16:37,269 --> 00:16:34,720

he took us to what he said was the

338

00:16:40,629 --> 00:16:37,279

so-called impact site where the

339

00:16:42,870 --> 00:16:40,639

final part of the ship came to rest

340

00:16:44,550 --> 00:16:42,880

and he said this is the it was on the

341

00:16:47,350 --> 00:16:44,560

core hubcorn ranch

342

00:16:48,710 --> 00:16:47,360

and uh we had the tv cameras there and

343

00:16:51,990 --> 00:16:48,720

everything

344

00:16:56,310 --> 00:16:52,000

and uh even phil class the great

345

00:16:56,710 --> 00:16:56,320

uh uh yeah yeah even he went there with

346

00:16:59,749 --> 00:16:56,720

us

347

00:17:01,590 --> 00:16:59,759

and uh uh we're saying

348

00:17:03,509 --> 00:17:01,600

wait a minute there's no way you can get

349

00:17:05,750 --> 00:17:03,519

a fire truck in here because it was

350

00:17:06,309 --> 00:17:05,760

supposedly all these fire trucks came

351  
00:17:09,990 --> 00:17:06,319  
and

352  
00:17:12,470 --> 00:17:10,000  
this thing was so in the rugged terrain

353  
00:17:13,829 --> 00:17:12,480  
uh that there's no way you could get

354  
00:17:16,870 --> 00:17:13,839  
fire trucks in there

355  
00:17:18,549 --> 00:17:16,880  
this was a load so uh

356  
00:17:20,230 --> 00:17:18,559  
plus we might have been it must have

357  
00:17:20,710 --> 00:17:20,240  
been really disappointing for you to

358  
00:17:22,710 --> 00:17:20,720  
first

359  
00:17:24,230 --> 00:17:22,720  
think you had this expert witness that

360  
00:17:26,870 --> 00:17:24,240  
was you know plugged in

361  
00:17:27,990 --> 00:17:26,880  
and and knew everything about the event

362  
00:17:30,070 --> 00:17:28,000  
because

363  
00:17:31,750 --> 00:17:30,080

he was there at the time and you checked

364

00:17:33,669 --> 00:17:31,760

his background and went well this seems

365

00:17:35,430 --> 00:17:33,679

like a good witness right but

366

00:17:38,230 --> 00:17:35,440

it must have been disappointing for you

367

00:17:41,669 --> 00:17:38,240

well it was disappointing

368

00:17:43,750 --> 00:17:41,679

uh to the case because

369

00:17:45,510 --> 00:17:43,760

oh we got a ball look at this car this

370

00:17:48,310 --> 00:17:45,520

game look we got a big

371

00:17:49,590 --> 00:17:48,320

we got a a hoaxer here they're all

372

00:17:52,630 --> 00:17:49,600

hoaxers you know that's the

373

00:17:56,070 --> 00:17:52,640

that's what happens uh it wasn't it was

374

00:17:57,669 --> 00:17:56,080

disappointing uh that when we realized

375

00:18:00,870 --> 00:17:57,679

that he was lying you know why

376

00:18:03,510 --> 00:18:00,880

why are you feel that you have to lie

377

00:18:04,310 --> 00:18:03,520

but if he doesn't change the case any it

378

00:18:06,310 --> 00:18:04,320

i mean

379

00:18:07,510 --> 00:18:06,320

take him out of the case it's we still

380

00:18:09,669 --> 00:18:07,520

have the case

381

00:18:11,029 --> 00:18:09,679

yeah it's not 600 other witnesses right

382

00:18:12,710 --> 00:18:11,039

so one's bad

383

00:18:14,950 --> 00:18:12,720

that's sort of like i've heard a lot of

384

00:18:17,029 --> 00:18:14,960

debunkers and negative people saying

385

00:18:18,230 --> 00:18:17,039

mention him and say like see that guy

386

00:18:21,270 --> 00:18:18,240

lied they all lied

387

00:18:22,630 --> 00:18:21,280

well that one out of 600 and you know

388

00:18:24,470 --> 00:18:22,640

it's like that old saying one

389

00:18:26,549 --> 00:18:24,480

one rotten apple doesn't spoil the

390

00:18:29,110 --> 00:18:26,559

basket you know that's right they

391

00:18:30,950 --> 00:18:29,120

they uh the naysayers like to say oh my

392

00:18:32,710 --> 00:18:30,960

goodness look at this guy

393

00:18:35,110 --> 00:18:32,720

they gay there's a hoaxer they're all

394

00:18:36,230 --> 00:18:35,120

hoaxers and i've heard that so many

395

00:18:38,630 --> 00:18:36,240

times you know what

396

00:18:41,270 --> 00:18:38,640

what can you say so instead of 600

397

00:18:44,630 --> 00:18:41,280

witnesses we have 599

398

00:18:46,150 --> 00:18:44,640

okay so yeah yeah it doesn't really

399

00:18:49,190 --> 00:18:46,160

discount the rest of it

400

00:18:51,990 --> 00:18:49,200

right and then i wanted to also talk

401  
00:18:52,950 --> 00:18:52,000  
just dive into this children of roswell

402  
00:18:54,310 --> 00:18:52,960  
book because again

403  
00:18:55,830 --> 00:18:54,320  
back to this point that i'm trying to

404  
00:18:56,630 --> 00:18:55,840  
make when people say that people just

405  
00:18:58,310 --> 00:18:56,640  
made this stuff

406  
00:19:00,150 --> 00:18:58,320  
up i have a real problem with that

407  
00:19:02,150 --> 00:19:00,160  
because you know like i don't know about

408  
00:19:03,750 --> 00:19:02,160  
other people's parents but my parents

409  
00:19:05,510 --> 00:19:03,760  
especially when they were near death

410  
00:19:07,750 --> 00:19:05,520  
wouldn't just start making up stories

411  
00:19:08,789 --> 00:19:07,760  
about alien bodies and stuff you know

412  
00:19:10,870 --> 00:19:08,799  
what i mean they

413  
00:19:12,390 --> 00:19:10,880

it just seems it seems just so

414

00:19:14,390 --> 00:19:12,400

ridiculous that somebody

415

00:19:16,310 --> 00:19:14,400

walk near death would start telling

416

00:19:18,789 --> 00:19:16,320

their children these stories

417

00:19:19,909 --> 00:19:18,799

about alien bodies and things like that

418

00:19:22,150 --> 00:19:19,919

so i found that

419

00:19:23,990 --> 00:19:22,160

a lot of the testimony in that book to

420

00:19:26,070 --> 00:19:24,000

be very compelling

421

00:19:28,150 --> 00:19:26,080

because whose parents would just start

422

00:19:30,390 --> 00:19:28,160

talking about alien bodies

423

00:19:31,669 --> 00:19:30,400

right before they died or or even the

424

00:19:32,870 --> 00:19:31,679

ones that weren't that told their

425

00:19:35,430 --> 00:19:32,880

children earlier

426

00:19:37,350 --> 00:19:35,440

in life you know like you don't tell

427

00:19:38,070 --> 00:19:37,360

your children these fake stories it just

428

00:19:41,270 --> 00:19:38,080

doesn't make sense

429

00:19:43,350 --> 00:19:41,280

to me i'll tell you something stephen

430

00:19:46,870 --> 00:19:43,360

this doesn't have to do with ufos

431

00:19:48,950 --> 00:19:46,880

but when i was a little kid my father

432

00:19:52,549 --> 00:19:48,960

told me these two stories

433

00:19:54,789 --> 00:19:52,559

he was from boston and he was born in

434

00:19:57,510 --> 00:19:54,799

1901

435

00:19:59,830 --> 00:19:57,520

so uh back in those days that not

436

00:20:02,549 --> 00:19:59,840

everybody had an automobile they

437

00:20:02,950 --> 00:20:02,559

people were still using a horse-drawn

438

00:20:05,350 --> 00:20:02,960

cat

439

00:20:06,230 --> 00:20:05,360

carts and cabbages they were still using

440

00:20:09,590 --> 00:20:06,240

them

441

00:20:11,110 --> 00:20:09,600

and he told me a story of being out in

442

00:20:11,590 --> 00:20:11,120

uh i guess you would call it a buck

443

00:20:14,950 --> 00:20:11,600

board

444

00:20:16,310 --> 00:20:14,960

a horse-drawn flatbed you know something

445

00:20:18,470 --> 00:20:16,320

like that

446

00:20:19,990 --> 00:20:18,480

and he said it started it started

447

00:20:23,830 --> 00:20:20,000

raining frogs little

448

00:20:27,110 --> 00:20:23,840

frogs and i'm thinking what

449

00:20:27,750 --> 00:20:27,120

it's raining frogs he says yes and the

450

00:20:31,430 --> 00:20:27,760

thing that i

451  
00:20:34,310 --> 00:20:31,440  
it were the

452  
00:20:37,029 --> 00:20:34,320  
wagon wheels running over their little

453  
00:20:40,630 --> 00:20:37,039  
crushing their little bodies

454  
00:20:43,590 --> 00:20:40,640  
in this storm crushing these little uh

455  
00:20:43,990 --> 00:20:43,600  
little bagus baby frogs or whatever they

456  
00:20:46,230 --> 00:20:44,000  
were

457  
00:20:47,990 --> 00:20:46,240  
the wagon wheels running over and

458  
00:20:49,669 --> 00:20:48,000  
crushing their little bones

459  
00:20:51,510 --> 00:20:49,679  
he said that's the thing he remembered

460  
00:20:53,909 --> 00:20:51,520  
about it and i'm thinking wow

461  
00:20:55,190 --> 00:20:53,919  
what did i've never heard of that and he

462  
00:21:03,270 --> 00:20:55,200  
said

463  
00:21:04,310 --> 00:21:03,280

when he was a teenager he was out in a

464

00:21:06,230 --> 00:21:04,320

row boat

465

00:21:07,590 --> 00:21:06,240

with i guess his parents or something

466

00:21:10,149 --> 00:21:07,600

out in the

467

00:21:10,630 --> 00:21:10,159

one of the you know boston is near the

468

00:21:12,149 --> 00:21:10,640

ocean

469

00:21:16,470 --> 00:21:12,159

and then they were out in the bay i

470

00:21:18,630 --> 00:21:16,480

guess and he said this huge

471

00:21:19,590 --> 00:21:18,640

he called it a sea serpent but he said

472

00:21:22,789 --> 00:21:19,600

it was like a

473

00:21:25,029 --> 00:21:22,799

a large snake with a

474

00:21:26,230 --> 00:21:25,039

horse with a horse a head that looked

475

00:21:29,669 --> 00:21:26,240

like a horse

476

00:21:32,390 --> 00:21:29,679

just slithered by the boats i said

477

00:21:32,789 --> 00:21:32,400

i said how big was he was it he said oh

478

00:21:36,549 --> 00:21:32,799

it was

479

00:21:39,430 --> 00:21:36,559

body

480

00:21:41,110 --> 00:21:39,440

but it just it just went like right by

481

00:21:44,710 --> 00:21:41,120

the boat

482

00:21:45,110 --> 00:21:44,720

and it was like a snake but it would had

483

00:21:48,950 --> 00:21:45,120

a

484

00:21:50,870 --> 00:21:48,960

wow

485

00:21:53,270 --> 00:21:50,880

i i don't know i don't know what he's

486

00:21:54,950 --> 00:21:53,280

telling me here but this doesn't

487

00:21:56,310 --> 00:21:54,960

i ca i can't you know i'm only like

488

00:21:58,230 --> 00:21:56,320

eight nine years old

489

00:21:59,590 --> 00:21:58,240

and hearing this and i think i've never

490

00:22:02,710 --> 00:21:59,600

heard of this

491

00:22:05,110 --> 00:22:02,720

well guess what on

492

00:22:06,870 --> 00:22:05,120

some of the uh i don't know the science

493

00:22:09,750 --> 00:22:06,880

channel history channel one of the you

494

00:22:13,510 --> 00:22:09,760

know one of the cable channels

495

00:22:16,390 --> 00:22:13,520

they redo report that there are

496

00:22:18,710 --> 00:22:16,400

rainstorms or such squalls where little

497

00:22:20,630 --> 00:22:18,720

little animals come down and one of the

498

00:22:23,190 --> 00:22:20,640

one of the types of animals that they

499

00:22:25,990 --> 00:22:23,200

cited was the little frogs

500

00:22:26,710 --> 00:22:26,000

and this was on the one of the cable

501  
00:22:27,909 --> 00:22:26,720  
channels

502  
00:22:29,990 --> 00:22:27,919  
yeah i know that can happen during

503  
00:22:32,390 --> 00:22:30,000  
hurricanes or something like that yeah

504  
00:22:34,470 --> 00:22:32,400  
we're like yeah it's like normal events

505  
00:22:36,470 --> 00:22:34,480  
yeah it's like some sort of squall

506  
00:22:37,590 --> 00:22:36,480  
and i don't understand the mechanics of

507  
00:22:39,830 --> 00:22:37,600  
it

508  
00:22:42,710 --> 00:22:39,840  
yeah that's an odd occurrence for sure

509  
00:22:45,669 --> 00:22:42,720  
it's been reported and also

510  
00:22:46,789 --> 00:22:45,679  
they uh on one of the shows they talked

511  
00:22:49,990 --> 00:22:46,799  
about a

512  
00:22:51,909 --> 00:22:50,000  
sea monster in the in

513  
00:22:53,669 --> 00:22:51,919

i don't know narragansett bay or

514

00:22:54,870 --> 00:22:53,679

something like that up there in the

515

00:22:56,789 --> 00:22:54,880

boston area

516

00:22:59,110 --> 00:22:56,799

and they drew a picture of it and it was

517

00:23:00,310 --> 00:22:59,120

just exactly what my father was telling

518

00:23:02,710 --> 00:23:00,320

me

519

00:23:03,430 --> 00:23:02,720

so i'm thinking oh my goodness and i

520

00:23:04,870 --> 00:23:03,440

said

521

00:23:06,549 --> 00:23:04,880

then i thought to myself my father

522

00:23:09,430 --> 00:23:06,559

wouldn't lie to me

523

00:23:10,310 --> 00:23:09,440

he would he wouldn't he never lied to me

524

00:23:13,990 --> 00:23:10,320

so

525

00:23:17,029 --> 00:23:14,000

i just passed that on as far as parents

526

00:23:20,390 --> 00:23:17,039

telling their children things like that

527

00:23:22,870 --> 00:23:20,400

uh especially when they're small they

528

00:23:25,110 --> 00:23:22,880

wouldn't lie to them like that because

529

00:23:27,270 --> 00:23:25,120

when you're older you can tell oh

530

00:23:28,549 --> 00:23:27,280

dad's spinning another one here but you

531

00:23:30,870 --> 00:23:28,559

know yeah

532

00:23:32,149 --> 00:23:30,880

yeah when you're a little kid you you

533

00:23:35,190 --> 00:23:32,159

you don't lie to your

534

00:23:36,630 --> 00:23:35,200

and

535

00:23:38,630 --> 00:23:36,640

one of the other things that i wanted to

536

00:23:40,070 --> 00:23:38,640

get into uh because you took it all out

537

00:23:42,310 --> 00:23:40,080

of flack for it is that

538

00:23:44,390 --> 00:23:42,320

you know you're well aware that so many

539

00:23:47,110 --> 00:23:44,400

people have tacked on hoaxes onto the

540

00:23:49,669 --> 00:23:47,120

roswell event we've had a alien autopsy

541

00:23:51,269 --> 00:23:49,679

the roswell rock and of course the

542

00:23:52,870 --> 00:23:51,279

roswell slides

543

00:23:54,470 --> 00:23:52,880

and i wouldn't be doing my job if i

544

00:23:55,990 --> 00:23:54,480

didn't now you're straight you're

545

00:23:57,909 --> 00:23:56,000

striking home

546

00:23:59,590 --> 00:23:57,919

yeah but you know listen i have

547

00:24:01,510 --> 00:23:59,600

tremendous respect for you and the way

548

00:24:04,230 --> 00:24:01,520

that both you and mr schmidt handled it

549

00:24:05,909 --> 00:24:04,240

i talked to him about this previously

550

00:24:08,390 --> 00:24:05,919

but i wouldn't be doing my job if i

551  
00:24:10,310 --> 00:24:08,400  
didn't ask you some questions about that

552  
00:24:12,070 --> 00:24:10,320  
yeah and one of the things i wanted to

553  
00:24:13,909 --> 00:24:12,080  
ask is when you

554  
00:24:15,190 --> 00:24:13,919  
when you first heard about these roswell

555  
00:24:16,710 --> 00:24:15,200  
slides and for those that don't know

556  
00:24:19,269 --> 00:24:16,720  
they reported to be

557  
00:24:20,230 --> 00:24:19,279  
slides of an alien from the roswell

558  
00:24:23,190 --> 00:24:20,240  
event

559  
00:24:25,269 --> 00:24:23,200  
or that's what they were hyped as did

560  
00:24:26,710 --> 00:24:25,279  
you think that you had the smoking gun

561  
00:24:27,669 --> 00:24:26,720  
that you were finally gonna get that

562  
00:24:29,990 --> 00:24:27,679  
smoking gun yes

563  
00:24:32,070 --> 00:24:30,000

right yes so this must have been even

564

00:24:35,830 --> 00:24:32,080

more disappointing than frank kaufman

565

00:24:39,110 --> 00:24:35,840

right i was i was i was in disbelief

566

00:24:41,590 --> 00:24:39,120

uh stephen the uh we

567

00:24:43,669 --> 00:24:41,600

analyzed them as best we could for three

568

00:24:46,950 --> 00:24:43,679

years

569

00:24:50,310 --> 00:24:46,960

and doing due diligence on them and

570

00:24:53,669 --> 00:24:50,320

uh we went as far as we could with them

571

00:24:54,470 --> 00:24:53,679

and everything pointed to that they were

572

00:25:16,470 --> 00:24:54,480

the

573

00:25:19,230 --> 00:25:16,480

collection

574

00:25:21,190 --> 00:25:19,240

that were shown to us were from the

575

00:25:23,190 --> 00:25:21,200

1940s

576

00:25:24,549 --> 00:25:23,200

yes it had to be tantalizing right you

577

00:25:27,750 --> 00:25:24,559

thought you had it you thought you

578

00:25:29,909 --> 00:25:27,760

finally finally got the proof everything

579

00:25:32,549 --> 00:25:29,919

else was from the 1940s

580

00:25:33,669 --> 00:25:32,559

the little code on the slide the side of

581

00:25:36,630 --> 00:25:33,679

the slide

582

00:25:39,110 --> 00:25:36,640

uh without going all into it we it was

583

00:25:42,710 --> 00:25:39,120

from 1947

584

00:25:45,990 --> 00:25:42,720

and this body on the slide

585

00:25:47,510 --> 00:25:46,000

looked exactly like i envisioned the

586

00:25:52,149 --> 00:25:47,520

roswell bodies

587

00:25:55,350 --> 00:25:52,159

looked it looked exactly like that

588

00:25:57,190 --> 00:25:55,360

and everything pointed to this is one of

589

00:26:01,669 --> 00:25:57,200

the roswell

590

00:26:04,630 --> 00:26:01,679

bodies now the the kicker here was

591

00:26:08,070 --> 00:26:04,640

at the foot of this body in the slide

592

00:26:12,070 --> 00:26:08,080

was a flat was a placard

593

00:26:16,149 --> 00:26:12,080

it was a oblong placard

594

00:26:19,110 --> 00:26:16,159

with writing on it we for three years

595

00:26:20,950 --> 00:26:19,120

we sent it out we tried us nobody could

596

00:26:24,310 --> 00:26:20,960

read that writing which would

597

00:26:28,230 --> 00:26:24,320

obviously have told us what was

598

00:26:30,230 --> 00:26:28,240

what what was lying there on the slab

599

00:26:31,590 --> 00:26:30,240

it could it would have said okay this is

600

00:26:33,750 --> 00:26:31,600

so-and-so and so

601  
00:26:35,990 --> 00:26:33,760  
we tried for three years we sent it out

602  
00:26:39,430 --> 00:26:36,000  
to uh

603  
00:26:41,830 --> 00:26:39,440  
various places even the army uh

604  
00:26:43,190 --> 00:26:41,840  
photo interpretation unit they couldn't

605  
00:26:45,909 --> 00:26:43,200  
break this

606  
00:26:47,350 --> 00:26:45,919  
cursive writing so i figured well that's

607  
00:26:50,549 --> 00:26:47,360  
it

608  
00:26:53,269 --> 00:26:50,559  
everything was

609  
00:26:54,470 --> 00:26:53,279  
everything pointed to uh this is a

610  
00:26:57,590 --> 00:26:54,480  
roswell

611  
00:27:01,590 --> 00:26:57,600  
cadaver well no sooner did we have this

612  
00:27:06,149 --> 00:27:04,870  
when a day or two later here comes the

613  
00:27:08,950 --> 00:27:06,159

slide somebody

614

00:27:10,070 --> 00:27:08,960

somebody has cracked the uh the writing

615

00:27:12,950 --> 00:27:10,080

i'm thinking

616

00:27:14,630 --> 00:27:12,960

oh my god how can that be we tried for

617

00:27:17,110 --> 00:27:14,640

three years and couldn't do it here

618

00:27:19,750 --> 00:27:17,120

comes somebody

619

00:27:22,070 --> 00:27:19,760

that that where it says it's the uh it's

620

00:27:23,269 --> 00:27:22,080

the mummified body of a

621

00:27:25,909 --> 00:27:23,279

i don't know six-year-old or

622

00:27:28,549 --> 00:27:25,919

nine-year-old boy

623

00:27:30,470 --> 00:27:28,559

yeah i said this i remember this and i

624

00:27:32,789 --> 00:27:30,480

was so disappointed but then

625

00:27:34,789 --> 00:27:32,799

i had my own suspicions because jaime

626

00:27:36,070 --> 00:27:34,799

moussan was involved and jaime musan for

627

00:27:39,029 --> 00:27:36,080

those that don't know

628

00:27:40,950 --> 00:27:39,039

was sort of like he he had this marmoset

629

00:27:43,269 --> 00:27:40,960

monkey for a while he was saying wasn't

630

00:27:45,510 --> 00:27:43,279

alien

631

00:27:48,789 --> 00:27:45,520

i mean jaime had nothing to do with the

632

00:27:51,190 --> 00:27:48,799

analysis he just provided the venue

633

00:27:53,190 --> 00:27:51,200

sure but just because but just because

634

00:27:53,590 --> 00:27:53,200

he was involved and he was hyping it i

635

00:27:55,110 --> 00:27:53,600

thought

636

00:27:57,350 --> 00:27:55,120

this may be a hoax because of his

637

00:28:00,070 --> 00:27:57,360

involvement so i was cautiously

638

00:28:01,590 --> 00:28:00,080

hopeful that this was real but i

639

00:28:05,190 --> 00:28:01,600

remember uh

640

00:28:06,870 --> 00:28:05,200

i remember you know how fast that this

641

00:28:09,510 --> 00:28:06,880

thing fell apart they did so they did

642

00:28:12,549 --> 00:28:09,520

this big pay-per-view with me then

643

00:28:14,710 --> 00:28:12,559

i thought i was dreaming i thought i was

644

00:28:16,710 --> 00:28:14,720

dreaming i said this can't be true

645

00:28:18,630 --> 00:28:16,720

because we we did everything we could

646

00:28:22,149 --> 00:28:18,640

for three years

647

00:28:23,750 --> 00:28:22,159

to break this and we couldn't and here

648

00:28:25,510 --> 00:28:23,760

especially when somebody you know

649

00:28:28,070 --> 00:28:25,520

they're right there on the

650

00:28:28,789 --> 00:28:28,080

foot of the uh at the foot of the the

651  
00:28:33,990 --> 00:28:28,799  
body

652  
00:28:35,269 --> 00:28:34,000  
or nine-year-old boy i don't know forget

653  
00:28:37,190 --> 00:28:35,279  
how old it was

654  
00:28:38,870 --> 00:28:37,200  
and i'm thinking that's got to be a hoax

655  
00:28:41,190 --> 00:28:38,880  
because we tried for three years

656  
00:28:42,470 --> 00:28:41,200  
how can somebody in two days come up

657  
00:28:44,549 --> 00:28:42,480  
with

658  
00:28:47,029 --> 00:28:44,559  
break it make yeah but apparently they

659  
00:28:47,750 --> 00:28:47,039  
had much cleaner scans or higher they

660  
00:28:50,549 --> 00:28:47,760  
had it

661  
00:28:53,190 --> 00:28:50,559  
they had a different slide because i i

662  
00:28:56,870 --> 00:28:53,200  
only saw one slide

663  
00:29:00,230 --> 00:28:56,880

apparently there were more

664

00:29:02,710 --> 00:29:00,240

and somehow this i don't know who it was

665

00:29:03,750 --> 00:29:02,720

got a hold of one of the other slides

666

00:29:08,710 --> 00:29:03,760

where

667

00:29:11,029 --> 00:29:08,720

someone and i i i suspect who it was now

668

00:29:14,389 --> 00:29:11,039

uh scrambled the letters to where they

669

00:29:17,430 --> 00:29:14,399

couldn't be that you couldn't break them

670

00:29:19,269 --> 00:29:17,440

and so we didn't i didn't know that that

671

00:29:21,269 --> 00:29:19,279

there was another slide

672

00:29:22,389 --> 00:29:21,279

that that you could unscramble the

673

00:29:24,830 --> 00:29:22,399

letters

674

00:29:26,070 --> 00:29:24,840

because the only slide we had was this

675

00:29:29,269 --> 00:29:26,080

one

676

00:29:32,070 --> 00:29:29,279

and uh i would i was in

677

00:29:33,110 --> 00:29:32,080

i was in disbelief but uh that that's

678

00:29:40,149 --> 00:29:33,120

what happened

679

00:29:44,470 --> 00:29:40,159

looking back on it now i was

680

00:29:47,990 --> 00:29:44,480

captivated by what i was seeing

681

00:29:51,990 --> 00:29:48,000

plus the fact that it was a 1947

682

00:29:55,830 --> 00:29:52,000

photos from 1947 kodak photo stock

683

00:29:58,549 --> 00:29:55,840

yeah so in other words the film dated

684

00:29:59,590 --> 00:29:58,559

correctly to to what was purported to be

685

00:30:02,630 --> 00:29:59,600

on the slide

686

00:30:05,750 --> 00:30:02,640

and it made sense like okay so this

687

00:30:08,310 --> 00:30:05,760

film stock that this slide was from is

688

00:30:10,149 --> 00:30:08,320

from 1947 so that's pretty tantalizing

689

00:30:13,590 --> 00:30:10,159

and convincing evidence that it just may

690

00:30:18,230 --> 00:30:16,149

the body looked exactly like i expected

691

00:30:21,350 --> 00:30:18,240

it to look

692

00:30:22,310 --> 00:30:21,360

yeah and uh that just uh that overtook

693

00:30:24,190 --> 00:30:22,320

me

694

00:30:25,990 --> 00:30:24,200

because i could uh you know looking at

695

00:30:29,190 --> 00:30:26,000

1947 stock

696

00:30:31,830 --> 00:30:29,200

and we went to kodak the the uh the

697

00:30:34,870 --> 00:30:31,840

fella at kodak who was the expert

698

00:30:37,909 --> 00:30:34,880

on uh slide stock back in the

699

00:30:40,789 --> 00:30:37,919

40s uh he said no

700

00:30:43,430 --> 00:30:40,799

there's this this is okay there's this i

701  
00:30:45,750 --> 00:30:43,440  
don't see any uh

702  
00:30:47,350 --> 00:30:45,760  
any shenanigans going on here so that

703  
00:30:49,990 --> 00:30:47,360  
was it

704  
00:30:52,070 --> 00:30:50,000  
and so we went public with that within

705  
00:30:52,549 --> 00:30:52,080  
two days somebody says this is a six

706  
00:30:57,350 --> 00:30:52,559  
year

707  
00:31:00,310 --> 00:30:57,360  
this is a mummified body of a boy

708  
00:31:01,830 --> 00:31:00,320  
let's say uh two years old yeah two

709  
00:31:04,950 --> 00:31:01,840  
years old

710  
00:31:05,509 --> 00:31:04,960  
and i did not believe that until i

711  
00:31:08,230 --> 00:31:05,519  
actually

712  
00:31:10,470 --> 00:31:08,240  
saw we had another fella who we've been

713  
00:31:13,750 --> 00:31:10,480

working with and uh

714

00:31:16,789 --> 00:31:13,760

he looked he went online and he found

715

00:31:19,909 --> 00:31:16,799

he found that body when it was still

716

00:31:22,470 --> 00:31:19,919

what as they say in situ it was still

717

00:31:23,110 --> 00:31:22,480

in in at the site when they discovered

718

00:31:26,230 --> 00:31:23,120

it and

719

00:31:27,590 --> 00:31:26,240

it was the same body same body so at

720

00:31:30,710 --> 00:31:27,600

that point

721

00:31:31,590 --> 00:31:30,720

when i saw the real when the body when

722

00:31:34,149 --> 00:31:31,600

it was still

723

00:31:35,269 --> 00:31:34,159

being excavated it had the same little

724

00:31:37,830 --> 00:31:35,279

thing around its neck

725

00:31:40,310 --> 00:31:37,840

it had the same look on its face but the

726  
00:31:42,230 --> 00:31:40,320  
thing that was different about it steven

727  
00:31:44,389 --> 00:31:42,240  
was that you know when you're at the

728  
00:31:47,909 --> 00:31:44,399  
site it looks all dried out

729  
00:31:51,750 --> 00:31:47,919  
the mummified body looks all dried out

730  
00:31:54,710 --> 00:31:51,760  
yes and uh

731  
00:31:55,350 --> 00:31:54,720  
but you can see you can see in the

732  
00:31:58,789 --> 00:31:55,360  
picture

733  
00:31:59,190 --> 00:31:58,799  
they uh they cleaned it up somehow and

734  
00:32:01,190 --> 00:31:59,200  
uh

735  
00:32:04,310 --> 00:32:01,200  
made it look like it wasn't a mummy

736  
00:32:06,070 --> 00:32:04,320  
because i've seen mummies before

737  
00:32:07,830 --> 00:32:06,080  
i'm sorry friends i'm having some

738  
00:32:09,269 --> 00:32:07,840

technical issues i was trying to share

739

00:32:11,190 --> 00:32:09,279

the pictures of the slides

740

00:32:13,110 --> 00:32:11,200

anybody can google the roswell slides

741

00:32:14,870 --> 00:32:13,120

and you'll see pictures of this body

742

00:32:17,430 --> 00:32:14,880

and you have to admit if you look at the

743

00:32:19,590 --> 00:32:17,440

pictures this looks like a typical

744

00:32:21,110 --> 00:32:19,600

what you would think of roswell alien

745

00:32:22,230 --> 00:32:21,120

look like after seeing all these

746

00:32:24,310 --> 00:32:22,240

drawings and

747

00:32:25,509 --> 00:32:24,320

witness descriptions over the years and

748

00:32:28,149 --> 00:32:25,519

things like that

749

00:32:28,870 --> 00:32:28,159

i've seen mummified bodies and they they

750

00:32:31,350 --> 00:32:28,880

all looked

751  
00:32:32,710 --> 00:32:31,360  
shriveled up and desiccated that dried

752  
00:32:34,630 --> 00:32:32,720  
out you know

753  
00:32:36,630 --> 00:32:34,640  
this thing didn't look dried out it

754  
00:32:39,110 --> 00:32:36,640  
looked like it had been alive

755  
00:32:40,389 --> 00:32:39,120  
not too uh long before that's what it

756  
00:32:44,149 --> 00:32:40,399  
looked like to me

757  
00:32:48,310 --> 00:32:44,159  
so everything fell in line that it was

758  
00:32:51,350 --> 00:32:48,320  
a to me anyway a raw a roswell

759  
00:32:53,430 --> 00:32:51,360  
uh cadaver and uh

760  
00:32:55,269 --> 00:32:53,440  
yeah and just to be clear like you and

761  
00:32:56,389 --> 00:32:55,279  
mr schmidt took a lot of flack for being

762  
00:32:58,630 --> 00:32:56,399  
involved in that

763  
00:32:59,830 --> 00:32:58,640

but then we've got like richard dolan

764

00:33:02,549 --> 00:32:59,840

was involved in it and

765

00:33:03,509 --> 00:33:02,559

jaime mason and a lot of other prominent

766

00:33:06,470 --> 00:33:03,519

research people

767

00:33:08,310 --> 00:33:06,480

richard uh rich richard wasn't involved

768

00:33:11,430 --> 00:33:08,320

in the analysis

769

00:33:12,549 --> 00:33:11,440

and neither was jaime when richard came

770

00:33:15,590 --> 00:33:12,559

on board

771

00:33:18,870 --> 00:33:15,600

uh he was he was at the

772

00:33:23,190 --> 00:33:18,880

presentation to make uh just make a

773

00:33:25,509 --> 00:33:23,200

speech of whatever he wanted

774

00:33:27,190 --> 00:33:25,519

to you know to add credence to our to

775

00:33:31,110 --> 00:33:27,200

our show

776

00:33:34,070 --> 00:33:31,120

and jaime provided the venue which was

777

00:33:35,269 --> 00:33:34,080

magnificent it was the uh national

778

00:33:37,350 --> 00:33:35,279

auditorium and

779

00:33:38,710 --> 00:33:37,360

yeah it was like a big stadium right

780

00:33:42,070 --> 00:33:38,720

because yes uh

781

00:33:44,070 --> 00:33:42,080

8 000 people uh it was the national

782

00:33:46,070 --> 00:33:44,080

auditorium in the biggest auditorium in

783

00:33:47,909 --> 00:33:46,080

mexico you can't beat that

784

00:33:49,669 --> 00:33:47,919

well between that and the pay-per-views

785

00:33:51,830 --> 00:33:49,679

somebody made an awful lot of money

786

00:33:53,669 --> 00:33:51,840

yes and it wasn't it wasn't it wasn't

787

00:33:55,509 --> 00:33:53,679

don schmidt and myself

788

00:33:57,269 --> 00:33:55,519

no i that's why i wanted to make clear

789

00:33:58,310 --> 00:33:57,279

like somebody made an awful lot of money

790

00:33:59,430 --> 00:33:58,320

out of that event between the

791

00:34:01,750 --> 00:33:59,440

pay-per-view

792

00:34:02,950 --> 00:34:01,760

and the tickets to see the live event 8

793

00:34:04,549 --> 00:34:02,960

000 people

794

00:34:06,389 --> 00:34:04,559

and nobody's ever given any of that

795

00:34:08,710 --> 00:34:06,399

money back after it was proven it was a

796

00:34:09,030 --> 00:34:08,720

hoax so to me that's just consumer fraud

797

00:34:11,589 --> 00:34:09,040

they

798

00:34:13,510 --> 00:34:11,599

uh you know those those two fellas

799

00:34:17,270 --> 00:34:13,520

disappeared on us

800

00:34:18,790 --> 00:34:17,280

lickety-split yeah i could imagine

801  
00:34:21,030 --> 00:34:18,800  
you know and there's been some talk

802  
00:34:21,750 --> 00:34:21,040  
somebody mentioned to me or claimed to

803  
00:34:24,790 --> 00:34:21,760  
me

804  
00:34:25,750 --> 00:34:24,800  
that you still even after the revelation

805  
00:34:29,270 --> 00:34:25,760  
that it was

806  
00:34:31,589 --> 00:34:29,280  
refused to let it go

807  
00:34:32,550 --> 00:34:31,599  
for a while is that accurate or did you

808  
00:34:35,190 --> 00:34:32,560  
i let i

809  
00:34:35,829 --> 00:34:35,200  
refuse to let go until i saw the the

810  
00:34:38,069 --> 00:34:35,839  
body

811  
00:34:39,430 --> 00:34:38,079  
that i was just telling you about sure

812  
00:34:42,389 --> 00:34:39,440  
that was when it was

813  
00:34:43,510 --> 00:34:42,399

uh when i saw the body at the time it

814

00:34:46,389 --> 00:34:43,520

was discovered i

815

00:34:47,510 --> 00:34:46,399

i said okay that's that's it so i let it

816

00:34:50,069 --> 00:34:47,520

go at that point

817

00:34:51,430 --> 00:34:50,079

but up until that uh steve and i thought

818

00:34:54,950 --> 00:34:51,440

that the

819

00:34:57,589 --> 00:34:54,960

the the translation of the placard

820

00:34:58,390 --> 00:34:57,599

itself was a hoax because we tried for

821

00:35:02,069 --> 00:34:58,400

three years

822

00:35:03,990 --> 00:35:02,079

to to uh translate it to to learn what

823

00:35:06,069 --> 00:35:04,000

it said we couldn't do it

824

00:35:07,829 --> 00:35:06,079

and uh it wasn't just don schmidt and

825

00:35:08,790 --> 00:35:07,839

myself we sent out at the different

826

00:35:11,829 --> 00:35:08,800

parties

827

00:35:14,950 --> 00:35:11,839

uh even david rudiak who

828

00:35:17,589 --> 00:35:14,960

was the chief investigator on the

829

00:35:19,750 --> 00:35:17,599

so-called raimi memo

830

00:35:21,109 --> 00:35:19,760

uh we sent it to him and he couldn't he

831

00:35:23,750 --> 00:35:21,119

couldn't read it so

832

00:35:25,589 --> 00:35:23,760

that was a big thing to us while we it's

833

00:35:27,190 --> 00:35:25,599

beyond being read and then here comes

834

00:35:29,510 --> 00:35:27,200

somebody and you could actually

835

00:35:30,470 --> 00:35:29,520

read the words and i said this this

836

00:35:33,190 --> 00:35:30,480

can't be true

837

00:35:36,630 --> 00:35:33,200

because we tried so hard for three years

838

00:35:39,270 --> 00:35:36,640

so i held on to it until i actually saw

839

00:35:40,310 --> 00:35:39,280

the body when it was still an

840

00:35:42,870 --> 00:35:40,320

archaeological

841

00:35:43,990 --> 00:35:42,880

still at the archaeology site it was

842

00:35:47,109 --> 00:35:44,000

obviously the same

843

00:35:47,510 --> 00:35:47,119

body and at that point i said okay this

844

00:35:51,910 --> 00:35:47,520

is

845

00:35:53,750 --> 00:35:51,920

what they did to it to clean it up i

846

00:35:56,630 --> 00:35:53,760

really don't but

847

00:35:57,270 --> 00:35:56,640

uh yeah well i i think i did some work

848

00:35:58,630 --> 00:35:57,280

on that

849

00:36:00,069 --> 00:35:58,640

back when that happened believe it or

850

00:36:02,069 --> 00:36:00,079

not i have a background in computer

851

00:36:04,790 --> 00:36:02,079

science and i was trying to

852

00:36:06,710 --> 00:36:04,800

decipher what the placard said from the

853

00:36:08,710 --> 00:36:06,720

from the screenshot that somebody put on

854

00:36:09,670 --> 00:36:08,720

a website which was extremely low low

855

00:36:12,069 --> 00:36:09,680

res

856

00:36:14,069 --> 00:36:12,079

but after the event somebody posted a

857

00:36:17,109 --> 00:36:14,079

much higher resolution

858

00:36:20,150 --> 00:36:17,119

uh scan or photo or whatever of

859

00:36:22,230 --> 00:36:20,160

of the mummy and the placard and i was

860

00:36:23,910 --> 00:36:22,240

almost able to do it somebody beat me to

861

00:36:25,589 --> 00:36:23,920

it though they were so fast

862

00:36:28,230 --> 00:36:25,599

it was because there's only so many

863

00:36:29,829 --> 00:36:28,240

pixels and if you get extremely low res

864

00:36:31,030 --> 00:36:29,839

it's going to be too garbled you're not

865

00:36:32,550 --> 00:36:31,040

going to be able to read it but once you

866

00:36:35,109 --> 00:36:32,560

get that higher res

867

00:36:37,109 --> 00:36:35,119

image yeah it's going to be quick and

868

00:36:40,230 --> 00:36:37,119

easy but you didn't have the higher res

869

00:36:43,510 --> 00:36:40,240

you had the low res like preview

870

00:36:43,990 --> 00:36:43,520

image instead of the higher order higher

871

00:36:45,829 --> 00:36:44,000

resolution

872

00:36:47,910 --> 00:36:45,839

after the event you know and there's

873

00:36:49,829 --> 00:36:47,920

probably a reason for that they knew

874

00:36:51,430 --> 00:36:49,839

they knew i think they knew what that

875

00:36:53,750 --> 00:36:51,440

placard said

876

00:36:54,870 --> 00:36:53,760

yes uh we didn't know but the the

877

00:36:57,349 --> 00:36:54,880

possessors

878

00:36:58,230 --> 00:36:57,359

in retrospect now i believe the

879

00:37:00,790 --> 00:36:58,240

possessors

880

00:37:01,750 --> 00:37:00,800

uh scrambled the words or they did

881

00:37:05,510 --> 00:37:01,760

something to the

882

00:37:08,630 --> 00:37:05,520

placard that uh on the one slide

883

00:37:11,670 --> 00:37:08,640

on the one slide that we had that

884

00:37:12,230 --> 00:37:11,680

made it impossible to read because

885

00:37:13,990 --> 00:37:12,240

somebody

886

00:37:15,910 --> 00:37:14,000

got a hold and i don't know how that

887

00:37:16,390 --> 00:37:15,920

happened so i finally got it up here so

888

00:37:19,270 --> 00:37:16,400

because

889

00:37:20,870 --> 00:37:19,280

i'm sorry i'm never in firefox but

890

00:37:21,990 --> 00:37:20,880

there's some weirdness going on with the

891

00:37:23,750 --> 00:37:22,000

software to run the show

892

00:37:25,270 --> 00:37:23,760

and i had to use firefox tonight so to

893

00:37:28,310 --> 00:37:25,280

share the screen is was

894

00:37:31,670 --> 00:37:28,320

was difficult so here's the picture and

895

00:37:33,589 --> 00:37:31,680

yeah the placard once clearly visible

896

00:37:34,829 --> 00:37:33,599

you know it says this mummy of a

897

00:37:38,630 --> 00:37:34,839

two-year-old

898

00:37:41,670 --> 00:37:38,640

uh found uh

899

00:37:43,589 --> 00:37:41,680

on the front of the second store of

900

00:37:45,510 --> 00:37:43,599

montezuma castle or something like that

901  
00:37:46,630 --> 00:37:45,520  
yeah so the placard is pretty clear once

902  
00:37:48,870 --> 00:37:46,640  
you have the good

903  
00:37:49,750 --> 00:37:48,880  
the good image you know but the original

904  
00:37:52,069 --> 00:37:49,760  
image

905  
00:37:52,870 --> 00:37:52,079  
not so much and there was so much you

906  
00:37:55,510 --> 00:37:52,880  
know people

907  
00:37:56,630 --> 00:37:55,520  
people even like biologists looked at

908  
00:37:59,990 --> 00:37:56,640  
this thing and said

909  
00:38:02,710 --> 00:38:00,000  
there's not enough ribs or you know

910  
00:38:03,990 --> 00:38:02,720  
there's the head and the eyes this can't

911  
00:38:06,870 --> 00:38:04,000  
be a human

912  
00:38:09,030 --> 00:38:06,880  
you know and here's a more accurate

913  
00:38:11,190 --> 00:38:09,040

representation of what the original

914

00:38:12,310 --> 00:38:11,200

you couldn't see anything on the placard

915

00:38:14,470 --> 00:38:12,320

at first

916

00:38:17,030 --> 00:38:14,480

in the upper right hand look the upper

917

00:38:20,069 --> 00:38:17,040

right hand corner that's the

918

00:38:23,829 --> 00:38:20,079

that's what i was looking at and uh

919

00:38:24,630 --> 00:38:23,839

if you notice on the put up the right

920

00:38:26,310 --> 00:38:24,640

that one yeah

921

00:38:28,150 --> 00:38:26,320

in the upper right hand corner see if i

922

00:38:31,829 --> 00:38:28,160

could get a better image of it

923

00:38:35,190 --> 00:38:31,839

yeah maybe not oh and

924

00:38:36,230 --> 00:38:35,200

this was the there you go this was the

925

00:38:39,510 --> 00:38:36,240

clincher for me

926  
00:38:41,829 --> 00:38:39,520  
here's what the clincher was we had a

927  
00:38:44,950 --> 00:38:41,839  
first-hand witness

928  
00:38:48,550 --> 00:38:44,960  
uh his name was dan dwyer

929  
00:38:50,710 --> 00:38:48,560  
he was a fireman for the roswell fire

930  
00:38:53,750 --> 00:38:50,720  
department he got out to the site before

931  
00:38:56,470 --> 00:38:53,760  
the military got there

932  
00:38:56,950 --> 00:38:56,480  
and he saw the the the bodies on the

933  
00:38:59,589 --> 00:38:56,960  
ground

934  
00:39:00,150 --> 00:38:59,599  
and there was one that was still alive

935  
00:39:02,230 --> 00:39:00,160  
okay

936  
00:39:03,349 --> 00:39:02,240  
so there were two dead and one still

937  
00:39:06,790 --> 00:39:03,359  
alive at this

938  
00:39:09,750 --> 00:39:06,800

uh crash site

939

00:39:10,710 --> 00:39:09,760

and uh we got the story from his

940

00:39:14,630 --> 00:39:10,720

daughter

941

00:39:16,470 --> 00:39:14,640

frankie rowe because dan dwyer was

942

00:39:17,670 --> 00:39:16,480

already dead by the time we got on the

943

00:39:19,990 --> 00:39:17,680

case

944

00:39:21,190 --> 00:39:20,000

but when he got home that night he told

945

00:39:22,950 --> 00:39:21,200

his family about

946

00:39:24,630 --> 00:39:22,960

being out at this crash site where a

947

00:39:26,710 --> 00:39:24,640

flying saucer had

948

00:39:29,030 --> 00:39:26,720

crashed and there were bodies and one

949

00:39:30,790 --> 00:39:29,040

was still alive

950

00:39:32,790 --> 00:39:30,800

and they the first thing you wanted they

951  
00:39:34,710 --> 00:39:32,800  
wanted to know was well dad what did it

952  
00:39:38,710 --> 00:39:34,720  
look like

953  
00:39:42,310 --> 00:39:38,720  
and all he said was child of the earth

954  
00:39:44,069 --> 00:39:42,320  
child of the earth well to me

955  
00:39:45,670 --> 00:39:44,079  
that doesn't mean i don't know you know

956  
00:39:47,829 --> 00:39:45,680  
i'm from philadelphia i don't know what

957  
00:39:53,670 --> 00:39:47,839  
that means

958  
00:40:04,630 --> 00:39:57,750  
put the picture back up oh i'm sorry

959  
00:40:10,230 --> 00:40:07,990  
with me here i'm going to tell you what

960  
00:40:16,309 --> 00:40:10,240  
the clincher was

961  
00:40:23,829 --> 00:40:20,470  
waiting for the picture there you go

962  
00:40:25,589 --> 00:40:23,839  
okay so uh dan dwyer

963  
00:40:27,430 --> 00:40:25,599

they wanted to know what it looked like

964

00:40:27,750 --> 00:40:27,440

and he didn't say well allah had a big

965

00:40:30,870 --> 00:40:27,760

head

966

00:40:32,309 --> 00:40:30,880

blah blah blah blah he just said child

967

00:40:39,109 --> 00:40:32,319

of the earth

968

00:40:41,670 --> 00:40:39,119

to people living in new mexico means

969

00:40:44,069 --> 00:40:41,680

a little it's a little another name for

970

00:40:44,870 --> 00:40:44,079

it it's a potato bug or the jerusalem

971

00:40:48,309 --> 00:40:44,880

cricket

972

00:40:48,710 --> 00:40:48,319

it's a little insect that has a head on

973

00:40:52,230 --> 00:40:48,720

it

974

00:40:56,390 --> 00:40:52,240

that reminds them of a newborn child

975

00:40:56,710 --> 00:40:56,400

okay the head the head of this insect

976  
00:41:05,109 --> 00:40:56,720  
the

977  
00:41:08,470 --> 00:41:05,119  
what am i talking about

978  
00:41:11,990 --> 00:41:08,480  
well a newborn child has

979  
00:41:13,270 --> 00:41:12,000  
markings on its head because the bones

980  
00:41:15,829 --> 00:41:13,280  
of the skull the

981  
00:41:16,550 --> 00:41:15,839  
parietals and the frontal bones they

982  
00:41:18,870 --> 00:41:16,560  
have it

983  
00:41:21,750 --> 00:41:18,880  
they haven't come together yet so you

984  
00:41:23,750 --> 00:41:21,760  
have dark markings on the head of this

985  
00:41:25,430 --> 00:41:23,760  
newborn infant so that's why they call

986  
00:41:27,510 --> 00:41:25,440  
this potato bug

987  
00:41:29,190 --> 00:41:27,520  
that you're the child of the earth now

988  
00:41:31,109 --> 00:41:29,200

if you look at that picture what do you

989

00:41:34,790 --> 00:41:31,119

see on the top of the head of that

990

00:41:37,829 --> 00:41:34,800

that picture there's dark markings

991

00:41:40,950 --> 00:41:37,839

okay there's dark markings on the head

992

00:41:42,630 --> 00:41:40,960

of that cadaver and to me i'm saying

993

00:41:44,630 --> 00:41:42,640

there's nobody that could have hoped

994

00:41:45,589 --> 00:41:44,640

that they wouldn't have known about it

995

00:41:49,030 --> 00:41:45,599

because

996

00:41:53,030 --> 00:41:51,030

the markings on the head and that

997

00:41:54,710 --> 00:41:53,040

cadaver has markings on the head and i

998

00:41:57,430 --> 00:41:54,720

said oh my goodness

999

00:41:59,430 --> 00:41:57,440

that's what dan dwyer was talking about

1000

00:42:01,349 --> 00:41:59,440

the markings on the head why they called

1001  
00:42:04,950 --> 00:42:01,359  
it the child of the earth and for me

1002  
00:42:09,910 --> 00:42:07,990  
yeah yeah i i listen and and

1003  
00:42:11,510 --> 00:42:09,920  
when this happened i didn't blame you or

1004  
00:42:13,910 --> 00:42:11,520  
anybody else involved

1005  
00:42:14,550 --> 00:42:13,920  
one bit and it's a shame that people you

1006  
00:42:16,950 --> 00:42:14,560  
know

1007  
00:42:18,470 --> 00:42:16,960  
were nasty about it after the event but

1008  
00:42:19,190 --> 00:42:18,480  
i think there was a lot of people that

1009  
00:42:20,950 --> 00:42:19,200  
were hopeful

1010  
00:42:23,349 --> 00:42:20,960  
and then disappointed i mean it's a

1011  
00:42:25,990 --> 00:42:23,359  
nature of a good hoax that people

1012  
00:42:28,069 --> 00:42:26,000  
you know want to believe they think this

1013  
00:42:30,470 --> 00:42:28,079

might be the smoking gun proof and

1014

00:42:31,750 --> 00:42:30,480

the evidence and then you get your

1015

00:42:33,589 --> 00:42:31,760

bubble burst like

1016

00:42:34,790 --> 00:42:33,599

my bubble got burst it was a big

1017

00:42:36,390 --> 00:42:34,800

disappointment to me

1018

00:42:38,150 --> 00:42:36,400

it was i thought this might be the

1019

00:42:39,109 --> 00:42:38,160

smoking gun we might actually have the

1020

00:42:42,150 --> 00:42:39,119

proof now

1021

00:42:45,670 --> 00:42:42,160

it was unbelievable it was uh

1022

00:42:48,390 --> 00:42:45,680

based on the information we had

1023

00:42:51,109 --> 00:42:48,400

when we went public with it i would have

1024

00:42:53,510 --> 00:42:51,119

had to come to the same conclusion

1025

00:42:55,670 --> 00:42:53,520

because we could not read that placard

1026

00:42:58,950 --> 00:42:55,680

we tried for three years

1027

00:43:02,550 --> 00:42:58,960

we sent it to adobe we sent it to the

1028

00:43:06,150 --> 00:43:02,560

us army photo interpretation unit

1029

00:43:08,550 --> 00:43:06,160

uh david rudiak who's an expert

1030

00:43:11,589 --> 00:43:08,560

in that a couple other places and i

1031

00:43:13,829 --> 00:43:11,599

tried myself with my own

1032

00:43:15,990 --> 00:43:13,839

photographic software over three years i

1033

00:43:19,510 --> 00:43:16,000

would try it a couple times a week well

1034

00:43:21,190 --> 00:43:19,520

maybe i could break it today

1035

00:43:23,750 --> 00:43:21,200

i did the same thing i was doing the

1036

00:43:25,750 --> 00:43:23,760

same thing and i even went to a friend

1037

00:43:26,950 --> 00:43:25,760

i even went to a friend of mine who's an

1038

00:43:29,270 --> 00:43:26,960

image analyst

1039

00:43:31,109 --> 00:43:29,280

like you know like a serious image

1040

00:43:31,589 --> 00:43:31,119

analyst he's testified in court and

1041

00:43:34,790 --> 00:43:31,599

things

1042

00:43:37,190 --> 00:43:34,800

and done photo analysis and

1043

00:43:38,150 --> 00:43:37,200

image enhancement for police and things

1044

00:43:40,309 --> 00:43:38,160

like that

1045

00:43:41,910 --> 00:43:40,319

and he just sent me back a message that

1046

00:43:43,910 --> 00:43:41,920

said there's just not enough pixels

1047

00:43:46,390 --> 00:43:43,920

there you're never going to read this

1048

00:43:48,309 --> 00:43:46,400

but that of course was the original

1049

00:43:51,670 --> 00:43:48,319

release which was just a low

1050

00:43:54,550 --> 00:43:51,680

res grainy ass you know terrible

1051  
00:43:55,349 --> 00:43:54,560  
terrible quality picture yeah so once

1052  
00:43:57,270 --> 00:43:55,359  
once the

1053  
00:43:58,390 --> 00:43:57,280  
event happened then the hoaxers got

1054  
00:44:01,190 --> 00:43:58,400  
their money i guess

1055  
00:44:02,710 --> 00:44:01,200  
you know then somebody uploaded that day

1056  
00:44:04,230 --> 00:44:02,720  
the day of the event i think it happened

1057  
00:44:06,950 --> 00:44:04,240  
or the night of the event

1058  
00:44:08,309 --> 00:44:06,960  
uh somebody posted a really high quality

1059  
00:44:10,470 --> 00:44:08,319  
picture on a blog

1060  
00:44:12,309 --> 00:44:10,480  
and then within hours people people were

1061  
00:44:15,670 --> 00:44:12,319  
able to crack the code of that

1062  
00:44:18,550 --> 00:44:15,680  
placard we uh

1063  
00:44:19,750 --> 00:44:18,560

we were now we were never able to we

1064

00:44:22,390 --> 00:44:19,760

were never able to

1065

00:44:23,349 --> 00:44:22,400

and when that was cracked i thought that

1066

00:44:26,710 --> 00:44:23,359

itself

1067

00:44:30,790 --> 00:44:26,720

that was a hoax until i actually saw

1068

00:44:32,870 --> 00:44:30,800

uh the body that before it was removed

1069

00:44:35,030 --> 00:44:32,880

from the archaeological site

1070

00:44:35,990 --> 00:44:35,040

it was it was that was it i mean it was

1071

00:44:37,829 --> 00:44:36,000

the same

1072

00:44:39,829 --> 00:44:37,839

mummy yeah and for those that don't know

1073

00:44:40,470 --> 00:44:39,839

just to wrap up what happened to this

1074

00:44:43,750 --> 00:44:40,480

poor

1075

00:44:45,829 --> 00:44:43,760

two-year-old child eventually museums

1076  
00:44:47,589 --> 00:44:45,839  
and and things in the united states went

1077  
00:44:48,870 --> 00:44:47,599  
you know it's really disrespectful to a

1078  
00:44:50,790 --> 00:44:48,880  
human cadaver

1079  
00:44:52,790 --> 00:44:50,800  
to put it on display so we're going to

1080  
00:44:54,470 --> 00:44:52,800  
bury it and that's what they did they

1081  
00:44:56,870 --> 00:44:54,480  
they gave it like a regular you know

1082  
00:44:58,309 --> 00:44:56,880  
they buried it with respect because it's

1083  
00:44:59,829 --> 00:44:58,319  
a human being and you

1084  
00:45:01,430 --> 00:44:59,839  
you know it's kind of disrespectful to

1085  
00:45:02,710 --> 00:45:01,440  
stick it in a case and let everybody

1086  
00:45:04,950 --> 00:45:02,720  
gawk at it

1087  
00:45:06,950 --> 00:45:04,960  
so they eventually i think it was in the

1088  
00:45:09,109 --> 00:45:06,960

50s or 60s maybe they

1089

00:45:10,069 --> 00:45:09,119

they took it and so this picture was

1090

00:45:13,349 --> 00:45:10,079

taken in in

1091

00:45:16,069 --> 00:45:13,359

around 1947 or 48 and then

1092

00:45:17,349 --> 00:45:16,079

decades later because of the change in

1093

00:45:19,190 --> 00:45:17,359

thought and policy

1094

00:45:21,510 --> 00:45:19,200

and i think pressure from native

1095

00:45:23,510 --> 00:45:21,520

american groups and other things they

1096

00:45:25,030 --> 00:45:23,520

they took the body out of the museum and

1097

00:45:28,230 --> 00:45:25,040

they buried it so

1098

00:45:32,390 --> 00:45:28,240

yeah it was originally found

1099

00:45:33,910 --> 00:45:32,400

in either 1936 or 1939 i'm not sure

1100

00:45:37,270 --> 00:45:33,920

which way but it was in the

1101  
00:45:37,589 --> 00:45:37,280  
uh 30s by a fella and a fellow by the

1102  
00:45:41,109 --> 00:45:37,599  
name

1103  
00:45:43,670 --> 00:45:41,119  
s l palmer of san francisco had it

1104  
00:45:44,150 --> 00:45:43,680  
uh where it is today i couldn't tell you

1105  
00:45:46,309 --> 00:45:44,160  
but this

1106  
00:45:47,430 --> 00:45:46,319  
i believe it's still buried from the

1107  
00:45:49,109 --> 00:45:47,440  
from what i know

1108  
00:45:50,790 --> 00:45:49,119  
i i believe they buried it after a

1109  
00:45:53,030 --> 00:45:50,800  
certain time okay and

1110  
00:45:55,109 --> 00:45:53,040  
uh and that's where it was at the

1111  
00:45:55,430 --> 00:45:55,119  
montezuma's castle or something like

1112  
00:45:58,710 --> 00:45:55,440  
that

1113  
00:46:00,230 --> 00:45:58,720

in new mexico for a while

1114

00:46:01,589 --> 00:46:00,240

yeah what an interesting what an

1115

00:46:03,670 --> 00:46:01,599

interesting part of the history of

1116

00:46:05,349 --> 00:46:03,680

roswell just like all these other

1117

00:46:07,589 --> 00:46:05,359

you know i've often joked that if you

1118

00:46:10,230 --> 00:46:07,599

want it seems to me that hoaxers are

1119

00:46:12,150 --> 00:46:10,240

sometimes very crafty because they know

1120

00:46:14,470 --> 00:46:12,160

that there's a there's a already

1121

00:46:16,790 --> 00:46:14,480

believed mythology of roswell that there

1122

00:46:18,790 --> 00:46:16,800

were some bodies there was a crash

1123

00:46:20,790 --> 00:46:18,800

so these people that are doing hoaxes

1124

00:46:22,870 --> 00:46:20,800

they tack their hoax onto

1125

00:46:24,069 --> 00:46:22,880

something people already believe which

1126  
00:46:26,710 --> 00:46:24,079  
is that

1127  
00:46:27,589 --> 00:46:26,720  
bodies may have crashed at roswell and

1128  
00:46:29,910 --> 00:46:27,599  
that

1129  
00:46:31,589 --> 00:46:29,920  
lends some legitimacy to their hoax

1130  
00:46:34,710 --> 00:46:31,599  
right

1131  
00:46:36,230 --> 00:46:34,720  
yeah uh the other thing was that

1132  
00:46:38,630 --> 00:46:36,240  
i you know i have a background in

1133  
00:46:42,630 --> 00:46:38,640  
physical anthropology

1134  
00:46:46,950 --> 00:46:42,640  
so uh i made a number of calls

1135  
00:46:48,790 --> 00:46:46,960  
to physical anthropologists

1136  
00:46:50,069 --> 00:46:48,800  
because i wanted them to take a look at

1137  
00:46:53,430 --> 00:46:50,079  
this and

1138  
00:46:56,150 --> 00:46:53,440

tell me what they thought it was

1139

00:46:57,750 --> 00:46:56,160

and every one of them what the first

1140

00:47:00,069 --> 00:46:57,760

thing they wanted to know

1141

00:47:01,030 --> 00:47:00,079

was okay what's the background story to

1142

00:47:02,870 --> 00:47:01,040

this

1143

00:47:04,630 --> 00:47:02,880

as soon as they heard roswell they

1144

00:47:05,829 --> 00:47:04,640

couldn't they couldn't hang up fast

1145

00:47:06,870 --> 00:47:05,839

enough

1146

00:47:08,470 --> 00:47:06,880

yeah they don't want their name

1147

00:47:11,670 --> 00:47:08,480

associated with that because that could

1148

00:47:15,030 --> 00:47:14,309

and uh but there were certainly some

1149

00:47:17,109 --> 00:47:15,040

medical

1150

00:47:18,630 --> 00:47:17,119

and pathologists or or physical

1151

00:47:20,790 --> 00:47:18,640

anthropologists that did

1152

00:47:21,750 --> 00:47:20,800

did offer some sort of opinion yes they

1153

00:47:24,950 --> 00:47:21,760

were right

1154

00:47:28,069 --> 00:47:24,960

that this was they were

1155

00:47:30,069 --> 00:47:28,079

now phd's but former fellow graduate

1156

00:47:31,670 --> 00:47:30,079

students along with me at the university

1157

00:47:34,950 --> 00:47:31,680

of toronto

1158

00:47:36,870 --> 00:47:34,960

so i knew them and uh i knew that they

1159

00:47:39,109 --> 00:47:36,880

were physically anthropologists

1160

00:47:40,150 --> 00:47:39,119

one was a primatologist and the other

1161

00:47:43,510 --> 00:47:40,160

was a uh

1162

00:47:46,950 --> 00:47:43,520

geneticist and they offered me

1163

00:47:47,990 --> 00:47:46,960

uh opinions the the primatologist said

1164

00:47:50,870 --> 00:47:48,000

well

1165

00:47:51,270 --> 00:47:50,880

it's uh it's not a non-human primate

1166

00:47:57,190 --> 00:47:51,280

that's

1167

00:47:58,309 --> 00:47:57,200

uh she didn't know what what it was but

1168

00:48:01,349 --> 00:47:58,319

she said it's not

1169

00:48:01,670 --> 00:48:01,359

uh not human that's as far as she would

1170

00:48:05,190 --> 00:48:01,680

go

1171

00:48:07,510 --> 00:48:05,200

and the other one uh we used on the show

1172

00:48:09,510 --> 00:48:07,520

he still believes i mean i'm still in

1173

00:48:13,109 --> 00:48:09,520

touch with him he still believes

1174

00:48:17,109 --> 00:48:13,119

that it's from another planet because uh

1175

00:48:20,230 --> 00:48:17,119

he says the bone the bone uh

1176

00:48:21,109 --> 00:48:20,240

structure of it is there's a lot

1177

00:48:23,670 --> 00:48:21,119

different

1178

00:48:24,870 --> 00:48:23,680

than humans and he still believes that

1179

00:48:26,790 --> 00:48:24,880

but uh

1180

00:48:28,309 --> 00:48:26,800

well maybe it could be like a could it

1181

00:48:30,870 --> 00:48:28,319

be like a human

1182

00:48:33,030 --> 00:48:30,880

deformed human like this anacoma that

1183

00:48:34,390 --> 00:48:33,040

stephen greer was pushing for so long

1184

00:48:37,190 --> 00:48:34,400

right yeah the one

1185

00:48:37,589 --> 00:48:37,200

the one that got me was there was this

1186

00:48:41,910 --> 00:48:37,599

one

1187

00:48:45,829 --> 00:48:41,920

uh anthropologist he has a website

1188

00:48:49,430 --> 00:48:45,839

and his uh big pitch is if you have a

1189

00:48:51,829 --> 00:48:49,440

any any uh anthropological mysteries

1190

00:48:53,829 --> 00:48:51,839

is it please contact me i love

1191

00:48:55,430 --> 00:48:53,839

anthropological mystery

1192

00:48:57,990 --> 00:48:55,440

oh i heard to talk about this before

1193

00:49:00,470 --> 00:48:58,000

yeah so i called him up

1194

00:49:01,349 --> 00:49:00,480

and uh said oh yeah as soon as he heard

1195

00:49:03,910 --> 00:49:01,359

roswell

1196

00:49:05,750 --> 00:49:03,920

oh oh oh uncle uncle i'm heading over to

1197

00:49:07,510 --> 00:49:05,760

africa i'm going to be back and forth

1198

00:49:08,230 --> 00:49:07,520

between here and africa for the next

1199

00:49:11,670 --> 00:49:08,240

year so

1200

00:49:13,750 --> 00:49:11,680

i'm sorry i uh goodbye yeah he didn't

1201

00:49:16,470 --> 00:49:13,760

want to get involved yeah mr mystery

1202

00:49:17,750 --> 00:49:16,480

right yeah yeah what what an interesting

1203

00:49:20,870 --> 00:49:17,760

part of the

1204

00:49:22,710 --> 00:49:20,880

of the mythology right that this that

1205

00:49:23,030 --> 00:49:22,720

this whole event happened and i remember

1206

00:49:25,670 --> 00:49:23,040

like

1207

00:49:27,270 --> 00:49:25,680

everybody was was tuned into this

1208

00:49:29,349 --> 00:49:27,280

waiting to see what would happen

1209

00:49:31,190 --> 00:49:29,359

if the proof would would finally come

1210

00:49:31,990 --> 00:49:31,200

out and i remember there was talk of

1211

00:49:35,670 --> 00:49:32,000

like

1212

00:49:37,750 --> 00:49:35,680

uh finding it and you know getting dna

1213

00:49:38,470 --> 00:49:37,760

samples but nobody really knew where it

1214

00:49:40,549 --> 00:49:38,480

was because

1215

00:49:42,230 --> 00:49:40,559

all we had was the slides and it was a

1216

00:49:45,670 --> 00:49:42,240

big huge story

1217

00:49:46,549 --> 00:49:45,680

yeah well we uh we didn't have a slide

1218

00:49:50,069 --> 00:49:46,559

that you could

1219

00:49:52,950 --> 00:49:50,079

uh crack the crack that uh

1220

00:49:54,950 --> 00:49:52,960

placard that was the biggest problem

1221

00:49:56,950 --> 00:49:54,960

apparently somebody got a hold of it

1222

00:49:58,710 --> 00:49:56,960

i don't know how they did to be honest

1223

00:50:00,150 --> 00:49:58,720

with you steve i don't know how they got

1224

00:50:03,190 --> 00:50:00,160

a hold of it we didn't get

1225

00:50:05,510 --> 00:50:03,200

it wasn't given to us and uh you're

1226  
00:50:08,870 --> 00:50:05,520  
right somebody made some money on it

1227  
00:50:11,510 --> 00:50:08,880  
on the uh the video uh they had a big

1228  
00:50:12,549 --> 00:50:11,520  
uh you could stream it live live stream

1229  
00:50:15,030 --> 00:50:12,559  
it on your

1230  
00:50:15,589 --> 00:50:15,040  
computer yeah i think it was like twenty

1231  
00:50:21,430 --> 00:50:15,599  
dollars

1232  
00:50:23,109 --> 00:50:21,440  
and then they had it in multiple

1233  
00:50:25,510 --> 00:50:23,119  
languages even

1234  
00:50:26,950 --> 00:50:25,520  
for the international audience so yeah

1235  
00:50:27,910 --> 00:50:26,960  
you're right somebody made a ton of

1236  
00:50:32,309 --> 00:50:27,920  
money on this

1237  
00:50:34,790 --> 00:50:32,319  
on this it wasn't us

1238  
00:50:36,230 --> 00:50:34,800

yeah well let's let's see if we can move

1239

00:50:37,109 --> 00:50:36,240

on now because i have a whole bunch of

1240

00:50:39,190 --> 00:50:37,119

questions

1241

00:50:40,470 --> 00:50:39,200

left and i'd like to leave some time for

1242

00:50:42,790 --> 00:50:40,480

the live chat to

1243

00:50:44,870 --> 00:50:42,800

ask you some questions if you don't mind

1244

00:50:46,870 --> 00:50:44,880

i wanted to get into

1245

00:50:49,109 --> 00:50:46,880

cal and i have another big disagreement

1246

00:50:52,150 --> 00:50:49,119

and that is on the debris switch

1247

00:50:54,069 --> 00:50:52,160

because cal's the whole issue with the

1248

00:50:54,630 --> 00:50:54,079

debris switch is that stanton friedman

1249

00:50:56,630 --> 00:50:54,640

made that

1250

00:50:57,750 --> 00:50:56,640

up there was no debris switch and for

1251  
00:51:00,870 --> 00:50:57,760  
those unaware

1252  
00:51:03,670 --> 00:51:00,880  
those famous pictures of you know uh

1253  
00:51:04,150 --> 00:51:03,680  
people holding the debris and then you

1254  
00:51:06,549 --> 00:51:04,160  
know

1255  
00:51:07,670 --> 00:51:06,559  
uh okay it's just it's just weather

1256  
00:51:10,870 --> 00:51:07,680  
balloon debris

1257  
00:51:13,190 --> 00:51:10,880  
but later marcel said that marcel both

1258  
00:51:13,670 --> 00:51:13,200  
marcel and dubose both who were in the

1259  
00:51:15,190 --> 00:51:13,680  
room

1260  
00:51:17,030 --> 00:51:15,200  
at the time those famous pictures were

1261  
00:51:19,190 --> 00:51:17,040  
taken later said

1262  
00:51:20,549 --> 00:51:19,200  
that there was a debris switch the

1263  
00:51:21,670 --> 00:51:20,559

debris that they held up in those

1264

00:51:24,150 --> 00:51:21,680

pictures was not

1265

00:51:25,430 --> 00:51:24,160

the debris that they picked up from the

1266

00:51:27,109 --> 00:51:25,440

from the ranch

1267

00:51:29,430 --> 00:51:27,119

right can you talk a little bit about

1268

00:51:33,670 --> 00:51:29,440

the debris switch and what do you think

1269

00:51:35,990 --> 00:51:33,680

of mr corp's assertion or

1270

00:51:38,710 --> 00:51:36,000

that the debris switch was just made up

1271

00:51:41,829 --> 00:51:38,720

by stan freeman to sell books

1272

00:51:45,270 --> 00:51:41,839

no uh marcel

1273

00:51:48,470 --> 00:51:45,280

marcel and uh

1274

00:51:49,030 --> 00:51:48,480

friedman well it was uh berlin not for a

1275

00:51:52,069 --> 00:51:49,040

litter but

1276

00:51:54,630 --> 00:51:52,079

uh burlitz and moore he says

1277

00:51:57,030 --> 00:51:54,640

which he says it was switched his son

1278

00:51:59,190 --> 00:51:57,040

jesse jr

1279

00:52:00,309 --> 00:51:59,200

who we also interviewed said it was

1280

00:52:04,790 --> 00:52:00,319

switched

1281

00:52:07,270 --> 00:52:04,800

and jesse i never met jesse senior

1282

00:52:08,470 --> 00:52:07,280

uh i don't i don't know if don or kevin

1283

00:52:11,670 --> 00:52:08,480

did but i didn't

1284

00:52:15,670 --> 00:52:11,680

i never met uh jesse senior but his son

1285

00:52:17,589 --> 00:52:15,680

jesse jr he he held pieces of the debris

1286

00:52:18,230 --> 00:52:17,599

in his hand especially the i-beam with

1287

00:52:38,150 --> 00:52:18,240

the

1288

00:52:40,950 --> 00:52:38,160

with a car full of this debris that he

1289

00:52:45,030 --> 00:52:40,960

had picked up on the foster ranch

1290

00:52:47,430 --> 00:52:45,040

and so he showed his son and his wife uh

1291

00:52:52,630 --> 00:52:47,440

i can't pronounce her last day me via i

1292

00:52:56,150 --> 00:52:54,950

but he showed his wife and his son this

1293

00:52:58,710 --> 00:52:56,160

wreckage

1294

00:53:00,150 --> 00:52:58,720

and jesse jr who was a firsthand witness

1295

00:53:02,150 --> 00:53:00,160

to the record said it was

1296

00:53:04,470 --> 00:53:02,160

he'd never seen anything like it i mean

1297

00:53:05,510 --> 00:53:04,480

he was 11 years old at the time granted

1298

00:53:08,309 --> 00:53:05,520

but uh

1299

00:53:10,069 --> 00:53:08,319

he knew about aircraft and uh planes and

1300

00:53:11,910 --> 00:53:10,079

things like that

1301  
00:53:14,470 --> 00:53:11,920  
he said there was this one piece that

1302  
00:53:15,670 --> 00:53:14,480  
was it looked like an eye beam if you

1303  
00:53:18,630 --> 00:53:15,680  
looked at it sideways

1304  
00:53:20,630 --> 00:53:18,640  
it had all this funny writing on it and

1305  
00:53:23,910 --> 00:53:20,640  
uh he saw the wreckage

1306  
00:53:24,470 --> 00:53:23,920  
and it was not uh it was not a tin foil

1307  
00:53:28,470 --> 00:53:24,480  
like a

1308  
00:53:31,990 --> 00:53:28,480  
a ray wind target it was not a balloon

1309  
00:53:32,549 --> 00:53:32,000  
so uh you have him and his father saying

1310  
00:53:36,630 --> 00:53:32,559  
that

1311  
00:53:38,950 --> 00:53:36,640  
photographs

1312  
00:53:40,309 --> 00:53:38,960  
so i don't i don't know what i don't

1313  
00:53:42,950 --> 00:53:40,319

know what uh

1314

00:53:43,589 --> 00:53:42,960

whoever's talking about that is saying

1315

00:53:45,109 --> 00:53:43,599

yeah and

1316

00:53:46,710 --> 00:53:45,119

one of the other things about those

1317

00:53:49,910 --> 00:53:46,720

pictures those famous pictures

1318

00:53:52,230 --> 00:53:49,920

is the the so-called raimi memo

1319

00:53:53,589 --> 00:53:52,240

you know he's holding uh he's holding up

1320

00:53:54,470 --> 00:53:53,599

can you tell us a little bit about that

1321

00:53:58,150 --> 00:53:54,480

and what are your

1322

00:54:01,829 --> 00:53:58,160

thoughts on on whether or not that memo

1323

00:54:03,910 --> 00:54:01,839

says bodies and and recovered

1324

00:54:04,950 --> 00:54:03,920

saucer and things like that do you think

1325

00:54:06,710 --> 00:54:04,960

that that is

1326

00:54:08,829 --> 00:54:06,720

really good evidence or do you think

1327

00:54:12,150 --> 00:54:08,839

that people are reading into

1328

00:54:14,230 --> 00:54:12,160

that just before i get to that stephen i

1329

00:54:17,430 --> 00:54:14,240

want to finish with this uh

1330

00:54:19,990 --> 00:54:17,440

certainly certainly uh there's a

1331

00:54:21,270 --> 00:54:20,000

another uh somebody another

1332

00:54:24,390 --> 00:54:21,280

investigators

1333

00:54:25,589 --> 00:54:24,400

trying to make a big issue out of the

1334

00:54:29,829 --> 00:54:25,599

so-called you know what the

1335

00:54:31,750 --> 00:54:29,839

the concept of chain of custody is sure

1336

00:54:33,589 --> 00:54:31,760

you know you're like you have a you have

1337

00:54:35,990 --> 00:54:33,599

a murder weapon

1338

00:54:37,270 --> 00:54:36,000

in a criminal case what's the chain of

1339

00:54:40,630 --> 00:54:37,280

custody

1340

00:54:43,750 --> 00:54:40,640

who who who had access to that

1341

00:54:46,069 --> 00:54:43,760

murder weapon by the time he got there

1342

00:54:48,549 --> 00:54:46,079

so they're trying to say that because

1343

00:54:52,069 --> 00:54:48,559

jesse marcel

1344

00:54:55,829 --> 00:54:52,079

stopped at his home on the way back

1345

00:54:59,190 --> 00:54:55,839

to the base with that wreckage well

1346

00:55:02,710 --> 00:54:59,200

it it broke the chain of custody oh wow

1347

00:55:04,549 --> 00:55:02,720

jeez be still my heart uh back uh

1348

00:55:06,230 --> 00:55:04,559

back there that chick the concept of

1349

00:55:08,870 --> 00:55:06,240

chain of custody is a recent

1350

00:55:10,309 --> 00:55:08,880

legal doctrine jesse marcel didn't know

1351

00:55:12,549 --> 00:55:10,319

anything about a so-called

1352

00:55:13,750 --> 00:55:12,559

chain of custody doctrine yeah not

1353

00:55:16,789 --> 00:55:13,760

unfortunately

1354

00:55:18,630 --> 00:55:16,799

sure he wanted to show his family

1355

00:55:20,069 --> 00:55:18,640

something that they had never seen

1356

00:55:23,589 --> 00:55:20,079

before and we'll probably never

1357

00:55:25,589 --> 00:55:23,599

see again and besides

1358

00:55:27,270 --> 00:55:25,599

legally today you would say oh yeah he

1359

00:55:29,109 --> 00:55:27,280

did break the chain of custody because

1360

00:55:31,190 --> 00:55:29,119

he didn't come straight back to the base

1361

00:55:33,270 --> 00:55:31,200

he stopped at home first oh so what did

1362

00:55:35,270 --> 00:55:33,280

he do he what did he do change it

1363

00:55:37,190 --> 00:55:35,280

a weather balloon into a piece of a

1364

00:55:38,789 --> 00:55:37,200

spaceship is that what you're saying

1365

00:55:40,950 --> 00:55:38,799

yeah it doesn't make any sense it

1366

00:55:44,069 --> 00:55:40,960

doesn't make any sense and also

1367

00:55:47,270 --> 00:55:44,079

uh you have a whole field a whole

1368

00:55:48,789 --> 00:55:47,280

sheet pasture full of the wreckage out

1369

00:55:51,349 --> 00:55:48,799

there this is only a small

1370

00:55:51,910 --> 00:55:51,359

portion of the wreckage you have a whole

1371

00:55:54,470 --> 00:55:51,920

three

1372

00:55:57,109 --> 00:55:54,480

crash sites full of wreckage that we do

1373

00:55:59,589 --> 00:55:57,119

know the chain of custody so

1374

00:56:00,549 --> 00:55:59,599

we can take we could take marcel out of

1375

00:56:04,549 --> 00:56:00,559

the picture

1376

00:56:07,030 --> 00:56:04,559

and we still have a the the roswell case

1377

00:56:08,549 --> 00:56:07,040

it's it's absolutely silly who's ever

1378

00:56:12,069 --> 00:56:08,559

making that

1379

00:56:13,990 --> 00:56:12,079

that uh argument absolutely just

1380

00:56:15,349 --> 00:56:14,000

just one more point on the debris you

1381

00:56:17,430 --> 00:56:15,359

know these

1382

00:56:19,109 --> 00:56:17,440

marcel was an art he was army

1383

00:56:19,510 --> 00:56:19,119

intelligence he would have been familiar

1384

00:56:22,309 --> 00:56:19,520

with

1385

00:56:23,109 --> 00:56:22,319

weather balloons and things so yeah he

1386

00:56:26,710 --> 00:56:23,119

knew

1387

00:56:29,030 --> 00:56:26,720

targets especially

1388

00:56:30,150 --> 00:56:29,040

he knew them all he's not going to make

1389

00:56:32,950 --> 00:56:30,160

a mistake

1390

00:56:33,670 --> 00:56:32,960

of uh confusing a ray wind weather

1391

00:56:35,829 --> 00:56:33,680

target

1392

00:56:37,829 --> 00:56:35,839

with a spaceship that traveled from

1393

00:56:39,670 --> 00:56:37,839

another planet uh that

1394

00:56:41,030 --> 00:56:39,680

yeah he famously said the thing the

1395

00:56:43,030 --> 00:56:41,040

material that i saw

1396

00:56:44,150 --> 00:56:43,040

was not of this earth that's what he

1397

00:56:46,230 --> 00:56:44,160

said that's right

1398

00:56:48,230 --> 00:56:46,240

he said that impressed with it he said

1399

00:56:51,109 --> 00:56:48,240

it came to earth but it was not

1400

00:56:51,750 --> 00:56:51,119

from this earth it was from another

1401

00:56:55,190 --> 00:56:51,760

planet

1402

00:56:58,549 --> 00:56:55,200

uh something like that yeah so he

1403

00:57:01,109 --> 00:56:58,559

he knew when he stopped at home

1404

00:57:02,870 --> 00:57:01,119

on his way back to the base his son said

1405

00:57:05,990 --> 00:57:02,880

he was already talking

1406

00:57:07,750 --> 00:57:06,000

about it as pieces of a flying saucer he

1407

00:57:11,430 --> 00:57:07,760

was already talking about it

1408

00:57:14,470 --> 00:57:11,440

even before he got back to the base

1409

00:57:16,309 --> 00:57:14,480

wow yeah so and then on to the raimi

1410

00:57:18,390 --> 00:57:16,319

memo because a lot has been oh yeah

1411

00:57:19,349 --> 00:57:18,400

has been said about the rainy memo and

1412

00:57:21,430 --> 00:57:19,359

for those that don't know

1413

00:57:23,510 --> 00:57:21,440

in the in the famous pictures that were

1414

00:57:26,710 --> 00:57:23,520

taken of the roswell debris

1415

00:57:30,150 --> 00:57:26,720

uh there's he's holding a

1416

00:57:32,390 --> 00:57:30,160

uh a piece a sheet of paper and

1417

00:57:33,990 --> 00:57:32,400

uh a lot of people have claimed that

1418

00:57:36,710 --> 00:57:34,000

they were able to decipher

1419

00:57:37,750 --> 00:57:36,720

exactly what is on that piece of paper

1420

00:57:41,190 --> 00:57:37,760

and it talked about

1421

00:57:42,069 --> 00:57:41,200

recovering alien bodies and a crashed

1422

00:57:43,829 --> 00:57:42,079

saucer

1423

00:57:45,750 --> 00:57:43,839

what do you think of the validity of

1424

00:57:46,789 --> 00:57:45,760

that as evidence and do you think that

1425

00:57:49,030 --> 00:57:46,799

that

1426

00:57:50,470 --> 00:57:49,040

case will ever be cracked with better

1427

00:57:54,069 --> 00:57:50,480

energy software

1428

00:57:55,750 --> 00:57:54,079

i could tell you firsthand uh this is

1429

00:57:58,549 --> 00:57:55,760

even before i heard of

1430

00:58:00,069 --> 00:57:58,559

david rudiak who did most of the work on

1431

00:58:05,190 --> 00:58:00,079

this

1432

00:58:12,789 --> 00:58:08,789

stanton friedman had gone to

1433

00:58:17,430 --> 00:58:12,799

the uh bettman archives at the

1434

00:58:21,109 --> 00:58:17,440

um uh oh i forget the uh

1435

00:58:24,230 --> 00:58:21,119

where the the images are stored the

1436

00:58:26,870 --> 00:58:24,240

university of texas at arlington

1437

00:58:28,950 --> 00:58:26,880

archives that's where the photo images

1438

00:58:32,870 --> 00:58:28,960

are stored and he had a

1439

00:58:36,069 --> 00:58:32,880

he had the photo in question

1440

00:58:40,710 --> 00:58:36,079

photographed and he made

1441

00:58:43,990 --> 00:58:40,720

a uh cd disc out of it

1442

00:58:48,829 --> 00:58:44,000

uh dvd or cd i

1443

00:58:51,829 --> 00:58:48,839

you know with images of the of the uh

1444

00:58:54,069 --> 00:58:51,839

memo so i called up stan i said the

1445

00:58:55,829 --> 00:58:54,079

you know uh i'm good for the money i'll

1446

00:58:57,109 --> 00:58:55,839

send you he was selling it for 25

1447

00:58:58,870 --> 00:58:57,119

dollars i said

1448

00:59:01,750 --> 00:58:58,880

send it to me and the check is in the

1449

00:59:04,630 --> 00:59:01,760

mail so the stand sent me a

1450

00:59:07,109 --> 00:59:04,640

yeah i got one of those too yeah so here

1451

00:59:10,069 --> 00:59:07,119

i have it on a shelf over here

1452

00:59:10,470 --> 00:59:10,079

i do before he died i i got to interview

1453

00:59:12,710 --> 00:59:10,480

him

1454

00:59:14,230 --> 00:59:12,720

about a year ago two years before he

1455

00:59:15,430 --> 00:59:14,240

died and one of the things we talked

1456

00:59:17,750 --> 00:59:15,440

about off air

1457

00:59:19,589 --> 00:59:17,760

was that was that high quality scan and

1458

00:59:20,950 --> 00:59:19,599

i said i'm a computer science guy

1459

00:59:22,390 --> 00:59:20,960

send it to me i might be able to get

1460

00:59:23,670 --> 00:59:22,400

something out of it i wasn't able to do

1461

00:59:26,549 --> 00:59:23,680

any better than mr

1462

00:59:28,069 --> 00:59:26,559

what was rudiac right here's here's what

1463

00:59:30,710 --> 00:59:28,079

happened to me

1464

00:59:32,309 --> 00:59:30,720

so i had not heard of david rudiak i

1465

00:59:33,030 --> 00:59:32,319

didn't know what the i didn't know what

1466

00:59:37,910 --> 00:59:33,040

the

1467

00:59:46,230 --> 00:59:42,069

at um so i put it in my computer

1468

00:59:48,549 --> 00:59:46,240

and within 10 seconds stephen i read

1469

00:59:50,230 --> 00:59:48,559

the victims of the wreck you forwarded

1470

00:59:52,630 --> 00:59:50,240

to and then raymie's thumb

1471

00:59:54,710 --> 00:59:52,640

is in the picture at fort worth texas

1472

00:59:57,349 --> 00:59:54,720

within 10 seconds i read

1473

00:59:58,470 --> 00:59:57,359

the victims of the wreck you forwarded

1474

01:00:02,150 --> 00:59:58,480

to

1475

01:00:04,390 --> 01:00:02,160

fort worth texas that's no lie

1476  
01:00:06,870 --> 01:00:04,400  
and other words that i could uh looking

1477  
01:00:09,430 --> 01:00:06,880  
down i i read

1478  
01:00:11,829 --> 01:00:09,440  
i could read meaning of the story i

1479  
01:00:14,230 --> 01:00:11,839  
could read meaning of the story

1480  
01:00:15,510 --> 01:00:14,240  
and i could also read whether balloons

1481  
01:00:18,549 --> 01:00:15,520  
would bake

1482  
01:00:22,710 --> 01:00:18,559  
or whether balloons would fare and

1483  
01:00:26,470 --> 01:00:22,720  
something and the last sentence was uh

1484  
01:00:29,670 --> 01:00:26,480  
uh cr uh cruz something cruz

1485  
01:00:32,950 --> 01:00:29,680  
work crews demo crews something about

1486  
01:00:35,670 --> 01:00:32,960  
uh cruise and uh oh

1487  
01:00:36,870 --> 01:00:35,680  
i could also see the word something in

1488  
01:00:40,069 --> 01:00:36,880

or on the disk

1489

01:00:41,109 --> 01:00:40,079

the word disk was in quote quotation

1490

01:00:44,710 --> 01:00:41,119

marks

1491

01:00:46,069 --> 01:00:44,720

so that's what i could read and uh david

1492

01:00:49,190 --> 01:00:46,079

rudiak who's a uh

1493

01:00:51,430 --> 01:00:49,200

doctor of optometry yeah

1494

01:00:52,870 --> 01:00:51,440

he's got he's got a better uh he's got a

1495

01:00:55,750 --> 01:00:52,880

better resume than me

1496

01:00:57,270 --> 01:00:55,760

but i still thought i'd give it a shot i

1497

01:00:59,270 --> 01:00:57,280

did and i wasn't able to do

1498

01:01:01,190 --> 01:00:59,280

any better but i probably did worse than

1499

01:01:03,829 --> 01:01:01,200

him

1500

01:01:04,870 --> 01:01:03,839

david rudiak was able to get more out of

1501

01:01:07,990 --> 01:01:04,880

it because he worked

1502

01:01:11,589 --> 01:01:08,000

fee you know feverishly on it and he

1503

01:01:14,470 --> 01:01:11,599

was able to translate more of it and

1504

01:01:17,349 --> 01:01:14,480

what it's talking about it's uh talking

1505

01:01:22,390 --> 01:01:17,359

about a second site

1506

01:01:26,150 --> 01:01:22,400

uh it's talking about uh having

1507

01:01:29,670 --> 01:01:26,160

ray win demonstrations and they did the

1508

01:01:30,710 --> 01:01:29,680

the on july starting on july 10 they had

1509

01:01:33,109 --> 01:01:30,720

the uh

1510

01:01:34,950 --> 01:01:33,119

army air corps do or the army do these

1511

01:01:37,510 --> 01:01:34,960

demonstrations of these

1512

01:01:38,230 --> 01:01:37,520

weather balloons attached to a radar

1513

01:01:40,789 --> 01:01:38,240

target

1514

01:01:43,030 --> 01:01:40,799

to sort of prove the press release that

1515

01:01:47,109 --> 01:01:43,040

it wasn't a spaceship but a

1516

01:01:53,589 --> 01:01:51,030

tinfoil target so it talks about having

1517

01:01:55,750 --> 01:01:53,599

ray wind demonstration crews that's what

1518

01:01:58,069 --> 01:01:55,760

it was doing

1519

01:01:59,829 --> 01:01:58,079

and uh for the next couple days they had

1520

01:02:00,950 --> 01:01:59,839

these demonstrations all over the

1521

01:02:04,549 --> 01:02:00,960

country

1522

01:02:07,270 --> 01:02:04,559

with these uh mobile uh

1523

01:02:07,589 --> 01:02:07,280

launches of the the weather balloon and

1524

01:02:10,549 --> 01:02:07,599

the

1525

01:02:13,349 --> 01:02:10,559

radar target so uh hats off to david

1526

01:02:15,990 --> 01:02:13,359

rudiak he did the most work on this

1527

01:02:17,589 --> 01:02:16,000

and uh apparently i've heard i heard

1528

01:02:19,990 --> 01:02:17,599

critics just say well they're people are

1529

01:02:21,670 --> 01:02:20,000

reading whatever they want but i mean

1530

01:02:23,109 --> 01:02:21,680

it seems to me it seems to me to be a

1531

01:02:26,390 --> 01:02:23,119

very scientific

1532

01:02:28,950 --> 01:02:26,400

analysis of this memo from a super high

1533

01:02:30,309 --> 01:02:28,960

quality scan that stan freeman got from

1534

01:02:32,950 --> 01:02:30,319

the original archive

1535

01:02:34,150 --> 01:02:32,960

from the original negatives of the photo

1536

01:02:38,150 --> 01:02:34,160

the super high quality

1537

01:02:40,150 --> 01:02:38,160

scan of the photo so they got the most

1538

01:02:41,829 --> 01:02:40,160

high quality image that they could and

1539

01:02:45,270 --> 01:02:41,839

then it was scientifically

1540

01:02:46,309 --> 01:02:45,280

analyzed when i looked at it the first

1541

01:02:49,349 --> 01:02:46,319

time i had no

1542

01:02:50,950 --> 01:02:49,359

pre preconception of what it was going

1543

01:02:54,630 --> 01:02:50,960

to say

1544

01:02:58,069 --> 01:02:54,640

well you have to uh uh

1545

01:03:01,589 --> 01:02:58,079

think of the circumstances it's he's

1546

01:03:04,789 --> 01:03:01,599

holding the memo in his hand

1547

01:03:07,430 --> 01:03:04,799

at a press conference that's

1548

01:03:09,670 --> 01:03:07,440

that's going to take away it's going to

1549

01:03:13,270 --> 01:03:09,680

explain away

1550

01:03:17,270 --> 01:03:13,280

ufo or flying saucer crash wreckage as

1551

01:03:20,870 --> 01:03:17,280

a ray wind weather balloon target

1552

01:03:24,309 --> 01:03:20,880

so that he has that in his hand and

1553

01:03:26,950 --> 01:03:24,319

there were seven photographs taken

1554

01:03:28,069 --> 01:03:26,960

six of them of uh let's see two of them

1555

01:03:35,510 --> 01:03:28,079

of

1556

01:03:38,150 --> 01:03:35,520

with his uh

1557

01:03:39,270 --> 01:03:38,160

adjutant uh thomas jefferson dubose

1558

01:03:42,069 --> 01:03:39,280

dubose yeah

1559

01:03:44,630 --> 01:03:42,079

and one with uh the weather guy uh

1560

01:03:47,270 --> 01:03:44,640

irving newton who he called in

1561

01:03:47,910 --> 01:03:47,280

but between those seven photos you could

1562

01:03:51,029 --> 01:03:47,920

tell

1563

01:03:52,470 --> 01:03:51,039

what the sequence of the photos and what

1564

01:03:55,750 --> 01:03:52,480

sequence they were taking

1565

01:03:59,109 --> 01:03:55,760

by the memo in his hand because

1566

01:03:59,750 --> 01:03:59,119

the the first uh photo in the sequence

1567

01:04:02,390 --> 01:03:59,760

he's just

1568

01:04:03,270 --> 01:04:02,400

received the memo it's only folded over

1569

01:04:06,150 --> 01:04:03,280

once

1570

01:04:07,670 --> 01:04:06,160

but in that final photo that shows the

1571

01:04:11,829 --> 01:04:07,680

uh

1572

01:04:13,029 --> 01:04:11,839

you can see it's been photo folded

1573

01:04:15,589 --> 01:04:13,039

several times

1574

01:04:16,549 --> 01:04:15,599

so that's the final photo he's trying to

1575

01:04:19,029 --> 01:04:16,559

grab

1576

01:04:19,829 --> 01:04:19,039

a look at it what it's saying between

1577

01:04:22,390 --> 01:04:19,839

shots

1578

01:04:24,069 --> 01:04:22,400

and that's what happened yeah and it's

1579

01:04:25,670 --> 01:04:24,079

very tantalizing because some of the

1580

01:04:27,589 --> 01:04:25,680

even some of these images i mean

1581

01:04:28,710 --> 01:04:27,599

it looks like you can almost read it and

1582

01:04:32,230 --> 01:04:28,720

these are like

1583

01:04:34,470 --> 01:04:32,240

you know the problem stephen is that

1584

01:04:36,069 --> 01:04:34,480

uh if you enlarge it you're also

1585

01:04:39,510 --> 01:04:36,079

enlarging the green

1586

01:04:42,870 --> 01:04:39,520

the green the photo was taken from about

1587

01:04:43,670 --> 01:04:42,880

15 feet away i would say 10 to 15 feet

1588

01:04:45,829 --> 01:04:43,680

away

1589

01:04:47,349 --> 01:04:45,839

and it's a little you know a little

1590

01:04:51,190 --> 01:04:47,359

telex or

1591

01:04:53,029 --> 01:04:51,200

memorandum yeah you have to

1592

01:04:54,950 --> 01:04:53,039

you have to keep enlarging it and when

1593

01:04:57,990 --> 01:04:54,960

you do that you also enlarge

1594

01:04:59,589 --> 01:04:58,000

the distortion in the grain so it's

1595

01:05:01,829 --> 01:04:59,599

pretty much what we're going to get out

1596

01:05:03,829 --> 01:05:01,839

of it well do you think though that like

1597

01:05:06,710 --> 01:05:03,839

maybe in 10 or 20 years when

1598

01:05:08,549 --> 01:05:06,720

photo image analysis software gets

1599

01:05:09,589 --> 01:05:08,559

better that we might be able to get more

1600

01:05:11,829 --> 01:05:09,599

out of it or do you have

1601  
01:05:13,750 --> 01:05:11,839  
gotten it all i hope so i hope it's

1602  
01:05:15,510 --> 01:05:13,760  
sooner than that

1603  
01:05:17,029 --> 01:05:15,520  
yeah it just always seems so tantalizing

1604  
01:05:17,670 --> 01:05:17,039  
because here we just see this image and

1605  
01:05:20,069 --> 01:05:17,680  
it looks

1606  
01:05:22,549 --> 01:05:20,079  
even in this image which is just like a

1607  
01:05:23,829 --> 01:05:22,559  
crop of the original photo it looks like

1608  
01:05:25,670 --> 01:05:23,839  
you can almost read it

1609  
01:05:28,230 --> 01:05:25,680  
right it really does look like you can

1610  
01:05:30,630 --> 01:05:28,240  
almost read it i've tried it for over

1611  
01:05:33,190 --> 01:05:30,640  
let's see i i forget what year i got it

1612  
01:05:35,990 --> 01:05:33,200  
but it seems like i've been trying for

1613  
01:05:37,750 --> 01:05:36,000

20 years okay maybe today i'll learn

1614

01:05:41,190 --> 01:05:37,760

i'll be able to see more but it

1615

01:05:43,349 --> 01:05:41,200

it never happens all right

1616

01:05:44,710 --> 01:05:43,359

i get a better if not unless i get a

1617

01:05:47,510 --> 01:05:44,720

better photo

1618

01:05:49,430 --> 01:05:47,520

package sure and i guess moving on i

1619

01:05:50,470 --> 01:05:49,440

wanted to discuss the multiple crash

1620

01:05:51,990 --> 01:05:50,480

sites because

1621

01:05:53,910 --> 01:05:52,000

there seems to be some debate even

1622

01:05:57,270 --> 01:05:53,920

amongst researchers that are pro

1623

01:05:58,390 --> 01:05:57,280

the alien hypothesis uh some people

1624

01:06:00,470 --> 01:05:58,400

believe that these

1625

01:06:02,309 --> 01:06:00,480

additional crash sites were tacked on

1626

01:06:03,990 --> 01:06:02,319

after the actual event

1627

01:06:06,150 --> 01:06:04,000

and and that there was really only one

1628

01:06:07,750 --> 01:06:06,160

crash site some people say there was

1629

01:06:09,430 --> 01:06:07,760

a lot of people say there was two and

1630

01:06:09,990 --> 01:06:09,440

i've heard some people say no there was

1631

01:06:12,789 --> 01:06:10,000

three

1632

01:06:14,549 --> 01:06:12,799

different crash or debris sites can you

1633

01:06:17,109 --> 01:06:14,559

talk a little bit about

1634

01:06:18,870 --> 01:06:17,119

the sequence of events that led to the

1635

01:06:23,029 --> 01:06:18,880

multiple

1636

01:06:26,349 --> 01:06:23,039

crash sites if you believe there was yes

1637

01:06:30,150 --> 01:06:26,359

when i first got started on the case of

1638

01:06:37,430 --> 01:06:33,589

uh the the the only book out

1639

01:06:42,630 --> 01:06:37,440

at that time was the roswell incident by

1640

01:06:44,470 --> 01:06:42,640

uh charles burlitz and william moore

1641

01:06:46,069 --> 01:06:44,480

that was the only book out stanton

1642

01:06:49,029 --> 01:06:46,079

friedman work

1643

01:06:50,870 --> 01:06:49,039

did the investigation with moore berlitz

1644

01:06:52,470 --> 01:06:50,880

had the big name because he had just

1645

01:06:53,589 --> 01:06:52,480

written a book about the bermuda

1646

01:06:56,150 --> 01:06:53,599

triangle

1647

01:06:58,829 --> 01:06:56,160

which was a big seller so that's how

1648

01:07:02,630 --> 01:06:58,839

they put his name on the book

1649

01:07:05,990 --> 01:07:02,640

um but in the roswell incident

1650

01:07:08,390 --> 01:07:06,000

they have the mac razzle story

1651

01:07:11,349 --> 01:07:08,400

with that one debris we call it the

1652

01:07:15,109 --> 01:07:11,359

debris field site

1653

01:07:18,230 --> 01:07:15,119

up uh 33 miles southeast of corona

1654

01:07:21,589 --> 01:07:18,240

new mexico that's where the ship

1655

01:07:24,710 --> 01:07:21,599

exploded in the air and all this uh

1656

01:07:28,069 --> 01:07:24,720

debris came floating down on the evening

1657

01:07:30,150 --> 01:07:28,079

of july the second 1947.

1658

01:07:32,789 --> 01:07:30,160

that's that's the first site that

1659

01:07:36,870 --> 01:07:32,799

anybody knew about

1660

01:07:39,670 --> 01:07:36,880

and uh so uh

1661

01:07:42,549 --> 01:07:39,680

moore and friedman that you know that

1662

01:07:45,109 --> 01:07:42,559

they had heard stories about bodies

1663

01:07:45,589 --> 01:07:45,119

but there were no bodies at that site it

1664

01:07:49,270 --> 01:07:45,599

just

1665

01:07:52,309 --> 01:07:49,280

physical wreckage the only body site

1666

01:07:55,109 --> 01:07:52,319

circulating at that time was a story by

1667

01:07:58,470 --> 01:07:55,119

a soil conservation engineer

1668

01:08:03,829 --> 01:07:58,480

by the name of barney barnett who

1669

01:08:07,190 --> 01:08:03,839

uh worked out of office in socorro

1670

01:08:10,069 --> 01:08:07,200

new mexico and his story was that

1671

01:08:11,589 --> 01:08:10,079

when one he was coming home from battle

1672

01:08:14,390 --> 01:08:11,599

new mexico

1673

01:08:16,390 --> 01:08:14,400

one day and something caught his eye out

1674

01:08:18,870 --> 01:08:16,400

in the desert

1675

01:08:21,269 --> 01:08:18,880

and so he went out to investigate and it

1676

01:08:25,030 --> 01:08:21,279

was a crashed flying saucer

1677

01:08:28,309 --> 01:08:25,040

with a couple with alien bodies

1678

01:08:31,510 --> 01:08:28,319

strewn about and uh

1679

01:08:34,229 --> 01:08:31,520

it was on the plains of san agustin

1680

01:08:35,910 --> 01:08:34,239

and uh that was the only body story

1681

01:08:38,390 --> 01:08:35,920

going around so

1682

01:08:39,269 --> 01:08:38,400

friedman and moore attacked that that

1683

01:08:43,829 --> 01:08:39,279

barney barnett

1684

01:08:46,950 --> 01:08:43,839

story on to the roswell story

1685

01:08:50,470 --> 01:08:46,960

and uh the that site is 150 miles

1686

01:08:53,990 --> 01:08:50,480

west of the corona site

1687

01:08:56,950 --> 01:08:54,000

so when i uh entered the case

1688

01:08:58,390 --> 01:08:56,960

uh randall and schmidt had already

1689

01:09:01,990 --> 01:08:58,400

pretty much

1690

01:09:04,070 --> 01:09:02,000

dismissed the corona the

1691

01:09:05,110 --> 01:09:04,080

the socorro site plays the same

1692

01:09:07,110 --> 01:09:05,120

augustine

1693

01:09:08,709 --> 01:09:07,120

as having anything to do with the

1694

01:09:10,709 --> 01:09:08,719

roswell site because

1695

01:09:12,149 --> 01:09:10,719

there was only the one witness barney

1696

01:09:15,910 --> 01:09:12,159

barnett there were

1697

01:09:18,550 --> 01:09:15,920

no other witnesses military or civilian

1698

01:09:20,950 --> 01:09:18,560

uh blah blah blah nothing nothing to go

1699

01:09:22,630 --> 01:09:20,960

on just that the one story from barney

1700

01:09:26,470 --> 01:09:22,640

barnett

1701

01:09:29,110 --> 01:09:26,480

and uh they had they had had

1702

01:09:29,669 --> 01:09:29,120

witnesses telling randall and schmidt of

1703

01:09:33,110 --> 01:09:29,679

another

1704

01:09:36,309 --> 01:09:33,120

site closer to roswell

1705

01:09:38,870 --> 01:09:36,319

well they discovered a site

1706

01:09:39,349 --> 01:09:38,880

through one of the children who were

1707

01:09:41,590 --> 01:09:39,359

with

1708

01:09:43,349 --> 01:09:41,600

uh mac brazil the morning that he

1709

01:09:46,390 --> 01:09:43,359

discovered the debris field site

1710

01:09:49,590 --> 01:09:46,400

his name was timothy d procter that

1711

01:09:51,990 --> 01:09:49,600

there was a secondary site

1712

01:09:53,669 --> 01:09:52,000

two and a half miles east of the debris

1713

01:09:55,990 --> 01:09:53,679

field site

1714

01:09:57,590 --> 01:09:56,000

and he was uh he he was with mack

1715

01:10:01,270 --> 01:09:57,600

browser when they found it

1716

01:10:04,149 --> 01:10:01,280

and at that site he told his mother and

1717

01:10:07,910 --> 01:10:04,159

we got the story from his mother

1718

01:10:11,350 --> 01:10:07,920

here's where mac found something else

1719

01:10:14,950 --> 01:10:11,360

it was a low bluff

1720

01:10:16,870 --> 01:10:14,960

and uh he took his mother out there when

1721

01:10:18,870 --> 01:10:16,880

she was doing her secret he

1722

01:10:21,189 --> 01:10:18,880

he thought she was on her deathbed but

1723

01:10:23,189 --> 01:10:21,199

he was so determined to show her this

1724

01:10:25,110 --> 01:10:23,199

like

1725

01:10:26,950 --> 01:10:25,120

before she passed away well she didn't

1726

01:10:27,350 --> 01:10:26,960

she only passed away many years later

1727

01:10:29,750 --> 01:10:27,360

but

1728

01:10:31,910 --> 01:10:29,760

he plopped her in his pickup truck and

1729

01:10:33,750 --> 01:10:31,920

out into the desert they go

1730

01:10:35,350 --> 01:10:33,760

and he took her to this low bluff two

1731

01:10:37,430 --> 01:10:35,360

and a half miles east of the debris

1732

01:10:40,630 --> 01:10:37,440

field site and he said mom

1733

01:10:44,470 --> 01:10:40,640

this is where mac found something

1734

01:10:47,669 --> 01:10:44,480

else now that's something else was not

1735

01:10:49,830 --> 01:10:47,679

wreckage it was two bodies

1736

01:10:51,910 --> 01:10:49,840

it was two bodies that when the ship

1737

01:10:55,270 --> 01:10:51,920

exploded

1738

01:10:58,390 --> 01:10:55,280

these two the two uh aliens

1739

01:11:02,070 --> 01:10:58,400

were thrown out and they came to rest

1740

01:11:02,790 --> 01:11:02,080

on this low bluff and that's the second

1741

01:11:05,910 --> 01:11:02,800

sight

1742

01:11:08,470 --> 01:11:05,920

we call it the deep proctor body site

1743

01:11:10,550 --> 01:11:08,480

he wouldn't he wouldn't take his

1744

01:11:11,189 --> 01:11:10,560

deathbed mother out this show or another

1745

01:11:13,350 --> 01:11:11,199

site well

1746

01:11:14,229 --> 01:11:13,360

here's where matt matt found some more

1747

01:11:16,229 --> 01:11:14,239

wreckage i mean

1748

01:11:17,750 --> 01:11:16,239

there was so much wreckage in the debris

1749

01:11:19,830 --> 01:11:17,760

field site i mean

1750

01:11:20,790 --> 01:11:19,840

it just wasn't it wasn't anything that

1751

01:11:25,350 --> 01:11:20,800

he would do that

1752

01:11:27,510 --> 01:11:25,360

so uh it was two bodies

1753

01:11:29,030 --> 01:11:27,520

so that's the second site two and a half

1754

01:11:32,310 --> 01:11:29,040

miles east

1755

01:11:34,630 --> 01:11:32,320

of the debris field site well we had a

1756

01:11:36,149 --> 01:11:34,640

number of witnesses telling us about a

1757

01:11:38,550 --> 01:11:36,159

third site

1758

01:11:40,070 --> 01:11:38,560

we call it if there's clean crashes

1759

01:11:41,030 --> 01:11:40,080

don't isn't there when there's plane

1760

01:11:43,590 --> 01:11:41,040

crashes you could

1761

01:11:45,189 --> 01:11:43,600

find bodies miles away from the main

1762

01:11:48,070 --> 01:11:45,199

debris site or

1763

01:11:49,669 --> 01:11:48,080

i would think so right well it's only

1764

01:11:52,870 --> 01:11:49,679

two and a half miles

1765

01:11:56,630 --> 01:11:52,880

i mean the thing exploded

1766

01:12:00,149 --> 01:11:56,640

and uh the thing was that

1767

01:12:03,430 --> 01:12:00,159

the inner cabin of the ship

1768

01:12:07,270 --> 01:12:03,440

or an escape pod of some sort

1769

01:12:09,510 --> 01:12:07,280

withstood the blast

1770

01:12:11,350 --> 01:12:09,520

there was another there was a there was

1771

01:12:13,430 --> 01:12:11,360

a capsule inside

1772

01:12:15,350 --> 01:12:13,440

where there was the inner cabin or so

1773

01:12:18,709 --> 01:12:15,360

something was able it was

1774

01:12:21,510 --> 01:12:18,719

it was egg-shaped it was able to

1775

01:12:25,430 --> 01:12:21,520

withstand the blast that continued on

1776

01:12:29,350 --> 01:12:25,440

for another 30 miles and came to rest

1777

01:12:32,470 --> 01:12:29,360

32 miles north northwest of roswell now

1778

01:12:36,630 --> 01:12:32,480

apparently these two creatures or aliens

1779

01:12:38,790 --> 01:12:36,640

were not inside this this capsule

1780

01:12:40,070 --> 01:12:38,800

at the time and we're outside of it and

1781

01:12:43,189 --> 01:12:40,080

we're blown out

1782

01:12:46,709 --> 01:12:43,199

and they came to rest down on this uh

1783

01:12:47,669 --> 01:12:46,719

this uh low bluff we had another witness

1784

01:12:49,910 --> 01:12:47,679

who told about

1785

01:12:51,030 --> 01:12:49,920

told about that site and seeing the

1786

01:12:53,270 --> 01:12:51,040

bodies

1787

01:12:54,070 --> 01:12:53,280

there's a second witness besides deep

1788

01:12:57,110 --> 01:12:54,080

proctor

1789

01:12:58,149 --> 01:12:57,120

who who actually described the bodies to

1790

01:13:02,149 --> 01:12:58,159

us

1791

01:13:05,110 --> 01:13:02,159

well this capsule it continues on for

1792

01:13:07,110 --> 01:13:05,120

another 30 miles and finally comes to

1793

01:13:10,310 --> 01:13:07,120

rest

1794

01:13:13,830 --> 01:13:10,320

32 miles north northwest

1795

01:13:16,870 --> 01:13:13,840

of roswell we call that the impact site

1796

01:13:21,030 --> 01:13:16,880

that's where in addition to this

1797

01:13:24,550 --> 01:13:21,040

this uh egg-shaped affair

1798

01:13:25,990 --> 01:13:24,560

was found two more dead aliens were

1799

01:13:28,709 --> 01:13:26,000

found and one

1800

01:13:29,669 --> 01:13:28,719

was still alive was found at this third

1801  
01:13:33,270 --> 01:13:29,679  
site so

1802  
01:13:35,270 --> 01:13:33,280  
those are the three sites

1803  
01:13:37,189 --> 01:13:35,280  
okay well that makes a little more sense

1804  
01:13:38,229 --> 01:13:37,199  
to me and it seems to be a logical thing

1805  
01:13:40,310 --> 01:13:38,239  
that if there was a

1806  
01:13:42,070 --> 01:13:40,320  
you know some kind of event that caused

1807  
01:13:42,550 --> 01:13:42,080  
the craft to go down that it could come

1808  
01:13:44,310 --> 01:13:42,560  
down

1809  
01:13:46,070 --> 01:13:44,320  
three separate places just like an

1810  
01:13:47,030 --> 01:13:46,080  
airplane could come down three separate

1811  
01:13:50,310 --> 01:13:47,040  
places

1812  
01:13:51,990 --> 01:13:50,320  
but back to the bodies you've talked to

1813  
01:13:53,669 --> 01:13:52,000

a lot of witnesses about what

1814

01:13:55,510 --> 01:13:53,679

happened to the bodies can you talk

1815

01:13:57,350 --> 01:13:55,520

briefly about what

1816

01:13:58,830 --> 01:13:57,360

what did they do the government with

1817

01:14:02,870 --> 01:13:58,840

these bodies

1818

01:14:07,750 --> 01:14:02,880

well the uh the dead ones of course

1819

01:14:09,510 --> 01:14:07,760

were uh boxed up uh

1820

01:14:10,870 --> 01:14:09,520

i mean there was a call to this

1821

01:14:14,470 --> 01:14:10,880

mortician

1822

01:14:15,830 --> 01:14:14,480

glenn dennis uh at least he told the

1823

01:14:18,149 --> 01:14:15,840

story at the time we

1824

01:14:19,910 --> 01:14:18,159

we have witnessed that he that he told

1825

01:14:21,910 --> 01:14:19,920

people at the time that he had received

1826

01:14:25,590 --> 01:14:21,920

calls from the air base

1827

01:14:29,189 --> 01:14:25,600

roswell army airfield as was called

1828

01:14:30,790 --> 01:14:29,199

uh he had received calls inquiring about

1829

01:14:34,470 --> 01:14:30,800

their availability

1830

01:14:37,430 --> 01:14:34,480

of child-sized assets

1831

01:14:39,270 --> 01:14:37,440

and uh glenn's glenn i think he said

1832

01:14:43,270 --> 01:14:39,280

well we have one but we can get

1833

01:14:45,830 --> 01:14:43,280

more and uh

1834

01:14:48,070 --> 01:14:45,840

they actually uh next door to ballard's

1835

01:14:50,149 --> 01:14:48,080

at the time there was a mortuary

1836

01:14:51,990 --> 01:14:50,159

services department you know that sold

1837

01:14:54,709 --> 01:14:52,000

things like tombstones

1838

01:14:56,390 --> 01:14:54,719

and caskets and all that sort of stuff

1839

01:14:59,510 --> 01:14:56,400

and uh

1840

01:15:02,630 --> 01:14:59,520

they actually went to amarillo and

1841

01:15:05,669 --> 01:15:02,640

picked up the caskets

1842

01:15:09,270 --> 01:15:05,679

so the story about caskets is true

1843

01:15:11,910 --> 01:15:09,280

because glen dennis told

1844

01:15:14,470 --> 01:15:11,920

two of the witnesses that we we know of

1845

01:15:18,870 --> 01:15:14,480

he told it to where one was a policeman

1846

01:15:20,390 --> 01:15:18,880

the other was a judge so i mean

1847

01:15:22,630 --> 01:15:20,400

it's not like yeah those are pretty

1848

01:15:24,550 --> 01:15:22,640

critical witnesses despite it

1849

01:15:26,550 --> 01:15:24,560

but i have heard a lot of people sort of

1850

01:15:28,149 --> 01:15:26,560

rip apart glenn dennis as a witness in

1851

01:15:30,870 --> 01:15:28,159

the nurse story and things like that

1852

01:15:33,430 --> 01:15:30,880

what do you think of that story

1853

01:15:34,470 --> 01:15:33,440

yes the uh we believe the part we

1854

01:15:37,430 --> 01:15:34,480

believe the part

1855

01:15:39,350 --> 01:15:37,440

about the cast the phone calls and the

1856

01:15:39,750 --> 01:15:39,360

caskets we believe that part the other

1857

01:15:42,390 --> 01:15:39,760

part

1858

01:15:44,310 --> 01:15:42,400

about him going to the base and running

1859

01:15:46,870 --> 01:15:44,320

into a nurse friend

1860

01:15:48,790 --> 01:15:46,880

and et cetera chapter he he lied to us

1861

01:15:51,110 --> 01:15:48,800

about the name of the nurse

1862

01:15:52,310 --> 01:15:51,120

and we spent a good two years trying to

1863

01:15:54,229 --> 01:15:52,320

find her

1864

01:15:55,590 --> 01:15:54,239

and we couldn't find a nurse with the

1865

01:15:58,310 --> 01:15:55,600

name of naomi

1866

01:15:59,990 --> 01:15:58,320

maria's self and so we went to glenn

1867

01:16:00,790 --> 01:16:00,000

glenn we can't finally there's there's

1868

01:16:03,189 --> 01:16:00,800

no more

1869

01:16:04,870 --> 01:16:03,199

if we can't find that nurse anywhere as

1870

01:16:07,510 --> 01:16:04,880

ever being in the army so well i

1871

01:16:07,990 --> 01:16:07,520

i gave you i gave you a phony name oh

1872

01:16:10,229 --> 01:16:08,000

god

1873

01:16:11,510 --> 01:16:10,239

thank you oh it's just yeah i just

1874

01:16:13,669 --> 01:16:11,520

wasted all this time

1875

01:16:15,990 --> 01:16:13,679

yeah we just wasted two years on that

1876

01:16:20,709 --> 01:16:16,000

and you're telling us you lied to us

1877

01:16:24,390 --> 01:16:20,719

so that part of his story is

1878

01:16:24,870 --> 01:16:24,400

we just take that away well mr schmidt

1879

01:16:26,709 --> 01:16:24,880

also

1880

01:16:28,390 --> 01:16:26,719

you talked about chain of custody so if

1881

01:16:30,870 --> 01:16:28,400

we if we do get into the chain of

1882

01:16:33,110 --> 01:16:30,880

custody of these bodies so

1883

01:16:35,030 --> 01:16:33,120

allegedly they called and asked about

1884

01:16:37,910 --> 01:16:35,040

child-sized coffins and then

1885

01:16:39,110 --> 01:16:37,920

uh the the bodies were then flown to

1886

01:16:41,750 --> 01:16:39,120

where right patterson

1887

01:16:43,270 --> 01:16:41,760

right well they were they were taken to

1888

01:16:44,870 --> 01:16:43,280

the base first

1889

01:16:47,189 --> 01:16:44,880

they were taken to the base like

1890

01:16:48,550 --> 01:16:47,199

everything else when it first went to

1891

01:16:51,669 --> 01:16:48,560

the base hanger

1892

01:16:53,030 --> 01:16:51,679

the big hanger there uh it's still there

1893

01:16:55,669 --> 01:16:53,040

it's building 84

1894

01:16:56,870 --> 01:16:55,679

it's still a working hanger but back

1895

01:16:59,990 --> 01:16:56,880

then it was hangar p

1896

01:17:01,510 --> 01:17:00,000

is in paul three and uh

1897

01:17:03,990 --> 01:17:01,520

that's where everything went including

1898

01:17:06,070 --> 01:17:04,000

the bodies made their first stop there

1899

01:17:07,270 --> 01:17:06,080

before they were transferred to the base

1900

01:17:10,550 --> 01:17:07,280

hospital

1901

01:17:11,669 --> 01:17:10,560

excuse me and then they were flown out

1902

01:17:14,709 --> 01:17:11,679

in two

1903

01:17:17,350 --> 01:17:14,719

separate flights to

1904

01:17:19,430 --> 01:17:17,360

right field soon to be right patterson

1905

01:17:22,310 --> 01:17:19,440

air force base in dayton ohio

1906

01:17:22,709 --> 01:17:22,320

but back then it was called right field

1907

01:17:25,750 --> 01:17:22,719

but

1908

01:17:27,350 --> 01:17:25,760

those were the cadavers we don't know

1909

01:17:29,990 --> 01:17:27,360

how long the

1910

01:17:30,870 --> 01:17:30,000

live one we believe the live one stayed

1911

01:17:33,669 --> 01:17:30,880

on the base

1912

01:17:35,669 --> 01:17:33,679

in roswell oh yeah you gotta tell you

1913

01:17:36,310 --> 01:17:35,679

gotta talk about the live one because

1914

01:17:38,070 --> 01:17:36,320

there's

1915

01:17:39,510 --> 01:17:38,080

been various reports that one of them

1916

01:17:41,270 --> 01:17:39,520

was alive

1917

01:17:43,030 --> 01:17:41,280

and this is where we get some of these

1918

01:17:44,709 --> 01:17:43,040

stories about the

1919

01:17:46,950 --> 01:17:44,719

alien being interviewed or

1920

01:17:47,990 --> 01:17:46,960

telepathically communicating with people

1921

01:17:49,990 --> 01:17:48,000

or they tried to

1922

01:17:52,149 --> 01:17:50,000

like interrogate him find out where he

1923

01:17:53,830 --> 01:17:52,159

was from what he was doing on earth

1924

01:17:55,669 --> 01:17:53,840

because you can imagine if you're in the

1925

01:17:57,270 --> 01:17:55,679

army especially if you're a high-ranking

1926

01:17:58,229 --> 01:17:57,280

officer and you're concerned about a

1927

01:17:59,510 --> 01:17:58,239

threat

1928

01:18:01,350 --> 01:17:59,520

they would have interviewed him and

1929

01:18:03,350 --> 01:18:01,360

found out what what the hell were you

1930

01:18:06,709 --> 01:18:03,360

doing here on earth right is this

1931

01:18:07,910 --> 01:18:06,719

is this a recon for an invasion force or

1932

01:18:09,430 --> 01:18:07,920

something right

1933

01:18:11,590 --> 01:18:09,440

can you talk about the live one because

1934

01:18:14,870 --> 01:18:11,600

this is a fascinating part of the story

1935

01:18:17,910 --> 01:18:14,880

okay the live one was first seen

1936

01:18:20,630 --> 01:18:17,920

like i said dan dwyer the

1937

01:18:21,110 --> 01:18:20,640

roswell fireman saw the live one out at

1938

01:18:25,030 --> 01:18:21,120

the

1939

01:18:27,669 --> 01:18:25,040

impact site walking around

1940

01:18:29,750 --> 01:18:27,679

and his family after they learned what

1941

01:18:32,149 --> 01:18:29,760

it looked like they said well

1942

01:18:33,830 --> 01:18:32,159

did you talk to it did you talk to it

1943

01:18:36,550 --> 01:18:33,840

and he said yes

1944

01:18:38,310 --> 01:18:36,560

we talked to one another but we didn't

1945

01:18:38,790 --> 01:18:38,320

talk like we're talking now with our

1946

01:18:41,110 --> 01:18:38,800

mouth

1947

01:18:41,910 --> 01:18:41,120

and you know our we didn't talk like we

1948

01:18:45,270 --> 01:18:41,920

talked

1949

01:18:51,510 --> 01:18:45,280

like men

1950

01:18:55,270 --> 01:18:51,520

the uh being

1951

01:18:56,709 --> 01:18:55,280

sensed that uh that dan dwyer was

1952

01:18:59,669 --> 01:18:56,719

concerned about it

1953

01:19:00,950 --> 01:18:59,679

and so what what it said to dan dwyer

1954

01:19:04,070 --> 01:19:00,960

mentally was

1955

01:19:08,709 --> 01:19:04,080

don't worry about me

1956

01:19:11,270 --> 01:19:08,719

i accept my fate my comrades are dead

1957

01:19:14,630 --> 01:19:11,280

my ship is destroyed there's not

1958

01:19:17,110 --> 01:19:14,640

anything i can do i i accept my fate

1959

01:19:19,669 --> 01:19:17,120

and that was that was all hit it was

1960

01:19:22,870 --> 01:19:19,679

exchanged between dan dwyer and the

1961

01:19:25,189 --> 01:19:22,880

live one out at the site well the uh

1962

01:19:25,990 --> 01:19:25,199

the military then arrives and takes the

1963

01:19:28,070 --> 01:19:26,000

everything

1964

01:19:30,630 --> 01:19:28,080

you know the the bodies and the live one

1965

01:19:34,709 --> 01:19:30,640

back back to the base

1966

01:19:39,830 --> 01:19:37,669

the the live one we believe remained at

1967

01:19:42,550 --> 01:19:39,840

the base for a period of time

1968

01:19:44,470 --> 01:19:42,560

because we have a witness or two that

1969

01:19:47,830 --> 01:19:44,480

saw it there

1970

01:19:49,430 --> 01:19:47,840

and we think it was kept uh for time at

1971

01:19:52,390 --> 01:19:49,440

the guard house

1972

01:19:53,590 --> 01:19:52,400

uh for first at the hospital but once

1973

01:19:56,950 --> 01:19:53,600

once it was

1974

01:19:58,870 --> 01:19:56,960

you know ambulatory it uh

1975

01:20:01,430 --> 01:19:58,880

they kept it at the guard house believe

1976

01:20:02,870 --> 01:20:01,440

it or not in military fatigues that

1977

01:20:05,590 --> 01:20:02,880

didn't fit

1978

01:20:06,550 --> 01:20:05,600

so we got that we got that story from a

1979

01:20:09,910 --> 01:20:06,560

lawyer

1980

01:20:12,070 --> 01:20:09,920

a a jag that's interesting

1981

01:20:13,030 --> 01:20:12,080

yeah that was from a judge advocate

1982

01:20:14,709 --> 01:20:13,040

lawyer

1983

01:20:16,470 --> 01:20:14,719

who was going to the guard house to

1984

01:20:18,950 --> 01:20:16,480

visit another prisoner

1985

01:20:19,510 --> 01:20:18,960

and he he looked into one of the cells

1986

01:20:22,790 --> 01:20:19,520

and

1987

01:20:25,189 --> 01:20:22,800

no hair

1988

01:20:26,950 --> 01:20:25,199

and fatigues that it was way too the

1989

01:20:28,550 --> 01:20:26,960

fatigues were way too big for him

1990

01:20:30,310 --> 01:20:28,560

he'd never seen anything in his life

1991

01:20:32,629 --> 01:20:30,320

like that so we're guessing

1992

01:20:33,669 --> 01:20:32,639

i admit it's a speculation that that was

1993

01:20:36,470 --> 01:20:33,679

the live one

1994

01:20:37,430 --> 01:20:36,480

that was still being kept at the base

1995

01:20:40,629 --> 01:20:37,440

but eventually

1996

01:20:41,750 --> 01:20:40,639

it wound up at right field like the like

1997

01:20:45,669 --> 01:20:41,760

the others

1998

01:20:49,189 --> 01:20:45,679

because the following spring

1999

01:20:52,310 --> 01:20:49,199

now it's now april of 1948

2000

01:20:56,070 --> 01:20:52,320

it is seen by a

2001

01:20:58,709 --> 01:20:56,080

uh uh air force uh

2002

01:21:00,149 --> 01:20:58,719

what do they call it uh war war class

2003

01:21:03,590 --> 01:21:00,159

they they're the

2004

01:21:07,030 --> 01:21:03,600

the officers who the air force deemed

2005

01:21:07,990 --> 01:21:07,040

were going to lead the air force into

2006

01:21:11,510 --> 01:21:08,000

the future

2007

01:21:15,990 --> 01:21:11,520

the uh war collar air war college glass

2008

01:21:17,590 --> 01:21:16,000

of 1948 uh out of maxwell air force base

2009

01:21:20,870 --> 01:21:17,600

in louisiana

2010

01:21:23,990 --> 01:21:20,880

they were flown to right field

2011

01:21:26,310 --> 01:21:24,000

in april of 1948

2012

01:21:28,950 --> 01:21:26,320

to their you know they're in training

2013

01:21:31,510 --> 01:21:28,960

how to run bases blah blah blah

2014

01:21:32,070 --> 01:21:31,520

you know administrate and uh other

2015

01:21:33,270 --> 01:21:32,080

things

2016

01:21:35,110 --> 01:21:33,280

what do you think of this what do you

2017

01:21:38,229 --> 01:21:35,120

think of that so

2018

01:21:41,030 --> 01:21:38,239

they're led into this hangar

2019

01:21:43,189 --> 01:21:41,040

the classes led into this hangar one day

2020

01:21:44,870 --> 01:21:43,199

and uh

2021

01:21:46,310 --> 01:21:44,880

so they're standing around you know you

2022

01:21:48,070 --> 01:21:46,320

know what what are we supposed to do

2023

01:21:50,790 --> 01:21:48,080

here

2024

01:21:51,189 --> 01:21:50,800

and then they they wheel in a couple

2025

01:21:54,550 --> 01:21:51,199

girl

2026

01:21:56,790 --> 01:21:54,560

a couple tables

2027

01:21:58,229 --> 01:21:56,800

display tables full of this wreckage and

2028

01:21:59,990 --> 01:21:58,239

they said okay guys

2029

01:22:01,590 --> 01:22:00,000

have at it tell us what you think of

2030

01:22:04,070 --> 01:22:01,600

this wreckage here and so they

2031

01:22:05,590 --> 01:22:04,080

they pick up this wreckage some of it is

2032

01:22:09,270 --> 01:22:05,600

stiff as a board they can't

2033

01:22:12,229 --> 01:22:09,280

it's all very thin like thin foil

2034

01:22:13,030 --> 01:22:12,239

other wreckage you can wad up and let it

2035

01:22:15,910 --> 01:22:13,040

go

2036

01:22:16,790 --> 01:22:15,920

and it just floats there just floats

2037

01:22:19,910 --> 01:22:16,800

there

2038

01:22:22,149 --> 01:22:19,920

you know what the hell is this stuff

2039

01:22:23,590 --> 01:22:22,159

and uh somebody said wait we've never

2040

01:22:24,550 --> 01:22:23,600

seen anything like this where did you

2041

01:22:28,229 --> 01:22:24,560

get it

2042

01:22:30,790 --> 01:22:28,239

and the the uh facilitator says well

2043

01:22:32,950 --> 01:22:30,800

we got it last summer from the a flying

2044

01:22:34,390 --> 01:22:32,960

saucer crash in new mexico that's what

2045

01:22:36,149 --> 01:22:34,400

he told them

2046

01:22:38,070 --> 01:22:36,159

it's not gonna have to even hurt there

2047

01:22:39,030 --> 01:22:38,080

and you have multiple witnesses to this

2048

01:22:43,110 --> 01:22:39,040

event right

2049

01:22:46,149 --> 01:22:43,120

yes yes and um

2050

01:22:47,350 --> 01:22:46,159

so they're led into another room you

2051

01:22:49,270 --> 01:22:47,360

know they're scratching you know

2052

01:22:50,950 --> 01:22:49,280

because some of the some of the people

2053

01:22:53,750 --> 01:22:50,960

hadn't heard

2054

01:22:55,830 --> 01:22:53,760

they they were not all uh us airmen some

2055

01:22:58,790 --> 01:22:55,840

were from other countries

2056

01:23:00,470 --> 01:22:58,800

like australia you know and so they're

2057

01:23:03,750 --> 01:23:00,480

laid into another room

2058

01:23:05,830 --> 01:23:03,760

and they're it's four walls but

2059

01:23:08,550 --> 01:23:05,840

when the one wall is this large

2060

01:23:10,390 --> 01:23:08,560

rectangular mirror it's a two-way mirror

2061

01:23:12,629 --> 01:23:10,400

because if you're in the adjacent room

2062

01:23:15,669 --> 01:23:12,639

you look at this you see a

2063

01:23:18,390 --> 01:23:15,679

you just see a i don't know a picture

2064

01:23:19,110 --> 01:23:18,400

or something blank but on the one you

2065

01:23:21,590 --> 01:23:19,120

can see

2066

01:23:24,550 --> 01:23:21,600

through you know like your magic decoder

2067

01:23:28,870 --> 01:23:24,560

ring you know that uh

2068

01:23:32,790 --> 01:23:28,880

yeah so uh we get this story from a

2069

01:23:35,110 --> 01:23:32,800

lieutenant marine air air force

2070

01:23:35,910 --> 01:23:35,120

a night fighter pilot in world war ii

2071

01:23:39,350 --> 01:23:35,920

named

2072

01:23:41,669 --> 01:23:39,360

uh my marion magruder

2073

01:23:43,030 --> 01:23:41,679

he's now lieutenant colonel the lowest

2074

01:23:45,030 --> 01:23:43,040

rank by the way

2075

01:23:46,229 --> 01:23:45,040

in this air war college class is

2076

01:23:49,110 --> 01:23:46,239

lieutenant colonel

2077

01:23:51,030 --> 01:23:49,120

because all the way up to general yeah

2078

01:23:51,990 --> 01:23:51,040

so there's some high-ranking officers

2079

01:23:53,990 --> 01:23:52,000

there yes

2080

01:23:55,430 --> 01:23:54,000

yeah it's not there they're not enlisted

2081

01:23:58,470 --> 01:23:55,440

men no enlisted men

2082

01:24:00,830 --> 01:23:58,480

no lieutenants no majors no captains

2083

01:24:03,189 --> 01:24:00,840

you had to be a lieutenant colonel or

2084

01:24:06,870 --> 01:24:03,199

hire so

2085

01:24:08,310 --> 01:24:06,880

uh so mary and magruder is telling his

2086

01:24:11,990 --> 01:24:08,320

son

2087

01:24:15,910 --> 01:24:12,000

begin with and

2088

01:24:16,470 --> 01:24:15,920

so he's telling his sons about this trip

2089

01:24:19,669 --> 01:24:16,480

because

2090

01:24:21,990 --> 01:24:19,679

they had just witnessed the uh

2091

01:24:23,110 --> 01:24:22,000

moon landing and the moon landing sort

2092

01:24:26,550 --> 01:24:23,120

of was like

2093

01:24:30,310 --> 01:24:26,560

a catharsis to a lot of these people

2094

01:24:32,229 --> 01:24:30,320

who had been keeping the secret secret

2095

01:24:33,430 --> 01:24:32,239

with the moon landing it it had an

2096

01:24:36,070 --> 01:24:33,440

effect on a number of

2097

01:24:37,189 --> 01:24:36,080

the worldies they started talking uh

2098

01:24:40,870 --> 01:24:37,199

about this

2099

01:24:44,629 --> 01:24:40,880

and marion magruder was one of them so

2100

01:24:45,510 --> 01:24:44,639

uh he says well i we went into this room

2101

01:24:48,390 --> 01:24:45,520

and there was this

2102

01:24:49,750 --> 01:24:48,400

there was this uh see-through mirror so

2103

01:24:51,030 --> 01:24:49,760

we all looked through it i looked

2104

01:24:55,270 --> 01:24:51,040

through it

2105

01:24:59,350 --> 01:24:55,280

and here was this strange being

2106

01:25:01,750 --> 01:24:59,360

it had it very about 40 pounds

2107

01:25:03,669 --> 01:25:01,760

it looks squiggly he said how would you

2108

01:25:05,669 --> 01:25:03,679

describe it looks squiggly that's how he

2109

01:25:08,390 --> 01:25:05,679

described it

2110

01:25:09,990 --> 01:25:08,400

and it had a large head of frail body

2111

01:25:13,990 --> 01:25:10,000

long arms

2112

01:25:17,910 --> 01:25:14,000

long spindly legs uh

2113

01:25:21,750 --> 01:25:17,920

uh well what was it doing day well it

2114

01:25:23,590 --> 01:25:21,760

uh was it was it wasn't doing it was it

2115

01:25:23,910 --> 01:25:23,600

just standing or no it wasn't standing

2116

01:25:26,390 --> 01:25:23,920

there

2117

01:25:27,030 --> 01:25:26,400

it wasn't doing push-ups it wasn't

2118

01:25:30,229 --> 01:25:27,040

sitting down

2119

01:25:31,110 --> 01:25:30,239

it wasn't doing the macarena it was just

2120

01:25:39,750 --> 01:25:31,120

standing

2121

01:25:42,550 --> 01:25:39,760

magruder said all of a sudden

2122

01:25:43,430 --> 01:25:42,560

i had a feeling of great empathy came

2123

01:25:46,950 --> 01:25:43,440

over me

2124

01:25:48,950 --> 01:25:46,960

between me and this creature he says i

2125

01:25:50,790 --> 01:25:48,960

we weren't we weren't talking to one but

2126  
01:25:54,470 --> 01:25:50,800  
this great feeling of

2127  
01:25:56,629 --> 01:25:54,480  
empathy came over me and i was seeing

2128  
01:26:00,070 --> 01:25:56,639  
its human-like qualities

2129  
01:26:02,149 --> 01:26:00,080  
rather than its alien-like qualities

2130  
01:26:04,229 --> 01:26:02,159  
and that's all that's all he said about

2131  
01:26:07,189 --> 01:26:04,239  
it he didn't say they talked or anything

2132  
01:26:09,110 --> 01:26:07,199  
but he just felt its human qualities of

2133  
01:26:11,830 --> 01:26:09,120  
this creature

2134  
01:26:12,310 --> 01:26:11,840  
and so they said well what happened to

2135  
01:26:24,790 --> 01:26:12,320  
it

2136  
01:26:27,830 --> 01:26:24,800  
in 47

2137  
01:26:29,830 --> 01:26:27,840  
uh the son jack rodden his father had a

2138  
01:26:33,030 --> 01:26:29,840

top secret clearance he could take

2139

01:26:36,310 --> 01:26:33,040

pictures on the base

2140

01:26:39,590 --> 01:26:36,320

of whatever and uh

2141

01:26:41,750 --> 01:26:39,600

the son jack jr said uh he knew his

2142

01:26:43,189 --> 01:26:41,760

father was out there at this time

2143

01:26:45,270 --> 01:26:43,199

he said what about the what about the

2144

01:26:46,550 --> 01:26:45,280

aliens what about the what about the

2145

01:26:47,350 --> 01:26:46,560

live one because he knew about the

2146

01:26:50,629 --> 01:26:47,360

library said

2147

01:26:53,270 --> 01:26:50,639

so jack senior says they killed it and

2148

01:26:55,110 --> 01:26:53,280

so jack jr do you mean they they killed

2149

01:26:58,470 --> 01:26:55,120

the story they killed the

2150

01:27:01,350 --> 01:26:58,480

they killed the alien they killed what

2151  
01:27:02,950 --> 01:27:01,360  
and he just said they killed it well

2152  
01:27:04,310 --> 01:27:02,960  
it's not that they lined it up if you

2153  
01:27:05,990 --> 01:27:04,320  
saw the movie there's a

2154  
01:27:07,750 --> 01:27:06,000  
you know the saint valentine's day

2155  
01:27:09,510 --> 01:27:07,760  
massacre it's not like they got it

2156  
01:27:11,110 --> 01:27:09,520  
yeah they didn't yeah they didn't uh

2157  
01:27:11,510 --> 01:27:11,120  
they didn't get an electric chair or

2158  
01:27:15,030 --> 01:27:11,520  
something

2159  
01:27:18,310 --> 01:27:15,040  
it wasn't that at all it was that

2160  
01:27:18,790 --> 01:27:18,320  
uh like you said they wanted to learn it

2161  
01:27:23,910 --> 01:27:18,800  
and

2162  
01:27:25,990 --> 01:27:23,920  
to learn as much as they could from it

2163  
01:27:28,390 --> 01:27:26,000

and certainly they were you know they

2164

01:27:29,590 --> 01:27:28,400

were no doubt they were talking mentally

2165

01:27:30,870 --> 01:27:29,600

to what they were trying to learn as

2166

01:27:34,229 --> 01:27:30,880

much as they could

2167

01:27:36,149 --> 01:27:34,239

they were doing various tests on it uh

2168

01:27:37,750 --> 01:27:36,159

how does it cope with this or that or

2169

01:27:41,350 --> 01:27:37,760

you know whatever

2170

01:27:43,750 --> 01:27:41,360

and during one of the tests it it died

2171

01:27:44,709 --> 01:27:43,760

and that's that's how it inside we don't

2172

01:27:51,030 --> 01:27:44,719

know

2173

01:27:54,390 --> 01:27:51,040

uh there's several stories that it

2174

01:27:56,790 --> 01:27:54,400

uh lived until 1952.

2175

01:27:58,709 --> 01:27:56,800

there were stories that it liked uh i uh

2176

01:28:00,070 --> 01:27:58,719

strawberry ice cream well that's it i

2177

01:28:03,030 --> 01:28:00,080

remember that from ufo

2178

01:28:04,470 --> 01:28:03,040

live yeah that old special that's

2179

01:28:07,590 --> 01:28:04,480

impossible because

2180

01:28:11,189 --> 01:28:07,600

it's its mouth just opened into an

2181

01:28:14,709 --> 01:28:11,199

uh uh orifice uh a cavity

2182

01:28:15,510 --> 01:28:14,719

there was no there was no digestive

2183

01:28:17,590 --> 01:28:15,520

system it

2184

01:28:18,629 --> 01:28:17,600

the mouth just was like a little cavity

2185

01:28:21,110 --> 01:28:18,639

that's all

2186

01:28:22,390 --> 01:28:21,120

yeah i've heard it described that way

2187

01:28:24,149 --> 01:28:22,400

you know one of the interesting things

2188

01:28:25,750 --> 01:28:24,159

if you've got a live alien i mean you

2189

01:28:27,030 --> 01:28:25,760

got to figure out like what is it source

2190

01:28:28,870 --> 01:28:27,040

of nutrition

2191

01:28:30,870 --> 01:28:28,880

what does it need as far as atmospheric

2192

01:28:32,790 --> 01:28:30,880

conditions to for for its

2193

01:28:34,149 --> 01:28:32,800

you know for its health and it could be

2194

01:28:34,390 --> 01:28:34,159

it could be anything it could be all the

2195

01:28:37,030 --> 01:28:34,400

way

2196

01:28:37,830 --> 01:28:37,040

apparently apparently it could survive

2197

01:28:41,430 --> 01:28:37,840

in

2198

01:28:45,430 --> 01:28:41,440

our air because there's no

2199

01:28:46,950 --> 01:28:45,440

testimony about a uh breathing device of

2200

01:28:48,709 --> 01:28:46,960

any sort

2201

01:28:51,830 --> 01:28:48,719

but we don't know how it got its

2202

01:28:54,310 --> 01:28:51,840

nutrition we don't we do not know that

2203

01:28:55,510 --> 01:28:54,320

but it did it's not from strawberry ice

2204

01:28:56,470 --> 01:28:55,520

cream

2205

01:28:58,709 --> 01:28:56,480

yeah i thought that was kind of

2206

01:29:00,470 --> 01:28:58,719

ridiculous in that ufo live special i

2207

01:29:01,189 --> 01:29:00,480

remember that and thinking well that's a

2208

01:29:04,790 --> 01:29:01,199

weird

2209

01:29:06,709 --> 01:29:04,800

sort of tidbit to add right so i guess

2210

01:29:08,629 --> 01:29:06,719

there goes the the story of the live

2211

01:29:10,950 --> 01:29:08,639

alien which is to me that's

2212

01:29:12,870 --> 01:29:10,960

i've heard all these different and read

2213

01:29:14,470 --> 01:29:12,880

these different eyewitness testimonies

2214

01:29:15,590 --> 01:29:14,480

to this live alien it's pretty

2215

01:29:18,149 --> 01:29:15,600

interesting

2216

01:29:20,310 --> 01:29:18,159

but what do you think the so the the

2217

01:29:22,070 --> 01:29:20,320

dead bodies go to wright patterson

2218

01:29:24,470 --> 01:29:22,080

do you have any insight into what

2219

01:29:25,430 --> 01:29:24,480

happened to them were they autopsied

2220

01:29:27,750 --> 01:29:25,440

were they

2221

01:29:29,669 --> 01:29:27,760

yes they were taken apart or what what

2222

01:29:32,870 --> 01:29:29,679

did they do with the dead body we have

2223

01:29:35,590 --> 01:29:32,880

multiple witnesses both civilian

2224

01:29:38,390 --> 01:29:35,600

and military that of course it was auto

2225

01:29:40,149 --> 01:29:38,400

the dead ones were autopsied

2226

01:29:42,629 --> 01:29:40,159

apparently one or two of them were not

2227

01:29:44,629 --> 01:29:42,639

in such great shape but

2228

01:29:45,830 --> 01:29:44,639

there were four dead ones originally and

2229

01:29:48,550 --> 01:29:45,840

plus the live one

2230

01:29:50,310 --> 01:29:48,560

and whenever that died but they were

2231

01:29:54,790 --> 01:29:50,320

autopsy

2232

01:29:58,149 --> 01:29:54,800

and uh originally they were kept in

2233

01:30:00,310 --> 01:29:58,159

the what they called the ice house uh

2234

01:30:01,990 --> 01:30:00,320

you know it was right next to you've

2235

01:30:03,990 --> 01:30:02,000

heard about hangar 18

2236

01:30:05,990 --> 01:30:04,000

right yeah i was really building 18 but

2237

01:30:09,669 --> 01:30:06,000

yeah yeah well hangar 18

2238

01:30:11,189 --> 01:30:09,679

was really hangar 23 but because there

2239

01:30:15,110 --> 01:30:11,199

were like uh

2240

01:30:15,750 --> 01:30:15,120

eight or nine buildings that they call

2241

01:30:19,590 --> 01:30:15,760

it the hang

2242

01:30:22,629 --> 01:30:19,600

they called it the uh the building 18

2243

01:30:26,870 --> 01:30:22,639

complex there were like seven eight nine

2244

01:30:30,950 --> 01:30:26,880

buildings all called 18 a through 18

2245

01:30:34,310 --> 01:30:30,960

g 18 to a 18 b 18 c

2246

01:30:38,709 --> 01:30:34,320

up to g but there was only one hanger

2247

01:30:40,950 --> 01:30:38,719

in this complex and it was hangar 23.

2248

01:30:42,390 --> 01:30:40,960

well everybody just referred to it

2249

01:30:43,910 --> 01:30:42,400

because it was right in the middle of

2250

01:30:47,510 --> 01:30:43,920

this complex

2251

01:30:50,310 --> 01:30:47,520

as hangar 18. and that's where

2252

01:30:51,430 --> 01:30:50,320

during world war ii all of the back

2253

01:30:54,629 --> 01:30:51,440

engineering

2254

01:30:57,110 --> 01:30:54,639

and testing aircraft testing took place

2255

01:30:58,070 --> 01:30:57,120

so it was our technology right so it was

2256

01:30:59,510 --> 01:30:58,080

only natural

2257

01:31:01,750 --> 01:30:59,520

that that's where the wreckage would

2258

01:31:03,590 --> 01:31:01,760

come to uh

2259

01:31:05,590 --> 01:31:03,600

try it yeah there's there's nothing more

2260

01:31:08,790 --> 01:31:05,600

foreign than alien technology

2261

01:31:09,510 --> 01:31:08,800

so yeah it does make sense for those

2262

01:31:12,070 --> 01:31:09,520

that don't know

2263

01:31:13,910 --> 01:31:12,080

uh mr carrie and dunsman also wrote an

2264

01:31:16,070 --> 01:31:13,920

amazing book one of my favorites ufo

2265

01:31:17,990 --> 01:31:16,080

secrets inside ray patterson

2266

01:31:19,110 --> 01:31:18,000

eyewitness accounts from the real area

2267

01:31:21,350 --> 01:31:19,120

51

2268

01:31:23,030 --> 01:31:21,360

which you know uh there's so many

2269

01:31:24,550 --> 01:31:23,040

stories about wright patterson having

2270

01:31:26,950 --> 01:31:24,560

these tunnels underground

2271

01:31:28,950 --> 01:31:26,960

and having these secret facilities to

2272

01:31:30,790 --> 01:31:28,960

study foreign technology and

2273

01:31:33,110 --> 01:31:30,800

and that's where people say the aliens

2274

01:31:35,510 --> 01:31:33,120

are kept and that the wreckage went

2275

01:31:37,350 --> 01:31:35,520

and it was studied they attempted to

2276

01:31:39,590 --> 01:31:37,360

back engineer some of it

2277

01:31:40,629 --> 01:31:39,600

do you think what do you think of these

2278

01:31:42,550 --> 01:31:40,639

various stories

2279

01:31:43,669 --> 01:31:42,560

of people who claim to have roswell

2280

01:31:45,830 --> 01:31:43,679

debris

2281

01:31:47,750 --> 01:31:45,840

because those stories never seem to pan

2282

01:31:49,910 --> 01:31:47,760

out under scientific scrutiny

2283

01:31:51,110 --> 01:31:49,920

once the stuff is tested it's like well

2284

01:31:53,750 --> 01:31:51,120

it's it's uh

2285

01:31:54,229 --> 01:31:53,760

it's aluminum you know it's nothing it's

2286

01:31:57,270 --> 01:31:54,239

nothing

2287

01:32:00,310 --> 01:31:57,280

out of this world well so far

2288

01:32:03,189 --> 01:32:00,320

as far as i know there's never been any

2289

01:32:04,709 --> 01:32:03,199

uh pieces of wreckage that have come

2290

01:32:08,310 --> 01:32:04,719

forward that have passed

2291

01:32:13,590 --> 01:32:08,320

muster uh some years ago

2292

01:32:16,070 --> 01:32:13,600

the ufo museum in roswell

2293

01:32:18,149 --> 01:32:16,080

dedicated to the roswell incident

2294

01:32:20,590 --> 01:32:18,159

offered a million dollars

2295

01:32:22,390 --> 01:32:20,600

to anyone who could produce an

2296

01:32:25,510 --> 01:32:22,400

incontrovertible piece of

2297

01:32:26,070 --> 01:32:25,520

physical wreckage from rot from the

2298

01:32:29,110 --> 01:32:26,080

roswell

2299

01:32:31,350 --> 01:32:29,120

crash and uh some tried but the

2300

01:32:34,390 --> 01:32:31,360

one turned out to be a piece of japanese

2301

01:32:39,830 --> 01:32:37,669

another turned out to be a a little

2302

01:32:41,590 --> 01:32:39,840

medallion that was actually sold in the

2303

01:32:44,390 --> 01:32:41,600

gift shop

2304

01:32:46,070 --> 01:32:44,400

of the museum oh boy well you can't

2305

01:32:48,070 --> 01:32:46,080

blame them for trying that's a million

2306

01:32:49,030 --> 01:32:48,080

reasons to come up with some alien

2307

01:32:51,590 --> 01:32:49,040

wreckage right

2308

01:32:53,990 --> 01:32:51,600

but because some of these things are

2309

01:32:55,430 --> 01:32:54,000

resurfacing again we've had arts parts

2310

01:32:56,709 --> 01:32:55,440

and

2311

01:32:58,390 --> 01:32:56,719

i'm not even going to mention her but

2312

01:32:59,510 --> 01:32:58,400

there's a researcher that pushed those

2313

01:33:02,390 --> 01:32:59,520

for years

2314

01:33:03,590 --> 01:33:02,400

and then scientists that she hired to do

2315

01:33:05,270 --> 01:33:03,600

the analysis said no

2316

01:33:07,189 --> 01:33:05,280

it's normal earthly metals she didn't

2317

01:33:08,390 --> 01:33:07,199

like that so she hired new guys that

2318

01:33:09,910 --> 01:33:08,400

would say that there was

2319

01:33:11,750 --> 01:33:09,920

something weird about the medals and

2320

01:33:14,070 --> 01:33:11,760

then she sells them to tsa

2321

01:33:16,310 --> 01:33:14,080

and now they're pushing them as possibly

2322

01:33:17,750 --> 01:33:16,320

alien materials but we never get to the

2323

01:33:18,470 --> 01:33:17,760

proof of these people making these

2324

01:33:21,750 --> 01:33:18,480

claims

2325

01:33:22,149 --> 01:33:21,760

and that's disappointing yes oh it is it

2326

01:33:25,510 --> 01:33:22,159

is

2327

01:33:27,830 --> 01:33:25,520

thing about the case

2328

01:33:29,030 --> 01:33:27,840

because there were so many little pieces

2329

01:33:32,149 --> 01:33:29,040

of wreckage

2330

01:33:34,550 --> 01:33:32,159

and the ranchers always uh whatever

2331

01:33:36,709 --> 01:33:34,560

crashes out in the desert the ranchers

2332

01:33:38,310 --> 01:33:36,719

and their children all always get to it

2333

01:33:40,550 --> 01:33:38,320

first to pick up

2334

01:33:42,229 --> 01:33:40,560

first you know to see if anybody's hurt

2335

01:33:42,790 --> 01:33:42,239

but then to pick up little pieces of the

2336

01:33:44,550 --> 01:33:42,800

wreckage

2337

01:33:46,470 --> 01:33:44,560

and we suspect that that's what happened

2338

01:33:47,510 --> 01:33:46,480

here because the ranchers and their

2339

01:33:50,790 --> 01:33:47,520

children

2340

01:33:51,590 --> 01:33:50,800

got to the site first and uh we've heard

2341

01:33:53,590 --> 01:33:51,600

about

2342

01:33:55,910 --> 01:33:53,600

so and so having a piece in fact some

2343

01:33:59,030 --> 01:33:55,920

people admitted to having a piece

2344

01:34:02,310 --> 01:33:59,040

uh but over the years it it became

2345

01:34:04,629 --> 01:34:02,320

lost somewhere yeah so this

2346

01:34:05,750 --> 01:34:04,639

this is the tantalizing part like you

2347

01:34:07,910 --> 01:34:05,760

could have had the proof

2348

01:34:10,070 --> 01:34:07,920

and you lost it in your attic or

2349

01:34:11,030 --> 01:34:10,080

something right or your garage and you

2350

01:34:13,669 --> 01:34:11,040

can't find it

2351  
01:34:15,510 --> 01:34:13,679  
or you moved and threw it out you know

2352  
01:34:17,350 --> 01:34:15,520  
that's the tantalizing part to me

2353  
01:34:18,790 --> 01:34:17,360  
yes i don't want to keep you too much

2354  
01:34:19,990 --> 01:34:18,800  
longer but if you don't mind i'm sure

2355  
01:34:23,030 --> 01:34:20,000  
that we have some uh

2356  
01:34:25,030 --> 01:34:23,040  
questions in our live chat uh if you

2357  
01:34:27,030 --> 01:34:25,040  
don't mind somebody asked uh or

2358  
01:34:28,310 --> 01:34:27,040  
do you believe that any of the uh it was

2359  
01:34:31,110 --> 01:34:28,320  
courtney shane asked

2360  
01:34:31,350 --> 01:34:31,120  
do you believe that any of the pictures

2361  
01:34:33,590 --> 01:34:31,360  
of

2362  
01:34:34,470 --> 01:34:33,600  
aliens floating around on the internet

2363  
01:34:36,390 --> 01:34:34,480

are genuine

2364

01:34:37,510 --> 01:34:36,400

or related to the roswell event or are

2365

01:34:40,470 --> 01:34:37,520

they all yeah

2366

01:34:41,030 --> 01:34:40,480

are they all phony do you believe any of

2367

01:34:44,790 --> 01:34:41,040

them are there

2368

01:34:47,990 --> 01:34:44,800

mccoys yeah that's a good question uh

2369

01:34:52,229 --> 01:34:48,000

i don't believe uh i've never seen a

2370

01:34:54,310 --> 01:34:52,239

a picture of a roswell alien that i

2371

01:34:58,070 --> 01:34:54,320

consider that was genuine

2372

01:35:02,470 --> 01:34:58,080

so i i would say right now

2373

01:35:05,189 --> 01:35:02,480

there are none uh that are out there

2374

01:35:07,030 --> 01:35:05,199

that are genuine yeah and people are

2375

01:35:08,470 --> 01:35:07,040

always sending me pictures and swearing

2376

01:35:10,229 --> 01:35:08,480

like no this one's real

2377

01:35:11,990 --> 01:35:10,239

and then if you do a search a google

2378

01:35:13,830 --> 01:35:12,000

limit search you find out like

2379

01:35:15,350 --> 01:35:13,840

somebody just sent me one on twitter or

2380

01:35:16,550 --> 01:35:15,360

replied on twitter and then it turned

2381

01:35:18,870 --> 01:35:16,560

out to be from

2382

01:35:20,229 --> 01:35:18,880

from a movie and somebody cropped out

2383

01:35:22,229 --> 01:35:20,239

you know what i mean like they just

2384

01:35:23,510 --> 01:35:22,239

cropped the alien and put it in and then

2385

01:35:25,350 --> 01:35:23,520

we've got people

2386

01:35:26,870 --> 01:35:25,360

claiming oh here's a picture of a gray

2387

01:35:29,350 --> 01:35:26,880

alien taking on the moon

2388

01:35:31,750 --> 01:35:29,360

and that one turned out i busted them it

2389

01:35:32,550 --> 01:35:31,760

turned out to be from a 2005 video game

2390

01:35:34,950 --> 01:35:32,560

cover

2391

01:35:36,790 --> 01:35:34,960

of a video game area 51 where you run

2392

01:35:38,709 --> 01:35:36,800

around shooting aliens and the alien was

2393

01:35:40,470 --> 01:35:38,719

on the cover of the video game

2394

01:35:42,229 --> 01:35:40,480

and people put that behind a pay wall

2395

01:35:44,950 --> 01:35:42,239

and we're charging people three dollars

2396

01:35:46,790 --> 01:35:44,960

to see the picture that they never they

2397

01:35:50,709 --> 01:35:46,800

never seem to pan out right

2398

01:35:51,430 --> 01:35:50,719

i've never seen a uh verifiable piece of

2399

01:35:55,109 --> 01:35:51,440

wreckage

2400

01:35:57,590 --> 01:35:55,119

or a verifiable genuine

2401  
01:35:58,470 --> 01:35:57,600  
photograph although we are looking for

2402  
01:36:00,149 --> 01:35:58,480  
both

2403  
01:36:03,590 --> 01:36:00,159  
and uh here's the thing about the

2404  
01:36:06,629 --> 01:36:03,600  
wreckage uh stephen is that

2405  
01:36:08,950 --> 01:36:06,639  
the wreckage some of them have been put

2406  
01:36:10,790 --> 01:36:08,960  
forth by other investigators

2407  
01:36:12,790 --> 01:36:10,800  
and they say oh here's a piece we're

2408  
01:36:14,629 --> 01:36:12,800  
going to send it out for analysis well

2409  
01:36:17,750 --> 01:36:14,639  
that's the last you hear about it

2410  
01:36:20,950 --> 01:36:17,760  
you never hear what the analysis was and

2411  
01:36:22,950 --> 01:36:20,960  
uh so that's one of the problems we're

2412  
01:36:24,229 --> 01:36:22,960  
looking for actually a piece of the

2413  
01:36:26,550 --> 01:36:24,239

memory metal

2414

01:36:27,910 --> 01:36:26,560

that's what we're looking for because

2415

01:36:31,910 --> 01:36:27,920

you don't have to send that

2416

01:36:33,350 --> 01:36:31,920

out yeah if it's if it if it reacts like

2417

01:36:34,629 --> 01:36:33,360

people have described

2418

01:36:36,790 --> 01:36:34,639

you're going to know right away that

2419

01:36:39,750 --> 01:36:36,800

that's something out of this world yes

2420

01:36:40,950 --> 01:36:39,760

so that that's our holy grail we call it

2421

01:36:43,590 --> 01:36:40,960

our holy grail

2422

01:36:44,310 --> 01:36:43,600

of roswell is the piece of the memory

2423

01:36:46,870 --> 01:36:44,320

metal

2424

01:36:47,750 --> 01:36:46,880

and we know there are some pieces out

2425

01:36:49,830 --> 01:36:47,760

there

2426

01:36:51,030 --> 01:36:49,840

but so far the people have not come

2427

01:36:54,070 --> 01:36:51,040

forth with them

2428

01:36:56,709 --> 01:36:54,080

uh it's just it's a shame

2429

01:36:57,750 --> 01:36:56,719

so there's another fella here's another

2430

01:37:00,950 --> 01:36:57,760

one

2431

01:37:04,149 --> 01:37:00,960

and this phil has been on several

2432

01:37:06,629 --> 01:37:04,159

uh cable shows

2433

01:37:07,350 --> 01:37:06,639

uh he goes out to the debris field site

2434

01:37:09,910 --> 01:37:07,360

with a

2435

01:37:12,310 --> 01:37:09,920

geiger counter and he's been finding

2436

01:37:15,350 --> 01:37:12,320

these little pieces

2437

01:37:18,870 --> 01:37:15,360

and they're aluminum you know

2438

01:37:20,310 --> 01:37:18,880

they're aluminum and uh so he's had them

2439

01:37:22,149 --> 01:37:20,320

tested

2440

01:37:25,669 --> 01:37:22,159

on several shows and they always come

2441

01:37:29,430 --> 01:37:25,679

back 99.99997

2442

01:37:33,109 --> 01:37:29,440

aluminum and uh well it's still

2443

01:37:35,189 --> 01:37:33,119

it's just it i don't know

2444

01:37:36,790 --> 01:37:35,199

that's what you get so far that's what

2445

01:37:39,910 --> 01:37:36,800

you get so far

2446

01:37:42,629 --> 01:37:39,920

uh we do know that

2447

01:37:43,830 --> 01:37:42,639

the most of the pieces were were palm

2448

01:37:46,950 --> 01:37:43,840

sized they were

2449

01:37:47,990 --> 01:37:46,960

they were palm sized there were some

2450

01:37:51,430 --> 01:37:48,000

larger pieces but

2451  
01:37:53,669 --> 01:37:51,440  
the overwhelming majority of the debris

2452  
01:37:54,790 --> 01:37:53,679  
because this explosion just shattered

2453  
01:37:57,910 --> 01:37:54,800  
the ship

2454  
01:37:59,590 --> 01:37:57,920  
except for that inner cabin and uh the

2455  
01:38:00,070 --> 01:37:59,600  
other thing about it is even there was

2456  
01:38:03,510 --> 01:38:00,080  
no

2457  
01:38:05,510 --> 01:38:03,520  
moving part on it we got that from a

2458  
01:38:07,990 --> 01:38:05,520  
witness a military witness

2459  
01:38:08,950 --> 01:38:08,000  
who was in the hangar who saw all the

2460  
01:38:13,350 --> 01:38:08,960  
wreckage

2461  
01:38:16,470 --> 01:38:13,360  
there was no moving part on it

2462  
01:38:18,390 --> 01:38:16,480  
so yeah that's again that's pretty i've

2463  
01:38:20,709 --> 01:38:18,400

heard that various descriptions too that

2464

01:38:23,430 --> 01:38:20,719

there was no rivets there was nothing

2465

01:38:25,030 --> 01:38:23,440

that you could no power source engine

2466

01:38:26,390 --> 01:38:25,040

anything that you could identify as

2467

01:38:29,510 --> 01:38:26,400

earthly technology

2468

01:38:29,990 --> 01:38:29,520

or methodology for building aircraft so

2469

01:38:33,830 --> 01:38:30,000

how did

2470

01:38:35,750 --> 01:38:33,840

it get from there to here to here

2471

01:38:37,109 --> 01:38:35,760

how did how did it how did they do it

2472

01:38:40,390 --> 01:38:37,119

without a moving part

2473

01:38:42,550 --> 01:38:40,400

and that's uh we've had some testimony

2474

01:38:45,350 --> 01:38:42,560

recently

2475

01:38:46,470 --> 01:38:45,360

about because uh you know our mandate

2476

01:38:49,910 --> 01:38:46,480

was to

2477

01:38:51,390 --> 01:38:49,920

is to uh decide the case whether

2478

01:38:53,189 --> 01:38:51,400

was it mundane or was it

2479

01:38:57,030 --> 01:38:53,199

extraterrestrial you know that

2480

01:38:58,149 --> 01:38:57,040

that's been our mandate and uh we don't

2481

01:39:00,709 --> 01:38:58,159

do a lot of whole

2482

01:39:03,270 --> 01:39:00,719

a whole lot of thinking about um where

2483

01:39:05,030 --> 01:39:03,280

did they come from why are they here

2484

01:39:06,709 --> 01:39:05,040

you know that that's for other people to

2485

01:39:08,709 --> 01:39:06,719

figure out you know

2486

01:39:10,229 --> 01:39:08,719

so but uh well yeah that would get into

2487

01:39:11,870 --> 01:39:10,239

just pure speculation

2488

01:39:13,350 --> 01:39:11,880

i often thought that it was

2489

01:39:16,070 --> 01:39:13,360

anthropological

2490

01:39:17,109 --> 01:39:16,080

you know like if we if we find some

2491

01:39:21,830 --> 01:39:17,119

primitive

2492

01:39:24,149 --> 01:39:21,840

that's been untouched by monology we're

2493

01:39:27,189 --> 01:39:24,159

going to go and study them

2494

01:39:29,590 --> 01:39:27,199

because it may tell us but uh

2495

01:39:30,470 --> 01:39:29,600

the the thing is i have been i was

2496

01:39:33,430 --> 01:39:30,480

leading up to

2497

01:39:34,070 --> 01:39:33,440

that uh i have been their own knowledge

2498

01:39:37,350 --> 01:39:34,080

of

2499

01:39:38,950 --> 01:39:37,360

you know business i have been doing some

2500

01:39:41,350 --> 01:39:38,960

thinking about this you know

2501

01:39:42,870 --> 01:39:41,360

how do they get from there to here if

2502

01:39:46,229 --> 01:39:42,880

there's no moving part

2503

01:39:47,189 --> 01:39:46,239

and obviously it's not from our own

2504

01:39:48,709 --> 01:39:47,199

solar system

2505

01:39:50,950 --> 01:39:48,719

they're not they're not from our rolling

2506

01:39:52,310 --> 01:39:50,960

solar system so they're from another

2507

01:39:54,870 --> 01:39:52,320

solar system

2508

01:39:55,910 --> 01:39:54,880

most likely in the milky way galaxy

2509

01:39:59,109 --> 01:39:55,920

right

2510

01:40:01,510 --> 01:39:59,119

uh even though there's a hundred million

2511

01:40:03,590 --> 01:40:01,520

galaxies in the universe they're most

2512

01:40:06,950 --> 01:40:03,600

likely from the uh

2513

01:40:10,390 --> 01:40:06,960

the milky way but even there the

2514

01:40:14,310 --> 01:40:10,400

distances are so astronomically

2515

01:40:14,870 --> 01:40:14,320

long that you can't get from there to

2516

01:40:17,990 --> 01:40:14,880

here

2517

01:40:21,109 --> 01:40:18,000

using uh

2518

01:40:23,750 --> 01:40:21,119

motors or or things that we

2519

01:40:24,550 --> 01:40:23,760

we currently have so how did they do it

2520

01:40:31,830 --> 01:40:24,560

so

2521

01:40:34,149 --> 01:40:31,840

bent space spin space to where it's only

2522

01:40:36,790 --> 01:40:34,159

a short leap

2523

01:40:38,950 --> 01:40:36,800

because the long distances in the

2524

01:40:42,310 --> 01:40:38,960

universe there you just can't do it

2525

01:40:43,830 --> 01:40:42,320

so they must have somehow solved the

2526

01:40:47,750 --> 01:40:43,840

space

2527

01:40:51,590 --> 01:40:47,760

time continuum right

2528

01:40:54,470 --> 01:40:51,600

so uh we have in researching our last

2529

01:40:59,590 --> 01:40:56,390

and called what is that called it's

2530

01:41:03,270 --> 01:40:59,600

called roswell the ultimate

2531

01:41:06,790 --> 01:41:03,280

cold case closed and uh

2532

01:41:08,310 --> 01:41:06,800

we are we're we are we're every time i

2533

01:41:09,189 --> 01:41:08,320

think it's closed we're working on

2534

01:41:11,109 --> 01:41:09,199

another book

2535

01:41:12,870 --> 01:41:11,119

actually we're working on two more

2536

01:41:16,470 --> 01:41:12,880

there's one going to come out this year

2537

01:41:19,669 --> 01:41:16,480

and one going to come out next year

2538

01:41:21,590 --> 01:41:19,679

but uh thinking about

2539

01:41:22,870 --> 01:41:21,600

how they were able to get here from

2540

01:41:26,550 --> 01:41:22,880

there

2541

01:41:30,390 --> 01:41:26,560

we had the testimony of

2542

01:41:33,030 --> 01:41:30,400

uh one uh

2543

01:41:35,910 --> 01:41:33,040

scientist he was a naval scientist a

2544

01:41:38,470 --> 01:41:35,920

commander named george hoover

2545

01:41:40,070 --> 01:41:38,480

who worked with werner von braun in the

2546

01:41:42,950 --> 01:41:40,080

rocket program

2547

01:41:43,750 --> 01:41:42,960

and they were also part of the uh

2548

01:41:48,550 --> 01:41:43,760

roswell

2549

01:41:52,550 --> 01:41:48,560

picture

2550

01:41:59,510 --> 01:41:56,950

when he was interviewed he said roswell

2551  
01:42:01,430 --> 01:41:59,520  
was a case of visitors from somewhere

2552  
01:42:03,030 --> 01:42:01,440  
else

2553  
01:42:04,470 --> 01:42:03,040  
now what did he mean by that he said

2554  
01:42:09,109 --> 01:42:04,480  
well

2555  
01:42:12,709 --> 01:42:09,119  
they're not so much uh extraterrestrial

2556  
01:42:15,830 --> 01:42:12,719  
as they were extra temporal

2557  
01:42:18,390 --> 01:42:15,840  
i.e time travelers time travel yeah i've

2558  
01:42:22,070 --> 01:42:18,400  
heard that theory or interdimensional

2559  
01:42:25,189 --> 01:42:22,080  
and he said they were potentially

2560  
01:42:28,709 --> 01:42:25,199  
us from a future

2561  
01:42:30,070 --> 01:42:28,719  
earth now coming from uncle harry over a

2562  
01:42:31,590 --> 01:42:30,080  
couple drinks

2563  
01:42:33,510 --> 01:42:31,600

i'm just going to take that it's going

2564

01:42:36,709 --> 01:42:33,520

to go in one ear and out the other

2565

01:42:38,550 --> 01:42:36,719

you know but coming from a fella who

2566

01:42:39,669 --> 01:42:38,560

worked with werner von braun and all the

2567

01:42:45,030 --> 01:42:39,679

other scientists

2568

01:42:52,390 --> 01:42:49,270

and the uh roger case itself to say that

2569

01:42:55,270 --> 01:42:52,400

you have to give that some consideration

2570

01:42:56,870 --> 01:42:55,280

yeah it's pretty credible here's a great

2571

01:42:58,550 --> 01:42:56,880

question from the audience uh

2572

01:43:00,550 --> 01:42:58,560

philip blair asks what do you think of

2573

01:43:02,470 --> 01:43:00,560

dr jacqueline's work

2574

01:43:04,629 --> 01:43:02,480

uh to have materials from other crash

2575

01:43:06,149 --> 01:43:04,639

sites tested at private laboratories in

2576

01:43:07,510 --> 01:43:06,159

silicon valley

2577

01:43:09,990 --> 01:43:07,520

have you followed that and what do you

2578

01:43:13,590 --> 01:43:10,000

think of mr ballet i

2579

01:43:17,590 --> 01:43:13,600

have not followed that but i'm saying

2580

01:43:20,629 --> 01:43:17,600

make sure you get it back because

2581

01:43:21,270 --> 01:43:20,639

yeah it hasn't had things have a habit

2582

01:43:23,830 --> 01:43:21,280

if it

2583

01:43:24,709 --> 01:43:23,840

turns out to be something you never see

2584

01:43:27,990 --> 01:43:24,719

them again

2585

01:43:28,870 --> 01:43:28,000

so i think it's a good idea uh the name

2586

01:43:31,590 --> 01:43:28,880

jacques valet

2587

01:43:31,990 --> 01:43:31,600

is known worldwide i've never met him

2588

01:43:34,229 --> 01:43:32,000

but

2589

01:43:36,790 --> 01:43:34,239

uh he has some interesting theories if

2590

01:43:40,070 --> 01:43:36,800

he has if he has some

2591

01:43:42,550 --> 01:43:40,080

material that he once tested go for it

2592

01:43:45,430 --> 01:43:42,560

and uh but make sure you get it back and

2593

01:43:47,830 --> 01:43:45,440

let let's hear what the results are

2594

01:43:49,109 --> 01:43:47,840

yeah yeah well he's got again he's got

2595

01:43:50,790 --> 01:43:49,119

some tantalizing

2596

01:43:53,109 --> 01:43:50,800

sort of results about they're always

2597

01:43:55,510 --> 01:43:53,119

talking about isotopic ratios which

2598

01:43:57,270 --> 01:43:55,520

means that metal couldn't have come from

2599

01:43:59,990 --> 01:43:57,280

our solar system but then

2600

01:44:01,430 --> 01:44:00,000

to me a lot of that stuff could be metal

2601

01:44:02,790 --> 01:44:01,440

parts and meteor rights

2602

01:44:04,470 --> 01:44:02,800

right you know because they're just

2603

01:44:06,310 --> 01:44:04,480

showing you this metal blob

2604

01:44:07,830 --> 01:44:06,320

that doesn't you know we gotta have a

2605

01:44:10,709 --> 01:44:07,840

memory metal

2606

01:44:12,229 --> 01:44:10,719

because you don't need it you don't need

2607

01:44:14,390 --> 01:44:12,239

to send that away

2608

01:44:16,070 --> 01:44:14,400

to get tested you can you can put it

2609

01:44:19,109 --> 01:44:16,080

through its paces

2610

01:44:21,430 --> 01:44:19,119

we don't have anything like that uh

2611

01:44:22,149 --> 01:44:21,440

we've got something they tried to to

2612

01:44:24,629 --> 01:44:22,159

create

2613

01:44:26,470 --> 01:44:24,639

uh like it but it's it's nowhere near as

2614

01:44:28,709 --> 01:44:26,480

good as the original

2615

01:44:30,390 --> 01:44:28,719

okay paul cargo is are there actual

2616

01:44:31,109 --> 01:44:30,400

video recordings of any lieutenant

2617

01:44:33,590 --> 01:44:31,119

colonels

2618

01:44:35,350 --> 01:44:33,600

uh stating they saw live aliens and uap

2619

01:44:37,189 --> 01:44:35,360

wreckage while in training

2620

01:44:38,550 --> 01:44:37,199

well they're quoted in your books though

2621

01:44:39,750 --> 01:44:38,560

right i don't know that there's video

2622

01:44:42,310 --> 01:44:39,760

recording yeah no

2623

01:44:42,790 --> 01:44:42,320

recordings no we're not aware of any

2624

01:44:46,950 --> 01:44:42,800

live

2625

01:44:49,510 --> 01:44:46,960

recordings of uh whether they recorded

2626

01:44:50,629 --> 01:44:49,520

their observations i don't know but the

2627

01:44:52,790 --> 01:44:50,639

the

2628

01:44:55,750 --> 01:44:52,800

live recordings were never mentioned so

2629

01:44:58,070 --> 01:44:55,760

we have to assume that there weren't any

2630

01:44:59,270 --> 01:44:58,080

certainly not any that we could have

2631

01:45:00,709 --> 01:44:59,280

access to

2632

01:45:02,709 --> 01:45:00,719

you know i want to make sure that i take

2633

01:45:04,709 --> 01:45:02,719

a moment just to plug your books

2634

01:45:05,750 --> 01:45:04,719

if you just put tom carrey's name into

2635

01:45:08,229 --> 01:45:05,760

amazon

2636

01:45:09,990 --> 01:45:08,239

you'll get treated to a whole bunch of

2637

01:45:11,109 --> 01:45:10,000

amazing books and i gotta say that

2638

01:45:12,870 --> 01:45:11,119

everyone

2639

01:45:14,870 --> 01:45:12,880

the first one that i read was witness to

2640

01:45:16,070 --> 01:45:14,880

roswell and then i instantly went and

2641

01:45:17,910 --> 01:45:16,080

ordered more

2642

01:45:19,430 --> 01:45:17,920

because every one of them seems to me to

2643

01:45:22,149 --> 01:45:19,440

be well researched and

2644

01:45:23,750 --> 01:45:22,159

you know uh i gotta say that i disagree

2645

01:45:25,510 --> 01:45:23,760

with cal court's assertion that all

2646

01:45:26,070 --> 01:45:25,520

these people that you and schmidt talked

2647

01:45:28,870 --> 01:45:26,080

to

2648

01:45:31,030 --> 01:45:28,880

for 30 years for decades all just made

2649

01:45:32,950 --> 01:45:31,040

this stuff up it doesn't seem

2650

01:45:34,870 --> 01:45:32,960

you know it just doesn't seem likely to

2651

01:45:36,390 --> 01:45:34,880

me especially the military people my

2652

01:45:38,790 --> 01:45:36,400

father was in the military and he was

2653

01:45:40,310 --> 01:45:38,800

just like a no-nonsense kind of guy

2654

01:45:42,310 --> 01:45:40,320

all his military friends they just

2655

01:45:45,109 --> 01:45:42,320

weren't bullshitters that's the

2656

01:45:47,030 --> 01:45:45,119

plainest way to put it so we've had

2657

01:45:48,149 --> 01:45:47,040

these very high ranking military

2658

01:45:50,149 --> 01:45:48,159

officials

2659

01:45:52,550 --> 01:45:50,159

basically admit that there was an alien

2660

01:45:53,270 --> 01:45:52,560

crash landing and there was bodies and

2661

01:45:56,830 --> 01:45:53,280

more

2662

01:46:00,390 --> 01:45:56,840

so i'm back to the side of the alien

2663

01:46:03,750 --> 01:46:00,400

hypothesis we have too many witnesses

2664

01:46:05,270 --> 01:46:03,760

you have to you have to um

2665

01:46:07,750 --> 01:46:05,280

you know to think that way you have to

2666

01:46:09,830 --> 01:46:07,760

think that back in 1947 they all got

2667

01:46:12,550 --> 01:46:09,840

together and said okay look

2668

01:46:13,669 --> 01:46:12,560

uh decades from now people are going to

2669

01:46:15,990 --> 01:46:13,679

come uh

2670

01:46:16,709 --> 01:46:16,000

come calling and uh let's get our

2671

01:46:18,950 --> 01:46:16,719

stories

2672

01:46:20,790 --> 01:46:18,960

uh let's really cook up some storage

2673

01:46:23,350 --> 01:46:20,800

yeah you know

2674

01:46:25,350 --> 01:46:23,360

that's ridiculous that's right i agree

2675

01:46:26,709 --> 01:46:25,360

with you and mortimer james asks we

2676

01:46:28,229 --> 01:46:26,719

touch on this briefly but what do you

2677

01:46:30,310 --> 01:46:28,239

think of the pieces they were called

2678

01:46:31,270 --> 01:46:30,320

arts parts that art bell got and linda

2679

01:46:34,470 --> 01:46:31,280

molten hale

2680

01:46:37,109 --> 01:46:34,480

was pushing as alien pieces of

2681

01:46:40,149 --> 01:46:37,119

that's that's the uh that's one of the

2682

01:46:42,629 --> 01:46:40,159

things i'm talking about the arts parts

2683

01:46:45,189 --> 01:46:42,639

i saw them i mean i didn't handle them i

2684

01:46:47,030 --> 01:46:45,199

saw pictures of it and i'm thinking

2685

01:46:48,629 --> 01:46:47,040

what the hell is this that that doesn't

2686

01:46:49,510 --> 01:46:48,639

look like anything to me it could be

2687

01:46:53,750 --> 01:46:49,520

anything yeah

2688

01:46:56,870 --> 01:46:53,760

yeah and uh so i assume they when

2689

01:46:58,550 --> 01:46:56,880

they got them tested but i have no idea

2690

01:47:00,149 --> 01:46:58,560

what the results of the tests are and

2691

01:47:01,910 --> 01:47:00,159

this is what i'm talking about

2692

01:47:03,270 --> 01:47:01,920

what yeah it's kind of like a back and

2693

01:47:05,350 --> 01:47:03,280

forth though because

2694

01:47:07,510 --> 01:47:05,360

the first person that tested them said

2695

01:47:09,030 --> 01:47:07,520

these are ordinary earthly metals here's

2696

01:47:10,950 --> 01:47:09,040

here's the lab reports and

2697

01:47:12,550 --> 01:47:10,960

linda mulhell didn't like that report so

2698

01:47:14,149 --> 01:47:12,560

she hired new guys

2699

01:47:16,390 --> 01:47:14,159

that would go out on a limb and say that

2700

01:47:18,870 --> 01:47:16,400

they were more than earthly materials

2701  
01:47:20,629 --> 01:47:18,880  
and then she sells them to tsa who is

2702  
01:47:22,070 --> 01:47:20,639  
now claiming that they have alien

2703  
01:47:25,270 --> 01:47:22,080  
wreckage or may have alien

2704  
01:47:26,709 --> 01:47:25,280  
wreckage but we never get the lab result

2705  
01:47:28,709 --> 01:47:26,719  
it's very easy to put them in a

2706  
01:47:30,470 --> 01:47:28,719  
spectrometer like that's

2707  
01:47:32,470 --> 01:47:30,480  
it's very easy put a piece in the

2708  
01:47:34,470 --> 01:47:32,480  
spectrometer it'll tell you what

2709  
01:47:36,390 --> 01:47:34,480  
the elemental makeup of the material is

2710  
01:47:37,030 --> 01:47:36,400  
what the isotopic ratios are if it's

2711  
01:47:39,109 --> 01:47:37,040  
aluminum

2712  
01:47:40,870 --> 01:47:39,119  
titanium whatever it is the spectrometer

2713  
01:47:43,830 --> 01:47:40,880

will tell you it doesn't take

2714

01:47:45,510 --> 01:47:43,840

20 years to test the material right and

2715

01:47:47,350 --> 01:47:45,520

we have all this talk about meta

2716

01:47:50,709 --> 01:47:47,360

materials metamaterials are not

2717

01:47:54,310 --> 01:47:50,719

alien they're just as a very specialized

2718

01:47:56,229 --> 01:47:54,320

newer form of of new kind of material

2719

01:47:57,830 --> 01:47:56,239

right so i have a real problem with

2720

01:48:00,310 --> 01:47:57,840

people that go and

2721

01:48:02,470 --> 01:48:00,320

and make try to make money or

2722

01:48:04,550 --> 01:48:02,480

documentaries or television shows

2723

01:48:07,270 --> 01:48:04,560

claiming they have this alien material

2724

01:48:08,790 --> 01:48:07,280

but we never get the lab results never

2725

01:48:10,709 --> 01:48:08,800

you never get them

2726

01:48:11,910 --> 01:48:10,719

well yeah so i wanted to say to make

2727

01:48:14,149 --> 01:48:11,920

sure that i say

2728

01:48:15,750 --> 01:48:14,159

you can you can search tom carrey on

2729

01:48:17,750 --> 01:48:15,760

amazon and all of your books and you

2730

01:48:20,470 --> 01:48:17,760

said you're working on a new book right

2731

01:48:22,229 --> 01:48:20,480

yes it's called touched by roswell it's

2732

01:48:24,470 --> 01:48:22,239

about famous people

2733

01:48:26,390 --> 01:48:24,480

the rich and famous you know actors

2734

01:48:29,830 --> 01:48:26,400

actors and actresses and

2735

01:48:31,270 --> 01:48:29,840

rich famous people that somewhere in

2736

01:48:34,070 --> 01:48:31,280

their lives

2737

01:48:35,910 --> 01:48:34,080

their life in roswell crossed do you

2738

01:48:37,669 --> 01:48:35,920

have the story of jackie gleason did you

2739

01:48:39,750 --> 01:48:37,679

know that story yeah that's one of them

2740

01:48:41,189 --> 01:48:39,760

oh wow that's one of my favorite stories

2741

01:48:43,830 --> 01:48:41,199

because i i

2742

01:48:45,030 --> 01:48:43,840

not only have i heard that in in you

2743

01:48:48,629 --> 01:48:45,040

know media

2744

01:48:51,430 --> 01:48:48,639

but i i heard that from somebody that

2745

01:48:51,750 --> 01:48:51,440

sort of worked with or for him who told

2746

01:48:53,910 --> 01:48:51,760

me

2747

01:48:55,189 --> 01:48:53,920

that jackie gleason to his death was

2748

01:48:58,470 --> 01:48:55,199

convinced that

2749

01:49:00,790 --> 01:48:58,480

he saw an alien body yes yeah

2750

01:49:02,629 --> 01:49:00,800

that's a great richard with richard

2751

01:49:06,229 --> 01:49:02,639

nixon yes

2752

01:49:10,470 --> 01:49:06,239

yeah it's like you know there's a

2753

01:49:13,589 --> 01:49:10,480

it's famous people who who in some way

2754

01:49:16,950 --> 01:49:13,599

their lives crossed with the roswell

2755

01:49:18,709 --> 01:49:16,960

incident and uh

2756

01:49:21,669 --> 01:49:18,719

we're working on it right now it should

2757

01:49:23,430 --> 01:49:21,679

be out uh mid-year this year

2758

01:49:24,870 --> 01:49:23,440

well good for you and i one more

2759

01:49:26,229 --> 01:49:24,880

question uh and

2760

01:49:28,790 --> 01:49:26,239

we'll try to wrap it up here i'm not

2761

01:49:30,629 --> 01:49:28,800

sure how to ask this so i'll just say

2762

01:49:32,629 --> 01:49:30,639

has tom carrey ever had a conversation

2763

01:49:34,310 --> 01:49:32,639

with former senate majority leader harry

2764

01:49:41,430 --> 01:49:34,320

reid

2765

01:49:45,669 --> 01:49:41,440

about ufos uh

2766

01:49:48,709 --> 01:49:45,679

he has uh worked uh i guess he got uh

2767

01:49:51,750 --> 01:49:48,719

uh bigelow uh

2768

01:49:55,109 --> 01:49:51,760

aerospace involved and

2769

01:49:56,070 --> 01:49:55,119

uh thanks to harry reid they're the i

2770

01:49:59,109 --> 01:49:56,080

believe the

2771

01:50:00,870 --> 01:49:59,119

u.s defense department as we speak is

2772

01:50:05,030 --> 01:50:00,880

supposed to have a report

2773

01:50:07,270 --> 01:50:05,040

yeah within the next uh 120 days it was

2774

01:50:09,430 --> 01:50:07,280

we're down to about 120 days i can't

2775

01:50:13,270 --> 01:50:09,440

wait to read that yes yes

2776

01:50:16,550 --> 01:50:13,280

and uh here's the thing about that

2777

01:50:17,589 --> 01:50:16,560

is uh how do you know there what they

2778

01:50:19,910 --> 01:50:17,599

tell you

2779

01:50:22,310 --> 01:50:19,920

is what is going to be the truth yeah

2780

01:50:24,350 --> 01:50:22,320

because we have this roswell case closed

2781

01:50:27,510 --> 01:50:24,360

uh report that is just filled with

2782

01:50:30,070 --> 01:50:27,520

inaccuracies and garbage information

2783

01:50:31,430 --> 01:50:30,080

yeah ridiculous explanations like all

2784

01:50:33,350 --> 01:50:31,440

those bodies were

2785

01:50:35,109 --> 01:50:33,360

anthropomorphic dummies that were

2786

01:50:36,229 --> 01:50:35,119

dropped ten years after the roswell

2787

01:50:39,109 --> 01:50:36,239

event people just

2788

01:50:40,310 --> 01:50:39,119

you know you know time dilation or

2789

01:50:43,109 --> 01:50:40,320

something they forgot

2790

01:50:44,470 --> 01:50:43,119

when they saw those things yeah it just

2791

01:50:47,189 --> 01:50:44,480

i don't trust anything

2792

01:50:47,510 --> 01:50:47,199

i have two rules now it used to be that

2793

01:50:53,270 --> 01:50:47,520

my

2794

01:50:55,270 --> 01:50:53,280

due diligence and research

2795

01:50:57,430 --> 01:50:55,280

and now i've added to that i don't trust

2796

01:50:59,350 --> 01:50:57,440

anything the mainstream media tells me

2797

01:51:01,270 --> 01:50:59,360

without doing my own due diligence and

2798

01:51:03,350 --> 01:51:01,280

research into those things

2799

01:51:04,790 --> 01:51:03,360

so after listen i'm going to ask you

2800

01:51:06,629 --> 01:51:04,800

this because this is important and then

2801  
01:51:07,990 --> 01:51:06,639  
i'm gonna solo you for this because i

2802  
01:51:10,149 --> 01:51:08,000  
want you to give

2803  
01:51:11,669 --> 01:51:10,159  
i want you to spend just a few minutes

2804  
01:51:13,990 --> 01:51:11,679  
and you've been

2805  
01:51:15,350 --> 01:51:14,000  
studying this thing longer than most

2806  
01:51:16,070 --> 01:51:15,360  
people almost longer than i've been

2807  
01:51:19,109 --> 01:51:16,080  
alive

2808  
01:51:21,910 --> 01:51:19,119  
right so uh i want to know

2809  
01:51:23,350 --> 01:51:21,920  
really what what is your bottom line

2810  
01:51:28,070 --> 01:51:23,360  
what is your

2811  
01:51:30,470 --> 01:51:28,080  
these witnesses

2812  
01:51:32,070 --> 01:51:30,480  
what actually happened at roswell you've

2813  
01:51:32,790 --> 01:51:32,080

studied this thing longer than most

2814

01:51:35,030 --> 01:51:32,800

people

2815

01:51:35,910 --> 01:51:35,040

i want to hear you give us your best

2816

01:51:40,629 --> 01:51:35,920

case

2817

01:51:44,229 --> 01:51:40,639

what really crashed at roswell well

2818

01:51:48,229 --> 01:51:44,239

uh it's of course it's uh

2819

01:51:50,550 --> 01:51:48,239

based on witness testimony

2820

01:51:52,950 --> 01:51:50,560

observing the witnesses and weighing

2821

01:51:56,870 --> 01:51:52,960

what they say

2822

01:51:59,990 --> 01:51:56,880

and uh there's no doubt

2823

01:52:04,229 --> 01:52:00,000

in my mind that uh

2824

01:52:09,910 --> 01:52:04,239

on the evening of july the second

2825

01:52:15,430 --> 01:52:14,229

blew up during a thunder and lightning

2826

01:52:20,310 --> 01:52:15,440

storm

2827

01:52:23,430 --> 01:52:20,320

in central high new mexico

2828

01:52:24,790 --> 01:52:23,440

scattering debris across the sheep

2829

01:52:27,589 --> 01:52:24,800

pasture

2830

01:52:28,709 --> 01:52:27,599

there were five occupants four of them

2831

01:52:32,229 --> 01:52:28,719

met their fate

2832

01:52:34,950 --> 01:52:32,239

one was still alive they were

2833

01:52:37,189 --> 01:52:34,960

recovered to first to the roswell army

2834

01:52:40,629 --> 01:52:37,199

airfield

2835

01:52:45,270 --> 01:52:42,229

headline went out that they had

2836

01:52:48,470 --> 01:52:45,280

recovered a flying saucer

2837

01:52:51,350 --> 01:52:48,480

at the the headline was changed within

2838

01:52:53,109 --> 01:52:51,360

hours to that it was a weather balloon

2839

01:52:55,030 --> 01:52:53,119

but it was in fact they were right the

2840

01:52:57,270 --> 01:52:55,040

first time

2841

01:52:59,350 --> 01:52:57,280

a flying saucer crashed we don't know

2842

01:53:02,310 --> 01:52:59,360

where it was from

2843

01:53:04,390 --> 01:53:02,320

we know we know how many occupants there

2844

01:53:08,870 --> 01:53:04,400

were it was ultimately taken to re

2845

01:53:11,030 --> 01:53:08,880

taken to right field in dayton ohio

2846

01:53:12,629 --> 01:53:11,040

that's where it was analyzed that's

2847

01:53:14,390 --> 01:53:12,639

where the bodies went that's where the

2848

01:53:17,430 --> 01:53:14,400

live one went

2849

01:53:20,470 --> 01:53:17,440

uh they did tests on the live one

2850

01:53:22,470 --> 01:53:20,480

certainly they they did

2851  
01:53:25,669 --> 01:53:22,480  
autopsies of the dead ones they were

2852  
01:53:28,629 --> 01:53:25,679  
kept there for years

2853  
01:53:29,510 --> 01:53:28,639  
and uh we believe based on testimony

2854  
01:53:32,950 --> 01:53:29,520  
that the stuff

2855  
01:53:36,229 --> 01:53:32,960  
was moved in the early 1980s

2856  
01:53:39,669 --> 01:53:36,239  
to area 51 in utah

2857  
01:53:41,350 --> 01:53:39,679  
in nevada kept there for a number of

2858  
01:53:44,709 --> 01:53:41,360  
years

2859  
01:53:47,589 --> 01:53:44,719  
and according to witness testimony

2860  
01:53:49,510 --> 01:53:47,599  
we believe the five roswell aliens are

2861  
01:53:53,669 --> 01:53:49,520  
now

2862  
01:53:55,910 --> 01:53:53,679  
residing in dugway utah

2863  
01:53:56,870 --> 01:53:55,920

and the wreckage the physical wreckage

2864

01:54:00,870 --> 01:53:56,880

now is in

2865

01:54:02,950 --> 01:54:00,880

private hands by that i don't mean uncle

2866

01:54:05,430 --> 01:54:02,960

harry or aunt lucy

2867

01:54:07,189 --> 01:54:05,440

i mean in private companies that do

2868

01:54:09,510 --> 01:54:07,199

business with the federal government

2869

01:54:10,550 --> 01:54:09,520

that's where the wreckage is residing

2870

01:54:13,830 --> 01:54:10,560

today

2871

01:54:15,669 --> 01:54:13,840

they're still testing it and the reason

2872

01:54:17,990 --> 01:54:15,679

that it's in private hands is that

2873

01:54:19,750 --> 01:54:18,000

they don't have to answer uh freedom of

2874

01:54:22,870 --> 01:54:19,760

information requests

2875

01:54:24,950 --> 01:54:22,880

like you know if you're a government

2876  
01:54:25,510 --> 01:54:24,960  
agency you're subject to foia requests

2877  
01:54:28,629 --> 01:54:25,520  
well

2878  
01:54:31,669 --> 01:54:28,639  
private companies are not so

2879  
01:54:35,350 --> 01:54:31,679  
yes it was uh now in my mind

2880  
01:54:38,950 --> 01:54:35,360  
i'm starting to lean towards uh

2881  
01:54:41,990 --> 01:54:38,960  
extra temporal or extra dimensional

2882  
01:54:43,830 --> 01:54:42,000  
as opposed to extra terrestrial

2883  
01:54:45,270 --> 01:54:43,840  
it's i'm straddling offense on that

2884  
01:54:48,070 --> 01:54:45,280  
right now so

2885  
01:54:49,510 --> 01:54:48,080  
because of the quality of the testimony

2886  
01:54:52,870 --> 01:54:49,520  
regarding the

2887  
01:54:55,830 --> 01:54:52,880  
the uh potential time travelers

2888  
01:54:56,629 --> 01:54:55,840

and uh so that's where i'm at yes it was

2889

01:54:58,390 --> 01:54:56,639

uh

2890

01:55:01,270 --> 01:54:58,400

of unknown origin it was either

2891

01:55:05,510 --> 01:55:01,280

extraterrestrial or extra temporal

2892

01:55:08,470 --> 01:55:05,520

it was covered up it's still covered up

2893

01:55:09,750 --> 01:55:08,480

i don't know what's going to take place

2894

01:55:12,390 --> 01:55:09,760

with this 180

2895

01:55:13,510 --> 01:55:12,400

this report that's due out now in 100 i

2896

01:55:16,229 --> 01:55:13,520

guess it's mid-june

2897

01:55:18,070 --> 01:55:16,239

and june what that's going to say

2898

01:55:21,589 --> 01:55:18,080

whether it's going to address

2899

01:55:24,550 --> 01:55:21,599

roswell at all because there were

2900

01:55:25,990 --> 01:55:24,560

uh human rights violations perpetrated

2901  
01:55:29,830 --> 01:55:26,000  
upon civilians

2902  
01:55:33,030 --> 01:55:29,840  
to cover that up uh that where that

2903  
01:55:33,830 --> 01:55:33,040  
they certainly would not be happy to

2904  
01:55:36,629 --> 01:55:33,840  
talk about

2905  
01:55:38,070 --> 01:55:36,639  
but we know that death threats were

2906  
01:55:41,910 --> 01:55:38,080  
issued

2907  
01:55:42,870 --> 01:55:41,920  
to cover it up and a lot of bad stuff

2908  
01:55:46,229 --> 01:55:42,880  
went on

2909  
01:55:47,270 --> 01:55:46,239  
but that's what i believe and whether it

2910  
01:55:49,669 --> 01:55:47,280  
will ever come out

2911  
01:55:51,030 --> 01:55:49,679  
i don't know but i can tell you this but

2912  
01:55:52,709 --> 01:55:51,040  
i can't give you the answer i know

2913  
01:55:54,790 --> 01:55:52,719

i know where the wreckage is today i

2914

01:55:57,109 --> 01:55:54,800

know where the bodies are

2915

01:55:58,830 --> 01:55:57,119

but uh we're not going to release that

2916

01:56:01,270 --> 01:55:58,840

information

2917

01:56:04,629 --> 01:56:01,280

until that uh

2918

01:56:08,070 --> 01:56:04,639

book uh we're having we have a uh

2919

01:56:11,510 --> 01:56:08,080

a uh issue a a

2920

01:56:15,510 --> 01:56:11,520

our book witness to roswell was our best

2921

01:56:19,510 --> 01:56:15,520

seller so in 20

2922

01:56:21,109 --> 01:56:19,520

let's see 2022 will be 75 years believe

2923

01:56:24,709 --> 01:56:21,119

it or not

2924

01:56:28,070 --> 01:56:24,719

since the event

2925

01:56:29,910 --> 01:56:28,080

so in 2022 we're coming out with a 75th

2926

01:56:33,189 --> 01:56:29,920

anniversary issue

2927

01:56:35,109 --> 01:56:33,199

of witness to roswell we're going to

2928

01:56:36,470 --> 01:56:35,119

have new information in there

2929

01:56:38,709 --> 01:56:36,480

and certainly we will have the

2930

01:56:41,990 --> 01:56:38,719

information as to where we know that the

2931

01:56:44,390 --> 01:56:42,000

wreckage is uh where it's at

2932

01:56:45,830 --> 01:56:44,400

where the bodies are and and what tests

2933

01:56:49,830 --> 01:56:45,840

they're doing on the wreckage

2934

01:56:52,709 --> 01:56:49,840

so that's that's what i believe

2935

01:56:54,550 --> 01:56:52,719

wow it's been such a pleasure to talk to

2936

01:56:56,310 --> 01:56:54,560

you having read so many of your books

2937

01:56:57,830 --> 01:56:56,320

i want to thank you so much i'm sorry we

2938

01:56:59,350 --> 01:56:57,840

went a little over time i think

2939

01:57:01,189 --> 01:56:59,360

uh you know i could talk to you for

2940

01:57:03,030 --> 01:57:01,199

another three hours

2941

01:57:04,470 --> 01:57:03,040

but i'm gonna have to let you go i hope

2942

01:57:07,030 --> 01:57:04,480

that you'll come back

2943

01:57:08,390 --> 01:57:07,040

we uh we might have a few more people

2944

01:57:09,990 --> 01:57:08,400

including mr schmidt

2945

01:57:11,510 --> 01:57:10,000

uh i thought it'd be best just to

2946

01:57:13,109 --> 01:57:11,520

interview you guys separately

2947

01:57:14,709 --> 01:57:13,119

because i know you're a team but i

2948

01:57:16,470 --> 01:57:14,719

thought you'd each have your own sort of

2949

01:57:18,950 --> 01:57:16,480

perspective about things and

2950

01:57:20,550 --> 01:57:18,960

and i'd rather interview you separately

2951

01:57:21,589 --> 01:57:20,560

so we're gonna have him and maybe a few

2952

01:57:24,229 --> 01:57:21,599

other people

2953

01:57:26,149 --> 01:57:24,239

i did want to ask you uh just briefly

2954

01:57:28,310 --> 01:57:26,159

before you go though mr bosley

2955

01:57:31,270 --> 01:57:28,320

walter bosley has a pretty interesting

2956

01:57:33,189 --> 01:57:31,280

idea respect but it's mostly speculation

2957

01:57:34,709 --> 01:57:33,199

i've never heard that name before i

2958

01:57:37,189 --> 01:57:34,719

don't know who he is

2959

01:57:38,550 --> 01:57:37,199

okay well his his take on the roswell

2960

01:57:41,830 --> 01:57:38,560

event was that it wasn't

2961

01:57:45,350 --> 01:57:41,840

alien and it wasn't that it was uh

2962

01:57:46,629 --> 01:57:45,360

sort of like a uh test flight rocket

2963

01:57:52,790 --> 01:57:46,639

test flights

2964

01:57:56,149 --> 01:57:52,800

you think of that theory

2965

01:57:56,470 --> 01:57:56,159

are we almost done yeah we're done we're

2966

01:57:59,589 --> 01:57:56,480

done

2967

01:58:01,109 --> 01:57:59,599

okay all right i'm sorry that well what

2968

01:58:03,270 --> 01:58:01,119

what is that base storm what

2969

01:58:05,270 --> 01:58:03,280

i mean what is that based on i think

2970

01:58:05,990 --> 01:58:05,280

just on project paperclip in some of the

2971

01:58:09,589 --> 01:58:06,000

early tests

2972

01:58:12,470 --> 01:58:09,599

with the v2 oh no no no no i'm sorry

2973

01:58:14,790 --> 01:58:12,480

if the germans had ufos flying sources

2974

01:58:17,830 --> 01:58:14,800

we'd be speaking german now

2975

01:58:20,629 --> 01:58:17,840

and uh yeah yeah yeah

2976

01:58:22,310 --> 01:58:20,639

i'm sorry that is so that is so

2977

01:58:24,470 --> 01:58:22,320

ridiculous i'm sorry

2978

01:58:26,629 --> 01:58:24,480

okay well you're we're free to disagree

2979

01:58:27,990 --> 01:58:26,639

here i appreciate your perspective

2980

01:58:29,350 --> 01:58:28,000

i'm going to let you go and then i'm

2981

01:58:30,950 --> 01:58:29,360

going to wrap up the show i want to

2982

01:58:32,070 --> 01:58:30,960

thank you so much it's been

2983

01:58:36,229 --> 01:58:32,080

it's really been an honor and a

2984

01:58:39,589 --> 01:58:37,750

my mom said the same thing don't say

2985

01:58:41,189 --> 01:58:39,599

anything at all exactly

2986

01:58:43,109 --> 01:58:41,199

all right well i'm going to toss you out

2987

01:58:44,709 --> 01:58:43,119

of here now i appreciate your time very

2988

01:58:46,629 --> 01:58:44,719

much everybody listen

2989

01:58:48,149 --> 01:58:46,639

if you want to hear more if you want to

2990

01:58:51,030 --> 01:58:48,159

read more go to amazon

2991

01:58:52,870 --> 01:58:51,040

just put in tom carrier or don schmidt

2992

01:58:55,030 --> 01:58:52,880

into the search box and you'll find

2993

01:58:56,229 --> 01:58:55,040

a whole bunch of great books every book

2994

01:58:57,669 --> 01:58:56,239

that i've gotten from him i

2995

01:59:00,070 --> 01:58:57,679

thoroughly enjoyed i want to get some

2996

01:59:01,109 --> 01:59:00,080

more so thanks very much for your time

2997

01:59:03,109 --> 01:59:01,119

mr carrie

2998

01:59:05,669 --> 01:59:03,119

my pleasure stephen you have a great

2999

01:59:07,109 --> 01:59:05,679

evening okay great thanks mr carrie bye

3000

01:59:09,430 --> 01:59:07,119

bye

3001  
01:59:10,550 --> 01:59:09,440  
all right well there you go friends uh

3002  
01:59:13,270 --> 01:59:10,560  
we are

3003  
01:59:15,589 --> 01:59:13,280  
continuing in this revisiting roswell

3004  
01:59:17,910 --> 01:59:15,599  
and what an amazing uh

3005  
01:59:19,350 --> 01:59:17,920  
journey it has been i want to thank our

3006  
01:59:22,390 --> 01:59:19,360  
guest tonight mr tom

3007  
01:59:23,990 --> 01:59:22,400  
carrey who two of my you guys have heard

3008  
01:59:25,910 --> 01:59:24,000  
me mention these books time and time

3009  
01:59:27,990 --> 01:59:25,920  
again witness to ron if you only get two

3010  
01:59:29,030 --> 01:59:28,000  
get witness to roswell and children of

3011  
01:59:31,910 --> 01:59:29,040  
roswell

3012  
01:59:33,189 --> 01:59:31,920  
followed very quickly by uh the real

3013  
01:59:34,629 --> 01:59:33,199

area 51

3014

01:59:36,390 --> 01:59:34,639

which tells the whole story of ray

3015

01:59:38,950 --> 01:59:36,400

patterson and all of the

3016

01:59:40,629 --> 01:59:38,960

the stories of top secret and alien

3017

01:59:41,830 --> 01:59:40,639

technology that may have been taken to

3018

01:59:43,910 --> 01:59:41,840

wright patterson

3019

01:59:45,189 --> 01:59:43,920

these are just great books i want to

3020

01:59:45,830 --> 01:59:45,199

thank each and every one of you for

3021

01:59:47,990 --> 01:59:45,840

joining us

3022

01:59:49,669 --> 01:59:48,000

and mr carrie if you're standing by i'm

3023

01:59:52,070 --> 01:59:49,679

going to play a bumper out and i'll be

3024

01:59:53,910 --> 01:59:52,080

with you in just one moment

3025

01:59:55,990 --> 01:59:53,920

so friends i'm always happy when there's

3026  
01:59:56,310 --> 01:59:56,000  
an audience i can't tell you how happy i

3027  
01:59:59,030 --> 01:59:56,320  
am

3028  
02:00:00,709 --> 01:59:59,040  
listen i'm taking this journey and you

3029  
02:00:02,229 --> 02:00:00,719  
guys get to take it with me

3030  
02:00:03,750 --> 02:00:02,239  
and that's the great part of our show

3031  
02:00:06,310 --> 02:00:03,760  
here we get to

3032  
02:00:07,270 --> 02:00:06,320  
uh we get to experience this journey

3033  
02:00:09,430 --> 02:00:07,280  
together

3034  
02:00:11,430 --> 02:00:09,440  
i'm glad that i could take you with you

3035  
02:00:12,790 --> 02:00:11,440  
take you guys with me i'm glad that we

3036  
02:00:14,229 --> 02:00:12,800  
could take this journey together

3037  
02:00:16,149 --> 02:00:14,239  
just want to mention quickly there was

3038  
02:00:18,149 --> 02:00:16,159

no shows previous to

3039

02:00:19,350 --> 02:00:18,159

today because i'm feeling a little bit

3040

02:00:21,189 --> 02:00:19,360

under the weather i

3041

02:00:22,950 --> 02:00:21,199

thank everybody that reached out to me

3042

02:00:24,070 --> 02:00:22,960

i'm fairly certain it's not covered in

3043

02:00:27,589 --> 02:00:24,080

just a cold but it

3044

02:00:28,790 --> 02:00:27,599

is messed with my throat and i was

3045

02:00:30,629 --> 02:00:28,800

losing my voice

3046

02:00:32,390 --> 02:00:30,639

i'm feeling a little bit better so

3047

02:00:33,910 --> 02:00:32,400

thanks everyone

3048

02:00:36,310 --> 02:00:33,920

until next time friends my name is

3049

02:00:39,750 --> 02:00:36,320

stephen cambion still searching for the

3050

02:00:54,970 --> 02:00:39,760

truth about this roswell event

3051

02:01:06,830 --> 02:00:54,980

night and god bless all of you

3052

02:01:06,840 --> 02:01:11,030

so

3053

02:02:03,960 --> 02:01:20,830

[Music]

3054

02:02:05,330 --> 02:02:03,970

so
